

209.2 Adjustment of status of alien granted asylum.

AUTHORITY: 8 U.S.C. 1101, 1103, 1157, 1158, 1159, 1228, 1252, 1282; 8 CFR part 2.

§209.1 Adjustment of status of refugees.

The provisions of this section shall provide the sole and exclusive procedure for adjustment of status by a refugee admitted under section 207 of the Act whose application is based on his or her refugee status.

(a) *Eligibility.* (1) Every alien in the United States who is classified as a refugee under part 207 of this chapter, whose status has not been terminated, is required to apply to the Service 1 year after entry in order for the Service to determine his or her admissibility under section 212 of the Act.

(2) Every alien processed by the Immigration and Naturalization Service abroad and paroled into the United States as a refugee after April 1, 1980, and before May 18, 1980, shall be considered as having entered the United States as a refugee under section 207(a) of the Act.

(b) *Application.* Upon admission to the United States, every refugee entrant shall be notified of the requirement to submit an application for permanent residence 1 year after entry. An application for the benefits of section 209(a) of the Act shall be filed on Form I-485, without fee, with the director of the appropriate Service office identified in the instructions which accompany the Form I-485. A separate application must be filed by each alien. Every applicant who is 14 years of age or older must submit a completed Form G-325A (Biographical Information) with the Form I-485 application. Following submission of the Form I-485 application, a refugee entrant who is 14 years of age or older will be required to execute a Form FD-258 (Applicant Fingerprint Card) at such time and place as the Service will designate.

(c) *Medical examination.* A refugee seeking adjustment of status under section 209(a) of the Act is not required to repeat the medical examination performed under §207.2(c), unless there were medical grounds of inadmissibility applicable at the time of admission. The refugee is, however, required to es-

tablish compliance with the vaccination requirements described under section 212(a)(1)(A)(ii) of the Act, by submitting with the adjustment of status application a vaccination supplement, completed by a designated civil surgeon in the United States.

(d) *Interview.* The Service director having jurisdiction over the application will determine, on a case-by-case basis, whether an interview by an immigration officer is necessary to determine the applicant's admissibility for permanent resident status under this part.

(e) *Decision.* The director will notify the applicant in writing of the decision of his or her application for admission to permanent residence. If the applicant is determined to be inadmissible or no longer a refugee, the director will deny the application and notify the applicant of the reasons for the denial. The director will, in the same denial notice, inform the applicant of his or her right to renew the request for permanent residence in removal proceedings under section 240 of the Act. There is no appeal of the denial of an application by the director, but such denial will be without prejudice to the alien's right to renew the application in removal proceedings under part 240 of this chapter. If the applicant is found to be admissible for permanent residence under section 209(a) of the Act, the director will approve the application and admit the applicant for lawful permanent residence as of the date of the alien's arrival in the United States. An alien admitted for lawful permanent residence will be issued Form I-551, Alien Registration Receipt Card.
