§ 341.2 Examination upon application.

(ii) An unexpired United States passport issued initially for a full five/ten-year period to the applicant as a citizen of the United States, or

(iii) The applicant's parent(s)' naturalization certificate(s).

(2) *Testimony required.* Each applicant, when notified to do so, shall appear in person before an officer for examination under oath or affirmation upon the application. and the district director is satisfied that the applicant is old enough to provide reliable testimony. The same rule will apply for incompetent applicants. At the examination the applicant and the acting parent or guardian, if necessary, shall present testimony and evidence pertinent to the claim to citizenship and shall have the right to review and rebut any adverse evidence on file, and to cross-examine witnesses called by the Government.

(b) *Witness*—(1) *Personal appearance.* A witness shall be called to testify under oath or affirmation at the district director's option only if that person's testimony is needed to prove a particular point, and only if alternative proof is unavailable or more difficult to produce than is the witness.

(2) *Substitution and waiver.* When testimony is deemed necessary by the district director and the presentation of the person or persons through whom citizenship is claimed is precluded by reason of death, refusal to testify, unknown whereabouts, advanced age, mental or physical incapacity, or severe illness or infirmity, another witness or witnesses shall be produced. A substitute witness also may be produced in lieu of such person if such person is a member of the United States Armed Forces serving outside the United States in an area where his testimony could not be taken without imposing extreme hardship upon him, or without unduly delaying action on the application, and no issue is present which can be resolved only by this testimony.

(c) *Proof.* The burden of proof shall be upon the claimant, or his parent or guardian if one is acting in his behalf, to establish the claimed citizenship by a preponderance of the evidence.

(d) *Assignment and authority of officer.* A district director shall assign an officer of the Service to conduct the examination provided for in paragraphs (a) and (b) of this section. The assigned officer shall have authority to administer oaths or affirmations; to present and receive evidence; to rule upon offers of proof; to take or cause to be taken depositions or interrogatories; to regulate the course of the examination;
