## Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

### LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

### HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, February 1, 1997), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

### EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

### OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

#### OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, or 1973–1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

#### CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I), and Acts Requiring Publication in the Federal Register (Table II). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

#### REPLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

#### INQUIRIES

## SUBCHAPTER C—SPECIAL EDITIONS OF THE FEDERAL REGISTER

### PART 8—CODE OF FEDERAL REGULATIONS

Sec.

- 8.1 Policy.
- 8.2 Orderly development.
- 8.3 Periodic updating.
- 8.4 Indexes.
- 8.5 Ancillaries.
- 8.6 General format and binding.
- 8.7 Agency cooperation.
- 8.9 Form of citation.

AUTHORITY: 44 U.S.C. 1506, 1510; sec. 6, E.O. 10530, 19 FR 2709; 3 CFR, 1954-1958 Comp., p. 189.

SOURCE: 37 FR 23605, Nov. 4, 1972, unless otherwise noted.

#### § 8.1 Policy.

(a) Pursuant to chapter 15 of title 44, United States Code, the Director of the Federal Register shall publish periodically a special edition of the FEDERAL REGISTER to present a compact and practical code called the "Code of Federal Regulations", to contain each Federal regulation of general applicability and legal effect.

(b) The Administrative Committee intends that every practical means be used to keep the Code as current and readily usable as possible, within limitations imposed by dependability and reasonable costs.

[37 FR 23605, Nov. 4, 1972, as amended at 54 FR 9677, Mar. 7, 1989]

#### § 8.2 Orderly development.

To assure orderly development of the Code of Federal Regulations along practical lines, the Director of the Federal Register may establish new titles in the Code and rearrange existing titles and subordinate assignments. However, before taking an action under this section, the Director shall consult with each agency directly affected by the proposed change.

#### § 8.3 Periodic updating.

(a) *Criteria.* Each book of the Code shall be updated at least once each calendar year. If no change in its contents has occurred during the year, a simple

notation to that effect may serve as the supplement for that year. More frequent updating of any unit of the Code may be made whenever the Director of the Federal Register determines that the content of the unit has been substantially superseded or otherwise determines that such action would be consistent with the intent and purpose of the Administrative Committee as stated in § 8.1.

(b) *Staggered publication.* The Code will be produced over a 12-month period under a staggered publication system to be determined by the Director of the Federal Register.

(c) *Cutoff dates.* Each updated title of the Code will reflect each amendment to that title published as a codified regulation in the FEDERAL REGISTER on or before the "As of" date. Thus, each title updated as of July 1 each year will reflect all amendatory documents appearing in the daily FEDERAL REGISTER on or before July 1.

[37 FR 23605, Nov. 4, 1972, as amended at 54 FR 9677, Mar. 7, 1989]

#### § 8.4 Indexes.

A subject index to the entire Code shall be annually revised and separately published. An agency-prepared index for any individual book may be published with the approval of the Director of the Federal Register.

#### § 8.5 Ancillaries.

The Code shall provide, among others, the following-described finding aids:

(1) The reference is required by court order, statute, Executive order or reorganization plan.

(2) The reference is to regulations promulgated by an agency with the exclusive legal authority to regulate in a subject matter area, but the referencing agency needs to apply those regulations in its own programs.

(3) The reference is informational or improves clarity rather than being regulatory.

(4) The reference is to test methods or consensus standards produced by a Federal agency that have replaced or preempted private or voluntary test methods or consensus standards in a subject matter area.

(5) The reference is to the Department level from a subagency.

51.1 Policy.

51.3 When will the Director approve a publication?

51.5 How does an agency request approval?

51.7 What publications are eligible?

51.9 What is the proper language of incorporation?

51.11 How does an agency change or remove an approved incorporation?

AUTHORITY: 5 U.S.C. 552(a).

SOURCE: 47 FR 34108, Aug. 6, 1982, unless otherwise noted.

### §51.1 Policy.

(a) Section 552(a) of title 5, United States Code, provides, in part, that “matter reasonably available to the class of persons affected thereby is deemed published in the FEDERAL REGISTER when incorporated by reference therein with the approval of the Director of the Federal Register.”

(b) The Director will interpret and apply the language of section 552(a) together with other requirements which govern publication in the FEDERAL REGISTER and the Code of Federal Regulations. Those requirements which govern publication include—

(1) The Federal Register Act (44 U.S.C. 1501 *et seq.*)

(2) The Administrative Procedure Act (5 U.S.C. 551 *et seq.*);

(3) The regulations of the Administrative Committee of the Federal Register under the Federal Register Act (1 CFR Ch. I); and

(4) The acts which require publication in the FEDERAL REGISTER (See CFR volume entitled “CFR Index and Finding Aids.”)

(c) The Director will assume in carrying out the responsibilities for incorporation by reference that incorporation by reference—

(1) Is intended to benefit both the Federal Government and the members of the class affected; and

(2) Is not intended to detract from the legal or practical attributes of the system established by the Federal Register Act, the Administrative Procedure Act, the regulations of the Administrative Committee of the Federal Register, and the acts which require publication in the FEDERAL REGISTER.

(d) The Director will carry out the responsibilities by applying the standards of part 51 fairly and uniformly.

(e) Publication in the FEDERAL REGISTER of a document containing an incorporation by reference does not of itself constitute an approval of the incorporation by reference by the Director.

(f) Incorporation by reference of a publication is limited to the edition of the publication that is approved. Future amendments or revisions of the publication are not included.

### §51.3 When will the Director approve a publication?

(a) The Director will approve the incorporation by reference of a publication when the following requirements are met:

(1) The publication is eligible for incorporation by reference (See §51.7).

(2) The language of incorporation meets the requirements of this part (See §51.9).

(3) The publication is on file with the Office of the Federal Register.

(4) The Director has received a written request from the agency to approve the incorporation by reference of the publication.

(b) The Director will notify the agency of the approval or disapproval of an incorporation by reference within 20 working days after the agency has met all the requirements for requesting approvals (See §51.5).

### §51.5 How does an agency request approval?

(a) Formal approval of a publication for incorporation by reference applies to a final rule document. For timely approval by the Director of the Federal Register, the agency must—

(1) Make a written request for approval at least 20 working days before the agency intends to submit the final rule document for publication;

(2) Send with the written request a copy of the final rule document that uses the proper language of incorporation; and

(3) Ensure that a copy of the publication is on file at the Office of the Federal Register.

(b) Agencies may consult with the Office of the Federal Register at any time

with respect to the requirements of this part.

**§ 51.7 What publications are eligible?**

(a) A publication is eligible for incorporation by reference under 5 U.S.C. 552(a) if it—

(1) Conforms to the policy stated in § 51.1;

(2) Is published data, criteria, standards, specifications, techniques, illustrations, or similar material;

(3) Substantially reduces the volume of material published in the FEDERAL REGISTER; and

(4) Is reasonably available to and usable by the class of persons affected by the publication. In determining whether a publication is usable, the Director will consider—

(i) The completeness and ease of handling of the publication; and

(ii) Whether it is bound, numbered, and organized.

(b) The Director will assume that a publication produced by the same agency that is seeking its approval is inappropriate for incorporation by reference. A publication produced by the agency may be approved, if, in the judgment of the Director, it meets the requirements of paragraph (a) and possesses other unique or highly unusual qualities. A publication may be approved if it cannot be printed using the FEDERAL REGISTER/Code of Federal Regulations printing system.

(c) The following materials are not appropriate for incorporation by reference:

(1) Material published previously in the FEDERAL REGISTER.

(2) Material published in the *United States Code*.

**§ 51.9 What is the proper language of incorporation?**

(a) The language incorporating a publication by reference shall be as precise and complete as possible and shall make it clear that the incorporation by reference is intended and completed by the final rule document in which it appears.

(b) The language incorporating a publication by reference is precise and complete if it—

(1) Uses the words “incorporated by reference;”

(2) States the title, date, edition, author, publisher, and identification number of the publication;

(3) Informs the user that the incorporated publication is a requirement;

(4) Makes an official showing that the publication is in fact available by stating where and how copies may be examined and readily obtained with maximum convenience to the user; and

(5) Refers to 5 U.S.C. 552(a).

(c) If the Director approves a publication for incorporation by reference, the agency must—

(1) Include the following under the DATES caption of the preamble to the final rule document (See 1 CFR 18.12 *Preamble requirements*):

The incorporation by reference of certain publications listed in the regulations is approved by the Director of the Federal Register as of ———.

(2) Includes the term “incorporation by reference” in the list of index terms (See 1 CFR 18.20 *Identification of subjects in agency regulations*).

**§ 51.11 How does an agency change or remove an approved incorporation?**

(a) An agency that seeks approval for a change to a publication that is approved for incorporation by reference must—

(1) Publish notice of the change in the FEDERAL REGISTER and amend the Code of Federal Regulations;

(2) Ensure that a copy of the amendment or revision is on file at the Office of the Federal Register; and

(3) Notify the Director of the Federal Register in writing that the change is being made.

(b) If a regulation containing an incorporation by reference fails to become effective or is removed from the Code of Federal Regulations, the agency must notify the Director of the Federal Register in writing of that fact within 5 working days of the occurrence.

## CHAPTER IV—MISCELLANEOUS AGENCIES

---

EDITORIAL NOTE: Federal agencies are required to publish regulations implementing the provisions of the Freedom of Information Act (5 U.S.C. 552(a)), the Privacy Act of 1974 (Pub. L. 93-579, 5 U.S.C. 552a), the Government in the Sunshine Act (Pub. L. 94-409, 5 U.S.C. 552b), and section 504 of the Rehabilitation Act of 1973, as amended by section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978 (29 U.S.C. 794). While most agencies have existing chapter assignments in the Code of Federal Regulations, a few agencies do not. Since certain of these agencies are unlikely to be issuing regulations other than those relating to the acts mentioned above, the Director of the Office of the Federal Register has grouped these miscellaneous agencies into this chapter as an efficient means of administering the CFR system.

(Note that requests will not be honored by the Commission pursuant to the Privacy Act unless made: (1) By the individual to whom the record pertains or (2) by such individual's

legal guardian if the individual has been declared to be incompetent due to physical or mental incapacity or age by a court of competent jurisdiction.)

(c) The Commission will acknowledge requests for the existence of records within 10 working days from the time it receives the request and will normally notify the requester of the existence or non-existence of records within 30 working days from receipt of request.

(c) Charges for copies of records will be at the rate of \$0.10 per photocopy of each page. No charge will be made unless the charge as computed above would exceed \$3 for each request or related series of requests. If a fee in excess of \$25 would be required, the requester shall be notified and the fee must be tendered before the records will be copied. (a) An individual who, in accord with §455.3(b) of this part indicated that he or she would appear personally shall do so at the Commission's offices, 1325 G Street NW., Washington, DC, between the hours of 8:30 A.M. and 5:00 P.M., Monday through Friday (legal holidays excluded) and present a form of identification, such as a valid driver's license or employee identification card, which will permit the System Manager to verify that the individual is the same individual as contained in the record requested.

(b) An individual who, in accord with §455.3(b) of this part indicated that he or she desired mail delivery of a copy of the record shall include in the request the date and location of birth of the individual as suitable proof of identity.

(c) Where the above mentioned forms of identification are not feasible or appropriate, the Commission shall request a signed statement from the individual asserting his or her identity and stipulating that the individual understands that knowingly or willfully seeking or obtaining access to records about another individual under false pretenses is punishable by a fine of up to \$5,000.

### **§455.5 Disclosure of requested information to individuals.**

Upon verification of identity, the System Manager shall disclose to the individual: (a) The information contained in the record which pertains to that individual; and (b) the accounting of disclosures of the record, if any, required by 5 U.S.C. 552a(c).

### **§455.6 Request for correction or amendment to the record.**

An individual may request that a record pertaining to him or her be amended or corrected. The individual shall submit any such request in accord with §455.3 of this part and shall state therein the item sought to be amended and specific reasons therefor.

### **§455.7 Agency review of request for correction or amendment of the record.**

Within ten days of the receipt of the request to correct or to amend the record, the System Manager will acknowledge in writing such receipt and promptly either: (a) Make any correction or amendment of any portion thereof which the individual believes is not accurate, relevant, timely, or complete and inform the individual of same; or (b) inform the individual of his or her refusal to correct or to amend the record in accordance with the request, the reason for the refusal, and the procedures established by the Commission for the individual to request a review of that refusal.

### **§455.8 Appeal of an initial adverse agency determination on correction or amendment of the record.**

An individual who disagrees with the refusal of the System Manager to correct or to amend his or her record may submit a request for a review of such refusal to the Chairman of the Commission, 1325 G Street NW., Washington, DC 20576. The Chairman will, not later than thirty days from the date on which the individual requests such review, complete such review and make a final determination unless, for good cause shown, the Chairman extends such thirty day period. If, after his or her review, the Chairman also refuses to correct or to amend the record in accordance with the request, the individual may file with the Commission a concise statement setting forth the reasons for his or her disagreement with the refusal of the Commission and may seek judicial review of the Chairman's determination under 5 U.S.C. 552a(g)(1)(A).

**§ 455.9 Disclosure of record to a person other than the individual to whom the record pertains.**

An individual to whom a record is to be disclosed in person may have a person of his or her own choosing accompany the individual when the record is disclosed.

**§ 455.10 Fees.**

(a) The Commission will not charge an individual for the costs of making a search for a record or the costs of reviewing the record. When the Commission makes a copy of a record as a necessary part of the process of disclosing the record to an individual, the Commission will not charge the individual for the cost of making that copy.

(b) If an individual requests the Commission to furnish him or her with a copy of the record (when a copy has not otherwise been made as a necessary part of the process of disclosing the record to the individual), the Commission will charge a fee of \$0.25 per page (maximum per page dimension of 8½×13 inches) to the extent that the request exceeds \$5.00 in cost to the Commission. Requests not exceeding \$5.00 in cost to the Commission will be met without cost to the requester.

**§ 455.11 Penalties.**

Title 18 U.S.C. 1001, Crimes and Criminal Procedures, makes it a criminal offense, subject to a maximum fine of \$10,000 or imprisonment for not more than five years or both, to knowingly and willfully make or cause to be made any false or fraudulent statements or representations in any matter within the jurisdiction of any agency of the United States. Section 552a(i)(3) of the Privacy Act (5 U.S.C. 552a(i)(3)), makes it a misdemeanor, subject to a maximum fine of \$5,000, to knowingly and willfully request or obtain any record concerning an individual under false pretenses. Section 552a(i) (1) and (2) of the Privacy Act (5 U.S.C. 552a(i) (1) and (2)) provide penalties for violations by agency employees of the Privacy Act or regulations established thereunder.

**§ 455.12 Exemptions.**

No Commission records system is exempted from the provisions of 5 U.S.C.

552a as permitted under certain conditions by 5 U.S.C. 552a (j) and (k).

### § 456.3 Definitions.

For the purposes of this part, the following definitions shall apply:

(a) *Direct costs.* This term means those expenditures which the Commission actually incurs in searching for, duplicating and reviewing records.

(b) *Search.* This term includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents.

(c) *Duplication.* This term refers to the process of making a copy of a document necessary to respond to a Freedom of Information Act request.

(d) *Review.* This term refers to the process of examining documents located in response to a request that is for commercial use to determine whether any portion of any document located is permitted to be withheld, and includes processing any documents for disclosure.

(e) *Commercial use request.* This term refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade or profit interests of the requester or the person on whose behalf the request is made.

(f) *Educational institution.* This term refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(g) *Non-commercial scientific institution.* This term refers to a non-profit institution which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(h) *Representative of the news media.* This term refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term

“news” means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public. In the case of “freelance” journalists, they may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use.

[52 FR 34373, Sept. 11, 1987]

### § 456.4 Public access to information.

(a) *General policy.* It is the Commission's general policy to facilitate the broadest possible availability and dissemination of information to the public. The Commission's staff is available to assist the public in obtaining information formally by using the procedures herein or informally by discussions with the staff. The Commission's staff may, therefore, continue to furnish informally to the public information, which, prior to the amendments to the Act contained in Public Law 93-502, enacted November 21, 1974, was customarily furnished in the regular performance of their duties, provided the staff do so in a manner not inconsistent with these regulations. In addition, to the extent permitted by other laws, the Commission will make available records which it is authorized to withhold under the Act when it determines that such disclosure is in the public interest.

(b) *Established place of obtaining information.* Information may be obtained only from the Commission's offices, which are located at 1325 G Street, NW., Washington, DC 20576. Its official hours are 8:00 a.m. to 6:00 p.m., Monday through Friday, excluding legal holidays.

(c) *Information sources within the Commission.* Requests for Commission publications, offered for sale or informal

requests for general information on the Commission should be directed to the Public Affairs Officer. All formal requests for agency records pursuant to the Act must be directed to the Freedom of Information Officer.

Any request directed initially to the wrong information source will be correctly routed by the Commission's staff and the requesting party will be so notified. The ten-day time period within which the Commission is required to determine whether to comply with a request shall not begin to run until the request reaches, or with the exercise of due diligence should have reached, the appropriate information source.

(d) *Information routinely available.* The following types of information shall be routinely available (subject to the fee schedule, *infra*) for public dissemination without recourse to the Commission's formal information request procedures unless such information falls within one of the exemptions to agency disclosure listed in 5 U.S.C. 552(b):

- (1) Correspondence between the Commission and the public;
- (2) Executive Director's Recommendations;
- (3) Committee Reports;
- (4) Commission Memorandums of Actions; and
- (5) Maps.

Requests for information, other than maps, shall be directed to the Freedom of Information Officer; map requests shall be directed to the Public Affairs Officer.

(e) *Formal requests for information.* All formal requests for information pursuant to the Act shall be made in writing to the Freedom of Information Officer. To expedite internal handling of such requests, the words "Freedom of Information Request" shall appear on the face of the envelope bearing such request. The request shall state that the request is made pursuant to the Freedom of Information Act; shall reasonably describe the information sought, including the date the Commission received or produced the requested information, if known; shall state, pursuant to the fee schedule set forth *infra*, the maximum fee the party making the request would be willing to pay for the duplication of the requested records without further approval; and shall, if

possible, provide a telephone number at which the requesting party can be contacted to facilitate handling of the request.

(f) *Commission response to formal requests.* The Freedom of Information Officer, upon request for information made in compliance with these regulations, shall determine within ten days (excepting Saturdays, Sundays, and legal holidays) after the receipt of any such request whether to comply with such request and shall immediately notify the person making such request of such determination and the reasons therefor and of the right of such person to appeal to the head of the agency any adverse determination. In unusual circumstances as specified *infra*, the ten-day time limit may be extended by written notice to the person making the request setting forth the reasons for such extension and the date on which a determination is expected to be dispatched. No such notice shall specify a date that would result in an extension for more than ten working days. As used in this paragraph, "unusual circumstances" means, but only to the extent reasonably necessary to the proper processing of the particular request:

(1) The need to search for and collect the requested records from establishments that are separate from the Commission's offices;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein.

(g) *Determination to grant request.* If the Freedom of Information Officer makes a determination to grant a request in whole or in part, the person making such request will be so notified in writing. The notice shall also include a description of the information to be made available, a statement of the time when and the place where such information may be inspected or

§ 456.4

alternatively, the procedure for duplication and delivery (by mail or other means) of the information to the requesting party and a statement of the total fees chargeable to the requesting person pursuant to the fee schedule *infra*.

(h) *Determination to deny request-appeal procedure.* If the Freedom of Information Officer makes a determination to deny, in whole or in part, a request for information, he shall so notify the party making the request in writing. Any appeal of such determination shall be made in writing to the Chairman of the Commission and shall include a brief statement of the legal, factual, or other basis for the party's objection to the initial decision. The Chairman shall, within twenty days (excepting Saturdays, Sundays, and legal holidays) of the receipt of any such appeal determine whether to grant or deny the appeal and shall, immediately upon making his decision, give written notice of the decision to the party, including a brief statement of the reasons therefor.

(i) *Waiver.* Whenever a waiver of any of the procedures set forth herein would further the purpose of the Act by causing the public disclosure of non-confidential information within the time period required by the Act, the Freedom of Information Officer may, in the context of individual requests for information, waive any of the procedural requirements herein.

(j) *Schedule of fees.* (1) The Commission may charge the following fees for the production of information pursuant to the Act:

(i) Publications offered for sale—as marked.

(ii) Commission reports—\$0.25/page.

(iii) Committee reports—\$0.25/page.

(iv) Commission Memorandums of Actions—\$0.25/page.

(v) Transcripts of Commission meetings and Committee meetings—\$0.25/page.

(vi) Other records—\$0.25/page.

(vii) Map publications—microfilm printout—\$1.00/each; ozalid maps—\$0.30/linear foot.

(viii) Manual record research: \$2.25 per quarter hour if conducted by a clerical employee; \$5.00 per quarter hour if conducted by a professional or manage-

rial employee. The Commission may charge for search costs, where applicable, even if there is ultimately no disclosure of records.

(ix) Review charges: \$5.00 per quarter hour. The Commission may charge for review costs, where applicable, even if there is ultimately no disclosure of records.

(2) The Commission may charge the above-stated fees for the production of information pursuant to the Act, based upon the following requester classifications:

(i) *Commercial use requester.* The Commission may charge requesters in this category for all the direct costs of searching for, reviewing for release, and duplicating the records sought. In determining whether a request is for commercial use, the Commission will look to the use to which a requester will put the documents requested. Where a requester does not explain the use or where the explanation is insufficient, the Commission may draw reasonable inferences from the requester's identity.

(ii) *Educational and non-commercial scientific institution requesters.* The Commission shall provide documents to requesters in this category for the cost of reproduction alone, excluding charges for the first 100 pages. Requesters must show that the request is being made as authorized by or under the auspices of a qualifying institution and that the records sought are not for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or non-commercial scientific research (if the request is from a non-commercial scientific institution).

(iii) *Representatives of the news media.* The Commission shall provide documents to requesters in this category for the cost of reproduction alone, excluding charges for the first 100 pages.

(iv) *All other requesters.* The Commission may charge requesters who do not fit into any of the categories above fees which recover the full reasonable direct costs of searching for and reproducing records that are responsive to the request, excluding the first 100 pages and first two hours of search time. Requests from record subjects for records about themselves filed in the

Commission's system of records will continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for reproduction.

(3) The Commission keeps on file a limited quantity of back copies of Executive Director's Recommendations, Committee Reports, and Commission Memorandums of Actions. The Commission will first attempt to fill specific requests for these documents from its supply of back copies and until the supply is exhausted, the Commission will provide the documents at no charge. Once the supply is exhausted, the requested documents will be provided in accord with the fee schedule.

(4) The Commission may not charge fees to any requester if the cost of collecting the fee would be equal to or greater than the fee itself. The minimum fee for the production of information will be \$2.00 (over and above the first free 100 pages and 2 hours search time, where applicable). The Commission's Freedom of Information Officer shall provide documents furnished under the Act without any charge or at a charge reduced below the fees established under § 456.3(j)(1) if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and it is not primarily in the commercial interest of the requester.

(5) In deciding whether a fee waiver or reduction under § 456.4(j)(4) is justified, the Commission will consider the following factors:

(i) The subject of the request: Whether the subject of the requested records concerns "the operations or activities of the Government";

(ii) The informative value of the information to be disclosed: Whether the disclosure is "likely to contribute" to an understanding of government operations or activities;

(iii) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to "public understanding"; and

(iv) The significance of the contribution to public understanding: Whether

the disclosure is likely to contribute "significantly" to public understanding of government operations or activities.

(v) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so

(vi) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest disclosure, that disclosure is "primarily in the commercial interest of the requester."

(k) *Prior approval or advance deposit of fees.* (1) Where the agency estimates that duplication, review or search charges are likely to exceed \$25.00, it shall notify the requester of the estimated amount of fees, unless the requester has indicated in advance his or her willingness to pay fees as high as those estimated. Where the fees anticipated to result from a request are substantially greater than the amount estimated in the written request, the persons requesting the information shall be immediately notified of the estimated fees and his approval of such fees requested. Such person shall also be afforded the opportunity to revise his or her request to reduce the fees but satisfy his or her needs for information.

(2) Where the Freedom of Information Officer determines that fees are likely to exceed \$250.00, the Commission may require advance payment of the fee in whole or in part. Where a requester has previously failed to pay a fee charged in a timely manner or is presently in arrears, the Commission may require the requester to pay the full amount owed and to make an advance payment of the full amount of the estimated fees before the agency begins to process a new request or completes a pending request.

(3) The dispatch of any such request for an estimated fee approval or advance deposit shall suspend, until a reply is received by the Freedom of Information Officer, the period pursuant to 5 U.S.C., 552 and paragraph (f) supra

within which the Freedom of Information Officer must respond to a written request for information.

(4) A requester may not file multiple requests at the same time, each seeking portions of a document(s), solely in order to avoid payment of fees. When the Commission reasonably believes a requester(s) is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Commission may aggregate any such requests and charge accordingly.

(l) *Payment of fees.* Fees charged a person for the production of information must be paid in full prior to release of the information. Payment of fees shall be made by a personal check, postal money order or bank draft on a bank in the United States, made payable to the order of the Treasurer of the United States.

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

**§§ 457.131—457.139 [Reserved]**

**§ 457.140 Employment.**

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

**§§ 457.141—457.148 [Reserved]**

**§ 457.149 Program accessibility: Discrimination prohibited.**

Except as otherwise provided in § 457.150, no qualified handicapped person shall, because the agency's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

**§ 457.150 Program accessibility: Existing facilities.**

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 457.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result

in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General*. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) *Historic preservation programs*. In meeting the requirements of § 457.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of § 457.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance*. The agency shall comply with the obliga-

tions established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) *Transition plan*. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987 a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

**§ 457.151 Program accessibility: New construction and alterations.**

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

**§§ 457.152–457.159 [Reserved]****§ 457.160 Communications.**

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf person (TDD's) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 457.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her

designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

**§§ 457.161–457.169 [Reserved]****§ 457.170 Compliance procedures.**

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Executive Director shall be responsible for coordinating implementation of this section. Complaints may be sent to Equal Employment Opportunity Director, National Capital Planning Commission, 1325 G Street NW., Washington, DC 20576.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 500.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

In cases where a physical alteration to an historic property is not required because of § 500.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

**§ 500.151 Program accessibility: New construction and alterations.**

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

sibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 500.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion.
