Subpart B—Exemptions From Production and Disclosure Under 5 U.S.C. 552(b)

§ 1015.15 Purpose and scope.

(a) The regulations of this subpart provide information concerning the types of records which may be withheld from production and disclosure by the Consumer Product Safety Commission and the internal Commission procedure for withholding exempt records. These regulations also provide information on the method whereby persons submitting information to the Commission may request that the information be considered exempt from disclosure, and information concerning the Commission's treatment of documents submitted with a request that they be treated as exempt from disclosure.

(b) No identifiable record requested in accordance with the procedures contained in this part shall be withheld from disclosure unless it falls within one of the classes of records exempt under 5 U.S.C. 552(b). The Commission will make available, to the extent permitted by law, records authorized to be withheld under 5 U.S.C. 552(b) unless the Commission determines that disclosure is contrary to the public interest. In this regard the Commission will not ordinarily release documents that provide legal advice to the Commission concerning pending or prospective litigation where the release of such documents would significantly interfere with the Commission's regulatory or enforcement proceedings.

(c) Draft documents that are agency records are subject to release upon request in accordance with this regulation. However, in order to avoid any misunderstanding of the preliminary nature of a draft document, each draft document released will be marked to indicate its tentative nature. Similarly, staff briefing packages, which have been completed but not yet transmitted to the Commission by the Office of the Secretary are subject to release upon request in accordance with this regulation. Each briefing package or portion thereof released will be marked

to indicate that it has not been transmitted to or acted upon by the Commission. In addition, briefing packages, or portions thereof, which the Secretary upon the advice of the Office of the General Counsel has determined would be released upon request in accordance with this regulation, will be publicly available in the public reference facility established under § 1015.2 promptly after the briefing package has been transmitted to the Commissioners by the Office of the Secretary. Such packages will be marked to indicate that they have not been acted upon by the Commission.

(d) The exceptions contained in § 1015.16 are as contained in 5 U.S.C. 552(b). These exemptions will be interpreted in accordance with the applicable law at the time a request for production or disclosure is considered.

The request must specify why the release would be against the public interest.

(1) If the Secretary agrees to withhold the document, the requester shall be notified in writing of the denial and of his/her right to appeal in accordance with § 1015.6(b).

(2) If the Secretary decides to release the document, the bureau or office director shall be notified and given two working days within which to appeal to the Commissioners. § 1015.18 Information submitted to the Commission; request for treatment as exempt material.

(a) A person who is submitting information to the Commission, after being notified by the Commission of his/her opportunity to request confidential treatment for information, must accompany the submission with a request that the information be considered exempt from disclosure or indicate that a request will be submitted within 10 working days of the submission. The failure to make a request within the

prescribed time limit will be considered an acknowledgment that the submitter does not wish to claim exempt status.

(b) A person who has previously submitted information to the Commission, that is now the subject of a Freedom of Information request, after being notified by the Commission of his/her opportunity to request confidential treatment for the information, must submit a request that the information be considered exempt from disclosure within 5 working days from receipt of notification. The failure to make a request within the prescribed time limit will be considered an acknowledgment that the submitter does not wish to claim exempt status.

(c) Each request for exemption from disclosure under 5 U.S.C. 552(b)(4) as a trade secret or privileged or confidential commercial or financial information must:

(e) No request for exemption from disclosure under 5 U.S.C. 552(b)(4) should be made by any person who does not intend in good faith to assist the Commission in the defense of any judicial proceeding that might thereafter be brought to compel the disclosure of information which the Commission has determined to be a trade secret or privileged or confidential commercial or financial information.
