

provided by the household, by SDX or BENDEX, or obtained by the State agency rather than being provided by the SSA.

(E) *Restoration of lost benefits.* The State agency shall restore to the household benefits which were lost whenever the loss was caused by an error by the State agency or by the Social Security Administration through joint processing. Such an error shall include, but not be limited to, the loss of an applicant's food stamp application after it has been filed with SSA or with a State agency's outstationed worker. Lost benefits shall be restored in accordance with § 273.17.

(2) *Recertification.* (i) The State agency shall complete the application process and approve or deny timely applications for recertification in accordance with § 273.14 of the food stamp regulations. A face-to-face interview shall be waived if requested by a household consisting entirely of SSI participants unable to appoint an authorized representative. The State agency shall provide SSI households with a notice of expiration in accordance with § 273.14(b), except that such notification shall inform households consisting entirely of SSI recipients that they are entitled to a waiver of a face-to-face interview if the household is unable to appoint an authorized representative.

(ii) Households shall be entitled to make a timely application (in accordance with § 273.14(b)(3)) for food stamp recertification at an SSA office under the following conditions.

(A) In SSA offices where § 273.2(k)(1)(i) is in effect, SSA shall accept the application of a pure SSI household and forward the completed application, transmittal form and any available verification to the designated food stamp office. Where SSA accepts and refers the application in such situations, the household shall not be required to appear at a second office interview, although the State agency may conduct an out-of-office interview, if necessary.

(B) In SSA offices where § 273.2(k)(1)(ii) is in effect, the outstationed worker shall accept the application and interview the recipient and the State agency shall process the application according to § 273.14.

(l) *Households applying for or receiving social security benefits.* An applicant for or recipient of social security benefits under title II of the Social Security Act shall be informed at the SSA office of the availability of benefits under the Food Stamp Program and the availability of a Food Stamp Program application at the SSA office. The SSA office is not required to accept applications and conduct interviews for title II applicants/recipients in the manner prescribed in § 273.2(k) for SSI applicants/recipients unless the State agency has chosen to outstation eligibility workers at the SSA office and has an agreement with SSA to allow the processing of such households at SSA offices. In these cases, processing shall be in accordance with § 273.2(k)(1)(ii).

(m) *Households where not all members are applying for or receiving SSI.* An applicant for or recipient of SSI shall be informed at the SSA office of the availability of benefits under the Food Stamp Program and the availability of a food stamp application at the SSA office. The SSA office is not required to accept applications or to conduct interviews for SSI applicants or recipients who are not members of households in which all are SSI applicants or recipients unless the State agency has chosen to outstation eligibility workers at the SSA office. In this case, processing shall be in accordance with § 273.2(k)(1)(ii).

### § 273.3 Residency.

(a) A household shall live in the State in which it files an application for participation. The State agency may also require a household to file an application for participation in a specified project area (as defined in § 271.2 of this chapter) or office within the State. No individual may participate as a member of more than one household or in more than one project area, in any month, unless an individual is a resident of a shelter for battered women and children as defined in § 271.2 and

was a member of a household containing the person who had abused him or her. Residents of shelters for battered women and children shall be handled in accordance with §273.11(g). The State agency shall not impose any durational residency requirements. The State agency shall not require an otherwise eligible household to reside in a permanent dwelling or have a fixed mailing address as a condition of eligibility. Nor shall residency require an intent to reside permanently in the State or project area. Persons in a project area solely for vacation purposes shall not be considered residents.

(b) When a household moves within the State, the State agency may require the household to reapply in the new project area or it may transfer the household's casefile to the new project area and continue the household's certification without reapplication. If the State agency chooses to transfer the case, it shall act on changes in household circumstances resulting from the move in accordance with §273.12(c) or §273.21. It shall also ensure that duplicate participation does not occur in accordance with §272.4(f) of this chapter, and that the transfer of a household's case shall not adversely affect the household.
