

§ 1.41

by the order if placed in effect may file objections thereto with the Secretary of the Commission, specifying with particularity the provisions of the order deemed objectionable, stating the grounds therefor, and requesting a public hearing upon such objections. Objections will be deemed sufficient to warrant the holding of a public hearing only:

(1) If they establish that the objector will be adversely affected by the order;

(2) If they specify with particularity the provisions of the order to which objection is taken; and

(3) If they are supported by reasonable grounds which, if valid and factually supported, may be adequate to justify the relief sought.

Anyone who files objections which are not deemed by the Commission sufficient to warrant the holding of a public hearing will be promptly notified of that determination. As soon as practicable after the time for filing objections has expired, the Commission will publish a notice in the FEDERAL REGISTER specifying those parts of the order which have been stayed by the filing of objections or, if no objections sufficient to warrant the holding of a hearing have been filed, stating that fact.

Subpart D [Reserved]

Subpart E—Export Trade Associations

§ 1.41 Limited antitrust exemption.

The Export Trade Act authorizes the organization and operation of export trade associations, and extends to them certain limited exemptions from the Sherman Act and the Clayton Act. It also extends the jurisdiction of the Commission under the Federal Trade Commission Act to unfair methods of competition used in export trade against competitors engaged in export trade, even though the acts constituting such unfair methods are done without the territorial jurisdiction of the United States.

16 CFR Ch. I (1–1–99 Edition)

§ 1.42 Notice to Commission.

To obtain the exemptions afforded by the Act, an export trade association is required to file with the Commission, within thirty (30) days after its creation, a verified written statement setting forth the location of its offices and places of business, names, and addresses of its officers, stockholders, or members, and copies of its documents of incorporation or association. On the first day of January of each year thereafter, each association must file a like statement and, when required by the Commission to do so, must furnish to the Commission detailed information as to its organization, business, conduct, practices, management, and relation to other associations, corporations, partnerships, and individuals.

§ 1.43 Recommendations.

Whenever the Commission has reason to believe that an association has violated the prohibitions of section 2 of the Act, it may conduct an investigation. If, after investigation, it concludes that the law has been violated, it may make to such association recommendations for the readjustment of its business. If the association fails to comply with the recommendations, the Commission will refer its findings and recommendations to the Attorney General for appropriate action.

Subpart F—Trademark Cancellation Procedure

§ 1.51 Applications.

Applications for the institution of proceedings for the cancellation of registration of trade, service, or certification marks under the Trade-Mark Act of 1946 may be filed with the Secretary of the Commission. Such applications shall be in writing, signed by or in behalf of the applicant, and should identify the registration concerned and contain a short and simple statement of the facts constituting the alleged basis for cancellation, the name and address of the applicant, together with all relevant and available information. If, after consideration of the application, or upon its own initiative, the Commission concludes that cancellation of the mark may be warranted, it
