To cite the regulations in this volume use title, part and section number. Thus, 22 CFR 301.1 refers to title 22, part 301, section 1.
Explanations

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 .............................................................. as of January 1
- Title 17 through Title 27 ................................................................. as of April 1
- Title 28 through Title 41 .............................................................. as of July 1
- Title 42 through Title 50 ............................................................. as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, April 1, 2000), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, or 1973–1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

PART 301—PUBLIC ACCESS TO CLASSIFIED MATERIAL

Sec. 301.1 Introduction.
301.2 Requests for mandatory declassification review.
301.3 Action on requests for declassification review.

SOURCE: 49 FR 13692, Apr. 6, 1984, unless otherwise noted.

§ 301.1 Introduction.
The following regulations implement Executive Order 12356 and provide guidance for members of the public desiring a review for declassification of a document of the Peace Corps.

§ 301.2 Requests for mandatory declassification review.
(a) All information originally classified by the Peace Corps shall be subject to review for declassification.
(b) Requests for review of such information for declassification shall be in writing, addressed to the Peace Corps Director of Security, Peace Corps, Washington, DC 20526, and reasonably describe the information sought with sufficient specificity to enable its location with a reasonable amount of effort. Only requests made by a United States citizen or a permanent resident alien, a Federal agency or a State or local government will be considered.
(c) Requests relating to information, either derivatively classified by the Peace Corps or originally classified by another agency but in the possession of the Peace Corps, shall be forwarded, together with a copy of the record, to the originating agency. The transmittal may contain in Peace Corps recommendation for action.

§ 301.3 Action on requests for declassification review.
(a) The Director of Security shall present each request for declassification to the Peace Corps Classification Review Committee, which shall consist of the Associate Director for International Operations, the Associate Director for Management and the General Counsel, or their designees, together with his or her recommendation for action.
(b) Every effort will be made to complete action on each request within 60 days of receipt thereof.
(c) Information shall be declassified or downgraded as soon as national security considerations permit. If the Classification Review Committee determines that the material for which review is requested no longer requires this protection, it shall be declassified and made available to the requester unless withholding is otherwise authorized by law.
(d) If the Peace Corps Classification Review Committee determines that requested information must remain classified, the requester shall be given prompt notice of the decision and, if possible, a brief explanation of why the information cannot be declassified.
(e) The Peace Corps may refuse to confirm or deny the existence or nonexistence of requested information whenever the fact of its existence or non-existence is itself classified under E.O. 12356.
(f) A requester may appeal a refusal to declassify information to the Director of the Peace Corps, or the Director’s designee. Appeals shall be in writing, addressed to the Director of the Peace Corps, Washington, DC 20526, and shall briefly state the reasons why the requester believes that the Peace Corps Classification Review Committee decision is in error. Appeals must be submitted within 30 days after receipt of notice of the Classification Review Committee decision. The decision of the Peace Corps Director, or designee, will be based on the entire record, and will be rendered in writing within 60 days after receipt of an appeal. The decision of the Director or Director’s designee is the final Peace Corps action on a request.

SOURCE: 49 FR 20701, July 16, 1984, unless otherwise noted.

§ 303.1 Purpose.

The purpose of this part is to prescribe rules for the inspection and copying of opinions, policy statements, staff manuals, instructions, and other records of the Peace Corps pursuant to 5 U.S.C. 552.

§ 303.2 Definitions.

As used in this part, the following definitions shall apply:

(a) The Agency means Peace Corps.
(b) Records includes all books, papers, maps, photographs, films, tapes, or other documentary material or copies thereof, regardless of physical form or characteristics, made in or received by the Peace Corps and preserved as evidence of its organization, functions, policies, decisions, procedures, operations or other activities but does not include books, magazines, or other materials acquired solely for library purposes and available in the library of the agency.
(c) Identifiable means, in the context of a request for a record, one which is reasonably described in a manner sufficient to permit the location of the material requested.
(d) Unit means an office of the Agency headed by a senior official who shall be responsible for making initial determinations of availability of documents or records requested hereunder. The head of any such Unit may delegate his or her responsibility hereunder to his or her Deputy or some other official during any absence of such official. At present, the units of the Agency for the purposes hereof consist of, the Office of the Director; the Executive Secretariat; the Office of Private Sector Development; the Office of Executive Talent Search; the Office of General Counsel and Legislative Liaison; the Office of Public Affairs; the Office of the Associate Director for Marketing, Recruitment, Placement and Staging; the Office of the Associate Director for International Operations; and the Office of the Associate Director for Management.

§ 303.3 Records generally available.

The agency will make promptly available to any member of the public the following documents:

8
§ 303.5 Records which may be exempt from disclosure.

The following categories are examples of records maintained by the Peace Corps which, under the provisions of 5 U.S.C. 552(b), may be exempted from disclosure:

(a) Records required to be withheld under criteria established by an Executive Order in the interest of national defense or foreign policy and which are in fact properly classified pursuant to any such Executive Order. Included in this category are records required by Executive Order No. 12356, as amended, to be classified in the interest of national defense or foreign policy.

(b) Records related solely to internal personnel rules and practices. Included in this category are internal rules and regulations relating to personnel management and operations which cannot be disclosed to the public without substantial prejudice to the effective performance of a significant function of the Agency.

(c) Records specifically exempted from disclosure by statute.

(d) Information of a commercial or financial nature including trade secrets given in confidence. Included in this category are records containing commercial or financial information obtained from any person and customarily regarded as privileged and confidential by the person from whom they were obtained.

(1) It is the policy of the Peace Corps not to release information which is a trade secret, or commercial or financial information which was obtained from a person and is privileged or confidential within the meaning of 5 U.S.C. 552(b)(4). It is also the policy of the Peace Corps to give submitters of
information which may be exempt from disclosure under 5 U.S.C. 552(b)(4) adequate opportunity to provide information at the administrative level which may establish such exemption.

(2) A person submitting information to the Peace Corps, if previously notified by the Peace Corps of his/her right to request confidential treatment for information, must request that the information be considered exempt from disclosure at the time of submission. Failure to do so will be deemed an acknowledgment that the submitter does not wish to claim exempt status.

(3) A person submitting information not covered by paragraph (d)(2) of this section which is the subject of a Freedom of Information Request, and which may be exempt from disclosure, shall be given prompt written notification of such request, unless it can be established that the information should not be disclosed, or that the information has already been lawfully published or made available to the public. Such notice must afford submitters at least ten working days in which to object to the disclosure of any requested information.

(4) Each request for exemption from disclosure under 5 U.S.C. 552(b)(4) as a trade secret or privileged or confidential commercial or financial information must:

(i) Specifically identify the exact material claimed to be confidential.

(ii) State whether or not the information identified has ever been released to a person not in a confidential relationship with the submitter.

(iii) State the basis for the submitter's belief that the information is not commonly known or readily ascertainable by outside persons.

(iv) State how release of the information would cause harm to the submitter's competitive position.

(5) The agency will not normally decide whether material received with a request for exemption from disclosure under 5 U.S.C. 552(b)(4) is entitled to be withheld unless a request for disclosure is made. Any reasonably segregable portion of a record will be disclosed after deletion of any portions determined to be exempt.

(6) The agency will give careful consideration to all specified grounds for exemption prior to making its administrative determination and, in all cases in which the determination is to disclose, provide the submitter with a statement of the reasons why its disclosure objection was not sustained. The Peace Corps will provide the submitter with at least ten days advance notice of the proposed release date of information in cases in which an objection to disclosure has been rejected.

(7) The Peace Corps will notify the submitter promptly of any instance in which a requester brings suit seeking to compel disclosure of its information. Submitters should not request exemption from disclosure unless they are prepared to assist the agency in the defense of any judicial proceeding brought to compel disclosure.

(e) Interagency or intra-agency memoranda or letters which would not ordinarily be available by law to a party in litigation with the Agency. Included in this category are memoranda, letters, interagency and intra-agency communications and internal drafts, opinions and interpretations prepared by staff or consultants and records of deliberations of staff, ordinarily used in arriving at policy determinations and decisions.

(f) Personnel, medical and similar files. Included in this category are personnel and medical information files of staff, volunteer applicants, former and current trainees/volunteers, lists of names and home addresses and other files or material containing private or personal information, the disclosure of which would amount to a clearly unwarranted invasion of the privacy of any person to whom the information pertains.

(g) Investigatory records compiled for law enforcement purposes. Included in this category are files compiled for the enforcement of all laws, or prepared in connection with government litigation and adjudicative proceedings; provided however, that such records shall be made available to the extent that their production will not (1) interfere with enforcement proceedings; (2) deprive a person of a right to a fair trial or an impartial adjudication; (3) constitute an unwarranted invasion of personal privacy; (4) disclose the identity of a confidential source,
and in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source; (5) disclose investigative techniques and procedures; or (6) endanger the life or physical safety of law enforcement personnel.

(h) In the event any document or record requested hereunder shall contain material which is exempt from disclosure under this section, any reasonably segregable portion of such record shall, notwithstanding such fact, and to the extent feasible, be provided to any person requesting same, after deletion of the portions which are exempt under this section.

(i) Documents or records determined to be exempt from disclosure hereunder may nonetheless be provided upon request in the event it is determined that the provision of such document would not violate the public interest or the right of any person to whom such information might pertain, and that disclosure is not prohibited by law or executive order.

§ 303.6 Manner of requesting records—appeals.

(a) Requests under the Freedom of Information Act (5 U.S.C. 552) for access to Peace Corps records may be filed in person or by mail with the Director of Administrative Services, Peace Corps, 806 Connecticut Avenue NW., Washington, DC 20526. All requests and the envelope in which they are sent must be plainly marked “FOIA Request.” Personal written requests will be received from between 10 a.m. and 4 p.m., Monday through Friday, except for official holidays. FOIA requests and appeals shall be deemed received when actually received by the Director of Administrative Services.

(b) Requested records which are reasonably described shall either be made available within ten working days after receipt of any such request or a written notice that the request cannot be complied with will be provided to the person making such request within such ten day period. Any such notice of inability to comply shall specify the reasons for refusal and the right of the person making such request to appeal such adverse determination. In the event a request for a record or document is made to the Director of Administrative Services, and such office does not have the requested material, the requester shall be immediately notified.

(c) Upon receipt of a notice of failure to comply, a person making a request for information, records, or documents may, within 15 calendar days from the receipt of such notice, appeal such adverse determination to the Director of the Peace Corps or designee. Such appeal shall be in writing and shall specify the date upon which the notice of failure or refusal to comply was received by the person making such request. The Director or designee shall make a determination with respect to such appeal within 20 working days after receipt of such appeal. Notice of such determination shall be provided in writing to the person making the request. If the original denial of the request for records is upheld in whole or in part, such notice shall include notification of the right of the person making such request to have judicial review of the denial and appeal as provided under the Freedom of Information Act (5 U.S.C. 552).

(d) The time limits specified above for initial compliance, and appeal from a refusal to comply, may be extended by the Agency upon written notice to the person making the request. Such notice shall set forth the reasons for such extension and the date upon which determination is expected. Such extension may be applied at either the initial stage or the appellate stage, or both, provided that the aggregate of such extensions shall not exceed ten working days. Circumstances justifying an extension will include the following:

1. Time necessary to search and collect requested records from segments of the Agency separate from the office processing the request;

2. Time necessary to search, collect and appropriately examine a voluminous number of records demanded in a single request; or
(3) Time necessary for consultation with another agency having a substantial interest in the determination of the request, or among two or more components of the agency which have an interest in the subject matter of the request.

(c) The time limits provided in this section are mandatory and a person requesting records shall be deemed to have exhausted his or her administrative remedies with respect to such request in the event the Agency fails to comply within the said applicable time limit provisions as extended in accord with this section. In unusual circumstances in which additional time is necessary to collect and review the records requested, the Act provides that a court of appropriate jurisdiction may allow the agency additional time for such purpose. Alternatively, the Agency and the person making such request may agree as to a reasonable time for completion of Agency work upon such request.

(e) Any notification of denial of any request for records under this subsection shall set forth the names and titles or positions of the persons primarily responsible for the denial of such request.

(g) Upon receipt of a request for a record or document the Director of the Office of Administrative Services will promptly make an initial determination as to whether the request for the record reasonably describes such record with sufficient specificity to determine the unit of the Agency to which such request should be referred. Upon making such initial determination, he shall immediately refer such request to the head of the unit concerned. Upon receipt of the request the head of the unit shall promptly determine whether the description of the record contained in the request is sufficient to permit its identification and production.

(h) If the head of the unit concerned determines that the description contained in the request is not sufficient to reasonably describe the record requested, the requester shall be so advised and shall be permitted to amend the request to provide any additional information which would better identify the record. The requester shall be provided with appropriate assistance from the head of the unit concerned, the Director of Administrative Services or any member of their staffs. A request which is amended in accord herewith shall be deemed to have been received by the Agency on the date of receipt of the amended request.

(i) If the head of the unit concerned determines that the record requested is reasonably described so as to permit its identification, he or she shall make it available unless he or she determines, after consultation with the General Counsel, that (1) the record is exempt from disclosure and (2) it should be withheld in the public interest or to protect the rights of persons to whom the information pertains. When such a determination is made the requester shall be immediately notified in writing as provided herein.

(j) Peace Corps offices overseas are not responsible for maintenance of Freedom of Information Act indexes, documents, or records (other than materials normally kept and maintained in such offices). FOIA requests received by overseas employees are to be forwarded to the Director, Office of Administrative Services, for processing. Such a request shall be considered received when actually received by the Director of Administrative Services.

(k) The Peace Corps maintains recruiting offices in many states. These offices are not responsible for maintaining Freedom of Information Act indexes, reading rooms, or other records or documents. Requests to any Recruiting Office or Service Center Office for materials not given out in the normal course of business shall be referred to the Director of Administrative Services. The request shall be in writing and shall be deemed received when actually received by the Director of Administrative Services.

§ 303.7 Authority to release and certify records.

(a) Authority is hereby delegated to the Director of Administrative Services, Office of Management, to furnish, pursuant to these regulations, copies of records to any person entitled thereto, and upon request to provide certified...
copies thereof for use in judicial proceedings or other official matters as provided below.

(b) The Director of Administrative Services and his or her deputy, are hereby designated to act as authentication officers. When both the authentication officers are unavailable, any other persons within such office designated by the Director of Administrative Services may act in his or her place and stead. The authentication officer is hereby authorized to sign and initial certificates of authentication for and in the name of the Director of the Peace Corps. The form of authentication shall be as follows:

CERTIFICATE OF AUTHENTICITY

In testimony whereof, I, the Director of the Peace Corps, have hereunder caused my name to be subscribed by the authentication officer of said agency at Washington, DC, this ——— day of ————, 19——.

Director of the Peace Corps.

By

Authentication Officer, Peace Corps.

(c) The authentication officer is also hereby authorized to issue such statements, certificates, or other documents as may be required in connection with judicial proceedings or other official matters to show that, after a thorough search of Peace Corps records, a requested record has not been found. (See Rule 44(b) Federal Rules of Civil Procedure.)

§ 303.8 Location of records.

The Agency will maintain a central records room at its headquarters in Washington, DC. The headquarters of the Peace Corps is presently located at 806 Connecticut Avenue, NW., Washington, DC. The present location of the central records room shall be the Paperwork and Records Management Branch, the location of which may change from time to time. The specific location of the records room may be determined by requesting such information from the Director, Office of Administrative Services.

§ 303.9 Identification of records.

(a) In order for the Agency to locate records and make them available it is necessary that it be able to identify the specific records sought. Persons wishing to inspect or secure copies of records should therefore seek to describe and identify them as fully and as accurately as possible. In cases where requests are submitted which are not sufficient to permit identification, the officer receiving the request will endeavor to assist the person seeking the records in filling in necessary details.

(b) Among the kinds of information which a person seeking records should try to provide in order to permit an identification of a record are the following:

1. The unit or program of the Agency which may be responsible for or may have produced the record.
2. The specific event or action, if any, and if known, to which the record refers.
3. The date of the record or the period to which it refers or relates, if known.
4. The type of record, such as an application, a contract, or a report.
5. Personnel of the office who may have prepared or have knowledge of the record.
6. Citation to newspapers or publications which are known to have referred to the record.

§ 303.10 Schedule of fees.

(a) General. It is the policy of the Peace Corps to encourage the widest possible distribution of information concerning programs under its jurisdiction. To the extent practicable, this policy will be applied under this part so as to permit requests for inspection or copies of records to be met without substantial cost to the person making the request. Search and reproduction charges will be made in accordance with paragraph (c) of this section. On a case-by-case basis, the Peace Corps will conduct a thorough review of all fee waiver requests and will grant waivers of reductions in fees only in those cases in which the requester establishes that the disclosure of the information will primarily benefit the general public. The Agency shall charge fees that recoup the full direct costs incurred. The most efficient and least costly methods to comply with requests for documents made under the FOIA shall be used.
When documents that would be responsive to a request are maintained for distribution by agencies operating statutory-based fee schedule programs, the Agency shall inform requesters of the steps necessary to obtain records from those sources.

(b) Definitions. The Agency adopts the following definitions contained in OMB’s “Uniform Freedom of Information Act Fee Schedule and Guidelines,” that relate to this section:

(1) The term direct costs means those expenditures which an agency actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents to respond to an FOIA request.

(2) The term search includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents.

(3) The term duplication refers to the process of making a copy of a document necessary to respond to an FOIA request. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk), among others.

(4) The term review refers to the process of examining documents located in response to a request that is for a commercial use to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(5) The term ‘commercial use’ request refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade or profit interests of the requester or the person on whose behalf the request is made.

(6) The term educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(7) The term non-commercial scientific institution refers to an institution that is not operated on a “commercial” basis as that term is referenced in paragraph (b)(5) of this section and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(c) Fees to be charged—

(1) Manual searches for records. Whenever feasible, the Agency will charge at the salary rate(s) (i.e. basic pay plus 16 percent) of the employee(s) making the search. However, where a homogeneous class of personnel is used exclusively (e.g., all administrative/clerical, or all professional/executive), the Agency may establish an average rate for the range of grades typically involved.

(2) Computer searches for records. The Agency will charge at the actual direct cost of providing the service. This will
include the cost of operating the central processing unit (CPU) for that portion of operating time that is directly attributable to searching for records responsive to an FOIA request and operator/programmer salary apportionable to the search. When the Agency can establish a reasonable Agency-wide average rate for CPU operating costs and operator/programmer salaries involved in FOIA searches, it may do so and charge accordingly.

(3) Review of records. Only requesters who are seeking documents for commercial use will be charged for time spent reviewing records to determine whether they are exempt from mandatory disclosure. Charges shall be assessed only for the initial review; i.e., the review undertaken the first time the Agency analyzes the applicability of a specific exemption to a particular record or portion of a record. The Agency will not charge for review at the administrative appeal level of an exemption already applied. However, if records or portions of records withheld in full under an exemption which is subsequently determined not to apply are reviewed again to determine the applicability of other exemptions not previously considered, the cost for such a subsequent review is properly assessable. Where a single class of reviewers is typically involved in the review process, the Agency may establish a reasonable Agency-wide average and charge accordingly.

(4) Duplication of records. The charge for paper copy reproduction of documents as of the date of publication is three cents per page. This charge represents the average Agency-wide direct cost of making such copies, taking into account the salary of the operators as well as the cost of the reproduction machinery. The rate shall be adjusted annually. Current rates may be requested from the Director, Office of Administrative Services. For copies prepared by computer, such as tapes or printouts, the Agency will charge the actual cost, including operator time, of production of the tape or printout. For other methods of reproduction or duplication, the Agency will charge the actual direct costs of producing the document or documents.

(5) Other charges. (i) The Agency shall recover the full cost of certifying that records are true copies. The Agency will charge the salary rate(s) (i.e. basic pay plus 16 percent) of the employee(s) certifying the records.

(ii) The Agency shall recover the full cost of sending records by special methods such as express mail, etc. The Agency shall not furnish the records until payment for such service has been received by the Agency. The Agency is not required to comply with requests for special mailing services.

(6) Restrictions on assessing fees. (i) With the exception of requesters seeking documents for a commercial use, the Agency will provide the first 100 pages of duplication and the first two hours of search time without charge. The Agency will not charge fees to any requester, including commercial use requesters, if the cost of collecting the fee would be equal to or greater than the fee itself. Except for commercial use requesters, the Agency will not begin to assess fees until after the free search and reproduction services have been provided.

(ii) The elements to be considered in determining the “cost of collecting a fee,” are the administrative costs to the Agency of receiving and recording a requester’s remittance, and processing the fee for deposit in the Treasury Department’s special account. The per-transaction cost to the Treasury to handle such remittance will not be considered in the Agency’s determination.

(iii) For purposes of these restrictions on assessment of fees, the word “pages” refers to paper copies of a standard agency size which will normally be “8½ x 11” or “11 by 14.”

(iv) The term search time in this context means manual search. To apply this term to searches made by computer, the Agency will determine the hourly cost of operating the central processing unit and the operator’s hourly salary plus 16 percent. When the cost of the search (including the operator time and the cost of operating the computer to process a request) equals the equivalent dollar amount of two hours of the salary of the person performing the search, i.e., the operator, the Agency will begin assessing charges for computer search.
(d) **Payment of Cost.** (1) A request for documents must state that the requester will pay any or all reasonably necessary costs, or costs up to an amount specified in such request. If the head of the unit or the Director of Administrative Services determines that the anticipated cost for search and duplication of the records requested will be in excess of $25, or in excess of the limit specified in the request, the Director of Administrative Services shall advise the requester promptly after receipt of the initial request. Such notification shall specify the anticipated cost of search and reproduction of the records requested. The requester may thereafter amend his or her request to specify fewer documents or agree to accept the estimate of anticipated costs, in which case the request shall be deemed received by the Agency upon the receipt date of the requester's response. A requester may, prior to making a request, ask for an estimate of cost from the Director of Administrative Services who shall promptly respond to such request.

(2) **Method of Payment.** Payment shall be sent or delivered to the Collections Officer, Accounting Division. Such payment must be by check or money order payable to Peace Corps—FOIA. A receipt for fees shall be provided upon request.

(e) **Fees to be Charged—Categories of requesters.** There are four categories of FOIA requesters: Commercial use requesters; educational and non-commercial scientific institutions; representatives of the news media; and all other requesters. The Act prescribes specific levels of fees for each of these categories:

1. **Commercial use requesters.** The Agency will assess charges which recover the full direct costs of searching for, reviewing for release, and duplicating the records sought for commercial use. Commercial use requesters are not entitled to two hours of free search time nor 100 free pages of reproduction of documents.

2. **Educational and non-commercial scientific institution requesters.** The Agency will provide documents to requesters in this category for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

3. **Requesters who are representatives of the news media.** The Agency will provide documents to requesters in this category for the cost of reproduction alone excluding charges for the first 100 pages. To be eligible for inclusion in this category, a requester must meet the definition described in paragraph (b)(8) of this section, and his or her request must not be made for a commercial use. In reference to this class of requester, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use.

4. **All other requesters.** Requesters who do not fit into any of the categories above will be charged fees which recover the full direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time will be furnished without charge. Requests from individuals for records about themselves filed in the Agency’s systems of records will continue to be treated under the fee provisions published in the Agency’s Privacy Act regulations (22 CFR part 308).

(f) **Waiving or Reducing Fees—(1) General.** The Agency will furnish documents without charge or at reduced charges if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. A requester may, in his or her original request, or subsequently, ask for a fee waiver or that documents be furnished at a reduced charge. A request for documents shall not be deemed to have been received until a determination of the question of fee waiver or reduction has been

made, provided however, that such determination shall be made within five working days from the receipt of a fee waiver request. A request for waiver or reduction of fees shall specify the amount of reduction requested and the reasons which cause the requester to feel that the criteria for waiver or reduction of fees have been met.

(2) Procedures. (i) Upon receipt of a fee waiver or fee reduction request the Director of Administrative Services will promptly determine whether such request should be granted in whole or in part. The request shall be reviewed in accordance with the following statutory Freedom of Information Act fee waiver criteria:

(A) Whether disclosure of the information “is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government”; and

(B) That disclosure of the information “is not primarily in the commercial interest of the requester.”

(ii) There are six general factors which are considered in determining whether the statutory criteria for fee waiver have been met:

(A) The subject of the request: Whether the subject of the requested records concerns “the operations or activities of the government”;

(B) The informative value of the information to be disclosed: Whether the disclosure is “likely to contribute” to an understanding of government operations or activities;

(C) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to “public understanding”; and

(D) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute “significantly” to public understanding of government operations or activities;

(E) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so

(F) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is “primarily in the commercial interest of the requester.”

(iii) The decision to refuse to waive or reduce fees as requested under paragraph (f)(1) of this section may be appealed to the Director of the Peace Corps or such official as he or she may designate. Appeals should contain as much information and documentation as possible to support the request for a waiver or reduction of fees. The requester will be notified within ten working days from the date of which the Agency received the appeal.

(g) Administrative Actions to Improve Assessment and Collection of Fees. The Agency shall ensure that procedures for assessing and collecting fees are applied consistently and uniformly.

(1) Charging interest. The Agency will begin assessing interest charges on an unpaid bill starting on the 31st day following the day on which the billing was sent. The fact that the fee has been received by the Agency, even if not processed, will suffice to stay the accrual of interest. Interest will be at the rate prescribed in section 3717 of title 31, United States Code, will accrue from the date of the billing.

(2) Charges for unsuccessful search. The Agency will assess charges for time spent searching, even if the Agency fails to locate the records or if records located are determined to be exempt from disclosure.

(3) Aggregating requests. A requester may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When the Agency reasonably believes that a requester or, on rare occasions, a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Agency may aggregate any such requests and charge accordingly. The Agencies will not aggregate multiple requests on unrelated subjects from one requester.

(4) Advance payments. (i) Advance payment, i.e., payment before work is
commenced or continued on a request are not required unless:

(A) The Agency estimates or determines that allowable charges that a requester may be required to pay are likely to exceed $250. Then, the Agency shall notify the requester of the likely full payment where the requester has a history of prompt payment of FOIA fees, or require an advance payment of an amount up to the full estimated charges in the case of requesters with no history of payment; or

(B) Where a requester has previously failed to pay a fee charged in a timely fashion (i.e. within 30 days of the date of the billing), the Agency may require the requester to pay the full amount owed plus any applicable interest as provided above, or to demonstrate that he has, in fact, paid the fee, and to make an advance payment of the full amount of the estimated fee before the Agency begins to process a new request or a pending request from that requester.

(ii) When the Agency acts under paragraph (g)(4)(i) of this section, the administrative time limits prescribed in subsection (a)(6) of the FOIA (i.e., 10 working days from receipt of initial requests and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits) will begin only after the Agency has received fee payments described above.

305.3 Background investigations.
305.4 Selection standards.
305.5 Procedures.

§ 305.1 Purpose and general guideline.

This subpart states the requirements for eligibility for Peace Corps Volunteer service and the factors considered in the assessment and selection of eligible applicants for training and service. In selecting individuals for Peace Corps Volunteer service under this subpart, as required by section 5(a) of the Peace Corps Act, as amended, “no political test shall be required to be taken into consideration, nor shall there be any discrimination against any person on account of race, sex, creed, or color.” Further, in accordance with section 417(c)(1) of the Domestic Volunteer Service Act, as amended (42 U.S.C. 5057(c)(1)) the non-discrimination policies and authorities set forth in section 717 of the Civil Rights Act of 1964 (42 U.S.C. 2000e-16), title V of the Rehabilitation Act of 1973 (29 U.S.C. 791 et seq.) and the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), are also applicable to the selection, placement, service and termination of Peace Corps Volunteers.

§ 305.2 Eligibility.

In addition to those skills, personal attributes and aptitudes required for available Volunteer assignments, the following are the basic requirements that an applicant must satisfy in order to receive an invitation to train for Peace Corps Volunteer service.

(a) Citizenship. The applicant must be a citizen of the United States or have made arrangements satisfactory to the Office of Marketing, Recruitment, Placement and Staging (MRPS) and the Office of General Counsel (D/GC) to be naturalized prior to taking the oath prescribed for enrollment as a Peace Corps Volunteer. (See section 5[a] of the Peace Corps Act, as amended).

(b) Age. The applicant must be at least 18 years old.

(c) Medical status. The applicant must, with reasonable accommodation, have the physical and mental capacity required of a Volunteer to perform the essential functions of the Peace Corps Volunteer assignment for which he or she is otherwise eligible, and be able to complete an agreed upon tour of service, ordinarily two years, without unreasonable disruption due to health problems. In determining what is a reasonable accommodation, the Peace Corps may take into account the adequacy of local medical facilities. In determining whether an accommodation would impose an undue hardship on the operation of the Peace Corps, factors to be considered include: (1) The overall size of the Peace Corps program with respect to the number of employees and/or Volunteers, size of budget, and size and composition of staff at post of assignment, (2) the nature and cost of the accommodation, and (3) the capacity of the host country agency to which the applicant would be assigned to provide any special accommodation necessary for the applicant to carry out the assignment.

(d) Legal status. The applicant must not be on parole or probation to any court or have any court established or acknowledged financial or other legal obligation which, in the opinion of D/GC and MRPS, cannot be satisfied or postponed during the period of Peace Corps service.

(e) Intelligence background. In accordance with longstanding Peace Corps policy, prior employment by any agency of the United States Government, civilian or military, or division of such an agency, whose exclusive or principle function is the performance of intelligence activities; or engaging in intelligence activities or related work may disqualify a person from eligibility for Peace Corps service. See section 611 of the Peace Corps Manual.

(f) Marital status. (1) Ordinarily, if an applicant is married or intends to marry prior to Peace Corps service, both husband and wife must apply and qualify for assignment at the same location. Exceptions to this rule will be considered by the Office of Volunteer Placement (MRPS/P) under the following conditions:

(2)(i) Unaccompanied married applicant. In order to qualify for consideration for Peace Corps service, a married applicant whose spouse does not wish to accompany him/her overseas must provide the Office of Placement (MRPS/P) with a notarized letter from...
§ 305.4 Selection standards.

To qualify for selection for overseas service as a Peace Corps Volunteer, applicants must demonstrate that they possess the following personal attributes:

(a) Motivation. A sincere desire to carry out the goals of Peace Corps service, and a commitment to serve a full term as a Volunteer.

(b) Productive competence. The intelligence and educational background to meet the needs of the individual's assignment.

(c) Emotional maturity/adaptability. The maturity, flexibility, and self-sufficiency to adapt successfully to life in Peace Corps service.

the spouse acknowledging that he or she is aware of the applicant spouse's intention to serve as a Peace Corps Volunteer for two years or more and that any financial and legal obligations of the applicant to his or her spouse can be met during the period of Peace Corps service. In determining eligibility in such cases, MRPS/P will also consider whether the service of one spouse without the accompaniment of the other can reasonably be anticipated to disrupt the applicant spouse's service overseas.

(ii) In addition to satisfying the above requirements, a married applicant who is legally, or in fact, separated from his or her spouse, must provide MRPS/P with copies of any agreements or other documentation setting forth any legal and financial responsibilities which the parties have to one another during any period of separation.

(3) Divorced applicants. Applicants who have been divorced must provide MRPS/P with copies of all legal documents related to the divorce.

(g) Dependents. Peace Corps has authority to provide benefits and allowances for the dependent children of Peace Corps Volunteers who are under the age of 18. However, applicants with dependent children under the age of 18 will not be considered eligible for Peace Corps service unless MRPS/P determines that the skills of the applicants are essential to meet the requirements of a Volunteer project, and that qualified applicants without minor dependents are not available to fill the assignment.

(1) Procedures for placing volunteers with children. The placement of any couple with dependent children must have the concurrence of the appropriate Country and Regional Director.

(2) If the applicant has any dependents who will not accompany him or her overseas, the applicant must satisfy MRPS/P and the General Counsel that adequate arrangements have been made for the care and support of the dependent during any period of training and Peace Corps service; that such service will not adversely affect the relationship between the applicant and dependent in such a way as to disrupt his or her service; and that he or she is not using Peace Corps service to escape responsibility for the welfare of any dependents under the age of 18.

(3) Married couples with more than two children or with children who are below two years of age are not eligible for Peace Corps service except in extraordinary circumstances as approved by the Director of the Peace Corps or designee.

(h) Military service. Applicants with military or national guard obligation must provide MRPS/P with a written statement from their commanding officer that their presence will not be required by their military unit for the duration of their Peace Corps service, except in case of national emergency.

(1) Failure to disclose requested information. Failure to disclose, and/or the misrepresentation of material information requested by the Peace Corps regarding any of the above described standards of eligibility may be grounds for disqualification or separation from Peace Corps Volunteer service. (See section 284 of the Peace Corps Manual.)

§ 305.3 Background investigations.

Section 22 of the Peace Corps Act states that to ensure enrollment of a Volunteer is consistent with the national interest, no applicant is eligible for Peace Corps Volunteer service without a background investigation. The Peace Corps requires that all applicants accepted for training have as a minimum a National Agency Check. Information revealed by the investigation may be grounds for disqualification from Peace Corps service.
another culture, and to interact and communicate with other people regardless of cultural, social, and economic differences.

(d) Skills. By the end of training, in addition to the attributes mentioned above, a Trainee must demonstrate competence in the following areas:

(1) Language. The ability to communicate in the language of the country of service with the fluency required to meet the needs of the overseas assignment.

(2) Technical competence. Proficiency in the technical skills needed to carry out the assignment.

(3) Knowledge. Adequate knowledge of the culture and history of the country of assignment to ensure a successful adjustment to, and acceptance by, the host country society. The Trainee must also have an awareness of the history and government of the United States which qualifies the individual to represent the United States abroad.

(e) Failure to meet standards. Failure to meet any of the selection standards by the completion of training may be grounds for deselection and disqualification from Peace Corps service.

§ 305.5 Procedures.

Procedures for filing, investigating, and determining allegations of discrimination on the basis of race, color, national origin, religion, age, sex, handicap or political affiliation in the application of any provision of this part are contained in MS 293 (45 CFR part 1225).

Subpart A—General

§ 307.735–101 Introduction.

(a) Section 735.101 of title 5 of the Code of Federal Regulations requires each agency head to issue his or her agency regulations regarding the ethical conduct and other responsibilities of all of its employees. All employees are responsible for complying with
these regulations. One of the main purposes of the regulations in this part is to encourage individuals faced with questions involving subjective judgment to seek counsel and guidance. The Designated Agency Ethics Official (DAEO) and Deputy and Alternate DAEO in the Office of General Counsel are designated to be the counselors for Peace Corps with respect to these matters. They will provide authoritative advice and guidance to any Peace Corps employee, former employee, or potential employee who seeks it.

(b) The Peace Corps Committee on Conflict of Interest will review and monitor the Agency’s policies and procedures on conflict of interest. The committee shall consist of the General Counsel, the Associate Director for Management, the Director for Compliance, the Director of Contracts, the Associate Director for International Operations, and the Director’s designee, who shall be a nonvoting member. Committee membership is not delegable. The Designated and Deputy Agency Ethics Officials shall act as advisors to the Committee and shall record the Committee’s decisions. The Committee, by majority vote, shall have the authority to:

1. Adopt the procedures necessary to insure the implementation of and compliance with the conflict of interest regulations found at §§ 307.735–301 through 307.735–305.

2. Issue interpretive opinions or clarifying statements on actual or hypothetical situations involving the provisions of §§ 307.735–301 through 307.735–305.

3. Accept and review reports filed under § 307.735–302(b).

4. Grant specific relief from the provisions of §§ 307.735–303 through 307.735–305 by a majority vote of the committee, if after due consideration the committee finds that:

1. No actual conflict of interest exists, and

2. The purpose of the rule would not be served by its strict application, and

3. A substantial inequity would otherwise occur. In each such case the committee shall issue a written decision setting forth its findings as required above. The committee may make any exception subject to such conditions and restrictions as it deems appropriate.

(c) Any violation of the regulations in this part may be cause for remedial or disciplinary action. Remedial action may include changes in assigned duties, disqualification for a particular assignment, divestment of a conflicting interest, and other action as appropriate. Violation of those provisions of the regulations in this part which reflect legal prohibitions may also entail penalties provided by law.

(d) This part applies to all employees of Peace Corps. “Employee” as used in this part includes regular employees, Presidential appointees, “special Government employees,” experts and consultants whether employed on a full-time, part-time, or intermittent basis, and Foreign Service National employees (FSNs).

§ 307.735–102 Definitions.

(a) Special Government employee as used herein means a person appointed or employed to perform temporary duties for Peace Corps with or without compensation, on a full-time, part-time, or intermittent basis, for not to exceed 130 days during any period of 365 days.

(b) Regular Government employee as used herein means any officer or employee other than a Special Government employee.

(c) Organization as used herein includes profit and non-profit corporations, associations, partnerships, trusts, sole proprietorships, foundations, individuals and foreign, State and local government units.

(d) Potential Contractor means any organization or individual that has submitted a proposal, application, or otherwise indicated in writing its intent to apply for or seek a specific contract or other agreement.

(e) Associated with means:

1. That the person is a director of the organization or is a member of a board or committee which exercises a recommending or supervisory function in connection with a Peace Corps project;

2. That the person serves as an employee, officer, owner, trustee, partner, consultant, or paid advisor (general membership in an organization is not
Subpart B—General Conduct and Responsibilities of Employees

§ 307.735–201 Proscribed actions—Executive Order 11222.

As provided by the President in Executive Order No. 11222, whether specifically prohibited by law or in the regulations in this part, no U.S. regular or special Government employees shall take any action which might result in, or create the appearance of:

(a) Using public office or employment for private gain, whether for themselves or for another person, particularly one with whom they have family, business, or financial ties.

(b) Giving preferential treatment to any person.

(c) Impeding Government efficiency or economy.

(d) Losing complete independence or impartiality.

(e) Making a Government decision outside official channels.

(f) Affecting adversely the confidence of the public in the integrity of the Government.

(g) Using Government office or employment to coerce a person to provide financial benefit to themselves or to other persons, particularly anyone with whom they have family, business or financial ties.

§ 307.735–202 General conduct prejudicial to the Government.

An employee may not engage in criminal, infamous, dishonest, immoral, or notoriously disgraceful conduct prejudicial to the Government (5 CFR 735.209).

§ 307.735–203 Criminal statutory prohibitions: Conflict of interest.

(a) Regular Government employees. Regular employees of the Government are subject to the following major criminal prohibitions:

(1) They may not, except in the discharge of their official duties, represent anyone else before a court or Government agency in a matter in which the United States is a party or has an interest. This prohibition applies to both paid and unpaid representation of another (18 U.S.C. 203 and 205).
(2) They may not participate in their governmental capacity in any matter in which they, their spouse, minor child, outside business associate, or persons with whom they are negotiating for employment have a financial interest (18 U.S.C. 208). This restriction shall not apply if an employee advises the official responsible for appointment to his or her position of the nature and circumstances of the matter, fully discloses the financial interest, and receives in advance from the appointing official a written determination that the interest is not so substantial as to affect the integrity of the Peace Corps.

(3) They may not, after Government employment has ended, represent anyone other than the United States in connection with a particular matter in which the United States is a party or has an interest and which they participated personally and substantially for the Government (18 U.S.C. 207).

(4) They may not, for 2 years after their Government employment has ended, represent anyone other than the United States in connection with a matter in which the United States is a party or has an interest and which was within the boundaries of their official responsibility during their last year of Government service. This temporary restraint gives way to the permanent restraint described in paragraph (a)(3) of this section if the matter is one in which the employee participated personally and substantially (18 U.S.C. 207).

(5) They may not receive any salary, or supplementation of their Government salary, from a private source as compensation for services to the Government (18 U.S.C. 209).

(b) Special Government employees. Special Government employees are subject to the following major criminal prohibitions:

(1) They may not, except in the discharge of official duties, represent anyone else before a court or Government agency in a matter in which the United States is a party or has an interest and which they have at any time participated personally and substantially for the Government (18 U.S.C. 203 and 205).

(2) They may not, except in the discharge of official duties, represent anyone else in a matter pending before the agency they serve unless they have served there no more than 60 days during the past 365. They are bound by this restraint despite the fact that the matter is not one in which they have ever participated personally and substantially (18 U.S.C. 205). (See §307.735-303(b) for additional nonstatutory Agency restrictions on a special employee representing any other person or organization in a matter pending before the Agency.) The restrictions described in paragraphs (b)(1) and (2) of this section apply to both paid and unpaid representation of another.

(3) They may not participate in their governmental capacity in any matter in which they, their spouse, minor child, outside business associate, or persons with whom they are negotiating for employment have a financial interest (18 U.S.C. 208).

(4) They may not, after their Government employment has ended, represent anyone other than the United States in connection with a particular matter in which the United States is a party or has an interest and in which they participated personally and substantially (18 U.S.C. 207).

(5) They may not, for 2 years after their Government employment has ended, represent anyone other than the United States in connection with a matter in which the United States is a party or has an interest and which was within the boundaries of their official responsibility during their last year of Government service. This temporary restraint gives way to the permanent restriction described in paragraph (b)(4) of this section if the matter is one in which they participated personally and substantially (18 U.S.C. 207).

(c) Senior Employees. Employees in positions for which the basic rate of pay is specified in subchapter II of chapter 53 of title 5, United States Code (Executive Schedule Pay Rates), or a comparable or greater rate of pay under other authority; and employees in positions which involve significant decision-making or supervisory responsibility for which the basic rate of pay is equal to or greater than the basic rate of pay for GS–17 (FE–2), are Senior Employees.
Subpart C—Outside Employment, Activities, and Associations

§ 307.735–301 In general.

(a) There is no general prohibition against Peace Corps employees holding outside employment, including teaching, lecturing, or writing, but no employee may engage in outside employment or associations if they might result in a conflict or an appearance of conflict between the private interests of the employee and his or her official responsibility. As provided in 5 CFR 735.203(a), incompatible activities include, but are not limited to, acceptance of a fee or anything of monetary value when acceptance may result in an actual or apparent conflict of interest, and outside employment which tends to impair the employee's mental or physical capacity to perform Government duties and responsibilities in an acceptable manner. Any employee planning to engage in outside employment shall so notify his or her supervisor and the DAEO of the name of the proposed employer and the nature of the proposed duties. The DAEO will acknowledge receipt of this information to the employee and supervisor. If the DAEO believes that the information raises a question of conflict of interest, the DAEO shall submit the information for review and resolution to the Committee on Conflict of Interest in accordance with § 307.735–101.

(b) An employee shall not receive any salary or anything of monetary value from a private source as compensation for his or her services to the Government (18 U.S.C. 209).

(c) An employee shall not have a direct or indirect financial interest that conflicts substantially or appears to conflict substantially with his or her Government duties and responsibilities. Nor may an employee engage in, directly or indirectly, a financial transaction as a result of or primarily relying on information obtained through his or her Government employment.
§ 307.735–302 Association with potential contractor prior to employment.

(a) No employee, or any person subject to his or her supervision, may participate in the decision to award a contract to an organization with which that employee has been associated in the past 2 years. When an employee becomes aware that such an organization is under consideration for or has applied for a contract with the Agency, the employee shall notify his or her immediate supervisor in writing. The supervisor shall take whatever steps are necessary to exclude the employee from all aspects of the decision processes regarding the contract or agreement.

(b) When the Director, Deputy Director, or an Associate Director becomes aware that an organization with which he or she has been associated in the past 2 years is under consideration for or has applied for a contract with the Agency, he or she shall refrain from participating in the decision process and immediately notify the Director of the Office of Compliance, who shall select an independent third party, not in any way connected or associated with the concerned official. The third party shall participate in and review the decision process to the extent he or she deems necessary to insure objectivity and the absence of favoritism. Said third party shall preferably be a person experienced in the area of government contracts. The third party shall file a report in writing with the Committee on Conflict of Interest stating his or her conclusions, observations, or objections, if any, to the decision process concerning the contract or agreement, which document shall be attached to and become a part of the official file.

§ 307.735–303 Association with Peace Corps contractor or potential contractor while an employee.

(a) No regular employee may be associated with any Peace Corps contractor or potential contractor. Any organization that is associated with a regular employee shall be suspended from consideration as a contractor.

(b) No regular or special employee, except in his or her official capacity as a Peace Corps employee, shall either participate in any way on behalf of any organization in the preparation or development of a contract proposal involving Peace Corps or represent any other organization in a matter pending before Peace Corps. In the event that a regular or special employee participates while an employee of Peace Corps in any aspect of the development of a contract or agreement proposal on behalf of an organization, or represents another organization in a matter pending before Peace Corps, that organization shall be suspended from consideration for the contract or other agreement. If the employee’s prohibited participation is discovered after award of the contract, appropriate disciplinary action shall be taken, including, but not limited to, the placement of a letter describing the violation in the employee’s official personnel file.

(c) No regular or special employee who, prior to his or her employment at Peace Corps, participated in the development of a contract or other agreement proposal on behalf of another organization, shall participate as a Peace Corps employee in any aspect of the decision process regarding that contract or other agreement, or, if the contract or other agreement is awarded, in any oversight or management capacity in relation to that contract or other agreement. In addition, any such contract or other agreement shall only be awarded through a competitive process. In the event a regular or special employee who participated in the development of the contract or other agreement proposal prior to being employed at Peace Corps does participate as a Peace Corps employee in the decision process for such contract or other agreement, the organization shall be suspended from consideration.

(d) If a special employee participates as an employee of Peace Corps in any aspect of the development of a proposal, whether or not such participation is minimal or substantial, any organization with which he or she is associated shall be suspended from consideration for the contract or other agreement.

(e) If an organization with which a special employee is associated submits a proposal for a contract or other agreement, and the special employee

(a) Employees may negotiate for prospective employment with non-Federal Government organizations only when they have no duties as Peace Corps employees which could affect that organization’s interest, or after they have disqualified themselves, on the written permission of their supervisor, from such duties.

(b) For 1 year after leaving Peace Corps, no regular or special employee may serve pursuant to a personal or nonpersonal services contract or other agreement or accept employment with a Peace Corps contractor for a position in which he or she would be working in any activity supported in whole or in part by Peace Corps funds received under a Peace Corps program which was within the boundaries of the employee’s official responsibility or in which he or she participated personally while employed at Peace Corps. This 1-year ban shall not apply to those overseas employees whose positions are converted to personal services contracts at the convenience of the Peace Corps as determined jointly by the Associate Directors for International Operations and Management.

(c) If, within 1 year after leaving Peace Corps, an individual accepts employment in violation of this rule, Peace Corps will disallow the costs allocated under the contract or other agreement for that position. In addition, a letter describing the violation will be placed in the personnel files of the former employee and the requiring office current or former staff member(s) responsible for issuing an individual personal or non-personal services contract.

(d) If a special employee wishes to become or remain associated with a Peace Corps contractor while he or she is an employee of Peace Corps, subject to the restrictions (b) through (e) of §307.735–303, the matter shall be referred to the Committee on Conflict of Interest for determination. The Committee shall consider the following factors and any others it deems relevant:

1. The nature, length, and origin of the special employee’s relationship with the Agency, the nature and scope of the employee’s duties and responsibilities, the division or office to which the employee is assigned, and whether the employee’s duties are in any way related to the proposed contract or other agreement.

2. The nature, length, and type of the employee’s relationship with the organization, whether the employee’s position involves policy making or supervision of other employees and the relationship of the position with the organization to the work to be performed under the proposed contract or other agreement.

3. Whether awarding the contract or other agreement to the organization would result in the appearance of or the potential for a conflict of interest.

4. The process to be used in awarding the contract or other agreement.

(f) If a special employee wishes to become or remain associated with a Peace Corps contractor while he or she is an employee of Peace Corps, subject to the restrictions (b) through (e) of §307.735–303, the matter shall be referred to the Committee on Conflict of Interest for determination. The Committee shall consider the following factors and any others it deems relevant:

1. The nature, length, and origin of the special employee’s relationship with the Agency, the nature and scope of the employee’s duties and responsibilities, the division or office to which the employee is assigned, and whether the employee’s duties are in any way related to the proposed contract or other agreement.

2. The nature, length, and type of the employee’s relationship with the organization, whether the employee’s position involves policy making or supervision of other employees and the relationship of the position with the organization to the work to be performed under the proposed contract or other agreement.

3. Whether such a relationship would result in the appearance of or the potential for a conflict of interest.

4. The process to be used in awarding the contract or other agreement.

(g) Any suspension involving proposed contracts under this rule shall be in accordance with procedures set forth in the applicable Federal Acquisition Regulation, FAR 9.4.
An employee of a Peace Corps contractor who is compensated directly or indirectly from Peace Corps funds will be ineligible to be compensated under any personal or nonpersonal services contract with this Agency which will result in the employee being paid twice for the same time or product.

(a) Teaching, lecturing, and writing—
(1) Use of information. An employee shall not, either for or without compensation, engage in teaching, lecturing, or writing that is dependent on information obtained as a result of his or her Government employment, except when that information has been or on request will be made available to the general public or when the agency head gives advance written authorization for the use of nonpublic information on the basis that the proposed use is in the public interest.
(2) Compensation. No employee may accept compensation or anything of value for any lecture, discussion, writing, or appearance, the subject matter of which is devoted substantially to the Peace Corps programs or which draws substantially on official data or ideas which have not become part of the body of public information.
(3) Clearance of publications. No employee may submit for publication any writing, other than recruiting information, the contents of which are devoted to the Peace Corps programs or to any other matter which might be of official concern to the U.S. Government without in advance clearing the writing with the Director of Public Affairs. Before clearing any such writing, the Director of Public Affairs will consult with the appropriate Peace Corps office.
(b) State and local government employment. Regular employees may not hold office or engage in outside employment under a State or local government except with prior approval of the General Counsel, Peace Corps.
(c) All employees not required by §307.735–401 to report their outside employment and financial interests shall inform their supervisors of all outside paid and unpaid employment they hold or accept.
(d) Employees in positions classified at the FP-1 or above levels who intend to engage in outside employment shall notify the DAEO in writing of the nature of their duties and the name and address of the organization for which the individual for whom they will work. The notification will be made annually by June 30, with additions or deletions submitted as they occur.

(a) From donors dealing with Peace Corps. (1) No regular or special employees may solicit or accept, directly or indirectly, for themselves, for any member of their family, or for any person with whom they have business or financial ties, any gift, gratuity, favor, entertainment, or loan or any other thing of value, from any individual or organization which:
(i) Has, or is seeking to obtain, contractual or other business or financial relations with Peace Corps;
(ii) Has interests that may be substantially affected by the performance or nonperformance of the employee’s official responsibility;
(iii) Is in any way attempting to affect the employee’s exercise of his or her official responsibility; or
(iv) Conducts operations or activities that are regulated by Peace Corps.
(2) Paragraph (a)(1) of this section does not prohibit, even if the donor has dealings with Peace Corps:
(i) Acceptance of things of value from parents, children, or spouse if those relationships rather than the business of the donor is the motivating factor for the gift;
(ii) Acceptance of food and refreshments of nominal value on infrequent occasions in the ordinary course of breakfast, luncheon, or dinner meetings or other meetings;
(iii) Solicitation and acceptance of loans from banks or other financial institutions to finance proper and usual activities of employees, such as home mortgage loans, solicited and accepted on customary terms;
(iv) Acceptance on behalf of minor dependents of fellowships, scholarships,
or educational loans awarded on the basis of merit and/or need;

(v) Acceptance of awards for meritorious public contribution or achievement given by a charitable, religious, professional, social, fraternal, non-profit educational and recreational, public service, or civic organization.

(3) Regular or special employees need not return unsolicited advertising or promotional material, such as pens, pencils, note pads, calendars, and other things of nominal intrinsic value.

(b) From other Peace Corps employees. No employees in superior official positions may accept any gifts presented as contributions from employees in lower grades. No employees shall solicit contributions from other employees for a gift to an employee in a superior official position, nor shall any employees make a donation as a gift to an employee in a superior official position. However, this paragraph does not prohibit a voluntary gift of nominal value or donation in a nominal amount made on a special occasion such as marriage, illness, or retirement.

(c) From foreign governments. No regular employee may solicit or, without the consent of the Congress, receive any present, decoration, emolument, pecuniary favor, office, title, or any other gift from any foreign government. See 5 U.S.C. 7342; Executive Order 11320; and 22 CFR part 3.

(d) Gifts to Peace Corps. Gifts to the United States or to Peace Corps may be accepted in accordance with section 10(a)(4) of the Peace Corps Act and Peace Corps Manual section 721.

(e) Reimbursement for expenses. Neither this section nor §307.735–310(a) precludes an employee from receipt of bona fide reimbursement, unless prohibited by law, for expenses of travel and such other necessary subsistence as is compatible with this part and for which no Government payment or reimbursement is made. An employee may personally accept reimbursement from organizations that qualify for tax-deductible contributions under section 501(c)(3) of the Internal Revenue Code. However, this paragraph does not allow an employee to be reimbursed, or payment to be made on his or her behalf, for excessive personal living expenses, gifts, entertainment, or other personal benefits. Nor does it allow an employee to receive non-Government reimbursement of travel expenses for travel on official business under Peace Corps orders; but rather, such reimbursement, if any, should be made to Peace Corps and amounts received should be credited to its appropriation. If an employee receives accommodations, goods, or services in kind from a non-Government source, this item or items will be treated as a donation to Peace Corps and an appropriate reduction will be made in per diem or other travel expenses payable.

§307.735–308 Economic and financial activities of employees abroad.

(a) Prohibitions in any foreign country. A U.S. citizen employee abroad is specifically prohibited from engaging in the activities listed below in any foreign country:

(1) Speculation in currency exchange;

(2) Transactions at exchange rates differing from local legally available rates, unless such transactions are duly authorized in advance by the agency;

(3) Sales to unauthorized persons whether at cost or for a profit of currency acquired at preferential rates through diplomatic or other restricted arrangements;

(4) Transactions which entail the use, without official sanction, of the diplomatic pouch;

(5) Transfers of funds on behalf of blocked nationals, or otherwise in violation of U.S. foreign funds and assets control;

(6) Independent and unsanctioned private transactions which involve an employee as an individual in violation of applicable control regulations of foreign governments;

(7) Acting as an intermediary in the transfer of private funds for persons in one country to persons in another country, including the United States;

(8) Permitting use of one’s official title in any private business transactions or in advertisements for business purposes.

(b) Prohibitions in country of assignment. (1) A U.S. citizen employee shall not transact or be interested in any business or engage for profit in any profession or undertake other gainful
employment in any country or countries to which he or she is assigned or detailed in his or her own name or through the agency of any other person.

(2) A U.S. citizen employee shall not invest in real estate or mortgages on properties located in his or her country of assignment. The purchase of a house and land for personal occupancy is not considered a violation of this subparagraph.

(3) A U.S. citizen employee shall not invest money in bonds, shares, or stocks of commercial concerns headquartered in his or her country of assignment or conducting a substantial portion of business in such country. Such investments, if made prior to knowledge of assignment or detail to such country or countries, may be retained during such assignment or detail.

(4) A U.S. citizen employee shall not sell or dispose of personal property, including automobiles, at prices producing profits which result primarily from import privileges derived from his or her official status as an employee for the U.S. Government.

§ 307.735–309 Information.

(a) Release of information to the press. 
(1) Regular or special employees shall not withhold information from the press or public unless that information is classified or administratively controlled (limited official use). All responses to requests for information from the press should be referred to the Director of Public Affairs who will be responsible for all releases. Regular and special employees should be certain that information given to the press and public is accurate and complete.

(2) Any questions as to the classification or administrative control of information should be referred to the DAEO.

(b) Disclosure and misuse of inside information. No employee may, directly or indirectly, disclose or use for his or her own benefit, or for the private benefit of another, inside information as described in paragraph (c) of this section. The use of such information by an employee is restricted to the proper performance of his or her official duties. The disclosure of such information is restricted to official Peace Corps channels unless disclosure is authorized by the Director, the Deputy Director, the General Counsel, or an Associate Director of Peace Corps. In particular, no employee may:

(1) Engage in, directly or indirectly, a financial transaction as a result of or primarily relying on such information; or

(2) Publish any book or article, or deliver any speech or lecture, based on or using such information.

(c) Definition. The term inside information as used in this section means, generally, information obtained under Government authority which has not been made available to the general public and which could affect the rights or interests of the Government or of a non-Government organization or person. Such information includes information about Peace Corps operations or administration, and personnel which could influence someone’s dealing with Peace Corps.

§ 307.735–310 Speeches and participation in conferences.

(a) Fees and expenses. (1) Although an employee may not accept a fee for his or her own use or benefit for making a speech, delivering a lecture, or participating in a discussion if the subject is Peace Corps or Peace Corps programs or if such services are part of the employee’s official Peace Corps duties, the employee may suggest that the amount otherwise payable as a fee or honorarium be contributed to Peace Corps under the authority of section 10(a)(4) of the Peace Corps Act.
§ 307.735–311 22 CFR Ch. III (4–1–00 Edition)

(2) When a meeting, discussion, etc., to which paragraph (a)(1) of this section refers takes place at a substantial distance from the employee’s home, he or she may accept reimbursement for the actual cost of transportation and necessary subsistence, or expenses, but in no case shall he or she receive any amount for personal benefit. Such reimbursements shall be reported by the employee to his or her immediate supervisors.

(3) An employee may accept fees for speeches, etc. dealing with subjects other than Peace Corps or Peace Corps programs when no official funds have been used in connection with his or her appearance and such activities do not interfere with the efficient performance of his or her duties.

(4) In order to avoid even the appearance of a conflict of interest, whether or not a fee is offered should not be determinative of whether an employee makes a speech or participates in a discussion if the subject is Peace Corps or its programs, or if such services are part of the employee’s official duties.

(b) Racial segregation. No employee may participate for Peace Corps in conferences or speak for Peace Corps before audiences where any racial group has been segregated or excluded from the meeting, from any of the facilities or conferences, or from membership in the organization sponsoring the conference or meeting.

(1) When a request for Peace Corps speakers or participation is received under circumstances where segregation may be practiced, the Director of Public Affairs shall make specific inquiry as to the practices of the organization before the request is filled.

(2) If the inviting organization shows a willingness to modify its practices, Peace Corps will cooperate in such efforts.

(3) Exceptions to this paragraph may be made only by the Director, Peace Corps and in his or her discretion.

§ 307.735–311 Partisan political activity.

(a) Prohibited activities. No employee may:

(1) Use his or her official authority or influence for the purpose of interfering with an election or affecting the result thereof; or

(2) Take any active part in partisan political management or in political campaigns, except as may be provided by or pursuant to statute, 5 U.S.C. 7324.

(b) Intermittent employees. Persons employed on an irregular or occasional basis are subject to paragraph (a) of this section only while in active duty status and for the 24 hours of any day of actual employment.

(c) Excepted activities. Paragraph (a) of this section does not apply to:

(1) Nonpartisan campaigns and elections in which none of the candidates is to be nominated by or elected as representing a national or State political party, such as most school board elections; or

(2) Political activities connected with questions of public interest which are not specifically identified with national or State political parties, such as constitutional amendments, referenda, and the like (5 U.S.C. 7326).

(d) Excepted communities. Paragraph (a) of this section does not apply to employees who are residents of certain communities. These communities, which have been designated by the Office of Personnel Policy and Operations (5 CFR 733.301), consist of a number of communities in suburban Washington, DC, and a few communities elsewhere in which a majority of the voters are Government employees. Employees who are residents of the designated communities may be candidates for, or campaign for others who are candidates for, local office if they or the candidates for whom they are campaigning are running as independent candidates. An employee may hold local office only in accordance with §§ 307.735–301 through 307.735–306 relating to outside employment and associations.

(e) Special Government employees are subject to the statute for the 24 hours of each day or which they do any work for the Government.

(f) While regular employees may explain and support governmental programs that have been enacted into law, in exercising their official responsibilities they should not publicly support or oppose pending legislation, except in testimony required by the Congress.
A regular or special employee shall not directly or indirectly use, or allow the use of, Government property of any kind, including property leased to the Government for other than officially approved activities. All employees have a positive duty to protect and conserve Government property, including equipment, supplies, and other property entrusted or issued to them. By law, penalty envelopes may be used only for official U.S. Government mail.

§ 307.735–313 Indebtedness.
Peace Corps considers the indebtedness of its employees to be a matter of their own concern and will not function as a collection agency. Nevertheless, a regular or special employee shall pay each just financial obligation in a proper and timely manner, especially one imposed by law such as Federal, State, or local taxes. For the purpose of this section, a “just financial obligation” means one acknowledged by the employee or reduced to judgment by a court, or one imposed by law such as Federal, State or local taxes, and “in a proper and timely manner” means in a manner which the agency determines does not, under the circumstances, reflect adversely on the Government as his or her employer. In the event of a dispute between an employee and an alleged creditor, this section does not require Peace Corps to determine the validity or amount of the disputed debt.

§ 307.735–314 Gambling, betting, and lotteries.
A regular or special employee shall not participate, while on Government owned or leased property or while on duty for the Government in any gambling activity, including the operation of a gambling device, in conducting a lottery or pool, in a game for money or property, or in selling or purchasing a numbers slip or ticket.

§ 307.735–315 Discrimination.
No regular or special employee may make inquiry concerning the race, political affiliation, or religious beliefs of any employee or applicant in connection with any personnel action and may not practice, threaten, or promise any action against or in favor of an employee or applicant for employment because of race, color, religion, sex, age, or national origin and in the competitive service on the basis of politics, marital status, or physical handicap.

§ 307.735–316 Related statutes and regulations.

Subpart D—Procedures for Submission by Employees and Review of Statements of Employment and Financial Interests

§ 307.735–401 Submission of statements.

(a) Officials and employees occupying positions classified at the FE-3 level and above are required by title II of the Ethics in Government Act of 1978, as amended, title II of Pub. L. 95–521, to file annual Executive Personnel Financial Disclosure Reports. They need not also file the statement of employment and financial interests required by the following provisions.

(b)(1) Regulations of the Office of Personnel Policy and Operations (5 CFR part 735) require Peace Corps to adopt regulations providing for the submission of statements of employment and financial interests from certain regular employees and all special employees.

(2) All special employees and those regular employees occupying positions described in paragraph (c) of this section shall complete statements of employment and financial interests and submit them to the DAEO not later than 5 days prior to entrance on duty. The Director of Personnel Policy and Operations shall be responsible for supplying all new employees with the necessary forms prior to their initial employment, extensions, or reappointments.

(3) The initial statement of employment and financial interests shall include information on organizations with which the employee was associated during the 2 years prior to his or her employment by Peace Corps, as well as information about current associations. Special employees shall also indicate to the best of their knowledge which organizations listed currently on their forms have contracts with or are applying for contracts with the Peace Corps. If any information required to be included on the statement, including holdings placed in trust, is not known to an employee but is known to another person, he or she is required to request that other person to submit information on his or her behalf.

(4) Current employees shall file a statement on or before June 30 each year. The Director of Personnel Policy and Operations shall be responsible for insuring that statements are distributed to all affected employees. Notwithstanding the filing of the annual report required by this paragraph each employee shall at all times avoid acquiring a financial interest that could result, or taking an action that would result, in a conflict of interest and a violation of the conflict-of-interest provisions of section 208 of title 18, United States Code, or the conflict-of-interest provisions of this part.

(5) In the case of temporary summer employees hired at FP-7 or equivalent and below to perform duties other than those of an expert or consultant, the reporting requirement will be waived. It may also be waived by the Director of Personnel Policy and Operations.
with respect to other appointments, except as experts or consultants, upon a finding that the duties of the position held by the special Government employee are of a nature and at such a level of responsibility that the reporting of employment and financial interests is not necessary to protect the integrity of the Government.

(6) Regular or special employees are not required to submit in a statement of employment and financial interests any information about their connection with or interest in a professional society or a charitable, religious, social, fraternal, recreational, public service, civic, or political organization not conducted as a business enterprise. For this purpose, any organizations doing work involving or potentially involving contracts with the Government are considered business enterprises and are required to be included in a regular or special employee’s statement of employment and financial interests.

(7) The statements of employment and financial interests required are in addition, and not in substitution for or in derogation of, any similar requirement imposed by law, order, or regulation. The submission of a statement by an employee does not permit him or her or any other person to participate in a matter in which his or her or other persons’ participation is prohibited by law, order, or regulations.

(8) A regular employee who believes that his or her position has been improperly included under Peace Corps regulations as one requiring the submission of a statement of employment and financial interests shall be given an opportunity for review through Peace Corps’ grievance procedures to determine whether the position has been improperly included.

(c) Statements shall be submitted by employees who are engaged in any aspect of Government contracting or procurement activities including, but not limited to, the planning, design, award, monitoring, and evaluation of Peace Corps procurement of goods and services; and by all special employees (expert and consultants).

(a) The DAEO shall review all statements and forward the names of all listed organizations to the Director of Contracts. In addition, if the information provided in the statement indicates on its face a real, apparent, or potential conflict of interest under §§307.735–301 through 307.735–305 of these standards, the DAEO will review the situation with the particular employee. If the DAEO and the employee are unable to resolve the conflict to the DAEO’s satisfaction, or if the employee wishes to request an exception to any of the above enumerated rules, the case will be referred to the Committee on Conflict of Interest. The Committee is authorized to recommend appropriate remedial action to the Director, who is authorized to take such action as may include, but is not limited to, changing assigned duties, requiring the employee or special employee to divest himself of a conflicting interest, taking disciplinary action, or disqualifying or accepting the self-disqualification of the employee or special employee for a particular assignment.

(b) The Contracts Division shall maintain a list of all the organizations with which employees are or have been associated, as well as a list of all current contractors with the Agency. The list of organizations shall include the names of all employees associated with the identified organizations. When names of organizations with which new employees are or have been associated are submitted to the Contracts Office, they shall be checked against the list of current contractors. Similarly, before any new contracts are awarded, the names of the potential contractors will be checked against the master list of organizations with which employees are or have been associated. Any real, apparent, or potential conflicts which come to light as a result of these cross checks will be referred to the DAEO for review. The DAEO will proceed as in paragraph (a) of this section, referring the matter to the Committee on Conflict of Interest if necessary.

(c) Whenever an organization submits a proposal or application or otherwise indicates in writing its intent to apply for or seek a specific contract, the Peace Corps Contracts Division shall
immediately forward a copy of the relevant sections of the Agency standards of conduct to that organization.

(d) Whenever a regular or special employee begins or terminates his or her employment with Peace Corps, the Office of Personnel Policy and Operations shall provide that employee with a copy of the rules found in §307.735–304 restricting a person’s employment after leaving Peace Corps. Personnel shall also notify the DAEO when an employee terminates. One year after the date of termination the DAEO will instruct the Contracts Office to remove from the master list any organizations with which the terminated employee was associated unless other current employees are associated with those organizations. Six years after the date of termination the DAEO will destroy the statement of employment and financial interests.

(b) A designated official (System Manager) shall be named who shall have management responsibility for each record system maintained by the agency and who shall be responsible for providing protection and accountability for such records at all times and for insuring that such records are secured in appropriate containers wherever not in use or in the direct control of authorized personnel.

§ 308.10 Security of records systems—manual and automated.

The head of the agency has the responsibility of maintaining adequate technical, physical, and security safeguards to prevent unauthorized disclosure or destruction of manual and automatic record systems. These safeguards shall apply to all systems in which identifiable personal data are processed or maintained including all reports and outputs from such systems which contain identifiable personal information. Such safeguards must be sufficient to prevent negligent, accidental, or unintentional disclosure, modification or destruction of any personal records or data and must furthermore minimize the extent technicians or knowledgeable persons could improperly obtain access to modify or destroy such records or data and shall further insure against such casual entry by unskilled persons without official reasons for access to such records or data.

(6) The agency shall assure that all persons whose official duties require access to and use of records contained in records systems are adequately trained to protect the security and privacy of such records.

(7) The disposal and destruction of records within records systems shall be in accord with rules promulgated by the General Services Administration.

(b) Automated systems. (1) Identifiable personal information may be processed, stored or maintained by automatic data systems only where facilities or conditions are adequate to prevent unauthorized access to such systems in any form. Whenever such data contained in punch cards, magnetic tapes or discs are not under the personal control of an authorized person such information must be stored in a metal filing cabinet having a built-in three position combination lock, a metal filing cabinet equipped with a steel lock, a metal filing cabinet equipped with a steel lock bar secured with a General Services Administration (GSA) approved combination padlock, or in adequate containers or in a secured room or in such other facility having greater safeguards than those provided for herein.

(2) Access to and use of identifiable personal data associated with automated data systems shall be limited to those persons whose official duties require such access. Proper control of personal data in any form associated with automated data systems shall be maintained at all times including maintenance of accountability records showing disposition of input and output documents.

§ 308.11 Accounting for disclosure of records.

Each office maintaining a system of records shall keep a written account of routine disclosures (see paragraphs (a) through (e) of this section) for all records within such system in the form prescribed by the Director, Office of Administrative Services. Disclosure made to employees of the agency in the normal course of their official duties or pursuant to the provisions of the Freedom of Information Act need not be accounted for. Such written account shall contain the following:

(a) The date, nature, and purpose of each disclosure of a record to any person or to another agency.

(b) The name and address of the person or agency to whom the disclosure was made.

(c) Sufficient information to permit the construction of a listing of all disclosures at appropriate periodic intervals.

(4) The effect on the individual, if any, of not providing all or part of the required or requested information.

(d) Records maintained in any system of records used by the agency to make any determination about any individual shall be maintained with such accuracy, relevancy, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the making of any determination about such individual; Provided, however, That the agency shall not be required to update or keep current retired records.

(e) Before disseminating any record about an individual to any person other than an agency as defined in 5 U.S.C. 552(e) or pursuant to the provisions of the Freedom of Information Act (5 U.S.C. 552), the agency shall make reasonable efforts to assure that such records are accurate, complete, timely and relevant for agency purposes.

(f) Under no circumstances shall the agency maintain any record about an individual with respect to or describing how such individual exercises rights guaranteed by the first amendment of the Constitution of the United States unless expressly authorized by statute or by the individual about whom the record is maintained or unless pertinent to and within the scope of an authorized law enforcement activity.

(g) In the event any record is disclosed as a result of the order of a presiding judge of a court of competent jurisdiction, the agency shall make reasonable efforts to notify the individual whose record was so disclosed after the process becomes a matter of public record.

If assistance is needed, the Director, Office of Administrative Services, will provide agency addresses.

(c) Requests for records from more than one system of records shall be directed to the Director, Office of Administrative Services, Peace Corps, 806
Connecticut Avenue, NW., Washington, DC 20526.

(d) Requests for access to or copies of records should contain, at a minimum, identifying information needed to locate any given record and a brief description of the item or items of information required. If the individual wishes access to specific documents the request should identify or describe as nearly as possible such documents.

(e) A record may be disclosed to a representative of the person to whom a record relates who is authorized in writing to have access to the record by the person to whom it relates.

(g) Medical or psychological records shall be disclosed to an individual unless in the judgment of the agency, access to such records might have an adverse effect upon such individual. When such determination has been made, the agency may require that the information be disclosed only to a physician chosen by the requesting individual. Such physician shall have full authority to disclose all or any portion of such record to the requesting individual in the exercise of his or her professional judgment.

§ 308.14 Specific exemptions.

(a) In the event an individual requests disclosure in person, such individual shall be required to show an identification card such as a driver’s license, etc., containing a photo and a sample signature of such individual. Such individual may also be required to sign a statement under oath as to his or her identity acknowledging that he or she is aware of the penalties for improper disclosure under the provisions of the Privacy Act of 1974.

(b) In the event that disclosure is requested by mail, the agency may request such information as may be necessary to reasonably assure that the individual making such request is properly identified. In certain cases, the agency may require that a mail request be notarized with an indication that the notary received an acknowledgment of identity from the individual making such request.

(c) In the event an individual is unable to provide suitable documentation or identification, the agency may require a signed notarized statement asserting the identity of the individual and stipulating that the individual understands that knowingly or willfully seeking or obtaining access to records about another person under false pretenses is punishable by a fine of up to $5,000.

(d) In the event a requester wishes to be accompanied by another person while reviewing his or her records, the agency may require a written statement authorizing discussion of his or her records in the presence of the accompanying representative or other persons.

§ 308.16 Amendment of records and appeals with respect thereto.

(a) In the event an individual desires to request an amendment of his or her record, he or she may do so by submitting such written request to the Director, Administrative Services, Peace Corps, 806 Connecticut Avenue, NW., Washington, DC 20526. The Director, Administrative Services, shall provide assistance in preparing any amendment upon request and a written acknowledgment of receipt of such request within 10 working days after the receipt thereof from the individual who requested the amendment. Such acknowledgment may, if necessary, request any additional information needed to make a determination with respect to such request. If the agency decides to comply with the request within the 10 day period, no written acknowledgment is necessary: Provided, however, That a certification of the
change shall be provided to such individual within such period.

(b) Promptly after acknowledgment of the receipt of a request for an amendment the agency shall take one of the following actions:

1. Make any corrections of any portion of the record which the individual believes is not accurate, relevant, timely or complete.

2. Inform the individual of its refusal to amend the record in accord with the request together with the reason for such refusal and the procedures established for requesting review of such refusal by the head of the agency or his or her designee. Such notice shall include the name and business address of the reviewing official.

3. Refer the request to the agency that has control of and maintains the record in those instances where the record requested remains the property of the controlling agency and not of the Peace Corps.

(c) In reviewing a request to amend the record the agency shall assess the accuracy, relevance, timeliness and completeness of the record with due and appropriate regard for fairness to the individual about whom the record is maintained. In making such determination, the agency shall consult criteria for determining record quality published in pertinent chapters of the Federal Personnel Manual and to the extent possible shall accord therewith.

(d) In the event the agency agrees with the individual’s request to amend the record it shall:

1. Advise the individual in writing,
2. Correct the record accordingly, and
3. Advise all previous recipients of a record which was corrected of the correction and its substance.

(e) In the event the agency, after an initial review of the request to amend a record, disagrees with all or a portion of it, the agency shall:

1. Advise the individual of its refusal and the reasons therefor,
2. Inform the individual that he or she may request further review in accord with the provisions of these regulations, and
3. Specify the name and address of the person to whom the request should be directed.

(f) In the event an individual requester disagrees with the initial agency determination, he or she may appeal such determination to the Director of the Peace Corps or his or her designee. Such request for review must be made within 30 days after receipt by the requester of the initial refusal to amend.

(g) If after review the Director or designee refuses to amend the record as requested he or she shall advise the individual requester of such refusal and the reasons for same; of his or her right to file a concise statement in the record of the reasons for disagreeing with the decision of the agency; of the procedures for filing a statement of disagreement and of the fact that such statement so filed will be made available to anyone to whom the record is subsequently disclosed together with a brief statement of the agency summarizing its reasons for refusal, if the agency decides to place such brief statement in the record. The agency shall have the authority to limit the length of any statement to be filed, such limit to depend upon the record involved. The agency shall also inform such individual that prior recipients of the disputed record will be provided a copy of both statements of the dispute to the extent that the accounting of disclosures has been maintained and of the individual’s right to seek judicial review of the agency’s refusal to amend the record.

(h) If after review the official determines that the record should be amended in accordance with the individual’s request, the agency shall proceed as provided above in the event a request is granted upon initial demand.

(i) Final agency determination of an individual’s request for a review shall be concluded with 30 working days from the date of receipt of the review request: Provided, however, That the Director or designee may determine that fair and equitable review cannot be made within that time. If such circumstances occur, the individual shall be notified in writing of the additional time required and of the approximate date on which determination of the review is expected to be completed.
$308.17 Denial of access and appeals with respect thereto.

In the event that the agency finds it necessary to deny any individual access to a record about such individual pursuant to provisions of the Privacy Act or of these regulations, a response to the original request shall be made in writing within ten working days after the date of such initial request. The denial shall specify the reasons for such refusal or denial and advise the individual of the reasons therefore, and of his or her right to an appeal within the agency and/or judicial review under the provisions of the Act.

(a) In the event an individual desires to appeal any denial of access, he or she may do so in writing by addressing such appeal to the attention of the Director, Peace Corps, or designee identified in such denial. Such appeal should be addressed to Director, Peace Corps, c/o Office of Administrative Services, Room P–314, 806 Connecticut Avenue, NW., Washington, DC 20526.

(b) The Director, or designee, shall review a request from a denial of access and shall make a determination with respect to such appeal within 30 days after receipt thereof. Notice of such determination shall be provided to the individual making the request in writing. If such appeal is denied in whole or in part, such notice shall include notification of the right of the person making such request to have judicial review of such denial as provided in the Act.

$308.18 Fees.

No fees shall be charged for search time or for any other time expended by the agency to produce a record. Copies of records may be charged for at the rate of 10 cents per page provided that one copy of any record shall be provided free of charge.

This subpart implements section 5 thereof which authorizes the collection of debts owed by Federal employees to the Federal Government by means of

§ 309.4 Interest, penalties, and administrative costs.

(a) Except as otherwise provided by statute, contract or excluded in accordance with FCCS, Peace Corps will assess:

(1) Interest on unpaid claims in accordance with existing Treasury rules and regulations, unless the agency determines that a higher rate is necessary to protect the interests of the United States.

(e) Nothing in this subpart precludes the compromise, suspension, or termination of collection actions where appropriate under the standards implementing the Federal Claims Collection Act (31 U.S.C. 3711 et seq.; 4 CFR parts 101 through 105).

§ 309.8 Applicability of regulations.

(3) The amount, frequency, approximate beginning date, and duration of the intended deductions.
(4) An explanation of the Peace Corps’ policy concerning interest, penalties and administrative costs, including a statement that such assessments must be made unless excused in accordance with §309.4(d);

(7) If not previously provided, the opportunity (under terms agreeable to the Peace Corps) to establish a schedule for the voluntary repayment of the debt or to enter into a written agreement to establish a schedule for repayment of the debt in lieu of offset. The agreement must be in writing, signed by both the employee and the creditor agency (4 CFR 102.2(e));

(8) The name, address and telephone number of an officer or employee of the Peace Corps who may be contacted concerning procedures for requesting a hearing;

(9) The method and time period for requesting a hearing;

(10) That the timely filing of a petition for hearing within 15 calendar days after delivery of the notice of intent to offset will stay the commencement of collection proceedings;

(11) The name and address of the office to which the petition should be sent;

(12) That the Peace Corps will initiate certification procedures to implement a salary offset, as appropriate, (which may not exceed 15 percent of the employee’s disposable pay) not less than 30 calendar days from the date of delivery of the notice of debt, unless the employee files a timely petition for a hearing;

(13) That a final decision on the hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 calendar days after the filing of the petition requesting the hearing, unless the employee requests and the hearing official grants a delay in the proceedings;

(14) That any knowingly false or frivolous statements, representations or evidence may subject the employee to:

(i) Disciplinary procedures appropriate under chapter 75 of 5 U.S.C., 5 CFR 752, or any other applicable statutes or regulations;

(ii) Penalties under the False Claims Act, §§3729–3731 of title 31, United States Code, or any other applicable statutory authority; and

(iii) Criminal penalties under 18 U.S.C. sections 286, 287, 1001, and 1002 or any other applicable authority;

(15) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

(16) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee; and

(17) That proceedings with respect to such debt are governed by section 5 of the Debt Collection Act of 1982 (5 U.S.C. 5514).
should identify and explain with reasonable specificity and brevity the facts, evidence and witnesses which the employee believes support his or her position. If the employee objects to the percentage of disposable pay to be deducted from each check, the request should state the objection and the reasons for it. The employee must also specify whether an oral hearing or a review of the documentary evidence is requested. If an oral hearing is desired, the request should explain why the matter cannot be resolved by review of the documentary evidence alone.

(b) Failure to timely submit.

(1) If the employee files a petition for a review after the expiration of the 15 calendar day period provided for in paragraph (a) of this section, the designated office may accept the request if the employee can show that the delay was the result of circumstances beyond his or her control, or because of a failure to receive the notice of the filing deadline (unless the employee has actual knowledge of the filing deadline).

(2) An employee waives the right to a review, and will have his or her disposable pay offset in accordance with Peace Corps’ offset schedule, if the employee fails to file a request for a hearing unless such failure is excused as provided in paragraph (b)(1) of this section.

(3) If the employee fails to appear at an oral hearing of which he or she was notified, unless the hearing official determines failure to appear was due to circumstances beyond the employee’s control, his or her appeal will be decided on the basis of the documents then available to the hearing official.

(c) Representation at the hearing. The creditor agency may be represented by a representative of its choice. The employee may represent himself or herself or may be represented by an individual of his or her choice and at his or her expense.

(d) Review of Peace Corps records related to the debt.

(1) An employee who intends to inspect or copy creditor agency records related to the debt in accordance with §309.10(a)(5), must send a letter to the official designated in the notice of intent to offset stating his or her intention. The letter must be sent within 15 calendar days after receipt of the notice.

(2) In response to a timely request submitted by the debtor, the designated official will notify the employee of the location and time when the employee may inspect and copy records related to the debt.

(3) If personal inspection is impractical, copies of such records shall be sent to the employee.

(e) Hearing official. Unless the Peace Corps appoints an administrative law judge to conduct the hearing, the Peace Corps must obtain a hearing official who is not under the supervision or control of the Peace Corps.

(f) Obtaining the services of a hearing official when the Peace Corps is the creditor agency.

(1) When the debtor is not a Peace Corps employee, and in the event that the Peace Corps cannot provide a prompt and appropriate hearing before an administrative law judge or before a hearing official furnished pursuant to another lawful arrangement, the Peace Corps may contact an agent of the paying agency designated in appendix A to part 581 of title 5, Code of Federal Regulations or as otherwise designated by the agency, and request a hearing official.

(2) When the debtor is a Peace Corps employee, the Peace Corps may contact any agent of another agency designated in appendix A to part 581 of title 5, Code of Federal Regulations or otherwise designated by that agency, to request a hearing official.

(g) Procedure. (1) If the employee requests a review, the hearing official or administrative law judge shall notify the employee of the form of the review to be provided. If an oral hearing is authorized, the notice shall set forth the date, time and location of the hearing. If the review will be on documentary evidence, the employee shall be notified that he or she should submit arguments in writing to the hearing official or administrative law judge by a specified date, after which the record will be closed. This date shall give the employee reasonable time (not less than 14 calendar days) to submit documentation.
(2) Oral hearing. An employee who requests an oral hearing shall be provided an oral hearing if the hearing official or administrative law judge determines that the matter cannot be resolved by review of documentary evidence alone (e.g., when an issue of credibility or veracity is involved). The hearing is not an adversarial adjudication, and need not take the form of an evidentiary hearing. Oral hearings may take the form of, but are not limited to:

(i) Informal conferences with the hearing official or administrative law judge, in which the employee and agency representative will be given full opportunity to present evidence, witnesses and argument;

(ii) Informal meetings with an interview of the employee; or

(iii) Formal written submissions, with an opportunity for oral presentation.

(3) Paper review. If the hearing official or administrative law judge determines that an oral hearing is not necessary, he or she will make the determination based upon a review of the available written record.

(4) Record. The hearing official must maintain a summary record of any hearing provided by this subpart. See 4 CFR 102.3. Witnesses who testify in oral hearings will do so under oath or affirmation.

(b) Date of decision. The hearing official or administrative law judge shall issue a written opinion stating his or her decision, based upon documentary evidence and information developed at the hearing, as soon as practicable after the hearing, but not later than 60 calendar days after the date on which the petition was received by the creditor agency, unless the employee requests a delay in the proceedings. In such case the 60 day decision period shall be extended by the number of days by which the hearing was postponed.

(i) Content of decision. The written decision shall include:

(1) A statement of the facts presented to support the origin, nature, and amount of the debt;

(2) The hearing official’s findings, analysis and conclusions; and

(3) The terms of any repayment schedules, if applicable.

(j) Failure to appear. In the absence of good cause shown (e.g., excused illness), an employee who fails to appear at a hearing shall be deemed, for the purpose of this subpart, to admit the existence and amount of the debt as described in the notice of intent. If the representative of the creditor agency fails to appear, the hearing official shall schedule a new hearing date upon the request of the agency representative upon showing of good cause. Both parties shall be given the time and place of the new hearing.

§ 309.12 Certification.

(a) The Peace Corps salary offset coordination officer shall provide a certification to the paying agency in all cases where:

(1) The hearing official determines that a debt exists;

(2) The employee admits the existence and amount of the debt by failing to request a review; or

(3) The employee admits the existence of the debt by failing to appear at a hearing.

(b) The certification must be in writing and must state:

(1) That the employee owes the debt;

(2) The amount and basis of the debt;

(3) The date the Government’s right to collect the debt first accrued;

(4) That the Peace Corps’ regulations have been approved by OPM pursuant to 5 CFR part 550, subpart K;

(5) The amount and date of any lump sum payment;

(6) If the collection is to be made in installments, the number of installments to be collected, the amount of each installment, and the date of the first installment, if a date other than the next officially established pay period is required; and

(7) The date the action was taken and that it was taken pursuant to 5 U.S.C. 5514.

§ 309.13 Voluntary repayment agreements as an alternative to salary offset.

(a) In response to a notice of intent, an employee may propose a written
agreement to repay the debt as an alternative to salary offset. Any employee who wishes to repay a debt without salary offset shall submit in writing a proposed agreement to repay the debt. The proposal shall admit the existence of the debt and set forth a proposed repayment schedule. Any proposal under this paragraph must be received by the official designated in that notice within 15 calendar days after receipt of the notice of intent.

(b) When the Peace Corps is the creditor agency, in response to a timely proposal by the debtor the agency will notify the employee whether the employee's proposed written agreement for repayment is acceptable. It is within the agency's discretion to accept a repayment agreement instead of proceeding by offset.

(c) If the Peace Corps decides that the proposed repayment agreement is unacceptable, the employee will have 15 calendar days from the date he or she received notice of the decision to file a petition for a review.

(d) If the Peace Corps decides that the proposed repayment agreement is acceptable, the alternative arrangement must be in writing and signed by both the employee and a designated agency official.

§ 309.14 Special review.
(a) An employee subject to salary offset or a voluntary repayment agreement, may at any time request a special review by the creditor agency of the amount of the salary offset or voluntary payment, based on materially changed circumstances such as, but not limited to, catastrophic illness, divorce, death, or disability.

(b) In determining whether an offset would prevent the employee from meeting essential subsistence expenses (costs for food, housing, clothing, transportation and medical care), the employee shall submit a detailed statement and supporting documents for the employee, his or her spouse and dependents indicating:

(1) Income from all sources;
(2) Assets;
(3) Liabilities;
(4) Number of dependents;
(5) Expenses for food, housing, clothing and transportation;
(6) Medical expenses; and
(7) Exceptional expenses, if any.

(c) If the employee requests a special review under this section, the employee shall file an alternative proposed offset or payment schedule and a statement, with supporting documents, showing why the current salary offset or payments result in significant financial hardship to the employee.

(d) The Peace Corps shall evaluate the statement and supporting documents, and determine whether the original offset or repayment schedule imposes significant financial hardship on the employee. The Peace Corps shall notify the employee in writing of such determination, including, if appropriate, a revised offset or payment schedule.

(e) If the special review results in a revised offset or repayment schedule, the Peace Corps salary offset coordination officer shall provide a new certification to the paying agency.

§ 309.15 Notice of salary offset.
(a) Upon receipt of proper certification of the creditor agency, the Peace Corps payroll office will send the employee a written notice of salary offset. Such notice shall, at a minimum:

(1) Contain a copy of the certification received from the creditor agency; and
(2) Advise the employee that salary offset will be initiated at the next officially established pay interval.

(b) The payroll office shall provide a copy of the notice to the creditor agency and advise such agency of the dollar amount to be offset and the pay period when the offset will begin.

§ 309.16 Procedures for salary offset.
(a) The Director (or designee) shall coordinate salary deductions under this subpart.

(b) The payroll office shall determine the amount of the employee’s disposable pay and will implement the salary offset.

(c) Deductions shall begin within 3 official pay periods following receipt by the payroll office of certification.

(d) Types of collection. (1) Lump-sum payment. If the amount of the debt is equal to or less than 15 percent of disposable pay, such debt generally will be collected in one lump-sum payment.
(2) **Installment deductions.** Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee’s ability to pay. However, the amount deducted from any period may not exceed 15 percent of the disposable pay from which the deduction is made unless the employee has agreed in writing to the deduction of a greater amount.

(3) **Lump-sum deductions from final check.** A lump-sum deduction exceeding the 15 percent of disposable pay limitation may be made from any final salary payment pursuant to 31 U.S.C. 3716 in order to liquidate the debt, whether the employee is being separated voluntarily or involuntarily.

(4) **Lump-sum deductions from other sources.** Whenever an employee subject to salary offset is separated from the Peace Corps, and the balance of the debt cannot be liquidated by offset of the final salary check, the Peace Corps, pursuant to 31 U.S.C. 3716, may offset any later payments of any kind against the balance of the debt.

(e) **Multiple debts.** In instances where two or more creditor agencies are seeking salary offsets, or where two or more debts are owed to a single creditor agency, the payroll office may, at its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

(f) **Precedence of debts owed to the Peace Corps.** For Peace Corps employees, debts owed to the agency generally take precedence over debts owed to other agencies. In the event that a debt to the Peace Corps is certified while an employee is subject to a salary offset to repay another agency, the payroll office may decide whether to have that debt repaid in full before collecting its claim or whether changes should be made in the salary deduction being sent to the other agency. If debts owed the Peace Corps can be collected in one pay period, the payroll office may suspend the salary offset to the other agency for that pay period in order to liquidate the Peace Corps’ debt. When an employee owes two or more debts, the best interests of the Government shall be the primary consideration in the determination by the payroll office of the order of the debt collection.

§ 309.17 **Coordinating salary offset with other agencies.**

(a) **Responsibility of the Peace Corps as the creditor agency.**

(1) The Director or Director’s designee shall coordinate debt collections and shall, as appropriate:

(i) Arrange for a hearing upon proper petition by a federal employee; and

(ii) Prescribe such practices and procedures as may be necessary to carry out the intent of this subpart.

(2) Designate a salary offset coordination officer who will be responsible for:

(i) Ensuring that each notice of intent to offset is consistent with the requirements of §309.10;

(ii) Ensuring that each certification of debt sent to a paying agency is consistent with the requirements of §309.12;

(iii) Obtaining hearing officials from other agencies pursuant to §309.11(f); and

(iv) Ensuring that hearings are properly scheduled.

(3) Request recovery from current paying agency. Upon completion of the procedures established in these regulations and pursuant to 5 U.S.C. 5514, the Peace Corps must:

(i) Certify, in writing, that the employee owes the debt, the amount and basis of the debt, the date on which payments are due, the date the Government’s right to collect the debt first accrued, and that the Peace Corps’ regulations implementing 5 U.S.C. 5514 have been approved by the Office of Personnel Management;

(ii) Advise the paying agency of the actions taken under 5 U.S.C. 5514(a) and give the dates the actions were taken (unless the employee has consented to the salary offset in writing or signed a statement acknowledging receipt of the required procedures and the written consent or statement is forwarded to the paying agency);

(iii) Except as otherwise provided in paragraph (a)(3) of this section, submit a debt claim containing the information specified in paragraphs (a)(3) (i)
and (ii) of this section and an installment agreement (or other instruction on the payment schedule), if applicable, to the employee’s paying agency;

(iv) If the employee is in the process of separating, the Peace Corps must submit its debt claim to the employee’s paying agency for collection as provided in §309.16. The paying agency must certify the total amount of its collection and notify the creditor agency and the employee as provided in paragraph (b)(4) of this section. If the paying agency is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, or other similar payments, it must provide written notification to the agency responsible for making such payments that the debtor owes a debt (including the amount) and that the provisions of this section have been fully complied with. However, the Peace Corps must submit a properly certified claim to the agency responsible for making such payments before the collection can be made.

(v) If the employee is already separated and all payments due from his or her former paying agency have been paid, the Peace Corps may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR 831.1801 et seq.) or other similar funds, be administratively offset to collect the debt (See 31 U.S.C. 3716 and 41 CFR 102.4).

(4) When an employee transfers to another paying agency, the Peace Corps need not repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to continue the collection. The Peace Corps must review the debt upon receiving the former paying agency’s notice of the employee’s transfer to make sure the collection is continued by the new paying agency.

(b) Responsibility of the Peace Corps as the paying agency.

(1) Complete claim. When the Peace Corps receives a certified claim from a creditor agency, deductions should be scheduled to begin at the next officially established pay interval. The employee must receive written notice that the Peace Corps has received a certified debt claim from the creditor agency (including the amount) and written notice of the date salary offset will begin and the amount of such deductions.

(2) Incomplete claim. When the Peace Corps receives an incomplete certification of debt from a creditor agency, the Peace Corps must return the debt claim with notice that procedures under 5 U.S.C. 5514 and this subpart must be followed and a properly certified debt claim received before action will be taken to collect from the employee’s current pay account.

(3) Review. The Peace Corps is not authorized to review the merits of the creditor agency’s determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) Employees who transfer from one paying agency to another. If, after the creditor agency has submitted the debt claim to the Peace Corps, the employee transfers to another agency before the debt is collected in full, the Peace Corps must certify the total amount collected on the debt. One copy of the certification must be furnished to the employee and one copy to the creditor agency along with notice of the employee’s transfer.

§ 309.18 Interest, penalties and administrative costs.

The Peace Corps shall assess interest, penalties and administrative costs on debts owed pursuant to 31 U.S.C. 3717 and 4 CFR 102.13.

§ 309.19 Refunds.

(a) In instances where the Peace Corps is the creditor agency, it shall promptly refund any amounts deducted under the authority of 5 U.S.C. 5514 when:

(1) The debt is waived or otherwise found not to be owed to the United States; or

(2) An administrative or judicial order directs the Peace Corps to make a refund.

(b) Unless required or permitted by law or contract, refunds under this subpart shall not bear interest.
§ 309.20 Request for the services of a hearing official from the creditor agency.

(a) The Peace Corps will provide a hearing official upon request of the creditor agency when the debtor is employed by the Peace Corps and the creditor agency cannot provide a prompt and appropriate hearing before an administrative law judge or before a hearing official furnished pursuant to another lawful arrangement.

(b) The Peace Corps will provide a hearing official upon request of a creditor agency when the debtor works for the creditor agency and that agency cannot arrange for a hearing official.

(c) The salary offset coordination officer will appoint qualified personnel to serve as hearing officials.

(d) Services rendered under this section will be provided on a fully reimbursable basis pursuant to the Economy Act of 1932, as amended, 31 U.S.C. 1535.

§ 309.21 Non-waiver of rights by payments.

An employee’s involuntary payment of all or any portion of a debt being collected under this subpart shall not be construed as a waiver of any rights which the employee may have under 5 U.S.C. 5514 or any other provision of a written contract or law unless there are statutory or contractual provisions to the contrary.

Subpart C—Tax Refund Offset

§ 309.22 Applicability and scope.

This subpart implements 31 U.S.C. 3720A which authorizes the Internal Revenue Service (IRS) to reduce a tax refund by the amount of a past-due legally enforceable debt owed to the United States.

§ 309.23 Past-due legally enforceable debt.

For purposes of this subpart, a past-due legally enforceable debt referable to the IRS is a debt which is owed to the United States and:

(a) Except in the case of a judgment debt, has been delinquent for at least 3 months and will not have been delinquent more than 10 years at the time offset is made;

(b) Cannot be currently collected pursuant to the salary offset provisions of 5 U.S.C. 5514;

(c) Is ineligible for administrative offset under 31 U.S.C. 3716(a) by reason of 31 U.S.C. 3716(c)(2) or cannot be collected by administrative offset under 31 U.S.C. 3716(a) by the Peace Corps against amounts payable to the debtor by the Peace Corps;

(d) With respect to which the Peace Corps has given the taxpayer at least 60 days to present evidence that all or part of the debt is not past-due or legally enforceable, has considered evidence presented by such taxpayer, and determined that an amount of such debt is past-due and legally enforceable;

(e) Has been disclosed by the Peace Corps to a consumer reporting agency as authorized by 31 U.S.C. 3711(f), unless the consumer reporting agency would be prohibited from reporting information concerning the debt by reason of 15 U.S.C. 1681c, or unless the amount of the debt does not exceed $100;

(f) Is at least $25; and

(g) With respect to which the Peace Corps has notified or has made a reasonable attempt to notify the taxpayer that:

(1) The debt is past due, and

(2) Unless repaid within 60 days thereafter, the debt will be referred to the IRS for offset against any overpayment of tax. For the purposes of paragraph (g) of this section, in order to make a reasonable attempt to notify the debtor, Peace Corps must use such address for the debtor as may be obtainable from IRS pursuant to section 6103(m)(2), (m)(4), or (m)(5) of the Internal Revenue Code.

§ 309.24 Definitions.

For purpose of this subpart: Commissioner means the Commissioner of the Internal Revenue Service.

Memorandum of Understanding (MOU or agreement) means the agreement between the IRS and the Peace Corps which prescribes the specific conditions the Peace Corps must meet before the IRS will accept referrals for tax refund offsets.
§ 309.25 Peace Corps’ participation in the IRS tax refund offset program.

(a) The Peace Corps will provide information to the IRS within the time frame prescribed by the Commissioner of the IRS to enable the Commissioner to make a final determination as to the Peace Corps’ participation in the tax refund offset program. Such information will include a description of:

(1) The size and age of the Peace Corps’ inventory of delinquent debts;
(2) The prior collection efforts that the inventory reflects; and
(3) The quality controls the Peace Corps maintains to assure that any debt that may be submitted for tax refund offset will be valid and enforceable.

(b) In accordance with the timetable specified by the Commissioner, the Peace Corps will submit test magnetic media to the IRS, in such form and containing such data as the IRS shall specify.

(c) The Peace Corps will provide the IRS with a telephone number which the IRS may furnish to individuals whose refunds have been offset to obtain information concerning the offset.

§ 309.26 Procedures.

(a) The Chief Financial Officer (or designee) shall be the point of contact with the IRS for administrative matters regarding the offset program.

(b) The Peace Corps shall ensure that:

(1) Only those past-due legally enforceable debts described in §309.23 are forwarded to the IRS for offset; and
(2) The procedures prescribed in the MOU between the Peace Corps and the IRS are followed in developing past-due debt information and submitting the debts to the IRS.

(c) The Peace Corps will provide the IRS with a telephone number which the IRS may furnish to individuals whose refunds have been offset to obtain information concerning the offset.

(d) The Peace Corps shall promptly notify the IRS to correct data submitted when the Peace Corps:

(1) Determines that an error has been made with respect to a debt that has been referred;
(2) Receives or credits a payment on such debt; or
(3) Receives notification that the individual owing the debt has filed for bankruptcy under title 11 of the United States Code or has been adjudicated bankrupt and the debt has been discharged.

(e) When advising debtors of an intent to refer a debt to the IRS for offset, the Peace Corps shall also advise the debtors of all remedial actions available to defer or prevent the offset from taking place.

§ 309.27 Referral of debts for offset.

(a) The Peace Corps shall refer to the IRS for collection by tax refund offset, from refunds otherwise payable, only such past-due legally enforceable debts owed to the Peace Corps:

(1) That are eligible for offset under the terms of 31 U.S.C. 3720A, section 6402(d) of the Internal Revenue Code, 26 CFR 301.6402–6T and the MOU; and
(2) That information will be provided for each such debt as is required by the terms of the MOU.

(b) Such referrals shall be made by submitting to the IRS a magnetic tape pursuant to §309.26(c), together with a written certification that the conditions or requirements specified in 26 CFR 301.6402–6T and the MOU have been satisfied with respect to each debt included in the referral on such tape. The certification shall be in the form specified in the MOU.

§ 309.28 Notice requirements before offset.

(a) The Peace Corps must notify, or make a reasonable attempt to notify, the individual that:

(1) The debt is past due; and
(2) The dollar amount of such past-due and legally enforceable debt;
Peace Corps

§ 309.31

(2) Unless repaid within 60 days thereafter, the debt will be referred to the IRS for offset against any refund of overpayment of tax.

(b) The Peace Corps shall provide a mailing address for forwarding any correspondence and a contact name and telephone number for any questions.

(c) The Peace Corps shall give the individual debtor at least 60 days from the date of the notification to present evidence that all or part of the debt is not past due or legally enforceable. The Peace Corps shall consider the evidence presented by the individual and shall make a determination whether any part of such debt is past due and legally enforceable. For purposes of this subpart, evidence that collection of the debt is affected by a bankruptcy proceeding involving the individual shall bar referral of the debt to the IRS.

(d) Notification given to a debtor pursuant to paragraphs (a), (b), and (c) of this section shall advise the debtor of how he or she may present evidence to the Peace Corps that all or part of the debt is not past due or legally enforceable. Such evidence may not be referred to, or considered by, individuals who are not officials, employees, or agents of the United States in making the determination required under paragraph (c) of this section. Unless such evidence is directly considered by an official or employee of the Peace Corps, and the determination required under paragraph (c) of this section has been made by an official or employee of the Peace Corps, any unresolved dispute with the debtor as to whether all or part of the debt is past due or legally enforceable must be referred to the Peace Corps for ultimate administrative disposition, and the Peace Corps must directly notify the debtor of its determination.

Subpart D—Administrative Offset

§ 309.29 Applicability and scope.

The provisions of this subpart apply to the collection of debts owed to the United States arising from transactions with the Peace Corps. Administrative offset is authorized under section 5 of the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982 (31 U.S.C. 3716). These regulations are consistent with the Federal Claims Collection Standards on administrative offset issued jointly by the Department of Justice and the General Accounting Office as set forth in 4 CFR part 102.

§ 309.30 Definitions.

(a) Administrative offset, as defined in 31 U.S.C. 3701(a)(1), means withholding money payable by the United States Government to, or held by the Government for, a person to satisfy a debt the person owes the Government.

(b) Person includes a natural person or persons, profit or nonprofit corporation, partnership, association, trust, estate, consortium, or other entity which is capable of owing a debt to the United States Government except that agencies of the United States, or of any State or local government shall be excluded.

§ 309.31 General.

(a) The Director of the Peace Corps (or designee) will determine the feasibility of collection by administrative offset on a case-by-case basis for each claim established. The Director (or designee) will consider the following issues in making a determination to collect a claim by administrative offset:

(1) Can administrative offset be accomplished?

(2) Is administrative offset practical and legal?

(3) Does administrative offset best serve and protect the interest of the U.S. Government?

(4) Is administrative offset appropriate given the debtor's financial condition?

(b) The Director (or designee) may initiate administrative offset with regard to debts owed by a person to another agency of the United States Government, upon receipt of a request from the head of another agency or his or her designee, and a certification that the debt exists and that the person has been afforded the necessary due process rights.

(c) The Director (or designee) may request another agency that holds funds payable to a Peace Corps debtor to offset the debt against the funds held and will provide certification that:
§ 309.32 Demand for payment—notice.

(a) Whenever possible, the Peace Corps will seek written consent from the debtor to initiate immediate collection before starting the formal notification process.

(b) In cases where written agreement to collect cannot be obtained from the debtor, a formal notification process shall be followed, 4 CFR 102.2. Prior to collecting a claim by administrative offset, the Peace Corps shall send to the debtor, by certified or registered mail with return receipt, written demands for payment in terms which inform the debtor of the consequences of failure to cooperate. A total of 3 progressively stronger written demands at not more than 30 day intervals will normally be made unless a response to the first or second demand indicates that a further demand would be futile or the debtor’s response does not require rebuttal, or other pertinent information indicates that additional written demands would be unnecessary. In determining the timing of the demand letters, the Peace Corps should give due regard to the need to act promptly so that, as a general rule, if necessary to refer the debt to the Department of Justice for litigation, such referral can be made within 1 year of the final determination of the fact and the amount of the debt. When appropriate to protect the Government’s interests (for example, to prevent the statute of limitations from expiring), written demand may precede other appropriate actions, including immediate referral for litigation.

(c) Before offset is made, a written notice will be sent to the debtor. This notice will include:

1. The nature and amount of the debt;
2. The date when payment is due (not less than 30 days from the date of mailing or hand delivery of the notice);
3. The agency’s intention to collect the debt by administrative offset, including asking the assistance of other Federal agencies to help in the offset whenever possible, if the debtor has not made payment by the payment due date or has not made an arrangement for payment by the payment due date;
4. Any provision for interest, late payment penalties and administrative charges, if payment is not received by the due date;
5. The possible reporting of the claim to consumer reporting agencies and the possibility that Peace Corps will forward the claim to a collection agency;
6. The right of the debtor to inspect and copy Peace Corps’ records related to the claim;
7. The right of the debtor to request a review of the determination of indebtedness and, in the circumstances described below, to request an oral hearing from the Peace Corps;
8. The right of the debtor to enter into a written agreement with the agency to repay the debt in some other way; and
9. In appropriate cases, the right of the debtor to request a waiver.

(d) Claims for payment of travel advances and employee training expenses require notification prior to administrative offset as described in this section. Because no oral hearing is required, notice of the right to a hearing need not be included in the notification.
Peace Corps § 309.37

§ 309.33 Debtor's failure to respond.

If the debtor fails to respond to the notice described in § 309.32(c) by the proposed effective date specified in the notice, the Peace Corps may take further action under this part or the FCCS under 4 CFR parts 101 through 105. Peace Corps may collect by administrative offset if the debtor:

(a) Has not made payment by the payment due date;
(b) Has not requested a review of the claim within the agency as set out in §309.34; or
(c) Has not made an arrangement for payment by the payment due date.

§ 309.34 Agency review.

(a) A debtor may dispute the existence of the debt, the amount of the debt, or the terms of repayment. A request to review a disputed debt must be submitted to the Peace Corps official who provided notification within 30 calendar days of the receipt of the written notice described in §309.32(c).
(b) The Peace Corps will provide a copy of the record to the debtor and advise him/her to furnish available evidence to support his or her position. Upon receipt of the evidence, the Peace Corps will review the written record of indebtedness and inform the debtor of its findings.
(c) Pending the resolution of a dispute by the debtor, transactions in any of the debtor's accounts maintained by the Peace Corps may be temporarily suspended. Depending on the type of transaction the suspension could preclude its payment, removal, or transfer, as well as prevent the payment of interest or discount due thereon. Should the dispute be resolved in the debtor's favor, the suspension will be immediately lifted.
(d) During the review period, interest, penalties, and administrative costs authorized under the Federal Claims Collection Act of 1966, as amended, will continue to accrue.

§ 309.35 Hearing.

(a) A debtor will be provided a reasonable opportunity for an oral hearing when:
   (i) The debtor requests waiver of the indebtedness; and
   (ii) The debtor requests waiver of the indebtedness; and
   (iii) The waiver determination rests on an issue of creditability or veracity; or
   (2) The debtor requests reconsideration and the Peace Corps determines that the question of indebtedness cannot be resolved by reviewing the documentary evidence.
(b) In cases where an oral hearing is provided to the debtor, the Peace Corps will conduct the hearing, and provide the debtor with a written decision.

§ 309.36 Written agreement for repayment.

If the debtor requests a repayment agreement in place of offset, the Peace Corps has discretion and should use sound judgment to determine whether to accept a repayment agreement in place of offset. If the debt is delinquent and the debtor has not disputed its existence or amount, the Peace Corps will not accept a repayment agreement in place of offset unless the debtor is able to establish that offset would cause undue financial hardship or be unjust. No repayment arrangement will be considered unless the debtor submits a financial statement, executed under penalty of perjury, reflecting the debtor's assets, liabilities, income, and expenses. The financial statement must be submitted within 10 business days of the Peace Corps' request for the statement. At the Peace Corps' option, a confess-judgment note or bond of indemnity with surety may be required for installment agreements. Notwithstanding the provisions of this section, any reduction or compromise of a claim will be governed by 4 CFR part 103 and 31 CFR 5.3.

§ 309.37 Administrative offset procedures.

(a) If the debtor does not exercise the right to request a review within the time specified in §309.34, or if as a result of the review, it is determined that the debt is due and no written agreement is executed, then administrative offset shall be ordered in accordance with this subpart without further notice.
§ 309.38  Travel advance. The Peace Corps will deduct outstanding advances provided to Peace Corps travelers from other amounts owed the traveler by the agency whenever possible and practicable. Monies owed by an employee for outstanding travel advances which cannot be deducted from other travel amounts due that employee, will be collected through salary offset as described in subpart B of this part.

(c) Volunteer allowances. The Peace Corps may deduct through administrative offset amounts owed the U.S. Government by Volunteers and Trainees from the readjustment allowance account.

(1) Overseas posts will obtain written consent from Volunteers or Trainees who are indebted to the agency upon close of service or termination, to deduct amounts owed from their readjustment allowances. Posts will immediately submit the written consent to Volunteer and Staff Payroll Services Division (VSPS).

(2) In cases where written consent from indebted Volunteers or Trainees cannot be obtained, overseas posts will immediately report the documented debts to VSPS. VSPS may then initiate offset against the readjustment allowance. Prior to offset action, VSPS will notify the debtor Volunteer or Trainee of their rights as required in § 309.32.

(d) Requests for offset to other Federal agencies. The Director or his or her designee may request that a debt owed to the Peace Corps be administratively offset in order to collect a debt owed to such Federal agency by the debtor. The Peace Corps shall initiate the requested offset only upon:

(1) Receipt of written certification from the creditor agency:
   (i) That the debtor owes the debt;
   (ii) The amount and basis of the debt;
   (iii) That the agency has prescribed regulations for the exercise of administrative offset; and
   (iv) That the agency has complied with its own administrative offset regulations and with the applicable provisions of 4 CFR part 102, including providing any required hearing or review.

(2) A determination by the Peace Corps that collection by offset against funds payable by the Peace Corps would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such offset would not otherwise be contrary to law.

§ 309.38  Civil and Foreign Service Retirement Fund.

(a) Unless otherwise prohibited by law, Peace Corps may request that monies that are due and payable to a debtor from the Civil Service Retirement and Disability Fund, the Foreign Service Retirement Fund or any other Federal retirement fund be administratively offset in reasonable amounts in order to collect in one full payment or a minimal number of payments, debts owed the United States by the debtor. The requests for administrative offset will certify in writing the following:

(1) The debtor owes the United States a debt and the amount of the debt;
(2) The Peace Corps has complied with applicable regulations and procedures;
(3) The Peace Corps has followed the requirements of the FCCS as described in this subpart.

(b) Once Peace Corps decides to request offset under paragraph (a) of this section, it will make the request as soon as practical after completion of the applicable procedures in order that
Peace Corps

§ 309.41 Referrals to collection agencies.

(a) Peace Corps has authority to contract for collection services to recover delinquent debts in accordance with 31 U.S.C. 3718(c) and the FCCS (4 CFR 102.6).

(b) Peace Corps will use private collection agencies where it determines that their use is in the best interest of the Government. Where Peace Corps determines that there is a need to contract for collection services, the contract will provide that:

(1) The authority to resolve disputes, compromise claims, suspend or terminate collection action, and refer the matter to the Department of Justice for litigation or to take any other action under this Part will be retained by the Peace Corps;

(2) Contractors are subject to the Privacy Act of 1974, as amended, to the extent specified in 5 U.S.C. 552a(m) and to applicable Federal and State laws and regulations pertaining to debt collection practices, such as the Fair Debt Collection Practices Act, 15 U.S.C. 1692;

(3) The contractor is required to strictly account for all amounts collected;

(4) The contractor must agree that uncollectible accounts shall be returned with appropriate documentation to enable Peace Corps to determine whether to pursue collection through litigation or to terminate collection;

(5) The contractor must agree to provide any data in its files relating to paragraphs (a)(1), (2) and (3) of section 105.2 of the Federal Claims Collection Standards upon returning the account to Peace Corps for subsequent referral to the Department of Justice for litigation.
§ 309.42 Compromise.

Peace Corps may attempt to effect compromise in accordance with the standards set forth in part 103 of the FCCS (4 CFR part 103).

§ 309.43 Suspending or terminating collection.

Suspension or termination of collection action shall be made in accordance with the standards set forth in Part 104 of the FCCS (4 CFR part 104).

§ 309.44 Referral of claims.

Claims on which an aggressive collection action has been taken and which cannot be collected, compromised or on which collection action cannot be suspended or terminated under parts 103 and 104 of the FCCS (4 CFR parts 103 and 104), shall be referred to the General Accounting Office or the Department of Justice, as appropriate, in accordance with the procedures set forth in part 105 of the FCCS (4 CFR part 105).

Debarment or suspension of a participant in a program by one agency shall have governmentwide effect.

(1) Prescribing the programs and activities that are covered by the governmentwide system;

(2) Prescribing the governmentwide criteria and governmentwide minimum due process procedures that each agency shall use;

(3) Providing for the listing of debarred and suspended participants, participants declared ineligible (see definition of ‘ineligible’ in §310.105), and participants who have voluntarily excluded themselves from participation in covered transactions;

(4) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion; and

(5) Offering such other guidance as necessary for the effective implementation and administration of the governmentwide system.

(1) Providing for the inclusion in the List of Parties Excluded from Federal Procurement and Nonprocurement Programs all persons proposed for debarment, debarred or suspended under the Federal Acquisition Regulation, 48 CFR Part 9, subpart 9.4; persons against which governmentwide exclusions have been entered under this part; and persons determined to be ineligible; and

(2) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion.

(d) Although these regulations cover the listing of ineligible participants and the effect of such listing, they do not prescribe policies and procedures governing declarations of ineligibility.

§ 310.110 Coverage.

(a) These regulations apply to all persons who have participated, are currently participating or may reasonably be expected to participate in transactions under Federal nonprocurement programs. For purposes of these regulations such transactions will be referred to as “covered transactions.”

(1) Covered transaction. For purposes of these regulations, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

(i) Primary covered transaction. Except as noted in paragraph (a)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: Grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation agreements and any other nonprocurement transactions between a Federal agency and a person. Primary covered transactions also include those transactions specially designated by the U.S. Department of Housing and Urban Development in such agency’s regulations governing debarment and suspension.

(ii) Lower tier covered transaction. A lower tier covered transaction is:
(A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction.
(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $25,000) under a primary covered transaction.

(2) Exceptions. The following transactions are not covered:

(i) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;
(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(b) Relationship to other sections. This section describes the types of transactions to which a debarment or suspension under the regulations will apply. Subpart B, “Effect of Action,” §310.200, “Debarment or suspension,” sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in §310.110(a). Sections 310.325, “Scope of debarment,” and 310.420, “Scope of suspension,” govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) Relationship to Federal procurement activities. In accordance with E.O. 12549 and section 2455 of Public Law 103–355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for Executive Branch agencies and participants as an exclusion under this regulation. Similarly, any debarment, suspension or other governmentwide exclusion initiated under this regulation on or after August 25, 1995 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.

§310.115 Policy.

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment and suspension are discretionary actions that, taken in accordance with Executive Order 12549 and these regulations, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government’s protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in these regulations.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

Subpart B—Effect of Action

§310.200 Debarment or suspension.

(a) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to §310.215.

(b) Lower tier covered transactions. Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see §§310.110(a)(1)(ii)) for the period of their exclusion.

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded.
§ 310.300 General.

The debarring official may debar a person for any of the causes in § 310.305, using procedures established in §§ 310.310 through 310.314. The existence of a cause for debarment, however, does not necessarily require that the person be debarred; the seriousness of the person’s acts or omissions and any mitigating factors shall be considered in making any debarment decision.

§ 310.305 Causes for debarment.

Debarment may be imposed in accordance with the provisions of §§ 310.300 through 310.314 for:

(a) Conviction of or civil judgment for:

   (4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:
   (1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;
   (2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions;
   (3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.

(c) Any of the following causes:
   (1) A nonprocurement debarment by any Federal agency taken before March 1, 1989, the effective date of these regulations or a procurement debarment by any Federal agency taken pursuant to 48 CFR subpart 9.4;
   (2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction, except as permitted in § 310.215 or § 310.220;
   (3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor’s legal and administrative remedies have been exhausted;
   (4) Violation of a material provision of a voluntary exclusion agreement entered into under § 310.315 or of any settlement of a debarment or suspension action; or
   (5) Violation of any requirement of subpart F of this part, relating to providing a drug-free workplace, as set forth in § 310.615 of this part.

(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.

§ 310.310 Procedures.

Peace Corps shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§ 310.311 through 310.314.

§ 310.311 Investigation and referral.

Information concerning the existence of a cause for debarment from any
source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

§ 310.312 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

(a) That debarment is being considered;
(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;
(c) Of the cause(s) relied upon under § 310.305 for proposing debarment;
(d) Of the provisions of §§ 310.311 through 310.314, and any other Peace Corps procedures, if applicable, governing debarment decisionmaking; and
(e) Of the potential effect of a debarment.

§ 310.313 Opportunity to contest proposed debarment.

(a) Submission in opposition. Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.
(b) Additional proceedings as to disputed material facts. (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.
(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 310.314 Debarring official’s decision.

(a) No additional proceedings necessary. In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.
(b) Additional proceedings necessary. (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.
(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.
(3) The debarring official’s decision shall be made after the conclusion of the proceedings with respect to disputed facts.
(c) (1) Standard of proof. In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.
(2) Burden of proof. The burden of proof is on the agency proposing debarment.
(d) Notice of debarring official’s decision. (1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:
(i) Referring to the notice of proposed debarment;
(ii) Specifying the reasons for debarment;
(iii) Stating the period of debarment, including effective dates; and

§ 310.315 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, Peace Corps may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E).

§ 310.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see 310.305(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest.

However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§ 310.311 through 310.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:

(1) Newly discovered material evidence;

(2) Reversal of the conviction or civil judgment upon which the debarment was based;

(3) Bona fide change in ownership or management;

(4) Elimination or other causes for which the debarment was imposed; or

(5) Other reasons the debarring official deems appropriate.

§ 310.325 Scope of debarment.

(a) Scope in general. (1) Debarment of a person under these regulations constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§ 310.311 through 310.314).

(b) Imputing conduct. For purposes of determining the scope of debarment, conduct may be imputed as follows:

(1) Conduct imputed to participant. The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual’s performance of duties for or on behalf of the participant, or with the participant’s knowledge, approval, or acquiescence. The participant’s acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(2) Conduct imputed to individuals associated with participant. The fraudulent, criminal, or other seriously improper
conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant’s conduct.

(3) Conduct of one participant imputed to other participants in a joint venture. The fraudulent, criminal, or other seriously improper conduct of one participant in a joint venture, grant pursuant to a joint application, or similar arrangement or with the knowledge, approval, or acquiescence of these participants. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

Subpart D—Suspension

§ 310.400 General.

(a) The suspending official may suspend a person from any of the causes in § 310.405 using procedures established in §§ 310.410 through 310.413.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in § 310.405, and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 310.405 Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of § 310.400 through § 310.413 upon adequate evidence:

(1) To suspect the commission of an offense listed in § 310.305(a); or

(2) That a cause for debarment under § 310.305 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 310.410 Procedures.

(a) Investigation and referral. Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) Decisionmaking process. Peace Corps shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in §§ 310.411 through 310.413.

§ 310.411 Notice of suspension.

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;

(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government’s evidence;

(d) Of the cause(s) relied upon under § 310.405 for imposing suspension;

(e) That the suspension is for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings;

(f) Of the provisions of §§ 310.411 through 310.413 and any other [Peace Corps] procedures, if applicable, governing suspension decisionmaking; and

(g) Of the effect of the suspension.

§ 310.412 Opportunity to contest suspension.

(a) Submission in opposition. Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) Additional proceedings as to disputed material facts. (1) If the suspending official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to
§ 310.413 Suspending official’s decision.

The suspending official may modify or terminate the suspension (for example, see §310.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) No additional proceedings necessary. In actions: based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) Additional proceedings necessary. (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(c) Notice of suspending official’s decision. Prompt written notice of the suspending official’s decision shall be sent to the respondent.

§ 310.415 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuring legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

§ 310.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see §310.325), except that the procedures of §§310.410 through 310.413 shall be used in imposing a suspension.
§ 310.500 GSA responsibilities.

(a) In accordance with the OMB guidelines, GSA shall compile, maintain, and distribute a list of all persons who have been debarred, suspended, or voluntarily excluded by agencies under Executive Order 12549 and these regulations, and those who have been determined to be ineligible.

(b) At a minimum, this list shall indicate:

(1) The names and addresses of all debarred, suspended, ineligible, and voluntarily excluded persons, in alphabetical order, with cross-references when more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for each listing; and

(6) The agency and name and telephone number of the agency point of contact for the action.

§ 310.505 Peace Corps responsibilities.

(a) The agency shall provide GSA with current information concerning debarments, suspensions, determinations of ineligibility, and voluntary exclusions it has taken. Until February 18, 1989, the agency shall also provide GSA and OMB with information concerning all transactions in which Peace Corps has granted exceptions under § 310.215 permitting participation by debarred, suspended, or voluntarily excluded persons.

(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in § 310.500(b) and of the exceptions granted under § 310.215 within five working days after taking such actions.

(c) The agency shall direct inquiries concerning listed persons to the agency that took the action.

(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded.

§ 310.510 Participants' responsibilities.

(a) Certification by participants in primary covered transactions. Each participant shall submit the certification in appendix A to this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals (Tel. #). Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) Certification by participants in lower tier covered transactions. (1) Each participant shall require participants in lower tier covered transactions to include the certification in appendix B to this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction by any Federal agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Nonprocurement List for its principals and for participants (Tel. #).
(c) Changed circumstances regarding certification. A participant shall provide immediate written notice to Peace Corps if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposal.

Subpart F—Drug-Free Workplace Requirements (Grants)

SOURCE: 55 FR 21688, 21694, May 25, 1990, unless otherwise noted.

§ 310.600 Purpose.

(a) The purpose of this subpart is to carry out the Drug-Free Workplace Act of 1988 by requiring that—

(1) A grantee, other than an individual, shall certify to the agency that it will provide a drug-free workplace;

(2) A grantee who is an individual shall certify to the agency that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance in conducting any activity with the grant.

(b) Requirements implementing the Drug-Free Workplace Act of 1988 for contractors with the agency are found at 48 CFR subparts 9.4, 23.5, and 52.2.

This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the payroll; or employees of subrecipients or subcontractors in covered workplaces);

(6) Federal agency or agency means any United States executive department, military department, government corporation, government controlled corporation, any other establishment in the executive branch (including the Executive Office of the President), or any independent regulatory agency;

The term grant includes block grant and entitlement grant programs, whether or not exempted from coverage under the grants management government-wide common rule on uniform administrative requirements for grants and cooperative agreements. The term does not include technical assistance that provides services instead of money, or other assistance in the form of loans, loan guarantees, interest subsidies, insurance, or direct appropriations; or any veterans’ benefits to individuals,

§ 310.610 Coverage.

(a) This subpart applies to any grantee of the agency.

(b) This subpart applies to any grant, except where application of this subpart would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government. A determination of such inconsistency may be made only by the agency head or his/her designee.

(c) The provisions of subparts A, B, C, D and E of this part apply to matters covered by this subpart, except where specifically modified by this subpart. In the event of any conflict between provisions of this subpart and other provisions of this part, the provisions of this subpart are deemed to control with respect to the implementation of drug-free workplace requirements concerning grants.

§ 310.615 Grounds for suspension of payments, suspension or termination of grants, or suspension or debarment.

A grantee shall be deemed in violation of the requirements of this subpart if the agency head or his or her official designee determines, in writing, that—

(a) The grantee has made a false certification under §310.630;

(b) With respect to a grantee other than an individual—

1. The grantee has violated the certification by failing to carry out the requirements of paragraphs (A)(a)-(g) and/or (B) of the certification (Alternate I to appendix C) or

2. Such a number of employees of the grantee have been convicted of violations of criminal drug statutes for violations occurring in the workplace as to indicate that the grantee has failed to make a good faith effort to provide a drug-free workplace.

(c) With respect to a grantee who is an individual—

2. The grantee is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity.

(a) In the event of a violation of this subpart as provided in §310.615, and in accordance with applicable law, the grantee shall be subject to one or more of the following actions:

1. Suspension of payments under the grant;

2. Suspension or termination of the grant; and

3. Suspension or debarment of the grantee under the provisions of this part.

(b) Upon issuance of any final decision under this part requiring debarment of a grantee, the debarred grantee shall be ineligible for award of any grant from any Federal agency for a period specified in the decision, not to exceed five years (see §310.320(a)(2) of this part).

§ 310.625 Exception provision.

The agency head may waive with respect to a particular grant, in writing, a suspension of payments under a grant, suspension or termination of a grant, or suspension or debarment of a grantee if the agency head determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.
§ 310.630 Certification requirements and procedures.

(a)(1) As a prior condition of being awarded a grant, each grantee shall make the appropriate certification to the Federal agency providing the grant, as provided in appendix C to this part.

(2) Grantees are not required to make a certification in order to continue receiving funds under a grant awarded before March 18, 1989, or under a no-cost time extension of such a grant. However, the grantee shall make a one-time drug-free workplace certification for a non-automatic continuation of such a grant made on or after March 18, 1989.

(b) Except as provided in this section, all grantees shall make the required certification for each grant. For mandatory formula grants and entitlements that have no application process, grantees shall submit a one-time certification in order to continue receiving awards.

(c) A grantee that is a State may elect to make one certification in each Federal fiscal year. States that previously submitted an annual certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. Except as provided in paragraph (d) of this section, this certification shall cover all grants to all State agencies from any Federal agency. The State shall retain the original of this statewide certification in its Governor's office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency designates a central location for submission.

(d)(1) The Governor of a State may exclude certain State agencies from the statewide certification and authorize these agencies to submit their own certifications to Federal agencies. The statewide certification shall name any State agencies so excluded.

(2) A State agency to which the statewide certification does not apply, or a State agency in a State that does not have a statewide certification, may elect to make one certification in each Federal fiscal year. State agencies that previously submitted a State agency certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. The State agency shall retain the original of this State agency-wide certification in its central office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency designates a central location for submission.

(3) When the work of a grant is done by more than one State agency, the certification of the State agency directly receiving the grant shall be deemed to certify compliance for all workplaces, including those located in other State agencies.

(e)(1) For a grant of less than 30 days performance duration, grantees shall have this policy statement and program in place as soon as possible, but in any case by the date prior to the date on which performance is expected to be completed.

(2) For a grant of 30 days or more performance duration, grantees shall have this policy statement and program in place within 30 days after award.

§ 310.635 Reporting of and employee sanctions for convictions of criminal drug offenses.

(a) When a grantee other than an individual is notified that an employee has been convicted for a violation of a criminal drug statute occurring in the workplace, it shall take the following actions:

(1) Within 10 calendar days of receiving notice of the conviction, the grantee shall provide written notice, including the convicted employee's position title, to every grant officer, or other designee on whose grant activity the convicted employee was working, unless a Federal agency has designated a central point for the receipt of such notifications. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

(2) Within 30 calendar days of receiving notice of the conviction, the grantee shall do the following with respect to the employee who was convicted:
(i) Take appropriate personnel action against the employee, up to and including termination, consistent with requirements of the Rehabilitation Act of 1973, as amended; or

(ii) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency.

(b) A grantee who is an individual who is convicted for a violation of a criminal drug statute occurring during the conduct of any grant activity shall report the conviction, in writing, within 10 calendar days, to his or her Federal agency grant officer, or other designee, unless the Federal agency has designated a central point for the receipt of such notices. Notification shall include the identification number(s) for each of the Federal agency’s affected grants.

APPENDIX A TO PART 310—CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS—PRIMARY COVERED TRANSACTIONS

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency’s determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, if it is later determined that the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction,” provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions

APPENDIX C TO PART 310—
CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

Instructions for Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules:

   Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

   Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

   Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

   Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee’s payroll; or employees of subrecipients or subcontractors in covered workplaces).

   Certification Regarding Drug-Free Workplace Requirements

   Alternate I. (Grantees Other Than Individuals)

   A. The grantee certifies that it will or will continue to provide a drug-free workplace by:
(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee’s workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about—
   (1) The dangers of drug abuse in the workplace;
   (2) The grantee’s policy of maintaining a drug-free workplace;
   (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
   (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will—
   (1) Abide by the terms of the statement; and
   (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2), from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted—
   (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
   (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Check □ if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

(5) The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(f) Federal loan means a loan made by an agency. The term does not include loan guarantee or loan insurance.

commitment, or loan guarantee commitment. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

(q) State means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

§ 311.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraphs (a) or (b) of this section:

(2) A subgrant, contract, or subcontract exceeding $100,000 at any tier under a Federal grant;

(3) A contract or subcontract exceeding $100,000 at any tier under a Federal loan exceeding $150,000; or,

(4) A contract or subcontract exceeding $100,000 at any tier under a Federal cooperative agreement, shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23,
§ 311.200 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 311.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in § 311.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95–507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 311.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 311.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly.
§ 311.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §311.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §311.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, professional and technical services shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 311.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 311.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §311.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §311.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, professional and technical services shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by
law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 311.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 311.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

Subpart E—Exemptions

§ 311.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 311.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.
(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 311.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President’s Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency’s covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

§ 501.1 Policy.

It is the policy of the Broadcasting Board of Governors that Foreign Service Officers occupy positions in which there is a need and reasonable opportunity for interchangeability of personnel between the Board and posts abroad, and which are concerned with (a) the conduct, observation, or analysis of information and cultural activities, or (b) the executive management of, or administrative responsibility for, the overseas operations of the Board’s program.

§ 501.2 Eligibility for appointment as Foreign Service Officer.

CROSS-REFERENCE: The regulations governing eligibility for appointment as a Foreign Service Officer are codified in part 11 of this title.

§ 501.3 Noncompetitive interchange between Civil Service and Foreign Service.

(a) An agreement between the Office of Personnel Management and the Board under the provisions of Executive Order 11219 (3 CFR, 1964–65 Comp. p. 303) provides for the noncompetitive appointment of present or former Foreign Service employees as career or career-conditional Civil Service employees.

(b) Under this agreement former career personnel of the Board’s Foreign Service (FSCR, FSRU, FSIO, FSS, FSO, or FP) and such present personnel desiring to transfer, are eligible, under certain conditions, for noncompetitive career or career-conditional appointment in any Federal agency that desires to appoint them. The President has authorized the Office of Personnel Management by executive order to waive the requirements for competitive examination and appointment for such Board career Foreign Service personnel.

(c) A present or former Civil Service employee may be appointed on a competitive basis in any Foreign Service class for which the employee has qualified under the provisions of section 3947 of title 22, United States Code.

§ 501.4 Junior Level Career Candidate Program (Class 6, 5, or 4).

CROSS-REFERENCE: The regulations governing the junior level Career Candidate program are codified in part 11 of this title.

§ 501.5 Mid-level FSO Candidate Program (Class 3, 2, or 1).

(a) General. The mid-level FSO Candidate program, under the provisions of section 306 of the Foreign Service Act of 1980, supplements the junior-level Career Candidate program to meet total requirements for Foreign Service Officers at the mid-level in the Foreign Service. Foreign Service limited appointments of FSO Candidates are made to Class 3, 2, or 1 for a period not to exceed five years. Occasionally, appointments may be offered at the Class 4 level. The FSO Commissioning Board will determine whether FSO Candidates have performed at a satisfactory level and demonstrated the required level of growth potential and competence, and will make a recommendation on commissioning as Foreign Service Officers. FSO Candidates who are not recommended for commissioning prior to the expiration of their limited appointment will be separated from the mid-level program.

(b) Sources of applicants. (1) The Broadcasting Board of Governors draws a significant number of FSO Candidates from Board employees who
apply, and are found qualified by the Board of Examiners for the Foreign Service (BEX).

(2) The Board also draws Candidates from outside applicants who possess skills and abilities in short supply in the Foreign Service and who have capabilities, insights, techniques, experiences, and differences of outlook which would serve to enrich the Foreign Service and enable them to perform effectively in assignments both abroad and in the United States. Minority applicants are recruited for mid-level entry under the COMRAT program. Appointment from sources outside the Board is limited and based on intake levels established in accordance with total Broadcasting Board of Governors FSO workforce and functional requirements. Such appointments are based on successful completion of the examination process, and existing assignment vacancies.

(c) Eligibility requirement. (1) Broadcasting Board of Governors Employees. On the date of application, employees must have at least three years of Federal Government service in a position of responsibility in the Board. A position of responsibility is defined as service as an Overseas Specialist at Class 4 or above or as a Domestic Specialist at GS–11 or above within the Board. The duties and responsibilities of the position occupied by the applicant must have been similar or closely related to those of a Foreign Service Officer in terms of knowledge, skills, abilities, and overseas experience. Board Domestic and Overseas Specialists must be no more than 58 years of age on the date of redesignation or appointment as an FSO Candidate.

(2) Applicants Under Special Recruitment Programs. Minority and women applicants must be no more than 58 years of age; must have approximately nine years of education or experience relevant to work performed in Broadcasting Board of Governors, must be knowledgeable in the social, political and cultural history of the U.S. and be able to analyze and interpret this in relation to U.S. Government policy and American life.

(3) Outside Applicants. On the date of appointment, applicants must be no more than 58 years of age, with nine years of relevant work experience and/or education, or proficiency in a language for which the Board has a need, or substantial management expertise. Relevant work experience is defined as public relations work, supervisory or managerial positions in communications media, program director for a museum or university-level teacher of political science, history, English or other relevant disciplines. Appointments from these sources for the limited vacancies available are made on a competitive basis to fill specific Service needs after ensuring that the vacancies cannot be filled by Foreign Service Officers already in the Foreign Service Officer Corps.

(d) Application Procedures. (1) Applicants must complete Standard Form 171, Application for Federal Employment; Form DSP–34, Supplement to Application for Federal Employment; a 1,000 word autobiography; a statement affirming willingness and capacity to serve at any post worldwide; and transcripts of all graduate and undergraduate course work and forward them to the Special Recruitment Branch, Office of Personnel (M/PDSE).

(2) The filing of an application for the Foreign Service does not in itself entitle an applicant to examination. The decision to proceed with an oral examination is made by a Qualifications Evaluation Panel after determining the applicant’s eligibility for appointment and reviewing the applicant’s qualifications including his/her performance, and administrative files (or equivalents), claimed language proficiency and other background or factors which may be related to the work performed by FSOs. An oral examination is given only in those cases where the applicant is found to possess superior qualifications, proven ability, and high potential for success in the Foreign Service.

(e) Examination process. (1) Written Examination. A written examination will not normally be required of applicants for FSO Candidate appointments. However, if the volume of applications for a given class or classes is such as to make it infeasible to examine applicants orally within a reasonable time, such applicants may be required to
take an appropriate written examination prescribed by the Board of Examiners. Those who meet or exceed the passing level set by the Board of Examiners on the written examination will be eligible for selection for the oral examination.

(2) Oral examination. (i) Applicants approved by the Qualifications Evaluation Panel for examination will be given an oral examination by a panel of Deputy Examiners approved by the Board of Examiners. The oral examination is designed to enable the Board of Examiners to determine whether applicants are functionally qualified for work in the Foreign Service at the mid-level, whether they would be suitable representatives abroad of the United States, whether they have the potential to advance in the Foreign Service, and whether they have the background and experience to make a contribution to the Foreign Service. The oral examination is individually scheduled throughout the year and is normally given in Washington, D.C. At the discretion of the Board of Examiners, it may be given in other American cities, or at Foreign Service posts, selected by the Board.

(ii) The panel will orally examine each applicant through questioning and discussion. There will also be a writing exercise and an in-basket test. Applicants taking the oral examination will be graded according to the standards established by the Board of Examiners, and their dependent who will reside with them overseas, are required to pass a physical examination at the Department of State Medical Division.

(3) Foreign language requirement. All applicants who pass the oral examination will be required to take a subsequent test to measure their fluency in foreign languages, or their aptitude for learning them (MLAT) for which a score of 50 points (on a scale of zero to eighty) is necessary to qualify for further processing. No applicant will be recommended for career appointment without first having demonstrated required proficiency in a foreign language, but the appointment will be subject to the condition that the employee may not receive more than one promotion and may not be commissioned as an FSO until proficiency in one foreign language is achieved.

(4) Medical examination. Those applicants recommended by the Board of Examiners for an FSO candidacy, and their dependents who will reside with them overseas, are required to pass a physical examination at the Department of State Medical Division.

(5) Security and suitability considerations. A background investigation or appropriate security clearance update will be conducted on each applicant, and no application may be continued until a security clearance has been granted.

(6) Class of appointment. The Board of Examiners fixes the entry level for appointment as an FSO candidate.

(7) Certification for appointment. After completion of all aspects of the examination, the Board of Examiners certifies to the Board successful candidates for appointment as FSO Candidates. Determinations of duly constituted panels of examiners and deputy examiners are final, unless modified by specific action of the Board of Examiners for the Foreign Service.

(8) FSO Candidate registers. (i) After approval by the Board of Examiners, and certification as to suitability and security clearance by the Board’s Director of Security, successful applicants will have their names placed on a register for the class for which they have been found qualified. Appointments to available openings will be made from the applicants entered on the register for the class of the position to be filled. Inclusion on the register does not guarantee eventual assignment and appointment as an FSO Candidate. Applicants who have qualified but have not been appointed because of lack of openings will be dropped from the register 18 months after the date of placement on it (or the completion of an inside applicant’s current overseas tour, whichever is longer). Such applicants may reapply for the program, but will be required to
§ 501.6 Appointment of Overseas Specialists.

(a) General. Members of the Board’s Foreign Service appointed as Overseas Specialists serve on rotational U.S.-overseas assignments in the following types of positions: General Administration; Publication Writers and Editors; Exhibit Managers; Printing Specialists; English Teaching Specialists; Correspondents; Engineers for the Voice of America; Regional Librarian Consultants; and Secretaries. Appointees serve a trial period of service as Specialist Candidates under Foreign Service limited appointments (or redesignation) for a period not to exceed five years. Appointments are made to F.S. classes 8 through 1. Specialist Candidates are given career appointments as Overseas Specialists based on the recommendations of Specialist Selection Boards. Specialist candidates not recommended for tenuring will be separated from the Foreign Service, or reinstated in the Civil Service.

(b) Sources of applicants. Qualified Broadcasting Board of Governors domestic employees comprise a significant recruitment source for Overseas Specialist appointments. Such employees will be given priority consideration.

(2) FSO Candidates will be assigned to Generalist positions overseas, and will compete for promotion with other Generalist officers under the Annual Generalist Selection Boards. FSO Candidates at the Class 1 level may not compete for promotion into the Senior Foreign Service prior to commissioning as an FSO.

(3) The FSO Candidacy may be terminated during the four-year period for unsatisfactory performance (22 U.S.C. 4011) or for such other cause as will promote the efficiency of the Service (22 U.S.C. 4010).

(g) Commissioning as a Foreign Service Officer. (1) Upon completion of three years’ service (most of which will have been overseas), the FSO Candidate will be eligible for commissioning as a Foreign Service Officer. The FSO Commissioning Board will review all FSO Candidates appointed on or after March 1, 1980 and will recommend on tenure.

(2) The criterion used for deciding whether to recommend commissioning of FSO Candidates is the Candidate’s demonstrated potential to perform effectively as a Foreign Service Officer in a normal range of generalist assignments up through the Class 1 level. No quota or numerical limit is placed on the number of affirmative decisions.

(3) If recommended for commissioning, and having satisfied the language proficiency requirements, the name of the FSO Candidate will be forwarded to the President and the Senate and, upon approval, the FSO Candidate will be commissioned as an FSO.

(4) If the FSO Commissioning Board does not recommend commissioning of the FSO Candidate during its review, it may recommend extension of the FSO Candidacy to allow for a future review. Under no circumstances will an FSO Candidacy be extended to a total of more than five years.

(5) Candidates not recommended for commissioning or who have not satisfied the language proficiency requirement will be separated from the Service at the expiration of their appointment. However, FSO Candidates who were appointed from within the Board with career status as a Domestic or Overseas Specialist may exercise reappointment rights to their previous category in lieu of separation.
Broadcasting Board of Governors

§ 501.6

over outside applicants when applying for Overseas Specialist positions, when qualifications are otherwise equal.

(c) Eligibility requirements. All applicant must be citizens of the United States, and must be at least 21 years of age and no more than 58 years of age at the time of appointment. The 21-year age requirement may be waived by the Director, Office of Personnel (M/P or VOA/P) when she or he determines that the applicant’s services are urgently needed. Broadcasting Board of Governors employee applicants must also have at least three years of Federal government experience and occupy a position at the GS–11 level (or equivalent) or above (GS–10 for Electronic Technicians in the Voice of America). All applicants must be available for worldwide assignment to positions in their occupational category.

(d) Application procedures. (1) Applications for all specialties except secretarial should include a current SF–171, Application for Federal Employment; a DSP–34, Supplement to Application for Federal Employment; university transcripts; a 1,000 word autobiographical statement which should include mention of the qualifications the applicant would bring to the job and reason for desiring to work for the Board; and a statement affirming willingness and capacity to serve at any post worldwide.

(2) Special requirements for Foreign Service Secretaries. Secretarial applicants must submit a current SF–171, Application for Federal Employment, and a 250 word essay on a commonly understood subject to demonstrate grammatical competence. The following specific requirements must be met by applicants: Ability to type accurately at 60 words per minute; four years of secretarial or administrative experience (business school or college training may be substituted for up to two years of required work experience); and attainment of an acceptable score in verbal ability and spelling tests. Applicants will subsequently be given a written examination to measure administrative aptitude.

(e) Examination process—(1) Application review. All applications are to be sent to the Special Recruitment Staff, Office of Personnel (M/PDSE), or to the Foreign Personnel Advisor (VOA/PF) for Voice of America positions.

(2) Qualifications Evaluation Panel. A Qualifications Evaluation Panel will evaluate the applicant’s qualifications including his/her performance and administrative files (or equivalent), claimed language proficiency and other background or factors which may be related to the work performed by an Overseas Specialist Officer in the relevant specialty.

(3) Oral examination. (i) Applicants who are passed on by the Qualifications Evaluation Panel to the Board of Examiners will be given an oral examination to evaluate the applicant’s total qualifications for service as an Overseas Specialist in the desired functional specialty.

(ii) The Board panel examining all candidates except those of the Voice of America will consist of one Broadcasting Board of Governors Overseas Specialist and two BEX Deputy Examiners. For VOA candidates, the panel will consist of the Foreign Personnel Advisor, a BEX Deputy Examiner assigned to the Voice of America, and a Deputy Examiner assigned to the Board of Examiners.

(iii) The panel will examine each applicant through questioning and discussion. Hypothetical problem-solving exercises, a writing exercise and an in-basket test may also be required. The panel will also recommend the F.S. entry level for appointment. If the panel’s recommendation is unfavorable, the application process will be discontinued. An unsuccessful applicant may apply again in 12 months.

(4) The same medical and security requirements applicable to FSO Candidates pertain to Specialist Candidates.

(5) Overseas Specialist Candidate register. If an applicant is successful in the examination, and medical and security clearances have been successfully completed, his/her name will be added to the appropriate Overseas Specialist register for a period of 18 months, or completion of an inside candidate’s current tour of duty overseas, whichever is longer, at the Foreign Service class determined in the examination process and based on previous experience. Inclusion on the register does not
guarantee eventual assignment and appointment as an Overseas Specialist Candidate.

(f) Appointment as a Specialist Candidate. (1) When the Office of Personnel identifies an overseas vacancy which cannot be filled from the existing ranks of Overseas Specialists, applicants on the Overseas Specialist register will be considered for the assignment. An applicant will not be appointed unless an overseas position has been identified and a need for the individual in the Foreign Service has been certified by the Director, Office of Personnel (M/P or VOA/P). Any applicant selected from the register who refuses an assignment offer will be dropped from the register and precluded from reapplying for a period of seven years.

(2) Applicants will be given a Foreign Service limited appointment (or redesignation) for a period of four years at the Foreign Service Class determined in the examination process. The purpose of this untenured appointment is to allow the Board to evaluate and assess the Specialist Candidate’s abilities and future potential prior to offering career appointment as an Overseas Specialist. The limited appointment may be extended for one additional year, but must be terminated at the end of the fifth year if the Candidate does not obtain career tenure.

(3) The Candidate will receive the orientation and training necessary to serve overseas and will be assigned overseas in a position in his or her specialty. Broadcasting Board of Governors Civil Service employees selected as Overseas Specialist Candidates will be appointed only if the Board element to which they are currently assigned is willing to affirm in writing that a position at the appropriate level will be made available for the employee should the candidacy end unsuccessfully. Broadcasting Board of Governors Civil Service applicants will be appointed as Overseas Specialist Candidates on or about the date of their departure for post of assignment or upon assumption of an assignment (which has been identified and will follow a period of orientation in Washington). The Board may also assign a Candidate to a U.S.-based position for an initial assignment of up to 24 months when the Candidate will spend the majority of his/her time traveling overseas and will, except for the U.S. basing, be fully functioning as an Overseas Specialist. Specialist Candidates will compete for promotion by the Annual Overseas Specialist Selection Board with other officers in the same specialty and at the same class level. Specialist Candidates at the Class 1 level are ineligible for promotion into the Senior Foreign Service.

(4) The Specialist candidacy may be terminated a any time for unsatisfactory performance (22 U.S.C. 4011) or for such cause as will promote the efficiency of the Service (22 U.S.C. 4010).

(g) Career appointment as an Overseas Specialist. In accordance with section 3946 of title 22 United States Code, the decision to offer a Specialist Candidate a career appointment will be based on the recommendation made by the Annual Overseas Specialist Selection Board which reviews all employees in the Candidate’s occupational category and class level.

(1) Eligibility. Specialist Candidates who have performed at least two years of overseas service will be eligible for review for career status at the time of the Candidate’s third Board review. Candidates serving an initial tour in the U.S. but spending the majority of time working overseas will be credited with up to one year of overseas service, but no more than half of the time based in the U.S. If a Specialist Candidate is not recommended for career status during the initial review, the Candidate may be reviewed again when the next Annual Overseas Specialist Selection Board convenes if the initial Board so recommends.

(2) Selection Board Review. The Selection Board(s) will review the official performance file of the eligible Specialist Candidates and in accordance with established precepts, will determine whether the Candidates should be recommended for career appointment as Overseas Specialists. Recommendations by the Board will be based on the Candidate’s demonstrated aptitude and fitness for a career in the Foreign Service in their occupational specialties. No quota or numerical limit is placed on the number of positive career status
decisions that can be made by Selection Boards. The Specialist candidacy will be terminated if the Candidate fails to be recommended for career status after a second Board review for tenuring. Candidates may be terminated earlier than the expiration of their limited appointment if so recommended by the Board and approved by the Director, Office of Personnel (M/P or VOA/P). Specialist Candidates recommended for career status by the Selection Board will be given Foreign Service career appointments (or redesignation) as Overseas Specialist, to take effect within one month of the Board’s recommendation.

§ 501.7 Appointment as Chief of Mission.

(a) Appointment by President. Chiefs of mission are appointed by the President, by and with the advice and consent of the Senate. They may be career members of the Foreign Service or they may be appointed from outside the Service.

(b) Recommendation of Foreign Service career members. On the basis of recommendations made by the Director of Broadcasting Board of Governors, the Secretary of State from time to time furnishes the President with the names of Foreign Service career members qualified for appointment as chiefs of mission. The names of these officers, together with pertinent information concerning them, are given to the President to assist him in selecting qualified candidates for appointment as chiefs of mission.

(c) Status of Foreign Service career members appointed as Chiefs of Mission. Foreign Service career members who are appointed as chiefs of mission retain their career status as Foreign Service career members.

§ 501.8 Reappointment of Foreign Service Officers and Career Overseas Specialists.

The President may, by and with the advice and consent of the Senate, reappoint to the Service a former Foreign Service Officer who is separated from the Service. The Director (Broadcasting Board of Governors) may reappoint to the Service a former career Overseas Specialist.

(a) Requirements for reappointment. (1) On the date of application, each applicant must be a citizen of the United States.

(2) No applicant will be considered who has previously been separated from the Foreign Service pursuant to section 608 or 610 of the Foreign Service Act of 1980 (or predecessor section 633, 635, or 637 of the Foreign Service Act of 1946, as amended); or who resigned or retired in lieu of selection out or separation for cause.

Note: This requirement will not apply where it has been determined by the Foreign Service Grievance Board under 3 FAM 660 or by the Director, Office of Personnel, that the separation or the resignation or retirement in lieu of selection out or separation for cause was wrongful; where reappointment is determined by the Director, Office of Personnel, as an appropriate means to settle a grievance or complaint of a former Foreign Service career member on a mutually satisfactory basis; or where reappointment is the indicated redress in a proceeding under 3 FAM 130 “Equal Employment Opportunity.”

(b) Application. Apply by letter addressed to the Director, Office of Personnel. Include the standard application forms, SF–171, Application for Federal Employment; and DSP–34, Supplement to Application for Federal Employment; and a brief resume of work and other experience since resignation from the Foreign Service. Whenever the Director, Office of Personnel, finds that the reappointment of one or more former Foreign Service Career Members may be in the best interest of the Service, all application forms, along with the available personnel files, will be referred as appropriate to the Board of Examiners for the Foreign Service which will conduct an advisory evaluation of the qualifications of each applicant.

(c) Nature of evaluation. (1) The Board of Examiners’ advisory qualifications evaluation of FSO applicants (i) will be based on a review of all pertinent information relating to the applicant’s record of employment in the Foreign Service and to subsequent experience, as well, and (ii) will take into consideration among other factors, the rank of the applicant’s contemporaries in the Service in recommending the class in which the applicant will be reappointed under section 308 of the Foreign Service Act of 1980.
§ 501.9 Interchange of FSOs between Broadcasting Board of Governors and other Foreign Affairs Agencies.

Foreign Service Officers (FSOs) desiring transfer from one agency to another may apply under the following provisions:

(a) Applications. Applications for interchange appointments should be sent to the Board of Examiners for the Foreign Service, Department of State, Washington, DC 20520.

(b) Certification and approval. (1) When a Foreign Service Officer of another Foreign Affairs Agency wishes to transfer to the Broadcasting Board of Governors, a certification of need is required from the Director, Office of Personnel, Broadcasting Board of Governors, and approval is required by the Director of Personnel for the other agency for the officer’s release to Broadcasting Board of Governors.

(2) When a Broadcasting Board of Governors FSO wishes to transfer to another Foreign Affairs Agency, a certification of need is required from the Director of Personnel of the other Agency, and approval is required by the Director, Office of Personnel, Broadcasting Board of Governors, for the officer’s release to that Agency.

(3) A review by the Board of Examiners for the Foreign Service will certify the eligibility of candidates for exchange. BEX will notify the Office of Personnel, Broadcasting Board of Governors when a Foreign Service Officer of another Agency has been approved for transfer and Broadcasting Board of Governors will process the necessary employment papers.

(4) A new FSO appointment for officers transferring between another Foreign Affairs Agency and Broadcasting Board of Governors is not required.
§ 503.1 Introduction and definitions.

(a) Introduction. The FOIA and this part apply to all records of the Broadcasting Board of Governors including all of its foreign posts. As a general policy, Broadcasting Board of Governors follows a balanced approach in administering the FOIA. We recognize the right of public access to information in the possession of the Department, but we also protect the integrity of the Department’s internal processes. This policy calls for the fullest possible disclosure of records consistent with those requirements of administrative necessity and confidentiality which are recognized by the Freedom of Information Act.

(b) Definitions—
Access Appeal Committee or Committee, means the Committee delegated by the Department Director for making final Department determinations regarding appeals from the initial denial of records under the FOIA. This Committee also reviews final appeal denials of documents made by the National Endowment for Democracy (NED) for its records.

Department or Broadcasting Board of Governors means the Broadcasting Board of Governors. It includes all components of Broadcasting Board of Governors in the U.S. and all foreign posts abroad (known as the U.S. Information Service or USIS). (See 22 CFR part 504, chapter V—Organization.)

Commercial use, when referring to a request, means that the request is from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or of a person on whose behalf the request is made. Whether a request is for a commercial use depends on the purpose of the request and the use to which the records will be put. The identity of the requester (individual, non-profit corporation, for-profit corporation), or the nature of the records, while in some cases indicative of that purpose or use, is not necessarily determinative. When a request is from a representative of the news media, the request shall be deemed not to be for commercial use.

Department means any executive department, military department, government corporation, government controlled corporation, any independent regulatory agency, or other establishment in the executive branch of the Federal Government. A private organization is not a department even if it is performing work under contract with the Government or is receiving Federal financial assistance. Grantee and contractor records are not subject to the FOIA unless they are in the possession and control of Broadcasting Board of Governors.

Duplication means the process making a copy of a record and sending it to the requester, to the extent necessary to respond to the request. Such copies include paper copy, microform, audiovisual materials, and magnetic tapes, cards and discs.

Educational institution means a preschool, elementary or secondary school, institution of undergraduate or graduate higher education, or institution of professional or vocational education.

FOIA means section 552 of title 5, United States Code, as amended.

Freedom of Information Officer means the Broadcasting Board of Governors official who has been delegated the authority to release or withhold records and assess, waive, or reduce fees in response to FOIA requests.

Non-commercial scientific institution means an institution that is not operated substantially for purposes of furthering its own or someone else’s business, trade, or profit interests, and that is operated for purposes of conducting scientific research whose results are not intended to promote any particular product or industry.

Post or USIS means all overseas offices of the Broadcasting Board of Governors.

Records (and any other term used in this section in reference to information) includes any information that would be a Department record subject to the requirements of this section when maintained by the Department in any format, including an electronic format. Records also include any handwritten, typed or printed documents (such as memoranda, books, brochures, studies, writings, drafts, letters, transcripts, and minutes) and documentary material in other forms (such as punchcards; magnetic tapes, cards, or discs; paper tapes; audio or video recordings;
§ 503.2 Making a request.

(a) How to request records. All requests for documents shall be made in writing. Requests should be addressed to the Broadcast Board of Governors, Freedom of Information Officer, GC/FOI, room M–301 4th Street SW., Washington, DC 20547. Write the words “Freedom of Information Act Request” on the envelope and letter.

(b) Details in your letter. Your request for documents should provide as many details as possible that will help us find the records you are requesting. If there is insufficient information, we will ask you for more. Include your telephone number(s) to help us reach you if we have questions. If you are not sure how to write your request or what details to include, you may call the FOIA Office to request a copy of the Department’s booklet “Guide and Index of Records,” or access the same information via the Internet on Broadcasting Board of Governors’ World Wide Web site (http://www.usia.gov). The more specific the request for documents, the faster the Department will be able to respond to your request(s).

(c) Requests not handled under FOIA. We will not provide documents requested under the FOIA and this part if the records are currently available in the National Archives, subject to release through the Archives, or commonly sold to the public by it or another agency pursuant to statutory authority (for example, records currently available from the Government Printing Office or the National Technical Information Service). Department records that are normally freely available to the general public, such as Broadcasting Board of Governors World, are not covered by the FOIA. Also requests from Federal departments and court orders for documents are not FOIA requests, nor are requests from Chairmen of Congressional committees or subcommittees.

(d) Referral of requests outside the Department. If you request records that were created by or provided to us by another Federal department, we may
Broadcasting Board of Governors

§ 503.3

refer your request to or consult with that department. We may also refer requests for classified records to the department that classified them. In cases of referral, the other department is responsible for processing and responding to your request under that department’s regulation. When possible, we will notify you when we refer your request to another department.

(e) Responding to your request—(1) Retrieving records. The Department is required to furnish copies of records only when they are in our possession and control. If we have stored the records you want in a records retention center, we will retrieve and review them for possible disclosure. However, the Federal Government destroys many old records, so sometimes it is impossible to fill requests. The Department’s record retention policies are set forth in the General Records Schedules of the National Archives and Records Administration and in Broadcasting Board of Governors’ Records Disposition Schedule, which establish time periods for keeping records before they may be destroyed.

(2) Furnishing records. (i) The Department is only required to furnish copies of records which we have or can retrieve, we are not compelled to create new records. The Department will aid requesters by providing records and information in the form requested, including electronic format, if we can readily reproduce them in that form or format.

(ii) We may decide to conserve government resources and at the same time supply the records you need by consolidating information from various records, in paper form or electronically, rather than copying them all. If the effort to produce records in electronic format would significantly interfere with the operations of the Department, we will consider the effort to be an unreasonable search.

(iii) The Department is required to furnish only one copy of a record. If we are unable to make a legible copy of a record to be released, we will not attempt to reconstruct it. Rather we will furnish the best copy possible and note its poor quality in our reply or on the copy.

(iv) If we cannot accommodate the request for form or format, we will provide responsive, nonexempt information in a reasonably accessible form.

[59 FR 5707, Feb. 8, 1994, as amended at 63 FR 67577, Dec. 8, 1998]

§ 503.3 Availability of Department records.

(a) Release of records. If we have released a record or part of a record to others in the past, we will ordinarily release it to you also. This principle does not apply if the previous release was an unauthorized disclosure. However, we will not release it to you if a statute forbids this disclosure and we will not necessarily release it to you if an exemption applies in your situation and did not apply or applied differently in the previous situations.

(b) Denial of requests. All denials are in writing and describe in general terms the material withheld and state the reasons for the denial, including a reference to the specific exemption of the FOIA authorizing the withholding or deletion. The denial also explains your right to appeal the decision and it will identify the official to whom you should send the appeal. Denial letters are signed by the person who made the decision to deny all or part of the request, unless otherwise noted.

(c) Unproductive searches. We make a diligent search for records to satisfy your request. Nevertheless, we may not be able always to find the records you want using the information you provided, or they may not exist. If we advise you that we have been unable to find the records despite a diligent search, you will nevertheless be provided the opportunity to appeal the adequacy of the Department’s search. However, if your request is for records that are obviously not connected with this Department or your request has been provided to us in error, a “no records” response will not be considered an adverse action and you will not be provided an opportunity to appeal.

(d) Appeal of denials. You have the right to appeal a partial or full denial of your FOIA request. To do so, you must put your appeal in writing and address it to the official identified in the denial letter. Your appeal letter must be dated and postmarked within

117
30 calendar days from the date of the Department’s denial letter. Because we have some discretionary authority in deciding whether to release or withhold records, you may strengthen your appeal by explaining your reasons for wanting the records. However, you are not required to give any explanation. Your appeal will be reviewed by the Department’s Access Appeal Committee which consists of senior Department officials. When the Committee responds to your appeal, that constitutes the Department’s final action on the request. If the Access Appeal Committee grants your appeal in part or in full, we will send the records to you promptly or set up an appointment for you to inspect them. If the decision is to deny your appeal in part or in full, the final letter will state the reasons for the decision, name the officials responsible for the decision, and inform you of the FOIA provisions for judicial review.

§ 503.4 Time limits.
(a) General. The FOIA sets certain time limits for us to decide whether to disclose the records you requested, and to decide appeals. If we fail to meet the deadlines, you may proceed as if we had denied your request or your appeal. Since requests may be misaddressed or misrouted, you should call or write to confirm that we have the request and to learn its status if you have not heard from us in a reasonable time.

(b) Time allowed. (1) We will decide whether to release records within 20 working days after your request reaches the appropriate area office that maintains the records you are requesting. When we decide to release records, we will actually provide the records at that time, or as soon as possible after that decision, or let you inspect them as soon as possible thereafter.

(2) We will decide an appeal within 20 working days after the appeal reaches the appropriate reviewing official.

(3)(i) The FOI Officer or appeal official may extend the time limits in unusual circumstances for initial requests or appeals, up to 10 working days. We will notify you in writing of any extensions. “Unusual circumstances” include situations where we: Search for and collect records from field facilities, records centers or locations other than the office processing the records; search for, collect, or examine a great many records in response to a single request; consult with another office or department that has substantial interest in the determination of the request; and/or conduct negotiations with submitters and requesters of information to determine the nature and extent of nondisclosable proprietary materials.

(ii) If an extra ten days still does not provide sufficient time for the Department to deal with your request, we will inform you that the request cannot be processed within the statutory time limit and provide you with the opportunity to limit the scope of your request and/or arrange with us a negotiated deadline for processing your request.

(iii) If you refuse to reasonably limit the scope of your request or refuse to agree upon a time frame, the Department will process your case as it would have, had no modification been sought. We will make a diligent, good-faith effort to complete our review within the statutory time frame.

§ 503.5 Records available for public inspection.
(a) To the extent that they exist, we will make the following records of general interest available for you in paper form or electronically for inspection or copying:

(1) Orders and final opinions, including concurring and dissenting opinions in adjudications. (See § 503.8(e) of this part for availability of internal memoranda, including attorney opinions and advice.)

(2) Statements of policy and interpretations that we have adopted but have not published in the Federal Register.

(3) Administrative staff manuals and instructions to staff that affect the public. (We will not make available, however, manuals or instructions that reveal investigative or audit procedures as described in § 503.8(b) and (g) of this part.)
§ 503.7 Fees.

(a) Fees to be charged—categories of requests. The paragraphs below state, for each category of request, the type of fees that we will generally charge. However, for each of these categories, the fees may be limited, waived, or reduced for the reasons given in paragraph (e) of this section. “Request” means asking for records, whether or not you refer specifically to the Freedom of Information Act. Requests from Federal agencies and court orders for documents are not included within this definition. “Review” means, when used in connection with processing records for a commercial use request, examining the records to determine what portions, if any, may be withheld, and any other processing that is necessary to prepare the records for release. It includes only the examining and processing that are done the first time we analyze whether a specific exemption applies to a particular record or portion of a record. It does not include the process of researching or resolving general legal or policy issues regarding exemptions. “Search” means looking for records or portions of records responsive to a request. It includes reading and interpreting a request, and also page-by-page and line-by-line examination to identify responsive portions of a document.

§ 503.6 Restriction on some Department records.

Under the U.S. Information and Educational Exchange Act of 1948 (22 U.S.C. 1461, as amended), the Broadcasting Board of Governors is prohibited from disseminating within the United States information about the U.S., its people, and its policies when such materials have been prepared by the Department for audiences abroad. This includes films, radio scripts and tapes, video tapes, books, and similar materials produced by the Department. However, this law does provide that upon request, such information shall be made available at Broadcasting Board of Governors for examination only by representatives of the press, magazines, radio systems and stations, research students or scholars and available for examination only to Members of Congress.

§ 503.7 Fees.

(a) Fees to be charged—categories of requests. The paragraphs below state, for each category of request, the type of fees that we will generally charge. However, for each of these categories, the fees may be limited, waived, or reduced for the reasons given in paragraph (e) of this section. “Request” means asking for records, whether or not you refer specifically to the Freedom of Information Act. § 503.7 Fees.

(a) Fees to be charged—categories of requests. The paragraphs below state, for each category of request, the type of fees that we will generally charge. However, for each of these categories, the fees may be limited, waived, or reduced for the reasons given in paragraph (e) of this section. “Request” means asking for records, whether or not you refer specifically to the Freedom of Information Act. charge you the copying costs for the first 100 pages of duplication. “Educational institution” means a pre-school, elementary or secondary school, institution of undergraduate or graduate higher education, or institution of professional or vocational education. “Non-commercial scientific institution” means an institution that is not operated substantially for purposes of furthering its own or someone else’s business, trade, or profit interests, and that is operated for purposes of conducting scientific research whose results are not intended to promote any particular product or industry. “Representative of the news media” means a person actively gathering news for an entity organized and operated to publish or broadcast news to the public. “News” means information that is about current events or that would be of current interest to the public. News media entities include television and radio broadcasters, publishers of periodicals (to the extent they publish “news”) who make their products available for purchase or subscription by the general public, and entities that may disseminate news through other media (e.g., electronic dissemination of text). We will treat freelance journalists as representatives of a news media entity if they can show a solid basis for expecting publication through such an entity. A publication contract is such a basis, and the requester’s past publication record may show such a basis.

(3) Other requesters. If your request is not the kind described by paragraph (a)(1) of this section or paragraph (a)(2) of this section, then Broadcasting Board of Governors will charge you only for the search and the duplication. Also, we will not charge you for the first two hours of search time or for the copying costs of the first 100 pages of duplication.

(b) Fees to be charged—general provisions. (1) We may charge search fees even if the records we find are exempt from disclosure, or even if we do not find any records at all.

(2) We will not charge you any fee at all if the costs of routine collection and processing of the fee are likely to equal or exceed the amount of the fee. We have estimated that cost to be $5.00.

(3) If we determine that you are (acting alone or with others) breaking down a single request into a series of requests in order to avoid or reduce the fees charged, we may aggregate all these requests for purposes of calculating the fees charged.

(4) We will charge interest on unpaid bills beginning on the 31st day following the day the bill was sent. The accrual of interest will be stayed upon receipt of the fee, rather than upon its processing by Broadcasting Board of Governors. Interest will be at the rate prescribed in section 3717 of title 32 U.S.C.

(c) Fee schedule—Broadcasting Board of Governors will charge the following fees: (1) Manual searching for or reviewing of records: (i) When performed by employees at grade GS–1 through GS–8 or FS–9 through FS–6—an hourly rate of $10.00 will be charged;

(ii) When performed by employees at grade GS–9 through GS–13 or FS–5 through FS–2—an hourly rate of $20.00 will be charged;

(iii) When performed by employees at grade GS–14 or above or FS–2 or above—an hourly rate of $36.00 will be charged.

(iv) When a search involves employees at more than one of these levels, we will charge the appropriate rate for each.

(2) Computer searching and printing. Except in unusual cases, the cost of computer time will not be a factor in calculating the two free hours of search time. In those unusual cases, where the cost of conducting a computerized search significantly detracts from the Department’s ordinary operations, no more than the dollar equivalent of two hours of manual search time shall be allowed. For searches conducted beyond the first two hours, the Department shall only charge the direct costs of conducting such searches.

(3) Photocopying standard size pages—$0.15 per page.

(4) Photocopying odd-size documents (such as punchcards or blueprints) or reproducing other records (such as tapes)—the actual cost of operating the machine, plus the actual cost of the materials used, plus charges for the time spent by the operator, at the
Broadcasting Board of Governors

§ 503.8

rates given in paragraph (c)(1) of this section.

(5) Certifying that records are true copies—this service is not required by the FOIA. If we agree to provide it, we will charge $10.00 per certification.

(6) Sending records by express mail, certified mail, or other special methods. This service is not required by the FOIA. If we agree to provide it, we will charge our actual cost.

(7) Performing any other special service that you request and to which we agree—actual cost of operating any machinery, plus actual cost of any materials used, plus charges for the time of our employees, at the rates given in paragraph (c)(1) of this section.

(d) Procedures for assessing and collecting fees—(1) Agreement to pay. We generally assume that when you request records you are willing to pay the fees we charge for services associated with your request. You may specify a limit on the amount you are willing to spend. We will notify you if it appears that the fees will exceed the limit and ask whether you nevertheless want us to proceed with the search.

(2) Advance payment. If you have failed to pay previous bills in a timely manner, or if our initial review of your request indicates that we will charge you fees exceeding $250.00, we will require you to pay your past due fees and/or the estimated fees, or a deposit, before we start searching for the records you want, or before we send them to you. In such cases, the administrative time limits as described in section 503.6(b) above, will begin only after we come to an agreement with you over payment of fees, or decide that fee waiver or reduction is appropriate.

(e) Waiver or reduction of fees. We will waive or reduce the fees we would otherwise charge if disclosure of the information meets both of the following tests (paragraphs (e)(1) and (e)(2) of this section):

(1) It is in the public interest because it is likely to contribute significantly to public understanding of government operations or activities, regardless of any other public interest it may further. In making this determination, we may consider:

(i) Whether the requester is in a position to contribute to public understanding;

(ii) Whether the requester has such knowledge or expertise as may be necessary to understand the information; and

(iii) Whether the requester’s intended use of the information would be likely to disseminate the information among the public, and

(2) It is not primarily in the commercial interest of the requester. Commercial interests include interests relating to business, trade, and profit. Not only profit-making corporations have commercial interests; so do nonprofit corporations, individuals, unions, and other associations.

(3) You must make your request for a waiver or reduction at the same time you make your request for records. Only the FOIA Officer may make the decision whether to waive or reduce the fees. If we do not completely grant your request for a waiver or reduction, the denial letter will designate the appeal official.

§ 503.8 Exemptions.

Section 552(b) of the Freedom of Information Act contains nine exemptions to the mandatory disclosure of records. These exemptions and their application by the Department are described below. In some cases, more than one exemption may apply to the same document. This section does not itself authorize the giving of any pledge of confidentiality by any officer or employee of the Department.

(a) Exemption one—National defense and foreign policy. We are not required to release records that are specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive Order. Executive Order No. 12356 (1982) provides for such classification. When the release of certain records may adversely affect U.S. relations with foreign countries, we usually consult with officials of those area offices and/or with officials of the Department of
State. We may also have in our possession records classified by another agency. If we do, we may consult with that agency or may refer your request to that agency for their direct response to you, in which case we will notify you that we have made such a referral.

(b) Exemption two—Internal personnel rules and practices. We are not required to release records that are related solely to the internal personnel rules and practices of an agency. We may withhold routine internal Department procedures such as guard schedules and luncheon periods. We may also withhold internal records the release of which would help some persons circumvent the law or Department regulations.

(c) Exemption three—Records exempted by other statutes. We are not required to release records if another statute specifically allows us to withhold them. Another statute may be used only if it absolutely prohibits disclosure or if it sets forth criteria identifying particular types of material to be withheld.

(d) Exemption four—Trade secrets and confidential commercial or financial information. We will withhold trade secrets and commercial or financial information that is obtained from a person and privileged or confidential.

(1) Trade secrets. A trade secret is a secret, commercially valuable plan, formula, process, or device that is used for the making, preparing, compounding, or processing of trade commodities and that can be said to be the end product of either innovation or substantial effort. A direct relationship is necessary between the trade secret and the productive process.

(2) Commercial or financial information, obtained from a person, and is privileged or confidential.

(i) Information is “commercial or financial” if it relates to businesses, commerce, trade, employment, profits, or finances (including personal finances).

(ii) Information is obtained from someone outside the Federal Government or from someone within the Government who has a commercial or financial interest in the information. “Person” includes an individual, partnership, corporation, association, state or foreign government, or other organization. Information is not “obtained from a person” if it is generated by the Broadcasting Board of Governors or another Federal agency.

(iii) Information is “privileged” if it would ordinarily be protected from disclosure in civil discovery by a recognized evidentiary privilege, such as the attorney-client privilege, or the work product privilege. Information may be privileged for this purpose under a privilege belonging to a person outside the Government, unless the providing of the information to the Government rendered the information no longer protectible in civil discovery.

(iv) Information is “confidential” if it meets one of the following tests:

(A) Disclosure may impair the Government’s ability to obtain necessary information in the future;

(B) Disclosure would substantially harm the competitive position of the person who submitted the information;

(C) Disclosure would impair other Government interests, such as program effectiveness and compliance; or

(D) Disclosure would impair other private interests, such as an interest in controlling availability of intrinsically valuable records, which are sold in the market by their owner.

(3) Designation of certain confidential information. A person who submits records to the Government may designate part or all of the information in such records as exempt from disclosure under Exemption four. The person may make this designation either at the time the records are submitted to the Government or within a reasonable time thereafter. The designation must be in writing. The legend prescribed by a request for proposal or request for quotations pursuant to any Department regulation establishing a substitute for the language is sufficient but not necessary for this purpose. Any such designation will expire ten years after the records were submitted to the Government.

(4) Predisclosure notification. The procedures in this paragraph apply to records that were submitted to the Government where we have substantial reason to believe that information in the records could reasonably be considered exempt under Exemption four.
Certain exceptions to these procedures are stated in paragraph (d)(5) of this section.

(i) When we receive a request for such records and we determine that we may be required to disclose them, we will make reasonable efforts to notify the submitter about these facts. The notice will inform the submitter about the procedures and time limits for submission and consideration of objections to disclosure. If we must notify a large number of submitters, we may do this by posting or publishing a notice in a place where the submitters are reasonably likely to become aware of it.

(ii) The submitter has five (5) working days from receipt of the notice to object to disclosure of any part of the records and to state all bases for its objections.

(iii) We will give consideration to all bases that have been timely stated by the submitter. If we decide to disclose the records and the submitter still does not agree, we will send a written notice to the submitter stating briefly why we did not sustain its objections and will provide a copy of the records as we intend to release them. The notice will state that we will disclose the records five (5) working days after the submitter receives the notice unless we are ordered by a United States District Court not to release them.

(iv) When a requester files suit under the FOIA to obtain records covered by this paragraph, we will promptly notify the submitter.

(v) Whenever we send a notice to a submitter under paragraph (d)(4)(i) of this section, we will notify the requester that we are giving the submitter a notice and an opportunity to object.

(5) Exceptions to predisclosure notification. The notice requirements in paragraph (d)(4) of this section do not apply in the following situations:

(i) We decide not to disclose the records;

(ii) The information has previously been published or made generally available;

(iii) We have already notified the submitter of previous requests for the same records and have come to an understanding with that submitter about the records;

(iv) Disclosure is required by a statute other than the FOIA;

(v) Disclosure is required by a regulation, issued after notice and opportunity for public comment, that specifies narrow categories of records that are to be disclosed under the FOIA, but in this case a submitter may still designate records as described in paragraph (d)(3) of this section and in exceptional cases, at our discretion, may follow the notice procedures in paragraph (d)(4) of this section;

(vi) The designation appears to be obviously frivolous, but in this case we will still give the submitter the written notice required by paragraph (d)(4)(iii) of this section (although this notice need not explain our decision or include a copy of the records);

(vii) We withhold the information because another statute requires its withholding.

(e) Exemption five—Internal memoranda. This exemption covers internal Government communications and notes that fall within a generally recognized evidentiary privilege. Internal Government communications include an agency’s communications with an outside consultant or other outside person, with a court, or with Congress, when those communications are for a purpose similar to the purpose of privileged intra-agency communications. Some of the most common applicable privileges are:

(1) The deliberative process privilege. This privilege protects predecisional deliberative communications. A communication is protected under this privilege if it was made before a final decision was reached on some question of policy and if it expressed recommendations or opinions on that question. The purpose of this privilege is to prevent injury to the quality of the Department decisionmaking process by encouraging open and frank internal policy discussions, by avoiding premature disclosure of policies not yet adopted, and by avoiding the public confusion that might result from disclosing reasons that were not in fact the ultimate grounds for a Department’s decision. This privilege continues to protect predecisional documents even after a decision is made. We will release purely factual material
in a deliberative document unless that material is otherwise exempt. However, purely factual material in a deliberative document is within this privilege if:

(i) It is inextricably intertwined with the deliberative portions so that it cannot reasonably be segregated, or

(ii) It would reveal the nature of the deliberative portions, or

(iii) Its disclosure would in some other way make possible an intrusion into the decisionmaking process.

(2) Attorney-client privilege. This privilege protects confidential communications between a lawyer and an employee or agent of the Government where an attorney-client relationship exists (e.g., where the lawyer is acting as attorney for the Department and the employee is communicating on behalf of the Department) and where the employee has communicated information to the attorney in confidence in order to obtain legal advice or assistance, and/or where the attorney has given advice to the client.

(3) Attorney work product privilege. This privilege protects documents prepared by or for the Department, or by or for its representative (usually Broadcasting Board of Governors attorneys) in anticipation of litigation or for trial. It includes documents prepared for purposes of administrative adjudications as well as court litigation. It includes documents prepared by program offices as well as by attorneys. It includes factual material in such documents as well as material revealing opinions and tactics. The privilege continues to protect the documents even after the litigation is closed.

(f) Exemption six—Clearly unwarranted invasion of personal privacy. We may withhold personnel, medical, and similar files and personal information about individuals if disclosure would constitute a clearly unwarranted invasion of personal privacy.

(1) Balancing test. In deciding whether to release records that contain personal or private information about someone else to a requester, we weigh the foreseeable harm of invading that individual’s privacy against the public benefit that would result from the release of the information. In our evaluation of requests for records, we attempt to guard against the release of information that might involve a violation of personal privacy by a requester being able to “piece together items” or “read between the lines” information that would normally be exempt from mandatory disclosure.

(2) Information frequently withheld. We frequently withhold such information as home addresses, ages, minority group status, social security numbers, individual’s benefits, earning records, leave records, etc.

(g) Exemption seven—Law enforcement. We are not required to release information or records that the Government has compiled for law enforcement purposes. The records may apply to actual or potential violations of either criminal or civil laws or regulations. We can withhold these records only to the extent that releasing them would cause harm in at least one of the following situations:

(1) Enforcement proceedings. We may withhold information when release could reasonably be expected to interfere with prospective or ongoing law enforcement proceedings. Investigations of fraud and mismanagement, employee misconduct, and civil rights violations may fall into this category. In certain cases, we may refuse to confirm or deny the existence of records that relate to violations in order not to disclose that an investigation is in progress or may be conducted.

(2) Fair trial or impartial adjudication. We may withhold records when release would deprive a person of a fair trial or an impartial adjudication because of prejudicial publicity.

(3) Personal privacy. We are careful not to disclose information that could reasonably be expected to constitute an unwarranted invasion of personal privacy. When a name surfaces in an investigation, that person is likely to be vulnerable to innuendo, rumor, harassment, or retaliation.

(4) Confidential sources and information. We may withhold records whose release could reasonably be expected to disclose the identity of a confidential source of information. A confidential source may be an individual; a state, local, or foreign Government agency.
or any private organization. The exemption applies whether the source provides information under an express promise of confidentiality or under circumstances from which such an assurance could be reasonably inferred. Also, where the record, or information in it, has been compiled by a criminal law enforcement authority conducting a criminal investigation, or by an agency conducting a lawful national security investigation, the exemption also protects all information supplied by a confidential source. Also protected from mandatory disclosure is any information which, if disclosed, could reasonably be expected to jeopardize the system of confidentiality that assures a flow of information from sources to investigatory agencies.

(5) Techniques and procedures. We may withhold records reflecting special techniques or procedures of investigation or prosecution not otherwise generally known to the public. In some cases, it is not possible to describe even in general terms those techniques without disclosing the very material to be withheld. We may also withhold records whose release would disclose guidelines for law enforcement investigations or prosecutions if this disclosure could reasonably be expected to create a risk that someone could circumvent requirements of law or of regulation.

(6) Life and physical safety. We may withhold records whose disclosure could reasonably be expected to endanger the life or physical safety of any individual. This protection extends to threats and harassment as well as to physical violence.

(b) Exemptions eight and nine—records on financial institutions and records on wells. (1) Exemption eight permits us to withhold records about regulation or supervision of financial institutions.

(2) Exemption nine permits the withholding of geological and geophysical information and data, including maps, concerning wells.

[54 FR 26734, June 26, 1989, as amended at 63 FR 67577, Dec. 8, 1998]

§ 503.9 Electronic Records Act of 1996.

(a) Introduction. This section applies to all records of the Broadcast Board of Governors, including all of its foreign posts. Congress enacted the FOIA to require Federal agencies to make records available to the public through public inspections and at the request of any person for any public or private use. The increase in the Government’s use of computers enhances the public’s access to Government information. This section addresses and explains how records will be reviewed and released when the records are maintained in electronic format. Documentation not previously subject to the FOIA when maintained in a non-electronic format is not made subject to FOIA by this law.

(b) Definitions—(1) Compelling need. Obtaining records on an expedited basis because of an imminent threat to the life of physical safety of an individual, or urgently needed by an individual primarily engaged in disseminating information to the public concerning actual or alleged Federal Government activities.

(2) Discretionary disclosure. Records or information normally exempt from disclosure will be released whenever it is possible to do so without reasonably foreseeable harm to any interest protected by an FOIA exemption.

(3) Electronic reading room. The room provided which makes electronic records available.

(c) Electronic format of records. (1) Materials such as Department opinions and policy statements (available for public inspection and copying) will be available electronically by accessing Broadcasting Board of Governors’ Home Page via the Internet at http://www.usia.gov. To set up an appointment to view such records in hard copy or to access the Internet via Broadcasting Board of Governors’ computer, please contact the FOIA/PA Unit on (202) 619–5499.

(2) The Department will make available for public inspection and copying, both electronically via the Internet and in hard copy, those records that have been previously released in response to FOIA requests, when the Department determines the records have been or are likely to be the subject of future requests.

(3) The Department will provide both electronically through its Internet address and in hard copy a “Guide” on
how to make an FOIA request, and an Index of all Department information systems and records that may be requested under the FOIA.

(4) The Department may delete identifying details when it publishes or makes available the index and copies of previously-released records to prevent a clearly unwarranted invasion of personal privacy.

(i) The Department will indicate the extent of any deletions made from where the deletion was made, if feasible.

(ii) The Department will not reveal information about deletions if such disclosure would harm an interest protected by an exemption.

(d) Honoring form or format requests. The Department will aid requesters by providing records and information in the form requested, including electronic format, if we can readily reproduce them in that form or format. However, if we cannot accommodate the requester, we will provide responsive, nonexempt information in a reasonably accessible form.

(1) The Department will make a reasonable effort to search for records kept in an electronic format. However, if the effort would significantly interfere with the operations of the Department or the Department’s use of its computers, we will consider the effort to be unreasonable.

(2) The Department need not create documents that do not exist, but computer records found in a database rather than in a file cabinet may require the application of codes of some form of programming to retrieve the information. This application of codes of programming of records will not amount to the creation of records.

(3) Except in unusual cases, the cost of computer time will not be a factor in calculating the two free hours of search time available under §503.7. In those unusual cases, where the cost of conducting a computerized search significantly detracts from the Department’s ordinary operations, no more than the dollar equivalent of two hours of manual search time shall be allowed. For searches conducted beyond the first two hours, the Department shall only charge the direct costs of conducting such searches.

(e) Technical feasibility of redacting non-releasable material. The Department will make every effort to indicate the place on the record where a redaction of non-releasable material is made, and an FOIA citation noting the applicable exemption for the deletion will also be placed at the site. If unable to do so, we will notify you of that fact.

(f) Ensuring timely response to request. The Department will make every attempt to respond to FOIA requests within the prescribed 20 working-day time limit. However, processing some requests may require additional time in order to properly screen material against the inadvertent disclosure of material covered by the exemptions.

(1) Multitrack first-in first-out processing. (i) Because the Department has been able to process its requests without a backlog of cases, Broadcasting Board of Governors will not institute a multitrack system. Those cases that may be handled easily, because they require only a few documents or a simple answer, will be handled immediately by each specialist.

(ii) If you wish to qualify for processing under a faster track, you may limit the scope of your request so that we may respond more quickly.

(2) Unusual circumstances. (i) The Department may extend for a maximum of ten working days the statutory time limit for responding to an FOIA request by giving notice in writing as to the reason for such an extension. The reasons for such an extension may include: the need to search for and collect requested records from multiple offices; the volume of records requested; and, the need for consultation with other components within the Department.

(ii) If an extra ten days still does not provide sufficient time for the Department to deal with your request, we will inform you that the request cannot be processed within the statutory time limit and provide you with the opportunity to limit the scope of your request and/or arrange with us a negotiated deadline for processing your request.

(iii) If you refuse to reasonable limit the scope of your request or refuse to agree upon a time frame, the Department will process your case as it would
have, had no modification been sought. We will make a diligent, good-faith effort to complete our review within the statutory time frame.

(3) Aggregation of requests. The Department will aggregate requests that clearly involve related material that should be considered as a single request.

(i) If you make multiple or related requests for similar material for the purpose of avoiding costs, the Department will notify you that we are aggregating your requests, and the reasons why.

(ii) Multiple or related requests may also be aggregated, such as those involving requests and schedule, but you will be notified in advance if we intend to do so.

(g) Time periods for Department consideration of requests—(1) Expedited access. The Department will authorized expedited access to requesters who show a compelling need for access, but the burden is on the requester to prove that expedition is appropriate. The Department will determine within ten days whether or not to grant a request for expedited access and will notify the requester of its decision.

(2) Compelling need for expedited access. Failure to obtain the records within an expedited deadline must pose an imminent threat to an individual's life or physical safety; or the request must be made by someone primarily engaged in disseminating information, and who has an urgency to inform the public about actual or alleged Federal Government activity.

(3) How to request expedited access. We will be required to make factual and subjective judgments about the circumstances cited by requesters to qualify them for expedited processing. To request expedited access, your request must be in writing and it must explain in detail your basis for seeking expedited access. The categories for compelling need are intended to be narrowly applied:

(i) A threat to an individual's life or physical safety. A threat to an individual's life or physical safety should be imminent to qualify for expedited access to the records. You must include the reason why a delay in obtaining the information could reasonably be foreseen to cause significant adverse consequences to a recognized interest.

(ii) Urgency to inform. The information requested should pertain to a matter of a current exigency to the American public, where delay in response would compromise a significant recognized interest. The person requesting expedited access under an “urgency to inform,” must be primarily engaged in the dissemination of information. This does not include individuals who are engaged only incidentally in the dissemination of information. “Primarily engaged” requires that information dissemination be the main activity of the requester. A requester only incidentally engaged in information dissemination, besides other activities, would not satisfy this requirement. The public's right to know, although a significant and important value, would not by itself be sufficient to satisfy this standard.

(4) Expansion of Department response time. The new law provides that agencies now have 20 working-days to respond to all FOIA requests. However, when possible, we will continue to respond to requests within the former 10 working-day time frame.

(5) Estimation of matter denied. The Department will try to estimate the volume of any denied material and provide the estimate to the requester, unless doing so would harm an interest protected by an exemption.

(h) Computer redaction. The Department will identify the location of deletions in the released portion of the records, and where technologically feasible, will show the deletion at the place on the record where the deletion was made, unless including that indication would harm an interest protected by an exemption.

(i) Report to Congress. In addition to the information already provided to Congress in the Department’s Annual Report on FOIA Activities, the Department will include the following: the number of Privacy Act (PA) requests handled; the number of backlogged requests; the number of days taken to process requests; the number of staff devoted to processing FOIA requests; whether a claimed (b)(3) statute has been upheld in court; and the costs of litigation. The Department’s annual
The Broadcasting Board of Governors will protect individuals’ privacy from misuse of their records, and grant individuals access to records concerning them which are maintained by the Board’s domestic and overseas offices, consistent with the provisions of Public Law 93–579, 88 Stat. 1897; 5 U.S.C. 552a, the Privacy Act of 1974, as amended. The Board has also established procedures to permit individuals to amend incorrect records, to limit the disclosure of personal information to third parties, and to limit the number of sources of personal information. (h) Statistical record—A record in a system of records maintained for statistical research or reporting purposes only and not used in whole or in part in making any determination about an identifiable individual, except as provided in 13 U.S.C. 8.

(i) System of records—A group of records under the maintenance and control of the Board from which information is retrieved by the name or personal identifier of the individual.

(j) Personnel record—Any information about an individual that is maintained in a system of records by the Board that is needed for personnel management or processes such as staffing, employee development, retirement, grievances and appeals.

§ 505.3 Procedures for requests.

(a) The Board will consider all written requests received from an individual for records pertaining to herself/himself as a request made under the Privacy Act. All other requests shall be submitted by the post to the Office of the General Counsel, FOIA/Privacy Act Unit (GC/FOI), 301 4th Street, SW, Washington, DC 20547, and the individual shall be so notified of this section in writing, when possible.

(b) In those instances where an individual requests records pertaining to herself/himself, as well as records pertaining to another individual, group, or some other category of the Board’s records, only that portion of the request which pertains to records concerning the individual will be treated as a Privacy Act request. The remaining portions of such a request will be processed as a Freedom of Information Act request by the office noted in paragraph (b) of this section.

§ 505.4 Requirements and identification for making requests.

(a) Individuals seeking access to Board records may present their written request or may mail their request to the Broadcasting Board of Governors, Office of General Counsel, FOIA/Privacy Act Unit (GC/FOI), 301 4th Street, SW, Washington, DC 20547. The GC/FOI Unit may be visited between the hours of 9 a.m. and 4 p.m., Monday through Friday, except for legal holidays.

(b) Individuals, seeking access to Board records, will be requested to present some form of identification. Individuals should state their full name, date of birth and a social security number. An individual must also include her/his present mailing address and zip code, and if possible a telephone number.

(c) When signing a statement confirming one’s identity, individuals should understand that knowingly and willfully seeking or obtaining access to records about another individual under false pretenses is punishable by a fine of up to $5,000.
§ 505.6 Medical records.

In the judgment of the Board, the release of medical information directly to the requester could have an adverse effect on the requester, the Board will arrange an acceptable alternative to granting access of such records to the requester. This normally involves the release of the information to a doctor named by the requester. However, this special procedure provision does not in any way limit the absolute right of the individual to receive a complete copy of her or his medical record.

§ 505.7 Correction or amendment of record.

(a) An individual has the right to request that the Board amend a record pertaining to her/him which the individual believes is not accurate, relevant, timely, or complete. At the time the Board grants access to a record, it will furnish guidelines for requesting amendments to the record.

(b) Requests for amendments to records must be in writing and mailed or delivered to the Broadcasting Board of Governors Privacy Act Officer, Office of the General Counsel, 301 4th Street, SW, Washington, DC 20547, who will coordinate the review of the request to amend a record with the appropriate office(s). Such requests must contain, at a minimum, identifying information needed to locate the record, a brief description of the item or items of information to be amended, and the reason for the requested change. The requester should submit as much documentation, arguments or other data as seems warranted to support the request for amendment.

(c) The Board will review all requests for amendments to records within 10 working days of receipt of the request and either make the changes or inform the requester of its refusal to do so and the reasons therefore.

§ 505.8 Board review of requests for changes.

(a) In reviewing a record in response to a request to amend or correct a file,
the Board shall incorporate the criteria of accuracy, relevance, timeliness, and completeness of the record in the review.

(b) If the Board agrees with an individual’s request to amend a record, it shall:

(1) Advise the individual in writing;
(2) Correct the record accordingly;
(3) And, to the extent that an accounting of disclosure was maintained, advise all previous recipients of the record of the corrections.

(c) If the Board disagrees with all or any portion of an individual’s request to amend a record, it shall:

(1) Advise the individual of the reasons for the determination;
(2) Inform the individual of her/his right to further review (see §505.9).

§ 505.9 Review of adverse Board determination.

(a) When the Board determines to deny a request to amend a record, or portion of the record, the individual may request further review by the Board’s Access Appeal Committee. The written request for review should be mailed to the Chairperson, Access Appeal Committee, Broadcasting Board of Governors, Office of Public Liaison, 301 4th Street, SW, Washington, DC 20547. The letter should include any documentation, information or statement which substantiates the request for review.

(b) The Board’s Access Appeal Committee will review the Board’s initial denial to amend the record and the individual’s documentation supporting amendment, within 30 working days. If additional time is required, the individual will be notified in writing of the reasons for the delay and the approximate date when the review is expected to be completed. Upon completion of the review, the Chairperson will notify the individual of the results.

(c) If the Committee upholds the Board’s denial to amend the record, the Chairperson will advise the individual of:

(1) The reasons for the Board’s refusal to amend the record;
(2) Her/his right and the procedure to add to the file a concise statement supporting the individual’s disagreement with the decision of the Board;
(3) Her/his right to seek judicial review of the Board’s refusal to amend the file.

(d) When an individual files a statement disagreeing with the Board’s refusal to amend a record, the Board will clearly annotate the record so that the fact that the record is disputed is apparent to anyone who may subsequently have access to, use of, or reason to disclose the file. If information is disclosed regarding the area of dispute, the Board will provide a copy of the individual’s statement in the disclosure. Any statement which may be included by the Board regarding the dispute will be limited to the reasons given to the individual for not amending the record. Copies of the Board’s statement shall be treated as part of the individual’s record, but will not be subject to amendment by the individual under these regulations.

§ 505.10 Disclosure to third parties.

The Board will not disclose any information about an individual to any person or another agency without the prior consent of the individual about whom the information is maintained, except as provided for in the following paragraphs.

(a) Medical records. May be disclosed to a doctor or other medical practitioner, named by the individual, as prescribed in §505.6 above.

(b) Accompanying individual. When a requester is accompanied by any other person, the Board will require that the requester sign a statement granting consent to the disclosure of the contents of the record to that person.

(c) Designees. If a person requests another person’s file, she or he must present a signed statement from that person of record which authorizes and consents to the release of the file to the designated individual.

(d) Guardians. Parent(s) or legal guardian(s) of dependent minors or of an individual who has been declared by a court to be incompetent due to physical, mental or age incapacity, may act for and on behalf of the individual on whom the Board maintains records.

(b) Checks or money orders should be made payable to the United States Treasurer and mailed to the Freedom of Information Act/Privacy Act Unit, Office of the General Counsel, 301 4th Street, SW, Washington, DC 20547. The Board will not accept cash.

§ 505.12 Civil remedies and criminal penalties.

(a) Grounds for court action. An individual will have a remedy in the Federal District Courts under the following circumstances:

(1) Denial of access. Individuals may challenge an Board decision to deny them access to records to which they consider themselves entitled.

(2) Refusal to amend a record. Under conditions prescribed in 5 U.S.C. 552a(g), an individual may seek judicial review of the Board’s refusal to amend a record.

(3) Failure to maintain a record accurately. An individual may bring suit against the Board for any alleged intentional and willful failure to maintain a record accurately, if it can be shown that the individual was subjected to an adverse action resulting in the denial of a right, benefit, entitlement or employment the individual could reasonably have expected to be granted if the record had not been deficient.

(4) Other failures to comply with the Act. An individual may bring an action for any alleged failure by the Board to

conditions are authorized under the provisions of 5 U.S.C. 552a(b). These conditions are:

(1) Disclosure within the Board. This condition is based upon a “need-to-know” concept which recognizes that Board personnel may require access to discharge their duties.

(2) Disclosure to the public. No consent by an individual is necessary if the record is required to be released under the Freedom of Information Act (FOIA), 5 U.S.C. 552. The record may be exempt, however, under one of the nine exemptions of the FOIA.

(3) Disclosure for a routine use. No consent by an individual is necessary if the condition is necessary for a “routine use” as defined in §505.2(g). Information may also be released to other government agencies which have statutory or other lawful authority to maintain such information. (See Appendix I—Prefatory Statement of General Routine Uses).

(4) Disclosure to the Bureau of the Census. For purposes of planning or carrying out a census or survey or related activity, Title 13 U.S.C. Section 8 limits the uses which may made of these records and also makes them immune from compulsory disclosure.

(5) Disclosure for statistical research and reporting. The Board will provide the statistical information requested only after all names and personal identifiers have been deleted from the records.

(6) Disclosure to the National Archives. For the preservation of records of historical value, pursuant to 44 U.S.C. 2103.

(7) Disclosure for law enforcement purposes. Upon receipt of a written request by another Federal agency or a state or local government describing the law enforcement purpose for which a record is required, and specifying the particular record, blanket requests for all records pertaining to an individual are not permitted under the Privacy Act.

(8) Disclosure under emergency circumstances. For the safety or health of an individual (e.g., medical records on a patient undergoing emergency treatment).

(9) Disclosure to the Congress. For matters within the jurisdiction of any House or Senate committee or sub-committee, and/or joint committee or subcommittee, pursuant to a written request from the Chairman of the committee or subcommittee.

(10) Disclosure to the General Accounting Office (GAO). For matters within the jurisdiction of the duties of the GAO’s Comptroller General.

(11) Disclosure pursuant to court order. Pursuant to the order of a court of competent jurisdiction. This does not include a subpoena for records requested by counsel and issued by a clerk of court.
comply with the requirements of the Act or failure to comply with any rule published by the Board to implement the Act provided it can be shown that:

(i) The action was intentional or willful;
(ii) The Board’s action adversely affected the individual; and
(iii) The adverse action was caused by the Board’s actions.

(b) Jurisdiction and time limits. (1) Action may be brought in the district court for the jurisdiction in which the individual resides or has a place of residence or business, or in which the Board records are situated, or in the District of Columbia.

(2) The statute of limitations is two years from the date upon which the cause of action arises, except for cases in which the Board has materially and willfully misrepresented any information requested to be disclosed and when such misrepresentation is material to the liability of Board. In such cases the statute of limitations is two years from the date of discovery by the individual of the misrepresentation.

(3) A suit may not be brought on the basis of injury which may have occurred as a result of the Board’s disclosure of a record prior to September 27, 1975.

(c) Criminal penalties—(1) Unauthorized disclosure. It is a criminal violation of the provisions of the Act for any officer or employee of the Board knowingly and willfully to disclose a record in any manner to any person or agency not entitled to receive it, for failure to meet the conditions of disclosure enumerated in 5 U.S.C. 552a(b), or without the written consent or at the request of the individual to whom the record pertains. Any officer or employee of the Board found guilty of such misconduct shall be fined not more than $5,000.

(2) Failure to publish a public notice. It is a criminal violation of the Act to willfully maintain a system of records and not to publish the prescribed public notice. Any officer or employee of the Board found guilty of such misconduct shall be fined not more than $5,000.

(3) Obtaining records under false pretenses. The Act makes it a criminal offense to knowingly and willfully request or gain access to a record about an individual under false pretenses. Any person found guilty of such an offense may be fined not more than $5,000.

§ 505.13 General exemptions (Subsection (j)).

(a) General exemptions are available for systems of records which are maintained by the Central Intelligence Agency (Subsection (j)(1)), or maintained by an agency which performs as its principal function any activity pertaining to the enforcement of the criminal laws (Subsection (j)(2)).

(b) The Act does not permit general exemption of records compiled primarily for a noncriminal purpose, even though there are some quasi-criminal aspects to the investigation and even though the records are in a system of records to which the general exemption applies.

§ 505.14 Specific exemptions (Subsection (k)).

The specific exemptions focus more on the nature of the records in the systems of records than on the Board. The following categories of records may be exempt from disclosure:

(a) Subsection (k)(1). Records which are specifically authorized under criteria established under an Executive Order to be kept secret in the interest of national defense or foreign policy, and which are in fact properly classified pursuant to such Executive Order;

(b) Subsection (k)(2). Investigatory records compiled for law enforcement purposes (other than material within the scope of subsection (j)(2) as discussed in §505.13(a)). If any individual is denied any right, privilege, or benefit for which she/he would otherwise be eligible, as a result of the maintenance of such material, the material shall be provided to the individual, unless disclosure of the material would reveal the identity of a source who has been pledged confidentiality;

(c) Subsection (k)(3). Records maintained in connection with protection of the President and other VIPs accorded special protection by statute;

(d) Subsection (k)(4). Records required by statute to be maintained and used solely as statistical records;
Subsection (k)(5). Records compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, military service, Federal contracts, or access to classified information, but only if disclosure of the material would reveal the identity of a confidential source that furnished information to the Government;

Subsection (k)(6). Testing or examination records used solely to determine individual qualifications for appointment or promotion in the Federal service when the disclosure of such would compromise the objectivity or fairness of the testing or examination process;

Subsection (k)(7). Evaluation records used to determine potential for promotion in the armed services, but only if disclosure would reveal the identity of a confidential source.

§ 505.15 Exempt systems of records used.

The Broadcasting Board of Governors is authorized to use exemptions (k)(1), (k)(2), (k)(4), (k)(5), and (k)(6). The following Board components currently maintain exempt systems of records under one or more of these specific exemptions: Executive Secretariat; Education and Cultural Exchange Program; Legal Files; Privacy Act and Freedom of Information Act Files; Employee Grievance Files; Recruitment Records; Employee Master Personnel Records; Foreign Service Selection Board Files; Employee Training Files; Personnel Security and Integrity Files; International Broadcasting Bureau Director’s Executive Secretariat Files; and International Broadcasting Bureau Employee Personnel Files.

PART 506—PART-TIME CAREER EMPLOYMENT PROGRAM

Sec.
506.1 Purpose of program.
506.2 Review of positions.
506.3 Establishing and converting part-time positions.
506.4 Annual goals and timetables.
506.5 Review and evaluation.
506.6 Publicizing vacancies.
506.7 Exceptions.

SOURCE: 44 FR 63096, Nov. 2, 1979, unless otherwise noted.

§ 506.1 Purpose of program.

Many individuals in society possess great productive potential which goes unrealized because they cannot meet the requirements of a standard workweek. Permanent part-time employment also provides benefits to other individuals in a variety of ways, such as providing older individuals with a gradual transition into retirement, providing employment opportunities to handicapped individuals or others who require a reduced workweek, providing parents opportunities to balance family responsibilities with the need for additional income, providing employment opportunities for women returning to the workforce and assisting students who must finance their own education or vocational training. In view of this, the Broadcasting Board of Governors will operate a part-time career employment program, consistent with the needs of its beneficiaries and its responsibilities.

§ 506.2 Review of positions.

Positions becoming vacant unless excepted as provided by § 506.7, will be reviewed to determine the feasibility of converting them to part-time. Among the criteria which may be used when conducting this review are:

(a) Mission requirements and occupational mix.
(b) Workload fluctuations.
(c) Employment ceilings and budgetary considerations.
(d) Size of workforce, turnover rate and employment trends.
(e) Affirmative action.

§ 506.3 Establishing and converting part-time positions.

Position management and other internal reviews may indicate that positions may be either converted from full-time or initially established as part-time positions. Criteria listed above may be used during these reviews. If a decision is made to convert to or to establish a part-time position, regular position management and classification procedures will be followed.
§ 506.4 Annual goals and timetables.
A Board-wide plan for promoting part-time employment opportunities will be developed annually by the Office of Personnel after consultation with the operating elements. This plan will establish annual goals and set deadlines for achieving these goals.

[44 FR 63096, Nov. 2, 1979, as amended at 51 FR 11015, Apr. 1, 1986]

§ 506.5 Review and evaluation.
The part-time career employment program will be reviewed through semiannual reports submitted by the Director, Office of Personnel to the Associate Director for Management. Regular employment reports will be used to determine levels of part-time employment.

[44 FR 63096, Nov. 2, 1979, as amended at 51 FR 11016, Apr. 1, 1986]

§ 506.6 Publicizing vacancies.
When applicants from outside the Federal service are desired, part-time vacancies may be publicized through various recruiting means, such as:
(a) Federal Job Information Centers.
(b) State Employment Offices.
(c) Broadcasting Board of Governors Vacancy Announcements.
(d) College and University Placement Offices.

§ 506.7 Exceptions.
The Director of the Board and the Associate Director for Management may except positions from inclusion in this program as necessary to carry out the mission of the Board.

PART 510—SERVICE OF PROCESS

§ 510.1 Service of process.
(a) The General Counsel of the Broadcasting Board of Governors or any of his/her designees shall act as agent for the receipt of legal process against the Broadcasting Board of Governors, as well as against employees of the Board to the extent that the process relates to the official functions of the employees.

(b) When accepting service of process for an employee in his/her official capacity, the General Counsel or his/her designee shall endorse on the server’s return of process form, registered mail receipt, certified mail receipt, or express mail receipt: “Service accepted in official capacity only.”

(c) Process shall be delivered to:
Mailing address: Office of the General Counsel, Broadcasting Board of Governors, 301 Fourth Street SW., Washington, DC 20547
Location: Office of the General Counsel, Broadcasting Board of Governors, 301 Fourth Street SW., Room 700 Washington, DC 20547.

[53 FR 50515, Dec. 16, 1988]
§ 511.3 Exceptions.

Claims not compensable hereunder are listed in 2680 of the Act with the exception that 2680(k) (claims arising in a foreign country) has been removed by 22 U.S.C. 1474(5).

[43 FR 14301, Apr. 4, 1978]

§ 511.4 Administrative claim; when presented.

(a) For the purposes of the provisions of section 2672 of the Act and of this part, a claim shall be deemed to have been presented when the Board receives, in the office designated in paragraph (b) of this section, an executed "Claim for Damage or Injury", Standard Form 95, or other written notification of an incident, accompanied by a claim for money damages in a sum certain, for injury to or loss of property, personal injury or death, alleged to have occurred by reason of the incident. The claimant may, if he/she desires, file a brief with his/her claim setting forth the law or other arguments in support of his/her claim. In cases involving claims by more than one person arising from a single accident or incident, individual claim forms shall be used. A claim which should have been presented to the Board, but which was mistakenly addressed to or filed with another Federal Agency, shall be deemed to have been presented to the Board as of the date the claim is received by the Board. If a claim is mistakenly addressed to or filed with the Board, the Board shall transfer it forthwith to the appropriate Agency.

(b) A claimant shall mail, or deliver his/her claim to the Office of the General Counsel and Congressional Liaison, Broadcasting Board of Governors, 301 4th Street, SW., Washington, DC 20547.

[34 FR 20430, Dec. 31, 1969, as amended at 51 FR 11836, Apr. 1, 1986]
§ 511.12 When litigation is involved in claim.

If a claimant does not agree to a settlement of a claim of which is considered fair and equitable by the Board’s responsible officials, the claimant, upon the final disposition thereof by the Board, may elect to file suit. Relief from claims which are disallowed may be sought by filing suit in the U.S. District Court for the district where the claimant resides or wherein the act of omission complained of occurred. The failure of the Board to make final disposition of a claim within 6 months after it has been filed shall, pursuant to 28 U.S.C. 2672, and at the option of the claimant at any time thereafter, be deemed a final denial of the claim. If a suit is filed against the Government involving the Board, the Department of Justice will request the Board to furnish the complete file on the case. The Office of the General Counsel will represent the Board in all negotiations with the Department of Justice.

Federal Tort Claims Act, and forward it to the Financial Operations Division for payment of claim. Payment of any award or settlement in the amount of $2,500 or less will be authorized from the appropriation and allotment current for obligation on the date of settlement irrespective of when the cause of action arose. Payment of any award, compromise or settlement in an amount in excess of $2,500, shall be paid in a manner similar to judgments and compromises out of the appropriation provided by section (c), Pub. L. 89–506 (28 U.S.C. 2672).

§ 511.11 Acceptance of award.

The acceptance by the claimant of any award will be final and conclusive on the claimant. The acceptance will constitute a complete release of any claim by reason of the same subject matter against the United States and against the employee whose act or omission resulted in the claim. Adjudication and payment shall likewise be conclusive on all officers of the United States, unless procured by fraud.

§ 511.10 Settlement of claim.

The General Counsel will review the findings from the standpoint of questions of law applicable to the claim and will determine disposition. The General Counsel will make final review for settlement of the claim and will sign SF–1145, Voucher for Payment Under

Federal Tort Claims Act, and forward it to the Financial Operations Division for payment of claim. Payment of any award or settlement in the amount of $2,500 or less will be authorized from the appropriation and allotment current for obligation on the date of settlement irrespective of when the cause of action arose. Payment of any award, compromise or settlement in an amount in excess of $2,500, shall be paid in a manner similar to judgments and compromises out of the appropriation provided by section (c), Pub. L. 89–506 (28 U.S.C. 2672).

§ 511.9 Supporting evidence.

(a) In support of claims for personal injury or death, the claimant should submit a written report by the attending physician. The report should show the nature and extent of injury, the nature and extent of treatment, the effect upon earning capacity, either temporarily or permanently, the degree of permanent disability, if any, the prognosis, and the period of hospitalization, or incapacity. Itemized bills for medical, hospital, or burial expenses actually incurred should be attached to report.

(b) In support of claims for damage to property which has been or can be economically repaired, the claimant should submit at least two itemized signed statements, or estimates by reliable, disinterested firms or itemized signed receipts if payment has been made.

(c) In support of claims for loss or damage to property which is not economically repairable, the claimant should submit statements of the original cost of the property, date of purchase, and the value of the property before and after the accident together with a statement setting forth the basis used in arriving at such value. Such statements should be from at least two disinterested, competent persons, preferably reputable dealers or other qualified persons familiar with the type of property in question.

§ 511.12 When litigation is involved in claim.

If a claimant does not agree to a settlement of a claim of which is considered fair and equitable by the Board’s responsible officials, the claimant, upon the final disposition thereof by the Board, may elect to file suit. Relief from claims which are disallowed may be sought by filing suit in the U.S. District Court for the district where the claimant resides or wherein the act of omission complained of occurred. The failure of the Board to make final disposition of a claim within 6 months after it has been filed shall, pursuant to 28 U.S.C. 2672, and at the option of the claimant at any time thereafter, be deemed a final denial of the claim. If a suit is filed against the Government involving the Board, the Department of Justice will request the Board to furnish the complete file on the case. The Office of the General Counsel will represent the Board in all negotiations with the Department of Justice.

(c) The term appropriate Board official or designee means the Chief, Financial Operations Division or such other official as may be named in the future by the Director, Broadcasting Board of Governors.

(d) The terms debt or claim refer to an amount of money which has been determined by an appropriate Board official to be owed to the United States from any person, organization or entity, except another Federal Agency.

(f) The term referral for litigation means referral to the Department of Justice for appropriate legal proceedings.

§ 512.2 Exceptions.

(a) Claims arising from the audit of transportation accounts pursuant to 31 U.S.C. 3726 shall be determined, collected, compromised, terminated, or settled in accordance with the regulations published under 31 U.S.C. 3726 (refer to 41 CFR part 101–41).

(b) Claims arising out of acquisition contracts subject to the Federal Acquisition Regulation (FAR) shall be determined, collected, compromised, terminated, or settled in accordance with those regulations (see 48 CFR part 32). If not otherwise provided for in the FAR system, contract claims that have been the subject of a contracting officer’s final decision in accordance with section 6(a) of the Contracts Disputes Act of 1978 (41 U.S.C. 605(a)), may be determined, collected, compromised, terminated, or settled under the provisions of this regulation, except no additional review of the debt shall be granted beyond that provided by the contracting officer in accordance with the provisions of section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605), and the amount of any interest, administrative charge, or penalty
charge shall be subject to the limitations, if any, contained in the contract out of which the claim arose.

(c) Claims based in whole or in part on conduct in violation of the antitrust laws, or in regard to which there is an indication of fraud, presentation of a false claim, or misrepresentation on the part of the debtor or any other party having an interest in the claim, shall be referred to the Department of Justice (DOJ) as only the DOJ has the authority to compromise, suspend or terminate collection action on such claims.

(d) Tax claims are excluded from the coverage of this regulation.

§ 512.3 Use of procedures.

Procedures authorized by this regulation (including but not limited to referral to a debt collection agency, administrative offset, or salary offset) may be used singly or in combination, providing the requirements of the applicable law and regulation are satisfied.

§ 512.4 Conformance to law and regulations.

(a) The requirements of applicable law (31 U.S.C. 3701–3719 as amended by Pub. L. 97–365, (96 Stat. 1749) have been implemented in Government-wide standards:

(1) The regulations of the Office of Personnel Management (5 CFR part 550).

(2) The Federal Claims Collection Standards issued jointly by the General Accounting Office and the Department of Justice (4 CFR parts 101–105), and

(3) The procedures prescribed by the Office of Management and Budget in Circular A–129 of May 9, 1985.

(b) Not every item in the above described standards has been incorporated or referenced in this regulation. To the extent, however, that circumstances arise which are not covered by the terms stated in this regulation, Broadcasting Board of Governors will proceed in any actions taken in accordance with applicable requirements found in the sources referred to in paragraphs (a)(1), (2), and (3) of this section.

Nothing in this regulation is intended to preclude utilization of informal administrative actions or remedies which may be available.

§ 512.7 Return of property.

Nothing contained in this regulation is intended to deter Broadcasting Board of Governors from demanding the return of specific property or from demanding the return of the property or the payment of its value.

§ 512.8 Omissions not a defense.

The failure of Broadcasting Board of Governors to comply with any provision in this regulation shall not serve as a defense to the debt.

Subpart B—Administrative Offset and Referral to Collection Agencies

§ 512.9 Demand for payment.

Prior to initiating administrative offset, demand for payment will be made as follows:

(a) Written demands will be made promptly upon the debtor in terms which inform the debtor of the consequences of failure to cooperate. A total of three progressively stronger written demands at not more than 30-day intervals will normally be made unless a response to the first or second demand indicates that further demand would be futile and the debtor’s response does not require rebuttal. In determining the timing of demand letters, Broadcasting Board of Governors will give due regard to the need to act promptly so that, as a general rule, debt referrals to the Department of Justice for litigation, where necessary, can be made within one year of the Board’s final determination of the fact and the amount of the debt. When necessary to protect the Government’s interests (e.g., to prevent the statute of
§ 512.10 Collection by administrative offset.

(a) Collection by administrative offset will be undertaken in accordance with these regulations on all claims which are liquidated and certain in amount, in every instance where the appropriate Board official determines such collection to be feasible and not otherwise prohibited.

(1) For purpose of this section, the term administrative offset has the same meaning as provided in 31 U.S.C. 3716(a)(1).

(2) Whether collection by administrative offset is feasible is a determination to be made by the Board on a case-by-case basis, in the exercise of sound discretion. Broadcasting Board of Governors will consider not only the practicalities of administrative offset, but whether such offset is best suited to protect and further all of the Government’s interests. Broadcasting Board of Governors will give consideration to the debtor’s financial condition, and is not required to use offset in every instance where there is an available source of funds. Broadcasting Board of Governors will also consider whether offset would tend to substantially disrupt or defeat the purpose of the program authorizing the payments against which offset is contemplated.

(b) Before the offset is made, a debtor shall be provided with the following: written notice of the nature and the amount of the debt and the Board’s intention to collect by offset; opportunity to inspect and copy Board records pertaining to the debt; opportunity to obtain review within the Board of the determination of indebtedness; and opportunity to enter into written agreement with the Board to repay the debt. Broadcasting Board of Governors may also make requests to other agencies holding funds payable to the debtor, and process requests for offset that are received from other agencies.

(1) Broadcasting Board of Governors will exercise sound judgment in determining whether to accept a repayment agreement in lieu of offset. The determination will weigh the Government’s interest in collecting the debt against fairness to the debtor.

(2) In cases where the procedural requirements specified in this paragraph (b) have previously been provided to the debtor in connection with the same debt under some other statutory or regulatory authority, such as pursuant to an audit allowance, the Board is not required to duplicate those requirements before taking administrative offset.

(3) Broadcasting Board of Governors may not initiate administrative offset to collect a debt more than 10 years after the Government’s right to collect the debt first accrued, unless facts material to the Government’s right were not known and could not reasonably have been known by the official or officials of the Government who were
Broadcasting Board of Governors § 512.10

charged with the responsibility to discover and collect the debt. When the debt first accrued is to be determined according to existent law regarding the accrual of debts (e.g., 28 U.S.C. 2415).

(4) Broadcasting Board of Governors is not authorized by 31 U.S.C. 3716 to use administrative offset with respect to: Debts owed by any State or local Government; debts arising under or payments made under the Social Security Act, the Internal Revenue Code of 1954 or the tariff laws of the United States; or any case in which collection of the type of debt involved by administrative offset is explicitly provided for or prohibited by another statute. Unless otherwise provided by contract or law, debts or payments which are not subject to administrative offset under 31 U.S.C. 3716 may be collected by administrative offset under the common law or other applicable statutory authority.

(5) Broadcasting Board of Governors may effect administrative offset against a payment to be made to a debtor prior to completion of the procedures required by paragraph (b) of this section if failure to take offset would substantially prejudice the Government’s ability to collect the debt, and the time before the payment is to be made does not reasonably permit the completion of those procedures. Amounts recovered by offset but later determined not to be owed to the Government shall be promptly refunded 30 days after the Board has notified the debtor in writing that the debt is not owed. Such written notification will be issued within 15 days after the Board has confirmed through a review of its official records that the debt is not owed.

(c) Type of hearing or review: (1) For purposes of this section, whenever Broadcasting Board of Governors is required to afford a hearing or review within the Board, the Board will provide the debtor with a reasonable opportunity for an oral hearing when: An applicable statute authorizes or requires the Board to consider waiver of the indebtedness involved, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of veracity; or the debtor requests reconsideration of the debt and the Board determines that the question of the indebtedness cannot be resolved by review of the documentary evidence. Unless otherwise required by law, an oral hearing under this section is not required to be a formal evidentiary type hearing.

(2) This section does not require an oral hearing with respect to debt collection systems in which determinations of indebtedness or waiver rarely involve issues of veracity and the Board has determined that the review of the written record is ordinarily enough to correct prior mistakes.

(3) In those cases where an oral hearing is not required by this section, the Board will make its determination on the request for waiver or reconsideration based upon a review of the written record.

(d) Appropriate use will be made of the cooperative efforts of other agencies in effecting collection by administrative offset. Broadcasting Board of Governors will not refuse to initiate administrative offset to collect debts owed the United States, unless the requesting agency has not complied with the applicable provisions of these standards.

(e) Collection by offset against a judgment obtained against the United States shall be accomplished in accordance with 31 U.S.C. 3728.

(f) Whenever the creditor agency is not the agency which is responsible for making the payment against which offset is sought, the latter agency shall not initiate the requested offset until it has been provided by the creditor agency with an appropriate written certification that the debtor owes the debt (including the amount) and that full compliance with the provisions of this section has taken place.

(g) When collecting multiple debts by administrative offset, Broadcasting Board of Governors will apply the recovered amounts to those debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying particular attention to the applicable statutes of limitations.
§ 512.11 Administrative offset against amounts payable from Civil Service Retirement and Disability Fund.

(a) Unless otherwise prohibited by law, Broadcasting Board of Governors may request that monies that are due and payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset in reasonable amounts in order to collect in one full payments, or a minimal number of payment, debts owed the United States by the debtor. Such requests shall be made to the appropriate officials within the Office of Personnel Management in accordance with such regulations as may be prescribed by the Director of that Office.

(b) When making a request for administrative offset under paragraph (a) of this section, Broadcasting Board of Governors shall include written statements that:

(1) The debtor owes the United States a debt, including the amount of the debt;

(2) The Broadcasting Board of Governors has complied with the applicable statutes, regulations, and procedures of the Office of Personnel Management in accordance with such regulations as may be prescribed by the Director of that Office; and

(3) The Broadcasting Board of Governors has complied with the requirements of §512.10 of this part, including any required hearing or review.

(c) Once Broadcasting Board of Governors decides to request offset under paragraph (a) of this section, it will make the request as soon as practical after completion of the applicable procedures in order that the Office of Personnel Management may identify the debtor’s account in anticipation of the time when the debtor requests or becomes eligible to receive payments from the Fund. This will satisfy any requirement that offset be initiated prior to expiration of the applicable statute of limitations.

(d) If Broadcasting Board of Governors collects part or all of the debt by other means before deductions are made or completed pursuant to paragraph (a) of this section, Broadcasting Board of Governors shall act promptly to modify or terminate its request for offset under paragraph (a) of this section.

(e) This section does not require or authorize the Office of Personnel Management to review the merits of the Broadcasting Board of Governors determination relative to the amount and validity of the debt, its determination on waiver under an applicable statute, or its determination whether to provide an oral hearing.

§ 512.12 Collection in installments.

(a) Whenever feasible, and except as required otherwise by law, debts owed to the United States, together with interest, penalties, and administrative costs as required by this regulation, should be collected in one lump sum. This is true whether the debt is being collected under administrative offset or by another method, including voluntary payment. However, if the debtor is financially unable to pay the indebtedness in one lump sum, payment may be accepted in regular installments. If Broadcasting Board of Governors agrees to accept payment in installments, it will obtain a legally enforceable written agreement from the debtor that specifies all of the terms of the arrangement and which contains a provision accelerating the debt in the event the debtor defaults. The size and frequency of the payments should bear a reasonable relation to the size of the debt and ability to the debtor to pay. If possible the installment payments should be sufficient in size and frequency to liquidate the Government’s claim within 3 years.

(b) If the debtor owes more than one debt and designates how a voluntary installment plan is to be applied among those debts, the Board will follow that designation. If no such designation is made, the Board will apply payments to the various debts in accord ance with the best interest of the United States as as determined by the facts and circumstances of each case, with particular attention to application statutes of limitation.

§ 512.13 Exploration of compromise.

Broadcasting Board of Governors may attempt to effect compromise in accordance with the standards set forth in part 103 of the Federal Claims Collection Standards (4 CFR part 103).
§ 512.14 Suspending or terminating collection action.

The suspension or termination of collection action shall be made in accordance with the standards set forth in part 104 of the Federal Claims Collection Standard (4 CFR part 104).

§ 512.15 Referrals to the Department of Justice or the General Accounting Office.

Referrals to the Department of Justice or the General Accounting Office shall be made in accordance with the standards set forth in part 105 of the Federal Claims Collection Standards (4 CFR part 105).

§ 512.16 Collection services.

(a) Broadcasting Board of Governors has authority to contract for collection services to recover delinquent debts in accordance with 31 U.S.C. 3718(c) and 4 CFR 102.6.

(b) Contracts with collection agencies will provide that:

(1) The authority to resolve disputes, compromise claims, suspend or terminate collection action, and refer the matter to the Justice Department for litigation will be retained by Broadcasting Board of Governors;

(2) Contractors are subject to 5 U.S.C. 552a, the Privacy Act of 1974, as amended, to the extent specified in 5 U.S.C. 552a(m) and to applicable Federal and State laws and regulations pertaining to debt collection practices, such as the Fair Debt Collection Practices Act, 15 U.S.C. 1692;

(3) The contractor is required to strictly account for all amounts collected;

(4) The contractor must agree that uncollectible accounts shall be returned with appropriate documentation to enable Broadcasting Board of Governors to determine whether to pursue collection through litigation or to terminate collection;

(5) The contractor must agree to provide any data in its files relating to paragraphs (a)(1), (2), and (3) of §105.2 of the Federal Claims Collection Standards (4 CFR part 105) upon returning the account to Broadcasting Board of Governors for subsequent referral to the Department of Justice for litigation.

(c) Broadcasting Board of Governors will not use a collection agency to collect a debt owed by a currently employed or retired Federal employee, if collection by salary or annuity offset is available.

Subpart C—Salary Offset

§ 512.17 Purpose.

This subpart provides the standards to be followed by Broadcasting Board of Governors in implementing 5 U.S.C. 5514 to recover a debt from the pay of an Board employee or former employee, and establishes the procedural guidelines to recover debts when the employee’s creditor and paying agencies are not the same.

(1) The procedures contained in this subpart do not apply to debts or claims arising under the Internal Revenue Code of 1954 as amended (26 U.S.C. 1 et seq.), the Social Security Act (42 U.S.C. 301 et seq.), or the tariff laws of the United States or to any case where collection of a debt is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705).

(2) This subpart does not preclude an employee from requesting a waiver of a salary overpayment under 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716, or in any way questioning the amount or

The assessment of interest, penalties and administrative costs shall be in accordance with subpart D of this regulation.

§ 512.27 Recovery when paying agency is not creditor agency.

(a) Format for request for recovery. (1) Upon completion of the procedures prescribed under 5 CFR 550.1104 and its own regulations, the creditor agency shall certify the debt in writing to the paying agency.

(2) The creditor agency shall certify in writing that the employee owes the debt, the amount and basis of the debt; the date on which payment is due, the date the Government’s right to collect first accrued, and that the creditor agency’s regulations implementing section 5514 have been approved by OPM.

(3) If collection must be made in installments, the creditor agency must advise the paying agency of the number of installments to be collected, the amount of each installment, and the commencing date of the first installment.

(b) Submitting the request for recovery.—(1) Current employees. The creditor agency shall submit the debt claim, agreement, or other instruction on the payment schedule to the employee’s paying agency.

(2) Separated employees.—(i) Employees who are in the process of separating. If the employee is in the process of separating, the creditor agency will submit its debt claim to the employee’s paying agency for collection as provided in §§512.22 and 512.23. The paying agency shall certify the total amount of its collection and notify the creditor agency and the employee as provided in paragraph (b)(2)(iii) of this section. Where the paying agency is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, it will send a copy of the certified debt claim to the agency responsible for making such payments.
as notice that a debt is outstanding. It is the responsibility of the creditor agency for pursuing the claim.

(ii) Employees who have already separated. If the employee is already separated and all payments due from his or her former paying agency have been paid, the creditor agency may request that monies which are due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR 831.1801) or other similar funds be administratively offset in order to collect the debt (31 U.S.C. 3716 and the FCCS).

(iii) Employees who transfer from one paying agency to another. If an employee transfers to a position served by a different paying agency subsequent to the creditor agency’s debt claim but before complete collection, the paying agency from which the employee separates shall certify the total of collection made on the debt. One copy of the certification will be supplied to the employee, and another to the creditor agency with notice of the employee’s transfer. The original shall be inserted in the employees official personnel folder. The creditor agency shall submit a properly certified claim to the new paying agency before collection can be resumed. The paying agency will then resume collection from the employee’s current pay account, and notify the employee and the creditor agency of the resumption. The creditor agency will not need to repeat the due process procedure described by 5 U.S.C. 5514 and 5 CFR 550.1101.

(3) The paying agency is not required or authorized to review the merits of the creditor agency’s determination with respect to the amount or validity of the debt as stated in the debt claim.

§ 512.28 Assessment.

(a) Except as provided in paragraph (h) of this section, or §512.29, Broadcasting Board of Governors shall assess interest, penalties, and administrative costs on debts owed to the United States pursuant to 31 U.S.C. 3717. Before assessing these charges, Broadcasting Board of Governors will mail or hand deliver a properly completed debt certification form received from official personnel records.

The rate of interest as initially assessed shall remain fixed for the duration of the indebtedness. However, in cases where the debtor has defaulted on a repayment agreement and seeks a new agreement, Broadcasting Board of Governors may set a new rate which reflects the current value of funds to the Treasury at the time the agreement is executed. Interest will not be assessed on interest, penalties, or administrative costs required by this section.

(d) Broadcasting Board of Governors shall assess charges to cover administrative costs incurred as a result of a
§ 512.29 Exemptions.

1. To debts owned by any State or local government;

2. To debt arising under contracts which were executed prior to, and were in effect on October 25, 1982;

3. To debts where an applicable statute, loan agreement, or contract either prohibits such charges or explicitly fixes the charges that apply to the debts arising under the Social Security Act, the Internal Revenue Code of 1954, or the tariff laws of the United States.

(b) However Broadcasting Board of Governors is authorized to assess interest and related charges on debts which are not subject to 31 U.S.C. 3717 to the extent authorized under the common law or other applicable statutory authority.
§ 513.100 Purpose.

(a) Executive Order (E.O.) 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for nonprocurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one agency shall have government-wide effect.

(b) These regulations implement section 3 of E.O. 12549 and the guidelines promulgated by the Office of Management and Budget under section 6 of the E.O. by:

1. Prescribing the programs and activities that are covered by the government-wide system;
2. Prescribing the governmentwide criteria and governmentwide minimum due process procedures that each agency shall use;

Broadcasting Board of Governors.

§ 513.110 Coverage.

(a) These regulations apply to all persons who have participated, are currently participating or may reasonably be expected to participate in transactions under Federal nonprocurement programs. For purposes of these regulations such transactions will be referred to as "covered transactions."

1. **Covered transaction.** For purposes of these regulations, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

2. **Primary covered transaction.** Except as noted in paragraph (a)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation

agreements and any other nonprocurement transactions between a Federal agency and a person. Primary covered transactions also include those transactions specially designated by the U.S. Department of Housing and Urban Development in such agency’s regulations governing debarment and suspension.

(ii) Lower tier covered transaction. A lower tier covered transaction is:

(A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction.

(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $25,000) under a primary covered transaction.

(C) Any procurement contract for goods or services between a participant and a person under a covered action, regardless of amount, under which that person will have a critical influence on or substantive control over that covered transaction. Such persons are:

(1) Principal investigators.

(2) Providers of federally-required audit services.

(2) Exceptions. The following transactions are not covered:

(i) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of these regulations would be prohibited by law.

(b) Relationship to other sections. This section describes the types of transactions to which a debarment or suspension under the regulations will apply. Subpart B, “Effect of Action,” 513.200, “Debarment or suspension,” sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in 513.110(a). Sections 513.325, “Scope of debarment,” and 513.420, “Scope of suspension,” govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) Relationship to Federal procurement activities. In accordance with E.O. 12689 and section 2455 of Public Law 103–355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for Executive Branch agencies and participants as an exclusion under this regulation. Similarly, any debarment, suspension or other governmentwide exclusion initiated under this regulation on or after August 25, 1995 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.

[53 FR 19179, 19204, May 26, 1988, as amended at 60 FR 33041, 33045, June 26, 1995]
Executive Order 12549 and these regulations, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government's protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in these regulations.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

Subpart B—Effect of Action

§ 513.200 Debarment or suspension.

(a) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to § 513.215.

(b) Lower tier covered transactions. Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see § 513.110(a)(1)(i)) for the period of their exclusion.

(c) Exceptions. Debarment or suspension does not affect a person’s eligibility for—

(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(2) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

(3) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

(4) Federal employment;

(5) Transactions pursuant to national or agency-recognized emergencies or disasters;

(6) Incidental benefits derived from ordinary governmental operations; and

(7) Other transactions where the application of these regulations would be prohibited by law.

§ 513.205 Ineligible persons.

Persons who are ineligible, as defined in § 513.105(i), are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

§ 513.210 Voluntary exclusion.

Persons who accept voluntary exclusions under § 513.315 are excluded in accordance with the terms of their settlements. Broadcasting Board of Governors shall, and participants may, contact the original action agency to ascertain the extent of the exclusion.

§ 513.215 Exception provision.

may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and § 513.200. However, in accordance with the President’s stated
§ 513.220 Continuation of covered transactions.

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in §513.215.

[60 FR 33041, 33045, June 26, 1995]

§ 513.225 Failure to adhere to restrictions.

(a) Except as permitted under §513.215 or §513.220, a participant shall not knowingly do business under a covered transaction with a person who is—

(1) Debarred or suspended;

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction (See appendix B of these regulations), unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

[60 FR 33041, 33045, June 26, 1995]
(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or
(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.

(c) Any of the following causes:
(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, the effective date of these regulations, or a procurement debarment by any Federal agency taken pursuant to 48 CFR subpart 9.4;
(2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction, except as permitted in §513.215 or §513.220;
(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor’s legal and administrative remedies have been exhausted;
(4) Violation of a material provision of a voluntary exclusion agreement entered into under §513.315 or of any settlement of a debarment or suspension action; or
(5) Violation of any requirement of subpart F of this part, relating to providing a drug-free workplace, as set forth in §513.615 of this part.

(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.

§513.313 Opportunity to contest proposed debarment.

(a) Submission in opposition. Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) Additional proceedings as to disputed material facts. (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

§513.314 Debarring official’s decision.

(a) No additional proceedings necessary. In actions based upon a conviction or civil judgment, or in which there is no
§ 513.315 Settlement and voluntary exclusion.

When in the best interest of the Government, the Broadcasting Board of Governors may, at any time, settle a debarment or suspension action.

(b) If a participant and the Board agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E).

§ 513.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see § 513.305(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§ 513.311 through 513.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by
Broadcasting Board of Governors

§ 513.405 Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§513.400 through 513.413 upon adequate evidence:

(1) To suspect the commission of an offense listed in §513.305(a); or

(2) To protect the public interest.

(b) The Board shall consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.
§ 513.410 Procedures.

(a) Investigation and referral. Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) Decisionmaking process. Broadcasting Board of Governors shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in § 513.411 through § 513.413.

§ 513.411 Notice of suspension.

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irreparabilities seriously reflecting on the propriety of further Federal Government dealings with the respondent;

(c) Describing any such irreparabilities in terms sufficient to put the respondent on notice without disclosing the Federal Government’s evidence;

(d) Of the cause(s) relied upon under § 513.405 for imposing suspension;

(e) That the suspension is for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedy Act proceedings;

(f) Of the provisions of § 513.411 through § 513.413 and any other Broadcasting Board of Governors procedures, if applicable, governing suspension decisionmaking; and

(g) Of the effect of the suspension.

§ 513.412 Opportunity to contest suspension.

(a) Submission in opposition. Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) Additional proceedings as to disputed material facts. (1) If the suspending official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the Board presents, unless:

(i) The action is based on an indictment, conviction or civil judgment, or

(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, upon request, unless the respondent and the Board, by mutual agreement, waive the requirement for a transcript.

§ 513.413 Suspending official’s decision.

The suspending official may modify or terminate the suspension (for example, see § 513.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) No additional proceedings necessary. In actions: based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information.
§ 513.505 Broadcasting Board of Governors responsibilities.

(a) The Board shall provide GSA with current information concerning debarments, suspension, determinations of ineligibility, and voluntary exclusions it has taken. Until February 18, 1989, the Board shall also provide GSA and OMB with information concerning all transactions in which Broadcasting Board of Governors has granted exceptions under §513.215 permitting participation by debarred, suspended, or voluntarily excluded persons.

(b) Unless an alternative schedule is agreed to by GSA, the Board shall advise GSA of the information set forth in §513.500(b) and of the exceptions granted under §513.215 within five working days after taking such actions.

(c) The Board shall direct inquiries concerning listed persons to the agency that took the action.
(d) Board officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded (Tel. #).

(e) Board officials shall check the Nonprocurement List before approving principals or lower tier participants where Board approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

§ 513.510 Participants' responsibilities.

(a) Certification by participants in primary covered transactions. Each participant shall submit the certification in appendix A to this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals and for participants (Tel. #). Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) Certification by participants in lower tier covered transactions. (1) Each participant shall require participants in lower tier covered transactions to include the certification in appendix B to this part for it and its principals at the time the participant submits its proposal in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction by any Federal agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Nonprocurement List for its principals and for participants (Tel. #).

(c) Changed circumstances regarding certification. A participant shall provide immediate written notice to Broadcasting Board of Governors if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposals.

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or Board’s determination whether to enter into this transaction. However, failure of the prospective primary participant to
furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or Board determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or Board may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or Board to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or Board to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or Board entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction,” provided by the department or Board entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or Board may terminate this transaction for cause or default.

APPENDIX C TO PART 513—CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

Instructions for Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the Board awards the grant. take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the Board changes during the performance of the grant, the grantee shall inform the Board of the change(s), if it previously identified the workplaces in question (see paragraph five).

§ 518.1 Purpose.

This part establishes uniform administrative requirements for Federal grants and agreements awarded to institutions of higher education, hospitals, and other non-profit organizations. Federal awarding agencies shall not impose additional or inconsistent requirements, except as provided in §§ 518.4 and 518.14 or unless specifically required by Federal statute or executive order. Non-profit organizations that implement Federal programs for the States are also subject to State requirements.

§ 518.2 Definitions.

(a) Accrued expenditures means the charges incurred by the recipient during a given period requiring the provision of funds for:

(1) Goods and other tangible property received;

(2) Services performed by employees, contractors, subrecipients, and other payees; and,

(3) Other amounts becoming owed under programs for which no current services or performance is required.

(b) Accrued income means the sum of:

(1) Earnings during a given period from:

(i) Services performed by the recipient, and

(ii) Goods and other tangible property delivered to purchasers; and

(2) Amounts becoming owed to the recipient for which no current services or performance is required by the recipient.

(c) Acquisition cost of equipment means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient’s regular accounting practices.

(d) Advance means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

(e) Award means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by the Federal Government to an eligible recipient. The term does not include: technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

(f) Cash contributions means the recipient’s cash outlay, including the outlay of money contributed to the recipient by third parties.

(g) Closeout means the process by which a Federal awarding agency determines that all applicable administrative actions and all required work of the award have been completed by the recipient and Federal awarding agency.

(h) Contract means a procurement contract under an award or subaward, and a procurement subcontract under a recipient’s or subrecipient’s contract.

(i) Cost sharing or matching means that portion of project or program costs not borne by the Federal Government.

(j) Date of completion means the date on which all work under an award is completed or the date on the award document, or any supplement or amendment thereto, on which Federal sponsorship ends.
According to the Broadcasting Board of Governors, Disallowed costs refer to charges to an award that the Federal awarding agency determines to be unallowable, in accordance with applicable Federal cost principles or other terms and conditions contained in the award.

Equipment means tangible non-expendable personal property including exempt property charged directly to the award having a useful life or more than one year and an acquisition cost of $5,000 or more per unit. However, consistent with recipient policy, lower limits may be established.

Excess property means property under the control of any Federal awarding agency that, as determined by the head thereof, is no longer required for its needs or the discharge of its responsibilities.

Exempt property means tangible personal property acquired in whole or in part with Federal funds, where the Federal awarding agency has statutory authority to vest title in the recipient without further obligation to the Federal Government. An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306), for property acquired under an award to conduct basic or applied research by a non-profit institution or higher education or non-profit organization whose principal purpose is conducting scientific research.

Federal awarding agency means the Federal agency that provides an award to the recipient.

Federal funds authorized means the total amount of Federal funds obligated by the Federal Government for use by the recipient. This amount may include any authorized carryover of unobligated funds from prior funding periods when permitted by agency regulations or agency implementing instructions.

Federal share of real property, equipment, or supplies means that percentage of the property’s acquisition costs and any improvement expenditures paid with Federal funds.

Funding period means the period of time when Federal funding is available for obligation by the recipient.

Intangible property and debt instruments means, but is not limited to, trademarks, copyrights, patents and patent applications and such property as loans, notes and other debt instruments, lease agreements, stock and other instruments of property ownership, whether considered tangible or intangible.

Obligations means the amounts of orders placed, contracts and grants awarded, services received and similar transactions during a given period that require payment by the recipient during the same or a future period.

Outlays or expenditures means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense charged, the value of third party in-kind contributions applied and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

Personal property means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

Prior approval means written approval by an authorized official evidencing prior consent.

Program income means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the award (see exclusions in §§518.24 (e) and (h)). Program income includes, but is not limited to, income from fees for services performed, the use or rental of real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on

Except as otherwise provided in Federal awarding agency regulations or the terms and conditions of the award, program income does not include the receipt of principal on loans, rebates, credits, discounts, etc., or interest earned on any of them.

(y) Project costs means all allowable costs, as set forth in the applicable Federal cost principles, incurred by a recipient and the value of the contributions made by third parties in accomplishing the objectives of the award during the project period.

(z) Project period means the period established in the award document during which Federal sponsorship begins and ends.

(cc) Recipient means an organization receiving financial assistance directly from Federal awarding agencies to carry out a project or program. The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers. The term may include commercial organizations, foreign or international organizations (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or subrecipients at the discretion of the Federal awarding agency. The term does not include government-owned or controlled, or are designated as federally-funded research and development centers.

(dd) Research and development means all research activities, both basic and applied, and all development activities that are supported at universities, colleges, and other non-profit institutions. “Research” is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. “Development” is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes. The term research also includes activities involving the training of individuals in research techniques where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

(ff) Subaward means an award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of “award” in paragraph (e) of this section.

(gg) Subrecipient means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term may include foreign or international organizations (such as agencies of the United Nations) at the discretion of the Federal awarding agency.

§ 518.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this part when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this part shall be permitted only in unusual circumstances. Federal awarding agencies may apply more restrictive requirements to a class of recipients when approved by OMB. Federal awarding agencies may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by Federal awarding agencies.

§ 518.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals or other non-profit organizations. State and local government subrecipients are subject to the provisions of regulations implementing the grants management common rule, “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments,” published at 53 FR 9034 (3/11/88).

Subpart B—Pre-Award Requirements

§ 518.10 Purpose.

Sections 518.11 through 518.17 prescribes forms and instructions and other pre-award matters to be used in applying for Federal awards.
§ 518.11 Pre-award policies.

(a) Use of Grants and Cooperative Agreements, and Contracts. In each instance, the Federal awarding agency shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301–08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, “substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement.” Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) Public Notice and Priority Setting. Federal awarding agencies shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

§ 518.12 Forms for applying for Federal assistance.

(a) Federal awarding agencies shall comply with the applicable report clearance requirements of 5 CFR part 1320, “Controlling Paperwork Burdens on the Public,” with regard to all forms used by the Federal awarding agency in place of or as a supplement to the Standard Form 424 (SF–424) series.

(b) Applicants shall use the SF–424 series or those forms and instructions prescribed by the Federal awarding agency.

(c) For Federal programs covered by E.O. 12372, “Intergovernmental Review of Federal Programs,” the applicant shall complete the appropriate sections of the SF–424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the Federal awarding agency or the Catalog of Federal Domestic Assistance. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

(d) Federal awarding agencies that do not use the SF–424 form should indicate whether the application is subject to review by the State under E.O. 12372.

§ 518.13 Debarment and suspension.

Federal awarding agencies and recipients shall comply with the non-procurement debarment and suspension rule, implementing E.O.'s 12549 and 12689, “Debarment and Suspension.” This rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

§ 518.14 Special award conditions.

(a) Federal awarding agencies may impose additional requirements as needed, if an applicant or recipient:

(1) Has a history of poor performance,
(2) Is not financially stable,
(3) Has a management system that does not meet the standards prescribed in this part,
(4) Has not conformed to the terms and conditions of a previous award, or
(5) Is not otherwise responsible.

(b) Additional requirements may only be imposed provided that such applicant or recipient is notified in writing as to:

(1) The nature of the additional requirements,
(2) The reason why the additional requirements are being imposed,
(3) The nature of the corrective action needed,
(4) The time allowed for completing the corrective actions, and
(5) The method for requesting reconsideration of the additional requirements imposed.

§ 518.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205), declares that the metric system is the preferred measurement system for U.S.
trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency’s procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. Federal awarding agencies shall follow the provisions of E.O. 12770, “Metric Usage in Federal Government Programs.”

Under the Act, any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR Parts 247–254). Accordingly, State and local institutions of higher education, hospitals, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

§ 518.17 Certification and representations.

Unless prohibited by statute or codified regulation, each Federal awarding agency is authorized and encouraged to allow recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients’ compliance with the pertinent requirements.
(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, “Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs.”

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, the Federal awarding agency, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) The Federal awarding agency may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government’s interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, “Surety Companies Doing Business with the United States.”

§ 518.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants or payments by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205.

(b)(1) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(i) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and

(ii) Financial management systems that meet the standards for fund control and accountability as established in section § 518.21.

(2) Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by the Federal awarding agency to the recipient.

(d) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) cannot be met. Federal awarding agencies may also use this method on any construction agreement, or if the major portion of the
construction project is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, the Federal awarding agency shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients shall be authorized to submit request for reimbursement at least monthly when electronic funds are not used.

(f) If a recipient cannot meet the criteria for advance payments and the Federal awarding agency has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, the Federal awarding agency may provide cash on a working capital advance basis. Under this procedure, the Federal awarding agency shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee’s disbursing cycle. Thereafter, the Federal awarding agency shall advance cash to the recipient to cover its estimated disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient’s actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, Federal awarding agencies shall not withhold payments for proper charges made by recipients at any time during the project period unless the conditions in paragraphs (h)(1) or (2) of this section apply.

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements.

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A-129, “Managing Federal Credit Programs.” Under such conditions, the Federal awarding agency may, upon reasonable notice, inform the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows:

(1) Except for situations described in paragraph (i)(2) of this section, Federal awarding agencies shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless the conditions in paragraphs (k)(1), (2) or (3) of this section apply.

(1) The recipient receives less than $120,000 in Federal awards per year.

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of $250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(1) For those entities where CMIA and its implementing regulations do not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, P.O. Box 6021, Rockville, MD 20852. Interest amounts up to $250 per year may be retained by the recipient.
for administrative expense. In keeping with Electric Funds Transfer rules, (31 CFR part 206), interest should be remitted to the HHS Payment Management System through an electric medium such as the FEDWIRE Deposit system. Recipients which do not have this capability should use a check. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Federal awarding agency, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this part, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. Federal agencies shall not require more than an original and two copies of these forms.

(1) SF–270, Request for Advance or Reimbursement. Each Federal awarding agency shall adopt the SF–270 as a standard form for all nonconstruction programs when electronic funds transfer or predetermined advance methods are not used. Federal awarding agencies, however, have the option of using this form for construction programs in lieu of the SF–271, “Outlay Report and Request for Reimbursement for Construction Programs.”

(2) SF–271, Outlay Report and Request for Reimbursement for Construction Programs. Each Federal awarding agency shall adopt the SF–271 as the standard form to be used for requesting reimbursement for construction programs. However, a Federal awarding agency may substitute the SF–270 when the Federal awarding agency determines that it provides adequate information to meet Federal needs.

§ 518.23 Cost sharing or matching.

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient’s cost sharing or matching when such contributions meet all of the following criteria.

(1) Are verifiable from the recipient’s records.

(2) Are not included as contributions for any other federally-assisted project or program.

(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(4) Are allowable under the applicable cost principles.

(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.

(6) Are provided for in the approved budget when required by the Federal awarding agency.

(7) Conform to other provisions of this part, as applicable.

(b) Unrecovered indirect costs may be included as part of cost sharing or matching only with the prior approval of the Federal awarding agency.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If a Federal awarding agency authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of paragraph (c) (1) or (2) of this section.

(1) The certified value of the remaining life of the property recorded in the recipient’s accounting records at the time of donation.

(2) The current fair market value. However, when there is sufficient justification, the Federal awarding agency may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the recipient’s organization. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either
case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee's regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award, if the conditions in paragraphs (g)(1) or (2) of this section apply.

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that the Federal awarding agency has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications.

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient's supporting records for in-kind contributions from third parties.

(i) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(ii) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

§ 518.24 Program income.

(a) Federal awarding agencies shall apply the standards set forth in this section in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) of this section, program income earned during the project period shall be retained by the recipient and, in accordance with Federal awarding agency regulations or the terms and conditions of the award, shall be used in one or more of the ways listed in the following.

(1) Added to funds committed to the project by the Federal awarding agency and recipient and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When an agency authorizes the disposition of program income as described in paragraphs (b)(1) or (b)(2) of this section, program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3) of this section.
§ 518.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon Federal awarding agency requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from Federal awarding agencies for one or more of the following program or budget related reasons.

1. Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

2. Change in a key person specified in the application or award document.

3. The absence for more than three months, or a 23 percent reduction in time devoted to the project, by the approved project director or principal investigator.

4. The need for additional Federal funding.

5. The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by the Federal awarding agency.

7. The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

8. Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.
(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, Federal awarding agencies are authorized, at their option, to waive cost-related and administrative prior written approvals required by this part and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following:

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of the Federal awarding agency. All pre-award costs are incurred at the recipient’s risk (i.e., the Federal awarding agency is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify the Federal awarding agency in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless the Federal awarding agency provides otherwise in the award or in the agency’s regulations, the prior approval requirements described in paragraph (e) of this section are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) of this section applies.

(f) The Federal awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds $100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency. No Federal awarding agency shall permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j) of this section, do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from Federal awarding agencies for budget revisions whether the conditions in paragraphs (h)(1), (2) or (3) of this section apply.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in §518.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When a Federal awarding agency makes an award that provides support for both construction and nonconstruction work, the Federal awarding agency may require the recipient to request prior approval from the Federal awarding agency before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, Federal awarding agencies shall require recipients to notify the Federal awarding agency in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than $5000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(1) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the
§ 518.26 Application unless the Federal awarding agency indicates a letter of request
suffices.

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, Federal awarding agencies shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, the Federal awarding agency shall inform the recipient in writing of the date when the recipient may expect the decision.

§ 518.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(c) For-profit hospitals not covered by the audit provisions of revised OMB Circular A–133 shall be subject to the audit requirements of the Federal awarding agencies.

(d) Commercial organizations shall be subject to the audit requirements of the Federal awarding agency or the prime recipients as incorporated into the award document.

§ 518.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A–77, “Cost Principles for State and Local Governments.” The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A–122, “Cost Principles for Non-Profit Organizations.” The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A–21, “Cost Principles for Educational Institutions.” The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, “Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals.” The allowability of costs incurred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A–122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

§ 518.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the Federal awarding agency.

Property Standards

§ 518.30 Purpose of property standards.

(a) Sections 518.31 through 518.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. Federal awarding agencies shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§518.31 through 518.37.

§ 518.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be
§ 518.32 Real property.

Each Federal awarding agency shall prescribe requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, such requirements, at a minimum, shall contain the following.

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of the Federal awarding agency.

(b) The recipient shall obtain written approval by the Federal awarding agency for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by the Federal awarding agencies.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b) of this section, the recipient shall request disposition instructions from the Federal awarding agency. The Federal awarding agency shall observe one or more of the following disposition instructions.

1. The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

2. The recipient may be directed to sell the property under guidelines provided by the Federal awarding agency and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses). When the recipient is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

3. The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

§ 518.33 Federally-owned and exempt property.

(a) Federally-owned property. (1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to the Federal awarding agency. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to the Federal awarding agency for further Federal agency utilization.

(2) If the Federal awarding agency has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless the Federal awarding agency has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710(I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, “Improving Mathematics and Science Education in Support of the National Education Goals.”) Appropriate instructions shall be issued to the recipient by the Federal awarding agency.

(b) Exempt property. When statutory authority exists, the Federal awarding agency has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions the Federal awarding agency considers appropriate. Such property is “exempt property.”
§ 518.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order or priority:

(1) Activities sponsored by the Federal awarding agency which funded the original project, then

(2) Activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by the Federal awarding agency that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by the Federal awarding agency. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the approval of the Federal awarding agency.

(f) The recipient’s property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following.

(1) Equipment records shall be maintained accurately and shall include the following information.

(i) A description of the equipment.

(ii) Manufacturer’s serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient or the Federal Government.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates the Federal awarding agency for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient
shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify the Federal awarding agency.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. For equipment with a current per unit fair market value of $5,000 or more, the recipient may retain the equipment for other uses provided that compensation is made to the original Federal awarding agency or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from the Federal awarding agency. The Federal awarding agency shall determine whether the equipment can be used to meet the agency’s requirements. If no requirement exists within that agency, the availability of the equipment shall be reported to the General Services Administration by the Federal awarding agency to determine whether a requirement for the equipment exists in other Federal agencies. The Federal awarding agency shall issue instructions to the recipient no later than 120 calendar days after the recipient’s request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient’s request, the recipient shall sell the equipment and reimburse the Federal awarding agency an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share $500 or ten percent of the proceeds, whichever is less, for the recipient’s selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient’s participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by the Federal awarding agency for such costs incurred in its disposition.

(4) The Federal awarding agency may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) The Federal awarding agency shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant funds and federally-owned equipment. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When the Federal awarding agency exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.
§ 518.35 Supplies and other expendable property.

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding $5000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program, the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute as long as the Federal Government retains an interest in the supplies.

§ 518.36 Intangible property.

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. The Federal awarding agency(ies) reserve a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements.”

(c) Unless waived by the Federal awarding agency, the Federal Government has the right to the following:

(1) Obtain, reproduce, publish or otherwise use the data first produced under an award.

(2) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(d) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of paragraph §19.34(g).

§ 518.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. Agencies may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

PROCUREMENT STANDARDS

§ 518.40 Purpose of procurement standards.

Sections 518.41 through 518.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by the Federal awarding agencies upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

§ 518.41 Recipient responsibilities.

The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to the Federal awarding agency.
§ 518.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that the conditions in paragraphs (a)(1), (2) and (3) of this section apply.

(1) Recipients avoid purchasing unnecessary items.

(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government.

(3) Solicitations for goods and services provide for all of the following:

(i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) A description, whenever practicable, of technical requirements in terms or functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iv) The specific features of “brand name or equal” descriptions that bidders are required to meet when such items are included in the solicitation.

(v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(vi) Preference, to the extent practicable and economically feasible, for
products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipient to utilize small businesses, minority-owned firms, and women’s business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women’s business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange timeframes for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women’s business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women’s business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women’s business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use of services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce’s Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms, and women’s business enterprises.

(c) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The “cost-plus-a-percentage-of-cost” or “percentage of construction cost” methods of contracting shall not be used.

(d) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by the implementation of E.O.’s 12549 and 12689, “Debarment and Suspension.”

(e) Recipients shall, on request, make available for the Federal awarding agency, pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(1) A recipient’s procurement procedures or operation fails to comply with the procurement standards in this part.

(2) The procurement is expected to exceed the small purchase threshold fixed at 41 U.S.C. 403 (11) (currently $25,000) and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the small purchase threshold, specifies a “brand name” product.

(4) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

§ 518.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 518.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:
§ 518.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions, and specifications of the contract.

§ 518.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(a) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds $100,000. For those contracts or subcontracts exceeding $100,000, the Federal awarding agency may accept the bonding policy and requirements of the recipient, provided the Federal awarding agency has made a determination that the Federal Government’s interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows.

1. A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

2. A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the contractor’s obligations under such contract.

3. A payment bond on the part of the contractor for 100 percent of the contract price. A “payment bond” is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

4. Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, “Surety Companies Doing Business with the United States.”

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, the Federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this part, as applicable.
§ 518.50 Reports and records.

§ 518.50 Purpose of reports and records.

Sections 518.51 through 518.53 set forth the procedures for monitoring and reporting on the recipient’s financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 518.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure sub-recipients have met the audit requirements as delineated in § 518.26.

(b) The Federal awarding agency shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in § 518.51(f), performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Federal awarding agency may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following:

(1) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(e) Recipients shall not be required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify the Federal awarding agency of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) Federal awarding agencies may make site visits, as needed.

(h) Federal awarding agencies shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

§ 518.52 Financial reporting.

(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients.

(1) SF–269 or SF–269A, Financial Status Report.

(i) Each Federal awarding agency shall require recipients to use the SF–269 or SF–269A to report the status of funds for all nonconstruction projects or programs. A Federal awarding agency may, however, have the option of not requiring the SF–269 or SF–269A when the SF–270, Request for Advance or Reimbursement, or SF–272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF–269 or SF–269A shall be required at the completion of the project when the SF–270 is used only for advances.

(ii) The Federal awarding agency shall prescribe whether the report shall be on a cash or accrual basis. If the Federal awarding agency requires accrual information and the recipient’s accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.
(iii) The Federal awarding agency shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) The Federal awarding agency shall require recipients to submit the SF–269 or SF–269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semiannual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by the Federal awarding agency upon request of the recipient.

(i) When funds are advanced to recipients the Federal awarding agency shall require each recipient to submit the SF–272 and, when necessary, its continuation sheet, SF–272a. The Federal awarding agency shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) Federal awarding agencies may require forecasts of Federal cash requirements in the “Remarks” section of the report.

(iii) When practical and deemed necessary, Federal awarding agencies may require recipients to report in the “Remarks” section the amount of cash advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF–272 15 calendar days following the end of each quarter. The Federal awarding agencies may require a monthly report from those recipients receiving advances totaling $1 million or more per year.

(v) Federal awarding agencies may waive the requirement for submission of the SF–272 for any one of the following reasons:

(A) When monthly advances do not exceed $25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in the Federal awarding agency’s opinion, the recipient’s accounting controls are adequate to minimize excessive Federal advances; or,

(C) When the electronic payment mechanisms provide adequate data.

(b) When the Federal awarding agency needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, Federal awarding agencies shall issue instructions to require recipients to submit such information under the “Remarks” section of the reports.

(2) When a Federal awarding agency determines that a recipient’s accounting system does not meet the standards in §518.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. The Federal awarding agency, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(3) Federal awarding agencies are encouraged to shade out any line item on any report if not necessary.

(4) Federal awarding agencies may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(5) Federal awarding agencies may provide computer or electronic outputs to recipients when such expedites or contributes to the accuracy of reporting.

§518.53 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. Federal awarding agencies shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all
other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by the Federal awarding agency. The only exceptions are the following.

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by the Federal awarding agency, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in paragraph § 518.53(g).

(c) Copies of original records may be substituted for the original records if authorized by the Federal awarding agency.

(d) The Federal awarding agency shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, a Federal awarding agency may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) The Federal awarding agency, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient’s personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, no Federal awarding agency shall place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when the Federal awarding agency can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to the Federal awarding agency.

(g) Indirect cost rate proposals, cost allocations plans, etc. Paragraphs (g)(1) and (g)(2) of this section apply to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If submitted for negotiation. If the recipient submits to the Federal awarding agency or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) If not submitted for negotiation. If the recipient is not required to submit to the Federal awarding agency or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

TERMINATION AND ENFORCEMENT

§ 518.60 Purpose of termination and enforcement.

Sections 518.61 and 518.62 set forth uniform suspension, termination and enforcement procedures.
§ 518.61 Termination.
(a) Awards may be terminated in whole or in part only if the conditions in paragraphs (a)(1), (2) or (3) of this section apply.
(1) By the Federal awarding agency, if a recipient materially fails to comply with the terms and conditions of an award.
(2) By the Federal awarding agency with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.
(3) By the recipient upon sending to the Federal awarding agency written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated.
(b) If costs are allowed under an award, the responsibilities of the recipient referred to in §518.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 518.62 Enforcement.
(a) Remedies for noncompliance. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, the Federal awarding agency may, in addition to imposing any of the special conditions outlined in §518.14, take one or more of the following actions, as appropriate in the circumstances.
(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by the Federal awarding agency.
(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
(3) Wholly or partly suspend or terminate the current award.
(4) Without further awards for the project or program.
(5) Take other remedies that may be legally available.
(b) Hearings and appeals. In taking an enforcement action, the awarding agency shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.
(c) Effects of suspension and termination. Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if the conditions in paragraphs (c)(1) or (2) of this section apply.
(d) Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and the Federal awarding agency implementing regulations (see §518.13).

Subpart D—After-the-Award Requirements

§ 518.70 Purpose.
Sections 518.71 through 518.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.
§ 518.71 Closeout procedures.
(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. The Federal awarding agency may approve extensions when requested by the recipient.
(b) Unless the Federal awarding agency authorizes an extension, a recipient shall liquidate all obligations incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in agency implementing instructions.
(c) The Federal awarding agency shall make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.
(d) The recipient shall promptly refund any balances of unobligated cash that the Federal awarding agency has advanced or paid and that is not authorized to be retained by the recipient for use in other projects. OMB Circular A-129 governs unreturned amounts that become delinquent debts.
(e) When authorized by the terms and conditions of the award, the Federal awarding agency shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.
(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with §§ 518.31 through 518.37.
(g) In the event a final audit has not been performed prior to the closeout of an award, the Federal awarding agency shall retain the right to recover an appropriate amount after fully considering the recommendations on disallowing costs resulting from the final audit.

§ 518.72 Subsequent adjustments and continuing responsibilities.
(a) The closeout of an award does not affect any of the following.
(1) The right of the Federal awarding agency to disallow costs and recover funds on the basis of a later audit or other review.
(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.
(3) Audit requirements in § 518.26.
(4) Property management requirements in §§ 518.31 through 518.37.
(5) Records retention as required in § 518.53.
(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of the Federal awarding agency and the recipient, provided the responsibilities of the recipient referred to in § 518.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

§ 518.73 Collection of amounts due.
(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, the Federal awarding agency may reduce the debt by the provisions of paragraphs (a) (1), (2) or (3) of this section.
(1) Making an administrative offset against other requests for reimbursements.
(2) Withholding advance payments otherwise due to the recipient.
(3) Taking over action permitted by statute.
(b) Except as otherwise provided by law, the Federal awarding agency shall charge interest on an overdue debt in accordance with 4 CFR chapter II, “Federal Claims Collection Standards.”

APPENDIX A TO PART 518—CONTRACT PROVISIONS
All contracts, awarded by a recipient including small purchases, shall contain the following provisions as applicable:
Compliance Programs, Equal Employment Opportunity, Department of Labor

2. Copeland “Anti-Kickback” Act (18 U.S.C. 874 and 40 U.S.C. 276c)—All contracts and subgrants of amounts in excess of $2,000 for construction or repair awarded by recipients and subrecipients shall include a provision for compliance with the Copeland “Anti-Kickback” Act (18 U.S.C. 874). Labor regulations (29 CFR part 5). Under Section 102 of the Act, each contractor shall comply with the labor standards prescribed by the Secretary of Labor. In addition, contractors shall include a provision for compliance with Department of Labor regulations (29 CFR part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to the Federal awarding agency.

3. Davis-Bacon Act, as amended (40 U.S.C. 276a to a-7)—When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than $2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR part 5). (c) Each person who requests or receives from an agency a Federal contract, grant, loan, or a cooperative agreement shall file with that agency a disclosure form, set forth in appendix B, if such person has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (a) of this section if paid for with appropriated funds.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in appendix A, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a disclosure form, set forth in appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

1. A Federal contract, grant, or cooperative agreement exceeding $100,000; or

2. A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

1. A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

2. A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

4. A contract or subcontract exceeding $100,000 at any tier under a Federal cooperative agreement,
§ 519.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §519.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person’s products or services for an agency’s use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95–507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 519.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §519.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person’s products or services for an agency’s use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95–507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 519.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §519.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal,
§ 519.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 519.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §519.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission, or negotiation of a covered Federal action. Similarly, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.
contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 519.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 519.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 519.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure
that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 519.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 519.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(e) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(f) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(b) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 519.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President’s Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.
Broadcasting Board of Governors

(d) The annual report shall include the following: All alleged violations relating to the agency’s covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and shall grant the defendant an opportunity to answer the complaint.
(g) A decision of the ALJ denying defendant’s motion under paragraph (e) of this section is not subject to reconsideration under §521.38.
(h) The defendant may appeal to the Director the decision denying a motion to reopen by filing a notice of appeal with the Director within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the Director decides the issue.

(i) If the defendant files a timely notice of appeal with the Director, the ALJ shall forward the record of the proceeding to the Director.

(l) If the Director decides that the defendant’s failure to file a timely answer is not excused, the Director shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the Director issues such decision.

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.
(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.
(c) A party seeking a subpoena shall file a written request therefor not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown. Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.
(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.
(e) The party seeking the subpoena shall serve it in the manner prescribed in §521.8. A subpoena on a party or upon an individual under the control of a party may be served by first class mail.
(f) A party or individual to whom the subpoena is directed may file with the ALJ a motion to quash the subpoena within ten days after service or on or before the time specified in the subpoena for compliance if it is less than ten days after service.

§ 521.24 Protective order.

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or, with respect to the hearing, seeking to limit the availability or disclosure of evidence.
(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person
from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

1. That the discovery not be had;
2. That the discovery may be had only on specified terms and conditions, including a designation of the time or place;
3. That the discovery may be had only through a method of discovery other than that requested;
4. That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;
5. That discovery be conducted with no one present except persons designated by the ALJ;
6. That the contents of discovery or evidence be sealed;
7. That a deposition after being sealed be opened only by order of the ALJ;
8. That a trade secret or other confidential research, development, commercial information, or facts pertaining to any criminal investigation, proceeding or other administrative investigation not be disclosed or be disclosed only in a designated way; or
9. That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

§ 521.25 Fees.
The party requesting a subpoena shall pay the cost of the fee and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in the United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the Broadcasting Board of Governors, a check for witness fees and mileage need not accompany the subpoena.

§ 521.26 Form, filing and service of papers.
(a) Form. (1) Documents filed with the ALJ shall include an original and two copies.
(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena), and shall be in English or accompanied by an English translation.
(b) Service. A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than those required to be served as prescribed in § 521.8, shall be made by delivering a copy or by placing a copy of the document in the United States mail, postage prepaid, and addressed to the party’s last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.
(c) Proof of service. A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 521.27 Computation of time.
(a) In computing any period of time under this part or in an order issued hereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which event it includes the next business day.
(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal Government shall be excluded from the computation.
(c) Where a document has been served or issued by placing it in the mail, an additional five days will be added to the time permitted for any response.
§ 521.28 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 521.29 Sanctions.

(a) The ALJ may sanction a person, including any party or representative for:

1. Failing to comply with an order, rule, or procedure governing the proceeding;

2. Failing to prosecute or defend an action; or

3. Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party’s control, or a request for admission, the ALJ may:

1. Draw an inference in favor of the requesting party with regard to the information sought;

2. In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

3. Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; and

4. Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 521.30 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under § 521.3, and if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The Broadcasting Board of Governors shall prove defendant’s liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 521.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the Director, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that
§ 521.32 Location of hearing.

(a) The hearing may be held:

(1) In any judicial district of the United States in which the defendant resides or transacts business;

(2) In any judicial district of the United States in which the claim or statement in issue was made; or

(3) In such other place as may be agreed upon by the defendant and the ALJ.

(b) Each party shall have the opportunity to present arguments with respect to the location of the hearing.

(c) The hearing shall be held at the place and at the time ordered by the ALJ.

§ 521.33 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in §521.22(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to

(1) Make the interrogation and presentation effective for the ascertainment of the truth,
(2) Avoid needless consumption of time, and
(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of:

(1) A party who is an individual;
(2) In the case of a party that is not an individual, an officer or employee of the party appearing for the entity pro se or designated by the party’s representative; or
(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 521.34 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided in this part, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence, where appropriate (e.g., to exclude unreliable evidence).

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by consideration of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to §521.24.

§ 521.35 The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the Director.

(c) The record of the hearing may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to §521.24.

§ 521.36 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing briefs, at a time not exceeding 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 521.37 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues:
§ 521.38 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt will be presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the Director and shall be final and binding on the parties 30 days after it is issued by the ALJ.

(c) The ALJ shall promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall at the same time serve all parties with a statement describing the right of any defendant determined to be liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the Director. If the ALJ fails to meet the deadline contained in this paragraph, he or she shall notify the parties of the reason for the delay and shall set a new deadline.

(d) Unless the initial decision of the ALJ is timely appealed to the Director, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the Director and shall be final and binding on the parties 30 days after it is issued by the ALJ.

§ 521.39 Appeal to the Broadcasting Board of Governors Director.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the Broadcasting Board of Governors Director by filing a notice of appeal with the Broadcasting Board of Governors Director in accordance with this section.

(b) (1) No notice of appeal may be filed until the time period for filing a motion for reconsideration under § 521.38 has expired.

(2) If a motion for reconsideration is timely filed, a notice of appeal may be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) If no motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ issues the initial decision.

(4) The Director may extend the initial 30-day period for an additional 30 days if the defendant files with the Director a request for an extension within the initial 30-day period and shows good cause.

(c) If the defendant files a timely notice of appeal with the Director, and the time for filing motions for reconsideration under § 521.38 has expired, the ALJ shall forward the record of the proceeding to the Director.

(d) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decisions and reasons supporting the exceptions.
§ 521.46 Compromise or settlement.

(a) Parties may make offers of compromise or settlement at any time.

(b) The reviewing official has the exclusive authority to compromise or settle a case under this part at any time.
§ 521.47 Limitations.

(a) The notice of hearing with respect to a claim or statement must be served in the manner specified in §521.8 within 6 years after the date on which such claim or statement is made.

(b) If the defendant fails to file a timely answer, service of a notice under §521.10(b) shall be deemed notice of hearing for purposes of this section.

(c) The statute of limitations may be extended by agreement of the parties.

§ 530.109 [Reserved]

§§ 530.104—530.109

Self-evaluation.

(a) The Board shall, by August 24, 1987, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part, and, to the extent modification of any such policies and practices is required, the Board shall proceed to make the necessary modifications.

(b) The Board shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The Board shall, until three years following the completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified, and

(2) A description of any modifications made.

§ 530.111 Notice.

The Board shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the Board, and make such information available to them in such manner as the head of the Board finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§ 530.110 General prohibitions against discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the Board.

(b)(1) The Board, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

arrangements, utilize criteria or methods of administration the purpose or effect of which would—
(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or
(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The Board may not, in determining the site or location of a facility, make selections the purpose or effect of which would—
(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the Board; or
(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The Board, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The Board may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the Board establish requirements for the programs or activities of licensees or certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the Board are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

§§ 530.131—530.139 [Reserved]

§ 530.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Board. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 530.141—530.148 [Reserved]

§ 530.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §530.150, no qualified handicapped person shall, because the Board’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the Board.

§ 530.150 Program accessibility: Existing facilities.

(a) General. The Board shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—
(1) Necessarily require the Board to make each of its existing facilities accessible to and usable by handicapped persons;
(2) In the case of historic preservation programs, require the Board to take any action that would result in a substantial impairment of significant historic features of an historic property; or
(3) Require the Board to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Board personnel believe that the proposed action would fundamentally alter the program or activity or would
result in undue financial and administrative burdens, the Board has the burden of proving that compliance with §530.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Board head or his or her designee after considering all Board resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the Board shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods—(1) General. The Board may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The Board is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The Board, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the Board shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §530.150(a) in historic preservation programs, the Board shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of §530.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The Board shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the Board shall develop, by February 23, 1987, a transition plan setting forth the steps necessary to complete such changes. The Board shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the Board's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.
§ 530.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the Board shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 530.152—530.159 [Reserved]

§ 530.160 Communications.

(a) The Board shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The Board shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Board.

(i) In determining what type of auxiliary aid is necessary, the Board shall give primary consideration to the requests of the handicapped person.

(ii) The Board need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the Board communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used.

(b) The Board shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The Board shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the Board to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Board personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the Board has the burden of proving that compliance with §530.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Board head or his or her designee after considering all Board resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the Board shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

(g) Within 180 days of the receipt of a

the appeal.

graphs (g) and (j) of this section may be
extended with the permission of the
Assistant Attorney General.

SUBCHAPTER A—ADMINISTRATIVE PROVISIONS

PART 705—EMPLOYEE ETHICAL CONDUCT STANDARDS AND FINANCIAL DISCLOSURE REGULATIONS

§ 705.101 Cross-reference to employee ethical conduct standards and financial disclosure regulations.

Employees of the Overseas Private Investment Corporation (OPIC) should refer to the executive branch-wide Standards of Ethical Conduct at 5 CFR part 2635, the OPIC regulation at 5 CFR 4301.101 which supplements the executive branch-wide standards, and the executive branch-wide financial disclosure regulation at 5 CFR part 2634.

[58 FR 33320, June 17, 1993]

PART 706—DISCLOSURE OF PUBLIC INFORMATION

Subpart A—General

§ 706.11 Purpose and policy.

(a) This part is adopted pursuant to the provisions of the Freedom of Information Act, 5 U.S.C. 552. It establishes the procedures governing public access to information contained in the files, documents and records of the Corporation. It also sets forth the procedures by which persons submitting written information to the Corporation may designate such information as exempt from disclosure under 5 U.S.C. 552(b)(4); and provides submitters of confidential business information with the right to be notified of a request for disclosure and to object to the disclosure of such information.

(b) This part reflects the policy of the Corporation to honor all requests for the disclosure of Corporation records provided that such disclosure does not adversely affect a legitimate public or private interest, is required and/or not prohibited by law or other authority, and would not impose an unreasonable burden on the Corporation. However, this part also reflects the view of the Corporation that the soundness and viability of many of its programs depend in large measure upon the willingness of applicants for Corporation assistance to provide full and reliable commercial, financial, technical and business information relating to the conduct of their affairs. Since the release of such information may imperil the competitive business position and credit standing of an applicant, it is essential that applicants be assured that confidential commercial or financial information which is submitted to the Corporation will not be disclosed to the public. This part is designed in part to give this assurance and thereby to encourage applicants to make complete disclosure of information bearing upon an application for OPIC assistance.

§ 706.12 Scope.

This part applies to all files, documents, records, and information obtained or produced by officers and employees of the Corporation in the
course of their official duties and/or under such officer or employee’s control. Specific types of files, documents, records and items of information described herein are illustrative rather than exclusive. This part does not purport to describe or set forth every file, document, record or item of information which may or may not be disclosed or to incorporate every exemption from disclosure provided by law.

§ 706.13 Definitions.

(a) Except as may be otherwise provided in paragraph (b) of this section, all terms used in this part which are defined in the Freedom of Information Act, 5 U.S.C. 552 shall have the same meaning.

(2) Business information means trade secrets or confidential or privileged commercial or financial information obtained from any person, including but not necessarily limited to such information as is contained in individual case files relating to such activities as insurance, loans and loan guarantees.

(3) Business submitter means any person or entity which provides business information to the Corporation.

(4) Commercial use request refers to a request from or on behalf of one who seeks information for a use or purpose that is related to the commerce, trade, or profit interests of the requester or the person on whose behalf the request is made. The term commercial use requester refers to any person making a commercial use request. In determining whether a requester properly belongs in this category, the Corporation will determine the use to which a requester will put the documents requested. Where the Corporation has reasonable cause to doubt the use to which a requester will put records sought, or where that use is not clear from the request itself, the Corporation may seek additional clarification before assigning the request to a specific category.

(5) Direct costs means those expenditures which the Corporation actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents to respond to a request under the Freedom of Information Act.

(6) Duplication refers to the process of making a copy of a document available to the FOIA requester. Copies will be ordinarily in the form of a photocopy of the original document.

(7) Educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of vocational education, an institution of undergraduate higher education, an institution of professional education and an institution of vocational education, which operates a program or programs of scholarly research.

(8) FOIA means the Act.

(9) Non-commercial scientific institution refers to an institution that is not operated on a commercial basis and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(10) Representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals, but only in those instances when they can qualify as disseminators of “news” who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of “freelance” journalists, they may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but the Corporation may also look to
Overseas Private Investment Corporation

§ 706.22 Information and records not generally available to the public.

(a) The following kinds of files, documents, records, and items of information, among others, are generally not available to the public:

1. Business information as that term is defined in §706.13(b)(2) of this part;
2. Information provided in applications for political risk insurance, loans, loan guaranties and other Corporation assistance;
3. Insurance policies, loan agreements and loan guarantee agreements relating to specific recipients of Corporation assistance;
4. Information on declined, withdrawn or canceled applications for Corporation assistance;
5. Inter-agency or intra-agency communications not routinely available to a party in litigation with the Corporation, including, among other things, memoranda between officials of agencies, Corporation staff memoranda,
§ 706.23 Public access to information and records.

(a) Access to routinely available information. Corporation facilities are available to the public between 8:45 a.m. and 5:30 p.m. (except for Saturdays, Sundays and official holidays) for obtaining copies of materials of the kind described in §706.21(b). Persons wishing to obtain copies of such documents may request them by reporting in person to the Corporation receptionist, by telephoning the office of the Director of Public Affairs at (202) 457–7093 or by writing the Corporation to the attention of such officer.

(b) Access to the public information files on claims. Access by any member of the public to the Corporation’s public information files described in §706.21(c) shall be granted by appointment only. Persons desiring such access may request an appointment by telephoning the Claims Assistant at (202) 457–7019 or by writing the Corporation to the attention of such officer.

(c) Access to public information files on board matters. Access by any member of the public to the Corporation’s public information files described in §706.21(d) shall be granted by appointment only. Persons desiring such access may request an appointment by telephoning the Corporate Secretary at (202) 457–7079 or by writing the Corporation to the attention of such officer.

(d) Access to any records of the corporation not otherwise made available by the corporation to the public. Access to records of the Corporation other than those described in paragraphs (b), (c), and (d) of §706.21, or the duplication of such records, shall be granted only upon specific written request to the Corporation addressed to the Vice President, Office of Corporate Communications, which shall be deemed not to have been received until actual receipt thereof by such officer or his designee. Such request shall, to the extent required under the law, accurately describe the records as to which access or duplication is requested including, by way of example only, the subject matter, format, date, and where pertinent, the country, project or person involved. Any request which does not describe such records in sufficient detail to permit the staff of the Corporation promptly to locate them shall be deemed not to have been received by the Corporation until such time as the requester has clarified the request to meet this standard. The Corporation will make every reasonable effort by telephone or by letter to assist the person making the request to be more specific in describing the document or information sought.

§ 706.24 Notification of corporation action.

Persons making a request for disclosure normally will be notified of the availability of the material within ten working days after the date of receipt of the request. The information or records subject to release shall be made available promptly provided the requirements of §706.26 regarding payment of fees are satisfied. Any denial of a request in whole or in part shall be made in writing and such notification
shall set forth the reasons for the denial. Any person whose request for information has been denied may appeal from such determination in accordance with the provisions of §706.27 of this part.

§ 706.25 Extension of time.

Although the Corporation will make every effort to respond to an initial request for disclosure of information within ten working days, there may be delays because of the Corporation’s limited staff. Moreover, in certain circumstances the period of time within which the Corporation will respond to an initial request will be extended by an additional ten working days. Circumstances which would necessitate such an extension include the following:

(a) The need to search for and collect requested records from storage facilities located outside Corporation premises;

(b) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request;

(c) The need for consultation with another agency having a substantial interest in the determination of the request, or among two or more components of the agency having substantial subject-matter interest therein; or

(d) The need to notify the submitter of confidential business information of the request and to allow a reasonable period for objection to disclosure per §706.31 of this part.

It is the practice of the Corporation to inform a requester in writing or by telephone of any anticipated delays.

§ 706.26 Fees.

(a) General policy. A fee representing direct costs shall be charged for services rendered by the Corporation under 5 U.S.C. 552(a) in furnishing information to members of the public, in accordance with the provisions of paragraph (c) of this section and as required or permitted by law.

(b) Anticipated fees. A letter requesting a document or information should specifically state that all costs chargeable under this section will be paid or, alternatively that they will be paid up to a specified limit. If the letter makes no reference to anticipated fees, and the request is expected to involve fees in excess of $25, or it is estimated by the Corporation that the fee will exceed the dollar limit specified in the request, the Corporation will notify the requester of the estimated fee promptly upon receipt of the request. The request will not be deemed to have been received until the Corporation receives a reply from the requester stating its willingness to pay the estimated fee.

(c) Uniform fee schedule. Fees will be charged in accordance with the category of the requester and as specified below. All photocopying costs will be assessed at the rate of $0.15 per page.

(1) Commercial use requesters. “Commercial use requesters,” as that term is defined in §706.13 of this part, will be charged the direct cost of all time spent searching for and reviewing for release the records requested. Search costs are $13 per hour. Review costs are $33 per hour. Search and review costs will be assessed even though no records may be found or, after review, there is no disclosure of records. All pages photocopied will be assessed at the rate set out above.

(2) Educational and non-commercial scientific institution requesters. The Corporation will provide records to “educational institutions” or “non-commercial scientific institutions,” as those terms are defined in §706.13(b)(7) and (b)(9) of this part, for the cost of reproduction alone. No fee will be charged for the costs of photocopying the first 100 pages of documents encompassed by a request. The fee for all pages photocopied will be assessed at the rate set out above. To be eligible for inclusion in this category, requesters must show that the request is being made under the auspices of a qualifying “educational institution” or “non-commercial scientific institution” and that the records are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

(3) Representatives of the news media. The Corporation shall provide records to “representatives of the news media,” as that term is defined in
§ 706.13(b)(10) of this part, for the cost of reproduction alone. No fee will be charged for the costs of photocopying the first 100 pages of documents encompassed by a request. The fee for all pages photocopied will be assessed at the rate set forth above. To be eligible for inclusion in this category a requester must be a “representative of the news media” and his or her request must not be made for a commercial use. In reference to this class of requester, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use.

(4) All other requesters. The Corporation will provide documents to requesters who do not fit into any of the categories in paragraphs (c)(1), (2), and (3) of this section for the cost of any search time in excess of two hours and for photocopying any documents in excess of 100 pages. The fee for search time will be assessed at the rate set forth in paragraph (c)(1) of this section. The fee for all pages photocopied will be assessed at the rate set forth above.

(d) Non-payment of fees. (1) The Corporation will begin assessing interest charges on the 31st day following the day on which the requester is advised of the fee charged, such interest charges to accrue as of the date of such notification. Interest will be at the rate prescribed in 31 U.S.C. 3717.

(2) Where a requester has previously failed to pay a fee charged in a timely fashion (i.e. within 30 days of the billing date), the Corporation will require the requester to pay the full amount owed plus any applicable interest as provided above, and to make an advance payment of the full amount of the estimated fee before the Corporation begins to process a new request or a pending request from the requester.

(3) When the Corporation acts under paragraph (c)(1) or (2) of this section the administrative time limits prescribed in subsection (a)(6) of the Act (i.e. 10 working days from receipt of initial request and 20 working days from receipt of appeals from initial denial plus permissible extensions of these time limits) will begin only after the Corporation has received fee payments described above.

(e) Advance payments. Where the Corporation estimates or determines that allowable charges that a requester may be required to pay are likely to exceed $250 the Corporation will require a requester to make an advance payment of the entire fee before continuing to process the request.

(f) Waiving or reducing fee. (1) In accordance with section (4)(A)(ii) of the Act the Corporation will furnish documents without charge or at reduced charges if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.

(i) In determining whether disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, the Corporation will consider the following factors:

(A) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the government;

(B) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of government operations or activities;

(C) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to public understanding; and

(D) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute significantly to public understanding of government operations or activities.

(ii) In determining whether disclosure of the information is not primarily in the commercial interest of the requester, the Corporation will consider the following factors:

(A) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so

(B) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the
(2) The requester in all cases has the burden of presenting sufficient evidence or information to justify the requester waiver or reduction.

(g) Restrictions on assessing fees. With the exception of requesters seeking documents for a commercial use, section (4)(A)(iv) of the Act, as amended, requires agencies to provide the first 100 pages of duplication and the first two hours of search time without charge. Moreover, this section prohibits agencies from charging fees to any requester, including commercial use requesters, if the cost of collecting the fee would be equal to or greater than the fee itself. These provisions work together so that, except for commercial use requesters, the Corporation will not begin to assess fees until after providing the free search and reproduction. For example, for a request that involved two hours and ten minutes of search time and resulted in 105 pages of documents, the agency will determine the cost of only 10 minutes of search time and only five pages of reproduction. If this cost is equal to or less than the cost of processing the fee collected, there will be no charge to the requester.

(h) Documents made available free of charge. No fee will be charged to any requester for any brochure or annual report readily available from the Office of Public Affairs pursuant to §706.21(b).

(i) Inspection. Persons may inspect and copy in the Corporation’s facilities specifically requested documents other than those which are not generally available under §706.22 or exempt by law without charge except for search, duplication, tabulation, or compilation fees which may be otherwise payable.

(j) Other provisions— (1) Charges for unsuccessful search. The Corporation will assess charges for time spent searching, even if the Corporation fails to locate the records or if records located are determined to be exempt from disclosure.

(2) Aggregating requesters. When the Corporation reasonably believes that a requester or group of requesters is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Corporation will aggregate any such requesters and charge accordingly.

(3) Effect of the Debt Collection Act of 1982 (Pub. L. 97–365). The Corporation will use the authorities of the Debt Collection Act, including disclosure to consumer reporting agencies and use of collection agencies, where appropriate, to encourage repayment.

(4) Remittances. (i) All payments under this section shall be in the form of a personal check, bank draft drawn on a bank located in the United States, or cash. Remittances shall be made payable to the order of United States Treasury and mail to the Director of Public Affairs, Office of Corporate Communications, Overseas Private Investment Corporation, 1615 M Street, NW., Washington, DC 20527. The Corporation will assume no responsibility for cash which is lost in the mail.

(ii) A receipt for fees paid will be given only upon request.

(iii) Where it is anticipated that the fees chargeable under this section will amount to more than $25, and the requester has not indicated in advance a willingness to pay fees as high as are anticipated, the requester will be promptly notified of the amount of the anticipated fee or such portion thereof as can readily be estimated. In appropriate cases an advance deposit may be required. The requester is at any time welcome to confer with the Director of Public Affairs in order to formulate the request in a manner which will reduce the fee and meet the needs of the requester. A request will not be deemed to have been received until the requester has agreed to pay the anticipated fees and has made an advance deposit if one is required.

§ 706.27 Administrative appeal of refusal to disclose.

(a) Who may appeal. Any person whose request for information or records has been denied in whole or in part shall be entitled to submit a written appeal to the Corporation.

(b) Time for appeal. An appeal from a denial may be filed with the Corporation at any time within 20 days following the date of receipt of the initial
§ 706.31 Notification to submitters of business information.

(a) Except as provided in paragraph (c) of this section, the Director for Public Affairs will promptly notify a “business submitter” (as that term is defined in §706.13(b)(3) of this part) that a request for disclosure has been made for any “business information” (as that term is defined in Section 706(b)(2) of this part) provided by such submitter, and shall describe the nature and scope of the request and advise such submitter of its right to submit written objections in response to the request. Such notice of intent to disclose shall be made to the submitter in writing and shall state the intent of the Corporation to disclose the business information on the expiration of 10 working days from the receipt of the notice.

(b) The business submitter may, within 10 working days of the forwarding of the Corporation’s notification under paragraph (a) of this section, submit to the attention of the Director for Public Affairs, with copy to FOIA Counsel, written objection to the disclosure of the information requested, specifying the grounds upon which it is contended that the information should not be disclosed. In setting forth such grounds, the submitter shall specify to the maximum extent feasible the basis of its belief that the nondisclosure of any item of information requested is mandated or permitted by law. In the case of information which the submitter believes to be exempt from disclosure under subsection (b)(4) of the Act, the submitter shall demonstrate why the information is considered a trade secret or commercial or financial information that is privileged or confidential. Information provided by a business submitter pursuant to this paragraph may itself be subject to disclosure under the Act. The 10 working day period for providing the Corporation with a statement objecting to the disclosure of information encompassed by an FOIA request may be extended by the Corporation upon receipt of a written request for an extension. Such written request shall set forth the date which the statement is expected to be completed and shall provide reasonable justification for the extension. The Corporation’s approval of a request for an extension shall not be unreasonably withheld.
Overseas Private Investment Corporation

(c) The Corporation will not ordinarily notify the submitter pursuant to paragraph (a) of this section if:

1. The Corporation determines, prior to giving such notice, that the request should be denied;
2. The disclosure is required by law (other than pursuant to 5 U.S.C. 552); or
3. The information has been published or otherwise made available to the public, including material described in §706.21.

(d) The Corporation shall carefully consider the objections of the submitter made pursuant to paragraph (b) of this section and shall promptly notify the submitter of any final determination regarding the release of the information requested.

§ 706.32 Prior designation of business information as privileged or confidential.

In order to facilitate the Corporation's determination of whether to disclose information submitted to it a submitter may designate information which it regards as confidential business information entitled to exemption from disclosure under 5 U.S.C. 552(b)(4). Such designation may be made at the time such information is submitted to the Corporation or at any time thereafter. Each document, record or item of information to be so designated shall be clearly marked in capital letters: PRIVILEGED BUSINESS INFORMATION. In accepting documents, records or any item of information so marked, the Corporation shall not be bound by such designation.

Access to records maintained by the Corporation will be provided only by appointment. No officer or employee of the Corporation shall, pursuant to the provisions of this part 707, provide any individual with access to any records maintained by the Corporation until the Corporation shall have received from such individual a written request in the form specified in paragraph (b) of this section and verification of the identity of the individual as provided in paragraph (c) of this section.

(b) Any request under this part 707 for notification of, access to or copies of records maintained by the Corporation shall comply with the following requirements:

(1) It shall be in writing, signed by the individual, and, except in the event such requesting individual is an officer or employee of the Corporation, duly acknowledged before a notary public or other authorized public official;

(4) It shall specify whether the individual also wishes copies of the information pertaining to him.

(c) Prior to providing any individual either with notification of, access to or copies of any records maintained by the Corporation that contain information pertaining to said individual, the Director of Personnel and Administration shall verify the identity of such individual. In order to verify the identity of any such individual, the Director of Personnel and Administration shall require such individual to provide reasonable proof of his identity such as, by way of example and not limitation, a valid drivers license, identification card, passport, employee identification card and any other identifying information. The Director of Personnel and Administration shall deny any such request from any individual if he determines, in his sole discretion, that the evidence offered to verify the identity of such individual is insufficient to establish conclusively the identity of such individual. Upon denying any such request under this paragraph (c), the Director of Personnel and Administration shall promptly notify the individual in writing of such determination.

(d) In the event that the Director of Personnel and Administration shall decline any request submitted to the Corporation under paragraph (b) of this section because he determines under paragraph (c) of this section that the individual has not provided adequate evidence to verify his identity, said individual may, within thirty (30) days of the date of the notification thereof by the Director of Personnel and Administration, file a written appeal of such determination with the Executive Vice President of the Corporation. The decision of the Executive Vice President with respect to such appeal shall be final.

(g) Copies of records made available for review to any individual under this part 707 may be released to a duly authorized representative of any such individual provided that such individual provides the Corporation with a power of attorney to such effect on behalf of said representative, signed by such individual and duly acknowledged before a notary public or other authorized public official. The Corporation shall require any such representative to verify his identity in accordance with paragraph (c) of this section.

(h) Original or record copies of records will not be released from the
files of the Corporation. Individuals will not be permitted to disturb any record files or to remove any records from the designated place of examination within the Corporation.

§ 707.22 Amendment of records.
(a) Whenever any individual desires an amendment to any record of the Corporation to correct information in such record pertaining to him that he believes not to be accurate relevant, timely, or complete, he may submit such a request to the Corporation in the form specified in paragraph (b) of this section. Such request shall be addressed to the Director of Personnel and Administration and may either be mailed to the Corporation or delivered to the receptionist at the office of the Corporation, 1129—20th Street, NW., Washington, DC 20527, between 8:45 a.m. and 5:30 p.m., Monday thru Friday (excluding legal public holidays). Any such request shall be deemed not to have been received by the Corporation and shall be returned without prejudice whenever the Director of Personnel and Administration determines that such request either does not describe records specifically enough to permit the staff of the Corporation to promptly locate such records or does not state the amendment requested or the basis therefor in reasonably specific language.
(c) The Director of Personnel and Administration shall acknowledge in writing the receipt of any such request to correct any records not later than ten (10) days (excluding Saturdays, Sundays and legal public holidays) after the date of the receipt of such request by the Corporation.
(d) Not later than thirty (30) days (excluding Saturdays, Sundays and official holidays) after the date of the receipt of such request by the Corporation, the Director of Personnel and Administration shall either:
(1) Make any correction of any portion of such records that he determines not to have been accurate, relevant, timely, or complete and notify the individual in writing of such correction; or

(e) In the event the Director of Personnel and Administration shall deny any portion of any individual’s request to amend records, such individual may within thirty (30) days of the date of the notification of such denial, file a written appeal of such decision with the Executive Vice President of the Corporation. Such appeal may be supported by any additional written evidence and statements deemed appropriate by the individual.

(c) Required by statute to be maintained and used solely as statistical records;

(d) Investigatory material compiled solely for the purpose of determining suitability, eligibility or qualifications for Federal civilian employment, military service, Federal contracts or access to classified information, but only to the extent that the Corporation may determine, in its sole discretion, that the disclosure of such material would reveal the identity of the source who, subsequent to September 27, 1975, furnished information to the Government under an express promise that the identity of the source would be held in confidence or, prior to such date, under an implied promise to such effect; and

(e) Testing or examination materials used solely to determine individual qualifications for appointment or promotion in the Federal service and the Corporation determines, in its sole discretion, that disclosure of such materials would compromise the fairness of the testing or examination process.

708.2  Open meeting policy.
708.3  Scheduling of a meeting.
708.4  Public announcement.
708.5  Closed meetings.

AUTHORITY: 5 U.S.C. 552b.

SOURCE: 42 FR 13110, Mar. 9, 1977, unless otherwise noted.

§ 708.1  Purpose and applicability.

The purpose of this part is to effectuate the provisions of the Government in the Sunshine Act. This part applies to the deliberations of a quorum of the Directors of the Corporation required to take action on behalf of the Corporation where such deliberations determine or result in the joint conduct or disposition of official Corporation business, but does not apply to deliberations to take action to open or close a meeting or to release or withhold information under § 708.5. Any deliberation to which this part applies is hereinafter in this part referred to as a meeting of the Board of Directors.

§ 708.2  Open meeting policy.

(a) It is the policy of the Corporation to provide the public with the fullest practicable information regarding the decisionmaking process of the Board of Directors of the Corporation while protecting the rights of individuals and the ability of the Corporation to carry out its responsibilities. In order to effect this policy, every meeting of the Board of Directors shall be open to public observation and will only be closed to public observation if justified under one of the provisions of § 708.5. The public is invited to observe and listen to all meetings of the Board of Directors, or portions thereof, open to public observation and may not participate or record any of the discussions by means of electronic or other devices or cameras. Documents being considered at meetings of the Board of Directors may be obtained subject to the procedures and exemptions set forth in part 706 of this chapter.

(b) Directors of the Corporation shall not jointly conduct or dispose of agency business other than in accordance with this part. This prohibition shall not prevent Directors from considering individually business that is circulated to them sequentially in writing.

(c) The Secretary of the Corporation shall be responsible for assuring that ample space, sufficient visibility, and adequate acoustics are provided for public observation of meetings of the Board of Directors.
§ 708.3 Scheduling of a meeting.
A decision to hold a meeting of the Board of Directors should be made as provided in the By-laws of the Corporation and at least eight days prior to the scheduled meeting date in order for the Secretary of the Corporation to give the public notice required by § 708.4. However, in special cases, a majority of the Directors may decide to hold a meeting less than eight days prior to the scheduled meeting date if they determine by a recorded vote that Corporation business requires such meeting at such earlier date. After public announcement of a meeting of the Board of Directors, under the provisions of § 708.4, the subject matter thereof, or the determination to open or close a meeting, or portion thereof, may only be changed if a majority of the Directors determines by a recorded vote that business so requires and that no earlier announcement of the change is possible.

§ 708.4 Public announcement.
(a) Except to the extent that such information is exempt from disclosure under the provisions of § 708.5, in the case of each meeting of the Board of Directors, the Secretary shall make public announcement at least one week before the meeting, of the time, place, and subject matter of the meeting, whether to be open or closed to the public, and the name and telephone number of the official designated by the Corporation to respond to requests for information about the meeting. Such announcement shall be made unless a majority of the Directors determines by a recorded vote that Corporation business requires that such meeting be called at an earlier date, in which case the Secretary shall make public announcement of the time, place, and subject matter of such meeting, whether open or closed to the public, at the earliest practicable time.

(b) The time or place of a meeting may be changed following the public announcement required by paragraph (a) of this section, if the Secretary publicly announces such change at the earliest practicable time. The subject matter of a meeting, or the determination of the Corporation to open or close a meeting, or portion of a meeting, to the public, may be changed following the public announcement required by this section only if (1) a majority of the Directors determines by a recorded vote that business so requires and that no earlier announcement of the change is possible, and (2) the Secretary publicly announces such change and the vote of each Director upon such change at the earliest practicable time.

(c) The earliest practicable time, as used in this subsection, means as soon as possible, which should in few, if any, instances be later than the commencement of the meeting or portion in question.

(d) The Secretary shall use reasonable means to assure that the public is fully informed of the public announcements required by this section. Such public announcements may be made by posting notices in the public areas of the Corporation’s headquarters and mailing notices to the persons on a list maintained for those who wish to receive such announcements.

(e) Immediately following each public announcement required by this section, notice of the time, place, and subject matter of a meeting, whether the meeting is open or closed, any change in one of the preceding announcements, and the name and telephone number of the official designated by the Corporation to respond to requests for information about the meeting shall also be submitted by the Secretary for publication in the Federal Register.

§ 708.5 Closed meetings.
(a) Meetings of the Board of Directors will be closed to public observation where the Corporation properly determines, according to the procedures set forth in paragraph (c) of this section, that such portion or portions of the meeting or disclosure of such information is likely to:

(1) Disclose matters that are (i) specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy and are (ii) in fact properly classified pursuant to such Executive order;

(2) Relate solely to the internal personnel rules and practices of an agency;
(3) Disclose matters specifically exempted from disclosure by statute (other than 5 U.S.C. 552), Provided, That such statute (i) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or (ii) establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Disclose the trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Involve accusing any person of a crime, or formally censuring any person;

(6) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(7) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would (i) interfere with enforcement proceedings, (ii) deprive a person of a right to a fair trial or an impartial adjudication, (iii) constitute an unwarranted invasion of personal privacy, (iv) disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source, (v) disclose investigative techniques and procedures, or (vi) endanger the life or physical safety of law enforcement personnel;

(8) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action, except in any instance where the Corporation has already disclosed to the public the content or nature of its proposed action, or where the Corporation is required by law to make such disclosure on its own initiative prior to taking final Corporation action on such proposal; or

(9) Specifically concern the Corporation’s participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the Corporation of a particular case of formal Corporation adjudication pursuant to the procedures in 5 U.S.C. 554 or otherwise involving a determination on the record after opportunity for a hearing.

(b) Meetings of the Board of Directors shall not be closed pursuant to paragraph (a) of this section when the Corporation finds that the public interest requires that they be open.

(c)(1) Action to close a meeting, or portion thereof, pursuant to the exemptions defined in paragraph (a) of this section may be initiated by the President or any Director of the Corporation by presentation of a request for closure to the Board of Directors. The person initiating the request for closure shall give the Board of Directors a statement specifying the extent of the proposed closure, the relevant exemptive provisions and the circumstances pertinent to such request, and how the public interest will be served by closure. Such statement shall also be given to the General Counsel of the Corporation to serve as a basis for the certification the General Counsel may determine can be issued in accordance with §708.6. The General Counsel’s determination shall be given to the Board of Directors. Action to close a meeting, or portion thereof, shall be taken only when a majority of the entire membership of the Board of Directors vote to take such action. A separate vote of the Board of Directors shall be taken with respect to each meeting of the Board of Directors a portion or portions of which are proposed to be closed to the public, or with respect to any information which is proposed to be closed. A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information which is proposed to be withheld. (2) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Corporation close such portion to the public for any of the reasons referred to in paragraph (a)(5), (a)(6), or (a)(7) of this section, the Corporation, upon request of any one of its Directors, shall vote by recorded vote whether to close such meeting.

A copy of such certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting, and the persons present, shall be retained by the Secretary as part of the transcript, recording, or minutes required by paragraph (b) of this section.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this regulation.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this regulation.

§711.131—711.139 [Reserved]

§711.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subject to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§711.141—711.148 [Reserved]

§711.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §711.150, no qualified individual with handicaps shall, because the agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from
§ 711.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps.

This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §711.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §711.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §711.150(a) (2) or (3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by November 7, 1988, except that where structural changes in facilities are undertaken, such changes shall be made by September 6, 1991, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be
§ 711.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(i) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(ii) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(iii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §711.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not
result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 711.161—711.169 [Reserved]

§ 711.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Director of Personnel shall be responsible for coordinating implementation of this section. Complaints may be sent to Overseas Private Investment Corporation, 1615 M Street, NW, Washington, DC 20527, Attention: Director of Personnel.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by § 711.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (i) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

(a) The prohibition on the use of appropriated funds, in §712.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §712.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission, or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 712.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

(b) The reporting requirements in §712.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 712.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 712.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §712.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §712.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. (c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.
§ 712.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 712.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 712.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 712.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 712.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and
November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 712.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President's Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency's covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

SOURCE: 64 FR 8241, Feb. 19, 1999, unless otherwise noted.

§ 713.1 What does this part prohibit?
This part prohibits the release of nonpublic records for legal proceedings or the appearance of an OPIC employee to testify in legal proceedings except as provided in this part. Any person possessing nonpublic records may release them or permit their disclosure or release only as provided in this part.

(a) Duty of OPIC employees. (1) If you are an OPIC employee and you are served with a subpoena requiring you to appear as a witness or to produce records, you must promptly notify the Vice-President/General Counsel in the Department of Legal Affairs. The Vice-President/General Counsel has the authority to instruct OPIC employees to refuse to appear as a witness or to withhold nonpublic records. The Vice-President/General Counsel may let an OPIC employee provide testimony, including expert or opinion testimony, if the Vice-President/General Counsel determines that the need for the testimony clearly outweighs contrary considerations.

(2) If a court or other appropriate authority orders or demands from you expert or opinion testimony or testimony beyond authorized subjects contrary to the Vice-President/General Counsel’s instructions, you must immediately notify the Vice-President/General Counsel of the order and then respectfully decline to comply with the order. You must decline to answer questions on the grounds that this part forbids such disclosure. You should produce a copy of this part, request an opportunity to consult with the Vice-President/General Counsel, and explain that providing such testimony without approval may expose you to disciplinary or other adverse action.

(b) Duty of persons who are not OPIC employees. (1) If you are not an OPIC employee but have custody of nonpublic records, as defined at §713.10, and you are served with a subpoena requiring you to produce records or to testify as a witness, you must promptly notify OPIC of the subpoena. Also, you must notify the issuing court or authority and the person or entity for whom the subpoena was issued of the contents of this part. Provide notice to OPIC by sending a copy of the subpoena to the Vice-President/General Counsel, OPIC, 1100 New York Avenue, NW, Washington, DC 20527. After reviewing notice, OPIC may advise the issuing court or authority and the person or entity for whom the subpoena was issued that this part applies and, in addition, may intervene, attempt to have the subpoena quashed or withdrawn, or register appropriate objections.

(2) After you notify the Vice-President/General Counsel of the subpoena, respond to the subpoena by appearing at the time and place stated in the subpoena, unless otherwise directed by the Vice-President/General Counsel. Unless otherwise authorized by the Vice-President/General Counsel, decline to produce any records or give any testimony, basing your refusal on this part. If the issuing court or authority orders the disclosure of records or orders you to testify, decline to produce records or testify and advise the Vice-President/General Counsel.

(c) Penalties. Anyone who discloses nonpublic records or gives testimony related to those records, except as expressly authorized by OPIC or as ordered by a federal court after OPIC has had the opportunity to be heard, may face the penalties provided in 18 U.S.C. 641 and other applicable laws. Also, former OPIC employees, in addition to
§ 713.2 When does this part apply?

This part applies if you want to obtain nonpublic records or testimony of an OPIC employee for a legal proceeding. It does not apply to records that OPIC is required to release, or of which OPIC makes discretionary release, under the Freedom of Information Act (FOIA), records that OPIC releases to federal or state investigatory agencies, records that OPIC is required to release pursuant to the Privacy Act, 5 U.S.C. 552a, or records that OPIC releases under any other applicable authority.

§ 713.3 How do I request nonpublic records or testimony?

To request nonpublic records or the testimony of an OPIC employee, you must submit a written request to the Vice-President/General Counsel of OPIC. If you serve a subpoena on OPIC or an OPIC employee before submitting a written request and receiving a final determination, OPIC will oppose the subpoena on the grounds that you failed to follow the requirements of this part. You may serve a subpoena as long as it is accompanied by a written request that complies with this part.

§ 713.4 What must my written request contain?

Your written request for records or testimony must include:
(a) The caption of the legal proceeding, docket number, and name of the court or other authority involved.
(b) A copy of the complaint or equivalent document setting forth the assertions in the case and any other pleading or document necessary to show relevance.
(c) A list of categories of records sought, a detailed description of how the information sought is relevant to the issues in the legal proceeding, and a specific description of the substance of the testimony or records sought.
(d) A statement as to how the need for the information outweighs the need to maintain the confidentiality of the information and outweighs the burden on OPIC to produce the records or provide testimony.
(e) A statement indicating that the information sought is not available from another source, such as the requestor’s own books and records, other persons or entities, or the testimony of someone other than an OPIC employee, such as retained experts.
(f) A description of all prior decisions, orders, or pending motions in the case that bear upon the relevance of the records or testimony you want.
(g) The name, address, and telephone number of counsel to each party in the case.
(h) An estimate of the amount of time you anticipate that you and other parties will need with each OPIC employee for interviews, depositions, and/or testimony.

§ 713.5 When should I make my request?

Submit your request at least 45 days before the date you need the records or testimony. If you want your request processed in a shorter time, you must explain why you could not submit the request earlier and why you need such expedited processing. If you are requesting the testimony of an OPIC employee, OPIC expects you to anticipate your need for the testimony in sufficient time to obtain it by deposition. The Vice-President/General Counsel may well deny a request for testimony at a legal proceeding unless you explain why you could not have used deposition testimony instead. The Vice-President/General Counsel will determine the location of a deposition, taking into consideration OPIC’s interest in minimizing the disruption for an OPIC employee’s work schedule and the costs and convenience of other persons attending the deposition.

§ 713.6 Where should I send my request?

Send your request or subpoena for records or testimony to the attention of the Vice-President/General Counsel, OPIC, 1100 New York Avenue NW, Washington, DC 20527.
§ 713.7 What will OPIC do with my request?

(a) Factors OPIC will consider. OPIC may consider various factors in reviewing a request for nonpublic records or testimony of OPIC employees, including:

(1) Whether disclosure would assist or hinder OPIC in performing its statutory duties or use OPIC resources unreasonably, including whether responding to the request will interfere with OPIC employees' ability to do their work.

(2) Whether disclosure is necessary to prevent the perpetration of a fraud or other injustice in the matter.

(3) Whether you can get the records or testimony you want from sources other than OPIC.

(4) Whether the request is unduly burdensome.

(5) Whether disclosure would violate a statute, executive order, or regulation, such as the Privacy Act, 5 U.S.C. 552a.

(6) Whether disclosure would reveal confidential, sensitive or privileged information, trade secrets or similar, confidential commercial or financial information, or would otherwise be inappropriate for release and, if so, whether a confidentiality agreement or protective order as provided in § 713.9(a) can adequately limit the disclosure.

(7) Whether the disclosure would interfere with law enforcement proceedings, compromise constitutional rights, or hamper OPIC programs or other OPIC operations.

(8) Whether the disclosure could result in OPIC's appearing to favor one litigant over another.

(9) Any other factors OPIC determines to be relevant to the interests of OPIC.

(b) Review of your request. OPIC will process your request in the order it is received. OPIC will try to respond to your request within 45 days, but this may vary, depending on the scope of your request.

(c) Final determination. the Vice-President/General Counsel makes the final determination on requests for nonpublic records or OPIC employee testimony. All final determinations are in the sole discretion of the Vice-President/General Counsel. The Vice-President/General Counsel will notify you and the court or other authority of the final determination of your request. In considering your request, the Vice-President/General Counsel may contact you to inform you of the requirements of this part, ask that the request or subpoena be modified or withdrawn, or may try to resolve the request or subpoena informally without issuing a final determination.

§ 713.8 If my request is granted, what fees apply?

(a) Generally. You must pay any fees associated with complying with your request, including copying fees for records and witness fees for testimony. The Vice-President/General Counsel may condition the production of records or appearance for testimony upon advance payment of a reasonable estimate of the fees.

(b) Fees for records. You must pay all fees for searching, reviewing and duplicating records produced in response to your request. The fees will be the same as those charged by OPIC under its Freedom of Information Act regulations, 22 CFR Part 706, Subpart B, §706.26.

(c) Witness fees. Your must pay the fees, expenses, and allowances prescribed by the court's rules for attendance by a witness. If no such fees are prescribed, the local federal district court rule concerning witness fees, for the federal district court closest to where the witness appears, will apply. For testimony by current OPIC employees, you must pay witness fees, allowances, and expenses to the Vice-President/General Counsel by check made payable to the “Overseas Private Investment Corporation” within 30 days from receipt of OPIC’s billing statement. For the testimony of a former OPIC employee, you must pay witness fees, allowances, and expenses directly to the former employee, in accordance with 28 U.S.C. 1821 or other applicable statutes.

(d) Certification of records. OPIC may authenticate or certify records to facilitate their use as evidence. If you require authenticated records, you must request certified copies at least 45 days before the date they will be needed.
Overseas Private Investment Corporation § 713.10

Send your request to the Vice-President/General Counsel. OPIC will charge you a certification fee of $5.00 per document.

(e) Waiver of fees. A waiver or reduction of any fees in connection with the testimony, production, or certification or authentication of records may be granted in the discretion of the Vice-President/General Counsel. Waivers will not be granted routinely. If you request a waiver, your request for records or testimony must state the reasons why a waiver should be granted.

§ 713.9 If my request is granted, what restrictions may apply?

(a) Records. The Vice-President/General Counsel may impose conditions or restrictions on the release of nonpublic records, including a requirement that you obtain a protective order or execute a confidentiality agreement with the other parties in the legal proceeding that limits access to and any further disclosure of the nonpublic records. The terms of a confidentiality agreement or protective order must be acceptable to the Vice-President/General Counsel. In cases where protective orders or confidentiality agreements have already been executed, OPIC may condition the release of nonpublic records on an amendment to the existing protective order or confidentiality agreement.

(b) Testimony. The Vice-President/General Counsel may impose conditions or restrictions on the testimony of OPIC employees, including, for example, limiting the areas of testimony or requiring you and the other parties to the legal proceeding to agree that the transcript of the testimony will be kept under seal or will only be used or made available in the particular legal proceeding for which you requested the testimony. The Vice-President/General Counsel may also require you to provide a copy of the transcript of the testimony to OPIC at your expense.

§ 713.10 Definitions.

For purposes of this part:

Legal proceedings means any matter before any federal, state or foreign administrative or judicial authority, including courts, agencies, commissions, boards, grand juries, or other tribunals, involving such proceedings as lawsuits, licensing matters, hearings, trials, discovery, investigations, mediation or arbitration. When OPIC is a party to a legal proceeding, it will be subject to the applicable rules of civil procedure governing production of documents and witnesses; however testimony and/or production of documents by OPIC employees, as defined, will still be subject to this part.

Nonpublic records means any OPIC records which are exempt from disclosure by statute or under Part 706, OPIC's regulations implementing the provisions of the Freedom of Information Act. For example, this may include records created in connection with OPIC's receipt, evaluation and action on actual and proposed OPIC finance projects and insurance policies (whether such projects or policies were cancelled or not), including all reports, internal memoranda, opinions, interpretations, and correspondence, whether prepared by OPIC employees or by persons under contract, as well as confidential business information submitted by parties seeking to do business with OPIC. Whether OPIC has actually chosen in practice to apply any exemption to specific documents is irrelevant to the question of whether they are “nonpublic” for the purposes of this Part.

OPIC employee means current and former officials, members of the Board of Directors, officers, directors, employees and agents of the Overseas Private Investment Corporation, including contract employees, consultants and their employees. This definition does not include persons who are no longer employed by OPIC and are retained or hired as expert witnesses or agree to testify about general matters, matters available to the public, or matters with which they had no specific involvement or responsibility during their employment.

Subpoena means any order, subpoena for records or other tangible things or for testimony, summons, notice or legal process issued in a legal proceeding.

Testimony means any written or oral statements made by an individual in
connection with a legal proceeding, including personal appearances in court or at depositions, interviews in person or by telephone, responses to written interrogatories or other written statements such as reports, declarations, affidavits, or certifications or any response involving more than the delivery of records.

SOURCE: 50 FR 31354, Aug. 2, 1985, unless otherwise noted.

§ 903.1 Initiation of cases.

(a) Grievances submitted to the Board shall be in writing, and shall explain the nature of the grievance, and the remedy sought; shall contain all the documentation furnished to the Agency and the Agency’s final review; and shall be timely filed in accordance with applicable regulations.

(b) A member whose grievance is not resolved satisfactorily under Agency procedures, the representative of the grievant, or the exclusive representative (on behalf of a grievant who is a member of the bargaining unit), shall be entitled to file a grievance with the Board no later than 60 days after receiving the Agency decision. In the event that an Agency has not provided its decision within 90 days of filing
§ 903.2 Record of proceedings.

Upon receipt of initial documents relating to a case, a record of proceedings shall be established, and all material received or obtained by the Board in connection with the case shall be placed in it unless the Board excludes such material under §903.3. The parties and the exclusive representative, if any, shall have access to the record of proceedings. Classified portions of the record of proceedings may be reviewed by the parties and the exclusive representative, if any, under conditions prescribed by the Board to ensure appropriate security.

§ 903.3 Rulings on materials.

The Board may at any stage of the proceedings exclude materials from the record of proceedings at the request of a party or on its own initiative, on the grounds that such materials are irrelevant, immaterial or unduly repetitive.

§ 903.4 Participation of exclusive representative.

(a) Upon the initiation of a case, the executive secretary shall ascertain from the Agency, the grievant/charged employee and any labor organization which has been certified as the exclusive representative of employees of the Agency, whether the relevant position occupied by the grievant/charged employee is part of the bargaining unit for which the labor organization is the exclusive representative. If a substantial dispute exists as to whether that position is part of the bargaining unit, and if the Board determines that resolution of that dispute is necessary for determining the status of the labor organization in a case, the Board shall notify the parties and the labor organization, who may request the Foreign Service Labor Relations Board to make a final determination of that dispute. If the Foreign Service Labor Relations Board determines that the grievant or charged employee is a member of a bargaining unit represented by an exclusive representative, the executive secretary shall promptly send a copy of the papers filed with the Board to the exclusive representative.

(b) The exclusive representative has the right to intervene as a party to the case if such exclusive representative gives timely notice to the Board in writing of its decision to intervene as a party. Notice shall be considered to be timely if given prior to or at the pre-hearing conference, or, in a case to be decided under part 907 of this chapter, if given within 10 days of receipt of a notice from the Board of the Board’s intent to close the record of proceedings.

(c) An exclusive representative which has not intervened under paragraph (b) of this section may be permitted to intervene as a party upon written application. In ruling upon the application, the Board shall consider whether granting the application will unduly delay or prejudice the adjudication of the rights of the original parties, and may place conditions on the exclusive representative’s participation to avoid such delay or prejudice.

§ 903.5 Service of documents.

Any party submitting documents to the Board in connection with a case shall send a copy to the other parties and to the exclusive representative, if any. The Board shall send copies of its correspondence concerning the case to the parties and the exclusive representative, if any.

§ 903.6 Interrogatories.

Each party shall be entitled to serve interrogatories upon another party, and have such interrogatories answered by the other party unless the Board finds such interrogatories irrelevant,
immaterial, or unduly repetitive. Parties shall follow procedures established by the Board concerning the use of interrogatories.

§ 903.7 Acknowledgment.

Each case received shall be acknowledged in writing by the executive secretary of the Board. If in the judgment of the executive secretary additional documentation or information is needed, he or she may request such materials.

§ 903.8 Withdrawal.

A case may be withdrawn at any time by written notification to the Board from the party initiating the case. A case may be determined by the Board to have lapsed when the grievant fails to respond in writing to two successive written Board inquiries within any deadline fixed for such response. The Board may permit the reopening of lapsed cases upon a showing of good cause and may permit or request the views of the parties as to whether good cause has been shown.

§ 903.9 Access to records.

(a) If a party is denied access to any Agency record prior to or during the consideration of a case by the Agency, the party may protest such denial before the Board in connection with the case.

(b) In considering a case, the Board shall have access to any Agency record as follows:

(1) the Board shall request access to any Agency record which the grievant/charged employee requests to substantiate his or her grievance or defense to a charge if the Board determines that such record may be relevant and material to the case.

(2) the Board may request access to any other Agency record which the Board determines may be relevant and material to the case.

(c) An Agency shall make available to the Board any Agency record requested under paragraphs (b)(1) and (2) of this section unless the head or deputy head of such Agency personally certifies in writing to the Board that disclosure of the record to the Board and the parties would adversely affect the foreign policy or national security of the United States or that such disclosure is prohibited by law. If such a certification is made with respect to any record, the Agency shall supply to the Board a summary or extract of such record unless the reasons specified in the preceding sentence preclude such a summary or extract.

(d) In considering a case, the Board may take into account the fact that the parties or the Board were denied access to any Agency record which the Board determines is or may be relevant and material to the case.

(e) The parties in any case decided by the Board shall have access to the record of proceedings and the decision of the Board.

PART 904—JURISDICTION AND PRELIMINARY DETERMINATIONS

§ 904.1 General.

§ 904.2 Preliminary determinations.

§ 904.3 Relationship to other remedies.

§ 904.4 Suspension of agency actions.

§ 904.1 General.

The Board's jurisdiction extends to any grievance, and to any separation for cause proceeding initiated pursuant to section 610(a)(2) of the Act.

[50 FR 31355, Aug. 2, 1985]

§ 904.2 Preliminary determinations.

(a) If an Agency, in its final review, has questioned whether a complaint constitutes a grievance, the Board will make a preliminary determination of its jurisdiction unless the Board concludes that resolution of the question of jurisdiction should be deferred until the Board has compiled a record of proceedings or held a hearing on the merits of the case.

(b) The Board may also make a preliminary determination on any question raised by a Party concerning the timeliness of a grievance, the election of other remedies under § 904.3, or any other issue whose resolution might avoid the necessity of further proceedings.

(c) Before making a preliminary determination under this section, the Board shall obtain the views of the other parties and transmit those views to all parties.

(d) Where an issue presented for preliminary determination under this section is contested by a party or would result in the termination of a case, a panel of three members of the Board shall decide the issue.

§ 904.3 Relationship to other remedies.

(a) A grievant may not file a grievance with the Board if the grievant has formally requested, prior to filing a grievance, that the matter or matters which are the basis of the grievance be considered or resolved and relief provided under another provision of law, regulation, or executive order, and the matter has been carried to final decision under such provision on its merits or is still under consideration. This provision shall not apply to grievances who have filed a prohibited personnel practice charge before the Special Counsel for the Merit Systems Protection Board.

(b) If a grievant is not prohibited from filing a grievance under paragraph (a) of this section, the grievant may file with the Board a grievance which is also eligible for consideration, resolution, and relief as a prohibited personnel practice complaint under the provisions of law relating to the Merit Systems Protection Board or Special Counsel, or under a regulation or executive order. An election of remedies under this section shall be final upon the acceptance of jurisdiction by the Board.

[50 FR 31355, Aug. 2, 1985]

§ 904.4 Suspension of agency actions.

(a) If the Board determines that the agency is considering involuntary separation of the Grievant, disciplinary action against the Grievant, or recovery from the Grievant of alleged overpayment of salary, expenses, or allowances, which is related to a grievance pending before the Board, and that such action should be suspended, the agency shall suspend such action until the Board has ruled on the grievance. Notwithstanding such suspension of action, the head of the agency concerned or a chief of mission or principal officer may exclude the Grievant from official premises or from the performance of specified functions when such exclusion is determined in writing to be essential to the functioning of the post or office to which the Grievant is assigned.

(b) Notwithstanding paragraph (a) of this section, the Board shall not determine that action to suspend without pay a Grievant shall be suspended if the head of an agency or his designee has determined that there is reasonable cause to believe that a Grievant has committed a job-related crime for which a sentence of imprisonment may be imposed and has taken action to suspend the Grievant without pay pending a final resolution of the underlying matter. For this purpose, reasonable cause to believe that a member has committed a crime for which a sentence of imprisonment may be imposed shall be defined as a member of the Service having been convicted of, and sentence of imprisonment having been imposed for a job-related crime.
Foreign Service Grievance Board Regulations

§ 906.1 Decision whether to hold a hearing.

After deciding either to accept jurisdiction over a grievance or to postpone decision of that question under § 904.2(a) of this chapter, the Board will make an initial determination of whether a hearing shall be held in accordance with part 906 of this chapter,
or whether the grievance shall be resolved without a hearing in accordance with part 907 of this chapter. The Board may reconsider its decision as to holding a hearing upon the written request of any party or on its own initiative.

§ 906.2 Mandatory hearing.

The Board shall conduct a hearing—
(a) At the request of the grievant in any case which involves disciplinary action or a grievant’s retirement from the Service for expiration of time-in-class or based on relative performance, or (b) In any case which in the judgment of the Board can best be resolved by a hearing or presentation of oral argument. The Board shall also conduct a hearing in separation for cause proceedings unless the charged employee waives in writing his or her right to such hearing.

§ 906.3 Notification.

When the Board orders a hearing, the executive secretary shall so notify the parties in writing. The parties shall be given reasonable notice of the date and place selected by the Board for the hearing.

§ 906.4 Hearing panels and members.

Unless the Board and the parties agree otherwise, all hearings shall be held before a panel of at least three members.

§ 906.5 Prehearing conferences.

(a) The Board may in its discretion order a prehearing conference of the parties (which may be presided over by any member) for the purpose of considering:
(1) Simplification or clarification of the issues;
(2) Serving of interrogatories;
(3) Stipulations, admissions, agreements on documents, matters already on record, or similar agreements which will avoid the necessity of proving facts or issues not in dispute;
(4) Identification of witnesses the parties may wish to call and the intended scope of their testimony; limitation on the number of witnesses; and arrangement for the appearance of witnesses;
(5) Avoidance of irrelevant, immaterial, or unduly repetitive testimony;
(6) The possibility of disposition of the case through agreement;
(7) The order of presentation at the hearing and the allocation of the burden of proof; and
(8) Such other matters as may aid in the disposition of the case.
(b) The parties authorized to attend the hearing may attend the prehearing conference.
(c) The results of the conference shall be summarized in writing by the Board and made a part of the record of proceedings. Copies of the summary shall be sent to the parties. The parties may submit comments or corrections on the summary.

§ 906.6 Powers of presiding member.

In connection with the hearing, the presiding member shall, as appropriate:
(a) Fix the time and place of the hearing;
(b) Order further conferences;
(c) Regulate the course of the hearing;
(d) Administer oaths and affirmations;
(e) Dispose of procedural requests and similar matters;
(f) Rule on admissibility of testimony and exhibits;
(g) Exclude any person from the hearing for behavior that obstructs the hearing;
(h) Authorize and set the time for the filing of briefs or other documents;
(i) Grant continuances and extensions of time;
(j) Reopen the record;
(k) Take any other action in the course of the proceedings consistent with the purpose of this part.

§ 906.7 Conduct of hearing.

(a) Authorized attendance. The parties and, as determined by the Board, a reasonable number of representatives of the parties are entitled to be present at the hearing. The Board may, after considering the views of the parties and of any other individuals connected with the grievance, decide that a hearing should be open to others. No person shall be permitted to attend the hearing when classified material is being discussed unless that person possesses the appropriate security clearance.
(b) Procedure. Hearings shall be conducted by the presiding member so as to assure a full and fair proceeding. The Board shall not be limited by the legal rules of evidence. However, the presiding member shall exclude irrelevant, immaterial, or unduly repetitive evidence. The Board may require the parties to designate one of their representatives as principal spokesperson.

(c) Order of presentation. In cases involving disciplinary action, including separation for cause cases, the Agency will ordinarily present its case first and will retain that order of precedence throughout the hearing. In other cases the grievant will ordinarily present his or her case first and will retain that order of precedence throughout the hearing.

(d) Evidence. Subject to the presiding member's rulings on the relevancy, materiality, and repetitious nature of evidence, the parties may offer such evidence, including interrogatories, depositions and Agency records as they desire. The shall produce such additional evidence as the presiding member shall consider relevant and material. Where deemed appropriate by the Board, the parties may be supplied only with a summary or extract of classified material (also see §903.9 of this chapter).

(e) Testimony. Testimony at a hearing shall be given under oath or affirmation.

(f) Transcript. A verbatim transcript shall be made of any hearing and shall be part of the record of proceedings.

§ 906.8 Witnesses.

(a) General. Each party shall be entitled to examine and cross-examine witnesses at the hearing or by deposition. A party wishing to take the deposition of a witness shall give the other parties reasonable notice of the time and place of the deposition and of the identity of the witness.

(b) Availability. Upon request of the Board or upon request of the grievant/charged employee deemed relevant and material by the Board, an Agency shall promptly make available at the hearing or by deposition any witness under its control, supervision or responsibility. If the Board determines that the actual presence of such witness at the hearing is required for just resolution of the case, the witness shall be made available at the hearing, with necessary costs and travel expenses paid by the Agency which is a party to the hearing.

(c) Notice. The parties are responsible for notifying their witnesses and for arranging for their appearance at the time and place set for the hearing. The Board may preclude a witness from testifying because of the failure of the party responsible for witness' appearance to comply with this section.

§ 906.9 Failure of party to appear.

The hearing may proceed in the absence of any party who, after due notice and without good cause, fails to be present or obtain an adjournment.

PART 907—PROCEDURE WHEN HEARING IS NOT HELD

§ 907.1 General.

(a) In a case in which a hearing is not required under §906.1 of this chapter, the Board may request in writing that specified documents or other evidence be furnished to it and/or may authorize the executive secretary to obtain such additional documents or other evidence as may be necessary to understand and decide the case.

(b) Each party will be offered the opportunity to review and to supplement, by written submissions, the record of proceedings, prior to the date fixed by the Board for closing of the Record. The Board shall then consider the case and make a decision based on that Record. This may include the ordering of a hearing in accordance with part 906.

[50 FR 31357, Aug. 2, 1985]

PART 908—REMEDIES

Sec.
908.1 Board orders.
908.2 Attorney fees.
908.3 Board recommendations.

§ 908.1 Board orders.

If the Board finds that a grievance is meritorious, the Board shall have the authority to direct the Agency:

(a) To correct any official personnel record relating to the grievant which the Board finds to be inaccurate or erroneous, to have an omission, or to contain information of a falsely prejudicial character;

(b) To reverse a decision denying the grievant compensation or any other perquisite of employment authorized by laws or regulations when the Board finds that such decision was arbitrary, capricious, or contrary to laws or regulations;

(c) To retain in the Service a member whose separation would be in consequence of the matter by which the member is aggrieved;

(d) To reinstate the grievant, and to grant the grievant back pay, where it is established that the separation or suspension without pay of the employee was unjustified or unwarranted under the Back Pay Act (5 U.S.C. 5596(b)(1));

(e) To take any corrective action deemed appropriate by the Board provided it is not contrary to law or collective bargaining agreement.

§ 908.2 Attorney fees.

(a) If the Board finds that a grievance is meritorious or that an Agency has not established the cause for separation of a charged employee in a hearing before the Board pursuant to section 610 of the Act, the Board shall have the authority to direct the Agency to pay reasonable attorney fees to the same extent and in the same manner as such fees may be required by the Merit Systems Protection Board under 5 U.S.C. 7701(g).

(b) Requests for attorney fees, accompanied by supporting documentation, must be filed with the Board within thirty (30) days of the date of the Board’s decision.

[56 FR 55459, Oct. 28, 1991]

§ 908.3 Board recommendations.

(a) If the Board finds that the grievance is meritorious and that remedial action should be taken that relates directly to promotion, tenure, or assignment of the Grievant or to other remedial action not otherwise provided for in this section, or if the Board finds that the evidence in a grievance proceeding warrants disciplinary action against any employee of an Agency, it shall make an appropriate recommendation to the head of the concerned Agency.

(b) The head of the Agency shall make a written decision on the recommendation of the Board within 30 days after receiving the recommendation and shall implement the recommendation of the Board except to the extent that the head of the Agency rejects the recommendation in whole or in part on the basis of a determination that implementation of the recommendation would be contrary to law or would adversely affect the foreign policy or national security of the United States. If the head of the Agency rejects the recommendation in whole or in part, the decision shall specify the reasons for such action. Copies of the decision shall be served on the other parties. Pending the decision of the head of the Agency, there shall be no ex parte communication concerning the grievance between the head of the Agency and any person involved in the proceedings of the Board. The head of the Agency shall, however, have access to the entire Record of the Proceedings of the Board.

(c) A recommendation under this section shall, for the purposes of section 1110 of the Act, be considered a final action upon the expiration of a 30-day period referred to in paragraph (b) of this section, except to the extent that it is rejected by the head of the Agency by an appropriate written decision.

(d)(1) If the head of the Agency makes a written decision under paragraph (b) of this section rejecting a recommendation in whole or in part on the basis of a determination that implementing such recommendation would be contrary to law, the head of the Agency shall, within the 30-day period referred to in paragraph (b) of this section:

(1) Submit a copy of such decision to the Board; and
(ii) Request that the Board reconsider its recommendation or, if less than the entirety is rejected, that the Board reconsider the portion rejected.

(2) Within 30 days after receiving such a request, the Board shall, after reviewing the head of the Agency’s decision, make a recommendation to the head of the agency confirming, modifying, or vacating its original recommendation or, if less than the entirety was rejected, the portion involved. Reconsideration shall be limited to the question of whether implementing the Board’s original recommendation, either in whole or in part, as applicable, would be contrary to law.

(c) A Board recommendation made under the preceding paragraph (d)(2) of this section shall be considered a final action for the purpose of section 1110 of the Act, and shall be implemented by the head of the Agency.

(f) The provisions of paragraphs (c), (d), and (e) of this section shall not apply with respect to any grievance in which the Board has issued a final decision pursuant to section 1107 of the Act before December 22, 1987.

§ 909.1 Basis.

Decisions of the Board shall be based upon the record of proceedings, shall be in writing, shall include findings of fact, and shall include a statement of the reasons for the decision.

As used in this part, the following
words have the meaning set forth below:

Act. “Act” means the Act of June 5,
1967, sometimes referred to as the
“Freedom of Information Act” or the

dence of the organization, functions,

Except as otherwise specifically provided by the Foundation, a fee will be levied for all searches for, or copies of, records. These fees will be computed so as to recover the full cost of searching and copying.

(a) Advance payment and deposits. When the amount of a fee can be readily computed (as, for example, when a specified number of copy pages are requested) advance payment will be required. When the amount cannot be readily computed (as, for example, when an unknown amount of staff time must be used in complying with a request), the A&F Director may require payment of a reasonable deposit before undertaking to collect the requested records. At the earliest practicable time, the A&F Director will determine the full amount of the fee and, before complying fully with the request, will require payment of any balance due or refund any overpayment.

PART 1004—RULES FOR IMPLEMENTING OPEN MEETINGS WITHIN THE INTER-AMERICAN FOUNDATION

§ 1004.1 General policies.

The Inter-American Foundation will provide the public with the fullest practical information regarding its decisionmaking processes while protecting the rights of individuals and its abilities to carry out its responsibilities.

§ 1004.2 Definitions.

The following definitions apply:
(a) The term agency includes any executive department, military department, government corporation, government controlled corporation or other establishment in the executive branch of the government (including the Executive Office of the President) or any independent regulatory agency, and is headed by a collegial body composed of two or more individual members, a majority of whom are appointed to such position by the President with the advice and consent of the Senate, and any subdivision thereof authorized to act on behalf of the agency. The Inter-American Foundation is a government corporation headed by a 7-member Board of Directors, all of whom are appointed by the President with the advice and consent of the Senate, and is therefore an “agency” under these terms.
(b) The term meeting means the deliberation of this Board of Directors where such deliberations determine or result in the joint conduct or disposition of official IAF business.
(c) The term member means an individual who belongs to the IAF Board of Directors.
(d) Public Observation means attendance at any meeting but does not include participation, or attempted participation, in such meeting in any matter.

§ 1004.3 Requirement of open meetings.

Members shall not jointly conduct or dispose of agency business other than in accordance with this section. Except as provided in §1004.4 every portion of every meeting of the agency shall be open to public observation.

§ 1004.4 Grounds on which meetings may be closed.

The IAF shall open every portion of every meeting of the agency for public observation except where the agency determines that such portion or portions of its meeting or the disclosure of such information is likely to:
(a) Disclose matters that are:
(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy and
(2) In fact properly classified pursuant to such Executive order;
(b) Relate solely to the internal personnel rules and practice of the agency;
§ 1004.5

(c) Disclose matters specifically exempted from disclosure by statute, provided that such statute:
   (1) Requires that the matters be withheld from the public in such manner as to leave no discretion on the issue, or
   (2) Established practical criteria for withholding or refers to particular types of matters to be withheld;

(d) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(e) Involve accusing any person of a crime, or formally censuring any person;

(f) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(g) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would:
   (1) Interfere with enforcement proceedings,
   (2) Deprive a person of a right to a fair trial of an impartial adjudication,
   (3) Constitute an unwarranted invasion of personal privacy,
   (4) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential source,
   (5) Disclose investigative techniques and procedures, or
   (6) Endanger the life or physical safety of law enforcement personnel;

(h) Disclose information the premature disclosure of which would be likely to significantly guarantee implementation of a proposed agency action. This shall not apply in any instance where the IAF has already disclosed to the public the content or nature of its proposed action or where the IAF is required by law to make such disclosure on its own initiative prior to taking final IAF action on such proposal;

(i) Specifically concern the IAF’s issuance of a subpoena, or the IAF’s participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the IAF of a particular case of formal agency adjudication pursuant to the procedures in section 554, of this title or otherwise involving a determination on the record after opportunity for a hearing.

§ 1004.5 Procedures for announcing meetings.

(a) In the case of each meeting, the IAF shall make public, at least one week before the meeting, of the time, place and subject matter of the meeting, whether it is to be open or closed to the public, and the name and phone number of the official designated by the IAF to respond to requests for information about the meeting. Such announcement shall be made unless a majority of the Board of Directors of the IAF determines by a recorded vote that the IAF requires that such a meeting be called at an earlier date, in which case the IAF shall make public announcement of the time, place and subject matter of such meeting and whether open or closed to the public, at the earliest practical time.

(b) Immediately following the public announcement, the IAF will publish it in the FEDERAL REGISTER.

(c) The Foundation shall also make public the announcement in publications whose readers may have an interest in IAF operations.

(d) At least seven days before the meeting, the IAF shall send the announcements to those on a mailing list maintained for those desiring to receive such notices.

§ 1004.6 Procedures for closing meetings.

(a) The closing of a meeting shall occur only when:
   (1) A majority of the membership of the IAF Board votes to take such action. That vote shall determine whether or not any portion or portions of a meeting or portions of a series of meetings may be closed to public observation for any of the reasons provided in §1004.4 and whether or not the public interest nevertheless requires that portion of the meeting or meetings remain
open. A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in such series. The vote of each Board member participating in such vote shall be recorded and no proxies shall be allowed.

(2) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the IAF close such portion to the public for any of the reasons referred to in § 1004.4 (e), (f) or (g), the IAF, upon request of any one of its Board members, shall take a recorded vote, whether to close such portion of the meeting.

(b) Within one day of any vote taken, the IAF shall make publicly available a written copy of such vote reflecting the vote of each member on the question and full written explanation of its action closing the entire or portion of the meeting together with a list of persons expected to attend the meeting and their affiliation.

(c) The IAF shall announce the time, place and subject matter of the meeting at least 8 days before the meeting.

(d) For every closed meeting, the General Counsel of the IAF shall publicly certify prior to a Board of Directors’ vote on closing the meeting, that, in his or her opinion, the meeting may be closed to the public and shall state each relevant exemptive provision. A copy of such certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting, and the persons present, shall be retained by the IAF.

§ 1004.7 Reconsideration of opening or closing a meeting.

The time or place of a Board meeting may be changed following the public announcement only if a majority of the Board of Directors determines by a recorded vote that IAF business so requires and that no earlier announcement of the change was possible, and the IAF publicly announces such change and the vote of each member upon such change at the earliest practicable time.

§ 1004.8 Transcripts, recording of closed meetings.

(a) The IAF shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting, or portion of a meeting, closed to the public.

(b) The IAF, after review by the General Counsel shall make promptly available to the public in a place easily accessible to the public, the transcript or electronic recording of the discussion of any time on the agenda, or any item of the testimony of any witness received at the Board meeting, except for such item or items of such discussion or testimony as the IAF determines to contain information which may be withheld under § 1004.4. Copies of such transcript, or a transcription of such recording disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription. The IAF shall maintain a complete verbatim copy of the transcript or a complete electronic recording of each meeting, or portion of a meeting, closed to the public, for a period of at least two years after such meeting, or until one year after the conclusion of any IAF proceeding with respect to which the meeting or portion was held, whichever occurs later.

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of possibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. §§ 1005.131—1005.139 [Reserved]

§ 1005.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1005.141—1005.148 [Reserved]

§ 1005.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1005.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1005.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1005.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §1005.150(a) in historic preservation
§ 1005.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 1005.152—1005.159 [Reserved]

§ 1005.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems for deaf persons shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can
demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1005.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 1005.161—1005.169 [Reserved]

§ 1005.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The General Counsel, Inter-American Foundation, shall be responsible for coordinating implementation of this section. Complaints may be sent to General Counsel, Inter-American Foundation, 1515 Wilson Boulevard, Rosslyn, Virginia 22209.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1005.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making
the final determination may not be delegated to another agency.

Subpart A—General

§ 1006.100 Purpose.

(a) Executive Order (E.O.) 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for nonprocurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one agency shall have governmentwide effect.

(b) These regulations implement section 3 of E.O. 12549 and the guidelines
promulgated by the Office of Management and Budget under section 6 of the E.O. by:

(1) Prescribing the programs and activities that are covered by the governmentwide system;

(2) Prescribing the governmentwide criteria and governmentwide minimum due process procedures that each agency shall use;

(3) Providing for the listing of debarred and suspended participants, participants declared ineligible (see definition of "ineligible" in §1006.105), and participants who have voluntarily excluded themselves from participation in covered transactions;

(4) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion; and

(5) Offering such other guidance as necessary for the effective implementation and administration of the governmentwide system.

§ 1006.110 Coverage.

(a) These regulations apply to all persons who have participated, are currently participating or may reasonably be expected to participate in transactions under Federal nonprocurement programs. For purposes of these regulations such transactions will be referred to as “covered transactions.”

(1) Covered transaction. For purposes of these regulations, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

(i) Primary covered transaction. Except as noted in paragraph (a)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: Grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation agreements and any other nonprocurement transactions between a Federal agency and a person. Primary covered transactions also include those transactions specially designated by the U.S. Department of Housing and Urban Development in such agency’s regulations governing debarment and suspension.

(ii) Lower tier covered transaction. A lower tier covered transaction is:

(A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction.

(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $25,000) under a primary covered transaction.

(C) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person will have a critical influence on or substantive control over that covered transaction. Such persons are:

(1) Principal investigators.

(2) Providers of federally-required audit services.

(2) Exceptions. The following transactions are not covered:

(i) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of these regulations would be prohibited by law.

(b) Relationship to other sections. This section describes the types of transactions to which a debarment or suspension under the regulations will apply. Subpart B, “Effect of Action,” § 1006.200, “Debarment or suspension,” sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in § 1006.110(a). Sections 1006.325, “Scope of debarment,” and 1006.420, “Scope of suspension,” govern
the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) Relationship to Federal procurement activities. In accordance with E.O. 12689 and section 2455 of Public Law 103–355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for Executive Branch agencies and participants as an exclusion under this regulation. Similarly, any debarment, suspension or other governmentwide exclusion initiated under this regulation on or after August 25, 1995 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.

§ 1006.115 Policy.

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment and suspension are discretionary actions that, taken in accordance with Executive Order 12549 and these regulations, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government’s protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in these regulations.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

§ 1006.200 Debarment or suspension.

(a) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to §1006.215.

(b) Lower tier covered transactions. Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see §1006.110(a)(1)(ii)) for the period of their exclusion.

(c) Exceptions. Debarment or suspension does not affect a person’s eligibility for—

1. Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

2. Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

3. Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

4. Federal employment;

5. Transactions pursuant to national or agency-recognized emergencies or disasters;

6. Incidental benefits derived from ordinary governmental operations; and

§ 1006.215 Exception provision.

Inter-American Foundation may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and §1006.200. However, in accordance with the President’s stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with §1006.505(a).

§ 1006.220 Continuation of covered transactions.

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in §1006.215.

(1) Debarred or suspended;

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction (See appendix B of these regulations), unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.

§ 1006.310 Procedures.

Inter-American Foundation shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§1006.311 through 1006.314.

§ 1006.311 Investigation and referral.

Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

§ 1006.312 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

(a) That debarment is being considered;

(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;

(c) Of the cause(s) relied upon under §1006.305 for proposing debarment;

(a) Submission in opposition. Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) Additional proceedings as to disputed material facts. (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 1006.314 Debarring official’s decision.

(a) No additional proceedings necessary. In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

(b) Additional proceedings necessary. (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(3) The debarring official’s decision shall be made after the conclusion of the proceedings with respect to disputed facts.

(c) (1) Standard of proof. In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.

(2) Burden of proof. The burden of proof is on the agency proposing debarment.

(d) Notice of debarring official’s decision. (1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:

(ii) Specifying the reasons for debarment;

(2) If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice to a subsequent imposition of debarment by any other agency.

§ 1006.315 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, Inter-American Foundation may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion
§ 1006.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period. 

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see §1006.305(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest.

However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§1006.311 through 1006.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:

(1) Newly discovered material evidence;

(2) Reversal of the conviction or civil judgment upon which the debarment was based;

(3) Bona fide change in ownership or management;

(4) Elimination or other causes for which the debarment was imposed; or

(5) Other reasons the debarring official deems appropriate.

§ 1006.325 Scope of debarment.

(a) Scope in general. (1) Debarment of a person under these regulations constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§1006.311 through 1006.314).

(b) Imputing conduct. For purposes of determining the scope of debarment, conduct may be imputed as follows:

(1) Conduct imputed to participant. The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual’s performance of duties for or on behalf of the participant, or with the participant’s knowledge, approval, or acquiescence. The participant’s acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(2) Conduct imputed to individuals associated with participant. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant’s conduct.

(3) Conduct of one participant imputed to other participants in a joint venture. The fraudulent, criminal, or other seriously improper conduct of one participant in a joint venture, grant pursuant to a joint application, or similar arrangement or with the knowledge, approval, or acquiescence of these participants. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

Subpart D—Suspension

§ 1006.400 General.

(a) The suspending official may suspend a person from any of the causes in § 1006.405 using procedures established in §§ 1006.410 through 1006.413.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in § 1006.405, and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 1006.405 Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§ 1006.400 through 1006.413 upon adequate evidence:

(1) To suspect the commission of an offense listed in § 1006.305(a); or

(2) That a cause for debarment under § 1006.305 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 1006.410 Procedures.

(a) Investigation and referral. Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) Decisionmaking process. Inter-American Foundation shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in § 1006.411 through § 1006.413.

§ 1006.411 Notice of suspension.

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;

(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government’s evidence;

(d) Of the cause(s) relied upon under § 1006.405 for imposing suspension;

(e) That the suspension is for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings;

(f) Of the provisions of § 1006.411 through § 1006.413 and any other Inter-American Foundation procedures, if applicable, governing suspension decisionmaking; and

(g) Of the effect of the suspension.

§ 1006.412 Opportunity to contest suspension.

(a) Submission in opposition. Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) Additional proceedings as to disputed material facts. (1) If the suspending official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents, unless:

(i) The action is based on an indictment, conviction or civil judgment, or

(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.
§ 1006.413 Suspending official's decision.

The suspending official may modify or terminate the suspension (for example, see §1006.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) No additional proceedings necessary. In actions: based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) Additional proceedings necessary.
(1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.
(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(c) Notice of suspending official’s decision. Prompt written notice of the suspending official’s decision shall be sent to the respondent.

§ 1006.415 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuring legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

§ 1006.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see §1006.325), except that the procedures of §§1006.410 through 1006.413 shall be used in imposing a suspension.
when more than one name is involved in a single action;
(2) The type of action;
(3) The cause for the action;
(4) The scope of the action;
(5) Any termination date for each listing; and
(6) The agency and name and telephone number of the agency point of contact for the action.

§ 1006.505 Inter-American Foundation responsibilities.
(a) The agency shall provide GSA with current information concerning debarments, suspensions, determinations of ineligibility, and voluntary exclusions it has taken. Until February 18, 1989, the agency shall also provide GSA and OMB with information concerning all transactions in which Inter-American Foundation has granted exceptions under §1006.215 permitting participation by debarred, suspended, or voluntarily excluded persons.
(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in §1006.500(b) and of the exceptions granted under §1006.215 within five working days after taking such actions.
(c) The agency shall direct inquiries concerning listed persons to the agency that took the action.
(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded (Tel. #).
(e) Agency officials shall check the Nonprocurement List before approving principals or lower tier participants where agency approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

§ 1006.510 Participants’ responsibilities.
(a) Certification by participants in primary covered transactions. Each participant shall submit the certification in appendix A to this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals (Tel. #). Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.
(b) Certification by participants in lower tier covered transactions. (1) Each participant shall require participants in lower tier covered transactions to include the certification in appendix B to this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.
(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction by any Federal agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Nonprocurement List for its principals and for participants (Tel. #).
(c) Changed circumstances regarding certification. A participant shall provide immediate written notice to Inter-American Foundation if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposal.
§ 1006.600 Purpose.

(a) The purpose of this subpart is to carry out the Drug-Free Workplace Act of 1988 by requiring that—

(1) A grantee, other than an individual, shall certify to the agency that it will provide a drug-free workplace;

(2) A grantee who is an individual shall certify to the agency that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance in conducting any activity with the grant.

(b) Requirements implementing the Drug-Free Workplace Act of 1988 for contractors with the agency are found at 48 CFR subparts 9.4, 23.5, and 52.2.

(6) Federal agency or agency means any United States executive department, military department, government corporation, government controlled corporation, any other establishment in the executive branch (including the Executive Office of the President), or any independent regulatory agency;

The term grant includes block grant and entitlement grant programs, whether or not exempted from coverage under the grants management government-wide common rule on uniform administrative requirements for grants and cooperative agreements. The term does not include technical assistance that provides services instead of money, or other assistance in the form of loans, loan guarantees, interest subsidies, insurance, or direct appropriations; or any veterans’ benefits to individuals, i.e., any benefit to veterans, their families, or survivors by virtue of the service of a veteran in the Armed Forces of the United States;

(a)(1) As a prior condition of being awarded a grant, each grantee shall make the appropriate certification to the Federal agency providing the grant, as provided in appendix C to this part.

(2) Grantees are not required to make a certification in order to continue receiving funds under a grant awarded before March 18, 1989, or under a no-

(c) A grantee that is a State may elect to make one certification in each Federal fiscal year. States that previously submitted an annual certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. Except as provided in paragraph (d) of this section, this certification shall cover all grants to all State agencies from any Federal agency. The State shall retain the original of this statewide certification in its Governor's office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency has designated a central location for submission.

(d)(1) The Governor of a State may exclude certain State agencies from the statewide certification and authorize these agencies to submit their own certifications to Federal agencies. The statewide certification shall name any State agencies so excluded.

(e)(1) For a grant of less than 30 days performance duration, grantees shall have this policy statement and program in place as soon as possible, but in any case by a date prior to the date on which performance is expected to be completed.

(2) For a grant of 30 days or more performance duration, grantees shall have this policy statement and program in place within 30 days after award.

(3) Where extraordinary circumstances warrant for a specific grant, the grant officer may determine a different date on which the policy statement and program shall be in place.

APPENDIX A TO PART 1006—CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS—PRIMARY COVERED TRANSACTIONS

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency’s determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction,” provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
APPENDIX B TO PART 1006—CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION—LOWER TIER COVERED TRANSACTIONS

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded
from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

**Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion—Lower Tier Covered Transactions**

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

*APPENDIX C TO PART 1006—CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS*

**Instructions for Certification**

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules:

   - **Controlled substance** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);
   - **Conviction** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;
   - **Criminal drug statute** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;
   - **Employee** means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All **direct charge employees**; (ii) All **indirect charge employees** unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee’s payroll; or employees of subcontractors or subgrantees in covered workplaces).

*Certification Regarding Drug-Free Workplace Requirements*

**Alternate I. (Grantees Other Than Individuals)**

A. The grantee certifies that it will or will continue to provide a drug-free workplace by:

   (1) The dangers of drug abuse in the workplace.

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted—

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

Salary offset means an administrative offset to collect a debt pursuant to 5 U.S.C. 5514 by deduction(s) at one or more officially established pay intervals from the current pay account of an employee without his/her consent.

§ 1007.3 Applicability.
(a) These regulations are to be followed when:
(1) The Inter-American Foundation is owed a debt by an individual currently employed by another federal agency;
(2) The Inter-American Foundation is owed a debt by an individual who is a current employee of the Inter-American Foundation; or
(3) The Inter-American Foundation employs an individual who owes a debt to another federal agency.

§ 1007.4 Notice requirements.
(a) Deductions shall not be made unless the employee is provided with
§ 1007.5 Hearing.

(a) Request for hearing. (1) An employee must file a petition for a hearing in accordance with the instructions outlined in the agency’s notice to offset.

(2) A hearing may be requested by filing a written petition addressed to the President of the Inter-American Foundation stating why the employee disputes the existence or amount of the debt. The petition for a hearing must be received by the President no later than fifteen (15) calendar days after the date of the notice to offset unless the employee can show good cause for failing to meet the deadline date.

(b) Hearing procedures. (1) The hearing will be presided over by an impartial hearing official.

(a) The Inter-American Foundation as the creditor agency. (1) When the President determines that an employee of another federal agency owes a delinquent debt to the Inter-American Foundation, the President shall as appropriate:

(i) Arrange for a hearing upon the proper petitioning by the employee;

(ii) Certify to the paying agency in writing that the employee owes the debt, the amount and basis of the debt, the date on which payment is due, the date the Government’s right to collect the debt accrued, and that Foundation regulations for salary offset have been
approved by the Office of Personnel Management;

(iii) If collection must be made in installments, the President must advise the paying agency of the amount or percentage of disposable pay to be collected in each installment;

(iv) Advise the paying agency of the actions taken under 5 U.S.C. 5514(b) and provide the dates on which action was taken unless the employee has consented to salary offset in writing or signed a statement acknowledging receipt of procedures required by law. The written consent or acknowledgment must be sent to the paying agency;

(v) If the employee is in the process of separating, the Foundation must submit its debt claim to the paying agency as provided in this part. The paying agency must certify any amounts already collected, notify the employee, and send a copy of the certification and notice of the employee's separation to the Inter-American Foundation. If the paying agency is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund or similar funds, it must certify to the agency responsible for making such payments the amount of the debt and that the provisions of 5 CFR 550.1108 have been followed; and

(vi) If the employee has already separated and all the payments due from the paying agency have been paid, the President may request unless otherwise prohibited, that money payable to the employee from the Civil Service Retirement and Disability Fund or other similar funds be collected by administrative offset.

(b) The Foundation as the paying agency. (1) Upon receipt of a properly certified debt claim from another agency, deductions will be scheduled to begin at the next established pay interval. The employee must receive written notice that the Inter-American Foundation has received a certified debt claim from the creditor agency, the amount of the debt, the date salary offset will begin, and the amount of the deduction(s). The Inter-American Foundation shall not review the merits of the creditor agency's determination of the

validity or the amount of the certified claim.

(2) If the employee transfers to another agency after the creditor agency has submitted its debt claim to the Inter-American Foundation and before the debt is collected completely, the Inter-American Foundation must certify the total amount collected. One copy of the certification must be furnished to the employee. A copy must be furnished to the creditor agency with notice of the employee's transfer.

§ 1007.8 Procedures for salary offset.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the President's notice of intention to offset as provided in §1007.4. Debts will be collected in one lump sum where possible. If the employee is financially unable to pay in one lump sum, collection must be made in installments.

(b) Debts will be collected by deduction at officially established pay intervals from an employee's current pay account unless alternative arrangements for repayment are made.

(c) Installment deductions will be made over a period not greater than the anticipated period of employment. The size of installment deductions must bear a reasonable relationship to the size of the debt and the employee's ability to pay. The deduction for the pay interval for any period must not exceed 15% of disposable pay unless the employee has agreed in writing to a deduction of a greater amount.

(d) Unliquidated debts may be offset against any financial payment due to a separated employee including but not limited to final salary or leave payments in accordance with 31 U.S.C. 3716.

§ 1007.9 Refunds.

(a) The Inter-American Foundation will refund promptly any amounts deducted to satisfy debts owed to the IAF when the debt is waived, found not owed to the IAF, or when directed by an administrative or judicial order.

(b) The creditor agency will promptly return any amounts deducted by IAF to satisfy debts owed to the creditor agency when the debt is waived, found
§ 1007.10 Statute of limitations.

If a debt has been outstanding for more than 10 years after the agency’s right to collect the debt first accrued, the agency may not collect by salary offset unless facts material to the Government’s right to collect were not known and could not reasonably have been known by the official or officials who were charged with the responsibility for discovery and collection of such debts.

§ 1007.11 Non-waiver of rights.

An employee’s involuntary payment of all or any part of a debt collected under these regulations will not be construed as a waiver of any rights that employee may have under 5 U.S.C. 5514 or any other provision of contract or law unless there are statutes or contract(s) to the contrary.

§ 1007.12 Interest, penalties, and administrative costs.

Charges may be assessed for interest, penalties, and administrative costs in accordance with the Federal Claims Collection Standards, 4 CFR 102.13.

APPENDIX A—EXECUTIVE ORDER

APPENDIX B—HOUSE CONCURRENT RESOLUTION 175, 85TH CONGRESS 2D SESSION

APPENDIX C—DIGEST OF CONFLICT OF INTEREST LAWS

APPENDIX D—ETHICAL STANDARDS OF CONDUCT

AUTHORITY: Federal Personnel Manual, Chapter 735 paragraph 1-5c.

SOURCE: 40 FR 32116, July 31, 1975, unless otherwise noted.

Subpart A—General

§ 1100.1 Reference.

(a) Executive Order 11222.2

(b) Federal Personnel Manual, Chapter 735, Employee Responsibilities and Conduct.

§ 1100.2 Purpose.

The maintenance of unusually high standards of honesty, integrity, and conduct by employees and special Government employees is essential to assure the proper performance of the Section’s business and the maintenance of confidence by citizens in their Government. The avoidance of misconduct and conflicts of interest on the part of employees and special Government employees through informed judgement is indispensable to the maintenance of these standards. To accord with these concepts, the order sets forth the Section’s regulations prescribing standards of conduct and responsibilities and governing statements of employment and financial interests for employees and special Government employees.

§ 1100.3 Definitions.

In this order, the following terms mean:

(a) Employee. An officer and an employee of the United States Section of the International Boundary and Water Commission, United States and Mexico, but does not include a special Government employee.

(b) Person. An individual, a corporation, a company, an association, a firm, a partnership, a society, a joint stock company, or any other organization or institution.

(c) Section. United States Section of the International Boundary and Water Commission, United States and Mexico.

(d) Special government employee. A special Government employee as defined by section 202 of title 18 of the United States Code who is employed by the Section.

1Appendices A through D filed as part of the original document.

§ 1100.4 Remedial action. An action taken against an employee or special Government employee as a result of a violation of this Order. Remedial action may include, but is not limited to:

(1) Changes in assigned duties;
(2) Divestment by the employee or special Government employees of conflicting interests;
(3) Disciplinary action which may be in addition to any penalty prescribed by law; or
(4) Disqualification for a particular assignment.

Remedial action, whether disciplinary or otherwise, shall be effected in accordance with any applicable laws, executive orders, and governing regulations.

§ 1100.4 Policy.

(a) In Executive Order 11222 prescribing standards of ethical conduct for Government officers and employees, the President asserted the following policy: Where Government is based on the consent of the governed, every citizen is entitled to complete confidence in the integrity of his government. Each individual officer, employee, or advisor of government must help to earn and must honor that trust by his own integrity and conduct in all official actions.

(b) This order sets forth the rules and regulations adopted by the Section in response to Executive Order 11222 and implements chapter 735 of the Federal Personnel Manual. It is the obligation of every employee to be thoroughly familiar with the requirements herein and it is further the responsibility of each supervisor to assure complete understanding by employees in his organization.

(c) Any information which indicates that an employee may have violated the provisions of this Order should be forwarded through channels by the employee's supervisors. It should be sent to the supervisory official who, under current instructions, is authorized to take appropriate remedial or disciplinary action. Such action should be taken at the lowest practicable supervisory level in order that if necessary, reviews may be made at a higher level of supervision. The official to whom information is addressed will make a thorough investigation of the matter and take appropriate action. The Personnel Director, or designated representative, will be consulted to insure that proposed actions are proper and in accordance with applicable laws, Civil Service Commission regulations, and Section requirements. When official information is involved, the official investigating the matter will insure that such information is protected in accordance with applicable regulations.

(d) Additionally, if the complaint or information alleges the acceptance of gifts or favors, or the use of official position for personal advantage, notice of the complaint or information shall be furnished immediately to the Commissioner. Cases arising in the field shall be routed through the Executive Officer.

(e) If the complaint or information originates within the Section, necessary investigation and/or remedial action shall be initiated concurrently with the submission of notice to the Commissioner. Letters or complaints from outside the Section will accompany the notice to the Commissioner, who will determine and direct the action to be taken on them.

§ 1100.5 Information to employees.

(a) Initial information. At the time they are published or revised, each employee will be furnished a copy of the Section's regulations governing employee responsibilities and conduct. Further, the Personnel Director shall establish procedures to insure that employees are periodically reminded of these rules and regulations, at least annually.

(b) Counseling service. A counseling service is available to provide advice and guidance to individual employees concerning their responsibilities under the Section's rules and regulations. The Personnel Director will provide guidance and advice to employees regarding the provisions of this order. For the purposes of conflict of interest laws, the Chief, Real Estate shall serve as counselor.
Subpart B—Conduct and Responsibilities

§ 1100.6 Proscribed actions.

Employees are forbidden by law to take certain actions. An employee shall avoid any action which might result in, or create the appearance of:

(a) Using public office for private gain;
(b) Giving preferential treatment to any person;
(c) Impeding Government efficiency or economy;
(d) Losing complete independence or impartiality;
(e) Making a Government decision outside official channels; or
(f) Affecting adversely the confidence of the public in the integrity of the Government.

NOTE: A summary of laws pertinent to all Government employees is contained in appendix C.

§ 1100.7 Responsibilities.

(a) Each employee is responsible for acquainting him/herself with the standards of conduct expected of him, and to conduct himself, both on and off the job, in a manner which will insure that his actions reflect credit to the Federal Government and the Section.

(b) Supervisors will keep subordinate employees informed regarding the proper standards of conduct required.

(c) The Personnel Director, or his designated representative, will provide assistance and/or counseling to employees and all levels of management in observance of regulations pertinent to conduct and/or conflict of interest.

(d) The Chief, Real Estate is the main point of contact on conflicts of interest problems. The Special Legal Assistant will assist on matters of legal interpretation.

(e) All employees engaged in procurement and related activities have a special responsibility for protecting the Government’s interests as well as for maintaining the reputation of the Section for honesty, courtesy, and fair dealing. Accordingly, all such employees are required to become thoroughly familiar with the provisions of Federal Personnel Manual, Chapter 738, relating to procurement activities.

§ 1100.8 Rules of conduct.

(b) On-the-job conduct. Each employee is expected to:

(1) Report promptly for work in a condition which will permit him to perform assigned duties (i.e., in appropriate clothing, with any required tools and/or equipment, and in a sober condition).

(2)Render full, efficient, and industrious service in the performance of assigned duties. If insufficient work is assigned to occupy an employee fully at any given time, he is expected to notify his supervisor so that additional work may be assigned.

(3) Give ready response and enthusiasm to directions and instructions received from his supervisor.

(4) Exercise courtesy and tact in dealings with fellow workers and the public.

(5) Maintain a clean and neat personal appearance to the maximum practicable extent during working hours.

(6) Conserve and protect Federal funds, property, equipment, and materials.

(7) Observe the various laws, rules, regulations, and other authoritative instructions, and consistently conduct
§ 1100.9 Conflict of interest.

(a) All Section employees are bound to refrain from any private business or professional activity which would place them in a position where there is a conflict between their private interests and the public interests of the United States. Even though a technical conflict of interest may not exist, employees must avoid the appearance of such a conflict from a public confidence point of view. (chapter 11 of title 18 of the U.S. Code, enacted by Pub. L. 87–849, effective January 21, 1963, constitutes the basic conflict of interest statutes.)

§ 1100.10 Outside employment.

(a) Section employees will not engage in outside employment or other outside activities, with or without compensation, which—

(1) Interferes with the performance of their Government duties;

(2) May reasonably be expected to bring discredit upon the Section or the Government; or

(3) Appears to involve a conflict of interest.

(b) All employees are prohibited from using their titles or positions in connection with any commercial enterprise or in endorsing any commercial product or venture.

(c) Section employees engaged in activities related to procurement will not accept part-time off-duty employment with any person that is a contractor with the Government. This prohibition applies regardless of the nature of the services to be performed. (e.g., Professional employees of the Section such as attorneys, engineers, and accountants will not represent or advise a Government contractor concerning either the commercial or Government pursuits of such person; nor will such personnel render services in behalf of the officers of contractors with whom they transact business on behalf of the Government, even though such services might be performed in connection with the personal affairs of such officers of the contractors.)

§ 1100.11 Indebtedness.

(a) An employee shall pay each just financial obligation in a proper and timely manner, especially one imposed by law, such as Federal, State, or local taxes. For the purpose of this paragraph a ‘just financial obligation’ means one acknowledged by the employee, imposed by law, or reduced to judgment by a court.

(b) When an employee has a levy placed against his salary for failure to pay an indebtedness for Federal income taxes, he shall be issued a written reprimand stating that failure to make satisfactory arrangements regarding future tax liabilities will be grounds for removal.

(c) When an employee is the subject of a letter of complaint stating that he has not paid his State or local taxes and has failed to make satisfactory arrangements regarding the debt, he shall be interviewed by the Personnel Director, or his designated representative in field offices. In this interview he shall be instructed to make satisfactory arrangements for payment of his debt immediately and informed that failure to do so will be grounds for removal.

(d) When an employee is the subject of a letter of complaint regarding any other kind of indebtedness to a unit of government, Federal, State, or local, the procedure prescribed in paragraph (c) of this section, shall be observed.

(e) When a creditor who holds a legal judgment against an employee requests that the Section assist in collecting the debt, the employee shall be interviewed by the Personnel Director, or his designated representative in field offices, as appropriate. In this interview he shall be instructed to pay the
§ 1100.13 Financial interests.

(a) An employee shall not:

(1) Have a direct or indirect financial interest that conflicts substantially, or appears to conflict substantially, with his Government duties and responsibilities; or

(c) An employee shall not solicit a contribution from another employee for a gift to an official superior, make a donation as a gift to an official superior, or accept a gift from an employee receiving less pay than himself (5 U.S.C. 7351). However, this paragraph does not prohibit a voluntary gift of nominal value or donation in a nominal amount made on a special occasion such as marriage, illness, or retirement.

(d) An employee shall not accept a gift, present, decoration, or other thing from a foreign government unless authorized by Congress as provided by the Constitution and in 5 U.S.C. 7342.

(e) This order does not preclude an employee from receipt of bona fide reimbursement, unless prohibited by law, for expenses of travel and such other necessary subsistence as is compatible with this Order for which no Government payment or reimbursement is made. However, this Order does not allow an employee to be reimbursed by a person for travel on official business under Section orders when reimbursement is proscribed by Decision B–128527 of the Comptroller General dated March 7, 1967.

(f) A gift or gratuity, the receipt of which is prohibited by this Order shall be returned to the donor with a written explanation why the return is necessary. A copy of the written explanation shall be submitted to the Personnel Director for filing in the employee’s Official Personnel Folder (left side). When the return of the gift is not possible, the gift or gratuity shall be submitted to the Personnel Director with a written explanation why the return is not feasible. The Personnel Director shall turn the gift or gratuity over to a public or private charity or charitable organization.
(2) Engage in, directly or indirectly, a financial transaction as a result of, or primarily relying on, information obtained through his Government employment.

(b) The Order does not preclude an employee from having a financial interest or engaging in financial transactions to the same extent as a private citizen not employed by the Government so long as it is not prohibited by law, Executive Order 11222, Chapter 735 of the Federal Personnel Manual or this order.

§ 1100.14 Misuse of information.

An employee, for the purpose of furthering a private interest, shall not directly or indirectly use, or allow the use of, official information obtained through or in connection with his Government employment which has not been made available to the general public.

§ 1100.15 Support of Section programs.

(a) When a Section program is based on law or executive order, every employee has a positive obligation to make it function as efficiently and economically as possible and to support it as long as it is a part of recognized public policy. An employee may, therefore, properly make an address explaining and interpreting such a program, citing its achievements, defending it against uninformed or unjust criticism, pointing out the need for possible improvements, or soliciting views for improving it.

(b) An employee shall not, either directly or indirectly, use appropriated funds to influence a Member of Congress to favor or oppose legislation in violation of 18 U.S.C. 1913. However, an employee is not prohibited from:

(1) Testifying as a representative of the Section on pending legislation proposals before Congressional committees on request; or

(2) Assisting Congressional committees in drafting bills or reports on request, when it is clear that the employee is serving solely as a technical expert under the direction of committee leadership.

(c) Nothing in this order shall be construed as depriving an employee of his rights as a private citizen from petitioning or contacting elected representatives pertinent to expressing opinions regarding Governmental operations or pending legislation.

§ 1100.16 Disagreements between governmental officials.

An employee shall not make public any disagreements with, or criticism of, officials, policies, or practices of the Section or of other Federal agencies in areas relating to the Section’s functions. Such matters may be brought to the attention of the Commissioner for appropriate action.

§ 1100.17 Use of government property.

An employee shall not directly or indirectly use, or allow the use of, Government property of any kind, including property leased to the Government, for other than officially approved activities. An employee has a positive duty to protect and conserve Government property including equipment, supplies, and other property entrusted or issued to him.

§ 1100.18 Gambling, betting, and lotteries.

An employee shall not participate, while on Government-owned or leased property or while on duty for the Government, in any gambling activity, including the operation of a gambling device; in conducting a lottery or pool; in a game for money or property; or in selling or purchasing a numbers slip or ticket.

§ 1100.19 Coercion.

An employee shall not use his Government employment to coerce, or give the appearance of coercing, a person to provide financial benefit to himself or another person, particularly one with whom he has family, business “mutual association”, or financial ties.

§ 1100.20 General conduct prejudicial to the government.

An employee shall not engage in criminal, infamous, dishonest, immoral, or notoriously disgraceful conduct, or other conduct prejudicial to the Government.
§ 1100.21 Miscellaneous statutory provisions.

The attention of each employee is directed to the following statutory provisions:

(b) Chapter 11 of title 18, United States Code (U.S.C.), related to bribery, graft, and conflicts of interest.

(c) The prohibition against lobbying with appropriated funds (18 U.S.C. 1913).

(d) The prohibitions against disloyalty and striking (Executive Order 10450, 18 U.S.C. 1918).

(e) The prohibition against the employment of a member of a Communist organization (50 U.S.C. 784).

(h) The prohibition against the misuse of the franking privilege (18 U.S.C. 1719).
   (i) The prohibition against the misuse of a Government vehicle (31 U.S.C. 638a (c)).

(l) [Reserved]

(m) The prohibition against counterfeiting and forging transportation requests (18 U.S.C. 508).

(n) The prohibitions against:
   (1) Embezzlement of Government money or property (18 U.S.C. 641);
   (2) Failing to account for public money (18 U.S.C. 643); and
   (3) Embezzlement of the money or property of another person in the possession of an employee by reason of his employment (18 U.S.C. 654).

(o) The prohibition against unauthorized use of documents relating to claims from or by the Government (18 U.S.C. 285).

(q) The provision relating to the denial of the right to petition Congress (5 U.S.C. 7102).

(r) The prohibition against an employee acting as the agent of a foreign principal registered under the Foreign Agents Registration Act (18 U.S.C. 219).

(u) The tax imposed on certain employees who knowingly engage in self-dealing with a private foundation (26 U.S.C. 4941, 4946). (Self-dealing is defined in the statute to include certain transactions involving an employee’s receipt of pay, a loan, or reimbursement for travel or other expenses from, or his sale to or purchase of property from a private foundation.)

Subpart C—Statements of Employment and Financial Interests

§ 1100.22 Employees required to submit statements.

The following Section personnel are required to submit statements of employment and financial interests.

(a) Those paid at a level of the Executive Schedule in subchapter II of chapter 53 of title 5, United States Code.

(b) Those classified at GG–13 or above, whose basic duties and responsibilities require the incumbent to exercise judgment in making a Government decision or in taking Government action in regard to administering or monitoring grants or subsidies.

(c) Those classified at GG–13 or above, whose basic duties and responsibilities require the incumbent to exercise judgment in making a Government decision or in taking Government action in regard to—

(1) Contracting or procurement. For the purpose of this Order, “contracting or
procurement” is defined as executing or approving the award of contracts.

(2) **Auditing.** Auditing private or non-Federal enterprise including the supervision of auditors engaged in audit activities or participating in the development of policies and procedures for performing such audits, including the authorization and monitoring of grants to institutions or other non-Federal enterprise.

(3) **Other.** Those in activities in which the final decision or action has a significant impact on the interest of any non-Federal enterprise.

(d) Those at any grade level whose activities have a significant economic impact on the interest of any non-Federal enterprise.

§ 1100.23 Review of position descriptions.

(a) Because of the nature of the Section’s mission, establishment of a standing list of employees subject to the provisions of this subpart is considered impractical inasmuch as assignments are subject to frequent change, organizational elements change with the changing work needs, supervisors or heads of organizations are subject to change with changing conditions. It is therefore necessary that all position descriptions in § 1100.22 (b) through (d) will be reviewed and a statement as to whether the incumbent of the position must file a statement of employment and financial interests, as required by this order, will be included in each position description. This determination will be reviewed at least annually, at the time of performance ratings, or incident to other prescribed annual reviews.

(b) Incumbents of positions identified as involving any of the functions described in § 1100.22 (b) through (d) will be required to comply with the filing requirements of this Order. Any employee who believes that his position has been improperly included in the functions described in § 1100.22 (b) through (d), may request a review of the decision requiring him to file a statement through the established grievance procedures.

(c) Positions in the above categories may be excluded when it is determined by the Commissioner that the duties are at such a level or responsibility that the submission of a statement is not necessary because of the degree of supervision and review of the incumbent and the remote and inconsequential effect on the integrity of the Section.

§ 1100.24 Manner of submission—statements of employment and financial interests.

(a) Section personnel included in § 1100.22 (b) through (d) will submit statements of employment and financial interests in the format prescribed by the Personnel Director.

(b) Each employee required by this Order to file a statement will do so within 30 days following entry on duty of assignment to the position and periodically thereafter as prescribed in § 1100.28.

(c) Statement will be submitted to the Personnel Director in a double sealed envelope marked “For Attention of the Personnel Director Only”.

§ 1100.25 Excusable delay.

If, by reason of his duty assignment, it is impracticable for an employee to submit a statement within the period required by the Order, his immediate supervisor may grant a 15-day extension of time therefor, and the supervisor will notify the Personnel Director, in writing, of the extension. Any extension in excess of 30 days requires the concurrence of the Commissioner. Statements submitted pursuant to an extension of time granted will include appropriate notation to that effect.

§ 1100.26 Special government employees.

Each special Government employee who is an adviser or consultant shall, prior to appointment, file with the Personnel Director, a statement setting forth his Government employment, his private employment, and his financial interests. An appointee must list all of his investments and other financial interests such as pensions; retirement; group life, health, or accident insurance; and profit-sharing, stock bonus, or other employee welfare or benefit plan maintained by a former employer. He is not required to list precise amounts of investments.
§ 1100.27 Exceptions to specific appointees.

The Commissioner may grant an exception to a specific appointee from completing that part of the statement of employment and financial interests relating to his investments or other financial interests referred to in § 1100.26, upon making of a determination that this information is not relevant in light of the duties the appointee is to perform.

§ 1100.28 Supplementary statement.

Changes in or additions to the information contained in an employee’s statement of employment and financial interests shall be reported as of June 30 of each year. Even though no changes or additions occur, a negative report is required. The supplementary statement, negative or otherwise, will be submitted by July 31 of each year. Notwithstanding the filing of the annual report, Section personnel shall at all times avoid acquiring a financial interest that could result, or taking action that would result, in a violation of the conflict-of-interest provisions of 18 U.S.C. 208 or this order.

§ 1100.29 Interests of employee’s relatives.

The interests of a spouse, minor child, or other member of an employee’s immediate household is considered to be an interest of the employee. For the purpose of this order, ‘member of an employee’s immediate household’ means those blood relatives who are residents of the employee’s household.

§ 1100.30 Information not required to be submitted.

An employee is not required to submit on a statement of employment and financial interests or supplementary statement any information relating to the employee’s connection with, or interests in, a professional society or a charitable, religious, social, fraternal, recreational, public service, civic or political organization or a similar organization not conducted as a business enterprise. For the purpose of this order, educational and other institutions doing research and development or related work involving grants of money from or contracts with the Government are deemed ‘business enterprises’ and are required to be included in an employee’s statement of employment and financial interests.

§ 1100.31 Information not known to employees.

If any information required to be included on a statement of employment and financial interests or supplementary statement, including holdings placed in trust, is not known to the employee but known to another person, the employee shall request that other person to submit the information on his behalf.

§ 1100.32 Confidentiality of employee’s statements.

Each statement of employment and financial interests, and each supplementary statement, will be held in confidence. The Section may not disclose information from a statement except as the Commissioner or the Civil Service Commission may determine for good cause. Persons designated to review the statements are responsible for maintaining the statements in confidence and shall not allow access to, or allow information to be disclosed from the statement except to carry out the purpose of this order, or Federal laws or regulations.

§ 1100.33 Effect of employee’s statements on other requirements.

The statements of employment and financial interests and supplementary statements required of employees are in addition to, and not in substitution for, or in derogation of, any similar requirement imposed by law, order, or regulation. The submission of a statement or supplementary statement by an employee does not permit him or any other person to participate in a matter in which his or the other person’s participation is prohibited by law, order, or regulation.

§ 1101.3 General policy: Collection and use of personal information.

(a) Heads of Divisions, Branches, and the projects shall ensure that all Section personnel subject to their supervision are advised of the provisions of the Act, including the criminal penalties and civil liabilities provided therein, and that Section personnel are made aware of their responsibilities to protect the security of personal information, to assure its accuracy, relevance, timeliness and completeness, to avoid unauthorized disclosure either orally or in writing, and to ensure that
no system of records concerning individuals, no matter how small or specialized, is maintained without public notice.

(b) Section personnel shall:

(1) Collect no information of a personal nature from individuals unless authorized to collect it to achieve a function or carry out a responsibility or function of the Section.

(2) Collect from individuals only that information which is necessary to Section responsibilities or functions;

(3) Collect information, wherever possible, directly from the individual to whom it relates;

(4) Inform individuals from whom information is collected of the authority for collection, the purpose thereof, the uses that will be made of the information, and the effects, both legal and practical, of not furnishing the information;

(10) Call to the attention of the PA Officer any information in a system maintained by the Section which is not authorized to be maintained under the provisions of the Act, including information on First Amendment activities, information that is inaccurate, irrelevant or so incomplete as to risk unfairness to the individual concerned.

(c) The system of records maintained by the Section shall be reviewed annually by the PA Officer to ensure compliance with the provisions of the Act.

(d) Information which may be used in making determinations about an individual’s rights, benefits, and privileges shall, to the greatest extent practicable, be collected directly from that individual. In deciding whether collection of information from an individual, as opposed to a third party source, is practicable, the following criteria, among others, may be considered:

(1) Whether the nature of the information sought is such that it can only be obtained from a third party;

(2) Whether the cost of collecting the information from the individual is unreasonable when compared with the cost of collecting it from a third party;

(3) Whether there is a risk that information requested from the third parties, if inaccurate, could result in an adverse determination to the individual concerned;

§ 1101.4 Reports on new systems of records; computer matching programs.

(a) Before establishing any new systems of records, or making any significant change in a system of records, the Section shall provide adequate advance notice to:

341

(2) The Committee on Governmental Affairs of the Senate; and
(3) The Office of Management and Budget.
(b) Before participating in any computerized information “matching program,” as that term is defined by 5 U.S.C. 552a(a)(8) the Section will comply with the provisions of 5 U.S.C. 552a(o), and will provide adequate advance notice as described in §1101.4(a) above.

§ 1101.5 Security, confidentiality and protection of records.

(a) The Act requires that records subject to the Act be maintained with appropriate administrative, technical and physical safeguards to ensure the security and confidentiality of records and to protect against any anticipated threats or hazards to their security or integrity which could result in substantial harm, embarrassment, inconvenience or unfairness to any individual on whom information is maintained.

(b) When maintained in manual form (typed, printed, handwritten, etc.) records shall be maintained, at a minimum, subject to the following safeguards, or safeguards affording comparable protection:

(1) Areas in which the records are maintained or regularly used shall be posted with an appropriate warning stating that access to the records is limited to authorized persons. The warning shall also summarize the requirements of §1101.3 and state that the Act contains a criminal penalty for the unauthorized disclosure of records to which it applies.

(2) During working hours: (i) The area in which the records are maintained or regularly used shall be occupied by authorized personnel or (ii) access to the records shall be restricted by their storage in locked metal file cabinets or a locked room.

(3) During non-working hours, access to the records shall be restricted by their storage in locked metal file cabinets or a locked room.

(4) Where a locked room is the method of security provided for a system, that security shall be supplemented by: (i) Providing lockable file cabinets or containers for the records or (ii) changing the lock or locks for the room so that they may not be opened with a master key. For purposes of this paragraph, a master key is a key which may be used to open rooms other than the room containing records subject to the Act, unless those rooms are utilized by officials or employees authorized to have access to the records subject to the Act.

(c) Personnel handling personal information during routine use will ensure that the information is properly controlled to prevent unintentional or unauthorized disclosure. Such information will be used, held, or stored only where facilities or conditions are adequate to prevent unauthorized or unintentional disclosure.

(c) When the records subject to the Act are maintained in computerized form, safeguards shall be utilized based on those recommended in the National Bureau of Standard’s booklet “Computer Security Guidelines for Implementing the Privacy Act of 1974” (May 30, 1975), and any supplements thereto, which are adequate and appropriate to assuring the integrity of the records.

§ 1101.6 Requests for access to records.

(a) Any individual may submit an inquiry to the Section to ascertain whether a system of records contains a record pertaining to him or her.

(b) The inquiry should be made either in person or by mail addressed to the PA Officer, United States Section, International Boundary and Water Commission, 4171 North Mesa, Suite C–310, El Paso, TX 79902-1422. The PA Officer shall provide assistance to the individual making the inquiry to assure the timely identification of the appropriate systems of records. The office of the PA Officer is located in Suite C–316 and is open to an individual between the hours of 8 a.m. and 4:30 p.m., Monday through Friday (excluding holidays).

(c) Inquiries submitted by mail should be marked “PRIVACY ACT REQUEST” on the bottom left-hand corner of the envelope.
(d) The letter should state that the request is being made under the Privacy Act.

(e) Inquiries concerning whether a system of records contains a record pertaining to an individual should contain the following:

1. Name, address and telephone number (optional) of the individual making the inquiry;
2. Name, address and telephone number (optional) of the individual to whom the record pertains, if the inquiring individual is either the parent of a minor or the legal guardian of the individual to whom a record pertains;
3. A certified or authenticated copy of documents establishing parentage or guardianship;
4. Whether the individual to whom the record pertains is a citizen of the United States or an alien lawfully admitted for permanent residence into the United States;
5. Name of the system of records, as published in the FEDERAL REGISTER;
6. Location of the system of records, as published in the FEDERAL REGISTER;
7. Such additional information as the individual believes will or might assist the Section in responding to the inquiry and in verifying the individual’s identity (for example: date of birth, place of birth, names of parents, place of work, dates of employment, position title, etc.);
8. Date of inquiry; and
9. Signature of the requester.

The Section reserves the right to require compliance with the identification procedures appearing at paragraph (f) of this section where conditions warrant.

(f) The requirement for identification of individuals seeking access to records are as follows:

1. In person: Each individual making a request in person shall be required to present satisfactory proof of identity. The means of proof, in the order of preference and priority, are:
   1. A document bearing the individual’s photograph (for example, driver’s license, passport or military or civilian identification card);
   2. A document bearing the individual’s signature, preferably issued for participation in a federally sponsored program (for example, Social Security card, unemployment insurance book, employer’s identification card, national credit card and professional, craft or union membership card); and
   3. A document bearing either the photograph or the signature of the individual, preferably issued for participation in a federally sponsored program (for example, Medicaid card). In the event the individual can provide no suitable documentation of identity, the Section will require a signed statement asserting the individual’s identity and stipulating that the individual understands the penalty provision of 5 U.S.C. 552a(i)(3).

2. Not in person: If the individual making a request does not appear in person before the PA Officer, a certificate of a notary public or equivalent officer empowered to administer oaths must accompany the request.

3. Parents of minors and legal guardians: An individual acting as the parent of a minor or the legal guardian of the individual or an heir or legal representative of a deceased person to whom a record pertains shall establish his or her personal identity in the manner prescribed in either paragraph (f)(1) or (2) of this section. In addition, such individual shall establish his or her identity in the representative capacity of parent or legal guardian. In the case of the parent of a minor, the proof of identity shall be a certified or authenticated copy of the minor’s birth certificate. In the case of a legal guardian of an individual who has been declared incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, the proof of identity shall be a certified or authenticated copy of the court’s order. A parent or legal guardian may act only for a living individual, not for a decedent. A parent or legal guardian may be accompanied during personal access to a record by another individual, provided the requirements of paragraph (f) of §1101.7 are satisfied. In the case of an heir or legal representative of a deceased person the proof of identity shall be a certified copy of the Will, if any; the order of a court of competent jurisdiction admitting the Will to probate; the order of a court of competent jurisdiction appointing an executor, executrix, or administrator; a letter of
administration; or any other documentary evidence which establishes the identity of the individual as an heir or legal representative of a deceased person.

(g) When the provisions of this part are alleged to have the effect of impeding an individual in exercising his or her right to access, the Section will consider, from an individual making a request, alternative suggestions regarding proof of identity and access to records.

(h) An inquiry which is not addressed as specified in paragraph (b) of this section or which is not marked as specified in paragraph (c) of this section will be so addressed and marked by the Section's personnel and forwarded immediately to the PA Officer. An inquiry which is not properly addressed by the individual will not be deemed to have been “received” for purposes of measuring time periods for response until forwarding of the inquiry to the PA Officer has been effected. In each instance when an inquiry so forwarded is received, the PA Officer shall notify the individual that his or her inquiry was improperly addressed and the date when the inquiry was received at the proper address.

(i) Each inquiry received shall be acted upon promptly by the PA Officer. Although there is no fixed time when an agency must respond to a request for access to records under the Act, every effort will be made to respond within ten (10) days (excluding Saturdays, Sundays, and holidays) of the date of receipt. If a response cannot be made within ten (10) days due to unusual circumstances, the PA Officer shall send an acknowledgment during that period providing information on the status of the request and asking for such further information as may be necessary to process the request. Every effort will be made to provide the requested records within thirty (30) days. “Unusual circumstances” shall include circumstances where a search for and collection of requested records from inactive storage, field facilities or other establishments are required, cases where a voluminous amount of data is involved, instances where information on other individuals must be separated or expunged from the particular record, and cases where consultations with other agencies having a substantial interest in the determination of the request are necessary.

(b) Grant of access:

(1) Notification.

(i) An individual shall be granted access to a record pertaining to him or her except where the record is subject to an exemption under the Act and these rules.

(ii) The PA Officer shall notify the individual of such determination and provide the following information:

(A) The methods of access, as set forth in paragraph (b)(2) of this section;

(B) The place at which the records may be inspected;

(C) The earliest date on which the record may be inspected and the period of time that the records will remain available for inspection. In no event shall the earliest date be later than thirty (30) days from the date of notification;

(D) The estimated date by which a copy of the record could be mailed and the estimated fee pursuant to §1101.11. In no event shall the estimated date be later than thirty (30) days from the date of notification;

(E) The fact that the individual, if he or she wishes, may be accompanied by another individual during the personal access, subject to the procedures set forth in paragraph (f) of this section; and

§1101.7 Disclosure of records to individuals who are subjects of those records.

(a) Each request received shall be acted upon promptly by the PA Officer. Every effort will be made to respond within ten (10) days (excluding Saturdays, Sundays, and holidays) of the date of receipt. If a response cannot be made within ten (10) days due to unusual circumstances, the PA Officer shall send an acknowledgment during that period providing information on the status of the request and asking for such further information as may be necessary to process the request. Every effort will be made to provide the requested records within thirty (30) days. “Unusual circumstances” shall include circumstances where a search for and collection of requested records from inactive storage, field facilities or other establishments are required, cases where a voluminous amount of data is involved, instances where information on other individuals must be separated or expunged from the particular record, and cases where consultations with other agencies having a substantial interest in the determination of the request are necessary.

(b) Grant of access:

(1) Notification.

(i) An individual shall be granted access to a record pertaining to him or her except where the record is subject to an exemption under the Act and these rules.

(ii) The PA Officer shall notify the individual of such determination and provide the following information:

(A) The methods of access, as set forth in paragraph (b)(2) of this section;

(B) The place at which the records may be inspected;

(C) The earliest date on which the record may be inspected and the period of time that the records will remain available for inspection. In no event shall the earliest date be later than thirty (30) days from the date of notification;

(D) The estimated date by which a copy of the record could be mailed and the estimated fee pursuant to §1101.11. In no event shall the estimated date be later than thirty (30) days from the date of notification;

(E) The fact that the individual, if he or she wishes, may be accompanied by another individual during the personal access, subject to the procedures set forth in paragraph (f) of this section; and
(F) Any additional requirements needed to grant access to a specific record.

(2) Method of access: The following methods of access to records by an individual may be available depending on the circumstances of a given situation:

(i) Inspection in person may be made in the office specified by the PA Officer, between the hours of 8 a.m. and 4:30 p.m., Monday through Friday (excluding holidays);

(ii) Transfer of records to a Federal facility more convenient to the individual may be arranged, but only if the PA Officer determines that a suitable facility is available, that the individual’s access can be properly supervised at that facility, and that transmittal of the records to that facility will not unduly interfere with operations of the section or involve unreasonable costs, in terms of both money and manpower; and

(iii) Copies may be mailed at the request of the individual, subject to payment of the fees prescribed in §1101.11. The Section, at its own initiative, may elect to provide a copy by mail, in which case no fee will be charged to the individual.

(c) Access to medical records: Upon advice by a physician that release of medical information directly to the requester could have an adverse effect on the requester, the Section may attempt to arrange an acceptable alternative. This will normally involve release of such information to a physician named by the requester, with the requester’s written consent. (Note that release to any third party, including a physician or family member, must comply with the provisions of §1101.8 of this part.)

(d) The Section shall supply such other information and assistance at the time of access to make the record intelligible to the individual.

(e) The Section reserves the right to limit access to copies and abstracts of original records, rather than the original records. This election would be appropriate, for example, when the record is in an automated data media such as tape of disc, when the record contains information on other individuals, and when deletion of information is permissible under exemptions (for example 5, U.S.C. 552(k)(1)). In no event shall original records of the Section be made available to the individual except under the immediate supervision of the PA Officer or his designee. Title 18 U.S.C. 2701(a) makes it a crime to conceal, mutilate, obliterate, or destroy a record filed in a public office, or to attempt to do any of the foregoing.

(f) Any individual who requests access to a record pertaining to that individual may be accompanied by another individual of his or her choice. “Accompanied” includes discussion of the record in the presence of the other individual. The individual to whom the record pertains shall authorize the presence of the other individual in writing and shall include the name of the other individual, a specific description of the record to which access is sought, and the date and the signature of the individual to whom the record pertains. The other individual shall sign the authorization in the presence of the PA Officer or his designee. An individual shall not be required to state a reason or otherwise justify his or her decision to be accompanied by another individual during the personal access to a record.

(g) Initial denial of access:

(1) Grounds. Access by an individual to a record which pertains to that individual will be denied only upon a determination by the PA Officer that:

(i) The record is subject to an exemption under the Act and these rules;

(ii) The record is information compiled in reasonable anticipation of a civil action or proceeding;

(iii) The provisions of §1101.7(c) pertaining to medical records have been temporarily invoked; or

(iv) The individual unreasonably has failed to comply with the procedural requirements of these rules.

(2) Notification. The PA Officer shall give notice of denial of access of records to the individual in writing and shall include the following information:

(i) The PA Officer’s name and title or position;

(ii) The date of denial;

(iii) The reasons for the denial, including citation to the appropriate section of the Act and these rules;
(iv) The individual's opportunities for further administrative consideration, including the identity and address of the responsible official;

(v) If stated to be administratively final within the Section, the individual's right to judicial review under 5 U.S.C. 552a(g) (1) and (3).

(3) Administrative review: When an initial denial of a request is issued by the PA Officer, the individual's opportunities for further consideration shall be as follows:

(i) As to denial under paragraph (g)(1)(i) of this section, the sole procedure is a petition for the issuance, amendment, or repeal of a rule under 5 U.S.C. 553(e). Such petition shall be filed with the Commissioner, United States Section, International Boundary and Water Commission, 4171 North Mesa, Suite C-310, El Paso, TX 79902–1422. If the exception was determined by another agency, the PA Officer will provide the individual with the name and address of the other agency and any relief sought by the individual shall be that provided by the regulations of the other agency. Within the Section, no such denial is administratively final until such a petition has been filed by the individual and disposed of on the merits by the Commissioner.

(ii) As to denial under paragraphs (g)(1), (ii), (iii) or (iv) of this section, the individual may file for review with the Commissioner, as indicated in the PA Officer's initial denial notification.

(h) If a request is partially granted and partially denied, the PA Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

§ 1101.8 Disclosure of records to third-parties.

(a) The Section will not disclose any information about an individual to any person other than the individual except in the following instances:

(1) Upon written request by the individual about whom the information is maintained;

(2) With prior written consent of the individual about whom the information is maintained;

(3) To the parent(s) of a minor child, or the legal guardian of an incompetent person, when said parent(s) or legal guardian act(s) on behalf of said minor or incompetent person.

(4) When permitted under 5 U.S.C. 552a(b) (1) through (11) which provides as follows:

(i) To those officers and employees of the agency which maintains the record who have a need for the record in the performance of their duties;

(ii) Required under 5 U.S.C. 552 of the U.S. Code;

(iii) For a routine use as defined in the Act at 5 U.S.C. 552a(a)(7);

(iv) To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to the provisions of title 13 of the U.S. Code;

(v) To a recipient who has provided the agency with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable;

(vi) To the National Archives of the United States as a record which has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Administrator of General Services or his designee to determine whether the record has such value;

(vii) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, if the head of the agency or instrumentality has made a written request to the agency which maintains the record specifying the particular portion desired and the law enforcement activity for which the record is sought;

(viii) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual if upon such disclosure notification is transmitted to the last known address of such individual;
(ix) To either House of Congress, or, to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee of Congress or subcommittee of any such joint committee, and to a Congressman who is acting on behalf of his constituent;

(x) To the Comptroller General, or any of his authorized representatives, in the course of the performance of the duties of the General Accounting Office; or

(xi) Pursuant to the order of a court of competent jurisdiction;

(5) When required by the Act and not covered explicitly by the provisions of 5 U.S.C. 552a(b). These situations include the following:

(i) Dissemination of a corrected or amended record or notation of a disagreement statement (5 U.S.C. 552a(c)(4));

(ii) Disclosure of records to an individual to whom they pertain (5 U.S.C. 552a(d));

(iii) Civil actions by an individual (5 U.S.C. 552a(g));

(iv) Release of records or information to the Privacy Protection Study Commission (Section 5 of Pub. L. 93-579);

(v) Fulfill the needs of Office of Management and Budget to provide continuing oversight and assistance to the section in implementation of the Act (Section 6 of Pub. L. 93-579).

§ 1101.9 Exemptions.

The following are exempt from disclosure under 5 U.S.C. 552a (j) and (k):

(a) Any record originated by another agency which has determined that the record is exempt. If a request encompasses such a record, the Section will advise the requester of its existence, and of the name and address of the source agency.

(b) Records specifically authorized under criteria established by an executive order to be kept secret in the interest of national defense or foreign policy, and which are, in fact, properly classified pursuant to such executive order.

(c) Those systems of records listed as exempt in the Notice of Records of the Federal Register, including: Certificates of Medical Examination; Occupational Health and Injury Files; and Investigative Records.

§ 1101.10 Accounting for disclosures.

(a) Each system manager shall establish a system of accounting for all disclosures of records, either orally or in writing made outside the Section, unless otherwise exempted under this section. Accounting procedures may be established in the least expensive and most convenient form that will permit the PA Officer to advise individuals promptly upon request of the persons or agencies to which records concerning them have been disclosed. Accounting of disclosures made under 5 U.S.C. 552a(b)(7) relating to civil or criminal law enforcement activities shall not be made available to the individual named in the record.

(b) Accounting records, at a minimum, shall include the date, nature, and purpose of each disclosure of a record and the name and address of the person or agency to whom the disclosure was made. Accounting records shall be maintained for at least five years or the life of the record, whichever is longer.

(c) Accounting is not required to be kept for disclosure made within the Section or disclosures made pursuant to the Freedom of Information Act.

(d) If an accounting of the disclosure was made, the PA Officer shall inform any person or other agency about any correction or notation of dispute made by the Section in accordance with 5 U.S.C. 552a(d) of any record that has been disclosed to the person or agency.

§ 1101.11 Fees.

(a) Under the Act, fees can only be charged for the cost of copying records. No fees may be charged for the time it takes to search for the records or for the time it takes to determine if any exemptions apply. The Section will not charge a fee for the first copy of an individual’s personnel record.

(b) The Section will charge a fee of $0.10 per page for copies of documents which are identified by an individual and reproduced at the individual’s request for retention, except that there will be no charge for requests involving costs of $1.00 or less, but the copying fees for contemporaneous request by
§ 1101.12 Request to correct or amend a record.

(a) Any individual may submit a request for correction of or amendment to a record to the Section. The request should be made either in person or by mail addressed to the PA Officer who processed the individual’s request for access to the record, and to whom is delegated authority to make initial determinations on requests for correction or amendment.

(b) Since the request, in all cases, will follow a request for access under §1101.6, the individual’s identity will be established by his or her signature on the request.

(c) A request for correction or amendment should be in writing. The envelope containing the request should be marked “Privacy Act Amendment Request” on the lower left hand corner. The request should include the following:

(1) First, the letter should state that it is a request to amend a record under the Privacy Act of 1974.

(2) Second, the request should identify the specific record and the specific information in the record for which an amendment is being sought.

(3) Third, the request should state why the information is not accurate, relevant, timely, or complete. Supporting evidence may be included with the request.

(4) Fourth, the request should state what new or additional information, if any, should be included in place of erroneous information. Evidence of the validity of new or additional information should be included. If the information in the file is wrong and needs to be removed rather than supplemented or corrected, the request should make this clear.

(5) Fifth, the request should include the name, address, and telephone number (optional) of the requester.

§ 1101.13 Agency review of request to correct or amend a record.

(a) (1) Not later than ten (10) days (excluding Saturdays, Sundays and holidays) after receipt of a request to correct or amend a record, the PA Officer shall send an acknowledgment providing an estimate of time within which action will be taken on the request and asking for such further information as may be necessary to process the request. The estimate of time may take into account unusual circumstances as described in §1101.7(a). No acknowledgment will be sent if the request can be reviewed, processed and the individual notified of the results of review (either compliance or denial) within ten (10) days (excluding Saturdays, Sundays and holidays). Requests filed in person will be acknowledged in writing at the time submitted.

(2) Promptly after acknowledging receipt of a request, or after receiving such further information as might have been requested, or after arriving at a decision within ten (10) days, the PA Officer shall either:

(i) Make the requested correction or amendment and advise the individual in writing of such action, providing either a copy of the corrected or amended record or a statement as to the means whereby the correction or amendment was effected in cases where a copy cannot be provided (for example, erasure of information from a record maintained only in an electronic data bank); or
(ii) Inform the individual in writing that his or her request is denied and provide the following information:
(A) The PA Officer’s name, title and position;
(B) The date of denial;
(C) The reasons for the denial, including citation to the appropriate sections of the Act and these rules;
(D) The procedures for appeal of the denial as set forth in §1101.14.

The term promptly in this paragraph means within thirty (30) days (excluding Saturdays, Sundays and holidays). If the PA Officer cannot make the determination within thirty (30) days, the individual will be advised in writing of the reason therefor and of the estimated date by which the determination will be made.

(b) Whenever an individual’s record is corrected or amended pursuant to a request by that individual, the PA Officer shall notify all persons and agencies to which copies of the record had been disclosed prior to its correction or amendment, if an accounting of such disclosure required by the Act was made. The notification shall require a receipt agency maintaining the record to acknowledge receipt of the notification, to correct or amend the record, and to apprise any agency or person to which it has disclosed the record of the substance of the correction or amendment.

(c) The following criteria will be considered by the PA Officer in reviewing a request for correction or amendment.
(1) The sufficiency of the evidence submitted by the individual;
(2) The factual accuracy of the information;
(3) The relevance and necessity of the information in terms of purpose for which it was collected;
(4) The timeliness and currency of the information in light of the purpose for which it was collected;
(5) The completeness of the information in terms of the purpose for which it was collected;
(6) The degree of possibility that denial of the request could unfairly result in determinations adverse to the individual;
(7) The character of the record sought to be corrected or amended; and
(8) The propriety and feasibility of complying with the specific means of correction or amendment requested by the individual.

(d) The Section will not undertake to gather evidence for the individual, but does reserve the right to verify the evidence which the individual submits.

(e) Correction or amendment of a record requested by an individual will be denied only upon a determination by the PA Officer that:
(1) The individual has failed to establish, by a preponderance of the evidence, the propriety of the correction or amendment in light of the criteria set forth in paragraph (c) of this section;

(f) If a request is partially granted and partially denied, the PA Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

§1101.14 Appeal of agency decision not to correct or amend a record.

PART 1102—FREEDOM OF INFORMATION ACT

§ 1102.1 Purpose.
The purpose of this part is to prescribe rules, guidelines and procedures to implement the Freedom of Information Act (FOIA), 5 U.S.C. 552, as amended on November 21, 1974, by Public Law 93–502, and on October 27, 1986, by Public Law 99–570.

§ 1102.2 Definitions.
Commercial-use request refers to a request from or on behalf of one who seeks information for a cause or purpose that furthers the commercial, trade, or profit interests of the requester or person on whose behalf the request is made. In determining whether a requester properly belongs in this...
category, the Section will consider how the requester will use the documents.

Commissioner means head of the United States Section, International Boundary and Water Commission, United States and Mexico.

Direct costs means those expenditures which the Section actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility where the records are stored.

Disclose or disclosure means making records available, on request for examination and copying, or furnishing a copy of records.

Duplication refers to the process of making a copy of a document in response to a FOIA request. Such copies can take the form of paper, microform, audiovisual materials, or machine-readable documentation. The Section will provide a copy of the material in a form that is usable by the requester unless it is administratively burdensome to do so.

Educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

Noncommercial scientific institution refers to an institution that is not operated on a “commercial” basis as that term is referenced above, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

Person or Requester includes any individual, firm, corporation, organization or other entity.

Records and/or information are defined as all books, papers, manuals, maps, photographs, or other documentary materials, regardless of physical form or characteristics, made or received by the Section under Federal law or in connection with the transaction of public business or in carrying out its treaty responsibilities and obligations, and preserved or appropriate for preservation by the Section as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the Government or because of the information value of the data in them, but does not include books, magazines or other material acquired solely for library purposes and through other sources, and does not include analyses, computations, or compilations of information not extant at the time of the request. The term “records” does not include objects or articles such as structures, furniture, paintings, sculptures, three-dimensional models, vehicles, and equipment.

Representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about current events or that would be of current interest to the public. Examples of news media include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only those instances when they can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public. In the case of “freelance” journalists, they may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization even though not actually employed by it.

Request means a letter or other written communication seeking records or information under the Freedom of Information Act.

Review refers to the process of examining documents located in response to a request that is for commercial use to determine if any portion of that document is permitted to be withheld, and processing any document for disclosure (i.e., doing all that is necessary to excise them and otherwise prepare them for release). It does not include time spent resolving general legal or policy
§ 1102.3 Procedures for requesting access to records or information.

(a) A request for any information or records shall be addressed to the FOIA Officer, United States Section, International Boundary and Water Commission, 4171 North Mesa, suite C–310, El Paso, TX 79902–1422. The envelope and the letter shall be clearly marked “Freedom of Information Request” or “Request for Records,” or the equivalent, to distinguish it from other mail to the Section. If the request is not so marked and addressed, the 10-day time limit described in the Act will not begin to run until the request has been received by the FOIA Officer in the normal course of business. In each instance where a request is received in the normal course of business, the FOIA Officer shall notify the requester that its request was improperly addressed and the date the request was received.

(b) In order for the Section to locate records or information and make them available, it is necessary that it be able to identify the specific record or information sought. Persons wishing to inspect or obtain copies of records or information should, therefore, seek to identify them as fully and accurately as possible. In cases where requests are submitted which are not sufficient to permit identification, the FOIA Officer will endeavor to assist the persons seeking the records or information in filling in necessary details. In most cases, however, persons seeking records or information will find that time taken in trying to identify materials in the beginning is well worth their while in enabling the Section to respond promptly to their request.

(c) A person submitting a request should—

(1) Indicate the specific event or action, if any or if known, to which the request has reference.

(2) Designate the Division, Branch, or Project Office of the Section which may be responsible for or may have produced the record or information requested.

(3) Furnish the date of the record or information or the date or period to which it refers or relates, if known.

(4) Name the character of record or information, such as a contract, an application, or a report.

(5) List the Section’s personnel who may have prepared or have knowledge of the record or information.

(6) Furnish the reference material such as newspapers or publications which are known to have made a reference to the record or information desired.

(7) If the request relates to a matter in pending litigation or one which has been litigated, supply the Court location and case style and number.

(8) Describe, when the request includes more than one record or source of information, specifically each record or information so that availability may be separately determined.

(9) Clearly indicate whether the request is an initial request or an appeal from a denial of a record or information previously requested.

(10) Identify, when the request concerns a matter about the Section’s personnel, the person as follows: First name, middle name or initial, and surname; date and place of birth; and social security account number, if known.

(d) No particular format is needed for the request, except that it:
§ 1102.4

(1) Must be in writing;
(2) Must describe the records or information sought with sufficient detail to permit identification;
(3) Should state a limitation of the fees the requester is willing to pay, if any; and
(4) Must include the name, address, and telephone number (optional) of the person submitting the request.

§ 1102.4 Fees.

(a) The following shall be applicable with respect to services rendered to members of the public under this subpart:

(1) Fee schedule.
   (i) Searching for records, per hour or fraction thereof per individual:
      Professional ...........................................$18.00
      Clerical ....................................................$9.00
      Includes the salary of the category of employee who actually performs the search, plus an additional 16% of that rate to cover benefits.
   (ii) The cost for computer searches will be calculated based on the salary of the category of employee who actually performs the search, plus 16% of that rate to cover benefits.
   (iii) Reproduction fees:
      Pages no larger than 8 1/2 by 14 inches when reproduced by routine electrostatic copying:
      $0.10 per page.
      Pages requiring reduction, enlargement, or other special services will be billed at direct cost to the Section.
      Reproduction by other than routine electrostatic copying will be billed at direct cost to the Section.
   (iv) Certification of each record as a true copy—$1.00
   (v) Certification of each record as a true copy under official seal—$1.50
   (vi) For each signed statement of negative result of search for record—$1.00
   (vii) For each signed statement of nonavailability of record—$1.00
   (viii) Duplication of architectural photographs and drawings:
      Available tracing or reproducible, per square foot.........................................$0.10
      If intermediate negative and reproduc-
      (ix) Postage and handling. It will be up to the person requesting the records or information to designate how the material will be mailed or shipped. In the absence of such instructions no records or information will be sent to a foreign address, and records and information will be sent to domestic addresses utilizing first class certified mail, return receipt requested and will be billed at direct cost to the Section.

(2) Only requesters who are seeking documents for commercial use will be charged for time spent reviewing records to determine whether they are exempt from mandatory disclosure. The cost for review will be calculated based on the salary of the category of employee who actually performed the review plus 16% of the rate to cover benefits. Charges will be assessed only for the initial review (i.e., review undertaken the first time in order to analyze the applicability of specific exemption(s) to a particular record or portion of record) and not review at the administrative appeal level of the exemption(s) already applied.

(b) Where it is anticipated that the fees chargeable under this part will amount to more than $25 and the requester has not indicated in advance her/his willingness to pay fees as high
as anticipated, the requester shall be promptly notified of the amount of the anticipated fees or such portion thereof as can readily be estimated. The notice or request for an advance deposit shall extend an offer to the requester to confer with knowledgeable Section personnel in an attempt to reformulate the request in a manner which will reduce the fees and meet the needs of the requester. Dispatch of such notice or request shall suspend the running of the period for response by the Section until a reply is received from the requester.

(c) Search costs are due and payable even if the record which was requested cannot be located after all reasonable efforts have been made, or if the Section determines that a record which has been requested, but which is exempt from disclosure under this part, is to be withheld.

(d) The Section will begin assessing interest charges on an unpaid bill starting the 31st day following the day on which the billing was sent. The accrual of interest will be stayed upon receipt of the fee, rather than upon its processing by the Section. Interest will at the rate prescribed in section 3717 of title 31 U.S.C.

(e) A requester may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When the Section reasonably believes that a requester or a group of requesters acting in concert is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Section will aggregate any such requests and charge accordingly.

(f) The Section will not require a requester to make an advance payment, i.e., payment before work is commenced or continued on a request, unless:

   (1) The Section estimates or determines that allowable charges that a requester may be required to pay are likely to exceed $250. Then the Section will notify the requester of the likely costs and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees, or require an advance payment of an amount up to the full estimated charges in the case of requesters with no history of payment; or

   (2) Requesters who have previously failed to pay fees charged in a timely fashion (i.e., within 30 days of the date of the billing), the Section will require such requesters to pay the full amount owed plus any applicable interest as provided above or demonstrate that they have, in fact, paid the fee, and to make an advance payment of the full amount of the estimated fee before the agency begins to process new requests or pending requests from such requesters.

When the Section acts under paragraph (f) (1) or (2) of this section, the administrative time limit prescribed in subsection (a)(6) of the FOIA (i.e., 10 working days from receipt of initial requests plus permissible extensions of that time limit) will begin only after the Section has received payments described above.

(g) In accordance with the provisions and authorities of the Debt Collection Act of 1982 (Pub. L. 97–365), the Section reserves the right to disclose information to consumer reporting agencies and to use collection agencies, where appropriate, to encourage repayment.

(h) No fees under $10 will be billed by the Section because the cost of collection would be greater than the fee.

(i) Requester should pay fees by check or money order made out to the U.S. Section, International Boundary and Water Commission, and mailed to the Finance and Accounting Office, United States Section, International Boundary and Water Commission, 4171 North Mesa, suite C–310, El Paso, TX 79902–1422.

§ 1102.5 Categories of requesters for fee purposes.

There are four categories of requesters: Commercial use requesters; educational and non-commercial scientific institutions; representatives of the news media; and all other requesters. The Act prescribes specific levels of fees for each of these categories. The Section will take into account information provided by requesters in determining their eligibility for inclusion in one of these categories is as defined in §1102.2. It is in the requester's best interest to provide as much information...
as possible to demonstrate inclusion within a non-commercial category of fee treatment.

(a) The Section will assess charges which recover the full direct costs of searching for, reviewing for release, and duplicating the records sought for commercial use. Commercial use requesters are entitled to neither two hours of free search time nor 100 free pages of reproduction of documents.

(b) The Section will provide documents to educational and non-commercial scientific institutions for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request being made is authorized by, and under the auspices of, a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

(c) The Section will provide documents to representatives of the news media for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must meet the criteria in §1102.2(m), and the request must not be made for a commercial use. In reference to this class of requesters, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use.

(d) The Section will charge requesters who do not fit into any of the categories above fees which recover the full reasonable direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Moreover, requests from record subjects for records about themselves will continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for reproduction.

(e) In making determinations under this section, the Section may take into account whether requesters who previously were granted (b), (c), or (d) status under the Act did in fact use the requested records for purposes compatible with the status accorded them.

§1102.6 Fee waivers and appeals.

(a) Waiver or reduction of any fee provided for in §1102.4 may be made upon a determination by the FOIA Officer, United States Section, International Boundary and Water Commission, 4171 North Mesa, suite C-310, El Paso, TX 79902-1422. The Section shall furnish documents without charge or at a reduced charge provided that: Disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, and is not primarily in the commercial interest of the requester. Requests for a waiver or reduction of fees shall be considered on a case-by-case basis.

1 In order to determine whether disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, the Section will consider the following four factors:

(i) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the Government;

(ii) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of Government operations or activities;

(iii) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to public understanding; and

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute significantly to public understanding of Government operations or activities.

2 In order to determine whether disclosure of the information is not primarily in the commercial interest of the requester, the Section will consider the following two factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that

§ 1102.7 The Section's determination and appeal procedures.

Upon receipt of any request for records of information under the Act the following guidelines shall be followed:

(a) The FOIA Officer will determine within 10 days (excepting Saturdays, Sundays, and legal holidays) after receipt of any such request whether to comply with such request and will immediately notify the person making such request of such determination, the reasons therefore, and of the right to such person to appeal to the Commissioner any adverse determination.

(b) All appeals should be addressed to the Commissioner, United States Section, International Boundary and Water Commission, 4171 North Mesa, Suite C-310, El Paso, TX 79902-1422, and should be clearly identified as such on the envelope and in the letter of appeal by using the marking “Freedom of Information Appeal” or “Appeal for Records” or the equivalent. Failure to properly address an appeal may defer the date of receipt by the Section to take into account the time reasonably required to forward the appeal to the Commissioner. In each instance when an appeal is incorrectly addressed to the Commissioner, he shall notify the person making the appeal that his appeal was improperly addressed and of the date the appeal was received by the Commissioner. The Commissioner will make a determination with respect to any appeal within 20 days (excepting Saturdays, Sundays, and legal holidays) after the receipt of an appeal. If on appeal the denial or the request is in whole or in part upheld, the Commissioner will notify the person making such request of the provisions for judicial review under the Act. An appeal must be in writing and filed within 30 days of receipt of the initial determination (in cases of denials of an entire request), or from receipt of any records being made available pursuant to the initial determination (in case of partial denials). In those cases where a request or appeal is not addressed to the proper official, the time limitations stated above will be computed from the receipt of the request or appeal by the proper official.

(c) In unusual circumstances, as set forth in paragraph (d) of this section, the time limits for responding to the original request or the appeal may be extended by not more than an additional 10 working days by written notice to the person making a request. This notice must be sent within either 10- or 20-day time limit and will specify the reason for the extension and the date on which determination is expected to be dispatched. The extension may be invoked only once during the consideration of a request either during the initial consideration period or during the consideration of an appeal, but not both.

(d) The unusual circumstances are:

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request.

would be furthered by the requested disclosure; and, if so

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(b) The Section will not consider waiver or reduction of fees for requesters (persons or organizations) from whom unpaid fees remain due to the Section for another information access request.

(c)(1) The Section's decision to refuse to waive or reduce fees as requested under paragraph (a) of this section may be appealed to the Commissioner, United States Section, International Boundary and Water Commission, 4171 North Mesa, Suite C-310, El Paso, TX 79902-1422. Appeals should contain as much information and documentation as possible to support the request for a waiver or reduction of fees.

(2) Appeals will be reviewed by the Commissioner, who may consult with other officials of the Section as appropriate. The requester will be notified within thirty working days from the date on which the Section received the appeal.
(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the requestor among two or more components of the agency having substantial subject-matter interest therein.

e) If the FOIA Officer receives a request which is of proper concern to an agency or entity outside the Section, it will be returned to the person making the request, advising the requester to refer it to the appropriate agency or entity if requester desires, and providing the requester with the name or title, address and other appropriate information. An information copy of the request and the letter of referral will be forwarded promptly to the agency or entity outside the Section that may expect the request. In the event the FOIA Officer receives a request to make available a record or provide information which is of interest to more than one agency (Federal, State, municipal, or legal entity created thereby), the FOIA Officer will retain and act upon the request if the Section is one of the interest agencies and its interest in the record is paramount.

f) The Commissioner’s determination on an appeal shall be in writing and when it denies records in whole or in part, the letter to the person making a request shall include:

(1) Notation of the specific exemption or exemptions of the Act authorizing the withholding.

(2) A statement that the decision is final for the Section.

(3) Advice that judicial review of the denial is available in the district in which the person making the request resides or has his principal place of business, the district in which the Section’s records are situated, or the District of Columbia.

(4) The names and titles or positions of each official responsible for the denial of a request.

When appropriate, the written determination may also state how an exemption applied in that particular case, and, when relevant, why a discretionary rebase is not appropriate.

g) In those cases where it is necessary to find and examine records before the legality or appropriateness of their disclosure can be determined, and where after diligent effort this has not been achieved within the required period, the FOIA Officer may advise the person making the request that a determination to presently deny the request has been made because the records or information have not been found or examined, that the determination will be considered when the search or examination is completed and the time within which completion is expected, but that the person making the request may immediately file an administrative appeal to the Commissioner.

§ 1102.8 Exemptions.

(a) 5 U.S.C. 552(b) provides that the requirements of the FOIA do not apply to matters that are:

(1) Classified documents. Specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and that are, in fact, properly classified under the Executive order.

(2) Internal personnel rules and practices. Related solely to the internal personnel rules and practices of an agency.

(3) Information exempt under other laws. Specifically exempted from disclosure by statute, provided that the statute—

   (ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld.

(4) Confidential business information. Trade secrets and commercial or financial information obtained from a person and privileged or confidential.

(5) Internal government communications. Interagency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency.

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(8) **Financial institutions.** Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions.

(9) **Geological information.** Geological and geophysical information and data, including maps, concerning wells.

(c) The section will invoke no exemption under this section if the requested records are available to the requester under the Privacy Act of 1974 and its implementing regulations.

(d) Whenever a request is made which involves access to records described in paragraph (a)(7)(i) of this section and

(1) The investigation or proceeding involves a possible violation of criminal law, and

(2) There is reason to believe that the subject of the investigation or proceeding is not aware of its pendency, and disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings, the agency may, during only such time as that circumstance continues, treat the records as not subject to the requirements of this section.

§ 1102.9 Annual report to Congress.

(a) On or before March 1 of each calendar year the Commissioner shall submit a report covering the preceding calendar year to the Speaker of the House of Representatives and President of the Senate for referral to the appropriate committees of the Congress. The report shall include:

(1) The number of determinations made by the section not to comply with request for records made to the section under the Act and this part and the reasons for each such determination.

(2) The number of appeals made by persons under the Act and this part, the result of such appeals, and the reason for the action upon each appeal that results in a denial of information.

(3) The names and titles or positions of each person responsible for the denial of records requested under the Act, and the number of instances of participation for each.

(4) The results of each proceeding conducted pursuant to 552(1)(4)(F) of the Act, including a report of the disciplinary action taken against the officer or employee who was primarily responsible for improperly withholding records or an explanation of why disciplinary action was not taken.

§ 1102.10 Examination of records.

(1) With respect to any agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, a handicapped person who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature; or

(2) With respect to any other program or activity, a handicapped person who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity.

(3) Qualified handicapped person is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this part by §1103.140.

§ 1103.111 Notice.
The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§§ 1103.112—1103.129 [Reserved]

§ 1103.130 General prohibitions against discrimination.

(ii) Afford a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permisibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.
(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 1103.131—1103.139 [Reserved]

§ 1103.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1103.141—1103.148 [Reserved]

§ 1103.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1103.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1103.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1103.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by June 6, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by April 7, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be
undertaken to achieve program accessibility, the agency shall develop, by October 7, 1986, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

[51 FR 4577, Feb. 5, 1986; 51 FR 7543, Mar. 5, 1986]

§ 1103.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(i) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1103.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action
that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 1103.161—1103.169 [Reserved]

§ 1103.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) Director, Equal Employment Opportunity shall be responsible for coordinating implementation of this section. Complaints may be sent to Director, Equal Employment Opportunity, International Boundary and Water Commission, United States and Mexico, United States Section, The Commons, Building C, Suite 310, 4171 North Mesa, El Paso, Texas 79902.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing:

(1) Findings of fact and conclusions of law;
(2) A description of a remedy for each violation found;
(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1103.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

§ 1104.4 Permit requirements and exceptions.

(a) Any person proposing to excavate and/or remove archaeological resources from public lands, and to carry out activities associated with such excavation and/or removal, shall apply to the Commissioner for a permit for the proposed work, and shall not begin the proposed work until a permit has been issued. The Commissioner may issue a permit to any qualified person, subject to appropriate terms and conditions, provided that the person applying for a permit meets conditions in § 1104.7(a) of this part.
(b) Exceptions:
§ 1104.5 Application for permits and information collection.

(a) Any person may apply to the Commissioner for a permit to excavate and/or remove archaeological resources from public lands and to carry out activities associated with such excavation and/or removal.

(b) Each application for a permit shall include:

(1) The nature and extent of the work proposed, including how and why it is proposed to be conducted, proposed time of performance, locational maps, and proposed outlet for public written dissemination of the results.

The purpose of the information collection is to meet statutory and administrative requirements in the public interest. The information will be used to assist the Commissioner in determining that applicants for permits are qualified, that the work proposed would further archaeological knowledge, that archaeological resources and associated records and data will be properly preserved, and that the permitted activity would not conflict with the management of the public lands involved. Response to the information requirement is necessary in order for an applicant to obtain a benefit.

§ 1104.6 Notification to Indian tribes of possible harm to, or destruction of, sites on public lands having religious or cultural importance.

(a) If the issuance of a permit under this part may result in harm to, or destruction of, any Indian tribal religious or cultural site on public lands, as determined by the Commissioner, at least 30 days before issuing such a permit the Commissioner shall notify any Indian tribe which may consider the site as having religious or cultural importance. Such notice shall not be deemed a disclosure to the public for purposes of section 9 of the Act.

(1) Notice by the Commissioner to any Indian tribe shall be sent to the chief executive officer or other designated official of the tribe. Indian tribes are encouraged to designate a tribal official to be the focal point for any notification and discussion between the tribe and the Commissioner.

(2) The Commissioner may provide notice to any other Native American group that is known by the Commissioner to consider sites potentially affected as being of religious or cultural importance.

(3) Upon request during the 30-day period, the Commissioner may meet with official representatives of any Indian tribe or group to discuss their interests, including ways to avoid or mitigate potential harm or destruction such as excluding sites from the permit area. Any mitigation measures which are adopted shall be incorporated into the terms and conditions of the permit under §1104.8.

(4) When the Commissioner determines that a permit applied for under this part must be issued immediately because of an imminent threat of loss or destruction of an archaeological resource, the Commissioner shall so notify the appropriate tribe.

(b)(1) In order to identify sites of religious or cultural importance, the Commissioner shall seek to identify all Indian tribes having aboriginal or historic ties to the lands under the Commissioner’s jurisdiction and seek to determine, from the chief executive officer or other designated official of any such tribe, the location and nature of specific sites of religious or cultural importance so that such information may be on file for land management purposes. Information on site eligible for or included in the National Register of Historic Places may be withheld from public disclosure pursuant to section 304 of the Act of October 15, 1966, as amended (16 U.S.C. 470w–3).

(2) If the Commissioner becomes aware of a Native American group that is not an Indian tribe as defined in this part but has aboriginal or historic ties...
to public lands under the Commissioner's jurisdiction, the Commissioner may seek to communicate with official representatives of that group to obtain information on sites they may consider to be of religious or cultural importance.

(3) The Commissioner may enter into agreement with any Indian tribe or other Native American group for determining locations for which such tribe or group wishes to receive notice under this section.

§ 1104.7 Issuance of permits.

(a) The Commissioner may issue a permit, for a specified period of time appropriate to the work to be conducted, upon determining that:

(1) The applicant is appropriately qualified, as evidenced by training, education, and/or experience, and possesses demonstrable competence in archaeological theory and methods, and in collecting, handling, analyzing, evaluating, and reporting archaeological data, relative to the type and scope of the work proposed, and also meets the following minimum qualifications:

(ii) The demonstrated ability to plan, equip, staff, organize, and supervise activity of the type and scope proposed;

(iii) The demonstrated ability to carry research to completion, as evidenced by timely completion of theses, research reports, or similar documents;

(iv) Completion of at least 16 months of professional experience and/or specialized training in archaeological field, laboratory, or library research, administration, or management, including at least 4 months experience and/or specialized training in the kind of activity the individual proposes to conduct under authority of a permit; and

(v) Applicants proposing to engage in historical archaeology should have had at least one year of experience in research concerning archaeological resources of the prehistoric period.

(2) The proposed work is to be undertaken for the purpose of furthering archaeological knowledge in the public interest, which may include but need not be limited to, scientific or scholarly research, and preservation of archaeological data;

(3) The proposed work, including time, scope, location, and purpose, is not inconsistent with any management plan or established policy, objectives, or requirements applicable to the management of the public lands concerned;

(4) Where the proposed work consists of archaeological survey and/or data recovery undertaken in accordance with other approved uses of the public lands, and the proposed work has been agreed to in writing by the Commissioner pursuant to section 106 of the National Historic Preservation Act (16 U.S.C. 470f), paragraphs (a)(2) and (a)(3) of this section shall be deemed satisfied by the prior approval;

(5) Evidence is submitted to the Commissioner that any university, museum, or other scientific or educational institution proposed in the application as the repository possesses adequate curatorial capability for safeguarding and preserving the archaeological resources and all associated records; and

(6) The applicant has certified that, not later than 90 days after the date the final report is submitted to the Commissioner, the following will be delivered to the appropriate official of the approved university, museum, or other scientific or educational institution, which shall be named in the permit:

(i) All artifacts, samples, collections, and copies of records, data, photographs, and other documents resulting from work conducted under the requested permit where the permit is for the excavation and/or removal of archaeological resources from public lands.

(b) When the area of the proposed work would cross jurisdictional boundaries, so that permit applications must be submitted to more than one Federal agency, the Commissioner shall coordinate the review and evaluation of applications and the issuance of permits.

§ 1104.8 Terms and conditions of permits.

(a) In all permits issued, the Commissioner shall specify:

(1) The nature and extent of work allowed and required under the permit,
§ 1104.10 Appeals relating to permits.

Any affected person may appeal permit issuance, denial of permit issuance, suspension, revocation, and terms and conditions of a permit.

§ 1104.11 Relationship to section 106 of the National Historic Preservation Act.

Issuance of a permit in accordance with the Act and this part does not constitute an undertaking requiring compliance with section 106 of the Act of October 15, 1966 (16 U.S.C. 470f). However, the mere issuance of such a permit does not excuse the Commissioner from compliance with section 106 where otherwise required.

§ 1104.12 Custody of archaeological resources.

(a) Archaeological resources excavated or removed from the public lands remain the property of the United States.

(b) The Commissioner may provide for the exchange of archaeological resources among suitable universities, museums, or other scientific or educational institutions, when such resources have been excavated or removed from public lands under the authority of a permit issued by the Commissioner.

§ 1104.13 Determination of archaeological or commercial value and cost of restoration and repair.

(a) Archaeological value. For purposes of this part, the archaeological value of any archaeological resource involved in a violation of the prohibitions in §1104.3 of this part or conditions of a permit issued pursuant to this part...
shall be the value of the information associated with the archaeological resource. This value shall be appraised in terms of the costs of the retrieval of the scientific information which would have been obtainable prior to the violation. These costs may include, but need not be limited to, the cost of preparing a research design, conducting field work, carrying out laboratory analysis, and preparing reports as would be necessary to realize the information potential.

(b) Commercial value. For purposes of this part, the commercial value of any archaeological resource involved in a violation of the prohibitions in §1104.3 of this part or conditions of a permit issued pursuant to this part shall be its fair market value. Where the violation has resulted in damage to the archaeological resource, the fair market value should be determined using the condition of the archaeological resource prior to the violation, to the extent that its prior condition can be ascertained.

(c) Cost of restoration and repair. For purposes of this part, the cost of restoration and repair of archaeological resources damaged as a result of a violation of prohibitions or conditions pursuant to this part, shall be the sum of the costs already incurred for emergency restoration or repair work, plus those costs projected to be necessary to complete restoration and repair, which may include, but need not be limited to, the costs of the following:

(1) Reconstruction of the archaeological resource;
(2) Stabilization of the archaeological resource;
(3) Ground contour reconstruction and surface stabilization;
(4) Research necessary to carry out reconstruction or stabilization;
(5) Physical barriers or other protective devices, necessitated by the disturbance of the archaeological resource, to protect it from further disturbance;
(6) Examination and analysis of the archaeological resource including recording remaining archaeological information, where necessitated by disturbance, in order to salvage remaining values which cannot be otherwise conserved;

(7) Reinterment of human remains in accordance with religious custom and State, local, or tribal law, where appropriate, as determined by the Commissioner;
(8) Preparation of reports relating to any of the above activities.

§ 1104.14 Assessment of civil penalties.

(a) The Commissioner may assess a civil penalty against any person who has violated any prohibition contained in §1104.3 or who has violated any term or condition included in a permit issued in accordance with the Act and this part.

(b) Notice of violation. The Commissioner shall serve a notice of violation upon any person believed to be subject to a civil penalty, either in person or by registered or certified mail (return receipt requested). The Commissioner shall include in the notice:

(1) A concise statement of the facts believed to show a violation;
(2) A specific reference to the provision(s) of this part or to a permit issued pursuant to this part allegedly violated;
(3) The amount of penalty proposed to be assessed, including any initial proposal to mitigate or remit where appropriate, or a statement that notice of a proposed penalty amount will be served after the damages associated with the alleged violation have been ascertained;
(4) Notification of the right to file a petition for relief pursuant to paragraph (d) of this section, or to await the Commissioner's notice of assessment, and to request a hearing in accordance with paragraph (g) of this section. The notice shall also inform the person of the right to seek judicial review of any final administrative decision assessing a civil penalty.

(c) The person served with a notice of violation shall have 45 calendar days from the date of its service (or the date of service of a proposed penalty amount, if later) in which to respond. During this time the person may:

(1) Seek informal discussions with the Commissioner;
(2) File a petition for relief in accordance with paragraph (d) of this section;
(3) Take no action and await the Commissioner's notice of assessment;
(4) Accept in writing or by payment the proposed penalty, or any mitigation or remission offered in the notice. Acceptance of the proposed penalty or mitigation or remission shall be deemed a waiver of the notice of assessment and of the right to request a hearing under paragraph (g) of this section.

(d) Petition for relief. The person served with a notice of violation may request that no penalty be assessed or that the amount be reduced, by filing a petition for relief with the Commissioner within 45 calendar days of the date of service of the notice of violation (or of a proposed penalty amount, if later). The petition shall be in writing and signed by the person served with the notice of violation. If the person is a corporation, the petition must be signed by an officer authorized to sign such documents. The petition shall set forth in full the legal or factual basis for the requested relief.

(e) Assessment of penalty. (1) The Commissioner shall assess a civil penalty upon expiration of the period for filing a petition for relief, upon completion of review of any petition filed, or upon completion of informal discussions, whichever is later.

(2) The Commissioner shall take into consideration all available information, including information provided pursuant to paragraphs (c) and (d) of this section or furnished upon further request by the Commissioner.

(3) If the facts warrant a conclusion that no violation has occurred, the Commissioner shall so notify the person served with a notice of violation, and no penalty shall be assessed.

(4) Where the facts warrant a conclusion that a violation has occurred, the Commissioner shall determine a penalty amount in accordance with §1104.15.

(f) Notice of assessment. The Commissioner shall notify the person served with a notice of violation of the penalty amount assessed by serving a written notice of assessment, either in person or by registered or certified mail (return receipt requested). The Commissioner shall include in the notice of assessment:

(1) The facts and conclusions from which it was determined that a violation did occur;

(2) The basis in §1104.15 for determining the penalty amount assessed and/or any offer to mitigate or remit the penalty; and

(3) Notification of the right to request a hearing, including the procedures to be followed, and to seek judicial review of any final administrative decision assessing a civil penalty.

(g) Hearings. (1) Except where the right to request a hearing is deemed to have been waived as provided in paragraph (c)(4) of this section, the person served with a notice of assessment may file a written request for a hearing with the adjudicatory body specified in the notice. The person shall enclose with the request for hearing a copy of the notice of assessment, and shall deliver the request as specified in the notice of assessment, personally or by registered or certified mail (return receipt requested).

(2) Failure to deliver a written request for a hearing within 45 days of the date of service of the notice of assessment shall be deemed a waiver of the right to a hearing.

(3) Any hearing conducted pursuant to this section shall be held in accordance with 5 U.S.C. 554. In any such hearing, the amount of civil penalty assessed shall be determined in accordance with this part, and shall not be limited by the amount assessed by the Commissioner under paragraph (f) of this section or any offer of mitigation or remission made by the Commissioner.

(h) Final administrative decision. (1) Where the person served with a notice of violation has accepted the penalty pursuant to paragraph (c)(4) of this section, the notice of violation shall constitute the final administrative decision;

(2) Where the person served with a notice of assessment has not filed a timely request for a hearing pursuant to paragraph (g)(1) of this section, the notice of assessment shall constitute the final administrative decision;

(3) Where the person served with a notice of assessment has filed a timely request for a hearing pursuant to paragraph (g)(1) of this section, the decision
resulting from the hearing or any applicable administrative appeal therefrom shall constitute the final administrative decision.

(i) Payment of penalty. (1) The person assessed a civil penalty shall have 45 calendar days from the date of issuance of the final administrative decision in which to make full payment of the penalty assessed, unless a timely request for appeal has been filed with a United States District Court as provided in section 7(b)(1) of the Act.

(2) Upon failure to pay the penalty, the Commissioner may request the Attorney General to institute a civil action to collect the penalty in a United States District Court for any district in which the person assessed a civil penalty is found, resides, or transacts business. Where the Commissioner is not represented by the Attorney General, a civil action may be initiated directly by the Commissioner.

(j) Other remedies not waived. Assessment of a penalty under this section shall not be deemed a waiver of the right to pursue other available legal or administrative remedies.

§ 1104.15 Civil penalty amounts.

(a) Maximum amount of penalty. (1) Where the person being assessed a civil penalty has not committed any previous violation of any prohibition in §1104.3 or of any term or condition included in a permit issued pursuant to this part, the maximum amount of the penalty shall be the full cost of restoration and repair of archaeological resources damaged plus the archaeological or commercial value of archaeological resources destroyed or not recovered.

(2) Where the person being assessed a civil penalty has committed any previous violation of any prohibition in §1104.3 or of any term or condition included in a permit issued pursuant to this part, the maximum amount of the penalty shall be double the cost of restoration and repair plus double the archaeological or commercial value of archaeological resources destroyed or not recovered.

(3) Violations limited to the removal of arrowheads located on the surface of the ground shall not be subject to the penalties prescribed in this section.

(b) Determination of penalty amount, mitigation, and remission. The Commissioner may assess a penalty amount less than the maximum amount of penalty and may offer to mitigate or remit the penalty.

(1) Determination of the penalty amount and/or a proposal to mitigate or remit the penalty may be based upon any of the following factors:

(i) Agreement by the person being assessed a civil penalty to return to the Commissioner archaeological resources removed from public lands;

(ii) Agreement by the person being assessed a civil penalty to assist the Commissioner in activity to preserve, restore, or otherwise contribute to the protection and study of archaeological resources on public lands;

(iii) Agreement by the person being assessed a civil penalty to provide information which will assist in the detection, prevention, or prosecution of violations of the Act or this part;

(iv) Demonstration of hardship or inability to pay, provided that this factor shall only be considered when the person being assessed a civil penalty has not been found to have previously violated the regulations in this part;

(v) Determination that the person being assessed a civil penalty did not willfully commit the violation;

(vi) Determination that the proposed penalty would constitute excessive punishment under the circumstances;

(vii) Determination of other mitigating circumstances appropriate to consideration in reaching a fair and expeditious assessment.

(2) When the penalty is for a violation which may have had an effect on a known Indian tribal religious or cultural site on public lands, the Commissioner should consult with and consider the interests of the affected tribe(s) prior to proposing to mitigate or remit the penalty.

§ 1104.16 Other penalties and rewards.

(a) Section 6 of the Act contains criminal prohibitions and provisions for criminal penalties. Section 8(b) of the Act provides that archaeological resources, vehicles, or equipment involved in a violation may be subject to forfeiture.
(b) Section 8(a) of the Act provides for rewards to be made to persons who furnish information which leads to conviction for a criminal violation or to assessment of a civil penalty. The Commissioner may certify to the Secretary of the Treasury that a person is eligible to receive payment. Officers and employees of Federal, State, or local government who furnish information or render service in the performance of their official duties, and persons who have provided information under §1104.15(b)(1)(iii) shall not be certified eligible to receive payment of rewards.

§ 1104.17 Confidentiality of archaeological resource information.

(a) The Commissioner shall not make available to the public, under subchapter II of chapter 5 of title 5 of the United States Code or any other provision of law, information concerning the nature and location of any archaeological resource, with the following exceptions:

1. The Commissioner may make information available, provided that the disclosure will further the purposes of the Act and this part, or the Act of June 27, 1960, as amended (16 U.S.C. 469–469c), without risking harm to the archaeological resource or to the site in which it is located.

2. The Commissioner shall make information available, when the Governor of any State has submitted to the Commissioner a written request for information, concerning the archaeological resources within the requesting Governor’s State, provided that the request includes:

   i. The specific archaeological resource or area about which information is sought;

   ii. The purpose for which the information is sought; and

   iii. The Governor’s written commitment to adequately protect the confidentiality of the information.

§ 1104.18 Report to the Secretary of the Interior.

The Commissioner, when requested by the Secretary of the Interior, shall submit such information as is necessary to enable the Secretary to comply with section 13 of the Act.

Subpart A—General Provisions

§ 1203.735–101 Purpose.

The maintenance of the highest standards of honesty, integrity, impartiality, and conduct by Government employees and special Government employees is essential to assure the proper performance of the Government business and the maintenance of confidence by citizens in their Government. The avoidance of misconduct and conflicts of interest on the part of Government employees and special Government employees through informed judgment is indispensable to the maintenance of these standards. To accord with these concepts the regulations in this part prescribe standards of conduct and responsibilities for employees and special Government employees and require statements reporting employment and financial interests.

NOTE: These regulations are codified in State 3 FAM 620, AID Handbook 24, and ICA MOA V–A 550.

§ 1203.735–102 Definitions.

(a) Agency means the United States International Development Cooperation Agency (IDCA).

(b) Employee means an officer or employee at home or abroad, of an agency named in paragraph (a) of this section, but does not include a special Government employee or a member of the Army, Navy, Air Force, Marine Corps, Coast Guard, National Oceanic and Atmospheric Administration, or Public Health Service.

(c) Executive order means Executive Order 11222 of May 8, 1965, as amended.

(d) Person means an individual, a corporation, a company, an association, a firm, a partnership, a society, a joint stock company, or any other organization or institution.

(e) Special Government employee means an officer or employee of an agency who is retained, designated, appointed, or employed to perform, with or without compensation, for not to exceed 130 days during any period of 365 consecutive days, temporary duties either on a full-time or intermittent basis.

(f) Member of an employee's family means a spouse, minor child, or other member of an employee's immediate household. For the purpose of these regulations member of an employee's immediate or in-law household means those blood relations who are residents of the employee's household.

(g) Counselor means the agency's Counselor on Ethical Conduct and Conflicts of Interest.

§ 1203.735–103 Interpretation and advisory service.

(a) Counseling services on employee responsibilities and conduct are available in each agency. These services are to be coordinated by a Counselor appointed by the agency head. The Counselor for IDCA is the General Counsel. The Counselor serves as the agency's designee to the Civil Service Commission on matters covered by the regulations in this part and is responsible for coordination of the agency's counseling services under paragraph (b) of this section and for assuring that counseling and interpretations on questions of conflicts of interest and other matters covered by these sections are available to deputy counselors designated under paragraph (b) of this section.

(b) Each agency head may designate deputy counselors for the agency's employees and special Government employees. Deputy Counselors designated under this section must be qualified and in a position to give authoritative advice and guidance to each employee and special Government employee who seeks advice and guidance on questions of conflicts of interest and on other matters covered by the regulations in this part. A Washington employee or special Government employee should address any inquiries concerning the regulations in this part to the Counselor. At missions abroad the chief of each agency's establishment designates an officer, preferably the legal officer where one is available, to provide counseling services under the guidance of the Counselor; a single officer may serve all agencies. An employee or special Government employee serving abroad should submit inquiries to the officer designated.
§ 1203.735–202 Gifts, entertainment, and favors.

(a) Acceptance prohibited. Except as provided in paragraphs (b), (c), and (d) of this section, an employee shall not solicit or accept, directly or indirectly, any gift, gratuity, favor, entertainment, loan, or any other thing of monetary value, from a person who:

(1) Has, or is seeking to obtain, contractual or other business or financial relations with the employee’s agency;

(2) Conducts operations or activities that are regulated by the employee’s agency;

(3) Has interests that may be substantially affected by the performance or nonperformance of the employee’s official duty; or

(4) Appears to be offering the gift with the hope or expectation of obtaining advantage or preferment in dealing with the U.S. Government for any purpose.

(b) Acceptance permitted. The provisions of paragraph (a) of this section do not apply to:

(1) Gifts, gratuities, favors, entertainments, loans, or any other thing of monetary value received on account of close family or personal relationships when the circumstances make it clear that it is that relationship rather than the business of the persons concerned which is the motivating factor;

(2) Acceptance of loans from banks or other financial institutions on customary terms to finance proper and usual activities of employees, such as home mortgage loans;

(3) Acceptance of unsolicited advertising or promotional material, such as pens, pencils, note pads, calendars, and other items of nominal intrinsic value;

(4) Acceptance of rates and discounts offered to employees as a class.
§ 1203.735–203 Gifts from foreign governments.

An employee shall not accept a gift, present, decoration, or other thing from a foreign government unless authorized by Congress as provided by the Constitution and in 5 U.S.C. 7342, and the regulations promulgated thereunder pursuant to E.O. 11320, 31 FR 15789. These regulations are set forth in

§ 1203.735–204

Neither this section nor § 1203.735–204 precludes an employee from receipt of bona fide reimbursement, unless prohibited by law, for expenses of travel and other necessary subsistence as is compatible with this part for which no Government payment or reimbursement is made. However, this paragraph does not allow an employee to be reimbursed, or payment to be made on the employee’s behalf, for excessive personal living expenses, gifts, entertainment, or other personal benefits, nor does it allow an employee to be reimbursed by a person for travel on official business under agency orders when reimbursement is proscribed by Decision B–128527 of the Comptroller General dated March 7, 1967.
§ 1203.735–204 Outside employment and other activity.

(a) An employee shall not engage in outside employment or other outside activity not compatible with the full and proper discharge of the duties and responsibilities of Government employment. Incompatible activities include but are not limited to:

(1) Acceptance of a fee, compensation, gift, payment of expense, or any other thing of monetary value in circumstances in which acceptance may result in, or create the appearance of, conflicts of interest; or

(2) Outside employment which tends to impair the employee’s mental or physical capacity to perform Government duties and responsibilities in an acceptable manner.

(b) An employee shall not receive any salary or anything of monetary value from a private source as compensation for the employee’s services to the Government (18 U.S.C. 209).

(c) Employees are encouraged to engage in teaching, lecturing, and writing that is not prohibited by law, the Executive order, this part, or the agency regulations. However, an employee shall not, either for or without compensation, engage in teaching, lecturing, or writing including teaching, lecturing, or writing for the purpose of the special preparation of a person or class of persons for an examination of the Civil Service Commission or Board of Examiners for the Foreign Service, that is dependent on information obtained as a result of Government employment, except when that information has been made available to the general public or will be made available on request or when the agency head gives written authorization for use of nonpublic information on the basis that the use is in the public interest. In addition, an employee who is a Presidential appointee covered by section 401(a) of the Executive order shall not receive compensation or anything of monetary value for any consultation, lecture, discussion, writing, or appearance the subject matter of which is devoted substantially to the responsibilities, programs, or operations of the employee’s agency, or which draws substantially on official data or ideas which have not become part of the body of public information. Employees are referred to the detailed rules of their agency with respect to clearance and acceptance of compensation (See AID Handbook 18).

(d) [Reserved]

(e) An employee shall not render any services, whether or not compensated, to any foreign government, state, province, or semigovernmental agency, or municipality of any foreign government, or to any international organization of states. However, this shall not prevent the rendering of such services by employees acting on behalf of the United States. Nor shall this provision prevent the rendering of services to an international organization of states when otherwise consistent with law and when authorized by the appropriate officer. The appropriate officer for IDCA is the Assistant Director for Administration.

(f) [Reserved]

(g) This section does not preclude an employee from:

(1) Participation in the activities of national or State political parties not proscribed by law.

(2) Participation in the affairs of or acceptance of an award for a meritorious public contribution or achievement given by a charitable, religious, professional, social, fraternal, nonprofit educational and recreational, public service, or civic organization.

§ 1203.735–205 Financial interests.

(a) An employee shall not: (1) Have a direct or indirect financial interest that conflicts substantially, or appears to conflict substantially with the employee’s Government duties and responsibilities; or

(2) Engage in, directly or indirectly, a financial transaction as a result of, or primarily relying on, information obtained through Government employment.

(b) This section does not preclude an employee from having a financial interest or engaging in financial transactions to the same extent as a private citizen not employed by the Government so long as it is not prohibited by law or the regulations in this part.
(c) Pursuant to the provision of 18 U.S.C. 208(b) the following described financial interests of an employee are hereby exempted from the requirements of 18 U.S.C. 208(a) and 208(b)(1) as being too remote or too inconsequential to affect the integrity of the services of an employee. The exemption applies to the financial interests held directly by an employee, by the employee’s spouse or minor child whether individually or jointly with the employee, or by an employee and any partner or partners as joint assets of the partnership:

1. Investments in State and local government bonds; and stocks, bonds, or policies in a mutual fund, investment company, bank or insurance company, provided that in the case of a mutual fund, investment company, or bank, the fair value of such stock or bond holding does not exceed one percent of the value of the reported assets of the mutual fund, investment company, or bank. In the case of a mutual fund or investment company, this exemption applies only where the assets of the fund or company are diversified; it does not apply where the fund or company specializes in a particular industry or commodity.

2. Interest in an investment club or other group organized for the purpose of investing in equity or debt securities: Provided, That the fair value of the interest involved does not exceed $10,000 and that the interest does not exceed one-fourth of the total assets of the investment club or group. Where an employee covered by this exemption is a member of a group organized for the purpose of investing in equity or debt securities, the interest of the employee in any enterprise in which the group holds securities shall be based upon the employee’s equity share of the holdings of the group in that enterprise.

3. If an employee, or the employee’s spouse or minor child has a present beneficial interest or a vested remainder interest under a trust, the ownership of stocks, bonds, or other corporate securities under the trust will be exempt to the same extent as provided in paragraphs (c)(1) and (2) of this section for the direct ownership of such securities. The ownership of bonds other than corporate bonds, or of shares in a mutual fund or regulated investment company, under the trust will be equally exempt and to the same extent as under paragraphs (c)(1) and (2) of this section.

4. If an employee is an officer, director, trustee, or employee of an educational institution, or if the employee is negotiating for, or has an arrangement concerning prospective employment with such an institution, a direct financial interest which the institution has in any matter will not itself be exempt, but any financial interest that the institution may have in the matter through its holdings of securities issued by business entities will be exempt: Provided, The employee is not serving as a member of the investment committee of the institution or is not otherwise advising it on its investment portfolio.

5. An employee may continue to participate in a bona fide pension, retirement, group life, health or accident insurance plan, or other employee welfare or benefit plan that is maintained by a business or nonprofit organization by which the employee was formerly employed. Such financial interest in that organization will be exempt, except to the extent that the welfare or benefit plan is a profit-sharing or stock-bonus plan and the employee’s financial interest thereunder exceeds $10,000. This exemption extends also to any financial interests that the organization may have in other business activities.

(d) Nothing in this part shall be deemed to prohibit an employee from acting, with or without compensation, as agent or attorney for the employee’s parents, spouse, child, or any person for whom, or for any estate for which, the employee is serving as guardian, executor, administrator, trustee, or other personal fiduciary, except in those matters in which the employee has participated personally and substantially as a Government employee, through decision, approval, disapproval, recommendation, the rendering of advice, investigation, or otherwise, or which are the subject of the employee’s official responsibility, as defined in 18 U.S.C. 202(b): Provided, The head of the employee’s division approves in writing.
§ 1203.735–206 Economic and financial activities of employees abroad.

(a) Prohibitions in any foreign country. A U.S. citizen employee abroad is specifically prohibited from engaging in the activities listed below in any foreign country.

1. Speculation in currency exchange.
2. Transactions at exchange rates differing from local legally available rates, unless such transactions are duly authorized in advance by the agency.
3. Sales to unauthorized persons (whether at cost or for profit) of currency acquired at preferential rates through diplomatic or other restricted arrangements.
4. Transactions which entail the use, without official sanction, of the diplomatic pouch.
5. Transfers of funds on behalf of blocked nationals, or otherwise in violation of U.S. foreign funds and assets control.
6. Independent and unsanctioned private transactions which involve an employee as an individual in violation of applicable control regulations of foreign governments.
7. Acting as a intermediary in the transfer of private funds from persons in one country to persons in another country, including the United States.
8. Permitting use of one’s official title in any private business transactions or in advertisements for business purposes.

(b)–(c) [Reserved]
(d) Business activities of non-U.S. citizen employees. A non-U.S. citizen employee abroad may engage in outside business activities with the prior approval of the head of the overseas establishment on the basis of the standards expressed in §1203.735–204(a).

§ 1203.735–207 Use of Government property.

An employee shall not directly or indirectly use, or allow the use of Government property of any kind, including property leased to the Government, for other than officially approved activities. An employee has a positive duty to protect and conserve Government property, including equipment, supplies, and other property entrusted or issued to the employee.

§ 1203.735–208 Misuse of information.

For the purpose of furthering a private interest, an employee shall not, except as provided in §1203.735–204(c) directly or indirectly use, or allow the use of, official information obtained through or in connection with Government employment which has not been made available to the general public.

§ 1203.735–209 Indebtedness.

An employee shall pay each just financial obligation in a proper and timely manner, especially one imposed by law such as Federal, State, or local taxes. For the purpose of this section, a just financial obligation means one acknowledged by the employee or reduced to judgement by a court or one imposed by law such as Federal, State, or local taxes, and ‘in a proper and timely manner’ means in a manner which the agency determines does not, under the circumstances, reflect adversely on the Government as the employer. In the event of dispute between an employee and an alleged creditor, this section does not require an agency to determine the validity or amount of the disputed debt.

§ 1203.735–210 Gambling, betting, and lotteries.

An employee shall not participate, while on Government-owned or leased property or while on duty for the Government, in any gambling activity including the operation of a gambling device, in conducting a lottery or pool, in a game for money or property, or in selling or purchasing a numbers slip or ticket. However, this section does not preclude activities:

(a) Necessitated by an employee’s law enforcement duties; or
(b) Under section 3 of Executive Order 10927 and similar agency-approved activities.

§ 1203.735–211 Activities relating to private organizations and politics.

§ 1203.735–211  22 CFR Ch. XII (4–1–00 Edition)

(b) Participation in activities of employee organizations. An employee may join or refrain from joining employee organizations or associations without interference, coercion, restraint, or fear of discrimination or reprisal.

(c) Participation in activities of private organizations. In participating in the program and activities of any private organization, an employee shall make clear that the employee’s agency has no official connection with such organization and does not necessarily sponsor or sanction the viewpoints which it may express.

(d) Legal restrictions on membership in certain organizations. An employee shall not have membership in any organization that advocates the overthrow of our constitutional form of Government in the United States, knowing that such organization so advocates (5 U.S.C. 7311, 18 U.S.C. 1918).

(e) Private organizations concerned with foreign policy or other matters of concern to agencies. (1) Limitation on participation. When a private organization is concerned primarily with foreign policy or international relations or other matters of concern to an employee’s agency, an employee shall limit connection therewith as follows: Unless specifically permitted to do so, the employee may not serve as advisor, officer, director, teacher, sponsor, committee chairman, or in any other official capacity or permit the employee’s name to be used on a letterhead, in a publication, or otherwise so as to employ the prestige of the U.S. Government to enhance that of the organization or to imply official sponsorship.

(2) Request for special permission. Special permission to assume or continue a connection prohibited by paragraph (e)(1) of this section may be granted in cases where the public interest will not be adversely affected. To request such permission, or to determine whether the provisions are applicable to a particular case, the employee shall address a memorandum setting forth all of the circumstances to the appropriate officer. The appropriate officer for IDCA is the Assistant Director for Administration.

(3) Application to senior officers. Because of the prominence resulting from their official positions, chiefs of mission and other senior officers should recognize the particular bearing of the provisions of paragraph (e)(1) of this section upon their activities. They should restrict association with any organizations involving foreign nations and the United States to simple membership and should not accept even honorary office in such organizations except with the specific prior approval as provided in paragraph (e)(2) of this section.

(f) Private organizations not concerned with foreign policy. When the purpose and program of the organization do not fall primarily within the field of foreign policy or international relations, the employee’s activity is limited only to the following extent:

(1) The employee’s official title or connection may be used to identify the employee, as in a civic association election, but may not be used on a letterhead, in a publication, or otherwise so as to employ the prestige of the U.S. Government to enhance that of the organization or to imply official sponsorship.

(2) When the employee is a representative of an association consisting of IDCA employees, or of a group of such employees, the employee’s activity is limited only to the following extent:

(i) The employee’s official title or connection may be used to identify the employee, as in a civic association election, but may not be used on a letterhead, in a publication, or otherwise so as to employ the prestige of the U.S. Government to enhance that of the organization or to imply official sponsorship.

(h) Political activities abroad. A U.S. citizen employee shall not engage in any form of political activity in any foreign country.

(i) Activities relating to U.S. politics. The law (5 U.S.C. 7324, formerly the Hatch Act) provides in summary that it is unlawful for any Federal employee
of the executive branch to use the employee’s official authority or influence for the purpose of interfering with an election or affecting the result thereof, or to take any active part in political management or in political campaigns. These restrictions do not in any way affect the right of a Federal employee (1) to vote as the employee chooses; (2) to express personal political opinions, except as part of a campaign; (3) to make or refrain from making contributions to political organizations, provided contributions are not made in a Federal building or to another Federal officer or employee (see 18 U.S.C. 602, 603, 607, and 608); (4) to participate in local, nonpartisan activities.

§ 1203.735–212 Wearing of uniforms.

(a) An employee of the Foreign Service may not wear any uniform except as may be authorized by law or as a military commander may require civilians to wear in a theater of military operations (22 U.S.C. 803). When an employee is authorized by law or required by a military commander of the United States to wear a uniform, care shall be taken that the uniform is worn only at authorized times and for authorized purposes.

(a) Making recommendations in official capacity. In general, an employee shall not, in the employee’s official capacity, make any recommendations in connection with the employment of persons unless the position concerned is with the Government of the United States and the recommendations are made in response to an inquiry from a Government official authorized to employ persons or to investigate applicants for employment. A principal officer in answer to a letter of inquiry from outside the U.S. Government concerning a former employee assigned to the post, may state the length of time the person was employed at the post and the fact that the former employee performed duties in a satisfactory manner, if such is the case. Also, an AID Mission Director may provide names of persons or firms from which a cooperating government may select an employee or firm to be used in some phase of the AID program.

(b) Making personal recommendations. An employee may make a personal recommendation in connection with the employment of any person, including present or former employees, their spouses and/or members of their families, except for employment in a position of trust or profit under the government of the country to which the employee is accredited or assigned (22 U.S.C. 806(b)): Provided, That the employee does not divulge any information concerning the person derived from official sources. When a letter of introduction or recommendation is written by an employee, precautionary measures should be taken to prevent its being construed as official correspondence and used by an unscrupulous individual to impress American or foreign officials. Accordingly, official stationery should not be used for this purpose. The letter may, however, show the recommending employee’s status as an employee of the U. S. Government. Every personal letter of recommendation shall contain a statement clearly indicating that the letter constitutes a personal recommendation and is not to be construed as an official recommendation by the Government of the United States.

§ 1203.735–214 Transmitting communications and gifts.

The Counselor shall attach a written opinion to the request, prepare a recommended written determination in final form for signature by the appropriate agency official, and shall forward all documents to that official.

(c) The determination of the appropriate agency official will be sent to the employee by the Counselor. part shall be submitted. The individual submitting a statement should retain a copy for the individual’s own records.

§ 1203.735–406 Submission of position description.

Each Statement of Employment and Financial Interests or annual supplement thereto must be accompanied by a full description of the employee’s principal governmental duties. The description should be particularly detailed in regard to those duties which might possibly be an element in a conflict of interest. If the statement indicates that the employee has no outside employment or financial interests, the employee need not submit a description of duties. For a special Government employee, the employing office shall submit the description.

§ 1203.735–407 Supplementary statements.

(a) Employees, as defined in paragraphs (b) and (c) of §1203.735–401, shall report changes in, or additions to, the information contained in their statements of employment and financial interests in supplementary statements as of June 30 each year. (b) All special Government employees, as defined in paragraph (a) of §1203.735–401, shall submit a current statement at the time their appointments are extended. A supplementary report indicating any changes in, or additions to the information already submitted will be accepted in lieu of a full submission. If there are no changes or additions, a negative report is required.

(c) Notwithstanding the filing of reports required by this section, each employee shall at all times avoid acquiring a financial interest that could result, or taking an action that would result, in a violation of the conflicts-of-interest provisions of section 208 of title 18, United States Code, or subpart B of this part.

(d) An employee is also to keep current the employee’s description of principal duties as to changes or additions...
which might possibly be an element in a conflict of interest. The employing office shall submit descriptions of changes in the principal duties of a special Government employee as they occur.

§ 1203.735–408 Review of statements and determination as to conflicts of interest.

(a) On the basis of the Statement of Employment and Financial Interests submitted by each employee or special Government employee, or on the basis of information received from other sources, the Counselor shall determine, in the light of the duties which that employee or special Government employee is or will be performing, whether any conflicts of interest, real or apparent, are indicated. The Counselor shall make this determination based on the applicable statutes, the Executive order, and the applicable regulations of the Civil Service Commission, and of the agency.

(b) Where the Counselor’s determination in a particular case is that a conflict of interest, real or apparent, is indicated, the Counselor shall initiate informal discussions with the employee or special Government employee concerned. These discussions shall have as their objectives:

(1) Providing the individual with a full opportunity to explain the conflict or appearance of conflict; and

(2) Arriving at an agreement (acceptable to the Counselor, the individual and the individual’s immediate superior) whereby the conflict of interest may be removed or avoided. Such an agreement may include, but is not limited to: (i) Changes in assigned duties; (ii) divestiture of the financial or employment interest creating the conflict or apparent conflict; or (iii) disqualification for a particular assignment.

(c) Where an acceptable agreement cannot be obtained pursuant to paragraph (b) of this section, the Counselor shall present findings and recommendations to the officer designated by the agency head, who shall decide which remedy is most appropriate to remove or correct that conflict or apparent conflict. Remedial action under this paragraph may include disciplinary action, including separation for cause, or any of the actions enumerated in paragraph (b)(2) of this section and shall be effective in accordance with applicable laws, Executive orders, and regulations.

(d) Written summaries of all agreements and decisions arrived at pursuant to paragraph (b) or (c) of this section shall be placed in the Counselor’s files. Copies shall also be made available to the employee or special Government employee concerned.

§ 1203.735–409 Confidentiality of employees’ statements.

An agency shall hold each statement of employment and financial interests, and each supplementary statement, in confidence. To insure this confidentiality only the Counselor and Deputy Counselors are authorized to review and retain the statements. The Counselor and Deputy Counselors are responsible for maintaining the statements in confidence and shall not allow access to, or allow information to be disclosed from, a statement except to carry out the purpose of this part. An agency may not disclose information from a statement except as the Civil Service Commission or the agency head may determine for good cause shown.

§ 1203.735–410 Effect of employees’ statements on other requirements.

The statements of employment and financial interests and supplementary statements required for employees are in addition to, and not in substitution for, or in derogation of, any similar requirement imposed by law, order, or regulation. The submission of a statement or supplementary statement by an employee does not permit the employee or any other person to participate in a matter in which the employee or the other person’s participation is prohibited by law, order, or regulation. Save with respect to those financial interests excepted from the conflict of interest prohibitions of 18 U.S.C. 208(a) pursuant to a written advance determination under §1203.735–217 or exempted by the provisions of §1203.735–205(c), an employee must disqualify himself or herself from participating in any matter in which the employee has a financial interest.
§ 1203.735–411 Disqualification procedures.

(a) Where an employee is prohibited from participating in a matter because of a conflicting financial interest that is not exempt under §1203.735–205(c) or has not been specifically excepted by the appropriate agency official pursuant to §1203.735–217 in advance of the employee’s participation in the particular matter, the employee shall conduct himself or herself in accordance with the following provisions:

1. The employee shall promptly disclose the financial interest in such matter to the employee’s immediate superior. The superior will thereupon relieve the employee of duty and responsibility in the matter.

2. In foreign posts, it may be impossible or highly impracticable for an employee, who has a disqualifying financial interest, to assign the matter for official action to anyone other than a subordinate. In this event, the employee must instruct the subordinate to report fully and directly to the immediate superior to whom the employee himself or herself would normally report. The employee must concurrently direct such subordinate to take such action as may be appropriate in the matter, and without thereafter revealing to the disqualified employee in any way any aspect of the particular matter.

(b) Nothing herein precludes the employee from disposing of such disqualifying financial interest, thereby wholly eliminating the conflict of interest. In some circumstances, where the employee may not obtain an exception under §1203.735–217, or may not disqualify himself or herself and refer or assign the matter to another employee, the performance of duty may even require divestiture.

(c) Where a supervisor has reason to believe that a subordinate employee may have a conflicting financial interest, the supervisor should discuss the matter with the employee. If the supervisor finds that a conflict of interest does exist, the supervisor must relieve the subordinate employee of duty and responsibility in the particular matter.

(d) The obligation to avoid conflicts of interest is upon each employee. It is a continuing obligation calling for alert vigilance.

(e) Notwithstanding any other provision of this part to the contrary, if a employee’s holdings rise in value above the amount exempted by §1203.735–205(c), then the statutory and regulation prohibitions apply in a conflict of interest situation.

(c) RFE/RL Inc. shall maintain regular liaison with the U.S. Consulate in Munich for the discussion of developments in Eastern Europe and the Soviet Union. To the extent that important policy issues arise during these discussions, they shall be brought to the attention of the BIB.

(d) Although RFE/RL Inc. may maintain informal contacts with the U.S. missions in Europe and elsewhere, it is to remain an independent journalistic organization. RFE/RL Inc. does not speak on behalf of the U.S. Government.

§ 1300.6 The RFE/RL professional code.

This proposal should be in writing, followed by a verbal discussion at the staff level. The Chairman’s approval is required of the financial assumptions and any proposed enhancements or reductions.

(b) The budget presentation specified in paragraph (a) of this section shall be consistent with guidelines presented to RFE/RL by the BIB, based on the ceiling established by the Office of Management and Budget (OMB).

(c) Based on the BIB guidelines, the OMB ceiling, and the budget decisions resulting from the presentation specified in paragraph (a) of this section RFE/RL shall submit to the BIB a formal budget request no later than August 1 of each year, and the BIB shall arrange for RFE/RL to present its budget to the Chairman and to members of the BIB, as appropriate. Final decisions by the Board shall be communicated to RFE/RL which shall revise the budget request accordingly.

(d) The BIB shall present the budget to OMB for approval and subsequently to the authorization and appropriations committees of Congress. In making such presentations, representatives of the BIB will be accompanied when feasible by the President of RFE/RL or his designee, and any additional RFE/RL staff as requested.

(e) Expenditures during a fiscal year by RFE/RL shall correspond to the final budget as approved by the Congress. On or before October 1 of each year, RFE/RL shall submit to BIB a fiscal year financial plan which provides on a monthly basis projected expenditures by object class for each of its programs and activities.

(1) For each object class line item of more than $250,000 in RFE/RL’s financial plan, any reprogramming of funds in excess of $250,000, or 10% of the budgeted amount for that item, whichever is less, shall require prior approval of the BIB. In this event, RFE/RL shall submit a request for reprogramming authority or a plan for offsetting the deviation in succeeding fiscal quarters. Quarterly financial reports to the BIB shall indicate all object class line item expenditures which deviated from the budgeted amount by more than $250,000 or 10% of the budgeted amount, whichever is less, and will include an explanation for the deviations.

§ 1300.10 Financial oversight.

(b) The BIB recognizes that in the normal course of business RFE/RL management will have contacts with members and staff of Congress, officials of Federal agencies, U.S. diplomatic personnel overseas, and representatives of foreign governments in order to further the mission of RFE/RL. The BIB further recognizes that the operational requirements of RFE/RL, Inc., necessitate a close working relationship with various overseas governmental and private business organizations such as the German Bundespost and the Portuguese and Spanish PTTs. RFE/RL, Inc., shall keep the Chairman of the Board and the Executive Director of BIB apprised of any such contacts that may affect the interests of the United States Government.

(c) Nothing herein shall be construed to limit the normal exercise of professional duties by RFE/RL news, research, and program personnel. 1302.8 Recordkeeping of closed meetings.

§ 1302.1 General policies.

The Board for International Broadcasting will provide the public with the fullest practical information regarding its decisionmaking processes while protecting the rights of individuals and its abilities to carry out its responsibilities.

§ 1302.2 Definitions.

The following definitions apply:

(a) The term *agency* includes any establishment in the executive branch of the government headed by a collegial body composed of two or more individual members, a majority of whom are appointed to such position by the President with the advice and consent of the Senate, and any subdivision thereof authorized to act on behalf of the agency. The Board for International Broadcasting is a government agency headed by a five-member Board, all of whom are appointed by the President with the advice and consent of the Senate, and is therefore an "agency" under these terms.

(b) The term *meeting* means the deliberation of this Board where such deliberations determine or result in the joint conduct or disposition of official Board business.

(c) The term *member* means an individual who belongs to the Board who has been appointed by the President and confirmed by the Senate.

§ 1302.3 Requirement of open meetings.

Members shall not jointly conduct or dispose of agency business other than in accordance with this section. Except as provided in §1302.4 every portion of every meeting of the agency shall be open to public observation.

§ 1302.4 Grounds on which meetings may be closed.

The Board shall open every portion of every meeting of the agency for public observation except where the agency determines that such portion or portions of its meeting or the disclosure of such information is likely to:

(a) Disclose matters that are:

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy and

(2) In fact properly classified pursuant to such Executive order;

(b) Relate solely to the internal personnel rules and practice of the agency;

(c) Disclose matters specifically exempted from disclosure by statute: *Provided*, That such statute:

(1) Requires that the matters be withheld from the public in such manner as to leave no discretion on the issue, or

(2) Established practical criteria for withholding or refers to particular types of matters to be withheld;

(d) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(e) Involve accusing any person of a crime, or formally censuring any person;

(f) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(g) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would:

(1) Interfere with enforcement proceedings,

(2) Deprive a person of a right to a fair trial of an impartial adjudication,

(3) Constituted an unwarranted invasion of personal privacy,

(4) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential source,

(5) Disclose investigative techniques and procedures, or

(h) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action.

This shall not apply in any instance where the Board has already
disclosed to the public the content or nature of its proposed action, or where
the Board is required by law to make such disclosure on its own initiative prior to taking final Board action on such proposal;
(i) Specifically concern the Board’s issuance of a subpoena, or the Board’s participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct or disposition by the Board of a particular case of formal agency adjudication pursuant to the procedures in section 554, of this title or otherwise involving a determination on the record after opportunity for a hearing.
§ 1302.5 Procedures for announcing meetings.
(a) In the case of each meeting, the Board shall make public, at least one week before the meeting, the time, place, and subject matter of the meeting, whether it is to be open or closed to the public, and the name and phone number of the official designated by the Board to respond to requests for information about the meeting. Such announcement shall be made unless a majority of the members of the Board determine by a recorded vote that the Board requires that such a meeting be called at an earlier date, in which case the Board shall make public announcement of the time, place and subject matter of such meeting and whether open or closed to the public, at the earliest practical time.
(b) Immediately following the public announcement, the Board will publish it in the FEDERAL REGISTER.
§ 1302.6 Procedures for closing meetings.
(a) The closing of a meeting shall occur only when:
(1) A majority of the membership of the Board votes to take such action. A separate vote of the Board members shall be taken with respect to each Board meeting a portion or portions of which are proposed to be closed to the public pursuant to §1302.4, or with respect to any information which is proposed to be withheld under §1302.4. A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in such series. The vote of each Board member participating in such vote shall be recorded and no proxies shall be allowed.
(2) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Board close such portion to the public for any of the reasons referred to in §1302.4 (e), (f) or (g), the Board, upon request of any of its Board members, shall take a recorded vote, whether to close such portion of the meeting.
(b) Within one day of any vote taken, the Board shall make publicly available a written copy of such vote reflecting the vote of each member on the question and full written explanation of its action closing the entire or portion of the meeting together with a list of all persons expected to attend the meeting and their affiliation.
(c) The Board shall announce the time, place and subject matter of the meeting at least eight (8) days before the meeting.
(d) For every closed meeting, the Executive Director of the Board shall publicly certify that, in his or her opinion, the meeting may be closed to the public and shall state each relevant exemptive provision. A copy of such certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting, and the persons present, shall be retained by the Board.
§ 1302.7 Reconsideration of opening or closing a meeting.
The time or place of a Board meeting may be changed following the public announcement only if the Board publicly announces such change at the earliest practicable time. The subject matter of a meeting, or the determination of the agency to open or close a meeting, or portion of meeting, to the public, may be changed following the public announcement only if a majority of the Board members determines by a recorded vote that Board business
so requires and that no earlier announcement of the change was possible, and the Board publicly announces such change and the vote of each member upon such change at the earliest practicable time.

§ 1302.8 Recordkeeping of closed meetings.
(a) The Board shall maintain a written record of the proceedings of each meeting, or portion of a meeting, closed to the public.
(b) The Board, after review by the Executive Director shall make promptly available to the public in a place easily accessible to the public, the written record of the discussion of any time on the agenda, or any item of the testimony of any witness received at the Board meeting, except for such item or items of such discussion or testimony as the Board determines to contain information which may be withheld under §1302.4. Copies of such record, disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication. The Board shall maintain a detailed written copy of the minutes of each meeting, or portion of a meeting, closed to the public, for a period of at least two years after such meeting, or until one year after the conclusion of any Board proceeding with respect to which the meeting or portion was held, whichever occurs later.

It is the policy of the Board for International Broadcasting (BIB) to act in accordance with Executive Order 12356 in matters relating to national security information.

[48 FR 28984, June 24, 1983]

§ 1303.2 Program.
The Executive Director is designated as the BIB’s official responsible for implementation and oversight of information security programs and procedures. He acts as the recipient of questions, suggestions and complaints regarding all elements of this program, and is solely responsible for changes to it and for ensuring that it is at all times consistent with Executive Order 12356. The Executive Director also serves as the BIB’s official contact for requests for declassification of materials submitted under the provisions of Executive Order 12356, regardless of the point or origin of such requests. He is responsible for ensuring that requests submitted under the Freedom of Information Act are handled in accordance with that Act and that declassification requests submitted under the provisions of Executive Order 12356 are acted upon within 60 days of receipt.

[48 FR 28984, June 24, 1983]

§ 1303.3 Procedures.
(a) Mandatory declassification review.
Requests for mandatory review of national security information shall be in writing and addressed to the Executive Director, Board for International Broadcasting, Suite 1100, 1201 Connecticut Avenue, NW., Washington, DC 20036. The request should describe the document or material containing the information with sufficient specificity to enable the Board’s personnel to locate it with a reasonable amount of effort. In light of the fact that the BIB does not have original classification authority and national security information in its custody has been classified by another Federal agency, the Executive Director shall refer all requests for national security information in its custody to the Federal agency that classified it for review and disposition in accordance with Executive Order 12356 and that agency’s regulations and guidelines.

(b) Handling. All classified documents shall be delivered to the Executive Director or his designee immediately upon receipt. All potential recipients of such documents shall be advised of the names of such designees and updated information as necessary. In the event that the Executive Director or his designee is not available to receive such documents, they shall be turned over to the Budget and Administrative...

Officer and secured, unopened, in the combination safes located in the file room of the BIB offices until the Executive Director or his designee is available. Under no circumstances shall classified materials that cannot be delivered to the Executive Director or his designee be stored other than in the designated safes.

(c) Reproduction. Reproduction of classified material shall take place only in accordance with Executive Order 12065, section 4–4, and any limitations imposed by the originator. Should copies be made, they are subject to the same controls as the original document. Records showing the number and distribution of copies shall be maintained, where required by the executive order, by the Budget and Administrative Officer, and the log shall be stored with the original documents. These measures shall not restrict reproduction for the purposes of mandatory review.

(d) Storage. All classified documents shall be stored in the combination safes located in the file room of the BIB offices. The combination shall be changed as required by Information Security Oversight Office (ISOO) Directive No. 1, section IV–F–5–a. The combination shall be known only to the Executive Director and his designees each of whom must have the appropriate security clearance.

(e) Employee education. All employees who have been granted a security clearance and who have occasion to handle classified materials shall be advised of handling, reproduction and storage procedures and shall be required to review Executive Order 12065 and appropriate ISOO directives. This shall be accomplished by a memorandum to all affected employees at the time these procedures are implemented. New employees will be instructed in procedures as they enter employment with the BIB.

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.
(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—
(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or
(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.
(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 1304.131—1304.139 [Reserved]

§ 1304.140 Employment.
No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1304.141—1304.148 [Reserved]

§ 1304.149 Program accessibility: Discrimination prohibited.
Except as otherwise provided in §1304.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1304.150 Program accessibility: Existing facilities.
(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—
(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons; or
(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1304.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.
(b) Methods. The agency may comply with the requirements of this section
through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by June 6, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by April 7, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by October 7, 1986, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 1304.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 1304.152—1304.159 [Reserved]

§ 1304.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons
with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1304.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 1304.161—1304.169 [Reserved]

§ 1304.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Executive Director shall be responsible for coordinating implementation of this section. Complaints may be sent to the Budget and Administrative Office, 1201 Connecticut Avenue, NW., Suite 400, Washington, DC 20036.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found;

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1304.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the
date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

(2) If all of the records have not been located or a final determination has not been made with respect to disclosure of all the records requested, the response shall state the extent to which the records involved shall be disclosed pursuant to the rules established in this part.

(3) If the request is expected to involve an assessed fee in excess of $25.00, the response shall specify or estimate the fee involved and shall require prepayment of any charges in accordance with the provisions of paragraph (a) of § 1411.10 before the records are made available.

(4) Whenever possible, the response relating to a request for records that involves a fee of less than $25.00 shall be accompanied by the requested records. § 1411.8

(2) The Chairperson of the Board or the General Counsel, as appropriate, shall, within twenty (20) working days from the time of receipt of the appeal, except as provided in §1411.8, make a determination on the appeal and respond in writing to the requester, determining whether, or the extent to which, the request shall be complied with.

(i) If the determination is to comply with the request and the request is expected to involve an assessed fee in excess of $25.00, the determination shall specify or estimate the fee involved and shall require prepayment of any charges due in accordance with the provisions of paragraph (a) of §1411.10 before the records are made available.

(ii) Whenever possible, the determination relating to a request for records that involves a fee of less than $25.00 shall be accompanied by the requested records. Where this is not possible, the records shall be forwarded as soon as possible thereafter, consistent with other obligations of the Board.

(c) If on appeal the denial of the request for records is upheld in whole or in part by the Chairperson of the Board, the General Counsel, or the Chairperson of the Panel, as appropriate, the person making the request shall be notified of the reasons for the determination, the name and title or position of the person responsible for the denial, and the provisions for judicial review of that determination under 5 U.S.C. 552(a)(4). Even though no appeal is filed from a denial in whole or in part of a request for records by the person making the request, the Chairperson of the Board, the General Counsel or the Chairperson of the Panel, as appropriate, may, without regard to the time limit for filing of an appeal, sua sponte initiate consideration of a denial under this appeal procedure by written notification to the person making the request. In such event, the time limit for making the determination shall commence with the issuance of such notification.

§ 1411.8 Extension of time limits.

In unusual circumstances as specified in this section, the time limits prescribed with respect to initial determinations or determinations on appeal may be extended by written notice from the officer handling the request (either initial or on appeal) to the person making such request setting forth the reasons for such extension and the date on which a determination is expected to be dispatched. No such notice shall specify a date that would result in a total extension of more than ten (10) working days. As used in this section, “unusual circumstances” means, but only to the extent reasonably necessary to the proper processing of the particular request:

(b) The need to search for, collect and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(c) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein.

§ 1411.9 Effect of failure to meet time limits.

Failure by the Board, the General Counsel or the Federal Service Impasses Panel either to deny or grant any request under this part within the time limits prescribed by the Freedom of Information Act, as amended, 5 U.S.C. 552, and these regulations shall be deemed to be an exhaustion of the administrative remedies available to the person making this request.

§ 1411.10 Fees.

However, a person may request a copy of a transcript of a hearing from the Board, the Panel or the General Counsel, as appropriate. In such instance, the Board, the Panel or the General Counsel, as appropriate, may, by agreement with the person making the request, make arrangements with commercial firms for required services to be charged directly to the requester.

(d) No charge shall be made for the time spent in resolving legal or policy issues or in examining records for the purpose of deleting nondisclosable portions thereof.

(e) Payment of fees shall be made by check or money order payable to the U.S. Treasury.

The report shall include for such calendar year all information required by 5 U.S.C. 552(d) and such other information as indicates the efforts of the Board, the General Counsel and the Panel to administer fully the provisions of the Freedom of Information Act, as amended.

§ 1413.1 Purpose and scope.

This part contains the regulations of the Foreign Service Labor Relations Board implementing the Government in the Sunshine Act, 5 U.S.C. 552b.

§ 1413.2 Public observation of meetings.

Every portion of every meeting of the Board shall be open to public observation, except as provided in §1413.4, and Board members shall not jointly conduct or dispose of agency business other than in accordance with the provisions of this part.

§ 1413.3 Definition of meeting.

For purposes of this part, meeting shall mean the deliberations of at least two (2) members of the Board where such deliberations determine or result in the joint conduct or disposition of official agency business, but does not include deliberations to determine whether a meeting should be closed to public observation in accordance with the provisions of this part.

§ 1413.4 Closing of meetings; reasons therefor.

(a) Except where the Board determines that the public interest requires otherwise, meetings, or portions thereof, shall not be open to public observation where the deliberations concern the issuance of a subpoena, the Board participation in a civil action or proceeding or an arbitration, or the initiation, conduct or disposition by the Board of particular cases of formal agency adjudication pursuant to the procedures in 5 U.S.C. 554 or otherwise involving a determination on the record after opportunity for a hearing, or any court proceedings collateral or ancillary thereto.

(b) Meetings, or portions thereof, may also be closed by the Board, except where it determines that the public interest requires otherwise, when the deliberations concern matters or information falling within the reasons for closing meetings specified in 5 U.S.C. 552b(c)(1) (secret matters concerning national defense or foreign policy); (c)(2) (internal personnel rules and practices); (c)(3) (matters specifically exempted from disclosure by statute); (c)(4) (privileged or confidential trade secrets and commercial or financial information); (c)(5) (matters of alleged criminal conduct or formal censure); (c)(6) (personal information where disclosure would cause a clearly unwarranted invasion of personal privacy); (c)(7) (certain materials or information from investigatory files compiled for law enforcement purposes); or (c)(9)(B) (disclosure would significantly frustrate implementation of a proposed agency action).

A record of such vote, reflecting the vote of each member of the Board, shall be kept and made available to the public at the earliest practicable time.

(b) When the meeting deliberations concern matters specified in §1413.4(b), the Board shall vote on whether to close such meeting, or portion thereof, to public observation, and on whether there is a public interest which requires that a meeting which may properly be closed should nevertheless be open to public observation. The vote shall be taken at a time sufficient to permit inclusion of information concerning the open or closed status of the meeting in the public announcement thereof. A single vote may be taken with respect to a series of meetings at which the deliberations will concern the same particular matters where such subsequent meetings are scheduled to be held within thirty (30) days after the initial meeting. A record of such vote, reflecting the vote of each member of the Board, shall be kept and made available for the public within one (1) day after the vote is taken.

(c) Whenever any person whose interests may be directly affected by deliberations during a meeting, or a portion thereof, requests that the Board close that meeting, or portion thereof, to public observation for any of the reasons specified in 5 U.S.C. 552(b)(5) (matters of alleged criminal conduct or formal censure), (b)(6) (personal information where disclosure would cause a clearly unwarranted invasion of personal privacy), or (b)(7) (certain materials or information from investigatory files compiled for law enforcement purposes), the Board members participating in the meeting, upon request of any one of its members, shall vote on whether to close such meeting, or a portion thereof, for that reason. A record of such vote, reflecting the vote of each member of the Board participating in the meeting, shall be kept and made available to the public within one (1) day after the vote is taken.

(d) After public announcement of a meeting as provided in §1413.6, a meeting, or portion thereof, announced as closed may be opened, or a meeting, or portion thereof, announced as open may be closed only if a majority of the members of the Board who will participate in the meeting determine by a recorded vote that Board business so requires and that an earlier announcement of the change was not possible. The change made and the vote of each member on the change shall be announced publicly at the earliest practicable time.

(e) Before a meeting may be closed pursuant to §1413.4, the Solicitor of the Authority shall certify that in the Solicitor’s opinion the meeting may properly be closed to public observation. The certification shall set forth each applicable exemptive provision for such closing. Such certification shall be retained by the agency and made publicly available as soon as practicable.

§ 1413.6 Notice of meetings; public announcement and publication.

For each such meeting, or portion thereof, there shall also be maintained a complete transcript or electronic recording of the proceedings, except that for meetings closed pursuant to §1413.4(a), the Board may, in lieu of a transcript or electronic recording, maintain a set of minutes fully and accurately summarizing any action taken, the reasons therefor and views thereon, documents considered and the members’ vote on each roll-call vote.

(b) The agency shall make promptly available to the public copies of transcripts, recordings or minutes maintained as provided in accordance with paragraph (a) of this section, except to the extent the items therein contain information which the agency determines may be withheld pursuant to the provisions of 5 U.S.C. 552b(c). Copies of transcripts or minutes, or transcriptions of electronic recordings including the identification of speakers, shall to the extent determined to be publicly available, be furnished to any person, subject to the payment of duplication costs in accordance with the schedule of fees set forth in §1411.10 of this subchapter and the actual cost of transcription.

(c) The agency shall maintain a complete verbatim copy of the transcript, a complete copy of the minutes, or a complete electronic recording of each meeting, or portion of a meeting, closed to the public, for a period of at least two (2) years after such meeting or until one (1) year after the conclusion of any agency proceeding with respect to which the meeting or portion was held whichever occurs later.

§ 1414.5 Communications prohibited.

Except as provided in §1414.6, ex parte communications prohibited by §1414.2 shall include:

All such responses shall be placed in the public record of the proceeding, and provision may be made for any further action, including reopening of the record, which may be required under the circumstances. No action taken pursuant to this provision shall constitute a waiver of the power of the Board to impose an appropriate penalty under §1414.9.

§ 1414.9 Penalties and enforcement.

(a) Where the nature and circumstances of a prohibited communication made by or caused to be made by a party to the proceeding are such that the interests of justice and statutory policy may require remedial action, the Board, Administrative Law Judge, or Regional Director, as appropriate, may issue to the party making the communication a notice to show cause, returnable before the Board, Administrative Law Judge, or Regional Director, within a stated period not less than seven (7) days from the date thereof, why the Board, Administrative Law Judge, or Regional Director should not determine that the interests of justice and statutory policy require that the claim or interest in the proceeding of a party who knowingly makes a prohibited communication or knowingly causes a prohibited communication to be made, should be dismissed, denied, disregarded or otherwise adversely affected on account of such violation.

(9) The petition shall be accompanied by a showing of interest of not less than thirty percent (30%) of the employees in the unit indicating that the employees no longer desire to be represented for the purposes of exclusive recognition by the currently recognized or certified labor organization and an alphabetical list of names constituting such showing.

(b) Department petition seeking clarification of a matter relating to representation; employee petition for an election to determine whether a labor organization should cease to be an exclusive representative. (1) A petition by the Department shall be submitted on a form prescribed by the Board and shall contain the information set forth in paragraph (a) of this section, except paragraphs (a) (6), and (9), and a statement that the Department has a good faith doubt, based on objective considerations, that the currently recognized or certified labor organization represents a majority of the employees in the unit described in 22 U.S.C. 4112. Attached to the petition shall be a detailed explanation of the reasons supporting the good faith doubt.
(2) A petition by any employee or employees or an individual acting on behalf of any employee(s) shall contain the information set forth in paragraph (a) of this section, except paragraphs (a) (6) and (9), and it shall be accompanied by a showing of interest of not less than thirty percent (30%) of the employees in the unit indicating that the employees no longer desire to be represented for the purposes of exclusive recognition by the currently recognized or certified labor organization and an alphabetical list of names constituting such showing.

(c) Petition for clarification of unit or for amendment of recognition or certification. A petition for clarification of unit or for amendment of recognition or certification shall be submitted on a form prescribed by the Board and shall contain the information required by paragraph (a) of this section, except paragraphs (a) (2), (6) and (9), and shall set forth:
(1) A description of the unit and the date of recognition or certification;
(2) The proposed clarification or amendment of the recognition or certification; and
(3) A statement of reasons why the proposed clarification or amendment is requested.

(d) Petition for determination of eligibility for dues allotment. A petition for determination of eligibility for dues allotment in the unit may be filed if there is no exclusive representative. The petition shall be submitted on a form prescribed by the Board and shall contain the information required in paragraphs (a) (1), (4), (5), (6), (7), and (8) of this section, and shall set forth:
(1) A description of the unit described in 22 U.S.C. 4112. Such description shall indicate the classifications of employees sought to be included and those sought to be excluded and the approximate number of employees in the unit; and
(2) The petition shall be accompanied by a showing of membership in the petitioner of not less than ten percent (10%) of the employees in the unit and an alphabetical list of names constituting such showing.

(e) Filing and service of petition and copies. (1) A petition for exclusive recognition, for an election to determine if a labor organization should cease to be the exclusive representative, for clarification of unit, for amendment of
§ 1422.3 Timeliness of petition.

(a) When there is no certified exclusive representative of the employees, a petition will be considered timely filed provided a valid election has not been held within the preceding twelve (12) month period in the unit described in 22 U.S.C. 4112.

(b) When there is a certified exclusive representative of the employees, a petition will not be considered timely if filed within twenty-four (24) months after the certification as the exclusive representative of employees in unit described in 22 U.S.C. 4112, unless a signed and dated collective bargaining agreement covering the unit has been entered into in which case paragraphs...
(c) and (d) of this section shall be applicable.

(c) When a collective bargaining agreement covering the unit described in 22 U.S.C. 4112 has been signed and dated by the Department and the incumbent exclusive representative, a petition for exclusive recognition or other election petition will not be considered timely if filed during the period of review by the Secretary as set forth in 22 U.S.C. 4113(f), absent unusual circumstances.

(d) A petition for exclusive recognition or other election petition will be considered timely when filed as follows:

(1) Not more than one hundred and five (105) days and not less than sixty (60) days prior to the expiration date of a collective bargaining agreement having a term of three (3) years or less from the date it became effective.

(2) Not more than one hundred and five (105) days and not less than sixty (60) days prior to the expiration of the initial three (3) year period of a collective bargaining agreement having a term of more than three (3) years from the date it became effective, and any time after the expiration of the initial three (3) year period of such a collective bargaining agreement; and

(3) Any time when unusual circumstances exist which substantially affect the unit or the majority representation.

(e) When a collective bargaining agreement having a term of three (3) years or less is in effect between the Department and the incumbent exclusive representative, and a petition has been filed challenging the representation status of the incumbent exclusive representative and the petition is subsequently withdrawn or dismissed less than sixty (60) days prior to the expiration date of that collective bargaining agreement, or any time thereafter, the Department and incumbent exclusive representative shall be afforded a ninety (90) day period from the date the withdrawal is approved or the petition is dismissed free from rival claim within which to consummate a collective bargaining agreement: Provided, however, That the provisions of this paragraph shall not be applicable when any other petition is pending which has been filed pursuant to paragraph (d)(1) of this section.

(f) When an extension of a collective bargaining agreement having a term of three (3) years or less has been signed more than sixty (60) days before its expiration date, such extension shall not serve as a basis for the denial of a petition submitted in accordance with the time limitations provided herein.

(g) Collective bargaining agreements which go into effect automatically pursuant to 22 U.S.C. 4113(f) and which do not contain the date on which the agreement became effective shall not constitute a bar to an election petition.

(h) A petitioner who withdraws a petition after the issuance of a notice of hearing or after the approval of an agreement for an election, shall be barred from filing another petition for the unit described in 22 U.S.C. 4112 for six (6) months, unless a withdrawal request has been received by the Regional Director not later than three (3) days before the date of the hearing.

(i) The time limits set forth in this section shall not apply to a petition for clarification of unit or for amendment of recognition or certification, or to a petition for dues allotment.

§ 1422.4 Investigation of petition and posting of notice of petition; action by Regional Director.

(a) Upon the request of the Regional Director, after the filing of a petition, the Department shall post copies of a notice to all employees in places where notices are normally posted affecting the employees in the unit described in 22 U.S.C. 4112.

(b) Such notice shall set forth:

(1) The name of the petitioner;

(2) The description of the unit;

(3) If appropriate, the proposed clarification of unit or the proposed amendment of recognition or certification; and

(4) A statement that all interested parties are to advise the Regional Director in writing of their interest and position within twenty (20) days after the date of posting of such notice: Provided, however, That the notice in a petition for determination of eligibility.
for dues allotment shall contain the information required in paragraphs (a), (1), (2), and (4) of this section.

(c) The notice shall remain posted for a period of twenty (20) days. The notice shall be posted conspicuously and shall not be covered by other material, altered or defaced.

(d) The Department shall furnish the Regional Director and all known interested parties with the following:

1. Names, addresses and telephone numbers of all labor organizations known to represent any of the employees in the unit described in 22 U.S.C. 4112;
2. A copy of all relevant correspondence;
3. A copy of existing or recently expired agreement(s) covering any of the employees described in the petition;
4. A current alphabetized list of employees included in the unit, together with their job classifications; and
5. A current alphabetized list of employees described in the petition as excluded from the unit, together with their job classifications.

(e) The parties are expected to meet as soon as possible after the expiration of the twenty (20) day posting period of the notice of petition as provided in paragraph (a) of this section and use their best efforts to secure agreement on the unit.

(f) The Regional Director shall make such investigation as the Regional Director deems necessary and thereafter shall take action which may consist of the following, as appropriate:

1. Approve an agreement for consent election in the unit as provided under §1422.7;
2. Approve a withdrawal request;
3. Dismiss the petition; or
4. Issue a notice of hearing.

(g) In processing a petition for clarification of unit or for amendment of recognition or certification, or dues allotment, where appropriate, the Regional Director shall prepare and serve a report and findings upon all parties to the proceedings and shall state therein, among other pertinent matters, the Regional Director's conclusions and the action contemplated. A party may file with the Board a request for review of such action of the Regional Director in accordance with the procedures set forth in §1422.6(d). If no request for review is filed, or if one is filed and denied, the Regional Director shall take such action as may be appropriate, which may include issuing a clarification of unit or an amendment of recognition or certification, or determination of eligibility for dues allotment.

(h) A determination by the Regional Director to issue a notice of hearing shall not be subject to review by the Board.

§ 1422.5 Intervention.

(a) No labor organization will be permitted to intervene in any proceeding involving a petition filed pursuant to §1422.2 (a) or (b) unless it has submitted to the Regional Director a showing of interest of ten percent (10%) or more of the employees in the unit described in 22 U.S.C. 4112 together with an alphabetical list of names constituting such showing, or has submitted a current or recently expired agreement with the Department covering any of the employees involved, or has submitted evidence that it is currently recognized or certified exclusive representative of any of the employees involved: Provided, however, That an incumbent exclusive representative shall be deemed to be an intervenor in the proceeding unless it serves on the Regional Director a written disclaimer of any representation interest for the employees involved: Provided, further, That any such incumbent exclusive representative that declines to sign an agreement for consent election because of a disagreement on the matters contained in §1422.7(c) as decided by the Regional Director, or fails to appear at a hearing held pursuant to §1422.9, shall be denied its status as an intervenor.

(b) No labor organization may participate to any extent in any representation proceeding unless it has notified the Regional Director in writing, accompanied by its showing of interest as specified in paragraph (a) of this section, of its desire to intervene within twenty (20) days after the initial date of posting of the notice of petition as provided in §1422.4(a), unless good
cause is shown for extending the period. A copy of the request for intervention filed with the Regional Director, excluding the showing of interest, shall be served on all known interested parties, and a written statement of such service should be filed with the Regional Director: Provided, however, that an incumbent exclusive representative shall be deemed to be an intervenor in the proceeding in accordance with paragraph (a) of this section.

(c) Any labor organization seeking to intervene in a proceeding involving a petition for determination of eligibility for dues allotment filed pursuant to §1422.2(d) may intervene solely on the basis it claims to be the exclusive representative of some or all the employees specified in the petition and shall submit to the Regional Director a current or recently expired agreement with the Department covering any of the employees involved, or evidence that it is the currently recognized or certified exclusive representative of any of the employees involved.

(d) Any labor organization seeking to intervene must submit to the Regional Director a statement that it has submitted to the Department and to the Assistant Secretary a roster of its officers and representatives, a copy of its constitution and bylaws, and a statement of its objectives.

(e) The Regional Director may grant intervention to a labor organization in a proceeding involving a petition for clarification of unit or a petition for amendment of recognition or certification filed pursuant to §1422.2(c), or a petition for determination of eligibility for dues allotment filed pursuant to §1422.2(d), based on a showing that the proposed clarification, amendment or dues allotment affects that labor organization's existing exclusively recognized unit(s) in that it would cover one or more employees who are included in such unit(s).

§ 1422.6 Withdrawal, dismissal or deferral of petitions; consolidation of cases; denial of intervention; review of action by Regional Director.

(a) If the Regional Director determines, after such investigation as the Regional Director deems necessary, that the petition has not been timely filed, the unit is not as described in 22 U.S.C. 4114, the petitioner has not made a sufficient showing of interest, the petition is not otherwise actionable, or an intervention is not appropriate, the Regional Director may request the petitioner or intervenor to withdraw the petition or the request for intervention. In the absence of such withdrawal within a reasonable period of time, the Regional Director may dismiss the petition or deny the request for intervention.

(b) If the Regional Director determines, after investigation, that a valid issue has been raised by a challenge under §1422.2 (f) or (g), the Regional Director may take action which may consist of the following, as appropriate:

(1) Request the petitioner or intervenor to withdraw the petition or the request for intervention;

(2) Dismiss the petition and/or deny the request for intervention if a withdrawal request is not submitted within a reasonable period of time;

(3) Defer action on the petition or request for intervention until such time as the issues raised by the challenges have been resolved pursuant to this part; or

(4) Consolidate such issues with the representation matter for resolution of all issues.

(c) If the Regional Director dismisses the petition and/or denies the request for intervention, the Regional Director shall serve on the petitioner or the party requesting intervention a written statement of the grounds for the dismissal or the denial, and serve a copy of such statement on the Department, and on the petitioner and any intervenors, as appropriate.

(d) The petitioner or party requesting intervention may obtain a review of such dismissal and/or denial by filing a request for review with the Board within twenty-five (25) days after service of the notice of such action. Copies of the request for review shall be served on the Regional Director and the other parties, and a statement of service shall be filed with the request for review. Requests for extensions of time shall be in writing and received by the Board not later than five (5) days before the date the request for review is due. The request for review shall contain a complete statement setting
§ 1422.9 Conduct of hearing.

(a) Hearings shall be conducted by a Hearing Officer and shall be open to the public unless otherwise ordered by the Hearing Officer. At any time another Hearing Officer may be substituted for the Hearing Officer previously presiding. It shall be the duty of the Hearing Officer to inquire fully into all matters in issue and the Hearing Officer shall obtain a full and complete record upon which the Board can make an appropriate decision. An official reporter shall make the only official transcript of such proceedings. Copies of the official transcript may be examined in the appropriate regional office during normal working hours. Requests by parties for copies of transcripts should be made to the official hearing reporter.
§ 1422.10 Motions.

(a) General. (1) A motion shall state briefly the order or relief sought and the grounds for the motion: Provided, however, That a motion to intervene will not be entertained by the Hearing Officer. Intervention will be permitted only to those who have met the requirements of §1422.5.

(2) A motion prior to, and after a hearing and any response thereto, shall be made in writing. A response shall be filed within five (5) days after service of the motion. An original and two (2) copies of such motion and any response thereto shall be filed and copies shall be served on the parties and the Regional Director. A statement of such service shall be filed with the original.

(3) During a hearing a motion may be made and responded to orally on the record.

(4) The right to make motions, or to make objections to rulings on motions, shall not be deemed waived by participation in the proceeding.

(5) All motions, rulings, and orders shall become part of the record.

(b) Filing of motions. (1) Motions and responses thereto prior to a hearing shall be filed with the Regional Director. During the hearing motions shall be made to the Hearing Officer.

(2) After the transfer of the case to the Board, except as otherwise provided, motions and responses thereto shall be filed with the Board: Provided, That following the close of a hearing, motions to correct the transcript should be filed with the Hearing Officer within ten (10) days after the transcript is received in the regional office.

(c) Rulings on motions. (1) Regional Directors may rule on all motions filed with them, or they may refer them to the Hearing Officer. A ruling by a Regional Director granting a motion to dismiss a petition may be reviewed by the Board upon the filing of the petitioner of a request for review pursuant to §1422.6(d).

(2) Hearing Officers shall rule, either orally on the record or in writing, on all motions made at the hearing or referred to them, except that a motion to dismiss a petition shall be referred for appropriate action at such time as the record is considered by the Regional Director or the Board. Rulings by a Hearing Officer reduced to writing shall be served on the parties.

(3) The Board shall consider the rulings by the Regional Director and the Hearing Officer when the case is transferred to it for decision.

§ 1422.11 Rights of the parties.

(a) A party shall have the right to appear at any hearing in person, by counsel, or by other representative, and to examine and cross-examine witnesses, and to introduce into the record documentary or other relevant evidence. Two (2) copies of documentary evidence shall be submitted and a copy furnished to each of the other parties. Stipulations of fact may be introduced in evidence with respect to any issue.

(b) A party shall be entitled, upon request, to a reasonable period at the close of the hearing for oral argument, which shall be included in the stenographic report of the hearing. Such oral argument shall not preclude a party from filing a brief under §1422.14.

§ 1422.12 Duties and powers of the Hearing Officer.

It shall be the duty of Hearing Officers to inquire fully into the facts as they relate to the matters before them. With respect to cases assigned to them between the time they are designated and the transfer of the case to the Board, Hearing Officers shall have the authority to:

(a) Grant requests for subpoenas pursuant to §1429.7 of this subchapter;

(b) Rule upon offers of proof and receive relevant evidence and stipulations of fact;

(c) Take or cause depositions or interrogatories to be taken whenever the ends of justice would be served thereby;

(d) Limit lines of questioning or testimony which are immaterial, irrelevant or unduly repetitious;
§ 1422.17 Election procedure; request for authorized representation election observers.

This section governs all elections conducted under the supervision of the Regional Director pursuant to §1422.7 or §1422.16. The Regional Director may conduct elections in unusual circumstances in accordance with terms and conditions set forth in the notice of election.

(a) Appropriate notices of election shall be posted by the Department. Such notices shall set forth the details and procedures for the election, the unit described in 22 U.S.C. 4112, the eligibility period, the date(s), hour(s) and place(s) of the election and shall contain a sample ballot.

(b) The reproduction of any document purporting to be a copy of the official ballot, other than one completely unaltered in form and content and clearly marked “sample” on its face,
which suggests either directly or indirectly to employees that the Board endorses a particular choice, may constitute grounds for setting aside an election upon objections properly filed.

(c) All elections shall be by secret ballot. An exclusive representative shall be chosen by a majority of the valid ballots cast.

(d) Whenever two or more labor organizations are included as choices in an election, any intervening labor organization may request the Regional Director to remove its name from the ballot. The request must be in writing and received not later than seven (7) days before the date of the election. Such request shall be subject to the approval of the Regional Director whose decision shall be final.

(e) In a proceeding involving an election to determine if a labor organization should cease to be the exclusive representative filed by the Department or any employee or employees or an individual acting on behalf of any employee(s) under §1422.2(b), an organization currently recognized or certified may not have its name removed from the ballot without having served the written request submitted pursuant to paragraph (d) of this section on all parties. Such request shall contain an express disclaimer of any representation interest among the employees in the unit.

(f) Any party may be represented at the polling place(s) by observers of its own selection, subject to such limitations as the Regional Director may prescribe.

(g) A party’s request to the Regional Director for named observers shall be in writing and filed with the Regional Director not less than fifteen (15) days prior to an election to be supervised or conducted pursuant to this part. The request shall name and identify the authorized representation election observers sought, and state the reasons therefor. Copies thereof shall be served on the other parties and a written statement of such service shall be filed with the Regional Director. The Regional Director shall rule upon the request not later than five (5) days prior to the date of the election. However, for good cause shown by a party, or on the Regional Director’s own motion, the Regional Director may vary the time limits prescribed in this paragraph.

§1422.18 Challenged ballots.

Any party or the representative of the Board may challenge, for good cause, the eligibility of any person to participate in the election. The ballots of such challenged persons shall be impounded.

§1422.19 Tally of ballots.

Upon the conclusion of the election, the Regional Director shall cause to be furnished to the parties a tally of ballots.

§1422.20 Certification; objections to election; determination on objections and challenged ballots.

(a) The Regional Director shall issue to the parties a certification of results of the election or a certification of representative, where appropriate: Provided, however, That no objections are filed within the time limit set forth below; the challenged ballots are insufficient in number to affect the results of the election; and no rerun election is to be held.

(b) Within twenty (20) days after the tally of ballots has been furnished, a party may file objections to the procedural conduct of the election, or to conduct which may have improperly affected the results of the election, setting forth a clear and concise statement of the reasons therefor. The objecting party shall bear the burden of proof at all stages of the proceeding regarding all matters raised in its objections. An original and two (2) copies of the objections shall be filed with the Regional Director and copies shall be served on the parties. A statement of such service shall be filed with the Regional Director. Such filing must be timely whether or not the challenged ballots are sufficient in number to affect the results of the election. Within
ten (10) days after the filing of the objections, unless an extension of time has been granted by the Regional Director, the objecting party shall file with the Regional Director evidence, including signed statements, documents and other material supporting the objections.

(c) If objections are filed or challenged ballots are sufficient in number to affect the results of the election, the Regional Director shall investigate the objections or challenged ballots, or both.

(d) When the Regional Director determines that no relevant question of fact exists, the Regional Director (1) shall find whether improper conduct occurred of such a nature as to warrant the setting aside of the election and, if so, indicate an intention to set aside the election, or (2) shall rule on determinative challenged ballots, if any, or both. The Regional Director shall issue a report and findings on objections or challenged ballots which shall be served upon all parties to the proceeding. Such report and findings shall state therein any additional pertinent matters such as an intent to rerun the election or count ballots at a specified date, time, and place, and if appropriate, that the Regional Director will cause to be issued a revised tally of ballots.

(e) When the Regional Director determines that no relevant question of fact exists, but that a substantial question of interpretation or policy exists, the Regional Director shall notify the parties in the report and findings and transfer the case to the Board in accordance with this subchapter.

(f) Any party aggrieved by the findings of a Regional Director with respect to objections to an election or challenged ballots may obtain a review of such action by the Board by following the procedure set forth in §1422.6(d) of this subchapter: Provided, however, That a determination by the Regional Director to issue a notice of hearing shall not be subject to review by the Board.

(g) Where it appears to the Regional Director that the objections or challenged ballots raise any relevant question of fact which may have affected the results of the election, the Regional Director shall cause to be issued a notice of hearing. Hearings shall be conducted and decisions issued by Administrative Law Judges and exceptions and related submissions filed with the Board in accordance with §§1423.15 through 1423.28 of this subchapter excluding §1423.18 and §1423.19(j), with the following exceptions:

1. The Administrative Law Judge may not recommend remedial action to be taken or notices to be posted, as provided under §1423.26(a); and

2. Reference to "charge, complaint" in §1423.26(b) shall be read as "report and findings of the Regional Director."

(h) At a hearing conducted pursuant to paragraph (g) of this section the party filing the objections shall have the burden of proving all matters alleged in its objections by a preponderance of the evidence. With respect to challenged ballots, no burden of proof is imposed on any party.

(i) The Board shall take action which may consist of the following, as appropriate:

1. Issue a decision adopting, modifying, or rejecting the Administrative Law Judge’s decision;

2. Issue a decision in any case involving a substantial question of interpretation or policy transferred pursuant to paragraph (e) of this section; or

3. Issue a ruling with respect to a request for review filed pursuant to paragraph (f) of this section affirming or reversing, in whole or in part, the Regional Director's findings, or make such other disposition as may be appropriate.

§ 1422.21 Preferential voting.

In any election in which more than two choices are on the ballot and no choice receives a majority of first preferences the Board shall distribute to the two choices having the most first preferences the preferences as between those two of the other valid ballots cast. The choice receiving a majority of preferences shall be declared the winner. A labor organization which is declared the winner of the election shall be certified by the Board as the exclusive representative.
§ 1422.22 Inconclusive elections.

(a) An inconclusive election is one in which none of the choices on the ballot is declared the winner. If there are no challenged ballots that would affect the results of the election, the Regional Director may declare the election a nullity and may order another election providing for a selection from among the choices afforded in the previous ballot.

(b) Only one further election pursuant to this section may be held.

§ 1423.1 Applicability of this part.

This part is applicable to any charge of alleged unfair labor practices filed with the Board on or after February 15, 1981.

§ 1423.2 Informal proceedings.

(a) The purposes and policies of the Foreign Service Labor-Management Relations Statute can best be achieved by the cooperative efforts of all persons covered by the program. To this end, it shall be the policy of the Board and the General Counsel to encourage all persons alleging unfair labor practices and persons against whom such allegations are made to meet and, in good faith, attempt to resolve such matters prior to the filing of unfair labor practice charges with the Board.

(b) In furtherance of the policy referred to in paragraph (a) of this section, and noting the six (6) month period of limitation set forth in 22 U.S.C. 4116(d), it shall be the policy of the Board and the General Counsel to encourage the informal resolution of unfair labor practice allegations subsequent to the filing of a charge and prior to the issuance of a complaint by the Regional Director.

§ 1423.3 Who may file charges.

The Department or labor organization may be charged by any person with having engaged in or engaging in any unfair labor practice prohibited under 22 U.S.C. 4115.

§ 1423.4 Contents of the charge; supporting evidence and documents.

(a) A charge alleging a violation of 22 U.S.C. 4115 shall be submitted on forms prescribed by the Board and shall contain the following:

(1) The name, address and telephone number of the person(s) making the charge;

(2) The name, address and telephone number of the Department or labor organization against whom the charge is made;

(3) A clear and concise statement of the facts constituting the alleged unfair labor practice, a statement of the
§ 1423.5 Selection of the unfair labor practice procedure or the negotiability procedure.

(a) Where a labor organization files an unfair labor practice charge pursuant to this part which involves a negotiability issue, and the labor organization also files pursuant to part 1424 of this subchapter a petition for review of the same negotiability issue, the Board and the General Counsel ordinarily will not process the unfair labor practice charge and the petition for review simultaneously.

(b) Under such circumstances, the labor organization must select under which procedure to proceed. Upon selection of one procedure, further action under the other procedure will ordinarily be suspended. Such selection must be made regardless of whether the unfair labor practice charge or the petition for review of a negotiability issue is filed first. Notification of this selection must be made in writing at the time that both procedures have been invoked, and must be served on the Board, the appropriate Regional Director and all parties to both the unfair labor practice case and the negotiability case.

(c) Cases which solely involve an agency’s allegation that the duty to bargain in good faith does not extend to the matter proposed to be bargained and which do not involve actual or contemplated changes in conditions of employment may only be filed under part 1424 of this subchapter.

§ 1423.6 Filing and service of copies.

(a) An original and four (4) copies of the charge together with one copy for each additional charged party named shall be filed with the Regional Director for the region in which the alleged unfair labor practice has occurred or is occurring. A charge alleging that an unfair labor practice has occurred or is occurring in two or more regions may be filed with the Regional Director for any such region.

(b) Upon the filing of a charge, the charging party shall be responsible for the service of a copy of the charge (without the supporting evidence and documents) upon the person(s) against whom the charge is made, and for filing a written statement of such service with the Regional Director. The Regional Director will, as a matter of course, cause a copy of such charge to be served on the person(s) against whom the charge is made, but shall not be deemed to assume responsibility for such service.

§ 1423.7 Investigation of charges.

(a) The Regional Director, on behalf of the General Counsel, shall conduct such investigation of the charge as the Regional Director deems necessary.

(b) During the course of the investigation all parties involved will have an opportunity to present their evidence and views to the Regional Director.

(c) In connection with the investigation of charges, all persons are expected to cooperate fully with the Regional Director.

(d) The purposes and policies of the Foreign Service Labor-Management Relations Statute can best be achieved by the full cooperation of all parties involved and the voluntary submission of all potentially relevant information
§ 1423.8 Amendment of charges.

Prior to the issuance of a complaint, the charging party may amend the charge in accordance with the requirements set forth in §1423.6.

§ 1423.9 Action by the Regional Director.

(a) The Regional Director shall take action which may consist of the following, as appropriate:

(1) Approve a request to withdraw a charge;
(2) Refuse to issue a complaint;
(3) Approve a written settlement agreement in accordance with the provisions of §1423.11;
(4) Issue a complaint;
(5) Upon agreement of all parties, transfer to the Board for decision, after issuance of a complaint, a stipulation of facts in accordance with the provisions of §1429.1(a) this subchapter; or
(6) Withdraw a complaint.

(b) Parties may request the General Counsel to seek appropriate temporary relief (including a restraining order) under 22 U.S.C. 4109(d). The General Counsel will initiate and prosecute injunctive proceedings under 22 U.S.C. 4109(d) only upon approval of the Board. A determination by the General Counsel not to seek approval of the Board for such temporary relief is final and may not be applied to the Board.

(c) Upon a determination to issue a complaint, whenever it is deemed advisable by the Board to seek appropriate temporary relief (including a restraining order) under 22 U.S.C. 4109(d), the Regional Attorney or other designated agent of the Board to whom the matter has been referred will make application for appropriate temporary relief (including a restraining order) in the United States District Court for the District of Columbia. Such temporary relief will not be sought unless the record establishes probable cause that an unfair labor practice is being committed, or if such temporary relief will interfere with the ability of the Department to carry out its essential functions.

(d) Whenever temporary relief has been obtained pursuant to 22 U.S.C. 4109(d) and thereafter the Administrative Law Judge hearing the complaint, upon which the determination to seek such temporary relief was predicated, recommends dismissal of such complaint, in whole or in part, the Regional Attorney or other designated agent of the Board handling the case for the Board shall inform the United States District Court for the District of Columbia of the possible change in circumstances arising out of the decision of the Administrative Law Judge.

§ 1423.10 Determination not to issue complaint; review of action by the Regional Director.

(a) If the Regional Director determines that the charge has not been timely filed, that the charge fails to state an unfair labor practice, or for other appropriate reasons, the Regional Director may request the charging party to withdraw the charge, and in the absence of such withdrawal within a reasonable time, decline to issue a complaint.

(b) If the Regional Director determines not to issue a complaint on a charge which is not withdrawn, the Regional Director shall provide the parties with a written statement of the reasons for not issuing a complaint.

(c) The charging party may obtain a review of the Regional Director’s decision not to issue a complaint by filing an appeal with the General Counsel within twenty-five (25) days after service of the Regional Director’s decision. The appeal shall contain a complete statement setting forth the facts and reasons upon which it is based. A copy of the appeal shall also be filed with the Regional Director. In addition, the charging party should notify all other parties of the fact that an appeal has been taken, but any failure to give such notice shall not affect the validity of the appeal.
§ 1423.11 Settlement or adjustment of issues.

GENERAL SETTLEMENT POLICY

(a) At any stage of a proceeding prior to hearing, where time, the nature of the proceeding, and the public interest permit, all interested parties shall have the opportunity to submit to the Regional Director with whom the charge was filed, for consideration, all facts and arguments concerning offers of settlement, or proposals of adjustment.

PRECOMPLAINT INFORMAL SETTLEMENTS

(b)(1) Prior to the issuance of any complaint or the taking of other formal action, the Regional Director will afford the charging party and the respondent a reasonable period of time in which to enter into an informal settlement agreement to be approved by the Regional Director. Upon approval by the Regional Director and compliance with the terms of the informal settlement agreement, no further action shall be taken in the case. If the respondent fails to perform its obligations under the informal settlement agreement, the Regional Director may determine to institute further proceedings.

(2) In the event that the charging party fails or refuses to become a party to an informal settlement agreement offered by the respondent, if the Regional Director concludes that the offered settlement will effectuate the policies of the Foreign Service Labor-Management Relations Statute, the agreement shall be between the respondent and the Regional Director and the latter shall decline to issue a complaint. The charging party may obtain a review of the Regional Director’s action by filing an appeal with the General Counsel in accordance with §1423.10(c). The General Counsel shall take action on such appeal as set forth in §1423.10(e).

POST COMPLAINT SETTLEMENT POLICY

(c) Consistent with the policy reflected in paragraph (a) of this section, even after the issuance of a complaint, the Board favors the settlement of issues. Such settlements may be either informal or formal. Informal settlement agreements shall be accomplished as provided in paragraph (b) of this section. Formal settlement agreements are subject to the approval of the Board. In such formal settlement agreements, the parties shall agree to waive their right to a hearing and agree further that the Board may issue an order requiring the respondent to take action appropriate to the terms of the settlement. Ordinarily the formal settlement agreement also contains the respondent’s consent to the Board application for the entry of a decree by the United States Court of Appeals for the District of Columbia enforcing the Board’s order.

POST COMPLAINT—PREHEARING FORMAL SETTLEMENTS

(d)(1) If, after issuance of a complaint but before opening of the hearing, the charging party and the respondent enter into a formal settlement agreement, and such agreement is accepted by the Regional Director, the formal settlement agreement shall be submitted to the Board for approval.

(2) If, after issuance of a complaint but before opening of the hearing, the charging party fails or refuses to become a party to a formal settlement agreement offered by the respondent, and the Regional Director concludes
that the offered settlement will effectuate the policies of the Foreign Service Labor-Management Relations Statute, the agreement shall be between the respondent and the Regional Director. The charging party will be so informed and provided a brief written statement by the Regional Director of the reasons therefor. The formal settlement agreement together with the charging party’s objections, if any, and the Regional Director’s written statements, shall be submitted to the Board for approval. The Board may approve or disapprove any formal settlement agreement or return the case to the Regional Director for other appropriate action.

POST COMPLAINT—PREHEARING INFORMAL SETTLEMENTS

(3) After the issuance of a complaint but before opening of the hearing, if the Regional Director concludes that it will effectuate the policies of the Foreign Service Labor-Management Relations Statute, the Regional Director may withdraw the complaint and approve an informal settlement agreement pursuant to paragraph (b) of this section.

INFORMAL SETTLEMENTS AFTER THE OPENING OF THE HEARING

(e)(1) After issuance of a complaint and after opening of the hearing, if the Regional Director concludes that it will effectuate the policies of the Foreign Service Labor-Management Relations Statute, the Regional Director may request the Administrative Law Judge for permission to withdraw the complaint and, having been granted such permission to withdraw the complaint, may approve an informal settlement pursuant to paragraph (b) of this section.

FORMAL SETTLEMENTS AFTER THE OPENING OF THE HEARING

(2) If, after issuance of a complaint and after opening of the hearing, the parties enter into a formal settlement agreement, the Regional Director may request the Administrative Law Judge to approve such formal settlement agreement, and upon such approval, to transmit the agreement to the Board for approval.

(3) If the charging party fails or refuses to become a party to a formal settlement agreement offered by the respondent, and the Regional Director concludes that the offered settlement will effectuate the policies of the Foreign Service Labor-Management Relations Statute, the agreement shall be between the respondent and the Regional Director. After the charging party is given an opportunity to state on the record or in writing the reasons for opposing the formal settlement, the Regional Director may request the Administrative Law Judge to approve such formal settlement agreement, and upon such approval, to transmit the agreement to the Board for approval. The Board may approve or disapprove any formal settlement agreement or return the case to the Administrative Law Judge for another appropriate action.

§ 1423.12 Issuance and contents of the complaint.

(a) After a charge is filed, if it appears to the Regional Director that formal proceedings in respect thereto should be instituted, the Regional Director shall issue and cause to be served on all other parties a formal complaint: Provided, however, That a determination by a Regional Director to issue a complaint shall not be subject to review.

(b) The complaint shall include:
(1) Notice of the charge;
(2) Notice that a hearing will be held before an Administrative Law Judge;
(3) Notice of the time and place fixed for the hearing which shall not be earlier than five (5) days after service of the complaint;
(4) A statement of the nature of the hearing;
(5) A clear and concise statement of the facts upon which assertion of jurisdiction by the Board is predicated;
(6) A reference to the particular sections of chapter 41 of title 22 of the United States Code and the rules and regulations involved; and
(7) A clear and concise description of the acts which are claimed to constitute unfair labor practices, including, where known, the approximate

§ 1423.13 Answer to the complaint; extension of time for filing; amendment.

(a) Except in extraordinary circumstances as determined by the Regional Director, within twenty (20) days after the complaint is served upon the respondent, the respondent shall file the original and four (4) copies of the answer thereto, signed by the respondent or its representative, with the Regional Director who issued the complaint. The respondent shall serve a copy of the answer on the Chief Administrative Law Judge and on all other parties.

(b) The answer: (1) Shall specifically admit, deny, or explain each of the allegations of the complaint unless the respondent is without knowledge, in which case the answer shall so state; or (2) Shall state that the respondent admits all of the allegations in the complaint. Failure to file an answer or to plead specifically to or explain any allegation shall constitute an admission of such allegation and shall be so found by the Board, unless good cause to the contrary is shown.

(c) Upon the Regional Director’s own motion or upon proper cause shown by any other party, the Regional Director issuing the complaint may by written order extend the time within which the answer shall be filed.

(d) The answer may be amended by the respondent at any time prior to the hearing. During the hearing or subsequent thereto, the answer may be amended in any case where the complaint has been amended, within such period as may be fixed by the Administrative Law Judge or the Board. Whether or not the complaint has been amended, the answer may, in the discretion of the Administrative Law Judge or the Board, upon motion, be amended upon such terms and within such periods as may be fixed by the Administrative Law Judge or the Board.

§ 1423.14 Conduct of hearing.

(a) Hearings shall be conducted not earlier than five (5) days after the date on which the complaint is served. The hearing shall be open to the public unless otherwise ordered by the Administrative Law Judge. A substitute Administrative Law Judge may be designated at any time to take the place of the Administrative Law Judge previously designated to conduct the hearing. Such hearing shall, to the extent practicable, be conducted in accordance with the provisions of subchapter II of chapter 5 of title 5 of the United States Code, except that the parties shall not be bound by the rules of evidence, whether statutory, common law, or adopted by a court.

(b) An official reporter shall make the only official transcript of such proceedings. Copies of the official transcript may be examined in the appropriate regional office during normal working hours. Requests by parties for copies of transcripts should be made to the official hearing reporter.

§ 1423.18 Burden of proof before the Administrative Law Judge.  

The General Counsel shall have the responsibility of presenting the evidence in support of the complaint and shall have the burden of proving the allegations of the complaint by a preponderance of the evidence.

§ 1423.19 Duties and powers of the Administrative Law Judge.  

It shall be the duty of the Administrative Law Judge to inquire fully into the facts as they relate to the matter before such judge. Subject to the rules and regulations of the Board and the General Counsel, an Administrative Law Judge presiding at a hearing may:

(b) Rule upon petitions to revoke subpoenas pursuant to §1429.7 of this subchapter;
(c) Administer oaths and affirmations;
(d) Take or order the taking of a deposition whenever the ends of justice would be served thereby;

(f) Call, examine and cross-examine witnesses and introduce into the record documentary or other evidence;
(g) Rule upon offers of proof and receive relevant evidence and stipulations of fact with respect to any issue;

(r) Correct or approve proposed corrections of the official transcript when deemed necessary;
(s) Sequester witnesses where appropriate; and
(t) Take any other action deemed necessary under the foregoing and not prohibited by the regulations in this subchapter.

§ 1423.20 Unavailability of Administrative Law Judges.
In the event the Administrative Law Judge designated to conduct the hearing becomes unavailable, the Chief Administrative Law Judge shall designate another Administrative Law Judge for the purpose of further hearing or issuance of a decision on the record as made, or both.

§ 1423.21 Objection to conduct of hearing.
(a) Any objection with respect to the conduct of the hearing, including any objection to the introduction of evidence, may be stated orally or in writing accompanied by a short statement of the grounds for such objection, and included in the record. No such objection shall be deemed waived by further participation in the hearing. Such objection shall not stay the conduct of the hearing.
(b) Formal exceptions to adverse rulings are unnecessary. Automatic exceptions will be allowed to all adverse rulings. Except by special permission of the Board, and in view of §1429.11 of this subchapter, rulings by the Administrative Law Judge shall not be appealed prior to the transmittal of the case to the Board, but shall be considered by the Board only upon the filing of exceptions to the Administrative Law Judge’s decision in accordance with §1423.27. In the discretion of the Administrative Law Judge, the hearing may be continued or adjourned pending any such request for special permission to appeal.

§ 1423.22 Motions.
(a) Filing of Motions. (1) Motions made prior to a hearing and any response thereto shall be made in writing and filed with the Regional Director: Provided, however, That after the issuance of a complaint by the Regional Director any motion to postpone the hearing should be filed with the Chief Administrative Law Judge at least five (5) days prior to the opening of the scheduled hearing. (3) Administrative Law Judges may rule on motions referred to them prior to the hearing and on motions filed after the beginning of the hearing and before the transmittal of the case to the Board. Such motions may be ruled upon by the Chief Administrative Law Judge in the absence of an Administrative Law Judge.
(4) Except by special permission of the Board, and in view of §1429.11 of this subchapter, rulings by Administrative Law Judges shall not be appealed prior to the transmittal of the case to
§ 1423.23 Waiver of objections.

§ 1423.25 Filing of brief.

Any party desiring to submit a brief to the Administrative Law Judge shall file the original and two (2) copies within a reasonable time fixed by the Administrative Law Judge, but not in excess of thirty (30) days from the close of the hearing. Copies of any brief shall be served on all other parties to the proceeding and a statement of such service shall be filed with the Administrative Law Judge. No reply brief may be filed except by special permission of the Administrative Law Judge.

§ 1423.26 Transmittal of the Administrative Law Judge's decision to the Board; exceptions.

(a) After the close of the hearing, and the receipt of brief, if any, the Administrative Law Judge shall prepare the decision expeditiously. The Administrative Law Judge shall prepare a decision even when the parties enter into a stipulation of fact at the hearing. The decision shall contain findings of fact, conclusions, and the reasons or basis therefore including credibility determinations, and conclusions as to the disposition of the case including, where appropriate, the remedial action to be taken and notices to be posted.

(b) The Administrative Law Judge shall cause the decision to be served promptly on all parties to the proceeding. Thereafter, the Administrative Law Judge shall transmit the case to the Board including the judge's decision and the record. The record shall include the charge, complaint, service sheet, answer, motions, rulings, orders, official transcript of the hearing, stipulations, objections, depositions, interrogatories, exhibits, documentary evidence and any briefs or other documents submitted by the parties.

(2) Identify that part of the Administrative Law Judge's decision to which objection is made; and

(3) Designate by precise citation of page the portions of the record relied on, state the grounds for the exceptions, and include the citation of authorities unless set forth in a supporting brief. Any exception which fails to
comply with the foregoing requirements may be disregarded.

§ 1423.28 Briefs in support of exceptions; oppositions to exceptions; cross-exceptions.

(a) Any brief in support of exceptions shall contain only matters included within the scope of the exceptions and shall contain, in the order indicated, the following:

(1) A concise statement of the case containing all that is material to the consideration of the questions presented;
(2) A specification of the questions involved and to be argued; and
(3) The argument, presenting clearly the points of fact and law relied on in support of the position taken on each question, with specific page reference to the transcript and the legal or other material relied on.

(b) Any party may file an opposition to exceptions and cross-exceptions and a supporting brief with the Board within ten (10) days after service of any exceptions to an Administrative Law Judge's decision. Copies of the opposition to exceptions and the cross-exceptions and any supporting briefs shall be served on all other parties, and a statement of service shall be filed with the opposition to exceptions and cross-exceptions and any supporting briefs.

§ 1423.29 Action by the Board.

(a) After considering the Administrative Law Judge's decision, the record, and any exceptions and related submissions filed, the Board shall issue its decision affirming or reversing the Administrative Law Judge, in whole, or in part, or making such other disposition of the matter as it deems appropriate: Provided, however, That unless exceptions are filed which are timely and in accordance with §1423.27, the Board may, at its discretion, adopt without discussion the decision of the Administrative Law Judge, in which event the findings and conclusions of the Administrative Law Judge, as contained in such decision shall, upon appropriate notice to the parties, automatically become the decision of the Board.

(b) Upon finding a violation, the Board shall issue an order:

(1) To cease and desist from any such unfair labor practice in which the Department or labor organization is engaged;
(2) Requiring the parties to renegotiate a collective bargaining agreement in accordance with the order of the Board and requiring that the agreement, as amended, be given retroactive effect;
(3) Requiring reinstatement of an employee with backpay in accordance with 5 U.S.C. 5596; or
(4) Including any combination of the actions described in paragraphs (b) (1) through (3) of this section or such other action as will carry out the purpose of the Foreign Service Labor-Management Relations Statute.

(c) Upon finding no violation, the Board shall dismiss the complaint.

§ 1423.30 Compliance with decisions and orders of the Board.

When remedial action is ordered, the respondent shall report to the appropriate Regional Director within a specified period that the required remedial action has been effected. When the General Counsel finds that the required remedial action has not been effected, the General Counsel shall take such action as may be appropriate, including referral to the Board for enforcement.

§ 1423.31 Backpay proceedings.

After the entry of a Board order directing payment of backpay, or the entry of a court decree enforcing such order, if it appears to the Regional Director that a controversy exists between the Board and a respondent which cannot be resolved without a formal proceeding, the Regional Director may issue and serve on all parties a backpay specification accompanied by a notice of hearing or a notice of hearing without a specification. The respondent shall, within twenty (20) days after the service of a backpay specification accompanied by a notice of hearing, file an answer thereto in accordance with §1423.13 with the Regional Director issuing such specification. No answer need be filed by the respondent to a notice of hearing issued without a specification. After the issuance of a notice of hearing, with or without a backpay specification, the
procedures provided in §§1423.14 to 1423.29, inclusive, shall be followed insofar as applicable.

PART 1424—EXPEDITED REVIEW OF NEOTIABILITY ISSUES

Sec. 1424.1 Conditions governing review. Pursuant to the authority contained in 22 U.S.C. 4107 (a)(3) and (c)(1) the Board will consider a direct appeal concerning whether a matter proposed to be bargained is within the obligation to bargain under the Foreign Service Act of 1980 as follows: If the Department is involved in collective bargaining with an exclusive representative and alleges that the duty to bargain in good faith does not extend to any matter proposed to be bargained because, as proposed, the matter is inconsistent with applicable law, rule or regulation the exclusive representative may appeal the allegation to the Board when it disagrees with Department’s allegation that the matter as proposed to be bargained is inconsistent with applicable law, rule or regulation.

§ 1424.2 Who may file a petition. A petition for review of a negotiability issue may be filed by the exclusive representative which is a party to the negotiations.

§ 1424.3 Time limits for filing. (a) The time limit for filing an appeal under this part is fifteen (15) days from the Department’s allegation, which was requested in writing by the exclusive representative, is served on the exclusive representative. The Department shall make the allegation in writing and serve a copy on the exclusive representative: Provided, however, That review of a negotiability issue may be requested by the exclusive representative under this part without a prior written allegation by the Department if a written allegation has not been served upon the exclusive representative within ten (10) days after the date of receipt by any Department bargaining representative at the negotiations of a written request for such allegation.

§ 1424.4 Content of petition; service. (a) A petition for review shall be dated and shall contain the following: (1) A statement setting forth the matter proposed to be bargained as submitted to the Department; (2) A copy of all pertinent material, including the Department’s allegation in writing that the matter, as proposed, is not within the duty to bargain in good faith, and other relevant documentary material; and (3) Notification by the petitioning labor organization whether the negotiability issue is also involved in an unfair labor practice charge filed by such labor organization under part 1423 of this subchapter and pending before the General Counsel.

(b) A copy of the petition including all attachments thereto shall be served on the Secretary and on the principal Department bargaining representative at the negotiations.

§ 1424.5 Selection of the unfair labor practice procedure or the negotiability procedure. Where a labor organization files an unfair labor practice charge pursuant to part 1423 of this subchapter which involves a negotiability issue, and the labor organization also files pursuant to this part a petition for review of the same negotiability issue, the Board and the General Counsel ordinarily will not process the unfair labor practice charge and the petition for review simultaneously. Under such circumstances, the labor organization must select under which procedure to proceed. Upon selection of one procedure, further action under the other
procedure will ordinarily be suspended. Such selection must be made regardless of whether the unfair labor practice charge or the petition for review of a negotiability issue is filed first. Notification of this selection must be made in writing at the time that both procedures have been invoked, and must be served on the Board, the appropriate Regional Director and all parties to both the unfair labor practice case and the negotiability case. Cases which solely involve the Department's allegation that the duty to bargain in good faith does not extend to the matter proposed to be bargained and which do not involve actual or contemplated changes in conditions of employment may only be filed under this part.

§ 1424.6 Position of the Department; time limits for filing; service.
(a) Within thirty (30) days after the date of receipt by the Secretary of a copy of the petition for review of a negotiability issue the Department shall file a statement—
(1) Withdrawing the allegation that the duty to bargain in good faith does not extend to the matter proposed to be bargained; or
(2) Setting forth in full its position on any matters relevant to the petition which it wishes the Board to consider in reaching its decision, including a full and detailed statement of its reasons supporting the allegation. The statement shall cite the section of any law, rule or regulation relied upon as a basis for the allegation.
(b) A copy of the Department's statement of position including all attachments thereto shall be served on the exclusive representative.

§ 1424.7 Response of the exclusive representative; time limits for filing; service.
(a) Within fifteen (15) days after the date of receipt by an exclusive representative of a copy of the Department's statement of position the exclusive representative shall file a full and detailed response stating its position and reasons for disagreeing with the Department's allegation that the matter, as proposed to be bargained, is inconsistent with applicable law or rule or regulation.
(b) A copy of the response of the exclusive representative including all attachments thereto shall be served on the Secretary and on the Department's representative of record in the proceedings before the Board.

§ 1424.8 Additional submissions to the Board.
The Board will not consider any submission filed by any party, whether supplemental or responsive in nature, other than those authorized under §§1424.2 through 1424.7 unless such submission is requested by the Board; or unless, upon written request by any party, a copy of which is served on all other parties, the Board in its discretion grants permission to file such submission.

§ 1424.9 Hearing.
A hearing may be held, in the discretion of the Board, before a determination is made under 22 U.S.C. 4107(a)(3). If a hearing is held, it shall be expedited to the extent practicable and shall not include the General Counsel as a party.

§ 1424.10 Board decision and order; compliance.
(a) Subject to the requirements of this part the Board shall expedite proceedings under this part to the extent practicable and shall issue to the exclusive representative and to the Department a written decision on the allegation and specific reasons therefor at the earliest practicable date.
(b) If the Board finds that the duty to bargain extends to the matter proposed to be bargained, the decision of the Board shall include an order that the Department shall upon request (or as otherwise agreed to by the parties) bargain concerning such matter. If the Board finds that the duty to bargain does not extend to the matter proposed to be bargained, the Board shall so state and issue an order dismissing the petition for review of the negotiability issue. If the Board finds that the duty to bargain extends to the matter proposed to be bargained only at the election of the Department, the Board shall so state and issue an order dismissing the petition for review of the negotiability issue.
(c) When an order is issued as provided in paragraph (b) of this section, the Department or exclusive representative shall report to the appropriate Regional Director within a specified period failure to comply with an order that the Department shall upon request (or as otherwise agreed to by the parties) bargain concerning the disputed matter. If the Board finds such a failure to comply with its order, the Board shall take whatever action it deems necessary, including enforcement under 22 U.S.C. 4109(b).

Such temporary stay shall be deemed effective from the date of the action and shall remain in effect until the Board issues its decision and order on the exception, or the Board or its designee otherwise acts with respect to the request for the stay.

Whenever a party has the right or is required to do some act pursuant to this subchapter within a prescribed period after service of a notice or other paper upon such party, and the notice or paper is served on such party by mail, five (5) days shall be added to the prescribed period.

§ 1429.23 Extension; waiver.

(a) Except as provided in paragraph (d) of this section, the Board or General Counsel, or their designated representatives, as appropriate, may extend any time limit provided in this subchapter for good cause shown, and shall notify the parties of any such extension. (b) Except as provided in paragraph (d) of this section, the Board or General Counsel, or their designated representatives, as appropriate, may waive any expired time limit in this subchapter in extraordinary circumstances. Request for a waiver of time limits shall state the position of the other parties and shall be served on the other parties.

(c) The time limits established in this subchapter may not be extended or waived in any manner other than that described in this subchapter.

This memorandum is intended to describe the statutory authority and set forth the prescribed duties and authority of the General Counsel of the Federal Labor Relations Authority under the Foreign Service Statute, effective February 15, 1981.

I. Case handling—A. Unfair labor practice cases. The General Counsel has full and final authority and responsibility, on behalf of the Board, to accept and investigate charges filed, to enter into and approve the informal settlement of charges, to approve withdrawal requests, to dismiss charges, to determine matters concerning the consolidation and severance of cases before complaint issues, to issue complaints and notices of hearing, to appear before Administrative Law Judges in hearings on complaints and prosecute as provided in the Board’s and the General Counsel’s rules and regulations, and to initiate and prosecute injunction proceedings as provided for in section 4109(d) of the Foreign Service Statute. After issuance of the Administrative Law Judge’s decision, the General Counsel may file exceptions and briefs and appear before the Board in oral argument, subject to the Board’s and the General Counsel’s rules and regulations.

B. Compliance actions (injunction proceedings). The General Counsel is authorized and responsible, on behalf of the Board, to seek and effect compliance with the Board’s orders and make such compliance reports to the Board as it may from time to time require.

On behalf of the Board, the General Counsel will, in full accordance with the directions of the Board, initiate and prosecute injunction proceedings as provided in section 4109(d) of the Foreign Service Statute: Provided however, That the General Counsel will initiate and conduct injunction proceedings under section 4109(d) of the Foreign Service Statute only upon approval of the Board.

C. Representation cases. The General Counsel is authorized and has responsibility, on behalf of the Board, to receive and process, in accordance with the decisions of the Board and with such instructions and rules and regulations as may be issued by the Board from time to time, all petitions filed pursuant to sections 4111 and 4118(c) of the Foreign Service Statute. The General Counsel is also authorized and has responsibility to supervise or conduct elections pursuant to section 4111 of the Foreign Service Statute and to enter into consent election agreements in accordance with section 4111(g) of the Foreign Service Statute.

The authority and responsibility of the General Counsel in representation cases shall extend, in accordance with the rules and regulations of the Board and the General Counsel, to all phases of the investigation.

[46 FR 45881, Sept. 15, 1981]
through the conclusion of the hearing (if a hearing should be necessary to resolve disputed issues), but all matters involving decisional action after such hearings are reserved by the Board to itself. In the event a direction of election should issue by the Board, the authority and responsibility of the General Counsel, as herein prescribed, shall attach to the conduct of the ordered election, the initial determination of the validity of challenges and objections to the conduct of the election and other similar matters, except that if appeals shall be taken from the General Counsel’s action on the validity of challenges and objections, such appeals will be directed to and decided by the Board in accordance with its procedural requirements. If challenged ballots would not affect the election results and if no objections are filed within five days after the conduct of the Board-directed election under the provisions of section 4111 of the Foreign Service Statute, the General Counsel is authorized and has responsibility, on behalf of the Board, to maintain appropriate and adequate liaison and arrangements with the Office of the Assistant Secretary of Labor for Labor-Management Relations with reference to the financial and other reports required to be filed with the Assistant Secretary pursuant to section 4117 of the Foreign Service Statute and the availability to the Board and the General Counsel of the contents thereof. The General Counsel is authorized and has responsibility, on behalf of the Board, to maintain appropriate and adequate liaison with the Foreign Service Grievance Board with respect to functions which may be performed by the Foreign Service Grievance Board.

III. To the extent that the above-described duties, powers and authority rest by statute with the Board, the foregoing statement constitutes a prescription and assignment of such duties, powers and authority, whether or not so specified.

AUTHORITY: 5 U.S.C. 552b.
SOURCE: 48 FR 55842, Dec. 16, 1983, unless otherwise noted.

§ 1500.1 Purpose and scope.
The purpose of this part is to effectuate the provisions of the Government in the Sunshine Act. These procedures apply to meetings of the Board of Directors of the African Development Foundation.

§ 1500.2 Policy.
It is the policy of the African Development Foundation to provide the public with the fullest practical information regarding its decision-making process, while protecting the rights of individuals and the ability of the Foundation to carry out its responsibilities.

§ 1500.3 Definitions.
As used in this part:
Meeting means the deliberations of a quorum of the Directors of the Foundation required to take action on behalf of the Foundation where such deliberations determine or result in the joint conduct or disposition of official Foundation business, but does not apply to deliberations to take action to open or close a meeting. (See §1500.5.)
Member means an individual who belongs to the ADF Board of Directors.
Public Observation means attendance at any meeting but does not include participation, or attempted participation, in such meeting in any manner.

§ 1500.4 Open meetings.
(a) Members shall not jointly conduct or dispose of Foundation business other than in accordance with these procedures. Every portion of every meeting of the Board of Directors shall be open to public observation, subject to the exceptions provided in §1500.5.
(b) The Secretary of the Foundation shall be responsible for assuring that ample space, sufficient visibility, and adequate acoustics are provided for public observation of meetings of the Board of Directors.

§ 1500.5 Grounds on which meetings may be closed.
(a) The Foundation shall open every portion of every meeting of the Foundation for public observation, except where the Foundation determines that such portion or portions of its meeting or the disclosure of such information is likely to:
   (1) Disclose matters that are:
      (i) Specifically authorized under criteria established by an executive order to be kept secret in the interests of national defense on foreign policy, and
      (ii) In fact properly classified pursuant to such executive order;
   (2) Relate solely to the internal personnel rules and practice of the Foundation;
   (3) Disclose matters specifically exempted from disclosure by statute, provided that such statute:
      (i) Requires that the matters be withheld from the public in such manner as to leave no discretion on the issue, or
      (ii) Has established practical criteria for withholding or refers to particular types of matters to be withheld;
   (4) Disclose trade secrets and commercial or financial information which has been obtained from a person and is privileged or confidential;
   (5) Involve accusing any person of a crime, or formally censuring any person;
   (6) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
   (7) Disclose investigatory records compiled for law enforcement purposes,
or information which if written would be contained in such records, but only to the extent that the production of such records or information would:

(i) Interfere with enforcement proceedings,
(ii) Deprive a person of a right to fair trial or an impartial adjudication,
(iii) Constitute an unwarranted invasion of personal privacy,
(iv) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source,
(v) Disclose investigative techniques and procedures, or
(vi) Endanger the life or physical safety of law enforcement personnel;

(8) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action. This shall not apply in any instance where the Foundation has already disclosed to the public the content or nature of its proposed action or where the Foundation is required by law to make such disclosure on its own initiative prior to taking final Foundation action on such proposal;

(9) Specifically concern the Foundation’s issuance of a subpoena; the Foundation’s participation in a civil action or proceeding, or an arbitration; or an action in a foreign court or international tribunal; or the initiation, conduct, or disposition by the Foundation of a particular case of formal agency adjudication pursuant to the procedures in section 554 of title 5 of the United States Code, or otherwise involving a determination on the record after an opportunity for a hearing.

(b) Meetings of the Board of Directors shall not be closed pursuant to paragraph (a) of this section when the Foundation finds that the public interest requires that they be open.

§ 1500.6 Procedure for announcing meetings.

(a) In the case of each meeting of the Board of Directors, the Foundation shall make public, at least one week before the meeting, the following information:

(1) Time of the meeting;
(2) Place of the meeting;
(3) Subject matter of the meeting;
(4) Whether the meeting or parts thereof are to be open or closed to the public; and
(5) The name and telephone number of the person designated by the Board to respond to requests for information about the meeting.

(b) The period of one week for the public announcement required by paragraph (a) of this section may be reduced if a majority of the Board of Directors of the Foundation determines by a recorded vote that the Foundation requires that such a meeting be called at an earlier date, in which case the Foundation shall make public announcement of the time, place, and subject matter of such meeting, and whether open or closed to the public, at the earliest practicable time.

(c) Immediately following the public announcement, the Foundation shall publish the announcement in the Federal Register.

(d) The earliest practicable time, as used in this subsection, means as soon as possible, which should not be later than the commencement of the meeting or portion in question.

(e) The Secretary of the Foundation shall use reasonable means to assure that the public is fully informed by the public announcements required by this section. Such public announcements may be made by posting notices in the public areas of the Foundation’s headquarters and mailing notices to the persons on a list maintained for those who want to receive such announcements.

§ 1500.7 Procedure for closing meetings.

(a) Action to close a meeting or a portion thereof, pursuant to the exemptions set forth in §1500.5, shall be taken only when:

(1) A majority of the membership of the Foundation’s Board of Directors votes to take such action. That vote shall determine whether or not any portion or portions of a meeting or portions of a series of meetings may be
African Development Foundation Pt. 1501

closed to public, observation for any of the reasons provided in §1500.5 and whether or not the public interest nevertheless requires that portion of the meeting or meetings remain open. A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in such series. The vote of each Board member participating in such vote shall be recorded, and no proxies shall be allowed.

(2) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Foundation close such portion to the public for any of the reasons referred to in §1500.5 (a) (5), (6), or (7), the Foundation, upon request of any one of its Board members, shall take a recorded vote whether to close such portion of the meeting.

(b) Within one day of any vote taken, the Foundation shall make publicly available a written copy of such vote, reflecting the vote of each member on the question, and a full written explanation of the action to close a portion of or the entire meeting, together with a list of persons expected to attend the meeting and their affiliations.

(c) For every closed meeting, the General Counsel of the Foundation shall publicly certify prior to a Board of Directors’ vote on closing the meeting that, in his or her opinion, the meeting may be closed to the public, and shall state each relevant exemptive provision. A copy of such certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting and the persons present, shall be retained by the Foundation.

§ 1500.8 Changing the time and place of, and reconsideration of opening or closing a meeting.

The time or place of a Board meeting may be changed following the public announcement only if the Foundation publicly announces such change at the earliest practicable time. The subject matter of a meeting, or the determination of the Foundation to open or close a meeting, or portion of a meeting, to the public, may be changed following the public announcement only if a majority of the Board of Directors determines by a recorded vote that Foundation business so requires and that no earlier announcement of the change was possible, and the Foundation publicly announces such change and the vote of each member upon change at the earliest practicable time.

§ 1500.9 Transcripts, recording of closed meetings.

(a) The Foundation shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting, or portion of a meeting, closed to the public.

(b) The Foundation, after review by the General Counsel, shall make promptly available to the public in a place easily accessible to the public the transcript or electronic recording of the discussion of any item on the agenda, or any item of the testimony of any witness received at the Board meeting, except for such item or items of discussion or testimony as the Foundation determines to contain information which may be withheld under §1500.5. Copies of such transcript, or a transcription of such recording, disclosing the identify of each speaker, shall be furnished to any person at the actual cost of duplication or transcription.

The Foundation shall maintain a complete verbatim copy of the transcript or a complete electronic recording of each meeting, or portion of a meeting, closed to the public, for a period of at least two years after such meeting, or until one year after the conclusion of any Foundation proceeding with respect to which the meeting or portion was held, whichever occurs later.

Substantive Rule of General Applicability

§ 1501.1 Introduction.

The regulations of this part are issued pursuant to the provisions of the Freedom of Information Act, 5 U.S.C. 552.

§ 1501.2 Background.

(b) The primary function of ADF is to extend financial assistance in the form of grants, loans and loan guarantees to African private and public entities to support self-help activities at the local level in African countries, and to fund development research by Africans. Priority shall be given to projects which community groups undertake to foster their own development and which involve maximum feasible participation of the poor. The maximum assistance which may be extended for a single project is $250,000.

§ 1501.3 Description of central organization and location of offices.

(a) The management of ADF is vested in a Board of Directors (hereinafter referred to as the "Board") consisting of a Chairperson, a Vice Chairperson and five other members appointed by the President, by and with the advice and consent of the Senate. Five of the members are appointed from private life and two from among the officers and employees of agencies of the United States concerned with African affairs. The Board establishes policy for the Foundation and is responsible for its management.

(b) The Board is required to appoint a President of the Foundation upon such terms as it may determine. The President has responsibility for directing the day to day activities of the Foundation. He is assisted by a Vice President, a Congressional liaison officer, a Public Affairs officer, a General Counsel, and the following staff units:

(1) Office of Administration and Finance. This office is responsible for the management of the administrative, budgeting, financial and personnel activities of the Foundation.

(3) Office of Program and Field Operations. This office is responsible for identifying, reviewing and monitoring projects funded by the Foundation.

(c) The Board is also required to establish an Advisory Council made up of individuals knowledgeable about development activities in Africa, and to consult with the Council at least once each year. (d) The Board of Directors and the aforementioned officers, together with the other employees of the Foundation, constitute the central organization of ADF, and are located and function at ADF headquarters, 1724 Massachusetts Avenue NW., Suite 200, Washington, DC 20036. It is anticipated that in the future a field organization will be established with offices in selected cities in Africa, but this has not yet occurred.

§ 1501.4 Availability of information pertaining to Foundation operations.

Rules of procedure and forms used for the funding of ADF projects may be obtained upon application to the Office of Program and Field Operations at ADF.

§ 1502.1 Introduction.

(a) It is the policy of the African Development Foundation that information about its operations, procedures, and records be freely available to the public in accordance with the provisions of the Freedom of Information Act.

(b) The Foundation will make the fullest possible disclosure of its information and identifiable records consistent with the provisions of the Act and the regulations in this part.

(c) The Director of Administration and Finance (A&F) shall be responsible for the Foundation’s compliance with the processing requirements of the Freedom of Information Act.

§ 1502.2 Definitions.

As used in this part, the following words have the meanings set forth below:

(b) Foundation means the African Development Foundation.

(c) President means the President of the Foundation.

(d) Record(s) includes all books, papers, or other documentary materials made or received by the Foundation in connection with the transaction of its business which have been preserved or are appropriate for preservation by the Foundation as evidence of its organization, functions, policies, decisions, procedures, operations, or other activities, or because of the informational value of the data contained therein. Library or other material acquired and preserved solely for reference or exhibition purposes, and stocks of publications and other documents provided by the Foundation to the public in the normal course of doing business are not included within the definition of the word “records.” The latter will continue to be made available to the public without charge.

§ 1502.3 Access to Foundation records.

Any person desiring to have access to Foundation records may call or apply in person between the hours of 10 a.m. and 4 p.m. on weekdays (holidays excluded) at the Foundation offices at 1724 Massachusetts Avenue, NW., Suite 200, Washington, DC 20036. Requests for access should be made to the Director of A&F, at the Foundation offices. If request is made for copies of any record, the Office of A&F will assist the person making such request in seeing that such copies are provided according to the rules in this part.

§ 1502.4 Written requests.

In order to facilitate the processing of written requests, every petitioner should:

(a) Address his or her request to: Director, Administration and Finance Division, African Development Foundation, 1724 Massachusetts Avenue, NW., Suite 200, Washington, DC 20036.
§ 1502.5 Records available at the Foundation.

The Administration and Finance Division will make available for public inspection and copying, to the extent not authorized to be withheld, the following works or classes of information:

(b) Statements of policy and interpretations which have been adopted by the Foundation and which are not published in the FEDERAL REGISTER.

(c) Administrative staff manuals and instructions to staff that affect a member of the public;

(d) Any indexes providing identifying information regarding any record described in paragraphs (b) and (c) of this section.

(e) Brochures and other printed materials describing the Foundation’s activities.

§ 1502.6 Records of other departments and agencies.

Requests for records which have been originated by, or are primarily the concern of, another U.S. Department or Agency will be forwarded to the particular department or agency involved, and the petitioner so notified. In response to requests for records or publications published by the Government Printing Office or other government printing activity, the Foundation will refer the petitioner to the appropriate sales office and refund any fee payments which accompanied the request.

§ 1502.7 Fees.

(a) When charged. Fees shall be charged in accordance with the schedules contained in paragraph (b) of this section for services rendered in responding to requests for Foundation records under this sub-part unless the Director of A&F determines that such charges, or a portion thereof, are not in the public interest because furnishing the information primarily benefits the general public. Fees shall also not be charged where they would amount, in the aggregate, for a request or series of related requests, to less than $3. Ordinarily, fees shall not be charged if the records requested are not found, or if located, are withheld as exempt.

(b) Services charged for and amount charged. For the services listed below expended in locating or making available records or copies thereof, the following charges shall be assessed:

(1) Copies. For copies $.10 per copy of each page.

(2) Clerical searches. For each one quarter hour spent by clerical personnel in excess of the first quarter hour in searching for and producing requested records, $2.30.

(3) Non-routine, non-clerical searches. Where the task of determining which records fall within a request and collecting them requires the time of professional or managerial personnel, and where the time required is substantial, for each one quarter hour spent in excess of the first quarter hour, $5.40. No charge shall be made for the time spent in resolving legal or policy issues affecting access to records of known contents.

(4) Other charges. When a response to a request requires services or materials other than those described in paragraphs (b) (1) through (3) of this section, the direct cost of such services to the Foundation may be charged, providing the requestor has been given an
estimate of such cost before it is incurred.

(c) Revision of schedule. The fee schedule will be revised from time to time, without notice, to assure recovery of actual costs of rendering information services to any person. The revised schedule will be available without charge.

§ 1502.8 Exemptions.

The following categories are examples of records which, if maintained by the Foundation, may be exempted from disclosure under 5 U.S.C. 552(b):

(a) Records specifically required by executive order to be exempt from disclosure in the interest of the national defense or foreign policy which properly classified pursuant to such executive order;

(b) Records related solely to the internal personnel rules and practices of the Foundation;

(c) Records specifically exempted from disclosure by statute (other than 5 U.S.C. 552b), providing that such statute (1) requires that the matter be withheld from the public in such a manner as to leave no discretion, or (2) establishes criteria for withholding or refers to particular types of matters to be withheld;

(d) Trade secrets and commercial or financial information obtained from any person which is privileged or confidential;

(e) Interagency or intra-agency memoranda or letters which would not be available by law to a private party in litigation with the Foundation;

(f) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(g) Investigatory files (including security investigation files and files concerning the conduct of employees) compiled for law enforcement purposes, except to the extent available by law to a private party.

The Foundation will not honor requests for exempt records or information.

§ 1502.9 Processing of requests.

(a) Processing. A person who has made a written request for records which meets the requirements of § 1502.4 shall be informed by the Director of A&F within ten working days of receipt of the Foundation’s decision whether to deny or grant access to the records.

(b) Denials. If the Director of A&F, with the concurrence of the General Counsel, denies a request for records, the requestor will be informed of the name and title of the official responsible for the denial, the reasons for it, and the right to appeal the decision to the President of the Foundation within 10 working days of receipt of the denial. The President shall determine any appeal within 20 days of receipt and notify the requestor within the time period of the decision. If the decision is to uphold the denial, the requestor will be informed of the reasons for the decision and of the right to a judicial review of the decision in the federal courts.

(c) Extension of time. Where it is reasonably necessary to the proper processing of requests, the time required to respond to an FOIA request or an appeal may be extended for an additional 10 working days upon written notification to the requestor providing the reasons for the extension.

§ 1502.10 Judicial review.

On complaint, the district court of the United States in the district in which the complainant resides, or has his/her principal place of business, or in which the agency records are situated, or in the District of Columbia, has jurisdiction to enjoin the Foundation from withholding Foundation records, and to order the production of any agency records improperly withheld from the complainant (5 U.S.C. 552(a)(4)(B)).

PART 1503—OFFICIAL SEAL

Sec. 1503.1 Authority.

1503.2 Description.

1503.3 Custody and authorization to affix.

SOURCE: 50 FR 18634, May 2, 1985, unless otherwise noted.

Pursuant to section 506(a)(3) of Pub. L. 96–533, the African Development
§ 1503.2 Description.

The official seal of the African Development Foundation is described as follows:

(a) Forming an outer circle is a ring of type in dark blue capital letters spelling the words “AFRICAN DEVELOPMENT FOUNDATION—UNITED STATES OF AMERICA.”

(b) Within that circle is an inner circle with the stylized letters ADF in dark blue superimposed on a light grey background.

(c) The official seal of the African Development Foundation when reproduced in black and white and when embossed, is as it appears below.

§ 1503.3 Custody and authorization to affix.

(a) The seal is the official emblem of the African Development Foundation and its use is therefore permitted only as provided in this part.

(b) The seal shall be kept in the custody of the General Counsel, or any
other person he authorizes, and should be affixed by him, the Chairman of the Board of Directors, or the President of the African Development Foundation to authenticate records of the Foundation and for other official purposes. The General Counsel may redelegate and authorize redelegation of this authority.

(c) The President of the African Development Foundation shall designate and prescribe by internal written delegation and policies the use of the seal for other publication and display purposes and those Foundation officials authorized to affix the seal for these purposes.

(d) Use by any person or organization outside of the Foundation may be made only with the Foundation’s prior written approval. Such request must be made in writing to the General Counsel.

PART 1504—EMPLOYEE RESPONSIBILITIES AND CONDUCT

§ 1504.1 Cross-references to employee ethical conduct standards and financial disclosure regulations.

Directors and other employees of the African Development Foundation are subject to the Standards of Ethical Conduct for Employees of the Executive Branch at 5 CFR part 2635, and the executive branch financial disclosure regulations at 5 CFR part 2634.

PART 1506—COLLECTION OF CLAIMS

SOURCE: 53 FR 5567, Feb. 25, 1988, unless otherwise noted.

§ 1506.1 Purpose.

These regulations prescribe the procedures to be used by the African Development Foundation (ADF) in the collection of claims owed to the African Development Foundation and to the United States.

§ 1506.2 Applicability of Federal Claims Collection Standards.

Except as otherwise provided by law, the African Development Foundation will conduct administrative actions to collect claims (including offset, compromise, suspension, termination, disclosure and referral) in accordance with the Federal Claim Collection Standards ("FCCS") of the General Accounting Office and Department of Justice, 4 CFR parts 101–105.

§ 1506.3 Subdivision of claims.

A debtor’s liability arising from a particular contract or transaction shall be considered a single claim for purposes of the monetary ceilings of the FCCS.

§ 1506.4 Late payment, penalty and administrative charges.

(a) Except as otherwise provided by statute, loan agreement or contract, the African Development Foundation will assess:

(1) Late payment charges (interest) on unpaid claims at the prompt payment interest rate established by the Secretary of the Treasury as the current value of funds to the United States Treasury.

(2) Penalty charges at 6 percent a year on any portion of a claim that is delinquent for more than 90 days.

(3) Administrative charges to cover the costs of processing and calculating delinquent claims.

(b) Late payment charges shall be computed from the date of mailing or hand delivery of the notice of the claim and interest requirements.

(c) Waiver. (1) Late payment charges are waived on any claim or any portion of a claim which is paid within 30 days after the date on which late payment charges begin to accrue.
(2) The 30 day period may be extended on a case-by-case basis if it is determined that an extension is appropriate.

(3) The African Development Foundation may waive late payment, penalty and administrative charges under the FCCS criteria for the compromise of claims (4 CFR part 103), or upon a determination that collection of the charges would be against equity and good conscience or not in the best interest of the United States, including for example:
   (i) Pending consideration of a request for reconsideration, administrative review or waiver under a permissive statute,
   (ii) If repayment of the full amount of the debt is made after the date upon which interest and other charges become payable and the estimated costs of recovering the residual balance exceeds the amount owed, or
   (iii) If collection of interest or other charges would jeopardize collection of the principal of the claim.

§ 1506.5 Demand for payment.

(a) A total of three progressively stronger written demands at approximately 30-day intervals will normally be made, unless a response or other information indicates that additional written demands would either be unnecessary or futile. When necessary to protect the Government’s interest, written demand may be preceded by other appropriate actions under the Federal Claims Collection Standards, including immediate referral for litigation and/or offset.

(b) The initial written demand for payment shall inform the debtor of:
   (1) The basis for the claim;
   (2) The amount of the claim;

If the African Development Foundation later sustains or amends its determination, it shall notify the debtor of its intent to collect the claim, with any adjustments based on the debtor’s response, by administrative offset, unless payment is received within 30 days of the mailing of the notification of its decision following a review of the claim.
   (5) The right of the debtor to offer to make a written agreement to repay the amount of the claim.

§ 1507.5 Accounting for disclosure of records.

(a) With respect to each system of records under ADF control, the Foundation will keep an accurate accounting of routine disclosures, except those made to employees of the Foundation in the normal course of duties or pursuant to the provisions of the Freedom of Information Act. Such accounting shall contain the following:

(3) The justification or basis upon which any release was made including any written documentation required.
(b) The Foundation will retain the accounting made under this section for at least 5 years or the life of the record, whichever is longer, after the disclosure for which the accounting is made.

c) Except for disclosure made under paragraph (g) of §1503.3, the Foundation will make the accounting under paragraph (a) of this section available to the individual named in the record at his or her request.

d) The Foundation will inform any person or other agency about any correction or notation of dispute made by the agency of any record that has been disclosed to the person or agency if an accounting of the disclosure was made.

§ 1507.6 Access to records.

(a) Except as otherwise provided by law or regulation, any individual, upon request made either in writing or in person during regular business hours, shall be provided access to his or her record or to any information pertaining to him or her which is contained in a system of records maintained by the Foundation. The individual will be permitted to review the record and have a copy made of all or any portion thereof in a form comprehensible to him or her. Nothing in 5 U.S.C. 552a, however, allows an individual access to any information compiled in reasonable anticipation of a civil action or proceeding.

(b) An individual will be notified, upon request, if any Foundation system of records contains a record pertaining to him or her. Such request may be made in person during regular business hours, or in writing over the signature of the person making the request. Individuals requesting the information will be required to identify themselves by providing their names, addresses, and a signature. If they are requesting disclosure in person, they are also required to show an identification card, such as a driver’s license, containing a photo and a sample signature. If the request is received through the mail, the Foundation may request such information as may be necessary to assure that the requesting individual is properly identified. This may include a requirement that the request be notarized with a notation that the notary received an acknowledgement of identity from the requester.

(c) A record may be disclosed to a representative of the person to whom a record relates when the representative is authorized in writing by such person to have access.

(d) Requests for access to or copies of records should contain, at a minimum, identifying information needed to locate any given record, and a brief description of the item or items of information required. If the individual wishes access to specific documents, the request should identify or describe, as nearly as possible, such documents. The request should be made to the Director, Administration and Finance, African Development Foundation, 1625 Massachusetts Avenue NW., Suite 600, Washington, DC 20036. Personal contacts should normally be made during the regular duty hours of the officer concerned, which are 8:30 a.m. to 5:00 p.m. Monday through Friday.

(e) A request made in person will be promptly complied with if the records sought are in the immediate custody of the Foundation. Mail or personal requests for documents which are not in the immediate custody of ADF or which are otherwise not immediately available, will be acknowledged within ten working days of receipt, and the records will be provided as promptly thereafter as possible.

(f) Special procedures may be established by the President of the Foundation governing the disclosure to an individual of his or her medical records, including psychological records.

(g) Any individual may request the Director, Administration and Finance, to amend any Foundation record pertaining to him or her. Not later than 10 working days after the date of receipt of such request, the Director, Administration and Finance, or his/her designee, will acknowledge such receipt in writing. Promptly after acknowledging receipt of a request, the Director, Administration and Finance or his/her designee will:

1. Correct any portion of the record which the individual believes is not accurate, relevant, timely, or complete; or

2. Inform the individual of the Foundation’s refusal to amend the record in
accordance with the request, the reason for the refusal, the procedures by which the individual may request a review of that refusal by the President of the Foundation, or his/her designee, and the name and address of such official; or

(3) Refer the request to the agency that has control of and maintains the record when the record requested is not the property of the Foundation, but of the controlling agency.

(h) Any individual who disagrees with the refusal of the Director, Administration and Finance to amend his or her record may request a review of that refusal. Such request for review must be made within 30 days after receipt by the requester of the initial refusal to amend. The President of the Foundation, or designee, will complete such review not later than 30 working days from the date on which the individual requests such review, and make a final determination, unless for good cause shown, the President or designee extends such 30-day period and notifies the requester in writing that additional time is required to complete the review. If, after review, the President or designee refuses to amend the record in accordance with the request, the individual will be advised of the right to file with the Foundation a concise statement setting forth the reasons for his or her disagreement with the refusal, and also advised of the provisions in the Act for judicial review of the President’s determination.

(i) In any disclosure containing information about which the individual has filed a statement under paragraph (g) of this section, the Foundation will clearly note any part of the record which is disputed and provide copies of the statement and, if the Foundation deems it appropriate, copies of a concise statement of the Foundation’s reasons for not making the amendment requested, to persons or other agencies to whom the disputed record has been disclosed.

§ 1507.7 Contents of records systems.

(a) The Foundation will maintain in its records only such information about an individual as is accurate, relevant, and necessary to accomplish the purpose for which it was acquired as authorized by statute or Executive Order.

(b) The Foundation will collect information, to the greatest extent practicable, directly from the individual to whom the record pertains when the information may result in adverse determinations about the individual’s rights, benefits and privileges under Federal programs.

(c) The Foundation will inform each individual whom it asks to supply information on any form which it uses to collect the information, or on a separate form that can be retained by the individual, of:

(e) All records used by the Foundation in making any determination about any individual will be maintained with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the determination.

(g) The Foundation will maintain no record describing how any individual exercises rights guaranteed by the First Amendment of the Constitution of the United States unless expressly authorized by statute or by the individual about whom the record is maintained, or unless pertinent to, and within the scope of, an authorized law enforcement activity.

(h) The Foundation will establish rules of conduct for persons involved in the design, development, operation, or maintenance of any system of records, or in maintaining any record. Each such person will be instructed regarding such rules and the requirements of 5 U.S.C. 552a. The instruction will include any other rules and procedures adopted pursuant to 5 U.S.C. 552a, and the penalties provided for noncompliance.

(i) The Foundation will establish appropriate administrative, technical, and physical safeguards to insure the security and confidentiality of records and to protect against any anticipated threats or hazards to their security or integrity which could result in substantial harm, embarrassment, inconvenience, or unfairness to any individual on whom information is maintained.

(j) At least 30 days prior to the publication of the notice in the Federal Register regarding the routine use of the records contained in the Foundation’s system or systems of records, including the categories of users and the purpose of such use pursuant to paragraph (d) of this section, the Foundation will also:

(1) Publish a notice in the Federal Register of any new or revised use of the information in the system or systems maintained by the Foundation; and

(b) Where the Foundation undertakes to perform for an individual making a request, or for any other person, services which are very clearly not required to be performed under section 552a, title 5, United States Code, either voluntarily or because such services are required by some other law (e.g., the formal certification of records as true copies, attestation under the seal of the Foundation, etc.), the question of charging fees for such services will be determined by the Director of Administration and Finance, in light of the Federal user charge statute (31 U.S.C. 483a), and any other applicable law.

(c) No fees shall be charged for search time expended by the Foundation to produce a record.

§ 1507.9 Judicial review.

(ii) **Lower tier covered transaction.** A lower tier covered transaction is:

(A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction.

(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $25,000) under a primary covered transaction.

(C) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person will have a critical influence on or substantive control over that covered transaction. Such persons are:

(1) Principal investigators.

(2) Providers of federally-required audit services.

(ii) **Exceptions.** The following transactions are not covered:

(i) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of these regulations would be prohibited by law.

(b) **Relationship to other sections.** This section describes the types of transactions to which a debarment or suspension under the regulations will apply. subpart B, “Effect of Action,” §1508.200, “Debarment or suspension,” sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in §1508.110(a). Sections 1508.325, “Scope of debarment,” and 1508.420, “Scope of suspension,” govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) **Relationship to Federal procurement activities.** In accordance with E.O. 12689 and section 2455 of Public Law 103–355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for Executive Branch agencies and participants as an exclusion under this regulation. Similarly, any debarment, suspension or other governmentwide exclusion initiated under this regulation on or after August 25, 1996 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.

Subpart B—Effect of Action

§ 1508.200 Debarment or suspension.
(a) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to § 1508.215.
(b) Lower tier covered transactions. Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see § 1508.110(a)(1)(ii)) for the period of their exclusion.
(c) Exceptions. Debarment or suspension does not affect a person's eligibility for—
(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;
(2) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities; public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;
(3) Benefits to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted);
(4) Federal employment;
(5) Transactions pursuant to national or agency-recognized emergencies or disasters;
(6) Incidental benefits derived from ordinary governmental operations; and
(7) Other transactions where the application of these regulations would be prohibited by law.

§ 1508.205 Ineligible persons.
Persons who are ineligible, as defined in § 1508.105(i), are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

§ 1508.210 Voluntary exclusion.
Persons who accept voluntary exclusions under § 1508.315 are excluded in accordance with the terms of their settlements. African Development Foundation shall, and participants may, contact the original action agency to ascertain the extent of the exclusion.

§ 1508.215 Exception provision.
African Development Foundation may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and § 1508.200. However, in accordance with the President's stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with § 1508.505(a).

[60 FR 33041, 33046, June 26, 1995]
§ 1508.220 Continuation of covered transactions.

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in §1508.215.

[60 FR 33041, 33046, June 26, 1995]

§ 1508.225 Failure to adhere to restrictions.

(a) Except as permitted under §1508.215 or §1508.220, a participant shall not knowingly do business under a covered transaction with a person who is—

(1) Debarred or suspended;

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction (See appendix B of these regulations), unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

[60 FR 33041, 33046, June 26, 1995]

Subpart C—Debarment

§ 1508.300 General.

The debarring official may debar a person for any of the causes in §1508.305, using procedures established in §§1508.310 through 1508.314. The existence of a cause for debarment, however, does not necessarily require that the person be debarred; the seriousness of the person’s acts or omissions and any mitigating factors shall be considered in making any debarment decision.

§ 1508.305 Causes for debarment.

Debarment may be imposed in accordance with the provisions of §§1508.300 through 1508.314 for:

(a) Conviction of or civil judgment for:

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State anti-trust statutes, including those prescribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, or obstruction of justice; or

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:

(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;

(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or
§ 1508.314 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

(a) That debarment is being considered;

(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;

(c) Of the cause(s) relied upon under § 1508.305 for proposing debarment;

(d) Of the provisions of §§ 1508.311 through 1508.314, and any other African Development Foundation procedures, if applicable, governing debarment decisionmaking; and

(e) Of the potential effect of a debarment.

§ 1508.313 Opportunity to contest proposed debarment.

(a) Submission in opposition. Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) Additional proceedings as to disputed material facts. (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 1508.314 Debarring official’s decision.

(a) No additional proceedings necessary. In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts,
§ 1508.315 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, African Development Foundation may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E).

§ 1508.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see 1508.305(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§1508.311 through 1508.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official
may grant such a request for reasons including, but not limited to:
(1) Newly discovered material evidence;
(2) Reversal of the conviction or civil judgment upon which the debarment was based;
(3) Bona fide change in ownership or management;
(4) Elimination or other causes for which the debarment was imposed; or
(5) Other reasons the debarring official deems appropriate.

§ 1508.325 Scope of debarment.
(a) Scope in general. (1) Debarment of a person under these regulations constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.
(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§ 1508.311 through 1508.314).
(b) Imputing conduct. For purposes of determining the scope of debarment, conduct may be imputed as follows:
(1) Conduct imputed to participant. The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual’s performance of duties for or on behalf of the participant, or with the participant’s knowledge, approval, or acquiescence. The participant’s acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.
(2) Conduct imputed to individuals associated with participant. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant’s conduct.

Subpart D—Suspension
§ 1508.400 General.
(a) The suspending official may suspend a person from any of the causes in § 1508.405 using procedures established in § 1508.410 through § 1508.413.
(b) Suspension is a serious action to be imposed only when:
(1) There exists adequate evidence of one or more of the causes set out in § 1508.405, and
(2) Immediate action is necessary to protect the public interest.
(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 1508.405 Causes for suspension.
(a) Suspension may be imposed in accordance with the provisions of §§ 1508.400 through 1508.413 upon adequate evidence:
(1) To suspect the commission of an offense listed in § 1508.305(a); or
(2) That a cause for debarment under § 1508.305 may exist.
(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 1508.410 Procedures.
(a) Investigation and referral. Information concerning the existence of a cause for suspension from any source
shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) Decisionmaking process. African Development Foundation shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in §1508.411 through §1508.413.

§ 1508.411 Notice of suspension.
When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;

(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government’s evidence;

(d) Of the cause(s) relied upon under §1508.405 for imposing suspension;

(e) That the suspension is for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings;

(f) Of the provisions of §1508.411 through §1508.413 and any other African Development Foundation procedures, if applicable, governing suspension decisionmaking; and

(g) Of the effect of the suspension.

§ 1508.412 Opportunity to contest suspension.

(a) Submission in opposition. Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) Additional proceedings as to disputed material facts. (1) If the suspending official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents, unless:

(i) The action is based on an indictment, conviction or civil judgment, or

(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 1508.413 Suspending official’s decision.
The suspending official may modify or terminate the suspension (for example, see §1508.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) No additional proceedings necessary. In actions: based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) Additional proceedings necessary. (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with
any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

c) Notice of suspending official’s decision. Prompt written notice of the suspending official’s decision shall be sent to the respondent.

§ 1508.415 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuring legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

§ 1508.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see §1508.320), except that the procedures of §§1508.410 through 1508.413 shall be used in imposing a suspension.

Subpart E—Responsibilities of GSA, Agency and Participants

§ 1508.500 GSA responsibilities.

(a) In accordance with the OMB guidelines, GSA shall compile, maintain, and distribute a list of all persons who have been debarred, suspended, or voluntarily excluded by agencies under Executive Order 12549 and these regulations, and those who have been determined to be ineligible.

(b) At a minimum, this list shall indicate:

1. The names and addresses of all debarred, suspended, ineligible, and voluntarily excluded persons, in alphabetical order, with cross-references when more than one name is involved in a single action;
2. The type of action;
3. The cause for the action;
4. The scope of the action;
5. Any termination date for each listing; and
6. The agency and name and telephone number of the agency point of contact for the action.

§ 1508.505 African Development Foundation responsibilities.

(a) The agency shall provide GSA with current information concerning debarments, suspensions, determinations of eligibility, and voluntary exclusions it has taken. Until February 18, 1989, the agency shall also provide GSA and OMB with information concerning all transactions in which African Development Foundation has granted exceptions under §1508.215 permitting participation by debarred, suspended, or voluntarily excluded persons.

(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in §1508.500(b) and of the exceptions granted under §1508.215 within five working days after taking such actions.

c) The agency shall direct inquiries concerning listed persons to the agency that took the action.

(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded (Tel. #).

(e) Agency officials shall check the Nonprocurement List before approving principals or lower tier participants where agency approval of the principal
§ 1508.510 Participants’ responsibilities.

(a) Certification by participants in primary covered transactions. Each participant shall submit the certification in appendix A to this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals (Tel. #). Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) Certification by participants in lower tier covered transactions. (1) Each participant shall require participants in lower tier covered transactions to include the certification in appendix B to this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction by any Federal agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Nonprocurement List for its principals and for participants (Tel. #).

(c) Changed circumstances regarding certification. A participant shall provide immediate written notice to African Development Foundation if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposal.

Subpart F—Drug-Free Workplace Requirements (Grants)

§ 1508.600 Purpose.

A determination of such inconsistency may be made only by the agency head or his/her designee.

(c) The provisions of subparts A, B, C, D and E of this part apply to matters covered by this subpart, except where specifically modified by this subpart. In the event of any conflict between provisions of this subpart and other provisions of this part, the provisions of this subpart are deemed to control with respect to the implementation of drug-free workplace requirements concerning grants.

§ 1508.615 Grounds for suspension of payments, suspension or termination of grants, or suspension or debarment.

A grantee shall be deemed in violation of the requirements of this subpart if the agency head or his or her official designee determines, in writing, that—

§ 1508.625 Exception provision.

The agency head may waive with respect to a particular grant, in writing, a suspension of payments under a grant, suspension or termination of a grant, or suspension or debarment of a grantee if the agency head determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

However, the grantee shall make a one-time drug-free workplace certification for a non-automatic continuation of such a grant made on or after March 18, 1989.

Except as provided in paragraph (d) of this section, this certification shall cover all grants to all State agencies from any Federal agency. The State shall retain the original of this statewide certification in its Governor’s office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency has designated a central location for submission.

(d)(1) The Governor of a State may exclude certain State agencies from the statewide certification and authorize these agencies to submit their own certifications to Federal agencies. The statewide certification shall name any State agencies so excluded.

(2) A State agency to which the statewide certification does not apply, or a State agency in a State that does not have a statewide certification, may elect to make one certification in each Federal fiscal year. State agencies that previously submitted a State agency certification are not required to make
a certification for Fiscal Year 1990 until June 30, 1990. The State agency shall retain the original of this State agency-wide certification in its central office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency designates a central location for submission.

(3) When the work of a grant is done by more than one State agency, the certification of the State agency directly receiving the grant shall be deemed to certify compliance for all workplaces, including those located in other State agencies.

(e)(1) For a grant of less than 30 days performance duration, grantees shall have this policy statement and program in place as soon as possible, but in any case by a date prior to the date on which performance is expected to be completed.

(2) For a grant of 30 days or more performance duration, grantees shall have this policy statement and program in place within 30 days after award.

(3) Where extraordinary circumstances warrant for a specific grant, the grant officer may determine a different date on which the policy statement and program shall be in place.

§ 1508.635 Reporting of and employee sanctions for convictions of criminal drug offenses.

(a) When a grantee other than an individual is notified that an employee has been convicted for a violation of a criminal drug statute occurring in the workplace, it shall take the following actions:

1. Within 10 calendar days of receiving notice of the conviction, the grantee shall provide written notice, including the convicted employee’s position title, to every grant officer, or other designee on whose grant activity the convicted employee was working, unless a Federal agency has designated a central point for the receipt of such notifications. Notification shall include the identification number(s) for each of the Federal agency’s affected grants.

2. Within 30 calendar days of receiving notice of the conviction, the grantee shall do the following with respect to the employee who was convicted:

(i) Take appropriate personnel action against the employee, up to and including termination, consistent with requirements of the Rehabilitation Act of 1973, as amended; or

(ii) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency.

(b) A grantee who is an individual who is convicted for a violation of a criminal drug statute occurring during the conduct of any grant activity shall report the conviction, in writing, within 10 calendar days, to his or her Federal agency grant officer, or other designee, unless the Federal agency has designated a central point for the receipt of such notices. Notification shall include the identification number(s) for each of the Federal agency’s affected grants.

APPENDIX A TO PART 1508—CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS—PRIMARY COVERED TRANSACTIONS

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency’s determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
Pt. 1508, App. B

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction.” provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions

(d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

**CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS**

**Instructions for Certification**

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at
the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (1) All direct charge employees; (2) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee’s payroll; or employees of subrecipients or subcontractors in covered workplaces).

22 CFR Ch. XV (4–1–00 Edition)

(b) Establishing an ongoing drug-free awareness program to inform employees about—

(1) The dangers of drug abuse in the workplace;

(2) The grantee’s policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted—

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

§§ 1510.112—1510.129 [Reserved]

§ 1510.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.
(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap.

§1510.131—1510.139 [Reserved]

§1510.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subject to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§1510.141—1510.148 [Reserved]

§1510.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1510.150, no qualified individual with handicaps shall, because the agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§1510.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or...
in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1510.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §1510.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §1510.150(a) (2) or (3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by November 7, 1988, except that where structural changes in facilities are undertaken, such changes shall be made by September 6, 1991, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by March 6, 1989, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to historic property;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will
§ 1510.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 1510.152—1510.159 [Reserved]

§ 1510.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1510.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 1510.161—1510.169 [Reserved]

§ 1510.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;
(2) A description of a remedy for each violation found; and
(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1510.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(b) The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, until three years following the completion of the self-evaluation, maintain on file and make available for public inspection:

§§ 1600.112—1600.129 [Reserved]

§ 1600.130 General prohibitions against discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b) (1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency
(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 1600.131—1600.139 [Reserved]

§ 1600.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1600.141—1600.148 [Reserved]

§ 1600.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1600.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1600.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1600.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements.
to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §1600.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of §1600.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 1600.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 1600.152—1600.159 [Reserved]

§ 1600.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons
with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1600.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such alteration or burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 1600.161—1600.169 [Reserved]

§ 1600.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Executive Director, Japan-U.S. Friendship Commission, shall be responsible for coordinating implementation of this section. Complaints may be sent to Executive Director, Japan-U.S. Friendship Commission, 1200 Pennsylvania Avenue, NW., Washington, DC 20004.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1600.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt
of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

§ 1701.101 Purpose.

The purpose of this part is to implement the spirit of section 119 of the Rehabilitation, Comprehensive Services and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by various Executive agencies. Although the USIP does not believe that Congress contemplated coverage of independent Federal institutions, such as the USIP, it has chosen to promulgate this part.

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(4) **Qualified handicapped person** as that term is defined for purposes of employment in 29 CFR 1614.203(a)(6), which is made applicable to this part by §1701.140.

**Section 504** means section 504 of the Rehabilitation Act of 1973 (Pub. L. 93–112, 87 Stat. 394 (29 U.S.C. 794)), as amended. As used in this part, section 504 applies only to programs or activities conducted by Executive agencies and not to federally assisted programs.

**Substantial impairment** means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§§ 1701.104—1701.109 [Reserved]

§ 1701.110 Self-evaluation.

(a) The agency shall, by November 28, 1994, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).
§ 1701.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this part.

§§ 1701.112—1701.129 [Reserved]

§ 1701.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in according equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are no separate or different, despite the existence of permisibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the
programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 1701.141—1701.148 [Reserved]

§ 1701.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1701.150, no qualified individual with handicaps shall, because the agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1701.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1701.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance.
with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §1701.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §1701.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§1701.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§1701.152—1701.159 [Reserved]

§1701.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by
telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1701.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 1701.161—1701.169  [Reserved]

§ 1701.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Director for Administration, United States Institute of Peace, shall be responsible for coordinating implementation of this section. Complaints may be sent to Director of Administration at the following address: 1550 M Street, NW., suite 700, Washington, DC 20005.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1701.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.
(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.
