Subpart A—Introduction

§ 22.1 What is the purpose of this part?

This part controls the taking, possession, and transportation within the United States of bald and golden eagles for scientific, educational, and depredation control purposes and for the religious purposes of American Indian tribes. This part also governs the transportation into or out of the United States of bald and golden eagle parts for scientific, educational, and Indian religious purposes. The import, export, purchase, sale, trade, or barter of bald and golden eagles, or their parts, nests, or eggs is prohibited.

[64 FR 50472, Sept. 17, 1999]

§ 22.2 What activities does this part apply to?

(a)(1) You can possess or transport within the United States, without a Federal permit:

- (i) Any live or dead bald eagles, or their parts, nests, or eggs that were lawfully acquired before June 8, 1940; and
- (ii) Any live or dead golden eagles, or their parts, nests, or eggs that were

lawfully acquired before October 24, 1962.

(2) You may not transport into or out of the United States, import, export, purchase, sell, trade, barter, or offer for purchase, sale, trade, or barter bald or golden eagles, or their parts, nests, or eggs of these lawfully acquired pre-act birds. However, you may transport into or out of the United States any lawfully acquired dead bald or golden eagles, their parts, nests, or dead eagles, if you acquire a permit issued under § 22.22 of this part.

(3) No exemption from any statute or regulation will apply to any offspring of these pre-act birds.

(4) You must mark all shipments containing bald or golden eagles, alive or dead, their parts, nests, or eggs as directed in § 14.81 of this subchapter. The markings must contain the name and address of the person the shipment is going to, the name and address of the person the shipment is coming from, an accurate list of contents by species, and the number of each species.

(b) The provisions in this part are in addition to, and are not in lieu of, other regulations of this subchapter B which may require a permit or prescribe additional restrictions or conditions for the importation, exportation, and interstate transportation of wildlife (see also part 13 of this subchapter).

[39 FR 1183, Jan. 4, 1974, as amended at 64 FR 50472, Sept. 17, 1999]

§ 22.3 What definitions do you need to know?

In addition to definitions contained in part 0 of this subchapter, and unless the context otherwise requires, in this part 22:

Area nesting population means the number of pairs of golden eagles known to have a resting attempt during the preceding 12 months within a 10-mile radius of a golden eagle nest.

Export for the purpose of this part does not include the transportation of any dead bald or golden eagles, or their parts, nests, or dead eggs out of the United States when accompanied with a valid transportation permit.
