

r. *Tenant* means a person who rents land from another person for a share of the tobacco or a share of the proceeds therefrom.

s. *Unit* means all insurable acreage of an insurable type of tobacco in the county in which you have an insured share on the date of planting for the crop year and which is identified by a single ASCS Farm Serial Number at the time insurance first attaches under this policy for the crop year. Units will be determined when the acreage is reported. We may reject or modify any ASCS reconstitution for the purpose of unit definition if the reconstitution was in whole or part to defeat the purpose of the Federal Crop Insurance Program or to gain disproportionate advantage under this policy. Errors in reporting units may be corrected by us when adjusting a loss.

18. Descriptive Headings

The descriptive headings of the various policy terms and conditions are formulated for convenience only and are not intended to affect the construction or meaning of any of the provisions of the contract.

19. Determinations

All determinations required by the policy will be made by us. If you disagree with our determinations, you may obtain reconsideration of or appeal those determinations in accordance with Appeal Regulations.

20. Notices

All notices required to be given by you must be in writing and received by your service office within the designated time unless otherwise provided by the notice requirement. Notices required to be given immediately may be by telephone or in person and confirmed in writing. Time of the notice will be determined by the time of our receipt of the written notice.

21. Notwithstanding the terms of the crop insurance policy and any contract for crop insurance under the provisions of this part, coverage under the terms of such crop insurance policy will be effective subject to the availability of appropriations.
