REGULATIONS

§ 932.50 Report of marketing policy.

At least 14 days prior to the start of each crop year (except that this period may be shortened by the committee not more than 5 days if warranted), the committee shall hold a meeting for the purpose of formulating a marketing policy for the coming crop year: *Provided*, That with respect to the 1982-83 crop year the committee shall hold a meeting for such purpose as soon as practicable. The committee shall prepare and submit to the Secretary promptly after each such meeting, a report setting forth its recommended marketing policy for the ensuing crop year. In the event it becomes advisable to modify such policy, because of changed supply, demand, or other conditions, the committee shall formulate a new policy and shall submit a report thereon to the Secretary. In developing the marketing policy, the committee shall give consideration to the handler carryover, production, probable quality and composition of olive sizes in the crop, trade demand, probable imports, whether producer prices are likely to exceed parity, the probable assessable tonnage and such other factors as may have a bearing on the marketing of olives or the administration of this part. Notice of the committee's marketing policy, and of any modifications thereof, shall be given promptly by reason-

able publicity to producers and handlers.

§ 932.51 Incoming regulations.

(a) *Minimum standards for natural condition olives.* (1) Except as otherwise provided in this section, no handler shall process any lot of natural condition olives for use in the production of packaged olives which has not first been:

(i) Weighed on scales sealed by the State of California Department of Weights and Measures, an official certified weight certificate issued thereon, and a copy of such certificate furnished to the Federal or Federal-State Inspection Service and the committee; and

(ii) Size-graded, either by sample or by lot, under the supervision of any such inspection service and classified into separate size designations and a certification issued with respect thereto by such inspection service. Such size designations shall be in accordance with those set forth in the U.S. Standards for Grades of Canned Ripe Olives (7 CFR part 52) or subsequent amendments thereto, or such sizes as may be recommended by the committee and established by the Secretary: *Provided*, That, for the purpose of this part, the size designations in said standards shall be deemed to include the following additional size designations.

Designation(s)	Approximate count (per pound)	Average count range (per pound)
Subpetite	181 and up.
Petite	160	141-180, inclusive.
Extra Large Sevillano "L"	82	76-88, inclusive.
Extra Large Sevillano "C"	70	65-75, inclusive.

Provided further, That the additional size designations may be renamed and/or modified as recommended by the committee and approved by the Secretary. Such certification shall show, in addition to the quantities by weight of the olives in the lot that are classified as being in each size or size designation the quantity of olives classified as culls by the handler: *Provided*, That when the Secretary, upon the recommendation of the committee, issues
