To cite the regulations in this volume use title, part and section number. Thus, 34 CFR 400.1 refers to title 34, part 400, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16..........................................................................................................................as of January 1
- Title 17 through Title 26..........................................................................................................................as of April 1
- Title 27 through Title 41..........................................................................................................................as of July 1
- Title 42 through Title 50..........................................................................................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 1999), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949-1963, 1964-1972, or 1973-1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

INTEGRATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

Properly approved incorporations by reference in this volume are listed in the Finding Aids at the end of this volume.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed in the Finding Aids of this volume as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, Washington DC 20408, or call (202) 523-4534.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.
REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

SECONDARY, POSTSECONDARY, AND
ADULT VOCATIONAL EDUCATION PRO-

§ 403.110 Who is eligible for a subgrant
or contract?

(a) Subject to the requirements of
paragraph (c) of this section, the fol-
lowing entities are eligible for an
award under the Secondary School Vo-
cational Education Program:
(1) A local educational agency.
(2) An area vocational education
school or intermediate educational
agency that meets the requirements in
§ 403.113.

(b) Subject to the requirements of
paragraph (c) of this section, the fol-
lowing entities are eligible for an
award under the Postsecondary and
Adult Vocational Education Programs:
(1) An institution of higher education
as defined in §403.117(b), including a
nonprofit institution that satisfies the
conditions set forth in §403.111(d)(14).
(2) A local educational agency serv-
ing adults.
(3) An area vocational education
school serving adults that offers or will
offer a program that meets the require-
ments of §403.111 and seeks to receive
assistance under the Secondary School
Vocational Education Program or the
Postsecondary and Adult Vocational
Education Programs.

(c) Only an entity that provides or
will provide vocational education in a
program that meets the requirements of
§403.111 is eligible to receive an
award to improve vocational education
programs.
(2) Projects assisted with funds
awarded under §403.112, §403.113, or
§403.116 must—
(i) Provide for the full participation
of individuals who are members of spe-
cial populations by providing the sup-
plementary and other services required
by §403.190(b) necessary for them to
succeed in vocational education; and

CROSS-REFERENCE: See appendix A to part
403 and §§403.190(c) and 403.193(e).

(ii) Operate at a limited number
of sites or with respect to a limited
number of program areas.
(3) If an eligible recipient that re-
ceives an award under §403.112, §403.113,
or §403.116 meets the requirements in
this section and §§403.190(b) and 403.193,
it may use those Federal funds to serve
students who are not members of spe-
cial populations.

(b) Each eligible recipient that re-
ceives an award under §403.112, §403.113,
or §403.116 shall give priority for assist-
ance under those sections to sites or
program areas that serve the highest
concentrations of individuals who are
members of special populations.

Examples: Methods by which an eligible re-
cipient may give priority to sites or program
areas that serve the highest concentrations
of individuals who are members of special
populations include, but are not limited to,
the following:
Example 1: Method to give priority to a limited
number of sites. Based on data from the pre-
ceding fiscal year—
(a) First, a local educational agency ranks
each site based on the percentage of the
site’s total enrollment of students who are
members of special populations.
(b) Second, the local educational agency
establishes a funding cut-off point for sites
above the district-wide percentage of special
populations enrollment. The local edu-
cational agency funds sites above the cut-off
point but does not fund sites below that
point.
Example 2: Method to give priority to a limited
number of program areas. Based on data from the
preceding fiscal year—
(a) First, a postsecondary institution
ranks each program area based on the per-
centage of the program area’s total enroll-
ment of students who are members of special
populations.
(b) Second, the postsecondary institution
establishes a funding cut-off point for pro-
gram areas that rank above the institution-
wide average percentage of special populations enrollment. The postsecondary institution funds projects in a program area that is above the cut-off point but does not fund projects in program areas below that point.

Example 3: Method to give priority to a limited number of sites. Based on data from the preceding fiscal year—

(a) First, an LEA or postsecondary institution identifies a site with a high concentration of special populations;

(b) Second, the LEA or postsecondary institution identifies a program area at the site (such as health occupations) in which the participation rate for members of special populations has been lower than the overall rate of participation for members of special populations at the site; and

(c) Third, the LEA or postsecondary institution funds a project at the site designed to improve the participation rate of members of special populations in that program area.

NOTE TO EXAMPLES IN § 403.111: Absolute counts of special population members may be used to determine the sites or program areas with the highest concentrations of special population members instead of, or in combination with, percentages of special population members.

(c) Funds made available from an award under §§ 403.112, 403.113, or § 403.116 must be used to provide vocational education in programs that—

(1) Are of sufficient size, scope, and quality as to be effective;

(2) Integrate academic and vocational education in those programs through coherent sequences of courses so that students achieve both academic and occupational competencies; and

(3) Provide for the equitable participation of members of special populations in vocational education consistent with the assurances and requirements in §§ 403.190(b) and 403.193, so that these populations have an opportunity to enter vocational education that is equal to that afforded to the general student population.

CROSS-REFERENCE: See appendix A to part 403.

(d) In carrying out the provisions of paragraph (c) of this section, an eligible recipient under §§ 403.112, 403.113, or § 403.116 may use funds for activities that include, but are not limited to—

(1) Upgrading of curriculum;

(2) Purchase of equipment, including instructional aids;

(3) Inservice training of both vocational instructors and academic instructors working with vocational education students for integrating academic and vocational education;

(4) Guidance and counseling;

(5) Remedial courses;

(6) Adaptation of equipment;

(7) Tech-prep education programs;

(8) Supplementary services designed to meet the needs of special populations;

(9) Payment in whole or in part with funds under §§ 403.112, 403.113, or § 403.116 for a special populations coordinator, who must be a qualified counselor or teacher, to ensure that individuals who are members of special populations are receiving adequate services and job skill training;

(10) Apprenticeship programs;

(11) Programs that are strongly tied to economic development efforts in the State;

(12) Programs that train adults and students for all aspects of an occupation in which job openings are projected or available;

(13) Comprehensive mentor programs in institutions of higher education offering comprehensive programs in teacher preparation, which seek to use fully the skills and work experience of individuals currently or formerly employed in business and industry who are interested in becoming classroom instructors and to meet the need of vocational educators who wish to upgrade their teaching competencies; or

(14) Provision of education and training through arrangements with private vocational training institutions, private postsecondary educational institutions, employers, labor organizations, and joint labor-management apprenticeship programs if those institutions, employers, labor organizations, or programs can make a significant contribution to obtaining the objectives of the State plan and can provide substantially equivalent training at a lesser cost, or can provide equipment or services not available in public institutions.

§ 403.112

§ 403.180(b)(1) for the basic programs, each fiscal year a State may reserve funds for the Secondary School Vocational Education Program.

(b) General rule. Except as provided in paragraphs (c) and (d) of this section and §403.119, a State shall distribute funds reserved for the Secondary School Vocational Education Program to local educational agencies (LEAs) according to the following formula:

(1) From 70 percent of the amount reserved, an LEA must be allocated an amount that bears the same relationship to the 70 percent as the amount the LEA was allocated under section 1005 of chapter 1 (20 U.S.C. 2711) in the fiscal or program year preceding the fiscal or program year in which the allocation is made bears to the total amount received under section 1005 of chapter 1 by all LEAs in the State in that preceding year.

(2) From 20 percent of the amount reserved, an LEA must be allocated an amount that bears the same relationship to the 20 percent as the number of students with disabilities who have individualized education programs under section 614(a)(5) of the IDEA served by the LEA in the fiscal or program year preceding the fiscal or program year in which the allocation is made bears to the total number of those students served by all LEAs in the State in that preceding year.

(3) From 10 percent of the amount reserved, an LEA must be allocated an amount that bears the same relationship to the 10 percent as the number of students enrolled in schools and adults enrolled in vocational education training programs under the jurisdiction of the LEA in the fiscal or program year preceding the fiscal or program year in which the allocation is made bears to the number of students enrolled in schools in kindergarten through 12th grade and adults enrolled in vocational education training programs under the jurisdiction of all LEAs in the State in that preceding year.

Exception: Assume that a State has reserved $5,000,000 of its basic programs funds under Title II of the Act for secondary school programs.

(a)(1) All LEAs in the State were allocated a total of $80,000,000 under section 1005 of Chapter 1 in the preceding fiscal year. Of that amount, school district “A” was allocated $400,000.

(2) The allocation for school district “A” is calculated by multiplying $5,000,000 (70 percent of $5,000,000) by .006 of the State total ($400,000-$80,000,000). The allocation for school district “A” would be $17,500 under paragraph (b)(1) of this section.

(b)(1) All LEAs in a State served a total of 100,000 students with disabilities who have individualized education programs under section 614(a)(5) of the IDEA in the preceding fiscal year. Of that total, school district “A” served 400 of those students in the preceding fiscal year.

(2) The allocation for school district “A” is calculated by multiplying $5,000,000 (20 percent of $5,000,000) by .004 of the State total (400/100,000). The allocation for school district “A” would be $4,000 under paragraph (b)(2) of this section.

(c)(1) All LEAs in a State enrolled a total of 1,000,000 students (including adults enrolled in vocational education training programs in those LEAs) in the preceding fiscal year. Of that number school district “A” enrolled 3,500 of those students in the preceding fiscal year.

(2) The allocation for school district “A” is calculated by multiplying $500,000 (10 percent of $5,000,000) by .005 of the State total (3,500/1,000,000). The allocation for school district “A” would be $1,750 under paragraph (b)(3) of this section.

(c) Exception to the general rule. In applying the provisions in paragraph (b) of this section, a State may not distribute funds to an LEA that operates only elementary schools, but shall instead distribute funds that would have been allocated for those ineligible LEAs as follows:

(1) If an LEA that operates only elementary schools sends its graduating students to a single local or regional educational agency that provides secondary school services to secondary school students in the same attendance area, a State shall distribute to that local or regional educational agency any amounts under paragraph (b) of this section that would otherwise have been allocated to LEAs operating only elementary schools.

(2) If an LEA that operates only elementary schools sends its graduating students to two or more local or regional educational agencies that provide secondary school services to secondary students in the same attendance area, the State shall distribute to those local or regional educational
agencies an amount based on the proportionate number of students each agency received in the previous year from the LEA that operates only elementary schools.

(d)(1) Minimum grant amount. Except as provided in paragraph (d)(3) of this section, an LEA is not eligible for a grant under the Secondary School Vocational Education Program unless the amount allocated to the LEA under paragraph (b) of this section is not less than $15,000.

(2)(i) An LEA may enter into a consortium with one or more LEAs for the purpose of providing services under the Secondary School Vocational Education Program in order to meet the minimum grant requirement in paragraph (d)(1) of this section.

(ii) A consortium arrangement under paragraph (d)(2)(i) of this section must serve primarily as a structure for operating joint projects that provide services to all participating local educational agencies.

(iii) A project operated by a consortium must meet the size, scope, and quality requirement of § 403.111(c)(1).

Example: Under the distribution formula for the Secondary School Vocational Education Program, three LEAs earn $5,000 each (which is less than the $15,000 minimum grant amount for each LEA). The LEAs form a consortium in order to receive an award. One of the LEAs is designated as the fiscal agent for the consortium and receives the $15,000 award for the consortium. The consortium may operate and fund with the $15,000 a project or projects for the benefit of all participating LEAs. The fiscal agent of the consortium may not subgrant back to the participating LEAs the amounts they contributed to the consortium.

(3) A State may waive paragraph (d)(1) of this section in any case in which the LEA—

(i) Is located in a rural, sparsely populated area;

(ii) Demonstrates that it is unable to enter into a consortium for purposes of providing services under the Secondary School Vocational Education Program; and

(iii) Demonstrates that the projects to be assisted meet the size, scope, and quality requirement in § 403.111(c)(1).

(4) Any amounts that are not distributed by reason of paragraph (d)(1) of this section must be redistributed in accordance with the provisions in paragraph (b) of this section.

§ 403.113 How does a State allocate funds under the Secondary School Vocational Education Program to area vocational education schools and intermediate educational agencies?

(a) A State shall distribute funds reserved under § 403.112(a) directly to the appropriate area vocational education school or intermediate educational agency in any case in which—

(1) The area vocational education school or intermediate educational agency and an LEA—

(i) Have formed or will form a consortium for the purpose of receiving funds reserved under § 403.112(a); or

(ii) Have entered into or will enter into a cooperative arrangement for the purpose of receiving funds reserved under § 403.112(a); and

(2)(i) The area vocational education school or intermediate educational agency serves a proportion of students with disabilities and students who are economically disadvantaged that is approximately equal to or greater than the proportion of those students attending the secondary schools under the jurisdiction of all of the LEAs sending students to the area vocational education school or the intermediate educational agency; or

(ii) The area vocational education school or intermediate educational agency demonstrates that it is unable to meet the criterion in paragraph (a)(2)(i) of this section due to the lack of interest by students with disabilities and students who are economically disadvantaged in attending vocational education programs in that area vocational education school or intermediate educational agency.

(b) If an area vocational education school or intermediate educational agency meets the requirements of paragraph (a) of this section, then the amount that would otherwise be allocated to the LEA may be distributed to the area vocational education school, the intermediate educational agency, and the LEA—
(1) Based on each school’s or entity’s relative share of students with disabilities and students who are economically disadvantaged who are attending vocational education programs that meet the requirements of §403.111 (based, if practicable, on the average enrollment for the prior 3 years); or
(2) On the basis of an agreement between the LEA and the area vocational education school or intermediate educational agency.

(c) Notwithstanding paragraphs (a) and (b) of this section, and §§403.114 and 403.115, prior to distributing funds to any LEA that would receive an allocation that is not sufficient to conduct a program that meets the requirements of §403.111(c), a State shall encourage the LEA to—

(1) Form a consortium or enter a cooperative agreement with an area vocational education school or intermediate educational agency offering programs that meet the requirements of §403.111(c), and that are accessible to economically disadvantaged students and students with disabilities that would be served by the LEA; and
(2) Transfer its allocation to an area vocational education school or intermediate educational agency.

(d) If an LEA’s allocation under §403.112 meets the minimum grant requirement in §403.112(d), and the allocation is distributed in part to an area vocational education school or an intermediate educational agency pursuant to paragraphs (a) and (b) of this section, the LEA may retain the amount not distributed to the area vocational education school or an intermediate educational agency even though that amount is less than the minimum grant required by §403.112(d).

§403.114 How does a State determine the number of economically disadvantaged students attending vocational education programs under the Secondary School Vocational Education Program?

(1) Eligibility for one of the following:
(i) Free or reduced-price meals under the National School Lunch Act (42 U.S.C. 1751 et seq.).
(ii) The program for aid to Families with Dependent Children under part A of title IV of the Social Security Act (42 U.S.C. 601).
(iv) To be counted for purposes of section 1005 of chapter 1.
(v) Participation in programs assisted under title II of the JTPA.
(2) Receipt of a Pell grant or assistance under a comparable State program of need-based financial assistance.

(3) Status of an individual who is determined by the Secretary to be low-income according to the latest available data from the Department of Commerce or the Department of Health and Human Services Poverty Guidelines.

(4) Other indices of economic status, including estimates of those indices, if the State demonstrates to the satisfaction of the Secretary that those indices are more representative of the number of economically disadvantaged students attending vocational education programs. The Secretary determines, on a case-by-case basis, whether other indices of economic status are more representative of the number of economically disadvantaged students attending vocational education programs, taking into consideration, for example, the statistical reliability of any data submitted by a grantee as well as the general acceptance of the indices by other agencies in the State or local area.

(b) If a State elects to use more than one factor described in paragraph (a) of this section for purposes of determining the number of economically disadvantaged students enrolled in vocational education programs, the State shall ensure that the data used are not duplicative.

(1) The introduction of new vocational education programs, particularly in economically depressed urban and rural areas;

(2) The introduction or improvement of basic skills instruction, including English-as-a-second-language instruction, in order for an individual to be eligible for employment, to continue employment, or to be eligible for career advancement;

(3) Costs associated with coordination between vocational education programs, business, and industry, including advisory council meetings and newsletters; and

(b) The current and projected demand within the State or relevant labor market area for workers with the level and type of skills the program is designed to produce.

(c) The overall quality of the proposal, with particular emphasis on the probability of successful completion of the program by prospective trainees and the capability of the eligible recipient, with assistance from participating business or industry, to provide high quality training for skilled workers and technicians in high technology.

(d) The commitment to serve, as demonstrated by special efforts to provide outreach, information, and counseling, and by the provision of remedial instruction and other assistance, all segments of the population, including women, minorities, individuals with disabilities, and economically disadvantaged individuals.

(e) Projects, services, and activities to provide vocational education for individuals who have attained 55 years of age in order to assist their entry into, or advancement in, high-technology occupations or to meet the technological needs of other industries or businesses.

§ 403.174 What additional fiscal requirements apply to the Business-Labor-Education Partnership for Training Program?

(a) The business and industrial share of the costs required in § 403.32(a)(29) may be in the form of either allowable costs or the fair market value of in-kind contributions such as facilities, overhead, personnel, and equipment.

(b) The State board shall use equal amounts from its allotment under this program and from its allotment for basic programs to provide the Federal share of cost of projects, services, and activities under this program.

(c) If an eligible partner demonstrates to the satisfaction of the State that it is incapable of providing all or part of the non-Federal portion of the costs of projects, services, and activities, as required by § 403.32(a)(29), the State board may designate funds available under parts A and C of title II of the Act or funds available from State sources in place of the non-Federal portion.

Subpart G—What Financial Conditions Must Be Met by a State?

§ 403.180 How must a State reserve funds for the basic programs?

(a)(1) Except as provided in paragraph (a)(2) of this section, each State shall reserve from its allotment under the basic programs authorized by title II of the Act, for—

(i) The Program for Single Parents, Displaced Homemakers, and Single Pregnant Women under § 403.81, and the Sex Equity Program under § 403.91, respectively, an amount that is not less than the amount the State reserved for each of those programs under section 202 of the Carl D. Perkins Vocational Education Act (CDPVEA) from its Fiscal Year (FY) 1991 grant from the FY 1990 appropriation; and

(ii) The Program for Criminal Offenders under § 403.101 an amount that is not less than—

(A) The amount the State reserved for projects, services, or activities under section 202(6) of the CDPVEA from its FY 1991 grant from the FY 1990 appropriation; and

(B) The amount of Federal funds under the CDPVEA, other than the one percent reserved under section 202(6) of the Act, that the State and its eligible recipients obligated for projects, services, and activities for criminal offenders in correctional institutions from its FY 1991 grant from the FY 1990 appropriation.

(2) In any year in which a State receives an amount for purposes of carrying out programs under title II of the Act that is less than the amount the State received for those purposes in its FY 1991 grant award from the FY 1990 appropriation under the CDPVEA, the State shall ratably reduce the amounts reserved under paragraph (a)(1) of this section in the same proportion that the amount for carrying out programs under title II of the Act is less than the amount the State received for those purposes from the FY 1990 appropriation.
(b) Except as provided in paragraph (a) of this section, from its allotment for the basic programs authorized by title II of the Act, a State shall reserve—

(1) At least 75 percent for the Secondary School Vocational Education Program and the Postsecondary and Adult Vocational Education Programs described in §403.111;

(2) Ten and one-half percent for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women described in §403.81 and the Sex Equity Program described in §403.91, as follows:

(i) Not less than seven percent for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women;

(ii) Not less than three percent for the Sex Equity Program;

(3) Not more than eight and one-half percent for State Programs and State Leadership Activities described in §§403.70 and 403.71;

(4) Not more than five percent or $250,000, whichever is greater, for administration of the State plan, of which—

(i) Not less than $60,000 must be available for carrying out the provisions in §403.13, regarding the personnel requirements for eliminating sex discrimination and sex stereotyping; and

(ii) The remaining amounts may be used for the costs of—

(A) Developing the State plan;

(B) Reviewing local applications;

(C) Monitoring and evaluating program effectiveness;

(D) Providing technical assistance;

(E) Ensuring compliance with all applicable Federal laws, including required services and activities for individuals who are members of special populations; and

(F) Supporting the activities of the technical committees it establishes under §403.12(b)(1); and

(5) One percent for Programs for Criminal Offenders described in §403.101.

(c) The procedure for meeting the “hold-harmless” requirements in §403.180(a) and the $250,000 minimum for State administration provision in §403.180(b)(4) is as follows:

(1) If the five percent reserved for administration is less than the $250,000 minimum allowed by paragraph (b)(4) of this section, or if any of the amounts reserved for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women in §403.81, the Sex Equity Program in §403.91, or the Program for Criminal Offenders in §403.101, respectively, is less than the amount reserved for that program in F Y 1990 (funds from the FY 1990 appropriation awarded in the States FY 1991 grant), a State shall subtract any amount necessary to satisfy the $250,000 minimum for State administration or any of the “hold-harmless” amounts from the total basic programs award received by the State.

(2) The State shall reserve $250,000 for administration and shall reserve for any program not meeting the “hold-harmless” requirement an amount necessary to meet that requirement.

(3) The State shall reserve from the remainder of the basic program award an amount for each of the remaining programs that is proportionate to the amount that program would have received in the absence of a shortfall in the amounts reserved for administration or to meet the “hold-harmless” requirements in paragraph (a)(1) of this section.

Example 1: (a) A State receives a basic programs award of $4,000,000. Five percent of the basic programs award equals $200,000, which is $50,000 less than the $250,000 minimum that may be reserved for State administration. To determine the amount of funds that will be reserved for each program under title II, parts A, B, and C of the Act, the State first subtracts $250,000 for State administration from the $4,000,000 basic programs award ($4,000,000 - $250,000 = $3,750,000).

(b) Second, the State determines the amount that would have been reserved for each of the programs under title II, parts A, B, and C of the Act in the absence of a shortfall in the set-aside amount for administration, as follows:

3.0% × $4,000,000 = $120,000 for Sex Equity Programs.

7.5% × $4,000,000 = 300,000 for Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women.

8.5% × $4,000,000 = 340,000 for State Programs and State Leadership Activities.
§ 403.180

| 1% × $4,000,000 | 40,000 | for Programs for Criminal Offenders. |
| 75% × $4,000,000 | 3,000,000 | for part C of title II. |

3,800,000

(c) Third, the State converts each of these amounts into a percentage by dividing each amount by the sum of the amounts the programs would have received in the absence of a shortfall ($3,800,000) and multiplies the remaining basic programs award ($3,750,000) by these percentages to determine the amount to reserve for each program under parts A, B, and C of title II of the Act, as follows:

| Programs for Sex Equity Programs. | $18,419,000 | 
| Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women. | $3,750,000 | 
| (v) $1,581,000 | 75% × $18,419,000 | 14,854,032 for part C of title II. |
| ($3,300,000/18,419,000) × $3,750,000 | 18,419,000 | 

This example assumes that amounts reserved meet the "hold-harmless" requirement of section 102(c)(1) of the Act.

Example 2: A State's seven percent reserve from its FY 1992 grant for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women is $1,400,000 and the amount reserved for that program in FY 1991 was $1,581,000. Therefore, the amount reserved for that program in FY 1991 is $181,000 less than the amount reserved in FY 1991. The State received a basic programs award of $20,000,000 in FY 1992. The other programs under title II, part B meet the "hold-harmless" requirement in § 403.180(a)(1), and the amount reserved for State administration exceeds $250,000. The State determines the amount of funds to be reserved for each program under title II, parts A, B, and C of the Act as follows:

(a) First, the State subtracts $1,581,000 from the $20,000,000 total basic programs award ($20,000,000 – $1,581,000 = $18,419,000).

(b) Second, the State determines the amount that would have been reserved for each of the programs under parts A, B, and C of title II of the Act in the absence of a shortfall in the set-aside amount for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women, as follows:

| Programs for Criminal Offenders. | $1,700,000 |
| Programs for State Programs and Leadership Activities. | $15,600,000 |
| Programs for Criminal Offenders. | $18,419,000 |

34 CFR Ch. IV (7–1–99 Edition)
(c) Third, the State converts each of these amounts into a percentage by dividing each amount by the sum of the amounts the programs would have earned in the absence of a shortfall ($19,800,000) and multiplies the remaining basic programs award ($19,750,000) by these percentages to determine the amount to reserve for each program under parts A, B, and C of title II of the Act, as follows:

\[
\begin{align*}
\text{administration:} & \quad 5.0\% \times 20,000,000 = 1,000,000 \\
\text{Sex Equity Programs:} & \quad 3.5\% \times 20,000,000 = 700,000 \\
\text{Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women:} & \quad 7.0\% \times 20,000,000 = 1,400,000 \\
\text{State Programs and State Leadership Activities:} & \quad 8.5\% \times 20,000,000 = 1,700,000 \\
\text{part C of title II:} & \quad 75.0\% \times 20,000,000 = 15,000,000 \\
\end{align*}
\]

\[
\begin{align*}
\text{administration:} & \quad \frac{1,000,000}{19,800,000} \times 19,750,000 = 997,475 \\
\text{Sex Equity Programs:} & \quad \frac{700,000}{19,800,000} \times 19,750,000 = 698,232 \\
\text{Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women:} & \quad \frac{1,400,000}{19,800,000} \times 19,750,000 = 1,396,465 \\
\text{State Programs and State Leadership Activities:} & \quad \frac{1,700,000}{19,800,000} \times 19,750,000 = 1,695,707 \\
\text{part C of title II:} & \quad \frac{15,000,000}{19,800,000} \times 19,750,000 = 14,962,121 \\
\end{align*}
\]

This example assumes that amounts reserved for the Sex Equity Program and for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women meet the “hold-harmless” requirement of sections 102(c) (1) and (2) of the Act.

(d) The procedure for meeting the ratable reduction provision in paragraph (a)(2) of this section is as follows:

(1) If a State's basic programs award under title II of the Act for FY 1992 or in future years is less than that State’s basic grant amount in FY 1991, a State shall determine the percentage that the basic programs award is of the FY 1991 basic programs award.

(2) The State shall multiply the amounts reserved in FY 1991 for each of the three programs covered by the “hold-harmless” provisions in paragraph (a)(1) of this section by this percentage.

(3) The State shall compare the amounts that would be reserved for these programs in FY 1992 to determine if these amounts are less than the ratably reduced hold-harmless amounts, and if so, shall proceed with the calculation required by paragraph (c) of this section except using the ratably reduced “hold-harmless” amounts.

(Authority: 20 U.S.C. 2312)

§ 403.181 What are the cost-sharing requirements applicable to the basic programs?

(a) A State shall match, from non-Federal sources and on a dollar-for-dollar basis, the funds reserved for administration of the State plan under § 403.180(b)(4).

(b) The matching requirement under paragraph (a) of this section may be applied overall, rather than line-by-line, to State administrative expenditures.

(c) A State shall provide from non-Federal sources for State administration under the Act an amount that is not less than the amount provided by the State from non-Federal sources for State administrative costs for the preceding fiscal or program year.

Example for paragraph (b): From the five percent reserved for the administration of the State plan, a State must reserve $60,000 to carry out the provisions in § 403.13. The $60,000 must be matched, but the matching funds need not be used for the activities described in § 403.13.

(Authority: 20 U.S.C. 2312(b) and 2468d; H.R. Rep. No. 660, 101st Cong., 2nd Sess. 103±104 (1990))

§ 403.182 What is the maintenance of fiscal effort requirement?

The Secretary may not make a payment under the Act to a State for any fiscal year unless the Secretary determines that the fiscal effort per student, or the aggregate expenditures of that State, from State sources, for vocational education for the fiscal year (or program year) preceding the fiscal year (or program year) for which the determination is made, is at least equal its effort or expenditures for vocational education.

(Authority: 20 U.S.C. 2312(b) and 2468d; H.R. Rep. No. 660, 101st Cong., 2nd Sess. 103±104 (1990))
§ 403.183 Under what circumstances may the Secretary waive the maintenance of effort requirement?

(a) The Secretary may waive the maintenance of effort requirement in § 403.182 for a State for one year only if—

(1) The Secretary determines that a waiver would be equitable due to exceptional or uncontrollable circumstances affecting the State’s ability to maintain fiscal effort; and

(2) The State has decreased its expenditures for vocational education from non-Federal sources by no more than five percent.

(b) For purposes of this section, “exceptional or uncontrollable circumstances” include, but are not limited to, the following:

(1) A natural disaster.

(2) An unforeseen and precipitous decline in financial resources.

(c) The Secretary does not consider tax initiatives or referenda to be exceptional or uncontrollable circumstances.

(Authority: 20 U.S.C. 2463(b))

§ 403.184 How does a State request a waiver of the maintenance of effort requirement?

A State seeking a waiver of the maintenance of effort requirement in § 403.182 shall—

(a) Submit to the Secretary a request for a waiver; and

(b) Include in the request—

(1) The reason for the request;

(2) Information that demonstrates that a waiver is justified; and

(3) Any additional information the Secretary may require.

(Approved by the Office of Management and Budget under Control No. 1830-0030)

(Authority: 20 U.S.C. 2463(b))

§ 403.185 How does the Secretary compute maintenance of effort in the event of a waiver?

If a State has been granted a waiver of the maintenance of effort requirement that allows it to receive a grant for a fiscal year, the Secretary determines whether the State has met that requirement for the grant to be awarded for the year after the year of the waiver by comparing the amount spent for vocational education from non-Federal sources in the first preceding fiscal year (or program year) with the amount spent in the third preceding fiscal year (or program year).

Example: Because exceptional or uncontrollable circumstances prevented a State from maintaining its level of fiscal effort in a program year 1989 (July 1, 1988-June 30, 1989) at the level of its fiscal effort in program year 1988 (July 1, 1987-June 30, 1988), the Secretary granted the State a waiver of the maintenance of effort requirement that permits the State to receive its fiscal year 1990 grant (a grant that is awarded on or after July 1, 1990 from funds appropriated in the fiscal year 1990 appropriation). To be eligible to receive its fiscal year 1990 grant (the grant to be awarded for the year after the year of the waiver), the State’s expenditures from the first preceding program year (July 1, 1989-June 30, 1990) must equal or exceed its expenditures from the third preceding program year (July 1, 1987 to June 30, 1988).

(Authority: 20 U.S.C. 2463(c))

§ 403.186 What are the administrative cost requirements applicable to a State?

(a) Basic Programs. A State may use only funds reserved under § 403.180(b)(4) to administer the programs under title II of the Act, including Programs for Criminal Offenders.

(b) Special Programs. (1) A State may use the funds reserved under § 403.180(b)(4) to administer any of the special programs listed in § 403.130.

(2) In addition to the funds reserved under § 403.180(b)(4), a State may use only an amount of funds from its allotment for the State Assistance for Vocational Education Support Programs by Community-Based Organizations that is necessary and reasonable for the proper and efficient State administration of that program.

(3) In addition to the funds reserved under § 403.180(b)(4), a State may use the amounts reserved for the Consumer and Homemaking Education Program, the Comprehensive Career Guidance and Counseling Program, and the Business-Labor-Education Partnership for Training Program under §§ 403.151(c), 403.161(c), and 403.173(b), respectively.
for the proper and efficient administration of each program.

(Authority: 20 U.S.C. 2302(d) (A)–(D) and 2312(a))

§ 403.187 How may a State provide technical assistance?

(a) Except as provided in paragraph (b) of this section, a State may use only an amount of the funds reserved for each of the basic programs listed in § 403.60 and the special programs listed in § 403.130 to pay the costs of providing technical assistance that is necessary and reasonable to promote or enhance the quality and effectiveness of that program.

(b) A State may not use funds reserved under § 403.180(b)(1) for the Secondary School Vocational Education Program and the Postsecondary and Adult Vocational Education Program to pay the costs of providing technical assistance.

(c) In providing technical assistance under paragraph (a) of this section, a State may not use amounts to an extent that would interfere with achieving the purposes of the program for which the funds were awarded.

(Authority: 20 U.S.C. 2302(d) (A)–(D), 2312(a), and 2323(b)(5))

§ 403.188 What is a State’s responsibility for the cost of services and activities for members of special populations?

A State is not required to use non-Federal funds to pay the cost of services and activities that it provides to members of special populations pursuant to § 403.32(a) (18)–(26) or to pay the cost of services and activities that eligible recipients provide to members of special populations pursuant to §§ 403.111 (a)(2)(i) and (c)(1), 403.190(b), or 403.193, unless this requirement is imposed by other applicable laws.

§ 403.191 What are the requirements for program evaluation?

(a)(1) Beginning in the 1992–1993 school year, each recipient of financial assistance under §403.112, §403.113, or §403.116 shall evaluate annually the effectiveness of the particular projects, services, and activities receiving assistance under a basic program listed in §403.60, or a special program listed in §403.130, unless the State board determines pursuant to §403.201(a)(3) that a broader evaluation is required. A recipient may conduct the evaluation required under this paragraph by evaluating either the entire population of participants or a representative sample of participants.

(2) The annual evaluation must be based on the standards and measures developed by the State board in accordance with §§403.201 and 403.202, including any modifications made by the recipient in accordance with paragraph (b) of this section.

(b)(1) Each recipient may modify the State standards and measures based on—

(i) Economic, geographic, or demographic factors; or

(ii) The characteristics of the populations to be served.

(2) Modifications must conform to the assessment criteria contained in the State plan.

(c) Each recipient, as part of the annual evaluation required in paragraph (a) of this section, and with the full participation of representatives of special populations, shall—

(2) Evaluate the progress of individuals who are members of special populations.

(d) Each recipient, as a part of the annual evaluation required in paragraph (a) of this section, shall evaluate its progress in providing vocational education students with strong experience in and understanding of all aspects of the industries the students are preparing to enter.

(e) Each recipient may use funds awarded under a basic program listed in §403.60 or a special program listed in §403.130 to support the cost of conducting the evaluation required under paragraphs (a) through (d) of this section to the extent that the costs are—

(1) Reasonable and necessary;

(2) Related to the purposes for which the funds were awarded; and

(3) Consistent with applicable requirements, such as the requirement in §403.196 to use funds awarded under title II of the Act to supplement, and not to supplant, State and local funds.

§ 403.192 What are the requirements for program improvement?

(a) If, beginning not less than one year after implementing the program evaluation required in §403.191, a recipient determines, through its annual evaluation, that it is not making substantial progress in meeting the standards and measures developed by the State under §§403.201 and 403.202, the recipient shall develop a plan for program improvement for the succeeding school year.

(b) The plan must be developed in consultation with teachers, parents, and students concerned with or affected by the program, and must describe how the recipient will identify and modify projects, services, and activities receiving assistance under the programs listed in §§403.60 and 403.130 that are in need of improvement, including a description of—

APPENDIX A TO PART 403—EXAMPLES FOR 34 CFR 403.111(A) AND 403.111(C)(3)

Illustration of providing full participation under 34 CFR 403.111(a). An educationally disadvantaged student is enrolled in a course that is part of a vocational education program and is having trouble understanding a math concept (e.g., negative numbers) necessary to succeed in the course. To ensure the student's full participation in the course, a local educational agency may use funds awarded under §403.112 as needed to provide tutoring in negative numbers to enable the student to understand the concept well enough to complete the vocational education course.

Illustration of providing equitable participation under 34 CFR 403.111(c)(3). Example 1: An area vocational education school conducts an informal meeting to provide the information required in §403.193(a) regarding the area vocational education school's vocational education programs, to parents of students who are members of special populations in a local educational agency whose allocation was distributed to the area vocational education school under §403.113. The area vocational education school conducts the meeting at a time and in a location convenient for these parents and students. At the meeting, the area vocational education school provides a staff person to assist students or their parents to complete any forms necessary to enroll in the area vocational education school's vocational education program.

Example 2: A hearing-impaired student in a local educational agency could participate in the vocational education program only if an interpreter is provided for that student. The local educational agency cannot refuse to admit the student because of the need for an interpreter.

APPENDIX B TO PART 403—EXAMPLES FOR 34 CFR 403.194—COMPARABILITY REQUIREMENTS

Methods by which a local educational agency can demonstrate its compliance with the comparability requirements in 34 CFR 403.194(a) include the following:

Example 1: The local educational agency files with the State board a written assurance that it has established and implemented—

(a) A district-wide salary schedule;

(b) A policy to ensure equivalence among secondary schools or sites in teachers, administrators, and auxiliary personnel; and

(c) A policy to ensure equivalency among secondary schools or sites in the provision of curriculum materials and instructional supplies.

Example 2: The local educational agency establishes and implements other procedures for ensuring comparability, such as the following:

(a) Comparing the average number of students per instructional staff in each secondary school or site served with Federal funds awarded under the State plan with the average number of students per instructional staff in secondary schools or sites not served with Federal funds awarded under the State plan. A served school is considered comparable if its average does not exceed 110 percent of the average of schools or sites in the local educational agency not served with Federal funds awarded under the State plan; or

(b) Comparing the average instructional staff salary expenditures per student in each secondary school or site served with Federal funds awarded under the State plan with the average instructional staff salary expenditure per student in schools or sites in the local educational agency not served with Federal funds awarded under the State plan. A served school is considered comparable if its average is at least 90 percent of the average of schools or sites not served with Federal funds awarded under the State plan.

§461.40 What are the State and local administrative costs requirements?

(a)(1) Beginning with the fiscal year 1991 grant (a grant that is awarded on or after July 1, 1991 from funds appropriated in the fiscal year 1991 appropriation), an SEA may use no more than 5 percent of its grant or $50,000—
whichever is greater—for necessary and reasonable State administrative costs.

(2) For grants awarded from funds appropriated for fiscal years prior to fiscal year 1991 (grants awarded before July 1, 1991), an SEA may determine what percent of its grant is necessary and reasonable for State administrative costs.

(b)(1) At least 95 percent of an eligible recipient’s award from the SEA must be expended for adult education instructional activities.

(2) The remainder may be used for local administrative costs—noninstructional expenses, including planning, administration, evaluation, personnel development, and coordination—that are necessary and reasonable.

(3) If the administrative cost limits under paragraph (b)(2) of this section are insufficient for adequate planning, administration, evaluation, personnel development, and coordination of programs supported under the Act, the SEA shall negotiate with local grant recipients in order to determine an adequate level of funds to be used for noninstructional purposes.

(Authority: 20 U.S.C. 1203b and 1205(c))

§ 461.42 What is the maintenance of effort requirement?

(a) Basic standard. (1)(i) Except as provided in §461.43, a State is eligible for a grant from appropriations for any fiscal year only if the Secretary determines that the State has expended for adult education from non-Federal sources during the second preceding fiscal year (or program year) an amount not less than the amount expended during the third preceding fiscal year (or program year).

(ii) The Secretary determines maintenance of effort on a per student expenditure basis or on a total expenditure basis.

(2) For purposes of determining maintenance of effort, the “second preceding fiscal year (or program year)” is the fiscal year (or program year) two years prior to the year of the grant for which the Secretary is determining the State’s eligibility. The “third preceding fiscal year (or program year)” is the fiscal year (or program year) three years prior to the year of the grant for
which the Secretary is determining the State's eligibility.

Example: Computation based on fiscal year. If a State chooses to use the fiscal year as the basis for its maintenance of effort computations, the Secretary determines whether a State is eligible for the fiscal year 1992 grant (a grant that is awarded on or after July 1, 1992 from funds appropriated in the fiscal year 1992 appropriation) by comparing expenditures from the second preceding fiscal year—fiscal year 1990 (October 1, 1989—September 30, 1990)—with expenditures from the third preceding fiscal year—fiscal year 1989 (October 1, 1988—September 30, 1989). If there has been no decrease in expenditures from fiscal year 1989 to fiscal year 1990, the State has maintained effort and is eligible for its fiscal year 1992 grant. Computation based on program year. If a State chooses to use a program year running from July 1 to June 30 as the basis for its maintenance of effort computation, the Secretary determines whether a State is eligible for funds for the fiscal year 1992 grant by comparing expenditures from the second preceding program year—program year 1990 (July 1, 1989—June 30, 1990)—with expenditures from the third preceding program year—program year 1989 (July 1, 1988—June 30, 1989). If there has been no decrease in expenditures from program year 1989 to program year 1990, the State has maintained effort and is eligible for its fiscal year 1992 grant.

(b) Expenditures to be considered. In determining a State's compliance with the maintenance of effort requirement, the Secretary considers the expenditures described in §461.41(c).

PART 600—INSTITUTIONAL ELIGIBILITY UNDER THE HIGHER EDUCATION ACT OF 1965, AS AMENDED

Subpart A—General

§ 600.1 Scope.
This part establishes the rules and procedures that the Secretary uses to determine whether an educational institution qualifies in whole or in part as an eligible institution of higher education under the Higher Education Act of 1965, as amended (HEA). An eligible institution of higher education may apply to participate in programs authorized by the HEA (HEA programs).

Authority: 20 U.S.C. 1088, 1094, 1099b, 1099c, and 1141

§ 600.2 Definitions.
The following definitions apply to terms used in this part:

Accredited: The status of public recognition that a nationally recognized accrediting agency grants to an institution or educational program that meets the agency's established requirements.

Award year: The period of time from July 1 of one year through June 30 of the following year.

Branch Campus: A location of an institution that is geographically apart and independent of the main campus of the institution. The Secretary considers a location of an institution to be independent of the main campus if the location—

(1) Is permanent in nature;
(2) Offers courses in educational programs leading to a degree, certificate, or other recognized educational credential;
(3) Has its own faculty and administrative or supervisory organization; and
(4) Has its own budgetary and hiring authority.

Clock hour: A period of time consisting of—

(1) A 50- to 60-minute class, lecture, or recitation in a 60-minute period;
(2) A 50- to 60-minute faculty-supervised laboratory, shop training, or internship in a 60-minute period; or
Sixty minutes of preparation in a correspondence course.  

Correspondence course: (1) A “home study” course provided by an institution under which the institution provides instructional materials, including examinations on the materials, to students who are not physically attending classes at the institution. When students complete a portion of the instructional materials, the students take the examinations that relate to that portion of the materials, and return the examinations to the institution for grading.

(2) A home study course that provides instruction in whole or in part through the use of video cassettes or video discs in an award year is a correspondence course unless the institution also delivers the instruction on the cassette or disc to students physically attending classes at the institution during the same award year.

(3) A course at an institution that may otherwise satisfy the definition of a “telecommunications course” is a correspondence course if the sum of telecommunications and other correspondence courses offered by that institution equals or exceeds 50 percent of the total courses offered at that institution.

(4) If a course is part correspondence and part residential training, the Secretary considers the course to be a correspondence course.

Educational program: A legally authorized postsecondary program of organized instruction or study that leads to an academic, professional, or vocational degree, or certificate, or other recognized educational credential. However, the Secretary does not consider that an institution provides an educational program if the institution does not provide instruction itself (including a course of independent study), but merely gives credit for one or more of the following: instruction provided by other institutions or schools; examinations provided by agencies or organizations; or other accomplishments such as “life experience.”

Eligible institution: An institution that—

(i) Qualifies as—

(1) An institution of higher education, as defined in §600.4; (ii) A proprietary institution of higher education, as defined in §600.5; or (iii) A postsecondary vocational institution, as defined in §600.6; and

(2) Meets all the other applicable provisions of this part.

Federal Family Education Loan (FFEL) Programs: The loan programs (formerly called the Guaranteed Student Loan (GSL) programs) authorized by title IV-B of the HEA, including the Federal Stafford Loan, Federal PLUS, Federal Supplemental Loans for Students (Federal SLS), and Federal Consolidation Loan programs, in which lenders use their own funds to make loans to enable students or their parents to pay the costs of the students’ attendance at eligible institutions. The Federal Stafford Loan, Federal PLUS, Federal SLS, and Federal Consolidation Loan programs are defined in 34 CFR part 668.

Incarcerated student: A student who is serving a criminal sentence in a Federal, State, or local penitentiary, prison, jail, reformatory, work farm, or other similar correctional institution. A student is not considered incarcerated if that student is in a half-way house or home detention or is sentenced to serve only weekends.

Legally authorized: The legal status granted to an institution through a charter, license, or other written document issued by the appropriate agency or official of the State in which the institution is physically located.

Nationally recognized accrediting agency: An agency or association that the Secretary recognizes as a reliable authority to determine the quality of education or training offered by an institution or a program offered by an institution. The Secretary recognizes these agencies and associations under the provisions of 34 CFR part 602 and publishes a list of the recognized agencies in the Federal Register.

Nonprofit institution: An institution that—

(1) Is owned and operated by one or more nonprofit corporations or associations, no part of the net earnings of which benefits any private shareholder or individual;

(2) Is legally authorized to operate as a nonprofit organization by each State in which it is physically located; and
(3) Is determined by the U.S. Internal Revenue Service to be an organization to which contributions are tax-deductible in accordance with section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)).

One-academic-year training program: An educational program that is at least one academic year as defined under 34 CFR 668.2.

Preaccredited: A status that a nationally recognized accrediting agency, recognized by the Secretary to grant that status, has accorded an unaccredited public or private nonprofit institution that is progressing toward accreditation within a reasonable period of time.

Recognized equivalent of a high school diploma: The following are the equivalent of a high school diploma—

(1) A General Education Development Certificate (GED);

(2) A State certificate received by a student after the student has passed a State-authorized examination that the State recognizes as the equivalent of a high school diploma;

(3) An academic transcript of a student who has successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree; or

(4) For a person who is seeking enrollment in an educational program that leads to at least an associate degree or its equivalent and who has not completed high school but who excelled academically in high school, documentation that the student excelled academically in high school and has met the formalized, written policies of the institution for admitting such students.

Recognized occupation: An occupation that is—

(1) Listed in an “occupational division” of the latest edition of the Dictionary of Occupational Titles, published by the U.S. Department of Labor; or

(2) Determined by the Secretary in consultation with the Secretary of Labor to be a recognized occupation.

Regular student: A person who is enrolled or accepted for enrollment at an institution for the purpose of obtaining a degree, certificate, or other recognized educational credential offered by that institution.

Secretary: The Secretary of the Department of Education or an official or employee of the Department of Education acting for the Secretary under a delegation of authority.

State: A State of the Union, American Samoa, the Commonwealth of Puerto Rico, the District of Columbia, Guam, the Trust Territory of the Pacific Islands, the Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

Telecommunications course: A course offered in an award year principally through the use of television, audio, or computer transmission, including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, computer conferencing, or video cassettes or discs. The term does not include a course that is delivered using video cassettes or disc recordings unless that course is delivered to students physically attending classes at an institution providing the course during the same award year. If the course does not qualify as a telecommunications course it is considered to be a correspondence course, as provided for in paragraph (c) of the definition of correspondence course in this section.

Title IV, HEA program: Any of the student financial assistance programs listed in 34 CFR 668.1(c).

(Authority: 20 U.S.C. 1071 et seq., 1078±2, 1088, 1099b, 1099c, and 1141 and 26 U.S.C. 501(c).)

(i) The institution has been legally authorized to provide, and has provided, a continuous educational program to prepare students for gainful employment in a recognized occupation during the 24 months preceding the date of its eligibility application; and

(ii) The educational program that the institution provides on the date of its eligibility application is substantially the same in length and subject matter as the program that the institution provided during the 24 months preceding the date of its eligibility application.

(2)(i) The Secretary considers an institution to have provided a continuous educational program during the 24 months preceding the date of its eligibility application even if the institution did not provide that program during normal vacation periods, or periods when the institution temporarily closed due to a natural disaster that directly affected the institution or the institution’s students.

(ii) The Secretary considers an institution to have provided a continuous educational program during the 24 months preceding the date of its eligibility application even if the institution substantially changed the subject matter of the educational program it provided during that 24-month period because of new technology or the requirements of other Federal agencies.

(3) In determining whether an applicant institution satisfies the requirement contained in paragraph (b)(1) of this section, the Secretary—

(i) Counts any period during which the applicant institution qualified as a branch campus; and
(ii) Except as provided in paragraph (b)(3)(i) of this section, does not count any period during which the applicant institution was a part of another eligible proprietary institution of higher education, postsecondary vocational institution, or vocational school.

(c) An institution is physically located in a State if it has a campus or other instructional site in that State.

(ii) The title IV, HEA program funds included in the numerator do not include State Student Incentive Grant (SSIG) or Federal Work-Study (FWS) program funds. (The SSIG and FWS programs are defined in 34 CFR 668.2);
(iii) The title IV, HEA program funds included the numerator and revenue included the denominator do not include any refunds paid to or on behalf of students under the institution’s refund policy;
(iv) The amount charged for books, supplies, and equipment is not included in the numerator or the denominator unless the amount is included in tuition, fees, or other institutional charges;
(v) With regard to the numerator, any title IV, HEA program funds disbursed or delivered to or on behalf of a student shall be presumed to be used to pay the student’s tuition, fees, or other institutional charges, regardless of whether the institution credits those funds to the student’s account or pays those funds directly to the student, except for tuition, fees, and other institutional charges that were satisfied by—
(A) Grant funds provided by non-Federal public agencies, or private sources independent of the institution; or
(B) Funds provided under a contractual arrangement described in §600.7(d); and
(vi) With regard to the denominator, revenue generated by the institution from other activities conducted by the institution that are necessary for its students’ education or training includes only revenue for those activities that—
(A) Are conducted on campus or at a facility under the control of the institution;
(B) Are performed under the supervision of a member of the institution’s faculty; and
(C) Are required to be performed by all students in a specific educational program at the institution.

(e) [Reserved]

(f) Except as provided in paragraph (h) of this section, an institution shall notify the Secretary if it fails to satisfy the requirement contained in paragraph (a)(8) of this section within 90 days following the end of the fiscal year used in paragraph (d)(1) of this section.

(g) If an institution loses its eligibility because it failed to satisfy the requirement contained in paragraph
§ 600.6 Postsecondary vocational institution.

(a) A postsecondary vocational institution is a public or private nonprofit educational institution that—

(1) Is in a State;

(2) Admits as regular students only persons who—

(2) The Secretary does not recognize the accreditation of an institution unless the institution agrees to submit any dispute involving the final denial, withdrawal, or termination of accreditation to binding arbitration before initiating any other legal action.

(Approved by the Office of Management and Budget under control number 1840-0098)

(Authority: 20 U.S.C. 1088)

during normal vacation periods, or periods when the institution temporarily closed due to a natural disaster that affected the institution or the institution’s students.

(ii) The Secretary considers an institution to have satisfied the provisions of paragraph (b)(1)(ii) of this section if the institution substantially changed the subject matter of the educational program it provided during that 24-month period because of new technology or the requirements of other Federal agencies.

(3) In determining whether an applicant institution satisfies the requirement contained in paragraph (b)(1) of this section, the Secretary—

(i) Counts any period during which the applicant institution qualified as an eligible institution of higher education;

(ii) Counts any period during which the applicant institution was part of another eligible institution of higher education, provided that the applicant institution continues to be part of an eligible institution of higher education;

(iii) Counts any period during which the applicant institution qualified as a branch campus; and

(Authority: 20 U.S.C. 1088 and 1094(c)(3))

§ 600.7 Conditions of institutional eligibility.

(a) General rule. For purposes of title IV of the HEA, an educational institution that otherwise satisfies the requirements contained in §§ 600.4, 600.5, or 600.6 nevertheless does not qualify as an eligible institution under this part if—

(1) For its latest complete award year—

(i) More than 50 percent of the institution’s courses were correspondence courses as calculated under paragraph (b) of this section;

(ii) Fifty percent or more of the institution’s regular enrolled students were enrolled in correspondence courses;

(iii) Twenty-five percent or more of the institution’s regular enrolled students were incarcerated;

(iv) Fifty percent or more of its regular enrolled students had neither a high school diploma nor the recognized equivalent of a high school diploma, and the institution does not provide a four-year or two-year educational program for which it awards a bachelor’s degree or an associate degree, respectively;

(2) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management of policies of the institution—

(A) Files for relief in bankruptcy, or

(B) Has entered against it an order for relief in bankruptcy; or

(3) The institution, its owner, or its chief executive officer—

(i) Has pled guilty to, has pled no contest to, or is found guilty of, a crime involving the acquisition, use, or expenditure of title IV, HEA program funds; or

(ii) Has been judicially determined to have committed fraud involving title IV, HEA program funds.

(b) Special provisions regarding correspondence courses and students—(1) Treatment of telecommunications courses. For purposes of paragraphs (a)(1) (i) and (ii) of this section, the Secretary considers a telecommunications course to be a correspondence course if the sum of telecommunications courses and other correspondence courses the institution provided during that award year equaled or exceeded 50 percent of the total number of courses it provided during that year.

(2) Calculating the number of courses. For purposes of paragraphs (a)(1) (i) and (ii) of this section—
(i) A correspondence course may be a complete educational program offered by correspondence, or one course provided by correspondence in an on-campus (residential) educational program;

(ii) A course must be considered as being offered once during an award year regardless of the number of times it is offered during that year; and

(iii) A course that is offered both on campus and by correspondence must be considered two courses for the purpose of determining the total number of courses the institution provided during an award year.

(3) Exceptions. (i) The provisions contained in paragraphs (a)(1)(i) and (ii) of this section do not apply to an institution that qualifies as a "technical institute or vocational school used exclusively or principally for the provision of vocational education to individuals who have completed or left high school and who are available for study in preparation for entering the labor market" under section 521(4)(C) of the Carl D. Perkins Vocational and Applied Technology Education Act.

(ii) The Secretary waives the limitation contained in paragraph (a)(1)(ii) of this section for an institution that offers a 2-year associate-degree or a 4-year bachelor's-degree program if the students enrolled in the institution's correspondence courses receive no more than 5 percent of the title IV, HEA program funds received by students at that institution.

(c) Special provisions regarding incarcerated students—(1) Exception. The Secretary may waive the prohibition contained in paragraph (a)(1)(iii) of this section, upon the application of an institution, if the institution is a nonprofit institution that provides four-year or two-year educational programs for which it awards bachelor's or associate degrees, respectively.

(2) If the nonprofit institution that applies for a waiver consists solely of four-year or two-year educational programs for which it offers bachelor's or associate degrees, respectively, or both types of programs, the Secretary waives the prohibition contained in paragraph (a)(1)(iii) of this section—

(i) For the four-year and two-year programs that lead, respectively, to bachelor's and associate degrees; and

(ii) For the other programs the institution offers, if the incarcerated regular students enrolled in those other programs have a completion rate of 50 percent or greater.

(d) Special provision for a nonprofit institution if more than 50 percent of its enrollment consists of students who do not have a high school diploma or its equivalent. (1) Subject to the provisions contained in paragraphs (d)(2) and (d)(3) of this section, the Secretary waives the limitation contained in paragraph (a)(1)(iv) of this section for a nonprofit institution if that institution demonstrates to the Secretary's satisfaction that it exceeds that limitation because it serves, through contracts with Federal, State, or local government agencies, significant numbers of students who do not have a high school diploma or its recognized equivalent.

(2) Number of critical students. The Secretary grants a waiver under paragraph (d)(1) of this section only if no more than 40 percent of the institution's enrollment of regular students consists of students who—

(i) Do not have a high school diploma or its equivalent; and

(ii) Are not served through contracts described in paragraph (d)(3) of this section.

(3) Contracts with Federal, State, or local government agencies. For purposes of granting a waiver under paragraph (d)(1) of this section, the contracts referred to must be with Federal, State, or local government agencies for the purpose of providing job training to low-income individuals who are in need of that training. An example of such a contract is a job training contract under the Job Training Partnership Act (JPTA).

(e) Special provisions. (1) For purposes of paragraph (a)(1) of this section, when counting regular students, the institution shall—
(i) Count each regular student without regard to the full-time or part-time nature of the student’s attendance (i.e., “head count” rather than “full-time equivalent”);

(ii) Count a regular student once regardless of the number of times the student enrolls during an award year; and

(iii) Determine the number of regular students who enrolled in the institution during the relevant award year by—

(A) Calculating the number of regular students who enrolled during that award year; and

(B) Excluding from the number of students in paragraph (e)(1)(iii)(A) of this section, the number of regular students who enrolled but subsequently withdrew or were expelled from the institution and were entitled to receive a 100 percent refund of their tuition and fees less any administrative fee that the institution is permitted to keep under its fair and equitable refund policy.

(2) For the purpose of calculating a completion rate under paragraph (c)(3)(ii) of this section, the institution shall—

(i) Determine the number of regular incarcerated students who enrolled in the other programs during the last completed award year;

(ii) Exclude from the number of regular incarcerated students determined in paragraph (e)(2)(i) of this section, the number of those students who enrolled but subsequently withdrew or were expelled from the institution and were entitled to receive a 100 percent refund of their tuition and fees, less any administrative fee the institution is permitted to keep under its fair and equitable refund policy;

(iii) Exclude from the total obtained in paragraph (e)(2)(ii) of this section, the number of those regular incarcerated students who remained enrolled in the programs at the end of the applicable award year;

(iv) From the total obtained in paragraph (e)(2)(iii) of this section, determine the number of regular incarcerated students who received a degree, certificate, or other recognized educational credential awarded for successfully completing the program during the applicable award year; and

(v) Divide the total obtained in paragraph (e)(2)(iv) of this section by the total obtained in paragraph (e)(2)(iii) of this section and multiply by 100.

(f)(1) If the Secretary grants a waiver to an institution under this section, the waiver extends indefinitely provided that the institution satisfies the waiver requirements in each award year.

(2) If an institution fails to satisfy the waiver requirements for an award year, the institution becomes ineligible on June 30 of that award year.

(g)(1) For purposes of paragraph (a)(1) of this section, and any applicable waiver or exception under this section, the institution shall substantiate the required calculations by having the certified public accountant who prepares its audited financial statement under 34 CFR 668.15 or its title IV, HEA program compliance audit under 34 CFR 668.23 report on the accuracy of those determinations.

(2) The certified public accountant’s report must be based on performing an “attestation engagement” in accordance with the American Institute of Certified Public Accountants (AICPA’s) Statement on Standards for Attestation Engagements. The certified public accountant shall include that attestation report with or as part of the audit report referenced in paragraph (g)(1) of this section.

(3) The certified public accountant’s attestation report must indicate whether the institution’s determinations regarding paragraph (a)(1) of this section and any relevant waiver or exception under paragraphs (b), (c), and (d) of this section are accurate; i.e., fairly presented in all material respects.

(h) Notice to the Secretary. An institution shall notify the Secretary—

(1) By July 31 following the end of an award year if it falls within one of the prohibitions contained in paragraph (a)(1) of this section, or fails to continue to satisfy a waiver or exception granted under this section; or

(2) Within 10 days if it falls within one of the prohibitions contained in paragraphs (a)(2) or (a)(3) of this section.
§ 600.8 Regaining eligibility. (1) If an institution loses its eligibility because of one of the prohibitions contained in paragraph (a)(1) of this section, to regain its eligibility, it must demonstrate—

(i) Compliance with all eligibility requirements;

(ii) That it did not fall within any of the prohibitions contained in paragraph (a)(1) of this section for at least one award year; and

(iii) That it changed its administrative policies and practices to ensure that it will not fall within any of the prohibitions contained in paragraph (a)(1) of this section.

(2) If an institution loses its eligibility because of one of the prohibitions contained in paragraphs (a)(2) and (a)(3) of this section, this loss is permanent. The institution’s eligibility cannot be reinstated.

§ 600.9 Written agreement between an eligible institution and another institution or organization.

(a) Without losing its eligibility under this part, an eligible institution may enter into a written agreement with another eligible institution under which the latter institution or organization provides a part of the educational program of students enrolled in the eligible institution if—

(1) The eligible institution gives credit to students enrolled in that contracted program on the same basis as if it provided that program itself;

(2) The ineligible institution or organization—

(i) Has not been terminated from participation in the title IV, HEA programs; or

(ii) Has not withdrawn from participation in the title IV, HEA programs under a termination, show-cause, suspension, or similar type proceeding initiated by the institution’s State licensing agency, accrediting agency, guarantor, or by the Secretary; and

(3) The ineligible institution or organization provides—

(i) Not more than 25 percent of the educational program of a student enrolled in the eligible institution; or

(ii) More than 25 percent but not more than 50 percent of the educational program of a student enrolled in the eligible institution so long as—

(A) The eligible institution and the ineligible institution or organization are not owned or controlled by the same individual, partnership, or corporation; and

(B) The eligible institution’s accrediting agency or, if the eligible institution is a public postsecondary vocational educational institution, the relevant State agency listed in the FEDERAL REGISTER in accordance with 34 CFR part 603, specifically determines that the institution’s agreement meets the agency’s standards for the contracting out of educational services.

[59 FR 22336, Apr. 29, 1994, as amended at 63 FR 40622, July 29, 1998]

§ 600.10 Date, extent, duration, and consequence of eligibility.

(a) Date of eligibility. (1) If the Secretary determines that an applicant institution satisfies all the statutory and regulatory eligibility requirements, the Secretary considers the institution to be an eligible institution as of the date—
(i) The Secretary signs the institution's program participation agreement described in 34 CFR part 668, subpart B, for purposes of participating in any title IV, HEA program; and

(ii) The Secretary receives all the information necessary to make that determination for purposes other than participating in any title IV, HEA program.

(2) For purposes of participating in a title IV, HEA program, if an eligible institution seeks eligibility for a location or educational program not previously designated eligible, and the Secretary determines that the location or educational program satisfies all the statutory and regulatory eligibility requirements, the Secretary considers the location or program to be eligible to participate in that title IV, HEA program as of the date the Secretary certifies that location or program to so participate.

(b) Extent of eligibility. (1) If the Secretary determines that the entire applicant institution, including all its locations and all its educational programs, satisfies the applicable requirements of this part, the Secretary extends eligibility to all educational programs and locations identified on the institution's application for eligibility.

(2) If the Secretary determines that only certain educational programs or certain locations of an applicant institution satisfy the applicable requirements of this part, the Secretary extends eligibility only to those educational programs and locations that meet those requirements and identifies the eligible educational programs and locations in the eligibility notice sent to the institution under §600.21.

(3) Eligibility does not extend to any location that an institution establishes after it receives its eligibility designation if the institution provides at least 50 percent of an educational program at that location, unless—

(i) The institution has notified the Secretary of that location in accordance with §600.30(a)(3); and

(ii) The Secretary does not require the institution to submit an eligibility application for that location under §600.21(c).

(c) Subsequent additions of educational programs. (1) Except as provided in paragraph (c)(2) of this section, if an eligible institution adds an educational program after it has been designated as an eligible institution by the Secretary, the institution must apply to the Secretary to have that additional program designated as an eligible program of that institution.

(2) An eligible institution that adds an educational program after it has been designated as an eligible institution by the Secretary does not have to apply to the Secretary to have that additional program designated as an eligible program of that institution if the additional program—

(i) Leads to a bachelor's degree; or

(ii)(A) Prepares students for gainful employment in the same or related recognized occupation as an educational program that has previously been designated as an eligible program at that institution by the Secretary; and

(B) Is at least 8 semester hours, 12 quarter hours, or 600 clock hours.

(3) If an institution incorrectly determines under paragraph (c)(2) of this section that an educational program satisfies the applicable statutory and regulatory eligibility provisions without applying to the Secretary for approval, the institution is liable to repay to the Secretary all HEA program funds received by the institution for that educational program, and all the title IV, HEA program funds received by or on behalf of students who were enrolled in that educational program.

(d) Duration of eligibility. (1) If an institution participates in the title IV, HEA programs, the Secretary's designation of the institution as an eligible institution under the title IV, HEA programs expires when the institution's program participation agreement, as described in 34 CFR part 668, subpart B, expires.

(2) If an institution participates in an HEA program other than a title IV, HEA program, the Secretary's designation of the institution as an eligible institution, for purposes of that non-title IV, HEA program, does not expire as long as the institution continues to satisfy the statutory and regulatory requirements governing its eligibility.
(e) Consequence of eligibility. (1) If, as a part of its institutional eligibility application, an institution indicates that it wishes to participate in a title IV, HEA program and the Secretary determines that the institution satisfies the applicable statutory and regulatory requirements governing institutional eligibility, the Secretary will determine whether the institution satisfies the standards of administrative capability and financial responsibility contained in 34 CFR part 668, subpart B.

(2) If, as part of its institutional eligibility application, an institution indicates that it does not wish to participate in any title IV, HEA program and the Secretary determines that the institution satisfies the applicable statutory and regulatory requirements governing institutional eligibility, the institution is eligible to apply to participate in any HEA program listed by the Secretary in the eligibility notice it receives under §600.21. However, the institution is not eligible to participate in those programs, or receive funds under those programs, merely by virtue of its designation as an eligible institution under this part.

§600.11 Special rules regarding institutional accreditation or preaccreditation.

(a) Change of accrediting agencies. For purposes of §§600.4(a)(5)(i), 600.5(a)(6), and 600.6(a)(5)(i), the Secretary does not recognize the accreditation or preaccreditation of an otherwise eligible institution if that institution is in the process of changing its accrediting agency, unless the institution provides to the Secretary—

(1) All materials related to its prior accreditation or preaccreditation; and

(2) Materials demonstrating reasonable cause for changing its accrediting agency.

(b) Multiple accreditation. The Secretary does not recognize the accreditation or preaccreditation of an otherwise eligible institution if that institution is accredited or preaccredited as an institution by more than one accrediting agency, unless the institution—

(1) Provides to each such accrediting agency and the Secretary the reasons for that multiple accreditation or preaccreditation;

(2) Demonstrates to the Secretary reasonable cause for that multiple accreditation or preaccreditation; and

(3) Designates to the Secretary which agency’s accreditation or preaccreditation the institution uses to establish its eligibility under this part.

(c) Loss of accreditation or preaccreditation. (1) An institution may not be considered eligible for 24 months after it has had its accreditation or preaccreditation withdrawn, revoked, or otherwise terminated for cause, unless the accrediting agency that took that action rescinds that action.

(2) An institution may not be considered eligible for 24 months after it has withdrawn voluntarily from its accreditation or preaccreditation status under a show-cause or suspension order issued by an accrediting agency, unless that agency rescinds its order.

(d) Religious exception. (1) If an otherwise eligible institution loses its accreditation or preaccreditation, the Secretary considers the institution to be accredited or preaccredited for purposes of complying with the provisions of §§600.4, 600.5, and 600.6 if the Secretary determines that its loss of accreditation or preaccreditation—

(i) Is related to the religious mission or affiliation of the institution; and

(ii) Is not related to its failure to satisfy the accrediting agency’s standards.

(2) If the Secretary considers an unaccredited institution to be accredited or preaccredited under the provisions of paragraph (d)(1) of this section, the Secretary will consider that unaccredited institution to be accredited or preaccredited for a period sufficient to allow the institution to obtain alternative accreditation or preaccreditation, except that period may not exceed 18 months.

§600.31 Change in ownership resulting in a change of control.

(a) General. (1) An institution that undergoes a change in ownership that results in a change of control ceases to qualify as an eligible institution upon the change in ownership and control. A change in ownership that results in a change in control includes any change by which a person who has or thereby acquires an ownership interest in the entity that owns this institution or the parent corporation of that entity, acquires or loses the ability to control the institution.

(2) In order to reestablish eligibility and to resume participation in the title IV, HEA programs, the institution must demonstrate to the Secretary that after the change in ownership and control—

(i) The institution satisfies all the applicable requirements contained in §§600.4, 600.5, and 600.6, except that if the institution is a proprietary institution of higher education or postsecondary vocational institution, it need not have been in existence for two years before seeking eligibility; and

(ii) The institution qualifies to be certified to participate under 34 CFR part 668, subpart B.

(b) Definitions. The following definitions apply to terms used in this section:

Closely-held corporation. Closely-held corporation (including the term close corporation) means—

(iii) A person who holds or controls 50 percent or more of the total outstanding stock of the corporation ceases to hold or control that proportion of the stock of the corporation.
(2) Publicly-traded corporation required to be registered with the Securities and Exchange Commission (SEC). A change in ownership and control occurs when a change of control of the corporation takes place that gives rise to the obligation to file a Form 8K with the SEC notifying that agency of the change in control.

(3) Other corporations. A change in ownership and control of a corporation that is neither closely-held nor required to be registered with the SEC occurs when—

(i) A person who has or acquires an ownership interest acquires both control of at least 25 percent of the total outstanding voting stock of the corporation and control of the corporation;

(iii) For a membership corporation, a person who is or becomes a member acquires or loses control of 25 percent of the voting interests of the corporation and control of the corporation.

(4) Partnership or sole proprietorship. A change in ownership and control occurs when a person who has or acquires an ownership interest acquires or loses control as described in this section.

(5) Parent corporation. An institution that is a wholly-owned subsidiary changes ownership and control when the parent corporation changes ownership and control as described in this section.

(6) Nonprofit corporation or association. An institution that is owned by a nonprofit corporation or association changes ownership and control when a change specifically described in this paragraph (c) takes place.

(2) A person with an ownership interest in the institution who has been involved in management of the institution for at least two years preceding the transfer.

(f) Transfers subject to contingency. An institution may submit and have considered an application for a designation of eligibility and for certification under 34 CFR part 668, subpart B, only when the transfer has been completed. A transfer is complete for purposes of this section when the transfer is otherwise final but is subject to the condition subsequent that the institution obtain approval from the Secretary, the accrediting agency, or State licensing authority after the transfer. A transfer otherwise complete is not considered incomplete or contingent where the transferor retains a interest in the

(b) To qualify as an eligible location, an additional location is not required to satisfy the two-year requirement of §§ 600.5(a)(7) or 600.6(a)(6), unless—

(1) The location was a facility of another institution that has closed or ceased to provide educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution or the institution’s students;

(2) The applicant institution acquired, either directly from the institution that closed or ceased to provide educational programs, or through an intermediary, the assets at the location; and

(3) The institution from which the applicant institution acquired the assets of the location—

(c) Notwithstanding paragraph (b) of this section, an additional location is not required to satisfy the two-year requirement of § 600.5(a)(7) or § 600.6(a)(6) if the applicant institution agrees—

(1) To be liable for all improperly expended or unspent Title IV, HEA program funds received by the institution that has closed or ceased to provide educational programs;

(2) To be liable for all unpaid refunds owed to students who received Title IV, HEA program funds; and

(c)(1) An action to terminate and limit the eligibility of an institution as a whole or as to any of its locations or educational programs is initiated in accordance with 34 CFR 668.86(b) and becomes final 20 days after the Secretary notifies the institution of the proposed action, unless the designated department official receives by that date a request for a hearing or written material that demonstrates that the termination and limitation should not take place.

(2) Once a termination under this section becomes final, the termination is effective with respect to any commitment, delivery, or disbursement of funds provided under an applicable title IV, HEA program by the institution—

(i) Made to students enrolled in the ineligible institution, location, or educational program; and

(ii) Made on or after the date of the act or omission that caused the loss of eligibility as to the institution, location, or educational program.

(i) Made after the date on which the limitation became final; and

(ii) Made to students enrolled in the ineligible institution, location, or educational program.

(d) After a termination under this section of the eligibility of an institution as a whole or as to a location or educational program becomes final, the institution may not certify applications for, make awards of or commitments for, deliver, or disburse funds under the applicable title IV, HEA program, except—

(1) In accordance with the requirements of 34 CFR 668.26(c) with respect to students enrolled in the ineligible institution, location, or educational program; and

The presiding official has no authority to consider challenges to the action of the accrediting agency.

(2) If the basis for the loss of eligibility is the loss of legal authorization, the sole issue is whether the institution, location, or program has the requisite legal authorization. (iii) If the agency grants accreditation or preaccreditation to an institution notwithstanding the actions described in paragraph (a)(1)(ii) or (a)(1)(iii) of this section, the agency provides the Secretary a thorough explanation, consistent with its accreditation standards, why the previous action by a recognized institutional accrediting agency or the State does not preclude the agency's grant of accreditation or preaccreditation; and

(iv) If a recognized institutional accrediting agency takes an adverse action with respect to a dually-accredited program, the agency promptly reviews its accreditation or preaccreditation of the institution to determine if it should also take adverse action against the institution.

(i) The agency does not renew, under the conditions described in paragraph (b) of this section, the accreditation or preaccreditation status of a program during any period in which the institution offering the program—

(B) A State agency that has suspended, revoked, or terminated the institution’s legal authority to provide postsecondary education;

(iii) If the agency grants accreditation or preaccreditation to a program notwithstanding the actions described in paragraph (a)(2)(ii) of this section, the agency provides to the Secretary a thorough explanation, consistent with its accreditation standards, why the previous action by a recognized institutional accrediting agency or the State does not preclude the agency’s grant of accreditation or preaccreditation; and

(iv) If a recognized institutional accrediting agency takes adverse action with respect to the institution offering the program or places the institution on public probationary status, the agency promptly reviews its accreditation or preaccreditation of the program to determine if it should take adverse action against the program.

(3) The agency routinely shares with other appropriate recognized accrediting agencies and State agencies information about the accreditation or preaccreditation status of an institution or program and any adverse actions it has taken against an accredited or preaccredited institution or program.

(viii) Performs no function that would be inconsistent with the formation of an independent judgment of the quality of an educational institution or program;

(ix) Has written procedures for the review of complaints pertaining to institutional or program quality as these relate to the agency's standards, and demonstrates that such procedures are adequate to provide timely treatment of such complaints in a manner fair and equitable to the complainant and to the institution or program;

(b) The Secretary may waive the requirement contained in paragraph (a) of this section if the institution demonstrates that—

(1) The State provides more than 30 percent of the institution’s budget and the institution charges not more than $99.00 for tuition and fees for an academic year;

(c) The Secretary may waive the requirement contained in paragraph (a) of this section, if the Secretary determines, based upon persuasive evidence provided by the institution, that—

(1) The institution's failure to satisfy the criteria in paragraph (a) of this section was due to factors which, if used in determining compliance with those criteria, distorted that determination; and

(2) The institution's designation as an eligible institution under this part is otherwise consistent with the purposes of this part.

(d) For the purpose of paragraph (c)(1) of this section, the Secretary considers that the following factors may distort an institution's educational and general expenditures per full-time equivalent undergraduate student—

(2) Location of the institution in an unusually high cost-of-living area;

(4) An increase in State funding that was part of a desegregation plan for higher education; or

\]

(4) Adding the amounts obtained in paragraphs (a)(1), (a)(2), and (a)(3) of this section.

(b)(1) For each fiscal year, the numerator in paragraph (a)(3) of this section is calculated by—

(c) Notwithstanding the formula in paragraph (a) of this section—
   (1) For each fiscal year, each eligible institution with an approved application must receive at least $500,000; and
   (2) If the amount appropriated for a fiscal year for the HBCU Program is insufficient to provide $500,000 to each eligible institution with an approved application, each grant is ratably reduced. If additional funds become available for the HBCU Program during a fiscal year, each grant is increased on the same basis as it was decreased until the grant amount reaches $500,000.

(d) The amount of any grant that the Secretary determines will not be required by a grantee for the period for which the grant was made is available for reallocation by the Secretary during that period to other eligible institutions under the formula contained in paragraph (a) of this section.

set forth in paragraphs (a)(1) through (a)(5) of this section.

(1) In measuring an applicant’s dollar increase in its endowment and quasi-endowment funds, the Secretary—

(i) Subtracts from an amount equal to the market value of the applicant’s endowment and quasi-endowment funds at the end of the four-year period described in paragraph (a) of this section an amount equal to the market value of the applicant’s endowment and quasi-endowment funds at the beginning of that four-year period; and

(ii) Divides the result obtained in paragraph (a)(1)(i) of this section by the applicant’s full-time equivalent enrollment at the end of the four-year period.

(2) The Secretary awards points on a sliding scale giving 10 points to applicants with the highest dollar increase as calculated in paragraph (a)(1) of this section and no points to applicants with the lowest dollar increase.

(3) In measuring an applicant’s relative increase in market value of its endowment and quasi-endowment funds, the Secretary—

(i) Divides an amount equal to the market value of the applicant’s endowment and quasi-endowment funds at the beginning of the four-year period described in paragraph (a) of this section by the applicant’s full-time equivalent enrollment at the end of the four-year period.

(ii) Adds $50 to the amount obtained in paragraph (a)(3)(i) of this section.

(iii) Divides the result obtained in paragraph (a)(1)(ii) of this section by the amount obtained in paragraph (a)(3)(ii) of this section.

(5) In measuring the applicant’s past effort, the Secretary—

(i) Excludes real estate from being considered as part of the applicant’s existing endowment or quasi-endowment fund; and

(ii) Includes an endowment or quasi-endowment fund operated by a foundation if the foundation is tax-exempt and was established for the purpose of raising money for the institution.

(b) The Secretary considers the degree of proposed nongovernmental matching funds. (Total: 15 points maximum for the highest proposed percentage)

(2) If an applicant is applying for an endowment challenge grant for the first time, the Secretary multiplies the maximum number of points (i.e., 15 points) on this criterion times the following fraction:

\[
\text{Amount of matching funds proposed from nongovernmental sources} / \text{Total proposed amount of matching funds}
\]

(3) If an applicant has previously received an endowment challenge grant, the Secretary uses the following formula in awarding points under this criterion:

(1) The Secretary gives up to 20 total points to an applicant with the greatest need for an endowment challenge grant under this part, as measured by the applicant’s lack of endowment funds.

(2) The Secretary gives up to 20 points to the applicant with the lowest market value, at the end of the applicant’s fiscal year preceding the year it applies for an endowment challenge grant, of its existing endowment and quasi-endowment fund in relation to the number of full-time equivalent students enrolled at the institution in the fall of the year preceding the year it applies for an endowment challenge grant.

(3) In measuring the applicant’s need for an endowment challenge grant, the Secretary excludes real estate from

(c) The Secretary considers the need for an endowment challenge grant as measured by the applicant’s lack of resources.

(1) The Secretary gives up to 50 points to applicants with the least resources as measured, at the end of the applicant’s fiscal year preceding the year it applies for an endowment challenge grant, by revenue per full-time equivalent student it receives from the sum of the following—

(i) Federal, State and local government appropriations;

(ii) Unrestricted Federal, State and local government grants and contracts;

(iii) Eighty percent of tuition and fees; and

(iv) Unrestricted and restricted “endowment income”.

(ii) The maximum score for all the criteria in § 645.32 is 15 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(b) The Secretary makes grants in rank order on the basis of the application's total scores under paragraphs (a)(1) and (a)(2) of this section.

(c) If the total scores of two or more applications are the same and there are insufficient funds for these applications after the approval of higher-ranked applications, the Secretary uses whatever remaining funds are available to serve geographic areas that have been underserved by the Upward Bound Program.

(d) The Secretary may decline to make a grant to an applicant that carried out a project that involved the fraudulent use of funds under section 402A(c)(2)(B) of the HEA.

§ 645.31 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application for a grant:

(a) Need for the project (24 points). In determining need for an Upward Bound project, the Secretary reviews each type of project (Regular, Math and Science, or Veterans) using different need criteria. The criteria for each type of project contain the same maximum score of 24 points and read as follows:

(1) The Secretary evaluates the need for a Regular Upward Bound project in the proposed target area on the basis of information contained in the application which clearly demonstrates that—

(i) The income level of families in the target area is low;

(ii) The education attainment level of adults in the target area is low;

(iii) Target high school dropout rates are high;

(iv) College-going rates in target high schools are low;

(v) Student/counselor ratios in the target high schools are high; and

(vi) Unaddressed academic, social and economic conditions in the target area pose serious problems for low-income, potentially first-generation college students.

(2) The Secretary evaluates the need for an Upward Bound Math and Science Center in the proposed target area on the basis of—

(i) The extent to which student performance on standardized achievement and assessment tests in mathematics and science in the target area is lower than State or national norms.

(ii) The extent to which potential participants attend schools in the target area that lack the resources and coursework that would help prepare
§ 645.31

persons for entry into postsecondary programs in mathematics, science, or engineering;

(iii) The extent to which such indicators as attendance data, dropout rates, college-going rates and student/counselor ratios in the target area indicate the importance of having additional educational opportunities available to low-income, first-generation students; and

(iv) The extent to which there are eligible students in the target area who have demonstrated interest and capacity to pursue academic programs and careers in mathematics and science, and who could benefit from an Upward Bound Math and Science program.

(3) The Secretary evaluates the need for a Veterans Upward Bound project in the proposed target area on the basis of clear evidence that shows—

(i) The proposed target area lacks the services for eligible veterans that the applicant proposes to provide;

(ii) A large number of veterans who reside in the target area are low income and potential first generation college students;

(iii) A large number of veterans who reside in the target area who have not completed high school or, have completed high school but have not enrolled in a program of postsecondary education; and

(iv) Other indicators of need for a Veterans Upward Bound project, including the presence of unaddressed academic or socio-economic problems of veterans in the area.

(b) Objectives (9 points). The Secretary evaluates the quality of the applicant’s proposed project objectives on the basis of the extent to which they—

(1) Include both process and outcome objectives relating to the purpose of the applicable Upward Bound programs for which they are applying;

(2) Address the needs of the target area or target population; and

(3) Are measurable, ambitious, and attainable over the life of the project.

(c) Plan of operation (30 points). The Secretary determines the quality of the applicant’s plan of operation by assessing the quality of—

(1) The plan to inform the faculty and staff at the applicant institution or agency and the interested individuals and organizations throughout the target area of the goals and objectives of the project;

(2) The plan for identifying, recruiting, and selecting participants to be served by the project;

(3) The plan for assessing individual participant needs and for monitoring the academic progress of participants while they are in Upward Bound;

§647.21 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application for a new grant:

(a) Need (16 Points). The Secretary reviews each application to determine the extent to which the applicant can clearly and definitively demonstrate the need for a McNair project to serve the target population. In particular, the Secretary looks for information that clearly defines the target population; describes the academic, financial and other problems that prevent potentially eligible project participants in the target population from completing baccalaureate programs and continuing to postbaccalaureate programs; and demonstrates that the project’s target population is underrepresented in graduate education, doctoral degrees conferred and careers where a doctorate is a prerequisite.

(b) Objectives (9 points). The Secretary evaluates the quality of the applicant’s proposed project objectives on the basis of the extent to which they—

(1) Include both process and outcome objectives relating to the purpose of the McNair program stated in §647.1;

(2) Address the needs of the target population; and

(3) Are measurable, ambitious, and attainable over the life of the project.

(c) Plan of Operation (44 points). The Secretary reviews each application to determine the quality of the applicant’s plans of operation, including—

(1) (4 points) The plan for identifying, recruiting and selecting participants to be served by the project, including students enrolled in the Student Support Services program;

(2) (4 points) The plan for assessing individual participant needs and for monitoring the academic growth of participants during the period in which the student is a McNair participant;

(3) (5 points) The plan for providing high-quality research and scholarly activities in which participants will be involved;

(4) (5 points) The plan for involving faculty members in the design of research activities in which students will be involved;

(5) (5 points) The plan for providing internships, seminars, and other educational activities designed to prepare undergraduate students for doctoral study;

(6) (5 points) The plan for providing individual or group services designed to enhance a student’s successful entry into postbaccalaureate education;

(7) (3 points) The plan to inform the institutional community of the goals and objectives of the project;

(8) (8 points) The plan to ensure proper and efficient administration of the project, including, but not limited to matters such as financial management, student records management, personnel management, the organizational structure, and the plan for coordinating the McNair project with other programs for disadvantaged students; and

(9) (5 points) The follow-up plan that will be used to track the academic and career accomplishments of participants after they are no longer participating in the McNair project.

(d) Quality of key personnel (9 points). The Secretary evaluates the quality of key personnel the applicant plans to use on the project on the basis of the following:
§ 647.22 How does the Secretary evaluate prior experience?

(a) The Secretary reviews information relating to an applicant's performance as a grantee under its expiring McNair project. In addition to the application under review, this information may be derived from performance reports, audit reports, site visit reports, and project evaluation reports received by the Secretary during the project period about to be completed.

(b) The Secretary evaluates the applicant's performance as a grantee on the basis of the following criteria:

1. (3 points) Whether the applicant consistently served the number and types of participants the project was funded to serve.

2. (4 points) Whether the applicant was successful in providing the participants with research and scholarly activities and whether those activities had an impact on project participants.

3. (8 points) The extent to which the applicant met or exceeded its funded objectives with regard to project participants as demonstrated by the number of participants who—

   (i) Attained a baccalaureate degree;
   (ii) Enrolled in a postbaccalaureate program; and
   (iii) Attained a doctoral level degree.

(Authority: 20 U.S.C. 1070a-11 and 1070a-15)

§ 647.23 How does the Secretary set the amount of a grant?

(a) The Secretary sets the amount of a grant on the basis of—

1. (3 points) Whether the applicant consistently served the number and types of participants the project was funded to serve.

2. (4 points) Whether the applicant was successful in providing the participants with research and scholarly activities and whether those activities had an impact on project participants.

3. (8 points) The extent to which the applicant met or exceeded its funded objectives with regard to project participants as demonstrated by the number of participants who—

   (i) Attained a baccalaureate degree;
   (ii) Enrolled in a postbaccalaureate program; and
   (iii) Attained a doctoral level degree.

(Authority: 20 U.S.C. 1070a-11)

(ii) If either one of the two individuals who is otherwise required to complete training under paragraph (a)(4)(i) of this section has previously completed Title IV, HEA program training provided or approved by the Secretary, the institution may elect to request an on-site Title IV, HEA program certification review by the Secretary instead of requiring that individual to complete again the Title IV, HEA program training provided or approved by the Secretary.

(iii) An institution may not begin participation in the applicable Title IV, HEA program or programs—

(A) in the case of an institution that requires individuals to complete training in accordance with paragraph (a)(4)(i) of this section, until the individuals complete the required training; or

(b) Period of participation. (1) If the Secretary certifies that an institution meets the standards of this subpart, the Secretary also specifies the period for which the institution may participate in a Title IV, HEA program. (2) Provided that an institution has submitted an application for a renewal of certification that is materially complete at least 90 days prior to the expiration of its current period of participation, the institution's existing certification will be extended on a month
§ 668.13

43 CFR Ch. VI (7–1–99 Edition)

(a) To a month basis following the expiration of the institution's period of participation until the end of the month in which the Secretary issues a decision on the application for recertification.

(c) Provisional certification. (1) The Secretary may provisionally certify an institution if—

(i) The institution seeks initial participation in a Title IV, HEA program;

(ii) The institution is an eligible institution that has undergone a change in ownership that results in a change in control according to the provisions of 34 CFR part 600;

(iii) The institution is a participating institution—

(C) Whose participation has been limited or suspended under subpart G of this part, or voluntarily enters into provisional certification;

(iv) The institution seeks a renewal of participation in a Title IV, HEA program after the expiration of a prior period of participation in that program;

(3) Notwithstanding the maximum periods of participation provided for in paragraph (c)(2) of this section, if the Secretary provisionally certifies an institution, the Secretary may specify a shorter period of participation for that institution.

(d) Revocation of provisional certification. (1) If, before the expiration of a provisionally certified institution's period of participation in a Title IV, HEA program, the Secretary determines that the institution is unable to meet its responsibilities under its program participation agreement, including compliance with any additional conditions specified in the institution's program participation agreement that the Secretary requires the institution to meet in order for the institution to participate under provisional certification.

(2)(i) If the Secretary revokes the provisional certification of an institution under paragraph (d)(1) of this section, the Secretary sends the institution a notice by certified mail, return receipt requested. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) The revocation takes effect on the date that the Secretary mails the notice to the institution.
(iii) The notice states the basis for the revocation, the consequences of the revocation to the institution, and that the institution may request the Secretary to reconsider the revocation. The consequences of a revocation are described in §668.26.

(3)(i) An institution may request reconsideration of a revocation under this section by submitting to the Secretary, within 20 days of the institution's receipt of the Secretary's notice, written evidence that the revocation is unwarranted. (ii) The filing date of the request is the date on which the request is—
(A) Hand-delivered;
(B) Mailed; or
(C) Sent by facsimile transmission.

(iii) Documents filed by facsimile transmission must be transmitted to the Secretary in accordance with instructions provided by the Secretary in the notice of revocation. An institution filing by facsimile transmission is responsible for confirming that a complete and legible copy of the document was received by the Secretary.

(iv) The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(4)(i) The designated department official making the decision concerning an institution's request for reconsideration of a revocation is different from, and not subject to supervision by, the official who initiated the revocation of the institution's provisional certification. The deciding official promptly considers an institution's request for reconsideration of a revocation and notifies the institution, by certified mail, return receipt requested, of the final decision. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) If the Secretary determines that the revocation is warranted, the Secretary’s notice informs the institution that the institution may apply for reinstatement of participation only after the later of the expiration of—
(A) Eighteen months after the effective date of the revocation; or
(B) A debarment or suspension of the institution under Executive Order (E.O.) 12549 (3 CFR, 1986 comp., p. 189) or the Federal Acquisition Regulations, 48 CFR part 9, subpart 9.4.

(iii) If the Secretary determines that the revocation of the institution's provisional certification is unwarranted, the Secretary’s notice informs the institution that the institution’s provisional certification is reinstated, effective on the date that the Secretary’s original revocation notice was mailed, for a specified period of time.

(5)(i) The mailing date of a notice of revocation or a request for reconsideration of a revocation is the date evidenced on the original receipt of mailing from the U.S. Postal Service.

(ii) The date on which a request for reconsideration of a revocation is submitted is—

The calculation of the acid test ratio shall exclude all unsecured or uncollateralized related party receivables;

(B) Has not had operating losses in either or both of its two latest fiscal years that in sum result in a decrease in tangible net worth in excess of 10 percent of the institution’s tangible net worth at the beginning of the first year of the two-year period. (2) Has not had, an excess of current fund expenditures over current fund revenues over both of its 2 latest fiscal years that results in a decrease exceeding 10 percent in either the unrestricted current fund balance or the unrestricted net assets at the beginning of the first year of the 2-year period. The Secretary may exclude from net changes in fund balances for the operating loss calculation: Extraordinary gains or losses; income or losses from discontinued operations; prior period adjustment; and the cumulative effect of changes in accounting principle. In calculating the institution's unrestricted current fund balance or the unrestricted net assets, the Secretary may include funds that are temporarily restricted in use by the institution's governing body that can be transferred to the current unrestricted fund or added to net unrestricted assets at the discretion of the governing body; or

(2) The institution’s net income, or a change in total net assets, before extraordinary items and discontinued operations, has not decreased by more than 10 percent from the prior fiscal year, unless the institution demonstrates that the decreased net income shown on the current financial

(B) Allocates all refunds in accordance with the order delineated in §668.22(h); and

(C) Provides a reliable mechanism for the State to replenish the fund should any claims arise that deplete the funds assets.

(2) The Secretary considers an institution to be financially responsible, even if the institution is not otherwise financially responsible under paragraphs (b)(1) through (4) and (b)(6) through (9) of this section, if the institution—

(i) Submits to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary equal to not less than one-half of the Title IV, HEA program funds received by the institution during the last complete award year for which figures are available; or

(ii) Establishes to the satisfaction of the Secretary, with the support of a financial statement submitted in accordance with paragraph (e) of this section, that the institution has sufficient resources to ensure against its precipitous closure, including the ability to meet all of its financial obligations (including refunds of institutional charges and repayments to the Secretary for liabilities and debts incurred in programs administered by the Secretary).
statement is a result of downsizing pursuant to a management-approved business plan;

(3) Loans and other advances to related parties have not increased from the prior fiscal year unless such increases were secured and collateralized, and do not exceed 10 percent of the prior fiscal year's working capital of the institution;

(4) The equity of a for-profit institution, or the total net assets of a non-profit institution, have not decreased by more than 10 percent of the prior year's total equity;

(5) Compensation for owners or other related parties (including bonuses, fringe benefits, employee stock option allowances, 401k contributions, deferred compensation allowances) has not increased from the prior year at a rate higher than for all other employees;

(6) The institution has not materially leveraged its assets or income by becoming a guarantor on any new loan or obligation on behalf of any related party;

(7) All obligations owed to the institution by related parties are current, and that the institution has demanded and is receiving payment of all funds owed from related parties that are payable upon demand. For purposes of this section, a person does not become a related party by attending an institution as a student;

(B) There have been no material findings in the institution's latest compliance audit of its administration of the Title IV HEA programs; and

(C) There are no pending administrative or legal actions being taken against the institution by the Secretary, any other Federal agency, the institution's nationally recognized accrediting agency, or any State entity.

(3) An institution is not required to meet the acid test ratio in paragraph (b)(7)(i)(A) or (b)(8)(i)(B) of this section if the institution is an institution that awards an associate or baccalaureate degree that demonstrates to the satisfaction of the Secretary that—

(i) There is no reasonable doubt as to its continued solvency and ability to deliver quality educational services;

(ii) It is current in its payment of all current liabilities, including student refunds, repayments to the Secretary, payroll, and payment of trade creditors and withholding taxes; and

(iii) It has substantial equity in institution-occupied facilities, the acquisition of which was the direct cause of its failure to meet the acid test ratio requirement.

(4) The Secretary may determine an institution to be financially responsible even if the institution is not otherwise financially responsible under paragraph (c)(1) of this section if—

(i) The institution notifies the Secretary, in accordance with 34 CFR 600.30, that the person referenced in paragraph (c)(1) of this section exercises substantial control over the institution; and

(ii)(A) The person repaid to the Secretary a portion of the applicable liability, and the portion repaid equals or exceeds the greater of—

(1) The total percentage of the ownership interest held in the institution by that person or any member or members of that person's family, either alone or in combination with one another;

(2) The total percentage of the ownership interest held in the institution by the person or any member or members of the person's family, either alone or in combination with one another, representatives or represented under a voting trust, power of attorney, proxy, or similar agreement; or

(3) Twenty-five percent, if the person or any member of the person's family is or was a member of the board of directors, chief executive officer, or other executive officer of the institution or servicer that owes the liability that the person or any member or members of the person's family, either alone or in combination with one another, represents or represented under a voting trust, power of attorney, proxy, or similar agreement;

(iii) Twenty-five percent, if the person who exercises substantial control over the institution should
§686.15 34 CFR Ch. VI (7–1–99 Edition)

nevertheless be considered to lack that control; or

(2) The person who exercises substantial control over the institution and each member of that person’s family nevertheless does not or did not exercise substantial control over the institution or servicer that owes the liability.

(e) [Reserved]

(f) Definitions and terms. For the purposes of this section—

(1)(i) An “ownership interest” is a share of the legal or beneficial ownership or control of, or a right to share in the proceeds of the operation of, an institution, institution’s parent corporation, a third-party servicer, or a third-party servicer’s parent corporation.

(ii) The term “ownership interest” includes, but is not limited to—

(A) An interest as tenant in common, joint tenant, or tenant by the entireties;

(B) A partnership; and

(C) An interest in a trust.

(iii) The term “ownership interest” does not include any share of the ownership or control of, or any right to share in the proceeds of the operation of—

(A) A mutual fund that is regularly and publicly traded;

(B) An institutional investor; or

(C) A profit-sharing plan, provided that all employees are covered by the plan;

(2) The Secretary generally considers a person to exercise substantial control over an institution or third-party servicer, if the person—

(i) Directly or indirectly holds at least a 25 percent ownership interest in the institution or servicer;

(ii) Holds, together with other members of his or her family, at least a 25 percent ownership interest in the institution or servicer;

(iii) Represents, either alone or together with other persons, under a voting trust, power of attorney, proxy, or similar agreement one or more persons who hold, either individually or in combination with the other persons represented or the person representing them, at least a 25 percent ownership in the institution or servicer; or

(iv) is a member of the board of directors, the chief executive officer, or other executive officer of—

(A) The institution or servicer; or

(B) An entity that holds at least a 25 percent ownership interest in the institution or servicer; and

(3) The Secretary considers a member of a person’s family to be a parent, sibling, spouse, child, spouse’s parent or sibling, or sibling’s or child’s spouse.

(g) Two-year performance requirement.

(1) The Secretary considers an institution to have satisfied the requirements in paragraph (d)(1)(C) of this section if the independent certified public accountant, or government auditor who conducted the institution’s compliance audits for the institution’s two most recently completed fiscal years, or the Secretary or a State or guaranty agency that conducted a review of the institution covering those fiscal years—

(i)(A) For either of those fiscal years, did not find in the sample of student records audited or reviewed that the institution made late refunds to 5 percent or more of the students in that sample. For purposes of determining the percentage of late refunds under this paragraph, the auditor or reviewer must include in the sample only those title IV, HEA program recipients who received or should have received a refund under §668.22; or

(B) The Secretary considers the institution to have satisfied the conditions in paragraph (g)(1)(i)(A) of this section if the auditor or reviewer finds in the sample of student records audited or reviewed that the institution made only one late refund to a student in that sample; and

(ii) For either of those fiscal years, did not note a material weakness or a reportable condition in the institution’s report on internal controls that is related to refunds.

(2) If the Secretary or a State or guaranty agency finds during a review conducted of the institution that the institution no longer qualifies for an exemption under paragraph (d)(1)(C) of this section, the institution must—

(i) Submit to the Secretary the irrevocable letter of credit required in paragraph (b)(5) of this section no later than 30 days after the Secretary or
State or guaranty agency notifies the institution of that finding; and
(ii) Notify the Secretary of the guaranty agency or State that conducted the review.

(3) If the auditor who conducted the institution's compliance audit finds that the institution no longer qualifies for an exemption under paragraph (d)(1)(C) of this section, the institution must submit to the Secretary the irrevocable letter of credit required in paragraph (b)(5) of this section no later than 30 days after the date the institution's compliance audit must be submitted to the Secretary.

(h) Foreign institutions. The Secretary makes a determination of financial responsibility for a foreign institution on the basis of financial statements submitted under the following requirements—

(1) If the institution received less than $500,000 U.S. in title IV, HEA program funds during its most recently completed fiscal year, the institution must submit its audited financial statement for that year. For purposes of this paragraph, the audited financial statements may be prepared under the auditing standards and accounting principles used in the institution's home country; or

(2) If the institution received $500,000 U.S. or more in title IV, HEA program funds during its most recently completed fiscal year, the institution must submit its audited financial statement in accordance with the requirements of §668.23, and satisfy the general standards of financial responsibility contained in this section.

§668.16 Standards of administrative capability.
To begin and to continue to participate in any Title IV, HEA program, an institution shall demonstrate to the Secretary that the institution is capable of adequately administering that program under each of the standards established in this section. The Secretary considers an institution to have that administrative capability if the institution—

(a) Administers the Title IV, HEA programs in accordance with all statutory provisions of or applicable to Title IV of the HEA, all applicable regulatory provisions prescribed under that statutory authority, and all applicable special arrangements, agreements, and limitations entered into under the authority of statutes applicable to Title IV of the HEA;

(b)(1) Designates a capable individual to be responsible for administering all the Title IV, HEA programs in which it participates and for coordinating those programs with the institution's other Federal and non-Federal programs of student financial assistance. The Secretary considers an individual to be "capable" under this paragraph if the individual is certified by the State in which the institution is located, if the State requires certification of financial aid administrators. The Secretary may consider other factors in determining whether an individual is capable, including, but not limited to, the individual's successful completion of Title IV, HEA program training provided or approved by the Secretary, and previous experience and documented success in administering the Title IV, HEA programs properly;

(2) Uses an adequate number of qualified persons to administer the Title IV, HEA programs in which the institution participates. The Secretary considers the following factors to determine whether an institution uses an adequate number of qualified persons—

(i) The number and types of programs in which the institution participates;

(ii) The number of applications evaluated;

(iii) The number of students who receive any student financial assistance at the institution and the amount of funds administered;

(iv) The financial aid delivery system used by the institution;

(v) The degree of office automation used by the institution in the administration of the Title IV, HEA programs;
(vi) The number and distribution of financial aid staff; and
(vii) The use of third-party servicers to aid in the administration of the Title IV, HEA programs;

(3) Communicates to the individual designated to be responsible for administering Title IV, HEA programs, all the information received by any institutional office that bears on a student’s eligibility for Title IV, HEA program assistance; and

(4) Has written procedures for or written information indicating the responsibilities of the various offices with respect to the approval, disbursement, and delivery of Title IV, HEA program assistance and the preparation and submission of reports to the Secretary;

(c)(1) Administers Title IV, HEA programs with adequate checks and balances in its system of internal controls; and

(2) Divides the functions of authorizing payments and disbursing or delivering funds so that no office has responsibility for both functions with respect to any particular student aided under the programs. For example, the functions of authorizing payments and disbursing or delivering funds must be divided so that for any particular student aided under the programs, the two functions are carried out by at least two organizationally independent individuals who are not members of the same family, as defined in §668.15, or who do not together exercise substantial control, as defined in §668.15, over the institution;

(d) Establishes and maintains records required under this part and the individual Title IV, HEA program regulations;

(e) For purposes of determining student eligibility for assistance under a Title IV, HEA program, establishes, publishes, and applies reasonable standards for measuring whether an otherwise eligible student is maintaining satisfactory progress in his or her educational program. The Secretary considers an institution’s standards to be reasonable if the standards—

(1) Are the same as or stricter than the institution’s standards for a student enrolled in the same educational program who is not receiving assistance under a Title IV, HEA program;

(2) Include the following elements:

(i) A qualitative component which consists of grades (provided that the standards meet or exceed the requirements of §668.34), work projects completed, or comparable factors that are measurable against a norm.

(ii) A quantitative component that consists of a maximum timeframe in which a student must complete his or her educational program. The timeframe must—

(A) For an undergraduate program, be no longer than 150 percent of the published length of the educational program measured in academic years, terms, credit hours attempted, clock hours completed, etc. as appropriate;

(B) Be divided into increments, not to exceed the lesser of one academic year or one-half the published length of the educational program;

(C) Include a schedule established by the institution designating the minimum percentage or amount of work that a student must successfully complete at the end of each increment to complete his or her educational program within the maximum timeframe; and

(D) Include specific policies defining the effect of course incompletes, withdrawals, repetitions, and noncredit remedial courses on satisfactory progress;

(3) Provide for consistent application of standards to all students within categories of students, e.g., full-time, part-time, undergraduate, and graduate students, and educational programs established by the institution;

(4) Provide for a determination at the end of each increment by the institution as to whether the student has met the qualitative and quantitative components of the standards (as provided for in paragraphs (e)(2)(i) and (ii) of this section);

(5) Provide specific procedures under which a student may appeal a determination that the student is not making satisfactory progress; and

(6) Provide specific procedures for a student to re-establish that he or she is maintaining satisfactory progress.
(f) Develops and applies an adequate system to identify and resolve discrepancies in the information that the institution receives from different sources with respect to a student's application for financial aid under Title IV, HEA programs. In determining whether the institution's system is adequate, the Secretary considers whether the institution obtains and reviews—

(1) All student aid applications, need analysis documents, Statements of Educational Purpose, Statements of Registration Status, and eligibility notification documents presented by or on behalf of each applicant;

(2) Any documents, including any copies of State and Federal income tax returns, that are normally collected by the institution to verify information received from the student or other sources; and

(3) Any other information normally available to the institution regarding a student's social security number, or other factors relating to the student's eligibility for funds under the Title IV, HEA programs;

(g) Refers to the Office of Inspector General of the Department of Education for investigation—

(1) After conducting the review of an application provided for under paragraph (f) of this section, any credible information indicating that an applicant for Title IV, HEA program assistance may have engaged in fraud or other criminal misconduct in connection with his or her application. The type of information that an institution must refer is that which is relevant to the eligibility and funding of the institution and its students through the Title IV, HEA programs;

(h) Provides adequate financial aid counseling to eligible students who apply for Title IV, HEA program assistance. In determining whether an institution provides adequate counseling, the Secretary considers whether its counseling includes information regarding—

(1) The source and amount of each type of aid offered;

(2) The method by which aid is determined and disbursed, delivered, or applied to a student's account; and

(3) The rights and responsibilities of the student with respect to enrollment at the institution and receipt of financial aid. This information includes the institution's refund policy, its standards of satisfactory progress, and other conditions that may alter the student's aid package;

(i) Has provided all program and fiscal reports and financial statements required for compliance with the provisions of this part and the individual program regulations in a timely manner;

(j) Shows no evidence of significant problems that affect, as determined by the Secretary, the institution's ability to administer a Title IV, HEA program and that are identified in—

(1) Reviews of the institution conducted by the Secretary, the Department of Education's Office of Inspector General, nationally recognized accrediting agencies, guaranty agencies as defined in 34 CFR part 682, the State agency or official by whose authority the institution is legally authorized to provide postsecondary education, or any other law enforcement agency; or

(2) Any findings made in any criminal, civil, or administrative proceeding;

(k) Is not, and does not have any principal or affiliate of the institution
§ 668.17  Default reduction and prevention measures.

(a) Default rates. (1) If the FFEL Program cohort default rate, Direct Loan Program cohort rate, or if applicable, weighted average cohort rate for an institution exceeds 20 percent for any fiscal year, the Secretary notifies the institution of that rate.

(2) The Secretary may initiate a proceeding under subpart G of this part to limit, suspend, or terminate the participation of an institution in the Title IV, HEA programs, if the institution has an FFEL Program cohort default rate, Direct Loan Program cohort rate, or a weighted average cohort rate that exceeds 40 percent for any fiscal year.

(3) Unless an institution is subject to loss of eligibility to participate in the FFEL Program under paragraph (b)(1) of this section, the Secretary initiates a proceeding under subpart G of this part to limit, suspend, or terminate an institution’s participation in the FFEL Program if the institution, for each of the three most recent consecutive fiscal years, has any combination of an FFEL Program cohort default rate, Direct Loan Program cohort rate, or a weighted average cohort rate that is equal to or greater than 25 percent.

(4) The Secretary may require an institution that meets the criteria under paragraph (a)(2) of this section to submit to the Secretary, within a timeframe determined by the Secretary, any reasonable information to help the Secretary determine the institution’s compliance with the Secretary’s requirements.

(n) Does not otherwise appear to lack the ability to administer the Title IV, HEA programs competently; and

(o) Participates in the electronic processes that the Secretary—

(1) Provides at no substantial charge to the institution; and

(2) Identifies through a notice published in the FEDERAL REGISTER.

(Approved by the Office of Management and Budget under control number 1840-0537)

§ 668.17

(34 CFR Ch. VI (7–1–99 Edition))

(as those terms are defined in 34 CFR part 85) that is—

(1) Debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(2) Engaging in any activity that is a cause under 34 CFR 85.305 or 85.405 for debarment or suspension under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4;

(i) For an institution that seeks initial participation in a Title IV, HEA program, does not have more than 33 percent of its undergraduate regular students withdraw from the institution during the institution’s latest completed award year. The institution must count all regular students who are enrolled during the latest completed award year, except those students who, during that period—

(1) Withdraw from, dropped out of, or were expelled from the institution; and

(2) Were entitled to and actually received in a timely manner, a refund of 100 percent of their tuition and fees (less any permitted administrative fee) under the institution’s refund policy;

(m)(1) Has an FFEL Program cohort default rate, a Direct Loan cohort rate, or where applicable, a weighted average cohort rate—

(i) As defined in §668.17, that is less than 25 percent for each of the three most recent fiscal years for which the Secretary has determined the institution’s rate; and

(ii) As defined in 34 CFR 674.5, on loans made under the Federal Perkins Loan Program to students for attendance at that institution that does not exceed 15 percent;

(ii) The institution may appeal the loss of full participation in a Title IV, HEA program under paragraph (m)(1) of this section by submitting an appeal in writing to the Secretary in accordance with and on the grounds specified in §668.17;
(5) The Secretary ceases any limitation, suspension, or termination action against an institution under this paragraph if the institution satisfactorily demonstrates to the Secretary that, pursuant to an appeal that is complete and timely submitted under paragraph (c) of this section, the institution meets one of the exceptional mitigating circumstances under paragraph (c)(3)(ii)(B) of this section.

(b) End of participation. (1) Except as provided in paragraph (b)(6) of this section, an institution’s participation in the FFEL Program ends 30 calendar days after the date the institution receives notification from the Secretary that its FFEL Program cohort default rate for each of the three most recent fiscal years for which the Secretary has determined the institution’s rate, is equal to or greater than 25 percent.

(2) Except as provided in paragraph (b)(6) of this section, an institution’s participation in the Direct Loan Program ends 30 calendar days after the date the institution receives notification from the Secretary that for each of the three most recent fiscal years the institution has any combination of an FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate that is equal to or greater than 25 percent.

(3) Except as provided in paragraph (b)(6) of this section, an institution’s participation in the FFEL Program or Direct Loan Program ends under paragraph (b)(1) or (2) of this section respectively may not participate in that program on or after the 30th calendar day after the date it receives notification from the Secretary that its FFEL Program cohort default rate, Direct Loan Program cohort rate, or, if applicable, weighted average cohort rate exceeds the thresholds specified in paragraph (b)(1) or (2) of this section and continuing—

(i) For the remainder of the fiscal year in which the Secretary determines that the institution’s participation has ended under paragraph (b)(1) or (2) of this section; and

(ii) For the two subsequent fiscal years.

(4) An institution whose participation in the FFEL Program or Direct Loan Program ends under paragraph (b)(1) or (2) of this section may not participate in that program until the institution satisfies the Secretary that the institution meets all requirements for participation in the FFEL Program or Direct Loan Program and executes a new agreement with the Secretary for participation in that program following the period described in paragraph (b)(3) of this section.

(5) Until July 1, 1998, the provisions of paragraph (b)(1) or (2) of this section and the provisions of 34 CFR 668.16(m) do not apply to a historically black college or university within the meaning of section 322(2) of the HEA, a tribally controlled community college within the meaning of section 2(a)(4) of the Tribally Controlled Community College Assistance Act of 1978, or a Navajo community college under the Navajo Community College Act.

(6) An institution may, notwithstanding 34 CFR 668.26, continue to participate in the FFEL Program or Direct Loan Program until the Secretary issues a decision on the institution’s appeal if the Secretary receives an appeal that is complete, accurate, and timely in accordance with paragraph (c) of this section.

(c) Appeal procedures. (1) An institution may appeal the loss of participation in the FFEL Program or Direct Loan Program under paragraph (b)(1) or (2) of this section by submitting an appeal in writing to the Secretary by the 30th calendar day following the date the institution receives notification of the end of participation. An appeal or any portion of an appeal under this section will not be accepted after the 30th calendar day following the date the institution receives notification from the Secretary that it has lost its eligibility to participate in the FFEL or Direct Loan programs, except that an institution may submit an appeal under section (c)(1)(i) of this section later than the 30th calendar day if the appeal is submitted in accordance with paragraph (c)(8) and the information required by paragraph (c)(7) may be submitted in accordance with that paragraph. The appeal must include all information required by the Secretary
§686.17  34 CFR Ch. VI (7–1–99 Edition)

to substantiate the appeal and all information must be submitted in a format prescribed by the Secretary. The additional 30-day period specified in paragraph (c)(7) of this section is an extension for the submission of the auditor’s statement only and does not affect the date by which the appeal data must be submitted. An institution that is eligible for an extension under paragraph (c)(8) of this section must submit all required data within five working days following the agency’s response to the institution’s request for verification of data. The institution may appeal on the grounds that—

(i)(A) The calculation of the institution’s FFEL Program cohort default rate, Direct Loan Program cohort rate, or, if applicable, weighted average cohort rate, for any of the three fiscal years relevant to the end of participation is not accurate; and

(B) A recalculation of the institution’s FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate, with corrected data verified by the cognizant guaranty agency or agencies for the FFEL Program loans, or the Secretary for Direct Loan Program loans would produce an FFEL Program cohort default rate, a Direct Loan Program cohort rate, or weighted average cohort rate for any of those fiscal years that is below the threshold percentage specified in paragraph (b) (1) or (2) of this section; or

(ii) The institution meets one of the following exceptional mitigating circumstances:

(A) The institution has a participation rate index of 0.0375 or less. The participation rate index is determined by multiplying the institution’s FFEL Program cohort default rate, Direct Loan Program cohort rate or weighted average cohort rate, by the percentage of the institution’s regular students, as defined in 34 CFR 600.2, enrolled on at least a half-time basis who received a loan made under either the FFEL Program or Direct Loan Program for a 12-month period that has ended during the six months immediately preceding the fiscal year for which the cohort of borrowers used to calculate the institution’s rate is determined. An institution that has an FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate that exceeds 40 percent may not appeal its loss of eligibility under paragraphs (b) (1) or (2) of this section on the basis of its participation rate index.

(B) For a 12-month period that has ended during the six months immediately preceding the fiscal year for which the cohort of borrowers used to calculate the institution’s rate is determined, 70 percent or more of the institution’s regular students, as defined in 34 CFR 600.2, are individuals from disadvantaged economic backgrounds, as established by documentary evidence submitted by the institution. Such evidence must relate to either qualification by those students for an expected family contribution (EFC) of zero for any award year that generally coincides with the 12-month period, or attribution to those students of an adjusted gross income of the student and his or her parents or spouse, if applicable, reported for any award year that generally coincides with the 12-month period, of less than the poverty level, as determined under criteria established by the Department of Health and Human Services; and,

(1) For a degree-granting institution, 70 percent or more of the institution’s regular students who were initially enrolled on a full-time basis and were scheduled to complete their programs during the same 12-month period the institution has chosen to determine the percentage of its students that come from disadvantaged economic backgrounds under paragraph (c)(3)(ii)(B) of this section, completed the educational programs in which they were enrolled. This rate is calculated by comparing the number of regular students who were classified as full-time at their initial enrollment in the institution and were originally scheduled, at the time of enrollment, to complete their programs within the relevant 12-month period, with the number of these students who received a degree from the institution; transferred from the institution to a higher level educational program; or, at the end of the 12-month period, remained enrolled and were making satisfactory
academic progress toward completion of their educational programs; or

(2) For a non-degree-granting institution, the institution had a placement rate of 50 percent or more with respect to its former regular students who remained in the program beyond the point the students would have received a 100 percent tuition refund from the institution. A student or former student may not be considered successfully placed if the institution is the student's or former student's employer. This rate is based on those regular students who were initially enrolled on at least a half-time basis and were originally scheduled, at the time of enrollment, to complete their educational programs during the same 12-month period the institution has chosen to determine the percentage of its students that come from disadvantaged economic backgrounds under paragraph (c)(1)(ii)(B) of this section. This rate does not include those students who are still enrolled and making satisfactory progress in the educational programs in which they were originally enrolled on the date following 12 months after the date of the student's last day of attendance. This rate is calculated by determining the percentage of all those former regular students who:

(i) Are employed in an occupation for which the institution provided training on the date following 12 months after the date of their last day of attendance at the institution; or

(ii) Were employed in an occupation for which the institution provided training for at least 13 weeks before the date following 12 months after the date of their last day of attendance at the institution.

(2) For purposes of the completion rate and placement rate described in paragraph (c)(1)(ii)(B) (1) and (2) of this section, a student is originally scheduled, at the time of enrollment, to complete the educational program on the date when the student will have been enrolled in the program for the amount of time normally required to complete the program. The "amount of time normally required to complete the program" for a student who is initially enrolled full-time is the period of time specified in the institution's enrollment contract, catalog, or other materials, for completion of the program by a full-time student, or the period of time between the original date of enrollment and the anticipated graduation date appearing on the student's loan application, if any, whichever is less. The "amount of time normally required to complete the program" for a student who is initially enrolled less than full-time is the amount of time it would take that student to complete the program if the student remained enrolled at that level of enrollment.

(3) The Secretary issues a decision on the institution's appeal within 45 calendar days after the institution submits a complete appeal that addresses the applicable criteria in paragraph (c)(1) (i) or (ii) of this section to the Secretary.

(4) The Secretary's decision is based on the consideration of written material submitted by the institution. No oral hearing is provided.

(5) The Secretary withdraws the notification of loss of participation in the FFEL Program or Direct Loan Program sent to an institution under paragraph (b) (1) or (2) of this section, if he determines that the institution's appeal satisfies one of the exceptional mitigating circumstances specified in paragraph (c)(1)(i) or (ii) of this section.

(6) An institution must include in its appeal a certification, under penalty of perjury, by the institution's chief executive officer that all information provided by the institution in support of its appeal is true and correct.

(7) An institution that appeals on the grounds that it meets the exceptional mitigating circumstances criteria contained in paragraph (c)(1)(ii) of this section must include in its appeal an opinion from an independent auditor on management's assertions that the information contained in the appeal is complete, accurate, and determined in accordance with the requirements of this section. The examination level engagement will be performed in accordance with Statement on Standards for Attestation Engagements #3. This opinion must be received by the Secretary within 60 days following the date the institution receives notification of its
§ 668.17  34 CFR Ch. VI (7–1–99 Edition)

loss of eligibility under paragraph (b) of this section.

(B) An institution that appeals under paragraph (c)(1)(i) of this section will not lose its eligibility to continue to participate during the appeal process due to a guaranty agency’s failure to comply with 34 CFR 682.401(b)(14) which requires the agency to respond to an institution’s request for verification of data within 15 working days, provided the institution:

(i) Requested such verification within 10 working days from the date it received notification of its loss of eligibility under paragraph (b) of this section; and

(ii) Provided a copy of the request for verification of data to the Secretary at the same time it requested such verification by the relevant guaranty agency(ies).

(d) FFEL Program Cohort Default Rate.

(1) For purposes of the FFEL Program, except as provided in paragraph (d)(1)(ii) of this section, the term FFEL Program cohort default rate means—

(A) For any fiscal year in which 30 or more current and former students at the institution enter repayment on Federal Stafford loans or Federal SLS loans (or on the portion of a loan made under the Federal Consolidation Loan Program or Direct Consolidation Loan Program that is used to repay such loans) received for attendance at the institution, the percentage of those current and former students who enter repayment in that fiscal year on those loans who default before the end of the following fiscal year; or

(B) For any fiscal year in which fewer than 30 of the institution’s current and former students enter repayment on Federal Stafford loans or Federal SLS loans (or on the portion of a loan made under the Federal Consolidation Loan Program or Direct Consolidation Loan Program that is used to repay such loans) received for attendance at the institution, the percentage of those current and former students who entered repayment on such loans in any of the three most recent fiscal years, who default before the end of the fiscal year immediately following the fiscal year in which they entered repayment.

(C) In determining the number of students who default before the end of that following fiscal year, the Secretary includes only loans for which the Secretary or a guaranty agency has paid claims for insurance, and Direct Consolidation Loan Program loans that repaid FFEL Program loans that entered default.

(ii)(A) In the case of a student who has attended and borrowed at more than one institution, the student (and his or her subsequent repayment or default) is attributed to each institution for attendance at which the student received a loan that entered repayment in the fiscal year.

(B) A loan on which a payment is made by the institution, its owner, agent, contractor, employee, or any other affiliated entity or individual, in order to avoid default by the borrower, is considered as in default for purposes of this definition.

(C) Any loan that has been rehabilitated under section 428F of the HEA before the end of that following fiscal year is not considered as in default for purposes of this definition.

(D) For the purposes of this definition, an SLS loan made in accordance with section 428A of the HEA (or a loan made under the Federal Consolidation Loan Program or Direct Consolidation Loan Program, a portion of which is used to repay a Federal SLS loan) shall not be considered to enter repayment until after the borrower has ceased to be enrolled in an educational program leading to a degree, certificate, or other recognized educational credential at the participating institution on at least a half-time basis (as determined by the institution) and ceased to be in a period of forbearance or deferment based on such enrollment.

Each eligible lender of a loan made under section 428A (or a loan made under the Federal Consolidation Loan Program, a portion of which is used to repay a Federal SLS loan) of the HEA shall provide the guaranty agency with the information necessary to determine when the loan entered repayment for purposes of this definition, and the guaranty agency shall provide that information to the Secretary.

(2) Fiscal year means the period from and including October 1 of a calendar year through and including September 30 of the following calendar year.
(e) Direct Loan Program cohort rate. (1) For purposes of the Direct Loan Program, except as provided in paragraph (e)(2) of this section, the Secretary calculates Direct Loan Program cohort rates using the following formulas:

(i) For public institutions, private nonprofit institutions, or proprietary degree-granting institutions—

(A) For any fiscal year in which 30 or more current and former students at the institution enter repayment on a Direct Loan Program loan (or on the portion of a loan made under the Federal Direct Consolidation Loan Program that is used to pay for those loans) received for attendance at the institution, the percentage of those current and former students who enter repayment in that fiscal year on those loans who are in default before the end of the following fiscal year; or

(B) For any fiscal year in which fewer than 30 of the institution’s current and former students enter repayment on those loans in the three most recent fiscal years, who are in default before the end of the fiscal year immediately following the year in which they entered repayment, or who, before the end of that following fiscal year, have for 270 days, been in repayment under the income-contingent repayment plan with scheduled payments that are less than 15 dollars per month and those payments result in negative amortization.

(2)(i) In the case of a student who has attended and borrowed at more than one institution, the student (and his or her subsequent repayment or default) is attributed to each institution for attendance at which the student received a loan that entered repayment in the fiscal year.

(ii) A loan on which a payment is made by the institution, its owner, agent, contractor, employee, or any other affiliated entity or individual, in order to avoid default by the borrower, is considered as in default for purposes of this definition.

(iii) Any loan on which the borrower has made 12 consecutive monthly on-time payments under 34 CFR 685.211(e) before the end of that following fiscal year is not considered as in default for purposes of this definition.

(3) For purposes of an institution’s Direct Loan cohort rate, a Direct Loan Program loan is considered in default when the borrower’s or endorser’s failure to make an installment payment when due has persisted for 270 days.

(f)(1) Weighted average cohort rate. For any fiscal year in which fewer than 30 of the institution’s current and former students enter repayment on a Direct Loan Program loan (or on the portion of a loan made under the Federal Direct Consolidation Loan Program that is used to repay those loans) received for attendance at the institution, the percentage of those current and former students who entered repayment on those loans in the three most recent fiscal years who are in default before the end of the fiscal year immediately following the year in which they entered repayment, or who, before the end of that following fiscal year, have for 270 days, been in repayment under the income-contingent repayment plan with scheduled payments that are less than 15 dollars per month and those payments result in negative amortization.
(i) For public institutions, private nonprofit institutions, or proprietary degree-granting institutions—

(A) For any fiscal year in which 30 or more current and former students at the institution enter repayment on an FFEL Program or Direct Loan Program loan (or on the portion of a loan made under the Federal Consolidation Loan Program or Federal Direct Consolidation Loan Program that is used to repay those loans) received for attendance at the institution, the percentage of those current and former students who enter repayment in that fiscal year on those loans who are in default before the end of the following fiscal year; and

(B) For any fiscal year in which fewer than 30 of the institution's current and former students enter repayment on an FFEL Program or Direct Loan Program loan (or on the portion of a loan made under the Federal Consolidation Loan Program or Federal Direct Consolidation Loan Program that is used to repay those loans) received for attendance at the institution, the percentage of those current and former students who entered repayment on those loans in the three most recent fiscal years, who are in default before the end of the fiscal year immediately following the year in which they entered repayment, or who, before the end of that following fiscal year, have for 270 days: been in repayment under the income-contingent repayment plan with scheduled payments that are less than 15 dollars per month and those payments result in negative amortization.

(2)(i) In the case of a student who has attended and borrowed at more than one institution, the student (and his or her subsequent repayment or default) is attributed to each institution for attendance at which the student received a loan that entered repayment in the fiscal year.

(ii) A loan on which a payment is made by the institution, its owner, agent, contractor, employee, or any other affiliated entity or individual, in order to avoid default by the borrower, is considered as in default for purposes of this definition.

(iii) Any Direct Loan Program loan on which the borrower has made 12 consecutive monthly on-time payments under 34 CFR 685.211(e) or has an FFEL Program loan that has been rehabilitated under section 428F of the HEA before the end of that following fiscal year is not considered as in default for purposes of this definition.

(3) For purposes of an institution's weighted average cohort rate, a Direct Loan Program loan is considered in default when a borrower's or endorser's failure to make an installment payment when due has persisted for 270 days.

(g) Applicability of Rates to Institutions. (1)(i) An FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort
rate of an institution applies to all locations of the institution as the institution exists on the first day of the fiscal year for which the rate is calculated.

(ii) An FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate of an institution applies to all locations of the institution from the date the institution is notified of that rate until the institution is notified by the Secretary that the rate no longer applies.

(2)(i) For an institution that changes its status from that of a location of one institution to that of a free-standing institution, the Secretary determines the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate, based on the institution's status as of October 1 of the fiscal year for which the rate is being calculated.

(ii) For an institution that changes its status from that of a free-standing institution to that of another institution, the Secretary determines the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate, based on the combined number of students who enter repayment during the applicable fiscal year and the combined number of students who default during the applicable fiscal years from both the former free-standing institution and the other institution. This rate applies to the new, consolidated institution and all of its current locations.

(iii) For free-standing institutions that merge to form a new, consolidated institution, the Secretary determines the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate, based on the combined number of students who enter repayment during the applicable fiscal year and the combined number of students who default during the applicable fiscal years from all of the institutions that are merging. This rate applies to the new consolidated institution.

(iv) For a location of one institution that becomes a location of another institution, the Secretary determines the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate based on the combined number of students who enter repayment during the applicable fiscal year and the number of students who default during the applicable fiscal years from both of the institutions in their entirety, not limited solely to the respective locations.

(h) Appeal based on allegations of improper loan servicing or collection—(1) General. An institution that is subject to loss of participation in the FFEL Program or the Direct Loan Program under paragraph (a)(3), (b)(1), or (b)(2) of this section or that has been notified by the Secretary that its FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate equals or exceeds 20 percent for the most recent year for which data are available may include in its appeal of that loss or rate a challenge based on allegations of improper loan servicing or collection. This challenge may be raised in addition to other challenges permitted under this section.

(2) Standard of review. (i) An appeal based on allegations of improper loan servicing or collection must be submitted to the Secretary in accordance with the requirements of this paragraph.

(ii) The Secretary excludes any loans from the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate calculation that, due to improper servicing or collection, would, as demonstrated by the evidence submitted in support of the institution's timely appeal to the Secretary, result in an inaccurate or incomplete calculation of that rate.

(iii) For the purposes of paragraph (h) of this section, a Direct Loan that has been included in a Direct Loan Program cohort rate, under paragraph (e)(1)(ii) of this section, or a weighted average cohort rate, under paragraph (f)(1)(ii) of this section, because it has been in repayment under the income contingent repayment plan for 270 days, with scheduled payments that are less than $15 per month and with those payments resulting in negative amortization, is not considered to have been included in that rate as a defaulted loan. An institution's appeal under this paragraph does not affect
the inclusion of these loans in an institution's rate.

(3) Procedures. The following procedures apply to appeals from FFEL Program cohort default rates, Direct Loan Program cohort rates, and weighted average cohort rates issued by the Secretary:

(i) Notice of rate. Upon receiving notice from the Secretary that the institution's FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate exceeds the thresholds specified in paragraph (a)(3), (b)(1), or (b)(2) of this section or that its most recent rate equals or exceeds 20 percent, the institution may appeal the calculation of that rate based on allegations of improper loan servicing or collection. The Secretary's notice includes a list of all borrowers included in the calculation of the institution's rate.

(ii) Appeals for FFEL Program loans. (A) To initiate an appeal under this paragraph for FFEL Program loans included in the institution's rate, the institution must notify, in writing, the Secretary and each guaranty agency that guaranteed loans included in the institution's FFEL Program cohort default rate or weighted average cohort rate that it is appealing the calculation of that rate. The notification must be received by the guaranty agency and the Secretary within 10 working days of the date the institution received the Secretary's notice. The institution's notification to the guaranty agency must include a copy of the list of all borrowers included in the calculation of the institution's rate.

(B) Within 15 working days of receiving the notification from the institution subject to loss of participation in the FFEL or Direct Loan programs under paragraph (a)(3), (b)(1), or (b)(2) of this section, or within 30 calendar days of receiving that notification from any other institution that may file a challenge to its FFEL Program cohort default rate or weighted average cohort rate under this paragraph, the guaranty agency shall provide the institution with a representative sample of the loan servicing and collection records relating to borrowers whose loans were guaranteed by the guaranty agency and that were included as defaulted loans in the calculation of the institution's rate. For purposes of this section, when used for FFEL Program loans, the term “loan servicing and collection records” refers only to the records submitted by the lender to the guaranty agency to support the lender's submission of a default claim and included in the claim file. In selecting the representative sample of records, the guaranty agency shall use the following procedures:

(1) The guaranty agency shall identify in social security number order all loans guaranteed by the guaranty agency and included as defaulted loans in the calculation of the FFEL Program cohort default rate or weighted average cohort rate that is being challenged by the institution.

(2) From the population of loans identified by the guaranty agency, the guaranty agency shall identify a sample of the loans. The sample must be of a size such that the universe estimate derived from the sample is acceptable at a 95 percent confidence level with a plus or minus 5 percent confidence interval. The sampling procedure must result in a determination of the number of FFEL Program loans that should be excluded from the calculation of the FFEL Program cohort default rate or weighted average cohort rate under this paragraph.

(3) The guaranty agency shall provide a copy of all servicing and collection records relating to each loan in the sample to the institution in hard copy format unless the guaranty agency and institution agree that all or some of the records may be provided in another format.

(4) The guaranty agency may charge the institution a reasonable fee for copying and providing the documents, not to exceed $10 per borrower file.

(5) After compiling the servicing and collection records for the loans in the sample, the guaranty agency shall send the records, a list of the loans included in the sample, and a description of how the sample was chosen to the institution. The guaranty agency shall also send a copy of the list of the loans included in the sample, listed in order by social security number, and the description of how the sample was chosen.
to the Secretary at the same time the material is sent to the institution.

(6) If the guaranty agency charges the institution a fee for copying and providing the documents under paragraph (h)(3)(i)(B)(4) of this section, the guaranty agency is not required to provide the documents to the institution until payment is received by the agency. If payment of a fee is required, the guaranty agency shall notify the institution, in writing, within 15 working days of receipt of the institution's request for the amount of the fee. If the guaranty agency does not receive payment of the fee from the institution within 15 working days of the date the institution receives notice of the fee, the institution shall be considered to have waived its right to challenge the calculation of its FFEL Program cohort default rate or weighted average cohort rate based on allegations of improper loan servicing or collection in regard to the loans guaranteed by that guaranty agency. The guaranty agency shall notify the institution and the Secretary, in writing, that the institution has failed to pay the fee and has apparently waived its right to challenge the calculation of its FFEL Program cohort default rate or weighted average cohort rate that is being challenged by the institution.

(iii) Appeals for Direct Loan Program loans. (A) To initiate an appeal under this paragraph for Direct Loans included in the institution's rate, the institution must notify the Secretary, in writing, that it is appealing the calculation of its Direct Loan Program cohort default rate or weighted average cohort rate. The notification must be received by the Secretary within 10 working days of the date the institution received notice of the calculation of its rate. The Secretary provides the institution with a representative sample of the loan servicing and collection records relating to borrowers whose Direct Loans were included as defaulted loans in the calculation of the institution's rate. The term "loan servicing and collection records" refers only to the records maintained by the Department's Direct Loan Servicer with respect to the servicing and collecting of delinquent loans prior to the default. In selecting the representative sample of records, the Secretary uses the following procedures:

1. The Secretary identifies in social security number order all Direct Loans included as defaulted loans in the calculation of the Direct Loan Program cohort default rate or weighted average cohort rate that is being challenged by the institution.

2. From the population of loans identified by the Secretary, the Secretary identifies a sample of the loans. The sample is of a size such that the universe estimate derived from the sample is acceptable at a 95 percent confidence level with a plus or minus 5 percent confidence interval. The sampling procedure must result in a determination of the number of Direct Loans included in the rate as defaulted loans that should be excluded from the calculation of the Direct Loan Program cohort default rate or weighted average cohort rate under this paragraph.

3. The Secretary provides a copy of all servicing and collection records relating to each loan in the sample to the institution in hard copy format unless the Secretary and institution agree that all or some of the records may be provided in another format.

(B) Within 15 working days of receiving the notification from an institution subject to loss of participation in the FFEL or Direct Loan Program under paragraph (a)(3), (b)(1), or (b)(2) of this section, or within 30 calendar days of receiving that notification from any other institution that may file a challenge to its Direct Loan Program cohort default rate or weighted average cohort rate under this paragraph, the Secretary provides the institution with a representative sample of the loan servicing and collection records relating to borrowers whose Direct Loans were included as defaulted loans in the calculation of the institution's rate. For purposes of this section, when used for Direct Loans, the term "loan servicing and collection records" refers only to the records maintained by the Department's Direct Loan Servicer with respect to the servicing and collecting of delinquent loans prior to the default. In selecting the representative sample of records, the Secretary uses the following procedures:

1. The Secretary identifies in social security number order all Direct Loans included as defaulted loans in the calculation of the Direct Loan Program cohort default rate or weighted average cohort rate that is being challenged by the institution.

2. From the population of loans identified by the Secretary, the Secretary identifies a sample of the loans. The sample is of a size such that the universe estimate derived from the sample is acceptable at a 95 percent confidence level with a plus or minus 5 percent confidence interval. The sampling procedure must result in a determination of the number of Direct Loans included in the rate as defaulted loans that should be excluded from the calculation of the Direct Loan Program cohort default rate or weighted average cohort rate under this paragraph.

3. The Secretary provides a copy of all servicing and collection records relating to each loan in the sample to the institution in hard copy format unless the Secretary and institution agree that all or some of the records may be provided in another format.

4. The Secretary may charge the institution a reasonable fee for copying and providing the documents, not to exceed $10 per borrower file.

5. After compiling the servicing and collection records for the loans in the sample, the Secretary sends the records, a list of the loans included in the sample, and a description of how
the sample was chosen to the institution.

(6) If the Secretary charges the institution a fee for copying and providing the documents under paragraph (h)(3)(iii)(B)(4) of this section, the Secretary does not provide the documents to the institution until payment is received by the Secretary. If payment of a fee is required, the Secretary notifies the institution, in writing, within 15 working days of receipt of the institution’s request, of the amount of the fee. If the Secretary does not receive payment of the fee from the institution within 15 working days of the date the institution receives notice of the fee, the institution shall be considered to have waived its right to challenge the calculation of its Direct Loan Program cohort rate or weighted average cohort rate based on allegations of improper loan servicing or collection in regard to the Direct Loans included in that rate. The Secretary notifies the institution, in writing, that the institution has failed to pay the fee and has waived its right to challenge the calculation of its rate on the basis of those allegations.

(iv) Procedures for filing an appeal. After receiving the relevant loan servicing and collection records from the Secretary (for defaulted Direct Loan Program loans included in a Direct Loan Program cohort rate or weighted average cohort rate based on allegations of improper loan servicing or collection in regard to the Direct Loans included in that rate) and from all of the guaranty agencies that insured loans included in the institution’s FFEL Program cohort default rate or weighted average cohort rate calculation (for defaulted FFEL Program loans included in a rate), the institution has 30 calendar days to file its appeal with the Secretary. An appeal is considered filed when it is received by the Secretary. If the institution is also filing an appeal under paragraph (c)(1)(i) of this section, the institution may delay submitting its appeal under this paragraph until the appeal under paragraph (c)(1)(i) is submitted to the Secretary. As part of the appeal, the institution shall submit the following information to the Secretary:

(A) A list of the loans that the institution alleges would, due to improper loan servicing or collection, result in an inaccurate or incomplete calculation of the rate.

(B) Copies of all of the loan servicing or collection records and any other evidence relating to a loan that the institution believes has been subject to improper servicing or collection. The records must be in hard copy or microfiche format.

(C) For FFEL Program loans, a copy of the lists provided by the guaranty agencies under paragraph (h)(3)(ii)(B) of this section.

(D) An explanation of how the alleged improper servicing or collection resulted in an inaccurate or incomplete calculation of the institution’s rate.

(E) A summary of the institution’s appeal listing the following:

(1) For FFEL Program cohort default rates, the number of loans insured by each guaranty agency that were included as defaulted loans in the calculation of the institution’s rate and the number of loans that would be excluded from the calculation of that rate by application of the results of the review of the sample of loans provided to the institution to the population of loans for each guaranty agency.

(2) For Direct Loan Program cohort rates, the number of Direct Loans that were included as defaulted loans in the calculation of the institution’s rate and the number of loans that would be excluded from the calculation of that rate by application of the results of the review of the sample of loans provided to the institution to the population of loans serviced by the Secretary.

(3) For weighted average cohort rates—

(i) The number of FFEL Program loans insured by each guaranty agency that were included as defaulted loans in the calculation of the institution’s rate and the number of loans that would be excluded from the calculation of that rate by application of the results of the review of the sample of loans provided to the institution to the population of loans for each guaranty agency; and

(ii) The number of Direct Loans that were included as defaulted loans in the calculation of the institution’s rate and the number of loans that would be excluded from the calculation of that rate by application of the results of the
review of the sample of loans provided to the institution to the population of loans serviced by the Secretary.

(F) A certification by an authorized official of the institution that all information provided by the institution in the appeal is true and correct.

(v) Decision. The Secretary or the Secretary's designee reviews the information submitted by the institution and issues a decision.

(A) In making a decision under this paragraph, the Secretary presumes that the information provided to the institution by the guaranty agency or Secretary under paragraphs (h)(3)(ii)(B) and (iii)(B) of this section is correct unless the institution provides substantial evidence showing that the information is not correct.

(B) If the Secretary finds that the evidence presented by the institution shows that some of the loans included in the sample of loan records reviewed by the institution should be excluded from calculation of the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate under paragraph (h)(2) of this section, the Secretary reduces the institution's rate, in accordance with a statistically valid methodology, to reflect the percentage of defaulted loans in the sample that should be excluded.

(vi) Notification. The Secretary notifies the institution, in writing, of the decision.

(vii) Seeking judicial review. An institution may not seek judicial review of the Secretary's determination of the institution's FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate until the Secretary or the Secretary's designee issues the decision under paragraph (h)(3)(v) of this section.

(iii) Improper loan servicing or collection criteria. For purposes of this paragraph, a default is considered to have been due to improper servicing or collection only if the borrower did not make a payment on the loan and—

(A) For an FFEL Program loan, the institution proves that the lender failed to perform one or more of the following activities, if that activity was required:

(1) Send at least one letter (other than the final demand letter) urging the borrower or endorser to make payments on the loan.
(2) Attempt at least one phone call to the borrower or endorser.
(3) Submit a request for preclaims assistance to the guaranty agency.
(4) Send a final demand letter to the borrower.
(5) Submit a certification (or other evidence) that skip tracing was performed.

(B) For a Direct Loan Program loan, the institution proves that the Direct Loan Servicer failed to perform one or more of the following activities, if that activity is applicable to the loan:

(1) Send at least one letter (other than the final demand letter) urging the borrower or endorser to make payments on the loan.
(2) Attempt at least one phone call to the borrower or endorser unless the borrower or endorser is incarcerated or is residing outside a State, Mexico, or Canada.
(3) Send a final demand letter to the borrower.
(4) Document that skip tracing was performed if the Direct Loan Servicer determined it did not have the borrower's current address.

(i) Effect of decision. (1) An institution may challenge the calculation of an FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate under this section no more than once. The Secretary's determination of an institution's appeal of the calculation of such a rate is binding on any future appeal by the institution.

(2) An institution that fails to challenge the calculation of an FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate under this section within 10 working days of receiving notice of the determination of that rate is prohibited from challenging that rate in any other proceeding before the Department.

(3) If the Secretary has initiated an action under paragraph (a)(2) of this section, the institution may not challenge the calculation of the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate on which the action is based.
(j) Review of default rate data. Effective on October 1, 1994, an institution has an opportunity to review and correct the information provided to the Secretary by the guaranty agencies for the purpose of calculating a cohort default rate on the loans to be included in the calculation of the institution’s cohort default rate before the final rate is calculated.

1(i) Once the Secretary has received the information used in calculating the cohort default rates from the guaranty agencies, the Secretary calculates draft cohort default rates for each institution.

(ii) The Secretary sends all institutions with draft cohort default rates equal to or in excess of 20 percent, a copy of the information provided by the guaranty agencies in regard to loans included in the institution’s cohort default rate.

(iii) An institution with a draft cohort default rate less than 20 percent will receive a notice of the draft default rate and may request a copy of the information provided by the guaranty agencies within 10 working days of receiving the notice from the Secretary. Upon receiving the request from the institution, the Secretary will send the institution a copy of the information requested. The time frames provided in this paragraph will not start until the institution receives the information from the Secretary.

2) Within 30 calendar days of receiving the draft default rate information from the Secretary, the institution must notify the guaranty agency of any information included in the default rate data that it believes is incorrect. The institution must also provide the guaranty agency with evidence that it believes supports its contention that the default rate data are incorrect.

3) Within 30 days of receiving the institution’s challenge under paragraph (h)(2) of this section, the guaranty agency shall respond to the institution’s challenge. The guaranty agency’s response must include a response to each allegation of error made by the institution and any evidence supporting the agency’s position.

4) The guaranty agency shall provide a copy of its response to the institution to the Secretary and identify any errors in the information previously submitted to the Secretary.

5) The information used to calculate cohort default rates will be changed to reflect allegations of error made by an institution, confirmed by the guaranty agency and accepted by the Secretary prior to releasing final cohort default rates.

6) The draft default rate issued by the Secretary under paragraph (h)(1) of this section may not be considered public information and may not be otherwise voluntarily released by the Secretary or the guaranty agency.

7) An institution may not appeal a cohort default rate under paragraph (d)(1) of this section on the basis of any alleged errors in the default rate information unless errors were identified by the institution in a challenge to its preliminary default rate under paragraph (h) of this section.

(Approved by the Office of Management and Budget under control number 1840-0537).

§ 668.19 Financial aid transcript.

(a) (1) An institution shall determine whether a student who is applying for assistance under any title IV, HEA program has previously attended another eligible institution.

(2) Before a student who previously attended another eligible institution may receive any title IV, HEA program assistance the institution the student is, or will be, attending—

(ii) May use information it obtains from the National Student Loan Data System (NSLDS) to satisfy the requirements of paragraphs (a)(1) and (a)(2)(i) of this section, after the Secretary informs institutions through a Notice in the Federal Register that the NSLDS is available for this purpose, and information on how the NSLDS can be used.

(3) Except as provided in paragraph (b)(5) of this section, if an institution
requests a financial aid transcript from any institution a student previously attended, until the institution receives each requested financial aid transcript; the institution—

(i) May withhold payment of Federal Pell Grant and campus-based funds to the student;
(ii) May disburse Federal Pell Grant and campus-based funds to the student for one payment period only;
(iii) May decline to certify the student's Federal Stafford Loan application or the parent’s Federal PLUS application under the FFL Program;

If an institution does not receive all required financial aid transcripts for a student within 45 days of the receipt of such proceeds, the institution shall return the loan proceeds to the appropriate lender.

(ii) An institution that certifies a Federal Stafford or Federal PLUS loan application before receiving all required financial aid transcripts shall return to the lender the appropriate amount of any Federal Stafford or Federal PLUS proceeds if it receives a financial aid transcript indicating that the student is not eligible for all, or a part, of the loan proceeds.

(5) An institution may disburse title IV, HEA program funds to a student without receiving a financial aid transcript from an eligible institution the student previously attended if the institution the student previously attended—

(i) Has closed, and information concerning the student's receipt of title IV, HEA program assistance for attendance at that institution is not available;
(ii) Is not located in a State; or
(iii) Provides the disbursing institution with the written certification described in paragraph (b)(2)(iii) of this section.

(b) Upon request, each institution located in a State shall promptly provide to the institution that requested a financial aid transcript—

(1) All information in its possession concerning whether the student in question attended institutions other than itself and the requesting institution; and
(2) (i) A financial aid transcript for that student, if the student received or benefitted from any title IV, HEA program assistance while attending the institution; or
(ii) A written certification that—
(A) The student did not receive or benefit from any title IV, HEA program assistance while attending the institution; or
(B) The transcript would cover only years for which the institution no longer has records and is no longer required to keep records under the applicable title IV, HEA program record-keeping requirements.

(c) An institution must disclose on a financial aid transcript for a student—

(1) The student’s name and social security number;

(3) To the extent the institution is aware, whether the student owes an overpayment on any title IV, HEA program grant or Federal Perkins Loan;
(4) For the award year for which a financial aid transcript is requested, the student's Scheduled Federal Pell Grant and the amount of Pell Grant funds disbursed to the student;
(5) The aggregate amount of loans made to the student under each of the title IV, HEA loan programs for attendance at the institution;
(6) For the award year in which a financial aid transcript is requested, the total amount of Federal Perkins loan funds disbursed to the student;
(7) Whether the student owed an outstanding balance on July 1, 1987 on either a National Direct Student Loan made for attendance at the institution;
§ 668.20 Limitations on remedial coursework that is eligible for Title IV, HEA program assistance.

(a) A noncredit or reduced credit remedial course is a course of study designed to increase the ability of a student to pursue a course of study leading to a certificate or degree.

(1) A noncredit remedial course is one for which no credit is given toward a certificate or degree; and

(2) A reduced credit remedial course is one for which reduced credit is given toward a certificate or degree.

(b) Except as provided in paragraphs (c) and (d) of this section, in determining a student's enrollment status and cost of attendance, an institution shall attribute the number of credit or clock hours to a noncredit or reduced credit remedial course by—

(1) Calculating the number of classroom and homework hours required for that course;

(2) Comparing those hours with the hours required for nonremedial courses in a similar subject; and

(3) Giving the remedial course the same number of credit or clock hours it gives the nonremedial course with the most comparable classroom and homework requirements.

(c) In determining a student's enrollment status under the Title IV, HEA programs or a student's cost of attendance under the campus-based, FFEL, and Direct Loan programs, an institution may not take into account any noncredit or reduced credit remedial course if—

(1) That course is part of a program of instruction leading to a high school diploma or the recognized equivalent of a high school diploma, even if the course is necessary to enable the student to complete a degree or certificate program;

(2) The educational level of instruction provided in the noncredit or reduced credit remedial course is below the level needed to pursue successfully the degree or certificate program offered by that institution after one year in that remedial course; or

(3) Except for a course in English as a second language, the educational level of instruction provided in that course is below the secondary level. For purposes of this section, the Secretary considers a course to be below the secondary level if any of the following entities determine that course to be below the secondary level:

(i) The State agency that legally authorized the institution to provide postsecondary education.

(ii) In the case of an accredited or preaccredited institution, the nationally recognized accrediting agency or association that accredits or preaccredits the institution.

(iii) In the case of a public postsecondary vocational institution that is approved by a State agency recognized for the approval of public postsecondary vocational education, the State agency recognized for the approval of public postsecondary vocational education that approves the institution.

(iv) The institution.

(d) Except as set forth in paragraph (f) of this section, an institution may not take into account more than one academic year's worth of noncredit or reduced credit remedial coursework in determining—

(1) A student's enrollment status under the title IV, HEA programs; and
(2) A student’s cost of attendance under the campus-based, FFEL, and Direct Loan programs.

(e) One academic year’s worth of non-credit or reduced credit remedial coursework is equivalent to—
(1) Thirty semester or 45 quarter hours; or
(2) Nine hundred clock hours.

(f) Courses in English as a second language do not count against the one-year academic limitation contained in paragraph (d) of this section.

§ 668.21 Treatment of Federal Perkins Loan, FSEOG, and Federal Pell Grant program funds if the recipient withdraws, drops out, or is expelled before his or her first day of class.

(a)(1) If a student officially withdraws, drops out, or is expelled before his or her first day of class of a payment period, all funds paid to the student for that payment period for institutional or noninstitutional costs under the Federal Pell Grant, FSEOG, and Federal Perkins Loan programs are an overpayment.

(2) The institution shall return that overpayment to the respective Title IV, HEA programs in the amount that the student received from each program.

(b) For purposes of this section, the Secretary considers that a student drops out before his or her first day of class if the institution is unable to document the student’s attendance at any class during the payment period.

(Authority: 20 U.S.C. 1094)

§ 668.22 Institutional refunds and repayments.

(a) General. (1) An institution shall have a fair and equitable refund policy under which the institution makes a refund of unearned tuition, fees, room and board, and other charges to a student who received Title IV, HEA program assistance, or whose parent received a Federal PLUS loan on behalf of the student—
(i) Does not register for the period of enrollment for which the student was charged; or
(ii) Withdraws, drops out, is expelled from the institution, or otherwise fails to complete the program on or after his or her first day of class of the period of enrollment for which he or she was charged.

(2) The institution shall provide a clear and conspicuous written statement containing its refund policy, including the allocation of refunds and repayments to sources of aid to a prospective student prior to the earlier of the student’s enrollment or the execution of the student’s enrollment agreement. The institution must make available to students upon request examples of the application of this policy and inform students of the availability of these examples in the written statement. The institution shall make its policy known to currently enrolled students. The institution shall include in its statement the procedures that a student must follow to obtain a refund, but the institution shall return the portion of a refund allocable to the Title IV, HEA programs in accordance with paragraph (f) of this section whether the student follows those procedures or not. If the institution changes its refund policy, the institution shall ensure that all students are made aware of the new policy.

(3) The institution shall publish the costs of required supplies and equipment and shall substantiate to the Secretary upon request that the costs are reasonably related to the cost of providing the supplies and equipment to students.

(b) Fair and equitable refund policy. (1) For purposes of paragraph (a) of this section, an institution’s refund policy is fair and equitable if the policy provides for a refund of at least the larger of the amount provided under—
(i) The requirements of applicable State law;
(ii) The specific refund standards established by the institution’s nationally recognized accrediting agency if those standards are approved by the Secretary;
(iii) The pro rata refund calculation described in paragraph (c) of this section, for any student attending the institution for the first time whose withdrawal date is on or before the 60 percent point in time in the period of enrollment for which the student has been charged; or

(iv) For purposes of determining a refund when the pro rata refund calculation under paragraph (b)(1)(iii) of this section does not apply, and no standards for a refund under State law under paragraph (b)(1)(i) and no standards established by the institution's accrediting agency under (b)(1)(ii) of this section exist, the larger of—

(A) The Federal refund calculation contained in paragraph (d) of this section; or

(B) The institution's refund policy.

(2) For purposes of the calculation of a pro rata refund under paragraph (b)(1)(iii) of this section, “the 60 percent point in time in the period of enrollment for which the student has been charged” is—

(i) In the case of an educational program that is measured in credit hours, the point in calendar time when 60 percent of the period of enrollment for which the student has been charged, as defined in paragraph (e) of this section, has elapsed; and

(ii) In the case of an educational program that is measured in clock hours, the point in time when the student completes 60 percent of the clock hours scheduled for the period of enrollment for which the student is charged, as defined in paragraph (e) of this section.

(3) The institution must determine which policy under paragraph (b)(1) of this section provides for the largest refund to that student.

(4) For all refund calculations other than the pro rata refund calculation under paragraph (b)(1)(iii) of this section, an institution must subtract the unpaid amount of a scheduled cash payment from the amount the institution may retain in accordance with paragraph (f)(2) of this section.

(c) Pro Rata refund. (1) “Pro rata refund,” as used in this section, means a refund by an institution to a student attending that institution for the first time of not less than that portion of the tuition, fees, room, board, and other charges assessed the student by the institution equal to the portion of the period of enrollment for which the student has been charged that remains on the withdrawal date, rounded downward to the nearest 10 percent of that period, less any unpaid amount of a scheduled cash payment for the period of enrollment for which the student has been charged.

(2) A “scheduled cash payment” is the amount of institutional charges that is not paid for by financial aid for the period of enrollment for which the student has been charged exclusive of—

(i) Any amount scheduled to be paid by Title IV, HEA program assistance that the student has been awarded that is payable to the student even though the student has withdrawn;

(ii) Late disbursements of loans made under the F EL and Direct Loan Programs in accordance with 34 CFR 682.207(d) and 34 CFR 685.303(d), respectively; and

(iii) Late disbursements of State student financial assistance, for which the student is still eligible in spite of having withdrawn, made in accordance with the applicable State’s written late disbursement policies. The late disbursement must be made within 60 days after the student’s date of withdrawal, as defined in paragraph (j)(1) of this section, or the institution must—

(A) Recalculate the refund in accordance with this section, including recalculating the student’s unpaid charges in accordance with this paragraph without consideration of the State’s late disbursement amount; and

(B) Return any additional refund amounts due as a result of the recalculation in accordance with paragraph (h) of this section.

(3) The “unpaid amount of a scheduled cash payment” is computed by subtracting the amount paid by the student for the period of enrollment for which the student has been charged from the scheduled cash payment for the period of enrollment for which the student has been charged.

(4) An institution may exclude from the calculation of a pro rata refund under this paragraph a reasonable administrative fee not to exceed the lesser of—
(i) Five percent of the tuition, fees, room and board, and other charges assessed the student; or
(ii) One hundred dollars.

(5)(i) For purposes of this section, “other charges assessed the student by the institution” include, but are not limited to, charges for any equipment (including books and supplies) issued by an institution to the student if the institution specifies in the enrollment agreement a separate charge for equipment that the student actually obtains or if the institution refers the student to a vendor operated by the institution or an entity affiliated or related to the institution.

(ii) The institution may exclude from the calculation of a pro rata refund under this paragraph the documented cost to the institution of unreturnable equipment issued to the student in accordance with paragraph (c)(5)(i) of this section or of returnable equipment issued to the student in accordance with paragraph (c)(5)(i) of this section if the student does not return the equipment in good condition, allowing for reasonable wear and tear, within 20 days following the date of the student’s withdrawal. For example, equipment is not considered to be returned in good condition, and, therefore, is unreturnable, if the equipment cannot be reused because of clearly recognized health and sanitary reasons. The institution must clearly and conspicuously disclose in the enrollment agreement any restrictions on the return of equipment, including equipment that is unreturnable. The institution must notify the student in writing prior to enrollment that return of the specific equipment involved will be required within 20 days of the student’s withdrawal.

(iii) An institution may not delay its payment of the portion of a refund allocable under this section to a Title IV, HEA program or a lender under 34 CFR 662.607 by reason of the process for return of equipment prescribed in paragraph (c)(5) of this section.

(6) For purposes of this section—

(i) “Room” charges do not include charges that are passed through the institution from an entity that is not under the control of, related to, or affiliated with the institution; and

(ii) “Other charges assessed the student by the institution” do not include fees for group health insurance, if this insurance is required for all students and the purchased coverage remains in effect for the student throughout the period for which the student was charged.

(7)(i) For purposes of this section, a student attending an institution for the first time is a student who—

(A) Has not previously attended at least one class at the institution; or

(B) Received a refund of 100 percent of his or her tuition and fees (less any permitted administrative fee) under the institution’s refund policy for previous attendance at the institution.

(ii) A student remains a first-time student until the student either—

(A) Withdraws, drops out, or is expelled from the institution after attending at least one class; or

(B) Completes the period of enrollment for which he or she has been charged.

(8) For purposes of this paragraph, “the portion of the period of enrollment for which the student has been charged that remains” is determined—

(i) In the case of an educational program that is measured in credit hours, by dividing the total number of weeks comprising the period of enrollment for which the student has been charged into the number of weeks remaining in that period as of the student’s withdrawal date;

(ii) In the case of an educational program that is measured in clock hours, by dividing the total number of clock hours comprising the period of enrollment for which the student has been charged into the number of scheduled clock hours remaining to be completed by the student in that period as of the student’s withdrawal date; and

(iii) In the case of an educational program that consists predominantly of correspondence courses, by dividing the total number of lessons comprising the period of enrollment for which the student has been charged into the number of lessons not submitted by the student.

(d) Federal refund. (1) “Federal refund,” as used in this section, means a refund by an institution to a student attending that institution of not less
than the portion of institutional charges (tuition, fees, room, board and other charges assessed the student by the institution) to be refunded as follows—

(i) If a student withdraws, drops out, or is expelled from the institution before the first day of classes for the period of enrollment for which the student was charged, the institution must follow the provisions under §668.21 for the treatment of Federal Perkins Loan, FSEOG, and Federal Pell Grant Program funds, less any provisions under §682.604(d)(3) or (4) for the treatment of FFEL Program funds, and the provisions under §685.303(b)(3) for the treatment of Direct Loan Program funds, as appropriate;

(ii) The institution must refund 100 percent of institutional charges, less an administrative fee, if any, as described in paragraph (d)(2) of this section, if a student withdraws on the first day of classes for the period of enrollment for which the student was charged;

(iii) The institution must refund at least 90 percent of institutional charges, less an administrative fee, if any, as described in paragraph (d)(2) of this section, if a student withdraws at any time after the first day of classes for the period of enrollment for which the student was charged up to and including the end of the first 10 percent (in time) of that period of enrollment;

(iv) The institution must refund at least 50 percent of institutional charges, less an administrative fee, if any, as described in paragraph (d)(2) of this section, if the student withdraws at any time after the end of the first 10 percent (in time) of the period of enrollment for which the student was charged up to and including the end of the first 25 percent (in time) of that period of enrollment; and

(v) The institution must refund at least 25 percent of institutional charges, less an administrative fee, if any, as described in paragraph (d)(2) of this section, if the student withdraws at any time after the end of the first 25 percent (in time) of the period of enrollment for which the student was charged up to and including the end of the first 50 percent (in time) of that period of enrollment.

(2) An institution may exclude from the calculation of a Federal refund under this paragraph a reasonable administrative fee not to exceed the lesser of—

(i) Five percent of the tuition, fees, room and board, and other charges assessed the student; or

(ii) One hundred dollars.

(3)(i) For purposes of this section, “other charges assessed the student by the institution” include, but are not limited to, charges for any equipment (including books and supplies) issued by an institution to the student if the institution specifies in the enrollment agreement a separate charge for equipment that the student actually obtains or if the institution refers the student to a vendor operated by the institution or an entity affiliated or related to the institution.

(ii) The institution may exclude from the calculation of a Federal refund under this paragraph the documented cost to the institution of unreturnable equipment issued to the student in accordance with paragraph (d)(3)(i) of this section or of returnable equipment issued to the student in accordance with paragraph (d)(3)(i) of this section if the student does not return the equipment in good condition, allowing for reasonable wear and tear, within 20 days following the date of the student’s withdrawal. For example, equipment is not considered to be returned in good condition and, therefore, is unreturnable, if the equipment cannot be reused because of clearly recognized health and sanitary reasons. The institution must clearly and conspicuously disclose in the enrollment agreement any restrictions on the return of equipment, including equipment that is unreturnable. The institution must notify the student in writing prior to enrollment that return of the specific equipment involved will be required within 20 days of the student’s withdrawal.

(iii) An institution may not delay its payment of the portion of a refund allocable under this section to a Title IV, HEA program or a lender under 34 CFR 682.607 by reason of the process for return of equipment prescribed in paragraph (c)(3) of this section.

(4) For purposes of this section—
(i) “Room” charges do not include charges that are passed through the institution from an entity that is not under the control of, related to, or affiliated with the institution; and

(ii) “Other charges assessed the student by the institution” do not include fees for group health insurance, if this insurance is required for all students and the purchased coverage remains in effect for the student throughout the period for which the student was charged.

(e) Period of enrollment for which the student has been charged. (1) For purposes of this section, “the period of enrollment for which the student has been charged,” means the actual period for which an institution charges a student, except that the minimum period must be—

(i) In the case of an educational program that is measured in credit hours or clock hours and uses semesters, trimesters, quarters, or other academic terms, the semester, trimester, quarter or other academic term; or

(ii) In the case of an educational program that is measured in credit hours or clock hours and does not use semesters, trimesters, quarters, or other academic terms and is—

(A) Longer than or equal to the academic year in length, the greater of the payment period or one-half of the academic year; or

(B) Shorter than the academic year in length, the length of the educational program.

(2) If an institution charges by different periods for different charges, the “period of enrollment for which the student has been charged” for purposes of this section is the longest period for which the student is charged. The institution must include any charges assessed the student for the period of enrollment or any portion of that period of enrollment when calculating the refund.

(f) Overpayments. (1) An institution shall determine whether a student has received an overpayment for noninstitutional costs for the period of enrollment for which the student has been charged if—

(i) The student officially withdraws, drops out, or is expelled, on or after his or her first day of class of that period; and

(ii) The student received Title IV, HEA program assistance other than from the FWS, FFEL, or Direct Loan Program for that period.

(2)(i) To determine if the student owes an overpayment, the institution shall subtract the noninstitutional costs that the student incurred for that portion of the period of enrollment for which the student has been charged from the amount of all assistance (other than from the FWS, FFEL, or Direct Loan Program) that the institution disbursed to the student.

(ii) Noninstitutional costs may include, but are not limited to, room and board for which the student does not contract with the institution, books, supplies, transportation, and miscellaneous expenses.

(g) Repayments to Title IV, HEA programs of institutional refunds and overpayments. (1)(i) An institution shall return a portion of the refund calculated in accordance with paragraph (b) of this section to the Title IV, HEA programs if the student to whom the refund is owed received assistance under any Title IV, HEA program other than the FWS Program.

(ii) The portion of the refund that an institution shall return to the Title IV, HEA programs may not exceed the amount of assistance that the student received under the Title IV, HEA programs other than under the FWS Program for the period of enrollment for which the student has been charged.

(2) For purposes of this section, for all refund calculations other than the pro rata refund calculation required under paragraph (b)(1)(iii) of this section—

(i) An institutional refund means the amount paid for institutional charges for the period of enrollment for which the student has been charged minus the amount that the institution may retain under paragraph (g)(2)(iii) of this section for the portion of the period of enrollment for which the student has been charged that the student was actually enrolled at the institution;

(ii) An institution may not include any unpaid amount of a scheduled cash payment in determining the amount
that the institution may retain for institutional charges. A scheduled cash payment is the amount of institutional charges that has not been paid by financial aid for the period of enrollment for which the student has been charged, exclusive of—

(A) Any amount scheduled to be paid by Title IV, HEA program assistance that the student has been awarded that is payable to the student even though the student has withdrawn;

(B) Late disbursements of loans made under the FFEL and Direct Loan programs in accordance with 34 CFR 662.207(d) and 34 CFR 685.303(d), respectively; and

(C) Late disbursements of State student financial assistance, for which the student is still eligible in spite of having withdrawn, made in accordance with the applicable State's written late disbursement policies. The late disbursement must be made within 60 days after the student's date of withdrawal, as defined in paragraph (j)(1) of this section, or the institution must—

(1) Recalculate the refund in accordance with this section, including recalculating the student's unpaid charges in accordance with this paragraph without consideration of the State late disbursement amount; and

(2) Return any additional refund amounts due as a result of the recalculation in accordance with paragraph (h) of this section;

(iii) In determining the amount that the institution may retain for the portion of the period of enrollment for which the student has been charged during which the student was actually enrolled, an institution shall—

(A) Compute the unpaid amount of a scheduled cash payment by subtracting the amount paid by the student for that period of enrollment for which the student has been charged from the scheduled cash payment for the period of enrollment for which the student had been charged; and

(B) Subtract the unpaid amount of the scheduled cash payment from the amount that may be retained by the institution according to the institution's refund policy; and

(iv) An institution shall return the total amount of Title IV, HEA program assistance (other than amounts received from the FWS Program) paid for institutional charges for the period of enrollment for which the student has been charged if the unpaid amount of the student's scheduled cash payment is greater than or equal to the amount that may be retained by the institution under the institution's refund policy.

(i)(i) A student must repay to the institution or to the Title IV, HEA programs a portion of the overpayment as determined according to paragraph (f) of this section. The institution shall make every reasonable effort to contact the student and recover the overpayment in accordance with program regulations (34 CFR parts 673, 690, and 691).

(ii) The portion of the overpayment that the student or the institution (if the institution recovers the overpayment) shall return to the Title IV, HEA programs may not exceed the amount of assistance received under the Title IV, HEA programs other than the FWS, FFEL, or Direct Loan Program for the period of enrollment for which the student has been charged.

(iii) Unless otherwise provided for in applicable program regulations—

(A) If the amount of the overpayment is less than $100, the student is considered not to owe an overpayment, and the institution is not required to contact the student or recover the overpayment; and

(B) If an institution demonstrates that the total amount of a refund would be $25 or less, the institution is not required to pay the refund, provided that the institution has obtained written authorization from the student in the enrollment agreement to retain any amount of the refund that would be allocated to the Title IV, HEA loan programs.

(h) Allocation of refunds and overpayments. (1) Except as provided in paragraph (h)(2) of this section, if a student who received Title IV, HEA program assistance (other than assistance under the FWS Program) is owed a refund calculated in accordance with paragraph (b) of this section, or if a student who received Title IV, HEA program assistance (other than assistance under the FWS, FFEL, or Direct Loan Program must repay an overpayment calculated in accordance with paragraph
(f) of this section, an institution shall allocate that refund and any overpayment collected from the student in the following order:

(i) To eliminate outstanding balances on unsubsidized Federal Stafford loans received by the student for the period of enrollment for which he or she was charged.

(ii) To eliminate outstanding balances on subsidized Federal Stafford loans received by the student for the period of enrollment for which he or she was charged.

(iii) To eliminate outstanding balances on Federal PLUS loans received on behalf of the student for the period of enrollment for which he or she was charged.

(iv) To eliminate outstanding balances on Direct Unsubsidized Loans received by the student for the period of enrollment for which he or she was charged.

(v) To eliminate outstanding balances on Direct Subsidized Loans received by the student for the period of enrollment for which he or she was charged.

(vi) To eliminate outstanding balances on Direct PLUS Loans received on behalf of the student for the period of enrollment for which he or she was charged.

(vii) To eliminate outstanding balances on Federal Perkins loans received by the student for the period of enrollment for which he or she was charged.

(viii) To eliminate any amount of Federal Pell Grants awarded to the student for the period of enrollment for which he or she was charged.

(ix) To eliminate any amount of Federal SEOG Program aid awarded to the student for the period of enrollment for which he or she was charged.

(x) To eliminate any amount of other assistance awarded to the student under programs authorized by Title IV of the HEA for the period of enrollment for which he or she was charged.

(xi) To repay required refunds of other Federal, State, private, or institutional student financial assistance received by the student.

(xii) To the student.

(2) The institution must apply the allocation policy described in paragraph (h)(1) of this section consistently to all students who have received Title IV, HEA program assistance and must confirm that policy to the following:

(i) No amount of the refund or of the overpayment may be allocated to the FWS Program.

(ii) No amount of overpayment may be allocated to the FFEL or Direct Loan Program.

(iii) The amount of the Title IV, HEA program portion of the refund allocated to the Federal Stafford Loan, and Federal PLUS programs must be returned to the appropriate borrower's lender by the institution in accordance with program regulations (34 CFR part 682).

(iv) The amount of the Title IV, HEA program portion of the refund allocated to the Title IV, HEA programs other than the FWS, and FFEL programs must be returned to the appropriate program account or accounts by the institution within 30 days of the date that the student officially withdraws, is expelled, or the institution determines that a student has unofficially withdrawn.

(v) The amount of the Title IV, HEA program portion of the overpayment allocated to the Title IV, HEA programs other than the FWS, FFEL, and Direct Loan Programs must be returned to the appropriate program account or accounts within 30 days of the date that the student repays the overpayment.

(i) Financial aid. For purposes of this section "financial aid" is assistance that a student has been or will be awarded (including Federal PLUS Loans and Direct PLUS Loans received on the student's behalf) from Federal; State; institutional; or other scholarship, grant, or loan programs.

(j) Refund dates. (1) Withdrawal date. (i) Except as provided in paragraph (j)(1)(ii) and (iii) of this section, a student's withdrawal date is the earlier of—

(A) The date that the student notifies an institution of the student's withdrawal, or the date of withdrawal specified by the student, whichever is later; or

(B) If the student drops out of the institution without notifying the institution (does not withdraw officially), the
last recorded date of class attendance by the student, as documented by the institution.

(ii) If the student does not return to the institution at the expiration of an approved leave of absence under paragraph (j)(2) of this section, or takes a leave of absence that is not approved under paragraph (j)(2) of this section, the student’s withdrawal date is the last recorded date of class attendance by the student, as documented by the institution.

(iii) If the student is enrolled in an educational program that consists predominantly of correspondence courses, the student’s withdrawal date is normally the date of the last lesson submitted by the student, if the student failed to submit the subsequent lesson in accordance with the schedule for lessons established by the institution. However, if the student establishes in writing, within 60 days of the date of the last lesson that he or she submitted, a desire to continue in the program and an understanding that the required lessons must be submitted on time, the institution may restore that student to “in school” status on this basis.

(2) Approved leave of absence. A student who has been granted a leave of absence by an institution is not considered to have withdrawn from the institution and is considered to be on an “approved leave of absence” for purposes of this section (and, for a Title IV, HEA program loan borrower, for purposes of terminating the student’s in-school status) under the following conditions—

(i) In any twelve-month period, the institution may grant a single leave of absence to a student, not to exceed 60 days;

(ii) The student must make a written request to be granted a leave of absence; and

(iii) The leave of absence may not involve additional charges by the institution to the student.

(3) Timely determination of withdrawal for students who drop out. An institution must determine the withdrawal date for a student who drops out within 30 days after the expiration of the earlier of the—

(i) Period of enrollment for which the student has been charged;

(ii) Academic year in which the student withdrew;

(iii) Educational program from which the student withdrew.

(4) Timely payment. An institution shall pay a refund that is due to a student—

(i) If a student officially withdraws or is expelled, within 30 days after the student’s withdrawal date;

(ii) If a student drops out, within 30 days of the earliest of the—

(A) Date on which the institution determines that the student dropped out;

(B) Expiration of the academic term in which the student withdrew; or

(C) Expiration of the period of enrollment for which the student has been charged;

(iii) If a student—

(A) Does not return to the institution at the expiration of an approved leave of absence under paragraph (j)(2) of this section, within 30 days after the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning to the institution after the expiration of an approved leave of absence;

(B) Is taking a leave of absence that is not approved under paragraph (j)(2) of this section, within 30 days after the last recorded date of class attendance by the student, as documented by the institution.

(2) Institutions. An institution that participates in any title IV, HEA program must at least annually have an independent auditor conduct a compliance audit of its administration of that program and an audit of the institution's general purpose financial statements.

(3) Third-party servicers. Except as provided under this part or 34 CFR part 662, with regard to complying with the provisions under this section a third-party servicer must follow the procedures contained in the audit guides developed by and available from the Department of Education's Office of Inspector General. A third-party servicer is defined under §668.2 and 34 CFR 662.200.

(4) Submission deadline. Except as provided by the Single Audit Act, Chapter 75 of title 31, United States Code, an institution must submit annually to the Secretary its compliance audit and audited financial statements no later than six months after the last day of the institution's fiscal year.

(5) Audit submission requirements. In general, the Secretary considers the compliance audit and audited financial statement submission requirements of this section to be satisfied by an audit conducted in accordance with the Office of Management and Budget Circular A–133, “Audits of Institutions of Higher Education and Other Nonprofit Organizations”; Office of Management and Budget Circular A–128, “Audits of State and Local Governments”, or the audit guides developed by and available from the Department of Education's Inspector General, whichever is applicable to the entity, and provided that the Federal student aid functions performed by that entity are covered in the submission. (Both OMB circulars are available by calling OMB's Publication Office at (202) 395-7332, or they can be obtained in electronic form on the OMB Home Page (http://www.whitehouse.gov).

(b) Compliance audits for institutions. (1) An institution's compliance audit must cover, on a fiscal year basis, all title IV, HEA program transactions, and must cover all of those transactions that have occurred since the period covered by the institution's last compliance audit.

(2) The compliance audit required under this section must be conducted in accordance with—

(i) The general standards and the standards for compliance audits contained in the U.S. General Accounting Office's (GAO's) Government Auditing Standards. (This publication is available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402); and

(ii) Procedures for audits contained in audit guides developed by, and available from, the Department of Education's Office of Inspector General.

(3) The Secretary may require an institution to provide a copy of its compliance audit report to guaranty agencies or eligible lenders under the FFEL programs, State agencies, the Secretary of Veterans Affairs, or nationally recognized accrediting agencies.

(c) Compliance audits for third-party servicers. (1) A third-party servicer that administers title IV, HEA programs for institutions does not have to have a compliance audit performed if—

(i) The servicer contracts with only one institution; and

(ii) The audit of that institution’s administration of the title IV, HEA programs involves every aspect of the servicer's administration of that program for that institution.

(2) A third-party servicer that contracts with more than one participating institution may submit a compliance audit report that covers the servicer's administration of the title IV, HEA programs for all institutions with which the servicer contracts.

(3) A third-party servicer must submit annually to the Secretary its compliance audit report that covers the servicer's administration of the title IV, HEA programs for all institutions with which the servicer contracts.

(4) The Secretary may require a third-party servicer to provide a copy of its compliance audit report to guaranty agencies or eligible lenders under the FFEL programs, State agencies,
the Secretary of Veterans Affairs, or nationally recognized accrediting agencies.

(d) Audited financial statements. (1) General. To enable the Secretary to make a determination of financial responsibility, an institution must, to the extent requested by the Secretary, submit to the Secretary a set of financial statements for its latest complete fiscal year, as well as any other documentation the Secretary deems necessary to make that determination. Financial statements submitted to the Secretary must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards, and other guidance contained in the Office of Management and Budget Circular A-133, "Audits of Institutions of Higher Education and Other Nonprofit Organizations"; Office of Management and Budget Circular A-128, "Audits of State and Local Governments"; or in audit guides developed by, and available from, the Department of Education’s Office of Inspector General, whichever is applicable. As part of these financial statements, the institution must include a detailed description of related entities based on the definition of a related entity as set forth in the Statement of Financial Accounting Standards (SFAS) 57. The disclosure requirements under this provision extend beyond those of SFAS 57 to include all related parties and a level of detail that would enable to Secretary to readily identify the related party. Such information may include, but is not limited to, the name, location and a description of the related entity including the nature and amount of any transactions between the related party and the institution, financial or otherwise, regardless of when they occurred.

(2) Submission of additional financial statements. To the extent requested by the Secretary in determining whether an institution is financially responsible, the Secretary may also require the submission of audited consolidated financial statements, audited full consolidating financial statements, audited combined financial statements or the audited financial statements of one or more related parties that have the ability, either individually or collectively, to significantly influence or control the institution, as determined by the Secretary.

(3) Audited financial statements for foreign institutions. A foreign institution must submit—

(i) Audited financial statements prepared in accordance with the generally accepted accounting principles of the institution’s home country, if the institution received less than $500,000 U.S. in title IV, HEA program funds during its most recently completed fiscal year; or

(ii) Audited financial statements translated to meet the requirements of paragraph (d) of this section, if the institution received $500,000 U.S. or more in title IV, HEA program funds during its most recently completed fiscal year.

(4) Disclosure of title IV HEA program revenue. A proprietary institution must disclose in a footnote to its financial statement audit the percentage of its revenues derived from the title IV, HEA program funds that the institution received during the fiscal year covered by that audit. The revenue percentage must be calculated in accordance with §600.5(d).

(5) Audited financial statements for third-party servicers. A third-party servicer that enters into a contract with a lender or guaranty agency to administer any aspect of the lender’s or guaranty agency’s programs, as provided under 34 CFR part 682, must submit annually an audited financial statement. This financial statement must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards and other guidance contained in audit guides issued by the Department of Education’s Office of Inspector General.

(e) Access to records. (1) An institution or a third-party servicer that has a compliance or financial statement audit conducted under this section must—

(i) Give the Secretary and the Inspector General access to records or other
documents necessary to review that audit, including the right to obtain copies of those records or documents; and
(ii) Require an individual or firm conducting the audit to give the Secretary and the Inspector General access to records, audit work papers, or other documents necessary to review that audit, including the right to obtain copies of those records, work papers, or documents.

(2) An institution must give the Secretary and the Inspector General access to records or other documents necessary to review a third-party servicer’s compliance or financial statement audit, including the right to obtain copies of those records or documents.

(f) Determination of liabilities. (1) Based on the audit finding and the institution’s or third-party servicer’s response, the Secretary determines the amount of liability, if any, owed by the institution or servicer and instructs the institution or servicer as to the manner of repayment.

(2) If the Secretary determines that a third-party servicer owes a liability for its administration of an institution’s title IV, HEA programs, the servicer must notify each institution under whose contract the servicer owes a liability of that determination. The servicer must also notify every institution that contracts with the servicer for the same service that the Secretary determined that a liability was owed.

(g) Repayments. (1) An institution or third-party servicer that must repay funds under the procedures in this section shall repay those funds at the direction of the Secretary within 45 days of the date of the Secretary’s notification, unless—
(i) The institution or servicer files an appeal under the procedures established in subpart H of this part; or
(ii) The Secretary permits a longer repayment period.
(2) Notwithstanding paragraphs (f) and (g)(1) of this section—
(i) If an institution or third-party servicer has posted surety or has provided a third-party guarantee and the Secretary questions expenditures or compliance with applicable requirements and identifies liabilities, then the Secretary may determine that deferring recourse to the surety or guarantee is not appropriate because—
(A) The need to provide relief to students or borrowers affected by the act or omission giving rise to the liability outweighs the importance of deferring collection action until completion of available appeal proceedings; or
(B) The terms of the surety or guarantee do not provide complete assurance that recourse to that protection will be fully available through the completion of available appeal proceedings; or
(ii) The Secretary may use administrative offset pursuant to 34 CFR part 30 to collect the funds owed under the procedures of this section.

(3) If, under the proceedings in subpart H, liabilities asserted in the Secretary’s notification, under paragraph (e)(1) of this section, to the institution or third-party servicer are upheld, the institution or third-party servicer must repay those funds at the direction of the Secretary within 30 days of the final decision under subpart H of this part unless—
(i) The Secretary permits a longer repayment period; or
(ii) The Secretary determines that earlier collection action is appropriate pursuant to paragraph (g)(2) of this section.

(4) An institution is held responsible for any liability owed by the institution’s third-party servicer for a violation incurred in servicing any aspect of that institution’s participation in the title IV, HEA programs and remains responsible for that amount until that amount is repaid in full.

(c) Report. An institution subject to this section shall annually, for the immediately preceding reporting year, prepare a report that contains the following information regarding intercollegiate athletics:

1. The number of male and female full-time undergraduate students that attended the institution.

2. A listing of the varsity teams that competed in intercollegiate athletic competition and for each team the following data:
   (i) The total number of participants, by team, as of the day of the first scheduled contest of the reporting year for the team.
   (ii) Total operating expenses attributable to those teams. For the purposes of this section, the term “operating expenses” means expenditures on lodging and meals, transportation, officials, uniforms and equipment. An institution—
      (A) Also may report those expenses on a per capita basis for each team; and
      (B) May report combined expenditures attributable to closely-related teams—such as track and field or swimming and diving. Those combinations must be reported separately for men’s and women’s teams.

7. (i) The average annual institutional salary of the head coaches of all men’s teams, across all offered sports, and the average annual institutional salary of the head coaches of all women’s teams, across all offered sports.
   (ii) If a head coach had responsibilities for more than one team and the institution does not allocate that coach’s salary by team, the institution shall divide the salary by the number of teams for which the coach had responsibility and allocate the salary among the teams on a basis consistent with the coach’s responsibilities for the different teams.

8. The average annual institutional salary of the assistant coaches of men’s teams, across all offered sports, and the average annual institutional salary of the assistant coaches of women’s teams, across all offered sports.

NOTE TO PARAGRAPH (c): The Secretary interprets the statute to require an institution to count all varsity team members as participants, and not merely those athletes who take part in a scheduled contest. “Participants” include all students who practice with the varsity team and receive coaching as of the day of the first scheduled intercollegiate contest of the designated reporting year, including junior varsity team and freshman team players if they are part of the overall varsity program. The Secretary believes that a reasonable count of participants would also cover all students who receive athletically-related student aid, including redshirts, injured student athletes,

§ 668.59 Consequences of a change in application information.

(a) For the Federal Pell Grant Program—

(1) Except as provided in paragraph (a)(2) of this section, if the information on an application changes as a result of the verification process, the institution shall require the applicant to resubmit his or her application information to the Secretary for corrections if—

(i) The institution recalculates the applicant’s EFC, determines that the applicant’s EFC changes, and determines that the change in the EFC changes the applicant’s Federal Pell Grant award; or

(ii) The institution does not recalculate the applicant’s EFC.

(2) An institution need not require an applicant to resubmit his or her application information to the Secretary, recalculate an applicant's EFC, or adjust an applicant's Federal Pell Grant award if, as a result of the verification process, the institution finds—

(i) No errors in nondollar items used to calculate the applicant’s EFC;

(ii) No dollar amount in excess of $400 as calculated by the net difference between the corrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid and the uncorrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid. If no Federal Income Tax Return was filed, income earned from work may be used in lieu of Adjusted Gross Income (AGI).

(b) For the Federal Pell Grant Program—

(1) If an institution does not recalculate an applicant’s EFC under the provisions of paragraph (a)(2) of this section, the institution shall calculate and disburse the applicant's Federal Pell Grant award on the basis of the applicant's original EFC.

(2)(i) Except as provided under paragraph (b)(2)(ii) of this section, if an institution recalculates an applicant’s EFC because of a change in application information resulting from the verification process, the institution shall—

(A) Require the applicant to resubmit his or her application to the Secretary;

(B) Recalculate the applicant’s Federal Pell Grant award on the basis of the EFC on the corrected SAR or ISIR; and

(C) Disburse any additional funds under that award only if the applicant provides the institution with the corrected SAR or ISIR and only to the extent that additional funds are payable based on the recalculation.

(ii) If an institution recalculates an applicant’s EFC because of a change in application information resulting from the verification process and determines that the change in the EFC increases the applicant’s award, the institution—

(A) May disburse the applicant’s Federal Pell Grant award on the basis of the original EFC without requiring the applicant to resubmit his or her application information to the Secretary; and

(B) Except as provided in §668.60(b), shall disburse any additional funds under the increased award reflecting the new EFC if the institution receives the corrected SAR or ISIR.

(c) For the campus-based, and Federal Stafford Loan or Federal Direct Stafford/Ford Direct Loan programs—

(1) Except as provided in paragraph (c)(2) of this section, if the information on an application changes as a result of the verification process, the institution shall—

(i) Recalculate the applicant’s EFC;

(ii) Adjust the applicant’s financial aid package for the campus-based, and Federal Stafford Loan or Federal Direct Stafford/Ford Direct Loan programs to reflect the new EFC if the new EFC results in an overaward of campus-based funds or decreases the applicant’s recommended loan amount.

(2) An institution need not recalculate an applicant’s EFC or adjust his or her aid package if, as a result of the verification process, the institution finds—

(i) No errors in nondollar items used to calculate the applicant’s EFC;
(ii) No dollar amount in excess of $400 as calculated by the net difference between the corrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid and the uncorrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid. If no Federal Income Tax Return was filed, income earned from work may be used in lieu of Adjusted Gross Income (AGI).

(d)(1) If the institution selects an applicant for verification for an award year who previously received a Direct Subsidized Loan for that award year, and as a result of verification the loan amount is reduced, the institution shall comply with the procedures specified in §668.61(b)(2).

(2) If the institution selects an applicant for verification for an award year who previously received a loan under the Federal Stafford Loan Program for that award year, and as a result of verification the loan amount is reduced, the institution shall comply with the procedures for notifying the borrower and lender specified in §668.61(b) and §682.604(h).

(e) If the applicant has received funds based on information which may be incorrect and the institution has made a reasonable effort to resolve the alleged discrepancy, but cannot do so, the institution shall forward the applicant's name, social security number, and other relevant information to the Secretary.

(a) An institution shall require an applicant selected for verification to submit to it, within the period of time it or the Secretary specifies, the documents set forth in §668.57 that are requested by the institution or the Secretary.

(b) For purposes of the campus-based Federal Stafford Loan, Federal Direct Stafford/Ford Loan programs—

(B) Continue to employ or allow an employer to employ the applicant under FWS;

(C) Certify the applicant's Federal Stafford Loan application or originate the applicant's Direct Subsidized Loan; or

(D) Process Federal Stafford Loan or Direct Subsidized Loan Direct Loan proceeds for the applicant;

(ii) The institution shall return to the lender, or to the Secretary, in the case of a Direct Subsidized Loan, any Federal Stafford Loan or Direct Subsidized Loan proceeds that otherwise would be payable to the applicant; and

(iii) The applicant shall repay to the institution any Federal Perkins Loan, FSEOG, or payments received for that award year;

(2) If the applicant provides the requested documentation after the time period established by the institution, the institution may, at its option, award aid to the applicant notwithstanding paragraph (b)(1)(i) of this section; and

(3) An institution may not withhold any Federal Stafford Loan proceeds from an applicant under paragraph (b)(1)(ii)(D) of this section for more than 45 days. If the applicant does not complete verification within the 45-day period, the institution shall return the Federal Stafford Loan proceeds to the lender.

(c) For purposes of the Federal Pell Grant Program—

(1) An applicant may submit a verified SAR to the institution or the institution may receive a verified ISIR after the applicable deadline specified in 34 CFR 660.61 but within an established additional time period set by the Secretary through publication of a notice in the Federal Register. If the institution receives a verified SAR or ISIR during the established additional time period, and the EFC on the two SARs or ISIRs are different, payment
§ 668.61 Recovery of funds.

(a) If an institution discovers, as a result of the verification process, that an applicant received under § 668.58(a)(2)(iii)(A) more financial aid than the applicant was eligible to receive, the institution shall eliminate the overpayment by—

(1) Adjusting subsequent financial aid payments in the award year in which the overpayment occurred; or

(2) Reimburse the appropriate program account by—

(i) Requiring the applicant to return the overpayment to the institution if the institution cannot correct the overpayment under paragraph (a)(1) of this section; or

(ii) Making restitution from its own funds, by the earlier of the following dates, if the applicant does not return the overpayment:

(A) Sixty days after the applicant's last day of attendance.

(B) The last day of the award year in which the institution disbursed Federal Pell Grant, Federal Perkins Loan, or FSEOG funds to the applicant.

(b)(1) If the institution determines as a result of the verification process that an applicant received Stafford Loan or proceeds for an award year in excess of the student's financial need for the loan, the institution shall withhold and promptly return to the lender or escrow agent any disbursement not yet delivered to the student that exceeds the amount of assistance for which the student is eligible, taking into account other financial aid received by the student. However, instead of returning the entire undelivered disbursement, the school may choose to return promptly to the lender only the portion of the disbursement for which the student is ineligible. In either case, the institution shall provide the lender with a written statement describing the reason for the returned loan funds.

(2) If the institution determines as a result of the verification process that a student received Direct Subsidized Loan proceeds for an award year in excess of the student's need for the loan, the institution shall reduce or cancel one or more subsequent disbursements to eliminate the amount in excess of the student's need.

(1) Adjusting subsequent financial aid payments in the award year in which the overpayment occurred; or

(2) Reimburse the appropriate program account by—

(i) Requiring the applicant to return the overpayment to the institution if the institution cannot correct the overpayment under paragraph (a)(1) of this section; or

(a) A participating institution or a third-party servicer that contracts with that institution acts in the nature of a fiduciary in the administration of the Title IV, HEA programs. (ii) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in Title IV, HEA programs.

(f) The debarment of a participating institution or third-party servicer, as applicable, under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4, or another Federal agency from participation in Federal programs, under procedures described in 34 CFR 85.201(c) terminates, for the duration of the debarment—

(3)(i) Withdraw the authority of the servicer to administer any aspect of any institution's participation in any Title IV, HEA program except in accordance with a particular procedure; and

(ii) Withdraw the authority of the servicer to administer any aspect of any institution's participation in any Title IV, HEA program in accordance with a particular procedure.

(b)(1) An initiating official begins an emergency action against a third-party servicer, the official also sends the notice to each institution that contracts with the servicer. The official also may transmit the notice by other, more expeditious means if practical.

(2) The emergency action takes effect on the date the initiating official mails the notice to the institution or servicer, as applicable.

(3) The notice states the grounds on which the emergency action is based, the consequences of the emergency action, and that the institution or servicer, as applicable, may request an opportunity to show cause why the emergency action is unwarranted.

(c)(1) An initiating official takes emergency action against an institution or third-party servicer only if that official—

(i) Receives information, determined by the official to be reliable, that the institution or servicer, as applicable, is violating any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA;

(ii) Determines that immediate action is necessary to prevent misuse of Title IV, HEA program funds; and

(iii) Determines that the likelihood of loss from that misuse outweighs the importance of awaiting completion of any proceeding that may be initiated to limit, suspend, or terminate, as applicable—

(A) The participation of the institution in one or more Title IV, HEA programs; or

(B) The eligibility of the servicer to contract with any institution to administer any aspect of the institution's participation in a Title IV, HEA program.

(2) Examples of violations of a Title IV, HEA program requirement that cause misuse and the likely loss of Title IV, HEA program funds include—

(i) Causing the commitment, disbursement, or delivery by any party of Title IV, HEA program funds in an amount that exceeds—

(A) The amount for which students are eligible; or
(B) The amount of principal, interest, or special allowance payments that would have been payable to the holder of a Federal Stafford or Federal PLUS loan if a refund allocable to that loan had been made in the amount and at the time required;

(ii) Using, offering to make available, or causing the use or availability of Title IV, HEA program funds for educational services if—

(A) The institution, servicer, or agents of the institution or servicer have made a substantial misrepresentation as described in §668.72, 668.73, or 668.74 related to those services;

(B) The institution lacks the administrative or financial ability to provide those services in full; or

(C) The institution, or servicer, as applicable, lacks the administrative or financial ability to compensate by appropriate refund for any portion of an educational program not completed by a student; and

(iii) Engaging in fraud involving the administration of a Title IV, HEA program. Examples of fraud include—

(A) Falsification of any document received from a student or pertaining to a student’s eligibility for assistance under a Title IV, HEA program;

(B) Falsification, including false certifications, of any document submitted by the institution or servicer to the Secretary;

(C) Falsification, including false certifications, of any document used for or pertaining to—

(1) The legal authority of an institution to provide postsecondary education in the State in which the institution is located; or

(2) The accreditation or preaccreditation of an institution or any of the institution’s educational programs or locations;

(D) Falsification, including false certifications, of any document submitted to a guaranty agency under the Federal Stafford Loan or Federal PLUS programs or an independent auditor;

(E) Falsification of any document submitted to a third-party servicer by an institution or to an institution by a third-party servicer pertaining to the institution’s participation in a Title IV, HEA program; and

(F) Falsification, including false certifications, of any document pertaining to the performance of any loan collection activity, including activity that is not required by the HEA or applicable program regulations.

(3) If the Secretary begins an emergency action against a third-party servicer, the Secretary may also begin an emergency action against any institution under whose contract a third-party servicer commits the violation.

(d)(1) Except as provided in paragraph (d)(2) of this section, after an emergency action becomes effective, an institution or third-party servicer, as applicable, may not—

(i) Make or increase awards or make other commitments of aid to a student under the applicable Title IV, HEA program;

(ii) Disburse either program funds, institutional funds, or other funds as assistance to a student under that Title IV, HEA program;

(iii) In the case of an emergency action pertaining to participation in the Federal Stafford Loan or Federal PLUS programs—

(A) Certify an application for a loan under that program;

(B) Deliver loan proceeds to a student under that program; or

(C) Retain the proceeds of a loan made under that program that are received after the emergency action takes effect; or

(iv) In the case of an emergency action against a third-party servicer, administer any aspect of any institution’s participation in any Title IV, HEA program.

(2) If the initiating official withdraws, by an emergency action, the authority of the institution or servicer to commit, disburse, deliver, or cause the commitment, disbursement, or delivery of Title IV, HEA program funds, or the authority of the servicer to administer any aspect of any institution’s participation in any Title IV, HEA program, except in accordance with a particular procedure specified in the notice of emergency action, the institution or servicer, as applicable, may not take any action described in paragraph (d)(1) of this section except in accordance with the procedure specified in the notice.
(e)(1) Upon request by the institution or servicer, as applicable, the Secretary provides the institution or servicer, as soon as practicable, with an opportunity to show cause that the emergency action is unwarranted or should be modified.

(2) An opportunity to show cause consists of an opportunity to present evidence and argument to a show-cause official. The initiating official does not act as the show-cause official for any emergency action that the initiating official has begun. The show-cause official is authorized to grant relief from the emergency action. The institution or servicer may make its presentation in writing or, upon its request, at an informal meeting with the show-cause official.

(3) The show-cause official may limit the time and manner in which argument and evidence may be presented in order to avoid unnecessary delay or the presentation of immaterial, irrelevant, or repetitious matter.

(4) The institution or servicer, as applicable, has the burden of persuading the show-cause official that the emergency action imposed by the notice is unwarranted or should be modified because—

(i) The grounds stated in the notice did not, or no longer, exist;

(ii) The grounds stated in the notice will not cause loss or misuse of Title IV, HEA program funds; or

(iii) The institution or servicer, as applicable, will use procedures that will reliably eliminate the risk of loss from the misuse described in the notice.

(5) The show-cause official continues, modifies, or revokes the emergency action promptly after consideration of any argument and evidence presented by the institution or servicer, as applicable, and the initiating official.

(6) The show-cause official notifies the institution or servicer, as applicable, of that official’s determination promptly after the completion of the show-cause meeting or, if no meeting is requested, after the official receives all the material submitted by the institution in opposition to the emergency action. In the case of a notice to a third-party servicer, the official also notifies each institution that contracts with the servicer of that determination. The show-cause official may explain that determination by adopting or modifying the statement of reasons provided in the notice of emergency action.

(f)(1) An emergency action does not extend more than 30 days after initiated unless the Secretary initiates a limitation, suspension, or termination proceeding under this part or under 34 CFR part 600 against the institution or servicer, as applicable, within that 30-day period, in which case the emergency action continues until a final decision is issued in that proceeding, as provided in §668.90(c), as applicable.

(2) Until a final decision is issued by the Secretary in a proceeding described in paragraph (f)(1) of this section, any action affecting the emergency action is at the sole discretion of the initiating official, or, if a show-cause proceeding is conducted, the show-cause official.

(3) If an emergency action extends beyond 180 days by virtue of paragraph (f)(1) of this section, the institution or servicer, as applicable, may then submit written material to the show-cause official to demonstrate that because of facts occurring after the later of the notice by the initiating official or the show-cause meeting, continuation of the emergency action is unwarranted and the emergency action should be modified or ended. The show-cause official considers any written material submitted and issues a determination that continues, modifies, or revokes the emergency action.

(g) The expiration of an emergency action, or its modification or revocation by the show-cause official, does not bar subsequent emergency action on a ground other than one specifically identified in the notice imposing the prior emergency action. Separate grounds may include violation of an agreement or limitation imposed or resulting from the prior emergency action.

(a) Scope and consequences. (1) The Secretary may suspend an institution's participation in a Title IV, HEA program or the eligibility of a third-party servicer to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program, if the institution or servicer—

(ii) Substantially misrepresents the nature of—
(A) in the case of an institution, its educational program, its financial charges, or the employability of its graduates; or
(B) in the case of a third-party servicer, as applicable, the educational program, financial charges, or employability of the graduates of any institution that contracts with the servicer.

(2) If the Secretary begins a suspension proceeding against a third-party servicer, the Secretary also may begin a fine, limitation, suspension, or termination proceeding against any institution under whose contract a third-party servicer commits the violation.

(3) The suspension may not exceed 60 days unless—

The designated department official may also transmit the notice by other, more expeditious means if practical. The notice—
(i) Informs the institution or servicer of the intent of the Secretary to suspend the institution's participation or the servicer's eligibility, as applicable, cites the consequences of that action, and identifies the alleged violations that constitute the basis for the action;

(iii) Informs the institution or servicer that the suspension will not be effective on the date specified in the notice, except as provided in §668.90(b)(2), if the designated department official receives from the institution or servicer, as applicable, by that date a request for a hearing or written material indicating why the suspension should not take place; and

§ 668.86 Limitation or termination proceedings.

(a) Scope and consequences. (B) In the case of a third-party servicer, as applicable, the educational program, financial charges, or employability of the graduates of any institution that contracts with the servicer.

(2) If the Secretary begins a limitation or termination proceeding against a third-party servicer, the Secretary also may begin a fine, limitation, suspension, or termination proceeding against any institution under whose contract a third-party servicer commits the violation.

(3) The consequences of the limitation or termination of the institution's participation or the servicer's eligibility are described in §§ 668.93 and 668.94, respectively.

(b) Procedures. (1) A designated department official begins a limitation or termination proceeding by sending an institution or third-party servicer a notice by certified mail, return receipt requested. In the case of a limitation or termination proceeding against a third-party servicer, the official also sends the notice to each institution that contracts with the servicer. The designated department official may also transmit the notice by other, more expeditious means if practical. This notice—

(i) Informs the institution or servicer of the intent of the Secretary to limit or terminate the institution's participation or servicer's eligibility, as applicable, cites the consequences of that action, and identifies the alleged violations that constitute the basis for the action, and, in the case of a limitation proceeding, states the limits to be imposed;

(ii)(A) Specifies the proposed effective date of the limitation or termination, which is at least 20 days after the date of mailing of the notice of intent; or

(B) In the case of a limitation or termination action based on an institution's FFEL Program cohort default rate, Direct Loan Program cohort rate, or, if applicable, weighted average cohort rate, the proposed effective date of the termination is no more than 30 days after the date of the mailing of the notice of intent.

(iii) Informs the institution or servicer that the limitation or termination will not be effective on the date specified in the notice if the designated department official receives from the institution or servicer, as applicable, by that date a request for a hearing or written material indicating why the limitation or termination should not take place; and

(iv) In the case of a limitation or termination proceeding against a third-party servicer, informs each institution that contracts with the servicer of the consequences of the action to the institution.

(2) If the institution or servicer does not request a hearing but submits written material, the designated department official, after considering that material, notifies the institution or, in the case of a third-party servicer, the servicer and each institution that contracts with the servicer that—

(i) The proposed action is dismissed;

(ii) Limitations are effective as of a specified date; or

(iii) The termination is effective as of a specified date.

(3) If the institution or servicer requests a hearing by the time specified in paragraph (b)(1)(iii) of this section, the designated department official sets the date and place. The date is at least 15 days after the designated department official receives the request. In the case of a hearing for an institution
subject to limitation or termination action because of its FFEL Program cohort default rate, Direct Loan Program cohort rate, or, if applicable, weighted average cohort rate, the hearing is set no later than 20 days after the date the designated department official receives the request. The limitation or termination does not take place until after the requested hearing is held.

(4) A hearing official conducts a hearing in accordance with §668.88.

(b) If the hearing official, the designated department official who brought a proceeding against an institution or third-party servicer under this subpart, and the institution or servicer, as applicable, agree, the hearing process may be expedited. Procedures to expedite the hearing process may include, but are not limited to, the following—

(2) The designated department official has the burden of persuasion in any fine, suspension, limitation or termination proceeding under this subpart.

(3) Discovery, as provided for under the Federal Rules of Civil Procedure, is not permitted.

(4) The hearing official accepts only evidence that is relevant and material to the proceeding and is not unduly repetitious.

(b)(1) The hearing official is not authorized to issue subpoenas.

(2) If requested by the hearing official, the parties to a hearing shall provide available personnel who have knowledge about the matter under review for oral or written examination.
§ 668.90

(c) The hearing official takes whatever measures are appropriate to expedite a hearing. These measures may include, but are not limited to, the following—

(1) Scheduling of conferences;

(2) Setting time limits for hearings and submission of written documents; and

(3) Terminating the hearing and issuing a decision against a party if that party does not meet those time limits.

(d) The hearing official is bound by all applicable statutes and regulations. The hearing official may not—

(1) Waive applicable statutes and regulations; or

(2) Rule them invalid.

(Authority: 20 U.S.C. 1094)

§ 668.90 Initial and final decisions—Appeals.

(a)(1)(i) A hearing official issues a written initial decision in a hearing by certified mail, return receipt requested to—

(A) The designated department official who began a proceeding against an institution or third-party servicer;

(B) The institution or servicer, as applicable; and

(C) In the case of a proceeding against a third-party servicer, each institution that contracts with the servicer.

(ii) The hearing official may also transmit the notice by other, more expeditious means if practical.

(iii) The hearing official issues the decision within the latest of the following dates:

(A) The 30th day after the last submission is filed with the hearing official.

(B) The 60th day after the last submission is filed with the hearing official if the Secretary, upon request of the hearing official, determines that the unusual complexity of the case requires additional time for preparation of the decision.

(C) The 50th day after the last day of the hearing, if the hearing official does not request the parties to make any posthearing submission.

(D) For hearings regarding the limitation, suspension, or termination of an institution based on an institution’s FFEL Program cohort default rate, Direct Loan Program cohort rate, or, if applicable, weighted average cohort rate, the 30th day after the conclusion of the hearing.

(2) The hearing official’s initial decision states whether the imposition of the fine, limitation, suspension, or termination sought by the designated department official is warranted, in whole or in part. If the designated department official brought a termination action against the institution or servicer, the hearing official may, if appropriate, issue an initial decision to fine the institution or servicer, as applicable, or, rather than terminating the institution’s participation or servicer’s eligibility, as applicable, impose one or more limitations on the institution’s participation or servicer’s eligibility.

(3) Notwithstanding the provisions of paragraph (a)(2) of this section—

(i) If, in a termination action against an institution, the hearing official finds that the institution has violated the provisions of § 668.14(b)(18), the hearing official also finds that termination of the institution’s participation is warranted;

(ii) If, in a termination action against a third-party servicer, the hearing official finds that the servicer has violated the provisions of § 668.82(d)(1), the hearing official also finds that termination of the institution’s participation or servicer’s eligibility, as applicable, is warranted;

(iii) If an action brought against an institution or third-party servicer involves its failure to provide surety in the amount specified by the Secretary under § 668.15, the hearing official finds that the amount of the surety established by the Secretary was appropriate, unless the institution can demonstrate that the amount was unreasonable;

(iv) In a limitation, suspension, or termination proceeding commenced on the grounds described in § 668.17(a)(2) and (3), if the hearing official finds that an institution’s FFEL Program cohort default rate, Direct Loan Program cohort rate, or, if applicable, weighted
average cohort rate meets the conditions specified in §668.17(a) (2) and (3) for initiation of limitation, suspension, or termination proceedings, the hearing official also finds that the sanction sought by the designated department official is warranted, except that the hearing official finds that no sanction is warranted if the institution presents clear and convincing evidence demonstrating that the FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate on which the proposed action is based is not the final rate determined by the Department and that the correct rate would result in the institution having an FFEL Program cohort default rate, Direct Loan Program cohort rate, or weighted average cohort rate that is beneath the thresholds that make the institution subject to limitation, suspension, or termination action.

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

(v) In a termination action taken against an institution or third-party servicer based on the grounds that the institution or servicer failed to comply with the requirements of §668.23(c)(3), if the hearing official finds that the institution or servicer failed to meet those requirements, the hearing official finds that the termination is warranted;

(vi) In a termination action against an institution based on the grounds that the institution is not financially responsible under §668.15(c)(1), the hearing official finds that the termination is warranted unless the institution demonstrates that all applicable conditions described in §668.15(d)(4) have been met; and

(vii) In a termination action against an institution or third-party servicer on the grounds that the institution or servicer, as applicable, engaged in fraud involving the administration of any Title IV, HEA program, the hearing official finds that the termination action is warranted if the hearing official finds that the institution or servicer, as applicable, engaged in that fraud. Examples of fraud include—

(A) Falsification of any document received from a student or pertaining to a student’s eligibility for assistance under a Title IV, HEA program;
(B) Falsification, including false certifications, of any document submitted by the institution or servicer to the Department of Education;
(C) Falsification, including false certifications, of any document used for or pertaining to—

1. The legal authority of an institution to provide postsecondary education in the State in which the institution is located; or
2. The accreditation or preaccreditation of an institution or any of the institution’s educational programs or locations;
(D) Falsification, including false certifications, of any document submitted to a guaranty agency under the Federal Stafford Loan, Federal PLUS, and Federal SLS programs, an independent auditor, an eligible institution, or a third-party servicer;
(E) Falsification of any document submitted to a third-party servicer by an institution or to an institution by a third-party servicer pertaining to the institution’s participation in a Title IV, HEA program; and
(F) Falsification, including false certifications, of any document pertaining to the performance of any loan collection activity, including activity that is not required by the HEA or applicable program regulations.

(4) The hearing official bases findings of fact only on evidence considered at the hearing and on matters given judicial notice. If a hearing is conducted solely through written submissions, the parties must agree to findings of fact.

(b)(1) In a suspension proceeding, the Secretary reviews the hearing official’s initial decision and issues a final decision within 20 days after the initial decision. The Secretary adopts the initial decision unless it is clearly unsupported by the evidence presented at the hearing.

(2) The Secretary notifies the institution or servicer and, in the case of a suspension proceeding against a third-party servicer, each institution that contracts with the servicer of the final decision. If the Secretary suspends the institution’s participation or servicer’s
eligibility, the suspension takes effect on the later of—
   (i) The day that the institution or servicer receives the notice; or
   (ii) The date specified in the designated department official's original notice of intent to suspend the institution's participation or servicer's eligibility.

(3) A suspension may not exceed 60 days unless a designated department official begins a limitation or termination proceeding under this subpart before the expiration of that period. In that case, the period may be extended until a final decision is issued in that proceeding according to paragraph (c) of this section.

(c)(1) In a fine, limitation, or termination proceeding, the hearing official's initial decision automatically becomes the Secretary's final decision 30 days after the initial decision is issued and received by both parties unless, within that 30-day period, the institution or servicer, as applicable, or the designated department official appeals the initial decision to the Secretary.

(2)(i) A party may appeal the hearing official's initial decision by submitting to the Secretary, within 30 days after the party receives the initial decision, a brief or other written statement that explains why the party believes that the Secretary should reverse or modify the decision of the hearing official.

(ii) At the time the party files its appeal submission, the party shall provide a copy of that submission to the opposing party.

(iii) The opposing party shall submit its brief or other responsive statement to the Secretary, with a copy to the appellant, within 30 days after the opposing party receives the appellant's brief or written statement.

(iv) The appealing party may submit proposed findings of fact or conclusions of law. However, the proposed findings of fact must be supported by—
   (A) The evidence introduced into the record at the hearing;
   (B) Stipulations of the parties if the hearing consisted of written submissions; or
   (C) Matters that may be judicially noticed.

(v) Neither party may introduce new evidence on appeal.

(vi) The initial decision of the hearing official imposing a fine or limiting or terminating the institution's participation or servicer's eligibility does not take effect pending the appeal.

(vii) The Secretary renders a final decision. The Secretary may delegate to a designated department official the functions described in paragraph (c)(2) through (ix) of this section.

(viii) In rendering a final decision, the Secretary considers only evidence introduced into the record at the hearing and facts agreed to by the parties if the hearing consisted only of written submissions and matters that may be judicially noticed.

(ix) If the hearing official finds that a termination is warranted pursuant to paragraph (a)(3) of this section, the Secretary may affirm, modify, or reverse the initial decision, or may remand the case to the hearing official for further proceedings consistent with the Secretary's decision. If the Secretary affirms the initial decision without issuing a statement of reasons, the Secretary adopts the opinion of the hearing official as the decision of the Secretary. If the Secretary modifies, remands, or reverses the initial decision, in whole or in part, the Secretary's decision states the reasons for the action taken.

§ 668.92 Fines.

(a) In determining the amount of a fine, the designated department official, hearing official, and Secretary take into account—

(1) (i) The gravity of an institution's or third-party servicer's violation or failure to carry out the relevant statutory provision, regulatory provision, special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA; or

(ii) The gravity of the institution's or servicer's misrepresentation;

(2) The size of the institution;

(3) The size of the servicer's business, including the number of institutions and students served by the servicer;

(5) For purposes of assessing a fine on a third-party servicer, the extent to which—

(i) Violations are caused by repeated mechanical systemic unintentional errors. The Secretary counts the total of violations caused by a repeated mechanical systemic unintentional error as a single violation, unless the servicer has been cited for a similar violation previously and had failed to make the appropriate corrections to the system; and

(ii) The financial loss of Title IV, HEA program funds was attributable to a repeated mechanical systemic unintentional error.

(b) In determining the gravity of the institution's or servicer's violation, failure, or misrepresentation under paragraph (a) of this section, the designated department official, hearing official, and Secretary take into account the amount of any liability owed by the institution and any third-party servicer that contracts with the institution, and the number of students affected as a result of that violation, failure, or misrepresentation on—

(1) Improperly expended or unspent Title IV, HEA program funds received by the institution or servicer, as applicable; or

(2) Required refunds.
§ 668.93 Limitation.

A limitation may include, as appropriate to the Title IV, HEA program in question—
(a) A limit on the number or percentage of students enrolled in an institution who may receive Title IV, HEA program funds;
(b) A limit, for a stated period of time, on the percentage of an institution's total receipts from tuition and fees derived from Title IV, HEA program funds;
(c) A limit on the number or size of institutions with which a third-party servicer may contract;
(d) A limit on the number of borrower or loan accounts that a third-party servicer may service under a contract with an institution;

(h) A requirement that a third-party servicer obtain surety, in a specified amount, to assure the servicer's ability to meet the servicer's financial obligations under a contract; or
(i) Other conditions as may be determined by the Secretary to be reasonable and appropriate.

(3) Prohibits an institution or third-party servicer, as applicable, or the Secretary from making or increasing awards under that program;
(4) Prohibits an institution or third-party servicer, as applicable, from making any other new commitments of funds under that program; and

(c) If a third-party servicer's eligibility is terminated, the servicer must return to each institution that contracts with the servicer any funds received by the servicer under the applicable Title IV, HEA program on behalf of the institution or the institution's students or otherwise dispose of those funds under instructions from the Secretary. The servicer also must return to each institution that contracts with the servicer all records pertaining to the servicer's administration of that program on behalf of that institution.

applicable, of any statutory provision, or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA.

(b) The corrective action may include payment of any funds to the Secretary, or to designated recipients, that the institution or servicer, as applicable, improperly received, withheld, disbursed, or caused to be disbursed. Corrective action may, for example, relate to—

(a) When the Secretary receives a complete application from a test publisher, the Secretary selects experts in the field of educational testing and assessment, who possess appropriate advanced degrees and experience in test development or psychometric research, to determine whether the test meets the requirements for test approval contained in §§ 668.146, 668.147, 668.148, or 668.149, as appropriate, and to advise the Secretary of their determinations;

(2) If the test involves a language other than English, the Secretary selects at least one individual described in paragraph (a)(1) of this section who is fluent in the language in which the test is written to advise the Secretary on whether the test meets the additional criteria, provisions, and conditions for test approval contained in §§ 668.148 and 668.149;

(b) The Secretary determines whether the test publisher’s test meets the criteria and requirements for approval after taking the advice of the experts into account;

(c) (1) If the Secretary determines that a test satisfies the criteria and requirements for test approval, the Secretary notifies the test publisher of the Secretary’s decision, and publishes the name of the test and the passing scores in the Federal Register.

(2) If the Secretary determines that a test does not satisfy the criteria and requirements for test approval, the Secretary notifies the test publisher of the Secretary’s decision, and the reasons why the test did not meet those criteria and requirements.

(3) The test publisher may request that the Secretary reevaluate the Secretary’s decision. Such a request must be accompanied by—

(i) Documentation and information that address the reasons for the non-approval of the test; and

(ii) An analysis of why the information and documentation submitted meet the criteria and requirements for test approval notwithstanding the Secretary’s earlier decision to the contrary.

(d) (1) The Secretary approves a test for a period not to exceed five years from the date of the Secretary’s written notice to the test publisher.
§ 668.146 Criteria for approving tests.

(3) Except as provided in §§668.148 and 668.149, provide tables of distributions of test scores which clearly indicate the mean score and standard deviation for high school graduates who have taken the test within three years prior to the date on that the test is submitted to the Secretary for approval under §668.144;
(4) Norm the test with—
   (i) Groups that were of sufficient size to produce defensible standard errors of the mean and were not disproportionately composed of any race or gender; and
   (ii) A contemporary population representative of persons who are beyond the usual age of compulsory school attendance in the United States; and
(5) If test batteries include sub-tests assessing different verbal and/or quantitative skills, a distribution of test scores as described in paragraph (c)(3) of this section that allows the Secretary to prescribe either—
   (i) A passing score for each sub-test; or
   (ii) One composite passing score for each sub-test;

   (i) Linguistically accurate and culturally sensitive to the population for which the test is designed, regardless of the language in which the test is written;
   (ii) Supported by documentation detailing the development of normative data;
   (iii) If translated from an English version, supported by documentation of procedures to determine its reliability and validity with reference to the population for which the translated test was designed;
   (iv) Developed in accordance with guidelines provided in the 1985 edition of the ‘‘Testing Linguistic Minorities’’ section of the Standards for Educational and Psychological Testing, with amendments dated June 2, 1989, prepared by a joint committee of the American Educational Research Association, the American Psychological Association, and the National Council on Measurement in Education incorporated by reference in this section. § 668.149 Special provisions for the approval of assessment procedures for special populations for whom no tests are reasonably available

If no test is reasonably available for persons with disabilities or students whose native language is not English and who are not fluent in English, so that no test can be approved under §§ 668.146 or 668.148 for these students, the following procedures apply:

(a) Persons with disabilities.

(1) The Secretary considers a modified test or testing procedure, or instrument that has been scientifically developed specifically for the purpose of evaluating the ability to benefit from postsecondary training or education of disabled students to be an approved test for purposes of this subpart provided that the testing procedure or instrument measures both basic verbal and quantitative skills at the secondary school level.

(2) The Secretary considers the passing scores for these testing procedures or instruments to be those recommended by the test developer, provided that the test administrator—

(i) Uses those procedures or instruments;

(ii) Maintains appropriate documentation, including a description of the procedures or instruments, their content domains, technical properties, and scoring procedures; and

(iii) Provide two or more parallel, equated forms of the test, or, if parallel forms are generated from an item pool, provide documentation of the methods of item selection for alternate forms; and

(b) If a test is designed solely to measure the English language competence of non-native speakers of English—

(1) The test must meet the criteria set forth in § 668.146(b)(6), and § 668.146 (c)(1), (c)(2), and (c)(4); and

(2) The test publisher must recommend a passing score based on the mean score of test takers beyond the age of compulsory school attendance who entered U.S. high school equivalency programs, formal training programs, or bilingual vocational programs.

(Approved by the Office of Management and Budget under control number 1840–0627).

(Authority: 20 U.S.C. 1091(d))
(iii) Observes recommended passing scores.
(b) Students whose native language is not English. The Secretary considers a test in a student's native language for a student whose native language is not English to be an approved test under this subpart if—
(1) The Secretary has not approved any test in that native language;
(2) The test was not previously rejected for approval by the Secretary;
(3) The test measures both basic verbal and quantitative skills at the secondary school level; and
(4) The passing scores and the methods for determining the passing scores are fully documented.

§ 668.150 Agreement between the Secretary and a test publisher.
(a) If the Secretary approves a test under this subpart, the test publisher must enter into an agreement with the Secretary that contains the provisions set forth in paragraph (b) of this section before an institution may use the test to determine a student's eligibility for Title IV, HEA program funds.
(b) The agreement between a test publisher and the Secretary provides that the test publisher shall—
(1) Allow only test administrators that it certifies to give its test;
(2) Certify test administrators who have—
   (i) The necessary training, knowledge, and skill to test students in accordance with the test publisher's testing requirements; and
   (ii) The ability and facilities to keep its test secure against disclosure or release;
(3) Decertify a test administrator for a period that coincides with the period for which the publisher's test is approved if the test publisher finds that the test administrator—
   (i) Has repeatedly failed to give its test in accordance with the publisher's instructions;
   (ii) Has not kept the test secure;
   (iii) Has compromised the integrity of the testing process; or
   (iv) Has given the test in violation of the provisions contained in §668.151;
(4) Score a test answer sheet that it receives from a test administrator;
(5) If a computer-based test, provide the test administrator with software that will:
   (i) Immediately generate a score report for each test taker;
   (ii) Allow the test administrator to send to the test publisher a secure write-protected diskette copy of the test taker's performance on each test item and the test taker's test scores; and
   (iii) Prohibit any changes in test taker responses or test scores;
(6) Promptly send to the student and the institution the student indicated he or she is attending or scheduled to attend a notice stating the student's score for the test and whether or not the student passed the test;
(7) Keep for a period of three years each test answer sheet or electronic record forwarded for scoring and all other documents forwarded by the test administrator with regard to the test;
(8) Three years after the date the Secretary approves the test and for each subsequent three-year period, analyze the test scores of students to determine whether the test scores produce any irregular pattern that raises an inference that the tests were not being properly administered, and provide the Secretary with a copy of this analysis; and
(9) Upon request, give the Secretary, a guaranty agency, or an accrediting agency access to test records or other documents related to an audit, investigation, or program review of the institution, test publisher, or test administrator.
(c)(1) The Secretary may terminate an agreement with a test publisher if the test publisher fails to carry out the terms of the agreement described in paragraph (b) of this section.
(2) Before terminating the agreement, the Secretary gives the test publisher the opportunity to show that it has not failed to carry out the terms of its agreement.
(3) If the Secretary terminates an agreement with a test publisher under
this section, the Secretary notifies institutions through publication in the Federal Register when they may no longer use the publisher's test(s) for purposes of determining a student's eligibility for Title IV, HEA program funds.

§ 668.151 Administration of tests.

(a)(1) To establish a student's eligibility for Title IV, HEA program funds under this subpart, if a student has not passed an approved state test, under §668.143, an institution must select a certified test administrator to give an approved test.

(2) An institution may use the results of an approved test to determine a student's eligibility to receive Title IV, HEA programs funds if the test was independently administered and properly administered.

(b) The Secretary considers that a test is independently administered if the test is—

(1) Given at an assessment center by a test administrator who is an employee of the center; or

(2) Given by a test administrator who—

(i) Has no current or prior financial or ownership interest in the institution, its affiliates, or its parent corporation, other than the interest obtained through its agreement to administer the test, and has no controlling interest in any other educational institution;

(ii) Is not a current or former employee of or consultant to the institution, its affiliates, or its parent corporation, a person in control of another institution, or a member of the family of any of these individuals;

(iii) Is not a current or former member of the board of directors, a current or former employee of or a consultant to a member of the board of directors, chief executive officer, chief financial officer of the institution or its parent corporation or at any other institution, or a member of the family of any of the above individuals; and

(iv) Is not a current or former student of the institution.

(c) The Secretary considers that a test is not independently administered if an institution—

(1) Compromises test security or testing procedures;

(2) Pays a test administrator a bonus, commission, or any other incentive based upon the test scores or pass rates of its students who take the test;

(3) Otherwise interferes with the test administrator's independence or test administration.

(d) The Secretary considers that a test is properly administered if the test administrator—

(1) Is certified by the test publisher to give the publisher's test;

(2) Administers the test in accordance with instructions provided by the test publisher, and in a manner that ensures the integrity and security of the test;

(3) Makes the test available only to a test-taker, and then only during a regularly scheduled test;

(4) Secures the test against disclosure or release;

(5) Submits the completed test to the test publisher within two business days after test administration in accordance with the test publisher's instructions; and

(6) Upon request, gives the Secretary, guaranty agency, licensing agency, accrediting agency, and law enforcement agencies access to test records or other documents related to an audit, investigation, or program review of the institution, or test publisher.

(e) Except as provided in §668.152, a certified test administrator may not score a test.

(f) A student who fails to pass a test approved under this subpart may not retake the same form of the test for the period prescribed by the test's publisher.

(g) An institution shall maintain a record for each student who took a test under this subpart of—

(1) The test taken by the student;

(2) The date of the test; and
§ 668.152 Administration of tests by assessment centers.

(a)(1) If a test is given by an assessment center, the assessment center shall properly administer the test as described in §668.151(d).

(2) [Reserved]

(b)(1) Unless an agreement between a test publisher and an assessment center indicates otherwise, an assessment center scores the tests it gives and promptly notifies the institution and the student of the student's score on the test and whether the student passed the test.

(2) If the assessment center scores the test, it must provide annually to the test publisher—

(i) All copies of completed tests; or

(ii) A report listing all test-takers' scores and institutions to which the scores were sent.

§ 668.153 Administration of tests for students whose native language is not English or for persons with disabilities.

Except as provided in §668.143—

(a) Students whose native language is not English. For a student whose native language is not English and who is not fluent in English, the institution shall use the following tests, as applicable:

(1) If the student is enrolled in a program conducted entirely in his or her native language, the student must take a test approved under §§668.146 and 668.148(a)(2), or 668.149(b).

(2) If the student is enrolled in a program that is taught in English with an ESL component, and the student is enrolled in that program and the ESL component, the student must take either an ESL test approved under §668.148(b), or a test in the student's native language approved under §§668.146, 668.148 or 668.149.

(3) If the student is enrolled in a program that is taught in English without an ESL component, or the student does not enroll in the ESL component if the institution offers such a component, the student must take a test in English approved under §668.146.

(4) If the student enrolls in an ESL program, the student must take an ESL test approved under §668.148(b); and

(b) Persons with disabilities. (1) An institution shall use a test described in §668.148(a)(3) or 668.149(a) for a student with a documented impairment who has neither a high school diploma nor its equivalent and who is applying for Title IV, HEA program funds.

(2) The test must reflect the student's skills and general learned abilities rather than reflect the student's impairment.

(3) The institution shall document that a student is disabled and unable to be evaluated by the use of a conventional test from the list of tests approved by the Secretary.

(4) Documentation of a student's impairment may be satisfied by—

(i) A written determination, including a diagnosis and recommended testing accommodations, by a licensed psychologist or medical physician; or

(ii) A record of such a determination by an elementary or secondary school or a vocational rehabilitation agency, including a diagnosis and recommended testing accommodations.

(Authority: U.S.C. 1091(d))

§ 668.154 Institutional accountability.

An institution shall be liable for the Title IV, HEA program funds disbursed to a student whose eligibility is determined under this subpart only if the institution—

(a) Used a test administrator who was not independent of the institution at the time the test was given;

(b) Compromises the testing process in any way; or
§ 668.155 Transitional rule for the 1996–97 award year.

(a) Notwithstanding any other provision of this part, an institution may continue to base an eligibility determination under section 484(d) of the HEA for a student on a test that was an approved test as of June 30, 1996, and the passing score on that test, until 60 days after the Secretary publishes in the FEDERAL REGISTER the name of an approved test and the passing score on that test that is appropriate for that student.

(b) If an institution properly based a student's eligibility determination for purposes of section 484(d) of the HEA on a test and passing score that was in effect on June 30, 1996, the institution does not have to redetermine the student's eligibility based upon a test and passing score that was approved under §§ 668.143 through 668.149.

(Authority: U.S.C. 1091(d))

§ 668.156 Approved State process.

(a)(1) A State that wishes the Secretary to consider its State process as an alternative to achieving a passing score on an approved, independently administered test for the purpose of determining a student's eligibility for Title IV, HEA program funds must apply to the Secretary for approval of that process.

(2) To be an approved State process, the State process does not have to include all the institutions located in that State, but must indicate which institutions are included.

(b) The Secretary approves a State's process if—

(1) The State administering the process can demonstrate that the students it admits under that process without a high school diploma or its equivalent, who enroll in participating institutions have a success rate as determined under paragraph (h) of this section that is within 95 percent of the success rate of students with high school diplomas; and

(2) The State's process satisfies the requirements contained in paragraphs (c) and (d) of this section.

(c) A State process must require institutions participating in the process to provide each student they admit without a high school diploma or its recognized equivalent with the following services—

(1) Orientation regarding the institution's academic standards and requirements, and student rights;

(2) Assessment of each student's existing capabilities through means other than a single standardized test;

(3) Tutoring in basic verbal and quantitative skills, if appropriate;

(4) Assistance in developing educational goals;

(5) Counseling, including counseling regarding the appropriate class level for that student given the student's individual's capabilities; and

(6) Follow-up by teachers and counselors regarding the student's classroom performance and satisfactory progress toward program completion.

(d) A State process must—

(1) Monitor on an annual basis each participating institution's compliance with the requirements and standards contained in the State's process;

(2) Require corrective action if an institution is found to be in noncompliance with the State process requirements; and

(3) Terminate an institution from the State process if the institution refuses or fails to comply with the State process requirements.

(e)(1) The Secretary responds to a State's request for approval of its process within six months after the Secretary's receipt of that request. If the Secretary does not respond by the end of six months, the State's process becomes effective.

(2) An approved State process becomes effective for purposes of determining student eligibility for Title IV, HEA program funds under this subpart six months after the date on which the Secretary approves, or does not disapprove, the process during that six month period.

(f) The Secretary approves a State process for a period not to exceed five years.
(g)(1) The Secretary withdraws approval of a State process if the Secretary determines that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(2) The Secretary provides a State with the opportunity to contest a finding that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(h) The State shall calculate the success rates as referenced in paragraph (b) of this section by—

(1) Determining the number of students with high school diplomas who, during the applicable award year described in paragraph (i) of this section, enrolled in participating institutions and—

(i) Successfully completed education or training programs;

(ii) Remained enrolled in education or training programs at the end of that award year; or

(iii) Successfully transferred to and remained enrolled in another institution at the end of that award year;

(2) Determining the number of students with high school diplomas who enrolled in education or training programs in participating institutions during that award year;

(3) Determining the number of students calculated in paragraph (h)(2) of this section who remained enrolled after subtracting the number of students who subsequently withdrew or were expelled from participating institutions and received a 100 percent refund of their tuition under the institutions’ refund policies;

(4) Dividing the number of students determined in paragraph (h)(1) of this section by the number of students determined in paragraph (h)(3) of this section;

(5) Making the calculations described in paragraphs (h)(1) through (h)(4) of this section for students without a high school diploma or its recognized equivalent who enrolled in participating institutions.

(i) For purposes of paragraph (h) of this section, the applicable award year for which information is available that immediately precedes the date on which the State requests the Secretary to approve its State process, except that the award year selected must be one of the latest two completed award years preceding that application date.

instead of the disbursement procedures and requirements under this subpart.

(b) Federal interest in title IV, HEA program funds. Except for funds received by an institution for administrative expenses and for funds used for the Job Location and Development Program under the FWS Programs, funds received by an institution under the title IV, HEA programs are held in trust for the intended student beneficiaries and the Secretary. FFEL program funds are also held in trust for the lenders and guaranty agencies, in addition to the student beneficiaries and the Secretary, under 34 CFR 682.207. The institution, as a trustee of Federal funds, may not use or hypothecate (i.e., use as collateral) title IV, HEA program funds for any other purpose.

(Authority: 20 U.S.C. 1094)

§ 668.162 Requesting funds.

(a) General. (1) The Secretary has sole discretion to determine the method under which the Secretary provides title IV, HEA program funds to an institution. In accordance with procedures established by the Secretary, the Secretary may provide funds to an institution under the advance, reimbursement, just-in-time, or cash monitoring payment methods.

(2) Each time an institution requests funds from the Secretary, the institution must identify the amount of funds requested by program and fiscal year designation that the Secretary assigned to the authorization for those funds.

(b) Advance payment method. Under the advance payment method—

(1) An institution submits a request for funds to the Secretary. The institution's request for funds may not exceed the amount of funds the institution needs immediately for disbursements the institution has made or will make to eligible students and parents;

(2) If the Secretary accepts that request, the Secretary initiates an electronic funds transfer (EFT) of that amount to a bank account designated by the institution; and

(3) The institution must disburse the funds requested as soon as administratively feasible but no later than three business days following the date the institution received those funds.

(c) Just-in-time payment method. Under the just-in-time payment method—

(1) For each student or parent that an institution determines is eligible for title IV, HEA program funds, the institution transmits electronically to the Secretary, within a timeframe established by the Secretary, records that contain program award information for that student or parent. As part of those records, the institution reports the date and amount of the disbursements that it will make or has made to that student or that student's parent;

(2) For each record the Secretary accepts for a student or parent, the Secretary provides by EFT the corresponding disbursement amount to the institution on or before the date reported by the institution for that disbursement;

(3) When the institution receives the funds for each record accepted by the Secretary, the institution may disburse those funds based on its determination at the time the institution transmitted that record to the Secretary that the student is eligible for that disbursement; and

(4) The institution must report any adjustment to a previously accepted record within the time established by the Secretary in a notice published in the FEDERAL REGISTER.

(d) Reimbursement payment method. Under the reimbursement payment method—

(1) An institution must first make disbursements to students and parents for the amount of funds those students and parents are eligible to receive under the Federal Pell Grant, Direct Loan, and campus-based programs before the institution may seek reimbursement from the Secretary for those disbursements. The Secretary considers an institution to have made a disbursement if the institution has either credited a student's account or paid a student or parent directly with its own funds;

(2) An institution seeks reimbursement by submitting to the Secretary a request for funds that does not exceed
§ 668.163 Maintaining and accounting for funds.

(a)(1) Bank or investment account. An institution must maintain title IV, HEA program funds in a bank or investment account that is Federally insured or secured by collateral of value reasonably equivalent to the amount of those funds.

(2) For each bank or investment account that includes title IV, HEA program funds, an institution must clearly identify that title IV, HEA program funds are maintained in that account by—

(i) Including in the name of each account the phrase "Federal Funds"; or

(ii)(A) Notifying the bank or investment company of the accounts that contain title IV, HEA program funds and retaining a record of that notice; and

(B) Except for a public institution, filing with the appropriate State or municipal government entity a UCC-1 statement disclosing that the account contains Federal funds and maintaining a copy of that statement.

(b) Separate bank account. The Secretary may require an institution to maintain title IV, HEA program funds in a separate bank or investment account that contains no other funds if the Secretary determines that the institution failed to comply with—

(1) The requirements in this subpart;

(2) The recordkeeping and reporting requirements in subpart B of this part; or

(3) Applicable program regulations.

(c) Interest-bearing or investment account. (1) An institution must maintain the Fund described in §674.8(a) of the Federal Perkins Loan Program regulations in an interest-bearing bank account or investment account consisting predominately of low-risk, income-producing securities, such as obligations issued or guaranteed by the United States. Interest or income earned on Fund proceeds are retained by the institution as part of the Fund.
(2) Except as provided in paragraph (c)(3) of this section, an institution must maintain Direct Loan, Federal Pell Grant, FSEOG, and FWS program funds in an interest-bearing bank account or an investment account as described in paragraph (c)(1) of this section.

(3) An institution does not have to maintain Direct Loan, Federal Pell Grant, FSEOG, and FWS program funds in an interest-bearing bank account or an investment account for an award year if—

(i) The institution drew down less than a total of $3 million of those funds in the prior award year and anticipates that it will not draw down more than that amount in the current award year;

(ii) The institution demonstrates by its cash management practices that it will not earn over $250 on those funds during the award year; or

(iii) The institution requests those funds from the Secretary under the just-in-time payment method.

(4) If an institution maintains Direct Loan, Federal Pell Grant, FSEOG, and FWS program funds in an interest-bearing or investment account, the institution may keep the initial $250 it earns on those funds during an award year. By June 30 of that award year, the institution must remit to the Secretary any earnings over $250.

(d) Accounting and internal control systems and financial records. (1) An institution must maintain accounting and internal control systems that—

(i) Identify the cash balance of the funds of each title IV, HEA program that are included in the institution's bank or investment account as readily as if those program funds were maintained in a separate account; and

(ii) Identify the earnings on title IV, HEA program funds maintained in the institution's bank or investment account.

(2) An institution must maintain its financial records in accordance with the provisions under §668.24.

(e) Standard of conduct. An institution must exercise the level of care and diligence required of a fiduciary with regard to maintaining and investing title IV, HEA program funds.

(Authority: 20 U.S.C. 1094)
§ 668.164

(ii) The number of excused absences under the written policy for purposes of this paragraph does not exceed the lesser of—

(A) The policy on excused absences of the institution’s accrediting agency or, if the institution has more than one accrediting agency, the agency designated under 34 CFR part 600.11(b); or

(B) The policy on excused absences of any State agency that licenses the institution or otherwise legally authorizes the institution to operate in the State; or

(C) Ten percent of the clock hours in the payment period.

(4) For purposes of paragraph (b)(3) of this section, an “excused absence” is an absence that a student does not have to make up.

(c) Direct payments. An institution pays a student or parent directly by—

(1) Releasing to the student or parent a check provided by a lender to the institution under an FFEL Program;

(2) Issuing a check or other instrument payable to and requiring the endorsement or certification of the student or parent. An institution issues a check by—

(i) Releasing or mailing the check to a student or parent; or

(ii) Notifying the student or parent that the check is available for immediate pickup;

(3) Initiating an electronic funds transfer (EFT) to a bank account designated by the student or parent; or

(4) Dispensing cash for which an institution obtains a signed receipt from the student or parent.

(d) Crediting a student’s account at the institution. (1) Without obtaining the student’s or parent’s authorization under §668.165, an institution may use title IV, HEA program funds to credit a student’s account at the institution to satisfy current charges for—

(i) Tuition and fees;

(ii) Board, if the student contracts with the institution for board; and

(iii) Room, if the student contracts with the institution for room.

(2) After obtaining the appropriate authorization from a student or parent under §668.165, the institution may use title IV, HEA program funds to credit a student’s account at the institution to satisfy—

(i) Current charges that are in addition to the charges described in paragraph (d)(1) of this section that were incurred by the student at the institution for educationally related activities; and

(ii) Minor prior award year charges if these charges are less than $100 or if the payment of these charges does not, and will not, prevent the student from paying his or her current educational costs.

(3) If an institution disburses Direct Loan Program funds by crediting a student’s account at the institution, the institution must first credit the student’s account with those funds to pay for outstanding current and authorized charges.

(4) For purposes of this paragraph, current charges refers to charges assessed the student by the institution for—

(i) The current award year; or

(ii) The loan period for which an institution certified or originated a loan under the FFEL or Direct Loan programs.

(e) Credit balances. Whenever an institution disburses title IV, HEA program funds by crediting a student’s account and the total amount of all title IV, HEA program funds credited exceeds the amount of tuition and fees, room and board, and other authorized charges the institution assessed the student, the institution must pay the resulting credit balance directly to the student or parent as soon as possible but—

(1) No later than 14 days after the balance occurred if the credit balance occurred after the first day of class of a payment period; or

(2) No later than 14 days after the first day of class of a payment period if the credit balance occurred on or before the first day of class of that payment period.

(f) Early disbursements. Except as provided under paragraph (f)(3) of this section—

(1) If a student is enrolled in a credit-hour educational program that is offered in semester, trimester, or quarter academic terms, the earliest an institution may disburse title IV, HEA program funds to a student or parent for any payment period is 10 days before
the first day of classes for a payment period.

(2) If a student is enrolled in a credit-hour educational program that is not offered in semester, trimester, or quarter academic terms, or in a clock hour educational program the earliest an institution may disburse title IV, HEA program funds to a student or parent for any payment period is the later of—

(i) Ten days before the first day of classes of the payment period; or

(ii) The date the student completed the previous payment period for which he or she received title IV, HEA program funds, except that this provision does not apply to the payment of Direct Loan or FFEL program funds under the conditions described in 34 CFR 685.301(b)(3)(ii), (b)(5), and (b)(6) and 34 CFR 682.604(c)(6)(i), (c)(7), and (c)(8), respectively.

(3) The earliest an institution may disburse the initial installment of a loan under the Direct Loan or FFEL programs to a first-year, first-time borrower as described in 34 CFR 682.604(c) and 34 CFR 685.303(b)(4) is 30 days after the first day of the student’s program of study.

(g) Late disbursements—(1) Ineligible students who may receive a late disbursement. An institution may make a late disbursement under paragraph (g)(2) of this section, if the student became ineligible solely because—

(i) For purposes of the Direct Loan and FFEL programs, the student is no longer enrolled at the institution as at least a half-time student for the loan period; and

(ii) For purposes of the Federal Pell Grant, FSEOG, and Federal Perkins Loan programs, the student is no longer enrolled at the institution for the award year.

(2) Conditions for late disbursements. An institution may disburse funds under a title IV, HEA program to an ineligible student and to the parent of an ineligible student as described in paragraph (g)(2) of this section, if, before the date the student became ineligible—

(i) The institution received a SAR from the student or an ISIR from the Secretary and the SAR or ISIR has an official expected family contribution calculated by the Secretary; and

(ii)(A) For a Direct Loan Program loan, the institution created the electronic origination record for that loan. An institution may not make a late second or subsequent disbursement of a Direct Subsidized or Direct Unsubsidized loan unless the student has graduated or successfully completed the period of enrollment for which the loan was intended;

(B) For an FFEL Program loan, the institution certified an application for that loan. An institution may not make a late second or subsequent disbursement of a Stafford loan unless the student has graduated or successfully completed the period of enrollment for which the loan was intended;

(C) For a Direct Loan or FFEL Program loan, the student completed the first 30 days of his or her program of study if the student was a first-year, first-time borrower as described in 34 CFR 682.604(c)(5) or 685.303(b)(4);

(D) For a Federal Pell Grant Program award, the institution received a valid SAR from the student or a valid ISIR from the Secretary; and

(E) For a Federal Perkins Loan Program loan or an FSEOG Program award, the student was awarded a loan or grant.

(3) Making a late disbursement. If a student or a parent borrower qualifies for a late disbursement under paragraphs (g)(2) and (3) of this section, the institution—

(i) May make that late disbursement of title IV, HEA program funds only if the funds are used to pay for educational costs that the institution determines the student incurred for the period in which the student was enrolled and eligible; and

(ii) Must make the late disbursement no later than 90 days after the date that student becomes ineligible under paragraph (g)(1) of this section.

(Authority: 20 U.S.C. 1094)
§686.165  34 CFR Ch. VI (7–1–99 Edition)

those funds include Direct Loan or FFEL Program funds, the notice must indicate which funds are from subsidized loans and which are from unsubsidized loans.

(2) If an institution credits a student’s account at the institution with Direct Loan, FFEL, or Federal Perkins Loan Program funds, the institution must notify the student, or parent of—

(i) The date and amount of the disbursement;

(ii) The student’s, right, or parent’s right to cancel all or a portion of that loan or loan disbursement and have the loan proceeds returned to the holder of that loan. However, the institution does not have to provide this information with regard to FFEL Program funds unless the institution received the loan funds from a lender through an EFT payment or master check; and

(iii) The procedures and the time by which the student or parent must notify the institution that he or she wishes to cancel the loan or loan disbursement.

(3) The institution must send the notice described in paragraph (a)(2) of this section—

(i) No earlier than 30 days before and no later than 30 days after crediting the student’s account at the institution; and

(ii) Either in writing or electronically. If the institution sends the notice electronically, it must require the recipient of the notice to confirm receipt of the notice and must maintain a copy of that confirmation.

(4)(i) A student or parent must inform the institution if he or she wishes to cancel all or a portion of a loan or loan disbursement.

(ii) The institution must return the loan proceeds, cancel the loan, or do both, in accordance with applicable program regulations if the institution receives a loan cancellation request either—

(A) Within 14 days after the date the institution sends the notice described in paragraph (a)(2) of this section; or

(B) If the institution sends the notice described in paragraph (a)(2) of this section more than 14 days prior to the first day of the payment period, by the first day of the payment period.

(iii) If a student or parent requests a loan cancellation after the period set forth in paragraph (a)(4)(ii) of this section, the institution may return the loan proceeds, cancel the loan, or do both, in accordance with applicable program regulations.

(5) An institution must inform a student or parent in writing or electronically regarding the outcome of any cancellation request.

(b) Student or parent authorizations.

(1) If an institution obtains written authorization from a student or parent, as applicable, the institution may—

(i) Disburse title IV, HEA program funds to a bank account designated by the student or parent;

(ii) Use the student’s or parent’s title IV, HEA program funds to pay for charges described in §668.164(d)(2) that are included in that authorization; and

(iii) Except if prohibited by the Secretary under the reimbursement method, hold on behalf of the student or parent any title IV, HEA program funds that would otherwise be paid directly to the student or parent under §668.164(e).

(2) In obtaining the student’s or parent’s authorization to perform an activity described in paragraph (b)(1) of this section, an institution—

(i) May not require or coerce the student or parent to provide that authorization;

(ii) Must allow the student or parent to cancel or modify that authorization at any time; and

(iii) Must clearly explain how it will carry out that activity.

(3) A student or parent may authorize an institution to carry out the activities described in paragraph (b)(1) of this section for the period during which the student is enrolled at the institution.

(4)(i) If a student or parent modifies an authorization, the modification takes effect on the date the institution receives the modification notice.

(ii) If a student or parent cancels an authorization to use title IV, HEA program funds to pay for authorized charges under §668.164(d)(2), the institution may use title IV, HEA program funds to pay only those authorized charges incurred by the student before the institution received the notice.
(iii) If a student or parent cancels an authorization to hold title IV, HEA program funds under paragraph (b)(1)(iii) of this section, the institution must pay those funds directly to the student or parent as soon as possible but no later than 14 days after the institution receives that notice.

(5) If an institution holds excess student funds under paragraph (b)(1)(iii) of this section, the institution must—

(i) Identify the amount of funds the institution holds for each student or parent in a subsidiary ledger account designed for that purpose;

(ii) Maintain, at all times, cash in its bank account in an amount at least equal to the amount of funds the institution holds for the student; and

(iii) Notwithstanding any authorization obtained by the institution under this paragraph, pay any remaining balance on loan funds by the end of the loan period and any remaining other title IV, HEA program funds by the end of the last payment period in the award year for which they were awarded.

§ 668.166 Excess cash.

(a) General. (1) The Secretary considers excess cash to be any amount of title IV, HEA program funds, other than Federal Perkins Loan Program funds, that an institution does not disburse to students or parents by the end of the third business day following the date the institution received those funds from the Secretary. Except as provided in paragraph (b) of this section, an institution must return promptly to the Secretary any amount of excess cash in its account or accounts.

(2) The provisions in this section do not apply to the title IV, HEA program funds that an institution receives from the Secretary under the just-in-time payment method.

(b) Excess cash tolerances. (1) If an institution draws down title IV, HEA program funds in excess of its immediate cash needs, the institution may maintain the excess cash balance in the account the institution established under § 668.164 only if—

(i) In the award year preceding that drawdown, the amount of that excess cash balance is less than—

(A) For a period of peak enrollment at the institution during which that drawdown occurs, three percent of its total prior-year drawdowns; or

(B) For any other period, one percent of its total prior-year drawdowns; and

(ii) Within the next seven days, the institution eliminates its excess cash balance by disburse title IV, HEA program funds to students or parents for at least the amount of that balance.

(2) For the purposes of this section, a period of peak enrollment at an institution occurs when at least 25 percent of the institution’s students start classes during a given 30-day period. For any award year, an institution calculates the percentage of students who started classes during a given 30-day period by—

(i) For the prior award year in which the 30-day period began, determining the number of students who started classes during that period;

(ii) Determining the total number of students who started classes during the entire award year used in paragraph (b)(2)(i) of this section;

(iii) Dividing the number of students in paragraph (b)(2)(i) of this section by the number of students in paragraph (b)(2)(ii) of this section; and

(iv) Multiplying the result obtained in paragraph (b)(2)(iii) of this section by 100.

(c) Consequences for maintaining excess cash balances. (1) If the Secretary finds that an institution maintains in its account excess cash balances greater than those allowed under paragraph (b) of this section, the Secretary—

(i) As provided in paragraph (c)(2) of this section, requires the institution to
reimburse the Secretary for the costs the Secretary deems to have incurred in making those excess funds available to the institution; and

(ii) May initiate a proceeding to fine, limit, suspend, or terminate the institution’s participation in one or more title IV, HEA programs under subpart G of this part.

(2) For the purposes of this section, upon a finding that an institution has maintained excess cash, the Secretary—

(i) Considers the institution to have issued a check on the date that the check cleared the institution’s bank account, unless the institution demonstrates to the satisfaction of the Secretary that it issued the check shortly after the institution wrote the check; and

(ii) Calculates, or requires the institution to calculate, a liability for maintaining excess cash balances in accordance with procedures established by the Secretary. Under those procedures, the Secretary assesses a liability that is equal to the difference between the earnings that the excess cash balances would have yielded if invested under the applicable current value of funds rate and the actual interest earned on those balances. The current value of funds rate is an annual percentage rate, published in a Treasury Financial Manual (TFM) bulletin, that reflects the current value of funds to the Department of Treasury based on certain investment rates. The current value of funds rate is computed each year by averaging investment rates for the 12-month period ending every September. The TFM bulletin is published annually by the Department of Treasury. Each annual bulletin identifies the current value of funds rate and the effective date of that rate.

§ 668.167 FFEL Program funds.

(a) Requesting FFEL Program funds. In certifying a loan application for a borrower under § 682.603—

(1) An institution may not request a lender to provide it with loan funds by EFT or master check earlier than—

(i) Twenty-seven days after the first day of classes of the first payment period for a first-year, first-time Federal Stafford Loan Program borrower as defined in §682.604(c)(5); or

(ii) Thirteen days before the first day of classes for any subsequent payment period for a first-year, first-time Federal Stafford Loan Program borrower or for any payment period for all other Federal Stafford Loan Program borrowers;

(2) An institution may not request a lender to provide it with loan funds by check requiring the endorsement of the borrower earlier than—

(i) The first day of classes of the first payment period for a first-year, first-time Federal Stafford Loan Program borrower as defined in §682.604(c)(5); or

(ii) Thirty days before the first day of classes for any subsequent payment period for a first-year, first-time Federal Stafford Loan Program borrower or for any payment period for all other Federal Stafford borrowers; and

(3)(i) An institution may not request a lender to provide it with loan funds by EFT or master check for any Federal PLUS Program loan earlier than 13 days before the first day of classes for any payment period.

(ii) An institution may not request a lender to provide with loan funds by check requiring the endorsement of loan funds by check requiring the endorsement of the borrower for any Federal PLUS Program loan earlier than 30 days before the first day of classes for any payment period.

(b) Returning funds to a lender. (1) Except as provided in paragraph (c) of this section, an institution must return FFEL Program funds to a lender if the institution does not disburse those funds to a student or parent for a payment period within—

(i) Ten business days following the date the institution receives the funds if the lender provides those funds to the institution by EFT or master check on or after July 1, 1997 but before July 1, 1999;

(ii) Three business days following the date the institution receives the funds if the lender provides those funds to the institution by EFT or master check on or after July 1, 1999; or

(iii) Thirty days after the institution receives the funds if a lender provides
those funds by a check payable to the borrower or copayable to the borrower and the institution.

(2) If the institution does not disburse the loan funds as specified in paragraph (b)(1) or (c) of this section, the institution must return those funds to the lender promptly but no later than 10 business days after the date the institution is required to disburse the funds.

(3) If an institution must return loan funds to the lender under paragraph (b)(2) of this section and the institution determines that the student is eligible to receive the loan funds, the school may disburse the funds to the student or parent rather than return them to the lender provided the funds are disbursed prior to the end of the applicable timeframe under paragraph (b)(2) of this section.

(c) Delay in returning funds to a lender.

An institution may delay returning FFEL program funds to a lender for—

(1) Ten business days after the date set forth in paragraph (b)(1) of this section if—

(i)(A) The institution does not disburse FFEL Program funds to a borrower because the student did not complete the required number of clock or credit hours in a preceding payment period; and

(B) The institution expects the student to complete required hours within this 10-day period; or

(ii)(A) The student has not met all the FFEL Programs eligibility requirements; and

(B) The institution expects the student to meet those requirements within this 10-day period; or

(2) Thirty days after the date set forth in paragraph (b) of this section for funds a lender provides by EFT or master check if the Secretary places the institution on the reimbursement payment method under paragraph (d) or (e) of this section.

(d) An institution placed under the reimbursement payment method.

(1) If the Secretary places an institution under the reimbursement payment method for the Federal Pell Grant, Direct Loan or campus-based programs, the institution—

(i) May not disburse FFEL Program funds to a borrower until the Secretary approves a request from the institution to make that disbursement for that borrower; and

(ii) If prohibited by the Secretary, may not certify a borrower’s loan application until the Secretary approves a request from the institution to make that certification for that borrower.

(2) In order for the Secretary to approve a disbursement or certification request from the institution, the institution must submit documentation to the Secretary or entity approved by the Secretary that shows that each borrower included in that request whose loan has not been disbursed or certified is eligible to receive that disbursement or certification.

(3) Pending the Secretary’s approval of a disbursement or certification request, the Secretary may—

(i) Prohibit the institution from endorsing a master check or obtaining a borrower’s endorsement of any loan check the institution receives from a lender;

(ii) Require the institution to maintain loan funds that it receives from a lender via EFT in a separate bank account that meets the requirements under §668.164; and

(iii) Prohibit the institution from certifying a borrower’s loan application.

(e) An institution participating solely in the FFEL Programs.

If the FFEL Programs are the only title IV, HEA programs in which an institution participates and the Secretary determines that there is a need to monitor strictly the institution’s participation in those programs, the Secretary may subject the institution to the conditions and limitations contained in paragraph (d) of this section, except that the Secretary may modify the documentation requirements and review procedures
used to approve the institution's disbursement or certification request.

Subpart L—Financial Responsibility

SOURCE: 62 FR 62877, Nov. 25, 1997, unless otherwise noted.

§ 668.171 General.

(a) Purpose. To begin and to continue to participate in any title IV, HEA program, an institution must demonstrate to the Secretary that it is financially responsible under the standards established in this subpart. As provided under section 486(c)(1) of the HEA, the Secretary determines whether an institution is financially responsible based on the institution's ability to—

(1) Provide the services described in its official publications and statements;
(2) Administer properly the title IV, HEA programs in which it participates; and
(3) Meet all of its financial obligations.

(b) General standards of financial responsibility. Except as provided under paragraphs (c) and (d) of this section, the Secretary considers an institution to be financially responsible if the Secretary determines that—

(1) The institution's Equity, Primary Reserve, and Net Income ratios yield a composite score of at least 1.5, as provided under § 668.172 and appendices F and G;
(2) The institution has sufficient cash reserves to make required refunds, as provided under § 668.173;
(3) The institution is current in its debt payments. An institution is not current in its debt payments if—

(i) It is in violation of any existing loan agreement at its fiscal year end, as disclosed in a note to its audited financial statements or audit opinion; or
(ii) It fails to make a payment in accordance with existing debt obligations for more than 120 days, and at least one creditor has filed suit to recover funds under those obligations; and
(4) The institution is meeting all of its financial obligations, including but not limited to—

(i) Refunds that it is required to make under § 668.22; and
(ii) Repayments to the Secretary for debts and liabilities arising from the institution's participation in the title IV, HEA programs.

(c) Public institutions. The Secretary considers a public institution to be financially responsible if the institution—

(1)(i) Notifies the Secretary that it is designated as a public institution by the State, local or municipal government entity, tribal authority, or other government entity that has the legal authority to make that designation; and
(ii) Provides a letter from an official of that State or other government entity confirming that the institution is a public institution; and
(2) Is not in violation of any past performance requirement under § 668.174.

(d) Audit opinions and past performance provisions. Even if an institution satisfies all of the general standards of financial responsibility under paragraph (b) of this section, the Secretary does not consider the institution to be financially responsible if—

(1) In the institution's audited financial statements, the opinion expressed by the auditor was an adverse, qualified, or disclaimed opinion, or the auditor expressed doubt about the continued existence of the institution as a going concern, unless the Secretary determines that a qualified or disclaimed opinion does not have a significant bearing on the institution's financial condition; or
(2) As provided under the past performance provisions in § 668.174 (a) and (b)(1), the institution violated a title IV, HEA program requirement, or the persons or entities affiliated with the institution owe a liability for a violation of a title IV, HEA program requirement.

(e) Administrative actions. If the Secretary determines that an institution is not financially responsible under the standards and provisions of this section or under an alternative standard in

500
§ 668.172 Financial ratios.

(a) Appendices F and G, ratio methodology. As provided under appendices F and G to this part, the Secretary determines an institution’s composite score by—

(1) Calculating the result of its Primary Reserve, Equity, and Net Income ratios, as described under paragraph (b) of this section;

(2) Calculating the strength factor score for each of those ratios by using the corresponding algorithm;

(3) Calculating the weighted score for each ratio by multiplying the strength factor score by its corresponding weighting percentage;

(4) Summing the resulting weighted scores to arrive at the composite score; and

(5) Rounding the composite score to one digit after the decimal point.

(b) Ratios. The Primary Reserve, Equity, and Net Income ratios are defined under appendix F for proprietary institutions, and under appendix G for private non-profit institutions.

(1) The ratios for proprietary institutions are:

For proprietary institutions:

Primary Reserve ratio = \[ \frac{\text{Adjusted Equity}}{\text{Total Expenses}} \]

Equity ratio = \[ \frac{\text{Modified Equity}}{\text{Modified Assets}} \]

Net Income ratio = \[ \frac{\text{Income Before Taxes}}{\text{Total Revenues}} \]

(2) The ratios for private non-profit institutions are:

Primary Reserve ratio = \[ \frac{\text{Expendable Net Assets}}{\text{Total Expenses}} \]

Equity Ratio = \[ \frac{\text{Modified Net Assets}}{\text{Modified Assets}} \]

Net Income ratio = \[ \frac{\text{Change in Unrestricted Net Assets}}{\text{Total Unrestricted Revenues}} \]

(c) Excluded items. In calculating an institution’s ratios, the Secretary—

(1) Generally excludes extraordinary gains or losses, income or losses from discontinued operations, prior period
§ 668.173 Refund reserve standards.

(a) General. The Secretary considers that an institution has sufficient cash reserves (as required under § 668.171(c)(2)) to make any refunds required under § 668.22 if the institution—

(1) Satisfies the requirements of a public institution under § 668.171(c)(1); or

(2) Is located in a State that has a tuition recovery fund approved by the Secretary and the institution contributes to that fund; or

(3) Demonstrates that it makes its refunds timely, as provided under paragraph (b) of this section.

(b) Timely refunds. An institution demonstrates that it makes required refunds within the time permitted under § 668.22 if the auditor(s) who conducted the institution's compliance audits for the institution's two most recently completed fiscal years, or the Secretary or a State or guaranty agency that conducted a review of the institution covering those fiscal years—

(1) Finds in the sample of student records audited or reviewed for each of those fiscal years that—

(i) Less than five percent of the refunds that the institution made within that sample were late (for purposes of determining the percentage of late refunds under this paragraph, the auditor or reviewer must include in the sample only those title IV, HEA program recipients who received or should have received a refund under § 668.22); or

(ii) The institution made only one late refund within that sample (regardless of the percentage of the refunds within that sample represented by the one late refund); and

(2) Did not note for either of those fiscal years a material weakness or a reportable condition in the institution’s report on internal controls that is related to refunds.

(c) Refund findings. Upon a finding that an institution no longer satisfies a refund standard under paragraph (a) (1) or (2) of this section, or that the institution is not making its refunds timely under paragraph (b) of this section, the institution must submit an irrevocable letter of credit, acceptable and payable to the Secretary, equal to 25 percent of the total amount of title IV, HEA program refunds the institution made or should have made during its most recently completed fiscal year. The institution must submit this letter of credit to the Secretary no later than—

(1) Thirty days after the date the institution is required to submit its compliance audit to the Secretary under § 668.23, if the finding is made by the auditor who conducted that compliance audit; or

(2) Thirty days after the date that the Secretary, or the State or guaranty agency that conducted a review of the institution notifies the institution of the finding. The institution must also notify the Secretary of that finding and of the State or guaranty agency that conducted that review of the institution.
(d) State tuition recovery funds. In determining whether to approve a State's tuition recovery fund, the Secretary considers the extent to which that fund—
(1) Provides refunds to both in-State and out-of-State students;
(2) Allocates all refunds in accordance with the order required under § 668.22; and
(3) Provides a reliable mechanism for the State to replenish the fund should any claims arise that deplete the fund's assets.

§ 668.174 Past performance.
(a) Past performance of an institution. An institution is not financially responsible if—
(1) Has been limited, suspended, terminated, or entered into a settlement agreement to resolve a limitation, suspension, or termination action initiated by the Secretary or a guaranty agency, as defined in 34 CFR part 682, within the preceding five years;
(2) In either of its two most recent compliance audits had an audit finding, or in a report issued by the Secretary had a program review finding for its current fiscal year or either of its preceding two fiscal years, that resulted in the institution's being required to repay an amount greater than 5 percent of the funds that the institution received under the title IV, HEA programs during the year covered by that audit or program review;
(3) Has been cited during the preceding five years for failure to submit in a timely fashion acceptable compliance and financial statement audits required under this part, or acceptable audit reports required under the individual title IV, HEA program regulations; or
(4) Has failed to resolve satisfactorily any compliance problems identified in audit or program review reports based upon a final decision of the Secretary issued pursuant to subpart G or H of this part.

(b) Past performance of persons affiliated with an institution. (1)(i) Except as provided under paragraph (b)(2) of this section, an institution is not financially responsible if a person who exercises substantial control over the institution, as described under 34 CFR 600.30, or any member or members of that person's family, alone or together—
(A) Exercises or exercised substantial control over another institution or a third-party servicer that owes a liability for a violation of a title IV, HEA program requirement; or
(B) Owes a liability for a violation of a title IV, HEA program requirement; and
(ii) That person, family member, institution, or servicer does not demonstrate that the liability is being repaid in accordance with an agreement with the Secretary.
(2) The Secretary may determine that an institution is financially responsible, even if the institution is not otherwise financially responsible under paragraph (b)(1) of this section, if—
(i) The institution notifies the Secretary, within the time permitted and in the manner provided under 34 CFR 600.30, that the person referenced in paragraph (b)(1) of this section exercises substantial control over the institution; and
(ii) The person referenced in paragraph (b)(1) of this section repaid to the Secretary a portion of the applicable liability, and the portion repaid equals or exceeds the greater of—
(A) The total percentage of the ownership interest held in the institution or third-party servicer that owes the liability by that person or any member or members of that person's family, either alone or in combination with one another;

(a) General. An institution that is not financially responsible under the general standards and provisions in §668.171, may begin or continue to participate in the title IV, HEA programs by qualifying under an alternate standard set forth in this section.

(b) Letter of credit alternative for new institutions. A new institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5, qualifies as a financially responsible institution by submitting an irrevocable letter of credit, that is acceptable and payable to the Secretary, for an amount equal to at least one-half of the amount of title IV, HEA program funds that the Secretary determines the institution will receive during its initial year of participation. A new institution is an institution that seeks to participate for the first time in the title IV, HEA programs.

(c) Letter of credit alternative for participating institutions. A participating institution that is not financially responsible either because it does not satisfy one or more of the standards of financial responsibility under
§ 668.171(b), or because of an audit opinion described under § 668.171(d), qualifies as a financially responsible institution by submitting an irrevocable letter of credit, that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than one-half of the title IV, HEA program funds received by the institution during its most recently completed fiscal year.

(d) Zone alternative. (1) A participating institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5 may participate in the title IV, HEA programs as a financially responsible institution for no more than three consecutive years, beginning with the year in which the Secretary determines that the institution qualifies under this alternative. (i)(A) An institution qualifies initially under this alternative if, based on the institution's audited financial statement for its most recently completed fiscal year, the Secretary determines that its composite score is in the range from 1.0 to 1.4; and

(B) An institution continues to qualify under this alternative if, based on the institution's audited financial statement for its most recently completed fiscal year, the Secretary determines that its composite score is in the range from 1.0 to 1.4.

(2) Under this zone alternative, the Secretary—

(i) Requires the institution to make disbursements to eligible students and parents under either the cash monitoring or reimbursement payment method described in § 668.162;

(ii) Requires the institution to provide timely information regarding any of the following oversight and financial events—

(A) Any adverse action, including a probation or similar action, taken against the institution by its accrediting agency;

(B) Any event that causes the institution, or related entity as defined in the Statement of Financial Accounting Standards (SFAS) 57, to realize any liability that was noted as a contingent liability in the institution's or related entity's most recent audited financial statement;

(C) Any violation by the institution of any loan agreement;

(D) Any failure of the institution to make a payment in accordance with its debt obligations that results in a creditor filing suit to recover funds under those obligations;

(E) Any withdrawal of owner's equity from the institution by any means, including by declaring a dividend; or

(F) Any extraordinary losses, as defined in accordance with Accounting Principles Board (APB) Opinion No. 30.

(iii) May require the institution to submit its financial statement and compliance audits earlier than the time specified under § 668.23(a)(4); and

(iv) May require the institution to provide information about its current operations and future plans.

(3) Under the zone alternative, the institution must—

(i) For any oversight or financial event described under paragraph (d)(2)(ii) of this section for which the institution is required to provide information, provide that information to the Secretary by certified mail or electronic or facsimile transmission no later than 10 days after that event occurs. An institution that provides this information electronically or by facsimile transmission is responsible for confirming that the Secretary received a complete and legible copy of that transmission; and

(ii) As part of its compliance audit, require its auditor to express an opinion on the institution's compliance with the requirements under the zone alternative, including the institution's administration of the payment method under which the institution received and disbursed title IV, HEA program funds.

(4) If an institution fails to comply with the requirements under paragraphs (d)(2) or (3) of this section, the Secretary may determine that the institution no longer qualifies under this alternative.
(e) Transition year alternative. A participating institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5 for the institution’s fiscal year that began on or after July 1, 1997 but on or before June 30, 1998, may qualify as a financially responsible institution under the provisions in §668.15(b)(7), (b)(8), (d)(2)(ii), or (d)(3), as applicable.

(f) Provisional certification alternative. (1) The Secretary may permit an institution that is not financially responsible to participate in the title IV, HEA programs under a provisional certification for no more than three consecutive years if—

(i) The institution is not financially responsible because it does not satisfy the general standards under §668.171(b) or because of an audit opinion described under §668.171(d); or

(ii) The institution is not financially responsible because of a condition of past performance, as provided under §668.174(a), and the institution demonstrates to the Secretary that it has satisfied or resolved that condition.

(2) Under this alternative, the institution must—

(i) Submit to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than 10 percent of the title IV, HEA program funds received by the institution during its most recently completed fiscal year, except that this requirement does not apply to a public institution;

(ii) Demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under §668.171(b)(3) and (b)(4), for its two most recent fiscal years; and

(iii) Comply with the provisions under the zone alternative, as provided under paragraph (d) (2) and (3) of this section.

(3) If at the end of the period for which the Secretary provisionally certified the institution, the institution is still not financially responsible, the Secretary may again permit the institution to participate under a provisional certification, but the Secretary—

(i) May require the institution, or one or more persons or entities that exercise substantial control over the institution, as determined under §668.174(b)(1) and (c), to submit to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any potential liabilities that may arise from the institution’s participation in the title IV, HEA programs; and

(ii) May require one or more of the persons or entities that exercise substantial control over the institution, as determined under §668.174(b)(1) and (c), to be jointly or severally liable for any liabilities that may arise from the institution’s participation in the title IV, HEA programs.

(g) Provisional certification alternative for persons or entities owing liabilities. (1) The Secretary may permit an institution that is not financially responsible because the persons or entities that exercise substantial control over the institution owe a liability for a violation of a title IV, HEA program requirement, to participate in the title IV, HEA programs under a provisional certification only if—

(i)(A) The persons or entities that exercise substantial control, as determined under §668.174(b)(1) and (c), repay or enter into an agreement with the Secretary to repay the applicable portion of that liability, as provided under §668.174(b)(2)(ii); or

(B) The institution assumes that liability, and repays or enters into an agreement with the Secretary to repay that liability;

(ii) The institution satisfies the general standards and provisions of financial responsibility under §668.171(b) and (d)(1), except that the institution must demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under §668.171(b)(3) and (b)(4), for its two most recent fiscal years; and

(iii) The institution submits to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than 10 percent of the title IV, HEA program funds received by the institution during its most recently completed fiscal year.
(2) Under this alternative, the Secretary—
(i) Requires the institution to comply with the provisions under the zone alternative, as provided under paragraph (d) (2) and (3) of this section;
(ii) May require the institution, or one or more persons or entities that exercise substantial control over the institution, or both, to submit to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any potential liabilities that may arise from the institution's participation in the title IV, HEA programs; and
(iii) May require one or more of the persons or entities that exercise substantial control over the institution to be jointly or severally liable for any liabilities that may arise from the institution's participation in the title IV, HEA programs.

APPENDIX B TO PART 668-STANDARDS FOR AUDIT OF GOVERNMENTAL ORGANIZATIONS, PROGRAMS, ACTIVITIES, AND FUNCTIONS (GAO)

Part III Chapter 3—Independence

(a) The Third general standard for governmental auditing is: In matters relating to the audit work, the audit organization and the individual auditors shall maintain an independent attitude.

(b) This standard places upon the auditor and the audit organization the responsibility for maintaining sufficient independence so that their opinions, conclusions, judgments, and recommendations will be impartial. If the auditor is not sufficiently independent to produce unbiased opinions, conclusions, and judgments, he should state in a prominent place in the audit report his relationship with the organization or officials being audited.

(c) The auditor should consider not only whether his or her own attitude and beliefs permit him or her to be independent but also whether there is anything about his or her situation which would lead others to question his or her independence. Both situations deserve consideration since it is important not only that the auditor be, in fact, independent and impartial but also that other persons will consider him or her so.

(d) There are three general classes of impairments that the auditor needs to consider; these are personal, external, and organizational impairments. If one or more of these are of such significance as to affect the auditor's ability to perform his or her work and report its results impartially, he or she should decline to perform the audit or indicate in the report that he or she was not fully independent.

Personal Impairments

There are some circumstances in which an auditor cannot be impartial because of his or her views or his or her personal situation. These circumstances might include:

1. Relationships of an official, professional, and/or personal nature that might cause the auditor to limit the extent or character of the inquiry, to limit disclosure, or to weaken his or her findings in any way.

2. Preconceived ideas about the objectives or quality of a particular operation or personal likes or dislikes of individuals, groups, or objectives of a particular program.

3. Previous involvement in a decision-making or management capacity in the operations of the governmental entity or program being audited.

4. Biases and prejudices, including those induced by political or social convictions, which result from employment in or loyalty to a particular group, entity, or level of government.

5. Actual or potential restrictive influence when the auditor performs preaudit work and subsequently performs a post audit.

6. Financial interest, direct or indirect, in an organization or facility which is benefiting from the audited programs.

External Impairments

External factors can restrict the audit or impinge on the auditor's ability to form independent and objective opinions and conclusions. For example, under the following conditions either the audit itself could be adversely affected or the auditor would not have complete freedom to make an independent judgment:

1. Interference or other influence that improperly or imprudently eliminates, restricts, or modifies the scope or character of the audit.

2. Interference with the selection or application of audit procedures of the selection of activities to be examined.

3. Denial of access to such sources of information as books, records, and supporting documents or denial or opportunity to obtain explanations by officials and employees of the governmental organization, program, or activity under audit.

4. Interference in the assignment of personnel to the audit task.

5. Retaliatory restrictions placed on funds or other resources dedicated to the audit operation.

6. Activity to overrule or significantly influence the auditors judgment as to the appropriate content of the audit report.

7. Influences that place the auditor's continued employment in jeopardy for reasons other than competency or the need for audit services.

8. Unreasonable restriction on the time allowed to competently complete an audit assignment.

Organizational Impairments

(a) The auditor's independence can be affected by his or her place within the organizational structure of governments. Auditors employed by Federal, State, or local government units may be subject to policy direction from superiors who are involved either

---

1 If the auditor is not fully independent because he or she is an employee of the audited entity, it will be adequate disclosure to so indicate. If the auditor is a practicing certified public accountant, his or her conduct should be governed by the AICPA “Statements on Auditing Procedure.”

2 Some of these situations may constitute justifiable limitations on the scope of the work. In such cases the limitation should be identified in the auditor's report.
directly or indirectly in the government management process. To achieve maximum independence such auditors and the audit organization itself not only should report to the agency as to the extent to which such positions are frequently want assurance in the auditor's report that this matter has been considered. For such audits, auditors should obtain an understanding with the authorizing agency as to the extent to which such positive comments on compliance are desired. When coordinated audits are involved, the audit program should specify the extent of comments that the auditor is to make regarding compliance. (d) When noncompliance is reported, the auditor should place the findings in proper perspective. The extent of instances of noncompliance should be related to the number of cases examined to provide the reader with a basis for judging the prevalence of noncompliance.

APPENDIX D TO PART 668—DEFAULT REDUCTION MEASURES

This appendix describes measures that an institution with a high default rate under the Federal Stafford Loan and Federal SLS programs should find helpful in reducing defaults. An institution with an annual default rate that exceeds the threshold rate for a limitation, suspension, or termination action under §668.17 may avoid that sanction.

1Letter (8±148144, September 15, 1970) from the Comptroller General to the heads of Federal departments and agencies. The reference to "Secretary" means the head of the department or agency.
by demonstrating that the institution has implemented the measures included in this appendix. Other institutions should strongly consider taking these steps as well.

To reduce defaults, the Secretary recommends that the institution take the following measures:

I. Measures to Reduce Defaults by Dropouts

1. Revise admission policies and screening practices, consistent with applicable State law, to ensure that students enrolled in the institution, especially those admitted under “ability to benefit” criterion or those in need of substantial remedial work, have a reasonable expectation of succeeding in their programs of study.

2. Improve the availability and effectiveness of academic counseling and other support services to decrease withdrawal rates, particularly with respect to academically high-risk students.

3. In consultation with the cognizant accrediting body, attempt to reduce its withdrawal rate by improving its curricula, facilities, materials, equipment, qualifications and size of faculty, and other aspects of its educational program.

4. Increase the frequency of reviews of in-school status of borrowers to ensure the institution’s prompt recognition of instances in which borrowers withdraw without notice to the institution.

5. Implement a compensation structure for commissioned enrollment representatives and salesmen under which a representative or salesman earns no more than a nominal commission for enrolling students that never or salesman earns no more than a nominal commission for enrolling students that never

6. Implement a pro rata refund policy, as defined in 34 CFR 662.603(b)(2) and (c).

7. Delay certification of a first-time borrower’s loan application, as described in 34 CFR 662.603(c).

8. Except in the case of a program of study by correspondence, require each first-time student borrower to endorse the loan check at the institution, and pick up at the institution any loan proceeds remaining after deduction of institutional charges.

II. Measures to Reduce Defaults Related to Borrowers’ Difficulty Finding Employment

1. Expand its job placement program for its students by, for example, increasing contacts with local employers, counseling students in job search skills, and exploring with local employers the feasibility of establishing internship and cooperative education programs.

2. In consultation with the cognizant accrediting body, attempt to improve its job placement rate and licensing examination pass rate by improving its curricula, facilities, materials, equipment, qualifications and size of faculty, and other aspects of its educational program.

3. Establish a liaison for job information and placement assistance with the local office of the United States Employment Service and the Private Industry Council supported by the U.S. Department of Labor.

III. Measures To Improve Borrowers’ Understanding and Respect for the Loan Repayment Obligation

1. In cooperation with the lender and in compliance with law, including the Fair Debt Collection Practices Act, if applicable, contact each borrower with respect to whom the lender has requested preclaims assistance from the guarantee agency to urge the borrower to repay the loan and to emphasize the consequences of default listed in item II.5(a)(3)(ii), below, by means of telephone contacts and letters sent “Forwarding and Address Correction Requested.”

2. In cooperation with the lender and in compliance with law, including the Fair Debt Collection Practices Act, if applicable, contact a borrower during the grace period in order to—

(i) Remind the borrower of the importance of the repayment obligation and of the consequences of default listed in item II.5(a)(3)(ii), below, by means of telephone contacts and letters sent “Forwarding and Address Correction Requested”; and

(ii) Update the institution’s records regarding the borrower’s address, telephone number, employer, and employer’s address.

3. At the time of a borrower’s admission to the institution, obtain information from the borrower regarding references and family members beyond those provided on the loan application, to enable the institution to provide the lender with a variety of ways to locate a borrower who later relocates without notifying the lender.

4. Require an enrollment representative or salesman to explain carefully to a prospective student that, except in the case of a loan made or originated by the institution, the student’s dissatisfaction with, or non-receipt of, the educational services being offered by the institution does not excuse the borrower from repayment of any Stafford or SLS loan made to the borrower for enrollment at the institution.

5. Conduct the following counseling activities in addition to those described in 34 CFR part 682, subpart F—

(a) As part of the initial loan counseling provided to a Stafford Loan or SLS borrower—

(1) Provide information to the borrower regarding, and through the use of a written test and intensive additional counseling for those who fail the test, ensure the borrower’s comprehension of, the terms and conditions of Stafford and SLS loans, including—
(i) The stated interest rate on the borrower's loans;
(ii) The applicable grace period provided to the borrower and the approximate date the first installment payment will be due;
(iii) A description of the charges imposed for failure of the borrower to pay all or part of an installment payment when due;
(iv) A description of any charges that may be imposed as a consequence of default, such as liability for expenses reasonably incurred in attempts by the lender or guarantee agency to collect the loan, including attorney's fees;
(2) Explain the borrower's rights and responsibilities in the Stafford Loan and SLS programs including—
(i) The borrower's responsibility to inform his or her lender immediately of any change of name, address, telephone number, or Social Security number;
(ii) The borrower's right to deferment, cancellation or postponement of repayment, and the procedures for obtaining those benefits;
(iii) The borrower's responsibility to contact his or her lender in a timely manner, before the due date of any payment he or she cannot make; and
(iv) The availability of forbearance under the circumstances and procedures described in 34 CFR part 682;
(3) Provide to the borrower—
(i) (A) General information on the average indebtedness of student borrowers who have obtained Stafford Loan or SLS program loans for attendance at that institution and the average amount of a required monthly payment based on that indebtedness; or
(B) The estimated balance owed by the borrower on Stafford and SLS loans, and the average amount of a required monthly payment based on that balance; and
(ii) Detailed information regarding the consequences of the failure to repay the loan, including a damaged credit rating for at least 7 years, loss of generous repayment schedule and deferment options, possible seizure of Federal and State income tax refunds due, exposure to civil suit, liability for collection costs, possible referral of the account to a collection agency, garnishment of wages if the borrower is a Federal employee, and loss of eligibility for further Federal Title IV student assistance.
(4) Review the repayment options (e.g., loan consolidation, refinancing) available to the borrower;
(5) Explain the sale of loans by lenders and the use by lenders of outside contractors to service loans; and
(6) Provide general information on budgeting of living expenses and other aspects of personal financial management.
(b) As part of the exit counseling provided to a Stafford Loan or SLS borrower—
(1) Provide the counseling and testing described in paragraph (a) for the initial loan counseling;
(2) Provide a sample loan repayment schedule based on the borrower's total loan indebtedness for attendance at that institution;
(3) Provide the name and address of the borrower's lender(s) according to the institution's records;
(4) Provide guidance on the preparation of correspondence to the borrower's lender(s) and completion of deferment forms; and
(c) Obtain information from the borrower regarding the borrower's address, the address of the borrower's next-of-kin, and the name and address of the borrower's expected employer.
6. Use available audio-visual materials, such as videos and films, to enhance the effectiveness of its initial and exit counseling.

IV. General
1. Conduct an annual comprehensive self-evaluation of its administration of the Title IV programs to identify institutional practices that should be modified to reduce defaults, and then implement those modifications.

Net Income Ratio = \frac{\text{Income Before Taxes}}{\text{Total Revenues}}

Definitions:

Adjusted Equity = (total owner's equity) - (intangible assets) - (unsecured related-party receivables) - (net property, plant and equipment) + (post-employment and retirement liabilities) + (all debt obtained for long-term purposes)

### Equity Ratios

- **Primary Reserve = (lines 17 + line 18)**
  - Ratio: 25.5\%-32.8\%-18.6\%-19\%
  - Calculation: \( 32 + \frac{2,750,000}{2,150,000} \)
  - Result: 0.080

- **Equity Ratio = (lines 15 + line 19)**
  - Calculation: \( 2,440,000 + 135,000 \)
  - Result: 0.332

- **Net Income = (lines 34 + line 35)**
  - Calculation: \( 510,000 + 15,000 \)
  - Result: 0.051

*Long-Term Debt (lines 16 + 19) cannot exceed Property and Equipment (line 8) in this formula.*
Section 3: Calculating the Composite Score

Step 1: Calculate the strength factor score for each ratio, by using the following algorithms:

**Example (for Proprietary institutions)**

- Primary Reserve strength factor score = \(20 \times \text{Primary Reserve ratio result} = 20 \times 0.080 = 1.600\)
- Equity strength factor score = \(6 \times \text{Equity ratio result} = 6 \times 0.332 = 1.992\)
- Net Income strength factor score = \(1 + (33.3 \times \text{Net Income ratio result}) = 1 + (33.3 \times 0.051) = 2.698\)

If the strength factor score for any ratio is greater than or equal to 3, the strength factor score for that ratio is 3. If the strength factor score for any ratio is less than or equal to -1, the strength factor score for that ratio is -1.

Step 2: Calculate the weighted score for each ratio and calculate the composite score by adding the three weighted scores

- Primary Reserve weighted score = \(30\% \times \text{Primary Reserve strength factor score} = 0.30 \times 1.600 = 0.480\)
- Equity weighted score = \(40\% \times \text{Equity strength factor score} = 0.40 \times 1.992 = 0.797\)
- Net Income weighted score = \(30\% \times \text{Net Income strength factor score} = 0.30 \times 2.698 = 0.809\)
- Composite score = sum of all weighted scores:
  \[0.480 + 0.797 + 0.809 = 2.086\]

Round the composite score to one digit after the decimal point to determine the final score:

\[2.1\]

* The symbol "\(\times\)" denotes multiplication.
Section 1: Ratios and Ratio Terms

Primary Reserve Ratio = \frac{\text{Expendable Net Assets}}{\text{Total Expenses}}

Equity Ratio = \frac{\text{Modified Net Assets}}{\text{Modified Assets}}

Net Income Ratio = \frac{\text{Change in Unrestricted Net Assets}}{\text{Total Unrestricted Revenue}}

Definitions:

Expendable Net Assets = (unrestricted net assets) + (temporarily restricted net assets) - (annuities, term endowments, and life income funds that are temporarily restricted) - (intangible assets) - (net property, plant and equipment)* + (post-employment and retirement liabilities) + (all debt obtained for long-term purposes)** - (unsecured related-party receivables)

Total Expenses is total unrestricted expenses taken directly from the audited financial statement

Modified Net Assets = (unrestricted net assets) + (temporarily restricted net assets) + (permanently restricted net assets) - (intangible assets) - (unsecured related-party receivables)

Modified Assets = (total assets) - (intangible assets) - (unsecured related-party receivables)

Change in Unrestricted Net Assets is taken directly from the audited financial statement

Total Unrestricted Revenue is taken directly from the audited financial statement (This amount includes net assets released from restriction during the fiscal year)

* The value of plant, property and equipment is net of accumulated depreciation, including capitalized lease assets.

** The value of all debt obtained for long-term purposes includes the short-term portion of the debt, up to the amount of net property, plant and equipment.

**Primary Reserve Ratio** = \( \frac{\text{Unrestricted Net Assets}}{\text{Total Liabilities} + \text{Unrestricted Net Assets}} \)

**Equity Ratio** = \( \frac{\text{Equity}}{\text{Total Liabilities}} \)

**Net Income Ratio** = \( \frac{\text{Net Income}}{\text{Total Liabilities}} \)

*In accounting statements, parentheses denote negative numbers (e.g., (30,000) equals negative 30,000).*

*Long-Term Debt (line 18) cannot exceed Property and Equipment, net (line 8) in the formula.*
Section 3: Calculating the Composite Score

Step 1: Calculate the strength factor score for each ratio, by using the following algorithms

**Example (for Private Non-Profit institutions)**

Primary Reserve strength factor score = 10 x Primary Reserve ratio result:

\[ 10 \times 0.188 = 1.880 \]

Equity strength factor score = 6 x Equity ratio result:

\[ 6 \times 0.350 = 2.100 \]

Because the Net Income ratio result is negative, the algorithm for negative net income is used -- Net Income strength factor score = 1 + (25 x Net Income ratio result):

\[ 1 + (25 \times -0.0015) = 0.963 \]

(Note: If the Net Income ratio result is positive, the following algorithm is used, Net Income strength factor score = 1 + (50 x Net Income ratio result) -- If the Net Income ratio result is 0, the Net Income strength factor score is 1).

If the strength factor score for any ratio is greater than or equal to 3, the strength factor score for that ratio is 3. If the strength factor score for any ratio is less than or equal to -1, the strength factor score for that ratio is -1.

Step 2: Calculate the weighted score for each ratio and calculate the composite score by adding the three weighted scores

Primary Reserve weighted score = 40% x Primary Reserve strength factor score:

\[ 0.40 \times 1.880 = 0.752 \]

Equity weighted score = 40% x Equity strength factor score:

\[ 0.40 \times 2.100 = 0.840 \]

Net Income weighted score = 20% x Net Income strength factor score:

\[ 0.20 \times 0.963 = 0.193 \]

Composite score = sum of all weighted scores:

\[ 0.752 + 0.840 + 0.193 = 1.785 \]

Round the composite score to one digit after the decimal point to determine the final score:

\[ 1.8 \]

* The symbol "x" denotes multiplication.

PART 673—GENERAL PROVISIONS FOR THE FEDERAL PERKINS LOAN PROGRAM, FEDERAL WORK-STUDY PROGRAM, AND FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT PROGRAM

Subpart A—Purpose and Scope

§ 673.1 Purpose.

This part governs the following three programs authorized by title IV of the Higher Education Act of 1965, as amended (HEA) that participating institutions administer:

(a) The Federal Perkins Loan Program, which encourages the making of loans by institutions to needy undergraduate and graduate students to help pay for their cost of education.

(b) The Federal Work-Study (FWS) Program, which encourages the part-time employment of undergraduate and graduate students who need the income to help pay for their cost of education and which encourages FWS recipients to participate in community service activities.

(c) The Federal Supplemental Educational Opportunity Grant (FSEOG) Program, which encourages the providing of grants to exceptionally needy undergraduate students to help pay for their cost of education.

§ 673.2 Applicability of regulations.

The participating institution is responsible for administering these programs in accordance with the regulations in this part and the applicable program regulations in 34 CFR parts 674, 675, and 676.

Subpart B—General Provisions for the Federal Perkins Loan, FWS, and FSEOG Programs

§ 673.3 Application.

(a) To participate in the Federal Perkins Loan, FWS, or FSEOG programs, an institution shall file an application before the deadline date established annually by the Secretary through publication of a notice in the Federal Register.

(Authority: 20 U.S.C. 421-429, 1070b-1070b-3, 1087aa-1087ii; 42 U.S.C. 2751-2756b; unless otherwise noted.)

Source: 61 FR 60393, Nov. 27, 1996, unless otherwise noted.

Subpart A—Purpose and Scope

§ 673.4 Allocation and reallocation.

(a) Allocation and reallocation of Federal Perkins Loan funds.

(1) The Secretary allocates Federal capital contributions to participating institutions in accordance with section 462 of the HEA.

§ 673.3 Application.

(a) To participate in the Federal Perkins Loan, FWS, or FSEOG programs, an institution shall file an application before the deadline date established annually by the Secretary through publication of a notice in the Federal Register.

(b) The application for the Federal Perkins Loan, FWS, and FSEOG programs must be on a form approved by the Secretary and must contain the information needed by the Secretary to determine the institution's allocation or reallocation of funds under sections 462, 442, and 413D of the HEA, respectively.

(Authority: 20 U.S.C. 1070b-3 and 1087bb; 42 U.S.C. 2752)

§ 673.4 Allocation and reallocation.

(a) Allocation and reallocation of Federal Perkins Loan funds. (1) The Secretary allocates Federal capital contributions to institutions participating in the Federal Perkins Loan Program in accordance with section 462 of the HEA.

(2) The Secretary reallocates Federal capital contributions to institutions participating in the Federal Perkins Loan Program by—
§673.5  Overaward.

(a) Overaward prohibited—(1) Federal Perkins Loan and FSEOG Programs. An institution may only award or disburse a Federal Perkins Loan or an FSEOG to a student if that loan or the FSEOG, combined with the other resources the student receives, does not exceed the student's financial need.

(i) Reallocating 80 percent of the total funds available in accordance with section 462(j) of the HEA; and

(ii) Reallocating 20 percent of the total funds available in a manner that best carries out the purposes of the Federal Perkins Loan Program.

(b) Allocation and reallocation of FWS funds. The Secretary allocates and reallocates funds to institutions participating in the FWS Program in accordance with section 442 of the HEA.

(c) Allocation and reallocation of FSEOG funds. (1) The Secretary allocates funds to institutions participating in the FSEOG program in accordance with section 413D of the HEA.

(2) The Secretary reallocates funds to institutions participating in the FSEOG Program in a manner that best carries out the purposes of the FSEOG Program.

(d) General allocation and reallocation—(1) Categories. As used in section 462 (Federal Perkins Loan Program), section 442 (FWS Program), and section 413D (FSEOG Program) of the HEA, "Eligible institutions offering comparable programs of instruction" means institutions that are being compared with the applicant institution and that fall within one of the following six categories:

(i) Cosmetology.

(ii) Business.

(iii) Trade/Technical.

(iv) Art Schools.

(v) Other Proprietary Institutions.

(vi) Non-Proprietary Institutions.

(2) Payments to institutions. The Secretary allocates funds for a specific period of time. The Secretary provides an institution its allocation in accordance with the payment methods described in 34 CFR 668.162.

(3) Unexpended funds. (i) If an institution returns more than 10 percent of its Federal Perkins Loan, FWS, or FSEOG allocation for an award year, the Secretary reduces the institution’s allocation for that program for the second succeeding award year by the dollar amount returned.

(ii) The Secretary may waive the provision of paragraph (d)(3)(i) of this section for a specific institution if the Secretary finds that enforcement would be contrary to the interests of the program.

(iii) The Secretary considers enforcement of paragraph (d)(3)(i) of this section to be contrary to the interest of the program only if the institution returns more than 10 percent of its allocation due to circumstances beyond the institution’s control that are not expected to recur.

(e) Anticipated collections of Federal Perkins Loan funds. (1) For the purposes of calculating an institution’s share of any excess allocation of Federal Perkins Loan funds, an institution’s anticipated collections are equal to the amount that was collected by the institution during the second year proceeding the beginning of the award period multiplied by 1.21.

(2) The Secretary may waive the provision of paragraph (e)(1) of this section for any institution that has a cohort default rate that does not exceed 7.5 percent.

(f) Authority to expend FWS funds. Except as specifically provided in 34 CFR 675.18 (b), (c), and (f), an institution may not use funds allocated or reallocated for an award year—

(1) To meet FWS wage obligations incurred with regard to an award of FWS employment made for any other award year; or

(2) To satisfy any other obligation incurred after the end of the designated award year.

(g) Authority to expend FSEOG funds. Except as specifically provided in 34 CFR 668.164(g), an institution shall not use funds allocated or reallocated for an award year—

(1) To make FSEOG disbursements to students in any other award year; or

(2) To satisfy any other obligation incurred after the end of the designated award year.

(Authority: 20 U.S.C. 1070b-3 and 1087bb, 42 U.S.C. 2752)
(2) FWS Program. An institution may only award FWS employment to a student if the award, combined with the other resources the student receives, does not exceed the student's financial need.

(b) Awarding and disbursement. (1) When awarding and disbursing a Federal Perkins loan or an FSEOG or awarding FWS employment to a student, the institution shall take into account those resources it—
   (i) Can reasonably anticipate at the time it awards Federal Perkins Loan funds, an FSEOG, or FWS funds to the student;
   (ii) Makes available to its students; or
   (iii) Otherwise knows about.
(2) If a student receives resources at any time during the award period that were not considered in calculating the Federal Perkins Loan amount or the FWS or FSEOG award, and the total resources including the loan, the FSEOG, or the prospective FWS wages exceed the student's need, the overaward is the amount that exceeds need.

(c) Resources. (1) Except as provided in paragraph (c)(2) of this section, the Secretary considers that "resources" include, but are not limited to, any—
   (i) Funds a student is entitled to receive from a Federal Pell Grant;
   (ii) William D. Ford Federal Direct Loans;
   (iii) Federal Family Education Loans;
   (iv) Long-term loans, including Federal Perkins loans made by the institution;
   (v) Grants, including FSEOGs, State grants, and ROTC subsistence allowances;
   (vi) Scholarships, including athletic scholarships and ROTC scholarships;
   (vii) Waivers of tuition and fees;
   (viii) Fellowships or assistantships;
   (ix) Veterans benefits;
   (x) Net earnings from need-based employment; and
   (xi) Insurance programs for the student's education.
(2) The Secretary does not consider as a resource—
   (i) Any portion of the resources described in paragraph (c)(1) of this section that are included in the calculation of the student's expected family contribution (EFC); and
   (ii) Earnings from non-need-based employment.

(3) The institution may treat a Federal Direct PLUS Loan, a Federal PLUS Loan, a Federal Direct Unsubsidized Stafford/Ford Loan, a Federal Unsubsidized Stafford Loan, or a State-sponsored or private loan as a substitute for a student's EFC. However, if the sum of the loan amounts received exceeds the student's EFC, the excess is a resource.

(d) Treatment of resources in excess of need—General. An institution shall take the following steps if it learns that a student has received additional resources not included in the calculation of Federal Perkins Loan, FWS, or FSEOG eligibility that would result in the student's total resources exceeding his or her financial need by more than $300:

   (1) The institution shall decide whether the student has increased financial need that was unanticipated when it awarded financial aid to the student. If the student demonstrates increased financial need and the total resources do not exceed this increased need by more than $300, no further action is necessary.
(2) If the student's total resources still exceed his or her need by more than $300, as recalculated pursuant to paragraph (d)(1) of this section, the institution shall cancel any undisbursed loan or grant (other than a Federal Pell Grant).
(3) Federal Perkins loan and FSEOG overpayment. If the student's total resources still exceed his or her need by more than $300, after the institution takes the steps required in paragraphs (d)(1) and (2) of this section, the institution shall consider the amount by which the resources exceed the student's financial need by more than $300 as an overpayment.

(e) Termination of FWS employment. (1) An institution may fund a student's FWS employment with FWS funds only until the amount of the FWS award has been earned or until the student's financial need, as recalculated under paragraph (d)(1) of this section, is met.
(2) Notwithstanding the provisions of paragraph (e)(1) of this section, an institution may provide additional FWS funding to a student whose need has been met until that student's cumulative earnings from all need-based employment occurring subsequent to the time his or her financial need has been met exceed $300.

(f) Liability for and recovery of Federal Perkins loans and FSEOG overpayments. (1) A student is liable for any Federal Perkins loan or FSEOG overpayment made to him or her.

The institution shall restore an amount equal to the overpayment and any administrative cost allowance claimed on that amount to its loan fund for a Federal Perkins loan overpayment or to its FSEOG account for an FSEOG overpayment if it cannot collect the overpayment from the student.

(3) If an institution makes a Federal Perkins loan or FSEOG overpayment for which it is not liable, it shall help the Secretary recover the overpayment by promptly attempting to recover the overpayment by sending a written notice to the student requesting repayment of the overawarded funds. The notice must state that failure to make that repayment or to make arrangements, satisfactory to the holder of the overpayment debt, to pay the overpayment renders the student ineligible for further title IV aid until final resolution of the overpayment.

(4) If a student objects to the institution's Federal Perkins loan or FSEOG overpayment determination on the grounds that it is erroneous, the institution shall consider any information provided by the student and determine whether the objection is warranted.

(5) Referral of FSEOG overpayments. (i) If the student fails to repay an FSEOG overpayment or make arrangements, satisfactory to the holder of the overpayment debt, to pay the FSEOG overpayment after taking the action required by paragraph (f)(4) of this section, and the Federal share of the FSEOG overpayment is $25.00 or more, the institution shall notify the Secretary, identifying the Federal share of the FSEOG overpayment, the student's name, most recent address, telephone number, and any other relevant information. After notifying the Secretary under this section, the institution need make no further recovery efforts of FSEOG overpayments.

(6) Referral of FSEOG overpayments. (i) If the student fails to repay an FSEOG overpayment or make arrangements, satisfactory to the holder of the overpayment debt, to pay the FSEOG overpayment after taking the action required by paragraph (f)(4) of this section, and the Federal share of the FSEOG overpayment is $25.00 or more, the institution shall notify the Secretary, identifying the Federal share of the FSEOG overpayment, the student's name, most recent address, telephone number, and any other relevant information. After notifying the Secretary under this section, the institution need make no further recovery efforts of FSEOG overpayments.

(ii) If an institution fails in its attempt to collect the overpayment and the Federal share of the FSEOG overpayment is less than $25.00, the institution need make no further recovery efforts of the FSEOG overpayment.

§ 673.6 Coordination with BIA grants.

(a) Coordination of BIA grants with Federal Perkins loans, FWS awards, or FSEOGs. To determine the amount of a Federal Perkins loan, FWS compensation, or an FSEOG for a student who is also eligible for a Bureau of Indian Affairs (BIA) education grant, an institution shall prepare a package of student aid—

(1) From resources other than the BIA education grant the student has received or is expected to receive; and

(2) That is consistent in type and amount with packages prepared for students in similar circumstances who are not eligible for a BIA education grant.

(b)(1) The BIA education grant, whether received by the student before or after the preparation of the student aid package, supplements the student aid package specified in paragraph (a) of this section.

(2) No adjustment may be made to the student aid package as long as the total of the package and the BIA education grant is less than the institution's determination of that student's financial need.

(c)(1) If the BIA education grant, when combined with other aid in the package, exceeds the student's need, the excess must be deducted from the other assistance (except for Federal Pell Grants), not from the BIA education grant.
(2) The institution shall deduct the excess in the following sequence: loans, work-study awards, and grants other than Federal Pell Grants. However, the institution may change the sequence if requested to do so by a student and the institution believes the change benefits the student.

(d) To determine the financial need of a student who is also eligible for a BIA education grant, a financial aid administrator is encouraged to consult with area officials in charge of BIA postsecondary financial aid.

(d) The institution shall not include, when calculating the allowance in paragraph (c) of this section, the amount of loans made under the Federal Perkins Loan Program that it assigns during the award year to the Secretary under section 463(a)(6) of the HEA.

(e) An institution shall use its administrative costs allowance to offset its cost of administering the Federal Pell Grant, FWS, FSEOG, and Federal Perkins Loan programs. Administrative costs also include the expenses incurred for carrying out the student consumer information services requirements of subpart D of the Student Assistance General Provisions regulations, 34 CFR part 688.

§§ 674.3–674.4 [Reserved]

§ 674.5 Federal Perkins Loan program cohort default rate and penalties.

(a) Default penalty. If an institution’s cohort default rate meets the following levels, a default penalty is imposed on the institution as follows:

(1) If the institution’s cohort default rate equals or exceeds 15 percent, the institution must establish a default reduction plan in accordance with § 674.6.

(2) If the institution’s cohort default rate equals or exceeds 20 percent, but is less than 25 percent, the institution’s FCC is reduced by 10 percent.

(3) If the institution’s cohort default rate equals or exceeds 25 percent, but is less than 30 percent, the institution’s FCC is reduced by 30 percent.

(4) If the institution’s cohort default rate equals or exceeds 30 percent, the institution’s FCC is reduced to zero.

(b) Cohort default rate. (1) The term “cohort default rate” means, for any award year in which 30 or more current and former students at the institution enter repayment on a loan received for attendance at the institution, the percentage of those current and former students who enter repayment in that award year on the loans received for attendance at that institution who default before the end of the following award year.

(2) In determining the number of students who default before the end of the following award year, the Secretary excludes any loans that, due to improper servicing or collection, would result in an inaccurate or incomplete calculation of the cohort default rate.
(3) For any award year in which less than 30 current and former students at the institution enter repayment on a loan received for attendance at the institution, the “cohort default rate” means the percentage of those current and former students who entered repayment on loans received for attendance at that institution in any of the three most recent award years and who defaulted on those loans before the end of the award year immediately following the year in which they entered repayment.

(c) Defaulted loans to be included in the cohort default rate. For purposes of calculating the cohort default rate under paragraph (b) of this section—

(1) A borrower must be included only if the borrower’s default has persisted for at least—

(i) 240 consecutive days for loans repayable in monthly installments; or

(ii) 270 consecutive days for loans repayable in quarterly installments;

(2) A loan is considered to be in default if a payment is made by the institution of higher education, its owner, agency, contractor, employee, or any other entity or individual affiliated with the institution, in order to avoid default by the borrower;

(3)(i) Any loan that is in default, but on which the borrower has made satisfactory arrangements to repay the loan, or any loan that has been rehabilitated before the end of the following award year is not considered to be in default for purposes of the cohort default rate calculation; and

(ii) In the case of a student who has attended and borrowed at more than one institution, the student and his or her subsequent repayment or default are attributed to the institution for attendance at which the student received the loan that entered repayment in the award year; and

(4) Improper servicing or collection means the failure of the institution to comply with subpart C of this part.

(d) Locations of the institution. (1) A cohort default rate of an institution applies to all locations of the institution from the date the institution is notified of that rate until the institution is notified by the Secretary that the rate no longer applies.

(3) For an institution that changes status from a location of one institution to a free-standing institution, the Secretary determines the cohort default rate based on the institution’s status as of July 1 of the award year for which a cohort default rate is being calculated.

(4)(i) For an institution that changes status from a free-standing institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both the former free-standing institution and the other institution. This cohort default rate applies to the new consolidated institution and all of its current locations.

(ii) For free-standing institutions that merge, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both of the institutions that are merging. This cohort default rate applies to the new, consolidated institution.

(iii) For an institution that changes status from a location of one institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the number of students who default during the applicable award years from both of the institutions in their entirety, not limited solely to the respective locations.

(5) For an institution that has a change in ownership that results in a change in control, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number

with the local office of the United States Employment Service and the Private Industry Council supported by the U.S. Department of Labor.

(7) Obtain from the borrower at the time of a borrower’s admission to the institution information regarding references and family members beyond those provided on the loan application to provide the institution or its agent with a variety of ways to locate a borrower who later relocates without notifying the institution.

(8) Explain to a prospective student that the student’s dissatisfaction with, or nonreceipt of, the educational services being offered by the institution does not excuse the borrower from repayment of any Federal Perkins Loan.

(9) Use a written test and intensive additional counseling for those borrowers who fail the test to ensure the borrower’s comprehension of the terms and conditions of the loan including those described in §§674.16 and 674.42(a) as part of the initial loan counseling and the exit interview.

(10) During the exit interview provided to a Federal Perkins Loan borrower—

(iii) Provide guidance on the preparation of correspondence to the borrower’s institution or agent and completion of deferment and cancellation forms.

(11) Use available audio-visual materials such as videos and films to enhance the effectiveness of the initial and exit counseling.

(2)(i) The institution shall print the note on one page, front and back; or

(ii) The institution may print the note on more than one page if—

(A) The note requires the signature of the borrower on each page; or

(Authority: 20 U.S.C. 1087cc, 1087hh, 1094, and 1232f)
(B) Each page of the note contains both the total number of pages in the complete note as well as the number of each page, e.g., page 1 of 4, page 2 of 4, etc.

(iii) The promissory note must state the exact amount of the minimum monthly repayment amount if the institution chooses the option under §674.33(b).

(b) Provisions of the promissory note—
(1) Interest. The promissory note must state that—
(i) The rate of interest on the loan is 5 percent per annum on the unpaid balance; and
(ii) No interest shall accrue before the repayment period begins, during certain deferment periods as provided by this subpart, or during the grace period following those deferments.

(2) Repayment. (i) Except as otherwise provided in §674.32, the promissory note must state that the repayment period—
(A) For Direct Loans made on or after October 1, 1980, begins 6 months after the borrower ceases to be at least a half-time regular student at an institution of higher education or a comparable institution outside the U.S. approved for this purpose by the Secretary, and normally ends 10 years later;
(B) For Direct Loans made before October 1, 1980 and Federal Perkins Loans, begins 9 months after the borrower ceases to be at least a half-time regular student at an institution of higher education or a comparable institution outside the U.S. approved for this purpose by the Secretary, and normally ends 10 years later;
(C) May begin earlier at the borrower’s request; and
(D) May vary because of minimum monthly repayments (see §674.33(b)), extensions of repayment (see §674.33(c)), forbearance (see §674.33(d)), or deferments (see §674.34, 674.35, and 674.36);

(3) Cancellation. The promissory note must state that the unpaid principal, interest, collection costs, and either penalty or late charges on the loan are canceled upon the death or permanent and total disability of the borrower.

(4) Prepayment. The promissory note must state that—
(i) The borrower may prepay all or part of the loan at any time without penalty;
(ii) The institution shall use amounts repaid during the academic year in which the loan was made to reduce the original loan amount and not consider these amounts to be prepayments;
(iii) If the borrower repays amounts during the academic year in which the loan was made and the initial grace period ended, only those amounts in excess of the amount due for any repayment period shall be treated as prepayments; and
(iv) If, in an academic year other than that described in paragraph (b)(4)(iii) of this section, a borrower repays more than the amount due for any repayment period, the institution shall use the excess to prepay the principal unless the borrower designates it as an advance payment of the next regular installment.

(5) Late charge. (i) An institution shall state in the promissory note that the institution will assess a late charge if the borrower does not—
(A) Repay all or part of a scheduled repayment when due; or
(B) File a timely request for cancellation or deferment with the institution. This request must include sufficient evidence to enable the institution to determine whether the borrower is entitled to a cancellation or deferment.

(ii)(A) The amount of the late charge on a Federal Perkins Loan or a Direct Loan made to cover the cost of attendance for a period of enrollment that began on or after January 1, 1986 must be determined in accordance with §674.43(b) (2), (3) and (4).

(ii) The end of a nine-month period that includes the date the loan was made and began on the date the borrower ceased to be enrolled as at least a half-time regular student at an institution of higher education or comparable institution outside the U.S. approved for this purpose by the Secretary.

(b) The note must otherwise conform to the provisions of § 674.31.

§ 674.33 Repayment.

(a) Repayment Plan. (1) The institution shall establish a repayment plan before the student ceases to be at least a half-time regular student.

(2) If the last scheduled payment would be $25 or less the institution may combine it with the next-to-last repayment.

(3) If the installment payment for all loans made to a borrower by an institution is not a multiple of $5, the institution may round that payment to the
next highest dollar amount that is a multiple of $5.

(4) The institution shall apply any payment on a loan in the following order:

(i) Collection costs.
(ii) Late charges.
(iii) Accrued interest.
(iv) Principal.

(b) Minimum monthly repayment—(1) Minimum monthly repayment option. (i) An institution may require a borrower to pay a minimum monthly repayment if—

(A) The promissory note includes a minimum monthly repayment provision specifying the amount of the minimum monthly repayment; and

(B) The monthly repayment of principal and interest for a 10-year repayment period is less than the minimum monthly repayment; or

(ii) An institution may require a borrower to pay a minimum monthly repayment if the borrower has received loans with different interest rates at the same institution and the total monthly repayment would otherwise be less than the minimum monthly repayment.

(2) Minimum monthly repayment of loans from more than one institution. (i) If the total of the monthly repayments is equal to at least the minimum monthly repayment, no institution may exercise a minimum monthly repayment option.

(ii) If only one institution exercises the minimum monthly repayment option when the monthly repayment would otherwise be less than the minimum monthly repayment, that institution receives the difference between the minimum monthly repayment and the repayment owed to the other institution.

(iii) If each institution exercises the minimum monthly repayment option, the minimum monthly repayment must be divided among the institutions in proportion to the amount of principal advanced by each institution.

(3) Minimum monthly repayment of both Defense and Direct or Federal Perkins loans from one or more institutions. If the total monthly repayment is less than $30 and the monthly repayment on a Defense loan is less than $15 a month, the amount attributed to the Defense loan may not exceed $15 a month.

(4) Minimum monthly repayment of loans with differing grace periods and deferments. If the borrower has received loans with different grace periods and deferments, the institution shall treat each note separately, and the borrower shall pay the applicable minimum monthly payment for a loan that is not in the grace or deferment period.

(5) Hardship. The institution may reduce the borrower's scheduled repayments for a period of not more than one year at a time if—

(i) It determines that the borrower is unable to make the scheduled repayments due to hardship (see §674.33(c)); and

(ii) The borrower's scheduled repayment is the minimum monthly repayment described in paragraph (b) of this section.

(6) Minimum monthly repayment rates. For the purposes of this section, the minimum monthly repayment rate is—

(i) $15 for a Defense loan;

(ii) $30 for a Direct Loan or for a Federal Perkins loan made before October 1, 1992, or for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has an outstanding balance of principal or interest owing on any loan made under this part; or

(iii) $40 for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has no outstanding balance of principal or interest owing on any loan made under this part.

(7) The institution shall determine the minimum repayment amount under paragraph (b) of this section for loans with repayment installment intervals greater than one month by multiplying the amounts in paragraph (b) of this section by the number of months in the installment interval.

(c) Extension of repayment period—(1) Hardship. The institution may extend a borrower's repayment period due to prolonged illness or unemployment.

(2) Low-income individual. (i) For Federal Perkins loans and Direct loans
made on or after October 1, 1980, the institution may extend the borrower’s repayment period up to 10 additional years beyond the 10-year maximum repayment period if the institution determines during the course of the repayment period that the borrower is a “low-income individual.” The borrower qualifies for an extension of the repayment period on the basis of low-income status only during the period in which the borrower meets the criteria described in paragraph (c)(2)(i) (A) or (B) of this section. The term low-income individual means the following:

(A) For an unmarried borrower without dependents, an individual whose total income for the preceding calendar year did not exceed 45 percent of the Income Protection Allowance for the current award year for a family of four with one in college.

(B) For a borrower with a family that includes the borrower and any spouse or legal dependents, an individual whose total family income for the preceding calendar year did not exceed 125 percent of the Income Protection Allowance for the current award year for a family with one in college and equal in size to that of the borrower’s family.

The institution shall use the Income Protection Allowance published annually in accordance with section 478 of the HEA in making this determination.

(iii) The institution shall review the borrower’s status annually to determine whether the borrower continues to qualify for an extended repayment period based on his or her status as a “low-income individual.”

(iv) Upon determining that a borrower ceases to qualify for an extended repayment period under this section, the institution shall amend the borrower’s repayment schedule. The term of the amended repayment schedule may not exceed the number of months remaining on the original repayment schedule, provided that the institution may not include the time elapsed during any extension of the repayment period granted under this section in determining the number of months remaining on the original repayment schedule.

(3) Interest continues to accrue during any extension of a repayment period.

(d) Forbearance. (1) Forbearance means the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously were scheduled.

(2) Upon receipt of a written request and supporting documentation, the institution shall grant the borrower forbearance of principal and, unless otherwise indicated by the borrower, interest renewable at intervals of up to 12 months for periods that collectively do not exceed three years.

(3) The terms of forbearance must be agreed upon, in writing, by the borrower and the institution.

(4) In granting a forbearance under this section, an institution shall grant a temporary cessation of payments, unless the borrower chooses another form of forbearance subject to paragraph (d)(1) of this section.

(5) An institution shall grant forbearance if—

(i) The amount of the payments the borrower is obligated to make on title IV loans each month (or a proportional share if the payments are due less frequently than monthly) is collectively equal to or greater than 20 percent of the borrower’s total monthly gross income;

(ii) The institution determines that the borrower should qualify for the forbearance due to poor health or for other acceptable reasons; or

(iii) The Secretary authorizes a period of forbearance due to a national military mobilization or other national emergency.

(6) Before granting a forbearance to a borrower under paragraph (d)(5)(i) of this section, the institution shall require the borrower to submit at least the following documentation:

(i) Evidence showing the amount of the most recent total monthly gross income received by the borrower; and

(ii) Evidence showing the amount of the monthly payments owed by the borrower for the most recent month for the borrower’s title IV loans.

(7) Interest accrues during any period of forbearance.
§ 674.34 Deferment of repayment—Federal Perkins loans and Direct loans made on or after July 1, 1993.

(a) The borrower may defer scheduled installment repayment on a Federal Perkins loan or a Direct loan made on or after July 1, 1993, during the periods described in this section.

(b)(1) The borrower need not repay principal, and interest does not accrue, during a period after the commencement or resumption of the repayment period on a loan, when the borrower is—

(i) Enrolled and in attendance as a regular student in at least a half-time course of study at an eligible institution;

(ii) Enrolled and in attendance as a regular student in a course of study that is part of a graduate fellowship program approved by the Secretary;

(iii) Engaged in graduate or postgraduate fellowship-supported study (such as a Fulbright grant) outside the United States; or

(iv) Enrolled in a course of study that is part of a rehabilitation training program for disabled individuals approved by the Secretary as described in paragraph (g) of this section.

(2) No borrower is eligible for a deferment under paragraph (b)(1) of this section while serving in a medical internship or residency program, except for a residency program in dentistry.

(c)(1) The borrower of a Federal Perkins loan need not repay principal, and interest does not accrue, for any period during which the borrower is engaged in service described in §§ 674.53, 674.54, 674.56, 674.57, 674.58, and 674.59.

(2) The borrower of a Direct loan need not repay principal, and interest does not accrue, for any period during which the borrower is engaged in service described in §§ 674.53, 674.54, 674.56, 674.57, 674.58, and 674.59.

(d) The borrower need not repay principal, and interest does not accrue, for any period not to exceed 3 years during which the borrower is seeking and unable to find full-time employment.

(e) The borrower need not repay principal, and interest does not accrue, for any period not to exceed 3 years during which the borrower is suffering an economic hardship. To qualify for this deferment, the borrower must provide documentation satisfactory to the institution showing that the borrower—

(1) Has been granted an economic hardship deferment under either the FDSL or FFEL programs for the period.
§ 674.34  34 CFR Ch. VI (7–1–99 Edition)

(7) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraphs (e)(3), (e)(4), or (e)(5) of this section, the institution shall require the borrower to submit a copy of the borrower’s Federal income tax return if the borrower filed a tax return within eight months prior to the date the deferment is requested.

(8) For purposes of paragraphs (e)(3) and (e)(5) of this section, a borrower is considered to be working full-time if the borrower is expected to be employed for at least three consecutive months at 30 hours per week.

(9) In determining a borrower’s eligibility for an economic hardship deferment under paragraph (e) of this section, the institution shall count only the monthly payment amount (or a proportional share if the payments are due less frequently than monthly) that would have been owed on a Federal postsecondary education loan if the loan had been scheduled to be repaid in 10 years from the date the borrower entered repayment, regardless of the length of the borrower’s actual repayment schedule or the actual monthly payment amount (if any) that would be owed during the period that the borrower requested an economic hardship deferment.

(f) To qualify for a deferment for study as part of a graduate fellowship program pursuant to paragraph (b)(1)(ii) of this section, a borrower must provide the institution certification that the borrower has been accepted for or is engaged in full-time study in the institution’s graduate fellowship program.

(g) To qualify for a deferment for study in a rehabilitation training program pursuant to paragraph (b)(1)(iv) of this section, the borrower must be receiving, or be scheduled to receive, services under a program designed to rehabilitate disabled individuals and must provide the institution with the following documentation:

(1) A certification from the rehabilitation agency that the borrower is either receiving or scheduled to receive rehabilitation training services from the agency.
(2) A certification from the rehabilitation agency that the rehabilitation program—
   (i) Is licensed, approved, certified, or otherwise recognized by one of the following entities as providing rehabilitation training to disabled individuals—
      (A) A State agency with responsibility for vocational rehabilitation programs;
      (B) A State agency with responsibility for drug abuse treatment programs;
      (C) A State agency with responsibility for mental health services programs;
      (D) A State agency with responsibility for alcohol abuse treatment programs; or
      (E) The Department of Veterans Affairs; and
   (ii) Provides or will provide the borrower with rehabilitation services under a written plan that—
      (A) Is individualized to meet the borrower's needs;
      (B) Specifies the date on which the services to the borrower are expected to end; and
      (C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation. The Secretary considers a substantial commitment by the borrower to be a commitment of time and effort that would normally prevent an individual from engaging in full-time employment either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation.
   (h) The institution may not include the deferment periods described in paragraphs (b), (c), (d), (e), (f), and (g) of this section and the period described in paragraph (i) of this section in determining the 10-year repayment period.

(v) The borrower has agreed to serve on a full-time basis for a term of at least one year.

The institution shall explain to the borrower the consequences of defaulting including, at a minimum, possible referral to a collection firm, reporting to a credit bureau, and litigation. Furthermore, the institution shall explain the borrower’s rights and responsibilities under the loan, including the following:

§ 674.43 Billing procedures.

(a) The term billing procedures, as used in this subpart, includes that series of actions routinely performed to notify borrowers of payments due on their accounts, to remind borrowers when payments are overdue, and to demand payment of overdue amounts. An institution shall use billing procedures that include at least the following steps:

(1) If the institution uses a coupon payment system, it shall send the coupons to the borrower at least 30 days before the first payment is due.

(2) If the institution does not use a coupon system, it shall send to the borrower:
   (i) A written notice giving the name and address of the party to which payments are to be sent and a statement of account at least 30 days before the first payment is due; and
   (ii) A statement of account at least 15 days before the due date of each subsequent payment.

(3) Notwithstanding paragraph (a)(2)(ii) of this section, if the borrower elects to make payment by means of an electronic transfer of funds from the borrower’s bank account, the institution shall send to the borrower an annual statement of account.

(b)(1) An institution shall send a first overdue notice within 15 days after the due date for a payment if the institution has not received—
   (i) A payment;

   (iii) A request for postponement or for cancellation.

(2) Subject to §674.47(a), the institution shall assess a late charge for loans made for periods of enrollment beginning on or after January 1, 1986, during the period in which the institution
takes any steps described in this section to secure—

(i) Any part of an installment payment not made when due, or

(ii) A request for deferment, cancellation, or postponement of repayment on the loan that contains sufficient information to enable the institution to determine whether the borrower is entitled to the relief requested.

(3) The institution shall determine the amount of the late charge imposed for loans described in paragraph (b)(2) of this section based on either—

(i) Actual costs incurred for actions required under this section to secure the required payment or information from the borrower; or

(ii) The average cost incurred for similar attempts to secure payments or information from other borrowers.

(4) The institution may not require a borrower to pay late charges imposed under paragraph (b)(3) of this section in an amount, for each late payment or request, exceeding 20 percent of the installment payment most recently due.

(5) The institution shall determine the amount of the late or penalty charge imposed on loans not described in paragraph (b)(2) of this section in accordance with § 674.31(b)(5) (See appendix E); and

(ii) May assess this charge only during the period described in paragraph (b)(2) of this section.

(6) The institution shall notify the borrower of the amount of the charge it has imposed, and whether the institution—

(i) Has added that amount to the principal amount of the loan as of the first day on which the installment was due; or

(ii) Demands payment for that amount in full no later than the due date of the next installment.

(c) If the borrower does not satisfactorily respond to the first overdue notice, the institution shall continue to contact the borrower as follows, until the borrower makes satisfactory repayment arrangements or demonstrates entitlement to deferment, postponement, or cancellation:

(1) The institution shall send a second overdue notice within 30 days after the first overdue notice is sent.

(2) The institution shall send a final demand letter within 15 days after the second overdue notice. This letter must inform the borrower that unless the institution receives a payment or a request for deferment, postponement, or cancellation within 15 days of the date of the letter, it will refer the account for collection or litigation, and will report the default to a credit bureau.

(d) Notwithstanding paragraphs (b) and (c) of this section, an institution may send a borrower a final demand letter if the institution has not within 15 days after the due date received a payment, or a request for deferment, postponement, or cancellation, and if—

(1) The borrower’s repayment history has been unsatisfactory, e.g., the borrower has previously failed to make payment(s) when due or to request deferment, postponement, or cancellation in a timely manner, or has previously received a final demand letter; or

(2) The institution reasonably concludes that the borrower neither intends to repay the loan nor intends to seek deferment, postponement, or cancellation of the loan.

(e)(1) An institution that accelerates a loan as provided in § 674.31 (i.e., makes the entire outstanding balance of the loan, including accrued interest and any applicable late charges, payable immediately) shall—

(i) Provide the borrower, at least 30 days before the effective date of the acceleration, written notice of its intention to accelerate; and

(ii) Provide the borrower on or after the effective date of acceleration, written notice of the date on which it accelerated the loan and the total amount due on the loan.

(2) The institution may provide these notices by including them in other written notices to the borrower, including the final demand letter.

(f) If the borrower does not respond to the final demand letter within 30 days from the date it was sent, the institution shall attempt to contact the borrower by telephone before beginning collection procedures.

(g)(1) An institution shall ensure that any funds collected as a result of billing the borrower are—
§ 674.44

(i) Deposited in interest-bearing bank accounts that are—
(A) Insured by an agency of the Federal Government; or

(iii) Submit the account for assignment to the Secretary in accordance with the procedures set forth in § 674.50.
(2) If the collection firm retained by the institution does not succeed in placing an account into a repayment status described in paragraph (c)(1) of this section after 12 months of collection activity, the institution shall require the collection firm to return the account to the institution.
(d) If the institution is unable to place the loan in repayment as described in paragraph (c)(1) of this section after following the procedures in paragraphs (a), (b), and (c) of this section, the institution shall continue to make annual attempts to collect from the borrower until—
(1) The loan is recovered through litigation;
(2) The account is assigned to the United States; or
(3) The account is written off under § 674.47(g).
(e)(1) Subject to § 674.47(d), the institution shall assess against the borrower all reasonable costs incurred by the institution with regard to a loan obligation.
(2) The institution shall determine the amount of collection costs that shall be charged to the borrower for actions required under this section, and §§ 674.44, 674.46, 674.48, and 674.49, based on either—

(a) General. If an institution receives notice that a borrower has filed a petition for relief in bankruptcy, usually by receiving a notice of meeting of creditors, the institution and its agents shall immediately suspend any collection efforts outside the bankruptcy proceeding against the borrower.

(b) Proof of claim. The institution shall file a proof of claim in the bankruptcy proceeding, unless, in the case of a proceeding under chapter 7 of the Bankruptcy Code, the notice of meeting of creditors states that the borrower has no assets.

(c) Borrower's request for determination of dischargeability. (1) The institution shall follow the procedures in this paragraph if it is properly served with a complaint in a proceeding under chapter 7, 11, 12, or 13 of the Bankruptcy Code, or under 11 U.S.C. 1328(b), for a determination of dischargeability under 11 U.S.C. 523(a)(8)(B) on the ground that repayment of the loan would impose an undue hardship on the borrower and his or her dependents.

(2) If more than seven years of the repayment period on the loan, excluding periods of deferment granted to the borrower, has passed before the borrower filed the petition for relief in bankruptcy, the institution may not oppose a determination of dischargeability requested under 11 U.S.C. 523(a)(8)(B) on the ground of undue hardship.

(3) If less than seven years of the repayment period on the loan, excluding periods of deferment granted to the borrower, has passed before the borrower filed the petition for relief, the institution shall determine, on the basis of reasonably available information, whether repayment of the loan under either the current repayment schedule or any adjusted schedule authorized under subpart B or D of this part would impose an undue hardship on the borrower and his or her dependents.

(4) If the institution concludes that repayment would not impose an undue hardship, the institution shall—

(i) Oppose the borrower's request for a determination of dischargeability; and

(ii) If the borrower is in default on the loan, seek a judgment for the amount owed on the loan.

(5) If the expected costs of opposing discharge of such a loan do not exceed one-third of the total amount owed on the loan, including principal, interest, late charges and collection costs.

(6) In opposing a request for a determination of dischargeability, the institution may compromise a portion of the amount owed on the loan if it reasonably determines that the compromise is necessary in order to obtain a judgment on the loan.

(d) Request for determination of non-dischargeability. The institution may file a complaint for a determination that a loan obligation is not dischargeable and for judgment on the loan if the institution would have been required under paragraph (c) of this section to oppose a request for a determination of dischargeability with regard to that loan.

(B) Whether the plan or the classification of the loan obligation under the proposed plan meets the requirements of section 1325 of the Code; and

(C) Whether grounds exist under 11 U.S.C. 1307 to move for conversion or dismissal of the chapter 13 case.

(ii) If the institution reasonably expects that costs of the appropriate actions, when added to the costs already incurred in taking actions authorized under this section, will not exceed one-third of the dischargeable loan debt, the institution shall—

(A) Move to dismiss or convert a case where grounds can be established under 11 U.S.C. 1307; or

(B) Oppose the requested discharge where the debtor has not demonstrated that the requirements of 11 U.S.C. 1328(b) are met.

(f) Resumption of collection from the borrower. The institution shall resume billing and collection action prescribed in this subpart after—

(2) The borrower has received a discharge under 11 U.S.C. 727, 11 U.S.C. 1327, or 11 U.S.C. 1141, unless—

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The loan entered the repayment period more than seven years, excluding periods of deferment, before the filing of the petition; and

(B) The loan is not excepted from discharge under other applicable provisions of the Code; or

(3) The borrower has received a discharge under 11 U.S.C. 1328(a) or 1328(b), unless—

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The loan entered the repayment period more than seven years, excluding periods of deferment, before the filing of the petition; and

(B) The borrower’s plan approved in the bankruptcy proceeding made some provision with regard to either the loan obligation or unsecured debts in general.

Subpart A—Purpose and Scope

§ 682.100 The Federal Family Education Loan programs.

(a) This part governs the following four programs collectively referred to in these regulations as “the Federal
Family Education Loan (FFEL) programs, in which lenders use their own funds to make loans to enable a student or his or her parents to pay the costs of the student’s attendance at postsecondary schools:

(1) The Federal Stafford Loan (Stafford) Program, which encourages making loans to undergraduate, graduate, and professional students.

(2) The Federal Supplemental Loans for Students (SLS) Program, as in effect for periods of enrollment that began prior to July 1, 1994, which encourages making loans to graduate, professional, independent undergraduate, and certain dependent undergraduate students.

(3) The Federal PLUS (PLUS) Program, which encourages making loans to parents of dependent undergraduate students. Before October 17, 1996, the PLUS Program also provided for making loans to graduate, professional, and independent undergraduate students. Before July 1, 1993, the PLUS Program also provided for making loans to parents of dependent graduate students.

(4) The Federal Consolidation Loan Program (Consolidation Loan Program), which encourages making loans to borrowers for the purpose of consolidating other loans including loans: under the Federal Insured Student Loan (FISL) Program, Stafford loan, SLS, ALAS (as in effect before October 17, 1996), PLUS, Perkins Loan programs, the Health Professions Student Loan (HPDSL) Program authorized by subpart II of part A of Title VII of the Public Health Service Act, Health Education Assistance Loans (HEAL) authorized by subpart I of part A of Title VII of the Health Professions Student Loan Program, and William D. If the guaranty agency meets certain Federal requirements, the guaranty agency is reimbursed by the Secretary for all or part of the amount of default claims it pays to lenders.

(2)(i) The Secretary guarantees lenders against losses—

(A) Within the Stafford Loan Program, on loans made under Federal Insured Student Loan (FISL) Program;

(B) Within the PLUS Program, on loans made under the Federal PLUS Program;

Off. of Postsecondary Educ., Education

§ 682.102 Obtaining and repaying a loan.

(a) Stafford loan application. Generally, to obtain a Stafford loan, a student completes an application and submits it to the school for certification. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary.

(b) SLS loan application. Generally, to obtain an SLS loan, a student completes an application and submits it to the school for certification. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary.

(c) PLUS loan application. Generally, to obtain a PLUS loan, both the student and the parent complete an application and submit it to the school for certification. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary.

(d) Consolidation loan application. Generally, to obtain a Consolidation loan, a borrower completes an application and submits it to a lender holding at least one of the borrower's loans to be consolidated. If all the holders of loans selected for consolidation by the borrower refuse to make a Consolidation loan, the borrower may submit the application to any other lender participating in the Consolidation Loan Program. In the case of a married couple seeking a Consolidation loan, only the holders for one of the applicants must be contacted for consolidation. In the case of a married couple seeking a Consolidation loan, only the holders for one of the applicants must be contacted for consolidation. If a lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary.

(e) Repaying a loan—(1) General. Generally, the borrower is obligated to repay the full amount of the loan, late fees, collection costs chargeable to the borrower, and any interest not payable by the Secretary. The borrower's obligation to repay is cancelled if the borrower dies, becomes totally and permanently disabled, or has that obligation discharged in bankruptcy. The borrower's obligation to repay a PLUS loan is cancelled if the student, on whose behalf the parent borrowed, dies. The borrower's or student's obligation to repay any or a portion of his or her loan may be cancelled if the student is unable to complete his or her program of study because the school closed or the borrower's or student's eligibility to borrow was falsely certified by the school. The obligation to repay any or a portion of a loan may be forgiven for Stafford loan borrowers who enter certain areas of the teaching or nursing professions or perform certain kinds of national or community service.

(2) Stafford loan repayment. In the case of a subsidized Stafford loan, a borrower is not required to make any principal payments during the time the borrower is in school. The Secretary pays the interest on the borrower's behalf during the time the borrower is in school. When the borrower ceases to be enrolled on at least a half-time basis, a grace period begins during which no principal payments are required, and the Secretary continues to make interest payments on the borrower's behalf. In the case of an unsubsidized Stafford loan, the borrower is responsible for interest during these periods. At the end of the grace period, the repayment period begins. During the repayment period, for the subsidized and unsubsidized Stafford loan, the borrower pays both the...
principal and the interest accruing on the loan.

(3) SLS loan repayment. Generally, the repayment period for an SLS loan begins immediately on the day of the last disbursement of the loan proceeds by the lender. The first payment of principal and interest on an SLS loan is due from the borrower within 60 days after the loan is fully disbursed unless a borrower who is also a Stafford loan borrower, but who has not yet entered repayment on the Stafford loan, requests that commencement of repayment on the SLS loan be deferred until the borrower’s grace period on the Stafford loan expires.

(4) PLUS loan repayment. Generally, the repayment period for a PLUS loan begins on the day the loan is fully disbursed by the lender. The first payment of principal and interest on a PLUS loan is due from the borrower within 60 days after the loan is fully disbursed.

(5) Consolidation loan repayment. Generally, the repayment period for a Consolidation loan begins on the day the loan is disbursed. The first payment of principal and interest on a Consolidation loan is due from the borrower within 60 days after the borrower’s liability on all loans being consolidated has been discharged.

(6) Deferment of repayment. Repayment of principal on a FFEL program loan may be deferred under the circumstances described in § 682.210.

(7) Default. If a borrower defaults on a loan, the guarantor reimburses the lender for the amount of its loss. The guarantor then collects the amount owed from the borrower.

The credit report must be secured within a timeframe that would ensure the most accurate, current representation of the borrower’s credit history before the first day of the period of enrollment for which the loan is intended.
(C) Unless the lender determines that extenuating circumstances existed, the lender must consider each applicant to have an adverse credit history based on the credit report if—

(1) The applicant is considered 90 or more days delinquent on the repayment of a debt;

(2) The applicant has been the subject of a default determination, bankruptcy discharge, foreclosure, repossession, tax lien, wage garnishment, or write-off of a Title IV debt, during the five years preceding the date of the credit report.

(D) Nothing in this paragraph precludes the lender from establishing more restrictive credit standards to determine whether the applicant has an adverse credit history.

(E) The absence of any credit history is not an indication that the applicant has an adverse credit history and is not to be used as a reason to deny a PLUS loan to that applicant.

(F) The lender must retain documentation demonstrating its basis for determining that extenuating circumstances existed. This documentation may include, but is not limited to, an updated credit report, a statement from the creditor that the borrower has made satisfactory arrangements to repay the debt, or a satisfactory statement from the borrower explaining any delinquencies with outstanding balances of less than $500.

(i) Agrees to be held jointly and severally liable for the repayment of the total amount of the Consolidation loan;

§ 682.206 Due diligence in making a loan.

(a) General. (1) Loan-making duties include processing the loan application and other required forms, approving the borrower for a loan, determining the loan amount, explaining to the borrower his or her rights and responsibilities under the loan, and completing and having the borrower sign the promissory note.

(2) A lender that delegates substantial loan-making duties to a school on a loan thereby enters into a loan origination relationship with the school in regard to that loan. If that relationship exists, the lender may rely in good faith upon statements of the borrower made in the loan application process, but may not rely upon statements made by the school in that process. A non-school lender that does not have an origination relationship with a school on a loan may rely in good faith upon statements of the borrower made in the loan application process, except as provided in § 682.204, subpart E, a school lender may rely in good faith upon statements made by the borrower in the loan application process.

(b) Processing forms. Before disbursing a loan, a lender must determine that all required forms have been accurately completed by the borrower, the student, the school, and the lender. A lender may not ask the borrower to sign any form before the borrower has provided on the form all information requested from the borrower.

(c) Approval of borrower and determination of loan amount. (1) A lender may make a loan only to an eligible borrower. To the extent authorized by paragraph (a)(2) of this section, the lender may rely on the information provided on the application form or data electronically transmitted to the lender by the school, the borrower, and, if the borrower is a parent, the student on whose behalf the loan is sought, in determining the borrower’s eligibility for a loan.

(2) Except in the case of a Consolidation loan, in determining the amount of the loan to be made, the lender must review the data on the student’s cost of attendance and estimated financial assistance that is provided by the school. In no case may the loan amount exceed the student’s estimated cost of attendance less the sum of:

(i) The student’s estimated financial assistance for the period of enrollment for which the loan is intended; and

(ii) In the case of a Stafford loan that is eligible for interest benefits, the borrower’s expected family contribution for that period.

(3) A lender may not approve a loan for more than the borrower requests, the student’s unmet financial need, or the maximum established by § 682.204, whichever is less.

(d) Promissory note. (1) The lender shall obtain from the borrower an executed legally enforceable promissory note for each loan as proof of the borrower’s indebtedness.

(2) Without the guarantor’s prior approval, a lender may not add any clauses to, or modify any provisions of, the most current promissory note provided by the guarantor.

(3) The lender shall give the borrower and any endorser or co-maker a copy of each executed note.

(e) Security, endorsement, and co-makers. (1) A Federal PLUS loan must be made without security or endorsement.

(2) A Federal Consolidation Program Loan may be made to two eligible borrowers who agree to be jointly and severally liable for repayment of the loan as co-makers, or may be made to an eligible borrower with an endorser who is secondarily liable for repayment of the loan.

(2) The requirements of paragraphs (b)(1)(ii) and (v) of this section must be satisfied either by the lender or by an escrow agent with which the lender has an agreement pursuant to §682.408. The lender shall comply with paragraph (b)(1)(iii) of this section whether or not it disburses to an escrow agent.

(b)(1) In disbursing a loan, a lender—

(i) May not disburse loan proceeds earlier than is reasonably necessary to meet the student’s cost of attendance for the period for which the loan is made, and, in no case without the Secretary’s prior approval, disburse loan proceeds earlier than 30 days prior to the date on which the student is scheduled to enroll;

(iv) Shall require an escrow agent to disburse loan proceeds no later than 21 days after the agent receives the proceeds from the lender;

(b)(2) The requirements of paragraphs (b)(1)(ii) and (v) of this section must be satisfied either by the lender or by an escrow agent with which the lender has an agreement pursuant to §682.408. The lender shall comply with paragraph (b)(1)(iii) of this section whether or not it disburses to an escrow agent.

(b)(3) A Federal Consolidation loan may be made to two eligible spouses provided both borrowers agree to be jointly and severally liable for repayment of the loan as co-makers.

(f) Additional requirement for Consolidation loans. (1) Prior to disbursement of a Consolidation loan, the lender shall obtain from the holder of each loan to be consolidated a certification with respect to the loan held by the holder that—

(i) The loan is a legal, valid, and binding obligation of the borrower;

(ii) The loan was made and serviced in compliance with applicable laws and regulations; and

(vi) Except as provided in paragraph (d)(2) of this section, may not disburse a second or subsequent disbursement on a Stafford or SLS loan to a student who has ceased to be enrolled.
(2) Except as provided in paragraph (b)(1)(v)(C)(2) of this section, neither a lender nor a school may obtain a borrower's power of attorney or other authorization to endorse or otherwise approve the cashing of a loan check or the release of funds disbursed by electronic funds transfer, nor may a borrower provide this power of attorney or authorization to anyone else. However, the school may present the loan check to a financial institution for deposit in an account of the borrower pursuant to the borrower’s written authorization under paragraph (b)(1)(ii)(A) of this section.
(c) Except for a borrower attending an eligible foreign institution, a lender shall disburse any Stafford or PLUS loan as follows:
(1) Disbursement must be in two or more installments.
(2) No installment may exceed one-half of the loan.
(3) Disbursement must be made on a payment period basis in accordance with the disbursement schedule provided by the school.
(4) If one or more scheduled disbursements have elapsed before a lender makes a disbursement and the student is still enrolled, the lender may include in the disbursement loan proceeds for previously scheduled, but unmade, disbursements.
(5) A lender is not required to make more than one disbursement if a school is not in a State.
(d)(1) A lender may disburse loan proceeds after the student has ceased to be enrolled on at least a half-time basis.
(2) A disbursement described in paragraph (d)(1) of this section may be made—
(i)(A) Only if the school certified the loan application and the loan funds will be used to pay educational costs that the school determines the student incurred for the period in which the student was enrolled and eligible; 
(B) Only if the student completed the first 30 days of his or her program of study if the student was a first-year, first time borrower as described in §682.604(c)(5) of this section; and
(C) Only if the student graduated or successfully completed the period of enrollment for which the loan was intended and has not previously received a loan under this part, in the case of a second or subsequent disbursement.
(3) The lender shall give notice to the school that the loan proceeds have been disbursed in accordance with
§ 682.208 Due diligence in servicing a loan.

(a) The loan servicing process includes reporting to national credit bureaus, responding to borrower inquiries, and establishing the terms of repayment.

(b)(1) An eligible lender of a FFEL loan shall report to at least one national credit bureau—

(i) The total amount of FFEL loans the lender has made to the borrower, within 90 days of each disbursement;

(ii) The outstanding balance of the loans;

(iii) Information concerning the repayment status of the loan, no less frequently than every 90 days or quarterly after a change in that status from current to delinquent;

(iv) The date the loan is fully repaid by, or on behalf of, the borrower, or discharged by reason of the borrower’s death, bankruptcy, or total and permanent disability, within 90 days after that date;

(v) Other information required by law to be reported.

(2) An eligible lender that has acquired a FFEL loan shall report to at least one national credit bureau the information required by paragraph (b)(1)(ii)–(v) of this section within 90 days of its acquisition of the loan.

(c)(1) A lender shall respond within 30 days after receipt to any inquiry from a borrower or any endorser on a loan.

(2) When a lender learns that a Stafford loan borrower is no longer enrolled at an institution of higher education on at least a half-time basis, the lender shall promptly contact the borrower in order to establish the terms of repayment.

(d) Subject to the rules regarding maximum duration of a repayment period and minimum annual payment described in §682.209(a)(7), (c), and (h), nothing in this part is intended to limit a lender’s discretion in establishing, or, with the borrower’s consent, revising a borrower’s repayment schedule—

(1) To provide for graduated or income-sensitive repayment terms. The Secretary strongly encourages lenders to provide a graduated or income-sensitive repayment schedule to a borrower providing for at least the payment of interest charges, unless the borrower requests otherwise, in order to make the borrower’s repayment burden commensurate with his or her projected ability to pay; or

(2) To provide a single repayment schedule for all FFEL program loans to the borrower held by the lender.

(e)(1) If the assignment of a Stafford, PLUS, SLS, or Consolidation loan is to result in a change in the identity of the party to whom the borrower must send subsequent payments, the assignor and assignee of the loan shall, no later than 45 days from the date the assignee acquires a legally enforceable right to receive payment from the borrower on the assigned loan, provide, either jointly or separately, a notice to the borrower of—

(i) The assignment;

(ii) The identity of the assignee;

(iii) The name and address of the party to whom subsequent payments or communications must be sent; and

(iv) The telephone numbers of both the assignor and the assignee.

(2) If the assignor and assignee separately provide the notice required by paragraph (e)(1) of this section, each notice must indicate that a corresponding notice will be sent by the other party to the assignment.

(3) For purposes of this paragraph, the term “assigned” is defined in §682.401(b)(17)(ii).

(4) The assignee, or the assignor on behalf of the assignee, shall notify the guaranty agency that guaranteed the loan within 45 days of the date the assignee acquires a legally enforceable right to receive payment from the borrower on the loan of—

(i) The assignment; and

(h) Notifying the borrower about a servicing change. If an FFEL Program loan has not been assigned, but there is a change in the identity of the party to whom the borrower must send subsequent payments or direct any communications concerning the loan, the holder of the loan shall, no later than 45 days after the date of the change, provide notice to the borrower of the name, telephone number, and address of the party to whom subsequent payments or communications must be sent. The requirements of this paragraph apply if the borrower is in a grace period or has entered the repayment period.

§ 682.209

34 CFR Ch. VI (7–1–99 Edition)

(3)(i) Except as provided in paragraphs (a)(4) and (5) of this section, for a Stafford loan the repayment period begins—

(A) For a borrower with a loan for which the applicable interest rate is 7 percent per year, not less than 9 nor more than 12 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an eligible school. The length of this grace period is determined by the lender for loans made under the FISL Program, and by the guaranty agency for loans guaranteed by the agency;

(B) For a borrower with a loan for which the initial applicable interest rate is 8 or 9 percent per year, the day after 6 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an institution of higher education; and

(C) For a borrower with a loan with a variable interest rate, the day after 6 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an institution of higher education.

(ii) The first payment on a Stafford loan is due on a date established by the lender that is no more than—

(A) 45 days following the first day that the repayment period begins;

(B) 45 days from the expiration of a deferment or forbearance period unless the borrower during this period has submitted payments with instructions that those payments are intended for future installment payments;

(C) 45 days following the end of the post deferment grace period;

(D) If the lender first learns after the fact that the borrower has entered the repayment period, no later than 75 days after the date the lender learns that the borrower has entered the repayment period; or

(E) An additional 30 days beyond the periods specified in paragraphs (a)(3)(ii)(A)–(D) of this section in order for the lender to comply with the required deadlines contained in §682.205(c)(1).

(4) For a borrower of a Stafford loan who is a correspondence student, the grace period specified in paragraph (a)(3)(i) of this section begins on the earliest of the date—

(i) The borrower completes the program;

(ii) The borrower falls 60 days behind the due date for submission of a scheduled assignment. However, a school may grant the borrower one restoration to in-school status if the borrower fails to submit a lesson within this 60-day period after the due date for submission of a particular assignment if, within the 60-day period, the borrower declares, in writing, an intention to continue in the program and an understanding that the required lessons must be submitted on time; or

(iii) That is 60 days following the latest allowable date established by the school for completing the program under the schedule.

(5) For a Stafford loan, the repayment period begins prior to the end of the grace period if the borrower requests in writing and is granted a repayment schedule that so provides. In this event, a borrower waives the remainder of the grace period.

(6)(i) The repayment schedule may provide for substantially equal installment payments or for installment payments that increase or decrease in amount during the repayment period. If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule that—

(A) Provides for adjustments of the amount of the installment payment to reflect annual changes in the variable interest rate; or

(B) Contains no provision for an adjustment of the amount of the installment payment to reflect annual changes in the variable interest rate, but requires the lender to grant a forbearance to the borrower (or endorser, if applicable) for a period of up to 3 years of payments in accordance with §682.211(j)(5) in cases where the effect of a variable interest rate on a standard or graduated repayment schedule would result in a loan not being repaid within the maximum repayment term.

(ii) If a graduated or income-sensitive repayment schedule is established, it may not provide for any single installment that is more than three times greater than any other installment. An agreement as specified in paragraph (c)(1)(i) of this section is not required if the schedule provides
for less than the minimum annual payment amount specified in paragraph (c)(1)(i) of this section.

(iii) Not more than six months prior to the date that the borrower's first payment is due, the lender shall offer a choice of a standard, graduated, or income-sensitive repayment schedule to a new borrower who receives a Stafford or SLS loan first disbursed on or after July 1, 1993. For purposes of this section, a "new borrower" is an individual who has no outstanding principal or interest balance on an FFEL Program loan as of July 1, 1993 or on the date he or she obtains a loan on or after July 1, 1993. This term also includes any borrower whose Consolidation loan application is received by the lender on or after January 1, 1993. The lender shall also offer a choice of repayment schedules to any individual whose Consolidation loan application is received by the lender on or after January 1, 1993. The Secretary encourages lenders to offer the choice of repayment schedules to all other borrowers.

(iv) The repayment schedule must require that each payment equal at least the interest that accrues during the interval between scheduled payments.

(v) The lender shall require the borrower to repay the loan under a standard repayment schedule described in paragraph (a)(6)(vi) of this section if the borrower—

(A) Does not select an income-sensitive or a graduated repayment schedule within 45 days after being notified by the lender to choose a repayment schedule; or

(B) Chooses an income-sensitive repayment schedule, but does not provide the documentation requested by the lender to repay the loan under a standard repayment schedule described in paragraph (a)(6)(vi) of this section within the time period specified by the lender.

(vi) Under a standard repayment schedule, the borrower is scheduled to pay either—

(A) The same amount for each installment payment made during the repayment period, except that the borrower's final payment may be slightly more or less than the other payments; or

(B) An installment amount that will be adjusted to reflect annual changes in the loan's variable interest rate.

(vii) Under a graduated repayment schedule—

(A)(1) The amount of the borrower's installment payment is scheduled to change (usually by increasing) during the course of the repayment period; or

(2) If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule that may have adjustments in the payment amount as provided under paragraph (a)(6)(i) of this section; and

(B) An agreement as specified in paragraph (c)(1)(ii) of this section is not required if the schedule provides for less than the minimum annual payment amount specified in paragraph (c)(1)(i) of this section.

(viii) Under an income-sensitive repayment schedule—

(A)(1) The amount of the borrower's installment payment is adjusted annually, based on the borrower's expected total monthly gross income received by the borrower from employment and from other sources during the course of the repayment period; or

(2) If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule that may have adjustments in the payment amount as provided under paragraph (a)(6)(i) of this section; and

(B) In general, the lender shall request the borrower to inform the lender of his or her income no earlier than 90 days prior to the due date of the borrower's initial installment payment and subsequent annual payment adjustment under an income-sensitive repayment schedule. The income information must be sufficient for the lender to make a reasonable determination of what the borrower's payment amount should be. If the lender receives late notification that the borrower has dropped below half-time enrollment status at a school, the lender may request that income information earlier than 90 days prior to the due date of the borrower's initial installment payment;

(C) Except in the case of a Consolidation loan, if the borrower reports income to the lender that the lender considers to be insufficient for establishing monthly installment payments that would repay the loan within the maximum 10-year repayment period,
§ 682.209 34 CFR Ch. VI (7–1–99 Edition)

the lender shall require the borrower to submit evidence showing the amount of the most recent total monthly gross income received by the borrower from employment and from other sources including, if applicable, pay statements from employers and documentation of any income received by the borrower from other parties;

(D) The lender shall grant a forbearance to the borrower (or endorser, if applicable) for a period of up to 5 years of payments in accordance with § 682.211(i)(5) in cases where the effect of decreased installment amounts paid under an income-sensitive repayment schedule would result in a loan not being repaid within the maximum repayment term; and

(E) The lender shall inform the borrower that the loan must be repaid within the time limits specified under paragraph (a)(7) of this section.

(ix) For purposes of this section, a lender shall, to the extent practicable require that all FFEL loans owed by a borrower to the lender be combined into one account and repaid under one repayment schedule. In that event, the word “loan” in this section shall mean all of the borrower’s loans that were combined by the lender into that account.

(7)(i) Subject to paragraphs (a)(7)(ii) through (iv) of this section, a lender shall allow a borrower at least 5 years, but not more than 10 years, to repay a Stafford, SLS, or PLUS loan, calculated from the beginning of the repayment period. Except in the case of a FISL loan for a period of enrollment beginning on or after July 1, 1986, the lender shall require a borrower to fully repay a FISL loan within 15 years after it is made.

(ii) If the borrower receives an authorized deferment or is granted forbearance, as described in § 682.210 or § 682.211 respectively, the periods of deferment or forbearance are excluded from determinations of the 5, 10-, and 15-year periods, and from the 10-, 12-, 15-, 20-, 25-, and 30-year periods for repayment of a Consolidation loan pursuant to § 682.209(h).

(iii) If the minimum annual repayment required in paragraph (c) of this section would result in complete repayment of the loan in less than 5 years, the borrower is not entitled to the full 5-year period.

(iv) The borrower may, prior to the beginning of the repayment period, request and be granted by the lender a repayment period of less than 5 years. Subject to paragraph (a)(7)(iii) of this section, a borrower who makes such a request may, by written notice to the lender at any time during the repayment period, extend the repayment period to a minimum of 5 years.

(8) If, with respect to the aggregate of all loans held by a lender, the total payment made by a borrower for a monthly or similar payment period would not otherwise be a multiple of five dollars, the lender may round that periodic payment to the next highest whole dollar amount that is a multiple of five dollars.

(b) Payment application and prepayment.

(1) The lender may credit the entire payment amount first to any late charges accrued or collection costs and then to any outstanding interest and then to outstanding principal.

(i) The borrower may prepay the whole or any part of a loan at any time without penalty.

(ii) If the prepayment amount equals or exceeds the monthly payment amount under the repayment schedule established for the loan, the lender shall apply the prepayment to future installments by advancing the next payment due date, unless the borrower requests otherwise. The lender must either inform the borrower in advance using a prominent statement in the borrower coupon book or billing statement that any additional full payment amounts submitted without instructions to the lender as to their handling will be applied to future scheduled payments with the borrower’s next scheduled payment due date advanced consistent with the number of additional payments received, or provide a notification to the borrower after the payments are received informing the borrower that the payments have been so applied and the date of the borrower’s next scheduled payment due date. Information related to next scheduled payment due date need not be provided to borrower’s making such prepayments while in an in-school, grace,
deferment, or forbearance period when payments are not due.

(c) Minimum annual payment. (1)(i) Subject to paragraph (c)(1)(ii) of this section, during each year of the repayment period a borrower's total payments to all holders of the borrower's FFEL Program loans must total at least $600 or the unpaid balance of all loans, including interest, whichever amount is less.

(ii) If the borrower and the lender agree, the amount paid may be less.

(2) The provisions of paragraphs (c)(1) (i) and (ii) of this section may not result in an extension of the maximum repayment period unless forbearance as described in §682.211, or deferment described in §682.210, has been approved.

(d) Combined repayment of a borrower's student PLUS and SLS loans held by a lender. (1) A lender may, at the request of a student borrower, combine the borrower's, student PLUS and SLS loans held by it into a single repayment schedule.

(2) The repayment period on the loans included in the combined repayment schedule must be calculated based on the beginning of repayment of the most recent included loan.

(3) The interest rate on the loans included in the new combined repayment schedule must be the weighted average of the rates of all included loans.

(e) Refinancing a fixed-rate PLUS or SLS Program loan to secure a variable interest rate. (1) Subject to paragraph (g) of this section, a borrower who has applied for, but been denied, a refinanced loan authorized under paragraph (e) of this section by the holder of the borrower's fixed-rate PLUS or SLS loan, may obtain a loan from another lender for the purpose of discharging the fixed-rate loan and obtaining a variable interest rate.

(2) A loan made under paragraph (f)(1) of this section—

(i) Must bear interest at the variable interest rate described in §682.202(a)(2)(ii) and (3)(ii) as appropriate;

(ii) May not operate to extend the repayment period provided for in paragraph (a)(7)(i) of this section; and

(iii) Must be disbursed to the holder of the fixed-rate loan to discharge the borrower's obligation thereon.

(3) Upon receipt of the proceeds of a loan made under paragraph (f)(1) of this section, the holder of the fixed-rate loan shall, within five business days, apply the proceeds to discharge the borrower's obligation on the fixed-rate loan, and provide the refinancing lender with either a copy of the borrower's original promissory note evidencing the fixed-rate loan or the holder's written certification that the borrower's obligation on the fixed-rate loan has been fully discharged.

(4) The refinancing lender may charge the borrower an insurance premium on a loan made under paragraph (f)(1) of this section, but may not charge a fee to cover administrative costs.

(5) For purposes of deferments under §682.210, the refinancing loan—

(i) Is considered a PLUS loan if any of the included loans is a PLUS loan made to a parent;

(ii) Is considered an SLS loan if the combined loan does not include a PLUS loan made to a parent; or

(iii) Is considered a loan to a "new borrower" as defined in §682.210(b)(7), if all the loans that were refinanced were made on or after July 1, 1987, for a period of enrollment beginning on or after that date.

(g) Conditions for refinancing certain loans. (1) A lender may not refinance a loan under paragraphs (e) or (f) of this
§682.209 34 CFR Ch. VI (7–1–99 Edition)

section if that loan is in default, involves a violation of a condition of reinsurance described in §682.406, or, in the case of a Federal SLS or Federal PLUS loan, is uninsured by the Secretary.

(2)(i) Prior to refinancing a fixed-rate loan under paragraph (f) of this section, the lender shall obtain a written statement from the holder of the loan certifying that—

(A) The holder has refused to refinance the fixed-rate loan under paragraph (e) of this section; and

(B) The fixed-rate loan is eligible for insurance or reinsurance under paragraph (g)(1) of this section.

(ii) The holder of the fixed-rate loan shall, within 10 business days of receiving a lender's written request to provide a certification under paragraph (g)(2)(i) of this section, provide the lender with that certification, or provide the lender and the guarantor on the loan with a written explanation of the reasons for its inability to provide the certification to the requesting lender.

(iii) The refinancing lender may rely in good faith on the certification provided by the holder of the fixed-rate loan under paragraph (g)(2)(ii) of this section.

(h) Consolidation loans. (1) For a Consolidation loan, the repayment period begins on the day of disbursement, with the first payment due within 60 days after the date of disbursement.

(2) If the sum of the amount of the Consolidation loan and the unpaid balance on other student loans to the applicant—

(i) Is less than $7,500, the borrower shall repay the Consolidation loan in not more than 10 years; or

(ii) Is equal to or greater than $7,500 but less than $10,000, the borrower shall repay the Consolidation loan in not more than 12 years;

(iii) Is equal to or greater than $10,000 but less than $20,000, the borrower shall repay the Consolidation loan in not more than 15 years;

(iv) Is equal to or greater than $20,000 but less than $40,000, the borrower shall repay the Consolidation loan in not more than 20 years;

(vi) Is equal to or greater than $60,000, the borrower shall repay the Consolidation loan in not more than 30 years.

(3) Except for a Consolidation loan disbursed on or after July 1, 1996, in order to qualify for a repayment period under paragraph (h)(2)(iii) of this section, the Consolidation loan must include at least $5,000 in Title IV Part B loans.

(4) For the purpose of paragraph (h)(2) of this section the unpaid balance on other student loans—

(i) May not exceed the amount of the Consolidation loan; and

(ii) Does not include the unpaid balance on any loan not made under Title IV of the HEA on which the borrower is in default, but may include the unpaid balance on a defaulted loan made under Title IV of the HEA if the borrower has made satisfactory repayment arrangements with the holder to repay that loan.

(iii) May include loans received prior to the date of the Consolidation loan provided that the loans are included within 180 days after the Consolidation loan is made.

(5) A repayment schedule for a Consolidation loan—

(i) Must be established by the lender;

(iii) Must require that each payment equal at least the interest that accrues during the interval between scheduled payments.

(6) Upon receipt of the proceeds of a loan made under paragraph (h)(2) of this section, the holder of the underlying loan shall promptly apply the proceeds to discharge fully the borrower's obligation on the underlying loan, and provide the consolidating lender with the holder's written certification that the borrower's obligation on the underlying loan has been fully discharged.

(i) Treatment by a lender of borrowers' refunds received from schools. (1) A lender shall treat a payment of a borrower's refund of tuition or other institutional charges received by the lender from a school as a credit against the
§ 682.210 Deferment.

(a) General. (1)(i) A borrower is entitled to have periodic installment payments of principal deferred during authorized periods after the beginning of the repayment period, pursuant to paragraph (b) of this section.

(ii) With the exception of a deferment authorized under paragraph (o) of this section, a borrower may continue to receive a specific type of deferment that is limited to a maximum period of time only if the total amount of time that the borrower has received the deferment does not exceed the maximum time period allowed for the deferment.

(2)(i) For a loan made before October 1, 1981, the borrower is also entitled to have periodic installments of principal deferred during the six-month period (post-deferment grace period) that begins after the completion of each deferment period or combination of those periods, except as provided in paragraph (a)(2)(ii) of this section.

(ii) Once a borrower receives a post-deferment grace period following an unemployment deferment, as described in paragraph (b)(1)(v) of this section, the borrower does not qualify for additional post-deferment grace periods following subsequent unemployment deferments.

(3) Interest accrues and is paid by the borrower during the deferment period and the post-deferment grace period, if applicable, unless interest accrues and is paid by the Secretary if—

(i) In the case of a Stafford loan, the loan was determined to be eligible for interest benefits under § 682.301 when the loan was made; or

(ii) In the case of a Consolidation loan for which the application was received by an eligible lender on or after January 1, 1993, during any period the borrower was eligible for a deferment under section 428(b)(1)(m).

(4) As a condition for receiving a deferment, the borrower shall request the deferment, and provide the lender with all information and documents required to establish eligibility for a specific type of deferment.

(5) An authorized deferment period begins on the date the condition entitling the borrower to the deferment first exists, but not more than six months before the date the lender receives a request and the information and documentation required for the deferment.

(6) An authorized deferment period ends on the earlier of—

(i) The date when the condition establishing the borrower’s eligibility for the deferment ends;

(ii) Except as provided in paragraph (a)(6)(iv) of this section, the date on which, as certified by an authorized official, the borrower’s eligibility for the deferment is expected to end;
(iii) Except as provided in paragraph (a)(6)(iv) of this section, the expiration date of the period covered by any certification required by this section to be obtained for the deferment;

(iv) In the case of a student deferment for a Stafford or PLUS loan made to a borrower guaranteed by a guaranty agency whose student status confirmation report system includes student status reports for each borrower with a student deferment, and in the case of an SLS loan made to a borrower for a period of enrollment that commences at the same time as the deferment, the student's anticipated graduation date as indicated on the loan application, and as updated by notice to the lender from the school or guaranty agency; or

(v) The date when the condition providing the basis for the borrower's eligibility for the deferment has continued to exist for the maximum amount of time allowed for that type of deferment.

(7) A lender may not deny a borrower a deferment to which the borrower is entitled, even though the borrower may be delinquent, but not in default, in making required installment payments. The 180- or 240-day period required to establish default does not run during the deferment and post-deferment grace periods. Unless the lender has granted the borrower forbearance under §682.211, when the deferment and, if applicable, the post-deferment grace period expire, a borrower resumes any delinquency status that existed when the deferment period began.

(8) A borrower whose loan is in default is not eligible for a deferment on that loan, unless the borrower has made payment arrangements acceptable to the lender prior to the payment of a default claim by a guaranty agency.

(9) The borrower promptly must inform the lender when the condition entitling the borrower to a deferment no longer exists.

(10) Authorized deferments are described in paragraph (b) of this section. Specific requirements for each deferment are set forth in paragraphs (c) through (s) of this section.

(11) If two individuals are jointly liable for repayment of a PLUS loan or a Consolidation loan, the lender shall grant a request for deferment if both individuals simultaneously meet the requirements of this section for receiving the same, or different deferments.

(3) For a borrower of a Stafford or SLS loan who has been enrolled on at least a half-time basis at an institution of higher education during the six months preceding the beginning of this deferment, deferment is authorized during a period of up to six months during which the borrower is—

(i) (A) Pregnant;
(B) Caring for his or her newborn child; or
(C) Caring for a child immediately following the placement of the child with the borrower before or immediately following adoption; and
(ii) Not attending a school or gainfully employed.

Full-time employment involves at least 30 hours of work a week and it expected to last at least 3 months.

(6) For a parent borrower of a PLUS loan, deferment is authorized during any period when a student on whose behalf the parent borrower received the loan—

(i) Is not independent as defined in section 480(d) of the Act; and
(ii) Meets the conditions and provides the required documentation, for any of the deferments described in paragraphs (b)(1)(i)–(iii) and (b)(4) of this section.

(7) For purposes of paragraph (b)(5) of this section, a “new borrower” with respect to a loan is a borrower who, on the date he or she signs the promissory note, has no outstanding balance on—

(2) The lender shall consider a deferment granted on the basis of a certified loan application to cover the period lasting until the anticipated graduation date appearing on the application, unless and until it receives notice that the borrower has ceased the level of study (i.e., full-time or half-time) required for the deferment.

(3) In the case of a Stafford, SLS or PLUS borrower, the lender shall treat the certified loan application or other form certified by the school or for multiple holders of a borrower's loans, shared data from the Student Status Confirmation Report, as sufficient documentation for a student deferment for any outstanding Stafford, SLS or PLUS loan previously made to the borrower that is held by the lender.

(4) A borrower serving in a medical internship residency program, except for an internship in dentistry, is prohibited from receiving or continuing a deferment on a Stafford, SLS, or Consolidation loan under paragraph (c) of this section.

(d) Graduate fellowship deferment. (1) To qualify for a deferment for study in a graduate fellowship program, a borrower shall provide the lender with a statement from an authorized official of the borrower's fellowship program certifying—

that normally would prevent an individual from engaging in full-time employment, either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation. For the purpose of this paragraph, full-time employment involves at least 30 hours of work per week and is expected to last at least three months.

(2) A borrower may qualify for an unemployment deferment whether or not the borrower has been previously employed.

(3) An unemployment deferment is not justified if the borrower refuses to seek or accept employment in kinds of positions or at salary and responsibility levels for which the borrower feels over qualified by virtue of education or previous experience.

(5) A lender may not grant a deferment based on a single certification under paragraph (h)(1) of this section beyond the date that is six months after the date of the certification.

(6) A lender may accept, as an alternative to the certification of employer contacts required under paragraph
§ 682.210

(ii) A certification that he or she is teaching in a teacher shortage area designated by the Secretary as provided in paragraphs (q)(5) through (7) of this section, as described in paragraph (q)(2) of this section.

(2) In order to satisfy the requirement for certification that a borrower is teaching in a teacher shortage area designated by the Secretary, a borrower must do one of the following:

(i) If the borrower is teaching in a State in which the Chief State School Officer has complied with paragraph (q)(3) of this section and provides an annual listing of designated teacher shortage areas to the State's chief administrative officers whose schools are affected by the Secretary's designations, the borrower may obtain a certification that he or she is teaching in a teacher shortage area from his or her school's chief administrative officer.

(ii) If a borrower is teaching in a State in which the Chief State School Officer has not complied with paragraph (q)(3) of this section or does not provide an annual listing of designated teacher shortage areas to the State's chief administrative officers whose schools are affected by the Secretary's designations, the borrower must obtain certification that he or she is teaching in a teacher shortage area from the Chief State School Officer for the State in which the borrower is teaching.

(3) In the case of a State in which borrowers wish to obtain certifications as provided for in paragraph (q)(2)(i) of this section, the State's Chief State School Officer must first have notified the Secretary, by means of a one-time written assurance, that he or she provides annually to the State's chief administrative officers whose schools are affected by the Secretary's designations and the guaranty agency for that State, a listing of the teacher shortage areas designated by the Secretary as provided for in paragraphs (q)(5) through (7) of this section.

(4) If a borrower who receives a deferment continues to teach in the same teacher shortage area as that in which he or she was teaching when the deferment was originally granted, the borrower shall, at the borrower's request, continue to receive the deferment for those subsequent years, up to the three-year maximum deferment period, even if his or her position does not continue to be within an area designated by the Secretary as a teacher shortage area in those subsequent years. To continue to receive the deferment in a subsequent year under this paragraph, the borrower shall provide the lender with a statement by the chief administrative officer of the public or nonprofit private elementary or secondary school that employs the borrower, certifying that the borrower continues to be employed as a full-time teacher in the same teacher shortage area for which the deferment was received for the previous year.

(5) For purposes of this section a teacher shortage area is—

(i)(A) A geographic region of the State in which there is a shortage of elementary or secondary school teachers; or

(B) A specific grade level or academic, instructional, subject-matter, or discipline classification in which there is a statewide shortage of elementary or secondary school teachers; and

(ii) Designated by the Secretary under paragraphs (q)(6) or (q)(7) of this section.

(6)(i) In order for the Secretary to designate one or more teacher shortage areas in a State for a school year, the Chief State School Officer shall by January 1 of the calendar year in which the school year begins, and in accordance with objective written standards, propose teacher shortage areas to the Secretary for designation. With respect to private nonprofit schools included in the recommendation, the Chief State School Officer shall consult with appropriate officials of the private nonprofit schools in the State prior to submitting the recommendation.

(ii) In identifying teacher shortage areas to propose for designation under paragraph (q)(6)(i) of this section, the Chief State School Officer shall consider data from the school year in which the recommendation is to be made, unless that data is not yet available, in which case he or she may use data from the immediately preceding school year, with respect to—
(A) Teaching positions that are un-filled;
(B) Teaching positions that are filled by teachers who are certified by irregular, provisional, temporary, or emergency certification; and
(C) Teaching positions that are filled by teachers who are certified, but who are teaching in academic subject areas other than their area of preparation.

(iii) If the total number of unduplicated full-time equivalent (FTE) elementary or secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation does not exceed 5 percent of the total number of FTE elementary and secondary teaching positions in the State, the Secretary designates those areas as teacher shortage areas.

(iv) If the total number of unduplicated FTE elementary and secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation exceeds 5 percent of the total number of elementary and secondary FTE teaching positions in the State, the Chief State School Officer shall submit, with the list of proposed areas, supporting documentation showing the methods used for identifying shortage areas, and an explanation of the reasons why the Secretary should nevertheless designate all of the proposed areas as teacher shortage areas. The explanation must include a ranking of the proposed shortage areas according to priority, to assist the Secretary in determining which areas should be designated. The Secretary, after considering the explanation, determines which shortage areas to designate as teacher shortage areas.

(7) A Chief State School Officer may submit to the Secretary for approval an alternative written procedure to the one described in paragraph (q)(6) of this section, for the Chief State School Officer to use to select the teacher shortage areas recommended to the Secretary for designation, and for the Secretary to use to choose the areas to be designated. If the Secretary approves the proposed alternative procedure, in writing, that procedure, once approved, may be used instead of the procedure described in paragraph (q)(6) of this section for designation of teacher shortage areas in that State.

(8) For purposes of paragraphs (q)(1) through (7) of this section—
(i) The definition of the term school in §682.200(b) does not apply;
(ii) Elementary school means a day or residential school that provides elementary education, as determined under State law;

In the absence of applicable State law, the Secretary may determine, with respect to that State, whether the term “secondary school” includes education beyond the twelfth grade;
(iv) Teacher means a professional who provides direct and personal services to students for their educational development through classroom teaching;
(v) Chief State School Officer means the highest ranking educational official for elementary and secondary education for the State;
(vi) School year means the period from July 1 of a calendar year through June 30 of the following calendar year;
(vii) Teacher shortage area means an area of specific grade, subject matter, or discipline classification, or a geographic area in which the Secretary determines that there is an inadequate supply of elementary or secondary school teachers; and
(viii) Full-time equivalent means the standard used by a State in defining full-time employment, but not less than 30 hours per week. For purposes of counting full-time equivalent teacher positions, a teacher working part of his or her total hours in a position that is designated as a teacher shortage area is counted on a pro rata basis corresponding to the percentage of his or her working hours spent in such a position.

(r) Working-mother deferment. (1) To qualify for the working-mother deferment described in paragraph (b)(9)(iv) of this section, the borrower shall provide the lender with a statement certifying that she—

(iv) Does not receive compensation that exceeds $1 per hour above the rate prescribed under section 6 of the Fair Labor Standards Act of 1938 (the Federal minimum wage).

(2) In addition to the certification required under paragraph (r)(1) of this section, the borrower shall provide to the lender documents demonstrating the age of her child (e.g., a birth certificate) and the rate of her compensation (e.g., a pay stub showing her hourly rate of pay).

(3) For purposes of this paragraph—

(i) A preschool-age child is one who has not yet enrolled in first grade or a higher grade in elementary school; and

(ii) Full-time employment involves at least 30 hours of work a week and is expected to last at least 3 months.

(s) Deferments for new borrowers on or after July 1, 1993—

(1) General. A new borrower who receives an FFEL Program loan first disbursed on or after July 1, 1993 is entitled to receive deferments under paragraphs (s)(2) through (s)(6) of this section. For purposes of paragraphs (s)(2) through (s)(6) of this section, a “new borrower” is an individual who has no outstanding principal or interest balance on an FFEL Program loan as of July 1, 1993 or on the date he or she obtains a loan on or after July 1, 1993. This term also includes a borrower who obtains a Federal Consolidation Loan on or after July 1, 1993 if the borrower has no other outstanding FFEL Program loan when the Consolidation Loan was made.

(2) Student deferment. An eligible borrower is entitled to a deferment based on the borrower’s at least half-time study in accordance with the rules prescribed in §682.210(c), except that the borrower is not required to obtain a Stafford or SLS loan for the period of enrollment covered by the deferment.

(3) Graduate fellowship deferment. An eligible borrower is entitled to a graduate fellowship deferment in accordance with the rules prescribed in §682.210(d).

(4) Rehabilitation training program deferment. An eligible borrower is entitled to a rehabilitation training program deferment in accordance with the rules prescribed in §682.210(e).

(5) Unemployment deferment. An eligible borrower is entitled to an unemployment deferment in accordance with the rules prescribed in §682.210(h) for periods that, collectively, do not exceed 3 years.

(6) Economic hardship deferment. An eligible borrower is entitled to an economic hardship deferment for periods of up to one year at a time that, collectively, do not exceed 3 years, if the borrower provides documentation satisfactory to the lender showing that the borrower—

(i) Has been granted an economic hardship deferment under either the Direct Loan or Federal Perkins Loan Programs for the period of time for which the borrower has requested an economic hardship deferment for his or her FFEL loan;

(ii) Is receiving payment under a Federal or State public assistance program, such as Aid to Families with Dependent Children, Supplemental Security Income, Food Stamps, or State general public assistance;

(iii) Is working full-time and earning a total monthly gross income that does not exceed the greater of—

(A) The minimum wage rate described in section 6 of the Fair Labor Standards Act of 1938; or

(B) An amount equal to 100 percent of the poverty line for a family of two, as determined in accordance with section 673(2) of the Community Service Block Grant Act;

(iv) Is working full-time and has a Federal education debt burden that equals or exceeds 20 percent of the borrower’s total monthly gross income, and the borrower’s income minus such burden is less than 220 percent of the amount calculated under paragraph (s)(6)(iii) of this section; or

(v) Is not working full-time and has a total monthly gross income that does not exceed twice the amount calculated under paragraph (s)(6)(iii) of this section and, after deducting an amount equal to the borrower’s Federal education debt burden, as determined under paragraph (s)(6)(vi) of this
section, the remaining amount of that income does not exceed the amount specified in paragraph (s)(6)(iii) of this section.

(vi) In determining a borrower's Federal education debt burden for purposes of an economic hardship deferment under paragraphs (s)(6)(iv) through (v) of this section, the lender shall count only the monthly payment amount (or a proportional share if the payments are due less frequently than monthly) that would have been owed on a Federal postsecondary education loan if the loan had been scheduled to be repaid in 10 years from the date the borrower entered repayment, regardless of the length of the borrower's actual repayment schedule or the actual monthly payment amount (if any) that would be owed during the period that the borrower requested an economic hardship deferment. The lender shall require the borrower to provide evidence that would enable the lender to determine the amount of the monthly payments that would have been owed by the borrower during the deferment period to other entities for Federal postsecondary education loans in accordance with paragraph (s)(6)(vi) of this section.

(vii) For an initial period of deferment granted under paragraphs (s)(6)(iii) through (v) of this section, the lender shall require the borrower to submit evidence showing the amount of the borrower's most recent total monthly gross income, as defined in paragraph (s)(6)(ix) of this section.

(viii) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraphs (s)(6)(iii) through (v) of this section, the lender shall require the borrower to submit evidence showing the amount of the borrower's most recent total monthly gross income, as defined in paragraph (s)(6)(ix) of this section, and a copy of the borrower's Federal income tax return if the borrower filed a tax return within eight months prior to the date the deferment is requested.

(ix) For purposes of paragraph (s)(6) of this section, a borrower's total monthly gross income shall be the gross amount of income received by the borrower from employment (either full-time or part-time) and from other sources.

(x) For purposes of paragraph (s)(6) of this section, a borrower is considered to be working full-time if the borrower is expected to be employed for at least three consecutive months at 30 hours per week.

§ 682.211 Forbearance.

(a)(1) The Secretary encourages a lender to grant forbearance for the benefit of a borrower or endorser in order to prevent the borrower or endorser from defaulting on the borrower's or endorser's repayment obligation, or to permit the borrower or endorser to resume honoring that obligation after default. Forbearance means permitting the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously were scheduled.

(2) Subject to paragraph (g) of this section, a lender may grant forbearance of payments of principal and interest under paragraphs (b), (c), and (d) of this section only if—

(i) The lender reasonably believes, and documents in the borrower's file, that the borrower or endorser intends to repay the loan but, due to poor health or other acceptable reasons, is currently unable to make scheduled payments; or

(ii) The borrower's payments of principal are deferred under §682.210 and the Secretary does not pay interest benefits on behalf of the borrower under §682.301.

(3) If two individuals are jointly liable for repayment of a PLUS loan or a Consolidation loan, the lender may grant forbearance on repayment of the loan only if the ability of both individuals to make scheduled payments has been impaired based on the same or differing conditions.
(4) If payments of interest are forborne, they may be capitalized as provided in §682.202(b).

(b) A lender may grant forbearance if the lender and the borrower or endorser agree in writing to the terms of the forbearance, or, in the case of forbearance of interest during a period of deferment, if the lender informs the borrower at the time the deferment is granted that interest payments are to be forborne.

(c) A lender may grant forbearance for a period of up to one year at a time if both the borrower or endorser and an authorized official of the lender agree in writing to the forbearance.

(d) A guaranty agency may authorize a lender to grant forbearance to permit a borrower or endorser to resume honoring the agreement to repay the debt after default but prior to claim payment. The terms of the forbearance agreement in this situation must include a new signed agreement to repay the debt.

(e) Except in the case of forbearance of interest payments during a deferment period if a forbearance involves the postponement of all payments, the lender must contact the borrower or endorser by telephone or send a written notice to the borrower or endorser at least once every three months during the period of forbearance to remind the borrower or endorser of the outstanding obligation to repay.

(f) A lender may grant forbearance, upon notice to the borrower or if applicable, the endorser, with respect to payments of interest and principal that are overdue—

(1) For a properly granted period of deferment for which the lender learns the borrower did not qualify;

(2) Upon the beginning of an authorized deferment period;

(3) For the period beginning when the borrower entered repayment until the first payment due date was established;

(4) For the period prior to the borrower's filing of a bankruptcy petition as provided in §682.402(f);

(5) For a period not to exceed 60 days after the lender receives reliable information indicating that the borrower (or student in the case of a PLUS loan) has died, or the borrower has become totally and permanently disabled, until the lender receives documentation of death or total and permanent disability, pursuant to §682.402(b) or (c);

(6) For periods necessary for the Secretary or guaranty agency to determine the borrower's eligibility for discharge of the loan because of attendance at a closed school or false certification of loan eligibility, pursuant to §682.402(d) or (e), or the borrower's or, if applicable, endorser's bankruptcy, pursuant to §682.402(f); or

(7) For a period of delinquency at the time a loan is sold or transferred, if the borrower or endorser is less than 60 days delinquent on the loan at the time of sale or transfer.

(g) In granting a forbearance under this section, except for a forbearance under paragraph (i)(5) of this section, a lender shall grant a temporary cessation of payments, unless the borrower chooses another form of forbearance subject to paragraph (a)(1) of this section.

(h) Mandatory forbearance. (1) Medical or dental interns or residents. Upon receipt of a written request and sufficient supporting documentation, as described in §682.210(n), from a borrower serving in a medical or dental internship or residency program, a lender shall grant forbearance to the borrower in yearly increments (or a lesser period equal to the actual period during which the borrower is eligible) if the borrower has exhausted his or her eligibility for a deferment under §682.210(n), or the borrower's promissory note does not provide for such a deferment—

(i) For the length of time remaining in the borrower's medical or dental internship or residency that must be successfully completed before the borrower may begin professional practice or service; or

(ii) For the length of time that the borrower is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care
facility that offers postgraduate training.

(2) Borrowers who are not medical or dental interns or residents, and endorsers. Upon receipt of a written request and sufficient supporting documentation from an endorser (if applicable), or from a borrower (other than a borrower who is serving in a medical or dental internship or residency described in paragraph (h)(1) of this section), a lender shall grant forbearance—

(i) In increments up to one year, for periods that collectively do not exceed three years, if—

(A) The borrower or endorser is currently obligated to make payments on Title IV loans; and

(B) The amount of those payments each month (or a proportional share if the payments are due less frequently than monthly) is collectively equal to or greater than 20 percent of the borrower's or endorser's total monthly income;

(ii) In yearly increments (or a lesser period equal to the actual period during which the borrower is eligible) for as long as a borrower—

(A) Is serving in a national service position for which the borrower receives a national service educational award under the National and Community Service Trust Act of 1993;

(B) Is eligible for loan forgiveness under the Federal Stafford Loan Forgiveness Demonstration Program, if the program is funded, for performing the type of service described in §682.215(b); or

(C) Is performing the type of service that would qualify the borrower for a partial repayment of his or her loan under the Student Loan Repayment Programs.

(iii) Before granting a forbearance to a borrower or endorser under paragraph (h)(2)(ii)(C) of this section, the lender shall require the borrower or endorser to submit documentation showing the beginning and ending dates that the Department of Defense considers the borrower to be eligible for a partial repayment of his or her loan under the Student Loan Repayment Programs.

(i) Mandatory administrative forbearance. (1) The lender shall grant a mandatory administrative forbearance for the periods specified in paragraph (i)(2) of this section until the lender is notified by the Secretary or a guaranty agency that the forbearance period no longer applies. The lender may not require a borrower who is eligible for a forbearance under paragraph (i)(2)(ii) of this section to submit a request or supporting documentation, but shall require a borrower (or endorser, if applicable) who requests forbearance because of a military mobilization to provide documentation showing that he or she is subject to a military mobilization as described in paragraph (i)(4) of this section.

(2) The lender is not required to notify the borrower (or endorser, if applicable) at the time the forbearance is granted, but shall grant a forbearance to a borrower or endorser during a period, and the 30 days following the period, when the lender is notified by the Secretary that—

(i) Exceptional circumstances exist, such as a local or national emergency or military mobilization; or

(ii) The geographical area in which the borrower or endorser resides has been designated a disaster area by the president of the United States or Mexico, the Prime Minister of Canada, or by a Governor of a State.

(iii) Before granting a forbearance to a borrower or endorser under paragraph (h)(2)(ii)(B) of this section, the lender shall require the borrower or endorser to submit documentation showing the beginning and ending dates that the borrower is expected to perform the type of service described in §682.215(b).

(ii) Before granting a forbearance to a borrower or endorser under paragraph (h)(2)(ii)(C) of this section, the lender shall require the borrower or endorser to submit documentation showing the beginning and ending dates that the Department of Defense considers the borrower to be eligible for a partial repayment of his or her loan under the Student Loan Repayment Programs.

(i) Documentation. (i) Before granting a forbearance to a borrower or endorser under paragraph (h)(2)(i) of this section, the lender shall require the borrower or endorser to submit at least the following documentation:

(A) Evidence showing the amount of the most recent total monthly gross income received by the borrower or endorser from employment and from other sources; and

(B) Evidence showing the amount of the monthly payments owed by the borrower or endorser to other entities for the most recent month for the borrower's or endorser's Title IV loans.

(ii) Before granting a forbearance to a borrower or endorser under paragraph (h)(2)(ii) of this section, the lender shall require the borrower or endorser to submit documentation showing the beginning and ending dates that the borrower is expected to perform the type of service described in §682.215(b).

(iii) Before granting a forbearance to a borrower or endorser under paragraph (h)(2)(ii)(B) of this section, the lender shall require the borrower or endorser to submit documentation showing the beginning and ending dates that the Department of Defense considers the borrower to be eligible for a partial repayment of his or her loan under the Student Loan Repayment Programs.

(i) Mandatory administrative forbearance. (1) The lender shall grant a mandatory administrative forbearance for the periods specified in paragraph (i)(2) of this section until the lender is notified by the Secretary or a guaranty agency that the forbearance period no longer applies. The lender may not require a borrower who is eligible for a forbearance under paragraph (i)(2)(ii) of this section to submit a request or supporting documentation, but shall require a borrower (or endorser, if applicable) who requests forbearance because of a military mobilization to provide documentation showing that he or she is subject to a military mobilization as described in paragraph (i)(4) of this section.

(2) The lender is not required to notify the borrower (or endorser, if applicable) at the time the forbearance is granted, but shall grant a forbearance to a borrower or endorser during a period, and the 30 days following the period, when the lender is notified by the Secretary that—

(i) Exceptional circumstances exist, such as a local or national emergency or military mobilization; or

(ii) The geographical area in which the borrower or endorser resides has been designated a disaster area by the president of the United States or Mexico, the Prime Minister of Canada, or by a Governor of a State.
§ 682.212 Prohibited transactions.

(a) No points, premiums, payments, or additional interest of any kind may be paid or otherwise extended to any eligible lender or other party in order to—

(1) Secure funds for making loans; or

(2) Induce a lender to make loans to either the students or the parents of students of a particular school or particular category of students or their parents.

(b) The following are examples of transactions that, if entered into for the purposes described in paragraph (a) of this section, are prohibited:

(1) Cash payments by or on behalf of a school made to a lender or other party.

(2) The maintaining of a compensating balance by or on behalf of a school with a lender.

(5) Purchase by or on behalf of a school of stock of the lender.

(6) Payments ostensibly made for other purposes.

(c) Except when purchased by the Student Loan Marketing Association, an agency of any State functioning as a secondary market or in any other circumstances approved by the Secretary, notes, or any interest in notes, may not be sold or otherwise transferred at discount if the underlying loans were made—

(1) By a school; or

(2) To students or parents of students attending a school by a lender having common ownership with that school.

(d) Except to secure a loan from the Student Loan Marketing Association or an agency of a State functioning as a secondary market or in other circumstances approved by the Secretary, notes, or any interest in notes, may not be sold or otherwise transferred at discount if the underlying loans were made—

(1) By a school; or

(2) To students or parents of students attending a school by a lender having common ownership with that school.

(3) As soon as feasible, or by the date specified by the Secretary, the lender shall notify the borrower (or endorser, if applicable) that the lender has granted a forbearance and the date that payments should resume. The lender’s notification shall state that the borrower or endorser—

(i) May decline the forbearance and continue to be obligated to make scheduled payments; or

(ii) Consents to making payments in accordance with the lender’s notification if the forbearance is not declined.

(4) For purposes of paragraph (i)(2)(i) of this section, the term “military mobilization” shall mean a situation in which the Department of Defense orders members of the National Guard or Reserves to active duty under sections 672(a), 672(g), 673, 673b, 674, or 688 of title 10, United States Code. (5) The lender shall grant a mandatory administrative forbearance to a borrower (or endorser, if applicable) during a period when the borrower (or endorser, if applicable) is making payments for a period of—

(i) Up to 3 years of payments in cases where the effect of a variable interest rate on a standard or graduated repayment schedule would result in a loan not being repaid within the maximum repayment term; or

(ii) Up to 5 years of payments in cases where the effect of decreased installment amounts paid under an income-sensitive repayment schedule would result in the loan not being repaid within the maximum repayment term.

(e) The prohibitions described in paragraphs (a), (b), (c), and (d) of this section apply to any school, lender, or other party that would participate in a proscribed transaction.

(f) This section does not preclude a buyer of loans made by a school from obtaining from the loan seller a warranty that—

(1) Covers future reductions by the Secretary or a guaranty agency in computing the amount of loss payable on default claims filed on the loans, if the reductions are attributable to an act, or failure to act, on the part of the seller or previous holder; and

(2) Does not cover matters for which a purchaser is charged with responsibility under this part, such as due diligence in collecting loans.

(g) Section 490(c) of the Act provides that any person who knowingly and willfully makes an unlawful payment to an eligible lender as an inducement to make, or to acquire by assignment, a FFEL loan shall, upon conviction thereof, be fined not more than $10,000 or imprisoned not more than one year, or both.

§ 682.213 Prohibition against the use of the Rule of 78s.

For purposes of the calculations required by this part, a lender may not use the Rule of 78s to calculate the outstanding principle balance of a loan, except for a loan made to a borrower who entered repayment before June 26, 1987 and who was informed in the promissory note that interest on the loan would be calculated using the Rule of 78s. § 682.215 Federal Stafford Loan forgiveness demonstration program.

(a) General. The Federal Stafford Loan forgiveness demonstration program is intended to encourage individuals to enter the teaching and nursing professions and to perform national and community service. Under this demonstration program, the Secretary repays portions of unsubsidized, subsidized and nonsubsidized Federal Stafford obligations that were incurred by a borrower during the borrower’s last two years of undergraduate education if that borrower worked in those professions or performed that service. For purposes of this section, an eligible borrower is a borrower who, as of October 1, 1989, had no outstanding debt under the FFEL programs.

(b) Borrower eligibility; requirements for qualification. A borrower may obtain loan forgiveness under this program if he or she was employed as a full-time teacher in certain elementary and secondary schools teaching certain subjects or as a full-time nurse in certain types of hospitals or health care centers, or was serving as a volunteer under the Peace Corps Act or under the Domestic Volunteer Service Act of 1973, or was performing comparable service as a full-time employee of a tax exempt organization under section 501(c)(3) of the Internal Revenue Code of 1986. For purposes of this section, full-time employment means the standard used by a State or profession in defining full-time employment. For a borrower serving in more than one organization, the
determination of “full-time” is based on the combination of all qualifying employment. A borrower who is in default on a FFEL loan and has not made satisfactory repayment arrangements is not eligible for forgiveness. However, if a borrower has made satisfactory repayment arrangements on the loan or loans in default, the forgiveness applies only to the loan or loans held by the holder that are not in default. Federal Stafford loans that have been rehabilitated are eligible for forgiveness.

(c) Application. To qualify for the forgiveness program, an eligible borrower shall apply to the Secretary each year following a completed year of service, but no earlier than September 1 and no later than October 1 of a given year. The application must be in writing, on a form provided by the Secretary and according to procedures established by the Secretary. An eligible borrower must complete a year of service prior to filing a loan forgiveness application with the Secretary. Eligible borrowers are chosen on a first-come, first-served basis to participate and must receive forbearance upon request for each year of service for which forgiveness is requested. An eligible borrower must reapply each year to receive the forgiveness benefit. Incomplete or inaccurate applications are not considered in the first-come, first-served process. If a borrower initially submits an incomplete or inaccurate application, the borrower must provide a completed application to the Secretary or his designee prior to consideration in the selection process.

(d) Limitation; Stafford forgiveness recipients. The total amount of loans forgiven is limited to the amount of funds appropriated for the fiscal year for the demonstration program.

(e) Borrower eligibility; teaching forgiveness. (1) To qualify for teaching loan forgiveness under this section, a borrower must have taught full-time (as defined by the jurisdiction in which the borrower is employed) in a teacher shortage area as certified by the authorizing official. For purposes of this paragraph a teacher has taught in a teacher shortage area if—
   (i) The teacher taught in a school that satisfied the criteria in section 465(a)(2)(A) of the Act for loan cancellation for Perkins loan recipients who teach in those schools; and
   (ii) The teacher taught mathematics, science, foreign languages, special education, bilingual education or in any other field of expertise where the State educational agency determined there was a shortage of qualified teachers.

   (2) The borrower, in the time frame provided under paragraph (c) of this section, for the year of service for which forgiveness is requested, must provide to the Secretary or his designee—
      (i) A statement by the chief administrative officer of the public or nonprofit private elementary or secondary school in which the borrower was teaching—
         (A) Certifying the year that the borrower was employed as a full-time teacher;
         (B) Certifying which subject area listed in paragraph (e)(1)(ii) of this section or designated by the State educational agency the borrower taught; and
         (C) Verifying that the borrower taught in a school that satisfies the requirements of paragraph (e)(1)(i) of this section.

   (f) Borrower eligibility; volunteer service forgiveness. (1)(i) To qualify for the volunteer service loan forgiveness under this paragraph, a borrower must have served as a full-time volunteer for at least a year (defined as twelve consecutive months) under—
      (A) The Peace Corps Act; or
      (B) The Domestic Volunteer Service Act of 1973 (ACTION programs).

      (ii) A borrower may also qualify for the volunteer service loan forgiveness if the borrower performed service comparable to service provided under paragraph (f)(1) of this section as a full-time employee of an organization that is exempt from taxation under section 501(c)(3) of the Internal Revenue Code of 1986, if the borrower did not receive compensation that exceeds the greater of—
         (A) The minimum wage rate described in section 6 of the Fair Labor Standards Act of 1938; or
         (B) An amount equal to 100 percent of the poverty line for a family of two as
(2) To qualify under this paragraph, the borrower must—

(i) Have worked for an organization that provides services to low income persons and their communities to assist them in eliminating poverty and poverty-related human, social, and environmental conditions; and

(ii) Not, as part of his or her duties, have given religious instruction, conducted worship services, engaged in religious proselytizing, or engaged in fund-raising to support religious activities.

(3) The borrower, in the time frame provided under paragraph (c) of this section, for the year of service for which forgiveness is requested under paragraphs (f)(1), (f)(2), or (f)(3) of this section must provide to the Secretary or his designee a statement from an authorized official of the organization or agency for whom the borrower worked certifying—

(i) That the borrower served in a job that satisfies the requirements of this paragraph;

(ii) The date on which the borrower’s service began; and

(iii) The date on which the borrower completed the year of service.

(g) Borrower eligibility; nursing profession loan forgiveness. (1) To qualify for the nursing profession loan forgiveness under this paragraph, a borrower must have been employed as a full-time nurse for a public hospital, a rural health clinic, a migrant health center, an Indian Health Service Health Center, an Indian Health Center, a Native Hawaiian Health Center or for an acute care or long-term care facility.

(2) To qualify forloan forgiveness under this paragraph, a borrower, in the time frame provided under paragraph (c) of this section, for the year of service for which forgiveness is requested, must provide to the Secretary or his designee—

(i) A statement from an authorized official where the borrower was employed certifying that the borrower was employed as a full-time nurse for a facility described in this section and served for the term of at least one year (defined as twelve consecutive months);

(ii) The date on which the borrower’s service began; and

(iii) The date on which the borrower’s year of service ended.

(h) Forgiveness amounts. (1) The Secretary repays the holder a percentage of the total amount of Stafford loans owed by the eligible borrower for—

(i) The borrower’s last 2 years of undergraduate education; or

(ii) The 2 academic years in which a borrower who was not already participating in loan repayment pursuant to this section returned to an institution of higher education for the purpose of obtaining a post graduate teaching certificate or additional teacher certification.

(2) The Secretary repays loans on the following basis:

(i) 15 percent of the total original principal amount of Federal Stafford loans for each of the first two years in which the borrower is awarded the benefit and meets the requirements of this section.

(ii) 20 percent of the total original principal amount for each of the third and fourth years.

(iii) 30 percent of the total original principal amount for the fifth year.

(3) The Secretary repays the holder for the amount of interest, including capitalized interest, which accrued on the loan or loans subject to forgiveness over the year.

(4) Payments made by the Secretary must be applied first to the unsubsidized Federal Stafford portion of the loan, followed by the subsidized Federal Stafford portion, and then the nonsubsidized Federal Stafford portion.

(5) The amount of payments made by the Secretary under paragraphs (h)(2)(i), (h)(2)(ii), and (h)(2)(iii) of this section may not exceed the sum of the outstanding principal balance of the loan or loans subject to forgiveness plus all interest payments made in accordance with paragraph (h)(3) of this section.

(6) Payments received from a borrower who qualifies for loan forgiveness under this section may not be refunded.

(i) Definitions. The following definitions apply to this section:

§ 682.303 [Reserved]

§ 682.304 Methods for computing interest benefits and special allowance.

(a) General. The Secretary pays a lender interest benefits and special allowance on eligible loans on a quarterly basis. These calendar quarters end on March 31, June 30, September 30, and December 31 of each year. A lender may use either the average daily balance method or the actual accrual method to determine the amount of interest benefits payable on a lender's loans. A lender shall use the average daily balance method to determine the balance on which the Secretary computes the amount of special allowance payable on its loans.

(b) Average daily balance method for interest benefits. (1) Under this method, the lender adds the unpaid principal balance outstanding on all loans qualifying for interest benefits at each actual interest rate for each day of the quarter, divides the sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for qualified loans outstanding at each actual interest rate.

(2) The Secretary computes the interest benefits due on all qualified loans
§ 682.305 Procedures for payment of interest benefits and special allowance.

(a) General. (1) To receive payments of interest benefits and special allowance, a lender must submit quarterly reports to the Secretary on a form provided or prescribed by the Secretary.

(2) The lender shall report, on the quarterly report required by paragraph (a)(1) of this section, the amount of origination fees it was authorized to collect and the amount of those fees refunded to borrowers during the quarter covered by the report.

(3)(i)(A) The Secretary reduces the amount of interest benefits and special allowance payable to the lender by—

(1) The amount of origination fees the lender was authorized to collect during the quarter under §682.202(c), whether or not the lender actually collected that amount; and

(2) The amount of lender fees payable under paragraph (a)(3)(ii) of this section.

(B) The Secretary increases the amount of interest benefits and special allowance payable to the lender by the amount of origination fees refunded to borrowers during the quarter under §682.202(c).

(ii) For any FFEL loan made on or after October 1, 1993, a lender shall pay the Secretary a loan fee equal to 0.50% of the principal amount of the loan.

(4) If an originating lender sells or otherwise transfers a loan to a new holder, the originating lender remains liable to the Secretary for payment of the origination fees. The Secretary will not pay interest benefits or special allowance to the new holder or pay reimbursement to the guaranty agency until the origination fees are paid to the Secretary.

(b) Penalty interest. (1)(i) If the Secretary does not pay interest benefits or the special allowance within 30 days after the Secretary receives an accurate, timely, and complete request for payment from a lender, the Secretary pays the lender penalty interest.

(ii) The payment of interest benefits or special allowance is deemed to occur, for purposes of this paragraph, when the Secretary—

(A) Authorizes the Treasury Department to pay the lender;

(B) Credits the payment due the lender against a debt that the Secretary determines is owed the Secretary by the lender; or

(C) Authorizes the Treasury Department to pay the amount due by the lender to another Federal agency for credit against a debt that the Federal agency has determined the lender owes.

(2) Penalty interest is an amount that accrues daily on interest benefits
and special allowance due to the lender. The penalty interest is computed by—

(i) Multiplying the daily interest rate applicable to loans on which payment for interest benefits was requested, by the amount of interest benefits due on those loans for each interest rate;

(ii) Multiplying the daily special allowance rate applicable to loans on which special allowance was requested by the amount of special allowance due on those loans for each interest rate and special allowance category;

(iii) Adding the results of paragraphs (b)(2)(i) and (ii) of this section to determine the gross penalty interest to be paid for each day that penalty interest is due;

(iv) Dividing the results of paragraph (b)(2)(iii) of this section by the gross amount of interest benefits and special allowance due to obtain the average penalty interest rate;

(v) Multiplying the rate obtained in paragraph (b)(2)(iv) of this section by the total amount of reduction to gross interest benefits and special allowance due (e.g., origination fees or other debts owed to the Federal Government);

(vi) Subtracting the amount calculated in paragraph (b)(2)(v) of this section from the amount calculated under paragraph (b)(2)(iii) of this section to obtain the net amount of penalty interest due per day; and

(vii) Multiplying the amount calculated in paragraph (b)(2)(vi) of this section by the number of days calculated under paragraph (b)(3) of this section.

3. The Secretary pays penalty interest for the period—

(i) Beginning on the later of—

(A) The 31st day after the final day of the quarter covered by the request for payment; or

(B) The 31st day after the Secretary's receipt of an accurate, timely, and complete request for payment from the lender; and

(ii) Ending on the day the Secretary pays the interest benefits and the special allowance at issue, in accordance with paragraph (b)(1)(ii) of this section.

4. A request for interest benefits and special allowance is considered timely only if it is received by the Secretary within 90 days following the end of the quarter to which the request pertains.

5. A request for interest benefits and special allowance is not considered accurate and complete if it—

(i) Requests payments to which the lender is not entitled under §§ 682.300 through 682.302;

(ii) Includes loans that the Secretary, in writing, has directed that the lender exclude from the request;

(iii) Does not contain all information required by the Secretary or contains conflicting information; or

(iv) Is not provided and certified on the form and in the manner prescribed by the Secretary.

(c) Independent audits. (1) A lender shall arrange for an independent annual compliance audit conducted by a qualified independent organization or person.

(2) The audit required under paragraph (c)(1) of this section must—

(i) Examine the lender's compliance with the Act and applicable regulations;

(ii) Examine the lender's financial management of its FFEL program activities;

(iii) Be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO's) Government Auditing Standards. Procedures for audits are contained in an audit guide developed by and available from the Office of the Inspector General of the Department;

(iv) Be conducted at least annually and be submitted to the Secretary within six months of the end of the audit period. The initial audit must be of the lender's first fiscal year that begins after July 23, 1992, and must be submitted within six months of the end of the audit period. Each subsequent audit must cover the lender's activities for the period beginning no later than the end of the period covered by the preceding audit;

(v) With regard to a lender that is a governmental entity, the audit required by this paragraph must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, appendix G;
(vi) With regard to a lender that is a nonprofit organization, the audit required by this paragraph must be conducted in accordance with OMB Circular A–133, Audit of Institutions of Higher Education and Other Nonprofit Institutions, as incorporated in 34 CFR 74.61(h)(3). If a nonprofit lender meets the criteria in Circular A–133 for choosing the option for a program-specific audit, and so chooses, the program-specific audit must meet the requirements in paragraphs (c)(1) through (c)(2)(iv) of this section.

(vii) The Secretary may determine that a lender has met the requirements of paragraph (c) of this section if the lender has been audited in accordance with 31 U.S.C. 7502 for other purposes, the lender submits the results of the audit to the Office of Inspector General, and the Secretary determines that the audit meets the requirements of this paragraph.

(b) There are four agreements:

(1) Basic program agreement. In order to participate in the FFEL programs, a guaranty agency must have a basic program agreement. Under this agreement—

(i) Borrowers whose Stafford and Consolidation loans that consolidate only subsidized Stafford loans are guaranteed by the agency may qualify for interest benefits that are paid to the lender on the borrower’s behalf;

(ii) Lenders under the guaranty agency program may receive special allowance payments from the Secretary and have death, disability, bankruptcy, closed school and false certification discharge claims paid by the Secretary through the guaranty agency; and

(c) The Secretary’s execution of an agreement does not indicate acceptance of any current or past standards or procedures used by the agency.

(d) All of the agreements are subject to subsequent changes in the Act, in other applicable Federal statutes, and in regulations that apply to the FFEL programs.

(4) Reinstatement of borrower eligibility. For a borrower’s loans held by a guaranty agency on which a reinsurance claim has been paid by the Secretary, the guaranty agency must afford a defaulted borrower, upon the borrower’s request, renewed eligibility for Title IV assistance once the borrower has made satisfactory repayment arrangements as that term is defined in § 682.200.

(iii) The borrower shall give the lender, as part of the application process for a Consolidation loan—

(A) Information demonstrating that the borrower is eligible for the loan under §682.201(c); and

(B) A statement that the borrower does not currently have another application for a Consolidation loan pending.

(iv) The borrower shall promptly notify—

(A) The current holder or the guaranty agency of any change of name, address, student status to less than half-time, employer, or employer's address; and

(B) The school of any change in local address during enrollment.

(6) School eligibility. (i) General. A school that has a program participation agreement in effect with the Secretary under §682.600 is eligible to participate in the program of the agency under reasonable criteria established by the guaranty agency, and approved by the Secretary, under paragraph (d)(2) of this section, except to the extent that—

(A) The school's eligibility is limited, suspended, or terminated by the Secretary under 34 CFR part 668 or by the guaranty agency under standards and procedures that are substantially the same as those in 34 CFR part 668;

(B) The Secretary upholds the limitation, suspension, or termination of a school by a guaranty agency and extends that sanction to all guaranty agency programs under section 432(h)(3) of the Act or §682.713;

(C) The school is ineligible under section 435(a)(2) of the Act;

(D) There is a State constitutional prohibition affecting the school's eligibility;

(E) The school's programs consist of study solely by correspondence;

(F) The agency determines, subject to the agreement of the Secretary, that the school does not satisfy the standards of administrative capability and financial responsibility as defined in 34 CFR part 668;

(G) The school fails to make timely refunds to students as required in §682.607(c);

(H) The school has not satisfied, within 30 days of issuance, a final judgment obtained by a student seeking a refund;

(I) The school or an owner, director, or officer of the school is found guilty or liable in any criminal, civil, or administrative proceeding regarding the obtaining, maintenance, or disbursement of State or Federal student grant, loan, or work assistance funds; or

(J) The school or an owner, director, or officer of the school has unpaid financial liabilities involving the improper acquisition, expenditure, or refund of State or Federal student financial assistance funds.

(ii) Limitation by a guaranty agency of a school's participation. For purposes of this paragraph, a school that is subject
to limitation of participation in the guaranty agency’s program may be either a school that is applying to participate in the agency’s program for the first time, or a school that is renewing its application to continue participation in the agency’s program. A guaranty agency may limit the total number of loans or the volume of loans made to students attending a particular school, or otherwise establish appropriate limitations on the school’s participation, if the agency makes a determination that the school does not satisfy—

(A) The standards of financial responsibility defined in 34 CFR 668.5; or

(B) The standards of administrative capability defined in 34 CFR 668.16.

(iii) Limitation, suspension, or termination of school eligibility. A guaranty agency may limit, suspend, or terminate the participation of an eligible school. If a guaranty agency limits, suspends, or terminates the participation of a school from the agency’s program, the Secretary applies that limitation, suspension, or termination to all locations of the school.

(iv) Condition for guaranteeing loans for students attending a school. The guaranty agency may require the school to execute a participation agreement with the agency and to submit documentation that establishes the school’s eligibility to participate in the agency’s program.

(7) Lender eligibility. (i) An eligible lender may participate in the program of the agency under reasonable criteria established by the guaranty agency except to the extent that—

(A) The lender’s eligibility has been limited, suspended, or terminated by the Secretary under subpart G of this part or by the agency under standards and procedures that are substantially the same as those in subpart G of this part; or

(B) The lender is disqualified by the Secretary under sections 432(h)(1), 432(h)(2), 435(d)(3), or 435(d)(5) of the Act or § 682.712; or

(C) There is a State constitutional prohibition affecting the lender’s eligibility.

(ii) The agency may not guarantee a loan made by a school lender that is not located in the geographical area that the agency serves.

(iii) The guaranty agency may refuse to guarantee loans made by a school on behalf of students not attending that school.

(iv) The guaranty agency may, in determining whether to enter into a guarantee agreement with a lender, consider whether the lender has had prior experience in a similar Federal, State, or private nonprofit student loan program and the amount and percentage of loans that are currently delinquent or in default under that program.

(8) Out-of-State schools. The agency shall guarantee Stafford, SLS, and PLUS loans for students who are legal residents of any State served by the agency under § 682.404(h)(2) but who attend schools out of that State and for parents who are legal residents of that State and are borrowing on behalf of students attending schools out of that State. In guaranteeing these loans, the agency may not impose any restrictions that it does not apply to borrowers who are legal residents of the State attending in-State schools or to parent borrowers who are legal residents of the State and are borrowing for students attending in-State schools.

(9) Out-of-State residents. The agency shall guarantee Stafford, SLS, and PLUS loans for students who are not legal residents of any State served by the agency under § 682.404(h)(2) but who attend schools in that State, and for parents who are not legal residents of that State and who are borrowing on behalf of students attending schools in that State. In guaranteeing these loans, the agency may not impose any restrictions that it does not apply to borrowers who are legal residents of the State attending in-State schools, or to parent borrowers who are legal residents of the State and who are borrowing for students attending in-State schools.

(10) Insurance premiums. (i) Except for a SLS or PLUS loan refinanced under § 682.209(e) or (f), the guaranty agency may charge the lender an insurance premium on each Stafford, SLS, or PLUS loan it guarantees.
(ii) The guaranty agency may use the proceeds of this charge only to guarantee loans and to cover costs incurred by the guaranty agency in the administration of its loan guarantee program.

(iii) The lender may deduct the amount of the premium from the borrower's loan proceeds. For a loan disbursed in more than one installment, the insurance premium must be deducted proportionately from each disbursement of the loan proceeds.

(iv) The amount of the insurance premium may not exceed—

(A) For a loan disbursed on or before June 30, 1994, 3 percent of the principal balance of the loan; or

(B) For a loan disbursed on or after July 1, 1994, 1 percent of the principal balance of the loan.

(v) The guaranty agency shall refund to the lender any insurance premium received for a loan under the circumstances specified in §682.401(b)(10)(vi) (A) and (B).

(vi) The lender shall refund to the borrower by a credit against the borrower's loan balance the insurance premium paid by the borrower on a loan under the following circumstances:

(A) The premium attributable to each disbursement of a loan must be refunded if the loan check is returned uncashed to the lender.

(B) The premium or an appropriate prorated amount of the premium must be refunded by application to the borrower's loan balance if—

(1) The loan or a portion of the loan is returned by the school to the lender in order to comply with the Act or with applicable regulations;

(2) Within 120 days of disbursement, the loan or a portion of the loan is repaid or returned, unless—

(i) The borrower has no FFEL Program loans in repayment status and has requested, in writing, that the repaid or returned funds be used for a different purpose; or

(ii) The borrower has a FFEL Program loan in repayment status, in which case the payment is applied in accordance with §682.209(b) unless the borrower has requested, in writing, that the repaid or returned funds be applied as a cancellation of all or part of the loan;

(3) Within 120 days of disbursement, the loan check has not been negotiated; or

(4) Within 120 days of disbursement, the loan proceeds disbursed by electronic funds transfer or master check in accordance with §682.207(b)(1)(i) (B) and (C) have not been released from the restricted account maintained by the school.

(11) Payments for lender referral service. (i) The guaranty agency may not use insurance premiums to pay incentive fees to lenders, except to those lenders who agree to participate in and make FFEL loans (other than Stafford loans that do not qualify for interest benefits) to all eligible students referred under a qualified lender referral service.

(ii) For purposes of this paragraph, the term qualified lender referral service means a lender referral service offered by a guaranty agency under which the agency refers to a participating lender each eligible student applying for the service who is either a resident of the State in which the agency is the principal guaranty agency or attending a school in that State and who has sought and been unable to find a lender willing to make a FFEL loan (other than a Stafford loan that does not qualify for interest benefits) to the student.

(iii) The Secretary will pay a lender referral fee to each guaranty agency with whom the Secretary has a lender referral agreement, an amount equal to 0.5 percent of the principal amount of a loan made as a result of the agency's referral service.

(12) Administrative fee for Consolidation loans. The guaranty agency may charge a lender a fee, not to exceed $50, reasonably calculated to cover the agency's cost of increased or extended liability incurred in guaranteeing a Consolidation loan. The lender may not pass the fee on to the borrower. If it charges the fee, the agency must charge it for all loans made under the agency's Consolidation Loan program.

(13) Administrative fee for refinancing fixed-rate PLUS or SLS loans. The guaranty agency may require a lender to pay to the guaranty agency up to 50 percent of the fee the lender charges a
borrower under §682.202(e) for the purpose of defraying the agency's administrative costs incident to the guarantee of a lender's reissuance of a fixed-rate PLUS or SLS loan at a variable interest rate. If it charges the fee, the agency must charge the same fee to all lenders that refinance under this paragraph.

(14) Guaranty liability. The guaranty agency shall guarantee—

(i) 100 percent of the unpaid principal balance of each loan guaranteed for loans disbursed before October 1, 1993; and

(ii) Not more than 98 percent of the unpaid principal balance of each loan guaranteed for loans first disbursed on or after October 1, 1993.

(15) Guaranty agency verification of default data. A guaranty agency shall respond to an institution's written request for verification of its default rate data for purposes of an appeal pursuant to 34 CFR 668.17(c)(1)(i) within 15 working days of the date the agency receives the institution's written request pursuant to 34 CFR 668.17(c)(8), and simultaneously provide a copy of that response to the Secretary's designated Department official.

(16) Guaranty agency administration. In the case of a State loan guarantee program administered by a State government, the program must be administered by a single State agency, or by one or more private nonprofit institutions or organizations under the supervision of a single State agency. For this purpose, "supervision" includes, but is not limited to, setting policies and procedures, and having full responsibility for the operation of the program.

(17) Loan assignment. (i) Except as provided in paragraph (b)(17)(iii) of this section, the guaranty agency must allow a loan to be assigned only if the loan is fully disbursed and is assigned to—

(A) An eligible lender;

(B) A guaranty agency, in the case of a borrower's default, death, total and permanent disability, or filing of a bankruptcy petition, or for other circumstances approved by the Secretary, such as a loan made for attendance at a school that closed or a false certification claim; or

(C) An educational institution, whether or not it is an eligible lender, in connection with the institution's repayment to the agency or to the Secretary of a guarantee or a reinsurance claim payment made on a loan that was ineligible for the payment;

(D) A Federal or State agency or an organization or corporation acting on behalf of such an agency and acting as a conservator, liquidator, or receiver of an eligible lender; or

(E) The Secretary.

(ii) For the purpose of this paragraph, "assigned" means any kind of transfer of an interest in the loan, including a pledge of such an interest as security.

(iii) The guaranty agency must allow a loan to be assigned under paragraph (b)(17)(i) of this section, following the first disbursement of the loan if the assignment does not result in a change in the identity of the party to whom payments must be made.

(18) Transfer of guarantees. Except in the case of a transfer of guarantee requested by a borrower seeking a transfer to secure a single guarantor, the guaranty agency may transfer its guaranty obligation on a loan to another guaranty agency, only with the approval of the Secretary, the transferee agency, and the holder of the loan.

(19) Standards and procedures. (i) The guaranty agency shall establish, disseminate to concerned parties, and enforce standards and procedures for—

(A) Ensuring that all lenders in its program meet the definition of "eligible lender" in section 435(d) of the Act and have a written lender agreement with the agency;

(B) School and lender participation in its program;

(C) Limitation, suspension, termination of school and lender participation;

(D) Emergency action against a participating school or lender;

(E) The exercise of due diligence by lenders in making, servicing, and collecting loans; and

(F) The timely filing by lenders of default, death, disability, bankruptcy, closed school, false certification, and ineligible loan claims.

(ii) The guaranty agency shall ensure that its program and all participants in
its program at all times meet the requirements of subparts B, C, D, and F of this part.

(20) Monitoring student enrollment. The guaranty agency shall monitor the enrollment status of a FFEL program borrower or student on whose behalf a parent has borrowed that includes, at a minimum, reporting to the current holder of the loan within 60 days any change in the student's enrollment status reported that triggers—

(i) The beginning of the borrower's grace period; or

(ii) The beginning or resumption of the borrower's immediate obligation to make scheduled payments.

(21) Submission of interest and special allowance information. Upon the Secretary's request, the guaranty agency shall submit, or require its lenders to submit, information that the Secretary deems necessary for determining the amount of interest benefits and special allowance payable on the agency's guaranteed loans.

(22) Submission of information for reports. The guaranty agency shall require lenders to submit to the agency the information necessary for the agency to complete the reports required by §682.414(b).

(23) Guaranty agency transfer of information. (i) A guaranty agency from which another guaranty agency requests information regarding Stafford and SLS loans made after January 1, 1987, to students who are residents of the State for which the requesting agency is the principal guaranty agency as defined in §682.800(d) shall provide—

(A) The name and social security number of the student; and

(B) The annual loan amount and the cumulative amount borrowed by the student in loans under the Stafford and SLS programs guaranteed by the responding agency.

(ii) The reasonable costs incurred by an agency in fulfilling a request for information made under paragraph (b)(23)(i) of this section must be paid by the guaranty agency making the request.

(24) Information on defaults. The guaranty agency shall upon the request of a school, furnish information with respect to students, including the names and addresses of such students, who were enrolled at that school and who are in default on the repayment of any loan guaranteed by that agency.

(25) Information on loan sales or transfers. The guaranty agency must, upon the request of a school, furnish to the school last attended by the student, information with respect to the sale or transfer of a borrower's loan prior to the beginning of the repayment period, including—

(i) Notice of assignment;

(ii) The identity of the assignee;

(iii) The name and address of the party by which contact may be made with the holder concerning repayment of the loan; and

(iv) The telephone number of the assignee or, if the assignee uses a lender servicer, another appropriate number for borrower inquiries.

(26) Third-party servicers. The guaranty agency may not enter into a contract with a third-party servicer that the Secretary has determined does not meet the financial and compliance standards under §682.416. The guaranty agency shall provide the Secretary with the name and address of any third-party servicer with which the agency enters into a contract and, upon request by the Secretary, a copy of that contract.

(27) Collection charges and late fees on defaulted FFEL loans being consolidated. (i) A guaranty agency may add collection costs in an amount not to exceed 18.5 percent of the outstanding principal and interest to a defaulted FFEL Program loan that is included in a Federal Consolidation loan.

(ii) When returning the proceeds from the consolidation of a defaulted loan to the Secretary, a guaranty agency may only retain the amount added to the borrower's balance pursuant to paragraph (b)(27)(i) of this section.

(28) Change in agency's records system. The agency shall provide written notification to the Secretary at least 30 days prior to placing its new guaranty agency servicers or converting the records relating to its existing guaranty portfolio to an information or computer system that is owned by, or otherwise under the control of, an entity that is different than the party that owns or controls the agency's existing information or

Section 682.401

Subpart I — Computer Systems Conversion

(c) Conversion and Lender of Last Resort

(c)(1) Lender-of-last-resort. The guaranty agency must ensure that it or an eligible lender described in section 435(d)(1)(D) of the Act serves as a lender-of-last-resort in the State in which it is the principal guaranty agency, as defined in §682.800(d).

(2) The lender-of-last-resort must make a subsidized Stafford loan to any eligible student who satisfies the lender's eligibility requirements and—

(i) Qualifies for interest benefits, pursuant to §682.301, for a loan amount of at least $200; and

(ii) Has been otherwise unable after conscientious efforts to obtain a loan from another eligible lender for the same period of enrollment.

(3) The guaranty agency or an eligible lender described in section 435(d)(1)(D) of the Act may arrange for a loan required to be made under paragraph (c)(1) of this section to be made by another eligible lender.

(4) The guaranty agency must develop policies and operating procedures for its lender-of-last-resort program that provide for the accessibility of lender-of-last-resort loans. These policies and procedures must be submitted to the Secretary for approval as required under paragraph (d)(2) of this section. The policies and procedures for the agency's lender-of-last-resort program must ensure that—

(i) The guaranty agency will serve eligible students attending any eligible school;

(ii) The program establishes operating hours and methods of application designed to facilitate application by students; and

(iii) Information about the availability of loans under the program is made available to schools in the State;

(iv) Appropriate steps are taken to ensure that borrowers receiving loans under the program are appropriately counseled on their loan obligation;

(v) The guaranty agency will respond to a student within 60 days after the student submits an original complete application; and

(vi) Borrowers are not required to obtain more than two objections from eligible lenders prior to requesting assistance under the lender-of-last-resort program.

(d) Review of forms and procedures.

(1) The guaranty agency shall submit to the Secretary its write-off criteria and procedures. The agency may not use these materials until the Secretary approves them.

(2) The guaranty agency shall promptly submit to the Secretary its regulations, statements of procedures and standards, agreements, and other materials that substantially affect the operation of the agency's program, and any proposed changes to those materials. Except as provided in paragraph (d)(1) of this section, the agency may use these materials unless and until the Secretary disapproves them.

(3) The guaranty agency shall use a common application form, promissory note, and other common forms approved by the Secretary.

(4) The guaranty agency must develop and implement appropriate procedures that provide for the granting of a student deferment as specified in §682.210(a)(6)(iv) and (c)(3) and require their lenders to use these procedures.

(5) The guaranty agency shall ensure that all program materials meet the requirements of Federal and State law, including, but not limited to, the Act and the regulations in this part and part 668.

(e) Prohibited inducements. A guaranty agency may not—

(1) Offer directly or indirectly any premium, payment, or other inducement to an employee or student of a school, or an entity or individual affiliated with a school, to secure applicants for FFEL loans;

(2)(i) Offer, directly or indirectly, any premium, incentive payment, or other inducement to any lender, or any person acting as an agent, employee, or independent contractor of any lender or other guaranty agency to administer or market FFEL loans, other than unsubsidized Stafford loans or subsidized Stafford loans made under a
§ 682.402 Death, disability, closed school, false certification, and bankruptcy payments.

(a) General. (1) Rules governing the payment of claims based on filing for relief in bankruptcy, and discharge of loans due to death, total and permanent disability, attendance at a school that closes, and false certification by a school of a borrower's eligibility for a loan, are set forth in this section.

(2) If a PLUS loan was obtained by two parents as co-makers, or a Consolidation loan was obtained by a married couple, and only one of the borrowers dies, becomes totally and permanently disabled, has collection of his or her loan obligation stayed by a bankruptcy filing, or has that obligation discharged in bankruptcy, the other borrower remains obligated to repay the loan unless that borrower would qualify for discharge of the loan under these regulations.

(iii) Except for a borrower's loan obligation discharged by the Secretary under the false certification discharge provision of paragraphs (e)(1)(ii) of this section, a loan qualifies for payment under this section only to the extent that the loan is legally enforceable under applicable law by the holder of the loan.

(3) For purposes of this section—

(i) The legal enforceability of a loan is conclusively determined on the basis of a ruling by a court or administrative tribunal of competent jurisdiction with respect to that loan, or a ruling with respect to another loan in a judgment that collaterally estops the holder from contesting the enforceability of the loan;

(ii) A loan is conclusively determined to be legally unenforceable to the extent that the guarantor determines, pursuant to an objection presented in a proceeding conducted in connection with credit bureau reporting, tax refund offset, wage garnishment, or in any other administrative proceeding, that the loan is not legally enforceable; and

(iii) If an objection has been raised by the borrower or another party about the legal enforceability of the loan and no determination has been made under paragraph (a)(4)(i) or (ii) of this section, the Secretary may authorize the payment of a claim under this section under conditions the Secretary considers appropriate. If the Secretary determines in that or any other case that a claim was paid under this section with respect to a loan that was not a legally enforceable obligation of the guaranty agency's lender-of-last-resort program, in an effort to secure the guaranty agency as an insurer of FFEL loans. Examples of prohibited inducements include, but are not limited to—

(A) Compensating lenders or their representatives for the purpose of securing loan applications for guarantee;

(B) Performing functions normally performed by lenders without appropriate compensation;

(C) Providing equipment or supplies to lenders at below market cost or rental; or

(D) Offering to pay a lender, that does not hold loans guaranteed by the agency, a fee for each application forwarded for the agency's guarantee.

(ii) For the purposes of this section, the terms "premium", "inducement", and "incentive" do not include services directly related to the enhancement of the administration of the FFEL Program the guaranty agency generally provides to lenders that participate in its program. However, the terms "premium", "inducement", and "incentive" do apply to other activities specifically intended to secure a lender's participation in the agency's program.

(3) Conduct unsolicited mailings of student loan application forms to students enrolled in secondary school;

(4) Conduct fraudulent or misleading advertising concerning loan availability.

(Approved by the Office of Management and Budget under control number 1840-0538)

(Authority: 20 U.S.C. 1078, 1078-1, 1078-2, 1078-3, 1082)
borrower, the recipient of that payment must refund that amount of the payment to the Secretary.

(b) Death. (1) If an individual borrower dies, or the student for whom a parent received a PLUS loan dies, the obligation of the borrower and any endorser to make any further payments on the loan is discharged.

(2) In determining that a borrower (or student) has died, the lender may rely on a death certificate or other proof of death that is acceptable under applicable state law. If a death certificate or other acceptable proof of death is not available, the borrower’s obligation on the loan can be discharged only if the guaranty agency determines that other evidence establishes that the borrower (or student) has died.

(3) After receiving information indicating that the borrower (or student) has died, the lender, if it believes the information to be reliable, shall suspend any collection activity against the borrower and promptly request that the borrower’s representative (or the student’s parent in the case of a PLUS loan) provide the documentation described in paragraph (b)(2) of this section. During the suspension of collection activity, which may not exceed 60 days, the lender shall diligently attempt to obtain documentation verifying the borrower’s (or student’s) death. If, despite diligent attempts, the lender is not able to confirm the borrower’s (or student’s) death within 60 days, the lender shall resume collection activity from the point that it had been discontinued and is deemed to have exercised forbearance as to repayment of the loan during the period when collection activity was suspended.

(4) Once the lender has determined under paragraph (b)(2) of this section that the borrower (or student) has died, the lender may not attempt to collect on the loan from the borrower’s estate or from any endorser.

(5) The lender shall return to the sender any payments received from the estate or paid on behalf of the borrower after the date of the borrower’s (or student’s) death.

(c) Total and permanent disability. (1)(i) If a lender determines that an individual borrower has become totally and permanently disabled, the obligation of the borrower and any endorser to make any further payments on the loan is discharged.

(ii) Except as provided in paragraph (c)(1)(iii)(A) of this section, a borrower is not considered totally and permanently disabled based on a condition that existed at the time the borrower applied for the loan unless the borrower’s condition substantially deteriorated after the loan was made so as to render the borrower totally and permanently disabled.

(iii)(A) For a Consolidation Loan, a borrower is considered totally and permanently disabled if he or she would be considered totally and permanently disabled under paragraphs (c)(1)(i) and (ii) of this section for all of the loans that were included in the Consolidation Loan if those loans had not been consolidated.

(B) For the purposes of discharging a loan under paragraph (c)(1)(iii)(A) of this section, provisions in paragraphs (c)(1)(i) and (ii) of this section apply to each loan included in the Consolidation Loan, even if the loan is not a FFEL Program loan.

(C) If requested, a borrower seeking to discharge a loan obligation under paragraph (c)(1)(iii)(A) of this section must provide the lender with the disbursement dates of the underlying loans if the lender does not possess that information.

(2) After being notified by the borrower or the borrower’s representative that the borrower claims to be totally and permanently disabled, the lender promptly shall request that the borrower or the borrower’s representative submit a certification by a physician who is a doctor of medicine or osteopathy and legally authorized to practice in a State that the borrower is totally and permanently disabled. The lender shall continue collection until it receives either the certification of total disability or a letter from a physician stating that the certification has been requested and that additional time is needed to determine if the borrower is totally and permanently disabled. Except as provided in paragraph (c)(4) of this section, after receiving the physician’s certification or letter,
the lender may not attempt to collect from the borrower or any endorser.

(3) After being notified that the guaranty agency has paid a disability discharge claim, the lender shall return to the sender any payments received by the lender after the date that the borrower became totally and permanently disabled as certified by the physician. At the same time that the lender returns the payment, it shall notify the borrower that there is no obligation to repay a loan discharged on the basis of disability.

(4) If the lender determines that a borrower who claims to be totally and permanently disabled is not in fact disabled, or if the lender does not receive the physician's certification of total disability within 60 days of the receipt of the physician's letter requesting additional time, as described in paragraph (c)(2) of this section, the lender shall resume collection and shall be deemed to have exercised forbearance of payment of both principal and interest from the date the lender received the physician's letter requesting additional time and may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.

(d) Closed school—(1) General. (i) The Secretary reimburses the holder of a loan received by a borrower on or after January 1, 1986, and discharges the borrower's obligation with respect to the loan in accordance with the provisions of paragraph (d) of this section, if the borrower (or the student for whom a parent received a PLUS loan) could not complete the program of study for which the loan was intended because the school at which the borrower (or student) was enrolled, closed, or the borrower (or student) withdrew from the school not more than 90 days prior to the date the school closed. This 90-day period may be extended if the Secretary determines that exceptional circumstances related to a school's closing would justify an extension.

(ii) For purposes of the closed school discharge authorized by this section—

(A) A school's closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary;

(B) The term "borrower" includes all endorsers on a loan; and

(C) A "school" means a school's main campus or any location or branch of the main campus, regardless of whether the school or its location or branch is considered eligible.

(2) Relief available pursuant to discharge. (i) Discharge under paragraph (d) of this section relieves the borrower of an existing or past obligation to repay the loan and any charges imposed or costs incurred by the holder with respect to the loan that the borrower is, or was otherwise obligated to pay.

(ii) A discharge of a loan under paragraph (d) of this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on a loan obligation discharged under paragraph (d) of this section.

(iii) A borrower who has defaulted on a loan discharged under paragraph (d) of this section is not regarded as in default on the loan after discharge, and is eligible to receive assistance under the Title IV, HEA programs.

(iv) A discharge of a loan under paragraph (d) of this section must be reported by the loan holder to all credit reporting agencies to which the holder previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(3) Borrower qualification for discharge. In order to qualify for discharge of a loan under paragraph (d) of this section a borrower shall submit to the holder of the loan a written request and sworn statement. The statement need not be notarized, but must be made by the borrower under penalty of perjury, and, in the statement, the borrower shall state—

(i) Whether the student has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation;

(ii) That the borrower (or the student for whom a parent received a PLUS loan)—

(A) Received, on or after January 1, 1986, the proceeds of any disbursement
of a loan disbursed, in whole or in part, on or after January 1, 1986 to attend a school; 

(B) Did not complete the educational program at that school because the school closed while the student was enrolled or on an approved leave of absence in accordance with §682.605(c), or the student withdrew from the school not more than 90 days before the school closed; and 

(C) Did not complete the program of study through a teach-out at another school or by transferring academic credits or hours earned at the closed school to another school; 

(iii) That the borrower agrees to provide, upon request by the Secretary or the Secretary's designee, other documentation reasonably available to the borrower that demonstrates, to the satisfaction of the Secretary or the Secretary's designee, that the student meets the qualifications in paragraph (d) of this section; and 

(iv) That the borrower agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (d)(4) of this section, and to transfer any right to recovery against a third party in accordance with paragraph (d)(5) of this section. 

(4) Cooperation by borrower in enforcement actions. (i) In any judicial or administrative proceeding brought by the Secretary or the Secretary's designee to recover for amounts discharged under paragraph (d) of this section or to take other enforcement action with respect to the conduct on which those claims were based, a borrower who requests or receives a discharge under paragraph (d) of this section must cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (d)(4) of this section, and to transfer any right to recovery against a third party in accordance with paragraph (d)(5) of this section. 

(ii) The Secretary revokes the discharge, or denies the request for discharge, of a borrower who—

(A) Fails to provide testimony, sworn statements, or documentation to support material representations made by the borrower to obtain the discharge; or 

(B) Provides testimony, a sworn statement, or documentation that does not support the material representations made by the borrower to obtain the discharge. 

(5) Transfer to the Secretary of borrower's right of recovery against third parties. (i) Upon discharge under paragraph (d) of this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party. 

(ii) The provisions of paragraph (d) of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of such rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights. 

(iii) Nothing in this section shall be construed as limiting or foreclosing the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from matters otherwise unrelated to the loan discharged. 

(6) Guaranty agency responsibilities—(i) Procedures applicable if a school closed on or after January 1, 1986, but prior to June 13, 1994. (A) If a borrower received a loan for attendance at a school with a closure date on or after January 1, 1986, but prior to June 13, 1994, the loan may be discharged in accordance with the procedures specified in paragraph (d)(6)(i) of this section.
(B) If a loan subject to paragraph (d) of this section was discharged in part in accordance with the Secretary's "Closed School Policy" as authorized by section IV of Bulletin 89-G-159, the guaranty agency shall initiate the discharge of the remaining balance of the loan not later than August 13, 1994.

(C) A guaranty agency shall review its records and identify all schools that appear to have closed on or after January 1, 1986 and prior to June 13, 1994, and shall identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date.

(D) A guaranty agency shall notify the Secretary immediately if it determines that a school not previously known to have closed appears to have closed, and, within 30 days of making that determination, notify all lenders participating in its program to suspend collection efforts against individuals with respect to loans made for attendance at the closed school, if the student to whom (or on whose behalf) a loan was made, appears to have been enrolled at the school on the closing date, or withdrew not more than 90 days prior to the date the school appears to have closed. Within 30 days after receiving confirmation of the date of a school's closure from the Secretary, the agency shall—

(1) Notify all lenders participating in its program to mail a discharge application explaining the procedures and eligibility criteria for obtaining a discharge and an explanation of the information that must be included in the sworn statement (which may be combined) to all borrowers who may be eligible for a closed school discharge; and

(2) Review the records of loans that it holds, identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date, and mail a discharge application and an explanation of the information that must be included in the sworn statement (which may be combined) to the borrower. The application shall inform the borrower of the procedures and eligibility criteria for obtaining a discharge.

(E) If a loan identified under paragraph (d)(6)(i)(D)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is known, the guaranty agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and notify the borrower that the agency will provide additional information about the procedures for requesting a discharge after the agency has received confirmation from the Secretary that the school had closed.

(F) If a loan identified under paragraph (d)(6)(i)(D)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is unknown, the agency shall, by June 13, 1995, further refine the list of borrowers whose loans are potentially subject to discharge under paragraph (d) of this section by consulting with representatives of the closed school, the school's licensing agency, accrediting agency, and other appropriate parties. Upon learning the new address of a borrower who would still be considered potentially eligible for a discharge, the guaranty agency shall, within 30 days after learning the borrower's new address, mail to the borrower a discharge application that meets the requirements of paragraph (d)(6)(i)(E) of this section.

(G) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(i)(D)(E) or (F) of this section has satisfied all of the conditions required for a discharge, the agency shall notify the borrower in writing of that determination within 30 days after making that determination.

(H) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(i)(E) or (F) of this section does not qualify for a discharge, the agency shall notify the borrower in writing of that determination and the reasons for it within 30 days after the date the agency—

(1) Made that determination based on information available to the guaranty agency;
(2) Was notified by the Secretary that the school had not closed;
(3) Was notified by the Secretary that the school had closed on a date that was more than 90 days after the borrower (or student) withdrew from the school;
(4) Was notified by the Secretary that the borrower (or student) was ineligible for a closed school discharge for other reasons; or
(5) Received the borrower's completed application and sworn statement.

(I) If a borrower described in paragraph (d)(6)(i)(E) or (F) of this section fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days of being notified of that option, the guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The agency may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(J) A borrower's request for discharge may not be denied solely on the basis of failing to meet any time limits set by the lender, guaranty agency, or the Secretary.

(ii) Procedures applicable if a school closed on or after June 13, 1994.

(A) A guaranty agency shall notify the Secretary immediately whenever it becomes aware of reliable information indicating a school may have closed. The designated guaranty agency in the state in which the school is located shall promptly investigate whether the school has closed and, within 30 days after receiving information indicating that the school may have closed, report the results of its investigation to the Secretary concerning the date of the school's closure and whether a teach-out of the closed school's program was made available to students.

(B) If a guaranty agency determines that a school appears to have closed, it shall, within 30 days of making that determination, notify all lenders participating in its program to suspend collection efforts against individuals with respect to loans made for attendance at the closed school, if the student to whom (or on whose behalf) a loan was made, appears to have been enrolled at the school on the closing date, or withdrew not more than 90 days prior to the date the school appears to have closed. Within 30 days after receiving confirmation of the date of a school's closure from the Secretary, the agency shall—

(1) Notify all lenders participating in its program to mail a discharge application explaining the procedures and eligibility criteria for obtaining a discharge and an explanation of the information that must be included in the sworn statement (which may be combined) to all borrowers who may be eligible for a closed school discharge; and

(2) Review the records of loans that it holds, identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date, and mail a discharge application and an explanation of the information that must be included in the sworn statement (which may be combined) to the borrower. The application shall inform the borrower of the procedures and eligibility criteria for obtaining a discharge.

(C) If a loan identified under paragraph (d)(6)(ii)(B)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is known, the guaranty agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and notify the borrower that the agency will provide additional information about the procedures for requesting a discharge after the agency has received confirmation from the Secretary that the school had closed.

(D) If a loan identified under paragraph (d)(6)(ii)(B)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is unknown, the agency shall, within one year after identifying the borrower, attempt to locate the borrower and further determine the borrower's potential eligibility for a discharge under paragraph (d) of this section by consulting with representatives
§682.402  of the closed school, the school's licensing agency, accrediting agency, and other appropriate parties. Upon learning the new address of a borrower who would still be considered potentially eligible for a discharge, the guaranty agency shall, within 30 days after learning the borrower's new address, mail to the borrower a discharge application that meets the requirements of paragraph (d)(6)(ii)(B) of this section.

(E) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(ii)(C) or (D) of this section has satisfied all of the conditions required for a discharge, the agency shall notify the borrower in writing of that determination within 30 days after making that determination.

(F) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(ii)(C) or (D) of this section does not qualify for a discharge, the agency shall notify the borrower in writing of that determination and the reasons for it within 30 days after the date the agency—

(1) Made that determination based on information available to the guaranty agency;
(2) Was notified by the Secretary that the school had not closed;
(3) Was notified by the Secretary that the school had closed on a date that was more than 90 days after the borrower (or student) withdrew from the school;
(4) Was notified by the Secretary that the borrower (or student) was ineligible for a closed school discharge for other reasons; or
(5) Received the borrower's completed application and sworn statement.

(G) Upon receipt of a closed school discharge claim filed by a lender, the agency shall review the borrower's request and supporting sworn statement in light of information available from the records of the agency and from other sources, including other guaranty agencies, state authorities, and cognizant accrediting associations, and shall take the following actions—

(1) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (d) of this section, it shall pay the claim in accordance with §682.402(h) not later than 90 days after the agency received the claim; or
(2) If the agency determines that the borrower does not qualify for a discharge, the agency shall, not later than 90 days after the agency received the claim, return the claim to the lender with an explanation of the reasons for its determination.

(H) If a borrower fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days of being notified of that option, the lender or guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The lender or guaranty agency may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.

(I) A borrower's request for discharge may not be denied solely on the basis of failing to meet any time limits set by the lender, guaranty agency, or the Secretary.

7 Lender responsibilities. (i) A lender shall comply with the requirements prescribed in paragraph (d) of this section. In the absence of specific instructions from a guaranty agency or the Secretary, if a lender receives information from a source it believes to be reliable indicating that an existing or former borrower may be eligible for a loan discharge under paragraph (d) of this section, the lender shall immediately notify the guaranty agency, and suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments).

(ii) If the borrower fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days after being notified of that option, the lender shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity. The lender may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.

(iii) The lender shall file a closed school claim with the guaranty agency
in accordance with § 682.402(g) no later than 60 days after the lender receives the borrower's written request and sworn statement described in paragraph (d)(3) of this section. If a lender receives a payment made by or on behalf of the borrower on the loan after the lender files a claim on the loan with the guaranty agency, the lender shall forward the payment to the guaranty agency within 30 days of its receipt. The lender shall assist the guaranty agency and the borrower in determining whether the borrower is eligible for discharge of the loan.

(iv) Within 30 days after receiving reimbursement from the guaranty agency for a closed school claim, the lender shall notify the borrower that the loan obligation has been discharged, and request that all credit bureaus to which it previously reported the status of the loan delete all adverse credit history assigned to the loan.

(v) Within 30 days after being notified by the guaranty agency that the borrower's request for a closed school discharge has been denied, the lender shall resume collection and notify the borrower of the reasons for the denial. The lender shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity, and may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(e) False certification by a school of a student's eligibility to borrow and unauthorized disbursements—(1) General. (i) The Secretary reimburses the holder of a loan received by a borrower on or after January 1, 1986, and discharges a current or former borrower's obligation with respect to the loan in accordance with the provisions of paragraph (e) of this section, if the borrower's (or the student for whom a parent received a PLUS loan) eligibility to receive the loan was falsely certified by an eligible school. For purposes of a false certification discharge, the term “borrower” includes all endorsers on a loan. A student's eligibility to borrow shall be considered to have been falsely certified by the school if the school—

(A) Certified the student's eligibility for a FFEL Program loan on the basis of ability to benefit from its training and the student did not meet the applicable requirements described in 34 CFR part 668 and section 484(d) of the Act, as applicable and as described in paragraph (e)(13) of this section; or

(B) Signed the borrower’s name without authorization by the borrower on the loan application or promissory note.

(ii) The Secretary discharges the obligation of a borrower with respect to a loan disbursement for which the school, without the borrower’s authorization, endorsed the borrower’s loan check or authorization for electronic funds transfer, unless the student for whom the loan was made received the proceeds of the loan either by actual delivery of the loan funds or by a credit in the amount of the contested disbursement applied to charges owed to the school for that portion of the educational program completed by the student. However, the Secretary does not reimburse the lender with respect to any amount disbursed by means of a check bearing an unauthorized endorsement unless the school also executed the application or promissory note for that loan for the named borrower without that individual's consent.

(2) Relief available pursuant to discharge. (i) Discharge under paragraph (e)(1)(i) of this section relieves the borrower of an existing or past obligation to repay the loan certified by the school, and any charges imposed or costs incurred by the holder with respect to the loan that the borrower is, or was, otherwise obligated to pay.

(ii) A discharge of a loan under paragraph (e) of this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on a loan obligation discharged under paragraph (e) of this section.

(iii) A borrower who has defaulted on a loan discharged under paragraph (e) of this section is not regarded as in default on the loan after discharge, and is eligible to receive assistance under the Title IV, HEA programs.

(iv) A discharge of a loan under paragraph (e) of this section is reported by the loan holder to all credit reporting agencies to which the holder previously reported the status of the loan, so as to
(v) Discharge under paragraph (e)(1)(ii) of this section qualifies the borrower for relief only with respect to the amount of the disbursement discharged.

(3) Borrower qualification for discharge. In order to qualify for discharge of a loan under paragraph (e) of this section the borrower shall submit to the holder of the loan a written request and a sworn statement. The statement need not be notarized, but must be made by the borrower under penalty of perjury, and, in the statement, the borrower shall—

(i) State whether the student has made a claim with respect to the school's false certification with any third party, such as the holder of a performance bond or a tuition recovery program, and if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation;

(ii) In the case of a borrower requesting a discharge based on the school's defective testing of the student's ability to benefit, state that the borrower (or the student for whom a parent received a PLUS loan)—

(A) Received, on or after January 1, 1986, the proceeds of any disbursement of a loan disbursed, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Was admitted to that school on the basis of ability to benefit from its training and did not meet the applicable requirements for admission on the basis of ability to benefit as described in paragraph (e)(13) of this section; and

(C) Withdrew from the school and did not find employment in the occupation for which the program was intended to provide training, or completed the training program for which the loan was made and made a reasonable attempt to obtain employment in the occupation for which the program was intended to provide training, and—

(1) Was not able to find employment in that occupation; or

(2) Obtained employment in that occupation only after receiving additional training that was not provided by the school that certified the loan;

(iii) In the case of a borrower requesting a discharge because the school signed the borrower's name on the loan application or promissory note—

(A) State that the signature on either of those documents was not the signature of the borrower; and

(B) Provide five different specimens of his or her signature, two of which must be not earlier or later than one year before or after the date of the contested signature;

(iv) In the case of a borrower requesting a discharge because the school, without authorization of the borrower, endorsed the borrower's name on the loan check or signed the authorization for electronic funds transfer or master check, the borrower shall—

(A) Certify that he or she did not endorse the loan check or sign the authorization for electronic funds transfer or master check, or authorize the school to do so;

(B) Provide five different specimens of his or her signature, two of which must be not earlier or later than one year before or after the date of the contested signature; and

(C) State that the proceeds of the contested disbursement were not received either through actual delivery of the loan funds or by a credit in the amount of the contested disbursement applied to charges owed to the school for that portion of the educational program completed by the student;

(v) That the borrower agrees to provide upon request by the Secretary or the Secretary's designee, other documentation reasonably available to the borrower, that demonstrates, to the satisfaction of the Secretary or the Secretary's designee, that the student meets the qualifications in paragraph (e) of this section; and

(vi) That the borrower agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (e)(4) of this section, and to transfer any right to recovery against a third party in accordance with paragraph (e)(5) of this section.

(4) Cooperation by borrower in enforcement actions. (i) In any judicial or administrative proceeding brought by the Secretary or the Secretary's designee to recover for amounts discharged...
under paragraph (e) of this section or
to take other enforcement action with
respect to the conduct on which those
claims were based, a borrower who re-
quests or receives a discharge under
paragraph (e) of this section must co-
operate with the Secretary or the Sec-
retary's designee. At the request of the
Secretary or the Secretary's designee,
and upon the Secretary's or the Sec-
retary's designee's tendering to the
borrower the fees and costs as are cus-
tomarily provided in litigation to re-
imburse witnesses, the borrower shall—
(A) Provide testimony regarding any
representation made by the borrower
to support a request for discharge; and
(B) Produce any documentation rea-
sonably available to the borrower with
respect to those representations and
any sworn statement required by the
Secretary with respect to those rep-
resentations and documents.
(ii) The Secretary revokes the dis-
charge, or denies the request for dis-
charge, of a borrower who—
(A) Fails to provide testimony, sworn
statements, or documentation to sup-
port material representations made by
the borrower to obtain the discharge;
or
(B) Provides testimony, a sworn
statement, or documentation that does
not support the material representa-
tions made by the borrower to obtain
the discharge.
(5) Transfer to the Secretary of bor-
rower's right of recovery against third
parties. (i) Upon discharge under para-
graph (e) of this section, the borrower
is deemed to have assigned to and re-
linquished in favor of the Secretary
any right to a loan refund (up to the
amount discharged) that the borrower
(or student) may have by contract or
applicable law with respect to the loan
or the enrollment agreement for the
program for which the loan was re-
ceived, against the school, its prin-
cipals, affiliates and their successors,
its sureties, and any private fund, in-
cluding the portion of a public fund
that represents funds received from a
private party.
(ii) The provisions of paragraph (e) of
this section apply notwithstanding any
provision of state law that would oth-
erwise restrict transfer of such rights
by the borrower (or student), limit or
prevent a transferee from exercising
those rights, or establish procedures or
a scheme of distribution that would
prejudice the Secretary's ability to re-
cover on those rights.
(iii) Nothing in this section shall be
construed as limiting or foreclosing the
borrower's (or student's) right to pur-
sue legal and equitable relief regarding
disputes arising from matters oth-
erwise unrelated to the loan discharged.
(6) Guaranty agency responsibilities—
general. (i) A guaranty agency shall no-
fy the Secretary immediately when-
ever it becomes aware of reliable infor-
mation indicating that a school may
have falsely certified a student's eligi-
bility or caused an unauthorized dis-
bursement of loan proceeds, as de-
scribed in paragraph (e)(3) of this sec-
tion. The designated guaranty agency
in the state in which the school is lo-
cated shall promptly investigate
whether the school has falsely certified
a student's eligibility and, within 30
days after receiving information indi-
cating that the school may have done
so, report the results of its preliminary
investigation to the Secretary.
(ii) If the guaranty agency receives
information it believes to be reliable
indicating that a borrower whose loan
is held by the agency may be eligible
for a discharge under paragraph (e) of
this section, the agency shall imme-
diately suspend any efforts to collect
from the borrower on any loan received
for the program of study for which the
loan was made (but may continue to
receive borrower payments), and in-
form the borrower of the procedures for
requesting a discharge.
(iii) If the borrower fails to submit
the written request and sworn state-
ment described in paragraph (e)(3) of
this section within 60 days of being no-
[missing text]

held by the guaranty agency, the agency shall have up to 90 days to determine whether the discharge should be granted. The agency shall review the borrower's request and supporting sworn statement in light of information available from the records of the agency and from other sources, including other guaranty agencies, state authorities, and cognizant accrediting associations.

(v) A borrower's request for discharge and sworn statement may not be denied solely on the basis of failing to meet any time limits set by the lender, the Secretary or the guaranty agency.

(7) Guaranty agency responsibilities with respect to a claim filed by a lender based on the borrower's assertion that he or she did not sign the loan application or the promissory note, or that the school failed to test, or improperly tested, the student's ability to benefit.

(i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(7) of this section.

(ii) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (e) of this section, it shall, not later than 30 days after the agency makes that determination, pay the claim in accordance with § 682.402(h) and—

(A) Notify the borrower that his or her liability with respect to the amount of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(7)(ii)(C) of this section;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Notify the lender that the borrower's liability with respect to the amount of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay; and

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iii) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination—

(A) Notify the lender that the borrower's liability on the loan is not discharged and that, depending on the borrower's decision under paragraph (e)(7)(iii)(B) of this section, the loan shall either be returned to the lender or paid as a default claim; and

(B) Notify the borrower that the borrower does not qualify for discharge, and state the reasons for that conclusion. The agency shall advise the borrower that he or she remains obligated to repay the loan and warn the borrower of the consequences of default, and explain that the borrower will be considered to be in default on the loan unless the borrower submits a written statement to the agency within 30 days stating that the borrower—

(1) Acknowledges the debt and, if payments are due, will begin or resume making those payments to the lender; or

(2) Requests the Secretary to review the agency's decision.

(iv) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the claim file to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(v) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall return the claim file to the lender and notify the lender to resume collection efforts if payments are due.

(vi) Within 30 days after receiving the borrower's written statement described in paragraph (e)(7)(iii)(B)(1) of this section, the agency shall return the claim file to the lender and notify the lender to resume collection efforts if payments are due.

(vii) The agency shall pay a default claim to the lender within 30 days after the borrower fails to return either of the written statements described in paragraph (e)(7)(iii)(B) of this section.

(B) Guaranty agency responsibilities with respect to a claim filed by a lender based only on the borrower's assertion that he or she did not sign the loan check or the authorization for the release of
loan funds via electronic funds transfer or master check. (i) The agency shall evaluate the borrower’s request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(8) of this section.

(ii) If the agency determines that a borrower who asserts that he or she did not endorse the loan check satisfies the requirements for discharge under paragraph (e)(3)(i) of this section, it shall, within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(8)(ii)(B) of this section;

(B) Notify the lender that the borrower’s liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay;

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(C) Refund to the borrower, within 30 days, all amounts paid by the borrower with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender related to the discharged loan amount; and

(D) Notify the lender that the borrower’s liability with respect to the contested disbursement of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay; and

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iii) If the agency determines that a borrower who asserts that he or she did not sign the electronic funds transfer or master check authorization satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall, within 30 days after making that determination, pay the claim in accordance with §682.402(h) and—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(8)(iii)(C) of this section;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Notify the lender that the borrower’s liability with respect to the contested disbursement of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay; and

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iv) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination—

(A) Notify the lender that the borrower’s liability on the loan is not discharged and that, depending on the borrower’s decision under paragraph (e)(8)(iv)(B) of this section, the loan shall either be returned to the lender or paid as a default claim; and

(B) Notify the borrower that the borrower does not qualify for discharge, and state the reasons for that conclusion. The agency shall advise the borrower that he or she remains obligated to repay the loan and warn the borrower of the consequences of default,
and explain that the borrower will be considered to be in default on the loan unless the borrower submits a written statement to the agency within 30 days stating that the borrower—

(1) Acknowledges the debt and, if payments are due, will begin or resume making those payments to the lender; or

(2) Requests the Secretary to review the agency’s decision.

(v) Within 30 days after receiving the borrower’s written statement described in paragraph (e)(8)(iv)(B)(1) of this section, the agency shall return the claim file to the lender and notify the lender to resume collection efforts if payments are due.

(vi) Within 30 days after receiving the borrower’s request for review by the Secretary, the agency shall forward the claim file to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(vii) The agency shall pay a default claim to the lender within 30 days after the borrower fails to return either of the written statements described in paragraph (e)(8)(iv)(B) of this section.

(9) Guaranty agency responsibilities in the case of a loan held by the agency for which a discharge request is submitted by a borrower based on the borrower’s assertion that he or she did not sign the loan application or the promissory note, or that the school failed to test, or improperly tested, the student’s ability to benefit.

(i) The agency shall evaluate the borrower’s request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(9) of this section.

(ii) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (e)(3) of this section, it shall immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the agency related to the discharged loan amount that the borrower is, or was otherwise obligated to pay and, not later than 30 days after the agency makes the determination that the borrower satisfies the requirements for discharge—

(A) Notify the borrower that his or her liability with respect to the amount of the loan has been discharged;

(B) Report to all credit reporting agencies to which the agency previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan; and

(C) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount.

(iii) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination, notify the borrower that the borrower’s liability with respect to the amount of the loan is not discharged, state the reasons for that conclusion, and if the borrower is not then making payments in accordance with a repayment arrangement with the agency on the loan, advise the borrower of the consequences of continued failure to reach such an arrangement, and that collection action will resume on the loan unless within 30 days the borrower—

(A) Acknowledges the debt and, if payments are due, reaches a satisfactory arrangement to repay the loan or resumes making payments under such an arrangement to the agency; or

(B) Requests the Secretary to review the agency’s decision.

(iv) Within 30 days after receiving the borrower’s request for review by the Secretary, the agency shall forward the borrower’s discharge request and all relevant documentation to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(v) The agency shall resume collection action if within 30 days of giving notice of its determination the borrower fails to seek review by the Secretary or agree to repay the loan.

(10) Guaranty agency responsibilities in the case of a loan held by the agency for which a discharge request is submitted by a borrower based on the borrower’s assertion that he or she did not sign the loan check or the authorization for the release of loan proceeds via electronic funds transfer or master check.

(i) The agency shall evaluate the borrower’s request
and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(10) of this section.

(ii) If the agency determines that a borrower who asserts that he or she did not endorse the loan check satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall refund to the Secretary the amount of reinsurance payment received with respect to the amount discharged on that loan less any repayments made by the lender under paragraph (e)(10)(ii)(D)(2) of this section, and within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged;

(B) Report to all credit reporting agencies to which the agency previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(C) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount;

(D) Notify the lender to whom a claim payment was made that the lender must refund to the Secretary, within 30 days—

(1) All interest benefits and special allowance payments received from the Secretary with respect to the loan disbursement that was discharged; and

(2) The amount of the borrower’s payments that were refunded to the borrower by the guaranty agency under paragraph (e)(10)(ii)(C) of this section that represent borrower payments previously paid to the lender with respect to the loan disbursement that was discharged;

(E) Notify the lender to whom a claim payment was made that the lender must, within 30 days, reimburse the agency for the amount of the loan that was discharged, minus the amount of borrower payments made to the lender that were refunded to the borrower by the guaranty agency under paragraph (e)(10)(ii)(C) of this section; and

(F) Transfer to the lender the borrower’s written assignment of any rights the borrower may have against third parties with respect to the loan disbursement that was discharged.

(iii) In the case of a borrower who requests a discharge because he or she did not sign the electronic funds transfer or master check authorization, if the agency determines that the borrower meets the conditions for discharge, it shall immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the agency related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay, and within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iv) The agency shall take the actions required under paragraphs (e)(9)(iii) through (v) if the agency determines that the borrower does not qualify for a discharge.

(11) Guaranty agency responsibilities if a borrower requests a review by the Secretary. (i) Within 30 days after receiving the borrower’s request for review under paragraph (e)(7)(iii)(B), (e)(8)(iv)(B)(2), (e)(9)(iii)(B), or (e)(10)(iv) of this section, the agency shall forward the borrower’s discharge request and all relevant documentation to the Secretary for his review.

(ii) The Secretary notifies the agency and the borrower of a determination on review. If the Secretary determines that the borrower is not eligible for a discharge under paragraph (e) of this section, within 30 days after being so informed, the agency shall take the actions described in paragraphs (e)(8)(iv)
§ 682.402  

34 CFR Ch. VI (7–1–99 Edition)  

through (vii) or (e)(9)(iii) through (v) of this section, as applicable.  

(iii) If the Secretary determines that the borrower meets the requirements for a discharge under paragraph (e) of this section, the agency shall, within 30 days after being so informed, take the actions required under paragraph (e)(7)(ii), (e)(8)(ii), (e)(8)(iii), (e)(9)(ii), (e)(10)(ii), or (e)(10)(iii) of this section, as applicable.  

(12) Lender Responsibilities.  (i) If the lender is notified by a guaranty agency or the Secretary, or receives information it believes to be reliable from another source indicating that a current or former borrower may be eligible for a discharge under paragraph (e) of this section, the lender shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments) and, within 30 days of receiving the information or notification, inform the borrower of the procedures for requesting a discharge.  

(ii) If the borrower fails to submit the written request and sworn statement described in paragraph (e)(3) of this section within 60 days of being notified of that option, the lender shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity. The lender may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.  

(iii) The lender shall file a claim with the guaranty agency in accordance with §682.402(g) no later than 60 days after the lender receives the borrower’s written request and sworn statement described in paragraph (e)(3) of this section. If a lender receives a payment made by or on behalf of the borrower on the loan after the lender files a claim on the loan with the guaranty agency, the lender shall forward the payment to the guaranty agency within 30 days of its receipt. The lender shall assist the guaranty agency and the borrower in determining whether the borrower is eligible for discharge of the loan.  

(iv) The lender shall comply with all instructions received from the Secretary or a guaranty agency with respect to loan discharges under paragraph (e) of this section.  

(v) The lender shall review a claim that the borrower did not endorse and did not receive the proceeds of a loan check. The lender shall take the actions required under paragraphs (e)(8)(ii)(A) and (B) of this section if it determines that the borrower did not endorse the loan check, unless the lender secures persuasive evidence that the proceeds of the loan were received by the borrower or the student for whom the loan was made, as provided in paragraph (e)(1)(ii). If the lender determines that the loan check was properly endorsed or the proceeds were received by the borrower or student, the lender may consider the borrower’s objection to repayment as a statement of intention not to repay the loan, and may file a claim with the guaranty agency for reimbursement on that ground, but shall not report the loan to credit bureaus as in default until the guaranty agency, or, as applicable, the Secretary, reviews the claim for relief. By filing such a claim, the lender shall be deemed to have agreed to the following—  

(A) If the guarantor or the Secretary determines that the borrower endorsed the loan check or the proceeds of the loan were received by the borrower or the student, any failure to satisfy due diligence requirements by the lender prior to the filing of the claim that would have resulted in the loss of reimbursement on the loan in the event of default will be waived by the Secretary; and  

(B) If the guarantor or the Secretary determines that the borrower did not endorse the loan check and that the proceeds of the loan were not received by the borrower or the student, the lender will comply with the requirements specified in paragraph (e)(8)(ii)(B) of this section.  

(vi) Within 30 days after being notified by the guaranty agency that the borrower’s request for a discharge has been denied, the lender shall notify the borrower of the reasons for the denial
and, if payments are due, resume collection against the borrower. The lender shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity, and may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.

(13) Requirements for certifying a borrower's eligibility for a loan. (i) For periods of enrollment beginning between July 1, 1987 and June 30, 1991, a student who had a general education diploma or received one before the scheduled completion of the program of instruction is deemed to have the ability to benefit from the training offered by the school.

(ii) A student not described in paragraph (e)(13)(i) of this section is considered to have the ability to benefit from training offered by the school if the student—

(A) For periods of enrollment beginning prior to July 1, 1987, was determined by the school to have the ability to benefit from the school's training in accordance with the requirements of 34 CFR 668.6;

(B) For periods of enrollment beginning on or after July 1, 1987, achieved a passing grade on a test—

(1) Approved by the Secretary, for periods of enrollment beginning on or after July 1, 1991, or by the accrediting agency for other periods; and

(2) Administered substantially in accordance with the requirements for use of the test; or

(C) Successfully completed a program of developmental or remedial education provided by the school.

(iii) Notwithstanding paragraphs (e)(13)(i) and (ii) of this section, a student did not have the ability to benefit from training offered by the school if—

(A) The school certified the eligibility of the student for a FFEL Program loan; and

(B) At the time of certification, the student would not meet the requirements for employment (in the student's State of residence) in the occupation for which the training program supported by the loan was intended because of a physical or mental condition, age, or criminal record or other reason accepted by the Secretary.

(f) Bankruptcy—(1) General. If a borrower files a petition for relief under the Bankruptcy Code, the Secretary reimburses the holder of the loan for unpaid principal and interest on the loan in accordance with paragraphs (f) through (m) of this section.

(2) Suspension of collection activity. If the lender is notified that a borrower has filed a petition for relief in bankruptcy, the lender shall immediately suspend any collection efforts outside the bankruptcy proceeding against the borrower and—

(i) Against any co-maker or endorser if the borrower has filed for relief under Chapters 12 or 13; and

(ii) Against any co-maker or endorser who has filed for relief in bankruptcy.

(3) Determination of filing. The lender shall determine that a borrower has filed a petition for relief in bankruptcy on the basis of receiving a notice of the first meeting of creditors or other confirmation issued by the debtor's attorney or the bankruptcy court.

(4) Proof of claim. Unless instructed otherwise by the guaranty agency, the lender shall file a proof of claim with the bankruptcy court within—

(i) 30 days after the lender receives a notice of first meeting of creditors unless, in the case of a proceeding under chapter 7, the notice states that the borrower has no assets; or

(ii) 30 days after the lender receives a notice from the court stating that a chapter 7 no-asset case has been converted to an asset case.

(5) Filing of bankruptcy claim with the guaranty agency. (i) The lender shall file a bankruptcy claim on the loan with the guaranty agency in accordance with paragraph (g) of this section, if—

(A) The borrower has filed a petition for relief under chapters 12 or 13 of the Bankruptcy Code; or

(B) The borrower has filed a petition for relief under chapters 7 or 11 of the Bankruptcy Code and the loan has been in repayment for more than seven years (exclusive of any applicable suspension of the repayment period) from the due date of the first payment until the date of the filing of the petition for relief; or

(C) The borrower has begun an action to have the loan obligation determined
§ 682.402 34 CFR Ch. VI (7–1–99 Edition)

to be dischargeable on grounds of undue hardship.

(ii) In cases not described in paragraph (f)(5)(i) of this section, the lender shall continue to hold the loan notwithstanding the bankruptcy proceeding. Once the bankruptcy proceeding is completed or dismissed, the lender shall treat the loan as if the lender had exercised forbearance as to repayment of principal and interest accrued from the date of the borrower’s filing of the bankruptcy petition until the date the lender is notified that the bankruptcy proceeding is completed or dismissed.

(g) Claim procedures for a loan held by a lender—

(1) Documentation. A lender shall provide the guaranty agency with the following documentation when filing a death, disability, closed school, false certification, or bankruptcy claim:

(i) The original promissory note, or, if the lender no longer has the original promissory note, a copy of the note certified by the lender as a true and accurate copy;

(ii) The loan application.

(iii) In the case of a death claim, those documents that formed the basis for the determination of death.

(iv) In the case of a disability claim, a copy of the certification of disability described in paragraph (c)(2) of this section.

(v) In the case of a bankruptcy claim—

(A) Evidence that a bankruptcy petition has been filed, all pertinent documents sent to or received from the bankruptcy court by the lender, and an assignment to the guaranty agency of any proof of claim filed by the lender regarding the loan; and

(B) A statement of any facts of which the lender is aware that may form the basis for an objection or exception to the discharge of the borrower’s loan obligation in bankruptcy and all documents supporting those facts.

(vi) In the case of a closed school claim, the documentation described in paragraph (d)(3) of this section, or any other documentation as the Secretary may require.

(vii) In the case of a false certification claim, the documentation described in paragraph (e)(3) of this section.

(2) Filing deadlines. A lender shall file a death, disability, closed school, false certification, or bankruptcy claim within the following periods:

(i) Within 60 days of the date on which the borrower determines that a borrower (or the student on whose behalf a parent obtained a PLUS loan) has died, or the lender determines that the borrower is totally and permanently disabled.

(ii) In the case of a closed school claim, the lender shall file a claim with the guaranty agency no later than 60 days after the borrower submits to the lender the written request and sworn statement described in paragraph (d)(3) of this section or after the lender is notified by the Secretary or the Secretary’s designee or by the guaranty agency to do so.

(iii) In the case of a false certification claim, the lender shall file a claim with the guaranty agency no later than 60 days after the borrower submits to the lender the written request and sworn statement described in paragraph (e)(3) of this section or after the lender is notified by the Secretary or the Secretary’s designee or by the guaranty agency to do so.

(iv) A lender shall file a bankruptcy claim with the guaranty agency by the earlier of—

(A) 30 days after the date on which the lender receives notice of the first meeting of creditors or other information described in paragraph (f)(3) of this section; or

(B) 15 days after the lender is served with a complaint or motion to have the loan determined to be dischargeable on grounds of undue hardship, or, if the lender secures an extension of time within which an answer may be filed, 25 days before the expiration of that extended period, whichever is later.

(h) Payment of death, disability, closed school, false certification, and bankruptcy claims by the guaranty agency—

(1) General. (i) The guaranty agency shall review a death, disability, or bankruptcy claim promptly and shall pay the lender on an approved claim the amount of loss in accordance with paragraph (g) of this section, not later than 45 days after the claim was filed by the lender.
(ii) In the case of a bankruptcy claim, the guaranty agency shall, upon receipt of the claim from the lender, immediately take those actions required under paragraph (i) of this section to oppose the discharge of the loan by the bankruptcy court.

(iii) In the case of a closed school claim or a false certification claim based on the determination that the borrower did not sign the loan application, the promissory note, or the authorization for the electronic transfer of loan funds, or that the school failed to test, or improperly tested, the student’s ability to benefit, the guaranty agency shall document its determination that the borrower is eligible for discharge under paragraphs (d) or (e) of this section and pay the borrower or the holder the amount determined under paragraph (h)(2) of this section.

(2)(i) The amount of loss payable—
(A) On a death or disability claim is equal to the sum of the remaining principal balance and interest accrued on the loan, collection costs incurred by the lender and applied to the borrower’s account within 30 days of the date those costs were actually incurred, and unpaid interest up to the date the lender should have filed the claim.

(B) On a bankruptcy claim is equal to the unpaid balance of principal and interest determined in accordance with paragraph (h)(3) of this section.

(ii) The amount of loss payable to a lender on a closed school claim or on a false certification claim is equal to the sum of the remaining principal balance and interest accrued on the loan, collection costs incurred by the lender and applied to the borrower’s account within 30 days of the date those costs were actually incurred, and unpaid interest determined in accordance with paragraph (h)(3) of this section.

(iii) In the case of a closed school or false certification claim filed by a lender on an outstanding loan owed by the borrower, on the same date that the agency pays a claim to the lender, the agency shall pay the borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source.

(iv) In the case of a claim filed by a lender based on a request received from a borrower whose loan had been repaid in full by, or on behalf of the borrower to the lender, on the same date that the agency notifies the lender that the borrower is eligible for a closed school or false certification discharge, the agency shall pay the borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source.

(v) In the case of a loan that has been included in a Consolidation Loan, the agency shall pay to the holder of the borrower’s Consolidation Loan, an amount equal to—
(A) The amount paid on the loan by or on behalf of the borrower at the time the loan was paid through consolidation;

(B) The amount paid by the consolidating lender to the holder of the loan when it was repaid through consolidation; minus

(C) Any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source if those refunds or payments were—

(1) Received by the borrower or received by the holder and applied to the borrower’s loan balance before the date the loan was repaid through consolidation; or

(2) Received by the borrower or received by the Consolidation Loan holder on or after the date the consolidating lender made a payment to the former holder to discharge the borrower’s obligation to that former holder.

(3) Payment of interest. If the guarantee covers unpaid interest, the amount payable on an approved claim includes the unpaid interest that accures during the following periods:

(i) During the period before the claim is filed, not to exceed the period provided for in paragraph (g)(2) of this section for filing the claim.
(ii) During a period not to exceed 30 days following the receipt date by the lender of a claim returned by the guaranty agency for additional documentation necessary for the claim to be approved by the guaranty agency.

(iii) During the period required by the guaranty agency to approve the claim and to authorize payment or to return the claim to the lender for additional documentation not to exceed—

(A) 45 days for death, disability or bankruptcy claims; or

(B) 90 days for closed school and false certifications.

(i) Guaranty agency participation in bankruptcy proceedings—(1) Undue hardship claims. (i) In response to a petition filed with regard to any bankruptcy proceeding by the borrower for discharge under 11 U.S.C. 523(a)(8)(B) on the grounds of undue hardship, the guaranty agency shall determine on the basis of reasonably available information—

(A) Whether the first payment on the loan was due less than 7 years (exclusive of any applicable suspension of the repayment period) before the filing of the petition for relief commencing the bankruptcy case; and

(B) Whether repayment under either the current repayment schedule or any adjusted schedule authorized under this part would impose an undue hardship on the borrower and his or her dependents.

(ii) If the agency determines that repayment would not constitute an undue hardship, the agency shall then determine whether the expected costs of opposing the discharge petition would exceed one-third of the total amount owed on the loan, including principal, interest, late charges, and collection costs.

(iii) If the expected costs of opposing the discharge petition do not exceed one-third of the total amount owed on the loan, the agency shall—

(A) Oppose the borrower's petition for a determination of dischargeability; and

(B) If the borrower is in default on the loan, seek a judgment for the amount owed on the loan.

(iv) In opposing a petition for a determination of dischargeability on the grounds of undue hardship, a guaranty agency may agree to discharge of a portion of the amount owed on a loan if it reasonably determines that the agreement is necessary in order to obtain a judgment on the remainder of the loan.

(2) Response by a guaranty agency to plans proposed under Chapters 11, 12, and 13. The guaranty agency shall take the following actions when a petition for relief in bankruptcy under Chapters 11, 12, or 13 is filed:

(i) The agency is not required to respond to a proposed plan that—

(A) Provides for repayment of the full outstanding balance of the loan;

(B) Makes no provision with regard to the loan or to general unsecured claims.

(ii) In any other case, the agency shall determine, based on a review of its own records and documents filed by the debtor in the bankruptcy proceeding—

(A) What part of the loan obligation will be discharged under the plan as proposed;

(B) Whether the plan itself or the classification of the loan under the plan meets the requirements of 11 U.S.C. 1129, 1225, or 1325, as applicable; and

(C) Whether grounds exist under 11 U.S.C. 1112, 1208, or 1307, as applicable, to move for conversion or dismissal of the case.

(iii) If the agency determines that grounds exist to challenge the proposed plan, the agency shall, as appropriate, object to the plan or move to dismiss the case, if—

(A) The costs of litigation of these actions are not reasonably expected to exceed one-third of the amount of the loan to be discharged under the plan; and

(B) With respect to an objection under 11 U.S.C. 1325, the additional amount that may be recovered under the plan if an objection is successful can reasonably be expected to equal or exceed the cost of litigating the objection.

(iv) The agency shall monitor the debtor’s performance under a confirmed plan. If the debtor fails to make payments required under the plan or seeks but does not demonstrate entitlement to discharge under 11 U.S.C.
§ 682.402

1328(b), the agency shall oppose any requested discharge or move to dismiss the case if the costs of litigation together with the costs incurred for objections to the plan are not reasonably expected to exceed one-third of the amount of the loan to be discharged under the plan.

(3) Response by guaranty agency to plans proposed under chapters 11, 12, and 13 for loans in repayment less than seven years. The guaranty agency shall take the following actions with regard to a loan that was in repayment for less than seven years (exclusive of applicable suspensions of the repayment period) when a petition for relief in bankruptcy under chapter 11, 12, or 13 was filed:

(i) If the debtor proposes a plan that is expected to end less than seven years (exclusive of applicable suspensions of the repayment period) after the first payment was due on the loan, the agency shall monitor the debtor's performance under a confirmed plan. If the debtor fails to make payments required under the plan and demonstrate entitlement to discharge under 11 U.S.C. 1328(b), the agency shall oppose any requested discharge and move to dismiss the case if the costs of litigation together with the costs incurred for objections to the plan are not reasonably expected to exceed one-third of the amount of the loan to be discharged under the plan.

(ii) If the debtor proposes a plan that is expected to end more than seven years (exclusive of applicable suspensions of the repayment period) after the first payment was due on the loan, the agency shall take the actions required under paragraph (i) of this section.

(j) Mandatory purchase by a lender of a loan subject to a bankruptcy claim. (1) The lender shall repurchase from the guaranty agency a loan held by the agency pursuant to a bankruptcy claim paid to that lender, unless the guaranty agency sells the loan to another lender, promptly after the earliest of the following events:

(i) The entry of an order granting discharge under chapter 12 or 13, or confirming a plan of arrangement under chapter 11 in a proceeding begun less than 7 years (exclusive of any applicable suspension of the repayment period) after the first payment due date of the loan, unless the court determined that the loan is dischargeable under 11 U.S.C. 523(a)(8)(B) on grounds of undue hardship.

(ii) The lender may capitalize all outstanding interest accrued on a loan purchased under paragraph (j) of this section to cover any periods of delinquency prior to the bankruptcy action through the date the lender purchases the loan and receives the supporting loan documentation from the guaranty agency.

(k) Claims for reimbursement from the Secretary on loans held by guarantee agencies. (1)(i) The Secretary reimburses the guaranty agency for its losses on bankruptcy claims paid to lenders after—

(A) A determination by the court that the loan is dischargeable under 11 U.S.C. 523(a)(8)(B) with respect to a proceeding initiated under chapter 7 or chapter 11 begun less than 7 years (exclusive of any applicable suspension of the repayment period) after the first payment due date of the loan; or

(B) With respect to any other loan, after the agency pays the claim to the lender.

(ii) The guaranty agency shall refund to the Secretary the full amount of reimbursement received from the Secretary on a loan that a lender repurchases under this section.

(2) The Secretary pays a death, disability, bankruptcy, closed school, or false certification claim in an amount determined under §682.402(k)(5) on a loan held by a guaranty agency after the agency has paid a default claim to the lender thereon and received payment under its reinsurance agreement. The Secretary reimburses the guaranty agency only if—

(i) The guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan or each of the co-makers of a PLUS loan) has died, or the borrower (or each
§ 682.402

34 CFR Ch. VI (7–1–99 Edition)

of the co-makers of a PLUS loan) has
become totally and permanently dis-
abled since applying for the loan, or
has filed for relief in bankruptcy, in ac-
cordance with the procedures in para-
graphs (b), (c), or (f) of this section, or
the student was unable to complete an
educational program because the
school closed, or the borrower’s eligi-
bility to borrow (or the student’s eligi-
bility in the case of a PLUS loan) was
falsely certified by an eligible school.
For purposes of this paragraph, ref-
ences to the “lender” and “guaranty
agency” in paragraphs (b) through (f)
of this section mean the guaranty
agency and the Secretary respectively;
(ii) In the case of a Stafford, SLS, or
PLUS loan, the guaranty agency deter-
mines that the borrower (or the stu-
dent for whom a parent obtained a
PLUS loan, or each of the co-makers
of a PLUS loan) has died, or the bor-
rower (or each of the co-makers of a
PLUS loan) has become totally and perma-
nently disabled since applying for the
loan, or has filed the petition for relief
in bankruptcy within 10 years of the
date the borrower entered repayment,
exclusive of periods of deferment or pe-
riods of forbearance granted by the
lender that extended the 10-year max-
imum repayment period, or the bor-
rower (or the student for whom a par-
ent received a PLUS loan) was unable
to complete an educational program
because the school closed, or the bor-
rower’s eligibility to borrow (or the
student’s eligibility in the case of a
PLUS loan) was falsely certified by an
eligible school;
(iii) In the case of a Consolidation
loan, the guaranty agency determines
that the borrower (or each of the co-
makers) has died, is determined to be
totally and permanently disabled under
§ 682.402(c), or has filed the petition for
relief in bankruptcy within the max-
imum repayment period described in
§ 682.209(h)(2), exclusive of periods of defer-
ment or periods of forbearance granted by the lender that extended the
maximum repayment period;
(iv) The guaranty agency has not
written off the loan in accordance with
the procedures established by the agen-
cy under § 682.410(b)(6)(x), except for
closed school and false certification
discharges; and
(v) The guaranty agency has exer-
cised due diligence in the collection of
the loan in accordance with the proce-
dures established by the agency under
§ 682.410(b)(6)(x), until the borrower (or
the student for whom a parent ob-
tained a PLUS loan, or each of the co-
makers of a PLUS loan) has died, or
the borrower (or each of the co-makers
of a PLUS loan) has become totally
and permanently disabled or filed a
Chapter 12 or Chapter 13 petition, or
had the loan discharged in bankruptcy,
or for closed school and false certifi-
cation claims, the guaranty agency re-
cieves a request for discharge from
the borrower or another party.
(3) [Reserved]
(4) Within 30 days of receiving reim-
bursement for a closed school or false
certification claim, the guaranty agen-
cy shall pay—
(i) The borrower an amount equal to
the amount paid on the loan by or on
behalf of the borrower, less any school
tuition refunds or payments received
by the holder, guaranty agency, or the
borrower from a tuition recovery fund,
performance bond, or other third-party
source; or
(ii) The amount determined under
paragraph (h)(2)(iv) of this section to
the holder of the borrower’s Consolida-

includes interest that accrues during—
(i) For death, disability, or bank-
ruptcy claims, the shorter of 60 days or
the period from the date the guaranty
agency determines that the borrower
(or the student for whom a parent ob-

totally and permanently disabled, or
filed a petition for relief in bankruptcy
until the Secretary authorizes pay-

claim.
(l) Payments received after the Secretary's payment of a death, disability, closed school, false certification, or bankruptcy claim.

(1) If the guaranty agency receives any payments from or on behalf of the borrower on or attributable to a loan that has been discharged in bankruptcy on which the Secretary previously paid a bankruptcy claim, the guaranty agency shall return 100 percent of these payments to the sender. The guaranty agency shall promptly return, to the sender, any payment on a cancelled or discharged loan made by the sender and received after the Secretary pays a closed school or false certification claim. At the same time that the agency returns the payment, it shall notify the borrower that there is no obligation to repay a loan discharged on the basis of death, disability, bankruptcy, false certification, or closing of the school.

(2) The guaranty agency shall remit to the Secretary all payments received from a tuition recovery fund, performance bond, or other third party with respect to a loan on which the Secretary previously paid a closed school or false certification claim.

(3) If the guaranty agency has returned a payment to the borrower, or the borrower's representative, with the notice described in paragraph (l)(2) of this section, and the borrower (or representative) continues to send payments to the guaranty agency, the agency shall remit all of those payments to the Secretary.

(m) Applicable suspension of the repayment period. For purposes of this section and 11 U.S.C. 523(a)(8)(A) with respect to loans guaranteed under the FFEL Program, an applicable suspension of the repayment period—

(1) Includes any period during which the lender does not require the borrower to make a payment on the loan.

(2) Begins on the date on which the borrower qualifies for the requested deferment as provided in §682.210(a)(5) or the lender grants the requested forbearance;

(3) Closes on the later of the date on which—

(i) The condition for which the requested deferment or forbearance was received ends; or

(ii) The lender receives notice of the end of the condition for which the requested deferment or forbearance was received, if the condition ended earlier than represented by the borrower at the time of the request and the borrower did not notify timely the lender of the date on which the condition actually ended;

(4) Includes the period between the end of the borrower's grace period and the first payment due date established by the lender in the case of a borrower who entered repayment without the knowledge of the lender;

(5) Includes the period between the filing of the petition for relief and the date on which the proceeding is completed or dismissed, unless payments have been made during that period in amounts sufficient to meet the amount owed under the repayment schedule in effect when the petition was filed.

§ 682.404 Federal reinsurance agreement.

(a) General. (1)(i) The Secretary may enter into a reinsurance agreement with a guaranty agency that has a basic program agreement. Except as provided in paragraph (b) of this section, under a reinsurance agreement the Secretary reimburses the guaranty agency for 98 percent of its losses on default claim payments to lenders.

(ii) Notwithstanding paragraph (a)(1)(i) of this section, the Secretary reimburses a guaranty agency for 100 percent of its losses on default claim payments—

(A) For loans made prior to October 1, 1993;

(B) For loans made under an approved lender-of-last-resort program;

(C) For loans transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(D) For a guaranty agency that entered into a basic program agreement under section 428(b) of the Act after September 30, 1976, or was not actively carrying on a loan guarantee program covered by a basic program agreement on October 1, 1976 for five consecutive fiscal years beginning with the first year of its operation.

(2) For purposes of this section—

(i) Losses means the amount of unpaid principal and accrued interest the agency paid on a default claim filed by a lender on a reinsured loan, minus payments made by or on behalf of the borrower after default but before the Secretary reimburses the agency;

(ii) Preclaims assistance means collection assistance made available to the lender by the guaranty agency no later than the 90th day of delinquency. This assistance must include collection activities that are at least as forceful as the level of preclaims assistance performed by the guaranty agency as of October 16, 1990, and involves the initiation by the guaranty agency of at least 3 collection activities, one of
which is a letter designed to encourage the borrower to begin or resume repayment. As part of their preclaims assistance, guaranty agencies must provide counseling and consumer information (in written or other format) to the borrower by the 10th working day after the agency receives the lender's request for preclaims assistance informing the borrower of all of the borrower's options to avoid default, including the availability of consolidating delinquent loans under the FFEL Program or the Federal Direct Consolidation Loan Program.

(iii) Supplemental preclaims assistance means collection assistance provided to the lender by the guaranty agency that involves the initiation by the agency of at least two collection activities designed to encourage the borrower to begin or resume payment that is begun on or after the 120th day of delinquency.

(3)(i) If an account has been subject to supplemental preclaims assistance and is not submitted as a default claim by the lender to the guaranty agency by the 150th day after the loan becomes 120 days delinquent, the Secretary will pay the guaranty agency an amount equal to one percent of the total unpaid principal and accrued interest on the loan as of the date the lender transmits its request to the guaranty agency.

(ii) If a guaranty agency contracts with an outside entity to perform any supplemental preclaims assistance activity, that entity may not—

(A) Hold or service the loan;

(B) Own, control, or share common ownership with the holder or servicer of the loan; or

(C) Hold a contract with the agency to perform collection services on the loan in the event of default.

(iii) For purposes of paragraph (a)(3)(i) of this section, an “account” includes 1 or more FFEL programs loans that were—

(A) Made to the same borrower;

(B) Held by the same lender;

(C) Guaranteed by the same guaranty agency;

(D) Subject to preclaims assistance by the same agency; and

(E) Covered by the same supplemental preclaims assistance request.

(4) A guaranty agency’s loss on a loan that was outstanding when a reinsurance agreement was executed is covered by the reinsurance agreement only if the default on the loan occurs after the effective date of the agreement.

(5) If a lender has requested preclaims assistance as described in paragraph (a)(2)(ii) of this section upon request of the school, the agency shall notify the school for attendance at which the borrower received the loan of the lender’s request by providing the school with a copy of that request, or by other means.

(b) Reinsurance rate. (1) If the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year reaches 5 percent of the amount of loans in repayment at the end of the preceding fiscal year, the Secretary’s reinsurance payment on a default claim subsequently paid by the guaranty agency during that fiscal year equals—

(i) 90 percent of its losses for loans made before October 1, 1993 or transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program; or

(ii) 88 percent of its losses for loans made on or after October 1, 1993.

(2) If the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year reaches 9 percent of the amount of loans in repayment at the end of the preceding fiscal year, the Secretary’s reinsurance payment on a default claim subsequently paid by the guaranty agency during that fiscal year equals—

(i) 80 percent of its losses for loans made before October 1, 1993 or transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program; or

(ii) 78 percent of its losses for loans made on or after October 1, 1993.

(3) For purposes of this section, the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year does not include amounts paid on claims by the guaranty agency—
§ 682.404

(i) On loans considered in default under § 682.412(e);
(ii) Under a policy established by the agency that is consistent with § 682.509(a)(1); or
(iii) That were filed by lenders at the direction of the Secretary;
(iv) On loans made under a guaranty agency’s approved lender-of-last-resort program.

(4) For purposes of this section, amount of loans in repayment means—
(i) The sum of—
(A) The original principal amount of all loans guaranteed by the agency; and
(B) The original principal amount of any loans on which the guarantee was transferred to the agency from another agency;
(ii) Minus the original principal amount of all loans on which—
(A) The loan guarantee was canceled;
(B) The loan guarantee was transferred to another agency;
(C) The borrower has not yet reached the repayment period;
(D) Payment in full has been made by the borrower;
(E) The borrower was in deferment status at the time repayment was scheduled to begin and remains in deferment status;
(F) Reinsurance coverage has been lost and cannot be regained; and
(G) The agency paid claims, excluding the amount of those claims—
(1) Paid under § 682.412(e);
(2) Paid under a policy established by the agency that is consistent with § 682.509(a)(1); or
(3) Paid at the direction of the Secretary.

(c) Submission of reinsurance rate base data. The guaranty agency shall submit to the Secretary the quarterly report required by the Secretary for the previous quarter ending September 30 containing complete and accurate data in order for the Secretary to calculate the amount of loans in repayment at the end of the preceding fiscal year. The Secretary does not pay a reinsurance claim to the guaranty agency after the date the quarterly report is due until the guaranty agency submits a complete and accurate report.

(d) Reinsurance fee. (1) Except for loans made under § 682.209(e), (f) and (h), and all loans guaranteed on or after October 1, 1993, a guaranty agency shall pay to the Secretary during each fiscal year in quarterly installments a reinsurance fee equal to—
(i) 0.25 percent of the total principal amount of the Stafford, SLS, and PLUS loans on which guarantees were issued by that agency during that fiscal year; or
(ii) 0.5 percent of the total principal amount of the Stafford, SLS, and PLUS loans on which guarantees were issued by that agency during that fiscal year if the agency’s reinsurance claims paid reach the amount described in paragraph (b)(1) of this section at any time during that fiscal year.

(2) The agency that is the original guarantor of a loan shall pay the reinsurance fee to the Secretary even if the guaranty agency transfers its guarantee obligation on the loan to another guaranty agency.

(3) The guaranty agency shall pay the reinsurance fee required by paragraph (d)(1) of this section due the Secretary for each calendar quarter ending March 31, June 30, September 30, and December 31, within 90 days after the end of the applicable quarter or within 30 days after receiving written notice from the Secretary that the fees are due, whichever is earlier.

(e) Initiation or extension of agreements. In deciding whether to enter into or extend a reinsurance agreement, or, if an agreement has been terminated, whether to enter into a new agreement, the Secretary considers the adequacy of—
(1) Efforts by the guaranty agency and the lenders to which it provides guarantees to collect outstanding loans as required by § 682.410(b) (6) or (7), and § 682.411;
(2) Efforts by the guaranty agency to make FFEL loans available to all eligible borrowers; and
(3) Other relevant aspects of the guaranty agency’s program operations.

(f) Application of borrower payments. A payment made to a guaranty agency by a borrower on a defaulted loan must be applied first to the collection costs incurred to collect that amount and then to other incidental charges, such as
§ 682.405 Loan rehabilitation agreement.

(a) General. (1) A guaranty agency that has a basic program agreement must enter into a loan rehabilitation agreement with the Secretary. The guaranty agency must establish a loan rehabilitation program for all borrowers with an enforceable promissory note for the purpose of rehabilitating defaulted loans so that the loan may be purchased, if practicable, by an eligible lender and removed from default status.

(2) A loan is considered to be rehabilitated only after the borrower has made one on-time voluntary full payment each month and the payment is received by a guaranty agency or its agent within 15 days of its receipt of the payments.

(h) Nondiscrimination. (1) A guaranty agency may not engage in any pattern or practice that results in a denial of a borrower’s access to FFEL loans based on the borrower’s race, sex, color, religion, national origin, age, handicapped status, income, attendance at a particular participating school within any State served by the guaranty agency, length of the borrower’s educational program, or the borrower’s academic year in school.

(2) For purposes of this section a guaranty agency is deemed to be serving a State if it guarantees a loan that is—

(i) Made by a lender located in a State not served by the agency;

(ii) Made to a borrower who is a resident of a State not served by the agency; and

(iii) Made for attendance at a school located in the State.

(i) Other terms. The reinsurance agreement contains other terms and conditions that the Secretary finds necessary to—

(1) Promote the purposes of the FFEL programs and to protect the United States from unreasonable risks of loss;

(2) Ensure that due diligence will be exercised in the collection of loans.

§ 682.405 Loan rehabilitation agreement.

(a) General. (1) A guaranty agency that has a basic program agreement must enter into a loan rehabilitation agreement with the Secretary. The guaranty agency must establish a loan rehabilitation program for all borrowers with an enforceable promissory note for the purpose of rehabilitating defaulted loans so that the loan may be purchased, if practicable, by an eligible lender and removed from default status.

(2) A loan is considered to be rehabilitated only after the borrower has made one on-time voluntary reasonable and affordable full payment each month and the payment is received by a guaranty agency or its agent within 15 days of the scheduled due date for 12 consecutive months in accordance with this section, and the loan has been sold to an eligible lender.

(3) After the loan has been rehabilitated, the borrower regains all benefits of the program, including any remaining deferment eligibility under section 428(b)(1)(M) of the Act, from the date of the rehabilitation.

(4) A borrower who wishes to rehabilitate a loan on which a judgment has been entered must sign a new promissory note prior to the sale of the loan to an eligible lender.

(b) Terms of agreement. In the loan rehabilitation agreement, the guaranty agency agrees to ensure that its loan rehabilitation program meets the following requirements at all times:

(1) A borrower may request the rehabilitation of the borrower’s default FFEL loan held by the guaranty agency. The borrower must make one on-time voluntary full payment each month for 12 consecutive months to be
§ 682.405

eligible to have the defaulted loans rehabilitated. For purposes of this section, “full payment” means a reasonable and affordable payment agreed to by the borrower and the agency. The required amount of such monthly payment may be no more than is reasonable and affordable based upon the borrower’s total financial circumstances. Voluntary payments are those made directly by the borrower regardless of whether there is a judgment against the borrower, and do not include payments obtained by income tax offset, garnishment, or income or asset execution. A guaranty agency must attempt to secure a lender to purchase the loan at the end of the twelve-(12-)month payment period.

(i) For purposes of this section, the determination of reasonable and affordable must—

(A) Include a consideration of the borrower’s and spouse’s disposable income and necessary expenses including, but not limited to, housing, utilities, food, medical costs, work-related expenses, dependent care costs and other Title IV repayment;

(B) Not be a required minimum payment amount, e.g. $50, if the agency determines that a smaller amount is reasonable and affordable based on the borrower’s total financial circumstances. The agency must include documentation in the borrower’s file of the basis for the determination if the monthly reasonable and affordable payment established under this section is less than $50.00 or the monthly accrued interest on the loan, whichever is greater. However, $50.00 may not be the minimum payment for a borrower if the agency determines that a smaller amount is reasonable and affordable; and

(C) Be based on the documentation provided by the borrower or other sources including, but not be limited to—

(1) Evidence of current income (e.g., proof of welfare benefits, Social Security benefits, child support, veterans’ benefits, Supplemental Security Income, Workmen's Compensation, two most recent pay stubs, most recent copy of U.S. income tax return, State Department of Labor reports);

(2) Evidence of current expenses (e.g., a copy of the borrower’s monthly household budget, on a form provided by the guaranty agency); and

(3) A statement of the unpaid balance on all FFEL loans held by other holders.

(ii) The agency must include any payment made under §682.401(b)(4) in determining whether the 12 consecutive payments required under paragraph (b)(1) of this section have been made.

(iii) A borrower may request that the monthly payment amount be adjusted due to a change in the borrower’s total financial circumstances only upon providing documentation specified in paragraph (b)(1)(i)(C) of this section.

(iv) A guaranty agency must provide the borrower with a written statement confirming the borrower’s reasonable and affordable payment amount, as determined by the agency, and explaining any other terms and conditions applicable to the required series of payments that must be made before a borrower’s account can be considered for repurchase by an eligible lender. The statement must inform borrowers of the effects of having their loans rehabilitated (e.g. credit clearing, possibility of increased monthly payments). The statement must inform the borrower of the amount of the collection costs to be added to the unpaid principal at the time of the sale. The collection costs may not exceed 18.5 percent of the unpaid principal and accrued interest at the time of the sale.

(v) A guaranty agency must provide the borrower with an opportunity to object to terms of the rehabilitation of the borrower’s defaulted loan.

(2) The guaranty agency must report to all national credit bureaus within 90 days of the date the loan was rehabilitated that the loan is no longer in a default status.

(3) An eligible lender purchasing a rehabilitated loan must establish a repayment schedule that meets the same requirements that are applicable to other FFEL Program loans made under the same loan type and provides for the borrower to make monthly payments at least as great as the average of the 12 consecutive monthly payments received by the guaranty agency. For the
§ 682.406 Conditions of reinsurance coverage.

(a) A guaranty agency is entitled to reinsurance payments on a loan only if—

(1) The lender exercised due diligence in making, disbursing, and servicing the loan as prescribed by the rules of the agency;

(2) With respect to the reinsurance payment on the portion of a loan represented by a single disbursement of loan proceeds—

(i) The check for the disbursement was cashed within 120 days after disbursement; or

(ii) The proceeds of the disbursement made by electronic funds transfer or master check in accordance with § 682.207(b)(1)(ii) (B) and (C) have been released from the restricted account maintained by the school within 120 days after disbursement;

(3) The lender provided an accurate collection history and an accurate payment history to the guaranty agency with the default claim filed on the loan showing that the lender exercised due diligence in collecting the loan through collection efforts against each endorser;

(4) The loan was in default before the agency paid a default claim thereon;

(5) The lender filed a default claim thereon with the guaranty agency within 90 days of default;

(6) The lender resubmitted a properly documented default claim to the guaranty agency not later than 60 days from the date the agency had returned that claim due solely to inadequate documentation, except that interest accruing beyond the 30th day after the date the guaranty agency returned the claim is not reinsured unless the lender files a claim for loss on the loan with the guarantor together with all required documentation, prior to the 30th day;

(7) The lender satisfied all conditions of guarantee coverage set by the agency, unless the agency reinstated guarantee coverage on the loan following the lender's failure to satisfy such a condition pursuant to written policies and procedures established by the agency;

(8) The agency paid or returned to the lender for additional documentation a default claim thereon filed by the lender within 90 days of the date the lender filed the claim or, if applicable, the additional documentation, except that interest accruing beyond the 60th day after the date the lender originally filed the claim is not reinsured;

(9) The agency submitted a request for the payment on a form required by the Secretary no later than 45 days following payment of a default claim to the lender;

(10) The loan was legally enforceable by the lender when the agency paid a claim on the loan to the lender;

(11) The agency exercised due diligence in collection of the loan in accordance with § 682.410(b)(6) or (7);

(12) The agency and the lender, if applicable, complied with all other Federal requirements with respect to the loan including—

(i) Payment of origination fees;

(ii) For Consolidation loans disbursed on or after October 1, 1993, payment, on a monthly basis, of an interest payment rebate fee calculated on an annual basis and equal to 1.05 percent of the unpaid principal and accrued interest on the loan;

(iii) Compliance with all preclaims assistance requirements in § 682.404(a)(2)(i).

(13) The agency assigns the loan to the Secretary, if so directed, in accordance with the requirements of § 682.403 and

(14) The guaranty agency certifies to the Secretary that diligent attempts have been made by the lender and the guaranty agency under § 682.411(g) to locate the borrower through the use of reasonable skip-tracing techniques.
(b) Notwithstanding paragraph (a) of this section, the Secretary may waive his right to refuse to make or require repayment of a reinsurance payment if, in the Secretary's judgment, the best interests of the United States so require. The Secretary's waiver policy for violations of paragraph (a)(3) or (a)(5) of this section is set forth in appendix D to this part.

(i) The lender may make payments into an escrow account that is administered by the escrow agent in accordance with the requirements of paragraph (c) of this section and § 682.207(b)(1)(iv);

(ii) The lender shall promptly notify the borrower's school when funds are escrowed for the borrower; and

(iii) The escrow agent is authorized to—

(A) Transmit the proceeds according to the note evidencing the loan;

§ 682.409 Mandatory assignment by guaranty agencies of defaulted loans to the Secretary.

(2) The total amount of the loan is at least $5,000.

(3) The loan has been in default for at least 30 days.

(7) The loan was not assigned to the Secretary under previous authority.

(8) The loan was not assigned to the Secretary under previous authority.
(i) The unpaid principal balance is at least $100.
(ii) For each of the two fiscal years following the fiscal year in which these regulations are effective, the loan, and any other loans held by the agency for that borrower, have been held by the agency for at least four years; for any subsequent fiscal year such loan must have been held by the agency for at least five years.
(iii) A payment has not been received on the loan in the last year.
(iv) A judgment has not been entered on the loan against the borrower.

(2) If the agency fails to meet a fiscal year recovery rate standard under paragraph (a)(2)(ii) of this section for a loan type, and the Secretary determines that additional assignments are necessary to protect the Federal fiscal interest, the Secretary may require the agency to make additional assignments in accordance with paragraph (a)(2)(iii) of this section.

(B) In any subsequent fiscal year the loan type recovery rate standard for a loan program must be 90 percent of the average recovery rate of all active guaranty agencies.

(iii) Non-achievement of loan type recovery rate standards.

(A) Unless the Secretary determines under paragraph (a)(2)(iv) of this section that protection of the Federal fiscal interest requires that a lesser amount be assigned, upon notice from the Secretary, an agency with a fiscal year loan type recovery rate described in paragraph (a)(2)(ii) of this section, to cause the fiscal year loan type recovery rate of the agency equal or exceed the average rate of all agencies described in paragraph (a)(2)(ii) of this section when recalculated to exclude from the denominator of the agency's fiscal year loan type recovery rate the amount of these additional loans.

(B) The Secretary, in consultation with the guaranty agency, may require the amount of loans to be assigned under paragraph (a)(2) of this section to include particular categories of loans that share characteristics that make the performance of the agency fall below the appropriate percentage of the loan type recovery rate as described in paragraph (a)(2)(ii) of this section.

(iv) Calculation of loan type recovery rate standards. The Secretary, within 30 days after the date for submission of the second quarterly report from all agencies a mid-year report, showing the recovery rate for each agency and the average recovery rate of all active guaranty agencies for each loan type. In addition, the Secretary, within 120 days after the beginning of each fiscal year, makes available a final report showing those rates and the average rate for
each loan type for the preceding fiscal year.

(3)(i) Determination that the protection of the Federal fiscal interest requires assignments. Upon petition by an agency submitted within 45 days of the notice required by paragraph (a)(2)(iii)(A) of this section, the Secretary may determine that protection of the Federal fiscal interest does not require assignment of all loans described in paragraph (a)(1) of this section or of loans in the full amount described in paragraph (a)(2)(iii) of this section only after review of the agency’s petition. In making this determination, the Secretary considers all relevant information available to him (including any information and documentation obtained by the Secretary in reviews of the agency or submitted to the Secretary by the agency) as follows:

(A) For each of the two fiscal years following the fiscal year in which these regulations are effective, the Secretary considers information presented by an agency with a fiscal year loan type recovery rate above the average rate of all active agencies to demonstrate that the protection of the Federal fiscal interest will be served if any amounts of loans of the loan type required to be assigned to the Secretary under paragraph (a)(1) of this section are retained by that agency. For any subsequent fiscal year, the Secretary considers information presented by an agency with a fiscal year recovery rate 10 percent above the average rate of all active agencies.

(B) The Secretary considers information presented by an agency that is required to assign loans under paragraph (a)(2) of this section to demonstrate that the protection of the Federal fiscal interest will be served if the agency demonstrates that its compliance with § 682.401(b)(4) and § 682.405 has reduced substantially its fiscal year loan type recovery rate or rates or if the agency is not required to assign amounts of loans that would otherwise have to be assigned.

(C) The information provided by an agency pursuant to paragraphs (a)(3)(i)(A) and (B) of this section may include, but is not limited to the following:

1. The fiscal year loan type recovery rate within such school sectors as the Secretary may designate for the agency, and for all agencies.
2. The fiscal year loan type recovery rate for loans for the agency and for all agencies categorized by age of the loans as the Secretary may determine.
3. The performance of the agency, and all agencies, in default aversion.
4. The agency’s performance on judgment enforcement.
5. The existence and use of any state or guaranty agency-specific collection tools.
6. The agency’s level of compliance with §§ 682.409 and 682.410(b)(6).
7. Other factors that may affect loan repayment such as State or regional unemployment and natural disasters.

(ii) Denial of an agency’s petition. If the Secretary does not accept the agency’s petition, the Secretary provides, in writing, to the agency the Secretary’s reasons for concluding that the Federal fiscal interest is best protected by requiring the assignment.

(b)(1) A guaranty agency that assigns a defaulted loan to the Secretary under this section thereby releases all rights and title to that loan. The Secretary does not pay the guaranty agency any compensation for a loan assigned under this section.

(b)(2) The guaranty agency does not share in any amounts received by the Secretary on a loan assigned under this section, regardless of the reinsurance percentage paid on the loan or the agency’s previous collection costs.

(c)(1) A guaranty agency must assign a loan to the Secretary under this section at the time, in the manner, and with the information and documentation that the Secretary requires. The agency must submit this information and documentation in the form (including magnetic media) and format specified by the Secretary.

(2) The guaranty agency shall execute an assignment to the United States of America of all right, title, and interest in the promissory note or judgment evidencing a loan assigned under this section.

(3) If the agency does not provide the required information and documentation in the form and format required
by the Secretary, the Secretary may, at his option—
(i) Allow the agency to revise the agency's submission to include the required information and documentation in the specified form and format;
(ii) In the case of an improperly formatted computer tape, reformat the tape and assess the cost of the activity against the agency;
(iii) Reorganize the material submitted and assess the cost of that activity against the agency; or
(iv) Obtain from other agency records and add to the agency's submission any information from the original submission, and assess the cost of that activity against the agency.
(4) For each loan assigned, the agency shall submit to the Secretary the following documents associated for each loan, assembled in the order listed below:
(i) The promissory note.
(ii) Any documentation of a judgment entered on the loan.
(iii) A written assignment of the loan or judgment, unless this assignment is affixed to the promissory note.
(iv) The loan application.
(v) A payment history for the loan, as described in § 682.414(a)(1)(ii)(C).
(vi) A collection history for the loan, as described in § 682.414(a)(1)(ii)(D).
(5) The agency may submit certified copies of required documents in lieu of originals if no originals exist.
(6) The Secretary may accept the assignment of a loan without all of the documents listed in paragraph (c)(4) of this section. If directed to do so, the agency must retain these documents for submission to the Secretary at some future date.
(d)(1) If the Secretary determines that the agency has not submitted a document or record required by paragraph (c) of this section, and the Secretary decides to allow the agency an additional opportunity to submit the omitted document under paragraph (c)(3)(i) of this section, the Secretary notifies the agency and provides a reasonable period of time for the agency to submit the omitted record or document.
(2) If the omitted document is not submitted within the time specified by the Secretary, the Secretary deter-
mines whether that omission impairs the Secretary's ability to collect the loan.
(3) If the Secretary determines that the ability to collect the loan has been impaired under paragraph (d)(2) of this section, the Secretary assesses the agency the amount paid to the agency under the reinsurance agreement and accrued interest at the rate applicable to the borrower under § 682.410(b)(3).
(4) The Secretary reassigns to the agency that portion of the loan determined to be unenforceable by the Department.

§ 682.410 Fiscal, administrative, and enforcement requirements.
(a) Fiscal requirements—(1) Reserve fund assets. A guaranty agency shall establish and maintain a reserve fund to be used solely for its activities as a guaranty agency under the FFEL Program ("guaranty activities"). The guaranty agency shall credit to the reserve fund—
(i) The total amount of insurance premiums collected;
(ii) Funds received from a State for the agency's guaranty activities, including matching funds under section 422(a) of the Act;
(iii) Federal advances obtained under sections 422(a) and (c) of the Act;
(iv) Federal payments for default, bankruptcy, death, disability, closed schools, and false certification claims;
(v) Supplemental preclaims assistance payments;
(vi) Transitional support payments received under section 458(a) of the Act;
(vii) Funds collected by the guaranty agency on FFEL Program loans on which a claim has been paid;
(viii) Investment earnings on the reserve fund; and
(ix) Other funds received by the guaranty agency from any source for the agency's guaranty activities.
§ 682.410  Uses of reserve fund assets.  A guaranty agency may not use the assets of the reserve fund established under paragraph (a)(1) of this section to pay costs prohibited under § 682.418, but shall use the assets of the reserve fund to pay only—

(i) Insurance claims;

(ii) Costs that are reasonable, as defined under § 682.410(a)(11)(iii), and that are ordinary and necessary for the agency to fulfill its responsibilities under the HEA, including costs of collecting loans, providing preclaims assistance, monitoring enrollment and repayment status, and carrying out any other guaranty activities. Those costs must be—

(A) Allocable to the FFEL Program;

(B) Not higher than the agency would incur under established policies, regulations, and procedures that apply to any comparable non-Federal activities of the guaranty agency;

(C) Not included as a cost or used to meet cost sharing or matching requirements of any other federally supported activity, except as specifically provided by Federal law;

(D) Net of all applicable credits; and

(E) Documented in accordance with applicable legal and accounting standards;

(iii) Lenders for their participation in a loan referral service under section 428(e) of the Act;

(iv) The Secretary’s equitable share of collections;

(v) Federal advances and other funds owed to the Secretary;

(vi) Reinsurance fees;

(vii) Insurance premiums related to cancelled loans;

(viii) Borrower refunds, including those arising out of student or other borrower claims and defenses;

(ix) The repayment, on or after December 29, 1993, of amounts credited under paragraphs (a)(1)(i) or (a)(1)(ix) of this section, if the agency provides the Secretary 30 days prior notice of the repayment and demonstrates that—

(A) These amounts were originally received by the agency under appropriate contemporaneous documentation that receipt was on a temporary basis only; and

(B) The repayment, prior to December 29, 1993, of amounts credited under paragraphs (a)(1)(i) or (a)(1)(ix) of this section, if the agency demonstrates that—

(1) These amounts were originally received by the agency under appropriate contemporaneous documentation that receipt was on a temporary basis only; and

(2) The objective for which these amounts were originally received by the agency has been fully achieved;

(3) Repayment of these amounts would not cause the agency to fail to comply with the minimum reserve levels provided by paragraph (a)(10) of this section, except that the Secretary may, for good cause, provide written permission for a payment that meets the other requirements of this paragraph (a)(2)(ix)(A).

(B) The repayment, prior to December 29, 1993, of amounts credited under paragraphs (a)(1)(i) or (a)(1)(ix) of this section, if the agency demonstrates that—

(1) These amounts were originally received by the agency under appropriate contemporaneous documentation that receipt was on a temporary basis only; and

(2) The objective for which these amounts were originally received by the agency has been fully achieved.

(x) Any other costs or payments ordinary and necessary to perform functions directly related to the agency’s responsibilities under the HEA and for their proper and efficient administration;

(xi) Notwithstanding any other provision of this section, any other payment that was allowed by law or regulation at the time it was made, if the agency acted in good faith when it made the payment or the agency would otherwise be unfairly prejudiced by the non-allowability of the payment at a later time; and

(xii) Any other amounts authorized or directed by the Secretary.

(3) Accounting basis. Except as approved by the Secretary, a guaranty agency shall credit the items listed in paragraph (a)(1) of this section to its reserve fund upon their receipt, without any deferral for accounting purposes, and shall deduct the items listed in paragraph (a)(2) of this section from its reserve fund upon their payment, without any accrual for accounting purposes.

(4) Accounting records. (i) The accounting records of a guaranty agency must reflect the correct amount of sources and uses of funds under paragraph (a) of this section.
(ii) A guaranty agency may reverse prior credits to its reserve fund if—
(A) The agency gives the Secretary prior notice setting forth a detailed justification for the action;
(B) The Secretary determines that such credits were made erroneously and in good faith; and
(C) The Secretary determines that the action would not unfairly prejudice other parties.

(iii) A guaranty agency shall correct any other errors in its accounting or reporting as soon as practicable after the errors become known to the agency.

(iv) If a general reconstruction of a guaranty agency's historical accounting records is necessary to make a change under paragraphs (a)(4)(ii) and (a)(4)(iii) of this section or any other retroactive change to its accounting records, the agency may make this reconstruction only upon prior approval by the Secretary and without any deduction from its reserve fund for the cost of the reconstruction.

(5) Investments. The guaranty agency shall exercise the level of care required of a fiduciary charged with the duty of investing the money of others when it invests the assets of the reserve fund described in paragraph (a)(1) of this section. It may invest these assets only in low-risk securities, such as obligations issued or guaranteed by the United States or a State.

(6) Development of assets. (i) If the guaranty agency uses in a substantial way for purposes other than the agency's guaranty activities any funds required to be credited to the reserve fund under paragraph (a)(1) of this section or any assets derived from the reserve fund to develop an asset of any kind and does not in good faith allocate a portion of the cost of developing and maintaining the developed asset to funds other than the reserve fund, the Secretary may require the agency to—
(A) Correct this allocation under paragraph (a)(4)(iii) of this section; or
(B) Correct the recorded ownership of the asset under paragraph (a)(4)(iii) of this section so that—
(1) If, in a transaction with an unrelated third party, the agency sells or otherwise derives revenue from uses of the asset that are unrelated to the agency's guaranty activities, the agency promptly shall deposit into the reserve fund described in paragraph (a)(1) of this section a percentage of the sale proceeds or revenue equal to the fair percentage of the total development cost of the asset paid with the reserve fund monies or provided by assets derived from the reserve fund; or
(2) If the agency otherwise converts the asset, in whole or in part, to a use unrelated to its guaranty activities, the agency promptly shall deposit into the reserve fund described in paragraph (a)(1) of this section a fair percentage of the fair market value or, in the case of a temporary conversion, the rental value of the portion of the asset employed for the unrelated use.

(ii) If the agency uses funds or assets described in paragraph (a)(6)(i) of this section in the manner described in that paragraph and makes a cost and maintenance allocation erroneously and in good faith, it shall correct the allocation under paragraph (a)(4)(iii) of this section.

(7) Third-party claims. If the guaranty agency has any claim against any other party to recover funds or other assets for the reserve fund, the claim is the property of the United States.

(8) Related-party transactions. All transactions between a guaranty agency and a related organization or other person that involve funds required to be credited to the agency's reserve fund under paragraph (a)(1) of this section or assets derived from the reserve fund must be on terms that are not less advantageous to the reserve fund than would have been negotiated on an arm's-length basis by unrelated parties.

(9) Scope of definition. The provisions of this §682.410(a) define reserve funds and assets for purposes of sections 422 and 428 of the Act. These provisions do not, however, affect the Secretary's authority to use all funds and assets of the agency pursuant to section 428(c)(9)(F)(vi) of the Act.

(10) Minimum reserve fund level. The guaranty agency must maintain a current minimum reserve level of not less than—
(1) 5 percent of the amount of loans outstanding, for the fiscal year of the
§ 682.410 34 CFR Ch. VI (7–1–99 Edition)

agency that begins in calendar year 1993;
(ii) .7 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1994;
(iii) .9 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1995; and
(iv) 1.1 percent of the amount of loans outstanding, for each fiscal year of the agency that begins on or after January 1, 1996.

(11) Definitions. For purposes of this section—
(i) Reserve fund level means—
(A) The total of reserve fund assets as defined in paragraph (a)(1) of this section;
(B) Minus the total amount of the reserve fund assets used in accordance with paragraphs (a)(2) and (a)(3) of this section; and
(ii) Amount of loans outstanding means—
(A) The sum of—
(1) The original principal amount of all loans guaranteed by the agency; and
(2) The original principal amount of any loans on which the guarantee was transferred to the agency from another guarantor, excluding loan guarantees transferred to another agency pursuant to a plan of the Secretary in response to the insolvency of the agency;
(B) Minus the original principal amount of all loans on which—
(1) The loan guarantee was cancelled;
(2) The loan guarantee was transferred to another agency;
(3) Payment in full has been made by the borrower;
(4) Reinsurance coverage has been lost and cannot be regained; and
(5) The agency paid claims.
(iii) Reasonable cost means a cost that, in its nature and amount, does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. The burden of proof is upon the guaranty agency, as a fiduciary under its agreements with the Secretary, to establish that costs are reasonable. In determining reasonableness of a given cost, consideration must be given to—
(A) Whether the cost is of a type generally recognized as ordinary and necessary for the proper and efficient performance and administration of the guaranty agency’s responsibilities under the HEA;
(B) The restraints or requirements imposed by factors such as sound business practices, arms-length bargaining, Federal, State, and other laws and regulations, and the terms and conditions of the guaranty agency’s agreements with the Secretary; and
(C) Market prices of comparable goods or services.

(b) Administrative requirements—(1) Independent audits. The guaranty agency shall arrange for an independent financial and compliance audit of the agency’s FFEL program as follows:
(i) With regard to a guaranty agency that is an agency of a State government, an audit must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, appendix G.
(ii) With regard to a guaranty agency that is a nonprofit organization, an audit must be conducted in accordance with OMB Circular A–133, Audits of Institutions of Higher Education and Other Nonprofit Organizations and 34 CFR 74.61(h)(3). If a nonprofit guaranty agency meets the criteria in Circular A–133 to have a program specific audit, and chooses that option, the program specific audit must meet the following requirements:
(A) The audit must examine the agency’s compliance with the Act, applicable regulations, and agreements entered into under this part.
(B) The audit must examine the agency’s financial management of its FFEL program activities.
(C) The audit must be conducted in accordance with the standards for audits issued by the United States General Accounting Office’s (GAO) Government Auditing Standards. Procedures for audits are contained in an audit guide developed by, and available from, the Office of the Inspector General of the Department.
(D) The audit must be conducted annually and must be submitted to the Secretary within six months of the end of the audit period. The first audit must cover the agency’s activities for a
period that includes July 23, 1992, unless the agency is currently submitting audits on a biennial basis, and the second year of its biennial cycle starts on or before July 23, 1992. Under these circumstances, the agency shall submit a biennial audit that includes July 23, 1992 and submit its next audit as an annual audit.

(2) Collection charges. Whether or not provided for in the borrower’s promissory note and subject to any limitation on the amount of those costs in that note, the guaranty agency shall charge a borrower an amount equal to reasonable costs incurred by the agency in collecting a loan on which the agency has paid a default or bankruptcy claim. These costs may include, but are not limited to, all attorney’s fees, collection agency charges, and court costs. Except as provided in §§682.401(b)(27) and 682.405(b)(1)(iv), the amount charged a borrower must equal the lesser of—

(i) The amount the same borrower would be charged for the cost of collection under the formula in 34 CFR 30.60; or

(ii) The amount the same borrower would be charged for the cost of collection if the loan was held by the U.S. Department of Education.

(3) Interest charged by guaranty agencies. The guaranty agency shall charge the borrower interest on the amount owed by the borrower after the capitalization required under paragraph (b)(4) of this section has occurred at a rate that is the greater of—

(i) The rate established by the terms of the borrower’s original promissory note; or

(ii) In the case of a loan for which a judgment has been obtained, the rate provided for by State law.

(4) Capitalization of unpaid interest. The guaranty agency shall capitalize any unpaid interest due the lender from the borrower at the time the agency pays a default claim to the lender.

(5) Credit bureau reports. (i) After the completion of the procedures in paragraph (b)(5)(ii) of this section, the guaranty agency shall, after it has paid a default claim, report promptly, but not less than sixty days after completion of the procedures in paragraph (b)(6)(iii) of this section, and on a regular basis, to all national credit bureaus—

(A) The total amount of loans made to the borrower and the remaining balance of those loans;

(B) The date of default;

(C) Information concerning collection of the loan, including the repayment status of the loan;

(D) Any changes or corrections in the information reported by the agency that result from information received after the initial report; and

(E) The date the loan is fully repaid by or on behalf of the borrower or discharged by reason of the borrower’s death, bankruptcy, total and permanent disability, or closed school or false certification.

(ii) The guaranty agency, after it pays a default claim on a loan but before it reports the default to a credit bureau or assesses collection costs against a borrower, shall, within the timeframe specified in paragraph (b)(6)(ii) of this section, provide the borrower with—

(A) Written notice that meets the requirements of paragraph (b)(5)(vi) of this section regarding the proposed actions;

(B) An opportunity to inspect and copy agency records pertaining to the loan obligation;

(C) An opportunity for an administrative review of the legal enforceability or past-due status of the loan obligation; and

(D) An opportunity to enter into a repayment agreement on terms satisfactory to the agency.

(iii) The procedures set forth in 34 CFR 30.20–30.33 (administrative offset) satisfy the requirements of paragraph (b)(5)(ii) of this section.

(iv) (A) In response to a request submitted by a borrower, after the deadlines established under agency rules, for access to records, an administrative review, or for an opportunity to enter into a repayment agreement, the agency shall provide the requested relief but may continue reporting the debt to credit bureaus until it determines that the loan obligation is not legally enforceable or that alternative repayment arrangements satisfactory to the
agency have been made with the borrower.

(B) The deadline established by the agency for requesting administrative review under paragraph (b)(5)(ii)(C) of this section must allow the borrower at least 60 days from the date the notice described in paragraph (b)(5)(ii)(A) of this section is sent to request that review.

(v) An agency may not permit an employee, official, or agent to conduct the administrative review required under this paragraph if that individual is—

(A) Employed in an organizational component of the agency or its agent that is charged with collection of loan obligations; or

(B) Compensated on the basis of collections on loan obligations.

(vi) The notice sent by the agency under paragraph (b)(5)(ii)(A) of this section must—

(A) Advise the borrower that the agency has paid a default claim filed by the lender and has taken assignment of the loan;

(B) Identify the lender that made the loan and the school for attendance at which the loan was made;

(C) State the outstanding principal, accrued interest, and any other charges then owing on the loan;

(D) Demand that the borrower immediately begin repayment of the loan;

(E) Explain the rate of interest that will accrue on the loan, that all costs incurred to collect the loan will be charged to the borrower, the authority for assessing these costs, and the manner in which the agency will calculate the amount of these costs;

(F) Notify the borrower that the agency will report the default to all national credit bureaus to the detriment of the borrower's credit rating;

(G) Explain the opportunities available to the borrower under agency rules to request access to the agency’s records on the loan, to request an administrative review of the legal enforceability or past-due status of the loan, and to reach an agreement on repayment terms satisfactory to the agency to prevent the agency from reporting the loan as defaulted to credit bureaus; and provide deadlines and method for requesting this relief;

(H) Unless the agency uses a separate notice to advise the borrower regarding other proposed enforcement actions, describe specifically any other enforcement action, such as offset against Federal or state income tax refunds or wage garnishment that the agency intends to use to collect the debt, and explain the procedures available to the borrower prior to those other enforcement actions for access to records, for an administrative review, or for agreement to alternative repayment terms;

(I) Describe the grounds on which the borrower may object that the loan obligation as stated in the notice is not a legally enforceable debt owed by the borrower;

(J) Describe any appeal rights available to the borrower from an adverse decision on administrative review of the loan obligation;

(K) Describe any right to judicial review of an adverse decision by the agency regarding the legal enforceability or past-due status of the loan obligation; and

(L) Describe the collection actions that the agency may take in the future if those presently proposed do not result in repayment of the loan obligation, including the filing of a lawsuit against the borrower by the agency and assignment of the loan to the Secretary for the filing of a lawsuit against the borrower by the Federal Government.

(6) Collection efforts on defaulted loans.

(i) A guaranty agency shall engage in at least the collection activities described in paragraphs (b)(6) (iii) through (xii) of this section on a loan on which it pays a default claim filed by a lender, and shall attempt an annual IRS offset on each eligible loan, except that the agency may engage in the collection activities described in paragraph (b)(7) of this section in lieu of the activities described in paragraphs (b)(6) (iii) through (vi) of this section.

If, after initiating wage garnishment procedures, the agency terminates those procedures for a particular borrower, the agency shall, within 30 days, commence collection efforts at least as forceful as those described in paragraphs (b)(6) (iii) through (xii) of this section. The agency’s collection efforts
shall begin with the same collection activities as those that immediately preceded the initiation of garnishment procedures, or, if no collection activities had been performed, the agency shall begin with the activities described in paragraph (b)(6)(iii) of this section, except that the agency may engage in the collection activities described in paragraph (b)(7) of this section in lieu of the activities described in paragraphs (b)(6)(iii) through (vi) of this section.

(ii)(A) The periods of time set forth in paragraphs (b)(6)(iii)-(xii) and (b)(7) of this section refer to the number of days that elapse from the date the agency pays a default claim on a loan or on multiple loans for a borrower. These periods of time do not include any periods during which the agency is engaged in activities related to administrative wage garnishment, or is receiving a payment through garnishment at least once every 60 days, or during which the agency is engaged in an administrative review of the borrower’s indebtedness on the loan pursuant to a request by the borrower under paragraph (b)(5)(iv) of this section during the period specified for this review in paragraph (b)(5)(iv)(B). References to the “borrower” in this paragraph and paragraph (b)(7) of this section include all endorsers on a loan.

(B) The agency may institute a civil suit against the borrower earlier than the first day of the period described in paragraph (b)(6)(iv) of this section during the period specified for this review in paragraph (b)(5)(iv)(B). References to the “lender” understood to mean “the agency”, to demand payment of the loan.

(iv) 46-180 days: During this period the agency shall—

(A) Send to the borrower the written notice described in paragraph (b)(5)(ii) of this section, and a written notice stating that the agency either will initiate procedures to garnish the borrower’s wages, or institute a civil suit to compel repayment of the amount that the borrower owes plus related collection costs; and

(B) Diligently attempt to contact the borrower by telephone, as defined in §682.411(1) (with references to “the lender” understood to mean “the agency”), to demand payment of the loan.

(v) At no point during the periods described in paragraphs (b)(6)(iii) and (b)(7) of this section may the agency permit the occurrence of a gap in collection activity of more than 60 days.
For purposes of paragraph (b)(6)(v) of this section, the term gap in collection activity means, with respect to a loan, any period—

(A) Beginning on the date that is the day after—

(1) The date the agency paid a default claim to the lender thereon;

(2) The day on which the agency receives the correct address for a borrower who has made no payment in the preceding 60 days;

(3) The day on which the agency completes a collection activity as defined in §682.411(k) (1) through (3) (with references to “the lender” therein understood to mean “the agency’’); or

(4) The day on which the agency received a payment on a loan that remains in default notwithstanding the payment; and

(B) Ending on the date of the earliest of—

(1) The day on which the agency receives the first subsequent payment;

(2) The day on which the agency begins the first subsequent collection activity as defined in §682.411(k) (1), (2), (3), and (5) (with references to the “lender” understood to mean “the agency’’); or

(3) The last day of the period described in paragraph (b)(6)(iv) of this section.

After 181 days:

(A) Except as provided in paragraph (b)(6)(vii)(B) of this section, during this period but not sooner than 30 days after sending the notice described in paragraph (b)(5)(vi) of this section, the agency shall initiate proceedings to offset the borrower’s state and Federal income tax refunds and other payments made by the Federal Government to a borrower, and shall initiate administrative wage garnishment proceedings against the borrower by the 225th day. If the agency determines that the borrower has insufficient income to satisfy the debt through wage garnishment, but has assets from which the debt can be satisfied, the agency shall assign the loan to the Department. The agency must not file suit to collect a loan from a borrower unless directed to do so by the Secretary.

(B) The agency need not initiate administrative wage garnishment if the agency determines and documents in the borrower’s file that the borrower does not have sufficient income to satisfy the debt or a substantial portion thereof.

(1) The cost of litigation would exceed the likely recovery if litigation was begun; or

(2) The borrower does not have the means to satisfy a judgment on the debt or a substantial portion thereof.

(B) If the agency determines that the borrower has acquired income or assets attachable under applicable law to fully satisfy the administrative wage garnishment order or judgment is renewed as permitted by applicable law. If, despite diligent attempts, the agency cannot recover the full amount of the debt because the borrower lacks sufficient income or assets attachable under applicable law to fully satisfy the administrative wage garnishment order or judgment.

(A) The agency shall attempt diligently to enforce an administrative wage garnishment order or a judgment obtained against a borrower on a loan and shall ensure that the administrative wage garnishment order or judgment is renewed as permitted by applicable law. If, despite diligent attempts, the agency cannot recover the full amount of the debt because the borrower lacks sufficient income or assets attachable under applicable law to fully satisfy the administrative wage garnishment order or judgment.
the remainder of the debt, the agency, not later than 60 days thereafter, shall notify the borrower in writing of its intention to initiate administrative wage garnishment or resume enforcement efforts unless the borrower makes payment in full of all outstanding amounts.

(C) If the borrower does not make payment in full within 30 days of the date the agency sends the notice described in paragraph (b)(6)(ix)(B) of this section, the agency, within 30 days thereafter, shall proceed to enforce the administrative wage garnishment or remainder of the judgment.

(x) The agency may discontinue conducting the semi-annual inquiries concerning a borrower’s means required by paragraphs (b)(6)(viii) and (ix) of this section only in accordance with criteria and procedures approved by the Secretary.

(b)(6)(xi) [Reserved]

(xii) Not later than 10 days after its receipt of information indicating that it does not know the current address of a borrower on a loan on which the agency has neither declined to initiate administrative wage garnishment under paragraph (b)(6)(viii) of this section nor discontinued semi-annual inquiries under paragraph (b)(6)(x) of this section, (or the 60th day after its payment of a default claim on the loan, whichever is later), the agency shall attempt diligently to locate the borrower through the use of all available skip-tracing techniques, including, but not limited to, any skip-tracing assistance available from the IRS, credit bureaus, and state motor vehicle departments. A guaranty agency shall use any information provided by a school about a borrower’s location in conducting skip-tracing activities.

(7) Alternative collection procedures for defaulted loans. (i) A guaranty agency may engage in the following collection activities in lieu of the activities described in paragraphs (b)(6)(iii)-(vi) of this section. The regulations in paragraphs (b)(6)(ii) (A) and (B) of this section apply to the periods of time set forth in paragraphs (b)(7)(iii)-(v) of this section.

(ii) Upon receipt of a payment from a borrower, the agency is not required to follow the specific collection efforts described in paragraphs (b)(7)(iii)-(v) of this section but shall diligently attempt to collect the loan for 60 days following receipt of the payment. If the agency receives no payments during the 60-day period, the agency shall resume its use of the collection efforts described in paragraphs (b)(7)(iii)-(v) of this section, treating the first day after the end of the 60-day period as the first day of the period described in paragraph (b)(7)(iv) of this section.

(iii) 1-30 days: During this period the agency shall send to the borrower the written notice described in paragraph (b)(5)(ii) of this section.

(iv)(A) 31-180 days: During this period the guaranty agency shall attempt diligently to collect the loan using such collection tools and activities as it deems appropriate, provided, however, that the agency must make at least one diligent effort to contact the borrower by telephone, as defined in §682.411(l) (with references to “the lender” understood to mean “the agency”), and send at least two forceful collection letters to the borrower.

(B) By the end of this period, the agency shall make the initial referral of the loan to a collection contractor in accordance with paragraph (b)(7)(iv)(C) of this section.

(C) The collection contractor to whom the agency refers a loan under paragraph (b)(7)(iv)(B) of this section must—

1. Be compensated for its services on all FFEL loans referred by the agency solely on a contingency fee basis;
2. Be one of at least two collection contractors simultaneously providing collection services to the agency on FFEL loans under a competitive system that the agency has established and that includes the periodic assessment by the agency of the performance of the competing contractors and periodic adjustments in the volume of loans referred by the agency to each competing contractor based on those assessments; and
3. Not receive referral of more than 70 percent of the agency’s referred loans in any calendar year.

(v) Notwithstanding the deadline for instituting a civil suit set forth in paragraph (b)(6)(vii) of this section, an agency that uses the procedures in
paragraphs (b)(7)(i)–(iv) of this section shall institute a civil suit required by that paragraph prior to the earliest of—

(A) The 90th day following the collection contractor’s return of the loan to the agency; or

(B) The 365th day following the later of the agency’s referral of the loan to the collection contractor, or the contractor’s receipt of a payment on the loan.

(B) Special conditions for agency payment of a claim. (i) A guaranty agency may adopt a policy under which it pays a claim to a lender on a loan under the conditions described in § 682.509(a)(1).

(ii) Upon the payment of a claim under a policy described in paragraph (b)(8)(i) of this section, the guaranty agency shall—

(A) Perform the loan servicing functions required of a lender under § 682.208, except that the agency is not required to follow the credit bureau reporting requirements of that section;

(B) Perform the functions of the lender during the repayment period of the loan, as required under § 682.209;

(C) If the borrower is delinquent in repaying the loan at the time the agency pays a claim thereon to the lender or becomes delinquent while the agency holds the loan, exercise due diligence in accordance with § 682.411 in attempting to collect the loan from the borrower and any endorser or co-maker; and

(D) After the date of default on the loan, if any, comply with paragraph (b)(6)(i) of this section with respect to collection activities on the loan, with the date of default treated as the claim payment date for purposes of those paragraphs.

(9) Preemption of State law. The provisions of paragraphs (b) (2), (5), (6), and (7) of this section preempt any State law, including State statutes, regulations, or rules, that would conflict with or hinder satisfaction of the requirements of these provisions.

(10) Administrative Garnishment. (i) If a guaranty agency decides to garnish the disposable pay of a borrower who is not making payments on a loan held by the agency, on which the Secretary has paid a reinsurance claim, it shall do so in accordance with the following procedures:

(A) The employer shall deduct and pay to the agency from a borrower’s wages an amount that does not exceed the lesser of 10 percent of the borrower’s disposable pay for each pay period or the amount permitted by 15 U.S.C. 1673, unless the borrower provides the agency with written consent to deduct a greater amount. For this purpose, the term “disposable pay” means that part of the borrower’s compensation from an employer remaining after the deduction of any amounts required by law to be withheld.

(B) At least 30 days before the initiation of garnishment proceedings, the guaranty agency shall mail to the borrower’s last known address, a written notice of the nature and amount of the debt, the intention of the agency to initiate proceedings to collect the debt through deductions from pay, and an explanation of the borrower’s rights.

(C) The guaranty agency shall offer the borrower an opportunity to inspect and copy agency records related to the debt.

(D) The guaranty agency shall offer the borrower an opportunity to enter into a written repayment agreement with the agency under terms agreeable to the agency.

(E) The guaranty agency shall offer the borrower an opportunity for a hearing in accordance with paragraph (b)(10)(i)(j) of this section concerning the existence or the amount of the debt and, in the case of a borrower whose proposed repayment schedule under the garnishment order is established other than by a written agreement under paragraph (b)(10)(i)(D) of this section, the terms of the repayment schedule.

(F) The guaranty agency shall sue any employer for any amount that the employer, after receipt of the garnishment notice provided by the agency under paragraph (b)(10)(i)(H) of this section, fails to withhold from wages owed and payable to an employee under the employer’s normal pay and disbursement cycle.

(G) The guaranty agency may not garnish the wages of a borrower whom
it knows has been involuntarily separated from employment until the borrower has been reemployed continuously for at least 12 months.

(H) Unless the guaranty agency receives information that the agency believes justifies a delay or cancellation of the withholding order, it shall send a withholding order to the employer within 20 days after the borrower fails to make a timely request for a hearing, or, if a timely request for a hearing is made by the borrower, within 20 days after a final decision is made by the agency to proceed with garnishment.

(I) The notice given to the employer under paragraph (b)(10)(i)(H) of this section must contain only the information as may be necessary for the employer to comply with the withholding order.

(J) The guaranty agency shall provide a hearing, which, at the borrower's option, may be oral or written, if the borrower submits a written request for a hearing on the existence or amount of the debt or the terms of the repayment schedule. The time and location of the hearing shall be established by the agency. An oral hearing may, at the borrower's option, be conducted either in-person or by telephone conference. All telephonic charges must be the responsibility of the guaranty agency.

(K) If the borrower's written request is received by the guaranty agency on or before the 15th day following the borrower's receipt of the notice described in paragraph (b)(10)(i)(B) of this section, the guaranty agency may not issue a withholding order until the borrower has been provided the requested hearing. For purposes of this paragraph, in the absence of evidence to the contrary, a borrower shall be considered to have received the notice described in paragraph (b)(10)(i)(B) of this section 5 days after it was mailed by the agency.

(M) The hearing official appointed by the agency to conduct the hearing may be any qualified individual, including an administrative law judge, not under the supervision or control of the head of the guaranty agency.

(N) The guaranty agency shall issue a final written decision at the earliest practicable date, but not later than 60 days after the guaranty agency's receipt of the borrower's hearing request.

(O) As specified in section 488A(a)(8) of the HEA, the borrower may seek judicial relief, including punitive damages, if the employer discharges, refuses to employ, or takes disciplinary action against the borrower due to the issuance of a withholding order.

(ii) References to "the borrower" in this paragraph include all endorsers on a loan.

(11) Conflicts of interest. (i) A guaranty agency shall maintain and enforce written standards of conduct governing the performance of its employees, officers, directors, trustees, and agents engaged in the selection, award, and administration of contracts or agreements. The standards of conduct must, at a minimum, require disclosure of financial or other interests and must mandate disinterested decision-making. The standards must provide for appropriate disciplinary actions to be applied for violations of the standards by employees, officers, directors, trustees, or agents of the guaranty agency, and must include provisions to—
(A) Prohibit any employee, officer, director, trustee, or agent from participating in the selection, award, or decision-making related to the administration of a contract or agreement supported by the reserve fund described in paragraph (a) of this section, if that participation would create a conflict of interest. Such a conflict would arise if the employee, officer, director, trustee, or agent, or any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of those parties has a financial or ownership interest in the organization selected for an award or would benefit from the decision made in the administration of the contract or agreement. The prohibitions described in this paragraph do not apply to employees of a State agency covered by codes of conduct established under State law;

(B) Ensure sufficient separation of responsibility and authority between its lender claims processing as a guaranty agency and its lending or loan servicing activities, or both, within the guaranty agency or between that agency and one or more affiliates, including independence in direct reporting requirements and such management and systems controls as may be necessary to demonstrate, in the independent audit required under §682.410(b)(1), that claims filed by another arm of the guaranty agency or by an affiliate of that agency receive no more favorable treatment than that accorded the claims filed by a lender or servicer that is not an affiliate or part of the guaranty agency; and

(C) Prohibit the employees, officers, directors, trustees, and agents of the guaranty agency, his or her partner, or any member of his or her immediate family, from soliciting or accepting gratuities, favors, or anything of monetary value from contractors or parties to agreements, except that nominal and unsolicited gratuities, favors, or items may be accepted.

(ii) Guaranty agency restructuring. If the Secretary determines that action is necessary to protect the Federal fiscal interest because of an agency’s failure to meet the requirements of §682.410(b)(11)(i), the Secretary may require the agency to comply with any additional measures that the Secretary believes are appropriate, including the total divestiture of the agency’s non-FFEL functions and the agency’s interests in any affiliated organization.

(c) Enforcement requirements. A guaranty agency shall take such measures and establish such controls as are necessary to ensure its vigorous enforcement of all Federal, State, and guaranty agency requirements, including agreements, applicable to its loan guarantee program, including, at a minimum, the following:

1. Conducting comprehensive biennial on-site program reviews, using statistically valid techniques to calculate liabilities to the Secretary that each review indicates may exist, of at least—

   (i)(A) Each participating lender whose dollar volume of FFEL loans made or held by the lender and guaranteed by the agency in the preceding year—

   (1) Equaled or exceeded two percent of the total of all loans guaranteed in that year by the agency;

   (2) Was one of the ten largest lenders whose loans were guaranteed in that year by the agency; or

   (3) Equaled or exceeded $10 million in the most recent fiscal year;

   (B) Each lender described in section 435(d)(1)(D) or (J) of the Act that is located in any State in which the agency is the principal guarantor as defined in §682.800(d), and, at the option of each guaranty agency, the Student Loan Marketing Association; and

   (C) Each participating school, located in a State for which the guaranty agency is the principal guaranty agency, that has a cohort default rate, as defined in 34 CFR 668.15, for either of the two immediately preceding fiscal years, as defined in §668.15, that exceeds 20 percent, unless the school is under a mandate from the Secretary under §668.15 to take specific default reduction measures or if the total dollar amount of loans entering repayment in each fiscal year on which the default rate over 20 percent is based does not exceed $100,000; or

   (ii) The schools and lenders selected by the agency as an alternative to the reviews required by paragraphs
(c)(1)(A)-(C) of this section if the Secretary approves the agency’s proposed alternative selection methodology.

(2) Demanding prompt repayment by the responsible parties to lenders, borrowers, the agency, or the Secretary, as appropriate, of all funds found in those reviews to be owed by the participants with regard to loans guaranteed by the agency, whether or not the agency holds the loans, and monitoring the implementation by participants of corrective actions, including those repayments, required by the agency as a result of those reviews.

(3) Referring to the Secretary for further enforcement action any case in which repayment of funds to the Secretary is not made in full within 60 days of the date of the agency’s written demand to the school, lender, or other party for payment, together with all supporting documentation, any correspondence, and any other documentation submitted by that party regarding the repayment.

(4) Adopting procedures for identifying fraudulent loan applications.

(5) Undertaking or arranging with State or local law enforcement agencies for the prompt and thorough investigation of all allegations and indications of criminal or other programmatic misconduct by its program participants, including violations of Federal law or regulations.

(6) Promptly referring to appropriate State and local regulatory agencies and to nationally recognized accrediting agencies and associations for investigation information received by the guaranty agency that may affect the retention or renewal of the license or accreditation of a program participant.

(7) Promptly reporting all of the allegations and indications of misconduct having a substantial basis in fact, and the scope, progress, and results of the agency’s investigations thereof to the Secretary.

(8) Referring appropriate cases to State or local authorities for criminal prosecution or civil litigation.

(9) Promptly notifying the Secretary of—

(i) Any action it takes affecting the FFEL program eligibility of a participating lender or school;

(ii) Information it receives regarding an action affecting the FFEL program eligibility of a participating lender or school taken by a nationally recognized accrediting agency, association, or a State licensing agency;

(iii) Any judicial or administrative proceeding relating to the enforceability of FFEL loans guaranteed by the agency or in which tuition obligations of a school’s students are directly at issue, other than a proceeding relating to a single borrower or student; and

(iv) Any petition for relief in bankruptcy, application for receivership, or corporate dissolution proceeding brought by or against a school or lender participating in its loan guarantee program.

(10) Cooperating with all program reviews, investigations, and audits conducted by the Secretary relating to the agency’s loan guarantee program.

(11) Taking prompt action to protect the rights of borrowers and the Federal fiscal interest respecting loans that the agency has guaranteed when the agency learns that a participating school or holder of loans is experiencing problems that threaten the solvency of the school or holder, including—

(i) Conducting on-site program reviews;

(ii) Providing training and technical assistance, if appropriate;

(iii) Filing a proof of claim with a bankruptcy court for recovery of any funds due the agency and any refunds due to borrowers on FFEL loans that it has guaranteed when the agency learns that a school has filed a bankruptcy petition;

(iv) Promptly notifying the Secretary that the agency has determined that a school or holder of loans is experiencing potential solvency problems; and

(v) Promptly notifying the Secretary of the results of any actions taken by
§ 682.411 Due diligence by lenders in the collection of guaranty agency loans.

(a) General. In the event of delinquency on a FFEL program loan, the lender shall engage in at least the collection efforts described in paragraphs (c)–(m) of this section, except that in the case of a loan made to a borrower who is incarcerated or to a borrower residing outside a State, Mexico, or Canada, the lender may send a forceful collection letter in lieu of each telephone effort required by this section.

(b) Delinquency. (1) For purposes of this section, delinquency on a loan begins on the first day after the due date of the first missed payment which is not later made. The due date of the first payment is established by the lender but must occur by the deadlines specified in § 682.209(a), or, if the lender first learns after the fact that the borrower has entered the repayment period, no later than 75 days after the day the lender so learns, except as provided in § 682.209(a)(2)(v) and (a)(3)(ii)(E). If a payment is made late, the first day of delinquency is the day after the due date of the next missed payment which is not later made. A payment that is within five dollars of the amount normally required to advance the due date may nevertheless advance the due date if the lender’s procedures allow for that advancement.

(2) At no point during the periods specified in paragraphs (c) and (d) of this section may the lender permit the occurrence of a gap in collection activity, as defined in paragraph (i) of this section, of more than 45 days (60 days in the case of a transfer).

(c) 1-15 days delinquent: Except in the case where a loan is brought into this period by a payment on the loan, expiration of an authorized deferment or forbearance period, or the lender’s receipt from the drawee of a dishonored check submitted as a payment on the loan, the lender during this period shall send at least one written notice or collection letter to the borrower informing the borrower of the delinquency and urging the borrower to make payments sufficient to eliminate the delinquency. The notice or collection letter sent during this period must include, at a minimum, a lender/servicer contact and telephone number, and a prominent statement informing the borrower that assistance may be available if he or she is experiencing difficulty in making a scheduled payment.

(d) 16-180 days delinquent (16-240 days delinquent for a loan repayable in installments less frequent than monthly): (1) Unless exempted under paragraph (d)(4) of this section, during this period the lender shall engage in at least four diligent efforts to contact the borrower by telephone and send at least four collection letters urging the borrower to make the required payments on the loan. At least one of the diligent efforts to contact the borrower by phone must occur before, and another one must occur after, the 90th day of delinquency. The collection letters sent during this period must include, at a minimum, information for the borrower regarding deferment, forbearance, income-sensitive repayment and loan consolidation and other available options to avoid default.

(2) At least two of the collection letters required under paragraph (d)(1) of this section must warn the borrower that if the loan is not paid, the lender will assign the loan to the guaranty agency that, in turn, will report the default to all national credit bureaus, and that the agency may institute proceedings to offset the borrower’s state and Federal income tax refunds and other payments made by the Federal Government to a borrower or to garnish the borrower’s wages, or assign the loan to the Federal Government for litigation against the borrower.

(3) Following the lender’s receipt of a payment on the loan or a correct address for the borrower, the lender’s receipt from the drawee of a dishonored
check received as a payment on the loan; the lender’s receipt of a correct telephone number for the borrower; or the expiration of an authorized deferment or forbearance period, the lender is required to engage in only—

(i) Two diligent efforts to contact the borrower by telephone during this period, if the loan is less than 91 days delinquent (121 days delinquent for a loan repayable in installments less frequent than monthly) upon receipt of the payment, correct address, correct telephone number, or returned check, or expiration of the deferment or forbearance; or

(ii) One diligent effort to contact the borrower by telephone if the loan is 91-120 days delinquent (121-180 days delinquent for a loan repayable in installments less frequent than monthly) upon receipt of the payment, correct address, correct telephone number, or returned check, or expiration of the deferment of forbearance.

(4) A lender need not attempt to contact by telephone any borrower—

(i) Who is incarcerated;

(ii) Who is residing outside of a State, Mexico or Canada;

(iii) Whose telephone number is unknown;

(iv) Who is more than 120 days delinquent (180 days delinquent for a loan repayable in installments less frequent than monthly) following the lender’s receipt of—

(A) A payment on the loan;

(B) A correct address, or correct telephone number for the borrower;

(C) A dishonored check received from the drawee as a payment on the loan; or

(D) The expiration of an authorized deferment or forbearance.

(e) Final demand. On or after the 151st day of delinquency, (the 211th day for loans repayable in less frequent installments than monthly) the lender shall send a final demand letter to the borrower requiring repayment of the loan in full and notifying the borrower that a default will be reported to a national credit bureau. The lender shall allow the borrower at least 30 days after the date the letter is mailed to respond to the final demand letter and to bring the loan out of default before filing a default claim on the loan.

(f) Collection procedures when borrower’s telephone number is not available. Upon completion of a diligent but unsuccessful effort to ascertain the correct telephone number of a borrower as required by paragraph (l)(1)(i) of this section, the lender is excused from any further efforts to contact the borrower by telephone during the delinquency period in which the unsuccessful effort was made, unless the borrower’s number is obtained before the 120th day of delinquency (the 150th day for loans payable repayable in installments less frequent than monthly).

(g) Skip-tracing. (1) Unless the letter specified under paragraph (e) of this section has already been sent, within 10 days of its receipt of information indicating that it does not know the borrower’s current address, the lender shall begin to diligently attempt to locate the borrower through the use of normal commercial skip-tracing techniques. These efforts must include, but are not limited to, making a diligent effort to contact each endorser, relative, reference, and individual and entity identified in the borrower’s loan file. For this purpose, a lender’s contact with a school official who might reasonably be expected to know the borrower’s address may be with someone other than the financial aid administrator identified on the loan application and may be in writing or by phone calls. These efforts must be completed by the date of default with no gap of more than 45 days between attempts to contact those individuals or entities.

(2) Upon receipt of information indicating that it does not know the borrower’s current address, the lender shall discontinue the collection efforts described in paragraphs (c)-(e) of this section.

(3) If the lender is unable to ascertain the borrower’s current address despite its performance of the activities described in paragraph (g)(1) of this section, the lender is excused thereafter from performance of the collection activities described in paragraphs (c)-(e) and (k)(1) through (k)(3) and (k)(5) of this section unless it receives communication indicating the borrower’s address before the 151st day of delinquency (the 211th day for loans payable repayable in less frequent than monthly).
§ 682.411

34 CFR Ch. VI (7–1–99 Edition)

in less frequent installments than monthly).

(4) The activities specified by paragraphs (l)(1)(i) or (ii) of this section (with references to “the borrower” understood to mean endorser, reference, relative, individual or entity as appropriate) meet the requirement that the lender make a diligent effort to contact each individual identified in the borrower’s loan file.

(h) Preclaims assistance. The lender shall request preclaims assistance from the agency that guaranteed the loan within 10 days before or after the date established by the agency that assistance is first available from the agency.

(i) Gap in collection activity. For purposes of this section, the term “gap in collection activity” means, with respect to a loan, any period—

(1) Beginning on the date that is the day after—

(i) The due date of a payment unless the lender does not know the borrower’s address on that date;

(ii) The day on which the lender receives a payment on a loan that remains delinquent notwithstanding the payment;

(iii) The day on which the lender receives the correct address for a delinquent borrower;

(iv) The day on which the lender completes a collection activity;

(v) The day on which the lender receives a dishonored check submitted as a payment on the loan;

(vi) The expiration of an authorized deferment or forbearance period on a delinquent loan; or

(vii) The day the lender receives information indicating it does not know the borrower’s current address; and

(2) Ending on the date of the earliest of—

(i) The day on which the lender receives the first subsequent payment or completed deferment request or forbearance agreement;

(ii) The day on which the lender begins the first subsequent collection activity;

(iii) The day on which the lender receives written communication from the borrower relating to his or her account; or

(iv) Default.

(j) Transfer. For purposes of this section, the term “transfer” with respect to a loan means any action, including, but not limited to, the sale of the loan, that results in a change in the system used to monitor or conduct collection activity on a loan from one system to another.

(k) Collection activity. For purposes of this section, the term “collection activity” with respect to a loan means—

(1) Mailing or otherwise transmitting to the borrower at an address that the lender reasonably believes to be the borrower’s current address a collection letter or final demand letter that satisfies the timing and content requirements of paragraphs (c), (d), or (e) of this section;

(2) Making an attempt to contact the borrower by telephone to urge the borrower to begin or resume repayment;

(3) Conducting skip-tracing efforts, in accordance with paragraph (g)(1) of this section, to locate a borrower whose correct address or telephone number is unknown to the lender;

(4) Mailing or otherwise transmitting to the guaranty agency a request for preclaims assistance available from the agency on the loan at the time the request is transmitted; or

(5) Any telephone discussion or personal contact with the borrower so long as the borrower is apprised of the account’s past-due status.

(l) “Diligent effort” for telephone contact. (1) For purposes of this section, the term “diligent effort” with respect to telephone contact means—

(i) A successful effort to contact the borrower by telephone;

(ii) At least two unsuccessful attempts to contact the borrower by telephone at a number that the lender reasonably believes to be the borrower’s correct telephone number; or

(iii) An unsuccessful effort to ascertain the correct telephone number of a borrower, including, but not limited to, a directory assistance inquiry as to the borrower’s telephone number, and a
§ 682.412 \textbf{Consequences of the failure of a borrower or student to establish eligibility.}

(a) The lender shall immediately send to the borrower a final demand letter meeting the requirements of §682.411(e) when it learns and can substantiate that the borrower or the student on whose behalf a parent has borrowed, without the lender or school's knowledge at the time the loan was made, provided false or erroneous information or took actions that caused the student or borrower—

(1) To be ineligible for all or a portion of a loan made under this part;

(2) To receive a Stafford loan subject to payment of Federal interest benefits as provided under §682.301 for which he or she was ineligible; or

(3) To receive loan proceeds for a period of enrollment from which he or she has withdrawn or been expelled prior to the first day of classes or during which he or she failed to attend school and has not paid those funds to the school or repaid them to the lender.

(b) The lender shall neither bill the Secretary for nor be entitled to interest benefits on a loan after it learns
that one of the conditions described in paragraph (a) of this section exists with respect to the loan.

(c) In the final demand letter transmitted under paragraph (a) of this section, the lender shall demand that within 30 days from the date the letter is mailed the borrower repay in full any principal amount for which the borrower is ineligible and any accrued interest, including interest and all special allowance paid by the Secretary.

(d) If the borrower repays the amounts described in paragraph (c) of this section within the 30-day period, the lender shall—

(1) On its next quarterly interest billing submitted under § 682.305, refund to the Secretary the interest benefits and special allowance paid by the borrower and all other interest benefits and special allowance previously paid by the Secretary on the ineligible portion of the loan; and

(2) Treat that payment of the principal amount of the ineligible portion of the loan as a prepayment of principal.

(e) If a borrower fails to comply with the terms of a final demand letter described in paragraph (a) of this section, the lender shall treat the entire loan as in default, and—

(1) With its next quarterly interest billing submitted under § 682.305, refund to the Secretary the amount of the interest benefits received from the Secretary on the ineligible portion of the loan, whether or not repaid by the borrower; and

(2) Within the time specified in § 682.406(a)(5), file a default claim thereon with the guaranty agency for the entire unpaid balance of principal and accrued interest.

§ 682.413 Remedial actions.

(a)(1) The Secretary requires a lender and its third-party servicer administering any aspect of the FFEL programs under a contract with the lender to repay interest benefits and special allowance or other compensation received on a loan guaranteed by a guaranty agency, pursuant to paragraph (a)(2) of this section—

(i) For any period beginning on the date of a failure by the lender or servicer, with respect to the loan, to comply with any of the requirements set forth in § 682.406(a)(1)-(a)(6), (a)(9), and (a)(12);

(ii) For any period beginning on the date of a failure by the lender or servicer, with respect to the loan, to meet a condition of guarantee coverage established by the guaranty agency, to the date, if any, on which the guaranty agency reinstated the guarantee coverage pursuant to policies and procedures established by the agency;

(iii) For any period in which the lender or servicer, with respect to the loan, violates the requirements of subpart C of this part; and

(iv) For any period beginning on the date after the Secretary's obligation to pay special allowance on the loan terminates under § 682.302(d).

(2) For purposes of this section, a lender and any applicable third-party servicer shall be considered jointly and severally liable for the repayment of any interest benefits and special allowance paid as a result of a violation of applicable requirements by the servicer in administering the lender's FFEL programs.

(3) For purposes of paragraph (a)(2) of this section, the relevant third-party servicer shall repay any outstanding liabilities under paragraph (a)(2) of this section only if—

(i) The Secretary has determined that the servicer is jointly and severally liable for the liabilities; and

(ii) (A) The lender has not repaid in full the amount of the liability within 30 days from the date the lender receives notice from the Secretary of the liability;

(B) The lender has not made other satisfactory arrangements to pay the amount of the liability within 30 days from the date the lender receives notice from the Secretary of the liability; or

(C) The Secretary is unable to collect the liability from the lender by offsetting the lender's bill to the Secretary.
§ 682.413 Repayment of reinsurance payments

for interest benefits or special allowance, if—

(1) The bill is submitted after the 30-day period specified in paragraph (a)(3)(ii)(A) of this section has passed; and

(2) The lender has not paid, or made satisfactory arrangements to pay, the liability.

(b)(1) The Secretary requires a guaranty agency to repay reinsurance payments received on a loan if the lender, third-party servicer, if applicable, or the agency failed to meet the requirements of § 682.406(a).

(b)(2) The Secretary may require a guaranty agency to repay reinsurance payments received on a loan or to assign FFEL loans to the Department if the agency fails to meet the requirements of § 682.410.

(c)(1) In addition to requiring repayment of reinsurance payments pursuant to paragraph (b) of this section, the Secretary may take one or more of the following remedial actions against a guaranty agency or third-party servicer administering any aspect of the FFEL programs under a contract with the guaranty agency, that makes an incomplete or incorrect statement in connection with any agreement entered into under this part or violates any applicable Federal requirement:

(i) Require the agency to return payments made by the Secretary to the agency.

(ii) Withhold payments to the agency.

(iii) Limit the terms and conditions of the agency's continued participation in the FFEL programs.

(iv) Suspend or terminate agreements with the agency.

(v) Impose a fine on the agency or servicer. For purposes of assessing a fine on a third-party servicer, a repeated mechanical systemic unintentional error shall be counted as one violation, unless the servicer has been cited for a similar violation previously and had failed to make the appropriate corrections to the system.

(vi) Require repayment from the agency and servicer pursuant to paragraph (c)(2) of this section, of interest, special allowance, reinsurance paid, or other compensation on Consolidation loan amounts attributed to Consolidation loans for which the certification required under § 682.206(f)(1) is not available.

(vii) Require repayment from the agency or servicer, pursuant to paragraph (c)(2) of this section, of any related payments that the Secretary became obligated to make to others as a result of an incomplete or incorrect statement or a violation of an applicable Federal requirement.

(2) For purposes of this section, a guaranty agency and any applicable third-party servicer shall be considered jointly and severally liable for the repayment of any interest benefits, special allowance, reinsurance paid, or other compensation on Consolidation loan amounts attributed to Consolidation loans as specified in § 682.413(c)(1)(vii) as a result of a violation by the servicer administering any aspect of the FFEL programs under a contract with that guaranty agency.

(3) For purposes of paragraph (c)(2) of this section, the relevant third-party servicer shall repay any outstanding liabilities under paragraph (c)(2) of this section only if—

(i) The Secretary has determined that the servicer is jointly and severally liable for the liabilities; and

(ii) (A) The guaranty agency has not repaid in full the amount of the liability within 30 days from the date the guaranty agency receives notice from the Secretary of the liability; or

(B) The guaranty agency has not made other satisfactory arrangements to pay the amount of the liability within 30 days from the date the guaranty agency receives notice from the Secretary of the liability; or

(C) The Secretary is unable to collect the liability from the guaranty agency by offsetting the guaranty agency's first reinsurance claim to the Secretary, if—

(1) The claim is submitted after the 30-day period specified in paragraph (c)(3)(ii)(A) of this section has passed; and

(2) The guaranty agency has not paid, or made satisfactory arrangements to pay, the liability.

(d)(1) The Secretary follows the procedures described in 34 CFR part 688, subpart G, applicable to fine proceedings against schools, in imposing a fine against a lender, guaranty agency,
or third-party servicer. References to "the institution" in those regulations shall be understood to mean the lender, guaranty agency, or third-party servicer, as applicable, for this purpose.

(2) The Secretary also follows the provisions of section 432(g) of the Act in imposing a fine against a guaranty agency or lender.

(e)(1) The Secretary's decision to require repayment of funds, withhold funds, or to limit, suspend, or terminate a lender, agency, or third-party servicer from participation in the FFEL programs does not become final until the Secretary provides the lender, agency, or servicer with written notice of the intended action and an opportunity to be heard thereon, at a time and in a manner the Secretary determines to be appropriate to the resolution of the issues on which the lender, agency, or servicer requests an opportunity to be heard.

(ii) The Secretary may withhold payments from an agency or suspend an agreement with an agency prior to giving notice and an opportunity to be heard if the Secretary finds that emergency action is necessary to prevent substantial harm to Federal interests.

(ii) The Secretary follows the notice and show cause procedures described in § 682.704 applicable to emergency actions against lenders in taking an emergency action against a guaranty agency.

(3) The Secretary follows the procedures in 34 CFR 30.20–30.32 in collecting a debt by offset against payments otherwise due a guaranty agency or lender.

(f) Notwithstanding paragraphs (a)–(e) of this section, the Secretary may waive the right to require repayment of funds by a lender or agency if in the Secretary’s judgment the best interests of the United States so require. The Secretary's waiver policy for violations of § 682.406(a)(3) or (a)(5) is set forth in appendix D to this part.

(g) The Secretary’s final decision to require repayment of funds or to take other remedial action, other than a fine, against a lender or guaranty agency under this section is conclusive and binding on the lender or agency.

NOTE: A decision by the Secretary under this section is subject to judicial review under 5 U.S.C. 706 and 41 U.S.C. 321–322.

§ 682.414 Records, reports, and inspection requirements for guaranty agency programs.

(a) Records. (1)(i) The guaranty agency shall maintain current, complete, and accurate records of each loan that it holds, including, but not limited to, the records described in paragraph (a)(1)(ii) of this section. The records must be maintained in a system that allows ready identification of each loan’s current status, updated at least once every 10 business days. Any reference to a guaranty agency under this section includes a third-party servicer that administers any aspect of the FFEL programs under a contract with the guaranty agency, if applicable.

(ii) The agency shall maintain—

(A) All documentation supporting the claim filed by the lender;

(B) Notices of changes in a borrower's address;

(C) A payment history showing the date and amount of each payment received from or on behalf of the borrower by the guaranty agency, and the amount of each payment that was attributed to principal, accrued interest, and collection costs and other charges, such as late charges;

(D) A collection history showing the date and subject of each communication between the agency and the borrower or endorser relating to collection of a defaulted loan, each communication between the agency and a credit bureau regarding the loan, each effort to locate a borrower whose address was unknown at any time, and each request by the lender for preclaims and supplemental preclaims assistance on the loan;

(E) Documentation regarding any wage garnishment actions initiated by the agency on the loan;

(F) Documentation of any matters relating to the collection of the loan by tax-refund offset; and
(G) Any additional records that are necessary to document its right to receive or retain payments made by the Secretary under this part and the accuracy of reports it submits to the Secretary.

(2) The guaranty agency shall retain records for each loan for at least five years after the loan is paid in full or has been determined to be uncollectible in accordance with the agency’s write-off procedures. However, in particular cases the Secretary may require the retention of records beyond this minimum period. For the purpose of this section, the term “paid in full” includes loans paid by the Secretary due to the borrower’s death (or student’s death in the case of a PLUS loan), the borrower’s permanent and total disability or bankruptcy, the discharge of the borrower’s loan obligation because of attendance at a closed school, or because the student’s eligibility to borrow had been falsely certified by the school.

(3) A guaranty agency shall retain a copy of the audit report required under §682.410(b) for not less than five years after the report is issued.

(4)(i) The guaranty agency shall require a participating lender to maintain current, complete, and accurate records of each loan that it holds, including, but not limited to, the records described in paragraph (a)(3)(ii) of this section. The records must be maintained in a system that allows ready identification of each loan’s current status.

(ii) The lender shall keep—
(A) A copy of the loan application;
(B) A copy of the signed promissory note, including the repayment instrument;
(C) The repayment schedule;
(D) A record of each disbursement of loan proceeds;
(E) Notices of changes in a borrower’s address and status as at least a half-time student;
(F) Evidence of the borrower’s eligibility for a deferment;
(G) The documents required for the exercise of forbearance;
(H) Documentation of the assignment of the loan;
(I) A payment history showing the date and amount of each payment received from or on behalf of the borrower, and the amount of each payment that was attributed to principal, interest, late charges, and other costs;
(j) A collection history showing the date and subject of each communication between the lender and the borrower or endorser relating to collection of a delinquent loan, each communication other than regular reports by the lender showing that an account is current, between the lender and a credit bureau regarding the loan, each effort to locate a borrower whose address is unknown at any time, and each request by the lender for preclaims assistance on the loan; and

(K) Any additional records that are necessary to document the validity of a claim against the guarantee or the accuracy of reports submitted under this part.

(iii) Except as provided in paragraph (a)(4)(iv) of this section, a lender shall retain the records required for each loan for not less than five years following the date the loan is paid in full by the borrower or the lender is reimbursed on a claim. However, in particular cases, the Secretary or the guaranty agency may require the retention of records beyond this minimum period.

(iv) A lender shall retain a copy of the audit report required under §682.305(c) for not less than five years after the report is issued.

(5)(i) A guaranty agency or lender may store the records specified in paragraphs (a)(4)(ii)(C)-(K) of this section in accordance with 34 CFR 688.24(d)(3)(i) through (iv).

(ii) A lender or guaranty agency holding a promissory note shall retain the original note until the loan is paid in full or assigned to the Secretary. When a loan is paid in full by the borrower, the lender or guaranty agency shall either return the original note to the borrower or notify the borrower under an alternate procedure that is acceptable under State law that the loan is paid in full, and retain a copy for the prescribed period.

(iii) Either the lender or guaranty agency shall retain the original loan application and, until the loan is fully repaid, the promissory note.
§682.415 Special insurance and reinsurance rules.

(a)(1) A lender or lender servicer (as an agent for an eligible lender) designated for exceptional performance under paragraph (b) of this section shall receive 100 percent reimbursement on all claims submitted for insurance during the 12-month period following the date the lender or lender servicer and appropriate guaranty agencies receive notification of the designation of the eligible lender or lender servicer under paragraph (b) of this section. A guaranty agency or a guaranty agency servicer (as an agent for a guaranty agency) designated for exceptional performance under paragraph (c) of this section shall receive the applicable reinsurance rate under section 428(c)(1) of the Act on all claims submitted for payments by the guaranty agency or guaranty agency servicer during the 12-month period following the date the guaranty agency receives notification of its designation, or its servicer’s designation, under paragraph (c) of this section. A notice of designation for exceptional performance under this section is deemed to have been received by the lender, servicer, or guaranty agency no later than 3 days after the date the notice is
mailed, unless the lender, servicer, or guaranty agency is able to prove otherwise.

(2) To receive a designation for exceptional performance under paragraph (a)(1) of this section, a lender, servicer, and guaranty agency must submit to the Secretary—

(i) A written request for designation for exceptional performance that includes—

(A) The applicant's name and address;

(B) A contact person;

(C) Its ED identification number, if applicable;

(D) The name and address of applicable guarantors; and

(E) A copy of an annual financial audit performed in accordance with the Audit Guide developed by the U.S. Department of Education, Office of Inspector General, or one of the following as appropriate:

(1) A lender may submit a copy of an annual audit required under §682.305(c), if the audit period ends no more than 90 days prior to the date the lender submits its request for designation.

(2) A servicer may submit a copy of the annual financial audit, as defined, completed and submitted under 34 CFR 682.416(e), if the audit period ends no more than 90 days prior to the date the servicer submits its request for designation.

(3) A guaranty agency may submit a copy of the annual audit required under section 428(b)(2)(D) of the Higher Education Act of 1965, as amended, if the audit period ends no more than 90 days prior to the date the guaranty agency submits its request for designation;

(ii) If the applicant is a servicer, a statement signed by the owner or chief executive officer of the applicant certifying that the applicant meets the definition of a servicer contained in paragraph (d)(3) of this section; and

(iii)(A) A compliance audit of its loan portfolio, conducted by a qualified independent organization meeting the criteria in paragraph (b)(9) of this section, that yields a compliance performance rating of 97 percent or higher of all due diligence requirements applicable to each loan, on average, with respect to the collection of delinquent or defaulted loans and satisfying the requirements in paragraph (b)(1)(iv) of this section or, if applicable, paragraph (c)(2)(ii) of this section. The audit period may end no more than 90 days prior to the date the lender, servicer or guaranty agency submits its request for designation.

(B) To satisfy the requirement of paragraph (a)(2)(iii)(A) of this section, a servicer may submit its annual compliance audit under 34 CFR 682.416(e), if the servicer includes in its report a measure of its compliance performance rating required under paragraph (a)(2)(iii)(A) of this section, if this audit is performed in accordance with an audit guide developed by the U.S. Department of Education, Office of Inspector General.

(3) The cost of audits for determining eligibility and continued compliance under this section is the responsibility of the lender, servicer, or guaranty agency.

(4) A lender or servicer shall also submit the information in paragraph (a)(2)(i), (ii), or (iii) of this section to each appropriate guaranty agency.

(5) A lender may be designated for exceptional performance for loans that it services itself. A lender servicer may be designated for exceptional performance only for all loans it services.

(6)(i) To prevent a lapse of a lender's, servicer's, or guaranty agency's exceptional performance status after the end of the 12-month period, the lender, servicer, or guaranty agency shall submit updated information required under paragraph (a)(2) of this section to the Secretary no later than 90 days after the end of the annual audit period.

(ii) Upon the Secretary's determination that the lender, servicer, or guaranty agency maintained at least a 97 percent compliance performance rate and satisfies the other requirements for designation, the Secretary notifies the lender, servicer, or guaranty agency that its redesignation for exceptional performance begins on the date following the last day of the previous 12-month period for which it received designation for exceptional performance. However, a lender's, servicer's, or guaranty agency's designation for exceptional performance continues until
§682.415  34 CFR Ch. VI (7–1–99 Edition)

it receives notification from the Secretary that its request for redesignation is approved, or that its designation is revoked, under the provisions of paragraph (b)(8)(iii) of this section.

(iii) The Secretary notifies the lender or lender servicer and the appropriate guaranty agency within 60 days after the date the Secretary receives the information, listed in paragraph (a)(2) of this section, from the eligible lender or lender servicer, that the lender’s or lender servicer’s reapplication for designation for exceptional performance has been approved or denied. A notice under paragraph (a)(6) of this section is determined to have been received by the lender, servicer, or guaranty agency no later than 3 days after the notice is mailed, unless the lender, servicer, or guaranty agency is able to prove otherwise.

(b) Determination of eligibility. (1) The Secretary determines whether to designate a lender or lender servicer for exceptional performance based upon—

(i) The annual compliance audit of collection activities required for FFEL Program loans under §682.411(c) through (h), and (m), if applicable, serviced during the audit period;

(ii) Information from any guaranty agency regarding an eligible lender or lender servicer desiring designation, including, but not limited to, any information suggesting that the lender’s or lender servicer’s request for designation should not be approved;

(iii) Any other information in the possession of the Secretary, or submitted to the Secretary by any other agency or office of the Federal Government; and

(iv) Evidence indicating that the lender or lender servicer has complied with the requirements for converting FFEL Program loans to repayment under §682.209(a), and the timely filing requirements under §§682.402(g)(2) and 682.406(a)(5), in accordance with the audit guide as published by the U.S. Department of Education, Office of Inspector General. The audit submitted under paragraph (b)(1)(i) of this section may satisfy this requirement, if a separate sample of loans is used.

(2) The Secretary informs the eligible lender or lender servicer, and the appropriate guaranty agency, that the lender’s or lender servicer’s request for designation as an exceptional lender or lender servicer has been approved, unless the results of the audit are persuasively rebutted by information under paragraphs (b) (1)(ii) or (iii) of this section. If the request for designation is not approved, the Secretary informs the lender or lender servicer and the appropriate guaranty agency or agencies of the reason the application is not approved.

(3) In calculating a lender’s or lender servicer’s compliance rating, as referenced in paragraph (a)(2)(iii) of this section, the universe for the audit must include all loans in the lender’s or lender servicer’s FFEL Program portfolio that are serviced during the audit period performed under the Department’s regulations in §§682.411, 682.209(a), 682.402(g)(2), and 682.406(a)(5). The calculation may consider only due diligence activities applicable to the audit period. The numerator must include the total number of collection activities successfully completed, in accordance with program regulations, that are serviced during the audit period. The denominator must include the total number of collection activities required to be performed, in compliance with program regulations, that are serviced during the audit period. Using statistical sampling and evaluation techniques identified in an audit guide prepared by the Department’s Office of Inspector General, a random sample of loans must be selected and evaluated.

(4) The Secretary notifies the lender or lender servicer and the appropriate guaranty agency within 60 days after the date the Secretary receives the information, listed in paragraph (a)(2) of this section, from the eligible lender or lender servicer, that the lender’s or lender servicer’s application for designation for exceptional performance has been approved or denied.

(5) (i) Except as provided under paragraph (b)(8) of this section, a guaranty agency may not refuse, solely on the basis of a violation of repayment conversion, due diligence requirements, or timely filing requirements, to pay an eligible lender or lender servicer, designated for exceptional performance, 100 percent of the unpaid principal and
interest of all loans for which eligible claims are submitted for insurance payment by that eligible lender or lender servicer. The designation of a lender or lender servicer for exceptional performance applies to loans that have been serviced by the lender or lender servicer for the last 180 days prior to a borrower’s default or earlier in the case of death, disability, bankruptcy, or closed school and false certification discharges.

(ii) A guaranty agency or the Secretary may require the lender or lender servicer to repurchase a loan if the agency determines the loan should not have been submitted as a claim. A guaranty agency may not require repurchase of a loan based solely on the lender’s violation of the requirement relating to repayment conversion, due diligence, or timely filing. The guaranty agency must pay claims to a lender or lender servicer designated for exceptional performance in accordance with this paragraph for the one-year period following the date the guaranty agency receives notification of the lender’s or lender servicer’s designation under paragraph (b)(2) of this section, unless the Secretary notifies the guaranty agency that the lender’s or lender servicer’s designation for exceptional performance has been revoked.

(6)(i) To maintain its designation for exceptional performance, the lender or lender servicer must have a quarterly compliance audit of the due diligence in collection activities required for FFEL Program loans under §682.411(c)-(h), and (m), if applicable, and for converting FFEL Program loans to repayment under §682.209(a) and timely filing requirements under §§682.402(g)(2) and 682.406(a)(5) conducted by a qualified independent organization meeting the criteria in paragraph (b)(9) of this section that results in a compliance rating for the quarter of not less than 97 percent. The audit must indicate a compliance performance rating of not less than 97 percent for two consecutive months or 90 percent for any month. The quarterly audit may not include any period covered by the annual financial and compliance audit under paragraph (a)(2) of this section. The results of the quarterly compliance audit must be submitted to the Secretary and to the appropriate guaranty agencies within 90 days following the end of each quarter.

(ii) If a lender or lender servicer has been designated for exceptional performance for at least 15 months, a lender or lender servicer may petition the Secretary for permission to have its internal auditors perform the subsequent quarterly compliance audits required by paragraph (b)(6)(i) of this section. If the Secretary approves the request, the lender’s or lender servicer’s annual audit must assess the reliability of the procedures used by the lender’s or lender servicer’s internal auditor in performing the quarterly audits.

(iii) The lender or lender servicer shall perform three quarterly audits and one annual audit that includes a representative sample of fourth quarter collection activities to satisfy the requirements of this paragraph.

(7)(i) Insurance payments made on eligible claims submitted by a lender or lender servicer designated for exceptional performance are not subject to additional review of repayment conversion, due diligence, and timely filing requirements, or to required repurchase by the lender or lender servicer, unless the Secretary determines that the eligible lender or lender servicer engaged in fraud or other purposeful misconduct in obtaining designation for exceptional performance. Notwithstanding the payment requirements in this paragraph, nothing prohibits the guaranty agency or the Secretary from reviewing the lender’s or lender servicer’s activities in regard to the loans paid under this paragraph as part of program oversight responsibilities, or for requiring the lender to repurchase a loan if the agency determines the loan should not have been submitted as a claim. The lender shall file, and the guaranty agency shall maintain, the documentation the guaranty agency normally requires its lenders to file with respect to the collection history of each loan.

(ii) A lender or lender servicer designated under this section that fails to service loans or otherwise comply with applicable program regulations is considered in violation of 31 U.S.C. 3729.
(8)(i) The Secretary revokes the designation of a lender or lender servicer for exceptional performance if—
   (A) The quarterly compliance audit required under paragraph (b)(6) of this section is submitted to the Secretary and indicates that the lender or lender servicer failed to maintain not less than 97 percent compliance with due diligence standards for the quarter, or not less than 97 percent compliance for 2 consecutive months, or 90 percent for any month; or
   (B) Any quarterly audit required in paragraph (b)(6) of this section is not received by the Secretary within 90 days following the end of each quarter.
   (ii) The Secretary may revoke the designation of an exceptional lender or lender servicer if—
   (A) The Secretary determines the eligible lender or lender servicer failed to maintain an overall level of regulatory compliance consistent with the audit submitted by the lender or lender servicer;
   (B) The Secretary has reason to believe the lender or lender servicer may have engaged in fraud in securing its designation for exceptional performance; or
   (C) The lender or lender servicer fails to service loans in accordance with program regulations. For purposes of this paragraph, a lender or lender servicer fails to service loans in accordance with program regulations if the Secretary determines that the lender or lender servicer has committed serious and material violations of the regulations.
   (iii) The date on which the event or condition occurred is the effective date of the revocation, except for revocation under paragraph (a)(6) of this section, which is effective at the close of the 12-month period for which the lender or lender servicer received designation for exceptional performance.
   (9) Public accountants, public accounting firms, and external government audit organizations that meet the qualification and independence standards contained in Government Auditing Standards published by the Comptroller General of the United States are acceptable entities to perform the audits required under paragraphs (a)(2)(iii)(A) and (b)(6) of this section.

(c)(1) Except as provided under paragraph (c)(8) of this section, the Secretary pays the applicable reinsurance rate under section 428(b)(1)(G) of the Act on all claims submitted by a guaranty agency or guaranty agency servicer that has been designated for exceptional performance.
   (i) A guaranty agency may be designated for exceptional performance for loans that it services itself.
   (ii) A guaranty agency servicer may be designated for exceptional performance for loans it services.
   (iv) A guaranty agency or guaranty agency servicer is designated for exceptional performance for a 12-month period following the receipt, by the guaranty agency or guaranty agency servicer, of the Secretary's notification of designation.
   (v) A notice under this paragraph is determined to have been received no later than 3 days after the notice is mailed, unless the guaranty agency or guaranty agency servicer is able to prove otherwise.
   (2) The Secretary determines whether to designate a guaranty agency or guaranty agency servicer for exceptional performance based upon—
   (i) The annual financial audit and a compliance audit of collection activities, including timely claim payment and timely reinsurance filing required for FFEL Program loans under §§ 682.410(b)(6) (iiii) through (xii), and 682.405 (a)(8) and (a)(9), or §§ 682.410(b)(7) and 682.405 (a)(8) and (a)(9); and
   (ii) Any other information in the possession of the Secretary.
   (3) The Secretary informs the guaranty agency or guaranty agency servicer that its request for designation for exceptional performance has been approved, unless the results of the audit are persuasively rebutted by other information received by the Secretary. If the Secretary does not approve the guaranty agency’s or guaranty agency servicer’s request for designation, the Secretary informs the guaranty agency or guaranty agency servicer of the reason the application was not approved.
(4) In calculating a guaranty agency’s or guaranty agency servicer’s compliance rating, as referenced in paragraph (a)(2)(iii) of this section, the Secretary requires that the universe of loans in the audit sample must consist of all loans in the guaranty agency’s or guaranty agency servicer’s FFEL Program portfolio that are serviced during the audit period performed under the Department’s regulations in §§682.410(b)(6) (iii) through (xii) and 682.406 (a)(6) and (a)(9) or §§682.410(b)(7) and 682.406 (a)(8) and (a)(9). The calculation may consider only the due diligence activities that were or should have been conducted during the audit period. The numerator must include the total number of collection activities successfully completed in accordance with program regulations on loans that were serviced during the audit period. The denominator must include the total number of collection activities required to be performed in compliance with program regulations on loans that were serviced during the audit period. Using statistical sampling and evaluation techniques identified in an audit guide prepared by the Department’s Office of Inspector General, a random sample of loans must be selected and evaluated.

(5) The Secretary notifies a guaranty agency or guaranty agency servicer, within 60 days after the date the Secretary receives the information listed in paragraph (a)(2) of this section whether the guaranty agency’s or guaranty agency servicer’s application for designation for exceptional performance has been approved or denied.

(6)(i) To maintain its status as an exceptional guaranty agency or guaranty agency servicer, the guaranty agency or guaranty agency servicer must have a quarterly compliance audit of the due diligence in collection activities of defaulted FFEL Program loans under §§682.410(b)(6) (iii) through (xii) and 682.406 (a)(6) and (a)(9) or §§682.410(b)(7) and 682.406 (a)(8) and (a)(9) conducted by a qualified independent organization meeting the criteria in paragraph (c)(9) of this section. The audit must yield a compliance performance rating of not less than 97 percent. The quarterly audit may not include any period covered by the annual financial and compliance audit required under paragraph (a)(2) of this section. The results of the quarterly compliance audit must be submitted to the Secretary within 90 days following the end of each quarter.

(ii) If the guaranty agency or guaranty agency servicer has been designated for exceptional performance for at least 15 months, the guaranty agency or a guaranty agency servicer may petition the Secretary for permission to have its internal auditors perform subsequent quarterly compliance audits required by paragraph (c)(6)(i) of this section. If the Secretary approves the request, the guaranty agency’s or the guaranty agency servicer’s annual audit must assess the reliability of the procedures used by the guaranty agency’s or the guaranty agency servicer’s internal auditor in performing the quarterly audits.

(7)(i) Payments of reinsurance made on claims, under the FFEL Program, submitted by a guaranty agency or guaranty agency servicer designated for exceptional performance are not subject to repayment based on additional review of due diligence activities, including timely claim payment, or timely filing for reinsurance covering a period during which the guaranty agency or guaranty agency servicer was designated for any reason other than a determination by the Secretary that the eligible guaranty agency or guaranty agency servicer engaged in fraud or other purposeful misconduct in obtaining designation for exceptional performance.

(ii) A guaranty agency designated under this section that fails to service loans or otherwise comply with applicable program regulations is considered in violation of 31 U.S.C. 3729.

(8)(i) The Secretary may revoke the designation of a guaranty agency or guaranty agency servicer for exceptional performance if the Secretary has reason to believe the guaranty agency or guaranty agency servicer fraudulently obtained its designation for exceptional performance.

(ii) The Secretary may revoke the designation for exceptional performance upon 30 days’ notice, and an opportunity for a hearing before the Secretary, if the Secretary finds that the guaranty agency or guaranty agency servicer fraudulently obtained its designation for exceptional performance.
§ 682.416 Requirements for third-party servicers and lenders contracting with third-party servicers.

(a) Standards for administrative capability. A third-party servicer is considered administratively responsible if it—

1. Provides the services and administrative resources necessary to fulfill its contract with a lender or guaranty agency, and conducts all of its contractual obligations that apply to the FFEL programs in accordance with FFEL programs regulations;

2. Has business systems including combined automated and manual systems, that are capable of meeting the requirements of part B of Title IV of the Act and with the FFEL programs regulations; and

3. Has adequate personnel who are knowledgeable about the FFEL programs.

(b) Standards of financial responsibility. The Secretary applies the provisions of 34 CFR 668.15(b) (1)–(4) and (6)–(9) to determine that a third-party servicer is financially responsible under this part. References to “the institution” in those provisions shall be understood to mean the third-party servicer, for this purpose.

(c) Special review of third-party servicer. (1) The Secretary may review a third-party servicer to determine that it meets the administrative capability and financial responsibility standards in this section.

(2) In response to a request from the Secretary, the servicer shall provide evidence to demonstrate that it meets the administrative capability and financial responsibility standards in this section.

(3) The servicer may also provide evidence of why administrative action is unwarranted if it is unable to demonstrate that it meets the standards of this section.

4. Based on the review of the materials provided by the servicer, the Secretary determines if the servicer meets the standards in this part. If the servicer does not, the Secretary may initiate an administrative proceeding under subpart G.

(d) Past performance of third-party servicer or persons affiliated with servicer. Notwithstanding paragraphs (b) and (c) of this section, a third-party servicer is not financially responsible if—

(d) The servicer, or any principal or affiliate of the servicer (as those terms are defined in 34 CFR part 85), is—

A Debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4, or

B Engaging in any activity that is a cause under 34 CFR 85.305 or 85.405 for debarment or suspension under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4; and

(2) Upon learning of a conviction, plea, or administrative or judicial determination described in paragraph (d)(1) of this section, the servicer does not promptly remove the person, agency, or organization from any involvement in the administration of the servicer’s participation in Title IV, HEA programs, including, as applicable, the removal or elimination of any substantial control, as determined under 34 CFR 668.15, over the servicer.

(e) Independent audits. (1) A third-party servicer shall arrange for an independent audit of its administration of the FFELP loan portfolio unless—

(i) The servicer contracts with only one lender or guaranty agency; and

(ii) The audit of that lender’s or guaranty agency’s FFEL programs involves every aspect of the servicer’s administration of those FFEL programs.

(2) The audit must—

A Examine the servicer’s compliance with the Act and applicable regulations;

B Examine the servicer’s financial management of its FFEL program activities;

(iii) Be conducted in accordance with the standards for audits issued by the United States General Accounting Office’s (GAO’s) Standards for Audit of Governmental Organizations, Programs, Activities, and Functions. (This publication is available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402.) Procedures for audits are contained in an audit guide developed by and available from the Office of Inspector General of the Department of Education; and

A Except for the initial audit, be conducted at least annually and be submitted to the Secretary within six months of the end of the audit period. The initial audit must be an annual audit of the servicer’s first full fiscal year beginning on or after July 1, 1994, and include any period from the beginning of the first full fiscal year. The audit report must be submitted to the Secretary within six months of the end of the audit period. Each subsequent audit must cover the servicer’s activities for the one-year period beginning no later than the end of the period covered by the preceding audit.

(3) With regard to a third-party servicer that is a governmental entity, the audit required by this paragraph must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, appendix G.

(4) With regard to a third-party servicer that is a nonprofit organization, the audit required by this paragraph must be conducted in accordance with Office of Management and Budget (OMB) Circular A-133, “Audit of Institutions of Higher Education and Other Nonprofit Institutions,” as incorporated in 34 CFR 74.61(h)(3).
§ 682.417 Determination of reserve funds or assets to be returned.

(a) General. The procedures described in this section apply to a determination by the Secretary that—

(1) A guaranty agency must return to the Secretary a portion of its reserve funds which the Secretary has determined is unnecessary to pay the program expenses and contingent liabilities of the agency; and

(2) A guaranty agency must require the return to the agency or the Secretary of reserve funds or assets within the meaning of section 422(g)(1) of the Act held by or under the control of any other entity, which the Secretary determines are necessary to pay the program expenses and contingent liabilities of the agency or which are required for the orderly termination of the guaranty agency’s operations and the liquidation of its assets.

(b) Return of unnecessary reserve funds. (1) The Secretary may initiate a process to recover unnecessary reserve funds under paragraph (a)(1) of this section if the Secretary determines that a guaranty agency’s reserve fund ratio under §682.410(a)(10) for each of the two preceding Federal fiscal years exceeded 2.0 percent.

(2) If the Secretary initiates a process to recover unnecessary reserve funds, the Secretary requires the return of a portion of the reserve funds that the Secretary determines will permit the agency to—

(i) Have a reserve fund ratio of at least 2.0 percent under §682.410(a)(10) at the time of the determination; and

(ii) Meet the minimum reserve fund requirements under §682.410(a)(10) and retain sufficient additional reserve funds to perform its responsibilities as a guaranty agency during the current Federal fiscal year and the four succeeding Federal fiscal years.

(3) The Secretary makes a determination of the amount of the reserve funds needed by the guaranty agency on the basis of financial projections for the period described in that paragraph. If the agency provides projections for a period longer than the period referred to in that paragraph, the Secretary may consider those projections.

(ii) The Secretary may require a guaranty agency to provide financial projections in a form and on the basis of assumptions prescribed by the Secretary. If the Secretary requests the agency to provide financial projections, the agency shall provide the projections within 60 days of the Secretary’s request. If the agency does not provide the projections within the specified time period, the Secretary determines the amount of reserve funds needed by the agency on the basis of other information.

(c) Notice. (1) The Secretary or an authorized Departmental official begins a proceeding to order a guaranty agency to return a portion of its reserve funds, or to direct the return of reserve funds or assets subject to return, by sending the guaranty agency a notice by certified mail, return receipt requested.

(2) The notice—

(i) Informs the guaranty agency of the Secretary’s determination that the reserve funds or assets must be returned;
(ii) Describes the basis for the Secretary’s determination and contains sufficient information to allow the guaranty agency to prepare and present an appeal;

(iii) States the date by which the return of reserve funds or assets must be completed;

(iv) Describes the process for appealing the determination, including the time for filing an appeal and the procedure for doing so; and

(v) Identifies any actions that the guaranty agency must take to ensure that the reserve funds or assets that are the subject of the notice are maintained and protected against use, expenditure, transfer, or other disbursement after the date of the Secretary’s determination, and the basis for requiring those actions. The actions may include, but are not limited to, directing the agency to place the reserve funds in an escrow account. If the Secretary has directed the guaranty agency to require the return of reserve funds or assets held by or under the control of another entity, the guaranty agency shall ensure that the agency’s claims to those funds or assets and the collectability of the agency’s claims will not be compromised or jeopardized during an appeal. The guaranty agency shall also comply with all other applicable regulations relating to the use of reserve funds and assets.

(d) Appeal. (1) A guaranty agency may appeal the Secretary’s determination that reserve funds or assets must be returned by filing a written notice of appeal within 20 days of the date of the guaranty agency’s receipt of the notice of the Secretary’s determination. If the agency files a notice of appeal, the requirement that the return of reserve funds or assets be completed by a particular date is suspended pending completion of the appeal process. If the agency does not file a notice of appeal within the period specified in this paragraph, the Secretary’s determination is final.

(2) A guaranty agency shall submit the information described in paragraph (d)(4) of this section within 45 days of the date of the guaranty agency’s receipt of the notice of the Secretary’s determination unless the Secretary agrees to extend the period at the agency’s request. If the agency does not submit that information within the prescribed period, the Secretary’s determination is final.

(3) A guaranty agency’s appeal of a determination that reserve funds or assets must be returned is considered and decided by a Departmental official other than the official who issued the determination or a subordinate of that official.

(4) In an appeal of the Secretary’s determination, the guaranty agency shall—

(i) State the reasons the guaranty agency believes the reserve funds or assets need not be returned;

(ii) Identify any evidence on which the guaranty agency bases its position that the reserve funds or assets need not be returned;

(iii) Include copies of the documents that contain this evidence;

(iv) Include any arguments that the guaranty agency believes support its position that the reserve funds or assets need not be returned; and

(v) Identify the steps taken by the guaranty agency to comply with the requirements referred to in paragraph (c)(2)(v) of this section.

(5)(i) In its appeal, the guaranty agency may request the opportunity to make an oral argument to the deciding official for the purpose of clarifying any issues raised by the appeal. The deciding official provides such an opportunity promptly after the expiration of the period referred to in paragraph (d)(2) of this section.

(ii) The agency may not submit new evidence at or after the oral argument unless the deciding official determines otherwise. A transcript of the oral argument is made a part of the record of the appeal and is promptly provided to the agency.

(e) Third-party participation. (1) If the Secretary issues a determination under paragraph (a)(1) of this section, the Secretary promptly publishes a notice in the Federal Register announcing
§ 682.418 Prohibited uses of reserve fund assets.

(a) General. (1) A guaranty agency may not use the assets of the reserve fund established under §682.410(a)(1) to pay costs prohibited under paragraph (b) of this section and may not use the assets of the reserve fund to pay for goods, property, or services provided by an affiliated organization that would exceed the affiliated organization’s actual and reasonable cost of providing those goods, property, or services, unless the agency demonstrates to the Secretary, and receives the Secretary’s concurrence, that such a payment would be in the Federal fiscal interest.

(2) All guaranty agency contracts with respect to its reserve fund or assets must include a provision stating that the contract is terminable by the Secretary upon 30 days notice to the

(3) The deciding official’s written decision includes the basis for the decision. The deciding official bases the decision only on evidence described in the notice of the Secretary’s determination and on information properly submitted and considered by the deciding official under this section. The deciding official is bound by all applicable statutes and regulations and may neither waive them nor rule them invalid.

(h) Collection of reserve funds or assets. (1) If the deciding official’s final decision requires the guaranty agency to return reserve funds, or requires the guaranty agency to require the return of reserve funds or assets to the agency or to the Secretary, the decision states a new date for compliance with the decision. The new date is no earlier than the date on which the decision becomes the final decision of the Secretary.

(2) If the guaranty agency fails to comply with the decision, the Secretary may recover the reserve funds from any funds due the agency from the Department without any further notice or procedure and may take any other action permitted or authorized by law to compel compliance.

contracting parties if the Secretary determines that the contract includes an impermissible transfer of the reserve fund or assets or is otherwise inconsistent with the terms and purposes of section 422 of the HEA.

(b) Prohibited uses of reserve fund assets. A guaranty agency may use the assets of the reserve fund established under §682.410(a)(1) only as prescribed in §682.410(a)(2). Uses of the reserve fund that are not allowable under §682.410(a)(2) include, but are not limited to—

(1) Compensation for personnel services, including wages, salaries, pension plan costs, post-retirement health benefits, employee life insurance, unemployment benefit plans, severance pay, costs of leave, and other benefits, to the extent that total compensation to an employee, officer, director, trustee, or agent of the guaranty agency is not reasonable for the services rendered. Compensation is considered reasonable to the extent that it is comparable to that paid in the labor market in which the guaranty agency competes for the kind of employees involved. Costs that are otherwise unallowable may not be considered allowable solely on the basis that they constitute personnel compensation. In no case may the reserve fund be used to pay any compensation, whether calculated on an hourly basis or otherwise, that would be proportionately greater than 118.05 percent of the total salary paid (as calculated on an hourly basis) under section 5312 of title 5, United States Code (relating to Level I of the Executive Schedule).

(2) Contributions and donations, including cash, property, and services, by the guaranty agency to others, regardless of the recipient or purpose, unless pursuant to written authorization from the Secretary;

(3) Entertainment, including amusement, diversion, hospitality suites, and social activities, and any costs associated with those activities, such as tickets to shows or sports events, meals, alcoholic beverages, lodging, rentals, transportation, and gratuities;

(4) Fines, penalties, damages, and other settlements resulting from violations or alleged violations of the guaranty agency's failure to comply with Federal, State, or local laws and regulations that are unrelated to the FFEL Program, unless specifically approved by the Secretary. This prohibition does not apply if a non-criminal violation or alleged violation has been assessed against the guaranty agency, the payment does not reimburse an agency employee, and the payment does not exceed $1,000, or if it occurred as a result of compliance with specific requirements of the FFEL Program or in accordance with written instructions from the Secretary. The use of the reserve fund in any other case must be requested by the agency and specifically approved in advance by the Secretary;

(5) Legal expenses for prosecution of claims against the Federal Government, unless the guaranty agency substantially prevails on those claims. In that event, the Secretary approves the reimbursement of reasonable legal expenses incurred by the guaranty agency;

(6) Lobbying activities, as defined in section 501(h) of the Internal Revenue Code, including dues to membership organizations to the extent that those dues are used for lobbying;

(7) Major expenditures, including those for land, buildings, equipment, or information systems, whether singly or as a related group of expenditures, that exceed 5 percent of the guaranty agency's reserve fund balance at the time the expenditures are made, unless the agency has provided written notice of the intended expenditure to the Secretary 30 days before the agency makes or commits itself to the expenditure. For those expenditures involving the purchase of an asset, the term "major expenditure" applies to costs such as the cost of purchasing the asset and making improvements to it, the cost to put it in place, the net invoice price of the asset, ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation costs, and the costs of any modifications, attachments, accessories, or auxiliary apparatus necessary to make the asset usable for the purpose for which it was acquired, whether the expenditures are classified as capital or operating expenses;
(8) Public relations, and all associated costs, paid directly or through a third party, to the extent that those costs are used to promote or maintain a favorable image of the guaranty agency. The term “public relations” does not include any activity that is ordinary and necessary for the fulfillment of the agency’s FFEL guaranty responsibilities under the HEA, including appropriate and reasonable advertising designed specifically to communicate with the public and program participants for the purpose of facilitating the agency’s ability to fulfill its FFEL guaranty responsibilities under the HEA. Ordinary and necessary public relations activities include training of program participants and secondary school personnel and customer service functions that disseminate FFEL-related information and materials to schools, loan holders, prospective loan applicants, and their parents. In providing that training at workshops, conferences, or other ordinary and necessary forums customarily used by the agency to fulfill its responsibilities under the HEA, the agency may provide light meals and refreshments of a reasonable nature and amount to the participants.

(9) Relocation of employees in excess of an employee’s actual or reasonably estimated expenses or for purposes that do not benefit the administration of the guaranty agency’s FFEL program. Except as approved by the Secretary, reimbursement must be in accordance with an established written policy; and

(10) Travel expenses that are not in accordance with a written policy approved by the Secretary or a State policy. If the guaranty agency does not have such a policy, it may not use the assets of the reserve fund to pay for travel expenses that exceed those allowed for lodging and subsistence under subchapter I of Chapter 57 of title 5, United States Code, or in excess of commercial airfare costs for standard coach airfare, unless those accommodations would require circuitous routing, travel during unreasonable hours, excessively prolonged travel, would result in increased cost that would offset transportation savings, or would offer accommodations not reasonably adequate for the medical needs of the traveler.

(c) Cost allocation. Each guaranty agency that shares costs with any other program, agency, or organization shall develop a cost allocation plan consistent with the requirements described in OMB Circular A-87 and maintain the plan and related supporting documentation for audit. A guaranty agency is required to submit its cost allocation plans for the Secretary’s approval if it is specifically requested to do so by the Secretary.

Subpart E—Federal Guaranteed Student Loan Programs

§ 682.500 Circumstances under which loans may be guaranteed by the Secretary.

(a) The Secretary may guarantee all—

(1) FISL, Federal SLS, and Federal PLUS loans made by lenders located in a State in which no State or private nonprofit guaranty agency has in effect an agreement with the Secretary under § 682.401 to serve as guarantor in that State;

(2) Federal Consolidation loans made by the Student Loan Marketing Association and Federal Consolidation loans made by any other lender that has applied for and been denied guaranty coverage on Consolidation loans by the guaranty agency that guarantees the largest dollar volume of FFEL loans made by the lender; and

(3) FISL, Federal SLS, Federal PLUS, and Federal Consolidation loans made by lenders located in a State in which a guaranty agency program is operating but is not reasonably accessible to students who meet the agency’s residency requirements.

(b) The Secretary may guarantee FISL, Federal SLS, Federal PLUS and Federal Consolidation loans made by a lender located in a State where a guaranty agency operates a program that is reasonably accessible to students who
meet the residency requirements of
that program only for—
(1) A student who does not meet the
agency’s residency requirements;
(2) A lender who is not able to obtain
a guarantee from the guaranty agency
for at least 80 percent of the loans the
lender intends to make over a 12-month
period because of the agency’s resi-
dency requirements;
(3) With the approval of the guaranty
agency, a student who has previously
received from the same lender a FISL
loan that has not been repaid; or
(4) All students at a school located in
the State if the Secretary finds that—
(i) No single guaranty agency pro-
gram is reasonably accessible to stu-
dents at that school as compared to
students at other schools during a com-
parable period of time; and
(ii) Guaranteeing loans made in the
State to students attending that school
would significantly increase the access
of students at that school to FFEL
Program loans. The Secretary may
guarantee loans made to those stu-
dents by a lender in that State if—
(A) The guaranty agency does not
recognize the school as being eligible,
but the school is eligible under the
FISL program; or
(B) A majority of the persons en-
rolled at the school meet the condi-
tions of student eligibility for FISL
loans but are not recognized as eligible
under the guaranty agency program.
(c) For purposes of paragraph (b) of
this section, a lender is considered to
be located in the same State as a
school if the lender—
(1) Has an origination relationship
with the school;
(2) Has a majority of its voting stock
held by the school; or
(3) Has common ownership or man-
agement with the school and more
than 50 percent of the loans made by
that lender are made to students at
that school.
(d) As a condition for guaranteeing
loans under the Federal FFEL pro-
grams, the Secretary may require the
lender to submit evidence of cir-
cumstances that would justify loan
guarantees under the provisions of this
section.
(e) With regard to a school lender
that has entered into an agreement
with the Secretary under §682.600, the
Secretary denies loan guarantees on
the basis of this section only if the Sec-
retary first determines that all eligible
students at that school who make a
conscientious effort to obtain a loan
from another lender will find a loan to
be reasonably available. For purposes
of this paragraph, the determination of
loan availability is based on studies
and surveys that the Secretary con-
siders satisfactory.

§ 682.501 Extent of Federal guarantee
under the Federal GSL programs.

(a) General. Except as provided in
paragraph (b) of this section, the Sec-
retary’s guarantee liability on any
Federal GSL loan is 100 percent of the
unpaid principal balance and, to the ex-
tent permitted under §682.512, accrued
interest.

(b) Special provisions for State lenders.
(1) Except as described in paragraph
(b)(2) of this section, the Secretary’s
guarantee liability is less than 100 per-
cent under the following conditions:
(i) If the total of default claims under
the Federal GSL programs paid by
the Secretary to a State lender during any
fiscal year reaches five percent of the
amount of the Federal GSL loans in re-
payment at the end of the preceding
fiscal year, the Secretary’s guarantee
liability on a claim subsequently paid
during that fiscal year is 90 percent of
the amount of the unpaid principal bal-
ance plus accrued interest.
(ii) If the total of default claims
under the Federal GSL programs paid
by the Secretary to a State lender during
any fiscal year reaches nine per-
cent of the amount of the Federal GSL
loans in repayment at the end of the pre-
ceding fiscal year, the Secretary’s
guarantee liability on a claim subse-
quently paid during that fiscal year is
90 percent of the amount of the unpaid principal bal-
ance plus accrued interest.
(iii) For purposes of this paragraph,
the total default claims paid by the
Secretary during any fiscal year do not
include paid claims filed by the lender
under the provisions of §682.412(e) or
§682.509.
(2) The potential reduction in guar-
anty liability does not apply to a

717
State lender during the first Federal fiscal year of its operation as a Federal GSL Program lender and during each of the four succeeding fiscal years.

(3) For the purposes of this section, the term "amount of the Federal GSL loans in repayment" means the original principal amount of all loans guaranteed by the Secretary less—

(i) The original principal amount of loans on which—

(A) Under the FISL program, the borrower has not yet reached the repayment period;

(B) Payment in full has been made by the borrower;

(C) The borrower was in deferment status at the time repayment of principal was scheduled to begin and remains in deferment status; or

(D) The Secretary has paid a claim filed under section 437 of the Act; and

(ii) The amount paid by the Secretary for default claims on loans, exclusive of paid claims filed by the lender under §682.412(e) or §682.509.

(4) For the purposes of this paragraph, payments by the Secretary on a loan that the original lender assigned to a subsequent holder are considered payments made to the original lender.

(5) State lenders shall consolidate Federal GSL loans for the purpose of calculating the amount of the Secretary's guarantee liability under this section.

(Authority: 20 U.S.C. 1077, 1078-1, 1078-2, 1078-3, 1082)

§682.502 The application to be a lender.

(a) To be considered for participation in the Federal GSL programs, a lender shall submit an application to the Secretary.

(b) In determining whether to enter into a guarantee agreement with an applicant, and, if so, what the terms of the agreement will be, the Secretary considers—

(1) Whether the applicant meets the definition of "eligible lender" in section 435(d) of the Act and the definition of "lender" in §682.200;

(2) Whether the applicant is capable of complying with the regulations in this part as they apply to lenders;

(3) Whether the applicant is capable of implementing adequate procedures for making, servicing, and collecting loans;

(4) Whether the applicant has had prior experience with a similar Federal, State, or private nonprofit student loan program, and the amount and percentage of loans that are currently delinquent or in default under that program;

(5) The financial resources of the applicant; and

(6) In the case of a school that is seeking approval as a lender, its accreditation status.

(c) The Secretary may require an applicant to submit sufficient materials with its application so that the Secretary may fairly evaluate it in accordance with the criteria in this section.

(d)(1) If the Secretary decides not to approve the application for a guarantee agreement, the Secretary's response includes the reason for the decision.

(2) The Secretary provides the lender an opportunity for the lender to meet with a designated Department official if the lender wishes to appeal the Secretary's decision.

(3) However, the Secretary need not explain the reasons for the denial or grant the lender an opportunity to appeal if the lender submits its application within six months of a previous denial.

(Authority: 30 U.S.C. 1078-1, 1078-2, 1078-3, 1079, 1082)

§682.503 The guarantee agreement.

(a)(1) To participate in the Federal GSL programs, a lender must have a guarantee agreement with the Secretary. The Secretary does not guarantee a loan unless it is covered by such an agreement.

(2) In general, under a guarantee agreement the lender agrees to comply with all laws, regulations, and other requirements applicable to its participation as a lender in the Federal GSL programs. In return, the Secretary agrees to guarantee each eligible Federal GSL loan held by the lender against the borrower's default, death, total and permanent disability, or bankruptcy.

(3) The Secretary may include in an agreement a limit on the duration of the agreement and the number or
amount of Federal GSL loans the lender may make or hold.

(b)(1) Except as otherwise approved by the Secretary, a guarantee agreement with a school lender limits the Federal GSL loans made by that school lender that will be covered by the Federal guarantee to those loans made to students, or to parents borrowing on behalf of students, who are—

(i) In attendance at that school;

(ii) In attendance at other schools under the same ownership as that school; or

(iii) Employees or dependents of employees, or whose parents are employees, of that school lender or other schools under the same ownership, under circumstances the Secretary considers appropriate for loan guarantees.

(2) The Secretary may on a school-by-school basis impose limits under paragraph (b)(1)(iii) of this section on a school lender that makes loans to students or to parents of students in attendance at other schools under the same ownership, under circumstances the Secretary considers appropriate for loan guarantees.

§ 682.504 Issuance of Federal loan guarantees.

(a) A lender having a guarantee agreement shall submit an application to the Secretary for a Federal loan guarantee on each intended loan that the lender determines to be eligible for a guarantee. The application must be on a form prescribed by the Secretary. The Secretary notifies the lender whether the loan will be guaranteed and of the amount of the guarantee. No disbursement on a loan made prior to the Secretary’s approval of that loan is covered by the guarantee.

(b) The Secretary issues a guarantee on a Federal GSL loan in reliance on the implied representations of the lender that all requirements for the initial eligibility of the loan for guarantee coverage have been met. As described in §682.513, the continuance of the guarantee is conditioned upon compliance by all holders of the loan with the regulations in this part.

(Authority: 20 U.S.C., 1078-1, 1078-2, 1078-3, 1079, 1082)

§ 682.505 Insurance premium.

(a) General. The Secretary charges the lender an insurance premium for each Federal GSL Program loan that is guaranteed, except that no insurance premium is charged on a Federal Consolidation loan, or on a Federal SLS or Federal PLUS loan made under §682.209(f).

(b) Rate. The rate of the insurance premium is one-fourth of one percent per year of the loan principal, excluding interest or other charges that may have been added to the principal.

FISL loans—insurance premium calculation. (1) The insurance premium for FISL loans is calculated by—

(i) Counting the number of months beginning with the month following the month in which each disbursement on the loan is to be made and ending 12 months after the borrower’s anticipated graduation from the school for attendance at which the loan is sought;

(ii) Dividing one-fourth of one percent of the principal amount of the loan by 12; and

(iii) Multiplying the result obtained in paragraph (c)(1)(i) of this section by that obtained in paragraph (c)(1)(ii) of this section.

(2) If the lender disburses the loan in multiple installments, the insurance premium is calculated for each disbursement from the month following the month that the disbursement is made.

(d) Federal PLUS and SLS Loans—insurance premium calculation. The insurance premium for a Federal PLUS or SLS loan is calculated by—

(1) Using the projected repayment period as a base;

(2) Amortizing the loan in equal monthly installments over the repayment period;

(3) Determining one-fourth of one percent of each monthly declining principal balance; and

(4) Computing the total of monthly amounts calculated under paragraph (d)(3) of this section.
(e) Collection from lenders. (1) The Secretary may bill the lender for the insurance premium or may require the lender to pay the insurance premium to the Secretary at the time of disbursement of the loan. At the Secretary's discretion, the Secretary may alternatively collect the insurance premium by offsetting it against amounts payable by the Secretary to the lender.

(2) The Secretary's guarantee on a loan ceases to be effective if the lender fails to pay the insurance premium within 60 days of the date payment is due. However, the Secretary may excuse late payment of an insurance premium and reinstate the guarantee coverage on a loan if the Secretary is satisfied that at the time the premium is paid—

(i) The loan is not in default and the borrower is not delinquent in making installment payments; or

(ii) The loan is in default, or the borrower is delinquent, under circumstances where the borrower has entered the repayment period without the lender's knowledge.

Collection from borrowers. The lender may pass along the cost of the insurance premium to the borrower. If it does so, the insurance premium must be deducted from each disbursement of the loan in an amount proportionate to that disbursement's contribution to the premium amount.

(g) Refund provisions. The insurance premium is not refundable by the Secretary and need not be refunded by the lender to the borrower, even if the borrower prepays, defaults, dies, becomes totally and permanently disabled, or files a petition in bankruptcy.

§ 682.507 Due diligence in collecting a loan.

(a) General. (1) Except as provided in paragraph (a)(4) of this section, a lender shall exercise due diligence in the collection of a loan with respect to both a borrower and an authorized endorser. In order to exercise due diligence, a lender shall implement the procedures described in this section if a borrower fails to make an installment payment when due.

(2) If two borrowers are liable for repayment of a Federal PLUS or Federal Consolidation loan as co-makers, the lender must follow these procedures with respect to both borrowers.

(3) For purposes of this section, the borrower's delinquency begins on the day after the due date of an installment payment not paid when due, except that if the borrower entered the repayment period without the lender's knowledge, the delinquency begins 30 days after the day the lender receives notice that the borrower has entered the repayment period.

(4) In lieu of the procedures described in this section, a lender may use the due diligence procedures in § 682.411 in collecting a Federal GSL loan.

(b) Initial delinquency. If a borrower is delinquent in making a payment, the lender shall remind the borrower within 10 working days of the date the payment was due by means of a letter, notice, telephone call, or personal contact. If payments do not begin or resume, the lender shall attempt to contact the borrower—

(1) At last six more times at regular intervals during the remainder of the
six-month period that started on the date of delinquency for loans repayable in monthly installments; or
(2) At least eight more times during the remainder of the eight-month period that started on the date of delinquency for loans repayable in installments less frequent than monthly.
(c) Skip-tracing assistance. (1) If a lender does not know the borrower’s current address, the lender promptly shall attempt to locate the borrower through normal commercial collection activities, including contacting all individuals and entities named in the borrower’s loan application. If these efforts are unsuccessful, the lender promptly shall attempt to learn the borrower’s current address through use of the Department’s skip-tracing assistance.
(2) If the lender does not know the borrower’s address when a borrower is first delinquent in making a payment, but subsequently obtains the borrower’s address prior to the date on which the loan goes into default, the lender shall attempt to contact the borrower in accordance with paragraph (b) of this section, with the first contact occurring within 15 days of the date the lender obtained knowledge of the borrower’s address, and shall attempt to contact the borrower at least once during each succeeding 30-day period until default.
(d) Preclaims assistance. When the borrower is 60 days delinquent in making a payment, the lender shall request preclaims assistance from the Department of Education. This preclaims assistance consists of sending a series of letters to the borrower, urging the borrower to contact the lender and begin or resume payments.
(e) Final demand letter. A lender shall send a final demand letter to the borrower at least 30 days before the lender files a default claim. The lender shall allow the borrower at least 30 days to respond to the final demand letter. However, a lender need not send a final demand letter to a borrower whose address is unknown to the lender.
(f) Litigation. (1) If a loan is in default and the lender determines that the borrower or an endorser has the ability to repay the loan, the lender may bring suit against the borrower or the endorser to recover the amount of the unpaid principal and interest, together with reasonable attorneys’ fees, late charges, and court costs.
(2) Prior to bringing suit the lender shall—
(i) Obtain the Secretary’s approval; and
(ii) Notify the borrower or endorser in writing that it has received the Secretary’s approval to bring suit on the loan, and that unless the borrower or endorser makes payments sufficient to bring the account out of default, the lender will seek a judgment under which the borrower or endorser will be liable for payment of late charges, attorneys’ fees, collection agency charges, court costs, and other reasonable collection costs in addition to the unpaid principal and interest on the loan. The lender shall mail the notice to the borrower or endorser by certified mail, return receipt requested.
(3) The lender may bring suit if the borrower or endorser does not make payments sufficient to bring the account out of default within 10 days following the date of delivery of the notice described in paragraph (f)(2)(ii) of this section to the borrower or endorser indicated on the receipt.
(4) A lender may first apply the proceeds of any judgment against its attorneys’ fees, court costs, collection agency charges, and other reasonable collection costs, whether or not the judgment provides for these fees and costs.

§ 682.508 Assignment of a loan.
(a) General. A Federal GSL loan may not be assigned except to another eligible lender. For the purpose of this paragraph, “assigned” means any kind of transfer of an interest in the loan, including a pledge of such an interest as security.
(b)(1) Procedure. If the assignment of a FISL Program loan is to result in a change in the identity of the party to
§ 682.509 Special conditions for filing a claim.

(a) A lender shall cease collection activity on a loan and file a claim with the Secretary within the time specified in §682.511(e)(3), if—

(1) In the case of a loan that was not made or originated by the school, the lender learns that while the student was enrolled at the school the school terminated its teaching activities for that student during the academic period covered by the loan; or

(2) The Secretary directs that the claim be filed.

(b) A lender may not as a result of a claim filed with the Secretary under this section report a borrower's loan as in default to any credit bureau or other third party.

§ 682.510 Determination of the borrower's death, total and permanent disability, or bankruptcy.

(a) The procedures in §682.402(a)-(d) for determining whether a borrower has died, become totally and permanently disabled, or filed a bankruptcy petition apply to the Federal GSL programs.

(b) For purposes of this section, references to the "guaranty agency" in §682.402(d)(5) shall be understood to refer to the Secretary.

§ 682.511 Procedures for filing a claim.

(a) Filing a claim application. (1) A lender may file a claim against the Secretary's guarantee on a Federal GSL loan for any of the following reasons:

(i) The loan is in default, as defined in §682.200.

(ii) Any of the conditions exist for filing a claim without collection efforts, as set forth in §682.412(e)(2) or §682.509.

(iii) The borrower has died, become totally and permanently disabled, or filed a bankruptcy petition, as determined by the lender in accordance with §682.510.

(2) If a Federal PLUS loan was obtained by two eligible parents as co-makers, or a Federal Consolidation loan was obtained jointly by a married couple, the reason for filing a claim must hold true for both applicants, or each applicant must have satisfied a claimable criterion at the time of the request for discharge of the loan.

(3) A lender may file a claim against the Secretary's guarantee only on a form provided by the Secretary. The lender shall attach to the claim all documents required by the Secretary.
If the lender fails to do so, the Secretary denies the claim.

(b) Documentation required for claims. (1) The Secretary requires a lender to submit the following documentation with all claims:
   (i) The original promissory note.
   (ii) The loan application.
   (iii) The repayment instrument.
   (iv) A payment history, as described in §682.414(a)(3)(i)(l).
   (v) A collection history, as described in §682.414(a)(3)(ii)(J).
   (vi) A copy of the final demand letter if required by §682.507(e).
   (vii) The original or a copy of all correspondence addressed to, from, or on behalf of the borrower that is relevant to the loan, whether that correspondence involved the original lender, a subsequent holder, or a servicing agent.
   (viii) If applicable, evidence of the lender’s request to the Department for skip-tracing assistance under §682.507(c) and for preclaims assistance under §682.507(d).
   (ix) Any additional documentation that the Secretary determines is relevant to a claim.

(2) The documentation requirements for death, total and permanent disability, or bankruptcy claims in §682.402(g)(1) apply to the Federal GSL programs. For purposes of this section, references to the “guaranty agency” in §682.402(e)(2) mean the Secretary.

(c) Assignment of note. The Secretary’s payment of a claim is contingent upon receipt from the lender of an assignment to the United States of America of all rights, title, and interest of the lender in the note underlying the claim.

(d) Bankruptcy subsequent to default. If the lender files a default claim on a loan and subsequently receives a notice of the first meeting of creditors in the proceeding of the borrower in bankruptcy, the lender shall promptly forward that notice to the Department of Education. Under these circumstances the lender shall not file a proof of claim with the bankruptcy court.

(e) Claim filing deadlines. To obtain payment of a claim, a lender shall comply with the following deadlines:

(1) Default claims. Unless the lender has already filed suit against the borrower in accordance with §682.507(f), it shall file a default claim on a loan with the Secretary within 90 days after a default has occurred on the loan. For a claim filed by a lender pursuant to §682.412(e)(2), as directed in §682.208(f)(2), the lender shall file a claim within 90 days following transmission of the final demand letter sent pursuant to §682.411(e) if the borrower failed to comply with the terms of the letter within 30 days of the transmission.

(2) Death, total and permanent disability, or bankruptcy claims. The claim filing deadlines in §682.402(e)(2) apply to the Federal GSL programs. For purposes of this section, references to the “guaranty agency” in §682.402(e)(2) mean the Secretary.

(3) Special condition claims. In the case of a special condition claim filed pursuant to §682.509, the lender shall file a claim with the Secretary within 45 days of the date the lender determines that the conditions set forth in §682.509(a)(1) exist, or the date the Secretary directs that the claim be filed pursuant to §682.509(a)(2).

§682.512 Determination of amount payable on a claim.

(a) Default claims. (1) Amount payable. The amount of loss to be paid on a default claim depends upon the date the Secretary received the application for a guarantee commitment on the loan. If the application was received—

(i) Prior to July 1, 1972, or from August 19, 1972 through February 28, 1973, the amount payable on a valid claim is equal to the unpaid balance of the original principal loan amount disbursed; or

(ii) From July 1 through August 18, 1972, or after February 28, 1973, the amount payable on a valid claim is equal to the unpaid balance of the principal and interest in accordance with paragraph (a)(2) of this section. The unpaid principal amount of the loan may
§ 682.513 Factors affecting coverage of a loan under the loan guarantee.

(a)(1) In determining whether to approve for payment a claim against the Secretary's guarantee, the Secretary considers matters affecting the enforceability of the loan obligation and whether the loan was made and administered in accordance with the Act and applicable regulations.

(2) The Secretary deducts from a claim any amount that is not a legally enforceable obligation of the borrower, except to the extent that the defense of infancy applies.

(b) Except as provided in § 682.509, the Secretary does not pay a death, disability, or bankruptcy claim for a loan after a default claim for that loan has been disapproved by the Secretary or if it would not be payable as a default claim by the Secretary.

(c) The Secretary's determination of the amount of loss payable on a default claim under this part, once final, is conclusive and binding on the lender that filed the claim.

(ii) Is calculated in accordance with § 682.402(h)(2) and (h)(3) if the loan was disbursed after December 14, 1968.

(b) To receive payment on a default claim or to resume eligibility to receive interest benefits and special allowance on a loan as to which a lender has committed a violation of the requirements of this part regarding due diligence in collection or timely filing of claims, the lender shall meet the conditions described in appendix C to this part.

§682.515 Records, reports, and inspection requirements for Federal GSL program lenders.

(a) Records.

(1) A lender shall maintain current, complete, and accurate records of each loan that it holds, including, but not limited to, the records described in §682.414(a)(3)(ii). The records must be maintained in a system that allows ready identification of each loan’s current status.

(2) A lender shall retain the records required for each loan for not less than five years following the date the loan is repaid in full by the borrower or the lender is reimbursed on a claim. However, in particular cases the Secretary may require the retention of records beyond this minimum period.

(3)(i) The lender may store the records specified in §682.414(a)(3)(ii)(C)-(K) on microfilm, optical disk, or other machine readable format.

(ii) The holder of the promissory note shall retain the original note and repayment instrument until the loan is fully repaid. At that time the holder shall return the original note and repayment instrument to the borrower and retain copies for the prescribed period.

(iii) The lender shall retain the original or a copy of the loan application.

(b) Reports. A lender shall submit reports to the Secretary at the time and in the manner that the Secretary reasonably may require.

(c) Inspections. Upon request, a lender or its agent shall cooperate with the Secretary, the Department’s Office of the Inspector General, and the Comptroller General of the United States, or their authorized representatives, in the conduct of audits, investigations, and program reviews. This cooperation must include—

(1) Providing timely access for examination and copying to the records (including computerized records) required by applicable regulations and to any other pertinent books, documents, papers, computer programs, and records; and

(2) Providing reasonable access to lender personnel associated with the lender’s administration of the Title IV, HEA programs for the purpose of obtaining relevant information. In providing reasonable access, the institution may not—

(i) Refuse to supply any relevant information;

(ii) Refuse to permit interviews with those personnel that do not include the presence of representatives of the lender’s management; and

(iii) Refuse to permit personnel interviews with those personnel that are not recorded by the lender.

§682.601 Rules for a school that makes or originates loans.

(a) General. To make or originate loans under the FFEL programs—

(1) The school shall employ full-time at least one person whose responsibilities are limited to the administration of financial aid programs for students attending the school;
(2) The school may not be a correspondence school;
(3) The school may not make or originate loans that would be outstanding to or on behalf of more than 50 percent of the undergraduates in attendance at that school on at least a half-time basis unless the Secretary waives this rule pursuant to paragraph (c) of this section;
(4) The school shall inform any undergraduate student who has not previously obtained a loan that was made or originated by the school and who seeks to obtain such a loan that he or she must first make a good faith effort to obtain a loan from a commercial lender;
(5)(i) The school may not make or originate a loan for an academic period to a student described in paragraph (a)(4) of this section until the student provides the school with evidence under paragraph (b) of this section of denial of a loan by a commercial lender;
(ii) In determining whether a school has complied with the requirement set paragraph (a)(5)(i) of this section, the Secretary may take into consideration any patterns reflected by the letters of denial or the students' sworn statements referred to in paragraph (b) of this section that indicate that the school has not given sufficient counseling to students to seek loans from a commercial lender first. An example of an unacceptable pattern would be if all denials of loans to a school’s students were made by a small number of lenders; and
(6) The school’s cohort default rate as calculated under §668.17 may not exceed 15 percent; and
(7) Except for reasonable administrative expenses directly related to the FFEL Program, the school must use payments received under §682.300 and §682.302 for need-based grant programs for its students;
(a) Establishing a loan denial by a commercial lender. (1) To verify that a borrower has sought and been denied a loan from a commercial lender pursuant to paragraph (a)(4) of this section, the school shall obtain from the borrower—
(i) A written statement from a commercial lender indicating that the lender denied the borrower a loan for that academic period; or
(ii) The borrower’s sworn statement, indicating both the refusal of a loan by a commercial lender and the lender’s refusal to provide a written statement of the denial.
(2) If the borrower’s statement is used to establish the denial of a loan, the statement must include—
(i) The name and address of the lender that denied the loan;
(ii) The approximate date on which the loan was denied;
(iii) The name and telephone number of the official who communicated the denial to the borrower; and
(iv) The borrower’s signature.
(b) Waiver of the 50 percent lending limit. A school may request the Secretary to waive the 50 percent lending limit described in paragraph (a)(3) of this section if adherence to that limit would create a substantial hardship for the school’s present or prospective students. The Secretary determines whether to grant the school a waiver after considering, among other factors—
(1) The extent to which the school provides and expects to continue providing educational opportunities to economically disadvantaged students, as measured by the percentage of those students enrolled at the school who—
(i) Are in families that fall within the “low-income family” category used by the Bureau of the Census;
(ii) Would not be able to enroll or continue their enrollment at that school without Stafford, SLS, or PLUS loans made or originated by the school; and
(iii) Would not be able to obtain a comparable education at another school;
(2) The extent to which the school offers educational programs that—
§ 682.603 Certification by a participating school in connection with a loan application.

(a) A school shall certify that the information it provides in connection with a loan application about the borrower and, in the case of a parent borrower, the student for whom the loan is intended, is complete and accurate. Except as provided in 34 CFR part 668, subpart E, a school may rely in good faith upon statements made on the application by the student.

(b) The information to be provided by the school about the borrower making application for the loan pertains to—

(1) The borrower's eligibility for a loan, as determined in accordance with § 682.201 and § 682.401(b)(1) and (2);

(2) The student's estimated cost of attendance for the period for which the loan is sought;

(3) The student's estimated financial assistance for the period for which the loan is sought;

(4) For a Stafford loan, the student's eligibility for interest benefits, based on information provided by the student upon which the school can rely and as determined in accordance with § 682.301; and

(5) The schedule for disbursement of the loan proceeds, which must reflect the delivery of the loan proceeds as set forth in § 682.604(c)(6).

(c) [Reserved]

(d) A school may not certify a Stafford or PLUS loan application, or combination of loan applications, for a loan amount that—

(1) The school has reason to know would result in the borrower exceeding the annual or maximum loan amounts in § 682.204; or

(2) Exceeds the student’s estimated cost of attendance, less—

(i) The student’s estimated financial assistance for that period; and

(ii) In the case of a Stafford loan that is eligible for interest benefits, the borrower’s expected family contribution for that period.

(e) A school may refuse to certify a Stafford or PLUS loan application or may reduce the borrower’s determination of need for the loan if the reason for that action is documented and provided to the student in writing, provided—

(1) The determination is made on a case-by-case basis;

(2) The documentation supporting the determination is retained in the student’s file; and

(3) The school does not engage in any pattern or practice that results in a denial of a borrower’s access to FFEL loans because of the borrower’s race, sex, color, religion, national origin, age, handicapped status, income, or selection of a particular lender or guaranty agency.

(f)(1) The minimum period of enrollment for which a school may certify a loan application is—

(i)(A) At a school that measures academic progress in credit hours and uses a semester, trimester, or quarter system, a single academic term (e.g., a semester or quarter); or

(B) For a defaulted borrower who has regained eligibility under § 682.401(b)(4), the academic year in which the borrower regained eligibility.

(ii) At a school that measures academic progress in clock hours, or measures academic progress in credit hours but does not use a semester, trimester, or quarter system, the lesser of—

(A) The length of the student’s program at the school; or

(B) The academic year as defined by the school in accordance with 34 CFR 668.2.

(2) The maximum period for which a school may certify a loan application
§ 682.604 Processing the borrower’s loan proceeds and counseling borrowers.

(2) Prior to a school delivering or crediting an FFEL loan account by EFT or master check, the school must provide the student or parent borrower with the notice as described under § 668.165.

(b) Releasing loan proceeds. (1) Except as provided in § 682.207(b)(1)(v)(C)(1) and (D)(1), the proceeds of a Stafford, SLS or PLUS loan disbursed using electronic transfer of funds must be sent directly to the school by the lender.

(2)(i) Except in the case of a late disbursement under paragraph (e) of this section or as provided in paragraph (b)(2)(iii) or (iv) of this section, a school may not request the disbursement of a loan only to a student whom the school determines, after the school receives those proceeds from the lender, continuously has maintained eligibility in accordance with the provisions of § 682.201. (2)(ii) Except in the case of a late disbursement under paragraph (e) of this section or as provided in paragraph (b)(2)(iii) or (iv) of this section, a school may request the disbursement of a loan only to a student whom the school determines, after the school receives those proceeds from the lender, continuously has maintained eligibility in accordance with the provisions of § 682.201. (2)(iv) Except in the case of a late disbursement under paragraph (e) of this section or as provided in paragraph (b)(2)(iii) or (iv) of this section, a school may not request the disbursement of a loan only to a student whom the school determines, after the school receives those proceeds from the lender, continuously has maintained eligibility in accordance with the provisions of § 682.201. (2)(v) Except in the case of a late disbursement under paragraph (e) of this section or as provided in paragraph (b)(2)(iii) or (iv) of this section, a school may not request the disbursement of a loan only to a student whom the school determines, after the school receives those proceeds from the lender, continuously has maintained eligibility in accordance with the provisions of § 682.201. (iii) If, after the proceeds of the first disbursement are transmitted to the student, the student becomes ineligible due solely to the school's loss of eligibility to participate in the Title IV programs, the school may transmit the proceeds of the second or subsequent disbursement to the borrower as permitted by §682.26.

(iv) If, prior to the transmittal of the proceeds of a disbursement to the student, the student temporarily ceases to be enrolled on at least a half-time basis, the school may transmit the proceeds of that disbursement and any subsequent disbursement to the student if the school subsequently determines and documents in the student's file—

(A) That the student has resumed enrollment on at least a half-time basis;

(B) The student's revised cost of attendance; and

(C) That the student continues to qualify for the entire amount of the loan, notwithstanding any reduction in the student's cost of attendance caused by the student's temporary cessation of enrollment on at least a half-time basis.

(c) Processing of the loan proceeds by the school. (1)Except as provided in paragraph (c)(3) of this section, if a school receives a borrower's loan proceeds, it shall hold the funds until the student has registered for classes for the period of enrollment for which the loan is intended and then follow the procedures in paragraph (c) (2) of this section.

(2)(i) Except as provided in §682.207(b)(1)(v)(C)(1) and (D)(1), after the student has registered, if the loan proceeds are disbursed by means of a check that requires the endorsement of the student only, the school shall deliver the check to the student, subject to paragraph (d)(2) of this section, within 30 days of the school's receipt of the check.

(ii) If the loan proceeds are disbursed by means of a check that requires the endorsement of both the borrower and the school, the school shall—

(A) In the case of the initial disbursement on a loan, endorse the check on its own behalf, and, after the student has registered, deliver it to the student subject to paragraph (d)(2) of this section, within 30 days of the school's receipt of the check; or

(B) Obtain the borrower's endorsement on the check, endorse the check on its own behalf and, after the student has registered, credit the student's account, in accordance with paragraph (d)(1) of this section, and deliver the remaining loan proceeds to the student, as specified in §688.164(e).

(3) If the loan proceeds are disbursed by electronic funds transfer to an account of the school in accordance with §682.207(b)(1)(ii)(B), or by master check in accordance with §682.207(b)(1)(ii)(C), the school must, unless authorization was provided in the loan application, obtain the student's, or in the case of a PLUS loan, the parent borrower's written authorization for the release of the initial and any subsequent disbursement of each FFEL loan to be made, and after the student has registered either—

(i) Deliver the proceeds to the student or parent borrower as specified in §688.164; or

(ii) Credit the student's account in accordance with paragraph (d)(1) of this section and §688.164, notify the student or parent borrower in writing that it has so credited that account, and deliver to the student or parent borrower the remaining loan proceeds not later than the timeframe specified in 668.164.

(4) A school may not credit a student's account or release the proceeds of a loan to a student who is on a leave of absence, as described in §688.22(j).

(5) A school may not release the first installment of a Stafford or SLS loan for endorsement to a student who is enrolled in the first year of an undergraduate program of study and who has not previously received a Stafford or SLS loan until 30 days after the first day of the student's program of study.

(6) Notwithstanding any other provision of this section, unless §682.207(c)(4) or (5) applies—

(i) If a loan period is more than one payment period, the school shall deliver loan proceeds at least once in each payment period; and

(ii) If a loan period is one payment period, the school shall make at least two deliveries of loan proceeds during that payment period. The school may
not make the second delivery until the calendar midpoint between the first and last scheduled days of class of the loan period.

(7) If an educational program measures academic progress in credit hours and does not use semesters, trimesters, or quarters, the school may not deliver a second disbursement until the later of—

(i) The calendar midpoint between the first and last scheduled days of class of the loan period; or

(ii) The date, as determined by the school, that the student has completed half of the academic coursework in the loan period.

(8) If an educational program measures academic progress in clock hours, the school may not deliver a second disbursement until the later of—

(i) The calendar midpoint between the first and last scheduled days of class of the loan period; or

(ii) The date, as determined by the school, that the student has completed half of the clock hours in the loan period.

(9) The school must deliver loan proceeds in substantially equal installments, and no installment may exceed one-half of the loan.

(d) Applying the loan proceeds.

(1)(i) For purposes of paragraphs (c)(2)(ii)(B) and (c)(3)(ii) of this section, a school may not credit a registered student’s account earlier than the period specified in §668.164.

(ii)(A) The school may credit a registered student’s account with only those loan proceeds covering costs specified in §668.164.

(B) The school, as a fiduciary for the benefit of the guaranty agency, the Secretary, and the student, may hold any additional loan proceeds that the student requests in writing that the school retain in order to assist the student in managing his or her loan funds for the remainder of the academic year. The school shall maintain these funds, as provided in §668.165(b)(5).

(2) For purposes of paragraphs (c)(2)(i), (c)(2)(ii) and (c)(3) of this section, a school may not deliver loan proceeds earlier than the timeframe specified in §668.164.

(3) If a student does not register for the period of enrollment for which the loan was made, or a registered student withdraws or is expelled prior to the first day of classes of the period of enrollment for which the loan is made, the school shall return the proceeds to the lender no later than the period specified in §668.167.

(4) If the school is unable for any other reason to document that a registered student attended school during the period of enrollment for which the loan is made, the school must determine the student’s withdrawal date as required under §668.605, and by the deadline described under §668.605, within 30 days of the period described in §668.607(c) shall notify the lender of the student’s withdrawal, expulsion, or failure to attend school, if applicable, and return to the lender—

(i) Any loan proceeds credited directly by the school to the student’s account; and

(ii) The amount of payments made directly by the student to the school, to the extent that they do not exceed the amount of any loan proceeds delivered by the school to the student.

(e) Processing a late disbursement. (1) A school may process a late disbursement received from a lender under §682.207(d) in accordance with §682.164(g).

(2) If the total amount of the late disbursement and all prior disbursements is greater than that portion of the borrower’s educational charges, the school shall return the balance of the borrower’s loan proceeds to the lender with a notice certifying—

(i) The beginning and ending dates of the period during which the borrower was enrolled at the school as an eligible student during the loan period or payment period; and

(ii) The borrower’s corrected financial need for the loan for that period of enrollment or payment period.

(f) Initial counseling. (1) Except in the case of a student enrolled in a correspondence program or a study-abroad program approved for credit at the home institution, a school shall conduct initial counseling with each Stafford borrower either in person, by audiovisual presentation, touch-tone telephone technology, or by computer-assisted technology. In each case, the school shall conduct this counseling
prior to its release of the first disbursement of the proceeds of the first Stafford loan made to the borrower for attendance at the school, unless the borrower has received a prior Stafford, SLS or Direct loan, and shall ensure that an individual with expertise in the title IV programs is reasonably available shortly after the counseling to answer the borrower’s questions regarding those programs. In the case of a correspondence school or a student enrolled in a study-abroad program that the school approves for credit, the school shall provide the borrower with written counseling materials by mail prior to releasing those proceeds.

(2) In conducting the initial counseling, the school must:

(i) Emphasize to the borrower the seriousness and importance of the repayment obligation the borrower is assuming;

(ii) Describe in forceful terms the likely consequences of default, including adverse credit reports and litigation; and

(iii) In the case of a borrower of a Stafford or SLS loan (other than a loan made or originated by the school), emphasize that the borrower is obligated to repay the full amount of the loan even if the borrower does not complete the program, is unable to obtain employment upon completion, or is otherwise dissatisfied with or does not receive the educational or other services that the borrower purchased from the school.

(3) Additional matters that the Secretary recommends that a school include in the initial counseling session or materials are set forth in appendix D to 34 CFR part 668.

(g) Exit counseling. (1) A school shall conduct in-person exit counseling with each Stafford and SLS borrower shortly before the borrower ceases at least half-time study at the school, except that—

(i) In the case of a student enrolled in a correspondence course, the school shall provide the borrower with written counseling materials by mail within 30 days after the borrower completes the program; and

(ii) If the borrower withdraws from school without the school’s prior knowledge or fails to attend an exit counseling session as scheduled, the school shall mail written counseling material to the borrower at the borrower’s last known address within 30 days after learning that the borrower has withdrawn from school or failed to attend the scheduled session.

(2) In conducting the exit counseling, the school shall—

(i) Inform the student of the average anticipated monthly repayment amount based on the student’s indebtedness or on the average indebtedness of students who have obtained Stafford or SLS loans for attendance at that school or in the borrower’s program of study;

(ii) Review for the borrower available repayment options (e.g., loan consolidation, refinancing);

(iii) Suggest to the borrower debt-management strategies that the school determines would best assist repayment by the borrower;

(iv) Include the matters described in paragraph (f)(2) of this section;

(v) Review with the borrower the conditions under which the borrower may defer repayment or obtain partial cancellation of a loan; and

(vi) Require the borrower to provide corrections to the institution’s records concerning name, address, social security number, references, and driver’s license number, as well as the borrower’s expected permanent address, the address of the borrower’s next of kin, and the name and address of the borrower’s expected employer that will then be provided within 60 days to the guaranty agency or agencies listed in the borrower’s records.

(3) Additional matters that the Secretary recommends that a school include in the exit counseling session or materials are set forth in appendix D to 34 CFR part 668.

(4) The school shall maintain in the student borrower’s file documents substantiating the school’s compliance with paragraphs (f)-(g) of this section as to that borrower.

(h) Treatment of excess loan proceeds. Except as provided under paragraph (i) of this section, or in the case of a student attending a foreign school, if, before the delivery of any Stafford or SLS loan disbursement, the school learns that the borrower will receive or
§ 682.605 Determining the date of a student’s withdrawal.

(a) Except in the case of a student who does not return for the next scheduled term following a summer break, which includes any summer term(s) in which classes are offered but students are not generally required to attend, a school shall follow the procedures in 34 CFR 668.22(j) for determining the student’s date of withdrawal. In the case of a student who does not return from a summer break, the school must follow the procedures in 34 CFR 668.22(j) except that the school shall determine the student’s withdrawal date no later than 30 days after the first day of the next scheduled term.

(b) The school shall use the withdrawal date determined under 34 CFR 668.22(j) for the purpose of reporting to the lender the date that the student has withdrawn from the school.

(c) For the purpose of a school’s reporting to a lender, a student’s withdrawal date is the month, day and year of the withdrawal date.

§ 682.606 [Reserved]

§ 682.607 Payment of a refund to a lender.

(a) General. By applying for a FFEL loan, a borrower authorizes the school to pay directly to the lender that portion of a refund from the school that is allocable to the loan. A school—

(1) Shall pay that portion of the student’s refund that is allocable to a FFEL loan to—

(i) The original lender; or

(ii) A subsequent holder, if the loan has been transferred and the school knows the new holder’s identity; and

(2) Shall provide simultaneous written notice to the borrower if the school pays a refund to a lender on behalf of that student.

(b) Allocation of refund. In determining the portion of a student’s refund for an academic period that is allocable to a FFEL loan received by the borrower for that academic period, the school shall follow the procedures established in 34 CFR part 668 for allocating a refund that is payable.

(c) Timely payment. A school shall pay a refund that is due—

(1) Within 60 days of the date that the student officially withdraws, is expelled, or the institution determines that a student has unofficially withdrawn, as determined in accordance with 34 CFR 668.22(j) and § 682.605.

(2) In the case of a student who does not return to school at the expiration of the academic period that includes the date the student withdraws as determined by the school.
§ 682.608 Termination of a school's lending eligibility.

(a) General. The Secretary may terminate a school's eligibility to make loans under this part if the school reaches the 15 percent limit on loan defaults described in paragraph (b) of this section.

(b) The 15 percent limit. (1) The Secretary may terminate a school's eligibility to make loans if at the end of each of the 2 most recent consecutive Federal fiscal years for which data are available, the total amount of loans described in paragraph (b)(1)(i) of this section is equal to or greater than 15 percent of the total amount of loans described in paragraph (b)(1)(ii) of this section as follows:

(i) The original principal amount of all loans the school has ever made that went into default during that period.

(ii) The original principal amount of all loans the school has ever made, including loans in deferment status that—

(A) Were in repayment status at the beginning of that period; or

(B) Entered repayment status during that period.

(2) In making the determination under this section, the Secretary considers the status of all FFEL loans made by the school whether the loans are held by the school or by a subsequent holder.

(c) Exception based on hardship. The Secretary does not terminate a school's lending eligibility under paragraphs (a) and (b) of this section if the Secretary determines that the termination would result in a hardship for the school or its students. The Secretary makes this determination if the school shows that—

(1) Termination is not justified in light of recent improvements the school has made in its collection capabilities that will reduce the school's loan default rate significantly within the next year. Examples of these improvements include—

(i) Adopting more efficient collection procedures; or

(ii) Employing increased collection staff; or

(2) Termination would cause a substantial hardship to the school's current or prospective students or their parents based on—

(i) The extent to which the school provides, and expects to continue to provide educational opportunities to economically disadvantaged students as measured by the percentage of students enrolled at the school who—

(A) Are in families that fall within the "low-income family" category used by the Bureau of the Census;

(B) Would not be able to enroll or continue their enrollment at that school without a loan from the school; and

(C) Would not be able to obtain a comparable education at another school;

(ii) The extent to which the school offers educational programs that—

(A) Are unique in the geographical area that the school serves; and

(B) Would not be available to some students if they or their parents could not obtain loans from the school; and

(iii) The quality of improvements the school has made in its—

(A) Management of student financial assistance programs; and

(B) Conformance with sound business practices.

(d) Termination procedures. (1) The Secretary notifies the school of the proposed termination of its lending eligibility and provides an opportunity for a hearing before the Secretary terminates the school under this section.

(2) The Secretary or his designee begins a termination action by sending a notice to the school. The notice is sent by certified mail with return receipt requested. The notice—

(i) Informs the school of the intent to terminate the school's lending eligibility because of the school's default experience;
§ 682.609 Remedial actions.

(a) The Secretary may require a school to repay funds paid to other program participants by the Secretary. The Secretary also may require a school to purchase from the holder of a FFEL loan that portion of the loan that is unenforceable, that the borrower was ineligible to receive, or for which the borrower was ineligible to receive interest benefits contrary to the school’s certification, and to make arrangements acceptable to the Secretary for reimbursement of the amounts the Secretary will be obligated to pay to program participants respecting that loan in the future. The repayment of funds and purchase of loans may be required if the Secretary determines that the payment to program participants, the unenforceability of the loan, or the disbursement of loan amounts for which the borrower was ineligible or for which the borrower was ineligible for interest benefits, resulted in whole or in part from—

(1) The school’s violation of a Federal statute or regulation; or

(2) The school’s negligent or willful false certification.

In requiring a school to repay funds to the Secretary or to another party or to purchase loans from a holder in connection with an audit or program review, the Secretary follows the procedures described in 34 CFR part 668, subpart H.

(c) Notwithstanding paragraph (a) of this section, the Secretary may waive the right to require repayment of funds or repurchase of loans by a school if, in the Secretary’s judgment, the best interest of the United States so requires.

(d) The Secretary may impose a fine or take an emergency action against a school or limit, suspend, or terminate a school’s participation in the FFEL programs, in accordance with 34 CFR part 668, subpart G.

(e) A school shall comply with any emergency action, limitation, suspension, or termination imposed by a
§ 682.610 Administrative and fiscal requirements for participating schools.

   (2) Follow the record retention and examination provisions in this part and in 34 CFR 668.24; and
   (3) Submit all reports required by this part and 34 CFR part 668 to the Secretary.

(b) Loan record requirements. In addition to records required by 34 CFR part 668, for each Stafford, SLS, or PLUS loan received by or on behalf of its students, a school shall maintain a copy of the loan application or data electronically submitted to the lender, that includes—
   (1) The name of the lender;
   (2) The address of the lender;
   (3) The amount of the loan and the period of enrollment for which the loan was intended;
   (4) For loans delivered to the school by check, the date the school endorsed each loan check, if required;
   (5) The date or dates of delivery of the loan proceeds by the school to the student or to the parent borrower; and
   (6) For loans delivered by electronic funds transfer or master check, a copy of the borrower’s written authorization required under §682.604(c)(3) to deliver the initial and subsequent disbursements of each FFEL program loan.

(c) Student status confirmation reports. A school shall—
   (1) Upon receipt of a student status confirmation report form from the Secretary or a similar student status confirmation report form from any guaranty agency, complete and return that report within 30 days of receipt to the Secretary or the guaranty agency, as appropriate; and
   (2) Unless it expects to submit its next student status confirmation report to the Secretary or the guaranty agency within the next 60 days, notify the guaranty agency or lender within 30 days—
      (i) If it discovers that a Stafford, SLS, or PLUS loan has been made to or on behalf of a student who enrolled at that school, but who has ceased to be enrolled on at least a half-time basis;
      (ii) If it discovers that a Stafford, SLS, or PLUS loan has been made to or on behalf of a student who has been accepted for enrollment at that school, but who failed to enroll on at least a half-time basis for the period for which the loan was intended;
      (iii) If it discovers that a Stafford, SLS, or PLUS loan has been made to or on behalf of a full-time student who has ceased to be enrolled on a full-time basis; or
      (iv) If it discovers that a student who is enrolled and who has received a Stafford or SLS loan has changed his or her permanent address.

§ 682.705 Suspension proceedings.

(a) Scope. (1) A suspension by the Secretary removes a lender's eligibility under the FFEL programs or a third-party servicer's ability to enter into contracts with eligible lenders, and the Secretary does not guarantee or reinsure a new loan made by the lender or new loan serviced by the servicer during a period not to exceed 60 days from the date the suspension becomes effective, unless—

(2) If the lender or servicer requests a hearing within the time specified in paragraph (a)(2)(vi) of this section, the Secretary schedules the date and place of the hearing. The date is at least 15
days after receipt of the request from the lender or servicer. No proposed limitation or termination takes effect until a hearing is held.

(3) The hearing is conducted by a presiding officer who—
   (i) Ensures that a written record of the hearing is made;
   (ii) Considers relevant written material presented before the hearing and other relevant evidence presented during the hearing; and
   (iii) Issues an initial decision, based on findings of fact and conclusions of law, that may limit or terminate the lender’s or servicer’s eligibility if the presiding officer is persuaded that the limitation or termination is warranted by the evidence.

(4) The formal rules of evidence do not apply, and no discovery, as provided in the Federal Rules of Civil Procedure (28 U.S.C. appendix), is required.

(5) The presiding officer shall base findings of fact only on evidence presented at or before the hearing and matters given official notice.

(6) If a termination action is brought against a lender or third-party servicer and the presiding officer concludes that a limitation is more appropriate, the presiding officer may issue a decision imposing one or more limitations on a lender or third-party servicer rather than terminating the lender’s or servicer’s eligibility.

(7) In a termination action against a lender or third-party servicer based on a debarment under Executive Order 12549 or under the Federal Acquisition Regulation (FAR), 48 CFR part 9, subpart 9.4 that does not meet the standards described in 34 CFR 85.201(c), the presiding official finds that the debarment constitutes prima facie evidence that cause for debarment and termination under this subpart exists.

(8) The initial decision of the presiding officer is mailed to the lender or servicer.

(9) Any time schedule specified in this section may be shortened with the approval of the presiding officer and the consent of the lender or servicer and the Secretary or designated Departmental official.

(10) The presiding officer’s initial decision automatically becomes the Secretary’s final decision 20 days after it is issued and received by both parties unless the lender, servicer, or designated Departmental official appeals the decision to the Secretary within this period.

(c) Notwithstanding the other provisions of this section, if a lender or a lender’s owner or officer or third-party servicer or servicer’s owner or officer, respectively, is convicted of or pled nolo contendere or guilty to a crime involving the unlawful acquisition, use, or expenditure of FFEL program funds, that conviction or guilty plea is grounds for terminating the lender’s or servicer’s eligibility, respectively, to participate in the FFEL programs.

§ 682.707 Appeals in a limitation or termination proceeding.

(a) If the lender, third-party servicer, or designated Departmental official appeals the initial decision of the presiding officer in accordance with § 682.706(b)(9)—

   (1) An appeal is made to the Secretary by submitting to the Secretary and the opposing party within 15 days of the date of the appealing party’s receipt of the presiding officer’s decision, a brief or other written material explaining why the decision of the presiding officer should be overturned or modified; and

   (2) The opposing party shall submit its brief or other written material to the Secretary and the appealing party within 15 days of its receipt of the brief or written material of the appealing party.

(b) The Secretary issues a final decision affirming, modifying, or reversing the initial decision, including a statement of the reasons for the Secretary’s decision.

(c) Any party submitting material to the Secretary shall provide a copy to each party that participates in the hearing.

(d) If the presiding officer’s initial decision would limit or terminate the lender’s or servicer’s eligibility, it does not take effect pending the appeal unless the Secretary determines that a stay of the date it becomes effective would seriously and adversely affect
§ 682.708 Evidence of mailing and receipt dates.

(a) All mailing dates and receipt dates referred to in this subpart must be substantiated by the original receipts from the U.S. Postal Service.

(b) If a lender or third-party servicer refuses to accept a notice mailed under this subpart, the Secretary considers the notice as being received on the date that the lender or servicer refuses to accept the notice.

§ 682.709 Reimbursements, refunds, and offsets.

(a) As part of a limitation or termination proceeding, the Secretary, or a designated Departmental official, may require a lender or third-party servicer to take reasonable corrective action to remedy a violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA.

(b) The corrective action may include payment to the Secretary or recipients designated by the Secretary of any funds, and any interest thereon, that the lender, or, in the case of a third-party servicer, the servicer or the lender that has a contract with a third-party servicer, improperly received, withheld, disbursed, or caused to be disbursed. A third-party servicer may be held liable up to the amounts specified in § 682.413(a)(2).

(d)(1) If the Secretary denies the request or establishes other limitations, the lender or servicer, upon request, is given an opportunity to show why all limitations should be removed.

(2) A lender or third-party servicer may continue to participate in the FFEL programs, subject to any limitation imposed by the Secretary under paragraph (c)(3) of this section, pending a decision by the Secretary on a request under paragraph (d)(1) of this section.

§ 682.710 Removal of limitation.

(a) A lender or third-party servicer may request removal of a limitation imposed by the Secretary in accordance with the regulations in this subpart at any time more than 12 months after the date the limitation becomes effective.

(b) The request must be in writing and must show that the lender or servicer has corrected any violations on which the limitation was based.

(c) Within 60 days after receiving the request, the Secretary—

(1) Grants the request;

(2) Denies the request; or

(3) Grants the request subject to other limitations.

(d)(1) If the Secretary denies the request or establishes other limitations, the lender or servicer, upon request, is given an opportunity to show why all limitations should be removed.

(2) A lender or third-party servicer may continue to participate in the FFEL programs, subject to any limitation imposed by the Secretary under paragraph (c)(3) of this section, pending a decision by the Secretary on a request under paragraph (d)(1) of this section.

§ 682.711 Reinstatement after termination.

(a) A lender or third-party servicer whose eligibility has been terminated by the Secretary in accordance with the procedures of this subpart may request reinstatement of its eligibility after the later of—

(1) Eighteen months from the effective date of the termination; or

(2) The expiration of the period of debarment under Executive Order 12459 or the Federal Acquisition Regulation (FAR), 48 CFR part 9, subpart 9.4.

(b) The request must be in writing and must show that—
§ 682.712 Disqualification review of limitation, suspension, and termination actions taken by guaranty agencies against lenders.

(a) The Secretary reviews a limitation, suspension, or termination action taken by a guaranty agency against a lender participating in the FFEL programs to determine if national disqualification is appropriate. Upon completion of the Secretary's review, the Secretary notifies the guaranty agency and the lender of the Secretary's decision by mail.

(b) The Secretary disqualifies a lender from participation in the FFEL programs if—

(1) The lender waives review by the Secretary; or

(2) The Secretary conducts the review and determines that the limitation, suspension, or termination was imposed in accordance with section 428(b)(1)(U) of the Act.

(c)(1) Disqualification by the Secretary continues until the Secretary is satisfied that—

(i) The lender has corrected the failure that led to the limitation, suspension, or termination; and

(ii) There are reasonable assurances that the lender will comply with the requirements of the FFEL programs in the future.

(2) Revocation of disqualification by the Secretary does not remove any limitation, suspension, or termination imposed by the agency whose action resulted in the disqualification.

(d) A guaranty agency shall refer a limitation, suspension, or termination action that it takes against a lender to the Secretary within 30 days of its final decision to limit, suspend, or terminate the lender's eligibility to participate in the agency's program.

(e) The Secretary reviews an agency's limitation, suspension, or termination of a lender's eligibility only when the guaranty agency's action is final, e.g., the lender is not entitled to any further appeals within the guaranty agency. A subsequent court challenge to an agency's action does not by itself affect the timing of the Secretary's review.

(f) The guaranty agency's notice to the Secretary regarding a termination action must include a certified copy of the administrative record compiled by the agency with regard to the action. The record must include certified copies of the following documents:

(1) The guaranty agency's letter initiating the action.

(2) The lender's response.

(3) The transcript of the agency's hearing.

(4) The decision of the agency's hearing officer.

(8) All other documents relevant to the action.

(g) The guaranty agency's referral notice to the Secretary regarding a limitation or suspension action must include—

(1) The documents described in paragraph (f) of this section; and

(2) Documents describing and substantiating the existence of one or more of the circumstances described in paragraph (j) of this section.

(h)(1) Within 60 days of the Secretary's receipt of a referral notice described in paragraph (f) or (g) of this section, the Secretary makes an initial assessment, based on the agency's record, as to whether the agency's action appears to comply with section 428(b)(1)(U) of the Act.

(2) In the case of a referral notice described in paragraph (g) of this section, the Secretary also determines whether one or more of the circumstances described in paragraph (j) of this section exist.

(3) If the Secretary concludes that the agency's action appears to comply with section 428(b)(1)(U) of the Act and, if applicable, one or more of the circumstances described in paragraph (j) of this section exist, the Secretary notifies the lender that the Secretary will review the guaranty agency's action to determine whether to disqualify the lender from further participation in the FFEL programs and affords the lender an opportunity—

(i) To waive the review and be disqualified immediately; or

(ii) To request a review.

(i) The Secretary's review of the guaranty agency's action is limited to whether the agency action was taken in accordance with procedures that were substantially the same as procedures applicable to the limitation, suspension, or termination of eligibility of a lender under the FISL Program (34 CFR part 682, subpart G).

(j) In the case of an action by an agency that limits or suspends a lender's eligibility to participate in the agency's program, the agency shall provide the Secretary with a referral as described in paragraph (g) of this section only if—

(1) The lender has not corrected the violation. A violation is corrected if, among other things, the lender has satisfied fully all liabilities incurred by the lender as a result of the violation, including its liability to the Secretary, or the lender has arranged to satisfy those liabilities in a manner acceptable to the parties to whom the liabilities are owed;

(2) The lender has not provided satisfactory assurances to the agency of future compliance with program requirements; or

(3) The guaranty agency determines that special circumstances warrant disqualification of the lender from the FFEL programs for a significant period, notwithstanding the agency's decision not to terminate the lender's eligibility to participate in the agency's program.

(a) The Secretary reviews a limitation, suspension, or termination action taken by a guaranty agency against a school participating in the FFEL programs to determine if national disqualification is appropriate. Upon completion of the Secretary's review, the Secretary notifies the guaranty agency and the school of his decision by mail.

(b) The Secretary disqualifies a school from participation in the FFEL programs if—

(1) The school waives review by the Secretary; or

(2) The Secretary conducts the review and determines that the limitation, suspension, or termination was imposed in accordance with section 428(b)(1)(T) of the Act.
§ 682.713

(c)(1) Disqualification by the Secretary continues until the Secretary is satisfied that—

(i) The school has corrected the failure that led to the limitation, suspension, or termination; and

(ii) There are reasonable assurances that the school will comply with the requirements of the FFEL programs in the future.

(2) Revocation of disqualification by the Secretary does not remove any limitation, suspension, or termination imposed by the agency whose action resulted in the disqualification.

(d) A guaranty agency shall refer a limitation, suspension, or termination action that it takes against a school to the Secretary within 30 days of its final decision to limit, suspend, or terminate the school’s eligibility to participate in the agency’s program.

(e) The Secretary reviews an agency’s limitation, suspension, or termination of a school’s eligibility only when the guaranty agency’s action is final, i.e., the institution is not entitled to any further appeals within the guaranty agency. A subsequent court challenge to an agency’s action does not by itself affect the timing of the Secretary’s review.

(f) The guaranty agency’s notice to the Secretary regarding a termination action must include a certified copy of the administrative record compiled by the agency with regard to the action. The record must include certified copies of the following documents:

(1) The guaranty agency’s letter initiating the action.

(8) All other documents relevant to the action.

(g) The guaranty agency’s referral notice to the Secretary regarding a limitation or suspension action must include—

(1) The documents described in paragraph (f) of this section; and

(2) Documents describing and substantiating the existence of one or more of the circumstances described in paragraph (j) of this section.

(2) In the case of a referral notice described in paragraph (g) of this section, the Secretary also determines whether one or more of the circumstances described in paragraph (j) of this section exist.

(3) If the Secretary concludes that the agency’s action appears to comply with section 428(b)(1)(T) of the Act, and, if applicable, one or more of the circumstances described in paragraph (j) of this section exist, the Secretary notifies the school that the Secretary will review the guaranty agency’s action to determine whether to disqualify the school from further participation in the FFEL programs and gives the school an opportunity within 30 days from the date the notice is mailed—

(i) To waive the review and be disqualified immediately; or

(ii) To request a review.

(i) The Secretary’s review of the guaranty agency’s action is limited to—

(1) A review of the written record of the agency’s proceedings; and

(2) Whether the agency action was taken in accordance with procedures that were substantially the same as procedures established by the Secretary in 34 CFR part 668, subpart G.

(j) In the case of an action by an agency that limits or suspends a school’s eligibility to participate in the agency’s program, the agency shall provide the Secretary with a referral as described in paragraph (g) of this section only if—

(1) The school has not corrected the violation. A violation is corrected if, among other things, the school has fully satisfied all liabilities incurred by
the school as a result of the violation, including its liability to the Secretary, or the school has arranged to satisfy those liabilities in a manner acceptable to the parties to whom the liabilities are owed;
(2) The school has not provided assurances satisfactory to the agency of future compliance with program requirements; or
(3) The guaranty agency determines that special circumstances warrant disqualification of the school from the FFEL programs for a significant period, notwithstanding the agency's decision not to terminate the school's eligibility to participate in the agency's program.

APPENDIX C TO PART 682—PROCEDURES FOR CURING VIOLATIONS OF THE DUE DILIGENCE IN COLLECTION AND TIMELY FILING OF CLAIMS REQUIREMENTS APPLICABLE TO FISLP AND FEDERAL PLUS PROGRAM LOANS AND FOR REIMBURSEMENT OF INTEREST AND SPECIAL ALLOWANCE OVERBILLINGS [BULLETIN L-77A]

NOTE: The following is a reprint of Bulletin L-77a, issued on January 7, 1983, with minor modifications made to reflect changes in the program regulations since that date. All references made to the Federal Insured Student Loan Program (FISLP) shall be understood to include the Federal PLUS Program. The bulletin includes references to the 120- and 180-day default periods that used to apply to FFELP and PLUS Program loans. Public Law 99-272 established new default periods of 180 and 240 days (as set out in 34 CFR 682.200 of these regulations) for
all new loans and many existing ones. Although the discussion in this appendix C refers to the 120- and 180-day default periods, it is equally applicable to the new 180- and 240-day default periods.

**INTRODUCTION**

This bulletin prescribes procedures for lenders to use (1) to cure violations of the requirements for due diligence in collection ("due diligence") and timely filing of claims under the Federal Insured Student Loan Program (FISLP), and (2) to repay interest and special allowance overbillings made on loans evidencing such violations. See 34 CFR 682.507, 682.511. These procedures allow for the reinstatement of a lender’s eligibility for interest and special allowance and claim payments on loans evidencing such violations, under specified circumstances. These procedures apply to loans for which the first day of the 120-day or 180-day default period occurred on or after October 21, 1979 (the effective date of the September 17, 1979 regulations), whether or not the loans have previously been submitted as claims to the Secretary.

The due diligence and timely filing requirements governing the FISLP were established in response to requests from some lenders for more detailed regulatory guidance on the proper handling of FISLP loans. Despite the promulgation of these provisions, a number of lenders have failed to exercise the requisite care in their treatment of these loans, thereby increasing the risk of default thereon and in many cases, prejudicing the Secretary’s ability to collect from the borrowers. At the time the current due diligence and timely filing rules were issued, the Secretary anticipated that violations of these rules would be so infrequent as to permit requests for cures to be handled individually. However, the unexpectedly high incidence of violations of these rules has made continued case-by-case treatment of all cure requests administratively unmanageable. After carefully considering the views of lenders and other program participants, the Secretary has decided to exercise his authority under 20 U.S.C. 1082(a)(5), (6), and institute uniform procedures by which lenders with loans involving violations of the due diligence or timely filing requirements may cure these violations.

**DUE DILIGENCE**

Collection activity is required to begin immediately upon delinquency by the borrower in honoring the repayment obligation. This holds true whether or not the borrower receives a payment schedule or signs a repayment agreement. Under 34 CFR 682.200, default on a FISLP loan occurs when a borrower fails to make a payment when due, provided this failure persists for 120 days for loans payable in monthly installments, or for 180 days for loans payable in less frequent installments. If, however, the lender has added the optional provision to the promissory note requiring the borrower to execute a repayment agreement not later than 120 days prior to the expiration of the grace period, the loan entered repayment prior to September 4, 1985 (see 50 FR 35970), the lender sends the agreement to the borrower 150 days or more before the end of the grace period, and the agreement is not executed before the end of the grace period, default occurs at that time. One exception to this rule is as follows: if the holder of the loan is not the lender that made the loan, the holder may choose to forego enforcement of the optional 120-day provision in the note.

The 120/180 day default period applies regardless of whether payments were missed consecutively or intermittently. For example, if the borrower, on a loan payable in monthly installments, makes his January 1st payment on time, his February 1st payment two months late (April 1st), his March 1st payment three months late (June 1st), and makes no further payments, the default period begins on February 1st, with the first delinquency, and ends on August 1st, when the March 1st payment becomes 120 days past due. The lender must treat the payment made on April 1st as the February 1st payment, since the February 1st payment had not been made prior to that time. Similarly, the lender must treat the payment made on June 1st as the March 1st payment, since the March payment had not been made prior to that time.

**NOTE:** Lenders are strongly encouraged to exercise forbearance, prior to default, for the benefit of borrowers who have missed payments intermittently but have otherwise indicated willingness to repay their loans. See 34 CFR 682.211. The forbearance process helps to reduce the incidence of default, and serves to emphasize for the borrower the importance of compliance with the repayment obligation.

**TIMELY FILING**

The 90-day filing period applicable to FISLP default claims is set forth in 34 CFR 682.511(e) (1) and (3). The 90-day filing period begins at the end of the 120/180 day default period. The lender must file a default claim on a loan in default by the end of the filing period, unless the borrower brings the account current before the end of the filing period. In such a case, the lender may choose not to file a claim on the loan at that time.

In addition, for any loan less than 210 days delinquent on the date of this bulletin, the lender need not file a claim on that loan before the 210th day of delinquency (120-day default period plus 90-day filing period) if the borrower brings the account less than 120 days delinquent before such 210th day. Thus,
in the above example, if the borrower makes the April 1st payment on August 2nd, the 90-day filing period continues to run from August 1st, unless the loan was less than 210 days delinquent on the date of this bulletin. If the loan was less than 210 days delinquent on the date of this bulletin, then the August 2nd payment makes the loan 91 days delinquent, and the lender may, but need not file a default claim on the loan at that time. If, however, that loan again becomes 120 days delinquent, the lender must file a default claim within 90 days thereafter (unless the loan is again brought to less than 120 days delinquent prior to the end of that 90 day period). In other words, for any loan less than 210 days delinquent on the date of this bulletin, the Secretary will permit a lender to treat payments made during the filing period as "curing" the default if such payments are sufficient to make the loan less than 120 days delinquent.

If a lender fails to comply with either the due diligence or timely filing requirements, the affected loan ceases to be insured; that is, the lender loses its right to receive interest benefits, special allowance and claim payments thereon. Some examples of violations of the due diligence requirements are set out in section I.C. below.

I. CURE PROCEDURES

A. Definitions

The following definitions apply to terms used throughout Section I of this bulletin.

Full payment means payment by the borrower, or another person (other than the lender) on the borrower's behalf, in an amount at least as great as the monthly payment amount required under the existing terms of the loan, exclusive of any forbearance agreement in force at the time of the default. (For example, if the original repayment schedule or agreement called for payments of $30 per month, but a forbearance agreement was in effect at the time of default, the full payment would be $30, or two $15 payments in accordance with original repayment schedule or agreement.)

Reinstatement with respect to insurance coverage means the reinstatement of the lender's right to receive default, death, disability, or bankruptcy claim payments for the unpaid principal balance of the loan and for unpaid interest accruing on the loan after the date of reinstatement. Upon reinstatement of insurance, the borrower regains the right to receive forbearance or deferrals, as appropriate. For purposes of this bulletin, "reinstatement" with respect to insurance on a loan does not include reinstatement of the lender's right to receive interest and special allowance payments on that loan. Reinstatement of the lender's right to receive interest and special allowance payments is addressed in section I.B.1, below.

B. General

1. Resumption of Interest and Special Allowance Billing on Loans Involving Due Diligence or Timely Filing Violations. For any loan on which a cure is attempted under this bulletin, the lender may resume billing for interest and special allowance on the loan only for periods following the earlier of (1) its receipt of the equivalent of three full payments thereon, after the date of the violation, whichever is later, or (2) receipt by the borrower of an authorized deferment, after reinstatement of insurance coverage.

2. Reservation of the Secretary's Right to Strict Enforcement. While this bulletin allows cures to be attempted for particular violations in specified ways, the Secretary retains the option of refusing to permit or recognize cures in cases where, in the Secretary's judgment, a lender has committed an excessive number of severe violations of the due diligence or timely filing rules, and in cases where the best interests of the program otherwise require strict enforcement of these requirements. More generally, this bulletin states the Secretary's general policy and is not intended to limit in any way the authority and discretion afforded the Secretary by statute or regulations.

3. Applicability of the Cure Procedures to Particular Classes of Loans. The cure procedures outlined in this bulletin apply only to a loan for which the first day of the 120/180 day default period that ended with default by the borrower occurred on or after December 21, 1997, and which involve violations only of the due diligence and/or timely filing requirements.

The cure procedures applicable to loans involving due diligence violations also apply to loans involving violations of both the timely filing and due diligence requirements.

4. Excusal of Certain Due Diligence Violations. A lender whose claim was previously denied solely for violation of the timely filing rule, and who is permitted to cure that violation under the procedures set out in this bulletin, will not be required to utilize the procedures for curing due diligence violations, or to repay interest and special allowance improperly received from the Secretary as a result of a due diligence violation for periods prior to the timely filing violation. This applies even if, upon submission of the "cured" claim, the Secretary discovers that evidence of due diligence violations appeared in the file of the previously rejected claim.

The Secretary will also excuse a due diligence violation by a lender if the account
was brought current by the borrower (or another, other than the lender, on the borrower’s behalf) prior to the 120th/180th day of the delinquency period during which the violation occurred.

5. Treatment of Accrued Interest on “Cured” Claims—a. Due Diligence Violations. For any default claim involving “cured” violations of the due diligence rules, the Secretary will not reimburse the lender for any unpaid interest accruing after the first day of the 120/180 day period that culminated in default, and prior to the date of reinstatement of insurance coverage. For any loan involving “cured” due diligence violations, the lender may capitalize unpaid interest accruing on the loan from the commencement of the 120/180 day default period to the date of the reinstatement of insurance coverage. See sections I.C. and D. below. However, if the lender later files a claim on that loan, the lender must deduct this capitalized interest from the amount of the claim. This deduction must be reflected in column 15 of the ED Form 1207, Lender’s Application for Insurance Claim on Federal Insured Student Loan, filed with the claim evidencing the cure.

b. Timely Filing Violations. For any default claim involving “cured” violations of the timely filing rules, the Secretary will not reimburse the lender for unpaid interest accruing after the end of the 120/180 day default period that culminated in default, and prior to the date of reinstatement of insurance coverage.

For any default claim involving a “cured” timely filing violation, if insurance coverage is later reinstated, the lender may capitalize unpaid interest accruing on the loan from the commencement of the original 120/180 day default period to the date of the reinstatement of insurance coverage. See sections I.C. and D. below. However, if the lender later files a claim on that loan, the lender must deduct this capitalized interest from the amount of the claim, except that the lender need not deduct from the claim unpaid interest that accrued on the loan during the original 120/180 day default period. This deduction must be reflected in Column 15 of the ED Form 1207, Lender’s Application for Insurance Claim on Federal Insured Student Loan, filed with the claim evidencing the cure.

Some timely filing cures will not reinstate insurance coverage. For treatment of accrued interest in such cases, see Section I.D.1.c.

6. Documents to be Submitted with “Cured” Claims. The Secretary requests that any lender submitting a claim on a loan involving “cured” violations identify the claim as such with a note in the claim file stapled to the new ED Form 1207.

For all “cured” claims, the lender must submit:

- For loans on which a claim was previously rejected, all documents sent by the regional office with the original claim (when the claim was rejected and returned to the lender), including without limitation, the original ED Form 1207 and all documents showing the reason(s) for the original rejection;
- All documents ordinarily required in connection with the submission of a default claim, including, without limitation, the promissory note, which must bear a valid assignment to the United States of America;
- A new ED Form 1207; and
- All documents showing that the lender has complied with the applicable cure procedures and requirements.

C. Cures for Violations of the Due Diligence in Collection Requirements (34 CFR 682.507)

A violation of the due diligence in collection rules occurs when a lender fails to meet requirements found in 34 CFR 682.507. For example, a violation occurs if the lender fails to:

- Remind the borrower of the date a missed payment was due within 15 days of delinquency;
- Attempt to contact the borrower and any endorser at least 3 times at regular intervals during the rest of the 120/180 day default period;
- Request preclaims assistance from the Department of Education;
- Request skip-tracing assistance from the Secretary, if required, or
- Send a final demand letter to the borrower exercising the option to accelerate the due date for the outstanding balance of the loan, unless the lender does not know the borrower’s address as of the 90th day of delinquency.

1. Reinstatement of Insurance Coverage. In the case of a due diligence violation, the lender may utilize either of the two procedures described below for obtaining reinstatement of insurance coverage on the loan. After the date of this bulletin, or after the date of the violation, whichever is later:

(a) The lender obtains a new repayment agreement signed by the borrower which complies with the ten and fifteen year repayment limitations set out in 34 CFR 622.209(a)(7); or

(b) The lender obtains 3 full payments. If the borrower later defaults, the lender must submit evidence of these payments (e.g., copies of the checks) with the claim.

2. Borrower’s Deemed Current As of Date of Cure. On the date the lender receives a signed copy of the new repayment agreement, or receives the third (curing) payment, insurance coverage on the loan is reinstated, and the borrower shall be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available
to FISLP borrowers. If the borrower later becomes delinquent in repayment, the lender shall follow the collection procedures set out in 34 CFR 682.507, and the timely filing requirements set out in 34 CFR 682.511.

D. Cures for Violations of the Timely Filing Requirements (34 CFR 682.511)

1. Default Claims.—a. Reinstatement of Insurance Coverage. In order to obtain reinstatement of insurance coverage on a loan in the case of a timely filing violation, the lender must first locate the borrower after the date of this bulletin, or after the date of the violation, whichever is later (see section I.D.1.d. for description of acceptable evidence of location). Then, the lender must send to the borrower, at the address at which the borrower was located, (i) a new repayment agreement, to be signed by the borrower, which complies with the ten and fifteen year repayment limitations set out in 34 CFR 682.200(a)(7), along with (ii) a collection letter indicating in strong terms the seriousness of the borrower’s delinquency and its potential effect on his or her credit rating if repayment is not commenced or resumed.

If, within 30 days after the lender sends these items, the borrower fails to make a full payment or to sign and return the new repayment agreement, the lender shall, within 5 working days thereafter, send the borrower a copy of the attached “48 hour” collection letter, on the lender’s letterhead. (See attachment A.)

b. Borrower Deemed Current Under Certain Circumstances. If, within 45 days after the lender sends the new repayment agreement to the borrower for signature, the borrower makes a full payment or signs and returns the new repayment agreement, insurance coverage on the loan is reinstated. The borrower shall be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to FISLP borrowers. If the borrower later becomes delinquent in repayment, the lender shall follow the collection steps in 34 CFR 682.507 and the timely filing requirements in 34 CFR 682.511.

c. Borrower Deemed in Default Under Certain Circumstances. If the borrower does not make a full payment, or sign and return the new repayment agreement, within 45 days after the lender sends the new repayment agreement, the lender shall deem the borrower to be in default. The lender shall then file a default claim on the loan accompanied by acceptable evidence of location (see I.D.1.d. below), within 30 days after the end of such 45-day period. Although insurance coverage is not reinstated on loans involving these circumstances, the Secretary will honor default claims submitted in accordance with this paragraph on the outstanding principal balance of such loans, and on unpaid interest accruing on the loan during the 120/180 day default period.

d. Acceptable Evidence of Location. Only the following documentation is acceptable as evidence that the lender has located the borrower:

(i) Postal receipt signed by the borrower not more than 25 days prior to the date on which the lender sent the new repayment agreement, indicating acceptance of correspondence from the lender by the borrower at the address shown on the receipt;
or
(ii) A completed “Certification of Borrower Location” form (Attachment B).

2. Death, Disability, and Bankruptcy Claims. Lenders may immediately resubmit any death or disability claim which was rejected solely for failure to meet the 60 day timely filing requirements (see 34 CFR 685.511(e)(2)). However, the Secretary will not pay any such claim if, before the date the lender determined that the borrower died or was totally and permanently disabled, the lender had violated the due diligence or timely filing requirements applicable to default claims with respect to that loan. Interest that accrued on the loan after the expiration of the 60-day filing period remains uninsured by the Secretary, and the lender must repay all interest and special allowance received on the loan for periods after the expiration of the 60-day filing period.

The Secretary has determined that, in the vast majority of cases, the failure of a lender to comply with the timely filing requirements applicable to bankruptcy claims causes irreparable harm to the Secretary’s ability to contest the discharge of the loan by the court, or to otherwise collect from the borrower. Therefore, the Secretary has decided not to permit cures for violations of the timely filing requirement applicable to bankruptcy claims, except when the lender can demonstrate that the bankruptcy action has concluded and that the loan has not been discharged in bankruptcy. In that case, the lender shall treat the loan as in default. The Secretary will honor a default claim later filed on such a loan only if the lender has met the cure requirements in section I.C. above for due diligence violations.

II. REPAYMENT OF INTEREST AND SPECIAL ALLOWANCE ON LOANS EVIDENCING VIOLATIONS OF THE DUE DILIGENCE OR TIMELY FILING REQUIREMENTS

A. General Rule

It has always been the Secretary’s interpretation of the FISLP statute and regulations that a lender’s right to receive interest and special allowance payments on a FISLP loan terminates immediately following the lender’s violation of the due diligence or timely filing requirements. This applies whether or not the lender has filed a claim.
on the loan. In other words, lenders may receive interest and special allowance only on loans which are insured by the Secretary. Since these violations result in the termination of insurance, they also result in the termination of FISLP benefits.

B. Cessation of Billing on Loans Evidencing Violations of the Due Diligence or Timely Filing Requirements

Any lender currently billing the Secretary for interest and special allowance on a loan that the lender knows involves a due diligence violation must cease doing so immediately. However, lenders are not required at this time to review their loan portfolios for due diligence and timely filing violations.

C. Determination of Amounts of Interest and Special Allowance That Must Be Repaid

1. Due Diligence Violations. In the case of due diligence violations, it is often difficult to ascertain the precise date on which a violation occurred. For the administrative ease of the Secretary and lenders, the Secretary has decided to waive his right to recoup interest and special allowance payments made to a lender for periods between the date of a due diligence violation and the end of the 120/180 day default period. However, any lender that has received interest or special allowance payments from the Secretary for periods after the end of the 120/180 day default period on a loan that the lender knows involves a due diligence violation must promptly repay those amounts.

2. Timely Filing Violations. In the case of timely filing violations, the lender loses its right to receive interest and special allowance payments as of the expiration of the applicable timely filing period. Therefore, any lender that has received interest or special allowance payments from the Secretary for periods following the end of the applicable timely filing period on a loan that the lender knows involves a timely filing violation must repay those amounts.

3. Situations in Which a Lender May Have Received Interest Benefits for Periods During Which a Loan was Uninsured. Because most due diligence violations, and timely filing violations, occur after termination of the grace period, interest payments are ordinarily not affected by such violations. However, there are three types of situations in which a lender may have received interest payments from the Secretary to which it was not entitled due to a due diligence or timely filing violation.

a. Promissory notes that include a requirement that the borrower sign a repayment agreement no later than 120 days prior to the expiration of the grace period. In such cases, a due diligence violation may occur during the grace period, when the lender may otherwise have been eligible to receive interest benefits. However, the lender need not repay that interest to the Secretary. See II.C.1. above.

b. Deferment Periods. A due diligence violation may occur prior to a deferment period when the lender would otherwise have been eligible to receive interest benefits.

c. Loans Made Prior to December 15, 1968. A loan disbursed prior to December 15, 1968, and which qualified for payment of Federal interest benefits at the time the loan was disbursed, qualifies for payment of a 3 percent interest subsidy on the unpaid principal balance during the entire repayment period, provided the loan remains insured. In the case of such a loan, a due diligence or timely filing violation terminates the lender’s eligibility for the 3 percent payments.

D. Procedures for Repayment of Federal Interest Benefits and Special Allowance Received by a Lender for Periods During Which a Loan Was Uninsured

A lender must make the repayments of interest and/or special allowance discussed in II.C. above, by way of an adjustment during the two quarters immediately following the discovery of the violation. These adjustments must be reported on the normal Lender’s Interest and Special Allowance Request and Report (ED Form 799). Lenders are requested not to send a check with the adjustment; the overpaid amount will be deducted by the Secretary from the lender’s next regular interest and special allowance payment. For five years after any loan for which an adjustment is made is repaid in full, the lender shall retain a record of the basis for the adjustment showing the amount(s) of the overbilling(s), and the date it used for cessation of interest or special allowance eligibility in calculating the overbilled amount. See 34 CFR 682.515(a)(2).

APPENDIX D TO PART 682—POLICY FOR WAIVING THE SECRETARY’S RIGHT TO RECOVER OR REFUSE TO PAY, INTEREST BENEFITS, SPECIAL ALLOWANCE, AND REINSURANCE ON STAFFORD, PLUS, SUPPLEMENTAL LOANS FOR STUDENTS, AND CONSOLIDATION PROGRAM LOANS INVOLVING LENDERS’ VIOLATIONS OF FEDERAL REGULATIONS PERTAINING TO DUE DILIGENCE IN COLLECTION OR TIMELY FILING OF CLAIMS [BULLETIN 88-G-138].

NOTE: The following is a reprint of Bulletin 88-G-138 issued on March 11, 1988, with modifications made to reflect changes in the program regulations. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until three years after the default claim filing deadline. For the purpose of determining the three-year deadline, reinsurance is lost on the later of (a) three years from the last date the claim could have been filed for claim payment with the guaranty agency (270th day of delinquency) for a claim that was not filed; or (b) three years from the date the guaranty agency rejected the claim, for a claim that was filed.

INTRODUCTION

This letter sets forth the circumstances under which the Secretary, pursuant to sections 432(a)(5) and (6) of the Higher Education Act of 1965 and 34 CFR §§ 682.406(b) and 682.413(f), will waive certain of his rights and claims with respect to Stafford Loans, PLUS, Supplemental Loans for Students (SLS), and Consolidation Program loans made under a guaranty agency program that involve violations of Federal regulations pertaining to due diligence in collection or timely filing. (These programs are collectively referred to in this letter as the FFEL Programs.) This policy applies to due diligence violations on loans for which the first day of delinquency occurred on or after March 10, 1987 (the effective date of the November 10, 1986 due diligence regulations) and to timely filing violations occurring on or after December 26, 1996, whether or not the affected loans have been submitted as claims to the guaranty agency.

The Secretary has been implementing a variety of regulatory and administrative actions to minimize defaults in the FFEL Programs. As a part of this effort, the Secretary published final regulations on November 10, 1986 requiring lenders and guaranty agencies to undertake specific due diligence activities to collect delinquent and defaulted loans, and establishing deadlines for the filing of claims by lenders with guaranty agencies. In recognition of the time required for agencies and lenders to modify their internal procedures, the Secretary delayed for four months the date by which lenders were required to comply with the new due diligence requirements. Thus, §§ 682.411 of the regulations, which established minimum due diligence procedures that a lender must follow in order for a guaranty agency to receive reinsurance on a loan, became effective for loans for which the first day of delinquency occurred on or after March 10, 1987. The regulations make clear that compliance with these minimum requirements, and with the new timely filing deadlines, is a condition for an agency’s receiving or retaining reinsurance payments made by the Secretary on a loan. See 34 CFR 682.406(a)(13), (a)(5), (a)(6), 682.413(b). The regulations also specify that a lender must comply with § 682.411 and with the applicable filing deadline, as a condition for its right to receive or retain interest benefits and special allowance on a loan for certain periods. See 34 CFR 682.400(b)(2)(vii), 682.413(a)(1).

The Department has received inquiries regarding the procedures by which a lender may “cure” a violation of § 682.411 regarding diligent loan collection, or of the 90-day deadline for the filing of default claims found in § 682.406(a)(3) and (a)(5), in order to reinstate the agency’s right to reinsurance, and the lender’s right to interest benefits and special allowance. Preliminarily, please note that, absent an exercise of the Secretary’s waiver authority, a guaranty agency may not receive or retain reinsurance payments on a loan on which the lender has violated the Federal due diligence or timely filing requirements, even if the lender has followed a cure procedure established by the agency. Under § 682.406(b) and 682.413(f), the Secretary—not the guaranty agency—decides whether to reinstate reinsurance coverage on a loan involving such a violation, or any other violation of Federal regulations. A lender’s violation of a guaranty agency’s requirement that affects the agency’s guarantee coverage also affects reinsurance coverage. See §§ 682.406(a)(7) and 682.413(b). As §§ 682.406(a)(7) and 682.413(b) make clear, a guaranty agency’s cure procedures are relevant to reinsurance coverage only insofar as they allow for cure of violations of requirements established by the agency affecting the loan insurance it provides to lenders. In addition, all such requirements must be submitted to the Secretary for review and approval, under 34 CFR 682.401(d).

References throughout this letter to “due diligence and timely filing” rules, requirements, and violations should be understood...
to mean only the Federal rules cited above, unless the context clearly requires otherwise.

A. Scope

This letter outlines the Secretary's waiver policy regarding certain violations of Federal due diligence or timely filing requirements on a loan insured by a guaranty agency. Unless your agency receives notification to the contrary, or the lender's violation involves fraud or other intentional misconduct, you may treat as reinsured any otherwise reinsured loan involving such a violation that has been cured in accordance with this letter.

B. Duty of a Guaranty Agency to Enforce Its Standards

As noted above, a lender's violation of a guaranty agency's requirement that affects the agency's guarantee coverage also affects reinsurance coverage. Thus, as a general rule, an agency that fails to enforce such a requirement and pays a default claim involving a violation is not eligible to receive reinsurance on the underlying loan. However, in light of the waiver policy outlined below, which provides more stringent cure procedures for violations occurring on or after May 1, 1988 than for pre-May 1, 1988 violations, some guarantee agencies with more stringent policies than the policy outlined below for the pre-May 1 violations have indicated that they wish to relax their own policies for violations of agency rules during that period. While the Secretary does not encourage any agency to do so, the Secretary will permit an agency to take either of the following approaches to its enforcement of its own due diligence and timely filing rules for violations occurring before May 1, 1988:

1. The agency may continue to enforce its rules, even if they result in the denial of guarantee coverage by the agency on otherwise reinsurable loans; or

2. The agency may decline to enforce its rules as to any loan that would be reinsured under the retrospective waiver policy outlined below. In other words, for violations of a guaranty agency's due diligence and timely filing rules occurring before May 1, 1988, a guaranty agency is authorized, but not required, to retroactively revise its own due diligence and timely filing standards to treat as guaranteed any loan amount that is reinsured under the retrospective enforcement policy outlined in section I.C.1., below. However, for any violation of an agency's due diligence or timely filing rules occurring on or after May 1, 1988, the agency must resume enforcing those rules in accordance with their terms, in order to receive reinsurance payments on the underlying loan. For these post-April 30 violations, and for any other violation of an agency's rule affecting its guarantee coverage, the Secretary will treat as reinsured all loans on which the agency has engaged in, and documented, a case-by-case exercise of reasonable discretion allowing for guarantee coverage to be continued or reinstated notwithstanding the violation. But any agency that otherwise fails, or refuses, to enforce such a rule does so without the benefit of reinsurance coverage on the affected loans, and the lenders continue to be ineligible for interest benefits and special allowance thereon.

C. Due Diligence

Under 34 CFR 682.200, default on a FFEL Program loan occurs when a borrower fails to make a payment when due, provided this failure persists for 180 days for loans payable in monthly installments, or for 240 days for loans payable in less frequent installments. The 180/240-day default period applies regardless of whether payments were missed consecutively or intermittently. For example, if the borrower, on a loan payable in monthly installments, makes his January 1st payment on time, his February 1st payment two months late (April 1st), his March 1st payment three months late (June 1st), and makes no further payments, the delinquency period begins on February 2nd, with the first delinquency, and default occurs on September 29th, when the April payment becomes 180 days past due. The lender must treat the default made on April 1st as the February 1st payment, since the February 1st payment had not been made prior to that time. Similarly, the lender must treat the payment made on June 1st as the March 1st payment, since the March payment had not been made prior to that time.

NOTE: Lenders are strongly encouraged to exercise forbearance, prior to default, for the benefit of borrowers who have missed payments intermittently but have otherwise indicated willingness to repay their loans. See 34 CFR 682.211. The forbearance process helps to reduce the incidence of default, and serves to emphasize for the borrower the importance of compliance with the repayment obligation.

D. Timely Filing

The 90-day filing period applicable to FFEL Program default claims is set forth in 34 CFR 682.406(a)(5). The 90-day filing period begins at the end of the 180/240-day default period. The lender ordinarily must file a default claim on a loan in default by the end of the filing period. However, the lender may, but need not, file a claim on that loan before the 270th day of delinquency (180-day default period plus 90-day filing period) if the borrower brings the account less than 180 days delinquent before such 270th day. Thus, in the above example, if the borrower makes the April 1st payment on September 30th,
that payment makes the loan 151 days delinquent, and the lender may, but need not, file a default claim on the loan at that time. If, however, the loan again becomes 180 days delinquent, the lender must file a default claim within 90 days thereafter (unless the loan is again brought to less than 180 days delinquent prior to the end of that 90-day period). In other words, the Secretary will permit a lender to treat payments made during the filing period as curing the default if such payments are sufficient to make the loan less than 180 days delinquent.

Section I of this letter outlines the Secretary’s waiver policy for due diligence and timely filing violations. As noted above, to the extent that it results in the imposition of a lesser sanction than that available to the Secretary by statute or regulation, this policy reflects the exercise of the Secretary’s authority to waive the Secretary’s rights and claims in this area. Section II discusses the issue of the due date of the first payment on a loan, and the application of the waiver policy to that issue. Section III provides guidance on several issues related to due diligence and timely filing as to which clarification has been requested by some program participants.

1. WAIVER POLICY

A. Definitions

The following definitions apply to terms used throughout this letter:

Earliest unexcused violation means:

1(a) In cases when reinsurance is lost due to a failure to timely establish a first payment due date, the earliest unexcused violation would be the 46th day after the date the first payment due date should have been established.

1(b) In cases when reinsurance is lost due to a gap of 46 days, the earliest unexcused violation date would be the 46th day following the last collection activity.

1(c) In cases when reinsurance is lost due to 3 or more due diligence violations of 6 days or more, the earliest unexcused violation would be the day after the date of default.

1(d) In cases when reinsurance is lost due to a timely filing violation, the earliest unexcused violation would be the day after the filing deadline.

Full payment means payment by the borrower, or another person (other than the lender) on the borrower’s behalf, in an amount at least as great as the monthly payment amount required under the existing terms of the loan, exclusive of any forbearance agreement in force at the time of the default. (For example, if the original repayment schedule or agreement called for payments of $50 per month, but a forbearance agreement was in effect at the time of default that allowed the borrower to pay $25 per month for a specified time, and the borrower defaulted in making the reduced payments, a “full payment” would be $50, or two $25 payments in accordance with the original repayment schedule or agreement.) In the case of a payment made by cash, money order, or other means that do not identify the payor that is received by a lender after the date of this letter, that payment may constitute a “full payment” only if a senior officer of the lender or servicing agent certifies that the payment was not made by or on behalf of the lender or servicing agent.

Reinstatement with respect to reinsurance coverage means the reinstatement of the guaranty agency’s right to receive reinsurance payments on the loan after the date of reinstatement. Upon reinstatement of reinsurance, the borrower regains the right to receive forbearance or deferments, as appropriate. “Reinstatement” with respect to reinsurance on a loan also includes reinstatement of the lender’s right to receive interest and special allowance payments on that loan.

“Gap” in collection activity on a loan means:

(a) The period between the initial delinquency and the first collection activity;

(b) The period between collection activities (a request for preclaims assistance is considered a collection activity);

(c) The period between the last collection activity and default; or

(d) The period between the date a lender discovers a borrower has “skipped” and the lender’s first skip-tracing activity.

NOTE: the concept of “gap” is used herein simply as one measure of collection activity. This definition applies to loans subject to the FFEL and PLUS programs regulations published on November 10, 1986. For such loans, not all gaps are violations of the due diligence rules.

Violation with respect to the due diligence requirements in §682.411 means the failure to timely complete a required diligent phone contact effort, the failure to timely send a required letter (including a request for preclaims assistance), or the failure to timely engage in a required skip-tracing activity. If during the delinquency period, a gap of more than 45 days occurs (more than 60 days for loans with a transfer), the lender must satisfy the requirement outlined in I.D.1. for reinsurance to be reinstated. The day after the 45-day gap (or 60 for loans with a transfer) will be considered the date that the violation occurred.

Transfer means any action, including, but not limited to, the sale of the loan, that results in a change in the system used to monitor or conduct collection activity on a loan from one system to another.

B. General

1. Resumption of Interest and Special Allowance Billing on Loans Involving Due Diligence
or Timely Filing Violations. For any loan on which a cure is required under this letter in order for the agency to receive any reinsurance payment, the lender may resume billing for interest and special allowance on the loan only for periods following its completion of the required cure procedure.

2. Reservation of the Secretary's Right to Strict Enforcement. While this letter describes the Secretary's general waiver policy, the Secretary retains the option of refusing to permit or recognize cures, or of insisting on strict enforcement of the remedies established by statute or regulation, in cases where, in the Secretary's judgment, a lender has committed an excessive number of severe violations of due diligence or timely filing rules, and in cases where the best interests of the United States otherwise require such strict enforcement. More generally, this bulletin states the Secretary's general policy and is not intended to limit in any way the authority and discretion afforded the Secretary by statute or regulation.

3. Interest, Special Allowance, and Reinsurance Repayment Required as a Condition for Exercise of the Secretary's Waiver Authority. The Secretary's waiver of the right to recover or refuse to pay reinsurance, interest benefits, or special allowance payments, and recognition of cures for due diligence and timely filing violations, are conditioned on the following:

(1) The guaranty agency and lender shall ensure that the lender repays all interest benefits and special allowance received on loans involving violations occurring prior to May 1, 1988, for which the lender is ineligible under the waiver policy for the "retrospective period" described in section I.C.1., below, or under the waiver policy for timely filing violations described in section I.E.1., below, by an adjustment to one of the next three quarterly billings for interest benefits and special allowance submitted by the lender in a timely manner after May 1, 1988. The guaranty agency's responsibility in this regard is satisfied by receipt of a certification from the lender that this repayment has been made in full.

(2) The guaranty agency, on or before October 1, 1988, shall repay all reinsurance received on loans involving violations occurring prior to May 1, 1988, for which the agency is ineligible under the waiver policy for the "retrospective period" described in section I.C.1., below, or under the waiver policy for timely filing violations described in section I.E.1., below. Pending completion of the repayment described above, a lender or guaranty agency may submit billings to the Secretary on loans that are eligible for reinsurance under the waiver policy in this letter until it learns that repayment in full will not be made, or until the deadline for a repayment has passed without it being made, whichever is earlier. Of course, a lender or guaranty agency is prohibited from billing the Secretary for program payments on any loan amount that is not eligible for reinsurance under the waiver policy outlined in this letter. In addition to the repayments required above, any amounts received in the future in violation of this prohibition must immediately be repaid to the Secretary.

4. Applicability of the Waiver Policy to Particular Classes of Loans. The policy outlined in this letter applies only to a loan for which the first day of the 180/240-day default period that ended with default by the borrower occurred on or after March 10, 1987, or, in the case of a timely filing violation, December 26, 1986, and that involves violations only of the due diligence and/or timely filing requirements. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until three years after the default claim filing deadline.

5. Excuse of Certain Due Diligence Violations. Except as noted in section II, below, if a loan has due diligence violations but was later cured and brought current, those violations will not be considered in determining whether a loan was serviced in accordance with 34 CFR 682.411. Guarantors must review the due diligence for the 180-day period prior to the default date ensuring the due date of the first payment not later made is the correct payment due date for the borrower.

6. Excuse of Timely Filing Violations Due to Performance of a Guaranty Agency's Cure Procedures. If, prior to May 1, 1988, and prior to the filing deadline, a lender commenced the performance of collection activities specifically required by the guaranty agency to cure a due diligence violation on a loan, the Secretary will excuse the lender's timely filing violation if the lender completes the additional activities within the time period permitted by the guaranty agency, and files a default claim on the loan not more than 45 days after completing the additional activities.

7. Treatment of Accrued Interest on "Cured" Claims. For any loan involving any violation of the due diligence or timely filing rules for which a "cure" is required under section I.C. or I.E., below, for the agency to receive a reinsurance payment, the Secretary will not reimburse the guaranty agency for any unearned interest accruing after the date of the earliest excused violation occurring after the last payment received prior to the default date and completed, and prior to the date of reinstatement of reinsurance coverage. The lender may capitalize unearned interest accruing on the loan from the date of the earliest unexcused violation to the date of the reinstatement of reinsurance coverage. However, if the agency later files a claim for reinsurance on that loan, the agency must deduct this capitalized interest from the amount of

Pt. 682, App. D 34 CFR Ch. VI (7–1–99 Edition)
C. Waiver Policy for Violations of the Federal Due Diligence in Collection Requirements (34 CFR 682.411)

A violation of the due diligence in collection rules occurs when a lender fails to meet the requirements found in 34 CFR 682.411. However, if a lender makes all required calls and sends all required letters during any of the delinquency periods described in that section, the lender is considered to be in compliance with that section for that period, even if the letters were sent before the calls were made.

The special provisions for transfers set forth below apply whenever the violation(s) and, if applicable, the gap, were due to a transfer, as defined in section I.A., above.

1. Retrospective Period. For one or more due diligence violations occurring during the period March 10, 1987-April 30, 1988—
   a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if no gap of 46 days or more (61 days or more for a transfer) exists.
   b. If a gap of 46-60 days (61-75 days for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period are limited to amounts accruing through the date of default.
   c. If a gap of 61 days or more (76 days or more for a transfer) exists, the borrower must be located after the gap, either by the agency or by the lender, in order for reinsurance to apply.

2. Prospective Period. For due diligence violations occurring on or after May 1, 1988—
   a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if there is no violation of Federal due diligence requirements of 6 days or more (21 days or more for a transfer.)
   b. If there exists no more than 2 violations of 6 days or more each (21 days or more for a transfer), and no gap of 46 days or more (61 days or more for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the date of default.

   c. If there exists 3 violations of 6 days or more each (21 days or more for a transfer) and no gap of 46 days or more (61 days or more for a transfer), the lender must satisfy the requirements outlined in I.E.1., or receive a full payment or a new signed repayment agreement in order for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

   d. If there exists more than three violations of 6 days or more each (21 days or more for a transfer) of any type, or a gap of 46 days (61 days for a transfer) or more and at least one violation, the lender must satisfy the requirements outlined in I.D.1., for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

D. Reinstatement of Reinsurance Coverage for Certain Egregious Due Diligence Violations

1. Cures. In the case of a loan involving violations described in section I.C.2.d., above, the lender may utilize either of the two procedures described below for obtaining reinstatement of reinsurance coverage on the loan.
   a. After the violations occur, the lender obtains a new repayment agreement signed by the borrower. The repayment agreement must comply with the ten-year repayment limitations set out in 34 CFR 682.209(a)(7); or
   b. After the violations occur, the lender obtains a full payment. If the borrower later defaults, the guaranty agency must obtain evidence of payment (e.g., a copy of the check) from the lender.
2. Borrower Deemed Current as of Date of Cure. On the date the lender receives a new signed repayment agreement or the curing payment under section I.D.1., above, reinsurance coverage on the loan is reinstated, and the borrower shall be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to borrowers who are not in default. The lender shall then follow the collection and timely filing requirements applicable to the loan.

E. Cures for Timely Filing Violations and Certain Due Diligence Violations

1. Default Claims—a. Reinstatement of Insurance Coverage. Except as noted in section I.B.6., in order to obtain reinstatement of reinsurance coverage on a loan in the case of a timely filing violation, a due diligence violation described in section I.C.2.c., or a due diligence violation described in section I.C.1.c. where the lender holds the loan on or after March 15, 1988, the lender must first locate the borrower after the gap, or after the date of the last violation, as applicable. (See section I.E.1.d. for description of acceptable evidence of location.) Within 15 days thereafter, the lender must send to the borrower, at the address at which the borrower was located, (i) a new repayment agreement, to be signed by the borrower, that complies with the ten-year repayment limitations set out in 34 CFR 682.205(a)(7), along with (ii) a collection letter indicating in strong terms the seriousness of the borrower’s delinquency and its potential effect on his or her credit rating if repayment is not commenced or resumed.

If, within 15 days after the lender sends these items, the borrower fails to make a full payment or to sign and return the new repayment agreement, the lender shall, within 5 days thereafter, diligently attempt to contact the borrower by telephone. Within 5-10 days after completing these efforts, the lender shall send a forceful collection letter indicating that the entire unpaid balance of the loan is due and payable, and that, unless the borrower immediately contacts the lender to arrange repayment, the lender will be filing a default claim with the guaranty agency.

b. Borrower Deemed Current Under Certain Circumstances. If, at any time on or before the 30th day after the lender completes the additional collection efforts described in section I.E.1.a., above, or the 180th day of delinquency, whichever is later, the lender receives a full payment or a new signed repayment agreement, reinsurance coverage on the loan is reinstated on the date the lender receives the full payment or new agreement. The borrower shall be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to borrowers who are not in default.

In the case of a timely filing violation on a loan for which the borrower is deemed current under this paragraph, the lender is ineligible to receive interest benefits and special allowance accruing from the date of the violation to the date of reinstatement of reinsurance coverage on the loan.

c. Borrower Deemed in Default Under Certain Circumstances. If the borrower does not make a full payment, or sign and return the new repayment agreement, on or before the 30th day after the lender completes the additional collection efforts described in section I.E.1.a., above, or the 180th day of delinquency, whichever is later, the lender shall deem the borrower to be in default. The lender shall then file a default claim on the loan, accompanied by acceptable evidence of location (see section I.E.1.d., below), within 30 days after the end of such 30-day period. Reinsurance coverage, and therefore the lender’s right to receive interest benefits and special allowance, is not reinstated on a loan involving these circumstances. However, the Secretary will honor reinsurance claims submitted in accordance with this paragraph on the outstanding principal balance of such loans, on unpaid interest as provided in section I.B.7., above, and for reimbursement of eligible supplemental preclaims assistance costs.

In the case of a timely filing violation on a loan for which the borrower is deemed in default under this paragraph, the lender is ineligible to receive interest benefits and special allowance accruing from the date of the violation.

d. Acceptable Evidence of Location. Only the following documentation is acceptable as evidence that the lender has located the borrower:

(1) A postal receipt signed by the borrower; or
(2) Documentation submitted by the lender showing—
   (i) The name, identification number, and address of the lender;
   (ii) The name and Social Security number of the borrower; and
   (iii) A signed certification by an employee or agent of the lender, that—
      (A) On a specified date, he or she spoke with or received written communication (attached to the certification) from the borrower on the loan underlying the default claim, or a parent, spouse, sibling, roommate, or neighbor of the borrower;
      (B) The address and, if available, telephone number of the borrower were provided to the
lender in the telephone or written communication; and

(C) In the case of a borrower whose address or telephone number was provided to the lender by someone other than the borrower, the new repayment agreement and the letter sent by the lender pursuant to section I.E.1.a., above, had not been returned undelivered as of 20 days after the date those items were sent, for due diligence violations described in section I.C.1.c. where the lender holds the loan on the date of this letter, and as of the date the lender filed a default claim on the cured loan, for all other violations.

2. Death, Disability, and Bankruptcy Claims.

The Secretary will honor a death or disability claim on an otherwise eligible loan notwithstanding the lender's failure to meet the due diligence requirement (see 34 CFR 682.402(g)(2)(i)). However, the Secretary will not reimburse the guaranty agency if, before the date the lender determined that the borrower died or was totally and permanently disabled, the lender had violated the Federal due diligence or timely filing requirements applicable to that loan, except in accordance with the waiver policy described above. Interest that accrued on the loan after the expiration of the 60-day filing period remains ineligible for reimbursement by the Secretary, and the lender must repay all interest and special allowance received on the loan for periods after the expiration of the 60-day filing period.

The Secretary had determined that, in the vast majority of cases, the failure of a lender to comply with the timely filing requirement applicable to bankruptcy claims (§ 682.402(e)(2)(ii)) causes irreparable harm to the guaranty agency's ability to contest the discharge of the loan by the court, or to otherwise collect from the borrower. Therefore, the Secretary has decided not to excuse violations of the timely filing requirement applicable to bankruptcy claims, except when the lender can demonstrate that the bankruptcy action has concluded and that the loan has not been discharged in bankruptcy, or, if previously discharged, has been the subject of a reversal of the discharge. In that case, the lender shall return the borrower to the appropriate status that existed prior to the filing of the bankruptcy claim unless the status has changed due solely to passage of time. In the latter case, the lender must place the borrower in the status that would exist had no bankruptcy claim been filed. If the borrower is delinquent after the loan is determined nondischargeable, the lender should grant administrative forbearance to bring the borrower's account current as provided in (682.211(f)(5). The Secretary will not reimburse the guaranty agency for interest accruing beyond the filing deadline for the bankruptcy claim.

II. DUE DATE OF FIRST PAYMENT

Section 682.411(b)(1) refers to the 'due date of the first missed payment not later or earlier than' as one way to determine the first day of delinquency on a loan. Section 682.209(a)(3) states that, generally, the repayment period begins on a FFEL program loan begins on the first payment due date may be set by the lender, provided it falls within a reasonable time after the first day of the month in which the repayment period begins.

In cases where the lender learns that the borrower has entered the repayment period after the fact, current § 682.411 treats the 30th day after the lender receives this information as the first day of delinquency. In the course of discussion with lenders, the Secretary has learned that many lenders have not been using the 30th day after receipt of notice that the repayment period has begun ("the notice") as the first payment due date. In recognition of this apparently widespread practice, the Secretary generally permits a lender to allow the borrower up to 45 days from the first day of repayment to make the first payment. (Unless the lender establishes the first day of repayment under § 682.209(a)(3)(ii)(E).)

or before the 68th day after receipt of the notice, it may thereafter send material establishing a new first payment due date falling not more than 45 days after the materials are sent are deemed to have exercised forbearance up to the new first payment due date. However, all violations and gaps occurring prior to the date on which the materials are sent are subject to the waiver policies described in section I for violations falling in either the retrospective or prospective periods. This is an exception to the general policy set forth in section I.B.5., above, that only violations occurring during the most recent 180 days of the delinquency period on a loan are relevant to the Secretary's examination of due diligence.

Please Note: References to the “66th day after receipt of the notice” and “66th day” in the preceding paragraphs should be amended to read “95th day” and “90th day” respectively for lenders subject to § 682.209(a)(3)(ii)(E).

III. QUESTIONS AND ANSWERS

The waiver policy outlined in this letter was developed after extensive discussion and consultation with participating lenders and guarantee agencies. In the course of these discussions, lenders and agencies raised a number of questions regarding the due diligence rules as applied to various circumstances. The Secretary's responses to these questions are set forth below.

Note: The answer to questions 1 and 4 are applicable only to loans subject to § 682.411 of the FFEL and PLUS program regulations published on November 10, 1996.

1. Q: Section 682.411 of the program regulations requires the lender to make “diligent efforts” to contact the borrower by telephone during each 30-day period of delinquency beginning after the 30th day of delinquency. What must a lender do to comply with this requirement?

A: Generally speaking, one actual telephone contact with the borrower, or two attempts to make such contact on different days and at different times, will satisfy the “diligent efforts” requirement for any of the 30-day delinquency periods described in the rule. However, the “diligent efforts” requirement is intended to be a flexible one, requiring the lender to act on information it receives in the course of attempting telephone contact regarding the borrower’s actual telephone number, the best time to call to reach the borrower, etc. For instance, if the lender is told during its second telephone contact attempt that the borrower can be reached at another number or at a different time of day, the lender must then attempt to reach the borrower by telephone at that number or that time of day.

2. Q: What must a lender do when it receives conflicting information regarding the date a borrower ceased at least half-time study?

A: A lender must promptly attempt to reconcile conflicting information regarding a borrower’s in-school status by making inquiries of appropriate parties, including the borrower’s school. Pending reconciliation, the lender may rely on the most recent credible information it has.

3. Q: If a loan is transferred from one lender to another, is the transferee held responsible for information regarding the borrower’s status that is received by the transferor but is not passed on to the transferee?

A: No. A lender is responsible only for information received by its agents and employees. However, if the transferee has reason to believe that the transferor has received additional information regarding the loan, the transferee must make a reasonable inquiry of the transferor as to the nature and substance of that information.

4. Q: What are a lender’s due diligence responsibilities where a check received on a loan is dishonored by the bank on which it was drawn?

A: Upon receiving notice that a check has been dishonored, the lender shall treat the payment as having never been made for purposes of determining the number of days delinquent that the borrower is at that time. The lender must then begin (or resume) attempting collection on the loan in accordance with § 682.411, commencing with the first 30-day delinquency period described in § 682.411 that begins after the 30-day delinquency period in which the notice of dishonor is received. The same result obtains when the lender successfully obtains a delinquent borrower’s correct address through skip-tracing, or when a delinquent borrower leaves deferment or forbearance status.

PART 685—WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

Subpart A—Purpose and Scope

Sec. 685.100 The William D. Ford Federal Direct Loan Program.

685.101 Participation in the Direct Loan Program.

685.102 Definitions.

685.103 Applicability of subparts.

Subpart B—Borrower Provisions

685.200 Borrower eligibility.

685.201 Obtaining a loan.

685.202 Charges for which Direct Loan Program borrowers are responsible.

685.203 Loan limits.
§ 685.100  The William D. Ford Federal Direct Loan Program.

(a) Under the William D. Ford Federal Direct Loan (Direct Loan) Program (formerly known as the Federal Direct Student Loan Program), the Secretary makes loans to enable a student or parent to pay the costs of the student's attendance at a postsecondary school. This part governs the Federal Direct Stafford/Ford Loan Program, the Federal Direct Unsubsidized Stafford/Ford Loan Program, the Federal Direct PLUS Program, and the Federal Direct Consolidation Loan Program. The Secretary makes loans under the following program components:

1. Federal Direct Stafford/Ford Loan Program (formerly known as the Federal Direct Stafford Loan Program), which provides loans to undergraduate, graduate, and professional students. The Secretary subsidizes the interest while the borrower is in an in-school, grace, or deferment period.

2. Federal Direct Unsubsidized Stafford/Ford Loan Program (formerly known as the Federal Direct Unsubsidized Stafford Loan Program), which provides loans to undergraduate, graduate, and professional students. The borrower is responsible for the interest that accrues during any period.

3. Federal Direct PLUS Program, which provides loans to parents of dependent students. The borrower is responsible for the interest that accrues during any period.

4. Federal Direct Consolidation Loan Program, which provides loans to borrowers to consolidate certain Federal educational loans.

(b) The Secretary makes a Direct Subsidized Loan, a Direct Unsubsidized Loan, or a Direct PLUS Loan only to a student or a parent of a student enrolled in a school that has been selected by the Secretary to participate in the Direct Loan Program.

(c) The Secretary makes a Direct Consolidation Loan only to—

1. A borrower with a loan made under the Direct Loan Program; or

2. A borrower with a loan made under the Federal Family Education Loan Program who is not able to receive—

(i) A Federal Consolidation Loan; or

(ii) A Federal Consolidation Loan with income-sensitive repayment terms that are satisfactory to the borrower.

(Authority: 20 U.S.C. 1087a et seq.)
§ 685.101 Participation in the Direct Loan Program.

(a)(1) Colleges, universities, graduate and professional schools, vocational schools, and proprietary schools selected by the Secretary may participate in the Direct Loan Program. Participation in the Direct Loan Program enables an eligible student or parent to obtain a loan to pay for the student's cost of attendance at the school.

(2) The Secretary may permit a school to participate in both the Federal Family Education Loan (FFEL) Program, as defined in 34 CFR part 600, and the Direct Loan Program. A school permitted to participate in both the FFEL Program and the Direct Loan Program may certify loan applications under the FFEL Program according to the terms of its agreement with the Secretary.

(b) An eligible student who is enrolled at a school participating in the Direct Loan Program may borrow under the Federal Direct Stafford/Ford Loan and Federal Direct Unsubsidized Stafford/Ford Loan Programs. An eligible parent of an eligible dependent student enrolled at a school participating in the Direct Loan Program may borrow under the Federal Direct PLUS Program.

Federal Direct Consolidation Loan Program: A loan program authorized by title IV, part D of the Act that provides loans to borrowers who consolidate certain Federal educational loan(s), and one of the components of the Direct Loan Program. Loans made under this program are referred to as Direct Consolidation Loans. There are three types of Direct Consolidation Loans:

(1) Direct Subsidized Consolidation Loans. Subsidized title IV education loans may be consolidated into a Direct Subsidized Consolidation Loan. Interest is not charged to the borrower during in-school, grace, and deferment periods.
(2) Direct Unsubsidized Consolidation Loans. Certain Federal education loans may be consolidated into a Direct Unsubsidized Consolidation Loan. The borrower is responsible for the interest that accrues during any period.
(3) Direct PLUS Consolidation Loans. Parent Loans for Undergraduate Students, Federal PLUS, Direct PLUS, and Direct PLUS Consolidation Loans may be consolidated into a Direct PLUS Consolidation Loan. The borrower is responsible for the interest that accrues during any period.

Federal Direct PLUS Program: A loan program authorized by title IV, part D of the Act that provides loans to parents of dependent students attending schools that participate in the Direct Loan Program, and one of the components of the Direct Loan Program. Federal Direct Unsubsidized Stafford/Ford Loan Program: A loan program authorized by title IV, part D of the Act that provides loans to undergraduate, graduate, and professional students attending Direct Loan Program schools, and one of the components of the Direct Loan Program. Half-time student: A student who is not a full-time student and who is enrolled in a school participating in the FFEL Program or the Direct Loan Program and is carrying an academic workload that is at least one-half the workload of a full-time student, as determined by the school. A student enrolled solely in an eligible program of study by correspondence is considered a half-time student.

Interest rate: The annual interest rate that is charged on a loan, under title IV, part D of the Act.

Loan fee: A fee, payable by the borrower, that is used to help defray the costs of the Direct Loan Program.

(2) For Direct Unsubsidized Loans, the percentage equals the percentage of the original amount of the Direct Consolidation Loan or Federal Consolidation Loan attributable to the Direct Unsubsidized, Federal SLS, and Federal Unsubsidized Stafford Loans.

(j) Maximum loan amounts. In no case may a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan amount exceed the student's estimated cost of attendance for the period of enrollment for which the loan is intended, less—

(ii) The borrower is not serving in a medical internship or residency program, except for a residency program in dentistry.

(2)(i) The borrower is seeking and unable to find full-time employment.

(ii) For purposes of paragraph (b)(2)(i) of this section, the Secretary determines whether a borrower is eligible for a deferment due to the inability to find full-time employment using the standards and procedures set forth in 34 CFR 682.210(h) with references to the lender understood to mean the Secretary.

(3)(i) The borrower has experienced or will experience an economic hardship.

(ii) For purposes of paragraph (b)(3)(i) of this section, the Secretary determines whether a borrower is eligible for a deferment due to an economic hardship using the standards and procedures set forth in 34 CFR 682.210(s)(6) with references to the lender understood to mean the Secretary.

(c) No deferment under paragraphs (b)(2) or (3) of this section may exceed three years.

(a) General. “Forbearance” means permitting the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously scheduled. The borrower has the option to choose the form of forbearance. If payments of interest are forborne, they are capitalized. The Secretary grants forbearance if the borrower or endorser intends to repay the loan but requests forbearance and provides sufficient documentation to support this request, and—

(1) The Secretary determines that, due to poor health or other acceptable reasons, the borrower or endorser is currently unable to make scheduled payments;

(2) The borrower’s payments of principal are deferred under §685.204 and the Secretary does not subsidize the interest benefits on behalf of the borrower.
§ 685.206 Borrower responsibilities and defenses.

(3) The borrower is in a medical or dental internship or residency that must be successfully completed before the borrower may begin professional practice or service, or the borrower is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training;

(4) The borrower is serving in a national service position for which the borrower is receiving a national service educational award under the National and Community Service Trust Act of 1993;

(5) The borrower is eligible for loan forgiveness under the Federal Stafford Loan Forgiveness Demonstration Program, if the program is funded, for performing the type of service described in § 682.215(b); or

(6) For not more than three years during which the borrower or endorser—

(i) Is currently obligated to make payments on loans under title IV of the Act; and

(ii) The sum of these payments each month (or a proportional share if the payments are due less frequently than monthly) is equal to or greater than 20 percent of the borrower’s or endorser’s total monthly gross income.

(b) Administrative forbearance. In certain circumstances, the Secretary grants forbearance without requiring documentation from the borrower. These circumstances include but are not limited to—

(1) A properly granted period of deferment for which the Secretary learns the borrower did not qualify;

(2) The period for which payments are overdue at the beginning of an authorized deferment period;

(3) The period beginning when the borrower entered repayment until the first payment due date was established;

(4) The period prior to a borrower’s filing of a bankruptcy petition;

(5) A period after the Secretary receives reliable information indicating that the borrower (or the student in the case of a Direct PLUS Loan) has died, or the borrower has become totally and permanently disabled, until the Secretary receives documentation of death or total and permanent disability;

(6) Periods necessary for the Secretary to determine the borrower’s eligibility for discharge—

(i) Under § 685.213;

(ii) Under § 685.214; or

(7) A period of up to three years in cases where the effect of a variable interest rate on a fixed-amount or graduated repayment schedule causes the extension of the maximum repayment term; or

(8) A period during which the Secretary has authorized forbearance due to a national military mobilization or other local or national emergency.

(c) Period of forbearance. (1) The Secretary grants forbearance for a period of up to one year.

(2) The forbearance is renewable, upon request of the borrower, for the duration of the period in which the borrower meets the condition required for the forbearance.

(Authority: 20 U.S.C. 1087a et seq.)

(b)(1) The borrower shall promptly notify the Secretary of any change of name, address, student status to less than half-time, employer, or employer's address; and
(2) The borrower shall promptly notify the school of any change in address during enrollment.
(c) Borrower defenses. (1) In any proceeding to collect on a Direct Loan, the borrower may assert as a defense against repayment, any act or omission of the school attended by the student that would give rise to a cause of action against the school under applicable State law. These proceedings include, but are not limited to, the following:
   (i) Tax refund offset proceedings under 34 CFR 30.33.
   (ii) Wage garnishment proceedings under section 488A of the Act.
   (iii) Salary offset proceedings for Federal employees under 34 CFR part 31.
   (iv) Credit bureau reporting proceedings under 31 U.S.C. 3711(f).
(2) If the borrower's defense against repayment is successful, the Secretary notifies the borrower that the borrower is relieved of the obligation to repay all or part of the loan and associated costs and fees that the borrower would otherwise be obligated to pay. The Secretary affords the borrower further relief as the Secretary determines is appropriate under the circumstances. Further relief may include, but is not limited to, the following:
   (i) Reimburse the borrower for amounts paid toward the loan voluntarily or through enforced collection.
   (ii) Determining that the borrower is not in default on the loan and is eligible to receive assistance under title IV of the Act.
   (iii) Updating reports to credit bureaus to which the Secretary previously made adverse credit reports with regard to the borrower's Direct Loan.
(3) The Secretary may initiate an appropriate proceeding to require the school whose act or omission resulted in the borrower's successful defense against repayment of a Direct Loan to pay to the Secretary the amount of the loan to which the defense applies. However, the Secretary does not initiate such a proceeding after the period for the retention of records described in §685.309(c) unless the school received actual notice of the claim during that period.

(a) Obligation of repayment in general.
(1) A borrower is obligated to repay the full amount of a Direct Loan, including the principal balance, fees, any collection costs charged under §685.202(e), and any interest not subsidized by the Secretary, unless the borrower is relieved of the obligation to repay as provided in this part.
(2) The borrower's repayment of a Direct Loan may also be subject to the deferment provisions in §685.204, the forbearance provisions in §685.205, and the discharge provisions in §685.212.
(b) Direct Subsidized Loan repayment.
(1) During the period in which a borrower is enrolled at an eligible school on at least a half-time basis, the borrower is in an ‘‘in-school’’ period and is not required to make payments on a Direct Subsidized Loan unless—
   (i) The loan entered repayment before the in-school period began; and
   (ii) During a grace period, the borrower is not required to make payments on a Direct Subsidized Loan unless—
      (i) The loan entered repayment before the in-school period began; and
      (ii) During a grace period, the borrower is not required to make payments on a Direct Subsidized Loan.
(2)(i) When a borrower ceases to be enrolled at an eligible school on at least a half-time basis, a six-month grace period begins, unless the grace period has been previously exhausted.
(2)(ii) During a grace period, the borrower is not required to make payments on a Direct Subsidized Loan.
(3) A borrower is not obligated to pay interest on a Direct Subsidized Loan for in-school or grace periods unless the borrower is required to make payments on the loan during those periods under paragraph (b)(1) of this section.
(4) The repayment period for a Direct Subsidized Loan begins the day after the grace period ends. A borrower is obligated to repay the loan under paragraph (a) of this section during the repayment period.
§ 685.208 Repayment plans.

(a) General. (1) A borrower may repay a Direct Subsidized Loan, a Direct Unsubsidized Loan, a Direct Subsidized Consolidation Loan, or a Direct Unsubsidized Consolidation Loan under the standard repayment plan, the extended repayment plan, the graduated repayment plan, or the income contingent repayment plan.

(2) A borrower may repay a Direct PLUS Loan or a Direct PLUS Consolidation Loan under the standard repayment plan, the extended repayment plan, or the graduated repayment plan.

(3) The Secretary may provide an alternative repayment plan in accordance with paragraph (g) of this section.

(4) All Direct Loans obtained by one borrower must be repaid together under the same repayment plan, except that a borrower of a Direct PLUS Loan or a Direct PLUS Consolidation Loan may repay the Direct PLUS Loan or a Direct PLUS Consolidation Loan outstanding during an in-school period according to the repayment plan applicable to the unsubsidized portion of the consolidation loan.
the Direct PLUS Consolidation Loan separately from other Direct Loans obtained by that borrower.

(b) Standard repayment plan. (1) Under the standard repayment plan, a borrower shall repay a loan in full within ten years from the date the loan entered repayment by making fixed monthly payments.

(2) Periods of authorized deferment or forbearance are not included in the ten-year repayment period.

(3) A borrower's payments under the standard repayment plan are at least $50 per month, except that a borrower’s final payment may be less than $50.

(4) The number of payments or the fixed monthly repayment amount may be adjusted to reflect changes in the variable interest rate identified in §685.202(a).

(c) Extended repayment plan. (1) Under the extended repayment plan, a borrower shall repay a loan in full by making fixed monthly payments within an extended period of time that varies with the total amount of the borrower’s loans, as described in paragraph (e) of this section.

(2) Periods of deferment and forbearance are not included in the number of years of repayment.

(3) A borrower makes fixed monthly payments of at least $50 per month, except that a borrower’s final payment may be less than $50.

(4) The number of payments or the fixed monthly repayment amount may be adjusted to reflect changes in the variable interest rate identified in §685.202(a).

(d) Graduated repayment plan. (1) Under the graduated repayment plan, a borrower shall repay a loan in full by making payments at two or more levels within a period of time that varies with the total amount of the borrower’s loans, as described in paragraph (e) of this section.

(2) Periods of deferment and forbearance are not included in the number of years of repayment.

(3) The number of payments or the monthly repayment amount may be adjusted to reflect changes in the variable interest rate identified in §685.202(a).

(4) No scheduled payment under the graduated repayment plan may be less than the amount of interest accrued on the loan between monthly payments, less than 50 percent of the payment amount that would be required under the standard repayment plan, or more than 150 percent of the payment amount that would be required under the standard repayment plan.

(e) Repayment period for the extended and graduated plans. Under the extended and graduated repayment plans, if the total amount of the borrower’s Direct Loans is—

(1) Less than $10,000, the borrower shall repay the loans within 12 years of entering repayment;

(2) Greater than or equal to $10,000 but less than $20,000, the borrower shall repay the loans within 15 years of entering repayment;

(3) Greater than or equal to $20,000 but less than $40,000, the borrower shall repay the loans within 20 years of entering repayment;

(4) Greater than or equal to $40,000 but less than $60,000, the borrower shall repay the loans within 25 years of entering repayment; and

(5) Greater than or equal to $60,000, the borrower shall repay the loans within 30 years of entering repayment.

(f) Income contingent repayment plan. (1) Under the income contingent repayment plan, a borrower's monthly repayment amount is generally based on the total amount of the borrower's Direct Loans, family size, and Adjusted Gross Income (AGI) reported by the borrower for the most recent year for which the Secretary has obtained income information. The borrower's AGI includes the income of the borrower's spouse. A borrower shall make payments on a loan until the loan is repaid in full or until the loan has been in repayment through the end of the income contingent repayment period.

(2) The regulations in effect at the time a borrower enters repayment and selects the income contingent repayment plan or changes into the income contingent repayment plan from another plan govern the method for determining the borrower's monthly repayment amount for all of the borrower's Direct Loans, unless—

(i) The Secretary amends the regulations relating to a borrower’s monthly...
§ 685.209 Income contingent repayment plan.

(a) Repayment amount calculation. (1) The amount the borrower would repay is based upon the borrower’s Direct Loan debt when the borrower’s first loan enters repayment, and this basis for calculation does not change unless the borrower obtains another Direct Loan or the borrower and the borrower’s spouse obtain approval to repay their loans jointly under paragraph (b)(2) of this section. If the borrower obtains another Direct Loan, the amount the borrower would repay is based on the combined amounts of the loans when the last loan enters repayment. If the borrower and the borrower’s spouse repay the loans jointly, the amount the borrowers would repay is based on both borrowers’ Direct Loan debts at the time they enter joint repayment.

(ii) The annual amount payable under the income contingent repayment plan by a borrower is the lesser of—

(i) The amount the borrower would repay annually over 12 years using standard amortization multiplied by an income percentage factor that corresponds to the borrower’s adjusted gross income (AGI) as shown in the income percentage factor table in a notice published annually by the Secretary in the Federal Register; or

(ii) 20 percent of discretionary income.

For purposes of this section, discretionary income is defined as a borrower’s AGI minus the amount of the “HHS Poverty Guidelines for all States (except Alaska and Hawaii) and the District of Columbia” as published by the United States Department of Health and Human Services on an annual basis. For residents of Alaska and Hawaii, discretionary income is defined as a borrower’s AGI minus the amounts in the “HHS Poverty Guidelines for

Authority: 20 U.S.C. 1087a et seq.

§ 685.209

(b) Treatment of married borrowers. (1) A married borrower who wishes to repay under the income contingent repayment plan and who has filed an income tax return separately from his or her spouse must provide his or her spouse's written consent to the disclosure of certain tax return information under paragraph (c)(5) of this section (unless the borrower is separated from his or her spouse). The AGI for both spouses is used to calculate the monthly repayment amount.

(2) Married borrowers may repay their loans jointly. The outstanding balances on the loans of each borrower are added together to determine the borrowers' payback rate under (a)(1) of this section.

(3) The amount of the payment applied to each borrower's debt is the proportion of the payments that equals the same proportion as that borrower's debt to the total outstanding balance, except that the payment is credited toward outstanding interest on any loan before any payment is credited toward principal.

(c) Other features of the income contingent repayment plan. (1) Alternative documentation of income. If a borrower's AGI is not available or if, in the Secretary's opinion, the borrower's reported AGI does not reasonably reflect the borrower's current income, the Secretary may use other documentation of income provided by the borrower to calculate the borrower's monthly repayment amount.

(2) First and second year borrowers. The Secretary requires alternative documentation of income from borrowers in their first and second years of repayment, when in the Secretary's opinion, the borrower's reported AGI does not reasonably reflect the borrower's current income.

(3) Adjustments to repayment obligations. The Secretary may determine that special circumstances, such as a loss of employment by the borrower or the borrower's spouse, warrant an adjustment to the borrower's repayment obligations.
§ 685.209

(4) Repayment period. (i) The maximum repayment period under the income contingent repayment plan is 25 years.

(ii) The repayment period includes periods in which the borrower makes payments under the standard repayment plan and under extended repayment plans in which payments are based on a repayment period that is up to 12 years. The repayment period does not include periods in which the borrower makes payments under the graduated and alternative repayment plans or periods of authorized deferment or forbearance. The repayment period also does not include periods in which the borrower makes payments under an extended repayment plan in which payments are based on a repayment period that is longer than 12 years.

(iii) If a borrower repays more than one loan under the income contingent repayment plan, a separate repayment period for each loan begins when that loan enters repayment.

(iv) If a borrower has not repaid a loan in full at the end of the 25-year repayment period under the income contingent repayment plan, the Secretary cancels the unpaid portion of the loan.

(v) At the beginning of the repayment period under the income contingent repayment plan, a borrower shall make monthly payments of the amount of interest that accrues on the borrower's Direct Loans until the Secretary calculates the borrower's monthly repayment amount on the basis of the borrower's income.

(5) Limitation on capitalization of interest. If the amount of a borrower's monthly payment is less than the accrued interest, the unpaid interest is capitalized until the outstanding principal amount is ten percent greater than the original principal amount. After the outstanding principal amount is ten percent greater than the original principal amount, interest continues to accrue but is not capitalized. For purposes of this paragraph, the original amount is the amount owed by the borrower when the borrower enters repayment.

(6) Notification of terms and conditions. When a borrower elects or is required by the Secretary to repay a loan under the income contingent repayment plan, the Secretary notifies the borrower of the terms and conditions of the plan, including—

(i) That the Internal Revenue Service will disclose certain tax return information to the Secretary or the Secretary's agents; and

(ii) That if the borrower believes that special circumstances warrant an adjustment to the borrower's repayment obligations, as described in §685.209(c)(3), the borrower may contact the Secretary and obtain the Secretary's determination as to whether an adjustment is appropriate.

(7) Consent to disclosure of tax return information. (i) A borrower shall provide written consent to the disclosure of certain tax return information by the Internal Revenue Service (IRS) to agents of the Secretary for purposes of calculating a monthly repayment amount and servicing and collecting a loan under the income contingent repayment plan. The borrower shall provide consent by signing a consent form, developed consistent with 26 CFR 301.6103(c)-1 and provided to the borrower by the Secretary, and shall return the signed form to the Secretary.

(ii) The borrower shall consent to disclosure of the borrower's taxpayer identity information as defined in 26 U.S.C. 6103(b)(6), tax filing status, and AGI.

(iii) The borrower shall provide consent for a period of five years from the date the borrower signs the consent form. The Secretary provides the borrower a new consent form before that period expires. The IRS does not disclose tax return information after the IRS has processed a borrower's withdrawal of consent.

(iv) The Secretary designates the standard repayment plan for a borrower who selects the income contingent repayment plan but—

(A) Fails to provide the required written consent;

(B) Fails to renew written consent upon the expiration of the five-year period for consent; or

(C) Withdraws consent and does not select another repayment plan.

(v) If a borrower defaults and the Secretary designates the income contingent repayment plan for the borrower but the borrower fails to provide
§ 685.210 Choice of repayment plan.

(a) Initial selection of a repayment plan. (1) Before a Direct Loan enters into repayment, the Secretary provides the borrower a description of the available repayment plans and requests the borrower to select one. A borrower may select a repayment plan before the loan enters repayment by notifying the Secretary of the borrower’s selection in writing.

(2) If a borrower does not select a repayment plan, the Secretary designates the standard repayment plan described in § 685.208(b) for the borrower.

(b) Changing repayment plans. (1) A borrower may change repayment plans at any time after the loan has entered repayment by notifying the Secretary.

(2)(i) A borrower may not change to a repayment plan that has a maximum repayment period of less than the number of years the loan has already been in repayment, except that a borrower may change to the income contingent repayment plan at any time.

(ii) If a borrower makes and the Secretary approves a request to change plans:

(A) Applies the prepaid amount according to paragraph (a)(1) of this section;

(B) Advances the due date of the next payment unless the borrower requests otherwise; and

(C) Notifies the borrower of any revised due date for the next payment.

(3) If a prepayment equals or exceeds the monthly repayment amount under the borrower’s repayment plan, the Secretary—

(A) Applies the prepaid amount according to paragraph (a)(1) of this section;

(B) Advances the due date of the next payment unless the borrower requests otherwise; and

(C) Notifies the borrower of any revised due date for the next payment.

§ 685.211 Miscellaneous repayment provisions.

(a) Payment application and prepayment. (1) The Secretary applies any payment first to any accrued charges and collection costs, then to any outstanding interest, and then to outstanding principal.

(2) A borrower may prepay all or part of a loan at any time without penalty. If a borrower pays any amount in excess of the amount due, the excess amount is a prepayment.

(3) If a prepayment equals or exceeds the monthly repayment amount under the borrower’s repayment plan, the Secretary—

(A) Applies the prepaid amount according to paragraph (a)(1) of this section;

(B) Advances the due date of the next payment unless the borrower requests otherwise; and

(C) Notifies the borrower of any revised due date for the next payment.

(b) Refunds from schools. The Secretary applies any refund due to a borrower that the Secretary receives from a school under § 668.22 against the borrower’s outstanding principal and notifies the borrower of the refund.

(c) Default. (1) Acceleration. If a borrower defaults on a Direct Loan, the entire unpaid balance and accrued interest are immediately due and payable.

(2) Collection charges. If a borrower defaults on a Direct Loan, the Secretary assesses collection charges in accordance with § 685.202(e).

(3) Collection of a defaulted loan. (i) The Secretary may take any action authorized by law to collect a defaulted Direct Loan including, but not limited to, filing a lawsuit against the borrower, reporting the default to national credit bureaus, requesting the
Internal Revenue Service to offset the borrower's Federal income tax refund, and garnishing the borrower's wages.

(ii) If a borrower defaults on a Direct Subsidized Loan, a Direct Unsubsidized Loan, a Direct Unsubsidized Consolidation Loan or a Direct Subsidized Consolidation Loan, the Secretary may designate the income contingent repayment plan for the borrower.

(d) Ineligible borrowers. (1) The Secretary determines that a borrower is ineligible if, at the time the loan was made and without the school's or the Secretary's knowledge, the borrower (or the student on whose behalf a parent borrowed) provided false or erroneous information or took actions that caused the borrower or student—

(i) To receive a loan for which the borrower is wholly or partially ineligible;

(ii) To receive interest benefits for which the borrower was ineligible; or

(iii) To receive loan proceeds for a period of enrollment for which the borrower was not eligible.

(2) If the Secretary makes the determination described in paragraph (d)(1) of this section, the Secretary sends an ineligible borrower a demand letter that requires the borrower to repay some or all of a loan, as appropriate. The demand letter requires that within 30 days from the date the letter is mailed, the borrower repay any principal amount for which the borrower is ineligible and any accrued interest, including interest subsidized by the Secretary, through the previous quarter.

(3) If a borrower fails to comply with the demand letter described in paragraph (d)(2) of this section, the borrower is in default on the entire loan.

(4) A borrower may not consolidate a loan under §685.215 for which the borrower is wholly or partially ineligible.

(e) Rehabilitation of defaulted loans. A defaulted Direct Loan is rehabilitated if the borrower makes 12 consecutive on-time, reasonable, and affordable monthly payments. The amount of such a payment is determined on the basis of the borrower's total financial circumstances. If a defaulted loan is rehabilitated, the Secretary instructs any credit bureau to which the default was reported to remove the default from the borrower's credit history.

(Authority: 20 U.S.C. 1087a et seq.)

§685.212 Discharge of a loan obligation.

(a) Death. If the Secretary receives acceptable documentation that a borrower (or the student on whose behalf a parent borrowed) has died, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan.

(b) Total and permanent disability. (1) If the Secretary receives acceptable documentation that a borrower has become totally and permanently disabled, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan.

(2) Except as provided in paragraph (b)(3)(i) of this section, a borrower is not considered totally and permanently disabled based on a condition that existed at the time the borrower applied for the loan unless the borrower's condition substantially deteriorated after the loan was made so as to render the borrower totally and permanently disabled.

(3)(i) For a Direct Consolidation Loan, a borrower is considered totally and permanently disabled if he or she would be considered totally and permanently disabled under paragraphs (b) (1) and (2) of this section for all of the loans that were included in the Direct Consolidation Loan if those loans had not been consolidated.

(ii) For the purposes of discharging a loan under paragraph (b)(3)(i) of this section, provisions in paragraphs (b) (1) and (2) of this section apply to each loan included in the Direct Consolidation Loan, even if the loan is not a Direct Loan Program loan.

(iii) If requested, a borrower seeking to discharge a loan obligation under paragraph (b)(3)(i) of this section must provide the Secretary with the disbursement dates of the underlying loans.

(c) Bankruptcy. If a borrower's obligation to repay a loan is discharged in bankruptcy, the Secretary does not require the borrower to make any further payments on the loan.
(d) Closed schools. If a borrower meets the requirements in §685.213, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan.

(e) False certification and unauthorized disbursement. If a borrower meets the requirements in §685.214, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan.

(f) Payments received after eligibility for discharge. Upon receipt of acceptable documentation and approval of the discharge request, the Secretary returns to the sender, or, for a discharge based on death, the borrower’s estate, those payments received after the date that the eligibility requirements for discharge were met but prior to the date the discharge was approved. The Secretary also returns any payments received after the date the discharge was approved.

(g) Loan forgiveness demonstration program. If funds are appropriated for the loan forgiveness demonstration program authorized by section 428J of the Act, the Secretary follows the procedures and applies the standards in 34 CFR 682.215 for borrowers under the Direct Loan Program.

Effective Date Note: At 62 FR 63435, Nov. 28, 1997, §685.212 was amended by revising paragraph (b), effective July 1, 1998. This paragraph contains information collection and recordkeeping requirements that will not become effective until approval has been given by the Office of Management and Budget.

§ 685.213 Closed school discharge.

(a) General. (1) The Secretary discharges the borrower’s (and any endorser’s) obligation to repay a Direct Loan in accordance with the provisions of this section if the borrower (or the student on whose behalf a parent borrowed) did not complete the program of study for which the loan was made because the school at which the borrower (or student) was enrolled closed, as described in paragraph (c) of this section.

(2) For purposes of this section—

(i) A school’s closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary; and

(ii) “School” means a school’s main campus or any location or branch of the main campus.

(b) Relief pursuant to discharge. (1) Discharge under this section relieves the borrower of any past or present obligation to repay the loan and any accrued charges or collection costs with respect to the loan.

(2) The discharge of a loan under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the loan.

(3) The Secretary does not regard a borrower who has defaulted on a loan discharged under this section as in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the Act.

(4) The Secretary reports the discharge of a loan under this section to all credit reporting agencies to which the Secretary previously reported the status of the loan.

(c) Borrower qualification for discharge. In order to qualify for discharge of a loan under this section, a borrower shall submit to the Secretary a written request and sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower shall—

(1) State that the borrower (or the student on whose behalf a parent borrowed)—

(i) Received the proceeds of a loan to attend a school;

(ii) Did not complete the program of study at that school because the school closed while the student was enrolled, or the student withdrew from the school not more than 90 days before the school closed (or longer in exceptional circumstances); and

(iii) Did not complete the program of study through a teach-out at another school or by transferring academic
credits or hours earned at the closed school to another school;

(2) State whether the borrower (or student) has made a claim with respect to the school’s closing with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower (or student) or credited to the borrower’s loan obligation; and

(3) State that the borrower (or student)—

(i) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(ii) Agrees to cooperate with the Secretary in enforcement actions in accordance with paragraph (d) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (e) of this section.

(d) Cooperation by borrower in enforcement actions. (1) In order to obtain a discharge under this section, a borrower shall cooperate with the Secretary in any judicial or administrative proceeding brought by the Secretary to recover amounts discharged or to take other enforcement action with respect to the conduct on which the discharge was based. At the request of the Secretary and upon the Secretary’s tendering to the borrower the fees and costs that are customarily provided in litigation to reimburse witnesses, the borrower shall—

(i) Provide testimony regarding any representation made by the borrower to support a request for discharge;

(ii) Produce any documents reasonably available to the borrower with respect to those representations; and

(iii) If required by the Secretary, provide a sworn statement regarding those documents and representations.

(2) The Secretary denies the request for a discharge or revokes the discharge of a borrower who—

(i) Fails to provide the testimony, documents, or a sworn statement required under paragraph (d)(1) of this section; or

(ii) Provides testimony, documents, or a sworn statement that does not support the material representations made by the borrower to obtain the discharge.

(e) Transfer to the Secretary of borrower’s right of recovery against third parties. (1) Upon discharge under this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, its affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(2) The provisions of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of those rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary’s ability to recover on those rights.

(3) Nothing in this section limits or forecloses the borrower’s (or student’s) right to pursue legal and equitable relief regarding disputes arising from matters unrelated to the discharged Direct Loan.

(f) Discharge procedures. (1) After confirming the date of a school’s closure, the Secretary identifies any Direct Loan borrower (or student on whose behalf a parent borrowed) who appears to have been enrolled at the school on the school closure date or to have withdrawn not more than 90 days prior to the closure date.

(2) If the borrower’s current address is known, the Secretary mails the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(3) If the borrower’s current address is unknown, the Secretary attempts to locate the borrower and determines the borrower’s potential eligibility for a
§ 685.214 Discharge for false certification of student eligibility or unauthorized payment.

(a) Basis for discharge. (1) False certification. The Secretary discharges a borrower’s (and any endorser’s) obligation to repay a Direct Loan in accordance with the provisions of this section if a school falsely certifies the eligibility of the borrower (or the student on whose behalf a parent borrowed) to receive the loan. The Secretary considers a student’s eligibility to borrow to have been falsely certified by the school if the school—

(i) Certified the student’s eligibility for a Direct Loan on the basis of ability to benefit from its training and the student did not meet the eligibility requirements described in 34 CFR part 668 and section 484(d) of the Act, as applicable;

(ii) Signed the borrower’s name on the loan application or promissory note without the borrower’s authorization; or

(iii) Certified the eligibility of a student who, because of a physical or mental condition, age, criminal record, or other reason accepted by the Secretary, would not meet the requirements for employment (in the student’s State of residence when the loan was originated) in the occupation for which the training program supported by the loan was intended.

(2) Unauthorized payment. The Secretary discharges a borrower’s (and any endorser’s) obligation to repay a Direct Loan if the school, without the borrower’s authorization, endorsed the borrower’s loan check or signed the borrower’s authorization for electronic funds transfer, unless the proceeds of the loan were delivered to the student or applied to charges owed by the student to the school.

(b) Relief pursuant to discharge. (1) Discharge for false certification under paragraph (a)(1) of this section relieves the borrower of any past or present obligation to repay the loan and any accrued charges and collection costs with respect to the loan.

(2) Discharge for unauthorized payment under paragraph (a)(2) of this section relieves the borrower of the obligation to repay the amount of the payment discharged.

(3) The discharge under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the discharged loan or payment.

(4) The Secretary does not regard a borrower who has defaulted on a loan discharged under this section as in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the Act.

(5) The Secretary reports the discharge under this section to all credit reporting agencies to which the Secretary previously reported the status of the loan.

(c) Borrower qualification for discharge. In order to qualify for discharge under
this section, the borrower shall submit to the Secretary a written request and a sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower shall meet the requirements in paragraphs (c) (1) through (5) of this section.

(1) Ability to benefit. In the case of a borrower requesting a discharge based on the school’s defective testing of the student’s ability to benefit, the borrower shall state that the borrower (or the student on whose behalf a parent borrowed)—

(i) Received a disbursement of a loan to attend a school;

(ii) Received a Direct Loan at that school on the basis of an ability to benefit from the school’s training and did not meet the eligibility requirements described in 34 CFR part 688 and section 484(d) of the Act, as applicable; and

(iii) Either—

(A) Withdrew from the school and did not find employment in the occupation for which the training program was intended; or

(B) Completed the training program for which the loan was made, made reasonable attempts to obtain employment in the occupation for which the program was intended, and was not able to find employment in that occupation only after receiving additional training that was not provided by the school that originated the loan.

(2) Unauthorized loan. In the case of a borrower requesting a discharge because the school signed the borrower’s name on the loan application or promissory note without the borrower’s authorization, the borrower shall—

(i) State that he or she did not sign the document in question or authorize the school to do so; and

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature.

(3) Unauthorized payment. In the case of a borrower requesting a discharge because the school, without the borrower’s authorization, endorsed the borrower’s loan check or signed the borrower’s authorization for electronic funds transfer, the borrower shall—

(i) State that he or she did not endorse the loan check or sign the authorization for electronic funds transfer or authorize the school to do so;

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature;

(iii) State that the proceeds of the contested disbursement were not delivered to the student or applied to charges owed by the student to the school.

(4) Claim to third party. The borrower shall state whether the borrower (or student) has made a claim with respect to the school’s false certification or unauthorized payment with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower (or student) or credited to the borrower’s loan obligation.

(5) Cooperation with Secretary. The borrower shall state that the borrower (or student)—

(i) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(ii) Agrees to cooperate with the Secretary in enforcement actions as described in §685.213(d) and to transfer any right to recovery against a third party to the Secretary as described in §685.213(e).

(d) Discharge procedures. (1) If the Secretary determines that a borrower’s Direct Loan may be eligible for a discharge under this section, the Secretary mails the borrower a disclosure application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(2) If the borrower fails to submit the written request and sworn statement described in paragraph (c) of this section within 60 days of the Secretary’s mailing the disclosure application, the Secretary resumes collection and
§ 685.215 Consolidation.

(a) Direct Consolidation Loans. A borrower may consolidate one or more education loans made under certain Federal programs into one or more Direct Consolidation Loans. Loans consolidated into a Direct Consolidation Loan are discharged when the Direct Consolidation Loan is originated.

(b) Loans eligible for consolidation. The following loans may be consolidated into a Direct Consolidation Loan:

§ 685.300 Agreements between an eligible school and the Secretary for participation in the Direct Loan Program.

(a) General. (1) Participation of a school in the Direct Loan Program means that eligible students at the school may receive Direct Loans. To participate in the Direct Loan Program, a school shall—

(i) Demonstrate to the satisfaction of the Secretary that the school meets the requirements for eligibility under the Act and applicable regulations; and

(ii) Enter into a written program participation agreement with the Secretary.

(2) The chief executive officer of the school shall sign the program participation agreement on behalf of the school.

(b) Program participation agreement. In the program participation agreement, the school shall promise to comply with the Act and applicable regulations and shall agree to—

(1) Identify eligible students who seek student financial assistance at the institution in accordance with section 484 of the Act;

(2) Estimate the need of each of these students as required by part F of the Act for an academic year. For purposes of estimating need, a Direct Unsubsidized Loan, a Direct PLUS Loan, or any loan obtained under any State-sponsored or private loan program may be used to offset the expected family contribution of the student for that year;

(3) Certify that the amount of the loan for any student under part D of the Act is not in excess of the annual limit applicable for that loan program and that the amount of the loan, in combination with previous loans received by the borrower, is not in excess of the aggregate limit for that loan program;

(4) Set forth a schedule for disbursement of the proceeds of the loan in installments, consistent with the requirements of section 428G of the Act;

(5) Provide timely and accurate information to the Secretary for the servicing and collecting of loans—

(i) Concerning the status of student borrowers (and students on whose behalf parents borrow) while these students are in attendance at the school;

(ii) Upon request by the Secretary, concerning any new information of which the school becomes aware for these students (or their parents) after the student leaves the school; and

(iii) Concerning student eligibility and need, for the alternative origination of loans to eligible students and parents in accordance with part D of the Act;

(6) Provide assurances that the school will comply with requirements established by the Secretary relating to student loan information with respect to loans made under the Direct Loan Program;
(7) Provide that the school will accept responsibility and financial liability stemming from its failure to perform its functions pursuant to the agreement;

(8) Provide that eligible students at the school and their parents may participate in the programs under part B of the Act at the discretion of the Secretary for the period during which the school participates in the Direct Loan Program under part D of the Act, except that a student may not receive loans under both part D of the Act and part B of the Act for the same period of enrollment and a parent (borrowing for the same student) may not receive loans under both part D of the Act and part B of the Act for the same period of enrollment;

(9) Provide for the implementation of a quality assurance system, as established by the Secretary and developed in consultation with the school, to ensure that the school is complying with program requirements and meeting program objectives;

(10) Provide that the school will not charge any fees of any kind, however described, to student or parent borrowers for origination activities or the provision of any information necessary for a student or parent to receive a loan under part D of the Act or any benefits associated with such a loan; and

(11) Comply with other provisions that the Secretary determines are necessary to protect the interests of the United States and to promote the purposes of part D of the Act.

(c) Origination. (1) If a school or consortium originates loans in the Direct Loan Program, it shall enter into a supplemental agreement that—

(i) Provides that the school or consortium will originate loans to eligible students and parents in accordance with part D of the Act; and

(ii) Provides that the note or evidence of obligation on the loan is the property of the Secretary.

(2) The chief executive officer of the school shall sign the supplemental agreement on behalf of the school.

(Authority: 20 U.S.C. 1087a et seq., 1094)
(6) If a student has received a determination of need for a Direct Subsidized Loan that is $200 or less, a school may choose not to originate a Direct Subsidized Loan for that student and to include the amount as part of a Direct Unsubsidized Loan.

(7) A school may refuse to originate a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan or may reduce the borrower’s determination of need for the loan if the reason for that action is documented and provided to the student in writing, and if—

(i) The determination is made on a case-by-case basis;
(ii) The documentation supporting the determination is retained in the student’s file; and
(iii) The school does not engage in any pattern or practice that results in a denial of a borrower’s access to Direct Loans because of the borrower’s race, gender, color, religion, national origin, age, disability status, or income.

(8) A school may not assess a fee for the completion or certification of any Direct Loan Program forms or information or for the origination of a Direct Loan.

(b) Determining disbursement dates and amounts. (1) Before disbursing a loan, a school that originates loans shall determine that all information required by the loan application and promissory note has been provided by the borrower and, if applicable, the student.

(2) Unless paragraph (b)(5), (6), or (7) of this section applies, an institution shall disburse the loan proceeds on a payment period basis in accordance with 34 CFR 668.164(b).

(3) Unless paragraph (b)(4), (5), or (6) of this section applies—

(i) If a loan period is more than one payment period, the school shall disburse loan proceeds at least once in each payment period; and

(ii) If a loan period is one payment period, the school shall make at least two disbursements during that payment period. The school may not make the second disbursement until the calendar midpoint between the first and last scheduled days of class of the loan period.

(4)(i) If one or more payment periods have elapsed before a school makes a disbursement, the school may include in the disbursement loan proceeds for completed payment periods; or

(ii) If the loan period is equal to one payment period and more than one-half of it has elapsed, the school may include in the disbursement loan proceeds for the entire payment period.

(5) If an educational program measures academic progress in credit hours and does not use semesters, trimesters, or quarters, the school may not make a second disbursement until the later of—

(i) The calendar midpoint between the first and last scheduled days of class of the loan period; or

(ii) The date, as determined by the institution, that the student has completed half of the academic coursework in the loan period.

(6) If an educational program measures academic progress in clock hours, the school may not make a second disbursement until the later of—

(i) The calendar midpoint between the first and last scheduled days of class of the loan period; or

(ii) The date, as determined by the institution, that the student has completed half of the clock hours in the loan period.

(7) The school must disburse loan proceeds in substantially equal installments, and no installment may exceed one-half of the loan.

(8) A school not in a State is not required to make more than one disbursement.

(c) Promissory note handling. (1) The Secretary provides promissory notes for use in the Direct Loan Program. A school may not modify, or make any additions to, the promissory note without the Secretary’s prior written approval.

(2) A school that originates a loan shall provide to the Secretary an executed, legally enforceable promissory note as proof of the borrower’s indebtedness.

(d) Reporting to the Secretary. (1) A school that originates a loan must submit the promissory note, loan origination record, and initial and subsequent disbursement records to the Secretary no later than 30 days following the date of disbursement. A school must submit
§ 685.303 Processing loan proceeds.

(a) Purpose. This section establishes rules governing a borrower's processing of a borrower's Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan proceeds. The school shall also comply with any rules for processing loan proceeds contained in 34 CFR part 668.

(b) General—(1)(i) A school that initiates the drawdown of funds. A school may not disburse loan proceeds to a borrower unless the school has obtained an executed, legally enforceable promissory note from the borrower.

(ii) A school that does not initiate the drawdown of funds. A school may disburse loan proceeds only to a borrower for whom the school has received funds from the Secretary.

(2)(i) Except in the case of a late disbursement under paragraph (d) of this section, or as provided in paragraph (b)(2)(iii) of this section, a school may disburse loan proceeds only to a student, or a parent in the case of a PLUS Loan, if the school determines the student has continuously maintained eligibility in accordance with the provisions of §685.200 from the beginning of the loan period described in the promissory note.

(ii) In the event a student delays attending school for a period of time, the school may consider that student to have maintained eligibility for the loan from the first day of the period of enrollment. However, the school must comply with the requirements under paragraph (b)(3) of this section.

(iii) If, after a school makes the first disbursement to a borrower, the student becomes ineligible due solely to the school's loss of eligibility to participate in the title IV programs or the Direct Loan Program, the school may make subsequent disbursements to the borrower as permitted by 34 CFR part 668.

(iv) If, prior to making any disbursement to a borrower, the student temporarily ceases to be enrolled on at least a half-time basis, the school may make a disbursement and any subsequent disbursement to the student if the school determines and documents in the student's file—

(A) That the student has resumed enrollment on at least a half-time basis;
(B) The student’s revised cost of attendance; and

(C) That the student continues to qualify for the entire amount of the loan, notwithstanding any reduction in the student’s cost of attendance caused by the student’s temporary cessation of enrollment on at least a half-time basis.

(3) If a registered student withdraws or is expelled prior to the first day of classes of the period of enrollment for which the loan is made, or fails to attend school during that period, or if the school is unable for any other reason to document that the student attended school during that period, the school shall notify the Secretary, within 30 days of the date described in § 685.305(a), of the student’s withdrawal, expulsion, or failure to attend school, as applicable, and return to the Secretary—

(i) Any loan proceeds credited by the school to the student’s account; and

(ii) The amount of payments made by the student to the school, to the extent that they do not exceed the amount of any loan proceeds disbursed by the school to the student.

(4) If a student is enrolled in the first year of an undergraduate program of study and has not previously received a Federal Stafford, Federal Supplemental Loans for Students, Direct Subsidized, or Direct Unsubsidized Loan, a school may not disburse the proceeds of a Direct Subsidized or Direct Unsubsidized Loan until 30 days after the first day of the student’s program of study.

(c) Processing of the proceeds of a Direct Loan. Schools shall follow the procedures for disbursing funds in 34 CFR 668.164.

(d) Late Disbursement. A school may make a late disbursement according to the provisions found under 34 CFR 668.164(g).

(e) Treatment of excess loan proceeds. Before the disbursement of any Direct Subsidized or Direct Unsubsidized Loan proceeds, if a school learns that the borrower will receive or has received financial aid for the period of enrollment for which the loan was intended that exceeds the amount of assistance for which the student is eligible, the school shall reduce or eliminate the overaward by either—

(1) Using the student’s Direct Unsubsidized, Direct PLUS, or State-sponsored or another non-Federal loan to cover the expected family contribution, if not already done; or

(2) Reducing one or more subsequent disbursements to eliminate the overaward.

(Approved by the Office of Management and Budget under control number 1840-0672)

§ 685.304 Counseling borrowers.

(a) Initial counseling. (1) Except as provided in paragraph (a)(5) of this section, a school shall conduct initial counseling prior to making the first disbursement of the proceeds of a Direct Subsidized or Direct Unsubsidized Loan to a borrower unless—

(i) The borrower is enrolled in a correspondence program or a study-abroad program approved for credit at the home school; or

(ii) The borrower has received a prior Direct Subsidized, Direct Unsubsidized, Federal Stafford, Federal Unsubsidized Stafford, or Federal SLS Loan.

(2) The counseling must be in person, by audiovisual presentation, or by computer-assisted technology. In each case, the school shall ensure that an individual with knowledge of the title IV programs is reasonably available shortly after the counseling to answer the borrower’s questions regarding those programs. In the case of a student enrolled in a correspondence program or a study-abroad program approved for credit at the home school, the school shall provide the borrower with written counseling materials by mail prior to disbursing the loan proceeds.

(3) In conducting the initial counseling, the school shall—

(i) Emphasize to the borrower the seriousness and importance of the repayment obligation the borrower is assuming;

(ii) Describe in forceful terms the likely consequences of default, including adverse credit reports, garnishment of wages, and litigation;
(iii) Provide the borrower with general information with respect to the average indebtedness of students who have obtained Direct Subsidized or Direct Unsubsidized Loans for attendance at that school or in the borrower’s program of study; and
(iv) Inform the student as to the average anticipated monthly repayment for those students based on the average indebtedness provided under paragraph (a)(3)(iii) of this section.

(4) Additional matters that the Secretary recommends that a school include in the initial counseling session or materials are set forth in appendix D to 34 CFR part 668.

(5) A school may adopt an alternative approach for initial counseling as part of the school’s quality assurance plan described in §685.300(b)(9). If a school adopts an alternative approach, it is not required to meet the requirements of paragraphs (a)(1)-(3) of this section unless the Secretary determines that the alternative approach is not adequate for the school. The alternative approach must—
(i) Ensure that each borrower subject to initial counseling under paragraph (a)(1) of this section is provided written counseling materials that contain the information described in paragraph (a)(3) of this section;
(ii) Be designed to target those students who are most likely to default on their repayment obligations and provide them more intensive counseling and support services; and
(iii) Include performance measures that demonstrate the effectiveness of the school’s alternative approach. These performance measures must include objective outcomes, such as levels of borrowing, default rates, and withdrawal rates.

(b) Exit counseling. (1) A school shall conduct in-person exit counseling with each Direct Subsidized or Direct Unsubsidized Loan borrower shortly before the borrower ceases at least half-time study at the school, except that—
(i) In the case of a correspondence program, the school shall provide the borrower with written counseling materials by mail within 30 days after the borrower completes the program; and
(ii) If the borrower withdraws from school without the school’s prior knowledge or fails to attend an exit counseling session as scheduled, the school shall mail written counseling materials to the borrower at the borrower’s last known address within 30 days after the school learns that the borrower has withdrawn from school or failed to attend the scheduled session.

(2) In conducting the exit counseling, the school shall—
(i) Inform the student of the average anticipated monthly repayment amount based on the student’s indebtedness or on the average indebtedness of students who have obtained Direct Subsidized or Direct Unsubsidized Loans for attendance at that school or in the borrower’s program of study.
(ii) Review for the borrower available repayment options including the standard repayment, extended repayment, graduated repayment, and income contingent repayment plans, and loan consolidation;
(iii) Provide options to the borrower concerning those debt-management strategies that the school determines would facilitate repayment by the borrower;
(iv) Explain to the borrower how to contact the party servicing the student’s Direct Loans;
(v) Meet the requirements described in paragraphs (a)(3) (i) and (ii) of this section;
(vi) Review with the borrower the conditions under which the borrower may defer repayment or obtain cancellation of a loan; and
(vii) Require the borrower to provide corrections to the school’s records concerning name, address, social security number, references, and driver’s license number and State of issuance, as well as the name and address of the borrower’s expected employer (if known). The school shall provide this information to the Secretary within 60 days.

(3) Additional matters that the Secretary recommends that a school include in the exit counseling session or materials are set forth in appendix D to 34 CFR part 668.

(4) The school shall maintain in the student borrower’s file documentation substantiating the school’s compliance

(c) The school shall use the date determined under paragraph (a) or (b) of this section for the purpose of reporting to the Secretary the student’s date of withdrawal and for determining when a refund must be paid under § 685.306.

§ 685.306 Payment of a refund to the Secretary.

(a) General. By applying for a Direct Loan, a borrower authorizes the school to pay directly to the Secretary that portion of a refund from the school that is allocable to the loan. A school—

(2) Shall provide simultaneous written notice to the borrower if the school pays a refund to the Secretary on behalf of that student.

(a) A school participating in the Direct Loan Program may withdraw from the program by providing written notice to the Secretary.

(b) A participating school that intends to withdraw from the Direct Loan Program shall give at least 60 days notice to the Secretary.

(c) Unless the Secretary approves an earlier date, the withdrawal is effective on the later of—

(1) 60 days after the school notifies the Secretary; or

(2) The date designated by the school.

§ 685.308 Remedial actions.

(a) General. The Secretary may require the repayment of funds and the purchase of loans by the school if the Secretary determines that the unenforceability of a loan or loans, or the disbursement of loan amounts for which the borrower was ineligible, resulted in whole or in part from—

(1) The school’s violation of a Federal statute or regulation; or

(2) The school’s negligent or willful false certification.

(b) In requiring a school to repay funds to the Secretary or to purchase loans from the Secretary in connection with an audit or program review, the Secretary follows the procedures described in 34 CFR part 668, subpart H.

(c) The Secretary may impose a fine or take an emergency action against a school or limit, suspend, or terminate a school’s participation in the Direct Loan Program in accordance with 34 CFR part 668, subpart G.

§ 685.309 Administrative and fiscal control and fund accounting requirements for schools participating in the Direct Loan Program.

(a) General. A participating school shall—

(1) Establish and maintain proper administrative and fiscal procedures and all necessary records as set forth in this part and in 34 CFR part 668; and
(2) Submit all reports required by this part and 34 CFR part 668 to the Secretary.

(b) Student status confirmation reports. A school shall—

(1) Upon receipt of a student status confirmation report from the Secretary, complete and return that report to the Secretary within 30 days of receipt; and

(i) Enrolled at that school but has ceased to be enrolled on at least a half-time basis;

(ii) Has been accepted for enrollment at that school but failed to enroll on at least a half-time basis for the period for which the loan was intended; or

(2) In order to continue to participate in the Direct Loan Program, a school must continue to meet the requirements of paragraph (a)(1) of this section for years for which cohort default rate data represent the years prior to the school’s participation in the Direct Loan Program.

(b) In order to qualify for initial participation, the school must not be subject to an emergency action or a proposed or final limitation, suspension, or termination action under sections 428(b)(1)(T), 432(h), or 487(c) of the Act.

(c) If schools apply as a consortium, each school in the consortium must meet the requirements in paragraphs (a) and (b) of this section.

(Authority: 20 U.S.C. 1087a et seq.)

§ 685.401 Selection criteria and process for academic years 1996–1997 and beyond.

(a) The Secretary selects schools to participate in the Direct Loan Program for an academic year beginning in 1996-
§685.402 Criteria for schools to originate loans for academic years 1996–1997 and beyond.

(a) Initial determination of origination status. (1) Standard origination. Any school eligible to participate in the Direct Loan Program under §685.400 is eligible to participate under standard origination.

(2) School Origination. To be eligible to originate loans, a school must meet the following criteria:

(i) Have participated in the Federal Perkins Loan Program, the Federal Pell Grant Program, or, for a graduate and professional school, a similar program for the three most recent years preceding the date of application to participate in the Direct Loan Program.

(ii) If participating in the Federal Pell Grant Program, not be on the reimbursement system of payment.

(iii) In the opinion of the Secretary, have had no severe performance deficiencies for any of the programs under title IV of the Act, including deficiencies demonstrated by the most recent audit or program review.

(iv) Be financially responsible in accordance with the standards of 34 CFR 668.15.

(v) Be current on program and financial reports and audits required under title IV of the Act for the 12-month period immediately preceding the date of application to participate in the Direct Loan Program.

(vi) Be current on Federal cash transaction reports required under title IV of the Act for the 12-month period immediately preceding the date of application to participate in the Direct Loan Program and have no final determination of cash on hand that exceeds immediate title IV program needs.

(vii) Have no material findings in any of the annual financial audits submitted for the three most recent years preceding the date of application to participate in the Direct Loan Program.

(viii) Provide an assurance that the school has no delinquent outstanding debts to the Federal Government, unless—

(A) Those debts are being repaid under or in accordance with a repayment arrangement satisfactory to the Federal Government; or

(B) The Secretary determines that the existence or amount of the debts has not been finally determined by the cognizant Federal agency.

(3) A school that meets the criteria to originate loans may participate under school origination option 1 or 2 or under standard origination.

(b) Change in origination status. (1) After the initial determination of a school’s origination status, the Secretary may allow a school that does not qualify to originate loans under either origination option 1 or origination option 2 to do so if the Secretary determines that the school is fully capable of originating loans under one of those options.

(2)(i) At any time after the initial determination of a school’s origination status, a school participating under origination option 2 may request to change to origination option 1 or standard origination, and a school participating under origination option 1 may request to change to standard origination.
(ii) The change in origination status becomes effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

(3)(i) A school participating under origination option 1 may apply to participate under option 2, and a school participating in standard origination may apply to participate under either origination option 1 or 2 after one full year of participation in its initial origination status.

(ii) Applications to participate under another origination option are considered on an annual basis.

(iii) An application to participate under another origination option is evaluated on the basis of criteria and performance standards established by the Secretary, including but not limited to—

(A) Eligibility under paragraph (a)(2) of this section;

(B) Timely submission of accurate origination and disbursement records;

(C) Successful completion of reconciliation on a monthly basis; and

(D) Timely submission of completed and signed promissory notes, if applicable.

(iv) The change in origination status becomes effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

(c) Secretarial determination of change in origination status. (1) At any time after a school has been approved to originate loans, the Secretary may require a school participating under origination option 2 to convert to option 1 or to standard origination and may require a school participating under origination option 1 to convert to standard origination.

(2) The Secretary may require a school to change origination status if the Secretary determines that such a change is necessary to ensure program integrity or if the school fails to meet the criteria and performance standards established by the Secretary, including but not limited to—

(i) For an origination option 1 school, eligibility under paragraph (a)(2) of this section, the timely submission of completed and signed promissory notes and accurate origination and disbursement records, and the successful completion of reconciliation on a monthly basis; and

(ii) For an origination option 2 school, the criteria and performance standards required of origination option 1 schools and accurate and timely drawdown requests.

(3) The change in origination status becomes effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

(d) Origination by consortia. A consortium of schools may participate under origination options 1 or 2 only if all members of the consortium are eligible to participate under paragraph (a)(2) of this section. All provisions of this section that apply to an individual school apply to a consortium.

(e) School determination of change of Servicer. (1) The Secretary assigns one or more Servicers to work with a school to perform certain functions relating to the origination and servicing of Direct Loans.

(2) A school may request the Secretary to designate a different Servicer. Documentation of the unsatisfactory performance of the school's current Servicer must accompany the request. The Servicer requested must be one of those approved by the Secretary for participation in the Direct Loan Program.

(3) The Secretary grants the request if the Secretary determines that—

(i) The claim of unsatisfactory performance is accurate and substantial; and

(ii) The Servicer requested by the school can accommodate such a change.

(4) If the Secretary denies the school's request based on a determination under paragraph (e)(3)(ii) of this section, the school may request another Servicer.

(5) The change in Servicer is effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

Disbursement Schedule: A table showing the annual awards that three-quarter, half-time, and less-than-half-time students at term-based institutions using credit hours would receive for an academic year. This table is published annually by the Secretary and is based on:

(1) A student’s expected family contribution, as determined in accordance with title IV, part F of the HEA; and
(2) A student’s attendance costs as defined in title IV, part F of the HEA.

(3) The amount of funds available for making Federal Pell Grants.

(3) An institution is able to receive an ISIR from the central processor for a student.

Enrollment status: Full-time, three-quarter-time, half-time, or less-than-half-time depending on a student’s credit-hour work load per academic term at an institution using semesters, trimesters, quarters, or other academic terms and measuring progress by credit hours.

(1) Has not earned a baccalaureate or first professional degree; and

(2) Is in an undergraduate course of study which usually does not exceed 4 academic years, or is enrolled in a 4 to 5 academic year program designed to lead to a first degree. (c)(1) Notwithstanding the limitation in paragraph (b)(3) of this section, a student who would be a half-time student based solely on his or her correspondence work is considered a half-time student unless the calculation in paragraph (b) of this section produces an enrollment status greater than half-time.
   (2) A student who would be a less-than-half-time student based solely on his or her correspondence work or a combination of correspondence work and regular course work is considered a less-than-half-time student.
(d) The following chart provides examples of the rules set forth in this section. It assumes that the institution defines full-time enrollment as 12 credits per term, making the half-time enrollment equal to 6 credits per term.

   (2) Sending an approved application form to the Secretary.

(c) The student shall provide the address of his or her residence unless the student is incarcerated and the educational institution has made special arrangements with the Secretary to receive relevant correspondence on behalf of the student. (i) The student submits a valid SAR to the institution; or

(ii) The institution obtains a valid ISIR for the student.

(A) Obtains a valid ISIR for that student; and

(B) For the 1995-96 award year, electronically or magnetically transmits Federal Pell Grant disbursement data to the Secretary.

(2) In determining a student's eligibility to receive his or her Federal Pell Grant, an institution is entitled to assume that SAR information or ISIR information is accurate and complete except under the conditions set forth in 34 CFR 668.16(f) and 668.60.

(b) Student Aid Report or Institutional Student Information Record deadline. Except as provided in 34 CFR 668.60, for a student to receive a Federal Pell Grant for an award year, the student must submit the relevant parts of the SAR

§ 690.63 Calculation of a Federal Pell Grant for a payment period.

(a)(1) Programs using standard terms with at least 30 weeks of instructional time. A student's Federal Pell Grant for a payment period is calculated under paragraphs (b) or (d) of this section if—

(i) The student is enrolled in an eligible program that—

(A) Measures progress in credit hours; and

(B) Provides at least 30 weeks of instructional time in the terms specified in paragraph (a)(1)(ii)(A) of this section.

(ii) Programs using standard terms with less than 30 weeks of instructional time. A student's Federal Pell Grant for a payment period is calculated under paragraph (c) or (d) of this section if—

(A) The student is enrolled in an eligible program that—

(1) Measures progress in credit hours;

(2) Is offered in semesters, trimesters, or quarters;

(3) Requires the student to enroll in at least 12 credit hours in each term in the award year to qualify as a full-time student; and

(A) Provides the program using an academic calendar that includes two semesters or trimesters in the fall through the following spring, or three quarters in the fall, winter, and spring; and

(B) Does not provide at least 30 weeks of instructional time in the terms specified in paragraph (a)(2)(ii)(A) of this section.

(3) Other programs using terms and credit hours. A student's Federal Pell Grant for a payment period is calculated under paragraph (d) of this section if the student is enrolled in an eligible program that—

(i) Measures progress in credit hours; and

(ii) Is offered in academic terms other than those described in paragraphs (a)(1) and (a)(2) of this section.

(4) Programs not using terms or using clock hours. A student's Federal Pell Grant for any payment period is calculated under paragraph (e) of this section if the student is enrolled in an eligible program that—

(i) Is offered in credit hours but is not offered in academic terms; or

(ii) Is offered in clock hours.

(5) Programs of study offered by correspondence. A student's Federal Pell Grant payment for a payment period is calculated under § 690.66 if the program is offered by correspondence courses.
(6) Programs for which an exception to the academic year definition has been granted under 34 CFR 688.3. If an institution receives a waiver from the Secretary of the 30 weeks of instructional time requirement under 34 CFR 688.3, an institution may calculate a student’s Federal Pell Grant payment for a payment period using the following methodologies:

(i) If the program is offered in terms and credit hours, the institution uses the methodology in—

(A) Paragraph (b) of this section provided that the program meets all the criteria in paragraph (a)(1) of this section, except that in lieu of paragraph (a)(1)(ii)(B) of this section, the program provides at least the same number of weeks of instructional time in the terms specified in paragraph (a)(1)(ii)(A) of this section as are in the program’s academic year; or

(B) Paragraph (d) of this section.

(ii) The institution uses the methodology described in paragraph (e) of this section if the program is offered in credit hours without terms or clock hours.

The Federal Pell Grant for a payment period, i.e., an academic term, for a student in a program using standard terms with at least 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(1)(ii)(A) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time students; and

(3) Dividing the amount described under paragraph (b)(2) of this section by—

(i) Two at institutions using semesters or trimesters or three at institutions using quarters; or

(ii) The number of terms over which the institution chooses to distribute the student’s annual award if—

(A) An institution chooses to distribute all of the student’s annual award determined under paragraph (b)(2) of this section over more than two terms at institutions using semesters or trimesters or more than three quarters at institutions using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program’s academic year.

(c) Programs using standard terms with less than 30 weeks of instructional time. The Federal Pell Grant for a payment period, i.e., an academic term, for a student in a program using standard terms with less than 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(2)(ii)(A) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time students;

(3) Multiplying his or her annual award determined under paragraph (c)(2) of this section by the following fraction as applicable:

§ 690.63

(4)(i) Dividing the amount determined under paragraph (c)(3) of this section by two for programs using semesters or trimesters or three for programs using quarters; or

(ii) Dividing the student's annual award determined under paragraph (c)(2) of this section by the number of terms over which the institution chooses to distribute the student's annual award if—

(A) An institution chooses to distribute all of the student's annual award determined under paragraph (c)(2) of this section over more than two terms for programs using semesters or trimesters or more than three quarters for programs using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year definition.

(d) Other programs using terms and credit hours. The Federal Pell Grant for a payment period, i.e., an academic term, for a student in a program using terms and credit hours, other than those described in paragraphs (a)(1) or (a)(2) of this section, is calculated by—

(1)(i) For a student enrolled in a semester, trimester, or quarter, determining his or her enrollment status for the term by—

(A) Dividing the number of weeks of instructional time in the term by the number of weeks of instructional time in the program's academic year;

(B) Multiplying the fraction determined under paragraph (d)(1)(ii)(A) of this section by the number of credit hours in the program's academic year to determine the number of hours required to be enrolled to be considered a full-time student; and

(C) Determining a student's enrollment status by comparing the number of hours in which the student enrolls in the term to the number of hours required to be considered full-time under paragraph (d)(1)(ii)(B) of this section for that term;

(ii) For a student enrolled in a term other than a semester, trimester, or quarter, determining his or her enrollment status for the term by—

(A) Determining the student's enrollment status for the term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time student;

(3) Multiplying his or her annual award determined under paragraph (d)(2) of this section by the following fraction:

\[
\frac{\text{The number of weeks of instructional time in the term}}{\text{The number of weeks of instructional time in the program's academic year}};
\]

; and

(4) Paying the student the amount determined under paragraph (d)(3) of this section.

(e) Programs using clock hours or credit hours without terms. The Federal Pell Grant for a payment period for a student in a program using credit hours without terms or using clock hours is calculated by—

(1) Determining the student's Scheduled Federal Pell Grant using the Payment Schedule;

(2) Multiplying the amount determined under paragraph (e)(1) of this section by the lesser of—

(\text{The number of weeks of instructional time required for a full-time student to complete the lesser of the clock or credit hours in the program or the academic year})

; or

(\text{One}); and

(3) Multiplying the amount determined under paragraph (e)(2) of this section by—

\[
\frac{\text{The number of credit or clock hours in a payment period}}{\text{The number of credit or clock hours in the program's academic year}};
\]

(f) A single disbursement may not exceed 50 percent of any award determined under paragraph (d) or (e) of this section. If a payment for a payment period calculated under paragraphs (d) or (e) of this section would require the disbursement of more than 50 percent of a student's annual award in that
payment period, the institution shall make at least two disbursements to the student in that payment period. The institution may not disburse an amount that exceeds 50 percent of the student’s annual award until the student has completed the period of time in the payment period that equals, in terms of weeks of instructional time, 50 percent of the weeks of instructional time in the program’s academic year.

(g)(1) Notwithstanding paragraphs (b), (c), (d), and (e) of this section and 34 CFR 668.66, the amount of a student’s award for an award year may not exceed his or her Scheduled Federal Pell Grant award for that award year except as provided in §690.67.

(2) For purposes of this section and §690.66, an institution must define an academic year for each of its eligible programs in terms of the number of credit or clock hours and weeks of instructional time in accordance with the requirements of 34 CFR 668.2 and 668.3.

§ 690.64 Calculation of a Federal Pell Grant for a payment period which occurs in two award years.

(a) If a student enrolls in a payment period which is scheduled to occur in two award years—

(1) The entire payment period must be considered to occur within one award year.

(2) The institution shall determine for each Federal Pell Grant recipient the award year in which the payment period will be placed subject to the restrictions set forth in paragraph (a)(3) of this section.

(3) The institution shall place a payment period with more than six months scheduled to occur within one award year in that award year.

(4) If an institution places the payment period in the first award year, it shall pay a student with funds from the first award year.

(5) If an institution places the payment period in the second award year, it shall pay a student with funds from the second award year.

(b) An institution may not make a payment which will result in the student receiving more than his or her Scheduled Federal Pell Grant for an award year.

(Authority: 20 U.S.C. 1070a)

§ 690.65 Transfer student: attendance at more than one institution during an award year.

(a) If a student who receives a Federal Pell Grant at one institution subsequently enrolls at a second institution in the same award year, the student may receive a Federal Pell Grant at the second institution only if—

(1) The student submits a valid SAR to the second institution; or

(2) The second institution obtains a valid ISIR.

(b) The second institution shall calculate the student’s award according to §690.63.

(c) The second institution may pay a Federal Pell Grant only for that portion of the academic year in which a student is enrolled at that institution. The grant amount must be adjusted, if necessary, to ensure that the grant does not exceed the student’s Scheduled Federal Pell Grant for that award year except as provided under §690.67.

(d) If a student’s Scheduled Federal Pell Grant at the second institution differs from the Scheduled Federal Pell Grant at the first institution, the grant amount at the second institution is calculated as follows—

(1) The amount received at the first institution is compared to the Scheduled Federal Pell Grant at the first institution to determine the percentage of the Scheduled Federal Pell Grant that the student has received.

(2) That percentage is subtracted from 100 percent.

(3) The remaining percentage is the percentage of the Scheduled Federal Pell Grant at the second institution to which the student is entitled.

(e) The student’s Federal Pell Grant for each payment period is calculated according to the procedures in §690.63 unless the remaining percentage of the Scheduled Federal Pell Grant at the second institution, referred to in paragraph (d)(3) of this section, is less than the amount the student would normally receive for that payment period.
§ 690.66 Correspondence study.

(a) An institution calculates the Federal Pell Grant for a payment period for a student in a program of study offered by correspondence courses without terms, but not including any residential component by—

(1) Determining the student’s annual award using the half-time Disbursement Schedule;

(2) Determining the length of the correspondence program in weeks of instructional time by—

(i) Preparing a written schedule for submission of lessons that reflect a workload of at least 12 hours of preparation per week; and

(ii) Determining the number of weeks of instructional time in the program of study using the written schedule for submission of lessons;

(3) Multiplying the annual award determined from the Disbursement Schedule for a half-time student by the lesser of—

The number of credit hours in the payment period

The number of credit hours in the program’s academic year

(b) For purposes of paragraph (a) of this section—

(1) An academic year as measured in credit hours must consist of 2 payment periods—

(i) The first payment period must be the period of time in which the student completes the lesser of the first half of his or her academic year or program; and

(ii) The second payment period must be the period of time in which the student completes the lesser of the second half of the academic year or program; and

(2)(i) The institution shall make the first payment to a student for an academic year, as calculated under paragraph (a)(4) of this section, after the student submits 25 percent of the lessons or otherwise completes 25 percent of the work scheduled for the program or the academic year, whichever occurs last; and

(ii) The institution shall make the second payment to a student for an academic year, as calculated under (a)(4) of this section, after the student submits 75 percent of the lessons or otherwise completes 75 percent of the work scheduled for the program or the academic year, whichever occurs last.

(c) In a program of correspondence study offered by correspondence courses using terms but not including any residential component—

(1) The institution must prepare a written schedule for submission of lessons that reflect a workload of at least 30 hours of preparation per semester hour or 20 hours of preparation per quarter hour during the term;

(2)(i) If the student is enrolled in at least 6 credit hours that commence and are completed in that term, the Disbursement Schedule for a half-time student is used; or

(ii) If the student is enrolled in less than 6 credit hours that commence and are completed in that term the Disbursement Schedule for a less-than-half-time student is used;

(3) A payment for a payment period is calculated using the formula in

In that case, the student’s Federal Pell Grant is equal to that remaining percentage.

(f) A transfer student shall repay any amount received in an award year that exceeds—

(1) His or her Scheduled Federal Pell Grant; or

(2) The amount which he or she was eligible to receive for the award year under §690.67.

(Authority: 20 U.S.C. 1070a)

§ 690.75 Determination of eligibility for payment.

(a) For each payment period, an institution may pay a Federal Pell Grant to an eligible student only after it determines that the financial aid transcript requirements of 34 CFR 668.19 have been met, and the student—

(1) Qualifies as an eligible student under 34 CFR 668.7;

(2) Is enrolled in an eligible program as an undergraduate student; and

(3)(i) Has completed the required clock hours for which he or she has been paid a Federal Pell Grant, if the student is enrolled in an eligible program that is measured in clock hours; or

(ii) Has completed the required credit hours for which he or she has been paid a Federal Pell Grant, if the student is enrolled in an eligible program that is measured in credit hours and that does not have academic terms.

(b) If an institution determines at the beginning of a payment period that

them in the first payment period for which he or she will receive a payment from his or her second Scheduled Federal Pell Grant award.

(c) If an institution awards a student up to a second Scheduled Federal Pell Grant award, the institution must make such awards to all students who qualify under paragraph (a) of this section.

(ii) A correction based on information required as a result of verification under 34 CFR part 668, subpart E.

(2) Except as described in 34 CFR 668.60(c), the institution shall adjust the student’s award when an overaward or underaward is caused by the change in the expected family contribution. That adjustment must be made—

(i) Within the same award year—if possible—to correct any overpayment or underpayment; or

(ii) During the next award year to correct any overpayment that could not be adjusted during the year in which the student was overpaid.

(b) Change in enrollment status. (1) If the student’s enrollment status changes from one academic term to another term within the same award year, the institution shall recalculate the Federal Pell Grant award for the new payment period taking into account any changes in the cost of attendance.

Any such recalculations must take into account any changes in the cost of attendance. If such a policy is established, it must apply to all students.

(ii) If a student’s projected enrollment status changes during a payment period before the student begins attendance in all of his or her classes for that payment period, the institution shall recalculate the student’s enrollment status to reflect only those classes for which the student actually began attendance.

(c) Change in cost of attendance. If the student’s cost of attendance changes at any time during the award year and his or her enrollment status remains the same, the institution may (but is not required to) establish a policy under which the student’s award for the payment period is recalculated. § 690.83  Submission of reports.

(a)(1) An institution may receive either a payment from the Secretary for an award to a Federal Pell Grant recipient, or a corresponding reduction in the amount of Federal funds received in advance for which it is accountable, if—

(i) The institution submits to the Secretary the student's Payment Data for that award year in the manner and form prescribed in paragraph (a)(2) of this section by September 30 following the end of the award year in which the grant is made, or, if September 30 falls on a weekend, on the first weekday following September 30; and

(3) An institution that does not comply with the requirements of this paragraph may receive a payment or reduction in accountability only as provided in paragraph (d) of this section.

(b)(1) An institution shall report to the Secretary any change in enrollment status, cost of attendance, or other event or condition that causes a change in the amount of a Federal Pell Grant for which a student qualifies by submitting to the Secretary the student’s Payment Data that discloses the basis and result of the change in award for each student. Through publication in the FEDERAL REGISTER, the Secretary divides the award year into periods and establishes the deadlines by which the institution shall report changes occurring during each period. The institution shall submit the student’s Payment Data reporting a change to the Secretary by the end of that reporting period that next follows the reporting period in which the change occurred.

(c) In accordance with 34 CFR 668.84 the Secretary may impose a fine on the institution if the institution fails to comply with the requirements specified in paragraphs (a) or (b) of this section.

(d)(1) Notwithstanding paragraphs (a) or (b) of this section, if an institution demonstrates to the satisfaction of the Secretary that the institution has provided Federal Pell Grants in accordance with this part but has not received credit or payment for those
grants, the institution may receive payment or a reduction in accountability for those grants in accordance with paragraphs (d)(4) and either (d)(2) or (d)(3) of this section.

(2) The institution must demonstrate that it qualifies for a credit or payment by means of a finding contained in an audit report of an award year that was the first audit of that award year and that was conducted after December 31, 1988 and timely submitted to the Secretary under 34 CFR 668.23(c).

(3) An institution that timely submits the Payment Data for a student in accordance with paragraph (a) of this section but does not timely submit to the Secretary, or have accepted by the Secretary, the Payment Data necessary to document the full amount of the award to which the student is entitled, may receive a payment or reduction in accountability in the full amount of that award, if—

(i) A program review demonstrates to the satisfaction of the Secretary that the student was eligible to receive an amount greater than that reported in the student’s Payment Data timely submitted to, and accepted by the Secretary; and

(ii) The institution seeks an adjustment to reflect an underpayment for that award that is at least $100.

(4) In determining whether the institution qualifies for a payment or reduction in accountability, the Secretary takes into account any liabilities of the institution arising from that audit or program review or any other source. The Secretary collects those liabilities by offset in accordance with 34 CFR part 30.

Subpart B—What Is the Amount of Assistance and How May It Be Used?

§ 692.10 How does the Secretary allot funds to the States?

(a)(1) The Secretary allots to each State participating in the SSIG program an amount which bears the same ratio to the Federal SSIG funds appropriated as the number of students in that State who are “deemed eligible” to participate in the State’s SSIG program bears to the total number of students in all States who are “deemed eligible” to participate in the SSIG program, except that no State may receive less than it received in fiscal year 1979.
(2) If the Federal SSIG funds appropriated for a fiscal year are not sufficient to allot to each State the amount of Federal SSIG funds it received in fiscal year 1979, the Secretary allots to each State an amount which bears the same ratio to the amount of Federal SSIG funds appropriated as the amount of Federal SSIG funds that State received in fiscal year 1979 bears to the amount of Federal SSIG funds all States received in fiscal year 1979.

(b) For the purpose of paragraph (a)(1) of this section, the Secretary determines the number of students “deemed eligible” to participate in a State’s SSIG Program by dividing the amount of that State’s SSIG expenditures, including both its Federal allotment and the State-appropriated funds matching the allotment, by the average grant award per student of all participating States. The Secretary determines the “average grant award per student” by dividing the total number of student recipients for all States into the total amount of SSIG expenditures for all States, including both the Federal allotments and the State-appropriated funds matching those allotments. In making this determination, the Secretary uses the most current available data reported by each State.

(b)(1) The community service-learning job program must be administered by institutions of higher education in the State.

(b)(2) Each student employed under the program must be employed in work in the public interest by an institution itself or by a Federal, State, or local public agency or a private nonprofit organization under an arrangement between the institution and the agency or organization.

§692.41 What standards may a State use to determine substantial financial need?

(a) A State determines whether a student has substantial financial need on the basis of criteria it establishes that are approved by the Secretary. A State may define substantial financial need in terms of family income, expected family contribution, and relative need as measured by the difference between the student’s cost of attendance and the resources available to meet that cost. To determine substantial need, the State may use—
(1) A system for determining a student’s financial need under part F of title IV of the HEA;
(2) The State’s own needs analysis system if approved by the Secretary; or
(3) A combination of these systems, if approved by the Secretary.

(b) The Secretary generally approves a need-analysis system under paragraph (a) (2) or (3) of this section only if the need-analysis system applies the term “independent student” as defined under section 480(d) of the HEA. However, for good cause shown, the Secretary may approve, on a case-by-case basis, a State’s need analysis system that uses a definition for “independent student” that varies from that term as defined in section 480(d) of the HEA.

Relevant experience includes teaching, policy-making, administration, or research.

Project means the work to be engaged in by the fellow during the period of the fellowship.

Research means one or more of the following activities in literacy or education or education related fields: basic and applied research, planning, surveys, assessments, evaluations, investigations, experiments, development and demonstrations.

§ 1100.6 What priorities may the Director establish?

The Director may, through a notice published in the Federal Register, select annually one or more priorities for funding. These priorities may be chosen from the areas of greatest immediate concern to the Institute and may include, but are not limited to, the following areas:

(a) Developing leadership in adult learners. Because adult learners are the true experts on literacy, they are an important resource for the field. Their firsthand experience as “customers” of the literacy system can be invaluable in assisting the field in moving forward, particularly in terms of raising public awareness and understanding about literacy.
(b) Expanding the use of technology in literacy programs. One of the Institute’s major projects is the Literacy Information and Communication System (LINCS), an Internet-based information system that provides timely information and abundant resources to the literacy community. Keeping the literacy community up to date in the Information Age is vital.

(c) Improving accountability for literacy programs. Literacy programs must develop accountability systems that demonstrate their effectiveness in helping adult learners contribute more fully in the workplace, family and community. There is growing interest in results-oriented literacy practice, especially as related to the Equipped for the Future (EFF) framework.

(d) Raising public awareness about literacy. The Institute is leading a national effort to raise public awareness that literacy is part of the solution to many social concerns, including health, welfare, the economy, and the well-being of children. Projects that enhance this effort will be given priority consideration.

Subpart B—How Does an Individual Apply for a Fellowship?
§ 1100.10 What categories of fellowships does the Institute award?
The Institute awards two categories of Literacy Leadership Fellowships:
(a) Literacy Worker Fellowships; and
(b) Adult Learner Fellowships.

§ 1100.11 How does an individual apply for a fellowship?
An individual shall apply to the Director for a fellowship award in response to an application notice published by the Director in the Federal Register. The application must describe a plan for one or more of the activities stated in §1100.3 that the applicant proposes to conduct under the fellowship. The application must indicate which category of fellowship, as described in §1100.10, most accurately describes the applicant. Applicants must also submit four letters of recommendation and certain forms, assurances and certifications, including the certification required under 34 CFR 75.61. (Approved by the Office of Management and Budget under OMB Control Number 3430-0003, Expiration Date 6/30/2000.)

§ 1100.12 What applications are not evaluated for funding?
The Director does not evaluate an application if—
(a) The applicant is not eligible under §1100.2;
(b) The applicant does not comply with all of the procedural rules that govern the submission of applications for Literacy Leader Fellowship funds;
(c) The application does not contain the information required by the Institute;
(d) The application proposes a project for which a fellow may not use fellowship funds, as described in §1100.3(b).
(e) The application is not submitted by the deadline stated in the application notice.

Subpart C—How Does the Director Award a Fellowship?
§ 1100.20 How is a fellow selected?
(a) The Director selects applications for fellowships on the basis of the selection criteria in §1100.21 and any priorities that have been published in the Federal Register and are applicable to the selection of applications.
(b)(1) The Director may use experts from the literacy field to rank applications according to the selection criteria in §1100.21, and then provide the top-ranked applications to the Institute’s Advisory Board.
(2) The Institute’s Advisory Board evaluates these applications based on the selection criteria in §1100.21 and makes funding recommendations to the Director.
(3) The Director then determines the number of awards to be made in each fellowship category and the order in which applications will be selected for fellowships, based on the initial rank order, recommendations of the board, and any other information relevant to any of the selection criteria, applicable priorities, or the purposes of the Literacy Leader Fellowship Program, including whether the selection of an application would increase the diversity of fellowship projects under this program.
§ 1100.21 What selection criteria does the Director use to rate an applicant?

The Director uses the following criteria in evaluating each applicant for a fellowship:

(a) Quality of plan. (45 points) The Director uses the following criteria to evaluate the quality of the proposed project:

(1) The proposed project deals with an issue of major concern to the literacy field.
(2) The design of the project is strong and feasible.
(3) The project addresses critical issues in an innovative way.
(4) The plan demonstrates a knowledge of similar programs and an intention, where appropriate, to coordinate with them.
(5) The applicant describes adequate support and resources for the project.
(6) The plan includes evaluation methods to determine the effectiveness of the project.
(7) The project results are likely to contribute to the knowledge base in literacy or adult education, and to Federal policy initiatives in these or related areas.
(8) The project will enhance literacy or adult education practice.
(9) The project builds research capacity or improves practice within the field.

(b) Qualifications of applicant. (25 points) The Director uses the following criteria to evaluate the qualifications of the applicant:

(1) The applicant has a strong background in the literacy field. [Include all relevant experience, which may include experience as a volunteer or an adult learner.]
(2) The applicant has expertise in the proposed area of the project.
(3) The applicant has demonstrated the ability to complete a quality project or has shown leadership in this area.
(4) The applicant provides letters of recommendation that show strong knowledge by others in the literacy field of the applicant’s background and past work.

(c) Relevance to the Institute. (10 points) The Director uses the following criteria to evaluate the relevance of the applicant’s proposal to the Institute:

(1) The project significantly relates to the purposes and work of the Institute.
(2) The applicant proposes to spend a significant portion of the project time at the Institute, taking into account the nature and scope of the proposed project.

(d) Dissemination plan. (10 points) The Director uses the following criteria to evaluate the quality of the dissemination plan:

(1) The applicant clearly specifies what information will be made available to the field and how this information will further the efforts of the field.
(2) The applicant describes how this information will be shared with the field (e.g., print, on-line, presentations, video, etc.).

(e) Budget. (10 points) The Director uses the following criteria to evaluate the budget:

(1) The budget will adequately support the project.
(2) The costs are clearly related to the objectives of the project.
(3) The budget is cost effective.
(4) The budget narrative clearly describes the budget and how costs are calculated.

§ 1100.22 How does the Director determine the amount of a fellowship?

The amount of a fellowship includes—

(a) A stipend, not to exceed $30,000, based on—

(1) The fellow’s current annual salary, prorated for the length of the fellowship salary reimbursement; or
(2) If a fellow has no current salary, the fellow’s education and experience; and

(b) A subsistence allowance, materials allowance (covering costs of materials and supplies directly related to the completion of the project), and travel expenses (including expenses to attend quarterly meetings in Washington, DC) related to the fellowship and necessary to complete the scope of work outlined in the proposal, consistent with Title 5 U.S.C. chapter 57.
§ 1100.23 What payment methods may the Director use?
(a) The Director will pay a fellowship award directly to the fellow or through the fellow’s employer. The application should specify if the fellow wishes to be paid directly or through the fellow’s employer.
(b) The Director considers the preferences of the fellow in determining whether to pay a fellowship award directly to the fellow or through the fellow’s employer; however, the Director pays a fellowship award through the fellow’s employer only if the employer enters into an agreement with the Director to comply with the provisions of §1100.25.

§ 1100.24 What are the procedures for payment of a fellowship award directly to the fellow?
(a) If the Director pays a fellowship award directly to the fellow after the Director determines the amount of a fellowship award, the fellowship recipient shall submit a payment schedule to the Director for approval. The Director advises the recipient of the approved schedule.
(b) If a fellow does not complete the fellowship, or if the Institute terminates the fellowship, the fellow shall return to the Director a prorated portion of the stipend and any unused subsistence and materials allowance and travel funds at the time and in the manner required by the Director.

§ 1100.25 What are the procedures for payment of a fellowship award through the fellow’s employer?
(a) If the Director pays a fellowship award through the fellow’s employer, the employer shall submit a payment schedule to the Director for approval.
(b) The employer shall pay the fellow the stipend, subsistence and materials allowance, and travel funds according to the payment schedule approved by the Director. If the fellow does not complete the fellowship, the fellow shall return to the employer a prorated portion of the stipend and any unused subsistence and materials allowance and travel funds. The employer shall return the funds to the Director at the time and in the manner required by the Director. The employer shall also return to the Director any portion of the stipend, subsistence and materials allowance and travel funds not yet paid by the employer to the fellow.

Subpart D—What Conditions Must be Met by a Fellow?

§ 1100.30 Where may the fellowship project be conducted?
(a) A fellow carries out all, or a portion of, the fellowship project at the National Institute for Literacy in Washington, D.C. If the Director determines that unusual circumstances exist, the Director may authorize the fellow to carry out all of the project elsewhere.
(b) Office space and logistics will be provided by the Institute.
(c) The fellow may also be required to participate in meetings, conferences and other activities at the Departments of Education, Labor, or Health and Human and Services, in Washington, D.C., or in site visits to other locations, if deemed appropriate for the project being conducted.

§ 1100.31 Who is responsible for oversight of fellowship activities?
(a) All fellowship activities are conducted under the direct or general oversight of the Institute. The Institute may arrange through written agreement for another Federal agency, or another public or private nonprofit agency or organization that is substantially involved in literacy research or services, to assume direct supervision of the fellowship activities.
(b) Fellows may be assigned a peer mentor to orient them to the Federal System and Institute procedures.

§ 1100.32 What is the duration of a fellowship?
(a) The Institute awards fellowships for a period of at least three and not more than 12 months of full-time or part-time activity. An award may not exceed 12 months in duration. The actual period of the fellowship will be determined at the time of award based on proposed activities.
(b) In order to continue the fellowship to completion, the fellow must be making satisfactory progress as determined periodically by the Director.
§ 1100.33 What reports are required?

(a) A fellow shall submit fellowship results to the Institute in formats suitable for wide dissemination to policymakers and the public. These formats should include, as appropriate to the topic of the fellowship and the intended audience, articles for academic journals, newspapers, and magazines.

(b) Each fellowship agreement will contain specific provisions for how, when, and in what format the fellow will report on results, and how and to whom the results will be disseminated.

(c) A fellow shall submit a final performance report to the Director no later than 90 days after the completion of the fellowship. The report must contain a description of the activities conducted by the fellow and a thorough analysis of the extent to which, in the opinion of the fellow, the objectives of the project have been achieved. In addition, the report must include a detailed discussion of how the activities performed and results achieved could be used to enhance literacy practice in the United States. (Approved by the Office of Management and Budget under OMB Control Number 3430–0003, Expiration Date 6/30/2000.)

§ 1200.101 Purpose.

The purpose of this part is to effectuate section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by Executive agencies or the United States Postal Service.

§ 1200.102 Application.

This part (§§ 1200.101—1200.170) applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with handicaps in the United States.

§ 1200.103 Definitions.

For purposes of this part, the term—
Assistant Attorney General means the Assistant Attorney General, Civil Rights Division, United States Department of Justice.

Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities conducted by the agency. For example, auxiliary aids useful for persons with impaired vision include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TTD’s), interpreters, notetakers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant's name and address and describes the agency's alleged discriminatory action in sufficient detail to inform the agency of the nature and date of the alleged violation of section 504. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other conveyances, or other real or personal property.

Historic preservation programs means programs conducted by the agency that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or eligible for listing in the National Register of Historic Places or properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment.

As used in this definition, the phrase:

(1) Physical or mental impairment includes—
(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or

(ii) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, HIV disease (whether symptomatic or asymptomatic), and drug addiction and alcoholism.

(2) Major life activities include functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) Is regarded as having an impairment means—

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the agency as constituting such a limitation;

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Qualified individual with handicaps means—

(1) With respect to preschool, elementary, or secondary education services provided by the agency, an individual with handicaps who is a member of a class of persons otherwise entitled by statute, regulation, or agency policy to receive education services from the agency;

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity;

(4) Qualified handicapped person as that term is defined for purposes of employment in 29 CFR 1614.203(a)(6), which is made applicable to this part by §1200.140.

Section 504 means section 504 of the Rehabilitation Act of 1973 (Pub. L. 93–112, 87 Stat. 394 (29 U.S.C. 794)), as amended. As used in this part, section 504 applies only to programs or activities conducted by Executive agencies and not to federally assisted programs.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§§ 1200.104–1200.109 [Reserved]

§ 1200.110 Self-evaluation.

(a) The agency shall, by November 28, 1994, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, for at least three years following completion of the
self-evaluation, maintain on file and make available for public inspection:
(1) A description of areas examined and any problems identified; and
(2) A description of any modifications made.

§ 1200.111 Notice.
The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this part.

§§ 1200.112–1200.129 [Reserved]

§ 1200.130 General prohibitions against discrimination.
(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.
(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—
(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;
(ii) Afford a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;
(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in achieving equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;
(iv) Provide different or separate aid, benefits, or services to individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;
(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;
(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.
(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are no separate or different, despite the existence of permissibly separate or different programs or activities.
(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—
(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or
(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.
(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—
(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or
(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.
(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.
(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified

867
§§ 1200.131–1200.139  

individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 1200.131–1200.139 [Reserved]

§ 1200.131 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

§§ 1200.141–1200.148 [Reserved]

§ 1200.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1200.150, no qualified individual with handicaps shall, because the agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1200.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1200.150(a) would result in such alteration or burdens. The decision that compliance would result in such an alteration or such burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings,
shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §1200.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §1200.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

1. Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

2. Describe in detail the methods that will be used to make the facilities accessible;

3. Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

4. Indicate the official responsible for implementation of the plan.

§ 1200.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 1200.152-1200.159 [Reserved]

§ 1200.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(i) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate and enjoy the benefits of a program or activity conducted by the agency.

(ii) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(iii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(b) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices
§§ 1200.161–1200.169

34 CFR Ch. XII (7–1–99 Edition)

for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion.

§§ 1200.161–1200.169 [Reserved]

§ 1200.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Executive Director shall be responsible for coordinating implementation of this section. Complaints may be sent to the National Council on Disability, 800 Independence Avenue, SW., suite 814, Washington, DC 20591.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

1. Findings of fact and conclusions of law;
