To cite the regulations in this volume use title, part and section number. Thus, 24 CFR 0.1 refers to title 24, part 0, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16..............................................................as of January 1
Title 17 through Title 27 .................................................................as of April 1
Title 28 through Title 41..............................................................as of July 1
Title 42 through Title 50.............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, April 1, 1999), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949-1963, 1964-1972, or 1973-1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

INTEGRATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.
(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

Properly approved incorporations by reference in this volume are listed in the Finding Aids at the end of this volume.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed in the Finding Aids of this volume as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, Washington DC 20408; or call (202) 523-4534.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I), and Acts Requiring Publication in the Federal Register (Table II). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.
A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

Employees of the Department of Housing and Urban Development (Department) are subject to the executive branch-wide standards of ethical conduct at 5 CFR part 2635, the Department’s regulation at 5 CFR part 7501 which supplements the executive branch-wide standards, and the executive branch-wide financial disclosure regulation at 5 CFR part 2634.

5 U.S.C. 301, 7301; 42 U.S.C. 3535(d) [61 FR 36251, July 9, 1996]

PART 1—NONDISCRIMINATION IN FEDERALLY ASSISTED PROGRAMS OF THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT—EFFECTUATION OF TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

§ 1.1 Purpose.

The purpose of this part 1 is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as the Act) to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of Housing and Urban Development.

§ 1.2 Definitions.

As used in this part 1—
(a) The term Department means the Department of Housing and Urban Development.
(b) The term Secretary means the Secretary of Housing and Urban Development.
(c) The term responsible Department official means the Secretary or, to the extent of any delegation of authority by the Secretary to act under this part 1, any other Department official to whom the Secretary may hereafter delegate such authority.
(d) The term United States means the States of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, Wake Island, the Canal Zone, and the territories and possessions of the United States, and the term State means any one of the foregoing.
(e) The term Federal financial assistance includes: (1) Grants, loans, and advances of Federal funds, (2) the grant or donation of Federal property and interests in property, (3) the detail of Federal personnel, (4) the sale and lease of, and the permission to use (on other than a casual or transient basis), Federal property or any interest in such property without consideration or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by such sale or lease to the recipient, and (5) any Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance. The term Federal financial assistance does not include a contract of insurance or guaranty.
(f) The term recipient means any State, political subdivision of any State, or instrumentality of any State or political subdivision, any public or private agency, institution, organization, or other entity, or any individual, in any State, to whom Federal financial assistance is extended, directly or through another recipient, for any program or activity, or who otherwise participates in carrying out such program or activity (such as a redeveloper in the Urban Renewal Program), including any successor, assign, or transferee thereof, but such term does not include
§ 1.3 Application of Part 1.

This part 1 applies to any program or activity for which Federal financial assistance is authorized under a law administered by the Department, including any program or activity assisted under the statutes listed in appendix A of this part. It applies to money paid, property transferred, or other Federal financial assistance extended to any such program or activity on or after January 3, 1965. This part 1 does not apply to: (a) Any Federal financial assistance by way of insurance or guaranty contracts, (b) money paid, property transferred, or other assistance extended to any such program or activity before January 3, 1965, (c) any assistance to any person who is the ultimate beneficiary under any such program or activity, or (d) any employment practice, under any such program or activity, of any employer, employment agency, or labor organization, except to the extent described in § 1.4(c).

The fact that certain financial assistance is not listed in appendix A shall not mean, if title VI of the Act is otherwise applicable, that such financial assistance is not covered. Other financial assistance under statutes now in force or hereinafter enacted may be added to this list by notice published in the Federal Register.

§ 1.4 Discrimination prohibited.

(a) General. No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity to which this part 1 applies.

(b) Specific discriminatory actions prohibited. (1) A recipient under any program or activity to which this part 1 applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin:

(i) Deny a person any housing, accommodations, facilities, services, financial aid, or other benefits provided under the program or activity;

(ii) Provide any housing, accommodations, facilities, services, financial aid, or other benefits to a person which are different, or are provided in a different manner, from those provided to others under the program or activity;

(iii) Subject a person to segregation or separate treatment in any matter related to his receipt of housing, accommodations, facilities, services, financial aid, or other benefits under the program or activity;

(iv) Restrict a person in any way in access to such housing, accommodations, facilities, services, financial aid, or other benefits provided under the program or activity;

(v) Treat a person differently from others in determining whether he satisfies any occupancy, admission, enrollment, eligibility, membership, or other requirement or condition which persons must meet in order to be provided any housing, accommodations, facilities, services, financial aid, or other benefits provided under the program or activity;

(vi) Deny a person opportunity to participate in the program or activity through the provision of services or otherwise, or afford him an opportunity to do which is different from that afforded others under the program or activity (including the opportunity to participate in the program or activity as an employee but only to the extent set forth in paragraph (c) of this section).

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2)(i) A recipient, in determining the types of housing, accommodations, facilities, services, financial aid, or other benefits which will be provided under any such program or activity, or the
class of persons to whom, or the situations in which, such housing, accommodations, facilities, services, financial aid, or other benefits will be provided under any such program or activity, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program or activity as respect to persons of a particular race, color, or national origin.

(iii) A recipient, in operating low-rent housing with Federal financial assistance under the United States Housing Act of 1937, as amended (42 U.S.C. 1401 et seq.), shall assign eligible applicants to dwelling units in accordance with a plan, duly adopted by the recipient and approved by the responsible Department official, providing for assignment on a community-wide basis in sequence based upon the date and time the application is received, the size or type of unit suitable, and factors affecting preference or priority established by the recipient’s regulations, which are not inconsistent with the objectives of title VI of the Civil Rights Act of 1964 and this part 1. The plan may allow an applicant to refuse a tendered vacancy for good cause without losing his standing on the list but shall limit the number of refusals without cause as prescribed by the responsible Department official.

(iii) The responsible Department official is authorized to prescribe and promulgate plans, exceptions, procedures, and requirements for the assignment and reassignment of eligible applicants and tenants consistent with the purpose of paragraph (b)(2)(ii) of this section, this part 1, and title VI of the Civil Rights Act of 1964, in order to effectuate and insure compliance with the requirements imposed thereunder.

(3) In determining the site or location of housing, accommodations, or facilities, an applicant or recipient may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this part 1 applies, on the ground of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this part 1.

(4) As used in this part 1 the housing, accommodations, facilities, services, financial aid, or other benefits provided under a program or activity receiving Federal financial assistance shall be deemed to include any housing, accommodations, facilities, services, financial aid, or other benefits provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in paragraphs (b) and (c) of this section does not limit the generality of the prohibition in paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program should take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color, or national origin. Where previous discriminatory practice or usage tends, on the ground of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program or activity to which this part 1 applies, the applicant or recipient has an obligation to take reasonable action to remove or overcome the consequences of the prior discriminatory practice or usage, and to accomplish the purpose of the Act.

(c) Employment practices. (1) Where a primary objective of the Federal financial assistance to a program or activity to which this part 1 applies is to provide employment, a recipient may not, directly or through contractual or other arrangements, subject a person to discrimination on the ground of race, color, or national origin in its
§ 1.5 Assurances required.

(a) General. (1) Every contract for Federal financial assistance to carry out a program or activity to which this part applies, executed on or after January 3, 1965, and every application for such Federal financial assistance submitted on or after January 3, 1965, shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to such contract or application, contain or be accompanied by an assurance that the program or activity will be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to this part. In the case of a contract or application where the Federal financial assistance is to provide or is in the form of personal property or real property or interest therein or structures thereon, the assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the contract or application. The responsible Department official shall specify the form of the foregoing assurance for such program or activity, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants in the program or activity. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) In the case of real property, structures or improvements therein, acquired through a program of Federal financial assistance the instrument effecting any disposition by the recipient of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. In the case where Federal financial assistance is provided in the form of a transfer of real property or interests therein from the Federal Government, the instrument effecting or recording the transfer shall contain such a covenant.

(3) In program receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part shall extend to any facility located wholly or in part in such space.

(b) Preexisting contracts--funds not disbursed. In any case where a contract for Federal financial assistance, to carry
Office of the Secretary, HUD

§ 1.6

out a program or activity to which this part 1 applies, has been executed prior to January 3, 1965, and the funds have not been fully disbursed by the Department, the responsible Department official shall, where necessary to effectuate the purposes of this part 1, require an assurance similar to that provided in paragraph (a) of this section as a condition to the disbursement of further funds.

(c) Preexisting contracts—periodic payments. In any case where a contract for Federal financial assistance, to carry out a program or activity to which this part 1 applies, has been executed prior to January 3, 1965, and provides for periodic payments for the continuation of the program or activity, the recipient shall, in connection with the first application for such periodic payments on or after January 3, 1965: (1) Submit a statement that the program or activity is being conducted in compliance with all requirements imposed by or pursuant to this part 1 and (2) provide such methods of administration for the program or activity as are found by the responsible Department official to give reasonable assurance that the recipient will comply with all requirements imposed by or pursuant to this part 1.

(d) Assurances from institutions. (1) In the case of any application for Federal financial assistance to an institution of higher education, the assurance required by this section shall extend to admission practices with respect to admission or other treatment of persons as students, patients, or clients of the institution or to the opportunity to participate in the provision of services or other benefits to such persons, shall be applicable to the entire institution unless the applicant establishes, to the satisfaction of the responsible Department official, that the institution’s practices in designated parts or programs of the institution will in no way affect its practices in the program of the institution for which Federal financial assistance is sought, or the beneficiaries of or participants in such program. If in any such case the assurance sought is for the construction of a facility or part of a facility, the assurance shall in any event extend to the entire facility and to facilities operated in connection therewith.

(e) Elementary and secondary schools. The requirements of this section with respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school system which the responsible official of the Department of Health and Human Services determines is adequate to accomplish the purposes of the Act and this part 1 within the earliest practicable time, and provides reasonable assurance that it will carry out such plan.

[38 FR 17949, July 5, 1973, as amended at 50 FR 9269, Mar. 7, 1985]

§ 1.6 Compliance information.

(a) Cooperation and assistance. The responsible Department official and each Department official who by law or delegation has the principal responsibility within the Department for the administration of any law extending financial assistance subject to this part 1 shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part 1 and shall provide assistance and guidance to recipients to help them comply voluntarily with this part 1.

(b) Compliance reports. Each recipient shall keep such records and submit to the responsible Department official or his designee timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the responsible Department official or his designee may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part 1. In general, recipients should have available for the department racial and ethnic data showing
§ 1.7 Conduct of investigations.

(a) Periodic compliance reviews. The responsible Department official or his designee shall from time to time review the practices of recipients to determine whether they are complying with this part 1.

(b) Complaints. Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this part 1 may by himself or by a representative file with the responsible Department official or his designee a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Department official or his designee.

(c) Investigations. The responsible Department official or his designee shall make a prompt investigation whenever a complaint, or any other information indicates a possible failure to comply with this part 1. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part 1 occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part 1.

(d) Resolution of matters. (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part 1, the responsible Department official or his designee will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in §1.8.

(2) If an investigation does not warrant action pursuant to paragraph (d) of this section the responsible Department official or his designee will so inform the recipient and the complainant, if any, in writing.

(e) Intimidatory or retaliatory acts prohibited. No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Act or this part 1, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

§ 1.8 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with this part 1, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part 1 may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, or by any other means authorized by law. Such other means may include, but are not limited to: (1) A reference to the
Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) Noncompliance with §1.5. If an applicant fails or refuses to furnish an assurance required under §1.5 or otherwise fails or refuses to comply with the requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph, except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to a contract therefor approved prior to January 3, 1965.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible Department official has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part, (3) the action has been approved by the Secretary, and (4) the expiration of 30 days after the Secretary has filed with the committees of the House and Senate having legislative jurisdiction over the program or activity involved a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Other means authorized by law. No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Department official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the applicant or recipient. During this period of at least 10 days additional efforts shall be made to persuade the applicant or recipient to comply with this part 1 and to take such corrective action as may be appropriate.

§1.9 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by §1.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of his failure to comply and of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either:

(1) Fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the responsible Department official that the matter be scheduled for hearing, or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated time and place. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph (a) or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and §1.8(c) and consent to the making
§ 1.10

of a decision on the basis of such information as is available.

(b) Hearing procedures. Hearings shall be conducted in accordance with 24 CFR part 180.

§ 1.10 Effect on other regulations; forms and instructions.

(a) Effect on other regulations. All regulations, orders, or like directions heretofore issued by any officer of the Department which impose requirements designed to prohibit any discrimination against persons on the ground of race, color, or national origin under any program or activity to which this part applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant or recipient for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to January 3, 1965. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendments thereof):

(1) Executive Orders 11246 and 11375 and regulations issued thereunder, or
(2) Executive Order 11063 and regulations issued thereunder, or any other order, regulations or instructions, insofar as such order, regulations, or instructions, prohibit discrimination on the ground of race, color, or national origin in any program or activity or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) Forms and instructions. The responsible Department official shall assure that forms and detailed instructions and procedures for effectuating this part are issued and promptly made available to interested persons.

(c) Supervision and coordination. The Secretary may from time to time assign to officials of the Department, or to officials of other departments or agencies of the Government with the consent of such department or agency, responsibilities in connection with the effectuation of the purposes of title VI of the Act and this part (other than responsibility for final decision as provided in §1.10), including the achievement of effective coordination and maximum uniformity within the Department and within the Executive Branch of the Government in the application of title VI and this part to similar programs or activities and in similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though such action had been taken by the responsible official of this Department.

Subpart A—Accountability in the Provision of HUD Assistance

§ 4.1 Purpose.

The provisions of this subpart A are authorized under section 102 of the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101–235, approved December 15, 1989) (42 U.S.C. 3537a) (hereinafter, Section 102). Both the provisions of Section 102 and this subpart A apply for the purposes of Section 102. Section 102 contains a number of provisions designed to ensure greater accountability and integrity in the way in which the Department makes assistance available under certain of its programs.

§ 4.3 Definitions.

Applicant includes a person whose application for assistance must be submitted to HUD for any purpose including approval, environmental review, or rent determination.

Assistance under any program or discretionary fund administered by the Secretary is subject to Section 102(a), and means any assistance, under any program administered by the Department, that provides by statute, regulation or otherwise for the competitive distribution of funding.

Assistance within the jurisdiction of the Department is subject to Section 102(b), and means any contract, grant, loan, cooperative agreement, or other form of assistance, including the insurance or guarantee of a loan or mortgage, that is provided with respect to a specific project or activity under a program administered by the Department, whether or not it is awarded through a competitive process.

Assistance within the jurisdiction of the Department to any housing project is subject to Section 102(d), and means:

(1) Assistance which is provided directly by HUD to any person or entity, but not to subrecipients. It includes assistance for the acquisition, rehabilitation, operation conversion, modernization, renovation, or demolition of any property containing five or more dwelling units that is to be used primarily for residential purposes. It includes assistance to independent group residences, board and care facilities, group homes and transitional housing but does not include primarily nonresidential facilities such as intermediate care facilities, nursing homes and hospitals. It also includes any change requested by a recipient in the amount of assistance previously provided, except changes resulting from annual adjustments in Section 8 rents under Section 8(c)(2)(A) of the United States Housing Act of 1937 (42 U.S.C. 1437f);

(2) Assistance to residential rental property receiving a tax credit under Federal, State or local law.

(3) For purposes of this definition, assistance includes assistance resulting from annual adjustments in Section 8 rents under Section 8(c)(2)(A) of the United States Housing Act of 1937, unless the initial assistance was made available before April 15, 1991, and no other assistance subject to this subpart A was made available on or after that date.

Housing project means: (1) Property containing five or more dwelling units that is to be used for primarily residential purposes, including (but not limited to) living arrangements such as independent group residences, board and care facilities, group homes, and transitional housing, but excluding facilities that provide primarily nonresidential services, such as intermediate care facilities, nursing homes, and hospitals.

(2) Residential rental property receiving a tax credit under Federal, State, or local law.

Interested party means any person involved in the application for assistance, or in the planning, development or implementation of the project or activity for which assistance is sought and any other person who has a pecuniary interest exceeding the lower of $50,000 or 10 percent in the project or activity for which assistance is sought.

Selection criteria includes, in addition to any objective measures of housing and other need, project merit, or efficient use of resources, the weight or relative importance of each published selection criterion as well as any other factors that may affect the selection of recipients.
§ 4.5 Notice and documentation of assistance subject to section 102(a).

(a) Notice. Before the Department solicits an application for assistance subject to Section 102(a), it will publish a Notice in the Federal Register describing application procedures. Not less than 30 calendar days before the deadline by which applications must be submitted, the Department will publish selection criteria in the Federal Register.

(b) Documentation of decisions. HUD will make available for public inspection, for at least five (5) years, and beginning not less than 30 calendar days after it provides the assistance, all documentation and other information regarding the basis for the funding decision with respect to each application submitted to HUD for assistance. HUD will also make available any written indication of support that it received from any applicant. Recipients of HUD assistance must ensure, in accordance with HUD guidance, the public availability of similar information submitted by subrecipients of HUD assistance.

§ 4.7 Notice of funding decisions.

HUD will publish a Notice in the Federal Register at least quarterly to notify the public of all decisions made by the Department to provide:

(a) Assistance subject to Section 102(a); and

(b) Assistance that is provided through grants or cooperative agreements on a discretionary (non-formula, non-demand) basis, but that is not provided on the basis of a competition.

§ 4.9 Disclosure requirements for assistance subject to section 102(b).

(a) Receipt and reasonable expectation of receipt. (1) In determining the threshold of applicability of Section 102(b), an applicant will be deemed to have received or to have a reasonable expectation of receiving:

(i) The total amount of assistance received during the Federal fiscal year during which the application was submitted;

(ii) The total amount of assistance requested for the fiscal year in which any pending application, including the current application, was submitted; and

(iii) For the fiscal year described in paragraph (a)(1)(ii) of this section, the total amount of assistance from the Department or any other entity that is likely to be made available on a formula basis or in the form of program income as defined in 24 CFR part 85.

(2) In the case of assistance that will be provided pursuant to contract over a period of time (such as project-based assistance under Section 8 of the United States Housing Act of 1937), all amounts that are to be provided over the term of the contract, irrespective of when they are to be received.

(b) Content of disclosure. Applicants that receive or can reasonably be expected to receive, as defined in paragraph (a) of this section, an aggregate amount of assistance that is in excess of $200,000 must disclose the following information:

(1) Other governmental assistance that is or is expected to be made available, based upon a reasonable assessment of the circumstances, with respect to the project or activities for which the assistance is sought;

(2) The name and pecuniary interest of any interested party; and

(3) A report of the expected sources and uses of funds for the project or activity which is the subject of the application, including governmental and non-governmental sources of funds and private capital resulting from tax benefits.

(c) In the case of mortgage insurance under 24 CFR subtitle B, chapter II, the mortgagor is responsible for making the disclosures required under Section 102(b) and this section, and the mortgagee is responsible for furnishing the mortgagor's disclosures to the Department.

(Approved by the Office of Management and Budget under control number 2510-0011)

§ 4.11 Updating of disclosure.

(a) During the period in which an application for assistance covered under Section 102(b) is pending, or in which such assistance is being provided, the applicant must report to the Department, or to the State or unit of general local government, as appropriate:
(1) Any information referred to in Section 102(b) that the applicant should have disclosed with respect to the application, but did not disclose;

(2) Any information referred to in Section 102(b) that initially arose after the time for making disclosures under that subsection, including the name and pecuniary interest of any person who did not have a pecuniary interest in the project or activity that exceeded the threshold in Section 102(b) at the time of making disclosures under that subsection but that subsequently exceeded the threshold.

(b) With regard to changes in information that was disclosed under Sections 102(b) or 102(c):

(1) For programs administered by the Assistant Secretary for Community Planning and Development:

(i) Any change in other government assistance covered by Section 102(b) that exceeds the amount of all assistance that was previously disclosed by the lesser of $250,000 or 10 percent of the assistance;

(ii) Any change in the expected sources or uses of funds that exceed the amount of all previously disclosed sources or uses by the lesser of $250,000 or 10 percent of previously disclosed sources;

(2) For all other programs:

(i) Any change in other government assistance under Section 102(b) that exceeds the amount of all assistance that was previously disclosed by the lesser of $250,000 or 10 percent of the assistance;

(ii) Any change in the expected sources or uses of funds of any person under Section 102(b)(2) that exceeds the amount of all previously disclosed interests by the lesser of $50,000 or 10 percent of such interest;

(iii) For all projects receiving a tax credit under Federal, State or local law, any change in the expected sources or uses of funds that were previously disclosed;

(iv) For all other projects:

(A) Any change in the expected source of funds from a single source that exceeds the lesser of $250,000 or 10 percent of the amounts previously disclosed from all sources of funds;

(B) Any change in the expected use of funds that exceeds the lesser of $250,000 or 10 percent of the previously disclosed uses for all funds.

(c) Period of coverage. For purposes of updating of Section 102(c), an application will be considered to be pending from the time the application is submitted until the Department communicates its decision with respect to the selection of the applicant.

(Approved by the Office of Management and Budget under control number 2510-0011)

§ 4.13 Limitation of assistance subject to section 102(d).

(a) In making the certification for assistance subject to Section 102(d), the Secretary will consider the aggregate amount of assistance from the Department and from other sources that is necessary to ensure the feasibility of the assisted activity. The Secretary will take into account all factors relevant to feasibility, which may include, but are not limited to, past rates of returns for owners, sponsors, and investors; the long-term needs of the project and its tenants; and the usual and customary fees charged in carrying out the assisted activity.

(b) If the Department determines that the aggregate of assistance within the jurisdiction of the Department to a housing project from the Department and from other governmental sources exceeds the amount that the Secretary determines is necessary to make the assisted activity feasible, the Department will consider all options available to enable it to make the required certification, including reductions in the amount of Section 8 subsidies. The Department also may impose a dollar-for-dollar, or equivalent, reduction in the amount of HUD assistance to offset the amount of other government assistance. In grant programs, this could result in a reduction of any grant amounts not yet drawn down. The Department may make these adjustments immediately, or in conjunction with
§ 4.20 Servicing actions anticipated to occur in the near future (e.g., in conjunction with the next annual adjustment of Section 8 rents).

(c) If an applicant does not meet the $200,000 disclosure requirement in §4.7(b), an applicant must certify whether there is, or is expected to be made available with respect to the housing project any other governmental assistance. The Department may also require any applicant subject to this subpart A to submit such a certification in conjunction with the Department’s processing of any subsequent servicing action on that project. If there is other government assistance for purposes of the two preceding sentences, the applicant must submit such information as the Department deems necessary to make the certification and subsequent adjustments under Section 102(d).

(d) The certification under Section 102(d) shall be retained in the official file for the housing project.

Subpart B—Prohibition of Advance Disclosure of Funding Decisions

§ 4.20 Purpose.

The provisions of this subpart B are authorized under section 103 of the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101-235, approved December 15, 1989) (42 U.S.C. 3537a) (hereinafter, Section 103). Both the provisions of Section 103 and this subpart B apply for the purposes of Section 103. Section 103 proscribes direct or indirect communication of certain information during the selection process by HUD employees to persons who are not authorized to receive that information. The purpose of the proscription is to preclude giving an unfair advantage to applicants who would receive information not available to other applicants or to the public. Section 103 also authorizes the Department to impose a civil money penalty on a HUD employee who knowingly discloses protected information, if such a violation of Section 103 is material, and authorizes the Department to sanction the person who received information improperly by, among other things, denying assistance to that person.

§ 4.22 Definitions.

Application means a written request for assistance regardless of whether the request is in proper form or format.

Assistance does not include any contract (e.g., a procurement contract) that is subject to the Federal Acquisition Regulation (FAR) (48 CFR ch. 1).

Disclose means providing information directly or indirectly to a person through any means of communication.

Employee includes persons employed on a full-time, part-time, or temporary basis, and special government employees as defined in 18 U.S.C. 202. The term applies whether or not the employee is denoted as an officer of the Department. “Employee” is to be construed broadly to include persons who are retained on a contractual or consultative basis under an Office of Human Resources appointment. However, “employee” does not include an independent contractor, e.g., a firm or individual working under the authority of a procurement contract.

Material or materially means in some influential or substantial respect or having to do more with substance than with form.

Person means an individual, corporation, company, association, authority, firm, partnership, society, State, local government, or any other organization or group of people.

Selection process means the period with respect to a selection for assistance that begins when the HUD official responsible for awarding the assistance involved, or his or her designee, makes a written request (which includes the selection criteria to be used in providing the assistance) to the Office of General Counsel (OGC) to prepare the NOFA, solicitation, or request for applications for assistance for publication in the Federal Register. The period includes the evaluation of applications, and concludes with the announcement of the selection of recipients of assistance.

§ 4.24 Scope.

(a) Coverage. The prohibitions against improper disclosure of covered selection information apply to any person
who is an employee of the Department. In addition, the Department will require any other person who participates at the invitation of the Department in the selection process to sign a certification that he or she will be bound by the provisions of this part.

(b) Applicability. The prohibitions contained in this part apply to conduct occurring on or after June 12, 1991.

§ 4.26 Permissible and impermissible disclosures.

(a) Notwithstanding the provisions of Section 103, an employee is permitted to disclose information during the selection process with respect to:

(1) The requirements of a HUD program or programs, including unpublished policy statements and the provision of technical assistance concerning program requirements, provided that the requirements or statements are disclosed on a uniform basis to any applicant or potential applicant. For purposes of this part, the term “technical assistance” includes such activities as explaining and responding to questions about program regulations, defining terms in an application package, and providing other forms of technical guidance that may be described in a NOFA. The term “technical assistance” also includes identification of those parts of an application that need substantive improvement, but this term does not include advising the applicant how to make those improvements.

(2) The dates by which particular decisions in the selection process will be made;

(3) Any information which has been published in the Federal Register in a NOFA or otherwise;

(4) Any information which has been made public through means other than the Federal Register;

(5) An official audit, inquiry or investigation, if the disclosure is made to an auditor or investigator authorized by the HUD Inspector General to conduct the audit or investigation;

(6) Legal activities, including litigation, if the disclosure is made to an attorney who is representing or is otherwise responsible to the Department in connection with the activities; or

(7) Procedures that are required to be performed to process an application, e.g., environmental or budget reviews, and technical assistance from experts in fields who are regularly employed by other government agencies, provided that the agency with which the expert is employed or associated is not an applicant for HUD assistance during the pending funding cycle.

(b) An authorized employee, during the selection process, may contact an applicant for the purpose of:

(1) Communication of the applicant’s failure to qualify, after a preliminary review for eligibility and completeness with respect to his or her application, and the reasons for the failure to qualify, or the fact of the applicant’s failure to be determined to be technically acceptable after a full review; or

(2) Clarification of the terms of the applicant’s application. A clarification, for the purpose of this paragraph (b), may include a request for additional information consistent with regulatory requirements.

(c) Prohibition of advance disclosure of funding decisions. During the selection process an employee shall not knowingly disclose any covered selection information regarding the selection process to any person other than an employee authorized to receive that information.

(1) The following disclosures of information are, at any time during the selection process, a violation of Section 103:

(i) Information regarding any applicant’s relative standing;

(ii) The amount of assistance requested by any applicant;

(iii) Any information contained in an application;

(2) The following disclosures of information, before the deadline for the submission of applications, shall be a violation of Section 103:

(i) The identity of any applicant; and

(ii) The number of applicants.

§ 4.28 Civil penalties.

Whenever any employee knowingly and materially violates the prohibition in Section 103, the Department may impose a civil money penalty on the employee in accordance with the provisions of 24 CFR part 30.
§ 4.30 Procedure upon discovery of a violation.

(a) In general. When an alleged violation of Section 103 or this subpart B comes to the attention of any person, including an employee, he or she may either:

(1) Contact the HUD Ethics Law Division to provide information about the alleged violation; or

(2) Contact the HUD Office of Inspector General to request an inquiry or investigation into the matter.

(b) Ethics Law Division. When the Ethics Law Division receives information concerning an alleged violation of Section 103, it shall refer the matter to the Inspector General stating the facts of the alleged violation and requesting that the Inspector General make an inquiry or investigation into the matter.

(c) Inspector General. When the Inspector General receives information concerning an alleged violation of Section 103 or this subpart B, he or she shall notify the Ethics Law Division when the Inspector General begins an inquiry or investigation into the matter.

(d) Protection of employee complainants. (1) No official of the Ethics Law Division, after receipt of information from an employee stating the facts of an alleged violation of this part, shall disclose the identity of the employee without the consent of that employee. The Inspector General, after receipt of information stating the facts of an alleged violation of this part, shall not disclose the identity of the employee who provided the information without the consent of that employee, unless the Inspector General determines that disclosure of the employee's identity is unavoidable during the course of an investigation. However, any employee who knowingly reports a false alleged violation of this part is not so protected and may be subject to disciplinary action.

(2) Any employee who has authority to take, direct others to take, recommend or approve a personnel action is prohibited from threatening, taking, failing to take, recommending, or approving any personnel action as reprisal against another employee for providing information to investigating officials.

§ 4.32 Investigation by Office of Inspector General.

The Office of Inspector General shall review every alleged violation of Section 103. If after a review of Inspector General determines that further investigation is not warranted, it shall notify the Ethics Law Division of that determination. If, after a review, the Office of Inspector General determines that additional investigation is warranted, it shall conduct the investigation and upon completion issue a report of the investigation to the Ethics Law Division as to each alleged violation.

§ 4.34 Review of Inspector General's report by the Ethics Law Division.

After receipt of the Inspector General's report, the Ethics Law Division shall review the facts and circumstances of the alleged violations. In addition, the Ethics Law Division may:

(a) Return the report to the Inspector General with a request for further investigation;

(b) Discuss the violation with the employee alleged to have committed the violation; or

(c) Interview any other person, including employees who it believes will be helpful in furnishing information relevant to the inquiry.

§ 4.36 Action by the Ethics Law Division.

(a) After review of the Inspector General's report, the Ethics Law Division shall determine whether or not there is sufficient information providing a reasonable basis to believe that a violation of Section 103 or this subpart B has occurred.

(b) If the Ethics Law Division determines that there is no reasonable basis to believe that a violation of Section 103 or this subpart B has occurred, it shall close the matter and send its determination to the Office of Inspector General.

(c) If the Ethics Law Division determines that there is sufficient information to provide a reasonable basis to believe that a violation of Section 103 or this subpart B has occurred, it shall:

(1) Send its determination to the Office of Inspector General; and
Office of the Secretary, HUD

The decision to impose a civil money penalty in a particular matter may be made only upon referral from the Ethics Law Division.

(b) In determining whether a sanction is appropriate and if so which sanction or sanctions should be sought, the Secretary shall give consideration to the applicant's conduct with respect to the violation. In so doing, the Secretary shall consider the factors listed at §4.36(d), as well as any history of prior violations in any HUD program, the benefits received or expected, deterrence of future violations and the extent of any complicity in the violation.

      (C) The owner (or mortgagor, as applicable), with respect to programs under parts 215, 221, 235, 236, or 290 of this title, or when the owner is responsible under parts 880, 882, 886, 887, 891, 904, 950, or 960 of this title for determining eligibility or the level of assistance;
   (ii) HUD or the HA may verify the income information directly with an assistance applicant or participant. Such verification procedures shall not include any disclosure of income information prohibited under paragraph (b)(6) of this section.

(4) HUD and the HA shall not be required to pursue these verification procedures when the sums of money at issue are too small to raise an inference of fraud or justify the expense of independent verification and the procedures related to termination, denial, suspension, or reduction of assistance.

(5) Based on the income information received from a SWICA or Federal agency, HUD or the HA, as appropriate, may inform an owner (or mortgagor) that an assistance applicant’s or participant’s eligibility for or level of assistance is uncertain and needs to be verified. The owner (or mortgagor) shall then confirm the assistance applicant’s or participant’s income information by checking the accuracy of the information with the employer or other income source, or directly with the family.

(6) Nondisclosure of Income information. Neither HUD nor the HA may disclose income information obtained from a SWICA or Federal agency, HUD or the HA, as appropriate, may inform an owner (or mortgagor) that an assistance applicant’s or participant’s eligibility for or level of assistance is uncertain and needs to be verified. The owner (or mortgagor) shall then confirm the assistance applicant’s or participant’s income information by checking the accuracy of the information with the employer or other income source, or directly with the family.

(7) Disclosure of income information obtained from the SSA or IRS is restricted under 26 U.S.C. §6103(l)(7) and 42 U.S.C. 3544.
(c) Opportunity to contest. HUD, the HA, or the owner (or mortgagee, as applicable) shall promptly notify any assistance applicant or participant in writing of any adverse findings made on the basis of the information verified in accordance with paragraph (b) of this section. The assistance applicant or participant may contest the findings in the same manner as applies to other information and findings relating to eligibility factors under the applicable program. Termination, denial, suspension, or reduction of assistance shall be carried out in accordance with requirements and procedures applicable to the individual covered program, and shall not occur until the expiration of any notice period provided by the statute or regulations governing the program.

§ 5.238 Criminal and civil penalties.

Persons who violate the provisions of 42 U.S.C. 3544 or 26 U.S.C. 6103(l)(7) with respect to the use and disclosure of income information may be subject to civil or criminal penalties under 42 U.S.C. 3544(c)(3), 26 U.S.C. 7213(a), or 18 U.S.C. 1905.

Subpart C—Pet Ownership for the Elderly or Persons With Disabilities

AUTHORITY: 42 U.S.C. 1701r–1 and 3535(d).

GENERAL REQUIREMENTS

§ 5.300 Purpose.

(a) This subpart implements section 227 of the Housing and Urban-Rural Recovery Act of 1983 (12 U.S.C. 1701r–1) as it pertains to projects for the elderly or persons with disabilities under:

(1) The housing programs administered by the Assistant Secretary for Housing-Federal Housing Commissioner;

(2) Projects assisted under the programs contained in chapter VIII of this title 24;

(3) The public housing programs administered by the Assistant Secretary for Public and Indian Housing under title I of the United States Housing Act of 1937 (42 U.S.C. 1437, et seq.). This part does not apply to Indian housing administered under title II of that Act.

(b) [Reserved]

§ 5.303 Exclusion for animals that assist persons with disabilities.

(a) This subpart C does not apply to animals that are used to assist persons with disabilities. Project owners and PHAs may not apply or enforce any pet rules developed under this subpart against individuals with animals that are used to assist persons with disabilities. This exclusion applies to animals that reside in projects for the elderly or persons with disabilities, as well as to animals that visit these projects.

(1) A project owner may require resident animals to qualify for this exclusion. Project owners must grant this exclusion if:

(i) The tenant or prospective tenant certifies in writing that the tenant or a member of his or her family is a person with a disability;

(ii) The animal has been trained to assist persons with that specific disability; and

(iii) The animal actually assists the person with a disability.

(2) [Reserved]

(b) Nothing in this subpart C:

(1) Limits or impairs the rights of persons with disabilities;

(2) Authorizes project owners or PHAs to limit or impair the rights of persons with disabilities; or

(3) Affects any authority that project owners or PHAs may have to regulate animals that assist persons with disabilities, under Federal, State, or local law.

§ 5.306 Definitions.

Common household pet means:

(1) For purposes of Housing programs: A domesticated animal, such as a dog, cat, bird, rodent (including a rabbit), fish, or turtle, that is traditionally kept in the home for pleasure rather than for commercial purposes. Common household pet does not include reptiles (except turtles). If this definition conflicts with any applicable State or local law or regulation defining the pets that may be owned or kept in dwelling accommodations, the State or local law or regulation shall apply. This definition shall not include animals that are used to assist persons with disabilities.
Office of the Secretary, HUD

§ 5.309

Prohibition against discrimination.

Except as otherwise specifically authorized under this subpart no project owner or PHA that owns or manages a project for the elderly or persons with disabilities may:

(a) As a condition of tenancy or otherwise, prohibit or prevent any tenant of such housing from owning common household pets or having such pets living in the tenant’s dwelling unit; or

(b) Restrict or discriminate against any person in connection with admission to, or continued occupancy of, such housing by reason of the person’s ownership of common household pets.
or the presence of such pets in the person's dwelling unit.

§ 5.312 Notice to tenants.

(a) During the development of pet rules as described in §§ 5.353 or 5.360, the project owner or PHA shall serve written notice on all tenants of projects for the elderly or persons with disabilities in occupancy at the time of service, stating that:

(1) Tenants are permitted to own and keep common household pets in their dwelling units, in accordance with the pet rules (if any) promulgated under this subpart C;

(2) Animals that are used to assist persons with disabilities are excluded from the requirements of this subpart C, as provided in §5.303;

(3) Tenants may, at any time, request a copy of any current pet rule developed under this subpart C (as well as any current proposed rule or proposed amendment to an existing rule); and

(4) Tenants may request that their leases be amended under §5.321 to permit common household pets.

(b) The project owner or PHA shall provide to each applicant for tenancy when he or she is offered a dwelling unit in a project for the elderly or persons with disabilities, the written notice specified in paragraphs (a) (1), (2), and (3) of this section.

(c) If a PHA chooses not to promulgate pet rules, the notice shall be served within 60 days of the effective date of this part. PHAs shall serve notice under this section in accordance with their normal service of notice procedures.

§ 5.315 Content of pet rules: general requirements.

(a) Housing programs. The project owner shall prescribe reasonable rules to govern the keeping of common household pets. The pet rules must include the mandatory rules described in §5.350 and may, unless otherwise noted in this subpart C, include other discretionary provisions as provided in §5.318.

(b) Public Housing programs. (1) PHAs may choose not to promulgate rules governing the keeping of common household pets or may include rules as provided in §5.318. PHAs may elect to include provisions based on those in §5.350. If they so choose, the PHAs may modify the provisions in §5.350 in any manner consistent with this subpart C.

(2) If PHAs choose to promulgate pet rules, tenants must be permitted to own and keep pets in their units in accordance with the terms and conditions of their leases, the provisions of this subpart C, and any applicable State or local law or regulation governing the owning or keeping of pets in dwelling accommodations.

(3) PHAs that choose not to promulgate pet rules, shall not impose, by lease modification or otherwise, any requirement that is inconsistent with the provisions of this subpart C.

(c) Use of discretion. (1) This subpart C does not define with specificity the limits of the project owners' or PHAs' discretion to promulgate pet rules. Where a project owner or PHA has discretion to prescribe pet rules under this subpart C, the pet rules should be:

(i) Reasonably related to furthering a legitimate interest of the project owner or PHA, such as the owner's or PHA's interest in providing a decent, safe, and sanitary living environment for existing and prospective tenants and in protecting and preserving the physical condition of the project and the owner's or PHA's financial interest in it; and

(ii) Drawn narrowly to achieve the owner's or PHA's legitimate interests, without imposing unnecessary burdens and restrictions on pet owners and prospective pet owners.

(2) Where a project owner or PHA has discretion to prescribe pet rules under this subpart C, the owner or PHA may vary the rules' content among projects and within individual projects, based on factors such as the size, type, location, and occupancy of the project or its units, provided that the applicable rules are reasonable and do not conflict with any applicable State or local law or regulation governing the owning or keeping of pets in dwelling accommodations.

(d) Conflict with State or local law. The pet rules adopted by the project owner or PHA shall not conflict with applicable State or local law or regulations. If such a conflict may exist, the State...
§ 5.318 Discretionary pet rules.

Pet rules promulgated by project owners and PHAs may include, but are not limited to, consideration of the following factors:

(a) Definitions of “common household pet”—(1) For Public Housing programs. The pet rules established by a PHA may contain a reasonable definition of a common household pet.

(2) For Housing programs. Project owners wishing to define “common household pet” in their pet rules must use the Housing programs definition of the term in §5.306.

(b) Density of tenants and pets. (1)(i) The pet rules established under this section may take into account tenant and pet density. The pet rules may place reasonable limitations on the number of common household pets that may be allowed in each dwelling unit. In the case of group homes, the pet rules may place reasonable limitations on the number of common household pets that may be allowed in each home.

(ii) For Housing programs. Under these rules, project owners may limit the number of four-legged, warm-blooded pets to one pet in each dwelling unit or group home.

(iii) Other than the limitations described in this paragraph (b)(1), the pet rules may not limit the total number of pets allowed in the project.

(2) As used in paragraph (b)(1) of this section, the term “group home” means:

(i) For purposes of Housing programs. A small, communal living arrangement designed specifically for individuals who are chronically mentally ill, developmentally disabled, or physically disabled who require a planned program of continual supportive services or supervision (other than continual nursing, medical or psychiatric care).

(ii) For purposes of Public Housing programs. A dwelling or dwelling unit for the exclusive residential use of elderly persons or persons with disabilities who are not capable of living completely independently and who require a planned program of continual supportive services or supervision (other than continual nursing, medical or psychiatric care).

(c) Pet size and pet type. The pet rules may place reasonable limitations on the size, weight, and type of common household pets allowed in the project.

(d) Potential financial obligations of tenants—(1) Pet deposits. The pet rules may require tenants who own or keep pets in their units to pay a refundable pet deposit. In the case of project owners, this pet deposit shall be limited to those tenants who own or keep cats or dogs in their units. This deposit is in addition to any other financial obligation generally imposed on tenants of the project. The project owner or PHA may use the pet deposit only to pay reasonable expenses directly attributable to the presence of the pet in the project, including (but not limited to) the cost of repairs and replacements to, and fumigation of, the tenant’s dwelling unit and, for project owners, the cost of animal care facilities under §5.363. The project owner or PHA shall refund the unused portion of the pet deposit to the tenant within a reasonable time after the tenant moves from the project or no longer owns or keeps a pet (or a cat or dog in the case of project owners) in the dwelling unit.

(2) Housing programs: Maximum pet deposit. (i) Pet deposits for the following tenants shall not exceed an amount periodically fixed by HUD through notice.

(A) Tenants whose rents are subsidized (including tenants of a HUD-owned project, whose rents were subsidized before HUD acquired it) under one of the programs identified by HUD through notice.

(B) Tenants who live in a project assisted (including tenants who live in a HUD-owned project that was assisted before HUD acquired it) under one of the programs identified by HUD through notice.

(C) For all other tenants of projects for the elderly or persons with disabilities, the pet deposit shall not exceed one month’s rent at the time the pet is brought onto the premises.

(ii) In establishing the maximum amount of pet deposit under paragraph (d)(2)(i) of this section, HUD will consider factors such as:

(A) Projected, estimated expenses directly attributable to the presence of pets in the project;
(B) The ability of project owners to offset such expenses by use of security deposits or HUD-reimbursable expenses; and

(C) The low income status of tenants of projects for the elderly or persons with disabilities.

(iii) For pet deposits subject to paragraph (d)(2)(i)(A) of this section, the pet rules shall provide for gradual accumulation of the deposit by the pet owner through an initial payment not to exceed $50 when the pet is brought onto the premises, and subsequent monthly payments not to exceed $10 per month until the amount of the deposit is reached.

(iv) For pet deposits subject to paragraphs (d)(2)(i)(B) and (C) of this section, the pet rules may provide for gradual accumulation of the deposit by the pet owner.

(v) The project owner may (subject to the HUD-prescribed limits) increase the amount of the pet deposit by amending the house pet rules in accordance with §5.353.

(A) For pet deposits subject to paragraph (d)(2)(i)(A) of this section, the house pet rules shall provide for gradual accumulation of any such increase not to exceed $10 per month for all deposit amounts that are being accumulated.

(B) [Reserved]

(vi) Any pet deposit that is established within the parameters set forth by paragraph (d)(2) of this section shall be deemed reasonable for purposes of this subpart C.

(3) Public Housing programs: Maximum pet deposit. The maximum amount of pet deposit that may be charged by the PHA, on a per dwelling unit basis, shall not exceed the higher of the Total Tenant Payment (as defined in 24 CFR 913.102) or such reasonable fixed amount as the PHA may require. The pet rules may permit gradual accumulation of the pet deposit by the pet owner.

(4) Housing programs: Waste removal charge. The pet rules may permit the project owner to impose a separate waste removal charge of up to five dollars ($5) per occurrence on pet owners that fail to remove pet waste in accordance with the prescribed pet rules. Any pet waste removal charge that is within this five dollar ($5) limitation shall be deemed to be a reasonable amount for the purposes of this subpart C.

(5) The pet deposit (for Housing and Public Housing programs) and waste removal charge (for Housing programs) are not part of the rent payable by the tenant. Except as provided in paragraph (d) of this section for Housing programs and, paragraph (d) of this section and 24 CFR 966.4(b) for Public Housing programs, project owners or PHAs may not prescribe pet rules that impose additional financial obligations on pet owners that are designed to compensate the project owner or PHA for costs associated with the presence of pets in the project, including (but not limited to) requiring pet owners:

(i) To obtain liability or other insurance to cover damage caused by the pet;

(ii) To agree to be strictly liable for all damages caused by the pet where this liability is not otherwise imposed by State or local law, or

(iii) To indemnify the project owner for pet-related litigation and attorney’s fees.

(e) Standards of pet care. The pet rules may prescribe standards of pet care and handling, but must be limited to those necessary to protect the condition of the tenant’s unit and the general condition of the project premises, or to protect the health or safety of present tenants, project employees, and the public. The pet rules may not require pet owners to have any pet’s vocal cords removed. Permitted rules may:

(1) Bar pets from specified common areas (such as lobbies, laundry rooms, and social rooms), unless the exclusion will deny a pet reasonable ingress and egress to the project or building.

(2) Require the pet owner to control noise and odor caused by a pet.

(3) Housing programs: Project owners may also:

(i) Require pet owners to have their dogs and cats spayed or neutered; and

(ii) Limit the length of time that a pet may be left unattended in a dwelling unit.

(f) Pet licensing. The pet rules may require pet owners to license their pets in accordance with applicable State
and local laws and regulations. (Failure of the pet rules to contain this requirement does not relieve the pet owner of responsibility for complying with applicable State and local pet licensing requirements.)

(g) Public Housing programs: Designated pet areas. (1) PHAs may designate buildings, floors of buildings, or sections of buildings as no-pet areas where pets generally may not be permitted. Similarly, the pet rules may designate buildings, floors of buildings, or sections of buildings for residency generally by pet-owning tenants. The PHA may direct such initial tenant moves as may be necessary to establish pet and no-pet areas. The PHA may not refuse to admit (or delay admission of) an applicant for tenancy on the grounds that the applicant’s admission would violate a pet or no-pet area. The PHA may adjust the pet and no-pet areas or may direct such additional moves as may be necessary (or both) to accommodate such applicants for tenancy or to meet the changing needs of existing tenants.

(2) Project owners may not designate pet areas in buildings in their pet rules.

(h) Pets temporarily on the premises. The pet rules may exclude from the project pets not owned by a tenant that are to be kept temporarily on the premises for the purposes of paragraph (h) of this section, pets are to be kept “temporarily” if they are to be kept in the tenant’s dwelling accommodations for a period of less than 14 consecutive days and nights. HUD, however, encourages project owners and PHAs to permit the use of a visiting pet program sponsored by a humane society, or other nonprofit organization.

§ 5.321 Lease provisions.

(a) Lease provisions. (1) PHAs which have established pet rules and project owners shall ensure that the leases for all tenants of projects for the elderly or persons with disabilities:

(i) State that tenants are permitted to keep common household pets in their dwelling units (subject to the provisions of this subpart and the pet rules);

(ii) Shall incorporate by reference the pet rules promulgated by the project owner or PHA;

(iii) Shall provide that the tenant agrees to comply with these rules; and

(iv) Shall state that violation of these rules may be grounds for removal of the pet or termination of the pet owner’s tenancy (or both), in accordance with the provisions of this subpart and applicable regulations and State or local law.

(2) [Reserved]

(b) Where a PHA has not established pet rules, the leases of all tenants of such projects shall not contain any provisions prohibiting the owning or keeping of common household pets, and shall state that owning and keeping of such pets will be subject to the general obligations imposed on the PHA and tenants in the lease and any applicable State or local law or regulation governing the owning or keeping of pets in dwelling accommodations.

§ 5.324 Implementation of lease provisions.

The lease for each tenant of a project for the elderly or persons with disabilities who is admitted on or after the date on which this subpart C is implemented shall contain the lease provisions described in § 5.321 and, if applicable, § 5.360. The lease for each tenant who occupies a unit in such a project under lease on the date of implementation of this part shall be amended to include the provisions described in § 5.321 and, if applicable, § 5.360:

(a) For Housing programs:

(1) Upon renewal of the lease and in accordance with any applicable regulation; and

(2) When a Housing program tenant registers a common household pet under § 5.350

(b) For Public Housing programs:

(1) Upon annual reexamination of tenant income in accordance with any applicable regulation; and

(2) When a Public Housing program tenant wishes to own or keep a common household pet in his or her unit.

§ 5.327 Nuisance or threat to health or safety.

Nothing in this subpart C prohibits a project owner, PHA, or an appropriate
section 5.350

community authority from requiring the removal of any pet from a project, if the pet's conduct or condition is duly determined to constitute, under the provisions of State or local law, a nuisance or a threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

Pet Ownership Requirements for Housing Programs

§ 5.350 Mandatory pet rules for housing programs.

Mandatory rules. The project owner must prescribe the following pet rules:

(a) Inoculations. The pet rules shall require pet owners to have their pets inoculated in accordance with State and local laws.

(b) Sanitary standards. (1) The pet rules shall prescribe sanitary standards to govern the disposal of pet waste. These rules may:
   (i) Designate areas on the project premises for pet exercise and the deposit of pet waste;
   (ii) Forbid pet owners from exercising their pets or permitting their pets to deposit waste on the project premises outside the designated areas;
   (iii) Require pet owners to remove and properly dispose of all removable pet waste; and
   (iv) Require pet owners to remove pets from the premises to permit the pet to exercise or deposit waste, if no area in the project is designated for such purposes.

(2) In the case of cats and other pets using litter boxes, the pet rules may require the pet owner to change the litter (but not more than twice each week), may require pet owners to separate pet waste from litter (but not more than once each day), and may prescribe methods for the disposal of pet waste and used litter.

(c) Pet restraint. The pet rules shall require that all cats and dogs be appropriately and effectively restrained and under the control of a responsible individual while on the common areas of the project.

(d) Registration. (1) The pet rules shall require pet owners to register their pets with the project owner. The pet owner must register the pet before it is brought onto the project premises, and must update the registration at least annually. The project owner may coordinate the annual update with the annual reexamination of tenant income, if applicable. The registration must include:
   (i) A certificate signed by a licensed veterinarian or a State or local authority empowered to inoculate animals (or designated agent of such an authority) stating that the pet has received all inoculations required by applicable State and local law;
   (ii) Information sufficient to identify the pet and to demonstrate that it is a common household pet; and
   (iii) The name, address, and phone number of one or more responsible parties who will care for the pet if the pet owner dies, is incapacitated, or is otherwise unable to care for the pet.

(2) The project owner may require the pet owner to provide additional information necessary to ensure compliance with any discretionary rules prescribed under § 5.318, and shall require the pet owner to sign a statement indicating that he or she has read the pet rules and agrees to comply with them.

(3) The pet rules shall permit the project owner to refuse to register a pet if:
   (i) The pet is not a common household pet;
   (ii) The keeping of the pet would violate any applicable house pet rule;
   (iii) The pet owner fails to provide complete pet registration information or fails annually to update the pet registration; or
   (iv) The project owner reasonably determines, based on the pet owner's habits and practices, that the pet owner will be unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament may be considered as a factor in determining the prospective pet owner's ability to comply with the pet rules and other lease obligations.

(4) The project owner may not refuse to register a pet based on a determination that the pet owner is financially unable to care for the pet or that the pet is inappropriate, based on the therapeutic value to the pet owner or the interests of the property or existing tenants.
§ 5.353 Housing programs: Procedure for development of pet rules.

(a) General. Project owners shall use the procedures specified in this section to promulgate the pet rules referred to in §§ 5.318 and 5.350.

(b) Development and notice of proposed pet rules. Project owners shall develop proposed rules to govern the owning or keeping of common household pets in projects for the elderly or persons with disabilities. Notice of the proposed pet rules shall be served on each tenant of the project as provided in paragraph (f) of this section. The notice shall:

(1) Include the text of the proposed rules;

(2) State that tenants or tenant representatives may submit written comments on the rules; and

(3) State that all comments must be submitted to the project owner no later than 30 days from the effective date of the notice of the proposed rules.

(4) The notice may also announce the date, time, and place for a meeting to discuss the proposed rules (as provided in paragraph (c) of this section).

(c) Tenant consultation. Tenants or tenant representatives may submit written comments on the proposed pet rules to the project owner by the date specified in the notice of proposed rules. In addition, the owner may schedule one or more meetings with tenants during the comment period to discuss the proposed rules. Tenants and tenant representatives may make oral comments on the proposed rules at these meetings. The project owner must consider comments made at these meetings only if they are summarized, reduced to writing, and submitted to the project owner before the end of the comment period.

(d) Development and notice of final pet rules. The project owner shall develop the final rules after reviewing tenants’ written comments and written summaries of any owner-tenant meetings. The project owner may meet with tenants and tenant representatives to attempt to resolve issues raised by the comments. Subject to this subpart C, the content of the final pet rules, however, is within the sole discretion of the project owner. The project owner shall serve on each tenant of the project, a notice of the final pet rules as provided in paragraph (f) of this section. The notice must include the text of the final pet rules and must specify the effective date of the final pet rules.

§ 5.356 Housing programs: Pet rule violation procedures.

(a) Notice of pet rule violation. If a project owner determines on the basis of objective facts, supported by written
§ 5.359 Housing programs: Rejection of units by applicants for tenancy.

(a) An applicant for tenancy in a project for the elderly or persons with disabilities may reject a unit offered by a project owner if the unit is in close proximity to a dwelling unit in which an existing tenant of the project owns or keeps a common household pet. An applicant’s rejection of a unit under this section shall not adversely affect his or her application for tenancy in the project, including (but not limited to) his or her position on the project waiting list or qualification for any tenant selection preference.

(b) Nothing in this subpart C imposes a duty on project owners to provide alternate dwelling units to existing or prospective tenants because of the proximity of common household pets to a particular unit or the presence of such pets in the project.

(i) Contain a brief statement of the factual basis for the determination and the pet rule or rules that have been violated;

(ii) State that the pet owner must remove the pet within 10 days of the effective date of service of the notice of pet removal (or the meeting, if notice is served at the meeting); and

(iii) State that failure to remove the pet may result in initiation of procedures to terminate the pet owner’s tenancy.

(c) Initiation of procedures to remove a pet or terminate the pet owner’s tenancy.

(1) The project owner may not initiate procedures to remove a pet or terminate a pet owner’s tenancy based on a pet rule violation, unless:

(i) The pet owner has failed to remove the pet or correct a pet rule violation within the applicable time period specified in this section (including any additional time permitted by the owner); and

(ii) The pet rule violation is sufficient to begin procedures to terminate the pet owner’s tenancy under the terms of the lease and applicable regulations.

(2) The project owner may initiate procedures to remove a pet under § 5.327 at any time, in accordance with the provisions of applicable State or local law.
Office of the Secretary, HUD

§ 5.360 Housing programs: Additional lease provisions.

(a) Inspections. In addition to other inspections permitted under the lease, the leases for all Housing program tenants of projects for the elderly or persons with disabilities may state that the project owner may, after reasonable notice to the tenant and during reasonable hours, enter and inspect the premises. The lease shall permit entry and inspection only if the project owner has received a signed, written complaint alleging (or the project owner has reasonable grounds to believe) that the conduct or condition of a pet in the dwelling unit constitutes, under applicable State or local law, a nuisance or a threat to the health or safety of the occupants of the project or other persons in the community where the project is located.

(b) Emergencies. (1) If there is no State or local authority (or designated agent of such an authority) authorized under applicable State or local law to remove a pet that becomes vicious, displays symptoms of severe illness, or demonstrates other behavior that constitutes an immediate threat to the health or safety of the tenancy as a whole, the project owner may place a provision in tenant leases permitting the project owner to enter the premises (if necessary), remove the pet, and take such action with respect to the pet as may be permissible under State and local law, which may include placing it in a facility that will provide care and shelter for a period not to exceed 30 days.

(2) The lease shall permit the project owner to enter the premises and remove the pet or take such other permissible action only if the project owner requests the pet owner to remove the pet from the project immediately, and the pet owner refuses to do so, or if the project owner is unable to contact the pet owner to make a removal request. The lease may not contain a provision relieving the project owner from liability for wrongful removal of a pet.

§ 5.363 Housing programs: Protection of the pet.

(a) If the health or safety of a pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet, the project owner may contact the responsible party or parties listed in the pet registration required under §5.350(d)(1)(iii).

(b) If the responsible party or parties are unwilling or unable to care for the pet, or the project owner, despite reasonable efforts, has been unable to contact the responsible party or parties, the project owner may contact the appropriate State or local authority (or designated agent of such an authority) and request the removal of the pet.

(c) If there is no State or local authority (or designated agent of such an authority) authorized to remove a pet under these circumstances and the project owner has placed a provision in the lease agreement (as described in §5.360(c)(2)), the project owner may enter the pet owner’s unit, remove the pet, and place the pet in a facility that will provide care and shelter until the pet owner or a representative of the pet owner is able to assume responsibility for the pet, but not longer than 30 days.

(d) The cost of the animal care facility provided under this section shall be borne by the pet owner. If the pet owner (or the pet owner’s estate) is unable or unwilling to pay, the cost of the animal care facility may be paid from the pet deposit, if imposed under the pet rules.

PET OWNERSHIP REQUIREMENTS FOR PUBLIC HOUSING PROGRAMS

§ 5.380 Public housing programs: Procedure for development of pet rules.

PHAs that choose to promulgate pet rules shall consult with tenants of projects for the elderly or persons with disabilities administered by them with
§ 5.400 Applicability.

This part applies to public housing (other than Indian housing under 24 CFR part 950) and Section 8 programs.

§ 5.403 Definitions.

(a) The terms displaced person, elderly person, low income family, near-elderly person, person with disabilities, and very low income family are defined in section 3(b) of the 1937 Act (42 U.S.C. 1437a(b)). For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term “person with disabilities” means “individual with handicaps” as defined in 24 CFR 8.3.

(b) In addition to the terms listed in paragraph (a) of this section, the following definitions apply:

Annual contributions contract (ACC) means the written contract between HUD and a PHA under which HUD agrees to provide funding for a program under the 1937 Act, and the PHA agrees to comply with HUD requirements for the program.

Applicant means a person or a family that has applied for housing assistance.

Disabled family means a family whose head, spouse, or sole member is a person with disabilities; or two or more persons with disabilities living together; or one or more persons with disabilities living with one or more live-in aides.

Displaced family means a family in which each member, or whose sole member, is a person displaced by governmental action, or a person whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.

Elderly family means a family whose head, spouse, or sole member is a person who is at least 62 years of age; or two or more persons who are at least 62 years of age living together; or one or more persons who are at least 62 years of age living with one or more live-in aides.

§ 5.410 Selection preferences.

(a) Applicability. The selection preferences that are described in this part are applicable to public housing and housing assistance for which an application is made in order to obtain the housing assistance. At a minimum, the applicant must be a family, and must be income-eligible. Eligible applicants include single persons who are not elderly persons, or displaced persons, or persons with disabilities.

(b) Preference over single persons. An applicant that is a one- or two-person elderly, disabled or displaced family, must be given a preference over an applicant that is a single person who is not an elderly person, or a person with disabilities, regardless of the applicant’s Federal or local preferences.

(c) Housing assistance limitation for single persons. A single person who is not an elderly or displaced person, or a person with disabilities, or the remaining member of a tenant family may not be provided:

(1) For public housing and other project-based assistance, a housing unit with two or more bedrooms; or

(2) For tenant-based assistance, housing assistance for which the family unit size as determined by the HA subsidy standard exceeds the one bedroom level.

(d) This section shall not apply to the Section 8 Moderate Rehabilitation Program for Single Room Occupancy Dwellings for Homeless Individuals set forth at 24 CFR part 882, subpart H.

§ 5.410 Selection preferences.

(a) Applicability. The selection preferences that are described in this part are applicable to public housing and housing assistance for which an application is made in order to obtain the housing assistance. At a minimum, the applicant must be a family, and must be income-eligible. Eligible applicants include single persons who are not elderly persons, or displaced persons, or persons with disabilities.

(b) Preference over single persons. An applicant that is a one- or two-person elderly, disabled or displaced family, must be given a preference over an applicant that is a single person who is not an elderly person, or a person with disabilities, regardless of the applicant’s Federal or local preferences.

(c) Housing assistance limitation for single persons. A single person who is not an elderly or displaced person, or a person with disabilities, or the remaining member of a tenant family may not be provided:

(1) For public housing and other project-based assistance, a housing unit with two or more bedrooms; or

(2) For tenant-based assistance, housing assistance for which the family unit size as determined by the HA subsidy standard exceeds the one bedroom level.

(d) This section shall not apply to the Section 8 Moderate Rehabilitation Program for Single Room Occupancy Dwellings for Homeless Individuals set forth at 24 CFR part 882, subpart H.

§ 5.410 24 CFR Subtitle A (4-1-99 Edition)

bedrooms. In selection of a family for a unit that has special accessibility features, the responsible entity must give preference to families that include persons with disabilities who can benefit from those features of the unit (see 24 CFR 8.27 and 24 CFR 100.202(c)(3)). Also, in selection of a family for a unit in a mixed population project, the responsible entity will give preference to elderly families and disabled families (see subpart D of part 960 or §880.612a or §881.612a of this title).

(ii) Singles preference. See §5.405.

(2) Local preference admissions. (i) Local preferences may be adopted or amended by an HA to respond to local housing needs and priorities after the HA has conducted a public hearing.

(ii) For Section 8 programs other than the Section 8 Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs operated under 24 CFR part 982, 983, and 882, respectively, if the owner wants to use preferences to select among applicants without regard to their federal preference status, it must use the local preference system adopted for use in the Section 8 Certificate/Voucher programs by the housing agency for the jurisdiction. If there is more than one HA for the jurisdiction, the owner shall use the local preference system of the HA for the lowest level of government that has jurisdiction where the project is located. For the public housing program, the HA may use a local preference system it adopts for that program.

(iii) In the Section 8 programs other than the Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs operated under 24 CFR parts 982, 983, and 882, respectively, before an owner implements the HA’s local preferences, the owner must receive approval from the HUD Field Office. HUD shall review these preferences to ensure that they are applicable to any tenant eligibility limitations for the subject housing and that they are consistent with HUD requirements pertaining to nondiscrimination and the Affirmative Fair Housing Marketing objectives. If HUD determines that the local preferences are in violation of those requirements, the owner will not be permitted to admit applicants on the basis of any local preferences.

(iv) In any year, the number of families given preference in admission pursuant to a local preference over families with a federal preference may not exceed the local preference limit. “Local preference limit” means the following:

(A) For an HA’s Section 8 Certificate/Voucher program operated under 24 CFR part 982, ten percent of annual waiting list admissions;

(B) For an HA’s public housing program, fifty percent of annual admissions;

(C) For an HA’s Section 8 Moderate Rehabilitation program, thirty percent of annual admissions;

(D) For Section 8 New Construction, Substantial Rehabilitation, and Loan Management/Property Disposition projects, thirty percent of annual admissions to each project; and

(E) For the Section 8 Project-Based Certificate program, thirty percent of total annual waiting list admissions to the HA’s Project-Based Certificate program (including admissions pursuant to 24 CFR 983.203(c)(3)).

(3) Prohibition of preference if applicant was evicted for drug-related criminal activity. With respect to the Section 8 Certificate, Voucher, Loan Management, and Property Disposition programs and the public housing program, the HA may not give a preference (federal preference, local preference, or ranking preference) to an applicant if any member of the family is a person who was evicted during the past three years from housing assisted under a 1937 Housing Act program because of drug-related criminal activity. However, the HA may give an admission preference in any of the following cases:

(i) If the HA determines that the evicted person has successfully completed a rehabilitation program approved by the HA;

(ii) If the HA determines that the evicted person clearly did not participate in or know about the drug-related criminal activity; or

(iii) If the HA determines that the evicted person no longer participates in any drug-related criminal activity.
Office of the Secretary, HUD § 5.410

(4) Retention of federal preference status. With respect to determining the preference status of an applicant for the Section 8 Certificate/Voucher programs, an applicant who is receiving tenant-based assistance under the HOME program (24 CFR part 92) and an applicant who resides in public or Indian housing of the same HA (and was on the tenant-based program waiting list when admitted to the HA’s public or Indian housing on or after April 26, 1993), the HA determines whether the applicant qualifies for federal preference based on the situation of the applicant at the time the applicant began to receive tenant-based assistance under the HOME program or was admitted to the HA’s public or Indian housing program (beginning of initial public or Indian housing lease).

(e) Income-based admission. (1) In public housing, the HA may only give preference to select a relatively higher income family for admission if the preference is pursuant to a “local preference” admission. (For other income-related restrictions on selection, see 24 CFR 913.105.)

(2) In Section 8 programs, the responsible entity may not select a family for admission in an order different from the order on the waiting list for the purpose of selecting a relatively higher income family for admission.

(f) Informing applicants about admission preferences. (1) The responsible entity must inform all applicants about available preferences and must give applicants an opportunity to show that they qualify for available preferences (federal preference, ranking preference, or local preference).

(2) If the responsible entity determines that the notification to all applicants on a waiting list required by paragraph (f)(1) of this section is impracticable because of the length of the list, the responsible entity may provide this notification to fewer than all applicants on the list at any given time. The responsible entity must, however, have notified a sufficient number of applicants at any given time that, on the basis of the entity’s determination of the number of applicants on the waiting list who already claim a federal preference and the anticipated number of project admissions:

(i) There is an adequate pool of applicants who are likely to qualify for a federal preference; and

(ii) It is unlikely that, on the basis of the responsible entity’s framework for applying the preferences under paragraph (c) of this section and the federal preferences claimed by those already on the waiting list, any applicant who has not been so notified would receive assistance before those who have received notification.

(g) Notice and opportunity for a meeting where preference is denied. (1) If the responsible entity determines that an applicant does not qualify for a federal preference, ranking preference, or local preference claimed by the applicant, the responsible entity must promptly give the applicant written notice of the determination. The notice must contain a brief statement of the reasons for the determination, and state that the applicant has the right to meet with a representative of the responsible entity to review the determination. The meeting may be conducted by any person or persons designated by the responsible entity, who may be an officer or employee of the responsible entity, including the person who made or reviewed the determination or a subordinate employee.

(2) The applicant may exercise other rights if the applicant believes that the applicant has been discriminated against on the basis of race, color, religion, sex, national origin, age, disability or familial status.

(h) Residency preferences. A “residency preference” is a preference for admission of families that reside anywhere in a specified “residency preference area.” A residency preference may be used as a ranking or local preference.

(1) Section 8 programs other than Certificate/Voucher and Project-Based Certificate. In these developments, local residency requirements are prohibited.

(2) Section 8 Certificate/Voucher and Project-Based Certificate programs. Any residency preference must be approved by HUD.

(i) A county or municipality may be used as a residency preference area.

(ii) An area smaller than a county or municipality may not be used as a residency preference area.
§ 5.415 Federal preferences: general.

(a) Definitions. The definitions of these preference categories stated in §§5.420, 5.425, and 5.430 must be used by the responsible entity, except that an HA may use its own alternative definitions if they have been approved by HUD.

(b) Ranking preferences: selection among federal preference holders. The responsible entity’s system of administering the federal preferences (its admission policy, in the case of the Section 8 Certificate/Voucher programs) may provide for use of ranking preference for selecting among applicants who qualify for federal preference.

(1) The responsible entity may give preference to working families—so long as the prohibition of §5.410 against selection based on income and the nondiscrimination provisions that protect against discrimination on the basis of age or disability are not violated. (If a responsible entity adopts such a preference, it may not give greater weight to an applicant based on the amount of employment income, and an applicant household shall be given the benefit of the preference if the head and spouse, or sole member, are age 62 or older or are receiving social security disability, supplemental security income disability benefits, or any other payments based on an individual’s inability to work.) A responsible entity may give preference to graduates of, as well as active participants in, educational and training programs that are designed to prepare individuals for the job market. The responsible entity also may use the housing agency’s “local preferences” for the Section 8 Certificate and Voucher programs to rank federal preference holders.

(2) The ranking preferences may give different weight to the federal preferences, through such means as:

(i) Aggregating the federal preferences (e.g., provide that two federal preferences outweigh one);

(ii) Giving greater weight to holders of a particular category of federal preference; or

(iii) Giving greater weight to a federal preference holder who fits a particular category of federal preference.

(c) Qualifying for a federal preference—

(1) Certification of preference. An applicant may claim qualification for a federal preference by certifying to the responsible entity that the family qualifies for federal preference. The responsible entity must accept this certification, unless the responsible entity verifies that the applicant is not qualified for federal preference.

(2) Verification of preference. (i) Before admitting an applicant on the basis of a federal preference, the responsible entity must require the applicant to 

(3) All projects. With respect to any residency preference, applicants who are working or who have been notified that they are hired to work in the residency preference area shall be treated as residents of the residency preference area. A residency preference may not be based on how long the applicant has resided in or worked in the residency preference area.

(i) Nondiscrimination. (1) Any selection preferences must be established and administered in accordance with the following authorities:

(i) Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the implementing regulations at 24 CFR part 1;

(ii) The Fair Housing Act (42 U.S.C. 3601-3619) and the implementing regulations at 24 CFR parts 100, 108, 109, and 110;

(iii) Executive Order 11063 on Equal Opportunity in Housing and the implementing regulations at 24 CFR part 107;

(iv) Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and the implementing regulations at 24 CFR part 14;

(v) The Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) and the implementing regulations at 24 CFR part 14;

(vi) The Americans with Disabilities Act (42 U.S.C. 12101-12213) to the extent applicable.

(2) Such preferences also must be consistent with HUD’s affirmative fair housing objectives and (where applicable) the owner’s HUD-approved affirmative fair housing marketing plan.

(Approved by the Office of Management and Budget under OMB control numbers 2517-0105 and 2502-0372)

provide information needed by the responsible entity to verify that the applicant qualifies for a federal preference because of the applicant’s current status. The applicant’s current status must be determined without regard to whether there has been a change in the applicant’s qualification for a federal preference between the time of application and selection for admission, including a change from one federal preference category to another.

(ii) In the case of Section 8 programs other than the Section 8 Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs, the owner must use the verification procedures specified in §5.420(c) (involuntary displacement); §5.425(c) (substandard housing); and §5.430(b) (rent burden). In the case of the Section 8 Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs and the public housing program, the HA may adopt its own verification procedure.

(iii) Once the responsible entity has verified an applicant’s qualification for a federal preference, the responsible entity need not require the applicant to provide information needed by the responsible entity to verify such qualification again unless:

(A) The responsible entity determines reverification is desirable because a long time has passed since verification; or

(B) The responsible entity has reasonable grounds to believe that the applicant no longer qualifies for a federal preference.

(3) Effect of current residence in assisted housing. No applicant is to be denied a federal preference for which the family otherwise qualifies on the basis that the applicant already resides in assisted housing; for example, the actual condition of the housing unit must be considered, or the possibility of involuntary displacement resulting from domestic violence must be evaluated.

(d) Approval of special conditions satisfying preference definitions. With respect to Section 8 programs other than the Section 8 Certificate/Voucher, Project-Based Certificate and Moderate Rehabilitation programs, HUD may specify additional conditions under which the federal preferences, as described in §§5.420, 5.425, and 5.430, can be satisfied.

In such cases, appropriate certification of qualification must be provided. (See HUD Handbook 4360.3, which is available at HUD field offices.)

§ 5.420 Federal preference: involuntary displacement.

(a) How applicant qualifies for displacement preference. (See §5.415(a)(2) and (c)(2)(iii) for applicability of this section to the Section 8 Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs and the public housing program.)

(1) An applicant qualifies for a federal preference on the basis of involuntary displacement if either of the following apply:

(i) The applicant has been involuntarily displaced and is not living in standard, permanent replacement housing; or

(ii) The applicant will be involuntarily displaced within no more than six months from the date of preference status certification by the family or verification by the responsible entity.

(2)(i) “Standard, permanent replacement housing” is housing:

(A) That is decent, safe, and sanitary;

(B) That is adequate for the family size; and

(C) That the family is occupying pursuant to a lease or occupancy agreement.

(ii) “Standard, permanent replacement housing” does not include:

(A) Transient facilities, such as motels, hotels, or temporary shelters for victims of domestic violence or homeless families; or

(B) In the case of domestic violence, the housing unit in which the applicant and the applicant’s spouse or other member of the household who engages in such violence live.

(b) Meaning of involuntary displacement. An applicant is or will be involuntarily displaced if the applicant has vacated or will have to vacate the unit where the applicant lives because of one or more of the following:
§ 5.420

Displacement by disaster. An applicant’s unit is uninhabitable because of a disaster, such as a fire or flood.

Displacement by government action. Activity carried on by an agency of the United States or by any State or local governmental body or agency in connection with code enforcement or a public improvement or development program.

Displacement by action of housing owner. (i) Action by a housing owner forces the applicant to vacate its unit. (ii) An applicant does not qualify as involuntarily displaced because action by a housing owner forces the applicant to vacate its unit unless: (A) The applicant cannot control or prevent the owner’s action; (B) The action taken by the owner occurs although the applicant met all previously imposed conditions of occupancy; and (C) The action taken by the owner is other than a rent increase.

Displacement to avoid reprisals. (i) An applicant family is involuntarily displaced if: (A) Family members provided information on criminal activities to a law enforcement agency; and (B) Based on a threat assessment, a law enforcement agency recommends rehousing the family to avoid or minimize a risk of violence against family members as a reprisal for providing such information.

Displacement by domestic violence. (i) An applicant is involuntarily displaced if: (A) The applicant has vacated a housing unit because of domestic violence; or (B) The applicant lives in a housing unit with a person who engages in domestic violence.

Displacement by hate crimes. (i) An applicant is involuntarily displaced if: (A) One or more members of the applicant’s family have been the victim of one or more hate crimes; and (B) The applicant has vacated a housing unit because of such crime, or the fear associated with such crime has destroyed the applicant’s peaceful enjoyment of the unit.
(ii) “Hate crime” means actual or threatened physical violence or intimidation that is directed against a person or his or her property and that is based on the person’s race, color, religion, sex, national origin, handicap, or familial status.

(iii) The responsible entity must determine, in accordance with HUD’s administrative instructions, that the hate crime involved occurred recently or is of a continuing nature.

(7) Displacement by inaccessibility of unit. An applicant is involuntarily displaced if:

(i) A member of the family has a mobility or other impairment that makes the person unable to use critical elements of the unit; and

(ii) The owner is not legally obligated to make the changes to the unit that would make critical elements accessible to the disabled person as a reasonable accommodation.

(8) Displacement because of HUD disposition of multifamily project. Involuntary displacement includes displacement because of disposition of a multifamily rental housing project by HUD under section 203 of the Housing and Community Development Amendments of 1978.

(c) Involuntary displacement preference: Verification. A private owner’s verification of an applicant’s involuntary displacement is established by the following documentation:

(1) Displacement by disaster. Certification, in a form prescribed by the Secretary, from a unit or agency of government that an applicant has been or will be displaced as a result of a disaster that results in the uninhabitability of an applicant’s unit.

(2) Displacement by government action. Certification, in a form prescribed by the Secretary, from a unit or agency of government that an applicant has been or will be displaced by activity carried on by an agency of the United States or by any State or local governmental body or agency in connection with code enforcement or a public improvement or development program.

(4) Displacement because of domestic violence. Certification, in a form prescribed by the Secretary, of displacement because of domestic violence from the local police department, social services agency, or court of competent jurisdiction, or a clergyman, physician, or public or private facility that provides shelter or counseling to the victims of domestic violence.

(5) Displacement to avoid reprisals. A threat assessment by a law enforcement agency.

(6) Displacement by hate crime. Certification by a law enforcement agency or other reliable information.

(7) Displacement by inaccessibility of unit. Certification by a health care professional that a family member has a mobility or other impairment that makes critical elements of the current unit inaccessible, and statement by the owner that it is unable to make necessary changes to the unit to make it accessible.

(8) Displacement by HUD disposition of multifamily project. Certification by HUD with respect to the disposition.

§ 5.425 Federal preference: substandard housing.

(a) When unit is substandard. (See §5.415(a)(2) and (c)(2)(ii) for applicability of this section to the Section 8 Certificate/Voucher, Project-Based Certificate, Moderate Rehabilitation programs and the public housing program.) A unit is substandard if it:

(1) Is dilapidated;

(2) Does not have operable indoor plumbing;

(3) Does not have a usable flush toilet inside the unit for the exclusive use of a family;

(4) Does not have a usable bathtub or shower inside the unit for the exclusive use of a family;

(5) Does not have electricity, or has inadequate or unsafe electrical service;

(6) Does not have a safe or adequate source of heat;

(7) Should, but does not, have a kitchen; or

(8) Has been declared unfit for habitation by an agency or unit of government.
§ 5.430 Federal preference: rent burden.

(a) Rent burden preference: how determined. (See § 5.415(a)(2) and (c)(2)(ii) for applicability of this section to the Section 8 Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs and the public housing program.)

(1) “Rent burden preference” means the federal preference for admission of applicants that pay more than 50 percent of family income for rent.

(2) For purposes of determining whether an applicant qualifies for the rent burden preference:

(i) “Family income” means Monthly Income, as defined in 24 CFR 813.102.

(ii) “Rent” means:

(A) The actual monthly amount due under a lease or occupancy agreement between a family and the family's current landlord; and

(B) For utilities purchased directly by tenants from utility providers:

(1) The utility allowance for family-purchased utilities and services that is used in the HA tenant-based program; or

(2) If the family chooses, the average monthly payments that the family actually made for these utilities and services for the most recent 12-month period or, if information is not obtainable for the entire period, for an appropriate recent period.

(iii) Amounts paid to or on behalf of a family under any energy assistance program must be subtracted from the otherwise applicable rental amount, to the extent that they are not included in the family’s income.

(iv) For purposes of the Section 8 Certificate/Voucher programs, rent for an applicant who owns a manufactured home, but rents the space upon which it is located, includes the monthly payment to amortize the purchase price of the home, calculated in accordance with HUD’s requirements. In addition,
for this program, rent for members of a cooperative means the charges under the occupancy agreement between the members and the cooperative.

(3) An applicant does not qualify for a rent burden preference if either of the following is applicable:

(i) The applicant has been paying more than 50 percent of income for rent for less than 90 days.

(ii) The applicant is paying more than 50 percent of family income to rent a unit because the applicant's housing assistance for occupancy of the unit under any of the following programs has been terminated because of the applicant's refusal to comply with applicable program policies and procedures on the occupancy of underoccupied and overcrowded units:

(A) The Section 8 programs or public and Indian housing programs under the United States Housing Act of 1937;

(B) The rent supplement program under section 101 of the Housing and Urban Development Act of 1965; or

(C) Rental assistance payments under section 236(f)(2) of the National Housing Act.

(b) Rent burden preference: verification of income and rent.

The owner must verify that an applicant is paying more than 50 percent of family income for rent, as follows:

(1) How to verify income. The owner must verify a family's income by using the standards and procedures that it uses to verify family income under 24 CFR part 813.

(2) How to verify rent. The owner must verify the amount due to the family's landlord (or cooperative) under the lease or occupancy agreement:

(i) By requiring the family to furnish copies of its most recent rental (or cooperative charges) receipts (which may include canceled checks or money order receipts) or a copy of the family's current lease or occupancy agreement; or

(ii) By contacting the landlord (or cooperative) or its agent directly.

(3) Utilities. To verify the actual amount that a family paid for utilities and other housing services, the owner must require the family to provide copies of the appropriate bills or receipts, or must obtain the information directly from the utility or service supplier.

Eligibility for assistance or continued assistance under a Section 214 covered program is contingent upon a family’s submission to the responsible entity of the documents described in paragraph (b) of this section for each family member. If one or more family members do not have citizenship or eligible immigration status, the family members may exercise the election not to contend to have eligible immigration status as provided in paragraph (e) of this section, and the provisions of §§5.516 and 5.518 shall apply.

(b) Evidence of citizenship or eligible immigration status. Each family member, regardless of age, must submit the following evidence to the responsible entity.

(2) Despite the ineligibility of one or more family members, a mixed family may be eligible for one of the three types of assistance provided in §§5.516 and 5.518. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance as provided in §§5.516 and 5.518.

(2) Despite the ineligibility of one or more family members, a mixed family may be eligible for one of the three types of assistance provided in §§5.516 and 5.518. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance as provided in §§5.516 and 5.518.

§ 5.508 Submission of evidence of citizenship or eligible immigration status.

(a) General. Eligibility for assistance or continued assistance under a Section 214 covered program is contingent upon a family’s submission to the responsible entity of the documents described in paragraph (b) of this section for each family member. If one or more family members do not have citizenship or eligible immigration status, the family members may exercise the election not to contend to have eligible immigration status as provided in paragraph (e) of this section, and the provisions of §§5.516 and 5.518 shall apply.

(b) Evidence of citizenship or eligible immigration status. Each family member, regardless of age, must submit the following evidence to the responsible entity.

(1) For citizens, the evidence consists of a signed declaration of U.S. citizenship. The responsible entity may request verification of the declaration by requiring presentation of a United States passport, resident alien card, registration card, social security card, or other appropriate documentation.

(2) For noncitizens who are 62 years of age or older or who will be 62 years of age or older and receiving assistance under a Section 214 covered program on September 30, 1996 or applying for assistance on or after that date, the evidence consists of:

(i) A signed declaration of eligible immigration status; and

(ii) Proof of age document.
(3) For all other noncitizens, the evidence consists of:
(i) A signed declaration of eligible immigration status;
(ii) One of the INS documents referred to in §5.510 and
(iii) A signed verification consent form.

(c) Declaration. (1) For each family member who contends that he or she is a U.S. citizen or a noncitizen with eligible immigration status, the family must submit to the responsible entity a written declaration, signed under penalty of perjury, by which the family member declares whether he or she is a U.S. citizen or a noncitizen with eligible immigration status.
(i) For each adult, the declaration must be signed by the adult.
(ii) For each child, the declaration must be signed by an adult residing in the assisted dwelling unit who is responsible for the child.

(2) For Housing covered programs: The written declaration may be incorporated as part of the application for housing assistance or may constitute a separate document.

(d) Verification consent form—(1) Who signs. Each noncitizen who declares eligible immigration status (except certain noncitizens who are 62 years of age or older as described in paragraph (b)(2) of this section) must sign a verification consent form as follows.
(i) For each adult, the form must be signed by the adult.
(ii) For each child, the form must be signed by an adult residing in the assisted dwelling unit who is responsible for the child.

(2) Notice of release of evidence by responsible entity. The verification consent form shall provide that evidence of eligible immigration status may be released by the responsible entity without responsibility for the further use or transmission of the evidence by the entity receiving it, to:
(i) HUD, as required by HUD; and
(ii) The INS, for purposes of verification of the immigration status of the individual.

(3) Notice of release of evidence by HUD. The verification consent form also shall notify the individual of the possible release of evidence of eligible immigration status by HUD. Evidence of eligible immigration status shall only be released to the INS for purposes of establishing eligibility for financial assistance and not for any other purpose. HUD is not responsible for the further use or transmission of the evidence or other information by the INS.

(e) Individuals who do not contend that they have eligible status. If one or more members of a family elect not to contend that they have eligible immigration status, and other members of the family establish their citizenship or eligible immigration status, the family may be eligible for assistance under §§5.516 and 5.518, or §5.520, despite the fact that no declaration or documentation of eligible status is submitted for one or more members of the family. The family, however, must identify in writing to the responsible entity, the family member (or members) who will elect not to contend that he or she has eligible immigration status.

(f) Notification of requirements of Section 214—(1) When notice is to be issued. Notification of the requirement to submit evidence of citizenship or eligible immigration status, as required by this section, or to elect not to contend that one has eligible status as provided by paragraph (e) of this section, shall be given by the responsible entity as follows:
(i) Applicant's notice. The notification described in paragraph (f)(1) of this section shall be given to each applicant at the time of application for assistance. Applicants whose applications are pending on June 19, 1995, shall be notified of the requirement to submit evidence of eligible status as soon as possible after June 19, 1995.
(ii) Notice to tenants. The notification described in paragraph (f)(1) of this section shall be given to each tenant at the time of, and together with, the responsible entity's notice of regular reexamination of income, but not later than one year following June 19, 1995.
(iii) Timing of mortgagor's notice. A mortgagor receiving Section 235 assistance must be provided the notification described in paragraph (f)(1) of this section and any additional requirements imposed under the Section 235 Program.
(2) Form and content of notice. The notice shall:

(i) State that financial assistance is contingent upon the submission and verification, as appropriate, of evidence of citizenship or eligible immigration status as required by paragraph (a) of this section;

(ii) Describe the type of evidence that must be submitted, and state the time period in which that evidence must be submitted (see paragraph (g) of this section concerning when evidence must be submitted); and

(iii) State that assistance will be prorated, denied or terminated, as appropriate, upon a final determination of ineligibility after all appeals have been exhausted (see § 5.514 concerning INS appeal, and informal hearing process) or, if appeals are not pursued, at a time to be specified in accordance with HUD requirements. Tenants also shall be informed of how to obtain assistance under the preservation of families provisions of §§ 5.516 and 5.518.

(g) When evidence of eligible status is required to be submitted. The responsible entity shall require evidence of eligible status to be submitted at the times specified in paragraph (g) of this section, subject to any extension granted in accordance with paragraph (h) of this section.

(1) Applicants. For applicants, responsible entities must ensure that evidence of eligible status is submitted not later than the date the responsible entity anticipates or has knowledge that verification of other aspects of eligibility for assistance will occur (see § 5.512(a)).

(2) Tenants. For tenants, evidence of eligible status is required to be submitted as follows:

(i) For financial assistance under a Section 214 covered program, with the exception of Section 235 assistance payments, the required evidence shall be submitted at the first regular reexamination after June 19, 1995, in accordance with program requirements.

(ii) For financial assistance in the form of Section 235 assistance payments, the mortgagor shall submit the required evidence in accordance with requirements imposed under the Section 235 Program.

(3) New occupants of assisted units. For any new occupant of an assisted unit (e.g., a new family member comes to reside in the assisted unit), the required evidence shall be submitted at the first interim or regular reexamination following the person's occupancy.

(4) Changing participation in a HUD program. Whenever a family applies for admission to a Section 214 covered program, evidence of eligible status is required to be submitted in accordance with the requirements of this subpart unless the family already has submitted the evidence to the responsible entity for a Section 214 covered program.

(5) One-time evidence requirement for continuous occupancy. For each family member, the family is required to submit evidence of eligible status only one time during continuously assisted occupancy under any Section 214 covered program.

(h) Extensions of time to submit evidence of eligible status—

(1) When extension must be granted. The responsible entity shall extend the time, provided in paragraph (g) of this section, to submit evidence of eligible immigration status if the family member:

(i) Submits the declaration required under § 5.508(a) certifying that any person for whom required evidence has not been submitted is a noncitizen with eligible immigration status; and

(ii) Certifies that the evidence needed to support a claim of eligible immigration status is temporarily unavailable, additional time is needed to obtain and submit the evidence, and prompt and diligent efforts will be undertaken to obtain the evidence.

(2) Thirty-day extension period. Any extension of time, if granted, shall not exceed thirty (30) days. The additional time provided should be sufficient to allow the individual the time to obtain the evidence. The responsible entity's determination of the length of the extension needed shall be based on the circumstances of the individual case.

(3) Grant or denial of extension to be in writing. The responsible entity's decision to grant or deny an extension as provided in paragraph (h)(1) of this section shall be issued to the family by written notice. If the extension is
§ 5.510 Documents of eligible immigration status.

(a) General. A responsible entity shall request and review original documents of eligible immigration status. The responsible entity shall retain photocopies of the documents for its own records and return the original documents to the family.

(b) Acceptable evidence of eligible immigration status. Acceptable evidence of eligible immigration status shall be the original of a document designated by INS as acceptable evidence of immigration status in one of the six categories mentioned in §5.506(a) for the specific immigration status claimed by the individual.

§ 5.512 Verification of eligible immigration status.

(a) General. Except as described in §§5.501 and 5.514, no individual or family applying for assistance may receive such assistance prior to the verification of the eligibility of at least the individual or one family member. Verification of eligibility consistent with §5.514 occurs when the individual or family members have submitted documentation to the responsible entity in accordance with §5.508.

(b) Primary verification—(1) Automated verification system. Primary verification of the immigration status of the person is conducted by the responsible entity through the INS automated system (INS Systematic Alien Verification for Entitlements (SAVE)). The INS SAVE system provides access to names, file numbers and admission numbers of noncitizens.

(2) Failure of primary verification to confirm eligible immigration status. If the INS SAVE system does not verify eligible immigration status, secondary verification must be performed.

(c) Secondary verification—(1) Manual search of INS records. Secondary verification is a manual search by the INS of its records to determine an individual’s immigration status. The responsible entity must request secondary verification, within 10 days of receiving the results of the primary verification, if the primary verification system does not confirm eligible immigration status, or if the primary verification system verifies immigration status that is ineligible for assistance under a Section 214 covered program.

(2) Secondary verification initiated by responsible entity. Secondary verification is initiated by the responsible entity forwarding photocopies of the original INS documents required for the immigration status declared (front and back), attached to the INS document verification request form G-845S (Document Verification Request), or such other form specified by the INS to a designated INS office for review. (Form G-845S is available from the local INS Office.)

(3) Failure of secondary verification to confirm eligible immigration status. If the secondary verification does not confirm eligible immigration status, the responsible entity shall issue to the family the notice described in §5.514(d), which includes notification of the right to appeal to the INS of the INS finding on immigration status (see §5.514(d)(4)).

(d) Exemption from liability for INS verification. The responsible entity shall not be liable for any action,
§ 5.514 Delay, denial, reduction or termination of assistance.

(a) General. Assistance to a family may not be delayed, denied, reduced or terminated because of the immigration status of a family member except as provided in this section.

(b) Restrictions on delay, denial, reduction or termination of assistance—(1) Restrictions on reduction, denial or termination of assistance for applicants and tenants. Assistance to an applicant or tenant shall not be delayed, denied, reduced, or terminated, on the basis of ineligible immigration status of a family member if:

(i) The primary and secondary verification of any immigration documents that were timely submitted has not been completed;

(ii) The family member for whom required evidence has not been submitted has moved from the assisted dwelling unit;

(iii) The family member who is determined not to be in an eligible immigration status following INS verification has moved from the assisted dwelling unit;

(iv) The INS appeals process under § 5.514(e) has not been concluded;

(v) Assistance is prorated in accordance with § 5.520; or

(vi) Assistance for a mixed family is continued in accordance with §§ 5.516 and 5.518; or

(vii) Deferral of termination of assistance is granted in accordance with §§ 5.516 and 5.518.

(2) Restrictions on delay, denial, reduction or termination of assistance pending fair hearing for tenants. In addition to the factors listed in paragraph (b)(1) of this section, assistance to a tenant cannot be delayed, denied, reduced or terminated until the completion of the informal hearing described in paragraph (f) of this section.

(c) Events causing denial or termination of assistance—(1) General. Assistance to an applicant shall be denied, and a tenant’s assistance shall be terminated, in accordance with the procedures of this section, upon the occurrence of any of the following events:

(i) Evidence of citizenship (i.e., the declaration) and eligible immigration status is not submitted by the date specified in § 5.508(g) or by the expiration of any extension granted in accordance with § 5.508(h);

(ii) Evidence of citizenship and eligible immigration status is timely submitted, but INS primary and secondary verification does not verify eligible immigration status of a family member; and

(A) The family does not pursue INS appeal or informal hearing rights as provided in this section; or

(B) INS appeal and informal hearing rights are pursued, but the final appeal or hearing decisions are decided against the family member; or

(iii) The responsible entity determines that a family member has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the public or assisted housing unit of the family member. Such termination shall be for a period of not less than 24 months. This provision does not apply to a family if the ineligibility of the ineligible individual was considered in calculating any proration of assistance provided for the family.

(2) Termination of assisted occupancy. For termination of assisted occupancy, see paragraph (i) of this section.

(d) Notice of denial or termination of assistance. The notice of denial or termination of assistance shall advise the family:

(1) That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance;

(2) That the family may be eligible for proration of assistance as provided under § 5.520;

(3) In the case of a tenant, the criteria and procedures for obtaining relief under the provisions for preservation of families in §§ 5.514 and 5.518;

(4) That the family has a right to request an appeal to the INS of the results of secondary verification of immigration status and to submit additional
§ 5.514

documentation or a written explanation in support of the appeal in accordance with the procedures of paragraph (e) of this section;

(5) That the family has a right to request an informal hearing with the responsible entity either upon completion of the INS appeal or in lieu of the INS appeal as provided in paragraph (f) of this section;

(6) For applicants, the notice shall advise that assistance may not be delayed until the conclusion of the INS appeal process, but assistance may be delayed during the pendency of the informal hearing process.

(e) Appeal to the INS—(1) Submission of request for appeal. Upon receipt of notification by the responsible entity that INS secondary verification failed to confirm eligible immigration status, the responsible entity shall notify the family of the results of the INS verification, and the family shall have 30 days from the date of the responsible entity's notification, to request an appeal of the INS results. The request for appeal shall be made by the family communicating that request in writing directly to the INS. The family must provide the responsible entity with a copy of the written request for appeal and proof of mailing.

(2) Documentation to be submitted as part of appeal to INS. The family shall forward to the designated INS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the INS document verification request form G-845S (used to process the secondary verification request) or such other form specified by the INS, and a cover letter indicating that the family is requesting an appeal of the INS immigration status verification results.

(3) Decision by INS—(i) When decision will be issued. The INS will issue to the family, with a copy to the responsible entity, a decision within 30 days of its receipt of documentation concerning the family's appeal of the verification of immigration status. If, for any reason, the INS is unable to issue a decision within the 30 day time period, the INS will inform the family and responsible entity of the reasons for the delay.

(ii) Notification of INS decision and of informal hearing procedures. When the responsible entity receives a copy of the INS decision, the responsible entity shall notify the family of its right to request an informal hearing on the responsible entity’s ineligibility determination in accordance with the procedures of paragraph (f) of this section.

(4) No delay, denial, reduction, or termination of assistance until completion of INS appeal process; direct appeal to INS. Pending the completion of the INS appeal under this section, assistance may not be delayed, denied, reduced or terminated on the basis of immigration status.

(f) Informal hearing—(1) When request for hearing is to be made. After notification of the INS decision on appeal, or in lieu of request of appeal to the INS, the family may request that the responsible entity provide a hearing. This request must be made either within 30 days of receipt of the notice described in paragraph (d) of this section, or within 30 days of receipt of the INS appeal decision issued in accordance with paragraph (e) of this section.

(2) Informal hearing procedures—(i) Tenants assisted under a Section 8 covered program: For tenants assisted under a Section 8 covered program, the procedures for the hearing before the responsible entity are set forth in:

(A) For Section 8 Moderate Rehabilitation assistance: 24 CFR part 882;

(B) For Section 8 tenant-based assistance: 24 CFR part 982; or

(C) For Section 8 project-based certification program: 24 CFR part 983.

(ii) Tenants assisted under any other Section 8 covered program or a Public Housing covered program: For tenants assisted under a Section 8 covered program not listed in paragraph (f)(3)(i) of this section or a Public Housing covered program, the procedures for the hearing before the responsible entity are set forth in 24 CFR part 906.

(iii) Families under Housing covered programs and applicants for assistance under all covered programs. For all families under Housing covered programs (applicants as well as tenants already receiving assistance) and for applicants for assistance under all covered programs, the procedures for the informal

§ 5.514

hearing before the responsible entity are as follows:

(A) Hearing before an impartial individual. The family shall be provided a hearing before any person(s) designated by the responsible entity (including an officer or employee of the responsible entity), other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision;

(B) Examination of evidence. The family shall be provided the opportunity to examine and copy at the individual’s expense, at a reasonable time in advance of the hearing, any documents in the possession of the responsible entity pertaining to the family’s eligibility status, or in the possession of the INS (as permitted by INS requirements), including any records and regulations that may be relevant to the hearing;

(C) Presentation of evidence and arguments in support of eligible status. The family shall be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings;

(D) Controverting evidence of the responsible entity. The family shall be provided the opportunity to controvert evidence relied upon by the responsible entity and to confront and cross-examine all witnesses on whose testimony or information the responsible entity relies;

(E) Representation. The family shall be entitled to be represented by an attorney, or other designee, at the family’s expense, and to have such person make statements on the family’s behalf;

(F) Interpretive services. The family shall be entitled to arrange for an interpreter to attend the hearing, at the expense of the family, or responsible entity, as may be agreed upon by the two parties to the proceeding; and

(G) Hearing to be recorded. The family shall be entitled to have the hearing recorded by audiotape (a transcript of the hearing may, but is not required to, be provided by the responsible entity).

(3) Hearing decision. The responsible entity shall provide the family with a written final decision, based solely on the facts presented at the hearing, within 14 days of the date of the informal hearing. The decision shall state the basis for the decision.

(g) Judicial relief. A decision against a family member, issued in accordance with paragraphs (e) or (f) of this section, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

(h) Retention of documents. The responsible entity shall retain for a minimum of 5 years the following documents that may have been submitted to the responsible entity by the family, or provided to the responsible entity as part of the INS appeal or the informal hearing process:

(1) The application for financial assistance;

(2) The form completed by the family for income reexamination;

(3) Photocopies of any original documents (front and back), including original INS documents;

(4) The signed verification consent form;

(5) The INS verification results;

(6) The request for an INS appeal;

(7) The final INS determination;

(8) The request for an informal hearing; and

(9) The final informal hearing decision.

(i) Termination of assisted occupancy.

(1) Under Housing covered programs, and in the Section 8 covered programs other than the Section 8 Rental Certificate, Rental Voucher, and Moderate Rehabilitation programs, assisted occupancy is terminated by:

(i) If permitted under the lease, the responsible entity notifying the tenant that because of the termination of assisted occupancy the tenant is required to pay the HUD-approved market rent for the dwelling unit.

(ii) The responsible entity and tenant entering into a new lease without financial assistance.

(iii) The responsible entity evicting the tenant. While the tenant continues in occupancy of the unit, the responsible entity may continue to receive
assistance payments if action to terminate the tenancy under an assisted lease is promptly initiated and diligently pursued, in accordance with the terms of the lease, and if eviction of the tenant is undertaken by judicial action pursuant to State and local law. Action by the responsible entity to terminate the tenancy and to evict the tenant must be in accordance with applicable HUD regulations and other HUD requirements. For any jurisdiction, HUD may prescribe a maximum period during which assistance payments may be continued during eviction proceedings and may prescribe other standards of reasonable diligence for the prosecution of eviction proceedings.

(2) In the Section 8 Rental Certificate, Rental Voucher, and Moderate Rehabilitation programs, assisted occupancy is terminated by terminating assistance payments. (See provisions of this section concerning termination of assistance.) The PHA shall not make any additional assistance payments to the owner after the required procedures specified in this section have been completed. In addition, the PHA shall not approve a lease, enter into an assistance contract, or process a portability move for the family after those procedures have been completed.

(a) Assistance available for tenant mixed families—(1) General. Preservation assistance is available to tenant mixed families, following completion of the appeals and informal hearing procedures provided in §5.514. There are three types of preservation assistance:
(i) Continued assistance (see paragraph (a) of §5.518);
(ii) Temporary deferral of termination of assistance (see paragraph (b) of §5.518); or
(iii) Prorated assistance (see §5.520, a mixed family must be provided prorated assistance if the family so requests).
(2) Availability of assistance—(i) For Housing covered programs: One of the three types of assistance described is available to tenant mixed families assisted under a National Housing Act or 1965 HUD Act covered program, depending upon the family's eligibility for such assistance. Continued assistance must be provided to a mixed family that meets the conditions for eligibility for continued assistance.
(ii) For Section 8 or Public Housing covered programs: One of the three types of assistance described may be available to tenant mixed families assisted under a Section 8 or Public Housing covered program.
(b) Assistance available for applicant mixed families. Prorated assistance is also available for mixed families applying for assistance as provided in §5.520.
(c) Assistance available to other families in occupancy. Temporary deferral of termination of assistance may be available to families receiving assistance under a Section 214 covered program on June 19, 1995, and who have no members with eligible immigration status, as set forth in paragraphs (c) (1) and (2) of this section.

(1) For Housing covered programs: Temporary deferral of termination of assistance is available to families assisted under a Housing covered program.
(2) For Section 8 or Public Housing covered programs: The responsible entity may make temporary deferral of termination of assistance to families assisted under a Section 8 or Public Housing covered program.
(d) Section 8 covered programs: Discretion afforded to provide certain family preservation assistance—(1) Project owners. With respect to assistance under a Section 8 Act covered program administered by a project owner, HUD has the discretion to determine under what circumstances families are to be provided one of the two statutory forms of assistance for preservation of the family (continued assistance or temporary deferral of assistance). HUD is exercising its discretion by specifying the standards in this section under which a project owner must provide one of these two types of assistance to a family. However, project owners and PHAs must offer prorated assistance to eligible mixed families.
PHAs. The PHA, rather than HUD, has the discretion to determine the circumstances under which a family will be offered one of the two statutory forms of assistance (continued assistance or temporary deferral of termination of assistance). The PHA must establish its own policy and criteria to follow in making its decision. In establishing the criteria for granting continued assistance or temporary deferral of termination of assistance, the PHA must incorporate the statutory criteria which are set forth in paragraphs (a) and (b) of §5.518. However, the PHA must offer prorated assistance to eligible families.

[61 FR 13616, Mar. 27, 1996, as amended at 61 FR 60539, Nov. 29, 1996]

§ 5.518 Types of preservation assistance available to mixed families and other families.

(a) Continued assistance—(1) General. A mixed family may receive continued housing assistance if all of the following conditions are met (a mixed family assisted under a Housing covered program must be provided continued assistance if the family meets the following conditions):

(i) The family was receiving assistance under a Section 214 covered program on June 19, 1995;

(ii) The family’s head of household or spouse has eligible immigration status as described in §5.506; and

(iii) The family does not include any person (who does not have eligible immigration status) other than the head of household, any spouse of the head of household, any parents of the head of household, any parents of the spouse, or any children of the head of household or spouse.

(2) Proration of continued assistance. A family entitled to continued assistance before November 29, 1996 is entitled to continued assistance as described in paragraph (a) of this section. A family entitled to continued assistance after November 29, 1996 shall receive prorated assistance as described in §5.520.

(b) Temporary deferral of termination of assistance—(1) Eligibility for this type of assistance. If a mixed family qualifies for prorated assistance (and does not qualify for continued assistance), but decides not to accept prorated assistance, or if a family has no members with eligible immigration status, the family may be eligible for temporary deferral of termination of assistance if necessary to permit the family additional time for the orderly transition of those family members with ineligible status, and any other family members involved, to other affordable housing. Other affordable housing is used in the context of transition of an ineligible family from a rent level that reflects HUD assistance to a rent level that is unassisted; the term refers to housing that is not substandard, that is of appropriate size for the family and that can be rented for an amount not exceeding the amount that the family pays for rent, including utilities, plus 25 percent.

(2) Housing covered programs: Conditions for granting temporary deferral of termination of assistance. The responsible entity shall grant a temporary deferral of termination of assistance to a mixed family if the family is assisted under a Housing covered program and one of the following conditions is met:

(i) The family demonstrates that reasonable efforts to find other affordable housing of appropriate size have been unsuccessful (for purposes of this section, reasonable efforts include seeking information from, and pursuing leads obtained from the State housing agency, the city government, local newspapers, rental agencies and the owner);

(ii) The vacancy rate for affordable housing of appropriate size is below five percent in the housing market for the area in which the project is located; or

(iii) The consolidated plan, as described in 24 CFR part 91 and if applicable to the covered program, indicates that the local jurisdiction’s housing market lacks sufficient affordable housing opportunities for households having a size and income similar to the family seeking the deferral.

(3) Time limit on deferral period. If temporary deferral of termination of assistance is granted, the deferral period shall be for an initial period not to exceed six months. The initial period may be renewed for additional periods of six months, but the aggregate deferral period for deferrals provided after
November 29, 1996 shall not exceed a period of eighteen months. The aggregate deferral period for deferrals granted prior to November 29, 1996 shall not exceed 3 years. These time periods do not apply to a family which includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under section 208 of that Act.

(4) Notification requirements for beginning of each deferral period. At the beginning of each deferral period, the responsible entity must inform the family of its ineligibility for financial assistance and offer the family information concerning, and referrals to assist in finding, other affordable housing.

(5) Determination of availability of affordable housing at end of each deferral period. (i) Before the end of each deferral period, the responsible entity must satisfy the applicable requirements of either paragraph (b)(5)(i) (A) or (B) of this section. Specifically, the responsible entity must:

(A) For Housing covered programs: Make a determination that one of the two conditions specified in paragraph (b)(2) of this section continues to be met (note: affordable housing will be determined to be available if the vacancy rate is five percent or greater); the owner's knowledge and the tenant's evidence indicate that other affordable housing is available; or

(B) For Section 8 or Public Housing covered programs: Make a determination of the availability of affordable housing of appropriate size based on evidence of conditions which when taken together will demonstrate an inadequate supply of affordable housing for the area in which the project is located, the consolidated plan (if applicable, as described in 24 CFR part 91), the responsible entity's own knowledge of the availability of affordable housing, and on evidence of the tenant family's efforts to locate such housing.

(ii) The responsible entity must also:

(A) Notify the tenant family in writing, at least 60 days in advance of the expiration of the deferral period, that termination will be deferred again (provided that the granting of another deferral will not result in aggregate deferral periods that exceed the maximum deferral period). This time period does not apply to a family which includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under section 208 of that Act, and a determination was made that other affordable housing is not available; or

(B) Notify the tenant family in writing, at least 60 days in advance of the expiration of the deferral period, that termination of financial assistance will not be deferred because either granting another deferral will result in aggregate deferral periods that exceed the maximum deferral period (unless the family includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under section 208 of that Act), or a determination has been made that other affordable housing is available.

(c) Option to select proration of assistance at end of deferral period. A family who is eligible for, and receives temporary deferral of termination of assistance, may request, and the responsible entity shall provide proration of assistance at the end of the deferral period if the family has made a good faith effort during the deferral period to locate other affordable housing.

(d) Notification of decision on family preservation assistance. A responsible entity shall notify the family of its decision concerning the family's qualification for family preservation assistance. If the family is ineligible for family preservation assistance, the notification shall state the reasons, which must be based on relevant factors. For tenant families, the notice also shall inform the family of any applicable appeal rights.

§ 5.520 Proration of assistance.

(a) Applicability. This section applies to a mixed family other than a family receiving continued assistance, or other than a family who is eligible for and requests and receives temporary deferral of termination of assistance. An eligible mixed family who requests prorated assistance must be provided prorated assistance.

(b) Method of prorating assistance for Housing covered programs—(1) Proration under Rent Supplement Program. If the
household participates in the Rent Supplement Program, the rent supplement paid on the household’s behalf shall be the rent supplement the household would otherwise be entitled to, multiplied by a fraction, the denominator of which is the number of people in the household and the numerator of which is the number of eligible persons in the household;

(2) Proration under Section 235 Program. If the household participates in the Section 235 Program, the interest reduction payments paid on the household’s behalf shall be the payments the household would otherwise be entitled to, multiplied by a fraction the denominator of which is the number of people in the household and the numerator of which is the number of eligible persons in the household;

(3) Proration under Section 236 Program without the benefit of additional assistance. If the household participates in the Section 236 Program without the benefit of any additional assistance, the household’s rent shall be increased above the rent the household would otherwise pay by an amount equal to the difference between the market rate rent for the unit and the rent the household would otherwise pay multiplied by a fraction the denominator of which is the number of people in the household and the numerator of which is the number of ineligible persons in the household;

(4) Proration under Section 236 Program with the benefit of additional assistance. If the household participates in the Section 236 Program with the benefit of additional assistance under the Rent Supplement, Rental Assistance Payment or Section 8 programs, the household’s rent shall be increased above the rent the household would otherwise pay by:

(i) An amount equal to the difference between the market rate rent for the unit and the basic rent for the unit multiplied by a fraction, the denominator of which is the number of people in the household, and the numerator of which is the number of ineligible persons in the household, plus;

(ii) An amount equal to the rent supplement, housing assistance payment or rental assistance payment the household would otherwise be entitled to multiplied by a fraction, the denominator of which is the number of people in the household and the numerator of which is the number of ineligible persons in the household.

(c) Method of prorating assistance for Section 8 covered programs—(1) Section 8 assistance other than assistance provided for a tenancy under the Section 8 Rental Voucher Program or for an over-FMR tenancy in the Section 8 Rental Certificate Program. For Section 8 assistance other than assistance for a tenancy under the voucher program or an over-FMR tenancy under the certificate program, the PHA must prorate the family’s assistance as follows:

(i) Step 1. Determine gross rent for the unit. (Gross rent is contract rent plus any allowance for tenant paid utilities).

(ii) Step 2. Determine total tenant payment in accordance with section 5.613(a). (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)

(iii) Step 3. Subtract amount determined in paragraph (c)(1)(ii), (Step 2), from amount determined in paragraph (c)(1)(i), (Step 1).

(iv) Step 4. Multiply the amount determined in paragraph (c)(1)(iii), (Step 3) by a fraction for which:

(A) The numerator is the number of family members who have established eligible immigration status; and

(B) The denominator is the total number of family members.

(v) Prorated housing assistance. The amount determined in paragraph (c)(1)(iv), (Step 4) is the prorated housing assistance payment for a mixed family.

(vi) No effect on contract rent. Proration of the housing assistance payment does not affect contract rent to the owner. The family must pay as rent the portion of contract rent not covered by the prorated housing assistance payment.

(2) Assistance for a Section 8 voucher tenancy or over-FMR tenancy. For a tenancy under the voucher program or for an over-FMR tenancy under the certificate program, the PHA must prorate the family’s assistance as follows:

(i) Step 1. Determine the amount of the pre-proration housing assistance...
§ 5.520 Proration of assistance.

(c) * * * *

(ii) Step 1. Determine total tenant payment in accordance with § 5.613. (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)

(2) Step 2. Subtracting the total tenant payment from a HUD-supplied “public housing maximum rent” applicable to the unit or the PHA. (This “maximum rent” shall be determined by HUD using the 95th percentile rent for the PHA.) The result is the maximum subsidy for which the family could qualify if all members were eligible (“family maximum subsidy”).

(3) Step 3. Dividing the family maximum subsidy by the number of persons in the family (all persons) to determine the maximum subsidy per each family member who has citizenship or eligible immigration status (“eligible family member”). The subsidy per eligible family member is the “member maximum subsidy”.

(4) Step 4. Multiplying the member maximum subsidy by the number of family members who have citizenship or eligible immigration status (“eligible family members”).

(5) Step 5. The product of steps 1 through 4, as set forth in paragraph (d)(2) of this section is the amount of subsidy for which the family is eligible (“eligible subsidy”). The family’s rent is the “public housing maximum rent” minus the amount of the eligible subsidy.

§ 5.520 Proration of assistance.

(2) Section 8 Rental Voucher assistance. For assistance under the Section 8 Rental Voucher Program, the PHA shall prorate the family’s assistance as follows:

(i) Step 1. Determine the amount of the pre-proration voucher housing assistance payment in accordance with 24 CFR 982.505. (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)

(iv) No effect on rent to owner. Proration of the voucher housing assistance payment does not affect rent to the owner. The family must pay as rent the portion of rent not covered by the prorated housing assistance payment.
§ 5.522 Prohibition of assistance to noncitizen students.

(a) General. The provisions of §§ 5.516 and 5.518 permitting continued assistance or temporary deferral of termination of assistance for certain families do not apply to any person who is determined to be a noncitizen student as in paragraph (c)(2)(A) of Section 214 (42 U.S.C. 1436a(c)(2)(A)). The family of a noncitizen student may be eligible for prorated assistance, as provided in paragraph (b)(2) of this section.

(b) Family of noncitizen students. (1) The prohibition on providing assistance to a noncitizen student as described in paragraph (a) of this section extends to the noncitizen spouse of the noncitizen student and minor children accompanying the student or following to join the student.

(2) The prohibition on providing assistance to a noncitizen student does not extend to the citizen spouse of the noncitizen student and the children of the citizen spouse and noncitizen student.

§ 5.524 Compliance with nondiscrimination requirements.

The responsible entity shall administer the restrictions on use of assisted housing by noncitizens with ineligible immigration status imposed by this part in conformity with all applicable nondiscrimination and equal opportunity requirements, including, but not limited to, title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-5) and the implementing regulations in 24 CFR part 1, section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and the implementing regulations in 24 CFR part 8, the Fair Housing Act (42 U.S.C. 3601-3619) and the implementing regulations in 24 CFR part 100.

§ 5.526 Protection from liability for responsible entities and State and local government agencies and officials.

(a) Protection from liability for responsible entities. Responsible entities are protected from liability as set forth in Section 214(e) (42 U.S.C. 1436a(e)).

(b) Protection from liability for State and local government agencies and officials. State and local government agencies and officials shall not be liable for the design or implementation of the verification system described in §5.512, as long as the implementation by the State and local government agency or official is in accordance with prescribed HUD rules and requirements.

[61 FR 60540, Nov. 29, 1996]

§ 5.528 Liability of ineligible tenants for reimbursement of benefits.

Where a tenant has received the benefit of HUD financial assistance to which the tenant was not entitled because the tenant intentionally misrepresented eligible status, the ineligible tenant is responsible for reimbursing HUD for the assistance improperly paid. If the amount of the assistance is substantial, the responsible entity is encouraged to refer the case to the HUD Inspector General's office for further investigation. Possible criminal prosecution may follow based on the False Statements Act (18 U.S.C. 1001 and 1010).

§ 5.601 Purpose and applicability.

(1) HUD’s public housing programs, including its public housing homeownership programs.

(2) Housing assisted under section 8 of the United States Housing Act of 1937 (the 1937 Act) (42 U.S.C. 1437f).

65
§ 5.603  Definitions.

As used in this subpart:

(a) The terms elderly person, low-income family, person with disabilities, State, and very low-income family are defined in section 3(b) of the 1937 Act (42 U.S.C. 1437a(b)).

(b) The terms 1937 Act and public housing agency (PHA) are defined in § 5.100.

(c) The terms disabled family, elderly family, family, and live-in aide are defined in § 5.403.

(d) The following terms shall have the meanings set forth below:

Annual income. See § 5.609.

Child care expenses. Amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

Dependent. A member of the family (except foster children and foster adults) other than the family head or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student.

Disability assistance expenses. Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

Full-time student. A person who is carrying a subject load that is considered full-time for day students under the standards and practices of the educational institution attended. An educational institution includes a vocational school with a diploma or certificate program, as well as an institution offering a college degree.

Medical expenses. Medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.

Monthly adjusted income. One-twelfth of adjusted income.

Monthly income. One-twelfth of annual income.

Net family assets. (1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under § 5.609.

(3) In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value.

(ii) Section 5.615 (Utility reimbursement) and the definition of utility reimbursement found in § 5.603 also do not apply to the Section 8 Rental Voucher Program. For the Voucher Program, in cases where the amount of the HAP payment exceeds the rent to owner, the excess will be paid to the family.

(iii) Section 5.607 (Income limits for admission) does not apply to the Section 8 Rental Voucher and Rental Certificate Programs.

(3) Applicants and tenants assisted under sections 10(c) and 23 of the 1937 Act as in effect before amendment by the Housing and Community Development Act of 1974 (42 U.S.C. 1410 and 1421b (1970 ed.)).
value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

Owner has the meaning provided in the relevant program regulations. As used in this subpart, where appropriate, the term “owner” shall also include a “borrower” as defined in 24 CFR part 885.

Tenant rent. The amount payable monthly by the family as rent to the PHA or owner, as applicable. Where all utilities (except telephone) and other essential housing services are supplied by the PHA or owner, tenant rent equals total tenant payment. Where some or all utilities (except telephone) and other essential housing services are supplied by the PHA or owner and the cost thereof is not included in the amount paid as rent, tenant rent equals total tenant payment less the utility allowance.

Total tenant payment. See §5.613.

Utility allowance. If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a PHA or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Utility reimbursement. The amount, if any, by which the utility allowance for the unit, if applicable, exceeds the total tenant payment for the family occupying the unit.

Welfare assistance. Welfare or other payments to families or individuals, based on need, that are made under programs funded, separately or jointly, by Federal, State or local governments.

§5.605 Overall income eligibility for assistance.

No family other than a low-income family shall be eligible for admission to a program covered by this part.

§5.607 Income limits for admission.

(a) General—(1) Admission to units available before October 1, 1981. Not more than 25 percent of the dwelling units that were available for occupancy under Annual Contributions Contracts (ACC) and Section 8 Housing Assistance Payments (HAP) Contracts taking effect before October 1, 1981 and that are leased on or after that date shall be available for leasing by low-income families other than very low-income families. HUD reserves the right to limit the admission of low-income families other than very low-income families to these units.

(2) Admission to units available on or after October 1, 1981. Not more than 15 percent of the dwelling units that initially become available for occupancy under Annual Contributions Contracts (ACC) and Section 8 Housing Assistance Payments (HAP) Contracts on or after October 1, 1981 shall be available for leasing by low-income families other than very low-income families. Except with the prior approval of HUD under paragraphs (b) and (c) of this section, no low-income family, other than a very low-income family shall be admitted to these units.

(b) Request for exception. A request by a PHA or owner for approval of admission of low-income families other than very low-income families to units described in paragraph (a)(2) of this section must state the basis for requesting the exception and provide supporting data. Bases for exceptions that may be considered include the following:

(1) For Section 8 Programs. (i) Low-income families that would otherwise be displaced from Section 8 Substantial Rehabilitation or Moderate Rehabilitation projects;

(ii) Low-income families that are displaced as a result of Rental Rehabilitation or Development activities assisted under section 17 of the 1937 Act (42 U.S.C. 1437o), or as a result of activities under the Rental Rehabilitation Demonstration Program;
§ 5.609 Annual income.

(a) Annual income means all amounts, monetary or not, which:

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph (c) of this section.

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

(b) Annual income includes, but is not limited to:

(1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;

(2) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a
business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;

(3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of $5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;

(4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);

(5) Payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation and severance pay (except as provided in paragraph (c)(3) of this section);

(6) Welfare assistance. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

(i) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(ii) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family’s welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph (b)(6)(ii) shall be the amount resulting from one application of the percentage;

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

(8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section);

(c) Annual income does not include the following:

(1) Income from employment of children (including foster children) under the age of 18 years;

(2) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);

(3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker’s compensation), capital gains and settlement for personal or property losses (except as provided in paragraph (b)(5) of this section);

(4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;

(5) Income of a live-in aide, as defined in §5.403;

(6) The full amount of student financial assistance paid directly to the student or to the educational institution;

(7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

(ii) Amounts received under training programs funded by HUD;

(ii) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
(iii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;

(iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed $200 per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination. No resident may receive more than one such stipend during the same period of time;

(v) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;

(9) Temporary, nonrecurring or sporadic income (including gifts);

(10) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

(11) Earnings in excess of $480 for each full-time student 18 years old or older (excluding the head of household and spouse);

(12) Adoption assistance payments in excess of $480 per adopted child;

(13) For public housing only: (i) The earnings and benefits to any family member resulting from the participation in a program providing employment training and supportive services in accordance with the Family Support Act of 1988, section 22 of the 1937 Act (42 U.S.C. 1437t), or any comparable Federal, State, or local law during the exclusion period.

(ii) For purposes of this paragraph, the following definitions apply:

(A) Comparable Federal, State or local law means a program providing employment training and supportive services that—

(1) Is authorized by a Federal, State or local law;

(2) Is funded by the Federal, State or local government;

(3) Is operated or administered by a public agency; and

(4) Has as its objective to assist participants in acquiring employment skills.

(B) Exclusion period means the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.

(C) Earnings and benefits means the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job;

(14) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts.

(15) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

(16) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

(17) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(c) apply. A notice will be published in the Federal Register and distributed to PHAs and housing...
owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary.

(d) For public housing only. In addition to the exclusions from annual income covered in paragraph (c) of this section, a PHA may adopt additional exclusions for earned income pursuant to an established written policy.

(1) In establishing such a policy, a PHA must adopt one or more of the following types of earned income exclusions, including variations thereof:

(i) Exclude all or part of the family’s earned income;

(ii) Apply the exclusion only to new sources of earned income or only to increases in earned income;

(iii) Apply the exclusion to the earned income of the head, the spouse, or any other family member age 18 or older;

(iv) Apply the exclusion only to the earned income of persons other than the primary earner;

(v) Apply the exclusion to applicants, newly admitted families, existing tenants, or persons joining the family;

(vi) Make the exclusion temporary or permanent, for the PHA, the family, or the affected family member;

(vii) Make the exclusion graduated, so that more earned income is excluded at first and less earned income is excluded after a period of time;

(viii) Exclude any or all of the costs that are incurred in order to go to work but are not compensated, such as the cost of special tools, equipment, or clothing;

(ix) Exclude any or all of the costs that result from earning income, such as social security taxes or other items that are withheld in payroll deductions;

(x) Exclude any portion of the earned income that is not available to meet the family’s own needs, such as amounts that are paid to someone outside the family for alimony or child support; and

(xi) Exclude any portion of the earned income that is necessary to replace benefits lost because a family member becomes employed, such as amounts that the family pays for medical costs or to obtain medical insurance.

(2) Any amounts that are excluded from annual income under this paragraph (d) may not also be deducted in determining adjusted income, as defined in §5.611.

(3) Housing agencies do not need HUD approval to adopt optional earned income exclusions.

(4) In the calculation of Performance Funding System operating subsidy eligibility, housing agencies will have to absorb any loss in rental income that results from the adoption of any of the optional earned income exclusions discussed in paragraph (d)(1) of this section, including any variations of the listed options.

(e) If it is not feasible to anticipate a level of income over a 12-month period, the income anticipated for a shorter period may be annualized, subject to a redetermination at the end of the shorter period.

§ 5.611 Adjusted income.

Adjusted income means annual income less the following deductions:

(a) $480 for each dependent;

(b) $400 for any elderly family or disabled family;

(c) For any family that is not an elderly family or disabled family but has a member (other than the head of household or spouse) who is a person with a disability, disability assistance expenses in excess of three percent of annual income, but this allowance may not exceed the employment income received by family members who are 18 years of age or older as a result of the assistance to the person with disabilities;

(d) For any elderly family or disabled family:

(1) That has no disability assistance expenses, an allowance for medical expenses equal to the amount by which the medical expenses exceed three percent of annual income;

(2) That has disability assistance expenses greater than or equal to three percent of annual income, an allowance for disability assistance expenses computed in accordance with paragraph (c) of this section, plus an allowance for medical expenses that is equal to the family’s medical expenses;

§ 5.613 Total tenant payment.
  (a) Total tenant payment for families whose initial lease is effective on or after August 1, 1982. (1) Total tenant payment is the amount calculated under section 3(a)(1) of the 1937 Act (42 U.S.C. 1437a(a)(1)). If the family’s welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under paragraph (C) of section 3(a)(1) of the 1937 Act (42 U.S.C. 1437a(a)(1)(C)) shall be the amount resulting from one application of the percentage.
  (2) For public housing only. Total tenant payment for families residing in public housing does not include charges for excess utility consumption or other miscellaneous charges (see § 966.4 of this chapter).
  (b) Total tenant payment for families residing in public housing whose initial lease was effective before August 1, 1982. Paragraphs (b) and (c) of 24 CFR 913.107, as it existed immediately before November 18, 1996 (contained in the April 1, 1995 edition of 24 CFR, parts 900 to 1699), will continue to govern the total tenant payment of families, under a public housing program, whose initial lease was effective before August 1, 1982.
  (c) Inapplicability to the Section 8 Rental Voucher Program. The provisions of this section do not apply to the Section 8 Rental Voucher Program. For the Voucher Program, in cases where the amount of the HAP payment exceeds the rent to owner, the excess will be paid to the family.

§ 5.617 Reexamination and verification.
  (a) Responsibility for initial determination and reexamination. The PHA or owner, as applicable, must conduct a reexamination of family income and composition at least annually. The “effective date” of an examination or reexamination refers to:
  (1) In the case of an examination for admission, the effective date of the lease; and
  (2) In the case of a reexamination of an existing participant, the effective date of the redetermined housing assistance payment with respect to the Rental Voucher program and the effective date of the redetermined total tenant payment in all other cases.
  (b) Verification. (1) As a condition of admission to, or continued occupancy of, any assisted unit, the PHA or owner, as applicable, shall require the family head and other such family members as it designates to execute a HUD-approved release and consent form (including any release and consent as required under 24 CFR part 760) authorizing any depository or private source of income, or any Federal, State or local agency, to furnish or release to the PHA or owner, as applicable, and to HUD such information as the HA or owner, as applicable, and HUD determines to be necessary.
  (2) The PHA or owner shall also require the family to submit directly documentation determined to be necessary. Information or documentation shall be considered necessary if it is required for purposes of determining or auditing a family’s eligibility to receive housing assistance, for determining the family’s annual income, adjusted income or total tenant payment.
  (3) The use or disclosure of information obtained from a family or from another source pursuant to this release
and consent shall be limited to purposes directly connected with administration of this subpart or applying for assistance.

§ 5.703 Physical condition standards for HUD housing that is decent, safe, sanitary and in good repair (DSS/GR).

HUD housing must be decent, safe, sanitary and in good repair. These standards address the major areas of the HUD housing: the site; the building exterior; the building systems; the dwelling units; the common areas; and health and safety considerations.

(a) Site. The site components, such as fencing and retaining walls, grounds, lighting, mailboxes/project signs, parking lots/driveways, play areas and equipment, refuse disposal, roads, storm drainage and walkways must be free of health and safety hazards and be in good repair. § 5.705 Uniform physical inspection requirements.

(a) Any entity responsible for conducting a physical inspection of HUD housing, to determine compliance with this subpart, must inspect such HUD housing annually (unless otherwise specifically notified by HUD), in accordance with HUD-prescribed physical inspection procedures. For Public

tectors, stairs, walls, and windows, to the extent applicable, must be free of health and safety hazards, operable, and in good repair. (f) Health and safety concerns. All areas and components of the housing must be free of health and safety hazards. For example, the buildings must have fire exits that are not blocked and have hand rails that are undamaged and have no other observable deficiencies. The housing must have no evidence of infestation by rats, mice, or other vermin, or of garbage and debris. The housing must have no evidence of electrical hazards, natural hazards, or fire hazards. The dwelling units and common areas must have proper ventilation and be free of mold, odor (e.g., propane, natural gas, methane gas), or other observable deficiencies. The housing must comply with all requirements related to the evaluation and reduction of lead-based paint hazards and have available proper certifications of such (see 24 CFR part 35).

(g) Compliance with State and local codes. The physical condition standards in this section do not supersede or preempt State and local codes for building and maintenance with which HUD housing must comply. HUD housing must continue to adhere to these codes.
Office of the Secretary, HUD  § 5.801

Housing, PHAs have the option to inspect Public Housing units using the procedures prescribed in accordance with this section.

(b) Inspections in accordance with the physical inspection procedures identified in paragraph (a) of this section shall not be required until HUD has issued the inspection software and accompanying guidebook. When the software and guidebook have been issued, HUD will publish a notice in the Federal Register to inform the public when the software and guidebook are available. The notice will provide 30 days within which covered entities must prepare to conduct inspections in accordance with this subpart. Until the date that is 30 days after HUD publishes such notice, any entity responsible for conducting a physical inspection of HUD housing, to determine compliance with this subpart, must continue to comply with inspection requirements in effect immediately prior to that date.

If the Responsible Official receives a complaint that is not complete, the Responsible Official will notify the complainant and specify the additional information that is needed to make the complaint complete. When a complete complaint has been received, the Responsible Official, or his or her designee, will assess the complaint for acceptance, rejection, or referral to an appropriate Federal agency within 20 calendar days.

(8) Resolution of complaints. After the acceptance of a complete complaint, the Responsible Official will investigate the complaint, attempt informal resolution, and, if resolution is not achieved, the Responsible Official will notify the Recipient and complainant, to the extent practicable within 180 days of the receipt of the complete complaint, of the results of the investigation in a letter of findings sent by certified mail, return receipt requested, containing the following:

(i) Findings of fact and a finding of compliance or noncompliance;

(ii) A description of an appropriate remedy for each violation believed to exist; and

(iii) A notice of the right of the Recipient and the complainant to request a review of the letter of findings by the Responsible Official. A copy of the final investigative report will be made available upon request.

(b) Compliance reviews—(1) Periodic compliance reviews. The Responsible Official may periodically review the practices of Recipients to determine whether they are complying with this part and may conduct on-site reviews. The Responsible Official will initiate an on-site review by sending to the Recipient a letter advising the Recipient of the practices to be reviewed; the programs affected by the review; and the opportunity, at any time before a final determination, to submit information

(iii) For the State and HUD-Administered Small Cities programs, the compliance review will cover the four years before the date of the review.

(iv) For all other programs, the time period covered by the review will be four years before the date of the review.

(v) On a case-by-case basis, at the discretion of the Responsible Official, the above time frames for review can be expanded where facts or allegations warrant further investigation.

(3) Early compliance resolution. On the last day of the on-site visit, after the compliance review, the Recipient will be given an opportunity to supplement the record. Additionally, a prefinding conference may be held and a summary of the proposed findings may be presented to the Recipient. In those instances where the issue(s) cannot be resolved at a prefinding conference or with the supplemental information, a meeting will be scheduled to attempt a voluntary settlement.

(4) Notification of findings. (i) The Assistant Secretary will notify the Recipient of Federal financial assistance of the results of the compliance review in a letter of findings sent by certified mail, return receipt requested.

(ii) Letter of findings. The letter of findings will include the findings of fact and the conclusions of law; a description of a remedy for each violation found; and a notice that a copy of HUD's final report concerning its compliance review will be made available, upon request, to the Recipient.

(c) Right to a review of the letter of findings. (1) Within 30 days of receipt of the letter of findings, any party may request that a review be made of the letter of findings, by mailing or delivering to the Responsible Official, Room 5100, Office of Fair Housing and Equal Opportunity, HUD, Washington, DC 20410, a written statement of the reasons why the letter of findings should be modified.

(2) The Responsible Official will send by certified mail, return receipt requested, a copy of the request for review to all parties. Parties other than the party requesting review and HUD shall have 20 days from receipt to respond to the request for review.

(3) The Responsible Official will either sustain or modify the letter of findings or require that further investigation be conducted, within 60 days of the request for review. The Responsible Official's decision shall constitute the formal determination of compliance or noncompliance.

(4) If no party requests that the letter of findings be reviewed, the Responsible Official, within 14 calendar days of the expiration of the time period in paragraph (a)(9)(i) of this section, will send a formal written determination of compliance or noncompliance to all parties.

(d) Voluntary compliance time limits. The Recipient will have 10 calendar days from receipt of the letter of findings of noncompliance, or such other reasonable time as specified in the letter, within which to agree, in writing, to come into voluntary compliance or to contact the Responsible Official for settlement discussions. If the Recipient fails to meet this deadline, HUD will proceed in accordance with §§6.12 and 6.13.

Subpart A—General Provisions

§ 8.1 Purpose.

(a) The purpose of this part is to effectuate section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), to the end that no otherwise qualified individual with handicaps in the United States shall, solely by reason of his or her handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of Housing and Urban Development. This part also implements section 109 of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5309). This part does not effectuate section 504 as it applies to any program or activity conducted by the Department. Compliance with this part does not assure compliance with requirements for accessibility by physically-handicapped persons imposed under the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157; 24 CFR part 40).

(b) The policies and standards for compliance established by this part are established in contemplation of, and with a view to enforcement through, the Department’s administration of programs or activities receiving Federal financial assistance and the administrative procedures described in subparts D and E (including, without limitation, judicial enforcement under §8.57(a)).

§ 8.2 Applicability.

This part applies to all applicants for, and recipients of, HUD assistance in the operation of programs or activities receiving such assistance. Such assistance includes, but is not limited to,

The phrase accessible to and usable by is synonymous with accessible.

Accessible, when used with respect to the design, construction, or alteration of an individual dwelling unit, means that the unit is located on an accessible route and when designed, constructed, altered or adapted can be approached, entered, and used by individuals with physical handicaps. When a unit in an existing facility which is being made accessible as a result of alterations is intended for use by a specific qualified individual (e.g., a current occupant of such unit or of another unit under the control of the same recipient, or an applicant on a waiting list), the unit will be deemed accessible if it meets the requirements of applicable standards that address the particular disability or impairment of such person.

Accessible route means a continuous unobstructed path connecting accessible elements and spaces in a building or facility that complies with the space and reach requirements of applicable standards prescribed by §8.32. An accessible route that serves only accessible units occupied by persons with hearing or vision impairments need not comply with those requirements intended to effect accessibility for persons with mobility impairments.

For purposes of employment, this term does not include: Any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from performing the duties of the job in question, or whose employment, by reason of current alcohol or drug abuse, would constitute a direct threat to property or the safety of others; or any individual who has a currently contagious disease or infection and who, by reason of such disease or infection, would constitute a direct threat to the health or safety of other individuals or who, by reason of the currently contagious disease or infection, is unable to perform the duties of the job. For purposes of other programs and activities, the term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

(a) Physical or mental impairment includes:

(c) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(d) Is regarded as having an impairment means:

(b) With respect to any non-employment program or activity which requires a person to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the recipient can demonstrate would result in a fundamental alteration in its nature; or

(c) With respect to any other non-employment program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity. Essential eligibility requirements include stated eligibility requirements such as income as well as other explicit or implicit requirements inherent in the nature of the program or activity, such as requirements that an occupant of multifamily housing be capable of meeting the recipient's selection criteria and be capable of complying with all obligations of occupancy with or without supportive services provided by persons other than the recipient. For example, a chronically mentally ill person whose particular condition poses a significant risk of substantial interference with the safety or enjoyment of others or with his or her own health or safety in the absence of necessary supportive services may be qualified for occupancy in a project where such supportive services are provided by the recipient.

(b)(1) A recipient, in providing any housing, aid, benefit, or service in a program or activity that receives Federal financial assistance from the Department may not, directly or through contractual, licensing, or other arrangements, solely on the basis of handicap:

(i) Deny a qualified individual with handicaps the opportunity to participate in, or benefit from, the housing, aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in, or benefit from, the housing, aid, benefit, or service that is not as effective in affording the individual an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iii) Provide a qualified individual with handicaps with any housing, aid, benefit, or service that is not as effective in affording the individual an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate housing, aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps from that provided to others unless such action is necessary to provide qualified individuals with handicaps with housing, aid, benefits, or services that are as effective as those provided to others.

(v) Aid or perpetuate discrimination against a qualified individual with handicaps by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any housing, aid, benefit, or service to beneficiaries in the recipient's federally assisted program or activity;

(vi) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vii) Deny a dwelling to an otherwise qualified buyer or renter because of a handicap of that buyer or renter or a person residing in or intending and eligible to reside in that dwelling after it is sold, rented or made available; or

(viii) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by other qualified individuals receiving the housing, aid, benefit, or service.
(2) For purposes of this part, housing, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for individuals with handicaps and non-handicapped persons, but must afford individuals with handicaps equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

(3) A recipient may not deny a qualified individual with handicaps the opportunity to participate in any federally assisted program or activity that is not separate or different despite the existence of permissibly separate or different programs or activities.

(4) In any program or activity receiving Federal financial assistance from the Department, a recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would:

(i) Subject qualified individuals with handicaps to discrimination solely on the basis of handicap;

(ii) Defeat or substantially impair the accomplishment of the objectives of the recipient's federally assisted program or activity for qualified individuals with a particular handicap involved in the program or activity, unless the recipient can demonstrate that the criteria or methods of administration are manifestly related to the accomplishment of an objective of a program or activity; or

(iii) Perpetuate the discrimination of another recipient if both recipients are agencies of the same State.

(5) In determining the site or location of a federally assisted facility, an applicant for assistance or a recipient may not make selections the purpose or effect of which would:

(i) Exclude qualified individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under, any program or activity that receives Federal financial assistance from the Department, or

(ii) Defeat or substantially impair the accomplishment of the objectives of the program or activity with respect to qualified individuals with handicaps.

(6) As used in this section, the housing, aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any housing, aid, benefit, or service provided in or through a facility that has been constructed, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

(c)(1) Non-handicapped persons may be excluded from the benefits of a program if the program is limited by Federal statute or executive order to individuals with handicaps. A specific class of individuals with handicaps may be excluded from a program if the program is limited by Federal statute or Executive order to a different class of individuals.

(2) Certain Department programs operate under statutory definitions of handicapped persons that are more restrictive than the definition of individual with handicaps contained in § 8.3 (see appendix B). Those definitions are not superseded or otherwise affected by this regulation.

(d) Recipients shall administer programs and activities receiving Federal financial assistance in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

(e) The obligation to comply with this part is not obviated or alleviated by any State or local law or other requirement that, based on handicap, imposes inconsistent or contradictory prohibitions or limits upon the eligibility of qualified individuals with handicaps to receive services or to practice any occupation or profession.

(f) The enumeration of specific forms of prohibited discrimination in paragraphs (b) through (e) of this section does not limit the general prohibition in paragraph (a) of this section.

§ 8.5 [Reserved]

§ 8.6 Communications.

(a) The recipient shall take appropriate steps to ensure effective communication with applicants, beneficiaries, and members of the public.

(1) The recipient shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps
§ 8.10 General prohibitions against employment discrimination.

(a) No qualified individual with handicaps shall, solely on the basis of handicap, be subjected to discrimination in employment under any program or activity that receives Federal financial assistance from the Department.

(b) A recipient may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(c) The prohibition against discrimination in employment applies to the following activities:
   (1) Recruitment, advertising, and the processing of applications for employment;
   (2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, injury or illness, and rehiring;
   (3) Rates of pay or any other form of compensation and changes in compensation;
   (4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;
   (5) Leaves of absence, sick leave, or any other leave;
   (6) Fringe benefits available by virtue of employment, whether or not administered by the recipient;
   (7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence for training;
   (8) Employer sponsored activities, including social or recreational programs; and
   (9) Any other term, condition, or privilege of employment.

(d) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified applicants with handicaps or employees with handicaps to discrimination prohibited by this subpart. The relationships referred to in this paragraph (d) include relationships with employment and referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the recipient, and organizations providing training and apprenticeship programs.

§ 8.11 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified applicant with handicaps or employee with handicaps, unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program.
Office of the Secretary, HUD

§ 8.13

(b) Reasonable accommodation may include:

(1) Making facilities used by employees accessible to and usable by individuals with handicaps and

(2) Job restructuring, job relocation, part-time or modified work schedules, acquisitions or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(c) In determining, under paragraph (a) of this section, whether an accommodation would impose an undue hardship on the operation of a recipient's program, factors to be considered include:

(1) The overall size of the recipient's program with respect to number of employees, number and type of facilities, and size of budget;

(2) The type of the recipient's operation, including the composition and structure of the recipient's workforce; and

(3) The nature and cost of the accommodation needed.

(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

§ 8.12 Employment criteria.

(a) A recipient may not use any employment test or other selection criterion that screens out or tends to screen out individuals with handicaps or any class of individuals with handicaps unless:

(1) The recipient demonstrates that the test score or other selection criterion, as used by the recipient, is job-related for the position in question; and

(2) The appropriate HUD official demonstrates that alternative job-related tests or criteria that tend to screen out fewer individuals with handicaps are unavailable.

(b) A recipient shall select and administer tests concerning employment to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's job skills, aptitude, or whatever other factor the test purports to measure, rather than the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

§ 8.13 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not make a preemployment inquiry or conduct a preemployment medical examination of an applicant to determine whether the applicant is an individual with handicaps or the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is undertaking affirmative action efforts, voluntary or otherwise, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped, if the following conditions are met:

(1) The recipient states clearly on any written questionnaire used for this purpose, or makes clear orally if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations, or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential (as provided in paragraph (d) of this section), that refusal to provide the information will not subject the applicant or employee to any adverse treatment, and that the information will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted before the employee's entrance on duty if all entering employees in that category of job classification must take such an examination regardless of handicap, and the results of such examination are used only in accordance with the requirements of this part.
(d) Information obtained under this section concerning the medical condition or history of the applicant is to be collected and maintained on separate forms that are accorded confidentiality as medical records, except that:

(1) Supervisors and managers may be informed of restrictions on the work or duties of individuals with handicaps and informed of necessary accommodations;

(2) First aid and safety personnel may be informed if the condition might require emergency treatment; and

(3) Government officials investigating compliance with section 504 shall be provided relevant information upon request.

Subpart C—Program Accessibility

§ 8.20 General requirement concerning program accessibility.

Except as otherwise provided in §§8.21(c)(1), 8.24(a), 8.25, and 8.31, no qualified individual with handicaps shall, because a recipient's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance.

§ 8.21 Non-housing facilities.

(a) New construction. New non-housing facilities shall be designed and constructed to be readily accessible to and usable by individuals with handicaps. For purposes of this paragraph, the phrase to the maximum extent feasible shall not be interpreted as requiring that a recipient make a non-housing facility, or element thereof, accessible if doing so would impose undue financial and administrative burdens on the operation of the recipient's program or activity.

(b) Alterations to facilities. Alterations to existing non-housing facilities shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with handicaps. For purposes of this paragraph, the phrase to the maximum extent feasible shall not be interpreted as requiring that a recipient make a non-housing facility, or element thereof, accessible if doing so would impose undue financial and administrative burdens on the operation of the recipient's program or activity.

(c) Existing non-housing facilities—(1) General. A recipient shall operate each non-housing program or activity receiving Federal financial assistance so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(i) Necessarily require a recipient to make each of its existing non-housing facilities accessible to and usable by individuals with handicaps;

(ii) In the case of historic preservation programs or activities, require the recipient to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(iii) Require a recipient to take any action that it can demonstrate would result in a fundamental alteration in the nature of its program or activity or in undue financial and administrative burdens. If an action would result in such an alteration or such burdens, the recipient shall take any action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(2) Methods—(1) General. A recipient may comply with the requirements of this section in its programs and activities receiving Federal financial assistance through such means as location of programs or services to accessible facilities or accessible portions of facilities, assignment of aides to beneficiaries, home visits, the addition or redesign of equipment (e.g., appliances or furnishings) changes in management policies or procedures, acquisition or construction of additional facilities, or alterations to existing facilities on a selective basis, or any other methods that result in making its program or activity accessible to individuals with handicaps. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. In choosing among available methods for meeting the requirements of this section, the recipient shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(ii) Historic preservation programs or activities. In meeting the requirements of §8.21(c) in historic preservation programs or activities, a recipient shall give priority to methods that provide
physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §8.21(c)(i)(ii) or (iii), alternative methods of achieving program accessibility include using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible; assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or adopting other innovative methods.

(3) Time period for compliance. The recipient shall comply with the obligations established under this section within sixty days of July 11, 1988, except that where structural changes in facilities are undertaken, such changes shall be made within three years of July 11, 1988, but in any event as expeditiously as possible.

(4) Transition plan. If structural changes to non-housing facilities will be undertaken to achieve program accessibility, a recipient shall develop, within six months of July 11, 1988, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including individuals with handicaps or organizations representing individuals with handicaps. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(i) Identify physical obstacles in the recipient’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(ii) Describe in detail the methods that will be used to make the facilities accessible;

(iii) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(iv) Indicate the official responsible for implementation of the plan; and

(v) Identify the persons or groups with whose assistance the plan was prepared.

§ 8.22 New construction—housing facilities.

(a) New multifamily housing projects (including public housing and Indian housing projects as required by §8.25) shall be designed and constructed to be readily accessible to and usable by individuals with handicaps.

(b) Subject to paragraph (c) of this section, a minimum of five percent of the total dwelling units or at least one unit in a multifamily housing project, whichever is greater, shall be made accessible for persons with mobility impairments. A unit that is on an accessible route and is adaptable and otherwise in compliance with the standards set forth in §8.32 is accessible for purposes of this section. An additional two percent of the units (but not less than one unit) in such a project shall be accessible for persons with hearing or vision impairments.

(c) HUD may prescribe a higher percentage or number than that prescribed in paragraph (b) of this section for any area upon request therefor by any affected recipient or by any State or local government or agency thereof based upon demonstration to the reasonable satisfaction of HUD of a need for a higher percentage or number, based on census data or other available current data (including a currently effective Housing Assistance Plan or Comprehensive Homeless Assistance Plan), or in response to evidence of a need for a higher percentage or number received in any other manner. In reviewing such request or otherwise assessing the existence of such needs, HUD shall take into account the expected needs of eligible persons with and without handicaps.

[53 FR 20233, June 2, 1988, as amended at 56 FR 920, Jan. 9, 1991]
§ 8.23 Alterations of existing housing facilities.

(a) Substantial alteration. If alterations are undertaken to a project (including a public housing project as required by §8.25(a)(2)) that has 15 or more units and the cost of the alterations is 75 percent or more of the replacement cost of the completed facility, then the provisions of §8.22 shall apply.

(b) Other alterations. (1) Subject to paragraph (b)(2) of this section, alterations to dwelling units in a multifamily housing project (including public housing) shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with handicaps. If alterations of single elements or spaces of a dwelling unit, when considered together, amount to an alteration of a dwelling unit, the entire dwelling unit shall be made accessible. Once five percent of the dwelling units in a project are readily accessible to and usable by individuals with mobility impairments, then no additional elements of dwelling units, or entire dwelling units, are required to be accessible under this paragraph. Alterations to common areas or parts of facilities that affect accessibility of existing housing facilities shall, to the maximum extent feasible, be made to be accessible to and usable by individuals with handicaps. For purposes of this paragraph, the phrase to the maximum extent feasible shall not be interpreted as requiring that a recipient (including a PHA) make a dwelling unit, common area, facility or element thereof accessible if doing so would impose undue financial and administrative burdens on the operation of the multifamily housing project.

(2) HUD may prescribe a higher percentage or number than that prescribed in paragraph (b)(1) of this section for any area upon request therefor by any affected recipient or by any State or local government or agency thereof based upon demonstration to the reasonable satisfaction of HUD of a need for a higher percentage or number, based on census data or other available current data (including a currently effective Housing Assistance Plan or Comprehensive Homeless Assistance Plan), or in response to evidence of a need for a higher percentage or number received in any other manner. In reviewing such request or otherwise assessing the existence of such needs, HUD shall take into account the expected needs of eligible persons with and without handicaps.

§ 8.24 Existing housing programs.

(a) General. A recipient shall operate each existing housing program or activity receiving Federal financial assistance so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require a recipient to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) Require a recipient to take any action that it can demonstrate would result in a fundamental alteration in the nature of its program or activity or in undue financial and administrative burdens. If an action would result in such an alteration or such burdens, the recipient shall take any action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods. A recipient may comply with the requirements of this section through such means as reassignment of services to accessible buildings, assignment of aides to beneficiaries, provision of housing or related services at alternate accessible sites, alteration of existing facilities and construction of new facilities, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. A recipient is not required to make structural changes in existing housing facilities where other methods are effective in achieving compliance with this section or to provide supportive services that are not part of the program. In choosing among available methods for meeting the requirements of this section, the recipient shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.
(c) Time period for compliance. The recipient shall comply with the obligations established under this section within sixty days of July 11, 1988 except that—

(1) In a public housing program where structural changes in facilities are undertaken, such changes shall be made within the timeframes established in §8.25(c).

(2) In other housing programs, where structural changes in facilities are undertaken, such changes shall be made within three years of July 11, 1988, but in any event as expeditiously as possible.

(d) Transition plan and time period for structural changes. Except as provided in §8.25(c), in the event that structural changes to facilities will be undertaken to achieve program accessibility, a recipient shall develop, within six months of July 11, 1988, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including individuals with handicaps or organizations representing individuals with handicaps. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the recipient’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the official responsible for implementation of the plan; and

(5) Identify the persons or groups with whose assistance the plan was prepared.

§ 8.26 Distribution of accessible dwelling units.

Accessible dwelling units required by §8.22, 8.23, 8.24 or 8.25 shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites and shall be available in a sufficient range of sizes and amenities so that a qualified individual with handicaps’ choice of living arrangements is, as a whole, comparable to that of other persons eligible for housing assistance under the same program. This provision shall not be construed to require provision of an elevator in any multifamily housing project solely for the purpose of permitting location of accessible units above or below the accessible grade level.

§ 8.27 Occupancy of accessible dwelling units.

(a) Owners and managers of multifamily housing projects having accessible units shall adopt suitable means to assure that information regarding the availability of accessible units reaches eligible individuals with handicaps, and shall take reasonable non-discriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of the particular unit. To this end, when an accessible unit becomes vacant, the owner or manager before offering such units to a non-handicapped applicant shall offer such unit:

(1) Identify physical obstacles in the PHA’s facilities (e.g., dwelling units and common areas) that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the PHA’s facilities accessible. A PHA may, if necessary, provide in its plan that it will seek HUD approval, under 24 CFR part 968, of a comprehensive modernization program to meet the needs of eligible individuals with handicaps;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the official responsible for implementation of the plan; and

(5) Identify the persons or groups with whose assistance the plan was prepared.

§ 8.30 Rental rehabilitation program.

Each grantee or state recipient in the rental rehabilitation program shall, subject to the priority in 24 CFR 511.10(l) and in accordance with other requirements in 24 CFR part 511, give priority to the selection of projects that will result in dwelling units being readily accessible to and usable by persons with disabilities.

(b) In order to ensure that participating owners do not discriminate in the recipient’s federally assisted program, a recipient shall enter into a HUD-approved contract with participating owners, which contract shall include necessary assurances of nondiscrimination.

§ 8.29 Homeownership programs (sections 235(i) and 235(j), Turnkey III and Indian Housing Mutual Self-Help programs).

Any housing units newly constructed or rehabilitated for purchase or single family (including semi-attached and attached) units to be constructed or rehabilitated in a program or activity receiving Federal financial assistance shall be made accessible upon request of the prospective buyer if the nature of the handicap of an expected occupant so requires. In such case, the buyer shall consult with the seller or builder/sponsor regarding the specific design features to be provided. If accessibility features selected at the option of the homebuyer are ones covered by the standards prescribed by § 8.32, those features shall comply with the standards prescribed in § 8.32. The buyer shall be permitted to depart from particular specifications of these standards in order to accommodate his or her specific handicap. The cost of making a facility accessible under this paragraph may be included in the mortgage amount within the allowable mortgage limits, where applicable. To the extent such costs exceed allowable mortgage limits, they may be passed on to the prospective homebuyer, subject to maximum sales price limitations (see 24 CFR 235.320.)

§ 8.28 Housing certificate and housing voucher programs.

(a) In carrying out the requirements of this subpart, a recipient administering a Section 8 Existing Housing Certificate program or a housing voucher program shall:

(1) In providing notice of the availability and nature of housing assistance for low-income families under program requirements, adopt suitable means to assure that the notice reaches eligible individuals with handicaps;

(2) In its activities to encourage participation by owners, include encouragement of participation by owners having accessible units;

(3) When issuing a Housing Certificate or Housing Voucher to a family which includes an individual with handicaps include a current listing of available accessible units known to the PHA and, if necessary, otherwise assist the family in locating an available accessible dwelling unit;

(4) Take into account the special problem of ability to locate an accessible unit when considering requests by eligible individuals with handicaps for extensions of Housing Certificates or Housing Vouchers; and

(5) If necessary as a reasonable accommodation for a person with disabilities, approve a family request for an exception rent under § 982.504(b)(2) for a regular tenancy under the Section 8 certificate program so that the program is readily accessible to and usable by persons with disabilities.

(b) When offering an accessible unit to an applicant not having handicaps requiring the accessibility features of the unit, the owner or manager may require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible unit when available.

§ 8.30 Rental rehabilitation program.

Each grantee or state recipient in the rental rehabilitation program shall, subject to the priority in 24 CFR 511.10(l) and in accordance with other requirements in 24 CFR part 511, give priority to the selection of projects that will result in dwelling units being readily accessible to and usable by persons with disabilities.

(b) In order to ensure that participating owners do not discriminate in the recipient’s federally assisted program, a recipient shall enter into a HUD-approved contract with participating owners, which contract shall include necessary assurances of nondiscrimination.

§ 8.31 Historic properties.

If historic properties become subject to alterations to which this part applies the requirements of §8.32 of this part shall apply, except in the case of the Urban Development Action Grant (UDAG) program. In the UDAG program the requirements of 36 CFR part 801 shall apply. Accessibility to historic properties subject to alterations need not be provided if such accessibility would substantially impair the significant historic features of the property or result in undue financial and administrative burdens.

§ 8.32 Accessibility standards.

(a) Effective as of July 11, 1988, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (UFAS) shall be deemed to comply with the requirements of §§8.21, 8.22, 8.23, and 8.25 with respect to those buildings. Departures from particular technical and scoping requirements of the UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided. The alteration of housing facilities shall also be in conformance with additional scoping requirements contained in this part. Persons interested in obtaining a copy of the UFAS are directed to §40.7 of this title.

(b) For purposes of this section, section 4.1.6(3)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of individuals with physical handicaps.

(c) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

(d) For purposes of this section, section 4.1.4(11) of UFAS may not be used to waive or lower the minimum of five percent accessible units required by §8.22(b) or to apply the minimum only to projects of 15 or more dwelling units.

(e) Except as otherwise provided in this paragraph, the provisions of §§8.21 (a) and (b), 8.22 (a) and (b), 8.23, 8.25(a) (1) and (2), and 8.29 shall apply to facilities that are designed, constructed or altered after July 11, 1988. If the design of a facility was commenced before July 11, 1988, the provisions shall be followed to the maximum extent practicable, as determined by the Department. For purposes of this paragraph, the date a facility is constructed or altered shall be deemed to be the date bids for the construction or alteration of the facility are solicited. For purposes of the Urban Development Action Grant (UDAG) program, the provisions shall apply to the construction or alteration of facilities that are funded under applications submitted after July 11, 1988. If the UDAG application was submitted before July 11, 1988, the provisions shall apply, to the maximum extent practicable, as determined by the Department.

[53 FR 20233, June 2, 1988, as amended at 61 FR 5203, Feb. 9, 1996]

§ 8.33 Housing adjustments.

A recipient shall modify its housing policies and practices to ensure that these policies and practices do not discriminate, on the basis of handicap, against a qualified individual with handicaps. The recipient may not impose upon individuals with handicaps other policies, such as the prohibition of assistive devices, auxiliary alarms, or guides in housing facilities, that have the effect of limiting the participation of tenants with handicaps in the recipient’s federally assisted housing program or activity in violation of this part. Housing policies that the recipient can demonstrate are essential to the housing program or activity will not be regarded as discriminatory within the meaning of this section if modifications to them would result in a fundamental alteration in the nature of the program or activity or undue financial and administrative burdens.
Subpart D—Enforcement

§ 8.50 Assurances required.

(a) Assurances. An applicant for Federal financial assistance for a program or activity to which this part applies shall submit an assurance to HUD, or in the case of a subrecipient to a primary recipient, on a form specified by the responsible civil rights official, that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) Duration of obligation. (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(c) Covenants. (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as he or she deems appropriate, agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

§ 8.52 Remedial and affirmative action.

(a) Remedial action. (1) If the responsible civil rights official finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the responsible civil rights official deems necessary to overcome the effects of the discrimination.

(2) The responsible civil rights official may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action—

(i) With respect to individuals with handicaps who are no longer participants in the program but who were participants in the program when such discrimination occurred or

(ii) With respect to individuals with handicaps who would have been participants in the program had the discrimination not occurred.

(b) Voluntary action. A recipient may take nondiscriminatory steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity by qualified individuals with handicaps.

§ 8.53 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) Adoption of grievance procedures. A recipient that employees fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to housing covered by this part.

§ 8.54 Notice.

(a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its federally assisted programs and activities. The notification shall also include an identification of the responsible employee designated pursuant to §8.53. A recipient shall make the initial notification required by this paragraph within 90 days of July 11, 1988. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publications, and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

(c) The recipient shall ensure that members of the population eligible to be served or likely to be affected directly by a federally assisted program who have visual or hearing impairments are provided with the information necessary to understand and participate in the program. Methods for ensuring participation include, but are not limited to, qualified sign language and oral interpreters, readers, or the use of taped and Braille materials.

§ 8.55 Compliance information.

(a) Cooperation and assistance. The responsible civil rights official and the award official shall, to the fullest extent practicable, seek the cooperation of recipients in obtaining compliance
with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each recipient shall keep such records and submit to the responsible civil rights official or his or her designee timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the responsible civil rights official or his or her designee may determine to be necessary to enable him or her to ascertain whether the recipient has complied or is complying with this part. In general, recipients should have available for the Department data showing the extent to which individuals with handicaps are beneficiaries of federally assisted programs.

(c) Access to sources of information. Each recipient shall permit access by the responsible civil rights official during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities, as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution, or person and this agency, institution, or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program or activity under which the recipient receives Federal financial assistance, and make such information available to them in such manner as the responsible civil rights official finds necessary to apprise such persons of the protections against discrimination assured them by this part.

(Approved by the Office of Management and Budget under control number 2529-0034)

§ 8.56 Conduct of investigations.

(a) Periodic compliance reviews. The responsible civil rights official or designee may periodically review the practices of recipients to determine whether they are complying with this part and where he or she has a reasonable basis to do so may conduct on-site reviews. Such basis may include any evidence that a problem exists or that programmatic matters exist that justify on-site investigation in selected circumstances. The responsible civil rights official shall initiate an on-site review by sending to the recipient a letter advising the recipient of the practices to be reviewed; the programs affected by the review; and the opportunity, at any time prior to receipt of a final determination, to make a documentary or other submission that explains, validates, or otherwise addresses the practices under review. In addition, each award official shall include in normal program compliance reviews and monitoring procedures appropriate actions to review and monitor compliance with general or specific program requirements designed to effectuate the requirements of this part.

(b) Investigations. The responsible civil rights official shall make a prompt investigation whenever a compliance review, report, complaint or any other information indicates a possible failure to comply with this part.

(c) Filing a complaint—(1) Who may file. Any other complaint shall be deemed filed on the date it is received by the Department.

(6) Amendments of complaints. Complaints may be reasonably and fairly amended at any time. Amendments to complaints such as clarification and amplification of allegations in a complaint or the addition of other recipients may be made at any time during the pendency of the complaint and any amendment shall be deemed to be made as of the original filing date.

(d) Notification. The responsible civil rights official will notify the complainant and the recipient of the agency’s receipt of the complaint within ten (10) calendar days.

(e) Complaint processing procedures. After acknowledging receipt of a complaint, the responsible civil rights official will immediately initiate complaint processing procedures.

(1) Preliminary investigation.

(ii) If the complaint is accepted, the responsible civil rights official will notify the complainant and the award official. The responsible civil rights official will also notify the applicant or recipient complained against of the allegations and give the applicant or recipient an opportunity to make a written submission responding to, rebutting, or denying the allegations raised in the complaint.

(iii) The party complained against may send the responsible civil rights official a response to the notice of complaint within thirty (30) calendar days of receiving it. With leave of the responsible civil rights official, an answer may be amended at any time. The responsible civil rights official will permit answers to be amended for good cause shown.

(2) Informal resolution. In accordance with paragraph (i) of this section, the responsible civil rights official shall attempt to resolve complaints informally whenever possible.

(f) Dismissal of complaint. If the investigation reveals no violation of this part, the responsible civil rights official will dismiss the complaint and notify the complainant and recipient.

(g) Letter of findings. If an informal resolution of the complaint is not reached the responsible civil rights official or his or her designee shall, within 180 days of receipt of the complaint, notify the recipient and the complainant (if any) of the results of the investigation in a letter sent by certified mail, return receipt requested, containing the following:

(1) Preliminary findings of fact and a preliminary finding of compliance or noncompliance;

(2) A description of an appropriate remedy for each violation believed to exist;

(3) A notice that a copy of the Final Investigative Report of the Department will be made available, upon request, to the recipient and the complainant (if any); and

(4) A notice of the right of the recipient and the complainant (if any) to request a review of the letter of findings by the reviewing civil rights official.

(h) Right to review of the letter of findings. (1) A complainant or recipient may request that a complete review be made of the letter of findings within 30 days of receipt, by mailing or delivering to the reviewing civil rights official, Office of Fair Housing and Equal Opportunity, Department of Housing and Urban Development, Washington, DC 20410.

(2) The responsible civil rights official, at his or her discretion, will respond to the request for review. The responsible civil rights official will respond to the request for review within 30 days of receipt of the request.

(3) If the responsible civil rights official grants the request for review, he or she will provide a copy of the Final Investigative Report of the Department to the reviewing civil rights official.

(4) The reviewing civil rights official will complete the review of the letter of findings within 90 days of receipt of the Final Investigative Report of the Department.

(5) A copy of the Final Investigative Report of the Department will be made available, upon request, to the recipient and the complainant (if any).

(6) If the reviewing civil rights official determines that the letter of findings is incorrect, the reviewing civil rights official will correct the letter of findings and provide a copy of the corrected letter of findings to the recipient and the complainant (if any).
(2) The reviewing civil rights official shall send by certified mail, return receipt requested, a copy of the request for review to the other party, if any. Such other party shall have 20 days to respond to the request for review.

(3) The reviewing civil rights official shall either sustain or modify the letter of findings within 60 days of the request for review. The reviewing civil rights official’s decision shall constitute the formal determination.

(4) If neither party requests that the letter of findings be reviewed, the responsible civil rights official shall, within fourteen (14) calendar days of the expiration of the time period in paragraph (h)(1) of this section, send a formal written determination of compliance or noncompliance to the recipient and copies to the award official.

(i) Voluntary compliance time limits. The recipient will have ten (10) calendar days from receipt of the formal determination of noncompliance within which to come into voluntary compliance. If the recipient fails to meet this deadline, HUD shall proceed under § 8.57.

(j) Informal resolution/voluntary compliance—(1) General. It is the policy of the Department to encourage the informal resolution of matters. The responsible civil rights official may attempt to resolve a matter through informal means at any stage of processing. A matter may be resolved by informal means at any time. If a letter of findings making a preliminary finding of noncompliance is issued, the responsible civil rights official shall attempt to resolve the matter by informal means.

(2) Objectives of informal resolution/voluntary compliance. In attempting informal resolution, the responsible civil rights official shall attempt to achieve a just resolution of the matter and to obtain assurances where appropriate, that the recipient will satisfactorily remedy any violations of the rights of any complainant and will take such action as will assure the elimination of any violation of this part or the prevention of the occurrence of such violation in the future. The terms of such an informal resolution shall be reduced to a written voluntary compliance agreement, signed by the recipient and the responsible civil rights official, and be made part of the file for the matter. Such voluntary compliance agreements shall seek to protect the interests of the complainant (if any), other persons similarly situated, and the public interest.

(k) Intimidatory or retaliatory acts prohibited. No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by this part, or because he or she has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of investigation, hearing or judicial proceeding arising thereunder.

§ 8.57 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with this part and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, or by other means authorized by law. Such other means may include, but are not limited to:

(1) A referral to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States, or any assurance or other contractual undertaking;

This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is

under a contract which is extended or amended on or after July 11, 1988, fails or refuses to furnish an assurance required under §8.50 or otherwise fails or refuses to comply with the requirements imposed by that section, Federal financial assistance may be refused under paragraph (c) of this section. The Department is not required to provide assistance during the pendency of the administrative proceeding under such paragraph (c), except where the assistance is due and payable under a contract approved before July 11, 1988.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until:

1. The responsible civil rights official has advised the applicant or recipient of its failure to comply and has determined that compliance cannot be secured by voluntary means;

2. There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed under this part;

3. The action has been approved by the Secretary; and

4. The expiration of 30 days after the Secretary has filed with the committees of the House and Senate having legislative jurisdiction over the program or activity involved a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate, or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Notice to State or local government. Whenever the Secretary determines that a State or unit of general local government which is a recipient of Federal financial assistance under title I of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301-5318) has failed to comply with a requirement of this part with respect to a program or activity funded in whole or in part with such assistance, the Secretary shall notify the Governor of the State or the chief executive officer of the unit of general local government of the noncompliance and shall request the Governor or the chief executive officer to secure compliance. The notice shall be given at least sixty days before:

1. An order suspending, terminating, or refusing to grant or continue Federal financial assistance becomes effective under paragraph (c) of this section; or

2. Any action to effect compliance by any other means authorized by law is taken under paragraph (a) of this section.

(e) Other means authorized by law. No action to effect compliance by any other means authorized by law shall be taken until:

1. The responsible civil rights official has determined that compliance cannot be secured by voluntary means;

2. The recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance; and

3. At least 10 days have elapsed since the mailing of such notice to the applicant or recipient. During this period, additional efforts shall be made to persuade the applicant or recipient to comply with this part and to take such corrective action as may be appropriate.

However, this paragraph shall not be construed to prevent an award official from utilizing appropriate procedures and sanctions established under the program to assure or secure compliance with a specific requirement of the program designed to effectuate the objectives of this part.

[53 FR 20233, June 2, 1988; 53 FR 28115, July 26, 1988]

(1) Fix a date not less than 20 days after the date of the notice for the applicant or recipient to request the administrative law judge to schedule a hearing, or

(2) Advise the applicant or recipient that the matter has been scheduled for hearing at a stated time and place. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set is a waiver of the right to a hearing under §8.57(c) and consent to the making of a decision on the basis of available information.

(b) Hearing procedures. Hearings shall be conducted in accordance with 24 CFR part 180.

§ 9.102 Applicability.

This part applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with disabilities in the United States.

§ 9.103 Definitions.

For purposes of this part:

The phrase “accessible to and usable by” is synonymous with accessible.

(2) When used with respect to the design, construction, or alteration of an individual dwelling unit, means that the unit is located on an accessible route and, when designed, constructed, altered or adapted, complies with applicable accessibility standards, and can be approached, entered, and used by individuals with physical disabilities. Agency means the Department of Housing and Urban Development.

Alteration means a change to a building or facility or its permanent fixture or equipment that affects or could affect the usability of the building or facility or part thereof. (iii) Nothing in paragraph (2) of this definition shall be construed to encourage, prohibit, restrict or authorize the conduct of testing for illegal use of drugs.

such information available to such per-
sons in such manner as the Secretary
finds necessary to apprise them of the
protections against discrimination as-
serted them by section 504 and this part.

rials distributed to participants, bene-
§ 9.130 General prohibitions against
discrimination.
(a) No qualified individual with dis-
abilities shall, on the basis of dis-
ability, be excluded from participation
in, be denied the benefits of, or other-
wise be subjected to discrimination
under any program or activity con-
ducted by the agency.
(b)(1) The agency, in providing any
housing, aid, benefit, or service, may
not, directly or through contractual,
licensing, or other arrangements, on
the basis of disability—
(i) Deny a qualified individual with
disabilities the opportunity to partici-
pate in or benefit from the housing,
aid, benefit, or service;
(ii) Afford a qualified individual with
disabilities an opportunity to partici-
pate in or benefit from the housing,
aid, benefit, or service that is not equal
to that afforded others;
(iii) Provide a qualified individual
with disabilities with any housing, aid,
benefit, or service that is not as effec-
tive in affording equal opportunity to
obtain the same result, to gain the
same benefit, or to reach the same
level of achievement as that provided
to others;
(iv) Provide different or separate
housing, aid, benefits, or services to in-
dividuals with disabilities or to any
class of individuals with disabilities
than is provided to others unless such
action is necessary to provide qualified
individuals with disabilities with hous-
ing, aid, benefits, or services that are
as effective as those provided to others;
(v) Deny a qualified individual with
disabilities the opportunity to partici-
pate as a member of planning or advi-
sory boards;
(vi) Deny a dwelling to an otherwise
qualified buyer or renter because of a
disability of that buyer or renter or a
§ 9.131 Direct threat.

(a) This part does not require the agency to permit an individual to participate in, or benefit from the goods, services, facilities, privileges, advantages and accommodations of that person residing in or intending to reside in that dwelling after it is sold, rented or made available; or

(vii) Otherwise limit a qualified individual with disabilities in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the housing, aid, benefit, or service.

(2) For purposes of this part, housing, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for individuals with disabilities and for persons without disabilities, but must afford individuals with disabilities equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

(3) The agency may not deny a qualified individual with disabilities the opportunity to participate in programs or activities that are not separate or different, despite the existence of programs or activities that are permisibly separate or different for persons with disabilities.

(4) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would:

(i) Subject qualified individuals with disabilities to discrimination on the basis of disability; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with disabilities.

(5) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would:

(i) Exclude individuals with disabilities from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with disabilities.

(6) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with disabilities to discrimination on the basis of disability.

(7) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with disabilities to discrimination on the basis of disability, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with disabilities to discrimination on the basis of disability. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(8) Notwithstanding any other provision of this part, persons without disabilities may be excluded from the benefits of a program if the program is limited by Federal statute or Executive order to individuals with disabilities. A specific class of individuals with disabilities may be excluded from a program if the program is limited by Federal statute or Executive order to a different class of individuals.

(9) Certain agency programs operate under statutory definitions of “persons with disabilities” that are more restrictive than the definition of “individual with disabilities” contained in §9.103. Those definitions are not superseded or otherwise affected by this regulation.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with disabilities.

(e) The obligation to comply with this part is not obviated or alleviated by any State or local law or other requirement that, based on disability, imposes inconsistent or contradictory prohibitions or limits upon the eligibility of qualified individuals with disabilities to receive services or to practice any occupation or profession.

(f) The enumeration of specific forms of prohibited discrimination in paragraphs (b) and (d) of this section does not limit the general prohibition in paragraph (a) of this section.

§ 9.131 Direct threat.

(a) This part does not require the agency to permit an individual to participate in, or benefit from the goods, services, facilities, privileges, advantages and accommodations of that person residing in or intending to reside in that dwelling after it is sold, rented or made available; or

(vii) Otherwise limit a qualified individual with disabilities in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the housing, aid, benefit, or service.

(2) For purposes of this part, housing, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for individuals with disabilities and for persons without disabilities, but must afford individuals with disabilities equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

(3) The agency may not deny a qualified individual with disabilities the opportunity to participate in programs or activities that are not separate or different, despite the existence of programs or activities that are permisibly separate or different for persons with disabilities.

(4) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would:

(i) Subject qualified individuals with disabilities to discrimination on the basis of disability; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with disabilities.

(5) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would:

(i) Exclude individuals with disabilities from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with disabilities.

(6) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with disabilities to discrimination on the basis of disability.
agency when that individual poses a direct threat to the health or safety of others.

(b) “Direct threat” means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices, or procedures, or by the provision of auxiliary aids or services.

(c) In determining whether an individual poses a direct threat to the health or safety of others, the agency must make an individualized assessment, based on reasonable judgment that relies on current medical knowledge or on the best available objective evidence to ascertain: the nature, duration, and severity of the risk; the probability that the potential injury will actually occur; and whether reasonable modifications of policies, practices, or procedures will mitigate the risk.

§§ 9.132—9.139 [Reserved]

§ 9.140 Employment.

No qualified individual with disabilities shall, on the basis of disability, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613 (subpart G), shall apply to employment in federally conducted programs or activities.

§§ 9.141—9.148 [Reserved]

§ 9.149 Program accessibility: discrimination prohibited.

Except as otherwise provided in §9.150, no qualified individual with disabilities shall, because the agency’s facilities are inaccessible to or unusable by individuals with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 9.150 Program accessibility: existing facilities.

(a) General. Except as otherwise provided in paragraph (e) of this section, the agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with disabilities. This section does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with disabilities;

(2) In the case of historic properties, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §9.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Secretary or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with disabilities receive the benefits and services of the program or activity.

(b) Methods. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals...
with disabilities. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, also shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151 through 4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with disabilities in the most integrated setting appropriate.

(c) Time period for compliance. The agency shall comply with the obligations established under this section within sixty days of July 18, 1994 except that where structural changes in facilities are undertaken, such changes shall be made within three years of July 18, 1994, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, within six months of July 18, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with disabilities or organizations representing individuals with disabilities, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with disabilities;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

(e) The requirements of paragraphs (a), (b), and (c) of this section shall apply to the Property Disposition Programs. However, this section does not require HUD to make alterations to existing facilities that are part of the Property Disposition Programs unless such alterations are necessary to meet the needs of a current or prospective tenant during the time when HUD expects to retain legal possession of the facilities, and there is no alternative method to meet the needs of that current or prospective tenant. Nothing in this section shall be construed to require alterations to make facilities accessible to persons with disabilities who are expected to occupy the facilities only after HUD relinquishes legal possession.

§ 9.151 Program accessibility: new construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered and provide emergency egress so as to be readily accessible to and usable by individuals with disabilities. The definitions, requirements, and accessibility standards that apply to buildings covered by this section are those contained in the UFAS, except where the ADAAG provides for greater accessibility for the type of construction or alteration being undertaken, and in this case, the definitions, requirements and standards of the ADAAG shall apply.

§ 9.152 Program accessibility: alterations of Property Disposition Program multifamily housing facilities.

(a) Substantial alteration. If the agency undertakes alterations to a PDP multifamily housing project that has 15 or more units and the cost of the alterations is 75 percent or more of the replacement cost of the completed facility, then the project shall be designed and altered to be readily accessible to and usable by individuals with disabilities. Subject to paragraph (c) of this section, a minimum of five percent of the total dwelling units, or at least one unit, whichever is greater, shall be
made accessible for persons with mobility impairments. A unit that is on an accessible route and is adaptable and otherwise in compliance with the standards set forth in paragraph (d) of this section is accessible for purposes of this section. An additional two percent of the units (but not less than one unit) in such a project shall be accessible for persons with hearing or vision impairments. If state or local requirements for alterations require greater action than this paragraph, those requirements shall prevail.

(b) Other alteration. (1) Subject to paragraph (c) of this section, alterations to dwelling units in a PDP multifamily housing project shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with disabilities. If alterations of single elements or spaces of a dwelling unit, when considered together, amount to an alteration of a dwelling unit, the entire dwelling unit shall be made accessible. Once five percent of the dwelling units in a project are readily accessible to and usable by individuals with mobility impairments, then no additional elements of dwelling units, or entire dwelling units, are required to be accessible under this paragraph. Once two percent of the dwelling units in a project are readily accessible to or usable by individuals with hearing or vision impairments, then no additional elements of dwelling units, or entire dwelling units, are required to be accessible under this paragraph.

(2) Alterations to common areas or parts of facilities that affect accessibility of existing housing facilities, shall, to the maximum extent feasible, be made to be accessible to and usable by individuals with disabilities.

(c) The agency may establish a higher percentage or number of accessible units than that prescribed in paragraphs (a) or (b) of this section if the agency determines that there is a need for a higher percentage or number, based on census data or other available current data. In making such a determination, HUD shall take into account the expected needs of eligible persons with and without disabilities.

(d) The definitions, requirements, and accessibility standards that apply to PDP multifamily housing projects covered by this section are those contained in the UFAS, except where the ADAAG provides for greater accessibility for the type of alteration being undertaken, and, in this case, the definitions, requirements and standards of the ADAAG shall apply.

(e) With respect to multifamily housing projects operated by HUD, but in which HUD does not have an ownership interest, alterations under this section need not be made if doing so would impose undue financial and administrative burdens on the operation of the multifamily housing project.

§ 9.153 Distribution of accessible dwelling units.

Accessible dwelling units required by §9.152 shall, to the maximum extent feasible, be distributed throughout projects and sites and shall be available in a sufficient range of sizes and amenities so that a qualified individual with disabilities' choice of living arrangements is, as a whole, comparable to that of other persons eligible for housing assistance under the same agency conducted program. This provision shall not be construed to require (but does allow) the provision of an elevator in any multifamily housing project solely for the purpose of permitting location of accessible units above or below the accessible grade level.

§ 9.154 Occupancy of accessible dwelling units.

(a) The agency shall adopt suitable means to assure that information regarding the availability of accessible units in PDP housing facilities reaches eligible individuals with disabilities, and shall take reasonable nondiscriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of the particular unit. To this end, when an accessible unit becomes vacant, the agency (or its management agent) before offering such units to an applicant without disabilities shall offer such unit:

(1) First, to a current occupant of another unit of the same project, or comparable projects under common control, having disabilities requiring the
§ 9.155 Housing adjustments.

(a) The agency shall modify its housing policies and practices as they relate to PDP housing facilities to ensure that these policies and practices do not discriminate, on the basis of disability, against a qualified individual with disabilities. The agency may not impose upon individuals with disabilities other policies, such as the prohibition of assistive devices, auxiliary aids, alarms, or guides in housing facilities, that have the effect of limiting the participation of tenants with disabilities in any agency conducted housing program or activity in violation of this part. Housing policies that the agency can demonstrate are essential to the housing program or activity will not be regarded as discriminatory within the meaning of this section if modifications would result in a fundamental alteration in the nature of the program or activity or undue financial and administrative burdens.

(b) The decision that compliance would result in such alteration or burdens must be made by the Secretary or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits and services of the program or activity.

§ 9.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(b) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with disabilities an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with disabilities. The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(ii) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with this section
§ 9.170 Compliance procedures.
(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of disability in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 under section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Responsible Official shall coordinate implementation of this section.

(d) Persons may submit complete complaints to the Assistant Secretary for Fair Housing and Equal Opportunity, 451 Seventh St., SW., Washington, DC 20410, or to any HUD Area Office. The agency shall accept and investigate all complete complaints for which the agency has jurisdiction. All complete complaints shall be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause. For purposes of determining when a complaint is filed, a complaint mailed to the agency shall be deemed filed on the date it is postmarked. Any other complaint shall be deemed filed on the date it is received by the agency. The agency shall acknowledge all complaints, in writing, within ten (10) working days of receipt of the complaint.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151 through 4157), is not readily accessible to and usable by individuals with disabilities. The agency shall delete the identity of the complainant from the copy of the complaint.

(g)(1) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the Office of Fair Housing and Equal Opportunity shall complete the investigation of the complaint, attempt informal resolution, and if no informal resolution is achieved, issue a letter of findings. If a complaint is filed against the Office of Fair Housing and Equal Opportunity, the Secretary or a designee of the Secretary shall investigate and resolve the complaint through informal agreement or letter of findings.

(2) If a complaint is resolved informally, the terms of the agreement shall be reduced to writing and made part of the complaint file, with a copy of the agreement provided to the complainant and the agency. The written agreement may include a finding on the issue of discrimination and shall describe any corrective action to which the complainant and the respondent have agreed.

(3) If a complaint is not resolved informally, the Office of Fair Housing and Equal Opportunity or a person designated under this paragraph shall notify the complainant of the results of the investigation in a letter containing—
   (i) Findings of fact and conclusions of law;
   (ii) A description of a remedy for each violation found;
   (iii) A notice of the right to appeal to the Secretary;
   (h)(1) Appeals of the findings of fact and conclusions of law or remedies
must be filed by the complainant within 90 days of receipt from the agency of the letter required by §9.170(g). The Assistant Secretary or the person designated by the Secretary to decide an appeal of a complaint filed against the Office of Fair Housing and Equal Opportunity may extend this time for good cause.

(2) Timely appeals shall be accepted and processed by the Assistant Secretary. Decisions on an appeal shall not be issued by the person who made the initial determination.

(i) The Assistant Secretary or the person designated by the Secretary to decide an appeal of a complaint filed against the Office of Fair Housing and Equal Opportunity shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the agency determines that it needs additional information from the complainant, it shall have 60 days from the date it receives the additional information to make its determination on the appeal.

(j) The time limits cited in paragraphs (g) and (i) of this section may be extended with the permission of the Assistant Attorney General.

(k) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

PART 10—RULEMAKING: POLICY AND PROCEDURES

Subpart A—General

§10.1 Policy.

It is the policy of the Department of Housing and Urban Development to provide for public participation in rulemaking with respect to all HUD programs and functions, including matters that relate to public property, loans, grants, benefits, or contracts even though such matters would not otherwise be subject to rulemaking by law or Executive policy. The Department therefore publishes notices of proposed rulemaking in the Federal Register and gives interested persons an opportunity to participate in the rulemaking through submission of written data, views, and arguments with or without opportunity for oral presentation. It is the policy of the Department that its notices of proposed rulemaking are to afford the public not less than sixty days for submission of comments. For some rules the Secretary will employ additional methods of inviting public participation. These methods include, but are not limited to, publishing Advance Notices of Proposed Rulemaking (ANPR), conducting public surveys, and convening public forums or panels. An ANPR will be used to solicit public comment early in the rulemaking process for significant rules unless the Secretary grants an exception based upon legitimate and pressing time constraints. Unless required by statute, notice and public procedure will be omitted if the Department determines in a particular case or class of cases that notice and public procedure are impracticable, unnecessary or contrary to the public interest. In a particular case, the reasons for the determination shall be stated in the rulemaking document. Notice and public procedure may also be omitted with respect to statements of policy, interpretative rules, rules governing the Department’s organization or its own internal practices or procedures, or if a statute expressly so authorizes. A final substantive rule will be published not less than 30 days before its effective date, unless it grants or recognizes an exemption or
relieves a restriction or unless the rule itself states good cause for taking effect upon publication or less than 30 days thereafter. Statements of policy and interpretative rules will usually be made effective on the date of publication.

§ 10.2 Definitions.
(a) Rule or Regulation means all or part of any Departmental statement of general or particular applicability and future effect designed to: (1) Implement, interpret, or prescribe law or policy, or (2) describe the Department’s organization, or its procedure or practice requirements. The term regulation is sometimes applied to a rule which has been published in the Code of Federal Regulations.
(b) Rulemaking means the Departmental process for considering and formulating the issuance, modification, or repeal of a rule.
(c) Secretary means the Secretary or the Under Secretary of Housing and Urban Development, or an official to whom the Secretary has expressly delegated authority to issue rules.

§ 10.3 Applicability.
(a) This part prescribes general rulemaking procedures for the issuance, amendment, or repeal of rules in which participation by interested persons is required by 5 U.S.C. or by Department policy.
(b) The authority to issue rules, delegated by the Secretary, may not be redelegated unless expressly permitted.
(c) This part is not applicable to a determination by HUD under 24 CFR part 966 (public housing) or 24 CFR part 950 (Indian housing) that the law of a jurisdiction requires that, prior to eviction, a tenant be given a hearing in court which provides the basic elements of due process (“due process determination”).

§ 10.7 Advance Notice of Proposed Rulemaking.
(a) All documents relating to rulemaking procedures including but not limited to advance notices of proposed rulemaking, notices of proposed rulemaking, written comments received in response to notices, withdrawals or terminations of proposed rulemaking, petitions for rulemaking, requests for oral argument in public participation cases, requests for extension of time, grants or denials of petitions or requests, transcripts or minutes of informal hearings, final rules and general notices are maintained in the Rules Docket Room (Room 5218), Department of Housing and Urban Development, 451 7th Street, SW., Washington, DC 20410. All public rulemaking comments should refer to the docket number which appears in the heading of the rule and should be addressed to the Rules Docket Clerk, Room 5218, Department of Housing and Urban Development, 451 7th Street, SW., Washington, DC 20410.
(b) Documents relating to rulemaking proceedings are public records. After a docket is established, any person may examine docketed material at any time during regular business hours, and may obtain a copy of any docketed material upon payment of the prescribed fee. (See part 15 of this title).
§ 10.8 Notice of proposed rulemaking.
Each notice of proposed rulemaking required by statute or by § 10.1 is published in the FEDERAL REGISTER and includes:

(a) The substance or terms of the proposed rule or a description of the subject matter and issues involved;
(b) A statement of how and to what extent interested persons may participate in the proceeding;
(c) Where participation is limited to written comments, a statement of the time within which such comments must be submitted;
(d) A reference to the legal authority under which the proposal is issued; and
(e) In a proceeding which has provided Advance Notice of Proposed Rulemaking, an analysis of the principal issues and recommendations raised by the comments, and the manner in which they have been addressed in the proposed rulemaking.

§ 10.10 Participation by interested persons.
(a) Unless the notice otherwise provides, any interested person may participate in rulemaking proceedings by submitting written data, views or arguments within the comment time stated in the notice. In addition, the Secretary may permit the filing of comments in response to original comments.
(b) In appropriate cases, the Secretary may provide for oral presentation of views in additional proceedings described in § 10.12.

§ 10.12 Additional rulemaking proceedings.
The Secretary may invite interested persons to present oral arguments, appear at informal hearings, or participate in any other procedure affording opportunity for oral presentation of views. The transcript or minutes of such meetings, as appropriate, will be kept and filed in the Rules Docket.

§ 10.14 Hearings.
(a) The provisions of 5 U.S.C. 556 and 557, which govern formal hearings in adjudicatory proceedings, do not apply to informal rule making proceedings described in this part. When opportunity is afforded for oral presentation, such informal hearing is a non-adversary, fact-finding proceeding. Any rule issued in a proceeding under this part in which a hearing is held is not based exclusively on the record of such hearing.
(b) When a hearing is provided, the Secretary will designate a representative to conduct the hearing, and if the presence of a legal officer is desirable, the General Counsel will designate a staff attorney to serve as the officer.

§ 10.16 Adoption of a final rule.
All timely comments are considered in taking final action on a proposed rule. Each preamble to a final rule will contain a short analysis and evaluation of the relevant significant issues set forth in the comments submitted, and a clear concise statement of the basis and purpose of the rule.

§ 10.18 Petitions for reconsideration.
Petitions for reconsideration of a final rule will not be considered. Such petitions, if filed, will be treated as petitions for rulemaking in accordance with § 10.20.

§ 10.20 Petition for rulemaking.
(a) Any interested person may petition the Secretary for the issuance, amendment, or repeal of a rule. Each petition shall:
(1) Be submitted to the Rules Docket Clerk, Room 5218, Department of Housing and Urban Development, Washington, DC 20410;
(2) Set forth the text of substance of the rule or amendment proposed or specify the rule sought to be repealed;
(3) Explain the interest of the petitioner in the action sought; and
(4) Set forth all data and arguments available to the petitioner in support of the action sought.
(b) No public procedures will be held directly on the petition before its disposition. If the Secretary finds that the
petition contains adequate justification, a rulemaking proceeding will be initiated or a final rule will be issued as appropriate. If the Secretary finds that the petition does not contain adequate justification, the petition will be denied by letter or other notice, with a brief statement of the ground for denial. The Secretary may consider new evidence at any time; however, repetitious petitions for rulemaking will not be considered.

**PART 13—USE OF PENALTY MAIL IN THE LOCATION AND RECOVERY OF MISSING CHILDREN**

Sec. 13.1 Purpose.
13.2 Procedures for obtaining and disseminating data.
13.3 Withdrawal of data.
13.4 Reports.

**§ 13.1 Purpose.**

To support the national effort to locate and recover missing children, the Department of Housing and Urban Development (HUD) joins other executive departments and independent establishments of the Government of the United States in using penalty mail to disseminate photographs and biographical information on hundreds of missing children.

**§ 13.2 Procedures for obtaining and disseminating data.**

(a) HUD shall insert, manually and via automated inserts, pictures and biographical data related to missing children in domestic penalty mail directed to members of the public in the United States, its territories and possessions. These include:

(1) Standard letter-size envelopes (4½" X 9½");
(2) Document-size envelopes (9½" X 12", 9½" X 11½", 10" X 13"); and
(3) Other envelopes (miscellaneous size).

(b) Missing children information shall not be placed on the Penalty Indicia, OCR Read Area, Bar Code Read Area, and Return Address areas of letter-size envelopes.

(c) Posters containing pictures and biographical data shall be placed on bulletin boards in Headquarters and Field offices.

(d) HUD shall accept camera-ready and other photographic and biographical materials solely from the National Center for Missing and Exploited Children (National Center). Photographs that were reasonably current as of the time of the child’s disappearance shall be the only acceptable form of visual media or pictorial likeness used in penalty mail or posters.

**§ 13.3 Withdrawal of data.**

HUD shall remove all printed penalty mail envelopes and other materials from circulation or other use within a three month period from the date the National Center receives information or notice that a child, whose picture and biographical information have been made available to HUD, has been recovered or that the parent or guardian’s permission to use the child’s photograph and biographical information has been withdrawn. The HUD contact person shall be notified immediately and in writing by the National Center of the need to withdraw from circulation penalty mail envelopes and other materials related to a particular child.

**§ 13.4 Reports.**

HUD shall compile and submit to Office of Juvenile Justice and Delinquency Prevention (OJJDP), by June 30, 1987, a consolidated report on its experience in implementing S. 1195 Official Mail Use in the Location and Recovery of Missing Children along with recommendations for future Departmental action.

**PART 14—IMPLEMENTATION OF THE EQUAL ACCESS TO JUSTICE ACT IN ADMINISTRATIVE PROCEEDINGS**

Subpart A—General Provisions

Sec.
14.50 Definitions.
14.100 Time computation.
14.105 Purpose of these rules.
14.110 When the Act applies.
§ 14.50 Definitions

Adjudicative officer. The hearing examiner, administrative law judge, administrative judge of the HUD Board of Contract Appeals, or other officer designated by the Secretary or other responsible Department official, who presided at the adversary adjudication.

Adversary adjudication. (a) An adjudication under 5 U.S.C. 554 in which the position of the United States is represented by counsel or otherwise, but not including an adjudication for the purpose of establishing or fixing a rate or for the purpose of granting or renewing a license; and

(b) Appeals of decisions of contracting officers made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) before agency boards of contract appeals as provided in section 8 of that Act (41 U.S.C. 607).

Agency counsel. (a) When the position of the Department is being represented, the attorney or attorneys designated by the Department's General Counsel to represent the Department in a proceeding covered by this part, and

(b) When the position of another agency of the United States is being represented, the representative as designated by that agency.

Department. The Department of Housing and Urban Development, or the organizational unit within the Department responsible for conducting an adversary adjudication subject to this part.

Proceeding. An adversary adjudication as defined above.

Secretary. The Secretary of Housing and Urban Development.

§ 14.100 Time computation.

Time periods stated in this part shall be computed in accordance with the Department's rules with respect to computation of time which apply to the underlying proceeding.

§ 14.105 Purpose of these rules.

The Act provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (adversary adjudications) before the Department. An eligible party may receive an award when it prevails over an agency, unless the agency's position was substantially justified or special circumstances make an award unjust. The rules in this part described the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards and the procedures and standards that the Department will use to make them.

§ 14.110 When the Act applies.

The Act applies to any adversary adjudication pending or commenced before this Department on or after August 5, 1985. It also applies to any adversary adjudication commenced on or after October 1, 1984, and finally disposed of before August 5, 1985, provided that an application for fees and expenses, as described in subpart B of
these rules, has been filed with the Department no later than 30 days after August 5, 1985, and to any adversary adjudication pending on or commenced on or after October 1, 1981, in which an application for fees and other expenses was timely filed and was dismissed for lack of jurisdiction.

§ 14.115 Proceedings covered.
(a) The proceedings to which this part applies are adversary adjudications conducted by the Department under:
(2) Section 602 of the Civil Rights Act of 1964, 42 U.S.C. 2000d-1, and 24 CFR parts 1 and 2;
(3) Section 505(a) of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794a, 28 CFR part 41, and any applicable HUD regulations;
(4) Section 305(a) of the Age Discrimination Act of 1975, 42 U.S.C. 6104(a), 45 CFR part 90 and any applicable HUD regulations;
(5) Section 3 of the HUD Act of 1968, 12 U.S.C. 170lu (Employment Opportunities for Business and Lower Income Persons in Connection with Assisted Projects), and 24 CFR part 135;
(8) Section 111 of title I of the Housing and Community Development Act of 1974, 42 U.S.C. 5311, and 24 CFR 570.913;
(9) Appeals of decisions of contracting officers made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) before the HUD Board of Contract Appeals as provided in section 8 of that Act (41 U.S.C. 607); or
(10) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. 3600-3620) and 24 CFR part 104.
(b) The Department’s failure to identify a type of proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the Act; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.
(c) If a proceeding includes both matters covered by the Act and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.
[52 FR 27126, July 17, 1987, as amended at 54 FR 3283, Jan. 23, 1989]

§ 14.120 Eligibility of applicants.
(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term party is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this subpart and in subpart B.
(b) The types of eligible applicants are as follows:
(1) An individual with a net worth of not more than $2 million;
(2) The sole owner of an unincorporated business who has a net worth of not more than $7 million, including both personal and business interests, and not more than 500 employees;
(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code, 26 U.S.C. 501(c)(3), with not more than 500 employees;
(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act, 12 U.S.C. 1141j(a), with not more than 500 employees; or
(5) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than $7 million and not more than 500 employees.
(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated. For the purpose of eligibility of applicants before the HUD Board of Contract Appeals, the net worth and number of employees of an applicant shall be determined as of the date the applicant filed its appeal under 41 U.S.C. 606.
(d) An applicant who owns an unincorporated business will be considered as an individual rather than a sole owner of an unincorporated business if the issues on which the application
§ 14.125 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the agency over which the applicant has prevailed was substantially justified. The position of the agency includes, in addition to the position taken by the agency in the adversary adjudication, the action or failure to act by the agency upon which the adversary adjudication is based. The burden of proof that an award should not be made to an ineligible prevailing applicant because the agency’s position was substantially justified is on the agency counsel, who may avoid an award by showing that its position was reasonable in law and fact.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding, if the applicant has falsified the application (including documentation) or net worth exhibit or if special circumstances make the award sought unjust.

§ 14.130 Allowable fees and expenses.

(a) No award for the fee of an attorney or agent under these rules may exceed $75.00 per hour. However, an award may also include the reasonable expenses of the attorney, agent or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(b) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the adjudicative officer shall consider the following:

(1) If the attorney, agent or witness is in private practice, his or her customary fee for similar services, or, if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for the kind and quality of services furnished in the community in which the attorney, agent or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in the light of the difficulty or complexity of the issues in the proceeding; and

(5) Such other factors as may bear on the value of the services provided.

(c) The reasonable cost of any study, analysis, engineering report, test, project, or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the services does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant’s case.

§ 14.135 Rulemaking on maximum rates for attorney fees.

Any person may file with the Department a petition for rulemaking to increase the maximum rate for attorney fees as provided in 5 U.S.C. 504(b)(1)(A)(ii), in accordance with 24 CFR Subtitle A (4-1-99 Edition)
CFR part 10. The petition should identify the rate the petitioner believes the Department should establish and the types of proceedings in which the rate should be used. It should also explain fully the reasons why the higher rate is warranted. The Department will respond to the petition in accordance with 24 CFR 10.20(b).

§ 14.140 Awards against other agencies.

If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Department and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

Subpart B—Information Required From Applicants

§ 14.200 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the Department or other agencies that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth does not exceed $2 million (if an individual) or $7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code, 26 U.S.C. 501(c)(3), or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act, 12 U.S.C. 1141(a).

(c) If the applicant is a partnership, corporation, association, or organization, or a sole owner of an unincorporated business, the applicant shall state that it did not have more than 500 employees at the time the proceeding was initiated, giving the number of its employees and describing briefly the type and purpose of its organization or business.

(d) The application shall also itemize the amount of fees and expenses for which an award is sought.

(e) The application also may include any other matters that the applicant wishes the Department to consider in determining whether and in what amount an award should be made.

(f) The application shall be signed by the applicant or an authorized officer with respect to the eligibility of the applicant and by the attorney of the applicant with respect to fees and expenses sought. The application shall contain or be accompanied by a written verification under oath or affirmation under penalty of perjury that the information provided in the application and all accompanying material is true and complete to the best of the applicant's or authorized officer's information and belief.

(Approved by the Office of Management and Budget under control number 2510-0001)

§ 14.205 Net worth exhibit.

(a) Each applicant except a qualified tax-exempt organization or a qualified cooperative association must submit with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in §14.120(f) of this part) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities, and is sufficient to determine whether the applicant qualifies under the standards of the Act and this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) The net worth exhibit shall describe any transfers of assets from, or obligations incurred by, the applicant.
or any affiliate, occurring in the one-year period before the date on which the proceeding was initiated, that reduced the net worth of the applicant and its affiliates below the applicable net worth ceiling. If there were no such transactions, the applicant shall so state.

(c) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled "Confidential Financial Information" accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act (5 U.S.C. 552(b) (1)-(9)), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Department's established procedures under the Freedom of Information Act, 24 CFR part 15. In either case, disclosure shall be subject to the provisions of the Privacy Act of 1974, 5 U.S.C. 552a, and the Department's procedures implementing the Privacy Act of 1974 at 24 CFR part 16.

(Approved by the Office of Management and Budget under control number 2510-0001)

§ 14.215 When an application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Department's final disposition of the proceeding.

(b) For purposes of this rule, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement of voluntary dismissal, become final and unappealable, both within the Department and to the courts.

(c) If review or reconsideration (under HUD Board of Contract Appeals Rule 29, 24 CFR 20.10) is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by
the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

Subpart C—Procedures for Considering Applications

§ 14.300 Jurisdiction of adjudicative officer.

Any provision in the Department’s rules and regulations other than this part which limits or terminates the jurisdiction of an adjudicative officer upon the effective date of his or her decision in the underlying proceeding shall not in any way affect his or her jurisdiction to render a decision under this part.

§ 14.305 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in §14.205(c) for confidential financial information.

§ 14.310 Answer to application.

(a) Within 30 days after service of an application, agency counsel may file an answer to the application. Agency counsel may request an extension of time for filing. If agency counsel fails to answer or otherwise fails to contest or settle the application, the adjudicative officer, upon a satisfactory showing of entitlement by the applicant, may make an award for the applicant’s fees and other expenses under the Act.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of agency counsel’s position. If the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer either supporting affidavits or a request for further proceedings under §14.325.

§ 14.315 Comments by other parties.

Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served, or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

§ 14.320 Settlement.

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded, in accordance with the settlement procedure applicable to the underlying proceeding. If a prevailing party and agency counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 14.325 Extensions of time and further proceedings.

(a) The adjudicative officer on motion and for good cause shown may grant extensions of time other than for filing an application for fees and expenses after final disposition in the adversary adjudication.

(b) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions, or as to issues other than substantial justification (such as the applicant’s eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full
§ 14.330 Decision.

The adjudicative officer shall issue an initial decision on the application within 30 days after completion of proceedings on the application. The decision shall include written findings and conclusions on such of the following as are relevant to the decision:

(a) The applicant’s status as a prevailing party;
(b) The applicant’s qualification as a party under 5 U.S.C. 504(b)(1)(B);
(c) Whether the agency’s position was substantially justified;
(d) Whether special circumstances make an award unjust;
(e) Whether the applicant during the course of the proceedings engaged in conduct that unduly and unreasonably protracted the final resolution of the matter in controversy; and
(f) The amounts, if any, awarded for fees and other expenses, with reasons for any difference between the amount requested and the amount awarded.

If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reasons for the allocation made.

§ 14.335 Departmental review.

(a) Either the applicant or agency counsel may seek review of the initial decision on the fee application, or the Secretary (or his or her delegate, if any) may decide to review the decision on his or her own initiative, in accordance with the Department’s review or appeals procedures applicable to the underlying proceeding. If neither the applicant nor agency counsel seeks review and the Secretary (or his or her delegate, if any) does not take review on his or her own initiative, the initial decision on the application shall become a final decision of the Department in the same manner as a decision in the underlying proceeding becomes final. Whether to review a decision is a matter within the discretion of the Secretary (or his or her delegate, if any). If review is taken, the Department will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

(b) Either party may seek reconsideration of the decision on the fee application in accordance with Rule 29, 24 CFR 20.10.

Judicial review of final departmental decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 14.345 Payment of award.

An applicant seeking payment of an award shall submit a copy of the final decision granting the award to: Director, Office of Finance and Accounting, Room 2202, Department of Housing and Urban Development, Washington, DC 20410, with a copy to: Associate General Counsel for Equal Opportunity and Administrative Law, Room 10244, Department of Housing and Urban Development, Washington, DC 20410. A statement that review of the underlying decision is not being sought in the United States courts, or that the process for seeking review of the award, if initiated, has been completed, must also be included. The agency will pay the amount awarded to the applicant within 60 days, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

Person means person as defined in 5 U.S.C. 551(2) to include corporations and organizations as well as individuals.

Information center means library, reading room, desk, or other facility, or any combination of places established and maintained by the Department, where the public may request and obtain information and records concerning the Department’s operations and business.

§ 15.2 Purpose and applicability.

(a) This part contains the regulations of the Department implementing 5 U.S.C. 552 and prescribing the Department’s policies and procedures with respect to testimony of its employees as witnesses in legal proceedings. It informs the public about where and how the Department’s records and information may be obtained from its organizational units as defined in §15.1(d), and about the Department’s policy concerning allowing its employees to testify in legal proceedings.

(b) All subparts of part 15, other than subpart I, apply to all organizational units, except that their applicability to the Office of Inspector General is subject to the provisions of parts 2002 and 2004 of this title, and their applicability to the Office of Interstate Land Sales Registration is subject to the provisions of §1700.30 of this title. Subpart I applies to all organizational units other than the Office of Inspector General.

§ 15.3 Statement of policy.

The Department’s policy is one of full and responsible disclosure of its identifiable records and information consistent with such competing public interests concerning the national security, personal privacy, and obligations of confidentiality as are recognized by 5 U.S.C. 552.

Subpart B—Production and Disclosure of Records

§ 15.11 Publication in the Federal Register.

Subject to the exemptions in §15.21, the Department shall separately state and currently publish in the Federal Register for the guidance of the public:

(a) Descriptions of its central and field organization and the established places at which, the employees from whom and the methods whereby, the public may obtain information, make submittals or requests, or obtain decisions;

(b) Statements of the general course and method by which its functions are channeled and determined, including the nature and requirements of all formal and informal procedures available;

(c) Rules of procedure, descriptions of forms available or the places at which forms may be obtained, and instructions as to the scope and contents of all papers, reports, or examinations;

§ 15.14 Fees.

(a) Copies of records. HUD will charge $0.15 per page for photocopies of documents. For copies prepared by computer, HUD will charge the actual cost of the tape or disk plus $25.00 per minute for central processing unit (CPU) time, so as to recoup reasonable direct costs of duplicating. For other methods of reproduction or duplication of documents, HUD will charge the actual direct costs of producing the documents.

(b) Manual searches for records. HUD will charge $16.35 per hour per person for searches/reviews performed by clerical staff, and $37.00 per hour per person for searches/reviews performed by professional staff. Charges for search/review time will be billed in 1/2 hour segments.

(c) Computer searches for records. HUD will charge $35.00 per hour for computer programming relating to a search, plus $25.00 per minute for central processing unit (CPU) time.

(d) Contract services. HUD will contract with private sector sources to locate, reproduce and disseminate records in response to FOIA requests when that is the most efficient and least costly method. When doing so, however, HUD will ensure that the ultimate cost to the requester is no greater than it would be if HUD itself had performed these tasks. In no case will HUD contract out responsibilities which the FOIA provides that HUD alone may discharge, such as determining the applicability of an exemption, or determining whether to waive or reduce fees. HUD will ensure that when documents that would be responsive to a request are maintained for serious interference with the business of the Department.

Subpart C—Exemptions
§ 15.15 Fees to be charged—categories of requesters.

There are four categories of FOIA requesters: Commercial use requesters; educational and non-commercial scientific institutions; representatives of the news media; and all other requesters. Specific levels of fees are prescribed for each of these categories:

(a) Commercial use requesters.

(1) HUD will assess charges which recover the full direct costs of searching for, reviewing for release, and duplicating records sought for commercial use. Requesters must reasonably describe the records sought. Commercial use requesters are not entitled to two hours of free search time or 100 free pages of reproduction of documents.

(2) Commercial use refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, HUD must determine the use to which a requester will put the records sought. Commercial use requesters are not entitled to two hours of free search time or 100 free pages of reproduction of documents.

(b) Educational and non-commercial scientific institution requesters.

(1) HUD will provide documents to educational

(b) Educational and non-commercial scientific institution requesters.

(1) HUD will provide documents to educational
§ 15.16 Review of records, aggregating requests and waiving or reducing fees.

(a) Review of records. Only requesters who are seeking documents for commercial use may be charged for time HUD spends reviewing records to determine whether they are exempt from mandatory disclosure. Charges may be assessed only for the initial review; i.e., the review undertaken the first time HUD analyzes the applicability of a specific exemption to a particular record or portion of a record. HUD will not charge for review at the administrative appeal level of an exemption already applied. However, records or portions of records withheld in full under an exemption which is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. The costs for such a subsequent review would be properly assessable. Review time will be assessed at the same rates established for search time in §15.14.

(b) Waiving or reducing fees. If the records are not exempt from mandatory disclosure, and if the request is for commercial use, HUD will not charge for review of records required to be provided under the Freedom of Information Act. However, if the request is for non-commercial use, commercial organizations must be charged the full reasonable direct cost of searching for and reproducing records which are responsive to the request, but the cost of the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Requesters must reasonably describe the records sought.

(c) Requesters who are representatives of the news media. (1) HUD will provide documents to representatives of the news media for the cost of reproduction alone, excluding charges for the first 100 pages. In reference to this class of requester, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use. Requesters must reasonably describe the records sought.

(2) Representative of the news media means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news) who make their products available for purchase or subscription by the general public. Freelance journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but HUD may also look to the past publication record of a requester in making this determination.

(d) All other requesters. HUD will charge requesters who do not fit into any of the categories above fees which recover the full reasonable direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Requests from subjects for records about themselves filed in agencies’ systems of records will continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for reproduction. Requesters must reasonably describe the records sought.

§ 15.17 Aggregating requests. A requester may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When HUD reasonably believes that a requester or a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, HUD may aggregate any such requests and charge accordingly.

(c) Waiving or reducing fees. HUD will furnish documents without charge or at reduced charge if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. The official authorized to grant access to records may waive or reduce the applicable fee where requested. The determination not to waive or reduce the fee will be subject to administrative review as provided in § 15.61 after the decision on the request for access has been made. Six factors shall be used in determining whether the requirements for a fee waiver or reduction are met. These factors are as follows:

(1) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the government;
(2) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of government operations or activities;
(3) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether the disclosure of the requested information will contribute to public understanding;
(4) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute significantly to public understanding of government operations or activities;
(5) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so
(6) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

§ 15.17 Charges for interest and for unsuccessful searches; Utilization of Debt Collection Act.

(a) Charging interest. HUD will begin assessing interest charges on an unpaid bill starting on the 31st day following the day on which the billing was sent. A fee received by HUD, even if not processed, will suffice to stay the accrual of interest. Interest will be at the rate prescribed in section 3717 of title 31 U.S.C. and will accrue from the date of the billing.

(b) Charge for unsuccessful search. Ordinarily no charge for search time will be assessed when the records requested are not found or when the records located are withheld as exempt. However, if the requester has been notified of the estimated cost of the search time and has been advised specifically that the requested records may not exist or may be withheld as exempt, fees shall be charged.

(c) Use of Debt Collection Act of 1982. When a requester has failed to pay a fee charged in a timely fashion (i.e., within 30 days of the date of the billing), HUD may, under the authority of the Debt Collection Act and part 17, subpart C of this title, use consumer reporting agencies and collection agencies, where appropriate, to recover the indebtedness owed the Department.

[53 FR 37549, Sept. 27, 1988]

§ 15.18 Advance payments.

(a) HUD may not require a requester to make an advance payment, i.e., payment before work is commenced or continued on a request, unless:

(1) HUD estimates or determines that allowable charges that a requester may be required to pay are likely to exceed $250. Then, HUD will notify the requester of the likely cost and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees, or require an advance payment of an amount up to the full estimated
§ 15.21 Exemptions authorized by 5 U.S.C. 552.

A requested record shall not be withheld from inspection or copying unless it both: Comes within one of the classes of records exempted by 5 U.S.C. 552; and there is need in the public interest to withhold it. In determining the scope of the classes of records described in paragraph (a) of this section, the Attorney General’s Memorandum on the Public Information Act, June 1967, will be used as a guide.

(a) The classes of records authorized to be exempted from disclosure by 5 U.S.C. 552 are those which concern matters that are:

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive order;

(2) Related solely to the internal personnel rules and practices of the Department;

(3) Specifically exempted from disclosure by statute;

(4) Except as otherwise provided in paragraph (c) of this section, trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Interagency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the Department;

(6) Personnel and medical files and similar files the disclosure of which would constitute an unwarranted invasion of personal privacy;

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a state, local or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;
§ 15.41

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(b) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt under this section.

(c) Subject to the following conditions, financial and related information submitted by a mortgagor and contained in Form HUD-92410 (Statement of Profit and Loss), or a HUD-approved substitute form that the mortgagor may have submitted, may be disclosed to eligible potential purchasers of HUD-held multifamily mortgages.

(1) Information from Form HUD-92410 concerning a project may be made available in conjunction with the sale of a HUD-held mortgage covering that project conducted under the authority of sections 207 (k) and (l) of the National Housing Act, 12 U.S.C. 1713 (k) and (l), or section 7(i)(3) of the Department of Housing and Urban Development Act, 42 U.S.C. 3535(i)(3).

(2) The release of this information by HUD to eligible potential purchasers shall be limited to the period specified by HUD for the mortgage sale.

Subpart D [Reserved]

Subpart E—Procedures for Requesting Access to Records

§ 15.41 Requests for records.

(a) Requests for copies of records may be made in person during normal business hours at information centers listed in §15.31 or by mail addressed to such centers. Although oral requests may be honored, a requester may be asked to submit his request in writing.
(b) Each request must reasonably describe the desired record including the name, subject matter, and number or date, where possible, so that the record may be identified and located. In order to enable the Department to comply with the time limitations set forth in §15.42, the envelope containing a written request and the letter itself should both clearly indicate that the subject is a Freedom of Information Act request.

(c) The request shall be accompanied by an agreement to pay a fee to be determined in accordance with §15.14. Under the circumstances enumerated in §15.18, the Department may refuse to furnish records before receipt of the appropriate fee. A requester may specify a limit for fees, above which the requester is not willing to pay without advance consultation with the Department.

(d) Copies of available records shall be made as promptly as possible. Copying service shall be limited to not more than 10 copies of any single page. Records which are published or available for sale need not be reproduced.

[40 FR 48123, Oct. 14, 1975, as amended at 60 FR 11904, Mar. 3, 1995]

§ 15.42 Time limitations.

(a) Upon receipt of a request for records, the appropriate office will determine within ten working days whether to comply with such requests. The office will either agree to provide the requested documents, or will notify the requester, in writing, of an adverse determination, the reasons therefor, and the right to appeal the denial to:

(1) General Counsel, with respect to a denial issued by the Office of the Executive Secretariat or by the offices in which there is a Field Assistant General Counsel; or

(2) Field Assistant General Counsel, with respect to a denial issued by the Field Offices.

(b) When a request for records is misdirected by the requester, the office receiving the request shall:

(1) Promptly refer it to the appropriate office; and

(2) Advise the requester that the time of receipt by the appropriate office will be the time of receipt for processing purposes.

(c) A determination by the General Counsel or the Field Assistant General Counsel with respect to an appeal under §15.61 shall be made within 20 working days after receipt of the appeal, and shall be communicated to the appellant, in writing.

(d) In unusual circumstances, the General Counsel, or the appropriate Field Assistant General Counsel, may extend the time limits prescribed in paragraphs (a) and (c) of this section, by written notice to the requester setting forth the reasons for the extension and the date on which a determination is expected to be dispatched. An extension shall not exceed ten working days. As used in this paragraph, unusual circumstances means that there is a need:

(1) To search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(2) To search for, collect, and examine appropriately a voluminous amount of separate and distinct records that are demanded in a single request; or

(3) For consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request, or among two or more organizational units of the Department having a substantial interest in the subject matter of the request.

[60 FR 11904, Mar. 3, 1995]
§ 15.54 Business information.

(a) In general. Business information provided to the Department by a submitter shall not be disclosed pursuant to a FOIA request except in accordance with this section.

(b) Definitions. As used in this section:

Business information means commercial or financial information provided to the Department by a submitter that arguably is protected from disclosure under Exemption 4 (42 U.S.C. 552(b)(4)) of the Act.

Submitter means any person or entity who provides business information, directly or indirectly, to the Department. The term includes, but is not limited to, corporations, State governments, and foreign governments.

(c) Designation of business information. A submitter’s claim that certain information is confidential or proprietary should be supported by a statement or certification by an officer or authorized representative of the submitter that the information is, in fact, confidential or proprietary and has not been disclosed to the public. All information considered confidential or proprietary by a submitter should be clearly designated with a prominent stamp, typed legend, or other suitable form of notice, stating “Confidential Treatment Requested by [insert name of submitter]”, which should appear on each page or segregable portion of the page. If such marking is impractical, a cover sheet prominently marked “Confidential Treatment Requested by [insert name of submitter]” should be securely attached to the information for which confidential treatment is requested. These designations shall be deemed to have expired 10 years after the date of the submission, unless the submitter requests, and provides reasonable justification for, a longer period of designation.

(d) Notice to requester. At the same time the Department notifies the submitter, the Department shall also notify the requester that the request is subject to the provisions of this section and that the submitter is being afforded an opportunity to object to disclosure of the information.

(e) Opportunity to object to disclosure. Through the notice described in paragraph (d) of this section, the Department shall afford a submitter or its designee 10 Federal working days to provide the Department a detailed written statement of the submitter’s objection to disclosure of any portion of the information it submitted to the Department. Such statement shall specify all grounds for withholding any of the information and shall demonstrate why the information is a

trade secret or commercial or financial information that is privileged or confidential. Conclusory statements that particular information would be useful to competitors or would impair sales, or similar statements, generally will not be considered sufficient to justify confidential treatment. Information provided by a submitter or its designee pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(g) Notice of intent to disclose. The Department shall consider carefully a submitter's objections and specific grounds for nondisclosure, before determining whether to disclose business information. If the Department decides to disclose business information over the objection of a submitter, the Department shall forward to both the submitter and the requester a written notice of intent to disclose. The written notice shall be forwarded 10 Federal working days before the specified disclosure date and shall include:

(1) A statement of the reasons for which the submitter's disclosure objections were not sustained;
(2) A description of the business information to be disclosed; and
(3) A specified disclosure date.

(h) Exceptions to the notice requirement. The notice requirements of paragraphs (d) and (g) of this section shall not apply if:

(1) The Department determines that the information should not be disclosed;
(2) The information has been published lawfully or has been made available officially to the public;
(3) Disclosure of the information is required by law (other than the Act);
(4) Disclosure of the information is required by a departmental regulation that:
   (i) Was adopted pursuant to notice and public comment;
   (ii) Specifies narrow classes of records submitted to the Department that are to be released under the FOIA; and
   (iii) Provides for notice in exceptional circumstances when the submitter provides, at the time the information is submitted or a reasonable time thereafter, written justification that disclosure of the information could reasonably be expected to cause substantial competitive harm;
(5) The information requested was not designated by the submitter as exempt from disclosure in accordance with paragraph (c) of this section at the time of the submission of the information or a reasonable time thereafter, unless the Department has substantial reason to believe that the disclosure of the information would cause competitive harm; or
(6) The designation made by the submitter in accordance with paragraph (c) of this section appears obviously frivolous. In such circumstances, the Department shall forward to the submitter, 10 Federal working days before a specified disclosure date, written notice of any final administrative decision to disclose business information.

(i) Notice of FOIA lawsuit. Whenever a requester brings suit seeking to compel disclosure of business information, the Department shall promptly notify the submitter.

(j) Determination of confidentiality. HUD will make no determination as to the validity of any request for confidentiality until a request for disclosure of the information is received.

(k) Current mailing address for the submitter. Each submitter shall provide to the Department:

(1) A mailing address for receipt of any notices under this section; and
(2) Notice of any change of address.

(l) Treatment of confidential information by HUD employees. (1) HUD officers and employees shall not, directly or indirectly, use or allow the use of business information obtained through or in connection with Government employment that has not been made available to the general public.
(2) Except as otherwise provided in this section, HUD officers and employees may not disclose business information, except to other HUD officers or employees who are properly entitled to such information for the performance of their official duties.

§ 15.61

Subpart G—Administrative Review of Denial of Requests for Records

§ 15.61 Administrative appeal.

(a) Appeal shall be available only from a written denial of a request issued under §15.52, and only when the appeal is filed within 30 days of issuance of the denial. An appeal from a denial issued by the Office of Executive Secretariat or by offices in which there is a Field Assistant General Counsel must be mailed to the Assistant General Counsel for Training and Administrative Law, Room 10246, 451 Seventh Street, SW, Washington, DC, 20410. An appeal from a denial issued by a Field Office must be mailed to the appropriate Field Assistant General Counsel. An appeal must include a copy of the original request for records; a copy of the written denial of access to those records, and a statement of the reasons, circumstances, or arguments advanced in support of, or in opposition to, disclosure of the records. The envelope containing the appeal should be clearly marked as a Freedom of Information Act appeal, so that the Department can comply with the time limitations set forth in §15.42.

(b) When an appeal is misdirected by the requester, the Office receiving the appeal shall:

(1) Promptly refer it to the:
   (i) Assistant General Counsel for Training and Administrative Law, if the denial was issued by the Office of Executive Secretariat or by an office in which there is a Field Assistant General Counsel, or
   (ii) Appropriate Field Assistant General Counsel, if the denial was issued by a Field Office; and

(2) Advise the appellant that the time of receipt for processing purposes will be the time the appeal is received by the appropriate office.

(c) The appeal determination shall be in writing; constitute final administrative action by the Department; and, if the denial is upheld in full or in part, include notification of the right to judicial review.

§ 15.71

Subpart H—Production in Response to Subpoenas or Demands of Courts or Other Authorities

§ 15.71 Purpose and scope.

This subpart contains the regulations of the Department concerning procedures to be followed when a subpoena, order, or other demand (hereinafter referred to in this subpart as a demand) of a court or other authority is issued for the production or disclosure of: (a) Any material contained in the files of the Department, (b) any information relating to material contained in the files of the Department, or (c) any information or material acquired by any person while such person was an employee of the Department as a part of the performance of his or her official duties or because of his or her official status. For purposes of this subpart, the term employee of the Department includes current and former officers and employees of the United States appointed by or subject to the supervision of the Secretary, but does not include officers and employees covered by part 2004 of this title. Also for purposes of this subpart, files of the Department do not include files of the Office of Inspector General covered by part 2004 of this title.

[49 FR 11160, Mar. 26, 1984, as amended at 60 FR 58456, Nov. 27, 1995]

§ 15.72 Production or disclosure prohibited unless approved by the Secretary.

(a) Any demand of a court or other authority or any request to an employee of the Department to produce any material contained in the files of the Department, or to disclose any information relating to material contained in the files of the Department, to or disclose any information or produce any material acquired as a part of the performance of the employee’s official duties or because of the employee’s official status for use in a legal proceeding, shall state with particularity the material sought to be obtained or the information sought to be disclosed.

(b) No employee of the Department shall comply with any such demand or
request without the prior approval of the Secretary.
(c) In determining whether to grant approval for an employee of the Department to testify in a legal proceeding, the Secretary shall follow the standards set forth in subpart I.
(d) Where the demand or request seeks only the production of documents, the Department’s procedure for authentifying documents by a keeper of the records shall be the Department’s method for response. That authentication shall be evidence that the documents are true copies of documents in the Department’s files.

§ 15.73 Procedure in the event of a demand for production or disclosure.
(a) Whenever a demand is made upon an employee of the Department for the production of material or the disclosure of information described in §15.71, the employee shall immediately notify the Secretary and either the General Counsel or the appropriate Regional Counsel. The appropriate Regional Counsel shall mean the Regional Counsel for the Regional Office having delegated authority over the project or activity with respect to which the information is sought. If possible, the Secretary shall be notified before the employee concerned replies to or appears before the court or other authority.
(b) If response to the demand is required before the instructions from the Secretary are received, the U.S. Attorney or such other attorney as may be designated for the purpose, will appear with the employee of the Department upon whom the demand has been made, and will furnish the court or other authority with a copy of the regulations contained in this subpart and inform the court or other authority that the demand has been or is being, as the case may be, referred for prompt consideration of the Secretary. The court or other authority shall be requested respectfully to stay the demand pending receipt of the requested instructions from the Secretary.

§ 15.74 Procedure in the event of an adverse ruling.
If the court or other authority declines to stay the effect of the demand in response to a request made in accordance with §15.73(b) pending receipt of instructions from the Secretary, or if the court or other authority rules that the demand must be complied with irrespective of the instructions from the Secretary not to produce the material or disclose the information sought, the employee upon whom the demand has been made shall respectfully decline to comply with the demand (United States ex rel. Toughy v. Ragen, 340 U.S. 462).

Subpart I—Testimony of Employees of the Department in Legal Proceedings

SOURCE: 52 FR 12161, Apr. 15, 1987, unless otherwise noted.

§ 15.81 Purpose.

(b) For purposes of this subpart, the term employee of the Department includes current and former officers and employees of the United States appointed by or subject to the supervision of the Secretary, but does not include officers and employees covered by part 2004 of this title.

§ 15.82 Testimony in proceedings in which the United States is a party.
(a) In any legal proceeding in which the United States is a party, an employee of the Department may not be called to testify as an expert or opinion witness by any party other than the United States, but may be called by such non-federal party to testify as to facts.
(b) Whenever, in any legal proceeding in which the United States is a party, the attorney in charge of presenting the case for the United States requests it, the Secretary shall arrange for an employee of the Department to testify as a witness for the United States.

§ 15.83 Legal proceedings among private litigants; general rule.

Whenever, in a legal proceeding exclusively among private litigants, an employee of the Department is served with a subpoena or is requested to testify, the procedures set forth in §§ 15.72–15.74 shall be applicable.

§ 15.85 Legal proceedings among private litigants; expert or opinion testimony.

If, while testifying in a legal proceeding exclusively among private litigants, an employee of the Department is asked for expert or opinion testimony, the employee shall decline to answer on the grounds that he or she is forbidden to do so by this part.

Subpart J—Processing Request for Declassification and Release of Classified Material

§ 15.91 Authority for release or denial of classified material.

(a) All requests by the public, Government employees, or other Government agencies, for the release of classified information shall be directed to the Inspector General, who will ensure that:

(1) All requests are acknowledged within 10 working days.

(2) The request is immediately coordinated with the original classification authority to determine whether the association of that authority with the classification of the information requires protection.

(3) In those instances when the answer to paragraph (a)(2) of this section is no, requests will be referred, along with the requested document and if appropriate any recommendations to withhold, for direct handling by the original classification authority. The requester shall be advised in writing of this action.

(4) Whenever it is necessary, by either the original classification authority or HUD to deny the declassification and release, in whole or part, of the requested information, the requester shall be notified, in accordance with Executive Order 12356, of:

(i) The reason for the denial,

(ii) The requesters’ right to appeal the denial, and

(iii) The name, title, and address of the appellate authority.

exercise of rights conferred on individuals under the Act and to insure the protection of privacy as to individuals about whom the Department maintains records in systems of records under the Act. The Department accepts the responsibility to act promptly and in accordance with the Act upon receipt of any inquiry, request or appeal from a citizen of the United States or an alien lawfully admitted for permanent residence into the United States, regardless of the age of the individual.

(b) Further, the Department accepts the obligations to maintain only such information on individuals as is relevant and necessary to the performance of its lawful functions, to maintain that information with such accuracy, relevancy, timeliness and completeness as is reasonably necessary to assure fairness in determinations made by the Department about the individual, to obtain information from the individual to the extent practicable, and to take every reasonable step to protect that information from unwarranted disclosure. The Department will maintain no record describing how an individual exercises rights guaranteed by the First Amendment unless expressly authorized by statute or by the individual about whom the record is maintained or unless pertinent to and within the scope of an authorized law enforcement activity.

(c) This part applies to all organizational components in the Department in order to assure the maximum amount of uniformity and consistency within the Department in its implementation of the Act.

(d) The Assistant Secretary for Administration shall be responsible for carrying out the requirements of this part, for issuing such orders and directives internal to the Department as are necessary for full compliance with the Act, and for effecting publication of all required notices concerning systems of records.

(e) Requests involving information pertaining to an individual which is in a record or file but not within the scope of a System of Records Notice published in the Federal Register are outside the scope of this part. Requests for departmental records will be considered to determine whether processing under this part, part 15, or both is most appropriate, notwithstanding the requester's characterization of the request, as follows:

(1) A Privacy Act request from an individual for records about that individual and not contained in a Privacy Act Records System shall be considered a Freedom of Information Act request and processed under HUD Freedom of Information Act regulations (24 CFR part 15) to the extent that the requester has provided the Department a reasonable description of the documents requested. When a request for records is so considered as a Freedom of Information Act request, the Privacy Act Officer shall promptly refer it to the head of the appropriate organizational unit in accordance with HUD FOIA Regulations and shall advise the requester that time of receipt for processing purposes will be the time when it is received by the appropriate official.

(2) A Freedom of Information Act request from an individual for records about that individual contained in a Privacy Act Records System shall be processed as follows:

(i) If the request in whole or in part contains a reasonable description of any HUD document, processing shall be carried out pursuant to HUD FOIA Regulations.

(ii) If the request in whole or in part does not contain a reasonable description of any HUD document, but does provide sufficient information under HUD Privacy Act Regulations to undertake a Privacy Act Records System search, the Department will provide full access under HUD Privacy Act Regulations. In this situation, the Department will comply with the deadlines for response set forth in the Privacy Act and HUD implementing regulations. In that event, an explanation will be provided to the requester advising that the request did not contain a reasonable description of a particular document as required under the FOIA and offering to process the request under FOIA procedures upon receipt of additional information sufficient to constitute a reasonable description.

(3) A Freedom of Information Act request from an individual for records about another individual contained in a Privacy Act Records System shall be processed as follows:

(i) If the request in whole or in part contains a reasonable description of any HUD document, processing shall be carried out pursuant to HUD FOIA Regulations.

(ii) If the request in whole or in part does not contain a reasonable description of any HUD document, but does provide sufficient information under HUD Privacy Act Regulations to undertake a Privacy Act Records System search, the Department will provide full access under HUD Privacy Act Regulations. In this situation, the Department will comply with the deadlines for response set forth in the Privacy Act and HUD implementing regulations. In that event, an explanation will be provided to the requester advising that the request did not contain a reasonable description of a particular document as required under the FOIA and offering to process the request under FOIA procedures upon receipt of additional information sufficient to constitute a reasonable description.
Act Records System shall be processed as follows: When an exemption under subsection (b) of FOIA is available, the Privacy Act governs the public interest determination under HUD FOIA Regulations (24 CFR 15.21) and compels the withholding of such documents unless: (i) The subject of those records consents to their release or (ii) disclosure comes within one of the subsections of 5 U.S.C. § 552a(b).

(4) A Privacy Act request from an individual for records about another individual shall be processed as follows: Except as expressly permitted in this part, requests by persons who are not the subject of a record contained in a Privacy Act Records System shall be outside the scope of this part. If the request satisfies the Freedom of Information Act requirement that requested records be reasonably described, the Privacy Act Officer shall consider the requests as a Freedom of Information Act request and shall proceed as in §16.1(e)(1) of this section.

(a) Any individual, regardless of age, may submit an inquiry to the Department. The inquiry should be made either in person at the office of, or by mail addressed to, the appropriate Privacy Act Officer. Although oral requests may be honored, a requester may be asked to submit his request in writing. The envelope containing the request and the letter itself should both clearly indicate that the subject is a “PRIVACY ACT INQUIRY”. If an individual believes the Department maintains a record pertaining to that individual but does not know which system of records might contain such a record and/or which organizational component of the Department maintains the system of records, assistance in person or by mail will be provided at the first address listed in Appendix A to this part.

(b)(1) An inquiry should contain the following information:
   (i) Name, address and telephone number of the individual making the request;
   (ii) Name, address and telephone number of the individual to whom the record pertains, if the requesting individual is either the parent of a minor or the legal guardian of the individual to whom the record pertains;
   (iii) A certified or authenticated copy of documents establishing parentage or guardianship;
   (iv) Whether the individual to whom the record pertains is a citizen of the United States or an alien lawfully admitted for permanent residence in the United States;
   (v) Name of the system of records, as published in the Federal Register;
   (vi) Location of the system of records, as published in the Federal Register;
   (vii) Such additional information as the individual knows will or believes...
(d) When an inquiry fails to provide necessary information as set forth in paragraph (b) of this section, the requester shall be advised that the time of receipt for processing purposes will be the time when the additional necessary information is received by the Privacy Act Officer.

(e) Each inquiry received shall be acted upon promptly by the responsible Privacy Act Officer. Every effort will be made to respond within ten days (excluding Saturdays, Sundays and holidays) of the date of receipt. If a response cannot be made within ten days, the Privacy Act Officer shall send an acknowledgement during that period providing information on the status of the inquiry. The Privacy Act Officer may indicate that additional information would facilitate processing or that further information is necessary to process the inquiry.

§ 16.4 Requests for access; requirements.

(a) Any individual, regardless of age, may submit to the Department a request for access to records of the Department. The request should be made either in person at the Office of, or by mail addressed to, the responsible Privacy Act Officer identified in Appendix A to this part. Although oral requests may be honored, a requester may be asked to submit his request in writing. The envelope containing the request and the letter itself should both clearly indicate that the subject is a PRIVACY ACT REQUEST FOR ACCESS TO RECORDS.

(b) When a request for access to records is misdirected by the requester, or not addressed as specified in paragraph (a) of this section, the Department official receiving same shall promptly refer it to the appropriate Privacy Act Officer and the time of receipt for processing purposes will be the time when it is received by that official.

(c) When an inquiry is misdirected by the requester, or not addressed as specified in paragraph (a) of this section, the Department official receiving same shall make reasonable effort to identify, and promptly refer it to, the appropriate Privacy Act Officer and the time of receipt for processing purposes will be the time when it is received by the Privacy Act Officer.
§ 16.5 Disclosure of requested information to individuals.

(d) The requirements for identification of individuals seeking access to records are as follows:

(1) In person. Each individual making a request in person shall be required to present satisfactory proof of identity. The means of proof, in the order of preference and priority, are:

(i) A document bearing the individual’s photograph (for example, passport or military or civilian identification card);

(ii) A document bearing the individual’s signature (for example, driver’s license, social security card, unemployment insurance book, employer’s identification card, national credit card and professional, craft or union membership card); and

(iii) A document bearing neither the photograph nor the signature of the individual (for example, a Medicaid card).

In the event the individual can provide no suitable documentation of identity, the Department will require a signed statement asserting the individual’s identity and stipulating that the individual understands the penalty provision of 5 U.S.C. 552a(i)(3). That penalty provision also appears at §16.13(a). In order to avoid any unwarranted disclosure of an individual’s records, the Department reserves the right to determine to its satisfaction whether proof of identity offered by any individual is adequate.

(2) Not in person. If the individual making a request does not appear in person before a Privacy Act Officer, the information set forth in §16.3(b)(1) and a certificate of a notary public or equivalent officer empowered to administer oaths must accompany the request. The certificate within or attached to the letter must be substantially in accord with the following text:

City of ————
County of ————:

ss ———— (name of individual), who affixed (his) (her) signature below in my presence, came before me, a ———— (title), in and for the aforesaid County and State, this ———— day of ————, 19—, and established (his) (her) identity to my satisfaction.

My commission expires ————.

(3) Parents of minors and legal guardians. An individual acting as the parent of a minor or the legal guardian of the individual to whom a record pertains shall establish his or her personal identity in the same manner prescribed in either paragraph (d) (1) or (2) of this section. In addition, such other individual shall establish his or her representative capacity of parent or legal guardian. In the case of the parent of a minor, the proof of identity shall be a certified or authenticated copy of the minor’s birth certificate. In the case of a legal guardian of an individual who has been declared incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, the proof of identity shall be a certified or authenticated copy of the court’s order. A parent or legal guardian may act only for a living individual, not for a decedent. A parent or legal guardian may be accompanied during personal access to a record by another individual, provided the provisions of §16.5(e) are satisfied.

(e) When the provisions of this part are alleged to have the effect of impeding an individual in exercising his or her right to access, the Department will consider alternative suggestions from an individual making a request, regarding proof of identity and access to records.

(f) An individual shall not be required to state a reason or otherwise justify his or her request for access to a record.

§ 16.5 Disclosure of requested information to individuals.

(a) Each request received shall be acted upon promptly by the responsible Privacy Act Officer. Every effort will be made to respond within ten days (excluding Saturdays, Sundays and holidays) of the date of receipt. If a response cannot be made within ten days due to unusual circumstances, the Privacy Act Officer shall send an acknowledgment during that period providing
information on the status of the request and asking for such further information as may be necessary to process the request. Unusual circumstances shall include circumstances where a search for and collection of requested records from inactive storage, field facilities or other establishments are required, cases where a voluminous amount of data is involved, instances where information on other individuals must be separated or expunged from the particular record, and cases where consultations with other agencies having a substantial interest in the determination of the request are necessary.

(b) Grant of access—(1) Notification. An individual shall be granted access to a record pertaining to him or her, except where the provisions of §16.6 apply. The Privacy Act Officer shall notify the individual of such determination and provide the following information:

(i) The methods of access, as set forth in paragraph (b)(2) of this section;

(ii) The place at which the record may be inspected;

(iii) The earliest date on which the record may be inspected and the period of time that the records will remain available for inspection and/or the estimated date by which a copy of the record could be mailed and the estimate of fees pursuant to §16.12;

(iv) The fact that the individual, if he or she wishes, may be accompanied by another individual during personal access, subject to procedures set forth in paragraph (e) of this section; and

(v) Any additional requirements needed to grant access to a specific record.

(2) Methods of access. The following methods of access to records by an individual may be available depending on the circumstances of a given situation:

(i) Inspection in person may be had in the office specified by the Privacy Act Officer granting access during hours indicated by the Privacy Act Officer;

(ii) Transfer of records to a Federal facility more convenient to the individual may be arranged, but only if the Privacy Act Officer determines that a suitable facility is available, that the individual’s access can be properly supervised at the facility, and that transmittal of the records to that facility will not unduly interfere with operations of the Department or involve unreasonable costs, in terms of both money and manpower; and

(iii) Copies may be mailed at the request of the individual, subject to payment of the fees prescribed in §16.12. The Department, at its own initiative, may elect to provide a copy by mail, in which case no fee will be charged the individual.

(c) The Department shall supply such other information and assistance at the time of access as to make the record intelligible to the individual.

(d) The Department reserves the right to limit access to copies and abstracts of original records, rather than the original records. This election would be appropriate, for example, when the record is in an automated data media such as tape or disc, when the record contains information on other individuals, and when deletion of information is permissible under exemptions (for example, 5 U.S.C. 552a(k)(2)). In no event shall original records of the Department be made available to the individual except under the immediate supervision of the Privacy Act Officer or his designee. It is a crime to conceal, mutilate, obliterate, or destroy any record filed in a public office, or to attempt to do any of the foregoing, Title 18, United States Code, 2701(a).

(e) Any individual who requests access to a record pertaining to that individual may be accompanied by another individual of his or her choice. Accompanied includes discussion of the record in the presence of the other individual. The individual to whom the record pertains shall authorize the presence of the other individual by a signed and dated document which includes the name of the other individual and specifically describes the record to which access is sought. The other individual shall sign the authorization in the presence of the Privacy Act Officer. An individual shall not be required to state a reason or otherwise justify his or her decision to be accompanied by another individual during personal access to a record.
§ 16.6 Initial denial of access.

(a) Grounds. Access by an individual to a record which pertains to that individual will be denied only upon a determination by the Privacy Act Officer that:

(1) The record is subject to an exemption under §16.14, §16.15 or to an exemption determined by another agency noticing the system of records;

(2) The record is information compiled in reasonable anticipation of a civil action or proceeding; or

(3) The individual unreasonably has failed to comply with the procedural requirements of this part.

(b) Notification. The Privacy Act Officer shall give notice of denial of access to records to the individual in writing and shall include the following information:

(1) The Privacy Act Officer’s name and title or position;

(2) The date of the denial;

(3) The reasons for the denial, including citation to the appropriate section of the Act and/or this part;

(4) The individual’s opportunities, if any, for further administrative consideration within the Department; and

(5) If stated to be administratively final, the notice shall state that the denial is administratively final; and,

If stated to be administratively final, and, within the Department, the individual’s right to judicial review under 5 U.S.C. 552a(g)(1), as amended by 5 U.S.C. 552a(g)(5).

[40 FR 39729, Aug. 28, 1975, as amended at 42 FR 20297, Apr. 19, 1977]

§ 16.7 Administrative review of initial denial of access.

(a) Review shall be available only from a written denial of a request for access issued under §16.6(a) (2) or (3) and only if a written request for review is filed within thirty calendar days after the issuance of the written denial.

(b) A request for review shall be addressed to the Privacy Appeals Officer identified in the initial denial, which official is authorized to make final determinations. The envelope containing the request for review and the letter itself should both clearly indicate that the subject is a PRIVACY ACT REQUEST FOR REVIEW.

(c) When a request for review is misdirected by the requester, or not addressed as specified in paragraph (b) of this section, the Department official receiving same shall promptly refer it to the Privacy Appeals Officer and the time of receipt for processing purposes will be the time when it is received by the appropriate official.

(d) When a request for review fails to provide necessary information as set forth in paragraph (e) of this section, the requester shall be given reasonable opportunity to amend the request and shall be advised that the time of receipt for processing purposes will be the time when the additional necessary information is received by the appropriate official.

(e) The filing of a request for review may be accomplished by mailing to the Privacy Appeals Officer a copy of the request for access, in writing; a copy of the written denial issued under §16.6; and a statement of the reasons why the initial denial is believed to be in error. The appeal shall be signed by the individual.

(f) No hearing will be allowed in connection with administrative review of an initial denial of access.

(g) The Privacy Appeals Officer shall act upon the appeal and issue a final determination in writing not later than thirty days (excluding Saturdays, Sundays and holidays) from the date on which the appeal is received; provided, that the Privacy Appeals officer may extend the thirty days upon deciding that a fair and equitable review cannot be made within that period, but only if the individual is advised in writing of the reason for the extension and the estimated date by which a final determination will issue, which estimated date should not be later than the sixtieth day (excluding Saturdays, Sundays and holidays) after receipt of the appeal unless there exist unusual circumstances, as described in §16.5(a).

(h) The decision after review will be in writing, will constitute final action of the Department on a request for access, and, if the denial of the request is in whole or part upheld, the Department shall notify the person making
Office of the Secretary, HUD

§ 16.9 Agency procedures upon request for correction or amendment of record.

(a)(1) Not later than ten days (excluding Saturdays, Sundays and holidays) after receipt of a request to correct or amend a record, the Privacy Act Officer shall send an acknowledgment providing an estimate of time within which action will be taken on the request and asking for such further information as may be necessary to process the request. The estimate of time may take into account unusual circumstances as described in §16.5(a). No acknowledgment will be sent if the request can be reviewed, processed, and the individual notified of the results of review (either compliance or denial) within the ten days. Requests filed in person will be acknowledged at the time submitted.

(2) Promptly after acknowledging receipt of a request, or after receiving such further information as might have been requested, or after arriving at a decision within the time prescribed in §16.9(a)(1), the Privacy Act Officer shall either:

(i) Make the requested correction or amendment and advise the individual in writing of such action, providing either a copy of the corrected or amended record or a statement as to the means whereby the correction or amendment was effected in cases where a copy cannot be provided; or,

(ii) Inform the individual in writing that his or her request is denied and provide the following information:

(A) The Privacy Act Officer's name and title and position;

(B) The date of the denial;

(C) The reasons for the denial, including citation to the appropriate sections of the Act and this part; and,

(3) The specific wording to be inserted or added, if any, and the exact place at which it is to be inserted or added; and

(4) A statement of the basis for the requested correction or amendment, with all available supporting documents and materials which substantiate the statement.

(f) The provisions of §16.3(b) (2) and (3) apply to the information obtained under paragraph (e) of this section.
§ 16.10 Appeal of initial adverse agency determination on correction or amendment.

(a) Appeal shall be available only from a written denial of a request for correction or amendment of a record issued under §16.9, and only if a written appeal is filed within thirty calendar days after the issuance of the written denial.

(b) Each appeal shall be addressed to the Privacy Appeals Officer identified in the written denial. The envelope containing the appeal and the letter itself should both clearly indicate that the subject is PRIVACY ACT APPEAL.

(c) When an appeal is misdirected by the requester, or not addressed as specified in paragraph (b) of this section, the Department official receiving same shall promptly refer it to the appropriate Privacy Appeals Officer and the
(d) When an appeal fails to provide the necessary information as set forth in paragraph (e) of this section, the requester shall be advised that the time for receipt for processing purposes will be the time when the additional necessary information is received by the appropriate official.

(e) The individual’s appeal papers shall include the following: A copy of the original request for correction or amendment; a copy of the initial denial; and a statement of the reasons why the initial denial is believed to be in error. The appeal shall be signed by the individual. The record which the individual requests be corrected or amended will be supplied by the Privacy Act Officer who issued the initial denial. While the foregoing normally will comprise the entire record on appeal, the Privacy Appeals Officer may seek additional information necessary to assure that the final determination is fair and equitable and, in such instances, the additional information will be disclosed to the individual to the greatest extent possible and an opportunity provided for comment thereon.

(f) No hearing on appeal will be allowed.

(g) The Privacy Appeals Officer shall act upon the appeal and issue a final Department determination in writing not later than thirty days (excluding Saturdays, Sundays and holidays) from the date on which the appeal is received; provided, that the Privacy Appeals Officer may extend the thirty days upon deciding that a fair and equitable review cannot be made within that period, but only if the individual is advised in writing of the reason for the extension and the estimated date by which a final determination will issue (which estimated date should not be later than the sixtieth day (excluding Saturdays, Sundays and holidays) after receipt of the appeal unless unusual circumstances, as described in § 16.5(a), are met).

(h) If the appeal is determined in favor of the individual, the final determination shall include the specified corrections or amendments to be made and a copy thereof shall be transmitted promptly both to the individual and to the Privacy Act Officer who issued the initial denial. Upon receipt of such final determination, the Privacy Act Officer promptly shall take the actions set forth in § 16.9(a)(2)(i) and § 16.9(b).

(i) If the appeal is denied, the final determination shall be transmitted promptly to the individual and shall state the reasons for the denial. The notice of final determination also shall inform the individual of the following information:

1. The right of the individual to file a concise statement of reasons for disagreeing with the final determination. The statement ordinarily should not exceed one page and the Department reserves the right to reject a statement of excessive length. Such a statement shall be filed with the Privacy Appeals Officer. It should identify the date of the final determination and be signed by the individual. The Privacy Appeals Officer shall acknowledge receipt of such statement and inform the individual of the date on which it was received;

2. The fact that any such disagreement statement filed by the individual will be noted in the disputed record and that a copy of the statement will be provided to persons and agencies to which the record is disclosed subsequent to the date of receipt of such statement;

3. The fact that prior recipients of the disputed record will be provided a copy of any statement of the dispute to the extent that an accounting of disclosures, as required by the Act, was made;

4. The fact that the Department will append to any such disagreement statement filed by the individual, a copy of the final determination or summary thereof which also will be provided to persons and agencies to which the disagreement statement is disclosed; and,

5. The right of the individual to judicial review of the final determination under 5 U.S.C. 552a(g)(1)(A), as limited by 5 U.S.C. 552a(g)(5).

(j) In making the final determination, the Privacy Appeals Officer shall employ the criteria set forth in paragraph 16.9(c) and shall deny an appeal.
only on the grounds set forth in §16.9(e).

(k) If an appeal is partially granted and partially denied, the Privacy Appeals Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

(l) Although a copy of the final determination or a summary thereof will be treated as part of the individual’s record for purposes of disclosure in instances where the individual has filed a disagreement statement, it will not be subject to correction or amendment by the individual.

(m) The provisions of §16.3(b)(2) and (3) apply to the information obtained under paragraphs (e) and (l) of this section.

§16.11 Disclosure of record to person other than the individual to whom it pertains.

(a) The Department may disclose a record pertaining to an individual to a person other than the individual only in the following instances:

(1) Upon written request by the individual, including authorization under §16.5(e);

(2) With the prior written consent of the individual;

(3) To a parent or legal guardian under 5 U.S.C. 552a(h); and,

(4) When required by the Act and not covered explicitly by the provisions of 5 U.S.C. 552a(b); and,

(5) When permitted under 5 U.S.C. 552a(b)(1) through (11), which read as follows:

(1) To those officers and employees of the agency which maintains the record who have a need for the record in the performance of their duties;

(2) Required under section 552 of this title;

(3) For a routine use as defined in subsection (a)(7) of this section and described under subsection (e)(4)(D) of this section;

(4) To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to the provisions of title 13;

(5) To a recipient who has provided the agency with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable;

(6) To the National Archives of the United States as a record which has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Administrator of General Services or his designee to determine whether the record has such value;

(7) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of the agency or instrumentality has made a written request to the agency which maintains the record specifying the particular portion desired and the law enforcement activity for which the record is sought;

(8) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual if upon such disclosure notification is transmitted to the last known address of such individual;

(9) To either House of Congress, or, to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee of Congress or subcommittee of any such joint committee;

(10) To the Comptroller General, or any of his authorized representatives, in the course of the performance of the duties of the General Accounting Office; or

(11) Pursuant to the order of a court of competent jurisdiction.

(b) The situations referred to in paragraph (a)(4) of this section include the following:

(1) 5 U.S.C. 552a(c)(4) requires dissemination of a corrected or amended record or notation of a disagreement statement by the Department in certain circumstances;

(2) 5 U.S.C. 552(a)(g) authorizes civil action by an individual and requires disclosure by the Department or the court;

(3) Section 5(e)(2) of the Act authorizes release of any records or information by the Department to the Privacy Protection Study Commission upon request of the Chairman; and

(4) Section 6 of the Act authorizes the Office of Management and Budget to provide the Department with continuing oversight and assistance in implementation of the Act.

(c) The Department shall make an accounting of each disclosure of any record contained in a system of records in accordance with 5 U.S.C. 552a(c)(1) and (2). Except for a disclosure made under 5 U.S.C. 552a(b)(7), the Privacy Act Officer shall make such accounting available to any individual, insofar as
it pertains to that individual, on request submitted in accordance with §16.4. The Privacy Act Officer shall make reasonable efforts to notify any individual when any record in a system of records is disclosed to any person under compulsory legal process, promptly upon being informed that such process has become a matter of public record.

§ 16.12 Fees.

(a) The only fees to be charged to or collected from an individual under the provisions of this part are for copying records at the request of the individual.

(1) No fees shall be charged or collected for the following: Search for and retrieval of the records; review of the records; copying at the initiative of the Department without a request from the individual; transportation of records and personnel; and first class postage.

(2) It is the policy of the Department to provide an individual with one copy of each record corrected or amended pursuant to his or her request without charge as evidence of the correction or amendment.

(3) As requested by the United States Civil Service Commission in its published regulations implementing the Act, the Department will charge no fee to an individual who requests copies of a personnel record covered by that Commission’s Government-wide published notice of systems of records. However, when such records are voluminous and the cost of copying would be in excess of five dollars ($5) the Department may, in its discretion, charge a fee.

(b) The copying fees prescribed by paragraph (a) of this section are:

$0.10 Each copy of each page, up to 8 ½” x 14” made by photocopy or similar process.

$0.20 Each page of computer printout without regard to the number of carbon copies concurrently printed.

(c) Payment of fees under this section shall be made in cash, or preferably by check or money order payable to the “Treasurer of the United States.” Payment shall be delivered or sent to the office stated in the billing notice or, if none is stated, to the Privacy Act Officer processing the request. Payment may be required in the form of a certified check in appropriate circumstances. Postage stamps will not be accepted.

(d) A copying fee totaling $1 or less shall be waived, but the copying fees for contemporaneous requests by the same individual shall be aggregated to determine the total fee. A copying fee shall not be charged or collected, or alternatively, it may be reduced when such action is determined by the Privacy Act Officer to be in the public interest.

(e) Special and additional services provided at the request of the individual, such as certification or authentication, postal insurance and special mailing arrangement costs, will be charged to the individual in accordance with other published regulations of the Department pursuant to statute (for example, 31 U.S.C. 433a).

(f) This section applies only to individuals making requests under this part. All other persons shall remain subject to fees and charges prescribed by other and appropriate authorities.

§ 16.13 Penalties.

(a) The Act provides, in pertinent part:

Any person who knowingly and willfully requests or obtains any record concerning an individual from an agency under false pretenses shall be guilty of a misdemeanor and fined not more than $5,000. (5 U.S.C. 552a(i)(3))

(b) A person who falsely or fraudulently attempts to obtain records under the Act may also be subject to prosecution under such other criminal statutes as 18 U.S.C. 494, 495 and 1001.

§ 16.14 General exemptions.

(a) Individuals may not have access to records maintained by the Department but which were provided by another agency which has determined by regulation that such information is subject to general exemption under 5 U.S.C. 552a(j). If such exempt records are within a request for access, the Department will advise the individual of their existence and of the name and address of the source agency. For any further information concerning the record...
§ 16.15 Specific exemptions.

Whenever the Secretary of Housing and Urban Development determines it to be necessary and proper, with respect to any system of records maintained by the Department, to exercise the right to promulgate rules to exempt such systems in accordance with the provisions of 5 U.S.C. 552a(k), each specific exemption, including the parts of each system to be exempted, the provisions of the Act from which they are exempted, and the justification for each exemption shall be published in the Federal Register as part of the Department’s Notice of Systems of Records.

(a) Exempt under 5 U.S.C. 552a(k)(2) from the requirements of 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4) (G), (H), (i), and (f). This exemption allows the Department to withhold records compiled for law enforcement purposes. The reasons for adopting this exemption are to prevent individuals, who are the subjects of investigation, from frustrating the investigatory process, to ensure the integrity of the investigatory process, to ensure the integrity of law enforcement activities, to prevent disclosure of investigative techniques, and to protect the confidentiality of sources of information. The names of systems correspond to those published in the

(b) Exempt under 5 U.S.C. 552a(k)(5) from the requirements of 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4), (G), (H), and (i), and (f). This exemption allows the Department to withhold records compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal contracts, or access to classified material. The reasons for adopting this exemption are to insure the proper functioning of the investigatory process, to insure effective determination of suitability, eligibility and qualification for employment and to protect the confidentiality of sources of information. The names of systems correspond to those published in the

[Federal Register as part of the Department’s Notice of Systems of Records.

(c) The system of records entitled “HUD/PIH-1 Tenant Eligibility Verification Files” consists in part of investigatory material compiled for law enforcement purposes. Relevant records will be used by appropriate Federal, state or local agencies charged with the responsibility for investigating or prosecuting violations of law. Therefore, to the extent that information in the system falls within the coverage of subsection (k)(2) of the Privacy Act, 5 U.S.C. 552a(k)(2), the system is exempt from the requirements of the following subsections of the Privacy Act, for the reasons stated below.

(a) From subsection (c)(3) because release of an accounting of disclosures to an individual who may be the subject of an investigation could reveal the nature and scope of the investigation and could result in the altering or destruction of evidence, improper influencing of witnesses, and other evasive actions that could impede or compromise the investigation.
(2) From subsection (d)(1) because release of the records to an individual who may become or has become the subject of an investigation could interfere with pending or prospective law enforcement proceedings, constitute an unwarranted invasion of the personal privacy of third parties, reveal the identity of confidential sources, or reveal sensitive investigative techniques and procedures.

(3) From subsection (d)(2) because amendment or correction of the records could interfere with pending or prospective law enforcement proceedings, or could impose an impossible administrative and investigative burden by requiring the office that maintains the records to continuously retrograde its verifications of tenant eligibility attempting to resolve questions of accuracy, relevance, timeliness and completeness.

(4) From subsection (e)(1) because it is often impossible to determine relevance or necessity of information in pre-investigative early stages. The value of such information is a question of judgment and timing; what appears relevant and necessary when collected may ultimately be evaluated and viewed as irrelevant and unnecessary to an investigation. In addition, the Assistant Secretary for Public and Indian Housing, or investigators, may obtain information concerning the violation of laws other than those within the scope of its jurisdiction. In the interest of effective law enforcement, the Assistant Secretary for Public and Indian Housing, or investigators, should retain this information because it may aid in establishing patterns of unlawful activity and provide leads for other law enforcement agencies. Further, in obtaining the evidence, information may be provided which relates to matters incidental to the main purpose of the inquiry or investigation but which may be pertinent to the investigative jurisdiction of another agency. Such information cannot readily be identified.

(d) The system of records entitled “HUD/PIH-1 Tenant Eligibility Verification Files” consists in part of material that may be used for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment or Federal contracts, the release of which would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence. Therefore, to the extent that information in this system falls within the coverage of subsection (k)(5) of the Privacy Act, 5 U.S.C. 552a(k)(5), the system is exempt from the requirements of the following subsection of the Privacy Act, for the reasons stated below.

(1) From subsection (d)(1) because release would reveal the identity of a source who furnished information to the Government under an express promise of confidentiality. Revealing the identity of a confidential source could impede future cooperation by sources, and could result in harassment or harm to such sources.

Subpart B—Claims Under the Military Personnel and Civilian Employees Claims Act of 1964

Source: 36 FR 24427, Dec. 22, 1971, unless otherwise noted.

§ 17.40 Scope and purpose.

(a) This subpart applies to all claims filed by or on behalf of employees of the Department of Housing and Urban Development for loss of or damage to personal property which occurs incident to their service with HUD under the Military Personnel and Civilian Employees’ Claims Act of 1964. A claim must be substantiated and the possession of the property determined to be reasonable, useful, or proper. The maximum amount that can be paid under any claim under the Act is $25,000 and property may be replaced in kind at the option of the Government. Nothing in this subpart shall be construed to bar claims payable under statutory authority.

(b) HUD is not an insurer and does not underwrite all personal property losses that an employee may sustain. Employees are encouraged to carry private insurance to the maximum extent practicable to avoid large losses or losses which may not be recoverable from HUD. The procedures set forth in this section are designed to enable the claimant to obtain the maximum amount of compensation for his loss or damage. Failure of the claimant to comply with these procedures may reduce or preclude payment of his claim under this subpart.

§ 17.42 Time limitations.
A claim under this part may be allowed only if:
(a) Except as provided in paragraph (b) of this section, it is filed in writing within 2 years after accrual. For purposes of this part, a claim accrues at the time of the accident or incident causing the loss or damage, or at such time as the loss or damage should have been discovered by the claimant by the exercise of due diligence.
(b) It cannot be filed within the time limits of paragraph (a) of this section, because it accrues in time of war or in time of armed conflict in which any armed force of the United States is engaged or if such a war or armed conflict intervenes within 2 years after it accrues, and if good cause is shown, and if it is filed not later than 2 years after that cause ceases to exist, or 2 years after the war or armed conflict is terminated, whichever is earlier.

§ 17.43 Allowable claims.
(a) A claim may be allowed only if:
(1) The damage or loss was not caused wholly or partly by the negligent or wrongful act of the claimant, his agent, the members of his family, or his private employee (the standard to be applied is that of reasonable care under the circumstances); and
(2) The possession of the property lost or damaged and the quantity possessed is determined to have been reasonable, useful, or proper under the circumstances; and
(3) The claim is substantiated by proper and convincing evidence.
(b) Claims which are otherwise allowable under this part shall not be disallowed solely because the property was not in the possession of the claimant at the time of the damage or loss, or solely because the claimant was not the legal owner of the property for which the claim is made. For example, borrowed property may be the subject of a claim.
(c) Subject to the conditions in paragraph (a) of this section, and the other provisions of this subpart, any claim for damage to, or loss of, personal property incident to service with HUD may be considered and allowed. The following are examples of the principal types of claims which may be allowed, but these examples are not exclusive and other types of claims may be allowed, unless excluded by §§17.44 and 17.45:
(1) Property loss or damage in quarters or other authorized places. Claims may be allowed for damage to, or loss of, property arising from fire, flood, hurricane, other natural disaster, theft, or other unusual occurrence, while such property is located at:
(i) Quarters within the 50 States or the District of Columbia that were assigned to the claimant or otherwise provided in kind by the United States;
(ii) Quarters outside the 50 States and the District of Columbia that were occupied by the claimant, whether or not they were assigned or otherwise provided in kind by the United States, except when the claimant is a civilian employee who is a local inhabitant; or
(iii) Any warehouse, office, working area, or other place (except quarters) authorized or apparently authorized for the reception or storage of property.
(2) Transportation or travel losses. Claims may be allowed for damage to, or loss of, property incident to transportation or storage pursuant to orders, or in connection with travel under orders, including property in the custody of a carrier, an agent or agency of the Government, or the claimant.
(3) Manufactured homes. Claims may be allowed for damage to, or loss of, manufactured homes and their contents under the provisions of paragraph (c)(2) of this section. Claims for structural damage to manufactured homes, other than that caused by collision, and damage to contents of manufactured homes resulting from such structural damage, must contain conclusive evidence that the damage was not caused by structural deficiency of the manufactured home and that it was not overloaded. Claims for damage to, or loss of, tires mounted on manufactured homes will not be allowed, except in cases of collision, theft, or vandalism.
(4) Enemy action or public service. Claims may be allowed for damage to, or loss of, property as a direct consequence of:
(i) Enemy action or threat thereof, or combat, guerrilla, brigandage, or other
belligerent activity, or unjust confiscation by a foreign power or its nationals;

(ii) Action by the claimant to quiet a civil disturbance or to alleviate a public disaster; or

(iii) Efforts by the claimant to save human life or Government property.

(5) Property used for benefit of the Government. Claims may be allowed for damage to, or loss of, property when used for the benefit of the Government at the request of, or with the knowledge and consent of, superior authority.

(6) Clothing and accessories. Claims may be allowed for damage to, or loss of, clothing or accessories customarily worn on the person, such as eyeglasses, hearing aids, or dentures.

§ 17.44 Restrictions on certain claims.

Claims of the type described in this section are only allowable subject to the restrictions noted:

(a) Money or currency. Claims may be allowed for loss of money or currency only when lost incident to fire, flood, hurricane, other natural disaster, or by theft from quarters (as limited by paragraph (a) of § 17.45). In instances of theft from quarters, it must be conclusively shown that the quarters were locked at the time of the theft. Reimbursement for loss of money or currency is limited to an amount which is determined to have been reasonable for the claimant to have had in his possession at the time of the loss.

(b) Government property. Claims may only be allowed for property owned by the United States for which the claimant is financially responsible to any agency of the Government other than HUD.

(c) Estimate fees. Claims may include fees paid to obtain estimates of repair only when it is clear that an estimate could not have been obtained without paying a fee. In that case, the fee may be allowed only in an amount determined to be reasonable in relation to the value of the property or the cost of the repairs.

(d) Automobiles and other motor vehicles. Claims may only be allowed for damage to, or loss of, automobiles and other motor vehicles if:

(1) Such motor vehicles were required to be used for official Government business (official Government business, as used here, does not include travel, or parking incident thereto, between quarters and office, or use of vehicles for the convenience of the owner. However, it does include travel, and parking incident thereto, between quarters and assigned place of duty specifically authorized by the employee's supervisor as being more advantageous to the Government); or

(2) Shipment of such motor vehicles was being furnished or provided by the Government, subject to the provisions of § 17.46.

§ 17.45 Unallowable claims.

Claims are not allowable for the following:

(a) Unassigned quarters in United States. Property loss or damage in quarters occupied by the claimant within the 50 States or the District of Columbia that were not assigned to him or otherwise provided in kind by the United States.

(b) Business property. Property used for business or profit.

(c) Unsuitable property. Wornout or unserviceable property.

(d) Illegal possession. Property acquired, possessed, or transported in violation of law or in violation of applicable regulations or directives.

(e) Articles of extraordinary value. Valuable articles, such as cameras, watches, jewelry, furs, or other articles of extraordinary value, when shipped with household goods or as unaccompanied baggage (shipment includes storage). This prohibition does not apply to articles in the personal custody of the claimant or articles properly checked, provided that reasonable protection or security measures have been taken by claimant.

(f) Minimum amount. Loss or damage amounting to less than $10.
§ 17.46 Claims involving carriers or insurers.

In the event the property which is the subject of a claim was lost or damaged while in the possession of a carrier or was insured, the following procedures will apply:

(a) Whenever property is damaged, lost, or destroyed while being shipped pursuant to authorized travel orders, the owner must file a written claim for reimbursement with the last commercial carrier known or believed to have handled the goods, or the carrier known to be in possession of the property when the damage or loss occurred, according to the terms of its bill of lading or contract, before submitting a claim against the Government under this subpart.

(1) If more than one bill of lading or contract was issued, a separate demand should be made against the last carrier on each such document.

(2) The demand should be made within 9 months of the date that delivery was made, or within 9 months of the date that delivery should ordinarily have been made.

(3) If it is apparent that the damage or loss is attributable to packing, storage, or unpacking while in the custody of the Government, no demand need be made against the carrier.

(b) Whenever property which is damaged, lost, or destroyed incident to the claimant's service is insured in whole or in part, the claimant must make demand in writing against the insurer for reimbursement under the terms and conditions of the insurance coverage, prior to the filing of the concurrent claim against the Government.

(c) Failure to make a demand on a carrier or insurer or to make all reasonable efforts to protect and prosecute rights available against a carrier or insurer and to collect the amount recoverable from the carrier or insurer may result in reducing the amount recoverable from the Government by the maximum amount which would have been recoverable from the carrier or insurer, had the claim been timely or diligently prosecuted. However, no deduction will be made where the circumstances of the claimant's service preclude reasonable filing of such a claim or diligent prosecution, or the evidence indicates a demand was impracticable or would have been unavailing.

(d) Following the submission of the claim against the carrier or insurer, the claimant may immediately submit his claim against the Government in accordance with the provisions of this subpart, without waiting until either final approval or denial of his claim is made by the carrier or insurer.

(1) Upon submitting his claim, he will certify in his claim that he has or has not gained any recovery from a carrier or insurer, and enclose all correspondence pertinent thereto.

(2) If final action has not been taken by the carrier or insurer on his claim, he will immediately notify them to address all correspondence in regard to his claim to him, in care of the General Counsel of HUD.

(3) The claimant shall advise the General Counsel of any action taken by the carrier or insurer on his claim and upon request shall furnish all correspondence documents, and other evidence pertinent to the matter.

(e) The claimant will assign to the United States to the extent of any payment on his claim accepted by him, all his right, title and interest in any claim he may have against any carrier, insurer, or other party arising out of the incident on which the claim against the United States is based. After payment of his claim by the United States, the claimant will, upon receipt of any payment from a carrier or insurer, pay the proceeds to the United States to the extent of the payment received by him from the United States.

(f) Where a claimant recovers for the loss from the carrier or insurer before his claim under this subpart is settled, the amount or recovery shall be applied to his claim as follows:

(1) When the amount recovered from a carrier, insurer, or other third party is greater than or equal to the claimant's total loss as determined under this part, no compensation is allowable under this part.

(2) When the amount recovered is less than such total loss, the allowable amount is determined by deducting the recovery from the amount of such total loss.
§ 17.47 Settlement of claims.

(a) The General Counsel, HUD, is authorized to settle (consider, ascertain, adjust, determine, and dispose of, whether by full or partial allowance or disallowance) any claim under this subpart.

(b) The General Counsel may formulate such procedures and make such re-delegations as may be required to fulfill the objectives of this subpart.

(c) The General Counsel shall conduct such investigation as may be appropriate in order to determine the validity of a claim.

(d) The General Counsel shall notify a claimant in writing of action taken on his claim, and if partial or full disallowance is made, the reasons therefore.

(e) In the event a claim submitted against a carrier under § 17.46 has not been settled before settlement of the claim against the Government pursuant to this subpart, the General Counsel shall notify such carrier or insurer to pay the proceeds of the claim to HUD to the extent HUD has paid such to claimant in settlement.

§ 17.48 Computation of amount of award.

(a) The amount allowed for damage to or loss of any item of property may not exceed the cost of the item (either the price paid in cash or property, or the value at the time of acquisition if not acquired by purchase or exchange); and there will be no allowance for replacement cost or for appreciation in the value of the property. Subject to these limitations, the amount allowable is either:

(1) The depreciated value, immediately prior to the loss or damage, of property lost or damaged beyond economical repair, less any salvage value; or

(2) The reasonable cost of repairs, when property is economically repairable, provided that the cost of repairs does not exceed the amount allowable under paragraph (a)(1) of this section.

(b) Depreciation in value is determined by considering the type of article involved, its cost, its condition when damaged or lost, and the time elapsed between the date of acquisition and the date of damage or loss.

(c) Replacement of lost or damaged property may be made in kind whenever appropriate.

§ 17.49 Attorney’s fees.

No more than 10 per centum of the amount paid in settlement of each individual claim submitted and settled under this subpart shall be paid or delivered to or received by any agent or attorney on account of services rendered in connection with that claim.

§ 17.50 Claims procedures.

(a) Claims by, or on behalf of, employees of field offices shall be filed in writing with the appropriate Regional Counsel. Claims by, or on behalf of, employees of Department Headquarters shall be filed in writing with the General Counsel, Department of Housing and Urban Development, 451 7th Street, SW., Washington, DC 20410.

(b) Each written claim shall contain, as a minimum:

(1) Name, address, place of employment of claimant.

(2) Place and date of loss or damage.

(3) A brief statement of the facts and circumstances surrounding loss or damage.

(4) Cost, date, and place of acquisition of each piece of property lost or damaged.

(5) Two itemized repair estimates, or value estimates, whichever is applicable.

(6) Copies of police reports, if applicable.

(7) With respect to claims involving thefts or losses in quarters or other places where the property was reasonably kept, a statement as to what security precautions were taken to protect the property involved.

(8) With respect to claims involving property being used for the benefit of the Government, a statement by the employee’s supervisor evidencing that the claimant was required to provide

168
such property or that his providing it was in the interest of the Government.
(9) Other evidence as may be required by the General Counsel.

Each claims collection officer is responsible for obtaining current credit data about each person against whom a claim is pending in his office. The file shall be kept reasonably up to date by the Department Claims Officer for claims referred to the Assistant Secretary for Administration for collection. Such credit data may take the form of: (a) A commercial credit report, (b) an agency investigative report showing the debtor's assets and liabilities and his income and expenses, (c) the individual debtor's own financial statement executed under penalty of perjury reflecting his assets and liabilities and his income and expenses, or (d) an audited balance sheet of a corporate debtor. The file should also contain a checklist or brief summary of actions taken to collect or compromise a claim.

§ 17.68 Monthly report of collection action.

The Department Claims Officer shall make a monthly report to the Assistant Secretary for Administration and all offices that have referred claims for collection. The report should contain the following information as a minimum:

(a) All outstanding claims referred to the Assistant Secretary for Administration for administrative collection, including the name and address of the debtor, the amount of the claim, the date the claim accrued, the basis of the claim, the office referring the claim, and the current progress of collection activities.

(b) All claims compromised or on which collection has been suspended or terminated or referred to GAO or Justice for further collection action during the month. The collection action taken and the basis for the action should be indicated.

(c) All claims referred to the Department of Justice under § 17.64(a).

(d) Claims returned to this Department by the Justice Department for further collection action because Justice's handling was not warranted.

§ 17.69 Accounting control.

Each office and the Department Claims Officer shall process all claims collections through the appropriate accounting office and report the collection, compromise, suspension and termination of all claims to the appropriate accounting office for recording.

§ 17.70 Record retention.

The file of each claim on which administrative collection action has been completed shall be retained by the applicable office or the Assistant Secretary for Administration not less than 1 year after the applicable statute of limitations has run.

§ 17.71 Suspension or revocation of eligibility.

(a) Where a contractor, grantee, or other participant in programs sponsored by the Department fails to pay his debts to the Department within a reasonable time after demand, the fact shall be reported by the Assistant Secretary for Administration to the Inspector General, who shall place such defaulting participant's name on the Department's list of debarred, suspended and ineligible contractors and grantees and the participant will be so advised.

(b) The failure of any surety to honor its obligations in accordance with 6 U.S.C. 11 is to be reported at once to
§ 17.72 Methods of collection and imposition of late charges.

(a) Demand for payment. Appropriate written demands shall be made upon the debtor which shall include information relating to the consequences of his failure to cooperate.

(b) Methods of collection: Administrative and salary offset. The Department may use administrative offset and salary offset procedures as alternative methods for the collection of money owed the Department from those set out in this section. For specific procedures on administrative offset see §§ 17.100 through 17.118. For specific procedures on salary offset see §§ 17.125 through 17.140.

(c) Method of collection: Liquidation of collateral. Where the Department holds security or collateral that may be liquidated and the proceeds applied on debts due it through the exercise of a power of sale in the security instrument, such procedures will be followed if the debtor fails to pay his or her debt within a reasonable time after demand, unless the cost of disposing of the collateral will be disproportionate to its value, or unless special circumstances require judicial foreclosure.

(d) Collection in installments. Claims with accrued interest should be collected in full in one lump sum whenever this is possible. However, if the debtor is financially unable to pay the indebtedness in one lump sum, payment may be accepted in regular installments.

(e) Interest. Where prejudgment interest is not mandated by statute, contract or regulation, the minimum rate of interest to be charged on delinquent debts is the Tax and Loan Account Rate for the U.S. Treasury (also known as the Current Value of Funds rate) as prescribed and published semiannually by the Secretary of the Treasury in the Federal Register, in accordance with 31 U.S.C. 3717. Prejudgment interest may be waived as an inducement to voluntary payment. In such cases demand letters should inform the debtor that prejudgment interest will be collected if suit becomes necessary. When a debt is paid in installments and interest is collected, installment payments will first be applied to the payment of accrued interest and then to principal unless a different rule is prescribed by statute, contract or regulation. Prejudgment interest shall not be demanded or collected on civil penalty and forfeiture claims unless the statute under which the claim arises authorizes the collection of such interest.

(f) Omission not a defense. Failure of HUD to comply with any standard prescribed in 4 CFR parts 101 through 105 or in this subpart shall not be available as a defense to any debtor.

§ 17.73 Standards for compromise of claims.

(a) Compromise offer. An offer to compromise may be accepted: (1) If there is real doubt concerning the Department’s ability to prove its case in court for the full amount claimed; (2) if the cost of collecting the claim does not justify the enforced collection of the full amount; (3) if in connection with statutory penalties of forfeitures established as an aid to enforcement and to compel compliance, the Department’s enforcement policy will be adequately served by acceptance of the sum to be agreed upon, or (4) for other reasons deemed valid by the Assistant Secretary for Administration (or other designee) and made a part of the claim record.

(b) Documentary evidence of compromise. No compromise of a claim shall be final or binding on the Department unless it is in writing and signed by the appropriate officer who has authority to compromise the claim pursuant to this subpart.

§ 17.74 Standards for suspension or termination of collection action.

(a) Suspension of collection action. Collection action shall be suspended temporarily on a claim when the debtor cannot be located after diligent effort
but there is reason to believe that future collection action may be sufficiently productive to justify periodic review and action on the claim, having consideration for its size and the amount which may be realized. Collection action may be suspended temporarily on a claim when the debtor owns no substantial equity in realty and is presently unable to make payment on the Department's claim or effect a compromise, but his future prospects justify retention of the claim for periodic review and action and (1) the applicable statute of limitations has been tolled or started anew or (2) future collection can be effected by offset notwithstanding the statute of limitations. Suspension as to a particular debtor should not defer the early liquidation of security for the debt.

(b) Termination of collection action. Collection action may be terminated and the Department file closed for the following reasons: (1) No substantial amount can be collected; (2) the debtor cannot be located; (3) the cost will exceed recovery; (4) the claim is legally without merit; or (5) the claim cannot be substantiated by evidence.

§ 17.75 Referral to GAO or Justice Department.

(a) Claims referred. Claims which cannot be collected, compromised, or terminated in accordance with 4 CFR parts 101 to 105 will be referred to the General Accounting Office in accordance with 31 U.S.C. 71 or to the Department of Justice if this Department has been granted an exception from referrals to the General Accounting Office. Also, if there is doubt as to whether collection action should be suspended or terminated on a claim, the claim may be referred to the General Accounting Office for advice. When recovery of a judgment is prerequisite to imposition of administrative sanctions, the claim may be referred to the Justice Department for litigation even though termination of collection activity might otherwise be considered.

(b) Prompt referral. Such referrals shall be made as early as possible consistent with aggressive collection action, and in any event, well within the statute of limitations for bringing suit against the debtor.

§ 17.76 Disclosure to a consumer reporting agency.

(a) Definition. For purposes of this section, individual means a natural person.

(b) Conditions for disclosure. The Secretary may disclose to a Consumer Reporting Agency information from a system of records to the effect that an individual is responsible for a debt. Before doing so, the Secretary will ensure that:

(1) The notice for the system of records required by the Privacy Act of 1974 (5 U.S.C. 552a(e)(4)) indicates that the information in the system may be disclosed to a Consumer Reporting Agency;

(2) There has been Departmental review of the debt and a determination that the debt is valid and overdue;

(3) There has been written notice sent to the individual informing the individual:

(i) That payment of the debt is overdue;

(ii) That the Department intends to disclose to a Consumer Reporting Agency, within not less than 60 days after sending the notice, that the individual is responsible for the debt;

(iii) Of the specific information intended to be disclosed to the Consumer Reporting Agency; and

(iv) Of the rights of the individual to a full explanation of the debt, to dispute any information in the records of the Department concerning the debt, as determined by the Secretary, and to administrative appeal or review with respect to the debt; and

(4) The individual has neither repaid or agreed to repay the debt under a written repayment plan signed by the individual and agreed to by the Secretary nor has filed for review of the claim under paragraph (c) of this section.

(c) Limitations on disclosure. The Secretary may not disclose information to a Consumer Reporting Agency unless the Department has:

(1) Obtained satisfactory assurances from each Consumer Reporting Agency that the agency is complying with the Fair Credit Reporting Act (15 U.S.C. 1681) and any other Federal laws governing the provision of consumer credit information;
(2) Provided, upon request by the individual alleged to be responsible for the claim, the opportunity to review the claim, including an opportunity for reconsideration of the initial decision on the claim; and

(3) Taken reasonable action to locate an individual for whom the Secretary does not have a current address to send a notice under paragraph (b)(3) of this section.

(d) Additional responsibilities of the Department. In providing information to a Consumer Reporting Agency, the Department will only disclose:

(1) Information necessary to establish the identity of the individual, including name, address and taxpayer identification number;

(2) The amount, status, and history of the claim; and

(3) The program under which the claim arose.

In all cases, the Department will notify each Consumer Reporting Agency to which the original disclosure was made of any substantial change in the condition or amount of the claim. This includes promptly correcting or verifying information about the claim requested by the Consumer Reporting Agency.

§ 17.77 Contracts for collection services.

The Secretary may enter into a contract or contracts for collection services to recover indebtedness owed the Department. Any such contract will include the following provisions:

(a) The Secretary retains the authority to resolve a dispute, compromise a claim, end collection action or refer a matter to the Attorney General to bring civil action;

(b) The person contracted with by the Secretary is subject to the Privacy Act of 1974 to the extent provided for in 5 U.S.C. 552a(m), the section on government contractors;

(c) The person contracted with by the Secretary is subject to State and Federal laws governing debt collection practices, such as the Debt Collection Practices Act, 15 U.S.C. 1692; and

(d) The person contracted with agrees to provide to the Secretary, if asked to return the file to the Department so that the Secretary may refer the account to the Department of Justice for litigation, any data contained in the files relating to actions previously taken to collect the debt, the current address of the debtor, as well as the current credit data of the debtor or any current other information requested and available.

[49 FR 32350, Aug. 14, 1984]

§ 17.100 Scope.

(a) The standards set forth in §§ 17.100 through 17.118 are the Department's procedures for the collection of money owed to the government by means of administrative offset. These procedures apply to the collection of debts as authorized by common law, by 31 U.S.C. 3716, or under other statutory authority. These procedures will not be used when a statute provides its own collection procedure, for procedures for grant reduction as a remedial action in grant programs (including the CDBG program), when explicitly prohibited by a statute, or when the United States has a judgment against the debtor. Unless otherwise provided for by statute, these procedures do not apply to an agency of the United States, a State government, or unit of general local government. In addition, these procedures do not apply to debts arising under the Internal Revenue Code of 1954 (26 U.S.C. 1-9602), the Social Security Act (42 U.S.C. 301-1397f), or the tariff laws of the United States.

[49 FR 32350, Aug. 14, 1984]
§ 17.101

(3) Whether offset best serves to further and protect all of the interests of the United States.

§ 17.101 Coordinating administrative offset with another Federal agency.

(a) When HUD is owed the debt. When the Department is owed a debt, but another Federal agency is responsible for making the payment to the debtor against which administrative offset is sought, the other agency shall not initiate the requested administrative offset until the Department provides the agency with a written certification that the debtor owes the Department a debt (including the amount and basis of the debt and the due date of the payment) and that the Department has complied with these regulations.

(b) When another agency is owed the debt. The Department may administratively offset money it owes to a person who is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount) and that the person has been given the procedural rights required by 31 U.S.C. 3716 and 4 CFR part 102.

§ 17.102 Notice requirements before offset.

Except as provided in § 17.103, deductions will be made only after the Secretary makes a determination that an amount is owed and past due and provides the debtor with a minimum of 30 calendar days written notice. This Notice of Intent to Collect by Administrative Offset (Notice of Intent) will state:

(a) The nature and amount of the debt;

(b) That the Secretary intends to collect the debt by administrative offset until the debt and all accumulated interest and other charges are paid in full;

(c) That the debtor has a right to obtain review within the Department of the Secretary's initial determination of indebtedness (see § 17.104);

(d) That the debtor has a right to inspect and copy Department records related to the debt, as determined by the Secretary, and will be informed as to where and when the inspection and copying can be done after the Department receives notice from the debtor that inspection and copying are requested. (see § 17.105); and

(e) That the debtor may enter into a written agreement with the Secretary to repay the debt, so long as the terms of the repayment agreement proposed by the debtor are agreeable to the Secretary (see § 17.106).

§ 17.103 Exceptions to notice requirements.

(a) In cases where the notice requirements specified in § 17.102 already have been provided to the debtor in connection with the same debt under some other proceeding, the Secretary is not required to duplicate those requirements before effecting administrative offset.

(b) The Secretary may effect administrative offset against a payment to be made to a debtor before completion of the procedures required by § 17.102 if (1) failure to make the offset would substantially prejudice the Government's ability to collect the debt, and (2) the time before the payment is to be made does not reasonably permit the completion of those procedures. Such prior offset must be followed promptly by the completion of those procedures. Amounts recovered by offset but later found not to be owed to the Secretary will be refunded promptly.

§ 17.104 Review within the Department of a determination of indebtedness.

(a) Notification by debtor. A debtor who receives a Notice of Intent has the right to request Departmental review of the determination of indebtedness. To exercise this right, the debtor must send a letter requesting review to the Secretary. The letter must explain why the debtor seeks review and must be received by the Secretary within 20 calendar days of the date of the Department's Notice of Intent.

(b) Secretary's response. In response to a timely request for review of the initial determination of indebtedness, the Secretary will notify the debtor whether review will be by review of the record or by hearing. The notice to the debtor will include the procedures used for reviewing the record or will include
Office of the Secretary, HUD

§ 17.105 Review of departmental records related to the debt.

(a) Notification by debtor. A debtor who intends to inspect or copy departmental records related to the debt as determined by the Secretary must send a letter to the Secretary stating his or her intention. The letter must be received by the Secretary within 20 calendar days of the date of the Department's Notice of Intent.

(b) Secretary's response. In response to timely notification by the debtor as described in paragraph (a) of this section, the Secretary will notify the debtor of the location and time when the debtor may inspect or copy Department records related to the debt.

§ 17.106 Written agreement to repay debt as alternative to administrative offset.

(a) Notification by debtor. The debtor may, in response to a Notice of Intent, propose a written agreement to repay the debt as an alternative to administrative offset. Any debtor who wishes to do this must submit a proposed written agreement to repay the debt. This proposed written agreement must be received by the Secretary within 20 calendar days of the date of the Department's Notice of Intent.

(b) Secretary's response. In response to timely notification by the debtor as described in paragraph (a) of this section, the Secretary will notify the debtor whether the debtor's proposed written agreement for repayment is acceptable. It is within the Secretary's discretion to accept a repayment agreement instead of proceeding by offset. In making this determination the Secretary will balance the Department's interest in collecting the debt against hardship to the debtor. If the debt is delinquent and the debtor has not disputed its existence or amount, the Secretary will accept a repayment agreement instead of offset only if the debtor is able to establish that offset would result in undue financial hardship or would be against equity and good conscience.

§ 17.107 Stay of offset.

If the debtor timely notifies the Secretary that he or she is exercising a right described in §17.104 or §17.106, the offset will be stayed until the Secretary either makes a determination concerning the debtor's proposal to repay the debt or issues a written decision following review of the record or, where appropriate, a hearing. However, interest continues to run during any stay.

§ 17.108 Types of review.

(a) Hearing. The Secretary will provide the debtor with a reasonable opportunity for hearing if:

(1) An applicable statute authorizes or requires the Secretary to consider waiver of the indebtedness and the waiver determination turns on credibility or veracity; or

(2) The debtor requests reconsideration of the debt and the Secretary determines that the question of the indebtedness cannot be resolved by review of the documentary evidence.

(b) Review of the record. Unless the Secretary determines that a hearing is required (see paragraph (a) of this section), the Secretary will provide for a review of the record (a review of the documentary evidence).

§ 17.109 Review procedures.

(a) Hearings. (1) The appropriate Deputy Assistant Secretary (DAS) or designee conducts the hearing. The DAS or designee will take steps necessary to ensure that the hearing is conducted in a fair and expeditious manner. If necessary, the DAS or designee may administer oaths of affirmations.

(2) The DAS or designee does not use the formal rules of evidence with regard to admissibility of evidence or the use of evidence once admitted. However, parties may object to clearly irrelevant material.

(3) The DAS or designee records all significant matters discussed at the hearing. There is no "official" record or transcript provided for these hearings.

(4) A debtor may represent himself or herself or may be represented by an attorney or other person. The Secretary is represented by the General Counsel or his or her designee.
§ 17.110 Determination of indebtedness and appeal from determination.

(a) Following the hearing or the review of the record, the DAS or designee will issue a written decision which includes the supporting rationale for the decision. The decision of the DAS or designee is the final agency action with regard to the particular administrative offset.

(b) Copies of the DAS decision will be distributed to the debtor and the debtor's attorney or other representative, if applicable.

§ 17.111 Procedures for administrative offset: single debt.

(a) Offset will commence 31 days after the debtor receives the Notice of Intent, unless the debtor has requested a hearing (see §17.104) or has entered into a repayment agreement (see §17.106).

(b) When there is review of the debt within the Department, offset will begin after the DAS determination has been issued under §17.110 and a copy of the determination is received by the Department's Office of Finance and Accounting.

§ 17.112 Procedures for administrative offset: multiple debts.

The Secretary will use the procedures identified in §17.111 for the offset of multiple debts. However, when collecting multiple debts the Secretary will apply the recovered amounts to those debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

§ 17.113 Procedures for administrative offset: interagency cooperation.

The Department will make use of all possible methods of cooperating with other Federal agencies in effecting collections by offset.

§ 17.114 Procedures for administrative offset: time limitation.

(a) The Secretary may not initiate administrative offset to collect a debt under 31 U.S.C. 3716 more than 10 years after the Secretary's right to collect the debt first accrued, unless facts material to the Secretary's right to collect the debt were not known and could not reasonably have been known by the officials of the Department who were responsible for discovering and collecting such debts.

(b) When the debt first accrued is determined according to existing law regarding the accrual of debts. (See, for example, 28 U.S.C. 2415.)

§ 17.115 Procedures for administrative offset: offset against amounts payable from Civil Service Retirement and Disability Fund.

(a) Unless otherwise prohibited by law, the Secretary may request that moneys which are due and payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset in one or more payments to collect debts owed to the Secretary by the debtor. The Secretary submits the request to the appropriate officials of the Office of Personnel Management (OPM) in accordance with OPM regulations and procedures.

(b) To request administrative offset under paragraph (a) of this section, the Secretary will provide a written certification that:

(1) The debtor owes the Secretary a debt, including the amount of the debt;

(2) The Secretary has complied with the applicable statutes, regulations, and procedures of the Office of Personnel Management; and
§ 17.126 Coordinating offset with another Federal agency.

(a) When HUD is owed the debt. When the Department is owed a debt by an

Office of the Secretary, HUD

§ 17.126

(3) The Secretary has complied with the Department’s regulations contained in these regulations.

(c) Once the decision is made to request administrative offset under paragraph (a) of this section, the Secretary will make the request as soon as practical after completion of the applicable procedures necessary for the Office of Personnel Management to identify the debtor’s account and to add a notation in the debtor’s file in anticipation of the time when the debtor requests or becomes eligible to receive payments from the Fund. (This notation will satisfy any requirement that offset be initiated before the applicable statute of limitations expires.)

(d) If, at the time the debtor makes a claim for payments from the Fund, at least one year has elapsed since the offset was originally made, the debtor may offer a satisfactory repayment plan instead of offset upon establishing that changed financial circumstances would render the offset unjust.

(e) If the Department collects part or all of the debt by other means before deductions are made or completed under paragraph (a) of this section, the Secretary will act promptly to modify or terminate the Department’s request for offset under paragraph (a) of this section.

§ 17.116 Procedures for administrative offset: offset of debtor’s judgment against the United States.

Collection by offset against a judgment obtained by a debtor against the United States will be accomplished in accordance with 31 U.S.C. 3728.

§ 17.117 Procedures for administrative offset: imposition of interest.

Interest will be charged in accordance with §17.72.

§ 17.118 Miscellaneous provisions: correspondence with the Department.

(a) All correspondence from the debtor to the Secretary shall be addressed to the Department Claims Officer, Office of Finance and Accounting, Department of HUD, Washington, DC 20410.

(b) The Department Claims Officer will deliver any correspondence to the appropriate Deputy Assistant Secretary within four working days.

Salary Offset Provisions

§ 17.125 Scope.

(a) The provisions set forth in §§17.125 through 17.140 are the Department’s procedures for the collection by salary offset of a Federal employee’s pay to satisfy certain debts owed the government.

(b) These regulations apply to collections by the Secretary from:

(1) Current employees of the Department and other agencies who owe debts to the Department; and

(2) Current employees of the Department who owe debts to other agencies.

(c) These regulations do not apply to debts or claims arising under the Internal Revenue Code of 1954 (26 U.S.C. 1-9602); the Social Security Act (42 U.S.C. 301-1397f); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute.

(d) These regulations identify the types of salary offset available to the Department, as well as certain rights provided to the employee, which include a written notice before deductions begin, the opportunity to petition for a hearing and to receive a written decision if a hearing is granted. These employee rights do not apply to any adjustment to pay arising out of an employee’s election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less.

(e) Nothing in these regulations precludes the compromise, suspension or termination of collection actions where appropriate under the Department’s regulations contained elsewhere in this subpart (see 24 CFR 17.60 through 17.77).

§ 17.126 Coordinating offset with another Federal agency.

(a) When HUD is owed the debt. When the Department is owed a debt by an
employee of another agency, the other agency shall not initiate the requested offset until the Department provides the agency with a written certification that the debtor owes the Department a debt (including the amount and basis of the debt and the due date of the payment) and that the Department has complied with these regulations.

(b) When another agency is owed the debt. The Department may use salary offset against one of its employees who is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount) and that the employee has been given the procedural rights required by 5 U.S.C. 5514 and 5 CFR part 550, subpart K.

§ 17.127 Determination of indebtedness.

In determining that an employee is indebted, the Secretary will review the debt to make sure that it is valid and past due.

§ 17.128 Notice requirements before offset.

Except as provided in §17.125(d), deductions will not be made unless the Secretary first provides the employee with a minimum of 30 calendar days written notice. This Notice of Intent to Offset Salary (Notice of Intent) will state:

(a) That the Secretary has reviewed the records relating to the claim and has determined that a debt is owed, the amount of the debt, and the facts giving rise to the debt;

(b) The Secretary's intention to collect the debt by means of deduction from the employee's current disposable pay account until the debt and all accumulated interest are paid in full;

(c) The amount, frequency, approximate beginning date, and duration of the intended deductions;

(d) An explanation of the Department's requirements concerning interest, unless such payments are excused in accordance with §17.72;

(e) The employee's right to inspect and copy Department records relating to the debt;

(f) The employee's right to enter into a written agreement with the Secretary for a repayment schedule differing from that proposed by the Secretary, so long as the terms of the repayment schedule proposed by the employee are agreeable to the Secretary;

(g) The right to a hearing, conducted by an administrative law judge of the Department or a hearing official of another agency, on the Secretary's determination of the debt, the amount of the debt, or percentage of disposable pay to be deducted each pay period, so long as a petition is filed by the employee as prescribed by the Secretary;

(h) That the timely filing of a petition for hearing will stay the collection proceedings; (See §17.129).

(i) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

(1) Disciplinary procedures appropriate under 5 U.S.C. Ch. 75, 5 CFR part 752, or any other applicable statutes or regulations;

(2) Penalties under the False Claims Act, 31 U.S.C. 3729-3731, or any other applicable statutory authority; or

(3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002 or any other applicable statutory authority.

(k) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

(l) Unless there are applicable contractual or statutory provisions to the contrary, that amounts paid on or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee; and

(m) The method and time period for requesting a hearing.

§ 17.129 Request for a hearing.

(a) Except as provided in paragraph (d) of this section, an employee must file a petition for a hearing, that is received by the Secretary not later than
§ 17.128 Written agreement to repay debt as alternative to salary offset.  
(a) Notification by employee. The employee may propose, in response to a Notice of Intent, a written agreement to repay the debt as an alternative to salary offset. Any employee who wishes to do this must submit a proposed written agreement to repay the debt which is received by the Secretary within 20 calendar days of the date of the Notice of Intent.  
(b) Secretary's response. In response to timely notice submitted by the debtor as described in paragraph (a) of this section, the Secretary will notify the employee of the location and time when the employee may inspect and copy Department records related to the debt.

§ 17.133 Written decision following a hearing.  
Written decisions provided after a request for a hearing will include:  
(a) A statement of the facts presented to support the nature and origin of the alleged debt;  
(b) The hearing officer's analysis, findings and conclusions, in light of the hearing, concerning the employee's or the Department's grounds;  
(c) The amount and validity of the alleged debt; and  
(d) The repayment schedule, if applicable.

§ 17.132 Review of departmental records related to the debt.  
(a) Notification by employee. An employee who intends to inspect or copy departmental records related to the debt must send a letter to the Secretary stating his or her intention. The letter must be received by the Secretary within 20 calendar days of the date of the Notice of Intent.  
(b) Secretary's response. In response to timely notice submitted by the debtor as described in paragraph (a) of this section, the Secretary will notify the employee of the location and time when the employee may inspect and copy Department records related to the debt.

§ 17.130 Result if employee fails to meet deadlines.  
An employee waives the right to a hearing, and will have his or her disposable pay offset in accordance with the Secretary's offset schedule, if the employee:  
(a) Fails to file a petition for a hearing as prescribed in §17.129; or  
(b) Is scheduled to appear and fails to appear at the hearing.

§ 17.131 Written decision following a hearing.  
Written decisions provided after a request for a hearing will include:  
(a) A statement of the facts presented to support the nature and origin of the alleged debt;  
(b) The hearing officer's analysis, findings and conclusions, in light of the hearing, concerning the employee's or the Department's grounds;  
(c) The amount and validity of the alleged debt; and  
(d) The repayment schedule, if applicable.
§ 17.134 Procedures for salary offset: when deductions may begin.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the Secretary's Notice of Intent to collect from the employee's current pay.

(b) If the employee filed a petition for hearing with the Secretary before the expiration of the period provided for in § 17.129, then deductions will begin after the hearing officer has provided the employee with a hearing, and the final written decision is in favor of the Secretary.

(c) If an employee retires or resigns before collection of the amount of the indebtedness is completed, the remaining indebtedness will be collected according to the procedures for administrative offset (see §§ 17.100 through 17.118).

§ 17.135 Procedures for salary offset: types of collection.

A debt will be collected in a lump-sum or in installments. Collection will be by lump-sum collection unless the employee is financially unable to pay in one lump-sum, or if the amount of the debt exceeds 15 percent of disposable pay. In these cases, deduction will be by installments.

§ 17.136 Procedures for salary offset: methods of collection.

(a) General. A debt will be collected by deductions at officially-established pay intervals from an employee's current pay account, unless the employee and the Secretary agree to alternative arrangements for repayment. The alternative arrangement must be in writing, signed by both the employee and the Secretary.

(b) Installment deductions. Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted for any period will not exceed 15 percent of the disposable pay from which the deduction is made, unless the employee has agreed in writing to the deduction of a greater amount. If possible, the installment payment will be sufficient in size and frequency to liquidate the debt in three years. Installment payments of less than $25 per pay period or $50 a month will be accepted only in the most unusual circumstances.

(c) Sources of deductions. The Department will make deductions only from basic pay, special pay, incentive pay, retired pay, retainer pay, or in the case of an employee not entitled to basic pay, other authorized pay.

§ 17.137 Procedures for salary offset: imposition of interest.

Interest will be charged in accordance with § 17.72.

§ 17.138 Non-waiver of rights.

So long as there are no statutory or contractual provisions to the contrary, no employee involuntary payment (of all or a portion of a debt) collected under these regulations will be interpreted as a waiver of any rights that the employee may have under 5 U.S.C. 5514.

§ 17.139 Refunds.

The Department will refund promptly to the appropriate individual amounts offset under these regulations when:

(a) A debt is waived or otherwise found not owing the United States (unless expressly prohibited by statute or regulation); or

(b) The Department is directed by an administrative or judicial order to refund amounts deducted from the employee's current pay.

§ 17.140 Miscellaneous provisions: correspondence with the Department.

The employee shall file an original and two copies of a request for a hearing with the Clerk, Office of the Chief Administrative Law Judge, Room 215B, Department of HUD, Washington, DC 20410, on official work days between the hours of 8:45 a.m. and 5:15 p.m. All other correspondence shall be submitted to the Department Claims Officer, Department of Housing and Urban Development, Washington, DC 20410. Documents may be filed by personal delivery or mail. All documents shall

IRS Tax Refund Offset Provisions

SOURCE: Sections 17.150 through 17.161 appear at 51 FR 39750, Oct. 31, 1986, unless otherwise noted.

§ 17.150 Scope.

(a) The standards set forth in §§ 17.150 through 17.161 are the Department’s procedures for requesting the Internal Revenue Service (IRS) to offset tax refunds due taxpayers who have a past-due debt obligation to the Department. These procedures are authorized by the Deficit Reduction Act of 1984 (31 U.S.C. 3720A) and apply to the collection of debts as authorized by common law, by 31 U.S.C. 3716, or under other statutory authority.

(b) The Secretary will use the IRS tax refund offset to collect claims which are certain in amount, past due and legally enforceable, and which are eligible for tax refund offset under regulations issued by the Secretary of the Treasury.

(c) The Secretary will not report debts to the IRS except for the purpose of using the offset procedures described in §§ 17.150 through 17.161. Debts of less than $100.00, exclusive of interest and other charges, will not be reported.

(d) If not legally enforceable because of lapse of statute of limitations but otherwise valid, the debt will be reported to the IRS as a forgiven debt on Form 1099G. (Form 1099G is an information return which Government agencies file with the IRS to report forgiven debt, and the forgiven amount is considered income to the taxpayer.) (See § 17.159.)

§ 17.151 Notice requirements before offset.

A request for deduction from an IRS tax refund will be made only after the Secretary makes a determination that an amount is owed and past due and provides the debtor with 65 calendar days written notice. This Notice of Intent to Collect by IRS Tax Refund Offset (Notice of Intent) will state:

(a) The nature and amount of the debt;

(b) That unless the debt is repaid within 65 days from the date of the Notice, the Secretary intends to collect the debt by requesting the IRS to reduce any amounts payable to the debtor as refunds of Federal taxes paid by amount equal to the amount of the debt and all accumulated interest and other charges;

(c) That the debtor has a right to obtain review within the Department of the Secretary’s initial determination that the debt is past due and legally enforceable (see § 17.152);

(d) That the debtor has a right to inspect and copy departmental records related to the debt as determined by the Secretary and will be informed as to where and when the inspection and copying can be done after the Department receives notice from the debtor that inspection and copying are requested. (See § 17.155.)

§ 17.152 Review within the Department of a determination that an amount is past-due and legally enforceable.

(a) Notification by debtor. A debtor who receives a Notice of Intent has the right to present evidence that all or part of the debt is not past-due or not legally enforceable. The debtor should send a copy of the Notice of Intent with a letter notifying the HUD Board of Contract Appeals within 25 calendar days from the date of the Department’s Notice of Intent that he or she intends to present evidence. (See § 17.161(a) for address of the Board.) Failure to give this advance notice will not jeopardize the debtor’s right to present evidence within the 65 days provided for in paragraph (b) of this section. If the HUD Board of Contract Appeals has additional procedures governing the review process, a copy of the procedures will be mailed to the debtor after his request for review is received and docketed by the Board.

(b) Submission of evidence. The debtor may submit evidence showing that all or part of the debt is not past-due or not legally enforceable along with the notice requested by paragraph (a) of this section, but in any event the evidence must be submitted to the Board of Contract Appeals within 65
§ 17.153 Determination of the Administrative Judge.

(a) Following the hearing or the review of the record, the Administrative Judge shall issue a written decision which includes the supporting rationale for the decision. The decision of the Administrative Judge concerning whether a debt or part of a debt is past-due and legally enforceable is the final agency decision with respect to the past-due status and enforceability of the debt.

(b) Copies of the Administrative Judge's decision will be distributed to the General Counsel of the Department, the Department's Office of Finance and Accounting, the debtor, and the debtor's attorney or other representative, if any.

(c) If the Administrative Judge's decision affirms that all or part of the debt is past due and legally enforceable, the Secretary will notify the IRS after the Administrative Judge's determination has been issued under paragraph (a) of this section and a copy of the determination is received by the Department's Office of Finance and Accounting. No referral will be made to the IRS if review of the debt by the Administrative Judge reverses the initial decision that the debt is past due and legally enforceable.

§ 17.154 Postponements, withdrawals and extensions of time.

(a) Postponements and withdrawals. The Secretary may, for good cause, postpone or withdraw referral of the debt to the IRS. (For example, a delay in the mail between the debtor and the Secretary could normally warrant a postponement; a mathematical error or computer malfunction could be the reason for a withdrawal.)

(b) Extensions of time. At the discretion of the Administrative Judge, time limitations required in these procedures may be extended in appropriate circumstances for good cause shown.

§ 17.155 Review of departmental records related to the debt.

(a) Notification by debtor. A debtor who intends to inspect or copy departmental records related to the debt as determined by the Secretary must send a letter to the Title I Representative stating his or her intention. The letter must be received by the Title I Representative within 25 calendar days from the date of the Department's Notice of Intent.

(b) Department's response. In response to timely notification by the debtor as described in paragraph (a) of this section, the Title I Representative will notify the debtor of the location and time when the debtor may inspect or copy departmental records related to the debt.
§ 17.156 Stay of offset.

If the debtor timely notifies the Secretary that he or she is exercising a right described in § 17.152(a) and timely submits evidence in accordance with § 17.152(b), any notice to the IRS will be stayed until the issuance of a written decision by the Administrative Judge which determines that a debt or part of a debt is past-due and legally enforceable.

§ 17.157 Application of offset funds:

Single debt.

If the debtor does not timely notify the Secretary that he or she is exercising a right described in § 17.152, the Secretary will notify the IRS of the debt no earlier than 65 calendar days from the date of the Department’s Notice of Intent, and will request that the amount of the debt be offset against any amount payable by the IRS as refund of Federal taxes paid. Normally, recovered funds will be applied first to costs of collection, then to any special charges provided for in HUD regulations or contracts, then to interest and finally, to the principal owed by the debtor.

§ 17.158 Application of offset funds:

Multiple debts.

The Secretary will use the procedures set out in § 17.157 for the offset of multiple debts. However, when collecting on multiple debts the Secretary will apply the recovered amounts against the debts in the order in which the debts accrued.

§ 17.159 Application of offset funds:

Tax refund insufficient to cover amount of debt.

If a tax refund is insufficient to satisfy a debt in a given tax year, the Secretary will recertify to the IRS the following year to collect further on the debt. If, in the following year, the debt has become legally unenforceable because of the lapse of the statute of limitations, the debt will be reported to the IRS as a forgiven debt in accordance with § 17.150(d).

§ 17.160 Time limitation for notifying the IRS to request offset of tax refunds due.

(a) The Secretary may not initiate offset of tax refunds due to collect a debt for which authority to collect arises under 31 U.S.C. 3716 more than 10 years after the Secretary’s right to collect the debt first accrued, unless facts material to the Secretary’s right to collect the debt were not known and could not reasonably have been known by the officials of the Department who were responsible for discovering and collecting such debts.

(b) When the debt first accrued is determined according to existing law regarding the accrual of debts. (See, for example, 28 U.S.C. 2415.)

§ 17.161 Correspondence with the Department.

(a) All correspondence from the debtor to the Board concerning the right to review as described in § 17.152 shall be addressed to the HUD Board of Contract Appeals, Room 2131, 451 Seventh Street SW., Washington, DC 20410-0500.

(b) The request for review of departmental records should be addressed to the Title I Representative whose address appears in the Notice of Intent of Offset. All requests for review of departmental records must be marked: Attention: Records Inspection Request.

(c) All other correspondence shall be addressed to the Department Claims Officer, Office of Finance and Accounting, Department of Housing and Urban Development, room 2202, Washington, DC 20410.

PART 18—INDEMNIFICATION OF HUD EMPLOYEES

Source: 62 FR 6036, Feb. 10, 1997, unless otherwise noted.

§ 18.1 Policy.

(a) The Department of Housing and Urban Development may indemnify, in
whole or in part, a Department employee (which for the purpose of this part includes a former Department employee) for any verdict, judgment or other monetary award which is rendered against any such employee, provided the Secretary or his or her designee determines that:

(1) The conduct giving rise to the verdict, judgment or award was taken within the scope of his or her employment with the Department; and

(2) Such indemnification is in the interest of the United States.

(b) The Department of Housing and Urban Development may settle or compromise a personal damage claim against a Department employee by the payment of available funds, at any time, provided the Secretary or his or her designee determines that:

(1) The alleged conduct giving rise to the personal damage claim was taken within the scope of employment; and

(2) That such settlement or compromise is in the interest of the United States.

(c) Absent exceptional circumstances, as determined by the Secretary or his or her designee, the Department will not entertain a request either to agree to indemnify or to settle a personal damage claim before entry of an adverse verdict, judgment or monetary award.

(d) When an employee of the Department becomes aware that an action has been filed against the employee in his or her individual capacity as a result of conduct taken within the scope of his or her employment, the employee should immediately notify his or her supervisor that such an action is pending. The supervisor shall promptly notify the head of his or her operating component and the Associate General Counsel for Litigation and Fair Housing Enforcement, if the supervisor is located at headquarters, or Field Assistant General Counsel—who shall promptly notify the Associate General Counsel for Litigation and Fair Housing Enforcement—if the supervisor is located in the field. As used in this section, the term "principal operating component" means an office in the Department headed by an Assistant Secretary, the General Counsel, the Inspector General, or an equivalent departmental officer who reports directly to the Secretary. Questions regarding representation of the employee will be determined by the Department of Justice pursuant to 28 CFR 50.15 (Representation of Federal officials and employees by Department of Justice attorneys or by private counsel furnished by the Department in civil, criminal, and congressional proceedings in which Federal employees are sued, subpoenaed, or charged in their individual capacities).

(e) The employee may, thereafter, request indemnification to satisfy a verdict, judgment or monetary award entered against the employee or to compromise a claim pending against the employee. The employee shall submit a written request, with appropriate documentation including a copy of the verdict, judgment, award or other order or settlement proposal, in a timely manner to the head of the employee's principal operating component. The head of the employee's principal operating component shall submit the written request and accompanying documentation, together with a recommended disposition of the request, in a timely manner to the General Counsel.

(f) The General Counsel shall seek the views of the Department of Justice on the request. Where the Department of Justice has rendered a decision denying representation of the employee pursuant to 28 CFR 50.15, the General Counsel shall seek the concurrence of the Department of Justice on the request. If the Department of Justice does not concur in the request, the General Counsel shall advise the employee and no further action on the employee's request shall be taken.

(g) In all instances except those where the Department of Justice has non-concurred in the request, the General Counsel shall forward for decision to the Secretary or his or her designee the employee's request, the recommendation of the head of the employee's principal operating component, the views of the Department of Justice, and the General Counsel's recommendation.

(h) Any payment under this part, either to indemnify a Department employee or to settle a personal damage
claim, is contingent upon the availability of appropriated funds of the Department that are permitted by law to be utilized for this purpose.

§ 20.5 Board powers.

(a) Board powers. The Board shall employ support personnel, as needed, and shall have all powers necessary and incident to the proper performance of the duties assigned to it.

(b) Disqualification. No Administrative Judge may act for the Board or participate in a decision if, prior to the time the appeal was filed, he or she had participated in the matter in any manner on behalf of an interested party.

Subpart B—Rules of the Department of Housing and Urban Development Board of Contract Appeals

§ 20.10 Rules.

(a) These rules govern the procedure in all matters before the Department of Housing and Urban Development Board of Contract Appeals, unless otherwise provided by applicable law or regulation. The Federal Rules of Civil Procedure may be applied where procedures are not otherwise provided in these rules. For applications and proceedings involving award of attorney fees and other expenses, the rules set forth in 24 CFR part 14 shall apply.

(b) Filing Requirements. A party shall file with the Board one original of any pleading or motion. That party shall simultaneously serve upon the other party of record one copy of that pleading or motion filed with the Board. Filings may be transmitted to the Board via facsimile. However, the original of any document transmitted to the Board by facsimile shall simultaneously be mailed to the Board.

(c) Alternative Disputes Resolution. The Administrative Dispute Resolution Act authorizes and encourages Federal agencies to use mediation, conciliation, arbitration, and other techniques for the prompt and informal resolution of disputes. With the mutual consent of the parties, the Board may assist in the resolution of disputes by Alternative Dispute Resolution (ADR) procedures. The utilization of ADR procedures shall not relieve the parties from the filing requirements or other orders.
of the Board relating to a contract appeal duly docketed before the Board.

(d) Equal Access to Justice Act. The Equal Access to Justice Act provides that agencies which conduct adversary adjudications "shall award, to a prevailing party other than the United States, fees and other expenses incurred in connection with that proceeding, unless the adjudicative officer of the agency finds that the position of the agency was substantially justified or that special circumstances make an award unjust." 5 U.S.C. §504. Prevailing parties in proceedings before the Board may apply for an award under the Act following the issuance by the Board of its final decision in the appeal.

PRELIMINARY PROCEDURES

Rule 1. Appeals, how taken.

(a) General. Notice of an appeal shall be in writing and mailed or otherwise furnished to the Board within 30 days from the date of receipt of a final written decision of the contracting officer.

(b) Contracting officer's failure to act-claim of $100,000 or less. Where the contractor has submitted a claim of $100,000 or less to the contracting officer and has requested a written decision within 60 days from receipt of the request, and the contracting officer has not issued the decision, the contractor may file a notice of appeal as provided in paragraph (a) of this section, citing the failure of the contracting officer to issue a decision.

(c) Contracting officer's failure to act-claim in excess of $100,000. Where the contractor has submitted a claim in excess of $100,000 to the contracting officer and the contracting officer has failed, within 60 days of submission of the claim, to issue a final written decision, or to advise the contractor of a date when the final written decision will be issued, the contractor may file a notice of appeal as provided in paragraph (a) of this section, citing the failure to issue a decision.

(d) Unreasonable delay by contracting officer. A contractor may request the Board to direct a contracting officer to issue a final written decision within a specified period of time, as determined by the Board, in the event of an unreasonable delay on the part of the contracting officer.

(e) Stay of proceedings. Upon docketing of appeals filed under paragraph (b) or (c) of this section, the Board may stay further proceedings pending issuance of a final decision by the contracting officer within the period of time determined by the Board.

A notice of appeal shall indicate that an appeal is being taken and shall identify the contract (by number), the department and agency involved in the dispute, the final written decision from which the appeal is taken, and the amount in dispute, if known. The notice of appeal shall be signed by the appellant (or the contractor making the appeal), or by the appellant's duly authorized representative or attorney. The complaint referred to in Rule 6 may be filed with the notice of appeal, or the appellant may designate the notice of appeal as a complaint, if it otherwise fulfills the requirements of a complaint. A notice of appeal from a final written decision of a contracting officer involving a claim in excess of $100,000 shall state that certification has been made as required under section 6(c)(1) of the Contract Disputes Act of 1978 (41 U.S.C. 606(c)(1)).

When a notice of appeal in any form has been received by the Board, it shall be docketed promptly. A written notice of docketing shall be transmitted to the appellant with a copy of these rules, to the contracting officer, and to HUD's Office of General Counsel.

(a) Duties of contracting officer. Within 30 days after receipt of notice from the Board that an appeal has been docketed, the contracting officer shall assemble and transmit to the Board (through HUD's Office of General Counsel) three copies of an appeal file consisting of all documents relevant to the appeal, including:

(1) The decision from which the appeal is taken;
(2) The contract including specifications and relevant amendments, plans, and drawings;
(3) All correspondence between the parties relevant to the appeal, including the appellant's letter or letters of claim;
(4) Transcripts of any testimony and affidavits or statements of any witnesses on the matter in dispute made prior to the filing of the notice of appeal with the Board; and
(5) Any additional information considered relevant to the appeal.

Upon receipt of the appeals file, the Board shall furnish the appellant and HUD's Office of General Counsel with true and exact copies of the appeal file.

(b) Duties of appellant. Within 30 days after receipt of a copy of the appeal file assembled by the contracting officer, the appellant shall transmit to the Board any documents not contained in the appeal file which are relevant to the appeal, and furnish two copies of these documents to the government trial attorney.
§ 20.10

(c) Organization of appeal file. Documents in the appeal file may be originals, legible facsimiles, or authenticated copies, and shall be arranged in chronological order where practicable, numbered sequentially, tabbed, and indexed to identify the contents of the file.

(d) Unusual documents. Upon request by either party, the Board may waive the requirement to furnish to the other party copies of bulky, lengthy, or out-of-size documents in the appeal file when inclusion would be burdensome. At the time a party files with the Board a document for which waiver has been granted, he or she shall notify the other party that the document or a copy is available for inspection at the offices of the Board or that the party is filing the document.

(e) Status of documents in appeal file. Documents contained in the appeal file are, without further action by the parties, part of the record upon which the Board will render its decision. However, a party may object, for reasons stated, to consideration of a particular document or documents within 30 days of receipt, unless good cause is shown for later objection. If an objection is made, the Board shall remove the document or documents from the appeal file and permit the party offering the document to move its admission as evidence in accordance with Rules 13 and 20.

(f) Waiver of filing of documents. Notwithstanding the foregoing, the filing of the Rule 4 (a) and (b) documents may be dispensed with by the Board either upon request of the appellant in the notice of appeal or thereafter upon stipulation of the parties.

Rule 5. Dismissal for lack of jurisdiction.

Any motion addressed to the jurisdiction of the Board shall be promptly filed. Hearing on the motion shall be afforded on application of either party. However, the Board may defer its decision on the motion pending hearing on both the merits and the motion. The Board may at any time raise the issue of its jurisdiction to proceed with a particular case by an appropriate order, affording the parties an opportunity to be heard on the issue.

Rule 6. Pleadings.

(a) Appellant. Within 30 days after receipt of notice of docketing of the appeal, the appellant shall file a complaint with the Board. The complaint shall set forth simple, concise and direct statements of each of the appellant's claims. Appellant shall also set forth the basis, with appropriate reference to contract provisions, of each claim and the dollar amount claimed, to the extent known. This pleading shall fulfill the generally recognized requirements of a complaint, although no particular form is required. Should the complaint not be received within 30 days, appellant's notice of appeal may, if in the opinion of the Board the issues before the Board are sufficiently defined, be deemed its complaint and the Government shall be so notified.

(b) Government. Within 30 days from receipt of the complaint, the Government shall file an answer with the Board. The answer shall set forth simple, concise and direct statements of Government's defenses to each claim asserted by appellant, including any affirmative defenses available.

Rule 7. Amendments of pleadings or record.

The Board, upon its own initiative or upon application by a party, may order a party to make a more definite statement of the complaint or answer, or to reply to an answer. The Board may, within the proper scope of the appeal, permit either party to amend its pleading upon conditions fair to both parties. When issues within the proper scope of the appeal, but not raised by the pleadings, are tried by express or implied consent of the parties, with the permission of the Board, they shall be treated in all respects as if they have been raised in the pleadings. In such instances, motions to amend the pleadings to conform to the proof may be entered, but are not required. If evidence is objected to at a hearing on the ground that it is not within the issues raised by the pleadings, it may be admitted within the proper scope of the appeal, provided, however, that the objecting party may be granted a continuance if necessary to enable it to meet this evidence.

Rule 8. Hearing election and motions.

(a) Hearing election. After the filing of the Government's answer or notice from the Board that it has entered a general denial on behalf of the Government, each party shall advise whether it desires a hearing as prescribed in Rules 17 through 25, or whether it elects to submit its case on the record without a hearing, as prescribed in Rule 11.

(b) Motions. (1) The Board may entertain any timely motion for an appropriate order. Application to the Board for an order shall be by motion which, unless made during a hearing, shall be made in writing, shall state with particularity the grounds for the motion and shall set forth the relief or order sought.

(2) The Board may, on its own motion, initiate any action by notice to the parties.

(3) Unless otherwise specified by the Board, a party who receives a motion shall file any answering material within 20 days after the date of receipt of the motion. The Board may require the presentation of briefs or arguments. The Board shall issue a decision on each motion that is appropriate and just to the parties.

(4) Affidavits in support of motions shall set forth such facts as would be admissible in
evidence and shall show affirmatively that the affiant is competent to testify to the matters stated in the affidavit. When a motion is made and supported as provided in this rule, a party opposing the motion who is represented by counsel may not rest upon the mere allegations or denials of his pleading; his response, by affidavits or as otherwise provided in this rule, must show that there is a genuine issue of fact or of law for decision. Should it appear from the affidavits of a party opposing the motion that for reasons stated he cannot present by affidavit facts essential to justify his opposition, the Board may deny the motion or may order a continuance to permit affidavits to be obtained or discovery to be had or may make such order as is just.

Based on an examination of the pleadings, and its determination of whether the arguments and authorities addressed to the issues are adequately set forth in the pleadings, the Board may require the parties to submit prehearing briefs. If the Board does not require prehearing briefs, either party may upon appropriate and sufficient notice to the other party, furnish a prehearing brief to the Board. In any case where a prehearing brief is submitted, it shall be furnished so as to be received by the Board at least 15 days prior to the date set for hearing, and a copy shall simultaneously be furnished to the other party.

Rule 10. Prehearing or presubmission conference.

(a) Conference. Whether the case is to be submitted under Rule 11, or heard under Rules 17 through 25, the Board may upon its own initiative, or upon the application of either party, arrange a telephone conference or call upon the parties to appear before an Administrative Judge for a conference to consider:

(1) Simplification, clarification, or severing of the issues;
(2) The possibility of obtaining stipulations, admissions, agreements and rulings on admissibility of documents, understandings on matters already on record, or similar agreements that will avoid unnecessary proof;
(3) Agreements and rulings to facilitate discovery;
(4) Limitation of the number of expert witnesses or avoidance of cumulative evidence;
(5) The possibility of agreement disposing of any or all of the issues in dispute; and
(6) Such other matters as may aid in the disposition of the appeal.

(b) Results of conference. The Administrative Judge shall make such rulings and orders as may be appropriate to achieve settlement by agreement of the parties or to aid in the disposition of the appeal. The results of the conference, including any rulings and orders, shall be reduced to writing by the Administrative Judge or the conference shall be transcribed. The writing or the transcript shall constitute a part of the record.

Rule 11. Submission without a hearing.

Either party may elect to waive its right to appear at a hearing and to submit its case upon the record before the Board, as set forth in this rule.

Rule 12. Optional small claims (expedited) and accelerated procedures. (These procedures are available solely at the election of the appellant.)

Rule 12.1 Elections to utilize small claims (expedited) and accelerated procedure.

(a) Election-dispute involving $50,000 or less. In appeals where the amount in dispute is $50,000 or less, the appellant may elect to have the appeal processed under a Small Claims (Expedited) procedure requiring decision of the appeal, whenever possible, within 120 days after the Board receives written notice of the appellant’s election. The details of this procedure appear in section 12.2 of this Rule.

(b) Election-dispute involving $100,000 or less. In appeals where the amount in dispute is $100,000 or less, the appellant may elect to have the appeal processed under an Accelerated procedure requiring decision of the appeal, whenever possible, within 180 days after the Board receives written notice of the appellant’s election. The details of this procedure appear in section 12.3 of this Rule.

(c) Notice of election. The appellant’s election of either the Small Claims (Expedited) procedure or the Accelerated procedure may be made by written notice within 60 days after receipt of notice of docketing the appeal unless this period is extended by the Board for good cause. The election may not be withdrawn except with permission of the Board and for good cause.

(d) Determination of amount in dispute. In deciding whether the Small Claims (Expedited) procedure or the Accelerated procedure is applicable to a given appeal, the Board shall determine the amount in dispute.

Rule 12.2 The small claims (expedited) procedure.

(a) Document submission and prehearing conference. In cases proceeding under the Small Claims (Expedited) procedure, the following time periods shall apply: (1) Within ten days from the Government's first receipt from either the appellant or the Board of a copy of the appellant's notice of election of the Small Claims (Expedited) procedure, the Government shall send the Board a copy of the contract, the contracting officer's final decision, and the appellant's letter or letters of complaint, if any; remaining documents required under Rule 4 shall be submitted in accordance with times specified in that rule unless the Board otherwise directs.

(2) Within 15 days after the Board has acknowledged receipt of appellant's notice of election, the assigned Administrative Judge shall take the following actions, if feasible, in an informal meeting or a telephone conference with both parties: (i) Identify and simplify the issues; (ii) establish a simplified procedure appropriate to the particular appeal; (iii) determine whether the appellant wants a hearing, and if so, fix a time and place for the hearing; (iv) require the Government to furnish all the additional documents relevant to the appeal, and (v) establish an expedited schedule for resolution of the appeal.

(b) Pleadings, discovery and other prehearing activity. Pleadings, discovery and other prehearing activity will be allowed only as consistent with the requirement to conduct the hearing on the date scheduled or, if no hearing is scheduled, to close the record on a date that will allow decisions within the 120-day limit. The Board may impose shortened time periods for any actions prescribed or allowed under these rules, as necessary to enable the Board to decide the appeal within the 120-day limit, and may reserve up to 30 days for preparation of the decision.

(c) Decision. The written decision by the Board in cases processed under the Small Claims (Expedited) procedure will be short and contain only summary findings of fact and conclusions. Decisions will be rendered for the Board by a single Administrative Judge. If there has been a hearing, the Administrative Judge presiding at the hearing may at the conclusion of the hearing and after entertaining oral arguments as deemed appropriate, render on the record oral summary findings of fact, conclusions, and a decision of the Appeal. Whenever an oral decision is rendered, the Board will subsequently furnish the parties a typed copy of the oral decision (or a copy of the transcript of the hearing) for record and payment purposes, and to establish the starting date for the period for filing a motion for reconsideration under Rule 29.

(d) Effect of decision. A decision issued under the Small Claims (Expedited) procedure shall have no value as precedent and, in the absence of fraud shall be final and conclusive and may not be appealed or set aside.

Rule 12.3 The accelerated procedure.

(a) Waiver of pleadings, discovery and briefs. In cases proceeding under the Accelerated procedure, the parties are encouraged, to the extent possible consistent with adequate presentation of their factual and legal positions, to waive pleadings, discovery, and briefs.

(b) Pleadings, discovery, and other prehearing activity. Pleadings, discovery and other prehearing activity will be allowed only as consistent with the requirement to conduct the hearing on the dates scheduled or, if no hearing is scheduled, to close the record on a date that will allow decision within the 180-day limit. The Board may shorten time periods for any actions prescribed or allowed under these rules, as necessary to enable the Board to decide the appeal within the 180-day limit, and may reserve up to 30 days for preparation of the decision.

(c) Decision. Written decisions by the Board in cases processed under the Accelerated procedure will normally be short and contain only summary findings of fact and conclusions. In cases where the amount in dispute is $50,000 or less where the Accelerated procedure has been elected and where there has been a hearing, the single Administrative Judge presiding at the hearing may, with the concurrence of both parties, at the conclusion of the hearing and after entertaining such oral arguments as deemed appropriate, render on the record oral summary findings of fact, conclusions, and a decision of the appeal. Whenever an oral decision is rendered, the Board will subsequently furnish the parties a typed copy of the oral decision (or a copy of the transcript of the hearing) for record and payment purposes, and to establish the starting date for the period for filing a motion for reconsideration under Rule 29.

Rule 12.4 Motions for reconsideration in Rule 12 cases.

Motions for Reconsideration of cases decided under either the Small Claims (Expedited) procedure or the Accelerated procedure need not be decided within the original 120-day or 180-day limit, but all such motions shall be processed and decided rapidly to fulfill the intent of this Rule.

Rule 13. Setting the record.

(a) Contents of record. The record upon which the Board's decision will be rendered consists of the documents in the appeal file furnished under Rule 4 or 12 (unless removed
by the Board and the following items, if any: Pleadings, prehearing conference memoranda or orders, prehearing briefs, depositions or interrogatories admitted into evidence, stipulations, transcripts of conferences and hearings, exhibits admitted into evidence, posthearing briefs, orders of the Board, and documents which the Board has specifically designated to be made a part of the record. The record will, at all reasonable times, be available for inspection by the parties at the office of the Board.

(c) Weight of evidence. The weight to be attached to any evidence of record will rest within the sound discretion of the Board. The Board may in any case require either party, with appropriate notice to the other party, to submit additional evidence on any matter relevant to the appeal.

(a) General policy and protective orders. The parties are encouraged to engage in voluntary discovery procedures. In connection with any discovery procedure under this rule or rule 15, the Board may make any order required to protect a party or person from annoyance, embarrassment, or undue burden or expense. Those orders may include limitations on the scope, method, time and place for discovery, and provisions for protecting the secrecy of confidential information or documents.

(b) When depositions permitted. After an appeal has been docketed and complaint filed with the Board, a party may serve on the other party: (a) Written interrogatories to be answered separately in writing, signed under oath and answered or objected to within 30 days; (b) a request for the admission of specified facts or the authenticity of any documents, to be answered or objected to within 30 days after service; the factual statements and the authenticity of the documents to be deemed admitted upon failure of a party to respond to the request; and (c) a request for the production, inspection and copying of any documents or objects not privileged, which reasonably may lead to the discovery of admissible evidence.

Rule 15. Interrogatories to parties, admission of facts, and production and inspection of documents.

(e) Expenses. Each party shall bear its own expenses associated with the taking of any depositions.

Rule 16. Filing and service of papers other than subpoenas.

Papers shall be considered filed with the Board when mailed or otherwise furnished to the Board. Papers shall be served upon parties personally or by mail, addressed to the party upon whom service is to be made. Timely filing and service by facsimile transmission (telecopier) is permissible provided that the original telecopied document is promptly mailed or served thereafter in the manner specified by this rule. Except as provided in rule 4(a), the party filing any paper with the Board shall simultaneously serve a copy of the paper upon the opposing party, and shall file a certificate of service with the Board indicating that a copy has been so served. Subpoenas shall be served as provided in rule 21.

HEARINGS

Rule 17. Where and when held.

Hearings will be held at places determined by the Board to best serve the interest of the parties and the Board. Hearings will be scheduled at the discretion of the Board with due consideration to the regular order of appeals, rule 12 requirements, the convenience of the parties, the requirement for just and inexpensive determination of appeals without necessary delay, and other pertinent factors. On request or motion by either party and for good cause, the Board may adjourn the date of a hearing.

Parties shall be given not less than 20 days notice of the time and place for hearing, unless otherwise agreed. The notice of hearing shall be sent by certified mail (return receipt requested).
§ 20.10

Rule 19. Unexcused absence of a party.

The unexcused absence of a party at the time and place set for hearing will not be occasion for delay. Notwithstanding the provisions of Rule 31, in the event of an unexcused absence: (a) The appeal will be dismissed with prejudice for want of prosecution; or (b) the hearing will proceed and the case will be regarded as submitted on the record by the absent party.

Rule 20. Hearings; conduct; examination of witnesses.

(a) Conduct of hearings. Hearings shall be as informal as may be reasonable and appropriate under the circumstances. Appellant and the Government may offer such evidence as would be admissible under the Federal Rules of Evidence or as otherwise determined to be reliable and relevant by the presiding Administrative Judge. Stipulations of fact agreed upon by the parties may be regarded and used as evidence at the hearing. The parties may stipulate the testimony that would be given by a witness if the witness were present. The Board may require evidence in addition to that offered by the parties.

(b) Examination of witnesses. Oral testimony given at the Board shall generally be given under oath or affirmation. However, if the testimony of a witness is not given under oath or affirmation, the Board shall advise the witness that his statements may be submitted on the record by the opposing party.

(a) General. Upon written request of either party filed with the Board or on the Administrative Judge's initiative, the Administrative Judge to whom a case is assigned or who is otherwise designated by the Chairman may issue a subpoena requiring:

1. Testimony at a deposition—the depositing of a witness in the city or county where he or she resides, is employed or transacts business in person, or at another location convenient for the witness that is specifically determined by the Board;

2. Testimony at a hearing—the attendance of a witness for the purpose of taking testimony at a hearing; and

3. Production of books and papers—the production by the witness at the deposition or hearing of books and papers designated in the subpoena.

(b) Voluntary cooperation. Each party is expected (1) to cooperate and make available witnesses and evidence under its control as requested by the other party, without issuance of a subpoena, and (2) to secure voluntary attendance of desired third-party witnesses and production of desired third-party books, papers, documents, or tangible things whenever possible.

(c) Requests for subpoenas. (1) A request for a subpoena shall normally be filed at least:

(i) 15 days before a scheduled deposition where the attendance of a witness at a deposition is sought;

(ii) 30 days before a scheduled hearing where the attendance of a witness at a hearing is sought.

In its discretion the Board may honor requests for subpoenas not made within these time limitations.

(2) A request for a subpoena shall state the reasonable scope and general relevance to the case of the testimony and of any books and papers sought.

(d) Requests to quash or modify. Upon written request by the person subpoenaed or by a party, made within 10 days after service but in any event not later than the time specified in the subpoena for compliance, the Board may (1) quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown, or (2) require the person in whose behalf the subpoena was issued to advance the reasonable cost of producing subpoenaed books and papers. Where circumstances require, the Board may act upon such a request at any time after a copy of the request has been served upon the opposing party.

(e) Form; issuance. (1) Every subpoena shall state the name of the Board and the title of the appeal, and shall command each person to whom it is directed to attend and give testimony, and if appropriate, to produce specified books and papers at the time and place specified in the subpoena. In issuing a subpoena to a requesting party, the Administrative Judge shall sign the subpoena and may, in his discretion, enter the name of the witness and otherwise leave it blank. The party to whom the subpoena is issued shall complete the subpoena before service.

(2) Where the witness is located in a foreign county, a letter rogatory or subpoena may be issued and served under the circumstances and in the manner provided in 28 U.S.C. 1781-1784.

(f) Service. (1) The party requesting issuance of a subpoena shall be responsible for service.

(2) A subpoena requiring the attendance of a witness at a deposition or hearing may be served (i) by sending a copy of the subpoena by certified mail (return receipt requested) to the last known address of the party named in the subpoena, or (ii) by personal delivery of a copy of the subpoena to the party named in the subpoena, by a United States marshal or deputy marshal, or by any other person who is not a party and not less than 18 years of age. Service shall include the tender of the
fees for one day’s attendance and the mileage provided by 28 U.S.C. 1821 or other applicable law; however, where the subpoena is issued on behalf of the Government, money payments need not be tendered in advance of attendance.

(3) The party at whose instance a subpoena is issued shall be responsible for the payment of fees and mileage of the witness and for the costs of service of the subpoena.

(g) Contumacy or refusal to obey subpoena. In case of contumacy or refusal to obey a subpoena by a person who resides, is found, or transacts business within the jurisdiction of a United States District Court, the Board will apply to the Court through the Attorney General of the United States for an order requiring the person to appear before the Board or a member of the Board to give testimony or produce evidence or both.

Rule 22. Copies of papers.
When books, records, papers, or documents have been received in evidence, a true copy of this evidence or a copy of any material or relevant part of this evidence may be substituted during or at the conclusion of the hearing.

Rule 23. Posthearing briefs.
The presiding Administrative Judge may order the parties to submit post hearing briefs to the Board.

Rule 24. Transcript of proceedings.
Testimony and argument at hearings shall be reported verbatim, unless the Board otherwise orders. Extra transcripts or copies of the proceedings in the possession of the board may be supplied to the parties. Otherwise, the parties may obtain transcripts or copies of the proceedings from the hearing reporter.

Rule 25. Withdrawal of exhibits.
After a decision has become final the Board may, upon request and after notice to the other party, permit the withdrawal of original exhibits, or any part of original exhibits by the party entitled to the exhibits. The substitution of true copies of exhibits or any part of exhibits may be required by the Board as a condition of granting permission for the withdrawal.

REPRESENTATION
An individual appellant may appear before the Board in person; a corporation by one of its duly authorized officers; and a partnership or joint venture by one of its duly authorized members; or any of these by an attorney at law duly licensed in any State, commonwealth, territory, the District of Columbia, or in a foreign country. An attorney representing an appellant shall file a written notice of appearance with the Board.

Rule 27. Government.
Government counsel may, in accordance with their authority, represent the interests of the Government before the Board. They shall file notices of appearance with the Board. This notice of appearance will be given appellant or appellant’s attorney in the form specified by the Board from time to time. Whenever an appellant and the Government are in agreement as to disposition of the controversy, the Board may suspend further processing of the appeal. However, if the Board is advised by either party that the controversy has not been disposed of by agreement, the case shall be restored to the Board’s calendar without loss of position.

DECISIONS
Decisions of the Board shall be made in writing. Copies of the decision shall be forwarded simultaneously to both parties. The rules of the Board and all final orders and decisions (except those required for good cause to be held confidential and not cited as precedents) shall be open for public inspection at the offices of the Board in Washington, DC. Decisions of the Board shall be made solely upon the record, as described in Rule 13. Oral decisions shall be rendered in accordance with Rules 12.2(c) and 12.3(c).

MOTION FOR RECONSIDERATION
Rule 29. Motion for reconsideration.
A motion for reconsideration may be filed by either party. It shall set forth specifically the grounds relied upon to sustain the motion. The motion shall be filed within 30 days from the date of the receipt of a copy of the decision of the Board by the party filing the motion.

DISMISSELS AND DEFAULTS
Rule 30. Dismissal without prejudice.
In certain cases, appeals docketed before the Board are required to be placed in a suspended status and the Board is unable to proceed with disposition for reasons not within the control of the Board. Where the suspension has continued, or may continue, for an inordinate length of time, the Board may dismiss such appeals from its docket without prejudice to their restoration to the docket when the cause of suspension has been removed. Unless either party or the Board acts within three years to reinstate any appeal dismissed without prejudice, the dismissal shall be considered to be with prejudice.
Rule 31. Dismissal or default for failure to prosecute or defend.

Whenever a record discloses the failure of either party to file documents required by these rules, respond to notices or correspondence from the Board, comply with orders of the Board, or otherwise indicates an intention not to continue the prosecution or defense of an appeal, the Board may, in the case of a default by the appellant, issue an order to show cause why the appeal should not be dismissed with prejudice or, in the case of a default by the Government, issue an order to show cause why the Board should not act under Rule 33. If good cause is not shown, the Board may take appropriate action.

REMAND

Rule 32. Remand from court.

Whenever any court remands a case to the Board for further proceedings, each of the parties shall, within 20 days of the remand, submit a report to the Board recommending procedures to be followed to comply with the court's order. The Board shall consider any timely filed reports and enter special orders governing the handling of the remanded case. To the extent the court's directive and time limitations permit, these orders shall conform to these rules.

SANCTIONS

Rule 33. Sanctions.

If any party fails or refuses to obey an order issued by the Board, the Board may then make such order as it considers necessary to the just and expeditious conduct or dismissal of the appeal.

MISCELLANEOUS PROCEDURES

Rule 34. Applicability.

These rules shall apply to all appeals relating to contracts entered into on or after March 1, 1979, and, to appeals relating to earlier contracts, with respect to claims pending before the contracting officer on March 1, 1979 or initiated thereafter, if the contractor elects to proceed under the Act.

Rule 35. Time, computation, and extensions.

(a) General. Where possible, procedural actions should be taken in less time than the maximum time allowed. Where appropriate and justified, extensions of time shall be granted. All requests for extensions of time shall be in writing and shall be filed before the due date, unless excused.

(b) Computation. In computing any period of time, the day of the event from which the designated period of time begins to run shall not be included, but the last day of the period shall be included except that the period shall begin on the next business day, Sunday, or a legal holiday, in which event the period shall run to the end of the next business day.

Rule 36. Ex parte communications.

(a) Definition. An ex parte communication is any communication with a member of the Board, direct or indirect, oral or written, concerning the merits of matters in issue of any pending proceeding which is made by a party in the absence of any other party. Ex parte communications do not include communications where:

§ 24.115 Policy.

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment and suspension are discretionary actions that, taken in accordance with Executive Order 12549 and these regulations, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government’s protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in these regulations.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one
agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

§ 24.210

Subpart B—Effect of Action

§ 24.200 Debarment or suspension.

(a) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to § 24.215.

(b) Lower tier covered transactions. Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see §24.110(a)(1)(ii)) for the period of their exclusion.

(c) Exceptions. Debarment or suspension does not affect a person’s eligibility for—

(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(2) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

(3) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

(4) Federal employment;

(5) Transactions pursuant to national or agency-recognized emergencies or disasters;

(6) Incidental benefits derived from ordinary governmental operations; and

(7) Other transactions where the application of these regulations would be prohibited by law.

(8) Debarment for any of the causes set forth in §24.305(f) shall have no governmentwide effect.

(9) Sanctions imposed on an individual participant under this part shall not preclude the participant from selling his or her principal residence to a purchaser using HUD/FHA financing.

(d) Relationship to HUD administrative sanction procedures—(1) Sanctions provided pursuant to contract provisions. Nothing in this part shall impair or limit the right to impose any sanction provided for by contract, including guaranty agreements with the Government National Mortgage Association.

(2) Other Departmental sanctions. Where an office of the Department is required by statute, regulation, or Executive Order to follow administrative sanction procedures that may differ from the requirements of this part, the requirements of the statute, regulation, or Executive Order shall take precedence. These alternative procedures include, but are not limited to: 24 CFR part 200 Previous Participation Review and Clearance procedures, 24 CFR part 25 Mortgagee Review Board administrative actions, and 24 CFR part 570 Community Development Block Grant corrective and remedial actions.

§ 24.205 Ineligible persons.

Persons who are ineligible, as defined in §24.105(i), are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

§ 24.210 Voluntary exclusion.

Persons who accept voluntary exclusions under §24.315 are excluded in accordance with the terms of their settlements. HUD shall, and participants may, contact the original action agency to ascertain the extent of the exclusion.
§ 24.215 Exception provision.

HUD may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and §24.200. However, in accordance with the President’s stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with §24.505(a).

[60 FR 33041, 33048, June 26, 1995]

§ 24.220 Continuation of covered transactions.

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in §24.215.

[60 FR 33041, 33048, June 26, 1995]

§ 24.225 Failure to adhere to restrictions.

(a) Except as permitted under §24.215 or §24.220, a participant shall not knowingly do business under a covered transaction with a person who is—

1. Debarred or suspended;

2. Proposed for debarment under 48 CFR part 9, subpart 9.4; or

3. Ineligible or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction (See appendix B of these regulations), unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

Subpart C—Debarment

§ 24.300 General.

The debarring official may debar a person for any of the causes in §24.305, using procedures established in §§24.310 through 24.314. The existence of a cause for debarment, however, does not necessarily require that the person be debarred; the seriousness of the person’s acts or omissions and any mitigating factors shall be considered in making any debarment decision.

§ 24.305 Causes for debarment.

Debarment may be imposed in accordance with the provisions of §§24.300 through 24.314 for:

(a) Conviction of or civil judgment for:

1. Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

2. Violation of Federal or State antitrust statutes, including those prescribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

3. Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property,
making false claims, or obstruction of justice; or
(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.
(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:
(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;
(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or
(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.
(c) Any of the following causes:
(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, the effective date of these regulations, or a procurement debarment by any Federal agency taken pursuant to 48 CFR subpart 9.4;
(2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction, except as permitted in §24.215 or §24.220;
(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor's legal and administrative remedies have been exhausted;
(4) Violation of a material provision of a voluntary exclusion agreement entered into under §24.315 or of any settlement of a debarment or suspension action; or
(5) Violation of any requirement of subpart F of this part, relating to providing a drug-free workplace, as set forth in §24.615 of this part.
(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.
(e) Debarment of a contractor may be imposed for any of the causes in paragraphs (a), (b), and (d). For purposes of this section, agreement is deemed to include contracts or subcontracts.
(f) In addition to the causes set forth above, HUD may debar a person from participating in any programs or activities of the Department for material violation of a statutory or regulatory provision or program requirement applicable to a public agreement or transaction including applications for grants, financial assistance, insurance or guarantees, or to the performance of requirements under a grant, assistance award or conditional or final commitment to insure or guarantee.

§ 24.310 Procedures.
HUD shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§24.311 through 24.314.

§ 24.311 Investigation and referral.
Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

§ 24.312 Notice of proposed debarment.
A debarment proceeding shall be initiated by notice to the respondent advising:
(a) That debarment is being considered;
(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;
(c) Of the cause(s) relied upon under §24.305 for proposing debarment;
(d) Of the provisions of §24.311 through §24.314, and any other HUD procedures, if applicable, governing debarment decisionmaking; and
(e) Of the potential effect of a debarment.
§ 24.313 Opportunity to contest proposed debarment.

(a) Submission in opposition. Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(1) The information and argument should be addressed to the Debarment Docket Clerk, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410.

(2) If the respondent does not contest the proposed debarment within the 30 day period, the proposed debarment shall become final.

(3) If the respondent desires a hearing, it shall submit a written request to the Debarment Docket Clerk within the 30-day period following receipt of the notice of proposed debarment.

(4) The parties may agree to engage in an alternative dispute resolution, including informal conference, mediation, conciliation, summary trial with binding decision, minitrial, or use of a settlement judge.

(b) Additional proceedings as to disputed material facts.

(1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

(i) Upon the agreement of the parties, the additional proceedings may be recorded using audiotape without transcription. The audiotape shall be made available at cost to the respondent.

(ii) [Reserved]

[60 FR 33049, June 26, 1995]

§ 24.314 Debarring official’s decision.

(a) No additional proceedings necessary. In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

(1) The debarring official may, in his or her discretion, refer actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, to a hearing officer or other official for review of the administrative record and appropriate findings. The hearing officer or other official shall issue such findings within 45 days after the referral, and the debarring official shall issue a decision within 15 days after the date of the findings, unless such periods are extended for good cause.

(2) [Reserved]

(b) Additional proceedings necessary.

(1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(i) The debarring official may refer disputed material facts and issues of law to a hearing officer for findings of fact and conclusions of law.

(A) No appeal to the Secretary may be taken under §§ 26.24 through 26.26 of this title with respect to any order or decision by a hearing officer or other official.

(B) The debarring official shall provide the hearing officer or other official with all the information in the administrative record, including any information and argument submitted by
the respondent. The administrative record and any documents admitted at the hearing shall constitute the exhibits in evidence.

(ii) Unless the parties mutually agree to extend this period, a proceeding before a hearing officer or other official shall commence within 45 days after referral of the case by the debarring official. The hearing officer or other official shall issue findings of fact within 30 days after the conclusion of such additional proceedings. The time limitations of this subparagraph may be extended upon issuance, by the debarring official, hearing officer or other official, of a written notice describing good cause for such extension.

(3) The debarring official’s decision shall be made after the conclusion of the proceedings with respect to the disputed facts.

(i) Such decision shall be made within 15 days after the hearing officer or other official issues findings of fact.

(ii) [Reserved]

(c)(1) Standard of proof. In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.

(2) Burden of proof. The burden of proof is on the agency proposing debarment.

(d) Notice of debarring official’s decision. (1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:

(i) Referring to the notice of proposed debarment;

(ii) Stating the reasons for debarment;

(iii) Specifying the period of debarment, including effective dates; and

(iv) Advising that the debarment is effective for covered transactions throughout the executive branch of the Federal Government unless an agency head or an authorized designee makes the determination referred to in §24.215.

(A) Where a debarment is based solely on §24.305(f), the notice of the debarring official’s decision shall advise that the debarment is effective for programs or activities of the Department.

(B) [Reserved]

(2) If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice to a subsequent imposition of debarment by any other agency.

§24.315 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, HUD may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E).

§24.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see §24.305(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§24.311 through 24.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official
may grant such a request for reasons including, but not limited to:
(1) Newly discovered material evidence;
(2) Reversal of the conviction or civil judgment upon which the debarment was based;
(3) Bona fide change in ownership or management;
(4) Elimination of other causes for which the debarment was imposed; or
(5) Other reasons the debarring official deems appropriate.

(d) Where respondent's request to reduce the period or scope of debarment is based on reasons set forth in paragraphs (c)(4) or (5) of this section, such request may not be submitted earlier than six months after the final decision to debar. In no event may more than one such request be submitted within any 12-month period.

§ 24.325 Scope of debarment.

(a) Scope in general. (1) Debarment of a person under these regulations constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§ 24.311 through 24.314).

(3) Debarment of a contractor under these regulations, or by another Federal agency pursuant to 48 CFR subpart 9.4, constitutes debarment of all its divisions and other organizational elements from all Federal procurement, unless the debarment is limited by its terms to one or more specifically identified individuals, divisions, or other organizational elements or to specific types of contracts. The debarment may be extended to include any affiliates of the contractor, if they are specifically named, given written notice of the proposed debarment, and provided with an opportunity to respond.

(b) Imputing conduct. For purposes of determining the scope of debarment, conduct may be imputed as follows:
(1) Conduct imputed to participant. The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual's performance of duties for or on behalf of the participant, or with the participant's knowledge, approval, or acquiescence. The participant's acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(2) Conduct imputed to individuals associated with participant. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant's conduct.

(3) Conduct of one participant imputed to other participants in a joint venture. The fraudulent, criminal, or other seriously improper conduct of one participant in a joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement or with the knowledge, approval, or acquiescence of these participants. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(4) The provisions of paragraphs (b)(1) through (3) of this section are also applicable for purposes of imputing conduct to a contractor.

Subpart D—Suspension

§ 24.400 General.
(a) The suspending official may suspend a person for any of the causes in §24.405 using procedures established in §§24.410 through 24.413.
(b) Suspension is a serious action to be imposed only when:
(1) There exists adequate evidence of one or more of the causes set out in §24.405, and
(2) Immediate action is necessary to protect the public interest.
(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 24.405 Causes for suspension.
(a) Suspension may be imposed in accordance with the provisions of §§24.400 through 24.413 upon adequate evidence:
(1) To suspect the commission of an offense listed in §24.305(a); or
(2) That a cause for debarment under §24.305 may exist.
(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 24.410 Procedures.
(a) Investigation and referral. Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.
(b) Decisionmaking process. HUD shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in §24.411 through §24.413.

§ 24.411 Notice of suspension.
When a respondent is suspended, notice shall immediately be given:
(a) That the suspension has been imposed;
(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;
(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government’s evidence;
(d) Of the cause(s) relied upon under §24.405 for imposing suspension;
(e) That the suspension is for a temporary period pending the completion of an investigation or ensuing legal, debarment or Program Fraud Civil Remedies Act proceedings;
(f) Of the provisions of §§24.411 through 24.413 and any other HUD procedures, if applicable, governing suspension decisionmaking; and
(g) Of the effect of the suspension.

§ 24.412 Opportunity to contest suspension.
(a) Submission in opposition. Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

[53 FR 19182 and 19204, May 26, 1988, as amended at 60 FR 33050, June 26, 1995]
(4) The parties may agree to engage in an alternative dispute resolution, including informal conference, mediation, conciliation, summary trial with binding decision, minitrial, or use of a settlement judge.

(b) Additional proceedings as to disputed material facts. (1) If the suspending official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witnesses the agency presents, unless:
   (i) The action is based on an indictment, conviction or civil judgment; or
   (ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.
   (i) Upon the agreement of the parties, the additional proceedings may be recorded using audiotape without transcription. The audiotape shall be made available at cost to the respondent.
   (ii) [Reserved]

§ 24.413  Suspending official's decision.

The suspending official may modify or terminate the suspension (see § 24.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) No additional proceedings necessary. In actions based upon an indictment, conviction, or civil judgment, in which there is no genuine dispute over material facts, or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(1) The suspending official may, in his or her discretion, refer actions based upon an indictment, conviction or civil judgment, or in which there is no genuine dispute over material facts, to a hearing officer or other official for review of the administrative record and appropriate findings. The hearing officer or other official shall issue such findings within 45 days after the referral, and the suspending official shall issue a decision within 15 days after the date of such findings, unless such periods are extended for good cause.

(2) [Reserved]

(b) Additional proceedings necessary. (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(3) The suspending official may refer disputed material facts and issues of law to a hearing officer for findings of fact and conclusions of law.

(i) No appeal to the Secretary may be taken under §§ 26.24 through 26.26 of this title with respect to any order or decision by a hearing officer or other official.

(ii) The suspending official shall provide the hearing officer or other official with all the information in the administrative record, including any information and argument submitted by
the respondent. The administrative record and any documents admitted at the hearing shall constitute the exhibits in evidence.

(4) Unless the parties mutually agree to extend this period, a proceeding before a hearing officer or other official shall commence within 45 days after referral of disputed material facts and issues of law by the suspending official. The hearing officer or other official shall issue findings of fact within 30 days after the conclusion of such additional proceedings. The time limitations of this subparagraph may be extended upon issuance, by the suspending official, other official or hearing officer, of a written notice describing good cause for such extension.

(5) The suspending official’s decision shall be made within 15 days after the hearing officer or other official issues findings of fact.

(c) Notice of suspending official’s decision. Prompt written notice of the suspending official’s decision shall be sent to the respondent.

§ 24.415 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

§ 24.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see §24.325), except that the procedures of §§24.410 through 24.413 shall be used in imposing a suspension.

Subpart E—Responsibilities of GSA, Agency and Participants

§ 24.500 GSA responsibilities.

§ 24.610 Coverage.
(a) This subpart applies to any grantee of the agency.
(b) This subpart applies to any grant, except where application of this subpart would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government. A determination of such inconsistency may be made only by the agency head or his/her designee.
(c) The provisions of subparts A, B, C, D and E of this part apply to matters covered by this subpart, except where specifically modified by this subpart. In the event of any conflict between provisions of this subpart and other provisions of this part, the provisions of this subpart are deemed to control with respect to the implementation of drug-free workplace requirements concerning grants.

§ 24.615 Grounds for suspension of payments, suspension or termination of grants, or suspension or debarment.
A grantee shall be deemed in violation of the requirements of this subpart if the agency head or his or her official designee determines, in writing, that—

(b) With respect to a grantee other than an individual—

§ 24.625 Exception provision.
The agency head may waive with respect to a particular grant, in writing, a suspension of payments under a grant, suspension or termination of a grant, or suspension or debarment of a grantee if the agency head determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

§ 24.630 Certification requirements and procedures.
(a)(1) As a prior condition of being awarded a grant, each grantee shall make the appropriate certification to the Federal agency providing the grant, as provided in appendix C to this part.
(2) Grantees are not required to make a certification in order to continue receiving funds under a grant awarded before March 18, 1989, or under a no-cost time extension of such a grant. However, the grantee shall make a one-time drug-free workplace certification for a non-automatic continuation of such a grant made on or after March 18, 1989.
(b) Except as provided in this section, all grantees shall make the required certification for each grant. For mandatory formula grants and entitlements that have no application process, grantees shall submit a one-time
certification in order to continue receiving awards.

(c) A grantee that is a State may elect to make one certification in each Federal fiscal year. States that previously submitted an annual certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. Except as provided in paragraph (d) of this section, this certification shall cover all grants to all State agencies from any Federal agency. The State shall retain the original of this statewide certification in its Governor’s office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency has designated a central location for submission.

(d)(1) The Governor of a State may exclude certain State agencies from the statewide certification and authorize these agencies to submit their own certifications to Federal agencies. The statewide certification shall name any State agencies so excluded.

(2) A State agency to which the statewide certification does not apply, or a State agency in a State that does not have a statewide certification, may elect to make one certification in each Federal fiscal year. State agencies that previously submitted a State agency certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. The State agency shall retain the original of this State agency-wide certification in its central office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency designates a central location for submission.

(3) When the work of a grant is done by more than one State agency, the certification of the State agency directly receiving the grant shall be deemed to certify compliance for all workplaces, including those located in other State agencies.

(e)(1) For a grant of less than 30 days performance duration, grantees shall have this policy statement and program in place as soon as possible, but in any case by a date prior to the date on which performance is expected to be completed.

(2) For a grant of 30 days or more performance duration, grantees shall have this policy statement and program in place within 30 days after award.

(3) Where extraordinary circumstances warrant for a specific grant, the grant officer may determine a different date on which the policy statement and program shall be in place.

§ 24.635 Reporting of and employee sanctions for convictions of criminal drug offenses.

(a) When a grantee other than an individual is notified that an employee has been convicted for a violation of a criminal drug statute occurring in the workplace, it shall take the following actions:

(1) Within 10 calendar days of receiving notice of the conviction, the grantee shall provide written notice, including the convicted employee’s position title, to every grant officer, or other designee on whose grant activity the convicted employee was working, unless a Federal agency has designated a central point for the receipt of such notifications. Notification shall include the identification number(s) for each of the Federal agency’s affected grants.

(2) Within 30 calendar days of receiving notice of the conviction, the grantee shall do the following with respect to the employee who was convicted.

(i) Take appropriate personnel action against the employee, up to and including termination, consistent with requirements of the Rehabilitation Act of 1973, as amended; or

(ii) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency.

(b) A grantee who is an individual who is convicted for a violation of a criminal drug statute occurring during the conduct of any grant activity shall report the conviction, in writing, within 10 calendar days, to his or her Federal agency grant officer, or other designee, unless the Federal agency has designated a central point for the receipt of such notices. Notification shall include the identification number(s)

Subpart G—Limited Denial of Participation

§ 24.700 General.
Officials who may order a limited denial of participation. HUD officials, as designated by the Secretary, are authorized to order a limited denial of participation affecting any participant or contractor and its affiliates, except HUD-FHA approved mortgagees. In each case, even if the offense or violation is of a criminal, fraudulent or other serious nature, the decision to order a limited denial of participation shall be discretionary and in the best interests of the Government.

[59 FR 18482, Apr. 19, 1994]

§ 24.705 Causes for a limited denial of participation.

(a) Causes. A limited denial of participation shall be based upon adequate evidence of any of the following causes:

(1) Approval of an applicant for insurance would constitute an unsatisfactory risk;
(2) Irregularities in a participant’s or contractor’s past performance in a HUD program;
(3) Failure of a participant or contractor to maintain the prerequisites of eligibility to participate in a HUD program;
(4) Failure to honor contractual obligations or to proceed in accordance with contract specifications or HUD regulations;
(5) Failure to satisfy, upon completion, the requirements of an assistance agreement or contract;
(6) Deficiencies in ongoing construction projects;
(7) Falsely certifying in connection with any HUD program, whether or not the certification was made directly to HUD;
(8) Commission of an offense listed in § 24.305;
(9) Violation of any law, regulation, or procedure relating to the application for financial assistance, insurance or guarantee, or to the performance of obligations incurred pursuant to a grant of financial assistance or pursuant to a conditional or final commitment to insure or guarantee;
(10) Making or procuring to be made any false statement for the purpose of influencing in any way an action of the Department;
(11) Imposition of a limited denial of participation by any other HUD regional or field office.
(12) Debarment or suspension by another Federal agency for any cause substantially the same as provided in § 24.305.

(b) Indictment. Indictment or Information shall constitute adequate evidence for the purpose of limited denial of participation actions.

(c) Limited denial of participation. Imposition of a limited denial of participation by any other HUD office shall constitute adequate evidence for a concurrent limited denial of participation. Where such a concurrent limited denial of participation is imposed, participation may be restricted on the same basis without the need for additional conference or further hearing.

§ 24.710 Period and scope of a limited denial of participation.

(a) The scope of a limited denial of participation shall be as follows:

(1) A limited denial of participation generally extends only to participation in the program under which the cause arose, except: Where it is based on an indictment, conviction, or suspension or debarment by another agency, it need not be based on offenses against HUD and it may apply to all programs.
(2) For purposes of this subpart, participation includes receipt of any benefit or financial assistance through grants or contractual arrangements; benefits or assistance in the form of loan guarantees or insurance; and awards of procurement contracts, notwithstanding any quid pro quo given and whether the Department gives anything in return. Program may, in the
discretion of the authorized official, include any or all of the functions within the jurisdiction of an Assistant Secretary.

(3) The sanction may be imposed for a period not to exceed 12 months, is limited to specific HUD programs, and shall be effective within the geographic jurisdiction of the office imposing it, unless the sanction is imposed by an Assistant Secretary or Deputy Assistant Secretary in which case the sanction may be imposed on a nationwide basis or a more restricted basis.

(b) Effectiveness. This sanction shall be effective immediately upon issuance, and shall remain effective up to 12 months thereafter. If the cause for the limited denial of participation is resolved before the expiration of the 12-month period, the official who imposed the sanction may terminate it. The imposition of a limited denial of participation shall not affect the right of the Department to suspend or debar any person under this part.

(c) Affiliates. An affiliate or organizational element may be included in a limited denial of participation solely on the basis of its affiliation, and regardless of its knowledge of or participation in the acts providing cause for the sanction. The burden of proving that a particular affiliate or organizational element is currently responsible and not controlled by the primary sanctioned party (or by an entity that itself is controlled by the primary sanctioned party) is on the affiliate or organizational element.

§ 24.711 Notice of limited denial of participation.

A limited denial of participation shall be made effective by advising the participant or contractor, and any specifically named affiliate, by mail, return receipt requested:

(a) That the limited denial of participation is being imposed;

(b) Of the cause(s) under § 24.705 for the sanction;

(c) Of the potential effect of the sanction, including the length of the sanction and the HUD program(s) and geographic area affected by the sanction;

(d) Of the right to request, in writing, within 30 days of receipt of the notice, a conference under § 24.712; and

(e) Of the right to contest the limited denial of participation under § 24.713.

[60 FR 33051, June 26, 1995]

§ 24.712 Conference.

Within 30 days after receiving a notice of limited denial of participation, the respondent may request a conference with the official who issued such notice. If the respondent does not request a conference, the respondent shall nevertheless have the right to contest the limited denial of participation under the provisions of § 24.713. The conference shall be held within 15 days after the Department’s receipt of the request for a conference, unless the respondent waives this time limit. The official who imposed the sanction, or his or her designee, shall preside. At the conference, the respondent may appear with a representative and may present all relevant information and materials to the official or designee. Within 20 days after the conference, or within 20 days after any agreed upon extension of time for submission of additional materials by the respondent, the official or designee shall, in writing, advise the respondent of the decision to terminate, modify, or affirm the limited denial of participation. If all or a portion of the remaining period of exclusion is affirmed, the notice of affirmation shall advise the respondent of the opportunity to contest the notice pursuant to § 24.713. If the official or designee does not issue a decision within the 20-day period, the respondent may contest the sanction under § 24.713.

[60 FR 33051, June 26, 1995]

§ 24.713 Opportunity to contest the limited denial of participation.

(a) Submission in opposition. (1) The respondent may request a hearing before a hearing officer:

(i) Within 30 days after receipt of a notice of affirmation of all or a portion of the remaining period of exclusion under a limited denial of participation; or
§ 24.714 Reporting of limited denial of participation.

When a limited denial of participation has been made final, or the period for requesting a conference pursuant to §24.712 has expired without receipt of such a request, the official imposing the limited denial of participation shall notify the Director of the Participation and Compliance Division in the Office of Housing of the scope of the limited denial of participation.

(d) Suspension. A suspension shall be based upon adequate evidence and shall be effective upon receipt of the notice of suspension by the mortgagee. During the period of suspension, HUD will not endorse any mortgage originated by the suspended mortgagee unless prior to the date of suspension a firm commitment has been issued relating to any such mortgage, or a Direct Endorsement underwriter has approved the mortgagor for any such mortgage. (b) Mortgagee's response. The mortgagee's response to the Board shall be in a format prescribed by the Secretary and shall not exceed 15 double-spaced typewritten pages. [60 FR 39237, Aug. 1, 1995]

§ 25.8 Hearings and hearing request.

(a) Hearing request. A mortgagee that is issued a probation, suspension, or withdrawal action is entitled to a hearing on the record. The request shall be addressed to the Board Docket Clerk, Department of Housing and Urban Development, 451 7th Street SW., Washington, DC 20410. The request shall specifically respond to the violations set forth in the notice of administrative action. If the mortgagee fails to request a hearing within 30 days after receiving the notice of administrative action, the Board’s action shall become final.

(b) Procedural rules. The hearing official shall hold a de novo hearing within 30 days of HUD’s receipt of the mortgagee’s request, unless the mortgagee requests a later hearing date. The mortgagee or its representative shall be afforded an opportunity to appear, submit documentary evidence, present witnesses, and confront any witness the agency presents. The parties shall not be allowed to present members of the Board as witnesses. At the mortgagee’s request, a transcribed record of the hearing shall be made available at cost to the mortgagee.

The hearing official may also, at his or her discretion, refer other issues to a hearing officer or other independent official for appropriate findings. The hearing official shall provide the parties with notice of the referral. The hearing official may reject the findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(ii) The provisions of part 26 of this subtitle A shall be applicable to proceedings before a hearing officer, with the following limitations:

(A) No appeal to the Secretary may be taken under §§26.24 through 26.26 of this subtitle A with respect to any order or decision by the hearing officer.

(B) Discovery shall be limited to exclude requests for answers to interrogatories, requests for admissions, and production of documents that either do not pertain to the appealing mortgagee, or pertain to reviews or audits by the Department or administrative actions by the Board against mortgagees other than the appealing mortgagee. Members of the Board shall not be subject to deposition, nor shall they be required to testify at any hearing.
§ 25.9 Grounds for an administrative action.

One or more of the following violations by a mortgagee may result in an administrative action by the Board under § 25.5. Except in cases where the Board's authority has been delegated in accordance with § 25.2, the Board will consider, among other factors, the seriousness and extent of the violations, the degree of mortgagee responsibility for the occurrences and any mitigating factors, in determining which administrative action, if any, is appropriate. Any administrative action imposed under § 25.5 shall be based upon one or more of the following grounds:

(a) The transfer of an insured mortgage to non-approved mortgagee, except pursuant to 24 CFR 203.433 or 203.435;

(b) The failure of a mortgagee to segregate all escrow funds received from mortgagors on account of ground rents, taxes, assessments and insurance premiums, or failure to deposit these funds with one or more financial institutions in a special account or accounts that are fully insured by the Federal Deposit Insurance Corporation or by the National Credit Union Ad-

ministration except as otherwise provided in writing by the Assistant Secretary for Housing—Federal Housing Commissioner;

(c) The use of escrow funds for any purpose other than that for which they are received;

(d) The termination of a mortgagee's supervision by a governmental agency;

(e) The failure of a nonsupervised mortgagee to submit the required annual audit report of its financial condition prepared in accordance with instructions issued by the Secretary within 90 days of the close of its fiscal year, or such longer period as the Assistant Secretary of Housing—Federal Housing Commissioner may authorize in writing prior to the expiration of 90 days;

(f) The payment by a mortgagee of a referral fee to any person or organization; or payment of any thing of value, directly or indirectly, in connection with any insured mortgage transaction or transactions to any person, including but not limited to an attorney, escrow agent, title company, consultant, mortgage broker, seller, builder or real estate agent, that person has received any other compensation from the mortgagor, the seller, the builder or any other person for services related to such transactions or from or related to the purchase or sale of the mortgaged property, except compensation paid for the actual performance of such services as may be approved by the Assistant Secretary for Housing—Federal Housing Commissioner;

(g) Failure to comply with any agreement, certification, undertaking, or condition of approval listed on either a mortgagee's application for approval or on an approved mortgagee's branch office notification;

Subpart A—Hearings Before Hearing Officers

§ 26.1 Purpose.

This part sets forth rules of procedure in certain proceedings of the Department of Housing and Urban Development presided over by a hearing officer. These rules of procedure apply to hearings with respect to determinations by the Multifamily Participation Review Committee pursuant to 24 CFR
§ 26.2

Hearing officer, powers and duties.

(a) Hearing officer. Proceedings conducted under these rules shall be presided over by a hearing officer who shall be an Administrative Law Judge or Board of Contract Appeals Judge authorized by the Secretary or designee to conduct proceedings under this part.

(b) Time and place of hearing. The hearing officer shall set the time and place of any hearing and shall give reasonable notice to the parties.

(c) Powers of hearing officers. The hearing officer shall conduct a fair and impartial hearing and take all action necessary to avoid delay in the disposition of proceeding and to maintain order. The hearing officer shall have all powers necessary to those ends, including but not limited to the power:

1. To administer oaths and affirmations;
2. To cause subpoenas to be issued as authorized by law;
3. To rule upon offers of proof and receive evidence;
4. To order or limit discovery as the interests of justice may require;
5. To regulate the course of the hearing and the conduct of the parties and their counsel;
6. To hold conferences for the settlement or simplification of the issues by consent of the parties;
7. To consider and rule upon all procedural and other motions appropriate in adjudicative proceedings;
8. To take notice of any material fact not appearing in evidence in the record which is properly a matter of judicial notice; and
9. To make and file determinations.

§ 26.3 Failure to comply with an order of the hearing officer.

If a party refuses or fails to comply with an order of the hearing officer, the hearing officer may enter any appropriate order necessary to the disposition of the hearing including a determination against the noncomplying party.

§ 26.4 Ex parte communications.

(a) Definition. An ex parte communication is any communication with a hearing officer, direct or indirect, oral or written, concerning the merits or procedures of any pending proceeding which is made by a party in the absence of any other party.

(b) Prohibition of ex parte communications. Ex parte communications are prohibited except where:

1. The purpose and content of the communication have been disclosed in advance or simultaneously to all parties; or
2. The communication is a request for information concerning the status of the case.

(c) Procedure after receipt of ex parte communication. Any hearing officer who receives an ex parte communication which the hearing officer knows or has reason to believe is unauthorized shall promptly place the communication, or its substance, in all files and shall furnish copies to all parties. Unauthorized ex parte communications shall not be taken into consideration in deciding any matter in issue.

§ 26.5 Disqualification of hearing officer.

When a hearing officer believes there is a basis for disqualification in a particular proceeding, the hearing officer shall withdraw by notice on the record and shall notify the Secretary and the official initiating the action under appeal. Whenever any party believes that the hearing officer should be disqualified from presiding in a particular proceeding, the party may file a motion with the hearing officer requesting the...
hearing officer to withdraw from presiding over the proceedings. This motion shall be supported by affidavits setting forth the alleged grounds for disqualification. If the hearing officer does not withdraw, a written statement of his or her reasons shall be incorporated in the record and the hearing shall proceed.

**REPRESENTATION OF THE PARTIES**

§ 26.6 Department representative.

In each case heard before a hearing officer under this part, the Department shall be represented by the General Counsel or designee.

§ 26.7 Respondent's representative.

The party against whom the administrative action is taken may be represented at hearing as follows:

(a) Individuals may appear on their own behalf;
(b) A member of a partnership or joint venture may appear on behalf of the partnership or joint venture;
(c) A bona fide officer may appear on behalf of a corporation or association upon a showing of adequate authorization;
(d) An attorney who files a notice of appearance with the hearing officer may represent any party. For purposes of this paragraph, an attorney is defined as a member of the bar of a Federal court or of the highest court of any State; or
(e) An individual not included within paragraphs (a) through (d) of this section may represent the respondent upon an adequate showing, as determined by the hearing officer, that the individual possesses the legal, technical or other qualifications necessary to advise and assist in the presentation of the case.

§ 26.8 Standards of practice.

Attorneys shall conform to the standards of professional and ethical conduct required of practitioners in the courts of the United States and by the bars of which the attorneys are members. Any attorney may be prohibited by the Hearing Officer from representing a party if the attorney is not qualified under § 26.7 or if such action is necessary to maintain order in or the integrity of the pending proceeding.

**PLEADINGS AND MOTIONS**

§ 26.9 Notice of administrative action.

In every case, there shall be a notice of administrative action. The notice shall be in writing and inform the party of the determination. The notice shall state the reasons for the proposed or imposed action except where general terms are permitted by 24 CFR part 24. The notice shall inform the party of any right to a hearing to challenge the determination, and the manner and time in which to request such hearing. A supplemental notice may be issued in the discretion of the initiating official to add to or modify the reasons for the action.

§ 26.10 Complaint.

(a) Respondent. A complaint shall be served upon the party against whom an administrative action is taken, who shall be called the respondent.
(b) Grounds. The complaint shall state the grounds upon which the administrative action is based. The grounds set forth in the complaint may not contain allegations beyond the scope of the notice of administrative action or any amendment thereto.
(c) Notice of administrative action as complaint. A notice of administrative action may serve as a complaint provided the notice states it is also a complaint and complies with paragraph (b) of this section.
(d) Timing. When the notice does not serve as a complaint, the complaint shall be served on or before the thirtieth day after a request for hearing is made.

§ 26.11 Answer.

Respondent shall file an answer within thirty days of receipt of the complaint. The answer shall respond specifically to each factual allegation. A general denial shall not be permitted. Where a respondent intends to rely on an affirmative defense it shall be pleaded specifically. Allegations are admitted when not specifically denied in respondent's answer.
§ 26.12 Amendments and supplemental pleadings.

(a) Amendments. (1) By right: The Department may amend its complaint without leave at any time within thirty days of the date the complaint is filed or at any time before respondent's responsive pleading is filed, whichever is later. Respondent may amend its answer at any time within thirty days of filing of its answer. A party shall plead in response to an amended pleading within fifteen days of receipt of the amended pleading.

(2) By leave: Upon conditions as are necessary to avoid prejudicing the public interest and the rights of the parties, the hearing officer may allow amendments to pleadings upon motion of any party.

(3) Conformance to evidence: When issues not raised by the pleadings but reasonably within the scope of the proceeding initiated by the complaint are tried by express or implied consent to the parties, they shall be treated in all respects as if they had been raised in the pleadings, and amendments of the pleadings necessary to make them conform to the evidence shall be allowed at any time.

(b) Supplemental pleadings. The hearing officer may, upon reasonable notice, permit service of a supplemental pleading concerning transactions, occurrences, or events which have happened or been discovered since the date of prior pleadings.

§ 26.13 Motions.

(a) Motions. All motions after the commencement of the action until decision shall be addressed to the hearing officer.

(b) Content. All written motions shall state the particular order, ruling, or action desired and the grounds for granting the motion.

(c) Answers. Within seven (7) days after receipt of any written motion, or within any other period as may be designated by the hearing officer, the opposing party shall answer the motion. Failure to make a timely answer shall constitute a party's consent to the granting of the motion. The moving party shall have no right to reply, except as permitted by the hearing officer.

(d) Oral argument. The hearing officer may order oral argument on any motion.

(e) Motions for extensions. The hearing officer may waive the requirements of this section as to motions for extensions of time.

(f) Rulings on motions for dismissal. When a motion to dismiss the proceeding is granted, the hearing officer shall make and file a determination and order in accordance with the provisions of § 26.24.

§ 26.14 Form and filing requirements.

(a) Filing. An original and two copies of a request for a hearing shall be filed with the Docket Clerk, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410, on official business days between 8:45 a.m. and 5:15 p.m. The Clerk shall assign the docket number and designate a hearing officer. An original and two copies of all other pleadings, submissions and documents should be filed directly with the appropriate hearing officer. A document is considered timely filed if postmarked on or before the date due or delivered to the appropriate person by close of business on the date due.

(b) Title. Documents shall show clearly the title of the action and the docket number.

(c) Form. Except as otherwise permitted, all documents shall be printed or typewritten in clear, legible form.

§ 26.15 Service.

(a) Method of service. Pleadings, motions, and other documents required or permitted under these rules shall be served upon all parties. Whenever these rules require or permit service to be made upon a party represented by an attorney, the service shall be made upon the attorney unless service upon the party is ordered by the hearing officer. Service shall be made by delivering a copy to the person to be served or by mailing it to that person at the last known address. Delivery of a copy within this rule means: handing it to the person to be served; or leaving it at that person's office with a clerk or other person in charge; or, if there is no one in charge, leaving it in a conspicuous place in the office; or, if the
Office of the Secretary, HUD

§ 26.16 Time computation.

(a) Generally. Computation of any period of time prescribed or allowed by this part shall begin with the first business day following the day on which the act, event, development or default initiating the period of time occurred. When the last day of the period computed is a Saturday, Sunday, or national holiday, or other day on which the Department of Housing and Urban Development is closed, the period shall run until the end of the next following business day. Except when any prescribed or allowed period of time is seven days or less, each of the Saturdays, Sundays, and national holidays shall be included in the computation of the prescribed or allowed period.

(b) Extensions of time periods. The hearing officer (or in the case of a review under §26.25, the Secretary or designee) may upon motion enlarge the time within which any act required by these rules must be performed where necessary to avoid prejudicing the public interest or the rights of the parties.

§ 26.17 Discovery.

The parties are encouraged to engage in voluntary discovery procedures. Parties may seek an order compelling discovery only upon good cause shown. Discovery shall not be permitted where it will unduly delay the hearing, thereby resulting in prejudice to the public interest or the rights of the parties. Every request for discovery, objection to request for discovery, and request for admissions shall be in the form of a motion addressed to the hearing officer. In connection with any discovery procedure, the hearing officer may make any order required to protect a party or other person from annoyance, embarrassment, oppression, or undue burden or expense. Those orders may include limitations on the scope, methods, time and place for discovery, and provisions for protecting privileged information or documents. Where a party refuses to honor an order for discovery, the hearing officer may issue such orders in regard to the refusal as justice shall require. Each party shall bear its own expenses associated with discovery.

§ 26.18 Depositions.

(a) General. A party may take the oral deposition of any person. Upon refusal and, after a showing of good cause, a hearing officer may issue an order compelling a party or its agents to appear for deposition.

(b) Procedure. Reasonable written notice of deposition shall be served upon the opposing party and the deponent. The attendance of a deponent may be compelled by subpoena where authorized by law.

(c) Objections. Each person testifying on oral deposition shall be placed under oath by the person before whom the deposition is taken. The deponent may be examined and cross-examined. Objection may be made at hearing to receiving in evidence any deposition or part of it for any reason which would require the exclusion if the witness were then present and testifying. The questions and the answers, together with all objections made, shall be recorded by the person before whom the deposition is to be taken, or under that person's direction.

(d) Submission to deponent. A transcript of the deposition shall be submitted to the deponent for examination and signature, unless submission is waived. Any changes in form or substance which the deponent desires to make shall be entered upon the transcript by the person before whom the deposition was taken, with a statement of reasons given by the deponent for making them. The transcript shall then be signed by the deponent, unless
§ 26.19 Request for production of documents.

(a) Request to produce. At any time after a request for hearing has been filed, any party may serve upon any other party a written request to produce, and permit the party making the request to inspect and copy, any relevant designated documents (including writings, drawings, graphs, charts, and other data compilations). The request shall set forth the items to be inspected either by individual item or by category with reasonable particularity. The request shall specify a reasonable time, place, and manner of making the inspection and performing the related acts.

(b) Response to request to produce. The party upon whom the request is served shall serve a written response within twenty days after service of the request unless the Hearing Officer determines that a shorter or longer period is appropriate under the circumstances. The response shall state, with respect to each item or category, that inspection and related activities will be permitted as requested, unless the request is objected to, in which case the reasons for the objection shall be stated. If objection is made to part of an item or category, the part shall be specified. The party submitting the request may move for an order under §26.17 regarding objections or other failure to respond to the request or any part thereof, or any failure to permit inspection as requested.

§ 26.20 Admissions as to facts and documents.

(a) Request for admissions. At any time after an answer has been filed, any party may serve upon any other party a written request for the admission of the genuineness of any relevant documents described in the request or of the truth of any relevant matters of fact. Copies of documents shall be delivered with the request unless copies have already been furnished. No order of the hearing officer is necessary.

(b) Objection. Each requested admission shall be considered admitted unless, within fifteen days after service of the request, the party from whom the admission is sought serves upon the party making the request either (1) a statement denying specifically the relevant matters of which an admission is requested or setting forth in detail the reasons why the party can neither truthfully admit nor deny them, or (2) written objections on the ground that some or all of the matters involved are privileged or irrelevant. Answers on matters to which objections are made may be deferred until the objections are ruled upon, but if written objections are made only to a part of a request, the remainder of the request shall be answered.

(c) Limitation. Admissions obtained pursuant to this procedure may be used in evidence only for the purposes of the pending action to the same extent and subject to the same objections as other evidence.

§ 26.21 Prehearing conference.

(a) Prehearing conference. The hearing officer may, on the hearing officer’s
own motion or at the request of any party, direct counsel for all parties to confer with the hearing officer before the hearing for the purpose of considering:

(1) Simplification and clarification of the issues;
(2) Stipulations and admissions of fact and of the contents and authenticity of documents;
(3) The disclosure of the names of witnesses;
(4) Matters of which official notice will be taken;
(5) Other matters as may aid in the orderly disposition of the proceeding, including disclosure of the documents or other physical exhibits which will be introduced in evidence in the course of the proceeding.

(b) Recodification of prehearing conference. The prehearing conference shall, at the request of any party, be recorded or transcribed.

(c) Order on prehearing conference. The hearing officer shall enter in the record an order which states the rulings upon matters considered during the conference, together with appropriate directions to the parties. The order shall control the subsequent course of the proceeding, subject to modifications upon good cause shown.

HEARINGS

§ 26.22 Public nature and timing of hearings, transcripts.
(a) Public hearings. All hearings in adjudicative proceedings shall be public.
(b) Conduct of hearing. Hearings shall proceed with all reasonable speed. The hearing officer may order recesses for good cause, stated on the record. The hearing officer may, for convenience of the parties or in the interests of justice, order that hearings be conducted outside Washington, DC, and, if necessary, at more than one place.
(c) Transcripts. Hearings shall be recorded and transcribed only by a reporter designated by the Department under the supervision of the hearing officer. The original transcript shall be a part of the record and shall constitute the sole official transcript. Respondents and the public, at their own expense, may obtain copies of transcripts from the reporter.

(a) Evidence. Every party shall have the right to present its case or defense by oral and documentary evidence, unless otherwise limited by law or regulation, to submit rebuttal evidence and to conduct such cross-examination as may be required for a full and true disclosure of the facts. Irrelevant, immaterial, privileged, or unduly repetitious evidence shall be excluded. Unless otherwise provided for in this part, the Federal Rules of Evidence shall provide guidance for the conduct of proceedings under this part. Parties may objected to clearly irrelevant material, but technical objections to testimony as used in a court of law will not be sustained.
(b) Testimony under oath or affirmation. All witnesses shall testify under oath or affirmation.
(c) Objections. Objections to the admission or exclusion of evidence shall be in short form, stating the grounds of objections. Rulings on objections shall be a part of the transcript. Failure to object to admission or exclusion of evidence or to any evidentiary ruling shall be considered a waiver of objection, but no exception to a ruling on an objection is necessary in order to preserve it for appeal.
(d) Authenticity of documents. Unless specifically challenged, it shall be presumed that all relevant documents are authentic. An objection to the authenticity of a document shall not be sustained merely on the basis that it is not the original.
(e) Stipulations. The parties may stipulate as to any relevant matters of fact. Stipulations may be received in evidence at a hearing, and when received shall be binding on the parties with respect to the matters stipulated.
(f) Official notice. All matters officially noticed by the hearing officer shall appear on the record.
(g) Burden of proof. The burden of proof shall be upon the proponent of an action or affirmative defense unless otherwise provided by law or regulation.

§ 26.24 Hearing officer’s determination and order.
(a) Scope of review. The hearing officer shall conduct a de novo review of
the administrative action to determine whether it is supported by a preponderance of the evidence unless a different standard of proof is required by law or regulation. Each and every charge alleged by the Department need not be proven to support the administrative action. The hearing officer may modify or vacate the administrative action under review only upon a particularized finding of facts which justifies a deviation from the administrative action.

(b) Closing of hearing. At the discretion of the hearing officer, the closing of the record may be postponed in order to permit the admission of other evidence into the record. In the event further evidence is admitted, each party shall be given an opportunity to respond to such evidence.

c) Briefs. Upon conclusion of the hearing, the hearing officer may request the parties to file proposed findings of fact and legal briefs. The hearing officer shall make a written determination and order based upon evidence and arguments presented by the parties. The determination shall be founded upon reliable and probative evidence. This determination and order shall be served upon all parties.

(d) Bench decisions. Where the parties agree and where appropriate in the judgment of the hearing officer, a bench decision will be issued.

(e) Time period for issuance of decision. The hearing officer shall endeavor to issue a determination within sixty days from the date of the closing of the record.

(f) Finality of decision. The determination and order shall be final unless a party timely appeals the decision and within forty days the Secretary decides to review the determination in accordance with §26.25, or to have the determination reviewed by a designee.

SECRETARIAL REVIEW

(a) Petition for review. Any party may request review of the hearing officer’s determination or order by filing a written petition for review with the Secretary within fifteen days of receipt of the hearing officer’s determination or order. A petition for review may be granted or denied in the discretion of the Secretary or designee. This petition shall not exceed ten pages and shall specifically state the issues and basis upon which the party seeks review. This petition shall be served on all parties and the Secretary simultaneously, in accordance with §26.15.

(b) Briefs by opposing parties. Opposing parties may submit briefs, not to exceed ten pages, opposing review. These briefs must be filed within fifteen days of the party’s receipt of a petition for review.

(c) Secretarial action. Upon granting any petition for review, the Secretary or designee, may require further briefs. Secretarial review shall be limited to the factual record produced before the hearing officer. The Secretary, or designee, shall issue a written determination and shall serve it upon the parties and the hearing officer.

§ 26.26 Interlocutory rulings.

(a) Interlocutory rulings by the hearing officer. A party seeking review of an interlocutory ruling shall file a motion with the hearing officer within ten days of the ruling requesting certification of the ruling for review by the Secretary. Certification may be granted if the hearing officer believes that (1) it involves an important issue of law or policy as to which there is substantial ground for difference of opinion and (2) an immediate appeal from the order may materially advance the ultimate termination of the litigation.

(b) Petition for review. Any party may file a petition for review of an interlocutory ruling within ten days of the hearing officer’s determination regarding certification.

(c) Secretarial review. The Secretary, or designee, shall review a certified ruling. The Secretary, or designee, has the discretion to grant or deny a petition for review from an uncertified ruling.

(d) Continuation of hearing. Unless otherwise ordered by the hearing officer or the Secretary, or designee, the hearing shall proceed pending the determination of any interlocutory appeal and the order or ruling of the hearing officer shall be effective pending review.

GENERAL

§ 26.27 Purpose and scope.

Unless otherwise specified in this title, the rules in this subpart B of this part apply to hearings that HUD is required by statute to conduct pursuant to the Administrative Procedure Act (5 U.S.C. 554 et seq.).

§ 26.28 Definitions.

The following definitions apply to subpart B of this part:

Chief Docket Clerk means the Chief Docket Clerk of the Office of Administrative Law Judges at the following address: 409 3rd Street, S.W., Suite 320, Washington, DC 20024.

Complaint means the notice from HUD alleging violations of a HUD statute and/or regulation, citing the legal authority upon which it is issued, stating the relief HUD seeks, and informing a respondent of his or her right to submit a response to a designated office and to request an opportunity for a hearing before an administrative law judge.

Response means the written response to a complaint, admitting or denying the allegations in the complaint and setting forth any affirmative defense and/or any mitigating factors or extenuating circumstances. The response shall be submitted to the Office of General Counsel that initiates the complaint or to such other office as may be designated in the complaint. A response is deemed a request for a hearing.

§ 26.29 Powers and duties of the Administrative Law Judge (ALJ).

The ALJ shall conduct a fair and impartial hearing, avoid delay, maintain order, and ensure that a record of the proceeding is made. The ALJ is authorized to:

(a) Set and change the date, time, and place of the hearing upon reasonable notice to the parties;

(m) Conduct any conference, argument, or hearing on motions in person or by telephone; and

(n) Exercise such other authority as is necessary to carry out the responsibilities of the ALJ under subpart B of this part.

§ 26.30 Ex parte contacts.

No party or person (except employees of the ALJ’s office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. This provision does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

§ 26.31 Disqualification of ALJ.

(a) An ALJ in a particular case may disqualify himself or herself.

(b) A party may file with the ALJ a motion for the ALJ’s disqualification. The motion shall be accompanied by an affidavit alleging the grounds for disqualification.
§ 26.32  (c) Upon the filing of a motion and affidavit, the ALJ shall proceed no further in the case until the matter of disqualification is resolved.

§ 26.32 Parties to the hearing.

(a) General. The parties to the hearing shall be the respondent and HUD.
(b) Rights of parties. Except as otherwise limited by subpart B of this part, all parties may:

   (7) Present oral arguments at the hearing as permitted by the ALJ; and
   (8) Submit written briefs and proposed findings of fact and conclusions of law after the hearing, as permitted by the ALJ.

§ 26.33 Separation of functions.

No officer, employee, or agent of the Federal Government engaged in the performance of investigative, conciliatory, or prosecutorial functions in connection with the proceeding shall, in that proceeding or any factually related proceeding under subpart B of this part, participate or advise in the decision of the administrative law judge, except as a witness or counsel during the proceeding, or in its appellate review.

§ 26.34 Time computations.

(a) In computing any period of time under subpart B of this part, the time period begins the day following the act, event, or default, and includes the last day of the period, unless the last day is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which case the time period includes the next business day. When the prescribed time period is seven days or less, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.

(b) Entry of orders. In computing any time period involving the date of the issuance of an order or decision by an administrative law judge, the date of issuance is the date the order or decision is served by the Chief Docket Clerk.

(c) Service by mail. If a document is served by mail, 3 days shall be added to the time permitted for a response.

§ 26.35 Service and filing.

(a) Filing. All documents shall be filed with the Chief Docket Clerk, at the address listed in § 26.28. Filing may be by first class mail, delivery, facsimile transmission, or electronic means; however, the ALJ may place appropriate limits on filing by facsimile transmission or electronic means. All documents shall clearly designate the docket number and title of the proceeding.

(b) Service. One copy of all documents filed with the Chief Docket Clerk shall be served upon each party by the persons filing them and shall be accompanied by a certificate of service stating how and when such service has been made. Service may be made by delivery, first class mail, facsimile transmission, or electronic means; however, the ALJ may place appropriate limits on service by facsimile transmission or electronic means. Documents shall be served upon a party’s address of residence or principal place of business, or, if the party is represented by counsel, upon counsel of record at the address of counsel. Service is complete when handed to the person or delivered to the person’s office or residence and deposited in a conspicuous place. If service is by first-class mail, facsimile transmission, or electronic means, service is complete upon deposit in the mail or upon electronic transmission.

§ 26.36 Sanctions.

(a) The ALJ may sanction a person, including any party or representative, for failing to comply with an order, rule, or procedure governing the proceeding; failing to prosecute or defend an action; or engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.
§ 26.40 Prehearing conferences.
(a) The ALJ may schedule prehearing conferences as appropriate.
(b) Upon the motion of any party, the ALJ shall schedule at least one prehearing conference at a reasonable time in advance of the hearing.
(c) The ALJ may consider the following at a prehearing conference:
(1) Simplification of the issues;
(2) Stipulations of fact and of the authenticity, accuracy, and admissibility of documents;
(3) Submission of the case on briefs in lieu of an oral hearing;
(4) Limitation of the number of witnesses;
(5) The exchange of witness lists and of proposed exhibits;
(6) Discovery;
(7) The time and place for the hearing; and
§ 26.41  Discovery.

(a) Parties may obtain discovery regarding any matter, not privileged, that is relevant to the subject matter involved in the adjudication, whether it relates to the case or defense of the party seeking discovery or to the case or defense of any other party. It is not grounds for objection that the information sought will be inadmissible at the hearing, if such information appears reasonably calculated to lead to the discovery of admissible evidence.

(b) Discovery in Program Fraud Civil Remedies actions (24 CFR part 28), unless agreed to by the parties, shall be available only as ordered by the ALJ. The party opposing discovery shall have 10 days to respond to a motion for discovery. The ALJ shall grant a motion for discovery only if he or she finds that discovery is necessary for the expeditious, fair, and reasonable consideration of the issues, is not unduly costly or burdensome, will not unduly delay the proceeding, and does not seek privileged information. The ALJ may grant discovery subject to a protective order under §26.43. The request for approval sent to the Attorney General from the General Counsel or designee, as described in §28.20 of this title, is not discoverable under any circumstances.

(c) The following types of discovery are authorized:

(1) Requests for production of documents for inspection and copying. Nothing contained herein shall be interpreted to require the creation of a document.

(2) Requests for admissions.

(3) Written interrogatories. Such interrogatories shall be limited in number to 25, unless otherwise ordered by the ALJ.

(d) Depositions.

(e) Motion to compel. A party may file a motion to compel discovery. The motion shall describe the information sought, cite the opposing party's objection, and provide arguments supporting the motion. The opposing party may file a response to the motion, including a request for a protective order. The ALJ may issue an order compelling a response, issue sanctions pursuant to §26.36, or issue a protective order. For purposes of paragraph (d) of this section, an evasive or incomplete answer to a request for discovery is treated as a failure to answer.

(e) Each party shall bear its own costs of discovery.

§ 26.42  Subpoenas.

(a) General. Upon written request of a party, the ALJ may issue a subpoena requiring the attendance of a witness at a deposition or hearing, and/or the production of documents. The request shall specify any documents to be produced and shall list the names and addresses of the witnesses.

(b) Time of request. A request for a subpoena in aid of discovery shall be filed in time to permit the conclusion of discovery 15 days before the date fixed for the hearing. A request for a subpoena to testify at the hearing shall be filed at least 3 days prior to the hearing, unless otherwise allowed by the ALJ for good cause shown.

(c) Content. The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

(d) Service and fees. Subpoenas shall be served, and fees and costs paid to subpoenaed witnesses, in accordance with Rule 45(b)(1) of the Federal Rules of Civil Procedure.

(e) Motion to quash. The individual to whom the subpoena is directed or a party may file a motion to quash the subpoena within 10 days after service, or on or before the time specified in the subpoena for compliance if it is less than 10 days after service.

§ 26.43  Protective order.

(a) A party, a prospective witness, or a deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may issue any order that justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense,
as provided in Rule 26(c) of the Federal Rules of Civil Procedure.

§ 26.44 General.

(a) Time of hearing. The hearing shall commence not later than 90 days following the Government’s filing of the complaint and response under §26.37, unless the time is extended for good cause. The ALJ shall provide written notice to all parties of the reasons for any extension of time.

(b) Location of hearing. The hearing shall be held where the respondent resides or transacts business, or in such other place as may be agreed upon by the parties and the ALJ. Hearings for Program Fraud Civil Remedies Act cases shall be located in accordance with 31 U.S.C. 3803(g)(4).

(c) Notice of hearing. The ALJ shall issue a notice of hearing to all parties specifying the time and location of the hearing, the matters of fact and law to be heard, the legal authority under which the hearing is to be held, a description of the procedures for the conduct of the hearing, and such other matters as the ALJ determines to be appropriate.

(d) Limitations for Program Fraud Civil Remedies Act cases. The notice of hearing must be served upon the respondent within 6 years after the date on which the claim or statement is made. If the respondent fails to file a timely response to the Government’s complaint, service of a default judgment under §26.39 shall be regarded as a notice of hearing for purposes of this section. The statute of limitations may be waived by agreement of the parties.

(e) Burden and standard of proof. HUD shall prove the respondent’s liability and any aggravating factors by a preponderance of the evidence. Respondent shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(f) Public hearings. Unless otherwise ordered by the ALJ for good cause shown, the hearing shall be open to the public.

§ 26.45 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. In order to be admissible, any written statement must be provided to all other parties along with the last known address of the witness, in a manner that allows sufficient time for other parties to subpoena the witness for cross-examination at the hearing.

§ 26.46 Evidence.

The ALJ shall admit any relevant oral or documentary evidence that is not privileged. The ALJ may, however, exclude evidence if its probative value is substantially outweighed by confusion of the issues, or by considerations of undue delay, waste of time, or needless presentation of cumulative evidence.

§ 26.47 The record.

The hearing will be recorded and transcribed. The transcript of testimony, exhibits, and other evidence admitted at the hearing and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the Secretary or designee.

§ 26.48 Posthearing briefs.

Posthearing briefs shall be filed only upon order by the ALJ.

§ 26.49 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the relief granted.

(b) The ALJ shall serve the initial decision on all parties within 60 days after either the close of the record or the expiration of time permitted for submission of posthearing briefs, whichever is later. The initial decision shall include a statement of each party’s right to file a request for Secretarial review. The ALJ may extend the 60-day period for serving the initial decision in writing for good cause.

(c) If no appeal is timely filed with the Secretary or designee, the initial decision shall become the final agency action.
§ 26.50 Appeal to the Secretary.

(a) Except as otherwise set forth in paragraph (b) of this section, either party may file with the Secretary a petition for review within 30 days after the ALJ issues an initial decision. The Secretary or designee may extend the 30-day period for good cause. If the Secretary or designee does not act upon the petition for review within 90 days of its service, then the initial decision shall become final.

(b) Appeals of Program Fraud Civil Remedies Act decisions (24 CFR part 28). Only the respondent may file a petition for Secretarial review. The petition must be filed within 30 days after the ALJ issues the initial decision. The Secretary or designee may extend the 30-day period for good cause. If the Secretary or designee does not act upon the petition for review within 30 days of its service, then the initial decision shall become final.

(c) Brief in support of petition. The petition for review shall be accompanied by a written brief, not to exceed 10 pages, specifying exceptions to the initial decision and reasons supporting the exceptions.

(d) Service. The party submitting the petition for review shall serve a copy of the petition and brief in support of the petition on the other parties and on the Chief Docket Clerk.

(e) Forwarding of the record. Upon request by the Office of the Secretary, the ALJ shall forward the record of the proceeding to the Secretary or designee.

(f) Brief in opposition. Any opposing party may file a brief opposing review, not to exceed 10 pages, within 20 days of receiving the petition for review and accompanying brief. The brief in opposition shall be served on all parties.

(g) Additional briefs. If the petition is granted, then the Secretary or designee may order the filing of additional briefs.

(h) There is no right to appear personally before the Secretary or designee.

(i) There is no right to appeal any interlocutory ruling by the ALJ.

(j) In reviewing the initial decision, the Secretary or designee shall not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(k) The Secretary or designee shall consider only evidence contained in the record forwarded by the ALJ. However, if any party demonstrates to the satisfaction of the Secretary or designee that additional evidence not presented at the hearing is material and that there were reasonable grounds for the failure to present such evidence at such hearing, the Secretary or designee shall remand the matter to the ALJ for consideration of such additional evidence.

(l) The prohibitions of ex parte contacts in § 26.30 shall apply to contacts with the Secretary or designee.

(m) The Secretary or designee may affirm, reduce, reverse, compromise, remand, or settle any relief granted in the initial decision. The Secretary or designee shall consider, and include in any final determination, such factors as may be set forth in applicable statutes or regulations.

(n) The Secretary or designee shall promptly serve each party to the appeal with a copy of his or her decision and a statement describing the right to seek judicial review.

(o) Judicial review. A party must generally file a petition for judicial review within 20 days of service of the Secretary’s determination, or the Secretary’s determination shall become final and not subject to judicial review. In Program Fraud Civil Remedies Act matters (24 CFR part 28), the respondent shall have 60 days from the date that the determination is sent to the respondent in which to file a petition. See also § 26.52.

§ 26.51 Exhaustion of administrative remedies.

In order to fulfill the requirement of exhausting administrative remedies, a party must seek Secretarial review under § 26.50 prior to seeking judicial review of any initial decision issued under subpart B of this part.

§ 26.52 Judicial review.

Judicial review shall be in accordance with applicable statutory procedures and the procedures of the appropriate Federal court. The Government
may not seek judicial review of an adverse determination of a Program Fraud Civil Remedies Act matter.

§ 26.53 Collection of civil penalties and assessments.
Collection of civil penalties and assessments shall be in accordance with applicable statutory provisions.

§ 26.54 Right to administrative offset.
The amount of any penalty or assessment that has become final under §26.49, or for which a judgment has been entered after action under §§26.52 or 26.53, or agreed upon in a compromise or settlement among the parties, may be collected by administrative offset under 31 U.S.C. 3716 or other applicable law. In Program Fraud Civil Remedies Act matters, an administrative offset may not be collected against a refund of an overpayment of Federal taxes then or later owing by the United States to the respondent.

As used in this subpart:

General Counsel means the General Counsel of the Department of Housing and Urban Development;

Multifamily mortgage does not include a mortgage covering a property on which there is located a one- to four-family residence, except when the one- to four-family residence is subject to a mortgage pursuant to section 202 of the Housing Act of 1959 (12 U.S.C. 1701q), or section 811 (42 U.S.C. 8013) of the National Affordable Housing Act. The definition of multifamily mortgage also includes a mortgage taken by the Secretary in connection with the previous sale of the project by the Secretary (purchase money mortgage).

§ 27.5 Prerequisites to foreclosure.

Before commencement of a foreclosure under the Act and this subpart, HUD will provide to the mortgagor an opportunity informally to present reasons why the mortgage should not be foreclosed. Such opportunity may be provided before or after the designation of the foreclosure commissioner but before service of the notice of default and foreclosure.

§ 27.10 Designation of a foreclosure commissioner.

(a) When the Secretary determines that a multifamily mortgage should be foreclosed under the Act and this subpart, the General Counsel will select and designate one or more foreclosure commissioners to conduct the foreclosure and sale. The method of selection and determination of the qualifications of the foreclosure commissioner shall be at the discretion of the General Counsel, and the execution of a designation pursuant to paragraph (b) of this section shall be conclusive evidence that the commissioner selected has been determined to be qualified by the General Counsel.

(b) After selection of a foreclosure commissioner, the General Counsel shall designate the commissioner in writing to conduct the foreclosure and sale of the particular multifamily mortgage. The written designation shall be duly acknowledged and shall state the name and business or residential address of the commissioner and any other information the General Counsel deems necessary. The designation shall be effective upon execution by the General Counsel or his designate. Upon receipt of the designation, the commissioner shall demonstrate acceptance by signing the designation and returning a signed copy to the General Counsel.

(c) The General Counsel may at any time, with or without cause, designate a substitute commissioner to replace a previously designated commissioner. Designation of a substitute commissioner shall be in writing and shall contain the same information and be made effective in the same manner as the designation of the original commissioner. Upon designation of a substitute commissioner, the substitute commissioner shall serve a copy of the written notice of designation upon the persons listed at sections 369(1) (A) through (C) of the Act (12 U.S.C. 3708(1)) (A) through (C) either by mail, in accordance with section 369(1) of the Act (12 U.S.C. 3708(1)), except that the time limitations in that section will not apply, or by any other manner which in the substitute commissioner’s discretion is conducive to giving timely notice of substitution.

§ 27.15 Notice of default and foreclosure sale.

(a) Within 45 days after accepting his or her designation to act as commissioner, the commissioner shall commence the foreclosure by serving a Notice of Default and Foreclosure Sale.

(b) The Notice of Default and Foreclosure Sale shall contain the following information:

(1) The Notice shall state that all deposits and the balance of the purchase price shall be paid by certified or cashier’s check. The Notice shall state that no deposit will be required of the Secretary when the Secretary bids at the foreclosure sale.

(2) Any terms and conditions to which the purchaser at the foreclosure sale must agree under §27.20. The Notice need not describe at length each
§ 27.20 Conditions of foreclosure sale.

(a) The requirements of section 367(b)(2)(A) of the Act (12 U.S.C. 3706(b)(2)(A)) apply if a majority of the residential units in a property subject to foreclosure sale pursuant to the Act and this subpart are occupied by residential tenants either on the date of the foreclosure sale or on the date on which the General Counsel designates the foreclosure commissioner.

(b) Terms which the Secretary may find appropriate to require pursuant to section 367(b) of the Act (12 U.S.C. 3706(b)), and such other provisions of law as may be applicable, may include provisions relating to use and ownership of the project property, tenant admission standards and procedures, rent schedules and increases, and project operation and maintenance. In determining terms which may be appropriate to require, the Secretary shall consider:

1. The history of the project, including the purposes of the program under which the mortgage insurance or assistance was provided, and any other program of HUD under which the project was developed or otherwise assisted and the probable causes of project failure resulting in its default;
2. A financial analysis of the project, including an appraisal of the fair market value of the property for its highest and best use;
3. A physical analysis of the project, including the condition of the structure and grounds, the need for rehabilitation or repairs, and the estimated costs of any such rehabilitation or repairs;
4. The income levels of the occupants of the project;
5. Characteristics, including rental levels, of comparable housing in the area, with particular reference to whether current conditions and discernible trends in the area fairly indicate a likelihood that, for the foreseeable future after foreclosure and sale, the project will continue to provide rental or cooperative housing and market rentals obtainable in the project will be affordable by low- or moderate-income persons;
6. The availability of or need for rental housing for low- and moderate-income persons in the area, including actions being taken or projected to be taken to address such needs and the impact of such actions on the project;

§ 27.25 Termination or adjournment of foreclosure sale.

(a) Before withdrawing the security property from foreclosure under section 369A(a) of the Act (12 U.S.C. 3709(a)), the commissioner shall notify the Secretary of the proposed withdrawal by telephone or telegram and shall provide the Secretary with a written statement of the reasons for the proposed withdrawal along with all documents submitted by the mortgagor in support of the proposed withdrawal. Upon receipt of this statement, the Secretary shall have 10 days within which to demonstrate orally or in writing why the security property should not be withdrawn from foreclosure. The Secretary shall provide the mortgagor with a copy of any statement prepared by the Secretary in opposition to the proposed withdrawal at the same time the statement is submitted to the commissioner. If the Secretary receives the commissioner’s written statement less than 10 days before the scheduled foreclosure sale, the sale shall automatically be postponed for 14 days. Under these circumstances, notice of the rescheduled sale shall be served as described in section 369B(c) of the Act (12 U.S.C. 3710(c)).

(b) The commissioner may not withdraw the security property from foreclosure under section 369A(a) of the Act (12 U.S.C. 3709(a)) more than once unless the Secretary consents in writing to such withdrawal.

(c) The commissioner shall, in the case of a sale adjourned to a later date, mail a copy of the revised Notice of Default and Foreclosure Sale to the Secretary at least seven days before the date to which the sale has been adjourned.

(d) If upon application by the mortgagor, the commissioner refuses to withdraw the property from foreclosure under section 369A(a) of the Act (12 U.S.C. 3709(a)), the commissioner shall...
provide the mortgagor and the Secretary with a written statement of the reasons for the refusal.

§ 27.30 Conduct of the sale.

(a) The commissioner shall accept written one-price sealed bids from any party including the Secretary so long as those bids conform to the requirements described in the Notice of Default and Foreclosure Sale. The commissioner shall announce the name of each such bidder and the amount of the bid. The commissioner shall accept oral bids from any party, including parties who submitted one-price sealed bids, if those oral bids conform to the requirements described in the Notice of Default and Foreclosure Sale. The commissioner will announce the amount of the high bid and the name of the successful bidder before the close of the sale.

(b) Relatives of the commissioner who may not bid at the foreclosure sale include parents, siblings, spouses and children. Related business entities which may not bid include entities or concerns whose relationship with the commissioner at the time the commissioner is designated is such that, directly or indirectly, one concern or individual formulates, directs, or controls the other concern; or has the power to formulate, direct, or control the other concern; or has the responsibility and authority either to prevent in the first instance, or promptly to correct, the offensive conduct of the other concern. Business concerns are also affiliates of each other when a third party is similarly situated with respect to both concerns.

(c) If the commissioner employs an auctioneer to conduct the foreclosure sale, the auctioneer must be a licensed auctioneer, an officer of State or local government, or any other person who commonly conducts foreclosure sales in the area in which the security property is located.

§ 27.35 Foreclosure costs.

Pursuant to section 369C(5) of the Act (12 U.S.C. 3711(5)), a commission to the foreclosure commissioner for the conduct of the foreclosure will be paid in an amount to be determined by the General Counsel. A commission may be allowed to the commissioner notwithstanding termination of the sale or appointment of a substitute commissioner before the sale takes place.

§ 27.40 Disposition of sale proceeds.

(a) The priority of the Secretary's lien shall be determined by the Federal first-in-time first-in-right rule. State laws affording priority to liens recorded after the mortgage are preempted.

(b) If there is more than one party holding a lien or assessment payable from sale proceeds, the claim of each party holding the same kind of lien or assessment will be given the relative priority to which it would be entitled under the law of the State in which the security property is located.

(c) The commissioner will keep such records as will permit the Secretary to verify the costs claimed under section 369C of the Act (12 U.S.C. 3711), and otherwise to audit the commissioner's disposition of the sale proceeds.

§ 27.45 Transfer of title and possession.

(a) If the Secretary is the successful bidder, the foreclosure commissioner shall issue a deed to the Secretary upon receipt of the amount needed to pay the costs listed in sections 369D(1) through (3) of the Act (12 U.S.C. 3712(1) through (3)). If the Secretary is not the successful bidder, the foreclosure commissioner shall issue a deed to the purchaser upon receipt of the entire purchase price and execution by the Secretary and the purchaser of any use agreement referred to in §27.20(e). Any covenants reflecting terms required by §27.20 shall be contained in the commissioner's deed.

(b) Subject to any terms required to be agreed to by §27.20, any commercial tenant and any residential tenant remaining in possession after the expiration of his or her lease or after the passage of one year, whichever event occurs first, shall be deemed a tenant at sufferance and may be evicted in accordance with applicable State or local law.

§ 27.50 Management and disposition by the Secretary.

When the Secretary is the purchaser of the security property, the Secretary
shall manage and dispose of it in accordance with section 203 of the Housing and Community Development Amendments of 1978, as amended, 12 U.S.C. 1701z-11, and in accordance with 24 CFR part 290.

Subpart B—Nonjudicial Foreclosure of Single Family Mortgages

§ 27.100 Purpose, scope and applicability.

(a) Purpose. The purpose of this subpart is to implement requirements for the administration of the Single Family Mortgage Foreclosure Act of 1994 (the Statute), 12 U.S.C. 3751-3768, that clarify, or are in addition to, the requirements contained in the Statute, which are not republished here and must be consulted in conjunction with the requirements of this subpart.

(b) Scope. The Secretary may foreclose on any defaulted single family mortgage described in the Statute regardless of when the mortgage was executed.

(c) Applicability. The Secretary may, at the Secretary’s option, use other procedures to foreclose defaulted single family mortgages, including judicial foreclosure in State or Federal Court, and nonjudicial foreclosures under State law or any other Federal law. This subpart applies only to foreclosure procedures authorized by the Statute and not to any other foreclosure procedures the Secretary may use.

§ 27.101 Definitions.

The definitions contained in the Statute (12 U.S.C. 3752) shall apply to this subpart, in addition to and as further clarified by the following definitions. As used in this subpart:

County means a political subdivision of a State or Territory of the United States, created to aid in the administration of State law for the purpose of local self-government, and includes a parish or any other equivalent subdivision.

Mortgage is as defined in the Statute except that the reference to property as ‘‘(real, personal or mixed)’’ means ‘‘any property (real or mixed real and personal).’’

Mortgage agreement is as defined in the Statute, and also means any other similar instrument or instruments creating the security interest in the real estate for the repayment of the note or debt instrument.

Mortgagor is as defined in the Statute, except that the reference to ‘‘trustee’’ means ‘‘trustor.’’

Record; Recorded means to enter or entered in public land record systems established under State statutes for the purpose of imparting constructive notice to purchasers of real property for value and without knowledge, and includes ‘‘register’’ and ‘‘registered’’ in the instance of registered land, and ‘‘file’’ and its variants in the context of entering documents in public land records.

Secretary means the Secretary of Housing and Urban Development, acting by and through any authorized designee exclusive of the foreclosure commissioner.

Security Property is as defined in the statute except that the reference to property as ‘‘(real, personal or mixed)’’ means ‘‘any property (real or mixed real and personal).’’

§ 27.102 Designation of foreclosure commissioner and substitute commissioner.

(a) The Secretary may designate foreclosure commissioners, including substitute commissioners, as set forth in the Statute.

(b) The method of selection and determination of the qualifications of the foreclosure commissioner shall be at the discretion of the Secretary. The execution of a designation pursuant to this section shall be conclusive evidence that the commissioner selected has been determined to be qualified by the Secretary. The designation is effective upon execution.

§ 27.103 Notice of default and foreclosure sale.

(a) The foreclosure commissioner shall commence the foreclosure under the procedures set forth in the Statute.

(b) The Notice of Default and Foreclosure Sale (Notice) shall include, in addition to the provisions as required by the Statute:
§ 27.107 Foreclosure commissioner's telephone number; description of security property; date mortgage recorded; identification of failure to make payment; bidding and payment requirements.

(1) The foreclosure commissioner’s telephone number;
(2) A description of the security property sufficient to identify the property to be sold;
(3) The date the mortgage was recorded;
(4) Identification of the failure to make payment, including the entire amount delinquent as of a date specified, a statement generally describing the other costs that must be paid if the mortgage is to be reinstated, the due date of the earliest principal installment payment remaining wholly unpaid as of the date on which the notice is issued upon which the foreclosure is based, or a description of any other default or defaults upon which foreclosure is based, and the acceleration of the secured indebtedness; and
(5) The bidding and payment requirements for the foreclosure sale, including the time and method of payment of the balance of the foreclosure purchase price, that all deposits and the balance of the purchase price shall be paid by certified or cashier’s check, and that no deposit will be required of the Secretary when the Secretary bids at the foreclosure sale.

§ 27.105 Service of Notice of Default and Foreclosure Sale.

(a) The Notice of Default and Foreclosure Sale shall be served in accordance with the provisions of the Statute. When notice is sent by mail, multiple mailings are not required to be sent to any party with multiple capacities, e.g., an original mortgagor who is the security property owner and lives in one of the units. The date of the receipt for the postage paid for the mailing may serve as proof of the date of mailing of the notice.

(b) Notice need not be mailed to any mortgagors who have been released from all obligations under the mortgage.

§ 27.107 Presale reinstatement.

(a) The foreclosure commissioner shall withdraw the security property from foreclosure and cancel the foreclosure sale only in accordance with the provisions of the Statute and as more fully provided in paragraphs (b) and (c) of this section in regard to presale reinstatements.

(b) To obtain a presale reinstatement in cases involving a monetary default, there must be tendered to the foreclosure commissioner before public auction is completed all amounts which would be due under the mortgage agreement if payments under the mortgage had not been accelerated and all costs of foreclosure incurred for which payment from the proceeds of foreclosure is provided in the Statute, and the foreclosure commissioner must find that there are no nonmonetary defaults; provided, however, that the Secretary may refuse to cancel a foreclosure sale pursuant to this subparagraph if the current mortgagor or owner of record has, on one or more previous occasions, caused a foreclosure of the mortgage, commenced pursuant to the Statute and this subpart or otherwise, to be canceled by curing a default.

(c) To obtain a presale reinstatement in cases involving a nonmonetary default:

1. The foreclosure commissioner, upon application of the mortgagor before the date of foreclosure sale, must find that all nonmonetary defaults are cured and that there are no monetary defaults; and

2. There must be tendered to the foreclosure commissioner before public auction is completed all amounts due under the mortgage agreement (excluding all amounts which would be due under the mortgage agreement if the mortgage payments had been accelerated), including all amounts of expenditures secured by the mortgage and all costs of foreclosure incurred for which payment would be made from the proceeds of foreclosure as provided in the Statute.

(d) Before withdrawing the security property from foreclosure, the foreclosure commissioner shall notify the Secretary of the proposed withdrawal by telephone or other telecommunication device and shall also provide the Secretary with a written statement of the reasons for the proposed withdrawal along with all documents submitted by the mortgagor in support of the proposed withdrawal. Upon receipt of this statement, the Secretary shall...
§ 27.109 Conduct of sale.

(a) The foreclosure sale shall be conducted in a manner and at a time and place as identified in the Notice of Default and Foreclosure Sale and in accordance with the provisions of the Statute.

(b) In addition to bids made in person at the sale, the foreclosure commissioner shall accept written one-price sealed bids from any party, including the Secretary, for entry by announcement at the sale so long as those bids conform to the requirements described in the Notice of Default and Foreclosure Sale. The foreclosure commissioner shall announce the name of each such bidder and the amount of the bid. The commissioner shall accept oral bids from any party, including parties who submitted one-price sealed bids, if those oral bids conform to the requirements in the Notice of Default and Foreclosure Sale. Before the close of the sale the commissioner shall announce the amount of the high bid and the name of the successful bidder. If the successful bidder fails to comply with the terms of the sale, the HUD Field Office representative will provide instructions to the commissioner about offering the property to the second highest bidder, or having a new sale, or other instruction at the discretion of the HUD representative.

(c) Prohibited participants. Relatives of the foreclosure commissioner who may not bid include parents, siblings, spouses and children. A related business entity that may not bid or whose employees may not bid is one whose relationship (at the time the foreclosure commissioner is designated and during the term of service as foreclosure commissioner) with the entity of the foreclosure commissioner is such that, directly or indirectly, one entity formulates, directs, or controls the other entity; or has the power to formulate, direct, or control the other entity; or has the responsibility and authority to prevent, or promptly to correct, the offensive conduct of the other entity.

(d) Auctioneers. If the commissioner employs an auctioneer to conduct the foreclosure sale, the auctioneer must be a licensed auctioneer, an officer of State or local government, or any other person who commonly conducts foreclosure sales in the area in which the security property is located.

§ 27.111 Adjournment or cancellation of sale.

(a) The foreclosure commissioner may, before or at the time of the foreclosure sale, adjourn or cancel the foreclosure sale in accordance with the provisions of the Statute. The publication of the Notice of Default and Foreclosure Sale, revised pursuant to the Statute, may be made on any of three separate days before the revised date of foreclosure sale. If there is no newspaper of general circulation that would permit publication on any of three separate days before the revised date of foreclosure sale, the Notice of Default and Foreclosure Sale must be posted, not less than nine days before the date to which the sale has been adjourned, at the courthouse of any county or counties in which the property is located, and at the place where the sale is to be held. The commissioner must also, in the case of a sale adjourned to a later date, mail a copy of the revised Notice of Default and Foreclosure Sale to the Secretary at least seven days before the date to which the sale has been adjourned.

(b) When a substitute commissioner is designated by the Secretary to replace a previously designated foreclosure commissioner, the sale shall continue without prejudice unless the substitute commissioner finds, in that
commissioner’s sole discretion, that continuation of the foreclosure sale will unfairly affect the interests of the mortgagor. Any such finding shall be in writing. If the substitute commissioner makes such a finding, the substitute commissioner shall cancel or adjourn the sale.

§ 27.113 Foreclosure costs.
A commission may be allowed to the foreclosure commissioner notwithstanding termination of the sale or appointment of a substitute commissioner before the sale takes place.

§ 27.115 Disposition of sales proceeds.
The foreclosure commissioner will keep such records as will permit the Secretary to verify the costs claimed, and otherwise to enable the Secretary to audit the foreclosure commissioner’s disposition of the sale proceeds.

§ 27.117 Transfer of title and possession.
(a) If the Secretary is the successful bidder, the foreclosure commissioner shall issue a deed to the Secretary upon receipt of the amount needed to pay the costs of tax liens and prior liens, as set forth in 12 U.S.C. 3762(a)(2) and (a)(3). If the Secretary is not the successful bidder, the foreclosure commissioner shall issue a deed to the purchaser or purchasers upon receipt of the entire purchase price in accordance with the terms of the sale as provided in the Notice of Default and Foreclosure Sale.
(b) The register of deeds or other appropriate official in the county where the property is located shall, upon tendering of the customary recording fees, accept all instruments pertaining to the foreclosure which are submitted by the foreclosure commissioner for recordation. The instruments to be accepted shall include, but not be limited to, the foreclosure commissioner’s deed. If the foreclosure commissioner elects to include the recitations required under the Statute (12 U.S.C. 3764) in an affidavit or an addendum to the deed, the affidavit or addendum shall be accepted along with the deed for recordation. The Clerk of the Court or other appropriate official shall cancel all liens as requested by the foreclosure commissioner.

§ 27.119 Redemption rights.
Only for purposes of redemption rights under the Statute, a foreclosure shall be considered completed upon the date and at the time of the foreclosure sale.

§ 27.121 Record of foreclosure and sale.
The statements regarding the foreclosed mortgage required to establish a sufficient record shall include the date the mortgage was recorded. The statements regarding the service of the Notice of Default and Foreclosure Sale shall include the names and addresses of the persons to whom the Notice was mailed and the date on which the Notice was mailed, the name of the newspaper in which the Notice was published and the dates of publication, and the date on which service by posting, if required, was accomplished.

§ 27.123 Deficiency judgment.
If the price at which the security property is sold at the foreclosure sale is less than the unpaid balance of the debt secured by such property after disposition of sale proceeds in accordance with the order of priority provided under the Statute, the Secretary may refer the matter to the Attorney General who may commence an action or actions against any and all debtors to recover the deficiency, unless such an action is specifically prohibited by the mortgage.

(b) Specifies the hearing and appeal rights of persons subject to allegations of liability for such penalties and assessments. Hearings under this part shall be conducted pursuant to 24 CFR part 26, subpart B.

§ 28.5 Definitions.
The terms ALJ and HUD are defined in 24 CFR part 5.
Benefit means anything of value, including, but not limited to, any advantage, preference, privilege, license, permit, favorable decision, ruling, status, or loan insurance or guarantee.
Claim means any request, demand, or submission:
(1) Made to HUD for property, services, or money (including money representing grants, loans, insurance, or benefits);
(2) Made to a recipient of property, services, or money from HUD, or to a party to a contract with HUD, for property or services provided by the U.S. Government, purchased with Government funds, or for which the Government will reimburse the recipient or party; or
(3) Made to HUD that has the effect of decreasing an obligation to pay or account for property, services, or money.
Knows or has reason to know means that a person has actual knowledge that a claim or statement is false, fictitious, or fraudulent; acts in deliberate ignorance of the truth or falsity of the claim or statement; or acts in reckless disregard of the truth or falsity of the claim or statement.
Person means any individual, partnership, corporation, association, private organization, or entity.

Respondent means any person alleged to be liable for a civil penalty or assessment under §28.25.
Statement means any representation, certification, affirmation, document, record, or accounting or bookkeeping entry made:
(1) With respect to a claim, to obtain approval or payment of a claim, or relating to eligibility to make a claim; or
(2) With respect to or relating to eligibility for a contract, bid, or proposal for a contract with; or a grant or cooperative agreement, loan, or benefit from; HUD, any State, any political subdivision of a State, or other party, if the United States Government provides any portion of the money or property under the contract or the grant or cooperative agreement, loan, or benefit, or if the Government will reimburse the State, political subdivision, or party for any portion of the money or property under the contract or for the grant or cooperative agreement, loan, or benefit.

§ 28.10 Basis for civil penalties and assessments.
(a) Claims. (1) A civil penalty of not more than $5,500 may be imposed upon a person who makes a claim that the person knows or has reason to know:
(i) Is false, fictitious, or fraudulent;
(ii) Includes or is supported by a written statement that either contains a material fact that is false, fictitious, or fraudulent; or omits a material fact that the person has a duty to include and is false, fictitious, or fraudulent as a result of the omission; or
(iii) Is for payment for the provision of property or services that the person has not provided as claimed.
(2) Each voucher, invoice, claim form, or other individual request or demand for property, services, or money constitutes a separate claim.
(3) A claim shall be considered made to HUD, to a recipient, or to a party when the claim actually is made to an agent, fiscal intermediary, or other entity, including any State or political subdivision of a State, acting for or on behalf of HUD, the recipient, or the party.
(4) Each claim for property, services, or money is subject to a civil penalty
(5) Liability under this part shall not lie if the amount of money or value of property or services claimed exceeds $150,000 as to each claim that a person submits. For purposes of paragraph (a) of this section, a group of claims submitted simultaneously as part of a single transaction shall be considered a single claim.

(6) If the Government has made any payment, transferred property, or provided services on a claim, then the Government may assess a person found liable up to twice the amount of the claim or portion of the claim that is determined to be in violation of paragraph (a)(1) of this section.

(b) Statements.

(1) A civil penalty of up to $5,500 may be imposed upon a person who makes a written statement that:

(i) The person knows, or has reason to know, contains a material fact that is false, fictitious, or fraudulent; or omits a material fact that the person has a duty to include and is false, fictitious, or fraudulent because of that omission; and

(ii) Contains or is accompanied by an express certification or affirmation of the truthfulness and accuracy of the contents of the statement.

(2) Each written representation, certification, or affirmation constitutes a separate statement.

(3) A statement shall be considered made to HUD when the statement is actually made to an agent, fiscal intermediary, or other entity, including any State or political subdivision of a State, acting for or on behalf of HUD.

(c) Limit on liability. If the claim or statement relates to low-income housing benefits or housing benefits for the elderly or handicapped, then a person may be held liable only if he or she has made the claim or statement in the course of applying for such benefits, with respect to his or her eligibility, or family's eligibility, to receive such benefits. For purposes of paragraph (c) of this section, “housing benefits” means any instance wherein funds administered by the Secretary directly or indirectly permit low-income families or elderly or handicapped persons to reside in housing that otherwise would not be available to them.

(d) Specific intent. No proof of specific intent to defraud is required to establish liability under this section.

(e) Joint and several liability. A civil penalty or assessment may be imposed jointly and severally if more than one person is determined to be liable.

§ 28.15 Investigation.

(a) General. HUD may initiate a Program Fraud Civil Remedies Act (31 U.S.C. 3801) case against a respondent only upon an investigation by the Inspector General or his or her designee.

(b) Subpoena. Pursuant to 31 U.S.C. 3804(a), the Inspector General or designee may require by subpoena the production of records and other documents. The subpoena shall state the authority under which it is issued, identify the records sought, and name the person designated to receive the records. The recipient of the subpoena shall provide a certification that the documents sought have been produced, that the documents are not available and the reasons they are not available, or that the documents, suitably identified, have been withheld based upon the assertion of an identified privilege.

(c) Investigation report. If the Inspector General or designee concludes that an action under the Program Fraud Civil Remedies Act may be warranted, her or she shall submit a report containing the findings and conclusions of the investigation to the General Counsel or his or her designee.

(d) The Inspector General may refer allegations directly to the Department of Justice for suit under the False Claims Act (31 U.S.C. 3730) or for other civil relief, or may postpone submitting a report to the General Counsel to avoid interference with a criminal investigation or prosecution. The Inspector General shall report violations of criminal law to the Attorney General.

§ 28.20 Request for approval by the Department of Justice.

(a) If the General Counsel or designee determines that the investigation report supports an action under this part, he or she must submit a written request to the Department of Justice for approval to issue a notice under § 28.25.
§ 28.25 Complaint.

(b) The request shall include a description of the claims or statements at issue; the evidence supporting the notice; an estimate of the amount of money or the value of property, services, or other benefits requested or demanded in violation of § 28.10; any exculpatory or mitigating circumstances that may relate to the claims or statements; and a statement that there is a reasonable prospect of collecting an appropriate amount of penalties and assessments.

§ 28.25 Complainant.

(a) General. Upon obtaining approval from the Department of Justice, the General Counsel or designee may issue a complaint to the respondent. The complaint shall be sent by certified mail, return receipt requested, or shall be personally served.

(b) The complaint shall include:

(1) The allegations of liability against the respondent, including the statutory basis for liability, the claims or statements at issue, and the reasons why liability arises from those claims or statements;

(2) The amount of penalties and assessments for which the respondent may be held liable;

(3) That the respondent may request a hearing by submitting a written response to the complaint;

(4) The address to which a response must be sent; and

(5) That failure to submit an answer within 30 days of receipt of the complaint may result in the imposition of the maximum amount of penalties and assessments sought without right of appeal.

(c) A copy of this part 28 and of 24 CFR part 26, subpart B shall be included with the complaint.

§ 28.30 Response.

(a) The respondent may submit a written response to HUD within 30 days of service of the complaint. The response shall be deemed to be a request for hearing. The response should include the admission or denial of each allegation of liability made in the complaint; any defense on which the respondent intends to rely; any reasons why the penalties and assessments should be less than the amount set forth in the complaint; and the name, address, and telephone number of the person who will act as the respondent's representative, if any.

(b) Filing with the administrative law judges. HUD shall file the complaint and response with the Chief Docket Clerk, Office of Administrative Law Judges, in accordance with § 26.37 of this title. If no response is submitted, then HUD may file a motion for default judgment, together with a copy of the complaint, in accordance with § 26.39 of this title.

§ 28.35 Disclosure of documents.

Upon receipt of a complaint, the respondent may, upon written request to the General Counsel or designee, review any relevant and material nonprivileged documents, including any exculpatory documents, that relate to the allegations set out in the complaint. Exculpatory information that is contained in a privileged document must be disclosed.

§ 28.40 Hearings.

(a) General. Hearings under this part shall be conducted in accordance with the procedures in 24 CFR part 26, subpart B.

(b) Factors to consider in determining amount of penalties and assessments. In determining an appropriate amount of civil penalties and assessments, the administrative law judge (ALJ) and, upon appeal, the Secretary shall consider and state in their opinions any mitigating or aggravating circumstances. Because of the intangible costs of fraud, the expense of investigating fraudulent conduct, and the need for deterrence, ordinarily double damages and a significant civil penalty should be imposed. The ALJ and the Secretary shall consider the following factors in determining the amount of penalties and assessments to be imposed:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the respondent's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;
(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the cost of investigation;
(6) The relationship of the civil penalties to the amount of the Government's loss;
(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;
(8) Whether the respondent has engaged in a pattern of the same or similar misconduct;
(9) Whether the respondent attempted to conceal the misconduct;
(10) The degree to which the respondent has involved others in the misconduct or in concealing it;
(11) If the misconduct of employees or agents is imputed to the respondent, the extent to which the respondent's practices fostered or attempted to preclude the misconduct;
(12) Whether the respondent cooperated in or obstructed an investigation of the misconduct;
(13) Whether the respondent assisted in identifying and prosecuting other wrongdoers;
(14) The complexity of the program or transaction, and the degree of the respondent's sophistication with respect to it, including the extent of the respondent's prior participation in the program or in similar transactions;
(15) Whether the respondent has been found, in any criminal, civil, or administrative proceeding, to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly;
(16) The need to deter the respondent and others from engaging in the same or similar misconduct; and
(17) Any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.
(c) Stays ordered by the Department of Justice. If at any time the Attorney General of the United States or an Assistant Attorney General designated by the Attorney General notifies the Secretary in writing that continuation of HUD's case may adversely affect any pending or potential criminal or civil action related to the claim or statement at issue, the ALJ or the Secretary shall stay the process immediately. The case may be resumed only upon receipt of the written authorization of the Attorney General.
§ 28.45 Settlements.
(a) HUD and the respondent may enter into a settlement agreement at any time prior to the issuing of a notice of final determination under § 28.50 of this title.
(b) Failure of the respondent to comply with a settlement agreement shall be sufficient cause for resuming an action under this part, or for any other judicial or administrative action.

If no design stage is involved in the construction or alteration of a residential structure, the standards of § 40.4 shall be applicable to construction or alteration for which bids are solicited after the effective date of this part.

(3) The alteration of an existing building, or of such portions thereof, to which application of the standards is not structurally feasible.

§ 40.4 Standards.

Residential structures subject to this part shall be designed, constructed or altered to ensure that physically handicapped persons have access to, and use of, these structures. (b) Periodic compliance reviews. The Secretary, in consultation with the appropriate Assistant Secretary, shall conduct surveys and investigations as deemed appropriate to achieve compliance with standards or requirements subject to this part.

Comparable replacement dwelling unit means a dwelling unit that:

(1) Meets the criteria of 49 CFR 24.2(d)(1) through (6); and

(i) Used for nonhousing purposes;

(ii) Used for housing purposes, but no longer meets the definition of lower-income dwelling unit; or

(iii) Used as an emergency shelter.

Recipient means CDBG grantee, UDAG grantee, or the HOME participating jurisdiction.

Standard condition and substandard condition suitable for rehabilitation have the meaning the recipient has established for those terms in its HUD-approved consolidated plan pursuant to 24 CFR part 91. (2) A unit of general local government receiving funds from the State must certify to the State that it has in effect and is following a residential antidisplacement and relocation assistance plan, and that it will minimize displacement of persons as a result of assisted activities. The State may require the unit of general local government to follow the State's plan or permit it to develop its own plan. A unit of general local government that develops its own plan must adopt the plan and make it public.

(a) Units that must be replaced. All occupied and vacant occupiable lower-income dwelling units that are demolished or converted to a use other than as lower-income dwelling units in connection with an assisted activity must be replaced with comparable lower-income dwelling units.

(b) Acceptable replacement units. Replacement lower-income dwelling units may be provided by any government agency or private developer and must meet the following requirements:

(1) The units must be located within the recipient’s jurisdiction. To the extent feasible and consistent with other statutory priorities, the units shall be located within the same neighborhood as the units replaced.

(2) The units must be sufficient in number and size to house no fewer than the number of occupants who could have been housed in the units that are demolished or converted. The number of occupants who could have been housed in units shall be determined in accordance with applicable local housing occupancy codes. The recipient may not replace those units with smaller units (e.g., a 2-bedroom unit with two 1-bedroom units), unless the recipient has provided the information required under paragraph (c)(7) of this section.

(3) The units must be provided in standard condition. Replacement lower-income dwelling units may include units that have been raised to standard from substandard condition if:

(i) No person was displaced from the unit (see definition of “displaced person” in §42.305); and

(ii) The unit was vacant for at least 3 months before execution of the agreement between the recipient and the property owner.

(4) The units must initially be made available for occupancy at any time during the period beginning 1 year before the recipient makes public the information required under paragraph (d) of this section and ending 3 years after the commencement of the demolition or rehabilitation related to the conversion.

(5) The units must be designed to remain lower-income dwelling units for at least 10 years from the date of initial occupancy. Replacement lower-income dwelling units may include, but are not limited to, public housing or existing housing receiving Section 8 project-based assistance.

(c) Preliminary information to be made public. Before the recipient enters into a contract committing it to provide funds under programs covered by this subpart for any activity that will directly result in the demolition of lower-income dwelling units or the conversion of lower-income dwelling units to another use, the recipient must make public, and submit in writing to the HUD field office (or State, in the case of a unit of general local government funded by the State), the following information:

(2) If the person purchases an interest in a housing cooperative or mutual housing association and occupies a decent, safe, and sanitary dwelling in the cooperative or association, the person may elect to receive a payment equal to the capitalized value of 60 times the amount that is obtained by subtracting the “Total Tenant Payment,” as determined under part 813 of this title, from the monthly rent and estimated average monthly cost of utilities at a comparable replacement dwelling unit. To compute the capitalized value, the installments shall be discounted at the rate of interest paid on passbook savings deposits by a federally insured financial institution conducting business within the recipient’s jurisdiction. To the extent necessary to minimize hardship to the household, the recipient shall, subject to appropriate safeguards, issue a payment in advance of the purchase of the interest in the housing cooperative or mutual housing association.
(1) A description of the proposed assisted activity;
(2) The location on a map and number of dwelling units by size (number of bedrooms) that will be demolished or converted to a use other than for lower-income dwelling units as a direct result of the assisted activity;
(3) A time schedule for the commencement and completion of the demolition or conversion;
(4) The location on a map and the number of dwelling units by size (number of bedrooms) that will be provided as replacement dwelling units. If such data are not available at the time of the general submission, the submission shall identify the general location on an area map and the approximate number of dwelling units by size, and information identifying the specific location and number of dwelling units by size shall be submitted and disclosed to the public as soon as it is available;
(5) The source of funding and a time schedule for the provision of replacement dwelling units;
(6) The basis for concluding that each replacement dwelling unit will remain a lower-income dwelling unit for at least 10 years from the date of initial occupancy; and
(7) Information demonstrating that any proposed replacement of dwelling units with smaller dwelling units (e.g., a 2-bedroom unit with two 1-bedroom units) is consistent with the needs assessment contained in its HUD-approved consolidated plan. A unit of general local government funded by the State that is not required to submit a consolidated plan to HUD must make public information demonstrating that the proposed replacement is consistent with the housing needs of lower-income households in the jurisdiction.

(d) Replacement not required. (1) In accordance with 42 U.S.C. 5304(d)(3), the one-for-one replacement requirement does not apply. Simultaneously with the submission of the request, the recipient must make the submission public and inform interested persons that they have 30 days from the date of submission to provide to HUD additional information supporting or opposing the request.
(3) A unit of general local government funded by the State must submit the request for determination under this paragraph to the State. Simultaneously with the submission of the request, the unit of general local government must make the submission public and inform interested persons that they have 30 days from the date of submission to provide to the State additional information supporting or opposing the request. If the State, after considering the submission and the additional data, agrees with the request, the State must provide its recommendation with supporting information to the field office.

§ 42.390 Appeals.
A person who disagrees with the recipient’s determination concerning whether the person qualifies as a “displaced person,” or with the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the recipient. A person who is dissatisfied with the recipient’s determination on his or her appeal may submit a written request for review of that determination to the HUD field office (or to the State in the case of a unit of general local government funded by the State). If the full relief is not granted, the recipient shall advise the person of his or her right to seek judicial review.

PART 50—PROTECTION AND ENHANCEMENT OF ENVIRONMENTAL QUALITY

Subpart A—General: Federal Laws and Authorities
Sec. 50.1 Purpose, authority, and applicability.
50.2 Terms and abbreviations.

(a) This part implements the policies of the National Environmental Policy Act (NEPA) and other environmental requirements (as specified in §50.4).
HUD approving official means the HUD official authorized to make the approval decision for any proposed policy or project subject to this part.

Project means an activity, or a group of integrally-related activities, undertaken directly by HUD or proposed for HUD assistance or insurance.

(b) The following abbreviations are used throughout this part:
   AS/CPD—Assistant Secretary for Community Planning and Development.
   CEQ—Council on Environmental Quality
   EA—Environmental Assessment
   EIS—Environmental Impact Statement
   FONSI—Finding of No Significant Impact
   HUD—Department of Housing and Urban Development
   NEPA—National Environmental Policy Act
   NOI/EIS—Notice of Intent to Prepare an Environmental Impact Statement

§ 50.3 Environmental policy.

(a) It is the policy of the Department to reject proposals which have significant adverse environmental impacts and to encourage the modification of projects in order to enhance environmental quality and minimize environmental harm.

(b) The HUD approving official shall consider environmental and other Departmental objectives in the decision-making process.

(c) When EA’s or EIS’s or reviews under §50.4 reveal conditions or safeguards that should be implemented once a proposal is approved in order to protect and enhance environmental quality or minimize adverse environmental impacts, such conditions or safeguards must be included in agreements or other relevant documents.

(d) A systematic, interdisciplinary approach shall be used to assure the integrated use of the natural and social sciences and the environmental design arts in making decisions.

(e) Environmental impacts shall be evaluated on as comprehensive a scale as is practicable.

(f) HUD offices shall begin the environmental review process at the earliest possible time so that potential conflicts between program procedures and environmental requirements are identified at an early stage.

(g) Applicants for HUD assistance shall be advised of environmental requirements and consultation with governmental agencies and individuals shall take place at the earliest time feasible.

(h) For HUD grant programs in which the funding approval for an applicant’s program must occur before the applicant’s selection of properties, the application shall contain an assurance that the applicant agrees to assist HUD to comply with this part and that the applicant shall:
   (1) Supply HUD with all available, relevant information necessary for HUD to perform for each property any environmental review required by this part;
   (2) Carry out mitigating measures required by HUD or select alternate eligible property; and
   (3) Not acquire, rehabilitate, convert, lease, repair or construct property, nor commit or expend HUD or local funds for these program activities with respect to any eligible property, until HUD approval of the property is received.

(i)(1) It is HUD policy that all property proposed for use in HUD programs be free of hazardous materials, contamination, toxic chemicals and gases, and radioactive substances, where a hazard could affect the health and safety of occupants or conflict with the intended utilization of the property.

   (2) HUD environmental review of multifamily and non-residential properties shall include evaluation of previous uses of the site and other evidence of contamination on or near the site, to assure that occupants of proposed sites are not adversely affected by the hazards listed in paragraph (i)(1) of this section.

   (3) Particular attention should be given to any proposed site or in the general proximity of such areas as dumps, landfills, industrial sites or other locations that contain hazardous wastes.

   (4) HUD shall require the use of current techniques by qualified professionals to undertake investigations determined necessary.
§ 50.4 Related Federal laws and authorities.

HUD and/or applicants must comply, where applicable, with all environmental requirements, guidelines and statutory obligations under the following authorities and HUD standards:

(3) Executive Order 11990 (Protection of Wetlands), (3 CFR, 1977 Comp., p. 121).

(c) Coastal areas protection and management. (1) The Coastal Barrier Resources Act, as amended by the Coastal Barrier Improvement Act of 1990 (16 U.S.C. 3501 et seq.).

(g) Water quality. The Federal Water Pollution Control Act, as amended by the Federal Water Pollution Control Act Amendments of 1972 (33 U.S.C. 1251 et seq.), and later enactments.

(h) Air quality. The Clean Air Act (42 U.S.C. 7401 et seq.), as amended. (See 40 CFR parts 6, 51, and 93)

(k) HUD environmental standards. Applicable criteria and standards specified in HUD environmental regulations (24 CFR part 51).

Subpart B—General Policy: Responsibilities and Program Coverage

§ 50.10 Basic environmental responsibility.

(a) It is the responsibility of all Assistant Secretaries, the General Counsel, and the HUD approving official to assure that the requirements of this part are implemented.

(b) The Assistant Secretary for Community Planning and Development (A/S CPD), represented by the Office of Community Viability, whose Director shall serve as the Departmental Environmental Clearance Officer (DECO), is assigned the overall Departmental responsibility for environmental policies and procedures for compliance with NEPA and the related laws and authorities. To the extent permitted by applicable laws and the CEQ regulations, the A/S CPD shall approve waivers and exceptions or establish criteria for exceptions from the requirements of this part.

§ 50.11 Responsibility of the HUD approving official.

(a) The HUD approving official shall make an independent evaluation of the
environmental issues, take responsibility for the scope and content of the compliance finding, EA or EIS, and make the environmental finding, where applicable. (Also, see § 50.32.)

(b) Copies of environmental reviews and findings shall be maintained in the project file for projects, in the rules docket files for FEDERAL REGISTER publications, and in program files for non-FEDERAL REGISTER policy documents.

Subpart C—General Policy:
Decision Points

§ 50.16 Decision points for policy actions.

Either an EA and FONSI or an EIS on all policy actions not meeting the criteria of § 50.19 shall be completed prior to the approval action. Policy actions include all proposed FEDERAL REGISTER policy documents and other policy-related Federal actions (40 CFR 1508.18). The decision as to whether a proposed policy action is categorically excluded from an EA shall be made by the Program Environmental Clearance Officer (PECO) in Headquarters as early as possible. Where the PECO has any doubt as to whether a proposed action qualifies for exclusion, the PECO shall request a determination by the AS/CPD. The EA and FONSI may be combined into a single document.

§ 50.17 Decision points for projects.

Either an EA and FONSI or an EIS for individual projects shall be completed before the applicable program decision points below for projects not meeting the criteria of § 50.20. Compliance with applicable authorities cited in § 50.4 shall be completed before the applicable program decision points below unless the project meets the criteria for exclusion under § 50.19.

(a) New Construction. (1) Project mortgage insurance or other financial assistance for multifamily housing projects (including sections 202 and 811), nursing homes, hospitals, group practice facilities and manufactured home parks: Issuance of Site Appraisal and Market Analysis (SAMA) Letter or initial equivalent indication of HUD approval of a specific site;

(2) Public Housing: HUD approval of the proposal.

(3) Loan Guarantee Recovery Fund Program (24 CFR part 573). HUD issuance of a letter of commitment or initial equivalent indication of HUD approval.

(b) Rehabilitation projects. Use the decision points under “new construction” for HUD programs cited in paragraph (a) of this section; otherwise the decision point is the HUD project approval.

(c) Public housing modernization programs. HUD approval of the modernization grants.

(d) Property Disposition. Multifamily structures, college housing, nursing homes, manufactured homes and parks, group practice facilities, vacant land and one to four family structures: HUD approval of the Disposition Program.

(e) HUD programs subject to 24 CFR part 58. For cases in which HUD exercises environmental responsibility under this part where a recipient lacks legal capacity to do so or HUD determines to do so in place of a non-recipient responsible entity under 24 CFR part 58 (see § 50.1(d)), the decision point is: HUD’s execution of an agreement or contract, whichever comes first, or in the case of Section 8 Project-Based Certificate Assistance and Moderate Rehabilitation, HUD notification to the Public Housing Agency to proceed with execution of an Agreement to Enter into Housing Assistance Payments (HAP) Contract.

(f) Section 50.3(h). Notwithstanding the other paragraphs of this section, the decision point for grant programs in which HUD approval of funding for an applicant’s program must occur before the applicant’s selection of properties for use in its program is: HUD approval of specific properties.

(g) Stewart B. McKinney Homeless Assistance Act Programs. Where the recipients are nonprofit organizations or governmental entities with special or limited purpose powers, the decision point is: HUD project approval.

(h) Programs not specifically covered in this section. Consult with the AS/CPD for decision points.
§ 50.18 Subpart D—General Policy: Environmental Review Procedures

§ 50.18 General.
HUD may, from time to time, complete programmatic reviews that further avoid the necessity of complying with the laws and authorities in §50.4 on a property-by-property basis.

§ 50.19 Categorical exclusions not subject to the Federal laws and authorities cited in §50.4.

(a) General. The activities and related approvals of policy documents listed in paragraphs (b) and (c) of this section are not subject to the individual compliance requirements of the Federal laws and authorities cited in §50.4, unless otherwise indicated below. These activities and approvals of policy documents are also categorically excluded from the EA required by NEPA except in extraordinary circumstances (§50.20(b)). HUD approval or implementation of these categories of activities and policy documents does not require environmental review, because they do not alter physical conditions in a manner or to an extent that would require review under NEPA or the other laws and authorities cited at §50.4.

(b) Activities.

(1) Environmental and other studies, resource identification and the development of plans and strategies.
(2) Information and financial advisory services.
(3) Administrative and management expenses.
(4) Public services that will not have a physical impact or result in any physical changes, including but not limited to services concerned with employment, crime prevention, child care, health, drug abuse, education, counseling, energy conservation and welfare or recreational needs.
(5) Inspections and testing of properties for hazards or defects.
(6) Purchase of insurance.
(7) Purchase of tools.
(8) Engineering or design costs.
(9) Technical assistance and training.
(10) Assistance for temporary or permanent improvements that do not alter environmental conditions and are limited to protection, repair or rehabilitation activities necessary only to control or arrest the effects from disasters or imminent threats to public safety including those resulting from physical deterioration.
(11) Tenant-based rental assistance.
(12) Supportive services including, but not limited to, health care, housing services, permanent housing placement, day care, nutritional services, short-term payments for rent/mortgage/utility costs, and assistance in gaining access to local, State, and Federal government benefits and services.
(13) Operating costs including maintenance, security, operation, utilities, furnishings, equipment, supplies, staff training and recruitment and other incidental costs; however, in the case of equipment, compliance with §50.4(b)(1) is required.
(14) Economic development activities, including but not limited to, equipment purchase, inventory financing, interest subsidy, operating expenses and similar costs not associated with construction or physical expansion of existing facilities; however, in the case of equipment purchase, compliance with §50.4(b)(1) is required.
(15) Activities to assist homeownership of existing dwelling units, including closing costs and down payment assistance to home buyers, interest buydowns and similar activities that result in the transfer of title to a property; however, compliance with §§50.4(b)(1) and (c)(1) and 51.303(a)(3) is required.
(16) Housing pre-development costs including legal, consulting, developer and other costs related to site options, project financing, administrative costs and fees for loan commitments, zoning approvals, and other related activities which do not have a physical impact.
(17) HUD’s insurance of one-to-four family mortgages under the Direct Endorsement program, the insurance of one-to-four family mortgages under the Lender Insurance program, and HUD’s guarantee of loans for one-to-four family dwellings under the Direct Guarantee procedure for the Indian Housing loan guarantee program, without any HUD review or approval before the completion of construction or rehabilitation and the loan closing; and HUD’s acceptance for insurance of loans insured under Title I of the National...
Housing Act; however, compliance with §§50.4(b)(1) and (c)(1) and 24 CFR 51.303(a)(3) is required.

(18) HUD’s endorsement of one-to-four family mortgage insurance for proposed construction under Improved Area processing; however, the Appraiser/Review Appraiser Checksheet (Form HUD-54891) must be completed.

(19) Activities of the Government National Mortgage Association under Title III of the National Housing Act (12 U.S.C. 1716 et seq.).

(20) Activities under the Interstate Land Sales Full Disclosure Act (15 U.S.C. 1701 et seq.).

(21) Refinancing of HUD-insured mortgages that will not allow new construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance; however, compliance with §50.4(b)(1) is required.

(22) Approval of the sale of a HUD-held mortgage.

(23) Approval of the foreclosure sale of a property with a HUD-held mortgage; however, appropriate restrictions will be imposed to protect historic properties.

(24) HUD guarantees under the Loan Guarantee Recovery Fund Program (24 CFR part 573) of loans that refinance existing loans and mortgages, where any new construction or rehabilitation financed by the existing loan or mortgage has been completed prior to the filing of an application under the program, and the refinancing will not allow further construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance; however, compliance with §§50.4(b)(1) and (c)(1) and 51.303(a) is required.

(c) Approval of policy documents. (1) Approval of rules and notices proposed for publication in the Federal Register or other policy documents that do not:

(i) Direct, provide for assistance or loan of mortgage insurance for, or otherwise govern or regulate, real property acquisition, disposition, leasing (other than tenant-based rental assistance), rehabilitation, alteration, demolition, or new construction; or

(ii) Establish, revise, or provide for standards for construction or construction materials, manufactured housing, or occupancy.

(2) Approval of policy documents that amend an existing document where the existing document as a whole would not fall within an exclusion in this paragraph (c) but the amendment by itself would do so;

(3) Approval of policy documents that set out fair housing or nondiscrimination standards or enforcement procedures or provide for assistance in promoting or enforcing fair housing or nondiscrimination;

(4) Approval of handbooks, notices and other documents that provide operating instructions and procedures in connection with activities under a Federal Register document that has previously been subject to a required environmental review.

(5) Approval of a Notice of Funding Availability (NOFA) that provides funding under, and does not alter any environmental requirements of, a regulation or program guideline that was previously published in the Federal Register, provided that

(i) The NOFA specifically refers to the environmental review provisions of the regulation or guideline; or

(ii) The regulation or guideline contains no environmental review provisions because it concerns only activities listed in paragraph (b) of this section.

(6) Statutorily required and/or discretionary establishment and review of interest rates, loan limits, building cost limits, prototype costs, fair market rent schedules, HUD-determined prevailing wage rates, income limits and exclusions with regard to eligibility for or calculation of HUD housing assistance or rental assistance, and similar rate and cost determinations and related external administrative or fiscal requirements or procedures which do not constitute a development decision that affects the physical condition of specific project areas or building sites.

§ 50.20 Categorical exclusions subject to the Federal laws and authorities cited in § 50.4.

(a) The following actions, activities and programs are categorically excluded from the NEPA requirements of this part. They are not excluded from individual compliance requirements of other environmental statutes, Executive orders and HUD standards cited in §50.4, where appropriate. Form HUD-4128 shall be used to document compliance. Where the responsible official determines that any item identified below may have an environmental effect because of extraordinary circumstances (40 CFR 1508.4), the requirements of NEPA shall apply (see paragraph (b) of this section).

(1) Special projects directed to the removal of material and architectural barriers that restrict the mobility of and accessibility to elderly and persons with disabilities.

(2) Rehabilitation of structures when the following conditions are met:
   (i) In the case of residential buildings, the unit density is not changed more than 20 percent;
   (ii) The project does not involve changes in land use (from non-residential to residential or from residential to non-residential); and
   (iii) The estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation.

(3) An individual action on a one- to four-family dwelling or an individual action on a project of five or more units developed on scattered sites when the sites are more than 2,000 feet apart and there are not more than four units on any one site.

(4) Acquisition or disposition of, or equity loans on, an existing structure.

(5) Purchased or refinanced housing and medical facilities under section 223(f) of the National Housing Act (12 U.S.C. 1715n).

(6) Mortgage prepayments or plans of action (including incentives) under 24 CFR part 248.

(b) For categorical exclusions having the potential for significant impact because of extraordinary circumstances, HUD must prepare an EA in accordance with subpart E.

§ 50.21 Aggregation.

Activities which are geographically related and are logical parts of a composite of contemplated HUD projects shall be evaluated together.

§ 50.22 Environmental management and monitoring.

An Environmental Management and Monitoring Program shall be established prior to project approval when it is deemed necessary by the HUD approving official. The program shall be part of the approval document and must:

(a) Be concurred in by the Field Environmental Clearance Officer (FECO) (in the absence of a FECO, by the Program Environmental Clearance Officer in Headquarters) and any cooperating agencies;

(b) Contain specific standards, safeguards and commitments to be completed during project implementation;

(c) Identify the staff who will be responsible for the post-approval inspection; and

(d) Specify the time periods for conducting the evaluation and monitoring the applicant’s compliance with the project agreements.

§ 50.23 Public participation.

HUD shall inform the affected public about NEPA-related hearings, public meetings, and the availability of environmental documents (see 40 CFR 1506.6(b)) in accordance with this section. Where project actions result in a FONSI, the FONSI will be available in the project file. The local HUD field office may be contacted by persons who wish to review the FONSI. In all cases, HUD shall mail notices to those who have requested them. Additional efforts for involving the public in specific notice or compliance requirements shall be made in accord with the implementing procedures of the laws and authorities cited in §50.4. Notices pertaining to an EIS or an amendment to an EIS or a FONSI subject to §50.34 shall be given to the public in accordance with paragraphs (a) through (d) of this section.
(a) A NOI/EIS shall be forwarded to the AS/CPD to the attention of the Departmental Environmental Clearance Officer for publication in the Federal Register.

(b) Notices will be bilingual if the affected public includes a significant portion of non-English speaking persons and will identify a date when the official public involvement element of the proposed action is to be completed and HUD internal processing is to continue.

(c) All required notices shall be published in an appropriate local printed news medium, and sent to individuals and groups known to be interested in the proposed action.

(d) All notices shall inform the public where additional information may be obtained.

§ 50.24 HUD review of another agency's EIS.

Where another agency's EIS is referred to the HUD Field Office in whose jurisdiction the project is located, the Field Environmental Clearance Officer shall determine whether HUD has an interest in the EIS and, if so, will review and comment. Any EIS received from another Federal agency requesting comment on legislative proposals, regulations, or other policy documents shall be sent to the AS/CPD for comment, and the AS/CPD shall provide the General Counsel the opportunity for comment.

Subpart E—Environmental Assessments and Related Reviews

§ 50.31 The EA.

(a) Form HUD-4128—Environmental Assessment and Compliance Findings for the Related Laws—is the EA form to be used for analysis and documentation by HUD for projects and activities under subpart E. The Departmental Environmental Clearance Officer shall approve the issuance of equivalent formats, if Form HUD-4128 does not meet specific program needs.

(b) The program representative shall obtain interdisciplinary assistance from professional experts and other HUD staff as needed. Additional information may also be requested of the sponsor/applicant. HUD is responsible for assessing and documenting the extent of the environmental impact.

§ 50.32 Responsibility for environmental processing.

The program staff in the HUD office responsible for processing the project application or recommending a policy action is responsible for conducting the compliance finding, EA, or EIS. The collection of data and studies as part of the information contained in the environmental review may be done by an applicant or the applicant's contractor. The HUD program staff may use any information supplied by the applicant or contractor, provided HUD independently evaluates the information, will be responsible for its accuracy, supplements the information, if necessary, to conform to the requirements of this part, and prepares the environmental finding. Assessments for projects over 200 lots/dwelling units or beds shall be sent to the Field Environmental Clearance Officer (FECO) or, in the absence of a FECO, to the Program Environmental Clearance Officer in Headquarters for review and comment.

§ 50.33 Action resulting from the assessment.

(a) A proposal may be accepted without modifications if the EA indicates that the proposal will not significantly (see 40 CFR 1508.27) affect the quality of the human environment and a FONSI is prepared.

(b) A proposal may be accepted with modifications provided that:
   (1) Changes have been made that would reduce adverse environmental impact to acceptable and insignificant levels; and
   (2) An Environmental Management and Monitoring Program is developed in accordance with §50.22 when it is deemed necessary by the HUD approving official.

(c) A proposal should be rejected if significant and unavoidable adverse environmental impacts would still exist after modifications have been made to the proposal and an EIS is not prepared.

(d) A proposal (if not rejected) shall require an EIS if the EA indicates that significant environmental impacts would result.
§ 50.34  Time delays for exceptional circumstances.

(a) Under the circumstances described in this section, the FONSI must be made available for public review for 30 calendar days before a final decision is made whether to prepare an EIS and before the HUD action is taken. The circumstances are:

(1) When the proposed action is, or is closely similar to, one which normally requires the preparation of an EIS pursuant to §50.42(b) but it is determined, as a result of an EA or in the course of preparation of a draft EIS, that the proposed action will not have a significant impact on the human environment; or

(2) When the nature of the proposed action is without precedent and does not appear to require more than an assessment.

(b) In such cases, the FONSI must be concurred in by the AS/CPD and the Program Environmental Clearance Officer. Notice of the availability of the FONSI shall be given to the public in accordance with paragraphs (a) through (d) of §50.23.

§ 50.35  Use of prior environmental assessments.

When other Federal, State, or local agencies have prepared an EA or other environmental analysis for a proposed HUD project, these documents should be requested and used to the extent possible. HUD must, however, conduct the environmental analysis and prepare the EA and be responsible for the required environmental finding.

§ 50.36  Updating of environmental reviews.

The environmental review must be re-evaluated and updated when the basis for the original environmental or compliance findings is affected by a major change requiring HUD approval in the nature, magnitude or extent of a project and the project is not yet complete. A change only in the amount of financing or mortgage insurance involved does not normally require the environmental review to be re-evaluated or updated.
§ 51.100 Purpose and authority.

(a) It is the purpose of this subpart B to:

1. Call attention to the threat of noise pollution;
2. Encourage the control of noise at its source in cooperation with other Federal departments and agencies;
3. Encourage land use patterns for housing and other noise sensitive urban needs that will provide a suitable separation between them and major noise sources;
4. Generally prohibit HUD support for new construction of noise sensitive uses on sites having unacceptable noise exposure;
§ 51.101 General policy.

(a) It is HUD's general policy to provide minimum national standards applicable to HUD programs to protect citizens against excessive noise in their communities and places of residence.

(1) Planning assistance. HUD requires that grantees give adequate consideration to noise exposures and sources of noise as an integral part of the urban environment when HUD assistance is provided for planning purposes, as follows:

(i) Particular emphasis shall be placed on the importance of compatible land use planning in relation to airports, highways and other sources of high noise.

(ii) Applicants shall take into consideration HUD environmental standards impacting the use of land.

(2) Activities subject to 24 CFR part 58. Responsible entities under 24 CFR part 58 must take into consideration the noise criteria and standards in the environmental review process and consider ameliorative actions when noise sensitive land development is proposed in noise exposed areas. Responsible entities shall address deviations from the standards in their environmental reviews as required in 24 CFR part 58.

(ii) Where activities are planned in a noisy area, and HUD assistance is contemplated later for housing and/or other noise sensitive activities, the responsible entity risks denial of the HUD assistance unless the HUD standards are met.

(3) HUD support for new construction. HUD assistance for the construction of new noise sensitive uses is prohibited generally for projects with unacceptable noise exposures and is discouraged for projects with normally unacceptable noise exposure. (Standards of acceptability are contained in §51.103(c).) This policy applies to all HUD programs providing assistance, subsidy or insurance for housing, manufactured home parks, nursing homes, hospitals, and all programs providing assistance or insurance for land development, redevelopment or any other provision of facilities and services which are directed to making land available for housing or noise sensitive development. The policy does not apply to research demonstration projects which do not result in new construction or re-construction, flood insurance, interstate land sales registration, or any action or emergency assistance under disaster assistance provisions or appropriations which are provided to save lives, protect property, protect public health and safety, remove debris and wreckage, or assistance that has the effect of restoring facilities substantially as they existed prior to the disaster.

(4) HUD support for existing construction. Noise exposure by itself will not result in the denial of HUD support for the resale and purchase of otherwise acceptable existing buildings. However, environmental noise is a marketability factor which HUD will consider in determining the amount of insurance or other assistance that may be given.

(5) HUD support of modernization and rehabilitation. For modernization projects located in all noise exposed areas, HUD shall encourage noise attenuation features in alterations. For major or substantial rehabilitation projects in the Normally Unacceptable and Unacceptable noise zones, HUD actively shall seek to have project sponsors incorporate noise attenuation features, given the extent and nature of the rehabilitation being undertaken and the level or exterior noise exposure. In Unacceptable noise zones, HUD shall strongly encourage conversion of noise-exposed sites to land uses compatible with the high noise levels.

(6) Research, guidance and publications. HUD shall maintain a continuing program designed to provide new...
knowledge of noise abatement and control to public and private bodies, to develop improved methods for anticipating noise encroachment, to develop noise abatement measures through land use and building construction practices, and to foster better understanding of the consequences of noise. It shall be HUD’s policy to issue guidance documents periodically to assist HUD personnel in assigning an acceptability category to projects in accordance with noise exposure standards, in evaluating noise attenuation measures, and in advising local agencies about noise abatement strategies. The guidance documents shall be updated periodically in accordance with advances in the state-of-the-art.

(7) Construction equipment, building equipment and appliances. HUD shall encourage the use of quieter construction equipment and methods in population centers, the use of quieter equipment and appliances in buildings, and the use of appropriate noise abatement techniques in the design of residential structures with potential noise problems.

(8) Exterior noise goals. It is a HUD goal that exterior noise levels do not exceed a day-night average sound level of 55 decibels. This level is recommended by the Environmental Protection Agency as a goal for outdoors in residential areas. The levels recommended by EPA are not standards and do not take into account cost or feasibility. For the purposes of this regulation and to meet other program objectives, sites with a day-night average sound level of 65 and below are acceptable and are allowable (see Standards in §51.103(c)).

(9) Interior noise goals. It is a HUD goal that the interior auditory environment shall not exceed a day-night average sound level of 45 decibels. Attenuation measures to meet these interior goals shall be employed where feasible. Emphasis shall be given to noise sensitive interior spaces such as bedrooms. Minimum attenuation requirements are prescribed in §51.104(a).

(10) Acoustical privacy in multifamily buildings. HUD shall require the use of building design and acoustical treatment to afford acoustical privacy in multifamily buildings pursuant to requirements of the Minimum Property Standards.

§51.102 Responsibilities.

(a) Surveillance of noise problem areas. Appropriate field staff shall maintain surveillance of potential noise problem areas and advise local officials, developers, and planning groups of the unacceptability of sites because of noise exposure at the earliest possible time in the decision process. Every attempt shall be made to insure that applicants’ site choices are consistent with the policy and standards contained herein.

(b) Notice to applicants. At the earliest possible stage, HUD program staff shall:

(1) Determine the suitability of the acoustical environment of proposed projects;

(2) Notify applicants of any adverse or questionable situations; and

(3) Assure that prospective applicants are apprised of the standards contained herein so that future site choices will be consistent with these standards.

(c) Interdepartmental coordination. HUD shall foster appropriate coordination between field offices and other departments and agencies, particularly the Environmental Protection Agency, the Department of Transportation, Department of Defense representatives, and the Department of Veterans Affairs. HUD staff shall utilize the acceptability standards in commenting on the prospective impacts of transportation facilities and other noise generators in the Environmental Impact Statement review process.

§51.103 Criteria and standards.

These standards apply to all programs as indicated in §51.101.

(a) Measure of external noise environments. The magnitude of the external noise environment at a site is determined by the value of the day-night average sound level produced as the result of the accumulation of noise from all sources contributing to the external
§ 51.104 Special requirements.

(a)(1) Noise attenuation. Noise attenuation measures are those required in addition to attenuation provided by buildings as commonly constructed in the area, and requiring open windows for ventilation. Measures that reduce external noise at a site shall be used wherever practicable in preference to the incorporation of additional noise attenuation in buildings. Building designs and construction techniques that provide more noise attenuation than typical construction may be employed also to meet the noise attenuation requirements.

(2) Normally unacceptable noise zones and unacceptable noise zones. Approvals in Normally Unacceptable Noise Zones require a minimum of 5 decibels additional sound attenuation for buildings having noise-sensitive uses if the day-night average sound level is greater than that specified in the following table:

Notes: (1) Acceptable threshold may be shifted to 70 dB in special circumstances pursuant to § 51.105(a).

(2) See § 51.104(b) for requirements.

(3) See § 51.104(d) for requirements.

(4) 5 dB additional attenuation required for sites above 65 dB but not exceeding 70 dB and 10 dB additional attenuation required for sites above 70 dB. (See § 51.104(a).)

(5) Attenuation measures to be submitted to the Assistant Secretary for CPD for approval on a case-by-case basis.

[44 FR 40861, July 12, 1979, as amended at 49 FR 12214, Mar. 29, 1984]
less than 65 decibels but does not exceed 70 decibels, or a minimum of 10 decibels of additional sound attenuation if the day-night average sound level is greater than 70 decibels but does not exceed 75 decibels. Noise attenuation measures in Unacceptable Noise Zones require the approval of the Assistant Secretary for Community Planning and Development, or the Certifying Officer for activities subject to 24 CFR part 58. (See §51.104(b)(2).)

(b) Environmental review requirements. Environmental reviews shall be conducted pursuant to the requirements of 24 CFR parts 50 and 58, as applicable, or other environmental regulations issued by the Department. These requirements are hereby modified for all projects proposed in the Normally Unacceptable and Unacceptable noise exposure zones as follows:

(1) Normally unacceptable noise zone.
   (i) All projects located in the Normally Unacceptable Noise Zone require a Special Environmental Clearance except an EIS is required for a proposed project located in a largely undeveloped area, or where the HUD action is likely to encourage the establishment of incompatible land use in this noise zone.
   (ii) When an EIS is required, the concurrence of the Program Assistant Secretary is also required before a project can be approved. For the purposes of this paragraph, an area will be considered as largely undeveloped unless the area within a 2-mile radius of the project boundary is more than 50 percent developed for urban uses and infrastructure (particularly water and sewers) is available and has capacity to serve the project.
   (iii) All other projects in the Normally Unacceptable zone require a Special Environmental Clearance, except where an EIS is required for other reasons pursuant to HUD environmental policies.

(2) Unacceptable noise zone. An EIS is required prior to the approval of projects with unacceptable noise exposure. Projects in or partially in an Unacceptable Noise Zone shall be submitted to the Assistant Secretary for Community Planning and Development, or the Certifying Officer for activities subject to 24 CFR part 58, for approval. The Assistant Secretary or the Certifying Officer may waive the EIS requirement in cases where noise is the only environmental issue and no outdoor noise sensitive activity will take place on the site. In such cases, an environmental review shall be made pursuant to the requirements of 24 CFR parts 50 or 58, as appropriate.

§51.105 Exceptions.

(a) Flexibility for non-acoustic benefits. Where it is determined that program objectives cannot be achieved on sites meeting the acceptability standard of 65 decibels, the Acceptable Zone may be shifted to $L_{dn} 70$ on a case-by-case basis if all the following conditions are satisfied:

(1) The project does not require an Environmental Impact Statement under provisions of §51.104(b)(1) and noise is the only environmental issue.
(2) The project has received a Special Environmental Clearance and has received the concurrence of the Environmental Clearance Officer.
(3) The project meets other program goals to provide housing in proximity to employment, public facilities and transportation.
(4) The project is in conformance with local goals and maintains the character of the neighborhood.
(5) The project sponsor has set forth reasons, acceptable to HUD, as to why the noise attenuation measures that would normally be required for new construction in the $L_{dn} 65$ to $L_{dn} 70$ zone cannot be met.
(6) Other sites which are not exposed to noise above $L_{dn} 65$ and which meet program objectives are generally not available.

The above factors shall be documented and made part of the project file.

§51.106 Implementation.

(a) Use of available data. HUD field staff shall make maximum use of noise data prepared by others when such data are determined to be current and adequately projected into the future and are in terms of the following:
(1) Sites in the vicinity of airports. The noise environment around airports is described sometimes in terms of Noise Exposure Forecasts, abbreviated as NEF or, in the State of California, as Community Noise Equivalent Level, abbreviated as CNEL. The noise environment for sites in the vicinity of airports for which day-night average sound level data are not available may be evaluated from NEF or CNEL analyses using the following conversions to DNL:

\[
\text{DNL} \approx \text{NEF} + 35
\]

\[
\text{DNL} \approx \text{CNEL}
\]

(2) Sites in the vicinity of highways. Highway projects receiving Federal aid are subject to noise analyses under the procedures of the Federal Highway Administration. Where such analyses are available they may be used to assess sites subject to the requirements of this standard. The Federal Highway Administration employs two alternate sound level descriptors: (i) The A-weighted sound level not exceeded more than 10 percent of the time for the highway design hour traffic flow, symbolized as \(L_{10}\); or (ii) the equivalent sound level for the design hour, symbolized as \(L_{eq}\). The day-night average sound level may be estimated from the design hour \(L_{10}\) or \(L_{eq}\) values by the following relationships, provided heavy trucks do not exceed 10 percent of the total traffic flow in vehicles per 24 hours and the traffic flow between 10 p.m. and 7 a.m. does not exceed 15 percent of the average daily traffic flow in vehicles per 24 hours:

\[
\text{DNL} = L_{10} \text{ (design hour)} - 3 \text{ decibels}
\]

\[
\text{DNL} = L_{eq} \text{ (design hour)} \text{ decibels}
\]

Where the auto/truck mix and time of day relationships as stated in this section do not exist, the HUD Noise Assessment Guidelines or other noise analysis shall be used.

(3) Sites in the vicinity of installations producing loud impulsive sounds. Certain Department of Defense installations produce loud impulsive sounds from artillery firing and bombing practice ranges. Noise analyses for these facilities sometimes encompass sites that may be subject to the requirements of this standard. Where such analyses are available they may be used on an interim basis to establish the acceptability of sites under this standard. The Department of Defense uses day-night average sound level based on C-weighted sound level, symbolized \(L_{Cdn}\), for the analysis of loud impulsive sounds. Where such analyses are provided, the 8 decibel addition specified in §51.103(b), is not required, and the same numerical values of day-night average sound level used on an interim basis to determine site suitability for non-impulsive sounds apply to the \(L_{Cdn}\).

(4) Use of areawide acoustical data. HUD encourages the preparation and use of areawide acoustical information, such as noise contours for airports. Where such new or revised contours become available for airports (civil or military) and military installations they shall first be referred to the HUD State Office (Environmental Officer) for review, evaluation and decision on appropriateness for use by HUD. The HUD State Office shall submit revised contours to the Assistant Secretary for Community Planning and Development for review, evaluation and decision whenever the area affected is changed by 20 percent or more, or whenever it is determined that the new contours will have a significant effect on HUD programs, or whenever the contours are not provided in a methodology acceptable under §51.106(a)(1) or in other cases where the HUD State Office determines that Headquarters review is warranted. For other areawide acoustical data, review is required only where existing areawide data are being utilized and where such data have been changed to reflect changes in the measurement methodology or underlying noise source assumptions. Requests for determination on usage of new or revised areawide data shall include the following:

(i) Maps showing old, if applicable, and new noise contours, along with brief description of data source and methodology.

(ii) Impact on existing and prospective urbanized areas and on development activity.

(iii) Impact on HUD-assisted projects currently in processing.
(iv) Impact on future HUD program activity. Where a field office has determined that immediate approval of new areawide data is necessary and warranted in limited geographic areas, the request for approval should state the circumstances warranting such approval. Actions on proposed projects shall not be undertaken while new areawide noise data are being considered for HUD use except where the proposed location is affected in the same manner under both the old and new noise data.

(b) Site assessments. Compliance with the standards contained in §51.103(c) shall, where necessary, be determined using noise assessment guidelines, handbooks, technical documents and procedures issued by the Department.

(c) Variations in site noise levels. In many instances the noise environment will vary across a site, with portions of the site being in an Acceptable noise environment and other portions in a Normally Unacceptable noise environment. The standards in §51.103(c) shall apply to the portions of a building or buildings used for residential purposes and for ancillary noise sensitive open spaces.

(d) Noise measurements. Where noise assessments result in a finding that the site is borderline or questionable, or is controversial, noise measurements may be performed. Where it is determined that noise measurements are required, such measurements will be conducted in accordance with methods and measurement criteria established by the Department. Locations for noise measurements will depend on the location of noise sensitive uses that are nearest to the predominant noise source (see §51.103(c)).

(e) Projections of noise exposure. In addition to assessing existing exposure, future conditions should be projected. To the extent possible, noise exposure shall be projected to be representative of conditions that are expected to exist at a time at least 10 years beyond the date of the project or action under review.

(f) Reduction of site noise by use of berms and/or barriers. If it is determined by adequate analysis that a berm and/or barrier will reduce noise at a housing site, and if the barrier is existing or there are assurances that it will be in place prior to occupancy, the environmental noise analysis for the site may reflect the benefits afforded by the berm and/or barrier. In the environmental review process under §51.104(b), the location height and design of the berm and/or barrier shall be evaluated to determine its effectiveness, and impact on design and aesthetic quality, circulation and other environmental factors.

APPENDIX I TO SUBPART B TO PART 51—DEFINITION OF ACOUSTICAL QUANTITIES

1. Sound Level. The quantity in decibels measured with an instrument satisfying requirements of American National Standard Specification for Type I Sound Level Meters 51.4-1971. Fast time-averaging and A-frequency weighting are to be used, unless others are specified. The sound level meter with the A-weighting is progressively less sensitive to sounds of frequency below 1,000 hertz (cycles per second), somewhat as is the ear. With fast time averaging the sound level meter responds particularly to recent sounds almost as quickly as does the ear in judging the loudness of a sound.

2. Average Sound Level. Average sound level, in decibels, is the level of the mean-square A-weighted sound pressure during the stated time period, with reference to the square of the standard reference sound pressure of 20 micropascals.

Day-night average sound level, abbreviated as DNL, and symbolized mathematically as $L_{dn}$, is defined as:
§ 51.200

24 CFR Subtitle A (4-1-99 Edition)

\[
L_{dn} = 10 \log \left[ 1 + \left( \frac{1}{84.5} \left( \int_{0}^{7.5} [L_a(t) + 10] \, dt \right) \right) \right] + \int_{7.5}^{22} \frac{L_a(t)}{10} \, dt + \int_{22}^{7.5} \frac{[L_a(t) + 10] \, dt}{10}
\]

Time \( t \) is in seconds, so the limits shown in hours and minutes are actually interpreted in seconds. \( L_a(t) \) is the time varying value of A-weighted sound level, the quantity in decibels measured by an instrument satisfying requirements of American National Standard Specification for Type I Sound Level Meters S1.4-1971.

3. Loud Impulsive Sounds. When loud impulsive sounds such as sonic booms or explosions are anticipated contributors to the noise environment at a site, the contribution to day-night average sound level produced by the loud impulsive sounds shall have 8 decibels added to it in assessing the acceptability of a site.

A loud impulsive sound is defined for the purpose of this regulation as one for which:

(i) The sound is definable as a discrete event wherein the sound level increases to a maximum and then decreases in a total time interval of approximately one second or less to the ambient background level that exists without the sound; and

(ii) The maximum sound level (obtained with slow averaging time and A-weighting of a Type I sound level meter whose characteristics comply with ANSI S1.4-1971) exceeds the sound level prior to the onset of the event by at least 6 decibels; and

(iii) The maximum sound level obtained with fast averaging time of a sound level meter exceeds the maximum value obtained with slow averaging time by at least 4 decibels.

Subpart C—Siting of HUD-Assisted Projects Near Hazardous Operations Handling Conventional Fuels or Chemicals of an Explosive or Flammable Nature

AUTHORITY: 42 U.S.C. 3535(d).

SOURCE: 49 FR 5103, Feb. 10, 1984, unless otherwise noted.

§ 51.200 Purpose.

The purpose of this subpart C is to:

(a) Establish safety standards which can be used as a basis for calculating acceptable separation distances (ASD) for HUD-assisted projects from specific, stationary, hazardous operations which store, handle, or process hazardous substances;

(b) Alert those responsible for the siting of HUD-assisted projects to the inherent potential dangers when such projects are located in the vicinity of such hazardous operations;

(c) Provide guidance for identifying those hazardous operations which are most prevalent;

(d) Provide the technical guidance required to evaluate the degree of danger anticipated from explosion and thermal radiation (fire); and

(e) Provide technical guidance required to determine acceptable separation distances from such hazards.

§ 51.201 Definitions.

The terms Department and Secretary are defined in 24 CFR part 5.

Acceptable separation distance (ASD)—means the distance beyond which the explosion or combustion of a hazard is not likely to cause structures or individuals to be subjected to blast overpressure or thermal radiation flux levels in excess of the safety standards in § 51.203. The ASD is determined by applying the safety standards established by this subpart C to the guidance set forth in HUD Guidebook, "Siting of HUD-Assisted Projects Near Hazardous Facilities."

Blast overpressure—means the pressure, in pounds per square inch, in excess of normal atmospheric pressure on the surrounding medium caused by an explosion.
Danger zone—means the land area circumscribed by the radius which delineates the ASD of a given hazard.

Hazard—means any stationary container which stores, handles or processes hazardous substances of an explosive or fire prone nature. The term “hazard” does not include pipelines for the transmission of hazardous substances, if such pipelines are located underground or comply with applicable Federal, State and local safety standards. Also excepted are: (1) Containers with a capacity of 100 gallons or less when they contain common liquid industrial fuels, such as gasoline, fuel oil, kerosene and crude oil since they generally would pose no danger in terms of thermal radiation of blast overpressure to a project; and (2) facilities which are shielded from a proposed HUD-assisted project by the topography, because these topographic features effectively provide a mitigating measure already in place.

Hazardous substances—means petroleum products (petrochemicals) and chemicals that can produce blast overpressure or thermal radiation levels in excess of the standards set forth in §51.203. A specific list of hazardous substance is found in appendix I to this subpart.

HUD-assisted project—the development, construction, rehabilitation, modernization or conversion with HUD subsidy, grant assistance, loan, loan guarantee, or mortgage insurance, of any project which is intended for residential, institutional, recreational, commercial or industrial use. For purposes of this subpart the terms “rehabilitation” and “modernization” refer only to such repairs and renovation of a building or buildings as will result in an increased number of people being exposed to hazardous operations by increasing residential densities, converting the type of use of a building to habitation, or making a vacant building habitable.

Thermal radiation level—means the emission and propagation of heat energy through space or a material medium, expressed in BTU per square foot per hour (BTU/ft.² hr.).

§51.202 Approval of HUD-assisted projects.

(a) The Department will not approve an application for assistance for a proposed project located at less than the acceptable separation distance from a hazard, as defined in §51.201, unless appropriate mitigating measures, as defined in §51.205, are implemented, or unless mitigating measures are already in place.

(b) In the case of all applications for proposed HUD-assisted projects, the Department shall evaluate projected development plans in the vicinity of these projects to determine whether there are plans to install a hazardous operation in close proximity to the proposed project. If the evaluation shows that such a plan exists, the Department shall not approve assistance for the project unless the Department obtains satisfactory assurances that adequate mitigating measures will be taken when the hazardous operation is installed.

§51.203 Safety standards.

The following standards shall be used in determining the acceptable separation distance of a proposed HUD-assisted project from a hazard:

(a) Thermal Radiation Safety Standard. Projects shall be located so that:

(1) The allowable thermal radiation flux level at the building shall not exceed 10,000 BTU/sq. ft. per hr.;

(2) The allowable thermal radiation flux level for outdoor, unprotected facilities or areas of congregation shall not exceed 450 BTU/sq. ft. per hour.

(b) Blast Overpressure Safety Standard. Projects shall be located so that the maximum allowable blast overpressure at both buildings and outdoor, unprotected facilities or areas shall not exceed 0.5 psi.

(c) If a hazardous substance constitutes both a thermal radiation and blast overpressure hazard, the ASD for each hazard shall be calculated, and the larger of the two ASDs shall be used to determine compliance with this subpart.

(d) Background information on the standards and the logarithmic thermal
§ 51.204 HUD-assisted hazardous facilities.

In reviewing applications for proposed HUD-assisted projects involving the installation of hazardous facilities, the Department shall ensure that such hazardous facilities are located at an acceptable separation distance from residences and from any other facility or area where people may congregate or be present. The mitigating measures listed in §51.205 may be taken into account in determining compliance with this section.

§ 51.205 Mitigating measures.

Application of the standards for determining an Acceptable Separation Distance (ASD) for a HUD-assisted project from a potential hazard of an explosion or fire prone nature is predicated on level topography with no intervening object(s) between the hazard and the project. Application of the standards can be eliminated or modified if:

(a) The nature of the topography shields the proposed project from the hazard.

(b) An existing permanent fire resistant structure of adequate size and strength will shield the proposed project from the hazard.

(c) A barrier is constructed surrounding the hazard, at the site of the project, or in between the potential hazard and the proposed project.

(d) The structure and outdoor areas used by people are designed to withstand blast overpressure and thermal radiation anticipated from the potential hazard (e.g., the project is of masonry and steel or reinforced concrete and steel construction).

§ 51.206 Implementation.

This subpart C shall be implemented for each proposed HUD-assisted project by the HUD approving official or responsible entity responsible for review of the project. The implementation procedure will be part of the environmental review process in accordance with the procedures set forth in 24 CFR parts 50 and 58.

[61 FR 13334, Mar. 26, 1996]

§ 51.207 Special circumstances.

The Secretary or the Secretary's designee may, on a case-by-case basis, when circumstances warrant, require the application of this subpart C with respect to a substance not listed in appendix I to this subpart C that would create thermal or overpressure effect in excess of that listed in §51.203.

[61 FR 13334, Mar. 26, 1996]

§ 51.208 Reservation of administrative and legal rights.

Publication of these standards does not constitute a waiver of any right: (a) Of HUD to disapprove a project proposal if the siting is too close to a potential hazard not covered by this subpart, and (b) of HUD or any person or other entity to seek to abate or to collect damages occasioned by a nuisance, whether or not covered by the subpart.

A. Background Information Concerning the Standards

(a) Thermal Radiation:

(1) Introduction. Flammable products stored in above ground containers represent a definite, potential threat to human life and structures in the event of fire. The resulting fireball emits thermal radiation which is absorbed by the surroundings. Combustible structures, such as wooden houses, may be ignited by the thermal radiation being emitted. The radiation can cause severe burn, injuries and even death to exposed persons some distance away from the site of the fire.

(2) Criteria for Acceptable Separation Distance (ASD). Wooden buildings, window drapes and trees generally ignite spontaneously when exposed for a relatively long period of time to thermal radiation levels of approximately 10,000 Btu/hr. sq. ft. It will take 15 to 20 minutes for a building to ignite at that degree of thermal intensity. Since the reasonable response time for fire fighting units in urbanized areas is approximately five to ten minutes, a standard of 10,000 BTU/hr. sq. ft. is considered an acceptable level of thermal radiation for buildings.

People in outdoor areas exposed to a thermal radiation flux level of approximately 1,500 Btu²/hr will suffer intolerable pain after 15 seconds. Longer exposure causes blistering, permanent skin damage, and even death. Since it is assumed that children and the elderly could not take refuge behind walls or run away from the thermal effect of the fire within the 15 seconds before skin blistering occurs, unprotected (outdoor) areas, such as playgrounds, parks, yards, school grounds, etc., must be placed at such a distance from potential fire locations so that the radiation flux level is well below 1500 Btu²/hr. An acceptable flux level, particularly for elderly people and children, is 450 Btu²/hr. The skin can be exposed to this degree of thermal radiation for 3 minutes or longer with no serious detrimental effect. The result would be the same as a bad sunburn. Therefore, the standard for areas in which there will be exposed people, e.g. outdoor recreation areas such as playgrounds and parks, is set at 450 Btu/hr. sq. ft. Areas covered also include open space ancillary to residential structures, such as yard areas and vehicle parking areas.

(b) Blast Overpressure:

The Acceptable Separation Distance (ASD) for people and structures from materials prone to explosion is dependent upon the resultant blast measured in pounds per square inch (psi) overpressure. It has been determined by the military and corroborated by two independent studies conducted for the Department of Housing and Urban Development that 0.5 psi is the acceptable level of blast overpressure for both buildings and occupants, because a frame structure can normally withstand that level of external exertion with no serious structural damage, and it is unlikely that human beings inside the building would normally suffer any serious injury. Using this as the safety standard for blast overpressure, nomographs have been developed from which an ASD can be determined for a given quantity of hazardous substance. These nomographs are contained in the handbook with detailed instructions on their use.

(c) Hazard evaluation:

The Acceptable Separation Distances for buildings, which are determined for thermal radiation and blast overpressure, delineate separate identifiable danger zones for each potential accident source. For some materials the fire danger zone will have the greatest radius and cover the largest area, while for others the explosion danger zone will be the greatest. For example, conventional petroleum fuel products stored in unpressurized tanks do not emit blast overpressure of dangerous levels when ignited. In most cases, hazardous substances will be stored in pressurized containers. The resulting blast overpressure will be experienced at a greater distance than the resulting thermal radiation for the standards set in Section 51.203.

APPENDIX II TO SUBPART C TO PART 51—DEVELOPMENT OF STANDARDS; CALCULATION METHODS

The resulting blast overpressure will be experienced at a greater distance than the resulting thermal radiation for the standards set in Section 51.203.
In any event the hazard requiring the greatest separation distance will prevail in determining the location of HUD-assisted projects.

**Problem Example**

The following example is given as a guide to assist in understanding how the procedures are used to determine an acceptable separation distance. The technical data are found in the HUD Guidebook. Liquid propane is used in the example since it is both an explosion and a fire hazard.

In this hypothetical case a proposed housing project is to be located 850 feet from a 30,000 gallon liquid propane (LPG) tank. The objective is to determine the acceptable separation distance from the LPG tank. Since propane is both explosive and fire prone it will be necessary to determine the ASD for both explosion and for fire. The greatest of the two will govern. There is no dike around the tank in this example.

Nomographs from the technical Guidebook have been reproduced to facilitate the solving of the problem.

**ASD For Explosion**

Use Figure 1 to determine the acceptable separation distance for explosion.

The graph depicted on Figure 1 is predicated on a blast overpressure of 0.5 psi. The ASD in feet can be determined by applying the quantity of the hazard (in gallons) to the graph.

In this case locate the 30,000 gallon point on the horizontal axis and draw a vertical line from that point to the intersection with the straight line curve. Then draw a horizontal line from the point where the lines cross to the left vertical axis where the ACCEPTABLE SEPARATION DISTANCE of 660 feet is found.

Therefore the ASD for explosion is 660 feet.

Since the proposed project site is located 850 feet from the tank it is located at a safe distance with regards to blast overpressure.
ASD For Fire

To determine the ASD for fire it will be necessary to first find the fire width (diameter of the fireball) on Figure 2. Then apply this to Figure 3 to determine the ASD.

Since there are two safety standards for fire: (a) 10,000 BTU/ft² hr. for buildings; and (b) 450 BTU/ft² hr. for people in exposed areas, it will be necessary to determine an ASD for each.

To determine the fire width locate the 30,000 gallon point on the horizontal axis on Figure 2 and draw a vertical line to the straight line curve. Then draw a horizontal line from the point where the lines cross to the left vertical axis where the FIRE WIDTH is found to be 350 feet.
Now locate the 350 ft. point on the horizontal axis of Figure 3 and draw a vertical line from that point to curves 1 and 2. Then draw horizontal lines from the points where the lines cross to the left vertical axis where the ACCEPTABLE SEPARATION DISTANCES of 240 feet for buildings and 1,150 feet for exposure to people is found.

Based on this the proposed project site is located at a safe distance from a potential fireball. However, exposed playgrounds or other exposed areas of congregation must be at least 1,150 feet from the tank, or be appropriately shielded from a potential fireball. § 51.300 Purpose.

It is the purpose of this subpart to promote compatible land uses around civil airports and military airfields by identifying suitable land uses for Runway Clear Zones at civil airports and Clear Zones and Accident Potential Zones at military airfields and by establishing them as standards for providing HUD assistance, subsidy or insurance.

[49 FR 880, Jan. 6, 1984, as amended at 61 FR 13334, Mar. 26, 1996]

§ 51.301 Definitions.

For the purposes of this regulation, the following definitions apply:

(a) Accident Potential Zone. An area at military airfields which is beyond the Clear Zone. The standards for the Accident Potential Zones are set out in Department of Defense Instruction 4165.57, “Air Installations Compatible Use Zones,” November 8, 1977, 32 CFR part 256. There are no Accident Potential Zones at civil airports.

(b) Airport Operator. The civilian or military agency, group or individual which exercises control over the operations of the civil airport or military airfield.

(c) Civil Airport. An existing commercial service airport as designated in the National Plan of Integrated Airport Systems prepared by the Federal Aviation Administration in accordance with section 504 of the Airport and Airway Improvement Act of 1982.

(d) Runway Clear Zones and Clear Zones. Areas immediately beyond the ends of a runway. The standards for Runway Clear Zones for civil airports are established by FAA regulation 14 CFR part 152. The standards for Clear Zones for military airfields are established by DOD Instruction 4165.57, 32 CFR part 256.

§ 51.302 Coverage.

(a) These policies apply to HUD programs which provide assistance, subsidy or insurance for construction, land development, community development or redevelopment or any other provision of facilities and services which are designed to make land available for construction. When the HUD assistance, subsidy or insurance is used to make land available for construction rather than for the actual construction, the provision of the HUD assistance, subsidy or insurance shall be dependent upon whether the facility to be built is itself acceptable in accordance with the standards in §51.303.

(b) These policies apply not only to new construction but also to substantial or major modernization and rehabilitation and to any other program which significantly prolongs the physical or economic life of existing facilities or which, in the case of Accident Potential Zones:

(1) Changes the use of the facility so that it becomes one which is no longer acceptable in accordance with the standards contained in §51.303(b);

(2) Significantly increases the density or number of people at the site; or

(3) Introduces explosive, flammable or toxic materials to the area.

(c) Except as noted in §51.303(a)(3), these policies do not apply to HUD programs where the action only involves the purchase, sale or rental of an existing property without significantly prolonging the physical or economic life of the property.

(d) The policies do not apply to research or demonstration projects which do not result in new construction or reconstruction, to interstate land sales registration, or to any action or emergency assistance which is provided to save lives, protect property, protect public health and safety, or remove debris and wreckage.

[49 FR 880, Jan. 6, 1984, as amended at 61 FR 13334, Mar. 26, 1996]
§ 51.303 General policy.

It is HUD's general policy to apply standards to prevent incompatible development around civil airports and military airfields.

(a) HUD policy for actions in Runway Clear Zones and Clear Zones.

(1) HUD policy is not to provide any assistance, subsidy or insurance for projects and actions covered by this part except as stated in §51.303(a)(2) below.

(2) If a project proposed for HUD assistance, subsidy or insurance is one which will not be frequently used or occupied by people, HUD policy is to provide assistance, subsidy or insurance only when written assurances are provided to HUD by the airport operator to the effect that there are no plans to purchase the land involved with such facilities as part of a Runway Clear Zone or Clear Zone acquisition program.

(3) Special notification requirements for Runway Clear Zones and Clear Zones. In all cases involving HUD assistance, subsidy or insurance is one which will not be frequently used or occupied by people, HUD policy is to provide assistance, subsidy or insurance only when written assurances are provided to HUD by the airport operator to the effect that there are no plans to purchase the land involved with such facilities as part of a Runway Clear Zone or Clear Zone acquisition program.

(b) HUD policy for actions in Accident Potential Zones at Military Airfields. HUD policy is to discourage the provision of any assistance, subsidy or insurance for projects and actions in the Accident Potential Zones. To be approved, projects must be generally consistent with the recommendations in the Land Use Compatibility Guidelines For Accident Potential Zones chart contained in DOD Instruction 4165.57, 32 CFR part 256.

§ 51.304 Responsibilities.

(a) The following persons have the authority to approve actions in Accident Potential Zones:

(1) For programs subject to environmental review under 24 CFR part 58: the Certifying Officer of the responsible entity as defined in 24 CFR part 58.

(2) For all other HUD programs: the HUD approving official having approval authority for the project.

(b) The following persons have the authority to approve actions in Runway Clear Zones and Clear Zones:

(1) For programs subject to environmental review under 24 CFR part 58: The Certifying Officer of the responsible entity as defined in 24 CFR part 58.

(2) For all other HUD programs: the Program Assistant Secretary.

§ 51.305 Implementation.

(a) Projects already approved for assistance. This regulation does not apply to any project approved for assistance prior to the effective date of the regulation whether the project was actually under construction at that date or not.

(b) Acceptable data on Runway Clear Zones, Clear Zones and Accident Potential Zones. The only Runway Clear Zones, Clear Zones and Accident Potential Zones which will be recognized in applying this part are those provided by the airport operators and which for civil airports are defined in accordance with FAA regulations 14 CFR part 152 or for military airfields, DOD Instruction 4165.57, 32 CFR part 256. All data, including changes, related to the dimensions of Runway Clear Zones for civil airports shall be verified with the nearest FAA Airports District Office before use by HUD.

(c) Changes in Runway Clear Zones, Clear Zones, and Accident Potential Zones. If changes in the Runway Clear Zones, Clear Zones or Accident Potential Zones are made, the field offices shall immediately adopt these revised zones for use in reviewing proposed projects.

(d) The decision to approve projects in the Runway Clear Zones, Clear

[49 FR 880, Jan. 6, 1984, as amended at 61 FR 13334, Mar. 26, 1996]
Zones and Accident Potential Zones must be documented as part of the environmental assessment or, when no assessment is required, as part of the project file.

PART 52—INTERGOVERNMENTAL REVIEW OF DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT PROGRAMS AND ACTIVITIES

§ 52.1 What is the purpose of these regulations?

(b) These regulations are intended to foster an intergovernmental partnership and a strengthened Federalism by relying on state processes and on state, areawide, regional and local coordination for review of proposed Federal financial assistance and direct Federal development.

(c) These regulations are intended to aid the internal management of the Department, and are not intended to create any right or benefit enforceable at law by a party against the Department or its officers.

§ 52.2 What definitions apply to these regulations?

Secretary means the Secretary of the U.S. Department of Housing and Urban Development or an official or employee of the Department acting for the Secretary under a delegation of authority.

State means any of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, Guam, American Samoa, the U.S. Virgin Islands, or the Trust Territory of the Pacific Islands.

§ 52.3 What programs and activities of the Department are subject to these regulations?

The Secretary publishes in the Federal Register a list of the Department’s programs and activities that are subject to these regulations and identifies which of these are subject to the requirements of section 204 of the Intergovernmental Cooperation Act of 1968 and section 204 of the Demonstration Cities and Metropolitan Development Act.

§ 52.4 What are the Secretary’s general responsibilities under the Order?

(a) The Secretary provides opportunities for consultation by elected officials of those state and local governments that would provide the non-federal funds for, or that would be directly affected by, proposed Federal financial assistance from, or direct Federal development by, the Department.
(b) If a state adopts a process under the Order to review and coordinate proposed Federal financial assistance and direct Federal development, the Secretary, to the extent permitted by law:

(1) Uses the state process to determine official views of state and local elected officials;

(2) Communicates with state and local elected officials as early in a program planning cycle as is reasonably feasible to explain specific plans and actions;

(3) Makes efforts to accommodate state and local elected officials’ concerns with proposed Federal financial assistance and direct Federal development that are communicated through the state process;

(4) Allows the states to simplify and consolidate existing federally required state plan submissions;

(5) Where state planning and budgeting systems are sufficient and where permitted by law, encourages the substitution of state plans for federally required state plans;

(6) Seeks the coordination of views of affected state and local elected officials in one state with those of another state when proposed Federal financial assistance or direct Federal development has an impact on interstate metropolitan urban centers or other interstate areas; and

(7) Supports state and local governments by discouraging the reauthorization or creation of any planning organization which is federally-funded, which has a limited purpose, and which is not adequately representative of, or accountable to, state or local elected officials.

§ 52.6 What procedures apply to the selection of programs and activities under these regulations?

(a) A state may select any program or activity published in the Federal Register in accordance with § 52.3 of this part for intergovernmental review under these regulations. Each state, before selecting programs and activities shall consult with local elected officials.

(b) Each state that adopts a process shall notify the Secretary of the Department’s programs and activities selected for that process.

(c) A state may notify the Secretary of changes in its selections at any time. For each change, the state shall submit to the Secretary an assurance that the state has consulted with local elected officials regarding the change.

(d) The Secretary uses a state’s process as soon as feasible, depending on individual programs and activities, after the Secretary is notified of its selections.

§ 52.7 How does the Secretary communicate with state and local officials concerning the Department’s programs and activities?

(a) For those programs and activities covered by a state process under § 52.6, the Secretary, to the extent permitted by law—

(1) Uses the state process to determine views of state and local elected officials; and,

(2) Communicates with state and local elected officials, through the state process, as early in a program planning cycle as is reasonably feasible to explain specific plans and actions.

(b) The Secretary provides notice to directly affected state, areawide, regional, and local entities in a state of proposed Federal financial assistance or direct Federal development if—

(1) The state has not adopted a process under the Order; or

(2) The assistance or development involves a program or activity not selected for the state process.

§ 52.5 What is the Secretary’s obligation with respect to Federal interagency coordination?

The Secretary, to the extent practicable, consults with and seeks advice from all other substantially affected Federal departments and agencies in an effort to assure full coordination between such agencies and the Department regarding programs and activities covered under these regulations.
§ 52.8 How does the Secretary provide states an opportunity to comment on proposed Federal financial assistance and direct Federal development?

(a) Except in unusual circumstances, the Secretary gives state processes or directly affected state, areawide, regional and local officials and entities—

(1) At least 30 days from the date established by the Secretary to comment on proposed Federal financial assistance under: (i) A covered mortgage insurance program, (ii) the Urban Development Action Grant Program, or (iii) the Housing Development Grant Program.

(2) At least 60 days from the date established by the Secretary to comment on proposed Federal financial assistance other than under a program covered by paragraph (a)(1).

(b) This section also applies to comments in cases in which the review, coordination, and communication with the Department have been delegated.

(c) Applicants for programs and activities subject to section 204 of the Demonstration Cities and Metropolitan Act shall allow areawide agencies a 60-day opportunity for review and comment.

[48 FR 29216, June 24, 1983, as amended at 49 FR 24653, June 14, 1984]

§ 52.9 How does the Secretary receive and respond to comments?

(a) The Secretary follows the procedures in §52.10 if—

(1) A state office or official is designated to act as a single point of contact between a state process and all Federal agencies, and

(2) That office or official transmits a state process recommendation for a program selected under §52.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department.

(d) If a program or activity is not selected for a state process, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department. In addition, if a state process recommendation for a nonselected program or activity is transmitted to the Department by the single point of contact, the Secretary follows the procedures of §52.10 of this part.

(e) The Secretary considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Secretary is not required to apply the procedures of §52.10 of this part, when such comments are provided by a single point of contact, by the applicant, or directly to the Department by a commenting party.

§ 52.10 How does the Secretary make efforts to accommodate intergovernmental concerns?

(a) If a state process provides a state process recommendation to the Department through its single point of contact, the Secretary either—

(1) Accepts the recommendation;

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with such written explanation of its decision, as the Secretary in his or her discretion deems appropriate. The Secretary may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Secretary informs the single point of contact that—

(1) The Department will not implement its decision for at least ten days
after the single point of contact receives the explanation; or

(2) The Secretary has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of such notification.

§ 52.11 What are the Secretary's obligations in interstate situations?

(a) The Secretary is responsible for—

(1) Identifying proposed Federal financial assistance and direct Federal development that have an impact on interstate areas;

(2) Notifying appropriate officials and entities in states which have adopted a process and which select the Department's program or activity.

(3) Making efforts to identify and notify the affected state, areawide, regional, and local officials and entities in those states that have not adopted a process under the Order or do not select the Department's program or activity;

(4) Responding pursuant to §52.10 of this part if the Secretary receives a recommendation from a designated areawide agency transmitted by a single point of contact, in cases in which review, coordination, and communication with the Department have been delegated.

(b) The Secretary uses the procedures in §52.10 if a state process provides a state process recommendation to the Department through a single point of contact.

PART 55—FLOODPLAIN MANAGEMENT

Subpart A—General

§ 55.1 Purpose and basic responsibility.

(a) This part implements the requirements of Executive Order 11988, Floodplain Management, and employs the principles of the Unified National Program for Floodplain Management. It covers the proposed acquisition, construction, improvement, disposition, financing and use of properties located in a floodplain for which approval is required either from HUD under any applicable HUD program or from a grant recipient subject to 24 CFR part 58. This part does not prohibit approval of such actions (except for certain actions in high hazard areas), but provides a consistent means for implementing the Department's interpretation of the executive order in the project approval decision making processes of HUD and of grant recipients subject to 24 CFR part 58. The implementation of Executive Order 11988 under this part shall be conducted by HUD, for Department-administered programs subject to environmental review under 24 CFR part 50, and by authorized recipients of HUD financial assistance subject to environmental review under 24 CFR part 58.

Subpart B—Application of Executive Order on Floodplain Management

55.10 Environmental review procedures under 24 CFR parts 50 and 58.

55.11 Applicability of subpart C decision making process.

55.12 Inapplicability of 24 CFR part 55 to certain categories of proposed actions.

Subpart C—Procedures for Making Determinations on Floodplain Management

55.20 Decision making process.

55.21 Notification of floodplain hazard.

55.22 Conveyance restrictions for the disposition of multifamily real property.

55.23 [Reserved]

55.24 Aggregation.

55.25 Areawide compliance.

55.26 Adoption of another agency's review under the executive orders.

55.27 Documentation.

AUTHORITY: 42 U.S.C. 3535(d) and 4001-4128; E.O. 11988, 42 FR 26951, 3 CFR, 1977 Comp., p. 117.

SOURCE: 59 FR 19107, Apr. 21, 1994, unless otherwise noted.
(b) Under section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), proposed HUD financial assistance (including mortgage insurance) for acquisition or construction purposes in any “area having special flood hazards” (a flood zone designated by the Federal Emergency Management Agency (FEMA)) shall not be approved in communities identified by FEMA as eligible for flood insurance but which are not participating in the National Flood Insurance Program. This prohibition only applies to proposed HUD financial assistance in a FEMA-designated area of special flood hazard one year after the community has been formally notified by FEMA of the designation of the affected area. This prohibition is not applicable to HUD financial assistance in the form of formula grants to states, including financial assistance under the State-administered CDBG Program (24 CFR part 570, subpart I) and the State-administered Rental Rehabilitation Program (24 CFR 511.51), Emergency Shelter Grant amounts allocated to States (24 CFR parts 575 and 576), and HOME funds provided to a state under Title II of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12701-12839).

(c) Except with respect to actions listed in §55.12(c), no HUD financial assistance (including mortgage insurance) may be approved after May 23, 1994 with respect to:
1. Any action, other than a functionally dependent use, located in a floodway;
2. Any critical action located in a coastal high hazard area; or
3. Any non-critical action located in a coastal high hazard area, unless the action is designed for location in a coastal high hazard area or is a functionally dependent use. An action will be considered to be designed for location in a coastal high hazard area if:
   i. In the case of new construction or substantial improvement, the work meets the current standards for V zones in FEMA regulations (44 CFR 60.3(e)) and, if applicable, the Minimum Property Standards for such construction in 24 CFR 200.926d(c)(4)(iii); or
   ii. In the case of existing construction (including any minor improvements):
      A. The work met FEMA elevation and construction standards for a coastal high hazard area (or if such a zone or such standards were not designated, the 100-year floodplain) applicable at the time the original improvements were constructed; or
      B. If the original improvements were constructed before FEMA standards for the 100-year floodplain became effective or before FEMA designated the location of the action as within the 100-year floodplain, the work would meet at least the earliest FEMA standards for construction in the 100-year floodplain.

§ 55.2 Terminology.

(a) With the exception of those terms defined in paragraph (b) of this section, the terms used in this part shall follow the definitions contained in section 6 of Executive Order 11988 and in the Floodplain Management Guidelines for Implementing Executive Order 11988 (43 FR 6030, February 10, 1978) issued by the Water Resources Council; and the terms “criteria” and “Regular Program”, shall follow the definitions contained in FEMA regulations at 44 CFR 59.1.

(b) The definitions of the following terms in Executive Order 11988 and related documents affecting this part are modified for purposes of this part:
1. Coastal high hazard area means the area subject to high velocity waters, including but not limited to hurricane wave wash or tsunamis. The area is designated on a Flood Insurance Rate Map (FIRM) under FEMA regulations as Zone V1-30, VE, or V. (FIRMs as well as Flood Hazard Boundary Maps (FHBMs) shall also be relied on for the delineation of “100-year floodplains” (§55.2(b)(8)), “500-year floodplains” (§55.2(b)(3)), and “floodways” (§55.2(b)(4)).
2. (i) Critical action means any activity for which even a slight chance of flooding would be too great, because such flooding might result in loss of life, injury to persons, or damage to property. Critical actions include activities that create, maintain or extend...
the useful life of those structures or facilities that:
(A) Produce, use or store highly volatile, flammable, explosive, toxic or water-reactive materials;
(B) Provide essential and irreplaceable records or utility or emergency services that may become lost or inoperative during flood and storm events (e.g., data storage centers, generating plants, principal utility lines, emergency operations centers including fire and police stations, and roadways providing sole egress from flood-prone areas); or
(C) Are likely to contain occupants who may not be sufficiently mobile to avoid loss of life or injury during flood or storm events, e.g., persons who reside in hospitals, nursing homes, convalescent homes, intermediate care facilities, board and care facilities, and retirement service centers. Housing for independent living for the elderly is not considered a critical action.
(ii) Critical actions shall not be approved in floodways or coastal high hazard areas.
(3) 500-year floodplain means the minimum floodplain of concern for Critical Actions and is the area subject to inundation from a flood having a 0.2 percent chance of occurring in any given year. (See §55.2(b)(1) for appropriate data sources.)
(4) Floodway means that portion of the floodplain which is effective in carrying flow, where the flood hazard is generally the greatest, and where water depths and velocities are the highest. The term “floodway” as used here is consistent with “regulatory floodways” as identified by FEMA. (See §55.2(b)(1) for appropriate data sources.)
(5) Functionally dependent use means a land use that must necessarily be conducted in close proximity to water (e.g., a dam, marina, port facility, water-front park, and many types of bridges).
(6) High hazard area means a floodway or a coastal high hazard area.
(7) 100-year floodplain means the floodplain of concern for this part and is the area subject to a one percent or greater chance of flooding in any given year. (See §55.2(b)(1) for appropriate data sources.)
(8)(i) Substantial improvement means either:
(A) Any repair, reconstruction, modernization or improvement of a structure, the cost of which equals or exceeds 50 percent of the market value of the structure either:
(1) Before the improvement or repair is started; or
(2) If the structure has been damaged, and is being restored, before the damage occurred; or
(B) Any repair, reconstruction, modernization or improvement of a structure that results in an increase of more than twenty percent in the number of dwelling units in a residential project or in the average peak number of customers and employees likely to be on-site at any one time for a commercial or industrial project.
(ii) Substantial improvement may not be defined to include either:
(A) Any project for improvement of a structure to comply with existing state or local health, sanitary or safety code specifications that is solely necessary to assure safe living conditions, or
(B) Any alteration of a structure listed on the National Register of Historic Places or on a State Inventory of Historic Places.
(iii) Structural repairs, reconstruction, or improvements not meeting this definition are considered “minor improvements”.
§ 55.3 Assignment of responsibilities.
(a)(1) The Assistant Secretary for Community Planning and Development (CPD) shall oversee: (i) The Department's implementation of the order and this part in all HUD programs, and
(ii) The implementation activities of HUD program managers and grant recipients for HUD financial assistance subject to 24 CFR part 58.
(2) In performing these responsibilities, the Assistant Secretary for CPD shall make pertinent policy determinations in cooperation with appropriate program offices and provide necessary assistance, training, publications, and procedural guidance.
(b) Other HUD Assistant Secretaries, the General Counsel, and the President of the Government National Mortgage Association (GNMA) shall: (1) Ensure compliance with this part for all actions
§ 55.10

under their jurisdiction that are proposed to be conducted, supported, or permitted in a floodplain;

(2) Ensure that actions approved by HUD or grant recipients are monitored and that any prescribed mitigation is implemented;

(3) Ensure that the offices under their jurisdiction have the technical resources to implement the requirements of this part; and

(4) Incorporate in departmental regulations, handbooks, and project and site standards those criteria, standards, and procedures necessary to comply with the requirements of this part.

(c) Recipient Certifying Officer. In accordance with section 9 of Executive Order 11988, Certifying Officers of grant recipients administering activities subject to 24 CFR part 58 shall:

(1) Comply with this part in carrying out HUD-assisted programs, and

(2) Monitor approved actions and ensure that any prescribed mitigation is implemented.

Subpart B—Application of Executive Order on Floodplain Management

§ 55.10 Environmental review procedures under 24 CFR parts 50 and 58.

(a) Where an environmental review is required under the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4332, and 24 CFR part 50 or part 58, compliance with this part shall be completed before the completion of an environmental assessment (EA) including a finding of no significant environmental impact (FONSI), or an environmental impact statement (EIS), in accordance with the decision points listed in 24 CFR 50.17(a) through (h), or before the preparation of an EA under 24 CFR 58.40 or an EIS under 24 CFR 58.36. For types of proposed actions that are categorically excluded from National Environmental Policy Act (NEPA) requirements under 24 CFR part 50 (or part 58), compliance with this part shall be completed before the Department’s initial (SAMA, conditional, etc.) approval (or the conditional commitment or approval by a grant recipient subject to 24 CFR part 58) of proposed actions in a floodplain.

(b) The categorical exclusion of certain proposed actions from environmental review requirements under NEPA and 24 CFR parts 50 and 58 (see 24 CFR 50.20 and 58.35) does not exclude those actions from compliance with this part.

§ 55.11 Applicability of subpart C decision making process.

(a) Before reaching the decision points described in §55.10(a), HUD (for Department-administered programs) or the grant recipient (for HUD financial assistance subject to 24 CFR part 58) shall determine whether Executive Order 11988 and this part apply to the proposed action.

(b) If Executive Order 11988 applies, the approval of a proposed action or initial commitment shall be made in accordance with this part. The primary purpose of Executive Order 11988 is to “avoid direct or indirect support of floodplain development.”

(c) The following table indicates the applicability, by location and type of action, of the decision making process for implementing Executive Order 11988 under subpart C of this part.

1 Or those paragraphs of §55.20 that are applicable to an action listed in §55.12(a).

§ 55.12 Inapplicability of 24 CFR part 55 to certain categories of proposed actions.

(a) The decision making steps in §55.20 (b), (c) and (g) (steps 2, 3 and 7) shall not apply to the following categories of proposed actions: (1) HUD actions involving the disposition of HUD-acquired multifamily housing projects or “bulk sales” of HUD-acquired one- to four-family properties in communities that are in the Regular Program of the National Flood Insurance Program (NFIP) and in good standing (i.e., not suspended from program eligibility or placed on probation under 44 CFR 59.24).

(2) HUD’s actions under section 223(f) of the National Housing Act (12 U.S.C. 1715n(f)) for the purchase or refinancing of existing multifamily housing projects (including hospitals, nursing homes, board and care facilities, and intermediate care facilities) in communities that are in the Regular Program of the NFIP and in good standing (i.e., not suspended from program eligibility or placed on probation under 44 CFR 59.24).

(3) HUD mortgage insurance actions for the repair, rehabilitation, modernization or improvement of existing multifamily housing projects (including nursing homes, board and care facilities and intermediate care facilities) and existing one- to four-family properties, in communities that are in the Regular Program of the NFIP and are in good standing, provided that the number of units is not increased more than 20 percent, the action does not involve a conversion from nonresidential to residential land use, and the footprint of the structure and paved areas is not significantly increased.

(b) The decision making process in §55.20 shall not apply to the following categories of proposed actions: (1) HUD’s mortgage insurance actions and other financial assistance for the purchasing, mortgaging or refinancing of existing one- to four-family properties in communities that are in the Regular Program of the National Flood Insurance Program (NFIP) and in good standing (i.e., not suspended from program eligibility or placed on probation under 44 CFR 59.24), where the action is not a critical action and the property is not located in a floodway or coastal high hazard area;

(2) Financial assistance for minor repairs or improvements on one- to four-family properties that do not meet the thresholds for “substantial improvement” under §55.2(b)(8);

(3) HUD actions involving the disposition of individual HUD-acquired, one- to four-family properties; and

(4) HUD guarantees under the Loan Guarantee Recovery Fund Program (24 CFR part 573) of loans that refinance existing loans and mortgages, where any new construction or rehabilitation financed by the existing loan or mortgage has been completed prior to the filing of an application under the program, and the refinancing will not allow further construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance.

(c) This part shall not apply to the following categories of proposed HUD actions:

(1) HUD-assisted exempt activities described in 24 CFR 58.34;
§ 55.20 Decision making process.

The decision making process for compliance with this part contains eight steps, including public notices and an examination of practicable alternatives. The steps to be followed in the decision making process are:

(a) Step 1. Determine whether the proposed action is located in a 100-year floodplain (or a 500-year floodplain for a Critical Action). If the proposed action would not be conducted in one of those locations, then no further compliance with this part is required.

(b) Step 2. Notify the public at the earliest possible time of a proposal to consider an action in a floodplain (or in the 500-year floodplain for a Critical Action), and involve the affected and interested public in the decision making process.
(1) The public notices required by paragraphs (b) and (g) of this section may be combined with other project notices wherever appropriate. Notices required under this part must be bilingual if the affected public is largely non-English speaking. In addition, all notices must be published in an appropriate local printed news medium, and must be sent to federal, state, and local public agencies, organizations, and, where not otherwise covered, individuals known to be interested in the proposed action.

(2) A minimum of 15 calendar days shall be allowed for comment on the public notice.

(3) A notice under this paragraph shall state: the name, proposed location and description of the activity; the total number of acres of floodplain involved; and the HUD official and phone number to contact for information. The notice shall indicate the hours and the HUD office at which a full description of the proposed action may be reviewed.

(c) Step 3. Identify and evaluate practicable alternatives to locating the proposed action in a floodplain (or the 500-year floodplain for a Critical Action).

(1) The consideration of practicable alternatives to locating the proposed action in a floodplain (or the 500-year floodplain for a Critical Action):

(i) Locations outside the floodplain (or 500-year floodplain for a Critical Action);

(ii) Alternative methods to serve the identical project objective; and

(iii) A determination not to approve any action.

(2) In reviewing practicable alternatives, the Department or a grant recipient subject to 24 CFR part 58 shall consider feasible technological alternatives, hazard reduction methods and related mitigation costs, and environmental impacts.

(d) Step 4. Identify the potential direct and indirect impacts associated with the occupancy or modification of the floodplain (or 500-year floodplain for a Critical Action).

(e) Step 5. Where practicable, design or modify the proposed action to minimize the potential adverse impacts within the floodplain (including the 500-year floodplain for a Critical Action) and to restore and preserve its natural and beneficial values. All critical actions in the 500-year floodplain shall be designed and built at or above the 100-year floodplain (in the case of new construction) and modified to include:

(1) Preparation of and participation in an early warning system;

(2) An emergency evacuation and relocation plan;

(3) Identification of evacuation route(s) out of the 500-year floodplain; and

(4) Identification marks of past or estimated flood levels on all structures.

(f) Step 6. Reevaluate the proposed action to determine:

(1) Whether it is still practicable in light of its exposure to flood hazards in the floodplain, the extent to which it will aggravate the current hazards to other floodplains, and its potential to disrupt floodplain values; and

(2) Whether alternatives preliminarily rejected at Step 3 (paragraph (c)) of this section are practicable in light of the information gained in Steps 4 and 5 (paragraphs (d) and (e)) of this section.

(g) Step 7. (1) If the reevaluation results in a determination that there is no practicable alternative to locating the proposal in the floodplain (or the 500-year floodplain for a Critical Action), publish a final notice that includes:

(i) The reasons why the proposal must be located in the floodplain;

(ii) A list of the alternatives considered; and

(iii) All mitigation measures to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values.

(2) In addition, the public notice procedures of §55.20(b)(1) shall be followed, and a minimum of 7 calendar days for public comment before approval of the proposed action shall be provided.

(h) Step 8. Upon completion of the decision making process in Steps 1 through 7, implement the proposed action. There is a continuing responsibility to ensure that the mitigating measures identified in Step 7 are implemented.
§ 55.21 Notification of floodplain hazard.

For HUD programs under which a financial transaction for a property located in a floodplain (a 500-year floodplain for a Critical Action) is guaranteed, approved, regulated or insured, any private party participating in the transaction and any current or prospective tenant shall be informed by HUD (or by HUD’s designee, e.g., a mortgagor) or by a grant recipient subject to 24 CFR part 58 of the hazards of the floodplain location before the execution of documents completing the transaction.

§ 55.22 Conveyance restrictions for the disposition of multifamily real property.

(a) In the disposition (including leasing) of multifamily properties acquired by HUD that are located in a floodplain (a 500-year floodplain for a Critical Action), the documents used for the conveyance must: (1) Refer to those uses that are restricted under identified federal, state, or local floodplain regulations; and

(2) Include any land use restrictions limiting the use of the property by a grantee or purchaser and any successors under state or local laws.

(b)(1) For disposition of multifamily properties acquired by HUD that are located in a 500-year floodplain and contain Critical Actions, HUD shall, as a condition of approval of the disposition, require by covenant or comparable restriction on the property’s use that the property owner and successive owners provide written notification to each current and prospective tenant concerning: (i) The hazards to life and to property for those persons who reside or work in a structure located within the 500-year floodplain, and

(ii) The availability of flood insurance on the contents of their dwelling unit or business.

(2) The notice shall also be posted in the building so that it will be legible at all times and easily visible to all persons entering or using the building.

§ 55.23 [Reserved]

§ 55.24 Aggregation.

Where two or more actions have been proposed, require compliance with subpart C of this part, affect the same floodplain, and are currently under review by the Department (or by a grant recipient subject to 24 CFR part 58), individual or aggregated approvals may be issued. A single compliance review and approval under this section is subject to compliance with the decision making process in §55.20.

§ 55.25 Areawide compliance.

(a) A HUD-approved areawide compliance process may be substituted for individual compliance or aggregated compliance under §55.24 where a series of individual actions is proposed or contemplated in a pertinent area for HUD’s examination of floodplain hazards. In areawide compliance, the area for examination may include a sector of, or the entire, floodplain—as relevant to the proposed or anticipated actions. The areawide compliance process shall be in accord with the decision making process under §55.20.

(b) The areawide compliance process shall address the relevant executive orders and shall consider local land use planning and development controls (e.g., those enforced by the community for purposes of floodplain management under the National Flood Insurance Program (NFIP)) and applicable state programs for floodplain management. The process shall include the development and publication of a strategy that identifies the range of development and mitigation measures under which the proposed HUD assistance may be approved and that indicates the types of actions that will not be approved in the floodplain.

(c) Individual actions that fit within the types of proposed HUD actions specifically addressed under the areawide compliance do not require further compliance with §55.20 except that a determination by the Department or a grant recipient subject to 24 CFR part 58 shall be made concerning whether the individual action accords with the areawide strategy. Where the individual action does not accord with the...
areawide strategy, specific development and mitigation measures shall be prescribed as a condition of HUD’s approval of the individual action.

(d) Areawide compliance under the procedures of this section is subject to the following provisions: (1) It shall be initiated by HUD through a formal agreement of understanding with affected local governments concerning mutual responsibilities governing the preparation, issuance, implementation, and enforcement of the areawide strategy;

(2) It may be performed jointly with one or more Federal departments or agencies, or grant recipients subject to 24 CFR part 58 that serve as the responsible Federal official;

(3) It shall establish mechanisms to ensure that: (i) The terms of approval of individual actions (e.g., concerning structures and facilities) will be consistent with the areawide strategy;

(ii) The controls set forth in the areawide strategy are implemented and enforced in a timely manner; and

(iii) Where necessary, mitigation for individual actions will be established as a condition of approval.

(4) An open scoping process (in accordance with 40 CFR 1501.7) shall be used for determining the scope of issues to be addressed and for identifying significant issues related to housing and community development for the floodplain;

(5) Federal, state and local agencies with expertise in floodplain management, flood evacuation preparedness, land use planning and building regulation, or soil and natural resource conservation shall be invited to participate in the scoping process and to provide advice and comments; and

(6) Eligibility for participation in and the use of the areawide compliance must be limited to communities that are in the Regular Program of the National Flood Insurance Program and in good standing (i.e., not suspended from program eligibility or placed on probation under 44 CFR 59.24), thereby demonstrating a capacity for and commitment to floodplain management standards sufficient to perform responsibilities under this part.

(7) An expiration date (not to exceed ten years from the date of the formal adoption by the local governments) for HUD approval of areawide compliance under this part must be stated in the agreement between the local governments and HUD. In conjunction with the setting of an expiration date, a mechanism for HUD’s reevaluation of the appropriateness of areawide compliance must be provided in the agreement.

§ 55.26 Adoption of another agency’s review under the executive orders.

If a proposed action covered under this part is already covered in a prior review performed under the executive order by another agency, that review may be adopted by HUD or by a grant recipient authorized under 24 CFR part 58, provided that:

(a) There is no pending litigation relating to the other agency’s review for floodplain management;

(b) The adopting agency makes a finding that:

(i) The type of action currently proposed is comparable to the type of action previously reviewed by the other agency; and

(ii) There has been no material change in circumstances since the previous review was conducted; and

(c) As a condition of approval, mitigation measures similar to those prescribed in the previous review shall be required of the current proposed action.

§ 55.27 Documentation.

(a) For purposes of compliance with §55.20, the responsible HUD official who would approve the proposed action (or the Certifying Officer for a grant recipient subject to 24 CFR part 58) shall require that the following actions be documented: (1) Under §55.20(c), practicable alternative sites have been considered outside the floodplain, but within the local housing market area, the local public utility service area, or the jurisdictional boundaries of a recipient unit of general local government (as defined in 24 CFR 570.3), whichever geographic area is more appropriate to the proposed HUD action. Actual sites under review must be identified and the reasons for the non-selection of those sites as practicable alternatives must be described; and
(2) Under §55.20(e), measures to minimize the potential adverse impacts of the proposed action on the affected floodplain as identified in §55.20(d) have been applied to the design for the proposed action.

(b) For purposes of compliance with §55.24, §55.25, or §55.26 (as appropriate), the responsible HUD official (or the Certifying Officer for a grant recipient subject to 24 CFR part 58) who would approve the proposed action shall require documentation of compliance with the required conditions.

(c) Documentation of compliance with this part (including copies of public notices) must be attached to the environmental assessment, the environmental impact statement or the compliance record and be maintained as a part of the project file. In addition, for environmental impact statements, documentation of compliance with this part must be included as a part of the record of decision (or environmental review record for grant recipients subject to 24 CFR part 58).

§ 58.2

§ 58.2 Terms, abbreviations and definitions.

(a) For the purposes of this part, the following definitions supplement the uniform terminology provided in 40 CFR part 1508:

(1) Activity means an action that a grantee or recipient puts forth as part of an assisted project, regardless of whether its cost is to be borne by the HUD assistance or is an eligible expense under the HUD assistance program.

(2) Certifying Officer means the official who is authorized to execute the Request for Release of Funds and Certification and has the legal capacity to carry out the responsibilities of § 58.13.

(3) Extraordinary Circumstances means a situation in which an environmental assessment (EA) or environmental impact statement (EIS) is not normally required, but due to unusual conditions, an EA or EIS is appropriate. Indicators of unusual conditions are:

(i) Actions that are unique or without precedent;

(ii) Actions that are substantially similar to those that normally require an EIS;

(iii) Actions that are likely to alter existing HUD policy or HUD mandates; or

(iv) Actions that, due to unusual physical conditions on the site or in the vicinity, have the potential for a significant impact on the environment or in which the environment could have a significant impact on users of the facility.

(4) Project means an activity, or a group of integrally related activities, designed by the recipient to accomplish, in whole or in part, a specific objective.

(5) Recipient means any of the following entities, when they are eligible recipients or grantees under a program listed in § 58.1(b):

(i) A State that does not distribute HUD assistance under the program to a unit of general local government;

(ii) Guam, the Northern Mariana Islands, the Virgin Islands, American Samoa, and Palau;

(iii) A unit of general local government;

(iv) An Indian tribe;

(v) (A) With respect to Public Housing Programs under § 58.1(b)(6)(i), a public housing agency;

(B) With respect to Indian Housing Programs under § 58.1(b)(6)(ii), an Indian housing authority;

(C) With respect to section 8 assistance under § 58.1(b)(6)(iii), a public housing agency or Indian housing authority;

(vi) Any direct grantee of HUD for a special project under § 58.1(b)(7);

(vii) With respect to the FHA Multifamily Housing Finance Agency Pilot Program under § 58.1(b)(8), a qualified housing finance agency; and

(viii) With respect to the Self-Help Homeownership Opportunity Program under § 58.1(b)(9), any direct grantee of HUD.

(6) Release of funds. In the case of the FHA Multifamily Housing Finance Agency Pilot Program under § 58.1(b)(8), Release of Funds, as used in this part, refers to HUD issuance of a firm approval letter, and Request for Release of Funds refers to a recipient’s request for a firm approval letter.

(7) Responsible Entity means:

(i) With respect to environmental responsibilities under programs listed in § 58.1(b) (1) through (5), a recipient under the program.

(ii) With respect to environmental responsibilities under the programs listed in § 58.1(b) (6) through (9), a State, unit of general local government, Indian tribe or Alaska native village, when it is the recipient under the program. Non-recipient responsible entities are designated as follows:

(A) For qualified housing finance agencies, the State or a unit of general local government, Indian tribe or Alaska native village whose jurisdiction contains the project site;

(B) For public housing agencies, the unit of general local government within which the project is located that exercises land use responsibility, or if HUD determines this infeasible, the county, or if HUD determines this infeasible, the State;
Office of the Secretary, HUD

§ 58.4 Assumption authority.

(a) Assumption authority for responsible entities: General. Responsible entities shall assume the responsibility for environmental review, decision-making, and action that would otherwise apply to HUD under NEPA and other provisions of law that further the purposes of NEPA, as specified in §58.5. Responsible entities that receive assistance directly from HUD assume these responsibilities by execution of a grant agreement with HUD and/or a legally binding document such as the certification contained on HUD Form 7015.15, certifying to the assumption of environmental responsibilities. When a State distributes funds to a responsible entity, the State must provide for appropriate procedures by which these responsible entities will evidence their assumption of environmental responsibilities.

(b) Particular responsibilities of the States. (1) States are recipients for purposes of directly undertaking a State project and must assume the environmental review responsibilities for the State's activities and those of any non-governmental entity that may participate in the project. In this case, the State must submit the certification and RROF to HUD for approval.

(2) States must exercise HUD's responsibilities in accordance with §58.18, with respect to approval of a unit of local government's environmental certification and RROF for a HUD assisted project funded through the State, except for projects assisted by Section 17 Rental Rehabilitation assistance and Housing Development Grants. Approval by the State of a unit of local government's certification and RROF satisfies the Secretary's responsibilities under NEPA and the related laws cited in §58.5.

(3) For section 17 Rental Rehabilitation projects and Housing Development Grants, the State agency shall meet the responsibilities set forth in §58.18. However, for section 17 projects, the
State lacks authority to approve RROFs and therefore must forward to the responsible HUD Field Office the local recipient's certification and RROF, any objections to the release of funds submitted by another party, and the State's recommendation as to whether HUD should approve the certification and the RROF.

§ 58.5 Related Federal laws and authorities.

In accordance with the provisions of law cited in §58.1(b), the responsible entity must assume responsibilities for environmental review, decision-making and action that would apply to HUD under the following specified laws and authorities. The responsible entity must certify that it has complied with the requirements that would apply to HUD under these laws and authorities and must consider the criteria, standards, policies and regulations of these laws and authorities.

(3) Federal historic preservation regulations as follows:

(i) 36 CFR part 800 with respect to HUD programs other than Urban Development Action Grants (UDAG); and

(ii) 36 CFR part 801 with respect to UDAG.

(b) Floodplain management and wetland protection. (1) Executive Order 11988, Floodplain Management, May 24, 1977 (42 FR 26951), 3 CFR, 1977 Comp., p. 117, as interpreted in HUD regulations at 24 CFR part 55, particularly section 2(a) of the order (for an explanation of the relationship between the decision-making process in 24 CFR part 55 and this part, see §55.10 of this subtitle A.)

(c) Coastal Zone Management. The Coastal Zone Management Act of 1972 (16 U.S.C. 1451 et seq.), as amended, particularly section 307(c) and (d) (16 U.S.C. 1455(c) and (d)).

(d) Sole source aquifers. (1) The Safe Drinking Water Act of 1974 (42 U.S.C. 201, 300(f) et seq., and 21 U.S.C. 349) as amended; particularly section 1424(e)(2) U.S.C. 300h-3(e)).

(2) Sole Source Aquifers (Environmental Protection Agency—40 CFR part 149).

(f) Wild and scenic rivers. The Wild and Scenic Rivers Act of 1968 (16 U.S.C. 1271 et seq.) as amended, particularly section 7(b) and (c) (16 U.S.C. 1278(b) and (c)).

(g) Air quality. (1) The Clean Air Act (42 U.S.C. 7401 et seq.) as amended; particularly section 176(c) and (d) (42 U.S.C. 7506(c) and (d)).

(2) Determining Conformity of Federal Actions to State or Federal Implementation Plans (Environmental Protection Agency—40 CFR parts 6, 51, and 93).

(h) Farmlands protection. (1) Farmland Protection Policy Act of 1981 (7 U.S.C. 4201 et seq.) particularly sections 1540(b) and 1541 (7 U.S.C. 4201(b) and 4202).

(2) Farmland Protection Policy (Department of Agriculture—7 CFR part 658).

(i) HUD environmental standards. Applicable criteria and standards specified in HUD environmental regulations (24 CFR part 51) (other than the runway clear zone and clear zone notification requirement in 24 CFR 51.303(a)(3) and HUD Notice 79-33, Policy Guidance to Address the Problems Posed by Toxic Chemicals and Radioactive Materials, September 10, 1979).

§ 58.6 Other requirements.

In addition to the duties under the laws and authorities specified in §58.5 for assumption by the responsible entity under the laws cited in §58.1(b), the responsible entity must comply with the following requirements. Applicability of the following requirements does not trigger the certification and release of funds procedure under this part or preclude exemption of an activity under §58.34(a)(12) and/or the applicability of §58.35(b). However, the responsible entity remains responsible for addressing the following requirements in its ERR and meeting these requirements, where applicable, regardless of whether the activity is exempt under §58.34 or categorically excluded under §58.35(a) or (b):

(a)(1) Under the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4001–4128), Federal financial assistance for acquisition and construction purposes (including rehabilitation) may not be used in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, unless:

(i) The community in which the area is situated is participating in the National Flood Insurance Program (see 44 CFR parts 59 through 79), or less than one year has passed since the FEMA notification regarding such hazards; and

(ii) Where the community is participating in the National Flood Insurance Program, flood insurance protection is to be obtained as a condition of the approval of financial assistance to the property owner.

(2) Where the community is participating in the National Flood Insurance Program and the recipient provides financial assistance for acquisition or construction purposes (including rehabilitation) for property located in an area identified by FEMA as having special flood hazards, the responsible entity is responsible for assuring that flood insurance under the National Flood Insurance Program is obtained and maintained.

(3) Paragraph (a) of this section does not apply to Federal formula grants made to a State.

(b) Under section 582 of the National Flood Insurance Reform Act of 1994, 42 U.S.C. 5154a, HUD disaster assistance that is made available in a special flood hazard area may not be used to make a payment (including any loan assistance payment) to a person for repair, replacement or restoration for flood damage to any personal, residential or commercial property if:

(1) The person had previously received Federal flood disaster assistance conditioned on obtaining and maintaining flood insurance; and

(2) The person failed to obtain and maintain flood insurance.

(c) Pursuant to the Coastal Barrier Resources Act, as amended by the Coastal Barrier Resources Improvement Act of 1990 (16 U.S.C. 3501), HUD assistance may not be used for most activities proposed in the Coastal Barrier Resources System.

(d) In all cases involving HUD assistance, subsidy, or insurance for the purchase or sale of an existing property in a Runway Clear Zone or Clear Zone, as defined in 24 CFR part 51, the responsible entity shall advise the buyer that the property is in a runway clear zone or clear zone, what the implications of such a location are, and that there is a possibility that the property may, at a later date, be acquired by the airport operator. The buyer must sign a statement acknowledging receipt of this information.

Subpart B—General Policy: Responsibilities of Responsible Entities

§ 58.10 Basic environmental responsibility.

In accordance with the provisions of law cited in §58.1(b), the responsible entity must assume the environmental responsibilities for projects under programs cited in §58.1(b), and in doing so must comply with the provisions of NEPA and the CEQ regulations contained in 40 CFR parts 1500 through 1508, including the requirements set forth in this part. This includes responsibility for compliance with the applicable provisions and requirements of
§ 58.11 Legal capacity and performance.

(a) A responsible entity which believes that it does not have the legal capacity to carry out the environmental responsibilities required by this part must contact the appropriate local HUD Office or the State for further instructions. Determinations of legal capacity will be made on a case-by-case basis.

(b) If a public housing, Indian housing, special project or self-help home-ownership opportunity recipient objects to the non-recipient responsible entity conducting the environmental review on the basis of performance, timing, or compatibility of objectives, HUD will review the facts to determine who will perform the environmental review.

(c) At any time, HUD may reject the use of a responsible entity to conduct the environmental review in a particular case on the basis of performance, timing or compatibility of objectives, or in accordance with §58.77(d)(1).

(d) If a responsible entity, other than a recipient, objects to performing an environmental review, or if HUD determines that the responsible entity should not perform the environmental review, HUD may designate another responsible entity to conduct the review in accordance with the provisions of 24 CFR part 50.

§ 58.12 Technical and administrative capacity.

The responsible entity must develop the technical and administrative capability necessary to comply with 40 CFR parts 1500 through 1508 and the requirements of this part.

§ 58.13 Responsibilities of the certifying officer.

Under the terms of the certification required by §58.71, a responsible entity’s certifying officer is the “responsible Federal official” as that term is used in section 102 of NEPA and in statutory provisions cited in §58.1(b).

The Certifying Officer is therefore responsible for all the requirements of section 102 of NEPA and the related provisions in 40 CFR parts 1500 through 1508, and 24 CFR part 58, including the related Federal authorities listed in §58.5. The Certifying Officer must also:

(a) Represent the responsible entity and be subject to the jurisdiction of the Federal courts. The Certifying Officer will not be represented by the Department of Justice in court; and

(b) Ensure that the responsible entity reviews and comments on all EISs prepared for Federal projects that may have an impact on the recipient’s program.

§ 58.14 Interaction with State, Federal and non-Federal entities.

A responsible entity shall consult with appropriate environmental agencies, State, Federal and non-Federal entities and the public in the preparation of an EIS, EA or other environmental reviews undertaken under the related laws and authorities cited in §58.5 and §58.6. The responsible entity must also cooperate with other agencies to reduce duplication between NEPA and comparable environmental review requirements of the State (see 40 CFR 1506.2 (b) and (c)). The responsible entity must prepare its EAs and EISs so that they comply with the environmental review requirements of both Federal and State laws unless otherwise specified or provided by law. State, Federal and local agencies may participate or act in a joint lead or cooperating agency capacity in the preparation of joint EISs or joint environmental assessments (see 40 CFR 1501.5(b) and 1501.6). A single EIS or EA may be prepared and adopted by multiple users to the extent that the review addresses the relevant environmental issues and there is a written agreement between the cooperating agencies which sets forth the coordinated and overall responsibilities.

§ 58.15 Tiering.

Responsible entities may tier their environmental reviews and assessments to eliminate repetitive discussions of the same issues at subsequent levels of review. Tiering is appropriate
when there is a requirement to evaluate a policy or proposal in the early stages of development or when site-specific analysis or mitigation is not currently feasible and a more narrow or focused analysis is better done at a later date. The site specific review need only reference or summarize the issues addressed in the broader review. The broader review should identify and evaluate those issues ripe for decision and exclude those issues not relevant to the policy, program or project under consideration. The broader review should also establish the policy, standard or process to be followed in the site specific review. The Finding of No Significant Impact (FONSI) with respect to the broader assessment shall include a summary of the assessment and identify the significant issues to be considered in site specific reviews. Subsequent site-specific reviews will not require notices or a Request for Release of Funds unless the Certifying Officer determines that there are unanticipated impacts or impacts not adequately addressed in the prior review. A tiering approach can be used for meeting environmental review requirements in areas designated for special focus in local Consolidated Plans. Local and State Governments are encouraged to use the Consolidated Plan process to facilitate environmental reviews.

§ 58.17 Historic preservation requirements for prior section 17 grants.

A recipient of a section 17 grant shall comply with the historic preservation requirements of this part and existing grant agreements.

§ 58.18 Responsibilities of States assuming HUD responsibilities.

(a) States that elect to administer a HUD program shall ensure that the program complies with the provisions of this part. The State must:

(i) Designate the State agency or agencies which will be responsible for carrying out the requirements and administrative responsibilities set forth in subpart H of this part and which will:

(ii) Develop a monitoring and enforcement program for post-review actions on environmental reviews and monitor compliance with any environmental conditions included in the award.

(ii) Receive public notices, RROFs and certifications from recipients pursuant to §§58.70 and 58.71; accept objections from the public and from other agencies (§58.73); and perform other related responsibilities regarding releases of funds.

(2) Fulfill the State role in subpart H relative to the time period set for the receipt and disposition of comments, objections and appeals (if any) on particular projects.

(b) States administering section 17 Programs shall assume the responsibilities set forth in this section for overseeing the State recipient’s performance and compliance with NEPA and related Federal authorities as set forth in this part, including receiving RROFs and environmental certifications for particular projects from State recipients and objections from government agencies and the public in accordance with the procedures contained in subpart H of this part. The State shall forward to the responsible HUD Field Office the environmental certification, the RROF and any objections received, and shall recommend whether to approve or disapprove the certification and RROF.

Subpart C—General Policy: Environmental Review Procedures

§ 58.21 Time periods.

All time periods in this part shall be counted in calendar days. The first day of a time period begins at 12:01 a.m. local time on the day following the publication or the mailing and posting date of the notice which initiates the time period.

§ 58.22 Limitations on activities pending clearance.

(a) A recipient may not commit HUD assistance funds under a program listed in §58.1(b) on an activity or project until HUD or the State has approved the recipient’s RROF and the related certification of the responsible entity. In addition, until the RROF and related certification has been approved, the recipient may not commit non-HUD funds on an activity or project under a program listed in §58.1(b) if the
activity or project would have an adverse environmental impact or limit the choice of reasonable alternatives. If an activity is exempt under §58.34, or not subject to §58.5 under §58.35(b), no RROF is required and a recipient may undertake the activity immediately after the award of the assistance.

(b) An option agreement on a proposed site or property is allowable prior to the completion of the environmental review if the option agreement is subject to a determination by the recipient on the desirability of the property for the project as a result of the completion of the environmental review in accordance with this part and the cost of the option is a nominal portion of the purchase price. There is no constraint on the purchase of an option by third parties that have not been selected for HUD funding, have no responsibility for the environmental review and have no say in the approval or disapproval of the project.

(c) Relocation. Funds may be committed for relocation assistance before the approval of the RROF and related certification for the project provided that the relocation assistance is required by 24 CFR part 42.

§58.23 Financial assistance for environmental review.

The costs of environmental reviews, including costs incurred in complying with any of the related laws and authorities cited in §58.5 and §58.6, are eligible costs to the extent allowable under the HUD assistance program regulations.

Subpart D—Environmental Review Process: Documentation, Range of Activities, Project Aggregation and Classification

§58.30 Environmental review process.

(a) The environmental review process consists of all the actions that a responsible entity must take to determine compliance with this part. The environmental review process includes all the compliance actions needed for other activities and projects that are not assisted by HUD but are aggregated by the responsible entity in accordance with §58.32.

(b) The environmental review process should begin as soon as a recipient determines the projected use of HUD assistance.

§58.32 Project aggregation.

(a) A responsible entity must group together and evaluate as a single project all individual activities which are related either on a geographical or functional basis, or are logical parts of a composite of contemplated actions.

(b) In deciding the most appropriate basis for aggregation when evaluating activities under more than one program, the responsible entity may choose: functional aggregation when a specific type of activity (e.g., water improvements) is to take place in several separate locales or jurisdictions; geographic aggregation when a mix of dissimilar but related activities is to be concentrated in a fairly specific project area (e.g., a combination of water, sewer and street improvements and economic development activities); or a combination of aggregation approaches, which, for various project locations, considers the impacts arising from each functional activity and its interrelationship with other activities.

(c) The purpose of project aggregation is to group together related activities so that the responsible entity can:

1. Address adequately and analyze, in a single environmental review, the separate and combined impacts of activities that are similar, connected and closely related, or that are dependent upon other activities and actions. (See 40 CFR 1508.25(a)).
2. Consider reasonable alternative courses of action.
3. Schedule the activities to resolve conflicts or mitigate the individual, combined and/or cumulative effects.
4. Prescribe mitigation measures and safeguards including project alternatives and modifications to individual activities.

(d) Multi-year project aggregation—(1) Release of funds. When a recipient’s planning and program development provide for activities to be implemented over two or more years, the responsible entity’s environmental review should consider the relationship
Office of the Secretary, HUD § 58.35

among all component activities of the multi-year project regardless of the source of funds and address and evaluate their cumulative environmental effects. The estimated range of the aggregated activities and the estimated cost of the total project must be listed and described by the responsible entity in the environmental review and included in the RROF. The release of funds will cover the entire project period.

(2) When one or more of the conditions described in § 58.47 exists, the recipient or other responsible entity must re-evaluate the environmental review.

§ 58.33 Emergencies.

(a) In the cases of emergency, disaster or imminent threat to health and safety which warrant the taking of an action with significant environmental impact, the provisions of 40 CFR 1506.11 shall apply.

(b) If funds are needed on an emergency basis and when adherence to separate comment periods would prevent the giving of assistance, the combined Notice of FONSI and the Notice of the Intent to Request Release of Funds may be disseminated and/or published simultaneously with the submission of the Request for Release of Funds (RROF). The combined Notice of FONSI and NOI/ROF shall state that the funds are needed on an immediate emergency basis due to a Presidentially declared disaster and that the comment periods have been combined. The Notice shall also invite commenters to submit their comments to both HUD and the responsible entity issuing the notice to assure that these comments will receive full consideration.

§ 58.34 Exempt activities.

(a) Except for the applicable requirements of § 58.6, the responsible entity does not have to comply with the requirements of this part or undertake any environmental review, consultation or other action under NEPA and the other provisions of law or authorities cited in § 58.5 for the activities exempt by this section or projects consisting solely of the following exempt activities:

(1) Environmental and other studies, resource identification and the development of plans and strategies;

(2) Information and financial services;

(3) Administrative and management activities;

(4) Public services that will not have a physical impact or result in any physical changes, including but not limited to services concerned with employment, crime prevention, child care, health, drug abuse, education, counseling, energy conservation and welfare or recreational needs;

(5) Inspections and testing of properties for hazards or defects;

(6) Purchase of insurance;

(7) Purchase of tools;

(8) Engineering or design costs;

(9) Technical assistance and training;

(10) Assistance for temporary or permanent improvements that do not alter environmental conditions and are limited to protection, repair, or restoration activities necessary only to control or arrest the effects from disasters or imminent threats to public safety including those resulting from physical deterioration;

(11) Payment of principal and interest on loans made or obligations guaranteed by HUD;

(12) Any of the categorical exclusions listed in § 58.35(a) provided that there are no circumstances which require compliance with any other Federal laws and authorities cited in § 58.5.

(b) A recipient does not have to submit an RROF and certification, and no further approval from HUD or the State will be needed by the recipient for the drawdown of funds to carry out exempt activities and projects. However, the responsible entity must document in writing its determination that each activity or project is exempt and meets the conditions specified for such exemption under this section.

§ 58.35 Categorical exclusions.

Categorical exclusion refers to a category of activities for which no environmental impact statement or environmental assessment and finding of no significant impact under NEPA is
required, except in extraordinary circumstances (see §58.2(a)(3)) in which a normally excluded activity may have a significant impact. Compliance with the other applicable Federal environmental laws and authorities listed in §58.5 is required for any categorical exclusion listed in paragraph (a) of this section.

(a) Categorical exclusions subject to §58.5. The following activities are categorically excluded under NEPA, but may be subject to review under authorities listed in §58.5:

(1) Acquisition, repair, improvement, reconstruction, or rehabilitation of public facilities and improvements (other than buildings) when the facilities and improvements are in place and will be retained in the same use without change in size or capacity of more than 20 percent (e.g., replacement of water or sewer lines, reconstruction of curbs and sidewalks, repaving of streets).

(2) Special projects directed to the removal of material and architectural barriers that restrict the mobility and accessibility to elderly and handicapped persons.

(3) Rehabilitation of buildings and improvements when the following conditions are met:

(i) In the case of multifamily residential buildings:

(A) Unit density is not changed more than 20 percent;

(B) The project does not involve changes in land use from residential to non-residential; and

(C) The estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation.

(ii) In the case of non-residential structures, including commercial, industrial, and public buildings:

(A) The facilities and improvements are in place and will not be changed in size or capacity by more than 20 percent; and

(B) The activity does not involve a change in land use, such as from non-residential to residential, commercial to industrial, or from one industrial use to another.

(4) An individual action on a one-to-four-family dwelling or an individual action on a project of five or more units developed on scattered sites when the sites are more than 2,000 feet apart and there are not more than four units on any one site.

(5) Acquisition or disposition of an existing structure or acquisition of vacant land provided that the structure or land acquired or disposed of will be retained for the same use.

(b) Categorical exclusions not subject to §58.5. The Department has determined that the following categorically excluded activities would not alter any conditions that would require a review or compliance determination under the Federal laws and authorities cited in §58.5. When the following kinds of activities are undertaken, the responsible entity does not have to publish a NOI/RROF or execute a certification and the recipient does not have to submit a RROF to HUD (or the State) except in the circumstances described in paragraph (c) of this section. Following the award of the assistance, no further approval from HUD or the State will be needed with respect to environmental requirements, except where paragraph (c) of this section applies. The recipient remains responsible for carrying out any applicable requirements under §58.6.

(1) Tenant-based rental assistance;

(2) Supportive services including, but not limited to, health care, housing services, permanent housing placement, day care, nutritional services, short-term payments for rent/mortgage/rent, utility costs, and assistance in gaining access to local, State, and Federal government benefits and services;

(3) Operating costs including maintenance, security, operation, utilities, furnishings, equipment, supplies, staff training and recruitment and other incidental costs;

(4) Economic development activities, including but not limited to, equipment purchase, inventory financing, interest subsidy, operating expenses and similar costs not associated with construction or expansion of existing operations;

(5) Activities to assist homebuyers to purchase existing dwelling units or
dwellings under construction, including closing costs and down payment assistance, interest buydowns, and similar activities that result in the transfer of title.

(b) Affordable housing pre-development costs including legal, consulting, developer and other costs related to obtaining site options, project financing, administrative costs and fees for loan commitments, zoning approvals, and other related activities which do not have a physical impact.

(c) Circumstances requiring NEPA review. If a responsible entity determines that an activity or project identified in paragraph (a) or (b) of this section, because of extraordinary circumstances and conditions at or affecting the location of the activity or project, may have a significant environmental effect, it shall comply with all the requirements of this part.

(d) The Environmental Review Record (ERR) must contain a well organized written record of the process and determinations made under this section.

§ 58.37 Environmental impact statement determinations.

(a) An EIS is required when the project is determined to have a potentially significant impact on the human environment.

(b) An EIS is required under any of the following circumstances, except as provided in paragraph (c) of this section:

(1) The project would provide a site or sites for, or result in the construction of, hospitals or nursing homes containing a total of 2,500 or more beds.

(2) The project would provide enough additional water and sewer capacity to support 2,500 or more additional housing units. The project does not have to be specifically intended for residential use nor does it have to be totally new construction. If the project is designed to provide upgraded service to existing development as well as to serve new development, only that portion of the increased capacity which is intended to serve new development should be counted.

(c) If, on the basis of an EA, a responsible entity determines that the thresholds in paragraph (b) of this section are the sole reason for the EIS, the responsible entity may prepare a FONSI pursuant to 40 CFR 1501.4. In such cases, the FONSI must be made available for public review for at least 30 days before the responsible entity makes the final determination whether to prepare an EIS.

(d) Notwithstanding paragraphs (a) through (c) of this section, an EIS is not required where §58.33 is applicable.

(e) Recommended EIS Format. The responsible entity must use the EIS format recommended by the CEQ regulations (40 CFR 1502.10) unless a determination is made on a particular project that there is a compelling reason to do otherwise. In such a case, the EIS format must meet the minimum requirements prescribed in 40 CFR 1502.10.

§ 58.38 Environmental review record.

The responsible entity must maintain a written record of the environmental review undertaken under this part for each project. This document will be designated the “Environmental Review Record” (ERR), and shall be available for public review. The responsible entity must use the current HUD-recommended formats or develop equivalent formats.

(a) ERR Documents. The ERR shall contain all the environmental review documents, public notices and written
determinations or environmental findings required by this part as evidence of review, decisionmaking and actions pertaining to a particular project of a recipient. The document shall:

(1) Describe the project and the activities that the recipient has determined to be part of the project;

(2) Evaluate the effects of the project or the activities on the human environment;

(3) Document compliance with applicable statutes and authorities, in particular those cited in §§58.5 and 58.6; and

(4) Record the written determinations and other review findings required by this part (e.g., exempt and categorically excluded projects determinations, findings of no significant impact).

(b) Other documents and information.

The ERR shall also contain verifiable source documents and relevant base data used or cited in EAs, EISs or other project review documents. These documents may be incorporated by reference into the ERR provided that each source document is identified and available for inspection by interested parties. Proprietary material and special studies prepared for the recipient that are not otherwise generally available for public review shall not be incorporated by reference but shall be included in the ERR.

Subpart E—Environmental Review Process: Environmental Assessments (EA’s)

§ 58.40 Preparing the environmental assessment.

The responsible entity may prepare the EA using the HUD recommended format. In preparing an EA for a particular project, the responsible entity must:

(a) Determine existing conditions and describe the character, features and resources of the project area and its surroundings; identify the trends that are likely to continue in the absence of the project.

(b) Identify all potential environmental impacts, whether beneficial or adverse, and the conditions that would change as a result of the project.

(c) Identify, analyze and evaluate all impacts to determine the significance of their effects on the human environment and whether the project will require further compliance under related laws and authorities cited in §§58.5 and 58.6.

(d) Examine and recommend feasible ways in which the project or external factors relating to the project could be modified in order to eliminate or minimize adverse environmental impacts.

(e) Evaluate the effects of the project or the activities on the human environment.

(f) Complete all environmental review requirements necessary for the project’s compliance with applicable authorities cited in §§58.5 and 58.6.

(g) Based on steps set forth in paragraph (a) through (f) of this section, make one of the following findings:

(1) A Finding of No Significant Impact (FONSI), in which the responsible entity determines that the project is not an action that will result in a significant impact on the quality of the human environment. The responsible entity may then proceed to §58.43.

(2) A finding of significant impact, in which the project is deemed to be an action which may significantly affect the quality of the human environment. The responsible entity must then proceed with its environmental review under subpart F or G of this part.

§ 58.43 Dissemination and/or publication of the findings of no significant impact.

(a) If the responsible entity makes a finding of no significant impact, it must prepare a FONSI notice, using the current HUD-recommended format or an equivalent format. As a minimum, the responsible entity must send the FONSI notice to individuals and groups known to be interested in the activities, to the local news media, to the appropriate tribal, local, State and Federal agencies; to the Regional Offices of the Environmental Protection Agency having jurisdiction and to the HUD Field Office (or the State where applicable). The responsible entity may also publish the FONSI notice in a newspaper of general circulation in the affected community. If the notice is not published, it must also be prominently displayed in public buildings, such as the local Post Office and within
the project area or in accordance with procedures established as part of the citizen participation process.

(b) The responsible entity may disseminate or publish a FONSI notice at the same time it disseminates or publishes the NOI/RROF required by §58.70. If the notices are released as a combined notice, the combined notice shall:

(1) Clearly indicate that it is intended to meet two separate procedural requirements; and

(2) Advise the public to specify in their comments which “notice” their comments address.

(c) The responsible entity must consider the comments and make modifications, if appropriate, in response to the comments, before it completes its environmental certification and before the recipient submits its RROF. If funds will be used in Presidentially declared disaster areas, modifications resulting from public comment, if appropriate, must be made before proceeding with the expenditure of funds.

§ 58.45 Public comment periods.

(a) Notice of finding of no significant impact: 15 days from date of publication or if no publication, 18 days from the date of mailing and posting.

(b) Notice of intent to request release of funds: 7 days from date of publication or if no publication, 10 days from date of mailing and posting.

(c) Concurrent or combined notices: Same as FONSI notice.

§ 58.46 Time delays for exceptional circumstances.

The responsible entity must make the FONSI available for public comments for 30 days before the recipient files the RROF when:

(a) There is a considerable interest or controversy concerning the project;

(b) The proposed project is similar to other projects that normally require the preparation of an EIS; or

(c) The project is unique and without precedent.

§ 58.47 Re-evaluation of environmental assessments and other environmental findings.

(a) A responsible entity must re-evaluate its environmental findings to determine if the original findings are still valid, when:

(1) The recipient proposes substantial changes in the nature, magnitude or extent of the project, including adding new activities not anticipated in the original scope of the project;

(2) There are new circumstances and environmental conditions which may affect the project or have a bearing on its impact, such as concealed or unexpected conditions discovered during the implementation of the project or activity which is proposed to be continued; or

(3) The recipient proposes the selection of an alternative not in the original finding.

(b)(1) If the original findings are still valid but the data or conditions upon which they were based have changed, the responsible entity must affirm the original findings and update its ERR by including this re-evaluation and its determination based on its findings. Under these circumstances, if a FONSI notice has already been published, no further publication of a FONSI notice is required.

(2) If the responsible entity determines that the original findings are no longer valid, it must prepare an EA or an EIS if its evaluation indicates potentially significant impacts.

(3) Where the recipient is not the responsible entity, the recipient must inform the responsible entity promptly of any proposed substantial changes under paragraph (a)(1) of this section, new circumstances or environmental conditions under paragraph (a)(2) of this section, or any proposals to select a different alternative under paragraph (a)(3) of this section, and must then permit the responsible entity to re-evaluate the findings before proceeding.

§ 58.52 Adoption of other agencies’ EISs.

The responsible entity may adopt a draft or final EIS prepared by another agency provided that the EIS was prepared in accordance with 40 CFR parts 1500 through 1508. If the responsible entity adopts an EIS prepared by another agency, the procedure in 40 CFR 1506.3 shall be followed. An adopted EIS may have to be revised and modified to adapt it to the particular environmental conditions and circumstances of the project if these are different from the project reviewed in the EIS. In such cases the responsible entity must prepare, circulate, and file a supplemental draft EIS in the manner prescribed in §58.60(d) and otherwise comply with the clearance and time requirements of the EIS process, except that scoping requirements under 40 CFR 1501.7 shall not apply. The agency that prepared the original EIS should be informed that the responsible entity intends to amend and adopt the EIS. The responsible entity may adopt an EIS when it acts as a cooperating agency in its preparation under 40 CFR 1506.3. The responsible entity is not required to re-circulate or file the EIS, but must complete the clearance process for the RROF. The decision to adopt an EIS shall be made a part of the project ERR.

§ 58.53 Use of prior environmental impact statements.

Where any final EIS has been listed in the Federal Register for a project pursuant to this part, or where an areawide or similar broad scale final EIS has been issued and the EIS anticipated a subsequent project requiring an environmental clearance, then no new EIS is required for the subsequent project if all the following conditions are met:

(a) The ERR contains a decision based on a finding pursuant to §58.40 that the proposed project is not a new major Federal action significantly affecting the quality of the human environment. The decision shall include:

(1) References to the prior EIS and its evaluation of the environmental factors affecting the proposed subsequent action subject to NEPA;

(2) An evaluation of any environmental factors which may not have been previously assessed, or which may have significantly changed;

(3) An analysis showing that the proposed project is consistent with the location, use, and density assumptions for the site and with the timing and capacity of the circulation, utility, and other supporting infrastructure assumptions in the prior EIS;

(4) Documentation showing that where the previous EIS called for mitigating measures or other corrective action, these are completed to the extent reasonable given the current state of development.

(b) The prior final EIS has been filed within five (5) years, and updated as follows:

(1) The EIS has been updated to reflect any significant revisions made to the assumptions under which the original EIS was prepared;

(2) The EIS has been updated to reflect new environmental issues and data or legislation and implementing regulations which may have significant environmental impact on the project area covered by the prior EIS.

(c) There is no litigation pending in connection with the prior EIS, and no final judicial finding of inadequacy of the prior EIS has been made.
under §58.59. The responsible entity must wait at least 15 days after disseminating or publishing the NOI/EIS before holding a scoping meeting.

§ 58.57 Lead agency designation.

If there are several agencies ready to assume the lead role, the responsible entity must make its decision based on the criteria in 40 CFR 1501.5(c). If the responsible entity and a Federal agency are unable to reach agreement, then the responsible entity must notify HUD (or the State, where applicable). HUD (or the State) will assist in obtaining a determination based on the procedure set forth in 40 CFR 1501.5(e).

§ 58.59 Public hearings and meetings.

(a) Factors to consider. In determining whether or not to hold public hearings in accordance with 40 CFR 1506.6, the responsible entity must consider the following factors:

(1) The magnitude of the project in terms of economic costs, the geographic area involved, and the uniqueness or size of commitment of resources involved.

(2) The degree of interest in or controversy concerning the project.

(3) The complexity of the issues and the likelihood that information will be presented at the hearing which will be of assistance to the responsible entity.

(4) The extent to which public involvement has been achieved through other means.

(b) Procedure. All public hearings must be preceded by a notice of public hearing, which must be published in the local news media 15 days before the hearing date. The Notice must:

(1) State the date, time, place, and purpose of the hearing or meeting.

(2) Describe the project, its estimated costs, and the project area.

(3) State that persons desiring to be heard on environmental issues will be afforded the opportunity to be heard.

(4) State the responsible entity’s name and address and the name and address of its Certifying Officer.

(5) State what documents are available, where they can be obtained, and any charges that may apply.

§ 58.60 Preparation and filing of environmental impact statements.

(a) The responsible entity must prepare the draft environmental impact statement (DEIS) and the final environmental impact statements (FEIS) using the current HUD recommended format or its equivalent.

(b) The responsible entity must file and distribute the (DEIS) and the (FEIS) in the following manner:

(1) Five copies to EPA Headquarters;

(2) Five copies to EPA Regional Office;

(3) Copies made available in the responsible entity’s and the recipient’s office;

(4) Copies or summaries made available to persons who request them; and

(5) FEIS only—one copy to State, HUD Field Office, and HUD Headquarters library.

(c) The responsible entity may request waivers from the time requirements specified for the draft and final EIS as prescribed in 40 CFR 1506.6.

(d) When substantial changes are proposed in a project or when significant new circumstances or information becomes available during an environmental review, the recipient may prepare a supplemental EIS as prescribed in 40 CFR 1502.9.

(e) The responsible entity must prepare a Record of Decision (ROD) as prescribed in 40 CFR 1505.2.

§ 58.70 Notice of intent to request release of funds.

The NOI/RROF must be disseminated and/or published in the manner prescribed by §58.43 and §58.45 before the certification is signed by the responsible entity.

§ 58.71 Request for release of funds and certification.

(a) The RROF and certification shall be sent to the appropriate HUD Field Office (or the State, if applicable), except as provided in paragraph (b) of...
this section. This request shall be executed by the Certifying Officer. The request shall describe the specific project and activities covered by the request and contain the certification required under the applicable statute cited in §58.1(b). The RROF and certification must be in a form specified by HUD.

(b) When the responsible entity is conducting an environmental review on behalf of a recipient, as provided for in §58.10, the recipient must provide the responsible entity with all available project and environmental information and refrain from undertaking any physical activities or choice limiting actions until HUD (or the State, if applicable) has approved its request for release of funds. The certification form executed by the responsible entity's certifying officer shall be sent to the recipient that is to receive the assistance along with a description of any special environmental conditions that must be adhered to in carrying out the project. The recipient is to submit the RROF and the certification of the responsible entity to HUD (or the State, if applicable) requesting the release of funds. The recipient must agree to abide by the special conditions, procedures and requirements of the environmental review, and to advise the responsible entity of any proposed change in the scope of the project or any change in environmental conditions.

(c) If the responsible entity determines that some of the activities are exempt under applicable provisions of this part, the responsible entity shall advise the recipient that it may commit funds for these activities as soon as programmatic authorization is received. This finding shall be documented in the ERR maintained by the responsible entity and in the recipient's project files.

§ 58.72 HUD or State actions on RROFs and certifications.

The actions which HUD (or a State) may take with respect to a recipient's environmental certification and RROF are as follows:

(a) In the absence of any receipt of objection to the contrary, except as provided in paragraph (b) of this section, HUD (or the State) will assume the validity of the certification and RROF and will approve these documents after expiration of the 15-day period prescribed by statute.

(b) HUD (or the State) may disapprove a certification and RROF if it has knowledge that the responsible entity has not complied with the items in §58.75, or that the RROF and certification are inaccurate.

(c) In cases in which HUD has approved a certification and RROF but subsequently learns (e.g., through monitoring) that the recipient violated §58.22 or the recipient or responsible entity otherwise failed to comply with a clearly applicable environmental authority, HUD shall impose appropriate remedies and sanctions in accord with the law and regulations for the program under which the violation was found.

§ 58.73 Objections to release of funds.

HUD (or the State) will not approve the RROF for any project before 15 calendar days have elapsed from the time of receipt of the RROF and the certification or from the time specified in the notice published pursuant to §58.70, whichever is later. Any person or agency may object to a recipient's RROF and certification. However, the objections must meet the conditions and procedures set forth in subpart H of this part. HUD (or the State) can refuse the RROF and certification on any grounds set forth in §58.75. All decisions by HUD (or the State) regarding the RROF and the certification shall be final.

§ 58.74 Time for objecting.

All objections must be received by HUD (or the State) within 15 days from the time HUD (or the State) receives the recipient's RROF and the related certification, or within the time period specified in the notice, whichever is later.

§ 58.75 Permissible bases for objections.

HUD (or the State), will consider objections claiming a responsible entity's noncompliance with this part based only on any of the following grounds:
(a) The certification was not in fact executed by the responsible entity’s Certifying Officer.
(b) The responsible entity has failed to make one of the two findings pursuant to §58.40 or to make the written determination required by §§58.35, 58.47 or 58.53 for the project, as applicable.
(c) The responsible entity has omitted one or more of the steps set forth at subpart E of this part for the preparation, publication and completion of an EA.
(d) The responsible entity has omitted one or more of the steps set forth at subparts F and G of this part for the conduct, preparation, publication and completion of an EIS.
(e) The recipient has committed funds or incurred costs not authorized by this part before release of funds and approval of the environmental certification by HUD or the State.
(f) Another Federal agency acting pursuant to 40 CFR part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.

§58.76 Procedure for objections.
A person or agency objecting to a responsible entity’s RROF and certification shall submit objections in writing to HUD (or the State). The objections shall:
(a) Include the name, address and telephone number of the person or agency submitting the objection, and be signed by the person or authorized official of an agency.
(b) Be dated when signed.
(c) Describe the basis for objection and the facts or legal authority supporting the objection.
(d) State when a copy of the objection was mailed or delivered to the responsible entity’s Certifying Officer.

§58.77 Effect of approval of certification.
(a) Responsibilities of HUD and States. HUD’s (or, where applicable, the State’s) approval of the certification shall be deemed to satisfy the responsibilities of the Secretary under NEPA and related provisions of law cited at §58.5 insofar as those responsibilities relate to the release of funds as authorized by the applicable provisions of law cited in §58.1(b).
(b) Public and agency redress. Persons and agencies seeking redress in relation to environmental reviews covered by an approved certification shall deal with the responsible entity and not with HUD. It is HUD’s policy to refer all inquiries and complaints to the responsible entity and its Certifying Officer. Similarly, the State (where applicable) may direct persons and agencies seeking redress in relation to environmental reviews covered by an approved certification to deal with the responsible entity, and not the State, and may refer inquiries and complaints to the responsible entity and its Certifying Officer. Remedies for noncompliance are set forth in program regulations.
(c) Implementation of environmental review decisions. Projects of a recipient will require post-review monitoring and other inspection and enforcement actions by the recipient and the State or HUD (using procedures provided for in program regulations) to assure that decisions adopted through the environmental review process are carried out during project development and implementation.
(d) Responsibility for monitoring and training. (1) At least once every three years, HUD intends to conduct in-depth monitoring and exercise quality control (through training and consultation) over the environmental activities performed by responsible entities under this part. Limited monitoring of these environmental activities will be conducted during each program monitoring site visit. If through limited or in-depth monitoring of these environmental activities or by other means, HUD becomes aware of any environmental deficiencies, HUD may take one or more of the following actions:
   (i) In the case of problems found during limited monitoring, HUD may schedule in-depth monitoring at an earlier date or may schedule in-depth monitoring more frequently;
   (ii) HUD may require attendance by staff of the responsible entity at HUD-sponsored or approved training, which will be provided periodically at various locations around the country;
(iii) HUD may refuse to accept the certifications of environmental compliance on subsequent grants;

(iv) HUD may suspend or terminate the responsible entity's assumption of the environmental review responsibility;

(v) HUD may initiate sanctions, corrective actions, or other remedies specified in program regulations or agreements or contracts with the recipient.

(2) HUD's responsibilities and action under paragraph (d)(1) of this section shall not be construed to limit or reduce any responsibility assumed by a responsible entity with respect to any particular release of funds under this part. Whether or not HUD takes action under paragraph (d)(1) of this section, the Certifying Officer remains the responsible Federal official under §58.13 with respect to projects and activities for which the Certifying Officer has submitted a certification under this part.

Department of Housing and Urban Development Act (42 U.S.C. 3535(d)).

§ 70.1 Purpose and authority.

(a) This part implements section 955 of the National Affordable Housing Act (NAHA), which provides an exemption from the requirement to pay prevailing wage rates determined under the Davis-Bacon Act or (in the case of laborers and mechanics employed in the operation of public housing projects, and architects, technical engineers, draftsmen and technicians employed in the development of public housing projects) determined or adopted by HUD, for volunteers employed on projects that are subject to prevailing wage rates under Title I of the Housing and Community Development Act of 1974 (including Community Development Block Grants, section 108 loan guarantees, and Urban Development Action Grants), under section 12 of the United States Housing Act of 1937 (public housing development and operation and section 8 projects), and under section 202 of the Housing Act of 1959 for elderly and handicapped housing projects prior to the effective date of the amendment of section 202 by section 801 of NAHA. This part also implements other provisions that provide an exemption for volunteers, including section 286 of NAHA (the HOME program), section 202 of the Housing Act of 1959, as amended by NAHA (supportive housing for the elderly), and any later-enacted exemptions.

(b) This part is also applicable to all HUD programs for which there is a statutory provision allowing HUD to waive Davis-Bacon wage rates for volunteers that are not otherwise employed at any time on the work for which the individual volunteers. These programs include section 811 of NAHA (supportive housing for persons with disabilities), FHA mortgage insurance programs under sections 221(d)(3) and (d)(4) (each with respect to cooperative housing projects only), 221(h)(1) (but only where a nonprofit organization undertakes the construction), 231(j)(1) (but only where a nonprofit organization undertakes the construction), 231, 232, 236 and 242 of the National Housing
Office of the Secretary, HUD § 70.3

(c) This part provides definitions and procedures for determining allowable payments to volunteers, determining who is a bona fide volunteer, and otherwise implementing exemptions from and waivers of prevailing wage requirements where volunteers are employed.

§ 70.2 Applicability.

This part applies to all HUD programs for which there is a statutory exemption from Davis-Bacon or HUD-determined prevailing wage rates for volunteers or a statutory provision allowing HUD waiver of Davis-Bacon prevailing wage rates for volunteers. The programs to which this part applies include the programs listed in section 70.1(a) and (b) and any other program for which a statutory exemption or HUD waiver provision for volunteers is enacted. This part does not, however, apply to HUD waivers of prevailing wage requirements under section 20 of the United States Housing Act of 1937 for public housing residents who volunteer a portion of their labor (see 24 CFR 964.41). This part also does not apply to the contribution of labor by an eligible family under the Mutual Help Homeownership Opportunity Program for Indian families under section 202 of the United States Housing Act of 1937.

§ 70.3 Definitions.

(a) A volunteer, for purposes of this part, is an individual who performs service for a public or private entity for civic, charitable, or humanitarian reasons, without promise, expectation or receipt of compensation for services rendered, on a HUD-assisted or insured project which is subject to a requirement to pay prevailing wage rates.

(1) Individuals shall be considered volunteers only where their services are offered freely and without pressure and coercion, direct or implied, from an employer.

(2) An individual shall not be considered a volunteer if the individual is otherwise employed at any time in the construction or maintenance work for which the individual volunteers.

(b) Expenses, reasonable benefits, or nominal fees may be provided to volunteers without the status of the volunteer being lost but only after a determination is made by HUD on a case-by-case basis by examining the total amount of payments made (expenses, benefits, fees) in the context of the economic realities of the particular situation. Subject to this determination:

(1) A payment for an expense may be received by a volunteer for items such as uniform allowances or reimbursement for reasonable cleaning expenses or wear and tear on personal clothing worn while performing the volunteer work. Additionally, reimbursement for approximate out-of-pocket expenses for the cost of meals and transportation expenses may be made.

(2) Reasonable benefits may constitute inclusion of individual volunteers in group insurance plans (such as liability, health, life, disability, workers' compensation) or pension plan or length of service awards.

(3) A nominal fee is not a substitute for compensation and must not be tied to productivity. The decision as to what constitutes “nominal” must be made on a case-by-case basis and in the context of the economic realities of the situation.

(4) The phrase economic realities means that in determining whether the fee described in paragraph (b)(3) of this section may be deemed “nominal”, the amount of the fee must be judged in the context of what paid workers doing the same work would earn in the particular locality involved. For example, a “payment” made to a “homeless” volunteer in an amount which covers basic necessities but nonetheless represents an insignificant amount when compared with local cost of living and real wages may be determined to be nominal for purposes of qualifying as a volunteer, provided the payment is not in fact a substitute for compensation and is not tied in any way to productivity.

(c) Prevailing wage rates, for purposes of this part, means:

(1) Wage rates required to be paid to laborers and mechanics employed in the construction (including rehabilitation) of a project (or in the case of public housing, the development of the
§ 70.4 Procedure for implementing prevailing wage exemptions for volunteers.

(a) This section applies to those HUD programs for which there is a statutory exemption for volunteers, as referenced in §70.1(a).

(b) Local or State agencies or private parties whose employees are otherwise subject to Davis-Bacon or HUD-determined prevailing wage rates which propose to use volunteers and wish to pay the volunteers' expenses, reasonable benefits, or nominal fees shall request a determination from HUD that these payments meet the criteria in §70.3(b).

A written determination shall be provided to the requester by the Department within ten days of receipt by the Department of sufficient information to allow for the determination.

(c) A determination under paragraph (b) shall not be construed in any way as limiting the use of bona fide volunteers on HUD-assisted construction, but rather is required to ensure that the Department performs its appropriate responsibilities under Reorganization Plan No. 14 of 1950 and related Department of Labor Regulations in title 29 CFR part 5, regarding the administration and enforcement of the Davis-Bacon and Related Acts, and its responsibility for the administration and enforcement of HUD-determined or adopted wage rates in the operation of public housing assisted under the United States Housing Act of 1937.

(d) For a project covered by prevailing wage rate requirements in which all the work is to be done by volunteers and there are no paid construction employees, the local or State funding agency (or, if none, the entity that employs the volunteers) shall record in the pertinent project file the name and address of the agency sponsoring the project, a description of the project (location, cost, nature of the work), and the number of volunteers and the hours of work they performed. The entity responsible for recording this information shall also provide a copy of this information to HUD.

(e) For a project covered by prevailing wage rate requirements in which there is to be a mix of paid workers and volunteers, the local or State funding agency (or, if none, the entity responsible for generating certified payrolls) shall provide HUD the information in paragraph (d) of this section, along with the names of the volunteers.

(f) Volunteers who receive no expenses, benefits or fees described in (c) and are otherwise bona fide shall be recorded as in (d) or (e).

§ 70.5 Procedure for obtaining HUD waiver of prevailing wage rates for volunteers.

(a) This section applies to those HUD programs under which HUD is statutorily authorized to waive prevailing wage requirements for volunteers, as referenced in §70.1(b).

(b) Local or State agencies or private parties whose employees are otherwise subject to prevailing wage rates and which wish to use volunteers shall request a waiver of prevailing wage requirements from HUD for the volunteers. A request for waiver shall indicate that the proposed volunteers are volunteering their services for the purpose of lowering the costs of construction. The request shall include information sufficient for HUD to make a determination, as required by statute, that any amounts saved through the use of volunteers are fully credited to the corporation, cooperative, or public body or agency undertaking the construction and a determination that any payments to volunteers meet the criteria in section 70.3(b). Information regarding the crediting of amounts saved is required in order to ensure that the statutorily prescribed purpose of lowering the costs of construction is fulfilled by passing savings from the use of volunteers on to the sponsor or other...
body or agency undertaking the construction, rather than permitting the retention of any savings as a windfall by a contractor or subcontractor. A written waiver shall be provided to the requestor by the Department within ten days of receipt by the Department of sufficient information to meet the requirements for a waiver.

(c) For a project covered by prevailing wage rate requirements in which all the work is to be done by volunteers and there are no paid construction employees, the local or State funding agency (or, if none, the entity that employs the volunteers) shall record in the pertinent project file the name and address of the agency sponsoring the project, the name, location, and HUD project number (if any) of the project, the number of volunteers, and type of work and hours of work they performed. The entity responsible for recording this information shall provide a copy of the information to HUD.

(d) For a project covered by prevailing wage rate requirements in which there is to be a mix of paid workers and volunteers, the local or State funding agency (or, if none, the entity responsible for generating certified payrolls) shall provide HUD the information in (c) of this section, along with the names of the proposed volunteers.

(2) A reduction in the annual percentage rate of the mortgage as computed under the Truth in Lending Act, with a corresponding change in the payment schedule;

(3) An agreement involving a court proceeding;

(4) A workout agreement, in which a change in the payment schedule or collateral requirements is agreed to as a result of the mortgagor's default or delinquency, unless the rate is increased or the new amount financed exceeds the unpaid balance plus earned finance charges and premiums for the continuation of insurance;

(5) The renewal of optional insurance purchased by the mortgagor and added to an existing mortgage; and

(6) A renegotiated balloon mortgage on a multifamily property where the balloon payment was due within 1 year after the date of the closing of the renegotiated mortgage.

Rent means, for a dwelling unit:

(1) When the contract rent includes all utilities, the contract rent; or

(2) When the contract rent does not include all utilities, the contract rent plus:

   (i) The actual cost of utilities not included in the contract rent; or

   (ii) A utility allowance.

Rental housing means dwelling units in multifamily housing and dwelling units that are not owner occupied in single-family housing.

Rental unit means a dwelling unit that is not owner-occupied and is rented or available to rent.

Residence means a property where one or more families reside.

Residential mortgage means a mortgage on single-family or multifamily housing.

Revised Article 8 has the same meaning as in 31 CFR 357.2.

Rural area means any underserved area located outside of any metropolitan area.

Seasoned mortgage means a mortgage on which the date of the mortgage note is more than 1 year before the GSE purchased the mortgage.

Second mortgage means any mortgage that has a lien position subordinate only to the lien of the first mortgage.

Secondary residence means a dwelling where the mortgagor maintains (or will maintain) a part-time place of abode and typically spends (or will spend) less than the majority of the calendar year. A person may have more than one secondary residence at a time.

Secretary means the Secretary of Housing and Urban Development and, where appropriate, any person designated by the Secretary to perform a particular function for the Secretary, including any HUD officer, employee, or agent.

Securities Documentation means the applicable statement of terms, trust indenture, securities agreement or other documents establishing the terms of a Book-entry GSE Security.

Single-family housing means a residence consisting of one to four dwelling units. Single-family housing includes condominium dwelling units and dwelling units in cooperative housing projects.

Transfer message means an instruction of a Participant to a Federal Reserve Bank to effect a transfer of a Book-entry Security (including a Book-entry GSE Security) maintained in the Book-entry System, as set forth in Federal Reserve Bank Operating Circulars.

Underserved area means:

(1) For purposes of the definitions of “central city” and “other underserved area,” a census tract having:

   (i) A median income at or below 120 percent of the median income of the metropolitan area and a minority population of 30 percent or greater; or

   (ii) A median income at or below 90 percent of median income of the metropolitan area.

(2) For purposes of the definition of “rural area”:

   (i) In areas other than New England, a county having:
§ 81.11

(A) A median income at or below 120 percent of the State nonmetropolitan median income and a minority population of 30 percent or greater; or

(B) A median income at or below 95 percent of the greater of:

(1) State non-metropolitan median income; or

(2) Nationwide non-metropolitan median income; and

(ii) In New England, an entire county having the characteristics in paragraph (2)(i)(A) or (B) of this definition or the remainder of a county, where a portion of the county is in a metropolitan area and the remainder of the county has the characteristics in paragraph (2)(i)(A) or (B) of this definition.

Utilities means charges for electricity, piped or bottled gas, water, sewage disposal, fuel (oil, coal, kerosene, wood, solar energy, or other), and garbage and trash collection. Utilities do not include charges for telephone service.

Utility allowance means either:

(1) The amount to be added to contract rent when utilities are not included in contract rent (also referred to as the “AHS-derived utility allowance”), as issued annually by the Secretary; or

(2) The utility allowance established under the HUD Section 8 Program (42 U.S.C. 1437f) for the area where the property is located.

Very-low-income has the same definition as “very low-income” has in FHEFSSA.

Wholesale exchange means a transaction in which a GSE buys or otherwise acquires mortgages held in portfolio or securitized by the other GSE, or where both GSEs swap such mortgages.

Working day means a day when HUD is officially open for business.

(c) Subpart H terms. Unless the context requires otherwise, terms used in subpart H of this part that are not defined in this part, have the meanings as set forth in 31 CFR 357.2. Definitions and terms used in 31 CFR part 357 should read as though modified to effectuate their application to the GSEs. [60 FR 63888, Dec. 1, 1995, as amended at 61 FR 63947, Dec. 2, 1996; 62 FR 26977, May 29, 1997]

Subpart B—Housing Goals

§ 81.11 General.

This subpart establishes: three housing goals, as required by FHEFSSA; requirements for measuring performance under the goals; and procedures for monitoring and enforcing the goals.

§ 81.12 Low- and Moderate-Income Housing Goal.

(a) Purpose of goal. This annual goal for the purchase by each GSE of mortgages on housing for low- and moderate-income families (“the Low- and Moderate-Income Housing Goal”) is intended to achieve increased purchases by the GSEs of such mortgages.

(b) Factors. In establishing the Low- and Moderate-Income Housing Goals, the Secretary considered the factors in 12 U.S.C. 4562(b). A statement documenting the Secretary’s considerations and findings with respect to these factors, entitled “Secretary’s Considerations to Establish the Low- and Moderate-Income Housing Goal,” was published in the Federal Register on December 1, 1995.

(c) Goals. The annual goals for each GSE’s purchases of mortgages on housing for low- and moderate-income families are:

(1) For 1996, 40 percent of the total number of dwelling units financed by that GSE’s mortgage purchases in 1996;

(2) For each of the years 1997-99, 42 percent of the total number of dwelling units financed by that GSE’s mortgage purchases in each of those years; and

(3) For 2000 and thereafter the Secretary shall establish annual goals; pending establishment of goals for 2000 and thereafter, the annual goal for each of those years shall be 42 percent of the total number of dwelling units financed by that GSE’s mortgage purchases in each of those years.

§ 81.13 Central Cities, Rural Areas, and Other Underserved Areas Housing Goal.

(a) Purpose of the goal. This annual goal for the purchase by each GSE of mortgages on housing located in central cities, rural areas, and other underserved areas is intended to achieve increased purchases by the GSEs of mortgages financing housing in areas
that are underserved in terms of mortgage credit.

(b) Factors. In establishing the Central Cities, Rural Areas, and Other Underserved Areas Goals, the Secretary considered the factors in 12 U.S.C. 4564(b). A statement documenting the Secretary's considerations and findings with respect to these factors, entitled "Secretarial Considerations to Establish the Central Cities, Rural Areas, and Other Underserved Areas Housing Goal," was published in the Federal Register on December 1, 1995.

(c) Goals. The annual goals for each GSE's purchases of mortgages on housing located in central cities, rural areas, and other underserved areas are:

(1) For 1996, 21 percent of the total number of dwelling units financed by that GSE's mortgage purchases in 1996;

(2) For each of the years 1997-99, 24 percent of the total number of dwelling units financed by that GSE's mortgage purchases in each of those years; and

(3) For 2000 and thereafter the Secretary shall establish annual goals; pending establishment of goals for 2000 and thereafter, the annual goal for each of those years shall be 24 percent of the total number of dwelling units financed by that GSE's mortgage purchases in each of those years.

(d) Measuring performance. The GSEs shall determine on a mortgage-by-mortgage basis, through geocoding or any similarly accurate and reliable method, whether a mortgage finances one or more dwelling units located in a central city, rural area, or other underserved area.

§ 81.14 Special Affordable Housing Goal.

(a) Purpose of the goal. This goal is intended to achieve increased purchases by the GSEs of mortgages on rental and owner-occupied housing meeting the then-existing unaddressed needs of, and affordable to, low-income families in low-income areas and very-low-income families.

(b) Factors. In establishing the Special Affordable Housing Goals, the Secretary considered the factors in 12 U.S.C. 4563(a)(2). A statement documenting the Secretary's considerations and findings with respect to these factors, entitled "Secretarial Considerations to Establish the Special Affordable Housing Goal," was published in the Federal Register on December 1, 1995.

(c) Goals. The annual goals for each GSE's purchases of mortgages on rental and owner-occupied housing meeting the then-existing, unaddressed needs of and affordable to low-income families in low-income areas and very-low-income families are:

(1) For 1996, 12 percent of the total number of dwelling units financed by each GSE's mortgage purchases in 1996. The goal shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994;

(2) For each of the years 1997-99, 14 percent of the total number of dwelling units financed by each GSE's mortgage purchases in each of those years. The goal for each year shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994; and

(3) For 2000 and thereafter the Secretary shall establish annual goals. Pending establishment of goals for 2000 and thereafter, the annual goal for each of those years shall be 14 percent of the total number of dwelling units financed by each GSE's mortgage purchases in each of those years; the goal for each such year shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994.

(d) Counting of multifamily units. (1) Dwelling units affordable to low-income families and financed by a particular purchase of a mortgage on multifamily housing shall count toward achievement of the Special Affordable Housing Goal where at least:

(i) 20 percent of the dwelling units in the particular multifamily property are affordable to families whose incomes do not exceed 50 percent of the area median income; or

(ii) 40 percent of the dwelling units in the particular multifamily property
are affordable to very-low-income families.

(2) Where only some of the units financed by a purchase of a mortgage on multifamily housing count under the multifamily component of the goal, only a portion of the unpaid principal balance of the mortgage attributable to such units shall count toward the multifamily component. The portion of the mortgage counted under the multifamily requirement shall be equal to the ratio of the total units that count to the total number of units in the mortgaged property.

(e) Full Credit Activities. (1) For purposes of 12 U.S.C. 4563(b)(1) and this paragraph (e), full credit means that each unit financed by a mortgage purchased by a GSE and meeting the requirements of this section shall count toward achievement of the Special Affordable Housing Goal for that GSE.

(2) Consistent with §81.16(b)(3)(ii), the Secretary will give full credit toward achievement of the Special Affordable Housing Goals for the activities in 12 U.S.C. 4563(b)(1).

(4)(i) For purposes of determining whether a seller meets the requirement in 12 U.S.C. 4563(b)(1)(B), a seller must currently operate on its own or actively participate in an ongoing program that will result in originating additional loans that meet the goal. Actively participating in such a program includes actively participating with a qualified housing group that operates a program resulting in the origination of loans that meet the requirements of the goal.

(ii) To determine whether a seller meets the requirement in paragraph (e)(4)(i) of this section, the GSE shall verify and monitor that the seller meets the requirement and develop any necessary mechanisms to ensure compliance with this requirement.

(iii) Where a seller’s primary business is originating mortgages on housing that qualifies under this Special Affordable Housing Goal, such seller is presumed to meet the requirements in paragraph (e)(4)(i) of this section.

(f) No credit activities. Neither the purchase nor the securitization of mortgages associated with the refinancing of a GSE’s existing mortgage or mortgage-backed securities portfolios shall receive credit toward the achievement of the Special Affordable Housing Goal. Refinancings that result from the wholesale exchange of mortgages between the two GSEs shall not count toward the achievement of this goal. Refinancings of individual mortgages shall count toward achievement of this goal when the refinancing is an arm’s-length transaction that is borrower-driven and the mortgage otherwise counts toward achievement of this goal. For purposes of paragraph (f), “mortgage or mortgage-backed securities portfolios” includes mortgages retained by Fannie Mae or Freddie Mac and mortgages utilized to back mortgage-backed securities.

§81.15 General requirements.

(a) Calculating the numerator and denominator. Performance under each of the housing goals shall be measured using a fraction that is converted into a percentage. The numerator of each fraction is the number of dwelling units financed by a GSE’s mortgage purchases in a particular year that count toward achievement of the housing goal. The denominator of each fraction is, for all mortgages purchased, the number of dwelling units that could count toward achievement of the goal under appropriate circumstances. The denominators shall not include GSE transactions or activities that are not mortgages or mortgage purchases. When a GSE lacks sufficient information to determine whether the purchase of a mortgage originated after 1992 counts toward achievement of a particular housing goal, that mortgage purchase shall be included in the denominator for that housing goal.

(b) Properties with multiple dwelling units. For the purposes of counting toward achievement of the goals, whenever the property securing a mortgage contains more than one dwelling unit, each such dwelling unit...
shall be counted as a separate dwelling unit financed by a mortgage purchase.

(c) Credit toward multiple goals. A mortgage purchase (or dwelling unit financed by such purchase) by a GSE in a particular year shall count toward the achievement of each housing goal for which such purchase (or dwelling unit) qualifies in that year.

(d) Counting owner-occupied units. For purposes of counting owner-occupied units toward achievement of the Low- and Moderate-Income Housing Goal or the Special Affordable Housing Goal, mortgage purchases financing such units shall be evaluated based on the income of the mortgagors and the area median income at the time of origination of the mortgage. To determine whether mortgagors may be counted under a particular family income level, i.e., very-low-, low-, or moderate-income, the income of the mortgagors is compared to the median income for the area at the time of mortgage origination, using the appropriate percentage factor provided under §81.17.

(e) Counting rental units—(1) Use of income, rent—(i) Generally. For purposes of counting rental units toward achievement of the Low- and Moderate-Income Housing Goal or the Special Affordable Housing Goal, mortgage purchases financing such units shall be evaluated based on the income of actual or prospective tenants where such data is available, i.e., known to a lender.

(ii) Availability of income information. (A) Each GSE shall require lenders to provide to the GSE tenant income information under paragraphs (e)(3) and (4) of this section, but only when such information is known to the lender.

(B) When such tenant income information is available for all occupied units, the GSE’s performance shall be based on the income of the tenants in the occupied units. For unoccupied units that are vacant and available for rent and for unoccupied units that are under repair or renovation and not available for rent, the GSE shall use the income of prospective tenants, if paragraph (e)(4) of this section is applicable. If paragraph (e)(4) of this section is not applicable, the GSE shall use rent levels for comparable units in the property to determine affordability.

(2) Model units and rental offices. A model unit or rental office in a multifamily property may count toward achievement of the housing goals only if a GSE determines that:

(i) It is reasonably expected that the units will be occupied by a family within one year;

(ii) The number of such units is reasonable and minimal considering the size of the multifamily property; and

(iii) Such unit otherwise meets the requirements for the goal.

(3) Income of actual tenants. When the income of actual tenants is available, to determine whether a tenant is very-low-, low-, or moderate-income, the income of the tenant shall be compared to the median income for the area, adjusted for family size as provided in §81.17.

(4) Income of prospective tenants. When income for tenants is available to a lender because a project is subject to a Federal housing program that establishes the maximum income for a tenant or a prospective tenant in rental units, the income of prospective tenants may be counted at the maximum income level established under such housing program for that unit. In determining the income of prospective tenants, the income shall be projected based on the types of units and market area involved. Where the income of prospective tenants is projected, each GSE must determine that the income figures are reasonable considering the rents (if any) on the same units in the past and considering current rents on comparable units in the same market area.

(5) Use of rent. When the income of the prospective or actual tenants of a dwelling unit is not available, performance under these goals will be evaluated based on rent and whether the rent is affordable to the income group targeted by the housing goal. A rent is affordable if the rent does not exceed 30 percent of the maximum income level of very-low-, low-, or moderate-income families as provided in §81.19. In determining contract rent for a dwelling unit, the actual rent or average rent by unit type shall be used.

(6) Timeliness of information. In determining performance under the housing goals, each GSE shall use tenant and
§ 81.16 Special counting requirements.

(a) General. In determining whether a GSE shall receive full credit for a transaction or activity toward achievement of any of the housing goals, the Secretary shall consider whether a transaction or activity of the GSE is substantially equivalent to a mortgage purchase and either creates a new market or adds liquidity to an existing market.

(b) Not counted. The following transactions or activities shall not count toward achievement of any of the housing goals and shall not be included in the denominator in calculating either GSE's performance under the housing goals:

(1) Equity investments in housing development projects;
(2) Purchases of State and local government housing bonds except as provided in § 81.16(c)(8);
(3) Purchases of non-conventional mortgages except:
   (i) Where such mortgages are acquired under a risk-sharing arrangement with a Federal agency; or
   (ii) As provided in § 81.14(e)(2);
(4) Commitments to buy mortgages at a later date or time;
(5) Options to acquire mortgages;
(6) Rights of first refusal to acquire mortgages;
(7) Any interests in mortgages that the Secretary determines, in writing, shall not be treated as interests in mortgages;
(8) Mortgage purchases to the extent they finance any dwelling units that are secondary residences; and
(9) Any combination of (1) through (8) above.

(c) Other special rules—(1) Credit enhancements. (i) Dwelling units financed under a credit enhancement entered into by a GSE shall be treated as mortgage purchases and count toward achievement of the housing goals when:
   (A) The GSE provides a specific contractual obligation to ensure timely payment of amounts due under a mortgage or mortgages financed by the issuance of housing bonds (such bonds may be issued by any entity, including a State or local housing finance agency);
   (B) The GSE assumes a credit risk in the transaction substantially equivalent to the risk that would have been assumed by the GSE if it had
securitized the mortgages financed by such bonds; and
(C) Such dwelling units otherwise qualify under this part.
(ii) When a GSE provides a specific contractual obligation to ensure timely payment of amounts due under any mortgage originally insured by a public purpose mortgage insurance entity or fund, the GSE may, on a case-by-case basis, seek approval from the Secretary for such activities to count toward achievement of the housing goals.
(2) Real estate mortgage investment conduits ("REMICs"). (i) A GSE's purchase or guarantee of all or a portion of a REMIC shall be treated as a mortgage purchase and receive credit toward the achievement of the housing goals provided:
(A) The underlying mortgages or mortgage-backed securities for the REMIC were not:
(1) Guaranteed by the Government National Mortgage Association; or
(2) Previously counted toward any housing goal by the GSE; and
(B) The GSE has the information necessary to support counting the dwelling units financed by the REMIC, or that part of the REMIC purchased or guaranteed by the GSE, toward the achievement of a particular housing goal.
(ii) For REMICs that meet the requirements in paragraph (c)(2)(i) of this section and for which the GSE purchased or guaranteed:
(A) The whole REMIC, all of the units financed by the REMIC shall be treated as a mortgage purchase and count toward achievement of the housing goals; or
(B) A portion of the REMIC, the GSE shall receive partial credit toward achievement of the housing goals. This credit shall be equal to the percentage of the REMIC purchased or guaranteed by the GSE (the dollar amount of the purchase or guarantee divided by the total dollar amount of the REMIC) multiplied by the number of dwelling units that would have counted toward the goal(s) if the GSE had purchased or guaranteed the whole REMIC. In calculating performance under the housing goals, the denominator shall include the number of dwelling units included in the whole REMIC multiplied by the percentage of the REMIC purchased or guaranteed by the GSE.
(3) Risk-sharing. Mortgage purchases under risk-sharing arrangements between the GSEs and any Federal agency where the units would otherwise count toward achievement of the housing goal under which the GSE is responsible for a substantial amount (50 percent or more) of the risk shall be treated as mortgage purchases and count toward achievement of the housing goal or goals.
(4) Participations. Participations purchased by a GSE shall be treated as mortgage purchases and count toward achievement of the housing goals, if the GSE's participation in the mortgage is 50 percent or more.
(5) Cooperative housing and condominium projects. (i) The purchase of a mortgage on a cooperative dwelling unit ("a share loan") or a condominium unit is a mortgage purchase. Such a purchase is counted toward achievement of a housing goal in the same manner as a mortgage purchase of single-family owner-occupied units, i.e., affordability is based on the income of the owner(s).
(ii) The purchase of a mortgage on a cooperative building ("a blanket loan") or a condominium project is a mortgage purchase and shall count toward achievement of the housing goals. Where a GSE purchases both "a blanket loan" and mortgages for units in the same building ("share loans"), both the blanket loan and the share loan(s) are mortgage purchases and shall count toward achievement of the housing goals. Where a GSE purchases both a condominium project mortgage and mortgages on condominium dwelling units in the same project, both the condominium project mortgages and the mortgages on condominium dwelling units are mortgage purchases and shall count toward achievement of the housing goals.
(6) Seasoned mortgages. A GSE's purchase of a seasoned mortgage shall be treated as a mortgage purchase for purposes of these goals except:
(i) Where the GSE has already counted the mortgages under a housing goal applicable to 1993 or any subsequent year; or
§ 81.17

(7) Purchase of refinanced mortgages. Except as provided in §81.14(f), the purchase of a refinanced mortgage by a GSE is a mortgage purchase and shall count toward achievement of the housing goals to the extent the mortgage qualifies.

(8) Mortgage revenue bonds. (i) The purchase of a state or local mortgage revenue bond shall be treated as a mortgage purchase and units financed under such MRB shall count toward achievement of the goals where:

(A) The MRB is to be repaid only from the principal and interest of the underlying mortgages originated with funds made available by the MRB; and

(B) The MRB is not a general obligation of a state or local government or agency or is not credit enhanced by any government or agency, third party guarantor or surety.

(ii) Dwelling units financed by a mortgage revenue bond meeting the requirements of paragraph (c)(8)(i) of this section shall count toward a housing goal to the extent such dwelling units otherwise qualify under this part.

§ 81.17 Affordability—Income level definitions—family size and income known (owner-occupied units, actual tenants, and prospective tenants).

In determining whether a dwelling unit is affordable to very-low-, low-, or moderate-income families, where the unit is owner-occupied or, for rental housing, family size and income information for the dwelling unit is known to the GSE, the affordability of the unit shall be determined as follows:

(a) Moderate-income means:

(1) In the case of owner-occupied units, income not in excess of 100 percent of area median income; and

(2) In the case of rental units, where the income of actual or prospective tenants is available, income not in excess of the following percentages of area median income corresponding to the following family sizes:

(b) Low-income means:

(1) In the case of owner-occupied units, income not in excess of 80 percent of area median income; and

§ 81.18 Affordability—Income level definitions—family size not known (actual or prospective tenants).

In determining whether a rental unit is affordable to very-low, low-, or moderate-income families where family size is not known to the GSE, income will be adjusted using unit size, and affordability determined as follows:

(a) For moderate-income, the income of prospective tenants shall not exceed

§ 81.19 Affordability—Rent level definitions—tenant income is not known.

For purposes of determining whether a rental unit is affordable to very-low-, low-, or moderate-income families where the income of the family in the dwelling unit is not known to the GSE, the affordability of the unit is determined based on unit size as follows:

(a) For moderate-income, maximum affordable rents to count as housing for moderate-income families shall not exceed the following percentages of area median income with adjustments, depending on unit size:

(d) Missing Information. Each GSE shall make every effort to obtain the information necessary to make the calculations in this section. If a GSE makes such efforts but cannot obtain data on the number of bedrooms in particular units, in making the calculations on such units, the units shall be assumed to be efficiencies.

§ 81.20 Actions to be taken to meet the goals.

To meet the goals under this rule, each GSE shall operate in accordance with 12 U.S.C. 4565.

§ 81.21 Notice and determination of failure to meet goals.

If the Secretary determines that a GSE has failed or there is a substantial probability that a GSE will fail to
§ 81.22 Housing plans.

(a) If the Secretary determines, under §81.21, that a GSE has failed or there is a substantial probability that a GSE will fail to meet any housing goal and that the achievement of the housing goal was or is feasible, the Secretary shall require the GSE to submit a housing plan for approval by the Secretary.

(b) Nature of plan. Each housing plan shall:

(1) Be feasible;
(2) Be sufficiently specific to enable the Secretary to monitor compliance periodically;
(3) Describe the specific actions that the GSE will take:
   (i) To achieve the goal for the next calendar year; or
   (ii) If the Secretary determines that there is substantial probability that the GSE will fail to meet a housing goal in the current year, to make such improvements as are reasonable in the remainder of the year; and
(4) Address any additional matters relevant to the plan as required, in writing, by the Secretary.

(c) Deadline for submission. The GSE shall submit a housing plan to the Secretary within 30 days after issuance of a notice under §81.21 requiring the GSE to submit a housing plan. The Secretary may extend the deadline for submission of a plan, in writing and for a time certain, to the extent the Secretary determines an extension is necessary.

(d) Review of housing plans. The Secretary shall review and approve or disapprove housing plans in accordance with 12 U.S.C. 4566(c)(4) and (5).

(e) Resubmission. If the Secretary disapproves an initial housing plan submitted by a GSE, the GSE shall submit an amended plan acceptable to the Secretary within 30 days of the Secretary disapproving the initial plan; the Secretary may extend the deadline if the Secretary determines an extension is in the public interest. If the amended plan is not acceptable to the Secretary, the Secretary may afford the GSE 15 days to submit a new plan.

§ 81.41 Prohibitions against discrimination.

Neither GSE shall discriminate in any manner in making any mortgage purchases because of race, color, religion, sex, handicap, familial status, age, or national origin, including any consideration of the age or location of the dwelling or the age of the neighborhood or census tract where the dwelling is located in a manner that has a discriminatory effect; requires that the GSEs submit information to the Secretary to assist Fair Housing Act and ECOA investigations; provides for advising the GSEs of Fair Housing Act and ECOA violations; provides for reviewing the GSEs’ underwriting and appraisal guidelines to ensure compliance with the Fair Housing Act; and requires that the GSEs take actions as directed by the Secretary following Fair Housing Act and ECOA adjudications. Because FHEFSSA provides, generally, that the Director of OFHEO shall enforce violations by the GSEs of FHEFSSA and regulations in this subpart, this subpart also provides for referral of such cases to the Director.

§ 81.42 Reports; underwriting and appraisal guideline review.

(a) Reports. Each GSE, in the AHAR required under §81.63, shall assess underwriting standards, business practices, repurchase requirements, pricing, fees, and procedures that affect the purchase of mortgages for low- and moderate-income families, or that may yield disparate results based on the race, color, religion, sex, handicap, familial status, age, or national origin of the borrower, including revisions thereto to promote affordable housing or fair lending.
§ 81.46 Remedial actions.

(a) General. The Secretary shall direct the GSEs to take one or more remedial actions, including suspension, probation, reprimand or settlement, against lenders found to have engaged in discriminatory lending practices in violation of the Fair Housing Act or ECOA, pursuant to a final adjudication on the record and an opportunity for a hearing under subchapter II of chapter 5 of title 5, United States Code.

(b) Definitions. For purposes of this subpart, the following definitions apply:

Indefinite suspension means that, until directed to do otherwise by the Secretary, the GSEs will refrain from purchasing mortgages from a lender.

Probation means that, for a fixed period of time specified by the Secretary, a lender that has been found to have violated the Fair Housing Act or ECOA will be subject automatically to more severe sanctions than probation, e.g.,
§ 81.46

Remedial action includes a reprimand, probation, temporary suspension, indefinite suspension, or settlement.

Reprimand means a written letter to a lender from a GSE, which has been directed to be sent by the Secretary, stating that the lender has violated the Fair Housing Act or ECOA and warning of the possibility that the Secretary may impose more severe remedial actions than reprimand if any further violation occurs.

Temporary Suspension means that, for a fixed period of time specified by the Secretary, the GSEs will not purchase mortgages from a lender.

(c) Institution of remedial actions. (1) The Secretary shall direct the GSE to take remedial action(s) against a lender charged with violating ECOA only after a final determination on the charge has been made by an appropriate United States District Court or any other court of competent jurisdiction. The Secretary shall direct the GSE to take remedial action(s) against a lender charged with violating the Fair Housing Act only after a final determination on the matter has been made by a United States Court, a HUD Administrative Law Judge, or the Secretary.

(2) Following a final determination sustaining a charge against a lender for violating the Fair Housing Act or ECOA, in accordance with paragraph (c)(1) of this section, the Secretary shall determine the remedial action(s) that the GSE is to be directed to take for such violation.

(3) In determining the appropriate remedial action(s), the Secretary shall solicit and fully consider the views of the Federal financial regulator responsible for the subject lender concerning the action(s) that are contemplated to be directed against such lender, prior to directing any such action(s). If such responsible Federal financial regulator makes a written determination that a particular remedial action would threaten the financial safety and soundness of a Federally-insured lender, the Secretary shall consider other remedial actions. Where warranted, the Secretary also shall solicit and fully consider the views of the Director regarding the effect of the action(s) that are contemplated on the safety and soundness of the GSE. In determining what action(s) to direct, the Secretary will also, without limitation, consider the following:

(i) The gravity of the violation;
(ii) The extent to which other action has been taken against the lender for discriminatory activities;
(iii) Whether the lender's actions demonstrate a discriminatory pattern or practice or an individual instance of discrimination;
(iv) The impact or seriousness of the harm;
(v) The number of people affected by the discriminatory act(s);
(vi) Whether the lender operates an effective program of self assessment and correction;
(vii) The extent of any actions or programs by the lender designed to compensate victims and prevent future fair lending violations;
(viii) The extent that a finding of liability against a lender is based on a lender's use of a facially-neutral underwriting guideline of a secondary mortgage market entity applied appropriately by the lender in order to sell loans to that secondary mortgage market entity; and
(ix) Any other information deemed relevant by the Secretary.

(d) Notice of remedial action(s). (1) Following the Secretary's decision concerning the appropriate remedial action(s) that the GSE is to be directed to take, the Secretary shall prepare and issue to the GSE and the lender a written notice setting forth the remedial action(s) to be taken and the date such remedial action(s) are to commence. The Notice shall inform the lender of its right to request a hearing on the appropriateness of the proposed remedial action(s), within 20 days of service of the Notice, by filing a request with the Docket Clerk, HUD Office of Administrative Law Judges.

(2) Where a lender does not timely request a hearing on a remedial action, the GSE shall take the action in accordance with the Notice.

(e) Review and decision on remedial action(s). (1) Where a lender timely requests a hearing on a remedial action, a hearing shall be conducted before a

(e) Permanent standard for approval by the Secretary. Program requests submitted after the date occurring one year after the effective date of the regulations issued by the Director under 12 U.S.C. 4611(e) establishing the risk-based capital test shall be approved by the Secretary in accordance with 12 U.S.C. 4542(b)(1).

(f) Time for review. Unless the Secretary and, where appropriate, the Director of OFHEO, need additional information, a program request shall be approved or disapproved within 45 days from the date it is received by the Director, Office of Government-Sponsored Enterprises, and, where applicable, the Director of OFHEO. If within 45 days after receiving a request, the Secretary or the Director of OFHEO determine that additional information is necessary to review the matter and request such information from the GSE, the Secretary may extend the time period for consideration for an additional 15 days.

(1) Where additional information is requested, the GSE must provide the requested information to the Secretary and, where appropriate, the Director, within 10 days after the request for additional information.

(2) If the GSE fails to furnish requested information within 10 days after the request for information, the Secretary may deny the GSE’s request for approval based on such failure and so report to the Committees of Congress in accordance with paragraph (g) of this section.

(g) Approval or report. Within 45 days or, if the period is extended, 60 days following receipt of a program request, the Secretary shall approve the request, in writing, or submit a report to the Committee on Banking and Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate, explaining the reasons for not approving the request. If the Secretary does not act within this time period, the GSE’s program request will be deemed approved.

§ 81.54 Review of disapproval.

(a) Programs disapproved as unauthorized. (1) Where the Secretary disapproves a program request on the grounds that the new program is not authorized, as defined in §81.53(d) or (e), the GSE may, within 30 days of the date of receipt of the decision on disapproval, request an opportunity to review and supplement the administrative record for the decision, in accordance with paragraphs (a) (2) and (3) of this section.

(2) Supplementing in writing. A GSE supplementing the record in writing must submit written materials within 30 days after the date of receipt of the decision on disapproval, but no later than the date of a meeting, if requested, under paragraph (a)(3) of this section.

(3) Meeting. Within 10 days of the date of receipt of the decision of disapproval, the GSE may request a meeting. If the request for the meeting is timely, the Secretary shall arrange such a meeting, which shall be conducted by the Secretary or the Secretary’s designee within 10 working days after receipt of the request. The GSE may be represented by counsel and may submit relevant written materials to supplement the record.

(ii) Provide the GSE with that decision.

(b) Programs disapproved under public interest determination. When a program request is disapproved because the Secretary determines that the program is not in the public interest or the Director makes the determination in 12 U.S.C. 4542(b)(2)(B), the Secretary shall provide the GSE with notice of, and opportunity for, a hearing on the record regarding such disapproval. A request for a hearing must be submitted by a GSE within 30 days of the Secretary's submission of a report under § 81.53(g) disapproving a program request or the provision of the notice under this paragraph (b), whichever is later. The procedures for such hearings are provided in subpart G of this part.

Subpart F—Access to Information

§ 81.71 General.
This subpart:
(a) Provides for the establishment of a public-use database to make available to the public mortgage data that the GSEs submit to the Secretary under subsection 309(m) of the Fannie Mae Charter Act and subsection 307(e) of the Freddie Mac Act, and AHAR information that the GSEs submit to the Secretary in the AHAR under subsection 309(n) of the Fannie Mae Charter Act and subsection 307(f) of the Freddie Mac Act;
(b) Establishes mechanisms for the GSEs to designate mortgage data or AHAR information as proprietary information and for the Secretary to determine whether such mortgage data or AHAR information is proprietary information which should be withheld from disclosure;
(c) Addresses the availability of HUD procedures to protect from public disclosure proprietary information and other types of confidential business information submitted by or relating to the GSEs;
(d) Addresses protections from disclosure when there is a request from Congress for information and sets forth protections for treatment of data or information submitted by or relating to the GSEs by HUD officers, employees, and contractors; and
(e) Provides that data or information submitted by or relating to the GSEs that would constitute a clearly unwarranted invasion of personal privacy shall not be disclosed to the public.

§ 81.72 Public-use database and public information.
(a) General. Except as provided in paragraph (c) of this section, the Secretary shall establish and make available for public use, a public-use database containing public data as defined in §81.2.
(b) Examination of submissions. Following receipt of mortgage data and
AHAR information from the GSEs, the Secretary shall, as expeditiously as possible, examine the submissions for mortgage data and AHAR information that:

(1) Has been deemed to be proprietary information under this part by a temporary order, final order, or regulation in effect at the time of submission;

(2) Has been designated as proprietary information by the GSE in accordance with § 81.73;

(3) Would constitute a clearly unwarranted invasion of personal privacy if such data or information were released to the public; or

(4) Is required to be withheld or, in the determination of the Secretary, is not appropriate for public disclosure under other applicable laws and regulations, including the Trade Secrets Act (18 U.S.C. 1905) and Executive Order 12600.

(c) Public data and proprietary data. The Secretary shall place public data in the public-use database. The Secretary shall exclude from the public-use database and from public disclosure:

(1) All mortgage data and AHAR information within the scope of paragraphs (b)(1), (b)(3), and (b)(4) of this section;

(2) Any other mortgage data and AHAR information under (b)(2) when determined by the Secretary under § 81.74 to be propriety information; and

(3) Mortgage data that is not year-end data.

(d) Access. The Secretary shall provide such means as the Secretary determines are reasonable for the public to gain access to the public-use database. To obtain access to the public-use database, the public should contact the Director, Office of Government-Sponsored Enterprises, Department of Housing and Urban Development, 451 Seventh Street, S.W., Washington, DC 20410, telephone (202) 708-2224 (this is not a toll-free number).

(e) Fees. The Secretary may charge reasonable fees to cover the cost of providing access to the public-use database. These fees will include the costs of system access, computer use, copying fees, and other costs.

§ 81.73 GSE request for proprietary treatment.

(a) General. A GSE may request proprietary treatment of any mortgage data or AHAR information that the GSE submits to the Secretary. Such a request does not affect the GSE’s responsibility to provide data or information required by the Secretary. Where the Secretary grants a request for proprietary treatment, HUD will not include the data or information in the public-use database or publicly disclose the data or information, except as otherwise provided in accordance with this subpart.

(b) Request for proprietary treatment of mortgage data and AHAR information. Except as provided in paragraph (c) of this section, a GSE requesting proprietary treatment of mortgage data or AHAR information shall:

(1) Clearly designate those portions of the mortgage data or AHAR information to be treated as proprietary, with a prominent stamp, typed legend, or other suitable form of notice, stating “Proprietary Information—Confidential Treatment Requested by [name of GSE]” on each page or portion of page to which the request applies. If such marking is impractical, the GSE shall attach to the mortgage data or information for which confidential treatment is requested a cover sheet prominently marked “Proprietary Information—Confidential Treatment Requested by [name of GSE].”

(2) Accompany its request with a certification by an officer or authorized representative of the GSE that the mortgage data or information is proprietary; and

(3) Submit any additional statements in support of proprietary designation that the GSE chooses to provide.

(c) Alternative procedure available for mortgage data or AHAR information subject to a temporary order, final order, or regulation in effect. When the request for proprietary treatment pertains to mortgage data or AHAR information that has been deemed proprietary by the Secretary under a temporary order, final order, or regulation in effect, the GSE may reference such temporary order, final order, or regulation in lieu of complying with paragraphs (b)(2) and (3) of this section.
§ 81.74 Nondisclosure during pendency. Except as may otherwise be required by law, during the time any Request for Proprietary Treatment under §81.73 is pending determination by the Secretary, the data or information submitted by the GSE that is the subject of the request shall not be disclosed to, or be subject to examination by, the public or any person or representative of any person or agency outside of HUD.

§ 81.74 Secretarial determination on GSE request.

(a) General. The Secretary shall review all Requests for Proprietary Treatment from the GSEs, along with any other information that the Secretary may elicit from other sources regarding the Request.

(b) Factors for proprietary treatment. Except as provided in paragraph (c) of this section, in making the determination of whether to accord proprietary treatment to mortgage data or AHAR information, the Secretary's considerations shall include, but are not limited to:

(1) The type of data or information involved and the nature of the adverse consequences to the GSE, financial or otherwise, that would result from disclosure, including any adverse effect on the GSE's competitive position;

(2) The existence and applicability of any prior determinations by HUD, any other Federal agency, or a court, concerning similar data or information;

(3) The measures taken by the GSE to protect the confidentiality of the mortgage data or AHAR information in question, and similar data or information, before and after its submission to the Secretary;

(4) The extent to which the mortgage data or AHAR information is publicly available including whether the data or information is available from other entities, from local government offices or records, including deeds, recorded mortgages, and similar documents, or from publicly available databases;

(5) The difficulty that a competitor, including a seller/servicer, would face in obtaining or compiling the mortgage data or AHAR information; and

(6) Such additional facts and legal and other authorities as the Secretary may consider appropriate, including the extent to which particular mortgage data or AHAR information, when considered together with other information, could reveal proprietary information.

(c) Alternative criterion for mortgage data or AHAR information subject to a temporary order, final order, or regulation in effect. Where the request for proprietary treatment pertains to mortgage data or AHAR information that has been deemed proprietary by the Secretary under a temporary order, final order, or regulation in effect, the Secretary shall grant the request with respect to any mortgage data or AHAR information which comes within the order or regulation.

(d) Determination of proprietary treatment. The Secretary shall determine, as expeditiously as possible, whether mortgage data or AHAR information designated as proprietary by a GSE is proprietary information, or whether it is not proprietary and subject to inclusion in the public-use database and public release notwithstanding the GSE's request.

(e) Action when according proprietary treatment to mortgage data and AHAR information. (1) When the Secretary determines that mortgage data or AHAR information designated as proprietary by a GSE is proprietary, and the mortgage data or AHAR information is not subject to a temporary order, a final order, or a regulation in effect providing that the mortgage data or AHAR information is not subject to public disclosure, the Secretary shall notify the GSE that the request has been granted. In such cases, the Secretary shall issue either a temporary order, a final order, or a regulation providing that the mortgage data or information is not subject to public disclosure. Such a temporary order, final order, or regulation shall:

(i) Document the reasons for the determination; and

(ii) Be provided to the GSE, made available to members of the public, and published in the Federal Register, except that any portions of such order or regulation that would reveal the...
proprietary information shall be withheld from public disclosure. Publications of temporary orders shall invite public comments when feasible.

(2) Where the Secretary determines that such mortgage data or information is proprietary, the Secretary shall not make it publicly available, except as otherwise provided in accordance with this subpart.

(f) Determination not to accord proprietary treatment to mortgage data and AHAR information or to seek further information. When the Secretary determines that such mortgage data or AHAR information designated as proprietary by a GSE may not be proprietary, that the request may be granted only in part, or that questions exist concerning the request, the following procedure shall apply:

(1) The Secretary shall provide the GSE with an opportunity for a meeting with HUD to discuss the matter, for the purpose of gaining additional information concerning the request.

(2) Following the meeting, based on the Secretary’s review of the mortgage data or AHAR information that is the subject of a request and the GSE’s objections, if any, to disclosure of such mortgage data or AHAR information, the Secretary shall make a determination:

(i) If the Secretary determines to withhold from the public-use database as proprietary the mortgage data or AHAR information that is the subject of a request, the procedures in paragraph (e) of this section shall apply; or

(ii) If the Secretary determines that any mortgage data or AHAR information that is the subject of a request is not proprietary, the Secretary shall provide notice in writing to the GSE of the reasons for this determination, and such notice shall provide that the Secretary shall not release the mortgage data or AHAR information to the public for 10 working days.

§ 81.76 FOIA requests and protection of GSE information.

(a) General. HUD shall process FOIA requests for information submitted to the Secretary by the GSEs in accordance with:

(1) HUD’s FOIA and Privacy Act regulations, 24 CFR parts 15 and 16;

(2) 12 U.S.C. 4525, 4543, and 4546 and this subpart; and

(3) Other applicable statutes, regulations, and guidelines, including the Trade Secrets Act, 18 U.S.C. 1905, and Executive Order 12600. In responding to requests for data or information submitted by or relating to the GSEs, the Secretary may invoke provisions of these authorities to protect data or information from disclosure.

(b) Protection of confidential business information other than mortgage data and AHAR information. When a GSE seeks to protect from disclosure confidential business information, the GSE may seek protection of such confidential business information pursuant to the provisions of HUD’s FOIA regulations at 24 CFR part 15, without regard to whether or not it is mortgage data or AHAR information.

(c) Processing of FOIA requests—(1) FOIA Exemption (b)(4). HUD will process FOIA requests for confidential business information of the GSEs to which FOIA exemption (b)(4) may apply in accordance with 24 CFR parts 15, 16.

(2) FOIA Exemption (b)(8). Under section 1319F of FHEFSSA, the Secretary may invoke FOIA exemption (b)(8) to withhold from the public any GSE data or information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of HUD. HUD may make data
or information available for the confidential use of other government agencies in their official duties or functions, but all data or information remains the property of HUD and any unauthorized use or disclosure of such data or information may be subject to the penalties of 18 U.S.C. 641.

(3) Other FOIA exemptions. Under 24 CFR part 15, the Secretary may invoke other exemptions including, without limitation, exemption (b)(6) (5 U.S.C. 552(b)(6)), to protect data and information that would constitute a clearly unwarranted invasion of personal privacy.

(d) Protection of information by HUD officers and employees. The Secretary will institute all reasonable safeguards to protect data or information submitted by or relating to either GSE, including, but not limited to, advising all HUD officers and employees having access to data or information submitted by or relating to either GSE of the legal restrictions against unauthorized disclosure of such data or information under HUD Standards of Conduct regulations, 24 CFR part O; the Government-wide Standards of Ethical Conduct, 5 CFR part 2635; and the Trade Secrets Act, 18 U.S.C. 1905. Officers and employees shall be advised of the penalties for unauthorized disclosure, ranging from disciplinary action under 24 CFR part O and 5 CFR part 2635 to criminal prosecution.

(e) Protection of information by contractors. (1) In contracts and agreements entered into by HUD where contractors have access to data or information submitted by or relating to either GSE, HUD shall include detailed provisions specifying that:
   (i) Neither the contractor nor any of its officers, employees, agents, or subcontractors may release data submitted by or relating to either GSE without HUD's authorization; and
   (ii) Unauthorized disclosure may be a basis for:
      (A) Terminating the contract for default;
      (B) Suspending or debarring the contractor; and
      (C) Criminal prosecution of the contractor, its officers, employees, agents, or subcontractors under the Federal Criminal Code.

(2) Contract provisions shall require safeguards against unauthorized disclosure, including training of contractor and subcontractor agents and employees, and provide that the contractor will indemnify and hold HUD harmless against unauthorized disclosure of data or information belonging to the GSEs or HUD.

§81.77 Requests for GSE information on behalf of Congress, the Comptroller General, a subpoena, or other legal process.

(a) General. With respect to information submitted by or relating to the GSEs, nothing in this subpart F may be construed to grant authority to the Secretary under FHEFSSA to withhold any information from or to prohibit the disclosure of any information to the following persons or entities:

   (1) Either House of Congress or, to the extent of matters within its jurisdiction, any committee or subcommittee thereof, or any joint committee of Congress or subcommittee of any such joint committee;
   (2) The Comptroller General, or any of the Comptroller General's authorized representatives, in the course of the performance of the duties of the General Accounting Office;
   (3) A court of competent jurisdiction pursuant to a subpoena; or
   (4) As otherwise compelled by law.

(b) Notice of proprietary or confidential nature of GSE information. (1) In releasing data or information in response to a request as set out in paragraph (a) of this section, the Secretary will, where applicable, include a statement with the data or information to the effect that:
   (i) The GSE regards the data or information as proprietary information and/or confidential business information;
   (ii) Public disclosure of the data or information may cause competitive harm to the GSE; and
   (iii) The Secretary has determined that the data or information is proprietary information and/or confidential business information.

(2) To the extent practicable, the Secretary will provide notice to the GSE after a request from the persons or entities described in paragraphs (a)(1)-(4) of this section for proprietary
information or confidential business information is received and before the data or information is provided in response to the request.

(c) Procedures for requests pursuant to subpoena or other legal process. The procedures in 24 CFR 15.71-15.74 shall be followed when a subpoena, order, or other demand of a court or other authority is issued for the production or disclosure of any GSE data or information that:

(1) Is contained in HUD’s files;
(2) Relates to material contained in HUD’s files; or
(3) Was acquired by any person while such person was an employee of HUD, as a part of the performance of the employee’s official duties or because of the employee’s official status.

(d) Requests pursuant to subpoena or other legal process not served on HUD. If an individual who is not a HUD employee or an entity other than HUD is served with a subpoena, order, or other demand of a court or authority for the production or disclosure of HUD data or information relating to a GSE and such data or information may not be disclosed to the public under this subpart or 24 CFR part 15, such individual or entity shall comply with 24 CFR 15.71-15.74 as if the individual or entity is a HUD employee, including immediately notifying HUD in accordance with the procedures set forth in 24 CFR 15.73(a).

(e) Reservation of additional actions. Nothing in this section precludes further action by the Secretary, in his or her discretion, to protect data or information submitted by a GSE from unwarranted disclosure in appropriate circumstances.

(5) Consultation with the Director. In the Secretary’s discretion, the Director of OFHEO may be requested to review any Notice of Intent, determination, order, or interlocutory ruling arising from a hearing.

(e) Action to collect penalty. The Secretary may request the Attorney General of the United States to bring an action to collect the penalty, in accordance with 12 U.S.C. 4585(d). Interest on, and other charges for, any unpaid penalty may be assessed in accordance with 31 U.S.C. 3717.

(f) Settlement by Secretary. The Secretary may compromise, modify, or remit any civil money penalty that may be, or has been, imposed under this section.

§ 81.84 Hearings.

(a) Applicability. The hearing procedures in this section apply to hearings on the record to review cease-and-desist orders, civil money penalties, and new programs disapproved based upon a determination by the Secretary that
such programs are not in the public interest, in accordance with 12 U.S.C. 4542(c)(4)(B).

(b) Hearing requirements. (1) Hearings shall be held in the District of Columbia.

(2) Hearings shall be conducted by a HUD ALJ authorized to conduct proceedings under 24 CFR part 26, subpart B.

(c) Timing. Unless an earlier or later date is requested by a GSE and the request is granted by the ALJ, a hearing shall be fixed for a date not earlier than 30 days, nor later than 60 days, after:

(1) Service of the notice of charges under §81.82;

(2) Service of the Notice of Intent to Impose Civil Money Penalty(ies) under §81.83; or

(3) Filing of a request for a hearing under §81.54(b).

(2) How service may be made. A serving party shall use one or more of the following methods of service:

(i) Personal service;

(ii) Delivering the papers to a reliable commercial courier service, overnight delivery service, or the U.S. Post Office for Express Mail Delivery; or

(i) Administer oaths and affirmations;

(ii) Take and preserve testimony under oath;

(2) Witnesses and documents. The attendance of witnesses and the production of documents provided for in this section may be required from any place in any State. A witness may be required to appear, and a document may be required to be produced, at:

(i) The hearing; and

(ii) Any place that is designated for attendance at a deposition or production of a document under this section.

(3) Enforcement. In accordance with 12 U.S.C. 4588(c), the Secretary may request the Attorney General of the United States to enforce any subpoena or subpoena duces tecum issued pursuant to this section. If a subpoenaed person fails to comply with all or any portion of a subpoena issued pursuant to this paragraph (f), the subpoenaing party or any other aggrieved person may petition the Secretary to seek enforcement of the subpoena. A party’s petition to the Secretary for enforcement of a subpoena in no way limits the sanctions that may be imposed by the ALJ on a party who fails to comply with a subpoena issued under this paragraph (f).

(4) Fees and expenses. Witnesses subpoenaed under this section shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States and may seek reasonable expenses and attorneys fees in any court having jurisdiction of any proceeding instituted under this section. Such expenses and fees shall be paid by the GSE or from its assets.

(h) Public hearings. (1) All hearings shall be open to the public, unless the ALJ determines that an open hearing would be contrary to the public interest. Where a party makes a timely motion to close a hearing and the ALJ denies the motion, such party may file
§ 81.85 Public disclosure of final orders and agreements.

(a) Disclosure. Except as provided in paragraph (b) of this section, the Secretary shall make available to the public final orders; written agreements and statements; and modifications and terminations of those orders, agreements, and statements, as set forth in 12 U.S.C. 4586(a) and the implementing regulations in this subpart G. The retention of records of these orders, agreements, and statements, and their modifications and terminations, are governed by 12 U.S.C. 4586(e).

(b) Exceptions to disclosure. Exceptions to disclosure will be determined in accordance with 12 U.S.C. 4586(c), (d), and (f) and paragraph (c) of this section.

(c) Filing documents under seal—(1) Request by party. Upon the denial by the ALJ of a motion for a protective order, any party may request the Secretary to file any document or part of a document under seal if the party believes that disclosure of the document would be contrary to the public interest. Any other party may file with the Secretary a reply to a such a request within 5 working days after a request is made or some other time to be determined by
the Secretary. Such requests and replies are governed by §26.38 of this title.

(2) Effect of request. A document or part of a document that is the subject of a timely request to the Secretary to file under seal will not be disclosed under this section until the Secretary has advised the parties and the ALJ, in writing, of the Secretary's decision on whether the document or part of a document should be filed under seal. The ALJ shall take all appropriate steps to preserve the confidentiality of such documents or parts of documents, including closing portions of the hearing to the public.

(3) Time of request. Failure to file with the Secretary a timely request or a reply is deemed a waiver of any objection regarding the decision on whether a document is to be disclosed. A party must make its request to file a document under seal at least 10 days before the commencement of the hearing. A request may be filed at any other time before or during the course of the hearing, but the requesting party's obligation to produce the document or parts of the document will not be affected by the party's pending request to the Secretary, unless the Secretary expressly directs the ALJ to treat the document as protected from disclosure until the Secretary makes a final written decision on whether the document should be filed under seal. If the Secretary's direction to the ALJ is made orally, a written petition praying that the order of the Secretary be modified, terminated, or set aside.

§81.87 Judicial review.

(b) Filing of record. Upon receiving a copy of a petition, the Chief Docket Clerk, Office of Administrative Law Judges, shall file in the court the record in the proceeding, as provided in 28 U.S.C. 2112.

(c) No automatic stay. The commencement of proceedings for judicial review under this section shall not, unless specifically ordered by the court, operate as a stay of any order issued by the Secretary.

363
§ 81.93 Creation of Participant’s Security Entitlement; security interests.

(b) A security interest in a Security Entitlement of a Participant in favor of the United States to secure deposits of public money, including without limitation deposits to the Treasury tax and loan accounts, or other security interest in favor of the United States that is required by Federal statute, regulation, or agreement, and that is marked on the books of a Federal Reserve Bank is thereby effected and perfected, and has priority over any other interest in the securities. Where a security interest in favor of the United States in a Security Entitlement of a Participant is marked on the books of a Federal Reserve Bank, such Reserve Bank may rely, and is protected in relying, exclusively on the order of an authorized representative of the United States directing the transfer of the security.

(c)(1) A GSE and the Federal Reserve Banks have no obligation to agree to act on behalf of any Person or to recognize the interest of any transferee of a security interest or other limited interest in favor of any Person except to the extent of any specific requirement of Federal law or regulation or agreement to which a Federal Reserve Bank is a party, governing the security interest.

(c)(1) A GSE and the Federal Reserve Banks have no obligation to agree to act on behalf of any Person or to recognize the interest of any transferee of a security interest or other limited interest in favor of any Person except to the extent of any specific requirement of Federal law or regulation or to the extent set forth in any specific agreement with the Federal Reserve Bank on whose books the interest of the Participant is recorded. Neither the Federal Reserve Banks nor a GSE is liable to a Person asserting or having an adverse claim to a Security Entitlement or to a Book-entry GSE Security in a Participant’s Securities Account, including any such claim arising as a result of the transfer or disposition of a Book-entry GSE Security by a Federal Reserve Bank pursuant to a Transfer Message that the Federal Reserve Bank reasonably believes to be genuine.

(2) In addition to the method provided in paragraph (c)(1) of this section, a security interest, including a security interest in favor of a Federal Reserve Bank, may be perfected by any method by which a security interest may be perfected under applicable law as described in §81.92(b) or (d). The perfection, effect of perfection or non-perfection and priority of a security interest are governed by such applicable law. A security interest in favor of a Federal Reserve Bank shall be treated as a security interest in favor of a clearing corporation in all respects under such law, including with respect to the effect of perfection and priority of such security interest. A Federal Reserve Bank Operating Circular shall be treated as a rule adopted by a clearing corporation for such purposes.

§ 81.95 Authority of Federal Reserve Banks.

(d) GSE Securities which are to be delivered upon withdrawal may be issued in either registered or bearer form, to the extent permitted by the applicable Securities Documentation.

§ 81.97 Waiver of regulations.

The Secretary reserves the right in the Secretary's discretion, to waive any provision(s) of these regulations in any case or class of cases for the convenience of a GSE, the United States, or in order to relieve any person(s) of unnecessary hardship, if such action is not inconsistent with law, does not adversely affect any substantial existing rights, and the Secretary is satisfied that such action will not subject a GSE or the United States to any substantial expense or liability.

§ 81.98 Liability of GSEs and Federal Reserve Banks.

A GSE and the Federal Reserve Banks may rely on the information provided in a Transfer Message, and are not required to verify the information. A GSE and the Federal Reserve Banks shall not be liable for any action taken in accordance with the information set out in a Transfer Message, or evidence submitted in support thereof.

§ 81.99 Additional provisions.

AUTHORITY: 42 U.S.C. 3535(d).

SOURCE: 59 FR 47011, Sept. 13, 1994, unless otherwise noted.

Subpart A—General

§ 84.1 Purpose.

This part establishes uniform administrative requirements for Federal
§ 84.2 Definitions.

Accrued expenditures means the charges incurred by the recipient during a given period requiring the provision of funds for:

1. Goods and other tangible property received;
2. Services performed by employees, contractors, subrecipients, and other payees; and
3. Other amounts becoming owed under programs for which no current services or performance is required.

Accrued income means the sum of:

1. Earnings during a given period from:
   i. Services performed by the recipient; and
   ii. Goods and other tangible property delivered to purchasers; and
2. Amounts becoming owed to the recipient for which no current services or performance is required by the recipient.

Acquisition cost of equipment means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient’s regular accounting practices.

Advance means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

Award means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by HUD to an eligible recipient. The term does not include: technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, capital advances under the Sections 202 and 811 programs, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

Cash contributions means the recipient’s cash outlay, including the outlay of money contributed to the recipient by third parties.

Closeout means the process by which HUD determines that all applicable administrative actions and all required work of the award have been completed by the recipient and HUD.

Contract means a procurement contract under an award or subaward, and a procurement subcontract under a recipient’s or subrecipient’s contract.

Cost sharing or matching means that portion of project or program costs not borne by HUD.

Date of completion means the date on which all work under an award is completed or the date on the award document, or any supplement or amendment thereto, on which HUD sponsorship ends.

Disallowed costs means those charges to an award that HUD determines to be unallowable, in accordance with the applicable Federal cost principles or other terms and conditions contained in the award.

Equipment means tangible nonexpendable personal property including exempt property charged directly to the award having a useful life of more than one year and an acquisition cost of $5000 or more per unit. However, consistent with recipient policy, lower limits may be established.

Excess property means property under the control of HUD that, as determined by the Secretary, is no longer required for its needs or the discharge of its responsibilities.

Exempt property means tangible personal property acquired in whole or in part with Federal funds, where HUD has statutory authority to vest title in
the recipient without further obliga-
tion to the Federal Government. An ex-
ample of exempt property authority is
contained in the Federal Grant and Co-
operative Agreement Act (31 U.S.C.
6306), for property acquired under an
award to conduct basic or applied re-
search by a non-profit institution of
higher education or non-profit organi-
zation whose principal purpose is con-
ducting scientific research.

Federal awarding agency means the
Federal agency that provides an award
to the recipient.

Federal funds authorized means the
total amount of Federal funds obli-
gated by HUD for use by the recipient.
This amount may include any author-
ized carryover of unobligated funds
from prior funding periods when per-
mitted by HUD regulations or imple-
menting instructions.

Federal share of real property, equip-
ment, or supplies means that percent-
age of the property's acquisition costs
and any improvement expenditures
paid with Federal funds.

Funding period means the period of
time when Federal funding is available
for obligation by the recipient.

Intangible property and debt instru-
ments means, but is not limited to,
trademarks, copyrights, patents and
patent applications and such property
as loans, notes and other debt instru-
ments, lease agreements, stock and
other instruments of property owner-
ship, whether considered tangible or in-
tangible.

Obligations means the amounts of or-
ders placed, contracts and grants
awarded, services received and similar
transactions during a given period that
require payment by the recipient dur-
ing the same or a future period.

Outlays or expenditures means charges
made to the project or program. They
may be reported on a cash or accrual
basis. For reports prepared on a cash
basis, outlays are the sum of cash dis-
bursements for direct charges for goods
and services, the amount of indirect ex-
pense charged, the value of third party
in-kind contributions applied and the
amount of cash advances and payments
made to subrecipients. For reports pre-
pared on an accrual basis, outlays are
the sum of cash disbursements for di-
rect charges for goods and services, the
amount of indirect expense incurred,
the value of in-kind contributions ap-
plied, and the net increase (or de-
crease) in the amounts owed by the re-
cipient for goods and other property re-
ceived, for services performed by em-
ployees, contractors, subrecipients and
other payees and other amounts be-
coming owed under programs for which
no current services or performance are
required.

or intangible, having no physical exis-
tence, such as copyrights, patents, or
securities.

Prior approval means written ap-
proval by an authorized official evi-
dencing prior consent.

Program income means gross income
earned by the recipient that is directly
generated by a supported activity or
earned as a result of the award (see ex-
clusions in §§ 84.24 (e) and (h)). Program
income includes, but is not limited to,
income from fees for services per-
formed, the use or rental of real or per-
sonal property acquired under feder-
ally-funded projects, the sale of com-
modities or items fabricated under an
award, license fees and royalties on
patents and copyrights, and interest on
loans made with award funds. Interest
earned on advances of Federal funds is
not program income. Except as other-
wise provided in HUD regulations or
the terms and conditions of the award,
program income does not include the
receipt of principal on loans, rebates,
credits, discounts, etc., or interest
earned on any of them.

Project costs means all allowable
costs, as set forth in the applicable
Federal cost principles, incurred by a
recipient and the value of the contribu-
tions made by third parties in accom-
plishing the objectives of the award
during the project period.

Project period means the period estab-
lished in the award document during
which HUD sponsorship begins and
ends.

Property means, unless otherwise
stated, real property, equipment, in-
tangible property and debt instru-
ments.
§ 84.2

Real property means land, including
land improvements, structures and ap-
purtenances thereto, but excludes mov-
able machinery and equipment.

Recipient means an organization re-
ceiving financial assistance directly
from HUD to carry out a project or
program. The term includes public and
private institutions of higher edu-
cation, public and private hospitals,
and other quasi-public and private non-
profit organizations such as, but not
limited to, community action agencies,
research institutes, educational asso-
ciations, and health centers. The term
includes commercial organizations,
international organizations when oper-
ating domestically (such as agencies of
the United Nations) which are recipi-
ents, subrecipients, or contractors or
subcontractors of recipients or sub-
recipients. The term does not include
government-owned contractor-operated
facilities or research centers providing
continued support for mission-oriented,
large-scale programs that are govern-
ment-owned or controlled, or are des-
ignated as federally-funded research
and development centers. The term
does not include mortgagors that re-
ceive mortgages insured or held by
HUD or mortgagors or project owners
that receive capital advances from
HUD under the Section 202 and 811 pro-
grams.

Research and development means all
research activities, both basic and ap-
plied, and all development activities
that are supported at universities, col-
leges, and other non-profit institu-
tions. “Research” is defined as a sys-
tematic study directed toward fuller
scientific knowledge or understanding
of the subject studied. “Development”
is the systematic use of knowledge and
understanding gained from research di-
rected toward the production of useful
materials, devices, systems, or meth-
ods, including design and development
of prototypes and processes. The term
research also includes activities in-
volving the training of individuals in
research techniques where such activi-
ties utilize the same facilities as other
research and development activities
and where such activities are not in-
cluded in the instruction function.

Small awards means a grant or coop-
erative agreement not exceeding
$100,000 or the small purchase threshold
fixed at 41 U.S.C. 403(11), whichever is
greater.

Subaward means:

(1) An award of financial assistance
in the form of money, or property in
lieu of money, made under an award by
a recipient to an eligible subrecipient
or by a subrecipient to a lower tier sub-
recipient. The term includes financial
assistance when provided by any legal
agreement, even if the agreement is
called a contract, but does not include
procurement of goods and services nor
does it include any form of assistance
which is excluded from the definition
of “award”;

(2) For Community Development
Block Grants, the term “subaward”
does not include the arrangement
whereby the prime recipient transfers
funds to another entity and that entity
is the project. A distinction is made be-
tween such a transfer for the further-
ance of the prime recipient’s goals and
the transfer of funds to a subrecipient
who carries out activities and is ac-
countable to the prime recipient. For
example, in a CDBG award where a
prime recipient has as its program goal
the revitalization of a downtown area,
the funds transferred to a business in
the downtown area to remodel its store
would not be considered a subaward
subject to this part 84.

Subrecipient means the legal entity to
which a subaward is made and which is
accountable to the recipient for the use
of the funds provided. The term in-
cludes commercial organizations and
international organizations operating
domestically (such as agencies of the
United Nations).

Supplies means all personal property
excluding equipment, intangible prop-
erty, and debt instruments as defined
in this section, and inventions of a con-
tactor conceived or first actually re-
duced to practice in the performance of
work under a funding agreement (“sub-
ject inventions”), as defined in 37 CFR
part 401, “Rights to Inventions Made
by Nonprofit Organizations and Small
Business Firms Under Government
Grants, Contracts, and Cooperative
Agreements.”
Suspension means an action by HUD that temporarily withdraws HUD sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by HUD. Suspension of an award is a separate action from suspension under HUD regulations implementing E.O. 12549 and E.O. 12689, "Debarment and Suspension," at 24 CFR part 24.

Termination means the cancellation of HUD sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

Third party in-kind contributions means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

Unliquidated obligations, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the recipient for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by HUD that has not been obligated by the recipient and is determined by deducting the cumulative obligations from the cumulative funds authorized.

Unrecovered indirect cost means the difference between the amount awarded and the amount which could have been awarded under the recipient’s approved negotiated indirect cost rate.

Working capital advance means a procedure whereby funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 84.11 Effect on other issuances.

For awards subject to this part, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this part shall be superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in § 84.4.

§ 84.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this rule when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this rule shall be permitted only in unusual circumstances. HUD may apply more restrictive requirements to a class of recipients when approved by OMB. HUD may apply less restrictive requirements when awarding small awards and when approved by OMB, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by HUD.

§ 84.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals, commercial organizations and international organizations operating domestically, or other non-profit organizations. State, local and Federally recognized Indian tribal government subrecipients are subject to the provisions of regulations implementing the grants management common rule, “Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments,” (24 CFR part 85).

Subpart B—Pre-Award Requirements

§ 84.10 Purpose.

Sections 84.11 through 84.17 prescribe forms and instructions and other pre-award matters to be used in applying for HUD awards.

§ 84.11 Pre-award policies.

(a) Use of Grants and Cooperative Agreements, and Contracts. In each instance, HUD shall decide on the appropriate award instrument (i.e., grant,
§ 84.12 Forms for applying for Federal assistance.

(a) HUD shall comply with the applicable report clearance requirements of 5 CFR part 1320, “Controlling Paperwork Burdens on the Public,” with regard to all forms used by HUD in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by HUD.

(c) For Federal programs covered by E.O. 12272, “Intergovernmental Review of Federal Programs,” the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the Catalog of Federal Domestic Assistance. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

§ 84.13 Debarment and suspension; Drug-Free Workplace.

(a) HUD and its recipients and sub-recipients shall comply with the non-procurement debarment and suspension common rule implementing E.O.s 12549 and 12689, “Debarment and Suspension,” at 24 CFR part 24. This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

(b) HUD and its recipients and sub-recipients shall comply with the certification requirements of the Drug-Free Workplace Act of 1988 (42 U.S.C. 701), as set forth at 24 CFR part 24, subpart F.

§ 84.14 Special award conditions.

If an applicant or recipient:

(a) Has a history of poor performance;

(b) Is not financially stable;

(c) Has a management system that does not meet the standards prescribed in this part;

(d) Has not conformed to the terms and conditions of a previous award; or

(e) Is not otherwise responsible, HUD may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for requesting reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once the conditions that prompted them have been corrected.

§ 84.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency’s procurements, grants, and...
other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. HUD shall follow the provisions of E.O. 12770, "Metric Usage in Federal Government Programs."

§ 84.16 Resource Conservation and Recovery Act.

Under the Resource Conservation and Recovery Act (RCRA) (Pub. L. 94-580, 42 U.S.C. 6962), any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with Section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247 through 254). Accordingly, State and local institutions of higher education, hospitals, commercial organizations and international organizations when operating domestically, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

§ 84.17 Certifications and representations.

Unless prohibited by statute or codified regulation, HUD is authorized and encouraged to allow recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients’ compliance with the pertinent requirements.
§ 84.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(1) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient; and

(2) Financial management systems that meet the standards for fund control and accountability as established in §84.21. Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by HUD to the recipient.

(1) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients shall be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF-270, “Request for Advance or Reimbursement,” or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special HUD instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) of this section cannot be met. HUD may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal

§ 84.22 Payment.

should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, “Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs.”

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, HUD, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) HUD may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government’s interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, “Surety Companies Doing Business with the United States.”

§ 84.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(1) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient; and

(2) Financial management systems that meet the standards for fund control and accountability as established in §84.21. Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by HUD to the recipient.

(1) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients shall be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF-270, “Request for Advance or Reimbursement,” or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special HUD instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) of this section cannot be met. HUD may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal
loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, HUD shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients shall be authorized to submit request for reimbursement at least monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and HUD has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, HUD may provide cash on a working capital advance basis. Under this procedure, HUD shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee’s disbursing cycle. Thereafter, HUD shall reimburse the recipient for its actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient’s actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, HUD shall not withhold payments for proper charges made by recipients at any time during the project period unless paragraphs (h)(1) or (h)(2) of this section apply.

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements.

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A-129, “Managing Federal Credit Programs.” Under such conditions, HUD may, upon reasonable notice, inform the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows.

(1) Except for situations described in paragraph (i)(2) of this section, HUD shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless paragraphs (k)(1), (k)(2), or (k)(3) of this section apply.

(1) The recipient receives less than $120,000 in Federal awards per year.

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of $250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(l) For those entities where CMIA and its implementing regulations do not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, P.O. Box 6021, Rockville, MD 20852. In keeping with Electronic Funds Transfer rules (31 CFR part 206), interest should be remitted to the HHS Payment Management System through an electronic medium such as the FEDWIRE Deposit system. Recipients which do not have this capability should use a check. Interest amounts up to $250 per year may be retained by...
§ 84.23 Cost sharing or matching.

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient’s cost sharing or matching when such contributions meet all of the following criteria:

(1) Are verifiable from the recipient’s records.
(2) Are not included as contributions for any other federally-assisted project or program.
(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.
(4) Are allowable under the applicable cost principles.
(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.
(6) Are provided for in the approved budget when required by HUD.
(7) Conform to other provisions of this part, as applicable.
(b) Unrecovered indirect costs may be included as part of cost sharing or matching only with the prior approval of HUD.
(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If HUD authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of paragraphs (c)(1) or (c)(2) of this section.

(1) The certified value of the remaining life of the property recorded in the recipient’s accounting records at the time of donation.
(2) The current fair market value. However, when there is sufficient justification, HUD may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.
(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.
(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee’s regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.
(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award, if paragraphs (g)(1) or (g)(2) of this section apply.

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that HUD has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications.

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient’s supporting records for in-kind contributions from third parties.

(i) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(ii) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

§ 84.24 Program income.

(a) HUD shall apply the standards set forth in this section in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) of this section, program income earned during the project period shall be retained by the recipient and, in accordance with HUD regulations or the terms and conditions of the award, shall be used in one or more of the ways listed in the following.

(1) Added to funds committed to the project by HUD and recipient and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When HUD authorizes the disposition of program income as described in paragraphs (b)(1) or (b)(2) of this section, program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3) of this section.

(d) In the event that HUD does not specify in its regulations or the terms and conditions of the award how program income is to be used, paragraph (b)(3) of this section shall apply automatically to all projects or programs except research. For awards that support research, paragraph (b)(1) of this section shall apply automatically unless HUD indicates in the terms and conditions another alternative on the award or the recipient is subject to special award conditions, as indicated in §84.14.
§ 84.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon HUD requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from HUD for one or more of the following program or budget related reasons.

1. Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).
2. Change in a key person specified in the application or award document.
3. The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.
4. The need for additional Federal funding.
5. The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by HUD.
7. The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.
8. Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, HUD is authorized, at its option, to waive cost-related and administrative prior written approvals required by Circular A-110 and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following.

1. Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of HUD. All pre-award costs are incurred at the recipient’s risk (i.e., HUD is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).
Office of the Secretary, HUD

§ 84.26

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify HUD in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless HUD provides otherwise in HUD’s regulations, the prior approval requirements described in paragraph (e) of this section are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) of this section applies.

(f) HUD may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds $100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by HUD. HUD shall not permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j) of this section, do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from HUD for budget revisions whenever paragraphs (h)(1), (h)(2) or (h)(3) of this section apply.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in §84.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When HUD makes an award that provides support for both construction and nonconstruction work, HUD may require the recipient to request prior approval from HUD before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, HUD shall require recipients to notify HUD in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than $5000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless HUD indicates a letter of request suffices.

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, HUD shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, HUD shall inform the recipient in writing of the date when the recipient may expect the decision.

§ 84.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organization (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501–7507) and revised OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(1) Non-profit organizations subject to regulations in the part 200 series of this title which receive awards subject to part 84 shall comply
§ 84.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A-87, "Cost Principles for State and Local Governments." The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A-122, "Cost Principles for Non-Profit Organizations." The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A-21, "Cost Principles for Educational Institutions." The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, "Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals." The allowability of costs incurred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A-122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

§ 84.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by HUD.

Property Standards

§ 84.30 Purpose of property standards.

Sections 84.31 through 84.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. HUD shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§ 84.31 through 84.37.

§ 84.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 84.32 Real property.

HUD prescribes the following requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards:

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of HUD.

(b) The recipient shall obtain written approval by HUD for the use of real property in other federally-sponsored
§ 84.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the equipment without approval of HUD. When the equipment is no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by HUD and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.
§ 84.34  

(1) Activities sponsored by HUD which funded the original project; then
(2) Activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to projects or programs sponsored by HUD that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by HUD. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the approval of HUD.

(f) The recipient’s property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following.

(1) Equipment records shall be maintained accurately and shall include the following information.

(i) A description of the equipment.

(ii) Manufacturer’s serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient or the Federal Government.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates HUD for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify HUD.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards.

For equipment with a current per unit fair market value of $5000 or more, the recipient may retain the equipment for other uses provided that compensation is made to HUD or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from HUD. HUD shall determine whether the equipment can be used to meet HUD’s requirements. If no requirement exists
within HUD, the availability of the equipment shall be reported to the General Services Administration by HUD to determine whether a requirement for the equipment exists in other Federal agencies. HUD shall issue instructions to the recipient no later than 120 calendar days after the recipient’s request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient’s request, the recipient shall sell the equipment and reimburse HUD an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share $500 or ten percent of the proceeds, whichever is less, for the recipient’s selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient’s participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by HUD for such costs incurred in its disposition.

(4) HUD may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) HUD shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant funds and federally-owned equipment. If HUD fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When HUD exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

§ 84.35 Supplies and other expendable property.

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding $5000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program, the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, as long as the Federal Government retains an interest in the supplies.

§ 84.36 Intangible property.

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. HUD reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, “Rights to Inventions Made by Non-profit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements.”

(c) Unless waived by HUD, the Federal Government has the right to paragraphs (c)(1) and (c)(2) of this section.
(1) Obtain, reproduce, publish or otherwise use the data first produced under an award.

(2) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(d) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without approval of HUD. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of §84.34(g).

§ 84.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. HUD may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

§ 84.40 Purpose of procurement standards.

Sections 84.41 through 84.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by HUD upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

§ 84.41 Recipient responsibilities.

The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to HUD, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

§ 84.42 Codes of conduct.

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

§ 84.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient
shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. The other factors shall include the bidder's or offeror's compliance with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), hereafter referred to as “Section 3.” Section 3 provides that, to the greatest extent feasible, and consistent with existing Federal, State, and local laws, and regulations, economic opportunities generated by certain HUD financial assistance shall be directed to low- and very low-income persons. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient's interest to do so.

§ 84.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that paragraphs (a)(1), (a)(2) and (a)(3) of this section apply.

(1) Recipients avoid purchasing unnecessary items.

(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government.

(3) Solicitations for goods and services provide for all of the following.

(i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iv) The specific features of “brand name or equal” descriptions that bidders are required to meet when such items are included in the solicitation.

(v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce's Minority Business Development Agency in the solicitation and utilization of
§ 84.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 84.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

(a) Basis for contractor selection;
(b) Justification for lack of competition when competitive bids or offers are not obtained; and
(c) Basis for award cost or price.

§ 84.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

§ 84.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(a) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the
contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds $100,000. For those contracts or subcontracts exceeding $100,000, HUD may accept the bonding policy and requirements of the recipient, provided HUD has made a determination that the Federal Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The ‘‘bid guarantee’’ shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A ‘‘performance bond’’ is one executed in connection with a contract to secure fulfillment of all the contractor’s obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A ‘‘payment bond’’ is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, ‘‘Surety Companies Doing Business with the United States.’’

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, HUD, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this rule, as applicable.

§ 84.50 Purpose of reports and records.

Sections 84.51 through 84.53 set forth the procedures for monitoring and reporting on the recipient’s financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 84.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure sub-recipients have met the audit requirements as delineated in §84.26.

(b) HUD shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in §84.51(f), performance reports shall not be required more frequently than quarterly or less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. HUD may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements.
§ 84.52 Financial reporting.

(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients.

(1) SF-269 or SF-269A, Financial Status Report.

(i) HUD requires recipients to use the SF-269 or SF-269A to report the status of funds for all nonconstruction projects or programs. HUD has the option of not requiring the SF-269 or SF-269A when the SF-270, Request for Advance or Reimbursement, or SF-272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF-269 or SF-269A shall be required at the completion of the project when the SF-270 is used only for advances.

(ii) HUD shall prescribe whether the report shall be on a cash or accrual basis. If HUD requires accrual information and the recipient’s accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

(iii) HUD shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) HUD requires recipients to submit the SF-269 or SF-269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by HUD upon request of the recipient.

(i) When funds are advanced to recipients HUD shall require each recipient to submit the SF-272 and, when necessary, its continuation sheet, SF-272a. HUD shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) HUD may require forecasts of Federal cash requirements in the “Remarks” section of the report.

(iii) When practical and deemed necessary, HUD may require recipients to report in the “Remarks” section the amount of cash advances received and retained in excess of three days. Recipients shall provide short narrative
§ 84.53

Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. HUD shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by HUD. The only exceptions are the following.

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by HUD, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocation plans, etc. as specified in §84.53(g).

(c) Copies of original records may be substituted for the original records if authorized by HUD.

(d) HUD shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, HUD may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) HUD, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient’s personnel for the purpose of interview and discussion related to such documents. The rights of
§ 84.60 Purpose of termination and enforcement.

Sections 84.61 and 84.62 set forth uniform suspension, termination and enforcement procedures.

§ 84.61 Termination.

(a) Awards may be terminated in whole or in part only if paragraphs (a)(1), (a)(2) or (a)(3) of this section apply.

(1) By HUD, if a recipient materially fails to comply with the terms and conditions of an award.

(2) By HUD with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the recipient upon sending to HUD written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if HUD determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraphs (a)(1) or (a)(2) of this section.

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in § 84.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 84.62 Enforcement.

(a) Remedies for noncompliance. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, HUD may, in addition to imposing any of the special conditions outlined in § 84.14, take one or more of the following actions, as appropriate in the circumstances.

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by HUD.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.
(b) Hearings and appeals. In taking an enforcement action, HUD shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) Effects of suspension and termination. Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless HUD expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if paragraphs (c)(1) and (c)(2) of this section apply.

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable.

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and HUD's implementing regulations at 24 CFR part 24 (see §84.13).

Subpart D—After-the-Award Requirements

§ 84.70 Purpose.

Sections 84.71 through 84.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.

§ 84.71 Closeout procedures.

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. HUD may approve extensions when requested by the recipient.

(b) Unless HUD authorizes an extension, a recipient shall liquidate all obligations incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in HUD instructions.

(c) HUD shall make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.

(d) The recipient shall promptly refund any balances of unobligated cash that HUD has advanced or paid and that is not authorized to be retained by the recipient for use in other projects. OMB Circular A-129 governs unreturned amounts that become delinquent debts.

(e) When authorized by the terms and conditions of the award, HUD shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.

(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with §§84.31 through 84.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, HUD shall retain the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

§ 84.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following.

(1) The right of HUD to disallow costs and recover funds on the basis of a later audit or other review.

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in §84.26.

(4) Property management requirements in §§84.31 through 84.37.

(5) Records retention as required in §84.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of HUD and the recipient, provided the responsibilities
§ 84.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, HUD may reduce the debt by paragraphs (a)(1), (a)(2) or (a)(3) of this section.

1. Making an administrative offset against other requests for reimbursements.
2. Withholding advance payments otherwise due to the recipient.
3. Taking other action permitted by statute.

(b) Except as otherwise provided by law, HUD shall charge interest on an overdue debt in accordance with 4 CFR Chapter II, “Federal Claims Collection Standards.”

Subpart E—Use of Lump Sum Grants

§ 84.80 Conditions for use of Lump Sum (fixed price or fixed amount) grants.

(a) Heads of awarding activities (HAAs) shall determine and publish the funding arrangement for award programs having a published program regulation or Notice of Funding Availability. For other awards, discretion may be provided to Grant Officers to determine the funding arrangement on a transaction basis. In such cases, Grant Officers shall document the basis for selection of the funding arrangement in the negotiation record. Appropriate consideration to fixed amount (lump sum) awards shall be made if one or more of the following conditions are present:

1. The HUD funding amount is definitely less than the total actual cost of the project.
2. The HUD funding amount does not exceed $100,000 or the small purchase threshold fixed at 41 U.S.C. 403 (11), whichever is greater.
3. The project scope is very specific and adequate cost, historical, or unit pricing data is available to establish a fixed amount award with assurance that the recipient will realize no increment above actual cost.

(b) [Reserved]

§ 84.81 Definition.

(a) A lump sum award is an award for a predetermined amount, as set forth in the grant agreement, which amount does not vary with the amount of the recipient’s actual incurred costs. Under this type of award, HUD does not pay the recipient for its incurred costs but rather for completing certain defined events in the work or achievement of some other well-defined milestone. Some of the ways in which the grant amount may be paid are, but are not limited to:

1. In several partial payments, the amount of each agreed upon in advance, and the “milestone” or event triggering the payment also agreed upon in advance, and set forth in the grant;
2. On a unit price basis, for a defined unit or units (such as a housing counseling unit), at a defined price or prices, agreed to in advance of performance of the grant and set forth in the grant; or,
3. In one payment at grant completion.

(b) The key distinction between a lump sum and a cost reimbursement grant is the lack of a direct relationship between the costs incurred by the recipient and the amount paid by HUD in the lump sum arrangement.

§ 84.82 Provisions applicable only to lump sum grants.

In addition to the provisions of this subpart E, subparts A and B of this part apply to lump sum grants.

(a) Financial and program management. Paragraphs (b) through (e) of this section prescribe standards for financial management systems, methods for making payments, budget revision approvals, and making audits.

(b) Standards for financial management systems. (1) Records that identify adequately the source and application of
funds for federally-sponsored activities are required. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(2) Effective control over and accountability for all funds, property and other assets are required. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(3) Comparison of outlays with budget amounts for each award is required. Whenever appropriate, financial information should be related to performance and unit cost data.

(4) Where HUD guarantees or insures the repayment of money borrowed by the recipient, HUD, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(5) HUD may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government's interest.

(6) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, "Surety Companies Doing Business with the United States."

(c) Payment. (1) The standard governing the use of banks and other institutions as depositories of funds advanced under awards is, HUD shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(3) Except as noted elsewhere in this part, only the following forms shall be authorized for the recipients in requesting payments. HUD shall not require more than an original and two copies of these forms.

(i) SF-270, Request for Advance or Reimbursement. HUD has adopted the SF-270 as a standard form for all nonconstruction programs when electronic funds transfer or predetermined advance methods are not used. The SF-270 shall also be used for lump sum payment requests. HUD, however, has the option of using this form for construction programs in lieu of the SF-271, "Outlay Report and Request for Reimbursement for Construction Programs."

(ii) SF-271, Outlay Report and Request for Reimbursement for Construction Programs. HUD has adopted the SF-271 as the standard form to be used for requesting reimbursement for construction programs. However, HUD may substitute the SF-270 when HUD determines that it provides adequate information to meet HUD's needs.

(d) Revision of budget and program plans. (1) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon HUD requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(2) Recipients are required to report deviations from program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(3) For nonconstruction awards, recipients shall request prior approvals from HUD for one or more of the following program or budget related reasons.

(i) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(ii) The need for additional Federal funding.

(iii) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.
§ 84.83 Property standards.

(a) Purpose of property standards. Paragraphs (b) through (g) of this section set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. HUD shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of paragraphs (b) through (g) of this section.

(b) Insurance coverage. Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-

(4) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(5) Except for requirements listed in paragraphs (d)(3)(i) and (d)(3)(ii) of this section, HUD is authorized, at its option, to waive cost-related and administrative prior written approvals required by Circular A-110 and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following:

(i) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify HUD in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This action may be taken unless:

(A) The terms and conditions of award prohibit the extension.

(B) The extension requires additional Federal funds.

(C) The extension involves any change in the approved objectives or scope of the project.

(6) For construction awards, recipients shall request prior written approval promptly from HUD for budget revisions whenever paragraphs (d)(6)(i) or (d)(6)(ii) of this section apply.

(i) The revision results from changes in the scope or the objective of the project or program.

(ii) The need arises for additional Federal funds to complete the project.

(7) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(8) When HUD makes an award that provides support for both construction and nonconstruction work, HUD may require the recipient to request prior approval from HUD before making any fund or budget transfers between the two types of work supported.

(e) Non-Federal audits. (1) Recipients and subrecipients that are institutions of higher education or other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." For HUD programs, a non-profit organization is the mortgagor or owner (as these terms are defined in the regulations in the part 200 and part 800 series) and not a related or affiliated organization or entity.

(ii) [Reserved]

(2) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(3) For-profit hospitals not covered by the audit provisions of revised OMB Circular A-133 shall be subject to the audit requirements of the Federal awarding agencies.

(4) Commercial organizations shall be subject to the audit requirements of HUD or the prime recipient as incorporated into the award document.

owned property need not be insured unless required by the terms and conditions of the award.

(c) Real property. HUD prescribes the following requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards:

(1) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of HUD.

(2) The recipient shall obtain written approval by HUD for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by HUD.

(d) Federally-owned and exempt property—(1) Federally-owned property—(i) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to HUD. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to HUD for further HUD utilization.

(ii) If HUD has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless HUD has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710 (I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, “Improving Mathematics and Science Education in Support of the National Education Goals.”) Appropriate instructions shall be issued to the recipient by HUD.

(2) Exempt property. When statutory authority exists, HUD has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions HUD considers appropriate. Such property is “exempt property.” Should HUD not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

(e) Equipment. (1) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(2) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the equipment without approval of HUD. When the equipment is no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:

(i) Activities sponsored by HUD which funded the original project; then

(ii) Activities sponsored by other Federal awarding agencies.

(3) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by HUD that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on activities not sponsored by the Federal Government shall be permissible if authorized by HUD.

(4) The recipient’s property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following:

(i) Equipment records shall be maintained accurately and shall include the following information:

(A) A description of the equipment.

(B) Manufacturer’s serial number, model number, Federal stock number, national stock number, or other identification number.

395
(C) Source of the equipment, including the award number.

(D) Whether title vests in the recipient or the Federal Government.

(E) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(F) Location and condition of the equipment and the date the information was reported.

(ii) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(iii) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(iv) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify HUD.

(v) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(5) HUD may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) HUD shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant funds and federally-owned equipment. If HUD fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When HUD exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

(f) Intangible property. (1) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. HUD reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(2) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."

(3) Unless waived by HUD, the Federal Government has the right to paragraphs (f)(3)(i) and (f)(3)(ii) of this section.

(i) Obtain, reproduce, publish or otherwise use the data first produced under an award.

(ii) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(4) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose.

(g) Property trust relationship. Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. HUD may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.
§ 84.84 Procurement standards.

(a) Purpose of procurement standards. Paragraphs (b) through (l) of this section set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by HUD upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

(b) Recipient responsibilities. The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to HUD, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

(c) Codes of conduct. The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

(d) Competition. All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. The other factors shall include the bidder’s or offeror’s compliance with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), hereafter referred to as “Section 3.” Section 3 provides that, to the greatest extent feasible, and consistent with existing Federal, State, and local laws, and regulations, economic opportunities generated by certain HUD financial assistance shall be directed to low- and very low-income persons. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient’s interest to do so.

(e) Procurement procedures. (1) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that paragraphs (e)(1)(i), (e)(1)(ii), and (e)(1)(iii) of this section apply.

(i) Recipients avoid purchasing unnecessary items.
(ii) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the recipient.

(iii) Solicitations for goods and services provide for all of the following.

(A) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(B) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(C) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(D) The specific features of “brand name or equal” descriptions that bidders are required to meet when such items are included in the solicitation.

(E) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(F) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(2) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women’s business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(i) Ensure that small businesses, minority-owned firms, and women’s business enterprises are used to the fullest extent practicable.

(ii) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women’s business enterprises.

(iii) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women’s business enterprises.

(iv) Encourage contracting with consortia of small businesses, minority-owned firms and women’s business enterprises when a contract is too large for one of these firms to handle individually.

(v) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce’s Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women’s business enterprises.

(3) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The “cost-plus-a-percentage-of-cost” or “percentage of construction cost” methods of contracting shall not be used.

(4) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity; compliance with public policy, including, where applicable, Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u); record of past performance; financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by agencies’ implementation of E.O.’s 12549 and 12689, “Debarment and Suspension,” as set forth at 24 CFR part 24.

(5) Recipients shall, on request, make available for the Federal awarding agency, pre-award review and procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(i) A recipient’s procurement procedures or operation fails to comply with the procurement standards in HUD’s implementation of Circular A–110.
(ii) The procurement is expected to exceed $100,000 or the small purchase threshold fixed at 41 U.S.C. 403 (11), whichever is greater, and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(iii) The procurement, which is expected to exceed the small purchase threshold, specifies a “brand name” product.

(iv) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

(f) Cost and price analysis. Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

(g) Procurement records. Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

(1) Basis for contractor selection;
(2) Justification for lack of competition when competitive bids or offers are not obtained; and
(3) Basis for award cost or price.

(h) Contract administration. A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

(i) Contract provisions. The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(1) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(2) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(3) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds $100,000. For those contracts or subcontracts exceeding $100,000, HUD may accept the bonding policy and requirements of the recipient, provided HUD has made a determination that the Federal Government’s interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(i) A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(ii) A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the contractor’s obligations under such contract.
(iii) A payment bond on the part of the contractor for 100 percent of the contract price. A “payment bond” is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(iv) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, “Surety Companies Doing Business with the United States.”

(4) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, HUD, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to the specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(5) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this rule, as applicable.

§ 84.85 Reports and records.

(a) Purpose of reports and records. Paragraphs (b) and (c) of this section set forth the procedures for monitoring and reporting on the recipient’s financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

(b) Monitoring and reporting program performance. (1) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in §84.82(e).

(2) The Federal awarding agency shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in paragraph (b)(6) of this section, performance reports shall not be required more frequently than quarterly or less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Federal awarding agency may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(3) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(4) When required, performance reports shall generally contain, for each award, brief information on each of the following:

(i) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(ii) Reasons why established goals were not met, if appropriate.

(5) Recipients shall not be required to submit more than the original and two copies of performance reports.

(6) Recipients shall immediately notify HUD of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(7) HUD may make site visits, as needed.

(8) HUD shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

(c) Retention and access requirements for records. (1) This paragraph (c) sets forth requirements for record retention and access to records for awards to recipients. Federal awarding agencies shall not impose any other record retention or access requirements upon recipients.
§ 84.86 Termination and enforcement.

(a) Termination. (1) Awards may be terminated in whole or in part only if paragraphs (a)(1)(i), (a)(1)(ii), or (a)(1)(iii) of this section apply.

(i) By HUD, if a recipient materially fails to comply with the terms and conditions of an award.

(ii) By HUD with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(iii) By the recipient upon sending to HUD written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated.

(2) If costs are allowed under an award, the responsibilities of the recipient referred to in §84.87(a)(1), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

(b) Enforcement. (1) Remedies for non-compliance. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in

401
§ 84.87 Closeout procedures, subsequent adjustments and continuing responsibilities.

(a) Closeout procedures. (1) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. HUD may approve extensions when requested by the recipient.

(2) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with §§84.83(b) through (g).

(b) Subsequent adjustments and continuing responsibilities. (1) The closeout of an award does not affect any of the following:

(i) Audit requirements in §84.26.

(ii) Property management requirements in §§84.83(b) through (g).

(iii) Records retention as required in §84.53.

(2) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of HUD and the recipient, provided the responsibilities of the recipient are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

APPENDIX A TO PART 84—CONTRACT PROVISIONS

All contracts, awarded by a recipient including small purchases, shall contain the following provisions as applicable:

402
Office of the Secretary, HUD
Pt. 84, App. A

States”). The Act provides that each con-
tactor or subrecipient shall be prohibited
from inducing, by any means, any person
employed in the construction, completion, or
repair of public work, to give up any part of
the compensation to which he is otherwise
titled. The recipient shall report all sus-
ppected or reported violations to HUD.

3. Davis-Bacon Act (40 U.S.C. 276a to a-7)—When required by Federal pro-
gram legislation, all construction contracts
awarded by the recipients and subrecipients
of more than $2000 shall include a provision
for compliance with the Davis-Bacon Act (40
U.S.C. 276a to a-7) and as supplemented by
Department of Labor regulations (29 C.F.R.
part 5, “Labor Standards Provisions Applica-
tible to Contracts Governing Federally Fi-
nanced and Assisted Construction”). Under
this Act, contractors shall be required to pay
wages to laborers and mechanics at a rate
not less than the minimum wages specified
in a wage determination made by the Sec-
retary of Labor. In addition, contractors
shall be required to pay wages not less than
once a week. The recipient shall place a copy
of the current prevailing wage determination
issued by the Department of Labor in each
solicitation and the award of a contract shall
be conditioned upon the acceptance of the
wage determination. The recipient shall re-

HUD.

4. Contract Work Hours and Safety Standards
Act (40 U.S.C. 327 through 333)—Where appli-
cable, all contracts awarded by recipients in
excess of $2000 for construction contracts and
in excess of $2500 for other contracts that in-
volve the employment of mechanics or labor-

with Sections 102 and 107 of the Contract
Work Hours and Safety Standards Act (40
U.S.C. 327 through 333), as supplemented by Depart-

part 5). Under Section 102 of the Act, each con-

basis of a standard workweek of 40 hours.
Work in excess of the standard workweek is
permissible provided that the worker is com-
pensated at a rate of not less than 1 1⁄2 times
the basic rate of pay for all hours worked in
excess of 40 hours in the workweek. Section
107 of the Act is applicable to construction
work and provides that no laborer or me-
chanic shall be required to work in sur-
roundings or under working conditions
which are unwholesome, hazardous or dan-
gerous. These requirements do not apply to
the purchases of supplies or materials or ar-
ticles ordinarily available on the open mar-
et or contracts for transportation or trans-
mission of intelligence.

5. Rights to Inventions Made Under a Con-
tact or Agreement—Contracts or agreements
for the performance of experimental, devel-

the rights of the Federal Government and
the recipient in any resulting invention in
accordance with 37 C.F.R part 401, “Rights to
Inventions Made by Nonprofit Organizations
and Small Business Firms Under Govern-
ment Grants, Contracts and Cooperative
Agreements,” and any implementing regula-
tions issued by HUD.

6. Clean Air Act (42 U.S.C. 7401 et seq.) and
the Federal Water Pollution Control Act (33
U.S.C. 1251 et seq.), as amended—Contracts
and subgrants of amounts in excess of
$100,000 shall contain a provision that re-
quires the recipient to agree to comply with
all applicable standards, orders or regula-
tions issued pursuant to the Clean Air Act
(42 U.S.C. 7401 et seq.) and the Federal Water
Pollution Control Act as amended (33 U.S.C.
1251 et seq.). Violations shall be reported
to HUD and the Regional Office of the Environ-
mental Protection Agency (EPA).

1352)—Contractors who apply or bid for an
award of $100,000 or more shall file the re-
quired certification. Each tier certifies to the
higher tier above that it will not and has not
influenced, by any means, any person or or-
ganization for influencing or attempting to
influence an officer or employee of any
agency, a member of Congress, officer or
employee of Congress, or an employee of a
member of Congress in connection with ob-
taining any Federal contract, grant or any
tier shall also disclose any lobbying with
non-Federal funds that takes place in con-
nection with obtaining any Federal award.
Such disclosures are forwarded from tier to
tier up to the recipient.

8. Debarment and Suspension (E.O.s 12549
and 12689)—No contract shall be made to par-
ties listed on the General Services Admin-
istration’s List of Parties Excluded from Fed-
eral Procurement or Nonprocurement Pro-
grams in accordance with E.O.s 12549 and
12689, “Debarment and Suspension,” as set
forth at 24 C.F.R. part 24. This list contains
the names of parties debarred, suspended, or
otherwise excluded by agencies, and contrac-
tors declared ineligible under statutory or
regulatory authority other than E.O. 12549.
Contractors with awards that exceed the
small purchase threshold shall provide the
required certification regarding its exclusion
status and that of its principal employees.

9. Drug-Free Workplace Requirements—The
Drug-Free Workplace Act of 1988 (42 U.S.C.
701) requires grantees (including individuals)
of federal agencies, as a prior condition of
being awarded a grant, to certify that they
will provide drug-free workplaces. Each po-
tential recipient must certify that it will
comply with drug-free workplace require-
ments in accordance with the Act and with
HUD’s rules at 24 C.F.R. part 24, subpart F.

Subpart A—General

§ 85.1 Purpose and scope of this part.

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

§ 85.2 Scope of subpart.

This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.

§ 85.3 Definitions.

As used in this part:
Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for: (1) Goods and other tangible property received; (2) services performed by employees, contractors, subgrantees, subcontractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Accrued income means the sum of: (1) Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers, and (2) amounts becoming owed to the grantee for which no current services or performance is required by the grantee.

Acquisition cost of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee’s regular accounting practices.
Administrative requirements mean those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from programmatic requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

Awarding agency means (1) with respect to a grant, the Federal agency, and (2) with respect to a subgrant, the party that awarded the subgrant.

Cash contributions means the grantee’s cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

Contract means (except as used in the definitions for grant and subgrant in this section and except where qualified by Federal) a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

Cost sharing or matching means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

Cost-type contract means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

Equipment means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment defined above.

Expenditure report means: (1) For non-construction grants, the SF-269 “Financial Status Report” (or other equivalent report); (2) for construction grants, the SF-271 “Outlay Report and Request for Reimbursement” (or other equivalent report).

Federally recognized Indian tribal government means the governing body or a governmental agency of any Indian tribe, band, nation, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

Government means a State or local government or a Federally recognized Indian tribal government.

Grant means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

Grantee means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

Local government means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

Obligations means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

OMB means the United States Office of Management and Budget.
Outlays (expenditures) mean charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

Percentage of completion method refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee’s cost incurred.

Prior approval means documentation evidencing consent prior to incurring specific cost.

Real property means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

Share, when referring to the awarding agency’s portion of real property, equipment or supplies, means the same percentage as the awarding agency’s portion of the acquiring party’s total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

State means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under United States Housing Act of 1937.

Subgrant means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of grant in this part.

Subgrantee means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

Supplies means all tangible personal property other than equipment as defined in this part.

Suspension means depending on the context, either (1) temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant, or (2) an action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination means permanent withdrawal of the authority to obligate previously-awarded grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant, or (2) an action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination means permanent withdrawal of the authority to obligate previously-awarded grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant, or (2) an action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Terms of a grant or subgrant mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.
Third party in-kind contributions mean property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

Unliquidated obligations for reports prepared on a cash basis mean the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

§ 85.4 Applicability.

(a) General. Subparts A—D of this part apply to all grants and subgrants to governments, except where inconsistent with Federal statutes or with regulations authorized in accordance with the exception provision of §85.6, or:

(c) Exceptions on a case-by-case basis and for subgrantees may be authorized by the affected Federal agencies.

Subpart B—Pre-Award Requirements

§ 85.10 Forms for applying for grants.

(a) Scope. (1) This section prescribes forms and instructions to be used by governmental organizations (except hospitals and institutions of higher education operated by a government) in applying for grants. This section is not applicable, however, to formula grant programs which do not require applicants to apply for funds on a project basis.

(2) This section applies only to applications to Federal agencies for grants, and is not required to be applied by grantees in dealing with applicants for subgrants. However, grantees are encouraged to avoid more detailed or burdensome application requirements for subgrants.

(b) Authorized forms and instructions for governmental organizations. (1) In applying for grants, applicants shall only use standard application forms or those prescribed by the granting agency with the approval of OMB under the Paperwork Reduction Act of 1980.

(2) Applicants are not required to submit more than the original and two copies of preapplications or applications.

(3) Applicants must follow all applicable instructions that bear OMB clearance numbers. Federal agencies may specify and describe the programs, functions, or activities that will be used to plan, budget, and evaluate the work under a grant. Other supplementary instructions may be issued only with the approval of OMB to the extent required under the Paperwork Reduction Act of 1980. For any standard form, except the SF-424 facesheet, Federal agencies may shade out or instruct the applicant to disregard any line item that is not needed.

(4) When a grantee applies for additional funding (such as a continuation or supplemental award) or amends a previously submitted application, only the affected pages need be submitted. Previously submitted pages with information that is still current need not be resubmitted.

§ 85.11 State plans.

(a) Scope. The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372, “Intergovernmental Review of Federal Programs,” States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive order.

(b) Requirements. A State need meet only Federal administrative or programmatic requirements for a plan
that are in statutes or codified regulations.

(c) Assurances. In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

1. Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions;

2. Repeat the assurance language in the statutes or regulations, or

3. Develop its own language to the extent permitted by law.

(d) Amendments. A State will amend a plan whenever necessary to reflect:

1. New or revised Federal statutes or regulations or;

2. A material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

§ 85.12 Special grant or subgrant conditions for “high-risk” grantees.

(a) A grantee or subgrantee may be considered high risk if an awarding agency determines that a grantee or subgrantee:

1. Has a history of unsatisfactory performance, or

2. Is not financially stable, or

3. Has a management system which does not meet the management standards set forth in this part, or

4. Has not conformed to terms and conditions of previous awards, or

5. Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

1. Payment on a reimbursement basis;

2. Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;

3. Requiring additional, more detailed financial reports;

4. Additional project monitoring;

5. Requiring the grantee or subgrantee to obtain technical or management assistance; or

6. Establishing additional prior approvals.

(c) If an awarding agency decides to impose such conditions, the awarding official will notify the grantee or subgrantee as early as possible, in writing, of:

1. The nature of the special conditions/restrictions;

2. The reason(s) for imposing them;

3. The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions and

4. The method of requesting reconsideration of the conditions/restrictions imposed.

Subpart C—Post-Award Requirements

FINANCIAL ADMINISTRATION

§ 85.20 Standards for financial management systems.

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

1. Permit preparation of reports required by this part and the statutes authorizing the grant, and

2. Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

1. Financial reporting. Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

2. Accounting records. Grantees and subgrantees must maintain records which adequately identify the source
and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) Internal control. Effective control and accountability must be maintained for all grant and subgrant cash, real and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) Budget control. Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) Allowable cost. Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) Source documentation. Accounting records must be supported by such source documentation as cancelled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) Cash management. Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees' cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-of-credit or electronic transfer of funds methods, the grantee must make drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.

(c) An awarding agency may review the adequacy of the financial management system of any applicant for financial assistance as part of a preaward review or at any time subsequent to award.

§ 85.21 Payment.

(a) Scope. This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) Basic standard. Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR part 205.

(c) Advances. Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) Reimbursement. Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if it does, the awarding agency's payments to the grantee or subgrantee will be based on the grantee's or subgrantee's actual rate of disbursement.

(e) Working capital advances. If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reimbursement is not feasible because the grantee lacks sufficient working capital, the awarding agency may provide cash or a working capital advance.
basis. Under this procedure the awarding agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee’s disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee’s actual cash disbursements.

(f) Effect of program income, refunds, and audit recoveries on payment. (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) Withholding payments. (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless—

(i) The grantee or subgrantee has failed to comply with grant award conditions or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall be released to the grantee upon subsequent compliance. When a grant is suspended, payment adjustments will be made in accordance with §85.43(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the Federal agency when the grantees or subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

(h) Cash depositories. (1) Consistent with the national goal of expanding the opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) Interest earned on advances. Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, remit interest earned on advances to the Federal agency. The grantee or subgrantee may keep interest amounts up to $100 per year for administrative expenses.

§ 85.22 Allowable costs.

(a) Limitation on use of funds. Grant funds may be used only for:

(1) The allowable costs of the grantee, subgrantee and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) Applicable cost principles. For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles.

§ 85.23 Period of availability of funds.

(a) General. Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) Liquidation of obligations. A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF-269). The Federal agency may extend this deadline at the request of the grantee.

§ 85.24 Matching or cost sharing.

(a) Basic rule: Costs and contributions acceptable. With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by others cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) Qualifications and exceptions—(1) Costs borne by other Federal grant agreements. Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(2) General revenue sharing. For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) Cost or contributions counted towards other Federal costs-sharing requirements. Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) Costs financed by program income. Costs financed by program income, as defined in §85.25, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in §85.25(g).)

(5) Services or property financed by income earned by contractors. Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in §85.25(g).)

(6) Records. Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) Special standards for third party in-kind contributions. (i) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay
for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee) or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) Valuation of donated services—(1) Volunteer services. Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee's or subgrantee's organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) Employees of other organizations. When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee's normal line of work, the services will be valued at the employee's regular rate of pay exclusive of the employee's fringe benefits and overhead costs. If the services

are in a different line of work, paragraph (c)(1) of this section applies.

(d) Valuation of third party donated supplies and loaned equipment or space. (1) If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution will be valued at the fair rental rate of the equipment or space.

(e) Valuation of third party donated equipment, buildings, and land. If a third party donates equipment, buildings, or land, and title passes to a grantee or subgrantee, the treatment of the donated property will depend upon the purpose of the grant or subgrant, as follows:

(1) Awards for capital expenditures. If the purpose of the grant or subgrant is to assist the grantee or subgrantee in the acquisition of property, the market value of that property at the time of donation may be counted as cost sharing or matching.

(2) Other awards. If assisting in the acquisition of property is not the purpose of the grant or subgrant, paragraphs (e)(2)(i) and (ii) of this section apply:

(i) If approval is obtained from the awarding agency, the market value at the time of donation of the donated equipment or buildings and the fair rental rate of the donated land may be counted as cost sharing or matching.

(ii) If approval is not obtained under paragraph (e)(2)(i) of this section, no amount may be counted for donated land, and only depreciation or use allowances may be counted for donated equipment and buildings. The depreciation or use allowances for this property are not treated as third party in-kind
contributions. Instead, they are treated as costs incurred by the grantee or subgrantee. They are computed and allocated (usually as indirect costs) in accordance with the cost principles specified in §85.22. In the same way as depreciation or use allowances for purchased equipment and buildings, the amount of depreciation or use allowances for donated equipment and buildings is based on the property’s market value at the time it was donated.

(f) Valuation of grantee or subgrantee donated real property for construction/acquisition. If a grantee or subgrantee donates real property for a construction or facilities acquisition project, the current market value of that property may be counted as cost sharing or matching. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost sharing or matching.

(g) Appraisal of real property. In some cases under paragraphs (d), (e) and (f) of this section, it will be necessary to establish the market value of land or a building or the fair rental rate of land or of space in a building. In these cases, the Federal agency may require the market value or fair rental value be set by an independent appraiser, and that the value or rate be certified by the grantee. This requirement will also be imposed by the grantee on subgrantees.

§ 85.25 Program income.

(a) General. Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) Definition of program income. Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. During the grant period is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) Cost of generating program income. If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) Governmental revenues. Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) Royalties. Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income. (See §85.34.)

(f) Property. Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§85.31 and 85.32.

(g) Use of program income. Program income shall be deducted from outlays which may be both Federal and non-Federal as described below, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs (g) (2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

(1) Deduction. Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal
agency and grantee contributions rather than to increase the funds committed to the project.

(2) Addition. When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be used for the purposes and under the conditions of the grant agreement.

(3) Cost sharing or matching. When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) Income after the award period. There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

§ 85.26 Non-Federal audit.

(a) Basic rule. Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

(b) Subgrantees. State or local governments, as those terms are defined for purposes of the Single Audit Act Amendments of 1996, that provide Federal awards to a subgrantee which exceed $300,000 or more (or other amount as specified by OMB) in Federal awards in a fiscal year, shall:

(1) Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations," have met the audit requirements of the Act. Commercial contractors (private for-profit and private and governmental organizations) providing goods and services to State and local governments are not required to have a single audit performed. State and local governments should use their own procedures to ensure that the contractor has complied with laws and regulations affecting the expenditure of Federal funds;

(2) Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A-133 (as set forth in 24 CFR part 45), or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

(3) Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

(4) Consider whether subgrantee audits necessitate adjustment of the grantee's own records; and

(5) Require each subgrantee to permit independent auditors to have access to the records and financial statements.

(c) Auditor selection. In arranging for audit services, §85.36 shall be followed.

Changes, Property, and Subawards

§ 85.30 Changes.

(a) General. Grantees and subgrantees are permitted to rebudget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) Relation to cost principles. The applicable cost principles (see §85.22) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.
§ 85.31

(c) Budget changes—(1) Nonconstruction projects. Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a nonconstruction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency’s share exceeds $100,000.

(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).

(2) Construction projects. Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(3) Combined construction and nonconstruction projects. When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from nonconstruction to construction or vice versa.

(d) Programmatic changes. Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of §85.36 but does not apply to the procurement of equipment, supplies, and general support services.

(e) Additional prior approval requirements. The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.

(f) Requesting prior approval. (1) A request for prior approval of any budget revision will be in the same budget format the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.

(2) A request for a prior approval under the applicable Federal cost principles (see §85.22) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee’s approved project which requires Federal prior approval, the grantee will obtain the Federal agency’s approval before approving the subgrantee’s request.

§ 85.31 Real property.

(a) Title. Subject to the obligations and conditions set forth in this section, title to real property acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) Use. Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purposes, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.
Office of the Secretary, HUD

§ 85.32

(c) Disposition. When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:

(1) Retention of title. Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency's percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) Sale of property. Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency's percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from the sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) Transfer of title. Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee's percentage of participation in the purchase of the real property to the current fair market value of the property.

§ 85.32 Equipment.

(a) Title. Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.

(c) Use. (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in §85.25(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property, subject to the approval of the awarding agency.

(d) Management requirements. Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use
and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft shall be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the grantee or subgrantee is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) Disposition. When original or replacement equipment acquired under a grant or subgrant is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:

(1) Items of equipment with a current per-unit fair market value of less than $5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

(2) Items of equipment with a current per unit fair market value in excess of $5,000 may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency’s share of the equipment.

(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or subgrantee to take excess and disposition actions.

(f) Federal equipment. In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(2) Grantees or subgrantees will manage the equipment in accordance with Federal agency rules and procedures, and submit an annual inventory listing.

(3) When the equipment is no longer needed, the grantee or subgrantee will request disposition instructions from the Federal agency.

(g) Right to transfer title. The Federal awarding agency may reserve the right to transfer title to the Federal Government or a third party named by the awarding agency when such a third party is otherwise eligible under existing statutes. Such transfers shall be subject to the following standards:

(1) The property shall be identified in the grant or otherwise made known to the grantee in writing.

(2) The Federal awarding agency shall issue disposition instruction within 120 calendar days after the end of the Federal support of the project for which it was acquired. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar-day period the grantee shall follow §85.32(e).

(3) When title to equipment is transferred, the grantee shall be paid an amount calculated by applying the percentage of participation in the purchase to the current fair market value of the property.

§ 85.33 Supplies.

(a) Title. Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) Disposition. If there is a residual inventory of unused supplies exceeding $5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.

§ 85.34 Copyrights.

The Federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.
85.35 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, “Debarment and Suspension.”

85.36 Procurement.

(a) States. When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) in this section.

(b) Procurement standards.

(1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in the selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

(i) The employee, officer or agent,

(ii) Any member of his immediate family,

(iii) His or her partner, or

(iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and
conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

(i) After a determination that no other contract is suitable, and

(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protestor must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities) and

(ii) Violations of the grantee's or subgrantee's protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified above will be referred to the grantee or subgrantee.

(c) Competition. (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of § 85.36. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business,

(ii) Requiring unnecessary experience and excessive bonding,

(iii) Noncompetitive pricing practices between firms or between affiliated companies,

(iv) Noncompetitive awards to consultants that are on retainer contracts,

(v) Organizational conflicts of interest,

(vi) Specifying only a brand name product instead of allowing an equal product to be offered and describing the performance of other relevant requirements of the procurement, and

(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutorily or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly
restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a brand name or equal description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) Methods of procurement to be followed. (1) Procurement by small purchase procedures. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently set at $100,000). If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources.

(ii) In order for sealed bidding to be feasible, the following conditions should be present:

(A) A complete, adequate, and realistic specification or purchase description is available;

(B) Two or more responsible bidders are willing and able to compete effectively and for the business; and

(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(ii) If sealed bids are used, the following requirements apply:

(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known bidders, providing them sufficient time prior to the date set for opening the bids;

(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;

(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;

(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(E) Any or all bids may be rejected if there is a sound documented reason.

(3) Procurement by competitive proposals. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;
(ii) Proposals will be solicited from an adequate number of qualified sources;

(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;

(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and

(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors’ qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:

(A) The item is available only from a single source;

(B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;

(C) The awarding agency authorizes noncompetitive proposals; or

(D) After solicitation of a number of sources, competition is determined inadequate.

(ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.

(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for pre-award review in accordance with paragraph (g) of this section.

(e) Contracting with small and minority firms, women’s business enterprises and labor surplus area firms. (1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women’s business enterprises, and labor surplus area firms are used when possible.

(2) Affirmative steps shall include:

(i) Placing qualified small and minority businesses and women’s business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women’s business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women’s business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women’s business enterprises;

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2) (i) through (v) of this section.

(f) Contract cost and price. (1) Grantees and subgrantees must perform a cost or price analysis in connection with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders.
unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see §85.22). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) Awarding agency review. (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and/or service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. when:

(i) A grantee’s or subgrantee’s procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a “brand name” product; or

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency’s right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.
§ 85.36

(h) Bonding requirements. For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The 'bid guarantee' shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(i) Contract provisions. A grantee's and subgrantee's contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

(3) Compliance with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All contracts awarded in excess of $10,000 by grantees and their contractors or subgrantees)

(4) Compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR part 3). (All contracts and subgrants for construction or repair)

(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts awarded in excess of $2000 awarded by grantees and subgrantees when required by Federal grant program legislation)

(6) Compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts awarded by grantees and subgrantees in excess of $2000, and in excess of $2500 for other contracts which involve the employment of mechanics or laborers)

(7) Notice of awarding agency requirements and regulations pertaining to reporting.

(8) Notice of awarding agency requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such contract.

(9) Awarding agency requirements and regulations pertaining to copyrights and rights in data.

(10) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.
(11) Retention of all required records for three years after grantees or subgrantees make final payments and all other pending matters are closed.

(12) Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 C.F.R. part 15). (Contracts, subcontracts, and subgrants of amounts in excess of $100,000).

(13) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

§ 85.40 Monitoring and reporting program performance.

(a) Monitoring by grantees. Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function, or activity.

(b) Nonconstruction performance reports. The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived by the Federal agency this report will be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a
§ 85.41 Performance reports.

(1) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output may be required if that information will be useful.

(2) The reasons for slippage if established objectives were not met.

(iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(3) Grantees will not be required to submit more than the original and two copies of performance reports.

(4) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.

(c) Construction performance reports.

For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance reports only when considered necessary, and never more frequently than quarterly.

(d) Significant developments. Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) Federal agencies may make site visits as warranted by program needs.

(f) Waivers, extensions. (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

§ 85.41 Financial reporting.

(a) General. (1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies, or

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that the Federal agency finds unnecessary for its decisionmaking purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees.
(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) Financial Status Report—(1) Form. Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all non-construction grants and for construction grants when required in accordance with §85.41(e)(2)(iii) of this section.

(2) Accounting basis. Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee’s accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through and analysis of the documentation on hand.

(3) Frequency. The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) Due date. When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) Federal Cash Transactions Report—(1) Form. (i) For grants paid by letter of credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.

(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(ii) Financial Status Report—(2) Forecasts of Federal cash requirements. Forecasts of Federal cash requirements may be required in the “Remarks” section of the report.

(3) Cash in hands of subgrantees. When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days' needs in the hands of their subgrantees or contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) Frequency and due date. Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance either by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the Federal agency may require the report to be submitted within 15 working days following the end of each month.

(d) Request for advance or reimbursement—(1) Advance payments. Requests for Treasury check advance payments will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when Treasury check advance payments are made to the grantee automatically on a predetermined basis.)

(ii) Reimbursements. Requests for reimbursement under nonconstruction grants will also be submitted on Standard Form 270. (For reimbursement requests under construction grants, see paragraph (e)(1) of this section.)

(3) The frequency for submitting payment requests is treated in §85.41(b)(3).

(e) Outlay report and request for reimbursement for construction programs—(1) Grants that support construction activities paid by reimbursement method. (i) Requesters for reimbursement under construction grants will be submitted
on Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in §85.41(d), instead of this form.

(ii) The frequency for submitting reimbursement requests is treated in §85.41(b)(3).

(2) Grants that support construction activities paid by letter of credit, electronic funds transfer or Treasury check advance. (i) When a construction grant is paid by letter of credit, electronic funds transfer or Treasury check advances, the grantee will report its outlays to the Federal agency using Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. The Federal agency will provide any necessary special instruction. However, frequency and due date shall be governed by §85.41(b)(3) and (4).

(ii) When a construction grant is paid by Treasury check advances based on periodic requests from the grantee, the advances will be requested on the form specified in §85.41(d).

(iii) The Federal agency may substitute the Financial Status Report specified in §85.41(b) for the Outlay Report and Request for Reimbursement for Construction Programs.

(3) Accounting basis. The accounting basis for the Outlay Report and Request for Reimbursement for Construction Programs shall be governed by §85.41(b)(2).

§ 85.42 Retention and access requirements for records.

(a) Applicability. (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement, or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.

(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see §85.36(i)(10).

(b) Length of retention period. (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use. The awarding agency will request transfer of records to its custody when it determines that the records possess long-term retention value. When the records are transferred to or maintained by the Federal agency, the 3-year retention requirement is not applicable to the grantee or subgrantee.

(c) Starting date of retention period—(1) General. When grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the grantee submits its single or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year’s records starts on the day the grantee submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the grantee submits its final expenditure report. If an expenditure report has been waived, the retention period starts on the day the report would have been due.

(2) Real property and equipment records. The retention period for real property and equipment records starts from the date of the disposition or replacement or transfer at the direction of the awarding agency.

(3) Records for income transactions after grant or subgrant support. In some cases grantees must report income after the period of grant support.
Where there is such a requirement, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

(4) Indirect cost rate proposals, cost allocations plans, etc. This paragraph applies to the following types of documents, and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(i) If submitted for negotiation. If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) If not submitted for negotiation. If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal plan, or computation and its supporting records starts from end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(d) Substitution of microfilm. Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) Access to records—(1) Records of grantees and subgrantees. The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) Expiration of right of access. The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) Restrictions on public access. The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records unless required by Federal, State, or local law, grantees and subgrantees are not required to permit public access to their records.

§ 85.43 Enforcement.

(a) Remedies for noncompliance. If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency.

(2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award for the grantee's or subgrantee's program.

(4) Withhold further awards for the program, or

(5) Take other remedies that may be legally available.

(b) Hearings, appeals. In taking an enforcement action, the awarding agency will provide the grantee or subgrantee an opportunity for such hearing, appeal, or other administrative proceeding to which the grantee or subgrantee is entitled under any statute or regulation applicable to the action involved.

(c) Effects of suspension and termination. Costs of grantee or subgrantee resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the

429
§ 85.44 Termination for convenience.

Except as provided in §85.43 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated, or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated.

Subpart D—After-The-Grant Requirements

§ 85.50 Closeout.

(a) General. The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) Reports. Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this timeframe. These may include but are not limited to:

(1) Final performance or progress report.
(2) Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF-271) (as applicable).
(3) Final request for payment (SF 270) (if applicable).
(4) Invention disclosure (if applicable).
(5) Federally-owned property report: In accordance with §85.32(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) Cost adjustment. The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) Cash adjustments. (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.

§ 85.51 Later disallowances and adjustments.

The closeout of a grant does not affect:

(a) The Federal agency’s right to disallow costs and recover funds on the basis of a later audit or other review;

(b) The grantee’s obligation to return any funds due as a result of later refunds, corrections, or other transactions;

(c) Records retention as required in §85.42;

(d) Property management requirements in §§85.31 and 85.32; and

(e) Audit requirements in §85.26.

§ 85.52 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:
(1) Making an administrative offset against other requests for reimbursements,
(2) Withholding advance payments otherwise due to the grantee, or
(3) Other action permitted by law.
(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

Subpart A—General
§ 87.100 Conditions on use of funds.

(a) No appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) Each person who requests or receives from an agency a Federal contract, grant, loan, or cooperative agreement shall file with that agency a certification, set forth in appendix A, that the person has not made, and will not make, any payment prohibited by paragraph (a) of this section.

(c) Each person who requests or receives from an agency a Federal contract, grant, loan, or a cooperative agreement shall file with that agency a disclosure form, set forth in appendix B, if such person has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (a) of this section if paid for with appropriated funds.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in appendix A, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with...
that agency a disclosure form, set forth in appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

§ 87.105 Definitions.

For purposes of this part:

   (5) The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(i) Loan guarantee and loan insurance means an agency’s guarantee or insurance of a loan made by a person.
(j) Local government means a unit of government in a State and, if chartered, established, or otherwise recognized by a State for the performance of a governmental duty, including a local public authority, a special district, an intrastate district, a council of governments, a sponsor group representative organization, and any other instrumentality of a local government.

§ 87.110 Certification and disclosure.

(1) Award of a Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000 or the single family maximum mortgage limit for affected programs, whichever is greater.

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000 or the single family maximum mortgage limit for affected programs, whichever is greater.

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(3) A contract or subcontract exceeding $100,000 at any tier under a Federal loan exceeding $150,000; or,

(4) A contract or subcontract exceeding $100,000 at any tier under a Federal cooperative agreement,

Shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 87.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §87.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person’s products or services for an agency’s use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L.
§ 87.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §87.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the negotiation of a contract or for meeting requirements imposed by or pursuant to law as a condition for receiving a covered Federal action.

(b) The reporting requirements in §87.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 87.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §87.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, professional and technical services shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the preparation, submission, or negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.
professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, professional and technical services shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 87.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same

(1) The overall goal of the community planning and development programs covered by this part is to develop viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities principally for low- and moderate-income persons. The primary means towards this end is to extend and strengthen partnerships among all levels of government and the private sector, including for-profit and non-profit organizations, in the production and operation of affordable housing.

(i) Decent housing includes assisting homeless persons to obtain appropriate housing and assisting persons at risk of becoming homeless; retention of the affordable housing stock; and increasing the availability of permanent housing in standard condition and affordable cost to low-income and moderate-income families, particularly to members of disadvantaged minorities, without discrimination on the basis of race, color, religion, sex, national origin, familial status, or disability. Decent housing also includes increasing the supply of supportive housing, which combines structural features and services needed to enable persons with special needs, including persons with HIV/AIDS and their families, to live with dignity and independence; and providing housing affordable to low-income persons accessible to job opportunities.
(ii) A suitable living environment includes improving the safety and livability of neighborhoods; increasing access to quality public and private facilities and services; reducing the isolation of income groups within a community or geographical area through the spatial deconcentration of housing opportunities for persons of lower income and the revitalization of deteriorating or deteriorated neighborhoods; restoring and preserving properties of special historic, architectural, or aesthetic value; and conservation of energy resources.

(iii) Expanded economic opportunities includes job creation and retention; establishment, stabilization and expansion of small businesses (including microbusinesses); the provision of public services concerned with employment; the provision of jobs involved in carrying out activities under programs covered by this plan to low-income persons living in areas affected by those programs and activities; availability of mortgage financing for low-income persons at reasonable rates using nondiscriminatory lending practices; access to capital and credit for development activities that promote the long-term economic and social viability of the community; and empowerment and self-sufficiency opportunities for low-income persons to reduce generational poverty in federally assisted and public housing.

(2) The consolidated submission described in this part 91 requires the jurisdiction to state in one document its plan to pursue these goals for all the community planning and development programs, as well as for housing programs. It is these goals against which the plan and the jurisdiction's performance under the plan will be evaluated by HUD.

(b) Functions of plan. The consolidated plan serves the following functions:

(1) A planning document for the jurisdiction, which builds on a participatory process at the lowest levels;
(2) An application for federal funds under HUD's formula grant programs;
(3) A strategy to be followed in carrying out HUD programs; and
(4) An action plan that provides a basis for assessing performance.

§ 91.2 Applicability.

(a) The following formula grant programs are covered by the consolidated plan:

(1) The Community Development Block Grant (CDBG) programs (see 24 CFR part 570, subparts D and I);
(2) The Emergency Shelter Grants (ESG) program (see 24 CFR part 576);
(3) The HOME Investment Partnerships (HOME) program (see 24 CFR part 92); and
(4) The Housing Opportunities for Persons With AIDS (HOPWA) program (see 24 CFR part 574).

(b) The following programs require either that the jurisdiction receiving funds directly from HUD have a consolidated plan that is approved by HUD or that the application for HUD funds contain a certification that the application is consistent with a HUD-approved consolidated plan:

(1) The HOPE I Public Housing Homeownership (HOPE I) program (see 24 CFR Subtitle A, Appendix A);
(2) The HOPE II Homeownership of Multifamily Units (HOPE II) program (see 24 CFR Subtitle A, Appendix B);

(6) The Supportive Housing for Persons with Disabilities program (see 24 CFR part 890);
(7) The Supportive Housing program (see 24 CFR part 583);
(8) The Single Room Occupancy Housing (SRO) program (see 24 CFR part 882, subpart H);
(9) The Shelter Plus Care program (see 24 CFR part 582);
(10) The Community Development Block Grant program—Small Cities (see 24 CFR part 570, subpart F);
(11) HOME program reallocations;
(12) Revitalization of Severely Distressed Public Housing (section 24 of
the United States Housing Act of 1937, (42 U.S.C. 1437 et seq.));
(13) Hope for Youth: Youthbuild (see 24 CFR part 585);
(14) The John Heinz Neighborhood Development program (see 24 CFR part 594);
(15) The Lead-Based Paint Hazard Reduction program (see 24 CFR part 35);
(16) Grants for Regulatory Barrier Removal Strategies and Implementation (section 1204, Housing and Community Development Act of 1992 (42 U.S.C. 12705c)); and
(17) Competitive grants under the Housing Opportunities for Persons With AIDS (HOPWA) program (see 24 CFR part 574).

(c) Other programs do not require consistency with an approved consolidated plan. However, HUD funding allocations for the Section 8 Certificate and Voucher Programs are to be made in a way that enables participating jurisdictions to carry out their consolidated plans.

Except as provided in paragraph (b) of this section, the program year shall run for a twelve month period and begin on the first calendar day of a month.
  (b) Once a program year is established, the jurisdiction may either shorten or lengthen its program year to change the beginning date of the following program year, provided that it notifies HUD in writing at least two months before the date the program year would have ended if it had not been lengthened or at least two months before the end of a proposed shortened program year.
  (c) See subpart E of this part for requirements concerning program year for units of general local government that are part of a consortium.

§ 91.15 Submission date.
  (a) General. (1) In order to facilitate continuity in its program and to provide accountability to citizens, each jurisdiction should submit its consolidated plan to HUD at least 45 days before the start of its program year. (But see §92.52(b) of this subtitle with respect to newly eligible jurisdictions under the HOME program.) With the exception of the August 16 date noted in paragraph (a)(2) of this section, HUD may grant a jurisdiction an extension of the submission deadline for good cause.
  (2) In no event will HUD accept a submission earlier than November 15 or later than August 16 of the Federal fiscal year for which the grant funds are appropriated, except for Fiscal Year 1995 in which HUD will accept a submission no later than September 30, 1995. (Failure to submit the plan by August 16 will automatically result in a loss of the CDBG funds to which the jurisdiction would otherwise be entitled, except for Fiscal Year 1995).
  (3) A jurisdiction may have a program year that coincides with the Federal fiscal year (e.g., October 1, 1995 through September 30, 1996 for Federal fiscal year 1996 funds. However, the consolidated plan may not be submitted earlier than November 15 of the Federal fiscal year and HUD has the period specified in §91.500 to review the consolidated plan.

  (a) General. (1) When preparing the consolidated plan, the jurisdiction shall consult with other public and private agencies that provide assisted housing, health services, and social services (including those focusing on services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, homeless persons) during preparation of the consolidated plan.
Office of the Secretary, HUD

§ 91.105 Citizen participation plan; local governments.

(a) Applicability and adoption of the citizen participation plan. (1) The jurisdiction is required to adopt a citizen participation plan that sets forth the jurisdiction's policies and procedures for citizen participation. (Where a jurisdiction, before February 6, 1995, adopted a citizen participation plan that complies with section 104(a)(3) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(A)(3)) but will need to amend the citizen participation plan to comply with provisions of this section, the citizen participation plan shall be amended by the first day of the jurisdiction's program year that begins on or after 180 days following February 6, 1995.)

(2) Encouragement of citizen participation. (i) The citizen participation plan must provide for and encourage citizens to participate in the development of the consolidated plan, any substantial amendments to the consolidated plan, and the performance report.

(ii) These requirements are designed especially to encourage participation by low- and moderate-income persons, particularly those living in slum and blighted areas and in areas where CDBG funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhoods, as defined by the jurisdiction. A jurisdiction also is expected to take whatever actions are appropriate to encourage the participation of all its citizens, including minorities and non-English speaking persons, as well as persons with disabilities.

(iii) The jurisdiction shall encourage, in conjunction with consultation with public housing authorities, the participation of residents of public and assisted housing developments, in the...
§ 91.105  process of developing and implementing the consolidated plan, along
with other low-income residents of targeted revitalization areas in which the
developments are located. The jurisdiction shall make an effort to provide in-
formation to the housing agency about consolidated plan activities related to its developments and surrounding communities so that the housing agency can make this information available at the annual public hearing required under the Comprehensive Grant pro-
gram.

(3) Citizen comment on the citizen participation plan and amendments. The jurisdic-
tion must provide citizens with a reasonable opportunity to comment on the original citizen participation plan and on substantial amendments to the citizen participation plan, and must make the citizen participation plan public. The citizen participation plan must be in a format accessible to persons with disabilities, upon request.

(b) Development of the consolidated plan. The citizen participation plan must include the following minimum requirements for the development of the consolidated plan.

(1) The citizen participation plan must require that, before the jurisdic-
tion adopts a consolidated plan, the jurisdiction will make available to citizens, public agencies, and other interested parties a reasonable opportunity to examine its contents and to submit comments. The citizen participation plan must set forth how the jurisdiction will publish the proposed consolidated plan and give reasonable opportunity to examine the contents of the proposed consolidated plan. The requirement for publishing may be met by publishing a summary of the proposed consolidated plan in one or more newspapers of general circulation, and by making copies of the proposed consolidated plan available at libraries, government offices, and public places. The summary must describe the contents and purpose of the consolidated plan, and must include a list of the locations where copies of the entire proposed consolidated plan may be examined. In addition, the jurisdiction must provide a reasonable number of free copies of the plan to citizens and groups that request it.

(3) The citizen participation plan must provide for at least one public hearing during the development of the consolidated plan. See paragraph (e) of this section for public hearing require-
ments, generally.

(4) The citizen participation plan must provide for at least one public hearing during the development of the consolidated plan. See paragraph (e) of this section for public hearing require-
ments, generally.

(5) The citizen participation plan shall require the jurisdiction to con-
sider any comments or views of citizens received in writing, or orally at the public hearings, in preparing the final consolidated plan. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefor, shall be attached to the final consolidated plan.

(c) Amendments—(1) Criteria for amendment to consolidated plan. The citizen participation plan must specify the criteria the jurisdiction will use for determining what changes in the jurisdiction’s planned or actual activities constitute a substantial amendment to the consolidated plan. (See §91.505.) It must include among the criteria for a substantial amendment changes in the use of CDBG funds from one eligible ac-
tivity to another.

(2) The citizen participation plan must provide citizens with reasonable
notice and an opportunity to comment on substantial amendments. The citizen participation plan must state how reasonable notice and an opportunity to comment will be given. The citizen participation plan must provide a period, not less than 30 days, to receive comments on the substantial amendment before the amendment is implemented.

(3) The citizen participation plan shall require the jurisdiction to consider any comments or views of citizens received in writing, or orally at public hearings, if any, in preparing the substantial amendment of the consolidated plan. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefor, shall be attached to the substantial amendment of the consolidated plan.

(d) Performance reports. (1) The citizen participation plan must provide citizens with reasonable notice and an opportunity to comment on performance reports. The citizen participation plan must state how reasonable notice and an opportunity to comment will be given. The citizen participation plan must provide a period, not less than 15 days, to receive comments on the performance report that is to be submitted to HUD before its submission.

(2) The citizen participation plan shall require the jurisdiction to consider any comments or views of citizens received in writing, or orally at public hearings in preparing the performance report. A summary of these comments or views shall be attached to the performance report.

(e) Public hearings. (1) The citizen participation plan must provide for at least two public hearings per year to obtain citizens’ views and to respond to proposals and questions, to be conducted at a minimum of two different stages of the program year. Together, the hearings must address housing and community development needs, development of proposed activities, and review of program performance. To obtain the views of citizens on housing and community development needs, including priority nonhousing community development needs, the citizen participation plan must provide that at least one of these hearings is held before the proposed consolidated plan is published for comment.

(2) The citizen participation plan must state how and when adequate advance notice will be given to citizens of each hearing, with sufficient information published about the subject of the hearing to permit informed comment. (Publishing small print notices in the newspaper a few days before the hearing does not constitute adequate notice. Although HUD is not specifying the length of notice required, it would consider two weeks adequate.)

(3) The citizen participation plan must provide that hearings be held at times and locations convenient to potential and actual beneficiaries, and with accommodation for persons with disabilities. The citizen participation plan must specify how it will meet these requirements.

(4) The citizen participation plan must identify how the needs of non-English speaking residents will be met in the case of public hearings where a significant number of non-English speaking residents can be reasonably expected to participate.

(f) Meetings. The citizen participation plan must provide citizens with reasonable and timely access to local meetings.

(g) Availability to the public. The citizen participation plan must provide that the consolidated plan as adopted, substantial amendments, and the performance report will be available to the public, including the availability of materials in a form accessible to persons with disabilities, upon request. The citizen participation plan must state how these documents will be available to the public.

(h) Access to records. The citizen participation plan must require the jurisdiction to provide citizens, public agencies, and other interested parties with reasonable and timely access to information and records relating to the jurisdiction’s consolidated plan and the jurisdiction’s use of assistance under the programs covered by this part during the preceding five years.

(i) Technical assistance. The citizen participation plan must provide for
technical assistance to groups representative of persons of low- and moderate-income that request such assistance in developing proposals for funding assistance under any of the programs covered by the consolidated plan, with the level and type of assistance determined by the jurisdiction. The assistance need not include the provision of funds to the groups.

(j) Complaints. The citizen participation plan shall describe the jurisdiction's appropriate and practicable procedures to handle complaints from citizens related to the consolidated plan, amendments, and performance report. At a minimum, the citizen participation plan shall require that the jurisdiction must provide a timely, substantive written response to every written citizen complaint, within an established period of time (within 15 working days, where practicable, if the jurisdiction is a CDBG grant recipient).

(k) Use of citizen participation plan. The jurisdiction must follow its citizen participation plan.

(l) Jurisdiction responsibility. The requirements for citizen participation do not restrict the responsibility or authority of the jurisdiction for the development and execution of its consolidated plan.

(Approved by the Office of Management and Budget under control number 2506-0117)

At a minimum, the citizen participation plan shall require that the State must provide a timely, substantive written response to every written citizen complaint, within an established period of time (within 15 working days, where practicable, if the State is a CDBG grant recipient). (i) Use of citizen participation plan. The State must follow its citizen participation plan. (Approved by the Office of Management and Budget under control number 2506-0117) Subpart C—Local Governments; Contents of Consolidated Plan § 91.200 General. (a) A complete consolidated plan consists of the information required in §§ 91.205 through 91.230, submitted in accordance with instructions prescribed by HUD (including tables and narratives), or in such other format as jointly agreed upon by HUD and the jurisdiction. (b) The jurisdiction shall describe the lead agency or entity responsible for overseeing the development of the plan and the significant aspects of the process by which the consolidated plan was developed, the identity of the agencies, groups, organizations, and others who participated in the process, and a description of the jurisdiction’s consultations with social service agencies and other entities. It also shall include a summary of the citizen participation plan.
§ 91.205 Housing and homeless needs assessment.

(a) General. The consolidated plan must describe the jurisdiction’s estimated housing needs projected for the ensuing five-year period. Housing data included in this portion of the plan shall be based on U.S. Census data, as provided by HUD, as updated by any properly conducted local study, or any other reliable source that the jurisdiction clearly identifies and should reflect the consultation with social service agencies and other entities conducted in accordance with § 91.100 and the citizen participation process conducted in accordance with § 91.105. For a jurisdiction seeking funding on behalf of an eligible metropolitan statistical area under the HOPWA program, the needs described for housing and supportive services must address the needs of persons with HIV/AIDS and their families throughout the eligible metropolitan statistical area.

(b) Categories of persons affected. (1) The plan shall estimate the number and type of families in need of housing assistance for extremely low-income, low-income, moderate-income, and middle-income families, for renters and owners, for elderly persons, for single persons, for large families, for persons with HIV/AIDS and their families, and for persons with disabilities. The description of housing needs shall include a discussion of the cost burden and severe cost burden, overcrowding (especially for large families), and substandard housing conditions being experienced by extremely low-income, low-income, moderate-income, and middle-income renters and owners compared to the jurisdiction as a whole. (The jurisdiction must define in its consolidated plan the terms “standard condition” and “substandard condition but suitable for rehabilitation.”)

(2) For any of the income categories enumerated in paragraph (b)(1) of this section, to the extent that any racial or ethnic group has disproportionately greater need in comparison to the needs of that category as a whole, assessment of that specific need shall be included. For this purpose, disproportionately greater need exists when the percentage of persons in a category of need who are members of a particular racial or ethnic group is at least 10 percentage points higher than the percentage of persons in the category as a whole.

(c) Homeless needs. The plan must describe the nature and extent of homelessness (including rural homelessness), addressing separately the need for facilities and services for homeless individuals and homeless families with children, both sheltered and unsheltered, and homeless subpopulations, in accordance with a table prescribed by HUD. This description must include the characteristics and needs of low-income individuals and families with children (especially extremely low-income) who are currently housed but threatened with homelessness. The plan also must contain a narrative description of the nature and extent of homelessness by racial and ethnic group, to the extent information is available.

(d) Other special needs. (1) The jurisdiction shall estimate, to the extent practicable, the number of persons who are not homeless but require supportive housing, including the elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, public housing residents, and any other categories the jurisdiction may specify, and describe their supportive housing needs.

(2) With respect to a jurisdiction seeking funding on behalf of an eligible metropolitan statistical area under the HOPWA program, the plan must identify the size and characteristics of the population with HIV/AIDS and their families within the eligible metropolitan statistical area it will serve.

(e) Lead-based paint hazards. The plan must estimate the number of housing units within the jurisdiction that are occupied by low-income families or moderate-income families that contain
§ 91.210 Housing market analysis.

(a) General characteristics. Based on information available to the jurisdiction, the plan must describe the significant characteristics of the jurisdiction’s housing market, including the supply, demand, and condition and cost of housing and the housing stock available to serve persons with disabilities and to serve persons with HIV/AIDS and their families. The jurisdiction must identify and describe any areas within the jurisdiction with concentrations of racial/ethnic minorities and/or low-income families, stating how it defines the terms “area of low-income concentration” and “area of minority concentration” for this purpose. The locations and degree of these concentrations must be identified, either in a narrative or on one or more maps.

(b) Public and assisted housing. (1) The plan must describe the number of public housing units in the jurisdiction, the physical condition of such units, the restoration and revitalization needs, results from the Section 504 needs assessment (i.e., assessment of needs of tenants and applicants on waiting list for accessible units, as required by 24 CFR 8.25), and the public housing agency’s strategy for improving the management and operation of such public housing and for improving the living environment of low- and moderate-income families residing in public housing. The consolidated plan must identify the public housing developments in the jurisdictions that are participating in an approved HUD Comprehensive Grant program. Activities covered by the consolidated plan that are being coordinated or jointly funded with the public housing Comprehensive Grant program must be identified by project and referenced to the approved Comprehensive Grant program. Examples of supportive activities for Comprehensive Grant program activities are efforts to revitalize neighborhoods surrounding public housing projects (either current or proposed); cooperation in provision of resident programs and services; coordination of local drug elimination or anti-crime strategies; upgrading of police, fire, schools, and other services; and economic development projects in or near public housing projects to tie in with self-sufficiency efforts for residents.

(2) The jurisdiction shall include a description of the number and targeting (income level and type of family served) of units currently assisted by local, state, or federally funded programs, and an assessment of whether any such units are expected to be lost from the assisted housing inventory for any reason.

(c) Homeless facilities. The plan must include a brief inventory of facilities and services that meet the emergency shelter, transitional housing, permanent supportive housing, and permanent housing needs of homeless persons within the jurisdiction.

(d) Special need facilities and services. The plan must describe, to the extent information is available, the facilities and services that assist persons who are not homeless but who require supportive housing, and programs for ensuring that persons returning from mental and physical health institutions receive appropriate supportive housing.

(e) Barriers to affordable housing. The plan must explain whether the cost of housing or the incentives to develop, maintain, or improve affordable housing in the jurisdiction are affected by public policies, particularly by policies of the jurisdiction, including tax policies affecting land and other property, land use controls, zoning ordinances, building codes, fees and charges, growth limits, and policies that affect the return on residential investment.

§ 91.215 Strategic plan.

(a) General. For the categories described in paragraphs (b), (c), (d), and (e) of this section, the consolidated plan must do the following:

(1) Indicate the general priorities for allocating investment geographically within the jurisdiction (or within the EMSA for the HOPWA program) and among priority needs, as identified in
the priority needs table prescribed by HUD:

(2) Describe the basis for assigning the priority (including the relative priority, where required) given to each category of priority needs;

(3) Identify any obstacles to meeting underserved needs;

(4) Summarize the priorities and specific objectives, describing how funds that are reasonably expected to be made available will be used to address identified needs; and

(5) For each specific objective, identify proposed accomplishments the jurisdiction hopes to achieve in quantitative terms over a specified time period (i.e., one, two, three or more years), or in other measurable terms as identified and defined by the jurisdiction.

(b) Affordable housing. With respect to affordable housing, the consolidated plan must include the priority housing needs table prescribed by HUD and must do the following:

(1) The description of the basis for assigning relative priority to each category of priority need shall state how the analysis of the housing market and the identification of housing problems and needs of extremely low-income, low-income, and moderate-income renters and owners identified in accordance with §91.205 provided the basis for assigning the relative priority given to each priority need category in the priority housing needs table prescribed by HUD. Family and income types may be grouped together for discussion where the analysis would apply to more than one of them;

(2) The statement of specific objectives must indicate how the characteristics of the housing market will influence the use of funds made available for rental assistance, production of new units, rehabilitation of old units, or acquisition of existing units; and

(3) The description of proposed accomplishments shall specify the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined in 24 CFR 92.252 for rental housing and 24 CFR 92.254 for homeownership over a specific time period.

c) Homelessness. With respect to homelessness, the consolidated plan must include the priority homeless needs table prescribed by HUD and must describe the jurisdiction's strategy for the following:

(1) Helping low-income families avoid becoming homeless;

(2) Reaching out to homeless persons and assessing their individual needs;

(3) Addressing the emergency shelter and transitional housing needs of homeless persons; and

(4) Helping homeless persons make the transition to permanent housing and independent living.

d) Other special needs. With respect to supportive needs of the non-homeless, the consolidated plan must describe the priority needs of persons who are not homeless but require supportive housing (i.e., elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, and public housing residents).

e) Nonhousing community development plan. (1) If the jurisdiction seeks assistance under the Community Development Block Grant program, the consolidated plan must describe the jurisdiction's priority non-housing community development needs eligible for assistance under HUD's community development programs by CDBG eligibility category, reflecting the needs of families for each type of activity, as appropriate, in terms of dollar amounts estimated to meet the priority need for the type of activity, in accordance with a table prescribed by HUD. This community development component of the plan must state the jurisdiction's specific long-term and short-term community development objectives (including economic development activities that create jobs), which must be developed in accordance with the statutory goals described in §91.1 and the primary objective of the CDBG program to develop viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low-income and moderate-income persons.
(2) A jurisdiction that elects to carry out a neighborhood revitalization strategy that includes the economic empowerment of low-income residents with respect to one or more of their areas may submit this strategy as part of its community development plan. If HUD approves such a strategy, the jurisdiction can obtain greater flexibility in the use of the CDBG funds in the revitalization area(s). The additional flexibility that the jurisdiction would be entitled to for this purpose will be described in 24 CFR part 570, subpart C, at a future date. The criteria for approval of the strategy will not be established by regulation, but jurisdictions will be notified of these criteria.

(f) Barriers to affordable housing. The consolidated plan must describe the jurisdiction’s strategy to remove or ameliorate negative effects of public policies that serve as barriers to affordable housing, as identified in accordance with §91.210(d), except that, if a State requires a unit of general local government to submit a regulatory barrier assessment that is substantially equivalent to the information required under this paragraph (f), as determined by HUD, the unit of general local government may submit its assessment submitted to the State to HUD and shall be considered to have complied with this requirement.

(g) Lead-based paint hazards. The consolidated plan must outline the actions proposed or being taken to evaluate and reduce lead-based paint hazards, and describe how the lead-based paint hazard reduction will be integrated into housing policies and programs.

(h) Anti-poverty strategy. The consolidated plan must describe the jurisdiction’s goals, programs, and policies for reducing the number of poverty level families and how the jurisdiction’s goals, programs, and policies for producing and preserving affordable housing, set forth in the housing component of the consolidated plan, will be coordinated with other programs and services for which the jurisdiction is responsible and the extent to which they will reduce (or assist in reducing) the number of poverty level families, taking into consideration factors over which the jurisdiction has control.

(i) Institutional structure. (1) The consolidated plan must explain the institutional structure, including private industry, nonprofit organizations, and public institutions, through which the jurisdiction will carry out its housing and community development plan, assessing the strengths and gaps in that delivery system.

(2) The jurisdiction shall describe the organizational relationship between the jurisdiction and the public housing agency, including the appointing authority for the commissioners or board of the housing agency; relationships regarding hiring, contracting and procurement; provision of services funded by the jurisdiction; and review by the jurisdiction of proposed development sites, of the comprehensive plan of the public housing agency, and of any proposed demolition or disposition of public housing developments.

(3) The plan must describe what the jurisdiction will do to overcome gaps in the institutional structure for carrying out its strategy for addressing its priority needs. If the public housing agency is designated as “troubled” by HUD, or otherwise is performing poorly, the jurisdiction shall describe any actions it is taking to assist the public housing agency in addressing these problems.

(j) Coordination. The consolidated plan must describe the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health, and service agencies. With respect to the public entities involved, the plan must describe the means of cooperation and coordination among the State and any units of general local government in the metropolitan area in the implementation of its consolidated plan.

(k) Public housing resident initiatives. The consolidated plan must describe the jurisdiction’s activities to encourage public housing residents to become more involved in management and participate in homeownership.

§ 91.220 Action plan.

The action plan must include the following:

(a) Form application. Standard Form 424;
(b) Resources. (1) Federal resources. The consolidated plan must describe the Federal resources expected to be available to address the priority needs and specific objectives identified in the strategic plan, in accordance with §91.215. These resources include grant funds and program income.

(2) Other resources. The consolidated plan must indicate resources from private and non-Federal public sources that are reasonably expected to be made available to address the needs identified in the plan. The plan must explain how Federal funds will leverage those additional resources, including a description of how matching requirements of the HUD programs will be satisfied. Where the jurisdiction deems it appropriate, it may indicate publicly owned land or property located within the jurisdiction that may be used to carry out the purposes stated in §91.1.

(c) Activities to be undertaken. A description of the activities the jurisdiction will undertake during the next year to address priority needs in terms of local objectives that were identified in §91.215. This description of activities shall estimate the number and type of families that will benefit from the proposed activities, the specific local objectives and priority needs (identified in accordance with §91.215) that will be addressed by the activities using formula grant funds and program income the jurisdiction expects to receive during the program year, proposed accomplishments, and a target date for completion of the activity. This information is to be presented in the form of a table prescribed by HUD.

(d) Geographic distribution. A description of the geographic areas of the jurisdiction (including areas of minority concentration) in which it will direct assistance during the ensuing program year, giving the rationale for the priorities for allocating investment geographically;

(e) Homeless and other special needs activities. Activities it plans to undertake during the next year to address emergency shelter and transitional housing needs of homeless individuals and families (including subpopulations), to prevent low-income individuals and families with children (especially those with incomes below 30 percent of median) from becoming homeless, to help homeless persons make the transition to permanent housing and independent living, and to address the special needs of persons who are not homeless identified in accordance with §91.215(d);

(f) Other actions—(1) General. Actions it plans to take during the next year to address obstacles to meeting underserved needs, foster and maintain affordable housing, remove barriers to affordable housing, evaluate and reduce lead-based paint hazards, reduce the number of poverty level families, develop institutional structure, and enhance coordination between public and private housing and social service agencies and foster public housing improvements and resident initiatives (see §91.215 (a), (b), (f), (g), (h), (i), (j), and (k));

(2) Public housing. Appropriate reference to the annual revisions of the action plan prepared for the Comprehensive Grant program. If the public housing agency is designated as “troubled” by HUD, or otherwise is performing poorly, the jurisdiction’s plan, if any, to assist the public housing agency in addressing these problems; and

(g) Program-specific requirements—(1) CDBG. (i) A jurisdiction must describe activities planned with respect to all CDBG funds expected to be available during the program year (including program income that will have been received before the start of the next program year), except that an amount generally not to exceed ten percent of such total available CDBG funds may be excluded from the funds for which eligible activities are described if it has been identified for the contingency of cost overruns.

(ii) CDBG funds expected to be available during the program year includes the following:

(A) Any program income that will have been received before the start of the next program year and that has not yet been programmed;

(B) Surplus from urban renewal settlements;

(C) Grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan; and
(D) Income from float-funded activities. The full amount of income expected to be generated by a float-funded activity must be shown, whether or not some or all of the income is expected to be received in a future program year. To assure that citizens understand the risks inherent in undertaking float-funded activities, the recipient must specify the total amount of program income expected to be received and the month(s) and year(s) that it expects the float-funded activity to generate such program income.

(iii) An “urgent needs” activity (one that is expected to qualify under §570.208(c) of this title) may be included only if the jurisdiction identifies the activity in the action plan and certifies that the activity is designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available.

(iv) This information about activities shall be in sufficient detail, including location, to allow citizens to determine the degree to which they are affected.

(2) HOME. (i) For HOME funds, a participating jurisdiction shall describe other forms of investment that are not described in §92.205(b) of this title.

(ii) If the participating jurisdiction intends to use HOME funds for homebuyers, it must state the guidelines for resale or recapture, as required in §92.254 of this subtitle.

(iii) If the participating jurisdiction intends to use HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds, it must state its refinancing guidelines required under 24 CFR 92.206(b). The guidelines shall describe the conditions under which the participating jurisdictions will refinance existing debt. At minimum, the guidelines must:

(A) Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing.

(B) Require a review of management practices to demonstrate that dis-

investment in the property has not occurred; that the long term needs of the project can be met; and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated.

(C) State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both.

(D) Specify the required period of affordability, whether it is the minimum 15 years or longer.

(E) Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(e)(2) or a Federally designated Empowerment Zone or Enterprise Community.

(F) State that HOME funds cannot be used to refinance multifamily loans made or insured by any Federal program, including CDBG.

§ 91.225 Certifications.

(a) General. The following certifications, satisfactory to HUD, must be included in the annual submission to HUD. (See definition of “certification” in §91.5.)

(1) Affirmatively furthering fair housing. Each jurisdiction is required to submit a certification that it will affirmatively further fair housing, which means that it will conduct an analysis to identify impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting the analysis and actions in this regard.

(2) Anti-displacement and relocation plan. Each jurisdiction is required to submit a certification that it is following a residential antidisplacement and relocation assistance plan in connection with any activity assisted with funding under the CDBG or HOME programs.

(3) Drug-free workplace. The jurisdiction must submit a certification with
regard to drug-free workplace required by 24 CFR part 24, subpart F.

(4) Anti-lobbying. The jurisdiction must submit a certification with regard to compliance with restrictions on lobbying required by 24 CFR part 87, together with disclosure forms, if required by that part.

(5) Authority of jurisdiction. The jurisdiction must submit a certification that the consolidated plan is authorized under State and local law (as applicable) and that the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

(6) Consistency with plan. The jurisdiction must submit a certification that the housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan. Where the HOPWA funds are to be received by a city that is the most populous unit of general local government in an EMSA, it must obtain and keep on file certifications of consistency from the authorized public officials for each other locality in the EMSA in which housing assistance is provided.

(7) Acquisition and relocation. The jurisdiction must submit a certification that it will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601), and implementing regulations at 49 CFR part 24.

(8) Section 3. The jurisdiction must submit a certification that it will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701l); and implementing regulations at 24 CFR part 135.

(b) Community Development Block Grant program. For jurisdictions that seek funding under CDBG, the following certifications are required:

(1) Citizen participation. Each jurisdiction must certify that it is in full compliance and following a detailed citizen participation plan that satisfies the requirements of §91.105.

(2) Community development plan. A certification that this consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the statute authorizing the CDBG program, as described in 24 CFR 570.2, and requirements of this part and 24 CFR part 570.

(3) Following a plan. A certification that the jurisdiction is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

(4) Use of funds. A certification that the jurisdiction has complied with the following criteria:

(i) With respect to activities expected to be assisted with CDBG funds, the Action Plan has been developed so as to give the maximum feasible priority to activities that will benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The plan may also include CDBG-assisted activities that are certified to be designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs;

(ii) The aggregate use of CDBG funds, including section 108 guaranteed loans, during a period specified by the jurisdiction, consisting of one, two, or three specific consecutive program years, shall principally benefit low- and moderate-income families in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period (see 24 CFR 570.3 for definition of “CDBG funds”); and

(iii) The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low- and moderate-income, including any fee charged or assessment made as a condition of obtaining access to such public improvements. However, if CDBG funds are used to pay the proportion of a fee or assessment attributable to the capital costs of public improvements (assisted
in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. In addition, with respect to properties owned and occupied by moderate-income (but not low-income) families, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

(5) Excessive force. A certification that the jurisdiction has adopted and is enforcing:
   (i) A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
   (ii) A policy of enforcing applicable State and local laws against physically barring entrance to or exit from, a facility or location that is the subject of such non-violent civil rights demonstrations within its jurisdiction.

(6) Compliance with anti-discrimination laws. The jurisdiction must submit a certification that the grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d), the Fair Housing Act (42 U.S.C. 3601-3619), and implementing regulations.

(7) Compliance with lead-based paint procedures. The jurisdiction must submit a certification that its notification, inspection, testing, and abatement procedures concerning lead-based paint will comply with the requirements of 24 CFR 570.608.

(8) Compliance with laws. A certification that the jurisdiction will comply with applicable laws.

(c) Emergency Shelter Grant program. For jurisdictions that seek funding under the Emergency Shelter Grant program, the following certifications are required:
   (1) In the case of assistance involving major rehabilitation or conversion, the applicant will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for not less than a 10-year period;
   (2) In the case of assistance involving rehabilitation less than that covered under paragraph (d)(1) of this section, the applicant will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for not less than a three-year period;
   (3) In the case of assistance involving essential services (including but not limited to employment, health, drug abuse, or education) or maintenance, operation, insurance, utilities and furnishings, the applicant will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure as long as the same general population is served;
   (4) Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary;
   (5) It will assist homeless individuals in obtaining appropriate supportive services, including permanent housing, medical and mental health treatment, counseling, supervision, and other services essential for achieving independent living, and other Federal, State, local, and private assistance available for such individuals;
   (6) It will obtain matching amounts required under §576.71 of this title;
   (7) It will develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project except with the written authorization of the person responsible for the operation of that shelter;
   (8) To the maximum extent practicable, it will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under this program, in providing services assisted under the program, and in providing services for occupants of facilities assisted under the program; and
   (9) It is following a current HUD-approved consolidated plan (or CHAS).
(d) HOME program. Each participating jurisdiction must provide the following certifications:

(1) If it plans to use HOME funds for tenant-based rental assistance, a certification that rental-based assistance is an essential element of its consolidated plan;

(2) A certification that it is using and will use HOME funds for eligible activities and costs, as described in §§92.205 through 92.209 of this subtitle and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214 of this subtitle; and

(3) A certification that before committing funds to a project, the participating jurisdiction will evaluate the project in accordance with guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other federal assistance than is necessary to provide affordable housing.

(e) Housing Opportunities for Persons With AIDS. For jurisdictions that seek funding under the Housing Opportunities for Persons With AIDS program, a certification is required by the jurisdiction that:

(1) Activities funded under the program will meet urgent needs that are not being met by available public and private sources; and

(2) Any building or structure assisted under that program shall be operated for the purpose specified in the plan:

(i) For a period of not less than 10 years in the case of assistance involving new construction, substantial rehabilitation, or acquisition of a facility; or

(ii) For a period of not less than three years in the case of assistance involving non-substantial rehabilitation or repair of a building or structure.

§ 91.235 Special case; abbreviated consolidated plan.

(a) Who may submit an abbreviated plan? A jurisdiction that is not a CDBG entitlement community under 24 CFR part 570, subpart D, and is not expected to be a participating jurisdiction in the HOME program under 24 CFR part 92, may submit an abbreviated consolidated plan that is appropriate to the types and amounts of assistance sought from HUD instead of a full consolidated plan.

(b) When is an abbreviated plan necessary?—(1) Jurisdiction. When a jurisdiction that is permitted to use an abbreviated plan applies to HUD for funds under a program that requires an approved consolidated plan (see §91.2(b)), it must obtain approval of an abbreviated plan (or full consolidated plan) and submit a certification that the housing activities are consistent with the plan.

(2) Other applicants. When an eligible applicant other than a jurisdiction (e.g., a public housing agency or non-profit organization) seeks to apply for funding under a program requiring certification of consistency with an approved consolidated plan, the jurisdiction—if it is permitted to use an abbreviated plan—may prepare an abbreviated plan appropriate to the project. See §91.510.

(3) Limitation. For the HOME program, an abbreviated consolidated plan is only permitted with respect to re-allocations to other than participating jurisdictions (see 24 CFR part 92, subpart J). For the CDBG program, an abbreviated plan may be submitted for the HUD-administered Small Cities program, except an abbreviated plan may not be submitted for the HUD-administered Small Cities program in the State of Hawaii.

(c) What is an abbreviated plan?—(1) Assessment of needs, resources, planned activities. An abbreviated plan must contain sufficient information about needs, resources, and planned activities outreach and the comprehensive planning requirements.

This community development component of the plan must state the jurisdiction's specific long-term and short-term community development objectives (including economic development activities that create jobs), which must be developed in accordance with the statutory goals described in §91.1 and the primary objective of the Housing and Community Development Act of 1974, 42 U.S.C. 5301(c), of the development of viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low-income and moderate-income persons.

(3) Separate application for funding. In addition to submission of the abbreviated consolidated plan, an application must be submitted for funding is sought under a competitive program. The applicable program requirements are found in the regulations for the program and in the Notice of Funding Availability published for the applicable fiscal year. For the CDBG Small Cities program, before submitting the abbreviated consolidated plan and application to HUD for funding, the jurisdiction must comply with the citizen participation requirements of 24 CFR 570.431. If the jurisdiction seeks assistance under the Community Development Block Grant program, it must describe the jurisdiction's priority nonhousing community development needs eligible for assistance under HUD's community development programs by CDBG eligibility category, reflecting the needs of families for each type of activity as appropriate, in terms of dollar amounts estimated to meet the priority need for the type of activity, in accordance with a table prescribed by HUD. This community development component of the plan must state the jurisdiction's specific long-term and short-term community development objectives (including economic development activities that create jobs), which must be developed in accordance with the statutory goals described in §91.1 and the primary objective of the Housing and Community Development Act of 1974, 42 U.S.C. 5301(c), of the development of viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low-income and moderate-income persons.

(3) Separate application for funding. In addition to submission of the abbreviated consolidated plan, an application must be submitted for funding is sought under a competitive program. The applicable program requirements are found in the regulations for the program and in the Notice of Funding Availability published for the applicable fiscal year. For the CDBG Small Cities program, before submitting the abbreviated consolidated plan and application to HUD for funding, the jurisdiction must comply with the citizen participation requirements of 24 CFR 570.431. If it is not seeking such funding, the jurisdiction must conduct a citizen participation process as provided in section 107 of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12707). § 91.305

Housing and homeless needs assessment.

(a) General. The consolidated plan must describe the State’s estimated housing needs projected for the ensuing five-year period. Housing data included in this portion of the plan shall be based on U.S. Census data, as provided by HUD, as updated by any properly conducted local study, or any other reliable source that the State clearly identifies and should reflect the consultation with social service agencies and other entities conducted in accordance with §91.110 and the citizen participation process conducted in accordance with §91.115. For a State seeking funding under the HOPWA program, the needs described for housing and supportive services must address the needs of persons with HIV/AIDS and their families in areas outside of eligible metropolitan statistical areas.

(b) Categories of persons affected. (1) The consolidated plan shall estimate the number and type of families in need of housing assistance for extremely low-income, low-income, moderate-income, and middle-income families, for renters and owners, for elderly persons, for single persons, for large families, for persons with HIV/AIDS and their families, and for persons with disabilities. The description of housing needs shall include a discussion of the cost burden and severe cost burden, overcrowding (especially for large families), and substandard housing conditions being experienced by extremely low-income, low-income, moderate-income, and middle-income renters and owners compared to the State as a whole. (The State must define in its consolidated plan the terms “standard condition” and “substandard condition but suitable for rehabilitation.”)

(2) For any of the income categories enumerated in paragraph (b)(1) of this section, to the extent that any racial or ethnic group has disproportionately greater need in comparison to the needs of that category as a whole, assessment of that specific need shall be included. For this purpose, disproportionately greater need exists when the percentage of persons in a category of need who are members of a particular racial or ethnic group is at least 10 percentage points higher than the percentage of persons in the category as a whole.

(c) Homeless needs. The plan must describe the nature and extent of homelessness (including rural homelessness) within the State, addressing separately the need for facilities and services for homeless individuals and homeless families with children, both sheltered and unsheltered, and homeless subpopulations, in accordance with a table prescribed by HUD. This description must include the characteristics and needs of low-income individuals and families with children (especially extremely low-income) who are currently housed but threatened with homelessness. The plan also must contain a narrative description of the nature and extent of homelessness by racial and ethnic group, to the extent information is available.

(d) Other special needs. (1) The State shall estimate, to the extent practicable, the number of persons who are not homeless but require supportive housing, including the elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, and any other categories the State may specify, and describe their supportive housing needs.

(2) With respect to a State seeking assistance under the HOPWA program, the plan must identify the size and characteristics of the population with HIV/AIDS and their families within the area it will serve.

(e) Lead-based paint hazards. The plan must estimate the number of housing units within the State that are occupied by low-income families or moderate-income families that contain lead-based paint hazards, as defined in this part.

(Approved by the Office of Management and Budget under control number 2506-0117)

§ 91.310 Housing market analysis.

(a) General characteristics. Based on data available to the State, the plan must describe the significant characteristics of the State's housing markets (including such aspects as the supply, demand, and condition and cost of housing).

(b) Homeless facilities. The plan must include a brief inventory of facilities and services that meet the needs for emergency shelter and transitional housing needs of homeless persons within the State.

(c) Special need facilities and services. The plan must describe, to the extent information is available, the facilities and services that assist persons who are not homeless but who require supportive housing, and programs for ensuring that persons returning from mental and physical health institutions receive appropriate supportive housing.

(d) Barriers to affordable housing. The plan must explain whether the cost of housing or the incentives to develop, maintain, or improve affordable housing in the State are affected by its policies, including tax policies affecting land and other property, land use controls, zoning ordinances, building codes, fees and charges, growth limits, and policies that affect the return on residential investment.

§ 91.315 Strategic plan.

(a) General. For the categories described in paragraphs (b), (c), (d), and (e) of this section, the consolidated plan must do the following:

(1) Indicate the general priorities for allocating investment geographically within the State and among priority needs;

(2) Describe the basis for assigning the priority (including the relative priority, where required) given to each category of priority needs;

(3) Identify any obstacles to meeting underserved needs;

(4) Summarize the priorities and specific objectives, describing how the proposed distribution of funds will address identified needs;

(5) For each specific objective, identify the proposed accomplishments the State hopes to achieve in quantitative terms over a specific time period (i.e., one, two, three or more years), or in other measurable terms as identified and defined by the State.

(b) Affordable housing. With respect to affordable housing, the consolidated plan must do the following:

(1) The description of the basis for assigning relative priority to each category of priority need shall state how the analysis of the housing market and the severity of housing problems and needs of extremely low-income, low-income, and moderate-income renters and owners identified in accordance with §91.305 provided the basis for assigning the relative priority given to each priority need category in the priority housing needs table prescribed by HUD. Family and income types may be grouped together for discussion where the analysis would apply to more than one of them;

(2) The statement of specific objectives must indicate how the characteristics of the housing market will influence the use of funds made available for rental assistance, production of new units, rehabilitation of old units, or acquisition of existing units; and

(3) The description of proposed accomplishments shall specify the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined in §92.252 of this subtitle for rental housing and §92.254 of this subtitle for homeownership over a specific time period.

(c) Homelessness. With respect to homelessness, the consolidated plan must include the priority homeless needs table prescribed by HUD and must describe the State's strategy for the following:

(1) Helping low-income families avoid becoming homeless;

(2) Reaching out to homeless persons and assessing their individual needs;

(3) Addressing the emergency shelter and transitional housing needs of homeless persons; and
Office of the Secretary, HUD § 91.315

(4) Helping homeless persons make the transition to permanent housing and independent living.

(d) Other special needs. With respect to supportive needs of the non-homeless, the consolidated plan must describe the priority housing and supportive service needs of persons who are not homeless but require supportive housing (i.e., elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, and public housing residents).

(e) Nonhousing community development plan. (1) If the State seeks assistance under the Community Development Block Grant program, the consolidated plan must describe the State's priority nonhousing community development needs that affect more than one unit of general local government and involve activities typically funded by the State under the CDBG program. These priority needs must be described by CDBG eligibility category, reflecting the needs of persons or families for each type of activity. This community development component of the plan must state the State's specific long-term and short-term community development objectives (including economic development activities that create jobs), which must be developed in accordance with the statutory goals described in §91.1 and the primary objective of the CDBG program to develop viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low-income and moderate-income persons.

(2) A State may elect to allow units of general local government to carry out a community revitalization strategy that includes the economic empowerment of low income residents, in order to obtain the additional flexibility available as provided in 24 CFR part 570, subpart I. A State must approve a local government's revitalization strategy before it may be implemented. If a State elects to allow revitalization strategies in its program, the method of distribution contained in a State's action plan pursuant to §91.320 (l) must reflect the State's process and criteria for approving local governments' revitalization strategies. The State's process and criteria are subject to HUD approval.

(f) Barriers to affordable housing. The consolidated plan must describe the State's strategy to remove or ameliorate negative effects of its policies that serve as barriers to affordable housing, as identified in accordance with §91.310.

(g) Lead-based paint hazards. The consolidated plan must outline the actions proposed or being taken to evaluate and reduce lead-based paint hazards, and describe how the lead-based paint hazard reduction will be integrated into housing policies and programs.

(h) Anti-poverty strategy. The consolidated plan must describe the State's goals, programs, and policies for reducing the number of poverty level families and how the State's goals, programs, and policies for producing and preserving affordable housing, set forth in the housing component of the consolidated plan, will be coordinated with other programs and services for which the State is responsible and the extent to which they will reduce (or assist in reducing) the number of poverty level families, taking into consideration factors over which the State has control.

(i) Institutional structure. The consolidated plan must explain the institutional structure, including private industry, nonprofit organizations, and public institutions, through which the State will carry out its housing and community development plan, assessing the strengths and gaps in that delivery system. The plan must describe what the State will do to overcome gaps in the institutional structure for carrying out its strategy for addressing its priority needs.

(j) Coordination. The consolidated plan must describe the State's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health, and service agencies. With respect to the public entities involved, the plan must describe the means of cooperation and coordination among the State and any units of general local government in the implementation of its consolidated plan.

(k) Low-income housing tax credit use. The consolidated plan must describe
the strategy to coordinate the Low-income Housing Tax Credit with the development of housing that is affordable to low-income and moderate-income families.

(l) Public housing resident initiatives. For a State that has a State housing agency administering public housing funds, the consolidated plan must describe the State's activities to encourage public housing residents to become more involved in management and participate in homeownership.

The consolidated plan must indicate resources from private and non-Federal public sources that are reasonably expected to be made available to address the needs identified in the plan. The plan must explain how Federal funds will leverage those additional resources, including a description of how matching requirements of the HUD programs will be satisfied. Where the State deems it appropriate, it may indicate publicly owned land or property located within the State that may be used to carry out the purposes stated in §91.1;

(c) Activities. A description of the State's method for distributing funds to local governments and nonprofit organizations to carry out activities, or the activities to be undertaken by the State, using funds that are expected to be received under formula allocations (and related program income) and other HUD assistance during the program year and how the proposed distribution of funds will address the priority needs and specific objectives described in the consolidated plan;

(d) Geographic distribution. A description of the geographic areas of the State (including areas of minority concentration) in which it will direct assistance during the ensuing program year, giving the rationale for the priorities for allocating investment geographically;

(e) Homeless and other special needs activities. Activities it plans to undertake during the next year to address emergency shelter and transitional housing needs of homeless individuals and families (including subpopulations), to prevent low-income individuals and families with children (especially those with incomes below 30 percent of median) from becoming homeless, to help homeless persons make the transition to permanent housing and independent living, and to address the special needs of persons who are not homeless identified in accordance with §91.315(d);

(f) Other actions. Actions it plans to take during the next year to address obstacles to meeting underserved needs, foster and maintain affordable housing (including the coordination of Low-Income Housing Tax Credits with the development of affordable housing), remove barriers to affordable housing, evaluate and reduce lead-based paint hazards, reduce the number of poverty level families, develop institutional structure, and enhance coordination between public and private housing and social service agencies and foster public housing resident initiatives. (iii) If the State intends to use HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds, it must state its refinancing guidelines required under 24 CFR 92.206(b). The guidelines shall describe the conditions under which the State will refinance existing debt. At minimum, the guidelines must:

(A) Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing.

(iv) Anti-lobbying. The consortium must submit a certification with regard to compliance with restrictions on lobbying required by 24 CFR part 87, together with disclosure forms, if required by that part.

(v) Authority of consortium. The consortium must submit a certification that the consolidated plan is authorized under State and local law (as applicable) and that the consortium possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

(vi) Consistency with plan. The consortium must certify that the housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

(vii) Acquisition and relocation. The consortium must certify that it will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601), and implementing regulations at 49 CFR part 24.

(viii) Section 3. The consortium must certify that it will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), and implementing regulations at 24 CFR part 135.

(b) HOME program. The consortium must provide the following certifications:

(i) If it plans to use HOME funds for tenant-based rental assistance, a certification that rental-based assistance is an essential element of its consolidated plan;

(ii) That it is using and will use HOME funds for eligible activities and costs, as described in §§ 92.205 through 92.209 of this subtitle and that it is not using and will not use HOME funds for prohibited activities, as described in §92.224 of this subtitle; and

(iii) That before committing funds to a project, the consortium will evaluate the project in accordance with guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other federal assistance than is necessary to provide affordable housing.

Subpart F—Other General Requirements

§ 91.500 HUD approval action.

(a) General. HUD will review the plan upon receipt. The plan will be deemed approved 45 days after HUD receives the plan, unless before that date HUD has notified the jurisdiction that the plan is disapproved.

(b) Standard of review. HUD may disapprove a plan or a portion of a plan if it is inconsistent with the purposes of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12703), if it is substantially incomplete, or, in the case of certifications applicable to the CDBG program under §§ 91.225 (a) and (b) or 91.325 (a) and (b), if it is not satisfactory to the Secretary in accordance with §§ 570.304, 570.429(g), or 570.485(c) of this title, as applicable. The following are examples of consolidated plans that are substantially incomplete:

(1) A plan that was developed without the required citizen participation or the required consultation;
(2) A plan that fails to satisfy all the required elements in this part; and
(3) A plan for which a certification is rejected by HUD as inaccurate, after HUD has inspected the evidence and provided due notice and opportunity to the jurisdiction for comment.

(c) Written notice of disapproval. Within 15 days after HUD notifies a jurisdiction that it is disapproving its plan, it must inform the jurisdiction in writing of the reasons for disapproval. Disapproval of a plan with respect to one program does not affect assistance distributed on the basis of a formula under other programs.

(d) Revisions and resubmission. The jurisdiction may revise or resubmit a plan within 45 days after the first notification of disapproval. HUD must respond to approve or disapprove the plan within 30 days of receiving the revisions or resubmission.

§ 91.510 Consistency determinations.

(a) Applicability. For competitive programs, a certification of consistency of the application with the approved consolidated plan for the jurisdiction may be required, whether the applicant is the jurisdiction or another applicant.

(b) Certifying authority. (1) The certification must be obtained from the unit of general local government if the project will be located in a unit of general local government that: is required to have a consolidated plan, is authorized to use an abbreviated consolidated plan but elects to prepare and has submitted a full consolidated plan, or is authorized to use an abbreviated consolidated plan and is applying for the same program as the applicant pursuant to the same Notice of Funding Availability (and therefore has or will have an abbreviated consolidated plan for the fiscal year for that program).

(2) If the project will not be located in a unit of general local government, the certification may be obtained from the State or, if the project will be located in a unit of general local government authorized to use an abbreviated consolidated plan, from the unit of general local government if it is willing to prepare such a plan.

(3) Where the recipient of a HOPWA grant is a city that is the most populous unit of general local government in an EMSA, it also must obtain and
§ 91.515 Funding determinations by HUD.

(a) Formula funding. The action plan submitted by the jurisdiction will be considered as the application for the CDBG, HOME, ESG, and HOPWA formula grant programs. The Department will make its funding award determination after reviewing the plan submission in accordance with §91.500.

(b) Other funding. For other funding, the jurisdiction must still respond to Notices of Funding Availability for the individual programs in order to receive funding.

(Approved by the Office of Management and Budget under control number 2506-0117)

§ 91.520 Performance reports.

(a) General. Each jurisdiction that has an approved consolidated plan shall annually review and report, in a form prescribed by HUD, on the progress it has made in carrying out its strategic plan and its action plan. The performance report must include a description of the resources made available, the investment of available resources, the geographic distribution and location of investments, the families and persons assisted (including the racial and ethnic status of persons assisted), actions taken to affirmatively further fair housing, and other actions indicated in the strategic plan and the action plan. This performance report shall be submitted to HUD within 90 days after the close of the jurisdiction’s program year.

(b) Affordable housing. The report shall include an evaluation of the jurisdiction's progress in meeting its specific objective of providing affordable housing, including the number and types of families served. This element of the report must include the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

(c) CDBG. For CDBG recipients, the report shall include a description of the use of CDBG funds during the program year and an assessment by the jurisdiction of the relationship of that use to the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities that were identified. This element of the report must specify the nature of and reasons for any changes in its program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

(d) HOME. For HOME participating jurisdictions, the report shall include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations, an assessment of the jurisdiction’s affirmative marketing actions and outreach to minority-owned and women-owned businesses, and data on the amount and use of program income for projects, including the number of projects and owner and tenant characteristics.

(e) HOPWA. For jurisdictions receiving funding under the Housing Opportunities for Persons With AIDS program, the report must include the number of individuals assisted and the types of assistance provided.

(f) Evaluation by HUD. HUD shall review the performance report and determine whether it is satisfactory. If a satisfactory report is not submitted in a timely manner, HUD may suspend funding until a satisfactory report is submitted, or may withdraw and reallocate funding if HUD determines,
after notice and opportunity for a hearing, that the jurisdiction will not submit a satisfactory report.

(Approved by the Office of Management and Budget under control number 2506-0117)

§ 91.525 Performance review by HUD.

(a) General. HUD shall review the performance of each jurisdiction covered by this part at least annually, including site visits by employees—so far as practicable, assessing the following:

(1) Management of funds made available under programs administered by HUD;

(2) Compliance with the consolidated plan;

(3) Accuracy of performance reports;

(4) Extent to which the jurisdiction made progress towards the statutory goals identified in §91.1; and

(5) Efforts to ensure that housing assisted under programs administered by HUD is in compliance with contractual agreements and the requirements of law.

(b) Report by HUD. HUD shall report on the performance review in writing, stating the length of time the jurisdiction has to review and comment on the report, which will be at least 30 days. HUD may revise the report after considering the jurisdiction’s views, and shall make the report, the jurisdiction’s comments, and any revisions available to the public within 30 days after receipt of the jurisdiction’s comments.

§ 91.600 Waiver authority.

Upon determination of good cause, HUD may, subject to statutory limitations, waive any provision of this part. Each such waiver must be in writing and must be supported by documentation of the pertinent facts and grounds.

Subpart A—General
§ 92.1 Overview.
This part implements the HOME Investment Partnerships Act (the HOME Investment Partnerships Program). In general, under the HOME Investment Partnerships Program, HUD allocates funds by formula among eligible State and local governments to strengthen public-private partnerships and to expand the supply of decent, safe, sanitary, and affordable housing, with primary attention to rental housing, for very low-income and low-income families. Generally, HOME funds must be matched by nonfederal resources. State and local governments that become participating jurisdictions may use HOME funds to carry out multi-year housing strategies through acquisition, rehabilitation, and new construction of housing, and tenant-based rental assistance. Participating jurisdictions may provide assistance in a number of eligible forms, including loans, advances, equity investments, interest subsidies and other forms of investment that HUD approves.
§ 92.2 Definitions.

The terms “1937 Act”, “ALJ”, “Fair Housing Act”, “HUD”, “Indian Housing Authority (IHA)”, “Public Housing Agency (PHA)”, and “Secretary” are defined in 24 CFR 5.100.

(Act means the HOME Investment Partnerships Act at title II of the Cranston-Gonzalez National Affordable Housing Act, as amended, 42 U.S.C. 12701 et seq.

Adjusted income. See § 92.203.

Annual income. See § 92.203.

Certification shall have the meaning provided in section 104(21) of the Cranston-Gonzalez National Affordable Housing Act, as amended, 42 U.S.C. 12704.

Commitment means:

(1) The participating jurisdiction has executed a legally binding agreement with a State recipient, a subrecipient or a contractor to use a specific amount of HOME funds to produce affordable housing or provide tenant-based rental assistance; or has executed a written agreement reserving a specific amount of funds to a community housing development organization; or has met the requirements to commit to a specific local project, as defined in paragraph (2), of this definition.

(2) Commit to a specific local project means:

(i) If the project consists of rehabilitation or new construction (with or without acquisition) the participating jurisdiction (or State recipient or subrecipient) and project owner have executed a written legally binding agreement under which HOME assistance will be provided to the owner for an identifiable project under which construction can reasonably be expected to start within twelve months of the agreement date. If the project is owned by the participating jurisdiction or State recipient, the project has been set up in the disbursement and information system established by HUD, and construction can reasonably be expected to start within twelve months of the project set-up date.

(ii) If the project consists of acquisition of standard housing and the participating jurisdiction (or State recipient or subrecipient) is acquiring the property with HOME funds, the participating jurisdiction (or State recipient or subrecipient) and the property owner have executed a legally binding contract for sale of an identifiable property and the property title will be transferred to the participating jurisdiction (or State recipient or subrecipient) within six months of the date of the contract.

(B) if the project consists of acquisition of standard housing and the participating jurisdiction (or State recipient or subrecipient) is providing HOME funds to a family to acquire single family housing for homeownership or to a purchaser to acquire rental housing, the participating jurisdiction (or State recipient or subrecipient) and the family or purchaser have executed a written agreement under which HOME assistance will be provided for the purchase of the single family housing or rental housing and the property title will be transferred to the family or purchaser within six months of the agreement date.

(iii) If the project consists of tenant-based rental assistance, the participating jurisdiction (or State recipient or subrecipient) has entered into a rental assistance contract with the owner or the tenant in accordance with the provisions of § 92.209.

Community housing development organization means a private nonprofit organization that:

(1) Is organized under State or local laws;

(2) Has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual;

(3) Is neither controlled by, nor under the direction of, individuals or entities seeking to derive profit or gain from the organization. A community housing development organization may be sponsored or created by a for-profit entity, but:

(i) The for-profit entity may not be an entity whose primary purpose is the development or management of housing, such as a builder, developer, or real estate management firm.

(ii) The for-profit entity may not have the right to appoint more than one-third of the membership of the organization's governing body. Board members appointed by the for-profit
§ 92.2

entity may not appoint the remaining two-thirds of the board members; and

(iii) The community housing development organization must be free to contract for goods and services from vendors of its own choosing;

(4) Has a tax exemption ruling from the Internal Revenue Service under section 501(c) (3) or (4) of the Internal Revenue Code of 1986 (26 CFR 1.501(c)(3)–1);

(5) Does not include a public body (including the participating jurisdiction). An organization that is State or locally chartered may qualify as a community housing development organization; however, the State or local government may not have the right to appoint more than one-third of the membership of the organization’s governing body and no more than one-third of the board members may be public officials or employees of the participating jurisdiction or State recipient. Board members appointed by the State or local government may not appoint the remaining two-thirds of the board members;

(7) Has among its purposes the provision of decent housing that is affordable to low-income and moderate-income persons, as evidenced in its charter, articles of incorporation, resolutions or by-laws;

(8) Maintains accountability to low-income community residents by:

(i) Maintaining at least one-third of its governing board’s membership for residents of low-income neighborhoods, other low-income community residents, or elected representative of low-income neighborhood organizations. For urban areas, “community” may be a neighborhood or neighborhoods, city, county or metropolitan area; for rural areas, it may be a neighborhood or neighborhoods, town, village, county, or multi-county area (but not the entire State); and

(ii) Providing a formal process for low-income program beneficiaries to advise the organization in its decisions regarding the design, siting, development, and management of affordable housing;

(9) Has a demonstrated capacity for carrying out activities assisted with HOME funds. An organization may satisfy this requirement by hiring experienced key staff members who have successfully completed similar projects, or a consultant with the same type of experience and a plan to train appropriate key staff members of the organization; and

(10) Has a history of serving the community within which housing to be assisted with HOME funds is to be located. In general, an organization must be able to show one year of serving the community before HOME funds are reserved for the organization. However, a newly created organization formed by local churches, service organizations or neighborhood organizations may meet this requirement by demonstrating that its parent organization has at least a year of serving the community.

Family has the same meaning given that term in 24 CFR 5.403.

HOME funds means funds made available under this part through allocations and reallocations, plus program income.

Homeownership means ownership in fee simple title or a 99 year leasehold interest in a one- to four-unit dwelling or in a condominium unit, or equivalent form of ownership approved by HUD. The ownership interest may be subject only to the restrictions on resale required under § 92.254(a); mortgages, deeds of trust, or other liens or instruments securing debt on the property as approved by the participating jurisdiction; or any other restrictions or encumbrances that do not impair the good and marketable nature of title to the ownership interest. For purposes of the insular areas, homeownership includes leases of 40 years or more. The participating jurisdiction must determine whether or not homeownership or membership in a cooperative or mutual housing project constitutes homeownership under State law.

Household means one or more persons occupying a housing unit.

Housing includes manufactured housing and manufactured housing lots, permanent housing for disabled homeless persons, transitional housing, single-room occupancy housing, and group
homes. Housing also includes elder cottage housing opportunity (ECHO) units that are small, free-standing, barrier-free, energy-efficient, removable, and designed to be installed adjacent to existing single-family dwellings. Housing does not include emergency shelters (including shelters for disaster victims) or facilities such as nursing homes, convalescent homes, hospitals, residential treatment facilities, correctional facilities and student dormitories.

Insular areas means Guam, the Northern Mariana Islands, the United States Virgin Islands, and American Samoa.

Jurisdiction means a State or unit of general local government.

Low-income families means families whose annual incomes do not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median for the area on the basis of HUD findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

Metropolitan city has the meaning given in 24 CFR 570.3.

Neighborhood means a geographic location designated in comprehensive plans, ordinances, or other local documents as a neighborhood, village, or similar geographical designation that is within the boundary but does not encompass the entire area of a unit of general local government; except that if the unit of general local government has a population under 25,000, the neighborhood may, but need not, encompass the entire area of a unit of general local government.

Participating jurisdiction means a jurisdiction (as defined in this section) that has been so designated by HUD in accordance with §92.105.

Person with disabilities means a household composed of one or more persons, at least one of whom is an adult, who has a disability.

(1) A person is considered to have a disability if the person has a physical, mental, or emotional impairment that:

(i) Is expected to be of long-continued and indefinite duration;

(ii) Substantially impedes his or her ability to live independently; and

(iii) Is of such a nature that such ability could be improved by more suitable housing conditions.

(2) A person will also be considered to have a disability if he or she has a developmental disability, which is a severe, chronic disability that:

(i) Is attributable to a mental or physical impairment or combination of mental and physical impairments;

(ii) Is manifested before the person attains age 22;

(iii) Is likely to continue indefinitely;

(iv) Results in substantial functional impairment or combination of mental and physical impairments;

(v) Reflects the person’s need for a combination and sequence of special, interdisciplinary, or generic care, treatment, or other services that are of lifelong or extended duration and are individually planned and coordinated.

Notwithstanding the preceding provisions of this definition, the term “person with disabilities” includes two or more persons with disabilities living together, one or more such persons living with another person who is determined to be important to their care or well-being, and the surviving member or members of any household described in the first sentence of this definition who were living, in a unit assisted with HOME funds, with the deceased member of the household at the time of his or her death.

Program income means gross income received by the participating jurisdiction, State recipient, or a subrecipient directly generated from the use of HOME funds or matching contributions. When program income is generated by housing that is only partially assisted with HOME funds or matching funds, the income shall be prorated to reflect the percentage of HOME funds used. Program income includes, but is not limited to, the following:

(1) Proceeds from the disposition by sale or long-term lease of real property acquired, rehabilitated, or constructed
§ 92.2

with HOME funds or matching contributions;
(2) Gross income from the use or rental of real property, owned by the participating jurisdiction, State recipient, or a subrecipient, that was acquired, rehabilitated, or constructed, with HOME funds or matching contributions, less costs incidental to generation of the income;
(3) Payments of principal and interest on loans made using HOME funds or matching contributions;
(4) Proceeds from the sale of loans made with HOME funds or matching contributions;
(5) Proceeds from the sale of obligations secured by loans made with HOME funds or matching contributions;
(6) Interest earned on program income pending its disposition; and
(7) Any other interest or return on the investment permitted under §92.205(b) of HOME funds or matching contributions.

Project means a site or sites together with any building (including a manufactured housing unit) or buildings located on the site(s) that are under common ownership, management, and financing and are to be assisted with HOME funds as a single undertaking under this part. The project includes all the activities associated with the site and building. For tenant-based rental assistance, project means assistance to one or more families.

Project completion means that all necessary title transfer requirements and construction work have been performed; the project complies with the requirements of this part (including the property standards under §92.251); the final drawdown has been disbursed for the project; and the project completion information has been entered in the disbursement and information system established by HUD. For tenant-based rental assistance, project completion means the final drawdown has been disbursed for the project.

Reconstruction means the rebuilding, on the same lot, of housing standing on a site at the time of project commitment. The number of housing units on the lot may not be decreased or increased as part of a reconstruction project, but the number of rooms per unit may be increased or decreased. Reconstruction also includes replacing an existing substandard unit of manufactured housing with a new or standard unit of manufactured housing. Reconstruction is rehabilitation for purposes of this part.

Single room occupancy (SRO) housing means housing (consisting of single room dwelling units) that is the primary residence of its occupant or occupants. The unit must contain either food preparation or sanitary facilities (and may contain both) if the project consists of new construction, conversion of non-residential space, or reconstruction. For acquisition or rehabilitation of an existing residential structure or hotel, neither food preparation nor sanitary facilities are required to be in the unit. If the units do not contain sanitary facilities, the building must contain sanitary facilities that are shared by tenants.

State means any State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any agency or instrumentality thereof that is established pursuant to legislation and designated by the chief executive officer to act on behalf of the State with regard to the provisions of this part.

State recipient. See §92.201(b)(2).

Subrecipient means a public agency or nonprofit organization selected by the participating jurisdiction to administer all or a portion of the participating jurisdiction's HOME program. A public agency or nonprofit organization that receives HOME funds solely as a developer or owner of housing is not a subrecipient. The participating jurisdiction's selection of a subrecipient is not subject to the procurement procedures and requirements.

Tenant-based rental assistance is a form of rental assistance in which the assisted tenant may move from a dwelling unit with a right to continued assistance. Tenant-based rental assistance under this part also includes security deposits for rental of dwelling units.

Transitional housing means housing that:
(1) Is designed to provide housing and appropriate supportive services to persons, including (but not limited to) de-institutionalized individuals with disabilities, homeless individuals with disabilities, and homeless families with children; and

(2) Has as its purpose facilitating the movement of individuals and families to independent living within a time period that is set by the participating jurisdiction or project owner before occupancy.

Unit of general local government means a city, town, township, county, parish, village, or other general purpose political subdivision of a State; a consortium of such political subdivisions recognized by HUD in accordance with §92.101; and any agency or instrumentality thereof that is established pursuant to legislation and designated by the chief executive to act on behalf of the jurisdiction with regard to provisions of this part. When a county is an urban county, the urban county is the unit of general local government for purposes of the HOME Investment Partnerships Program.

Urban county has the meaning given the term in 24 CFR 570.3.

Very low-income families means low-income families whose annual incomes do not exceed 50 percent of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50 percent of the median for the area on the basis of HUD findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

§ 92.4 Waivers and suspension of requirements for disaster areas.

HUD’s authority for waiver of regulations and for the suspension of requirements to address damage in a Presidentially declared disaster area is described in 24 CFR 5.110 and in section 290 of the Act, respectively.

Subpart B—Allocation Formula

§ 92.50 Formula allocation.

(a) Jurisdictions eligible for a formula allocation. HUD will provide allocations of funds in amounts determined by the formula described in this section to units of general local governments that, as of the end of the previous fiscal year, are metropolitan cities, urban counties, or consortia approved under §92.101; and States.

(b) Amounts available for allocation; State and local share. The amount of funds that are available for allocation by the formula under this section is equal to the balance of funds remaining after reserving amounts for Indian tribes, insular areas, housing education and organizational support, other support for State and local housing strategies, and other purposes authorized by Congress, in accordance with the Act and appropriations.

(c) Formula factors. The formula for determining allocations uses the following factors. The first and sixth factors are weighted 0.1; the other four factors are weighted 0.2.

(1) Vacancy-adjusted rental units where the household head is at or below the poverty level. These rental units are multiplied by the ratio of the national rental vacancy rate over a jurisdiction’s rental vacancy rate.

(2) Occupied rental units with at least one of four problems (overcrowding, incomplete kitchen facilities, incomplete plumbing, or high rent costs). Overcrowding is a condition that exists if there is more than one person per room occupying the unit. Incomplete kitchen facilities means the unit lacks a sink with running water, a range, or a refrigerator. Incomplete plumbing means the unit lacks hot and cold piped water, a flush toilet, or a bathtub or shower inside the unit for the exclusive use of the occupants of the unit. High rent costs occur when more than 30 percent of household income is used for rent.

(3) Rental units built before 1950 occupied by poor families.

(4) Rental units described in paragraph (c)(2) of this section multiplied
§ 92.50

by the ratio of the cost of producing housing for a jurisdiction divided by the national cost.

(5) Number of families at or below the poverty level.

(6) Population of a jurisdiction multiplied by a net per capita income (pci). To compute net pci for a jurisdiction or for the nation, the pci of a three person family at the poverty threshold is subtracted from the pci of the jurisdiction or of the nation. The index is constructed by dividing the national net pci by the net pci of a jurisdiction.

(d) Calculating formula allocations for units of general local government. (1) Initial allocation amounts for units of general local government described in paragraph (a) of this section are determined by multiplying the sum of the six factors in paragraph (c) of this section by 60 percent of the amount available under paragraph (b) of this section for formula allocation. The shares are the ratio of the weighted factor for each jurisdiction over the corresponding factor for the total for all of these units of general local government.

(2) If any of the initial amounts for such units of general local government in Puerto Rico exceeds twice the national average, on a per rental unit basis, that amount is capped at twice the national average.

(3) To determine the maximum number of units of general local government that receive a formula allocation, only one jurisdiction (the unit of general local government with the smallest allocation of HOME funds) is dropped from the pool of eligible jurisdictions on each successive recalculation. Then the amount of funds available for units of general local government is redistributed to all others. This recalculation/redistribution continues until all remaining units of general local government receive an allocation of $500,000 or more. Only units of general local government which receive an allocation of $500,000 or more under the formula will be awarded an allocation. In fiscal years in which Congress appropriates less than $1.5 billion of HOME funds, $335,000 is substituted for $500,000.

(4) The allocation amounts determined under paragraph (d)(3) of this section are reduced by any amounts that are necessary to provide increased allocations to States that have no unit of general local government receiving a formula allocation (see paragraph (e)(4) of this section). These reductions are made on a prorata basis, except that no unit of general local government allocation is reduced below $500,000 (or $335,000 in fiscal years in which Congress appropriates less than $1.5 billion of HOME funds).

(e) Calculating formula allocations for States. (1) Forty percent of the funds available for allocation under paragraph (b) of this section are allocated to States. The allocation amounts for States are calculated by determining initial amounts for each State, based on the sum of the shares of the six factors. For 20 percent of the funds to be allocated to States, the shares are the ratio of the weighted factor for the entire State over the corresponding factor for the total for all States. For 80 percent of the funds to be allocated to States, the shares are the ratio of the weighted factor for all units of general local government within the State that do not receive a formula allocation over the corresponding factor for the total for all States.

(2) If the initial amounts for Puerto Rico (based on either or both the 80 percent of funds or 20 percent of funds calculation) exceed twice the national average, on a per rental unit basis, each amount that exceeds the national average is capped at twice the national average, and the resultant funds are reallocated to other States on a prorata basis.

(3) If the initial amounts when combined for any State are less than the $3,000,000, the allocation to that State is increased to the $3,000,000 and all other State allocations are reduced by an equal amount on a prorata basis, except that no State allocation is reduced below $3,000,000.

(4) The allocation amount for each State that has no unit of general local government within the State receiving an allocation under paragraph (d) of this section is increased by $500,000. Funds for this increase are derived from the funds available for units of
general local government, in accordance with paragraph (d)(4) of this section.

INSULAR AREAS PROGRAM

§ 92.60 Allocation amounts for insular areas.

(a) Initial allocation amount for each insular area. The initial allocation amount for each insular area is determined based upon the insular area's population and occupied rental units compared to all insular areas.

(b) Threshold requirements. The HUD Field Office shall review each insular area's progress on outstanding allocations made under this section, based on the insular area's performance report, the timeliness of close-outs, and compliance with fund management requirements and regulations, taking into consideration the size of the allocation and the degree and complexity of the program. If HUD determines from this review that the insular area does not have the capacity to administer effectively a new allocation, or a portion of a new allocation, in addition to allocations currently under administration, HUD may reduce the insular area's initial allocation amount.

(c) Previous audit findings and outstanding monetary obligations. HUD shall not make an allocation to an insular area that has either an outstanding audit finding for any HUD program, or an outstanding monetary obligation to HUD that is in arrears, or for which a repayment schedule has not been established. This restriction does not apply if the HUD Field Office finds that the insular area has made a good faith effort to clear the audit and, when there is an outstanding monetary obligation to HUD, the insular area has made a satisfactory arrangement for repayment of the funds due HUD and payments are current.

(d) Increases to the initial allocation amount. If funds reserved for the insular areas are available because HUD has decreased the amount for one or more insular areas in accordance with paragraphs (b) or (c) of this section, or for any other reason, HUD may increase the allocation amount for one or more of the remaining insular areas based upon the insular area's performance in committing HOME funds within the 24 month deadline, producing housing units described in its program description, and meeting HOME program requirements. Funds that become available but which are not used to increase the allocation amount for one or more of the remaining insular areas will be reallocated in accordance with §92.66.

(e) Notice of allocation amounts. HUD will notify each insular area, in writing, as to the amount of its HOME allocation.

§ 92.61 Program description.

(a) Submission requirement. Not later than 90 days after HUD notifies the insular area of the amount of its allocation, the insular area must submit a program description and certifications to HUD.

(b) Content of program description. The program description must contain the following:

(1) An executed Standard Form 424;

(2) The estimated use of HOME funds and a description of projects and eligible activities, including number of units to be assisted, estimated costs, and tenure type (rental or owner occupied) and, for tenant assistance, number of households to be assisted;

(3) A timetable for the implementation of the projects or eligible activities;

(4) If the insular area intends to use HOME funds for homebuyers, the guidelines for resale or recapture as required in §92.254(a)(5);

(5) If the insular area intends to use HOME funds for tenant-based rental assistance, a description of how the program will be administered consistent with the minimum guidelines described in §92.209;

(6) If an insular area intends to use other forms of investment not described in §92.205(b), a description of the other forms of investment;

(7) A statement of the policy and procedures to be followed by the insular area to meet the requirements for affirmative marketing, and establishing and overseeing a minority and women business outreach program under §92.351;
§ 92.62 Review of program description and certifications.

(a) Review of program description. The responsible HUD Field Office will review an insular area's program description and will approve the description unless the insular area has failed to submit information sufficient to allow HUD to make the necessary determinations required for §92.61 (b)(4), (b)(6), and (b)(7), or the guidelines under (b)(8) are not satisfactory to HUD, if applicable; or if the level of proposed projects or eligible activities is not within the management capability demonstrated by past performance in housing and community development programs. If the insular area has not submitted information on §92.61 (b)(4), (b)(6), and (b)(7), or the guidelines under (b)(8) are not satisfactory to HUD, if applicable; or if the level of proposed projects or eligible activities is not within the management capability demonstrated by past performance in housing and community development programs, the insular area may be required to furnish such further information or assurances as HUD may consider necessary to find the program description and certifications satisfactory. The HUD Field Office shall work with the insular area to achieve a complete and satisfactory program description.

(b) Review period. Within thirty days of receipt of the program description, the HUD Field Office will notify the insular area if determinations cannot be made under §92.61 (b)(4), (b)(6), (b)(7), or (b)(8) with the supporting information submitted, or if the proposed projects or activities are beyond the currently demonstrated capability. The insular area will have a reasonable period of time, agreed upon mutually, to submit the necessary supporting information or to revise the proposed projects or activities in its program description.

§ 92.63 Amendments to program description.

An insular area must submit to HUD for approval any substantial change in its HUD-approved program description that it makes and must document any other changes in its file. A substantial change involves a change in the guidelines for resale or recapture (§92.61(b)(4)), other forms of investment (§92.61(b)(6)), minority and women business outreach program (§92.61(b)(7)) or refinancing (§92.61(b)(8)); or a change in the tenure type of the project or activities; or a funding increase to a project...
or activity of $100,000 or 50% (whichever is greater). The HUD Field Office will notify the insular area if its program description, as amended, does not permit determinations to be made under §92.61 (b)(4), (b)(6), (b)(7), or (b)(8), or if the level of proposed projects or eligible activities is not within the management capability demonstrated by past performance in housing and community development programs, within 30 days of receipt. The insular area will have a reasonable period of time, agreed upon mutually, to submit the necessary supporting information to revise the proposed projects or activities in its program description.

§92.64 Applicability of requirements to insular areas.

(a) Insular areas are subject to the same requirements in subpart E (Program Requirements), subpart F (Project Requirements), subpart K (Program Administration), and subpart L (Performance Reviews and Sanctions) of this part as participating jurisdictions, except for the following:

(1) Subpart E (Program Requirements): Administrative costs, as described in §92.207, are eligible costs for insular areas in an amount not to exceed 15 percent of the HOME funds provided to the insular area. The matching contribution requirements in this part do not apply.

(2) Subpart K (Program Administration):

(i) Section 92.500 (The HOME Investment Trust Fund) does not apply. HUD will establish a HOME account in the United States Treasury for each insular area and the HOME funds must be used for approved activities. A local account must be established for program income. Each insular area may use either a separate local HOME account or a subsidiary account within its general fund (or other appropriate fund) as the local HOME account. HUD will recapture HOME funds in the HOME Treasury account by the amount of:

(A) Any funds that are not committed within 24 months after the last day of the month in which HUD notifies the insular area of HUD's execution of the HOME Investment Partnership Agreement;

(B) Any funds that are not expended within five years after the last day of the month in which HUD notifies the insular area of HUD's execution of the HOME Investment Partnership Agreement; and

(C) Any penalties assessed by HUD under §92.552.

(ii) Section 92.502 (Program disbursement and information system) applies, except that references to the HOME Investment Trust Fund mean HOME account. In addition, §92.502(c) does not apply, and instead compliance with Treasury Circular No. 1075 (31 CFR part 205) and 24 CFR 85.21 is required.

(iii) Section 92.503 (Program income, repayments, and recaptured funds) applies, except that the funds may be retained provided the funds are used for eligible activities in accordance with the requirements of this section.

(3) Section 92.504 (Participating jurisdiction responsibilities; written agreements; on-site inspections) applies, except that the written agreement must ensure compliance with the requirements in this section.

(4) Section 92.508 (Recordkeeping) applies with respect to the records that relate to the requirements of this section.

(5) Section 92.509 (Performance reports) applies, except that a performance report is required for the fiscal year allocation only after completion of the approved projects funded by the allocation.

(6) Subpart L (Performance Reviews and Sanctions): Section 92.552 does not apply. Instead, §92.65 applies.

(b) The requirements of subpart H (Other Federal Requirements) of this part apply as follows: §92.357 Executive Order 12372 applies as written, and the requirements of the remaining sections which apply to participating jurisdictions are applicable to the insular areas.

(c) Subpart B (Allocation Formula), subpart C (Consortia; Designation and Revocation as a Participating Jurisdiction), subpart D (Submission Requirements), and subpart G (Community Housing Development Organizations) of this part do not apply.

(d) Subpart A (General) applies, except that for the definitions of "commitment", "program income", and
§ 92.65 Funding sanctions.

Following notice and opportunity for informal consultation, HUD may withhold, reduce or terminate the assistance where any corrective or remedial actions taken under §92.551 fail to remedy an insular area’s performance deficiencies, and the deficiencies are sufficiently substantial, in the judgment of HUD, to warrant sanctions.

§ 92.66 Reallocation.

Any HOME funds which are reduced or recaptured from an insular area’s allocation and which are not used to increase the allocation amount for one or more of the remaining insular areas as provided in §92.60 of this part, will be reallocated by HUD to the States in accordance with the requirements in subpart J for reallocating funds initially allocated to a State.

Subpart C—Consortia; Designation and Revocation of Designation as a Participating Jurisdiction

§ 92.100 [Reserved]

§ 92.101 Consortia.

(a) A consortium of geographically contiguous units of general local government is a unit of general local government for purposes of this part if the requirements of this section are met.

(1) One or more members of a proposed consortium or an existing consortium whose consortium qualification terminates at the end of the fiscal year, must provide written notification by March 1 to the HUD Field Office of its intent to participate as a consortium in the HOME Program for the following fiscal year. Provided that subsequent deadlines could be met, the Field Office may accept notification at a later date.

(2) The proposed consortium must provide, at such time and in a manner and form prescribed by HUD, the qualification documents, which will include submission of:

(i) A written certification by the State that the consortium will direct its activities to alleviation of housing problems within the State; and
(ii) Documentation which demonstrates that the consortium has executed one legally binding cooperation agreement among its members authorizing one member unit of general local government to act in a representative capacity for all member units of general local government for the purposes of this part and providing that the representative member assumes overall responsibility for ensuring that the consortium’s HOME Program is carried out in compliance with the requirements of this part.

(3) Before the end of the fiscal year in which the notice of intent and documentation are submitted, HUD must determine that the consortium has sufficient authority and administrative capability to carry out the purposes of this part on behalf of its member jurisdictions. HUD will endeavor to make its determination as quickly as practicable after receiving the consortium’s documentation in order to provide the consortium an opportunity to correct its submission, if necessary. If the submission is deficient, HUD will work with the consortium to resolve the issue, but will not delay the formula allocations.

(b) A metropolitan city or an urban county may be a member of a consortium. A unit of general local government that is included in an urban county may be part of a consortium, only if the urban county joins the consortium. The included local government cannot join the consortium except through participation in the urban county.

(c) A non-urban county may be a member of a consortium. However, the county cannot on its own include the whole county in the consortium. A unit of local government located within the non-urban county that wishes to participate as a member of the consortium must sign the HOME consortium agreement.

(d) If the representative unit of general local government distributes HOME funds to member units of general local government, the representative unit is responsible for applying to
the member units of general local government the same requirements as are applicable to subrecipients.

(e) The consortium’s qualification as a unit of general local government continues for a period of three successive Federal fiscal years, or until HUD revokes its designation as a participating jurisdiction, or until an urban county member fails to requalify under the CDBG program as an urban county for a fiscal year included in the consortium’s qualification period, or the consortium fails to receive a HOME allocation for the first Federal fiscal year of the consortium’s qualification period and does not request to be considered to receive a HOME allocation in each of the subsequent two years. However, if a member urban county’s three year CDBG qualification cycle is not the same as the consortium, the consortium may elect a shorter qualification period than three years to synchronize with the urban county’s qualification period. During the period of qualification, additional units of general local government may join the consortium, but no included unit of general local government may withdraw from the consortium. See 24 CFR part 91, subpart E, for consolidated plan requirements for consortia, including the requirement that all members of the consortia must be on the same program year.

§ 92.102 Participation threshold amount.

(a) To be eligible to become a participating jurisdiction, a unit of general local government must have a formula allocation under §92.50 that is equal to or greater than $750,000; or

(b) If a unit of general local government’s formula allocation is less than $750,000, HUD must find:

(1) The unit of general local government has a local PHA and has demonstrated a capacity to carry out the provisions of this part, as evidenced by satisfactory performance under one or more HUD-administered programs that provide assistance for activities comparable to the eligible activities under this part; and

(2) The State has authorized HUD to transfer to the unit of general local government a portion of the State’s allocation or the State, the unit of general local government, or both, has made available its own resources such that the sum of the amounts transferred or made available are equal to or greater than the difference between the unit of general local government’s formula allocation and $750,000.

(c) In fiscal years in which Congress appropriates less than $1.5 billion for this part, $500,000 is substituted for $750,000 each time it appears in this section.

§ 92.103 Notification of intent to participate.

(a) Not later than 30 days after receiving notice of its formula allocation amount, a jurisdiction must notify HUD in writing of its intention to become a participating jurisdiction.

(b) A unit of general local government that has a formula allocation of less than $750,000, or less than $500,000 in fiscal years in which Congress appropriates less than $1.5 billion for this part, must submit, with its notice, one or more of the following, as appropriate, as evidence that it has met the threshold allocation requirements in §92.102(b):

(1) Authorization from the State to transfer a portion of its allocation to the unit of general local government;

(2) A letter from the governor or designee indicating that the required funds have been approved and budgeted for the unit of general local government;

(3) A letter from the chief executive officer of the unit of general local government indicating that the required funds have been approved and budgeted.

§ 92.104 Submission of a consolidated plan.

A jurisdiction that has not submitted a consolidated plan to HUD must submit to HUD, not later than 90 days after providing notification under §92.103, a consolidated plan in accordance with 24 CFR part 91.

§ 92.105 Designation as a participating jurisdiction.

When a jurisdiction has complied with the requirements of §§92.102 through 92.104 and HUD has approved
§ 92.106  Continuous designation as a participating jurisdiction.

Once a State or unit of general local government is designated a participating jurisdiction, it remains a participating jurisdiction for subsequent fiscal years and the requirements of §§92.102 through 92.105 do not apply, unless HUD revokes the designation in accordance with §92.107.

§ 92.107  Revocation of designation as a participating jurisdiction.

HUD may revoke a jurisdiction’s designation as a participating jurisdiction if:

(a) HUD finds, after reasonable notice and opportunity for hearing as provided in §92.552(b) that the jurisdiction is unwilling or unable to carry out the provisions of this part, including failure to meet matching contribution requirements; or

(b) The jurisdiction’s formula allocation falls below $750,000 (or below $500,000 in fiscal years in which Congress appropriates less than $1.5 billion for this part) for three consecutive years, below $625,000 (or below $410,000 in fiscal years in which Congress appropriates less than $1.5 billion for this part) for two consecutive years, or the jurisdiction does not receive a formula allocation in any one year.

(c) When HUD revokes a participating jurisdiction’s designation as a participating jurisdiction, HUD will reallocate any remaining funds in the jurisdiction’s HOME Investment Trust Fund established under §92.500 in accordance with §92.451.

Subpart D—Submission Requirements

§ 92.150  Submission requirements.

In order to receive its HOME allocation, a participating jurisdiction must submit a consolidated plan in accordance with 24 CFR part 91. That part includes requirements for the content of the consolidated plan, the process of developing the consolidated plan, including citizen participation, the submission date, HUD approval, and amendments.

Subpart E—Program Requirements

§ 92.200  Private-public partnership.

Each participating jurisdiction must make all reasonable efforts to maximize participation by the private sector in accordance with section 221 of the Act.

§ 92.201  Distribution of assistance.

(a) Local. (1) Each local participating jurisdiction must, insofar as is feasible, distribute HOME funds geographically within its boundaries and among different categories of housing need, according to the priorities of housing need identified in its approved consolidated plan.

(2) The participating jurisdiction may only invest its HOME funds in eligible projects within its boundaries, or in joint projects within the boundaries of contiguous local jurisdictions which serve residents from both jurisdictions.

(b) State. (1) Each State participating jurisdiction is responsible for distributing HOME funds throughout the State according to the State’s assessment of the geographical distribution of the housing needs within the State, as identified in the State’s approved consolidated plan. The State must distribute HOME funds to rural areas in amounts that take into account the non-metropolitan share of the State’s total population and objective measures of rural housing need, such as poverty and substandard housing, as set forth in the State’s approved consolidated plan. To the extent the need is within the boundaries of a participating unit of general local government, the State and the unit of general local government shall coordinate activities to address that need.

(2) A State may carry out its own HOME program without active participation of units of general local government or may distribute HOME funds to units of general local government to carry out HOME programs in which both the State and all or some of the units of general local government perform specified program functions. A
unit of general local government designated by a State to receive HOME funds from a State is a State recipient.

(3)(i) A State that uses State recipients to perform program functions shall ensure that the State recipients use HOME funds in accordance with the requirements of this part and other applicable laws. The State may require the State recipient to comply with requirements established by the State or may permit the State recipient to establish its own requirements to comply with this part.

(ii) The State shall conduct such reviews and audit of its State recipients as may be necessary or appropriate to determine whether the State recipient has committed and expended the HOME funds in the United States Treasury account as required by §92.500, and has met the requirements of this part, particularly eligible activities, income targeting, affordability, and matching contribution requirements.

(4) A State and local participating jurisdiction may jointly fund a project within the boundaries of the local participating jurisdiction. The State may provide the HOME funds to the project or it may provide the HOME funds to the local participating jurisdiction to fund the project.

(5) A State may fund projects on Indian reservations located within the State provided that the State includes Indian reservations in its consolidated plan.

§ 92.203 Income determinations.

(a) The HOME program has income targeting requirements for the HOME program and for HOME projects. Therefore, the participating jurisdiction must determine each family is income eligible by determining the family’s annual income.

(1) For families who are tenants in HOME-assisted housing and not receiving HOME tenant-based rental assistance, the participating jurisdiction must initially determine annual income using the method in paragraph (a)(1)(i) of this section. For subsequent income determinations during the period of affordability, the participating jurisdiction may use any one of the following methods in accordance with §92.252(h):

(i) Examine the source documents evidencing annual income (e.g., wage statement, interest statement, unemployment compensation statement) for the family.

(ii) Obtain from the family a written statement of the amount of the family's annual income and family size, along with a certification that the information is complete and accurate. The certification must state that the family will provide source documents upon request.

(iii) Obtain a written statement from the administrator of a government program under which the family receives benefits and which examines each year the current dollar limit for very low or low-income families for the family size of the tenant and state that the tenant's annual income does not exceed this limit.

(2) For all other families, the participating jurisdiction must determine annual income by examining the source documents evidencing annual income.
§ 92.204 (e.g., wage statement, interest statement, unemployment compensation statement) for the family.

(b) When determining whether a family is income eligible, the participating jurisdiction must use one of the following three definitions of “annual income”:

(1) “Annual income” as defined at 24 CFR 5.609 (except when determining the income of a homeowner for an owner-occupied rehabilitation project, the value of the homeowner’s principal residence may be excluded from the calculation of Net Family Assets); or

(2) Annual Income as reported under the Census long-form for the most recent available decennial Census. This definition includes:
   (i) Wages, salaries, tips, commissions, etc.;
   (ii) Self-employment income from owned non-farm business, including proprietorships and partnerships;
   (iii) Farm self-employment income;
   (iv) Interest, dividends, net rental income, or income from estates or trusts;
   (v) Social Security or railroad retirement;
   (vi) Supplemental Security Income, Aid to Families with Dependent Children, or other public assistance or public welfare programs;
   (vii) Retirement, survivor, or disability pensions; and
   (viii) Any other sources of income received regularly, including Veterans’ (VA) payments, unemployment compensation, and alimony; or

(3) Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 series for individual Federal annual income tax purposes.

(c) Although the participating jurisdiction may use any of the three definitions of “annual income” permitted in paragraph (b) of this section, to calculate adjusted income it must apply exclusions from income established at 24 CFR 5.611. The HOME rents for very low-income families established under §92.252(b)(2) are based on adjusted income. In addition, the participating jurisdiction may base the amount of tenant-based rental assistance on the adjusted income of the family.

(d) (1) The participating jurisdiction must calculate the annual income of the family by projecting the prevailing rate of income of the family at the time the participating jurisdiction determines that the family is income eligible. Annual income shall include income from all family members. Income or asset enhancement derived from the HOME-assisted project shall not be considered in calculating annual income.

(2) The participating jurisdiction is not required to re-examine the family’s income at the time the HOME assistance is provided, unless more than six months has elapsed since the participating jurisdiction determined that the family qualified as income eligible.

§ 92.204 Applicability of requirements to entities that receive a reallocation of HOME funds, other than participating jurisdictions.

(a) Jurisdictions other than participating jurisdictions and community housing development organizations receiving competitive reallocations from HUD are subject to the same requirements in subpart E (Program Requirements), subpart F (Project Requirements), subpart K (Program Administration), and subpart L (Performance Reviews and Sanctions) of this part as participating jurisdictions, except for the following:

(1) Subpart E (Program Requirements): the matching contribution requirements in §92.218 through §92.221 do not apply.

(2) Subpart K (Program Administration):
   (i) Section 92.500 (The HOME Investment Trust Fund) does not apply. HUD will establish a HOME account in the United States Treasury and the HOME funds must be used for approved activities. A local account must be established for program income. HUD will recapture HOME funds in the HOME Treasury account by the amount of:
      (A) Any funds that are not committed within 24 months after the last day of the month in which HUD notifies the entity of HUD’s execution of the HOME Investment Partnership Agreement;
      (B) Any funds that are not expended within five years after the last day of

Office of the Secretary, HUD § 92.205

§ 92.205 Eligible activities: general.

(a) Eligible activities. (1) HOME funds may be used by a participating jurisdiction to provide incentives to develop and support affordable rental housing and homeownership affordability through the acquisition (including assistance to homebuyers), new construction, reconstruction, or rehabilitation of non-luxury housing with suitable amenities, including real property acquisition, site improvements, conversion, demolition, and other expenses, including financing costs, relocation expenses of any displaced persons, families, businesses, or organizations; to provide tenant-based rental assistance, including security deposits; to provide payment of reasonable administrative and planning costs; and to provide for the payment of operating expenses of community housing development organizations. The housing must be permanent or transitional housing. The specific eligible costs for these activities are set forth in §§ 92.206 through 92.209.

(2) Acquisition of vacant land or demolition must be undertaken only with respect to a particular housing project intended to provide affordable housing.

(3) Conversion of an existing structure to affordable housing is rehabilitation, unless the conversion entails adding one or more units beyond the existing walls, in which case, the project is new construction for purposes of this part.

(4) Manufactured housing. HOME funds may be used to purchase and/or rehabilitate a manufactured housing unit, or purchase the land upon which a manufactured housing unit is located. Except for existing, owner-occupied manufactured housing that is rehabilitated with HOME funds, the manufactured housing unit must, at the time of project completion, be connected to permanent utility hook-ups and be located on land that is owned by the manufactured housing unit owner or land for which the manufactured housing owner has a lease for a period at least equal to the applicable period of affordability.

(b) Forms of assistance. (1) A participating jurisdiction may invest HOME funds as equity investments, interest-
§ 92.206 Eligible project costs.

HOME funds may be used to pay the following eligible costs:

(a) Development hard costs. The actual cost of constructing or rehabilitating housing. These costs include the following:

(1) For new construction, costs to meet the applicable new construction standards of the participating jurisdiction and the Model Energy Code referred to in §92.251;

(2) For rehabilitation, costs:

(i) To meet the property standards in §92.251;

(ii) To make essential improvements, including energy-related repairs or improvements, improvements necessary to permit use by persons with disabilities, and the abatement of lead-based paint hazards, as required by §92.355, and to repair or replace major housing systems in danger of failure; and

(iii) To demolish existing structures;

(b) Multi-unit projects. HOME funds may be used to assist one or more housing units in a multi-unit project. Only the actual HOME eligible development costs of the assisted units may be charged to the HOME program. If the assisted and non-assisted units are not comparable, the actual costs may be determined based on a method of cost allocation. If the assisted and non-assisted units are comparable in terms of size, features and number of bedrooms, the actual cost of the HOME-assisted units can be determined by pro-rating the total HOME eligible development costs of the project so that the proportion of the total development costs charged to the HOME program does not exceed the proportion of the HOME-assisted units in the project.

(c) Minimum amount of assistance. The minimum amount of HOME funds that must be invested in a project involving rental housing or homeownership is $1,000 times the number of HOME-assisted units in the project.

(d) Terminated projects. A HOME assisted project that is terminated before completion, either voluntarily or otherwise, constitutes an ineligible activity and any HOME funds invested in the project must be repaid to the participating jurisdiction’s HOME Investment Trust Fund in accordance with §92.503(b) (except for project-specific assistance to community housing development organizations as provided in §92.301(a)(3) and §92.301(b)(3)).

housing, costs to construct or rehabilitate laundry and community facilities which are located within the same building as the housing and which are for the use of the project residents and their guests.

(5) Costs to make utility connections or to make improvements to the project site, in accordance with the provisions of §92.206(a)(3) (ii) and (iii) are also eligible in connection with acquisition of standard housing.

(b) Refinancing costs. The cost to refinance existing debt secured by housing that is being rehabilitated with HOME funds:

(1) For single-family (1- to 4-family) owner-occupied housing when loaning HOME funds to rehabilitate the housing, if the refinancing is necessary to reduce the overall housing costs to the borrower and make the housing more affordable.

(2) For multifamily projects, when loaning HOME funds to rehabilitate the units if refinancing is necessary to permit or continue affordability under §92.252. The participating jurisdiction must establish refinancing guidelines and state them in its consolidated plan described in 24 CFR part 91. Regardless of the amount of HOME funds invested, the minimum affordability period shall be 15 years. The guidelines shall describe the conditions under which the participating jurisdictions will refinance existing debt. At minimum, the guidelines must:

(i) Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing;

(ii) Require a review of management practices to demonstrate that disinvestment in the property has not occurred, that the long term needs of the project can be met and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated;

(iii) State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both;

(iv) Specify the required period of affordability, whether it is the minimum 15 years or longer;

(v) Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(e)(2) or a Federally designated Empowerment Zone or Enterprise Community; and

(vi) State that HOME funds cannot be used to refinance multifamily loans made or insured by any Federal program, including CDBG.

(c) Acquisition costs. Costs of acquiring improved or unimproved real property, including acquisition by homebuyers.

(d) Related soft costs. Other reasonable and necessary costs incurred by the owner or participating jurisdiction and associated with the financing, or development (or both) of new construction, rehabilitation or acquisition of housing assisted with HOME funds. These costs include, but are not limited to:

(1) Architectural, engineering or related professional services required to prepare plans, drawings, specifications, or work write-ups.

(2) Costs to process and settle the financing for a project, such as private lender origination fees, credit reports, fees for title evidence, fees for recordation and filing of legal documents, building permits, attorneys fees, private appraisal fees and fees for an independent cost estimate, builders or developers fees.

(3) Costs of a project audit that the participating jurisdiction may require with respect to the development of the project.

(4) Costs to provide information services such as affirmative marketing and fair housing information to prospective homeowners and tenants as required by §92.351.

(5) For new construction or rehabilitation, the cost of funding an initial operating deficit reserve, which is a reserve to meet any shortfall in project income during the period of project rent-up (not to exceed 18 months) and which may only be used to pay project operating expenses, scheduled payments to a replacement reserve, and debt service. Any HOME funds placed
§ 92.207 Eligible administrative and planning costs.

A participating jurisdiction may expend, for payment of reasonable administrative and planning costs of the HOME program, an amount of HOME funds that is not more than ten percent of the fiscal year HOME basic formula allocation plus any funds received in accordance with § 92.102(b) to meet or exceed participation threshold requirements that fiscal year. A State that transfers any HOME funds in accordance with § 92.102(b) must exclude these funds in calculating the amount it may expend for administrative and planning costs. A participating jurisdiction may also use up to ten percent of the program income deposited in its local HOME account during the program year, for administrative and planning costs. Reasonable administrative and planning costs include:

(a) General management, oversight and coordination. Reasonable costs of overall program management, coordination, monitoring, and evaluation. Such costs include, but are not limited to, necessary expenditures for the following:

(1) Salaries, wages, and related costs of the participating jurisdiction's staff. In charging costs to this category the participating jurisdiction may either include the entire salary, wages, and related costs allocable to the program of each person whose primary responsibilities with regard to the program involves program administration assignments, or the prorated share of the salary, wages, and related costs of each person whose job includes any program administration assignments. The participating jurisdiction may use only one of these methods. Program administration includes the following types of assignments:

(i) Developing systems and schedules for ensuring compliance with program requirements;

§ 92.207 in an operating deficit reserve that remain unexpended after the period of project rent-up may be retained for project reserves if permitted by the participating jurisdiction.

(6) Staff and overhead costs directly related to carrying out the project, such as work specifications preparation, loan processing inspections, and other services related to assisting potential owners, tenants, and homebuyers, e.g., housing counseling, may be charged to project costs only if the project is funded and the individual becomes the owner or tenant of the HOME-assisted project. For multi-unit projects, such costs must be allocated among HOME-assisted units in a reasonable manner and documented.

(7) For both new construction and rehabilitation, costs for the payment of impact fees that are charged for all projects within a jurisdiction.

(8) Costs of environmental review and release of funds in accordance with 24 CFR part 58 which are directly related to the project.

(e) Community housing development organization costs. Eligible costs of project-specific assistance are set forth in § 92.301.

(f) Relocation costs. The cost of relocation payments and other relocation assistance to persons displaced by the project are eligible costs.

(1) Relocation payments include replacement housing payments, payments for moving expenses, and payments for reasonable out-of-pocket costs incurred in the temporary relocation of persons.

(2) Other relocation assistance means staff and overhead costs directly related to providing advisory and other relocation services to persons displaced by the project, including timely written notices to occupants, referrals to comparable and suitable replacement property, property inspections, counseling, and other assistance necessary to minimize hardship.

(g) Costs relating to payment of loans. If the HOME funds are not used to directly pay a cost specified in this section, but are used to pay off a construction loan, bridge financing loan, or guaranteed loan, the payment of principal and interest for such loan is an eligible cost only if:

(1) The loan was used for eligible costs specified in this section, and

(2) The HOME assistance is part of the original financing for the project and the project meets the requirements of this part.

§ 92.208 Eligible community housing development organization (CHDO) operating expense and capacity building costs.

(a) Up to 5 percent of a participating jurisdiction's fiscal year HOME allocation may be used for the operating expenses of community housing development organizations (CHDOs). These funds may not be used to pay operating expenses incurred by a CHDO acting as a subrecipient or contractor under the HOME Program. Operating expenses means reasonable and necessary costs for the operation of the community housing development organization. Such costs include salaries, wages, and other employee compensation and benefits; employee education, training, and travel; rent; utilities; communication costs; taxes; insurance; equipment; materials and supplies. The requirements and limitations on the receipt of these funds by CHDOs are set forth in §92.300(e) and (f).
§ 92.209 Tenant-based rental assistance: Eligible costs and requirements.

(a) Eligible costs. Eligible costs are the rental assistance and security deposit payments made to provide tenant-based rental assistance for a family pursuant to this section. Administration of tenant-based rental assistance is eligible only under general management oversight and coordination at §92.207(a).

(b) General requirement. A participating jurisdiction may use HOME funds for tenant-based rental assistance only if the participating jurisdiction makes the certification about inclusion of this type of assistance in its consolidated plan in accordance with 24 CFR 91.225(d)(1), 91.325(d)(1), or 91.425(a)(2)(i), and specifies local market conditions that lead to the choice of this option.

(c) Tenant selection. The participating jurisdiction must select families in accordance with written tenant selection policies and criteria that are consistent with the following:

(1) Low-income families. Tenant-based rental assistance may only be provided to very low- and low-income families. The participating jurisdiction must determine that the family is very low- or low-income before the assistance is provided. During the period of assistance, the participating jurisdiction must annually determine that the family continues to be low-income.

(2) Federal preferences. At least 50 percent of the families assisted must qualify, or would qualify in the near future without tenant-based rental assistance, for one of the three Federal preferences under section 6(c)(4)(A) of the 1937 Act. These are families that occupy substandard housing (including families that are homeless or living in a shelter for homeless families); families that are paying more than 50 percent of their annual income for rent; or families that are involuntarily displaced. [During FY 1996 and FY 1997, the Federal preferences do not apply.]

(3) Preferences for individuals with Special Needs. (i) The participating jurisdiction may establish a preference for individuals with special needs. The participating jurisdiction may offer, in conjunction with a tenant-based rental assistance program, particular types of non-mandatory services that may be most appropriate for persons with a special need or a particular disability. Generally, tenant-based rental assistance and the related services should be made available to all persons with special needs or disabilities who can benefit from such services.

(ii) The participating jurisdiction may also provide a preference for a specific category of individuals with disabilities (e.g., persons with HIV/AIDS or chronic mental illness) if the specific category is identified in the participating jurisdiction’s consolidated plan as having unmet need and the preference is needed to narrow the gap in benefits and services received by such persons.

(iii) Preferences cannot be administered in a manner that limits the opportunities of persons on any basis prohibited by the laws listed under 24 CFR 5.105(a). For example, a participating jurisdiction may not determine that persons given a preference under the program are therefore prohibited from applying for or participating in other programs or forms of assistance.

(iv) To the extent that a participating jurisdiction is operating a tenant-based rental assistance program targeted exclusively to individuals with special needs or disabilities or to a specific category of individuals with special needs or disabilities, at least 50% of the individuals must qualify or would qualify in the near future for one of the three Federal preferences as described in paragraph (c)(2) of this section.

(4) Existing tenants in the HOME-assisted projects. A participating jurisdiction may select low-income families currently residing in housing units that are designated for rehabilitation or acquisition under the participating jurisdiction’s HOME program without requiring that the family meet the requirements of paragraph (c)(2) of this section. Families so selected may use the tenant-based assistance in the rehabilitated or acquired housing unit or in other qualified housing.
(d) Portability of assistance. A participating jurisdiction may require the family to use the tenant-based assistance within the participating jurisdiction’s boundaries or may permit the family to use the assistance outside its boundaries.

(e) Term of rental assistance contract. The term of the rental assistance contract providing assistance with HOME funds may not exceed 24 months, but may be renewed, subject to the availability of HOME funds. The term of the rental assistance contract must begin on the first day of the term of the lease. For a rental assistance contract between a participating jurisdiction and an owner, the term of the contract must terminate on termination of the lease. For a rental assistance contract between a participating jurisdiction and a family, the term of the contract need not end on termination of the lease, but no payments may be made after termination of the lease until a family enters into a new lease.

(f) Rent reasonableness. The participating jurisdiction must disapprove a lease if the rent is not reasonable, based on rents that are charged for comparable unassisted rental units.

(g) Tenant protections. The lease must comply with the requirements in §92.253 (a) and (b).

(h) Maximum subsidy. (1) The amount of the monthly assistance that a participating jurisdiction may pay to, or on behalf of, a family may not exceed the difference between a rent standard for the unit size established by the participating jurisdiction and 30 percent of the family’s monthly adjusted income.

(2) The participating jurisdiction must establish a minimum tenant contribution to rent.

(3) The participating jurisdiction’s rent standard for a unit size must be based on:

(i) Local market conditions; or

(ii) For each unit size, may not be less than 80 percent of the published Section 8 Existing Housing fair market rent (in effect when the payment standard amount is adopted) nor more than the fair market rent or HUD-approved community-wide exception rent (in effect when the participating jurisdiction adopts its rent standard amount). (Community-wide exception rents are maximum gross rents approved by HUD for the Rental Certificate Program under 24 CFR 882.106(a)(3) for a designated municipality, county, or similar locality, which apply to the whole PHA jurisdiction.) A participating jurisdiction may approve on a unit-by-unit basis a subsidy based on a rent standard that exceeds the applicable fair market rent by up to 10 percent for 20 percent of units assisted.

(i) Housing quality standards. Housing occupied by a family receiving tenant-based assistance under this section must meet the requirements set forth in 24 CFR 982.401. The participating jurisdiction must conduct quality inspections initially and re-inspect it annually.

(j) Security deposits. (1) A participating jurisdiction may use HOME funds provided for tenant-based rental assistance to provide loans or grants to very low- and low-income families for security deposits for rental of dwelling units whether or not the participating jurisdiction provides any other tenant-based rental assistance under this section.

(2) The relevant State or local definition of “security deposit” in the jurisdiction where the unit is located is applicable for the purposes of this part, except that the amount of HOME funds that may be provided for a security deposit may not exceed the equivalent of two month’s rent for the unit.

(3) Only the prospective tenant may apply for HOME security deposit assistance, although the participating jurisdiction may pay the funds directly to the tenant or to the landlord.

(4) HOME funds for security deposits may be provided as a grant or as a loan. If they are provided as a loan, the loan repayments are program income to be used in accordance with §92.503.

(5) Paragraphs (b), (c), (d), (f), (g), and (i) of this section are applicable to HOME security deposit assistance, except that income determinations pursuant to paragraph (c)(1) of this section and Housing Quality Standard inspections pursuant to paragraph (i) of this section are required only at the time the security deposit assistance is provided.
(k) Program operation. A tenant-based rental assistance program must be operated consistent with the requirements of this section. The participating jurisdiction may operate the program itself, or may contract with a PHA or other entity with the capacity to operate a rental assistance program. The tenant-based rental assistance may be provided through an assistance contract to an owner that leases a unit to an assisted family or directly to the family. In either case, the participating jurisdiction (or entity operating the program) must approve the lease.

(l) Use of Section 8 assistance. In any case where assistance under section 8 of the 1937 Act becomes available to a participating jurisdiction, recipients of tenant-based rental assistance under this part will qualify for tenant selection preferences to the same extent as when they received the tenant-based rental assistance under this part.

§ 92.212 Pre-award costs.

(a) General. Before the effective date of the HOME Investment Partnership Agreement, the participating jurisdiction may incur costs which may be charged to the HOME allocation after the award of the HOME allocation, provided the costs are in compliance with the requirements of this part (including environmental review requirements) and with the statutory and regulatory requirements in effect at the time the costs are charged to the HOME allocation.

(b) Administrative and planning costs. Eligible administrative and planning costs may be incurred as of the beginning of the participating jurisdiction's consolidated program year (see 24 CFR 91.10) or the date the consolidated plan describing the HOME allocation to which the costs will be charged is received by HUD, whichever is later.

(c) Project costs. Eligible project costs may be incurred during the current program year in an amount not to exceed 25% of the current HOME allocation amount, to be charged to the following year's HOME allocation. Before incurring the pre-award costs, the participating jurisdiction must comply with its citizen participation plan requirements addressing 24 CFR 91.105(b)(2), (4), (5) and (g) (local governments) or 24 CFR 91.115(b)(2), (4), (5) and (f) (States). In lieu of a full action plan, the participating jurisdiction may develop a mini-action plan which describes the proposed pre-award projects and costs in accordance with 24 CFR 91.220(c) and includes, if applicable, 24 CFR 91.220(g)(2) (local governments) or 24 CFR 91.320(c) and, if applicable, 24 CFR 91.320(g)(2) (States). The mini-action plan must state that HOME funding for the project(s) is subject to the future availability of HOME funds. The subsequent action plan (i.e., action plan for the HOME allocation to which the costs will be charged) must also include the use of HOME funds contained in the mini-action plan.

(d) Subrecipient or State recipient costs. The participating jurisdiction may authorize its subrecipient or State recipient to incur pre-award costs in accordance with the requirements of this section. The authorization must be in writing.

(e) Other pre-agreement costs. Pre-agreement costs in excess of the amount set forth in paragraph (c) of this section must be approved, in writing, by the HUD Field Office before the costs are incurred.

§ 92.213 [Reserved]

§ 92.214 Prohibited activities.

(a) HOME funds may not be used to:

1. Provide project reserve accounts, except as provided in §92.206(d)(5), or operating subsidies;

2. Provide tenant-based rental assistance for the special purposes of the existing section 8 program, in accordance with section 212(d) of the Act;

3. Provide non-federal matching contributions required under any other Federal program;

4. Provide assistance authorized under section 9 of the 1937 Act (annual contributions for operation of public housing);

5. Carry out activities authorized under 24 CFR part 968 (Public Housing Modernization);

6. Provide assistance to eligible low-income housing under 24 CFR part 248 (Prepayment of Low Income Housing Mortgages), except that assistance may...
be provided to priority purchasers as defined in 24 CFR 248.101;

(7) Provide assistance (other than tenant-based rental assistance or assistance to a homebuyer to acquire housing previously assisted with HOME funds) to a project previously assisted with HOME funds during the period of affordability established by the participating jurisdiction in the written agreement under §92.504. However, additional HOME funds may be committed to a project up to one year after project completion (see §92.502), but the amount of HOME funds in the project may not exceed the maximum per-unit subsidy amount established under §92.250.

(8) Pay for the acquisition of property owned by the participating jurisdiction, except for property acquired by the participating jurisdiction with HOME funds, or property acquired in anticipation of carrying out a HOME project; or

(9) Pay for any cost that is not eligible under §§92.206 through 92.209.

(b) Participating jurisdictions may not charge monitoring, servicing and origination fees in HOME-assisted projects. However, participating jurisdictions may charge nominal application fees (although these fees are not an eligible HOME cost) to project owners to discourage frivolous applications. Such fees are applicable credits under OMB Circular A-87.

§ 92.215 Limitation on jurisdictions under court order.

Limitations on the use of HOME funds in connection with litigation involving discrimination or fair housing are set forth in section 224 of the Act.

Income Targeting

§ 92.216 Income targeting: Tenant-based rental assistance and rental units.

Each participating jurisdiction must invest HOME funds made available during a fiscal year so that, with respect to tenant-based rental assistance and rental units:

(a) Not less than 90 percent of:

(1) The families receiving such rental assistance are families whose annual incomes do not exceed 60 percent of the median family income for the area, as determined and made available by HUD with adjustments for smaller and larger families (except that HUD may establish income ceilings higher or lower than 60 percent of the median for the area on the basis of HUD’s findings that such variations are necessary because of prevailing levels of construction cost or fair market rent, or unusually high or low family income) at the time of occupancy or at the time funds are invested, whichever is later; or

(2) The dwelling units assisted with such funds are occupied by families having such incomes; and

(b) The remainder of:

(1) The families receiving such rental assistance are households that qualify as low-income families (other than families described in paragraph (a)(1) of this section) at the time of occupancy or at the time funds are invested, whichever is later; or

(2) The dwelling units assisted with such funds are occupied by such households.

§ 92.217 Income targeting: Homeownership.

Each participating jurisdiction must invest HOME funds made available during a fiscal year so that with respect to homeownership assistance, 100 percent of these funds are invested in dwelling units that are occupied by households that qualify as low-income families at the time of occupancy or at the time funds are invested, whichever is later.

Matching Contribution Requirement

§ 92.218 Amount of matching contribution.

(a) General. Each participating jurisdiction must make contributions to housing that qualifies as affordable housing under the HOME program, throughout a fiscal year. The contributions must total not less than 25 percent of the funds drawn from the jurisdiction’s HOME Investment Trust Fund Treasury account in that fiscal year, excluding funds drawn for purposes identified in paragraph (c) of this section.
§ 92.219 Recognition of matching contribution.

(a) Match contribution to HOME-assisted housing. A contribution is recognized as a matching contribution if it is made with respect to:

(1) A tenant who is assisted with HOME funds;
(2) A HOME-assisted unit;
(3) The portion of a project that is not HOME-assisted provided that at least 50 percent of the housing units in the project are HOME-assisted. If the match contribution to the portion of the project that is not HOME-assisted meets the affordable housing requirements of §92.219(b)(2), the percentage requirement for HOME-assisted units does not apply; or
(4) The commercial space in a mixed-use project in which at least 51 percent of the floor space is residential provided that at least 50 percent of the dwelling units are HOME-assisted.

(b) Match contribution to affordable housing that is not HOME-assisted. The following requirements apply for recognition of matching contributions made to affordable housing that is not HOME-assisted:

(1) For tenant-based rental assistance that is not HOME-assisted:
   (i) The contribution must be made with respect to a tenant who is assisted with tenant-based rental assistance that meets the requirements of §92.203 (Income determinations) and paragraphs (a), (c), (f), and (i) of §92.209 (Tenant-based rental assistance); and
   (ii) The participating jurisdiction must demonstrate in writing that such assistance meets the provisions of §§92.203 and 92.209 (except §92.209(e)).

(2) For affordable housing that is not HOME-assisted:
   (i) The contribution must be made with respect to housing that qualifies as affordable housing under §92.252 or §92.254.
   (ii) The participating jurisdiction or its instrumentality must execute, with the owner of the housing (or, if the participating jurisdiction is the owner, with the manager or developer), a written agreement that imposes and enumerates all of the affordability requirements from §92.252 and §92.253(a) and (b) (Tenant protections), or §92.254, whichever are applicable; the property standards requirements of §92.251; and income determinations made in accordance with §92.203. This written agreement must be executed before any match contributions may be made.
   (iii) A participating jurisdiction must establish a procedure to monitor HOME match-eligible housing to ensure continued compliance with the requirements of §§92.203 (Income determinations), 92.252 (Qualification as affordable housing: Rental housing), 92.253(a) and (b) (Tenant protections) and 92.254 (Qualification as affordable housing: Homeownership). No other HOME requirements apply.
   (iv) The match may be in any eligible form of match except those in §92.220(a)(2) (forbearance of fees), (a)(4) (on-site and off-site infrastructure), (a)(10) (direct cost of supportive services) and (a)(11) (direct costs of homebuyer counseling services).
(v) Match contributions to mixed-use or mixed-income projects that contain affordable housing units will be recognized only if the contribution is made to the project's affordable housing units.

§ 92.220 Form of matching contribution.

(a) Eligible forms. Matching contributions must be made from nonfederal resources and may be in the form of one or more of the following:

(1) Cash contributions from nonfederal sources. To be recognized as a cash contribution, funds must be contributed permanently to the HOME program (or to affordable housing not assisted with HOME funds), regardless of the form of investment provided to the project. Therefore, to receive match credit for the full amount of a loan to a HOME project, all repayment, interest, or other return on investment of the contribution must be deposited in the local account of the participating jurisdiction's HOME Investment Trust Fund to be used for eligible HOME activities in accordance with the requirements of this part. A cash contribution to affordable housing that is not assisted with HOME funds must be contributed permanently to the project. Repayments of matching contributions in affordable housing projects, as defined in §92.219(b), that are not HOME-assisted, must be made to the local account of the participating jurisdiction's HOME Investment Trust Fund to get match credit for the full loan amount.

(i) A cash contribution may be made by the participating jurisdiction, non-Federal public entities, private entities, or individuals, except as prohibited under paragraph (b)(4) of this section. A cash contribution made to a nonprofit organization for use in a HOME project may be counted as a matching contribution.

(ii) A cash contribution may be made from program income (as defined by 24 CFR 85.25(b)) from a Federal grant earned after the end of the award period if no Federal requirements govern the disposition of the program income. Included in this category are repayments from closed out grants under the Urban Development Action Grant Program (24 CFR part 570, subpart G) and the Housing Development Grant Program (24 CFR part 850), and from the Rental Rehabilitation Grant Program (24 CFR part 511) after all fiscal year Rental Rehabilitation grants have been closed out.

(iii) The grant equivalent of a below-market interest rate loan to the project that is not repayable to the participating jurisdiction's HOME Investment Trust Fund may be counted as a cash contribution, as follows:

(A) If the loan is made from funds borrowed by a jurisdiction or public agency or corporation the contribution is the present discounted cash value of the difference between the payments to be made on the borrowed funds and payments to be received from the loan to the project based on a discount rate equal to the interest rate on the borrowed funds.

(B) If the loan is made from funds other than funds borrowed by a jurisdiction or public agency or corporation, the contribution is the present discounted cash value of the yield foregone. In determining the yield foregone, the participating jurisdiction must use as a measure of a market rate yield one of the following, as appropriate:

(1) With respect to one- to four-unit housing financed with a fixed interest rate mortgage, a rate equal to the 10-year Treasury note rate plus 200 basis points;

(2) With respect to one- to four-unit housing financed with an adjustable interest rate mortgage, a rate equal to the one-year Treasury bill rate plus 250 basis points;

(3) With respect to a multifamily project, a rate equal to the 10-year Treasury note rate plus 300 basis points; or

(4) With respect to housing receiving financing for rehabilitation, a rate equal to the 10-year Treasury note rate plus 400 basis points.

(iv) Proceeds of bonds that are not repaid with revenue from an affordable housing project (e.g., general obligation bonds) and that are loaned to a HOME-assisted or other qualified affordable housing project constitute a
§ 92.220

24 CFR Subtitle A (4-1-99 Edition)

(v) A cash contribution may be counted as a matching contribution only if it is used for costs eligible under §§ 92.206 or 92.209, or for the following (which are not HOME eligible costs): the cost of removing and relocating an ECHO housing unit during the period of affordability in accordance with §92.258(d)(3)(ii), payments to a project reserve account beyond payments permitted by §92.206(d)(5), operating subsidies, or costs relating to the portion of a mixed-income or mixed-use HOME-assisted project not related to the affordable housing units.

(2) Forbearance of fees—(i) State and local taxes, charges or fees. The value (based on customary and reasonable means for establishing value) of State or local taxes, fees, or other charges that are normally and customarily imposed or charged by a State or local government on all transactions or projects in the conduct of its operations, which are waived, foregone, or deferred (including State low-income housing tax credits) in a manner that achieves affordability of HOME-assisted projects, may be counted as match. The amount of any real estate taxes may be based on post-improvement property value. For taxes, fees, or charges that are forgiven for future years, the value is the present discounted cash value, based on a rate equal to the rate for the Treasury security with a maturity closest to the number of years for which the taxes, fees, or charges are waived, foregone, or deferred.

(ii) Other charges or fees. The value of fees or charges associated with the transfer or development of real estate that are normally and customarily imposed or charged by public or private entities, which are waived or foregone, in whole or in part, in a manner that achieves affordability of HOME-assisted projects, may be counted as match. Fees and charges under this paragraph do not include fees or charges for legal or other professional services; professional services which are donated, in whole or in part, are an eligible matching contribution in accordance with paragraph (a)(7) of this section.

(iii) Fees or charges that are associated with the HOME Program only (rather than normally and customarily imposed or charged on all transactions or projects) are not eligible forms of matching contributions.

(3) Donated Real Property. The value, before the HOME assistance is provided and minus any debt burden, lien, or other encumbrance, of donated land or other real property may be counted as match. The donation may be made by the participating jurisdiction, non-Federal public entities, private entities, or individuals, except as prohibited under paragraph (b)(4) of this section.

(i) Donated property not acquired with Federal resources is a contribution in the amount of 100% of the value.

(ii) Donated property acquired with Federal assistance may provide a partial contribution as follows. The property must be acquired with Federal assistance specifically for a HOME project (or for affordable housing that will be counted as match pursuant to §92.219(b)(2)). The property must be acquired with the Federal assistance at demonstrably below the appraised value and must be acknowledged by the seller as a donation to affordable housing at the time of the acquisition with the Federal assistance. The amount of the contribution is the difference between the acquisition price and the appraised value at the time of acquisition with the Federal assistance. If the property is acquired with the Federal assistance by someone other than the HOME project (or affordable housing) owner, to continue to qualify as a contribution, the property must be given to the HOME project (or affordable housing) owner at a price that does not exceed the amount of the Federal assistance used to acquire the property.

(iii) Property must be appraised in conformance with established and generally recognized appraisal practice and procedures in common use by professional appraisers. Opinions of value must be based on the best available data properly analyzed and interpreted. The appraisal of land and structures must be performed by an independent, certified appraiser.
(4) The cost, not paid with Federal resources, of on-site and off-site infrastructure that the participating jurisdiction documents are directly required for HOME-assisted projects. The infrastructure must have been completed no earlier than 12 months before HOME funds are committed to the project.

(5) Proceeds from multifamily and single family affordable housing project bond financing validly issued by a State or local government, or an agency or instrumentality of a State or local government or a political subdivision of a State and repayable with revenues from the affordable housing project financed as follows:

(i) Fifty percent of the loan amount made from bond proceeds to a multifamily affordable housing project owner may qualify as match.

(ii) Twenty-five percent of the loan amount from bond proceeds made to a single-family affordable housing project owner may qualify as match.

(iii) Loans made from bond proceeds may not constitute more than 25 percent of a participating jurisdiction's total annual match contribution.

(6) The reasonable value of donated site-preparation and construction materials, not acquired with Federal resources. The value of site-preparation and construction materials is to be determined in accordance with the participating jurisdiction's cost estimate procedures.

(7) The reasonable rental value of the donated use of site preparation or construction equipment.

(8) The value of donated or voluntary labor or professional services (see §92.354(b)) in connection with the provision of affordable housing. A single rate established by HUD shall be applicable for determining the value of unskilled labor. The value of skilled labor or professional services shall be determined by the rate that the individual or entity performing the labor or service normally charges.

(9) The value of sweat equity (see §92.354(c)) provided to a homeownership project, under an established component of a participating jurisdiction's program, up until the time of project completion (i.e., submission of a project completion form). Such labor shall be valued at the rate established for unskilled labor at paragraph (a)(8) of this section.

(10) The direct cost of supportive services provided to families residing in HOME-assisted units during the period of affordability or receiving HOME tenant-based rental assistance during the term of the tenant-based rental assistance contract. The supportive services must be necessary to facilitate independent living or be required as part of a self-sufficiency program. Examples of supportive services include: case management, mental health services, assistance with the tasks of daily living, substance abuse treatment and counseling, day care, and job training and counseling.

(11) The direct cost of homebuyer counseling services provided to families that acquire properties with HOME funds under the provisions of §92.254(a), including ongoing counseling services provided during the period of affordability. These services may be provided as part of a homebuyer counseling program that is not specific to the HOME Program, but only the cost of services to families that complete purchases with HOME assistance may be counted as match.

(b) Ineligible forms. The following are examples that do not meet the requirements of paragraph (a) of this section and do not count toward meeting a participating jurisdiction's matching contribution requirement:

(1) Contributions made with or derived from Federal resources or funds, regardless of when the Federal resources or funds were received or expended. CDBG funds (defined in 24 CFR 570.3) are Federal funds for this purpose;

(2) The interest rate subsidy attributable to the Federal tax-exemption on financing or the value attributable to Federal tax credits;

(3) Owner equity or investment in a project; and

(4) Cash or other forms of contributions from applicants for or recipients of HOME assistance or contracts, or investors who own, are working on, or are proposing to apply for assistance for a HOME-assisted project. The prohibition in this paragraph (b)(4) does not apply to contractors (who do not
§ 92.221 Match credit.

(a) When credit is given. Contributions are credited on a fiscal year basis at the time the contribution is made, as follows:

(1) A cash contribution is credited when the funds are expended.

(2) The grant equivalent of a below-market interest rate loan is credited at the time of the loan closing.

(3) The value of state or local taxes, fees, or other charges that are normally and customarily imposed but are waived, foregone, or deferred is credited at the time the state or local government or other public or private entity officially waives, forgoes, or defers the taxes, fees, or other charges and notifies the project owner.

(4) The value of donated land or other real property is credited at the time ownership of the property is transferred to the HOME project (or affordable housing) owner.

(5) The cost of investment in infrastructure directly required for HOME-assisted projects is credited at the time funds are expended for the infrastructure or at the time the HOME funds are committed to the project if the infrastructure was completed before the commitment of HOME funds.

(6) The value of donated material is credited as match at the time it is used for affordable housing.

(7) The value of the donate use of site preparation or construction equipment is credited as match at the time the equipment is used for affordable housing.

(8) The value of donated or voluntary labor or professional services is credited at the time the work is performed.

(9) A loan made from bond proceeds under §92.220(a)(5) is credited at the time of the loan closing.

(10) The direct cost of social services provided to residents of HOME-assisted units is credited at the time that the social services are provided during the period of affordability.

(11) The direct cost of homebuyer counseling services provided to families that purchase HOME-assisted units is credited at the time that the homebuyer purchases the unit or for post-purchase counseling services, at the time the counseling services are provided.

(b) Excess match. Contributions made in a fiscal year that exceed the participating jurisdiction’s match liability for the fiscal year in which they were made may be carried over and applied to future fiscal years’ match liability. Loans made from bond proceeds in excess of 25 percent of a participating jurisdiction’s total annual match contribution may be carried over to subsequent fiscal years as excess match, subject to the annual 25 percent limitation.

(c) Credit for match contributions shall be assigned as follows:

(1) For HOME-assisted projects involving more than one participating jurisdiction, the participating jurisdiction that makes the match contribution may decide to retain the match credit or permit the other participating jurisdiction to claim the credit.

(2) For HOME match contributions to affordable housing that is not HOME-assisted (match pursuant to §92.219(b)) involving more than one participating jurisdiction, the participating jurisdiction that makes the match contribution receives the match credit.

(3) A State that provides non-Federal funds to a local participating jurisdiction to be used for a contribution to affordable housing, whether or not HOME-assisted, may take the match credit for itself or may permit the local participating jurisdiction to receive the match credit.

§ 92.222 Reduction of matching contribution requirement.

(a) Reduction for fiscal distress. HUD will determine match reductions annually.

(1) Distress criteria for local government participating jurisdictions. If a local government participating jurisdiction satisfies both of the distress factors in paragraphs (a)(1)(i) and (ii) of this section, it is in severe fiscal distress and
its match requirement will be reduced by 100% for the period specified in paragraph (a)(3) of this section. If a local government participating jurisdiction satisfies either distress factor in paragraphs (a)(3)(i) or (ii) of this section, it is in fiscal distress and its match requirement will be reduced by 50 percent, for the period specified in paragraph (a)(4) of this section.

(i) Poverty rate. The average poverty rate in the participating jurisdiction was equal to or greater than 125 percent of the average national poverty rate during the calendar year for which the most recent data are available, as determined according to information of the Bureau of the Census.

(ii) Per capita income. The average per capita income in the participating jurisdiction was less than 75 percent of the average national per capita income, during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(2) Distress criteria for participating jurisdictions that are States. If a State satisfies at least 2 of the 3 distress factors in paragraphs (a)(2)(i) through (iii) of this section, it is in severe fiscal distress and its match requirement will be reduced by 100% for the period specified in paragraph (a)(3) of this section. If a State satisfies any 1 of the 3 distress factors in paragraphs (a)(2)(i) through (iii) of this section, it is in fiscal distress and its match requirement will be reduced by 50 percent, for the period specified in paragraph (a)(4) of this section.

(i) Poverty rate. The average poverty rate in the State was equal to or greater than 125 percent of the average national poverty rate during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(ii) Per capita income. The average per capita income in the State was less than 75 percent of the average national per capita income, during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(iii) Personal income growth. The average personal income growth rate in the State over the most recent four quarters for which the data are available was less than 75 percent of the average national personal income growth rate during that period, as determined according to information from the Bureau of Economic Analysis.

(3) Period of match reduction for severe fiscal distress. A 100% match reduction is effective for the fiscal year in which the severe fiscal distress determination is made and for the following fiscal year.

(4) Period of match reduction for fiscal distress. A 50% match reduction is effective for the fiscal year in which the fiscal distress determination is made and for the following fiscal year, except that if a severe fiscal distress determination is published in that following fiscal year, the participating jurisdiction starts a new two-year match reduction period in accordance with the provisions of paragraph (a)(3) of this section.

(b) Reduction of match for participating jurisdictions in disaster areas. If a participating jurisdiction is located in an area in which a declaration of major disaster pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act is made, it may request a reduction of its matching requirement. For a local participating jurisdiction, the HUD Field office may reduce the matching requirement specified in § 92.218 by up to 100 percent for the fiscal year in which the declaration of major disaster is made and the following fiscal year. For a State participating jurisdiction, the HUD Field office may reduce the matching requirement specified in § 92.218, by up to 100 percent for the fiscal year in which the declaration of major disaster is made and the following fiscal year with respect to any HOME funds expended in an area to which the declaration of a major disaster applies. At its discretion and upon request of the participating jurisdiction, the HUD Field Office may extend the reduction for an additional year.
§ 92.250 Maximum per-unit subsidy amount and subsidy layering.

(a) Maximum per-unit subsidy amount. The amount of HOME funds that a participating jurisdiction may invest on a per-unit basis in affordable housing may not exceed the per-unit dollar limits established under section 221(d)(3)(ii) of the National Housing Act (12 U.S.C. 1715l(d)(3)(ii)) for elevator-type projects that apply to the area in which the housing is located. These limits are available from the Multifamily Division in the HUD Field Office. If the participating jurisdiction's per-unit subsidy amount has already been increased to 210% as permitted under section 221(d)(3)(ii) of the National Housing Act, upon request of the Field Office, HUD will allow the per-unit subsidy amount to be increased on a program-wide basis to an amount, up to 240% of the original per unit limits.

(b) Subsidy layering. Before committing funds to a project, the participating jurisdiction must evaluate the project in accordance with guidelines that it has adopted for this purpose and will not invest any more HOME funds, in combination with other governmental assistance, than is necessary to provide affordable housing.

§ 92.251 Property standards.

(a) (1) Housing that is constructed or rehabilitated with HOME funds must meet all applicable local codes, rehabilitation standards, ordinances, and zoning ordinances at the time of project completion, except as provided in paragraph (b) of this section. The participating jurisdiction must have written standards for rehabilitation that ensure that HOME-assisted housing is decent, safe, and sanitary. These standards must be in accordance with guidelines that it has adopted for this purpose and will not invest any more HOME funds, in combination with other governmental assistance, than is necessary to provide affordable housing.

§ 92.251 Property standards.

(a) (1) Housing that is constructed or rehabilitated with HOME funds must meet all applicable local codes, rehabilitation standards, ordinances, and zoning ordinances at the time of project completion, except as provided in paragraph (b) of this section. The participating jurisdiction must have written standards for rehabilitation that ensure that HOME-assisted housing is decent, safe, and sanitary. In the absence of a local code for new construction or rehabilitation, the participating jurisdiction must have written instructions for installation of manufactured housing units. Manufactured housing units must comply with applicable State and local laws or codes. Participation in the Neighborhood Reinvestment Program (NRP) is required to meet the requirements set out in paragraph (a)(1) of this section.

(b) The following requirements apply to housing for homeownership that is to be rehabilitated after transfer of the ownership interest:

(1) Before the transfer of the homeownership interest, the participating jurisdiction must:

(i) Inspect the housing for any defects that pose a danger to health; and
(ii) Notify the prospective purchaser of the work needed to cure the defects and the time by which defects must be cured and applicable property standards met.

(2) The housing must be free from all noted health and safety defects before occupancy and not later than 6 months after the transfer.

(3) The housing must meet the property standards in paragraph (a)(1) of this section not later than 2 years after transfer of the ownership interest.

(c) An owner of rental housing assisted with HOME funds must maintain the housing in compliance with all applicable State and local housing quality standards and code requirements and if there are no such standards or code requirements, the housing must meet the housing quality standards in 24 CFR 962.401.

(d) All housing occupied by tenants receiving HOME tenant-based rental assistance must meet the housing quality standards in 24 CFR 962.401.

§ 92.252 Qualification as affordable housing: Rental housing.

The HOME-assisted units in a rental housing project must be occupied only by households that are eligible as low-income families and must meet the following requirements to qualify as affordable housing. The affordability requirements also apply to the HOME-assisted non-owner-occupied units in single-family housing purchased with HOME funds in accordance with § 92.254.

(a) Rent limitation. HUD provides the following maximum HOME rent limits. The maximum HOME rents are the lesser of:

(1) The fair market rent for existing housing for comparable units in the area as established by HUD under 24 CFR 888.11; or

(2) A rent that does not exceed 30 percent of the adjusted income of a family whose annual income equals 65 percent of the median income for the area, as determined by HUD, with adjustments for number of bedrooms in the unit. The HOME rent limits provided by HUD will include average occupancy per unit and adjusted income assumptions.

(b) Additional Rent limitations. In rental projects with five or more HOME-assisted rental units, twenty (20) percent of the HOME-assisted units must be occupied by very low-income families and meet one of following rent requirements:

(1) The rent does not exceed 30 percent of the annual income of a family whose income equals 50 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families. HUD provides the HOME rent limits which include average occupancy per unit and adjusted income assumptions. However, if the rent determined under this paragraph is higher than the applicable rent under paragraph (a) of this section, then the maximum rent for units under this paragraph is that calculated under paragraph (a) of this section.

(2) The rent does not exceed 30 percent of the family’s adjusted income. If the unit receives Federal or State project-based rental subsidy and the very low-income family pays as a contribution toward rent not more than 30 percent of the family’s adjusted income, then the maximum rent (i.e., tenant contribution plus project-based rental subsidy) is the rent allowable under the Federal or State project-based rental subsidy program.

(c) Initial rent schedule and utility allowances. The participating jurisdiction must establish maximum monthly allowances for utilities and services (excluding telephone). The participating jurisdiction must review and approve rents proposed by the owner for units subject to the maximum rent limitations in paragraphs (a) or (b) of this section. For all units subject to the maximum rent limitations in paragraphs (a) or (b) of this section for which the tenant is paying utilities and services, the participating jurisdiction must ensure that the rents do not exceed the maximum rent minus the monthly allowances for utilities and services.

(d) Nondiscrimination against rental assistance subsidy holders. The owner cannot refuse to lease HOME-assisted units to a certificate or voucher holder...
under 24 CFR part 982—Section 8 Tenant-Based Assistance: Unified Rule for Tenant-Based Assistance under the Section 8 Rental Certificate Program and the Section 8 Rental Voucher Program or to the holder of a comparable document evidencing participation in a HOME tenant-based rental assistance program because of the status of the prospective tenant as a holder of such certificate, voucher, or comparable HOME tenant-based assistance document.

(e) Periods of Affordability. The HOME-assisted units must meet the affordability requirements for not less than the applicable period specified in the following table, beginning after project completion. The affordability requirements apply without regard to the term of any loan or mortgage or the transfer of ownership. They must be imposed by deed restrictions, covenants running with the land, or other mechanisms approved by HUD, except that the affordability restrictions may terminate upon foreclosure or transfer in lieu of foreclosure. The participating jurisdiction may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before foreclosure or deed in lieu of foreclosure to preserve affordability. The affordability restrictions shall be revived according to the original terms if, during the original affordability period, the owner of record before the foreclosure, or deed in lieu of foreclosure, or any entity that includes the former owner or those with whom the former owner has or had family or business ties, obtains an ownership interest in the project or property.

(f) Subsequent rents during the affordability period. (1) The maximum HOME rent limits are subject to the provisions of outstanding leases, and in any event, the owner must provide tenants of those units not less than 30 days prior written notice before implementing any increase in rents.

(g) Adjustment of HOME rent limits for a particular project. (1) Changes in fair market rents and in median income over time should be sufficient to maintain the financial viability of a project within the HOME rent limits in this section. (2) HUD may adjust the HOME rent limits for a project, only if HUD finds that an adjustment is necessary to support the continued financial viability of the project and only by an amount that HUD determines is necessary to maintain continued financial viability of the project. HUD expects that this authority will be used sparingly.

(h) Tenant income. The income of each tenant must be determined initially in accordance with §92.203(a)(1). In addition, each year during the period of affordability the project owner must re-examine each tenant’s annual income in accordance with one of the options in §92.203 selected by the participating jurisdiction. An owner of a multifamily project with an affordability period of 10 years or more who re-examines tenant’s annual income.

§ 92.253 Tenant and participant protections.

(a) Lease. The lease between a tenant and an owner of rental housing assisted with HOME funds must be for not less than one year, unless by mutual agreement between the tenant and the owner.

(b) Prohibited lease terms. The lease may not contain any of the following provisions:

(1) Agreement to be sued. Agreement by the tenant to be sued, to admit guilt, or to a judgment in favor of the owner in a lawsuit brought in connection with the lease;

(2) Treatment of property. Agreement by the tenant that the owner may take, hold, or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit. The owner may dispose of this personal property in accordance with State law;

(3) Excusing owner from responsibility. Agreement by the tenant not to hold the owner or the owner’s agents legally responsible for any action or failure to act, whether intentional or negligent;

(4) Waiver of notice. Agreement of the tenant that the owner may institute a lawsuit without notice to the tenant;

(5) Waiver of legal proceedings. Agreement by the tenant that the owner may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties;

(6) Waiver of a jury trial. Agreement by the tenant to waive any right to a trial by jury;

(7) Waiver of right to appeal court decision. Agreement by the tenant to waive comparable in terms of size, features, and number of bedrooms to the originally designated HOME-assisted unit.

the tenant’s right to appeal, or to otherwise challenge in court, a court decision in connection with the lease; and

(8) Tenant chargeable with cost of legal actions regardless of outcome. Agreement by the tenant to pay attorney’s fees or other legal costs even if the tenant wins in a court proceeding by the owner against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses.

(c) Termination of tenancy. An owner may not terminate the tenancy or refuse to renew the lease of a tenant of rental housing assisted with HOME funds except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable Federal, State, or local law; for completion of the tenancy period for transitional housing; or for other good cause. To terminate or refuse to renew tenancy, the owner must serve written notice upon the tenant specifying the grounds for the action at least 30 days before the termination of tenancy.

(d) Tenant selection. An owner of rental housing assisted with HOME funds must adopt written tenant selection policies and criteria that:

(1) Are consistent with the purpose of providing housing for very low-income and low-income families;

(2) Are reasonably related to program eligibility and the applicants’ ability to perform the obligations of the lease;

(3) Give reasonable consideration to the housing needs of families that would have a Federal preference under section 6(c)(4)(A) of the 1937 Act (see §92.209(c)(2));

(4) Provide for the selection of tenants from a written waiting list in the chronological order of their applications, insofar as is practicable; and

(5) Give prompt written notification to any rejected applicant of the grounds for any rejection.

§ 92.254 Qualification as affordable housing: Homeownership.

(a) Acquisition with or without rehabilitation. Housing that is for acquisition by a family must meet the affordability requirements of this paragraph (a).

(1) The housing must be single-family housing (1- to 4-family residence, condominium unit, cooperative unit, combination manufactured home and lot, or manufactured home lot).

(2) The housing must be modest housing as follows:

(i) In the case of acquisition of newly constructed housing or standard housing, the housing has a purchase price for the type of single family housing that does not exceed 95 percent of the median purchase price for the area, as described in paragraph (a)(2)(iii) of this section.

(ii) In the case of acquisition with rehabilitation, the housing has an estimated value after rehabilitation that does not exceed 95 percent of the median purchase price for the area, described in paragraph (a)(2)(iii) of this section.

(iii) If a participating jurisdiction intends to use HOME funds for homebuyer assistance or for rehabilitation of owner-occupied single-family properties, the participating jurisdiction may use the Single Family Mortgage Limits under Section 203(b) of the National Housing Act (12 U.S.C. 1709(b)) (which may be obtained from the HUD Field Office) or it may determine 95 percent of the median area purchase price for single family housing in the jurisdiction, as follows. The participating jurisdiction must set forth the price for different types of single family housing (1- to 4-unit family residence, condominium unit, cooperative unit, combination of manufactured housing and lot or manufactured housing lot) for the jurisdiction. The 95 percent of median area purchase price must be established in accordance with a market analysis which ensured that a sufficient number of recent housing sales are included in the survey. Sales must cover the requisite number of months based on volume: For 500 or more sales per month, a one-month reporting period; for 250 through 499 sales per month, at least a three-month reporting period; for less than 250 sales per month, at least a six-month reporting period. The data must be listed in ascending order of sales price. The address of the listed properties must include the location within the participating jurisdiction. Lot, square and subdivision data may be substituted for the street address. The housing sales data must reflect all, or nearly all, of the one-
family house sales in the entire participating jurisdiction. To determine the median, take the middle sale on the list if an odd number of sales and if an even number, take the higher of the middle numbers and consider it the median. After identifying the median sales price, the amount should be multiplied by .95 to determine the 95 percent of the median area purchase price. This information must be submitted to the HUD Field Office for review.

(3) The housing must be acquired by a homebuyer whose family qualifies as a low-income family and the housing must be the principal residence of the family throughout the period described in paragraph (a)(4) of this section.

(4) Periods of affordability. The HOME-assisted housing must meet the affordability requirements for not less than the applicable period specified in the following table, beginning after project completion. The per unit amount of HOME funds and the affordability period that they trigger are described more fully in paragraphs (a)(5)(i) (resale) and (ii) (recapture) of this section.

(5) Resale and recapture. To ensure affordability, the participating jurisdiction must impose either resale or recapture requirements, at its option. The participating jurisdiction must establish the resale or recapture requirements that comply with the standards of this section and set forth the requirements in its consolidated plan. HUD must determine that they are appropriate.

(i) Resale. Resale requirements must ensure, if the housing does not continue to be the principal residence of the family for the duration of the period of affordability, that the housing is made available for subsequent purchase only to a buyer whose family qualifies as a low-income family and will use the property as its principal residence. The resale requirement must also ensure that the price at resale provides the original HOME-assisted owner a fair return on investment (including the homeowner’s investment and any capital improvement) and ensure that the housing will remain affordable to a reasonable range of low-income homebuyers. The period of affordability is based on the total amount of HOME funds invested in the housing.

(A) Except as provided in paragraph (a)(5)(i)(B) of this section, deed restrictions, covenants running with the land, or other similar mechanisms must be used as the mechanism to impose the resale requirements. The affordability restrictions may terminate upon occurrence of any of the following termination events: foreclosure, transfer in lieu of foreclosure or assignment of an FHA insured mortgage to HUD. The participating jurisdiction may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before foreclosure to preserve affordability. The affordability restrictions shall be revived according to the original terms if, during the original affordability period, the owner of record before the termination event, obtains an ownership interest in the housing.

(B) Certain housing may be presumed to meet the resale restrictions (i.e., the housing will be available and affordable to a reasonable range of low-income homebuyers; a low-income homebuyer will occupy the housing as the family’s principal residence; and the original owner will be afforded a fair return on investment) during the period of affordability without the imposition of enforcement mechanisms by the participating jurisdiction. The presumption must be based upon a market analysis of the neighborhood in which the housing is located. The market analysis must include an evaluation of the location and characteristics of the housing and residents in the neighborhood (e.g., sale prices, age and amenities of the housing stock, incomes of residents, percentage of owner-occupants) in relation to housing and incomes in the housing market area. An analysis of the current and projected incomes of neighborhood residents for
an average period of affordability for homebuyers in the neighborhood must support the conclusion that a reasonable range of low-income families will continue to qualify for mortgage financing. For example, an analysis shows that the housing is modestly priced within the housing market area and that families with incomes of 65% to 80% of area median can afford monthly payments under average FHA terms without other government assistance and housing will remain affordable at least during the next five to seven years compared to other housing in the market area; the size and amenities of the housing are modest and substantial rehabilitation will not significantly increase the market value; the neighborhood has housing that is not currently owned by the occupants, but the participating jurisdiction is encouraging homeownership in the neighborhood by providing homeownership assistance and by making improvements to the streets, sidewalks, and other public facilities and services. If a participating jurisdiction in preparing a neighborhood revitalization strategy under §91.215(e)(2) of its consolidated plan or Empowerment Zone or Enterprise Community application under 24 CFR part 597 has incorporated the type of market data described above, that submission may serve as the required analysis under this section. If the participating jurisdiction continues to provide homeownership assistance for housing in the neighborhood, it must periodically update the market analysis to verify the original presumption of continued affordability.

(ii) Recapture. Recapture provisions must ensure that the participating jurisdiction recoups all or a portion of the HOME assistance to the homebuyer, if the housing does not continue to be the principal residence of the family for the duration of the period of affordability. The participating jurisdiction may structure its recapture provisions based on its program design and market conditions. The period of affordability is based upon the total amount of HOME funds subject to recapture described in paragraph (a)(5)(i)(A)(5) of this section.

(A) The following options for recapture requirements are acceptable to HUD. The participating jurisdiction may adopt, modify or develop its own recapture requirements for HUD approval.

(1) Recapture entire amount. The participating jurisdiction may recapture the entire amount of the HOME investment from the homeowner.

(2) Reduction during affordability period. The participating jurisdiction may reduce the HOME investment amount to be recaptured on a prorata basis for the time the homeowner has owned and occupied the housing measured against the required affordability period.

(3) Shared net proceeds. If the net proceeds are not sufficient to recapture the full HOME investment (or a reduced amount as provided for in paragraph (a)(5)(ii)(A)(2) of this section) plus enable the homeowner to recover the amount of the homeowner's downpayment and any capital improvement investment made by the owner since purchase, the participating jurisdiction may share the net proceeds. The net proceeds are the sales price minus loan repayment (other than HOME funds) and closing costs. The net proceeds may be divided proportionally as set forth in the following mathematical formulas:

\[
\frac{\text{HOME investment}}{\text{HOME investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{HOME amount to be recaptured}
\]

\[
\frac{\text{owner investment}}{\text{HOME investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{amount to homeowner}
\]

(4) Owner investment returned first. The participating jurisdiction may permit the homebuyer to recover the homebuyer's entire investment (downpayment and capital improvements}
made by the owner since purchase) before recapturing the HOME investment.

(5) Amount subject to recapture. The HOME investment that is subject to recapture is based on the amount of HOME assistance that enabled the homebuyer to buy the dwelling unit. This includes any HOME assistance that reduced the purchase price from fair market value to an affordable price, but excludes the amount between the cost of producing the unit and the market value of the property (i.e., the development subsidy). The recaptured funds must be used to carry out HOME-eligible activities in accordance with the requirements of this part. If the HOME assistance is only used for the development subsidy and therefore not subject to recapture, the resale option must be used.

(6) Special considerations for single-family properties with more than one unit. If the HOME funds are only used to assist a low-income homebuyer to acquire one unit in single-family housing containing more than one unit and the assisted unit will be the principal residence of the homebuyer, the affordability requirements of this section apply only to the assisted unit. If HOME funds are also used to assist the low-income homebuyer to acquire one or more of the rental units in the single-family housing, the affordability requirements of §92.252 apply to assisted rental units, except that the participating jurisdiction may impose resale or recapture restrictions on all assisted units (owner-occupied and rental units) in the single family housing. If resale restrictions are used, the affordability requirements on all assisted units continue for the period of affordability. If recapture restrictions are used, the affordability requirements on the assisted rental units may be terminated, at the discretion of the participating jurisdiction, upon recapture of the HOME investment. (If HOME funds are used to assist only the rental units in such a property then the requirements of §92.252 would apply and the owner-occupied unit would not be subject to the income targeting or affordability provisions of §92.254.)

(7) Lease-purchase. HOME funds may be used to assist homebuyers through lease-purchase programs. The housing must be purchased by a homebuyer within 36 months of signing the lease-purchase agreement. The homebuyer must qualify as a low-income family at the time the lease-purchase agreement is signed and at the time the housing is transferred if more than six months have elapsed since the participating jurisdiction determined that the family was income eligible. If HOME funds are used to acquire housing that will be resold to a homebuyer through a lease-purchase program, the HOME affordability requirements for rental housing in §92.252 shall apply if the housing is not transferred to a homebuyer within forty-two months after project completion.

(b) Rehabilitation not involving acquisition. Housing that is currently owned by a family qualifies as affordable housing only if:

(1) The estimated value of the property, after rehabilitation, does not exceed 95 percent of the median purchase price for the area, described in paragraph (a)(2)(iii) of this section; and

(2) The housing is the principal residence of an owner whose family qualifies as a low-income family at the time HOME funds are committed to the housing.

(c) Ownership interest. The ownership in the housing assisted under this section must meet the definition of "homeownership" in §92.2.

(d) New construction without acquisition. Newly constructed housing that is built on property currently owned by a family which will occupy the housing upon completion, qualifies as affordable housing if it meets the requirements under paragraph (a) of this section.

§92.255 Converting rental units to homeownership units for existing tenants.

The participating jurisdiction may permit the owner of HOME-assisted rental units to convert the rental units to homeowner units by selling, donating, or otherwise conveying the units to the existing tenants to enable the tenants to become homeowners in accordance with the requirements of §92.254. If no additional HOME funds
§ 92.256  [Reserved]

§ 92.257 Religious organizations.

HOME funds may not be provided to primarily religious organizations, such as churches, for any activity including secular activities. In addition, HOME funds may not be used to rehabilitate or construct housing owned by primarily religious organizations or to assist primarily religious organizations in acquiring housing. However, HOME funds may be used by a secular entity to acquire housing from a primarily religious organization, and a primarily religious entity may transfer title to its property to a wholly secular entity and the entity may participate in the HOME program in accordance with the requirements of this part. The entity may be an existing or newly established entity, which may be an entity established by the religious organization. The completed housing project must be used exclusively by the owner entity for secular purposes, available to all persons regardless of religion. In particular, there must be no religious or membership criteria for tenants of the property.

§ 92.258 Elder cottage housing opportunity (ECHO) units.

(a) General. HOME funds may be used for the initial purchase and initial placement costs of elder cottage housing opportunity (ECHO) units that meet the requirements of this section, and that are small, free-standing, barrier-free, energy-efficient, removable, and designed to be installed adjacent to existing single-family dwellings.

(b) Eligible owners. The owner of a HOME-assisted ECHO unit may be:

1. The owner-occupant of the single-family host property on which the ECHO unit will be located;
2. A participating jurisdiction; or
3. A non-profit organization.

(c) Eligible tenants. During the affordability period, the tenant of a HOME-assisted ECHO unit must be an elderly or disabled family as defined in 24 CFR 5.403 and must also be a low-income family.

(d) Applicable requirements. The requirements of §92.252 apply to HOME-assisted ECHO units, with the following modifications:

1. Only one ECHO unit may be provided per host property.
2. The ECHO unit owner may choose whether or not to charge the tenant of the ECHO unit rent, but if a rent is charged, it must meet the requirements of §92.252.
3. The ECHO housing must remain affordable for the period specified in §92.252(e). If within the affordability period the original occupant no longer occupies the unit, the ECHO unit owner must:
   (i) Rent the unit to another eligible occupant on site;
   (ii) Move the ECHO unit to another site for occupancy by an eligible occupant; or
   (iii) If the owner of the ECHO unit is the host property owner-occupant, the owner may repay the HOME funds in accordance with the recapture provisions imposed by the participating jurisdiction consistent with §92.254(a)(5)(ii). The participating jurisdiction must use the recaptured HOME funds for additional HOME activities.
4. The participating jurisdiction has the responsibility to enforce the project requirements applicable to ECHO units.

Subpart G—Community Housing Development Organizations

§ 92.300 Set-aside for community housing development organizations (CHDOs).

(a)(1) Within 24 months after HUD notifies the participating jurisdiction of HUD’s execution of the HOME Investment Partnerships Agreement, the participating jurisdiction must reserve not less than 15 percent of the HOME
allocation for investment only in housing to be developed, sponsored, or owned by community housing development organizations. For a State, the HOME allocation includes funds reallocated under §92.451(c)(2)(i) and, for a unit of general local government, funds transferred from a State under §92.102(b). The funds are reserved when a participating jurisdiction enters into a written agreement with the community housing development organization. The funds must be provided to the community housing development organization, its subsidiary, or a partnership of which it or its subsidiary is the managing general partner. If a CHDO owns the project in partnership, it or its wholly owned for-profit or non-profit subsidiary must be the managing general partner. In acting in any of the capacities specified, the community housing development organization must have effective project control. In addition, a community housing development organization, in connection with housing it develops, sponsors or owns with HOME funds provided under this section, may provide direct homeownership assistance (e.g., downpayment assistance) and not be considered a subrecipient.

(2) The participating jurisdiction determines the form of assistance, e.g., grant or loan, that the community housing development organization receives and whether any proceeds must be returned to the participating jurisdiction or may be retained by the community housing development organization. While the proceeds the participating jurisdiction permits the community housing development organization to retain are not subject to the requirements of this part, the participating jurisdiction must specify in the written agreement with the community housing development organization whether they are to be used for HOME-eligible or other housing activities to benefit low-income families. However, funds recaptured because housing no longer meets the affordability requirements under §92.254(a)(5)(ii) are subject to the requirements of this part in accordance with §92.503.

(b) Each participating jurisdiction must make reasonable efforts to identify community housing development organizations that are capable, or can reasonably be expected to become capable, of carrying out elements of the jurisdiction’s approved consolidated plan and to encourage such community housing development organizations to do so. If during the first 24 months of its participation in the HOME Program a participating jurisdiction cannot identify a sufficient number of capable community housing development organizations, up to 20 percent of the minimum community housing development organization setaside of 15 percent specified in paragraph (a) of this section, above, (but not more than $150,000 during the 24 month period) may be committed to develop the capacity of community housing development organizations in the jurisdiction.

(c) Up to 10 percent of the HOME funds reserved under this section may be used for activities specified under §92.301.

(d) HOME funds required to be reserved under this section are subject to reduction, as provided in §92.500(d).

(e) If funds for operating expenses are provided under §92.208 to a community housing development organization that is not also receiving funds under paragraph (a) of this section for housing to be developed, sponsored or owned by the community housing development organization, the participating jurisdiction must enter into a written agreement with the community housing development organization that provides that the community housing development organization is expected to receive funds under paragraph (a) of this section within 24 months of receiving the funds for operating expenses, and specifies the terms and conditions upon which this expectation is based.

(f) Limitation on community housing development organization operating funds. A community housing development organization may not receive HOME funding for any fiscal year in an amount that provides more than 50 percent or $50,000, whichever is greater, of the community housing development organization’s total operating expenses in that fiscal year. This also includes organizational support and housing education provided under section 233(b)(1), (2), and (6) of the Act, as well
§ 92.301 Project-specific assistance to community housing development organizations.

(a) Project-specific technical assistance and site control loans—(1) General. Within the percentage specified in §92.300(c), HOME funds may be used by a participating jurisdiction to provide technical assistance and site control loans to community housing development organizations in the early stages of site development for an eligible project. These loans may not exceed amounts that the participating jurisdiction determines to be customary and reasonable project preparation costs allowable under paragraph (a)(2) of this section. All costs must be related to a specific eligible project or projects.

(2) Allowable costs. A loan may be provided to cover project costs necessary to determine project feasibility (including costs of an initial feasibility study), consulting fees, costs of preliminary financial applications, legal fees, architectural fees, engineering fees, engagement of a development team, option to acquire property, site control and title clearance. General operational expenses of the community housing development organization are not allowable costs.

(3) Repayment. The community housing development organization must repay the loan to the participating jurisdiction from construction loan proceeds or other project income. The participating jurisdiction may waive repayment of the loan, in whole or in part, if there are impediments to project development that the participating jurisdiction determines are reasonably beyond the control of the community housing development organization.

§ 92.302 Housing education and organizational support.

HUD is authorized to provide education and organizational support assistance, in conjunction with HOME funds made available to community housing development organizations in accordance with section 233 of the Act. HUD will publish a notice in the Federal Register announcing the availability of funding under this section, as appropriate. The notice need not include funding for each of the eligible activities, but may target funding from among the eligible activities.

§ 92.303 Tenant participation plan.

A community housing development organization that receives assistance under this part must adhere to a fair lease and grievance procedure approved by the participating jurisdiction and provide a plan for and follow a program of tenant participation in management decisions.

as funds for operating expenses provided under §92.208.

§ 92.350 Other Federal requirements and nondiscrimination.

(a) The Federal requirements set forth in 24 CFR part 5, subpart A, are applicable to participants in the HOME program. The requirements of this subpart include: nondiscrimination and equal opportunity; disclosure requirements; debarred, suspended or ineligible contractors; and drug-free workplace.

(b) The nondiscrimination requirements at section 282 of the Act are applicable. These requirements are waived in connection with the use of HOME funds on lands set aside under the Hawaiian Homes Commission Act, 1920 (42 Stat. 108).

§ 92.351 Affirmative marketing; minority outreach program.

(a) Affirmative marketing. (1) Each participating jurisdiction must adopt affirmative marketing procedures and requirements for rental and homebuyer projects containing 5 or more HOME-assisted housing units. Affirmative marketing steps consist of actions to provide information and otherwise attract eligible persons in the housing market area to the available housing without regard to race, color, national origin, sex, religion, familial status or disability. (The affirmative marketing procedures do not apply to families with Section 8 tenant-based rental housing assistance or families with tenant-based rental assistance provided with HOME funds.)

(2) The affirmative marketing requirements and procedures adopted must include:

(i) Methods for informing the public, owners, and potential tenants about Federal fair housing laws and the participating jurisdiction’s affirmative marketing policy (e.g., the use of the Equal Housing Opportunity logotype or slogan in press releases and solicitations for owners, and written communication to fair housing and other groups);

(ii) Requirements and practices each owner must adhere to in order to carry out the participating jurisdiction’s affirmative marketing procedures and requirements (e.g., use of commercial media, use of community contacts, use of the Equal Housing Opportunity logotype or slogan, and display of fair housing poster);

(iii) Procedures to be used by owners to inform and solicit applications from persons in the housing market area who are not likely to apply for the housing without special outreach (e.g., use of community organizations, places of worship, employment centers, fair housing groups, or housing counseling agencies);

(iv) Records that will be kept describing actions taken by the participating jurisdiction and by owners to affirmatively market units and records to assess the results of these actions; and

(v) A description of how the participating jurisdiction will annually assess the success of affirmative marketing actions and what corrective actions will be taken where affirmative marketing requirements are not met.

(3) A State that distributes HOME funds to units of general local government must require each unit of general local government to adopt affirmative marketing procedures and requirements that meet the requirement in paragraphs (a) and (b) of this section.

(b) Minority outreach. A participating jurisdiction must prescribe procedures acceptable to HUD to establish and oversee a minority outreach program within its jurisdiction to ensure the inclusion, to the maximum extent possible, of minorities and women, and entities owned by minorities and women, including, without limitation, real estate firms, construction firms, appraisal firms, management firms, financial institutions, investment banking firms, underwriters, accountants, and providers of legal services, in all contracts entered into by the participating jurisdiction with such persons or entities, public and private, in order to facilitate the activities of the participating jurisdiction to provide affordable housing authorized under this Act or any other Federal housing law applicable to such jurisdiction. Section 85.36(e) of this title describes actions to be taken by a participating jurisdiction.
§ 92.352 Environmental review.

(a) General. The environmental effects of each activity carried out with HOME funds must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321) and the related authorities listed in HUD's implementing regulations at 24 CFR parts 50 and 58.

(b) Responsibility for review.

(1) The jurisdiction (e.g., the participating jurisdiction or State recipient) or insular area must assume responsibility for environmental review, decisionmaking, and action for each activity that it carries out with HOME funds, in accordance with the requirements imposed on a recipient under 24 CFR part 58. No funds may be committed to a HOME activity or project before the completion of the environmental review and approval of the request for release of funds and related certification, except as authorized by 24 CFR part 58.

(2) A State participating jurisdiction must also assume responsibility for approval of requests for release of HOME funds submitted by State recipients.

(3) HUD will perform the environmental review, in accordance with 24 CFR part 50, for a competitively awarded application for HOME funds submitted to HUD by an entity that is not a jurisdiction.

§ 92.353 Displacement, relocation, and acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, the participating jurisdiction must ensure that it has taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted with HOME funds. To the extent feasible, residential tenants must be provided a reasonable opportunity to lease and occupy a suitable, decent, safe, sanitary, and affordable dwelling unit in the building/complex upon completion of the project.

(b) Temporary relocation. The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in monthly rental costs.

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex upon completion of the project; and

(iv) The provisions of paragraph (b)(1) of this section.

(c) Relocation assistance for displaced persons—(1) General. A displaced person (defined in paragraph (c)(2) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4201-4655) and 49 CFR part 24. A “displaced person” must be advised of his or her rights under the Fair Housing Act and, if the comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority person is located in an area of minority concentration, the minority person also must be given, if possible, referrals to comparable and suitable, decent, safe, and sanitary replacement dwellings not located in such areas.

(2) Displaced Person. (i) For purposes of paragraph (c) of this section, the term displaced person means a person (family individual, business, nonprofit organization, or farm, including any corporation, partnership or association) that moves from real property or moves personal property from real
property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted with HOME funds. This includes any permanent, involuntary move for an assisted project, including any permanent move from the real property that is made:

(A) After notice by the owner to move permanently from the property, if the move occurs on or after:

(i) The date of the submission of an application to the participating jurisdiction or HUD, if the applicant has site control and the application is later approved; or

(ii) The date the jurisdiction approves the applicable site, if the applicant does not have site control at the time of the application; or

(B) Before the date described in paragraph (c)(2)(i) of this section, if the jurisdiction or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project; or

(C) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs:

(i) The tenant moves after execution of the agreement covering the acquisition, rehabilitation, or demolition and the move occurs before the tenant is provided written notice offering the tenant the opportunity to lease and occupy a suitable, decent, safe, and sanitary dwelling in the same building/complex upon completion of the project under reasonable terms and conditions. Such reasonable terms and conditions must include a term of at least one year at a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(i) The tenant’s monthly rent before such agreement and estimated average monthly utility costs; or

(ii) Other conditions of the temporary relocation are not reasonable; or

(ii) The total tenant payment, as determined under 24 CFR 5.613, if the tenant is low-income, or 30 percent of gross household income, if the tenant is not low-income; or

(2) The tenant is required to relocate temporarily, does not return to the building/complex, and either

(i) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation; or

(ii) Notwithstanding paragraph (c)(2)(i) of this section, a person does not qualify as a displaced person if:

(A) The person has been evicted for cause based upon a serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable federal, State or local law, or other good cause, and the participating jurisdiction determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance. The effective date of any termination or refusal to renew must be preceded by at least 30 days advance written notice to the tenant specifying the grounds for the action.

(B) The person moved into the property after the submission of the application but, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, incur a rent increase), and the fact that the person would not qualify as a “displaced person” (or for any assistance under this section) as a result of the project;

(C) The person is ineligible under 49 CFR 24.2(g)(2); or

(D) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iii) The jurisdiction may, at any time, ask HUD to determine whether a displacement is or would be covered by this rule.

(3) Initiation of negotiations. For purposes of determining the formula for computing replacement housing assistance to be provided under paragraph (c) of this section to a tenant displaced from a dwelling as a direct result of private-owner rehabilitation, demolition or acquisition of the real property, the term initiation of negotiations means

§ 92.354 Labor.

(a) General. (1) Every contract for the construction (rehabilitation or new construction) of housing that includes 12 or more units assisted with HOME funds must contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. 276a-276a-5), to all laborers and mechanics employed in the development of any part of the housing. Such contracts must also be subject to the overtime provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-332).

(2) The contract for construction must contain these wage provisions if HOME funds are used for any project costs in § 92.206, including construction or nonconstruction costs, of housing with 12 or more HOME-assisted units. When HOME funds are only used to assist homebuyers to acquire single-family housing, and not for any other project costs, the wage provisions apply to the construction of the housing if there is a written agreement with the owner or developer of the housing that HOME funds will be used to assist homebuyers to buy the housing and the construction contract covers 12 or more housing units to be purchased with HOME assistance. The wage provisions apply to any construction contract that includes a total of 12 or more HOME-assisted units, whether one or more than one project is covered by the construction contract. Once they are determined to be applicable, the wage provisions must be contained in the construction contract so as to cover all laborers and mechanics employed in the development of the entire project, including portions other than the assisted units. Arranging multiple construction contracts within a single project for the purpose of avoiding the wage provisions is not permitted.

(3) Participating jurisdictions, contractors, subcontractors, and other participants must comply with regulations issued under these acts and with other Federal laws and regulations pertaining to labor standards and HUD Handbook 1344.1 (Federal Labor Standards Compliance in Housing and Community Development Programs), as applicable. Participating jurisdictions must require certification as to compliance with the provisions of this section before making any payment under such contract.

(b) Volunteers. The prevailing wage provisions of paragraph (a) of this section do not apply to an individual who...
receives no compensation or is paid expenses, reasonable benefits, or a nominal fee to perform the services for which the individual volunteered and who is not otherwise employed at any time in the construction work. See 24 CFR part 70.

(c) Sweat equity. The prevailing wage provisions of paragraph (a) of this section do not apply to members of an eligible family who provide labor in exchange for acquisition of a property for homeownership or provide labor in lieu of, or as a supplement to, rent payments.

§ 92.355 Lead-based paint.

Housing assisted with HOME funds is subject to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et seq.) and 24 CFR part 35. The lead-based paint provisions of 24 CFR 982.401(j), except 24 CFR 982.401(j)(1)(i), also apply, irrespective of the applicable property standard under §92.251. In a project in which not all units are assisted with HOME funds, the lead-based paint requirements apply to all units and common areas in the project. Unless otherwise provided, the participating jurisdiction is responsible for testing and abatement activities.

§ 92.356 Conflict of interest.

(a) Applicability. In the procurement of property and services by participating jurisdictions, State recipients, and subrecipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, apply. In all cases not governed by 24 CFR 85.36 and 24 CFR 84.42, the provisions of this section apply.

(b) Conflicts prohibited. No persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to activities assisted with HOME funds or who are in a position to participate in a decisionmaking process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a HOME-assisted activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter.

(c) Persons covered. The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the participating jurisdiction, State recipient, or subrecipient which are receiving HOME funds.

(d) Exceptions: Threshold requirements. Upon the written request of the participating jurisdiction, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME Investment Partnerships Program and the effective and efficient administration of the participating jurisdiction’s program or project. An exception may be considered only after the participating jurisdiction has provided the following:

1. A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

2. An opinion of the participating jurisdiction’s or State recipient’s attorney that the interest for which the exception is sought would not violate State or local law.

(e) Factors to be considered for exceptions. In determining whether to grant a requested exception after the participating jurisdiction has satisfactorily met the requirements of paragraph (d) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

1. Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project which would otherwise not be available;

2. Whether the person affected is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

3. Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking
§ 92.357 Executive Order 12372.

(a) General. Executive Order 12372, as amended by Executive Order 12416 (3 C.F.R., 1982 Comp., p. 197 and 3 C.F.R., 1983 Comp., p. 186) (Intergovernmental Review of Federal Programs) and HUD's implementing regulations at 24 CFR part 52, allow each State to establish its own process for review and comment on proposed Federal financial assistance programs.

(b) Applicability. Executive Order 12372 applies to applications submitted with respect to HOME funds being competitively reallocated under subpart J of this part to units of general local government.

§ 92.358 Consultant activities.

No person providing consultant services in an employer-employee type relationship shall receive more than a reasonable rate of compensation for personal services paid with HOME funds. In no event, however, shall such compensation exceed the limits in effect under the provisions of any applicable statute (e.g., annual HUD appropriations acts which have set the limit at the equivalent of the daily rate paid for Level IV of the Executive Schedule, see the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1997, Pub. L. 104-204 (September 26, 1996)). Such services shall be evidenced by written agreements between the parties which detail the responsibilities, standards, and compensation. Consultant services provided under an independent contractor.
§ 92.452 Reallocation of community housing development organization set-aside.

H UD will reallocate, under this section, any HOME funds reduced or recaptured by HUD from a participating jurisdiction’s HOME Investment Trust Fund under § 92.300(d). HUD will reallocate these funds by competition in accordance with criteria in § 92.453 to other participating jurisdictions for affordable housing developed, sponsored,
§ 92.453 Competitive reallocations.

(a) HUD will invite applications through Federal Register publication of a Notice of Funding Availability (NOFA), in accordance with section 102 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545) and the requirements of sec. 217(c) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)), for HOME funds that become available for competitive reallocation under §92.451 or §92.452, or both. The NOFA will describe the application requirements and procedures, including the total funding available for the competition and any maximum amount of individual awards. The NOFA will also describe the selection criteria and any special factors to be evaluated in awarding points under the selection criteria.

(b) The NOFA will include the selection criteria at sec. 217(c) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)), with the following maximum number of points awarded for each category of criteria:

(1) Commitment. Up to 25 points for the criteria at sec. 217(c)(1) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(1));
(2) Actions. Up to 50 points for the criteria at sec. 217(c)(2) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(2)); and
(3) Policies. Up to 25 points for the criteria at sec. 217(c)(3) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(3)).

§ 92.454 Reallocations by formula.

(a) HUD will reallocate under this section:

(1) Any HOME funds remaining available for competitive reallocation after HUD has made competitive reallocations under §92.451 and §92.452;
(2) Any HOME funds available for reallocation because HUD reduced or recaptured funds from participating jurisdiction under §92.500(d) for failure to commit the funds within the time specified;
(3) Any HOME funds withdrawn by HUD from a participating jurisdiction under 24 CFR 91.520(f) for failure to submit in a timely manner a performance report required by 24 CFR 91.520 that is satisfactory to HUD; and
(4) Any HOME funds remitted to HUD under §92.503(b) when a jurisdiction ceases to be a participating jurisdiction.

(b) Any reallocation of funds from a State must be made only among all participating States, and any reallocation of funds from units of general local government must be made only among all participating units of general local government, except those participating jurisdictions that HUD has removed from participating in reallocations under §92.552.

(c) A local participating jurisdiction's share of a reallocation is calculated by multiplying the amount available for reallocation to units of general local government by a factor that is that ratio of the participating jurisdiction's formula allocation provided under §92.50 to the total of the formula allocations provided for all local participating jurisdictions sharing in the reallocation. A State participating jurisdiction's share is comparably determined using the amount available for reallocation to States.

(d) HUD will make reallocations under this section quarterly, unless the amount available for such reallocation is insufficient to warrant making a reallocation. In any event, HUD will make a reallocation under this section at least once a year. The minimum amount of a reallocation is $1000.

Subpart K—Program Administration

§ 92.500 The HOME Investment Trust Fund.

(a) General. A HOME Investment Trust Fund consists of the accounts described in this section solely for investment in accordance with the provisions of this part. HUD will establish a HOME Investment Trust Fund United States Treasury account for each participating jurisdiction. Each participating jurisdiction may use either a separate local HOME Investment Trust Fund account or, a subsidiary account.
within its general fund (or other appro-
priate fund) as the local HOME Invest-
ment Trust Fund account.

(b) Treasury Account. The United
States Treasury account of the HOME
Investment Trust Fund includes funds
allocated to the participating jurisdic-
tion under § 92.50 (including for a local
participating jurisdiction, any transfer
of the State’s allocation pursuant to
§ 92.102(b)(2)) and funds reallocated to
the participating jurisdiction, either
by formula or by competition, under
subpart J of this part; and

(c) Local Account. (1) The local ac-
count of the HOME Investment Trust
Fund includes deposits of HOME funds
disbursed from the Treasury account;
the deposit of any State funds (other
than HOME funds transferred pursuant
to § 92.102(b)(2)) or local funds that en-
able the jurisdiction to meet the par-
ticipating threshold amount in § 92.102;
any program income (from both the al-
located funds and matching contribu-
tions in accordance with the definition
of program income); and any repay-
ments or recaptured funds as required
by § 92.503.

(2) The participating jurisdiction
may establish a second local account of
the HOME Investment Trust Funds if:

(i) The participating jurisdiction has
its own affordable housing trust fund
that the participating jurisdiction will
use for matching contributions to the
HOME program;

(ii) The statute or local ordinance re-
quires repayments from its own trust
fund to be made to the trust fund;

(iii) The participating jurisdiction es-

cablishes a separate account within its
own trust fund for repayments of the
matching contributions; and

(iv) The funds in the account are used
solely for investment in eligible activi-
ties within the participating jurisdic-
tion’s boundaries in accordance with
the provisions of this part, except as
provided under § 92.201(a)(2).

(3) The funds in the local account
cannot be used for the matching con-
tribution and do not need to be
matched.

(d)(1) Reductions. HUD will reduce or
recapture HOME funds in the HOME
Investment Trust Fund by the amount of:

(A) Any funds in the United States
Treasury account that are required to
be reserved (i.e., 15 percent of the
funds) by a participating jurisdiction
under § 92.300 that are not reserved for
a community housing development or-
ganization pursuant to a written agree-
ment within 24 months after the last
day of the month in which HUD noti-
ifies the participating jurisdiction of
HUD’s execution of the HOME Invest-
ment Partnership Agreement;

(B) Any funds in the United States
Treasury account that are not com-
mitted within 24 months after the last
day of the month in which HUD noti-
ifies the participating jurisdiction of
HUD’s execution of the HOME Invest-
ment Partnership Agreement;

(C) Any funds in the United States

FR 28930, May 28, 1997]
§ 92.502 Program disbursement and information system.

(a) General. The Home Investment Trust Fund account established in the United States Treasury is managed through a computerized disbursement and information system established by HUD. The system disburse HOME funds that are allocated or reallocated, and collects and reports information on the use of HOME funds in the United States Treasury account. [For purposes of reporting in the Integrated Disbursement and Information System, a HOME project is an activity.]

(b) Project set-up. (1) After the participating jurisdiction executes the HOME Investment Partnership Agreement, submits the applicable banking and security documents, complies with the environmental requirements under 24 CFR part 58 for release of funds and commits funds to a specific local project, the participating jurisdiction may identify (set up) specific investments in the disbursement and information system. Investments that require the set-up of projects in the system are the acquisition, new construction, or rehabilitation of housing, and the provision of tenant-based rental assistance. The participating jurisdiction is required to enter complete project set-up information at the time of project set-up.

(2) If the project set-up information is not completed within 20 days of the project set-up call, the project may be cancelled by the system. In addition, a project which has been committed in the system for 12 months without an initial disbursement of funds may be cancelled by the system.

(c) Disbursement of HOME funds. (1) After complete project set-up information is entered into the disbursement and information system, HOME funds for the project may be drawn down from the United States Treasury account by the participating jurisdiction by electronic funds transfer. The funds will be deposited in the local account of the HOME Investment Trust Fund of the participating jurisdiction within 48 to 72 hours of the disbursement request. Any drawdown of HOME funds from the United States Treasury account is conditioned upon the provision of satisfactory information by the participating jurisdiction about the project or tenant-based rental assistance and compliance with other procedures, as specified by HUD.

(2) HOME funds drawn from the United States Treasury account must be expended for eligible costs within 15 days. Any interest earned within the 15 day period may be retained by the participating jurisdiction as HOME funds. Any funds that are drawn down and not expended for eligible costs within 15 days of the disbursement must be returned to HUD for deposit in the participating jurisdiction's United States Treasury account of the HOME Investment Trust Fund. Interest earned after 15 days belongs to the United States and must be remitted promptly, but at least quarterly, to HUD, except that a local participating jurisdiction may retain interest amounts up to $100 per year for administrative expenses and States are subject to the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.).

(3) HOME funds in the local account of the HOME Investment Trust Fund must be disbursed before requests are made for HOME funds in the United States Treasury account.

(4) A participating jurisdiction will be paid on an advance basis provided it complies with the requirements of this part.

(d) Project completion. (1) Complete project completion information must be entered into the disbursement and information system, or otherwise provided, within 120 days of the final project drawdown. If satisfactory project completion information is not provided, HUD may suspend further project set-ups or take other corrective actions.

(2) Additional HOME funds may be committed to a project up to one year after project completion, but the amount of HOME funds in the project may not exceed the maximum per-unit subsidy amount established under §92.250.

(e) Access by other participants. Access to the disbursement and information system by other entities participating in the HOME program (e.g., State recipients) will be governed by procedures established by HUD.
§ 92.503 Program income, repayments, and recaptured funds.

(a) Program income. (1) Program income must be used in accordance with the requirements of this part. Program income must be deposited in the participating jurisdiction's HOME Investment Trust Fund local account unless the participating jurisdiction permits the State recipient or subrecipient to retain the program income for additional HOME projects pursuant to the written agreement required by §92.504.

(2) If the jurisdiction is not a participating jurisdiction when the program income is received, the funds are not subject to the requirements of this part.

(3) Program income derived from consortium activities undertaken by or within a member unit of general local government which thereafter terminates its participation in the consortium continues to be program income of the consortium.

(b) Repayments. (1) Any HOME funds invested in housing that does not meet the affordability requirements for the period specified in §92.252 or §92.254, as applicable, must be repaid by the participating jurisdiction in accordance with paragraph (b)(3) of this section.

(2) Any HOME funds invested in a project that is terminated before completion, either voluntarily or otherwise, must be repaid by the participating jurisdiction in accordance with paragraph (b)(3) of this section.

(3) If the HOME funds were disbursed from the participating jurisdiction's HOME Investment Trust Fund Treasury account, they must be repaid to the Treasury account. If the HOME funds were disbursed from the participating jurisdiction's HOME Investment Trust Fund local account, they must be repaid to the local account. If the jurisdiction is not a participating jurisdiction when the repayment is made, the funds must be remitted to HUD and reallocated in accordance with §92.454.

(c) Recaptures. HOME funds recaptured in accordance with §92.254(a)(5)(i) must be used in accordance with the requirements of this part. Recaptured funds must be deposited in the participating jurisdiction's HOME Investment Trust Fund local account unless the participating jurisdiction permits the State recipient, subrecipient, or community housing development organization to retain the recaptured funds for additional HOME projects pursuant to the written agreement required by §92.504. If the jurisdiction is not a participating jurisdiction when the recaptured funds are received, the funds must be remitted to HUD and reallocated in accordance with §92.454.

§ 92.504 Participating jurisdiction responsibilities; written agreements; on-site inspection.

(a) Responsibilities. The participating jurisdiction is responsible for managing the day to day operations of its HOME program, ensuring that HOME funds are used in accordance with all program requirements and written agreements, and taking appropriate action when performance problems arise. The use of State recipients, subrecipients, or contractors does not relieve the participating jurisdiction of this responsibility. The performance of each contractor and subrecipient must be reviewed at least annually.

(b) Executing a written agreement. Before disbursing any HOME funds to any entity, the participating jurisdiction must enter into a written agreement with that entity. Before disbursing any HOME funds to any entity, a State recipient, subrecipient, or contractor which is administering all or a part of the HOME program on behalf of the participating jurisdiction, must also enter into a written agreement with that entity. The written agreement must ensure compliance with the requirements of this part.

(c) Provisions in written agreements. The contents of the agreement may vary depending upon the role the entity is asked to assume or the type of project undertaken. This section details basic requirements by role and the minimum provisions that must be included in a written agreement.

(1) State recipient. The provisions in the written agreement between the State and a State recipient will depend on the program functions that the
State specifies the State recipient will carry out in accordance with §92.201(b).

(i) Use of the HOME funds. The agreement must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, and a budget. These items must be in sufficient detail to provide a sound basis for the State to effectively monitor performance under the agreement.

(ii) Affordability. The agreement must require housing assisted with HOME funds to meet the affordability requirements of §92.252 or §92.254, as applicable, and must require repayment of the funds if the housing does not meet the affordability requirements for the specified time period.

(iii) Program income. The agreement must state if program income is to be remitted to the State or to be retained by the State recipient for additional eligible activities.

(iv) Uniform administrative requirements. The agreement must require the State recipient to comply with applicable uniform administrative requirements, as described in §92.515.

(v) Project requirement. The agreement must require compliance with project requirements in subpart F of this part, as applicable in accordance with the type of project assisted.

(vi) Other program requirements. The agreement must require the State recipient to carry out each activity in compliance with all Federal laws and regulations described in subpart H of this part, except that the State recipient does not assume the State's responsibilities for release of funds under §92.352 and the intergovernmental review process in §92.357 does not apply to the State recipient.

(vii) Affirmative marketing. The agreement must specify the State recipient's affirmative marketing responsibilities in accordance with §92.351, if the HOME funds received by the State recipient will be used for housing containing five or more assisted units.

The amount of each request must be limited to the amount needed. Program income must be disbursed before the State recipient requests funds from the State.

(ix) Records and reports. The agreement must specify the particular records that must be maintained and the information or reports that must be submitted in order to assist the State in meeting its recordkeeping and reporting requirements.

(x) Enforcement of the agreement. The agreement must provide for a means of enforcement of affordable housing requirements by the State or the intended beneficiaries, if the State recipient will be the owner at project completion of the affordable housing. The means of enforcement may include liens on real property, deed restrictions, or covenants running with the land. The affordability requirements in §92.252 must be enforced by deed restriction. In addition, the agreement must specify remedies for breach of the HOME requirements. The agreement must specify that, in accordance with 24 CFR 85.43, suspension or termination may occur if the State recipient materially fails to comply with any term of the agreement. The State may permit the agreement to be terminated for convenience in accordance with 24 CFR 85.44.

(xi) If the State recipient provides funds to for-profit owners or developers, nonprofit owners or developers, subrecipients, homeowners, homebuyers, tenants receiving tenant-based rental assistance, or contractors who are providing services to the State recipient, the State recipient must have a written agreement with such entities which meets the requirements of this section.

(xii) Duration of the agreement. The duration of the agreement will depend on which functions the State recipient performs (e.g., whether the State recipient or the State has responsibility for monitoring rental projects for the period of affordability) and which activities are funded under the agreement.

(2) Subrecipient. A subrecipient is a public agency or nonprofit selected by the participating jurisdiction to administer all or a portion of the participating jurisdiction's HOME Program.
The agreement between the participating jurisdiction and the subrecipient must include:

(i) Use of the HOME funds. The agreement must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, a budget, and the period of the agreement. (iii) Uniform administrative requirements. The agreement must require the subrecipient to comply with applicable uniform administrative requirements, as described in §92.505.

(iv) Other program requirements. The agreement must require the subrecipient to carry out each activity in compliance with all Federal laws and regulations described in subpart H of this part, except that the subrecipient does not assume the participating jurisdiction’s responsibilities for environmental review under §92.352 and the intergovernmental review process in §92.357 does not apply.

(v) Affirmative marketing. The agreement must specify the subrecipient’s affirmative marketing responsibilities in accordance with §92.351, if the HOME funds administered by the subrecipient will be used for housing containing five or more assisted units.

(vi) Requests for disbursement of funds. The agreement must specify that the subrecipient may not request disbursement of funds under the agreement until the funds are needed for payment of eligible costs. The amount of each request must be limited to the amount needed. Program income must be disbursed before the subrecipient requests funds from the participating jurisdiction.

(vii) Reversion of assets. The agreement must specify that upon expiration of the agreement, the subrecipient must transfer to the participating jurisdiction any HOME funds on hand at the time of expiration and any accounts receivable attributable to the use of HOME funds.

(viii) Records and reports. The agreement must specify the particular records that must be maintained and the information or reports that must be submitted in order to assist the participating jurisdiction in meeting its recordkeeping and reporting requirements.

(ix) Enforcement of the agreement. The agreement must specify remedies for breach of the provisions of the agreement. The agreement must specify that, in accordance with 24 CFR 85.43, suspension or termination may occur if the subrecipient materially fails to comply with any term of the agreement. The participating jurisdiction may permit the agreement to be terminated for convenience in accordance with 24 CFR 85.44.

(x) If the subrecipient provides HOME funds to for-profit owners or developers, nonprofit owners or developers, subrecipients, homeowners, homebuyers, tenants receiving tenant-based rental assistance, or contractors, the subrecipient must have written agreements which meet the requirements of this section.

(3) For-profit or nonprofit housing owner, sponsor or developer (other than single-family owner-occupant)—(i) Use of the HOME funds. The agreement between the participating jurisdiction and a for-profit or non-profit housing owner, sponsor or developer must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, and a budget. These items must be in sufficient detail to provide a sound basis for the participating jurisdiction to effectively monitor performance under the agreement.

(ii) Affordability. The agreement must require housing assisted with HOME funds to meet the affordability requirements of §92.252 or §92.254, as applicable, and must require repayment of the funds if the housing does not meet the affordability requirements for the specified time period. If the owner or developer is undertaking rental projects, the agreement must establish the initial rents and the procedures for rent increases. If the owner or developer is undertaking homeownership projects for
sale to homebuyers in accordance with §92.254(a), the agreement must set forth the resale or recapture requirements which must be imposed on the housing.

(iii) Project requirements. The agreement must require compliance with project requirements in subpart F of this part, as applicable in accordance with the type of project assisted.

(iv) Property standards. The agreement must require the housing to meet the property standards in §92.251 and the lead-based paint requirements in §92.355 upon project completion. The agreement must also require owners of rental housing assisted with HOME funds to maintain the housing in compliance with §92.251 for the duration of the affordability period.

§ 92.550 Performance reviews.

(a) General. HUD will review the performance of each participating jurisdiction in carrying out its responsibilities under this part whenever determined necessary by HUD, but at least annually. In conducting performance reviews, HUD will rely primarily on information obtained from the participating jurisdiction’s and, as appropriate, the State recipient’s records and reports, findings from on-site monitoring, audit reports, and information generated from the disbursement and information system established by HUD. Where applicable, HUD may also consider relevant information pertaining to a participating jurisdiction’s or State recipient’s performance gained from other sources, including citizen comments, complaint determinations, and litigation. Reviews to determine compliance with specific requirements of this part will be conducted as necessary, with or without prior notice to the participating jurisdiction or State recipient. Comprehensive performance reviews under the standards in paragraph (b) of this section will be conducted after prior notice to the participating jurisdiction.

(b) Standards for comprehensive performance review. A participating jurisdiction’s performance will be comprehensively reviewed periodically, as prescribed by HUD, to determine:

(1) For local participating jurisdictions and State participating jurisdictions administering their own HOME programs, whether the participating jurisdiction has committed the HOME funds in the United States Treasury account as required by §92.500 and expended the funds in the United States Treasury account as required by §92.500, and has met the requirements of this part, particularly eligible activities, income targeting, affordability, and matching requirements; or

§ 92.551 Corrective and remedial actions.

(a) General. HUD will use the procedures in this section in conducting the performance review as provided in §92.550 and in taking corrective and remedial actions.

(b) Performance review. (1) If HUD determines preliminarily that the participating jurisdiction has not met a requirement of this part, the participating jurisdiction will be given notice of this determination and an opportunity to demonstrate to HUD’s satisfaction of this determination and an opportunity to demonstrate, within the time prescribed by HUD (not to exceed 30 days) and on the basis of substantial facts and data, that it has done so.

The privilege under this subpart applies to self-tests conducted both before and after January 30, 1998, except that a self-test conducted before January 30, 1998 is not privileged:
(a) If there was a court action or administrative proceeding before January 30, 1998, including the filing of a complaint alleging a violation of the Fair Housing Act with the Department or a substantially equivalent state or local agency; or
(b) If any part of the report or results were disclosed before January 30, 1998 to any aggrieved person, complainant, department or agency, or to the general public.

Subpart D—Prohibition Against Discrimination Because of Handicap

§ 100.200 Purpose.
The purpose of this subpart is to effectuate sections 6 (a) and (b) and 15 of the Fair Housing Amendments Act of 1988.

§ 100.201 Definitions.
As used in this subpart:
Accessible, when used with respect to the public and common use areas of a building containing covered multi-family dwellings, means that the public or common use areas of the building can be approached, entered, and used by individuals with physical handicaps. The phrase readily accessible to and usable by is synonymous with accessible. A public or common use area that complies with the appropriate requirements of ANSI A117.1-1986 or a comparable standard is accessible within the meaning of this paragraph.
Accessible route means a continuous unobstructed path connecting accessible elements and spaces in a building or within a site that can be negotiated by a person with severe disabilities using a wheelchair and that is also safe for and usable by people with other disabilities. Interior accessible routes may include corridors, floors, ramps, elevators and lifts. Exterior accessible routes may include parking access aisles, curb ramps, walks, ramps and lifts. A route that complies with the appropriate requirements of ANSI A117.1-1986 or a comparable standard is an accessible route.
ANSI A117.1-1986 means the 1986 edition of the American National Standard for buildings and facilities providing accessibility and usability for physically handicapped people. This incorporation by reference was approved by the Director of the Federal Register in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. Copies may be obtained from American National Standards Institute, Inc., 1430 Broadway, New York, NY 10018. Copies may be inspected at the Department of Housing and Urban Development, 451 Seventh Street, SW., room 10276, Washington, DC, or at the Office of the Federal Register, 800 North Capitol Street, NW., suite 700, Washington, DC.
Building means a structure, facility or portion thereof that contains or serves one or more dwelling units.
Building entrance on an accessible route means an accessible entrance to a building that is connected by an accessible route to public transportation stops, to accessible parking and passenger loading zones, or to public streets or sidewalks, if available. A building entrance that complies with ANSI A117.1-1986 or a comparable standard complies with the requirements of this paragraph.
Common use areas means rooms, spaces or elements inside or outside of a building that are made available for the use of residents of a building or the guests thereof. These areas include hallways, lounges, lobbies, laundry rooms, refuse rooms, mail rooms, recreational areas and passageways among and between buildings.
§ 100.201

Controlled substance means any drug or other substance, or immediate precursor included in the definition in section 102 of the Controlled Substances Act (21 U.S.C. 802).

Covered multifamily dwellings means buildings consisting of 4 or more dwelling units if such buildings have one or more elevators; and ground floor dwelling units in other buildings consisting of 4 or more dwelling units.

Dwelling unit means a single unit of residence for a family or one or more persons. Examples of dwelling units include: a single family home; an apartment unit within an apartment building; and in other types of dwellings in which sleeping accommodations are provided but toilets or cooking facilities are shared by occupants of more than one room or portion of the dwelling, rooms in which people sleep. Examples of the latter include dormitory rooms and sleeping accommodations in shelters intended for occupancy as a residence for homeless persons.

Entrance means any access point to a building or portion of a building used by residents for the purpose of entering.

Exterior means all areas of the premises outside of an individual dwelling unit.

First occupancy means a building that has never before been used for any purpose.

Ground floor means a floor of a building with a building entrance on an accessible route. A building may have more than one ground floor.

Handicap means, with respect to a person, a physical or mental impairment which substantially limits one or more major life activities; a record of such an impairment; or being regarded as having such an impairment. This term does not include current, illegal use of or addiction to a controlled substance. For purposes of this part, an individual shall not be considered to have a handicap solely because that individual is a transvestite. As used in this definition:

(a) Physical or mental impairment includes:

(1) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or

(b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, Human Immunodeficiency Virus infection, mental retardation, emotional illness, drug addiction (other than addiction caused by current, illegal use of a controlled substance) and alcoholism.

(c) Major life activities means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(d) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(e) Is regarded as having an impairment means:

(1) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by another person as constituting such a limitation;

(2) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or

(3) Has none of the impairments defined in paragraph (a) of this definition but is treated by another person as having such an impairment.

Interior means the spaces, parts, components or elements of an individual dwelling unit.

Modification means any change to the public or common use areas of a building or any change to a dwelling unit.
Premises means the interior or exterior spaces, parts, components or elements of a building, including individual dwelling units and the public and common use areas of a building.

Public use areas means interior or exterior rooms or spaces of a building that are made available to the general public. Public use may be provided at a building that is privately or publicly owned.

Site means a parcel of land bounded by a property line or a designated portion of a public right or way.

§ 100.202 General prohibitions against discrimination because of handicap.

(a) It shall be unlawful to discriminate in the sale or rental, or to otherwise make unavailable or deny, a dwelling to any buyer or renter because of a handicap of—

(1) That buyer or renter;
(2) A person residing in or intending to reside in that dwelling after it is so sold, rented, or made available; or
(3) Any person associated with that person.

(b) It shall be unlawful to discriminate against any person in the terms, conditions, or privileges of the sale or rental of a dwelling, or in the provision of services or facilities in connection with such dwelling, because of a handicap of—

(1) That buyer or renter;
(2) A person residing in or intending to reside in that dwelling after it is so sold, rented, or made available; or
(3) Any person associated with that person.

(c) It shall be unlawful to make an inquiry to determine whether an applicant for a dwelling, a person intending to reside in that dwelling after it is so sold, rented, or made available; or any person associated with that person, has a handicap or to make inquiry as to the nature or severity of a handicap of such a person. However, this paragraph does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they have handicaps:

(1) Inquiry into an applicant’s ability to meet the requirements of ownership or tenancy;
(2) Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with handicaps or to persons with a particular type of handicap;
(3) Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with handicaps or to persons with a particular type of handicap;
(4) Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance;
(5) Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance.

(d) Nothing in this subpart requires that a dwelling be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals or whose tenancy would result in substantial physical damage to the property of others.

§ 100.203 Reasonable modifications of existing premises.

(a) It shall be unlawful for any person to refuse to permit, at the expense of a handicapped person, reasonable modifications of existing premises, occupied or to be occupied by a handicapped person, if the proposed modifications may be necessary to afford the handicapped person full enjoyment of the premises of a dwelling. In the case of a rental, the landlord may, where it is reasonable to do so, condition permission for a modification on the renter agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted. The landlord may not increase for handicapped persons any customarily required security deposit. However, where it is necessary in order to ensure with reasonable certainty that funds will be available to pay for the restorations at the end of the tenancy, the landlord may negotiate as part of such a restoration agreement a provision requiring that the tenant pay into an interest-bearing escrow account, over a reasonable period, a reasonable amount of money not to exceed the cost of the restorations. The interest in such account shall accrue to the benefit of the tenant.

(b) A landlord may condition permission for a modification on the renter...
§ 100.204 Reasonable accommodations.

(a) It shall be unlawful for any person to refuse to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford a handicapped person equal opportunity to use and enjoy a dwelling unit, including public and common use areas.

(b) The application of this section may be illustrated by the following examples:

Example (1): A tenant with a handi cap asks his or her landlord for permission to install grab bars in the bathroom at his or her own expense. It is necessary to reinforce the walls with blocking between studs in order to affix the grab bars. It is unlawful for the landlord to refuse to permit the tenant, at the tenant’s own expense, from making the modifications necessary to add the grab bars. However, the landlord may condition permission for the modification on the tenant agreeing to restore the bathroom to the condition that existed before the modification, reasonable wear and tear excepted. It would be reasonable for the landlord to require the tenant to remove the grab bars at the end of the tenancy. The landlord may also reasonably require that the wall to which the grab bars are to be attached be repaired and restored to its original condition, reasonable wear and tear excepted. However, it would be unreasonable for the landlord to require the tenant to remove the blocking, since the reinforced walls will not interfere in any way with the landlord’s or the next tenant’s use and enjoyment of the premises and may be needed by some future tenant.

Example (2): An applicant for rental housing has a child who uses a wheelchair. The bathroom door in the dwelling unit is too narrow to permit the wheelchair to pass. The applicant asks the landlord for permission to widen the doorway at the applicant’s own expense. It is unlawful for the landlord to refuse to permit the applicant to make the modification. Further, the landlord may not, in usual circumstances, condition permission for the modification on the applicant paying for the doorway to be narrowed at the end of the lease because a wider doorway will not interfere with the landlord’s or the next tenant’s use and enjoyment of the premises.

§ 100.205 Design and construction requirements.

(a) Covered multifamily dwellings for first occupancy after March 13, 1991 shall be designed and constructed to have at least one building entrance on an accessible route unless it is impractical to do so because of the terrain or unusual characteristics of the site. For purposes of this section, a covered multifamily dwelling shall be deemed to be designed and constructed for first occupancy on or before March 13, 1991, if the dwelling is occupied by that date, or if the last building permit or renewal thereof for the dwelling is issued by a State, County or local government on or before June 15, 1990. The burden of establishing impracticality because of terrain or unusual site characteristics is on the person or persons who designed or constructed the housing facility.
(b) The application of paragraph (a) of this section may be illustrated by the following examples:

Example (1): A real estate developer plans to construct six covered multifamily dwelling units on a site with a hilly terrain. Because of the terrain, it will be necessary to climb a long and steep stairway in order to enter the dwellings. Since there is no practical way to provide an accessible route to any of the dwellings, one need not be provided.

Example (2): A real estate developer plans to construct a building consisting of 10 units of multifamily housing on a waterfront site that floods frequently. Because of this unusual characteristic of the site, the builder plans to construct the building on stilts. It is customary for housing in the geographic area where the site is located to be built on stilts. The housing may lawfully be constructed on the proposed site on stilts even though this means that there will be no practical way to provide an accessible route to the building entrance.

Example (3): A real estate developer plans to construct a multifamily housing facility on a particular site. The developer would like the facility to be built on the site to contain as many units as possible. Because of the configuration and terrain of the site, it is possible to construct a building with 105 units on the site provided the site does not have an accessible route leading to the building entrance. It is also possible to construct a building on the site with an accessible route leading to the building entrance. However, such a building would have no more than 100 dwelling units. The building to be constructed on the site must have a building entrance on an accessible route because it is not impractical to provide such an entrance because of the terrain or unusual characteristics of the site.

(c) All covered multifamily dwellings for first occupancy after March 13, 1991 with a building entrance on an accessible route shall be designed and constructed in such a manner that—

(1) The public and common use areas are readily accessible to and usable by handicapped persons;

(2) All the doors designed to allow passage into and within all premises are sufficiently wide to allow passage by handicapped persons in wheelchairs; and

(3) All premises within covered multifamily dwelling units contain the following features of adaptable design:

(i) An accessible route into and through the covered dwelling unit;

(ii) Light switches, electrical outlets, thermostats, and other environmental controls in accessible locations;

(iii) Reinforcements in bathroom walls to allow later installation of grab bars around the toilet, tub, shower, stall and shower seat, where such facilities are provided; and

(iv) Usable kitchens and bathrooms such that an individual in a wheelchair can maneuver about the space.

(d) The application of paragraph (c) of this section may be illustrated by the following examples:

Example (1): A developer plans to construct a 100 unit condominium apartment building with one elevator. In accordance with paragraph (a), the building has at least one accessible route leading to an accessible entrance. All 100 units are covered multifamily dwelling units and they all must be designed and constructed so that they comply with the accessibility requirements of paragraph (c) of this section.

Example (2): A developer plans to construct 30 garden apartments in a three story building. The building will not have an elevator. The building will have one accessible entrance which will be on the first floor. Since the building does not have an elevator, only the ground floor units are covered multifamily units. The ground floor is the first floor because that is the floor that has an accessible entrance. All of the dwelling units on the first floor must meet the accessibility requirements of paragraph (c) of this section and must have access to at least one of each type of public or common use area available for residents in the building.

(e) Compliance with the appropriate requirements of ANSI A117.1-1986 suffices to satisfy the requirements of paragraph (c)(3) of this section.

(f) Compliance with a duly enacted law of a State or unit of general local government that includes the requirements of paragraphs (a) and (c) of this section satisfies the requirements of paragraphs (a) and (c) of this section.

(g)(1) It is the policy of HUD to encourage States and units of general local government to include, in their existing procedures for the review and approval of newly constructed covered multifamily dwellings, determinations as to whether the design and construction of such dwellings are consistent with paragraphs (a) and (c) of this section.

(2) A State or unit of general local government may review and approve
§ 100.300
newly constructed multifamily dwellings for the purpose of making determinations as to whether the requirements of paragraphs (a) and (c) of this section are met.

(h) Determinations of compliance or noncompliance by a State or a unit of general local government under paragraph (f) or (g) of this section are not conclusive in enforcement proceedings under the Fair Housing Amendments Act.

(i) This subpart does not invalidate or limit any law of a State or political subdivision of a State that requires dwellings to be designed and constructed in a manner that affords handicapped persons greater access than is required by this subpart.

Subpart E—Housing for Older Persons

§ 100.300 Purpose.
The purpose of this subpart is to effectuate the exemption in the Fair Housing Amendments Act of 1988 that relates to housing for older persons.

§ 100.301 Exemption.
(a) The provisions regarding familial status in this part do not apply to housing which satisfies the requirements of §§ 100.302, 100.303 or § 100.304.

(b) Nothing in this part limits the applicability to any reasonable local, State, or Federal restrictions regarding the maximum number of occupants permitted to occupy a dwelling.

§ 100.302 State and Federal elderly housing programs.
The provisions regarding familial status in this part shall not apply to housing provided under any Federal or State program that the Secretary determines is specifically designed and operated to assist elderly persons, as defined in the State or Federal program.

§ 100.303 62 or over housing.
(a) The provisions regarding familial status in this part shall not apply to housing intended for, and solely occupied by, persons 62 years of age or older. Housing satisfies the requirements of this section even though:

(1) There are persons residing in such housing on September 13, 1988 who are under 62 years of age, provided that all new occupants are persons 62 years of age or older;

(2) There are unoccupied units, provided that such units are reserved for occupancy by persons 62 years of age or over;

(3) There are units occupied by employees of the housing (and family members residing in the same unit) who are under 62 years of age provided they perform substantial duties directly related to the management or maintenance of the housing.

(b) The following examples illustrate the application of paragraph (a) of this section:

Example (1): John and Mary apply for housing at the Vista Heights apartment complex which is an elderly housing complex operated for persons 62 years of age or older. John is 62 years of age. Mary is 59 years of age. If Vista Heights wishes to retain its “62 or over” exemption it must refuse to rent to John and Mary because Mary is under 62 years of age. However, if Vista Heights does rent to John and Mary, it might qualify for the “55 or over” exemption in §100.304.

Example (2): The Blueberry Hill retirement community has 100 dwelling units. On September 13, 1988, 15 units were vacant and 35 units were occupied with at least one person who is under 62 years of age. The remaining 50 units were occupied by persons who were all 62 years of age or older. Blueberry Hill can qualify for the “62 or over” exemption as long as all units that were occupied after September 13, 1988 are occupied by persons 62 years of age or older. The people under 62 in the 35 units previously described need not be required to leave for Blueberry Hill to qualify for the “62 or over” exemption.

§ 100.304 55 or over housing.
(a) The provisions regarding familial status shall not apply to housing intended and operated for occupancy by at least one person 55 years of age or older per unit pursuant to this section.

(b) In order to qualify as housing for older persons under this section, at least 80 percent of the units in the housing facility must be occupied by at least one person 55 years of age or older, except that a newly constructed housing facility for first occupancy
(c) Housing satisfies the requirements of this section even though:

(1) On September 13, 1988, under 80 percent of the occupied units in the housing facility are occupied by at least one person 55 years of age or older per unit, provided that at least 80 percent of the units that are occupied after September 13, 1988, are occupied by at least one person 55 years of age or older.

(2) There are unoccupied units, provided that at least 80 percent of the occupied units are occupied by at least one person 55 years of age or older.

(3) There are units occupied by employees of the housing provider (and family members residing in the same unit) who are under 55 years of age, provided the employees perform substantial duties directly related to the management or maintenance of the housing.

[61 FR 18249, Apr. 25, 1996]

§ 100.400 Prohibited interference, coercion or intimidation.

(a) This subpart provides the Department's interpretation of the conduct that is unlawful under section 818 of the Fair Housing Act.

(b) It shall be unlawful to coerce, intimidate, threaten, or interfere with any person in the exercise or enjoyment of, or on account of that person having exercised or enjoyed, or on account of that person having aided or encouraged any other person in the exercise or enjoyment of, any right granted or protected by this part.

(c) Conduct made unlawful under this section includes, but is not limited to, the following:

(1) Coercing a person, either orally, in writing, or by other means, to deny or limit the benefits provided that person in connection with the sale or rental of a dwelling or in connection with a residential real estate-related transaction because of race, color, religion, sex, handicap, familial status, or national origin.

(2) Threatening, intimidating or interfering with persons in their enjoyment of a dwelling because of the race, color, religion, sex, handicap, familial status, or national origin of such persons, or of visitors or associates of such persons.

(3) Threatening an employee or agent with dismissal or an adverse employment action, or taking such adverse employment action, for any effort to assist a person seeking access to the sale or rental of a dwelling or seeking access to any residential real estate-related transaction, because of the race, color, religion, sex, handicap, familial status, or national origin of that person or of any person associated with that person.

(4) Intimidating or threatening any person because that person is engaging in activities designed to make other persons aware of, or encouraging such other persons to exercise, rights granted or protected by this part.

(5) Retaliating against any person because that person has made a complaint, testified, assisted, or participated in any manner in a proceeding under the Fair Housing Act.

§ 103.25 Where to file complaints.

(a) Aggrieved persons may file complaints in person with, or by mail to: Fair Housing, Department of Housing and Urban Development, Washington DC 20410, or any HUD Office. A list of Regional Offices (with addresses and areas of jurisdiction) and Field Offices (with addresses) is contained in an appendix to this part.

(b) Aggrieved persons may provide information to be contained in a complaint by telephone to any Regional or Field Office of HUD. HUD will reduce information provided by telephone to writing on the prescribed complaint form and send the form to the aggrieved person to be signed and affirmed as provided in §103.30(a).

(c) Complaints may be filed in person or by mail with any substantially equivalent State or local agency. Complaints filed with a substantially equivalent State or local agency will be considered to be complaints dual filed with the agency under its own law, and with HUD under the Fair Housing Act.

(b) Generally, complaints will be processed through HUD’s Regional Administrator having jurisdiction in the State in which the alleged discriminatory housing practice occurred. However, where a complaint has been identified for systemic processing under §103.205, that complaint may be processed in the Office of the Assistant Secretary in Washington, DC.

§ 103.30 Form and content of complaint.

(a) Each complaint must be in writing and must be signed and affirmed by the aggrieved person filing the complaint or, if the complaint is filed by HUD, by the Assistant Secretary. The signature and affirmation may be made at any time during the investigation. The affirmation shall state: “I declare under penalty of perjury that the foregoing is true and correct.”

(b) The Assistant Secretary may require complaints to be made on prescribed forms.

(c) Each complaint must contain substantially the following information:

(1) The name and address of the aggrieved person.

§ 103.40 Date of filing of complaint.

(a) Except as provided in paragraph (b) of this section, a complaint is filed when it is received by HUD, or dual filed with HUD through a substantially equivalent State or local agency, in a form that reasonably meets the standards of §103.30.

(b) The Assistant Secretary may determine that a complaint is filed for the purposes of the one-year period for the filing of complaints, upon the submission of written information (including information provided by telephone and reduced to writing by an employee of HUD) identifying the parties and describing generally the alleged discriminatory housing practice.

(c) Where a complaint alleges a discriminatory housing practice that is continuing, as manifested in a number
§ 103.42 Amendment of complaint.

Complaints may be reasonably and fairly amended at any time. Such amendments may include, but are not limited to: amendments to cure technical defects or omissions, including failure to sign or affirm a complaint, to clarify or amplify the allegations in a complaint, or to join additional or substitute respondents. Except for the purposes of notifying respondents under §103.50, amended complaints will be considered as having been made as of the original filing date.

§ 103.45 Service of notice on aggrieved person.

Upon the filing of a complaint, the Assistant Secretary will notify, by certified mail or personal service, each aggrieved person on whose behalf the complaint was filed. The notice will:

(a) Acknowledge the filing of the complaint and state the date that the complaint was accepted for filing.

(b) Include a copy of the complaint.

(c) Advise the aggrieved person of the time limits applicable to complaint processing and of the procedural rights and obligations of the aggrieved person under this part and part 180.

(d) Advise the aggrieved person of his or her right to commence a civil action under section 813 of the Fair Housing Act in an appropriate United States District Court, not later than two years after the occurrence or termination of the alleged discriminatory housing practice. The notice will state that the computation of this two-year period excludes any time during which a proceeding is pending under this part or part 180 with respect to a complaint or charge based on the alleged discriminatory housing practice.

(e) Advise the aggrieved person that retaliation against any person because he or she made a complaint or testified, assisted, or participated in an investigation or conciliation under this part or an administrative proceeding under part 180, is a discriminatory housing practice that is prohibited under section 818 of the Fair Housing Act.

§ 103.50 Notification of respondent; joinder of additional or substitute respondents.

(a) Within ten days of the filing of a complaint under §103.40 or the filing of an amended complaint under §103.42, the Assistant Secretary will serve a notice on each respondent by certified mail or by personal service. A person who is not named as a respondent in a complaint, but who is identified in the course of the investigation under subpart D of this part as a person who is alleged to be engaged, to have engaged, or to be about to engage in the discriminatory housing practice upon which the complaint is based may be joined as an additional or substitute respondent by service of a notice on the person under this section within ten days of the identification.

(b)(1) The notice will identify the alleged discriminatory housing practice upon which the complaint is based, and include a copy of the complaint.

(2) The notice will state the date that the complaint was accepted for filing.

(3) The notice will advise the respondent of the time limits applicable to complaint processing under this part and of the procedural rights and obligations of the respondent under this part and part 180, including the opportunity to submit an answer to the complaint within 10 days of the receipt of the notice.

(4) The notice will advise the respondent of the aggrieved person's right to commence a civil action under section 813 of the Fair Housing Act in an appropriate United States District Court, not later than two years after the occurrence or termination of the alleged discriminatory housing practice. The notice will also state that the time period excludes any time during which a proceeding is pending under this part or part 180 with respect to a complaint or charge based on the alleged discriminatory housing practice.
§ 103.55 Answer to complaint.

(a) The respondent may file an answer not later than ten days after receipt of the notice described in §103.50. The respondent may assert any defense that might be available to a defendant in a court of law. The answer must be signed and affirmed by the respondent. The affirmation must state: “I declare under penalty of perjury that the foregoing is true and correct.”

(b) An answer may be reasonably and fairly amended at any time with the consent of the Assistant Secretary.

Subpart C—Referral of Complaints to State and Local Agencies

§ 103.100 Notification and referral to substantially equivalent State or local agencies.

(a) Whenever a complaint alleges a discriminatory housing practice that is within the jurisdiction of a substantially equivalent State or local agency and the agency is certified or may accept interim referrals under 24 CFR part 115 with regard to the alleged discriminatory housing practice, the Assistant Secretary will notify the agency of the filing of the complaint and refer the complaint to the agency for further processing before HUD takes any action with respect to the complaint. The Assistant Secretary will notify the State or local agency of the referral by certified mail.

(b) The Assistant Secretary will notify the aggrieved person and the respondent, by certified mail or personal service, of the notification and referral under paragraph (a) of this section. The notice will advise the aggrieved person and the respondent of the aggrieved person's right to commence a civil action under section 813 of the Fair Housing Act in an appropriate United States District Court, not later than two years after the occurrence or termination of the alleged discriminatory housing practice. The notice will state that the computation of this two-year period excludes any time during which a proceeding is pending under this part or part 180 with respect to complaint or charge based on the alleged discriminatory housing practice. The notice will also state that the time period includes the time during which an action arising from a breach of a conciliation agreement under section 814(b)(2) of the Fair Housing Act is pending.

§ 103.105 Cessation of action on referred complaints.

A referral under §103.100 does not prohibit the Assistant Secretary from taking appropriate action to review or investigate matters in the complaint that raise issues cognizable under other civil rights authorities applicable to departmental programs (see §103.5).

§ 103.110 Reactivation of referred complaints.

The Assistant Secretary may reactivate a complaint referred under §103.100 for processing by HUD if:

(a) The substantially equivalent State or local agency consents or requests the reactivation;

(b) The Assistant Secretary determines that, with respect to the alleged discriminatory housing practice, the agency no longer qualifies for certification as a substantially equivalent
§ 103.205 Systemic processing.

Where the Assistant Secretary determines that the alleged discriminatory practices contained in a complaint are pervasive or institutional in nature, or that the processing of the complaint will involve complex issues, novel questions of fact or law, or will affect a large number of persons, the Assistant Secretary may identify the complaint during which an action arising from a breach of conciliation agreement under section 814(b)(2) of the Fair Housing Act is pending.

Subpart D—Investigation Procedures

§ 103.200 Investigations.

(a) Upon the filing of a complaint under § 103.40, the Assistant Secretary will initiate an investigation. The purposes of an investigation are:

(1) To obtain information concerning the events or transactions that relate to the alleged discriminatory housing practice identified in the complaint.

(2) To document policies or practices of the respondent involved in the alleged discriminatory housing practice raised in the complaint.

(3) To develop factual data necessary for the General Counsel to make a determination under § 103.400 whether reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, and for the Assistant Secretary to make a determination under § 103.400 that no reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, and to take other actions provided under this part.

(b) Upon the written direction of the Assistant Secretary, HUD may initiate an investigation of housing practices to determine whether a complaint should be filed under subpart B of this part. Such investigations will be conducted in accordance with the procedures described under this subpart.

§ 103.205 Systemic processing.

State or local agency and may not accept interim referrals; or

(c) The substantially equivalent State or local agency has failed to commence proceedings with respect to the complaint within 30 days of the date that it received the notification and referral of the complaint; or the agency commenced proceedings within this 30-day period, but the Assistant Secretary determines that the agency has failed to carry the proceedings forward with reasonable promptness.

§ 103.115 Notification upon reactivation.

(a) Whenever a complaint referred to a State or local fair housing agency under § 103.100 is reactivated under § 103.110, the Assistant Secretary will notify the substantially equivalent State or local agency, the aggrieved person and the respondent of HUD's reactivation. The notification will be made by certified mail or personal service.

(b) The notification to the respondent and the aggrieved person will:

(1) Advise the aggrieved person and the respondent of the time limits applicable to complaint processing and the procedural rights and obligations of the aggrieved person and the respondent under this part and part 180.

(2) State that HUD will process the complaint under the Fair Housing Act and that the State or local agency to which the complaint was referred may continue to process the complaint under State or local law.

(3) Advise the aggrieved person and the respondent of the aggrieved person's right to commence a civil action under section 813 of the Fair Housing Act in an appropriate United States District Court, not later than two years after the occurrence or termination of the alleged discriminatory housing practice. The notice will state that the computation of this two-year period excludes any time during which a proceeding is pending under this part or part 180 with respect to a complaint or charge based on the alleged discriminatory housing practice under part 180. The notices will also state that the time period includes the time during which an action arising from a breach of conciliation agreement under section 814(b)(2) of the Fair Housing Act is pending.

for systemic processing. This determination can be based on the face of the complaint or on information gathered in connection with an investigation. Systemic investigations may focus not only on documenting facts involved in the alleged discriminatory housing practice that is the subject of the complaint but also on review of other policies and procedures related to matters under investigation, to make sure that they also comply with the nondiscrimination requirements of the Fair Housing Act.

§ 103.215 Conduct of investigation.
(a) In conducting investigations under this part, the Assistant Secretary will seek the voluntary cooperation of all persons to obtain access to premises, records, documents, individuals, and other possible sources of information; to examine, record, and copy necessary materials; and to take and record testimony or statements of persons reasonably necessary for the furtherance of the investigation.
(b) The Assistant Secretary may conduct and order discovery in aid of the investigation by the same methods and to the same extent that discovery may be ordered in an administrative proceeding under 24 CFR part 180, except that the Assistant Secretary shall have the power to issue subpoenas described in 24 CFR 180.545 in support of the investigation. Subpoenas issued by the Assistant Secretary must be approved by the General Counsel as to their legality before issuance.

§ 103.220 Cooperation of Federal, State and local agencies.
The Assistant Secretary, in processing Fair Housing Act complaints, may seek the cooperation and utilize the services of Federal, State or local agencies, including any agency having regulatory or supervisory authority over financial institutions.

§ 103.225 Completion of investigation.
The investigation will remain open until a determination is made under § 103.400 or a conciliation agreement is executed and approved under § 103.310. Unless it is impracticable to do so, the Assistant Secretary will complete the investigation of the alleged discriminatory housing practice within 100 days of the filing of the complaint (or where the Assistant Secretary reactivates the complaint, within 100 days after service of the notice of reactivation under § 103.115). If the Assistant Secretary is unable to complete the investigation within the 100-day period, HUD will notify the aggrieved person and the respondent, by mail, of the reasons for the delay.

[61 FR 14380, Apr. 1, 1996]

§ 103.230 Final investigative report.
(a) At the end of each investigation under this part, the Assistant Secretary will prepare a final investigative report. The investigative report will contain:
(1) The names and dates of contacts with witnesses, except that the report will not disclose the names of witnesses that request anonymity. HUD, however, may be required to disclose the names of such witnesses in the course of an administrative hearing under part 180 of this chapter or a civil action under title VIII of the Fair Housing Act;
(2) A summary and the dates of correspondence and other contacts with the aggrieved person and the respondent;
(3) A summary description of other pertinent records;
(4) A summary of witness statements; and
(5) Answers to interrogatories.
(b) A final investigative report may be amended at any time, if additional evidence is discovered.
(c) Notwithstanding the prohibitions and requirements with respect to disclosure of information contained in § 103.330, the Assistant Secretary will make information derived from an investigation, including the final investigative report, available to the aggrieved person and the respondent. Following the completion of investigation, the Assistant Secretary shall notify the aggrieved person and the respondent that the final investigation report
is complete and will be provided upon request.

Subpart E—Conciliation Procedures

§ 103.300 Conciliation.

(a) During the period beginning with the filing of the complaint and ending with the filing of a charge or the dismissal of the complaint by the General Counsel or the Assistant Secretary, the Assistant Secretary will, to the extent feasible, attempt to conciliate the complaint.

(b) In conciliating a complaint, HUD will attempt to achieve a just resolution of the complaint and to obtain assurances that the respondent will satisfactorily remedy any violations of the rights of the aggrieved person, and take such action as will assure the elimination of discriminatory housing practices, or the prevention of their occurrence, in the future.

(c) Generally, officers, employees, and agents of HUD engaged in the investigation of a complaint under this part will not participate or advise in the conciliation of the same complaint or in any factually related complaint. Where the rights of the aggrieved party and the respondent can be protected and the prohibitions with respect to the disclosure of information can be observed, the investigator may suspend fact finding and engage in efforts to resolve the complaint by conciliation.

§ 103.310 Conciliation agreement.

(a) The terms of a settlement of a complaint will be reduced to a written conciliation agreement. The conciliation agreement shall seek to protect the interests of the aggrieved person, other persons similarly situated, and the public interest. The types of relief that may be sought for the aggrieved person are described in § 103.315. The provisions that may be sought for the vindication of the public interest are described in § 103.320.

(b)(1) The agreement must be executed by the respondent and the complainant. The agreement is subject to the approval of the Assistant Secretary, who will indicate approval by signing the agreement. The Assistant Secretary will approve an agreement and, if the Assistant Secretary is the complainant, will execute the agreement, only if:

(i) The complainant and the respondent agree to the relief accorded the aggrieved person;

(ii) The provisions of the agreement will adequately vindicate the public interest; and

(iii) If the Assistant Secretary is the complainant, all aggrieved persons named in the complaint are satisfied with the relief provided to protect their interests.

(2) The General Counsel may issue a charge under § 103.405 if the aggrieved person and the respondent have executed a conciliation agreement that has not been approved by the Assistant Secretary.

§ 103.315 Relief sought for aggrieved persons.

(a) The following types of relief may be sought for aggrieved persons in conciliation:

(1) Monetary relief in the form of damages, including damages caused by humiliation or embarrassment, and attorney fees;

(2) Other equitable relief including, but not limited to, access to the dwelling at issue, or to a comparable dwelling, the provision of services or facilities in connection with a dwelling, or other specific relief; or

(3) Injunctive relief appropriate to the elimination of discriminatory housing practices affecting the aggrieved person or other persons.

(b) The conciliation agreement may provide for binding arbitration of the dispute arising from the complaint. Arbitration may award appropriate relief as described in paragraph (a) of this section. The aggrieved person and the respondent may, in the conciliation agreement, limit the types of relief that may be awarded under binding arbitration.
§ 103.320 Provisions sought for the public interest.

The following are types of provisions that may be sought for the vindication of the public interest:
(a) Elimination of discriminatory housing practices.
(b) Prevention of future discriminatory housing practices.
(c) Remedial affirmative activities to overcome discriminatory housing practices.
(d) Reporting requirements.
(e) Monitoring and enforcement activities.

§ 103.325 Termination of conciliation efforts.

(a) HUD may terminate its efforts to conciliate the complaint if the respondent fails or refuses to confer with HUD; the aggrieved person or the respondent fail to make a good faith effort to resolve any dispute; or HUD finds, for any reason, that voluntary agreement is not likely to result.
(b) Where the aggrieved person has commenced a civil action under an Act of Congress or a State law seeking relief with respect to the alleged discriminatory housing practice, and the trial in the action has commenced, HUD will terminate conciliation unless the court specifically requests assistance from the Assistant Secretary.

§ 103.330 Prohibitions and requirements with respect to disclosure of information obtained during conciliation.

(a) Except as provided in paragraph (b) of this section and §103.230(c), nothing that is said or done in the course of conciliation under this part may be made public or used as evidence in a subsequent administrative hearing under part 180 or in civil actions under title VIII of the Fair Housing Act, without the written consent of the persons concerned.
(b) Conciliation agreements shall be made public, unless the aggrieved person and respondent request nondisclosure and the Assistant Secretary determines that disclosure is not required to further the purposes of the Fair Housing Act. Notwithstanding a determination that disclosure of a conciliation agreement is not required, the Assistant Secretary may publish tabulated descriptions of the results of all conciliation efforts.

§ 103.335 Review of compliance with conciliation agreements.

HUD may, from time to time, review compliance with the terms of any conciliation agreement. Whenever HUD has reasonable cause to believe that a respondent has breached a conciliation agreement, the Assistant Secretary shall refer the matter to the Attorney General with a recommendation for the filing of a civil action under section 814(b)(2) of the Fair Housing Act for the enforcement of the terms of the conciliation agreement.

Subpart F—Issuance of Charge

§ 103.400 Reasonable cause determination.

(a) If a conciliation agreement under §103.310 has not been executed by the complainant and the respondent and approved by the Assistant Secretary, the Assistant Secretary shall conduct a review of the factual circumstances revealed as part of HUD's investigation.
(1) If the Assistant Secretary for Fair Housing and Equal Opportunity determines that, based on the totality of factual circumstances known at the time of the Assistant Secretary's review, no reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the Assistant Secretary shall: Issue a short and plain written statement of the facts upon which the Assistant Secretary has based the no reasonable cause determination; dismiss the complaint; notify the aggrieved person and the respondent of the dismissal (including the written statement of facts) by mail; and make public disclosure of the dismissal. The respondent may request that no public disclosure be made. Notwithstanding such a request, the fact of dismissal, including the names of the parties, shall be public information available on request. The Assistant Secretary's
determination shall be based solely upon the facts concerning the alleged discriminatory housing practice provided by complainant and respondent and otherwise disclosed during the investigation. In making this determination, the Assistant Secretary shall consider whether the facts concerning the alleged discriminatory housing practice are sufficient to warrant the initiation of a civil action in federal court.

(2) If, based on the totality of the factual circumstances known at the time of the decision, the Assistant Secretary believes that reasonable cause may exist to believe that a discriminatory housing practice has occurred or is about to occur, the Assistant Secretary shall determine that reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, in all cases not involving the legality of local land use laws or ordinances (except as provided in paragraph (b) of this section). The Assistant Secretary’s determination shall be based solely on the facts concerning the alleged discriminatory housing practices provided by complainants and respondents and otherwise identified during the investigation in making this determination. In making this determination, the Assistant Secretary shall consider whether the facts concerning the alleged discriminatory housing practice are sufficient to warrant the initiation of a civil action in federal court.

(i) If the Assistant Secretary determines that reasonable cause exists, the Assistant Secretary, upon receipt of concurrence of the General Counsel, will issue such determination and direct the issuance of a charge under §103.405 on behalf of the aggrieved person, and shall notify the complainant and the respondent of this determination by certified mail or personal service.

(ii) If the Assistant Secretary determines that no reasonable cause exists, the Assistant Secretary shall issue a short and plain written statement of the facts upon which the Assistant Secretary has based the no reasonable cause determination; dismiss the complaint; notify the complainant and the respondent of the dismissal (including the written statement of facts) by mail; and make public disclosure of the dismissal. The complainant or respondent may request that no public disclosure be made. Notwithstanding such a request, the fact of dismissal, including the names of the parties, shall be public information available on request.

(3) If the Assistant Secretary determines that the matter involves the legality of local zoning or land use laws or ordinances, the Assistant Secretary, in lieu of making a determination regarding reasonable cause, shall refer the investigative material to the Attorney General for appropriate action under section 814(b)(1) of the Fair Housing Act, and shall notify the complainant and the respondent of this action by mail or personal service.

(b) The Assistant Secretary may not issue a charge under paragraph (a) of this section regarding an alleged discriminatory housing practice, if an aggrieved person has commenced a civil action under an Act of Congress or a state law seeking relief with respect to the alleged housing practice and the trial in the action has commenced. If a charge may not be issued because of the commencement of such a trial, the Assistant Secretary shall so notify the complainant and the respondent by certified mail or personal service.

(c)(1) A determination of reasonable cause or no reasonable cause by the Assistant Secretary shall be made within 100 days after filing of the complaint (or where the Assistant Secretary has reactivated a complaint, within 100 days after service of the notice of reactivation under §103.115), unless it is impracticable to do so.

(2) If the Assistant Secretary is unable to make the determination within the 100-day period specified in paragraph (c)(1) of this section, the Assistant Secretary will notify the complainant and the respondent by mail of the reasons for the delay.

§ 103.405 Issuance of charge.

(a) A charge:

(1) Shall consist of a short and plain written statement of the facts upon which the Assistant Secretary has found reasonable cause to believe that
§ 103.410 Election of civil action or provision of administrative proceeding.

(a) If a charge is issued under § 103.405, a complainant (including the Assistant Secretary, if HUD filed the complaint), a respondent, or an aggrieved person on whose behalf the complaint is filed may elect, in lieu of an administrative proceeding under 24 CFR part 180, to have the claims asserted in the charge decided in a civil action under section 812(o) of the Fair Housing Act.

(b) The election must be made not later than 20 days after the receipt of service of the charge, or in the case of the Assistant Secretary, not later than 20 days after service. The notice of the election must be filed with the Chief Docket Clerk in the Office of Administrative Law Judges and served on the General Counsel, the Assistant Secretary, the respondent, and the aggrieved persons on whose behalf the complaint was filed. The notification will be filed and served in accordance with the procedures established under 24 CFR part 180.

(c) If an election is not made under this section, the General Counsel will maintain an administrative proceeding based on the charge in accordance with the procedures under 24 CFR part 180.

(d) If an election is made under this section, the General Counsel shall immediately notify and authorize the Attorney General to commence and maintain a civil action seeking relief under section 812(o) of the Fair Housing Act on behalf of the aggrieved person in an appropriate United States District Court. Such notification and authorization shall include transmission of the file in the case, including a copy of the final investigative report and the charge, to the Attorney General.

(e) The General Counsel shall be available for consultation concerning any legal issues raised by the Attorney General as to how best to proceed in the event that a new court decision or newly discovered evidence is regarded as relevant to the reasonable cause determination.

Subpart G—Prompt Judicial Action

§ 103.500 Prompt judicial action.

(a) If at any time following the filing of a complaint, the General Counsel concludes that prompt judicial action is necessary to carry out the purposes of this part or 24 CFR part 180, the General Counsel may authorize the Attorney General to commence a civil action for appropriate temporary or preliminary relief pending final disposition of the complaint. To ensure the prompt initiation of the civil action, the General Counsel will consult with the Assistant Attorney General for the Civil Rights Division before making the determination that prompt judicial

action is necessary. The commencement of a civil action by the Attorney General under this section will not affect the initiation or continuation of proceedings under this part or administrative proceedings under part 180.

(b) If the General Counsel has reason to believe that a basis exists for the commencement of proceedings against the respondent under section 814(a) of the Fair Housing Act (Pattern or Practice Cases), proceedings under section 814(c) of the Fair Housing Act (Enforcement of Subpoenas), or proceedings by any governmental licensing or supervisory authorities, the General Counsel shall transmit the information upon which that belief is based to the Attorney General and to other appropriate authorities.

Subpart H—Other Action

§ 103.510 Other action by HUD.

In addition to the actions described in §103.500, HUD may pursue one or more of the following courses of action:

(a) Refer the matter to the Attorney General for appropriate action (e.g., enforcement of criminal penalties under section 811(c) of the Act).

(b) Take appropriate steps to initiate proceedings leading to the debarment of the respondent under 24 CFR part 24, or initiate other actions leading to the imposition of administrative sanctions where HUD determines that such actions are necessary to the effective operation and administration of Federal programs or activities.

(c) Take appropriate steps to initiate proceedings under:

(d) Inform any other Federal, State or local agency with an interest in the enforcement of respondent's obligations with respect to nondiscrimination in housing.

§ 103.515 Action by other agencies.

In accordance with section 808 (d) and (e) of the Fair Housing Act and Executive Order No. 12259, other Federal agencies, including any agency having regulatory or supervisory authority over financial institutions, are responsible for ensuring that their programs and activities relating to housing and urban development are administered in a manner affirmatively to further the goal of fair housing, and for cooperating with the Assistant Secretary in furthering the purposes of the Fair Housing Act.

§ 107.30 Recordkeeping requirements.

(a) All persons receiving assistance through any program or activity of the Department involving the provision of housing and related activities subject to Executive Order 11063 shall maintain racial, religious, national origin and sex data required by the Department in connection with its programs and activities.

(b) All lenders participating in Departmental mortgage insurance programs, home improvement loan programs, GNMA mortgage purchase programs, or special mortgage assistance programs, shall maintain data regarding the race, religion, national origin and sex of each applicant and joint applicant for assistance with regard to residential property and related facilities. Applications shall be retained for a period of at least twenty-five (25) months following the date the record was made.

(c) If an investigation or compliance review under this part reveals a failure to comply with any of the requirements of paragraph (a) or (b) of this section, the respondent shall have the burden of establishing its compliance.
with this part and with the equal housing opportunity requirements of the Executive order.

§ 107.35 Complaints.

(a) The Assistant Secretary for FH&EO, or designee, shall conduct such compliance reviews, investigations, inquiries, and informal meetings as may be necessary to effect compliance with this part.

(b) Complaints under this part may be filed by any person and must be filed within one year of date of the alleged act of discrimination unless the time for filing is extended by the Assistant Secretary for FH&EO. The Director of the Office of Regional FH&EO or a designee within a reasonable period of time shall conduct an investigation into the facts. The complainant shall be notified of the determination.

§ 107.40 Compliance meeting.

(a) Where preliminary analysis of a complaint, a compliance review initiated by the Assistant Secretary for FH&EO, or other information indicates a possible violation of E.O. 11063 or this part, the person allegedly in violation (respondent) shall be sent a Notice of Compliance Meeting and requested to attend a compliance meeting. The Notice shall advise the respondent of the matters to be addressed in the Compliance Meeting and the allegations contained in a complaint received pursuant to § 107.35. The purpose of the compliance meeting is to provide the respondent with the opportunity to address matters raised and to remedy such possible violations speedily and informally, to identify possible remedies; and to effect a resolution as provided in § 107.45.

(b) The Notice of Compliance Meeting shall be sent to the last known address of the person allegedly in violation, by certified mail, or through personal service. The Notice will advise such person of the right to respond within seven (7) days to the matters and to submit information and relevant data evidencing compliance with E.O. 11063, the Affirmative Fair Housing Marketing Regulations, 24 CFR 200.600, the Fair Housing Poster Regulations, 24 CFR part 110, the Advertising Guidelines for Fair Housing, 37 FR 6700, April 1, 1972, other affirmative marketing requirements applicable to the program or activity and any revisions thereto. (c) Whenever a compliance meeting is scheduled as a result of a complaint, the complaining party shall be sent a copy of the Notice of Compliance Meeting and shall be provided an opportunity to attend the meeting.

(d) The Area Office having jurisdiction over the program will prepare a report concerning the status of the respondent’s participation in Department programs to be presented to the respondent at the meeting. The Area Manager shall be notified of the meeting and may attend the meeting.

(e) At the Compliance Meeting the respondent and the complainant may be represented by counsel and shall have a fair opportunity to present any matters relevant to the complaint.

(f) During and pursuant to the Compliance Meeting, the Director of the Office of Regional FH&EO shall consider all evidence relating to the alleged violation, including any action taken by the person allegedly in violation to comply with E.O. 11063.

(g) If the evidence shows no violation of the Executive order or this part, the Director of the Office of Regional
§ 107.45 Resolution of matters.

(a) Attempts to resolve and remedy matters found in a complaint investigation or a compliance review shall be made through the methods of conference, conciliation, and persuasion.

(b) Resolution of matters pursuant to this section and § 107.40 need not be attempted where similar efforts by another Federal agency have been unsuccessful in ending and remediying the violation found with respect to the same respondent.

(c) Efforts to remedy matters shall be directed toward achieving a just resolution of the probable violation and obtaining assurance(s) that the respondent will satisfactorily remedy any violation of E.O. 11063 and will take actions to eliminate the discriminatory practices and prevent reoccurrences. Compensation to individuals from the respondent may also be considered.

(d) The terms of settlements shall be reduced to a written agreement, signed by the respondent and the Assistant Secretary for FH&EO or a designee. Such settlements shall seek to protect the interests of the complainant, if any, other persons similarly affected, and the public interest. A written notice of the disposition of matters pursuant to this section and of the terms of settlements shall be given to the Area Manager by the Assistant Secretary for FH&EO or a designee and to the complainant, if any. When the Assistant Secretary or a designee determines that there has been a violation of a settlement agreement, the Assistant Secretary immediately may take action to impose sanctions provided under this part, including the referral of the matter to the Attorney General for appropriate action.

§ 107.50 Compliance reviews.

(a) Compliance reviews shall be conducted by the Director of the Office of Regional FH&EO or a designee. Complaints alleging a violation(s) of this part or information ascertained in the absence of a complaint indicating apparent failure to comply with this part shall be referred immediately to the Director of the Office of Regional FH&EO. The Regional Director of the Office having jurisdiction over the programs involved and the Area Manager shall be notified of all alleged violations of the regulations. A complaint is not a prerequisite for the initiation of compliance review.

(b) The purpose of a compliance review is to determine whether the respondent is in compliance with the Executive order and this part. Where allegations may also indicate a violation
of the provisions of title VIII of the
Civil Rights Act of 1968, HUD regulations
issued thereunder and Affirmative Fair Housing Marketing require-
m ents, a review may be undertaken to
determine compliance with those re-
quirements. The respondent shall be
given at least five (5) days notice of the
time set for any compliance review and
the place or places for such review. The
complainant shall also be notified of
the compliance review.

§ 107.51 Findings of noncompliance.
(a) A finding of noncompliance shall
be made when the facts disclosed dur-
ing an investigation or compliance re-
view, or other information, indicate a
failure to comply with the provisions
of E.O. 11063 or this part. In no event
will a finding of noncompliance precede
the completion of the compliance
meeting procedures set forth in §107.40.
(b) Determinations of noncompliance
with E.O. 11063 shall be made in any
case in which the facts establish the
existence of a discriminatory practice
under §107.15(g)
(c) The existence or use of a policy or
practice, or any arrangement, criterion
or other method of administration
which has the effect of denying equal
housing opportunity or which subst ana-
tially impairs the ability of persons,
because of race, color, religion (creed),
sex or national origin, to apply for or
receive the benefits of assistance shall
be a basis for finding a discriminatory
practice unless the respondent can es-
 tablish that:
(1) The policy or practice is designed
to serve a legitimate business necessity
or governmental purpose of the re-
spondent;
(2) The policy or practice effectively
carries out the interest it is designed
to serve; and
(3) No alternative course of action
could be adopted that would enable re-
spondent’s interest to be served with a
less discriminatory impact.

(a) Following completion of efforts
under this part, the Director of the Of-

shall prepare a compliance report
promptly and the Assistant Secretary
for FH&EO shall make a finding of
compliance or noncompliance. If it is
found that the respondent is in compli-

seven (7) day period the matter shall be
referred to the Assistant Secretary for
FH&EO.
(c) The complainant shall be sent a
 copy of the findings and compliance re-
port and shall have seven (7) days to
comment thereon.

§ 107.60 Sanctions and penalties.
(a) Failure or refusal to comply with
E.O. 11063 or the requirements of this
part shall be proper basis for applying
sanctions. Violations of title VIII of
the Civil Rights Act of 1968 or a state
or local fair housing law, with respect
to activities covered by the Executive
order, or of the regulations and re-
quirements under E.O. 11063 of other
Federal Departments and agencies may
also result in the imposition of sanc-

§ 108.1 Purpose and application.

(a) The primary purpose of this regulation is to establish procedures for determining whether or not an applicant's actions are in compliance with its approved Affirmative Fair Housing Marketing (AFHM) plan, AFHM Regulation (24 CFR 200.600), and AFHM requirements in Departmental programs.

(b) These regulations apply to all applicants for participation in subsidized and unsubsidized housing programs administered by the Department of Housing and Urban Development and to all other persons subject to Affirmative Fair Housing Marketing requirements in Department programs.

(c) The term applicant includes:
(1) All persons whose applications are approved for development or rehabilitation of: Subdivisions; multifamily projects; manufactured home parks of five or more lots, units or spaces; or dwelling units, when the applicant's participation in FHA housing programs has exceeded, or would thereby exceed, development of five or more such dwelling units during the year preceding the application, except that there shall not be included in a determination of the number of dwelling units developed or rehabilitated by an applicant, those in which a single family dwelling is constructed or rehabilitated for occupancy by a mortgagor on property owned by the mortgagor and in which the applicant had no interest prior to entering into the contract for construction or rehabilitation. For the purposes of this definition, a person remains an applicant from the date of submission of an application through
duration of receipt of assistance pursuant to such application.

(2) All other persons subject to AFHM requirements in Departmental programs.

(d) The term person includes one or more individuals, corporations, partnerships, associations, labor organizations, legal representatives or agents, mutual companies, joint-stock companies, trusts, unincorporated organizations, trustees, trustees in bankruptcy, receivers, fiduciaries and public entities.

§ 108.20 Area office responsibility for monitoring plans and reports.

(a) Submission of documentation. Pursuant to initiation of marketing, the applicant shall submit to the Area Office reports documenting of the implementation of the AFHM plan, including sales or rental reports, as required by the Department. Copies of such documentation shall be forwarded to the Director of the Office of Regional Fair Housing and Equal Opportunity by the FH&E Division of the Area Office as requested.

(b) Monitoring of AFHM plan. The FH&E Division of the Area Office is responsible for monitoring AFHM plans and providing technical assistance to the applicant in preparation or modification of such plans during the period of development and initial implementation.

(c) Review of applicant’s reports. Each sales or rental report shall be reviewed by the FH&E Division of the Area Office as is received. When sales or rental reports show that 20% of the units covered by the AFHM plan have been sold or rented, or whenever it appears that the plan may not accomplish its intended objective, the Area Office FH&E Division shall notify the Director of the Office of Regional FH&E.

(d) Failure of applicant to file documentation. If the applicant fails to file required documentation, the applicant shall be sent a written notice indicating that if the delinquent documentation is not submitted to the Area Office within 10 days from date of receipt of the notice, the matter will be referred to the Director of the Regional FH&E for action which may lead to the imposition of sanctions.

§ 108.21 Regional office compliance responsibility.

The Director of the Office of Regional FH&E shall be responsible for determining whether an applicant’s actions are in apparent compliance with its approved AFHM plan, the AFHM regulations, and this part and for determining changes or modifications necessary in the plan after initiation of marketing.
§ 108.25 Compliance meeting.

(a) Scheduling meeting. If an applicant fails to comply with requirements under §108.15 or §108.20 or it appears that the goals of the AFHM plan may not be achieved, or that the implementation of the Plan should be modified, the Director of the Office of Regional FH&EO shall schedule a meeting with the applicant. The meeting shall be held at least ten days before the next sales or rental report is due. The purpose of the compliance meeting is to review the applicant's compliance with AFHM requirements and the implementation of the AFHM Plan and to indicate any changes or modifications which may be required in its Plan.

(b) Notice of Compliance Meeting. A Notice of Compliance Meeting shall be sent to the last known address of the applicant, by certified mail or through personal service. The Notice will advise the applicant of the right to respond within seven (7) days to the matters identified as subjects of the meeting and to submit information and relevant data evidencing compliance with the AFHM regulations, the AFHM Plan, Executive Order 11063 and title VIII of the Civil Rights Act of 1968, when appropriate.

(c) Applicant data required. The applicant will be requested in writing to provide, prior to or at the compliance meeting, specific documents, records, and other information relevant to compliance, including but not limited to:

1. Copies or scripts of all advertising in the Standard Metropolitan Statistical Area (SMSA) or housing market area, as appropriate, including newspaper, radio and television advertising, and a photograph of any sale or rental sign at the site of construction;
2. Copies of brochures and other printed material used in connection with sales or rentals;
3. Evidence of outreach to community organizations;
4. Any other evidence of affirmative outreach to groups which are not likely to apply for the subject housing;
5. Evidence of instructions to employees with respect to company policy of nondiscrimination in housing;
6. Description of training conducted with sales/rental staff;

9. Copies of Sign-in Lists maintained on site for prospective buyers and renters who are shown the facility;
10. Copies of the selection and screening criteria;
11. Copies of relevant lease or sales agreements;

(d) Preparation for the compliance meeting. The Area Office Housing Division will provide information concerning the status of the project or housing involved to be presented to the applicant at the meeting. The Area Manager shall be notified of the meeting and may attend.

(e) Resolution of matters. Where matters raised in the compliance meetings are resolved through revision to the plan or its implementation, the terms of the resolution shall be reduced to writing and submitted to the Regional Office within 10 days of the date of the compliance meeting.

(f) Determination of compliance. If the evidence shows no violation of the AFHM regulations and that the applicant is complying with its approved AFHM plan and this part, the Director of the Office of Regional FH&EO shall so notify the applicant within 10 days of the meeting.

(g) Determination of possible non-compliance. If the evidence indicates an apparent failure to comply with the AFHM plan or the AFHM regulation, or if the matters raised cannot be resolved, the Director of the Office of Regional FH&EO shall so notify the applicant no later than ten (10) days after the date of the compliance meeting is held, in writing by certified mail, return receipt requested, and shall advise the applicant that the Department will conduct a comprehensive compliance review or refer the matter to the Assistant Secretary for Fair Housing and Equal Opportunity for consideration of action including the imposition of
sanctions. The purpose of a compliance review is to determine whether the applicant has complied with the provisions of Executive Order 11063, title VIII of the Civil Rights Act of 1968, and the AFHM regulations in conjunction with the applicant's specific AFHM plan previously approved by HUD.

(h) Failure of applicant to attend the meeting. If the applicant fails to attend the meeting scheduled pursuant to this section, the Director of the Office of Regional FH&EO shall so notify the applicant no later than ten (10) days after the date of the scheduled meeting, in writing by certified mail, return receipt requested, and shall advise the applicant as to whether the Director will conduct a comprehensive compliance review or refer the matter to the Assistant Secretary for Fair Housing and Equal Opportunity for consideration of action including the imposition of sanctions.

§ 108.35 Complaints.

Individuals and private and public entities may file complaints alleging violations of the AFHM regulations or an approved AFHM plan with any HUD Area Office, HUD Regional Office, or with the Assistant Secretary for FH&EO. Complaints will be referred to the Director of the Office of Regional FH&EO. Where there is an allegation of a violation of title VIII the complaint also will be processed under part 105.

§ 108.40 Compliance reviews.

(a) General. All compliance reviews shall be conducted by the Director of the Office of Regional FH&EO or designee. Complaints alleging a violation(s) of the AFHM regulations, or information ascertained in the absence of a complaint indicating an applicant's failure to comply with an AFHM plan, shall be referred immediately to the Director of the Office of Regional FH&EO. The Regional Director for Housing and the Area Manager shall be notified as appropriate of all alleged violations of the AFHM regulations or alleged failure to comply with an AFHM plan.

(b) Initiation of compliance reviews. Even in the absence of a complaint or other information indicating non-compliance pursuant to paragraph (a), the Director of the Office of Regional FH&EO may conduct periodic compliance reviews throughout the life of the mortgage in the case of multi-family projects and throughout the duration of the Housing Assistance Payments Contract with the Department in the case of housing assisted under section 8 of the United States Housing Act of 1937, as amended, 42 U.S.C. 1437.

(c) Nature of compliance reviews. The purpose of a compliance review is to determine whether the applicant is in compliance with the Department's AFHM requirements and the applicant's approved AFHM plan. Where allegations under this part may also constitute a violation of the provisions of Executive Order 11063 or title VIII, the review will also determine compliance with the requirements thereof. The applicant shall be given at least five (5) days notice of the time set for any compliance review and the place or places for such review. The compliance review will cover the following areas:

1. Applicant's sales and rental practices, including practices in soliciting buyers and tenants, determining eligibility, selecting and rejecting buyers and renters, and in concluding sales and rental transactions.
2. Programs to attract minority and majority buyers and renters regardless of sex, including:
   (i) Use of advertising media, brochures, and pamphlets;
   (ii) Conformance with both the Department's Fair Housing Poster Regulation (24 CFR part 110) and the Advertising Guidelines for Fair Housing (37 FR 6700) and any revisions thereto.
3. Data relating to:
   (i) The size and location of units;
   (ii) Services provided;
   (iii) Sales and/or rental price ranges;

   (v) Race and sex of staff engaged in sales or rental of dwellings.
4. Other matters relating to the marketing or sales of dwellings under HUD affirmative marketing requirements, the AFHM Plan and this part.

§ 108.45 Compliance report.

Following a compliance review, a report shall be prepared promptly and the Assistant Secretary for FH&EO
§ 108.50 shall make a finding of compliance or noncompliance. If it is found that the applicant is in compliance, all parties concerned shall be notified of the findings. Whenever a finding of noncompliance is made pursuant to this part, the report shall list specifically the violations found. The applicant shall be sent a copy of the report by certified mail, return receipt requested, together with a notice that, if the matter cannot be resolved within ten days of receipt of the Notice, the matter will be referred to the Assistant Secretary for FH&EO to make a determination as to whether actions will be initiated for the imposition of sanctions. The Director of the Office of Regional Housing and the Area Director of the Housing Division shall also receive a copy of the report and the notice of intention to refer the matter to the Assistant Secretary for FH&EO for a determination as to whether actions will be initiated to impose sanctions.

§ 108.50 Sanctions. Applicants failing to comply with the requirements of these regulations, the AFHM regulations, or an AFHM plan will make themselves liable to sanctions authorized by law, regulations, agreements, rules, or policies governing the program pursuant to which the application was made, including, but not limited to, denial of further participation in Departmental programs and referral to the Department of Justice for suit by the United States for injunctive or other appropriate relief.

Such waiver shall not affect the applicability of all other provisions of this part.

Subpart C—Enforcement

§ 110.30 Effect of failure to display poster.

Any person who claims to have been injured by a discriminatory housing practice may file a complaint with the Secretary pursuant to part 105 of this chapter. § 115.100 Definitions.

(a) The terms “Fair Housing Act” and “HUD”, as used in this part, are defined in 24 CFR 5.100.
(c) Other definitions. The following definitions also apply to this part:
Act means the Fair Housing Act, as defined in 24 CFR 5.100.

§ 115.102 Public notices.

(a) Periodically, the Assistant Secretary will publish the following public notices in the Federal Register:
(1) A list of all agencies which have interim certification or certification; and
(2) A list of agencies to which a notice of denial of interim certification has been issued or for which withdrawal of certification is being proposed.

(b) The Assistant Secretary will publish in the Federal Register a notice soliciting public comment before granting certification to a State or local agency. The notice will invite the
§ 115.200 Purpose.

This subpart implements section 810(f) of the Fair Housing Act. The purpose of this subpart is to set forth:

(a) The basis for agency interim certification and certification;
(b) The procedure by which a determination to certify is made by the Assistant Secretary;
(c) The basis and procedures for denial of interim certification;
(d) The basis and procedures for withdrawal of certification;
(e) The consequences of certification;
(f) The basis and procedures for suspension of interim certification or certification; and
(g) The funding criteria for interim certified and certified agencies.

§ 115.201 Basis of determination.

A determination to certify an agency as substantially equivalent involves a two-phase procedure. The determination requires examination and an affirmative conclusion by the Assistant Secretary on two separate inquiries:

(a) Whether the law, administered by the agency, on its face, satisfies the criteria set forth in section 810(f)(3)(A) of the Act; and
(b) Whether the current practices and past performance of the agency demonstrate that, in operation, the law in fact provides rights and remedies which are substantially equivalent to those provided in the Act.

§ 115.202 Criteria for adequacy of law.

(a) In order for a determination to be made that a State or local fair housing agency administers a law which, on its face, provides rights and remedies for alleged discriminatory housing practices that are substantially equivalent to those provided in the Act, the law or ordinance must:

(1) Provide for an administrative enforcement body to receive and process complaints and provide that:
(i) Complaints must be in writing;
(ii) Upon the filing of a complaint the agency shall serve notice upon the complainant acknowledging the filing and advising the complainant of the time limits and choice of forums provided under the law;
(iii) Upon the filing of a complaint the agency shall promptly serve notice on the respondent or person charged with the commission of a discriminatory housing practice advising of his or her procedural rights and obligations under the law or ordinance together with a copy of the complaint;
(iv) A respondent may file an answer to a complaint.

(2) Delegate to the administrative enforcement body comprehensive authority, including subpoena power, to investigate the allegations of complaints, and power to conciliate complaints, and require that:
(i) The agency commence proceedings with respect to the complaint before the end of the 30th day after receipt of the complaint;
(ii) The agency investigate the allegations of the complaint and complete the investigation within the timeframe established by section 810(a)(1)(B)(iv) of the Act or comply with the notification requirements of section 810(a)(1)(C) of the Act;
(iii) The agency make final administrative disposition of a complaint within one year of the date of receipt of a complaint, unless it is impracticable to do so. If the agency is unable to do so it shall notify the parties, in writing, of the reasons for not doing so;
(iv) Any conciliation agreement arising out of conciliation efforts by the agency shall be an agreement between the respondent, the complainant, and the agency and shall require the approval of the agency;
(v) Each conciliation agreement shall be made public unless the complainant and respondent otherwise agree and the agency determines that disclosure is not required to further the purposes of the law or ordinance.
(3) Not place any excessive burdens on the complainant that might discourage the filing of complaints, such as:

(i) A provision that a complaint must be filed within any period of time less than 180 days after an alleged discriminatory housing practice has occurred or terminated;
(ii) Anti-testing provisions;
(iii) Provisions that could subject a complainant to costs, criminal penalties or fees in connection with filing of complaints.

(4) Not contain exemptions that substantially reduce the coverage of housing accommodations as compared to section 803 of the Act.

(5) Provide the same protections as those afforded by sections 804, 805, 806, and 818 of the Act, consistent with HUD’s implementing regulations found at 24 CFR part 100.

(b) In addition to the factors described in paragraph (a) of this section, the provisions of the State or local law must afford administrative and judicial protection and enforcement of the rights embodied in the law.

(1) The agency must have authority to:

(i) Grant or seek prompt judicial action for appropriate temporary or preliminary relief pending final disposition of a complaint if such action is necessary to carry out the purposes of the law or ordinance;
(ii) Issue and seek enforceable subpoenas;
(iii) Grant actual damages in an administrative proceeding or provide adjudication in court at agency expense to allow the award of actual damages to an aggrieved person;
(iv) Grant injunctive or other equitable relief, or be specifically authorized to seek such relief in a court of competent jurisdiction;
(v) Provide an administrative proceeding in which a civil penalty may be assessed or provide an adjudication in court at agency expense, allowing the assessment of punitive damages against the respondent.

(2) Agency actions must be subject to judicial review upon application by any party aggrieved by a final agency order.

(3) Judicial review of a final agency order must be in a court with authority to:

(i) Grant to the petitioner, or to any other party, such temporary relief, restraining order, or other order as the court determines is just and proper;
(ii) Affirm, modify, or set aside, in whole or in part, the order, or remand the order for further proceedings; and
(iii) Enforce the order to the extent that the order is affirmed or modified.

(c) The requirement that the state or local law prohibit discrimination on the basis of familial status does not require that the state or local law limit the applicability of any reasonable local, state or Federal restrictions regarding the maximum number of occupants permitted to occupy a dwelling.

(d) The state or local law may assure that no prohibition based on discrimination because of familial status applies to housing for older persons substantially as described in 24 CFR part 100, subpart E.

(e) A determination of the adequacy of a state or local fair housing law “on its face” is intended to focus on the meaning and intent of the text of the law, as distinguished from the effectiveness of its administration. Accordingly, this determination is not limited to an analysis of the literal text of the law but must take into account all relevant matters of state or local law. Regulations, directives, rules of procedure, judicial decisions, or interpretations of the fair housing law by competent authorities will be considered in making this determination.

(f) A law will be found inadequate “on its face” if it permits any of the agency’s decision-making authority to be contracted out or delegated to a non-governmental authority. For the purposes of this paragraph, “decision-making authority” shall include:

(1) Acceptance of the complaint;
(2) Approval of the conciliation agreement;
(3) Dismissal of a complaint;
(4) Any action specified in §§115.202(a)(2)(iii) or 115.202(b)(1); and
(5) Any decision-making regarding whether the matter will or will not be pursued.

(g) The state or local law must provide for civil enforcement of the law or...
ordinance by an aggrieved person by
the commencement of an action in an
appropriate court at least one year
after the occurrence or termination of
an alleged discriminatory housing
practice. The court must be empowered
to:
(1) Award the plaintiff actual and pu-
nitive damages;
(2) Grant as relief, as it deems appro-
priate, any temporary or permanent in-
junction, temporary restraining order
or other order; and
(3) Allow reasonable attorney’s fees
and costs.

§ 115.203 Performance standards.
A state or local fair housing enforce-
ment agency must meet all of the per-
formance standards listed in this sec-
tion in order to obtain or maintain cer-
tification.
(a) Engage in timely, comprehensive
and thorough fair housing complaint
investigation, conciliation and enforce-
ment activities. The performance as-
essment will consider the following to
determine the effectiveness of an agen-
 cy’s fair housing complaint processing,
consistent with such guidance as may
be issued by HUD:
(1) The agency’s case processing pro-
cedures;
(2) The thoroughness of the agency’s
case processing;
(3) A review of cause and no cause de-
terminations for quality of investiga-
tions and consistency with appropriate
standards;
(4) A review of conciliation agree-
ments and other settlements;
(5) A review of the agency’s adminis-
trative closures; and
(6) A review of the agency’s enforce-
ment procedures.
(b)(1) Commence proceedings with re-
spect to a complaint:
(i) Before the end of the 30th day
after receipt;
(ii) Carry forward such proceedings
with reasonable promptness;
(iii) Make final administrative dis-
position within one year; and
(iv) Within 100 days of receipt of the
complaint complete the identified pro-
cedings.
(2) To meet this standard, the per-
formance assessment will consider the
timeliness of the agency’s actions with
respect to its complaint processing, in-
cluding, but not limited to:
(i) Whether the agency began its
processing of fair housing complaints
within 30 days of receipt;
(ii) Whether the agency completes
the investigative activities with re-
spect to a complaint within 100 days
from the date of receipt or, if it is im-
practicable to do so, notifies the par-
ties in writing of the reason(s) for the
delay;
(iii) Whether the agency administra-
tively disposes of a complaint within
one year from the date of receipt or, if
it is impracticable to do so, notifies the
parties in writing of the reasons for the
delay; and
(iv) Whether the agency completed
the investigation of the complaint and
prepared a complete final investiga-
tive report.
(3) The performance assessment will
also consider documented conciliation
attempts and activities and a review of
the bases for administrative disposi-
tion of complaints.
(c) Conduct compliance reviews of
settlements, conciliation agreements
and orders issued by or entered into to
resolve discriminatory housing prac-
tices. The performance assessment will
include, but not be limited to:
(1) An assessment of the agency’s
procedures for conducting compliance
reviews;
(2) Terms and conditions of agree-
ments and orders issued;
(3) Application of its authority to
seek actual damages, as appropriate;
and
(4) Application of its authority to
seek and assess civil penalties or puni-
tive damages.
(d) Consistently and affirmatively
seek and obtain the type of relief de-
digned to prevent recurrences of such
practices. The performance assessment
will include, but not be limited to:
(1) An assessment of the types of re-
lief sought and obtained by the agency
with consideration of the inclusion of
affirmative provisions designed to pro-
tect the public interest;
(2) The adequacy of the disposition of
the complaint:
(3) The relief sought and awarded;
(4) The number of complaints closed with relief and the number closed without relief; and
(5) Whether all the issues and bases were investigated adequately and appropriately disposed of.

(e) Consistently and affirmatively seek the elimination of all prohibited practices under its fair housing law. An assessment under this standard will include, but not be limited to:

(1) A discussion and confirmation of the law or ordinance administered by the agency;
(2) The identification of any amendments, court decisions or other rulings or documentation that may affect the agency's ability to carry out provisions of its fair housing law or ordinance;
(3) Identification of the education and outreach efforts of the agency; and
(4) Identification and discussion of any special requirements of the fair housing law or ordinance.

§ 115.204 Consequences of certification.

(a) Whenever a complaint received by the Assistant Secretary alleges violations of a state or local fair housing law or ordinance administered by an agency that has been certified as substantially equivalent, the complaint will be referred to the agency, and no further action shall be taken by the Assistant Secretary with respect to such complaint except as provided for by the Act, this part, 24 CFR part 103, subpart C, and any written agreements executed by the Agency and the Assistant Secretary.

(b) If HUD determines that a complaint has not been processed in a timely manner in accordance with the performance standards set forth in §115.203, HUD may reactivate the complaint, conduct its own investigation and conciliation efforts, and make a determination consistent with 24 CFR part 103.

(c) Notwithstanding paragraph (a) of this section, whenever the Assistant Secretary has reason to believe that a complaint demonstrates a basis for the commencement of proceedings against any respondent under section 814(a) of the Act or for proceedings by any governmental licensing or supervisory authorities, the Assistant Secretary shall transmit the information upon which such belief is based to the Attorney General, Federal financial regulatory agencies, other Federal agencies, or other appropriate governmental licensing or supervisory authorities.

§ 115.205 Technical assistance.

(a) The Assistant Secretary, through its FHEO Field Office, may provide technical assistance to the agencies. The agency may request such technical assistance or the FHEO Field Office may determine the necessity for technical assistance and require the agency's cooperation and participation.

(b) The Assistant Secretary, through FHEO Headquarters or Field staff, will require that the agency participate in training conferences and seminars that will enhance the agency's ability to process complaints alleging discriminatory housing practices.

§ 115.206 Request for certification.

(a) A request for certification under this subpart shall be filed with the Assistant Secretary by the State or local official having principal responsibility for administration of the State or local fair housing law. The request shall be supported by the following materials and information:

(1) The text of the jurisdiction's fair housing law, the law creating and empowering the agency, any regulations and directives issued under the law, and any formal opinions of the State Attorney General or the chief legal officer of the jurisdiction that pertain to the jurisdiction's fair housing law.

(2) Organizational information of the agency responsible for administering and enforcing the law.

(3) Funding and personnel made available to the agency for administration and enforcement of the fair housing law during the current operating year, and not less than the preceding three operating years (or such lesser number during which the law was in effect).

(4) If available, data demonstrating that the agency's current practices and past performance comply with the performance standards described in §115.203.
§ 115.207

(b) The request and supporting materials shall be filed with the Assistant Secretary for Fair Housing and Equal Opportunity, Department of Housing and Urban Development, 451 7th Street, SW., Washington, DC 20410. A copy of the request and supporting materials will be kept available for public examination and copying at:

(1) The office of the Assistant Secretary;
(2) The HUD Field Office in whose jurisdiction the State or local jurisdiction seeking recognition is located; and
(3) The office of the State or local agency charged with administration and enforcement of the State or local law.

§ 115.207 Procedure for interim certification.

(a) Upon receipt of a request for certification filed under § 115.206, the Assistant Secretary may request further information necessary for a determination to be made under this section. The Assistant Secretary may consider the relative priority given to fair housing administration, as compared to the agency’s other duties and responsibilities, as well as the compatibility or potential conflict of fair housing objectives with these other duties and responsibilities.

(b) Interim certification. If the Assistant Secretary determines, after application of the criteria set forth in § 115.202 that the State or local law or ordinance, on its face, provides substantive rights, procedures, remedies, and judicial review procedures for alleged discriminatory housing practices that are substantially equivalent to those provided in the Act, the Assistant Secretary may offer to enter into an Agreement for the Interim Referral of Complaints and Other Utilization of Services (Interim Agreement). The interim agreement will outline the procedures and authorities upon which the interim certification is based.

(c) Such interim agreement, after it is signed by all appropriate signatories, will result in the agency receiving interim certification.

(d)(1) Interim agreements shall be for a term of no more than three years. The Assistant Secretary, through the FHEO Field Office, will conduct one or more on-site assessments to determine whether the agency administers its fair housing law or ordinance in a manner that is substantially equivalent to the Act.

(2) Performance Improvement Plan. If the agency is not administering its law or ordinance in a manner that is substantially equivalent, the Assistant Secretary, may, but need not, offer a Performance Improvement Plan (PIP) to the agency. The PIP will outline the agency’s deficiencies, identify necessary corrective actions, and include a timetable for completion.

(3) If the agency receives a PIP, funding under the FHAP may be suspended for the duration of the PIP. Once the agency has implemented corrective actions to eliminate the deficiencies, and such corrective actions are accepted by the Assistant Secretary, funding may be reinstated.

§ 115.208 Suspension of interim certification.

(a) Suspension based on changes in the law. (1) The Assistant Secretary may suspend the agency’s interim certification if the Assistant Secretary has reason to believe that the State or locality may have limited the effectiveness of the agency’s implementation of the fair housing law or ordinance by:

(i) Amending the fair housing law or ordinance;
(ii) Adopting rules or procedures concerning the fair housing law or ordinance; or
(iii) Issuing judicial or other authoritative interpretations of the fair housing law or ordinance.

(2) If the Assistant Secretary suspends interim certification under paragraph (a)(1) of this section, such suspension will remain in effect until the Assistant Secretary conducts a review of the changes in the language and/or interpretation and determines whether the law or ordinance remains substantially equivalent to the Act on its face or in its operations. Such suspension shall not exceed 180 days.
(3) If the Assistant Secretary determines that, notwithstanding the actions taken by the State or locality as described in paragraph (a)(1), the law or ordinance remains substantially equivalent on its face and in operation to the Act, the Assistant Secretary will rescind the suspension and reinstate the agency’s interim certification and/or recommend the agency for certification. HUD will provide full or partial reimbursement for cases processed during the period of the suspension.

(4) If the Assistant Secretary determines that the actions taken by the State or locality do limit the agency’s effectiveness interim certification will be denied pursuant to §115.209.

(b) Suspension based on agency performance. (1) The Assistant Secretary may suspend the interim certification of an agency charged with the administration of a fair housing law or ordinance if the Assistant Secretary has reason to believe that the agency’s performance does not comply with the criteria set forth by this part. Such suspension shall not exceed 180 days.

(2) If the agency is suspended pursuant to paragraph (b) of this section, the FHEO Field Office may elect not to provide payment for complaints processed within that period of time unless and until the Assistant Secretary determines that the agency’s performance does not comply with the criteria set forth by this part. Such suspension shall not exceed 180 days.

(3) During the period of a suspension the Assistant Secretary shall not refer complaints to the agency.

(4) Suspension under paragraph (b) of this section renders the agency ineligible to receive Fair Housing Assistance Program Funds under subpart C of this part, pending correction of the deficiencies by the agency.

(5) Before the end of the suspension, a final performance assessment will be provided to the Assistant Secretary upon which a determination will be made as to the adequacy of the agency’s performance.

(c) HUD will provide an agency with notice of the specific reasons for the suspension of its interim certification and an opportunity to respond, in accordance with the procedures set forth in HUD issued guidance.

§115.209 Denial of interim certification.

(a) If the Assistant Secretary determines, after application of the criteria set forth in this part that the State and local law or ordinance, on its face or in its operation, does not provide substantive rights, procedures, remedies, and availability of judicial review for alleged discriminatory housing practices which are substantially equivalent to those provided in the Fair Housing Act, the Assistant Secretary shall inform the State or local official in writing of the reasons for that determination.

(b) The agency, within 20 days from the date of the receipt of this notice, may submit, in writing, any opposition to the planned denial of interim certification to the Assistant Secretary. The Assistant Secretary will evaluate all pertinent written comments, information, and documentation. If, after reviewing all materials submitted by the agency, the Assistant Secretary is still of the opinion that interim certification should be denied, the Assistant Secretary will inform the agency in writing of that determination.

(c) If the agency does not, within 20 days of receipt of the Assistant Secretary’s notice of denial of interim certification, make a request of the Assistant Secretary under paragraph (b) of this section to submit additional data, views, or comments, no further action shall be required of the Assistant Secretary and denial of interim certification shall occur.

§115.210 Procedure for certification.

(a) Certification. (1) If the Assistant Secretary determines, after application of the criteria set forth in §§115.202, 115.203 and this section, that the State or local law or ordinance, both “on its face” and “in operation,” provides substantive rights, procedures, remedies, and judicial review procedures for alleged discriminatory housing practices that are substantially equivalent to those provided in the Act, the Assistant Secretary may enter into a Memorandum of Understanding (MOU) with the agency.
§ 115.211  Suspension of certification.

(a) Suspension based on changes in the law.  (1) The Assistant Secretary may suspend the agency’s certification if the Assistant Secretary has reason to believe that the State or locality may have limited the effectiveness of the agency’s implementation of the fair housing law or ordinance by:
   (i) Amending the fair housing law or ordinance;
   (ii) Adopting rules or procedures concerning the fair housing law or ordinance; or
   (iii) Issuing judicial or other authoritative interpretations of the fair housing law or ordinance.

(2) If the Assistant Secretary suspends certification under paragraph (a)(1) of this section, such suspension will remain in effect until the Assistant Secretary conducts a review of the changes in language and/or interpretation and determines whether the law or ordinance remains substantially equivalent on its face and in its operation to the Act. Such suspension shall not exceed 180 days.

(b) Suspension based on agency performance.  (1) The Assistant Secretary may suspend the certification of an agency charged with the administration of a fair housing law or ordinance, if the Assistant Secretary has reason to believe that the agency’s performance does not comply with the criteria set forth by this part. Such suspension shall not exceed 180 days.

(2) If the agency is suspended pursuant to paragraph (b) of this section, the FHEO Field Office may elect not to provide payment for complaints processed during the period of the suspension. The FHEO Field Office will provide technical assistance to the agency during this period of time.

(3) During the period of a suspension the Assistant Secretary shall not refer complaints to the agency.

(4) Suspension under this paragraph also renders the agency ineligible to

§ 115.211 Suspension of certification.
receive Fair Housing Assistance Program Funds under subpart C of this part, pending correction of the deficiencies by the agency.

(5) Before the end of the suspension, a final performance assessment will be provided to the Assistant Secretary upon which a determination will be made as to the adequacy of the agency's performance.

(c) HUD will provide an agency with notice of the specific reasons for the suspension of its certification and an opportunity to respond, in accordance with the procedures set forth in HUD issued guidance.

§ 115.212 Withdrawal of certification.

(a) If the Assistant Secretary finds, as a result of a review undertaken in accordance with this part, that the agency's fair housing law or ordinance no longer meets the requirements of this part, the Assistant Secretary shall propose to withdraw the certification previously granted.

(b) The Assistant Secretary will propose withdrawal of certification under paragraph (a) of this section unless further review and information or documentation establishes that the current law and/or the agency's administration of the law meets the criteria set out in this part.

(c) If the Assistant Secretary determines, after application of the criteria set forth in this part, that the state or local law or ordinance, in operation, does not provide substantive rights, procedures, remedies, and availability of judicial review for alleged discriminatory housing practices which are substantially equivalent to those provided in the Fair Housing Act, the Assistant Secretary shall inform the State or local official in writing of the reasons for that determination.

Subpart C—Fair Housing Assistance Program (FHAP)

§ 115.300 Purpose.

The purpose of the Fair Housing Assistance Program (FHAP) is to provide assistance to State and local fair housing enforcement agencies. The intent of this funding program is to build a coordinated, intergovernmental enforcement effort to further fair housing and to encourage the agencies to assume a greater share of the responsibility for the administration and enforcement of their fair housing laws and ordinances. This financial assistance is designed to provide support for:

(a) The processing of dual-filed complaints;
(b) Training under the Fair Housing Act and the agencies' fair housing law;
(c) The provision of technical assistance;
(d) The creation and maintenance of data and information systems; and
(e) The development and enhancement of other fair housing enforcement projects.

§ 115.301 Agency eligibility criteria.

Any agency with certification or interim certification under subpart A of this part, and which has entered into a MOU or interim agreement, is eligible to participate in the FHAP.

§ 115.302 Capacity building funds.

(a) Capacity building (CB) funds are funds that HUD may provide to an agency with interim certification during the agency's first three years of participation in the FHAP. Agencies receiving CB funds are not eligible to receive contributions funds under § 115.304.

(b) CB funds will be provided in a fixed annual amount to be utilized for the eligible activities established pursuant to § 115.303. However, in the second and third year of the agency's participation in the FHAP, HUD has the option to permit the agency to receive CB funding on a per case basis, rather than in a single annual amount.

(c) In order to receive CB funding, agencies will be required to submit a statement of work which identifies:

(1) The objectives and activities to be carried out with the CB funds received;
(2) A plan for training all of the agency's employees involved in the administration of the agency's fair housing law or ordinance;
(3) A statement of the agency's intention to participate in HUD-sponsored training in accordance with the training requirements set out in the cooperative agreement; and
(4) A description of the agency's complaint processing data and information...
§ 115.303 Eligible activities for capacity building funds.

The primary purposes of capacity building funding is to provide for complaint activities and to support activities that produce increased awareness of fair housing rights and remedies. All such activities must support the agency’s administration of its fair housing law or ordinance and address matters affecting fair housing which are cognizable under the Fair Housing Act. HUD will periodically publish a list of eligible activities in the Federal Register.

§ 115.304 Agencies eligible for contributions funds.

(a) An agency that has received CB funds for three consecutive years is eligible for contributions funding. Contributions funding consists of three categories:

(1) Complaint Processing (CP) funds;
(2) Administrative Costs (AC) funds; and
(3) Special Enforcement Efforts (SEE) funds (§ 115.305 sets forth the requirements for SEE funding).

(b) CP funds. (1) Agencies receiving CP funds will receive such support based solely on the number of complaints processed by the agency and accepted for payment by the Director of the Fair Housing Enforcement Office (FHEO) during a consecutive, specifically identified, 12-month period. Normally this period will be the previous year’s funding cycle.

(2) Funding for agencies in their fourth year of participation in the FHAP will be based on the number of complaints acceptedly processed by the agency during the agency’s third year of participation in the FHAP.

(3) Administration Cost (AC) funds. (1) Agencies which acceptably process 100 or more cases will receive no less than 10 percent of the agency’s annual FHAP payment amount for the preceding year, in addition to case processing funds, contingent on fiscal year appropriations. Agencies that acceptably process fewer than 100 cases will receive a flat rate contingent on fiscal year appropriations.

(2) Agencies will be required to provide HUD with a statement of how they intend to use the AC funds. HUD may require that some or all AC funding be directed to activities designed to create, modify, or improve local, regional, or national information systems concerning fair housing matters (including the purchase of the state of the art computer systems and getting on line or internet access, etc.).

§ 115.305 Special enforcement efforts (SEE) funds.

(a) SEE funds are funds that HUD will provide to an agency to enhance enforcement activities of the agency’s fair housing law or ordinance. SEE funds will be a maximum of 20% of the agency’s total FHAP cooperative agreement for the previous contract year, based on approval of eligible activity or activities, and based on the appropriation of funds. All agencies receiving contributions funds are eligible to receive SEE funds if they meet three of the six criteria set out in paragraphs (a)(1) through (6):

(1) The agency has taken action to enforce a subpoena or make use of its prompt judicial action authority within the past year.

(2) The agency has held at least one administrative hearing or has had at least one case on a court’s docket for civil proceedings during the past year.

(3) At least ten percent of the agency’s fair housing caseload resulted in written conciliation agreements providing monetary relief for the complainant as well as remedial action, monitoring, reporting and public interest relief provisions.

§ 115.308 Standards for FHAP program review.

HUD will conduct reviews of the agency’s cooperative agreement implementation. This review will also identify:

(a) How the agency used the FHAP funds received;
(b) Whether its draw-down of funds was timely;
(c) Whether the agency has been audited and received copies of the audit reports in accordance with applicable rules and regulations for State and local governmental entities; and

§ 115.307 Additional requirements for participation in the FHAP.

(a) Agencies which participate in the FHAP must:
(1) Conform to reporting and record maintenance requirements determined by the Assistant Secretary;
(2) Agree to on-site technical assistance and guidance and implementation of corrective actions set out by the Department in response to deficiencies found during the technical assistance or performance assessment evaluations of the agency’s operations;
(3) Agree to implement and adhere to policies and procedures (as their laws and ordinances will allow) provided to the agencies by the Assistant Secretary, including but not limited to guidance on investigative techniques, case file preparation and organization, implementation of data elements for complaint tracking, etc.;
(4) Spend at least twenty (20) percent of its total annual budget on fair housing activities; and
(5) Not unilaterally reduce the level of financial resources currently committed to fair housing complaint processing (budget and staff reductions or other actions outside the control of the agency will not, alone, result in a negative determination for the agency’s participation in the FHAP).

(b) The agency’s refusal to provide information, assist in implementation, or carry out the requirements of paragraph (a) of this section may result in the denial or interruption of its receipt of FHAP funds.
§ 115.309 Reporting and recordkeeping requirements.

(a) The agency shall establish and maintain records demonstrating:

1. Its financial administration of the FHAP funds; and

2. Its performance under the FHAP.

(b) In accordance with the cooperative agreement in effect between the agency and HUD, the agency will provide to HUD the agency reports maintained pursuant to paragraph (a) of this section. The agency will provide reports to HUD in accordance with the cooperative agreement in effect between the agency and HUD for frequency and content, regarding complaint processing, training, data and information systems, enforcement and other activities explaining how FHAP funds were expended and used.

(c) The agency will permit reasonable public access to its records, consistent with the jurisdiction's requirements for release of information. Documents relevant to the agency's participation in FHAP must be made available at the agency's office during normal working hours (except that documents with respect to ongoing fair housing complaint investigations are exempt from public review consistent with Federal and/or State law).

(d) If the Secretary, the Inspector General of HUD, and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to all pertinent books, accounts, reports, files, and other payments for surveys, audits, examinations, excerpts, and transcripts as they relate to the agency's participation in FHAP.

(e) All files will be kept in such fashion as to permit audits under applicable procurement regulations and guidelines and the Single Audit requirements for State and local agencies.

(f) The FHAP financial records and files will be kept at least three years on-site after any cooperative agreement has terminated.

§ 115.310 Subcontracting under the FHAP.

If an agency subcontracts to a public or private agency any activity for which the subcontractor will receive FHAP funds, the agency must ensure and certify in writing that the subcontractor is:

(a) Using services and facilities that are accessible in accordance with the Americans with Disability Act (ADA) (42 U.S.C. 12101) and Section 504 of the 1973 Rehabilitation Act (29 U.S.C. 701);

(b) Complying with the standards of Section 3 of the Housing and Urban Development Act of 1968 (42 U.S.C. 1441); and

(c) Furthering fair housing.

§ 115.311 Corrective and remedial action.

(a) If HUD makes a preliminary determination that an agency has not complied with §115.309, the agency will be given written notice of this determination and an opportunity to show, through demonstrable facts and data, that it has done so within a time prescribed by HUD.

(b) If an agency fails to demonstrate to HUD's satisfaction that it has met program review standards, HUD will request the agency to submit and comply with proposals for action to correct, mitigate, or prevent performance deficiencies, including, but not limited to:

1. Preparing and/or following a schedule of actions for carrying out the affected fair housing activities;

2. Establishing and/or following a management plan that assigns responsibilities for carrying out the actions required;

3. Canceling or revising activities likely to be affected by a performance deficiency before expending FHAP funds for the activities; and

4. Redistributing or suspending disbursement of FHAP funds that have not yet been disbursed.

(c) HUD may condition the use of FHAP award amounts with respect to an agency's succeeding fiscal year's allocation on the satisfactory completion by the agency of appropriate corrective actions. When the use of funds is so
conditioned, HUD will specify the deficiency(ies), the required corrective action(s), and the time allowed for taking these actions. Failure of the agency to complete the actions as specified will result in a reduction or withdrawal of the FHAP allocation in an amount not to exceed the amount conditionally granted.

PART 121—COLLECTION OF DATA

§ 121.1 Purpose.

The purpose of this part is to enable the Secretary of Housing and Urban Development to carry out his or her responsibilities under the Fair Housing Act, Executive Order 11063, dated November 20, 1962, title VI of the Civil Rights Act of 1964, and section 562 of the Housing and Community Development Act of 1987. § 121.2 Furnishing of data by program participants.

Participants in the programs administered by the Department shall furnish to the Department such data concerning the race, color, religion, sex, national origin, age, handicap, and family characteristics of persons and households who are applicants for, participants in, or beneficiaries or potential beneficiaries of, those programs as the Secretary may determine to be necessary or appropriate to enable him or her to carry out his or her responsibilities under the authorities referred to in §121.1.

Activities that are local are activities whose implementation is limited to a single unit of general local government, meaning a city, town, township, county, parish, village, or other general purpose political subdivision of a State. Activities that are community-based in scope are those which are primarily focused on a particular neighborhood area within a unit of general local government.

[60 FR 28326, May 31, 1995]
Office of Assistant Secretary, Equal Opportunity, HUD  

§ 135.5 Definitions.

The terms Department, HUD, Indian housing authority (IHA), Public housing agency (PHA), and Secretary are defined in 24 CFR part 5.

**Annual Contributions Contract (ACC)** means the contract under the U.S. Housing Act of 1937 (1937 Act) between HUD and the PHA, between HUD and the IHA, or between HUD and the IHA, that contains the terms and conditions under which HUD assists the PHA or the IHA in providing decent, safe, and sanitary housing for low income families. The ACC must be in a form prescribed by HUD under which HUD agrees to provide assistance in the development, modernization and/or operation of a low income housing project under the 1937 Act, and the PHA or IHA agrees to develop, modernize and operate the project in compliance with all provisions of the 1937 Act.

(iii) Modernization assistance provided pursuant to section 14 of the 1937 Act;

(2) Housing and community development assistance. Section 3 applies to training, employment, contracting and other economic opportunities arising in connection with the expenditure of housing assistance (including section 8 assistance, and including other housing assistance not administered by the Assistant Secretary of Housing) and community development assistance that is used for the following projects:

(i) Housing rehabilitation (including reduction and abatement of lead-based paint hazards, but excluding routine maintenance, repair and replacement);

(ii) Housing construction;

(iii) Other public construction.

(3) Thresholds—(i) No thresholds for section 3 covered public and Indian housing assistance. The requirements of this part apply to section 3 covered assistance provided to recipients, notwithstanding the amount of the assistance provided to the recipient. The requirements of this part apply to all contractors and subcontractors performing work in connection with projects and activities funded by public and Indian housing assistance covered by section 3, regardless of the amount of the contract or subcontract.

(ii) Thresholds for section 3 covered housing and community development assistance—(A) Recipient thresholds. The requirements of this part apply to recipients of other housing and community development program assistance for a section 3 covered project(s) for which the amount of the assistance exceeds $200,000.

(B) Contractor and subcontractor thresholds. The requirements of this part apply to contractors and subcontractors performing work on section 3 covered project(s) for which the amount of the assistance exceeds $200,000, and the contract or subcontract exceeds $100,000.

(C) Threshold met for recipients, but not contractors or subcontractors. If a recipient receives section 3 covered housing or community development assistance in excess of $200,000, but no contract exceeds $100,000, the section 3 preference requirements only apply to the recipient.

(b) Applicability of section 3 to entire project or activity funded with section 3 assistance. The requirements of this part apply to the entire project or activity that is funded with section 3 covered assistance, regardless of whether the section 3 activity is fully or partially funded with section 3 covered assistance.

(c) Applicability to Indian housing authorities and Indian tribes. Indian housing authorities and tribes that receive HUD assistance described in paragraph (a) of this section shall comply with the procedures and requirements of this part to the maximum extent consistent with, but not in derogation of, compliance with section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e(b)). (See 24 CFR part 905.)

(d) Other HUD assistance and other Federal assistance. Recipients, contractors and subcontractors that receive HUD assistance, not listed in paragraph (a) of this section, or other Federal assistance, are encouraged to provide, to the greatest extent feasible, training, employment, and contracting opportunities generated by the expenditure of this assistance to low- and very low-income persons, and business concerns owned by low- and very low-income persons, or which employ low- and very low-income persons.

Section 3(b)(2) of the 1937 Act defines this term to mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families; or

(ii) A very low-income person, as this term is defined in section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)). Section 3(b)(2) of the 1937 Act defines this term to mean families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

(3) A person seeking the training and employment preference provided by section 3 bears the responsibility of providing evidence (if requested) that the person is eligible for the preference.

Section 8 assistance means assistance provided under section 8 of the 1937 Act (42 U.S.C. 1437f) pursuant to 24 CFR part 882, subpart G.

Service area means the geographical area in which the persons benefitting from the section 3 covered project reside. The service area shall not extend beyond the unit of general local government in which the section 3 covered assistance is expended. In HUD's Indian housing programs, the service area, for IHAs established by an Indian tribe as a result of the exercise of the tribe's sovereign power, is limited to the area of tribal jurisdiction.

Subcontractor means any entity (other than a person who is an employee of the contractor) which has a contract with a contractor to undertake a portion of the contractor's obligation for the performance of work generated by the expenditure of section 3 covered assistance, or arising in connection with a section 3 covered project.

Very low-income person. See the definition of “section 3 resident” in this section.

Youthbuild programs. See the definition of “HUD Youthbuild programs” in this section.

[59 FR 33880, June 30, 1994, as amended at 61 FR 5206, Feb. 9, 1996]
§ 135.9 Requirements applicable to HUD NOFAs for section 3 covered programs.

(a) Certification of compliance with part 135. All notices of funding availability (NOFAs) issued by HUD that announce the availability of funding covered by section 3 shall include a provision in the NOFA that notifies applicants that section 3 and the regulations in part 135 are applicable to funding awards made under the NOFA. Additionally the NOFA shall require as an application submission requirement (which may be specified in the NOFA or application kit) a certification by the applicant that the applicant will comply with the regulations in part 135. (For PHAs, this requirement will be met where a PHA Resolution in Support of the Application is submitted.) With respect to application evaluation, HUD will accept an applicant’s certification unless there is evidence substantially challenging the certification.

(b) Statement of purpose in NOFAs. (1) For competitively awarded assistance in which the grants are for activities administered by an HA, and those activities are anticipated to generate significant training, employment or contracting opportunities, the NOFA must include a statement that one of the purposes of the assistance is to give to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

(2) For competitively awarded assistance involving housing rehabilitation, construction or other public construction where the amount awarded to the applicant may exceed $200,000, the NOFA must include a statement that one of the purposes of the assistance is to give to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

(c) Section 3 as NOFA evaluation criteria. Where not otherwise precluded by statute, in the evaluation of applications for the award of assistance, consideration shall be given to the extent to which an applicant has demonstrated that it will train and employ section 3 residents and contract with section 3 business concerns for economic opportunities generated in connection with the assisted project or activity. The evaluation criteria to be utilized, and the rating points to be assigned, will be specified in the NOFA.

§ 135.11 Other laws governing training, employment, and contracting.

Other laws and requirements that are applicable or may be applicable to the economic opportunities generated from the expenditure of section 3 covered assistance include, but are not necessarily limited to those listed in this section.

(a) Procurement standards for States and local governments (24 CFR 85.36)—(1) General. Nothing in this part 135 prescribes specific methods of procurement. However, neither section 3 nor the requirements of this part 135 supersede the general requirement of 24 CFR 85.36(c) that all procurement transactions be conducted in a competitive manner. Consistent with 24 CFR 85.36(c)(2), section 3 is a Federal statute that expressly encourages, to the maximum extent feasible, a geographic preference in the evaluation of bids or proposals.

(2) Flexible Subsidy Program. Multi-family project mortgagors in the Flexible Subsidy Program are not required to utilize the methods of procurement in 24 CFR 85.36(d), and are not permitted to utilize methods of procurement that would result in their award of a contract to a business concern that submits a bid higher than the lowest responsive bid. A multifamily project mortgagor, however, must ensure that, to the greatest extent feasible, the procurement practices it selects provide preference to section 3 business concerns.

(b) Procurement standards for other recipients (OMB Circular No. A-110). Nothing in this part prescribes specific methods of procurement for grants and other agreements with institutions of higher education, hospitals, and other nonprofit organizations. Consistent with the requirements set forth in OMB Circular No. A-110, section 3 is a
§ 135.30

Federal statute that expressly encourages a geographic preference in the evaluation of bids or proposals.

(c) Federal labor standards provisions. Certain construction contracts are subject to compliance with the requirement to pay prevailing wages determined under Davis-Bacon Act (40 U.S.C. 276a—276a-7) and implementing U.S. Department of Labor regulations in 29 CFR part 5. Additionally, certain HUD-assisted rehabilitation and maintenance activities on public and Indian housing developments are subject to compliance with the requirement to pay prevailing wage rates, as determined or adopted by HUD, to laborers and mechanics employed in this work. Apprentices and trainees may be utilized on this work only to the extent permitted under either Department of Labor regulations at 29 CFR part 5 or for work subject to HUD-determined prevailing wage rates, HUD policies and guidelines. These requirements include adherence to the wage rates and ratios of apprentices or trainees to journeymen set out in “approved apprenticeship and training programs,” as described in paragraph (d) of this section.

(d) Approved apprenticeship and trainee programs. Certain apprenticeship and trainee programs have been approved by various Federal agencies. Approved apprenticeship and trainee programs include: an apprenticeship program approved by the Bureau of Apprenticeship and Training of the Department of Labor, or a State Apprenticeship Agency, or an on-the-job training program approved by the Bureau of Apprenticeship and Training, in accordance with the regulations at 29 CFR part 5; or a training program approved by HUD in accordance with HUD policies and guidelines, as applicable. Participation in an approved apprenticeship program does not, in and of itself, demonstrate compliance with the regulations of this part.

(e) Compliance with Executive Order 11246. Certain contractors covered by this part are subject to compliance with Executive Order 11246, as amended by Executive Order 12086, and the Department of Labor regulations issued pursuant thereto (41 CFR chapter 60) which provide that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in all phases of employment during the performance of Federal or Federally assisted construction contracts.

Subpart B—Economic Opportunities for Section 3 Residents and Section 3 Business Concerns

§ 135.30 Numerical goals for meeting the greatest extent feasible requirement.

(a) General. (1) Recipients and covered contractors may demonstrate compliance with the “greatest extent feasible” requirement of section 3 by meeting the numerical goals set forth in this section for providing training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(2) The goals established in this section apply to the entire amount of section 3 covered assistance awarded to a recipient in any Federal Fiscal Year (FY), commencing with the first FY following the effective date of this rule.

(3) For recipients that do not engage in training, or hiring, but award contracts to contractors that will engage in training, hiring, and subcontracting, recipients must ensure that, to the greatest extent feasible, contractors will provide training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(4) The numerical goals established in this section represent minimum numerical targets.

(b) Training and employment. The numerical goals set forth in paragraph (b) of this section apply to new hires. The numerical goals reflect the aggregate hires. Efforts to employ section 3 residents, to the greatest extent feasible, should be made at all job levels.

(1) Numerical goals for section 3 covered public and Indian housing programs. Recipients of section 3 covered public and Indian housing assistance (as described in §135.5) and their contractors and subcontractors may demonstrate compliance with this part by committing to employ section 3 residents as:
(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;
(ii) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996;
(iii) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997 and continuing thereafter.

(2) Numerical goals for other HUD programs covered by section 3. (i) Recipients of section 3 covered housing assistance provided under other HUD programs, and their contractors and subcontractors (unless the contract or subcontract awards do not meet the threshold specified in §135.3(a)(3)) may demonstrate compliance with this part by committing to employ section 3 residents as 10 percent of the aggregate number of new hires for each year over the duration of the section 3 project:
(ii) Where a managing general partner or management agent is affiliated, in a given metropolitan area, with recipients of section 3 covered housing assistance, for an aggregate of 500 or more units in any fiscal year, the managing partner or management agent may demonstrate compliance with this part by committing to employ section 3 residents as:
(A) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;
(B) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996;
(C) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997, and continuing thereafter.
(iii) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997 and continuing thereafter.

(3) Recipients of section 3 covered community development assistance, and their contractors and subcontractors (unless the contract or subcontract awards do not meet the threshold specified in §135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to employ section 3 residents as:
(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;
(ii) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996; and
(iii) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997 and continuing thereafter.

(c) Contracts. Numerical goals set forth in paragraph (c) of this section apply to contracts awarded in connection with all section 3 covered projects and section 3 covered activities. Each recipient and contractor and subcontractor (unless the contract or subcontract awards do not meet the threshold specified in §135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to award to section 3 business concerns:
(1) At least 10 percent of the total dollar amount of all section 3 covered contracts for building trades work for maintenance, repair, modernization or development of public or Indian housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and
(2) At least three (3) percent of the total dollar amount of all other section 3 covered contracts.

(d) Safe harbor and compliance determinations. (1) In the absence of evidence to the contrary, a recipient that meets the minimum numerical goals set forth in this section will be considered to have complied with the section 3 preference requirements.
(2) In evaluating compliance under subpart D of this part, a recipient that has not met the numerical goals set forth in this section has the burden of demonstrating why it was not feasible to meet the numerical goals set forth in this section. Such justification may include impediments encountered despite actions taken. A recipient or contractor also can indicate other economic opportunities, such as those listed in §135.40, which were provided in its efforts to comply with section 3 and the requirements of this part.

§135.32 Responsibilities of the recipient.

Each recipient has the responsibility to comply with section 3 in its own operations, and ensure compliance in the
§ 135.34 Preference for section 3 residents in training and employment opportunities.

(a) Order of providing preference. Recipients, contractors and subcontractors shall direct their efforts to provide, to the greatest extent feasible, training and employment opportunities generated from the expenditure of section 3 covered assistance to section 3 residents in the order of priority provided in paragraph (a) of this section.

(1) Public and Indian housing programs. In public and Indian housing programs, efforts shall be directed to provide training and employment opportunities to section 3 residents in the following order of priority:

(i) Residents of the housing development or developments for which the section 3 covered assistance is expended (category 1 residents);

(ii) Participants in HUD Youthbuild programs being carried out in the metropolitan area (or nonmetropolitan county) in which the section 3 covered assistance is expended (category 3 residents);

(iii) Where the section 3 project is assisted under the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11301 et seq.), homeless persons residing in the service area or neighborhood in which the section 3 covered project is located (collectively, referred to as category 2 residents);

(iv) Other section 3 residents.

(2) Housing and community development programs. In housing and community development programs, priority consideration shall be given, where feasible, to:

(i) Section 3 residents residing in the service area or neighborhood in which the section 3 covered project is located (collectively, referred to as category 1 residents); and

(ii) Participants in HUD Youthbuild programs (category 2 residents).

(iii) Where the section 3 project is assisted under the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11301 et seq.), homeless persons residing in the service area or neighborhood in which the section 3 covered project is located shall be given the highest priority;
Office of Asst. Secy., Equal Opportunity, HUD § 135.36

(iv) Other section 3 residents.

(3) Recipients of housing assistance programs administered by the Assistant Secretary for Housing may, at their own discretion, provide preference to residents of the housing development receiving the section 3 covered assistance within the service area or neighborhood where the section 3 covered project is located.

(4) Recipients of community development programs may, at their own discretion, provide priority to recipients of government assistance for housing, including recipients of certificates or vouchers under the Section 8 housing assistance program, within the service area or neighborhood where the section 3 covered project is located.

(b) Eligibility for preference. A section 3 resident seeking the preference in training and employment provided by this part shall certify, or submit evidence to the recipient contractor or subcontractor, if requested, that the person is a section 3 resident, as defined in §135.5. (An example of evidence of eligibility for the preference is evidence of receipt of public assistance, or evidence of participation in a public assistance program.)

(c) Eligibility for employment. Nothing in this part shall be construed to require the employment of a section 3 resident who does not meet the qualifications of the position to be filled.

§ 135.36 Preference for section 3 business concerns in contracting opportunities.

(a) Order of providing preference. Recipients, contractors and subcontractors shall direct their efforts to award section 3 covered contracts, to the greatest extent feasible, to section 3 business concerns in the order of priority provided in paragraph (a) of this section.

(1) Public and Indian housing programs. In public and Indian housing programs, efforts shall be directed to award contracts to section 3 business concerns in the following order of priority:

(i) Business concerns that are 51 percent or more owned by residents of the housing development or developments for which the section 3 covered assistance is expended, or whose full-time, permanent workforce includes 30 percent of these persons as employees (category 1 businesses);

(ii) Business concerns that are 51 percent or more owned by residents of other housing developments or developments managed by the HA that is expending the section 3 covered assistance, or whose full-time, permanent workforce includes 30 percent of these persons as employees (category 2 businesses);

(iii) Section 3 business concerns that provide economic opportunities for section 3 residents in the service area or neighborhood in which the section 3 covered project is located (category 3 businesses); and

(iv) Business concerns that are 51 percent or more owned by section 3 residents, or whose permanent, full-time workforce includes no less than 30 percent section 3 residents (category 4 businesses), or that subcontract in excess of 25 percent of the total amount of subcontracts to business concerns identified in paragraphs (a)(1)(i) and (a)(1)(ii) of this section.

(2) Housing and community development programs. In housing and community development programs, priority consideration shall be given, where feasible, to:

(i) Section 3 business concerns that provide economic opportunities for section 3 residents in the service area or neighborhood in which the section 3 covered project is located (category 1 businesses); and

(ii) Applicants (as this term is defined in 42 U.S.C. 12899) selected to carry out HUD Youthbuild programs (category 2 businesses);

(iii) Other section 3 business concerns.

(b) Eligibility for preference. A business concern seeking to qualify for a section 3 contracting preference shall certify or submit evidence, if requested, that the business concern is a section 3 business concern as defined in §135.5.

(c) Ability to complete contract. A section 3 business concern seeking a contract or a subcontract shall submit evidence to the recipient, contractor, or subcontractor (as applicable), if requested, sufficient to demonstrate to the satisfaction of the party awarding the contract that the business concern is responsible and has the ability to...
§ 135.38

perform successfully under the terms and conditions of the proposed contract. The ability to perform successfully under the terms and conditions of the proposed contract is required of all contractors and subcontractors subject to the procurement standards of 24 CFR 85.36 (see 24 CFR 85.36(b)(8)). This regulation requires consideration of, among other factors, the potential contractor’s record in complying with public policy requirements. Section 3 compliance is a matter properly considered as part of this determination.

§ 135.38 Section 3 clause.

All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD’s regulations in 24 CFR part 135, which implement section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers’ representative of the contractor’s commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor’s obligations under 24 CFR part 135.

F. Noncompliance with HUD’s regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

§ 135.40 Providing other economic opportunities.

(a) General. In accordance with the findings of the Congress, as stated in section 3, that other economic opportunities offer an effective means of empowering low-income persons, a recipient is encouraged to undertake efforts to provide to low-income persons economic opportunities other than training, employment, and contract awards, in connection with section 3 covered assistance.

(b) Other training and employment related opportunities. Other economic opportunities to train and employ section 3 residents include, but need not be limited to, use of “upward mobility”, “bridge” and trainee positions to fill vacancies; hiring section 3 residents in
management and maintenance positions within other housing developments; and hiring section 3 residents in part-time positions.

(c) Other business related economic opportunities. (i) A recipient or contractor may provide economic opportunities to establish, stabilize or expand section 3 business concerns, including micro-enterprises. Such opportunities include, but are not limited to the formation of section 3 joint ventures, financial support for affiliating with franchise development, use of labor only contracts for building trades, purchase of supplies and materials from housing authority resident-owned businesses, purchase of materials and supplies from PHA resident-owned businesses and use of procedures under 24 CFR part 963 regarding HA contracts to HA resident-owned businesses. A recipient or contractor may employ these methods directly or may provide incentives to non-section 3 businesses to utilize such methods to provide other economic opportunities to low-income persons.

(2) A section 3 joint venture means an association of business concerns, one of which qualifies as a section 3 business concern, formed by written joint venture agreement to engage in and carry out a specific business venture for which purpose the business concerns combine their efforts, resources, and skills for joint profit, but not necessarily on a continuing or permanent basis for conducting business generally, and for which the section 3 business concern:

(i) Is responsible for a clearly defined portion of the work to be performed and holds management responsibilities in the joint venture; and

(ii) Performs at least 25 percent of the work and is contractually entitled to compensation proportionate to its work.

Subpart C [Reserved]

Subpart D—Complaint and Compliance Review

§ 135.70 General.

(a) Purpose. The purpose of this subpart is to establish the procedures for handling complaints alleging non-compliance with the regulations of this part, and the procedures governing the Assistant Secretary's review of a recipient's or contractor's compliance with the regulations in this part.

(b) Definitions. For purposes of this subpart:

(1) Complaint means an allegation of noncompliance with regulations of this part made in the form described in §135.76(d).

(2) Complainant means the party which files a complaint with the Assistant Secretary alleging that a recipient or contractor has failed or refused to comply with the regulations in this part.

(3) Noncompliance with section 3 means failure by a recipient or contractor to comply with the requirements of this part.

(4) Respondent means the recipient or contractor against which a complaint of noncompliance has been filed. The term "recipient" shall have the meaning set forth in §135.7, which includes PHA and IHA.

§ 135.72 Cooperation in achieving compliance.

(a) The Assistant Secretary recognizes that the success of ensuring that section 3 residents and section 3 business concerns have the opportunity to apply for jobs and to bid for contracts generated by covered HUD financial assistance depends upon the cooperation and assistance of HUD recipients and their contractors and subcontractors. All recipients shall cooperate fully and promptly with the Assistant Secretary in section 3 compliance reviews, in investigations of allegations of noncompliance made under §135.76, and with the distribution and collection of data and information that the Assistant Secretary may require in connection with achieving the economic objectives of section 3.

(b) The recipient shall refrain from entering into a contract with any contractor after notification to the recipient by HUD that the contractor has been found in violation of the regulations in this part. The provisions of 24 CFR part 24 apply to the employment, engagement of services, awarding of contracts or funding of any contractors or subcontractors during any period of
§ 135.74 Section 3 compliance review procedures.

(a) Compliance reviews by Assistant Secretary. The Assistant Secretary shall periodically conduct Section 3 compliance reviews of selected recipients and contractors to determine whether these recipients are in compliance with the regulations in this part.

(b) Form of compliance review. A Section 3 compliance review shall consist of a comprehensive analysis and evaluation of the recipient’s or contractor’s compliance with the requirements and obligations imposed by the regulations of this part, including an analysis of the extent to which Section 3 residents have been hired and Section 3 business concerns have been awarded contracts as a result of the methods undertaken by the recipient to achieve the employment, contracting and other economic objectives of Section 3.

(c) Where compliance review reveals noncompliance with Section 3 by recipient or contractor. Where the Section 3 compliance review reveals that a recipient or contractor has not complied with Section 3, the Assistant Secretary shall notify the recipient or contractor of its specific deficiencies in compliance with the regulations of this part, and shall advise the recipient or contractor of the means by which these deficiencies may be corrected. HUD shall conduct a follow-up review with the recipient or contractor to ensure that action is being taken to correct the deficiencies.

(d) Continuing noncompliance by recipient or contractor. A continuing failure or refusal by the recipient or contractor to comply with the regulations in this part may result in the application of sanctions specified in the contract through which HUD assistance is provided, or the application of sanctions specified in the regulations governing the HUD program under which HUD financial assistance is provided. HUD will notify the recipient of any continuing failure or refusal by the contractor to comply with the regulations in this part for possible action under any procurement contract between the recipient and the contractor. Debarment, suspension and limited denial of participation pursuant to HUD’s regulations in 24 CFR part 24, where appropriate, may be applied to the recipient or the contractor.

(e) Conducting compliance review before the award of assistance. Section 3 compliance reviews may be conducted before the award of contracts, and especially where the Assistant Secretary has reasonable grounds to believe that the recipient or contractor will be unable or unwilling to comply with the regulations in this part.

(f) Consideration of complaints during compliance review. Complaints alleging noncompliance with Section 3, as provided in §135.76, may also be considered during any compliance review conducted to determine the recipient’s conformance with regulations in this part.

§ 135.76 Filing and processing complaints.

(a) Who may file a complaint. The following individuals and business concerns may, personally or through an authorized representative, file with the Assistant Secretary a complaint alleging noncompliance with Section 3:

1. Any Section 3 resident on behalf of himself or herself, or as a representative of persons similarly situated, seeking employment, training or other economic opportunities generated from the expenditure of Section 3 covered assistance with a recipient or contractor, or by a representative who is not a Section 3 resident but who represents one or more Section 3 residents;

2. Any Section 3 business concern on behalf of itself, or as a representative of other Section 3 business concerns similarly situated, seeking contract opportunities generated from the expenditure of Section 3 covered assistance from a recipient or contractor, or by a representative who is not a Section 3 resident but who represents one or more Section 3 residents.

(b) Where to file a complaint. A complaint must be filed with the Assistant Secretary for Fair Housing and Equal Opportunity, Department of Housing and Urban Development, Washington, DC, 20410.

(c) Time of filing. (1) A complaint must be received not later than 180 days from the date of the action or omission upon which the complaint is
based, unless the time for filing is extended by the Assistant Secretary for good cause shown.

(2) Where a complaint alleges noncompliance with section 3 and the regulations of this part that is continuing, as manifested in a number of incidents of noncompliance, the complaint will be timely if filed within 180 days of the last alleged occurrence of noncompliance.

(3) Where a complaint contains incomplete information, the Assistant Secretary shall request the needed information from the complainant. In the event this information is not furnished to the Assistant Secretary within sixty (60) days of the date of the request, the complaint may be closed.

(d) Contents of complaint—(1) Written complaints. Each complaint must be in writing, signed by the complainant, and include:

(i) The complainant's name and address;

(ii) The name and address of the respondent;

(iii) A description of the acts or omissions by the respondent that is sufficient to inform the Assistant Secretary of the nature and date of the alleged noncompliance;

(iv) A complainant may provide information to be contained in a complaint by telephone to HUD or any HUD Field Office, and HUD will reduce the information provided by telephone to writing on the prescribed complaint form and send the form to the complainant for signature.

(2) Amendment of complaint. Complaints may be reasonably and fairly amended at any time. Such amendments may include, but are not limited to, amendments to cure, technical defects or omissions, including failure to sign or affirm a complaint, to clarify or amplify the allegations in a complaint, or to join additional or substitute respondents. Except for the purposes of notifying respondents, amended complaints will be considered as having been made as of the original filing date.

(e) Resolution of complaint by recipient. (1) Within ten (10) days of timely filing of a complaint that contains complete information (in accordance with paragraphs (c) and (d) of this section), the Assistant Secretary shall determine whether the complainant alleges an action or omission by a recipient or the recipient's contractor that if proven qualifies as noncompliance with section 3. If a determination is made that there is an allegation of noncompliance with section 3, the complaint shall be sent to the recipient for resolution.

(2) If the recipient believes that the complaint lacks merit, the recipient must notify the Assistant Secretary in writing of this recommendation with supporting reasons, within 30 days of the date of receipt of the complaint. The determination that a complaint lacks merit is reserved to the Assistant Secretary.

(3) If the recipient determines that there is merit to the complaint, the recipient will have sixty (60) days from the date of receipt of the complaint to resolve the matter with the complainant. At the expiration of the 60-day period, the recipient must notify the Assistant Secretary in writing whether a resolution of the complaint has been reached. If resolution has been reached, the notification must be signed by both the recipient and the complainant, and must summarize the terms of the resolution reached between the two parties.

(4) Any request for an extension of the 60-day period by the recipient must be submitted in writing to the Assistant Secretary, and must include a statement explaining the need for the extension.

(5) If the recipient is unable to resolve the complaint within the 60-day period (or more if extended by the Assistant Secretary), the complaint shall be referred to the Assistant Secretary for handling.

(f) Informal resolution of complaint by Assistant Secretary—(1) Dismissal of complaint. Upon receipt of the recipient's written recommendation that there is no merit to the complaint, or upon failure of the recipient and complainant to reach resolution, the Assistant Secretary shall review the complaint to determine whether it presents a valid allegation of noncompliance with section 3. The Assistant Secretary may conduct further investigation if deemed necessary. Where the complaint fails to present a valid allegation of noncompliance with section 3,
§ 135.90  
the Assistant Secretary will dismiss  
the complaint without further action.  
The Assistant Secretary shall notify  
the complainant of the dismissal of the  
complaint and the reasons for the dis- 
missal.  

(2) Informal resolution. Where the alle- 
gations in a complaint on their face, or  
as amplified by the statements of the  
complainant, present a valid allegation  
of noncompliance with section 3, the  
Assistant Secretary will attempt,  
through informal methods, to obtain a  
voluntary and just resolution of the  
complaint. Where attempts to resolve  
the complaint informally fail, the As- 
sistant Secretary will impose a resolu-
tion on the recipient and complainant.  
Any resolution imposed by the As-
sistant Secretary will be in accordance  
with requirements and procedures con-
cerning the imposition of sanctions or  
resolutions as set forth in the regula-
tions governing the HUD program  
under which the section 3 covered as-
sistance was provided.  

(3) Effective date of informal resolution.  
The imposed resolution will become ef-
fective and binding at the expiration of  
15 days following notification to recipi-
ent and complainant by certified mail  
of the imposed resolution, unless either  
party appeals the resolution before the  
expiration of the 15 days. Any appeal  
shall be in writing to the Secretary and  
shall include the basis for the appeal.  

(g) Sanctions. Sanctions that may be  
imposed on recipients that fail to com-
ply with the regulations of this part in-
clude debarment, suspension and lim-
ited denial of participation in HUD pro-
grams.  

(h) Investigation of complaint. The As-
sistant Secretary reserves the right to  
investigate a complaint directly when,  
in the Assistant Secretary’s discretion,  
the investigation would further the  
purposes of section 3 and this part.  

(i) Intimidatory or retaliatory acts pro-
hibited. No recipient or other person  
shall intimidate, threaten, coerce, or  
discriminate against any person or  
business because the person or business  
has made a complaint, testified, as-
sisted or participated in any manner in  
an investigation, proceeding, or hear-
ing under this part. The identity of  
complainants shall be kept confiden-
tial except to the extent necessary to  
carry out the purposes of this part, in-
cluding the conduct of any investiga-
tion, hearing or judicial proceeding  
arising thereunder.  

(j) Judicial relief. Nothing in this sub-
part D precludes a section 3 resident or  
section 3 business concerning from ex-
ercising the right, which may other-
wise be available, to seek redress di-
rectly through judicial procedures.  

(Approved by the Office of Management and  
Budget under control number 2529-0043)  

Subpart E—Reporting and  
Recordkeeping  

§ 135.90 Reporting.  

Each recipient which receives di-
rectly from HUD financial assistance  
that is subject to the requirements of  
this part shall submit to the Assistant  
Secretary an annual report in such  
form and with such information as the  
Assistant Secretary may request, for  
the purpose of determining the effec-
tiveness of section 3. Where the pro-
gram providing the section 3 covered  
assistance requires submission of an  
annual performance report, the section  
3 report will be submitted with that  
annual performance report. If the pro-
gram providing the section 3 covered  
assistance does not require an annual  
performance report, the section 3 re-
port is to be submitted by January 10  
of each year or within 10 days of  
project completion, whichever is ear-
lier. All reports submitted to HUD in  
accordance with the requirements of  
this part will be made available to the  
public.  

(Approved by the Office of Management and  
Budget under control number 2529-0043)  

§ 135.92 Recordkeeping and access to  
records.  

HUD shall have access to all records,  
reports, and other documents or items  
of the recipient that are maintained to  
demonstrate compliance with the re-
quirements of this part, or that are  
maintained in accordance with the reg-
ulations governing the specific HUD  
program under which section 3 covered  
assistance is provided or otherwise  
made available to the recipient or con-
tractor.
APPENDIX TO PART 135

I. Examples of Efforts To Offer Training and Employment Opportunities to Section 3 Residents

(1) Entering into “first source” hiring agreements with organizations representing Section 3 residents.

(2) Sponsoring a HUD-certified “Step-Up” employment and training program for section 3 residents.

(3) Establishing training programs, which are consistent with the requirements of the Department of Labor, for public and Indian housing residents and other section 3 residents in the building trades.

(4) Advertising the training and employment positions by distributing flyers (which identify the positions to be filled, the qualifications required, and where to obtain additional information about the application process) to every occupied dwelling unit in the housing development or developments where category 1 or category 2 persons (as these terms are defined in §135.34) reside.

(5) Advertising the training and employment positions by posting flyers (which identify the positions to be filled, the qualifications required, and where to obtain additional information about the application process) in the common areas or other prominent areas of the housing development or developments. For HAs, post such advertising in the housing development or developments where category 1 or category 2 persons reside; for all other recipients, post such advertising in the housing development or developments and transitional housing in the neighborhood or service area of the section 3 covered project.

(6) Contacting resident councils, resident management corporations, or other resident organizations, where they exist, in the housing development or developments where category 1 or category 2 persons reside, and community organizations in HUD-assisted neighborhoods, to request the assistance of these organizations in notifying residents of the training and employment positions to be filled.

(7) Sponsoring (scheduling, advertising, financing or providing in-kind services) a job informational meeting to be conducted by an HA or contractor representative or representatives at a location in the housing development or developments where category 1 or category 2 persons reside or in the neighborhood or service area of the section 3 covered project.

(8) Arranging assistance in conducting job interviews and completing job applications for residents of the housing development or developments where category 1 or category 2 persons reside and in the neighborhood or service area in which a section 3 project is located.

(9) Arranging for a location in the housing development or developments where category 1 persons reside, or the neighborhood or service area of the project, where job applications may be delivered to and collected by a recipient or contractor representative or representatives.

(10) Conducting job interviews at the housing development or developments where category 1 or category 2 persons reside, or at a location within the neighborhood or service area of the section 3 covered project.

(11) Contacting agencies administering HUD Youthbuild programs, and requesting their assistance in recruiting HUD Youthbuild program participants for the HA’s or contractor’s training and employment positions.

(12) Consulting with State and local agencies administering training programs funded through JTPA or J OBS, probation and parole agencies, unemployment compensation programs, community organizations and other officials or organizations to assist with recruiting Section 3 residents for the HA’s or contractor’s training and employment positions.

(13) Advertising the jobs to be filled through the local media, such as community television networks, newspapers of general circulation, and radio advertising.

(14) Employing a job coordinator, or contracting with a business concern that is licensed in the field of job placement (preferably one of the section 3 business concerns identified in part 135), that will undertake, on behalf of the HA, other recipient or contractor, the efforts to match eligible and qualified section 3 residents with the training and employment positions that the HA or contractor intends to fill.

(15) For an HA, employing section 3 residents directly on either a permanent or a temporary basis to perform work generated by section 3 assistance. (This type of employment is referred to as “force account labor” in HUD’s Indian housing regulations. See 24 CFR 905.102, and §905.201(a)(6).)

(16) Where there are more qualified section 3 residents than there are positions to be filled, maintaining a file of eligible qualified section 3 residents for future employment positions.

(17) Undertaking job counseling, education and related programs in association with local educational institutions.

(18) Undertaking such continued job training efforts as may be necessary to ensure the continued employment of section 3 residents previously hired for employment opportunities.

(19) After selection of bidders but prior to execution of contracts, incorporating into the contract a negotiated provision for a specific number of public housing or other section 3 residents to be trained or employed on the section 3 covered assistance.
(20) Coordinating plans and implementation of economic development (e.g., job training and preparation, business development assistance for residents) with the planning for housing and community development.

II. Examples of Efforts To Award Contracts to Section 3 Business Concerns

(1) Utilizing procurement procedures for section 3 business concerns similar to those provided in 24 CFR part 905 for business concerns owned by Native Americans (see section III of this Appendix).

(2) In determining the responsibility of potential contractors, consider their record of section 3 compliance as evidenced by past actions and their current plans for the pending contract.

(3) Contacting business assistance agencies, minority contractors associations and community organizations to inform them of contracting opportunities and requesting their assistance in identifying section 3 businesses which may solicit bids or proposals for contracts for work in connection with section 3 covered assistance.

(4) Advertising contracting opportunities by posting notices, which provide general information about the work to be contracted and where to obtain additional information, in the common areas or other prominent areas of the housing development or developments owned and managed by the HA.

(5) For HA's, contacting resident councils, resident management corporations, or other resident organizations, where they exist, and requesting their assistance in identifying section 3 businesses.

(6) Providing written notice to all known section 3 business concerns of the contracting opportunities. This notice should be in sufficient time to allow the section 3 business concerns to respond to the bid invitations or request for proposals.

(7) Following up with section 3 business concerns that have expressed interest in the contracting opportunities by contacting them to provide additional information on the contracting opportunities.

(8) Coordinating pre-bid meetings at which section 3 business concerns could be informed of upcoming contracting and subcontracting opportunities.

(9) Carrying out workshops on contracting procedures and specific contract opportunities in a timely manner so that section 3 business concerns can take advantage of upcoming contracting opportunities, with such information being made available in languages other than English where appropriate.

(10) Advising section 3 business concerns as to where they may seek assistance to overcome limitations such as inability to obtain bonding, lines of credit, financing, or insurance.

III. Examples of Procurement Procedures That Provide for Preference for Section 3 Business Concerns

This Section III provides specific procedures that may be followed by recipients and contractors (collectively, referred to as the "contracting party") for implementing the section 3 contracting preference for each of the competitive procurement methods authorized in 24 CFR 85.36(d).

(1) Small Purchase Procedures. For section 3 covered contracts aggregating no more than $25,000, the methods set forth in this paragraph (1) or the more formal procedures set forth in paragraphs (2) and (3) of this Section III may be utilized.

24 CFR Subtitle B, Ch. I (4-1-99 Edition)

are acceptable when the contracting party
has attempted, but has been unable, to ob-
tain a sufficient number of competitive
quotations. In unusual circumstances,
the contracting party shall document
the circumstances when it has been unable
to obtain at least three quotations.
(i) Award. (A) Where the section 3 covered
contract is to be awarded based upon
the lowest price, the contract shall be awarded
to the qualified section 3 business concern with
the lowest responsive quotation, if it is
reasonable and no more than 10 percent high-
er than the quotation of the lowest respon-
sive quotation from any qualified source. If
no responsive quotation by a qualified sec-
tion 3 business concern is within 10 percent
of the lowest responsive quotation from any
qualified source, the award shall be made to
the source with the lowest quotation.

(B) Where the section 3 covered contract is
to be awarded based on factors other than
price, a request for quotations shall be issued
by developing the particulars of the solicita-
tion, including a rating system for the as-
ignment of points to evaluate the merits of
each quotation. The solicitation shall iden-
tify all factors to be considered, including
price or cost. The rating system shall pro-
vide for a range of 15 to 25 percent of the
total number of available rating points to be
set aside for the provision of preference for
section 3 business concerns. The purchase
order shall be awarded to the responsible
firm whose quotation is the most advan-
tageous, considering price and all other fac-
tors specified in the rating system.

(ii) Procurement by sealed bids (Invitations for
Bids). Preference in the award of section 3
covered contracts that are awarded under a
sealed bid (IFB) process may be provided as
follows:

(A) Bids shall be solicited from all busi-
nesses (section 3 business concerns, and non-
section 3 business concerns). An award shall
be made to the qualified section 3 business
concern with the highest priority ranking
and with the lowest responsive bid if that
bid—

(A) is within the maximum total contract
price established in the contracting party’s
budget for the specific project for which bids
are being taken, and

(B) is not more than “X” higher than the
total bid price of the lowest responsive bid
from any responsible bidder. “X” is deter-
mined as follows:

<table>
<thead>
<tr>
<th>x=lesser of:</th>

(ii) If no responsive bid by a section 3 busi-
ness concern meets the requirements of para-
graph (2)(i) of this section, the contract shall
be awarded to a responsible bidder with the
lowest responsive bid.

(3) Procurement under the competitive pro-
posals method of procurement (Request for Pro-
posals (RFP)). (i) For contracts and sub-
contracts awarded under the competitive
proposals method of procurement (24 CFR
§ 5,36(d)(3)), a Request for Proposals (RFP)
shall identify all evaluation factors (and
their relative importance) to be used to rate
proposals.

(ii) One of the evaluation factors shall ad-
dress both the preference for section 3 busi-
ness concerns and the acceptability of the
strategy for meeting the greatest extent fea-
sible requirement (section 3 strategy), as dis-
closed in proposals submitted by all business
consultants (section 3 and non-section 3 busi-
ness concerns). This factor shall provide for
a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.

(iii) The component of this evaluation factor designed to address the preference for section 3 business concerns must establish a preference for these business concerns in the order of priority ranking as described in 24 CFR 135.36.

(iv) With respect to the second component (the acceptability of the section 3 strategy), the RFP shall require the disclosure of the contractor's section 3 strategy to comply with the section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor's responsibility will include the submission of an acceptable section 3 strategy. The contract award shall be made to the responsible firm (either section 3 or non-section 3 business concern) whose proposal is determined most advantageous, considering price and all other factors specified in the RFP.

PART 146—NONDISCRIMINATION ON THE BASIS OF AGE IN HUD PROGRAMS OR ACTIVITIES RECEIVING FEDERAL FINANCIAL ASSISTANCE

Subpart A—General

§ 146.1 Purpose of the Age Discrimination Act of 1975.

The Age Discrimination Act of 1975 (the Act) prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. The Act, however, permits federally assisted programs and activities and recipients of Federal funds to continue to use certain age distinctions and factors other than age which meet the requirements of the Act and this part.

§ 146.3 Purpose of HUD's age discrimination regulation.

The purpose of this part is to state HUD's policies and procedures under the Age Discrimination Act of 1975, consistent with the government-wide age discrimination regulation contained at 45 CFR part 90.

§ 146.5 Applicability of part.

This part applies to each program or activity that receives Federal financial assistance provided by HUD.

§ 146.7 Definitions.

The terms HUD and Secretary are defined in 24 CFR part 5.

Action means any act, activity, policy, rule, standard, or method of administration or the use of any policy, rule, standard, or method of administration.

Age means how old a person is, or the number of elapsed years from the date of a person's birth.

Age distinction means any action using age or an age-related term.
Age-related term means a word or words which necessarily imply a particular age or range of ages (for example, children, adult, older persons, but not student).

Federal financial assistance means any grant, entitlement, loan, cooperative agreement, contract (other than a procurement contract or a contract of insurance or guaranty), or any other arrangement by which HUD provides or otherwise makes available assistance in the form of:

(a) Funds;
(b) Service of Federal personnel; or
(c) Real or personal property or any interest in or use of property, including:
   (1) Transfers or leases of property for less than fair market value or for reduced consideration; and
   (2) Proceeds from a subsequent transfer or lease of property if the Federal share of its fair market value is not returned to the Federal government.

Recipient means any State or its political subdivisions; any instrumentality of a State or its political subdivisions; any public or private agency; any Indian tribe or Alaskan Native Village, institution, organization, or other entity; or any person to which Federal financial assistance is extended, directly or through another recipient. Recipient includes any successor, assignee, or transferee, but does not include the ultimate beneficiary of the assistance.

Subrecipient means any of the entities in the definition of recipient to which a recipient extends or passes Federal financial assistance. A subrecipient is regarded as a recipient of Federal financial assistance and has all the duties of a recipient set out in this part.

United States means the several States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, Wake Island, the Canal Zone, the Trust Territory of the Pacific Islands, the Northern Marianas, and the territories and possessions of the United States.

(1) Age is used as a measure or approximation of one or more other characteristics; and
(2) The other characteristics must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity; and
(3) The other characteristics can be reasonably measured or approximated by the use of age; and
(4) The other characteristics are impractical to measure directly on an individual basis.

(c) Exceptions for reasonable factors other than age. A recipient is permitted to take action otherwise prohibited by paragraph (a) of this section if the action is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or the achievement of a statutory objective.

(d) Burden of proof. The burden of proving that an age distinction or other action falls within an exception described in paragraph (b) or (c) of this section is on the recipient of Federal financial assistance.

(e) For the purposes of paragraphs (b) and (c), normal operation means the operation of a program or activity without significant changes that would impair its ability to meet its statutory objectives. Statutory objectives means any purpose of a program or activity expressly stated in any Federal, State, or local statute adopted by an elected, general purpose legislative body.

(f) Notwithstanding paragraph (b) of this section, if a recipient operating a program provides special benefits to the elderly or to children, such use of age distinctions shall be presumed to be necessary to the normal operation of the program.

§ 146.23 Notice of subrecipients.

Whenever a recipient passes Federal financial assistance from HUD to subrecipients, the recipient shall provide the subrecipient with written notice of its obligations under this part and the recipient will remain responsible for the subrecipient's compliance with respect to programs and activities receiving Federal financial assistance from HUD.

§ 146.25 Assurance of compliance and recipient assessment of age distinctions.

(a) Each recipient of Federal financial assistance from HUD shall sign a written assurance as specified by HUD that it will comply with the Act and this part with respect to programs and activities receiving Federal financial assistance from HUD.

(b) As part of a compliance review under §146.31 or an investigation under §146.37, HUD may require a recipient employing the equivalent of 15 or more employees to complete, in a manner
specified by the Secretary or Secretary's designee, a written self-evaluation of any age distinction imposed in its program or activity receiving Federal financial assistance from HUD, so that HUD may have to assess the recipient's compliance with the Act. Whenever an assessment indicates a violation of the Act or this part, the recipient shall take corrective action to remedy the violation.

(Approved by the Office of Management and Budget under control number 2529-0030)

§ 146.27 Information requirements.

In order to make it possible for HUD to determine whether recipients are in compliance with the Act and this part, each recipient shall:

(a) Keep records in a form and containing information that HUD determines is necessary;

(b) Make information available to HUD upon request;

(c) Permit reasonable access by HUD to the books, records, accounts and other recipient facilities and sources of information.

(Approved by the Office of Management and Budget under control number 2529-0030)

§ 146.31 Compliance reviews.

(a) HUD may conduct pre-award reviews to determine whether programs or activities submitted for HUD assistance are consistent with the age distinctions set forth at § 146.13(b).

(b) If a pre-award review indicates that the proposed programs or activities are not consistent with the age distinctions set forth at § 146.13(b), the application will be returned to the applicant for additional information or clarification or for correction consistent with this part.

(c) HUD may conduct compliance reviews of recipients that will enable it to investigate and correct violations of this part. HUD may conduct these reviews even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary for HUD to determine whether a violation has occurred.

(d) If a compliance review indicates a violation, HUD will attempt to achieve voluntary compliance. If voluntary compliance cannot be achieved, HUD may begin enforcement procedures as provided in § 146.39.

§ 146.33 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with HUD alleging discrimination prohibited by the Act. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause, HUD may extend this time limit. The filing date for a complaint will be the date upon which the complaint is deemed sufficient to be processed.

(b) HUD shall facilitate the filing of complaints and shall take the following measures:

(1) Accept as a sufficient complaint any written legible statement which is signed by the complainant and which identifies the parties involved, the date the complainant first had knowledge of the alleged violation, and describes generally the alleged prohibited action or practice;

(2) Freely permit a complainant to add information to the complaint to meet the requirements of a sufficient complaint;

(3) Widely disseminate information regarding the obligations of recipients under the Act and this part;

(4) Notify the complainant and the recipient of their rights under the complaint process, including the right to have a representative at all stages of the complaint process; and

(5) Notify the complainant and the recipient of their right to contact HUD for information and assistance regarding the complaint resolution process.

(c) HUD will return to the complainant any complaint determined to be outside the coverage of this part, and
§ 146.35 Mediation.

(a) HUD shall refer to the Federal Mediation and Conciliation Service, a mediation agency designated by the Secretary of Health and Human Services, all complaints that:

(1) Fall within the coverage of this part, unless the age distinction complained of is clearly with an exception; and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or make an informal judgment that an agreement is not possible. There should be at least one meeting by each party with the mediator during the mediation process. However, the recipient and the complainant need not meet with the mediator at the same time.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and recipient sign it. The mediator shall send a copy of the agreement to HUD. HUD will take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) The mediator shall protect the confidentiality of information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained in the course of the mediation process without the prior approval of the head of the mediation agency.

(e) HUD shall use the mediation process for a maximum of 60 days after receiving a complaint. Mediation ends if:

(1) 60 days elapse from the time HUD receives the complaint; or

(2) Before the end of the 60-day period, an agreement is reached; or

(3) Before the end of the 60-day period, the mediator determines that an agreement cannot be reached.

This 60-day period may be extended by the mediator, with the concurrence of HUD, for not more than an additional 30 days if the mediator determines that it is likely that an agreement will be reached during such extended period.

§ 146.37 Investigation.

(a) Investigation and settlement following mediation. (1) HUD shall investigate complaints that are unresolved after mediation or are reopened because of an alleged violation of a mediation agreement.

(2) In the investigation of complaints filed under this part, HUD will establish facts through such methods as discussion with the complainant and recipient and the review of documents in the possession of either party. HUD may also seek the assistance of any applicable State agency. Where possible, HUD will settle the complaint on terms that are mutually agreeable to the parties.

(3) Settlements shall be in writing and signed by the parties and by an authorized HUD official.

(4) A settlement shall not affect the initiation or continuation of any other enforcement effort of HUD, including compliance reviews or investigation of other complaints involving the recipient.

(5) A settlement reached under this paragraph (a) of this section is an agreement to resolve an alleged violation of the Act to the satisfaction of the parties involved, and does not constitute a finding of discrimination against the recipient.

(b) Failure of settlement. If HUD cannot resolve the complaint through settlement, it may make a formal determination that the Act or this part has been violated and begin enforcement procedures, as provided in §146.39. HUD shall inform the recipient and complainant in writing that the matter cannot be resolved through settlement.

§ 146.39 Enforcement procedures.

(a) HUD may enforce the Act this regulation by:

(1) Termination of a recipient's financial assistance from HUD under the
program or activity involved, if the recipient has violated the Act or this part. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an Administrative Law Judge. If the financial assistance consists of a Community Development Block Grant, the requirements of section 109(b) of the Housing and Community Development Act of 1974, 42 U.S.C. 5309, must also be satisfied before the termination of financial assistance. Cases settled in mediation or before hearing will not involve termination of a recipient's Federal financial assistance from HUD.

(2) Any other means authorized by law, including, but not limited to:
(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations of the recipient created by the Act or this part;
(ii) Use of any requirement of, or referral to, any Federal, State or local government agency that will have the effect of correcting a violation of the Act or this part.

(b) Whenever the Secretary determines that a State or unit of general local government which is a recipient of Federal financial assistance under Title I of the Housing and Community Development Act of 1974, 42 U.S.C. 5301-5317, has failed to comply with requirements of the Age Discrimination Act or this part with respect to a program or activity funded in whole or in part with such assistance, he or she shall notify the Governor of such State or the chief executive officer of such unit of general local government of the noncompliance and shall request the Governor or chief executive officer to secure compliance. If within a reasonable period of time, not to exceed 60 days, the Governor or chief executive officer fails or refuses to secure compliance, the Secretary is authorized to take the action specified in (a) of this section, exercise the powers and functions provided for in section 111(a) of the Housing and Community Act of 1974, 42 U.S.C. 5311(a), or take such other action as may be provided by law.

(c) HUD shall limit any termination under §146.35 to the particular recipient and particular program or activity HUD finds to be in violation of this part. HUD shall not base any part of a determination on a finding with respect to any program or activity of the recipient which does not receive Federal financial assistance from HUD.

(d) HUD shall take no action under paragraph (a) of this section until:
(1) The Secretary has advised the recipient of its failure to comply with the Act or this part and has determined that voluntary compliance cannot be achieved.
(2) Thirty days have have elapsed after the Secretary has submitted a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the Federal program or activity involved. A report shall be filed whenever any action is taken under paragraph (a) of this section.

(e)(1) The Secretary may defer the provision of new Federal financial assistance to a recipient when termination proceedings under this section are initiated.
(2) New financial assistance from HUD includes all assistance for which HUD requires an application, approval, or submissions under the Community Development Block Grant program including renewal or continuation of existing activities, or authorization of new activities, during the deferral period. New financial assistance from HUD does not include increases in funding as a result of changed computation for formula awards or assistance approved before the beginning of a hearing under this section.
(3) HUD shall not impose a deferral until the recipient has received a notice of an opportunity for a hearing under this section. HUD shall not continue a deferral for more than 60 days unless a hearing has begun within that time or the time for beginning the hearing has been extended by mutual consent of the recipient and the Secretary. HUD shall not continue a deferral for more than 30 days after the close of the hearing, unless the hearing results in a finding that the recipient has violated that Act or this part.
§ 146.41 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by this part; or

(b) Cooperates in any mediation, investigation, hearing, or other part of HUD’s investigation, settlement, and enforcement process.

§ 146.43 Hearings, decisions, post-termination proceedings.

The provisions of 24 CFR part 180 apply to HUD enforcement of this part.

[61 FR 52218, Oct. 4, 1996]

§ 146.45 Exhaustion of administrative remedies.

(a) A complainant may file a civil action following the exhaustion of administrative remedies under the Act. Administrative remedies are exhausted if:

(1) 180 days have elapsed since the complainant filed the complaint and HUD had made no finding with regard to the complaint; or

(2) HUD issues any finding in favor of the recipient.

(b) If HUD fails to make a finding within 180 days or issues a finding in favor of the recipient, HUD shall:

(1) Promptly advise the complainant of this fact;

(2) Advise the complainant of his or her right to bring a civil action for injunctive relief; and

(3) Inform the complainant:

(i) That he or she may bring a civil action only in a United States District Court for the district in which the recipient is located or transacts business;

(ii) That any recipient prevailing in a civil action has the right to be awarded the costs of the action, including reasonable attorney’s fees, but that the complainant must demand these costs in the complaint;

(iii) That before commencing the action, the complainant must give 30 days’ notice by registered mail to the Secretary of HUD, the Secretary of Health and Human Services, the Attorney General of the United States, and the recipient;

(iv) That the notice must state: the alleged violation of the Act, the relief requested, the court in which the complainant is bringing the action, and whether or not attorney’s fees are demanded in the event the complainant prevails; and

(v) That the complainant may not bring an action if the same alleged violation of the Act by the same recipient is the subject of a pending action in any court of the United States.

§ 146.47 Remedial and affirmative action by recipients.

(a) Where the Secretary finds that a recipient has unlawfully discriminated on the basis of age, the recipient shall take any action that the Secretary may require to overcome the effects of the discrimination. If another recipient exercises control over a subrecipient that has unlawfully discriminated, the Secretary may require both recipients to take remedial action.

(b) Even in the absence of a finding of discrimination, a recipient may take affirmative action to overcome the effects of conditions that resulted in limited participation in the recipient’s program or activity on the basis of age.

(c) If a recipient operating a program which serves the elderly or children in addition to persons of other ages provides special benefits to the elderly or children, the provision of those benefits shall be presumed to be voluntary affirmative action, provided that it does not have the effect of excluding otherwise eligible persons from participation in the program.

§ 146.49 Alternate funds disbursal procedure.

(a) Except as otherwise provided in this paragraph and to the extent authorized by law, the Secretary may disburse funds withheld or terminated under this part directly to an alternate recipient, including any public or nonprofit private organization or agency, State or political subdivision of the State. Under title I of the Housing and Community Development Act of 1974, 42 U.S.C. 5301, funds withheld because of a reduction or withdrawal of a recipient’s Community Development Block Grant must be reallocated in the succeeding fiscal year, in accordance with the applicable regulations governing that program.
(b) The Secretary shall require the alternate recipient to demonstrate:

(1) The ability to comply with the regulations; and

(2) The ability to achieve the goals of the Federal statute authorizing the program or activity.

§ 180.105 Scope of rules.

(a) This part contains the rules of practice and procedure applicable to administrative proceedings before an ALJ under the following authorities:

(1) The Fair Housing Act (42 U.S.C. 3601-3619) and the implementing regulations at 24 CFR parts 100 and 103, where no election to proceed in federal district court has been made;

(2) Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-1), and the implementing regulations at 24 CFR parts 1;

(3) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), and the implementing regulations at 24 CFR part 8;

(4) The Age Discrimination Act of 1975 (42 U.S.C. 6103), and the implementing regulations at 24 CFR part 146; and

(b) In the absence of a specific provision, the Federal Rules of Civil Procedure shall serve as a general guide.

(c) Hearings under this part shall be conducted as expeditiously and inexpensively as possible, consistent with the needs and rights of the parties to obtain a fair hearing and a complete record.
(d) Except to the extent that a waiver would otherwise be contrary to law, the ALJ may, after adequate notice to all interested persons, modify or waive any of the rules in this part upon a determination that no person will be prejudiced and that the ends of justice will be served.

(e) All pleadings, correspondence, exhibits, transcripts of testimony, exceptions, briefs, decisions, and other documents filed in any proceeding may be inspected in the Chief Docket Clerk's office during regular business hours.

Subpart B—Administrative Law Judge

§ 180.200 Designation.
Proceedings under this part shall be presided over by an ALJ appointed under 5 U.S.C. 3105. HUD's Chief ALJ shall designate the presiding ALJ.

§ 180.205 Authority.
The ALJ shall have all powers necessary to conduct fair, expeditious and impartial hearings, including the power to:
(a) Administer oaths and affirmations and examine witnesses;
(b) Rule on offers of proof and receive evidence;
(c) Take depositions or have depositions taken when the ends of justice would be served;
(d) Regulate the course of the hearing and the conduct of persons at the hearing;
(e) Hold conferences for the settlement or simplification of the issues by consent of the parties;
(f) Rule on motions, procedural requests, and similar matters;
(g) Make and issue initial decisions;

(i) Issue subpoenas if authorized by law; and
(j) Exercise any other powers necessary and appropriate for the purpose and conduct of the proceeding as authorized by the rules in this part or in conformance with statute, including 5 U.S.C. 551-59.

§ 180.210 Withdrawal or disqualification of ALJ.
(a) Disqualification. If an ALJ finds that there is a basis for his/her disqualification in a proceeding, the ALJ shall withdraw from the proceeding. Withdrawal is accomplished by entering a notice in the record and providing a copy of the notice to the Chief ALJ.

(b) Motion for recusal. If a party believes that the presiding ALJ should be disqualified for any reason, the party may file a motion to recuse with the ALJ. The motion shall be supported by an affidavit setting forth the alleged grounds for disqualification. The ALJ shall rule on the motion, stating the grounds therefor.

(c) Redesignation of ALJ. If an ALJ is disqualified, the Chief ALJ shall designate another ALJ to preside over further proceedings.

§ 180.215 Ex Parte communications.
(a) An ex parte communication is any direct or indirect communication concerning the merits of a pending proceeding, made by a party in the absence of any other party, to the presiding ALJ, and which was neither on the record nor on reasonable prior notice to all parties. Ex parte communications do not include communications made for the sole purpose of scheduling hearings, requesting extensions of time, or requesting information on the status of cases.

(b) Ex parte communications are prohibited.

(c) If the ALJ receives an ex parte communication that the ALJ knows or has reason to believe is prohibited, the ALJ shall promptly place the communication, or a written statement of the substance of the communication, in the record and shall furnish copies to all parties. Unauthorized communications shall not be taken into consideration in deciding any matter in issue. Any party making a prohibited ex parte communication may be subject to sanctions including, but not limited to, exclusion from the proceeding and an adverse ruling on the issue that is the subject of the prohibited communication.
§ 180.220 Separation of functions.

No officer, employee, or agent of the Federal Government engaged in the performance of investigative, conciliatory, or prosecutorial functions in connection with the proceeding shall, in that proceeding or any factually related proceeding under this part, participate or advise in the decision of the ALJ, except as a witness or counsel during the proceedings or in its appellate review.

Subpart C—Parties

§ 180.300 Rights of parties.

Each party may appear in person, be represented by counsel, examine or cross-examine witnesses, introduce documentary or other relevant evidence into the record and, in Fair Housing Act matters, request the issuance of subpoenas.

§ 180.305 Representation.

(a) HUD is represented by the General Counsel.

(b) Any party may appear on his/her/its own behalf or by an attorney. Each party or attorney shall file a notice of appearance. The notice must identify the matter before the ALJ, the party on whose behalf the appearance is made, and the mailing address and telephone number of the person appearing. Similar notice shall also be given for any withdrawal of appearance.

(c) An attorney must be admitted to practice before a Federal Court or the highest court in any State. The attorney’s representation that he/she is in good standing before any of these courts is sufficient evidence of the attorney’s qualifications under this section, unless otherwise ordered by the ALJ.

§ 180.310 Parties.

(a) Parties to proceedings under this part are HUD, the respondent(s), and any intervenors. Respondents include persons named as such in a charge issued under 24 CFR part 103 and Recipients/applicants named as respondents in hearing notices issued under 24 CFR parts 1, 6, 8 or 146 and notices of proposed adverse action under this part.
§ 180.315 Standards of conduct.

(a) All persons appearing in proceedings under this part shall act with integrity and in an ethical manner.

(b) The ALJ may exclude parties or their representatives for refusal to comply with directions, continued use of dilatory tactics, refusal to adhere to reasonable standards of orderly and ethical conduct, failure to act in good faith, or violations of the prohibitions against ex parte communications. If an ALJ suspends or bars an attorney from participating in a proceeding, the ALJ shall include in the record the reasons for such action. An attorney who is suspended or barred from participation may appeal to the Chief ALJ. The proceeding will not be delayed or suspended pending disposition on the appeal, except that the ALJ shall suspend the proceeding for a reasonable time to enable the party to obtain another attorney.

§ 180.400 Service and filing.

(a) Service—(1) Service by the Office of ALJs. The Office of ALJs shall serve all notices, orders, decisions and other such documents by mail to each party and amicus curiae at the last known address.

(2) Service by others. A copy of each filed document shall be served on each party and each amicus curiae. Service shall be made upon counsel if a party is represented by counsel. Service on counsel shall constitute service on the party. Service may be made to the last known address by first-class mail or other more expeditious means, such as:
   (i) Hand delivery to the person to be served or a person of suitable age and discretion at the place of business, residence, or usual place of abode of the person to be served;
   (ii) Overnight delivery; or
   (iii) Facsimile transmission or electronic means. The ALJ may place appropriate limits on service by facsimile transmission or electronic means.

(b) Filing—(1) Method. All documents shall be filed with the Chief Docket Clerk. Filing may be by first class mail, delivery, facsimile transmission, or electronic means; however, the ALJ may place appropriate limits on filing by facsimile transmission or electronic means.

(2) Form. Every pleading, motion, brief, or other document shall contain a caption setting forth the title of the proceeding, the docket number assigned by the Office of ALJs, and the designation of the type of document (e.g., charge, motion).

(3) Signature. Every document filed by a party shall be signed by the party or the party's attorney and must include the signer's address and telephone number. The signature constitutes a certification that: the signer has read the document; to the best of the signer's knowledge, information and belief, the statements made therein are true; and the document is not interposed for delay.

§ 180.405 Time computations.

(a) In computing time under this part, the time period begins the day following the act, event, or default and includes the last day of the period, unless the last day is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which case the time period includes the next business day.

(b) Modification of time periods. Except for time periods required by statute, the ALJ may enlarge or reduce any time period required under this part where necessary to avoid prejudicing the public interest or the rights of the parties. Requests for extension of time should set forth the reasons for the request.

(c) Entry of orders. In computing any time period involving the date of the ALJ's issuance of an order or decision,
§ 180.410 Charges under the Fair Housing Act.

(a) Filing and service. Within three days after the issuance of a charge, the General Counsel shall file the charge with the Chief Docket Clerk and serve copies (with the additional information required under paragraph (b) of this section) on all respondents and aggrieved persons.

(b) Contents. The charge shall consist of a short and plain written statement of the facts upon which reasonable cause has been found to believe that a discriminatory housing practice has occurred or is about to occur. A notification shall be served with the charge containing the following information:

(1) Any complainant, respondent, or aggrieved person may elect to have the claims asserted in the charge decided in a civil action under 42 U.S.C. 3612(o), in lieu of an administrative proceeding under this part.

(2) Such election must be made not later than 20 days after receipt of service of the charge by serving written notice of such on the Chief Docket Clerk, each respondent, each aggrieved person on whose behalf the charge was issued, the Assistant Secretary, and the General Counsel.

(3) If no person timely elects to have the claims asserted in the charge decided in a civil action under 42 U.S.C. 3612(o), an administrative proceeding will be conducted under this part.

(4) If an administrative hearing is conducted:

(i) The hearing will be held at a date and place specified.

(ii) The respondent will have an opportunity to file an answer to the charge within 30 days after service of the charge.

§ 180.415 Notice of proposed adverse action regarding Federal financial assistance in non-Fair Housing Act matters.

(a) Filing and service. Within 10 days after a Recipient/applicant has requested a hearing, as provided for in 24 CFR parts 1, 6, 8, or 146, the General Counsel shall file a notice of proposed adverse action with the Chief Docket Clerk and serve copies (with the additional information required under
paragraph (b) of this section) on all respondents and complainants.

(b) Contents. The notice of proposed adverse action shall consist of a short and plain written statement of the facts and legal authority upon which the proposed action is based. A notification shall be served with the notice containing the following information:

1. That an administrative hearing will be held at a date and place specified.
2. That the respondent will have an opportunity to file an answer to the notice of adverse action within 30 days after its service.
3. That the complainant may participate as an amicus curiae by filing a timely request to do so.
4. That discovery must be concluded by a date specified.
5. That the rules specified in this part shall govern the proceeding.

(c) Consolidation. The ALJ may provide for non-Fair Housing Act proceedings at HUD to be joined or consolidated for hearing with proceedings in other Federal departments or agencies, by agreement with such other departments or agencies. All parties to any proceeding consolidated subsequent to service of the notice of proposed adverse action shall be promptly served with notice of such consolidation.

§ 180.420 Answer.

(a) Within 30 days after service of the charge or notice of proposed adverse action, a respondent may file an answer. The answer shall include:

1. A statement that the respondent admits, denies, or does not have and is unable to obtain sufficient information to admit or deny, each allegation made. A statement of lack of information shall have the effect of a denial. Any allegation that is not denied shall be deemed to be admitted.

2. A statement of each affirmative defense and a statement of facts supporting each affirmative defense.

(b) Failure to file an answer within the 30-day period following service of the charge or notice of proposed adverse action shall be deemed an admission of all matters of fact recited therein and may result in the entry of a default decision.

§ 180.425 Amendments to pleadings.

(a) By right. HUD may amend the charge or notice of proposed adverse action once as a matter of right prior to the filing of the answer.

(b) By leave. Upon such conditions as are necessary to avoid prejudicing the public interest and the rights of the parties, the ALJ may allow amendments to pleadings upon a motion of a party.

(c) Conformance to the evidence. When issues not raised by the pleadings are reasonably within the scope of the original charge or notice of proposed adverse action and have been tried by the express or implied consent of the parties, the issues shall be treated in all respects as if they had been raised in the pleadings, and amendments may be made as necessary to make the pleading conform to evidence.

(d) Supplemental pleadings. The ALJ may, upon reasonable notice, permit supplemental pleadings concerning transactions, occurrences or events that have happened or been discovered since the date of the pleadings and which are relevant to any of the issues involved.

§ 180.430 Motions.

(a) Motions. Any application for an order or other request shall be made by a motion which, unless made during an appearance before the ALJ, shall be in writing and shall state the specific relief requested and the basis therefor. Motions made during an appearance before the ALJ shall be stated orally and made a part of the transcript. All parties shall be given a reasonable opportunity to respond to written or oral motions or requests.

(b) Responses to written motions. Within seven calendar days after a written motion is served, any party to the proceeding may file a response in support of, or in opposition to, the motion. Unless otherwise ordered by the ALJ, no further responsive documents may be filed. Failure to file a response within the response period constitutes a waiver of any objection to the granting of the motion.
§ 180.435 Prehearing statements.

(a) Before the commencement of the hearing, the ALJ may direct the parties to file prehearing statements.
(b) The prehearing statement must state the name of the party presenting the statement and, unless otherwise directed by the ALJ, briefly set forth the following:
   (1) The issues involved in the proceeding;
   (2) The facts stipulated by the parties and a statement that the parties have made a good faith effort to stipulate to the greatest extent possible;
   (3) The facts in dispute;
   (4) The witnesses (together with a summary of the testimony expected) and exhibits to be presented at the hearing;
   (5) A brief statement of applicable law;
   (6) Conclusions to be drawn;
   (7) Estimated time required for presentation of the party’s case; and
   (8) Such other information as may assist in the disposition of the proceeding.

§ 180.440 Prehearing conferences.

(a) Before the commencement of or during the course of the hearing, the ALJ may direct the parties to participate in a conference to expedite the hearing. Failure to attend a conference may constitute a waiver of all objections to the agreements reached at the conference and to any order with respect thereto.
(b) During the conference, the ALJ may dispose of any procedural matters on which he/she is authorized to rule. At the conference, the following matters may be considered:
   (1) Pre-trial motions;
   (2) Identification, simplification and clarification of the issues;
   (3) Necessary amendments to the pleadings;
   (4) Stipulations of fact and of the authenticity, accuracy, and admissibility of documents;
   (5) Limitations on the number of witnesses;

   (7) The exchange of proposed exhibits and witness lists;
   (8) Matters of which official notice will be requested;
   (9) Scheduling actions discussed at the conference; and
   (10) Such other matters as may assist in the disposition of the proceeding.
(c) Conferences may be conducted by telephone or in person, but generally shall be conducted by telephone, unless the ALJ determines that this method is inappropriate. The ALJ shall give reasonable notice of the time, place and manner of the conference.
(d) Record of conference. Unless otherwise directed by the ALJ, the conference will not be stenographically recorded. The ALJ will reduce the actions taken at the conference to a written order or, if the conference takes place less than seven days before the beginning of the hearing, may make a statement at the hearing and on the record summarizing the actions taken at the conference.

§ 180.445 Settlement negotiations before a settlement judge.

(a) Appointment of settlement judge. The ALJ, upon the motion of a party or upon his or her own motion, may request the Chief ALJ to appoint another ALJ to conduct settlement negotiations. The order appointing the settlement judge may confine the scope of settlement negotiations to specified issues. The order shall direct the settlement judge to report to the Chief ALJ within specified time periods.
(b) Duties of settlement judge. (1) The settlement judge shall convene and preside over conferences and settlement negotiations between the parties and assess the practicalities of a potential settlement.
   (2) The settlement judge shall report to the Chief ALJ describing the status of the settlement negotiations, evaluating settlement prospects, and recommending the termination or continuation of the settlement negotiations.
   (c) Termination of settlement negotiations. Settlement negotiations shall terminate upon the order of the chief ALJ issued after consultation with the settlement judge. The conduct of settlement negotiations shall not unduly

24 CFR Subtitle B, Ch. I (4-1-99 Edition)
§ 180.450 Resolution of charge or notice of proposed adverse action.

At any time before a final decision is issued, the parties may submit to the ALJ an agreement resolving the charge or notice of proposed adverse action. A charge under the Fair Housing Act can only be resolved with the agreement of the aggrieved person on whose behalf the charge was issued. If the agreement is in the public interest, the ALJ shall accept it by issuing an initial decision and consent order based on the agreement.

Subpart E—Discovery

§ 180.500 Discovery.

(a) In general. This subpart governs discovery in aid of administrative proceedings under this part. Discovery in Fair Housing Act matters shall be completed 15 days before the date scheduled for hearing or at such time as the ALJ shall direct. Discovery in non-Fair Housing Act matters shall be completed as the ALJ directs.

(b) Scope. The parties are encouraged to engage in voluntary discovery procedures. Discovery shall be conducted as expeditiously and inexpensively as possible, consistent with the needs of all parties to obtain relevant evidence. Unless otherwise ordered by the ALJ, the parties may obtain discovery regarding any matter, not privileged, that is relevant to the subject matter involved in the proceeding, including the existence, description, nature, custody, condition, and location of documents or persons having knowledge of any discoverable matter. It is not grounds for objection that information sought will be inadmissible if the information appears reasonably calculated to lead to the discovery of admissible evidence.

(c) Methods. Parties may obtain discovery by one or more of the following methods:

(1) Deposition upon oral examination or written questions.

(2) Written interrogatories.

(3) Requests for the production of documents or other evidence for inspection and other purposes.

(4) Requests for admissions.

(5) Upon motion of a party, the presiding ALJ may issue an order requiring a physical or mental examination of a party or of a person in the custody or under the legal control of a party.

(d) Frequency and sequence. Unless otherwise ordered by the ALJ or restricted by this subpart, the frequency or sequence of these methods is not limited.

(e) Non-intervening aggrieved person. For purposes of obtaining discovery from a non-intervening aggrieved person, the term party as used in this subpart includes the aggrieved person.

§ 180.505 Supplementation of responses.

A party is under a duty, in a timely fashion, to:

(a) Supplement a response with respect to any question directly addressed to:

(1) The identity and location of persons having knowledge of discoverable matters; and

(2) The identity of each person expected to be called as an expert witness, the subject matter on which the expert witness is expected to testify, and the substance of the testimony.

(b) Amend a response if the party later obtains information upon the basis of which:

(1) The party knows the response was incorrect when made, or

(2) The party knows the response, though correct when made, is no longer true, and the circumstances are such that a failure to amend the response is, in substance, a knowing concealment.

(c) Supplement other responses, as imposed by order of the ALJ or by agreement of the parties.

§ 180.510 Interrogatories.

(a) Any party may serve on any other party written interrogatories to be answered by the party served. If the party served is a public or private corporation, a partnership, an association, or a governmental agency, the interrogatories may be answered by any authorized officer or agent who shall furnish such information as may be available to the party. A party may serve
§ 180.515 Interrogatories

(a) Not more than 30 written interrogatories on another party without an order of the ALJ.

(b) Each interrogatory shall be answered separately and fully in writing under oath or affirmation, unless it is objected to, in which event, the reasons for the objection shall be stated in lieu of an answer. The answers shall be signed by the person making them, and the objections may be signed by the attorney or other representative making them. The answers and objections shall be served within 15 days after service of the interrogatories.

(c) It is sufficient answer to an interrogatory to specify the records from which the answer may be derived or ascertained if:

1. The answer to the interrogatory may be derived or ascertained from the records of the party on whom the interrogatory has been served or from an examination, audit or inspection of such records, or from a compilation, abstract or summary based thereon, and

2. The burden of deriving or ascertaining the answer is substantially the same for the party serving the interrogatory as the party served. The party serving the interrogatory shall be afforded reasonable opportunity to examine, audit or inspect such records and to make copies, compilations, abstracts or summaries. The specification shall include sufficient detail to permit the interrogating party to locate and identify the individual records from which the answer may be ascertained.

(d) Objections to the form of written interrogatories are waived unless served in writing upon the party propounding the interrogatories.

§ 180.515 Depositions

(a) Notice. Upon written notice to the witness and to all other parties, a party may take the testimony of a witness by deposition and may request the production of specified documents or materials by the witness at the deposition. Notice of the taking of a deposition shall be given not less than five days before the deposition is scheduled. The notice shall state:

1. The purpose and general scope of the deposition;

(b) Each party shall be entitled to observe the deposition, or to designate one or more attorneys to be present at the deposition. The party deposing shall have the right to object to the taking of a deposition on the grounds of bad faith in the conduct of the deposition, oppression of the witness or party, or improper questioning or conduct. Upon request for suspension, the deposition will be adjourned. The objecting party or witness must immediately move the ALJ for a ruling on the objection. The ALJ may then limit the scope or manner of taking the deposition.

(c) Motion to terminate or limit examination. During the taking of a deposition, a party or the witness may request suspension of the deposition on the grounds of bad faith in the conduct of the examination, oppression of the witness or party, or improper questioning or conduct. Upon request for suspension, the deposition will be adjourned. The objecting party or witness must immediately move the ALJ for a ruling on the objection. The ALJ may then limit the scope or manner of taking the deposition.

(d) Waiver of deposing officer's disqualification. Objection to taking a deposition because of the disqualification of the officer before whom it is taken is waived unless made before the taking of the deposition begins or as soon after as practicable.
§ 180.520 Use of deposition at hearings.

(a) In general. At the hearing, any part or all of a deposition, so far as admissible under the Federal Rules of Evidence, may be used against any party who was present or represented at the taking of the deposition or who had due notice of the taking of the deposition, in accordance with the following provisions:

(1) Any deposition may be used by any party for the purpose of contradicting or impeaching the testimony of the deponent as a witness.

(2) The deposition of an expert witness may be used by any party for any purpose, unless the ALJ rules that such use is unfair or in violation of due process.

(3) The deposition of a party, or of anyone who at the time of the taking of the deposition was an officer, director, or duly authorized agent of a public or private corporation, partnership, or association that is a party, may be used by any other party for any purpose.

(4) The deposition of a witness, whether or not a party, may be used by any party for any purpose if the ALJ finds:
   (i) That the witness is dead;
   (ii) That the witness is out of the United States or more than 100 miles from the place of hearing, unless it appears that the absence of the witness was procured by the party offering the deposition;
   (iii) That the witness is unable to attend to testify because of age, sickness, infirmity, or imprisonment;
   (iv) That the party offering the deposition has been unable to procure the attendance of the witness by subpoena; or
   (v) Whenever exceptional circumstances exist as to make it desirable, in the interest of justice and with due regard to the importance of presenting the testimony of witnesses orally in open hearing, to allow the deposition to be used.

(5) If a part of a deposition is offered in evidence by a party, any other party may require the party to introduce all of the deposition that is relevant to the part introduced. Any party may introduce any other part of the deposition.

(6) Substitution of parties does not affect the right to use depositions previously taken. If a proceeding has been dismissed and another proceeding involving the same subject matter is later brought between the same parties or their representatives or successors in interest, all depositions lawfully taken in the former proceeding may be used in the latter proceeding.

(b) Objections to admissibility. Except as provided in this paragraph, objection may be made at the hearing to receiving in evidence any deposition or part of a deposition for any reason that would require the exclusion of the evidence if the witness were present and testifying.

(1) Objections to the competency of a witness or to the competency, relevancy, or materiality of testimony are not waived by failure to make them before or during the taking of the deposition, unless the basis of the objection is one which might have been obviated or removed if presented at that time.

(2) Errors and irregularities occurring at the oral examination in the manner of taking the deposition, in the form of the questions or answers, in the oath or affirmation, or in the conduct of parties, and errors of any kind which might be obviated, removed or cured if promptly presented, are waived unless reasonable objection is made at the taking of the deposition.

§ 180.525 Requests for production of documents or things for inspection or other purposes, including physical and mental examinations.

(a) Any party may serve on any other party a request to:

(1) Produce and/or permit the party, or a person acting on the party’s behalf, to inspect and copy any designated documents, or to inspect and copy, test, or sample any tangible things that contain or may lead to relevant information and that are in the possession, custody, or control of the party upon whom the request is served.
§ 180.530  Requests for admissions.

(a) Any party may serve on any other party a written request for the admission of the truth of any matters relevant to the adjudication set forth in the request that relate to statements or opinions of fact or of application of law to fact, including the genuineness and authenticity of any documents described in or attached to the request.

(b) Each matter for which an admission is requested is admitted unless, within 15 days after service of the request, or within such time as the ALJ allows, the party to whom the request is directed serves on the requesting party a sworn written answer which:

(1) Specifically denies, in whole or in part, the matter for which an admission is requested;

(2) Sets forth in detail why the party cannot truthfully admit or deny the matter; or

(3) States an objection that the matter is privileged, irrelevant or otherwise improper in whole or in part.

(c) An answering party may not give lack of information or knowledge as a reason for failure to admit or deny, unless he/she/it states that he/she/it has made a reasonable inquiry and that the information known to, or readily obtainable by, him/her/it is insufficient to enable the party to admit or deny.

(d) The party requesting admissions may move for a determination of the sufficiency of the answers or objections. Unless the ALJ determines that an objection is justified, the ALJ shall order that an answer be served. If the ALJ determines that an answer does not comply with the requirements of this section, the ALJ may order that the matter is admitted or that an amended answer be served.

(e) Any matter admitted under this section is conclusively established unless, upon the motion of a party, the ALJ permits the withdrawal or amendment of the admission. Any admission made under this section is made for the purposes of the pending proceeding only, is not an admission by the party for any other purpose, and may not be used against the party in any other proceeding.

§ 180.535  Protective orders.

(a) Upon motion of a party or a person from whom discovery is sought or in accordance with §180.540(c), and for good cause shown, the ALJ may make appropriate orders to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense as a result of the requested discovery request. The order may direct that:

(1) The discovery may not be had;

(2) The discovery may be had only on specified terms and conditions, including at a designated time and place;
§ 180.545

(3) The discovery may be had by a method of discovery other than that selected by the party seeking discovery;

(4) Certain matters may not be the subject of discovery, or the scope of discovery may be limited to certain matters;

(5) Discovery may be conducted with no one present other than persons designated by the ALJ;

(6) A trade secret or other confidential research, development or commercial information may not be disclosed, or may be disclosed only in a designated way; or

(7) The party or other person from whom discovery is sought may file specified documents or information under seal to be opened as directed by the ALJ.

(b) The ALJ may permit a party or other person from whom discovery is sought, who is seeking a protective order, to make all or part of the showing of good cause in camera. If such a showing is made, upon motion of the party or other person from whom discovery is sought, an in camera record of the proceedings may be made. If the ALJ enters a protective order, any in camera record of such showing shall be sealed and preserved and made available to the ALJ or, in the event of appeal, to the Secretary or a court.

§ 180.540 Motion to compel discovery.

(a) If a deponent fails to answer a question propounded, or a party upon whom a discovery request has been made fails to respond adequately, objects to a request, or fails to produce documents or other inspection as requested, the discovering party may move the ALJ for an order compelling discovery in accordance with the request. The motion shall:

(1) State the nature of the request;

(2) Set forth the response or objection of the deponent or party upon whom the request was served;

(3) Present arguments supporting the motion; and

(4) Attach copies of all relevant discovery requests and responses.

(b) For the purposes of this section, an evasive or incomplete answer or response will be treated as a failure to answer or respond.

(c) In ruling on a motion under this section, the ALJ may enter an order compelling a response in accordance with the request, may issue sanctions under paragraph (d) of this section, or may enter a protective order under §180.535.

(d) Sanctions. If a party fails to provide or permit discovery, the ALJ may take such action as is just, including but not limited to the following:

(1) Inferring that the admission, testimony, document, or other evidence would have been adverse to the party;

(2) Ordering that, for purposes of the adjudication, the matters regarding which the order was made or any other designated facts shall be taken to be established in accordance with the claim of the party obtaining the order;

(3) Prohibiting the party failing to comply with the order from introducing evidence concerning, or otherwise relying upon, documents or other evidence withheld;

(4) Ordering that the party withholding discovery not introduce into evidence, or otherwise use in the hearing, information obtained in discovery;

(5) Permitting the requesting party to introduce secondary evidence concerning the information sought;

(6) Striking any appropriate part of the pleadings or other submissions of the party failing to comply with such order; or

(7) Taking such other action as may be appropriate.

§ 180.545 Subpoenas.

(a) This section governs the issuance of subpoenas in administrative proceedings under the Fair Housing Act. Except for time periods stated in the rules in this section, to the extent that this section conflicts with procedures for the issuance of subpoenas in civil actions in the United States District Court for the District in which the investigation of the discriminatory housing practice took place, the rules of the United States District Court apply.

(b) Issuance of subpoena. Upon the written request of a party, the Chief ALJ or the presiding ALJ may issue a subpoena requiring the attendance of a witness for the purpose of giving testimony at a deposition or hearing and requiring the production of relevant information.
§ 180.600

books, papers, documents or tangible things.

(c) Time of request. Requests for subpoenas in aid of discovery must be submitted in time to permit the conclusion of discovery 15 days before the date scheduled for the hearing. If a request for subpoenas of a witness for testimony at a hearing is submitted three days or less before the hearing, the subpoena shall be issued at the discretion of the Chief ALJ or the presiding ALJ, as appropriate.

(d) Service. A subpoena may be served by any person who is not a party and is not less than 18 years of age. Service on a person shall be made by delivering a copy of the subpoena to the person and by tendering witness fees and mileage to that person. When the subpoena is issued on behalf of HUD, witness fees and mileage need not be tendered with the subpoena.

(e) Amount of witness fees and mileage. A witness summoned by a subpoena issued under this part is entitled to the same witness and mileage fees as a witness in proceedings in United States District Courts. Fees payable to a witness summoned by a subpoena shall be paid by the party requesting the issuance of the subpoena, or where the ALJ determines that a party is unable to pay the fees, the fees shall be paid by HUD.

(f) Motion to quash or limit subpoena. Upon a motion by the person served with a subpoena or by a party, made within five days after service of the subpoena (but in any event not less than the time specified in the subpoena for compliance), the ALJ may:

(1) Quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown; or

(2) Condition denial of the motion upon the advancement, by the party on whose behalf the subpoena was issued, of the reasonable cost of producing subpoenaed books, papers or documents. Where circumstances require, the ALJ may act upon such a motion at any time after a copy of the motion has been served upon the party on whose behalf the subpoena was issued.

(g) Failure to comply with subpoena. If a person fails to comply with a subpoena issued under this section, the party requesting the subpoena may refer the matter to the Attorney General for enforcement in appropriate proceedings under 42 U.S.C. 3614(c).

Subpart F—Procedures at Hearing

§ 180.600 Date and place of hearing.

(a) For Fair Housing Act Cases—(1) Time. The hearing shall commence not later than 120 days after the issuance of the charge, unless it is impracticable to do so. If the hearing cannot be commenced within this time period, the ALJ shall notify in writing all parties, aggrieved persons, amici, and the Assistant Secretary of the reasons for the delay.

(2) Place. The hearing will be conducted at a place in the vicinity in which the discriminatory housing practice is alleged to have occurred or to be about to occur.

(b) For Non-Fair Housing Matters. Hearings shall be held in Washington, DC, unless the ALJ determines that the convenience of the respondent or HUD requires that another place be selected.

(c) The ALJ may change the time, date or place of the hearing, or may temporarily adjourn or continue a hearing for good cause shown.

§ 180.605 Conduct of hearings.

The hearing shall be conducted in accordance with the Administrative Procedure Act (5 U.S.C. 551-559).

§ 180.610 Waiver of right to appear.

If all parties waive their right to appear before the ALJ, the ALJ need not conduct an oral hearing. Such waivers shall be in writing and filed with the ALJ. The ALJ shall make a record of the pleadings and relevant written evidence submitted by the parties. These documents may constitute the evidence in the proceeding, and the decision may be based upon this evidence.

§ 180.615 Failure of party to appear.

A default decision may be entered against a party failing to appear at a hearing unless such party shows good cause for such failure.
§ 180.620 Evidence.

The Federal Rules of Evidence apply to the presentation of evidence in hearings under this part.

§ 180.625 Record of hearing.

(a) All oral hearings shall be recorded and transcribed by a reporter designated and supervised by the ALJ. The original transcript shall be a part of the record and shall constitute the sole official transcript. All exhibits introduced as evidence shall be incorporated into the record. The parties and the public may obtain transcripts from the official reporter at rates not to exceed the applicable rates fixed by the contract with the reporter.

(b) Corrections to the official transcript will be permitted upon motion of a party. Motions for correction must be submitted within five days after receipt of the transcript. Corrections of the official transcript will be permitted only where errors of substance are involved and upon the ALJ’s approval.

§ 180.630 Stipulations.

The parties may stipulate to any pertinent facts by oral agreement at the hearing or by written agreement at any time. Stipulations may be submitted into evidence at any time before the end of the hearing. Once received into evidence, a stipulation is binding on the parties.

§ 180.635 Written testimony.

The ALJ may accept and enter into the record direct testimony of witnesses made by verified written statement rather than by oral presentation at the hearing. Unless the ALJ fixes other time periods, affidavits shall be filed and served on the parties not later than 14 days prior to the hearing. Witnesses whose testimony is presented by affidavit shall be available for cross-examination as may be required.

§ 180.640 In camera and protective orders.

The ALJ may limit discovery or the introduction of evidence, or may issue such protective or other orders necessary to protect privileged communications. If the ALJ determines that information in documents containing privileged matters should be made available to a party, the ALJ may order the preparation of a summary or extract of the nonprivileged matter contained in the original.

§ 180.645 Exhibits.

(a) Identification. All exhibits offered into evidence shall be numbered sequentially and marked with a designation identifying the sponsor. The original of each exhibit offered in evidence or marked for identification shall be filed and retained in the docket of the proceeding, unless the ALJ permits the substitution of a copy for the original.

(b) Exchange of exhibits. One copy of each exhibit offered into evidence must be furnished to each of the parties and to the ALJ. If the ALJ does not fix a time for the exchange of exhibits, the parties shall exchange copies of proposed exhibits at the earliest practicable time before the commencement of the hearing. Exhibits submitted as rebuttal evidence are not required to be exchanged before the commencement of the hearing if the submission of such evidence could not reasonably be anticipated at that time.

(c) Authenticity. The authenticity of all documents submitted or exchanged as proposed exhibits prior to the hearing shall be admitted unless written objection is filed before the commencement of the hearing, or unless good cause is shown for failing to file such a written objection.

(d) The parties are encouraged to stipulate as to the admissibility of exhibits.

§ 180.650 Public document items.

Whenever a public document, such as an official report, decision, opinion, or published scientific or economic statistical data issued by any of the executive departments (or their subdivisions), legislative agencies or committees, or administrative agencies of the Federal Government (including Government-owned corporations), or a similar document issued by a State or its agencies is offered (in whole or in part), and such document (or part thereof) has been shown by the offeror to be reasonably available to the public, such document need not be produced or marked for identification, but
§ 180.655 Witnesses.

(a) Witnesses shall testify under oath or affirmation.

(b) If a witness fails or refuses to testify, the failure or refusal to answer any question found by the ALJ to be proper may be grounds for striking all or part of the testimony that may have been given by the witness, or for any other action deemed appropriate by the ALJ.

§ 180.660 Closing of record.

(a) Oral hearings. Where there is an oral hearing, the hearing ends on the day of the adjournment of the oral hearing or, where written briefs are permitted, on the date that the written briefs are due.

(b) Hearing on written record. Where the parties have waived an oral hearing, the hearing ends on the date set by the ALJ as the date for the receipt of submissions by the parties.

(c) Receipt of evidence following hearing. Following the end of the hearing, no additional evidence may be accepted into the record, except with the permission of the ALJ. The ALJ may receive additional evidence upon a determination that new and material evidence was not readily available before the end of the hearing, the evidence has been timely submitted, and its acceptance will not unduly prejudice the rights of the parties.

§ 180.665 Arguments and briefs.

(a) Following the submission of evidence at an oral hearing, the parties may file a brief, proposed findings of fact and conclusions of law, or both, or, in the ALJ’s discretion, make oral arguments.

(b) Unless otherwise ordered by the ALJ, briefs and proposed findings of fact and conclusions of law shall be filed simultaneously by all parties. In Fair Housing Act cases, such filings shall be due no later than 45 days after the adjournment of the oral hearing. In other cases, they shall be due as the ALJ orders.

§ 180.670 Initial decision of ALJ.

(a) The ALJ shall issue an initial decision including findings of fact and conclusions of law upon each material issue of fact or law presented on the record. The initial decision of the ALJ shall be based on the whole record of the proceeding. A copy of the initial decision shall be served upon all parties, aggrieved persons, the Assistant Secretary, the Secretary, and amici, if any.

(b) Initial decision in Fair Housing Act cases. (1) The ALJ shall issue an initial decision within 60 days after the end of the hearing, unless it is impracticable to do so. If the ALJ is unable to issue the initial decision within this time period (or within any succeeding 60-day period following the initial 60-day period), the ALJ shall notify in writing all parties, the aggrieved person on whose behalf the charge was filed, and the Assistant Secretary, of the reasons for the delay.

(2) The initial decision shall state that it will become the final agency decision 30 days after the date of issuance of the initial decision.

(3) Findings against respondents. If the ALJ finds that a respondent has engaged, or is about to engage, in a discriminatory housing practice, the ALJ shall issue an initial decision against the respondent and order such relief as may be appropriate. Relief may include, but is not limited to:

(i) Ordering the respondent to pay damages to the aggrieved person (including damages caused by humiliation and embarrassment).

(ii) Ordering injunctive or such other equitable relief as may be appropriate. No such order may affect any contract, sale, encumbrance or lease consummated before the issuance of the initial decision that involved a bona fide purchaser, encumbrancer or tenant without actual knowledge of the charge.

(iii) Assessing a civil penalty against any respondent to vindicate the public interest in accordance with §180.671.

(A) The amount of the civil penalty may not exceed:

(1) $11,000, if the respondent has not been adjudged to have committed any prior discriminatory housing practice in any administrative hearing or civil
§ 180.671 Assessing civil penalties for Fair Housing Act cases.

(a) Amounts. The ALJ may assess a civil penalty against any respondent under §180.670(b)(3) for each separate and distinct discriminatory housing practice (as defined in paragraph (b) of this section) that the respondent committed, each civil penalty in an amount not to exceed:

(1) $11,000, if the respondent has not been adjudged in any administrative hearing or civil action permitted under the Fair Housing Act or any State or local fair housing law, or in any licensing or regulatory proceeding conducted by a Federal, State, or local governmental agency.

(2) $27,500, if the respondent has been adjudged to have committed one other discriminatory housing practice in any administrative hearing or civil action permitted under the Fair Housing Act, or any State or local fair housing law, or in any licensing or regulatory proceeding conducted by a Federal, State, or local government agency, and the adjudication was made during the five-year period preceding the date of filing of the charge.

(3) $55,000, if the respondent has been adjudged to have committed two or more discriminatory housing practices in any administrative hearings or civil actions permitted under the Fair Housing Act or any State or local fair housing law, or in any licensing or regulatory proceeding conducted by a Federal, State, or local government agency, and the adjudications were made during the seven-year period preceding the date of the filing of the charge.

(B) If the acts constituting the discriminatory housing practice that is the subject of the charge were committed by the same natural person who has previously been adjudged, in any administrative proceeding or civil action, to have committed acts constituting a discriminatory housing practice, the time periods set forth in paragraphs (b)(3)(i)(A)(2) and (3) of this section do not apply.

(C) In a proceeding involving two or more respondents, the ALJ may assess a civil penalty as provided under paragraph (b) of this section against each respondent that the ALJ determines has been engaged or is about to engage in a discriminatory housing practice.

(4) Findings in favor of respondents. If the ALJ finds that the charging party has not failed to comply substantially with the statutory and regulatory requirements that gave rise to the notice of proposed adverse action, the ALJ shall make an initial decision dismissing the notice of proposed adverse action. The initial decision shall state that it will become the final agency decision 30 days after the date of issuance.

§ 180.671

by a Federal, State or local governmental agency, to have committed any prior discriminatory housing practice.

(2) $27,500, if the respondent has been adjudged in any administrative hearing or civil action permitted under the Fair Housing Act, or any State or local fair housing law, or in any licensing or regulatory proceeding conducted by a Federal, State, or local government agency, to have committed one other discriminatory housing practice and the adjudication was made during the five-year period preceding the date of filing of the charge.

(3) $55,000, if the respondent has been adjudged in any administrative hearings or civil actions permitted under the Fair Housing Act or any State or local fair housing law, or in any licensing or regulatory proceeding conducted by a Federal, State, or local government agency, to have committed two or more discriminatory housing practices and the adjudications were made during the seven-year period preceding the date of the filing of the charge.

(b) Definition of separate and distinct discriminatory housing practice. A separate and distinct discriminatory housing practice is a single, continuous uninterrupted transaction or occurrence that violates section 804, 805, 806 or 818 of the Fair Housing Act. Even if such a transaction or occurrence violates more than one provision of the Fair Housing Act, violates a provision more than once, or violates the fair housing rights of more than one person, it constitutes only one separate and distinct discriminatory housing practice.

(c) Factors for consideration by ALJ. (1) In determining the amount of the civil penalty to be assessed against any respondent for each separate and distinct discriminatory housing practice the respondent committed, the ALJ shall consider the following six (6) factors:

(i) Whether that respondent has previously been adjudged to have committed unlawful housing discrimination;

(ii) That respondent’s financial resources;

(iii) The nature and circumstances of the violation;

(iv) The degree of that respondent’s culpability;

(v) The goal of deterrence; and

(vi) Other matters as justice may require.

(2) (i) Where the ALJ finds any respondent to have committed a housing-related hate act, the ALJ shall take this fact into account in favor of imposing a maximum civil penalty under the factors listed in paragraphs (c)(1)(iii), (iv), (v), and (vi) of this section.

(ii) For purposes of this section, the term housing-related hate act means any act that constitutes a discriminatory housing practice under section 818 of the Fair Housing Act and which constitutes or is accompanied or characterized by actual violence, assault, bodily harm, and/or harm to property; intimidation or coercion that has such elements; or the threat or commission of any action intended to assist or be a part of any such act.

(iii) Nothing in this paragraph shall be construed to require an ALJ to assess any amount less than a maximum civil penalty in a non-hate act case, where the ALJ finds that the factors listed in paragraphs (c)(1)(i) through (vi) of this section warrant the assessment of a maximum civil penalty.

(d) Persons previously adjudged to have committed a discriminatory housing practice. If the acts constituting the discriminatory housing practice that is the subject of the charge were committed by the same natural person who has previously been adjudged, in any administrative proceeding or civil action, to have committed acts constituting a discriminatory housing practice, the time periods in paragraphs (a)

(2) and (3) of this section do not apply.

(e) Multiple discriminatory housing practices committed by the same respondent; multiple respondents. (1) In a proceeding where a respondent has been determined to have engaged in, or is about to engage in, more than one separate and distinct discriminatory housing practice, a separate civil penalty may be assessed against the respondent for each separate and distinct discriminatory housing practice.

(2) In a proceeding involving two or more respondents who have been determined to have engaged in, or are about to engage in, one or more discriminatory housing practices, one or more civil penalties, as provided under
§ 180.675 Petitions for review.

(a) The Secretary may affirm, modify or set aside, in whole or in part, the initial decision, or remand the initial decision for further proceedings.

(b) Any party adversely affected by the ALJ's initial decision may file a motion with the Secretary explaining how and why the initial decision should be modified, set aside, in whole or in part, or remanded for further proceedings. Such petition shall be based only on the following grounds:

(1) A finding of material fact is not supported by substantial evidence;

(2) A necessary legal conclusion is erroneous;

(3) The decision is contrary to law, duly promulgated rules of HUD, or legal precedent; or

(4) A prejudicial error of procedure was committed.

(c) Each issue shall be plainly and concisely stated and shall be supported by citations to the record when assignments of error are based on the record, statutes, regulations, cases, or other authorities relied upon. Except for good cause shown, no assignment of error by any party shall rely on any question of fact or law not presented to the ALJ.

(d) Such petitions must be received by the Secretary within 15 days after issuance of the initial decision.

(e) A statement in opposition to the petition for review may be filed. Such opposition must be received by the Secretary within 22 days after issuance of the initial decision.

(f) A petition not granted within 30 days after the issuance of the initial decision is deemed denied.

(g) If the Secretary remands the decision for further proceedings, the ALJ shall issue an initial decision on remand within 60 days after the date of issuance of the Secretary’s decision, unless it is impracticable to do so. If the ALJ is unable to issue the initial decision within this time period (or within any succeeding 60-day period following the initial 60-day period), the ALJ shall notify in writing the parties, the aggrieved person on whose behalf the charge was filed, any amicus curiae and the Assistant Secretary, of the reasons for the delay.

§ 180.680 Final decisions.

(a) Public disclosure. HUD shall make public disclosure of each final decision.

(b) Where initial decision does not provide for suspension or termination of, or refusal to grant or continue, Federal financial assistance—

(1) Issuance of final decision by Secretary. The Secretary may review any finding of fact, conclusion of law, or order contained in the initial decision of the ALJ and issue a final decision in the proceeding. The Secretary shall serve the final decision on all parties no later than 30 days after the date of issuance of the initial decision.

(2) No final decision by Secretary. If the Secretary does not serve a final decision within the time period described in paragraph (b)(1) of this section, the initial decision of the ALJ will become the final agency decision. For the purposes of this part, such a final decision will be considered to have been issued 30 days after the date of issuance of the initial decision.

(c) Where initial decision provides for suspension or termination of, or refusal to grant or continue, Federal financial assistance.

When the initial decision provides for the suspension or termination of, or the refusal to grant or continue, Federal financial assistance, or the imposition of any other sanction, such decision shall not constitute an order or final agency action until approved by the Secretary. Further, in the case of proceedings under title VI of the Civil Rights Act of 1964, no order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until the requirements of 24 CFR 1.8(c) have been met.

Subpart G—Post-Final Decision in Fair Housing Cases

§ 180.700 Action upon issuance of a final decision in Fair Housing Act cases.

(a) Licensed or regulated businesses. (1) If a final decision includes a finding that a respondent has engaged or is about to engage in a discriminatory
§ 180.705 Housing practice in the course of a business that is subject to licensing or regulation by a Federal, State or local governmental agency, the Assistant Secretary will notify the governmental agency of the decision by:

(i) Sending copies of the findings of fact, conclusions of law and final decision to the governmental agency by certified mail; and

(ii) Recommending appropriate disciplinary action to the governmental agency, including, where appropriate, the suspension or revocation of the respondent’s license.

(2) The Assistant Secretary will notify the appropriate governmental agencies within 30 days after the date of issuance of the final decision, unless a petition for judicial review of the final decision as described in §180.710 of this part has been filed before the issuance of the notification of the agency. If such a petition has been filed, the Assistant Secretary will provide the notification to the governmental agency within 30 days after the date that the final decision is affirmed upon review. If a petition for judicial review is timely filed following the notification of the governmental agency, the Assistant Secretary will promptly notify the governmental agency of the petition and withdraw his or her recommendation.

(b) Notification to the Attorney General. If a final decision includes a finding that a respondent has engaged or is about to engage in a discriminatory housing practice and another final decision including such a finding was issued under this part within the five years preceding the date of issuance of the final decision, the General Counsel will notify the Attorney General of the decisions by sending a copy of each final decision.

§ 180.705 Attorney’s fees and costs.

Following the issuance of the final decision, any prevailing party, except HUD, may apply for attorney’s fees and costs. The ALJ will issue an initial decision awarding or denying such fees and costs. The initial decision will become HUD’s final decision unless the Secretary reviews the initial decision and issues a final decision on fees and costs within 30 days. The recovery of reasonable attorney’s fees and costs will be permitted as follows:

(a) If the respondent is the prevailing party, HUD will be liable for reasonable attorney’s fees and costs to the extent provided under the Equal Access to Justice Act (5 U.S.C. 504) and HUD’s regulations at 24 CFR part 14, and an intervenor will be liable for reasonable attorney’s fees and costs only to the extent that the intervenor’s participation in the administrative proceeding was frivolous or vexatious, or was for the purpose of harassment.

(b) To the extent that an intervenor is a prevailing party, the respondent will be liable for reasonable attorney’s fees unless special circumstances make the recovery of such fees and costs unjust.

§ 180.710 Judicial review of final decision.
