

the grantee, may conduct such operations at such establishment.

§ 381.18 Authority of applicant.

Any person applying for inspection service may be required at the discretion of the Administrator to demonstrate that the operator of the establishment authorized him to do so.

§ 381.19 Application for inspection; irradiation facilities.

All applicants for inspection whose operations include irradiation and other processing shall submit, to the Administrator, a proposed quality control system as provided in § 381.149 of this part.

[62 FR 45026, Aug. 25, 1997]

§ 381.20 Survey and grant of inspection.

(a) Before inspection is granted, FSIS shall survey the establishment to determine if the construction and facilities of the establishment are in accordance with the regulations. FSIS will grant inspection, subject to § 381.21, when these requirements are met.

(b) FSIS shall give notice in writing to each applicant granted inspection and shall specify in the notice the establishment, including the limits of the establishment's premises, to which the grant pertains.

§ 381.21 Refusal of inspection.

(a) The Administrator may refuse to grant inspection at any establishment if he determines that it does not meet any requirements as to premises, facilities, and equipment, and the operation thereof, prescribed in the regulations under section 7 of the Act to prevent the distribution under the Act of adulterated poultry products, or that the applicant has not received approval of labeling and containers to be used at the establishment as required by the regulations. When inspection is refused for any such reason, the applicant shall be informed of the action and the reasons therefor and afforded an opportunity to present his views informally.

(b) If the refusal is based on a failure to comply with any requirements prescribed under section 7 of the Act, the

applicant shall, upon his request, be afforded opportunity for a hearing in accordance with applicable rules of practice, with respect to the merits or validity of the action taken, but such refusal shall continue in effect unless otherwise ordered by the Secretary.

(c) Inspection may also be refused in accordance with section 18(a) of the Act and the applicable rules of practice.

(d)(1) Any applicant for inspection at an establishment where the operations thereof may result in any discharge into the navigable waters of the United States is required by subsection 21(b) of the Federal Water Pollution Control Act, as amended, to provide the Administrator with a certification as prescribed in said subsection that there is reasonable assurance that such activity will be conducted in a manner which will not violate the applicable water quality standards. No grant of inspection can be issued after April 3, 1970 (the date of enactment of the Water Quality Improvement Act), unless such certification has been obtained, or is waived because of failure or refusal of the State, interstate agency, or the Administrator of the Environmental Protection Agency to act on a request for certification within 1 year after receipt of such request. Further, upon receipt of an application for inspection and a certification as required by subsection 21(b) of the Federal Water Pollution Control Act, the Administrator (as defined in § 381.1) is required by paragraph (2) of said subsection to notify the Administrator of the Environmental Protection Agency for proceedings in accordance with that paragraph. No grant of inspection can be made until the requirements of said paragraph (2) have been met.

(2) However, certification under subsection 21(b) of the Federal Water Pollution Control Act is not initially required in connection with an application for inspection granted after April 3, 1970, for facilities existing or under construction on April 3, 1970, although certification for such facilities is required to be obtained within the 3-year period immediately following April 3, 1970. Failure to obtain such certification or to meet the other requirements of subsection 21(b) prior to April
