Cite this Code: CFR

To cite the regulations in this volume use title, part and section number. Thus, 5 CFR 715.201 refers to title 5, part 715, section 201.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:
- Title 1 through Title 16.................................as of January 1
- Title 17 through Title 27.................................................................as of April 1
- Title 28 through Title 41.................................................................as of July 1
- Title 42 through Title 50.............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 1999), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBsolete PROvisions

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949-1963, 1964-1972, or 1973-1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

Cfr Indexes and Tabular Guides

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR Index and Finding Aids. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I), and Acts Requiring Publication in the Federal Register (Table II). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

RepUibliCation of Material

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

APPENDIX TO PART 720—GUIDELINES FOR THE DEVELOPMENT OF A FEDERAL RECRUITMENT PROGRAM TO IMPLEMENT 5 U.S.C. SECTION 7201, AS AMENDED

AUTHORITY: 5 U.S.C. 7201; 42 U.S.C. 2000e, unless otherwise noted.

SOURCE: 44 FR 22031, Apr. 13, 1979, unless otherwise noted.
§ 720.101  Federal Equal Opportunity
Recruitment Program.

This section incorporates the statutory requirements for establishing and conducting an equal opportunity recruitment program consistent with law within the Federal civil service. The policy in 5 U.S.C. 7201(b) reads as follows: “It is the policy of the United States to insure equal employment opportunities for employees without discrimination because of race, color, religion, sex, or national origin. The President shall use his existing authority to carry out this policy.” 5 U.S.C. 7201(c) requires under regulations prescribed by the Office of Personnel Management:

“(1) That each Executive agency conduct a continuing program for the recruitment of members of minorities for positions in the agency to carry out the [anti-discrimination] policy set forth in subsection (b) in a manner designed to eliminate underrepresentation of minorities in the various categories of civil service employment within the Federal service, with special efforts directed at recruiting in minority communities, in educational institutions, and from other sources from which minorities can be recruited; and

“(2) That the Office conduct a continuing program of—

“(A) Assistance to agencies in carrying out programs under paragraph (1) of this subsection; and

“(B) Evaluation and oversight of such recruitment programs to determine their effectiveness in eliminating such minority underrepresentation.”

This section and all implementing guidance shall be interpreted consistent with title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000c et seq.

§ 720.202  Definitions.

For the purposes of this subpart:

(a) Underrepresentation means a situation in which the number of women or members of a minority group within a category of civil service employment constitutes a lower percentage of the total number of employees within the employment category than the percentage women or the minority constitutes within the civilian labor force of the United States, in accordance with §720.205 (c) and (d).

(b) Category of civil service employment means such groupings of Federal jobs by grades and/or occupations as the Office of Personnel Management deems appropriate within the General Schedule and the prevailing wage systems.

(c) Minority refers only to those groups classified as “minority” for the purpose of data collection by the Office of Personnel Management and the Equal Employment Opportunity Commission in furtherance of Federal equal employment opportunity policies. The term, “women,” includes nonminority as well as minority women.

(d) Civilian labor force (CLF) includes all persons 16 years of age and over, except those in the armed forces, who are employed or who are unemployed and seeking work. CLF data are defined by the Bureau of the Census and the Bureau of Labor Statistics and are reported in the most recent decennial or mid-decade census, or current population survey, under title 13 of the United States Code or any other reliable statistical study.

(e) Recruitment means the total process by which the Federal Government and the Federal agencies locate, identify and assist in the employment of qualified applicants from underrepresented groups for job openings in categories of employment where underrepresentation has been determined. It includes both innovative internal and external recruitment actions. It is also intended to cover processes designed to prepare qualifiable applicants (those who have the potential but do not presently meet valid qualification requirements) for such job openings through...
Office of Personnel Management

§ 720.204

programs of training, work experience or both.

(f) Applicant pool means all types of listings from which selections may be made, including (but not limited to) promotion lists, competitive certificates and inventories of eligibles, applicant supply files, and lists of eligibles for certain noncompetitive appointments.

§ 720.203 Responsibilities of the Office of Personnel Management.

(a) The Office of Personnel Management will provide appropriate data to assist Federal agencies in making determinations of underrepresentation. The process for making such determinations is described in sections II and III (c) of the “Guidelines for the Development of a Federal Recruitment Program to Implement 5 U.S.C. 7201, as amended” (See appendix to this part). The Office will develop and publish more specific criteria for statistical measurements to be used by individual agencies, and will develop further guidance on—

(1) Agency employment statistics and civilian labor force statistics to be used in making determinations of underrepresentation, on a national, regional or other geographic basis as appropriate;

(2) Groupings of grades and/or other occupational categories to be used in implementing agency programs;

(3) Occupational categories and job series for which expanded external recruitment efforts are most appropriate, and those for which expanded and innovative internal recruitment is appropriate; and

(4) Other factors which may be considered by the agency, in consultation with Office of Personnel Management, to make determinations of underrepresentation and to develop recruitment programs focused on specific occupational categories.

(b) The Office will assist agencies in carrying out their programs by—

(1) Identifying major recruitment sources of women and members of minority groups and providing guidance on internal and external recruitment activities directed toward the solution of specific underrepresentation problem;

(2) Supplementing agency recruitment efforts, utilizing existing networks for dissemination of job information, and involving the participation of minority group and women's organizations where practicable;

(3) Examining existing Federal personnel procedures to identify those which (i) may serve as impediments to innovative internal and external recruitment and (ii) are within the administrative control of the Office or the Federal agencies;

(4) Determining whether applicant pools used in filling jobs in a category of employment where underrepresentation exists include sufficient candidates from any underrepresented groups, except where the agency controls such pools (see § 720.204(c));

(5) Providing such other support, as the Office deems appropriate.

(c) The Office will monitor and, in conjunction with the personnel management evaluation program of the Office, evaluate agency programs to determine their effectiveness in eliminating underrepresentation.

(d) The Office will work with agencies to develop effective mechanisms for providing information on Federal job opportunities targeted to reach candidates from underrepresented groups.

(e) The Office will conduct a continuing program of guidance and instruction to supplement these regulations.

(f) The Office will coordinate further activities to implement equal opportunity recruitment programs under this subpart with the Equal Employment Opportunity Commission consistent with law, Executive Order 12067, and Reorganization Plan No. 1 of 1978.

§ 720.204 Agency programs.

(a) Each Executive agency having positions in the pay systems covered by this program must conduct a continuing program for the recruitment of minorities and women for positions in the agency and its components to carry out the policy of the United States to insure equal employment opportunities without discrimination because of race, color, religion, sex or national origin. The head of each agency must specifically assign responsibility for program implementation to an appropriate
§ 720.205  Agency plans.

(a) Each agency shall have an up-to-date equal opportunity recruitment program covering recruitment for positions at various organizational levels and geographic locations within the agency. Such plans shall be available for review in appropriate offices of the agency and must be submitted to the Office of Personnel Management on request. In accordance with agreements reached between the Office and the Equal Employment Opportunity Commission, such plans must be incorporated in the agency’s equal employment opportunity plans required under section 717 of the Civil Rights Act of 1964, as amended, pursuant to regulations and instructions of the Commission, provided they are separable parts of those plans for purposes of review and submission to the Office of Personnel Management. Agency organizational and geographical components which are required to develop and submit Equal Employment Opportunity plans, under instructions issued by the Equal Employment Opportunity Commission, must also have up-to-date special recruitment program plans. On a determination by the Office of Personnel Management, in consultation with EEOC, that additional component plans are needed to implement an agency’s program effectively, the Office will instruct the agency to develop additional plans. Agencies must comply with such instructions.

(b) Agency plans shall include annual specific determinations of underrepresentation for each group and must be accompanied by quantifiable indices by which progress toward eliminating underrepresentation can be measured.

(c) Where an agency or agency component is located in a geographical area where the percentage of underrepresented groups in the relevant civilian labor force is higher than their percentage in the national labor force, the agency or component shall base its plans on the higher level of representation in the relevant civilian labor force.

(d) Where an agency or agency component is located in a geographical area where participation of a particular underrepresented group is significantly lower than its participation in the national labor force, the agency or component may, in consultation with the Office of Personnel Management, use the lower percentage in determining underrepresentation. An agency may not use a figure lower than the relevant regional or nationwide labor force percentage where recruitment on a regional or nationwide basis is feasible for particular categories of employment. Factors such as size of the agency or unit, nature of jobs and their
wage or pay scale may be considered in focusing recruitment for various job categories.

(e) In addition to the underrepresentation determinations described in paragraphs (b), (c) and (d) of this section, agency plans must, at a minimum, include:

(1) An assessment of grades or job categories and numbers of jobs in such categories expected to be filled in the current year, and on a longer term basis (based on anticipated turnover, expansion, hiring limits and other relevant factors) identification of those occupational categories and positions suitable for external recruitment, and description of special targeted recruitment programs for such jobs and positions;

(2) A similar assessment for job categories and positions likely to be filled by recruitment from within the agency and/or the Federal civil service system and a description of recruitment programs developed to increase minority and female candidates from internal sources for such positions;

(3) A further assessment of internal availability of candidates from underrepresented groups for higher job progressions by identifying job-related skills, knowledges and abilities which may be obtained at lower levels in the same or similar occupational series, or through other experience;

(4) A description of methods the agency intends to use to locate and develop minority and female candidates for each category of underrepresentation and an indication of how such methods differ from and expand upon the recruitment activities of the agency prior to establishment of the special recruitment program or the last revision to the agency’s plans;

(5) A description of specific, special efforts planned by the agency (or agency component) to recruit in communities, educational institutions, and other likely sources of qualified minority and female candidates;

(6) A description of efforts which will be undertaken by the agency to identify jobs which can be redesigned so as to improve opportunities for minorities and women, including jobs requiring bilingual or bicultural capabilities or not requiring English fluency.

(7) A list of priorities for special recruitment program activities based on agency identification of:

(i) Immediate and longer range job openings for each occupational/grade-level grouping for which underrepresentation has been determined;

(ii) Hiring authorities which may be used to fill such jobs;

(iii) The possible impact of its actions on underrepresentation.

(8) Identification of training and job development programs the agency will use to provide skills, knowledge and abilities to qualify increased numbers of minorities and women for occupational series and grade levels where they are significantly underrepresented.

(9) Identification of problems for which the assistance of the Office of Personnel Management is needed and will be requested.

(f) Equal opportunity recruitment program plans must be consistent with agency Upward Mobility program plans and should be developed with full consideration of the agency’s overall recruiting and staffing planning objectives.

(g) All plans required under this subpart must be developed not later than October 1, 1979.

§ 720.207 Reports.

This subpart sets forth requirements for a recruitment program, not a selection program. Nevertheless, agencies are advised that all selection processes including job qualifications, personnel procedures and criteria must be consistent with the Uniform Guidelines on Employee Selection Procedures (43 FR 38290; August 25, 1978).

§ 720.207 Reports.

(a) Not later than November 1 of each year, agencies must submit an annual report on their equal opportunity recruitment program to the Office of Personnel Management, in a form prescribed by the Office. The Office may require submission of any additional reports it considers necessary in carrying out its responsibilities under this subpart.
§ 720.301 Purpose and authority.

This subpart sets forth requirements for agency disabled veteran affirmative action programs (DVAAAPs) designed to promote Federal employment and advancement opportunities for qualified disabled veterans. The regulations in this subpart are prescribed pursuant to responsibilities assigned to the Office of Personnel Management (OPM) under section 403 of the Vietnam Era Veterans Readjustment Assistance Act of 1974, as amended (38 U.S.C. 2014), and section 307 of the Civil Service Reform Act of 1978 (5 U.S.C. 3112).

§ 720.302 Definition.

As used in this subpart, the terms veteran and disabled veteran have the meanings given to these terms in title 38 of the United States Code.

§ 720.303 Agency programs.

(a) Continuing Programs. Each Department, agency, and instrumentality in the executive branch, including the U.S. Postal Service and the Postal Rate Commission, shall conduct a continuing affirmative program for the recruitment, hiring, placement, and advancement of disabled veterans.

(b) Program Responsibility. The head of each agency shall assign overall program responsibility to an appropriate agency official. The official so designated shall be at a high enough level to ensure effective program administration and the devotion of adequate resources to the program.

(c) Problem Analysis.

(1) Annually, OPM will provide appropriate data on the employment of disabled veterans to each agency participating in the Central Personnel Data File (CPDF). These data will be taken from CPDF. For DVAAAP purposes, CPDF data are considered to be the official record of the status of disabled veteran employment within each participating agency. Each participating agency is responsible for assuring that such records are timely, accurate, and complete.

(2) CPDF data must be analyzed by participating agencies to identify problem areas and deficiencies in the employment and advancement of disabled veterans. (OPM will establish with each agency not participating in CPDF, the nature and extent of data to be used in identifying problems and deficiencies.) Based on this analysis, agencies shall develop methods to improve the recruitment, hiring, placement, and advancement of disabled veterans, or revise or redirect existing methods, as necessary. These methods must then be translated into action items.

§ 720.304 Agency plan.

(a) Plan Development. As part of the affirmative action plan it prepares pursuant to section 501(b) of the Rehabilitation Act of 1973 (29 U.S.C. 791 (b)) ("Section 501(b) Plan"), each Department, agency, or instrumentality in the executive branch must have an up-to-date affirmative action plan for the employment and advancement of disabled veterans.

(1) Each agency must review its plan on an annual basis, together with its accomplishments for the previous fiscal year, updated employment data, and any changes in agency mission or structure, and update the plan as necessary. Agency operating components and field installations required to develop separate plans under paragraph (b) of this section, below, must perform the same type of annual review and update of their plans.

(2) Plans shall cover a time period of not less than one year and may cover a longer period if concurrent with the agency’s Section 501(b) Plan. Each plan must specify the period of time it covers.
§ 720.306 Responsibilities of The Office of Personnel Management

(a) Program Review. OPM will monitor agency program implementation through review of agency plans, direct agency contact, review of employment data, and through other appropriate means. As it deems appropriate, OPM
will conduct onsite evaluations of program effectiveness, both at agency headquarters and at field installations or operating components.

(b) Technical Assistance. The Office of Personnel Management will provide technical assistance, guidance, instructions, data, and other information as appropriate to supplement and support agency programs for disabled veterans, through the Federal Personnel Manual (FPM).

(c) Semiannual Reports. As provided by 38 U.S.C. 7151(b)(2), OPM will report to Congress each year on the implementation and progress of the program. These reports will include specific assessments of agency progress or lack of progress in meeting the objectives of the program.

§ 720.307 Interagency report clearance.

The reports contained in this regulation have been cleared in accordance with FPMR 101-11.11 and assigned interagency report control number 0305-OPM-AN.

APPENDIX TO PART 720—GUIDELINES FOR THE DEVELOPMENT OF A FEDERAL RECRUITMENT PROGRAM TO IMPLEMENT 5 U.S.C. SECTION 7201, AS AMENDED

I. Background Information. A. In 1964 the Congress adopted a basic anti-discrimination policy for Federal employment, stating:

It is the policy of the United States to ensure equal employment opportunities for employees without discrimination because of race, color, religion, sex or national origin. (5 U.S.C. 7151)

In 1978, Congress reaffirmed and amended this policy as part of the Civil Service Reform Act of 1978 [Sec. 310 of Pub. L. 95-454], requiring immediate development of a recruitment program designed to eliminate underrepresentation of minority groups in specific Federal job categories. Section 310 directs the Equal Employment Opportunity Commission:

1. To establish Guidelines proposed to be used for a program designed to eliminate such underrepresentation;
2. To make, in consultation with OPM, initial determinations of underrepresentation which are proposed to be used in this program; and
3. To transmit the determinations made under (2) above to the Executive Agencies, the Office of Personnel Management and the Congress, within 60 days of enactment.

The Office of Personnel Management (OPM) is directed by this amendment:

1. To issue regulations to implement a program under EEOC Guidelines within 180 days after enactment, which shall provide that Executive agencies conduct continuing recruitment programs to carry out the anti-discrimination policy in a manner designed

1 This section originally was section 701(b)(2nd Proviso) of the Civil Rights Act of 1964 (Pub. L. 88-352, July 2, 1964), codified as 5 U.S.C. 7151. Section 7151 was further amended by section 310 of the Civil Service Reform Act of 1978. This Act also redesignated section 7151 as section 7201, effective January 11, 1979. (Sec. 703(a)(1) of the Act.)

3 This Office was created by Reorganization Plan No. 2, issued pursuant to 5 U.S.C. 901 et seq. It will assume personnel management functions of the present Office of Personnel Management on January 1, 1979.
to eliminate underrepresentation in identified categories of civil service;

2. To provide continuing assistance to Federal agencies in carrying out such programs;

3. To conduct a continuing program of evaluation and oversight to determine the effectiveness of such programs;

4. To establish occupational, professional and other groupings within which appropriate recruitment will occur, based upon the determinations of underrepresentation pursuant to these Guidelines; and

5. To report annually to the Congress on this program, not later than January 31 of each year.

Congress further directed that the recruitment program must be administered consistent with provisions of Reorganization Plan No. 1 of 1978.4

B. In framing these Guidelines and making its initial determinations of underrepresentation, the Equal Employment Opportunity Commission (Commission) is acting pursuant to its obligations and authority under 5 U.S.C. 7201, as amended; Section 717 of title VII of the Civil Rights Act of 1964, as amended; Reorganization Plan No. 1 of 1978 (issued pursuant to 5 U.S.C. 901 et seq.) and Executive Order 11246, issued under this Plan (43 FR 28967, June 30, 1978). This Commission must develop and/or ensure the development of uniform, coherent and effective standards for administration and enforcement of all Federal anti-discrimination and equal employment opportunity laws, policies and programs, and to ensure the elimination of duplication and inconsistency in such programs.

C. A review of the legislative history of Federal equal employment opportunity policy provides further guidance on the scope and nature of determinations and guidelines to be issued for this program.

The basic policy statement on Federal equal employment policy enacted by the Congress in 1964 (5 U.S.C. 7131, redesignated as section 7201) gave the President authority for implementation. Executive Order 11246 (1966), expanded and superseded by Executive Order 11478 (1969) with respect to Federal employment, required Federal agencies to develop affirmative action programs designed to eliminate discrimination and assure equal employment opportunity.

In 1972, Congress found that serious discrimination persisted in Federal employment. It found that minorities and women were significantly absent at higher levels in Federal employment, and severely underrepresented in some Federal agencies and in some geographic areas where they constituted significant proportions of the population. After a detailed review of Federal employment practices and statistics, the Congress concluded that:

The disproportionate distribution of minorities and women throughout the Federal bureaucracy and their exclusion from higher level policy-making and supervisory positions indicates the government’s failure to pursue its policy of equal employment opportunity.5

Congress found that this exclusion resulted from overt and “systemic” discriminatory practices.

These findings, among others, led Congress to extend title VII coverage to Federal employment in Section 717 of the Equal Employment Opportunity Act of 1972.

The Civil Service Reform Act of 1978 clearly states, for the first time, that “it is the policy of the United States * * * to provide * * * a Federal workforce reflective of the Nation’s diversity * * *”6 The Act establishes in law as the first merit principle that recruitment should be designed to achieve a Federal workforce from “all segments of society.” Among the personnel practices prohibited by the Act is discrimination prohibited under title VII of the Civil Rights Act of 1964, as amended.7 Therefore, the Civil Service Reform Act and its directive for a special recruitment program clearly unite requirements for basic Federal personnel policy with requirements for Federal equal employment policy.

It is clear from the legislative history of Federal equal employment policy that the legal standards of title VII must be applied to Federal employment. Thus, guidelines for a recruitment program designed to eliminate underrepresentation in Federal agency employment must be developed consistent with the framework of affirmative action programs.

D. Guided by the review of the legislative history, and the responsibilities and authorities cited in I(B) of this appendix, the Commission is issuing these Guidelines to provide a framework for development of recruitment program regulations by OPM. The Commission may later provide more detailed guidance, through consultation with OPM, designed to achieve an overall Federal equal employment program which is consistent with, and which effectively implements title VII requirements.

II. Initial Determinations of Underrepresentation

A. Pursuant to Section 7201, underrepresentation exists when the percentages of minority and female Federal employees in

7Section 101(a) of the Act, 5 U.S.C. 2301(b)(1) and 2302(b)(1)(A), as amended.
specific grades are less than their percentages in the civilian labor force. "Minority" refers only to those groups classified as "minority" for the purpose of data collection by the Commission and OPM in furtherance of Federal equal employment opportunity policies. The civilian labor force includes all persons 16 years of age and over except the armed forces, who are employed or seeking employment. Such a determination of underrepresentation is designated in these Guidelines as "below the Section 7201 level".

B. The Commission has examined existing data on Federal employment and the civilian labor force and has made initial determinations of underrepresentation of groups by race, national origin and sex in specific grades of the major Federal pay systems, under the legal authorities cited in I(B), of this appendix.

C. The Table which follows shows the grades at which the percentage of each group in the Federal workforce falls below its percentage in the civilian labor force. The Table covers four major Federal pay systems which account for more than 95 percent of Federal employees, excluding the Postal Service.  

The labor force figures are published annually; the Federal employment statistics semiannually. These measures, and any modifications agreed upon by the Commission and OPM, will be updated annually.

Regional and area Federal employment statistics are available from the Office of Personnel Management. The latest reliable local labor force data by race, national origin, and sex is from the 1970 Census. The Commission and OPM will consult on appropriate labor force measures to be used for local analyses.

E. These initial determinations are based upon a preliminary analysis of the data, and may be further refined by the Commission, in consultation with the OPM, to include geographic and occupational underrepresentation. It is further recognized that for the purpose of developing regulations, the OPM, in consultation with the Commission, will undertake more specific analyses of data use and applicability necessary to develop programs for the Federal agencies pursuant to Section 7201(a)(2)(d). The OPM may establish criteria for grouping agencies, for treating other agencies covered by title VII, e.g. the U.S. Postal Service, TVA, Central Intelligence Agency, Federal Reserve Board.
III. Procedures for Developing Recruitment Programs.

A. The program developed and implemented by OPM under Section 720 should be designed to result in applicant pools with sufficient qualified members of underrepresented groups. Where the supply of such groups initially appears to be low for specific occupational, professional and other groupings, the program should be designed so that recruitment efforts stimulate interest of underrepresented groups in those occupations where there are realistic projections of Federal employment opportunities.

B. In establishing groupings for determining underrepresentation, OPM should utilize broad occupational categories to the extent possible. The Commission recognizes that OPM’s regulations should allow flexibility in development and design of each Federal agency’s recruitment program. However, all statistical comparisons must be computed in a manner consistent with the method utilized in II C of this appendix.

C. The Commission recommends that each agency program meet several minimum requirements. The program should be based on a determination of underrepresentation in the agency’s total workforce, in appropriate geographic components; by grade; by broad occupational, professional, and other groupings in comparison to the national civilian labor force, according to the criteria developed by OPM under these guidelines.

Where an agency or major component thereof (such as Headquarters and Regional Offices) is located in a geographic area where the percentage of underrepresented groups in the area’s civilian labor force is higher than their percentage in the national labor force, the agency or appropriate component should conduct its recruitment program for that component on the basis of the higher level of representation in the relevant civilian labor force.

Where an agency or major component thereof is located in a geographic area where participation of a particular underrepresented group in the area labor force is significantly lower than their participation in the national labor force, such agency or component may, in consultation with OPM, utilize the lower applicable civilian labor force percentage in determining underrepresentation for the component. In no event, however, may the agency utilize a figure lower than the regional or nationwide Section 7201 level for positions where recruitment on a regional or nationwide basis is feasible. Factors such as size of the agency or unit, nature of jobs and their wage or pay scale may be considered to set goals and to justify a recruitment program focused on various job categories.

IV. Scope of Actions Covered by This Program.

A. “Recruitment” under this program is defined as the total process by which the Federal Government and the Federal agencies select, identify and assist in the employment of qualified or qualifiable applicants from underrepresented groups for job openings in grades and in occupational categories where underrepresentation has been determined. This process should include innovative internal, as well as targeted external, recruitment actions.

B. Prior to developing regulations, the Office should review data on personnel actions and other information, to identify those job categories for which internal recruitment and external recruitment is most appropriate and feasible, and to provide guidance to the Federal agencies for targeting their recruitment programs, based on this information. OPM should advise all agencies that all job qualifications, personnel procedures and criteria must be consistent with the Uniform Guidelines on Employee Selection Procedures (43 FR 38290 August 25, 1978). OPM should consider the following in providing guidance to agencies:

1. External Recruitment Programs. a. Such programs should focus on grade levels and/or job categories where underrepresentation has been identified and where external recruitment realistically will result in hiring opportunities.

Recruitment programs also should include a review of job functions to determine those jobs that may be better performed by persons who are bilingual and who have bilingual capabilities, and those jobs that can be performed by persons not fluent in English.

b. Where eligibility lists are used for filling jobs, it is recommended that the regulations require, an analysis by race, national origin and sex, to determine whether the list contains sufficient candidates from groups underrepresented in those jobs. OPM should require that where the list does not have such representation, expanded recruitment procedures be designed to assure that members of underrepresented groups qualified to perform the job(s) are included in the pool of applicants from which the selecting official makes the selection. Such expanded recruitment procedures may include additional external recruitment or various actions (such as described in 2 below) to reach members of these groups within the Federal workforce who are qualified or qualifiable for these jobs.

2. Internal Recruitment Programs. a. Internal recruitment programs should be designed by agencies to identify currently qualified or
qualifiable persons for job categories and series where underrepresentation prevails, according to the national determinations and the determinations made by each agency under these guidelines.

b. Further, OPM should work with Federal agencies to develop effective mechanisms for providing information on Federal job opportunities, targeted to reach Federal employees from underrepresented groups in all agencies in order to broaden the applicant pool.

V. Consistency with Reorganization Plan No. 1 of 1978.

A. The Office shall develop regulations and implement this program in consultation with the Commission and with other affected agencies in such manner that their recruitment programs may be incorporated as a consistent and effective element of the agencies’ national and regional equal employment opportunity plans. Each agency is required to implement such plans under the direction and guidance of the Commission in accordance with Section 717 of title VII of the Civil Rights Act of 1964, as amended, and Executive Order 12067.

B. Procedures shall be established by OPM and the Commission to assure appropriate consultation in development of the regulations.

C. Pursuant to Reorganization Plan No. 1 and to Executive Order 12067 issued thereunder, the Commission will establish procedures to provide appropriate consultation and review of the program on a continuing basis, to maximize its effectiveness and eliminate any duplication, conflict or inconsistency in requirements for equal opportunity programs in the Federal agencies.

D. In preparing its annual report to the Congress pursuant to the Act, OPM should do so in consultation with the Commission.

§ 723.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 723.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving accessibility with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of § 723.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of § 723.150(a) (2) or (3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by November 7, 1988, except that where structural changes in facilities are undertaken, such changes shall be made by September 6, 1991, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by March 6, 1989, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;
Office of Personnel Management

§ 723.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity

(c) The Assistant Director for Personnel and EEO shall be responsible for coordinating implementation of this section. Complaints may be sent to the Assistant Director for Personnel and EEO, Office of Personnel Management, Room 1479, 1900 E St., NW., Washington, DC 20415.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

1. Findings of fact and conclusions of law;
2. A description of a remedy for each violation found; and
3. A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt of the letter required by §723.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

Subpart A—Scope

§ 731.101 Purpose.

The purpose of this part is to establish criteria and procedures for making determinations of suitability for employment in positions in the competitive service and for career appointments in the Senior Executive Service (hereinafter in this part, "competitive service") pursuant to 5 U.S.C. 3301 and E.O. 10577. Section 3301 of title 5, United States Code, directs consideration of "age, health, character, knowledge, and ability for the employment sought." E.O. 10577 directs OPM to examine "suitability" for competitive Federal employment. This part concerns only determinations of "suitability" based on an individual's character or conduct that may impact the efficiency of the service by jeopardizing an agency's accomplishment of its duties or responsibilities, or by interfering with or preventing effective service in the position applied for or employed in. Determinations made under this part are distinct from determinations of eligibility for assignment to, or retention in, sensitive national security positions made under E.O. 10450 or similar authorities.

§ 731.102 Implementation.

(a) An investigation conducted for the purpose of determining suitability under this part may not be used for any other purpose except as provided in a Privacy Act system of records notice published by the agency conducting the investigation.

(b) Policies, procedures, criteria, and guidance for the implementation of this part shall be set forth in issuances of the Federal Personnel Manual System or other appropriate instruments. Agencies exercising authority under this part by delegation from OPM shall conform to such policies, procedures, criteria, and guidance.

§ 731.103 Delegation to agencies.

(a) Direct Hires. The head of each agency is delegated authority for adjudicating suitability under this part for applicants filing directly with the agency outside a civil service register.

(b) OPM may in its discretion delegate to the heads of agencies authority for adjudicating suitability in other cases involving applicants and eligibles for, and appointees to, competitive service positions in the agency.

(c) Paragraphs (a) and (b) of this section notwithstanding, OPM may exercise its jurisdiction under this part in any case when deemed necessary.

(d) Any applicant, eligible, or appointee who is found unsuitable by any agency having delegated authority from OPM under this part for any reason named in § 731.202 may appeal to the Merit Systems Protection Board under the Board's regulations.

Subpart B—Suitability Determinations

§ 731.201 Standard.

Subject to subpart C of this part, OPM may deny an applicant examination, deny an eligible appointment, and direct an agency to remove an appointee or employee when OPM determines the action will promote the efficiency of the service.

§ 731.202 Criteria.

(a) General. In determining whether its action will promote the efficiency of the service, OPM or an agency to which OPM has delegated authority under § 731.103 of this chapter, shall make its determination on the basis of:

(1) Whether the conduct of the individual may reasonably be expected to interfere with, or prevent, efficient service in the position applied for or employed in; or

(2) Whether the conduct of the individual may reasonably be expected to interfere with, or prevent, effective accomplishment by the employing agency of its duties or responsibilities; or

(3) Whether a statutory or regulatory bar prevents the lawful employment of the individual in the position in question.

(b) Specific factors. When making a determination under paragraph (a) of this section, any of the following reasons may be considered a basis for finding an individual unsuitable:
(1) Misconduct or negligence in prior employment which would have a bearing on efficient service in the position in question, or would interfere with or prevent effective accomplishment by the employing agency of its duties and responsibilities;

(2) Criminal or dishonest conduct related to the duties to be assigned to the applicant or appointee, or to that person's service in the position or the service of other employees;

(3) Intentional false statement or deception or fraud in examination or appointment;

(4) Refusal to furnish testimony as required by §5.4 of this chapter;

(5) Alcohol abuse of a nature and duration which suggests that the applicant or appointee would be prevented from performing the duties of the position in question, or would constitute a direct threat to the property or safety of others;

(6) Illegal use of narcotics, drugs, or other controlled substances, without evidence of substantial rehabilitation;

(7) Knowing and willful engagement in acts or activities designed to overthrow the U.S. Government by force;

(8) Any statutory or regulatory bar which prevents the lawful employment of the person involved in the position in question.

(c) Additional considerations. In making a determination under paragraphs (a) and (b) of this section, OPM and agencies shall consider the following additional factors to the extent that they deem these factors pertinent to the individual case:

(1) The kind of position for which the person is applying or in which the person is employed, including the degree of public trust or risk in the position;

(2) The nature and seriousness of the conduct;

(3) The circumstances surrounding the conduct;

(4) The recency of the conduct;

(5) The age of the person involved at the time of the conduct;

(6) Contributing societal conditions;

(7) The absence or presence of rehabilitation or efforts toward rehabilitation.

Subpart C—Suitability Rating Actions

§ 731.301 Jurisdiction.

(a) Appointments subject to investigation. (1) In order to establish an appointee's suitability for employment in the competitive service, every appointment to a position in the competitive service is subject to investigation by OPM, except:

(i) Promotion;

(ii) Demotion;

(iii) Reassignment;

(iv) Conversion from career-conditional to career tenure;

(v) Appointment, or conversion to an appointment, made by an agency of an employee of that agency who has been serving continuously with that agency for at least one year in one or more positions under an appointment subject to investigation; and

(vi) Transfer, provided the one-year, subject-to-investigation period applied to the previous appointment has expired.

(2) Appointments are subject to investigation to continue OPM's jurisdiction to investigate the suitability of an applicant after appointment and to authorize OPM to require removal when it finds the appointee is unsuitable for Federal employment. The subject-to-investigation condition may not be construed as requiring an employee to serve a new probationary or trial period or as extending the probationary or trial period of an employee.

(b) Duration of condition. The subject-to-investigation condition expires automatically at the end of one year after the effective date of appointment, except in a case involving intentional false statement or deception or fraud in examination or appointment, or refusal to furnish testimony.

§ 731.302 Risk designation and investigative requirements.

(a) Risk designation. Agency heads shall designate every competitive service position within the agency at either a High, Moderate, or Low risk level as determined by the position's potential for adverse impact to the efficiency of the service.

(b) Investigative requirements. Persons receiving an appointment made subject
§ 731.401 Scope.
(a) Coverage. This subpart sets forth the procedures to be followed when OPM, acting under authority of this part, proposes to take or to instruct an agency to take, a final suitability ineligibility action, including removal, against an applicant or eligible for appointment in, or an appointee or employee in, the competitive service. This subpart does not apply to an action taken by an agency to which OPM has delegated authority under §731.103.

(b) Definition. In this subpart, days means calendar days.

§ 731.402 Notice of proposed action.
(a) OPM shall notify the applicant, eligible, appointee, or employee (hereinafter, the “respondent”) in writing of the proposed action and of the charges against the respondent. The notice shall state the reasons, specifically and in detail, for the proposed action. The notice shall also state that the respondent has the right to answer this notice in writing. If the respondent is an employee the notice shall further state that the employee may also make an oral answer, as specified in §731.403(a). The notice shall further inform the respondent of the time limits for answer as well as the address to which such answer should be made.

(b) OPM shall send a copy of this notice to the agency, if any, that is involved. The notice shall be served upon
the respondent by being mailed to the respondent's last known residence or duty station no less than 30 days prior to the effective date of the proposed adverse action. If the respondent is employed in the competitive service on the date the notice is served, the respondent shall be entitled to be retained in pay status during the notice period.

§ 731.403 Answer.

(a) Respondent's answer. A respondent may answer the charges in writing and furnish affidavits in support of the response. A respondent who is an employee may answer orally. The respondent may be represented by a representative of the respondent's choice, and such representative shall be designated in writing to OPM. To be timely, a written answer shall be made to OPM no more than 30 days after the date of the notice of proposed action. In the event that an employee requests to make an oral answer, OPM shall determine the time and place thereof. OPM shall consider any answer that the respondent makes in reaching a decision.

(b) Agency's answer. In actions proposed by OPM under 5 CFR 5.3, the agency may also answer the notice of proposed action. The time limit for filing an answer is 30 days from the date of the notice. OPM shall consider any answer that the agency makes in reaching a decision.

§ 731.404 Decision.

OPM shall notify the respondent and the agency of the decision. The decision shall be in writing, be dated, and inform the respondent of the reasons for the decision. Removal of appointees or employees will be effective 30 days following the date of the decision. The respondent shall also be informed that an adverse decision can be appealed in accordance with subpart E of this part.

Subpart E—Appeal to the Merit Systems Protection Board

§ 731.501 Appeal to the Merit Systems Protection Board.

(a) An individual who has been found unsuitable for employment may appeal the decision to the Merit Systems Protection Board (the Board). An employee or appointee who appeals a removal directed by OPM shall notify the employing agency of the appeal at the time it is filed.

(b) Appeal Procedures. The procedures for filing an appeal with the Board are found at part 1201 of Title 5, Code of Federal Regulations.

(c) Pay Status Pending Appeal. When an employee or appointee whom OPM has determined to be unsuitable files an appeal to the Board, the employing agency may either suspend the employee or appointee on the day following the date on which the removal was to have been effected pending adjudication of the appeal, or retain the employee or appointee in an active duty status for the period, in which event the agency shall so notify the employee or appointee. Part 752 of this chapter does not apply to the suspension.

When an employee has been removed by an agency on charges (other than security or loyalty) or has resigned on learning the agency planned to prefer charges, or while charges were pending, the former employee may request OPM to determine his or her suitability for further employment in the competitive service. OPM shall consider the request only if the former employee:

1. Has completed any required probationary period;
2. Has basic eligibility for reinstatement; and
3. Includes a sworn statement with the request which sets forth fully and in detail the facts surrounding the removal or resignation.

Subpart G—Savings Provision

§ 731.701 Savings provision.

No provision of these regulations shall be applied in such a way as to affect any administrative proceeding pending at the effective date of such provision. An administrative proceeding is deemed to be pending from the date of the “notice of proposed action” described in § 731.303 of this part.

PART 732—NATIONAL SECURITY POSITIONS

Subpart A—Scope

§ 732.101 Purpose.

This part sets forth certain requirements and procedures which each agency shall observe for determining national security positions pursuant to Executive Order 10450—Security Requirements for Government Employment (April 27, 1953), 18 FR 2489, 3 CFR 1949–1953 Comp., p. 936, as amended.

§ 732.102 Definition and applicability.

(a) For purposes of this part, the term “national security position” includes: (1) Those positions that involve activities of the Government that are concerned with the protection of the nation from foreign aggression or espionage, including development of defense plans or policies, intelligence or counterintelligence activities, and related activities concerned with the preservation of the military strength of the United States; and (2) positions that require regular use of, or access to, classified information. Procedures and guidance provided in FPM chapter 732 and related issuances apply.

(b) The requirements of this part apply to competitive service positions, and to Senior Executive Service positions filled by career appointment, within the Executive Branch, and agencies may apply them to excepted service positions within the Executive Branch.

Subpart B—Designation and Investigative Requirements

§ 732.201 Sensitivity level designations and investigative requirements.

(a) For purposes of this part, the head of each agency shall designate, or cause to be designated, any position the occupant of which could bring about, by virtue of the nature of the position, a material adverse effect on the national security as a sensitive position at one of three sensitivity levels: Special-Sensitive, Critical-Sensitive, or Noncritical-Sensitive.

(b) Investigative requirements for each sensitivity level are provided in FPM chapter 732.
§ 732.202 Waivers and exceptions to investigative requirements.

(a) Waivers—(1) General. A waiver of the preappointment investigative requirement contained in section 3(b) of Executive Order 10450 for employment in a sensitive national security position may be made only for a limited period: (i) In case of emergency if the head of the department or agency concerned finds that such action is necessary in the national interest; and (ii) when such finding is made a part of the records of the department or agency.

(2) Specific waiver requirements. (i) The preappointment investigative requirement may not be waived for appointment to positions designated Special-Sensitive under this part.

(ii) For positions designated Critical-Sensitive under this part, the records of the department or agency required by § 732.202(a)(1) of this part shall show what decision was made on obtaining prewaiver checks, as follows: (A) The nature of the emergency precluded obtaining prewaiver checks; or (B) checks were initiated but not all responses were received within 5 days; or (C) checks made and favorably completed are listed.

(iii) The waiver restriction is optional for positions designated Non-critical-Sensitive under this part.

(iv) When waiver is authorized, the required investigation must be initiated within 14 days of placement of the individual in the position.

(b) Exceptions to investigative requirements. (1) Pursuant to section 3(a) of E.O. 10450, the following positions are exempt from the investigative requirements of E.O. 10450, providing that the employing agency conducts such checks as it deems appropriate to ensure the employment or retention of individuals in these positions is clearly consistent with the interests of the national security:

(i) Positions that are intermittent, seasonal, per diem, or temporary, not to exceed an aggregate of 180 days in either a single continuous appointment or series of appointments; or

(ii) Positions filled by aliens employed outside the United States.

(2) Other positions that OPM, in its discretion, deems appropriate may be made exempt based on a written request to OPM by the agency head in whose department or agency the positions are located.

§ 732.203 Periodic reinvestigation requirements.

The incumbent of each position designated Special-Sensitive or Critical-Sensitive under this part shall be subject to periodic reinvestigation of a scope prescribed by OPM 5 years after placement, and at least once each succeeding 5 years. The employing agency will use the results of such periodic reinvestigation to determine whether the continued employment of the individual in a sensitive position is clearly consistent with the interests of the national security.

Subpart C—Due Process and Reporting

§ 732.301 Due process.

When an agency makes an adjudicative decision under this part based on an OPM investigation, or when an agency, as a result of information in an OPM investigation, changes a tentative favorable placement or clearance decision to an unfavorable decision, the agency must:

(a) Insure that the records used in making the decision are accurate, relevant, timely, and complete to the extent reasonably necessary to assure fairness to the individual in any determination.

(b) Comply with all applicable administrative due process requirements, as provided by law, rule, or regulation.

(c) At a minimum, provide the individual concerned:

(1) Notice of the specific reason(s) for the decision; and

(3) Notice of appeal rights, if any.

(d) Consider all available information in reaching its final decision.

(e) Keep any record of the agency action required by OPM as published in the Federal Personnel Manual and related issuances.

§ 732.302 Reporting to OPM.

(a) In accordance with section 9(a) of E.O. 10450, each agency conducting an
investigation under E.O. 10450 is required to notify OPM when the investigation is initiated.

(b) In accordance with section 14(c) of E.O. 10450, agencies shall report to OPM the action taken with respect to individuals investigated pursuant to E.O. 10450 as soon as possible and in no event later than 90 days after receipt of the final report of investigation.

Subpart D—Security and Related Determinations

§ 732.401 Reemployment eligibility of certain former Federal employees.

(a) Request. A former employee who was terminated, or who resigned while charges were pending, from a department or agency of the Government under a statute or executive order authorizing termination in the interest of national security or on grounds relating to loyalty, and authorizing OPM to determine the eligibility for employment in another department or agency of the Government, may request OPM in writing to determine whether the individual is eligible for employment in another department or agency of the Government.

(b) Action by OPM. (1) OPM shall determine, and will notify the former employee, after appropriate consideration of the case, including such investigation as it considers necessary, whether the individual may be employed in another department or agency of the Government.

(2) If a former Federal employee found ineligible under this section has had an opportunity to comment on the reasons for the action, or has furnished them to OPM or to the former employing agency, OPM may cancel the reinstatement eligibility if the eligibility resulted from the last Federal employment and was obtained through fraud, and OPM may prescribe a period of debarment not to exceed 3 years.

However, he or she may not complete the form while he or she is on duty, on Federal property, or in a Federally owned or leased vehicle. Moreover, he or she may not personally deliver his or her completed form, or the completed form of another employee, to the payroll office. However, the employee may mail his or her direct deposit form to his or her agency payroll office.

Example 13: Employees who are permitted to solicit, accept, or receive political contributions under the circumstances described in §734.208(b)(4) may not solicit, accept, or receive such contributions either while they are on duty, or while they are on Federal premises, or both.

Subpart E—Special Provisions for Certain Presidential Appointees and Employees Paid from the Appropriation for the Executive Office of the President

§ 734.501 Permitted and prohibited activities.

Except as otherwise specified in this part 734, employees who are appointed by the President by and with the advice and consent of the Senate are subject to the provisions of subparts B and C of this part.

§ 734.502 Participation in political activity while on duty, in uniform, in any room or building occupied in the discharge of official duties, or using a Federal vehicle.

(a) This section applies to an employee:

(1) The duties and responsibilities of whose position continue outside normal duty hours and while away from the normal duty post; and

(2) Who is—

(i) An employee paid from an appropriation for the Executive Office of President; or

(ii) An employee appointed by the President by and with the advice and consent of the Senate whose position is located within the United States, who determines policies to be pursued by the United States in relations with foreign powers or in the nationwide administration of Federal laws;

(b) For the purposes of this subpart, normal duty hours and normal duty post will be determined by the head of each agency or instrumentality of the United States or District of Columbia Government.

(c) An employee described in paragraph (a) of this section may participate, subject to any restrictions that may be imposed in accordance with §734.104, in political activities:

(1) While he or she is on duty;

(2) While he or she is wearing a uniform, badge, or insignia that identifies the agency or instrumentality of the United States Government or the position of the employee;

(3) While he or she is in any room or building occupied in the discharge of official duties by an individual employed or holding office in the Government of the United States or any agency or instrumentality thereof; or

(4) While using a Government-owned or leased vehicle or while using a privately-owned vehicle in the discharge of official duties.

(d) An employee, to whom subpart E of this part does not apply, who is not on duty may participate in political activities in rooms of the White House or the Residence of the Vice President which are part of the Residence area or which are not regularly used solely in the discharge of official duties.

Example 1: An Inspector General is appointed under the Inspector General Act of 1978, as amended. According to section 3(c) of that Act, he or she does not qualify as an employee who determines policies to be pursued by the United States in the nationwide administration of Federal laws. Therefore, he or she may not participate in political activities while on duty, while wearing a uniform, badge, or insignia that identifies his or her office or position, while in any room or building occupied in the discharge of official duties, or while using a Government-owned or leased vehicle or while using a privately-owned vehicle in the discharge of official duties.

Example 2: An employee who is covered by this subpart and wears a uniform as an incident of her office may wear the uniform while she is giving a speech at a political fundraiser.

Example 3: The head of an executive department may hold a partisan political meeting or host a reception which is not a fundraiser.
§ 734.503 Allocation and reimbursement of costs associated with political activities.

(a) The costs associated with the political activities described in § 733.502(c) of this chapter may not be paid for by money derived from the Treasury of the United States. Costs associated with a political activity are deemed not to be paid for by money derived from the Treasury if it is reimbursed for the costs within a reasonable period of time.

(b) For the purposes of this section, costs associated with a political activity do not include any costs that the Government would have or have incurred regardless of whether the activity was political. Examples of such costs are:

(1) The compensation of the employee described in § 734.502(a);
(2) The value of any office or other real property owned or leased by the Government;
(3) The compensation and expenses of any Government employee that is required in the performance of his or her duties to accompany or assist the person engaging in the political activity; and
(4) The cost of special security arrangements for the person engaging in the political activity, including special transportation vehicles or methods.

(c) (1) An employee covered under this subpart must apportion the costs of mixed travel based on the time spent on political activities and the time spent performing official duties. Pro-rating the cost of travel involves determining the “total activity time” which is the amount of time actually spent by the employee in meetings, receptions, rallies, and similar activities. Time spent in actual travel, private study, or rest and recreation is not included in the computation of the “total activity time”. The proration of the cost then is determined based on how the “total activity time” was spent. The formula is as follows:

\[
\text{Time spent in official meetings, receptions etc. ÷ Total activity time} = \text{Percentage of trip that is official}
\]
\[
\text{Time spent in political activity ÷ Total activity time} = \text{Percentage of trip that is political}
\]

The percentage figure that represents the political portion of the trip is then multiplied by the amount that would be reimbursed to the Government if all of the travel was political. The product of that calculation represents the amount to be paid by the political entity or organization.

(2) The allocation method must be applied to all of the relevant costs of mixed travel.

(3) Expenses that are associated specifically with a political activity and not with any official activity must be treated as political, and expenses associated specifically with an official activity and not with any political activity must be treated as official.

(4) In allocating the costs of travel other than air travel, the allocation formula should be applied to any Government maximum for that type of expenditure.

(5) The determination of the proper amount of allocation must be based on the facts and circumstances involved.

(6) In the event that a minor, clearly incidental percentage of the activity of a mixed trip is devoted to either official or political activity, e.g. less than 3%, the entire trip should be treated as if it was wholly of the type represented by the substantial figure. The balance should be treated as de minimis and
need not be reimbursed as political or charged as official.

(d) For any cost of a political activity of an employee that is required to be reported to the Federal Election Commission under the Federal Election Campaign Act (FECA) or the Presidential Election Campaign Fund Act (PECFA), the employee shall use the same method of allocation as used under the FECA or PECFA and regulations thereunder in lieu of the allocation method in paragraph (c) of this section.

Example 1: The Secretary, an employee described by section 7324(b)(2) of title 5 of the United States Code, holds a catered political activity (other than a fundraiser) in her office. Her security detail attends the reception as part of their duty to provide security for her. The Secretary will not be in violation of the Hatch Act Reform Amendments if the costs of her office, her compensation, and her security detail are not reimbursed to the Treasury. A violation of the Hatch Act Reform Amendments occurs if Government funds, including reception or discretionary funds, are used to cater the political activity, unless the Treasury is reimbursed for the cost of the catering within a reasonable time.

Example 2: There should be no allocation between official and political funds for a sound system rented for a single event.

Example 3: If on a mixed trip a Government employee is only entitled to $26 per diem for food on a wholly official trip and the trip is 50% political and 50% official, the Government share would be 50% of $26, not 50% of the actual amount spent.

Example 4: The President is transported by special motorcade to and from the site of the political event. The expense of the motorcade is for special security arrangements. Thus, it would not be a violation of the Hatch Act Reform Amendments if the costs of the security arrangements, including the cost of the motorcade, are not reimbursed to the Treasury.

§ 734.504 Contributions to political action committees through voluntary payroll allotments prohibited.

An employee described in § 734.502(a) may not financially contribute to a political action committee through a voluntary allotment made under § 550.311(b) of this title.

(n) The prohibition against certain personnel practices (5 U.S.C. 2302).

(o) The prohibition against making, requesting, considering, or accepting political recommendations (5 U.S.C. 3303).

(r) The prohibitions against soliciting for gifts to superiors, giving donations for such gifts, and accepting gifts from employees who receive a lower rate of pay (5 U.S.C. 7351).

(f) Pay means the rate of basic pay fixed by law or administrative action for the position held by the employee, that is, the rate of pay before any deductions and exclusive of additional pay of any kind.

(g) Similar positions mean positions in which the duties performed are similar in nature and character and require substantially the same or similar qualifications, so that the incumbent could be interchanged between the positions without significant training or undue interruption to the work.

(h) Suspension means the placing of an employee, for disciplinary reasons, in a temporary status without duties and pay for more than 14 days.

§ 752.403 Standard for action.

(b) An agency may not take an adverse action against an employee on the basis of any reason prohibited by 5 U.S.C. 2302.

§ 752.404 Procedures.

(a) Statutory entitlements. An employee against whom action is proposed under this subpart is entitled to the procedures provided in 5 U.S.C. 7513(b).

(b) Notice of proposed action. (1) The notice of proposal shall inform the employee of his or her right to review the material which is relied on to support the reasons for action given in the notice. The agency may not use material that cannot be disclosed to the employee of his or her representative or designated physician under § 297.204(c) of this chapter to support the reasons in the notice.

(2) When some but not all employees in a given competitive level are being furloughed, the notice of proposal shall state the basis for selecting a particular employee for furlough, as well as the reasons for the furlough.

(3) Under ordinary circumstances, an employee whose removal or suspension, including indefinite suspension, has been proposed shall remain in a duty status in his or her regular position during the advance notice period. In those rare circumstances where the agency determines that the employee's continued presence in the workplace during the notice period may pose a threat to the employee or others, result in loss of or damage to Government property, or otherwise jeopardize legitimate Government interests, the agency may elect one or a combination of the following alternatives:

(i) Assigning the employee to duties where he or she is no longer a threat to safety, the agency mission, or to Government property;

(ii) Allowing the employee to take leave, or carrying him or her in an appropriate leave status (annual, sick leave without pay, or absence without leave) if the employee has absented himself or herself from the worksite without requesting leave;

(iii) Curtailing the notice period when the agency can invoke the provisions of § 752.404(d)(1) of this part, the ‘‘crime provision.’’ This provision may be invoked even in the absence of judicial action if the agency has reasonable cause to believe that the employee has committed a crime for which a sentence of imprisonment may be imposed; or

(iv) Placing the employee in a paid, nonduty status for such time as is necessary to effect the action.

(c) Employee's answer. (1) The agency shall give the employee a reasonable amount of official time to review the material relied on to support its proposal and to prepare an answer and to secure affidavits, if he or she is otherwise in an active duty status.
§ 752.404  5 CFR Ch. 1 (1–1–99 Edition)

(2) The agency shall designate an official to hear the employee’s oral answer who has authority either to make or recommend a final decision on the proposed adverse action. The right to answer orally in person does not include the right to a formal hearing with examination of witnesses unless the agency provides one in its regulations in accordance with paragraph (g) of this section.

(3) If the employee wishes the agency to consider any medical condition which may contribute to a conduct, performance, or leave problem, the employee shall be given a reasonable time to furnish medical documentation (as defined in §339.102 of this chapter) of the condition. Whenever possible, the employee shall supply such documentation within the time limits allowed for an answer. After its review of the medical documentation supplied by the employee, the agency may, if authorized, require a medical examination under the criteria of §339.301(a)(3) and the procedures of §339.302 of this chapter, or otherwise, at its option, offer a medical examination in accordance with the criteria of §339.301(d) and procedures of §339.302 of this chapter. If the employee has the requisite years of service under the Civil Service Retirement System or the Federal Employees Retirement System, the agency shall provide information concerning disability retirement. The agency shall be aware of the affirmative obligations of the provisions of 29 CFR 1613.704, which require reasonable accommodation of a qualified employee who is handicapped.

(d) Exceptions. (1) Section 7513(b) of title 5 of the United States Code authorizes an exception to the 30 days’ advance written notice when the agency has reasonable cause to believe that the employee has committed a crime for which a sentence of imprisonment may be imposed and is proposing a removal or suspension (including indefinite suspension). The agency may require the employee to furnish any answer to the proposed action, and affidavits and other documentary evidence in support of the answer, within such time as would be reasonable, but not less than 7 days. When the circumstances require that the employee be kept away from the worksite, the agency may place him or her in a nonduty status with pay for such time as is necessary to effect the action.

(2) The advance written notice and opportunity to answer are not necessary for furlough without pay due to unforeseeable circumstances, such as sudden breakdowns in equipment, acts of God, or sudden emergencies requiring immediate curtailment of activities.

(e) Representation. Section 7513(b)(3) of title 5 of the United States Code provides that an employee covered by this part is entitled to be represented by an attorney or other representative. An agency may disallow as an employee’s representative an individual whose activities as representative would cause a conflict of interest or position, or an employee of the agency whose release from his or official position would give rise to unreasonable costs or whose priority work assignments preclude his or her release.

(f) Agency decision. In arriving at its decision, the agency shall not consider any reasons for action other than those specified in the notice of proposed action. It shall consider any answer of the employee and/or his or her representative made to a designated official and any medical documentation furnished under paragraph (c) of this section. The agency shall deliver the notice of decision to the employee at or before the time the action will be effective, and advise the employee of appeal rights.

(g) Hearing. Under 5 U.S.C. 7513(c), the agency may in its regulations provide a hearing in place of or in addition to the opportunity for written and oral answer.

(h) Applications for disability retirement. Section 31.501(d) of this chapter provides that an employee’s application for disability retirement shall not preclude or delay any other appropriate personnel action. Section 31.1203 of this chapter sets forth the basis under which an agency shall file an application for disability retirement on behalf of an employee.

Office of Personnel Management

§ 752.405 Appeal and grievance rights.

(b) Grievance rights. As provided at 5 U.S.C. 7121(e)(1), if a matter covered by this subpart falls within the coverage of an applicable negotiated grievance procedure, and employee may elect to file a grievance under that procedure or appeal to the Merit Systems Protection Board under 5 U.S.C. 7701, but not both. 5 U.S.C. 7114(a)(5) and 7121(b)(3), and the terms of an applicable collective bargaining agreement, govern representation for employees in an exclusive bargaining unit who grieve a matter under this subpart through the negotiated grievance procedure.

§ 752.406 Agency records.
The agency shall maintain copies of the items specified in 5 U.S.C. 7513(e) and shall furnish them upon request as required by that subsection.

(c) Appointee's answer. (1) The agency shall give the appointee a reasonable amount of official time to review the material relied on to support its proposed action, to prepare an answer orally and in writing, and to secure affidavits, if the appointee is in an active duty status.

(2) The agency shall designate an official to hear the appointee's oral answer who has authority either to make or to recommend a final decision on the proposed adverse action.

(3) The right to answer orally in person does not include the right to a formal hearing with examination of witnesses unless the agency provides for a formal hearing in its regulations in accordance with paragraph (g) of this section.

(4) If the appointee wishes the agency to consider any medical condition that may have affected the basis for the adverse action, the appointee shall be given reasonable time to furnish medical documentation of the condition. The same procedures that are applicable in §752.604(c)(3) of this chapter are also applicable for an appointee in the Senior Executive Service.

(d) Exception. Section 7543(b)(1) of title 5 of the United States Code authorizes an exception to the 30 days' advance written notice when the crime provision is invoked. This provision may be invoked even in the absence of judicial action if the agency has reasonable cause to believe that the appointee has committed a crime for which a sentence of imprisonment may be imposed. The agency may require the appointee to furnish any answer to the proposed action, and affidavits and other documentary evidence to support the answer, within such time as under the circumstances would be reasonable, but not less than 7 days. When the circumstances require immediate action, the agency may place the appointee in a nonduty status with pay for such time as is necessary to effect the action.

(e) Representation. (1) Under 5 U.S.C. 7543(b)(3), an appointee covered by this subpart is entitled to be represented by an attorney or other representative.

(2) An agency may disallow as an appointee's representative—

(i) An individual whose activities as a representative would cause a conflict of interest or position;

(ii) An employee of the agency whose release from his or her official position would give rise to unreasonable costs; or

(iii) An employee of the agency whose priority work assignments preclude the employee's release.

(f) Agency decision. In arriving at its written decision, the agency may consider only the reasons specified in the notice of proposed action. The agency shall consider any reply of the appointee or the appointee's representative made to a designated official and any medical documentation furnished under paragraph (c) of this section. The agency shall deliver the notice of decision to the appointee at or before the time the action will be effective. The notice of decision shall inform the appointee of his or her appeal rights.

(g) Hearing. Under 5 U.S.C. 7543(c), the agency may, in its regulations, provide a hearing in place of or in addition to the opportunity for written and oral reply.

§ 752.605 Appeal rights.

(a) Under 5 U.S.C. 7543(d), a career appointee against whom an action is taken under this subpart is entitled to appeal to the Merit Systems Protection Board.

(b) A limited term or limited emergency appointee who is covered under §752.601(c)(2) also may appeal an action taken under this subpart to the Merit Systems Protection Board.

§ 752.606 Agency records.

The agency shall maintain copies of the adverse action record items specified in 5 U.S.C. 7543(e) and furnish them upon request as required by that subsection.

Subpart A—General

§ 772.101 Basic authority.

This part establishes a mechanism for agencies to provide interim relief to employees and applicants for employment who prevail in an initial decision issued by the Merit Systems Protection Board (MSPB) as required by the Whistleblower Protection Act of 1989, Pub. L. 101–12 (codified at 5 U.S.C. 7701(b)(2)(A)). The interim relief provisions of the law are applicable whether or not alleged reprisal for whistleblowing is at issue in an appeal to MSPB.

§ 772.102 Interim personnel actions.

When an employee or applicant for employment appeals an action to MSPB and the appeal results in an initial decision by an MSPB administrative judge granting interim relief under 5 U.S.C. 7701(b)(2)(A) and a petition for review of the initial decision is filed (or will be filed) with the full Board under 5 U.S.C. 7701(e)(1)(A), the agency shall provide the relief ordered in the initial decision by taking an interim personnel action subject to the following terms:

(a) Interim personnel actions shall be made effective upon the date of issuance of the initial decision and must be initiated on or before the date of a petition for review by the agency or within a reasonable period after the date it becomes aware of a petition for review by the appellant;

(b) The relief provided by interim personnel actions shall end:

(1) When the full Board issues a final decision on a petition for review filed by an applicant for employment, employee, and/or agency under 5 U.S.C. 7701(e)(1)(A),

(2) When the initial decision becomes final pursuant to an action of the full Board or pursuant to a decision by an applicant for employment, employee, and/or agency to withdraw (or change intentions to file) any petition for review filed under 5 U.S.C. 7701(e)(1)(A), or

(3) When the applicant for employment or employee requests or reaches agreement with the agency that the interim relief ordered in the initial decision be cancelled;

(c) Interim relief shall entitle the applicant for employment or employee to the same compensation and benefits he or she would receive if the relief effected had not been on an interim basis except as provided in paragraph (f) of this section;

(d) An interim personnel action shall not be taken if the MSPB administrative judge, pursuant to 5 U.S.C. 7701(b)(2)(A)(i), determines that granting interim relief is not appropriate;

(e) An interim personnel action under this part shall not entitle the applicant for employment or employee to an award of back pay or attorney fees.

§ 792.101 Statutory requirements.  
Sections 290dd-1 and 290ee-1 of 42 United States Code, provide that the Office of Personnel Management shall be responsible for developing and maintaining, in cooperation with the Secretary of the Department of Health and Human Services, and with other Federal departments and agencies, appropriate prevention, treatment, and rehabilitation programs and services for Federal civilian employees with alcohol and/or drug problems. (3) For more than five years’ civilian service.

Interest is charged to the date of deposit.

(e) No interest is charged on a deposit for military service if that deposit is made before October 1, 1984, or within 2 years of the date that an individual first becomes an employee or Member under the civil service retirement system, whichever is later. (2) The total initial interest due is the sum of all of the initial interest on each monthly difference computed in accordance with paragraph (h)(1) of this section.

(3) Additional interest on any uncollected balance will be compounded annually and accrued monthly. The additional interest due each month equals the remaining balance due times the difference between (i) 1.06 raised to the 1/12th power; and (ii) 1.

§831.110 Appeals.

Appeals to MSPB. Except as noted in this paragraph, an individual or agency whose rights or interests under the Civil Service Retirement System (Subchapter III of chapter 83, title 5, United States Code) are affected by a final decision of the representative of the Associate Director for Compensation, Office of Personnel Management, may request the Merit Systems Protection Board to review such decision in accord with procedures prescribed by the Board. Decisions of OPM and the Associate Director for Compensation made in accord with the procedures referenced in §831.109(b)(1) are made under subchapter II of chapter 83, title 5, United States Code. Such decisions are not appealable to the Merit Systems Protection Board under 5 U.S.C. 8349(a).

§831.111 Employee deductions and agency contributions.

(a) Agency share. When an agency fails to withhold some or all of an employee deduction under 5 U.S.C. 8334(a) for any pay period, the agency is still responsible for submitting the correct agency contribution to OPM. The agency may submit as the agency share, a payment equal to the amount that would have been submitted if the error had not been made (or a payment equal to the difference between the amount already submitted as the agency share and the amount that should have been submitted). The payment should be submitted to OPM in the manner currently prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM in the Federal Personnel Manual.

(b) Employee share. (1) If, through administrative error, an agency did not withhold any of the employee deductions required by 5 U.S.C. 8334(a) for any pay period, the employee may, at his or her option—

(i) Request the agency that employed him or her when the error was made to correct his or her records and arrange to pay any resulting overpayment of pay to the agency (unless it is waived by the agency); or

(ii) Pay the deposit plus any applicable interest (under certain conditions, the deposit may be made at any time until the final adjudication of his or her application for retirement) directly to OPM by submitting SF 2803; or

(iii) Have the period of service treated like the nondeduction service described in §831.303.

(2) When the agency withholds part of the required employee deductions for any pay period, the balance must be submitted to OPM in the manner currently prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM in the Federal Personnel Manual. The agency must correct its error. The employee does not have the option to pay a deposit directly to OPM when partial deductions have been withheld.
§ 831.112 Definitions of employee.

(a) Determinations involving an employee's ability to make a deposit or redeposit. A person may make a deposit or redeposit under section 8334 of title 5, United States Code, if he or she is an "employee." For purposes of this paragraph, an employee is—

(1) A person currently employed in a position subject to the civil service retirement law; or

(2) A former employee (whose annuity has not been finally adjudicated) who retains civil service retirement annuity rights based on a separation from a position in which retirement deductions were properly withheld and remain (or have been redeposited in whole or in part) in the Civil Service Retirement and Disability Fund.

(b) Determinations involving the requirement of spousal consent for elections of alternative annuity and survivor annuity benefits. Spousal consent is required as specified in §§831.614 and 831.2203(c), if the employee/annuitant is married on the commencing date of annuity, regardless of whether that date is before or after the date of separation from service.

§ 831.113 Payments to children.

For purposes of section 8345(e) of title 5, United States Code, persons who have attained age 18 are considered adults regardless of the age of majority in the jurisdiction in which they reside.

§ 831.114 Early retirement—major reorganization, major reduction in force, or major transfer of function.

(a) Upon an agency's request, as described in paragraph (c) of this section, OPM may make a determination as provided in 5 U.S.C. 8336(d)(2), that:

(1) The agency is undergoing a major reduction in force, major reorganization, or major transfer of function; and

(2) A significant percentage of the employees serving in the employing agency will be involuntarily separated, or subject to a reduction in basic pay.

(b)(1) Based on a determination by OPM under paragraph (a) of this section, OPM will provide to the agency the authority to offer voluntary early retirements to its employees.

(2) Under an OPM approved authority, the agency may offer voluntary early retirements to its employees based on:

(i) Organizational unit(s);

(ii) Occupational series or level(s);

(iii) Geographic area(s);
Office of Personnel Management § 831.114

(iv) Specific window period(s);
(v) Any similar nonpersonal and objective factors; or
(vi) Any combination of factors under this paragraph (b)(2) that the agency determines to be appropriate and necessary to accomplish the reductions which formed the basis for OPM’s determination under paragraph (a) of this section.

(3) An employee who separates from the service voluntarily under authority of 5 U.S.C. 8336(d)(2) after completing 25 years of service, or becoming age 50 and completing 20 years of service, is entitled to an annuity if, on the date of separation, the employee:

(i) Is serving in a position covered by an offer by the agency as described in paragraph (b)(2) of this section;
(ii) Has been employed in the requesting agency at least 31 days prior to the date the agency requested an OPM determination under paragraph (a) of this section;
(iii) Is not serving under a time-limited appointment; and
(iv) Is not in receipt of a decision of involuntary separation for misconduct or unacceptable performance.

(4) OPM may approve an agency’s request for voluntary early retirement authority to cover the entire period of the major reduction in force, major reorganization, or major transfer of function; or through September 30, 1999, whichever is less.

(c)(1) An agency’s request for voluntary early retirement must be signed by the head of the agency or by a specific designee with delegated authority.

(2) The agency’s request for voluntary early retirement must contain the following:

(i) Identification of the agency or organizational unit(s) for which a determination is requested;
(ii) Reasons why the voluntary early retirement authority is needed. This explanation must include a detailed summary of the agency’s personnel and budgetary situation that will result in an excess of personnel because of a major reduction in force, major reorganization, or major transfer of function as well as the date on which the agency expects to involuntarily separate employees as a result of the major reduction in force, major reorganization, or major transfer of function;
(iii) The time period during which voluntary early retirement will be offered. At the agency’s discretion, the agency may request voluntary early retirement authority to cover the entire period of the major reduction in force, major reorganization, or major transfer of function; or through September 30, 1999, whichever is less;
(iv) The total number of non-temporary employees in the agency;
(v) The total number of non-temporary employees in the agency who will be involuntarily separated or downgraded because of reduction in force or relocation during a major reduction in force, major reorganization, or major transfer of function;
(vi) The total number of employees in the agency who are eligible for voluntary early retirement; and
(vii) An estimate of the total number of employees in the agency who are expected to retire early during the period covered by the request for voluntary early retirement authority.

(d)(1) The agency may not expand the availability of voluntary early retirements or offer early retirements to employees who are not within the authority approved by OPM.

(2) Except as provided in paragraph (d)(3) of this section, the agency may limit voluntary early retirement offers during window periods under paragraph (b)(2)(iv) of this section only by:

(i) An established opening and closing date which is announced to employees at the time of the initial offer; or
(ii) Receipt of a specified number of applications for retirement, provided that, at the time of the initial offer, the agency notified employees that the agency retained the right to limit voluntary early retirements on that basis.

(3) The agency may subsequently establish a revised closing date, or a revised number of applications, only when changes in the conditions that served as the basis for the approval of the voluntary early retirement authority have occurred. The revised closing date, or number of applications, may be applicable to the entire authority, or only to employees in specific organizational unit(s), occupational series or level(s), or geographic area(s).

(2) Exception. A former Federal employee being appointed by the Authority on or after October 26, 1996, no more than 3 days (not counting District of Columbia holidays) after separation from Federal employment cannot elect to be deemed a Federal employee for CSRS purposes unless the election was made before separation from Federal employment.

(2) The Authority or its Administrative Support Agency will waive the time limit under paragraph (d)(1) of this section upon a showing that—

(i) The employee was not advised of the time limit and was not otherwise aware of it; or

(ii) Circumstances beyond the control of the employee prevented him or her from making a timely election and the employee thereafter acted with due diligence in making the election.

(e) Effect of an election. (1) An election under paragraph (a) of this section is effective on the commencing date of the employee’s service with the Authority.

(h) Employer contributions. The District of Columbia Financial Responsibility and Assistance Authority must, in accordance with procedures established by OPM, pay into the Civil Service Retirement and Disability Fund amounts equal to any agency contributions required under CSRS.

Subpart C—Credit for Service

§ 831.301 Military service.

(a) Service of an individual who first became an employee or Member under the civil service retirement system before October 1, 1982. A period of honorable active service after December 31, 1956, in the Army, Navy, Marine Corps, Air Force, or Coast Guard of the United States, or, after June 30, 1960, in the Regular Corps or Reserve Corps of the Public Health Service, or, after June 30, 1961, as a commissioned officer of the National Oceanic and Atmospheric Administration (formerly Coast and Geodetic Survey and Environmental Science Services Administration), performed before the date of separation on which civil service annuity entitlement is based shall be included in the computation of the annuity provided—

(1) The employee or Member has completed 5 years’ (18 months’ for survivors of employees or Members who die in service) civilian service;

(2) The employee or Member is not receiving military retired pay awarded for reasons other than (i) service-connected disability incurred in combat with an enemy of the United States, (ii) service-connected disability caused by an instrumentality of war and incurred in line of duty during a period of war (as that term is used in chapter 11 of title 38, United States Code), or (iii) under chapter 67 of title 10, United States Code; and

(3)(i) The employee, Member, or survivor is not entitled, or upon application would not be entitled, to monthly old-age or survivors benefits under §202 of the Social Security Act (41 U.S.C.
402) based on the individual's wages or self-employment income, or

(ii) For an employee, Member, or survivor who is entitled, or upon application would be entitled, to monthly old-age or survivors benefits under § 202 of the Social Security Act (42 U.S.C. 402) based on the individual's wages or self-employment income, the employee, Member, or survivor has completed a deposit in accordance with subpart U of this part, for each full period of such military service performed after December 1956.

If a deposit has not been completed, periods of military service performed after December 31, 1956 (other than periods of military service covered by military leave with pay from a civilian position), are excluded from credit from and after the first day of the month in which the individual (or survivor) becomes entitled, or upon proper application would be entitled, to Social Security benefits under § 202. Military service performed prior to January 1957 is included in the computation of the annuity regardless of whether a deposit is made for service after December 31, 1956.

(b) Service of an individual who first becomes an employee or Member under the civil service retirement system on or after October 1, 1982. A period of honorable active service after December 31, 1956, in the Army, Navy, Marine Corps, Air Force, or Coast Guard of the United States, or, after June 30, 1960, in the Regular Corps or Reserve Corps of the Public Health Service, or, after June 30, 1961, as a commissioned officer of the National Oceanic and Atmospheric Administration (formerly Coast and Geodetic Survey and Environmental Science Services Administration), performed before the date of separation on which civil service annuity entitlement is based shall be included in the computation of the annuity provided—

(1) The employee or Member has completed 5 years' (18 months for survivors of employees or Members who die in service) civilian service;

(2) The employee or Member is not receiving military retired pay awarded for reasons other than (i) service-connected disability incurred in combat with an enemy of the United States, (ii) service-connected disability caused by an instrumentality of war and incurred in line of duty during a period of war (as that term is used in chapter 11 of title 38, United States Code), or (iii) under chapter 67 of title 10, United States Code; and

(3) The employee, Member, or survivor had completed a deposit in an amount equal to 7 percent of his or her basic pay under section 204 of title 37, United States Code, (plus interest, if any) for each full period of such military service performed after December 1956. Military service performed prior to January 1957 is included in the computation of the annuity regardless of whether a deposit is made for service after December 31, 1956.

(c) Military retirees and recipients of Veterans Administration benefits. An employee or Member applying for annuity, who otherwise meets all conditions for receiving credit for military service, but who is in receipt of retired or retainer pay which bars credit for military service, may elect to waive the retired or retainer pay and have the military service added to civilian service for annuity computation purposes. An applicant for disability retirement, who is receiving a Veterans Administration pension or compensation in lieu of military retired or retainer pay, may elect to waive the retired or retainer pay and renounce the Veterans Administration pension or compensation and have the military service added to civilian service for annuity computation purposes.

(d) Widow(er)s and former spouses entitled to annuity based on the service of employees or Members who die in service—(1) Military service is included unless the widow(er) or former spouse elects otherwise. Effective April 25, 1987, unless a widow(er) or former spouse of an employee or Member who dies—on or after that date—before being separated from service files a written election to the contrary, his or her annuity will include credit for periods of military service (subject to the provisions of paragraphs (a) and (b) of this section) that would ordinarily be excluded from the computation of the employee's or Member's annuity under 5 U.S.C. 8332(c)(2).

(2) Reduction by the amount of survivor benefits payable based on the military
§ 831.302 Unused sick leave.

(a) For annuity computation purposes, the service of an employee who retires on immediate annuity or dies leaving a survivor entitled to annuity is increased by the days of unused sick leave to his credit under a formal leave system.

(b) An immediate annuity is one which begins to accrue not later than 1 month after the employee is separated.

(c) A formal leave system is one which is provided by law or regulation or operates under written rules specifying a group or class of employees to which it applies and the rate at which sick leave is earned.

(d) In general, 8 hours of unused sick leave increases total service by 1 day. In cases where more or less than 8 hours of sick leave would be charged for a day’s absence, total service is increased by the number of days in the period between the date of separation and the date that the unused sick leave would have expired had the employee used it (except that holidays falling within the period are treated as work days, and no additional leave credit is earned for that period).

(e) If an employee’s tour of duty changes from part time to full time or full time to part time within 180 days before retirement, the credit for unused sick leave is computed as though no change had occurred.

§ 831.303 Civilian service.

(a) Periods of civilian service performed before October 1, 1982, for which retirement deductions have not been taken. Periods of creditable civilian service performed by an employee or member after July 31, 1920, but before October 1, 1982, for which retirement deductions have not been taken shall be included in determining length of service to compute annuity under subchapter III of chapter 83 of title 5, United States Code.
Office of Personnel Management § 831.304

Code; however, if the employee, Mem-
ber, or survivor does not elect either to
complete the deposit described by sec-
tion 8334(c) of title 5, United States
Code, or to eliminate the service from
annuity computation, his or her annu-
ity is reduced by 10 percent of the am-
ount which should have been depos-
ited (plus interest) for the period of
noncontributory service.

(b) Periods of service for which re-
funded deductions have not been redepos-
ited, and periods of civilian service per-
formed on or after October 1, 1982, for
which retirement deductions have not
been taken. Except as provided in para-
graph (c) of this section, a period of
service for which refunded deductions
have not been redeposited, and a period
of creditable civilian service performed
by an employee or Member on or after
October 1, 1982, for which retirement
deductions have not been taken, shall
be included in determining length of
service to compute the annuity under
subchapter III of chapter 83 of title 5,
United States Code, only if—

(1) The employee or Member subse-
quently becomes eligible for an annu-
ity payable under subchapter III of
chapter 83 of title 5, United States
Code; and

(2) The employee, Member, or sur-
vivor makes a deposit (or redeposit) for
the full period of service. If more than
one distinct period of service is covered
by a single refund, the periods of serv-
vice covered by that refund are consid-
ered to be single full periods of service.

(3) For the purpose of paragraph
(b)(2) of this section, the terms
“present value factor” and “time of re-
tirement” have the same meaning as in
§831.2202.

(3) CSRS means the Civil Service Retirement System.

(b) Conditions for creditability. Pursuant to Pub. L., 99-638 and provided the same period of service has not been used to obtain annuity payable from a nonappropriated fund retirement plan, an individual who performed service in a nonappropriated fund instrumentality is entitled to credit under CSRS if—

(1) The service was performed after June 18, 1952, but before January 1, 1966; and

(2) The individual was employed in a position subject to CSRS on November 9, 1966.

(c) Deposit for service is not necessary. It is not necessary for an individual to make a deposit for service performed with a nonappropriated fund instrumentality to receive credit for such service. However, if the individual does not elect to make a deposit, his or her annuity is reduced by 10 percent of the amount that should have been deposited for the period of service (including any interest) as specified by sections 8334(e) (2) and (3) of title 5 United States Code. § 831.306 Service as a National Guard technician before January 1, 1969.

(a) Definitions. In this section—

(1) Service as a National Guard technician is service performed under section 709 of title 32, United States Code (or under a prior corresponding provision of law) before January 1, 1969.

(2) CSRS means the Civil Service Retirement System.

(b) Conditions for crediting service to CSRS employees after November 5, 1990. An employee subject to CSRS retirement deductions whose only service as a National Guard technician was performed prior to January 1, 1969, is entitled to credit under CSRS if—

(1) The individual submits to OPM an application for service credit in a form prescribed by OPM;

(2) The individual is employed by the Federal Government in a position subject to CSRS retirement deductions after November 5, 1990; and

(3) The individual completes the deposit for the service through normal service credit channels before final adjudication of his or her application for retirement or has the deposit deemed made when he or she elects an alternative form of annuity.

(c) Processing the CSRS employee's application for service credit. (1) If an employee described in paragraph (b) of this section makes an application for service credit, OPM will determine whether all conditions for creditability have been met, compute the deposit and send the employee notice of the payment required and the procedures for submitting the payments to OPM.

(2) The deposit will be computed based on—

(i) The appropriate percentage of basic pay that would have been deducted from the individual's pay at the time the service was performed; and

(ii) Interest at the rate of 3 percent per year computed as specified by section 8334(e)(2) of title 5, United States Code, until the date the deposit is paid.

(d) Conditions for crediting service to CSRS annuitants and former Federal employees who separated after December 31, 1968, and before November 6, 1990—

(1) Former Federal employees. Former Federal employees who were subject to CSRS retirement deductions and separated after December 31, 1968, but before November 6, 1990, with title to a deferred annuity, may make a deposit for pre-1969 National Guard technician service provided they—

(i) Submit a written service credit application for the pre-1969 National Guard technician service to OPM before November 6, 1990; and

(ii) Complete a deposit for the additional service in a lump sum or in installment payments of $50 or more. Payments must be completed before their retirement claim is finally adjudicated, unless the deposit is deemed made when they elect an alternative form of annuity.

(2) Annuitants and survivors. Individuals who were entitled to receive an immediate annuity (or survivor annuity benefits) as of November 6, 1990, may make a deposit for pre-1969 National Guard technician service provided they—

(i) Submit a written application for service credit to OPM before November 6, 1991; and

(ii) Complete a deposit for the additional service in a lump sum or in equal monthly annuity installments to be completed within 24 months of the date of the complete written application.

(3) To determine the commencing date of the deposit installment payment period for annuitants and survivors, the "date of application" will be considered to be the first day of the second month beginning after OPM receives a complete written application from the individual.

(4) To be a complete application, the individual's written request for pre-1969 National Guard technician service credit must also include a certification of the dates of employment and the rates of pay received by the individual during the employment period. The individual may obtain certification of his or her service from the Adjutant General of the State in which the service was performed.

§ 831.307 Contract service.

Contract service with the United States will only be included in the computation of, or used to establish title to, an annuity under subchapter III of chapter 83 of title 5, United States Code, if—

(a) The employing agency exercised an explicit statutory authority to appoint an individual into the civil service by contract; or

(b) The head of the agency which was party to the contract, based on a timely-filed application, in accordance with section 110 of Public Law 100-238, and the regulations promulgated by OPM pursuant to that statute, certifies that the agency intended that an individual be considered as having been appointed to a position in which (s)he would have been subject to subchapter III of chapter 83 of title 5, United States Code, and deposit has been paid in accordance with OPM’s regulations.

§ 831.401 Purpose and scope.

This subpart describes the procedures that employees and Members must follow in making voluntary contributions under the Civil Service Retirement System (CSRS). This subpart also describes the procedures that the Office
Office of Personnel Management § 831.405

of Personnel Management (OPM) will follow in accepting voluntary contributions, crediting interest on voluntary contribution accounts, and paying benefits based on voluntary contributions.

§ 831.402 Definitions.

In this subpart:

Applicant for retirement means a person who is currently eligible to retire under CSRS on an immediate or deferred annuity, and who has filed an application to retire that has not been finally adjudicated.

Balance means the amount of voluntary contributions deposited and not previously withdrawn, plus earned interest on those voluntary contributions, less any amount paid as additional annuities (including any amount paid as survivor annuity) based on the voluntary contributions.

CSRS means the Civil Service Retirement System as described in subchapter III of chapter 83 of title 5, United States Code.

Eligible individual means a person eligible to make voluntary contributions under § 831.403.

Voluntary contributions means contributions to the Civil Service Retirement and Disability Fund under section 8343 of title 5, United States Code.

§ 831.403 Eligibility to make voluntary contributions.

(a) Voluntary contributions may be made only by—

(1) Employees or Members currently subject to CSRS, and

(2) Applicants for retirement.

(b) Voluntary contributions may not be accepted from an employee, Member, or applicant for retirement who—

(1) Has not deposited amounts covering all creditable civilian service performed by him or her; or

(2) Has previously received a refund of voluntary contributions and who has not been reemployed subject to CSRS after a separation of more than 3 calendar days.

(c) An employee or Member covered by the Federal Employees Retirement System (FERS), including an employee or Member who elected to transfer or was automatically placed in FERS, may not open a voluntary contributions account or make additional contributions to an existing voluntary contribution account.

§ 831.404 Procedure for making voluntary contributions.

(a) To make voluntary contributions to the Civil Service Retirement and Disability Fund, an eligible individual must first apply on a form prescribed by OPM. OPM will establish a voluntary contribution account for each eligible individual who elects to make voluntary contributions and notify the individual that a voluntary contribution account has been established. An eligible individual may not make voluntary contributions until notified by OPM that an account has been so established.

(b) After receiving notice from OPM under paragraph (a) of this section, an eligible individual may forward voluntary contributions to the Office of Personnel Management, at the address designated for that purpose. Voluntary contributions must be in the amount of $25 or multiples thereof, by money order, draft, or check payable to OPM.

(c) The total voluntary contributions made by an employee or Member may not exceed, as of the date any contribution is received, 10 percent of the aggregate basic pay received by the eligible individual.

(1) Employees are responsible for not exceeding the 10 percent limit.

(2) When the employee retires or withdraws the voluntary contributions, OPM will check to determine whether the 10 percent limit has been exceeded.

(3) If the total of voluntary contributions received from the employee exceeds the 10 percent limit, OPM will refund without interest any amount that exceeds the 10 percent limit.

§ 831.405 Interest on voluntary contributions.

(a) Interest on voluntary contributions is computed under § 831.105.

(b) Voluntary contributions begin to earn interest on the date deposited by OPM.

(c) Except as provided in paragraph (d) of this section, voluntary contributions stop earning interest on the earliest of—
§ 831.406 Withdrawal of voluntary contributions.

(a) Before receiving additional annuity payments based on the voluntary contributions, a person who has made voluntary contributions may withdraw the balance while still an employee or Member, or after separation.

(b) A person entitled to payment of lump-sum benefits under the CSRS order for precedence set forth in section 8342(c) of title 5, United States Code, is entitled to payment of the balance, if any, on the death of—

(1) An employee or Member;
(2) A separated employee or Member who has not retired;
(3) A retiree, unless a survivor benefit is payable based on an election under §831.407; or
(4) A person receiving a survivor annuity based on voluntary contributions.

§ 831.407 Purchase of additional annuity.

(a) At the time of retirement CSRS (or under FERS, if transferred from CSRS), a person may use the balance of a voluntary contribution account to purchase one of the following types of additional annuity:

(1) Annuity without survivor benefit; or
(2) Reduced annuity payable during the life of the employee or Member with one-half of the reduced annuity to be payable after his or her death to a person, named at time of retirement, during the life of the named person.

(b) Any natural person may be designated as survivor under paragraph (a)(2) of this section.

(c) If the applicant for retirement elects an annuity without survivor benefit, each $100 credited to his or her voluntary contribution account, including interest, purchases an additional annuity at the rate of $7 per year, plus 20 cents for each full year, if any, he or she is over age 55 at date of retirement.

(d) If the applicant for retirement elects an annuity with survivor benefit, each $100 credited to his or her voluntary contribution account, including interest, purchases an additional annuity at the rate of $7 per year, plus 20 cents for each full year, if any, he or she is over age 55 at date of retirement, multiplied by the following percentage:

(1) Ninety percent of such amount if the named person is the same age or older than the applicant for retirement, or is less than 5 years younger than the applicant for retirement;
(2) Eighty-five percent if the named person is 5 but less than 10 years younger;
(3) Eighty percent if the named person is 10 but less than 15 years younger;
(4) Seventy-five percent if the named person is 15 but less than 20 years younger;
(5) Seventy percent if the named person is 20 but less than 25 years younger;
(6) Sixty-five percent if the named person is 25 but less than 30 years younger; and
(7) Sixty percent if the named person is 30 or more years younger.

§ 831.502 Automatic separation; exemption.

(a) When an employee meets the requirements for age retirement on any day within a month, he is subject to automatic separation at the end of that month. The department or agency shall notify the employee of the automatic separation at least 60 days in advance of the separation. If the department or agency fails through error to give timely notice, the employee may not be separated without his consent until the end of the month in which the notice expires.

(b)(1) The head of the agency, when in his or her judgment the public interest so requires, may exempt a law enforcement officer or firefighter from automatic separation until that employee becomes 60 years of age.

(2) The Secretary of Transportation and the Secretary of Defense, under such regulations as each may prescribe, may exempt an air traffic controller having exceptional skills and experience as a controller from automatic separation until that controller becomes 61 years of age.

(c) When a department or agency lacks authority and wishes to secure an exemption from automatic separation for one of its employees other than a Presidential appointee, beyond the age(s) provided by statute, i.e., age 60 for a law enforcement officer or firefighter, age 61 for an air traffic controller, and age 62 for an employee of the Alaska Railroad in Alaska or an employee who is a citizen of the United States employed on the Isthmus of Panama by the Panama Canal Commission, the department or agency head shall submit a recommendation to that effect to OPM.

(1) The recommendation shall contain:

(i) A statement that the employee is willing to remain in service;

(ii) A statement of facts tending to establish that his/her retention would be in the public interest;

(iii) The period for which the exemption is desired, which period may not exceed 1 year; and,

(iv) The reasons why the simpler method of retiring the employee and immediately reemploying him or her is not being used.

(2) The recommendation shall be accompanied by a medical certificate showing the physical fitness of the employee to perform his or her work.

(d) OPM may approve an exemption only before the automatic separation date applicable to the employee. For this reason, the department or agency shall forward the recommendation to OPM at least 30 days before this separation date.

§ 831.503 Retirement based on involuntary separation.

(a) General. An employee who would otherwise be eligible for retirement based on involuntary separation from the service is not entitled to an annuity under section 8336(d)(1) of title 5, United States Code, if the employee has declined a reasonable offer of another position.

(b) Criteria for reasonable offer. For the purposes of determining entitlement to annuity based on such involuntary separation, the offer of a position must meet all of the following conditions to be considered a reasonable offer:

(1) The offer must be made in writing;

(2) The employee must meet established qualification requirements; and

(3) The offered position must be—

(i) In the employee's agency, including an agency to which the employee with his or her function is transferred in a transfer of functions between agencies;

(ii) Within the employee's commuting area as defined in § 831.1202 of this part, unless geographic mobility is a condition of the employee's employment;

(iii) Of the same tenure and work schedule; and
§ 831.601 Purpose and scope.

(a) This subpart explains the annuity benefits payable in the event of the death of employees, retirees, and Members; the actions that employees, retirees, Members, and their current spouses, former spouses, and eligible children must take to qualify for survivor annuities; and the types of evidence required to demonstrate entitlement to provide survivor annuities or qualify for survivor annuities.

(b) Unless otherwise specified, this subpart, except §§ 831.682 and 831.683 and the provisions relating to children’s survivor annuities, only applies to employees and Members who retire under a provision of law that permits election of a reduced annuity to provide a survivor annuity.

§ 831.602 Relation to other regulations.

(a) Part 838 of this chapter contains information about former spouses’ entitlement to survivor annuities based on provisions in court orders or court-approved property settlement agreements.

(b) Subpart T of this part contains information about entitlement to lump-sum death benefits.

(c) Parts 870, 871, 872 and 873 of this chapter contain information about coverage under the Federal Employees’ Group Life Insurance Program.

(d) Part 890 of this chapter contains information about coverage under the Federal Employees Health Benefits Program.

(e) Section 831.109 contains information about the administrative review rights available to a person who has been denied a survivor annuity or an opportunity to make an election under this subpart.

(f) Subparts C and U of this part contain information about service credit deposits by survivors of employees or Members.

§ 831.603 Definitions.

As used in this subpart—

CSRS means subchapter III of chapter 83 of title 5, United States Code.

Current spouse means a living person who is married to the employee, Member, or retiree at the time of the employee’s, Member’s, or retiree’s death.

Current spouse annuity means a recurring benefit under CSRS that is payable (after the employee’s, Member’s, or retiree’s death) to a current spouse who meets the requirements of § 831.642.

Deposit means a deposit required by the Civil Service Retirement Spouse Equity Act of 1984, Pub. L. 98–615, 98 Stat. 3195. Deposit, as used in this subpart does not include a service credit deposit or redeposit under sections 8334(c) or (d) of title 5, United States Code.

First regular monthly payment means the first annuity check payable on a recurring basis (other than an estimated payment or an adjustment check) after OPM has initially adjudicated the regular rate of annuity payable under CSRS and has paid the annuity accrued since the time of retirement. The “first regular monthly payment” is generally preceded by estimated payments before the claim can be adjudicated and by an adjustment
check (including the difference between the estimated rate and the initially adjudicated rate).

Former spouse means a living person who was married for at least 9 months to an employee, Member, or retiree who performed at least 18 months of creditable service in a position covered by CSRS and whose marriage to the employee was terminated prior to the death of the employee, Member, or retiree. Except in §§831.682 and 831.683, former spouse includes only persons who were married to an employee or Member on or after May 7, 1985, or who were the spouse of a retiree who retired on or after May 7, 1985, regardless of the date of termination of the marriage.

Former spouse annuity means a recurring benefit under CSRS that is payable to a former spouse after the employee’s, Member’s, or retiree’s death.

Fully reduced annuity means the recurring payments under CSRS received by a retiree who has elected the maximum allowable reduction in annuity to provide a current spouse annuity and/or a former spouse annuity or annuities.

Insurable interest annuity means the recurring payments under CSRS to a retiree who has elected a reduction in annuity to provide a survivor annuity to a person with an insurable interest in the retiree.

Marriage means a marriage recognized in law or equity under the whole law of the jurisdiction with the most significant interest in the marital status of the employee, Member, or retiree unless the law of that jurisdiction is contrary to the public policy of the United States. If a jurisdiction would recognize more than one marriage in law or equity, the Office of Personnel Management (OPM) will recognize only one marriage, but will defer to the local courts to determine which marriage should be recognized.

Member means a Member of Congress.

Net annuity means the net annuity as defined in §838.103 of this chapter.

Partially reduced annuity means the recurring payments under CSRS to a retiree who has elected less than the maximum allowable reduction in annuity to provide a current spouse annuity or a former spouse annuity.

Present value factor means the amount of money (earning interest at an assumed rate) required at the time of retirement to fund an annuity that starts out at the rate of $1 a month and is payable in monthly installments for the annuitant’s lifetime based on mortality rates for non-disability annuitants under the Civil Service Retirement System; and increases each year at an assumed rate of inflation. Interest, mortality, and inflation rates used in computing the present value are those used by the Board of Actuaries of the Civil Service Retirement System for valuation of the System, based on dynamic assumptions. The present value factors are unisex factors obtained by averaging six distinct present value factors, weighted by the total dollar value of annuities typically paid to new retirees at each age.

Qualifying court order means a court order that awards a former spouse annuity and that satisfies the requirements of section 8341(h) of title 5, United States Code, for awarding a former spouse annuity.

Retiree means a former employee or Member who is receiving recurring payments under CSRS based on service by the employee or Member. "Retiree," as used in this subpart, does not include a current spouse, former spouse, child, or person with an insurable interest receiving a survivor annuity.

Self-only annuity means the recurring unreduced payments under CSRS to a retiree with no survivor annuity to anyone.

Time of retirement means the effective commencing date for a retired employee’s or Member’s annuity.

§831.611 Election at time of retirement of fully reduced annuity to provide a current spouse annuity.

(a) A married employee or Member retiring under CSRS will receive a fully reduced annuity to provide a current spouse annuity unless—

(1) The employee or Member, with the consent of the current spouse, elects a self-only annuity, a partially
§ 831.612 Election at time of retirement of a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity.

(a) An unmarried employee or Member retiring under CSRS may elect a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity.

(b) A married employee or Member retiring under CSRS may elect a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity instead of a fully reduced annuity to provide a current spouse annuity, if the current spouse consents to the election in accordance with §831.614 or spousal consent is waived in accordance with §831.618.

(c) An election under paragraph (a) or (b) of this section is void to the extent that it—

(1) Conflicts with a qualifying court order; or

(2) Would cause the total of current spouse annuities and former spouse annuities payable based on the employee’s or Member’s service to exceed 55 percent (or 50 percent if based on a separation before October 11, 1962) of the self-only annuity to which the employee or Member would be entitled.

(d) Any reduction in an annuity to provide a former spouse annuity will terminate on the first day of the month after the former spouse remarries before age 55 or dies, or the former spouse’s eligibility for a former spouse annuity terminates under the terms of a qualifying court order, unless—

(1) The retiree elects, within 2 years after the former spouse’s death or remarriage, to continue the reduction to provide or increase a former spouse annuity for another former spouse, or to provide or increase a current spouse annuity; or

(2) A qualifying court order requires the retiree to provide another former spouse annuity.

(e) The maximum rate of a former spouse annuity under this section or §831.632 is 55 percent of the rate of the retiring employee’s or Member’s self-only annuity if the employee or Member is retiring based on a separation from a position under CSRS on or after

§ 831.613 Election of insurable interest annuity.

(a) At the time of retirement, an employee or Member in good health, who is applying for a non-disability annuity, may elect an insurable interest annuity. Spousal consent is not required, but an election under this section does not exempt a married employee or Member from the provisions of § 831.611(a).

(b) An insurable interest annuity may be elected by an employee or Member electing a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity or a former spouse annuity or annuities.

(c)(1) In the case of a married employee or Member, an election under this section may not be made on behalf of a current spouse unless that current spouse has consented to an election not to provide a current spouse annuity in accordance with § 831.611(a)(1).

(2) A consent (to an election not to provide a current spouse annuity in accordance with § 831.611(a)(1)) required by paragraph (c)(1) of this section to be eligible to be the beneficiary of an insurable interest annuity is cancelled if—

(i) The retiree fails to qualify to receive the insurable interest annuity; or

(ii) The retiree changes his or her election to receive an insurable interest annuity under § 831.621; or

(iii) The retiree elects a fully or partially reduced annuity to provide a current spouse annuity under § 831.622(b) or § 831.685.

(3) An election of a partially reduced annuity under § 831.622(b) or § 831.685 to provide a current spouse annuity for a current spouse who is the beneficiary of an insurable interest annuity is void unless the spouse consents to the election.

(4) If a retiree who had elected an insurable interest annuity to benefit a current spouse elects a fully reduced annuity to provide a current spouse annuity (or, with the consent of the current spouse, a partially reduced annuity to provide a current spouse annuity) under § 831.622(b) or § 831.685, the election of the insurable interest annuity is cancelled.

(5)(i) A retiring employee or Member may not elect a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity and an insurable interest annuity to benefit the same former spouse.

(ii) If a retiring employee or Member who is required by court order to provide a former spouse annuity elects an insurable interest annuity to benefit the former spouse with the court-ordered entitlement—

(A) If the benefit based on the election is greater than or equal to the benefit based on the court order, the election of the insurable interest annuity will satisfy the requirements of the

Office of Personnel Management

October 11, 1962. The maximum rate of a former spouse annuity under this section or § 831.632 is 50 percent of the rate of the retiring employee’s or Member’s self-only annuity if the employee or Member is retiring based on a separation from a position covered under CSRS between September 30, 1956, and October 11, 1962.

(f)(1) The amount of the reduction to provide one or more former spouse annuities or a combination of a current spouse annuity and one or more former spouse annuities under this section equals 2½ percent of the first $3600 of the total designated survivor base plus 10 percent of the portion of the total designated survivor base which exceeds $3600, if—

(i) The employee’s or Member’s separation on which the retirement is based was on or after October 11, 1962; or

(ii) The reduction is to provide a former spouse annuity (under § 831.632) for a former spouse from whom the employee or Member was divorced after retirement.

(2) The amount of the reduction to provide one or more former spouse annuities or a combination of a current spouse annuity and one or more former spouse annuities under this section for employees or Members whose retirement is based on separations before October 11, 1962, equals 2½ percent of the first $2400 of the total designated survivor base plus 10 percent of the portion of the total designated survivor base which exceeds $2400.

§ 831.613 5 CFR Ch. 1 (1–1–99 Edition)

court order as long as the insurable interest annuity continues.

(B) If the benefit based on the election is less than the benefit based on the court order, the election of the insurable interest annuity is void.

(iii) An election under §831.622 of a fully reduced annuity or a partially reduced annuity to benefit a former spouse by a retiree who elected and continues to receive an insurable interest annuity to benefit that former spouse is void.

(d) To elect an insurable interest annuity, an employee or Member must indicate the intention to make the election on the application for retirement; submit evidence to demonstrate that he or she is in good health; and arrange and pay for the medical examination that shows that he or she is in good health. A report of the medical examination, signed and dated by a licensed physician, must be furnished to OPM on such forms and at such time and place as OPM may prescribe through the Federal Personnel Manual system or other issuances.

(e) An insurable interest annuity may be elected to provide a survivor benefit only for a person who has an insurable interest in the retiring employee or Member.

(1) An insurable interest is presumed to exist with—

(i) The current spouse;

(ii) A blood or adopted relative closer than first cousins;

(iii) A former spouse;

(iv) A person to whom the employee or Member is engaged to be married;

(v) A person with whom the employee or Member is living in a relationship which would constitute a common-law marriage in jurisdictions recognizing common-law marriages.

(2) When an insurable interest in not presumed, the employee or Member must submit affidavits from one or more persons with personal knowledge of the named beneficiary’s insurable interest in the employee or Member. The affidavits must set forth the relationship, if any, between the named beneficiary and the employee or Member, the extent to which the named beneficiary is dependent on the employee or Member, and the reasons why the named beneficiary might reasonably expect to derive financial benefit from the continued life of the employee or Member.

(3) The employee or Member may be required to submit documentary evidence to establish the named beneficiary’s date of birth.

(f) After receipt of all required evidence to support an election of an insurable interest annuity, OPM will notify the employee or Member of initial monthly annuity rates with and without the election of an insurable interest annuity and the initial rate payable to the named beneficiary. No election of an insurable interest annuity is effective unless the employee or Member confirms the election in writing, dies, or becomes incompetent no later than 60 days after the date of the notice described in this paragraph.

(g) (1) When an employee or Member elects both an insurable interest annuity and a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity and/or a former spouse annuity or annuities, each reduction is computed based on the self-only annuity computation. The combined reduction may exceed the maximum 40 percent reduction in the retired employee’s or Member’s annuity permitted under section 8339(k)(1) of title 5, United States Code, applicable to insurable interest annuities.

(2) The rate of annuity paid to the beneficiary of an insurable interest election, when the employee or Member also elected a fully reduced annuity or a partially reduced annuity, equals 55 (or 50 percent if based on a separation before October 11, 1962) percent of the rate of annuity after the insurable interest reduction. The additional reduction to provide a current spouse annuity or a former spouse annuity is not considered in determining the rate of annuity paid to the beneficiary of the insurable interest election.

(h)(1) Except as provided in §831.622(d), if a retiree who is receiving a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity has also elected an insurable interest annuity to benefit a current spouse and if the eligible former spouse remarries before age 55, dies, or loses eligibility under the terms of the court order, and no other

former spouse is entitled to a survivor annuity based on an election made in accordance with §831.632 or a qualifying court order, the retiree may elect, within 2 years after the former spouse's remarriage, death, or loss of eligibility under the terms of the court order, to convert the insurable interest annuity to a fully reduced annuity to provide a current spouse annuity, effective on the first day of the month following the event causing the former spouse to lose eligibility.

(2) An election under paragraph (h)(1) of this section cancels any consent not to receive a current spouse annuity required by paragraph (c) of this section for the current spouse to be eligible for an annuity under this section.

(3) When a former spouse receiving an annuity under section 8341(h) of title 5, United States Code, loses eligibility to that annuity, a beneficiary of an insurable interest annuity who was the current spouse at both the time of the retiree's retirement and death may, within 2 years after the former spouse's death, remarriage, or loss of eligibility under the terms of the court order, elect to receive a current spouse annuity instead of the annuity he or she had been receiving. The election is effective on the first day of the month following the event causing the former spouse to lose eligibility.

(i) If the spouse is not the beneficiary of the election under this section, a retiree may prospectively void an election under this section at the time the retiree elects a reduced annuity to provide a current spouse annuity under §831.631.

(ii) A retiree's election to void an election under paragraph (k)(2)(i) of this section must be filed at the same time as the election under §831.631.

(iii) An annuity reduction under this section terminates on the first day of the month after the beneficiary of the insurable interest annuity dies.

§ 831.617

§§ 831.611 through 831.622 at the time of the redetermination.

(b) A disability retiree who recovers from disability or is restored to earning capacity is subject to §§ 831.611 through 831.622 at the time that he or she retires under section 8336 or 8338 of title 5, United States Code.

(c) A retiree who is dropped from the retirement rolls and subsequently gains a new annuity right by fulfilling the requirements of section 8333(b) of title 5, United States Code, is subject to §§ 831.611 through 831.622 when he or she retires under that new annuity right.

§ 831.617 [Reserved]

§ 831.618 Waiver of spousal consent requirement.

(a) The spousal consent requirement will be waived upon a showing that the spouse’s whereabouts cannot be determined. A request for waiver on this basis must be accompanied by—

(1) A judicial determination that the spouse’s whereabouts cannot be determined; or

(2) (i) Affidavits by the employee or Member and two other persons, at least one of whom is not related to the employee or Member, attesting to the inability to locate the current spouse and stating the efforts made to locate the spouse; and

(ii) Documentary corroboration such as tax returns filed separately or newspaper stories about the spouse’s disappearance.

(b) The spousal consent requirement will be waived based on exceptional circumstances if the employee or Member presents a judicial determination finding that—

(1) The case before the court involves a federal employee who is in the process of retiring from federal employment and the spouse of that employee;

(2) The nonemployee spouse has been given notice and an opportunity to be heard concerning this order;

(3) The court has considered sections 8339(j)(1) of title 5, United States Code, and this section as they relate to waiver of the spousal consent requirement for a married federal employee to elect an annuity without a reduction to provide a survivor benefit to a spouse at retirement; and

(4) The court finds that exceptional circumstances exist justifying waiver of the nonemployee spouse’s consent.

§ 831.619 Marital status at time of retirement.

An employee or Member is unmarried at the time of retirement for all purposes under this subpart only if the employee or Member was unmarried on the date that the annuity begins to accrue.

Changes of Survivor Elections

§ 831.621 Changes of election before final adjudication.

An employee or Member may name a new survivor or change his election of type of annuity if, not later than 30 days after the date of the first regular monthly payment, the named survivor dies or the employee or Member files with OPM a new written election. All required evidence of spousal consent or justification for waiver of spousal consent, if applicable, must accompany any new written election under this section.

§ 831.622 Changes of election after final adjudication.

(a) Except as provided in section 8339(j) or (k) of title 5, United States Code, or §§ 831.682, 831.684, 831.685, or paragraph (b) of this section, an employee or Member may not revoke or change the election or name another survivor later than 30 days after the date of the first regular monthly payment.

(b)(1) Except as provided in § 831.613 and paragraphs (b)(2) and (b)(3) of this section, a retiree who was married at the time of retirement and has elected a self-only annuity, or a partially reduced annuity to provide a current spouse annuity, or a fully reduced annuity to
provide a former spouse annuity, or an insurable interest annuity may elect, no later than 18 months after the time of retirement, an annuity reduction or an increased annuity reduction to provide a current spouse annuity.

(2) A current spouse annuity based on an election under paragraph (b)(1) of this section cannot be paid if it will, when combined with any former spouse annuity or annuities that are required by court order, exceed the maximum survivor annuity permitted under § 831.641.

(3) To make an election under paragraph (b)(1) of this section, the retiree must pay, in full, a deposit determined under § 831.662, plus interest, at the rate provided under § 831.105(g), no later than 18 months after the time of retirement.

(4) If a retiree makes an election under paragraph (b)(1) of this section and is prevented from paying the deposit within the 18-month time limit because OPM did not send him or her a notice of the amount of the deposit at least 30 days before the time limit expires, the time limit for making the deposit will be extended to 30 days after OPM sends the notice of the amount of the deposit.

(5) An election under paragraph (b)(1) of this section, cancels any spousal consent under § 831.611 to the extent of the election.

(6) An election under paragraph (b)(1) of this section is void unless it is filed with OPM before the retiree dies.

(7) If a retiree who had elected a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity or former spouse annuities makes an election under paragraph (b)(1) of this section which would cause the combined current spouse annuity and former spouse annuity (or annuities) to exceed the maximum allowed under § 831.641, the former spouse annuity (or annuities) must be reduced to not exceed the maximum allowable under § 831.641.

§ 831.631 Post-retirement election of fully reduced annuity or partially reduced annuity to provide a current spouse annuity.

(a) Except as provided in paragraph (c) of this section, in cases of retirees who retired before May 7, 1985, and married after retirement but before February 27, 1986—

(1) A retiree who was unmarried at the time of retirement may elect, within 1 year after a post-retirement marriage, a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity.

(2) A retiree who was married and elected a fully reduced annuity or a partially reduced annuity at the time of retirement may elect, within 1 year after a post-retirement marriage, to provide a current spouse annuity. If a retiree elects a fully reduced annuity or a partially reduced annuity under this paragraph, the election must equal the election made at the time of retirement.

(3) The reduction under paragraphs (a)(1) or (a)(2) of this section commences on the first day of the month beginning 1 year after the date of the post-retirement marriage.

(b) Except as provided in paragraph (c) of this section, in cases involving retirees who retired on or after May 7, 1985, or married on or after February 27, 1986—

(1) A retiree who was unmarried at the time of retirement may elect, within 2 years after a post-retirement marriage, a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity.

(2) A retiree who was married at the time of retirement may elect, within 2 years after a post-retirement marriage—

(i) A fully reduced annuity or a partially reduced annuity to provide a current spouse annuity if—

(A) The retiree was awarded a fully reduced annuity under § 831.611 at the time of retirement; or

(B) The election at the time of retirement was made with a waiver of spousal consent in accordance with § 831.618; or

(C) The marriage at the time of retirement was to a person other than
§ 831.632

the spouse who would receive a current
spouse annuity based on the post-re-
tirement election; or

(ii) A partially reduced annuity to
provide a current spouse annuity no
greater than the current spouse annu-
ity elected for the current spouse at re-
tirement if—

(A) The retiree elected a partially re-
duced annuity under §831.614 at the
time of retirement;

(B) The election at the time of retire-
ment was made with spousal consent in
accordance with §831.614; and

(C) The marriage at the time of re-
tirement was to the same person who
would receive a current spouse annuity
based on the post-retirement election.

(3)(i) Except as provided in paragraph
(b)(3)(ii) or (b)(4) of this section, a re-
tiree making an election under this
section must deposit an amount equal
to the difference between the amount
of annuity actually paid to the retiree
and the amount of annuity that would
have been paid if the reduction elected
under paragraphs (b)(1) or (b)(2) of this
section had been in effect continuously
since the time of retirement, plus 6
percent annual interest, computed
under §831.105, from the date when each
difference occurred.

(ii) An election under this section may
be made without deposit, if that election prospectively voids an election
of an insurable interest annuity.

(4)(i) An election under this section
is irrevocable when received by OPM.

(ii) An election under this section is
effective when the marriage duration
requirements of §831.642 are satisfied.

(iii) If an election under paragraph
(b)(1) or (b)(2) of this section does not
become effective, no deposit under
paragraph (b)(3) of this section is re-
quired.

(iv) If payment of the deposit under
paragraph (b)(3) of this section is not
required because the election never be-
came effective and if some or all of the
deposit has been paid, the amount paid
will be returned to the retiree, or, if
the retiree has died, to the person who
would be entitled to any lump-sum
benefits under the order of precedence
in section 8342 of title 5, United States
Code.

(5) Any reduction in an annuity to
provide a current spouse annuity will
terminate effective on the first day of
the month after the marriage to the
current spouse ends, unless—

(i) The retiree elects, within 2 years
after a divorce terminates the mar-
riage, to continue the reduction to pro-
vide for a former spouse annuity; or

(ii) A qualifying court order requires
the retiree to provide a former spouse
annuity.

(6) Any reduction in a current spouse
annuity to provide a former spouse
annuity will terminate effective on the
first day of the month after the marriage to the
former spouse ends, unless—

(i) The retiree elects, within 2 years
after a divorce terminates the mar-
riage, to continue the reduction to pro-
vide for a former spouse annuity; or

(ii) A qualifying court order requires
the retiree to provide a former spouse
annuity.

(c)(1) Qualifying court orders prevent
payment of current spouse annuities to
the extent necessary to comply with
the court order and §831.641.

(2) If an election under this section
causes the total of all current and
former spouse annuities provided by a
qualifying court order or elected under
§831.612, §831.632, or this section to ex-
ceed the maximum survivor annuity
permitted under §831.641, OPM will ac-
cept the election but will pay the por-
tion in excess of the maximum only
when permitted by §831.641(c).

(d) The amount of the reduction to
provide a current spouse annuity under
this section equals 2 1\% of the
first $3600 of the designated survivor
base plus 10 percent of the portion of
the designated survivor base which ex-
ceeds $3600.

1993]

§ 831.632 Post-retirement election of
fully reduced annuity or partially
reduced annuity to provide a
former spouse annuity.

(a)(1) Except as provided in para-
graphs (b) and (c) of this section, when
the marriage of a retiree who retired
on or after May 7, 1985, terminates
after retirement, he or she may elect in
writing a fully reduced annuity or a
partially reduced annuity to provide a
former spouse annuity.

(2) Except as provided in paragraphs
(b) and (c) of this section, a retiree who
retired before May 7, 1985, and whose
marriage was terminated on or after
May 7, 1985, may elect in writing a
fully reduced annuity or a partially re-
duced annuity to provide a former
spouse annuity if the retiree while
married to the former spouse had elected, prior to May 7, 1985, a reduced annuity to provide a current spouse annuity for that spouse. Such an election must be filed with OPM within 2 years after the retiree's marriage to the former spouse terminates.

(3) Except as provided in paragraphs (b) and (c) of this section, a retiree who retired on or after May 7, 1985, and before February 27, 1986, and whose marriage terminated before May 7, 1985, may elect in writing a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity. Such an election must be made no later than February 27, 1988.

(b) (1) Qualifying court orders prevent payment of former spouse annuities to the extent necessary to comply with the court order and § 831.641.

(2) A retiree who elects a fully or partially reduced annuity to provide a former spouse annuity may not elect to provide a former spouse annuity in an amount that either—

(i) Is smaller than the amount required by a qualifying court order; or

(ii) Would cause the sum of all current and former spouse annuities based on a retiree's elections under §§ 831.611, 831.612, 831.631 and this section to exceed 55 percent of the rate of the retiree's self-only annuity if the retiree's retirement was based on a separation from a position under CSRS on or after October 11, 1962, or 50 percent of the rate of the retiree's self-only annuity if the retiree's retirement was based on a separation from a position under CSRS before October 11, 1962.

(3) An election under this section is void—

(i) In the case of a married retiree, if the current spouse does not consent to the election on a form as described in § 831.614(c) and spousal consent is not waived by OPM in accordance with § 831.618; or

(ii) To the extent that it provides a former spouse annuity for the spouse who was married to the retiree at the time of retirement in an amount that is inconsistent with any joint designation or waiver made at the time of retirement under § 831.611 (a)(1) or (a)(2); or

(iii) In the case of an election under paragraph (a)(2) of this section, to the extent that it provides a former spouse annuity that exceeds the proportion of the retiree's annuity to which the former spouse would have been entitled as a current spouse annuity as of May 7, 1985.

(c) An election under this section is not permitted unless the retiree agrees to deposit the amount equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if the reduction elected under paragraph (a) of this section had been in effect continuously since the time of retirement, plus 6 percent annual interest, computed under § 831.105, from the date when each difference occurred.

(d) Any reduction in an annuity to provide a former spouse annuity will terminate on the first day of the month after the former spouse remarries before age 55 or dies, or the former spouse's eligibility for a former spouse annuity terminates under the terms of a qualifying court order, unless—

(1) The retiree elects, within 2 years after the event causing the former spouse to lose eligibility, to continue the reduction to provide or increase a former spouse annuity for another former spouse, or to provide or increase a current spouse annuity; or

(2) A qualifying court order requires the retiree to provide another former spouse annuity.

(e) (1) The amount of the reduction to provide one or more former spouse annuities or a combination of a current spouse annuity and one or more former spouse annuities under this section equals 2 1/2 percent of the first $3600 of the total designated survivor base plus 10 percent of the portion of the total designated survivor base which exceeds $3600, if—

(i) The employee's or Member's separation on which the retirement is based was on or after October 11, 1962; or

(ii) The reduction is to provide a former spouse annuity (under § 831.632) for a former spouse whom the employee or Member married after retirement.

(2) The amount of the reduction to provide one or more former spouse annuities or a combination of a current spouse annuity and one or more former spouse annuities under this section for
employees or Members whose retirement is based on separations before October 11, 1962, equals 2½ percent of the first $2400 of the total designated survivor base plus 10 percent of the portion of the total designated survivor base which exceeds $2400.

§ 831.641 Division of a survivor annuity.

(a) Except as provided in §§ 831.682 and 831.683, the maximum combined total of all current and former spouse annuities (not including any benefits based on an election of an insurable interest annuity) payable based on the service of a former employee or Member equals 55 percent (or 50 percent if based on a separation before October 11, 1962) of the rate of the self-only annuity that otherwise would have been paid to the employee, Member, or retiree.

(b) By using the elections available under this subpart or to comply with a court order under subpart Q, a survivor annuity may be divided into a combination of former spouse annuities and a current spouse annuity so long as the aggregate total of current and former spouse annuities does not exceed the maximum limitation in paragraph (a) of this section.

(c) Upon termination of former spouse annuity payments because of death or remarriage of the former spouse, or by operation of a court order, the current spouse will be entitled to a current spouse annuity or an increased current spouse annuity if—

(1) The employee or Member died while employed in a position covered under CSRS; or

(2) The current spouse was married to the employee or Member continuously from the time of retirement and did not consent to an election not to provide a current spouse annuity; or

(3) The current spouse married a retiree after retirement and the retiree elected, under §831.631, to provide a current spouse annuity for that spouse in the event that the former spouse annuity payments terminate.

§ 831.642 Marriage duration requirements.

(a) The surviving spouse of a retiree who retired on or after May 7, 1985, or of a retiree who retired before May 7, 1985, but married that surviving spouse on or after November 8, 1984, or of an employee or Member who dies while serving in a position covered by CSRS on or after May 7, 1985, or of an employee or Member who died while serving in a position covered by CSRS before May 7, 1985, but married that surviving spouse on or after November 8, 1984, can qualify for a current spouse annuity only if—

(1) The surviving spouse and the employee, Member, or retiree had been married for at least 9 months, as explained in paragraph (b) of this section; or

(2) A child was born of the marriage, as explained in paragraph (c) of this section; or

(3) The death of the employee, Member, or retiree was accidental as explained in paragraph (d) of this section.

(b) For satisfying the 9-month marriage requirement of paragraph (a)(1) of this section, the aggregate time of all marriages between the spouse applying for a current spouse annuity and the employee, Member, or retiree is included.

(c) For satisfying the child-born-of-the-marriage requirement of paragraph (a)(2) of this section, any child, including a posthumous child, born to the spouse and the employee, Member, or retiree is included. This includes a child born out of wedlock or of a prior marriage between the same parties.

(d) (1) A death is accidental if it results from homicide or from bodily injuries incurred solely through violent, external, and accidental means. The term “accidental” does not include a death—

(i) Caused wholly or partially, directly or indirectly, by disease or bodily or mental infirmity, or by medical
Office of Personnel Management § 831.644

or surgical treatment or diagnosis thereof; or

(ii) Caused wholly or partially, directly, or indirectly, by ptomaine, by bacterial infection, except only septic infection of and through a visible wound sustained solely through violent, external, and accidental means; or

(iii) Caused wholly or partially, directly or indirectly, by hernia, no matter how or when sustained; or

(iv) Caused by or the result of intentional self-destruction or intentionally self-inflicted injury, while sane or insane; or

(v) Caused by or as a result of the self-administration or illegal or illegally obtained drugs.

(2) A State judicial or administrative adjudication of the cause of death for criminal or insurance purposes is conclusive evidence of whether a death is accidental.

(3) A death certificate showing the cause of death as accident or homicide is prima facie evidence that the death was accidental.

§ 831.643 Time for filing applications for death benefits.

(a) A survivor of a deceased employee, Member, or retiree, may file an application for annuity, personally or through a representative, at any time within 30 years after the death of the employee, Member, or retiree.

(b) A former spouse claiming eligibility for an annuity based on § 831.683 may file an application at any time between November 8, 1984 and May 7, 1989. Within this period, the date that the first correspondence indicating a desire to file a claim is received by OPM will be treated as the application date for meeting timeliness deadlines and determining the commencing date of the survivor annuity under § 831.683 if the former spouse is eligible on that date.

§ 831.644 Remarriage.

(a)(1) If a recipient of a current spouse annuity remarried before November 8, 1984, the current spouse annuity terminates on the last day of the month before the recipient remarried before attaining age 60.

(2) If a recipient of a current spouse annuity remarries on or after November 8, 1984, a current spouse annuity terminates on the last day of the month before the recipient remarries before attaining age 55.

(b) A former spouse annuity or eligibility for a future former spouse annuity terminates on the last day of the month before the month in which the former spouse remarries before attaining age 55.

(c) If a current spouse annuity is terminated because of remarriage of the recipient, the annuity is reinstated on the day of the termination of the remarriage by death, annulment, or divorce if—

(1) The surviving spouse elects to receive this annuity instead of a survivor benefit to which he or she may be entitled, under CSRS or another retirement system for Government employees, by reason of the remarriage; and

(2) Any lump sum paid on termination of the annuity is repaid (in a single payment or by withholding payment of the annuity until the amount of the lump sum has accrued).

(d) (1) If present or future entitlement to a former spouse annuity is terminated because of remarriage before age 55, the entitlement will not be reinstated upon termination of the remarriage by death or divorce.

(2) If present or future entitlement to a former spouse annuity is terminated because of remarriage before age 55, the entitlement will not be reinstated upon annulment of the remarriage unless—

(i) The decree of annulment states that the marriage is without legal effect retroactively from the marriage's inception; and

(ii) The former spouse's entitlement is based on section 4(b)(1)(B) or section 4(b)(4) of Pub. L. 98-615.

(3) If a retiree who is receiving a reduced annuity to provide a former spouse annuity and who has remarried that former spouse (before the former...
§ 831.645 Elections between survivor annuities.

(a) A current spouse annuity cannot be reinstated under §831.644 unless—
(1) The surviving spouse elects to receive the reinstated current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees, by reason of the remarriage; and
(2) Any lump sum paid on termination of the annuity is returned to the Civil Service Retirement and Disability Fund.

(b) A current spouse is entitled to a current spouse annuity based on an election under §831.631 only upon electing this current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees.

(c) A former spouse who marries a retiree is entitled to a former spouse annuity based on an election by that retiree under §831.632, or §831.662, or a qualifying court order terminating that marriage to that retiree only upon electing this former spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees.

(d) As used in this section, “any other retirement system for Government employees” does not include Survivor Benefit Payments from a military retirement system or social security benefits.

§ 831.651 Commencing and terminating dates of survivor annuities.

(a) Except as provided in paragraph (b) of this section, current spouse annuities, former spouse annuities, children’s survivor annuities, and survivor annuities for beneficiaries of insurable interest annuities under CSRS begin to accrue on the day after death of the employee, Member, or retiree.

(b)(1) A current spouse annuity begins to accrue—
(i) Upon attainment of age 50 when, under section 12 of the Civil Service Retirement Act Amendments of February 29, 1948, the annuity is deferred until age 50; or
(ii) Upon OPM’s receipt of a claim for an annuity authorized for unremarried widows and widowers by section 2 of the Civil Service Retirement Act Amendments of June 25, 1958, 72 Stat. 218.

(b)(2) A former spouse annuity begins to accrue—
(i) For annuities under §831.683, on the later of the day after date of death of the retiree or the first day of the second month after the date the application for annuity is received in OPM; or
(ii) For annuities when a former spouse annuity is authorized by court order under section 8341(h) of title 5, United States Code, on the later of the day after the date of death of the employee, Member, or retiree or the first day of the second month after the court order awarding the former spouse annuity and the supporting documentation required by §838.721 or §838.1005 of this chapter are received in OPM.

(c) A survivor annuity terminates at the end of the month preceding death or any other terminating event.

(d) A current spouse annuity terminated for reasons other than death may be restored under conditions defined in
§ 831.663 Actuarial reduction in annuity of retirees who make post-retirement elections to provide a current spouse annuity or a former spouse annuity.

(a) Applicability of this section. This section applies to all retirees who are required to pay deposits under §831.631 or §831.632 and have not paid any portion of the deposit prior to October 1, 1993, or from annuity accruing before that date.

(b) Other methods of payment not available. Retirees described in paragraph (a) of this section must have a permanent annuity reduction computed under paragraph (d) of this section.

(c) Commencing date of the reduction. A reduction under this section commences on the same date as the annuity reduction under §831.631 or §831.632.

(d) Computing the amount of the reduction. The annuity reduction under this section is equal to the lesser of—

(1) The amount of the deposit under §831.631 or §831.632 divided by the present value factor for the retiree's age on the commencing date of the reduction under paragraph (c) of this section (plus any previous reduction(s) in the retiree's annuity required under this section §831.664); or

(2) Twenty-five percent of the rate of the retiree's self-only annuity on the commencing date of the reduction under paragraph (c) of this section.

(e) Termination of the reduction. (1) The reduction under this section terminates on the date that the retiree dies.

(2) If payment of a retiree's annuity is suspended or terminated and later reinstated, or if a new annuity becomes payable, OPM will increase the amount of the original reduction computed under paragraph (d) of this section by any cost-of-living adjustments under section 8340 of title 5, United States Code, occurring between the commencing date of the original reduction and the commencing date of the reinstated or new annuity (but the adjusted reduction may not exceed 25 percent of
the rate of the reinstated or new self-only annuity).

§ 831.664 Post-retirement survivor election deposits that were partially paid before October 1, 1993.

(a) Applicability of this section. This section applies to all retirees who are required to pay deposits under § 831.631, § 831.632, § 831.682, or § 831.684 and have paid some portion (but not all) of the deposit prior to October 1, 1993, or from annuity accruing before that date.

(b) Other methods of payment not available. Retirees described in paragraph (a) of this section must have a permanent annuity reduction computed under paragraph (d) of this section.

(c) Commencing date of the reduction. A reduction under this section commences on October 1, 1993.

(d) Computing the amount of the reduction. The annuity reduction under this section is equal to the lesser of—

(1) The amount of the principal balance remaining to be paid on October 1, 1993, divided by the present value factor for the retiree’s age on October 1, 1993; or

(2) Twenty-five percent of the rate of the retiree’s self-only annuity on October 1, 1993.

(e) Termination of the reduction. (1) The reduction under this section terminates on the date that the retiree dies.

(2) If payment of a retiree’s annuity is suspended or terminated and later reinstated, or if a new annuity becomes payable, OPM will increase the amount of the original reduction computed under paragraph (d) of this section by any cost-of-living adjustments under section 8340 of title 5, United States Code, occurring between the commencing date of the original reduction and the commencing date of the reinstated or new annuity (but the adjustment reduction may not exceed 25 percent of the rate of the reinstated or new self-only annuity).

§ 831.665 Payment of deposits under § 831.631, § 831.632, § 831.682, or § 831.684 under pre-October 1, 1993, law or when the retiree has died prior to October 1, 1993.

(a) If a retiree fails to make a deposit required under § 831.682 or § 831.684 within 60 days after the date of the notice required by § 831.682(e) or § 831.684(c), the deposit will be collected by offset from his or her annuity in installments equal to 25 percent of the retiree’s net annuity (as defined in § 838.103 of this chapter).

(b) If a retiree fails to make a deposit required by § 831.631 or § 831.632 within 2 years after the date of the post-retirement marriage or divorce, the deposit will be collected by offset from his or her annuity in installments equal to 25 percent of the retiree’s net annuity (as defined in § 838.103 of this chapter).

(c) If a retiree dies before a deposit required under §§ 831.631, 831.632, 831.682, or 831.684 is fully made, the deposit will be collected from the survivor annuity (for which the election required the deposit) before any payments of the survivor annuity are made.

Children’s Annuities

§ 831.671 Proof of eligibility for a child’s annuity.

(a) Proof of paternity. (1) A judicial determination of parentage conclusively establishes the paternity of a child.

(2) Except as provided in paragraph (a)(1) of this section, a child born to the wife of a married person is presumed to be the child of the wife’s husband. This presumption may be rebutted only by clear and convincing evidence that the husband is not the father of the child.

(3) When paternity is not established under paragraph (a)(1) or (a)(2) of this section, paternity is determined by a preponderance of the credible evidence as defined in § 1201.56(c)(2) of this title.
(b) Proof of adoption. (1) An adopted child is—
   (i) A child adopted by the employee or retiree before the death of the employee or retiree; or
   (ii) A child who lived with the employee or retiree and for whom a petition for adoption was filed by the employee or retiree and who is adopted by the current spouse of the employee or retiree after the death of the employee or retiree.
   (2) The only acceptable evidence to prove status as an adopted child under paragraph (b)(1)(i) of this section is a copy of the judicial decree of adoption.
   (3) The only acceptable evidence to prove status as an adopted child under paragraph (b)(1)(ii) of this section is copies of—
      (i) The petition for adoption filed by the employee or retiree (clearly showing the date filed); and
      (ii) The judicial decree of adoption.
(c) Dependency. To be eligible for survivor annuity benefits, a child must have been dependent on the deceased employee or retiree at the time of the employee's or retiree's death.
(d) Proof of dependency. (1) A child is presumed to have been dependent on the deceased employee or retiree if he or she is—
   (i) A legitimate child; or
   (ii) An adopted child; or
   (iii) A stepchild or recognized natural child who lived with the employee or retiree in a regular parent-child relationship at the time of the employee's or retiree's death; or
   (iv) A recognized natural child for whom a judicial determination of support was obtained; or
   (v) A recognized natural child to whose support the employee or retiree made regular and substantial contributions.
   (2) The following are examples of proofs of regular and substantial support. More than one of the following proofs may be required to show support of a child who did not live with the employee or retiree in a regular parent-child relationship and for whom a judicial determination of support was not obtained.
      (i) Evidence of eligibility as a dependent child for benefits under other State or Federal programs;
      (ii) Proof of inclusion of the child as a dependent on the decedent's income tax returns for the years immediately before the employee's or retiree's death;
      (iii) Cancelled checks, money orders, or receipts for periodic payments received from the employee or retiree for or on behalf of the child;
      (iv) Evidence of goods or services that shows regular contributions of considerable value;
      (v) Proof of coverage of the child as a family member under the employee's or retiree's Federal Employees Health Benefits enrollment; and
      (vi) Other proof of a similar nature that OPM may find to be sufficient to demonstrate support or parentage.
   (3) Survivor benefits may be denied—
      (i) If evidence shows that the deceased employee or retiree did not recognize the claimant as his or her own despite a willingness to support the child; or
      (ii) If evidence casts doubt upon the parentage of the claimant, despite the deceased employee's or retiree's recognition and support of the child.
§ 831.672 Annuity for a child age 18 to 22 during full-time school attendance.
(a) General requirements for an annuity. (1) For a child age 18 to 22 to be eligible to receive an annuity as a full-time student, the child must also meet all other requirements applicable to qualify for an annuity by a child who has not attained age 18.
   (2) In addition to the requirements of paragraph (a)(1) of this section, OPM must receive certification, in a form prescribed by OPM, that the child is regularly pursuing a full-time course of study in an accredited institution.
   (b) Full-time course of study. (1) Generally, a full-time course of study is a noncorrespondence course which, if successfully completed, will lead to completion of the education within the period generally accepted as minimum for completion, by a full-time day student, of the academic or training program concerned.

(2) A certification by an accredited institution that the student's workload is sufficient to constitute a full-time course of study for the program in which the student is enrolled is prima facie evidence that the student is pursuing a full-time course of study.

(c) Certification of school attendance.

(1) OPM may periodically request the recipient of a child's annuity payments to furnish certification of school attendance. The certification must be completed in the form prescribed by OPM.

(2) If OPM requests the recipient of a child's annuity payments to provide a self-certification of school attendance, the recipient must complete and sign the certification form.

(3) If OPM requests the recipient of a child's annuity payments to provide a certification by the school, the certification must be signed by an official who is either in charge of the school or in charge of the school's records. OPM will not accept certification forms signed by instructors, counselors, aides, roommates, or others not in charge of the school or the records.

(i) If the educational institution is above the high school level, the certification must be signed by the president or chancellor, vice president or vice dean, registrar or administrator, assistant registrar or assistant administrator, or the equivalent.

(ii) If the educational institution is at the high school level, the certification must be signed by the superintendent of schools, principal, assistant principal, or the equivalent.

(iii) If the educational institution is a technical or trade school, the certification must be signed by the president, vice president, director, assistant director, or the equivalent.

(4) OPM will accept a facsimile signature of a school official only if it is accompanied by a raised seal of the institution or other evidence clearly demonstrating the authenticity of the certification and making unauthorized use of the signature stamp unlikely.

(d) Continuation of annuity during interim breaks. A child's annuity continues during interim breaks between school years if the following conditions are satisfied:

(1) The student must have been a full-time student at the end of the school term immediately before the break.

(2) The break between the end of the last term of full-time attendance and the return to full-time attendance must not exceed 5 months. (See §831.107, concerning calculation of this time period.)

(3) The recipient of a child's annuity payments must show that the student has a bona fide intent to return to school as a full-time student immediately after the break. The full-time certification for the prior term and the certification (in a form prescribed by OPM) by the recipient of a child's annuity payments that the student intends to return to school (immediately after the break) as a full-time student constitute prima facie evidence of a bona fide intent to return to school.

(e) Benefits after age 22.

(1) A student's eligibility for a child's annuity terminates based on reaching age 22 on—

(i) June 30 of the calendar year of the child's 22nd birthday if the child's birthday is before July 1; or

(ii) The last day of the month before the child's 22nd birthday if the child's birthday occurs after June 30 but before September 1 of the calendar year; or

(iii) June 30 of the year after the one in which the child attains age 22 if the child's birthday is after August 31 of the calendar year.

(2) (i) An otherwise eligible child who becomes a full-time student after his or her 22nd birthday but before the date the annuity terminates under paragraph (e)(1) of this section is eligible for annuity while he or she is a full-time student until the termination date under paragraph (e)(1) of this section.

(ii) An otherwise eligible child who is a full-time student, and whose parent dies after the child's 22nd birthday but before the date the annuity terminates under paragraph (e)(1) of this section, is eligible for annuity while he or she is a full-time student after the death of
§ 831.673 Rates of child annuities.

(a) The rate of annuity payable to a child survivor whose annuity commenced before February 27, 1986, is computed in accordance with the law in effect on the date when the annuity began to accrue, unless the rate of annuity is recomputed under paragraph (e) of this section on or after February 27, 1986.

(b) Except as provided in paragraph (a) of this section, the rate of annuity of a child survivor is computed under section 8341(e)(2)(i) through (iii) of title 5, United States Code, with adjustments in accordance with section 8340 of title 5, United States Code, when the deceased employee, Member or annuitant was never married to a natural or adoptive parent of that surviving child of the former employee or Member.

(c) Except as provided in paragraphs (a) and (b) of this section, the rate of annuity payable to a child survivor is computed under section 8341(e)(2)(A) through (C) of title 5, United States Code, whenever a deceased employee, Member, or retiree is survived by a natural or adoptive parent of that surviving child of the former employee or Member.

(d) Except as provided in paragraph (a) of this section, the rate of annuity payable to a child survivor is computed under section 8341(e)(2)(i) through (iii) of title 5, United States Code, with adjustments in accordance with section 8340 of title 5, United States Code, when the deceased employee, Member, or retiree is not survived by a natural or adoptive parent of that surviving child of the former employee or Member.

(e) On the death of a natural or adoptive parent or termination of the annuity of a child, the annuity of any other child or children is recomputed and paid as though the parent or child had not survived the former employee or Member.

§ 831.682 Election by a retiree who retired before May 7, 1985, to provide a former spouse annuity.

(a) A retiree who retired before May 7, 1985, including a retiree receiving a fully reduced annuity to provide a current spouse annuity, may elect a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity.

(b) The election should be made by letter addressed to OPM. The election must—

(1) Be in writing; and
(2) Agree to pay any deposit due under paragraph (c) of this section; and
(3) Be signed by the retiree; and
(4) Be filed with OPM before September 8, 1987.

(c)(1)(i) If a retiree who is receiving an insurable interest annuity elected a fully reduced annuity or a partially reduced annuity under this section to benefit the same person, the insurable interest annuity terminates. A retiree who is receiving an insurable interest annuity at the time that an annuity is elected under this section does not owe any further deposit.

(ii) If a retiree who had been receiving an insurable interest annuity, which was terminated to elect a reduced annuity to provide a current
spouse annuity for a spouse acquired after retirement, elects to provide a former spouse annuity for a former spouse who was the beneficiary of the insurable interest annuity, the retiree must deposit an amount equal to the sum of the monthly differences between the self-only annuity and a fully reduced annuity or partially reduced annuity (with the same base as elected to provide the former spouse annuity) from the date the insurable interest annuity terminated, plus 6 percent annual interest, computed under § 831.105, from the date to which each monthly difference is attributable.

(2) A retiree who elects a fully reduced annuity or a partially reduced annuity under this section, to provide a former spouse annuity for a former spouse for whom the retiree had elected (during the marriage to that former spouse) a reduced annuity to provide a current spouse annuity, must deposit an amount equal to the sum of the monthly differences between the self-only annuity and the amount of annuity that would have been in effect had a fully reduced annuity or partially reduced annuity (with the same base as elected to provide the former spouse annuity) been in effect continuously since the time of retirement, plus 6 percent annual interest, computed under § 831.105, from the date to which each monthly difference is attributable.

(3) A retiree who elects a fully reduced annuity or a partially reduced annuity under this section, and is not covered under paragraph (c)(1) or (c)(2) of this section, must deposit an amount equal to the sum of the monthly difference between the self-only annuity and a fully reduced annuity or a partially reduced annuity (with the same base as elected to provide the former spouse annuity) since the time of retirement, plus 6 percent annual interest, computed under § 831.105, from the date to which each monthly difference is attributable.

(d) If a retiree who is receiving a fully reduced annuity or a partially reduced annuity under this section to provide a former spouse annuity, the annuity will be reduced separately to provide for the current and former spouse annuities. Each separate reduction will be computed based on the self-only annuity, and the separate reductions are cumulative.

(e)(1) In response to a retiree's inquiry about providing a former spouse annuity under this section, OPM will send an application form. The application form will include a notice to retirees that filing the application constitutes an official election which cannot be revoked after 30 days after the annuity check in which the annuity reduction first appears.

(2) If the retiree returns the application electing a fully reduced annuity or a partially reduced annuity under this section, OPM will notify the retiree of—

(i) The rate of the fully reduced annuity or partially reduced annuity; and

(ii) The rate of the potential former spouse annuity; and

(iii) The amount of the deposit, including interest, that is due as of the date that the annuity reduction is scheduled to begin; and

(iv) The amount and duration of installment payments if no deposit is made.

(3) The notice under paragraph (e)(2) of this section will advise the retiree that the deposit will be collected in installments under § 831.665, unless lump-sum payment is made within 60 days from the date of the notice.

(4) OPM will reduce the annuity and begin collection of the deposit in installments effective with the first check payable more than 60 days after the date on the notice required under paragraph (e)(2) of this section.

(f)(1) A retiree who made an election under this section prior to September 9, 1986 may modify that election by designating a lesser portion of the retiree's annuity to be used as the base for the annuity reduction and the former spouse annuity.

(2) Any modification under paragraph (f)(1) of this section must be in writing and received in OPM no later than the date provided for applications in paragraph (b)(4) of this section.
(g) The annuity reduction resulting in a fully reduced annuity or partially reduced annuity to provide a former spouse annuity under this section terminates on the first day of the month after the former spouse remarries before age 55 or dies.

(h) A former spouse is eligible to receive only one survivor annuity based on the service of one employee or Member.

(i) If a former spouse is entitled to a former spouse annuity based on an election under this section, but absent that election would have been entitled to a former spouse annuity under §831.683 (i.e., filed a timely application as well as meeting all other requirements), the amount of the former spouse annuity payable will equal 55 percent of the annuity of the retiree on whose service the survivor annuity is based.

§ 831.683 Annuities for former spouses of employees or Members retired before May 7, 1985.

(a)(1) The former spouse of a retiree who retired before May 7, 1985 (or of an employee or Member who died before May 7, 1985, employed in a position covered by CSRS at the time of death, and was eligible to retire at the time of death), is entitled, after the death of the retiree, employee, or Member, to a survivor annuity equal to 55 percent of the self-only annuity of the retiree on whose service the survivor annuity is based if the former spouse, at the time of application, meets all of the following requirements:

(i) The former spouse's marriage to the retiree, employee, or Member was dissolved after September 14, 1978, and before May 8, 1987. The date of dissolution of a marriage is the date when the marriage was dissolved.

(ii) The former spouse was married to the retiree, employee, or Member for at least 10 years of the retiree's, employee's, or Member's creditable service. Creditability of service is determined in accordance with section 8332 of title 5, United States Code, and subpart C of this part.

(iii) The former spouse has not remarried before reaching age 55.

(iv) The former spouse applies to OPM for a survivor annuity, in accordance with paragraph (b) of this section and §831.643(b), before May 8, 1989.

(v) The former spouse is at least 50 years old on May 7, 1987, and when filing the application.

(2) A former spouse who is not eligible for an annuity under paragraph (a)(1) of this section and who is the former spouse of a retiree who retired before May 7, 1985 (or of an employee or Member who died before May 7, 1985, employed in a position covered by CSRS at the time of death, and was eligible to retire at the time of death), is entitled, after the death of the retiree, employee, or Member, to a survivor annuity equal to 55 percent of the self-only annuity of the retiree on whose service the survivor annuity is based if the former spouse, at the time of application, meets all of the following requirements:

(i) The former spouse was married to the retiree, employee, or Member for at least 10 years of the retiree's, employee's, or Member's creditable service. Creditability of service is determined in accordance with section 8332 of title 5, United States Code, and subpart C of this part.

(ii) The former spouse has not remarried after September 14, 1978, before reaching age 55.

(iii) The former spouse applies to OPM for a survivor annuity, in accordance with paragraph (b) of this section and §831.643(b), before May 8, 1989.

(iv) The former spouse is at least 50 years old on May 7, 1987, and when filing the application.

(v) No current spouse, other former spouse, or insurable interest designee is receiving or has been designated to receive a survivor annuity based on the
service of the employee, Member, or retiree.

(3) If two or more eligible former spouses of a retiree, employee, or Member apply for annuities under paragraph (a)(2) of this section based on the service of the same retiree, employee, or Member, and neither meets the requirements of paragraph (a)(1) of this section, the former spouse whose application OPM receives first is entitled to the annuity.

(b)(1) Application must be filed on the form prescribed for that purpose by OPM. The application form will require the former spouse to certify under the penalty provided by section 1001 of title 18, United States Code, that he or she meets the requirements listed in paragraph (a) of this section.

(2) In addition to the application form required in paragraph (b)(1) of this section, the former spouse must submit proof of his or her age and the date when the marriage to the retiree commenced, and a certified copy of the divorce decree terminating the marriage to the retiree.

(c) Former spouses applying for benefits under this section must meet the requirements of paragraph (a) of this section at the time of application. An annuity under this section terminates on the last day of the month before the former spouse remarries before age 55 or dies, except that a remarriage before September 15, 1978, does not cause termination of a former spouse annuity for a spouse acquired after retirement if the following conditions are met:

(1) (i) The retiree was married at the time of retirement and did not elect a survivor annuity at that time; or

(ii) The retiree failed to elect a fully or partially reduced annuity within 1 year after a post-retirement marriage that occurred before November 8, 1984, and the retiree attempted to elect a fully or partially reduced annuity after the time limit expired and that request was disallowed as untimely.

(2) The retiree applies for a fully or partially reduced annuity under this section before November 9, 1985.

(3) The retiree agrees to pay the amount due under paragraph (d) of this section.

(b) Applications must be filed on the form prescribed by OPM, except filing the form is excused when the retiree dies before filing the required form if:

(1) The retiree made a written request, after November 8, 1984, to elect a fully or partially reduced annuity under this section, and

(ii) The retiree was denied the opportunity to file the required form because the retiree, without fault, did not receive the form in sufficient time for the retiree to be reasonably expected to complete the form before death.

(c)(1) In response to a retiree’s inquiry about providing a current spouse annuity under this section, OPM will send an application form. This application will include instructions to assist the retiree in estimating the amount of System resulting from the death of the same retiree, the annuity under this section will be paid instead of the other current spouse annuity or former spouse annuity.

reduction in the annuity to provide the current spouse annuity and the amount of the required deposit. The application form will include a notice to retirees that filing the application constitutes an official election which cannot be revoked after 30 days after the annuity check in which the annuity reduction first appears.

(2) If the retiree returns the application electing a fully or partially reduced annuity under this section, OPM will notify the retiree of—
   (i) The rate of the fully reduced annuity; and
   (ii) The rate of the potential current spouse annuity; and
   (iii) The amount of the deposit, including interest, that is due as of the date that the annuity reduction is scheduled to begin; and
   (iv) The amount and duration of installment payments if no deposit is made.

(3) The notice under paragraph (c)(2) of this section will advise the retiree that the deposit will be collected in installments under §831.665, unless lump-sum payment is made within 60 days from the date of this notice.

(4) OPM will reduce the annuity and begin collection of the deposit in installments effective with the first check payable more than 60 days after the date on the notice required under paragraph (c)(2) of this section.

(d) The retiree must state on the application form whether the application is made under paragraph (a)(1)(i) of this section or paragraph (a)(1)(ii) of this section. If the application is made under paragraph (a)(1)(ii) of this section, the retiree must prove that he or she had attempted to elect a fully reduced annuity and that OPM rejected that application because it was filed too late. The proof must consist of a copy of OPM’s letter rejecting the previous election as untimely filed or an affidavit swearing or affirming that he or she made an untimely application which OPM rejected. The affidavit is sufficient documentation to provide proof of the retiree’s attempt to elect a reduced annuity, unless the record contains convincing evidence to rebut the certification.

(e) A retiree who elects to provide a current spouse annuity under this section must agree to pay a deposit equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if a fully reduced annuity were being paid continuously since the time of retirement, plus 6 percent annual interest, computed under §831.105, from the date when each difference occurred.

(f) The rate of a survivor annuity under this section will be computed under the laws in effect at the time of the retiree’s separation from the Federal service.

§831.685 Changes in elections to provide a current spouse annuity by a retiree who retired before May 28, 1986.

(a) Except as provided in §831.613 and paragraphs (b) and (c) of this section, a retiree who retired before May 28, 1986, was married at the time of retirement, and at the time of retirement did not elect a fully reduced annuity to provide a current spouse annuity may elect a fully reduced annuity or a greater partially reduced annuity to provide a current spouse annuity.

(b)(1) An election under paragraph (a) of this section may be made only by a retiree who is married to the same spouse to whom the retiree was married at the time of retirement.

(2) A current spouse annuity based on an election under paragraph (a) of this section cannot be paid if it will, when combined with any former spouse annuity or annuities that are required by court order, exceed the maximum survivor annuity permitted under §831.641.

(3)(i) Except as provided in paragraph (b)(4) of this section, to make an election under paragraph (a) of this section, the retiree must pay the deposit computed under §831.662, in full, no later than November 28, 1987.

(ii) Except as provided in paragraph (b)(4) of this section, failure to pay the deposit, in full, before November 29, 1987, voids an election made under paragraph (a) of this section.

(4) If a retiree makes an election under paragraph (a) of this section and
§ 831.701 Effective dates of annuities.
(a) Except as provided in paragraphs (b) and (c) of this section, an annuity of an employee or Member commences on the first day of the month after—
(1) Separation from the service; or
(2) Pay ceases and the service and age requirements for title to annuity are met, if earlier than the date of separation.
(b) An annuity of—
(1) An employee involuntarily separated from service (except by removal for cause on charges of misconduct or delinquency) and eligible for an immediate annuity based on that involuntary separation;
(2) An employee or Member retiring due to a disability; and
(3) An employee or Member retiring after serving three days or less in the month of retirement—shall commence on the day after separation from the service or the day after pay ceases and the service and age or disability requirements for title to annuity are met.
(c) An annuity granted under section 8338, title 5, United States Code, commences on the appropriate birthday of the employee or Member.
(d) Survivor annuities commence as provided in §831.651.
(e) Except as provided in §831.502, annuity terminates on the date of death or on the date of any other terminating event in each case when OPM terminates the annuity.
(f) Annuity accrues on a daily basis, one-thirtieth of the monthly rate constituting the daily rate. Annuity does not accrue for the thirty-first day of any month, except in the initial month if the employee's annuity commences on the 31st of a 31-day month. For accrual purposes, the last day of a 28-day month constitutes 3 days and the last day of a 29-day month constitutes 2 days.

§ 831.702 Adjustment of annuities.
(a)(1) An annuity which includes creditable National Guard technician service performed prior to January 1, 1969, shall be reduced by the portion of any benefits under any State retirement system to which an annuitant is entitled (or on proper application would be entitled) for any month in which the annuitant is eligible for State benefits based on the same pre-1969 service.
(2) Any cost-of-living increases in the State benefit shall require a corresponding deduction in the civil service annuity.
(b) In the adjudication of claims arising under subchapter III of chapter 83 of title 5, United States Code, OPM shall take appropriate action to obtain the data that it considers necessary to assure the proper annuity deduction.
Upon request by OPM, an annuitant shall promptly submit this data.

§ 831.703 Computation of annuities for part-time service.

(a) Purpose. The computational method in this section shall be used to determine the annuity for an employee who has part-time service on or after April 7, 1986.

(b) Definitions. In this section—

Full-time service means any actual service in which the employee is scheduled to work the number of hours and days required by the administrative workweek for his or her grade or class (normally 40 hours).

Intermittent service means any actual service performed with no prescheduled regular tour of duty.

Part-time service means any actual service performed on a less than full-time basis, by an individual whose appointment describes a regularly scheduled tour of duty, and any period of time credited as non-pay status time under 5 U.S.C. 8332(f), which follows a period of part-time service without any intervening period of actual service other than part-time service. This definition is not limited to part-time career employment because it includes part-time temporary employment as well.

Post-April 6, 1986 average pay means the largest annual rate resulting from averaging, over any period of 3 consecutive years of creditable service, the annual rate of basic pay that would be payable for full-time service by an employee during that period, with each rate weighted by the time it was in effect, except that for periods of service before April 7, 1986, the actual rate of basic pay based on the employee's established tour of duty, if different, is used in the computation. The rates of pay included in the computation for intermittent service or temporary service performed on a full-time basis are the actual rates of basic pay during those periods of creditable service.

Pre-April 7, 1986, average pay means the largest annual rate resulting from averaging, over any period of 3 consecutive years of creditable service, an employee's actual rates of basic pay during that period, with each rate weighted by the time it was in effect.

Proration factor means a fraction expressed as a percentage rounded to the nearest percent. The numerator is the sum of the number of hours the employee actually worked during part-time service, and the denominator is the sum of the number of hours that a full-time employee would be scheduled to work during the same period of service included in the numerator. If an employee has creditable service in addition to part-time service (full-time service, intermittent service, or temporary service performed on a full-time basis), such service must be included in the numerator and denominator of the fraction. In general, this is done by including the number of days of such intermittent service, multiplied by 8, and the number of weeks of such temporary service or full-time service, multiplied by 40 in both the numerator and the denominator. The additional credit for unused sick leave under 5 U.S.C. 8339(m) is not included in the fraction.

Temporary service means service under an appointment limited to one year or less, exclusive of intermittent service.

(c) Pre-April 7, 1986, basic annuity. The partial annuity for pre-April 7, 1986, service is computed in accordance with 5 U.S.C. 8339 using the pre-April 7, 1986, average pay and length of service (increased by the unused sick leave credit at time of retirement) prior to April 7, 1986.

(d) Post-April 6, 1986, basic annuity. The partial annuity for post-April 6, 1986, service is computed in accordance with 5 U.S.C. 8339 using the post-April 6, 1986, average pay and length of service after April 6, 1986. This amount is then multiplied by the proration factor.

(e) Combined basic annuity. The combined basic annuity is equal to the sum of the partial annuity amounts computed under paragraphs (c) and (d). Subpart H [Reserved]

Subpart I—Law Enforcement Officers and Firefighters

SOURCE: 58 FR 64367, Dec. 7, 1993, unless otherwise noted.

§ 831.901 Applicability and purpose.

(a) This subpart contains regulations of the Office of Personnel Management (OPM) to supplement 5 U.S.C. 8336(c), which establishes special retirement eligibility for law enforcement officers and firefighters employed under the Civil Service Retirement System; 5 U.S.C. 8331(3)(C) and (D), pertaining to basic pay; 5 U.S.C. 8333(a) (1) and (c), pertaining to deductions, contributions, and deposits; 5 U.S.C. 8335(b), pertaining to mandatory retirement; and 5 U.S.C. 8339(d), pertaining to computation of annuity.

(b) The regulations in this subpart are issued pursuant to the authority given to OPM in 5 U.S.C. 8347 to prescribe regulations to carry out subchapter III of chapter 83 of title 5 of the United States Code, and in 5 U.S.C. 1104 to delegate authority for personnel management to the heads of agencies.

§ 831.902 Definitions.

In this subpart—

Agency head means, for the executive branch agencies, the head of an executive agency as defined in 5 U.S.C. 105; for the legislative branch, the Secretary of the Senate, the Clerk of the House of Representatives, or the head of any other legislative branch agency; for the judicial branch the Director of the Administrative Office of the U.S. Courts; for the Postal Service, the Postmaster General; and for any other independent establishment that is an entity of the Federal Government, the head of the establishment. For purposes of this subpart, agency head is also deemed to include the designated representative of the head of an executive department as defined in 5 U.S.C. 101, except that the designated representative must be a department headquarters-level official who reports directly to the executive department head, or to the deputy department head, and who is the sole such representative for the entire department.

Detention duties means duties that require frequent direct contact in the detention, direction, supervision, inspection, training, employment, care, transportation, or rehabilitation of individuals suspected or convicted of offenses against the criminal laws of the United States or the District of Columbia or offenses against the punitive articles of the Uniform Code of Military Justice (10 U.S.C. chapter 47). (See 5 U.S.C. 8331(20).)

Firefighter means an employee, whose duties are primarily to perform work directly connected with the control and extinguishment of fires or the maintenance and use of firefighting apparatus and equipment. Also included in this definition is an employee engaged in this activity who is transferred to supervisory or administrative position. (See 5 U.S.C. 8331(21).) An employee whose primary duties are the performance of routine fire prevention inspection is excluded from this definition.

Frequent direct contact means personal, immediate, and regularly-assigned contact with detainees while...
performing detention duties, which is repeated and continual over a typical work cycle.

Law enforcement officer means an employee, the duties of whose position are primarily the investigation, apprehension, or detention of individuals suspected or convicted of offenses against the criminal laws of the United States, including an employee engaged in this activity who is transferred to a supervisory or administrative position. (See 5 U.S.C. 8331(20).) The definition does not include an employee whose primary duties involve maintaining law and order, protecting life and property, guarding against or inspecting for violations of law, or investigating persons other than persons who are suspected or convicted of offenses against the criminal laws of the United States.

Primary duties are those duties of a position that—

1. Are paramount in influence or weight; that is, constitute the basic reasons for the existence of the position;

2. Occupy a substantial portion of the individual's working time over a typical work cycle; and

3. Are assigned on a regular and recurring basis.

Duties that are of an emergency, incidental, or temporary nature cannot be considered "primary" even if they meet the substantial portion of time criterion. In general, if an employee spends an average of at least 50 percent of his or her time performing a duty or group of duties, they are his or her primary duties.

Primary position means a position whose primary duties are:

1. To perform work directly connected with controlling and extinguishing fires or maintaining and using fire apparatus and equipment; or

2. Investigation, apprehension, or detention of individuals suspected or convicted of offenses against the criminal laws of the United States.

Secondary position means a position that:

1. Is clearly in the law enforcement or firefighting field;

2. Is in an organization having a law enforcement or firefighting mission; and

3. Is either—

(i) Supervisory; i.e., a position whose primary duties are as a first-level supervisor of law enforcement officers or firefighters in primary positions; or

(ii) Administrative; i.e., an executive, managerial, technical, semiprofessional, or professional position for which experience in a primary law enforcement or firefighting position, or equivalent experience outside the Federal government, is a prerequisite.

§ 831.903 Conditions for coverage in primary positions.

(a) An employee's service in a position that has been determined by the employing agency head to be a primary law enforcement officer or firefighter position is covered under the provisions of 5 U.S.C. 8336(c).

(b) An employee who is not in a primary position, nor covered while in a secondary position, and who is detailed or temporarily promoted to a primary position is not covered under the provisions of 5 U.S.C. 8336(c).

§ 831.904 Conditions for coverage in secondary positions.

(a) An employee's service in a position that has been determined by the employing agency head to be a secondary law enforcement officer or firefighter position is covered under the provisions of 5 U.S.C. 8336(c) if all of the following criteria are met:

1. The employee is transferred directly (i.e., without a break in service exceeding 3 days) from a primary position to a secondary position; and

2. If applicable, the employee has been continuously employed in secondary positions since transferring from a primary position without a break in service exceeding 3 days, except that a break in employment in secondary positions which begins with an involuntary separation (not for cause), within the meaning of 8336(d)(1) of title 5, United States Code, is not considered in determining whether the service in secondary positions is continuous for this purpose.

(b) This requirement for continuous employment in a secondary position applies only to voluntary breaks in

(c) An employee who is not in a primary position, nor covered while in a secondary position, and who is detailed or temporarily promoted to a secondary position is not covered under the provisions of 5 U.S.C. 8336(c).

(d) The service of an employee who is in a position on January 19, 1988, that has been approved as a secondary position under this subpart will continue to be covered under the provisions of 5 U.S.C. 8336(c) as long as the employee remains in that position without a voluntary break in service, and coverage is not revoked by OPM under §831.911, or by the agency head.

§ 831.905 Evidence.

(a) An agency head's determination that a position is a primary position must be based solely on the official position description of the position in question, and any other official description of duties and qualifications. The official documentation for the position must establish that it satisfies the requirements defined in §831.902.

(b) A determination under §831.904 must be based on the official position description and any other evidence deemed appropriate by the agency head for making the determination.

§ 831.906 Requests from individuals.

(a) An employee who requests credit for service under 5 U.S.C. 8336(c) bears the burden of proof with respect to that service, and must provide the employing agency with all pertinent information regarding duties performed, including—

(1) For law enforcement officers, a list of the provisions of Federal criminal law the incumbent is responsible for enforcing and arrests made; and

(2) For firefighters, number of fires fought, names of fires fought, dates of fires, and position occupied while on firefighting duty.

(b) An employee who is currently serving in a position that has not been approved as a primary or secondary position, but who believes that his or her service is creditable as service in a primary or secondary position may request the agency head to determine whether or not the employee's service should be credited and, if it qualifies, whether it should be a primary or secondary position.

(c) A current or former employee (or the survivor of a former employee) who believes that a period of past service in an unapproved position qualifies as service in a primary or secondary position and meets the conditions for credit it must follow the procedure in paragraph (b) of this section. Except as provided in paragraph (d) of this section, the request must be made to the agency where the claimed service was performed.

(d) For a current or former employee seeking credit under 5 U.S.C. 8336(c) for service performed at an agency that is no longer in existence, and for which there is no successor agency, OPM will accept, directly from the current or former employee (or the survivor of a former employee), a request for a determination as to whether a period of past service qualifies as service in a primary or secondary position and meets the conditions for credit.

(e) Coverage in a position or credit for past service will not be granted for a period greater than 1 year prior to the date that the request from an individual is received under paragraphs (b), (c), or (d) of this section by the employing agency, the agency where past service was performed, or OPM.

(f) An agency head, in the case of a request filed under paragraph (b) or (c) of this section, or OPM, in the case of request filed under paragraph (d) of this section, may extend the time limit for filing when, in the judgment of such agency head or OPM, the individual shows that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

§ 831.907 Withholdings and contributions.

(a) During the service covered under the conditions established by §831.903 and §831.904, the employing agency will deduct and withhold from the employee's base pay the amount required under 5 U.S.C. 8334(a) for such positions and submit that amount, together with agency contributions required by 5 U.S.C. 8334(a), to OPM in accordance
Office of Personnel Management

§ 831.910

with payroll office instructions issued by OPM.

(b) If the correct withholdings and/or Government contributions are not submitted to OPM for any reason whatsoever, including cases in which it is finally determined that past service of a current or former employee was subject to the higher deduction and Government contribution rates, the employing agency must correct the error by submitting the correct amounts (including both employee and agency shares) to OPM as soon as possible. Even if the agency waives collection of the overpayment of pay under any waiver authority that may be available for this purpose, such as 5 U.S.C. 5584, or otherwise fails to collect the debt, the correct amount must still be submitted to OPM without delay as soon as possible.

(c) Upon proper application from an employee, former employee or eligible survivor of a former employee, an employing agency or former employing agency will pay a refund of erroneous additional withholdings for service that is found not to have been covered service. If an individual has paid to OPM a deposit or redeposit, including the additional amount required for covered service, and the deposit or redeposit is later determined to be erroneous because the service was not covered service, OPM will pay the refund, upon proper application, to the individual, without interest.

(d) The additional employee withholding and agency contribution for covered or creditable service properly made as required under 5 U.S.C. 8334(a)(1) or deposited under 5 U.S.C. 8334(c) are not separately refundable, even in the event that the employee or his or her survivor does not qualify for a special annuity computation under 5 U.S.C. 8339(d).

(e) While an employee who does not hold a primary or secondary position is detailed or temporarily promoted to a primary or secondary position, the additional withholdings and agency contributions will continue to be made.

§ 831.908 Mandatory separation.

(a) The mandatory separation provisions of 5 U.S.C. 8335(b) apply to all law enforcement officers and firefighters in primary and secondary positions. A mandatory separation under section 8335(b) is not an adverse action under part 752 of this chapter or a removal action under part 359 of this chapter. Section 831.503 provides the procedures for requesting an exemption from mandatory separation.

(b) In the event an employee is separated mandatorily under 5 U.S.C. 8335(b), or is separated for optional retirement under 5 U.S.C. 8336(c), and OPM finds that all or part of the minimum service required for entitlement to immediate annuity was in a position which did not meet the requirements of a primary or secondary position and the conditions set forth in this subpart, such separation will be considered erroneous.

§ 831.909 Reemployment.

An employee who has been mandatorily separated under 5 U.S.C. 8335(b) is not barred from reemployment in any position except a primary position after age 60. Service by a reemployed annuitant is not covered by the provisions of 5 U.S.C. 8336(c).

§ 831.910 Review of decisions.

The following decisions may be appealed to the Merit Systems Protection Board under procedures prescribed by the Board:

(a) The final decision of an agency or OPM issued to an employee, former employee, or survivor as the result of a request for determination filed under § 831.906; and

(b) The final decision of an agency that a break in service referred to in § 831.904(a)(2) did not begin with an involuntary separation within the meaning of 5 U.S.C. § 8336(d)(1).

§ 831.911 Oversight of coverage determinations.

(a) Upon deciding that a position is a law enforcement officer or firefighter position, each agency head must notify OPM (Attention: Associate Director for Retirement and Insurance) stating the title of each position, the number of incumbents, and whether the position is primary or secondary. The Director of OPM retains the authority to revoke an agency head's determination that a position is a primary or secondary position, or that an individual's service in any other position is creditable under 5 U.S.C. 8336(c).

(b) Each agency must establish a file containing each coverage determination made by an agency head under § 831.903 and § 831.904, and all background material used in making the determination.

(c) Upon request by OPM, the agency will make available the entire coverage determination file for OPM to audit to ensure compliance with the provisions of this subpart.

(d) Upon request by OPM, an agency must submit to OPM a list of all covered positions and any other pertinent information requested.

(e) A coverage determination issued by OPM or its predecessor, the Civil Service Commission, will not be reopened by an employing agency, unless the agency head determines that new and material evidence is available that, despite due diligence, was not available before the decision was issued.

§ 831.1005

(a) OPM will reduce the annuity of an individual who has performed Federal service, if the individual is entitled, or on proper application would be entitled, to old-age benefits under title II of the Social Security Act.

(b) The reduction required under paragraph (a) of this section is effective on the 1st day of the month during which the employee—

(1) Is entitled to an annuity under CSRS; and

(2) Is entitled, or on proper application would be entitled, to old-age benefits under title II of the Social Security Act.

(c) Subject to paragraphs (d) and (e) of this section, the amount of the reduction required under paragraph (a) of this section is the lesser of—

(1) The difference between—

(i) The Social Security old-age benefit for the month referred to in paragraph (b) of this section; and

(ii) The old-age benefit that would be payable to the individual for the month referred to in paragraph (b) of this section, excluding all wages from Federal service, and assuming the annuitant was fully insured (as defined by section 215(a) of the Social Security Act (42 U.S.C. 414(a))); or

(2) The product of—

(i) The old-age benefit to which the individual is entitled or would, on proper application, be entitled; and

(ii) A fraction—

(B) The denominator of which is 40.

(d) Cost-of-living adjustments under 5 U.S.C. 8340 occurring after the effective date of the reduction required under paragraph (a) of this section will be based on only the annuity remaining after reduction under this subpart.

(e) The amounts for paragraphs (c)(1)(i), (c)(1)(ii), and (c)(2)(i) of this section are computed without regard to subsections (b) through (l) of section 203 of the Social Security Act (42 U.S.C. 403) (relating to reductions in Social Security benefits), and without applying the provisions of the second sentence of section 215(a)(7)(B)(i) or section 215(d)(5)(i) of the Social Security Act (42 U.S.C. 415(a)(7)(B)(i) or 415(d)(5)(i) (relating to part of the computation of the Social Security windfall elimination provisions).

(f) OPM will accept the determination of the Social Security Administration, submitted in a form prescribed by OPM, concerning entitlement to Social Security benefits and the date thereof.
§ 831.1006 Offset from disability or survivor annuity.

(a) OPM will reduce the disability annuity (an annuity under 5 U.S.C. 8337) of an individual who performed Federal service, if the individual is (or would on proper application be) entitled to disability payments under section 223 of the Social Security Act (42 U.S.C. 423).

(b)(1) Before an application for disability retirement under 5 U.S.C. 8337 can be finally approved in the case of an employee who has Federal service, the applicant must provide OPM with—

(i) Satisfactory evidence that the applicant has filed an application for disability insurance benefits under section 223 of the Social Security Act; or

(ii) An official statement from the Social Security Administration that the individual is not insured for disability insurance benefits as defined in section 223(c)(1) of the Social Security Act.

(2) A disability retirement application under 5 U.S.C. 8337 will be dismissed when OPM is notified by the Social Security Administration that the application referred to in paragraph (b)(1)(i) of this section has been withdrawn unless the evidence described in paragraph (b)(1)(ii) of this section has been provided.

(c) OPM will reduce a survivor annuity (an annuity under 5 U.S.C. 8341) based on the service of an individual who performed Federal service, if the survivor annuitant is entitled, or on proper application would be entitled, to survivor benefits under section 202(d), (e), or (f) (relating to children’s, widow’s, and widowers’ benefits, respectively) of the Social Security Act (42 U.S.C. 202(d), (e), or (f)).

(d) The reduction required under paragraphs (a) and (c) of this section begins (or is reinstated) on the 1st day of the month during which the disability or survivor annuitant—

(1) Is entitled to disability or survivor annuity under CSRS; and

(2) Is entitled, or on proper application would be entitled, to disability or survivor benefits under the Social Security Act provisions mentioned in paragraphs (a) and (c) of this section, respectively.

(e) The reduction under paragraphs (a) and (c) of this section will be computed and adjusted in a manner consistent with the provisions of § 831.1005(c) through (e).

(f) A reduction under paragraph (a) or (c) of this section stops on the date entitlement to the disability or survivor benefits under title II of the Social Security Act terminates. In the case of a disability or survivor annuitant who has not made proper application for the Social Security benefit, the reduction under paragraph (a) or (c) of this section stops on the date entitlement to such disability or survivor benefits would otherwise terminate. If a Social Security benefit is reduced under any provision of the Social Security Act, even if reduced to zero, entitlement to that benefit is not considered to have terminated.

(g) OPM will accept the determination or certification of the Social Security Administration, submitted in a form prescribed by OPM, concerning entitlement to Social Security disability or survivor benefits and the beginning and ending dates thereof.

(h) If a disability annuitant who is not entitled to disability benefits under title II of the Social Security Act subsequently becomes entitled to old-age benefits under the Social Security Act, a reduction under § 831.1005 will begin on the 1st day of the month during which the annuitant becomes entitled, or on proper application would be entitled, to Social Security old-age insurance benefits.

Subpart K—Prohibition on Payments of Annuities

Subpart L—Disability Retirement

SOURCE: 58 FR 49179, Sept. 22, 1993, unless otherwise noted.

§ 831.1201 Introduction.
This subpart sets out the requirements an employee must meet to qualify for disability retirement, how an employee applies for disability retirement, how an agency applies for disability retirement for an employee, when a disability annuity ends, an individual’s retirement rights after the disability annuity ends, and the effect of reemployment in the Federal service on a disability annuitant.

§ 831.1202 Definitions.
As used in this subpart—
Accommodation means an adjustment made to an employee’s job or work environment that enables the employee to perform the duties of the position. Reasonable accommodation may include modifying the worksite; adjusting the work schedule; restructuring the job; obtaining or modifying equipment or devices; providing interpreters, readers, or personal assistants; and reassigning or retraining the employee.
Basic pay means the pay an employee receives that is subject to civil service retirement deductions. The definition is the same as the definition of “basic pay” under 5 U.S.C. 8331(3).
Commuting area means the geographic area that usually constitutes one area for employment purposes. It includes a population center (or two or more neighboring ones) and the surrounding localities in which people live and can reasonably be expected to travel back and forth daily from home to work in their usual employment.
Disabled and disability mean unable or inability, because of disease or injury, to render useful and efficient service in
the employee's current position, or in a vacant position in the same agency at
the same grade or pay level for which the individual is qualified for reassign-
ment.

Examination and reexamination mean an evaluation of evidentiary material
related to the question of disability. Unless OPM exercises its choice of a
physician, the cost of providing medi-
cal documentation rests with the em-
ployee or disability annuitant, who
must provide any information OPM
needs to make an evaluation.

Medical condition means a health im-
pairment resulting from a disease or
injury, including a psychiatric disease.
This is the same definition of "medical
condition" as in § 339.104 of this chap-
ter.

Medical documentation and documenta-
tion of a medical condition mean a state-
ment from a licensed physician or
other appropriate practitioner that
provides information OPM considers
necessary to determine an individual's
entitlement to benefits under this sub-
part. Such a statement must meet the
criteria set forth in § 339.104 of this
chapter.

Permanent position means an appoint-
ment without time limitation.

Physician and practitioner have the
same meanings given in § 339.104 of this
chapter.

Qualified for reassignment means able
to meet the minimum requirements for
the grade and series of the vacant posi-
tion in question.

Same grade or pay level means, in re-
gard to a vacant position within the
same pay system as the employee cur-
cently occupies, the same grade and an
equivalent amount of basic pay. A posi-
tion under a different pay system or
schedule is at the "same pay level" if
the representative rate, as defined in
§ 532.401 of this chapter, equals the rep-
resentative rate of the employee's cur-
rent position.

Useful and efficient service means (1)
acceptable performance of the critical
or essential elements of the position;
and (2) satisfactory conduct and at-
tendance.

Vacant position means an unoccupied
position of the same grade or pay level
and tenure for which the employee is
qualified for reassignment that is lo-
cated in the same commuting area and
is serviced by the same appointing au-
thority of the employing agency. The
vacant position must be full time, un-
less the employee's current position is
less than full time, in which case the
vacant position must have a work
schedule of no less time than that of
the current position. In the case of an
employee of the United States Postal
Service, a vacant position does not in-
clude a position in a different craft or
a position to which reassignment
would be inconsistent with the terms of
a collective bargaining agreement
covering the employee.

§ 831.1203 Basic requirements for dis-
ability retirement.

(a) Except as provided in paragraph
(b) of this section, the following condi-
tions must be met for an individual to
be eligible for disability retirement:

(1) The individual must have com-
pleted at least 5 years of civilian serv-
ice that is creditable under the Civil
Service Retirement System.

(2) The individual must, while em-
ployed in a position subject to the Civil
Service Retirement System, have be-
come disabled because of a medical
condition, resulting in a service defi-
ciency in performance, conduct, or at-
tendance, or if there is no actual serv-
ice deficiency, the disabling medical
condition must be incompatible with
either useful and efficient service or re-
tention in the position.

(3) The disabling medical condition
must be expected to continue for at
least 1 year from the date the applica-
tion for disability retirement is filed.

(4) The employing agency must be
unable to accommodate the disabling
medical condition in the position held
or in an existing vacant position.

(5) An application for disability re-
tirement must be filed with the em-
ploying agency before the employee or
Member separates from service, or with
the former employing agency or the Of-

cise of Personnel Management (OPM)
within 1 year thereafter. This time
limit can be waived only in certain in-
stances explained in § 831.1204.

(b) A National Guard technician who
is retiring under the special provisions
of 5 U.S.C. 8337(h) is not required to
§ 831.1204 Filing disability retirement applications: General.

(a) Except as provided in paragraphs (c) and (d) of this section, an application for disability retirement is timely only if it is filed with the employing agency before the employee or Member separates from service, or with the former employing agency or OPM within 1 year thereafter.

(b) An application for disability retirement that is filed with OPM, an employing agency or former employing agency by personal delivery is considered filed on the date on which OPM, the employing agency or former employing agency receives it. The date of filing by facsimile is the date of the facsimile. The date of filing by mail is determined by the postmark date; if no legible postmark date appears on the mailing, the application is presumed to have been mailed 5 days before its receipt, excluding days on which OPM, the employing agency or former employing agency, as appropriate, is closed for business. The date of filing by commercial overnight delivery is the date the application is given to the overnight delivery service.

(c) An application for disability retirement that is filed with OPM or the applicant's former employing agency within 1 year after the employee's separation, and that is incompletely executed or submitted in a letter or other form not prescribed by OPM, is deemed timely filed. OPM will not adjudicate the application or make payment until the application is filed on a form prescribed by OPM.

(d) OPM may waive the 1-year time limit if the employee or Member is mentally incompetent on the date of separation or within 1 year thereafter, in which case the individual or his or her representative must file the application with the former employing agency or OPM within 1 year after the date the individual regains competency or a court appoints a fiduciary, whichever is earlier.

(e) An agency may consider the existence of a pending disability retirement application when deciding whether and when to take other personnel actions. An employee's filing for disability retirement does not require the agency to delay any appropriate personnel action.

§ 831.1205 Agency-filed disability retirement applications.

(a) Basis for filing an application for an employee. An agency must file an application for disability retirement of an employee who has 5 years of civilian Federal service when all of the following conditions are met:

(1) The agency has issued a decision to remove the employee;

(2) The agency concludes, after its review of medical documentation, that the cause for unacceptable performance, attendance, or conduct is disease or injury;

(3) The employee is institutionalized, or the agency concludes, based on a review of medical and other information, that the employee is incapable of making a decision to file an application for disability retirement;

(4) The employee has no personal representative or guardian; and

(5) The employee has no immediate family member who is willing to file an application on his or her behalf.

(b) Agency procedures. (1) When an agency issues a decision to remove an employee and not all of the conditions described in paragraph (a) of this section have been satisfied, but the removal is based on reasons apparently caused by a medical condition, the agency must advise the employee in writing of his or her possible eligibility for disability retirement.

(2) If the agency is filing a disability retirement application on the employee's behalf, the agency must inform the employee in writing of his or her possible eligibility for disability retirement.
Office of Personnel Management § 831.1206

(i) The agency is submitting a disability retirement application on the employee's behalf to OPM;

(ii) The employee may review any medical information in accordance with the criteria in §294.106(d) of this chapter; and

(iii) The action does not affect the employee's right to submit a voluntary application for retirement under this part.

(3) When an agency submits an application for disability retirement to OPM on behalf of an employee, it must provide OPM with copies of the decision to remove, the medical documentation, and any other documents needed to show that the cause for removal is due to a medical condition. Following separation, the agency must provide OPM with a copy of the documentation of the separation.

(c) OPM procedures. (1) OPM will not act on any application for disability retirement filed by an agency on behalf of an employee until it receives the appropriate documentation of the separation. When OPM receives a complete application for disability retirement under this section, it will notify the former employee that it has received the application, and that he or she may submit medical documentation. OPM will determine entitlement to disability benefits under §831.1206.

(2) OPM will cancel any disability retirement when a final decision of an administrative authority or court reverses the removal action and orders the reinstatement of an employee to the agency rolls.

§ 831.1206 Evidence supporting entitlement to disability benefits.

(a) Evidence to support disability retirement application. (1) Before OPM determines whether an individual meets the basic requirements for disability retirement under §831.1203, an applicant for disability retirement or the employing agency must submit to OPM the following forms included in Standard Form 2824, “Documentation in Support of Disability Retirement Application;”

(i) Standard Form 2824A—“Applicant's Statement;”

(ii) Standard Form 2824B—“Supervisor's Statement;”

(iii) Standard Form 2824D—“Agency Certification or Reassignment and Accommodation Efforts;” and

(iv) Standard Form 2824E—“Disability Retirement Application Checklist.”

(2) Standard Form 2824C—“Physician's Statement” and the supporting medical documentation may be submitted directly to OPM.

(3) The applicant, or the employing agency, must also obtain and submit additional documentation as may be required by OPM to determine entitlement to the disability retirement benefit.

(4) Refusal by the applicant, physician, or employing agency to submit the documentation OPM has determined is necessary to decide eligibility for disability retirement is grounds for disallowance of the application.

(b) OPM procedures for processing a disability retirement application. (1) OPM will review the documentation submitted under paragraph (a) of this section in support of an application for disability retirement to determine whether the applicant has met the conditions stated in §831.1203 of this part. OPM will issue its decision in writing to the applicant and to the employing agency. The decision will include a statement of the findings and conclusions, and an explanation of the right to request reconsideration under §831.109 of this part.

(2) OPM may rescind a decision to allow an application for disability retirement at any time if there is an indication of error in the original decision, such as fraud or misstatement of fact, or if additional medical documentation is needed. The written notification will include a statement of the findings and conclusions, and an explanation of the right to request reconsideration under §831.109 of this part.

(c) Medical examination. OPM may offer the applicant a medical examination when it determines that additional medical evidence is necessary to make a decision on an application. The medical evaluation will be conducted by a medical officer of the United States or a qualified physician or board of physicians designated by OPM. The applicant's refusal to submit to an examination is grounds for disallowance of the application.
(d) Responsibility for providing evidence. It is the responsibility of the applicant to obtain and submit documentation that is sufficient for OPM to determine whether there is a service deficiency, caused by disease or injury, of sufficient degree to preclude useful and efficient service, or a medical condition that warrants restriction from the critical task or duties of the position held. It is also the responsibility of the disability annuitant to obtain and submit evidence OPM requires to show continuing entitlement to disability benefits.

§ 831.1207 Withdrawal of disability retirement applications.

(a) OPM will honor, without question, an applicant’s request to withdraw an employee-filed disability retirement application if it receives the withdrawal request before the employing agency has separated the current employee, or, if the employee has already separated from the service, the withdrawal request is received before the official notice of approval has been issued by OPM. Similarly, OPM will honor, without question, an agency’s request to withdraw an agency-filed disability retirement application if it receives the withdrawal request before the employee has separated from the service. Once the request to withdraw the application is accepted, an applicant must reapply to receive any further consideration.

(b) Withdrawal of a disability retirement application does not ensure the individual’s continued employment. It is the employing agency’s responsibility to determine whether it is appropriate to continue to employ the individual.

(c) OPM considers voluntary acceptance of a permanent position in which the employee has civil service retirement coverage, including a position at a lower grade or pay level, to be a withdrawal of the employee’s disability retirement application. The employing agency must notify OPM immediately when an applicant for disability retirement accepts a position of this type.

(d) OPM also considers a disability retirement application to be withdrawn when the agency reports to OPM that it has reassigned an applicant or an employee has refused a reassignment to a vacant position, or the agency reports to OPM that it has successfully accommodated the medical condition in the employee’s current position. Placement consideration is limited only by agency authority and can occur after OPM’s allowance of the application up to the date of separation for disability retirement. The employing agency must notify OPM immediately if any of these events occur.

(e) After OPM allows a disability retirement application and the employee is separated, the application cannot be withdrawn. However, an individual entitled to a disability annuity may decline to accept all or any part of the annuity under the waiver provisions of 5 U.S.C. § 8345(d) or request to be found medically recovered under § 831.1208(e) of this part.

§ 831.1208 Termination of disability annuity because of recovery.

(a) Each annuitant receiving disability annuity from the Fund shall be examined under the direction of OPM at the end of 1 year from the date of disability retirement and annually thereafter until the annuitant becomes 60 years of age unless the disability is found by OPM to be permanent in character. OPM may order a medical or other examination at any time to determine the facts relative to the nature and degree of disability of the annuitant. Failure to submit to reexamination shall result in suspension of annuity.

(b) A disability annuitant may request medical reevaluation under the provisions of this section at any time. OPM will reevaluate the medical condition of disability annuitants age 60 or over only on their own request.

(c) Recovery based on medical documentation. When an examination or reevaluation shows that a disability annuitant has medically recovered from the disability, OPM will terminate the annuity effective on the first day of the month beginning 1 year after the date of the medical examination showing recovery.

(d) Recovery based on reemployment by the Federal Government. Reemployment by an agency at any time before
Office of Personnel Management § 831.1209

(a) Restoration to earning capacity. If a disability annuitant is under age 60 on December 31 of any calendar year and his or her income from wages or self-employment or both during that calendar year equal at least 80 percent of the current rate of basic pay of the position occupied immediately before retirement, the annuitant’s earning capacity is considered to be restored. The disability annuity will terminate on the June 30 after the end of the calendar year in which earning capacity is restored. When an agency reemploys a restored disability annuitant at any grade or rate of pay within the 180-day waiting period pending termination of the disability retirement benefit, OPM will terminate the annuity effective on the date of reemployment.

(b) Current rate of basic pay for the position occupied immediately before retirement. (1) A disability annuitant’s income for a calendar year is compared to the gross annual rate of basic pay in effect on December 31 of that year for the position occupied immediately before retirement. The income for most disability annuitants is based on the rate for the grade and step which reflects the total amount of basic pay (both the grade and step and any additional basic pay) in effect on the date of separation from the agency for disability retirement. Additional basic pay is included subject to the premium pay restrictions of 5 U.S.C. 5545 (c)(1) and (c)(2). A higher grade and step will be established if it results from using either the date of application for disability retirement or the date of reasonable accommodation, as adjusted by any increases in basic pay that would have been effected between each respective date and the date of final separation. Use of these two alternative pay setting methods is subject to paragraph (b)(1)(i) and (ii) of this section. The highest grade and step established as a result of setting pay under the normal method and the two alternative methods is designated as the rate of basic pay for the position occupied immediately before retirement and applies only to restoration to earning capacity decisions. In cases involving use of either of the two alternative pay setting methods, the determination of the rate of basic pay for the position occupied immediately before retirement and applies only to restoration to earning capacity decisions.

§ 831.1209 Termination of disability annuity because of restoration to earning capacity.

(a) Restoration to earning capacity. If a disability annuitant is age 60 is evidence of recovery if the re-employment is in a permanent position at the same or higher grade or pay level as the position from which the disability annuitant retired. The permanent position must be full-time unless the position the disability annuitant occupied immediately before retirement was less than full-time, in which case the permanent position must have a work schedule of no less time than that of the position from which the disability annuitant retired. In this instance, OPM needs no medical documentation to find the annuitant recovered. Disability annuity payments will terminate effective on the first day of the month following the month in which the recovery finding is made under this paragraph.

(e) Recovery based on a voluntary request. OPM will honor a written and signed statement of medical recovery voluntarily filed by a disability annuitant when the medical documentation on file does not demonstrate that the annuitant is mentally incompetent. OPM needs no other documentation to find the annuitant recovered. Disability annuity payments will terminate effective on the first day of the month following the month in which the recovery finding is made under this paragraph.

(f) When an agency reemploys a recovered disability annuitant at any grade or rate of pay within the 180-day waiting period pending termination of the disability retirement benefit under paragraph (c), (d), or (e) of this section, OPM will terminate the annuity effective on the date of reemployment.
(i) The "date of application for disability retirement" is the date the application is signed by the authorized official of the employing agency immediately before forwarding the application to OPM.

(ii) The "date of reasonable accommodation" is the date of the employing agency's notice of reasonable accommodation to an employee's medical condition (as a result of its review of medical documentation) which results in a reduction in the rate of basic pay. The use of the date of reasonable accommodation to establish the rate of basic pay for the position held at retirement is subject to the following conditions:

(A) The date of the employing agency's notice to provide accommodation is no more than 1 year before the date the disability retirement application is signed by the authorized official in the employing agency immediately before forwarding it to OPM; and

(B) A complete record of the date of the personnel decision, the medical documentation substantiating the existence of the medical condition, and the justification for the accommodation is established in writing and included at the time the agency submits the application for disability retirement. OPM will review the record to determine whether the medical documentation demonstrates that the medical condition existed at the time of the accommodation and warranted the accommodation made.

(2) In the case of an annuitant whose basic pay rate on the date determined under paragraph (b)(1) of this section did not match a specific grade and step in a pay schedule:

(i) For those retiring from a merit pay position, a position for which a special pay rate is authorized (except as provided in paragraph (b)(2)(ii) of this section), or any other position in which the rate of basic pay is not equal to a grade and step in a pay schedule, the grade and step will be established for this purpose at the lowest step in the pay schedule grade that is equal to or greater than the actual rate of basic pay payable. This rule will not be applied when the rate exceeds that of the schedule applicable to the organization from which the individual retired, when there is no existing opposite schedule with grades and steps, or in other organizations which are excluded from coverage of schedules with grades and steps, as in the case of pay systems using pay bands.

(ii) For those retiring with a retained rate of basic pay or from a position for which a special pay rate is in effect but whose rate of basic pay exceeds the highest rate payable in the pay schedule grade applicable to the position held, the grade and step is established for this purpose in the grade in the schedule that is closest to the grade of the position held and within which the amount of the retained pay falls. The step is established for this purpose at the lowest step in that grade which equals or exceeds the actual rate of pay payable.

(iii) When the pay system under which an annuitant retired has been either modified or eliminated since the individual retired, the individual will be treated as if he or she had been employed at their retirement grade and step at the time of the system change, and will be deemed to have been placed under the new system using whatever rules would have been applicable at that time. This will only apply when a pay system has been abolished or modified, and not when the grade and step of a position has been modified subsequent to retirement by reclassification or other action, in which case the grade and step in effect at the time of retirement will control.

(iv) If using the above rules it is not possible to set a grade and step for computing the current rate of pay, then if possible the current rate of pay will be set using the relative position in the range of pay applicable to the position from which the individual retired. For example, if at the time of retirement the rate of pay was $75,000 in a range from $70,000 to $90,000, for all future determinations, the current rate of pay would be 25% up the new pay range from the bottom. If the new range was $96,000 to $120,000, then the new current rate of pay would be $102,000 ($96,000 plus 0.25 times $24,000 ($120,000 minus $96,000)).

(v) In those cases, such as of some former Congressional staff employees and others whose pay is not set under
a formal system, where none of the above guidelines will yield a current rate of pay, OPM will ascertain the current rate of pay after consultation with the former employing organization, or successor organization.

(3) For annuitants retiring from the United States Postal Service, only cost-of-living allowances subject to civil service retirement deductions are included in determining the current rate of basic pay of the position held at retirement.

(c) Income. Earning capacity for the purposes of this section is demonstrated by an annuitant's ability to earn post-retirement income in a calendar year through personal work efforts or services. The total amount of income from all sources is used to determine earning capacity. This includes income received as gross wages from one or more employers, net earnings from one or more self-employment endeavors, and deferred income that is earned in a calendar year. In determining an annuitant's income for a calendar year, the following considerations apply:

(1) There are two sources of income: wages and self-employment income. All income which is subject to Federal employment taxes (i.e., social security or Medicare taxes) or self-employment taxes constitutes earned income. In addition, any other income as described in this section also constitutes earned income. The determination of whether a disability annuitant earns wages as an employee of an organization or earns income as a self-employed person is based on the usual common law rules applicable in determining the existence of an employer-employee relationship. Whether the relationship exists under the usual common law rules will be determined by OPM after the examination of the particular facts of each case.

(2) Income earned from one source is not offset by losses from another source. Income earned as wages is not reduced by a net loss from self-employment. The net income from each self-employment endeavor is calculated separately, and the income earned as net earnings from one self-employment endeavor is not reduced by a net loss from another self-employment endeavor. The net incomes from each separate self-employment endeavor are added together to determine the total amount of income from self-employment for a calendar year.

(3) Only income earned from personal work efforts or services is considered in determining earning capacity. All forms of non-work-related unearned income are excluded. Paragraph (f) of this section includes a representative list of the types of unearned income that are not considered.

(4) Income earned in a calendar year may only be reduced by certain self-employment business expenses, as provided in paragraph (e) of this section; job-connected expenses incurred because of the disabling condition, as provided in paragraph (g) of this section; and the return from investment allowance, as provided in paragraph (h) of this section. Once earned, income cannot be reduced by any other means. Thus, income cannot be lowered by such means as leave buy-back provisions, conversion of wages for paid time to leave without pay or a similar non-paid status, reductions in wages attributable to cash shortages or product losses, etc.

(5) For determining annual income from wages or self-employment or both, income is earned in the calendar year the annuitant actually renders personal work effort or service and either actually or constructively receives the remuneration, except as provided under paragraph (c)(7) of this section. For this purpose, income paid on a regular basis (i.e., on a weekly, bi-weekly, monthly or similar pay period basis) will be deemed earned in the year in which payment is made in the regular course of business.

(6) Deferred income is included as income in the calendar year in which it is constructively received. Income is constructively received when it is credited, set apart, or otherwise made available so that the annuitant may draw upon it at any time, or could draw upon it during the calendar year if the annuitant had given notice of the intent to do so. Deferred income includes all earnings, whether in the form of cash or property or applied to provide a benefit for the employee,
which are subject to the disability annuitant’s designation or assignment. Usually, the earnings are set aside by a salary-reduction agreement, a deferred compensation arrangement, or the designation of specific earnings amounts towards the purchase of non-taxable employee fringe benefits. Thus, any earnings for which the individual has the opportunity to adjust the amount of income received in a calendar year by controlling the remuneration of voluntarily giving up the right to control the remuneration, regardless of whether a written instrument exists, are income for earning capacity purposes.

(7) The Internal Revenue Code provides exceptions to the general rule on constructive receipt for certain deferred compensation plans which, by their design, defer receipt of income for Federal employment tax purposes as of the later of when services are performed or when there is no substantial risk of forfeiture of the rights to such amount. Even though these special deferred compensation plans defer the constructive receipt of the income for tax purposes to future years beyond the year in which the income is actually earned, the income reflects earning capacity. Therefore, employer contributions and employee payments to these special deferred compensation plans are considered income in the calendar year in which the services are performed, even though the Internal Revenue Code may exclude these contributions and payments from income for tax purposes.

(d) Wages. For purposes of earning capacity determinations, the term “wages” means the gross amount of all remuneration for services performed by an employee for his or her employer, unless specifically excluded herein, before any deductions or withholdings.

(1) The name by which the remuneration for services is designated is immaterial. Remuneration includes but is not limited to one-time or recurring—

(i) Base salary or pay; tips; commissions; professional fees; honoraria; bonuses and gift certificates of any type; golden parachute payments; payments for any non-work periods, such as vacation, holiday, or sick pay; pay advances; overtime pay; severance pay; dismissal pay; termination pay; and back pay;

(ii) Deferred income, within the meaning of paragraphs (c) (6) and (7) of this section, or other employer contributions or payments in an arrangement in which the employee has the opportunity (whether exercised or not) to adjust income by recovering the contributions or payments during the calendar year in which earned, for general discretionary income purposes;

(iii) Non-cash wages or payment of in-kind benefits, such as shares of stock in the business, real or personal property, stock in trade, inventory items, goods, lodging, food, and clothing. The valuation for all non-cash wages or other in-kind benefits is determined in a manner consistent with the fair value standards that appear in the Social Security Administration’s regulations at 20 CFR 404.1041(d).

(2) Any amount offset or deducted under 5 U.S.C. 8344 is treated as wages if the annuity continues while the annuitant is reemployed by the Federal Government.

(3) As a general rule, remuneration as wages does not include any contribution, payment, benefits furnished, or service provided by an employer in any of the following areas:

(i) The general retirement system established by the employer for its employees, usually either a qualified pension, profit-sharing, stock bonus plan, or a qualified annuity contract plan;

(ii) Medical or hospitalization health benefit plans;

(iii) Life insurance plans;

(iv) Sickness or accident disability pay beyond 6 months of illness, or workers’ compensation payments;

(v) The value of meals and lodgings provided at the convenience of the employer;

(vi) Moving expenses;

(vii) Educational assistance programs;

(viii) Dependent care assistance programs;

(ix) Scholarships and fellowship grants;

(x) De minimis fringe benefits, such as items of merchandise given by the employer at holidays which are not
readily convertible into cash and courtesy discounts on company products offered not as remuneration for services performed but as a means of promoting good will;

(x) Qualified group legal services plans;

(xi) Uniforms and tools supplied by the employer, including employer-provided allowances for such items, for the exclusive use by the employee on the job; and

(xii) Amounts that an employer pays the individual specifically, either as advances or reimbursements, for traveling or other ordinary and necessary expenses incurred, or reasonably expected to be incurred in the employer’s business.

(4) However, there are two exceptions to this general rule:

(i) When it is provided under circumstances in which either a salary reduction or deferral agreement is used (whether evidenced by a written instrument or otherwise); or

(ii) When the employee had the opportunity (whether exercised or not) to elect to receive the cash value, whether in the form of money or personal or real property, of the employer-provided amount or service.

(e) Self-employment income. (1) Self-employment income is the remuneration that is received as an independent contractor, either as

(i) A sole proprietor of a business or farm;

(ii) A professional in one’s own practice; or

(iii) A member of a partnership or corporation, as these terms are defined by the Internal Revenue Code, and regardless of whether the business entity is operated for profit.

(2) The term “net earnings” from self-employment in a business enterprise means the gross revenue to the business endeavor from all sources before any other deductions or withholdings, minus

(i) Allowable business expenses, as provided in paragraph (e)(3) of this section;

(ii) Any job-connected disability expenses, as provided in paragraph (g) of this section; and

(iii) Any return from investment allowance, as provided in paragraph (h) of this section.

(3) Certain expenses of a self-employed business entity may be offset from the gross revenue from all sources of that self-employed business in determining the amount of net earnings for a particular calendar year. Expenses which may be deducted are only those items and costs which are permitted by the Internal Revenue Code for income tax purposes as ordinary and necessary to the operation of the business. However, expenses incurred on behalf of the disability annuitant may not be deducted, regardless of whether they are permitted by the Internal Revenue Code. These expenses that are incurred but cannot be deducted include the costs for wages paid to the individual, interest earnings, guaranteed payments, dividends, employee benefits, pension plans, and salary reduction or deferral plans. Also, self-employed disability annuitants may not deduct the costs of other withdrawals or expenses which are not used solely for business purposes. Examples of items that cannot be deducted if used at all for personal use by the self-employed disability annuitant include personal property items, such as automobiles and boats; real property, such as vacation property or residences; and memberships, dues, or fees for professional associations or public or private organizations or clubs.

(4) Fees paid to an annuitant as a director of a corporation are a part of net earnings from self-employment.

(f) Income not included. Other types of income not considered in determining earning capacity include—

(1) Investment income, such as interest or dividends from savings accounts, stocks, personal loans or home mortgages held, unless the disability annuitant receives the return from capital investment in the course of his or her trade or business;

(2) Capital gains from sales of real or personal property that the disability annuitant owns, unless received in the course of his or her trade or business;

(3) Rents or royalties, unless received in the course of his or her trade or business;
§ 831.1209

(4) Distributions from pension plans, annuity plans, Individual Retirement Accounts (IRA’s), Simplified Employee Benefit-IRA’s (SEP-IRA’s), Keogh Accounts, employee stock ownership plans, profit sharing plans, or deferred income payments that are received by the annuitant in any year after the calendar year in which the funds were contributed to the plan;

(5) Income earned before the commencing date of civil service retirement annuity payments;

(6) Scholarships or fellowships;

(7) Proceeds from life insurance, inheritances, estates, trusts, endowments, gifts, prizes, awards, gambling or lottery winnings, and amounts received in court actions whether by verdict or settlement, unless received in the course of their trade or business;

(8) Unemployment compensation under State or Federal law, supplemental unemployment benefits, or workers’ compensation:

(9) Alimony, child support, or separate maintenance payments received;

(10) Pay for jury duty; and

(11) Entitlement payments from other Federal agencies, such as benefits from the Social Security Administration or the Veterans Administration, Railroad Retirement System retirement pay, or military retirement pay.

(g) Job-connected expenses incurred because of the disabling condition may be deducted from income. (1) Job-connected expenses deductible from income for purposes of determining earning capacity are those expenses that are primarily for and essential to the annuitant’s occupation or business and are directly connected with or result from the disability for which the disability annuity was allowed.

(2) The determination of whether a job-connected expense may be deducted from income is governed by the following considerations:

(i) The expense must be directly attributable to the disability and must be one which would not have been incurred in the absence of the annuitant working in his or her business or occupation. Expenses incurred for the preservation of the annuitant’s health, alleviation of his or her physical or mental discomfort, or other expenses of an employed person cannot be deducted.

(ii) The disability must be of such severity that it requires the annuitant to use special means of transportation, services, or equipment to perform the duties of the occupation or business. Examples of such disabilities include blindness, paraplegia, multiple sclerosis, and cerebral hemorrhage. Claims involving transportation or equipment may be deducted only in the amount normally allowed for business expenses or as depreciation by the Internal Revenue Service for Federal income tax purposes.

(iii) Claims involving services performed by a family member or other individual directly employed by the annuitant may be deducted only if a true employer-employee relationship exists between the annuitant and the employed individual, and the amount claimed as an expense does not exceed the local market rate of payment to individuals who provide similar services. It is the responsibility of the annuitant to provide evidence demonstrating that an employer-employee relationship exists, and what the local market rate is for such services. For the purpose of this paragraph, to establish that a true employer-employee relationship exists, the annuitant must provide evidence that all statutorily mandated employment requirements are met, including (but not limited to) income tax withholdings, FICA tax deductions and payments, and unemployment insurance. If the annuitant fails to provide evidence of the local market rate for such services, payments may not be deducted for services provided by an individual in excess of 40 hours a week.

(3) A job-connected expense can be deducted only in the calendar year in which paid. (4) Claims for items used for both personal and job-related purposes may be deducted only by the prorated
Office of Personnel Management

§ 831.1211 Reinstatement of disability annuity.

(a) When a disability annuity stops, the individual must again prove that he or she meets the eligibility requirements in order to have the annuity reinstated.

(b) When a recovered disability annuitant under age 62 whose annuity was terminated because he or she was found recovered on the basis of medical evidence (§831.1208(b)), is not reemployed in a position subject to civil service retirement coverage, and, based on the results of a current medical examination, OPM finds that the individual’s medical condition has worsened since the finding of recovery and that the original disability on which retirement was based has recurred, OPM will reinstate the disability annuity. The right to the reinstated annuity begins with report. OPM will determine entitlement to continued annuity on the basis of the report. If an annuitant fails to submit the report, OPM may stop annuity payments until it receives the report.

§ 831.1210 Annuity rights after a disability annuity terminates.

(a) An individual is entitled to an immediate annuity when the disability annuity stops because of recovery or restoration to earning capacity if the individual is not reemployed in a position subject to civil service retirement coverage and—
   (1) Is at least age 50 when the disability annuity stops and had 20 or more years of service at the time of retirement for disability; or
   (2) Had 25 or more years of service at the time of retirement for disability regardless of age.

(b) An individual whose annuity stops because of recovery or restoration to earning capacity and who is not eligible for an immediate annuity under paragraph (a) of this section, is eligible for a deferred annuity upon reaching age 62.

(c) The disability annuity of an individual whose annuity stopped because of recovery or restoration to earning capacity may be reinstated under §831.1212 of this part.

§ 831.1211 Reinstatement of disability annuity.

(a) When a disability annuity stops, the individual must again prove that he or she meets the eligibility requirements in order to have the annuity reinstated.

(b) When a recovered disability annuitant under age 62 whose annuity was terminated because he or she was found recovered on the basis of medical evidence (§831.1208(b)), is not reemployed in a position subject to civil service retirement coverage, and, based on the results of a current medical examination, OPM finds that the individual’s medical condition has worsened since the finding of recovery and that the original disability on which retirement was based has recurred, OPM will reinstate the disability annuity. The right to the reinstated annuity begins with report. OPM will determine entitlement to continued annuity on the basis of the report. If an annuitant fails to submit the report, OPM may stop annuity payments until it receives the report.
§ 831.1211

The date of the medical examination showing that the disability recurred.

c) OPM will reinstate the disability annuity of a recovered disability annuitant under age 62 whose annuity was terminated because he or she was found recovered on the basis of Federal reemployment (§831.1208(c)) when—

(1) The results of a current medical examination show that the disabling medical condition that was the basis of the disability retirement continues to exist; and

(2) Within 1 year after the date of reemployment, this medical condition has again caused the individual to be unable to provide useful and efficient service, and the employee has been—

(i) Separated and not reemployed in a position subject to civil service retirement coverage; or

(ii) Placed in a position that results in a reduction in grade or pay below the grade from which the individual retired, or in a change to a non-permanent position. The right to the reinstated annuity begins with the date of the medical examination showing that the disabling medical condition continues to exist, but not earlier than the first day after separation, or the effective date of the placement in the position which results in a reduction in grade or pay or change to a non-permanent position.

d) When a recovered disability annuitant under age 62 whose annuity was terminated because he or she was found recovered on the basis of a voluntary request (§831.1208(e)), is not reemployed in a position subject to civil service retirement coverage, and, based on the results of a current medical examination, OPM finds that the disability has recurred, OPM will reinstate the disability annuity. The right to the reinstated annuity begins with the date of the medical examination showing that the disability recurred, but not earlier than 1 year before the date the request for reinstatement is received by OPM.

e) When a disability annuitant whose earning capacity has been restored but who is not reemployed in a position in which he or she is subject to civil service retirement coverage, and who (except in the case of a National Guard technician whose annuity was awarded under 5 U.S.C. 8337(h)), has not recovered from the disability for which retired, loses his or her earning capacity, as determined by OPM, before reaching age 62, OPM will reinstate the disability annuity. The reinstated annuity is payable from January 1 of the year following the calendar year in which earning capacity was lost. Earning capacity is lost if, during any calendar year, the individual's income from wages or self-employment or both is less than 80 percent of the current rate of basic pay of the position held at retirement.

(f) A reinstated annuity is the same type as the original annuity and is paid at the rate of annuity to which the annuitant was entitled on the date his or her disability annuity was last discontinued.

(g) Reinstatement of the disability annuity ends the right to any other annuity based on the same service, unless the annuitant makes a written election to receive the other annuity instead of the disability annuity.

(h) When OPM reinstates an employee's disability annuity, the agency must offset the employee's pay by the amount of annuity allocable to the period of employment, unless the annuitant is exempted from this requirement under the provisions of 5 U.S.C. 8344(i). The offset begins on the date of OPM's determination of eligibility for reinstatement. OPM must reduce any retroactive payment of annuity for a period of employment with an agency before that date by the amount of pay earned during that period.

(i) When an individual's annuity is terminated upon reemployment (subject to subchapter III of chapter 83, title 5, United States Code), OPM must determine the individual's future annuity rights under the law in effect at the date of his or her subsequent separation. If, upon separation from such reemployment, the individual does not meet the eligibility requirements under subchapter III of chapter 83, title 5, United States Code, for title to annuity based on such separation, OPM will resume payment of the terminated annuity at the rate last payable, unless payment is otherwise barred.

Subpart M—Collection of Debts

SOURCE: 50 FR 34664, Aug. 27, 1985, unless otherwise noted.

§ 831.1301 Purpose.

This subpart prescribes procedures to be followed by the Office of Personnel Management (OPM), which are consistent with the Federal Claims Collection Standards (FCCS) (Chapter II of title 4, Code of Federal Regulations), in the collection of debts owed to the Civil Service Retirement and Disability Fund.

§ 831.1302 Scope.

This subpart covers the collection of debts due the Civil Service Retirement and Disability Fund, with the exception of the collection of court-imposed judgments, amounts referred to the Department of Justice because of fraud, and amounts collected from back pay awards in accordance with §550.805(e)(2) of this chapter.

§ 831.1303 Definitions.

In this subpart—

Additional charges means interest, penalties, and/or administrative costs owed on a debt.

Annuitant means a retired employee or Member of Congress, spouse, widower, or child receiving recurring benefits under the provisions of subchapter III, chapter 83, of title 5, United States Code.

Compromise is an adjustment of the total amount of the debt to be collected based upon the considerations established by the FCCS (4 CFR part 103).

Consumer reporting agency has the same meaning provided in 31 U.S.C. 3701(a)(3).

Debt means a payment of benefits to an individual in the absence of entitlement or in excess of the amount to which an individual is properly entitled.

Delinquent has the same meaning provided in 4 CFR 101.2(b).

Offset means to withhold the amount of a debt, or a portion of that amount, from one or more payments due the debtor. Offset also means the amount withheld in this manner.

Reconsideration means the process of reexamining an individual’s liability for a debt based on—

(1) Proper application of law and regulation; and

(2) Correctness of the mathematical computation.

Repayment schedule means the amount of each payment and number of payments to be made to liquidate the debt as determined by OPM.

Retirement fund means the Civil Service Retirement and Disability Fund.

Voluntary repayment agreement means an alternative to offset that is agreed to by OPM and includes a repayment schedule.

Waiver is a decision not to recover a debt under authority of 5 U.S.C. 8346(b).

§ 831.1304 Processing.

(a) Notice. Except as provided in §831.1305, OPM will, before starting collection, tell the debtor in writing—

(1) The reason for and the amount of the debt;

(2) The date on which the full payment is due;

(3) OPM’s policy on interest, penalties, and administrative charges;

(4) If payment in full would create financial hardship to the debtor and offset is available, the types of payment(s) to be offset, the repayment schedule, the right to request an adjustment in the repayment schedule and the right to request a voluntary repayment agreement in lieu of offset;

(5) The individual’s right to inspect and/or receive a copy of the Government’s records relating to the debt;

(6) The method and time period (30 calendar days) for requesting reconsideration, waiver, and/or compromise
§ 831.1305 Collection of debts.

(a) Means of collection. Collection of a debt may be made by means of offset under §831.1306, or under any statutory provision providing for offset of money due the debtor from the Federal Government, or by referral to the Justice Department for litigation, as provided in §831.1306. Referral may also be made to a collection agency under the provisions of the FCCS.

(b) Additional charges. Interest, penalties, and administrative costs will be assessed on the debt in accordance with standards established in the FCCS at 4 CFR 102.13. Additional charges will be waived when required by the FCCS. In addition, such charges may be waived when OPM determines—

(1) Collection would be against equity and good conscience under the standards prescribed in §§831.1403 through 831.1405 of this part; or

(2) The right to a hearing by the Merit Systems Protection Board on a waiver request (if OPM's waiver decision finds the individual liable) in accordance with paragraph (c)(2) of this section; and

(9) The fact that a timely filing of a request for reconsideration, waiver and/or compromise, or a later timely appeal of a waiver denial to the Merit Systems Protection Board, will stop collection proceedings, unless (i) failure to take the offset would substantially prejudice the Government's ability to collect the debt; and (ii) the time before the payment is to be made does not reasonably permit the completion of these procedures.

(b) Requests for reconsideration, waiver, and/or compromise. (1) If a request for reconsideration, waiver and/or compromise is returned to us by mail, it must be postmarked within 30 calendar days of the date of the notice detailed in paragraph (a) of this section. If a request for reconsideration, waiver, and/or compromise is hand delivered, it must be received within 30 calendar days of the date of the notice detailed in paragraph (a) of this section. OPM may extend the 30 day time limit for filing when individuals can prove that they: (i) Were not notified of the time limit and were not otherwise aware of it; or (ii) were prevented by circumstances beyond their control from making the request within the time limit.

(2) When a request for reconsideration, waiver, and/or compromise covered by this paragraph is properly filed before the death of the debtor, it will be processed to completion unless the relief sought is nullified by the debtor's death.

(3) Individuals requesting reconsideration, waiver, and/or compromise will be given a full opportunity to present any pertinent information and documentation supporting their position.

(4) An individual's request for waiver will be evaluated on the basis of the standards set forth in subpart N of this part. An individual's request for compromise will be evaluated on the basis of standards set forth in the FCCS (4 CFR part 103).

(c) Reconsideration, waiver, and/or compromise decisions. (1) OPM's decision will be based upon the individual's written submissions, evidence of record, and other pertinent available information.

(2) After consideration of all pertinent information, a written decision will be issued. The decision will state the extent of the individual's liability, and, for waiver and compromise requests, whether the debt will be waived or compromised. If the individual is determined to be liable for all or a portion of the debt, the decision will reaffirm or modify the conditions for the collection previously proposed under paragraph (a) of this section. The decision will state the individual's right to appeal to the Merit Systems Protection Board as provided by §1201.3 of this title, and, in the case of a denial of waiver, that a timely appeal will stop collection of the debt.

§ 831.1305 Collection of debts.

(a) Means of collection. Collection of a debt may be made by means of offset under §831.1306, or under any statutory provision providing for offset of money due the debtor from the Federal Government, or by referral to the Justice Department for litigation, as provided in §831.1306. Referral may also be made to a collection agency under the provisions of the FCCS.

(b) Additional charges. Interest, penalties, and administrative costs will be assessed on the debt in accordance with standards established in the FCCS at 4 CFR 102.13. Additional charges will be waived when required by the FCCS. In addition, such charges may be waived when OPM determines—

(1) Collection would be against equity and good conscience under the standards prescribed in §§831.1403 through 831.1405 of this part; or

(2) The right to a hearing by the Merit Systems Protection Board on a waiver request (if OPM's waiver decision finds the individual liable) in accordance with paragraph (c)(2) of this section; and

(9) The fact that a timely filing of a request for reconsideration, waiver and/or compromise, or a later timely appeal of a waiver denial to the Merit Systems Protection Board, will stop collection proceedings, unless (i) failure to take the offset would substantially prejudice the Government's ability to collect the debt; and (ii) the time before the payment is to be made does not reasonably permit the completion of these procedures.

(b) Requests for reconsideration, waiver, and/or compromise. (1) If a request for reconsideration, waiver and/or compromise is returned to us by mail, it must be postmarked within 30 calendar days of the date of the notice detailed in paragraph (a) of this section. If a request for reconsideration, waiver, and/or compromise is hand delivered, it must be received within 30 calendar days of the date of the notice detailed in paragraph (a) of this section. OPM may extend the 30 day time limit for filing when individuals can prove that they: (i) Were not notified of the time limit and were not otherwise aware of it; or (ii) were prevented by circumstances beyond their control from making the request within the time limit.

(2) When a request for reconsideration, waiver, and/or compromise covered by this paragraph is properly filed before the death of the debtor, it will be processed to completion unless the relief sought is nullified by the debtor's death.

(3) Individuals requesting reconsideration, waiver, and/or compromise will be given a full opportunity to present any pertinent information and documentation supporting their position.

(4) An individual's request for waiver will be evaluated on the basis of the standards set forth in subpart N of this part. An individual's request for compromise will be evaluated on the basis of standards set forth in the FCCS (4 CFR part 103).

(c) Reconsideration, waiver, and/or compromise decisions. (1) OPM's decision will be based upon the individual's written submissions, evidence of record, and other pertinent available information.

(2) After consideration of all pertinent information, a written decision will be issued. The decision will state the extent of the individual's liability, and, for waiver and compromise requests, whether the debt will be waived or compromised. If the individual is determined to be liable for all or a portion of the debt, the decision will reaffirm or modify the conditions for the collection previously proposed under paragraph (a) of this section. The decision will state the individual's right to appeal to the Merit Systems Protection Board as provided by §1201.3 of this title, and, in the case of a denial of waiver, that a timely appeal will stop collection of the debt.
available, installment payments may be effected. The amount of the installment payments will be set in accordance with the criteria in 4 CFR 102.11.

(d) Commencement of collection. (1) Except as provided in paragraph (d)(2) of this section, collection will begin after the time limits for requesting further rights stated in §831.1304(a)(6) expire or OPM has issued decisions on all timely requests for those rights and the Merit Systems Protection Board has acted on any timely appeal of a waiver denial, unless: (i) Failure to make an offset would substantially prejudice the Government's ability to collect the debt; and (ii) the time before the payment is to be made does not reasonably permit the completion of the proceedings in §831.1304 or litigation. When offset begins without completion of the administrative review process, these procedures will be completed promptly, and amounts recovered by offset but later found not owed will be refunded promptly.

(2) The procedures identified in §831.1304 will not be applied when the debt is caused by (i) a retroactive adjustment in the periodic rate of annuity or any deduction taken from annuity when the adjustment is a result of the annuitant’s election of different entitlements under law, if the adjustment is made within 120 days of the effective date of the election; or (ii) interim, estimated payments made before the formal determination of entitlement to annuity, if the amount is recouped from the total annuity payable on the first day of the month following the last advance payment or the date the formal determination is made, whichever is later.

§ 831.1306 Collection by administrative offset.

(a) Offset from retirement payments. A debt may be collected in whole or in part from lump-sum retirement payment or recurring annuity payments.

(b) Offset from other payments—(1) Administrative offset. (i) A debt may be offset from other payments due the debtor from other agencies in accordance with 4 CFR 102.3, except that offset from back pay awarded under the provisions of 5 U.S.C. 5596 (and 5 CFR 550.801 et seq.) will be made in accordance with §550.805(e)(2) of this chapter. (ii) In determining whether to collect claims by means of administrative offset after the expiration of the six year limitation provided in 5 U.S.C. 2413, the Director or his designee will determine the cost effectiveness of leaving a claim unresolved for more than 6 years. This decision will be based on such factors as the amount of the debt; the cost of collection; and the likelihood of recovering the debt.

(2) Salary offset. When the debtor is an employee, or a member of the Armed Forces or a reserve component of the Armed Forces, OPM may effect collection action by offset of the debtor’s pay in accordance with 5 U.S.C. 5514 and 5 CFR 550.1101 et seq. Due process described in §831.1304 will apply. The questions of fact and liability, and entitlements to waiver or compromise determined through that process are deemed correct and will not be amended under salary offset procedures. When the debtor did not receive a hearing on the amount of the offset under §831.1304 and requests such hearing, one will be conducted in accordance with subpart K of part 550 of this chapter.

§ 831.1307 Use of consumer reporting agencies.

(a) Notice. If a debtor’s response to the notice described in §831.1304(a) does not result in payment in full, payment by offset, or payment in accordance with a voluntary repayment agreement or other repayment schedule acceptable to OPM, and the debtor’s rights under §831.1304 have been exhausted, OPM may report the debtor to a consumer reporting agency. In addition, a debtor’s failure to make subsequent payments in accordance with a repayment schedule may result in a report to a consumer reporting agency. Before making a report to a consumer reporting agency, OPM will notify the debtor in writing that—

(1) The payment is overdue;

(2) OPM intends, after 60 days, to make a report as described in paragraph (b) of this section to a consumer reporting agency;

(3) The debtor’s right to dispute the liability has been exhausted under §831.1304; and
§ 831.1308 Referral to a collection agency.

(a) OPM may refer certain debts to commercial collection agencies under the following conditions:

(1) All processing required by § 831.1304 has been completed before the debt is released.

(2) A contract for collection services has been negotiated.

(3) OPM retains the responsibility for resolving disputes, compromising claims, referring the debt for litigation, or suspending or terminating collection action.

§ 831.1309 Referral for litigation.

From time to time and in a manner consistent with the General Accounting Office’s and the Justice Department's instructions, OPM may refer certain overpayments to the Justice Department for litigation. Referral for litigation will suspend processing under this subpart.

Subpart N—Standards for Waiver of Overpayments

Source: 45 FR 23635, Apr. 8, 1980, unless otherwise noted.

§ 831.1401 Conditions for waiver.

Recovery of an overpayment from the Civil Service Retirement and Disability Fund may be waived pursuant to section 8346(b), of title 5, United States Code, when the annuitant (a) is without fault and (b) recovery would be against equity and good conscience. Where it has been determined that the recipient of an overpayment is ineligible for waiver, the individual is nevertheless entitled to an adjustment in the recovery schedule if he/she shows that it would cause him/her financial hardship to make payment at the rate scheduled.

§ 831.1402 Fault.

A recipient of an overpayment is without fault if he/she performed no act of commission or omission which resulted in the overpayment. The fact that the Office of Personnel Management may have been at fault in initiating an overpayment will not necessarily relieve the individual from liability.

(a) Considerations. Pertinent considerations in finding fault are—

(1) Whether payment resulted from the individual’s incorrect but not necessarily fraudulent statement, which he/she should have known to be incorrect;

(2) Whether payment resulted from the individual’s failure to disclose material facts in his/her possession which he/she should have known to be material; or

(3) Whether he/she accepted a payment which he/she knew or should have known to be erroneous.

(b) Mitigation factors. The individual’s age, physical and mental condition or the nature of the information supplied to him/her by OPM or a Federal agency may mitigate against finding fault if one or more contributed to his/her submission of an incorrect statement, a statement which did not disclose material facts in his/her possession, or his/her acceptance of an erroneous overpayment.

§ 831.1403 Equity and good conscience.

(a) Defined. Recovery is against equity and good conscience when—

(1) It would cause financial hardship to the person from whom it is sought;
Office of Personnel Management

§ 831.1511 Authorized allottees.

(a) An annuitant may make an allotment to the national office or headquarters of any of the following organizations:
   (1) A labor organization recognized under Executive Order 11491, as amended;
   (2) An employee organization recognized under 5 U.S.C. 8901(b);
   (3) Other lawful organizations which:
      (i) Are national in scope,
      (ii) Are nonprofit and noncommercial, existing primarily for the purpose of representing employee or annuitant interests in their dealings with employing agencies or OPM,
   (3) Consist primarily of Federal employees and/or annuitants, and
   (4) Existed as of December 23, 1975.

§ 831.1404 Financial hardship.

Financial hardship may be deemed to exist in—but not limited to—those situations where the annuitant from whom collection is sought needs substantially all of his/her current income and liquid assets to meet current ordinary and necessary living expenses and liabilities.

(a) Considerations. Some pertinent considerations in determining whether recovery would cause financial hardship are as follows:
   (1) The individual's financial ability to pay at the time collection is scheduled to be made.
   (2) Income to other family member(s), if such member's ordinary and necessary living expenses are included in expenses reported by the annuitant.
   (b) Exemptions. Assets exempt from execution under State law should not be considered in determining an individual's ability to repay the indebtedness, rather primary emphasis shall be placed upon the annuitant's liquid assets and current income in making such determinations.

§ 831.1405 Ordinary and necessary living expenses.

An individual's ordinary and necessary living expenses include rent, mortgage payments, utilities, maintenance, food, clothing, insurance (life, health and accident), taxes, installment payments, medical expenses, support expenses when the annuitant is legally responsible, and other miscellaneous expenses which the individual can establish as being ordinary and necessary.

§ 831.1406 Waiver precluded.

(a) When not granted. Waiver of an overpayment cannot be granted when—
   (1) The overpayment was obtained by fraud; or
   (2) The overpayment was made to an estate.

§ 831.1407 Burdens of proof.

(a) Burden of OPM. The Associate Director for Compensation must establish by the preponderance of the evidence that an overpayment occurred.
   (b) Burden of annuitant. The recipient of an overpayment must establish by substantial evidence that he/she is eligible for waiver or an adjustment.

Subpart O—Allotments From Civil Service Annuities

§ 831.1501 Definitions.

(a) Allotment means a specified deduction from the annuity payments due an annuitant voluntarily authorized by the annuitant to be paid to an allottee.
(b) Allottee means the institution or organization to which the allotment is paid.
(c) Allotter means the annuitant from whose annuity payments an allotment is deducted.
(d) Annuity Payments means the net monthly annuity payment due an annuitant after all authorized deductions (such as those for health benefits, Federal income tax, overpayment of annuity, payment of a government claim, etc.) have been made.

§ 831.1511 Authorized allottees.

(a) An annuitant may make an allotment to the national office or headquarters of any of the following organizations:
   (1) A labor organization recognized under Executive Order 11491, as amended;
   (2) An employee organization recognized under 5 U.S.C. 8901(b);
   (3) Other lawful organizations which:
      (i) Are national in scope,
      (ii) Are nonprofit and noncommercial, existing primarily for the purpose of representing employee or annuitant interests in their dealings with employing agencies or OPM,
   (3) Consist primarily of Federal employees and/or annuitants, and
   (iv) Existed as of December 23, 1975.
(b) OPM, in its sole discretion, may approve the individual organizations which may receive allotments only after the organization has collected, in accordance with procedures prescribed by OPM, a minimum of two thousand (2,000) allotment authorizations from civil service annuitants.

(c) OPM shall permit an annuitant to make an allotment to an organization only when:

(1) The organization has been approved as an allottee by OPM, and

(2) The organization has agreed in writing to solicit and process allotments in accordance with requirements prescribed by OPM.

§ 831.1521 Limitations.

(a) The amount of any allotment may not be less than one dollar ($1) and, in the absence of compelling circumstances, shall be in whole dollars.

(b) The total amount of any allotment(s) may not exceed the net monthly annuity due the allotter.

(c) An annuitant may make only one allotment payable to the same allottee at the same time and may make no more than a total of two allotments.

(d) Payment of an allotment shall be discontinued when the allotter’s annuity payments are terminated or suspended by OPM.

(e) Allotments shall be disbursed on one of the regularly designated paydays of the allotter in accordance with OPM’s agreement with the allottee.

(f) Allottees shall agree that OPM shall be held harmless for any authorized allotment request made by an allottee in accordance with the allottee’s agreement with OPM.

(g) Allottees shall agree that disputes regarding any authorized allotment shall be a matter between the allotter and the allottee.

(h) The total number of allottees shall be limited to twenty (20), with first preference given to those organizations participating in the Federal Employees Health Benefits Program. Thereafter, preference shall be based on the date of application and the number of annuitants who have completed allotment authorizations.

(i) OPM, in its discretion, shall recover from the allottee, the incremental costs of making allotments.
§ 831.1804 Conditions for requesting an offset.

An agency may request that money payable from the Fund be offset to recover any valid debt due the United States when all of the following conditions are met:

(a) The debtor failed to pay all of the debt on demand, or the creditor agency has collected as much as possible from payments due the debtor from the paying agency; and

(b) The creditor agency sends a debt claim to OPM (under §831.1805(b) (1), (2), (3), or (4), as appropriate) after doing one of the following:

(1) Obtaining a court judgment for the amount of the debt;

(2) Following the procedures required by 31 U.S.C. 3716 and 4 CFR 102.4;

(3) Following the procedures required by 5 U.S.C. 5514 and §550.1107 of this title; or

(4) Following the procedures agreed upon by the creditor agency and OPM, if it is excepted by §831.1805(b)(4) from the completion of procedures prescribed by §831.1805(b)(3).

§831.1805 Creditor agency processing for non-fraud claims.

(a) Where to submit the debt claim, judgment or notice of debt—(1) Creditor agencies that are not the debtor’s paying agency.

(i) If the creditor agency knows that the debtor is employed by the Federal Government, it should send the debt claim to the debtor’s paying agency for collection.
(ii) If some of the debt is unpaid after the debtor separates from the paying agency, the creditor agency should send the debt claim to OPM as described in paragraph (b) of this section.

(2) Creditor agencies that are the debtor's paying agency. Ordinarily, debts owed the paying agency should be offset under 31 U.S.C. 3716 from any final payments (salary, accrued annual leave, etc.) due the debtor. If a balance is due after offsetting the final payments or the debt is discovered after the debtor has been paid, the paying agency may send the debt claim to OPM as described in paragraph (b) of this section.

(b) Procedures for submitting a debt claim, judgment or notice of debt to OPM—

(1) Debt claims for which the agency has a court judgment. If the creditor agency has a court judgment against the debtor specifying the amount of the debt to be recovered, the agency should send the debt claim and two certified copies of the judgment to OPM.

(2) Debt claims previously processed under 5 U.S.C. 5514. If the creditor agency previously processed the debt claim under section 5514, it should—

(i) Notify the debtor that the claim is being sent to OPM to complete collection from the Fund; and

(ii) Send the debt claim (on SF 2805) to OPM with two copies of the paying agency's certification of the amount collected and one copy of the notice to the debtor that the claim was sent to OPM.

(3) Debt claims not processed under 5 U.S.C. 5514, reduced to court judgment, or excepted by paragraph (b)(4) of this section. (i) If the debt claim was not processed under §5514, reduced to court judgment, or excepted by paragraph (b)(4) of this section, the creditor agency must—

(A) Comply with the procedures required by 4 CFR 102.4—issuing written notice to the debtor of the nature and amount of the debt, the agency's intention to collect by offset, the opportunity to inspect and copy agency records pertaining to the debt, the opportunity to obtain review within the agency of the determination of indebtedness, and the opportunity to enter into a written agreement with the agency to repay the debt; and

(B) Complete the appropriate debt claim.

(ii) If the debtor does not respond to the creditor agency's notice within the allotted time and there is no reason to believe that he or she did not receive the notice, the creditor agency may submit the debt claim to OPM after certifying that notice was issued and the debtor failed to reply.

(iii) If the debtor responds to the notice by requesting a review (or hearing if one is available), the review (or hearing) must be completed before the creditor agency submits the debt claim.

(iv) If the debtor receives the notice and responds by consenting to the collection, the creditor agency must send a copy of the debtor's consent along with the debt claim.

(4) Debt claims excepted from procedures described in paragraph (b)(3) of this section. Creditor agencies follow specific procedures approved by OPM, rather than those described in paragraph (b)(3) of this section, for the collection of—

(i) Debts due because of the individual's failure to pay health benefits premiums while he or she was in nonpay status or while his or her salary was not sufficient to cover the cost of premiums;

(ii) Unpaid Federal taxes to be collected by Internal Revenue Service levy;

(iii) Premiums due because of the annuitant's election of Part B, Medicare coverage (retroactive collection limited to 6 months of premiums); or

(iv) Overpaid military retired pay an annuitant elects in writing to have withheld from his or her annuity.

(5) General certification requirements for debt claims. Creditor agencies submitting debt claims must certify—

(i) That the debt is owed to the United States;

(ii) The amount and reason for the debt and whether additional interest accrues;

(iii) The date the Government's right to collect the debt first accrued;

(iv) The agency has complied with the applicable statutes, regulations, and OPM procedures;

(v) That if a competent administrative or judicial authority issues an order directing OPM to pay a debtor an
amount previously paid to the agency (regardless of the reasons behind the order), the agency will reimburse OPM or pay the debtor directly within 15 days of the date of the order (NOTE: OPM may, at its discretion, decline to collect other debt claims sent by an agency that does not abide by this certification);

(vi) If the collection will be in installments, the amount or percentage of net annuity in each installment; and,

(vii) If the debtor does not (in writing) consent to the offset, or does not (in writing) acknowledge receipt of the required notices and procedures, or the creditor agency does not document a judgment offset or a previous salary offset, the action(s) taken to comply with 4 CFR 102.3, including any required hearing or review, and the date(s) the action(s) was taken.

(6) Notice of debt. When a creditor agency cannot send a complete debt claim, it should notify OPM of the existence of the debt so the lump-sum will not be paid before the debt claim arrives.

(i) The notice to OPM must include a statement that the debt is owed to the United States, the date the debt first accrued, and the basis for and amount of the debt, if known. If the amount of the debt is not known, the agency must establish the amount and notify OPM in writing as soon as possible after submitting the notice.

(ii) The creditor agency may either notify OPM by making a notation in column B [Remarks] under “Fiscal Record” on the Standard Form 2806 (Individual Retirement Record), if the SF 2806 is in its possession, or if not, by submitting a separate document identifying the debtor by name, giving his or her date of birth, social security number, and date of separation, if known.

(c) Time limits for sending records and debt claims to OPM—(1) Time limits for submitting debt claims. Unless there is an application for refund pending, there is no specific time for submitting a debt claim or notice of debt to OPM. Generally, however, agencies must file a debt claim before the statute of limitations expires (4 CFR 102.4(c)) or before a refund is paid. Time limits are imposed (see §831.1806(a)) when the debtor is eligible for a refund and OPM receives his or her application requesting payment. In the latter situation, creditor agencies must file a complete debt claim within 120 days (or 180 days if the agency requests an extension of time before the refund is paid) of the date OPM requests a complete debt claim.

(2) Time limit for submitting retirement records to OPM. A paying agency must send an individual’s SF 2806 to OPM no later than 60 days after the separation, termination, or entrance on duty in a position in which the employee is not covered by the Civil Service Retirement System.

§ 831.1806 OPM processing for non-fraud claims.

(a) Refunds—incomplete debt claims. (1) If a creditor agency sends OPM a notice of debt or an incomplete debt claim against a refund OPM is processing for payment, OPM will withhold the amount of the debt but will not make any payment to the creditor agency. OPM will notify the creditor agency that the procedures in this subpart and 4 CFR 102.4 must be completed; and a debt claim must be completed and returned to OPM within 120 days of the date of OPM’s notice to the creditor agency. Upon request, OPM will grant the creditor agency one extension of up to 60 days if the request for extension is received before the lump-sum payment has been made. The extension will commence on the day after the 120-day period expires so that the total time OPM holds payment of the refund will not exceed 180 days.

(2) During the period allotted the creditor agency for sending OPM a complete debt claim, OPM will handle the debtor’s application for refund under section 8342(a) of title 5, United States Code, in one of two ways:

(i) If the amount of the debt is known, OPM will notify the debtor of the debt claim against his or her lump-sum credit, withhold the amount of the debt, and pay the balance to the debtor, if any.

(ii) If the amount of the debt is not known, OPM will not pay any amount to the debtor until the creditor agency
certifies the amount of the debt, submits a complete debt claim, or the time limit for submission of the debt claim expires, whichever comes first.

(b) Refunds—complete debt claims—(1) If OPM receives an application from the debtor prior to or at the same time as the agency's debt claim. (i) If a refund has been paid, we will notify the creditor agency there are no funds available for offset. Except in the case of debts due because of the employee's failure to pay health benefits premiums while he or she is in nonpay status or while his or her salary was not sufficient to cover the cost of premiums, creditor agencies should refer to the instructions in the FCCS for other measures to recover the outstanding debt; however, OPM will retain the SF 2805 on file in the event the debtor is once again employed in a position subject to retirement deductions.

(ii) If a refund is payable, and the creditor agency submits a complete debt claim in accordance with §831.1805(b) (1), (2), (3), or (4), the debt will be collected from the refund and any balance paid to the debtor. OPM will send the debtor a copy of the debt claim, judgment, consent, or other document, and notify him or her that the creditor agency was paid.

(2) If OPM has not received an application from the debtor when the agency's debt claim is received. If a debtor has not filed application for a refund, OPM will retain the debt claim for future recovery. OPM will make the collection whenever an application is received, provided the creditor agency initiated the administrative offset before the statute of limitations expired. (See 4 CFR 102.3(b)(3) and 102.4(c).) OPM will notify the creditor agency that it does not have an application from the debtor so that the agency may take other action to recover the debt. (Note: If the recovery action is successful, the creditor agency must notify OPM so it can void the debt claim).

(c) Annuities—complete debt claims. If a creditor agency sends OPM notice of a debt or an incomplete debt claim against a debtor who is receiving an annuity, OPM will not offset the annuity. OPM will notify the creditor agency that procedures in this subpart and 4 CFR 102.4 must be completed; and a debt claim must be completed and sent to OPM. No time limit will be given for the submission of a debt claim against an annuity; however, a complete debt claim must be received within 10 years of the date the Government's right to collect first accrued (4 CFR 102.3(b)(3)).

(iii) When OPM receives an application for refund more than 1 year after the creditor agency's debt claim was received, whether interest accrues or not, OPM will contact the creditor agency to see if the debt is still outstanding and, when necessary, request an update of the interest charges. If the debt is still due, the creditor agency must give the debtor an opportunity to establish that his or her changed financial circumstances, if any, would make the offset unjust. (See 4 CFR 102.4(c).) If the creditor agency determines that offset as requested in the debt claim would be unjust because of the debtor's changed financial circumstances, the agency should permit the debtor to offer a satisfactory repayment plan in lieu of offset. If the agency decides to pursue the offset, it must submit to OPM the requested information and any new instructions within 60 days of the date of OPM's request or the claim may be voided and the balance paid to the individual.

(d) Annuities—complete debt claims—(1) General—(i) Notice. When OPM receives a complete debt claim and an application for annuity, OPM will offset the annuity, pay the creditor agency, and mail the debtor a copy of the debt
Office of Personnel Management

§ 831.1808 Special processing for fraud claims.

When an agency sends a claim indicating fraud, presentation of a false claim, misrepresentation by the debtor or any other party interested in the claim, or any claim based in whole or part on conduct violating the antitrust laws, to the Department of Justice (Justice) for possible treatment as a fraud claim (4 CFR 101.3), the following special procedures apply.

(a) Agency processing. If the debtor is separated or separates while Justice is reviewing the claim, the paying agency must send the SF 2806 to OPM, as required by §831.1805(c)(2). The agency where the claim arose must send OPM notice that a claim is pending with Justice. (See §831.1805(b)(6) for instructions on giving OPM a notice of debt.)

(b) Department of Justice processing. (1) The Attorney General or a designee will decide whether a debt claim sent in by an agency will be reserved for collection by Justice as a fraud claim. When receiving a possible fraud claim to be collected by offset from the Fund, the Attorney General or a designee must notify OPM. The notice to OPM must contain the following:

(i) The name, date of birth, and social security number of the debtor;
(ii) The amount of the possible fraud claim, if known;
(iii) The basis of the possible fraud claim; and
(iv) A statement that the claim is being considered as a possible fraud claim, the collection of which is reserved to Justice.

§ 831.1807 Installment withholdings.

(a) When possible, OPM will collect a creditor agency’s full claim in one payment from the debtor’s refund or annuity.

(b) If collection must be made from an annuity and the debt is large, the creditor agency must generally accept payment in installments. The responsibility for establishing and notifying the debtor of the amount of the installments belongs to the creditor agency (see §831.1805(b)(5)). However, OPM will not make an installment deduction for more than 50 percent of net annuity, unless a higher percentage is needed to satisfy a judgment against a debtor within 3 years or the annuitant has consented to the higher amount in writing. All correspondence concerning installment deductions received by OPM will be referred to the creditor agency for consideration.
(2) When there is a pending refund application, the Attorney General or designee must file a complaint seeking a judgment on the claim and send a copy of the complaint to OPM; or as provided in 4 CFR 101.3, refer the claim to the agency where the claim arose and submit a copy of the referral to OPM within 180 days of the date of either notice from the agency that a claim is pending with Justice (paragraph (a) of this section) or notice from Justice that it has received a possible fraud claim (paragraph (b)(1) of this section) whichever is earlier. When the claim is referred to the agency where it arose, the agency must begin administrative collection action under 4 CFR 102.4 and send a complete debt claim to OPM as required in §831.1805.

(c) OPM processing against refunds. (1) Upon receipt of a notice under paragraph (a) or (b)(1) of this section, whichever is earlier, OPM will withhold the amount of the debt claim, if known; notify the debtor that the amount of the debt will be withheld from the refund for at least 180 days from the date of the notice that initiated OPM processing; and pay the balance to the debtor. If the amount of the debt claim is not known, OPM will notify the debtor that a debt claim may be offset against his or her refund and that OPM will not pay any amount until either the amount of the debt claim is established, or the time limit for filing a complaint in court or submitting the debt claim expires, whichever comes first.

(2) If the Attorney General files a complaint and notifies OPM within the applicable 180-day period, OPM will continue to withhold payment of the lump-sum credit until there is a final judgment.

(3) If the Attorney General refers the claim to the agency where the claim arose (creditor agency) and notifies OPM within the applicable 180-day period, OPM will notify the creditor agency that the procedures in this subpart and 4 CFR 102.4 must be completed; and a debt claim must be sent to OPM within 120 days of the date of OPM’s notice to the creditor agency. At the request of the creditor agency, one extension of time of not more than 60 days will be granted, as provided by §831.1806(a).

(4) If OPM is not notified that a complaint has been filed or that the claim has been referred to the creditor agency within the applicable 180-day period, OPM will pay the balance of the refund to the debtor.

(d) OPM processing against annuities. If the debtor has filed an annuity claim, OPM will not take action against the annuity. OPM will continue to pay the annuity unless and until there is a final judgment for the United States or submission of a complete debt claim.

(e) OPM collection and payment of the debt. (1) If the United States obtains a judgment against the debtor for the amount of the debt or the creditor agency submits a complete debt claim, OPM will collect and pay the debt to the creditor agency as provided in §§831.1806 and 831.1807.

(2) If the suit or the administrative proceeding results in a judgment for the debtor without establishing a debt to the United States, OPM will pay the balance of the refund to the debtor upon receipt of a certified copy of the judgment or administrative decision.

Subpart S—State Income Tax Withholding

SOURCE: 47 FR 50679, Nov. 9, 1982, unless otherwise noted.

§831.1901 Definitions.

For the purpose of this subpart:

Agreement means the Federal-State agreement contained in this subpart.

Annuitant means an employee or Member retired, or a spouse, widow, or widower receiving survivor benefits, under the provisions of subchapter III, chapter 83 of title 5, United States Code.

Effective date means, with respect to a request or revocation, that the request or revocation will be reflected in payments authorized after that date, and before the next request or revocation is implemented.

Fund means the Civil Service Retirement and Disability Fund as established and described in section 8348 of title 5, United States Code.
Income tax and State income tax mean any form of tax for which, under a State statute, (a) collection is provided, either in imposing on employers generally the duty of withholding sums from the compensation of employees and making returns of such sums to the State or by granting to employers generally the authority to withhold sums from the compensation of employees, if any employee voluntarily elects to make such sums withheld; and (b) the duty to withhold generally is imposed, or the authority to withhold generally is granted, with respect to the compensation of employees who are residents of the State.

Net recurring payment means the amount of annuity or survivor benefits (not recurring interim payments made while a claim is pending adjudication) payable to the annuitant on a monthly basis less the amounts currently being deducted for health benefits, Medicare, life insurance, Federal income tax, overpayment of annuity, indebtedness to the Government, voluntary allotments, waivers, or being paid to a third party or a court officer in compliance with a court order or decree.

Net withholding means the amount of State income tax deductions withheld during the previous calendar quarter as a result of requests which designated the State as payee, less similar deductions taken from prior payments which were cancelled in the previous calendar quarter. Proper State official means a State officer authorized to bind the State contractually in matters relating to tax administration.

Received means, in respect to the magnetic tape containing requests and revocations, received at the special mailing address established OPM for income tax requests, or, for those items not so received, received at the OPM data processing center charged with processing requests.

Request means, in regard to a request for a withholding, a change in the amount withheld, or revocation of a prior request, a written submission from an annuitant in a format acceptable to the State which provides the annuitant’s name, Civil Service Retirement Claim number, Social Security identification number, address, the amount to be withheld and the State to which payment is to be made, which is signed by the annuitant or, in the case of incompetence, his or her representative payee.

State means a State, the District of Columbia, or any territory or possession of the United States.

§ 831.1903 OPM responsibilities.

OPM will, in performance of this agreement:

(a) Process the magnetic tape containing State tax transactions against the annuity roll once a month at the time monthly recurring payments are prepared for the United States Treasury Department. Errors that are identified will not be processed into the file, and will be identified and returned to the State for resolution via the monthly error report. Collections of State income tax will continue in effect until the State requesting the initial action supplies either a valid revocation or change. The magnetic tape must be received 35 days prior to the date of the check in which the transactions are to be effective. For example, withholding transactions for the July 1 check must be received 5 days prior to June 1. If the magnetic tape submitted by the State cannot be read, OPM will notify the State of this fact, and if a satisfactory replacement can be supplied in time for monthly processing, it will be processed.

(b) Deduct from the regular, recurring annuity payments of an annuitant the amount he or she has so requested to be withheld, provided that:

(1) The amount of the request is an even dollar amount, not less than Five Dollars nor more than the net recurring amount. The State may set any even dollar amount above Five Dollars as a minimum withholding amount.
§ 831.1904 State responsibilities. The State will, in performance of this agreement:
(a) Accept requests and revocations from annuitants who have designated that State income tax deductions will go to the State.
(b) Convert these requests on a monthly basis to a machine-readable magnetic tape using specifications received from OPM, and forward that tape to OPM for processing.
(c) Inform annuitants whose tax requests are rejected by OPM that the request was so rejected and of the reason why it was so rejected.
(d) Recognize that, to the extent not prohibited by State laws, records maintained by the State relating to this program are considered jointly maintained by OPM and are subject to the Privacy Act of 1974 (5 U.S.C. 552a). Accordingly, the States will maintain such records in accordance with that statute and OPM’s implementing regulations at 5 CFR part 207.
(e) Respond to requests of annuitants for information and advice in regard to State income tax withholding.
(f) Credit the amounts withheld from civil service annuities to the State tax liability of the respective annuitants, and, subject to applicable provisions of State law to the contrary, refund any balance over and above that liability to the annuitant, unless he or she should request otherwise.
(g) Surrender all tax withholding requests to OPM when this agreement is terminated or when the documents are not otherwise needed for this State tax withholding program.
(h) Allow OPM, the Comptroller General or any of their duly authorized representatives access to, and the right to examine, all records, books, papers or documents related to the processing of requests for State income tax withholding from civil service annuities.

§ 831.1905 Additional provisions. These additional provisions are also binding on the State and OPM:
(a) A request or revocation is effective when processed by OPM. OPM will process each request by the first day of the second month following the month
§ 831.2001 Definitions.

Court order or decree means the order or decree of any court of any State, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Northern Mariana Islands, the Virgin Islands or any Indian court, as defined section 8331(24) of title 5, United States Code.

Current spouse means a person who is married to the employee or Member at the time the application for refund is filed.

Duly appointed representative of the deceased employee's, separated employee's, retiree's, survivor's or Member's estate means an individual named in an order of a court having jurisdiction over the estate of the deceased which grants the individual the authority to receive, or the right to possess, the property of the deceased; and also means, where the law of the domicile of the deceased has provided for the administration of estates through alternative procedures which dispense with the need for a court order, an individual who demonstrates that he or she is entitled to receive, or possess, the property of the deceased under the terms of those alternative procedures.

Former spouse means a living person who was married for at least 9 months to an employee or Member who had performed at least 18 months of creditable service in a position covered by the retirement system.

Retirement system means the civil service retirement system as described in subchapter III of chapter 83 of title 5, United States Code.
§ 831.2002 Eligibility for lump-sum payment upon filing an Application for Refund of Retirement Deductions (SF 2802).

Except as provided in §§ 831.2007 through 2009 or in section 3716 of title 31, United States Code, on administrative offset for government claims, a former employee or Member who has been separated from a covered position for at least 31 days at the time of filing an application for refund and who is ineligible for an annuity commencing within 31 days after the date of filing an application for refund is eligible for a refund for the total lump-sum credit to his or her credit in the Retirement Fund.

§ 831.2003 Eligibility for lump-sum payment upon death or retirement.

(a) If there is no survivor who is entitled to monthly survivor annuity benefits on the death of a former employee, Member, annuitant, or survivor annuitant, the total lump-sum credit to the former employee's or Member's credit in the Retirement Fund is payable, except as provided in section 3716 of title 31, United States Code, on administrative offset for government claims, to the person(s) entitled in the normal order of precedence described in section 8342(c) of title 5, United States Code. If a deceased employee, separated employee, retiree or Member provided in a valid designation of beneficiary that the lump sum proceeds shall be payable to the deceased's estate, or to the Executor, Administrator, or other representative of the deceased's estate, or if the proceeds would otherwise be properly payable to the duly appointed representative of the deceased's estate under the order of precedence specified in 5 U.S.C. 8342(c), payment of the proceeds to the duly appointed representative of the deceased's estate will bar recovery by any other person.

(b) If an annuity is payable, the former employee, Member or the person entitled in the order of precedence described in section 8342(c) of title 5, United States Code, may be paid, except as provided in section 3716 of title 31, United States Code, administrative offset for government claims, lump-sum payment of—

(1) Retirement deductions withheld from the employee's or Member's pay after he or she became eligible for the maximum annuity, if the employee or Member does not elect to treat those deductions as voluntary contributions toward the purchase of an additional annuity; and

(2) Retirement deductions withheld from the employee's or Member's pay during his or her final period of service and if the employee or Member was not subject to the retirement system for at least one of the last 2 years before final separation from service and if the service covered by the deductions is not used for title to annuity; and

(3) Except as provided in paragraph (d) of this section, partial redosits of refunds previously paid; and

(4) Partial deposits for civilian service performed on and after October 1, 1982; and

(5) Partial deposits for post-1956 military service; and

(6) Annuity accrued and unpaid.

(c) A former employee, Member, or survivor who is eligible for an annuity may not be paid a lump-sum payment of—

(1) Partial or completed deposits for nondeduction civilian service performed before October 1, 1982, unless the service covered by the deposit is not creditable under the retirement system; or

(2) Completed deposits for nondeduction civilian service performed on and after October 1, 1982, unless the service covered by the deposit is not creditable under the retirement system; or

(3) Completed deposits for post-1956 military services, unless the service covered by the deposit is not creditable under the retirement system.

Payments of the partial or completed deposits mentioned in this paragraph are subject to 31 U.S.C. 3716 (administrative offset for government claims).

(d) A former employee or Member who is eligible for a nondisability annuity may not be paid a lump-sum payment of a partial redeposit for refunded deductions relating to a period of service that ended before October 1, 1990.

§ 831.2004 Eligibility for lump-sum payment upon death or retirement of a survivor.

(a) If there is no survivor who is entitled to monthly survivor annuity benefits on the death of a former employee, Member, annuitant, or survivor annuitant, the total lump-sum credit to the former employee's or Member's credit in the Retirement Fund is payable, except as provided in section 3716 of title 31, United States Code, on administrative offset for government claims, to the person(s) entitled in the normal order of precedence described in section 8342(c) of title 5, United States Code.

(b) If an annuity is payable, the former employee, Member or the person entitled in the order of precedence described in section 8342(c) of title 5, United States Code, may be paid, except as provided in section 3716 of title 31, United States Code, administrative offset for government claims, lump-sum payment of—

(1) Retirement deductions withheld from the employee's or Member's pay after he or she became eligible for the maximum annuity, if the employee or Member does not elect to treat those deductions as voluntary contributions toward the purchase of an additional annuity; and

(2) Retirement deductions withheld from the employee's or Member's pay during his or her final period of service and if the employee or Member was not subject to the retirement system for at least one of the last 2 years before final separation from service and if the service covered by the deductions is not used for title to annuity; and

(3) Except as provided in paragraph (d) of this section, partial redosits of refunds previously paid; and

(4) Partial deposits for civilian service performed on and after October 1, 1982; and

(5) Partial deposits for post-1956 military service; and

(6) Annuity accrued and unpaid.

(c) A former employee, Member, or survivor who is eligible for an annuity may not be paid a lump-sum payment of—

(1) Partial or completed deposits for nondeduction civilian service performed before October 1, 1982, unless the service covered by the deposit is not creditable under the retirement system; or

(2) Completed deposits for nondeduction civilian service performed on and after October 1, 1982, unless the service covered by the deposit is not creditable under the retirement system; or

(3) Completed deposits for post-1956 military services, unless the service covered by the deposit is not creditable under the retirement system.

Payments of the partial or completed deposits mentioned in this paragraph are subject to 31 U.S.C. 3716 (administrative offset for government claims).

(d) A former employee or Member who is eligible for a nondisability annuity may not be paid a lump-sum payment of a partial redeposit for refunded deductions relating to a period of service that ended before October 1, 1990.

§ 831.2004(a) Eligibility for lump-sum payment upon death or retirement of a survivor.

(a) If there is no survivor who is entitled to monthly survivor annuity benefits on the death of a former employee, Member, annuitant, or survivor annuitant, the total lump-sum credit to the former employee's or Member's credit in the Retirement Fund is payable, except as provided in section 3716 of title 31, United States Code, on administrative offset for government claims, to the person(s) entitled in the normal order of precedence described in section 8342(c) of title 5, United States Code. If a deceased employee, separated employee, retiree or Member provided in a valid designation of beneficiary that the lump sum proceeds shall be payable to the deceased's estate, or to the Executor, Administrator, or other representative of the deceased's estate, or if the proceeds would otherwise be properly payable to the duly appointed representative of the deceased's estate under the order of precedence specified in 5 U.S.C. 8342(c), payment of the proceeds to the duly appointed representative of the deceased's estate will bar recovery by any other person.

(b) If an annuity is payable, the former employee, Member or the person entitled in the order of precedence described in section 8342(c) of title 5, United States Code, may be paid, except as provided in section 3716 of title 31, United States Code, administrative offset for government claims, lump-sum payment of—

(1) Retirement deductions withheld from the employee's or Member's pay after he or she became eligible for the maximum annuity, if the employee or Member does not elect to treat those deductions as voluntary contributions toward the purchase of an additional annuity; and

(2) Retirement deductions withheld from the employee's or Member's pay during his or her final period of service and if the employee or Member was not subject to the retirement system for at least one of the last 2 years before final separation from service and if the service covered by the deductions is not used for title to annuity; and

(3) Except as provided in paragraph (d) of this section, partial redosits of refunds previously paid; and

(4) Partial deposits for civilian service performed on and after October 1, 1982; and

(5) Partial deposits for post-1956 military service; and

(6) Annuity accrued and unpaid.

(c) A former employee, Member, or survivor who is eligible for an annuity may not be paid a lump-sum payment of—

(1) Partial or completed deposits for nondeduction civilian service performed before October 1, 1982, unless the service covered by the deposit is not creditable under the retirement system; or

(2) Completed deposits for nondeduction civilian service performed on and after October 1, 1982, unless the service covered by the deposit is not creditable under the retirement system; or

(3) Completed deposits for post-1956 military services, unless the service covered by the deposit is not creditable under the retirement system.

Payments of the partial or completed deposits mentioned in this paragraph are subject to 31 U.S.C. 3716 (administrative offset for government claims).

(d) A former employee or Member who is eligible for a nondisability annuity may not be paid a lump-sum payment of a partial redeposit for refunded deductions relating to a period of service that ended before October 1, 1990.

§ 831.2004 Amount of lump-sums.
If applicable, the amount of a refund will include interest computed as described in §831.105(b).

§ 831.2005 Designation of beneficiary for lump-sum payment.
(a) The Designation of Beneficiary must be in writing, signed, and witnessed and received in OPM before the death of the designator.
(b) No change or cancellation of beneficiary in a last will or testament, or in any other document not witnessed and filed as required by this section, has any force or effect.
(c) A witness to a Designation of Beneficiary is ineligible to receive payment as a beneficiary.
(d) Any person, firm, corporation, or legal entity may be named as beneficiary.
(e) A change of beneficiary may be made at any time and without the knowledge or consent of the previous beneficiary, and this right cannot be waived or restricted.

§ 831.2006 Designation of agent by next of kin.
When a deceased employee, Member, or annuitant has not named a beneficiary and one of the next of kin entitled to share in the lump-sum benefit may designate the one who made the claim to act as their agent to receive their distributive shares.

§ 831.2007 Notification of current and/or former spouse before payment of lump sum.
(a) Payment of the lump-sum credit based on a refund application filed on or after May 7, 1985, may be made only if any current spouse and any former spouse (from whom the employee or Member was divorced after May 6, 1985) are notified of the former employee's or Member's application.
(b) Notification of the former spouse will not be required if the marriage to the former spouse was of less than 9 months duration or if the employee has not completed a total of 18 months of creditable service covered under the retirement system.
(2) Applicants for payment of the lump-sum credit must certify on a form prescribed by OPM whether the applicant has a current or former spouse subject to the notification requirement.
(c) Proof of notification will consist of a signed and witnessed Statement by the current and/or former spouse on a form provided by OPM acknowledging that he or she has been informed of the former employee's or Member's application for refund and the consequences of the refund on the current or former spouse's possible annuity entitlement. This Statement must be presented to the employing agency or OPM when filing the Application for Refund of Retirement Deductions.
(d) If the current and/or former spouse refuses to acknowledge the notification or the employee or Member is otherwise unable to obtain the acknowledgement, the employee or Member must submit—
(1) Affidavits signed by two individuals who witnessed the employee's or Member's attempt to personally notify the current or former spouse. The witnesses must attest that they were in the presence of the employee or Member and the current or former spouse when the employee or Member gave or attempted to give the notification form to the current or former spouse and that the employee's or Member's purpose should have been clear to the current or former spouse; or
(2) The current mailing address of the current or former spouse. OPM will attempt to notify (by certified mail—return receipt requested) the current or former spouse at the address provided by the employee or Member. Except as provided in paragraph (e) of this section, the lump-sum credit will not be paid until at least 20 days after OPM receives the signed return receipt.
(e) If an OPM notice sent under paragraph (d)(2) of this section is returned and OPM has no reason to believe that the current or former spouse does not live at the address to which the notice was sent, OPM will re-mail the notice by first class mail and wait at least 20
§ 831.2008 Waiver of spouse and/or former spouse notification requirement.

The current and/or former spouse notification requirement will be waived upon a showing that the current and/or former spouse's whereabouts cannot be determined. A request for waiver on this basis must be accompanied by—

(b) Affidavits by the former employee or Member and two other persons at least one of whom is not related to the former employee or Member attesting to the inability to locate the current and/or former spouse and stating the efforts made to locate the current and/or former spouse.

§ 831.2009 Lump sum payments which include contributions made to a retirement system for employees of a nonappropriated fund instrumentality.

A lump sum payment will include employee contributions and interest as provided under subpart G of part 847 of this chapter.

§ 831.2010 Transfers between retirement systems.

Transfers of employees' contributions between the Civil Service Retirement and Disability Fund and other retirement systems for Federal or District of Columbia employees when made in accordance with Federal statute for the purpose of transferring retirement service credit to the other retirement system are not subject to the notice requirements or court order provisions of this subpart.

§ 831.2011 Effect of part 772 of this chapter on CSRS lump-sum payments.

(a) An interim appointment under § 772.102 of this chapter does not affect the lump-sum payment of retirement contributions made to a separated employee unless it becomes effective within 31 days of the employee's separation from the service. An interim appointment effective within 31 days of the employee's separation makes the employee ineligible for the lump-sum payment. Payments made in error will be collected under subpart M of part 831 of this chapter.

(b) When an employee's separation is cancelled after the MSPB initial decision becomes final, when the Board issues a final order cancelling the employee's separation, or when the agency and the employee agree to cancel the separation, the agency must notify OPM and request the amount of the erroneous lump-sum payment.

(c) At the time the employee's separation is cancelled, the agency must deduct the amount of the lump-sum payment from any back pay to which the employee is entitled as required by 5 CFR 550.805(e).

(d) Amounts recovered from back pay will not be subject to waiver consideration under 5 U.S.C. 8346(b). If there is no back pay or the back pay is insufficient to recover the erroneous payment, the employee may request that OPM waive the recovery of the uncollected portion of the overpayment. If waiver is not granted, the employee must repay the erroneous payment.

Subpart V—Alternative Forms of Annuities

SOURCE: 51 FR 42899, Nov. 28, 1986, unless otherwise noted.

§ 831.2201 Purpose.

This subpart explains the benefits available to employees and Members who elect an alternative form of annuity under section 8343a of title 5, United States Code.

§ 831.2202 Definitions.

In this subpart—

Alternative form of annuity means the benefit elected under §831.2204.

Current spouse annuity has the same meaning as in §831.603.

Date of final adjudication means the date 30 days after the date of the first regular monthly payment as defined in §831.603.

Former spouse annuity has the same meaning as in §831.603.
Lump-sum credit has the same meaning as in 5 U.S.C. 8331(8).

Present value factor represents the amount of money (earning interest at an assumed rate) required at the time of retirement to fund an annuity that: (a) Starts out at the rate of $1 a month and is payable in monthly installments for the annuitant’s lifetime based on mortality rates for non-disability annuitants under the Civil Service Retirement System; and (b) increases each year at an assumed rate of inflation. Interest, mortality, and inflation rates used in computing the present value are those used by the Board of Actuaries of the Civil Service Retirement System for valuation of the System, based on dynamic assumptions. The present value factors are unisex factors obtained by averaging sex-distinct present value factors, weighted by the total dollar value of annuities typically paid to new retirees at each age.

Time of retirement has the same meaning as in §831.603.

§831.2203 Eligibility.

(a) Except as provided in paragraphs (b), (c), and (h) of this section, an employee or Member whose annuity entitlement commences after June 5, 1986, under any provision of subchapter III of title 5, United States Code (other than section 8337 of that title), may elect an alternative form of annuity instead of any other benefits under the subchapter.

(b) An employee or Member who, at the time of retirement has a former spouse who is entitled to a portion of the employee’s or Member’s retirement benefits or a former spouse annuity under a court order acceptable for processing as defined by §838.103 of this chapter or under a qualifying court order as defined in §838.1003 of this chapter may elect an alternative form of annuity instead of any other benefits under the subchapter.

(c) An employee or Member who is married at the time of retirement may not elect an alternative form of annuity unless the employee’s or Member’s spouse specifically consents to the election before the date of final adjudication. OPM may waive spousal consent only under the conditions prescribed by §831.618.

(d) The election of an alternative form of annuity and evidence of spousal consent must be filed on a form prescribed by OPM. The form will require that a notary public or other official authorized to administer oaths certify that the current spouse presented identification, gave consent to the specific election as executed by the retiree, signed or marked the form, and acknowledged that the consent was given freely in the notary’s or official’s presence.

(e) An election of the alternative form of annuity must be in writing and received by OPM on or before the date of final adjudication. After the date of final adjudication, an election of the alternative form of annuity is irrevocable.

(f) Except as provided in paragraph (g), an annuitant who dies before the date of final adjudication is deemed to have made an affirmative election under paragraph (a) with a fully reduced annuity to provide a current spouse annuity, regardless of any election completed under §831.614, and the lump-sum credit will be paid in accordance with the order of precedence established under 5 U.S.C. 8342(c).

(g) If an annuitant described in paragraph (f) has completed an election under §831.611(a) or (b)—

1. The lump-sum credit will be paid in accordance with the order of precedence established under 5 U.S.C. 8342(c); and

2. The election under §831.611(a) or (b) will be honored.

(h)(1) An individual whose annuity commences after December 1, 1990, and before October 1, 1994, may elect an alternative form of annuity only if that individual is—

(A) An employee or Member who meets the conditions and fulfills the requirements described in §831.2207(c) (2) and (3); or

(B) An employee who is separated involuntarily other than for cause on charges of misconduct or delinquency;

(ii) An individual whose annuity commences on or after October 1, 1994,
may elect an alternative form of annuity only if that individual is an employee or Member who meets the conditions and fulfills the requirements described in §831.2207(c) (2) and (3).

(2) For the purpose of paragraph (h)(1)(i)(B) of this section, the term “employee” does not include—

(i) Members of Congress;

(ii) Individuals in positions in the Executive Schedule under sections 5312 through 5317 of title 5, United States Code;

(iii) Presidential appointees under section 106(a)(1), 106(a)(1), or 107(a)(1) or (b)(1) of title 3, United States Code, if the maximum basic pay for such positions is at or above the rate for Executive Schedule, level V;

(iv) Noncareer appointees in the Senior Executive Service or noncareer members of the Senior Foreign Service;

(v) Any individual in a position that is excluded from the competitive service because of its confidential, policy-determining, policy-making, or policy-advocating character.

(3) Notwithstanding paragraph (h)(1) of this section, an employee whose annuity commences after December 1, 1990, and before December 2, 1991, may elect an alternative form of annuity if that individual—

(i)(A) Was ordered to active military duty (other than for training) before December 1, 1990, in connection with Operation Desert Shield; or

(B) Is an employee of the Department of Defense who is certified by the Secretary of Defense to have performed, after November 30, 1990, duties essential to support Operation Desert Shield, and the certification is submitted to OPM in a form prescribed by OPM; and

(ii) Would have been eligible, as of November 30, 1990, to elect an alternative form of annuity under paragraph (a) of this section.

§831.2205 Computation of alternative form of annuity.

(a) To compute the beginning rate of annuity payable to a retiree who elects an alternative form of annuity, OPM will first compute the monthly rate of annuity otherwise payable under subchapter III of chapter 83 of title 5, United States Code, including all reductions provided under the subchapter other than those in §8343a. That monthly rate is then reduced by an amount equal to the retiree’s lump-sum credit divided by the present value factor for the retiree’s attained age (in full years) at the time of retirement. The reduced monthly rate is then rounded to the next lowest dollar and becomes the rate of annuity payable.

(b) OPM will publish a notice in the FEDERAL REGISTER announcing any proposed adjustments in present value factors at least 30 days before the effective date of the adjustments.

§831.2206 Election to pay deposit or redeposit for civilian service.

(a) If an employee or Member who elects an alternative form of annuity owes a deposit or redeposit for civilian service, and elects to pay that deposit or redeposit before the date of final adjudication, OPM will compute the annuity as if the deposit or redeposit had been made and will deem that deposit or redeposit to be included in the lump-

(1) Sixty percent of the lump-sum credit is payable at the time of retirement, and

(2) Forty percent is payable, with interest determined under section 8334(e)(3) of title 5, United States Code, one year after the time of retirement.

(b) If an employee or Member whose annuity commences after January 3, 1988, and before October 1, 1989, dies before the date of final adjudication, that individual is subject to § 831.2203 (f) or (g), but the lump-sum credit will be paid in accordance with the schedule in paragraph (a) of this section.

(c) An annuitant is exempt from the deferred payment schedule under paragraph (a) of this section if the individual—

(1) Separates involuntarily, other than for cause on charges of delinquency or misconduct, or

(2) Has, at the time of retirement, a life-threatening affliction or other critical medical condition.

(3)(i) For the purpose of this section, life-threatening affliction or other critical medical condition means a medical condition so severe as to reasonably limit an individual's probable life expectancy to less than 2 years.

(ii) The existence of one of the following medical conditions is prima facie evidence of a life threatening affliction or other critical medical condition:

(A) Metastatic or inoperable neoplasms.

(B) Aortic stenosis (severe).

(R) Scleroderma with severe esophageal involvement.

(S) Amyotrophic lateral sclerosis (rapidly progressive).

(T) Hemiplegia with life threatening complications.

(U) Quadriplegia with life threatening complications.

(iii) Evidence of the existence of a life-threatening affliction or other critical medical condition must be certified by a physician and sent to OPM on or before the date the annuitant elects to receive an alternative form of annuity. For the purpose of this section, “physician” has the same meaning given that term in §339.102 of this chapter.

(iv) If a medical condition other than those listed in paragraph (c)(3)(ii) of this section is claimed as a basis for exemption from the deferred payment schedule, OPM will review the physician’s certification to determine whether the cited condition is life-threatening or critical.

(v) The cost of providing medical documentation under this paragraph rests
§ 831.2208 Partial deferred payment of the lump-sum credit if annuity commences after December 2, 1989, and before October 1, 1995.

(a) Except as provided in paragraph (c) of this section, if the annuity of a retiree commences after December 2, 1989, and before October 1, 1994, the lump-sum credit payable under § 831.2204 is payable to the individual, or his or her survivors, according to the following schedule:

1. Fifty percent of the lump-sum credit is payable at the time of retirement, and
2. Fifty percent is payable, with interest determined under section 8334(e)(3) of title 5, United States Code, 1 year after the time of retirement, except if the payment date of the amount specified in paragraph (a)(1) of this section was after December 4, 1989, payment with interest will be made in the calendar year following the calendar year in which the payment specified in paragraph (a)(1) of this section was made.

(b) If a retiree whose annuity commences after December 2, 1989, and before October 1, 1994, and who is otherwise entitled to a computation under subpart H, dies before the date of final adjudication, that individual is subject to § 831.2203 (f) or (g), but the lump-sum credit will be paid in accordance with the schedule in paragraph (a) of this section.

(c)(1) A retiree is exempt from the deferred payment schedule under paragraph (a) of this section if the individual meets the conditions, and fulfills the requirements, described in § 831.2207(c).

(c)(2)(i) A retiree who is exempt from the deferred payment schedule may waive that exemption by notifying OPM, in writing, on or before the date he or she elects to receive the alternative form of annuity.

(c)(2)(ii) Paragraph (c)(2)(i) of this section does not apply to an individual whose annuity commences after December 1, 1990, if that individual’s eligibility to elect an alternative form of annuity is pursuant to § 831.2203(h)(3)(i)(A).

(c)(2)(iii) A waiver under paragraph (c)(2)(i) of this section cannot be revoked.

§ 831.2209 Redetermined annuity after reemployment.

(a) For purposes of this section, “lump-sum credit” does not include—

(b) An annuitant who meets the requirements for a redetermined annuity under subpart H, and who meets all requirements of § 831.2203, may elect an alternative form of annuity.

(c) To compute the beginning rate of the redetermined annuity payable to an annuitant who elects an alternative form of annuity, OPM will first compute the monthly rate payable under subchapter III of chapter 83 of title 5, United States Code, including all reductions provided under the subchapter other than those in section 8343a. That monthly rate is then reduced by the sum of—

(i)(1) Any reduction that was computed under §831.2205 at the time of the annuitant’s prior retirement, increased by—

(ii) All cost-of-living adjustments under section 8340 of title 5, United States Code that applied to the annuitant before the commencing date of the redetermined annuity, and

(ii) An amount equal to the annuitant’s lump-sum credit, divided by the present value factor for the annuitant’s attained age on the date the redetermined annuity commences.

(e) With respect to which the individual's rights described in 5 CFR 831.1301 through 831.1309 have been exhausted;

(f) With respect to which either:

(1) OPM's records do not contain evidence that the person owing the debt (or his or her spouse) has filed for bankruptcy under title 11 of the United States Code; or

(2) OPM can clearly establish at the time of the referral that the automatic stay under 11 U.S.C. 362 has been lifted or is no longer in effect with respect to the person owing the debt or his or her spouse, and the debt was not discharged in the bankruptcy proceeding;

(g) Cannot currently be collected under the salary offset provisions of 5 U.S.C. 5514(a)(1); or

(h) Is not eligible for administrative offset under 31 U.S.C. 3716(a) because of 31 U.S.C. 3716(c)(2), or cannot currently be collected as an administrative offset by OPM under 31 U.S.C. 3716(a) against amounts payable to the debtor by OPM; and

(i) Has been disclosed by OPM to a consumer reporting agency as authorized by 31 U.S.C. 3711(f), unless the consumer reporting agency would be prohibited from reporting information concerning the debt by reason of 15 U.S.C. 1681c, or unless the amount of the debt does not exceed $100.

§ 835.603 Notification of intent to collect.

(a) Notification before submission to the IRS. A request for reduction of an IRS income tax refund will be made only after OPM makes a determination that an amount is owed and past-due and gives or makes a reasonable attempt to give the debtor 60 days written notice of the intent to collect by IRS tax refund offset.

(b) Contents of notice. OPM's notice of intention to collect by IRS tax refund offset (Notice of Intent) will state:

(1) The amount of the debt;
§ 835.604 Reasonable attempt to notify.  
In order to constitute a reasonable attempt to notify the debtor, OPM must have used a mailing address for the debtor obtained from the IRS pursuant to 26 U.S.C. 6103(m)(2) within a period of 1 year preceding the attempt to notify the debtor, unless OPM received clear and concise notification from the debtor that notices from the agency are to be sent to an address different from the address obtained from IRS. Clear and concise notice means that the debtor has provided the agency with written notification, including the debtor's name and identifying number (as defined in 26 CFR 301.6109-1), and the debtor's intent to have the agency notices sent to the new address.

§ 835.605 OPM action as a result of consideration of evidence submitted as a result of the notice of intent.  
(a) Consideration of evidence. If, as a result of the Notice of Intent, OPM receives notice that the debtor will submit additional evidence or receives additional evidence from the debtor within the prescribed time period, any notice to the IRS will be stayed until OPM can—
(1) Consider the evidence presented by the debtor; and
(2) Determine whether or not all or a portion of the debt is still past due and legally enforceable; and
(3) Notify the debtor of its determination.

(b) Notification to the debtor. Following review of the evidence, OPM will issue a written decision notifying the debtor whether OPM has sustained, amended, or canceled its determination that the debt is past-due and legally enforceable. The notice will advise the debtor of any further action to be taken and explain the supporting rationale for the decision.

(c) OPM action on the debt. (1) OPM will notify the debtor of its intent to refer the debt to the IRS for offset against the debtor's Federal income tax refund, if it sustains its decision that the debt is past-due and legally enforceable. OPM will also notify the debtor whether the amount of the debt remains the same or is modified.
(2) OPM will not refer the debt to the IRS for offset against the debtor's Federal income tax refund, if it reverses its decision that the debt is past-due and legally enforceable.

§ 835.606 Change in notification to Internal Revenue Service.  
(a) Except as noted in paragraph (b) of this section, after OPM sends IRS notification of an individual's liability for a debt, OPM will promptly notify IRS of any change in the notification, if OPM—
(1) Determines that an error has been made with respect to the information contained in the notification;
(2) Receives a payment or credits a payment to the account of the debtor named in the notification that reduces the amount of the debt referred to the IRS for offset; or
(3) Receives notification that the individual owing the debt has filed for bankruptcy under title 11 of the United States Code or has been adjudicated bankrupt and the debt has been discharged.
Office of Personnel Management

(b) OPM will not notify the IRS to increase the amount of a debt owed by a debtor named in OPM’s original notification to the IRS.

(c) If the amount of a debt is reduced after referral by OPM and offset by the IRS, OPM will refund to the debtor any excess amount and will promptly notify the IRS of any refund made by OPM.

§ 835.607 Administrative charges.

All administrative charges incurred in connection with the referral of the debts to the IRS will be assessed on the debt and thus increase the amount of the offset.

(1) Reemployment of an annuitant by the Federal Government;

(2) Reemployment of an annuitant by the government of the District of Columbia when the annuitant had been employed subject to CSRS by the District of Columbia prior to October 1, 1987, or is an employee of the government of the District of Columbia not excluded from CSRS under §831.201(g) or is an employee of the government of the District of Columbia who is deemed to be a Federal employee for FERS purposes under §842.107; and

(3) The payment of retirement and death benefits based on reemployment covered by this part.

(b) This part is not applicable to reemployment, in the Executive Branch, under 5 U.S.C. 8344(i) or 8468(f) (see part
5 CFR Ch. I (1-1-99 Edition) § 837.102

CSRS annuitant means an annuitant retired under CSRS.

Termination in regard to payment of annuity, means that both payment of annuity and annuitant status cease.

§ 837.103 Notice.

(a) To OPM. On or before the date a reemployed annuitant is appointed, the appointing agency must notify OPM in writing of the appointment, and provide OPM with the following information—

1. The annuitant’s name, date of birth, social security number (if applicable), and retirement claim number;
2. A description of the kind of appointment;
3. Whether the amount of annuity allocable to the period of reemployment is, or will be, withheld from the reemployed annuitant’s pay, in accordance with §837.303 of this part; and
4. When the appointment is an interim appointment under §772.102 of this chapter, an explicit statement that the appointment is required by the Whistleblower Protection Act of 1989.

(b) To annuitant. The agency should advise the annuitant in writing, generally, of the effect reemployment has on annuitant status and/or the continued receipt of annuity, the possible, future retirement benefits that may be payable to an annuitant on the basis of reemployment, and, for CSRS annuitants, whether the annuitant may elect to have retirement deductions withheld from his or her basic pay.

(c) Obligation of annuitant to provide information. Before appointment, and as a condition of reemployment, the annuitant must provide the employing agency with the following information—

1. Whether the annuitant is then in receipt of annuity;
2. The gross monthly amount of annuity the annuitant is then receiving;
3. Whether the annuitant is a disability annuitant, and if so, whether OPM has found the annuitant recovered from his or her disability, or restored to earning capacity; and
4. If the annuitant is a CSRS annuitant, whether the annuitant’s retirement was based on an involuntary separation, not for charges of misconduct or delinquency.

§ 837.104 Reemployment of former employees of nonappropriated fund instrumentalities.

A former employee of a non-appropriated fund instrumentality who has made an election of retirement coverage under part 847 of this chapter will continue to be covered under the
§ 837.201 Annuitant status.

Unless his or her annuity is terminated under the provisions of § 837.202 or § 837.403 of this part, an annuitant continues to be an annuitant throughout the period of reemployment, whether or not he or she continues to receive annuity payments during the period of reemployment.

§ 837.202 Annuities that terminate on reemployment.

(a) FERS annuitants. (1) The annuity of a FERS annuitant who is a disability annuitant whom OPM has found recovered or restored to earning capacity prior to reemployment terminates on reemployment.

(2) The annuity of a FERS annuitant who is a former military reserve technician awarded a disability retirement annuity under 5 U.S.C. 8456, in addition to being subject to paragraph (a)(1) of this section, shall terminate on the date the annuitant declines an offer of employment with a department or agency, where the employment is in the same commuting area and of the same grade as, or a level equivalent to, the position from which the annuitant retired.

(b) CSRS annuitants. (1) The annuity of a CSRS annuitant terminates on reemployment if—

(i) The annuitant is a disability annuitant whom OPM has found recovered or restored to earning capacity prior to reemployment, or whose disability annuity was awarded under the provisions of 5 U.S.C. 8337(h) because the annuitant was a National Guard Technician who was medically disqualified for continued membership in the National Guard;

(ii) The annuitant is not a retired Member and the annuity is based on an involuntary separation (other than a separation that was mandated by statute based on the annuitant’s age and length of service, or a separation for cause on charges of misconduct or delinquency) where the reemployment would, if the individual were not an annuitant, be covered by CSRS;

(iii) The annuitant is not a retired Member and is appointed by the President to a position that would, if the individual were not an annuitant, be covered by CSRS; or

(iv) The annuitant is not a retired Member and is elected as a Member.

(2) A disability annuity awarded a former National Guard Technician under the provisions of 5 U.S.C. 8337(h) shall terminate on the date the annuitant declines an offer of employment with a department or agency, where the employment is in the same commuting area and of the same grade as, or a level equivalent to, the position from which the annuitant retired.

§ 837.203 Annuities that are suspended during reemployment.

(a) All annuitants. Payment of annuity is suspended when—

(1) The annuitant is appointed as a justice or judge of the United States, as defined by section 451 of title 28, United States Code; or

(2) The annuitant receives an interim appointment under § 772.102 of this chapter.

(b) CSRS annuitants only. Payment of annuity is suspended when the annuitant is a retired Member and becomes employed in an elective position, or is appointed to a position that is not intermittent or without pay.

Subpart C—Coverage and Contributions

§ 837.301 Coverage.

(a) When annuity terminates on, or is suspended during, reemployment. Retirement coverage under either CSRS or FERS is governed by subpart B of part 831 or subpart A of part 842 of this chapter, as is appropriate.

(b) When annuity continues. (1) Unless a reemployed FERS annuitant’s employment is on an intermittent basis, as an employee subject to another retirement system, or as President, deductions for the Fund shall be made under 5 U.S.C. 8422(a).
(2) A CSRS annuitant is not subject to deductions, unless he or she is serving in an other-than-intermittent status (except as President), is not covered by another retirement system, and elects to have retirement deductions made from his or her pay. Generally, deductions are made no later than the beginning of the first pay period immediately following the date the reemployed annuitant files the election with the employing agency. When the annuitant elects to have deductions made, he or she may not change the election during continuous service with that agency.

(3) The amount of basic pay prior to offset of annuity under §837.303 of this part is used in computing the amount of deductions. The rate of retirement deductions is that which attaches to the position under the provisions of sections 8334(a), 8334(k), or 8422(a) of title 5, United States Code, as is applicable.

§ 837.302 Agency contributions.

(a) FERS annuitants. An agency that reemploys a FERS annuitant subject to retirement deductions under §837.301(b)(1) of this part shall make contributions, as specified in 5 U.S.C. 8423, to the Fund, based on the reemployed annuitant’s pay prior to offset of annuity under the provisions of §837.303 of this part.

(b) CSRS annuitants. An agency that reemploys a CSRS annuitant is required to make an agency contribution when—

1. The annuity is suspended or terminated under the provisions of subpart B of this part; and

2. The appointment is subject to CSRS deductions under the provisions of subpart B of part 831 of this chapter.

§ 837.303 Annuity offset.

(a) Applicability. When the right to receive annuity continues during reemployment (even though actual receipt of annuity may have been waived under 5 U.S.C. 8345(d) or 8465(a)), the pay of the reemployed annuitant shall be offset by the amount of annuity allocable to the period of reemployment, except that—

1. No amount shall be offset from pay in accordance with this section for a period for which the annuitant has elected to receive FEC benefits in lieu of annuity; and

2. No amount shall be offset from a lump-sum payment of annual leave, made on or after termination of the reemployment period.

(b) Payment. The employing agency shall pay to the Fund the full amount required to be offset from a reemployed annuitant’s salary under this section in accordance with instructions issued by OPM. Payment in full to the Fund is not contingent on actual offset from the reemployed annuitant’s salary.

(c) Computation. To compute the amount of the annuity offset for any particular pay period, divide the amount of annuity for the calendar days included in the pay period by the number of hours that would constitute a full-time tour of duty for that pay period, then multiply the result by the number of hours actually paid for the pay period, not to exceed the number of hours that constitutes a full-time tour of duty.

§ 837.304 Agency liability for payments.

(a) The agency will remit funds properly withheld from the pay of a reemployed annuitant in accordance with this subpart to OPM in the manner prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM in the Federal Personnel Manual.

(b) When the employing agency fails to withhold from the pay of the reemployed annuitant some or all of the amounts required to be withheld from that pay by this subpart, the employee has received an overpayment of pay. The employing agency must collect the overpayment of pay (unless it is waived under 5 U.S.C. 5584 or some other applicable statute) and remit the proper funds to OPM in the manner prescribed for the transmission of withholdings and contributions as soon as possible, but not later than provided by standards established by OPM in the Federal Personnel Manual.

(c) If the employing agency waives the annuitant’s repayment of the salary overpayment, it must submit—on behalf of the reemployed annuitant—an
§ 837.305 Lump-sum credit not reduced.

When annuity continues during the period of reemployment, and the reemployment is subject to annuity offset under the provisions of §837.303 of this subpart, or any similar provision of law or regulation, the amount of an annuitant’s lump-sum credit to the Fund shall not be reduced by the amount of annuity allocable to the period of reemployment.

§ 837.306 Refund of lump-sum credit.

An annuitant serving as a justice or judge of the United States, as defined by section 451 of title 28, United States Code, may apply for and receive payment of the annuitant's lump-sum credit, less the amount of annuity or other benefits previously paid on that account. Receipt of a refund under this section will irrevocably terminate the right to annuity, and the annuitant status, of the recipient, based on any prior separations from employment covered by CSRS or FERS.

Subpart D—Reemployment of Disability Annuitants

§ 837.401 Generally.

A disability annuitant may be reemployed in any position for which he or she is qualified.

§ 837.402 Special notice.

(a) To annuitant. In addition to the advice described in paragraph 837.103(b) of this part, the agency should generally also advise a disability annuitant, in writing, prior to reemployment, that—

(1) Reemployment on a permanent basis in a position equivalent in grade and pay to the position from which the annuitant retired may constitute the basis for an OPM finding of recovery from disability;

(2) Reemployment subject to medical and physical qualification standards equivalent to those of the position from which the annuitant retired may constitute the basis for an OPM finding of recovery from disability;

(3) The pay of the position in which the annuitant is reemployed, prior to the offset of annuity, or the pay of an interim appointment under §772.102 of this chapter, as may be applicable, will be included as earnings in determining whether the disability annuity will be terminated due to restoration to earning capacity;

(4) Receipt of, or continued entitlement to receive, full or partial FEC benefits during reemployment, when those benefits are based on the same injury or medical condition that is the basis for OPM’s award of disability retirement, is conclusive evidence (unless there is contravening medical evidence) that the annuitant has not recovered from the disability; and

(5) A disability annuitant age 60 or over cannot be found by OPM to be restored to earning capacity, and can only be found recovered at the annuitant’s request.

(b) To OPM. On reemployment of a disability annuitant, the employing agency shall, in addition to the notice required by §837.103(a) of this part, notify OPM in writing of—

(1) The physical and medical requirements of the position (providing a copy of the employee’s position description);

(2) The position’s grade level and/or rate of pay;

(3) Whether the employment is full-time, part-time, or intermittent;

(4) Whether, to the best of the agency’s knowledge, the reemployed annuitant is receiving, or entitled to receive, FEC benefits; and

(5) Whether any medical evidence was used in making the employment decision, and if so, provide OPM with a copy of the medical information.

§ 837.403 Termination of annuity during reemployment.

(a) Agency action. When a reemployed disability annuitant is found recovered from disability or restored to earning capacity by OPM, OPM shall terminate the annuity as of the date of the finding, and the employing agency shall
cease reducing pay by the amount of annuity allocable to the period of reemployment effective that same date. If the appointment is subject to retirement deductions, retirement deductions will begin or continue, as the case may be.

(b) Subsequent benefits—(1) CSRS. If, on separation from a period of reemployment during which the disability annuity was terminated because of recovery or restoration to earning capacity, the former disability annuitant is entitled to either an immediate or deferred annuity based on the most recent separation, any right to an annuity based on a prior separation is permanently extinguished. If no such right to immediate or deferred annuity accrues based on this most recent separation, however, any right to immediate or deferred annuity will be determined on the basis of the next prior separation.

(2) FERS. If a disability annuity is terminated during a period of reemployment because of recovery or restoration to earning capacity, any right to an annuity based on a prior separation is permanently extinguished, except as otherwise provided by §844.405(b)(2) of this chapter.

§ 837.404 Reinstatement of annuity during a period of employment not subject to CSRS or FERS.

When OPM reinstates the disability annuity of an individual employed in a position not subject to CSRS or FERS, the employing agency shall withhold retirement deductions and offset pay subject to the provisions of subpart C of this part, as of the date of OPM’s administrative determination of reinstatement. OPM shall offset from any retroactive payment of annuity for a period that is also a period of employment an amount equal to the amount of annuity, or the pay for the period of employment, whichever is the lesser.

Subpart E—Retirement Benefits on Separation

§ 837.501 Refund of retirement deductions.

A reemployed annuitant who separates from reemployment without title to either a supplemental annuity or a redetermined annuity under this subpart is entitled to have any retirement deductions withheld from pay during the period of reemployment refunded without interest.

§ 837.502 Reinstatement of annuity.

(a) When appropriate. (1) When an annuity was terminated because of reemployment under the provisions of §837.202 of this part, or any similar provision of statute or regulation in effect prior to the promulgation of this part, the annuity that was terminated will be reinstated effective the date immediately following the date the reemployed annuitant separated from reemployment, if—

(i) The reemployed annuitant’s right to annuity has not been terminated under any other provision of regulation or statute; and

(ii) The reemployed annuitant is not entitled to either an immediate or deferred CSRS or FERS annuity based on the separation from reemployment.

(2) When an annuity was suspended because of reemployment under the provisions of §837.203 of this part, the annuity that was suspended will be reinstated effective the date immediately following the date the reemployed annuitant separated from reemployment.

(b) Amount of reinstated annuity. The amount of an annuity reinstated under the provisions of paragraph (a)(2) of this section will be the amount of the annuity at the effective date of termination, adjusted by such adjustments as would have occurred had the annuity remained payable during the period of reemployment.

§ 837.503 Supplemental annuity.

(a) Title requirements. A reemployed annuitant is entitled, on separation, or conversion to intermittent service, to a supplemental annuity if—

(1) The annuitant performed—

(i) At least 1 year of actual, continuous, full-time service;

(ii) Actual, continuous part-time service equivalent to 1 year of actual full-time service; or

(iii) A combination of part-time and full-time actual, continuous service that is equivalent to 1 year of actual full-time service; and
(2)(i) The annuity is not terminated or suspended on reemployment; and
(ii) The pay during reemployment was subject to offset by the amount of annuity allocable to the period of reemployment; or
(iii) The reemployed annuitant separates from an interim appointment made under the provisions of §772.102 of this chapter.

(b) Computation of supplemental annuity—(1) CSRS. (i) That portion of a supplemental annuity that is based on the total years and full months of creditable reemployment service performed while covered under CSRS, is computed under the provisions of 5 U.S.C. 8339(a), (b), (d), (e), (h), (i), (n) and (q). Unused sick leave to the reemployed annuitant's credit immediately prior to separation from reemployed annuitant service will be credited under the rules prescribed in §831.302 of this chapter, and 5 U.S.C. 8339(m), not to exceed the amount of unused sick leave available immediately before the effective date of an election of FERS coverage, and not including any unused sick leave included in the computation of an annuity or supplemental annuity the annuitant is receiving at the time of separation from the most recent period of reemployment.
(ii) A supplemental annuity computed in whole or in part under the provisions of this paragraph, using CSRS-Offset service, is subject to reduction under subpart G of this part.
(2) FERS. That portion of a supplemental annuity that is based on the total years and full months of creditable reemployment service performed and after the effective date of FERS coverage is computed under the provisions of 5 U.S.C. 8415(a) through (f).
(3) Average pay. The average pay used in the computation of a supplemental annuity is the average basic pay for the entire period of actual continuous reemployment service, excluding intermittent service.
(4) Survivor reduction. If the reemployed annuitant's annuity, at the time he or she applies for supplemental annuity, is reduced to provide a survivor benefit for a spouse, (or, for FERS annuitants only, a former spouse), the supplemental annuity will be reduced by 10 percent, and the survivor annuities increased, if the annuitant was retired under CSRS, by 55 percent of the supplemental annuity, and if the annuitant was retired under FERS, by 50 percent of the supplemental annuity, unless the reemployed annuitant notifies OPM at the time of application that he or she does not wish to have such reductions and increases effected.

(c) Creditable service. (1) All actual reemployment service performed after the date of retirement on a full-time or part-time basis may be credited in the computation of a supplemental annuity provided—
(i) When the reemployment service was performed on or after October 1, 1982, retirement deductions were withheld or, for CSRS annuitants, a deposit has been paid under the provisions of 5 U.S.C. 8334;
(ii) The reemployment service was not performed subject to another retirement system, except when the deductions under the other retirement system have been refunded and a deposit paid to OPM, where the law so permits, or benefits under the other retirement system have been waived in favor of CSRS or FERS benefits; and
(iii) The reemployment service has not been used in the computation of another supplemental or redetermined annuity.

(d) Commencing date. (1) Except as provided in clause (2) of this subparagraph, the supplemental annuity commences on the earlier of the first day of the month following—
(i) The day the annuitant is separated from reemployment; or
(ii) The day the annuitant is converted to an intermittent status.
(2) The supplemental annuity of a FERS annuitant, and the supplemental annuity of a CSRS reemployed annuitant who has not elected FERS coverage and who was—
§ 837.505 Cost-of-living adjustments on Member annuities.

(a) Applying cost-of-living adjustments to recomputed Member annuities under CSRS. A Member annuity benefit that is recomputed under section 8344(d)(1) of title 5, United States Code, which applies to certain former Members who become employed in an appointive position subject to CSRS, will include the cost-of-living adjustments under section 8340 of title 5, United States Code, that are effective after the commencing date of the benefit computed under section 8344(d)(1).

(b) Limitations on cost-of-living adjustments on recomputed Member annuities under CSRS. For purposes of determining limitations on cost-of-living adjustments under section 8340(g) of title 5, United States Code, the final (or average) salary of a Member whose benefit has been recomputed under section 8344(d)(1) of title 5, United States Code, which applies to certain former Members who become employed in an appointive position subject to CSRS, will be increased by adjustments in the rates of the General Schedule under subpart I of chapter 53 of title 5, United States Code.
§ 837.506 Computation of redetermined annuity for former employees of nonappropriated fund instrumentalties.

The redetermined annuity of a former employee of a nonappropriated fund instrumentality who elected CSRS or FERS coverage under subpart D of part 847 of this chapter is recomputed under part 847 of this chapter.

Subpart F—Death Benefits

§ 837.601 Generally.

Except as otherwise provided by this subpart, when an annuitant who is reemployed under circumstances that provide for continuation of annuitant status during reemployment dies, death benefits are payable under CSRS or FERS as if the individual died as an annuitant, and not as employee.

§ 837.602 Lump-sum payment of retirement deductions.

If an annuitant reemployed subject to the provisions of this part dies while so reemployed, and the annuitant would not have been entitled to a supplemental annuity, had the separation been for reasons other than death, or if there is no supplemental spousal survivor annuity payable (including a survivor annuity payable to a former spouse, if the annuitant retired under FERS) the amount of the spousal survivor annuity will, if any necessary deposit for service credit is made, be increased by 55 percent of the supplemental annuity, if the reemployed annuitant was retired under CSRS, or 50 percent of the supplemental annuity, if the reemployed annuitant was retired under FERS.

Supplemental survivor annuity benefits payable under this paragraph, computed in whole or in part under the provisions of §837.503(b)(1)(i) of this part, using CSRS-Offset service, are subject to reduction under subpart G of this part.

(b) Redetermined survivor annuity. If an annuitant reemployed subject to the provisions of this part dies while so reemployed, and the annuitant would have been entitled to elect a redetermined annuity, had the separation been for reasons other than death, and if there is a spousal survivor annuity payable (including a survivor annuity payable to a former spouse, if the annuitant retired under FERS), a person entitled to a spousal survivor annuity may elect to have his or her survivor annuity computed as if the annuitant had elected a redetermined annuity, provided any necessary deposit for service credit is made.

Subpart G—CSRS Offset

§ 837.701 Offset from supplemental annuity.

(a) OPM will reduce the supplemental annuity of an individual who has performed CSRS-Offset service, if the individual is entitled, or on proper application would be entitled, to old-age benefits under title II of the Social Security Act.

(b) The reduction required under paragraph (a) of this section is effective on the first day of the month during which the reemployed annuitant—

(1) Is entitled to a supplemental annuity under this part; and

(2) Is entitled, or on proper application would be entitled, to old-age benefits under title II of the Social Security Act.
(c) Subject to paragraphs (d) and (e) of this section, the amount of the reduction required under paragraph (a) of this section is the lesser of—

1. The difference between—
   (i) The social security old-age benefit for the month referred to in paragraph (b) of this section; and
   (ii) The old-age benefit that would be payable to the individual for the month referred to in paragraph (b) of this section, excluding all CSRS-Offset wages as a reemployed annuitant, and assuming the annuitant was fully insured (as defined by section 214(a) of the Social Security Act); or

2. The product of—
   (i) The old-age benefit to which the individual is entitled or would, on proper application, be entitled; and
   (ii) A fraction—
   (A) The numerator of which is the annuitant’s total CSRS-Offset service as a reemployed annuitant, rounded to the nearest whole number of years not exceeding 40 years; and
   (B) The denominator of which is 40.

(d) Cost-of-living adjustments under 5 U.S.C. 8340 occurring after the effective date of the reduction required under paragraph (a) of this section will be based on only the supplemental annuity remaining after reduction under this subpart.

(e) The amounts for paragraphs (c)(1)(i), (c)(1)(ii), and (c)(2)(i) of this section are computed without regard to subsections (b) through (1) of section 203 of the Social Security Act (relating to reductions in social security benefits), and without applying the provisions of the second sentence of section 215(a)(7)(B)(i) or section 215(d)(5)(ii) of the Social Security Act (relating to part of the computation of the social security windfall elimination provisions).

(f) OPM will accept the determination of the Social Security Administration, submitted in a form prescribed by OPM, concerning entitlement to social security survivor benefits and the beginning and ending dates thereof.

§ 837.702 Offset from supplemental survivor annuity.

(a) OPM will reduce a supplemental survivor annuity (an annuity under 5 U.S.C. 8341) based on the service of an individual who performed CSRS-Offset service, if the survivor annuitant is entitled, or on proper application would be entitled, to survivor benefits under section 202(d), (e), or (f) (relating to children's, widows', and widowers' benefits, respectively) of the Social Security Act.

(b) The reduction required under paragraph (a) of this section begins (or is reinstated) on the first day of the month during which the survivor annuitant—

1. Is entitled to a disability or survivor annuity under CSRS; and

2. Is entitled, or on proper application would be entitled, to survivor benefits under the Social Security Act provisions mentioned in paragraphs (a) and (c) of this section, respectively.

(c) The reduction under paragraphs (a) of this section will be computed and adjusted in a manner consistent with the provisions of §837.701 (c) through (e) of this part.

(d) A reduction under paragraph (a) of this section stops on the date entitlement to the disability or survivor benefits under title II of the Social Security Act terminates. In the case of a survivor annuitant who has not made proper application for the social security benefit, the reduction under paragraph (a) of this section stops on the date entitlement to such survivor benefits would otherwise terminate. If a social security benefit is reduced under any provision of the Social Security Act, even if reduced to zero, entitlement to that benefit is not considered to have terminated.

(e) OPM will accept the determination or certification of the Social Security Administration, submitted in a form prescribed by OPM, concerning entitlement to social security survivor benefits and the beginning and ending dates thereof.

Subpart H—Alternative Entitlements and Canceled Retirements

§ 837.801 Unperfected entitlement to CSRS benefits based on a prior separation.

(a) An employee who meets the age and service requirements for title to a non-disability annuity under CSRS on
§ 837.802

the basis of a prior separation, but did not apply for that annuity before a subsequent separation from service to which a different annuity entitlement attaches, may elect, on application, to receive either—

(1) The annuity based on the later separation; or

(2) The annuity based on the prior separation, with payment of annuity suspended during the period(s) of employment subsequent to the commencing date of annuity, and such benefits as would be payable had the subsequent period(s) of employment been performed under the provisions of this part.

(b) When an individual who has applied for a deferred annuity under CSRS is reemployed under CSRS before the commencing date of that annuity, the application is deemed to have not been made.

§ 837.802 Benefits under another retirement system for Federal employees based on the most recent separation.

(a) Generally. An annuitant who has performed reemployment service after the commencing date of annuity under the provisions of another retirement system, and who is entitled to an annuity benefit from the other retirement system during a period in which he or she is also entitled to an annuity benefit under CSRS or FERS, may receive both benefits simultaneously, or for the same period, except that the annuitant may not receive both benefits simultaneously, or for the same period, if—

(1) The provisions of law or regulation governing the other retirement system do not permit the annuitant to receive both benefits simultaneously, or for the same period of time; or

(2) Entitlement to the annuity from the other retirement system is based on service credited in the computation of the CSRS or FERS annuity, or service credited in the computation of the annuity from the other retirement system was used in the computation of the CSRS or FERS annuity.

(b) Election of alternative benefits. (1)Where simultaneous receipt of, or entitlement to, both annuities is barred under the provisions of paragraph (a)(1) of this section, the annuitant must elect to receive either the annuity under the other retirement system, or the CSRS annuity.

(2) When the annuitant, under the provisions of paragraph (b)(1) of this section, elects to receive annuity from the other retirement system in lieu of the CSRS or FERS annuity, the CSRS or FERS annuity terminates as of the commencing date of the other annuity, and any overpayment of CSRS annuity will be offset from the other annuity and paid to OPM.

(c) Recomputation. Where simultaneous receipt of annuities from more than one retirement system is barred by paragraph (a)(1), but not by paragraph (a)(2), of this section, the CSRS or FERS annuity may be recomputed to exclude credit for service credited in determining entitlement to, or the amount of, the annuity from the other retirement system, effective as of the commencing date of the annuity from the other retirement system for Federal employees, and the recomputed CSRS or FERS annuity may be paid simultaneously with, or for the same period as, the annuity from the other retirement system for Federal employees.

(d) Forfeiture. Where an annuitant’s coverage as an employee under another retirement system, whether by election or by operation of law or regulation, results in forfeiture of annuity rights under CSRS or FERS, the CSRS or FERS annuity will terminate as of the effective date of coverage.

(e) Survivors. The rules detailed in this section in regard to dual entitlement to annuity benefits under CSRS or FERS and another retirement system also apply to dual entitlement to survivor benefits under CSRS or FERS and another retirement system, unless the particular circumstance is otherwise governed by specific provision of statute or regulation.

(f) Agency responsibilities. The agency responsible for administering another retirement system must—

(1) Promptly notify OPM of an election of coverage under that retirement system by a reemployed CSRS or FERS
annuitant, or the coverage of a reemployed CSRS annuitant under that retirement system by election or operation of law or regulation, when such coverage affects the annuitant’s entitlement to CSRS annuity;

(2) Promptly notify OPM when a reemployed annuitant separates with entitlement to an annuity under the other retirement system that cannot, under the provisions of paragraph (a) of this section, be paid simultaneous with, or during the same period as, the CSRS annuity; and

(3) Reimburse OPM for overpayments of annuity resulting from a failure to comply with paragraphs (b) (1) and (2) of this section.

§ 837.803 Cancellation of retirement by judicial or administrative authority.

(a) Cancellation of retirement action. A separation from employment on which an application for retirement is based may only be canceled by the former employing agency in response to a direct and final order of a judicial or administrative body charged with the responsibility of reviewing the legality of the separation, and authorized to make such order, or by agreement between the annuitant and the former employing agency in resolution of a grievance, complaint, dispute, appeal or other action, involving an allegedly erroneous separation, before such authority.

(b) Agency notification to OPM. Upon receiving a final order requiring cancellation of the annuitant's separation or after the annuitant and the agency agree to cancel the separation, the employing agency must notify OPM and request the amount of the erroneous payment to be recovered under §550.805(e) of this chapter from any back pay adjustment to which the employee may be entitled.

(c) Collection of erroneously paid retirement benefits. If OPM determines that an overpayment of annuity or lump-sum credit has occurred and the employee is entitled to receive back pay because of the canceled separation, the overpaid retirement benefits must be deducted to the extent they can be recovered from the back pay adjustment as required by §550.805(e) of this chapter.

(2) Amounts recovered from back pay will not be subject to waiver consideration under the provisions of 5 U.S.C. 8346(b) or 8470(b). If there is no back pay or the back pay is insufficient to recover the entire payment, the employee may request that OPM waive the uncollected portion of the overpayment. If waiver is not granted, the employee must repay the erroneous payment.

§ 837.804 Finality of elections under this subpart.

Except as otherwise provided by this subpart, an election of coverage under, or annuity from, another retirement system, in lieu of CSRS or FERS coverage or annuity, or the election between simultaneous entitlements under CSRS or FERS, is final and conclusive for the period of simultaneous entitlement to coverage or annuity.

§ 838.101 Purpose and scope.

(a)(1) This part regulates the Office of Personnel Management's handling of court orders affecting the Civil Service Retirement System (CSRS) or the Federal Employees Retirement System (FERS), both of which are administered by the Office of Personnel Management (OPM). Generally, OPM must comply with court orders, decrees, or court-approved property settlement agreements in connection with divorces, annulments of marriage, or legal separations of employees, Members, or retirees that award a portion of the former employee's or Member's retirement benefits or a survivor annuity to a former spouse.

(2) In executing court orders under this part, OPM must honor the clear instructions of the court. Instructions must be specific and unambiguous. OPM will not supply missing provisions, interpret ambiguous language, or clarify the court's intent by researching individual State laws. In carrying out the court's instructions, OPM performs purely ministerial actions in accordance with these regulations. Disagreement between the parties concerning the validity or the provisions of any court order must be resolved by the court.

(b) This part prescribes—

(1) The requirements that a court order must meet to be acceptable for processing under this part;

(2) The procedures that a former spouse or child abuse creditor must follow when applying for benefits based on a court order under sections 8341(h), 8345(j), 8445 or 8467 of title 5, United States Code;

(3) The procedures that OPM will follow in honoring court orders and in making payments to the former spouse or child abuse creditor; and

(4) The effect of certain words and phrases commonly used in court orders affecting retirement benefits.

(c)(1) Subparts A through I of this part apply only to court orders received by OPM on or after January 1, 1993.

(2) Subpart J of this part applies only to court orders received by OPM before January 1, 1993.

(3) Subpart K of this part applies only to court orders received by OPM on or after October 14, 1994.

(d) This part has no application to the Thrift Savings Plan described in subchapter III of chapter 84 of title 5, United States Code.

§ 838.123 Claimants' responsibilities.

Claimants are responsible for—

(a) Filing a certified copy of court orders and all other required supporting information with OPM;

(b) Keeping OPM advised of their current mailing addresses;

(c) Notifying OPM of any changes in circumstances that could affect their entitlement to benefits; and

(d) Submitting all disputes with employees or retirees to the appropriate State court for resolution.

§ 838.124 Employees' and retirees' responsibilities.

Employees and retirees are responsible for—

(a) Raising any objections to the validity of a court order in the appropriate State court; and

(b) Submitting all disputes with former spouses to the appropriate State court for resolution.

§ 838.131 Computation of time.

(a) The rules applicable for computation of time under §§831.107 and 841.109 of this chapter apply to this part.

(b)(1) Appendix A of this subpart lists the proper addresses for submitting court orders affecting CSRS and FERS benefits.

(2) A former spouse or child abuse creditor should submit the documentation required by this part to the address provided in appendix A of this subpart. The component of OPM responsible for processing court orders will note the date of receipt on court orders that it receives.

(3) If a court order is delivered to OPM at an address other than the address in appendix A of this subpart, the recipient will forward the court order to the component of OPM responsible for processing court orders. However, OPM is not considered to have received the court order until the court order is received in the component of OPM responsible for processing orders.

§ 838.132 Payment schedules.

(a) Under CSRS and FERS, employee annuities and survivor annuities are payable on the first business day of the month following the month in which the benefit accrues.

(b) In honoring and complying with a court order, OPM will not disrupt the payment schedule described in paragraph (a) of this section, despite any provision in the court order directing a different schedule of accrual or payment of amounts due the former spouse or child abuse creditor.

§ 838.133 Minimum awards.

Payments under this part will not be less than one dollar per month. Any court order that awards a former spouse a portion of an employee annuity or a former spouse survivor annuity in an amount of less than one dollar per month will be treated as an award of an annuity equal to one dollar per month.

§ 838.134 Receipt of multiple court orders.

(a) Except as provided in paragraph (c) of this section, for court orders affecting employee annuities or awarding former spouse survivor annuities, in the event that OPM receives two or more court orders acceptable for processing—
(1) When the court orders relate to two or more individuals (former spouses or child abuse creditors), the court orders will be honored in the order in which they were received by OPM to the maximum extent possible under §838.211 or §838.711.

(2) When two or more court orders relate to the same former spouse, separated spouse, or child abuse creditor the one issued last will be honored.

(b)(1) Except as provided in paragraph (c) of this section, for court orders affecting refunds of employee contributions, in the event that OPM receives two or more court orders acceptable for processing—

(i) When the court orders affect two or more former spouses—

(A) The refund will not be paid if either court order prohibits payment of the refund of contributions; otherwise,

(B) The court orders will be honored in the order in which they were issued until the contributions have been exhausted.

(ii) When two or more court orders relate to the same former spouse, the one issued last will be honored first.

(2) In no event will the amount paid out exceed the amount of the refund of employee contributions.

(c) With respect to issues relating to the validity of a court order or to the amount of payment—

(1) If the employee, separated employee, retiree, or other person adversely affected by the court order and former spouse submit conflicting court orders from the same jurisdiction, OPM will consider only the latest court order; or

(2) If the employee, separated employee, retiree, or other person adversely affected by the court order and former spouse submit conflicting court orders from different jurisdictions—

(i) If one of the court orders is from the jurisdiction shown as the employee's, separated employee's, or retiree's address in OPM's records, OPM will consider only the latest court order.

§ 838.136 Administrative appeal rights.

(a) Issues concerning application of these regulations are not appealable to the Merit Systems Protection Board. OPM's actions to apply these regulations are not subject to further administrative review.

(b)(1) Issues concerning the validity of these regulations are appealable to the Merit Systems Protection Board. Such an appeal must be filed in accordance with the procedures established by the Board and may not be filed before OPM has issued its final decision, including a notice of the right to appeal, on the validity of the regulation. Such an appeal is limited to the issue of the validity of the regulation.

(2) Any claim that a provision of these regulations is invalid, must be presented to the Merit Systems Protection Board before the validity of the regulation may be reviewed in the Federal courts.
Subpart B—Procedures for Processing Court Orders Affecting Employee Annuities

§ 838.201 Purpose and scope.
(a) This subpart regulates the procedures that the Office of Personnel Management will follow upon the receipt of claims arising out of State court orders directed at employee annuities under CSRS or FERS. OPM must comply with qualifying court orders, decrees, or court-approved property settlements in connection with divorces, annulments of marriages, or legal separations of employees or retirees that award a portion of an employee annuity to a former spouse.
(b) This subpart prescribes—
(1) The circumstances that must occur before employee annuities are available to satisfy a court order acceptable for processing; and
(2) The procedures that a former spouse must follow when applying for a portion of an employee annuity based on a court order under section 8345(j) or section 8467 of title 5, United States Code.
(c)(1) Subpart C of this part contains the rules that a court order must satisfy to be a court order acceptable for processing to affect an employee annuity.
(2) Subpart F of this part contains definitions that OPM uses to determine the effect on employee annuity of a court order acceptable for processing.

Availability of Funds

§ 838.211 Amounts subject to court orders.
(a)(1) Employee annuities are subject to court orders acceptable for processing only if all of the conditions necessary for payment of the employee annuity to the former employee have been met, including, but not limited to—
(i) Separation from a position in the Federal service covered by CSRS or FERS under subpart B of part 831 of this chapter or subpart A of part 842 of this chapter, respectively;

(iii) The former employee's immediate entitlement to an employee annuity.
(2) Money held by an employing agency or OPM that may be payable at some future date is not available for payment under court orders directed at employee annuities.
(3) OPM cannot pay a former spouse a portion of an employee annuity before the employee annuity begins to accrue.
(b) Payment to a former spouse under a court order may not exceed the net annuity.
(c) Waivers of employee annuity payments under the terms of section 8345(d) or section 8465(a) of title 5, United States Code, exclude the waived portion of the annuity from availability for payment under a court order if such waivers are postmarked or received before the date that OPM receives a court order acceptable for processing.

Application and Processing Procedures

§ 838.221 Application requirements.
(a) A former spouse (personally or through a representative) must apply in writing to be eligible for a court-
§ 838.222 OPM action on receipt of a court order acceptable for processing.

(a) If OPM receives a court order acceptable for processing that is directed at an employee annuity that is in pay status, OPM will inform—

(i) The former spouse—

(1) That the court order is acceptable for processing;

(ii) Of the date on which OPM received the court order, the date on which the former spouse's benefit begins to accrue, and if known, the date on which OPM commences payment under the order; (iii) Of the amount of the former spouse's monthly benefit and the formula OPM used to compute the monthly benefit; and

(iv) That, if he or she disagrees with the amount of the monthly benefits, he or she must obtain, and submit to OPM, an amended court order clarifying the amount; and

(2) The retiree—

(i) That the former spouse has applied for benefits under this subpart;

(ii) That the court order is acceptable for processing and that OPM must comply with the court order;

(iii) Of the date on which OPM received the court order, the date on which the former spouse's benefit begins or accrue, and if known, the date on which OPM commences payment under the court order;

(iv) Of the amount of the former spouse's monthly benefit and the formula OPM used to compute the monthly benefit;

(v) That, if he or she contests the validity of the court order, he or she must obtain, and submit to OPM, a court order invalidating the court order submitted by the former spouse; and

(vi) That, if he or she disagrees with the amount of the former spouse's monthly benefits, he or she must obtain, and submit to OPM, an amended court order clarifying the amount.

(b) If OPM receives a court order acceptable for processing that is directed at an employee annuity but the employee has died, or if a retiree dies after payments from an employee to a former spouse have begun, OPM will inform the former spouse that the employee or retiree has died and that OPM can only honor court orders dividing employee annuities during the lifetime of the retiree.

(c) If OPM receives a court order acceptable for processing that is directed at an employee annuity that is not in pay status, OPM will inform—

(i) The former spouse—

(1) That the court order is acceptable for processing;

(ii) Of the date on which OPM received the court order, the date on which the former spouse's benefit begins to accrue, and if known, the date on which OPM commences payment under the order; (iii) Of the amount of the former spouse's monthly benefit and the formula OPM used to compute the monthly benefit; and

(iv) Of the amount of the former spouse's monthly benefit and the formula OPM used to compute the monthly benefit;

(v) That, if he or she contests the validity of the court order, he or she must obtain, and submit to OPM, a court order invalidating the court order submitted by the former spouse; and

(vi) That, if he or she disagrees with the amount of the former spouse's monthly benefits, he or she must obtain, and submit to OPM, an amended court order clarifying the amount.

§ 838.222 OPM action on receipt of a court order acceptable for processing.
§ 838.225 Processing amended court orders.

(a) If the employee, separated employee, retiree, or former spouse submits an amended court order pertaining to payment of a portion of the employee annuity, OPM will process the amended court order prospectively only, effective against employee annuity accruing beginning the first day of the second month after OPM receives the amended court order.

(b) A court order is not effective to adjust payments prior to the first day of the second month after OPM receives the court order unless—

(1) The court order—

(i) Expressly directs OPM to adjust for payment made under the prior court order; and

(ii) Determines the total amount of the adjustment or the length of time over which OPM will make the adjustment; and

(iii) Provides a specific monthly amount of the adjustment or a formula to compute the amount of the monthly adjustment; and

(2) Annuity continues to be available from which to make the adjustment.
§ 838.231 Commencing date of payments.
(a) A court order acceptable for processing is effective against employee annuity accruing beginning the first day of the second month after OPM receives the court order.
(b)(1) OPM will not begin payments to the former spouse until OPM receives all the documentation required by § 838.221(b) and (c).
(2) If payments are delayed under paragraph (b)(1) of this section, after OPM receives all required documentation, it will authorize payment of the annuity that has accrued since the date determined under paragraph (a) of this section but the payment of which was delayed under paragraph (b)(1) of this section.

§ 838.232 Suspension of payments.
(a) Payments from employee annuities under this part will be discontinued whenever the employee annuity payments are suspended or terminated. If employee annuity payments to the retiree are restored, payments to the former spouse will also resume subject to the terms of any court order acceptable for processing in effect at that time.
(b) Paragraph (a) of this section will not be applied to permit a retiree to deprive a former spouse of payment by causing suspension of payment of employee annuity.

§ 838.233 Termination of payments.
A former spouse portion of an employee annuity stops accruing at the earliest of—
(a) The date on which the terms of the court order require termination;
(b)(1) The last day of the first month before OPM receives a court order invalidating, vacating, or setting aside the court order submitted by the former spouse if OPM receives the latest court order no later than 20 days before the end of the month; or
(2) The last day of the month in which OPM receives a court order invalidating, vacating, or setting aside the court order submitted by the former spouse if OPM receives the latest court order more than 20 days before the end of the month; or
(c) The last day of the first month after OPM receives an amended court order;
(d) The last day of the first month before the death of the retiree; or
(e) Except as provided in § 838.237, the date on which the former spouse dies.

§ 838.234 Collection of arrearages.
Specific instructions are required before OPM may pay any arrearage. Except as provided in § 838.225(b), OPM will not increase a former spouse's share of employee annuity to satisfy an arrearage due the former spouse. However, under § 838.225, OPM will prospectively honor the terms of an amended court order that either increases or decreases the court order's entitlement.

§ 838.235 Payment of lump-sum awards.
If a court order acceptable for processing awards a former spouse a lump-sum amount from the employee annuity and does not state the monthly rate at which OPM should pay the lump-sum, OPM will pay the former spouse equal monthly installments at 50 percent of the gross annuity (subject to the limitations under § 838.211) at the time of retirement or the date of the order, whichever comes later, until the lump-sum amount is paid.

§ 838.236 Court orders barring payment of annuities.
(a) State courts lack authority to prevent OPM from paying employee annuities as required by section 8345(a) or section 463 of title 5, United States Code. OPM will not honor court orders directing that OPM delay or otherwise not pay employee annuities at the time or in the amount required by statute.
(b) Except as otherwise provided in this subpart, OPM will honor court orders acceptable for processing that direct OPM to pay the employee annuity to the court, an officer of the court acting as a fiduciary, or a State or local government agency during the pendency of a divorce or legal separation proceeding.
Office of Personnel Management

§ 838.237 Death of the former spouse.
(a) Unless the court order acceptable for processing expressly provides otherwise, the former spouse’s share of an employee annuity terminates on the last day of the month before the death of the former spouse, and the former spouse’s share of employee annuity reverts to the retiree.
(b) Except as otherwise provided in this subpart, OPM will honor a court order acceptable for processing or an amended court order acceptable for processing that directs OPM to pay, after the death of the former spouse, the former spouse’s share of the employee annuity to—
(1) The court;
(2) An officer of the court acting as fiduciary;
(3) The estate of the former spouse; or
(4) One or more of the retiree’s children as defined in section 8342(c) or section 8424(d) of title 5, United States Code.

§ 838.243 Minimum amount of awards.
OPM will treat any court order that awards a former spouse a portion of an employee annuity equal to less than $12 per year as awarding the former spouse $1 per month.

Subpart C—Requirements for Court Orders Affecting Employee Annuities

§ 838.241 Cost-of-living adjustments.
Unless otherwise provided in the court order, when the terms of the court order or § 838.621 provide for cost-of-living adjustments on the former spouse’s payment from employee annuity, the cost-of-living adjustment will be effected at the same time and at the same percentage rate as the cost-of-living adjustment in the employee annuity.

§ 838.242 Computing lengths of service.
(a)(1) The smallest unit of time that OPM will calculate in computing a formula in a court order is a month, even where the court order directs OPM to make a more precise calculation.
(2) If the court order states a formula using a specified simple or decimal fraction other than twelfth parts of a year, OPM will use the specified number to perform simple mathematical computations.
(b) Unused sick leave is counted as “creditable service” on the date of separation for an immediate CSRS annuity: it is not apportioned over the time when earned. Unused sick leave is not countable as “creditable service” in a FERS annuity (except in a CSRS component for an employee who transferred to FERS) or in a deferred CSRS annuity.

§ 838.244 Procedures for computing the amount payable.

§ 838.301 Purpose and scope.
This subpart regulates the requirements that a court order directed at employee annuity must meet to be a court order acceptable for processing.

§ 838.302 Language not acceptable for processing.
(a) Qualifying Domestic Relations Orders. (1) Any court order labeled as a “qualified domestic relations order” or issued on a form for ERISA qualified domestic relations orders is not a court order acceptable for processing unless the court order expressly states that the provisions of the court order concerning CSRS or FERS benefits are governed by this part.
(2) When a court order is required by paragraph (a)(1) of this section to state that the provisions of a court order concerning CSRS or FERS benefits are governed by this part the court order must expressly—
(i) Refer to part 838 of title 5, Code of Federal Regulations, and
(ii) State that the provisions of the court order concerning CSRS or FERS benefits are drafted in accordance with the terminology used in this part.
(3) Although any language satisfying the requirements of paragraph (a)(2) of this section is sufficient to prevent a court order from being unacceptable under paragraph (a)(1) of this section, OPM recommends the use of the language provided in ¶ 001 in appendix A to subpart F of this part to state that the
§ 838.303 Expressly dividing employee annuity.

(a) A court order directed at employee annuity is not a court order acceptable for processing unless it expressly divides the employee annuity as provided in paragraph (b) of this section.

(b) To expressly divide employee annuity as required by paragraph (a) of this section the court order must—

(1) Identify the retirement system using terms that are sufficient to identify the retirement system as explained in §838.611; and

(2) Expressly state that the former spouse is entitled to a portion of the employee annuity using terms that are sufficient to identify the employee annuity as explained in §838.612.

§ 838.304 Providing for payment to the former spouse.

(a) A court order directed at employee annuity is not a court order acceptable for processing unless it provides for OPM to pay the former spouse a portion of an employee annuity as provided in paragraph (b) of this section.

(b) To provide for OPM to pay the former spouse a portion of an employee annuity as required by paragraph (a) of this section the court order must—

(1) Expressly direct OPM to pay the former spouse directly;

(2) Direct the retiree to arrange or to execute forms for OPM to pay the former spouse directly; or

(3) Be silent concerning who is to pay the portion of the employee annuity awarded to the former spouse.

(c) Except when the court order directed at employee annuity contains a provision described in paragraph (b)(2) of this section, a court order directed at employee annuity that instructs the retiree to pay a portion of the employee annuity to the former spouse is not a court order acceptable for processing.

(d) Although paragraphs (b)(2) and (b)(3) of this section provide acceptable methods for satisfying the requirement that a court order directed at employee annuity provide for OPM to pay the former spouse, OPM strongly recommends that any court order directed at employee annuity expressly direct OPM to pay the former spouse directly.

§ 838.305 OPM computation of formulas.

(a) A court order directed at employee annuity is not a court order acceptable for processing unless the court order provides sufficient instructions and information that OPM can compute the amount of the former spouse’s monthly benefit using only the express language of the court order, subparts A, B, and F of this part, and information from normal OPM files.

(b)(1) To provide sufficient instructions and information for OPM to compute the amount of the former spouse’s share of the employee annuity as required by paragraph (a) of this section the court order must state the former spouse’s share as—

(i) A fixed amount;

(ii) A percentage or a fraction of the employee annuity; or

(iii) A formula that does not contain any variables whose values are not readily ascertainable from the face of the court order directed at employee annuity or normal OPM files.

(2) Normal OPM files include information about—

(i) The dates of employment for all periods of creditable civilian and military service;

(ii) The rate of basic pay for all periods of creditable civilian service;
(iii) The annual rates of basic pay for each grade and step under the General Schedule since 1920;
(iv) The amount of premiums for basic and optional life insurance under the Federal Employees Group Life Insurance Program;
(v) The amount of the Government and the employee shares of premiums for any health insurance plan under the Federal Employees Health Benefits Program;
(vi) The standard Federal income tax withholding tables;
(vii) The amount of cost-of-living adjustments under section 8340 or section 8462 of title 5, United States Code, and the amount of the percentage change in the national index on which the adjustment is based;
(viii) The amount of pay adjustments to the General Schedule under section 5303 (or section 5305 prior to November 5, 1990) of title 5, United States Code, and the amount of the percentage change in the national index on which the adjustment is based;
(ix) The provision of law under which a retiree has retired; and
(x) Whether a retiree has elected to provide survivor benefits for a current spouse, former spouse, or a person with an insurable interest.

(c)(1) A court order directed at employee annuity is not a court order acceptable for processing if OPM would have to examine a State statute or court decision (on a different case) to understand, establish, or evaluate the formula for computing the former spouse's share of the employee annuity.

(2) A court order directed at employee annuity is not a court order acceptable for processing if it awards the former spouse a "community property" fraction, share, or percentage of the employee annuity and does not provide a formula by which OPM can compute the amount of the former spouse's share of the employee annuity from the face of the court order or from normal OPM files.

(d) A court order directed at employee annuity is not a court order acceptable for processing if the court order awards a portion of the "present value" of an annuity unless the amount of the "present value" is stated in the court order.

(e) A court order directed at employee annuity is not a court order acceptable for processing if the court order directs OPM to determine a rate of employee annuity that would require OPM to determine a salary or average salary, other than a salary or average salary actually used in computing the employee annuity, as of a date prior to the date of the employee's separation and to adjust that salary for use in computing the former spouse share unless the adjustment is by—

(1) A fixed amount or fixed annual amounts that are stated in the order;

(2) The rate of cost-of-living or salary adjustments as those terms are described in §838.622;

(3) The percentage change in pay that the employee actually received excluding changes in grade and/or step; or

(4) The percentage change in either of the national indices used to compute cost-of-living or salary adjustments as those terms are described in §838.622.

§ 838.306 Specifying type of annuity for application of formula, percentage or fraction.

(a) A court order directed at employee annuity that states the former spouse's share of employee annuity as a formula, percentage, or fraction is not a court order acceptable for processing unless OPM can determine the type of annuity on which to apply the formula, percentage, or fraction.

(b) The standard types of annuity to which OPM can apply the formula, percentage, or fraction are net annuity, gross annuity, or self-only annuity, which are defined in §838.103. Unless the court order otherwise directs, OPM will apply the formula, percentage, or fraction to gross annuity. Section 838.625 contains information on other methods of describing these types of annuity.
§ 838.401 Purpose and scope.

(a) This subpart regulates the procedures that the Office of Personnel Management will follow upon the receipt of claims arising out of State court orders that affect refunds of employee contributions under CSRS or FERS. OPM must comply with court orders, decrees, or court-approved property settlements in connection with divorces, annulments of marriages, or legal separations of employees or retirees that—
(i) Award a portion of a refund of employee contributions to a former spouse; or
(ii) If the requirements of §§838.431 and 838.505 are met, bar payment of a refund of employee contributions.

(b) This subpart prescribes—
(1) The circumstances that must occur before refunds of employee contributions are available to satisfy a court order acceptable for processing; and
(2) The procedures that a former spouse must follow when applying for a portion of a refund of employee contributions based on a court order under section 8345(j) or section 8467 of title 5, United States Code.

(c)(1) Subpart E of this part contains the rules that a court order directed at a refund of employee contributions must satisfy to be a court order acceptable for processing.
(2) Subpart F of this part contains definitions that OPM uses to determine the effect on a refund of employee contributions of a court order acceptable for processing.

Availability of Funds

§ 838.411 Amounts subject to court orders.

(a)(1) Refunds of employee contributions are subject to court orders acceptable for processing only if all of the conditions necessary for payment of the refund of employee contributions to the separated employee have been met, including, but not limited to—
(i) Separation from a covered position in the Federal service;
(ii) Application for payment of the refund of employee contributions by the separated employee; and
(iii) Immediate entitlement to a refund of employee contributions.

(b) The application letter must be accompanied by—

§ 838.422 Timeliness of application.

(a) Except as provided in §§838.431 and paragraph (b) of this section, a court order acceptable for processing that is directed at a refund of employee contributions is not effective unless OPM receives the documentation required by §838.421 not later than—
Office of Personnel Management

§ 838.425

(1) The last day of the second month before payment of the refund; or
(2) Twenty days after OPM receives the Statement required by § 831.2007(c) or § 843.208(b) of this chapter if the former spouse has indicated on that Statement that such a court order exists.

(b) If OPM receives a copy of a court order acceptable for processing that is directed at a refund of employee contributions but not all of the documentation required by § 838.421, OPM will inform the former spouse that OPM must receive the missing items within 15 days after the date of the notice or OPM cannot comply with the court order.

§ 838.423 OPM action on receipt of a court order acceptable for processing.

(a) If OPM receives a court order acceptable for processing that is directed at a refund of employee contributions, OPM will inform—

(1) The former spouse—
(i) That the court order is acceptable for processing;
(ii) Of the date on which OPM received the court order;
(iii) Whether OPM has a record of unfunded employee contributions on the employee; and
(iv) That the former spouse's share of the refund of employee contributions cannot be paid unless the employee separates from the Federal service and applies for a refund of employee contributions;

(b) The former spouse or the employee will receive the notice of OPM's determination under this section.

§ 838.424 OPM action on receipt of a court order not acceptable for processing.

If OPM receives an application from a former spouse not based on a court order acceptable for processing, OPM will inform the former spouse that OPM cannot approve the application and provide the specific reason(s) for disapproving the application. Examples of reasons for disapproving an application include that the order does not meet the definition of court order in § 838.103 or does not meet one or more of the requirements of subpart E of this part.

§ 838.425 Contesting the validity of court orders.

(a) An employee or separated employee who alleges that a court order is invalid must prove the invalidity of the court order by submitting a court order that—

(1) Declares invalid the court order submitted by the former spouse; or
(2) Sets aside the court order submitted by the former spouse.

(b) OPM must honor a court order acceptable for processing that appears to
be valid and that the former spouse has certified is currently in force and has not been amended, superseded, or set aside, until the employee or separated employee submits a court order described in paragraph (a) of this section or a court order amending or superseding the court order submitted by the former spouse.

(a) The former spouse files a court order acceptable for processing that affects or bars the refund of employee contributions with OPM no later than the last day of the second month before the payment of the refund; or

(b) The former spouse submits proof that—

(1) The evidence submitted by the employee was fraudulent; and

(2) Absent the fraud, the former spouse would have been able to submit the necessary documentation required by §838.421 within the time limit prescribed in §838.422.

§ 838.432 Court orders barring payment of refunds.

A court order, notice, summons, or other document that attempts to restrain OPM from paying a refund of employee contributions is not effective unless it meets all the requirements of §838.505 or part 581 of this chapter.

PROCEDURES FOR COMPUTING THE AMOUNT PAYABLE

§ 838.441 Computing lengths of service.

(a) The smallest unit of time that OPM will calculate in computing a formula in a court order is a month, even where the court order directs OPM to make a more precise calculation.

(b) If the court order states a formula using a specified simple or decimal fraction other than twelfth parts of a year, OPM will use the specified number to perform simple mathematical computations.

Subpart E—Requirements for Court Orders Affecting Refunds of Employee Contributions

§ 838.501 Purpose and scope.

This subpart regulates the requirements that a court order directed at or barring a refund of employee contributions must meet to be a court order acceptable for processing.

(a) A court order is directed at a refund of employee contributions if it awards a former spouse a portion of a refund of employee contributions.

(b) A court order bars a refund of employee contributions if it prohibits payment of a refund of employee contributions to preserve a former spouse's court-awarded entitlement to a portion of an employee annuity or to a former spouse survivor annuity.

§ 838.502 Expressly dividing a refund of employee contributions.

(a) A court order directed at a refund of employee contributions is not a court order acceptable for processing unless it expressly awards a former spouse a portion of a refund of employee contributions as provided in paragraph (b) of this section.

(b) To expressly award a former spouse a portion of a refund of employee contributions as required by paragraph (a) of this section, the court order must—

(1) Identify the retirement system using terms that are sufficient to identify the retirement system as explained in §838.611; and

(2) Expressly state that the former spouse is entitled to a portion of a refund of employee contributions using terms that are sufficient to identify the refund of employee contributions as explained in §838.612.

§ 838.503 Providing for payment to the former spouse.

(a) A court order directed at a refund of employee contributions is not a court order acceptable for processing
unless it provides for OPM to pay a portion of a refund of employee contributions to the former spouse as provided in paragraph (b) of this section.

(b) To provide for OPM to pay a portion of a refund of employee contributions to the former spouse as required by paragraph (a) of this section, the court order must—

(1) Expressly direct OPM to pay the former spouse directly;
(2) Direct the employee or separated employee to arrange or to execute forms for OPM to pay the former spouse directly; or
(3) Be silent concerning who is to pay the portion of the refund of employee contributions awarded to the former spouse.

(c) Although paragraphs (b)(2) and (b)(3) of this section provide acceptable methods for satisfying the requirement that the court order provide for OPM to pay the former spouse, OPM strongly recommends that the court order expressly direct OPM to pay the former spouse directly.

§ 838.504 OPM computation of formulas.

(a) A court order directed at a refund of employee contributions is not a court order acceptable for processing unless the court order provides sufficient instructions and information so that OPM can compute the amount of the former spouse's share of the refund of employee contributions using only the express language of the court order, subparts A, D, and F of this part, and information from normal OPM files.

(b) To provide sufficient instructions and information that OPM can compute the amount of the former spouse's share of the refund of employee contributions as required by paragraph (a) of this section requires that the court order state the former spouse's share as—

(1) A fixed amount;
(2) A percentage or a fraction of the refund of employee contributions; or
(3) A formula that does not contain any variables whose values are not readily ascertainable from the face of the court order or normal OPM files.

(c) A court order directed at a refund of employee contributions is not a court order acceptable for processing if OPM would have to examine a State statute or court decision (on a different case) to understand, establish, or evaluate the formula for computing the former spouse's share of the refund of employee contributions.

§ 838.505 Barring payment of refunds.

A court order barring payment of a refund of employee contributions is not a court order acceptable for processing unless—

(a) It expressly directs OPM not to pay a refund of employee contributions;
(b) It awards, or a prior court order acceptable for processing has awarded, the former spouse a former spouse survivor annuity or a portion of the employee annuity; and
(c) Payment of the refund of employee contributions would prevent payment to the former spouse under the court order described in paragraph (b) of this section.

Subpart F—Terminology Used in Court Orders Affecting Employee Annuities or Refunds of Employee Contributions

§ 838.601 Purpose and scope.

(a) This subpart regulates the meaning of terms necessary to award benefits in a court order directed at an employee annuity or a refund of employee contributions. OPM applies the meanings to determine whether a court order directed at an employee annuity or a refund of employee contributions is a court order acceptable for processing and to establish the amount of the former spouse's share of an employee annuity or a refund of employee contributions.

(b)(1) This subpart establishes a uniform meaning to be used for terms and phrases frequently used in awarding a former spouse a portion of an employee annuity or a refund of employee contributions.

(2) This subpart informs the legal community about the definitions to apply terms used in drafting court orders so that the resulting court orders...
§ 838.611 Identifying the retirement system.

(a) To satisfy the requirements of §838.303(b)(1) or §838.502(b)(1), a court order must contain language identifying the retirement system to be affected. For example, “CSRS,” “FERS,” “OPM,” or “Federal Government” benefits, or benefits payable “based on service with the U.S. Department of Agriculture,” etc., are sufficient identification of the retirement system.

(b) Except as provided in paragraphs (b)(1) and (b)(2) of this section, language referring to benefits under another retirement system, such as military retirement pay, Foreign Service retirement benefits, or benefits under the Central Intelligence Agency retirement benefits, does not satisfy the requirements of §838.303(b)(1) or §838.502(b)(1).

(1) A court order that mistakenly labels CSRS benefits as FERS benefits and vice versa satisfies the requirements of §§838.303(b)(1) and 838.502(b)(1).

(2) Unless the court order expressly provides otherwise, for employees transferring to FERS, court orders directed at CSRS benefits apply to the entire FERS basic benefit, including the CSRS component, if any. Such a court order satisfies the requirements of §§838.303(b)(1) and 838.502(b)(1).

(c) A court order affecting military retired pay, even when military retired pay has been waived for inclusion in CSRS annuities, does not award a former spouse a portion of an employee annuity or a refund of employee contributions under CSRS or FERS. Such a court order does not satisfy the requirements of §§838.303(b)(1) or 838.502(b)(1).

§ 838.612 Distinguishing between annuities and contributions.

(a) A court order using “annuities,” “pensions,” “retirement benefits,” or similar terms satisfies the requirements of §§838.303(b)(2) and 838.502(b)(2) and may be used to divide an employee annuity and a refund of employee contributions.

(b)(1) A court order using “contributions,” “deductions,” “deposits,” “retirement accounts,” “retirement fund,” or similar terms satisfies the requirements of §838.502(b)(2) and may be used only to divide the amount of contributions that the employee has paid into the Civil Service Retirement and Disability Fund.

(2) Unless the court order specifically states otherwise, when an employee annuity is payable, a court order using the terms specified in paragraph (b)(1) of this section satisfies the requirements of §§838.303(b)(2) and awards the former spouse a benefit to be paid in equal monthly installments at 50 percent of the gross annuity at the time of retirement or the date of the court order, whichever comes later, until the specific dollar amount is reached.

§ 838.621 Prorata share.

(a) Prorata share means one-half of the fraction whose numerator is the number of months of Federal civilian and military service that the employee performed during the marriage and whose denominator is the total number of months of Federal civilian and military service performed by the employee.

(b) A court order that awards a former spouse a prorata share of an employee annuity or a refund of employee contributions by using the term “prorata share” and identifying the date when the marriage began satisfies the requirements of §§838.305 and 838.504 and awards the former spouse a prorata share as defined in paragraph (a) of this section.
(c) A court order that awards a portion of an employee annuity as of a specified date before the employee's retirement awards the former spouse a prorata share as defined in paragraph (a) of this section.

(d) A court order that awards a portion of the "value" of an annuity as of a specific date before retirement, without specifying what "value" is, awards the former spouse a prorata share as defined in paragraph (a) of this section.

§ 838.622 Cost-of-living and salary adjustments.

(a)(1) A court order that awards adjustments to a former spouse's portion of an employee annuity stated in terms such as "cost-of-living adjustments" or "COLA's" occurring after the date of the decree but before the date of retirement provides increases equal to the adjustments described in or effected under section 8340 or section 8462 of title 5, United States Code.

(2) A court order that awards adjustments to a former spouse's portion of an employee annuity stated in terms such as "salary adjustments" or "pay adjustments" occurring after the date of the decree provides increases equal to the adjustments described in or effected under section 5303 of title 5, United States Code until the date of retirement.

(b)(1) Unless the court order directly and unequivocally orders otherwise, a court order that awards a former spouse a portion of an employee annuity either on a percentage basis or by use of a fraction or formula provides that the former spouse's share of the employee annuity will be adjusted to maintain the same percentage or fraction whenever the employee annuity changes as a result of—

(i) Salary adjustments occurring after the date of the decree and before the employee retires; and

(ii) Cost-of-living adjustments occurring after the date of the decree and after the date of the employee's retirement.

(2) A court order that awards a former spouse a specific dollar amount from the employee annuity prevents the former spouse from benefiting from salary and cost-of-living adjustments after the date of the decree, unless the court expressly orders their inclusion.

(c)(1)(i) Except as provided in paragraph (b) of this section, a court order that contains a general instruction to calculate the former spouse's share effective at the time of divorce or separation entitles the former spouse to the benefit of salary adjustments occurring after the specified date to the same extent as the employee.

(ii) To prevent the application of salary adjustments after the date of the divorce or separation, the court order must either state the exact dollar amount of the award to the former spouse or specifically instruct OPM not to apply salary adjustments after the specified date in computing the former spouse's share of the employee annuity.

(2)(i) Except as provided in paragraph (b) of this section, a court order that requires OPM to compute a benefit as of a specified date before the employee's retirement, and specifically instructs OPM not to apply salary adjustments after the specified date in computing the former spouse's share of an employee annuity provides that the former spouse is entitled to the application of cost-of-living adjustments after the date of the employee's retirement in the manner described in §838.241.

(ii) To award cost-of-living adjustments between a specified date and the employee's retirement, the court order must specifically instruct OPM to adjust the former spouse's share of the employee annuity by any cost-of-living adjustments occurring between the specified date and the date of the employee's retirement.

(iii) To prevent the application of cost-of-living adjustments that occur after the employee annuity begins to accrue to the former spouse's share of the employee annuity, the decree must either state the exact dollar amount of the award to the former spouse or specifically instruct OPM not to apply cost-of-living adjustments occurring after the date of the employee's retirement.
§ 838.623 Computing lengths of service.

(a) Sections 838.242 and 838.441 contain information on how OPM calculates lengths of service.

(b) Unless the court order otherwise expressly directs—

(1) For the purpose of describing a period of time to be excluded from any element of a computation, the term “military service” means military service as defined in section 8331(13) of title 5, United States Code, and does not include civilian service with the Department of Defense or the Coast Guard; and

(2) For the purpose of describing a period of time to be included in any element of a computation, the term “military service” means all periods of military and civilian service performed with the Department of Defense or the Coast Guard.

(c)(1) When a court order contains a formula for dividing employee annuity that requires a computation of service worked as of a date prior to separation and using terms such as “years of service,” “total service,” “service performed,” or similar terms, the time attributable to unused sick leave will not be included.

(2) When a court order contains a formula for dividing employee annuity that requires a computation of “creditable service” (or some other phrase using “credit” or its equivalent) as of a date prior to retirement, unused sick leave will be included in the computation (involving a CSRS employee annuity or the CSRS component of a FERS employee annuity) as follows:

(i) If the amount of unused sick leave is specified, the court order awards a portion of the employee annuity equal to the monthly employee annuity at time of retirement times a fraction, the numerator of which is the number of months of “creditable service” as of the date specified (no sick leave included) and whose denominator is the number of months of “creditable service” used in the retirement computation (sick leave included).

(ii) General language such as “benefits earned as an employee with the U.S. Postal Service * * *” provides only that CSRS retirement benefits are subject to division and does not limit the period of service included in the computation (i.e., service performed with other Government agencies will be included).

(2) To limit the computation of benefits to a particular period of employment, the court order must—

(i) Use language expressly limiting the period of service to be included in the computation (e.g., “only U.S. Postal Service” or “exclusive of any service other than U.S. Postal Service employment”); or

(ii) Specify the number of months to be included in the computation; or

(iii) Describe specifically the period of service to be included in the computation (e.g., “only service performed during the period Petitioner and Defendant were married” or “benefits based on service performed through the date of divorce”).

§ 838.624 Distinguishing between formulas and fixed amounts.

(a) A court order that contains both a formula or percentage instruction and a dollar amount is deemed to include the dollar amount only as the court’s estimate of the initial amount of payment. The formula or percentage instruction controls.

(b) A court order that awards a portion of the “present value” of an employee annuity and specifically states the amount of either the “present value” of the employee annuity or of the award is deemed to give the former spouse “a specific dollar amount” that is payable from a monthly employee annuity and will be paid as a lump-sum award in accordance with §838.235.

§ 838.625 Types of annuity.

(a) Terms that are synonymous with net annuity are—

Model Paragraphs

Appendix A to Subpart F of Part 838—Recommended Language for Court Orders Dividing Employee Annuities

This appendix provides recommended language for use in court orders attempting to divide employee annuity. A court order directed at employee annuity should include five elements:

• Identification of the benefits;
• Instructions that OPM pay the former spouse;
• A method for computing the amount of the former spouse’s benefit;
• Identification of the type of annuity to which to apply a fraction, percentage or formula; and
• Instructions on what OPM should do if the employee leaves Federal service before retirement and applies for a refund of employee contributions.

The court order may also include instructions for disposition of the former spouse’s share if the former spouse dies before the employee. By using the model language, courts will know that the court order will have the effect described in this appendix.

The model language in this appendix does not award a benefit that is payable after the death of the employee. A separate, distinct award of a former spouse survivor annuity is necessary to award a former spouse a benefit that is payable after the death of the employee. Appendix A to subpart I of this part contains model language for awarding survivor annuities and contains some examples that award both a portion of an employee annuity and a survivor annuity.

The model language uses the terms “[former spouse]” to identify the spouse who is receiving a former spouse’s portion of an employee annuity and “[employee]” to identify the Federal employee whose employment was covered by the Civil Service Retirement System or the Federal Employees Retirement System. Obviously, in drafting an actual court order the appropriate terms, such as “Petitioner” and “Respondent,” or the names of the parties should replace “[former spouse]” and “[employee].”

(1) Disposable annuity; and
(2) Retirement check.

(b) Terms that are synonymous with self-only annuity are—
(1) Life rate annuity;
(2) Unreduced annuity; and
(3) Annuity without survivor benefit.

c) All court orders that do not specify net annuity or self-only annuity apply to gross annuity.

Similarly, the models are drafted for employees covered by the Civil Service Retirement System. The name of the retirement system should be changed for employees covered by the Federal Employees Retirement System.

001 Language required in Qualified Domestic Relations Orders.

Using the following paragraph will expressly state that the provisions of the court order concerning CSRS or FERS benefits are governed by this part. A court order directed at employee annuity (or awarding a survivor annuity) that is labelled a “Qualified Domestic Relations Order” or is issued on an
ERISA form will not be automatically rendered unacceptable under §838.302(a) or §838.303(a) if the court order contains the following paragraph.

¶ 101 Identifying retirement benefits and directing OPM to pay the former spouse.

Using the following paragraph will expressly direct OPM to pay the former spouse a share of an employee annuity to satisfy the requirements of §838.304.

"[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Insert language for computing the former spouse's share from 200 series of this appendix.] The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse]."

¶ 102–110 Reserved.

¶ 111 Protecting a former spouse entitled to military retired pay.

Using the following paragraph will protect the former spouse interest in military retired pay in the event that the employee waives the military retired pay to allow crediting the military service under CSRS or FERS. The paragraph should be used only if the former spouse is awarded a portion of the military retired pay. "If [Employee] waives military retired pay to credit military service under the Civil Service Retirement System, [insert language for computing the former spouse's share from 200 series of this appendix]. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse]."

200 Series—Computing the amount of the former spouse's benefits.

Paragraphs 201 through 204 contain model language for the most common types of wards that court orders make to former spouses. Subsequent paragraphs in the 200 series contain model language for less common, more complex awards.

Awards other than fixed amounts require that the court order specify the type of annuity ("gross," "net," or "self-only") on which the award is computed. The types of annuity are defined in §838.103. Variations on type of annuity are covered by the 300 series of this appendix.

¶ 201 Award of a fixed monthly amount.

Using the following paragraph will award the former spouse a fixed monthly amount. OPM will not apply COLA's to a fixed monthly amount unless the court order expressly directs that OPM and COLA's using the language in §231 of this appendix or similar language.

"[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to §[insert number] per month from [employee]s civil service retirement benefits. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse]."

¶ 202 Award of a percentage.

Using the following paragraph will award the former spouse a stated percentage of the employee annuity. Unless the court order expressly directs that OPM not add COLA's to the former spouse's share of the employee annuity, OPM will add COLA's to keep the former spouse's share at the stated percentage. Paragraph 232 of this appendix provides language for excluding COLA's.

"[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to [insert a number] percent of [employee]s [insert "gross," "net," or "self-only"] monthly annuity under the Civil Service Retirement System. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse]."

¶ 203 Award of a fraction.

Using the following paragraph will award the former spouse a stated fraction of the employee annuity. Unless the court order expressly directs that OPM not add COLA's to the former spouse's share of the employee annuity, OPM will add COLA's to keep the former spouse's share at the stated percentage. Paragraph 232 of this appendix provides language for excluding COLA's.

"[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to [insert fraction]ths of [employee]s [insert "gross," "net," or "self-only"] monthly annuity under the Civil Service Retirement System. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse]."
Office of Personnel Management

Using the following paragraph will award the former spouse a prorata share of the employee annuity. Prorata share is defined in §838.621. To award a prorata share the court order must state the date of the marriage. Unless the court order specifies a different ending date, the marriage ends for computation purposes on the date that the court order is filed with the court clerk. Unless the court order expressly directs that OPM not add COLA’s to the former spouse’s share of the employee annuity, OPM will add COLA’s to keep the former spouse’s share at the stated percentage. Paragraph 232 of this appendix provides language for excluding COLA’s.

“[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to a prorata share of [employee’s] [insert ‘gross,’ ‘net,’ or self-only] monthly annuity under the Civil Service Retirement System. The marriage began on [insert date]. The United States Office of Personnel Management is directed to pay [former spouse]’s share directly to [former spouse].”

¶ 205-210 [Reserved].

¶ 211 Award based on a stated formula.

Using the following paragraphs will award the former spouse a share of the employee annuity based on a formula stated in the court order. The formula must be stated in the court order (including a court-approved property settlement agreement). The formula may not be incorporated by reference to a statutory provision or a court decision in another case. If the court order uses a formula, the court order must include any data that is necessary for OPM to apply the formula unless the necessary data is contained in normal OPM files.

“[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to a share of [employee’s] [insert ‘gross,’ ‘net,’ or self-only] monthly annuity under the Civil Service Retirement System to be computed as follows: [Insert formula for computing the former spouse’s share].”

“The United States Office of Personnel Management is directed to pay [former spouse]’s share directly to [former spouse].”

¶ 212-230

¶ 231 Awarding COLA’s on fixed monthly amounts.

Using the following paragraph will award COLA’s in addition to a fixed monthly amount to the former spouse. The model awards COLA’s at the same rate applied to the employee annuity.

“[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to [insert a number] per month from [employee’s] civil service retirement benefits. When COLA’s are applied to [employee’s] retirement benefits, the same COLA applies to [former spouse]’s share. The United States Office of Personnel Management is directed to pay [former spouse]’s share directly to [former spouse].”

¶ 232 Excluding COLA’s on awards other than fixed monthly amounts.

Using the following paragraph will prevent application of COLA’s to a former spouse’s share of an employee annuity in cases where the former spouse has been awarded a percentage, fraction or prorata share of the employee annuity, rather than a fixed dollar amount.

“[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Insert language for computing the former spouse’s share.]

The marriage began on [insert date]. The United States Office of Personnel Management is directed to determine the amount of [former spouse]’s share on the date [insert ‘when [employee] retires’ if the employee has not retired, or ‘of this order’ if the employee is already retired] and not to apply COLA’s to that amount. The United States Office of Personnel Management is directed to pay [former spouse]’s share directly to [former spouse].”

300 Series—Type of annuity.

Awards of employee annuity to a former spouse (other than awards of fixed dollar amounts) must specify whether OPM will use the “gross,” “net,” or self-only annuity as defined in §838.103 in determining the amount of the former spouse’s entitlement. The court order may contain a formula that has the effect of creating other types of annuity, but the court order may only do this by providing a formula that starts from “gross,” “net,” or self-only annuity as defined in §838.103.

¶ 301 Awards based on benefits actually paid.

The court order may include a formula that effectively uses the court’s definition of net annuity rather than the one provided by §838.103. For example, using the following paragraph will award the former spouse a prorata share of the employee annuity reduced only by the amount deducted as premiums for basic life insurance under the Federal Employee Group Life Insurance Program.

“[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. [Former spouse] is entitled to [insert number] per month from [employee’s] civil service retirement benefits. When COLA’s are applied to [employee’s] retirement benefits, the same COLA applies to [former spouse]’s share. The United States Office of Personnel Management is directed to pay [former spouse]’s share directly to [former spouse].”
the United States Government. [Former spouse] is entitled to a prorata share of [employee]'s monthly annuity under the Civil Service Retirement System, where monthly annuity means the self-only annuity less the amount deducted as premiums for basic life insurance under the Federal Employee Group Life Insurance Program. The marriage began on [insert date]. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse].

¶ 302-310 [Reserved].

¶ 311 Awards of earned annuity in cases where the actual annuity is based on disability.

Using the following paragraph will award a former spouse a prorata share of what the employee annuity would have been based on only the employee's actual service in cases where the actual employee annuity is based on disability. The paragraph also allows the court order to provide for the former spouse's share to begin when the employee reaches a stated age, using age 62 as an example. As with all other formulas the court order must specify whether the computation applies to "gross," "net," or self-only annuity. OPM will apply COLA's that occurred after the death of the former spouse. The following paragraph should be used only for disability retirees under CSRS. Under FERS, section 8452 of title 5, United States Code, provides a formula for recomputation of disability annuities at age 62 to approximate an earned annuity. Therefore to award a portion of the "earned" benefit under FERS add the introductory phrase, "Starting when [employee] reaches age 62," to the paragraph describing how to compute the amount.

"[Employee] is (or will be) eligible for retirement benefits under the Civil Service Retirement System based on employment with the United States Government. Starting when [employee] reaches age 62, [former spouse] is entitled to a prorata share of [employee]'s [insert "gross," "net," or self-only] monthly annuity under the Civil Service Retirement System, where monthly annuity means the amount of [employee]'s monthly annuity computed as though [employee] had retired on an immediate, nondisability annuity on the commencing date of [employee]'s annuity based on disability. In computing the amount of the immediate annuity, the United States Office of Personnel Management will deem [employee] to have been age 62 at the time that [employee] retired on disability. The marriage began on [insert date]. The United States Office of Personnel Management is directed to pay [former spouse]'s share directly to [former spouse]."

¶ 401 Barring payment of a refund of employee contributions.

Court orders that award a former spouse a portion of a future employee annuity of an employee who is not then eligible to retire should include an additional paragraph containing instructions that tell OPM what to do if the employee separates before becoming eligible to retire and requests a refund of employee contributions. The court order may award the former spouse a portion of the refund of employee contributions or bar payment of the refund of employee contributions.

¶ 402 Dividing a refund of employee contributions.

Using the following paragraph will allow payment of the refund of employee contributions if payment of the refund of employee contributions would extinguish the former spouse's entitlement to a portion of the employee annuity. "The United States Office of Personnel Management is directed not to pay [employee] a refund of employee contributions."

¶ 500 Series—Death of the former spouse.

¶ 501 Full annuity restored to the retiree.

No special provision is necessary to restore the entire annuity to the retiree upon the death of the former spouse. Unless the court order expressly provides otherwise, OPM will pay the former spouse's share to the retiree after the death of the former spouse.

¶ 502 Former spouse share paid to children.

Using the following paragraph will award the former spouse's share of an employee annuity to the children, including any adopted children, of the employee and former spouse.

§ 838.721

(1) The commencing and terminating dates of former spouse survivor annuities based on court orders acceptable for processing; and

(2) The procedures that a former spouse must follow when applying for a former spouse survivor annuity based on a court order under section 8341(h) or section 8445 of title 5, United States Code.

(c)(1) Subpart H of this part contains the rules that a court order must satisfy to be a court order acceptable for processing to award a former spouse survivor annuity.

(2) Subpart I of this part contains definitions that OPM uses to determine the effect of a court order in connection with a former spouse survivor annuity.

LIMITATIONS ON SURVIVOR ANNUITIES

§ 838.711 Maximum former spouse survivor annuity.

(a) Under CSRS, payments under a court order may not exceed the amount provided in § 831.641 of this chapter.

(b) Under FERS, payments under a court order may not exceed amount provided in § 842.613 of this chapter plus the basic employee death benefit as defined in § 843.102 of this chapter.

(ii) A certification from the former spouse or the former spouse’s representative that the court order is currently in force and has not been amended, superseded, or set aside;

(iii) Information sufficient for OPM to identify the employee or retiree, such as his or her full name, CSRS or FERS claim number, date of birth, and social security number;

(iv) The current mailing address of the former spouse;

(v) If the employee has not retired or died, the mailing address of the employee; and

(vi) A statement in the form prescribed by OPM certifying—

(A) That the former spouse has not remarried before age 55;

(B) That the former spouse will notify OPM within 15 calendar days of the occurrence of any remarriage before age 55; and

(C) That the former spouse will be personally liable for any overpayment to him or her resulting from a remarriage before age 55.

(2) OPM may subsequently require recertification of the statements required by this paragraph.

§ 838.722 OPM action on receipt of a court order acceptable for processing.

(a) If OPM receives a court order acceptable for processing that awards a former spouse survivor annuity based on the service of a living retiree, OPM will inform—

(1) The former spouse—

(i) That the court order is acceptable for processing;

(ii) Of the date on which OPM received the court order; and

(iii) Of the present amount of the monthly former spouse survivor annuity if the retiree were to die immediately and the formula OPM used to compute the monthly benefit; and

(2) The retiree—

(i) That the former spouse has applied for benefits under this subpart;

(ii) That the court order is acceptable for processing and that OPM must comply with the court order;

(iii) Of the date on which OPM received the court order;

(iv) Of the amount and commencing date of the reduction in the retiree’s annuity;

(v) Of the present amount of the monthly former spouse survivor annuity if the retiree were to die immediately and the formula OPM used to compute the amount of the former spouse survivor annuity; and

(vi) That, if he or she contests the validity of the court order, he or she must obtain, and submit to OPM, a court order invalidating the court order submitted by the former spouse.

(b) If OPM receives a court order acceptable for processing that awards a former spouse survivor annuity, but the employee, separated employee, or retiree has died, OPM will inform—

(1) The former spouse—

(i) That the court order is acceptable for processing;

(ii) Of the date on which OPM received the court order, the date on which the former spouse’s benefit will begin to accrue, and if known the date on which OPM will commence payment under the court order; and

(iii) Of the amount on the monthly former spouse survivor annuity and the formula OPM used to compute the former spouse survivor annuity.

(2) Anyone whom OPM knows will be adversely affected by the court order—

(i) That the former spouse has applied for benefits under this subpart;

(ii) That the court order is acceptable for processing and that OPM must comply with the court order;

(iii) Of the date on which OPM received the court order;

(iv) How the court order may adversely affect him or her; and

(v) That, if he or she contests the validity of the court order, he or she must obtain, and submit to OPM, a court order invalidating the court order submitted by the former spouse.

(c) If OPM receives a court order acceptable for processing that awards a former spouse survivor annuity and the employee or separated employee has not retired or died, OPM will attempt to inform—

(1) The former spouse—

(i) That the court order is acceptable for processing;

(ii) To the extent possible, the formula that OPM will use to compute the
§ 838.725 Effect on employee and retiree election rights.

(a) A court order acceptable for processing that awards a former spouse survivor annuity does not affect a retiring employee’s or retiree’s rights and obligations to make survivor elections under subpart F of part 831 of this chapter or subpart F of part 842 of this chapter.

(b) A court order acceptable for processing that awards a former spouse survivor annuity requires OPM to pay a former spouse survivor annuity and prevents OPM from paying an elected survivor benefit to a widow or widower or another former spouse if the election is inconsistent with the court order.
§ 838.731 Commencing date of payments.

(a) A former spouse survivor annuity based on a court order acceptable for processing begins to accrue in accordance with the terms of the court order but no earlier than the later of—

(1) The first day after the date of death of the employee, separated employee, or retiree; or

(2) The first day of the second month after OPM receives a copy of the court order acceptable for processing.

(b) OPM will not authorize payment of the former spouse survivor annuity until it receives an application and supporting documentation required under §838.721.

§ 838.732 Termination of entitlement.

(a) A former spouse survivor annuity (other than the FERS basic employee death benefit as defined in §843.102 of this chapter) or the right to a future former spouse survivor annuity based on a court order acceptable for processing terminates in accordance with the terms of the court order but no later than the last day of the month before the former spouse remarries before age 55 or dies.

(b) If the employee dies before the former spouse remarries before age 55 or dies, the former spouse's entitlement to the FERS basic employee death benefit as defined in §843.102 of this chapter based on a timely-filed election under §831.611, §831.612, §831.631, §831.632, §842.603, §842.604, §842.611, or §842.612 of this chapter; or

(3) If paragraphs (a)(1) and (a)(2) of this section do not obligate the entire entitlement lost by the former spouse, the retiree (except a retiree under CSRS who retired before May 7, 1985 and who remarried before February 27, 1986) may elect within 2 years after the former spouse loses entitlement to continue the reduction to provide a survivor annuity for a spouse acquired after retirement.

(b)(1) If a former spouse of an employee or retiree loses entitlement to a former spouse survivor annuity based on a court order acceptable for processing after the death of the employee or retiree and—

(i) If court orders acceptable for processing award former spouse survivor annuities to other former spouses, OPM will pay the next entitled former spouse in the order specified in §838.135; or

(ii) If paragraph (b)(1) of this section does not obligate the entire entitlement lost by the former spouse, OPM will pay the balance to a current spouse of the deceased—

(A) Retiree who had elected a reduced annuity to provide a current spouse an annuity (as defined in §831.603 or §842.602); or

(B) Employee.

(2) Except as provided in §838.734—

(i) The former spouse survivor annuity based on paragraph (b)(1)(i) of this section begins to accrue in accordance with the terms of the court order but no earlier than the later of—

(A) The first day of the month in which the former spouse with the earlier-issued court order loses entitlement; or

(B) The first day of the second month after OPM receives a copy of the court order acceptable for processing; or

(ii) The current spouse annuity under paragraph (b)(1)(ii) of this section begins to accrue on the first day of the
Office of Personnel Management

§ 838.803

(c) OPM will not authorize payment of the former spouse’s annuity until it receives an application and supporting documentation required under §838.721.

§ 838.734 Payment of lump-sum awards by survivor annuity.

OPM will not honor court orders awarding lump-sum payments (other than the FERS basic employee death benefit as defined in §843.102 of this chapter) to a former spouse upon the death of an employee or retiree.

§ 838.735 Cost-of-living adjustments.

(a) OPM applies cost-of-living adjustments to all former spouse survivor annuities in pay status at the time of the adjustment and in the amount provided by Federal statute.

(b) OPM will not honor provisions of a court order that alters the time or amount of cost-of-living adjustments or that attempts to prevent OPM from applying cost-of-living adjustments to a former spouse survivor annuity in pay status.

Subpart H—Requirements for Court Orders Awarding Former Spouse Survivor Annuities

§ 838.801 Purpose and scope.

This subpart regulates the requirements that a court order awarding a former spouse survivor annuity must meet to be a court order acceptable for processing.

§ 838.802 CSRS limitations.

(a) A court order awarding a former spouse survivor annuity under CSRS is not a court order acceptable for processing unless the marriage terminated on or after May 7, 1985.

(b) In the case of a retiree who retired under CSRS before May 7, 1985, a court order awarding a former spouse survivor annuity under CSRS is not a court order acceptable for processing unless the retiree was receiving a reduced annuity to provide a survivor annuity to benefit that spouse on May 7, 1985.

§ 838.803 Language not acceptable for processing.

(a) Qualifying Domestic Relations Orders. (1) Any court order labeled as a “qualified domestic relations order” or issued on a form for ERISA qualified domestic relations orders is not a court order acceptable for processing unless the court order expressly states that the provisions of the court order concerning CSRS or FERS benefits are governed by this part.

(2) When a court order is required by paragraph (a)(1) of this section to state that the provisions of a court order concerning CSRS or FERS benefits are governed by this part the court order must—

(i) Expressly refer to part 838 of title 5, Code of Federal Regulations, and

(ii) Expressly state that the provisions of the court order concerning CSRS or FERS benefits are drafted in accordance with the terminology used in this part.

(3) Although any language satisfying the requirement of paragraph (a)(2) of this section is sufficient to prevent a court order from being unacceptable under paragraph (a)(1) of this section, OPM recommends the use of the language provided in ¶001 in appendix A to subpart F of this part to state that the provisions of the court order concerning CSRS or FERS benefits are governed by this part.

(4) A court order directed at employee annuity that contains the language described in paragraph (a)(2) of this section must also satisfy all other requirements of this subpart to be a court order acceptable for processing.

(b) Employee annuity cannot continue after the death of the retiree. Any court order that provides that the former spouse’s portion of the employee annuity shall continue after the death of the employee or retiree, by using language such as “will continue to receive benefits after the death of” the employee, that the former spouse “will continue to receive benefits for his (or her) lifetime,” or “that benefits will
§ 838.804 Court orders must expressly award a former spouse survivor annuity or expressly direct an employee or retiree to elect to provide a former spouse survivor annuity.

(a) A court order awarding a former spouse survivor annuity is not a court order acceptable for processing unless it expressly awards a former spouse survivor annuity or expressly directs an employee or retiree to elect to provide a former spouse survivor annuity as described in paragraph (b) of this section.

(b) To expressly award a former spouse survivor annuity or expressly direct an employee or retiree to elect to provide a former spouse survivor annuity as required by paragraph (a) of this section the court order must—

(1) Identify the retirement system using terms that are sufficient to identify the retirement system as explained in §838.911; and

(2) (i) Expressly state that the former spouse is entitled to a former spouse survivor annuity using terms that are sufficient to identify the survivor annuity as explained in §838.912; or

(ii) Expressly direct the retiree to elect to provide a former spouse survivor annuity using terms that are sufficient to identify the survivor annuity as explained in §838.912.

§ 838.805 OPM computation of formulas in computing the designated base.

(a) A court order awarding a former spouse survivor annuity is not a court order acceptable for processing unless the court order provides sufficient instructions and information so that OPM can determine the amount of the former spouse's monthly benefit using only the express language of the court order, subparts A, G and I of this part, and information from normal OPM files.

(b) To provide sufficient instructions and information for OPM to compute the amount of a former spouse survivor annuity as required by paragraph (a) of this section, if the court order uses a formula to determine the former spouse survivor annuity, it must not use any variables whose values are not readily ascertainable from the face of the court order or normal OPM files.

(c) A court order awarding a former spouse survivor annuity is not a court order acceptable for processing if OPM would have to examine a State statute or court decision (on a different case) to understand, establish, or evaluate the formula for computing the former spouse survivor annuity.

§ 838.806 Amended court orders.

(a) A court order awarding a former spouse survivor annuity is not a court order acceptable for processing if it is issued after the date of retirement or death of the employee and modifies or replaces the first order dividing the marital property of the employee or retiree and the former spouse.

(b) For purposes of awarding, increasing, reducing, or eliminating a former spouse survivor annuity, or explaining, interpreting, or clarifying a court order that awards, increases, reduces or eliminates a former spouse survivor annuity, the court order must be—

(1) Issued on a day prior to the date of retirement or date of death of the employee; or

(2) The first order dividing the marital property of the retiree and the former spouse.

(c) A court order that awards a former spouse survivor annuity and that is issued after the first order dividing the marital property of the retiree and the former spouse has been vacated, set aside, or otherwise declared invalid is not a court order acceptable for processing if—

(1) It is issued after the date of retirement or death of the retiree;

(2) It changes any provision concerning a former spouse survivor annuity in the court order that was vacated, set aside or otherwise declared invalid; and

(3)(i) The court order is effective prior to the date when it is issued; or

(ii) The retiree and former spouse do not compensate the Civil Service Retirement and Disability Fund for any uncollected annuity reduction due as a result of the court order vacating, setting aside, or otherwise invalidating...
§ 838.901 Purpose and scope.

(a) This subpart regulates the meaning of terms necessary to award a former spouse survivor annuity in a court order, and for OPM to determine whether a court order awarding a former spouse survivor annuity is a court order acceptable for processing and the amount of the former spouse survivor annuity.

(b)(1) This subpart establishes a uniform meaning to be used for terms and phrases frequently used in awarding a former spouse survivor annuity.

(2) This subpart informs the legal community about the definition to be applied to terms used in court orders, to permit the resulting orders to be more carefully drafted, using the proper language to accomplish the aims of the court.

(c)(1) To assist attorneys and courts in preparing court orders that OPM can honor in the manner that the court intends, appendix A of this subpart contains model language to accomplish many of the more common objectives associated with the award of a former spouse survivor annuity.

§ 838.807 Cost must be paid by annuity reduction.

(a) A court order awarding a former spouse survivor annuity is not a court order acceptable for processing unless it permits OPM to collect the annuity reduction required by section 8339(j)(4) or section 8419 of title 5, United States Code, from annuity paid by OPM. OPM will not honor a court order that provides for the retiree or former spouse to pay OPM the amount of the annuity reduction by any other means.

(b) The amount of the annuity reduction required by section 8339(j)(4) or section 8419 of title 5, United States Code, may be paid—

(1) By reduction of the former spouse’s entitlement under a court order acceptable for processing that is directed at employee annuity; or

(2) By reduction of the employee annuity.

(c) Unless the court order otherwise directs, OPM will collect the annuity reduction required by section 8339(j)(4) or section 8419 of title 5, United States Code, from the employee annuity.

Subpart I—Terminology Used in Court Orders Awarding Former Spouse Survivor Annuities

§ 838.807 Cost must be paid by annuity reduction.

(a) A court order awarding a former spouse survivor annuity is not a court order acceptable for processing unless it permits OPM to collect the annuity reduction required by section 8339(j)(4) or section 8419 of title 5, United States Code, from annuity paid by OPM. OPM will not honor a court order that provides for the retiree or former spouse to pay OPM the amount of the annuity reduction by any other means.

(b) The amount of the annuity reduction required by section 8339(j)(4) or section 8419 of title 5, United States Code, may be paid—

(1) By reduction of the former spouse’s entitlement under a court order acceptable for processing that is directed at employee annuity; or

(2) By reduction of the employee annuity.

(c) Unless the court order otherwise directs, OPM will collect the annuity reduction required by section 8339(j)(4) or section 8419 of title 5, United States Code, from the employee annuity.

Subpart I—Terminology Used in Court Orders Awarding Former Spouse Survivor Annuities

§ 838.901 Purpose and scope.

(a) This subpart regulates the meaning of terms necessary to award a former spouse survivor annuity in a court order, and for OPM to determine whether a court order awarding a former spouse survivor annuity is a court order acceptable for processing and the amount of the former spouse survivor annuity.

(b)(1) This subpart establishes a uniform meaning to be used for terms and phrases frequently used in awarding a former spouse survivor annuity.

(2) This subpart informs the legal community about the definition to be applied to terms used in court orders, to permit the resulting orders to be more carefully drafted, using the proper language to accomplish the aims of the court.

(c)(1) To assist attorneys and courts in preparing court orders that OPM can honor in the manner that the court intends, appendix A of this subpart contains model language to accomplish many of the more common objectives associated with the award of a former spouse survivor annuity.
§ 838.911 Identifying the retirement system.

(a) To satisfy the requirements of § 838.804(b)(1), a court order must contain language identifying the retirement system affected. For example, “CSRS,” “FERS,” “OPM,” or “Federal Government” survivor benefits, or “survivor benefits payable based on service with the U.S. Department of Agriculture,” etc., are sufficient identification of the retirement system.

(b) Except as provided in paragraphs (b)(1) and (b)(2) of this section, language referring to benefits under another retirement system, such as military retired pay, Foreign Service retirement benefits and Central Intelligence Agency retirement benefits, does not satisfy the requirements of § 838.911.

(1) A court order that mistakenly labels CSRS benefits as FERS benefits and vice versa satisfies the requirements of § 838.911.

(2) Unless the court order expressly provides otherwise, for employees transferring to FERS, court orders directed at CSRS benefits apply to this entire FERS basic benefit, including the CSRS component, if any. Such a court order satisfies the requirements of § 838.911.

(c) A court order affecting military retired pay, even when military retired pay has been waived for inclusion in CSRS annuities, does not award a former spouse survivor annuity under CSRS or FERS. Such a court order does not satisfy the requirements of § 838.911.

(d) A court order that requires an employee or retiree to maintain survivor benefits covering the former spouse satisfies the requirements of § 838.911, if the former spouse was covered by a CSRS or FERS survivor annuity or the FERS basic employee death benefit as defined in § 843.102 of this chapter at the time of the divorce.

5 CFR Ch. I (1–1–99 Edition)
§ 838.921 Determining the amount of a former spouse survivor annuity.

(a) A court order that contains no provision stating the amount of the former spouse survivor annuity provides the maximum former spouse survivor annuity permitted under §831.641 or §842.613 of this chapter and satisfies the requirements of §838.805.

(b)(1) A court order that provides that “a former spouse will keep” or “an employee or retiree will maintain” the survivor annuity to which he or she was entitled at the time of the divorce satisfies the requirements of §838.805 and provides a former spouse survivor annuity in the same proportion to the maximum survivor annuity under §831.641 or §842.613 of this chapter as the former spouse had at the time of divorce. For example, a former spouse of an employee would be entitled to a maximum survivor benefit; a former spouse of a retiree (who was married to the retiree at retirement and continues until the divorce resulting in the court order) would be entitled to the survivor benefit elected at retirement.

(2) If, at the time of divorce, the employee covered by FERS had at least 18 months of civilian service creditable under FERS but less than 10 years of service creditable under FERS, a former spouse with a court order described in paragraph (b)(1) or paragraph (b)(2) of this section may be entitled to the basic employee death benefit as defined in §843.102 of this chapter, but is not entitled to any former spouse survivor annuity based on the court order.

(c)(1) A court order that awards a former spouse survivor annuity of less than $12 per year satisfies the requirements of §838.805 and provides an initial rate of $1 per month plus all cost-of-living increases occurring after the later of—

(i) The date of the court order; or

(ii) The date when the employee retires.

(2) The reduction in the employee annuity will be computed as though the court order provided a former spouse survivor annuity of $1 per month.

(d)(1) A court order that awards a former spouse survivor annuity while authorizing the employee or retiree to elect a lesser former spouse survivor annuity upon the employee’s or retiree’s remarriage satisfies the requirements of §838.805, and provides the former spouse survivor annuity at the rate initially provided in the court order but does not allow the employee or retiree to elect a lesser benefit for the former spouse.

(2) To provide full survivor annuity benefits to a former spouse while authorizing the employee or retiree to elect a lesser former spouse survivor annuity benefit in order to provide survivor annuity benefits for a subsequent spouse, the court order must provide for a reduction in the former spouse survivor annuity upon the employee’s or retiree’s election of survivor annuity benefits for a subsequent spouse.

(3) A reduction in the amount of survivor benefits provided to the former spouse does not satisfy the requirements of §838.805 if it is contingent...
§ 838.922 Prorata share defined.

(a) Prorata share means the fraction of the maximum survivor annuity allowable under §831.641 or §842.613 of this chapter whose numerator is the number of months of Federal civilian and military service that the employee performed during the marriage and whose denominator is the total number of months of Federal civilian and military service performed by the employee.

(b) A court order that awards a former spouse a “prorata share” of a survivor annuity by using that term and identifying the date when the marriage began satisfies the requirements of §838.805 and awards the former spouse a former spouse survivor annuity equal to the prorata share as defined in paragraph (a) of this section.

(c) A court order that awards a portion of a survivor annuity, as of a specified date before the employee’s retirement, awards the former spouse a former spouse survivor annuity equal to the prorata share as defined in paragraph (a) of this section.

(d) A court order that awards a portion of the “value” of a survivor annuity as of a specific date before retirement, without specifying what “value” is, awards the former spouse a former spouse survivor annuity equal to a prorata share as defined in paragraph (a) of this section.

§ 838.923 Cost-of-living adjustment before the death of a retiree.

A court order that awards a former spouse survivor annuity is deemed to order OPM to add to the survivor annuity rate cost-of-living adjustments that occur before the death of a retiree (in the same manner as these adjustments are applied to the survivor rate generally) unless the court order contains an instruction expressly directing OPM not to add these adjustments to the survivor annuity rate. (See §838.735 for information concerning cost-of-living adjustments after the death of an employee or retiree.)

MISCELLANEOUS PROVISIONS

§ 838.931 Court orders that provide temporary awards of former spouse survivor annuities.

A provision in a court order that temporarily awards a former spouse survivor annuity satisfies the requirements of §838.804(b)(2), but the temporary award becomes permanent on the date on which OPM is barred from honoring a modification of the court order (the date of retirement or death, or, in the case of a post-retirement divorce, the date of the initial court order), as provided in sections 8341(h)(4) and 8445(d) of title 5, United States Code.

§ 838.932 Court orders that permit the former spouse to elect to receive a former spouse survivor annuity.

(a) Except as provided in paragraph (b) of this section, a court order that gives the former spouse the right to elect a former spouse survivor annuity satisfies the requirements of §838.804(b)(2) and provides a former spouse survivor annuity in the amount otherwise provided by the court order.

(b) A former spouse who has been awarded a former spouse survivor annuity by a court order that gives the former spouse the right to elect a former spouse survivor annuity may irrevocably elect not to be eligible for a former spouse survivor annuity based on the court order.

(c) The former spouse may make the election under paragraph (b) of this section at any time after the issuance of the court order. An election under paragraph (b) of this section—

(1) Must be in writing and in the form prescribed by OPM;

(2) Is effective on the first day of the month following the month in which OPM received the election; and

(3) Is irrevocable once it has become effective.

(d) The reduction in an employee annuity based on a court order that gives
the former spouse the right to elect a
former spouse survivor annuity termi-
nates on the last day of the month in
which OPM receives the former
spouse's election under paragraph (b) of
this section.

§ 838.933 Payment of the cost of a
former spouse survivor annuity.

(a) A court order that unequivocally
awards a former spouse survivor annu-
ity and directs the former spouse to
pay for that benefit satisfies the re-
quirements of § 838.805, and—

(1) If the former spouse has also been
awarded a portion of the employee an-
nuity then the cost of the survivor ben-
efit will be deducted from the former
spouse's share of the employee annuity
(if sufficient to cover the total cost—
there will be no partial withholding); other-
wise,

(2) The reduction will be taken from
the employee annuity and collection
from the former spouse will be a pri-
vate matter between the parties.

(b) a court order that conditions the
award of a former spouse survivor an-
nuity on the former spouse's payment
of the cost of the benefit satisfies the
requirements of § 838.805 only if a court
order acceptable for processing also
awards the former spouse a portion of
the employee annuity sufficient to
cover the cost.

MODEL PARAGRAPHS

APPENDIX A TO SUBPART I OF PART 838—
RECOMMENDED LANGUAGE FOR
COURT ORDERS AWARDING FORMER
SPouse SURVIVOR ANNUITIES

This appendix provides recommended lan-
guage for use in court orders awarding
former spouse survivor annuities. A former
spouse survivor annuity is not a continu-
ation of a former spouse's share of an em-
ployee annuity after the death of the em-
ployee. A former spouse's entitlement to a
portion of an employee annuity cannot con-
tinue after the death of the employee. A
court order that attempts to extend the
former spouse's entitlement to a portion of
an employee annuity past the death of the
employee is not effective. The model lan-
guage in this appendix does not award bene-
fits payable to the former spouse during the
lifetime of the employee. A separate, dis-
tinct award of a portion of the employee an-
nuity is necessary to award a former spouse
a benefit during the lifetime of the em-
ployee. Appendix A to subpart F of this part
contains model language for a portion of an
employee annuity.

Attorneys should exercise great care in
preparing provisions concerning former
spouse survivor annuities because sections
8341(h)(4) and 8445(d) of title 5, United States
Code, prohibit OPM from accepting modifica-
tions after the retirement or death of the
employee. (See § 838.806 concerning unaccept-
able modifications.) A court order awarding
a former spouse survivor annuity should in-
clude four elements:

• Identification of the retirement system;
• Explicit award of the former spouse sur-
vivor annuity.
• Method for computing the amount of the
former spouse's benefit; and
• Instructions on what OPM should do if
the employee leaves Federal service before
retirement and applies for a refund of em-
ployee contributions.

By using the model language, courts will
know that the court order will have the ef-
fect described in this appendix. The
model language uses the terms
"[former spouse]" to identify the spouse who
is receiving a former spouse survivor annuity
and "[employee]" to identify the Federal
employee whose employment was covered by
the Civil Service Retirement System or the
Federal Employees Retirement System. Ob-
viously, in drafting an actual court order the
appropriate terms, such as "Petitioner" and
"Respondent," or the names of the parties
should replace "[former spouse]" and "[em-
ployee]."

Similarly, except when the provision ap-
plies only to the basic employee death bene-
fit (defined in § 843.103 of this chapter) that is
available only under the Federal Employees
Retirement System, the models are drafted
for employees covered by the Civil Service
Retirement System (5 U.S.C. 8331 et seq.).
The name of the retirement system should
be changed for employees covered by the
Federal Employees Retirement System (5
U.S.C. chapter 84.).

Statutory references used in the models
are to CSRS provisions (such as section
8341(h) of title 5, United States Code). When
appropriate, the corresponding FERS provi-
sion (such as section 8445 of title 5, United
States Code) should be used.

start at the amount stated in the order when the employee or retiree dies, unless the stated amount exceeds the maximum possible former spouse survivor annuity. If the amount stated in the order exceeds the maximum possible former spouse survivor annuity, the court order will be treated as awarding the maximum. After payment of the former spouse survivor annuity has begun, COLA’s will be applied in accordance with §838.735. If the final sentence of this model paragraph is omitted, OPM will add COLA’s occurring after the date of the employee’s retirement or the date of issuance of the court order, whichever is later.

¶ 711 Award of a percentage or fraction of the employee annuity.

Using the following paragraph will award a former spouse survivor annuity equal to the stated percentage or fraction of the employee annuity. The stated percentage or fraction may not exceed 55 percent under CSRS or 50 percent under FERS.

¶ 705-710 [Reserved].

¶ 712 Award based on a stated formula as a share of employee annuity.

Using the following paragraphs will award a former spouse survivor annuity in an amount to be determined by applying a stated formula to employee annuity. The amount of the former spouse survivor annuity may not exceed 55 percent under CSRS or 50 percent under FERS. The formula must be stated in the court order (including a court-approved property settlement agreement). The formula may not be incorporated by reference to a court decision in another case. If the court order uses a formula, the court order must include any data that is necessary for OPM to evaluate the formula unless the necessary data is contained in normal OPM files.

¶ 722 Award based on a stated formula as a share of maximum survivor annuity.

Using the following paragraphs will award a former spouse survivor annuity based on a stated formula to be applied to the maximum possible survivor annuity. The formula must be stated in the court order (including a court-approved property settlement agreement). The formula may not be incorporated by reference to a statutory provision or a court decision in another case. If the court order uses a formula, the court order must include any data that is necessary for OPM to evaluate the formula unless the necessary data is contained in normal OPM files.

¶ 723-750 [Reserved].

¶ 751 Changing amount of former spouse survivor annuity based on remarriage before retirement.

Using the following paragraph will award the maximum possible former spouse survivor annuity unless the employee remarries before retirement. Upon the employee’s remarriage before retirement the amount of the former spouse survivor annuity changes to a prorata share. The maximum possible and prorata share are used as examples only; other amounts may be substituted. Similar language is not acceptable for remarriages after retirement.

¶ 713-720 [Reserved].
¶ 801 Costs to be paid from the employee annuity.

A court order awarding a former spouse survivor annuity requires that the employee annuity be reduced. The reduction lowers the gross employee annuity. The costs associated with providing the former spouse survivor annuity must be paid by annuity reduction. Under §8341(h)(1) of title 5, United States Code, the former spouse is awarded a former spouse survivor annuity under the Civil Service Retirement System.

¶ 802 Costs to be paid from former spouse's share of the employee annuity.

Using the following paragraph will allow the refund of employee contributions to be paid but will award a prorata share of the refund of employee contributions to the former spouse. The award of a prorata share is used only as an example; other amounts or types of contributions may be substituted.

Using the following paragraph will bar payment of the refund of employee contributions. Court orders that award a former spouse survivor annuity based on the service of an employee who is not then eligible to retire should include an additional paragraph containing instructions that tell OPM what to do if the employee requests a refund of employee contributions before becoming eligible to retire. The court order may award the former spouse a portion of the refund of employee contributions or bar payment of the refund of employee contributions.

4. 200 Series—Refunds of employee contributions.

Under §8341(h)(1) of title 5, United States Code, the former spouse is awarded a former spouse survivor annuity under the Civil Service Retirement System. The amount of the former spouse survivor annuity will be equal to a prorata share of the former spouse survivor annuity unless the employee remarries after retirement and elects to provide a survivor annuity for the spouse acquired after retirement. Upon the employee’s remarriage after retirement and election to provide a survivor annuity for the spouse acquired after retirement, the amount of the former spouse survivor annuity changes to a prorata share.

The costs associated with providing the former spouse survivor annuity must be paid by annuity reduction. Under §8341(h)(1) of title 5, United States Code, the former spouse is awarded a former spouse survivor annuity under the Civil Service Retirement System.

Using the following paragraph will award the former spouse a prorata share of the employee annuity and a prorata share of the maximum possible survivor annuity and provide that the cost associated with the survivor annuity be deducted from the former spouse’s share of the employee annuity. Prorata share and self-only annuity are used as examples only; another amount or type of annuity may be substituted.

rights to an employee annuity unless the employee is reemployed under the retirement system. Payment of the refund of employee contributions will also extinguish the former spouse’s right to a court-ordered portion of an employee annuity or a former spouse survivor annuity unless the employee is reemployed and reestablishes title to annuity benefits.

§ 838.1004  Qualifying court orders.

(a) A former spouse is entitled to a portion of an employee's retirement benefits only to the extent that the division of retirement benefits is expressly provided for by the court order. The court order must divide employee retirement benefits, award a payment from employee retirement benefits, or award a former spouse annuity.

(b) The court order must state the former spouse's share as a fixed amount, a percentage or a fraction of the annuity, or by a formula that does not contain any variables whose value is not readily ascertainable from the face of the order or normal OPM files.

(c)(1) For purposes of payments from employee retirement benefits, OPM will review court orders as a whole to determine whether the language of the order shows an intent by the court that the former spouse should receive a portion of the employee's retirement benefits directly from the United States.

(i) Orders that direct or imply that OPM is to make payment of a portion of employee retirement benefits, or are neutral about the source of payment, will be honored unless the retiree can demonstrate that the order is invalid in accordance with §838.1009.

(ii) Orders that specifically direct the retiree to pay a portion of employee retirement benefits to a former spouse (and do not contain language to show the court intends payment from the Civil Service Retirement System) will be honored unless the retiree objects to direct payment by OPM within the 30-day notice period prescribed in §838.1008, but will not be honored even if the retiree raises only a general objection to payment by OPM within that 30-day notice period.

(2) For purposes of awarding a former spouse annuity, the court order must either state the former spouse's entitlement to a survivor annuity or direct an employee, Member, or retiree to provide a former spouse annuity.

(d) For purposes of affecting or awarding a former spouse annuity, a court order is not a qualifying court order whenever—

(1) The marriage was terminated before May 7, 1985; or

(2)(i) The marriage was terminated on or after May 7, 1985; and

(ii) The employee or Member retired under CSRS before May 7, 1985; and

(iii)(A) The employee or Member had elected not to provide a current spouse annuity for that spouse at the time of retirement; or,

(B) In the case of a post-retirement marriage, the annuitant had not elected not to provide a current spouse annuity for that spouse before May 7, 1985.

(e)(1) For purposes of awarding, increasing, reducing, or eliminating a former spouse survivor annuity, or explaining, interpreting, or clarifying a court order that awards, increases, reduces or eliminates a former spouse annuity, the court order must be—

(i) Issued on a day prior to the date of retirement or date of death of the employee; or

(ii) The first order dividing the marital property of the retiree and the former spouse.

(2) In paragraph (e)(1) of this section, “date of retirement” means the later of—

(i) The date that the employee files an application for retirement; or

(ii) The effective commencing date for the employee's annuity.
(3) In paragraphs (e)(1) and (e)(4) of this section “issued” means actually filed with the clerk of the court, and does not mean the effective date of a retroactive court order that is effective prior to the date when actually filed with the clerk of the court (e.g., a court order issued nunc pro tunc).

(4)(i) In paragraph (e)(1)(ii) of this section, the “first order dividing the marital property of the retiree and the former spouse” means—

(A) The original written order that first ends (or first documents an oral order ending) the marriage if the court divides any marital property (or approves a property settlement agreement that divides any marital property) in that order, or in any order issued before that order; or

(B) The original written order issued after the marriage has been terminated in which the court first divides any marital property (or first approves a property settlement agreement that divides any marital property) if no marital property has been divided prior to the issuance of that order.

(ii) The first order dividing marital property does not include—

(A) Any court order that amends, explains, clarifies, or interprets the original written order regardless of the effective date of the court order making the amendment, explanation, clarification, or interpretation; or

(B) Any court order issued under reserved jurisdiction or any other court orders issued subsequent to the original written order that divide any marital property regardless of the effective date of the court order.

§ 838.1005 Applications by former spouse.

(a) A former spouse (personally or through a representative) must apply in writing to be eligible for benefits under this subpart. No special form is required.

(b) The application letter must be accompanied by—

(1) A certified copy of the court order granting benefits under CSRS; and

(2) A statement that the court order has not been amended, superseded, or set aside; and

(3) Identifying information concerning the employee, Member, or retiree such as his or her full name, claim number, date of birth, and social security number, if available; and

(4) The mailing address of the former spouse.

(c) When payments are subject to termination upon remarriage, no payment shall be made until the former spouse submits to the Associate Director a statement on the form prescribed by OPM certifying—

(1) That a remarriage has not occurred; and

(2) That the former spouse will notify the Associate Director within 15 calendar days of the occurrence of any remarriage; and

(3) That the former spouse will be personally liable for any overpayment to him or her resulting from a remarriage. The Associate Director may subsequently require recertification of these statements.

§ 838.1006 Amounts payable.

(a) Money held by an executive agency or OPM that may be payable at some future date is not available for payment under court orders unless all of the conditions necessary for payment of the money to the former employee or Member have been met, including, but not limited to—

(1) Separation from a covered position in the Federal service; and

(2) Application for payment of the money by the former employee or Member; and

(3) The former employee’s or Member’s immediate entitlement to payment of the money subject to the order.

(b) Waivers of employee or Member annuity payments under the terms of section 8345(d) of title 5, United States Code, exclude the waived portion of the annuity from availability for payment under a court order if such waivers are postmarked before the expiration of the 30-day notice period provided by §838.1008.

(c) Payment under a court order may not exceed—
(1) In cases involving employee or Member annuities, the net annuity.
(2) In cases involving lump-sum payments (refunds), the amount of the lump-sum credit.
(3) In cases involving former spouse annuities, the amount provided in §831.641 of this chapter.
(d) In cases in which court orders award former spouse annuities—
   (1) Except as provided in paragraph (d)(2) of this section, former spouse annuities based on qualifying court orders will commence and terminate in accordance with the court order.
   (2) A court order will not be honored to the extent it would require an annuity to commence prior to the day after the employee, Member, or retiree dies, or the first day of the second month beginning after the date on which OPM receives written notice of the court order together with the additional information required by §838.1005. Further, a court order will not be honored to the extent it requires an annuity to be terminated contrary to section 8341(h)(3)(B) of title 5, United States Code.
   (3) A court order will not be honored to the extent it is inconsistent with any joint designation or waiver previously executed under §831.614 of this chapter with respect to the former spouse involved.

§ 838.1007 Preliminary review.
(a)(1) Upon receipt of a court order and documentation required by §838.1005 affecting the future civil service retirement benefits of an employee or Member who is living and has not applied for benefits under CSRS, the Associate Director will notify the former spouse that OPM has received the court order and documentation.
   (2) When OPM has received a court order and documentation required by §838.1005 affecting an employee or Member who retires, dies, or applies for a lump-sum benefit, the Associate Director will determine whether the court order is a qualifying court order under §838.1004.
   (3) Upon receipt of a court order and necessary documentation required by §838.1005 affecting employee retirement benefits that are available under §838.1006 or awarding a former spouse annuity to a former spouse of an employee who retired under CSRS or died, the Associate Director will determine whether the court order is a qualifying court order under §838.1004.
   (b) Upon preliminary determination that the court order is qualifying, the Associate Director will give the notifications required by §838.1008.
   (c) Upon preliminary determination that the court order is not qualifying, the former spouse will be notified of the basis for the determination and the right to reconsideration under §831.109 of this chapter.

§ 838.1008 Notifications.
(a) In a case in which the court order affects employee retirement benefits:
   (1) The Associate Director will notify the employee, Member, or retiree that a court order has been received that appears to require that a portion of his or her retirement benefits be paid to a former spouse and provide the employee, Member, or retiree with a copy of the court order.
   (ii) Of the effect that the court order will have on the former employee or Member—
      (i) That OPM intends to honor the court order; and
      (ii) That the amount that the former spouse is entitled to receive under the court order, and in cases that award a portion of the benefits on a percentage basis or by a formula, how the amount was computed; and
   (iii) That no payments will be made to the former spouse for a period of 30 days from the notice date to enable the former employee or Member to contest the court order.
   (2) The Associate Director will notify the former spouse—
      (i) That OPM intends to honor the court order; and
      (ii) Of the amount that the former spouse is entitled to receive under the court order, and in cases that award a portion of the benefits on a percentage basis or by a formula, how the amount was computed; and

Office of Personnel Management

§ 838.1010

(ii) That payment is being delayed for a period of 30 days to give the former employee or Member an opportunity to contest the court order.

(b) In a case in which the court order awards a former spouse annuity—

(1) The Associate Director will notify the retiree, if living, or, if the employee, Member, or retiree is dead, his or her surviving spouse, or the person entitled to the lump-sum death benefit under section 8342 of title 5, United States Code, if possible, that a court order has been received that requires the payment of a former spouse annuity. The notice will include a copy of the court order. The notice will state—

(i) That OPM intends to honor the court order; and

(ii) The effect it will have on the potential retirement benefit of the person receiving the notice; and

(iii) That any objection to honoring the court order must be filed within 30 days from the notice date.

(2) The former spouse will be notified—

(i) That OPM intends to honor the court order; and

(ii) Of the amount of survivor annuity that he or she will be entitled to receive and how the amount was computed; and

(iii) That anyone adversely affected has a period of 30 days in which to contest the court order.

(c) In a case in which the court order affects employee retirement benefits and awards a former spouse annuity all of the notices under paragraphs (a) and (b) of this section will be provided.

§ 838.1009 Decisions.

(a)(1) When the individual does not respond within the 30-day notice period provided for by §838.1008, the court order will be honored in accordance with the notification.

(2) When a timely response to the notification is received, the Associate Director will consider the response. The former spouse's claim will be denied and the former spouse will be notified of the right to request reconsideration under §831.109 of this chapter whenever is is shown that—

(i) The court order is not a qualifying court order; or

(ii) The court order is inconsistent with a contemporaneous or subsequent court order.

(b) If any person who may lose benefits if OPM honors the court order objects to payment based on the validity of the court order and the record contains reasonable support for the objection, he or she will be granted 30 days to initiate legal action to determine the validity of the objection. If funds are available under §838.1006 and evidence is submitted that legal action had been started before the 30 days have expired, money will continue to be withheld, but no payment will be made to the former spouse pending judicial determination of the validity of the court order.

§ 838.1010 Court orders or decrees preventing payment of lump sums.

(a) Payment of the lump-sum credit to a former employee or Member will be subject to the terms of any court order or decree issued with respect to any former spouse or to any current spouse from whom the employee or Member was legally separated, if—

(1) The court order or decree expressly relates to any portion of the lump-sum credit involved; and

(2) Payment of the lump-sum credit would extinguish entitlement of the current or former spouse to a survivor annuity under section 8341(h) of title 5, United States Code, or to any portion of an annuity under section 8345(j) of title 5, United States Code.

(b) For paragraph (a) of this section to have effect, OPM must be in receipt of the court order or decree before authorizing payment of the refund.

(c)(1) In the event that OPM receives two or more court orders or decrees—

(i) When there are two former spouses, the court orders or decrees will be honored in the order in which they were issued until the lump-sum has been exhausted.

(ii) When there are two or more court orders or decrees relating to the same former spouse, the one issued last will be honored first.

(2) In no event will the amount paid out exceed the amount of the lump-sum credit.
§ 838.1011

(d) OPM is not liable for any payment made from money due from or payable by OPM to any individual pursuant to a court order or decree regular on its face, if such payment is made in accordance with this subpart.

(e) Except as provided in paragraph (f) of this section, a court order or decree directed at a refund of retirement contributions made in accordance with this subpart shall not be effective unless the court order or decree and supporting documentation required by §838.1005 are received by OPM not later than—

(1) The last day of the second month before payment of the refund; or

(2) Twenty days after OPM receives the Statement required by §831.2007(c) of this chapter if the former spouse has indicated on that Statement that such an order exists.

(f) The interests of a former spouse with a court order or decree who does not receive notice of a refund application because the former employee or Member submits fraudulent proof of notification or fraudulent proof that the former spouse's whereabouts are unknown are protected if, and only if—

(1) The former spouse files the court order or decree with OPM no later than the last day of the second month before the payment of the refund; or

(2) The former spouse submits proof that—

(i) The evidence submitted by the employee was fraudulent; and

(ii) Absent the fraud, the former spouse would have been able to submit the necessary documentation required by §838.1005 within the time limit prescribed in paragraph (e) of this section.

(g) Court orders, notices, summons, or other documents that attempt to restrain OPM from paying refunds of retirement contributions are not effective unless they meet all the requirements of—

(1) Paragraph (a) of this section, including the requirement that the court order or decree, or a prior court order or decree, has awarded the former spouse a former spouse annuity as defined in §831.603 of this chapter or a portion of the employee's or Member's future annuity benefit; or

(2) Part 581 of this chapter.

§ 838.1011 Effective dates.

(a)(1) The provisions of this subpart apply to any employee retirement benefits regardless of the date of issuance of the court order or the date when the employee or Member retires.

(2) The Associate Director will not increase the amount apportioned from current retirement benefits to satisfy an arrearage due the former spouse unless the court order states the amount of the arrearage and directs that it be paid from the employee retirement benefit. However, the Associate Director will honor the terms of a new or revised court order that either increases or decreases the former spouse's entitlement. These changes will be prospective only.

(3) Benefits payable to a former spouse from a retiree's annuity begin to accrue no earlier than the beginning of the month after receipt of a qualifying court order and the documentation required by §838.1005, and terminate no later than the last day of the month before the death of the retiree.

(b)(1) The provisions of this subpart concerning former spouse annuities apply only with respect to a former spouse of an employee, Member, or retiree who retires or dies while employed in a position covered by CSRS on or after May 7, 1985, or a former spouse whose marriage to an employee, Member, or retiree is terminated on or after May 7, 1985, regardless of the date the employee separates from a position covered by CSRS.

(2) The survivor annuity for a former spouse commences and terminates in accordance with the court order. However, a court order will not be honored to the extent it would require an annuity to commence before—

(i) The day after the employee, Member, or retiree dies; or

(ii) The first day of the second month beginning after OPM receives the court order, together with such additional information required by §838.1005, whichever is later. Further, a court order
§ 838.1012 Death of the former spouse.

(a) Unless the qualifying court order expressly provides otherwise, the former spouse's share of employee retirement benefits terminates on the last day of the month before the death of the former spouse, and the former spouse's share of employee retirement benefits reverts to the retiree.

(b) Except as otherwise provided in this subpart, OPM will honor a qualifying court order or an amended qualifying court order that directs OPM to pay, after the death of the former spouse, the former spouse's share of the employee annuity to—

(1) The court;
(2) An officer of the court acting as a fiduciary;
(3) The estate of the former spouse; or
(4) One or more of the retiree's children as defined in section 8342(c) or section 8424(d) of title 5, United States Code.

§ 838.1013 Limitations.

(a) Employee retirement benefits are subject to apportionment by court order only while the former employee or Member is living. Payment of apportioned amounts will be made only to the former spouse and/or the children of the former employee or Member. Payment will not be made to any of the following:

(1) The heirs or legatees of the former spouse; or
(2) The creditors of the former employee or Member, or the former spouse; or
(3) Other assignees of the former employee or Member, or the former spouse.

(b) The amount of payment under this subpart will not be less than one dollar and, in the absence of compelling circumstances, will be in whole dollars.

(c) In honoring and complying with a court order, the Associate Director will not disrupt the scheduled method of accruing retirement benefits or the normal timing for making such payment, despite the existence of a special schedule of accrual or payment of amounts due the former spouse.

(d) Payments from employee retirement benefits under this subpart will be discontinued whenever the retiree's annuity payments are suspended or terminated. If annuity payments to the retiree are restored, payment to the former spouse will also resume.

(e) Since the former spouse is entitled to payments from employee retirement benefits only while the former employee or Member is living, the former spouse is personally liable for any payments from employee retirement benefits received after the death of the retiree.

§ 838.1014 Guidelines on interpreting court orders.

As circumstances require, OPM will publish in the Federal Register a notice of the guidelines it uses in interpreting court orders. Upon publication of the notice in the Federal Register of such guidelines, they will become an appendix to this subpart.

§ 838.1015 Liability.

OPM is not liable for any payment made from employee retirement benefits pursuant to a court order if such payment is made in accordance with the provisions of this subpart.

§ 838.1016 Receipt of multiple court orders.

In the event that OPM receives two or more qualifying court orders—

(a) When there are two or more former spouses, the court orders will be honored in the order in which they were issued to the maximum extent possible under § 831.641 of this chapter and 838.1006.

(b) Where there are two or more court orders relating to the same former spouse, the one issued last will be honored.

§ 838.1017 Cost-of-living adjustments.

In cases where the court order apportions a percentage of the employee retirement benefit, the Associate Director will initially determine the amount of proper payment. That amount will be increased by future cost-of-living increases unless the court direct otherwise.

§ 838.1018 Settlements.

The former spouse may request that an amount be withheld from the retirement benefits that is less than the amount stipulated in the court order. This lower amount will be deemed a complete fulfillment of the obligation of OPM for the period in which the request is in effect.

APPENDIX A TO SUBPART J OF PART 838—GUIDELINES FOR INTERPRETING STATE COURT ORDERS DIVIDING CIVIL SERVICE RETIREMENT BENEFITS

UNITED STATES OF AMERICA
OFFICE OF PERSONNEL MANAGEMENT
RETIREMENT AND INSURANCE GROUP

GUIDELINES FOR INTERPRETING STATE COURT ORDERS DIVIDING CIVIL SERVICE RETIREMENT BENEFITS

These guidelines explain the interpretation that the Office of Personnel Management (OPM) will place on terms and phrases frequently used in dividing benefits. These guidelines are intended not only for the use of OPM, but also for the legal community as a whole, with the hope that by informing attorneys, in advance, about the manner in which OPM will interpret terms written into court orders, the resulting orders will be more carefully drafted, using the proper language to accomplish the aims of the court.

A substantial number of State court orders are drafted under the mistaken belief that the Employee Retirement Income Security Act (ERISA) (29 U.S.C. 1001 et seq.) applies to CSRS benefits. Sections 1003(b)(1) and 1051 of title 29, United States Code, exempt CSRS from ERISA, because CSRS is a "governmental plan" as defined in section 1001(23) of title 29, United States Code. Accordingly, OPM does not honor ERISA Qualifying Domestic Relations Orders (QDRO's) except to the extent that the law governing CSRS expressly authorizes compliance with State court orders. OPM will honor the orders to the extent permitted by CSRS. However, many provisions of ERISA QDRO's are not authorized under CSRS. Most significantly, a court cannot require that payments to the former spouse begin before the employee actually retires (i.e., begins to receive benefits) and, unless the order expressly provides that the former spouse is entitled to a survivor annuity, the payments to the former spouse cannot continue after the employee dies.

1. Computations Generally

A. Adjustments affecting court-awarded benefits. 1. Orders that award adjustments to a former spouse stated in terms such as "cost-of-living adjustments" or "COLAs" occurring after the date of the decree will be interpreted to award increases equal to the adjustments described in or effected under section 8340 of title 5, United States Code until the date of retirement.

3. Unless otherwise specified in the order, adjustments described in section 8340 of title 5, United States Code will be applied after the date of retirement.

B. Application of COLAs. 1. Unless the court directly and unequivocally orders otherwise, decrees that divide annuities either on a percentage basis or by use of a formula will be interpreted to entitle the former spouse to salary adjustments occurring after the date of the decree and cost-of-living adjustments occurring after the date of the decree or occurring after the date of the employee's retirement, whichever comes later.

2. On the other hand, decrees that award a former spouse a specific dollar amount from the annuity will be interpreted as excluding salary and cost-of-living adjustments after the date of the decree, unless the court expressly orders their inclusion.

3. Orders that contain a general instruction to calculate the former spouse's share effective at the time of divorce or separation will not be interpreted to prevent the inclusion of salary adjustments occurring after the specified date. To prevent the application of salary adjustments after the date of the divorce or separation, the decree must state the exact dollar amount of the award to the former spouse or specifically state that salary adjustments after the specified date are to be disregarded in computing the former spouse's share.

4. Orders that require OPM to compute a benefit as of a specified date, and specifically state that salary adjustments after the specified date are to be disregarded in computing the former spouse's share will not be interpreted to prevent the application of COLAs.
after the date of the Federal employee’s retirement. To award COLAs between the specified date and the Federal employee’s retirement, the order must specifically state that the former spouse will receive the benefit of any COLAs occurring between the specified date and the date of the Federal employee's retirement. To prevent the application of COLAs before the retirement date, the decree must either state the exact dollar amount of the award to the former spouse or specifically state that the former spouse will not receive the benefit of COLAs occurring after the date of the Federal employee’s retirement.

C. Present value. 1. Orders that award a portion of the “present value” of an annuity will not be honored unless the amount of the “present value” is stated in the order. (See 5 CFR 838.1004(b)).

2. Orders that award a portion of the “present value” of an annuity stated in the order will be interpreted as awarding “a specific dollar amount.” Unless the court specifically states otherwise, such an award payable from a monthly annuity benefit will be paid in equal installments at 50 percent of the monthly annuity rate at the time of retirement or the date of the order, whichever comes later, until the specific dollar amount is reached.

3. Orders that award a portion of the “value” of an annuity as of a specific date before retirement, without specifying what “value” is, will be interpreted as awarding a portion of the annuity equal to the monthly annuity rate at the time of retirement times a fraction, the numerator of which is the number of months of “creditable service” or service worked as of the date specified and the denominator of which is the total number of months as of the time of retirement of “creditable service” or service worked, whichever term is used in the court order. (See III. C. of these Guidelines.)

4. Orders that contain general language awarding a specified portion of a Federal employee’s “retirement benefits” as of a specified date before retirement, but do not specify whether OPM should use “creditable service” or “service worked” as of the date specified to complete the computation, will be interpreted to award a portion of the annuity equal to the monthly annuity rate at the time of retirement times a fraction, the numerator of which is the number of months of service worked as of the date specified and the denominator of which is the number of months of “creditable service” as of the time of retirement.

D. Annuity as of a date before retirement. Orders that award a portion of an employee’s annuity as of a specified date before the employee's retirement will be interpreted as awarding a portion of the annuity equal to the monthly annuity rate at the time of retirement times a fraction, the numerator of which is the number of months of “creditable service” or service worked as of the date specified and the denominator of which is the number of months of “creditable service” as of the time of retirement.

E. Formulas or percentage instructions. Orders that contain both a formula or percentage instruction and a dollar amount will be interpreted as including the dollar amount only as the court’s estimate of the initial amount of payment. The formula or percentage instruction will control.

F. Computation limited to a particular period of employment. In order to limit the computation of benefits to a particular period of employment, the court order must use language expressly limiting the period of service to be included in the computation. General language such as “benefits accrued as a result of employment with the U.S. Postal Service * * *” will be interpreted to mean only that CSRS retirement benefits are subject to division (see V.A. of appendix A to subpart J of part 838). Such language will not be interpreted to limit the period of service included in the computation (i.e., service performed with other Government agencies will be included). To limit the period of service, the court order should specify the number of months to be included in the computation or should describe specifically the period of employment.” (e.g., “only U.S. Postal Service” or “exclusive of any service other than U.S. Postal Service employment” or “only service performed during the period Petitioner and Defendant were married” or “benefits based on service performed through the date of divorce,” etc.).

G. Amounts less than $12 per year. Orders awarding a former spouse less than $12 per year are qualifying court orders. Such orders will be interpreted as an award of $1 per month.

II. TYPES OF ANNUITY

A. Gross annuity will be interpreted as the amount of the annuity payable after any applicable survivor reduction but before any other deduction.

B. 1. To divide an annuity before any applicable survivor reduction, the decree must contain language to the effect that the division is to be made on the self-only annuity, the life-rate annuity, or the annuity unreduced for survivor benefit, or equivalent language. A division of “gross annuity” will not accomplish this purpose.

2. To divide an annuity before the social security offset under section 830 of title 5, United States Code, the order must expressly state that the division is to occur before the social security offset. The term “unreduced annuity” will mean annuity after the social security offset.
Pt. 838, Subpt. J, App. A

C. Net annuity or disposable annuity will be interpreted to mean net annuity as defined in §838.1003.

D. Orders that fail to state the type of annuity that they are dividing will be interpreted as dividing gross annuity (defined above).

E. Orders dividing a “retirement check” will be interpreted as dividing net annuity (as defined in §838.1003).

III. Calculating Time

A. The smallest unit of time that will be used in computing a formula in a decree is a month.

1. This policy is based on section 8332 of title 5, United States Code, that allows credit for service for years or twelfth parts thereof. Requests to calculate smaller units of time will not be honored.

2. Time calculations by the Office of Personnel Management will be no more precise than years and twelfth parts, even where the court order directs OPM to make a more precise calculation. However, if the court order states a formula using a specified simple or decimal fraction other than twelfth parts, OPM will use the specified number to perform simple mathematical computations. For example, the share of a former spouse awarded a portion of the annuity equal to \( \frac{1}{2} \) of the fraction whose numerator is 12.863 years and whose denominator is the total service on which the annuity is based would be computed by taking \( \frac{1}{2} \) of the quotient obtained by dividing 12.863 by the total service measured in years and twelfth parts.

B. The term “military service” will generally be interpreted to include only periods of service within the definition of military service contained in section 8331(13) of title 5, United States Code, i.e., active duty military service. Civilian service with military organizations will not be included as “military service,” except where the exclusion of such civilian service would be manifestly contrary to the intent of the court order.

C. 1. Unused sick leave is counted as “creditable service” on the date of separation for immediate retirement; it is not apportioned over the time when earned.

2. When an order contains a formula for dividing annuity that requires a computation of service worked as of a date prior to separation and using terms such as “years of service,” “total service,” or similar terms, the time attributable to unused sick leave will not be included.

3. When an order contains a formula for dividing annuity that requires a computation of “creditable service” (or some other phrase using “credit” or its equivalent) as of a date prior to retirement, unused sick leave will be included in the computation as follows—

   (i) If the amount of unused sick leave is specified, the order will be interpreted to award a portion of the annuity equal to the monthly annuity at retirement times a fraction, the numerator of which is the number of months of “creditable service” as of the date specified plus the number of months of unused sick leave specified and whose denominator is the number of months of “creditable service” used in the retirement computation.

   (ii) If the amount of unused sick leave is not specified, the order will be interpreted to award a portion of the annuity equal to the monthly rate at the time of retirement times a fraction, the numerator of which is the number of months of “creditable service” as of the date specified (no sick leave included) and whose denominator is the number of months of “creditable service” used in the retirement computation.

IV. Distinguishing Between Divisions of Annuity and Refunds of Contributions

A. Orders that are unclear about whether they are dividing an annuity or a refund of contributions will be interpreted as dividing an annuity.

B. Orders using “annuities,” “pensions,” “retirement benefits,” or similar terms will be interpreted as dividing an annuity and whatever other employee benefits become payable, such as refunds. Orders using “contributions,” “deductions,” “deposits,” “retirement accounts,” “retirement fund,” or similar terms will be interpreted as dividing the amount of contributions the employee has paid into the Civil Service Retirement Fund. Unless the court order specifically states otherwise, when an annuity is payable, such orders will be paid in equal monthly installments at 50 percent of the monthly annuity at the time of retirement or the date of the order, whichever comes later, until the specific dollar amount is reached.

V. Identifying Benefits Affected

A. Orders that do not specify what pension or retirement benefits are to be divided will not be interpreted as dividing CSRS benefits. Terms such as “CSRS,” “United States,” “OPM,” “Federal Government,” “postage,” “Postal Service retirement benefits,” “re- tirement benefits payable based on service with the U.S. Department of Agriculture,” or similar terms will be considered sufficient to identify civil service retirement benefits for division.

B. Except as provided below, orders directed at other retirement systems will not be interpreted as affecting CSRS benefits.

1. Orders that mistakenly label CSRS benefits as Federal Employees Retirement System (FERS) benefits, will be interpreted as dividing CSRS benefits and vice versa.

2. Unless the order expressly provides otherwise, for employees transferring to FERS, orders directed at CSRS benefits will be interpreted as applying to the entire FERS.
GUIDELINES FOR INTERPRETING STATE COURT ORDERS AWARDING SURVIVOR ANNUITY BENEFITS TO FORMER SPOUSES

UNITED STATES OF AMERICA
OFFICE OF PERSONNEL MANAGEMENT
RETIREMENT AND INSURANCE GROUP

GUIDELINES FOR INTERPRETING STATE COURT ORDERS AWARDING SURVIVOR ANNUITY BENEFITS TO FORMER SPOUSES

These guidelines explain the interpretation that the Office of Personnel Management (OPM) will place on terms and phrases frequently used in awarding survivor benefits. These guidelines are intended not only for the use of OPM, but also for the legal community as a whole, with the hope that by informing attorneys, in advance, about the manner in which OPM will interpret terms written into court orders, the resulting orders will be more carefully drafted, using the proper language to accomplish the aims of the court.

I. INSURABLE INTEREST ANNUITIES

Two types of potential survivor annuities may be provided by retiring employees to cover former spouses. Section 8341(h) of title 5, United States Code, provides for “former spouse annuity.” Section 8339(k) of title 5, United States Code, provides for “insurable interest annuities.” These are distinct benefits, each with its own advantages.

A. OPM will enforce State court orders to provide section 8341(h) annuities. These annuities are less expensive and have fewer restrictions than insurable interest annuities but the former spouse's interest will automatically terminate upon remarriage before age 55. To provide a section 8341(h) annuity, the order must use terms such as “former spouse annuity,” “section 8341(h) annuity,” or “survivor annuity.”

B. OPM will not enforce State court orders to provide “insurable interest annuities” under section 8339(k). These annuities may only be elected at the time of retirement by a retiring employee who is not retiring under the disability provision of the law and who is in good health. The retiree may also elect to cancel the insurable interest annuity to provide a survivor annuity for a spouse acquired after retirement. The parties might seek to provide this type of annuity interest if the non-employee spouse expects to remarry before age 55, if the employee expects to remarry a younger second spouse before retirement, or if another former spouse has already been awarded a section 8341(h) annuity. However, the State court will have to provide its own remedy if the employee is not eligible for or does not make the election. OPM will not enforce the order. Language including the words “insurable interest” or referring to section 8339(k) will be interpreted as providing for this type of survivor benefit.

C. In orders which contain internal contradictions about the type of annuity, such as “insurable interest annuity under section 8341(h),” the section reference will control.

II. ORDERS DIRECTED AT OTHER RETIREMENT SYSTEMS

A. Except as provided in paragraphs A1 and A2, orders directed at other retirement systems will not be interpreted as affecting Civil Service Retirement System (CSRS) benefits.

1. Orders that mistakenly label CSRS benefits as Federal Employee’s Retirement System (FERS) benefits, will be interpreted as affecting CSRS benefits and vice versa.

2. Unless the order expressly provides otherwise, for employees transferring to FERS, orders directed at CSRS benefits will be interpreted as applying to the entire FERS basic benefit, including the CSRS component, if any.
S. Orders that provide that the former spouse shall elect a former spouse annuity benefit contingent upon the employee's or annuitant's remarriage rather than his or her election of survivor annuity benefits for a subsequent spouse. (See 5 CFR 838.1004(b).)
Office of Personnel Management § 838.1121

REGULATORY STRUCTURE

§ 838.1101 Purpose and scope.
(a) This subpart regulates the procedures that the Office of Personnel Management will follow upon the receipt of claims arising out of child abuse judgment enforcement orders.
(b) This subpart prescribes—
(1) The circumstances that must occur before employee annuities or refunds of employee contributions are available to satisfy a child abuse judgment enforcement order; and
(2) The procedures that a child abuse creditor must follow when applying for a portion of an employee annuity or refund of employee contributions based on a child abuse judgment enforcement order.

AVAILABILITY OF FUNDS

§ 838.1111 Amounts subject to child abuse judgment enforcement orders.
(a)(1) Employee annuities and refunds of employee contributions are subject to child abuse enforcement orders only if all of the conditions necessary for payment of the employee annuity or refund of employee contributions to the former employee have been met, including, but not limited to—
(i) Separation from the Federal service;
(ii) Application for payment of the employee annuity or refund of employee contributions by the former employee; and
(iii) Immediate entitlement to an employee annuity or refund of employee contributions.
(2) Money held by an employing agency or OPM that may be payable at some future date is not available for payment under child abuse judgment enforcement orders.
(3) OPM cannot pay a child abuse creditor a portion of an employee annuity before the employee annuity begins to accrue.
(b) Waivers of employee annuity payments under the terms of section 8345(d) or section 8465(a) of title 5, United States Code, exclude the waived portion of the annuity from availability for payment under a child abuse judgment enforcement order if such waivers are postmarked or received before the date that OPM receives the child abuse judgment enforcement order.

APPLICATION, PROCESSING, AND PAYMENT PROCEDURES AND DOCUMENTATION REQUIREMENTS

§ 838.1121 Procedures and requirements.
(a) Except as otherwise expressly provided in this part, the procedures and requirements applicable to legal process under part 581 of this chapter apply to OPM’s administration of child abuse judgment enforcement orders.
(b)(1) OPM will accept for processing any legal process under part 581 of this chapter that appears valid on its face.
(ii) After OPM has determined that a child abuse judgment enforcement order is valid on its face, OPM will not entertain any complaint concerning the validity of the order. Such complaints must be presented to authorities having jurisdiction to review the validity of the legal process.
(ii) OPM will not delay compliance with a child abuse judgment enforcement order based on any complaint concerning the validity of the order unless instructed to do so by an appropriate authority under the law of the jurisdiction issuing the legal process, the office of the United States Attorney for the jurisdiction issuing the legal process, or the U.S. Department of Justice.
(c)(1) The address for service of a child abuse judgment enforcement order is provided in appendix A to subpart A of this part.
(ii) OPM considers service of legal process by mailing or delivery of the child abuse judgment enforcement order to the designated address appropriate service notwithstanding more formal requirements imposed on creditors under State law.
(ii) OPM will execute forms required under a State procedure to waive any right to more formal procedures for service of legal process than specified in paragraph (c)(2)(i) of this section.

§ 841.103 Definitions.

In this subpart—

CSRS means the Civil Service Retirement System as described in subchapter III of chapter 83 of title 5, United States Code.

FERS means the Federal Employees Retirement System as described in chapter 84 of title 5, United States Code.

§ 841.104 Special terms defined.

(a) Unless otherwise defined for use in any subpart, as used in connection with FERS (parts 841 through 846 of this chapter), terms defined in section 8401 of title 5, United States Code, have the same meanings assigned to them by that section.
§ 841.105 Administration of FERS.

(a) OPM has charge of the adjudication of all claims for basic benefits arising under FERS and of all matters directly or indirectly concerned with these adjudications.

(b) In the adjudication of claims arising under FERS, OPM will consider and take appropriate action on counterclaims filed by the Government as set-offs against amounts payable from the Civil Service Retirement Fund.

§ 841.106 Basic records.

(a) Agencies having employees or Members subject to FERS must establish and maintain retirement accounts for those employees and Members.

(b)(1) The individual retirement record required by § 841.504(c) is the basic record for action on all claims for annuity or refund, and those pertaining to deceased employees, deceased Members, or deceased annuitants.

(2) When the official records repository for the records in question certifies that the records in question are lost, destroyed, or incomplete, OPM will accept such inferior or secondary evidence that it considers appropriate under the circumstances, and such inferior or secondary evidence is then admissible.

(3) Except as provided in paragraph (b)(2) of this section, inferior or secondary evidence will not be considered.

§ 841.107 Computation of interest.

Interest, when applicable, will be computed under subpart F of this part.
competent jurisdiction, it may be released to the court, but with a written notice that it is released under protest.

(4) Except as provided in paragraphs (a)(2) and (a)(3) of this section, OPM will not disclose information from the files, records, reports, or other papers and documents pertaining to a claim filed with OPM, whether potential, pending, or adjudicated. This information is privileged and confidential.

(b) On written request OPM will return, to the person entitled to them, certificates of discharge, adoption papers, marriage certificates, decrees of divorce, letters testamentary or of administration, when they are no longer needed in the settlement of the claim. If papers returned constitute part of the material and essential evidence in a claim, OPM will retain copies of them or of the parts of them that appear to be of evidentiary value.

§ 841.109 Computation of time.

In computing a period of time for filing documents, the day of the action or event after which the designated period of time begins to run is not included. The last day of the period is included unless it is a Saturday, a Sunday, or a legal holiday; in this event, the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

§ 841.202 Applications required.

(a) No benefit is payable under FERS, until after the claimant has applied for the benefit in the form prescribed by OPM.

(b) An employee, Member, or survivor may exercise any option or make any election authorized by FERS only in the form prescribed by OPM.

§ 841.203 Withdrawal of applications.

As provided in §550.805, any FERS payments must be deducted from any back pay award.

MSPB means the Merit Systems Protection Board described in chapter 12 of title 5, United States Code.

Retiree means a former employee or Member who is receiving recurring payments under FERS based on service by the employee or Member. Retiree for purposes of determining a person’s status at the time of death means that the person had been separated from the service and had met all the requirements to receive an annuity including having filed an application for the annuity prior to his or her death.

Separated employee means a former employee or Member who has been separated from the service but who has not met all the requirements for retirement under FERS or who has not filed an application for retirement under FERS.

(b) Survivors filing applications for death benefits based on the death of an employee may file their applications with OPM.

§ 841.305 Decisions subject to reconsideration.

(a) A OPM decision under FERS is subject to reconsideration by OPM, whenever the decision is in writing and states the right to reconsideration.

(b) OPM will reconsider a decision subject to reconsideration under §841.306. A decision subject to reconsideration is not subject to appeal under §841.308.

§ 841.306 Reconsideration.

(a) Who may file. Except as noted in paragraph (b) of this section, any individual whose rights or interests under FERS are affected by an OPM decision (under §841.305) stating the right to request reconsideration may request OPM to review its initial decision.

(b) Actions covered elsewhere. (1) A request for reconsideration of termination of annuity payments under 5 U.S.C. 8311 through 22 will be made in accordance with the procedures set out in subpart K of part 831 of this chapter.

(2) A request for reconsideration of a decision to collect a debt will be made in accordance with §845.204(b).

(3) A decision on court orders affecting FERS benefits will be made in accordance with subpart I of this part.

(c) Reconsideration. A request for reconsideration, when applicable, must be in writing, must include the applicant's name, address, date of birth and claim number, if applicable, and must state the basis for the request.

(d) Time limits on reconsideration. (1) A request for reconsideration must be received by OPM within 30 calendar days from the date of the initial decision.

(2) The Associate Director's representative responsible for reconsiderations may extend the time limit for filing when the requestor shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

(e) Final decision. After any applicable reconsideration, the Associate Director's representative will issue a final decision that must be in writing, must fully set forth the findings and conclusions of the reconsideration, and must contain notice of the right to request an appeal provided in §841.308. Copies of the final decision must be sent to the individual, to any competing claimants and, where applicable, to the agency.

§ 841.307 Final decisions without reconsideration.

OPM may issue a final decision providing the opportunity to appeal under §841.308 rather than an opportunity to request reconsideration under §841.306. Such a decision must be in writing and state the right to appeal under §841.308.

§ 841.308 Appeals to MSPB.

Except as noted in this paragraph, an individual whose rights or interests under FERS are affected by a final decision of OPM may request MSPB to review the decision in accord with procedures prescribed by MSPB. Decisions made in accord with the procedures referenced in §841.306(b)(1) are made under subchapter II of chapter 83, title 5, United States Code. Such decisions are not appealable to MSPB under section 8461(e) of title 5, United States Code.

§ 841.309 Competing claimants.

(a) Competing claimants are applicants for survivor benefits based on the service of an employee, separated employee, or retiree when—

(1) A benefit is payable based on the service of the employee, separated employee, or retiree; and

(2) Two or more claimants have applied for benefits based on the service of the employee, separated employee, or retiree; and

(3) An OPM decision in favor of one claimant will adversely affect another claimant(s).

(b) In cases involving competing claimants, the Associate Director or his or her designee will issue a final decision that will be in writing, will fully set forth findings and conclusions, and will contain notice of the right to appeal provided in §841.308. Copies of the final decision will be sent to all competing claimants.
§ 841.401

(c)(1) When OPM receives applications from competing claimants before any payments are made based on the service of the employee or Member, OPM will begin payments to the claimant(s) found entitled in the decision issued under paragraph (b) of this section.

(2) When OPM does not receive an application from a competing claimant(s) until after another person has begun to receive payments based on the service of the employee or Member, the payments will continue until a decision is issued under paragraph (b) of this section. When a decision is issued under paragraph (b) of this section, OPM will—

(i) If OPM affirms its earlier decision, continue payments to the claimant(s) OPM originally determined to be entitled; or

(ii) If OPM reverses its earlier decision, suspend payment to the claimant(s) OPM determines to be entitled in its decision under paragraph (b) of this section. OPM will not take action to collect the overpayment until the time limit for filing an appeal has expired or the MSPB has issued a final decision on a timely appeal, whichever comes later.

[52 FR 25196, July 6, 1987]

§ 841.404  Demographic factors.
(a) The Office of Personnel Management (OPM) will consider the factors listed below in determining normal cost percentages. To the extent data are available for the factor by specific category of employees, such data will be used. To the extent category specific data are not available, the most relevant available data will be used.
(1) Distributions of new entrants by age, sex, and service;

(b) Generally, each rate, ratio, or fraction must be separately considered to determine the rates for males and their survivors and the rates for females and their survivors, except those rates for child survivors and merit salary increases.

§ 841.405  Economic assumptions.
The determinations of the normal cost percentage will be based on the economic assumptions determined by the Board. When an agency’s case is based in whole or in part on the pattern of merit salary increases specific to the agency or to a category of employees within the agency, the Board may require modification of the economic assumptions concerning salary and wage growth to take into account the combined effect of merit and general wage and salary increases.

§ 841.406  Determination of normal cost percentages.
(a) OPM will determine the Government-wide normal cost percentage for each category of employees. These normal cost percentages will be used by all agencies that have not been granted a single agency rate under §841.412.
(b) Each normal cost percentage will be rounded to the nearest one-tenth of a percent.

§ 841.407  Notice of normal cost percentage determinations.
(a) No later than 5 years after the publication of a current notice of normal cost percentages, OPM will publish in the FEDERAL REGISTER a notice that will contain updated normal cost percentages.
(b) The notice of normal cost percentage will include a statement of—
(1) The Government-wide normal cost percentage and any single agency rates for each category of employees;
(2) The effective date of any changes made by the notice;
(3) The address for obtaining information on the data and assumptions used in computing the normal cost percentages;
(4) The time limit for submission of appeals under §841.409; and
(5) The address for filing an appeal under §841.409.

§ 841.408  Effective date of normal cost percentages.
(a) Except as provided in paragraph (b) of this section and in §841.412, normal cost percentages stated in a notice of normal cost percentages under §841.407 will be effective at the beginning of the first full pay period of the first fiscal year that commences at least 3 months after the date of publication of the notice.
(b) The initial normal cost percentages will be effective at the beginning of the first pay period on or after January 1, 1987.

§ 841.409  Agency appeal right.
(a) An agency with at least 1,000 employees in the general category of employees or 500 employees in any of the special categories may appeal to
the Board the normal cost percentage for that category as applied to that agency.

(2) The Secretary of the Treasury or the Postmaster General may request the Board to reconsider a determination of the amount of any supplemental liability due from the Treasury of the United States or the United States Postal Service, respectively.

(b) No appeal will be considered by the Board unless the agency files, no later than 6 months after the date of publication of the notice of normal cost percentages under §841.407, a petition for appeal that meets all the requirements of §841.410.

(c) No request for reconsideration will be considered by the Board unless the Secretary of the Treasury or the Postmaster General files, no later than 6 months after the date of receipt of the notice of supplemental liability, a request for reconsideration supported by an actuarial report similar to the report described in §841.410(c).

§ 841.411 Appeals procedure.

(a) A Government-wide normal cost percentage is presumed to apply to all agencies. Any agency appealing application of a Government-wide normal cost percentage to any category of employees in its workforce must demonstrate to the satisfaction of the Board that the normal cost percentage for that category of employees in that agency is significantly different from the Government-wide normal cost percentage.

(b) While an agency has an appeal pending, the Government-wide normal cost percentage continues to apply to that agency.

(c) The Board cannot consider an appeal unless all the documents required for a petition for appeal under §841.410(a) are filed before expiration of the time limit for an appeal.

(d) The Board cannot sustain an appeal unless the Board finds that—

(1) The data used in the agency’s actuarial analysis are sufficient and reliable (As a general rule, at least 5 years of data pertaining to any group of employees must be analyzed before the results are considered sufficient and reliable); and

(2) The assumptions used in the agency’s actuarial analysis are justified;
§ 841.412 Rates determined by appeal.

(a) If the Board finds that a different normal cost is warranted based on an agency appeal, it will establish a single agency rate for the category of employees in that agency.

(b) The single agency rate will be effective at the beginning of the first pay period beginning 30 days after the date of the Board’s decision.

(c) A single agency rate may be higher or lower than the Government-wide rate and will remain in force for not less than 3 years.

(d) After a single agency rate has been in force for at least 3 years, OPM may—

(1) Require, no more often than annually, that the agency justify continuation of the rate; and/or

(2) When it publishes a notice of normal cost percentages under §841.407, terminate the single agency rate.

§ 841.413 Determinations of amount due from each agency.

(a) For each pay period, each agency will determine the total amount of basic pay paid to employees in each category of employees.

(b) For each category of employees, the amount due from each agency for a pay period is the product of—

(1) The total amount of basic pay of employees in that category of employees in that agency; and

(2) The normal cost percentage.

Subpart E—Employee Deductions and Government Contributions

Source: 52 FR 2057, Jan. 16, 1987, unless otherwise noted.

§ 841.501 Purpose.

This subpart contains regulations concerning deductions from employees’ pay and government contributions for FERS coverage.

§ 841.502 Definitions.

In this subpart—

Employee means employee as defined in §842.102 of this chapter or Member as defined in section 8401(20) of title 5, United States Code.

Employee deduction means the portion of the normal cost of FERS coverage which is deducted from an employee's basic pay.

FERS means chapter 84 of title 5, United States Code.
§ 841.503 Amounts of employee deductions.

(a) Except as provided in paragraph (b) of this section, the rate of employee deductions from basic pay for FERS coverage is seven percent of basic pay minus the percent of tax which is (or would be) in effect for the payment, for the employee cost of social security.

(b) The rate of employee deductions from basic pay for FERS coverage for a Member, law enforcement officer, firefighter, air traffic controller, Congressional employee, or employee under section 302 of the Central Intelligence Agency Act of 1964 for certain employees is seven and one-half percent of basic pay, minus the percent of tax which is (or would be) in effect for the payment, for the employee cost of social security.

(c) Employee deductions will be at the rate in paragraph (a) or (b) of this section as if social security deductions were being made even if social security deductions have ceased because of the amount of earnings during the year, or are not made for any other reason.

§ 841.504 Agency responsibilities.

(a) Each employing agency is required to contribute the total amount of the normal cost percentage for each category of its employees, determined under § 841.413 of this part, to the Fund.

(b) Each employing agency must withhold the appropriate amount of employee deductions from the basic pay paid each covered employee for each pay period. No employee deduction is due if an employee receives no basic pay for a pay period.

(c) An employing agency must record the appropriate amount of employee deductions on an individual retirement record maintained for each employee in the manner prescribed by OPM.

(d) When an employee separates, transfers to another agency or to a position serviced by another payroll office, or transfers to a position in which he or she is not covered by FERS, the agency must close the employee's individual retirement record and forward it to OPM within the time standards prescribed by OPM.

(e) An agency must maintain payroll systems and records in such manner as to permit accurate and timely reporting to OPM, in the manner prescribed by OPM.

(f) An agency must report the employee deduction and agency contribution amounts for each pay period in the manner prescribed by OPM.

(g) An agency must make such other reports of the normal cost, employee deductions and Government contributions amounts as are prescribed and in the manner prescribed by OPM.

(h) An agency must remit in full the total amount of normal cost (which includes both employee deductions and Government contributions), so that payment is received by the Fund on the day of payment to the employee of the basic pay from which the employee deductions were made.

(i) Upon the death of an employee whose tour of duty is less than full time, the employing agency must certify to OPM—

1) The number of hours that the employee was entitled to basic pay (whether in a duty or paid-leave status) in the 52-week work year immediately preceding the end of the last pay period in which the employee was in a pay status; and

2) If the employee's tour of duty was part time (regularly scheduled), the number of hours of work in the employee's tour of duty.

[52 FR 2057, Jan. 16, 1987, as amended at 52 FR 25197, July 6, 1987]
§ 841.505 Correction of error.
(a) When it is determined that an agency has paid less than the correct total amount of the normal cost for any or all of its current or past employees, for any reason whatsoever, including but not limited to, coverage decisions, correction of the percentage applicable or of the amount of basic pay, or additional payment of basic pay, the agency must pay the total additional amount payable under 5 U.S.C. 8423 and subpart D of the this part to the Fund.
(b) The agency withholds the appropriate employee deduction from any payment of additional basic pay which is part of, or the result of, the corrective action.
(c) The payment to the Fund described in paragraph (a) of this section shall be made as soon as possible, but not later than provided by standards established by OPM, regardless of whether or not the portion which should have been deducted from employee basic pay is recovered by the agency.
(d) Any portion of the payment to the Fund described in paragraph (a) of this section which should have been deducted, but was not, from employee basic pay constitutes an overpayment of pay, subject to collection by the agency from the employee, unless waived under applicable authority such as 5 U.S.C. 5584.
(e) Corrections and the related agency payments and employee deductions will be reported to OPM in the manner prescribed by OPM.

§ 841.506 Effect of part 772 of this chapter on FERS payments.
(a) Agency notification to OPM. (1) When it is determined that a FERS employee is to be given interim relief under 5 U.S.C. 7701(b)(2)(A), the employing agency must notify OPM of the effective date of the interim appointment under §772.102 of this chapter. The notice must specify that the appointment is required by the Whistleblower Protection Act of 1989.
(2) When the MSPB initial decision cancelling the employee’s separation becomes final, when the Board issues a final order canceling the retiree’s separation, or when the agency agrees to cancel the separation, the employing agency must notify OPM of the date the interim appointment ends and request the amount of the erroneous payment to be recovered under §550.805(e) of this chapter from any back pay adjustment to which the employee may be entitled.
(b) Employee deductions and normal cost percentage. For the duration of the appointment, the agency will withhold the appropriate employee deduction and contribute the total amount of the normal cost percentage for the employee as prescribed by OPM. If and when a separation action is cancelled, the agency must make the corrections specified under §841.507 of this subpart.

§ 841.507 Correction of unjustified or unwarranted personnel action.
(a) When an “appropriate authority” determines that there has been an “unjustified or unwarranted personnel action” as these terms are defined in subpart H of part 550 of this title, the employing agency will pay the Fund the amount of the normal cost percentage of the basic pay included in back pay. The normal cost percentage owed the Fund is computed on the amount of gross basic pay without regard to deductions described in §550.805(e) of this chapter for other amounts earned or erroneous payments received.
(b) The agency will withhold the appropriate employee deductions from the amount of basic pay included in gross back pay giving due regard to deductions described in §550.805(e) of this chapter.
(c) The payment to the Fund described in paragraph (a) of this section shall be made within the time period established by OPM standards.
(d)(1) Any FERS benefits—lump-sum payments or annuity benefits—paid based on a separation that is later cancelled are considered erroneous payments that must be repaid to OPM. Agencies must deduct such payments from any back pay adjustment to which the employee may be entitled as required by 5 CFR 550.805(e).
(2) Amounts recovered from back pay will not be subject to waiver consideration under 5 U.S.C. 8470(b). If there is
Office of Personnel Management

§ 841.605

no back pay, or the back pay is insufficient to recover the entire erroneous payment, the employee may request that OPM waive recovery of the uncollected portion of the overpayment. If waiver is not granted, the employee must repay the erroneous payment.

§ 841.508 Effective date.

The employee deductions specified in §841.503 are effective on the later of the first day of the first pay period beginning in 1987 or the first day an employee is covered by FERS.

Subpart F—Computation of Interest

SOURCE: 52 FR 12132, Apr. 15, 1987, unless otherwise noted.

§ 841.601 Purpose.

This subpart regulates the computation of interest under the Federal Employees Retirement System (FERS).

§ 841.602 Definitions.

Contributions or deductions means the amounts deducted from an employee’s pay or deposited as the employee’s share of the cost of FERS.

Individual Retirement Record means the record of individual retirement deductions required by §841.504.

Last year of service means the calendar year in which deductions stop on the Individual Retirement Record under consideration.

Unexpended balance means the unrefunded amount consisting of—

(a) Retirement deductions made from the basic pay of an employee under subpart E of part 841 of this chapter;

(b) Amounts deposited by an employee for periods of service (including military service) for which—

(1) No retirement deductions were made; or

(2) Deductions were refunded to the employee; and

(c) Interest compounded annually on the deductions and deposits at a rate which, for any calendar year, will be equal to the overall average yield to the Civil Service Retirement Fund during the preceding fiscal year from all obligations purchased by the Secretary of the Treasury during that fiscal year under section 8348(c), (d), and (e) of title 5, United States Code, as determined by the Secretary of the Treasury. Interest on deductions and deposits does not include interest—

(1) If the service covered by the deductions totals 1 year or less; or

(2) For a fractional part of a month in the total service.

Year of the computation means the calendar year when the unexpended balance is being computed.

§ 841.603 Rate of interest.

For calendar year 1985 and for each subsequent calendar year, OPM will publish a notice in the Federal Register to notify the public of the interest rate that will be in effect during that calendar year.

§ 841.604 Interest on service credit deposits.

(a) Interest on civilian service credit deposits is computed under §842.305 of this chapter.

(b) Interest on military service credit deposits is computed under §842.307 of this chapter.

[52 FR 12132, Apr. 15, 1987, as amended at 57 FR 32155, July 21, 1992]

§ 841.605 Interest included in the unexpended balance.

(a) Interest on each Individual Retirement Record is computed separately.

(b) For determining the amount of interest in the unexpended balance when none of the employee deductions have been returned (e.g., employee refunds or at the time of retirement), the amount of interest in the unexpended balance equals the sum of the amounts of interest applicable to each calendar year’s deductions. The amount of interest on each calendar year’s deductions equals the sum of—

(1) For the calendar year in which the deductions were taken—

(i) Except during the last year of service, the amount of the employee's deductions for that calendar year times the rate of interest set under §841.603
§ 841.606 Interest on survivor reduction deposits.

Interest on deposits under subpart F of part 842 of this chapter is compounded annually and accrued monthly.

(a) The initial interest on each monthly difference between the reduced annuity rate and the annuity rate actually paid equals the amount of the monthly difference times the difference between—

(1) One and six tenths raised to the power whose numerator is the number of months between the date when the monthly difference in annuity rates occurred and the date when the initial interest is computed and whose denominator is 12; and

(2) One.

(b) The total initial interest due is the sum of all of the initial interest on each monthly difference computed in accordance with paragraph (a) of this section.

(c) Additional interest on any uncollected balance will be compounded annually and accrued monthly. The additional interest due each month equals the remaining balance due times the difference between—

(1) One and six tenths raised to the $\frac{1}{12}$ power; and

(2) Each month after retirement, the unexpended balance is reduced by the amount of annuity paid and interest is added to the remaining portion at the rate computed as follows:

(i) Add one to the interest rate under §841.603 for the current year.

(ii) Raise the sum produced under paragraph (c)(2)(i) of this section to the $\frac{1}{12}$ power.

(iii) Subtract one from the result of paragraph (c)(2)(ii) of this section to produce the interest rate for the month.

(d)(1) Interest on payments of the unexpended balance will be paid for the month unless the payment has been authorized before the 5th workday before the end of the month (excluding the 31st day of 31-day months).

(2) For the purposes of paragraph (d)(1) of this section, payment is authorized when the person with authority to approve the claim approves payment.

§ 841.606 Interest on survivor reduction deposits.

Interest on deposits under subpart F of part 842 of this chapter is compounded annually and accrued monthly.

(a) The initial interest on each monthly difference between the reduced annuity rate and the annuity rate actually paid equals the amount of the monthly difference times the difference between—

(1) One and six tenths raised to the power whose numerator is the number of months between the date when the monthly difference in annuity rates occurred and the date when the initial interest is computed and whose denominator is 12; or

(ii) If it is the same calendar year that the deductions were withheld, the amount of the employee’s deductions plus interest for prior years, times the rate of interest set under §841.603 for that year times the fraction whose numerator is the number of full months that have been completed in the year of the computation and whose denominator is 12.

(3) For the purpose of the computation—

(ii) If it is the same calendar year that the deductions were withheld, the amount of the employee’s deductions for that year times the rate of interest set under §841.603 for that year times the fraction—

(2) One for each full month of that year after the employee’s service terminated; and

(B) Whose denominator is 12.

(c)(1) For the purpose of the computation—

(i) If it is not the same calendar year that the deductions were withheld, the amount of the employee’s deductions plus interest for prior years, times the rate of interest set under §841.603 for that year times the fraction whose numerator is the number of full months that have been completed in the year of the computation and whose denominator is 12.

(ii) If it is the same calendar year that the deductions were withheld, the amount of the employee’s deductions for that year times the rate of interest set under §841.603 for that year times the fraction—

(2) One for each full month of that year after the employee’s service terminated; and

(B) Whose denominator is 12.

(c)(1) For the purpose of the computation—

(i) If it is not the same calendar year that the deductions were withheld, the amount of the employee’s deductions plus interest for prior years, times the rate of interest set under §841.603 for that year times the fraction whose numerator is the number of full months that have been completed in the year of the computation and whose denominator is 12.

Subpart G—Cost-of-Living Adjustments

§ 841.703 Increases on basic annuities and survivor annuities.

(a) Except as provided in §§ 841.704, 841.705, and 841.707, and paragraph (e) of this section, COLA’s on basic annuities and survivor annuities are computed under § 845.205(b).
§ 841.704  Proration of COLA's.

(a) The full amounts of COLA's are payable on annuities having a commencing date more than 11 months before the effective date.

(b)(1) Prorated portions of COLA's are payable on annuities having a commencing date within 11 months before the effective date.

(2) Proration is based on the number of months (with any portion of a month counting as a month) between the annuity commencing date and the effective date.

(3) For survivors of deceased retirees, proration is determined by the date the annuity was first payable to the deceased retiree.

(4) Proration applied to the assume social security disability insurance benefit is based on the commencing date of the disability annuity, not the beginning of the social security disability benefit.

§ 841.705  Increases on basic employee death benefits.

(a) COLA's on the basic employee death benefit increase the $15,000 component by the percentage change.

(b) Recipients of the basic employee death benefit are entitled to COLA's if the employee or Member died on or after the effective date.

§ 841.706  Increases on combined CSRS/FERS annuities.

(a) COLA's on combined CSRS/FERS annuities are computed by increasing the CSRS component by the percentage change and the FERS component by the amount of COLA's under §841.703(a).

(b) The initial monthly rate is computed by—

(1) Applying CSRS rules to CSRS service to obtain the annual rate of the self-only annuity (as defined in §831.603 of this chapter) based on the CSRS service; then

(2) Applying FERS rules to FERS service to obtain the annual rate of annuity determined under §§842.403,
§ 841.708 Special provisions affecting retired military reserve technicians.

(a) Military reserve technicians who retire as a result of a medical disability are excepted from the bar against COLA increases for retirees under age 62.

(b) Military reserve technicians have retired as a result of a medical disability if they retire under—

(1) Section 8451(a)(1)(B) of title 5, United States Code (allowing retirement by military reserve technicians who are medically disabled for their positions); or

(2) Section 8456 of title 5, United States Code (allowing retirement by military reserve technicians who are not disabled for their positions and who are not eligible under the special military technician discontinued service provisions (section 8414(c)) but who are medically disqualified for military service or the rank required to hold their positions).

(c)(1) Military reserve technicians have not retired as a result of a medical disability if they retire under section 8414(c) of title 5, United States Code (allowing retirement by military reserve technicians who may not be disabled for their positions, but are medically or nonmedically disqualified for military service or the rank required to hold the position, and who are at least age 50 with 25 years of service), unless they provide OPM official documentation showing that their disqualification was for medical reasons.

(2) When OPM receives no information about the reason for the disqualification of a military reserve technician retiring under section 8414(c) of title 5, United States Code, OPM will process the case assuming that the disqualification was for nonmedical reasons. OPM will inform these retirees that they will not receive COLA’s until they reach age 62 unless they provide an official certification from the military showing that their disqualification was for medical reasons.

Subpart H—Waiver of Benefits

SOURCE: 52 FR 2058, Jan. 16, 1987, unless otherwise noted.
§ 841.801 Purpose.
This subpart regulates the statutory provision on waiver of annuity benefits under the Federal Employees' Retirement System.

§ 841.802 Definitions.
As used in this subpart—
Annuitant means a person receiving or who is entitled and has made application to receive retirement or survivor benefits under subchapter II, IV, or V of chapter 84 of title 5, United States Code.
Annuity means the gross monthly annuity rate payable before any authorized deductions (such as those for health benefits and life insurance premiums).
Qualifying court order means a court order acceptable for processing as defined in §838.103 of this chapter or a qualifying court order as defined in §838.1003 of this chapter.
Waiver means an annuitant’s written request to forfeit a specified amount of annuity as described in this subpart.

§ 841.803 Waiver of annuity.
(a) An annuitant may decline to accept all or any part of the amount of his or her annuity by a waiver signed and filed with the Office of Personnel Management (OPM).
(b) A waiver is effective the first day of the month in which it is received in OPM, unless a later effective date is specified by the annuitant.
(c) A waiver remains in effect until revoked or changed by the annuitant in writing, except as provided in paragraph (f) of this section. The effective date of a revocation or change will be the first day of the month in which the request to revoke or change is received in OPM, unless a later date is specified by the annuitant.
(d) The amount of annuity that is waived is forfeited during the period the waiver is in effect and cannot be recovered.
(e) An annuity which has a waiver in effect will not be increased by cost-of-living adjustments (COLA) authorized under 5 U.S.C. 8462. Upon cancellation of a waiver, the rate of annuity will be increased by any COLA authorized during the period a waiver was in effect.
(f) Upon the death of an annuitant with a waiver in effect, any survivor annuity payable will be authorized at the full rate of annuity as though the waiver had not been in effect, unless the survivor annuitant executes a waiver.

§ 841.804 Waivers and court orders.
The effect of a qualifying court order on a waiver is controlled by §838.111(c) of this chapter.

Subpart I—[Reserved]

Subpart J—State Income Tax Withholding

SOURCE: 52 FR 5432, Feb. 23, 1987, unless otherwise noted.

§ 841.1001 Purpose.
This subpart regulates state income tax withholding from payments of basic benefits under the Federal Employees Retirement System (FERS).

§ 841.1002 Definitions.
For the purpose of this subchapter:
Agreement means the Federal-State agreement contained in this subpart.
Annuitant means an employee or Member retired, or a spouse, widow, or widower receiving survivor benefits, under chapter 84 of title 5, United States Code.
Effective date means, with respect to a request or revocation, that the request or revocation will be reflected in payments authorized after that date, and before the next request or revocation is implemented.
Fund means the Civil Service Retirement and Disability Fund as established and described in section 8348 of title 5, United States Code.
Income tax and State income tax mean any form of tax for which, under a State statute, (a) collection is provided, either in imposing on employers generally the duty of withholding sums from the compensation of employees.
and making returns of such sums to the State or by granting to employers generally the authority to withhold sums from the compensation of employees, if any employee voluntarily elects to have such sums withheld; and (b) the duty to withhold generally is imposed, or the authority to withhold generally is granted, with respect to the compensation of employees who are residents of the State.

Net recurring payment means the amount of annuity or survivors benefits (not recurring interim payments made while a claim is pending adjudication) payable to the annuitant on a monthly basis less the amounts currently being deducted for health benefits, Medicare, life insurance, Federal income tax, overpayment of annuity, indebtedness to the Government, voluntary allotments, waivers, or being paid to a third party or a court officer in compliance with a court order or decree.

Net withholding means the amount of State income tax deductions withheld during the previous calendar quarter as a result of requests which designated the State as payee, less similar deductions taken from prior payments which are cancelled in the previous calendar quarter.

Proper State Official means a State officer authorized to bind the State contractually in matters relating to tax administration.

Received means, in respect to the magnetic tape containing requests and revocations, received at the special mailing address established by OPM for income tax requests, or, for those items not so received, received at the OPM data processing center charged with processing requests.

Requests means, in regard to a request for tax withholdings, a change in the amount withheld, or revocation of a prior request, a written submission from an annuitant in a format acceptable to the State which provides the annuitant’s name, FERS claim number, Social Security identification number, address, the amount to be withheld and the State to which payment is to be made, which is signed by the annuitant or, in the case of incompetence, his or her representative payee.

State means a State, the District of Columbia, or any territory or possession of the United States.

§ 841.1003 Federal-State agreements.

OPM will enter into an agreement with any State within 120 days of an application for agreement from the proper State official. The terms of the standard agreement will be §§ 841.1004 through 841.1007 of this subpart. OPM and the State may agree to additional terms and provisions, insofar as those additional terms and provisions do not contradict or otherwise limit the terms of the standard agreement.

§ 841.1004 OPM responsibilities.

OPM will, in performance of this agreement:

(a) Process the magnetic tape containing State tax transactions against the annuity roll once a month at the time monthly recurring payments are prepared for the United States Treasury Department. Errors that are identified will not be processed into the file, and will be identified and returned to the State for resolution via the monthly error report. Collections of State income tax will continue in effect until the State requesting the initial action supplies either a valid revocation or change. The magnetic tape must be received 35 days prior to the date of the check in which the transactions are to be effective. For example, withholding transactions for the July 1 check must be received 5 days prior to June 1. If the magnetic tape submitted by the State cannot be read, OPM will notify the State of this fact, and if a satisfactory replacement can be supplied in time for monthly processing, it will be processed.

(b) Deduct from the regular, recurring annuity payments of an annuitant the amount he or she has so requested to be withheld, provided that:

(1) The amount of the request is an even dollar amount, not less than Five Dollars nor more than the net recurring amount. The State may set any even dollar amount above Five Dollars as a minimum withholding amount.

(2) The annuitant has not designated more than one other State for withholding purposes within the calendar year. The State can set any limit on
the number of changes an annuitant may make in the amount to be withheld.

(c) Retain the amounts withheld in the Fund until payment is due.

(d) Pay the net withholding to the State on the last day of the first month following each calendar quarter.

(e) Make the following reports:

(1) A monthly report which will include all the State tax withholdings, cancellations and adjustments for the month, and also each request OPM was not able to process, with an explanation, in coded format, of the reason for rejection.

(2) A quarterly report which will include State, State address, quarterly withholdings, quarterly cancellations and adjustments, quarterly net withholdings and year-to-date amounts. Where cancelled or adjusted payments were made in a previous year, OPM shall append a listing of the cancelled or adjusted payments which shows the date and amount of each cancelled or adjusted tax withholding, and the name and Social Security identification number of the annuitant from whom it was withheld. If either party terminates the agreement and the amount of cancelled or adjusted deductions exceeds the amount withheld for the final quarter, then the quarterly report shall show the amount to be refunded to OPM and the address to which payment should be made.

(3) An annual summary report which contains the name, Social Security identification number, and total amount withheld from non-cancelled payments during the previous calendar year, for each annuitant who requested tax withholding payable to the State. In the event the annuitant had State income tax withholding in effect for more than one State in that calendar year, the report will show only the amount withheld for the State receiving the report.

(4) An annual report to each annuitant for whom State income taxes were withheld giving the amount of withholding paid to the State during the calendar year.

§ 841.1005 State responsibilities.

The State will, in performance of this agreement:

(a) Accept requests and revocations from annuitants who have designated that State income tax deductions will go to the State.

(b) Convert these requests on a monthly basis to a machine-readable magnetic tape using specifications received from OPM, and forward that tape to OPM for processing.

(c) Inform annuitants whose tax requests are rejected by OPM that the request was so rejected and of the reason why it was so rejected.

(d) Recognize that, to the extent not prohibited by State laws, records maintained by the State relating to this program are considered jointly maintained by OPM and are subject to the Privacy Act of 1974 (5 U.S.C. 552a). Accordingly, the States will maintain such records in accordance with that statute and OPM’s implementing regulations at 5 CFR part 297.

(e) Respond to requests of annuitants for information and advice in regard to State income tax withholding.

(f) Credit the amounts withheld from FERS annuities to the State tax liability of the respective annuitants, and, subject to applicable provisions of State law to the contrary, refund any balance over and above that liability to the annuitant, unless he or she should request otherwise.

(g) Surrender all tax withholding requests to OPM when this agreement is terminated or when the documents are not otherwise needed for this State tax withholding program.

(h) Allow OPM, the Comptroller General or any of their duly authorized representatives access to, and the right to examine, all records, books, papers or documents related to the processing of requests for State income tax withholding from FERS annuities.

§ 841.1006 Additional provisions.

These additional provisions are also binding on the State and OPM:

(a) A request or revocation is effective when processed by OPM. OPM will process each request by the first day of the second month following the month in which it is received, but incurs no liability or indebtedness by its failure to do so.

(b) Any amount deducted from an annuity payment and paid to the State as
a result of a request is deemed properly paid, unless the annuity payment itself is cancelled.

(c) OPM will provide the State with the information necessary to properly process a request for State income tax withholding.

(d) If the State is paid withholding which is contrary to the terms of the annuitant’s request, the State is liable to the annuitant for the amount improperly withheld, and subject to account verification from OPM, agrees to pay that amount to the annuitant on demand.

(e) In the case of a dispute amount in any of the reports described and authorized by this agreement, the Associate Director will issue an accounting. If the State finds this accounting unacceptable, it may then and only then pursue such remedies as are otherwise available.

(f) If a State received an overpayment of monies properly belonging to the Fund, OPM will offset the overpayment from a future payment due the State. If there are no further payments due the State, OPM will inform the State in writing of the amount due. Within 60 days of the date of receipt of that communication that State will make payment of the amount due.

§ 841.1007 Agreement modification and termination.

This agreement may be modified or terminated in the following manner:

(a) Either party may suggest a modification of non-regulatory provisions of the agreement in writing to the other party. The other party must accept or reject the modification within 60 calendar days of the date of the suggestion.

(b) The agreement may be terminated by either party on 60 calendar days written notice.

(c) OPM may modify this agreement unilaterally through the rule making process described in sections 553, 1103, and 1106 of title 5, United States Code.

§ 841.1008 Authority to use the Federal Personnel Manual System.

OPM may provide such further rules, procedural instructions, and operational guidance as may be necessary and proper under this subpart and not inconsistent therewith, in the Federal Personnel Manual System.

(a) Lack of social security coverage. An individual not covered by social security (title II of the Social Security Act and chapter 21 of the Internal Revenue Code of 1954), including an individual covered by full CSRS (and thereby excluded from social security coverage), is excluded from FERS coverage.
(b) Senior officials subject to social security coverage despite continuous service. An individual who has served without a break in service of more than 365 days since December 31, 1983, in one or more of the following positions is excluded from FERS coverage:

(c) Employees rehired after December 31, 1986, following a break in service. An employee who is rehired after December 31, 1986, who has had a break in service and who, at the time of the last separation from the service, had at least 5 years of civilian service credited under CSRS rules, any part of which was covered by CSRS or the Foreign Service Retirement System, is excluded from FERS coverage.

For the purposes of paragraph (c) and (d) of this section, “break in service” means a separation from CSRS-covered service lasting at least 4 days, or a transfer or separation of less than 4 days when the employee becomes subject to automatic coverage under social security (title II of the Social Security Act and chapter 21 of the Internal Revenue Code of 1954).

(f) Coverage under a retirement system for NAF employees. An employee who has elected coverage under a retirement system for NAF employees in accordance with part 847 of this chapter is excluded from FERS coverage during that and all subsequent periods of service, including service as a reemployed annuitant.

§ 842.105 Regulatory exclusions.

(a) OPM is authorized in 5 U.S.C. 8402(c)(1) to “exclude from the operation of this chapter an employee or group of employees in or under an Executive agency, the United States Postal Service, or the Postal Rate Commission, whose employment is temporary or intermittent, except an employee whose employment is part-time career employment (as defined in section 3401(2)).” Therefore, under this authority, OPM is excluding the following:

(2) Intermittent employees serving under other than career or career conditional appointments.

(b) When an employee who is covered by FERS moves to a position listed in paragraph (a) of this section without a break in service or after a separation of 3 days or less, his or her FERS coverage will continue, except in the case of an employee hired by the Census Bureau under a temporary, intermittent appointment to perform decennial census duties.

(c) Paragraph (a) of this section does not deny FERS coverage to an employee who receives an interim appointment under § 772.102 of this chapter and was covered by FERS at the time of the separation for which interim relief is required.

(a) Who may elect—(1) General rule. Any individual appointed by the District of Columbia Financial Responsibility and Management Assistance Authority (the Authority) in a position
not excluded from FERS coverage under §842.105 may elect to be deemed a Federal employee for FERS purposes unless the employee has elected to participate in a retirement, health or life insurance program offered by the District of Columbia.

(2) Exception. A former Federal employee being appointed by the Authority on or after October 26, 1996, no more than 3 days (not counting District of Columbia holidays) after separation from Federal employment cannot elect to be deemed a Federal employee for FERS purposes unless the election was made before separation from Federal employment.

(b) Procedure for making an election. The Authority or the agency providing administrative support services to the Authority (Administrative Support Agency) must establish a procedure for notifying employees of their election rights and for accepting elections.

(c) Time limit for making an election. (1) An election under paragraph (a)(1) of this section must be made within 30 days after the employee received the notice under paragraph (b) of this section.

(2) The Authority or its Administrative Support Agency will waive the time limit under paragraph (c)(1) of this section upon a showing that—

(i) The employee was not advised of the time limit and was not otherwise aware of it; or

(ii) Circumstances beyond the control of the employee prevented him or her from making a timely election and the employee thereafter acted with due diligence in making the election.

(d) Effect of an election. (1) An election under paragraph (a) of this section is effective on the commencing date of the employee's service with the Authority.

(2) An individual who makes an election under paragraph (a) of this section is ineligible, during the period of employment covered by that election, to participate in any retirement system for employees of the government of the District of Columbia.

(e) Irrevocability. An election under paragraph (a) of this section becomes irrevocable when received by the Authority or its Administrative Support Agency.

(f) Employee deductions. The Authority or its Administrative Support Agency must withhold, from the pay of an employee of the District of Columbia Financial Responsibility and Assistance Authority who has elected to be deemed a Federal employee for FERS purposes, an amount equal to the percentage withheld from Federal employees' pay for periods of service covered by FERS and, in accordance with procedures established by OPM, pay into the Civil Service Retirement and Disability Fund the amounts deducted from an employee's pay.

(g) Employer contributions. The District of Columbia Financial Responsibility and Assistance Authority must, in accordance with procedures established by OPM, pay into the Civil Service Retirement and Disability Fund amounts equal to any agency contributions required under FERS.

§ 842.213 Early retirement—major reorganization, major reduction in force, or major transfer of function.
(a) Upon an agency’s request, as described in paragraph (c) of this section, OPM may make a determination as provided in 5 U.S.C. 8414(b)(1)(B), that:
(1) The agency is undergoing a major reduction in force, major reorganization, or major transfer of function; and
(2) A significant percentage of the employees serving in the employing agency will be involuntarily separated, or subject to a reduction in basic pay.
(b)(1) Based on a determination by OPM under paragraph (a) of this section, OPM will provide to the agency the authority to offer voluntary early retirements to its employees.
(2) Under an OPM approved authority, the agency may offer voluntary early retirements to its employees based on:
(i) Organizational unit(s);
(ii) Occupational series or level(s);
(iii) Geographic area(s);
(iv) Specific window period(s);
(v) Any similar nonpersonal and objective factors; or
(vi) Any combination of factors under this paragraph (b)(2) that the agency determines to be appropriate and necessary to accomplish the reductions which formed the basis for OPM’s determination under paragraph (a) of this section.
(3) An employee who separates from the service voluntarily under authority of 5 U.S.C. 8414(b)(1)(B) after completing 25 years of service, or becoming age 50 and completing 20 years of service, is entitled to an annuity if, on the date of separation, the employee:
(i) Is serving in a position covered by an offer by the agency as described in paragraph (b)(2) of this section;
(ii) Has been employed in the requesting agency at least 31 days prior to the date the agency requested an OPM determination under paragraph (a) of this section;

(iii) Is not serving under a time-limited appointment; and

(iv) Is not in receipt of a decision of involuntary separation for misconduct or unacceptable performance.

(4) OPM may approve an agency's request for voluntary early retirement authority to cover the entire period of the major reduction in force, major reorganization, or major transfer of function; or through September 30, 1999, whichever is less.

(5) (1) An agency's request for voluntary early retirement must be signed by the head of the agency or by a specific designee with delegated authority.

(2) The agency's request for voluntary early retirement must contain the following:

(i) Identification of the agency or organizational unit(s) for which a determination is requested;

(ii) Reasons why the voluntary early retirement authority is needed. This explanation must include a detailed summary of the agency's personnel and budgetary situation that will result in an excess of personnel because of a major reduction in force, major reorganization, or major transfer of function as well as the date on which the agency expects to involuntarily separate employees as a result of the major reduction in force, major reorganization, or major transfer of function;

(iii) The time period during which voluntary early retirement will be offered. At the agency's discretion, the agency may request voluntary early retirement authority to cover the entire period of the major reduction in force, major reorganization, or major transfer of function; or through September 30, 1999, whichever is less;

(iv) The total number of non-temporary employees in the agency;

(v) The total number of non-temporary employees in the agency who will be involuntarily separated or downgraded because of reduction in force or relocation during a major reduction in force, major reorganization, or major transfer of function;

(vi) The total number of employees in the agency who are eligible for voluntary early retirement;

(vii) An estimate of the total number of employees in the agency who are expected to retire early during the period covered by the request for voluntary early retirement authority.

(6) (1) The agency may not expand the availability of voluntary early retirements or offer early retirements to employees who are not within the authority approved by OPM.

(2) Except as provided in paragraph (d)(3) of this section, the agency may limit voluntary early retirement offers during window periods under paragraph (b)(2)(iv) of this section only by:

(i) An established opening and closing date which is announced to employees at the time of the initial offer; or

(ii) Receipt of a specified number of applications for retirement, provided that, at the time of the initial offer, the agency notified employees that the agency retained the right to limit voluntary early retirements on that basis.

(3) The agency may subsequently establish a revised closing date, or a revised number of applications, only when changes in the conditions that served as the basis for the approval of the voluntary early retirement authority have occurred. The revised closing date, or number of applications, may be applicable to the entire authority, or only to employees in specific organizational unit(s), occupational series or level(s), or geographic area(s).

(e) After approval of an authority, the agency is required to immediately notify OPM of any subsequent changes in the conditions that served as the basis for the approval of the voluntary early retirement authority.

(f) Agencies are required to provide OPM with interim and final reports on each voluntary early retirement authorization, as covered in OPM’s approval letter to the agency. OPM may suspend an agency's early retirement authority if the agency is not in compliance with the reporting requirements or reporting schedule provided to the agency in the approval letter from OPM.

(g) Agencies are responsible for ensuring that employees are not coerced into voluntary early retirement. If an
agency finds any instances of coercion, it must take appropriate corrective action.

(h) OPM may terminate an agency's authority at any time that OPM determines the agency is no longer undergoing the major reorganization, major reduction in force, or major transfer of function that formed the basis for OPM's approval of the authority. OPM may take steps to amend, limit, or terminate an authority in order to ensure that early retirement programs are operated in a manner which is consistent with applicable laws or regulatory requirements.

(i) Pursuant to section 7001 of Public Law 105-174 (112 Stat. 91), the provisions of this section are applicable until September 30, 1999.

§ 842.304 Civilian service.

(a) Except as otherwise provided under title III of the Federal Employees' Retirement System Act of 1996, an employee or Member is entitled to credit for all purposes under FERS for a period of civilian service with the Government or the U.S. Postal Service—

(1) Performed after December 31, 1986, which is covered service under subpart
A of this part and for which deductions required under 5 U.S.C. 8422(a) have not been refunded;

(2) That, other than service under paragraph (a)(1) of this section—
   (i) Was performed before 1989;

   (ii) The employee or Member makes the deposit required by §842.305, and the deposit is not refunded;

(4) While on leave of absence without pay, subject to a limit of 6 months per calendar year, except that the 6-month limit does not apply while—
   (i) Performing military service; or
   (ii) Receiving benefits under subchapter I of chapter 81 of title 5, United States Code;

(5) While on approved leave without pay granted to serve as a full-time officer or employee of an organization composed primarily of employees, as defined by section 8331(1) or 8401(11) of title 5, United States Code, provided—

   (ii) Payments of the deductions and contributions begin on a regular basis within 60 days after the commencing date of leave without pay; and
   (iii) Payments of the required deductions and contributions are completed and not refunded; and

(6) While assigned on detail or leave without pay to a State or local government under 5 U.S.C. 3373, provided—
   (i) The normal cost percentage (under subpart D of part 841 of this chapter) for the employee (who is deemed to continue in the same normal cost percentage category as applicable on the date of the assignment) is remitted to OPM for each pay period during the assignment; and
   (ii) The employee, or, if he or she dies without making an election, his or her survivor, does not elect to receive benefits under any State or local government retirement law or program, which OPM determines to be similar to FERS.

(b) Cadet Nurse Corps. (1) Service credit is allowed under Pub. L. 99-638 for a period of service performed with the Cadet Nurse Corps provided—
   (i) The service totaled 2 years or more;
   (ii) The individual submits an application for service credit to OPM no later than January 10, 1988;
   (iii) The individual was employed by the Federal Government in a position subject to subchapter III of chapter 83 of title 5, United States Code (other than 5 U.S.C. 8344) or chapter 84 of that title (other than 5 U.S.C. 8468) at the time he or she applies to OPM for service credit under this provision; and
   (iv) The individual makes a deposit for the service in accordance with §842.305(g) before the date of separation from service on which the individual's entitlement to annuity is based.

(c) National Guard technician service before January 1, 1969—(1) Definition. In this section, service as a National Guard technician is service performed under section 709 of title 32, United States Code (or under a prior corresponding provision of law) before January 1, 1969.

(2) Employees on or after November 6, 1990. Employees, subject to FERS retirement deductions, whose only service as a National Guard technician was performed prior to January 1, 1969, are entitled to credit under FERS if they—
   (i) Submit to OPM an application for service credit in a form prescribed by OPM;
   (ii) Are employed by the Federal Government in a position subject to FERS retirement deductions after November 5, 1990; and
   (iii) Complete the deposit for the service through normal service credit.
channels before final adjudication of their application for retirement or have the deposit deemed made when they elect the alternative form of annuity.

(3) Former Federal employees. Former Federal employees who were subject to FERS retirement deductions and separated after December 31, 1968, but before November 6, 1990, with title to a deferred annuity, may make a deposit for pre-1969 National Guard technician service provided they—

(i) Submit a written application for the pre-1969 National Guard technician service to OPM before November 6, 1991; and

(ii) Complete a deposit for the additional service in a lump sum or in installment payments of $50 or more. Payments must be completed before their retirement claim is finally adjudicated, unless the deposit is deemed made when they elect an alternative form of annuity.

(4) Annuitants and survivors. (i) Individuals who were entitled to receive an immediate annuity (or survivor annuity benefits) as of November 6, 1990, may make a deposit for pre-1969 National Guard technician service provided they—

(A) Submit a written application for service credit to OPM before November 6, 1991; and

(B) Complete a deposit for the additional service in a lump sum or in equal monthly annuity installments to be completed within 24 months of the date of the written application.

(ii) To determine the commencing date of the deposit installment payment period for annuitants and survivors, the "date of application" will be considered to be the first day of the second month beginning after OPM receives a complete written application from the individual.

(iii) To be a complete application, the individual's written request for pre-1969 National Guard technician service credit must also include a certification of the dates of employment and the rates of pay received by the individual during the employment period. The individual may obtain certification of service from the Adjutant General of the State in which the service was performed.

(d) Credit for service performed as an employee of a nonappropriated fund instrumentality. (1) Credit for service with a nonappropriated fund instrumentality is allowed in accordance with an election under part 847 of this chapter.

(2) Service under FERS for which the employee withdrew all deductions is creditable in accordance with an election made under part 847 of this chapter.

(3) An annuity that includes credit for service with a nonappropriated fund instrumentality or refunded service under paragraph (d)(2) of this section is computed under part 847 of this chapter.

§ 842.305 Deposits for civilian service.

(a) Eligibility—current and former employees or Members. An employee or Member subject to FERS and a former employee or Member who is entitled to an annuity may make a deposit for civilian service described under paragraphs (a)(2) and (a)(3) of §842.304 upon application to OPM in a form prescribed by OPM. A deposit for civilian service cannot be made later than 30 days after the first regular monthly payment as defined in §842.602.

(b) Eligibility—survivors. If an employee or Member was, at the time of death, eligible to make a deposit, the employee's survivor may make the deposit for civilian service. A deposit under this paragraph cannot be made after adjudication of the survivor's application for benefits becomes final, which is 30 days after the date of OPM's notice to the survivor of the annuity rates with and without making the deposit.

(c) Distinct period of service. A deposit is not considered to have been made for any distinct period of service unless the total amount due for the period is paid in full. A distinct period of civilian service for this purpose is a period of civilian service that is not interrupted by a break in service of more than 3 days.

(d) Amount of deposits. The amount of a deposit for a period of service under §842.304(a)(2) equals 1.3 percent of the basic pay for the service, plus interest.
§ 842.305

The amount of a deposit for a period of service under §842.304(a)(3) equals the amount that would have been deducted from pay under 5 U.S.C. 8422(a) had the employee been subject to FERS during the service, plus interest.

(e) Interest. (1) Interest is charged at the rate of 4 percent a year through December 31, 1947; 3 percent a year beginning January 1, 1948, through December 31, 1984; and thereafter at a rate as determined by the Secretary of the Treasury for each calendar year that equals the overall average yield to the Civil Service Retirement and Disability Fund (the Fund) during the preceding fiscal year from all obligations purchased by the Secretary during such fiscal year under 5 U.S.C. 8348(c), (d), and (e).

(2) The computation of interest is on the basis of 30 days to the month. Interest is computed for the actual calendar time involved in each case; but, whenever applicable, the rule of average applies.

(3) Interest is computed from the midpoint of each service period included in the computation. The interest accrues annually on the outstanding portion, and is compounded annually, until the portion is deposited. Interest is not charged after the commencing date of annuity or for a period of separation from the service that began before October 1, 1956.

(f) Forms of deposit. Deposits may be made in a single lump sum or in installments not smaller than $50 each.

(g) Cadet Nurse Corps. (1) Upon receiving an application for service credit with the Cadet Nurse Corps, OPM will determine whether all conditions for creditability (§842.304(b)) have been met; compute the deposit, including interest; and advise the employing agency and the employee of the total amount of the deposit due. The rate of basic pay for this purpose is deemed to be $15 per month for the first 9 months of study; $20 per month for the 10th through the 21st months of study; and $30 per month for any month in excess of 21 months. Interest is computed in accordance with paragraph (e) of this section.

(2) The employing agency must establish a deposit account showing the total amount due and a payment schedule (unless deposit is made in one lump sum) to record the date and amount of each payment.

(3) If the individual cannot make payment in one lump sum, the employing agency must accept installment payments (by allotments or otherwise). The employing agency, however, is not required to accept individual checks in amounts less than $50.

(h) Payments received by the employing agency must be remitted to OPM immediately for deposit to the Civil Service Retirement and Disability Fund.

(5) Once the employee’s deposit has been paid in full or closed out, the employing agency must submit the documentation pertaining to the deposit to OPM in accordance with instructions issued by OPM.

(h) Processing applications for pre-1969 National Guard technician service credit for employees subject to FERS retirement deductions after November 5, 1990—

(i) OPM determines creditable service. OPM will determine whether all conditions for crediting the additional service have been met, compute the deposit, and notify the employee of the amount of and the procedures for submitting the deposit payments to OPM to obtain credit for the service.

(2) Computing the deposit. (i) For individuals who will not have a CSRS component, the deposit will be computed based on—

(A) One and three tenths percent of basic pay at the time the service was performed; and

(B) Interest at the rate of 3 percent per year computed as specified by section 8334(e)(2) of title 5, United States Code, until the date the deposit is paid.

(ii) For individuals who will have a CSRS component, the deposit will be computed as specified in 5 CFR 831.306(c).

(i) Processing applications for pre-1969 National Guard technician service credit for annuitants (and survivors) and for former employees who separated after December 31, 1968, and before November 6, 1990—(1) OPM determines creditable service. OPM will determine whether all conditions for crediting the additional service have been met, compute the amount of the deposit, and notify the individual.
(2) Computing the deposit for annuities and survivors. (i) For individuals who do not have a CSRS component, the deposit will be computed based on—

(A) One and three tenths percent of basic pay at the time the service was performed; and

(B) Interest at the rate of 3 percent per year as specified by section 8334(e)(2) of title 5, United States Code, to the midpoint of the 24-month installment period, or if paid in a lump sum, the date the deposit is paid.

(ii) For individuals who will have a CSRS component, the deposit will be computed as specified in 5 CFR 831.306(e)(2)(i) and (ii)(A).

(iii)(A) OPM will notify annuitants and survivors of the amount of the deposit and give them a proposed installment schedule for paying the deposit from monthly annuity payments. The proposed installment payments will consist of equal monthly payments that will not exceed a period 24 months from the date a complete written application is received by OPM.

(B) The annuitant or survivor may allow the deposit installments to be deducted from his or her annuity as proposed or make payment in a lump sum within 30 days from the date of the notice.

(C) Increased annuity payments will begin to accrue the first day of the month after OPM receives the complete written application.

(iv) If an annuitant dies before completing the deposit installment payments, the remaining installments will be deducted as established for the annuitant from benefits payable to the survivor annuitant (but not if the only survivor benefit is payable to a child or children of the deceased), if any. If no survivor annuity is payable, OPM may collect the balance of the deposit from any lump sum benefits payable or from the decedent's estate, if any.

(3) Computing the deposit for former Federal employees separated after December 31, 1968 but before November 6, 1990. For former employees with title to a deferred annuity that commences after November 6, 1990, the deposit will be computed as provided in paragraph (i)(2) above, except that interest will be computed through the commencing date of annuity or the date the deposit is paid, whichever comes first.

§ 842.306 Military service.

(a) Except as provided in paragraph (b), and unless otherwise provided under title III of the Federal Employees' Retirement System Act of 1986, an employee's or Member's military service is creditable if it was performed—

(1) Before January 1, 1957; or

(2) After December 31, 1956, subject to payment, before separation from service, of the deposit required by §842.307.

(b) Credit for a period of military service is not allowed if the employee or Member is receiving military retired pay for such period awarded for reasons other than—

(1) Service-connected disability incurred in combat with an enemy of the United States;

(2) Service-connected disability caused by an instrumentality of war and incurred in the line of duty during a period of war (within the meaning of chapter 11 of title 38, United States Code); or

(3) Retirement under chapter 67 of title 10, United States Code.

(c) When adjudicating annuity claims, OPM will accept determinations made by the agency that authorized military retired pay concerning—

(1) The effective date of a waiver of military retired pay;

(2) Whether an individual's military retired pay was awarded for any of the reasons mentioned under paragraph (b) of this section; and

(3) Whether a period of military service forms the basis for military retired pay.

(d)(1) Except as provided in paragraphs (d)(2) and (d)(3) of this section, the computation of a survivor's annuity includes credit for any military service allowable under paragraph (a) of this section.

(2) If the separated employee (as defined in §843.102 of this chapter) was awarded military retired pay, died after the date of separation from civilian service, and did not waive military retired pay effective before the date of death, military service upon which the
military retired pay was based is not creditable.

(3) If the survivor of a deceased employee who had been awarded military retired pay files, in a form prescribed by OPM, an election not to have a period of military service included in the computation of survivor benefits, that period of military service is not included in the computation of survivor benefits.

§ 842.307 Deposits for military service.

(a) Eligibility to make a deposit. (1) An employee or Member subject to FERS may make a deposit for any distinct period of military service by filing an application in a form prescribed by OPM.

(2) An application to make a deposit is filed with the appropriate office in the employing agency, or, for Members and Congressional employees, with the Secretary of the Senate, or the Clerk of the House of Representatives, as appropriate.

(3) An employee’s or Member’s deposit for military service must be completed before separation from service. If a deceased employee or Member was, at the time of death, eligible to make a deposit, the employee’s or Member’s survivor may make the deposit in one lump sum to the former employing agency, the Secretary of the Senate or the Clerk of the House of Representatives, as appropriate.

(b) Amount of deposit. (1) The amount of a deposit for military service equals 3 percent of the basic pay for the service under 37 U.S.C. 207, or an estimate of the basic pay (see paragraph (c)(1)(iii) of this section), plus interest, unless interest is not required under paragraph (b)(4) of this section.

(2) Interest is charged at a rate as determined by the Secretary of the Treasury for each calendar year that equals the overall average yield to the Fund during the preceding fiscal year from all obligations purchased by the Secretary during such fiscal year under 5 U.S.C. 8348(c), (d), and (e).

(3) The computation of interest is on the basis of 30 days to the month. Interest is computed for the actual calendar time involved in each case; but whenever applicable, the rule of average applies.

(4) Interest is computed from the mid-point of each full period of service included in the computation. The interest accrues annual on the outstanding portion beginning on the second anniversary of the employee’s or Member’s beginning date of coverage under FERS, and is compounded annually, until the portion is deposited. Interest is charged to the date of deposit. No interest will be charged if the deposit is completed before the end of the year after interest begins. For example, if an employee becomes subject to FERS on March 1, 1988, interest begins to accrue on March 1, 1990; however, no interest would be included in the deposit due if the deposit is completed by February 28, 1991.

(c) Processing deposit applications and payments. (1) The agency, Clerk of the House of Representatives, or Secretary of the Senate will have the employee or Member—

(i) Complete an application to make deposit;

(ii) Provided a copy of his or her DD Form 214 or its equivalent to verify the period(s) of service;

(iii) Provide copies of all official military pay documents, as identified in instructions issued by OPM, which show the exact basic pay he or she received for full period of service; or, if such evidence is not available, obtain a statement of estimated earnings from the appropriate branch of the military service and submit the statement.

(2) Upon receipt of the application, the DD Form 214, and either the evidence of exact basic pay or the statement of estimated earnings, the agency, Clerk of the House of Representatives, or Secretary of the Senate will establish a deposit account showing—

(i) The total amount due, including interest, if any;

(ii) A payment schedule (unless deposit is made in a lump sum); and
Office of Personnel Management § 842.309

(iii) The date and amount of each payment.

(3) Deposits may be made in a single lump sum or in installments. The agency, Clerk of the House of Representatives, and Secretary of the Senate are not required to accept installment payments in amounts less than $50.

(4) Payments received by the employing agency, the Clerk of the House of Representatives, or the Secretary of the Senate will be remitted to OPM for deposit to the Fund in accordance with payroll office instructions issued by OPM.

(d) Distinct periods of service. A deposit is not considered to have been made for any distinct period of service unless the total amount due for the period is paid in full. A “distinct period” for this purpose is the total years, months, and days from the date of entry on active duty (or from January 1, 1957, if later) to the date of final discharge for enlisted military personnel, or to the date of final release from active duty for officers and reservists. A “distinct period” also includes consecutive periods of service where there is no break in service, but does not include any lost time.

§ 842.308 Refunds of deductions and service credit deposits made before becoming subject to FERS.

(a) An employee or Member who, while currently employed, is eligible under 5 U.S.C. 8342(a) for a refund of deductions or deposits (relating to civilian service performed before becoming subject to FERS and totaling less than 5 years, not counting service after 1983 that was covered simultaneously by both CSRS and social security) that were previously made for a period of service performed before becoming subject to FERS is eligible for a refund, upon proper application in a form prescribed by OPM. The amount of this refund is the difference between—

(1) The amount of deductions and deposits to his or her credit for such service, plus any interest computed in accordance with 5 U.S.C. 8331(8); and

(2) The amount of the deposit required for such service under §842.307.

(b) A former employee or Member who, before becoming subject to FERS, made a deposit for military service is eligible upon proper application in a form prescribed by OPM, while currently employed, for a refund of the amount deposited, excluding interest, to the extent that this amount exceeds the amount of the deposit required for such service under §842.307.

(c) An employee or Member, who, before becoming subject to FERS, made a deposit for military service is eligible upon proper application in a form prescribed by OPM. The individual may irrevocably elect to receive either—

(1) The amount provided under paragraph (a) of this section; or

(2) The full amount of deductions and deposits to his or her credit for such service, plus any interest computed in accordance with 5 U.S.C. 8331(8). If the full amount of deductions and deposits is elected by the former employee or Member, no future deposit for the service may be made.

(d) A former employee or Member who, before becoming subject to FERS, made a deposit for military service is eligible for a refund, upon proper application in a form prescribed by OPM.

(e) If the current employing agency holds all necessary records pertaining to the amounts in question under paragraph (a) or (c) of this section, the current employing agency will pay the refund in accordance with OPM instructions. Otherwise, OPM will pay the refund.

§ 842.309 Contract service.

Contract service with the United States will only be included in the computation of, or used to establish title to, an annuity under chapter 84 of title 5, United States Code, if—
§ 842.310 Service not creditable because of an election under part 847 of this chapter.

Any FERS service which becomes creditable under a retirement system established for nonappropriated fund employees due to an election made under part 847 of this chapter is not creditable for any purpose under FERS.

§ 842.403 Compution of basic annuity.

(a) Except as provided in paragraph (b) of this section and §§842.405 and 842.406, the annuity of an employee or Member is 1 percent of average pay multiplied by total service.

(b) The annuity of an employee is 1.1 percent of average pay multiplied by total service, provided the individual—

(1) Has completed 20 years of service; and

(2) At the time of separation on which entitlement to an annuity is based—

(i) Is at least age 62; and

(ii) Is not a Member, Congressional employee, military reserve technician, law enforcement officer, firefighter, or air traffic controller.

§ 842.404 Reductions in basic annuity.

The annuity of an employee or Member retiring under §842.204(a)(1) or §842.212(b) is reduced by five-twelfths of 1 percent for each full month by which the commencing date of annuity precedes the 62nd birthday of the employee or Member, unless the individual—

(a) Has completed 30 years of service; or

(b) Has completed 20 years of service; and
(2) Is at least age 60 on the commencing date of annuity; or
(c) Has completed 20 years of service as—
(1) An air traffic controller, except one separated by removal for cause on charges of misconduct or delinquency;
(2) A firefighter and/or law enforcement officer, except one separated by removal for cause on charges of misconduct or delinquency; or
(3) A Member, except one separated by resignation or expulsion.

§ 842.405 Air traffic controllers, firefighters, and law enforcement officers.

The annuity of an air traffic controller retiring under §842.207 or a law enforcement officer or firefighter retiring under §842.208 is—
(a) One and seven-tenths percent of average pay multiplied by 20 years; plus
(b) One percent of average pay multiplied by the years of service exceeding 20 years.

§ 842.406 Members of Congress and Congressional employees.

The annuity of an employee or Member who has had at least 5 years of service as a congressional employee, Member, or any combination thereof totaling 5 years is—
(a) One and seven-tenths percent of average pay multiplied by the total number of years of service as a Member and/or congressional employee not exceeding 20 years; plus
(b) One percent of average pay multiplied by the years of service other than that of a Member and/or congressional employee.

§ 842.407 Proration of annuity for part-time service.

The annuity of an employee whose service includes part-time service is computed in accordance with §842.403, using the average pay based on the annual rate of basic pay for full-time service. This amount is then multiplied by the proration factor. The result is the annual rate of annuity before reductions for retirement before age 62, survivor benefits, or the reduction for an alternative form of annuity required by §842.706.

[52 FR 22436, June 12, 1987]
or at any age during a major reorganization or reduction in force;
(4) Section 842.206 governing discontinued service retirement;
(5) Section 842.07 governing early retirement for air traffic controllers;
(6) Section 842.208 governing early retirement for law enforcement officers;
(7) Section 842.209 governing early retirement for Members of Congress;
(8) Section 842.210 governing early retirement for military reserve technicians; or
(9) Section 842.211 governing early retirement for members of the Senior Executive Service.

(b) An employee or Member who retires under any of the following sections before attaining the minimum retirement age is not entitled to receive an annuity supplement until he or she attains that age:
(1) Section 842.205;
(2) Section 842.206;
(3) Section 842.209; or
(4) Section 842.211, except that an individual entitled to an annuity under 5 U.S.C. 8414(a) for failure to be recertified as a senior executive shall be entitled to an annuity supplement without regard to the minimum retirement age.

(c) An employee or Member ceases to be entitled to an annuity supplement on the earlier of—
(1) The last day of the month in which the individual becomes age 62; or
(2) The last day of the month before the first month for which the individual would, upon proper application, be entitled to social security benefits.

§ 842.504 Amount of annuity supplement.

(a) Subject to paragraph (b) of this section, an annuity supplement is an amount equal to the old-age insurance benefit payable under title II of the Social Security Act, multiplied by a fraction—
(1) The numerator of which is the annuitant’s total service creditable under FERS, excluding military service not performed during an absence of leave without pay from civilian service, rounded to the nearest whole number of years not exceeding 40 years; and
(2) The denominator of which is 40.

(b)(1) The benefit referred to in paragraph (a) of this section is computed—
(i) As if the annuitant were age 62 and fully insured on January 1 of the year the annuity supplement commences;
(ii) Without regard to the Social Security earnings test (section 203 of the Social Security Act);
(iii) Without regard to the Social Security windfall elimination provisions (sections 215(a)(7) and 215(d)(5) of the Social Security Act); and
(iv) Using the actuarial reduction (section 202(q) of the Social Security Act) prescribed in the following table:

(2) In computing the primary insurance amount—
(i) The number of elapsed years used to compute the number of benefit computation years does not include the years beginning with the year in which the annuity supplement commences;
(ii) For an employee or Member who retires under §§ 842.205, 842.206, 842.209, or 842.211 before reaching the minimum retirement age, wages in calendar years beginning after the date of separation on which the retirement is based, are deemed to be zero.
(iii) Only basic pay for full calendar years of service creditable under FERS is taken into account in computing the retiree’s wages for a benefit computation year;
(iv) For a benefit computation year after age 21 during which the retiree did not perform a full calendar year of service creditable under FERS the retiree’s wages are deemed to equal the product of—
(A) The amount in appendix B of subpart C of part 843 corresponding to that year, multiplied by

Office of Personnel Management § 842.602

(B) A fraction—
(1) The numerator of which is the retiree's basic pay for his or her first full year of service creditable under FERS; and
(2) The denominator of which is the amount in appendix B of subpart C of part 843, corresponding to the retiree's first full year of service creditable under FERS.

§ 842.505 Reduction in annuity supplement because of excess earnings.

(a)(1) Except as provided in paragraphs (a)(2) and (b) of this section, the annuity supplement payable under §842.504 is reduced by excess earnings in the test year, divided by twelve.

(2) Any annuity supplement payable during the year in which an individual loses entitlement to the annuity supplement by reason of §842.503(c) is reduced by excess earnings in the test year divided by the number of months for which the annuity supplement is payable.

(b) Any reduction in the annuity supplement during a month because of excess earnings may not exceed the amount of annuity supplement payable during that month.

(c) Earnings and estimated earnings for each test year will be furnished by retirees in a form prescribed by OPM.

(d) Failure to furnish earnings and estimated earnings in the form or at the times prescribed by OPM is cause to suspend payment of the supplement until the annuitant establishes to the satisfaction of OPM that he/she continues to be eligible for the supplement.

(e) The reductions described in paragraphs (a) and (b) of this section are not subject to the due process procedures described in 5 U.S.C. 8461(e).

Subpart F—Survivor Elections

Source: 52 FR 2061, Jan. 16, 1987, unless otherwise noted.

§ 842.601 Purpose.

This subpart explains the survivor annuity elections available under FERS for retirees, and retiring employees and Members, and the actions that they must take to provide these survivor annuities.

§ 842.602 Definitions.

In this subpart—
Current spouse means a living person who is married to the employee, Member, or retiree at the time of the employee's, Member's, or retiree's death.
Current spouse annuity means a recurring benefit under FERS that is payable (after the employee's, Member's, or retiree's death) to a current spouse who meets the requirements of §843.303 of this chapter.
Deposit means a deposit required to provide a survivor benefit. Deposit, as used in this subpart, does not include a service credit deposit or redeposit.
FERS means chapter 84 of title 5, United States Code.
First regular monthly payment means the first annuity check payable on a recurring basis (other than an estimated payment or an adjustment check) after OPM has initially adjudicated the regular rate of annuity payable under FERS and has paid the annuity accrued since the time of retirement. The first regular monthly payment is generally preceded by estimated payments before the claim can be adjudicated and by an adjustment check (including the difference between the estimated rate and the initially adjudicated rate).
Former spouse means a living person who was married for at least 9 months to an employee, Member, or retiree who performed at least 18 months of creditable service under FERS. The "former spouse's" marriage to the employee must have been terminated prior to the death of the employee, Member, or retiree.
Former spouse annuity means a recurring benefit under FERS that is payable to a former spouse after the employee's, Member's, or retiree's death.
Fully reduced annuity means the recurring payments under FERS received by a retiree who has elected the maximum reduction in his or her annuity to provide a current spouse annuity and/or a former spouse annuity or annuities.
Insurable interest rate means the recurring payments under FERS received by a retiree who has elected a reduction in annuity to provide a survivor annuity to a person with an insurable interest in the retiree.
Marriage has the same meaning as in §843.102 of this chapter.

Member means a Member of Congress.

Net annuity means the net annuity as defined in §838.103 of this chapter.

One-half reduced annuity means the recurring payments under FERS received by a retiree who has elected one-half of the full reduction in his or her annuity to provide a partial current spouse annuity or a partial former spouse annuity or annuities.

Present value factor means the amount of money (earning interest at an assumed rate) required at the time of retirement to fund an annuity that starts out at the rate of $1 a month and is payable in monthly installments for the annuitant's lifetime based on mortality rates for non-disability annuitants under the Civil Service Retirement System, and increases each year at an assumed rate of inflation. Interest, mortality, and inflation rates used in computing the present value are those used by the Board of Actuaries of the Civil Service Retirement System for valuation of the System, based on dynamic assumptions. The present value factors are unisex factors obtained by averaging six distinct present value factors, weighted by the total dollar value of annuities typically paid to new retirees at each age.

Qualifying court order means a court order that awards a former spouse annuity and that satisfies the requirements of section 8445 of title 5, United States Code, for awarding a former spouse annuity.

Retiree means a former employee or Member who is receiving recurring payments under FERS based on service by the employee or Member. “Retiree,” as used in this subpart, does not include a current spouse, former spouse, child, or person with an insurable interest receiving a survivor annuity.

Self-only annuity means the recurring unreduced payments under FERS to a retiree with no survivor annuity payable to anyone.

Time of retirement means the effective commencing date for retired employee’s or Member’s annuity. An employee or Member is unmarried at the time of retirement for all purposes under this subpart only if the employee or Member was unmarried on the date that the annuity begins to accrue.

§842.603 Election at time of retirement of a fully reduced annuity to provide a current spouse annuity.

(a) A married employee or Member retiring under FERS will receive a fully reduced annuity to provide a current spouse annuity unless—

(1) The employee or Member, with the consent of the current spouse, elects a self-only annuity, a one-half reduced annuity to provide a current spouse annuity, or a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity, in accordance with §842.604 or §842.606; or

(2) The employee or Member elects a self-only annuity or a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity, and current spousal consent is waived in accordance with §842.607.

(b) Qualifying court orders that award former spouse annuities prevent payment of current spouse annuities to the extent necessary to comply with the court order and §842.613.

(c) The amount of the reduction to provide a current spouse annuity under this section is 10 percent of the retiree’s annuity.

§842.604 Election at time of retirement of a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity.

(a) An unmarried employee or Member retiring under FERS may elect a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity or annuities.

(b) A married employee or Member retiring under FERS may elect a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity or annuities instead of a fully reduced annuity to provide a current spouse annuity, if the current spouse consents to the election in accordance with §842.606; or spousal consent is waived in accordance with §842.607.
Office of Personnel Management § 842.605

(c) An election under paragraph (a) or (b) of this section is void to the extent that it—
(1) Conflicts with a qualifying court order; or
(2) Would cause the total of current spouse annuities and former spouse annuities payable based on the employee's or Member's service to exceed the maximum amount of survivor annuity that the employee or Member is entitled to provide under §842.613.

(d) Any reduction in an annuity to provide a former spouse annuity will terminate on the first day of the month after the former spouse remarries before age 55 or dies, or the former spouse's eligibility for a former spouse annuity terminates under the terms of a qualifying court order, unless—
(1) The retiree elects, within 2 years after the former spouse's death or remarriage, to continue the reduction to provide a former spouse annuity for another former spouse, or to provide a current spouse annuity; or
(2) A qualifying court order requires the retiree to provide another former spouse annuity.

(e) Except as provided in §842.614, the amount of the reduction to provide a former spouse annuity equals—
(1) Ten percent of the employee's or Member's annuity if the employee or Member elects a fully reduced annuity; or
(2) Five percent of the employee's or Member's annuity if the employee or Member elects a one-half reduced annuity.

[52 FR 2061, Jan. 16, 1987, as amended at 57 FR 54678, Nov. 20, 1992]

§ 842.605 Election of insurable interest rate.

(a) At the time of retirement, an employee or Member in good health and who is applying for a non-disability annuity may elect an insurable interest rate. An election under this section does not exempt a married employee or Member from the provisions of §842.603(a).

(b) An insurable interest rate may be elected by an employee or Member electing a fully reduced annuity or a one-half reduced annuity to provide a current spouse annuity or a former spouse annuity or annuities.

(c)(1) In the case of a married employee or Member, an election under this section may not be made on behalf of a current spouse unless that current spouse has consented to an election not to provide a current spouse annuity in accordance with §842.603(a)(1).

(2) A consent to an election not to provide a current spouse annuity in accordance with §842.603(a)(1) required by paragraph (c)(1) of this section to be eligible to be the beneficiary of an insurable interest rate is cancelled if—
(i) The retiree fails to qualify to receive the insurable interest rate; or
(ii) The retiree changes his or her election to receive an insurable interest rate under §842.608; or
(iii) The retiree elects a fully reduced annuity to provide a current spouse annuity under §842.610.

(3) An election of a one-half reduced annuity under §842.610(b) to provide a current spouse annuity for a current spouse who is the beneficiary of an insurable interest rate is void unless the spouse consents to the election.

(4) If a retiree who had elected an insurable interest rate to benefit a current spouse elects a fully reduced annuity to provide a current spouse annuity (or with the consent of the spouse, a one-half reduced annuity to provide a current spouse annuity) under §842.610(b), the election of the insurable interest rate is cancelled.

(5)(i) A retiring employee or Member may not elect a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity and an insurable interest rate to benefit the same former spouse.

(ii) If a retiring employee or Member who is required by court order to provide a former spouse annuity elects an insurable interest rate to benefit the former spouse with the court-ordered entitlement—
(A) If the benefit based on the election is greater than or equal to the benefit based on the court order, the election of the insurable interest rate will satisfy the requirements of the court order as long as the insurable interest rate continues.
(B) If the benefit based on the election is less than the benefit based on the court order, the election of the insurable interest rate is void.

269
(iii) An election under §842.611 of a fully reduced annuity or a one-half reduced annuity to benefit a former spouse by a retiree who elected and continues to receive an insurable interest rate to benefit that former spouse is void.

d) To elect an insurable interest rate, an employee or Member must indicate the intention to make the election on the application for retirement and must submit a certificate of good health in a form prescribed by OPM.

e) An insurable interest rate may be elected to provide a survivor benefit only for a person who has an insurable interest in the retiring employee or Member.

(1) An insurable interest is presumed to exist with—

(i) The current spouse;
(ii) A blood or adopted relative closer than first cousins;
(iii) A former spouse;
(iv) A person to whom the employee or Member is engaged to be married;
(v) A person with whom the employee or Member is living in a relationship that would constitute a common-law marriage in jurisdictions recognizing common-law marriages.

(2) When an insurable interest is not presumed, the employee or Member must submit affidavits from one or more persons with personal knowledge of the named beneficiary's having an insurable interest in the employee or Member. The affidavits must set forth the relationship, if any, between the named beneficiary and the employee or Member, the extent to which the named beneficiary is dependent on the employee or Member, and the reasons why the named beneficiary might reasonably expect to derive financial benefit from the continued life of the employee or Member.

(3) The employee or Member may be required to submit documentary evidence to establish the named beneficiary's date of birth.

(f) OPM will notify the employee or Member of initial monthly annuity rates with and without the election of an insurable interest rate and the initial rate payable to the named beneficiary. No election of an insurable interest rate is effective unless the employee or Member confirms the election in writing or dies no later than 60 days after the date of the notice described in this paragraph.

(g)(1) When an employee or Member elects both an insurable interest rate, and a fully reduced annuity or a one-half reduced annuity, the combined reduction may exceed the maximum 40 percent reduction in the retired employee or Member's annuity permitted under section 8420 of title 5, United States Code, applicable to insurable interest annuities.

(2) The additional reduction to provide a current spouse annuity or a former spouse annuity is not considered in determining the rate of annuity payable to a beneficiary of an insurable interest election.

(h)(1) Except as provided in §842.604(d), if a retiree who is receiving a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity has also elected an insurable interest rate to benefit a current spouse and if the eligible former spouse remarries before age 55, dies, or loses eligibility under the terms of the court order, and no other former spouse is entitled to a survivor annuity based on an election made in accordance with §842.611 or a qualifying court order, the retiree may elect, within 2 years after the former spouse's remarriage, death, or loss of eligibility under the terms of the court order, to convert the insurable interest rate to a fully reduced annuity to provide a current spouse annuity, effective on the first day of the month following the event causing the former spouse to lose eligibility.

(2) An election under paragraph (h)(1) of this section cancels any consent not to receive a current spouse annuity required by paragraph (c) of this section for the current spouse to be eligible for an annuity under this section.

(3) When a former spouse receiving an annuity under section 8445 of title 5, United States Code, loses eligibility to that annuity, a beneficiary of an insurable interest rate who was the current spouse at both the time of the retiree's retirement and death may, within 2 years after the former spouse's death, remarriage, or loss of eligibility under the terms of the court order, elect to
receive a current spouse annuity instead of the annuity he or she had been receiving.

The election is effective on the first day of the month following the event causing the former spouse to lose eligibility.

(i) Upon the death of the current spouse, a retiree whose annuity is reduced to provide both a current spouse annuity and an insurable interest benefit for a former spouse is not permitted to convert the insurable interest rate to a reduced annuity to provide a former spouse annuity.

(j) An employee or Member may name only one natural person as the named beneficiary of an insurable interest rate. OPM will not accept the designation of contingent beneficiaries and such a designation is void.

(k)(1) An election under this section is prospectively voided by an election of a fully reduced annuity to provide a current spouse annuity under §842.612 that would benefit the same person.

(2)(i) If the current spouse is not the beneficiary of the election under this section, a retiree may prospectively void an election under this section at the time the retiree elects a reduced annuity to provide a current spouse annuity under §842.612.

(ii) A retiree's election to void an election under paragraph (k)(2)(i) of this section must be filed at the same time as the election under §842.612.

(3) An annuity reduction under this section terminates on the first day of the month after the beneficiary of the insurable interest rate dies.

§ 842.607 Waiver of spousal consent requirement.

(a) The spousal consent requirement will be waived upon a showing that the spouse's whereabouts cannot be determined. A request for waiver on this basis must be accompanied by—

(1) A judicial determination that the spouse's whereabouts cannot be determined; or

(2)(i) Affidavits by the employee or Member and two other persons, at least one of whom is not related to the employee or Member, attesting to the inability to locate the current spouse and stating the efforts made to locate the spouse; and

(ii) Documentary corroboration such as tax returns filed separately or newspaper stories about the spouse's disappearance.

(b) The spousal consent requirement will be waived based on exceptional circumstances if the employee or Member presents a judicial determination finding that—

(1) The case before the court involves a Federal employee who is in the process of retiring from Federal employment and the spouse of that employee;
(2) The nonemployee spouse has been given notice and an opportunity to be heard concerning this order;
(3) The court has considered sections 8416(a) of title 5, United States Code, and this section as they relate to waiver of the spousal consent requirement for a federal employee to elect an annuity without a reduction to provide a survivor benefit to a spouse at retirement; and
(4) The court finds that exceptional circumstances exist justifying waiver of the nonemployee spouse’s consent.

§ 842.608 Changes of election before final adjudication.

An employee or Member may name a new survivor or change his or her election of type of annuity if, not later than 30 days after the date of the first regular monthly payment, the named survivor dies or the employee or Member files with OPM a new written election. All required evidence of spousal consent or justification for waiver of spousal consent, if applicable, must accompany any new written election under this section.

[56 FR 65419, Dec. 17, 1991]

§ 842.609 [Reserved]

§ 842.610 Changes of election after final adjudication.

(a) Except as provided in § 842.611, § 842.612, or paragraph (b) of this section, an employee or Member may not revoke or change the election or name another survivor later than 30 days after the date of the first regular monthly payment.

(b)(1) Except as provided in § 842.605 and paragraphs (b)(2) and (b)(3) of this section, a retiree who was married at the time of retirement and has elected a self-only annuity, a one-half reduced annuity to provide a current spouse annuity, a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity, or an insurable interest rate may elect, no later than 18 months after the time of retirement, an annuity reduction or an increased annuity reduction to provide a current spouse annuity.

(2) A current spouse annuity based on an election under paragraph (b)(1) of this section cannot be paid if it will, when combined with any former spouse annuity or annuities that are required by court order, exceed the maximum survivor annuity permitted under § 842.613.

(3) To make an election under paragraph (b)(1) of this section, the retiree must pay, in full no later than 18 months after the time of retirement, a deposit equal to the sum of the monthly differences between the annuity paid to the retiree and the annuity that would have been paid if the additional annuity reduction elected under paragraph (b)(1) of this section had been in effect since the time of retirement, plus—

(i) If the election under paragraph (b)(1) of this section changes the annuity from a self only annuity to a fully reduced annuity, 24.5 percent of the retiree’s annual annuity, plus 6 percent interest on both; or
(ii) If the election under paragraph (b)(1) of this section changes the annuity from a self only annuity to a one-half reduced annuity or from a one-half reduced annuity to a fully reduced annuity, 12.25 percent of the retiree’s annual annuity, plus 6 percent interest on both.

(4) If a retiree makes an election under paragraph (b)(1) of this section and is prevented from paying the deposit within the 18-month time limit because OPM did not send him or her a notice of the amount of the deposit at least 30 days before the time limit expires, the time limit for making the deposit will be extended 30 days after OPM sends the notice of the amount of the deposit.

(5) An election under paragraph (b)(1) of this section cancels any spousal consent under § 842.603.

(6) An election under paragraph (b)(1) of this section is void unless filed with OPM before the retiree dies.

(7) If a retiree who had elected a fully reduced annuity or a one-half reduced annuity to provide a former spouse annuity (or annuities) makes an election under paragraph (b)(1) of this section which would cause the combined current spouse annuity and former spouse annuity (or annuities) to exceed the
§ 842.612 Post-retirement election of a fully reduced annuity or one-half reduced annuity to provide a current spouse annuity.

(a) Except as provided in paragraph (c) of this section, a retiree who was unmarried at the time of retirement may elect, within 2 years after a post-retirement marriage, a fully reduced annuity or a one-half reduced annuity to provide a current spouse annuity. 

(b)(1) Qualifying court orders prevent payment of former spouse annuities to the extent necessary to comply with the court order and § 842.613. 

(2) A retiree who elects a fully reduced annuity or a one-half reduced annuity to provide a current spouse annuity may not elect to provide a former spouse annuity in an amount that either—

(i) Is smaller than the amount required by a qualifying court order; or 

(ii) Would cause the sum of all current and former spouse annuities based on a retiree's elections under §§ 842.604, 842.612 and this section to exceed the maximum allowed under § 842.613. 

(c) An election under this section is void—

(i) In the case of a married retiree, if the current spouse does not consent to the election on a form as described in § 842.606(c) and spousal consent is not waived by OPM in accordance with § 842.607; or 

(ii) To the extent that it provides a former spouse annuity for the spouse who was married to the retiree at the time of retirement in an amount that is inconsistent with any joint designation or waiver made at the time of retirement under § 842.603(a)(1) or (a)(2). 

(d) Any reduction in an annuity to provide a current spouse annuity will terminate on the first day of the month after the former spouse marries before age 55 or dies, or the former spouse's eligibility for a former spouse annuity terminates under the terms of a qualifying court order, unless—

(1) The retiree elects, within 2 years after the event causing the former spouse to lose eligibility, to continue the reduction to provide or increase a former spouse annuity for another former spouse, or to provide or increase a current spouse annuity; or 

(2) A qualifying court order requires the retiree to provide another former spouse annuity. 

(e) The amount of the reduction to provide one or more former spouse annuities or a combination of a current spouse annuity and one or more former spouse annuities under this section equals—

(1) Ten percent of the employee's or Member's annuity if the employee or Member elects a fully reduced annuity; or 

(2) Five percent of the employee's or Member's annuity if the employee or Member elects a one-half reduced annuity.

§ 842.612

Elect, within 2 years after a post-retirement marriage—

(1) A fully reduced annuity or a one-half reduced annuity to provide a current spouse annuity if—

(i) the retiree was awarded a fully reduced annuity under § 842.603 at the time of retirement; or

(ii) the election at the time of retirement was made with a waiver of spousal consent in accordance with § 842.607; or

(iii) the marriage at the time of retirement was to a person other than the spouse who would receive a current spouse annuity based on the post-retirement election; or

(2) A one-half reduced annuity to provide a current spouse annuity if—

(i) the retiree elected a one-half reduced annuity under § 842.606 at the time of retirement;

(ii) the election at the time of retirement was made with spousal consent in accordance with § 842.606; and

(iii) the marriage at the time of retirement was to the same person who would receive a current spouse annuity based on the post-retirement election.

(c) (1) Qualifying court orders prevent payment of current spouse annuities to the extent necessary to comply with the court order and § 842.613.

(2) If an election under this section causes the total of all current and former spouse annuities provided by a qualifying court order or elected under § 842.604, § 842.611, or this section to exceed the maximum survivor annuity permitted under § 842.613, OPM will accept the election but will pay the portion in excess of the maximum only when permitted by § 842.613(c).

(d) (1) Except as provided in paragraph (d)(2) or (e)(3) of this section, a retiree making an election under this section must deposit an amount equal to the difference between the amount of annuity actually paid to the retiree and the amount of annuity that would have been paid if the reduction elected under paragraphs (a) or (b) of this section had been in effect continuously since the time of retirement, plus 6 percent annual interest, computed under § 841.606 of this chapter, from the date when each difference occurred.

(2) An election under this section may be made without deposit, if that election prospectively voids an election of an insurable interest annuity.

(e) (1) An election under this section is irrevocable when received by OPM.

(2) An election under this section is effective when the marriage duration requirements of § 843.303 of this chapter are satisfied.

(3) If an election under paragraph (a) or (b) of this section does not become effective, no deposit under paragraph (d) of this section is required.

(4) If payment of the deposit under paragraph (d) of this section is not required because the election never became effective and if some or all of the deposit has been paid, the amount paid will be returned to the retiree, or, if the retiree has died, to the person who would be entitled to any lump-sum benefits under the order of precedence in section 8424 of title 5, United States Code.

(f) Any reduction in an annuity to provide a current spouse annuity will terminate effective on the first day of the month after the marriage to the current spouse ends, unless—

(1) the retiree elects, within 2 years after a divorce terminates the marriage, to continue the reduction to provide for a former spouse annuity; or

(2) a qualifying court order requires the retiree to provide a former spouse annuity.

(g) The amount of the reduction to provide a current spouse annuity under this section equals—

(1) ten percent of the employee's or Member's annuity if the employee or Member elects a fully reduced annuity; or

(2) five percent of the employee's or Member's annuity if the employee or Member elects a one-half reduced annuity.

(h) If a retiree who is receiving a reduced annuity to provide a former spouse annuity and who has remarried that former spouse (before the former spouse attained age 55) dies, the retiree will be deemed to have elected to continue the reduction to provide a current spouse annuity unless the retiree requests (or has requested) in writing that OPM terminate the reduction.

[57 FR 54680, Nov. 20, 1992, as amended at 60 FR 14202, Mar. 16, 1995]
§ 842.613 Division of a survivor annuity.
(a) The maximum combined total of all current and former spouse annuities (not including any benefits based on an election of an insurable interest rate) payable based on the service of a former employee or Member equals 50 percent of the rate of the self-only annuity that otherwise would have been paid to the employee, Member, or retiree.

(b) By using the elections available under this subpart or to comply with a court order under subpart I of part 841 of this chapter, a survivor annuity may be divided into a combination of former spouse annuities and a current spouse annuity so long as the aggregate total of the current and former spouse annuities does not exceed the maximum limitation in paragraph (a) of this section.

(c) Upon termination of former spouse annuity payments because of death or remarriage of the former spouse, or by operation of a court order, the current spouse will be entitled to a current spouse annuity or an increased current spouse annuity if—
   (1) The employee or Member died while employed in a position covered under FERS; or
   (2) The current spouse was married to the employee or Member continuously from the time of retirement and did not consent to an election not to provide a current spouse annuity; or
   (3) The current spouse married a retiree after retirement and the retiree elected, under §842.612, to provide a current spouse annuity for that spouse in the event that the former spouse annuity payments terminate.

§ 842.614 Computation of partial annuity reduction.
If a court order or the death of a current or former spouse results in providing less than the maximum permitted survivor reduction under §842.613, the reduction in the employee’s annuity will be 10 percent of the amount of the employee’s annuity on which the survivor benefits will be computed (called the “base”).

§ 842.615 Deposits required.
(a) The deposits required to elect reduced annuities under §§842.610, 842.611, and 842.612 are not annuity overpayments and their collection is not subject to waiver.

(b) Actuarial reduction in annuity of retirees who make post-retirement elections to provide a current spouse annuity or a former spouse annuity. (1) The annuity reduction required by paragraph (b)(2) of this section applies to all retirees who are required to pay deposits under §842.611 or §842.612 and have not paid any portion of the deposit prior to October 1, 1993, or from annuity accruing before that date.

(2) Retirees described in paragraph (b)(1) of this section must have a permanent annuity reduction computed under paragraph (b)(4) of this section.

(3) A reduction under paragraph (b)(2) of this section commences on the same date as the annuity reduction under §842.611 or §842.612.

(4) The annuity reduction under paragraph (b)(2) of this section is equal to the lesser of—
   (i) The amount of the deposit under §842.611 or §842.612 divided by the present value factor for the retiree’s age on the commencing date of the reduction under paragraph (b)(3) of this section (plus any previous reduction(s) in the retiree’s annuity required under paragraph (b)(2) or (c)(2) of this section); or
   (ii) Twenty-five percent of the rate of the retiree’s self-only annuity on the commencing date of the reduction (under paragraph (b)(3) of this section).

(5)(i) The reduction under paragraph (b)(2) or paragraph (c)(2) of this section terminates on the date that the retiree dies.
   (ii) If payment of a retiree’s annuity is suspended or terminated and later reinstated, or if a new annuity becomes payable, OPM will increase the amount of the original reduction computed under paragraph (b)(4) or paragraph (c)(4) of this section by any cost-of-living adjustments under section 8462 of title 5, United States Code, occurring between the commencing date of the original reduction and the commencing date of the reinstated or new annuity (but the adjusted reduction may not

Subpart G—Alternative Forms of Annuities

SOURCE: 52 FR 2067, Jan. 16, 1987, unless otherwise noted.

§ 842.701 Purpose.

This subpart explains the benefits available to employees and Members who elect alternative forms of annuity under section 8420a of title 5, United States Code.

§ 842.702 Definitions.

In this subpart—

Alternative form of annuity means the benefit elected under § 842.705.

Current spouse annuity has the same meaning as in § 842.602.

Date of final adjudication means the date 30 days after the date of the first regular monthly payment as defined in § 831.603.

Former spouse annuity has the same meaning as in § 842.602.

Present value factor represents the amount of money (earning interest at an assumed rate) required at the time of retirement to fund an annuity that (a) starts out at the rate of $1 a month and is payable in monthly installments for the annuitant's lifetime based on mortality rates for non-disability annuitants; and (b) increases each year at an assumed rate of inflation. Interest, mortality, and inflation rates used in computing the present value factors are those used by the Board of Actuaries for valuation of the System, based on dynamic assumptions. The present value factors are unisex factors obtained by averaging sex-distinct present value factors, weighted by the total dollar value of annuities typically paid to new retirees at each age. Time of retirement has the same meaning as in § 842.602.

§ 842.703 Eligibility.

(a) Except as provided in paragraphs (b), (c), and (d) of this section, an employee or Member who retires under any provision of subchapter II of chapter 84 of title 5, United States Code,
may elect an alternative form of annuity instead of any other benefits under the subchapter.

(b) An employee or Member who, at the time of retirement has a former spouse who is entitled to a portion of the employee's or Member's retirement benefits or a former spouse annuity under a court order acceptable for processing as defined by §838.103 of this chapter or a qualifying court order as defined in §838.1003 of this chapter may not elect an alternative form of annuity.

(c) An employee or Member who is married at the time of retirement may not elect an alternative form of annuity unless the employee's or Member's spouse specifically consents to the election. OPM may waive spousal consent only under the conditions prescribed by §842.607.

(d)(1)(i) An individual whose annuity commences after December 1, 1990, and before October 1, 1994, may elect an alternative form of annuity only if that individual is—
(A) An employee or Member who meets the conditions and fulfills the requirements described in §842.707(c)(2) and (3); or
(B) An employee who is separated involuntarily other than for cause on charges of misconduct or delinquency:
(ii) An individual whose annuity commences on or after October 1, 1994, may elect an alternative form of annuity only if that individual is—
(i) An employee or Member who meets the conditions and fulfills the requirements described in §842.707(c)(2) and (3).
(2) For the purpose of paragraph (d)(1)(i)(B) of this section, the term 'employee' does not include—
(A) Members of Congress;
(B) Individuals in positions in the Executive Schedule under sections 5312 through 5317 of title 5, United States Code;
(iii) Presidential appointees under section 105(a)(1), 106(a)(1), or 107 (a)(1) or (b)(1) of title 3, United States Code, if the maximum basic pay for such positions is at or above the rate for Executive Schedule, level V;
(iv) Noncareer appointees in the Senior Executive Service or noncareer members of the Senior Foreign Service; and
(v) Any individual in a position that is excepted from the competitive service because of its confidential, policy-determining, policy-making, or policy-advocating character.

(3) Notwithstanding paragraph (d)(1) of this section, an employee whose annuity commences after December 1, 1990, and before December 2, 1991, may elect an alternative form of annuity if that individual—
(A) Was ordered to active military duty (other than for training) before December 1, 1990, in connection with Operation Desert Shield; or
(B) Is an employee of the Department of Defense who is certified by the Secretary of Defense to have performed, after November 30, 1990, duties essential to support Operation Desert Shield, and the certification is submitted to OPM in a form prescribed by OPM; and
(ii) Would have been eligible, as of November 30, 1990, to elect an alternative form of annuity under paragraph (a) of this section.

§ 842.704 Election requirements.

(a) The election of an alternative form of annuity and evidence of spousal consent must be filed on a form prescribed by OPM within the time limit prescribed in paragraph (b)(2) of this section. The form will require that a notary public or other official authorized to administer oaths certify that the current spouse presented identification, gave consent to the specific election as executed by the retiree, signed or marked the form, and acknowledged that the consent was given freely in the notary's or official's presence.

(b) An election of the alternative form of annuity must be in writing and received by OPM on or before the date of final adjudication. After the date of final adjudication, an election of the alternative form of annuity is irrevocable.

(c) Except as provided in paragraph (d), an annuitant who dies before the time limit prescribed in paragraph (b)(2) of this section is deemed to have
made an affirmative election under §842.703(a) with a reduced annuity to provide a current spouse annuity, regardless of any election completed under §842.606, and the lump-sum credit will be paid in accordance with the order of precedence described in section 8424 of title 5, United States Code.

(d) If an annuitant described in paragraph (c) has completed an election under §842.604 (a) or (b)—

(1) The lump-sum credit will be paid in accordance with the order of precedence described in section 8424 of title 5, United States Code; and

(2) The election under §842.604 (a) or (b) will be honored.

§ 842.705 Alternative forms of annuities available.

(a) An employee or Member who is eligible to make an election under §842.703 may elect to receive his or her lump-sum credit, excluding interest, plus an annuity computed in accordance with sections 8415 and 8421 of title 5, United States Code, for which they qualify (including any reduction for survivor benefits) and reduced under §842.706.

(b) A retired employee or Member who elected an alternative form of annuity is subject to all provisions of subchapters II and IV of chapter 84 of title 5, United States Code, as would otherwise apply to a retired employee or Member who did not elect an alternative form of annuity. An individual who has elected an alternative form of annuity is not eligible to apply for disability annuity under subchapter V of such chapter.

§ 842.706 Computation of alternative form of annuity.

(a) To compute the beginning rate of annuity payable to a retiree who elects an alternative form of annuity, OPM will first compute the monthly rate of annuity (and annuity supplement, if any), otherwise payable under subchapter II of chapter 84 of title 5, United States Code, including all reductions provided under the subchapter other than those in section 8420a of that title. That monthly rate is then reduced by an amount equal to the retiree's lump-sum credit, excluding interest, divided by the applicable present value factor for the retiree's attained age (in full years) at the time of retirement. The reduced monthly rate is then rounded to the next lowest dollar and becomes the rate of annuity payable.

(b) OPM will publish a notice in the Federal Register announcing any proposed adjustments in present value factors at least 30 days before the effective date of the adjustments.

§ 842.707 Partial deferred payment of the lump-sum credit if annuity commences after January 3, 1988, and before October 1, 1989.

(a) Except as provided in paragraph (c) of this section, if the annuity of an employee or Member commences after January 3, 1988, and before October 1, 1989, the lump-sum credit payable under §842.705 is payable to the individual, or his or her survivors, according to the following schedule:

(1) Sixty percent of the lump-sum credit is payable at the time of retirement, and

(2) Forty percent is payable, with interest determined under section 8334(e)(3) of title 5, United States Code, one year after the time of retirement.

(b) If an employee or Member whose annuity commences after January 3, 1988, and before October 1, 1989, dies before the time limit prescribed in §842.704(b)(2), that individual is subject to §842.704 (c) or (d), but the lump-sum credit will be paid in accordance with the schedule in paragraph (a) of this section.

(c) An annuitant is exempt from the deferred payment schedule under paragraph (a) of this section if the individual—

(1) Separates involuntarily, other than for cause on charges of delinquency or misconduct, or

(2) Has, at the time of retirement, a life-threatening affliction or other critical medical condition.

(3)(i) For the purpose of this section, life-threatening affliction or other critical medical condition means a medical condition so severe as to reasonably limit
Office of Personnel Management

§ 842.708

an individual’s probable life expectancy to less than 2 years.

(ii) The existence of one of the following medical conditions is prima facie evidence of a life-threatening affliction or other critical medical condition:

(A) Metastatic and/or inoperable neoplasms.
(B) Aortic stenosis (severe).
(C) Class IV cardiac disease with congestive heart failure.
(D) Respiratory failure.
(E) Cor pulmonale with respiratory failure.
(F) Emphysema with respiratory failure.
(G) [Reserved].
(H) Severe cardiomyopathy—Class IV.
(I) Aplastic anemia.
(J) Uncontrolled hypertension with hypertensive encephalopathy.
(K) Cardiac aneurysm not amenable to surgical treatment.
(L) Acute anemia.
(M) Severe hepatic failure.
(N) Severe hypoxic brain damage.
(O) Severe portal hypertension with esophageal varices.
(P) AIDS (Active—Not AIDS Related Complex or only seropositivity).
(Q) Life-threatening infections (encephalitis, meningitis, rabies, etc.).
(R) Scleroderma with severe esophageal involvement.
(S) Amyotrophic lateral sclerosis (rapidly progressive).
(T) Hemiplegia with life threatening complications.
(U) Quadriplegia with life threatening complications.

(iii) Evidence of the existence of a life-threatening affliction or other critical medical condition must be certified by a physician and sent to OPM on or before the date the annuitant elects to receive an alternative form of annuity. For the purpose of this section, “physician” has the same meaning given that term in §339.102 of this chapter.

(iv) If a medical condition other than those listed in paragraph (c)(3)(i) of this section is claimed as a basis for exemption from the deferred payment schedule, OPM will review the physician’s certification to determine whether the cited condition is life-threatening or critical.

(v) The cost of providing medical documentation under this paragraph rests with the employee or Member, unless OPM exercises its choice of physician.

[53 FR 11635, Apr. 8, 1988, as amended at 60 FR 54587, Oct. 25, 1995]

§ 842.708 Partial deferred payment of the lump-sum credit if annuity commences after December 2, 1989, and before October 1, 1995.

(a) Except as provided in paragraph (c) of this section, if the annuity of a retiree commences after December 2, 1989, and before October 1, 1994, the lump-sum credit payable under §842.705 is payable to the individual, or his or her survivors, according to the following schedule:

(1) Fifty percent of the lump-sum credit is payable at the time of retirement, and
(2) Fifty percent is payable, with interest determined under section 8334(e)(3) of title 5, United States Code, one year after the time of retirement, except if the payment date of the amount specified in paragraph (a)(1) of this section was after December 4, 1989, payment with interest will be made in the calendar year following the calendar year in which the payment specified in paragraph (a)(1) of this section was made.

(b) If a retiree whose annuity commences after December 2, 1989, and before October 1, 1994, dies before the time limit prescribed in §842.704(b)(2), that individual is subject to §842.704(c) or (d), but the lump-sum credit will be paid in accordance with the schedule in paragraph (a) of this section.

(c)(1) A retiree is exempt from the deferred payment schedule under paragraph (a) of this section if the individual meets the conditions, and fulfills the requirements, described in §842.707(c).

(2)(i) A retiree who is exempt from the deferred payment schedule may waive that exemption by notifying OPM, in writing, on or before the date he or she elects to receive the alternative form of annuity.

(ii) Paragraph (c)(2)(i) of this section does not apply to an individual whose annuity commences after December 1, 1990, if that individual’s eligibility to
§ 842.801  Elect an alternative form of annuity is pursuant to § 842.703(d)(1)(i)(A).

(iii) A waiver under paragraph (c)(2)(i) of this section cannot be revoked.

Subpart H—Law Enforcement Officers, Firefighters, and Air Traffic Controllers

Source: 52 FR 2069, Jan. 16, 1987, unless otherwise noted.

§ 842.801  Applicability and purpose.

(a) This subpart contains regulations of the Office of Personnel Management (OPM) to supplement—

(1) 5 U.S.C. 8412(d) and (e), which establish special retirement eligibility for law enforcement officers, firefighters, and air traffic controllers employed under the Federal Employees Retirement System (FERS);

(2) 5 U.S.C. 8422(a)(2)(B), pertaining to deductions;

(3) 5 U.S.C. 8423(a), pertaining to Government contributions; and

(4) 5 U.S.C. 8425, pertaining to mandatory retirement.

(b) The regulations in this subpart are issued pursuant to the authority given to OPM in 5 U.S.C. 8461(g) to prescribe regulations to carry out the provisions of chapter 84 of title 5 of the United States Code, and in 5 U.S.C. 1104 to delegate authority for personnel management to the heads of agencies.

§ 842.802  Definitions.

In this subpart—

Agency head means, for the executive branch agencies, the head of an executive agency as defined in 5 U.S.C. §105; for the legislative branch, the Secretary of the Senate, the Clerk of the House of Representatives, or the head of any other legislative branch agency; for the judicial branch, the Director of the Administrative Office of the U.S. Courts; for the Postal Service, the Postmaster General; and for any other independent establishment that is an entity of the Federal Government, the head of the establishment. For purposes of this subpart, agency head is also deemed to include the designated representative of the head of an executive department as defined in 5 U.S.C. §101, except that, for provisions dealing with law enforcement officers and firefighters, the designated representative must be a department headquarters-level official who reports directly to the executive department head, or to the deputy department head, and who is the sole such representative for the entire department.

Air traffic controller means a civilian employee of the Department of Transportation or the Department of Defense in an air traffic control facility or flight service station facility who is actively engaged in the separation and control of air traffic or in providing preflight, inflight, or airport advisory service to aircraft operators, as provided in 5 U.S.C. 2109. Also included in this definition is an employee who is the first-level supervisor of any air traffic controller as described above.

Detention duties means duties that require frequent direct contact in the detention, direction, supervision, inspection, training, employment, care, transportation, or rehabilitation of individuals suspected or convicted of offenses against the criminal laws of the United States or the District of Columbia or offenses against the punitive articles of the Uniform Code of Military Justice (chapter 47 of title 10, United States Code). (See 5 U.S.C. 8401(17).)

Employee means an employee as defined by 5 U.S.C. 8401(11).

Firefighter means an employee occupying a rigorous position, whose primary duties are to perform work directly connected with the control and extinguishment of fires, as provided in 5 U.S.C. 8401(14). Also included in this definition is an employee occupying a rigorous firefighter position who moves to a supervisory or administrative position and meets the conditions of §642.803(b).

First-level supervisors are employees classified as supervisors who have direct and regular contact with the employees they supervise. First-level supervisors do not have subordinate supervisors. A first-level supervisor may
occupy a rigorous position or a secondary position if the appropriate definition is met.

Frequent direct contact means personal, immediate, and regularly-assigned contact with detainees while performing detention duties, which is repeated and continual over a typical work cycle.

Law enforcement officer means an employee occupying a rigorous position, whose primary duties are the investigation, apprehension, or detention of individuals suspected or convicted of offenses against the criminal laws of the United States, or the protection of officials of the United States against threats to personal safety, as provided in 5 U.S.C. 8401(17). Also included in this definition is an employee occupying a rigorous law enforcement officer position who moves to a supervisory or administrative position and meets the conditions of §842.803(b). Law enforcement officer also includes, as required by 5 U.S.C. 8401(17)(B), an employee of the Department of the Interior or the Department of the Treasury who occupies a position that, but for enactment of chapter 84 of title 5, United States Code, would be subject to the District of Columbia Police and Firefighters' Retirement System, as determined by the Secretary of the Interior or the Secretary of the Treasury, as appropriate. Except as provided above, the definition does not include an employee whose primary duties involve maintaining order, protecting life and property, guarding against or inspecting for violations of law, or investigating persons other than those who are suspected or convicted of offenses against the criminal laws of the United States.

Primary duties means those duties of a position that—
(a) Are paramount in influence or weight; that is, constitute the basic reasons for the existence of the position;
(b) Occupy a substantial portion of the individual’s working time over a typical work cycle; and
(c) Are assigned on a regular and recurring basis.

Duties that are of an emergency, incidental, or temporary nature cannot be considered “primary” even if they meet the substantial portion of time criterion. In general, if an employee spends an average of at least 50 percent of his or her time performing a duty or group of duties, they are his or her primary duties.

Rigorous position means a position the duties of which are so rigorous that employment opportunities should, as soon as reasonably possible, be limited (through establishment of a maximum entry age and physical qualifications) to young and physically vigorous individuals whose primary duties are—
(a) To perform work directly connected with controlling and extinguishing fires; or
(b) Investigating, apprehending, or detaining individuals suspected or convicted of offenses against the criminal laws of the United States or protecting the personal safety of United States officials.

The condition in this definition that employment opportunities be limited does not apply with respect to an employee who moves directly (i.e., without a break in service exceeding 3 days) from one rigorous law enforcement officer position to another or from one rigorous firefighter position to another. Rigorous position is also deemed to include a position held by a law enforcement officer as identified in 5 U.S.C. 8401(17)(B) (related to certain employees in the Departments of the Interior and the Treasury).

Secondary position means a position that—
(a) Is clearly in the law enforcement or firefighting field;
(b) Is in an organization having a law enforcement or firefighting mission; and
(c) Is either—
(1) Supervisory; that is, a position whose primary duties are as a first-level supervisor or law enforcement officers or firefighters in rigorous positions; or
(2) Administrative; that is, an executive, managerial, technical, semiprofessional, or professional position for which experience in a rigorous law enforcement or firefighting position, or equivalent experience outside
§ 842.803 Conditions for coverage.

(a) Rigorous positions. (1) An employee's service in a position that has been determined by the employing agency head to be a rigorous law enforcement officer or firefighter position is covered under the provisions of 5 U.S.C. 8412(d).

(2) An employee who is not in a rigorous position, nor covered while in a secondary position, and who is detailed or temporarily promoted to a rigorous position is not covered under the provisions of 5 U.S.C. 8412(d).

(3) A first-level supervisor position may be determined to be a rigorous position if it satisfies the conditions set forth in §842.802.

(b) Secondary positions. (1) An employee's service in a position that has been determined by the employing agency head to be a secondary law enforcement officer or firefighter position is covered under the provisions of 5 U.S.C. 8412(d), if all of the following criteria are met:

(i) The employee, while covered under the provisions of 5 U.S.C 8412(d), moves directly (that is, without a break in service exceeding 3 days) from a rigorous position to a secondary position;

(ii) The employee has completed 3 years of service in a rigorous position, including any such service during which no FERS deductions were withheld; and

(iii) The employee has been continuously employed in a secondary position or positions since moving from a rigorous position without a break in service exceeding 3 days, except that a break in employment in secondary positions that begins with an involuntary separation (not for cause), within the meaning of 5 U.S.C. 8414(b)(1)(A), is not considered in determining whether the service in secondary positions is continuous for this purpose.

(2) An employee who is not a rigorous position, nor covered while in a secondary position, and who is detailed or temporarily promoted to a secondary position is not covered under the provisions of 5 U.S.C. 8412(d).

(c) Air traffic controller. An employee's service in a position that has been determined to be an air traffic controller position by the employing agency head is covered under the provisions of 5 U.S.C. 8412(e).

(d) Except as specifically provided in this subpart, an agency head's authority under this section cannot be delegated.

§ 842.804 Evidence.

(a) An agency head's determination under §842.803(a) (finding that a position is a rigorous position) must be based solely on the official position description of the position in question and any other official description of duties and qualifications. The official documentation for the position should, as soon as is reasonably possible, establish that the primary duties of the position are so rigorous that the agency does not allow individuals to enter the position if they are over a certain age or if they fail to meet certain physical qualifications (that is, physical requirements and/or medical standards), as determined by the employing agency head based on the personnel management needs of the agency for the positions in question.

(b) A determination under §§842.803(b) or (c) must be based on the official position description and any other evidence deemed appropriate by the agency head for making the determination.

(c) If an employee is in a position not subject to the one-half percent higher withholding rate of 5 U.S.C. 8422(a)(2)(B), and the employee does not, within 6 months after entering the position or after any significant change in the position, formally and in writing seek a determination from the employing agency that his position is properly covered by the higher withholding rate, the agency head's determination that the service was not so covered at the time of the service is presumed to be correct. This presumption may be rebutted by a preponderance of the evidence that the employee was unaware of his or her status or was prevented by cause beyond his or her control from
requesting that the official status be changed at the time the service was performed.

§ 842.806 Mandatory separation.

(a) The mandatory separation provisions of 5 U.S.C. 8425 apply to all law enforcement officers, firefighters, and air traffic controllers including those in secondary positions and supervisory air traffic controller positions. A mandatory separation under 5 U.S.C. 8425 is not an adverse action under part 752 of this chapter or a removal action under part 359 of this chapter.

(b) Exemptions from mandatory separation are subject to the conditions set forth under 5 U.S.C. 8425. An exemption may be granted at the sole discretion of the head of the employing agency or by the President in accordance with 5 U.S.C. 8425(c).

(c) In the event that an employee is separated mandatorily under 5 U.S.C. 8425, or is separated for optional retirement under 5 U.S.C. 8412 (d) or (e), and OPM finds that all or part of the minimum service required for entitlement to immediate annuity was in a position that did not meet the requirements of a primary or secondary position and the conditions set forth in this subpart or, if applicable, in part 831 of this chapter, such separation will be considered erroneous.
§ 842.807 Review of decisions.

(a) The final decision of an agency denying an individual’s request for approval of a position as a rigorous, secondary, or air traffic controller position made under § 842.804(c) may be appealed to the Merit Systems Protection Board under procedures prescribed by the Board.

(b) The final decision of an agency denying an individual coverage while serving in an approved secondary position because of failure to meet the conditions in § 842.803(b) may be appealed to the Merit Systems Protection Board under procedures prescribed by the Board.

[57 FR 32690, July 23, 1992]

§ 842.808 Oversight of coverage determinations.

(a) Upon deciding that a position is a law enforcement officer or firefighter position, each agency head must notify OPM (Attention: Associate Director for Retirement and Insurance) stating the title of each position, the number of incumbents, whether the position is rigorous or secondary, and, if the position is rigorous, the established maximum entry age (or if no maximum entry age has yet been established, the date by which it will be established). The Director of OPM retains the authority to overrule an agency head’s determination that a position is a rigorous or secondary position, except such a determination under 5 U.S.C. 8401(17)(B) (concerning certain employees in the Departments of the Interior and the Treasury) or under 5 U.S.C. 8401(17)(D) (concerning certain positions primarily involved in detention activities).

(b) Each agency must establish a file containing all coverage determinations made by an agency head under § 842.803, and all background material used in making the determination.

(c) Upon request by OPM, the agency will make available the entire coverage determination file for OPM to audit to ensure compliance with the provisions of this subpart.

(d) Upon request by OPM, an agency must submit to OPM a list of all covered positions and any other pertinent information requested. For rigorous positions, the list must show the specific entry age requirement and physical qualification requirements for each position.

§ 842.809 Transitional provisions.

(a) Any service as an air traffic controller, within the meaning of this term under 5 U.S.C. 2109 as in effect on or after January 1, 1987—even if performed before that date—is included in determining an employee’s length of air traffic controller service under 5 U.S.C. 8412(e) for the purposes of retirement eligibility and for mandatory separation under 5 U.S.C. 8425(a) as long as the annuity is based on a separation from service occurring after 1986.

(b) Any service as a law enforcement officer or firefighter, within the meaning of these terms under 5 U.S.C. 8331 (20) and (21), that was performed before the date on which an employee becomes subject to chapter 84 of title 5, United States Code, is included in determining the employee’s length of law enforcement officer and firefighter service under 5 U.S.C. 8412(d) for the purposes of retirement eligibility and mandatory separation under 5 U.S.C. 8425(b). Service performed as a law enforcement officer or firefighter within the meaning of 5 U.S.C. 8331, other than service in a supervisory or administrative position, is considered to be service in a rigorous position for the purpose of the 3-year requirement of § 842.803(b)(1)(ii). The FERS definitions of firefighter under 5 U.S.C. 8401(14) and law enforcement officer under 5 U.S.C. 8401(17) are not applicable to service performed—

(1) Before 1987; or

(2) After 1986 and before an employee first becomes subject to chapter 84 (that is, subject to FERS deductions), unless that service was neither subject to CSRS deductions nor creditable in a CSRS component as described in § 846.304(b).

(c)(1) An individual who—

(i) Is covered as a law enforcement officer or firefighter under 5 U.S.C. 8336(c) in a supervisory or administrative position, having already met the transfer requirement of subpart I of part 831 of this chapter; and
(ii) Elects under section 301 of Pub. L. 99-335 to become subject to chapter 84 of such title and begins service in a secondary position with no break in service is considered to have met the transfer and 3-year requirements of §§842.803(b)(1)(i) and (ii) for coverage in a secondary position upon the effective date of the election.

(2) An individual who—
   (i) Is covered as a law enforcement officer or firefighter under 5 U.S.C. 8336(c) in a supervisory or administrative position, having already met the transfer requirement of subpart I of part 831 of this chapter; and
   (ii) Automatically becomes subject to chapter 84 of title 5 of the United States Code (not by election under section 301 of Pub. L. 99-335) serving in a secondary position is considered to have met the 3-year requirement of §842.803(b)(1)(ii) for coverage in a secondary position. The employee is not covered as a law enforcement officer or firefighter in a secondary position if he or she had a break in coverage as a law enforcement officer or firefighter (within the meaning of 5 U.S.C. 8331) exceeding 3 days immediately before becoming subject to chapter 84 of title 5 of United States Code. However, a break in coverage in supervisory or administrative positions occurring before the individual becomes subject to such chapter 84 that began with an involuntary separation (not for cause), within the meaning of 5 U.S.C. 8414(b)(1)(A), is not considered to be a break in service for this purpose.

(d) (1) The CSRS definitions of law enforcement officer under 5 U.S.C. 8331(20) and firefighter under 5 U.S.C. 8331(21) are applicable to service performed before an employee became subject to chapter 84 if the service was—
   (i) Subject to CSRS deductions at the time it was performed (including service that becomes creditable under FERS annuity computation rules);
   (ii) Performed before 1987 and not subject to retirement deductions; or
   (iii) Performed after 1986 and not subject to retirement deductions but is creditable in a CSRS component as described in §846.304(b).

(2) The determination of whether any service meets the CSRS definitions of law enforcement officer under 5 U.S.C. 8331(20) or firefighter under 5 U.S.C. 8331(21) must be made in accordance with the provisions of subpart I of part 831 of this chapter.

Subpart A—General Provisions

§ 843.101 Purpose.

(a) This part regulates death benefits and employee refunds under FERS.

(b) This subpart contains definitions and regulations that have general application throughout this part.

§ 843.102 Definitions.

In this part—

Accrued benefit means the accrued, unpaid annuity payable after the death of a retiree.
Office of Personnel Management § 843.102

Employee means an employee as defined in section 8401(11) of title 5, United States Code, and a Member as defined in section 8401(20) of title 5, United States Code. “Employee” includes a person who has applied for retirement under FERS but had not been separated from the service prior to his or her death, even if the person’s retirement would have been retroactively effective upon separation.

FERS means chapter 84 of title 5, United States Code.

Final annual rate of basic pay means the basic pay that an employee or Member would receive in a year at the current rate of pay. A pay rate other than an annual salary is converted to an annual rate by multiplying the prescribed rate by the number of pay units in a 52-week work year.

(a) The annual pay of a part-time (regularly scheduled) employee is the product of the employee’s final hourly rate of pay and the higher of—

(1) The number of hours that the employee was entitled to basic pay whether in a duty or paid leave status (not to exceed 2000 for Postal employees or 2080 for non-postal employees) in the 52-week work year immediately preceding the end of the last pay period in which the employee was in a pay status; or

(2) The number of hours in the employee’s regularly scheduled tour of duty in a 52-week work year.

(b) The annual pay of an intermittent (not regularly scheduled) employee is the product of the employee’s final hourly rate of pay and the number of hours that the employee was entitled to basic pay whether in a duty or paid leave status (not to exceed 2000 for Postal employees or 2080 for non-postal employees) in the 52-week work year immediately preceding the end of the last pay period in which the employee was in a pay status.

(c) If the part-time or intermittent employee’s current appointment began less than 52 weeks prior to the end of the last pay period in which the employee was in a pay status, the number of hours that the employee was entitled to basic pay is computed by multiplying the number of hours that the employee was paid basic pay by a fraction whose numerator is 52 and whose denominator is the number of weeks between the date of appointment and the end of the last pay period in which the employee was in a pay status.

(d) The annual pay for customs officers is the sum of the employee’s general schedule pay, locality pay, and the lesser of—

(1) Two times the employee’s final hourly rate of pay times the number of hours for which the employee was paid two times salary as compensation for overtime inspectional service under section 5(a) of the Act of February 11, 1911 (19 U.S.C. 261 and 267) plus three times the employee’s final hourly rate of pay times the number of hours for which the employee was paid three times salary as compensation for overtime inspectional service under section 5(a) in the 52-week work year immediately preceding the end of the last pay period in which the employee was in pay status; or

(2) $12,500.

Former spouse means a living person who was married for at least 9 months to an employee, separated employee, or retiree who performed at least 18 months of service creditable under FERS and whose marriage to the employee, separated employee, or retiree was terminated before the death of the employee, separated employee, or retiree.

Former spouse annuity means the basic annuity (and supplementary annuity, if any) payable to a former spouse.

Insurable interest beneficiary means a person designated to receive a survivor annuity under § 842.605 of this chapter.

Insurable interest reduction means the reduction in a retiree’s annuity because the retiree elected to provide a survivor annuity to an insurable interest beneficiary.

Marriage means a marriage recognized in law or equity under the whole law of the jurisdiction with the most significant interest in the marital status of the employee, Member, or retiree. If a jurisdiction would recognize more than one marriage in law or equity, the Office of Personnel Management (OPM) will recognize only one marriage but will defer to the local courts to determine which marriage should be recognized.
Minimum retirement age means the minimum retirement age as defined in § 842.202 of this chapter.1

Qualifying court order means a court order that awards a former spouse annuity and that satisfies the requirements of section 8445 of title 5, United States Code, for awarding a former spouse annuity.

Retiree means a former employee or Member who is receiving recurring payments under FERS based on service by the employee or Member. Retiree, as used in this subpart, does not include a current spouse, former spouse, child, or person with an insurable interest receiving a survivor annuity. Retiree for purposes of determining a person’s status at the time of death means that the person had been separated from the service and had met all the requirements to receive an annuity including having filed an application for the annuity prior to his or her death.

Separated employee means a former employee who has been separated from the service but who has not met all the requirements for retirement under FERS or who has not filed an application for retirement under FERS.

Step-child means a child who is the issue of a current or former spouse of the employee or retiree but is not the issue of the employee or retiree. A child is not a step-child unless the relationship between the employee or retiree and the child’s parent is a marriage.

1The definition of minimum retirement age which will be codified at 5 CFR 842.202 reads:

Minimum retirement age means an age based on an individual’s year of birth, as follows:

Supplementary annuity means the recurring payment under section 8442(f) of title 5, United States Code.

Unexpended balance means the unfunded amount consisting of—
(a) Retirement deductions made from the basic pay of an employee under subpart E of part 841 of this chapter;
(b) Amount deposited by an employee for periods of service (including military service) for which—
(1) No retirement deductions were made; or
(2) Deductions were refunded to the employee; and
(c) Interest compounded annually on the deductions and deposits at a rate which, for any calendar year, will be equal to the overall average yield to the Civil Service Retirement Fund during the preceding fiscal year from all obligations purchased by the Secretary of the Treasury during that fiscal year under section 8348 (c), (d), and (e) of title 5, United States Code, as determined by the Secretary of the Treasury. Interest on deductions and deposits does not include interest—
(1) If the service covered by the contributions totals 1 year or less; or
(2) For a fractional part of a month in the total service.

Subpart B—One-time Payments

§ 843.201 Purpose.

This subpart explains the requirements under FERS—

(1) As a refund of contribution, to separated employees; or
(2) As a death benefit, to survivors of employees, separated employees, and retirees; and
(b) For payment of any accrued, but unpaid, annuity to survivors of retirees.

§ 843.202 Eligibility for payment of the unexpended balance to a separated employee.
(a) Except as provided in §§ 843.208 and 843.209 or in section 3716 of title 31, United States Code, on administrative offset for Government claims, a separated employee who has been separated from a covered position for at least 31 days and who is ineligible for an annuity commencing within 31 days after the date of filing an application for refund is eligible for a payment of the unexpended balance.

(b) Periods of service for which employee contributions have been refunded are not creditable service in determining whether the employee has sufficient service to have title to an annuity or for any other purpose.

§ 843.203 Eligibility for a one-time payment upon death of an employee, separated employee, or retiree if no one is eligible for an annuity.
(a) Except as provided in section 3716 of title 31, United States Code, on administrative offset for Government claims, even if an annuity is payable, the person entitled in the order of precedence described in section 8424 of title 5, United States Code, may be paid—
(1) Partial deposits for civilian service performed on and after October 1, 1982, and
(2) Partial deposits for post-1956 military service; and
(b) Except as provided in subpart G of part 842 of this chapter or § 843.311, when someone is eligible for an annuity, the person entitled in the order of precedence may not be paid—
(1) Partial or completed deposits for nondeduction civilian service performed before October 1, 1982, unless the service covered by the deposit is not creditable under FERS; or
(2) Completed deposits for nondeduction civilian service performed on and after October 1, 1982, unless the service covered by the deposit is not creditable under FERS; or
(3) Completed deposits for post-1956 military service, unless the service covered by the deposit is not creditable under FERS.
(c) Payments of the partial or completed deposits mentioned in paragraph (b) of this section are subject to section 3716 of title 31, United States Code (administrative offset for Governmental claims).

§ 843.205 Designation of beneficiary—form and execution.
(a) A designation of beneficiary must be in writing, signed and witnessed, and received in the employing office (or in OPM, in the case of a retiree, or a compensationer, or a separated employee) before the death of the designator.

(b) The date of receipt of designation of beneficiary is presumed to be the date marked by the agency (or OPM).

§ 843.207 Agent of next of kin.

When a deceased employee or retiree has not named a beneficiary and one of the next of kin entitled makes a claim for the accrued benefit, other next of kin entitled to share in the unexpended balance or accrued benefit may designate the one who made the claim to act as their agent to receive their distributive shares.

§ 843.208 Notification of current and/or former spouse before payment of unexpended balance to a separated employee.

(a) Payment to an employee of the unexpended balance may be made only if current and former spouses are notified of the former employee's application.

(b) Proof of notification will consist of a signed and witnessed statement by the current and/or former spouse on a form provided by OPM acknowledging that he or she has been informed of the former employee's application for the unexpended balance and the consequences of the refund on the current or former spouse's possible annuity entitlement. This statement must be presented to the employing agency or OPM when filing the application for the unexpended balance.

(c) If the current and/or former spouse refuses to acknowledge the notification or the employee is otherwise unable to obtain the acknowledgment, the employee must submit—

1. Affidavits signed by two individuals who witnessed the employee's attempt to personally notify the current or former spouse. The witnesses must attest that they were in the presence of the employee and the current or former spouse and that the employee's purpose should have been clear to the current or former spouse; or

2. The current mailing address of the current or former spouse. OPM will attempt to notify (by certified mail—return receipt requested) the current or former spouse at the address provided by the employee. The unexpended balance will not be paid until OPM receives the signed return receipt.

§ 843.209 Waiver of notification requirement.

The current and/or former spouse notification requirement will be waived upon a showing that the current and/or former spouse's whereabouts cannot be determined. A request for waiver on this basis must be accompanied by—

Office of Personnel Management

§ 843.303 Marriage duration requirements.

(a) The current spouse of a retiree, an employee, or a separated employee can qualify for a current spouse annuity or the basic employee death benefit only if—
   (1) The current spouse and the retiree, employee, or separated employee had been married for at least 9 months, as explained in paragraph (b) of this section; or
   (2) A child was born of the marriage, as explained in paragraph (c) of this section; or
   (3) The death of the retiree, employee, or separated employee was accidental as explained in paragraph (d) of this section.

(b) For satisfying the 9-month marriage requirement of paragraph (a)(1) of this section, the aggregate time of all marriages between the spouse applying for a current spouse annuity and the retiree, employee, or separated employee is included.

(c) For satisfying the child-born-of-the-marriage requirement of paragraph (a)(2) of this section, any child, including a posthumous child, born to the spouse and the retiree, employee, or separated employee is included. This includes a child born out of wedlock if the parents later married or of a prior marriage between the same parties.

(d)(1) A death is accidental if it results from homicide or from bodily injuries incurred solely through violent,
§ 843.304 Commencing and terminating dates of survivor annuities.

(a) A current or former spouse annuity under this subpart commences on the day after the death of the person on whose service the annuity is based.

(b) A current or former spouse annuity under this subpart terminates on the last day of the month before the current or former spouse remarries before age 55 or dies.

(c) A current spouse annuity under this subpart terminated for reasons other than death may be restored under § 843.305.

(d) A survivor annuity accrues on a daily basis, one-thirtieth of the monthly rate constituting the daily rate. An annuity does not accrue for the 31st day of any month, except in the initial month if the survivor's (of a deceased employee) annuity commences on the 31st day. For accrual purposes, the last day of a 28-day month constitutes 3 days and the last day of a 29-day month constitutes 2 days.

§ 843.305 Reinstatement.

(a) If a current spouse annuity is terminated because of a remarriage of the recipient, the annuity is reinstated on the day of the termination of the remarriage by death, annulment, or divorce if—

(1) The surviving spouse elects to receive this annuity instead of another survivor benefit to which he or she may be entitled (under FERS or another retirement system for Government employees) by reason of the remarriage; and

(2) Any lump sum paid on termination of the annuity is repaid (in a single payment or by withholding payment of the annuity until the amount of the lump sum has accrued).

(b) If present or future entitlement to a former spouse annuity terminates because of remarriage of the recipient or potential recipient, the entitlement is permanently extinguished. An annulment of the remarriage does not reinstate the entitlement.

§ 843.306 Basic benefits on death of a non-disability retiree.

(a) Except as provided in §§ 843.307 and 843.312, and paragraph (b) of this section, if an annuitant dies and is survived by a current spouse, the current spouse is entitled to a current spouse annuity equal to 50 percent of an annuity computed under subpart D of part 842 of this chapter, with respect to the retiree, unless—

(1) The right to a current spouse annuity was waived under § 842.603 of this chapter (and no election was subsequently made under § 842.610 of this chapter nullifying the waiver); or

(2) In the case of a marriage after retirement, the retiree did not file an election under § 842.612 of this chapter.

(b) A current spouse who married the retiree after retirement is entitled to an annuity under paragraph (a) of this section only upon electing this annuity instead of any other survivor benefit to which such spouse may be entitled under this subpart, subpart B of this part, or under another retirement system for Government employees.

[52 FR 2074, Jan. 16, 1987, as amended at 52 FR 23014, June 17, 1987]

§ 843.307 Basic benefits on death of a disability retiree.

(a) Except as provided in § 843.312, the widow or widower of a retiree who retired based on disability under part 844 of this chapter is entitled to a current spouse annuity based on the service of the disability annuitant computed under paragraph (b) of this section.

(b)(1) In the case of a current spouse entitled to an annuity based on the service of a disability annuitant who died after attaining age 62, the amount of the current spouse annuity is one-half of the amount of the annuity to
which such disability annuitant was entitled as computed under part 844 of this chapter (including any appropriate reduction under §844.302(b)(2) or (c)(2) of this chapter, and any adjustments under section 8462 of title 5, United States Code) as of the day before the date of the disability annuitant's death.

(2) In the case of a current spouse entitled to an annuity based on the service of a disability annuitant who dies before age 62, the amount of the current spouse annuity equals 50 percent of the amount to which the disability annuitant would have been entitled under §844.303 of this chapter, if the disability annuitant had attained age 62 on the day before his or her death. However, in determining the amount under §844.303(a) of this chapter, creditable service includes the period of time between the date of death and the date of the 62nd anniversary of the birth of the annuitant, but average pay is adjusted (under section 8462 of title 5, United States Code) only through date of death.

[52 FR 2074, Jan. 16, 1987, as amended at 52 FR 23014, June 17, 1987]

§843.308 Supplementary benefits on death of a retiree.

(a) Except as provided in §843.312 and paragraph (d) of this section, a current spouse of a deceased retiree who is entitled to a current spouse annuity based on the retiree's service is also entitled to a supplementary annuity.

(b) The amount of the supplementary annuity under this section equals the lesser of—

(1) The amount by which the survivor's assumed CSRS annuity exceeds the annuity payable to the current spouse under §843.306 or §843.307; or

(2) The amount equal to the widow's or widower's insurance benefits that would be payable to him or her under title II of the Social Security Act (without regard to section 202(f)(2) of the Act) based on the wages and self-employment income of the deceased annuitant, except that for purposes of this calculation—

(i) The social security earnings test (section 203 of the Act) does not apply; and

(ii) The benefit is computed—

(A) As of the date on which the retiree dies; and

(B) As if the survivor had attained age 60 and made application for those benefits under subsection (e) or (f) of section 202 of the Act; and

(iii) In computing the primary insurance amount—

(A) For years of service under FERS, only the retiree's basic pay is considered to be wages; and

(B) For each year after age 21 for which the retiree did not work under FERS, the retiree's wages are deemed to equal the amount in appendix B of this subpart corresponding to that year multiplied by the retiree's basic pay for his or her first full year of employment under FERS divided by the amount in appendix B of this subpart corresponding to his or her first full year of employment under FERS.

(c)(1) The supplementary annuity terminates at the beginning of the month in which the survivor first satisfies the minimum age requirement under section 202(e)(1)(B)(i) or 202(f)(1)(B)(i) of the Social Security Act.

(2) The supplementary annuity is not payable to a survivor—

(i) Who would not be entitled to benefits under section 202(e) or (f) of the Social Security Act based on the wages and self-employment income of the deceased annuitant (determined, as of the date of the annuitant's death, as if the survivor had attained age 60 and made appropriate application for benefits, but without regard to any restriction relating to remarriage); or

(ii) For any calendar month in which the survivor is entitled (or would, on proper application, be entitled) to benefits under section 202(g) of the Social Security Act (relating to mother's and father's insurance benefits), or under section 202(e) or (f) of the Act by reason of having become disabled, based on the wages and self-employment income of the deceased annuitant.

(d) For purposes of this section—

(1) "Assumed CSRS annuity," as used in the case of a survivor, means the amount of the annuity to which such survivor would be entitled under CSRS based on the service of the deceased annuitant, which is determined—

(i) As of the day after the date of the annuitant's death;
§ 843.309 Basic employee death benefit.

(a) Except as provided in §843.312, if an employee or Member dies after completing at least 18 months of civilian service creditable under subpart C of part 842 of this chapter and is survived by a current spouse who meets the requirements of §843.303, the current spouse is entitled to the basic employee death benefit equal to the sum of—

(1) Fifty percent of the final annual rate of basic pay (or of the average pay, if higher) of the employee; and

(2) Fifteen thousand dollars as adjusted under section 8462 of title 5, United States Code.

(b) The current spouse may elect to receive the basic employee death benefit in one of the following forms—

(1) A one-time payment; or

(2)(i) For deaths occurring before October 1, 1987, 36 equal monthly installments of 3.05642 percent of the amount of the basic employee death benefit.

(ii) For deaths occurring on or after October 1, 1987, 36 equal monthly installments of 3.06921 percent of the amount of the basic employee death benefit.

(c)(1)(i) A current spouse who has elected to receive the basic employee death benefit in 36 installments under paragraph (b)(2) of this section may elect to receive the remaining portion of the basic employee death benefit in one payment.

(ii) The election to receive the remaining portion of the basic employee death benefit in one payment must be in writing and signed by the current spouse.

(iii) The election to receive the remaining portion of the basic employee death benefit in one payment is irrevocable when OPM authorizes the payment.

(2) Upon the death of a current spouse who was receiving the basic employee death benefit in 36 installments under paragraph (b)(2) of this section, the remaining portion of the basic employee death benefit will be paid as one payment to the estate of the current spouse.

(3) As used in this section, “remaining portion of the basic employee death benefit” means the amount of the basic employee death benefit computed under paragraph (a) of this section that has not been paid. The amount is the remaining principal computed based on an amortization schedule with the initial principal equal to the amount computed under paragraph (a) of this section and the interest rate based on the applicable factor under paragraph (b)(2) of this section.

§ 843.310 Annuity based on death of an employee.

Except as provided in §843.312, if an employee dies after completing at least 10 years of service, a current spouse is entitled to an annuity equal to 50 percent of the annuity computed under subpart D of part 842 of this chapter (without reduction for age), with respect to the employee. The annuity is in addition to the benefit described in §843.309.

(a) Except as provided in §843.312, if a separated employee who has completed at least 10 years of service dies after having separated from the service with title to a deferred annuity under §842.212 of this chapter, but before having established a valid claim for an annuity, and is survived by a current spouse to whom he or she was married on the date of separation, the current spouse may elect to receive—

§ 843.313 Elections between survivor annuities.

(a) A current spouse annuity cannot be reinstated under §843.305 unless—

(2) Any lump sum paid on termination of the annuity is returned to the Civil Service Retirement and Disability Fund.

(b) A current spouse is entitled to a current spouse annuity based on an election by that retiree under §842.612 only upon electing this current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under FERS, or any other retirement system for Government employees.

(c) A former spouse who marries a retiree is entitled to a former spouse annuity based on an election by that retiree under §842.611, or a qualifying court order terminating that marriage to that retiree only upon electing this former spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under FERS, or any other retirement system for Government employees.

§ 843.312 Payment to former spouses.

(a) Any benefit (or a portion of any benefit) payable to a current spouse under this subpart is payable to a former spouse instead if the former spouse is entitled to that benefit under the terms of a qualifying court order or an election under subpart F of part 842 of this chapter.

(b) A current spouse is entitled to a current spouse annuity based on an election by that retiree under §842.612 only upon electing this current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under FERS, or any other retirement system for Government employees.

(c) A former spouse who marries a retiree is entitled to a former spouse annuity based on an election by that retiree under §842.611, or a qualifying court order terminating that marriage to that retiree only upon electing this former spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under FERS, or any other retirement system for Government employees.
§ 843.314

Subpart D—Child Annuities

§ 843.401 Purpose.

This subpart explains the survivor benefits payable under FERS to children based on the deaths of employees and retirees.

§ 843.402 Eligibility requirements.

A surviving child of an employee or retiree who dies after completing 18 months of civilian service creditable under FERS is entitled to an annuity under this subpart.

§ 843.403 Proof of parentage.

(a) A judicial determination of parentage conclusively establishes the paternity of a child.

(b) Except as provided in paragraph (a) of this section, a child born to the wife of a married person is presumed to be the child of the wife's husband. This presumption may be rebutted only by clear and convincing evidence that the husband is not the father of the child.

(c) When paternity is not established under paragraph (a) or (b) of this section, paternity is determined by a preponderance of the credible evidence as defined in §1201.56(c)(2) of this title.

§ 843.404 Proof of adoption.

(a) An adopted child is—

(1) A child adopted by the employee or retiree before the death of the employee or retiree; or

(2) A child who lived with the employee or retiree and for whom a petition for adoption was filed by the employee or retiree and who is adopted by the current spouse of the employee or retiree after the death of the employee or retiree.

(b) The only acceptable evidence to prove status as an adopted child under paragraph (a)(1) of this section is a copy of the judicial decree of adoption.

(c) The only acceptable evidence to prove status as an adopted child under paragraph (a)(2) of this section is copies of—

(1) The petition for adoption (clearly showing the date filed); and

(2) The judicial decree of adoption.

§ 843.405 Dependency.

To be eligible for survivor annuity benefits, a child must have been dependent on the employee or retiree at the time of the employee's or retiree's death.

§ 843.406 Proof of dependency.

(a) A child is considered to have been dependent on the deceased employee or retiree if he or she is—

(1) A legitimate child; or

(2) An adopted child; or

(3) A stepchild or recognized natural child who lived with the employee or retiree in a regular parent-child relationship at the time of the employee's or retirees death; or

(4) A recognized natural child for whom a judicial determination of support was obtained; or

(5) A recognized natural child to whose support the employee or retiree made regular and substantial contributions.

(b) The following are examples of proofs of regular and substantial support. More than one of the following proofs may be required to show support

297
§ 843.407 Disabilities.

A child is eligible for continued annuity because the child is incapable of self-support if the Social Security Administration finds that the child is eligible for continued social security child’s benefits because the child is incapable of self-support.

§ 843.408 Commencing and terminating dates of child annuities.

(a) An annuity under this subpart—

(1) Commences on the day after the retiree or employee dies;

(2) Commences or resumes on the first day of the month in which the child later becomes or again becomes a student as described by §843.313, if any lump sum paid is returned to the Civil Service Retirement Fund; or

(3) Commences or resumes on the first day of the month in which the child later becomes or again becomes incapable of self-support because of a mental or physical disability incurred before age 18 (or a later recurrence of such disability), if any lump sum is returned to the Fund.

(b) An annuity under this subpart terminates on the last day of the month before the child—

(1) Becomes 18 years of age unless he or she is a student as described in §843.410 or is incapable of self-support;

(2) Becomes capable of self-support after becoming 18 years of age unless he or she is a student as described in §843.410;

(3) Becomes 22 years of age if he or she is a student as described in §843.410 and—

(i) Capable of self-support; or

(ii) Incapable of self-support because of a mental or physical disability incurred after age 18;

(4) Ceases to be such a student as described in §843.410 after becoming 18 years of age unless he or she is incapable of self-support; or

(5) Dies or marries.

(c) A survivor annuity accrues on a daily basis, one-thirtieth of the monthly rate constituting the daily rate. An annuity does not accrue for the 31st day of any month, except in the initial month if the survivor’s (of a deceased employee) annuity commences on the 31st day. For accrual purposes, the last day of a 28-day month constitutes 3 days and the last day of a 29-day month constitutes 2 days.

§ 843.409 Rates of annuities.

(a) For each month, the amount of annuity payable to each surviving child under this subpart is—

(1) The difference between the basic child’s annuity rate for that month and the total amount of child’s insurance benefits under title II of the Social Security Act payable for that month to all children of the employee or retiree based on the total earnings (including any non-Federal wages or self-employment subject to FICA taxes) of the employee or retiree;

(2) Divided by the total number of children entitled to annuity based on the service of that employee or retiree.
§ 843.410 Annuity for a child age 18 to 22 during full-time school attendance.

(a) General requirements for an annuity.

(1) For a child age 18 to 22 to be eligible to receive an annuity as a full-time student, the child must also meet all other requirements applicable to qualify for an annuity by a child who has not attained age 18.

(2) In addition to the requirements of paragraph (a)(1) of this section, OPM must receive certification, in a form prescribed by OPM, that the child is regularly pursuing a full-time course of study in an accredited institution.

(b) Full-time course of study. (1) Generally, a full-time course of study is a noncorrespondence course which, if successfully completed, will lead to completion of the education within the period generally accepted as minimum for completion, by a full-time day student, of the academic or training program concerned.

(2) A certification by an accredited institution that the student's workload is sufficient to constitute a full-time course of study for the program in which the student is enrolled is prima facie evidence that the student is pursuing a full-time course of study.

(c) Certification of school attendance.

(1) OPM may periodically request the recipient of a child's annuity payments to furnish certification of school attendance. The certification must be completed in the form prescribed by OPM.

(2) If OPM requests the recipient of a child's annuity payments to provide a self-certification of school attendance, the recipient must complete and sign the certification form.

(3) If OPM requests the recipient of a child's annuity payments to provide a certification by the school, the certification must be signed by an official who is either in charge of the school or in charge of the school's records. OPM will not accept certification forms signed by instructors, counselors, aides, roommates, or others not in charge of the school or the records.

(i) If the educational institution is at the high school level, the certification must be signed by the superintendent of schools, assistant superintendent of schools, principal, vice principal, assistant principal, or the equivalent.

(ii) If the educational institution is at the high school level, the certification must be signed by the president, vice president, director, assistant director, or the equivalent.

(4) OPM will accept a facsimile signature of a school official only if it is accompanied by a raised seal of the institution or other evidence clearly demonstrating the authenticity of the certification and making unauthorized use of the signature stamp unlikely.

(d) Continuation of annuity during interim breaks. A child's annuity continues during interim breaks between school years if the following conditions are satisfied:

(1) The student must have been a full-time student at the end of the school term immediately before the break.

(2) The break between the end of the last term of full-time attendance and the return to full-time attendance must not exceed 5 months. (See §841.109 of this chapter, concerning calculation of this time period.)

(3) The recipient of a child's annuity payments must show that the student has a bona fide intent to return to school as a full-time student immediately after the break. The full-time certification for the period term and the certification (in a form prescribed by OPM) by the recipient of a child's annuity payments that the student intends to return to school (immediately after the break) as a full-time student constitute prima facie evidence of a bona fide intent to return to school.
§ 843.411

   (e) Benefits after age 22. (1) A student's eligibility for a child's annuity terminates based on reaching age 22 on—
   (i) June 30 of the calendar year of the child's 22nd birthday if the child's birthday is before July 1; or
   (ii) The last day of the month before the child's 22nd birthday if the child's birthday occurs after June 30 but before September 1 of the calendar year; or
   (iii) June 30 of the year after the one in which the child attains age 22 if the child's birthday is after August 31 of the calendar year.

   (2)(i) An otherwise eligible child who becomes a full-time student after his or her 22nd birthday but before the date the annuity terminates under paragraph (e)(1) of this section is eligible for annuity while he or she is a full-time student until the termination date under paragraph (e)(1) of this section.

   (ii) An otherwise eligible child who is a full-time student, and whose parent dies after the child's 22nd birthday but before the date the annuity terminates under paragraph (e)(1) of this section, is eligible for an annuity while he or she is a full-time student after the death of the parent until the termination date under paragraph (e)(1) of this section.

   [58 FR 32052, June 8, 1993]

§ 843.503 Commencing and terminating dates.

   (a) An annuity under this subpart commences on the day after the retiree dies.

   (b) An annuity under this subpart terminates on the last day of the month before the insurable interest beneficiary dies.

   (c) A survivor annuity accrues on a daily basis, one-thirtieth of the monthly rate constituting the daily rate. An annuity does not accrue for the 31st day of any month, except in the initial month if the survivor's (of a deceased employee) annuity commences on the 31st day. For accrual purposes, the last day of a 28-day month constitutes 3 days and the last day of a 29-day month constitutes 2 days.

§ 843.504 Rate of annuity.

   The amount of an annuity under this subpart is 55 percent of the retiree's annuity after the insurable interest reduction.

Subpart A—General Provisions

§ 844.101 Purpose.
This part establishes the requirements under the Federal Employees' Retirement System (FERS) for eligibility to receive a disability annuity, application procedures for disability annuities, rules for computing a disability annuity, and the conditions and procedures under which a disability annuity is terminated and reinstated.

§ 844.102 Definitions.
In this part:
Accommodation means a reasonable adjustment made to an employee's job or work environment that enables the employee to perform the duties of the position. Accommodation may include modifying the worksite; adjusting the work schedule; restructuring the job; obtaining or modifying equipment or devices; providing interpreters, readers, or personal assistants; and retraining the employee.
Basic pay means the pay an employee receives that is subject to deductions under FERS.
Commuting area has the meaning given the term “local commuting area” in §351.203 of this chapter.
Disabled and disability means unable or inability, because of disease or injury, to render useful and efficient service in the employee's current position.
FERS means the Federal Employees' Retirement System established under chapter 84 of title 5, United States Code.
Medical condition means a health impairment resulting from a disease or injury, including a psychiatric disease. This is the same definition of “medical condition” that is found in §339.104 of this chapter.
Medical documentation means a statement from a licensed physician, which may be supplemented by a statement from another appropriate practitioner, that provides information OPM considers necessary to determine an individual's entitlement to benefits under this part. Such a statement must meet the criteria set forth in §339.104 of this chapter.
Military reserve technician has the same meaning given this term in 5 U.S.C. 8401(30).
OPM means the Office of Personnel Management.
Permanent position means an appointment without time limitation.
Physician and practitioner have the same meaning given these terms in §339.104 of this chapter.
Qualified for reassignment means able to meet the minimum requirements for the grade and series of the vacant position in question.
Same grade or pay level means, in regard to a vacant position within the same pay as the position the employee currently occupies, the same grade and an equivalent amount of basic pay. A position under a different pay system or schedule is at the same pay level if the representative rate, as defined in §532.401 of this chapter, equals the representative rate of the employee's current position.
Useful and efficient service means acceptable performance of the critical or essential elements of the position; and satisfactory conduct and attendance.
Vacant position means an unoccupied position of the same grade or pay level and tenure for which the employee is qualified for reassignment that is located in the same commuting area and, except in the case of a military reserve
§ 844.103 Eligibility.

(a) Except as provided in paragraph (c) of this section, an individual must meet the following requirements in order to receive a disability annuity:

(1) The individual must have completed at least 18 months of civilian service that is creditable under FERS, as defined in §842.304 of this chapter;

(2) The individual must, while employed in a position subject to FERS, have become disabled because of a medical condition, resulting in a deficiency in performance, conduct, or attendance, or if there is no such deficiency, the disabling medical condition must be incompatible with either useful and efficient service or retention in the position;

(3) The disabling medical condition must be expected to continue for at least 1 year from the date the application for disability retirement is filed;

(4) Accommodation of the disabling medical condition in the position held must be unreasonable; and

(5) The individual must not have declined an offer of reassignment to a vacant position.

(b) The employing agency must consider a disability applicant for reassignment to any vacant position. The agency must certify to the Office of Personnel Management (OPM) either that there is no vacant position or that, although it made no offer of reassignment, it considered the individual for a vacant position. If an agency offers a reassignment and the individual declines the offer, the individual may appeal the agency’s determination that the individual is not disabled for the position in question to the Merit Sys-
Office of Personnel Management

§ 844.202 Office of Personnel Management § 844.202 has not received a refund of contributions under §843.202 retains the right to elect to receive an annuity under part 842 or 844, as the case may be, in the event that the individual's compensation payments cease or are reduced.

§ 844.106 Disability annuities which include credit for service with a non-appropriated fund instrumentality.

A disability annuity that includes credit for service with a non-appropriated fund instrumentality performed after December 31, 1965, based on an election under subpart D of part 847 of this chapter is computed under part 847 of this chapter.

[61 FR 41721, Aug. 9, 1996]

Subpart B—Applications for Disability Retirement

§ 844.201 General requirements.

(a)(1) Except as provided in paragraphs (a)(3) and (a)(4) of this section, an application for disability retirement is timely only if it is filed with the employing agency before the employee or Member separates from service, or with the former employing agency or OPM within 1 year thereafter.

(2) An application for disability retirement that is filed with OPM, an employing agency or former employing agency by personal delivery is considered filed on the date on which OPM, the employing agency or former employing agency receives it. The date of filing by facsimile is the date of the facsimile. The date of filing by mail is determined by the postmark date; if no legible postmark date appears on the mailing, the application is presumed to have been mailed 5 days before its receipt, excluding days on which OPM, the employing agency or former employing agency receives it. The date of filing by overnight delivery is the date the application is given to the overnight delivery service.

(3) An application for disability retirement that is filed with OPM or the applicant's former employing agency within 1 year after the employee's separation, and that is incompletely executed or submitted in a letter or other form not prescribed by OPM, is deemed timely filed. OPM will not adjudicate the application or make payment until the application is filed on a form prescribed by OPM.

(4) OPM may waive the 1-year time limit if the employee or Member is mentally incompetent on the date of separation or within 1 year thereafter, in which case the individual or his or her representative must file the application with the former employing agency or OPM within 1 year after the date the individual regains competency or a court appoints a fiduciary, whichever is earlier.

(b)(1) Before payment of a disability annuity under this part can be authorized, the applicant must provide OPM with:

(i) Satisfactory evidence that the applicant has filed an application for disability insurance benefits under section 223 of the Social Security Act; or

(ii) An official statement from the Social Security Administration that the individual is not insured for disability insurance benefits as defined in section 223(c)(1) of the Social Security Act.

(2) A disability retirement application under this part will be dismissed when OPM is notified by the Social Security Administration that the application referred to in paragraph (b)(1)(i) of this section has been withdrawn. All rights to an annuity under this part terminate upon withdrawal of an application for social security disability benefits.

(c) An agency may consider the existence of a pending disability retirement application when deciding whether and when to take other personnel actions. An employee's filing for disability retirement does not require the agency to delay any appropriate personnel action.

§ 844.202 Agency-filed disability retirement applications.

(a) Basis for filing an application for an employee. An agency must file an application for disability retirement of an employee who has 18 months of Federal civilian service when all of the following conditions are met:

1. The employee has been certified as being incapacitated for the performance of his or her duties.

2. The employee does not have a pending application for disability retirement to which OPM has not made a final decision.

3. OPM has not received a request for a refund of contributions under §843.202.

[61 FR 41721, Aug. 9, 1996]
§ 844.203 Supporting documentation.

(a) An individual or agency filing an application for disability retirement is responsible for providing OPM with the evidence described in §844.203(b)(1), as well as whatever documentation OPM requires in order to determine whether the individual meets the eligibility requirements set forth in §844.103. The documentation must be provided in a form prescribed by OPM. Failure to submit the documentation required is grounds for dismissing the application. It is also the responsibility of the disability annuitant to obtain and submit evidence OPM requires to show continuing entitlement to disability benefits. Unless OPM orders an examination by a physician of its choice under paragraph (b) of this section, the cost of providing medical documentation rests with the applicant or disability annuitant.

(b) OPM may offer the applicant a medical examination when it determines that an independent evaluation of medical evidence is needed in order to make a decision regarding an application for a disability annuity or a disability annuitant’s entitlement to continuing benefits. The medical examination will be conducted by a medical officer of the United States or a qualified physician or board of physicians designated by OPM. The applicant’s refusal to submit to an examination is grounds for dismissal of the application or termination of payments to an annuitant.
(c)(1) OPM will review the documentation submitted under paragraph (a) of this section to determine whether the individual has met the eligibility requirements set forth in §844.103. OPM will issue its decision in writing to the individual and to the employing agency. The decision will include a statement of OPM’s findings and conclusions and an explanation of the applicant’s right to request reconsideration or MSPB review under §844.104.

(2) OPM may rescind a decision to allow an application for disability retirement at any time if OPM determines that the original decision was erroneous due to fraud, misstatement of fact, or upon the acquisition of additional medical or other documentation. OPM will provide the individual and the employing agency with written notification of the rescission, including a statement of OPM’s findings and conclusions and an explanation of the individual’s right to request reconsideration or MSPB review under §844.104.

(d) Subject to 5 U.S.C. 552a, any supporting documentation provided to OPM under this section may be shared with the Social Security Administration and the Office of Workers’ Compensation Programs of the U.S. Department of Labor.

Subpart C—Computation of Disability Annuity

§ 844.301 Commencing date of disability annuity.

A disability annuity under this part commences on the day after the employee separates or the day after pay ceases and the employee meets the requirements for title to an annuity.

§ 844.302 Computation of disability annuity before age 62.

(a) For the purposes of this subpart, the ‘‘adjusted social security disability benefit’’ is the benefit to which an annuitant is entitled under section 223 of the Social Security Act:

(1) For the month in which the annuity under this part commences, or is reinstated under §844.405, or, if later, the first month for which the annuitant is entitled to both an annuity under this part and a social security disability benefit;

(2) Including, where appropriate, a reduction under section 224 of the Social Security Act, based on the amount of the disability annuity under this subpart without regard to paragraphs (b)(2) and (c)(2) of this section; and

(3) Adjusted by each cost-of-living increase effective under 5 U.S.C. 8462(b) beginning with the later of the month after the 12-month period referred to in paragraph (b)(1) of this section, or the first month for which the annuitant is entitled to both an annuity under this part and a social security disability benefit.

(b)(1) Except as otherwise provided in this part, the annuity payable under this subpart until the end of the 12th month beginning after the annuity commences (or is reinstated under §844.405) is equal to 60 percent of the annuitant’s average pay.

(b)(2) For months for which the annuitant is also entitled to a social security disability benefit, the amount computed under paragraph (b)(1) of this section is reduced by 100 percent of the annuitant’s adjusted social security disability benefit.

(c)(1) Except as otherwise provided in this part, the annuity under this subpart after the period described in paragraph (b)(1) of this section is equal to 40 percent of the annuitant’s average pay.

(c)(2) For months after the period described in paragraph (b)(1) of this section for which the annuitant is also entitled to a social security disability benefit, the amount computed under paragraph (c)(1) of this section is reduced by 60 percent of the annuitant’s adjusted social security disability benefit.

(d) For months in which an annuity is reduced under paragraph (b) or (c) of this section, any reduction for survivor benefits is made after the reduction for social security benefits.

§ 844.303 Minimum disability annuity.

Notwithstanding any other provision of this part, an annuity payable under this part cannot be less than the amount of an annuity computed under 5 U.S.C. 8415 (excluding subsection (f)
§ 844.304 Computation of disability annuity for those otherwise eligible to retire.

(a) An individual retiring under this part is not entitled to elect to receive an alternative form of annuity under 5 U.S.C. 8420a, even if the individual meets the requirements for retirement under another part and would be entitled to elect an alternative form of annuity in connection therewith.

(b) Notwithstanding any other provision of this part, an annuity payable under this part will be computed under 5 U.S.C. 8415 if it commences or is reinstated under § 844.405 (b) or (c) of this part on or after:

1. The annuitant has satisfied the age and service requirements for retirement under 5 U.S.C. 8412 (a) through (f); or

2. The annuitant has reached age 62.

§ 844.305 Redetermination of disability annuity at age 62.

Effective on and after the annuitant’s 62nd birthday, the rate of annuity payable under this part will be computed with respect to the annuitant under 5 U.S.C. 8415 (including subsection (g) of that section), including credit for all periods before the annuitant’s 62nd birthday during which he or she was entitled to an annuity under this part. The average pay used in computing the annuity under 5 U.S.C. 8415 is adjusted by all cost-of-living increases effective under 5 U.S.C. 8462(b) during the period the annuitant was receiving the disability annuity under this part.

Subpart D—Termination and Reinstatement of Disability Annuity

§ 844.401 Recovery from disability.

(a) Each annuitant receiving disability annuity from the Fund shall be examined under the direction of OPM at the end of one year from the date of disability retirement and annually thereafter until the annuitant becomes 60 years of age unless the disability is found by OPM to be permanent in character. OPM may order a medical or other examination at any time to determine the facts relative to the nature and degree of disability of the annuitant. Failure to submit to reexamination shall result in suspension of annuity.

(b) A disability annuitant may request medical reevaluation under the provisions of this section at any time. OPM may reevaluate the medical condition of disability annuitants age 60 or over only on their own request.

(c) Recovery based on medical or other documentation. When OPM determines on the basis of medical documentation or other evidence that a disability annuitant has recovered from the disability, OPM will terminate the annuity effective on the first day of the month beginning 1 year after the date of the medical documentation or other evidence showing recovery. If an agency reemploys a disability annuitant who has been found recovered at any grade or rate of pay within the 1-year period pending termination of the disability annuity under this paragraph, OPM will terminate the annuity effective on the date of reemployment.

(d) Recovery based on reemployment by the Federal Government. Reemployment by an agency at any time before age 60 is evidence of recovery if the reemployment is under an appointment not limited to a year or less, at the same or higher grade or pay level as the position from which the disability annuitant retired. The new position must be full-time unless the position the disability annuitant occupied immediately before retirement was less than full-time, in which case the new position must have a work schedule of no less time than that of the position from which the disability annuitant retired. In this instance, OPM needs no medical documentation to find the annuitant recovered. Disability annuity payments will terminate effective on the first day of the month following the month in which the recovery finding is made under this paragraph.

§ 844.402 Restoration of earning capacity.

(a) Earning capacity determinations. If a disability annuitant is under age 60 on December 31 of any calendar year and his or her income from wages or
self-employment or both during that calendar year equals at least 80 percent of the current rate of basic pay of the position occupied immediately before retirement, the annuitant's earning capacity is considered to be restored. The disability annuity will terminate on the June 30 after the end of the calendar year in which earning capacity is restored.

(b) Current rate of basic pay for the position occupied immediately before retirement. (1) A disability annuitant's income for a calendar year is compared to the gross annual rate of basic pay in effect on December 31 of that year for the position occupied immediately before retirement. The income limitation for most disability annuitants is based on the rate for the grade and step that reflects the total amount of basic pay (both the grade and step and any additional basic pay) in effect on the date of separation from the agency for disability retirement. Additional basic pay is included subject to the premium pay restrictions of 5 U.S.C. 5545 (c)(1) and (c)(2).

(2) In the case of an annuitant whose basic pay rate on the date determined under paragraph (b)(1) of this section did not match a specific grade and step in the pay schedule:

(i) For those retiring from a Senior Executive Service position, a merit pay position, a position for which a special pay rate is authorized (except as provided in paragraph (b)(2)(ii) of this section), or any other position in which the rate of basic pay is not equal to a grade and step in a pay schedule, the grade and step will be established for this purpose at the lowest step in the pay schedule grade that is equal to or greater than the actual rate of basic pay payable.

(ii) For those retiring with a retained rate of basic pay or from a position for which a special pay rate is in effect but whose rate of basic pay exceeds the highest rate payable in the pay schedule grade applicable to the position held, the grade is established for this purpose at the highest grade in the schedule that is closest to the grade of the position held and within which the amount of the retained pay falls. The step is established for this purpose at the lowest step in that grade that equals or exceeds the actual rate of pay payable.

(3) For annuitants retiring from the United States Postal Service, only cost-of-living allowances subject to FERS deductions are included in determining the current rate of basic pay of the position held at retirement.

(c) Income. (1) Earning capacity for the purposes of this section is demonstrated by an annuitant's ability to earn post-retirement income in exchange for personal services or a work product, or as a profit from one or more businesses wholly or partly owned by the disability annuitant and in the management of which the annuitant has an active role. Income for the purposes of this section is not necessarily the same as income for the purposes of the Internal Revenue Code.

(2) Income earned from one source is not offset by losses from another source. Income earned as wages is not reduced by a net loss from self-employment. The net income from each self-employment endeavor is calculated separately, and the income earned as net earnings from one self-employment endeavor is not reduced by a net loss from another self-employment endeavor. Thus, a net loss from one endeavor is considered to be a net income of zero, and the net incomes from each separate self-employment endeavor are added together to determine the total amount of income from self-employment for a calendar year.

(3) Income is counted in the calendar year in which it is earned, even though receipt may be deferred.

(d) Requirement to report income. All disability annuitants who, on December 31 of any calendar year, are under age 60 must report to OPM their income from wages or self-employment or both for that calendar year. Each year as early as possible, OPM will send a form to annuitants to use in reporting their income from the previous calendar year. The form specifies the date by which OPM must receive the report. OPM will determine entitlement to continued annuity on the basis of the report. If an annuitant fails to submit the report, OPM may stop annuity payments until it receives the report.
§ 844.403 Annuity rights after a disability annuity terminates.

(a) When a disability annuity is terminated because of recovery or restoration of earning capacity and the individual is not employed in the Government, the individual is entitled to an annuity:

(1) Under 5 U.S.C. 8414(b) if the individual:
   (i) Is at least age 50 when the disability annuity ceases and had 20 or more years of service at the time of retiring for disability; or
   (ii) Has 25 or more years of service at the time of retiring for disability, regardless of age; or

(2) Under 5 U.S.C. 8412(g) if the individual is at least the minimum retirement age applicable under 5 U.S.C. 8412(h) when the disability annuity ceases and had 10 or more years of service at the time of retiring for disability.

(b) When a disability annuitant whose annuity was terminated because of Federal reemployment is separated and meets the age and service requirements for immediate retirement under 5 U.S.C. 8412 or 8414, the individual is entitled to an annuity computed under 5 U.S.C. 8415.

§ 844.404 Reinstatement of disability annuity.

(a) When a disability annuity stops, the individual must again prove that he or she meets the eligibility requirements in order to have the annuity reinstated.

(b) Reinstatement of annuity terminated based on recovery. (1) When a recovered disability annuitant under age 62 whose annuity was terminated because he or she was found recovered on the basis of medical evidence (§ 844.401) is not reemployed in a position subject to F E R S, and, based on the results of a current medical examination, OPM finds that the disability has recurred, OPM will reinstate the disability annuity as provided in paragraph (d) of this section when a disability annuitant whose annuity was terminated under § 844.402(a):
   (i) Is not reemployed in a position subject to F E R S;
   (ii) Has not recovered from the disability for which the individual retired (except in the case of a military reserve technician whose annuity was awarded under 5 U.S.C. 8456); and
   (iii) Again loses earning capacity, as determined by OPM.

(2) The reinstated annuity is payable from January 1 of the year following the calendar year in which earning capacity was lost. Earning capacity is lost if, during any calendar year, the individual’s income from wages or self-employment or both is less than 80 percent of the current rate of basic pay of the position held at retirement.

(d) Except as provided in §§ 844.303 and 844.304, a disability annuity reinstated under the preceding paragraphs
Office of Personnel Management

of this section is paid at the rate provided under §844.302(b) until the end of the 12th month beginning after the annuity is reinstated. Thereafter, the rate determined under §844.302(c) is payable until age 62.

(e) Notwithstanding the preceding paragraphs, an annuity may not be reinstated under this section if the individual is receiving an annuity under part 842 of this chapter.

Subpart B—Collection of Overpayment Debts

§ 845.201 Purpose.

This subpart prescribes procedures to be followed by the Office of Personnel Management (OPM), which are consistent with the Federal Claims Collection Standards (FCCS) (Chapter II of title 4, Code of Federal Regulations), in the collection of debts owed to the Fund.

§ 845.202 Scope.

This subpart covers the collection of debts due the Fund, with the exception of the collection of court-imposed judgments, amounts referred to the Department of Justice because of fraud, and amounts collected from back pay awards in accordance with §550.805(e)(2) of this chapter.

§ 845.203 Definitions.

In this subpart—

Additional charges means interest, penalties, and/or administrative costs owed on a debt.

Annuitant means a retired employee or Member of Congress, former spouse, spouse, widow(er), or child receiving recurring benefits under the provisions of chapter 84 of title 5, United States Code.

Compromise is an adjustment of the total amount of the debt to be collected based upon the considerations established by the FCCS (4 CFR part 103).

Consumer reporting agency has the same meaning provided in 31 U.S.C. 3701(a)(3).

Debt means a payment of benefits to an individual in the absence of entitlement or in excess of the amount to which an individual is properly entitled.

Delinquent has the same meaning provided in 4 CFR 101.2(b).

Offset means to withhold the amount of a debt, or a portion of that amount, from one or more payments due the debtor. Offset also means the amount withheld in this manner.

Reconsideration means the process of reexamining an individual's liability for a debt based on—

(a) Proper application of law and regulation; and
(b) Correctness of the mathematical computation.

Repayment schedule means the amount of each payment and the number of payments to be made to liquidate the debt as determined by OPM.

Retirement fund means the Civil Service Retirement Fund.

Voluntary repayment agreement means an alternative to offset that is agreed to by OPM and includes a repayment schedule.

Waiver is a decision not to recover a debt under authority of 5 U.S.C. 8470(b).

§ 845.204 Processing.

(a) Notice. Except as provided in §845.205, OPM will, before starting collection, tell the debtor in writing—

(1) The reason for and the amount of the debt;
(2) The date on which the full payment is due;
(3) OPM's policy on interest, penalties, and administrative charges;
(4) That offset is available, the types of payment(s) to be offset, the repayment schedule, the right to request an adjustment in the repayment schedule and the right to request a voluntary repayment agreement in lieu of offset;
(5) The individual's right to inspect and/or receive a copy of the Government's records relating to the debt;
(6) The method and time period (30 calendar days) for requesting reconsideration, waiver, and/or compromise and, in the case of offset, an adjustment to the repayment schedule;
(7) The standards used by OPM for determining entitlement to waiver and compromise;
(8) The right to a hearing by the Merit Systems Protection Board on a
Office of Personnel Management § 845.205

waiver request (if OPM’s waiver decision finds the individual liable) in accordance with paragraph (c)(2) of this section; and

(9) The fact that a timely filing of a request for reconsideration, waiver and/or compromise, or a later timely appeal of a reconsideration or waiver denial to the Merit Systems Protection Board, will stop collection proceedings, unless (i) failure to take the offset would substantially prejudice the Government’s ability to collect the debt; and (ii) the time before the payment is to be made does not reasonably permit the completion of these procedures.

(b) Requests for reconsideration, waiver, and/or compromise. (1) If a request for reconsideration, waiver, and/or compromise is returned to OPM by mail, it must be postmarked within 30 calendar days of the date of the notice detailed in paragraph (a) of this section. If a request for reconsideration, waiver, and/or compromise is hand delivered, it must be received within 30 calendar days of the date of the notice detailed in paragraph (a) of this section. OPM may extend the 30-day time limit for filing when individuals can prove that they—

(i) Were not notified of the time limit and were not otherwise aware of it; or
(ii) Were prevented by circumstances beyond their control from making the request within the time limit.

(2) When a request for reconsideration, waiver, and/or compromise is hand delivered, it must be received within 30 calendar days of the date of the notice detailed in paragraph (a) of this section. OPM may extend the 30-day time limit for filing when individuals can prove that they—

(i) Were not notified of the time limit and were not otherwise aware of it; or
(ii) Were prevented by circumstances beyond their control from making the request within the time limit.

(2) After consideration of all pertinent information, OPM will issue a written decision. The decision will state the extent of the individual’s liability, and, for waiver and compromise requests, whether the debt will be waived or compromised. If the individual is determined to be liable for all or a portion of the debt, the decision will reaffirm or modify the conditions for the collection previously proposed under paragraph (a) of this section. The decision will state the individual’s right to appeal to the Merit Systems Protection Board as provided by §1201.3 of this title, and, in the case of a denial of waiver or reconsideration request that a timely appeal will stop collection of the debt.

§ 845.205 Collection of debts.

(a) Means of collection. Collection of a debt may be made by means of offset under §845.206, or under any statutory provision providing for offset of money due the debtor from the Federal Government, or by referral to the Justice Department for litigation, as provided in §845.206. Referral may also be made to a collection agency under the provisions of the FCCS.

(b) Additional charges. Interest, penalties, and administrative costs will be assessed on the debt in accordance with standards established in the FCCS at 4 CFR 102.13. Additional charges will be waived when required by the FCCS. In addition, such charges may be waived when OPM determines—

(1) Collection would be against equity and good conscience under the standards prescribed in §§845.303 through 845.305; or
(2) Waiver would be in the best interest of the United States.

(c) Collection in installments. (1) Whenever feasible, debts will be collected in one lump sum.

(2) However, installments payments may be effected when—

(i) The debtor establishes that he or she is financially unable to pay in one lump sum; or
(ii)(A) The relief sought is nullified by the debtor’s death.

(3) Individuals requesting reconsideration, waiver, and/or compromise will be given a full opportunity to present any pertinent information and documentation supporting their position.

(4) An individual’s request for waiver will be evaluated on the basis of the standards set forth in subpart C of this part. An individual’s request for compromise will be evaluated on the basis of standards set forth in the FCCS (4 CFR part 103).

(c) Reconsideration, waiver, and/or compromise decisions. (1) OPM’s decision will be based upon the individual’s written submissions, evidence of record, and other pertinent available information.

(2) After consideration of all pertinent information, OPM will issue a written decision. The decision will state the extent of the individual’s liability, and, for waiver and compromise requests, whether the debt will be waived or compromised. If the individual is determined to be liable for all or a portion of the debt, the decision will reaffirm or modify the conditions for the collection previously proposed under paragraph (a) of this section. The decision will state the individual’s right to appeal to the Merit Systems Protection Board as provided by §1201.3 of this title, and, in the case of a denial of waiver or reconsideration request that a timely appeal will stop collection of the debt.
§ 845.206 Collection by administrative offset.

(a) Offset from retirement payments. A debt may be collected in whole or in part from any lump-sum retirement payment or recurring annuity payments.

(b) Offset from other payments—(1) Administrative offset. (i) A debt may be offset from other payments due the debtor or from other agencies in accordance with 4 CFR 102.3 except that offset from back pay awarded under the provisions of 5 U.S.C. 5596 (and 5 CFR 550.801 et seq.) will be made in accordance with §550.805(e)(2) of this chapter.

(ii) In determining whether to collect claims by means of administrative offset after the expiration of the 6-year limitation provided in 5 U.S.C. 2415, the Director or his or her designee will determine the cost effectiveness of leaving a claim unresolved for more than 6 years. This decision will be based on factors such as the amount of the debt, the cost of collection, and the likelihood of recovering the debt.

(2) Salary offset. When the debtor is an employee, or a member of the Armed Forces, OPM may effect collection action by offset of the debtor’s pay in accordance with 5 U.S.C. 5514 and 5 CFR 550.1101 et seq. Due process described in §845.204 will apply. The questions of fact and liability, and entitlements to waiver or compromise determined through that process are deemed correct and will not be amended under salary offset procedures. When the debtor did not receive a hearing on the amount of the offset under §845.204 and requests such a hearing, one will be conducted in accordance with subpart K of part 550 of this chapter.

§ 845.207 Use of consumer reporting agencies.

(a) Notice. If a debtor’s response to the notice described in §845.204(a) does not result in payment in full, payment by offset, or payment in accordance with a voluntary repayment agreement or other repayment schedule acceptable to OPM, and the debtor’s rights under §845.204 have been exhausted, OPM may report the debtor to a consumer reporting agency. In addition, a debtor’s failure to make subsequent payments in accordance with a repayment schedule may result in a report to a consumer reporting agency. Before making a report to a consumer reporting agency, OPM will notify the debtor in writing that—

(1) The payment is overdue;

(2) OPM intends, after 60 days, to make a report as described in paragraph (b) of this section to a consumer reporting agency;
(3) The debtor's right to dispute the liability has been exhausted under §845.204; and

(4) The debtor may suspend OPM action on referral by paying the debt in one lump sum or making payments current under a repayment schedule.

(b) Report. When a debtor's response to the notice described in paragraph (a) of this section fails to comply with paragraph (a)(4) of this section or the debtor does not respond, and 60 days have elapsed since the notice was mailed, OPM may report to a consumer reporting agency that an individual is responsible for an unpaid debt and provide the following information:

(1) The individual's name, address, taxpayer identification number, and any other information necessary to establish the identity of the individual;

(2) The amount, status, and history of the debt; and

(3) The fact that the debt arose in connection with the administration of FERS or CSRS.

(c) Subsequent reports. OPM will update its report to the consumer reporting agency whenever it has knowledge of events that substantially change the status or the amount of the liability.

§845.208 Referral to a collection agency.

(a) OPM retains the responsibility for resolving disputes, compromising claims, referring the debt for litigation, or suspending or terminating collection action.

(b) OPM may refer certain debts to commercial collection agencies under the following conditions:

(1) All processing required by §845.204 has been completed before the debt is released; and

(2) A contract for collection services has been negotiated.

§845.209 Referral for litigation.

From time to time and in a manner consistent with the General Accounting Office's and the Justice Department's instructions, OPM will refer certain overpayments to the Justice Department for litigation. Referral for litigation will suspend processing under this subpart.

Subpart C—Standards for Waiver of Overpayments

§845.301 Conditions for waiver.

Recovery of an overpayment from the Fund may be waived pursuant to section 8470(b), of title 5, United States Code, when (a) the annuitant is without fault and (b) recovery would be against equity and good conscience. When it has been determined that the recipient of an overpayment is ineligible for waiver, the individual is nevertheless entitled to an adjustment in the recovery schedule if he or she shows that it would cause him or her financial hardship to make payment at the rate scheduled.

§845.302 Fault.

A recipient of an overpayment is without fault if he or she performed no act of commission or omission that resulted in the overpayment. The fact that the Office of Personnel Management (OPM) or another agency may have been at fault in initiating an overpayment will not necessarily relieve the individual from liability.

(a) Considerations. Pertinent considerations in finding fault are—

(1) Whether payment resulted from the individual's incorrect but not necessarily fraudulent statement, which he or she should have known to be incorrect;

(2) Whether payment resulted from the individual's failure to disclose material facts in his or her possession, which he or she should have known to be material; or

(3) Whether he or she accepted a payment that he or she knew or should have known to be erroneous.

(b) Mitigation factors. The individual's age, physical and mental condition or the nature of the information supplied to him or her by OPM or a Federal agency may mitigate against finding fault if one or more of these factors contributed to his or her submission of an incorrect statement, a statement that did not disclose material facts in his or her possession, or his or her acceptance of an erroneous overpayment.

§845.303 Equity and good conscience.

Recovery is against equity and good conscience when—
§ 845.304 Financial hardship.

Financial hardship may be deemed to exist in, but not limited to, those situations when the annuitant from whom collection is sought substantially all of his or her current income and liquid assets to meet current ordinary and necessary living expenses and liabilities.

(a) Considerations. Some pertinent considerations in determining whether recovery would cause financial hardship are as follows:

(1) The individual’s financial ability to pay at the time collection is scheduled to be made.

(2) Income to other family member(s), if such member’s ordinary and necessary living expenses are included in expenses reported by the annuitant.

(b) Exemptions. Assets exempt from execution under State law should not be considered in determining an individual’s ability to repay the indebtedness. Rather primary emphasis will be placed upon the annuitant’s liquid assets and current income in making such determinations.

§ 845.305 Ordinary and necessary living expenses.

An individual’s ordinary and necessary living expenses include rent, mortgage payments, utilities, maintenance, transportation, food, clothing, insurance (life, health, and accident), taxes, installment payments, medical expenses, support expenses for which the annuitant is legally responsible, and other miscellaneous expenses that the individual can establish as being ordinary and necessary.

§ 845.306 Waiver precluded.

Waiver of an overpayment cannot be granted when—

(a) It would cause financial hardship to the person from whom it is sought;

(b) The recipient of the overpayment can show (regardless of his or her financial circumstances) that due to the notice that such payment would be made or because of the incorrect payment he or she either has relinquished a valuable right or has changed positions for the worse; or

(c) Recovery would be unconscionable under the circumstances.

§ 845.304 Financial hardship.

(a) It would cause financial hardship to the person from whom it is sought;

(b) The recipient of the overpayment can show (regardless of his or her financial circumstances) that due to the notice that such payment would be made or because of the incorrect payment he or she either has relinquished a valuable right or has changed positions for the worse; or

(c) Recovery would be unconscionable under the circumstances.

§ 845.304 Financial hardship.

(a) It would cause financial hardship to the person from whom it is sought;

(b) The recipient of the overpayment can show (regardless of his or her financial circumstances) that due to the notice that such payment would be made or because of the incorrect payment he or she either has relinquished a valuable right or has changed positions for the worse; or

(c) Recovery would be unconscionable under the circumstances.

§ 845.304 Financial hardship.

(a) It would cause financial hardship to the person from whom it is sought;

(b) The recipient of the overpayment can show (regardless of his or her financial circumstances) that due to the notice that such payment would be made or because of the incorrect payment he or she either has relinquished a valuable right or has changed positions for the worse; or

(c) Recovery would be unconscionable under the circumstances.

§ 845.304 Financial hardship.

(a) It would cause financial hardship to the person from whom it is sought;

(b) The recipient of the overpayment can show (regardless of his or her financial circumstances) that due to the notice that such payment would be made or because of the incorrect payment he or she either has relinquished a valuable right or has changed positions for the worse; or

(c) Recovery would be unconscionable under the circumstances.
Office of Personnel Management

§ 845.405

District Court for the Northern Mariana Islands, and the Judicial Panel on Multidistrict Litigation;
(d) An agency of the legislative branch, including the U.S. Senate and the U.S. House of Representatives; and
(e) Other independent establishments that are entities of the Federal Government.

Annuitant means an annuitant as defined in § 8401(2) of title 5, United States Code, or a survivor as defined in § 8401(28) of title 5, United States Code.

Annuity means the monthly benefit of indefinite duration payable to an annuitant or survivor annuitant.

Compromise has the same meaning as in 4 CFR part 103.

Creditor agency means the agency to which the debt is owed.

Debt claim means an agency request for recovery of a debt in a form approved by OPM.

Debtor means a person who owes a debt, including an employee, former employee, Member, former Member, or the survivor of one of these individuals.

Employee has the same meaning as in section 8401(11) of title 5, United States Code, and includes reemployed annuitants and employees of the U.S. Postal Service.

Fraud claim means any debt designated by the Attorney General (or designee) as involving an indication of fraud, the presentation of a false claim, or misrepresentation on the part of the debtor or any other party having an interest in the claim.

Individual Retirement Record means the record of retirement contributions that must be maintained under § 841.504 of this chapter.

Member has the same meaning as in section 8401(20) of title 5, United States Code.

Net annuity means annuity after excluding amounts required by law to be deducted.

Paying agency means the agency that employs the debtor and authorizes the disbursement of his or her current pay account.

Refund means the payment of a lump-sum credit to an individual who meets all requirements for payment and files application for it.

§ 845.404 Conditions for requesting an offset.

An agency may request that money payable from the Fund be offset to recover any valid debt due the United States when all of the following conditions are met:
(a) The debtor failed to pay all of the debt on demand, or the creditor agency has collected as much as possible from payments due the debtor from the paying agency; and
(b) The creditor agency sends a debt claim to OPM (under § 845.405(b)(1), (2), (3) or (4), as appropriate) after doing one of the following:
(1) Obtaining a court judgment for the amount of the debt;
(2) Following the procedures required by 31 U.S.C. 3716 and 4 CFR part 102.4;
(3) Following the procedures required by 5 U.S.C. 5514 and subpart K of part 550 of this chapter; or
(4) Following the procedures agreed upon by the creditor agency and OPM, if it is excepted by § 845.405(b)(4) from the completion of procedures prescribed by § 845.405(b)(3).

§ 845.405 Creditor agency processing for non-fraud claims.

(a) Where to submit the debt claim, judgment or notice of debt—(1) Creditor agencies that are not the debtor’s paying agency.
(1) If the creditor agency knows that the debtor is employed by the Federal Government, it should send the debt claim to the debtor’s paying agency for collection.
(ii) If some of the debt is unpaid after the debtor separates from the paying agency, the creditor agency should send the debt claim to OPM as described in paragraph (b) of this section.
(2) Creditor agencies that are the debtor’s paying agency. Ordinarily, debts owed the paying agency should be offset under 31 U.S.C. 3716 from any final payments (salary, accrued annual leave, etc.) due the debtor. If a balance is due after offsetting the final payments or the debt is discovered after the debtor has been paid, the paying agency may send the debt claim to OPM as described in paragraph (b) of this section.

(b) Procedures for submitting debt claim, judgment or notice of debt to OPM—

(1) Debt claims for which the agency has a court judgment. If the creditor agency has a court judgment against the debtor specifying the amount of the debt to be recovered, the agency should send the debt claim and two certified copies of the judgment to OPM.

(2) Debt claims previously processed under 5 U.S.C. 5514. If the creditor agency previously processed the debt claim under 5 U.S.C. 5514, it should—

   (i) Notify the debtor that the claim is being sent to OPM to complete collection from the Fund; and

   (ii) Send the debt claim to OPM with two copies of the paying agency’s certification of the amount collected and one copy of the notice to the debtor that the claim was sent to OPM.

(3) Debt claims not processed under 5 U.S.C. 5514, reduced to court judgment, or excepted by paragraph (b)(4) of this section. If the debt claim was not processed under 5 U.S.C. 5514, reduced to court judgment or excepted by paragraph (b)(4) of this section, the creditor agency must—

   (A) Comply with the procedures required by 4 CFR 102.4 by issuing written notice to the debtor of the nature and amount of the debt, the agency’s intention to collect by offset, the opportunity to obtain review within the agency of the determination of indebtedness, and the opportunity to enter into a written agreement with the agency to repay the debt; and

   (B) Complete the appropriate debt claim.

   (i) If the debtor does not respond to the creditor agency’s notice within the allotted time and there is no reason to believe that he or she did not receive the notice, the creditor agency may submit the debt claim to OPM after certifying that notice was issued and the debtor failed to reply.

   (iii) If the debtor responds to the notice by requesting a review (or hearing if one is available), the review (or hearing) must be completed before the creditor agency submits the debt claim.

   (iv) If the debtor receives the notice and responds by consenting to the collection, the creditor agency must send (to OPM) a copy of the debtor’s consent along with the debt claim.

(4) Debt claims excepted from procedures described in paragraph (b)(3) of this section. Creditor agencies must follow specific procedures approved by OPM, rather than those described in paragraph (b)(3) of this section, for the collection of—

   (i) Debts due because of the individual’s failure to pay health benefits premiums while he or she was in nonpay status or while his or her salary was not sufficient to cover the cost of premiums;

   (ii) Unpaid Federal taxes to be collected by Internal Revenue Service levy;

   (iii) Premiums due because of the annuitant’s election of Part B, Medicare coverage (retroactive collection limited to 6 months of premiums); or

   (iv) Overpaid military retired pay an annuitant elects in writing to have withheld from his or her annuity.

(5) General certification requirements for debt claims. Creditor agencies submitting debt claims must certify—

   (i) That the debt is owed to the United States;

   (ii) The amount and reason for the debt and whether additional interest accrues;

   (iii) The date the Government’s right to collect the debt first accrued;

   (iv) That the agency has complied with the applicable statutes, regulations, and OPM procedures;

   (v) That if a competent administrative or judicial authority issues an order directing OPM to pay a debtor an amount previously paid to the agency (regardless of the reasons behind the order), the agency will reimburse OPM or pay the debtor directly within 15 days of the date of the order.

Note: OPM may, at its discretion, decline to collect other debt claims sent by an agency that does not abide by this certification.
(vi) If the collection will be in installments, the amount or percentage of net annuity in each installment; and
(vii) If the debtor does not (in writing) consent to the offset, or does not (in writing) acknowledge receipt of the required notices and procedures, or the creditor agency does not document a judgment offset or a previous salary offset, identify the action(s) taken to comply with 4 CFR 102.3, including any required hearing or review, and give the date(s) the action(s) was taken.

(6) Notice of debt. When a creditor agency cannot send a complete debt claim, it should notify OPM of the existence of the debt so that the lump-sum will not be paid before the debt claim arrives.

(i) The notice to OPM must include a statement that the debt is owed to the United States, the date the debt first accrued, and the basis for and amount of the debt, if known. If the amount of the debt is not known, the agency must establish the amount and notify OPM in writing as soon as possible after submitting the notice.

(ii) The creditor agency may either notify OPM by making a notation in column 8 [Remarks] under “Fiscal Record” on the Individual Retirement Record, if the Individual Retirement Record is in its possession, or if not, by submitting a separate document identifying the debtor by name, giving his or her date of birth, social security number, and date of separation, if known.

(c) Time limits for sending records and debt claims to OPM—(1) Time limits for submitting debt claims. Unless there is an application for refund pending, there is no specific time for submitting a debt claim or notice of debt to OPM. Generally, however, agencies must file a debt claim before the statute of limitations expires (4 CFR 102.4(c)) before a refund is paid. Time limits are imposed (see §845.406(a)) when the debtor or is eligible for a refund and OPM receives his or her application requesting payment. In this situation, creditor agencies must file a complete debt claim within 120 days (or 180 days if the agency requests an extension of time before the refund is paid) of the date OPM requests a complete debt claim.

(2) Time limit for submitting retirement records to OPM. A paying agency must send the Individual Retirement Record to OPM no later than 60 days after the separation, termination, or entrance on duty in a position in which the employee is not covered by FERS.

§845.406 OPM processing for non-fraud claims.

(a) Refunds—Incomplete debt claims. (1) If a creditor agency sends OPM a notice of debt claim against a refund OPM is processing for payment, OPM will withhold the amount of the debt but will not make any payment to the creditor agency. OPM will notify the creditor agency that the procedures in this subpart and 4 CFR 102.4 must be completed; and a debt claim must be completed and returned to OPM within 120 days of the date of OPM’s notice to the creditor agency. Upon request, OPM will grant the creditor agency one extension of up to 60 days if the request for extension is received before the lump-sum payment has been made. The extension will commence on the day after the 120-day period expires so that the total time OPM holds payment of the refund will not exceed 180 days.

(2) During the period allotted the creditor agency for sending OPM a complete debt claim, OPM will handle the debtor’s application for refund under section 8424 of title 5, United States Code, in one of two ways:

(i) If the amount of the debt is known, OPM will notify the debtor of the debt claim against his or her lump-sum credit, withhold the amount of the debt, and pay the balance to the debtor, if any.

(ii) If the amount of the debt is not known, OPM will not pay any amount to the debtor until the creditor agency certifies the amount of the debt, submits a complete debt claim, or the time limit for submission of the debt claim expires, whichever comes first.

(b) Refunds—Complete debt claims—(1) OPM receives an application from the debtor prior to or at the same time as the agency’s debt claim. (i) If a refund has been paid, OPM will notify the creditor agency that there are no funds available for offset. Except in the case of debts due because of the employee’s failure to pay health benefits premiums while he
or she is in nonpay status or while his or her salary was not sufficient to cover the cost of premiums, creditor agencies should refer to the instructions in the FCCS for other measures to recover the outstanding debt; however, OPM will retain the debt claim on file in the event the debtor is once again employed in a position subject to retirement deductions.

(i) If a refund is payable and the creditor agency submits a complete debt claim in accordance with §845.405(b)(1), (2), (3), or (4), the debt will be collected from the refund and any balance paid to the debtor. OPM will send the debtor a copy of the debt claim, judgment, consent, or other document, and notify him or her that the creditor agency was paid.

(ii) If OPM has not received an application from the debtor when the agency's debt claim is received. If a debtor has not filed application for a refund, OPM will retain the debt claim for future recovery. OPM will make the collection whenever an application is received, provided the creditor agency initiated the administrative offset before the statute of limitations expired. (See 4 CFR 102.3(b)(3) and 102.4(c).) OPM will notify the creditor agency that it does not have an application from the debtor so that the agency may take other action to recover the debt.

NOTE: If the recovery action is successful, the creditor agency must notify OPM so it can void the debt claim.

(2) Future recovery. (i) If OPM receives an application for refund within 1 year of the date the agency's debt claim was received and the creditor agency indicates that interest is accruing on the debt, the will be processed as stated in paragraph (b)(1)(ii) of this section.

(ii) If OPM receives an application for refund within 1 year of the date the agency's debt claim was received and the creditor agency indicates that interest accrues on the debt, when necessary, OPM will contact the creditor agency to confirm that the debt is outstanding and request submission in writing, of the total additional accrued interest. OPM will not make interest computations for creditor agencies.

(iii) When OPM receives an application for refund more than 1 year after the creditor agency's debt claim was received, whether interest accrues or not, OPM will contact the creditor agency to see if the debt is still outstanding and, when necessary, request an update of the interest charges. If the debt is still due, the creditor agency must give the debtor an opportunity to establish that his or her changed financial circumstances, if any, would make the offset unjust. (See 4 CFR 102.4(c).) If the creditor agency determines that offset as requested in the debt claim would be unjust because of the debtor's changed financial circumstances, the agency should permit the debtor to offer a satisfactory repayment plan in lieu of offset. If the agency decides to pursue the offset, it must submit to OPM the requested information and any new instructions within 60 days of the date of OPM's request or the claim may be voided and the balance paid to the individual.

(c) Annuities—complete debt claims. (1) If a creditor agency sends OPM notice of a debt or an incomplete debt claim against a debtor who is receiving an annuity, OPM will notify the creditor agency that—

(i) The procedures in this subpart and 4 CFR 102.4 must be completed; and

(ii) A debt claim must be completed and sent to OPM.

(2) No time limit will be given for the submission of a debt claim against an annuity; however, a debt claim must be received within 10 years of the date the Government's right to collect first accrued (4 CFR 102.3(b)(3)).

(d) Annuities—complete debt claims—(1) General—(i) Notice. When OPM receives a complete debt claim and an application for annuity, OPM will offset the annuity, pay the creditor agency, and mail the debtor a copy of the debt claim along with notice of the payment to the creditor agency.

(ii) Beginning deductions. If OPM already established the debtor's annuity payment, deductions will begin with the next available annuity payment. If OPM is in the process of establishing the annuity payments, deductions will not be taken from advance annuity payments, but will begin with the annuity payable on the first day of the
Office of Personnel Management

§ 845.408

Month following the last advance payment.

(iii) Updating accrued interest. Once OPM has completed a collection, if there are additional accrued interest charges, the creditor agency must contact OPM regarding any additional amount due within 90 days of the date of the final payment.

(2) Claims held for future recovery. (i) If OPM receives an application for annuity within 1 year of the date the agency’s debt claim was received, the debt will be processed as stated in paragraph (c)(1) of this section.

(ii) If OPM receives an application for annuity more than 1 year after the agency’s debt claim was submitted, OPM will contact the creditor agency to see if the debt is still outstanding. If the debt is still due, the creditor agency should permit the debtor to offer a satisfactory repayment plan in lieu of offset if the debtor establishes that his or her changed financial circumstances would make the offset unjust. (See 4 CFR 102.4(c).) If the agency decides to pursue the offset, it must submit the requested information and any new instructions about the collection to OPM.

(e) Limitations on OPM review. In no case will OPM review—

(1) The merits of a creditor agency’s decision regarding reconsideration, compromise, or waiver; or

(2) The creditor agency’s decision that a hearing was not required in any particular proceeding.

§ 845.407 Installment withholdings.

(a) When possible, OPM will collect a creditor agency’s full claim in one payment from the debtor’s refund or annuity.

(b) If collection must be made from an annuity and the debt is large, the creditor generally accepts payment in installments. The responsibility for establishing and notifying the debtor of the amount of the installments belongs to the creditor agency (see §845.405(b)(5)). However, OPM will not make an installment deduction for more than 50 percent of net annuity, unless a higher percentage is needed to satisfy a judgment against a debtor within 3 years or the annuitant has consented to the higher amount in writing. All correspondence concerning installment deductions received by OPM will be referred to the creditor agency for consideration.

§ 845.408 Special processing for fraud claims.

When an agency sends a claim indicating fraud, presentation of a false claim, misrepresentation by the debtor or another party interested in the claim, or any claim based in whole or part on conduct violating the antitrust laws, to the Department of Justice (Justice) for possible treatment as a fraud claim (4 CFR 101.3), the following special procedures apply.

(a) Agency processing. If the debtor is separated or separates while Justice is reviewing the claim, the paying agency must send the Individual Retirement Record to OPM, as required by §845.405(c)(2). The agency where the claim arose must send OPM notice that a claim is pending with Justice. (See §845.405(b)(6) for instructions on giving OPM a notice of debt.)

(b) Department of Justice processing. (1) The Attorney General or a designee will decide whether a debt claim sent in by an agency will be reserved for collection by Justice as a fraud claim. Upon receiving a possible fraud claim to be collected by offset from the Fund, the Attorney General or a designee must notify OPM. The notice to OPM must contain the following:

(i) The name, date of birth, and social security number of the debtor;

(ii) The amount of the possible fraud claim, if known;

(iii) The basis of the possible fraud claim; and

(iv) A statement that the claim is being considered as a possible fraud claim, the collection of which is reserved to Justice.

(2) When there is a pending refund application, the Attorney General or designee must file a complaint seeking a judgment on the claim and send a copy of the complaint to OPM; or as provided in 4 CFR 101.3, refer the claim to the agency where the claim arose and submit a copy of the referral to OPM within 180 days of the date of either notice from the agency that a claim is pending with Justice (paragraph (a) of this section) or notice from Justice...
that it has received a possible fraud claim (paragraph (b)(1) of this section) whichever is earlier. When the claim is referred to the agency where it arose, the agency must begin administrative collection action under 4 CFR 102.4 and send a complete debt claim to OPM as required in §845.405.

(c) OPM processing against refunds. (1) Upon receipt of a notice under paragraph (a) or (b)(1) of this section, whichever is earlier, OPM will withhold the amount of the debt claim, if known; notify the debtor that the amount of the debt will be withheld from the refund for at least 180 days from the date of the notice that initiated OPM processing; and pay the balance to the debtor. If the amount of the debt claim is not known, OPM will notify the debtor that a debt claim may be offset against his or her refund and that OPM will not pay any amount until either the amount of the debt claim is established, or the time limit for filing a complaint in court or submitting the debt claim expires, whichever comes first.

(2) If the Attorney General files a complaint and notifies OPM within the applicable 180-day period, OPM will continue to withhold payment of the lump-sum credit until there is a final judgment.

(3) If the Attorney General refers the claim to the agency where the claim arose (creditor agency) and notifies OPM within the applicable 180-day period, OPM will notify the creditor agency that (i) the procedures in this subpart and 4 CFR 102.4 must be completed; and (ii) a debt claim must be sent to OPM within 120 days of the date of OPM’s notice to the creditor agency. At the request of the creditor agency, one extension of time of not more than 60 days will be granted, as provided by §845.405(a).

(4) If OPM is not notified that a complaint has been filed or that the claim has been referred to the creditor agency within the applicable 180-day period, OPM will pay the balance of the refund to the debtor.

(d) OPM processing against annuities. If the debtor has filed an annuity claim, OPM will not take action against the annuity. OPM will continue to pay the annuity unless and until there is a final judgment for the United States or submission of a complete debt claim.

(e) OPM collection and payment of the debt. (1) If the United States obtains a judgment against the debtor for the amount of the debt or the creditor agency submits a complete debt claim, OPM will collect and pay the debt to the creditor agency as provided in §§845.406 and 845.407.

(2) If the suit or the administrative proceeding results in a judgment for the debtor without establishing a debt to the United States, OPM will pay the balance of the refund to the debtor upon receipt of a certified copy of the judgment or administrative decision.

Subpart A—General Provisions

§ 846.101 Purpose.

This part identifies the employees who may transfer to the Federal Employees Retirement System (FERS), gives the conditions under which they may transfer, and sets forth the method of computing the annuities of employees who transfer to FERS.

§ 846.102 Definitions.

In this part—

CSRS means subchapter III of chapter 83 of Title 5, United States Code.

CSRS/SS service means service subject to both CSRS deductions (or deductions under another retirement system for Federal employees if such service is creditable under CSRS) and social security deductions as a result of the Social Security Amendments of 1963. For this purpose, the service of an individual is considered CSRS/SS service if the service would have been covered under CSRS except for an election under section 208(a)(1)(A) of the Federal Employees Retirement Contribution Temporary Adjustment Act of 1983 to have no CSRS coverage.

FERS means the Federal Employees Retirement System as described in chapter 84 of Title 5, United States Code.

Former spouse means a former spouse as defined in §838.103 or §838.1003 of this chapter.

Member means a Member of Congress as defined in section 2106 of Title 5, United States Code.

OPM means the Office of Personnel Management.

Social security means coverage under the Old Age, Survivors, and Disability Insurance programs of the Social Security Act.

Subpart B—Elections

§ 846.201 Elections to become subject to FERS.

(a) Employees and Members subject to CSRS on June 30, 1987. An individual who, on June 30, 1987, is employed in the Federal service or is a Member and who is covered by CSRS may elect to become subject to FERS. An election under this paragraph may not be made before July 1, 1987, or after December 31, 1987.

(b)(1) Separated employees who are reemployed. A former employee who, after June 30, 1987, becomes reemployed and subject to CSRS may elect, during the 6-month period beginning on the date...

321
he or she becomes subject to CSRS, to become subject to FERS, except that an employee serving under an interim appointment under the authority of §772.102 of this chapter is not eligible to elect to become subject to FERS.

(2) Separated employees who are employed with the District of Columbia Financial Management and Assistance Authority (Authority). A former employee who becomes employed with the Authority and subject to CSRS may elect, during the 6-month period beginning on the date he or she becomes subject to CSRS, to become subject to FERS, except that an employee serving under an interim appointment under the authority of §772.102 of this chapter is not eligible to elect to become subject to FERS.

(c) Employees and Members not subject to CSRS. (1) An employee or Member who is excluded from FERS coverage on January 1, 1987, by §842.104(d) or (f) of this chapter and who, on December 31, 1986, is not subject to CSRS may elect to become subject to FERS. An election under this paragraph (c)(1) may not be made before July 1, 1987, or after December 31, 1987.

(2) An employee who, on June 30, 1987, is not covered by CSRS, but later becomes so covered, may elect to become subject to FERS. An election under this paragraph (c)(2) must be made during the 6-month period beginning on the date he or she becomes subject to CSRS.

(3) An employee who would be subject to CSRS except for the exclusions in §831.201 of this chapter, but is not excluded from FERS coverage by 5 U.S.C. 8401 nor by §842.105 of this chapter, is deemed eligible to make an election of FERS coverage under this section. An election under this paragraph (c)(3) must be made during the period beginning July 1, 1987, and ending December 31, 1987, or, if later, during the 6-month period beginning on the date the employment described in this paragraph (c)(3) begins.

(d) Exceptions. (1) An individual who is an employee of the government of the District of Columbia may not elect to become subject to FERS except an individual so employed who is covered by CSRS and eligible for FERS coverage by operation of section 11246, of Pub. L. 105-33, 111 Stat. 251.

(2) A Member who has irrevocably elected, by written notice to the official by whom the Member is paid, not to participate in FERS may not elect to become subject to FERS during the same continuous period of service.

(3) An employee or reemployed annuitant whose appointment is excluded from FERS coverage by law or regulation may not become subject to FERS by reason of an election under this section except as specified in paragraph (c) of this section or as otherwise provided by law.

(4) An election under this section may not be made by an individual who is ineligible for social security coverage.

(e) Effective date. An election made under this section is effective with the first pay period beginning after the date the election is properly filed with the employing office.

(f) Irrevocability. An election made under this section is irrevocable.

§846.202 Condition for making an election.

(a) An election under §846.102 of this part may not become effective unless the election is made with the written consent of any former spouse(s) entitled to benefits under subpart F of part 831 of this chapter or part 838 of this chapter. As provided in section 301(d)(2)(A) of the FERS Act of 1986, this section applies only if OPM has been duly notified concerning any qualifying court order and has received the documentation required in §838.211, §838.721, or §838.1005 of this chapter. This section does not apply with respect to a former spouse who has ceased to be so entitled because of remarrying before age 55.

(b) OPM may waive the requirement of paragraph (a) of this section upon a showing that the former spouse's whereabouts cannot be determined. A request for waiver on this basis must be accompanied by—

(1) A judicial or administrative determination that the former spouse's whereabouts cannot be determined; or
Office of Personnel Management

§ 846.203 Agency responsibilities.

(a) Employing offices must distribute the election forms provided by OPM to each eligible individual, including all individuals in a non-duty status.

(b) An employing office must obtain documentation of the individual's receipt of the election form specified in paragraph (a) of this section and retain the documentation permanently in the individual's official personnel folder (or the equivalent). Acceptable documentation includes—

(1) A statement of receipt signed by the individual, or

(2) A signed postal return receipt showing that the election form was received at the individual's address.

(2)(i) Affidavits by the employee or Member and two other persons, at least one of whom is not related to the employee or Member, attesting to the inability to locate the former spouse and stating the efforts made to locate the spouse; and

(ii) Documentary corroboration such as newspaper reports about the former spouse's disappearance.

(c) OPM may waive the requirement of paragraph (a) of this section based on exceptional circumstances if the employee or Member presents a judicial determination regarding the former spouse that would warrant waiver of the consent requirement based on exceptional circumstances.

(d)(1) OPM shall, upon application of an individual, grant an extension for such individual to make an election under § 846.201 of this part, if the individual—

(i) Files an application for the extension with OPM before the end of the period during which the individual would otherwise be eligible to make the election; and

(ii) Demonstrates to OPM's satisfaction that the extension is needed to secure the modification of a decree of divorce or annulment (or court ordered or court-approved property settlement incident to any such decree) on file at OPM in order to satisfy the consent requirement under paragraph (a) of this section.

(2) The application for extension is deemed to be filed with OPM on the date it is received in the employing office.

(3) An extension granted under this paragraph expires 6 months after the date it was granted. OPM may grant one further extension upon application by the individual seeking to make an election of FERS coverage.

(e) An electing individual who has a former spouse who may be entitled to benefits as described in paragraph (a) of this section must submit with the election either—

(1) The consent of the former spouse in a form prescribed by OPM,

(2) A request for an extension as described in paragraph (f) of this section,

(3) A request for a waiver of the consent requirement and the documentation to support the request as described in paragraph (d) or (e) of this section, or

(f) The request for waiver or extension described in paragraphs (b), (c), and (d) of this section must be in a form prescribed by OPM. The employing office must forward the request to OPM promptly.

(g) If OPM does not have a copy of a qualifying court order in its possession, OPM's notice to the agency that it has no qualifying court order is deemed to complete the individual's election of FERS, which becomes effective with the first pay period after the employing office receives OPM's notification.

(h) If OPM has a copy of a qualifying court order, OPM will notify both the individual and the employing agency of its determination regarding a request for extension.

(1) If OPM has a copy of a qualifying court order in its possession and grants a waiver of the requirement of paragraph (a) of this section, OPM will notify both the individual and the employing office of its decision. OPM's notice to the employing office is deemed to complete the individual's election, which becomes effective with the first pay period after the employing office receives OPM's notice that the waiver is granted.

§ 846.204 Belated elections and correction of administrative errors.

(a) Belated elections. On determination by an employing office that the FERS transfer handbook issued by OPM was not available to an individual in a timely manner or an individual was unable, for cause beyond his or her control, to elect FERS coverage within the prescribed time limit, the employing office may, within 6 months after the expiration of the individual’s opportunity to elect FERS coverage under §846.201, accept the individual’s election of FERS coverage.

(b)(1) Correction of administrative errors related to election. During the 6-month period after the expiration of an individual’s opportunity to elect FERS coverage under §846.201, the employing office may make prospective corrections of administrative errors regarding an individual’s opportunity to elect FERS coverage, including failure to provide the election form specified in §846.203(a) to an individual.

(2)(i) For an employee, separated employee, or retiree whose employing agency erroneously determined that the individual was covered by FERS during the period under §846.201 when the individual was eligible to elect FERS, and the employing agency should have placed the individual in CSRS, CSRS Offset, or Social Security only, under conditions that would have included an opportunity to elect FERS coverage, the employee, separated employee, or retiree is deemed to have elected FERS coverage and the individual will remain covered by FERS, unless the individual declines by paragraph (b)(2)(ii) of this section to be covered by FERS.

(ii)(A) The employing agency must provide written notice to each individual who is deemed to have elected FERS under paragraph (b)(2)(i) of this section that the individual may, within 60 days after receiving the notice, decline to be deemed to have transferred to FERS.

(B) If the individual dies during the election period established by paragraphs (b)(2)(i) (A) and (C) of this section, the right of election under paragraph (b)(2)(i) of this section may be exercised by any person who would be entitled to receive a current spouse survivor annuity or a former spouse survivor annuity under CSRS (or CSRS Offset), if any, if the error had not occurred (the election by any one such current or former spouse not to have the election of FERS coverage deemed is controlling); otherwise, by the individual or individuals entitled to receive the lump-sum credit under CSRS (or CSRS Offset) if the error had not occurred (the election by any individual entitled to a share of the lump-sum credit not to have the election of FERS coverage deemed is controlling). The time limit for making an election under this paragraph is 60 days after the date of the agency’s notice to the individual (survivor) of the election right.

(C) The agency may waive the 60-day time limit under paragraphs (b)(2)(ii) (A) and (B) of this section if the individual (if living, otherwise the appropriate survivor) exercised due diligence in making the election but was prevented by circumstances beyond his or her control from making the election within the time limit. An agency decision not to waive the time limit under this paragraph must include notice to the individual of the individual’s right to request OPM to reconsider the denial of the waiver of the time limit. OPM’s reconsideration decision on denial of a waiver of the time limit will notify the individual of the right to appeal to the Merit Systems Protection Board under chapter II of this title.

(iii) The employing agency must document the individual’s records to reflect his or her decision concerning retirement coverage.

(b) OPM’s reconsideration. An agency decision concerning an individual’s opportunity to elect FERS coverage or the effective date of an election of FERS coverage is subject to reconsideration by OPM under §846.205.

(d) Correction of other administrative errors. Failure to begin employee deductions and Government contributions on the effective date of coverage must be corrected in accordance with §841.505 of this chapter.

§ 846.205 Reconsideration and appeal rights.

(a) Who may file. An individual may request OPM to reconsider a decision of an employing office affecting his or her election of coverage under FERS. A request for reconsideration of a decision by OPM regarding extension of the time limit or a waiver under § 846.202 or refunds under § 846.401 must be made in accordance with § 846.305 of this chapter.

(b) Reconsideration. A request for reconsideration of an agency decision must be filed within the time limit given in paragraph (c) of this section. A request for reconsideration must be made in writing and must include the claimant’s name, address, date of birth, and the reason for the request.

(c) Time limit. A request for reconsideration of an agency decision must be filed within 30 calendar days from the date of the agency’s decision stating the right to reconsideration. OPM may extend the time limit on filing when a person shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

(d) OPM’s decision. After reconsideration, OPM issues its final decision in writing, setting forth its findings and conclusions.

(e) Appeals to MSPB. A person whose rights or interests under this part are affected by OPM’s decision under paragraph (d) of this section may request the Merit Systems Protection Board (MSPB) to review such decision in accordance with procedures prescribed by MSPB.

§ 846.701 Purpose and scope.

This subpart contains OPM’s regulations applicable to elections of FERS coverage during the 1998 open enrollment period, including—

(a) The requirements that an individual must satisfy to be eligible to make an election; and

(b) The procedures that—

(1) Employees must follow to make an election;

(2) Agencies must follow in advising employees about making an election and in processing employees’ elections; and

(3) OPM will follow in cases subject to the former spouse consent requirement.

§ 846.702 Definitions.

In this subpart—

Election means an election of FERS coverage during the 1998 open enrollment period.

Former spouse consent requirement means the condition that must be satisfied under section 301(d) of the FERS Act for an employee with a former spouse to be eligible to elect FERS coverage.

Qualifying court order means a court order acceptable for processing as defined in § 838.1003 of this chapter subject to the following conditions:

(2) If the former spouse loses entitlement to all CSRS benefits under the court order, the court order ceases to be a qualifying court order.

Social security coverage means coverage under the Old Age, Survivors, and Disability Insurance program under the Social Security Act.

§ 846.703 Effective date of FERS coverage.

An election under this subpart is effective on the later of—

(a) The first day of the pay period beginning after the date the election and any required supporting documentation is received by the employing office; or

(b) The first day of the pay period beginning after July 1, 1998.

§ 846.704 Irrevocability of an election of FERS coverage.

(a) An election to be covered by FERS becomes irrevocable on the date it becomes effective.

(b) If, during the 1998 open enrollment period, an employee files an election on an SF 3109 to remain covered by CSRS, the employee may revoke such an election by filing another election during the 1998 open enrollment period.

Who May Elect

§ 846.711 Eligibility to elect FERS coverage during the 1998 open enrollment period.

An employee who is not covered by FERS, and who was an employee on January 1, 1998, and who is not otherwise ineligible for FERS coverage (under subpart A of part 842 of this chapter or § 846.722) may elect FERS.
§ 846.712 Statutory exclusions.
(a) DC government employees. An individual employed by the government of the District of Columbia is not eligible to make an election, except—
(1) Non-judicial employees of the District of Columbia Courts, District of Columbia Department of Corrections Trustee or the District of Columbia Pretrial Services, Defense Services, Parole, Adult Probation and Offender Supervision Trustee under the National Capital Revitalization and Self-Government Improvement Act of 1997, title XI of Public Law 105-33, 111 Stat. 251, who meet the conditions of § 831.201(g)(2), (3), and (4) of this chapter; and
(b) Members of Congress. A Member (as defined in section 2106 of title 5, United States Code) is not eligible to make an election.
(c) Persons without social security eligibility. An individual is not eligible to make an election if that individual is not eligible for social security coverage.

§ 846.713 Former spouse consent requirement.
An election of FERS coverage cannot become effective unless the election is made with the written consent of any former spouse(s) entitled to benefits under part 838 of this chapter.

ELECTION PROCEDURES
§ 846.721 Electing FERS coverage.
(a) To elect FERS coverage, an employee must submit a completed FERS Election of Coverage form (SF 3109) and any additional documentation that may be required under § 846.722 (relating to the former spouse consent requirement) to the employing office no later than the close of business on December 31, 1998.
(b) Any writing signed by the employee and filed with the employing office may be treated as an election for the purpose of establishing the date of the election of FERS coverage if the employee intends that document to be an election, but the employee (or, if the employee dies after filing the election but before completing the SF 3109, the survivor) must submit a completed SF 3109 to confirm any such election.

§ 846.722 Former spouse's consent to an election of FERS coverage.
(a) Employee actions. (1) If the employee is subject to a qualifying court order, the employee must submit to the employing office a completed—
(i) SF 3110, Former Spouse's Consent to FERS Election, to document the former spouse's consent to the FERS coverage; or
(ii) SF 3111, Request for Waiver, Extension, or Search, to request a waiver of the former spouse consent requirement or to request an extension of the time limit for obtaining a former spouse's consent or amendment of the court order.
(2) If the employee states on the SF 3109, the FERS Election of Coverage form, that he or she does not know whether he or she is subject to a qualifying court order, the employee must submit to the employing office a completed SF 3111, Request for Waiver, Extension, or Search, to request a waiver of the former spouse consent requirement or to request an extension of the time limit for obtaining a former spouse's consent or amendment of the court order.
(b) OPM actions—(1) Waiver of former spouse consent requirement—(i) Grounds for waiver. OPM's authority to approve a waiver of the former spouse consent requirement is limited to cases in which the former spouse's whereabouts cannot be determined or exceptional circumstances make requiring the former spouse's consent inappropriate.
(ii) Whereabouts cannot be determined. OPM will waive the former spouse consent requirement upon a showing that the former spouse's whereabouts cannot be determined. A request for waiver on this basis must be accompanied by—
Office of Personnel Management § 846.723

(A) A judicial or administrative determination that the former spouse's whereabouts cannot be determined; or

(B)(1) Affidavits by the employee and two other persons, at least one of whom is not related to the employee, attesting to the inability to locate the former spouse and stating the efforts made to locate the spouse; and

(2) Documentary corroboration such as newspaper reports about the former spouse's disappearance.

(iii) Exceptional circumstances. OPM will waive the former spouse consent requirement based on exceptional circumstances if the employee presents a judicial determination finding that—

(A) The case before the court involves a federal employee who is in the process of electing FERS coverage and the former spouse of that employee;

(B) The former spouse has been given notice and an opportunity to be heard concerning this proceeding;

(C) The court has considered sections 301 and 302 of the FERS Act, Pub. L. 99-335, 100 Stat. 517, and this section as they relate to waiver of the former spouse consent requirement for an employee with a former spouse to elect FERS coverage; and

(D) The court finds that exceptional circumstances exist justifying waiver of the former spouse's consent.

(iv) Approval of a waiver. If OPM grants a waiver of the requirement of paragraph (a) of this section, OPM will notify both the individual and the employing office of its decision. OPM's notice to the employing office is deemed to complete the individual's election, which becomes effective with the first pay period after the employing office receives OPM's notice that the waiver is granted.

(2) Extension of the time limit to obtain a former spouse's consent—(i) First request. If an employee who is ineligible to elect FERS coverage solely because of a qualifying court order files, prior to January 1, 1999, a completed SF 3111, Request for Waiver, Extension or Search, requesting an extension of the time limit to seek an amendment of a qualifying court order, OPM is deemed to have approved the extension through June 30, 1999.

(ii) Second request. OPM will grant one extension of the time limit to seek an amendment of a qualifying court order to an individual who has been granted an extension under paragraph (b)(2)(i) of this section if the individual—

(A) Files an application for the extension (SF 3109) with the employing office before July 1, 1999;

(B) Has initiated legal proceedings to secure the modification of the qualifying court order on file at OPM to satisfy the former spouse consent requirement;

(C) Demonstrates to OPM's satisfaction that the individual has exercised due diligence in seeking to obtain the modification; and

(D) If seeking an extension beyond December 31, 1999, demonstrates to OPM's satisfaction that a longer extension is necessary.

(iii) Expiration date of a second extension. An approved extension under paragraph (b)(2)(ii) of this section expires on December 31, 1999, unless OPM's decision letter states a later expiration date.

(3) Search for a qualifying court order. (i) When an employing office notifies OPM that it has received an employee's request for a determination of whether OPM has a qualifying court order on file, OPM will determine whether it has such an order.

(ii) If OPM does not have a copy of a qualifying court order in its possession, OPM's notice to the employing office that it has no qualifying court order on file, OPM will determine whether it has such an order.

(iii) If OPM has a copy of a qualifying court order, OPM will notify both the individual and the employing office that it has a qualifying court order and that an extension until June 30, 1999, has been granted.

§ 846.723 Agency responsibilities.

(a) The employing office must determine whether the employee is eligible to elect FERS coverage.

(b)(1) As close as practicable to the beginning of the open enrollment period, the employing office must provide
§ 846.724  Belated elections and correction of administrative errors.

(a) Belated elections. The employing office may accept a belated election of FERS coverage if it determines that—

(2) The agency did not provide access to the FERS Transfer Handbook to the employee in a timely manner; or
(3) The employee was unable, for cause beyond his or her control, to elect FERS coverage within the prescribed time limit.

(b) Correction of administrative errors. Failure to begin employee deductions and Government contributions on the effective date of coverage must be corrected in accordance with §841.505 of this chapter.

§ 846.725  Appeal to the Merit Systems Protection Board.

(a) A person whose rights or interests under this part are affected by an agency decision that an employee is not eligible to elect FERS coverage or an agency refusal to accept a belated election under §846.724, or an OPM decision denying an extension or waiver under §846.722, may request the Merit Systems Protection Board (MSPB) to review such decision in accord with procedures prescribed by MSPB. MSPB regulations relating to appeals are contained in chapter II of this title.

(b) Paragraph (a) of this section is the exclusive remedy for review of agency decisions concerning eligibility to make an election under this subpart. An agency decision must not allow review under any employee grievance procedures, including those established by chapter 71 of title 5, United States Code, and 5 CFR part 771.

§ 846.726  Delegation of authority to act as OPM’s agent for receipt of employee communications relating to elections.

The employing office is delegated authority to act as OPM’s agent for the receipt of any documents that employees are required by this subpart to file with OPM. Such documents are deemed received by OPM on the date that the employing office receives them.

2. The employee must have been vested in CSRS or FERS prior to the move to a NAFI;

§ 847.203 Elections of CSRS coverage.

(a) An employee who completes a qualifying move (under §847.202(a) or (c)) from a CSRS-covered position to a NAFI may elect to continue CSRS coverage.

(b) An employee who elects CSRS coverage under this section will be covered by CSRS (or FERS, if the employee subsequently transfers to FERS under part 846 of this chapter) during all periods of future service not excluded from coverage by CSRS, including any periods of service as a reemployed annuitant.

(a) Except as provided in paragraph (b) of this section, the time limit for making the election is 30 days after the qualifying move.

Elections under this subpart are effective on the date of the qualifying move.

§ 847.301 Purpose and scope.

This subpart establishes the procedures applicable to elections section 1043(c)(2) of the National Defense Authorization Act for Fiscal Year 1996.

§ 847.302 Notice of election rights.

The employing agency must provide notice to all eligible employees of the opportunity to elect to continue retirement coverage under subpart D of this part. Failure to provide notice to the employee is justification for waiving the time limit under § 847.304.

§ 847.303 Election forms.

(a) Eligible employees may make an election under subpart D of this part on a form prescribed by OPM and filed with the employing agency.

(b) For elections of retirement coverage under subpart D of this part, the election form will require that the employee obtain a certification from his or her previous retirement system showing dates of service, amounts transferable from the previous retirement system to the elected retirement system under subpart E of this part, and that the employee became vested in the retirement system. If an employee was covered by more than one retirement system, he or she must obtain certification from each retirement system.

(a) Except as provided in paragraph (b) of this section, the time limit for making an election under subpart D of this part is August 11, 1997.

(b) Because Public Law 104-106 requires that eligible employees receive timely notice of the opportunity to make the election under subpart D of this part, and that employees must be counselled concerning the election opportunity, the employing agency must waive the time limit in paragraph (a) of this section in the event that an employee did not receive such notice or counselling.

§ 847.305 Basic records.

(a) Agencies must establish and maintain retirement accounts for employees subject to CSRS or FERS in the manner prescribed by OPM.

(b) The individual retirement record (Standard Form 2806 for CSRS, or Standard Form 3100 for FERS) is the basic record for action on all claims for annuity or refund, and those pertaining to deceased employees and annuitants.

For elections of CSRS or FERS coverage under § 847.411 or FERS coverage and service credit under § 847.421, the amount under § 847.504 will be transferred to the Fund using the procedures established under § 847.506.

§ 847.503 Transfers from the CSR Fund.
For elections of NAFI retirement system coverage under § 847.441, the amount under § 847.504 will be transferred from the Fund using the procedures established under § 847.506.

§ 847.504 Amount of transfer.
(a) All transfers must include employee contributions with interest, if not previously refunded, and Government contributions for civilian service which becomes creditable under the elected retirement system due to an election under §§ 847.411, 847.421, and 846.441.
(b) If the employee has withdrawn his or her contributions to the retirement system, the amount required by paragraph (a) of this section, less the amount refunded, will be transferred.

§ 847.505 When transfer occurs.
(a) OPM, the Department of Defense, and the U.S. Coast Guard will transfer the amount specified in § 847.504 as soon as practicable after receipt of an election of retirement coverage under subpart D of this part.
(b) The transfer of contributions may not be delayed until the employee retires or separates from service.

§ 847.506 Procedures for transfer.
OPM, the Department of Defense, and the U.S. Coast Guard will jointly determine the procedure for transfer of contributions.

§ 847.507 Earnings after transfer.
Amounts transferred to the Fund under § 847.502 that are used to determine the deficiency under § 847.604 accrue interest at the rate prescribed under § 841.603 of this chapter from the date of receipt in OPM through the date determined under § 847.603 (pertaining to the date of calculation of any deficiency).

Subpart F—Additional Employee Costs Under the Retroactive Provisions
§ 847.601 Purpose and scope.
(a) The purpose of this subpart is to establish the methodology that OPM will use to determine—
(1) The cost of an employee's election under § 847.411 or § 847.421; and
(2) The amount by which annuity payments may be affected as a result of the election.
(b) This subpart applies only to CSRS and FERS benefits. The Departments of Defense, and the U.S. Coast Guard will issue regulations providing methodologies for NAFI's under their jurisdictions.
Office of Personnel Management

§ 847.602 Present value factors.

(a) OPM publishes the following tables (available at personnel and payroll offices):

(1) One table of present value factors for all CSRS annuities;
(2) One table of present value factors for FERS annuities that do not receive cost-of-living adjustments before the retiree attains age 62; and
(3) One table of present value factors for FERS annuities that receives cost-of-living adjustments before the retiree attains age 62.

(b)(1) Each present value factor will equal the amount of money (earning interest at an assumed rate) required at the date of computation to fund an annuity that starts out at the rate of $1 a month and is payable in monthly installments for the annuitant's lifetime based on mortality rates for annuitants paid from the Fund; and increases each year, assuming a certain rate of inflation.

(2) Interest, mortality, and inflation rates used in computing the present value are those used by the Board of Actuaries of the Civil Service Retirement System for valuation of CSRS and FERS, based on dynamic assumptions.

(3) The present value factors are unisex factors obtained by averaging distinct present value factors, which take into account mortality for retirees and survivors under CSRS and FERS.

(c)(1) When OPM publishes in the FEDERAL REGISTER notice of normal cost percentages under § 847.607 of this chapter, it will also publish the CSRS and FERS tables of present value factors for use for this part.

(2) The present value factors will be based on the assumptions used to compute the normal cost percentages.

(3) Changes in the tables of present value factors will be effective on the first day of the month in which the changes in the normal cost percentages become effective.

§ 847.603 Date of present value and deficiency determinations.

(a) For determining the deficiency under § 847.604, OPM will determine, under §§ 847.605 through § 847.607, the present values of future retirement benefits (with and without credit for the NAFI service) as of the first date on which inclusion of credit for the NAFI service will affect the rate of annuity payable.

(b) Appendix A to this subpart contains a table in which the left column is a list of events for which inclusion of credit for the NAFI service will affect the rate of annuity payable and the right column indicates the date on which the deficiency will be determined.

§ 847.604 Methodology for determining deficiency.

(a) When an event listed in the left column of the table in Appendix A to this subpart occurs, OPM will compute the deficiency, as follows:

(1) As of the date of computation under § 847.603, OPM will determine—
   (i) The present value of the annuity including credit for the NAFI service under § 847.605;
   (ii) The present value of the annuity without credit for the NAFI service under § 847.606 or § 847.607, as applicable; and
   (iii) The amount credited to the employee from a transfer to the Fund under subpart E of this part including earnings under § 847.507.

(2) OPM will add the amount determined under paragraphs (a)(1)(ii) and (iii) of this section and subtract that sum from the amount determined under paragraph (a)(1)(i) of this section.

(b) If the amount determined under paragraph (a)(2) of this section is greater than zero, the deficiency is equal to that amount.

(c) If no event listed in the left column of the table in Appendix A to this subpart occurs—that is, the additional service credit does not cause an increase in an employee annuity or a survivor annuity actually paid—or, if the amount determined under paragraph (a)(2) of this section is less than or equal to zero, the deficiency equals zero.

§ 847.605 Methodology for determining the present value of annuity with service credit.

(a) OPM will determine the present value of the annuity including service
§ 847.606 Methodology for determining the present value of annuity without service credit—credit not needed for title.

(a) If credit for the NAFI service is not necessary to provide title to an annuity payable on the date of computation under §847.603, OPM will determine the present value of the annuity without credit for the NAFI service under paragraph (b) or (c) of this section.

(b) In cases in which the annuity is payable to a retiree, the present value under paragraph (a) of this section equals the monthly annuity rate including credit for the NAFI service as of the date of computation under §847.603 times the present value factor for the retiree's age on that date.

(c) In cases in which the annuity is payable to a survivor, the present value under paragraph (a) of this section equals the monthly annuity rate including credit for the NAFI service as of the date of computation under §847.603 times the present value factor for the survivor's age on that date.

§ 847.607 Methodology for determining the present value of annuity without service credit—credit needed for title.

(a) If credit for the NAFI service is necessary to provide title to an annuity payable on the date of computation under §847.603, OPM will determine the present value of the annuity without credit for the NAFI service under paragraph (b) or (c) of this section.

(b)(1) In cases in which the annuity is payable to a retiree, the present value under paragraph (a) of this section equals the present value of the deferred annuity without credit for the NAFI service as of the deferred annuity date discounted for interest to that date determined under §847.603.

(2) The present value of the deferred annuity without credit for the NAFI service as of the deferred annuity date equals the retiree's monthly annuity rate without credit for the NAFI service as of the deferred annuity date times the present value factor for the retiree's age on that date.

(3) The present value under paragraph (b)(2) of this section is discounted for interest by dividing that amount by a factor equal to the value of exponential function in which—

(i) The base is one plus the assumed interest rate under §841.405 of this chapter on the date determined under §847.603, and

(ii) The exponent is one-twelfth of the number of months between the date determined under §847.603 and the deferred annuity date.

(c) In cases in which the annuity is payable to a survivor, the present value under paragraph (a) of this section equals zero, that is, no survivor annuity would ever become payable without credit for the NAFI service.

§ 847.608 Reduction in annuity due to deficiency.

Any annuity payable in the case of an employee who has made an election under subpart D of this part will include credit for the NAFI service. The monthly annuity rate on the date determined under §847.603 will be permanently reduced by an amount equal to the amount of any deficiency divided by the present value factor for the annuitant's age on that date.

APPENDIX A TO SUBPART F OF PART 847—LIST OF EVENTS FOR WHICH INCLUSION OF NAFI SERVICE MAY AFFECT THE RATE OF ANNUITY PAYABLE

<table>

<tr>
<th>Type of event</th>
<th>Date deficiency will be determined</th>
</tr>
</thead>
<tbody>
<tr>
<td>CSRS or FERS nondisability retirement</td>
<td>Commencing date of annuity.</td>
</tr>
</tbody>
</table>
Type of event | Date deficiency will be determined
--- | ---
CSRS disability retirement | Commencing date of annuity.\(^1\)
FERS disability retirement | First day of month following 62nd birthday.\(^2\)
CSRS death in service | Commencing date of survivor annuity.\(^3\)
FERS death in service | Commencing date of survivor annuity.
FERS death of disability annuitant prior to age 62 | Commencing date of survivor annuity.
FERS death of separated employee | Commencing date of survivor annuity.
CSRS or FERS redetermination of annuity | Commencing date of redetermined annuity benefit.

\(^1\) Disability annuity with and without credit for NAFI service must be computed. If annuity payable under each computation is identical due to guaranteed minimum annuity, then deficiency is zero.

\(^2\) Generally, the date the deficiency is determined will be the disability retiree’s 62nd birthday. However, if an annuity benefit based on the retiree’s actual years of service and salary becomes payable prior to age 62, the deficiency is computed at that time.

\(^3\) Deficiency amount could be zero if survivor is eligible for the guaranteed minimum annuity amount under both computations.

§ 847.701 Purpose and scope.
This subpart establishes the methodology that OPM will use to determine benefit payable in connection with an election made under subpart D of this part.

§ 847.702 Lump-sum payments and refunds.
(a) Employee contributions with interest which are transferred to the Fund under subpart E of this part are included in any lump-sum credit or unexpended balance payable to the employee or the employee’s survivors under subpart T of part 831 of this chapter or under part 843 of this chapter.

(b) Government contributions which are transferred to the Fund under subpart E of this part are not included in any lump-sum credit or unexpended balance and are not payable to the employee or the employee’s survivors.

§ 847.703 Reductions in annuity.
The CSRS or FERS basic annuity of an employee or survivor who has elected retirement coverage under subpart D of this part is reduced in the following order—

(a) For age, if applicable, as provided under sections 8339(h) and 8415(f) of title 5, United States Code.

(b) For noncontributory service performed before October 1, 1982, if applicable, as provided under 5 U.S.C.A. 8339(i), note.

(c) For deficiency, as determined under subpart F of this part.

(d) To provide a survivor annuity to a spouse or former spouse, if applicable, as provided under sections 8339(j)(4) and 8419(a) of title 5, United States Code.

(e) Any other reductions which may apply.

§ 847.704 Maximum survivor annuity election.
The amount of the employee’s benefit after reduction for any deficiency under § 847.608 is—

(a) For CSRS, the maximum amount that may be designated as the survivor base under section 8339(j) or (k) to title 5, United States Code;

(b) For FERS, the employee annuity (for survivor benefit purposes) under sections 8416 through 8420 of title 5, United States Code.

§ 847.705 Cost-of-living adjustments.
Cost-of-living adjustments are applied to the rate payable to the retiree or survivor, including the reduction for any deficiency described in § 847.608.

Annuitant means a former employee entitled to an annuity under a retirement system established for employees. This includes the retirement system of a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard.

Assign and assignment refer to an individual’s irrevocable transfer to another individual, corporation, or trustee all ownership of FEGLI coverage (except Option C).

Assignee means the individual, corporation, or trustee to which an individual irrevocably transfers ownership of FEGLI coverage (except Option C). A child, as used in the definition of family member for Option C coverage, means a legitimate child, an adopted child, a stepchild who lives with the...
employee or former employee in a regular parent-child relationship, or a recognized natural child. It does not include a stillborn child, a grandchild, or a foster child. The child must be under age 22 or, if age 22 or over, must be incapable of self-support because of a mental or physical disability which existed before the child reached age 22.

Child, as used in the order of precedence for payment of benefits, means a legitimate child, an adopted child, or a recognized natural child, of any age. It does not include a stepchild, a stillborn child, a grandchild, or a foster child. An individual who has reached age 18 is considered an adult and can receive a benefit payment in his/her name. However, if the age of adulthood where the individual has his/her legal residence is set at a lower age, the individual is considered an adult upon reaching that lower age. Adopted children do not inherit from their birth parents under the order of precedence stated in 5 U.S.C. 8705, other than as designated beneficiaries, but inherit from their adoptive parents. However, a child who is adopted by the spouse of a birth parent inherits from that birth parent.

Compensation means compensation under subchapter I of chapter 81 of title 5, United States Code, which is payable because of an on-the-job injury or disease.

Compensationer means an employee or former employee who is entitled to compensation and whom the Department of Labor determines is unable to return to duty.

Date of retirement, as used in 5 U.S.C. 8706(b)(3)(A), means the starting date of annuity.

Dependent means living with or receiving regular and substantial support from the insured individual.

Duly appointed representative of the insured’s estate means an individual named in a court order granting the individual the authority to receive, or the right to possess, the insured’s property; the order must be issued by a court having jurisdiction over the insured’s estate. Where the law of the insured’s legal residence provides for the administration of estates through alternative procedures which do away with the need for a court order, this term also means an individual who shows that he/she is entitled to receive, or possess, the insured’s property under the terms of those alternative procedures.

Employee means an individual defined by section 8701(a) of title 5, United States Code.

Employing office means the agency office or retirement system office that has responsibility for life insurance actions.

(1) The Administrative Office of the United States Courts is the employing office for judges of the following courts:

   (ii) All United States District Courts;
   (iii) The Court of International Trade;
   (iv) The Court of Federal Claims; and
   (v) The District Courts of Guam, the Northern Mariana Islands, and the Virgin Islands.

Family member means a spouse (including a valid common law marriage) and unmarried dependent child(ren).

Immediate annuity means:
(1) An annuity that begins no later than 1 month after the date the insurance would otherwise stop (the date of separation from service), and
(2) An annuity under §842.204(a)(1) of this title for which the starting date has been postponed under §842.204(c) of this title.

Judge means an individual appointed as a Federal justice or judge under Article I or Article III of the Constitution.

Office of Federal Employees’ Group Life Insurance, which pays benefits under the policy.

OPM means the Office of Personnel Management.
§ 870.102

OWCP means the Office of Workers’ Compensation Programs, U.S. Department of Labor, which administers subchapter I of chapter 81 of title 5, United States Code.

Parent means the mother or father of a legitimate child or an adopted child. The term parent includes the mother of a recognized natural child; it also includes the father of a recognized natural child if the recognized natural child meets the definition provided below.

Recognized natural child, with respect to paternity, is one for whom the father meets one of the following:

(1) (i) Has acknowledged paternity in writing;
(ii) Was ordered by a court to provide support;
(iii) Before his death, was pronounced by a court to be the father;
(iv) Was established as the father by a certified copy of the public record of birth or church record of baptism, if the insured was the informant and named himself as the father of the child;
or
(v) Established paternity on public records, such as records of schools or social welfare agencies, which show that with his knowledge the insured was named as the father of the child.

(2) If paternity is not established by paragraph (1) of this definition, such evidence as the child’s eligibility as a recognized natural child under other State or Federal programs or proof that the insured included the child as a dependent child on his income tax returns may be considered when attempting to establish paternity.

Reconsideration means the final level of administrative review of an employing office’s initial decision to determine if the employing office followed the law and regulations correctly in making the initial decision concerning FEGLI eligibility and coverage.

Service means civilian service which is creditable under subchapter III of chapter 83 or chapter 84 of title 5, United States Code. This includes service under a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard for an individual who elected to remain under a retirement system established for employees described in section 2105(c) of title 5.

Terminally ill means having a medical prognosis of a life expectancy of 9 months or less.

Underdeduction means a failure to withhold the required amount of life insurance deductions from an individual’s pay, annuity, or compensation. This includes nondeductions (when none of the required amount was withheld) and partial deductions (when only part of the required amount was withheld).

§ 870.103 Correction of errors.

(a) The employing office may make corrections of administrative errors regarding coverage or changes in coverage. Retroactive corrections are subject to the provisions of §870.401(f).

(b) OPM may order correction of an error after reviewing evidence that it would be against equity and good conscience not to do so.

§ 870.104 Initial decision and reconsideration.

(a) An individual may ask his/her agency or retirement system to reconsider its initial decision denying life insurance coverage, the opportunity to change coverage, or the opportunity to assign insurance.

(b) An employing office’s decision is an initial decision when the employing office gives it in writing and informs the individual of the right to an independent level of review (reconsideration) by the appropriate agency or retirement system.

(c) A request for reconsideration must be made in writing and must include the employee’s (or annuitant’s) name, address, date of birth, Social Security number, reason(s) for the request, and, if applicable, retirement claim number.
(d) A request for reconsideration must be made within 30 calendar days from the date of the initial decision. This time limit may be extended when the individual shows that he/she was not notified of the time limit and was not otherwise aware of it or that he/she was unable, due to reasons beyond his/her control, to make the request within the time limit.

(e) The reconsideration must take place at or above the level at which the initial decision was made.

(f) After reconsideration, the agency or retirement system must issue a final decision to the insured individual. This decision must be in writing and must fully state the findings.

Subpart B—Types and Amount of Insurance

§ 870.201 Types of insurance.
(a) There are two types of life insurance under the FEGLI Program: Basic and Optional.
(b) There are three types of Optional insurance: Option A (standard optional insurance), Option B (additional optional insurance), and Option C (family optional insurance).

§ 870.202 Basic insurance amount (BIA).
(a)(1) An employee's Basic insurance amount (BIA) is either:
(i) His/her annual rate of basic pay, rounded to the next higher thousand, plus $2,000; or
(ii) $10,000, whichever is higher, unless an employee has elected a Living Benefit under subpart K of this part. However, the BIA can never be more than the annual rate of pay for Level II Executive Schedule positions under § 5313 of title 5, U.S.C., rounded to the next higher thousand, plus $2,000.
(2) The BIA of an individual who is eligible to continue Basic Life insurance coverage as an annuitant or compensationer is the BIA in effect at the time his/her insurance as an employee would stop under § 870.601.
(b) An employee's BIA automatically changes whenever annual pay is increased or decreased by an amount sufficient to raise or lower pay to a different $1,000 bracket, unless the employee has elected a Living Benefit under subpart K of this part.
(c) The amount of an employee's Basic Life insurance coverage is equal to his/her BIA multiplied by the appropriate factor based on the employee's age, as follows:

§ 870.203 Post-election BIA.
(a) The BIA of an individual who elects a Living Benefit under subpart K of this part is the amount of insurance left after the effective date of the Living Benefit election. This amount is the individual's post-election BIA.
(1) The post-election BIA of an individual who elects a full Living Benefit is 0.
(2) The post-election BIA of an employee who elects a partial Living Benefit is the BIA as of the date OFEGLI receives the completed Living Benefit application (the "pre-election" BIA), reduced by the percentage which the partial lump-sum payment represents of the full Living Benefit payment the employee could have received if he/she elected a full Living Benefit; this amount is rounded up or down to the nearest multiple of $1,000 or, if midway between multiples, to the next higher multiple.
(b) The post-election BIA cannot change after the effective date of the Living Benefit election.
(c) For purposes of computing the payment of benefits upon the death of an insured individual who elected a partial Living Benefit, the post-election BIA will be multiplied by the age factor in effect on the date OFEGLI received the completed Living Benefit application.

§ 870.204 Annual rates of pay.
(a) An insured employee's annual pay is his/her annual rate of basic pay as fixed by law or regulation.
§ 870.205 Amount of Optional insurance.

(a) Option A coverage is $10,000. However, if an employee's annual rate of pay is more than the sum of the annual rate of basic pay for Level II Executive Schedule positions under 5 U.S.C. 5313 plus $10,000, Option A coverage automatically increases. The amount of Option A coverage in this case is the difference between the employee's annual rate of pay, (rounded to the next higher thousand if not already an even thousand), and the maximum allowable BIA.

(b) (1) Option B coverage comes in 1, 2, 3, 4, or 5 multiples of an employee's annual pay (after the pay has been rounded to the next higher thousand, if not already an even thousand). A multiple cannot be more than the annual rate of basic pay for Level II Executive Schedule positions under 5 U.S.C. 5313, rounded to the next higher thousand.

(2) The amount of Option B coverage automatically changes whenever annual pay is increased or decreased by an amount sufficient to raise or lower pay to a different $1,000 bracket.

(c) Option C coverage is $5,000 payable upon the death of a spouse and $2,500 payable upon the death of an eligible child. Payments are made to the insured individual.

§ 870.206 Accidental death and dismemberment.

(a) (1) Accidental death and dismemberment coverage is an automatic part of Basic and Option A insurance for employees.
Office of Personnel Management

§ 870.302

(2) There is no accidental death and dismemberment coverage with Options B and C.

(3) Individuals who are insured as annuitants or compensationers do not have accidental death and dismemberment coverage.

(b)(1) Under Basic insurance, accidental death benefits are equal to the BIA, but without the age factor described in §870.202(c).

(2) Under Option A, accidental death benefits are equal to the amount of Option A.

(c)(1) Under Basic insurance, accidental dismemberment benefits for the loss of a hand, foot, or eye are equal to one-half the BIA. For loss of 2 or more of these in a single accident, benefits are equal to the BIA.

(2) Under Option A, accidental dismemberment benefits for the loss of a hand, foot, or eye are equal to one-half the amount of Option A. For loss of 2 or more of these in a single accident, benefits are equal to the amount of Option A.

(3) Accidental dismemberment benefits are paid to the employee.

Subpart C—Eligibility

§ 870.301 Eligibility for life insurance.

(a) Each nonexcluded employee is automatically insured for Basic insurance unless he/she waives it.

(b)(1) Optional insurance must be specifically elected; it is not automatic.

(2) An employee may elect one or more types of Optional insurance if:

(i) He/she has Basic insurance;

(ii) He/she doesn’t have a waiver of that type (or types) of Optional insurance still in effect; and

(iii) His/her periodic pay, after all other deductions, is enough to cover the full cost.

(c) Notwithstanding any other provision in this part, the hiring of a Federal employee, whether in pay status or nonpay status, for a temporary, intermittent position with the decennial census has no effect on the amount of his/her Basic or Option B insurance, the withholdings or Government contribution for his/her insurance, or the determination of when 12 months in nonpay status ends.

§ 870.302 Exclusions.

(a) The following employees are excluded from life insurance coverage by law:

(1) An employee of a corporation supervised by the Farm Credit Administration, if private interests elect or appoint a member of the board of directors.

(2) An individual who is not a citizen or national of the United States and whose permanent duty station is outside the United States. Exception: an individual who met the definition of employee on September 30, 1979, by service in an Executive agency, the United States Postal Service, or the Smithsonian Institution in the area which was then known as the Canal Zone.

(3) An individual first employed by the Government of the District of Columbia on or after October 1, 1987. Exceptions:

L. 104-134 (110 Stat. 1321)) to be considered a Federal employee for life insurance and other benefits purposes; employees of the Authority who are former Federal employees are subject to the provisions of §§870.503(d) and 870.705 of this part;

(iii) The Corrections Trustee and the Pretrial Services, Defense Services, Parole, Adult Probation and Offender Supervision Trustee and employees of these Trustees who accept employment with the District of Columbia government within 3 days after separating from the Federal Government; and
(iv) Effective October 1, 1997, judicial and nonjudicial employees of the District of Columbia Courts, as provided by Pub. L. 105-33 (111 Stat. 251).

(4) Teachers in Department of Defense dependents schools overseas, if employed by the Federal Government in a nonteaching position during the recess period between school years.

(b) The following employees are also excluded from life insurance coverage:

(1) An employee serving under an appointment limited to 1 year or less. Exceptions:
   (i) An employee whose full-time or part-time temporary appointment has a regular tour of duty and follows a position in which he/she was insured, with no break in service or with a break in service of no more than 3 days;
   (ii) An acting postmaster;
   (iii) A Presidential appointee appointed to fill an unexpired term; and
   (iv) Certain employees who receive provisional appointments as defined in §316.403 of this title.

(2) An employee who is employed for an uncertain or purely temporary period, who is employed for brief periods at intervals, or who is expected to work less than 6 months in each year. Exception: An employee who is employed under an OPM-approved career-related work-study program under Schedule B lasting at least 1 year and who is expected to be in pay status for at least one-third of the total period of time from the date of the first appointment to the completion of the work-study program.

(3) An intermittent employee (a non-full-time employee without a regularly scheduled tour of duty). Exception: An employee whose intermittent appointment follows, with no break in service or with a break in service of no more than 3 days, a position in which he/she was insured and to which he/she is expected to return.

(4) An employee whose pay, on an annual basis, is $12 a year or less.

(5) A beneficiary or patient employee in a Government hospital or home.

(6) An employee paid on a contract or fee basis. Exception: an employee who is a United States citizen, who is appointed by a contract between the employee and the Federal employing authority which requires his/her personal service, and who is paid on the basis of units of time.

(7) An employee paid on a piecework basis. Exception: An employee whose work schedule provides for full-time or part-time service with a regularly scheduled tour of duty.

(c) OPM makes the final determination about whether the above categories apply to a specific employee or group of employees.

Subpart D—Cost of Insurance

§ 870.401 Withholdings and contributions for Basic insurance.

(a) The cost of Basic insurance is shared between the insured individual and the Government. The employee pays two thirds of the cost, and the Government pays one-third.

(b)(1) During each pay period in which an insured employee is in pay status for any part of the period, $0.165 must be withheld from the employee's biweekly pay for each $1,000 of the employee's BIA. The amount withheld from the pay of an employee who is paid on other than a biweekly basis must be prorated and adjusted to the nearest one-tenth of 1 cent.

(2) The amount withheld from the pay of an insured employee whose annual pay is paid during a period shorter than 52 work weeks is the amount obtained by converting the biweekly rate to an annual rate and prorating the annual rate over the number of installments of pay regularly paid during the year.

(3) The amount withheld from the pay of an insured employee whose BIA changes during a pay period is based on the BIA in force at the end of the pay period.

(c) For each pay period in which an employee is insured, the employing agency must contribute an amount equal to one-half the amount withheld from the employee's pay. This agency contribution must come from the appropriation or fund that is used for the payment of the employee's pay. For an elected official, the contribution must come from the appropriation or fund that is available for payment of other salaries in the same office.
Office of Personnel Management § 870.402

(d)(1) For an annuitant who elects to continue Basic insurance and chooses the maximum reduction of 75 percent after age 65 under § 870.702(a)(2), the amount withheld monthly is $0.3575 for each $1,000 of the BIA. For a compensationer who makes this election, the amount withheld weekly is $0.0875 for each $1,000. These withholdings stop the month after the month in which the annuitant reaches age 65. There are no withholdings from individuals who retired or began receiving compensation before January 1, 1990, and who elected the 75 percent reduction. For the purpose of this paragraph, an individual who separates from service after meeting the requirements for an immediate annuity under 5 U.S.C. 8412(g) is considered to retire on the day before the annuity begins.

(2) For an annuitant who elects to continue Basic insurance and chooses the maximum reduction of 50 percent after age 65 under § 870.702(a)(3), the amount withheld monthly is $0.8775 for each $1,000 of the BIA until the month after the month in which the annuitant reaches age 65; the amount is then reduced to $0.52 for each $1,000. For a compensationer who makes this election, the amount withheld weekly is $0.2025 for each $1,000 of the BIA until age 65; the amount is then reduced to $0.12 for each $1,000.

(3) For an annuitant who elects to continue Basic insurance and chooses no reduction after age 65 under § 870.702(a)(4), the amount withheld monthly is $2,0475 for each $1,000 of the BIA until the month after the month in which the annuitant reaches age 65; the amount is then reduced to $1.69 for each $1,000. For a compensationer who makes this election, the amount withheld weekly is $0.4725 for each $1,000 of the BIA until age 65; the amount is then reduced to $0.39 for each $1,000.

(e)(1) For each period in which an annuitant or compensationer is insured, OPM must contribute an amount equal to one-half the amount that would be withheld under paragraph (d)(1) of this section. Exception: for USPS employees who become annuitants or compensationers after December 31, 1989, the Postal Service pays the Government contributions.

§ 870.402 Withholdings for Optional insurance.

(a) The insured individual pays the full cost of all Optional insurance. There is no Government contribution toward the cost of any Optional insurance.

(b) During each pay period in any part of which an insured employee is in pay status, the employing agency must withhold the full cost of Optional insurance from his/her pay.

(c) Subject to the provisions for re-employed annuitants in § 870.705, the full cost of Optional insurance must be withheld from the annuity of an annuitant and from the compensation of a compensationer. These withholdings stop the month after the month in which an annuitant or compensationer reaches age 65.

(d)(1) The biweekly cost per $10,000 of Option A coverage is:

(e)(1) For each period in which an annuitant or compensationer is insured, OPM must contribute an amount equal to one-half the amount that would be withheld under paragraph (d)(1) of this section. Exception: for USPS employees who become annuitants or compensationers after December 31, 1989, the Postal Service pays the Government contributions.

(f) When an agency withholds less than or none of the proper amount of Basic life insurance deductions from an individual’s pay, annuity, or compensation, the agency must submit an amount equal to the sum of the uncollected deduction and any applicable agency contributions required under 5 U.S.C. 8708 to OPM for deposit in the Employees’ Life Insurance Fund.
§ 870.403 Withholdings and contributions following a Living Benefit election.

(a) Withholdings and contributions for Basic insurance for an individual who elects a full Living Benefit under subpart K of this part stop at the end of the pay period in which the Living Benefit election is effective.

(b) Withholdings and contributions for Basic insurance for an employee who elects a partial Living Benefit under subpart K of this part are based on the post-election BIA. This reduction in withholdings and contributions starts at the end of the pay period in which the Living Benefit election is effective.

(c) Withholdings and contributions for Basic insurance for an annuitant or compensationer who elected a partial Living Benefit as an employee are based on the post-election BIA.

(d) There is no change in withholdings for Optional insurance for individuals who elect a Living Benefit.

§ 870.404 Withholdings and contributions provisions that apply to both Basic and Optional insurance.

(a) Withholdings (and Government contributions, when applicable) are based on the amount of insurance in force at the end of the pay period.

(b) Withholdings are not required for the period between the end of the pay period in which an employee separates from service and the date his/her annuity or compensation begins.

(c) No payment is required while an insured employee is in nonpay status for up to 12 months. Exception: an employee who is in nonpay status while receiving compensation.

(d) The deposit described in §§870.401(f) and 870.402(l) must be made no later than 60 calendar days after the date the employing office determines the amount of the underdeduction that has occurred, regardless of whether or when the underdeduction is recovered by the agency. The agency must determine whether to waive collection of the overpayment of pay, in accordance with 5 U.S.C. 5584, as implemented by 4 CFR chapter I, subchapter G. However, if the agency involved is excluded from the provisions of 5 U.S.C. 5584, it may use any applicable authority to waive the collection.

(e) Effective October 21, 1972, when there is an official finding that an employee was suspended or fired erroneously, no withholdings are made from the back pay. Exception: if death or accidental dismemberment occurs during the period between the employee's removal and the finding that the
agency action was erroneous, premiums are withheld from the back pay awarded.

(f) If an individual's periodic pay, compensation, or annuity isn't sufficient to cover the full withholdings, any amount available for life insurance withholding must be applied first to Basic insurance, with any remainder applied to Optional insurance (first to Option B, then Option A, then Option C).

§ 870.405 Direct premium payments under 5 U.S.C. chapter 84 (Federal Employees’ Retirement System—FERS).

(a) If the FERS annuity, excluding subchapter III of 5 U.S.C. chapter 84 (Thrift Savings Plan), is too low to cover premiums for Basic insurance, the retirement system must notify the annuitant (or the assignee, if the insurance has been assigned under subpart I of this part) of the opportunity to pay his/her share of the Basic insurance premium directly to the retirement system.

(b) The retirement system must establish a method for accepting these direct premium payments. The retirement system must provide the annuitant with a premium payment schedule and the requirements for continued enrollment.

(c) The annuitant must send the retirement system the required premium for every pay period during which the coverage continues, excluding the 31-day temporary extension of coverage provided in §870.601. The annuitant must make payment after the pay period in which he/she is covered, according to the schedule established by the retirement system. If it does not receive payment by the due date, the retirement system must notify the annuitant that coverage will be continued only if he/she makes payment within 15 days after receiving the notice. The Basic insurance of an annuitant who doesn't pay within the specified time limit terminates. An individual whose coverage terminates because of non-payment of premium cannot re-elect or reinstate coverage, except as provided in paragraph (d) of this section.

(d) If, for reasons beyond his/her control, an annuitant is unable to pay within 15 days after receiving the notice, he/she may request reinstatement of coverage by writing to the retirement system. Such a request must be made within 30 calendar days from the date of termination and must be accompanied by proof that the annuitant was prevented from paying within the time limit for reasons beyond his/her control. The retirement system will decide if the individual is eligible for reinstatement of coverage. If eligibility is approved, the coverage is reinstated back to the date of termination.

(e) Termination of coverage for failure to pay premiums within the time limit established according to paragraph (c) of this section is effective at the end of the last pay period for which payment has been received on time.

(f) The retirement system must submit all direct premium payments, along with its regular life insurance premiums, to OPM according to procedures set by OPM.

Subpart E—Coverage

§ 870.501 Basic insurance: effective dates of automatic coverage.

(a)(1) When an employee is appointed or transferred to a position in which he/she is eligible for insurance, the employee is automatically insured for Basic insurance on the day he/she enters on duty in pay status, unless, before the end of the first pay period, the employee files a waiver of Basic insurance with the employing office or had previously filed a waiver which remains in effect.

(2) An insured employee who moves to another covered position is automatically insured on the effective date of the move, unless the employee files a waiver of Basic insurance with the new employing office before the end of the first pay period in the new position.

(3) When an employee of the District of Columbia Financial Responsibility and Management Assistance Authority elects to be considered a Federal employee under section 153 of Pub. L. 104-134 (110 Stat. 1321), he/she is automatically insured on (i) the date the employee enters on duty in pay status with the Authority, or (ii) the date the
Authority receives the employee’s election to be considered a Federal employee, whichever is later.

(b) An employee who returns to pay and duty status after a period of more than 12 months of nonpay status is automatically insured at the time he/she actually enters on duty in pay status, unless, before the end of the first pay period, the employee files a waiver of Basic insurance coverage with the employing office or had previously filed a waiver which remains in effect.

(c) For an employee who serves in cooperation with a non-Federal agency and who is paid in whole or in part from non-Federal funds, OPM sets the effective date. This date must be part of an agreement between OPM and the non-Federal agency. The agreement must provide either:

(1) That the required withholdings and contributions be made from Federally controlled funds and deposited into the Employees’ Life Insurance Fund on a timely basis, or

(2) That the cooperating non-Federal agency, by written agreement with the Federal agency, make the required withholdings and contributions from non-Federal funds and transmit that amount to the Federal agency for deposit into the Employees’ Life Insurance Fund on a timely basis.

(d) If an employee waived Basic insurance on or before February 28, 1981, the waiver was automatically cancelled effective on the 1st day the employee entered on duty in pay status on or after April 1, 1981. Basic insurance coverage was automatically effective on the date of the waiver’s cancellation, unless the employee filed a new waiver of Basic insurance with the employing office before the end of the pay period during which the coverage became effective.

§ 870.502 Basic insurance: waiver/cancellation of insurance.

(a) An insured individual may cancel his/her Basic insurance at any time by filing a waiver of Basic insurance coverage. An employee files with the employing office. An annuitant files with OPM or other office that administers his/her retirement system. If still employed, a compensation files with the employing office, and if not still employed, with OPM. The waiver is effective, and the insurance stops, at the end of the pay period in which the waiver is properly filed. Exception: an individual who has assigned his/her insurance under subpart I of this part cannot cancel the insurance.

(b) An individual who cancels his/her Basic insurance automatically cancels all forms of Optional insurance.

§ 870.503 Basic insurance: cancelling a waiver.

(a) An annuitant or compensationer who has filed a waiver of Basic insurance cannot cancel the waiver.

(b) An employee who has filed a waiver of Basic insurance may cancel the waiver and become insured if:

(1) At least 1 year has passed since the effective date of the waiver, and

(2) He/she provides satisfactory medical evidence of insurability.

(c) OFEGLI reviews the Request for Insurance filed by an employee who has complied with paragraph (b) of this section and decides whether to approve it. The insurance is effective when, after OFEGLI’s approval, the employee actually enters on duty in pay status in a position in which he/she is eligible for insurance. If the employee doesn’t enter on duty in pay status within 31 days following the date of OFEGLI’s approval, the approval is automatically revoked and the employee is not insured.

(d) When an employee who has been separated from service for at least 180 days is reinstated on or after April 1, 1981, a previous waiver of Basic insurance is automatically cancelled. Unless the employee files a new waiver, Basic insurance becomes effective on the 1st day he/she actually enters on duty in pay status in a position in which he/she is eligible for insurance. Exception: for employees who waived Basic insurance after February 28, 1981, separated, and returned to Federal service before December 9, 1983, the waiver remained in effect; these employees were permitted to elect Basic insurance by applying to their employing office before March 7, 1984.

§ 870.504 Optional insurance: Election.

(a)(1) Each employee must elect or waive Option A, Option B, and Option C
Office of Personnel Management

§ 870.505 Optional insurance: waiver/cancellation of insurance.

(a) An insured individual may cancel entirely any type of Optional insurance, or reduce the number of multiples of his/her Option B insurance, at any time by filing a waiver of Optional insurance coverage. An employee files with the employing office. An annuitant files with OPM or other office that administers his/her retirement system. If still employed, a compensationer files with the employing office, and if not still employed, with OPM. Exception: an individual who has assigned his/her insurance under subpart I of this part cannot cancel Option A or Option B coverage.

(b) A cancellation of Optional insurance becomes effective, and Optional insurance stops, at the end of the pay period in which the waiver is properly filed. Exception: if Option C is cancelled because there are no eligible family members, the effective date is retroactive to the end of the pay period in which there stopped being any eligible family members.

(c) A waiver of Optional insurance remains in effect until it is cancelled as provided in §870.506.
§ 870.506  Optional insurance: Canceling a waiver.

(a) When there is a change in family circumstances.
   (1) A waiver of Option A cannot be cancelled due to a change in family circumstances.
   (2) An employee who has waived Option B coverage may elect it, and an employee who has Option B of fewer than five multiples of annual pay may increase the number of multiples, upon his/her marriage or divorce, upon a spouse’s death, or upon acquiring an eligible child.
   (3) The number of multiples of Option B coverage that an employee can obtain or add (which can’t exceed a total of five) is limited to the following:
      (i) For marriage, the number of additional family members (spouse and eligible children) acquired with the marriage;
      (ii) For acquisition of children, the number of eligible children acquired; and
      (iii) For divorce or death of a spouse, the total number of eligible children of the employee.
   (4) An employee who has waived Option C coverage may elect it upon his/her marriage or upon acquiring an eligible child. An employee may also elect Option C coverage upon divorce or death of a spouse if the employee has any eligible children.
   (5)(i) The employee must file an election under paragraph (a)(1) or (a)(4) of this section with the employing office, in a manner designated by OPM, along with proof of the event, no later than 60 days following the date of the event that permits the election; the employee may instead file the election before the event and provide proof no later than 60 days following the event.
      (ii) This 60-day time limit may be extended if the individual isn’t serving in a covered position on the date of the event or if the individual separates from covered service prior to the end of the 60-day time limit. This extension cannot exceed the 31-day time limit for electing insurance following employment in a covered position or, for an election under paragraph (a)(4) of this section, the 31-day period following the 1st day on which the individual becomes eligible to cancel a waiver of Basic insurance.
   (6)(i) The effective date of Option B insurance elected under paragraph (a)(1) of this section is the 1st day the employee actually enters on duty in pay status on or after the day the employing office receives the election.
      (ii) The effective date of Option C insurance elected under this paragraph is the day the employing office receives the election, or the date of the event, whichever is later.
(b) When there is no change in family circumstances.
   (1) An employee who has waived Option A or Option B coverage may elect it if:
      (i) At least 1 year has passed since the effective date of the waiver, and
      (ii) He/she provides satisfactory medical evidence of insurability.
   (2) An employee who has Option B coverage of fewer than five multiples of annual pay may increase the number of multiples if:
      (i) At least 1 year has passed since the effective date of his/her last election of fewer than five multiples (including a reduction in the number of multiples), and
      (ii) He/she provides satisfactory medical evidence of insurability.
   (3) A waiver of Option C cannot be cancelled without a change in family circumstances, unless authorized during an open enrollment period.
   (c) OFEGLI reviews the request filed by an employee who has complied with paragraph (b) of this section and decides whether to approve it. The Optional insurance is effective when, after OFEGLI’s approval, the employee actually enters on duty in pay status in a position in which he/she is eligible for insurance and files a Life Insurance Election. If the employee doesn’t enter on duty in pay status within 31 days following the date of OFEGLI’s approval, the approval is automatically revoked and the employee does not have the Optional insurance requested.
(d) If an employee waived Option A insurance on or before February 28,
Office of Personnel Management § 870.507

1981, the waiver was automatically cancelled effective on the 1st day the employee entered on duty in pay status on or after April 1, 1981. Option A was effective on the date of the waiver’s cancellation, if the employee filed an election of Option A during the March 1, 1981, through March 31, 1981, open enrollment period. If the employee didn’t file the election with his/her employing office during the March 1981 open enrollment period, the employee is considered to have waived Option A on March 31, 1981.

(e) When an employee who has been separated from service for at least 180 days is reinstated on or after April 1, 1981, a previous waiver of Optional insurance is automatically cancelled, as follows:

(1) An employee who returned to service between April 1, 1981, and December 8, 1983, after a 180-day break in service was permitted to elect any form of Optional insurance by applying to his/her employing office before March 7, 1984.

(2) An employee who returns to service after December 8, 1983, following a 180-day break in service may elect any form of Optional insurance by applying to his/her employing office within 31 days after reinstatement. Coverage is effective on the 1st day the employee actually enters on duty in pay status in a position in which he/she is eligible for insurance on or after the date the employing office receives the election. If the employee doesn’t file a Life Insurance Election, in a manner designated by OPM, within the 31-day period, the employee is considered to have waived Optional insurance. However, an employee who fails to file during the 31-day period due to reasons beyond his/her control may enroll belatedly under the conditions stated in §870.504(a)(3).

(f) An annuitant or compensationer is not eligible to cancel a waiver of any type of Optional insurance or to increase multiples of Option B under this section.

§ 870.507 Open enrollment periods.

(a) There are no regularly scheduled open enrollment periods for life insurance. Open enrollment periods are held only when specifically scheduled by OPM.

(b) During an open enrollment period, unless OPM announces otherwise, eligible employees may cancel their existing waivers of Basic and/or Optional insurance by electing the insurance in a manner designated by OPM.

(c)(1) OPM sets the effective date for all insurance elected during an open enrollment period. The newly elected insurance is effective on the 1st day of the first pay period which begins on or after the OPM-established date and which follows a pay period during which the employee was in pay and duty status for at least 32 hours, unless OPM announces otherwise.

(2) A part-time employee must be in pay and duty status for one-half the regularly scheduled tour of duty shown on his/her current Standard Form 50 for newly elected coverage to become effective, unless OPM announces otherwise.

(3) An employee who has no regularly scheduled tour of duty or who is employed on an intermittent basis must be in pay and duty status for one-half the hours customarily worked before newly elected coverage can become effective, unless OPM announces otherwise. For the purpose of this paragraph, employing offices can determine the number of hours customarily worked by averaging the number of hours worked in the most recent calendar year quarter prior to the start of the open enrollment period.

(d) Within 6 months after an open enrollment period ends, an employing office may determine that an employee was unable, for reasons beyond his/her control, to cancel an existing waiver by electing to be insured during the open enrollment period. In this case, if the employee wants coverage, he/she must submit an election within 31 days after being notified of the determination. Coverage is retroactive to the first pay period which begins on or after the effective date set by OPM and which follows a pay period during which the employee was in pay and duty status for at least 32 hours, unless OPM announces otherwise. If the employee doesn’t file an election within this 31-
§ 870.508 Nonpay status.

(a) An employee who is in nonpay status is entitled to continue life insurance for up to 12 months. No premium payments are required, unless the employee is receiving compensation.

(b) If an insured employee who is entitled to free insurance while in nonpay status accepts a temporary appointment to a position in which he/she would normally be excluded from insurance, the insurance continues. The amount of Basic insurance is based on whichever position’s salary is higher. Withholdings are made from the employee’s pay in the temporary position.

(c) If an insured employee goes on leave without pay (LWOP) to serve as a full-time officer or employee of an employee organization, within 60 days of the start of the LWOP he/she may elect to continue life insurance. The insurance continues for the length of the appointment, even if the LWOP lasts longer than 12 months. The employee must pay to the employing office the full cost of Basic and Optional insurance. There is no Government contribution for these employees.

(d) If an insured employee goes on LWOP while assigned to a State government, local government, or institution of higher education, life insurance continues for the length of the appointment, even if the LWOP lasts longer than 12 months. The employee must pay his/her premiums to the Federal agency on a current basis. The agency must continue to pay its contribution as long as the employee makes his/her payments.

§ 870.509 Transfers to international organizations.

An employee transferred to an international organization may continue life insurance coverage as provided in 5 U.S.C. 3582. Regulations governing these transfers are in part 352 of this title.

§ 870.601 Termination of Basic insurance.

(a) Except as provided in §870.701, the Basic insurance of an insured employee stops on the date he/she separates from service, subject to a 31-day extension of coverage.

(b) The Basic insurance of an employee who separates from service after meeting the requirement for an immediate annuity under §842.204(a)(1) of this title and who postpones receiving the annuity, as provided by §842.204(c) of this title, stops on the date he/she separates from service, subject to a 31-day extension of coverage.

(c) The Basic insurance of an insured employee who moves without a break in service to a position in which he/she is excluded from life insurance stops on his/her last day in the former position, subject to a 31-day extension of coverage.

(d)(1) Except as provided in §870.701, the Basic insurance of an insured employee who is in nonpay status stops on the date the employee completes 12 months in nonpay status, subject to a 31-day extension of coverage. The 12 months’ nonpay status may be broken by periods of less than 4 consecutive months in pay status. If an employee has at least 4 consecutive months in pay status after a period of nonpay status, he/she is entitled to begin the 12 months’ continuation of Basic insurance again. If an employee has used up his/her 12 months’ continuation in nonpay status and returns to duty for less than 4 consecutive months, his/her Basic insurance stops on the 32nd day after the last day of the last pay period in pay status.

(2) For the purpose of paragraph (d)(1) of this section, 4 consecutive months in pay status means any 4-month period during which the employee is in pay status for at least part of each pay period.

(3) For the purpose of paragraph (d)(1) of this section, an individual who is entitled to benefits under part 353 of
§ 870.602 Termination of Optional insurance.

(a) The Optional insurance of an insured employee stops when his/her Basic insurance stops, subject to the same 31-day extension of coverage.

(b) The Optional insurance of an employee who separates from service after meeting the requirement for an immediate annuity under §842.204(a)(1) of this title and who postpones receiving the annuity, as provided by §842.204(c) of this title, stops on the date he/she separates from service, subject to a 31-day extension of coverage.

(c) If an insured employee isn’t eligible to continue Optional coverage as an annuitant or compensationer as provided by §870.701, the Optional insurance stops on the date that his/her Basic insurance is continued or reinstated under the provisions of §870.701, subject to a 31-day extension of coverage.

(d) If, at the time of an individual’s election of Basic insurance during receipt of annuity or compensation, he/she elects no Basic life insurance as provided by §870.702(a)(1), the Optional insurance stops at the end of the month in which the election is received in OPM, subject to a 31-day extension of coverage.

(e) Except as provided in §870.405, Optional insurance stops, subject to a 31-day extension of coverage, at the end of the pay period in which it’s determined that an individual’s periodic pay, compensation, or annuity, after all other deductions, isn’t enough to cover the full cost of the Optional insurance. If an individual has more than one type of Optional insurance and his/her pay, compensation, or annuity is sufficient to cover some but not all of the insurance, Option C terminates first, followed by Option A, and then the multiples of Option B.

§ 870.603 Conversion of Basic and Optional insurance.

(a)(1) When group coverage terminates for any reason other than voluntary cancellation, an employee may apply to convert all or any part of his/her Basic and Optional insurance to an individual policy; no medical examination is required. The premiums for the individual policy are based on the employee’s age and class of risk. An employee is eligible to convert the policy only if he/she doesn’t return, within 3 calendar days from the terminating event, to a position covered under the group plan. If insurance has been assigned under subpart I of this part, it is the assignee(s), not the employee, who has(have) the right to convert.

(2) The employing agency must notify the employee/assignee(s) of the loss of coverage and the right to convert to an individual policy either before or immediately after the event causing the loss of coverage.

(3) The employee/assignee(s) must submit the request for conversion information to OFEGLI. It must be postmarked within 31 days following the date of the terminating event or within 31 days of the date the employee/assignee received the notice of loss of group coverage and right to convert, whichever is later.

(4) An employee/assignee who fails to use his/her conversion right within 31 days after receiving notice of the right to convert or within 31 days of the terminating event, whichever is later, is considered to have refused coverage, unless OFEGLI determines the failure was for reasons beyond the employee’s control, as described in paragraph (a)(5) of this section.

(5) When an agency fails to provide the notification required in paragraph (a)(2) of this section, or the employee/assignee fails to request conversion information within the time limit set in paragraph (a)(3) of this section for reasons beyond his/her control, the employee may make a belated request by writing to OFEGLI. The employee/assignee must make the request within 6 months after becoming eligible to convert the insurance. The employee/assignee must show that he/she wasn’t notified of the loss of coverage and the right to convert and was not otherwise aware of it or that he/she was unable to convert to an individual policy for reasons beyond his/her control. OFEGLI will determine if the employee/assignee is eligible to convert. If the request is approved, the employee must convert within 31 days of that determination.
§ 870.701  Eligibility for life insurance.

(a) When an insured employee retires, Basic life insurance (but not accidental death and dismemberment) continues or is reinstated if he/she:

(1) Is entitled to retire on an immediate annuity under a retirement system for civilian employees, including the retirement system of a non-appropriated fund instrumentality of the Department of Defense or the Coast Guard;

(2) Was insured for the 5 years of service immediately before the date the annuity starts, or for the full period(s) of service during which he/she was eligible to be insured if less than 5 years; and

(3) Has not converted to an individual policy as described in §870.603. If it is determined that an individual is eligible to continue the group coverage as an annuitant or compensationer after he/she has converted, the group enrollment may be reinstated. If the individual wants the group coverage reinstated, the conversion policy must be voided, the group policy must be reinstated retroactively, and the premiums already paid on the conversion policy must be refunded to the individual.

(b) The individual conversion policy is effective the day after the group coverage ends. The employee/assignee must pay the premiums for any period retroactive to that date.

(c) The 31-day extension of coverage provided under this subpart does not depend upon timely notification of the right to convert to an individual policy. The extension cannot be continued beyond 31 days.

Subpart G—Annuitants and Compensationers

§ 870.702  Election of Basic insurance.

(a) Unless he/she has elected a Living Benefit, an individual who makes an
election under §870.701(c) must select one of the following options:

(1) Termination of the insurance. The individual’s insurance stops upon conversion to an individual policy as provided under §870.603. If the individual doesn’t convert to an individual policy, insurance stops at the end of the month in which OPM or the employing office receives the election;

(2) Continuation or reinstatement of Basic insurance with a maximum reduction of 75 percent during retirement. Premiums are withheld from annuity or compensation (except as provided under §870.401(d)(1)). The amount of Basic Life insurance in force reduces by 2 percent of the BIA each month until the maximum reduction is reached. This reduction starts at the beginning of the 2nd month after the date the insurance would otherwise have stopped or the date of the insured’s 65th birthday, whichever is later;

(3) Continuation or reinstatement of Basic insurance with a maximum reduction of 50 percent during retirement. Premiums are withheld from annuity or compensation. The amount of Basic insurance in force reduces by 1 percent of the BIA each month until the maximum reduction is reached. This reduction starts at the beginning of the 2nd month after the date the insurance would otherwise have stopped or the date of the insured’s 65th birthday, whichever is later; or

(4) Continuation or reinstatement of Basic insurance with no reduction after age 65. Premiums are withheld from annuity or compensation.

(b)(1) Unless an employee has elected a partial Living Benefit under subpart K of this part or an individual has assigned the insurance under subpart I of this part, an insured individual may cancel an election under paragraph (a)(3) or (a)(4) of this section at any time. The amount of Basic insurance automatically switches to the amount that would have been in force if the individual had originally elected the 75 percent reduction. This revised amount is effective at the end of the month in which OPM receives the request to cancel the previous election.

(c) Unless he/she chooses to terminate his/her insurance, an employee who has elected a partial Living Benefit must choose the no reduction election under paragraph (a)(4) of this section. He/she cannot later change to the 75 percent reduction.

(d) If an employee has assigned his/her insurance, he/she cannot cancel an election under paragraph (a)(3) or (a)(4) of this section. Only the assignee(s) may cancel this election. Exception: if the employee elected a partial Living Benefit before assigning the remainder of his/her insurance, the assignee(s) cannot cancel the election under paragraph (a)(4) of this section.

§870.705 Amount of life insurance.

(a)(1) The amount of Basic insurance an annuitant or compensationer can continue is his/her BIA on the date insurance would otherwise have stopped because of separation from service or completion of 12 months in nonpay status. The amount of Basic insurance in force is the BIA minus any reductions applicable under §870.702(a).

(2) For the purpose of paying benefits upon the death of an insured individual under age 45 who is retired or receiving compensation, the BIA will be multiplied by the appropriate age factor shown in §870.202(c). Exceptions:

(i) If the insured individual retired or started receiving compensation before October 10, 1980, or

(ii) If the insured individual elected a partial Living Benefit as an employee under subpart K of this part.

(b)(1) If an individual files a waiver of insurance, the coverage stops without a 31-day extension of coverage or conversion right. This is effective at the end of the month in which OPM receives the waiver.

(c) Unless he/she chooses to terminate his/her insurance, an employee who has elected a partial Living Benefit must choose the no reduction election under paragraph (a)(4) of this section. He/she cannot later change to the 75 percent reduction.

(d) If an employee has assigned his/her insurance, he/she cannot cancel an election under paragraph (a)(3) or (a)(4) of this section. Only the assignee(s) may cancel this election. Exception: if the employee elected a partial Living Benefit before assigning the remainder of his/her insurance, the assignee(s) cannot cancel the election under paragraph (a)(4) of this section.
§ 870.704 Reinstatement of life insurance.

(a) An annuitant whose disability annuity terminates because he/she recovers from the disability or because his/her earning capacity returns, and whose disability annuity is later restored under 5 U.S.C. 8337(e) (after December 31, 1983), may elect to resume the Basic insurance held immediately before his/her disability annuity terminated. OPM must receive the election within 60 days after OPM mails a notice of insurance eligibility and an election form.

(b) An annuitant described in paragraph (a) of this section may elect to resume any Optional insurance held immediately before the annuity terminated if:

(1) He/she has made an election under paragraph (a) of this section; and

(2) OPM receives the election within 60 days after OPM mails a notice of insurance eligibility and an election form.

(c) Basic and Optional insurance reinstated under paragraphs (a) and (b) of this section is effective on the 1st day of the month after OPM receives the election. Any applicable annuity withholdings are also reinstated on the 1st day of the month after OPM receives the election.

(d) The amounts of Basic and Optional insurance reinstated under paragraphs (a) and (b) of this section are the amounts that would have been in force if the individual's annuity hadn't terminated.

§ 870.705 Reemployed annuitants.

(a)(1) If an insured annuitant is appointed to a position in which he/she is eligible for insurance, the amount of his/her Basic life insurance as an annuitant (and any applicable annuity withholdings) is suspended on the day before the 1st day in pay status under the appointment, unless the reemployed annuitant waives all insurance coverage. The Basic insurance benefit payable upon the death of a reemployed annuitant who has Basic insurance in force as an employee can't be
§ 870.706 MRA-plus-10 annuitants.

(a) The Basic insurance of an individual whose coverage terminates under §870.601(b), and who meets the requirements for continuing Basic insurance after retirement as stated in §870.701(a), resumes on the starting date of the reemployment. In this case Option B (and applicable annuity withholdings) as an annuitant is suspended on the date that Option B as an employee becomes effective; or

(ii) The individual waives Basic insurance.

(4) The Option B benefit payable upon the death of a reemployed annuitant is the amount in effect as an annuitant, unless he/she elected to have Option B as an employee.

(5) Except as provided in paragraph (e) of this section, the Optional insurance obtained as an employee stops, with no 31-day extension or conversion right, on the date reemployment terminates. The amount of suspended Optional insurance which remains in force after applicable monthly reductions after age 65 (and corresponding withholdings) is reinstated on the day after reemployment terminates.

(e) Optional life insurance obtained during reemployment may be continued after the reemployment terminates if the annuitant:

(1) Qualifies for a supplemental annuity or receives a new retirement right;

(2) He/she has had Basic insurance as an employee for at least 5 years of service immediately before separation from reemployment or for the full period(s) during which such coverage was available to him/her, whichever is less; and

(3) He/she doesn’t convert to nongroup insurance when Basic insurance as an employee would otherwise terminate.

(c) If the Basic insurance obtained during reemployment is continued as provided in paragraph (b) of this section, any suspended Basic life insurance stops, with no 31-day extension of coverage or conversion right.

(d) (1) An annuitant appointed to a position in which he/she is eligible for Basic insurance, is also eligible for Optional insurance as an employee, unless he/she has on file an uncancelled waiver of Basic or Optional insurance.

(2) If the individual has Option A or C as an annuitant, that insurance (and applicable annuity withholdings) is suspended on the day before his/her 1st day in pay status under the appointment. Unless he/she waives Option A or C (or waives Basic insurance), he/she obtains Option A or C as an employee.

(3) If the individual has Option B as an annuitant, that insurance (and applicable annuity withholdings) continues as if the individual weren’t reemployed, unless:

(i) The individual files with his/her employing office an election of Option B, in a manner designated by OPM, within 31 days after the date of reemployment. In this case Option B (and applicable annuity withholdings) as an annuitant is suspended on the date that Option B as an employee becomes effective; or

(ii) The individual waives Basic insurance.

(f) If Optional insurance obtained during reemployment is continued as provided in paragraph (e) of this section, any suspended Optional insurance stops, with no 31-day extension of coverage or conversion right.

(g) If a reemployed annuitant waives life insurance as an employee, the waiver also cancels his/her life insurance as an annuitant.

§ 870.801 Order of precedence and payment of benefits.

(a) Benefits are paid according to the order of precedence stated in 5 U.S.C. 8705(a), as follows:

1. To the designated beneficiary (or beneficiaries);
2. If none, to the widow(er);
3. If none, to the child, or children in equal shares, with the share of any deceased child going to his/her children;
4. If none, to the parents in equal shares or the entire amount to the surviving parent;
5. If none, to the executor or administrator of the estate;
6. If none, to the next of kin according to the laws of the State in which the insured individual legally resided.

(b) If an insured individual provides in a valid designation of beneficiary for insurance benefits to be payable to the insured's estate, or to the Executor, Administrator, or other representative of the insured's estate, or if the benefits would otherwise be payable to the duly appointed representative of the insured's estate under the order of precedence specified in 5 U.S.C. 8705(a), payment of the benefits to the duly appointed representative of the insured's estate bars recovery by any other person.

(c) Option A and B insurance in force on a person on the date of his/her death is paid, on receipt of a valid claim, in the same order of precedence and under the same conditions as Basic insurance. A designation of beneficiary for Basic insurance is also a designation of beneficiary for Options A and B, unless the insured individual states otherwise in his/her designation.

(d) Upon the death of an insured family member, Option C benefits are paid to the employee, annuitant, or compensationer responsible for withholdings under §870.402(f), except as provided in paragraph (e) of this section.

(e) If an employee, annuitant, or compensationer entitled to receive Option C benefits dies before the benefits are paid, the Option C benefits are paid to the individual(s) entitled to receive Basic life insurance benefits under the statutory order of precedence. However, if the insurance has been assigned in accordance with subpart I of this part, any prior designations of beneficiary were cancelled; benefits in this instance are paid under the statutory order of precedence, starting with the second on the list.

§ 870.802 Designation of beneficiary.

(a) If an insured individual wants benefits paid differently from the order of precedence, he/she must file a designation of beneficiary. A designation of beneficiary cannot be filed by anyone other than the insured individual. Exception: if the insurance has been assigned under subpart I of this part, the insured individual cannot designate a beneficiary; only the assignee(s) can designate beneficiaries.

(b) A designation of beneficiary must be in writing, signed by the insured individual, and witnessed and signed by two people. The employing office (or OPM, in the case of an individual receiving an annuity or compensation) must receive the designation before the death of the insured.

(c) A designation, change, or cancellation of beneficiary in a will or any other document not witnessed and filed as required by this section has no legal effect with respect to benefits under this chapter.

(d) A witness to a designation of beneficiary cannot be named as a beneficiary.
(e) Any individual, firm, corporation, or legal entity can be named as a beneficiary, except an agency of the Federal or District of Columbia Government. 

(f) An insured individual (or an assignee) may change his/her beneficiary at any time without the knowledge or consent of the previous beneficiary. This right cannot be waived or restricted. 

(g) (1) A designation of beneficiary is automatically cancelled 31 days after the individual stops being insured. 

(2) An assignment under subpart I of this part automatically cancels an insured individual’s designation of beneficiary. 

(h) An insured individual may provide that a designated beneficiary is entitled to the insurance benefits only if the beneficiary survives him/her for a specified period of time (not more than 30 days). If the beneficiary does not survive for the specified period, insurance benefits will be paid as if the beneficiary had died before the insured. 

Subpart I—Assignments of Life Insurance

§ 870.901 Assignments permitted.

(b) An individual cannot name conditional assignees in case the primary assignee dies before the insured individual. 

(c) If the insurance is assigned to two or more individuals, corporations, or trustees, the insured individual must specify percentage shares, rather than dollar amounts or types of insurance, to go to each assignee. 

(d) If an individual who has made an assignment later elects increased insurance coverage under §870.506 or during an open enrollment period, the increased coverage is considered included in the already existing assignment. The right to increase coverage remains with the insured individual, rather than transferring to the assignee. 

(e) An individual who assigns ownership of insurance continues to be the insured individual, but the assignee receives those rights of an insured individual that are specified in this part. 

(f) Once assigned, the value of the insurance increases or decreases automatically as provided by this part. Exception: If the insured individual elected a Living Benefit before assigning the remainder of his/her insurance, the amount of Basic insurance does not increase or decrease. 

(g) An insured individual who has assigned his/her insurance cannot elect a Living Benefit; nor can an assignee...
elect a Living Benefit on behalf of the insured individual.

(h) An insured individual who has elected a Living Benefit under subpart K of this part may assign the remainder of his/her insurance. The assignment would affect Option A, Option B, and, for an employee who elected a partial Living Benefit, Basic insurance.

§ 870.902 Making an assignment.

To assign insurance, an insured individual must complete an approved assignment form. Only the insured individual may make an assignment; no one can assign on behalf of an insured individual. The individual must submit the completed and signed form to the employing office indicating the intent to irrevocably assign all ownership of the insurance; the form must also be signed by 2 witnesses. (Assignments submitted prior to November 28, 1986, were accepted without an approved assignment form.)

§ 870.903 Effective date of assignment.

An assignment under this subpart is effective on the date the employing office receives the properly completed, signed, and witnessed assignment form.

§ 870.904 Amount of insurance.

The amount of insurance is the amount of the insured individual's Basic insurance, plus any Option A and Option B coverage.

§ 870.905 Withholdings.

Premium withholdings for assigned insurance are withheld from the salary, annuity, or compensation of the insured individual, as provided in subpart D of this part.

§ 870.906 Cancellation of insurance.

(a) The right to cancel (or reduce) insurance transfers to the assignee; the insured individual cannot cancel (or reduce) insurance after making an assignment.

(b) The assignee has the right to cancel insurance according to the provisions of §§ 870.502 and 870.505. When there is more than one assignee, all assignees must agree to the cancellation. A cancellation of Basic insurance also cancels all Optional insurance.

§ 870.907 Termination and conversion.

(a) Assigned insurance terminates under the conditions stated in subpart F of this part.

(b)(1) When an insured individual's insurance terminates, an assignee has the right to convert all or part of the group insurance to an individual policy on the insured individual. The conditions stated in subpart F of this part apply to assignees who elect to convert.

(2) When there is more than one assignee, each assignee has the right to convert all or part of his/her share of the insurance. Any assignee who doesn't convert loses all ownership of the insurance.

(3) When there is more than one assignee, the maximum amount of insurance each assignee will be able to convert is determined by the dollar amount corresponding to the assignee's share of the total insurance. This amount will be rounded up to the next higher thousand, if it's not already an even thousand dollar amount.

(4) Premiums for converted life insurance are based on the insured individual's age and class of risk at the time the conversion policy is issued.

(5) The employing office must notify each assignee of the conversion right at the time the assigned group insurance terminates.

(c) The assignment terminates 31 days after the insurance terminates, unless the insured individual is reemployed in or returns to a position in which he/she is entitled to coverage under this chapter within 31 days after the insurance terminates.

§ 870.908 Annuitants and compensationers.

(a) If an employee assigns Basic insurance and later becomes eligible to continue such insurance coverage as an annuitant or compensationer as provided in § 870.701:

(1) At the time he/she retires or becomes eligible as a compensationer, the insured individual may elect unreduced or partially reduced insurance coverage as provided in § 870.702(a). This right remains with the insured individual and does not transfer to the assignee. Exception: if the insured individual elected a partial Living Benefit...
Office of Personnel Management

as an employee under subpart K of this part, he/she can only elect unreduced insurance coverage.

(2) After the individual has made the election described in paragraph (a)(1) of this section, the assignee (or, if more than one, all of the assignees acting together) may, at any time, elect to cancel the annuitant’s or compensationer’s election of increased coverage, as provided in §870.702(b). The right to cancel the election transfers to the assignee; the annuitant or compensationer cannot cancel the election after making an assignment. Exception: if the individual elected a partial Living Benefit as an employee under subpart K of this part, the assignee(s) cannot cancel the election of unreduced insurance coverage.

(b) When more than one assignee has been named, at the time the insured individual becomes eligible to continue coverage as an annuitant or compensationer, some assignees may choose to convert their part of the insurance, while others may choose to continue the coverage during the insured individual’s retirement or receipt of compensation. The amount of each type of continued insurance is determined by the total percentage of the shares of the assignees who choose to continue the coverage.

(1) When an annuitant who has assigned his/her insurance is reemployed in a position in which he/she is entitled to life insurance coverage, the coverage he/she acquires as a reemployed annuitant is subject to the existing assignment.

(2) The right of a reemployed annuitant to elect Option B coverage as an employee rather than as an annuitant under §870.705(d)(3) remains with the insured individual and does not transfer to the assignee. Any Option B coverage elected as an employee is subject to the existing assignment.

§ 870.909 Designations and changes of beneficiary.

(a)(1) An assignment automatically cancels an insured individual’s prior designation of beneficiary. After making an assignment, an individual cannot designate a beneficiary; the right to designate beneficiaries transfers to the assignee.

(2) Each assignee may designate a beneficiary or beneficiaries to receive insurance benefits upon the death of the insured individual and may also later change the beneficiaries. An assignee may designate himself/herself the primary beneficiary and name another contingent beneficiary(ies) to receive insurance benefits if the assignee dies before the insured individual.

(b) Benefits for assigned insurance are paid to the assignee(s) if the assignee(s) did not designate a beneficiary.

(c) Benefits for assigned insurance are paid to an assignee’s estate if the assignee dies before the insured individual and:

(1) The assignee (or the assignee’s heirs) did not designate a beneficiary; or

(2) The assignee’s designated beneficiary dies before the insured individual.

(d) The provisions of §870.802 apply to designations of beneficiary made by assignees.

§ 870.910 Notification of current addresses.

Each assignee and each beneficiary of an assignee must keep the office where the assignment is filed informed of his/hers current address.

Subpart J—Benefits for United States Hostages in Iraq and Kuwait and United States Hostages Captured in Lebanon

§ 870.1001 Purpose.

This subpart sets forth the conditions for life insurance coverage according to the provisions of section 599C of Pub. L. 101-513 (104 Stat. 2035).

§ 870.1002 Definitions.

In this subpart:

Hostage and hostage status have the meaning set forth in section 599C of Pub. L. 101-513 (104 Stat. 2035).

Pay period for individuals insured under this subpart means the pay period set by the U.S. Department of State.

Period of eligibility means the period beginning on the effective date set forth in §870.1004 and ending 12 months
§ 870.1003 Coverage and amount of insurance.

(a) An individual is covered under this subpart when the U.S. Department of State determines that the individual is eligible under section 599C of Pub. L. 101-513 (104 Stat. 2035).

(b)(1) The amount of Basic life insurance for these individuals is the amount specified in §870.202, subject to the applicable conditions stated in this subpart.

(2) The BIA under §870.202 is the amount of the payment specified in section 599C(b)(2) of Pub. L. 101-513 (104 Stat. 2035), rounded to the next higher $1,000, plus $2,000.

(c) Individuals who have Basic insurance under this section also have group accidental death and dismemberment insurance.

(d) Individuals insured by this subpart are not eligible for Optional insurance.

(e) Individuals insured by this subpart are not considered employees for the purpose of this part.

(f) Eligibility for insurance under this subpart depends on the availability of funds under section 599C(e) of Pub. L. 101-513 (104 Stat. 2035).

§ 870.1004 Effective date of insurance.

Insurance under this subpart was effective on August 2, 1990, for hostages in Iraq and Kuwait and on June 1, 1982, for hostages captured in Lebanon, unless the U.S. Department of State sets a later date.

§ 870.1005 Premiums.

(a) Government contributions and employee withholdings required under subpart D of this part are paid from the funds provided under section 599C(e) of Pub. L. 101-513 (104 Stat. 2035).

(b) If an individual isn’t insured for the full pay period, premiums are paid only for the days he/she is actually insured. The daily premium is the monthly premium multiplied by 12 and divided by 365.

(c) OPM may accept the payments required by this section in advance from a State Department appropriation, if necessary to fund the 12-month period of coverage beginning the earlier of:

1. The day after sanctions or hostilities end; or
2. The day after the individual’s hostage status ends.

(d) OPM will place any funds received under paragraph (c) of this section in an account set up for that purpose. OPM will make the deposit required under 5 U.S.C. 8714 from the account when the appropriate pay period occurs.

§ 870.1006 Cancellation of insurance.

(a) An individual who is insured under this subpart may cancel his/her insurance at any time by written request. The cancellation is effective on the 1st day of the pay period after the pay period in which the U.S. Department of State receives the request.

(b) Cancellation must be requested by the insured individual and cannot be requested by a representative acting on the individual’s behalf.

(c) An individual who cancels the insurance under this section cannot obtain the insurance again, unless the U.S. Department of State determines that it would be against equity and good conscience not to allow the individual to be insured.

§ 870.1007 Termination and conversion.

(a) Insurance under this subpart terminates 12 months after hostage status ends, unless the individual cancels the insurance earlier.

(b) Insured individuals whose coverage terminates are eligible for the 31-day extension of coverage and conversion as set forth in subpart F of this part, unless the individual cancelled the coverage.

§ 870.1008 Order of precedence and designation of beneficiary.

Insurance benefits are paid under the order of precedence set forth in 5 U.S.C. 8705(a) and under the provisions of subpart H of this part.
§ 870.1009 Responsibilities of the U.S. Department of State.

(a) The U.S. Department of State functions as the “employing office” for individuals insured under this subpart.

(b) The U.S. Department of State must determine the eligibility of individuals under Pub. L. 101-513 (104 Stat. 2035) for insurance under this subpart. This includes determining whether an individual is barred from insurance under chapter 87 of title 5 U.S.C. because of other life insurance as provided in section 599C of Pub. L. 101-513 (104 Stat. 2035).

Subpart K—Living Benefits

§ 870.1101 Eligibility for a Living Benefit.

(a) Effective July 25, 1995, an insured individual who is certified by his/her doctor as terminally ill, as defined in §870.101, may elect to receive a lump-sum payment of Basic insurance.

(b) Optional insurance is not available for payment as a Living Benefit.

(c)(1) The effective date of a Living Benefit election is the date on which the Living Benefit payment is cashed or deposited. Once an election becomes effective, it can’t be revoked. No further election of Living Benefits can be made.

(2) If the insured individual dies before cashing or depositing the Living Benefit payment, the payment must be returned to OFEGLI.

(d) If the insured individual has assigned his/her insurance, he/she cannot elect a Living Benefit; nor can an assignee elect a Living Benefit on behalf of an insured individual.

(e) If an individual has elected a Living Benefit, he/she may assign his/her remaining insurance.

§ 870.1102 Amount of a Living Benefit.

(a)(1) An employee may elect to receive either:

(i) A full Living Benefit, which is all of his/her Basic insurance, or

(ii) A partial Living Benefit, which is a portion of his/her Basic insurance, in a multiple of $1,000.

(2) An annuitant or compensationer may only elect to receive a full Living Benefit.

(b) The amount of Basic insurance elected as a Living Benefit will be reduced by an actuarial amount representing the amount of interest lost to the Fund because of the early payment of benefits.

(c)(1) If an individual elects a full Living Benefit, the post-election BIA will be 0. If an employee elects a partial Living Benefit, the post-election BIA will be the BIA reduced in proportion to the amount of Basic insurance elected as a Living Benefit, as prescribed by Pub. L. 103-409 (108 Stat. 4231).

(2) The post-election BIA cannot change after the effective date of a Living Benefit election.

(d)(1) If an employee is awarded a full Living Benefit, Basic accidental death and dismemberment coverage terminates as of the effective date of the election.

(2) If an employee elects a partial Living Benefit, Basic accidental death and dismemberment coverage is reduced to equal the post-election BIA.

§ 870.1103 Election procedures.

(a) The insured individual must request information on Living Benefits and an application form directly from OFEGLI.

(b)(1) Only the insured individual can apply for a Living Benefit; no one can apply on his/her behalf.

(2) The insured individual must complete the first part of the application and have his/her physician complete the second part. The completed application must be submitted directly to OFEGLI.

(c)(1) OFEGLI reviews the application, obtains certification from the insured’s employing office regarding the amount of insurance and the absence of an assignment, and determines whether the individual meets the requirements to elect a Living Benefit.

(2) If OFEGLI needs additional information, it will contact the insured or the insured’s physician.

(3) Under certain circumstances, OFEGLI may require a medical examination before making a decision. In these cases, OFEGLI is financially responsible for the cost of the medical examination.

(d)(1) If the application is approved, OFEGLI sends the insured a check for
the Living Benefit payment and an explanation of benefits.

(i) Until the check has been cashed or deposited, the individual may change his/her mind about electing a Living Benefit; if this happens, the individual must mark the check "void" and return it to OFEGLI.

(ii) Once the insured individual has cashed or deposited the payment, the Living Benefit election becomes effective and cannot be revoked; OFEGLI then sends explanations of benefits to the insured's employing office, so it can make the necessary changes in withholdings and deductions.

(2) If the application is not approved, OFEGLI will notify the insured individual and the employing office. The decision is not subject to administrative review; however, the individual can submit additional medical information or reapply at a later date if future circumstances warrant.

PART 880—RETIREMENT AND INSURANCE BENEFITS DURING PERIODS OF UNEXPLAINED ABSENCE

Subpart A—General

§ 880.101 Purpose and scope.

(a) The purpose of this part is to establish a uniform standard that OPM will use in its administration of benefits for CSRS, FERS, FEHBP and FEGLI in cases in which an annuitant becomes a missing annuitant.

(b) This part establishes the procedures that OPM will follow to—

(1) Determine—

(i) Who is a missing annuitant,

(ii) When a missing annuitant has died,

(iii) When benefits will be paid in missing annuitant cases, and

(iv) FEHBP coverage for family members of a missing annuitant; and

(2) Make adjustments to CSRS and FERS benefit payments, FEHBP coverage and premiums, and FEGLI benefit payments and premiums after a determination that a missing annuitant is dead.

(c) This part applies only to situations in which an individual who satisfies the statutory definition of an annuitant under section 8331(g) or section 8401(2) of title 5, United States Code, disappears and has not been determined to be dead by an authorized institution. This part does not apply to—

(1) An employee, regardless of whether the absence is covered by subchapter VII of chapter 55 of title 5, United States Code; or

(2) A separated employee who either—

(i) Does not meet the age and service requirements for an annuity, or

(ii) Has not filed an application for annuity.

§ 880.102 Regulatory structure.

(a) This part contains the following subparts:

(1) Subpart A contains general information about this part and related subjects.

(2) Subpart B establishes the procedures that OPM will follow in missing annuitant cases.

(3) Subpart C establishes the methodologies that OPM will apply in determining continuations of coverage and amounts of payments in missing annuitant cases.
§ 880.203

Subpart B—Procedures

§ 880.201 Purpose and scope.

This subpart establishes the procedures that OPM will use—
(a) Determine that an individual is a missing annuitant;
(b) Suspend payment of annuity to a missing annuitant;
(c) Notify individuals affected by such a suspension of payments; and
(d) Determine that a missing annuitant has died.

§ 880.202 Referral to Associate Director.

Any OPM office that receives information concerning the possibility that an annuitant might have disappeared will notify the Associate Director.

§ 880.203 Missing annuitant status and suspension of annuity.

(a) Upon receipt of information concerning the possibility that an annuitant has disappeared, the Associate Director will conduct such inquiry as he or she determines to be necessary to determine whether the annuitant is alive and whether the annuitant’s whereabouts can be determined.

(b) If, during an inquiry under paragraph (a) of this section, or upon subsequent receipt of additional information, the Associate Director finds substantial evidence (as defined in §1201.56(c)(1) of this title) to believe that an annuitant is either not alive or that the annuitant’s whereabouts cannot be determined, the annuitant acquires the status of missing annuitant. The Associate Director will then—
(1) Suspend payments to the missing annuitant; and
(2) Notify individuals who may be able to qualify for payments under §880.302 that—
(i) OPM has suspended the annuity payments to the missing annuitant;
§ 880.204 Restoration of annuity.
(a) If the missing annuitant’s whereabouts are determined, and he or she is alive and—
(1) Competent, OPM will resume payments to the annuitant and pay retroactive annuity for the period in missing status less any payment made to the family during that period; or
(2) Incompetent, OPM will resume payments to a representative payee under section 8345(e) or section 8466(c) of title 5, United States Code, and pay retroactive annuity for the period in missing status less any payment made to the family during that period.
(b) If the missing annuitant’s whereabouts cannot be determined, missing annuitant status continues until an authorized institution determines that the missing annuitant is dead. (See §880.205.)

§ 880.205 Determinations of death.
OPM does not make findings of presumed death. A claimant for CSRS, FERS, or FEGLI death benefits (other than payments under §880.302) or an individual seeking an adjustment of accounts under §880.207 must submit a death certificate or other legal certification of death issued by an authorized institution.

§ 880.206 Date of death.
(a) Except as provided in paragraph (b) of this section, for the purpose of benefits administered by OPM, the date of death of a missing annuitant who has been determined to be dead by an authorized institution is the date of disappearance as determined by the Associate Director.
(b) For the purpose of determining whether a claim is untimely under any statute of limitations applicable to CSRS, FERS or FEGLI benefits (section 8345(i)(2), section 8466(b), or section 8705(b) through (d) of title 5, United States Code), the time between the date of disappearance and the date on which the authorized institution issues its decision that the missing annuitant is dead is excluded.

§ 880.207 Adjustment of accounts after finding of death.
After a missing annuitant is determined to be dead under §880.205, OPM will review the case to determine whether additional benefits are payable or excess insurance premiums have been withheld.

Subpart C—Continuation of Benefits
§ 880.301 Purpose.
This subpart establishes OPM’s policy concerning the availability and amount of CSRS and FERS annuity payments and the continuation of FEHBP and FEGLI coverage and premiums while an annuitant is classified as a missing annuitant.

§ 880.302 Payments of CSRS or FERS benefits.
(a) OPM will pay an amount equal to the survivor annuity that would be payable as CSRS or FERS survivor annuity to an account in a financial institution designated (under electronic funds transfer regulations in part 209 or part 210 of Title 31, Code of Federal Regulations) by an individual who, if the missing annuitant were dead, would be entitled to receive payment of a survivor annuity.
(b) If more than one individual would qualify for survivor annuity payments in the event of the missing annuitant’s death, OPM will make separate payments in the same manner as if the missing annuitant were dead.

§ 880.303 FEHBP coverage.
(a) If the missing annuitant had a family enrollment, the enrollment will be transferred to the eligible family members under §890.303(c) of this chapter. If there is only one eligible family member, the enrollment will be changed to a self-only enrollment under §890.306(r) of this chapter. The
changes will be effective the first day of the pay period following the date of disappearance.

(b) If the missing annuitant was covered by a self only enrollment or if there is no eligible family member remaining, the enrollment terminates at midnight of the last day of the pay period in which he or she disappeared, subject to the temporary extension of coverage for conversion.

(c) If the missing annuitant is found to be alive, the coverage held before the disappearance is reinstated effective with the pay period during which the annuitant is found, unless the annuitant, or the annuitant’s representative, requests that the enrollment be restored retroactively to the pay period in which the disappearance occurred.

§ 880.304 FEGLI coverage.

(a) FEGLI premiums will not be collected during periods when an annuitant is a missing annuitant.

(b)(1) If the annuity of a missing annuitant is restored under § 880.204(a), OPM will deduct the amount of FEGLI premiums attributable to the period when the annuitant was a missing annuitant from any adjustment payment due the annuitant under § 880.204(a).

(2) If a missing annuitant is determined to be dead under § 880.205, FEGLI premiums and benefits will be computed using the date of death established under § 880.206(a).

Subpart A—Administration and General Provisions

§ 890.101 Definitions; time computations.

(a) In this part, the terms annuitant, carrier, employee, employee organization, former spouse, health benefits plan, member of family, and service, have the meanings set forth in section 8901 of title 5, United States Code, and supplement the following definitions:

Appropriate request means a properly completed health benefits registration form or an alternative method acceptable to both the employing office and OPM. Alternative methods must be capable of transmitting to the health benefits plans the information they require before accepting an enrollment, change of enrollment, or cancellation. Electronic signatures, including the use of Personal Identification Numbers (PIN), have the same validity as a written signature.

Basic employee death benefit has the meaning set out in §843.102. Survivors receiving this benefit are deemed to be "annuitants" for purposes of this chapter.
Cancel means to submit to the employing office an appropriate request electing not to be enrolled by an enrollee who is eligible to continue enrollment.

Change the enrollment means to submit to the employing office an appropriate request electing a change of enrollment to a different plan or option, or to a different type of coverage (self only or self and family).

Claim means a request for (i) payment of a health-related bill; or (ii) provision of a health-related service or supply.

Compensation means compensation under subchapter I of chapter 81 of title 5, United States Code, which is payable because of a job-related injury or disease.

Compensationer means an employee or former employee who is entitled to compensation and whom the Department of Labor determines is unable to return to duty. A compensationer is also an annuitant for purposes of chapter 89 of title 5, United States Code.

Covered individual means an enrollee or a covered family member.

Covered family member means a member of the family of an enrollee with a self and family enrollment who meets the requirements of §§ 890.302, 890.804, or 890.1106(a), as appropriate to the type of enrollee.

Election not to enroll means to submit to the employing office an appropriate request electing not to be enrolled by an employee who is eligible to enroll.

Eligible means eligible under the law and this part to be enrolled.

Employing office means the office of an agency to which jurisdiction and responsibility for health benefits actions for an employee, an annuitant, a former spouse eligible for continued coverage under subpart H of this part, or an individual eligible for temporary continuation of coverage under subpart K of this part, have been delegated.

(1) For an enrolled annuitant (including survivor annuitant, former spouse annuitant, and surviving spouses receiving a basic employee death benefit under 5 U.S.C. 8442(b)(1)(A)) who is not also an eligible employee, employing office is the office which has the authority to approve payment of annuity, basic employee death benefit, or work-ers’ compensation for the annuitant concerned.

(2) For a former spouse of an annuitant whose marriage dissolved after the employee’s retirement and who has entitlement to receive future annuity payments under sections 8341(h), 8345(j), 8445, or 8467 of title 5, United States Code, employing office is the office that has the authority to approve payment of annuity for the annuitant or former spouse concerned.

(3) For a former spouse of a current employee, and a former spouse of an annuitant or separated employee having title to a deferred annuity or to an immediate annuity under 5 U.S.C. 8412(g), whose marriage dissolved during the employee’s Federal service, employing office is the agency that employed the employee or annuitant at the time the marriage was dissolved.

(4) For a surviving spouse in receipt of a basic employee death benefit under 5 U.S.C. 8442(b)(1)(A) who is not also an eligible employee, the employing office is the retirement system which has authority to approve the basic employee death benefit.

(5) For a former spouse of an employee or former employee of the Central Intelligence Agency (CIA) whose marriage was dissolved before May 7, 1985, and who meets the requirements under § 890.803(a)(3)(iv), the employing office is the CIA.

(6) For a former spouse of an employee or former employee of the Foreign Service whose marriage was dissolved before May 7, 1985, and who meets the requirements under § 890.803(a)(3)(v) of this part, the employing office is the Department of State.

(7) [Reserved]

(8) For a former spouse of an employee who separated from service after qualifying for an immediate annuity under 5 U.S.C. 8412(g), whose marriage dissolves after the employee separated from service but before the date the separated employee’s annuity commences, and who is entitled to continued coverage under subpart H of this part, employing office is the office that has the authority to approve payment of annuity for the annuitant or former spouse concerned.

Enroll means to submit to the employing office an appropriate request
electing to be enrolled in a health benefits plan.

Enrolled means an appropriate request has been accepted by the employing office and the enrollment in a health benefits plan approved by OPM under this part has not been terminated or cancelled.

Enrollee means the individual in whose name the enrollment is carried. The term includes employees, annuitants, former employees, former spouses, or children who are enrolled after completing an appropriate request under the provisions of §§ 890.301, 890.306, 890.601, 890.803, or 890.1103 or have continued an enrollment as an annuitant or survivor annuitant under 5 U.S.C. 8905(b) or § 890.303.

Foster child means a child who:
(1) Lives with an employee, former employee, or annuitant or with a child enrolled under § 890.1103(a)(2) in a regular parent-child relationship and
(2) Is expected to be raised to adulthood by the enrollee.

Immediate annuity means an annuity which begins to accrue not later than 1 month after the date enrollment under a health benefits plan would cease for an employee or member of family if he were not entitled to continue enrollment as an annuitant. Notwithstanding the foregoing, an annuity which commences on the birth of the posthumous child of an employee or annuitant is an immediate annuity. For an individual who separates from service upon meeting the requirements for an annuity under § 842.204(a)(1) of this chapter, immediate annuity includes an annuity for which the commencing date is postponed under § 842.204(c).

Letter of credit is defined in 48 CFR 1602.170-10.

Option means a level of benefits. It does not include distinctions as to whether the members of the family are covered.

OWCP means the Office of Workers’ Compensation Programs, U.S. Department of Labor, which administers subchapter I of chapter 81 of title 5, United States Code.

Pay period means the biweekly pay period established pursuant to section 5504 of title 5, United States Code, for the employees to whom that section applies and the regular pay period for employees not covered by that section. Pay period, as it relates to a former spouse or annuitant who is not actively receiving an annuity, including surviving spouses receiving a basic employee death benefit, and enrollees temporarily continuing coverage under subpart K of this part, means any regular pay period for employees of the agency to which jurisdiction and responsibility for health benefits actions for the enrollee have been delegated as provided under the definition of “employing office” in this section. Pay period for annuitants in active receipt of annuity means the period for which a single installment of annuity is customarily paid.

Reconsideration means the final level of administrative review of an employing office’s initial decision to determine if the employing office correctly applied the law and regulations.

Underdeduction means a failure to withhold the required amount of health benefits contributions from an individual’s pay, annuity, or compensation. This definition includes both nondeductions (when none of the required amounts was withheld) and partial deductions (when only part of the required amount was withheld). Though FEHB contributions are required to cover a period of nonpay status, the nonpayment of contributions during such period does not result in an underdeduction.

(b) Whenever, in this part, a period of time is stated as a number of days or a number of days from an event, the period is computed in calendar days, excluding the day of the event. Whenever, in this part, a period of time is defined by beginning and ending dates, the period includes the beginning and ending dates.

(4) A beneficiary or patient employee in a Government hospital or home.

(7) An individual first employed by the government of the District of Columbia on or after October 1, 1987. However, this exclusion does not apply to:

(b) OPM may order correction of an administrative error upon a showing satisfactory to OPM that it would be against equity and good conscience not to do so.

(c) The employing office may make retroactive correction of enrollee enrollment code errors if the enrollee reports the error by the end of the pay period following the one in which he or she received the first written documentation (i.e., pay statement or enrollment change confirmation) indicating the error.

(d) OPM may order the termination of an enrollment in any comprehensive medical plan described in section 8903(4) of title 5, United States Code, and permit the individual to enroll in another health benefits plan for purposes of this part, upon a showing satisfactory to OPM that the furnishing of adequate medical care is jeopardized by a seriously impaired relationship between a patient and the comprehensive medical plan’s affiliated health care providers.

(e) Retroactive corrections are subject to withholdings and contributions under the provisions of § 890.502.

§ 890.104 Initial decision and reconsideration on enrollment.

(a) Who may file. Except as provided under §890.1112, an individual may request an agency or retirement system to reconsider an initial decision of its employing office denying coverage or change of enrollment.

(b) Initial employing office decision. An employing office’s decision is considered an initial decision as used in paragraph (a) of this section when rendered by the employing office in writing and stating the right to an independent level of review (reconsideration) by the agency or retirement system. However, an initial decision rendered at the highest level of review available within OPM is not subject to reconsideration.

§ 890.105 Filing claims for payment or service.

(a) General. (1) Each health benefits carrier resolves claims filed under the plan. All health benefits claims must be submitted initially to the carrier of the covered individual's health benefits plan. If the carrier denies a claim (or a portion of a claim), the covered individual may ask the carrier to reconsider its denial. If the carrier affirms its denial or fails to respond as required by paragraph (c) of this section, the covered individual may ask OPM to review the claim. A covered individual must exhaust both the carrier and OPM review processes specified in this section before seeking judicial review of the denied claim.

(2) This section applies to covered individuals and to other individuals or entities who are acting on the behalf of a covered individual and who have the covered individual's specific written consent to pursue payment of the disputed claim.

(b) Time limits for reconsidering a claim. (1) The covered individual has 6 months from the date of the notice to the covered individual that a claim (or a portion of a claim) was denied by the carrier in which to submit a written request for reconsideration to the carrier. The time limit for requesting reconsideration may be extended when the covered individual shows that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

(2) The carrier has 30 days after the date of receipt of a timely-filed request for reconsideration to:

(i) Affirm the denial in writing to the covered individual;

(ii) Pay the denial in writing to the covered individual;

(iii) Request from the covered individual or provider additional information needed to make a decision on the claim. The carrier must simultaneously notify the covered individual of the information requested if it requests additional information from a provider. The carrier has 30 days after the date the information is received to affirm the denial in writing to the covered individual or pay the bill or provide the service. The carrier must make its decision based on the evidence it has if the covered individual or provider does not respond within 60 days after the date of the carrier's notice requesting additional information. The carrier must then send a written notice to the covered individual of its decision on the claim. The covered individual may request OPM review as provided in paragraph (b)(3) of this section if the carrier fails to act within the time limit set forth in this paragraph (b)(2)(iii).

(3) The covered individual may write to OPM and request that OPM review the carrier's decision if the carrier either affirms its denial of a claim or fails to respond to a covered individual's written request for reconsideration within the time limit set forth in paragraph (b)(2) of this section. The covered individual must submit the request for OPM review within the time limit specified in paragraph (e)(1) of this section.

(4) The carrier may extend the time limit for a covered individual's submission of additional information to OPM when the covered individual shows he or she was not notified of the time limit or was prevented by circumstances beyond his or her control from submitting the additional information.

(c) Information required to process requests for reconsideration. (1) The covered individual must put the request to the carrier to reconsider a claim in writing and give the reasons, in terms of applicable brochure provisions, that the denied claim should have been approved.
(2) If the carrier needs additional information from the covered individual to make a decision, it must:
   (i) Specifically identify the information needed;
   (ii) State the reason the information is required to make a decision on the claim;
   (iii) Specify the time limit (60 days after the date of the carrier's request) for submitting the information; and
   (iv) State the consequences of failure to respond within the time limit specified, as set out in paragraph (b)(2) of this section.

(d) Carrier determinations. The carrier must provide written notice to the covered individual of its determination. If the carrier affirms the initial denial, the notice must inform the covered individual of:
   (1) The specific and detailed reasons for the denial;
   (2) The covered individual's right to request a review by OPM; and
   (3) The requirement that requests for OPM review must be received within 90 days after the date of the carrier's denial notice and include a copy of the denial notice as well as documents to support the covered individual's position.

(e) OPM review. (1) If the covered individual seeks further review of the denied claim, the covered individual must make a request to OPM to review the carrier's decision. Such a request to OPM must be made:
   (i) Within 90 days after the date of the carrier's notice to the covered individual that the denial was affirmed;
   (ii) If the carrier fails to respond to the covered individual as provided in paragraph (b)(2) of this section, within 120 days after the date of the covered individual's timely request for reconsideration by the carrier; or
   (iii) Within 120 days after the date the carrier requests additional information from the covered individual, or the date the covered individual is notified that the carrier is requesting additional information from a provider. OPM may extend the time limit for a covered individual's request for OPM review when the covered individual shows he or she was not notified of the time limit or was prevented by circumstances beyond his or her control from submitting the request for OPM review within the time limit.
   (2) In reviewing a claim denied by the carrier, OPM may:
      (i) Request that the covered individual submit additional information;
      (ii) Obtain an advisory opinion from an independent physician;
      (iii) Obtain any other information as may in its judgment be required to make a determination; or
      (iv) Make its decision based solely on the information the covered individual provided with his or her request for review.

(3) When OPM requests information from the carrier, the carrier must release the information within 30 days after the date of OPM's written request unless a different time limit is specified by OPM in its request.

(4) Within 90 days after receipt of the request for review, OPM will either:
   (i) Give a written notice of its decision to the covered individual and the carrier; or
   (ii) Notify the individual of the status of the review. If OPM does not receive requested evidence within 15 days after expiration of the applicable time limit in paragraph (e)(3) of this section, OPM may make its decision based solely on information available to it at that time and give a written notice of its decision to the covered individual and to the carrier.

(5) OPM, upon its own motion, may reopen its review if it receives evidence that was unavailable at the time of its original decision.

[61 FR 15178, Apr. 5, 1996]

§ 890.106 Delegation of authority for resolving certain contract disputes.

For the purpose of making findings of fact and to the extent that conclusions of law may be required under any proceeding conducted in accordance with the provisions of the disputes clause included in health benefits contracts, OPM delegates this function to the Armed Services Board of Contract Appeals.

§ 890.107 Court review.

(a) A suit to compel enrollment under §890.102 must be brought against the employing office that made the enrollment decision.

(b) A suit to review the legality of OPM’s regulations under this part must be brought against the Office of Personnel Management.

(c) Federal Employees Health Benefits (FEHB) carriers resolve FEHB claims under authority of Federal statute (5 U.S.C. chapter 89). A covered individual may seek judicial review of OPM’s final action on the denial of a health benefits claim. A legal action to review final action by OPM involving such denial of health benefits must be brought against OPM and not against the carrier or carrier’s subcontractors. The recovery in such a suit shall be limited to a court order directing OPM to require the carrier to pay the amount of benefits in dispute.

(d) An action under paragraph (c) of this section to recover on a claim for health benefits:

(1) May not be brought prior to exhaustion of the administrative remedies provided in §890.105;

(2) May not be brought later than December 31 of the 3rd year after the year in which the care or service was provided; and

(3) Will be limited to the record that was before OPM when it rendered its decision affirming the carrier’s denial of benefits.

§ 890.108 Waiver of requirements for continued coverage during retirement.

(a) OPM may waive the eligibility requirements under 5 U.S.C. 8905(b) for health benefits coverage as an annuitant in the case of an individual who fails to satisfy such requirements if OPM, in its sole discretion, determines that, because of exceptional circumstances, it would be against equity and good conscience not to allow such individual to be enrolled as an annuitant in a health benefits plan under this part.

(b) OPM may grant a waiver as described in paragraph (a) of this section to an annuitant in rare and unusual circumstances if the annuitant shows by the preponderance of the evidence that—

(1) There is evidence demonstrating that the individual intended to be covered as an annuitant;

(2) The circumstance(s) that prevented the completion of the requirements of 5 U.S.C. 8905(b) was (were) essentially outside the individual’s control; and

(3) The individual exercised due diligence in protecting the right to coverage as an annuitant.

(c) OPM will not grant a waiver solely because—

(1) An individual’s retirement is based on disability or an involuntary separation; or

(2) An individual was misadvised (or not advised) by his or her employing office regarding the requirements for continuation of health benefits coverage into retirement.

§ 890.109 Exclusion of certain periods of eligibility when determining continued coverage during retirement.

(a) Except as provided in paragraph (b) of this section, periods during which temporary employees are eligible under 5 U.S.C. 8906a to receive health benefits by enrolling and paying the full subscription charge, but are not eligible to participate in a retirement system, are not considered when determining eligibility for continued coverage during retirement. For the purpose of continuing coverage during retirement, an employee is considered to have enrolled at his or her first opportunity if the employee registered to be enrolled when he or she received a permanent appointment entitling him or her to participate in a retirement system and to receive the Government contribution toward the health benefits premium payments.

(b) A temporary employee eligible under 5 U.S.C. 8906a may continue enrollment as a compensationer if he or she has been enrolled or covered as a family member under another enrollment under this part for:

(1) The 5 years of service immediately preceding the commencement of his or her monthly compensation; or
§ 890.110 Enrollment reconciliation.

(a) Each employing office must report to each carrier or its surrogate on a quarterly basis the names of the individuals who are enrolled in the carrier’s plan in a format and containing such information as required by OPM.

(b) The carrier must compare the data provided with its own enrollment records. When the carrier finds in its total enrollment records individuals whose names do not appear in the report from the employing office of record, the carrier must request the employing office to provide the documentation necessary to resolve the discrepancy.

Subpart B—Health Benefits Plans

§ 890.201 Minimum standards for health benefits plans.

(a) To qualify for approval by OPM, a health benefits plan shall meet the following standards. Once approved, a health benefits plan shall continue to meet the minimum standards. Failure on the part of the carrier’s plan to meet the standards is cause for OPM’s withdrawal of approval of the plan in accordance with 5 CFR 890.204. A health benefits plan shall:

1. Comply with chapter 89 of title 5, United States Code, and this part, as amended from time to time.

2. Accept the enrollment, in accordance with this part, and without regard to age, race, sex, health status, or hazardous nature of employment, of each eligible employee, annuitant, former spouse, former employee, or child, except that a plan that is sponsored or underwritten by an employee organization may not accept the enrollment of a person who is not a member of the organization, but it may not limit membership in the organization on account of the prohibited factors (age, race, sex, health status, or hazardous nature of employment). The carrier may terminate the enrollment of an enrollee other than a survivor annuitant, a former spouse continuing coverage under § 890.803, or person continuing coverage under § 890.1103(a) (2) or (3), in a health benefits plan sponsored or underwritten by an employee organization on account of termination of membership in the organization. A carrier that wants to terminate the enrollment of an enrollee under this paragraph may do so by notifying the employing office in writing, with a copy of the notice to the enrollee. The termination is effective at the end of the pay period in which the employing office receives the notice. A comprehensive medical plan need not enroll an employee, annuitant, former employee, former spouse, or child residing outside the geographic areas specified by the plan.

3. Provide health benefits for each enrollee and covered family member wherever they may be.

4. Provide for conversion to a contract for health benefits regularly offered by the carrier, or an appropriate affiliate, for group conversion purposes, which must be guaranteed renewable, subject to such amendments as apply to all contracts of this class, except that it may be canceled for fraud, overinsurance, or nonpayment of periodic charges. A carrier must permit conversion within the time allowed by the temporary extension of coverage provided under § 890.401 for each enrollee and covered family member entitled to convert. When an employing office gives an enrollee written notice of his or her privilege of conversion, the carrier must permit conversion at any time before 31 days after the date of notice or 91 days after the enrollment is terminated, whichever is earlier. Related conversion opportunities as provided in § 890.401(c) must also be permitted by the carrier. When OPM requests an extension of time for conversion because of delayed determination of eligibility for immediate annuity, the carrier must permit conversion until the date specified by OPM in its request for extension. On conversion,
the contract becomes effective as of the day following the last day of the temporary extension, and the enrollee or covered family member, as the case may be, must pay the entire cost thereof directly to the carrier. The nongroup contract may not deny or delay any benefit covered by the contract for a person converting from a plan approved under this part except to the extent that benefits are continued under the health benefits plan from which he or she converts.

(5) Provide that each enrollee receive an identification card or cards or other evidence of enrollment.

(6) Provide a standard rate structure which contains, for each option, one standard individual rate, and one standard family rate.

(7) Maintain statistical records regarding the plan, separately from those of any other activities conducted or benefits offered by the carrier sponsoring or underwriting the plan.

(8) Provide for a special reserve for the plan. The carrier shall account for amounts retained by it as reserves for the plan separately from reserves maintained by it for other plans. The carrier shall invest the special reserve and income derived from the investment of the special reserve shall be credited to the special reserve. If the contract is terminated or approval of the plan is withdrawn, the carrier shall return the special reserve to the Employees Health Benefits Fund. However, in the case of a comprehensive medical plan, the carrier, without regard to the foregoing provisions of this paragraph, shall follow such financial procedures as are mutually agreed on by the carrier and OPM.

(9) Provide for continued enrollment to the end of the current pay period, or termination date, if earlier, of each enrollee enrolled at the effective date of termination of a contract. The carrier is entitled to subscription charges for this continued enrollment.

(10) Provide that any covered expenses incurred from January 1 to the effective date of an open season change count toward the losing carrier's prior year deductible. If the prior year deductible or family limit on deductibles of the losing carrier had previously been met, the enrolled individual (and eligible family members) shall be eligible for reimbursement by the losing carrier for covered expenses incurred during the current year. Reimbursement of covered expenses shall apply only to covered expenses incurred from January 1 to the effective date of the open season change. This section shall not apply to any other permissible changes made during a contract year.

(11) Except where OPM determines otherwise, have 300 or more employees and annuitants, exclusive of family members, enrolled in the plan at some time during the preceding two contract terms.

(b) To be qualified to be approved by OPM and, once approved, to continue to be approved, a health benefits plan shall not:

(1) Deny a covered person a benefit provided by the plan for a service performed on or after the effective date of coverage solely because of a preexisting physical or mental condition.

(2) Require a waiting period for any covered person for benefits which it provides.

(3) Have more than two options.

(4) Have an initiation, service, enrollment, or other fee or charge in addition to the rate charged for the plan, except that a comprehensive medical plan may impose an additional charge to be paid directly by the enrollee for certain medical supplies and services, if the supplies and services on which additional charges are imposed are clearly set forth in advance and are applicable to all enrollees. This subparagraph does not apply to charges for membership in employee organizations sponsoring or underwriting plans.

(5) Paragraphs (b)(1) and (2) of this section do not preclude a plan offering benefits for dentistry or cosmetic surgery, or both, limited to conditions arising after the effective date of coverage.

(c) The Director or his or her designee will determine whether to propose withdrawal of approval of the plan and hold a hearing based on the seriousness of the carrier's actions and its

The minimum standards for health benefits carriers for the FEHB Program shall be those contained in 48 CFR subpart 1609.70.

[57 FR 14324, Apr. 20, 1992]

§ 890.203 Application for approval of, and proposal of amendments to, health benefit plans.

(a) New plan applications. (1) The Director of OPM shall consider applications to participate in the FEHB Program from comprehensive medical plans (CMP’s) at his or her discretion. CMP’s are automatically invited to submit applications annually to participate in the FEHB Program unless otherwise notified by OPM. If the Director should determine that it is not beneficial to the enrollees and the Program to consider applications for a specific contract year, OPM will publish a notice with a 60 day comment period in the Federal Register no less than 7 months prior to the date applications would be due for the specific contract year for which applications will not be accepted.

(2) When applications are considered, CMP’s should apply for approval by writing to the Office of Personnel Management, Washington, DC 20415. Application letters must be accompanied by any descriptive material, financial data, or other documentation required by OPM. Plans must submit the letter and attachments in the OPM-specified format by January 31, or another date specified by OPM, of the year preceding the contract year for which applications are being accepted. Plans must submit evidence demonstrating that they meet all requirements for approval by March 31 of the year preceding the contract year for which applications are being accepted. Plans that miss either deadline cannot be considered for participation in the next contract year. All newly approved plans must submit benefit and rate proposals to OPM by May 31 of the year preceding the contract year for which applications are being accepted in order to be considered for participation in that contract year. OPM may make counter-proposals at any time.

(3) OPM may approve such comprehensive medical plans as, in the judgment of OPM, may be in the best interest of enrollees in the Program. In addition to specific requirements set forth in 5 U.S.C. chapter 88, in chapter 1 and other relevant portions of title 48 of the Code of Federal Regulations, and in other sections of this part, to be approved, an applicant plan must actually be delivering medical care at the time of application; must be in compliance with applicable State licensing and operating requirements; must not be a Federal, State, local, or territorial governmental entity; and must not be debarred, suspended, or ineligible to participate in Government contracting or subcontracting for any reason, including fraudulent health care practices in other Federal health care programs.

(4) Applications must identify those individuals who have the legal authority and responsibility to enter into and guarantee contracts. The applications will be reviewed for evidence of substantial compliance with the following standards:

(i) Health plan management: Stable management with experience pertinent to the prepaid health care provider industry; sufficient operating experience to enable OPM to realistically evaluate the plan’s past and expected future performance;

(ii) Marketing: A rate of enrollment that ensures equalization of income and expenses within projected time-frames and sufficient subscriber income to operate within budget thereafter; enrollment dispersed among groups such that there is not a concentration of enrollment with one or a few groups so that the loss of one or more contracts by the carrier would not jeopardize its financial viability; feasible projections of future enrollment and employer distribution, as well as the potential enrollment area for marketing purposes;
(iii) Health care delivery system: A health care delivery system providing reasonable access to and choice of quality primary and specialty medical care throughout the service area; specifically, in the individual practice setting, contractual arrangements for the services of a significant number of primary care and specialty physicians in the service area; and in the group practice setting, compliance with 5 U.S.C. 8903(4)(A) preferably demonstrated by full-time providers specializing in internal medicine, family practice, pediatrics, and obstetrics/gynecology; and

(iv) Financial condition: Establishment of firm budget projections and demonstrated success in meeting or exceeding those projections on a regular basis; evidence of the ability to sustain operation in the future and to meet obligations under the contract OPM might enter into with the plan; clearly specified committed funding to see the plan to an expected break-even point including a sufficient amount for unexpected contingencies; adequate current and projected funding, such as estimated premium income or commitment from a financially sound and acceptable parent organization or a mature stable entity outside the plan; insolvent protection, such as stop-loss reinsurance services and agreements with all plan providers that they will hold members harmless if, for any reason, the plan is unable to pay its providers.

(5) A comprehensive medical plan that has been certified either as a qualified Health Maintenance Organization (HMO) or as a qualified Competitive Medical Plan by the Department of Health and Human Services (HHS) at the time of application to OPM, and whose qualification status is not under investigation by HHS, will need to submit only an abbreviated application to OPM. The extent of the data and documentation to be submitted by a plan so qualified by HHS, as well as by a non-qualified plan, for a particular review cycle may be obtained by writing directly to the Office of Insurance Programs, Retirement and Insurance Service, Office of Personnel Management, Washington, DC 20415.

§ 890.204 Withdrawal of approval of health benefits plans or carriers.

(a) The Director may withdraw approval of a health benefits plan or carrier if the standards at §890.201 of this part and 48 CFR subpart 1609.70 are not met. Such action carries with it the right to a hearing as provided in paragraph (a)(2) of this section.

(1) Before withdrawing approval, the Director or his or her representative shall notify the carrier of the plan, by certified mail, that OPM intends to
§ 890.205 Nonrenewal of contracts of health benefits plans.

(a) Either OPM or the carrier may terminate a contract by giving a written notice of nonrenewal which includes an indication of the reason for the intended action.

(b) Where termination by notice of intent not to renew is made by OPM, the carrier contesting that notice may request that OPM review the proposed decision. Such review shall be conducted by the Director or a representative designated by the Director, who shall not otherwise have been a party to the initial decision to issue a notice of intent not to renew. A request for such review, which may include a request that a representative of the carrier appear personally before OPM, shall be in writing. That request must be received within 10 calendar days of the carrier’s receipt of the notice of intent not to renew. Such request shall include a detailed statement as to why the carrier disagrees with OPM’s notice of nonrenewal and shall be accompanied by appropriate supporting documentation. Where a carrier has requested review under this section, the final decision by OPM not to renew a health benefits contract shall be communicated to the carrier in writing not more than 30 days after OPM’s receipt of the carrier’s request for review, unless a later date is mutually agreed upon.

(c) In the absence of a timely request for review as set forth in paragraph (b) of this section, OPM’s notice of intent not to renew will become final without further notification.

[57 FR 19374, May 6, 1992]
§ 890.301 Opportunities for employees to enroll or change enrollment; effective dates.

(a) Initial opportunity to enroll. An employee who becomes eligible may elect to enroll or not to enroll within 60 days after becoming eligible.

(b) Effective date—generally. Except as otherwise provided, an enrollment or change of enrollment takes effect on the first day of the first pay period that begins after the date the employing office receives an appropriate request to enroll or change the enrollment and that follows a pay period during any part of which the employee is in pay status.

(c) Belated enrollment. When an employing office determines that an employee was unable, for cause beyond his or her control, to enroll or change the enrollment within the time limits prescribed by this section, the employee may enroll or change the enrollment within 60 days after the employing office advises the employee of its determination.

(d) Enrollment by proxy. Subject to the discretion of the employing office, an employee’s representative, having written authorization to do so, may enroll or change the enrollment for the employee.

(e) Change to self only. (1) An employee may change the enrollment from self and family to self only at any time.

(2) A change of enrollment to self only takes effect on the first day of the first pay period that begins after the date the employing office receives an appropriate request to change the enrollment, except that at the request of the employee and upon a showing satisfactory to the employing office that there was no family member eligible for coverage by the family enrollment, the employing office may make the change effective on the first day of the pay period following the one in which there was no family member.

(f) Open season. (1) An open season will be held each year from the Monday of the second full work week in November through the Monday of the second full work week in December.

(2) The Director of the Office of Personnel Management may modify the dates specified in paragraph (f)(1) of this section or hold additional open seasons.

(3) During an open season, an eligible employee may enroll and an enrolled employee may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes.

(4)(i) An open season new enrollment takes effect on the first day of the first pay period that begins in the next following year and which follows a pay period during any part of which the employee is in a pay status.

(ii) An open season change of enrollment takes effect on the first day of the first pay period that begins in January of the next following year.

(5) When a belated open season enrollment or change of enrollment is accepted by the employing office under paragraph (c) of this section, it takes effect as required by paragraph (f)(4) of this section.

(g) Change in family status. (1) An eligible employee may enroll and an enrolled employee may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes when the employee’s family status changes, including a change in marital status or any other change in family status. The employee must enroll or change the enrollment within the period beginning 31 days before the date of the change in family status, and ending 60 days after the date of the change in family status.

(2) An enrollment or change of enrollment made in conjunction with the birth of a child, or the addition of a child as a new family member in some other manner, takes effect on the first day of the pay period in which the child is born or becomes an eligible family member.

(h) Change in employment status. An eligible employee may enroll and an enrolled employee may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes when the employee’s employment status changes. Except as otherwise provided, an employee must enroll
or change the enrollment within 60 days after the change in employment status. Employment status changes include, but are not limited to—

(1) A return to pay status following loss of coverage under either—

(i) Section 890.304(a)(1)(v) due to the expiration of 365 days in leave without pay (LWOP) status, or

(ii) Section 890.502(b)(5) due to the termination of coverage during LWOP status.

(2) Reemployment after a break in service of more than 3 days.

(3) Restoration to a civilian position after serving in the uniformed services under conditions that entitle him or her to benefits under part 353 of this chapter, or similar authority.

(4) A change from a temporary appointment in which the employee is eligible to enroll under 5 U.S.C. 8906a, which requires payment of the full premium with no Government contribution, to an appointment that entitles the employee to receive the Government contribution.

(5) Separation from Federal employment when the employee or the employee's spouse is pregnant and the employee supplies medical documentation of the pregnancy. An employee who enrolls or changes the enrollment under this paragraph (h)(5) must do so during his or her final pay period. The effective date of an enrollment or a change of enrollment under this paragraph (h)(5) is the first day of the pay period in which the employing office receives an appropriate request to enroll or change the enrollment.

(6) A transfer from a post of duty within a State of the United States or the District of Columbia to a post of duty outside a State of the United States or the District of Columbia, or the reverse. An employee who enrolls or changes the enrollment under this paragraph (h)(6) must do so within the period beginning 31 days before the date of loss of coverage, and ending 60 days after the date of loss of coverage. Losses of coverage include, but are not limited to—

(i) Loss of coverage under another FEHB enrollment due to the termination, cancellation, or a change to self only, of the covering enrollment.

(ii) Loss of coverage due to the discontinuance of an FEHB plan in whole or in part. For an employee who loses coverage under this paragraph (h)(5) of this section—

(i) If the discontinuance is at the end of a contract year, the employee must change the enrollment during the open season, unless OPM establishes a different time.

(ii) If the whole plan is discontinued, an employee who does not change the enrollment within the time set is considered to have canceled the plan in which enrolled.

(iii) If one option of a plan that has two options is discontinued, an employee who does not change the enrollment is considered to be enrolled in the remaining option of the plan.

(7) A change, without a break in service or after a separation of 3 days or less, to part-time career employment as defined in 5 U.S.C. 3401(2) and 5 CFR part 340, subpart B, or a change from such part-time career employment to full-time employment that entitles the employee to the full Government contribution.

(i) Loss of coverage under this part or under another group insurance plan. An eligible employee may enroll and an enrolled employee may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes when the employee or an eligible family member of the employee loses coverage under this part or another group health benefits plan. Except as otherwise provided, an employee must enroll or change the enrollment within the period beginning 31 days before the date of loss of coverage, and ending 60 days after the date of loss of coverage. Losses of coverage include, but are not limited to—

(ii) Loss of coverage under another federally-sponsored health benefits program.
(6) Loss of coverage under a non-Federal health plan because an employee moves out of the commuting area to accept another position and the employee's non-federally employed spouse terminates employment to accompany the employee. An employee may enroll or change the enrollment within the period beginning 31 days before the date the employee leaves employment in the old commuting area and ending 180 days after entry on duty at place of employment in the new commuting area.

(7) Loss of coverage under a non-Federal health plan.

(j) Move from comprehensive medical plan's area. An employee in a comprehensive medical plan who moves or becomes employed outside the geographic area from which the plan accepts enrollments, or if already outside this area, moves or becomes employed further from this area, may change the enrollment upon notifying the employing office of the move or change of place of employment. Similarly, an employee whose covered family member moves outside the geographic area from which the plan accepts enrollments, or if already outside this area, moves further from this area, may change the enrollment upon notifying the employing office of the family member’s move. The change of enrollment takes effect on the first day of the pay period that begins after the employing office receives an appropriate request.

(k) On becoming eligible for Medicare. An employee may change the enrollment from one plan or option to another at any time beginning on the 30th day before becoming eligible for coverage under title XVIII of the Social Security Act (Medicare). A change of enrollment based on becoming eligible for Medicare may be made only once.

(i) Salary of temporary employee insufficient to pay withholdings. If the salary of a temporary employee eligible under 5 U.S.C. 8906a is not sufficient to pay the withholdings for the plan in which the employee is enrolled, the employing office shall notify the employee of the plans available at a cost that does not exceed the employee's salary. The employee may enroll in another plan whose cost is no greater than his or her salary within 60 days after receiving such notification from the employing office. The change of enrollment takes effect immediately upon termination of the prior enrollment.

§ 890.302 Coverage of family members.

(a)(1) An enrollment for self and family includes all family members who are eligible to be covered by the enrollment. Except as provided in paragraphs (a) (2), (3), and (4) of this section, no employee, former employee, annuitant, child, or former spouse may enroll or be covered as a family member if he or she is covered under another person's self and family enrollment in the FEHB Program.

(2) Dual enrollment—spouse. (i) To protect the interests of the children, an employee or annuitant may enroll in his or her own right in a self and family enrollment even though his or her spouse also has a self and family enrollment. Generally, such dual enrollments are permitted only where two employees or annuitants are married, each with children from prior marriages who do not live with them, or are legally separated, with each spouse retaining custody of his or her own children by a prior marriage. To ensure that no person receives benefits under more than one enrollment, each enrollee must tell the insurance carrier which family members are covered under his or her enrollment. These individuals are not covered under the other enrollment.

(ii) To protect the interests of legally separated Federal employees, annuitants and their children, a legally separated employee or annuitant may enroll in his or her own right in a self only or self and family enrollment even though his or her spouse also has a self and family enrollment. To ensure that no person receives benefits under more than one enrollment, each enrollee must tell the insurance carrier which family members are covered under his or her enrollment. These individuals are not covered under the other enrollment.

(3) Dual enrollment—child. (i) When natural parents are divorced or legally
separated and children are included as family members under the enrollment of both natural parents or of a natural parent and a step-parent, the children are entitled to receive benefits under only one enrollment. Each enrollee must notify his or her insurance carrier of the names of the persons to be covered under his or her enrollment that are not named under the other enrollment.

(ii) When an employee who is under age 22 and covered under a parent's self and family enrollment becomes the parent of a child, the employee may elect to enroll for self and family coverage. Because the employee is entitled to receive benefits under only one enrollment, each enrollee must notify his or her insurance carrier of the names of the persons to be covered under his or her enrollment that are not named under the other enrollment.

(4) Dual enrollment—spouse and child. Where a situation such as that in paragraph (a)(2) of this section occurs (that is, two employees or annuitants are married, but each has children from prior marriages who do not live with them) and there are also children who are the issue of the marriage, an employee or annuitant may enroll in his or her own right in a self and family enrollment even though his or her spouse also has a self and family enrollment. Because no person is entitled to receive benefits under more than one enrollment, each enrollee must notify his or her insurance carrier of the names of the family members to be covered under his or her enrollment that are not covered under the other enrollment.

(b) Proof of dependency. (1) A child is considered to be dependent on an enrolled employee or annuitant or a former employee or child enrolled under §890.1103 of this part if he or she is:

(i) A legitimate child;
(ii) An adopted child;
(iii) A stepchild, foster child, or recognized natural child who lives with the enrollee in a regular parent-child relationship.
(iv) A recognized natural child for whom a judicial determination of support has been obtained; or
(v) A recognized natural child to whose support the enrollee makes regular and substantial contributions.

(2) The following are examples of proof of regular and substantial support. More than one of the following proofs may be required to show support of a recognized natural child who does not live with the enrollee in a regular parent-child relationship and for whom a judicial determination of support has not been obtained.

(i) Evidence of eligibility as a dependent child for benefits under other State or Federal programs;
(ii) Proof of inclusion of the child as a dependent on the enrollee's income tax returns;
(iii) Canceled checks, money orders, or receipts for periodic payments from the enrollee for or on behalf of the child.
(iv) Evidence of goods or services which show regular and substantial contributions of considerable value;
(v) Any other evidence which OPM shall find to be sufficient proof of support or of paternity or maternity.

(c) Exceptions. Coverage as a family member may be denied:

(1) If evidence shows that the enrollee did not recognize the child as his or her own, despite a willingness to support the child, or
(2) If evidence calls the child's paternity or maternity into doubt, despite the enrollee's recognition and support of the child.

(d) Child incapable of self-support. When an individual enrolls for a family that includes a child who has become 22 years of age and is incapable of self-support, the employing office must require such enrollee to submit a physician's certificate verifying the child's disability. The certificate must—

(1) State that the child is incapable of self-support because of a physical or mental disability that existed before the child became 22 years of age and that can be expected to continue for more than 1 year;
(2) Include a statement of the name of the child, the nature of the disability, the period of time it has existed, and its probable future course and duration; and
(3) Be signed by the physician and show the physician's office address.
The employing office must require the enrollee to submit the certificate on or before the date the child becomes 22 years of age. However, the employing office may accept otherwise satisfactory evidence of incapacity that is not timely filed.

(e) Renewal of certificates of incapacity. The employing office must require an enrollee who has submitted a certificate of incapacity to renew that certificate on the expiration of the minimum period of disability certified.

(f) Determination of incapacity. (1) Except as provided in paragraph (f)(2) of this section, the employing office shall make determinations of incapacity.

(2) Either the employing office or the carrier may make a determination of incapacity if a medical condition, as specified by OPM, exists that would cause a child to be incapable of self-support during adulthood.

(g) Meaning of unmarried. A child who has never married or whose marriage has been annulled, or a child who is divorced or widowed is considered to be unmarried.

§ 890.303 Continuation of enrollment.

(a) On transfer or retirement. (1) Except as otherwise provided by this part, the enrollment of an employee or annuitant eligible to continue enrollment continues without change when he or she moves from one employing office to another, without a break in service of more than 3 days, whether the personnel action is designated as a transfer or not.

(2) In order for an employee to continue enrollment as an annuitant, he or she must meet the participation requirements set forth at § 890.5(b) of title 5, United States Code, for continuing enrollment as an annuitant as of the commencing date of his or her annuity or monthly compensation.

(3) For the purpose of this part, an employee is considered to have enrolled during the first of the periods set forth in § 890.301 in which he or she was eligible to enroll or was covered at that time by the enrollment of another employee or annuitant, or whose enrollment was effective not later than December 31, 1964.

(4) Enrollment or eligibility for enrollment under subparts H or K of this part of an individual who is not an employee eligible for coverage under other provisions of this part is not considered in determining whether a retiring employee has met the participation requirements of § 890.5(b) of title 5, United States Code. Coverage under subparts H or K of this part of an individual who is an employee eligible for coverage under other provisions of this part may be considered in determining whether a retiring employee has met the participation requirements.

(b) Change of enrolled employees to certain excluded positions. Employees and annuitants enrolled under this part who move, without a break in service or after a separation of 3 days or less, to an employment in which they are excluded by § 890.102(c), continue to be enrolled unless excluded by paragraphs (c)(4), (5), (6), or (7) of § 890.102.

(c) On death. The enrollment of a deceased employee or annuitant who is enrolled for self and family (as opposed to self only) is transferred automatically to his or her eligible survivor annuitants. The enrollment is considered to be that of (1) the survivor annuitant from whose annuity all or the greatest portion of the withholding for health benefits is made or (2) the surviving spouse entitled to a basic employee death benefit. The enrollment covers members of the family of the deceased employee or annuitant. In those instances in which the annuity is split among surviving family members, multiple enrollments are allowed. A remarried spouse is not a member of the family of the deceased employee or annuitant unless annuity under section 8341 or 8442 of title 5, United States Code, continues after remarriage.

(d)(1) Survivor annuitants. If an employee who is entitled to health benefits coverage as a survivor annuitant elects to enroll or to continue to be enrolled under his eligibility as an employee, and is thereafter separated...
without entitlement to continued enrollment based on his own service, he is entitled to reinstatement of his employee-acquired enrollment on application to his retirement office. Reinstatement is effective immediately after termination of his employee-acquired enrollment if the application is received by the retirement office within 60 days of separation; otherwise reinstatement is effective on the first day of the first pay period after receipt of the application. The retirement office shall withhold from the annuity that the former employee receives as a survivor annuitant, the amounts necessary to pay his share of the cost of the enrollment.

(2) Employee becomes a survivor annuitant. (i) If an employee who is entitled to health benefits coverage as a survivor annuitant elects to enroll or to continue to be enrolled under his or her eligibility as an employee, and is thereafter separated without entitlement to continued enrollment based on his or her own service, the employee is entitled to reinstatement of the enrollment as a survivor annuitant on application to the retirement office. Reinstatement as a survivor annuitant is effective on the day after the termination date of the employee-acquired enrollment if the application is received by the retirement office within 60 days of separation; otherwise, reinstatement is effective on the first day of the first pay period after receipt of the application. The retirement office shall withhold from the annuity that the former employee receives as a survivor annuitant, the amounts necessary to pay his share of the cost of the enrollment.

(ii) If the surviving spouse of a deceased employee or annuitant is enrolled as an employee with a self and family enrollment (or, if both the decedent and the surviving spouse were enrolled in a self only enrollment) at the time the surviving spouse becomes a survivor annuitant and the surviving spouse is thereafter separated without entitlement to continued enrollment as a retiree, the surviving spouse is entitled to enroll as a survivor annuitant. The change from coverage as an employee to coverage as a survivor annuitant must be made with 30 days of separation from service.

(iii) Except for an employee who meets the definition of former spouse under 5 U.S.C. §8901(10) based on an individual’s deferred annuity under 5 U.S.C. §8341(h) or §8445(f), the employee survivor of an annuitant receiving deferred retirement benefits is not eligible for FEHB Program enrollment as a survivor annuitant and therefore may not enroll as a survivor annuitant based on coverage obtained as an employee.

(3) Insurance interest survivor annuity. A current spouse who is an insurable interest beneficiary under §831.606(b) or §842.605(b) of this title is eligible to continue health benefits enrollment as an insurable interest survivor annuitant so long as he or she was covered as a family member at the time of the annuitant’s death. This entitlement applies even if the spouse is eligible for continued enrollment as a survivor annuitant under another section of 5 CFR parts 831 or 843. To prevent dual coverage, the spouse must be covered under only one health benefits enrollment under this part.

(e) In nonpay status. (1) Except as otherwise provided by law, the enrollment of an employee continues while he/she is in nonpay status for up to 365 days. The 365 days’ nonpay status may be continuous or broken by periods of less than 4 consecutive months in pay status. If an employee has at least 4 consecutive months in pay status after a period of nonpay status he/she is entitled to begin the 365 days’ continuation of enrollment anew. For the purposes of this paragraph, 4 consecutive months in pay status means any 4-month period during which the employee is in pay status for at least part of each pay period.

(2) However, in the case of an employee who is employed under an OPM approved career-related work-study program under Schedule B of at least one year’s duration and who is expected to be in a pay status during not less than one-third of the total period of time from the date of the first appointment to the completion of the work-study program, his/her enrollment continues while he/she is in nonpay status so long as he/she is participating in the work-study program.

(f) [Reserved]
§ 890.304 Termination of enrollment.

(a) Employees. (1) An employee’s enrollment terminates, subject to the temporary extension of coverage for conversion, at midnight of the earliest of: (i) The last day of the pay period in which he or she is separated from the service other than by retirement under conditions entitling him or her to benefits under part 353 of this chapter; (ii) the expiration of 365 days in nonpay status; and (iii) the expiration of the 18-month period beginning on the date that the absence to serve in the uniformed services begins, provided that the individual continues to be entitled to benefits under part 353 of this chapter. The enrollment of an employee who enters on military furlough or is placed in nonpay status to serve in the uniformed services may continue for the 18-month period beginning on the date that the absence to serve in the uniformed services begins, provided that the employee continues to be entitled to benefits under part 353 of this chapter. An employee in nonpay status is entitled to continued coverage under paragraph (e) of this section if the employee’s entitlement to benefits under part 353 of this chapter ends before the expiration of 365 days in nonpay status. The enrollment of an employee who is on military furlough or in nonpay status in order to serve in the uniformed services on October 13, 1994, may continue for the 18-month period beginning on the date that the absence to serve in the uniformed services began, provided that the employee continues to be entitled to continued coverage under part 353 of this chapter. If the enrollment of such an employee had terminated due to the expiration of 365 days in nonpay status, it may be reinstated for the remainder of the 18-month period beginning on the date that the absence to serve in the uniformed services began, provided that the employee continues to be entitled to continued coverage under part 353 of this chapter.

§ 890.304 Termination of enrollment.

(g) Former spouse entitled to coverage as employee or member of family. An individual entitled to health benefits as a former spouse who also has or becomes entitled to health benefits coverage as a Federal employee or as a family member under another enrollment under this part may defer or suspend coverage as a former spouse and continue his or her coverage as an employee or family member. The former spouse must have established entitlement to the health benefits coverage under §890.803 of this part and filed all required documents with the employing office responsible for maintaining the former spouse enrollment within the time limits specified in §890.805 of this part. The employing office shall note in the former spouse’s file that the former spouse health benefits enrollment is being deferred or suspended until coverage as a Federal employee or as a family member ends. Upon loss of coverage as a Federal employee or as a family member, the individual is entitled to enroll or resume the enrollment as a former spouse, provided he or she remains eligible as such. A former spouse who enrolls because he or she lost coverage under another enrollment under this part for a reason other than cancellation must meet the requirements of §890.303(g)(2). A former spouse who enrolls because he or she lost coverage under another enrollment under this part as a result of cancellation of the covering enrollment must meet the requirements of §890.301(g)(4).

(h) Temporary continuation of coverage. Certain former employees who lose coverage because of a separation from Federal service, certain children who lose coverage because they cease to meet the requirements for coverage as children, and certain former spouses who lose coverage because their marriage to the enrollee ends and who are not eligible for coverage under subpart H of this part may elect temporary continuation of coverage under the provisions of subpart K of this part.

(i) Service in the uniformed services. The enrollment of an individual who separates to enter the uniformed services under conditions that entitle him or her to benefits under part 353 of this chapter may continue for the 18-month period beginning on the date that the absence to serve in the uniformed services begins, provided that the individual continues to be entitled to benefits under part 353 of this chapter. The enrollment of an employee who enters on military furlough or is placed in nonpay status to serve in the uniformed services may continue for the 18-month period beginning on the date that the absence to serve in the uniformed services begins, provided that the employee continues to be entitled to benefits under part 353 of this chapter. An employee in nonpay status is entitled to continued coverage under paragraph (e) of this section if the employee’s entitlement to benefits under part 353 of this chapter ends before the expiration of 365 days in nonpay status. The enrollment of an employee who is on military furlough or in nonpay status in order to serve in the uniformed services on October 13, 1994, may continue for the 18-month period beginning on the date that the absence to serve in the uniformed services began, provided that the employee continues to be entitled to continued coverage under part 353 of this chapter. If the enrollment of such an employee had terminated due to the expiration of 365 days in nonpay status, it may be reinstated for the remainder of the 18-month period beginning on the date that the absence to serve in the uniformed services began, provided that the employee continues to be entitled to continued coverage under part 353 of this chapter.

(2) If the pay of a temporary employee eligible under 5 U.S.C. 8906a is insufficient to pay the withholdings for the plan in which the employee is enrolled, and the employee does not, or cannot, elect a plan under §890.301(l) at a cost to him or her not in excess of the pay, the employing office must terminate the employee's enrollment effective as of the end of the last period for which withholding was made. Each temporary employee whose enrollment is so terminated is entitled to a 31-day extension of coverage for conversion.

(b) Annuitants. (1) If the annuity of an annuitant is insufficient to pay the withholdings for the plan in which the annuitant is enrolled, the annuitant may elect one of the two opportunities offered under §890.306(q) of this part (electing a plan with a withholding not in excess of the annuity; or, paying premiums directly to the retirement system in accordance with §890.502(f) of this part). The retirement system will send two notices to the annuitant, including one by certified mail return receipt requested. Continuation of coverage rests upon electing direct payment or new coverage within 15 days (45 days for annuitants residing overseas) after receipt of the final notice. Except as provided in paragraph (b)(3) of this section, the enrollment of an individual who fails to make an election within the specified time frame will be terminated. An annuitant whose enrollment is terminated because of failure to make an election may not reinstate coverage, except as provided in paragraph (b)(2) of this section. Each annuitant whose enrollment is so terminated is entitled to a 31-day extension of coverage for conversion.

(2) If the individual was prevented by circumstances beyond his or her control from making an election within the time limit after receipt of the final notice, he or she may request reinstatement of coverage by writing to the retirement system. The retirement system will determine if the individual is eligible for reinstatement of coverage; and, when the determination is affirmative, the individual's coverage may be reinstated retroactively to the date of termination or prospectively. If
the determination is negative, the individual may request reconsideration of the decision from OPM.

(3) If the annuitant does not make an election under paragraph (b)(1) of this section and is enrolled in the high option of a plan that has two options, the annuitant is deemed to have elected enrollment in the standard option of the same plan unless the annuity is insufficient to pay the withholdings for the standard option.

(4) An annuitant's enrollment terminates, subject to the temporary extension of coverage for conversion, at midnight of the last day of the pay period in which he dies, unless he leaves a member of the family entitled to continue enrollment as a survivor annuitant, or, if his enrollment is not terminated by death, at midnight of the earliest of the following dates:

(i) The last day of the last pay period for which he is entitled to annuity, unless he is eligible for continued enrollment as an employee in which case his enrollment continues without change.

(ii) The last day of the pay period in which his title to compensation under subchapter I of chapter 81 of title 5, United States Code, terminates, or in which he is held by the Secretary of Labor to be able to return to duty, unless he is eligible for continued enrollment as an employee or as an annuitant under a retirement system for civilian employees in which case his enrollment continues without change.

(iii) The day he enters on active duty in a uniformed service for the purpose of performing duty not limited to 30 days or less, provided the annuitant elects, in writing, to terminate the enrollment.

(iv) The last day of the month preceding the month in which a survivor annuitant in receipt of basic employee death benefits under 5 U.S.C. 8442(b)(1)(A) remarries before attaining age 55.

(c) Coverage of family members. The coverage of a family member of an enrollee terminates, subject to the temporary extension of coverage for conversion, at midnight of the earlier of the following dates:

(1) The day on which he or she ceases to be a family member;

(2) The day the enrollee ceases to be enrolled, unless the family member is entitled, as a survivor annuitant, to continued enrollment, or is entitled to continued coverage under the enrollment of another.

(d) Cancellation. (1) Except as provided in §890.807(e), an enrollee may cancel his or her enrollment at any time by filing an appropriate request with the employing office. The cancellation takes effect on the last day of the pay period in which the appropriate request cancelling the enrollment is received by the employing office.

(2) If an annuitant submits documentation that the cancellation is for the purpose of enrolling in a prepaid health plan under section 1833 or 1876 of the Social Security Act, the cancellation becomes effective on the day before the enrollment under the prepaid health plan takes effect. Such documentation must be submitted to the employing office within the period beginning 31 days before and ending 31 days after the prepaid health plan enrollment takes effect.

(3) The enrollee and covered family members are not entitled to the temporary extension of coverage for conversion or to convert to an individual contract for health benefits.

(e) Temporary continuation of coverage. Employees and family members are entitled to temporary continuation of coverage only as provided under subpart K of this part.

§890.305 Reinstatement of enrollment after military service.

(a) The enrollment of an employee or annuitant whose enrollment was terminated under §880.304(a)(1)(vi), (vii) or (viii) or §890.304(b)(4)(iii) is automatically reinstated on the day the employee is restored to a civilian position under the provisions of part 353 of this chapter or on the day the annuitant is
§ 890.306 Opportunities for annuitants to change enrollment or to reenroll; effective dates.

(a) Requirements to continue coverage. (1) To be eligible to continue coverage in a plan under this part, a former employee in receipt of an annuity must meet the statutory requirements under 5 U.S.C. 8905(b) of having retired on an immediate annuity and having been covered by a plan under this part for the 5 years of service immediately before retirement, or if less than 5 years, for all service since his or her first opportunity to enroll, unless OPM waives the requirement under § 890.108.

(2) To be eligible to continue coverage in a plan under this part, a survivor annuitant must be covered as a family member when the employee or annuitant dies.

(b) Effective date—generally. Except as otherwise provided, an annuitant’s change of enrollment takes effect on the first day of the first pay period that begins after the date the employing office receives an appropriate request to change the enrollment.

(c) Related enrollment. When an employing office determines that an annuitant was unable, for cause beyond his or her control, to continue coverage by enrolling in his or her own name or to change the enrollment within the time limits prescribed by this section, the annuitant may do so within 60 days after the enrolling office advises the annuitant of its determination.

(d) Enrollment by proxy. Subject to the discretion of the employing office, an annuitant’s representative, having written authorization to do so, may continue the annuitant’s coverage by enrolling in the annuitant’s own name, or change the enrollment for the annuitant.

(e) Change to self only. (1) An annuitant may change the enrollment from self and family to self only at any time.

(2) A change of enrollment to self only takes effect on the first day of the first pay period that begins after the date the employing office receives an appropriate request to change the enrollment, except that at the request of the annuitant and upon a showing satisfactory to the employing office that there was no family member eligible for coverage under the family enrollment, the employing office may make the change effective on the first day of the pay period following the one in which there was no family member.

(f) Open season. (1) During an open season as provided by § 890.301(f)—

(i) An enrolled annuitant may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes.

(ii) An annuitant who cancelled the enrollment under this part for the purpose of enrolling in a prepaid health plan under section 1833 or 1876 of the Social Security Act, and who subsequently voluntarily disenrolls from the prepaid health plan, may reenroll.

(iii) An annuitant who cancelled the enrollment under this part because he or she furnished proof of eligibility for coverage under the Medicaid program or similar State-sponsored program of medical assistance for the needy, and who wishes to reenroll in a plan under this part for reasons other than an involuntary loss of that coverage, may do so.

(2) An open season reenrollment or change of enrollment takes effect on
the first day of the first pay period that begins in January of the next following year.

(3) When a belated open season re-enrollment or change of enrollment is accepted by the employing office under paragraph (c) of this section, it takes effect as required by paragraph (f)(2) of this section.

(g) Change in family status. (1) An enrolled former employee in receipt of an annuity may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes when the annuitant's family status changes, including a change in martial status or any other change in family status. In the case of an enrolled survivor annuitant, a change in family status based on additional family members occurs only if the additional family members are family members of the deceased employee or annuitant. The annuitant must change the enrollment within the period beginning 31 days before the date of the change in family status, and ending 60 days after the date of the change in family status.

(2) A change of enrollment made in conjunction with the birth of a child, or the addition of a child as a new family member in some other manner, takes effect on the first day of the pay period in which the child is born or becomes an eligible family member.

(h) Reenrollment of annuitants who cancelled enrollment to enroll in a Medicare-sponsored Coordinated Care Plan. (1) An annuitant who had been enrolled (or was otherwise eligible to enroll) for coverage under this part and cancelled the enrollment because he or she furnished proof of eligibility for coverage under the Medicare program or a similar State-sponsored program of medical assistance for the needy, and who involuntarily loses that coverage, may reenroll in any available plan under this part at any time beginning 31 days before and ending 60 days after the loss of Medicaid or similar State-sponsored coverage. A reenrollment under this paragraph takes effect on the date following the date of loss of Medicaid or similar State-sponsored coverage.

(2) An annuitant who cancelled his or her enrollment because he or she furnished proof of eligibility for coverage under the Medicare program or a similar State-sponsored program of medical assistance for the needy, may reenroll in a plan under this part for reasons other than an involuntary loss of that coverage, may do so during the next available open season as provided by paragraph (f) of this section.

(i) Annuitants who apply for postponed minimum retirement age plus 10 years of service (MRA plus 10) annuity. (1) A former employee who meets the requirements for an immediate annuity under 5 U.S.C. 8412(g) and for continuation of coverage under 5 U.S.C. 8905(b) at the time of separation, and whose enrollment is terminated under §890.304(a)(1)(ii) may enroll in a health benefits plan under this part within 60 days after OPM mails the former employee a notice of eligibility. If such former employee dies before the end of this 60-day election period, a survivor who is entitled to a survivor annuity may enroll in a health benefits plan under this part within 60 days after OPM mails the survivor a notice of eligibility.
(2) The former employee's enrollment takes effect on the first day of the month following the month in which OPM receives the appropriate request or on the commencing date of annuity, whichever is later. A survivor's enrollment takes effect on the first day of the month following the month in which OPM receives the appropriate request.

(k) Restoration of annuity or compensation payments. (1) A disability annuitant who was enrolled in a health benefits plan under this part immediately before his or her disability annuity was terminated because of restoration to earning capacity or recovery from disability, and whose disability annuity is restored under 5 U.S.C. 8337(e) after December 31, 1983, or 8455(b), may enroll in a health benefits plan under this part within 60 days after OPM mails a notice of insurance eligibility. The enrollment takes effect on the first day of the month after the date OPM receives the appropriate request.

(2) An annuitant who was enrolled in a health benefits plan under this part immediately before his or her compensation was terminated because of a recurrence of disability, and whose compensation is restored due to a remarriage, may enroll in a health benefits plan under this part within 60 days after OPM mails a notice of insurance eligibility. The enrollment takes effect on the first day of the month after the date OPM receives the appropriate request.

(3) A surviving spouse who was covered by a health benefits enrollment under this part immediately before his or her survivor annuity was terminated because of remarriage, and whose survivor annuity is later restored because the marriage ended, may enroll in a health benefits plan under this part within 60 days after OPM mails a notice of insurance eligibility. The enrollment takes effect on the first day of the month after the date OPM receives the appropriate request or the date of restoration of the survivor annuity, whichever is later.

(4) A surviving child who was covered by a health benefits enrollment under this part immediately before his or her survivor annuity was terminated because he or she ceased being a student, and whose survivor annuity is later restored, may enroll in a health benefits plan under this part within 60 days after OPM mails a notice of insurance eligibility. The enrollment takes effect on the first day of the month after the date OPM receives the appropriate request or the date of restoration of the survivor annuity, whichever is later.

(l) Loss of coverage under this part or under another group insurance plan. An annuitant who meets the requirements of paragraph (a) of this section, and who is not enrolled but is covered by another enrollment under this part immediately before his or her enrollment was terminated because he or she ceased being a student, and whose survivor annuity is later restored, may enroll in a health benefits plan under this part within 60 days after OPM mails a notice of insurance eligibility. The enrollment takes effect on the first day of the month after the date OPM receives the appropriate request or the date of restoration of the survivor annuity, whichever is later.

(5) A surviving spouse who received a basic employee death benefit under 5 U.S.C. 8442(b)(1)(A) and who was covered by a health benefits enrollment under this part immediately before his or her survivor annuity was terminated because he or she married, and whose survivor annuity is later restored because the marriage ended, may enroll in a health benefits plan under this part within 60 days after OPM mails a notice of insurance eligibility. The enrollment takes effect on the first day of the month after the date OPM receives the appropriate request or the date of restoration of the survivor annuity, whichever is later.

(6) A surviving spouse who received a basic employee death benefit under 5 U.S.C. 8442(b)(1)(A) and who was covered by a health benefits enrollment under this part immediately before remarriage prior to age 55, may enroll in a health benefits plan under this part upon termination of the remarriage. The survivor must provide OPM with a certified copy of the notice of death or the court order terminating the remarriage. The enrollment takes effect on the first day of the month after the date OPM receives a notice of insurance eligibility. The enrollment takes effect on the first day of the month after the date OPM receives the appropriate request or the notice of death or court order terminating the remarriage.
Office of Personnel Management  § 890.306

any combination of these changes when the annuitant or an eligible family member of the annuitant loses coverage under this part or under another group health benefits plan. Except as otherwise provided, an annuitant must enroll or change the enrollment within the period beginning 31 days before the date of loss of coverage and ending 60 days after the date of loss of coverage. Losses of coverage include, but are not limited to—

(1) Loss of coverage under another FEHB enrollment due to the termination, cancellation, or a change to self only, of the covering enrollment;

(2) Loss of coverage under another federally-sponsored health benefits program;

(3) Loss of coverage due to the termination of membership in an employee organization sponsoring or underwriting an FEHB plan;

(4) Loss of coverage due to the discontinuance of an FEHB plan in whole or in part. For an annuitant who loses coverage under this paragraph (l)(4)—

(i) If the discontinuance is at the end of a contract year, the annuitant must change the enrollment during the open season, unless OPM establishes a different time. If the discontinuance is at a time other than the end of the contract year, OPM must establish a time and effective date for the annuitant to change the enrollment;

(ii) If a plan has only one option and is discontinued, an annuitant who does not change the enrollment is deemed to have enrolled in the standard option of the Blue Cross and Blue Shield Service Benefit Plan.

(iii) If a plan has two options, and one option of the plan is discontinued, an annuitant who does not change the enrollment is considered to be enrolled in the remaining option of the plan.

(iv) If a plan has two options and both options are discontinued, an annuitant who does not change the enrollment is deemed to have enrolled in the corresponding option of the Blue Cross and Blue Shield Service Benefit Plan. If the annuitant is enrolled in a high option and his or her annuity is insufficient to pay the withholding for the high option, the annuitant is deemed to have enrolled in the standard option of the Blue Cross and Blue Shield Service Benefit Plan. The exemptions from debt collection procedures that are provided under §§831.1305(d)(2) and 845.205(d)(2) of this chapter apply to elections under this paragraph (l)(4)(iv);

(5) Loss of coverage under the Medicaid program or similar State-sponsored program of medical assistance for the needy.

(6) Loss of coverage under a non-Federal health plan.

(m) Move from comprehensive medical plan’s area. An annuitant in a comprehensive medical plan who moves or becomes employed outside the geographic area from which the plan accepts enrollments, or, if already outside this area, moves or becomes employed further from this area, may change the enrollment upon notifying the employing office of the move or change of place of employment. Similarly, an annuitant whose covered family member moves outside the geographic area from which the plan accepts enrollments, or if already outside this area, moves further from this area, may change the enrollment upon notifying the employing office of the family member’s move. The change of enrollment takes effect on the first day of the pay period that begins after the employing office receives an appropriate request.

(n) Overseas post of duty. An annuitant may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes within 60 days after the retirement or death of the employee on whose service title to annuity is based, if the employee was stationed at a post of duty outside a State of the United States or the District of Columbia at the time of retirement or death.

(o) On return from a uniformed service. An enrolled annuitant who enters on duty in a uniformed service for 31 days or more may change the enrollment within 60 days after separation from the uniformed service.

(p) On becoming eligible for Medicare. An annuitant may change the enrollment from one plan or option to another at any time beginning on the 30th day before becoming eligible for
coverage under title XVIII of the Social Security Act (Medicare). A change of enrollment based on becoming eligible for Medicare may be made only once.

(q) Annuity insufficient to pay withholdings. (1) If an annuity is insufficient to pay the withholdings for the plan that the annuitant is enrolled in, the retirement system must provide the annuitant with information regarding the available plans and written notification of the opportunity to either—
   (i) Pay the premium directly to the retirement system in accordance with §890.502(d); or
   (ii) Enroll in any plan in which the annuitant’s share of the premium is less than the amount of annuity. If the annuitant elects to change to a lower cost enrollment, the change takes effect immediately upon loss of coverage under the prior enrollment.

(2) If the annuitant is enrolled in the high option of a plan that has two options, and does not change the enrollment to a plan in which the annuitant’s share of the premium is less than the amount of annuity or does not elect to pay premiums directly, the annuitant is deemed to have enrolled in the standard option of the same plan, unless the annuity is insufficient to pay the withholdings for the standard option.

(3) An annuitant whose enrollment was terminated because the amount of annuity was insufficient to cover the enrollee’s share of the premium may apply to be reinstated in any available plan or option.

(4) An annuitant who can show evidence that he or she previously changed to a lower cost option, plan, or to a self-only enrollment prior to May 29, 1990, because the annuity was insufficient to cover the enrollee’s share of the total premium exceeds his or her monthly annuity.

(5) The effective date of the reinstatement of enrollment of an annuitant whose enrollment was terminated because his or her annuity was insufficient to cover the annuitant’s share of the total premium, and who elects to pay premiums directly to the retirement system in accordance with §890.502(f) is either—
   (i) The first day of the first pay period that begins after the appropriate request is received by the retirement system; or,
   (ii) The later of the date the enrollment was terminated or changed, or May 29, 1990.

(r) Sole survivor. When an employee or annuitant enrolled for self and family dies, leaving a survivor annuitant who is entitled to continue the enrollment, and it is apparent from available records that the survivor annuitant is the sole survivor entitled to continue the enrollment, the office of the retirement system which is acting as employing office must change the enrollment from self and family to self only, effective on the commencing date of the survivor annuity. On request of the survivor annuitant made within 31 days after the first installment of annuity is paid, the office of the retirement system which is acting as employing office must rescind the action retroactive to the effective date of the change to self only, with corresponding adjustment in withholdings and contributions.

(s) Election between survivor annuities. A surviving spouse, irrespective of whether his or her survivor annuity continued or was terminated upon remarriage, who was covered by an enrollment under this part immediately before the remarriage, may elect to continue an enrollment under this part acquired as a dependent by virtue of the remarriage or to enroll in his or her own right (by virtue of entitlement to the original survivor annuity) in any plan or option under this part.
within 60 days after the termination of the remarriage and entitlement to a survivor annuity.

§ 890.307 Waiver or suspension of annuity or compensation.

(a) Except as provided in paragraphs (b) and (f) of this section, when annuity or compensation is entirely waived or suspended, the annuitant's enrollment continues for not more than 3 months (not more than 12 weeks for annuitants whose compensation under subchapter I of chapter 81 of title 5, United States Code, is paid each 4 weeks). If the waiver or suspension continues beyond this period, the employing office will notify the annuitant in writing that the employing office will terminate the enrollment effective at the end of the period, subject to the temporary extension of coverage for conversion, unless the annuitant elects to make payment of the premium directly to the employing office during the period of waiver. If the annuitant elects to have the enrollment terminated, the employing office automatically reinstates the enrollment on a prospective basis when the annuitant again receives payment of annuity or compensation. The employing office will make the withholding for the period of waiver or suspension during which enrollment was continued (i.e., 3 months or less).

(b) If the annuitant elects to pay premiums directly, he or she must send to the employing office his or her share of the subscription charge for the enrollment for every pay period during which the enrollment continues, exclusive of the 31-day temporary extension of coverage for conversion provided in §890.401. The annuitant must pay after each pay period he or she is covered in accordance with a schedule established by the employing office. If the employing office does not receive payment by the date due, the employing office must notify the annuitant in writing that the continuation of coverage depends upon payment being made within 15 days (45 days for annuitants residing overseas). The employing office automatically reinstates enrollment on a prospective basis when payment of annuity or compensation resumes.

(c) If the annuitant is prevented by circumstances beyond his or her control from paying within 15 days after receipt of the notice, he or she may request reinstatement of coverage by writing to the employing office. The annuitant must file the request within 30 calendar days from the date of termination, and must include supporting documentation. The employing office will determine if the annuitant is eligible for reinstatement of coverage; and, when the determination is affirmative, reinstate the coverage of the annuitant retroactive to the date of termination. If the determination is negative, the annuitant may request a review of the decision as provided in §890.104.

(d) Termination of enrollment for failure to pay premiums within the time frame established in accordance with paragraph (b) of this section is retroactive to the end of the last pay period for which the employing office timely received payment.

(e) The employing office will submit all direct premium payments along with its regular health benefits premiums to OPM in accordance with procedures established by OPM.

(f) If suspension of annuity or compensation is because of reemployment, the reemploying office must make the withholding currently and enrollment continues during reemployment.

§ 890.308 Disenrollment.

(a)(1) Except as otherwise provided in this section, a carrier that cannot reconcile its record of an individual's enrollment with agency enrollment records or does not receive documentation necessary to resolve the discrepancy from the employing office within 31 days of a request must provide written notice to the individual that the employing office of record does not show him or her as enrolled in the carrier's plan and that he or she will be disenrolled 31 calendar days after the date of the notice unless the enrollee provides appropriate documentation to resolve the discrepancy. Appropriate
documentation includes, but is not limited to, a copy of the Standard Form 2809 (basic enrollment document) (or a letter confirming an electronic transaction), the Standard Form 2810 transferring the enrollment into the gaining employing office (or the equivalent electronic submission), copies of earnings and leave statements or annuity statements showing withholdings for the health benefits plan, or a document or other credible information from the enrollee’s employing office stating that the individual is entitled to continued enrollment in the plan and that the premiums are being paid. After receiving documentation from the enrollee, the carrier must notify both the enrollee and the employing office of record of their decision on the information.

(2) If the carrier does not receive documentation required under paragraph (a)(1) of this section within the specified time frame, the carrier should disenroll the individual, without further notice.

(3) The enrollee may request his or her employing office to reconsider the carrier’s decision to disenroll the individual. The request for reconsideration must be made in writing and must include the enrollee’s name, address, Social Security number or other personal identification number, name of carrier, reason(s) for the request, and, if applicable, retirement claim number. The employing office must notify the carrier when a request for reconsideration of the decision to disenroll the individual is made.

(4) A request for reconsideration of the carrier’s decision must be filed within 60 calendar days after the date of the carrier’s disenrollment notice. The time limit on filing may be extended when the individual shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

(5) After reconsideration, the employing office must issue a written notice of its final decision to the individual and notify the carrier of the decision. The notice must fully set forth the findings and conclusions on which the decision was based. If upon reconsideration the employing office determines the individual is entitled to continued enrollment in the plan, the disenrollment under paragraph (a)(2) of this section is void and coverage is reinstated retroactively.

(6) If, at any time after the disenrollment has occurred, the employing office or OPM determines that another section of this part applies to the individual’s enrollment or the carrier discovers or receives appropriate documentation showing that another section of this part applies to the individual’s enrollment, the disenrollment under paragraph (a)(2) of this section is void and coverage is reinstated retroactively.

(b) When a carrier receives, from any reliable source, information of the death of an enrollee with a self only enrollment, the carrier may take action to disenroll the individual on the date set forth in §890.304(a)(1)(iv) or §890.304(b)(4), as appropriate. When the date of death is unknown, the carrier may take action to disenroll the individual on the date which is the last day of the pay period in which information of the death is received. Reliable sources include, but are not limited to, claims for hospital or physician costs incurred at time of death and correspondence returned from the Postal Service noting that the addressee is deceased. If, at any time after the disenrollment has occurred, the employing office or OPM determines that another section of this part applies to the individual’s enrollment or the carrier discovers or receives appropriate documentation showing that another section of this part applies to the individual’s enrollment, the disenrollment under this paragraph (b) is void and coverage is reinstated retroactively.

(c)(1) When a child survivor annuitant covered under a self only enrollment reaches age 22, the carrier may take action to disenroll the individual effective with the date set forth in §890.304(c)(1) unless records with the carrier indicate that the child is incapable of self support due to a physical or mental disability. The carrier must provide the enrollee with a written notice of disenrollment prescribed
Office of Personnel Management

§ 890.401

Temporary extension of coverage and conversion.

(a) Thirty-one day extension and conversion. (1) An enrollee whose enrollment is terminated other than by cancellation of the enrollment or discontinuance of the plan, in whole or part, and a covered family member whose coverage is terminated other than by cancellation of the enrollment or discontinuance of the plan, in whole or in part, is entitled to a 31-day extension of coverage for self alone or self and family, as the case may be, without contributions by the enrollee or the Government, during which period he or she is entitled to exercise the right of conversion provided for by this part. The 31-day extension of coverage and the right of conversion for any person ends on the effective date of a new enrollment under part covering the person.

(2) Termination of an enrollment under this subpart for failure to pay premiums is considered a cancellation of the enrollment for the purposes of this section.

(b) Continuation of benefits. (1) Any person who has been granted a 31-day extension of coverage in accordance with paragraph (a) of this section and who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the plan during the continuance of the confinement but not beyond the 60th day after the end of the temporary extension.

(2) Except when a plan is discontinued in whole or in part or the Associate Director for Retirement and Insurance orders an enrollment change, a person whose enrollment has been changed from one plan to another, or

or approved by OPM prior to the date set forth in § 890.304(c)(1).

(2) The child survivor annuitant may request the retirement system to reconsider the carrier's decision to disenroll the individual. The request for reconsideration must be made in writing and include the enrollee's name, address, Social Security Number or other identifier, name of carrier, reason(s) for the request, and the survivor annuity claim number. The retirement system must notify the carrier when a request for reconsideration of the carrier's decision to disenroll the individual is made.

(3) A request for reconsideration of the carrier's decision must be filed with the retirement system within 60 calendar days from the date of the carrier's disenrollment notice. The time limit on filing may be extended when the individual shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

(4) After reconsideration, the retirement system must issue a written notice of its final decision to the child survivor annuitant and notify the carrier of the decision. The notice must fully set forth the findings and conclusions on which the decision was based. If upon reconsideration the retirement system determines that he or she is entitled to continued enrollment in the plan, the disenrollment under paragraph (c)(1) of this section is void and coverage is reinstated retroactively.

(5) If, at any time after the disenrollment has occurred, the employing office or OPM determines that another provision of this part applies to the individual's enrollment or the carrier discovers or receives appropriate documentation showing that another section of this part applies to the individual's enrollment, the disenrollment under paragraph (c)(1) of this section is void and coverage is reinstated retroactively.

(d) When an enrollee notifies the carrier that he or she has separated from Federal employment and is no longer eligible for enrollment, the carrier must disenroll the individual on the last day of the pay period in which the separation occurred, if known, otherwise the carrier must disenroll the employee on the date the employee provides as the date of separation. The carrier must provide the enrollee with a written notice of disenrollment prescribed or approved by OPM.

[63 FR 59459, Nov. 4, 1998]
from one option of a plan to the other option of that plan, and who is confined to a hospital or other institution for care or treatment on the last day of enrollment under the prior plan or option, is entitled to continuation of the benefits of the prior plan or option during the continuance of the confinement. Continuation of benefits shall not extend beyond the 91st day after the last day of enrollment in the prior plan or option. The plan or option to which enrollment has been changed shall not pay benefits with respect to that person while he or she is entitled to any inpatient benefits under the prior plan or option. The gaining plan or option shall begin coverage according to the limits of its FEHB Program contract on the day after the day all inpatient benefits have been exhausted under the prior plan or option or the 92nd day after the last day of enrollment in the prior plan or option, whichever is earlier. For the purposes of this paragraph, “exhausted” means paid or provided to the maximum benefit available under the contract.

(3) Exception. The limit on the number of confinement days allowed to be covered under the continuation of benefits specified by paragraph (b)(2) of this subpart does not apply to confinements in a hospital or other institution when the charges and benefit payments for the services provided are covered by the limit specified in subpart I of this part. In these cases, the benefits continue until the end of the confinement.

(c)(1) The employing agency must notify the enrollee of the termination of the enrollment and of the right to convert to an individual policy within 60 days after the date the enrollment terminates.

(2) The individual whose enrollment terminates must request conversion information from the losing carrier within 31 days of the date of the agency notice of the termination of the enrollment and of the right to convert.

(3) When an agency fails to provide the notification required in paragraph (c)(1) of this section within 60 days of the date the enrollment terminates, or the individual fails for other reasons beyond his or her control to request conversion as required in paragraph (c)(2) of this section, he or she may request conversion to an individual policy by writing directly to the carrier. Such a request must be filed within 6 months after the individual became eligible to convert his or her group coverage and must be accompanied by verification of termination of the enrollment; e.g., an SF 50, showing the individual’s separation from the service. In addition, the individual must show that he or she was not notified of the termination of the enrollment and of the right to convert, and was not otherwise aware of it, or that he or she was unable, for cause beyond his or her control, to convert. The carrier will determine if the individual is eligible to convert, and when the determination is affirmative, the individual may convert within 31 days of the determination. If the determination by the carrier is negative, the individual may request a review of the carrier’s determination from OPM.

(4) When an individual converts his or her coverage anytime after the group coverage has ended, the individual plan coverage is retroactive to the day following the day the temporary extension of group coverage ended. The individual must pay the premiums due for the retroactive period.

(5) An individual who fails to exercise his or her rights to convert to an individual policy within 31 days after receiving notice of the right to convert from the carrier is deemed to have declined the right to convert unless the carrier, or, upon review, OPM determines the failure was for cause beyond his or her control.

§ 890.501 Government contributions.

(a) The Government contribution toward subscription charges under all health benefits plans, for each enrolled employee who is paid biweekly, is the amount provided in section 8906 of title 5, United States Code, plus 4 percent of that amount.

(b) In accordance with the provisions of 5 U.S.C. 8906(a) which take effect
Office of Personnel Management § 890.501

with the contract year that begins in January 1999, OPM will determine the amounts representing the weighted average of subscription charges in effect for each contract year, for self only enrollments and for self and family enrollments, as follows:

(1) The determination of the weighted average of subscription charges will only include those health benefits plans which are continuing FEHB Program participation from one contract year to the next.

(i) If OPM and the carrier for a plan that will continue participation have closed negotiations on rates for the upcoming contract year by September 1 of the current contract year, i.e., the determination year, OPM will use the plan’s negotiated subscription charges for the upcoming contract year in the determination of the weighted average of subscription charges.

(ii) If OPM and the carrier for a plan that applied to continue participation have not closed rate negotiations for the upcoming contract year by September 1 of the determination year, OPM will make a deemed adjustment to such plan’s subscription charges for the current contract year for purposes of counting eligible enrollees of the plan in the determination of weighted average charges for the upcoming contract year. The deemed adjustment will equal any increase or decrease OPM finds in its determination of the weighted average of subscription charges for all plans with which OPM has closed rates on September 1 of the determination year.

(iii) There will be no subsequent adjustment in the weighted average charges applicable to the upcoming contract year to reflect rate negotiations closed after September 1 of the determination year.

(2) Except as otherwise specified in paragraphs (b)(2)(i) and (b)(2)(ii) of this section, the weight OPM gives to each subscription charge for purposes of determining the weighted average of subscription charges for the upcoming contract year will be proportionate to the number of individuals who, as of March 31 of the determination year, are enrolled in the plan or benefits option to which such charge applies and are eligible for a Government health benefits contribution in the upcoming contract year.

(i) When a subscription charge for an upcoming contract year applies to a plan that is the result of a merger of two or more plans which contract separately with OPM during the determination year, or applies to a plan which will cease to offer two benefits options, OPM will combine the self only enrollments and the self and family enrollments from the merging plans, or from a plan’s two benefits options, for purposes of weighting subscription charges in effect for the successor plan for the upcoming contract year.

(ii) When a comprehensive medical plan (CMP) varies subscription charges for different portions of the plan’s service area and the plan’s contract for the upcoming contract year will reconfigure geographic areas associated with subscription charges, so that there will not be a direct correlation between enrollment in the determination year and rating areas for the upcoming contract year, OPM will estimate what portion of the plan’s enrollees on March 31 of the determination year will be subject to each of the plan’s subscription rates for the upcoming contract year.

(3) After OPM weights each subscription charge as provided in paragraphs (b)(2), (b)(2)(i), and (b)(2)(ii) of this section, OPM will compute the total of subscription charges associated with self only enrollments, and the total of subscription charges associated with self and family enrollments. OPM will divide each subscription charge total by the total number of enrollments such amount represents to obtain the program-wide weighted average subscription charges for self only and for self and family enrollments, respectively.

(c) The Government contribution for annuitants and for employees who are not paid biweekly is a percentage of that fixed by paragraphs (a) and (b) of this section proportionate to the length of the pay period, rounding fractions of a cent to the nearest cent.

(d) The Government contribution for employees whose annual pay is paid during a period shorter than 52 workweeks is determined on an annual basis.
§ 890.502 Employee withholdings and contributions.

(a) Employee and annuitant withholdings and contributions. (1) Except as provided in paragraphs (a)(2) and (g) of this section, an employee or annuitant is responsible for payment of the employee or annuitant share of the cost of enrollment for every pay period during which the enrollment continues. An employee or annuitant incurs an indebtedness due the United States in the amount of the proper employee or annuitant withholding required for each pay period that health benefits withholdings or direct premium payments are not made but during which the enrollment continues.

(2) An individual is not required to pay withholdings for the period between the end of the pay period in which he or she separates from service and the commencing date of an immediate annuity, if later.

(3) Temporary employees who are eligible to enroll under 5 U.S.C. 8906a must pay the full subscription charges including both the employee share and the Government contribution. Employees with provisional appointments under §316.403 are not considered eligible for coverage under 5 U.S.C. 8906a for the purpose of this paragraph (a)(3).

(4) The employing office must determine the withholding for employees whose annual pay is paid during a period shorter than 52 workweeks on an annual basis and prorate the withholding over the number of installments of pay regularly paid during the year.

(e) Except as provided in paragraphs (f) and (g) of this section, the employing office must make a contribution for an employee for each pay period during which the enrollment continues.

(f) Temporary employees enrolled under 5 U.S.C. 8906a must pay the full subscription charge including the Government contribution. Employees with provisional appointments under §316.403 are not considered to be enrolled under 5 U.S.C. 8906a for the purpose of this paragraph.

(g) The Government contribution for an employee who enters the uniformed services and whose enrollment continues under §890.303(i) ceases after 365 days in nonpay status.

coverage or terminate it. The employee may continue his or her health benefits coverage by choosing one of the options listed in this paragraph (b)(2) and returning the signed form to the employing office within 31 days from the day he or she receives the notice (45 days for an employee residing overseas). When an employee mails the signed form, the date of the postmark is deemed to be the date the notice is returned to the employing office. If an employee elects to continue coverage, he or she must elect in writing either:

(i) Agree to pay the premium directly to the agency on a current basis. The employee must agree that if he or she does not pay the premiums, upon returning to employment or upon pay becoming sufficient to cover the premiums, the employing office will deduct, in addition to the current pay period’s premiums, an amount equal to the premiums for a pay period during which the employee was in LWOP status. The employing office will continue using this method to deduct the accrued unpaid premiums from salary until the debt is recovered in full. The employee must also agree that if he or she does not return to work or the employing office cannot recover the debt in full from salary, the employing office may recover the debt from whatever other sources it normally has available for recovery of a debt to the United States, or

(ii) Agree upon returning to employment or upon pay becoming sufficient to cover the premiums, the employing office will deduct, in addition to the current pay period’s premiums, an amount equal to the premiums for a pay period during which the employee was in LWOP status. The employing office will continue using this method to deduct the accrued unpaid premiums from salary until the debt is recovered in full. The employee must also agree that if he or she does not return to work or the employing office cannot recover the debt in full from salary, the employing office may recover the debt from whatever other sources it normally has available for recovery of a debt to the United States.

(3) Except as provided under paragraph (b)(4) of this section, if the employee does not return the signed form within 31 days after the day he or she receives the notice (45 days for employees residing overseas) the employing office terminates the enrollment according to paragraph (b)(5) of this section. The employing office must give the employee written notification of the termination.

(4) If the employee is prevented by circumstances beyond his or her control from returning a signed form to the employing office within the time frame under paragraph (b)(2) of this section, he or she may request reinstatement of coverage by writing to the employing office. The employee must describe the circumstances that prevented timely notice and file the request within 30 calendar days from the date the employing office gives the employee notification of the termination. The employing office determines if the employee is eligible for reinstatement of coverage. If the determination is affirmative, the employing office reinstates the coverage of the employee retroactive to the date of termination. If the determination is negative, the employee may request a review of the decision from the employing agency as provided under §890.104.

(5) Terminations of enrollment under paragraphs (b)(2) and (3) of this section are retroactive to the end of the last pay period in which the premium was withheld from pay. The employee and covered family members, if any, are entitled to the temporary extension of coverage for conversion and may convert to an individual contract for health benefits. An employee whose coverage is terminated may enroll upon his or her return to duty in a pay status in a position in which the employee is eligible for coverage under this part.

(c) Procedures when an agency underwitholds. (1) An agency that withholds less than the proper health benefits contributions from an individual’s pay, annuity, or compensation must submit an amount equal to the sum of the uncollected contributions and any applicable agency contributions required under section 8906 of title 5, United States Code, to OPM for deposit in the Employees Health Benefits Fund.
§ 890.502 5 CFR Ch. I (1–1–99 Edition)

(2) The agency must make the deposit to OPM described in paragraph (c)(1) of this section as soon as possible, but no later than 60 calendar days after the date the employing office determines the amount of the underdeduction that has occurred, regardless of whether or when the agency recovers the underdeduction. A subsequent agency determination whether to waive collection of the overpayment of pay caused by failure to properly withhold employee health benefits contributions shall be made in accordance with 5 U.S.C. 5584 as implemented by 4 CFR chapter I, subchapter G, unless the agency involved is excluded from application of 5 U.S.C. 5584, in which case any applicable authority to waive the collection may be used.

(d) Direct premium payments for annuitants. (1) If an annuity, excluding an annuity under Subchapter III of Chapter 84 (Thrift Savings Plan), is too low to cover the health benefits premium due or if a surviving spouse receives a basic employee death benefit, the retirement system must provide information to the annuitant or surviving spouse regarding the available plans and notify him or her in writing of the opportunity to either: enroll in any plan in which the enrollee's share of the premium is not in excess of the annuity; or make payment of the premium directly to the retirement system.

(2) The retirement system must establish a method for accepting direct payment for health benefits premiums from surviving spouses who have received or are currently receiving basic employee death benefits as well as from annuitants whose annuities are too low to cover their health premiums. The annuitant or surviving spouse must continue to make direct payment of the health benefits premium even if the annuity increases to the extent that it covers the premium. The annuitant or surviving spouse must pay to the retirement system his or her share of the premium for the enrollment for every pay period during which he or she is covered in accordance with a schedule established by the retirement system. If the retirement system does not receive payment by the date due, the retirement system must notify the annuitant or surviving spouse in writing that continuation of coverage depends upon payment being made within 15 days (45 days for annuitants or surviving spouses residing overseas) after receipt of the notice. If no subsequent payments are made, the retirement system terminates the enrollment 60 days (90 days for annuitants or surviving spouses residing overseas) after the date of the notice. An annuitant or surviving spouse whose enrollment terminates because of nonpayment of premium may not re-enroll or reinstate coverage, except as provided in paragraph (d)(4) of this section.

(4) If the annuitant or surviving spouse is prevented by circumstances beyond his or her control from paying within 15 days after receipt of the notice, he or she may request reinstatement of coverage by writing to the retirement system. The annuitant or surviving spouse must describe the circumstances that prevented timely notice and file the request within 30 calendar days from the date of termination. The retirement system determines whether the surviving spouse or annuitant is eligible for reinstatement of coverage. If the determination is affirmative, the retirement system reinstates the coverage of the surviving spouse or annuitant retroactive to the date of termination. If the determination is negative, the surviving spouse or annuitant may request a review of the decision from the retirement system as provided under §890.104.

(5) Termination of enrollment for failure to pay premiums within the time frame established in accordance with paragraph (d)(3) of this section is retroactive to the end of the last pay period for which payment has been timely received.

(6) The retirement system will submit all direct premium payments along with its regular health benefits premiums to OPM in accordance with procedures established by that office.
§ 890.503

Reserves.

(a) The enrollment charge consists of the rate approved by OPM for payment to the plan for each enrollee, plus 4 percent, of which one part is for an administrative reserve and 3 parts are for a contingency reserve for the plan.

(b) The administrative reserve is credited with the one hundred and fourth of the enrollment charge set aside for the administrative reserve. The administrative reserve is available for payment of administrative expenses of OPM incurred under this part, and for such other purposes as may be authorized by law.

(c)(1) Contingency reserve. The contingency reserve for each plan is credited with—

(i) The three one hundred and fourths of the enrollment charge set aside for the contingency reserve from the enrollment charges for employees and annuitants enrolled for that plan.

(2) Payment of the employee's share of the cost of enrollment is waived for the first 365 days of continued coverage in the case of an employee whose coverage continues under § 890.303(e) following furlough or placement on leave of absence under the provisions of part 353 of this chapter or under § 890.303(i) if the employee was ordered to active duty before September 1, 1995 under section 672, 673b, 674, 675, or 688 of title 10, United States Code, in support of Operation Desert Storm.

§ 890.503

Reserves.

(a) The enrollment charge consists of the rate approved by OPM for payment to the plan for each enrollee, plus 4 percent, of which one part is for an administrative reserve and 3 parts are for a contingency reserve for the plan.

(b) The administrative reserve is credited with the one hundred and fourth of the enrollment charge set aside for the administrative reserve. The administrative reserve is available for payment of administrative expenses of OPM incurred under this part, and for such other purposes as may be authorized by law.

(c)(1) Contingency reserve. The contingency reserve for each plan is credited with—

(i) The three one hundred and fourths of the enrollment charge set aside for the contingency reserve from the enrollment charges for employees and annuitants enrolled for that plan.
reserves and the administrative reserve;
  (iii) Income from investment of the reserve;
  (iv) Its proportionate share of the income from investment of the administrative reserve; and
  (v) Any return of reserves of the plan.
(2) Contingency reserve minimum balance. The preferred minimum balance for the contingency reserve for community-rated plans is 1 month's subscription charges at the average recurring monthly rate paid from the Employees Health Benefits Fund for the plan during the most recent contract period. The preferred minimum balance for the contingency reserve for experience-rated plans is 1 1/2 times an amount equal to the sum of an average month's paid claims plus an average month's administrative expenses and retentions, as determined under paragraph (c)(3) of this section. Amounts in excess of the preferred minimum balance for a contingency reserve account may be used with respect to the plan from which the reserve derives: To defray increases in future rates; to increase plan benefits, or to reduce contributions of eligible subscribers and the Government under the program through devices such as temporary suspension of, or reduction in, required contributions or a refund of contributions to eligible subscribers and the Government.
(3) OPM/carrier reserve transfers. The target level for total reserves of an experience-rated plan is 3 1/3 times an amount equal to the sum of an average month's paid claims plus an average month's administrative expenses and retentions. Reserves include funds set aside for incurred-but-unpaid benefit claims and the "special" reserve representing the cumulative difference between income to the plan (subscription income plus interest on investments) and plan expenses (benefit costs plus administrative expenses and retentions). Included as carrier reserves is the balance in the letter of credit (LOC) account maintained by OPM for the plan. For the purposes of this section, an average month's paid claims is one-sixth of the total claims paid during the last 6 months of the most recent contract period, and an average month's administrative expenses and retentions is one-twelfth of the administrative expenses and retentions for the most recent contract period.
(i) When, as of the end of a contract period, the total of all the reserves for an experience-rated plan is less than the target level described in the first four sentences of paragraph (c)(3) of this section, the carrier is entitled to payment from the contingency reserve. Such contingency reserve payment shall equal the lesser of: An amount equal to the difference between the target level for the plan's reserves and the total of the reserves for the plan, or an amount equal to the excess, if any, of the contingency reserve over the preferred minimum balance. OPM must authorize this payment promptly after accepting the accounting statement for the contract period. The contingency reserve payment so authorized will be made available to the carrier's LOC account.
(ii) When, as of the end of a contract period, the total of all reserves of an experience-rated plan amounts to more than the plan's target level, the excess over the plan's target level must be credited to the contingency reserve maintained by OPM for the plan. OPM will withdraw the excess amount from the plan's LOC account, based on reporting in the annual accounting statement for the year, no sooner than May 1, of the following year. If the accounting statement is not filed by the time limit specified in the plan's contract with OPM, OPM will estimate the amount of the excess reserves and may withdraw that amount from the plan's LOC account, or begin the process of offsetting that amount from subscription payments, no sooner than May 1. The amount withdrawn from the plan's LOC account, or offset from subscription payments, will be credited to that plan's contingency reserve.
(4) OPM may, by agreement with the carrier, approve community rating for a comprehensive plan. If the contingency reserve of the carrier of a community-rated plan exceeds the preferred minimum balance, as described in paragraph (c)(2) of this section, the carrier may request OPM to pay to the plan a portion of the reserve not greater than the excess of the contingency reserve over the preferred minimum
balance. The carrier shall state the reason for the request. OPM will decide whether to allow the request in whole or in part and will advise the plan of its decision.

(5) Special contingency reserve transfers. In addition to any paid under paragraphs (c)(2) through (c)(4) of this section, OPM may authorize such other payments from the contingency reserve as in the judgment of OPM may be in the best interest of employees and annuitants enrolled in the program. A carrier for a plan may apply to OPM at any time for a payment from the contingency reserve when the carrier has good cause, such as unexpected claims experience and variations from expected community rates. In the administration of this part, OPM will accord a high priority to deciding whether to allow requests under this paragraph in whole or in part and will promptly advise the carrier of its decision. Amounts paid from the contingency reserve under paragraphs (c)(2) through (5) of this section shall be reported as subscription income in the year in which paid. By agreement with the carrier and where good cause exists, OPM may accept payment from carrier reserves for credit to the contingency reserve in an amount and under conditions other than those specified in paragraph (c) of this section. For carriers funded by LOC, the returned amount will be withdrawn from the plan’s LOC account.

§ 890.504 Disposition of contingency reserves upon reorganization or merger of plans.  
Upon reorganization or merger of a plan, OPM must credit to the surviving plan the reserves of the reorganized or merged plan. If more than one plan survives, the reserves must be divided among the surviving plans in proportion to the number of enrollees continuing to subscribe to the surviving plans.

§ 890.702 Payment to any licensed practitioner.

(a) Except as provided in paragraph (b) of this section, if a contract between the Office of Personnel Management and a group health insurance carrier offering a health benefits plan subject to subpart A of this part provides for payment or reimbursement of the cost of health services for the care and treatment of a particular health condition only if such service is rendered by a certain category of practitioner, the plan must also provide benefits, up to the limits of it contract, for the same service when rendered and billed for by any other individual who is licensed under applicable State law to provide such service, if the service is provided to an enrollee of the plan in a medically underserved area as defined by this subpart.

(b) Paragraph (a) of this section applies only to health services provided under contracts which became effective after December 31, 1979.

§ 890.801 Introduction.

This subpart sets forth policies and procedures for obtaining health benefits coverage that are unique to former spouses of Federal employees and retirees.

§ 890.802 Definition.

In this subpart, a Qualifying court order means a court order acceptable for processing as defined in §838.103 of this chapter or qualifying court order as defined in §838.1003 of this chapter.

§ 890.803 Who may enroll.

(a) Except as specified in paragraph (b) of this section, a former spouse is eligible to enroll in a health benefits plan under this part provided that—

1. The former spouse whose marriage to an employee, employee annuitant, or a former Central Intelligence Agency (CIA) or Foreign Service employee is dissolved has not remarried before age 55; and

2. The former spouse was enrolled in a health benefits plan under this part provided that—

   (i) The former spouse currently receives, or has future title to receive a portion of annuity payable to the employee upon retirement based on a qualifying court order for purposes of 5 U.S.C. 8345(j) or 5 U.S.C. 8447; (B) survivor annuity benefits based on a qualifying court order for purposes of 5 U.S.C. 8341(h) or 5 U.S.C. 8445; or (C) a survivor annuity elected by the employee under 5 U.S.C. 8339(j)(3) or 5 U.S.C. 8417(b), including a former spouse who is designated as an insurable interest pursuant to §831.613(a).
and (b) and 842.605(a) and (b) of this chapter (or benefits similar to those under this paragraph under another retirement system for Government employees); or

(ii) The former spouse was married to an employee who retired before May 7, 1985, and (A) the employee annuitant elects to provide a survivor annuity to the former spouse under procedures prescribed in §831.682 of this title; or (B) the former spouse satisfies all of the conditions for a survivor annuity in §831.683 of this title; or

(iii) The former spouse was married to an employee who died before May 7, 1985, and the employee was eligible for an immediate annuity on or before the date of death, and the former spouse satisfies all of the conditions for a survivor annuity in §831.683 of this title, or

(iv) The former spouse was married to an employee or former employee of the Central Intelligence Agency (CIA) for at least 10 years during the employee’s CIA service, at least 5 years of which both the employee and the former spouse spent outside the United States, and the marriage was dissolved before May 7, 1985; or,

(v) The former spouse was married to an employee or former employee of the Foreign Service for at least 10 years during the employee’s government service, and the marriage was dissolved before May 7, 1985;

(b) Except as contained in paragraphs (a)(3) (iv) and (v) of this section, a former spouse of an employee who separates from Federal service before becoming eligible for immediate annuity is eligible to enroll only if the former spouse’s marriage to the employee was dissolved before the employee left Federal service.

(c) If a former spouse cannot apply for benefits on his or her own behalf because of a mental or physical disability, application may be filed by a court-appointed guardian.

§ 890.804 Coverage.

(a) Type of enrollment. A former spouse who meets the requirements of §890.803 may elect coverage for self alone or for self and family. A family enrollment covers only the former spouse and any unmarried dependent natural or adopted child of both the former spouse and the employee, former employee or employee annuitant, provided such child is not otherwise covered by a health plan under this part. An unmarried dependent child must be under age 22 or incapable of self-support because of a mental or physical disability existing before age 22. No person may be covered by two enrollments.

(b) Proof of dependency. (1) A child is considered to be dependent on the former spouse or the employee, former employee, or employee annuitant if he or she is—

(i) A legitimate child;

(ii) An adopted child;

(iii) A recognized natural child who lives with the former spouse or the employee, former employee, or employee annuitant in a regular parent-child relationship.

(iv) A recognized natural child for whom a judicial determination of support has been obtained; or

(v) A recognized natural child to whose support the former spouse, or the employee, former employee, or employee annuitant makes regular and substantial contributions in accordance with §890.302(b)(2).

(c) Exclusions from coverage. Coverage as a family member may be denied—

(1) If evidence shows that the former spouse, employee, former employee, or annuitant did not recognize the child as his or her own, despite a willingness to support the child; or

(2) If evidence calls the child’s paternity or maternity into doubt, despite the former spouse’s employee’s, former employee’s, or employee annuitant’s recognition and support of the child.

(d) Child incapable of self-support. When a former spouse enrolls for a family enrollment which includes a child who has become 22 years of age and is incapable of self-support, the employing office shall determine such child’s eligibility in accordance with §890.302(d), (e), and (f).
§ 890.805

(e) Meaning of unmarried child. A child, under age 22 or incapable of self-support, who has never married or whose marriage has been annulled, or a child who is divorced or widowed is considered to be unmarried.

§ 890.805 Application time limitations.

(a) Except for former spouses meeting the requirements in § 890.803(a)(3)(iv) and (v) of this part, former spouses must apply for health benefits coverage—

(1) Within 60 days after dissolution of the marriage to the Federal employee; or

(2) Within 60 days after the date of OPM’s notice of eligibility to enroll based on entitlement to one of the following:

(i) A former spouse annuity elected under 5 U.S.C. 8339(j)(3), 5 U.S.C. 8417(b), or 5 CFR 831.682;

(ii) A former spouse annuity under § 831.683;

(iii) A former spouse insurable interest annuity under 5 U.S.C. 8339(k)(1) or 8420(a);

(iv) A former spouse annuity under 5 U.S.C. 8341(h) or 8445(f);

(v) An apportionment under 5 U.S.C. 8345(j) or 8465; or

(3) Within 60 days after the date of the notice of eligibility to enroll based on entitlement to a former spouse annuity under another retirement system for Government employees.

(b) Former spouses who meet the requirements in § 890.803(a)(3)(v) of this part must apply for health benefits coverage by April 1, 1987. Where circumstances warrant, the former spouse may request the Secretary of State to waive the filing date. The authority of the Secretary of State to waive the filing date has been delegated to the Department of State’s Retirement Division. Requests for waiver should be addressed to the Department of State, Retirement Division, Washington, DC 20520. OPM will accept the waiver upon notification to do so from the Department of State.

§ 890.806 Opportunities for former spouses to enroll and change enrollment; effective dates of enrollment.

(a) Initial opportunity to enroll. A former spouse who has met the eligibility requirements of § 890.803 and the application time limitation requirements of § 890.805 may enroll at any time after the employing office establishes that these requirements have been met.

(b) Effective date—generally. (1) Except as otherwise provided, an enrollment takes effect on the first day of the first pay period that begins after the date the employing office receives an appropriate request and satisfactory proof of eligibility as required by paragraph (a) of this section. If a former spouse requests immediate coverage, and the employing office receives an appropriate request and satisfactory proof of eligibility within 60 days after the date of divorce, the enrollment may be made effective on the same day that temporary continuation of coverage under subpart K of this part would otherwise take effect.

(2) A change of enrollment takes effect on the first day of the first pay period that begins after the date the employing office receives the appropriate request.

(c) Belated enrollment. When an employing office determines that a former spouse was unable, for cause beyond his or her control, to enroll or change the enrollment within the time limits prescribed by this section, the former spouse may do so within 60 days after the employing office advises the former spouse of its determination.
Office of Personnel Management

§ 890.806

(d) Enrollment by proxy. Subject to the discretion of the employing office, a former spouse’s representative, having written authorization to do so, may enroll or change the enrollment for the former spouse.

(e) Change to self only. (1) A former spouse may change the enrollment from self and family to self only at any time.

(2) A change of enrollment to self only takes effect on the first day of the first pay period that begins after the date the employing office receives an appropriate request to change the enrollment, except that at the request of the former spouse and upon a showing satisfactory to the employing office that there was no family member eligible for coverage under the family enrollment, the employing office may make the change take effect on the first day of the pay period following the one in which there was no family member.

(f) Open season. (1) During an open season as provided by §890.301(f)—

(i) An enrolled former spouse may change the enrollment from self only to self and family provided the family member(s) is eligible for coverage under §890.804, from one plan or option to another, or make any combination of these changes.

(ii) A former spouse who cancelled the enrollment under this part for the purpose of enrolling in a prepaid health plan under section 1833 or 1876 of the Social Security Act, and who subsequently voluntarily disenrolls from the prepaid health plan, may reenroll.

(iii) A former spouse who cancelled the enrollment under this part because he or she furnished proof of eligibility for coverage under the Medicaid program or a similar State-sponsored program of medical assistance for the needy, and who wishes to reenroll in a plan under that part for reasons other than an involuntary loss of that coverage, may do so.

(2) An open season reenrollment or change of enrollment takes effect on the first day of the first pay period that begins in January of the next following year.

(3) When a belated open season reenrollment or change of enrollment is accepted by the employing office under paragraph (c) of this section, it takes effect as required by paragraph (f)(2) of this section.

(g) Change in family status. (1) An enrolled former spouse may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes within the period beginning 31 days before and ending 60 days after the birth or acquisition of a child who meets the eligibility requirements of §890.804.

(2) A change in enrollment under paragraph (g)(1) of this section takes effect on the first day of the pay period in which the child is born or becomes an eligible family member.

(h) Reenrollment of former spouses who cancelled enrollment to enroll in a Medicare-sponsored Coordinated Care Plan. (1) A former spouse who had been enrolled for coverage under this part and cancelled enrollment for the purpose of enrolling in a prepaid health plan under section 1833 or 1876 of the Social Security Act, or who meets the eligibility requirements of §890.803 and the application time limitation requirements of §890.805, but postponed enrollment for this purpose, and who is subsequently involuntarily disenrolled from the prepaid health plan, may immediately reenroll in any available plan under this part at any time beginning 31 days before and ending 60 days after the disenrollment. A reenrollment under this paragraph (h) takes effect on the date following the effective date of the disenrollment as shown on the documentation from the prepaid health plan.

(2) A former spouse who voluntarily disenrolls from the prepaid health plan must do so in conjunction with reenrolling in a plan under this part during the next available open season (as provided by paragraph (f) of this section) to assure continuing uninterrupted health plan coverage.

(i) Reenrollment of former spouses who cancelled enrollment because of eligibility under Medicaid or similar State-sponsored program of medical assistance for the needy. (1) A former spouse who had been enrolled for coverage under this part and cancelled the enrollment because he or she furnished proof of eligibility for coverage under the Medicaid program or a similar State-sponsored program of medical assistance for the needy, may do so.

(ii) An enrolled former spouse may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes within the period beginning 31 days before and ending 60 days after the birth or acquisition of a child who meets the eligibility requirements of §890.804.
§ 890.806

program or a similar State-sponsored program of medical assistance for the needy, or who meets the eligibility requirements of § 890.803 and the application time limitation requirements of § 890.805, but postponed enrollment for this reason, and who involuntarily loses that coverage, may reenroll in any available plan under this part at any time beginning 31 days before and ending 60 days after the loss of Medicaid or similar State-sponsored coverage. A reenrollment under this paragraph (i)(1) takes effect on the date following the date of loss of Medicaid or similar State-sponsored coverage.

(2) A former spouse who cancelled his or her enrollment because he or she furnished proof of eligibility for coverage under the Medicaid program or a similar State-sponsored program of medical assistance for the needy, and who wishes to reenroll in a plan under this part for reasons other than an involuntary loss of that coverage, may do so during the next available open season as provided by paragraph (f) of this section.

(j) Loss of coverage under this part or under another group insurance plan. An enrolled former spouse may change the enrollment from self only to self and family, from one plan or option to another or make any combination of these changes when the former spouse or a child who meets the eligibility requirements under § 890.804 loses coverage under another enrollment under this part or under another group health benefits plan. Except as otherwise provided, the former spouse must change the enrollment within the period beginning 31 days before the date of loss of coverage and ending 60 days after the date of loss of coverage, provided he or she continues to meet the eligibility requirements under § 890.803. Losses of coverage include but are not limited to—

(1) Loss of coverage under another FEHB enrollment due to the termination, cancellation, or a change to self only, of the covering enrollment;

(2) Loss of coverage under another federally-sponsored health benefits program;

(3) Loss of coverage due to the termination of membership in an employee organization sponsoring or underwriting an FEHB plan;

(4) Loss of coverage due to the discontinuance of an FEHB plan in whole or in part. For a former spouse who loses coverage under this paragraph (j)(4)—

(i) If the discontinuance is at the end of a contract year, the former spouse must change the enrollment during the open season, unless OPM establishes a different time. If the discontinuance is at a time other than the end of the contract year, OPM must establish a time and effective date for the former spouse to change the enrollment;

(ii) If the whole plan is discontinued, a former spouse who does not change the enrollment within the time set is considered to have cancelled the plan in which enrolled.

(iii) If one option of a plan that has two options is discontinued, a former spouse who does not change the enrollment is considered to be enrolled in the remaining option of the plan.

(5) Loss of coverage under the Medicaid program or similar State-sponsored program of Medical assistance for the needy.

(6) Loss of coverage under a non-Federal health plan.

(k) Move from comprehensive medical plan’s area. A former spouse in a comprehensive medical plan who moves or becomes employed outside the geographic area from which the plan accepts enrollments, or, if already outside this area, moves or becomes employed further from this area, may change the enrollment upon notifying the employing office of the move or change of place of employment. Similarly, a former spouse whose covered family member moves outside the geographic area from which the plan accepts enrollments, or if already outside this area, moves further from this area, may change the enrollment upon notifying the employing office of the family member’s move. The change of enrollment takes effect on the first day of the pay period that begins after the employing office receives an appropriate request.

(l) On becoming eligible for Medicare. A former spouse may change the enrollment from one plan or option to another at any time beginning on the
Office of Personnel Management § 890.807

30th day before becoming eligible for coverage under title XVIII of the Social Security Act (Medicare). A change of enrollment based on becoming eligible for Medicare may be made only once.

(m) Annuity insufficient to pay withholdings. (1) If the annuity of a former spouse is insufficient to pay the full subscription charge for the plan in which he or she is enrolled, the retirement system must provide the former spouse with information regarding the available plans and written notification of the opportunity to either—
   (i) Pay the premium directly to the retirement system in accordance with §890.808(d); or
   (ii) Enroll in any plan with a full premium that is less than the amount of annuity. If the former spouse elects to change to a lower cost enrollment, the change takes effect immediately upon loss of coverage under the prior enrollment.

(2) If the former spouse is enrolled in the high option of a plan that has two options, and does not elect a plan with a full premium that is less than the annuity or does not elect to pay premiums directly, he or she is deemed to have enrolled in the standard option of the same plan unless the annuity is insufficient to pay the full subscription charge for the standard option.

(3) A former spouse who is enrolled in a plan with only one option, who fails to make the election required by this paragraph (m)(3) will be subject to the provisions of §890.807(c).

§ 890.807 Termination of enrollment.

(a)(1) Except for former spouses meeting the requirements in §890.803(a)(3) (iv) and (v) of this part, a former spouse's enrollment terminates, subject to the temporary extension of coverage for conversion, at midnight of the last day of the pay period in which the earliest of the following events occurs:

   (i) Court order ceases to provide entitlement to survivor annuity or portion of retirement annuity under a retirement system for Government employees.
   (ii) Former spouse remarries before age 55.
   (iii) Former spouse dies.
   (iv) Employee or annuitant on whose service the benefits are based dies and no survivor annuity is payable.
   (v) Separated employee on whose service the benefits are based dies before the requirements for deferred annuity have been met.
   (vi) Employee on whose service benefits are based leaves Federal service before establishing title to an immediate annuity or a deferred annuity.
   (vii) Refund of retirement money is paid to the separated employee on whose service the health benefits are based.

(2) OPM may authorize a longer time frame for the temporary extension of coverage for conversion than the 31 days provided in §890.401(a) if in OPM's judgment the former spouse could not have known that (1) the employee on whose service benefits are based left Federal service before establishing title to an immediate or deferred annuity; or (2) the separated employee on whose service the benefits are based died before the requirements for deferred annuity had been met. In such cases, the right of conversion may be exercised up to 31 days after the employing office's notice of termination. The former spouse must pay the full premium (employee's and Government's share) during the extended period, exclusive of the 31-day period following the notice.

(3) Termination of enrollment for failure to pay premiums within the time frame established in accordance with §890.808(d)(1) is retroactive to the end of the last pay period for which payment has been timely received.

(4) A former spouse whose enrollment is terminated under this paragraph may not reenroll.

(b) The enrollment of a former spouse who meets the requirements in §890.803(a)(3) (iv) or (v) of this part terminates, subject to the temporary extension of coverage for conversion, at midnight of the last day of the pay period in which the earliest of the following events occurs:

   (1) Former spouse remarries before age 55.
   (2) Former spouse dies.
(c) Failure to make an election under §890.806(m). (1) If the annuity is insufficient to pay the full subscription charge due for the plan in which the former spouse is enrolled, the former spouse may elect one of the two opportunities offered under §890.806(m) (electing a plan with a full subscription charge that is less than the annuity; or paying premiums directly to the retirement system in accordance with §890.808(d)). Except as provided in paragraph (c)(3) of this section the enrollment of a former spouse who fails to make an election within the specified time frame will be terminated.

(2) If the individual was prevented by circumstances beyond his or her control from making an election within the time limit after receipt of the final notice, he or she may request reinstatement of coverage by writing to the retirement system. The retirement system will determine if the individual is eligible for reinstatement of coverage; and, when the determination is affirmative, the individual’s coverage may be reinstated retroactively to the date of termination or prospectively. If the determination is negative, the individual may request reconsideration of the decision from OPM.

(3) If the former spouse does not make an election under paragraph (c)(1) of this section and is enrolled in the high option of a plan that has two options, the former spouse is deemed to have elected enrollment in the standard option of the same plan unless the annuity is insufficient to pay the full withholdings for the standard option.

(d) Coverage of members of the family. The coverage of a member of the family of a former spouse terminates, subject to the temporary extension of coverage for conversion, at midnight of the earlier of the following dates:

(1) The day on which the individual ceases to be an eligible family member.

(2) The day the former spouse ceases to be enrolled, unless the family member is entitled as a survivor annuitant to continued enrollment or is entitled to continued coverage under the enrollment of another.

(e) Cancellation. (1) A former spouse may cancel his or her enrollment at any time by filing an appropriate request with the employing office. The cancellation takes effect on the last day of the pay period in which the appropriate request cancelling the enrollment is received by the employing office.

(2) If a former spouse submits documentation that the cancellation is for the purpose of enrolling in a prepaid health plan under section 1833 or 1876 of the Social Security Act, the cancellation becomes effective on the day before the enrollment under the prepaid health plan takes effect. Such documentation must be submitted to the employing office within the period beginning 31 days before and ending 31 days after the prepaid health plan enrollment takes effect.

(3) The former spouse and family members, if any, are not entitled to the temporary extension of coverage for conversion or to convert to an individual contract for health benefits.

(4) Except for a former spouse who provides documentation that he or she is canceling for the purpose of enrolling in a prepaid health plan under section 1833 or 1876 of the Social Security Act, or for coverage under the Medicaid program or a similar State-sponsored program of medical assistance for the needy, a former spouse who cancels his or her enrollment may not later reenroll.

§ 890.808 Employing office responsibilities.

(a) Application for benefits. The former spouse’s application for health benefits may be in the form of a Standard Form 2809, letter, or written statement to the employing office. Former spouses applying for benefits under §890.803(a)(3)(iv) of this part must also include with their application a request for waiver of the application time limitation in accordance with §890.805(b) of this part. Former spouses applying for benefits under §890.803(a)(3)(v) of this part must also include with their application a request for waiver of the application time limitation in accordance with §890.805(c) of this part.
Office of Personnel Management § 890.808

(b) Administration of the enrollment process. (1) The employing office will set up a method for accepting applications for enrollment informing the former spouse what documents to submit and where to submit them for an eligibility determination, and collecting premium payments. The method will include procedures for verifying the eligibility requirements under §890.803(a) (1) and (2) of this part. The employing office must obtain OPM, Foreign Service Retirement and Disability System (FSRDS), or CIA Retirement and Disability System (CIARDS) documentation that the former spouse meets the additional requirement under §890.803(a)(3) (i), (ii), (iii), (iv), or (v) of this part. A request for the retirement system’s determination whether a court order is a qualifying court order for health benefits enrollment under this subpart must be accompanied by the documentation specified in §838.221, §838.721, or §838.1005 of this chapter.

(2) The employing office will send the former spouse notice, in writing, of its decision. When an employing office informs a former spouse of his or her eligibility to enroll, it will identify the documents on which it based its decision and will include a premium payment schedule and statement of the requirements for continued enrollment under §890.803. If the former spouse does not qualify for health benefits coverage, the employing office must give the former spouse a reconsideration right under §890.104. Reconsideration requests from former spouses applying for benefits under §890.803(a)(3)(iv) of this part must be directed to the Office of Personnel, Retirement Division, Central Intelligence Agency, Washington, DC 20505. Reconsideration requests from former spouses applying for benefits under §890.803(a)(3)(v) of this part must be directed to the Department of State, Retirement Division, Washington, DC 20520.

(3) The agency employing office will maintain a health benefits file for the former spouse as a file separate from the personnel records of the employee or former employee. The retirement system acting as employing office for the former spouse may file the former spouse health benefits records in with the annuitant’s retirement records.

(4) The former spouse will be required to certify that he or she meets the requirements listed in §890.803 and that he or she will notify the employing office within 31 days of an event that results in failure to meet one or more of the requirements.

(c) Qualifying court order. Subject to a 31-day extension period for conversion, the duration of health benefits coverage will coincide with any period specified in the qualifying court order providing for an annuity. A court order not meeting the requirements under part 838 of this chapter will not be used to establish or continue entitlement to a former spouse’s health benefits coverage.

(d) Premium payments. (1) The former spouse must remit to the employing office the full subscription charge for the enrollment for every pay period during which the enrollment continues, exclusive of the 31-day temporary extension of coverage for conversion provided in §§890.401 and 890.807(a)(2). Payment must be made after the pay period in which the former spouse is covered in accordance with a schedule established by the employing office (see definition of pay period under §890.101(a)). If the employing office does not receive payment by the due date the employing office must notify the former spouse in writing that continuation of coverage depends upon payment being made within 15 days (45 days for enrollees residing overseas) after receipt of the notice. If no subsequent payments are made, the employing office terminates the enrollment 60 days (90 days for enrollees residing overseas) after the date of the notice. Termination for non-payment of premium is considered a voluntary cancellation under §890.807(d). A former spouse whose enrollment is terminated because of non-payment of premium may not reenroll or reinstate coverage except as provided in paragraph (d)(2) of this section.

(2) If the individual was prevented by circumstances beyond his or her control from making payment within 15 days after receipt of the notice, he or

§ 890.903 Covered services.

(a) The limitation on the charges and FEHB benefit payments for inpatient hospital services apply to inpatient hospital services which are:

§ 890.904 Determination of FEHB benefit payment.

(a) The FEHB plan's benefit payment for inpatient hospital services under this subpart is the amount calculated by the FEHB plan, using information and instructions provided by the Department of Health and Human Services (HHS) and guidelines specified by OPM, as equivalent to the Medicare Part A payment under the DRG-based PPS (this is, the amount payable before the Medicare deductible, coinsurance and lifetime limits are applied), reduced by any FEHB plan deductible, coinsurance, copayment, or preadmission certification penalty that is the responsibility of the retired enrolled individual.

2. The actual billed charges; and

3. Reducing the lower amount by any FEHB plan deductible, coinsurance, or copayment that is the responsibility of the retired enrolled individual.

Subpart J—Debarments, Civil Monetary Penalties and Assessments Imposed Against Providers

SOURCE: 54 FR 43940, Oct. 30, 1989, unless otherwise noted.
services or supplies which are substantially in excess of the needs of the insured or which are of a quality that fails to meet professionally recognized standards for such services or supplies, OPM may rely, in part, upon reports, including sanction reports, from the following sources:

(i) The Professional Standards Review Organization or the Peer Review Organization for the area served by the provider;
(ii) State or local licensing or certification authorities;
(iii) Peer review committees of health plan carriers;
(iv) State or local professional societies; or
(v) Other sources deemed appropriate by OPM.

§ 890.1004 Standards for determining either the period of debarment or the amount of civil monetary penalties or assessments.

(a) In determining either the period of debarment or the amount of any civil monetary penalty or assessment, OPM shall take into account the specifics of section 8902a(e) of title 5, United States Code; i.e., the nature of any claims involved and the circumstances under which they were presented; the degree of culpability, history of prior offenses or improper conduct of the provider involved, and such other matters as justice may require.

(b) The following standards will be used when taking into account the factors listed in paragraph (a) of this section:

(1) Criminal convictions. The nature of the offense, the severity and magnitude of the crime, the extent of the provider’s involvement and the provider’s previous record, if any, will be of paramount importance in determining the period of debarment under 8902a(b) of title 5, United States Code.

(2) Nature and circumstances of claims. It shall be considered a mitigating circumstance if all the items or services subject to a determination under 8902a(c) of title 5, United States Code, included in the action brought under this part were of the same type and occurred within a short period of time, or were few in number and the total amount claimed was less than $1,000. It shall be considered an aggravating circumstance if such items or services were of several types, occurred over a lengthy period of time, were numerous (or the nature and circumstances indicate a pattern of claims for such items or services), or the amount claimed for such items or services was substantial.

(3) Degree of culpability. It shall be considered a mitigating circumstance if the claim was the result of an unintentional and unrecognized error in the process the provider followed in presenting claims, and corrective steps were taken promptly after the error was discovered. It shall be considered an aggravating circumstance if, for example, the provider knew or should have known he or she had previously been suspended from participation and such suspension was still in effect.

(4) Prior offenses. It shall be considered an aggravating circumstance if at any time prior to the presentation of the claim at issue in the debarment deliberations the provider was held liable for criminal, civil, or administrative sanctions in connection with the program covered by this part or any other public or private program of reimbursement for medical services.

(5) If there are substantial or several mitigating circumstances, OPM shall set any period of debarment at a minimum period of at least two years. If there are substantial or several mitigating circumstances, OPM shall set the aggregate amount of any civil monetary penalty and assessment at an amount equivalent to at least 25% of the maximums allowed by 8902a(c) of title 5, United States Code. However, unless there are extraordinary mitigating circumstances, the aggregate amount of the civil monetary penalty and assessment must be at least double the estimated amount of damages sustained by the FEHB Program as a result of the claim(s) in question.

(6) If there are substantial or several aggravating circumstances, OPM shall set a period of debarment at a minimum period of at least 4 years. If there are substantial or several aggravating circumstances, OPM shall set the aggregate amount of any civil monetary penalty and assessment at an amount

§ 890.1005 Effective dates and notices.

(a) If OPM proposes to invoke any sanctions under section 8902a(b) or (c) of title 5, United States Code, OPM will send written notice of its intent, including the reasons for the proposed sanction(s), the proposed duration of the debarment, if any, and the proposed amount of any civil monetary penalty or assessment to the provider and advise the provider of the right to a reconsideration within OPM.

(b) Within 30 days of the date of the notice, the provider may submit:

(1) Documentary evidence and written argument against the proposed sanction; or

(2) A written request to present evidence or argument orally to an OPM official.

(c) For good cause shown by the provider, OPM may extend the 30-day period.

(d) If, after the provider has exhausted the reconsideration rights within OPM or failed to exercise his or her right to reconsideration within OPM, OPM decides to invoke any sanctions, it will send written notice of its decision to the provider at least 30 days before the proposed effective date of the sanction(s). The written notice will set forth:

(1) The basis for the sanction;

(2) The duration of the debarment, if any, and the factors used in determining the duration;

(3) The requirements and procedures for reinstatement, if applicable;

(4) The amount of the civil monetary penalty or assessment, if any, and how such penalty and/or assessment was determined;

(5) The right to a hearing.

(e) If the right to a hearing is waived, OPM will implement the effective date of the sanction(s) as provided in the notice required by paragraph (d) of this section. If the right to a hearing is exhausted and OPM is upheld by the hearing officer, OPM shall set the date of the sanction(s) to become effective within 31 days of the final decision of the hearing officer.

§ 890.1006 Payment of claims for service or supplies furnished by debarred providers.

Health plans may not deny claims for services or supplies based on debarment of the provider under this subpart if the claimant did not know or could not reasonably be expected to have known of the debarment. In any such instance, the carrier involved must take appropriate measures to ensure that the individual is informed of the debarment and the minimum period of time remaining under the terms of the debarment.

§ 890.1007—890.1009 [Reserved]
elect temporary continuation of coverage under this subpart. Eligible individuals are as follows:

(1) Former employees whose coverage ends because of a separation from Federal service under any circumstances except an involuntary separation for gross misconduct.

(2) Individuals whose coverage as children under the family enrollment of an employee, former employee, or annuitant ends because they cease meeting the requirements for being considered unmarried dependent children. For the purpose of this section, children who are enrolled under this part as survivors of deceased employees or annuitants are considered to be children under a family enrollment of an employee or annuitant at the time of the qualifying event.

(3) Former spouses of employees, of former employees having continued family coverage under this subpart, or of annuitants, if the former spouse would be eligible for continued coverage under subpart H of this part except for failure to meet the requirement of §890.803(a)(1) or (3) of this part or the documentation requirements of §890.806(a) of this part, including former spouses who lose eligibility under subpart H within 36 months after termination of the marriage because they ceased meeting the requirement of §890.803(a)(1) or (3) of this part.

§890.1104 Notification by agency.

(a) In the case of a former employee who is eligible to elect temporary continuation of coverage under §890.1103(a)(1), the employing office must notify the former employee concerning his or her rights under this subpart no later than 30 days after the end of the temporary extension of coverage provided under §890.401.

(b)(1) In the case of a child who is eligible to elect temporary continuation of coverage under §890.1103(a)(2), the enrollee may, within 60 days after the qualifying event, provide written notice to the employing office of the child's change in status and requesting information about temporary continuation of coverage. The written notice must include the child's name and address and the date of the terminating event.

(2) If the notice described in paragraph (b)(1) is received by the employing office within 60 days after the date on which the child ceased meeting the requirements for being considered an unmarried dependent child, the employing office must notify the child of his or her rights under this subpart within 14 days after receiving the notice.

(3) This paragraph does not preclude the employing office from notifying the child of his or her rights based on oral or written notification by the child, another family member, or any other source that the child no longer meets the requirements for being considered an unmarried dependent child.

(c)(1) In the case of a former spouse who is eligible to elect temporary continuation of coverage under §890.1103(a)(3), the employee or the former spouse may, within 60 days after the termination of the marriage or the loss of coverage under subpart H of this part, notify the employing office of the terminating event and request information about temporary continuation of coverage. The notice must include the name and address of the former spouse and the date of the terminating event.

(2) The employing office must notify the former spouse of his or her rights under this subpart within 14 days after receiving the notice described in paragraph (c)(1) of this section.

(d) If the employing office cannot give the notice required by this section to the employee, child, or former spouse directly, it must send the notice by first class mail. A notice that is mailed is deemed to be received 5 days after the date of the notice.
§ 890.1105 Initial election of temporary continuation of coverage; application time limitations and effective dates.

(a) The election of temporary continuation of coverage may be in the form of a Standard Form 2809, letter, or written statement to the employing office.

(b) Former employees. A former employee's election under this subpart must be submitted to the employing office within 60 days after the later of—

(1) The date of separation; or

(2) The date the former employee received the notice from the employing office.

(c) Children. A child's election under this subpart must be submitted to the employing office within 60 days after the later of—

(1) The date of the qualifying event; or

(2) If the employee notified the employing office within the 60-day time period specified under §890.1104(b)(1) of this part, the date the child received the notice from the employing office.

(d) Former spouses. (1) A former spouse's election must be received by the employing office within 60 days after the later of—

(i) The date of the qualifying event; or

(ii) The date coverage under subpart H of this part was lost because of remarriage or loss of qualifying court order, if the loss of coverage under subpart H occurred before the expiration of the 36-month period specified in §890.1107(c); or

(iii) If the employee, annuitant, or former spouse notified the employing office of the termination of the marriage within the time period specified in §890.1104(c)(1), the date the former spouse received the notice from the employing office described in §890.1104(c)(2). If the employee, annuitant, or former spouse did not notify the employing office within the specified time period, the former spouse's opportunity to elect continued coverage ends 60 days after the qualifying event.

(2) The effective date of former spouse coverage is the later of—

(i) The date determined under paragraph (g) of this section; or

(ii) The date of the divorce or annulment.

(e) If an individual who is eligible for temporary continuation of coverage under this section is unable to file an election on his or her own behalf because of a mental or physical disability, an election may be filed by a court-appointed guardian.

(f) Belated elections. Except as provided in paragraphs (c)(2) and (d)(3)(i)(i) of this section, when an employing office determines that an eligible individual was unable, for cause beyond his or her control, to elect temporary continuation of coverage within the time limits prescribed by this section, that office must accept the election within 60 days after it advises the individual of that determination.

(g) Effective date of coverage. Except as provided in paragraph (d)(2)(ii) of this section, the effective date of temporary continuation of coverage is the day after other coverage under this part expires, including the 31-day temporary extension of coverage under §890.401. If an individual elects temporary continuation of coverage after the 31-day temporary extension of coverage expires, but before the expiration of the applicable election period specified in this section, coverage is restored retroactively, with appropriate contributions and claims, to the same extent and effect as though no break in coverage occurred.

§ 890.1106 Coverage.

(a) Type of enrollment. An individual who enrolls under this subpart may elect coverage for self alone or self and family.

(1) For an enrollee who is eligible for continued coverage under §890.1103(a) (1) or (2), a covered family member is an individual whose relationship to the enrollee meets the requirements of 5 U.S.C. 8901(5) and who meets any applicable requirements of 5 CFR 880.302 of this part.
(2) For a former spouse who is eligible for continued coverage under §890.1103(3) of this part, a covered family member is an individual who meets the requirements of §890.804 of this part.

(b) Plans and options. An individual who elects to continue coverage under this subpart may enroll in a plan or option different from the plan or option covering the individual at the time of the qualifying event.

§890.1107 Length of temporary continuation of coverage.

(a) In the case of a former employee who is eligible for continued coverage under §890.1103(a)(1), the temporary continuation of coverage ends on the date that is 18 months after the date of separation, unless it is terminated earlier under the provisions of §890.1110.

(b)(1) Except as provided in paragraph (b)(2) of this section, in the case of individuals who are eligible for continued coverage under §890.1103(a)(2) of this part, the temporary continuation of coverage ends on the date that is 36 months after the date the individual first ceases to meet the requirements for being considered an unmarried dependent child, unless it is terminated earlier under the provisions of §890.1110.

(2) The temporary continuation of coverage ends on the date that is 36 months after the date of the separation from service on which the former employee's continuation of coverage is based, unless it is terminated earlier under the provisions of §890.1110, in the case of a former spouse—

(i) Who is eligible for continued coverage under §890.1103(a)(3); and

(ii) Whose marriage to the former employee terminates after the former employee's separation but before the expiration of the 18-month period specified in paragraph (a) of this section.

§890.1108 Opportunities to change enrollment; effective dates.

(a) Effective date—generally. Except as otherwise provided, a change of enrollment takes effect on the first day of the first pay period that begins after the date the employing office receives an appropriate request to change the enrollment.

(b) Belated change of enrollment. When an employing office determines that an enrollee was unable, for cause beyond his or her control, to change the enrollment within the time limits prescribed by this section, the enrollee may do so within 60 days after the employing office advises the enrollee of its determination.

(c) Change of enrollment by proxy. Subject to the discretion of the employing office, an enrollee's representative, having written authorization to do so, may change the enrollment for the enrollee.

(d) Change to self only. (1) An enrollee may change the enrollment from self and family to self only at any time.

(2) A change of enrollment to self only takes effect on the first day of the first pay period that begins after the date the employing office receives an appropriate request to change the enrollment, except that at the request of the enrollee and upon a showing satisfactory to the employing office that there was no family member eligible
for coverage under the family enrollment, the employing office may make the change effective on the first day of the pay period following the one in which there was no family member.

(e) Open season. (1) During an open season as provided by §890.301(f), an enrollee (except for a former spouse who is eligible for continued coverage under §890.1103(a)(3)) may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes. A former spouse who is eligible for continued coverage under §890.1103(a)(3) may change from one plan or option to another, but may not change from self only to self and family unless the individual to be covered under the family enrollment qualifies as a family member under §890.1106(a)(2). (2) An open season change of enrollment takes effect on the first day of the first pay period that begins in January of the next following year. (3) When a belated open season change of enrollment is accepted by the employing office under paragraph (b) of this section, it takes effect as required by paragraph (e)(2) of this section.

(f) Change in family status. (1) Except for a former spouse, an enrollee may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes when the enrollee’s family status changes, including a change in marital status or any other change in family status. The enrollee must change the enrollment within the period beginning 31 days before the date of the change in family status, and ending 60 days after the date of the change in family status. (2) A former spouse who is covered under this section may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes within the period beginning 31 days before and ending 60 days after the birth or acquisition of a child who qualifies as a covered family member under §890.1106(a)(2). (3) A change of enrollment made in conjunction with the birth of a child, or the addition of a child as a new family member in some other manner, takes effect on the first day of the pay period in which the child is born or becomes an eligible family member.

(g) Reenrollment of individuals who lose other coverage under this part. An individual whose continued coverage under this section terminates because of the provisions of §890.1110(a)(3) (termination due to other coverage under another provision of this part) may reenroll if the coverage that terminated the enrollment under this part ends, but not later than the expiration of the period described in §890.1107. Coverage does not extend beyond the expiration of the period described in §890.1107. The effective date of the reenrollment is the day following the termination of the coverage described in §890.1110(a)(3).

(h) Loss of coverage under this part or under another group insurance plan. An enrollee may change the enrollment from self only to self and family, from one plan or option to another, or make any combination of these changes when the enrollee loses coverage under this part or a qualified family member of the enrollee loses coverage under this part or under another group health benefits plan. Except as otherwise provided, an enrollee must change the enrollment within the period beginning 31 days before the date of loss of coverage and ending 60 days after the date of loss of coverage. Losses of coverage include, but are not limited to— (1) Loss of coverage under another FEHB enrollment due to the termination, cancellation, or change to self only, of the covering enrollment. (2) Loss of coverage under another federally-sponsored health benefits program. (3) Loss of coverage due to the termination of membership in an employee organization sponsoring or underwriting an FEHB plan. (4) Loss of coverage due to the discontinuance of an FEHB plan, in whole or in part. For an enrollee who loses coverage under this paragraph (h)(4)— (i) If the discontinuance is at the end of a contract year, the enrollee must change the enrollment during the open season, unless OPM establishes a different time. If the discontinuance is at
Office of Personnel Management § 890.1109

(a) Except as provided in paragraph (b) of this section, the enrollee must pay the full enrollment charge as determined under §890.503(a), including both the Government contributions and employee withholdings, plus the administrative charge described under §890.1113, for every pay period during which the enrollment continues, exclusive of the 31-day temporary extension of coverage for conversion provided under §890.401 of this part.

(b) If the enrollee is not covered under this subpart for the full pay period, he or she pays the premium charge for only the days actually covered. The daily premium rate is an amount equal to the monthly rate (including the administrative charge) multiplied by 12 and divided by 365.

(c) The enrollee must make the payment after the pay period during which he or she is covered in accordance with a schedule established by the employing office. If the employing office does not receive the payment by the date due, the employing office must notify the enrollee in writing that continuation of coverage depends upon payment being made within 15 days (45 days for enrollees residing overseas) after receipt of the notice. If no subsequent payments are made, the employing office terminates the enrollment 60 days (90 days for enrollees residing overseas) after the date of the notice. An enrollee whose coverage terminates because of nonpayment may not re-enroll or reinstate coverage except as provided under paragraph (d) of this section.

(d)(1) If the enrollee was prevented by circumstances beyond his or her control from making payment within the timeframe specified in paragraph (c) of this section, he or she may request reinstatement of coverage by writing to the employing office. The request must be filed within 30 calendar days from the date of termination and must be accompanied by verification that the enrollee was prevented by circumstances beyond his or her control from paying within the time limit.

(2) The employing office determines whether the individual is eligible for reinstatement of coverage. If the determination is affirmative, coverage is reinstated retroactively to the date of determination. If the determination is negative, the individual may request a
§ 890.1110 Review of the decision from the employing agency as provided under § 890.104.

§ 890.11110 Termination of enrollment or coverage.

(a) General. An enrollment under this subpart terminates at midnight of the earlier of the following dates:

1. The date the temporary continuation of coverage expires as set forth in § 890.1107, subject to the temporary extension of coverage for conversion.

2. The last day of the pay period in which the enrollee dies.

3. The day before the effective date of coverage under another provision of this part.

4. The date provided under paragraphs (b) or (c) of this section.

(b) Failure to pay premiums. Termination of enrollment for failure to pay premiums within the timeframe established under § 890.1109 of this part is retroactive to the end of the last pay period for which payment was timely received. The enrollee and covered family members, if any, are not entitled to the temporary extension of coverage for conversion or to convert to an individual contract for health benefits.

(c) Cancellation. An enrollee may cancel his of her enrollment as provided under § 890.304(d) of this part.

(d) Family member coverage. The coverage of a family member terminates under the conditions set forth in § 890.304(c). Covered family members of former employees and former spouses are entitled to temporary continuation of coverage only as set forth under § 890.1103.

§ 890.1111 Employing office responsibilities.

(a) Providing information to employees. Employing offices are responsible for providing employees who are eligible to enroll under this part with literature developed by OPM that sets forth their rights under this subpart. This literature must be distributed to employees prior to each open season occurring under § 890.301.

(b) Administration of the enrollment process. The employing office must establish procedures for notifying the former employee, child, or former spouse about his or her eligibility to enroll, including what documents are needed to determine eligibility, and for accepting enrollment registrations.

(c) Collecting premiums. (1) Collection of the contributions is the responsibility of the employing office of the employee or annuitant at the time of the qualifying event.

(2) The employing office must submit all premium payments collected from enrollees along with its regular health benefits payments to OPM in accordance with procedures established by that Office.

(d) Health benefits file. The employing office must maintain a health benefits file for the enrollee as a file separate from the personnel records of the employee or former employee. This file may be destroyed 2 years after the end of the calendar year during which the 18- or 36-month period described in § 890.1107(a) or (b)(1) expires.

§ 890.1112 Denial of continuation of coverage due to involuntary separation for gross misconduct.

(a) Notice of denial. (1) When an employing office determines that the offense for which an employee is being removed constitutes gross misconduct for the purpose of this subpart, the employing office must notify the employee in writing of its intention to deny temporary continuation of coverage. The notice must set forth the reason for the denial and give the employee a reasonable amount of time to respond. The notice must be made no later than the date of separation.

(2) If the employee is being removed under the authority of part 752 of this chapter (or other law, Executive Order, or regulation that prescribes procedures for removing employees because of misconduct), the notification requirement of paragraph (a)(1) of this section may be combined with the notification requirement of such authority.

(b) Employee’s response. (1) The employee must be allowed a reasonable time for response, but not less than 7 days. The employee may respond orally...
or in writing and is entitled to be represented by an attorney or other representative.

(2) The agency must designate an official to hear the employee's oral answer who has the authority either to make or recommend a final decision on the denial. The right to answer orally does not include the right to a formal hearing with examination of witnesses.

(c) Final decision. If the employee responds to the notice of denial, the employing office must issue a final decision in writing that fully sets forth its findings and conclusions. The agency's decision is not subject to reconsideration by OPM.

(d) Resignation in lieu of involuntary separation. If an employee resigns after receiving the employing office's notification of intent to separate the employee involuntarily but before the scheduled separation date, his or her separation is considered involuntary for the purpose of this subpart.

§ 890.1203 Coverage.

(a) An individual is covered under this subpart when the U.S. Department of State determines that the individual is eligible for coverage under section 599C of Public Law 101-513.

(b) The individual and family enrollment covers only the survivor or former spouse and unmarried dependent natural or adopted child of both the survivor or former spouse and hostage.

(f) Eligibility for coverage under this subpart shall be subject to the availability of funds under section 599C(e) of Public Law 101-513.

§ 890.1204 Effective date of coverage.

Unless the U.S. Department of State determines that a later date is appropriate, coverage under § 890.1203(b) is effective on August 2, 1990, for hostages in Iraq and Kuwait and on the later of the date hostage status began or June 1, 1992, for hostages in Lebanon.

[57 FR 43132, Sept. 18, 1992]

§ 890.1205 Change in type of enrollment.

(a) Individuals covered under this subpart or eligible survivors enrolled under this subpart may change from self only to self and family coverage if they acquire an eligible family member. The change may be made at the written request of the enrollee at any time after the family member is acquired. A change in enrollment under this paragraph becomes effective on the 1st day of the pay period after the pay period during which the request is received by the U.S. Department of State, except that a change based on the birth or addition of a child as a new family member is effective on the 1st day of the pay period during which the child is born or otherwise becomes a new family member.

(b) Individuals covered under this subpart or eligible survivors enrolled under this subpart may change from a self and family enrollment to a self only when the last eligible family member (other than the enrollee) ceases to be a family member. The change may be made at the written request of the enrollee at any time after the last family member is lost and it becomes effective on the 1st day of the pay period after the pay period during which the request is received by the U.S. Department of State.

(c) A family member may file a request to change the type of enrollment on behalf of a hostage during the period of hostage status or on behalf of an eligible former hostage who cannot file the election on his or her own behalf because of a mental or physical disability.

§ 890.1206 Cancellation of coverage.

(a) An individual who is covered under § 890.1203(b) may cancel his or her enrollment at any time by written request. The cancellation is effective on the 1st day of the pay period after the pay period in which it is received by the U.S. Department of State.

(b) An individual who cancels his or her coverage under this section cannot reacquire coverage unless the U.S. Department of State determines that it would be against equity and good conscience not to allow the individual to be enrolled.

(c) A cancellation of coverage must be made by the enrolled individual and cannot be made by a representative acting on the individual’s behalf.

§ 890.1207 Termination of coverage.

(a) Coverage of an individual under § 890.1203(b) terminates 60 months or 12 months after hostage status ended unless the individual cancels the coverage earlier.

(b) Enrollees and family members are eligible for temporary extension of coverage for conversion as set forth in subpart D of this part unless the covering enrollment is terminated by cancellation.

§ 890.1208 Premiums.

(a) Government and employee contributions (premiums) required under §§ 890.501 and 890.502 of this part are paid from the appropriation provided under section 599C(e) of Public Law 101-513.

(b) If the individual is not covered under this subpart for the full pay period, premiums are paid only for the days he or she is actually covered. The daily premium rate is an amount equal to the monthly premium rate multiplied by 12 and divided by 365.

(c) The payments required by this section may be accepted by OPM from the State Department appropriation in advance if necessary to fund the 12-
a month period of coverage beginning on the earlier of:

(1) The day after sanctions or hostilities end; or
(2) The day after the individual's period of hostage status ends.

(d) OPM will place any funds received under paragraph (c) of this section in an account established for this purpose. OPM will make the disbursements specified under 48 CFR subpart 1632.170 from this account when the appropriate pay period occurs.

§ 890.1209 Responsibilities of the U.S. Department of State.

(a) The U.S. Department of State functions as the "employing office" for individuals covered under this subpart.

(b) The U.S. Department of State must determine the eligibility of individuals who qualify under Public Law 101-513 for coverage under this part. This determination includes the determination as to whether the individual is barred from coverage under chapter 89 of title 5 U.S. Code by reason of other health insurance coverage as provided in section 599C of Public Law 101-513.

(c) The U.S. Department of State must determine whether eligible individuals are married or single for the purpose of coverage under a self only or a self and family enrollment as set forth in §890.1203(b). If the marital status of the individual cannot be determined, the U.S. Department of State must enroll the individual for self and family coverage.

§ 890.1210 Reconsideration and appeal rights.

(a) Under procedures set forth by the U.S. Department of State, an individual may request the U.S. Department of State to reconsider an initial decision it has made denying coverage or a change in the type of enrollment under this subpart.

(b) Neither the initial decision nor the reconsideration decision of the U.S. Department of State is subject to reconsideration by OPM.

§ 891.104 Responsibilities of retirement offices.

(a) The Office of Worker's Compensation Program is responsible only for retired employees who are receiving compensation from the Office and is responsible even though the retired employee has retired under another retirement office from which he/she is not currently receiving annuity. (b) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for withholding from the annuity or compensation of each retired employee within the jurisdiction of the retirement office who elects to subscribe to the uniform plan his/her share of the cost, for forwarding the amount withheld to the Retired Federal Employees Health Benefits Fund, and for reporting to OPM amounts required for Government contribution for these retired employees.

(c) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for advising retired employees within the jurisdiction of the retirement office of the rights and obligations of retired employees.

§ 891.201 Election.

(e) When one or more of the family members is a child 19 years of age or older who is incapable of self-support because of mental or physical disability which existed before the child became 19 years of age, the appropriate retirement office shall obtain the necessary evidence and make a determination of incapacity.

(f) Retirement offices are responsible, in accordance with regulations and instructions issued by OPM, for verifying continuing eligibility of retired employees to receive Government contributions.

§ 891.105 Correction of errors.

OPM may order correction of administrative errors at any time upon a showing satisfactory to OPM that it would be against equity and good conscience not to do so.

§ 891.106 Reconsideration.

However, a decision initially rendered at the highest level of review available within OPM will not be subject to reconsideration.

(c) Reconsideration. A request for reconsideration must be made in writing, must include the claimant’s name, address, date of birth, claim number, if appropriate, and reasons for the request.

(e) Final decision. After reconsideration, OPM shall issue a final decision which shall be in writing and shall fully set forth the findings and conclusions of OPM.

Subpart B—Election and Change of Election

§ 891.201 Election.

(a) The original period for election by each eligible retired employee was during the months of March and April 1961. Failure to elect when eligible to do so is deemed an election not to participate in the program unless the failure is determined by the retirement office to be for cause beyond the control of the retired employee. In any case in which annuity or compensation is being paid to a payee in behalf of a retired employee, the payee shall make the election for the retired employee.

(b) (1) A retired employee may elect to participate in the program for self alone or for self and family.

(2) Survivors, if actually or constructively living in the same household, have only one right of election among them. The election shall be made by the payee. The fact that one payee is receiving annuity or compensation for all members of the family is prima facie evidence that they are living in the same household. The existence of more than one payee is prima facie evidence that each payee and the survivors in whose behalf the payee is receiving annuity or compensation constitute a separate household, and each payee may elect for the survivors in whose behalf he is receiving annuity or compensation through more than one payee, one payee, with the consent of the other payees, may elect for the whole family.

(3) A retired employee may not be covered under more than one election.

(4) A retired employee who is entitled to more than one annuity or to compensation and annuity is entitled to only one election.

(c) Each retired employee who elects to receive a Government contribution toward the cost of a private health benefits plan shall file with his election a
§ 891.202  Change of election.

Certificate of the carrier, on the form prescribed by OPM for the purpose, that he is a subscriber to a health benefits plan. OPM, or the appropriate retirement office, at any time may require that a retired employee renew the certificate, or may take such other action as it considers desirable to verify the continuing eligibility of the retired employee to receive a Government contribution. The appropriate retirement office may suspend the Government contribution when there is a reasonable doubt of the retired employee's continuing eligibility to receive the Government contribution.

(d) In the discretion of the retirement office, a representative of the retired employee having a written authorization to do so may elect for him.

(e) A person who was not eligible, during the months of March and April 1961, to elect to subscribe to the uniform plan or to receive a Government contribution toward the cost of a private health benefits plan, may apply to the appropriate retirement office when he becomes eligible. If the retirement office determines that he is eligible, it shall notify the retired employee that he is eligible to make an election in accordance with paragraphs (a) to (d) of this section within 60 days of the date of the notice. If the retirement office determines that a retired employee was unable, for cause beyond his control, to make an election within the time limits prescribed by this section, it shall notify the retired employee that he is eligible to make an election in accordance with paragraphs (a) to (d) of this section within 60 days of the date of the notice. Elections made under this paragraph are effective, for a retired employee receiving annuity and a survivor receiving compensation, on the first day of the third month following the month in which the retirement office receives the election. Withholdings and contributions are effective for months beginning on and after the first day of the second month following the month in which the retirement office receives the election. For any other retired employee receiving compensation, changes of election made under this paragraph are effective on the first day of the third 4-week period following the 4-week period in which the Bureau of Employees' Compensation receives the election, and withholdings and contributions are effective beginning with the second 4-week period following receipt of the election. This paragraph does not apply to retired employees who have been, at any time, covered by the election of another under this part.

(f) Retired employees and survivors who, on January 1, 1973, were enrolled for either basic coverage only or major medical coverage only of the Uniform Plan are, effective January 1, 1973, automatically enrolled in basic plus major medical coverage of the Uniform Plan.

§ 891.202  Change of election.

(a) When used in this section, “month” includes the 4-week period for which a retired employee (other than a survivor) receives compensation.

#### Subpart C—Suspension and Termination

**§ 891.301 Suspension and termination.**

(a) When used in this section, “month” includes the 4-week period for which a retired employee (other than a survivor) receives compensation.

(b) When compensation is entirely suspended or annuity is entirely waived or suspended, Government contributions are suspended. If the election is to subscribe to the uniform plan, and the annuity or compensation is suspended, or the annuity is waived to the extent that the retired employee's share of the cost cannot be withheld, withholdings and Government contributions are suspended, but the subscription continues.

(c) If the waiver or suspension covers 3 months or less, Government contributions and withholdings for the period of waiver or suspension shall be made when annuity payment is resumed. If the waiver or suspension covers more than 3 months, the retired employee's election is terminated effective at the end of the third month of waiver or suspension. A terminated election is
renewed when annuity or compensation payment is resumed. When a terminated election is renewed pursuant to this paragraph, withholdings and Government contributions shall be made for the first 3 months of the waiver or suspension. Withholdings and Government contributions shall be made for annuity or compensation accruing after the election is renewed.

(d) If title of a retired employee to annuity or compensation is terminated, his eligibility under this part is terminated.

(e) If the eligibility of a retired employee is terminated and other members of the same family continue to be eligible under this part, the election of the former retired employee continues for the remainder of the family unless and until changed in accordance with § 891.202.

Subpart D—Contributions and Withholdings

§ 891.401 Government contributions.

(1) Each month, an amount equal to the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) for such month shall be paid by the Office of Personnel Management, through the appropriate retirement office, to each retired employee or survivor who:

(i) Is in receipt of annuity for such month;

(ii) Is eligible for coverage under this part; and

(2) Each month, an amount equal to the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) for such month shall be contributed, by the Office of Personnel Management, for each retired employee or survivor who is in receipt of annuity and who has elected to enroll for self-only in the uniform plan.

(3) Each month, an amount equal to twice the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) for such month shall be paid by the Office of Personnel Management, through the appropriate retirement office, for each retired employee or survivor who:

(A) A private plan or plans; or

(B) Supplementary medical insurance under Medicare.

(4) Each month, an amount equal to twice the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) for such month shall be contributed, by the Office of Personnel Management, for each retired employee or survivor who is in receipt of compensation and who has enrolled for self and family in the uniform plan.
payment of such compensation is made, an amount equal to 93 1⁄3 percent of the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) rounded to the nearest cent, counting one-half cent and over as a whole cent.

(3) For each retired employee or survivor who is in receipt of compensation and who meets the requirements of paragraph (a)(3) of this section, other than the requirement of being in receipt of an annuity, the Office of Personnel Management shall contribute, through the Office of Workers’ Compensation Programs, an amount equal to 186 2⁄3 percent of the current monthly premium paid by an individual for supplementary medical insurance under title XVIII of the Social Security Act (Medicare) rounded to the nearest cent, counting one-half cent and over as a whole cent, for each 4-week period in which payment of such compensation is made.

§ 900.401 Purpose.

The purpose of this subpart is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as title VI) to the end that a person in the United States shall not, on the ground of race, color, or national origin, be excluded from participating in, be denied the benefits of, or
be otherwise subjected to discrimination under a program or activity receiving Federal financial assistance from OPM.

§ 900.402 Application of this subpart.

(a) This subpart applies to each program for which Federal financial assistance is authorized under a law administered by OPM, including the federally assisted programs listed in appendix A to this subpart. It also applies to money paid, property transferred, or other Federal financial assistance extended under a program after the effective date of this subpart pursuant to an application approved before that effective date. This subpart does not apply to:

(1) Federal financial assistance by way of insurance or guaranty contracts;

(2) Money paid, property transferred, or other assistance extended under a program before the effective date of this subpart, except when the assistance was subject to the title VI regulations of an agency whose responsibilities are now exercised by OPM;

(3) Assistance to any individual who is the ultimate beneficiary under a program; or

(4) Employment practices, under a program, of an employer, employment agency, or labor organization, except to the extent described in §900.404(c).

The fact that a program is not listed in appendix A to this subpart does not mean that title VI is otherwise applicable, that the program is not covered. Other programs under statutes now in force or hereinafter enacted may be added to appendix A to this subpart.

(b) In a program receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property, to the extent that rights to space on, over, or under that property are included as part of the program receiving that assistance, the nondiscrimination requirement of this subpart extends to a facility located wholly or in part in that space.

§ 900.403 Definitions.

Unless the context requires otherwise, in this subpart:

(a) Applicant means a person who submits an application, request, or plan required to be approved by OPM, or by a primary recipient, as a condition to eligibility for Federal financial assistance, and application means that application, request, or plan.

(b) Facility includes all or any part of structures, equipment, or other real or personal property or interests therein, and the provision of facilities includes the construction, expansion, renovation, remodeling, alteration, or acquisition of facilities.

(c) Federal financial assistance includes:

(1) Grants and loans of Federal funds;

(2) The grant or donation of Federal property and interests in property;

(3) The detail of Federal personnel;

(4) The sale and lease of, and the permission to use on other than a casual or transient basis, Federal property or any interest in the property without consideration or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by the sale or lease to the recipient; and

(5) A Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance.

(d) Primary recipient means a recipient that is authorized or required to extend Federal financial assistance to another recipient for the purpose of carrying out a program.

(e) Program includes a program, project, or activity for the provision of services, financial aid, or other benefits to individuals (including education or training or other services whether provided through employees of the recipient of Federal financial assistance or provided by others through contracts or other arrangements with the recipient, and including work opportunities), or for the provision of facilities for furnishing services, financial aid, or other benefits to individuals. The services, financial aid, or other benefits provided under a program receiving Federal financial assistance are deemed to include a service, financial aid, or other benefits provided with the aid of Federal financial assistance or with the aid of any non-Federal funds, property, or other resources required to be expended or made available for
§ 900.404 Discrimination prohibited.

(a) General. A person in the United States shall not, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or otherwise subjected to discrimination under, a program to which this subpart applies.

(b) Specific discriminatory actions prohibited. (1) A recipient under a program to which this subpart applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin—
   (i) Deny a person a service, financial aid, or other benefit provided under the program;
   (ii) Provide a service, financial aid, or other benefit to a person which is different, or is provided in a different manner, from that provided to others under the program;
   (iii) Subject a person to segregation or separate treatment in any matter related to his receipt of a service, financial aid, or other benefit under the program;
   (iv) Restrict a person in any way in the enjoyment of an advantage or privilege enjoyed by others receiving a service, financial aid, or other benefit under the program;
   (v) Treat a person differently from others in determining whether he satisfies an admission, enrollment, quota, eligibility, membership, or other requirement or condition which persons must meet in order to receive the Federal financial assistance, and to include services, financial aid, or other benefits provided in or through a facility provided with the aid of Federal financial assistance or non-Federal sources.

(f) Recipient may mean any State, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, or any political subdivision thereof, any public or private agency, institution, or organization, or other entity, or any individual in any State, the District of Columbia, the Commonwealth of Puerto Rico, or territory or possession of the United States, to whom Federal financial assistance is extended, directly or through another recipient, for any program, including any successor, assignee, or transferee thereof, but the term does not include any ultimate beneficiary under a program.

(g) Director means the Director of the Office of Personnel Management, or any person to whom he has delegated his authority in the matter concerned.

§ 900.404 Discrimination prohibited.

(a) General. A person in the United States shall not, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or otherwise subjected to discrimination under, a program to which this subpart applies.

(b) Specific discriminatory actions prohibited. (1) A recipient under a program to which this subpart applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin—
   (i) Deny a person a service, financial aid, or other benefit provided under the program;
   (ii) Provide a service, financial aid, or other benefit to a person which is different, or is provided in a different manner, from that provided to others under the program;
   (iii) Subject a person to segregation or separate treatment in any matter related to his receipt of a service, financial aid, or other benefit under the program;
   (iv) Restrict a person in any way in the enjoyment of an advantage or privilege enjoyed by others receiving a service, financial aid, or other benefit under the program;
   (v) Treat a person differently from others in determining whether he satisfies an admission, enrollment, quota, eligibility, membership, or other requirement or condition which persons must meet in order to receive the Federal financial assistance, and to include services, financial aid, or other benefit provided under the program; or
   (vi) Deny a person an opportunity to participate in the program through the provision of services or otherwise afford him an opportunity to do which is different from that afforded others under the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under a program or the class of persons to whom, or the situations in which, the services, financial aid, other benefits, or facilities will be provided under a program, or the class of persons to be afforded an opportunity to participate in a program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program with respect to individuals of a particular race, color, or national origin.

(3) As used in this section, the services, financial aid, or other benefits provided under a program receiving Federal financial assistance include a service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(4) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(5) Examples demonstrating the application of the provisions of this section to certain programs receiving Federal financial assistance from OPM are contained in appendix C of this subpart.
§ 900.405 Assurances required.

(a) General. (1) An application for Federal financial assistance to carry out a program to which this subpart applies, except a program to which paragraph (d) of this section applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of Federal financial assistance pursuant to the application, contain or be accompanied by, assurances that the program will be conducted or the facility operated in compliance with the requirements imposed by or pursuant to this subpart. Every program of Federal financial assistance shall require the submission of these assurances. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein or structures thereon, the assurances shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance
§ 900.405  

is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In other cases, the assurances obligate the recipient for the period during which the Federal financial assistance is extended to the program. In the case where the assistance is sought for the construction of a facility or part of a facility, the assurances shall extend to the entire facility and to the facilities operated in connection therewith. OPM shall specify the form of the foregoing assurances for each program, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants in the program. The assurances shall include provisions which give the United States the right to seek judicial enforcement.

(2) When Federal financial assistance is provided in the form of a transfer of real property, structures, or improvements thereon, or interest therein, from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. When no transfer of property or interest therein from the Federal Government is involved, but property is acquired or improved under a program of Federal financial assistance, the recipient shall agree to include a covenant in any subsequent transfer of the property. When the property is obtained from the Federal Government, the covenant may also include a condition coupled with a right to be reserved by OPM to revert title to the property in the event of a breach of the covenant where, in the discretion of OPM, such a condition and right of reverter is appropriate to the program under which the real property is obtained and to the nature of the grant and the grantee. In the event a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on property for the purposes for which the property was transferred, OPM may agree, on request of the transferee and if necessary to accomplish the financing, and on conditions as he deems appropriate, to subordinate a right of reversion to the lien of a mortgage or other encumbrance.

(b) Assurances from government agencies. In the case of an application from a department, agency, or office of a State or local government for Federal financial assistance for a specified purpose, the assurance required by this section shall extend to any other department, agency, or office of the same governmental unit if the policies of the other department, agency, or office will substantially affect the project for which Federal financial assistance is requested. That requirement may be waived by the responsible OPM official if the applicant establishes, to the satisfaction of the responsible OPM official, that the practices in other agencies or parts or programs of the governmental unit will in no way affect (1) its practices in the program for which Federal financial assistance is sought, or (2) the beneficiaries of or participants in or persons affected by the program, or (3) full compliance with this subpart as respects the program.

(c) Assurance from academic and other institutions. (1) In the case of an application for Federal financial assistance by an academic institution, the assurance required by this section extends to admission practices and to all other practices relating to the treatment of students. (2) The assurance required by an academic institution, detention or correctional facility, or any other institution or facility, relating to the institution’s practices with respect to admission or other treatment of individuals as students, patients, wards, inmates, persons subject to control, or clients of the institution or facility or to the opportunity to participate in the provision of services, disposition, treatment, or benefits to these individuals, is applicable to the entire institution or facility unless the applicant establishes, to the satisfaction of the responsible
OPM official, that the practices in designated parts or programs of the institution or facility will in no way affect its practices in the program of the institution or facility for which Federal financial assistance is sought, or the beneficiaries of or participants in the program. If the assistance sought is for the construction of a facility or part of a facility, the assurance shall extend to the entire facility and to facilities operated in connection therewith.

(d) Continuing State programs. Every application by a State or a State agency to carry out a program involving continuing Federal financial assistance to which this subpart applies (including the programs listed in appendix A to this subpart) shall as a condition to its approval and the extension of Federal financial assistance pursuant to the application (1) contain or be accompanied by a statement that the program is (or, in the case of a new program, will be) conducted in compliance with the requirements imposed by or pursuant to this subpart, and (2) provide or be accompanied by provision for methods of administration for the program as are found by OPM to give reasonable guarantee that the applicant and all recipients of Federal financial assistance under the program will comply with the requirements imposed by or pursuant to this subpart.

§ 900.406 Compliance information.

(a) Cooperation and assistance. OPM, to the fullest extent practicable, shall seek the cooperation of recipients in obtaining compliance with this subpart and shall provide assistance and guidance to recipients to help them comply voluntarily with this subpart.

(b) Compliance reports. Each recipient shall keep records and submit to OPM timely, complete, and accurate compliance reports at the times, and in the form and containing the information OPM may determine necessary to enable it to ascertain whether the recipient has complied or is complying with this subpart. In the case of a program under which a primary recipient extends Federal financial assistance to other recipients, the other recipients shall also submit compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this subpart.

(c) Access to sources of information. Each recipient shall permit access by OPM during normal business hours to its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this subpart. When information required of a recipient is in the exclusive possession of another agency, institution, or person and this agency, institution, or person fails or refuses to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons the information regarding the provisions of this subpart and its applicability to the program under which the recipient received Federal financial assistance, and make this information available to them in the manner, as OPM finds necessary, to apprise the persons of the protections against discrimination assured them by title VI and this subpart.

§ 900.407 Conduct of investigations.

(a) Periodic compliance reviews. OPM may from time to time review the practices of recipients to determine whether they are complying with this subpart.

(b) Complaints. Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this subpart may by himself or by a representative file with the Director, Office of Personnel Management a written complaint. A complaint shall be filed not later than 90 days after the date of the alleged discrimination, unless the time for filing is extended by OPM.

(c) Investigations. OPM will make a prompt investigation whenever a compliance review, report, complaint, or other information indicates a possible failure to comply with this subpart. The investigation will include, when appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this subpart
occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this subpart.

(d) Resolution of matters. (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this subpart, OPM will so inform the recipient and the matter will be resolved by voluntary means whenever possible. If it has been determined that the matter cannot be resolved by voluntary means, action will be taken as provided for in §900.408.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section, OPM will so inform, in writing, the recipient and the complainant, if any.

(e) Intimidatory or retaliatory acts prohibited. A recipient or other person shall not intimidate, threaten, coerce, or discriminate against an individual for the purpose of interfering with a right or privilege secured by section 601 of title VI or this subpart, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this subpart. The identity of complainants shall be kept confidential; except to the extent necessary to carry out the purposes of this subpart, including the conduct of an investigation, hearing, or judicial proceeding arising thereunder.

§900.408 Procedure for effecting compliance.

(a) General. (1) If there appears to be a failure or threatened failure to comply with this subpart, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this subpart may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by other means authorized by law.

(2) Other means may include, but are not limited to, (i) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce the rights of the United States under a law of the United States (including other titles of the Civil Rights Act of 1964), or an assurance or other contractual undertaking, and (ii) an applicable proceeding under State or local law.

(b) Noncompliance with §900.405. If an applicant fails or refuses to furnish an assurance required under §900.405 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. OPM shall not be required to provide assistance in that case during the pendency of the administrative proceedings under this paragraph. Subject, however, to §900.412, OPM shall continue assistance during the pendency of the proceedings where the assistance is due and payable pursuant to an application approved prior to the effective date of this subpart.

(c) Termination of or refusal to grant or to continue Federal financial assistance. An order suspending, terminating, or refusing to grant or to continue Federal financial assistance shall not become effective until—

(1) OPM has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by informal voluntary means;

(2) There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this subpart;

(3) The action has been approved by the Office of Personnel Management pursuant to §900.410(e); and

(4) The expiration of 30 days after the Director, Office of Personnel Management has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for the action.

An action to suspend or terminate or refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which the noncompliance has been so found.

(d) Other means authorized by law. An action to effect compliance with title
§ 900.409 Hearings.

(a) Opportunity for hearing. When an opportunity for a hearing is required by §900.408(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of notice within which the applicant or recipient may request of OPM that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated time and place. The time and place so fixed shall be reasonable and subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set is deemed to be a waiver of the right to a hearing under section 602 of title VI and §900.408(c) and consent to the making of a decision on the basis of the information as is available.

(b) Time and place of hearing. Hearings shall be held at the offices of OPM in Washington, DC, at a time fixed by OPM unless it determines that the convenience of the applicant or recipient or of OPM requires that another place be selected. Hearings shall be held before the Director of Office of Personnel Management, or at his/her discretion, before a hearing examiner appointed in accordance with section 3105 of title 5, United States Code, or detailed under section 3344 of title 5, United States Code.

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and OPM have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearing, decision, and an administrative review thereof shall be conducted in conformity with sections 554 through 557 of title 5, United States Code, and in accordance with the rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both OPM and the applicant or recipient are entitled to introduce relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence do not apply to hearings conducted pursuant to this subpart, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where determined reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. Documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. Decisions shall be based on the hearing record and written findings shall be made.

(e) Consolidated or joint hearings. In cases in which the same or related
§ 900.410 Decisions and notices.

(a) Procedure on decisions by hearing examiner. If the hearing is held by a hearing examiner, the hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the Director of Office of Personnel Management, for a final decision, and a copy of the initial decision or certification shall be mailed to the applicant or recipient. When the initial decision is made by the hearing examiner, the applicant or recipient may, within 30 days after the mailing of a notice of initial decision, file with the Director of Office of Personnel Management his exceptions to the initial decision, with his reasons therefore. In the absence of exceptions, the Director, Office of Personnel Management may, on his own motion, within 45 days after the initial decision, serve on the applicant or recipient a notice that he will review the decision. On the filing of the exceptions or of notice of review, the Director, Office of Personnel Management shall review the initial decision and issue his own decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision, subject to paragraph (e) of this section, shall constitute the final decision of OPM.

(b) Decisions on record or review by the Office of Personnel Management. When a record is certified to the Office of Personnel Management for decision or the Office of Personnel Management reviews the decision of a hearing examiner pursuant to paragraph (a) of this section, or when the Office of Personnel Management conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with it briefs or other written statements of the recipient’s contentions, and a written copy of the decision of the Office of Personnel Management will be sent to the applicant or recipient and to the complainant, if any.

(c) Decisions on record where a hearing is waived. When a hearing is waived pursuant to §900.409, a decision shall be made by the Office of Personnel Management on the record and a written copy of the decision shall be sent to the applicant or recipient, and to the complainant, if any.

(d) Rulings required. Each decision of a hearing examiner or the Office of Personnel Management shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this subpart with which it is found that the applicant or recipient has failed to comply.

(e) Approval by OPM. A final decision by an official of OPM other than by the Director, which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this subpart or title VI, shall promptly be transmitted to the Director, Office of Personnel Management, who may approve the decision, vacate it, or remit or mitigate a sanction imposed.

(f) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, under the program involved, and may contain the terms, conditions, and other provisions as are consistent with and will effectuate the purposes of title VI and this subpart, including provisions designed to assure that Federal financial assistance will not thereafter be extended under the programs to the applicant or recipient determined by the decision to be in default in its performance of an assurance given by it under this subpart, or to have otherwise failed to comply with this subpart, unless and until it
corrects its noncompliance and satisfies OPM that it will fully comply with this subpart.

(g) Post termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of the order for eligibility, or if it brings itself into compliance with this subpart and provides reasonable assurance that it will fully comply with this subpart.

(2) An applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the Director, Office of Personnel Management to restore fully its eligibility to receive Federal financial assistance. A request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the Director, Office of Personnel Management determines that those requirements have been satisfied, he/she shall restore the eligibility.

(3) If OPM denies a request, the applicant or recipient may submit a request for hearing in writing, specifying why it believes OPM is in error. The applicant or recipient shall be given an expeditious hearing, with a decision on the record in accordance with the rules or procedures issued by OPM. The applicant or recipient shall be restored to eligibility if it proves at the hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section remain in effect.

§ 900.411 Judicial review.

Action taken pursuant to section 602 of title VI is subject to judicial review as provided in section 603 of title VI.

§ 900.412 Effect on other regulations, forms, and instructions.

(a) Effect on other regulations. Regulations, orders, or like directions issued before the effective date of this subpart by OPM which impose requirements designed to prohibit discrimination against individuals on the ground of race, color, or national origin under a program to which this subpart applies, and which authorizes the suspension or termination of or refusal to grant or to continue Federal financial assistance to an applicant for or recipient of assistance under a program for failure to comply with the requirements, are superseded to the extent that discrimination is prohibited by this subpart, except that nothing in this subpart relieves a person of an obligation assumed or imposed under a superseded regulation, order, instruction, or like direction, before the effective date of this subpart. This subpart does not supersede any of the following (including future amendments thereof): (1) Executive Order 11246 (3 CFR, 1965 Supp.) and regulations issued thereunder and (2) any other orders, regulations, or instructions, insofar as these orders, regulations, or instructions prohibit discrimination on the ground of race, color, or national origin in a program or situation to which this subpart is inapplicable, or prohibit discrimination on any other ground.

(b) Forms and instructions. OPM shall issue and promptly make available to all interested persons forms and detailed instructions and procedures for effectuating this subpart as applied to programs to which this subpart applies, and for which it is responsible.

(c) Supervision and coordination. The Director, Office of Personnel Management may from time to time assign to officials of OPM, or to officials of other departments or agencies of the Government with the consent of the departments or agencies, responsibilities in connection with the effectuation of the purposes of title VI and this subpart (other than responsibilities for final decision as provided in §900.410), including the achievement of effective coordination and maximum uniformity within OPM and within the executive branch in the application of title VI and this subpart to similar programs and in similar situations. An action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though the action had been taken by OPM.

(1) Recipients of IPA financial assistance for training programs or fellowships may not differentiate between employees who are eligible for training or fellowships on the ground of race, color, or national origin.

(2) Recipients of IPA financial assistance for training programs may not provide facilities for training with the purpose or effect of separating employees on the ground of race, color, or national origin.

Subpart E—[Reserved]

Subpart F—Standards for a Merit System of Personnel Administration

Source: 48 FR 9210, Mar. 4, 1983, unless otherwise noted.

§ 900.601 Purpose.

(a) The purpose of these regulations is to implement provisions of title II of the Intergovernmental Personnel Act of 1970, as amended, relating to Federally required merit personnel systems in State and local agencies, in a manner that recognizes fully the rights, powers, and responsibilities of State and local governments and encourages innovation and allows for diversity among State and local governments in the design, execution, and management of their systems of personnel administration, as provided by that Act.

(b) Certain Federal grant programs require, as a condition of eligibility, that State and local agencies that receive grants establish merit personnel systems for their personnel engaged in administration of the grant-aided program. These merit personnel systems are in some cases required by specific Federal grant statutes and in other cases are required by regulations of the Federal grantor agencies. Title II of the Act gives the U.S. Office of Personnel Management authority to prescribe standards for these Federally required merit personnel systems.

§ 900.602 Applicability.

(a) Sections 900.603–604 apply to those State and local governments that are required to operate merit personnel systems as a condition of eligibility for Federal assistance or participation in an intergovernmental program. Merit personnel systems are required for State and local personnel engaged in the administration of assistance and other intergovernmental programs, irrespective of the source of funds for their salaries, where Federal laws or regulations require the establishment and maintenance of such systems. A reasonable number of positions, however, may be exempted from merit personnel system coverage.

(b) Section 900.605 applies to Federal agencies that operate Federal assistance or intergovernmental programs.

§ 900.603 Standards for a merit system of personnel administration.

The quality of public service can be improved by the development of systems of personnel administration consistent with such merit principles as—

(a) Recruiting, selecting, and advancing employees on the basis of their relative ability, knowledge, and skills, including open consideration of qualified applicants for initial appointment.

(b) Providing equitable and adequate compensation.
(c) Training employees, as needed, to assure high quality performance.

(d) Retaining employees on the basis of the adequacy of their performance, correcting inadequate performance, and separating employees whose inadequate performance cannot be corrected.

(e) Assuring fair treatment of applicants and employees in all aspects of personnel administration without regard to political affiliation, race, color, national origin, sex, religious creed, age or handicap and with proper regard for their privacy and constitutional rights as citizens. This "fair treatment" principle includes compliance with the Federal equal employment opportunity and nondiscrimination laws.

(f) Assuring that employees are protected against coercion for partisan political purposes and are prohibited from using their official authority for the purpose of interfering with or affecting the result of an election or a nomination for office.

§ 900.604 Compliance.

(a) Certification by Chief Executives. (1) Certification of agreement by a chief executive of a State or local jurisdiction to maintain a system of personnel administration in conformance with these Standards satisfies any applicable Federal merit personnel requirements of the Federal assistance or other programs to which personnel standards on a merit basis are applicable.

(2) Chief executives will maintain these certifications and make them available to the Office of Personnel Management.

(3) In the absence of certification by the chief executive, compliance with the Standards may be certified by the heads of those State and local agencies that are required to have merit personnel systems as a condition of Federal assistance or other intergovernmental programs.

(b) Resolution of Compliance Issues. (1) Chief executives of State and local jurisdictions operating covered programs are responsible for supervising compliance by personnel systems in their jurisdictions with the Standards. Findings and supporting documentation with regard to specific compliance issues shall be maintained by the chief executive, or a personal designee, and shall be forwarded, on request, to the Office of Personnel Management.

(2) The merit principles apply to systems of personnel administration. The Intergovernmental Personnel Act does not authorize OPM to exercise any authority, direction or control over the selection, assignment, advancement, retention, compensation, or other personnel action with respect to any individual State or local employee.

(3) When a chief executive requests the assistance of the Office of Personnel Management, the Office will provide consultation and technical advice to aid the State or local government in complying with the Standards.

(4) The Office of Personnel Management will advise Federal agencies on application of the Standards in resolving compliance issues and will recommend actions to carry out the purposes of the Intergovernmental Personnel Act. Questions regarding interpretation of the Standards will be referred to the Office of Personnel Management.

§ 900.605 Establishing a merit requirement.

Federal agencies may adopt regulations that require the establishment of a merit personnel system as a condition for receiving Federal assistance or otherwise participating in an intergovernmental program only with the prior approval of the Office of Personnel Management. All existing regulations will be submitted to the Office of Personnel Management for review.

Appendix A to Subpart F—Standards for a Merit System of Personnel Administration

§ 900.704 Discrimination prohibited.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives or benefits from Federal financial assistance from the Office of Personnel Management.

(b) (1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;
(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient’s program;

(vi) Deny a qualified person the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving aid, benefit, or service.

(2) A recipient may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissible separate or different programs or activities.

(3) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration:

(i) That have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity that receives or benefits from Federal financial assistance, or

(ii) That have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped persons.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) Recipients shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

(e) Recipients shall take appropriate steps to ensure that communications with their applicants, employees and beneficiaries are available to persons with impaired vision and hearing.

§ 900.705 Program accessibility.

(a) No qualified handicapped person shall, because a recipient’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in or otherwise be subjected to discrimination under any program or activity to which this subpart applies.

(b) A recipient shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not necessarily require a recipient to make each of its existing facilities or every part of an existing facility accessible to and usable by handicapped persons. Where structural changes are necessary to make programs or activities in existing facilities accessible, such changes shall be made as soon as practicable, but in no event later than three years after the effective date of the regulation.

(c) A recipient may comply with the requirements of paragraph (b) of this
section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, alteration of facilities or any other methods that result in making its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section.

(d) New facilities shall be designed and constructed to be readily accessible to and usable by handicapped persons. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to be readily accessible to and usable by handicapped persons.

(e) In the event that structural changes to facilities are necessary to meet the requirements of this section, a recipient shall develop within 12 months of the effective date of this subpart a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons.

(f)(1) Effective as of August 23, 1990. Design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (UFAS) (appendix A to 41 CFR subpart 101-19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 41.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

§ 900.706 Employment practices.

(a) General. (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under a program or activity that receives or benefits from Federal financial assistance from OPM.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this subpart applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(3) The prohibition against discrimination in employment applies to the following activities:

(i) Recruitment, advertising, and the processing of applications for employment;

(ii) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(iii) Rates of pay or any other form of compensation and changes in compensation;

(iv) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(v) Leaves of absence, sick leave, or any other leave;

(vi) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(vii) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(viii) Employer sponsored activities, including social or recreational programs; and

(ix) Any other term, condition, or privilege of employment.

(4) A recipient may not participate in a contractual or other relationship
that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this subpart. The relationships referred to in this paragraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeship programs.

(b) Reasonable accommodation. (1) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee under any program or activity receiving Federal financial assistance from OPM unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program.

(2) Reasonable accommodation may include, but shall not be limited to, making facilities readily accessible to and usable by handicapped persons, acquisition or modification of equipment or devices, appropriate adjustment or modification of examinations, the provision of readers and interpreters, job restructuring and providing part-time or modified work schedules and other similar actions.

(3) In determining pursuant to paragraph (b)(1) of this section whether an accommodation would impose an undue hardship on the operation of the recipient in question, factors to be considered by OPM include:

(i) The overall size of the recipient's program with respect to the number of employees, number and type of facilities and size of budget;

(ii) The type of operation, including the composition and structure of the work force; and

(iii) The nature and the cost of the accommodation.

(c) Employment criteria. (1) A recipient involved in activities receiving Federal financial assistance may not make use of any employment test or other selection criterion that screens out or tends to screen out handicapped persons or any class of handicapped persons in any program or activity that receives Federal financial assistance unless the test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question and alternative job-related tests or criteria that do not screen out as many handicapped persons are not shown by the Office of Personnel Management’s Personnel Research and Development Center to be available.

(2) A recipient shall select and administer tests concerning employment so as to ensure that, when administered under any program or activity that receives Federal financial assistance from OPM, to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant’s or employee's ability to perform the duties of the type of position in question rather than reflecting the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

(d) Preemployment inquiries. (1) Except as provided in paragraph (d)(2) of this section, a recipient, when considering an applicant for employment under any program or activity receiving Federal financial assistance from OPM, may not conduct a preemployment medical examination and may not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant’s ability to perform job-related functions.

(2) Nothing in this section shall prohibit an organization from conditioning an offer of employment under any program or activity receiving Federal financial assistance from OPM on the results of a medical examination conducted prior to the employee’s entrance on duty: Provided, That (i) All entering employees are subjected to such an examination regardless of handicap or when a preemployment medical questionnaire used for positions which do not routinely require medical examination indicates a condition for which further examination is required because of the job-related nature of the condition; and

(ii) The results of such an examination are used in accordance with the requirements of this subpart.
Office of Personnel Management

§ 900.707 Certification required.
(a) General. Each application to OPM for financial assistance, as a condition to its approval and the extension of financial assistance, shall contain or be accompanied by, a certification from the applicant in a form prescribed by OPM that the program will be conducted in compliance with the requirements of this subpart. The assurance shall obligate the recipient for the period during which the financial assistance is extended to the program.

(b) Certification from subgrantees. A certification shall be required of all subgrantees receiving financial assistance from OPM to the effect that all programs or parts thereof carried out by subgrantees shall be in compliance with the requirements of this subpart. The recipient shall be responsible for securing the certification from subgrantees.

§ 900.708 Self-evaluation.
(a) Each recipient shall, within one year of the receipt of financial assistance, conduct or have conducted an evaluation of its compliance with this subpart with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. Each such recipient shall evaluate its current policies and practices and their effects, and modify any that do not meet the requirements of this part. Each such recipient shall permit the Office of Personnel Management, during normal business hours, to examine its self-evaluation along with its books, records, accounts, facilities and other sources of information as may be useful to determine whether there has been compliance with this subpart.

Self-evaluation required under other Federal programs may be accepted by OPM if the information pertaining to activities receiving financial assistance from OPM is included and the records are available to OPM representatives.

(b) Each recipient shall modify, after consultation with interested persons and organizations, including handicapped persons, any policies and practices that do not meet the requirements of this subpart; and

§ 900.709 Notice and consultation.
(a) Programs and activities receiving OPM financial support shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, that it does not discriminate on the basis of handicap in violation of Section 504 and this subpart.

(b) As appropriate, a recipient shall consult with interested persons, including handicapped persons, in achieving compliance with this subpart.

§ 900.710 Procedure for effecting compliance.
When the Office of Personnel Management determines that a recipient has failed or threatens to fail to comply with this subpart and the non-compliance or threatened noncompliance cannot be corrected by informal means, OPM may suspend or terminate or refuse to grant or continue financial assistance as provided in §900.408 of title 5 of the Code of Federal Regulations.

§ 930.107 Waiver of road test.
Under the following conditions, OPM or an agency head or his or her designated representative may waive the road test:
(a) OPM waives the road test requirement for operators of vehicles of one ton load capacity or less who possess a current driver's license from one of the 50 States, District of Columbia, or Puerto Rico, where the employee is domiciled or principally employed, except for operators of buses and vehicles used for: (1) Transportation of dangerous materials; (2) law enforcement; or (3) emergency services.
(b) OPM waives the road test for operators, and agencies may waive the road test for incidental operators of any class of vehicle, who possess a current driver's license for the specific type of vehicle to be operated from one of the 50 States, District of Columbia, or Puerto Rico, where the employee is domiciled or principally employed.
(c) An agency head may waive the road test for operators and incidental operators not covered by paragraphs (a) and (b) of this section, but only when in his or her opinion it is impractical to apply it, and then only for an employee whose competence as a driver has been established by his or her past driving record.

§ 930.108 Periodic medical evaluation.
At least once every 4 years, each agency will ensure that employees who operate Government-owned or leased vehicles are medically able to do so without undue risk to themselves or others. § 930.109 Periodic review and renewal of authorization.
(a) At least once every 4 years, each agency will review each employee's authorization to operate Government-owned or -leased motor vehicles.
(b) An agency may renew the employee's authorization only after the appropriate agency official has determined that the employee is medically qualified and continues to demonstrate competence to operate the type of motor vehicle he or she operat...
§ 930.110 Identification of authorized operators and incidental operators.

Agencies must have procedures to identify employees who are authorized to operate Government-owned or -leased motor vehicles. Such procedures must provide for adequate control of access to vehicles and assure that the other requirements of this subpart and the Federal Personnel Manual are met.

§ 930.111 State license in possession.

An operator or incidental operator will have a State license in his or her possession at all times while driving a Government-owned or -leased motor vehicle on a public highway.

§ 930.112 Identification card or document in possession.

The operator or incidental operator will have a valid agency identification card or document (e.g., building pass or credential) in his or her possession at all times while driving a Government-owned or -leased motor vehicle.

§ 930.113 Corrective action.

An agency will take adverse, disciplinary, or other appropriate action against an operator or an incidental operator in accordance with applicable laws and regulations. Agency orders and directives will include the following reasons among those constituting sufficient cause for such action against an operator or an incidental operator:

(a) The employee is convicted of operating under the intoxicating influence of alcohol, narcotics, or pathogenic drugs.

(b) The employee is convicted of leaving the scene of an accident without making his or her identity known.

(c) The employee is not qualified to operate a Government-owned or -leased vehicle safely because of a physical or medical condition. In making such a determination, agencies should consult a Federal medical officer or other medical authority as appropriate.

(d) The employee's State license is revoked.

(e) The employee's State license is suspended. However, the agency may continue the employee in his or her position for operation of Government-owned or -leased motor vehicles on other than public highways for not to exceed 45 days from the date of suspension of the State license.

§ 930.114 Reports required.

An agency will submit to OPM, on request (a) a copy of agency orders and directives issued in compliance with this subpart; and (b) such other reports as OPM may require for adequate administration and evaluation of the motor vehicle operator program.

§ 930.115 Requests for waiver of requirements.

Agencies may request authority from OPM to waive requirements in this subpart or the Federal Personnel Manual. OPM may grant exceptions or waivers when it finds these waivers or exceptions are in the interest of good administration and meet the objectives of this program.

GENERAL PROVISIONS

§ 930.201 Coverage.

(a) This subpart applies to people appointed under 5 U.S.C. 3105 for proceedings required to be conducted in accordance with 5 U.S.C. 556 and 557, and to administrative law judge positions.

(b) Except as otherwise provided in this subpart, the rules and regulations applicable to positions in the competitive service apply to administrative law judge positions.

(c) In accordance with 5 U.S.C. 1104(a)(2), OPM shall conduct competitive examinations for administrative law judge positions, and agencies employing judges shall reimburse OPM for
§ 930.203 Examination.

(a) Periodic open competition. Applicants for entrance into the competitive service as administrative law judges will be examined periodically in open competition as announced by OPM. Applications received by OPM during such periods of open competition will be reviewed as a group.

(b) Minimum qualifications. All applicants must demonstrate in their written applications and supporting materials that they meet the qualifying experience requirements in OPM Examination Announcement No. 318.

(c) Supplemental qualifications. Applicants who meet minimum qualification requirements will be assigned a score on the supplemental qualifications statement described in the examination announcement.

(d) Participation in examination procedures. Applicants who meet minimum qualification requirements and are assigned a score on the supplemental qualifications statement become eligible to compete for a final rating through participating in three additional examination procedures described in the examination announcement:

(1) A written demonstration;
(2) A panel interview; and
(3) A personal reference inquiry.

(e) Final rating. Applicants who complete the examination procedures described in paragraphs (c) and (d) of this section will be assigned a final numerical rating based on a weighted sum of the scores for each of the four parts, transmuted to a scale of 0 to 100, with 70 required to pass. For applicants entitled thereto, the final passing score will be augmented by 5 or 10 veteran preference points.

(f) Preparation of certificates. As agencies request certificates of applicants from registers to consider in filling vacant administrative law judge positions in various geographic areas, all applicants who are eligible and available for those positions will be ranked to identify the best qualified applicants to be certified. Eligible applicants who have completed the final rating process will be ranked on the basis of assigned final ratings, augmented by veteran preference points if...
§ 930.203a Appointment.

(a) Prior approval. An agency may make an appointment to an administrative law judge position only with the prior approval of OPM, except when it makes its selection from a certificate of eligibles furnished by OPM. When requesting OPM approval of an appointment to an administrative law judge position or the issuance of a certificate of eligibles, the requesting agency must demonstrate that its hearing workload requires the appointment of an additional administrative law judge(s) to get necessary work done. An appointment is subject to investigation in accordance with §§731.201 through 731.303 of this chapter and subject to security clearance by the agency.

(b) Probationary and career-conditional periods. The requirement of a probationary and career-conditional period before absolute appointment does not apply to an appointment to an administrative law judge position.

(c) Appointment of incumbents of newly classified administrative law judge positions. An agency may appoint as an administrative law judge an employee who is serving in a position which is classified as an administrative law judge position on the basis of legislation, Executive order, or decision of a court, if—

(1) The employee has a competitive status or was serving in an excepted position under a permanent appointment;

(2) The employee was serving in the position on the date of the legislation, Executive order, or decision of the court, on which the classification of the position is based;

(3) OPM receives a recommendation for the employee's appointment from the agency concerned not later than 6 months after classification of the position on the basis of the legislation, Executive order, or decision of the court; and

(4) OPM finds that the employee meets the current examination requirements for the position under OPM Examination Announcement No. 318. In an emergency situation, when the needs of an agency require it, OPM may authorize the conditional appointment of an employee to an administrative law judge position pending final decision on the employee's eligibility for absolute appointment under this paragraph.

(d) Appointment of legislative and judicial employees. An agency may appoint a former employee of the legislative or judicial branch to an administrative law judge position if OPM finds that the employee meets current examination requirements under OPM Examination Announcement No. 318 and is otherwise eligible under the provisions of 5 U.S.C. 3304(c).

(e) Appointment of incumbents of non-administrative law judge positions. Except as provided in paragraphs (c) and (d) of this section, an agency may not appoint an employee who is serving in a position other than an administrative law judge position other than by selection from a certificate of eligibles furnished by OPM from the open competitive register.

§ 930.203b Title of administrative law judge.

The title “administrative law judge” is the official class title for an administrative law judge position. Each agency will use only this official class title for personnel, budget, and fiscal purposes.

§ 930.204 Promotion.

(a) When OPM places an occupied administrative law judge position at a higher level, OPM will direct the promotion of the incumbent administrative law judge. The promotion will be effective on the date named by OPM.
Office of Personnel Management

§ 930.210 Pay.

(a) OPM will place each administrative law judge position in one of the three grades or levels of basic pay, AL–3, AL–2 or AL–1, of the Administrative Law Pay System established for such positions under 5 U.S.C. 5372 in accordance with the regulations and procedures in this section. AL–3 will have six rates of basic pay, A, B, C, D, E, and F, ranging respectively in 5 percent intervals from 65 percent of level IV of the Executive Schedule (EX–IV) to 90 percent of EX–IV. AL–2 will have one rate of basic pay equal to 95 percent of EX–IV. AL–1 will have one rate of basic pay equal to 100 percent of EX–IV.

§ 930.208 Restoration.

Parts 352 and 353 of this chapter governing reemployment rights and restoration to duty after military service or recovery from compensable injury, also apply to reemployment and restoration to administrative law judge positions.

§ 930.209 Detail and assignment to other duties.

(a) An agency may not detail an employee who is not an administrative law judge to an administrative law judge position.

(b) An agency may assign an administrative law judge (by detail or otherwise) to perform duties that are not the duties of an administrative law judge without prior approval of OPM only when—

1. The other duties are not inconsistent with the duties and responsibilities of an administrative law judge;
2. The assignment is to last no longer than 120 days; and
3. The administrative law judge has not had an aggregate of more than 120 days of those assignments or details within the preceding 12 months.

(c) On a showing by an agency that it is in the public interest to do so, OPM may authorize a waiver of paragraphs (b) (2) and (3) of this section.

(d) An agency may detail an administrative law judge from one administrative law judge position to another in the same agency, without the prior approval of OPM, provided the detail is in accordance with regular civil service procedures.

§ 930.207 Reinstatement.

An agency may reinstate former administrative law judges who have served with absolute status under 5 U.S.C. 3105 only after they have established their eligibility in accordance with all current examination requirements of OPM Examination Announcement No. 318. Reinstatement is subject to investigation by, and the prior approval of, OPM.

[56 FR 6209, Feb. 14, 1991]

§ 930.206 Transfer.

(a) An agency may transfer an administrative law judge from another agency with the prior approval of OPM on a noncompetitive basis in accordance with regular civil service procedures, provided the administrative law judge meets all current examination requirements for appointment as an administrative law judge under OPM Examination Announcement No. 318.

(b) An agency may not transfer a person from one administrative law judge position to another administrative law judge position under paragraph (a) of this section sooner than 1 year after the person's last appointment, unless the gaining and losing agencies agree to the transfer.

[56 FR 6209, Feb. 14, 1991]

§ 930.205 Reassignment.

An agency may reassign an administrative law judge who is serving under absolute appointment from one administrative law judge position to another administrative law judge position at the same grade in the same agency, with the prior approval of OPM on a noncompetitive basis, provided the assignment is for bona fide management reasons and in accordance with regular civil service procedures and merit system principles.

[56 FR 6209, Feb. 14, 1991]
(b) An agency may not grant a monetary and honorary award under 5 U.S.C. 4503 for superior accomplishment by an administrative law judge in the performance of adjudicatory functions.

c) AL-3 is the basic pay level for administrative law judge positions filled through competitive examination under OPM Examination Announcement No. 318, as provided in section 930.203 of this part.

(d) Subject to the approval of OPM, agencies may establish administrative law judge positions at pay levels AL-2 and AL-1. Administrative law judge positions may be placed at such levels when they involve significant administrative and managerial responsibilities.

e) Judges must serve at least 1 year in each AL level, in an equivalent or higher level in positions in the Federal service, before advancing to the next higher level and may advance only one level at a time.

(f) Except as provided in paragraph (g) of this section, upon appointment to an administrative law judge position placed in AL-3, an administrative law judge shall be paid at the minimum rate A of AL-3, and shall be automatically advanced successively to rates B, C, and D of that level upon completion of 52 weeks of service in the next lower rate, and to rates E and F of that level upon completion of 104 weeks of service in the next lower rate. Time in a nonpay status is generally creditable service in the computation of a waiting period only in so far as it does not exceed 2 weeks per year for each 52 weeks of service. However, time in a nonpay status is also fully creditable if absence is due to military service, as defined in 5 U.S.C. 3333(13), or due to receipt of injury compensation under chapter 81 of title 5, United States Code.

(g) Upon appointment to a position at AL-3, an administrative law judge will be paid at the minimum rate A, unless the administrative law judge is eligible for a higher rate B, C, D, E, or F because of prior service or superior qualifications, as follows—

1) An agency may offer an administrative law judge applicant with prior Federal service a higher than minimum rate, without obtaining the prior approval of OPM in order to pay the rate that is next above the applicant’s highest previous Federal rate of pay, up to the maximum rate F.

2) An agency may offer an administrative law judge applicant with superior qualifications a higher than minimum rate if it first obtains approval from OPM to offer such a higher rate to an applicant who is within reach on a certificate of eligible administrative law judge applicants in order to pay that rate of pay that is next above the applicant’s existing pay or earnings up to the maximum rate F. “Superior qualifications” for applicants includes having legal practice before the hiring agency, having practice in another forum with legal issues of concern to the hiring agency, or having an outstanding reputation among others in the field. OPM will approve such payment of higher than minimum rates for applicants with superior qualifications only when it is clearly necessary to meet the needs of the Government.

(h) Subject to the approval of OPM, and on the appropriate recommendation of the employing agency, an agency may on a one-time basis, advance an administrative law judge in a position at AL-3 with added administrative and managerial duties and responsibilities one rate beyond that allowed under current pay rates for AL-3, up to the maximum Rate F.

(i) Upon appointment to an administrative law judge position placed at AL-2 or AL-1, administrative law judges will be paid at the established rates for those levels.

(j) In making initial pay adjustments for administrative law judges from positions paid under the General Schedule to positions paid under the new pay system established under 5 U.S.C. 5372, the rate of basic pay for any such judge shall, upon conversion to the new pay system, be at least equal to the rate that was payable to that individual immediately before such conversion.

(k) Except as provided in paragraph (l) of this section, on the first day of the first applicable pay period beginning on or after February 10, 1991, administrative law judges will be converted from the General Schedule to AL-3, 2, and 1 as follows:
(l) In making the initial conversion from the General Schedule pay rates to the new AL pay system for administrative law judges, effective on the first day of the first applicable pay period beginning on or after February 10, 1991, those GS-15 and GS-16 administrative law judges receiving the 8 percent interim geographic adjustments authorized by Schedule 9 of Executive Order 12736 of December 12, 1990, will convert as follows:

(m) Agencies must document all pay changes made in accordance with this section by completing a Standard Form 50, or equivalent, in the usual manner and forwarding an extra copy directly to the Office of Administrative Law Judges, Career Entry Group, U.S. Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415.

§ 930.213 Use of administrative law judges on detail from other agencies.

(a) An agency that is occasionally or temporarily insufficiently staffed with administrative law judges may ask OPM to provide for the temporary use by the agency of the services of an administrative law judge of another agency. The agency request should—

(1) Identify and describe briefly the nature of the case(s) to be heard (including parties and representatives when available);

(2) Specify the legal authority under which the use of an administrative law judge is required; and

(3) Demonstrate that the agency has no administrative law judge available to hear the case(s).

(b) OPM, with the consent of the agency in which an administrative law judge is employed, will select the administrative law judge to be used, and will name the date or period for which the administrative law judge is to be made available for detail to the agency in need of his or her services.

(c) Such details generally will be reimbursable by the agency requesting the detail.

§ 930.214 Actions against administrative law judges.

(a) Procedures. An agency may remove, suspend, reduce in grade, reduce in pay, or furlough for 30 days or less, an administrative law judge only for good cause, established and determined by the Merit Systems Protection Board on the record and after opportunity for a hearing before the Board as provided in 5 U.S.C. 7521 and §§1201.131 through 1201.136 of this title. Procedures for adverse actions by agencies under part 752 of this chapter are not applicable to actions against administrative law judges.

(b) Status during removal proceedings. In exceptional cases when there are circumstances by reason of which the retention of an administrative law judge in his or her position, pending adjudication of the existence of good cause for his or her removal, would be detrimental to the interests of the Government, the agency may either:
§ 930.215  Reduction in force.

(a) Retention preference regulations. Except as modified by this section, the reduction-in-force regulations in part 351 of this chapter apply to reductions in force of administrative law judges.

(b) Determination of retention standing. In determining retention standing in a reduction in force, each agency will classify its administrative law judges in groups and subgroups according to tenure of employment, veteran preference, and service date in the manner prescribed in part 351 of this chapter. However, as administrative law judges are not given performance ratings, the provisions in part 351 of this chapter referring to the effect of performance ratings on retention standing are not applicable to administrative law judges.

(c) Placement Assistance. (1) Administrative law judges who are reached by an agency reduction in force and who are notified they are to be separated are eligible for placement assistance under—

(i) Agency reemployment priority lists established and maintained by agencies under §5.2 and §5.3 of this chapter for all agency tenure group I career employees displaced in a reduction in force;

(ii) Agency and OPM priority placement programs under subpart C of part 330 of this chapter for all agency tenure group I career employees displaced in a reduction in force.

(2) On request of administrative law judges who are reached by an agency in a reduction in force and who are notified they are to be separated, furloughed for more than 30 days, or demoted, OPM will place their names on OPM’s priority referral list for administrative law judges displaced in a reduction in force for the grade or level in which they last served and for all lower grades or levels.

(3) An administrative law judge may file a request under paragraph (c)(2) of this section, for placement on the OPM priority referral list, at any time after the receipt of the specific reduction-in-force notice, but not later than 90 days after the date of separation, furlough for more than 30 days, or demotion. Placement assistance through the OPM priority referral list continues for 2 years from either the effective date of the reduction-in-force action, or the date assistance is requested if a timely request is made. Eligibility of the displaced administrative law judge for the OPM priority referral list is terminated earlier upon the administrative law judge’s written request, acceptance of a non-temporary, full-time administrative law judge position, or declination of more than one offer of full-time employment as an administrative law judge at or above the grade level held when reached for reduction in force at geographic locations previously indicated as acceptable.

(4) The displaced administrative law judge will file with the request for priority referral by OPM a Standard Form 171, Application for Federal Employment, and a copy of the reduction-in-force notice. Also, the displaced administrative law judge may ask OPM to
limit consideration for vacant positions at any grade level for which qualified to specific geographic areas.

(5) When there is no administrative law judge on the agency's reemployment priority list, but there is an administrative law judge who has been placed on the OPM priority referral list (paragraph (c)(2) of this section), the agency may fill a vacant administrative law judge position only by selection from the OPM priority referral list, unless it obtains the prior approval of OPM as set forth in §930.203a (a), (c), (d) and (e); §930.204; §930.205; §930.206; or §930.207 of this subpart. OPM will grant such approval only under the extraordinary circumstance that the candidate(s) not on the OPM priority referral list possesses experience and qualifications superior to the displaced administrative law judge(s) on the list.

(6) Referral, certification, and selection of administrative law judges from OPM's priority referral list are made without regard to selective certification or special qualification procedures which may have been applied in the original appointment in accordance with OPM Examination Announcement No. 318.

§ 930.216 Temporary reemployment: senior administrative law judges.

(a)(1) Subject to the requirements and limitations of this section, the following annuitants, as defined by 5 U.S.C. 8331, who are receiving an annuity from the Civil Service Retirement and Disability Fund may be temporarily reemployed as administrative law judges by an agency that has temporary, irregular workload requirements for conducting proceedings in accordance with 5 U.S.C. 556 and 557:

(i) Annuitants who have served with absolute status as administrative law judges under 5 U.S.C. 3105; and

(ii) Annuitants who have met current examination requirements set forth in OPM Examination Announcement 318 (including the requirement to maintain a current license to practice law under the laws of a state, the District of Columbia, the Commonwealth of Puerto Rico, or any territorial court established under the Constitution).

(2) These retired administrative law judges who are so reemployed will be known as senior administrative law judges.

(b) Retired administrative law judges who meet the requirements of paragraph (a) of this section and who are available for temporary reemployment must notify OPM in writing of their availability, giving their full names, addresses, telephone numbers, names of the agencies where they served as administrative law judges, and jurisdictions in which they are currently licensed to practice law. OPM will maintain a master list of such retired administrative law judges for use in responding to agency requests for such administrative law judges.

(c) An agency that wishes to temporarily reemploy administrative law judges must submit a written request to OPM. The request will—

(1) Identify the statutory authority under which the administrative law judge is expected to conduct proceedings;

(2) Demonstrate that the agency is occasionally or temporarily understaffed;

(3) Specify the tour of duty, location, period of time, or particular case(s), for the requested reemployment; and

(4) Describe any special qualifications desired in the retired administrative law judge that it wishes to reemploy, such as experience in a particular field, agency, or substantive area of law.

(d) OPM will approve agency requests for temporary reemployment of retired administrative law judges for a specified period or periods provided—

(1) The requesting agency fully justifies the need for an administrative law judge for formal proceedings and demonstrates that it is occasionally or temporarily understaffed; and

(2) No other administrative law judge with the appropriate qualifications is available through OPM under §930.213 of this subpart to perform the occasional or temporary work for which reemployment is requested.

(e) Upon approval of an agency request to reemploy a retired administrative law judge, OPM will select from
its master list of retired administrative law judges, in rotation to the extent practicable, those retired judges who it determines meet agency requirements. OPM will then provide a list of such individuals to the requesting agency and the agency must then select from that list a retired administrative law judge for reemployment.

(f) Reemployment of retired administrative law judges is subject to investigation of suitability in accordance with §§731.201 through 731.303 of this chapter. It is also subject to conflict of interest and security investigation requirements by the appointing agency.

(g) Reemployment as senior administrative law judges will be for either a specified period not to exceed 1 year; or such periods as may be necessary for the reemployed administrative law judge to conduct and complete the hearing of one or more specified cases and issue decisions therein. Upon agency request, OPM may either reduce or extend such period of reemployment, as necessary, to coincide with changing staffing requirements, but not to exceed 1 year.

(h) An agency may assign its senior administrative law judges to either (1) hear one or more specific cases; or (2) hear, in normal rotation to the extent practicable, a number of cases on its docket and issue decisions therein.

(i) Hours of duty, administrative support services, and travel reimbursement for senior administrative law judges will be determined by the employing agency in accordance with the same rules and procedures that are generally applicable to employees.

(j) A senior administrative law judge serves subject to the same limitations on performance appraisal and reduction in pay or removal as any other administrative law judge employed under this subpart and 5 U.S.C. 3105. An agency will not rate the performance of a senior administrative law judge. Reduction-in-pay or removal actions may not be taken against senior administrative law judges during the period of reemployment, except for good cause established and determined by the Merit Systems Protection Board after opportunity for a hearing on the record before the Board as provided in 5 U.S.C. 7521 and §§1201.131 through 1201.136 of this title.

(k) A senior administrative law judge will be paid by the employing agency the current rate of pay for the level at which the duties to be performed have been placed and at the lowest rate of the level that is nearest (when rounded up) to the highest previous grade and step, or level and rate, attained as an administrative law judge before retirement. An amount equal to the annuity allocable to the period of actual employment will be deducted from his or her pay and deposited in the Treasury of the United States to the credit of the Civil Service Retirement and Disability Fund.

Subpart C—Employees Responsible for the Management or Use of Federal Computer Systems

Source: 56 FR 63403, Dec. 4, 1991, unless otherwise noted.

§930.301 Definitions.

(a) The amount and type of training different groups of employees will receive will be distinguished by the following knowledge levels identified in the Computer Security Training Guidelines developed by the National Institute of Standards and Technology:

(1) Awareness level training creates the sensitivity to the threats and vulnerabilities and the recognition of the need to protect data, information, and the means of processing them;

(2) Policy level training provides the ability to understand computer security principles so that executives can make informed policy decisions about their computer and information security programs;

(3) Implementation level training provides the ability to recognize and assess the threats and vulnerabilities to automated information resources so that the responsible managers can set security requirements which implement agency security policies; and

(4) Performance level training provides the employees with the skill to design,
execute, or evaluate agency computer security procedures and practices. The objective of this training is that employees will be able to apply security concepts while performing the tasks that relate to their particular positions. It may require education in basic principles and training in state-of-the-art applications.

(b) Training audiences are groups of employees with similar training needs. Consistent with the Computer Security Training Guidelines, they are defined as follows:

(1) Executives are those senior managers who are responsible for setting agency computer security policy, assigning responsibility for implementing the policy, determining acceptable levels of risk, and providing the resources and support for the computer security program.

(2) Program and Functional Managers are those managers and supervisors who have a program or functional responsibility (not in the area of computer security) within the agency. They have primary responsibility for the security of their data. This means that they designate the sensitivity and criticality of data and processes, assess the risks to those data, and identify security requirements to the supporting data processing organization, physical facilities personnel, and users of their data. Functional managers are responsible for assuring the adequacy of all contingency plans relating to the safety and continuing availability of their data.

(3) Information Resources Managers (IRM), Security, and Audit Personnel are all involved with the daily management of the agency’s information resources, including the accuracy, availability, and safety of these resources. Each agency assigns responsibility somewhat differently, but as a group these persons issue procedures, guidelines, and standards to implement the agency’s policy for information security, and to monitor its effectiveness and efficiency. They provide technical assistance to users, functional managers, and to the data processing organization in such areas as risk assessment and available security products and technologies. They review and evaluate the functional and program groups’ performance in information security.

They provide for the protection of the data in their custody and identify to the data owners what those security measures are. They provide the technical expertise for implementing security-related controls within the automated environment. They have primary responsibility for all aspects of contingency planning.

(5) End Users are any employees who have access to an agency computer system that processes sensitive information. This is the largest and most heterogeneous group of employees. It consists of everyone from the executive who has a personal computer with sensitive information to data entry clerks.

(c) The training guidelines developed by the National Institute of Standards and Technology identify five subject areas. They are:

(1) Computer security basics is the introduction to the basic concepts behind computer security practices and the importance of the need to protect the information from vulnerabilities to known threats;

(2) Security planning and management is concerned with risk analysis, the determination of security requirements, security training, and internal agency organization to carry out the computer security function;

(3) Computer security policies and procedures looks at Governmentwide and agency-specific security practices in the areas of physical, personnel software, communications, data, and administrative security;

(4) Contingency planning covers the concepts of all aspects of contingency planning, including emergency response plans, backup plans and recovery plans. It identifies the roles and responsibilities of all the players involved; and

(5) Systems life cycle management discusses how security is addressed during

A campaign may be conducted during a 6 week period, as determined by the LFCC, from September 1 through December 15 at every Federal agency in the campaign community in accordance with these regulations. Except as provided in this section, no other solicitation on behalf of charitable organizations may be conducted in the Federal workplace. Emergencies and disasters are defined as any hurricane, tornado storm, flood, high water, wind-driven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, drought, fire, explosion, or other catastrophe in any part of the world. No such permissions will be granted for such solicitations during the period September 1 through December 15, except at the discretion of the Director upon a showing of extraordinary circumstances.

§ 950.104 Local Federal Coordinating Committee responsibilities.

(a) All members of the LFCC should develop an understanding of campaign regulations and procedures. The LFCC is the central point of information regarding the CFC among Federal employees.

(b) The responsibilities of the LFCC include, but are not limited to, the following:

(1) Maintaining minutes of LFCC meetings and responding promptly to any request for information from the Director.

(2) Naming a campaign chairperson and notifying the Director when the chairperson changes.

(3) Determining the eligibility of local organizations that apply to participate in the local campaign. This is the exclusive responsibility of the LFCC and may not be delegated to the PCFO.

(4) Ensuring that the list of charities determined by the Director to be nationally eligible to participate in all local campaigns is reproduced in the local brochure in accordance with OPM instructions.

(5) Ensuring that the local brochure and pledge card are produced in accordance with these regulations and instructions from the Director.

(6) Encouraging local Federal agencies to appoint loaned executives to assist in the campaign. Federal agency heads are encouraged to grant administrative leave to all loaned executives appointed to assist in the conduct of the CFC. Federal loaned executives are prohibited from working on non-CFC fundraising activities during duty hours.

(7) Establishing a network of employee keyworkers and volunteers and participating in interagency briefing sessions and kick-off meetings.

(8) Ensuring that, to the extent reasonably possible, every employee is given the opportunity to participate in the CFC, and ensuring employee designations are honored.

(9) Ensuring that the PCFO includes in keyworker training instructions to encourage employees to designate the charitable organizations they wish to
receive their donations and specific information on how general designation monies are distributed.

(10) Ensuring that contributions are distributed in accordance with the method described in these regulations.

(11) Ensuring that no employee is coerced in any way to participate in the campaign.

(12) Bringing allegations of coercion to the attention of the Director and the employee's agency and providing a mechanism to review employee complaints of undue pressure and coercion in Federal fundraising. Federal agencies shall provide procedures and assign responsibility for the investigation of such complaints. Personnel offices shall be responsible for informing employees of the proper channels for pursuing such complaints.

(13) Notifying the Director of any significant problems or controversies concerning the campaign that the LFCC cannot resolve by applying these regulations. The LFCC must abide by the Director's decisions on all matters concerning the campaign.

(14) Ensuring the PCFO does not use the services of consulting firms, advertising firms or similar business organizations to perform the policy-making or decisionmaking functions in the CFC. A PCFO may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(15) Ensuring that the activities and functions required of the PCFO are kept separate from any non-CFC operations of the organization. The LFCC must verify that the PCFO keeps and maintains CFC financial records and interest bearing bank accounts separate from the PCFO's non-CFC financial records and bank accounts.

(16) Monitoring the work of the PCFO, and inspecting closely the annual audit required of the PCFO pursuant to §950.105(d)(9) for compliance with these regulations.

(17) Authorizing to the PCFO reimbursement of only those campaign expenses that are legitimate CFC costs and are adequately documented. Total reimbursable expenses may not exceed the approved campaign budget by more than 10 percent.

(c) The LFCC must annually solicit applications for the PCFO via public notice no later than February 1 of each calendar year. The PCFO application period must be open a minimum of 14 calendar days. Cost incurred in providing the public notice should be added to the PCFO budget for the current campaign year as an administrative cost. The LFCC shall select a PCFO to act as its fiscal agent and campaign coordinator on the basis of presentations made to the local committee as described in §950.105. The LFCC shall consider the efficiency and effectiveness of the campaign as the primary factors in selecting a PCFO.

§ 950.105 Principal Combined Fund Organization (PCFO) responsibilities.

(a) Only federations, charitable organizations or combinations thereof may serve as the PCFO.

(b) The primary goal of the PCFO is to conduct an effective and efficient campaign in a fair and even-handed manner aimed at collecting the greatest amount of charitable contributions possible. Therefore, PCFO's should afford federated groups and agencies with representatives in the local campaign area adequate opportunity to offer suggestions relating to the operation of the campaign, printed campaign material, and training. If requested in writing to either the LFCC or PCFO, federated groups and agencies with representatives in the local campaign office all reports, budgets, audits, training materials, and other records pertaining to the CFC.

(c) Any federation, charitable organization or combinations thereof wishing to be selected for the PCFO must submit a timely application in accordance with the deadline set by the LFCC, that includes:

Office of Personnel Management

§ 950.105

The campaign plan must include a CFC budget that details all estimated costs required to operate the CFC. The budget may not be based on the percentage of funds raised in the local campaign.

(2) A statement signed by the applicant's local director or equivalent pledging to:

(i) administer the CFC fairly and equitably,

(ii) conduct campaign operations, such as training, kick-off events, and fiscal operations, such as banking, auditing, reporting and distribution separate from the applicant's non-CFC operations, and

(iii) abide by the directions, decisions, and supervision of the LFCC and/or Director.

(3) A statement signed by the applicant's local director or equivalent acknowledging the applicant is subject to the provisions of §950.403 and §950.603.

(d) The specific responsibilities of the PCFO include but are not limited to:

(1) Honoring employee designations.

(2) Helping to ensure no employee is coerced in any way regarding participation in the campaign and that allegations of coercion are brought to the attention of the appropriate Federal official.

(3) Training agency loaned executives, coordinators, and keyworkers in the methods of non-coercive solicitation. This training must be completely separate from training given for other types of charitable campaign drives. Additionally, keyworkers should be trained to check to ensure the pledge card is legible on each copy, verify arithmetical calculations, and ensure the block on the pledge card concerning the release of the employee's name and address is completed fully.

(4) Ensuring that no employee is questioned in any way as to his or her designation or its amount except by keyworkers, loaned executives, or other non-supervisory Federal personnel.

(5) Preparing pledge cards and brochures that are consistent with these regulations and instructions by the Director.

(6) Honoring the request of employees who indicate on the pledge card that their names not be released to the organization(s) that they designate.

(7) Maintaining a detailed schedule of its actual CFC administrative expenses with, to the extent possible, itemized receipts for the expenses. The expense schedule must be in a format that can be reconciled to the PCFO's budget submitted in accordance with paragraph (c)(1) of this section.

For example, for the 1994 CFC the audit of the 1994 campaign must be submitted to the LFCC no later than June 15, 1996. The audit must be performed by an independent certified public accountant in accordance with generally accepted accounting principles.

(10) Absorbing the cost of any reprinting of campaign materials due to its noncompliance with these regulations, embezzlement, or loss of funds. A PCFO must also absorb campaign costs exceeding 10 percent of the approved budget.

(11) Designing and implementing CFC awards programs which are accessible to all employees and which reflect the Government's commitment to non-coercion. Awards to Federal agencies or employees by individual federations or organizations for CFC accomplishments is prohibited.

(12) Producing any documents or information requested by the LFCC and/or the Director within 10 calendar days of the receipt of that request.

(13) Responding in a timely and appropriate manner to reasonable inquiries from participating organizations.

(e) A federated group(s) or charitable organization may be barred from serving as PCFO for 1 year if determined by
§ 950.106 PCFO expense recovery.

(a) The PCFO shall recover from the gross receipts of the campaign its expenses, approved by the LFCC, reflecting the actual costs of administering the local campaign. The amount recovered for campaign expenses shall not exceed 10 percent of the estimated budget submitted pursuant to §950.105(c)(1) unless approved by the Director.

(b) The PCFO may only recover campaign expenses from receipts collected for that campaign year. Expenses incurred preparing for and conducting the CFC cannot be recovered from receipts collected in the previous year’s campaign. The PCFO may absorb the costs associated with conducting the campaign from its own funds and be reimbursed, or obtain a commercial loan to pay for costs associated with conducting the campaign. If the commercial loan option is used, the amount of a reasonable rate of interest is an allowable campaign expense, subject to the approval of the LFCC when the PCFO budget is submitted.

(c) The campaign expenses will be shared proportionately by all the recipient organizations reflecting their percentage share of gross campaign receipts.

§ 950.107 Lack of a qualified PCFO.

There is no authority in statute or regulation for an LFCC or any Federal official or employee to assume the duties and responsibilities of the PCFO. In the event that there is no qualified PCFO, the LFCC Chairman will promptly inform the Director in writing. The Director will assist the LFCC in merging the campaign with an adjacent campaign that has a qualified PCFO or identifying an eligible organization to function as the campaign’s PCFO. If the LFCC’s of the adjacent campaigns elect not to merge and a qualified PCFO cannot be found, the local CFC will be canceled. No workplace solicitation of any Federal employee in the campaign area is authorized and payroll allotments cannot be accepted and honored during the duration of the cancellation of the CFC.

§ 950.108 Preventing coercive activity.

True voluntary giving is fundamental to Federal fundraising activities. Actions that do not allow free choices or create the appearance employees do not have a free choice to give or not to give, or to publicize their gifts or to keep them confidential, are contrary to Federal fundraising policy. Activities contrary to the non-coercive intent of Federal fundraising policy are not permitted in campaigns. They include, but are not limited to:

(a) Solicitation of employees by their supervisor or by any individual in their supervisory chain of command. This does not prohibit the head of an agency to perform the usual activities associated with the campaign kick-off and to demonstrate his or her support of the CFC in employee newsletters or other routine communications with the Federal employees.

(b) Supervisory inquiries about whether an employee chose to participate or not to participate or the amount of an employee’s donation. Supervisors may be given nothing more than summary information about the major units that they supervise.

(c) Setting of 100 percent participation goals.

(d) Establishing personal dollar goals and quotas.

(e) Developing and using lists of non-contributors.

(f) Providing and using contributor lists for purposes other than the routine collection and forwarding of contributions and allotments, and as allowed under §950.601.

All organizations seeking national list eligibility must:

This requirement cannot be met on the sole basis of services provided through an “800” telephone number or by sending materials via the U.S. Postal Service or a combination thereof. A schedule listing those states (minimum 15) or the foreign countries (minimum 1) where the program activities have been provided and a detailed description of the activities in each state or foreign country must be included with the application. (2) The local affiliate or subunit will include in its application to the LFCC a copy of the letter authorizing the removal of the organization from the national list as well as all the required materials for completing a local organization application.
(3) Upon finding the local organization eligible, the waiver letter from the organization on the national list authorizes the LFCC to delete that organization from the national list.
§ 950.203  Public accountability standards.

The audit must cover the fiscal year ending not more than 18 months prior to the January of the campaign year to which the organization is applying. For example, the audit included in the 1994 application must cover the fiscal period ending on or after June 30, 1992.

The IRS Form 990 and audit must cover the same fiscal period and, if revenue and expenses on the two documents differ, these amounts must be reconciled in an accompanying signed statement by the certified public accountant who completed the audit.

(4) Provide a computation of the organization’s percentage of total support and revenue spent on administrative and fundraising. This percentage shall be computed from information on the IRS Form 990, submitted pursuant to §950.203(a)(3), by adding the amount spent on “management and general” (line 14) to “fundraising” (line 15) and then dividing the sum by “total revenue” (line 12).

(i) If an organization’s administrative and fundraising expenses exceed 25 percent of its total support and revenue, it must certify that its actual expenses for administration and fundraising are reasonable under all the circumstances presented. It must provide an explanation with its application and also include a formal plan to reduce these expenses below 25 percent.

(ii) The Director may reject any application from an organization with fundraising and administrative expenses in excess of 25 percent of total support and revenue, unless the organization demonstrates to the satisfaction of the Director that its actual expenses for those purposes and its plan to reduce them are reasonable under the circumstances.

(5) Certify that the organization is directed by an active and responsible governing body whose members have no material conflict of interest and, a majority of which serve without compensation.

(6) Certify that the organization’s fundraising practices prohibit the sale or lease of its CFC contributor lists.

(7) Certify that its publicity and promotional activities are based upon its actual program and operations, are truthful and non-deceptive, and make no exaggerated or misleading claims.
Office of Personnel Management

§ 950.204

(8) Certify that contributions are effectively used for the announced purposes of the charitable organization.

(11) Certify that the organization prepares and makes available to the public upon request an annual report that includes a full description of the organization's activities and supporting services and identifies its directors and chief administrative personnel. A copy of the organization's annual report must be included with the application. The annual report must cover the fiscal year ending not more than 18 months prior to January of the campaign year to which the organization is applying. A more frequently published document, such as a quarterly newsletter, may be used to meet this requirement provided that such document is available to the general public upon request and describes the organization's activities and supporting services and identifies its directors and chief administrative personnel.

(12) Provide a statement that the certifying official is authorized by the organization to certify and affirm all statements required for inclusion on the national list.

(13) Provide a statement in 25 words or less describing the program activities of the charitable organization. The 25-word statement need not include the organization's name. In addition, organizations must provide a telephone number, dedicated solely for the organization's use, through which the donors may receive further information about the organization. Except as provided in §950.401(k), this information will be included in the campaign brochure along with the organization's administrative and fundraising percentage, computed pursuant to §950.203(a)(3).

(b) The Director shall review these applications for accuracy, completeness, and compliance with these regulations. Failure to supply any of this information may be judged a failure to comply with the requirements of public accountability, and the charitable organization may be ruled ineligible for inclusion on the national list.

(c) The Director may request such additional information as the Director deems necessary to complete these reviews. An organization that fails to comply with such requests within 10 calendar days from receipt of the request may be judged ineligible.

(d) The required certifications and documentation must have been completed and submitted prior to the application filing deadline. Applications received that are incomplete may not be perfected during the appeal process described in §950.205.

(e) The Director may waive any of these standards and certifications upon a showing of extenuating circumstances.

(c) The Director may elect to decertify for up to one campaign year a federation which makes a false certification, subject to the requirement that any federation that the Director proposes to decertify shall be offered the opportunity to have a hearing on the record on the proposed decertification, followed by a written decision stating the grounds for the decertification. False certifications are presumed to be deliberate. This presumption may be overcome by evidence presented at the hearing.

(d) The failure of a national federation to respond in a timely fashion to a request by the Director for required information or cooperation in an investigation or a settlement of disbursements may be grounds for decertification, provided that a decision to decertify is preceded by a hearing on the record and communicated in writing.

(e) Each federation, as fiscal agent for its member organizations, must ensure that Federal employee designations are honored in that each member organization receives its proportionate share of receipts based on the results of each individual campaign.

(f) The Director will notify a federation if it is determined that the federation does not meet the eligibility requirements of this section. A federation may appeal an adverse eligibility decision in accordance with § 950.205.

(g) The Director may waive any eligibility criteria for federation status if it is determined that such a waiver will be in the best interest of the CFC.

(h) Two organizations—American Red Cross and United Service Organization—are exempt from the 15-member requirement of § 950.301(c).
§ 950.303 Local federations eligibility.

(a) LFCC's must approve local federations that conform to the requirements.

(b) By applying for inclusion in the CFC, federations consent to allow the LFCC and Director complete access to it and its members' CFC books and records to respond to requests for information by the LFCC and the Director.

(c) An organization may apply to the LFCC for inclusion as a local federation if the applicant has as members of its proposed federation, 15 or more charitable organizations that meet the eligibility criteria of §§950.202, 950.203, and 950.204. The initial year an organization applies for federation status, it must submit to the LFCC applications of all its proposed member organizations in addition to the federation application. Federations must re-establish eligibility each year, however, the applications of its member organizations need not accompany the annual federation application once an organization has obtained federation status.

(d) After an organization has been granted federation status, it may certify that its member organizations meet all eligibility criteria of §§950.202, 950.203, and 950.204 to be included on the Local List. While deference should be given to federation certifications, the LFCC, during the review process, may request independent evidence of individual member organization's eligibility. Federation status in a prior campaign is not a guarantee of federation status in a subsequent campaign. Failure to meet minimum federation eligibility requirements shall not be deemed to be a decertification subject to a hearing on the record.

(e) An applicant for local federation status must certify and/or demonstrate:

1. That all member organizations seeking participation in the CFC are qualified for inclusion on the Local List and provide a complete list of those member organizations it certified.

2. That its financial records, practices, and procedures conform to generally accepted accounting principles and is annually audited by an independent certified public accountant in accordance with generally accepted auditing standards. A copy of the annual audit must be included with the application. The audit must verify that the federation is honoring designations made to each member organization. The audit requirement is waived for newly created federations operating for less than a year.

3. That it does not employ, in its CFC operations, the services of private consultants, consulting firms, advertising agencies or similar business organizations to perform the policy-making or decision-making functions in the CFC. It may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(f) The LFCC will notify a federation if it is determined that the federation does not meet the eligibility requirements of this section. A federation may appeal an adverse eligibility decision in accordance with §950.205.

(g) The Director may waive any eligibility criteria for federation status if it is determined that such a waiver will be in the best interest of the CFC.

§ 950.304 Responsibilities of local federations.

(a) Local federations must ensure that only those member organizations that comply with all eligibility requirements included in these regulations are certified for participation in the CFC.

(b) If the LFCC requests information supporting a certification of local eligibility, that information shall be furnished promptly. Failure to furnish such information within 10 business days of the receipt of the request constitutes grounds for the denial of local eligibility.

(c) The Director, upon recommendation by the LFCC, may elect to decertify a federation which makes a false certification for up to one campaign year, subject to the requirement that any federation that the Director proposes to decertify shall be offered the opportunity to have a hearing on the record on the proposed decertification, followed by a written decision stating the grounds for the decertification.
False certifications are presumed to be deliberate. The presumption may be overcome by evidence presented at the hearing.

(d) The failure of a local federation to respond in a timely fashion to a request by the Director or the LFCC for required information or cooperation in an investigation may be grounds for decertification, provided that a decision to decertify is preceded by a hearing on the record and communicated in writing.

(e) Each federation, as fiscal agent for its member organizations, must ensure that Federal employee designations are honored in that each member organization receives its proportionate share of receipts based on the results of each individual campaign.

Subpart D—Campaign Materials

§ 950.401 Campaign and publicity materials.

(a) The specific campaign and publicity materials, such as the official brochure, will be developed locally, except as specified in these regulations. All materials must be reviewed by the LFCC for compliance with these regulations and will be printed and supplied by the PCFO. All publicity materials must have the approval of the LFCC before being used. Federations must notify the PCFO in writing of their desire to participate in the development of campaign and publicity materials. The PCFO must respond in a timely manner to a federation's request to participate in the development of campaign and publicity materials. Federations must also respond in a timely fashion in the development of campaign and publicity materials.

(b) During the CFC solicitation period, participating CFC organizations may distribute bona fide educational materials describing its services or programs. The organization must be granted permission by the Federal agency installation head, or designee to distribute the material. CFC Coordinators, Keyworkers or members of the LFCC, are not authorized to grant permission for the distribution of such materials. If one organization is granted permission to distribute educational materials, then the Federal agency installation head must allow any other requesting CFC organization to distribute educational materials.

(c) Organizations and federations are encouraged to publicize their activities outside Federal facilities and to broadcast messages aimed at Federal employees in an attempt to solicit their contributions through the media and other outlets.

(d) Agency Heads are further authorized to permit the distribution by organizations of promotional pamphlets to Federal personnel in public areas of Federal workplaces in connection with the CFC, provided that the manner of distribution accords equal treatment to all charitable organizations furnishing such pamphlet for local use, and further provided that no such distribution shall utilize Federal personnel on official duty or interfere with Federal government activities. LFCC members and other campaign personnel are to be particularly aware of the prohibition of assisting any charitable organization or federated group in distributing any type of literature, especially during the campaign period. Nothing in this section shall be construed to require an LFCC to distribute or arrange for the distribution of any material other than the Campaign brochure and the pledge card.

(e) The Campaign brochure and pledge card is the official CFC information package and shall be made available to all potential contributors. All CFC brochures must inform employees of their right to make a choice to contribute or not to contribute; to designate or not to designate; and to give a confidential gift in a sealed envelope.

(f) Campaign materials must constitute a simple and attractive package that has fundraising appeal and essential working information. The package should focus on the CFC without undue use of charitable organization symbols and logos or other distractions that compete for the donor's attention. Extraneous instructions concerning the routing of forms, tallying of contributor's receipt, and similar reports, which are primarily for keyworkers must be avoided.

(g) The following applies specifically to the campaign brochure:
§ 950.401

(1) OPM will include in the annual distribution of the National List explicit instructions for the printing of the brochure and language to be printed verbatim in the introductory pages. The general information provided will include:

(i) A description of the CFC arrangement and explanation of the payroll deduction privilege.

(ii) A statement that the donor may only designate charitable organizations or federations that are listed in the brochure and that write-ins are prohibited.

(iii) Instructions as to how an employee may obtain more specific information about the programs and the finances of the organizations participating in the campaign.

(iv) A description of employees' rights to pursue complaints of undue pressure or coercion in Federal fundraising activities.

(2) Following the introductory pages, the organization list will consist of three parts—the national, the international, and the local. The order of these three parts will be annually rotated in accordance with OPM instructions. In 1996 the Local part will be first followed by the National and finally the International. The national and international lists will consist of faithful reproductions of the lists of national and international organizations, including federations, provided by OPM. The third part, the local list, is determined by the LFCC. The order of listing of the federated and unaffiliated organizations within the three separate parts will be determined by random drawing. The order of organizations within each federation will be determined by the federation. The order within the national and local unaffiliated groups will be alphabetical. Absent specific instructions from OPM to the contrary, each participating organization and federated group listing must include a description, not to exceed 25 words, of their services and programs, plus a telephone number for the Federal donor to request further information about the group's services, benefits, and administrative expenses. Each listing will include a statement of the percentage of the organization's total receipts and revenues that are used for administration and fundraising. Neither the percentage of administrative and fundraising expenses, nor the telephone number count toward the 25-word statement.

(3) Each national federation and charitable organization will be assigned a code number by OPM. Local federations and local charitable organizations will be assigned code numbers by the LFCC. At the beginning of each federated group's listing will be the federation's name, code number, 25-word statement, percentage of administrative and fundraising expenses, and telephone number. The sections of the brochure where the unaffiliated agencies are listed will begin with the titles National Unaffiliated Organizations, International Unaffiliated Organizations, and Local Unaffiliated Organizations respectively.

(ii) Omission of an eligible charitable organization from the brochure may require that all brochures be reprinted and redistributed. Such omissions must be reported to OPM immediately upon discovery. The Director or LFCC may direct that the cost of such reprinting and redistribution be borne by the PCFO or charged to CFC administrative expenses.

(i) Dual listing. Listing of a national organization, as well as its local affiliate organization, is permitted. However, a national organization may waive its listing in the national section of the brochure in favor of its eligible local affiliate. The local affiliate must include in its application the written waiver from its national organization.

(j) Multiple listing. Each national or local organization must individually meet all of the eligibility criteria and submit independent documentation as required in §950.202, §950.203 or §950.204. Once an organization is deemed eligible, it is entitled to only one listing in the CFC brochure, regardless of the number of federations to which that organization belongs.

(k) The LFCC may omit the 25-word program description from the CFC brochure if, in the immediately preceding campaign year, contributions received in the local CFC totalled less than $100,000.
§ 950.402 Pledge card.

(a) The Director will make available each campaign year at least one model pledge card which shall be reproduced at the local level.

(b) Campaigns may incorporate additional giving levels to the Director’s authorized pledge card. Campaigns may also include their award recognition program. No further modifications to the pledge card are permitted unless approved in advance by the Director.

(c) An employee may not make a designation to an organization not listed in the brochure. In addition, an employee may not make a CFC contribution to an organization listed in the brochure of a geographic location different from the campaign where the employee works. Designations made to organizations not listed in the brochure are not invalid, but will be treated as undesignated funds and distributed accordingly.

(d) In the event the PCFO receives a pledge card that has designations that add up to less than the total amount pledged, the PCFO must honor the total amount pledged and treat the excess amount as undesignated funds. In the event that a PCFO receives a pledge card that has a total amount pledged that is less than the sum of the individual designations, the PCFO must honor the designations by assigning a proportionate share of the total gift to each organization designated. For example, if an employee indicates a total gift of $100 in the upper portion of the pledge card, but designates $25 each to five organizations in the lower part of the pledge card, the PCFO must adjust each organization’s designation to $20.

§ 950.403 Penalties.

A PCFO’s failure to comply with these regulations may result in either disqualification from future service as PCFO, disqualification as a participating federation, or both penalties. These penalties may only be imposed after a hearing on the record and communication of the Director’s decision in writing.

Subpart E—Undesignated Funds

§ 950.501 Applicability.

(a) All undesignated funds shall be distributed to all of the organizations in the CFC brochure in the same proportion that they received designations in the campaign.

(b) The distribution of undesignated funds described in § 950.501(a) applies to all domestic area campaigns. It does not apply to the DOD Overseas Campaign.

(c) The Director may alter the distribution of undesignated funds as local campaign circumstances may require or to enforce the distribution method described herein.

[60 FR 57890, Nov. 24, 1995; 61 FR 4585, Feb. 7, 1996]

Subpart F—Miscellaneous Provisions

§ 950.601 Release of contributor names.

(a) The pledge card, designed pursuant to § 950.402, must allow an employee to indicate if the employee does not wish his or her name and home address forwarded to the charitable organization or organizations designated. A PCFO’s failure to honor an employee’s wish may result in the decertification of the PCFO.

(b) The pledge card will direct an employee to provide his or her complete home address on the pledge card should he or she wish his or her name and home address released to organizations receiving their donations.

(c) It is the responsibility of the PCFO to forward the names and addresses of employees who have indicated that they wish their names be forwarded, to the recipient organization directly, if the organization is unaffiliated, and to the organization’s federation if the organization is a member of a federation. The PCFO may not make any other use of these employees’ names and addresses.

(d) Organizations must cooperate fully with OPM investigations into the care and appropriate use of these lists. Should an organization ignore or fail to respond to OPM’s requests for cooperation or hamper an investigation,
§ 950.701 DoD overseas campaign.

(a) A Combined Federal Campaign is authorized for all Department of Defense (DoD) activities in the overseas areas during a 6-week period in the fall. Organizations that may participate in the Overseas Campaign will consist of organizations determined nationally eligible by OPM.

(b) The DoD must select an organization or combination of organizations to serve as PCFO as it deems in the best interests of the overseas campaign.

(c) Federal civilian agencies with overseas personnel may elect to have these employees participate in the DoD campaign or in the National Capital Area campaign.

(d) The overseas campaign brochure shall not include the All International Organizations Designation Option-IIII.

(e) Family support and youth activities established in overseas locations may be supported from CFC funds.

(f) Undesignated funds contributed in the Overseas Campaign equal to up to 6 percent of the gross campaign contributions will be allocated to the Overseas family support and youth activities. No other funds may be used for this purpose. If the undesignated funds exceed 6 percent of the gross campaign contributions they shall be returned to those who contributed them.
contributions, this excess shall be distributed to all other organizations in the same proportions as designations.

(g) Overseas family support and youth activities shall not be charged any share of campaign costs. All other organizations participating in the Overseas Area CFC will be charged for campaign costs in the same proportion that they received gross campaign receipts, net of that amount of receipts set aside for family support and youth activities.

(h) The overseas campaign brochure must explain the allocation policy utilized by each of the military services to allocate funds received from the Overseas campaign to their overseas family support and youth activities.

Subpart H—CFC Timetable

§ 950.801 Campaign schedule.

(a) The Combined Federal Campaign will be conducted according to the following timetable.

(1) During one 30-calendar day period between January and March, as determined by the Director, OPM will accept applications from organizations seeking to be listed on the national list.

(2) Within 35 calendar days of the closing of the receipt of applications, the Director will issue notices to each national applicant organization of the results of the Director’s review.

(3) Local Federal Coordinating Committees must select a PCFO no later than March 15.

(4) The Director will issue a national eligibility list to all local campaigns by June 30.

(5) Local Federal Coordinating Committees must accept applications from organizations seeking local eligibility for 30 calendar days as determined by the LFCC, and must issue notice of its eligibility decisions within 15 business days of the closing date for receipt of applications.

(b) The Director will annually issue a timetable for accepting and processing national applications.

Subpart I—Payroll Withholding

§ 950.901 Payroll allotment.

The policies and procedures in this section are authorized for payroll withholding operations in accordance with the Office of Personnel Management Pay Administration regulations in part 550 of this Title.

(a) Applicability. Voluntary payroll allotments will be authorized by all Federal departments and agencies for payment of charitable contributions to local CFC organizations.

(b) Allotters. The allotment privilege will be made available to Federal personnel as follows:

(1) Employees whose net pay regularly is sufficient to cover the allotment are eligible. An employee serving under an appointment limited to 1 year or less may make an allotment to a CFC when an appropriate official of the employing Federal agency determines that the employee will continue employment for a period to justify an allotment. This includes military reservists, National Guard, and other part-time and intermittent employees who are regularly employed.

(2) Members of the Uniformed Services are eligible, excluding those on only short-term assignment (less than 3 months).

(c) Authorization. Allotments will be totally voluntary and will be based upon contributor’s individual authorization.

(1) The CFC Pledge Card, in conformance with §950.402, is the only form for authorization of the CFC payroll allotment and may be printed or purchased from a central source by each PCFO. The pledge cards and official brochure will be distributed to employees when charitable contributions are solicited.

(2) The original copy of each pledge card (payroll allotment authorization) should be transmitted to the contributor’s servicing payroll office as promptly as possible, preferably by December 15. However, if pledge cards are received after that date they should be accepted and processed by the payroll office.
Office of Personnel Management  § 950.901

(d) Duration. Authorization of allotments will be in the form of a term allotment. Term authorizations will be in effect for 1 full year—26, 24, or 12 pay periods depending on the allotter’s pay schedule—starting with the first pay period beginning in January and ending with the last pay period that begins in December. Three months of employment is considered the minimum amount of time that is reasonable for establishing an allotment.

(e) Amount. Allotters will make a single allotment that is apportioned into equal amounts for deductions each pay period during the year.

(1) The minimum amount of the allotment will be determined by the LFCC but will not be less than $1 per payday, with no restriction on the size of the increment above that minimum.

(2) No change of amount will be authorized for term allotments.

(3) No deduction will be made for any period in which the allotter’s net pay, after all legal and previously authorized deductions, is insufficient to cover the CFC allotment. No adjustment will be made in subsequent periods to make up for missed deductions.

(f) Remittance. One check will be sent by the payroll office each pay period, in the gross amount of deductions on the basis of current authorizations, to the Central Receipt and Accounting Point (CRP) at each local CFC location for which the payroll office has received allotment authorizations. The Director will provide a list of the authorized CRP’s to Federal payroll offices.

(1) The check will be accompanied by a statement identifying the agency, the dates of the pay period, and the total number of employee deductions.

(2) There will be no listing of allotters included or of allotter discontinuances.

(g) Discontinuance. Term allotments will be discontinued automatically on expiration of the 1 year withholding period, or on death, retirement, or separation of the allotter from the Federal service, whichever is earlier.

(1) An allotter may revoke a term authorization at any time by requesting it in writing from the payroll office. Discontinuance will be effective the first pay period beginning after receipt of the written revocation in the payroll office.

(2) A discontinued allotment will not be reinstated.

(h) Transfer. When an allotter moves to another organizational unit served by a different payroll office in the same CFC location, whether in the same office or a different Department or agency, his or her allotment authorization should be transferred to the new payroll office.

(i) Accounting. Federal payroll offices will oversee the establishment of individual allotment accounts, the deductions each pay period, and the reconciliation of employee accounts in accordance with agency and General Accounting Office requirements. The payroll office will accept responsibility for the accuracy of remittances, as supported by current allotment authorizations, and internal accounting and auditing requirements.

(1) The PCFO shall notify the federated groups, national agencies, and local agencies as soon as practicable after the completion of the campaign, but in no case later than February 15 of the amounts, if any, designated to them and their member agencies and of the amounts of the undesignated funds, if any, allocated to them.

(2) The PCFO is responsible for the accuracy of disbursements it transmits to recipients. It shall transmit at least monthly for campaigns of $500,000 or more or quarterly if less than that amount, minus only the approved proportionate share for administrative cost reimbursement and the PCFO fee set forth in § 950.106(d). It shall remit the contributions to each organization or to the federated group, if any, of which the organization is a member.

For campaigns with gross receipts in excess of $500,000, the PCFO will distribute all CFC receipts beginning April 1, and monthly thereafter. For campaigns with gross receipts of $500,000 or less, the PCFO will distribute all CFC receipts beginning June 1, and quarterly thereafter. At the close of each disbursement period, the PCFO’s CFC account shall have a balance of zero.

(3) The PCFO may make one-time disbursements to organizations receiving minimal donations from Federal
employees. The LFCC must determine and authorize the amount of these one-time disbursements. The PCFO may deduct the proportionate amount of each organization's share of the campaign's administrative costs and the average of the previous 3 years pledge loss from the one-time disbursement. This is the only approved application of adjusting for pledge loss.

(f) Federated and national charitable organizations, or their designated agents, will accept responsibility for:

(i) The accuracy of distribution amount the charitable organizations of remittances from the PCFO; and

(ii) Arrangements for an independent audit conducted by a certified public accountant agreed upon by the participating charitable organizations.

APPENDIX B TO PART 970—CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION—LOWER TIER COVERED TRANSACTIONS

AUTHORITY: Executive Order 12549 (51 FR 6370-71).

SOURCE: 58 FR 28759, May 17, 1993, unless otherwise noted.

Subpart A—General

§ 970.100 Purpose.

(a) Executive Order (E.O.) 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for nonprocurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and nonfinancial assistance and benefits under
Federal programs and activities. Debarment or suspension of a participant in a program by one agency shall have governmentwide effect.

(b) These regulations implement section 3 of E.O. 12549 and the guidelines promulgated by the Office of Management and Budget under section 6 of the E.O. by:
(1) Prescribing the programs and activities that are covered by the governmentwide system;
(2) Prescribing the governmentwide criteria and governmentwide minimum due process procedures that each agency shall use;
(3) Providing for the listing of debarred and suspended participants, and participants who have voluntarily excluded themselves from participation in covered transactions;
(4) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion; and
(5) Offering such other guidance as necessary for the effective implementation and administration of the governmentwide system.

(c) These regulations also implement Executive Order 12689 (3 CFR, 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Public Law 103-355, sec. 2455, 108 Stat. 3327) by—

(1) Providing for the inclusion in the List of Parties Excluded from Federal Procurement and Nonprocurement Programs all persons proposed for debarment, debarred or suspended under the Federal Acquisition Regulation, 48 CFR part 9, subpart 9.4; persons against which governmentwide exclusions have been entered under this part; and persons determined to be ineligible; and

(2) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion.

(d) Although these regulations cover the listing of ineligible participants and the effect of such listing, they do not prescribe policies and procedures governing declarations of ineligibility.

§ 970.105 Definitions.

The following definitions apply to this part:

Adequate evidence. Information sufficient to support the reasonable belief that a particular act or omission has occurred.

§ 970.110 Coverage.

(a) These regulations apply to all persons who have participated, are currently participating, or may reasonably be expected to participate in transactions under Federal nonprocurement programs. For purposes of these regulations such transactions will be referred to as “covered transactions.”

(i) Covered transactions. For purposes of these regulations, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

(ii) Primary covered transaction. Except as noted in paragraph (a)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation agreements and any other nonprocurement transactions between a Federal agency and a person. Primary covered transactions also include those transactions specially designated by the U.S. Department of Housing and Urban Development in such agency’s regulations governing debarment and suspension.

(iii) Lower tier covered transaction. A lower tier covered transaction is:
   (A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction.
   (B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $25,000) under a primary covered transaction.

      (iii) Benefits to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted);
      (iv) Federal employment;
§ 970.200 Debarment or suspension.

(a) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to § 970.215.

(b) Lower tier covered transactions. Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see § 970.110(a)(1)(ii)) for the period of their exclusion.

(c) Exceptions. Debarment or suspension does not affect a person’s eligibility for—

(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;
§ 970.205  Ineligible persons.

Persons who are ineligible, as defined in §970.105 are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

§ 970.210  Voluntary exclusion.

Persons who accept voluntary exclusions under §970.315 are excluded in accordance with the terms of their settlements. The Office of Personnel Management shall, and participants may, contact the original action agency to ascertain the extent of the exclusion.

§ 970.215  Exception provision.

The Office of Personnel Management may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and §970.200. However, in accordance with the President’s stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with §970.505(a).

[60 FR 33041, 33043, June 26, 1995]

§ 970.220  Continuation of covered transactions.

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in §970.215.

[60 FR 33041, 33043, June 26, 1995]

§ 970.225  Failure to adhere to restrictions.

(a) Except as permitted under §970.215 or §970.220, a participant shall not knowingly do business under a covered transaction with a person who is—

(1) Debarred or suspended;

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded.
from the covered transaction (See appendix B of these regulations), unless it
knows that the certification is erro-
neous. An agency has the burden of
proof that a participant did knowingly
do business with a person that filed an
erroneous certification.

Subpart C—Debarment

§ 970.300 General.
The debarring official may debar a
person for any of the causes in § 970.305
using procedures established in
§§970.310 through 970.314. The existence
of a cause for debarment, however, does
not necessarily require that the person
be debarred; the seriousness of the per-
son's acts or omissions and any miti-
gating factors shall be considered in
making any debarment decision.

§ 970.305 Causes for debarment.
Debarment may be imposed in ac-
cordance with the provisions of
§§970.300 through 970.314 for:
(a) Conviction of or civil judgment
for:
(1) Commission of fraud or a criminal
offense in connection with obtaining,
attempting to obtain, or performing a
public or private agreement or trans-
action;
(2) Violation of Federal or State anti-
trust statutes, including those pro-
scribing price fixing between competi-
tors, allocation of customers between
competitors, and bid rigging;
(3) Commission of embezzlement,
thief, forgery, bribery, falsification or
destruction of records, making false
statements, receiving stolen property,
making false claims, or obstruction of
justice; or
(4) Commission of any other offense
indicating a lack of business integrity
or business honesty that seriously and
directly affects the present responsibil-
ity of a person.
(b) Violation of the terms of a public
agreement or transaction so serious as
to affect the integrity of an agency
program, such as:
(1) A willful failure to perform in ac-
cordance with the terms of one or more
public agreements or transactions;
(2) A history of failure to perform or
of unsatisfactory performance of one or
more public agreements or trans-
actions; or
(3) A willful violation of a statutory
or regulatory provision or requirement
applicable to a public agreement or
transaction.
(c) Any of the following causes:
(1) A nonprocurement debarment by
any Federal agency taken before May
17, 1993, the effective date of these reg-
ulations, or a procurement debarment
by any Federal agency taken pursuant
to 48 CFR subpart 9.4;
(2) Knowingly doing business with a
debarred, suspended, ineligible, or vol-
untarily excluded person, in connection
with a covered transaction, except as
permitted in § 970.215 or § 970.220;
(3) Failure to pay a substantial
debt, or a number of outstanding debts
(including disallowed costs and over-
payments, but not including sums owed
the Federal Government under the In-
ternal Revenue Code) owed to any Fed-
eral agency or instrumentality, pro-
vided the debt is uncontested by the
debtor or, if contested, provided that
the debtor's legal and administrative
remedies have been exhausted; or
(4) Violation of a material provision
of a voluntary exclusion agreement en-
tered into under § 970.315 or of any set-
tlement of a debarment or suspension
action.
(d) Any other cause of so serious or
compelling a nature that it affects the
present responsibility of a person.

§ 970.310 Procedures.
The Office of Personnel Management
shall process debarment actions as in-
formally as practicable, consistent
with the principles of fundamental
fairness, using the procedures in
§§970.311 through 970.314.

§ 970.311 Investigation and referral.
Information concerning the existence
of a cause for debarment from any
source shall be promptly reported, in-
vestigated, and referred, when appro-
priate, to the debarring official for con-
ideration. After consideration, the de-
barring official may issue a notice of
proposed debarment.
§ 970.312 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

(a) That debarment is being considered;

(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;

(c) Of the cause(s) relied upon under §970.305 for proposing debarment;

(d) Of the provisions of §§970.311 through 970.314 and any other Office of Personnel Management procedures, if applicable, governing debarment decisionmaking; and

(e) Of the potential effect of a debarment.

§ 970.313 Opportunity to contest proposed debarment.

(a) Submission in opposition. Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) Additional proceedings as to disputed material facts.

(1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 970.314 Debarring official's decision.

(a) No additional proceedings necessary. In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

(b) Additional proceedings necessary.

(1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(3) The debarring official's decision shall be made after the conclusion of the proceedings with respect to disputed facts.

(c)(1) Standard of proof. In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.

(2) Burden of proof. The burden of proof is on the agency proposing debarment.

(d) Notice of debarring official's decision. (1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:

(i) Referring to the notice of proposed debarment;

(ii) Specifying the reasons for debarment;

(iii) Stating the period of debarment, including effective dates; and

(iv) Advising that the debarment is effective for covered transactions throughout the executive branch of the Federal Government unless an agency head or an authorized designee makes the determination referred to in §970.215.

(2) If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice.
to a subsequent imposition of debarment by any other agency.

§ 970.315 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, the Office of Personnel Management may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E of this part).

§ 970.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). Generally, a debarment should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed. If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment of an additional period is determined to be necessary, the procedures of §§ 970.311 through 970.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:

1. Newly discovered material evidence;
2. Reversal of the conviction or civil judgment upon which the debarment was based;
3. Bona fide change in ownership or management;
4. Elimination of other causes for which the debarment was imposed; or
5. Other reasons the debarring official deems appropriate.

§ 970.325 Scope of debarment.

(a) Scope in general. (1) Debarment of a person under these regulations constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§ 970.311 through 970.314).

(b) Imputing conduct. For purposes of determining the scope of debarment, conduct may be imputed as follows:

1. Conduct imputed to participant. The fraudulent, criminal, or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the participant's performance of duties for or on behalf of the participant, or with the participant's knowledge, approval, or acquiescence. The participant's acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

2. Conduct imputed to individuals associated with participant. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant if the participant participated in, knew of, or had reason to know of the participant's conduct.

3. Conduct of one participant imputed to other participants in a joint venture. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant's conduct.

(3) Conduct of one participant imputed to other participants in a joint venture. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant's conduct.

(3) Conduct of one participant imputed to other participants in a joint venture. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant's conduct.
§ 970.400 General.

(a) The suspending official may suspend a person for any of the causes in § 970.405 using procedures established in §§ 970.410 through 970.413.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in § 970.405, and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 970.405 Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§ 970.400 through 970.413 upon adequate evidence:

(1) To suspect the commission of an offense listed in § 970.305(a); or

(2) That a cause for debarment under § 970.305 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 970.410 Procedures.

(a) Investigation and referral. Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) Decision making process. The Office of Personnel Management shall process suspension actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§ 970.411 through 970.413.

§ 970.411 Notice of suspension.

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;

(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government’s evidence:

(d) Of the cause(s) relied upon under § 970.405 for imposing suspension;

(e) That the suspension is for a temporary period pending the completion of an investigation or ensuring legal, debarment, or Program Fraud Civil Remedies Act proceedings;

(f) Of the provisions of §§ 970.411 through 970.413 and any other Office of Personnel Management procedures, if applicable, governing suspension decisionmaking; and

(g) Of the effect of the suspension.

§ 970.412 Opportunity to contest suspension.

(a) Suspension in opposition. Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) Additional proceedings as to disputed material facts. (1) If the suspending official finds that the respondents submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents, unless:
(i) The action is based on an indictment, conviction or civil judgment, or
(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirements for a transcript.

§ 970.413 Suspending official’s decision.

The suspending official may modify or terminate the suspension (for example, see §970.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) No additional proceedings necessary. In actions based on an indictment, conviction or civil judgment, in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) Additional proceedings necessary. In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(c) Notice of suspending official’s decision. Prompt written notice of the suspending official’s decision shall be sent to the respondent.

§ 970.415 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case, it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

§ 970.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see §970.325), except that the procedures of §§970.410 through 970.413 shall be used in imposing a suspension.

Subpart E—Responsibilities of GSA, Agency and Participants

§ 970.500 GSA responsibilities.

(a) In accordance with the OMB guidelines, GSA shall compile, maintain, and distribute a list of all persons who have been debarred, suspended, or voluntarily excluded by agencies under
Executive Order 12549 and these regulations, and those who have been determined to be ineligible.

(b) At a minimum this list shall indicate:

(1) The names and addresses of all debarred, suspended, ineligible, and voluntarily excluded persons, in alphabetical order, with cross-references when more than one name is involved in a single action;
(2) The type of action;
(3) The cause for the action;
(4) The scope of the action;
(5) Any termination date for each listing; and
(6) The agency and name and telephone number of the agency point of contact for the action.

§ 970.505 Office of Personnel Management responsibilities.

(a) The agency shall provide GSA with current information concerning debarments, suspensions, determinations of ineligibility, and voluntary exclusions it has taken.

(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in §970.500(b) within five working days after taking such actions.

(c) The agency shall direct inquiries concerning listed persons to the agency that took the action.

(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded (202-501-0688).

(e) Agency officials shall check the Nonprocurement List before approving principals or lower tier participants where agency approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

§ 970.510 Participants’ responsibilities.

(a) Certification by participants in primary covered transactions. Each participant shall submit the certification in appendix A to this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals (202-501-0688). Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) Certification by participants in lower tier covered transactions. (1) Each participant shall require participants in lower tier covered transactions to include the certification in appendix B to this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction by any Federal Agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Nonprocurement List for its principals and for participants (202-501-0688).

(c) Changed circumstances regarding certification. A participant shall provide immediate written notice to the Office of Personnel Management if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposals.
APPENDIX A TO PART 970—CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS—PRIMARY COVERED TRANSACTIONS

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should this proposal covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions

1. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

   (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency;

   (b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

(d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

(2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. 6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

Office of Personnel Management

participant shall attach an explanation to this proposal.

PART 990—GENERAL AND MISCELLANEOUS

Subpart A—Claims and Appeals of Veterans; Recognition of Representatives

Sec.
990.101 Appearance.
990.102 Agents.
990.103 Recognition of service organizations.
990.104 Accredited representatives of service organizations.
990.105 Designation of service organizations as representatives.

SOURCE: 33 FR 12523, Sept. 4, 1968, unless otherwise noted.

Subpart A—Claims and Appeals of Veterans; Recognition of Representatives

§ 990.101 Appearance.

A preference eligible who has filed with OPM a claim or an appeal under section 3502, 3503, or 7701 of title 5, United States Code, may appear in a proceeding in connection therewith either personally or by a representative. The representative may be a person designated by the preference eligible, that person being referred to in this part as agent; or a service organization designated by the preference eligible and approved by OPM.

§ 990.102 Agents.

A competent person of good moral character and of good repute who is a citizen of the United States, or who has declared his intention to become a citizen of the United States, may be designated as an agent. A person (other than a Member of Congress) claiming to act as an agent shall submit a written statement from the preference eligible (OPM Form 307) authorizing him to represent the preference eligible in his claim or appeal. A written statement is not required of a Member of Congress claiming to act as an agent to represent a preference eligible in his claim or appeal.

§ 990.103 Recognition of service organizations.

A service organization approved by OPM may be recognized in the presentation of claims or appeals under section 3502, 3503, or 7701 of title 5, United States Code, when the proper officers thereof make application for recognition, and as a part of the application agree and certify that neither the organization nor its representatives will charge claimants or appellants a fee or compensation for their services, except expenses actually incurred with the consent of the claimant. In requesting recognition, the following information shall be supplied:

(a) Statement outlining the purpose of the organization and need thereof, and manner in which the preference eligible will be benefited by the recognition.
(b) Names, titles, and addresses of officers.
(c) Number of posts or chapters, and States in which located.
(d) Names, titles, and addresses of full-time paid employees who are qualified to act as accredited representatives.
(e) Copy of constitution or charter and bylaws of the organization.

§ 990.104 Accredited representatives of service organizations.

(a) Each recognized service organization shall file with OPM, on the prescribed form (OPM Form 306), the name of any officer whom it desires to be recognized as its accredited representative and OPM office or offices to which recognition is to be extended in the presentation of claims or appeals. In proposing a candidate for recognition as a representative, the organization, through its appropriate officer, shall certify to the following:

(1) That the candidate is a citizen of the United States, of good character and reputation, is qualified by training or experience to assist in the presentation of claims, and is a member or employee of the organization.
(2) That he is not employed in any civil or military department or agency of the United States, and is not a retired member of the Regular Army, Navy, Air Force, Marine Corps, Coast Guard, or Public Health Service.
§ 990.105 Designation of service organizations as representatives.

(a) Before a service organization may be recognized in an individual claim or appeal, there shall be filed a designation duly executed by the claimant or appellant, specifically conferring on the organization the authority to represent him in the presentation of his claim or appeal, and to receive information in connection therewith. This designation shall be on the form prescribed by OPM (OPM Form 307) and shall be presented to the office concerned, to be filed in connection with the claim or appeal. The designation shall be signed by the claimant or appellant.

(b) A single application (OPM Form 306) shall be filed with the central office of OPM for recognition before (1) the central office only, (2) two or more regional offices, or (3) the central office and one or more regional offices. Application shall be filed with the regional office where the candidate is to serve when recognition before only one regional office is requested. Application Form 306 shall be retained by the approving office of OPM.

(c) The central office or regional director, as the case may be, is responsible for determining the qualifications of a candidate of a service organization for recognition. Normally, the candidate of a service organization will be approved. However, if there is doubt as to the qualifications or suitability of a candidate, appropriate investigation may be made to resolve the doubts. If it is determined that the candidate is qualified, duplicate copies of a letter of notice to that effect shall be issued to the veterans organization concerned, with an Identification Card (OPM Form 308) in the candidate's name signed by the appropriate official in the central office or the regional director. One copy of the letter of approval shall be retained by the organization and the other forwarded to the candidate with the Identification Card 308 countersigned by the appropriate officer of the organization. When approval is made by the central office, a copy of the letter of approval shall be sent to each regional office before which recognition of the candidate is approved. When approval is made by a regional office, a copy of the letter of approval shall be sent to the central office of OPM. Each regional office shall maintain a record of all accredited representatives approved for recognition before that regional office. The central office shall maintain a record of all accredited representatives approved by all regional directors and the central office. If the regional director's determination is adverse, or the case is one of doubtful aspect, the entire matter may be referred to OPM's central office, at the regional director's option, where it will be handled in the same manner as a request for recognition ordinarily handled by the central office.

(d) Recognition may be canceled at the request of the organization. The central office or regional director may cancel or suspend a recognition for cause. When a regional director cancels or suspends a recognition, a report of the facts shall be made to the central office. Notice of cancellation or suspension shall be supplied in the same manner as a notice of recognition.

(e) Nominations for accredited representatives of national service organizations are acceptable only if approved by the certifying officer, national headquarters, of the organization.

(f) Letters of recognition issued by the central office to national and field officers of recognized organizations constitute authorization for their recognition in claims or appeals in any regional office within their respective assignments. Letters of recognition issued by a regional director constitute authorization for the accredited representatives to present claims or appeals in any regional office within their respective assignments.

(g) When a representative has been recognized, a card shall be prepared in the office which approves the recognition, showing his name, address, organization, and date of recognition. Copies of this card shall be filed in the central office of OPM, and in the regional office by which he is recognized or in which he is authorized to act.

§ 990.105 Designation of service organizations as representatives.

(a) Before a service organization may be recognized in an individual claim or appeal, there shall be filed a designation duly executed by the claimant or appellant, specifically conferring on the organization the authority to represent him in the presentation of his claim or appeal, and to receive information in connection therewith. This designation shall be on the form prescribed by OPM (OPM Form 307) and shall be presented to the office concerned, to be filed in connection with the claim or appeal. The designation shall be signed by the claimant or appellant.
(b) On receipt and approval of the designation, the service organization named therein shall be recognized as the sole agency for the presentation of the claim or appeal covered thereby, and no other organization shall be recognized in the presentation of that claim or appeal. The designation made by the claimant may be revoked by him at any time and a subsequent designation made, naming another organization. A subsequently executed designation constitutes a revocation of any existing designation. A designation may also be revoked by the organization named therein.

§ 990.106 General provisions.

(a) Nothing in this subpart permits the unauthorized practice of law in any place or the giving of any service except the authorized participation in agency proceedings by agents or accredited representatives who have been approved by OPM.

(b) This subpart does not apply to adjudications of charges of political activity on the part of officers or employees in the competitive service, or of officers or employees of a State or local government, nor to adjudications of the existence of good cause for the removal of hearing examiners appointed under section 3106 of title 5 United States Code.
§ 1001.101 Cross-reference to financial disclosure requirements and other conduct rules.

In addition to the regulations contained in this part, employees of the Office of Personnel Management (OPM) should refer to:

(a) The Standards for Ethical Conduct for Employees of the Executive Branch at 5 CFR part 2635;
(b) The OPM regulations at 5 CFR part 4501, which supplement the executive branch-wide standards;
(c) The Employee Responsibilities and Conduct regulations at 5 CFR part 735;
(d) The executive branch financial disclosure regulations at 5 CFR part 2634;
(e) The executive branch outside employment regulations at 5 CFR part 2636; and
(f) The restrictions upon use of political referrals in employment matters at 5 U.S.C. 3303.
