

§ 60.12

36 CFR Ch. I (7-1-99 Edition)

within 60 days to any person or organization submitting a completed National Register nomination form or requesting consideration for any previously prepared nomination form on record with the State or Federal agency. The response shall provide a technical opinion concerning whether or not the property is adequately documented and appears to meet the National Register criteria for evaluation in §60.4. If the nomination form is determined to be inadequately documented, the nominating authority shall provide the applicant with an explanation of the reasons for that determination.

(b) If the nomination form does not appear to be adequately documented, upon receiving notification, it shall be the responsibility of the applicant to provide necessary additional documentation.

(c) If the nomination form appears to be adequately documented and if the property appears to meet the National Register criteria for evaluation, the State Historic Preservation Officer shall comply with the notification requirements in §60.6 and schedule the property for presentation at the earliest possible State Review Board meeting. Scheduling shall be consistent with the State's established priorities for processing nominations. If the nomination form is adequately documented, but the property does not appear to meet National Register criteria for evaluation, the State Historic Preservation Officer need not process the nomination, unless so requested by the Keeper pursuant to §60.12.

(d) The State Historic Preservation Officer's response shall advise the applicant of the property's position in accord with the State's priorities for processing nominations and of the approximate date the applicant can expect its consideration by the State Review Board. The State Historic Preservation Officer shall also provide notice to the applicant of the time and place of the Review Board meeting at least 30 but not more than 75 days before the meeting, as well as complying with the notification requirements in §60.6.

(e) Upon action on a nomination by the State Review Board, the State Historic Preservation Officer shall, within

90 days, submit the nomination to the National Park Service, or, if the State Historic Preservation Officer does not consider the property eligible for the National Register, so advise the applicant within 45 days.

(f) If the applicant substantially revises a nomination form as a result of comments by the State or Federal agency, it may be treated by the State Historic Preservation Officer or Federal Preservation Officer as a new submittal and reprocessed in accord with the requirements in this section.

(g) The Federal Preservation Officer shall request the comments of the State Historic Preservation Officer and notify the applicant in writing within 90 days of receipt of an adequately documented nomination form as to whether the Federal agency will nominate the property. The Federal Preservation Officer shall submit an adequately documented nomination to the National Park Service unless in his or her opinion the property is not eligible for the National Register.

§ 60.12 Nomination appeals.

(a) Any person or local government may appeal to the Keeper the failure or refusal of a nominating authority to nominate a property that the person or local government considers to meet the National Register criteria for evaluation upon decision of a nominating authority to not nominate a property for any reason when requested pursuant to §60.11, or upon failure of a State Historic Preservation Officer to nominate a property recommended by the State Review Board. (This action differs from the procedure for appeals during the review of a nomination by the National Park Service where an individual or organization may "petition the Keeper during the nomination process," as specified in §§60.6(t) and 60.9(i). Upon receipt of such petition the normal 45-day review period will be extended for 30 days beyond the date of the petition to allow the petitioner to provide additional documentation for review.)

(b) Such appeal shall include a copy of the nomination form and documentation previously submitted to the State Historic Preservation Officer or

Federal Preservation Officer, an explanation of why the applicant is submitting the appeal in accord with this section and shall include pertinent correspondence from the State Historic Preservation Officer or Federal Preservation Officer.

(c) The Keeper will respond to the appellant and the State Historic Preservation Officer or Federal Preservation Officer with a written explanation either denying or sustaining the appeal within 45 days of receipt. If the appeal is sustained, the Keeper will:

(1) Request the State Historic Preservation Officer or Federal Preservation Officer to submit the nomination to the Keeper within 15 days if the nomination has completed the procedural requirements for nomination as described in §§ 60.6 or 60.9 except that concurrence of the State Review Board, State Historic Preservation Officer or Federal Preservation Officer is not required; or

(2) If the nomination has not completed these procedural requirements, request the State Historic Preservation Officer or Federal Preservation Officer to promptly process the nomination pursuant to §§ 60.6 or 60.9 and submit the nomination to the Keeper without delay.

(d) State Historic Preservation Officers and Federal Preservation Officers shall process and submit such nominations if so requested by the Keeper pursuant to this section. The Secretary reserves the right to list properties in the National Register or determine properties eligible for such listing on his own motion when necessary to assist in the preservation of historic resources and after notifying the owner and appropriate parties and allowing for a 30-day comment period.

(e) No person shall be considered to have exhausted administrative remedies with respect to failure to nominate a property to the National Register until he or she has complied with procedures set forth in this section. The decision of the Keeper is the final administrative action on such appeals.

§ 60.13 Publication in the Federal Register and other NPS notification.

(a) When a nomination is received, NPS will publish notice in the FEDERAL REGISTER that the property is being considered for listing in the National Register. A 15-day commenting period from date of publication will be provided. When necessary to assist in the preservation of historic properties this 15-day period may be shortened or waived.

(b) NPS shall notify the appropriate State Historic Preservation Officer, Federal Preservation Officer, person or local government when there is no approved State program of the listing of the property in the National Register and will publish notice of the listing in the FEDERAL REGISTER.

(c) In nominations where the owner of any privately owned property (or a majority of the owners of such properties within a district or single property with multiple owners) has objected and the Keeper has determined the nomination eligible for the National Register, NPS shall notify the State Historic Preservation Officer, the Federal Preservation Officer (for Federal or concurrent nominations), the person or local government where there is no approved State Historic Preservation Program and the Advisory Council on Historic Preservation. NPS will publish notice of the determination of eligibility in the FEDERAL REGISTER.

§ 60.14 Changes and revisions to properties listed in the National Register.

(a) *Boundary changes.* (1) A boundary alteration shall be considered as a new property nomination. All forms, criteria and procedures used in nominating a property to the National Register must be used. In the case of boundary enlargements only those owners in the newly nominated as yet unlisted area need be notified and will be counted in determining whether a majority of private owners object to listing. In the case of a diminution of a boundary, owners shall be notified as specified in § 60.15 concerning removing properties from the National Register.
