

§ 27.13 Micronaire determination request incidental to classification request.

The classification request may include a request for Micronaire determination.

§ 27.14 Filing of classification and Micronaire determination requests.

Requests for classification shall be filed with the Marketing Services Office serving the location at which the cotton is stored. Requests for classification shall be filed within 30 days after sampling and before classification of the samples. The applicant may file a request for a review of classification as part of the request for classification. The applicant may file a request for Micronaire determination as part of the request for classification or may file a request for such determination, in a form prescribed by the Cotton Division within 7 business days following the date of the first certification of the cotton involved, provided this service has not been previously performed on such cotton, and the request is made prior to delivery of the cotton on a basis grade contract. Requests for Micronaire determinations may also be filed as provided in §§ 27.62 and 27.63.

[48 FR 49210, Oct. 25, 1983]

§ 27.15 Withdrawal or rejection of classification or Micronaire determination requests.

Any request for classification or for Micronaire determination may be withdrawn by the applicant at any time before the classification or Micronaire determination of the cotton covered thereby, subject to the payment of such fees, if any, as may be prescribed under §§ 27.80 to 27.92. Any request for classification or for Micronaire determination may be rejected for noncompliance with the act or this subpart.

INSPECTION AND SAMPLES

§ 27.16 Inspection; weighing; samples; supervision.

The inspection, weighing, and sampling of cotton for which classification is desired and the preparation and delivery of samples to the Marketing Services Office shall be (a) under the

supervision of a supervisor of cotton inspection, or (b) by or under the direction of an exchange inspection agency and subject to the supervision of a supervisor of cotton inspection.

[48 FR 49210, Oct. 25, 1983]

§ 27.18 Persons not to be employed for inspection or sampling.

No person shall, after notice to the interested parties, be employed in any way in connection with any phase of the inspection and sampling of cotton or the preparation of the samples thereof, for the purposes of classification under this subpart, who for good cause is disapproved by the Director.

§ 27.20 Drawing and handling of samples of cotton; inspection of bales.

One sample shall be drawn from the top side of each bale and one from the bottom side. Each such sample shall weigh not less than 5 ounces, the two samples from each bale to weigh together not less than 10 ounces. The bale shall be inspected and any condition not fully indicated by the samples shall be explained by the supervisor of cotton inspection or exchange inspection agency in a written memorandum, which shall accompany the samples to the Marketing Services Office. Samples shall not be dressed or trimmed and shall be carefully handled in such manner as not to cause loss of leaf, sand, or other material, or otherwise change their representative character. Any sample which does not meet the requirements of this section may be rejected by the supervisor of cotton inspection or the Area Director.

[48 FR 49210, Oct. 25, 1983]

§ 27.21 Preparation of samples of cotton.

The samples from each bale shall be prepared as specified in this section. The sample from the top side and the sample from the bottom side shall each be broken into two parts. One part of the sample from the top side shall be placed with a part of the sample from the bottom side, making two sets of samples from each bale. One of such sets shall weigh as nearly as possible 6 ounces, equally divided between the two parts thereof representing the two
