

(1) The total amount of money, securities and property on deposit in separate account(s) in accordance with this section;

(2) The total amount of money, securities and property required to be on deposit in separate account(s) in accordance with this section; and

(3) The amount of the futures commission merchant's residual interest in money, securities and property on deposit in separate account(s) in accordance with this section. Such computations must be completed prior to noon on the next business day and must be kept, together with all supporting data, in accordance with the requirements of § 1.31.

§ 30.8 Quarterly reporting requirements.

(a) Each futures commission merchant required to be registered under this part shall file written quarterly reports on a form specified by the National Futures Association at the National Futures Association's headquarters office in Chicago, Illinois, by the tenth business day of the month following the quarter covered by the reports.

(b) Each report shall contain the following information separately for each foreign board of trade on which foreign futures contracts or foreign options transactions were effected:

(1) The total number of foreign futures contracts, separately by contract, long and short, customer or proprietary, executed during the quarter on such board of trade on behalf of the futures commission merchant or its foreign futures customers;

(2) The total number of foreign futures contracts, separately by contract, long and short, customer or proprietary, open on such board of trade on behalf of the futures commission merchant or its foreign futures customers as of the close of business on the last business day of the quarter;

(3) The total number of foreign options, separately by underlying futures contracts for options on futures contracts or by underlying physical for options on physicals, by put, by call, and by customer or proprietary, executed during the quarter on such board of trade on behalf of the futures commis-

sion merchant or its foreign options customers;

(4) The total number of foreign options, separately by underlying futures contracts for options on futures contracts or by underlying physical for options on physicals, by put, by call, and by customer or proprietary, open on such board of trade on behalf of the futures commission merchant or its foreign options customers as of the close of business on the last business day of the quarter.

§ 30.9 Fraudulent transactions prohibited.

It shall be unlawful for any person, by use of the mails or by any means or instrumentality of interstate commerce, directly or indirectly, in or in connection with any account, agreement or transaction involving any foreign futures contract or foreign options transaction:

(a) To cheat or defraud or attempt to cheat or defraud any other person;

(b) To make or cause to be made to any other person any false report or statement thereof or to enter or cause to be entered for any person any false record thereof;

(c) To deceive or attempt to deceive any other person by any means whatsoever in regard to any such account, agreement or transaction or the disposition or execution of any such account, agreement or transaction or in regard to any act of agency performed with respect to such account, agreement or transaction; or

(d) To bucket any order, or to fill any order by offset against the order or orders of any other person or without the prior consent of any person to become the buyer in respect to any selling order of such person, or become the seller in respect to any buying order of such person.

§ 30.10 Petitions for exemption.

Any person adversely affected by any requirement of this part may file a petition with the Secretary of the Commission, which petition must set forth with particularity the reasons why that person believes that he should be exempt from such requirement. The Commission may, in its discretion, grant such an exemption if that person
