**§597.403 Revocation of designation.**

(a) *Basis for revocation.* The Secretary may revoke the designation of an urban area as an Empowerment Zone or Enterprise Community if the Secretary determines, on the basis of the periodic performance review described at §597.401, that the State(s) or local government(s) in which the urban area is located:

- (1) Has modified the boundaries of the area;
- (2) Has failed to make progress in achieving the benchmarks set forth in the strategic plan; or
- (3) Has not complied substantially with the strategic plan.

(b) *Letter of warning.* Before revoking the designation of an urban area as an Empowerment Zone or Enterprise Community, the Secretary will issue a letter of warning to the nominating State(s) and local government(s):

(2) Requesting a reply from all involved parties within 90 days of the receipt of this letter of warning.

(c) *Notice of revocation.* After allowing 90 days from the date of receipt of the letter of warning for response, and after making a determination pursuant to paragraph (a) of this section, the

Secretary may issue a final notice of revocation of the designation of the urban area as an Empowerment Zone or Enterprise Community.

(d) *Notice to affected Federal agencies.* HUD will notify all affected Federal agencies providing assistance in an urban Empowerment Zone or Enterprise Community of its determination to revoke any designation pursuant to this section or to modify a designation pursuant to §597.402(b).

## 24 CFR Ch. V (4–1–99 Edition)

are issued by the Department of Agriculture.

### § 598.2 Objective and purpose.

The purpose of this part is to provide for the establishment of Empowerment Zones in urban areas, to stimulate the creation of new jobs—empowering low-income persons and families receiving public assistance to become economically self-sufficient—and to promote revitalization of economically distressed areas.

### § 598.3 Definitions.

In addition to the definitions of “HUD” and “Secretary” found in 24 CFR 5.100, the following definitions apply to this part.

*Census tract* means a census tract, as the term is used by the Bureau of the Census, or, if census tracts are not defined for the area, a block numbering area.

*Designation* means the process by which the Secretary designates urban areas as Empowerment Zones eligible for tax incentives and credits established by Subchapter U of the Internal Revenue Code of 1986, as amended (26 U.S.C. 1391, *et seq.*) and for special consideration for programs of Federal assistance.

*Developable site* means a parcel of land in a nominated area that may be developed for commercial or industrial purposes.

*Empowerment Zone* means an urban area so designated by the Secretary in accordance with this part.

*EZ/EC SSBG funds* means any funds that may be provided to States or Tribes by HHS in accordance with section 2007(a) of the Social Security Act (42 U.S.C. 1397f), for use by the designated Round II Empowerment Zone.

*HHS* means the U.S. Department of Health and Human Services.

*Local government* means any county, city, town, township, parish, village, or other general purpose political subdivision of a State, and any combination of these political subdivisions that is recognized by the Secretary.

*Nominated area* means an area nominated by one or more local governments and the State or States in which it is located for designation in accordance with this part.

*Revocation of designation* means the process by which the Secretary may revoke the designation of an urban area as an Empowerment Zone. (See subpart E of this part.)

*State* means any State of the United States.

*Urban area* means:

(1) An area that lies inside a Metropolitan Statistical Area (MSA), as designated by the Office of Management and Budget; or

(2) An area outside an MSA if the jurisdiction of the nominating local government documents:

(i) The urban character of the area, or

(ii) The link between the area and the proposed area in the MSA.

#### **§ 598.4 Period of designation.**

The designation of an urban area as an Empowerment Zone will remain in full effect during the period beginning on the date of designation and ending on the earliest of:

(a) The close of the tenth calendar year beginning on the date of designation;

(b) The termination date designated by the State and local Governments in their application for nomination; or

(c) The date the Secretary modifies or revokes the designation.

### **Subpart B—Eligibility Requirements**

#### **§ 598.100 Eligibility requirements.**

A nominated urban area is eligible for designation in accordance with this part only if the area:

(a) Has a maximum population that is the lesser of:

(1) 200,000; or

(2) The greater of 50,000 or ten percent of the population of the most populous city located within the nominated area;

(b) Is one of pervasive poverty, unemployment and general distress, as described in § 598.110;

(c) Does not exceed twenty square miles in total land area, excluding up to three noncontiguous developable sites that are exempt from the poverty criteria;

(d) Has a continuous boundary, or consists of not more than three noncontiguous parcels meeting the poverty

criteria, and not more than three noncontiguous developable sites exempt under § 598.115(c)(1) from the poverty rate criteria;

(e) Is located entirely within the jurisdiction of the unit or units of general local government making the nomination, and is located in no more than two contiguous States; and

(f) Does not include any portion of a central business district, as this term is used in the most recent Census of Retail Trade, unless the poverty rate for each census tract in the district is not less than 35 percent.

#### **§ 598.105 Data used for eligibility determinations.**

(a) *Source of data.* The data to be used in determining the eligibility of an area is from the 1990 Decennial Census, and from information published by the Bureau of the Census and the Bureau of Labor Statistics. Specific information on appropriate data to be submitted will be provided in the application.

(b) *Use of statistics on boundaries.* The boundary of an urban area nominated for designation as an Empowerment Zone must coincide with the boundaries of census tracts, as defined in § 598.3.

#### **§ 598.110 Tests of pervasive poverty, unemployment and general distress.**

(a) *Pervasive poverty.* Pervasive poverty is demonstrated by evidence that:

(1) Poverty, as indicated by the number of persons listed as being in poverty in the 1990 Decennial Census, is widespread throughout the nominated area; or

(2) Poverty, as described above, has become entrenched or intractable over time (through comparison of 1980 and 1990 census data or other relevant evidence).

(b) *Unemployment.* Unemployment is demonstrated by:

(1) The most recent data available indicating that the annual rate of unemployment for the nominated area is not less than the national annual average rate of unemployment; or

(2) Evidence of especially severe economic conditions, such as military

base or plant closings or other conditions that have brought about significant job dislocation within the nominated area.

(c) *General distress.* General distress is evidenced by describing adverse conditions within the nominated urban area other than those of pervasive poverty and unemployment. Below average or decline in per capita income, earnings per worker, number of persons on welfare, per capita property tax base, average years of school completed, substantial population decline, and a high or rising incidence of crime, narcotics use, homelessness, high incidence of AIDS, abandoned housing, deteriorated infrastructure, school dropouts, teen pregnancy, incidence of domestic violence, incidence of certain health conditions and illiteracy are examples of appropriate indicators of general distress.

#### § 598.115 Poverty rate.

(a) *General.* In order to be eligible for designation, an area's poverty rate must satisfy the following criteria:

(1) In each census tract within a nominated urban area, the poverty rate must be not less than 20 percent; and

(2) For at least 90 percent of the census tracts within the nominated urban area, the poverty rate must be not less than 25 percent.

(b) *Special rules relating to the determination of poverty rate—(1) Census tracts with populations of less than 2,000.* A census tract that has a population of less than 2,000 is treated as having a poverty rate that meets the requirements of paragraphs (a)(1) and (a)(2) of this section if more than 75 percent of the tract is zoned for commercial or industrial use, and the tract is contiguous to one or more other census tracts that have an actual poverty rate of not less than 25 percent.

(2) *Rounding up of percentages.* In making the calculations required by this section, the Secretary will round all fractional percentages of one-half percent or more up to the next highest whole percentage figure.

(c) *Noncontiguous parcels.* (1) Noncontiguous parcels that are developable sites are exempt from the poverty rate criteria of paragraph (a) of this

section, for up to three developable sites.

(2) The total area of the noncontiguous parcels that are developable sites exempt from the poverty rate criteria of paragraph (a) of this section must not exceed 2,000 acres.

(3) A nominated urban area must not contain a noncontiguous parcel unless such parcel separately meets the criteria set forth at paragraphs (a)(1) and (2) of this section, except for up to three developable sites.

(4) There must not be more than three noncontiguous parcels, except that up to three developable sites are not included in this limit.

**§ 598.215 What are the purpose and content of the strategic plan?**

(a) *Principles of strategic plan.* The strategic plan, which accompanies the application for designation, must be developed in accordance with four key principles:

(1) Strategic Vision for Change, which identifies what the community will become and a strategic map for revitalization. The vision should build on assets and coordinate a response to community needs in a comprehensive fashion. It also should set goals and performance benchmarks for measuring progress and establish a framework for evaluating and adjusting the revitalization plan;

(2) Community-Based Partnerships, involving the participation of all segments of the community, including the

political and governmental leadership, community groups, local public health and social service departments and nonprofit groups providing similar services, environmental groups, local transportation planning entities, public and private schools, religious organizations, the private and nonprofit sectors, centers of learning, and other community institutions and individual citizens;

(3) Economic Opportunity, including job creation within the community and throughout the region, entrepreneurial initiatives, small business expansion, job training and other important job readiness and job support services, such as affordable child care and transportation services, that may enable residents to be employed in jobs that offer upward mobility;

(4) Sustainable Community Development, to advance the creation of livable and vibrant communities through comprehensive approaches that coordinate economic, physical, environmental, community and human development. These approaches should preserve the environment and historic landmarks, address “brownfields” clean-up and redevelopment, explore the economic development advantages of energy efficiency and use of renewable energy resources, and improve transportation, education, public safety, and enhanced access to information and technology among all segments of the community.

(b) *Elements of strategic plan.* The strategic plan must include the following elements:

(1) *Vision and values:* The community’s strategic vision for change—a statement of what the community believes its future should be, and a statement of the community’s values that guided the creation of the vision. Explain how the vision creates economic opportunity, encourages self-sufficiency and promotes sustainable community development.

(2) *Community assessment:* A comprehensive assessment of existing conditions and trends within the community, which includes, as a minimum:

(i) *Assessment of problems and opportunities.* A description and assessment of the trends and conditions within the community and of the surrounding re-

gion that form the basis of the strategic plan. The assessment will include an analysis of the strengths and assets of the community and region, as well as needs and problems, and should include a description of poverty and general distress, barriers to economic development and barriers to human development; and

(ii) *Resource analysis.* An assessment of the resources available to the community, including potential resources outside the nominated area, to address identified problems and needs, and maximize opportunities that exist within the community. Such resources may include financial, technical, human, cultural, educational, leadership, volunteerism, communications, transportation and commerce centers, rail and mass transit linkages, redevelopable land (including land, such as ports, that can be designated as “developable sites” under the additional 2,000 acres available), public space, infrastructure, and other community and regional assets that form the basis for the formulation and implementation of the strategic plan.

(3) *Goals:* A statement of a comprehensive and holistic set of goals to be achieved through implementation of the strategic plan throughout the 10-year implementation period, and a statement of the strategies the community proposes to use to achieve the strategic plan goals, and the identification of priority objectives.

(4) *Implementation plan:* A detailed plan that outlines how the community will implement its strategic plan. The plan will include:

(i) *Projects and programs.* Provide, for the first two-year implementation period, the following:

(A) A narrative outlining the specific projects and programs that will be implemented that will result in the achievement of the community’s goals;

(B) Proposed timelines for implementing identified projects and programs;

(C) Identification of lead implementers of identified projects and programs, along with innovative partnerships that will be utilized to insure maximum community participation and project sustainability;

(D) Proposed budgets for each identified project or program, including projected costs, and sources of funding. Information on sources of funding will include whether the funding is anticipated or committed, and whether funding is conditioned upon the designation of the community as an Empowerment Zone. Evidence of committed funding is required, and may include letters of commitment, resolutions of support, or similar documentation as outlined in paragraph (b)(6) of this section. Funding may include cash and in-kind support from Federal, State and local governments, non-profit organizations, foundations, private businesses and other entities that will assist in the implementation of the strategic plan. Budgets will also include details about proposed uses of any Round II EZ/EC SSBG funds that may become available from HHS, in accordance with Guidelines on Eligible Uses of EZ/EC SSBG Funds.<sup>1</sup>

(E) Baselines and proposed measurable outputs;

(ii) *Tax incentive utilization plan.* A plan for integrating the new business tax incentives that are available to designated Empowerment Zones into the nominated area's business development efforts. The Round II tax incentives include Tax-Exempt Bond Financing, Increased Section 179 Deduction, Welfare-to-Work Credit, Environmental Cleanup Cost Deduction (i.e., "Brownfields Tax Incentive"), and the Work Opportunity Tax Credit. For a description of the tax incentives, see IRS Publication 954, "Tax Incentives for Empowerment Zones and Other Distressed Communities";

(iii) *Developable sites plan.* If the nominated area is to include developable sites, a plan to describe how the use of these parcels would benefit residents and businesses of the nominated area;

(iv) *Governance plan.* A Governance Plan for the administration of the strategic plan implementation process, which will include the following:

(A) The name of the proposed lead implementing entity, and other major

administrative entities and their proposed or actual legal status and authority to receive and administer Federal funds. The strategic plan may be implemented by the local governments(s) and/or by the State(s) nominating an urban area for designation and/or by nongovernmental entities identified in the strategic plan;

(B) Evidence that the lead implementing entity and other key entities participating in the strategic plan implementation have the capacity to implement the plan;

(C) Proposed composition and date of establishment of any governance boards, advisory boards, commissions or similar bodies that will be established to manage the implementation of the strategic plan. Specific information will be included regarding representation of residents and businesses of the proposed Empowerment Zone area, and how members of the boards or commissions will be selected;

(D) The relationship between any governance structure created and local governments and other major community or regional organizations, such as a metropolitan planning organization, operating in the same geographic area;

(E) The methods by which stakeholders within the Zone will be kept informed about Zone activities and progress in implementing the strategic plan, including a description of plans for meetings open to the public. The community should utilize modern communication techniques and incorporate the Internet in order to enhance the communication and access to information among all stakeholders and participants; and

(F) The methods and procedures that will ensure continuing community and grassroots participation in the implementation of the strategic plan and in the governance of the Zone's activities.

(v) *Community performance assessment.* Methods the community will use to assess its own performance in implementing the strategic plan, and the process it will use to continually review the plan and amend as appropriate.

(5) *Strategic planning process documentation:* A description of the process the community used to select the

boundaries of the proposed Empowerment Zone, including the developable sites, and to prepare the Strategic Plan. The documentation will:

(i) Explain how the community participated in choosing the area that is being nominated and why the area was nominated;

(ii) Indicate and briefly describe the specific groups, organizations, and individuals participating in the production of the plan and describe the history of these groups in the community;

(iii) Explain how participants were selected and provide evidence that the participants, taken as a whole, broadly represent the racial, cultural, gender, and economic diversity of the community;

(iv) Describe the role of the participants in the creation, development and future implementation of the plan; and

(v) Identify two or three topics addressed in the plan that caused the most serious disagreements among participants and describe how those disagreements were resolved; and

(6) *Documentation of commitments:* Letters of commitment, resolutions committing public or private resources, and other documentation that will demonstrate the level of public and private resources, both inside and outside the nominated area, that will be available to implement the Strategic Plan and increase economic opportunity in the nominated Empowerment Zone.

(c) *Prohibition against business relocation.* The strategic plan may not include any action to assist any establishment in relocating from one area outside the nominated urban area to the nominated urban area, except that assistance for the expansion of an existing business entity through the establishment of a new branch, affiliate, or subsidiary is permitted if:

(1) The establishment of the new branch, affiliate, or subsidiary will not result in a decrease in employment in the area of original location or in any other area where the existing business entity conducts business operations; and

(2) There is no reason to believe that the new branch, affiliate, or subsidiary is being established with the intention of closing down the operations of the existing business entity in the area of

its original location or in any other area where the existing business entity conducts business operations.

### Subpart D—Designation Process

#### § 598.300 Procedure for submitting a nomination.

(b) *Acceptance for processing.* HUD will accept for processing those nominations for designation as Empowerment Zones that HUD determines have met the criteria required by this part.

(c) *Publication of designations.* Announcements of those nominated urban areas designated as Empowerment Zones will be made by publication in the FEDERAL REGISTER.

#### § 598.305 Designation factors.

In choosing among nominated urban areas eligible for designation, the Secretary will consider:

### Subpart E—Post-Designation Requirements

#### § 598.400 HUD grants for planning activities.

(a) HUD will award planning grants up to \$100,000 to each of the Empowerment Zones designated in accordance with this part.

(b) Eligible recipients for these grants are the lead unit of general

local government that received designation under this part, or its designee. These recipients may subgrant all or part of the planning grant to qualified subgrantees, such as community organizations, agencies of local government, regional planning authorities, or planning consultants.

(c) Eligible planning activities include: hiring and development of staff, consulting services, publication of materials, community outreach and participation, governing board training, and similar activities that are intended to:

(1) Expand the planning capacity of the designee local government, the governing board, and/or participating entities, such as community organizations;

**§ 598.405 Environmental review.**

Where an empowerment zone's strategic plan or any revision thereof proposes the use of EZ/EC SSBG funds for activities that are not excluded from environmental review under 24 CFR 50.19(b), an environmental review will be performed as required by applicable law.

**§ 598.410 Public access to materials and proceedings.**

**§ 598.415 Reporting.**

(a) Empowerment Zones designated in accordance with this part must submit periodic reports to HUD. These reports must identify the community,

local government and State actions that have been taken in accordance with the strategic plan and provide notice of updates and modifications to the strategic plan. In addition to these reports, such other information relating to designated Empowerment Zones as HUD requests from time to time, including information documenting non-discrimination in hiring and employment by businesses within the designated Empowerment Zone, must be submitted promptly.

**§ 598.420 Periodic progress determinations.**

HUD also may commission evaluations of the Empowerment Zone program as a whole by an impartial third party, at such intervals as HUD may establish.

**§ 598.425 Validation of designation.**

(a) On the basis of the periodic progress determinations described in § 598.420, and subject to the provisions relating to the revocation of designation in § 598.430, HUD will make findings on the continuing eligibility for and the validity of the designation of any Empowerment Zone.

(b) HUD may approve an Empowerment Zone's request for boundary modification, subject to the requirements specified in subpart B of this part.

**§ 598.430 Revocation of designation.**

(a) *Basis for revocation.* The Secretary may revoke the designation of an urban area as an Empowerment Zone if the Secretary determines, on the basis of the periodic progress determination described at § 598.420, that the State(s)

or local government(s) in which the urban area is located:

(1) Has modified the boundaries of the area without written approval from HUD;

(2) Has failed to make progress in implementing the strategic plan; or

(3) Has not complied substantially with the strategic plan.

(b) *Letter of warning.* Before revoking the designation of an urban area and an Empowerment Zone, the Secretary will issue a letter of warning to the nominating State(s) and local government(s), with a copy to all affected Federal agencies of which the Secretary is aware;

(1) Advising that the Secretary has determined that the nominating local government(s) and/or State(s) has:
