

**§ 737.54 Posting of license.**

Each sampler, inspector, grader, or weigher shall keep his license conspicuously posted at the place or office where he functions as a sampler, inspector, grader, or weigher, or in such other place as may be designated for the purpose by the Service.

**§ 737.55 Proper discharge of duties.**

Each sampler, inspector, grader, or weigher, according to the nature of his license, when requested shall, without discrimination, as soon as practicable, and upon reasonable terms, sample, inspect, grade, or weigh tobacco stored or to be stored in a licensed warehouse for which he holds a license, if such tobacco be offered to him under such conditions as will permit proper sampling, inspecting, grading, or weighing. Each such licensee shall give preference to persons who request his services as such other persons who request his services in any other capacity. No official sample shall be drawn and no inspection, grade, or weight certificate shall be issued under the act for tobacco not stored or to be stored in a licensed warehouse.

**§ 737.56 Official samples; sample tags and seals.**

(a) Each licensed sampler shall provide himself, unless provided by the warehouseman, with a sufficient quantity of tags of a kind and quality approved by the Administrator or his representative for identifying the samples of tobacco drawn by him. There shall be clearly written or printed on the face of each tag (1) the number of the tag, (2) the caption "Official Tobacco Sample Drawn under the United States Warehouse Act", (3) the name and location of the licensed warehouse in which the tobacco is or is to be stored, (4) the identification number, in accordance with § 737.33, of the package from which the sample was drawn, except when sampled before being stored, in which case the private number and marks of the package shall be shown and a blank space left for said identification number, (5) the date on which the sample was drawn, and (6) a statement to the effect that the sample was drawn by a sampler licensed in accordance with the United States Warehouse Act and

the regulations thereunder. One such tag shall be attached to each official sample of tobacco so as to preserve the identity of the sample.

(b) Each sampler shall seal each official sample of tobacco drawn by him so as to prevent the removal of the tag mentioned in paragraph (a) of this section, or the separation of the sample into parts without breaking the seal. Such seal shall show (1) the name of the sampler, (2) the license number of such sampler, and (3) the insignia "U.S.W.A."

(c) Each official sample taken from a package of tobacco stored or to be stored in a licensed warehouse shall be of such size and drawn and prepared in such manner as may be required by the Administrator or his representative.

**§ 737.57 Inspection certificate; form.**

Each inspection certificate issued under the act by an inspector shall be in a form approved for the purpose by the Service and shall embody within its written or printed terms (a) the caption "Tobacco Inspection Certificate Issued under the United States Warehouse Act", (b) whether it is an original, first, second, or other copy, (c) the number of the certificate, (d) the name and location of the warehouse in which the tobacco is or is to be stored, (e) the date of the certificate, (f) the location of the tobacco at the time of inspecting, (g) a blank space for the purpose of showing the identification number of each package of tobacco, in accordance with § 737.33, (h) the keeping quality or condition of each package of tobacco at the time of inspecting, (i) a blank space designated for the purpose in which may be stated any condition that, in the opinion of the inspector, may affect the keeping quality of the tobacco, (j) that the certificate is issued by a licensed inspector under the United States Warehouse Act and the regulations thereunder, and (k) the signature of the inspector. In addition, the inspection certificate may include any other matter not inconsistent with the act or the regulations in this part, provided the approval of the Service is first secured.
