agencies, and shall explain the reasons for the allocation made.

§ 14.335 Departmental review.
(a) Either the applicant or agency counsel may seek review of the initial decision on the fee application, or the Secretary (or his or her delegate, if any) may decide to review the decision on his or her own initiative, in accordance with the Department’s review or appeals procedures applicable to the underlying proceeding. If neither the applicant nor agency counsel seeks review and the Secretary (or his or her delegate, if any) does not take review on his or her own initiative, the initial decision on the application shall become a final decision of the Department in the same manner as a decision in the underlying proceeding becomes final. Whether to review a decision is a matter within the discretion of the Secretary (or his or her delegate, if any). If review is taken, the Department will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.
(b) Either party may seek reconsideration of the decision on the fee application in accordance with Rule 29, 24 CFR 20.10.

Judicial review of final departmental decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 14.345 Payment of award.
An applicant seeking payment of an award shall submit a copy of the final decision granting the award to: Director, Office of Finance and Accounting, Room 2202, Department of Housing and Urban Development, Washington, DC 20410, with a copy to: Associate General Counsel for Equal Opportunity and Administrative Law, Room 10244, Department of Housing and Urban Development, Washington, DC 20410. A statement that review of the underlying decision is not being sought in the United States courts, or that the process for seeking review of the award, if initiated, has been completed, must also be included. The agency will pay the amount awarded to the applicant within 60 days, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

§ 15.1 Definitions.

As used in this part.

EDITORIAL NOTE: At 61 FR 5203, Feb. 9, 1996, in § 15.1, the following introductory text was added; however, introductory text already exists.

Person means person as defined in 5 U.S.C. 551(2) to include corporations and organizations as well as individuals.

Information center means library, reading room, desk, or other facility, or any combination of places established and maintained by the Department, where the public may request and obtain information and records concerning the Department’s operations and business.

Legal proceeding includes any proceeding before a court of law or other authority, i.e., administrative board or commission, hearing officer, arbitrator or other body conducting a quasi-judicial or legislative proceeding.

Legal proceeding in which the United States is a party means any legal proceeding including as a named party the United States, the Department of Housing and Urban Development, or any other Federal executive or administrative agency or department, or any official thereof in his official capacity.

Legal proceeding among private litigants means any legal proceeding in which the United States is not a party.

Subpart I applies to all organizational units other than the Office of Inspector General.

[52 FR 12160, Apr. 15, 1987]

§ 15.3 Statement of policy.

The Department’s policy is one of full and responsible disclosure of its identifiable records and information consistent with such competing public interests concerning the national security, personal privacy, and obligations of confidentiality as are recognized by 5 U.S.C. 552.
Subpart B—Production and Disclosure of Records

§ 15.11 Publication in the Federal Register.

Subject to the exemptions in §15.21, the Department shall separately state and currently publish in the Federal Register for the guidance of the public:

(a) Descriptions of its central and field organization and the established places at which, the employees from whom and the methods whereby, the public may obtain information, make submittals or requests, or obtain decisions;

(b) Statements of the general course and method by which its functions are channeled and determined, including the nature and requirements of all formal and informal procedures available;

(c) Rules of procedure, descriptions of forms available or the places at which forms may be obtained, and instructions as to the scope and contents of all papers, reports, or examinations;

(d) Substantive rules of general applicability adopted as authorized by law, and statements of general policy or interpretations of general applicability formulated and adopted by the Department;

(e) Each amendment, revision, or repeal of the foregoing.

Except to the extent that a person has actual and timely notice of the terms thereof, no person shall in any manner be required to resort to or be adversely affected by any matter required to be published in the Federal Register and not so published. For purposes of this section, matter which is reasonably available to the class of persons affected thereby shall be deemed published in the Federal Register when incorporated by reference therein with the approval of the Director of the Office of the Federal Register, as provided in 1 CFR part 51.

§ 15.12 Materials not published in Federal Register.

(a) Subject to the exemptions in §15.21, the Department, in accordance with this part, shall make available for public inspection and copying:

(1) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of cases;

(2) Statements of policy and interpretations which have been adopted by the Department and are not published in the Federal Register; and

(3) Administrative staff manuals and instructions to staff that affect a member of the public.

(b) To prevent a clearly unwarranted invasion of personal privacy, the Department may delete identifying details when it makes available or publishes any material. Whenever such deletions are required, the record or copy will be made available with the space formerly occupied by such identifying details left blank, and the justification for the deletion shall be explained fully in writing.

(c) The Department shall also maintain and make available for public inspection and copying current indexes providing identifying information for the public as to any matter issued, adopted, or promulgated after July 4, 1967, and required by this section to be made available or published. The Department shall promptly publish quarterly and distribute (by sale or otherwise) copies of each index or supplements thereto unless it determines by order published in the Federal Register that the publication would be unnecessary and impracticable, in which case the Department shall nonetheless provide copies of such index on request at a cost not to exceed the direct cost of duplication.

§ 15.13 Records produced upon request when reasonably described.

(a) The procedures for requesting access to records are set forth in subpart E of this part.

(b) When a request is made that reasonably describes a record of the Department that has been stored in a record center of the National Archives and Record Administration, this record will be requested from the Records Center by the Department and made available to the requester if the record would otherwise be available under this part. Records accessioned by the National Archives will not be made available by the Department, but may be requested directly from the National Archives.
§ 15.14

(c) Every effort will be made to make a record in use by the staff of the Department available when requested, and such availability will be deferred only to the extent necessary to avoid serious interference with the business of the Department.

(d) Copies of a requested record need not be furnished if the record is published in the Federal Register or is available for purchase from the Superintendent of Documents of the Government Printing Office. Such records may, however, be examined in one of the Department’s information centers.

[40 FR 48123, Oct. 14, 1975, as amended at 60 FR 11903, Mar. 3, 1995]

Subpart C—Exemptions

§ 15.14 Fees.

(a) Copies of records. HUD will charge $0.15 per page for photocopies of documents. For copies prepared by computer, HUD will charge the actual cost of the tape or disk plus $25.00 per minute for central processing unit (CPU) time, so as to recoup reasonable direct costs of duplicating. For other methods of reproduction or duplication of documents, HUD will charge the actual direct costs of producing the documents.

(b) Manual searches for records. HUD will charge $16.35 per hour per person for searches/reviews performed by clerical staff, and $37.00 per hour per person for searches/reviews performed by professional staff. Charges for search/review time will be billed in 1/2 hour segments.

(c) Computer searches for records. HUD will charge $35.00 per hour for computer programming relating to a search, plus $25.00 per minute for central processing unit (CPU) time.

(d) Contract services. HUD will contract with private sector sources to locate, reproduce and disseminate records in response to FOIA requests when that is the most efficient and least costly method. When doing so, however, HUD will ensure that the ultimate cost to the requester is no greater than it would be if HUD itself had performed these tasks. In no case will HUD contract out responsibilities which the FOIA provides that HUD alone may discharge, such as determining the applicability of an exemption, or determining whether to waive or reduce fees. HUD will ensure that when documents that would be responsive to a request are maintained for distribution by agencies operating statutory-based fee schedule programs such as the National Technical Information Service, HUD will inform requesters of the steps necessary to obtain records from those sources. Information provided routinely in the normal course of business will be provided at no charge.

(e) Restrictions on assessing fees. HUD will provide the first 100 pages of duplication and the first two hours of search time, manual or computer, free of charge to noncommercial use requesters. There is no charge to noncommercial use requesters for time needed for review, as defined in paragraph (g)(4) of this section. Review time is chargeable only to commercial use requesters. HUD will only assess fees for amounts in excess of $25.00.

(f) Payment of fees. Payment of fees under this section and under §15.16(a) shall be made by check or money order, payable to the Treasurer of the United States. Cash payments may be made in person at Headquarters or the Field Offices. The fees shall be sent to the Office of Executive Secretariat at Headquarters or to the appropriate Field Office.

(g) Definitions. As used in this subpart:

(1) Direct costs means those expenditures which HUD actually incurs in searching for and duplicating (and, in the case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(2) Search includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. Such activity is distinguished from review of material in
Chapter 15

§ 15.15 Fees to be charged—categories of requesters.

There are four categories of FOIA requesters: Commercial use requesters; educational and non-commercial scientific institution requesters; representatives of the news media; and all other requesters. Specific levels of fees are prescribed for each of these categories:

(a) Commercial use requesters. (1) HUD will assess charges which recover the full direct costs of searching for, reviewing for release, and duplicating records sought for commercial use. Requesters must reasonably describe the records sought. Commercial use requesters are not entitled to two hours of free search time or 100 free pages of reproduction of documents.

(b) Educational and non-commercial scientific institution requesters. (1) HUD will provide documents to educational and non-commercial scientific institutions for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought for furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research. Requesters must reasonably describe the records sought.

(c) Requesters who are representatives of the news media. (1) HUD will provide documents to representatives of the news media for the cost of reproduction alone, excluding charges for the first 100 pages. In reference to this class of requester, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use. Requesters must reasonably describe the records sought.

(2) Representative of the news media means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of...
§ 15.16 Review of records, aggregating requests and waiving or reducing fees.

(a) Review of records. Only requesters who are seeking documents for commercial use may be charged for time HUD spends reviewing records to determine whether they are exempt from mandatory disclosure. Charges may be assessed only for the initial review; i.e., the review undertaken the first time HUD analyzes the applicability of a specific exemption to a particular record or portion of a record. HUD will not charge for review at the administrative appeal level of an exemption already applied. However, records or portions of records withheld in full under an exemption which is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. The costs for such a subsequent review would be properly assessable. Review time will be assessed at the same rates established for search time in §15.14.

(b) Aggregating requests. A requester may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When HUD reasonably believes that a requester or a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, HUD may aggregate any such requests and charge accordingly.

(c) Waiving or reducing fees. HUD will furnish documents without charge or at reduced charge if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. The official authorized to grant access to records may waive or reduce the applicable fee where requested. The determination not to waive or reduce the fee will be subject to administrative review as provided in §15.61 after the decision on the request for access has been made. Six factors shall be used in determining whether the requirements for a fee waiver or reduction are met. These factors are as follows:

(1) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the government;

(2) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of government operations or activities;

(3) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to public understanding;

(4) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute significantly to public understanding of government operations or activities;

(5) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that...
would be furthered by the requested disclosure; and, if so
(6) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

§ 15.17 Charges for interest and for unsuccessful searches; Utilization of Debt Collection Act.

(a) Charging interest. HUD will begin assessing interest charges on an unpaid bill starting on the 31st day following the day on which the billing was sent. A fee received by HUD, even if not processed, will suffice to stay the accrual of interest. Interest will be at the rate prescribed in section 3717 of title 31 U.S.C. and will accrue from the date of the billing.

(b) Charge for unsuccessful search. Ordinarily no charge for search time will be assessed when the records requested are not found or when the records located are withheld as exempt. However, if the requester has been notified of the estimated cost of the search time and has been advised specifically that the requested records may not exist or may be withheld as exempt, fees shall be charged.

(c) Use of Debt Collection Act of 1982. When a requester has failed to pay a fee charged in a timely fashion (i.e., within 30 days of the date of the billing), HUD may require the requester to pay the full amount owed plus any applicable interest as provided by §15.17(a) or demonstrate that he has, in fact, paid the fees, and to make an advance payment of the full amount of the estimated fee before HUD begins to process a new request or a pending request from that requester.

(b) When HUD acts under paragraphs (a)(1) or (a)(2) of this section, the administrative time limits prescribed in subsection (a)(6) of the FOIA (i.e., 10 working days from receipt of initial requests and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits) will begin only after HUD has received fee payments described above.

(c) Where it is anticipated that either the duplication fee individually, the search fee individually, or a combination of the two exceeds $25.00 over and above the free search time and duplication costs, where applicable, and the requesting party has not indicated in advance a willingness to pay so high a fee, the requesting party shall be promptly informed of the amount of the anticipated fee or such portion thereof as can readily be estimated. The notification shall offer the requesting party the opportunity to confer with agency representatives for the purpose of reformulating the request so as to meet that party’s needs at a reduced cost.

§ 15.18 Advance payments.

(a) HUD may not require a requester to make an advance payment, i.e., payment before work is commenced or continued on a request, unless:
(1) HUD estimates or determines that allowable charges that a requester may be required to pay are likely to exceed $250. Then, HUD will notify the requester of the likely cost and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees, or require an advance payment of an amount up to the full estimated charges in the case of requesters with no history of payment; or
(2) Where a requester has previously failed to pay a fee charged in a timely fashion (i.e., within 30 days of the date of the billing), HUD may require the requester to pay the full amount owed plus any applicable interest as provided by §15.17(a) or demonstrate that he has, in fact, paid the fees, and to make an advance payment of the full amount of the estimated fee before HUD begins to process a new request or a pending request from that requester.

(b) When HUD acts under paragraphs (a)(1) or (a)(2) of this section, the administrative time limits prescribed in subsection (a)(6) of the FOIA (i.e., 10 working days from receipt of initial requests and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits) will begin only after HUD has received fee payments described above.

(c) Where it is anticipated that either the duplication fee individually, the search fee individually, or a combination of the two exceeds $25.00 over and above the free search time and duplication costs, where applicable, and the requesting party has not indicated in advance a willingness to pay so high a fee, the requesting party shall be promptly informed of the amount of the anticipated fee or such portion thereof as can readily be estimated. The notification shall offer the requesting party the opportunity to confer with agency representatives for the purpose of reformulating the request so as to meet that party’s needs at a reduced cost.
§ 15.21

the Attorney General’s Memorandum on the Public Information Act, June 1967, will be used as a guide.

(a) The classes of records authorized to be exempted from disclosure by 5 U.S.C. 552 are those which concern matters that are:

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive order;

(2) Related solely to the internal personnel rules and practices of the Department;

(3) Specifically exempted from disclosure by statute;

(4) Except as otherwise provided in paragraph (c) of this section, trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Interagency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the Department;

(6) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a state, local or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law;

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(b) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt under this section.

(c) Subject to the following conditions, financial and related information submitted by a mortgagor and contained in Form HUD-92410 (Statement of Profit and Loss), or a HUD-approved substitute form that the mortgagor may have submitted, may be disclosed to eligible potential purchasers of HUD-held multifamily mortgages.

(1) Information from Form HUD-92410 concerning a project may be made available in conjunction with the sale of a HUD-held mortgage covering that project conducted under the authority of sections 207 (k) and (l) of the National Housing Act, 12 U.S.C. 1713 (k) and (l), or section 7(i)(3) of the Department of Housing and Urban Development Act, 42 U.S.C. 3535(i)(3).

(2) The release of this information by HUD to eligible potential purchasers shall be limited to the period specified by HUD for the mortgage sale.

(3) Eligible potential purchasers who have received this information shall agree to keep the information confidential, to disclose the information only to potential investors in the mortgage, to use the information for the sole purpose of their evaluation of the mortgage in connection with the mortgage sale, and to follow disclosure procedures for that sale that have been established by the Secretary.
(4) Any disclosure by eligible potential purchasers to potential investors in the mortgage shall be limited to the period specified by HUD for the mortgage sale. Similar, potential investors in the mortgage shall agree to keep the information confidential and to use the information for the sole purpose of their evaluation of the mortgage in connection with their investment decision. In addition, potential investors in the mortgage may not disclose the information to other entities, unless the disclosure is necessary for the investor’s evaluation of the mortgage, is in accordance with disclosure procedures for the specific sale that have been established by the Secretary, and is limited to the period specified by HUD for the mortgage sale. Any potential purchaser is responsible for notifying potential investors in the mortgage who receive this information from that entity of the investors’ obligations under this section.

(5) Disclosure of information from Form HUD-92410 by an eligible potential purchaser or by a potential investor (who has received the information from a potential purchaser and has been notified by that entity of its obligations under paragraph (c)(3) of this section) that is not in accordance with this section is a violation of this regulation and may subject the entity making the unauthorized disclosure to administrative sanctions under 24 CFR part 24.

§ 15.41 Requests for records.
(a) Requests for copies of records may be made in person during normal business hours at information centers listed in §15.31 or by mail addressed to such centers. Although oral requests may be honored, a requester may be asked to submit his request in writing.

(b) Each request must reasonably describe the desired record including the name, subject matter, and number or date, where possible, so that the record may be identified and located. In order to enable the Department to comply with the time limitations set forth in §15.42, the envelope containing a written request and the letter itself should both clearly indicate that the subject is a Freedom of Information Act request.

(c) The request shall be accompanied by an agreement to pay a fee to be determined in accordance with §15.14. Under the circumstances enumerated in §15.18, the Department may refuse to furnish records before receipt of the appropriate fee. A requester may specify a limit for fees, above which the requester is not willing to pay without advance consultation with the Department.

(d) Copies of available records shall be made as promptly as possible. Copying service shall be limited to not more than 10 copies of any single page. Records which are published or available for sale need not be reproduced.

[40 FR 48123, Oct. 14, 1975, as amended at 60 FR 11904, Mar. 3, 1995]

§ 15.42 Time limitations.
(a) Upon receipt of a request for records, the appropriate office will determine within ten working days whether to comply with such requests. The office will either agree to provide the requested documents, or will notify the requester, in writing, of an adverse determination, the reasons therefor, and the right to appeal the denial to:

(1) General Counsel, with respect to a denial issued by the Office of the Executive Secretariat or by the offices in which there is a Field Assistant General Counsel; or

(2) Field Assistant General Counsel, with respect to a denial issued by the Field Offices.

(b) When a request for records is misdirected by the requester, the office receiving the request shall:

(1) Promptly refer it to the appropriate office; and

(2) Advise the requester that the time of receipt by the appropriate office will

The Office of the Executive Secretariat in Headquarters and the FOIA liaisons in each Field Office are authorized to release copies of any Department records upon written request unless disclosure is clearly not appropriate under this part.

§ 15.52 Authority to deny requests for records.

The officers described in §15.51, or other official designated by the Secretary’s Representative, may deny a request for a record only with the concurrence of the appropriate program counsel in Headquarters or counsel in the Field Offices. Any denial shall:

(a) Be made in writing, describing the documents denied and, if fewer than 21, listing them specifically;
(b) Contain a simple reason for the denial, stating the appropriate exemption used; and
(c) Advise of the right to appeal the adverse determination, in accordance with §15.61, to the:

(1) General Counsel, with respect to a denial issued by the Office of Executive Secretariat or by offices in which there is a Field Assistant General Counsel; and

§ 15.54 Business information.

(a) In general. Business information provided to the Department by a submitter shall not be disclosed pursuant to a FOIA request except in accordance with this section.

(b) Definitions. As used in this section:

Business information means commercial or financial information provided to the Department by a submitter that arguably is protected from disclosure under Exemption 4 (42 U.S.C. 552(b)(4)) of the Act.

Submitter means any person or entity who provides business information, directly or indirectly, to the Department. The term includes, but is not limited to, corporations, State governments, and foreign governments.

(c) Designation of business information. A submitter’s claim that certain information is confidential or proprietary should be supported by a statement or certification by an officer or authorized representative of the submitter that the information is, in fact, confidential or proprietary and has not been disclosed to the public. All information considered confidential or proprietary by a submitter should be clearly designated with a prominent stamp, typed legend, or other suitable form of notice, stating “Confidential Treatment Requested by [insert name of submitter]”, which should appear on
each page or segregable portion of the page. If such marking is impractical, a
cover sheet prominently marked “Confidential Treatment Requested by [insert
name of submitter]” should be securely attached to the information for
which confidential treatment is requested. These designations shall be
deemed to have expired 10 years after the date of the submission, unless the
submitter requests, and provides reasonable justification for, a longer pe-
riod of designation.
(d) Notice to submitter. To the extent permitted by law, the Department
shall provide a submitter with prompt written notice of a FOIA request or ad-
ministrative appeal encompassing its business information, unless notice is
excused under paragraph (h) of this sec-
tion. Such notice shall afford the sub-
mitter an opportunity to object to dis-
closure pursuant to paragraph (f) of
this section. The notice shall either de-
scribe the exact nature of the business
information requested or provide cop-
ies of the records or portions thereof
containing the business information.
The Department will provide this no-
tice whenever:
(1) The information has been des-
ignated in good faith by the submit-
er as information deemed protected under
Exemption 4; or
(2) The Department has reason to be-
lieve that the information may be pro-
tected from disclosure under Exemp-
tion 4.
(e) Notice to requester. At the same
time the Department notifies the sub-
mitter, the Department shall also no-
tify the requester that the request is
subject to the provisions of this section
and that the submitter is being af-
forded an opportunity to object to dis-
closure of the information.
(f) Opportunity to object to disclosure.
Through the notice described in para-
graph (d) of this section, the Depart-
ment shall afford a submitter or its
designee 10 Federal working days to
provide the Department a detailed
written statement of the submitter’s
objection to disclosure of any portion of
the information it submitted to the
Department. Such statement shall
specify all grounds for withholding any
of the information and shall dem-
onstrate why the information is a
trade secret or commercial or financial
information that is privileged or con-
fidential. Conclusory statements that
particular information would be useful
to competitors or would impair sales,
or similar statements, generally will
not be considered sufficient to justify
confidential treatment. Information
provided by a submitter or its designee
pursuant to this paragraph may itself
be subject to disclosure under the FOIA.
(g) Notice of intent to disclose. The De-
partment shall consider carefully a
submitter’s objections and specific
grounds for nondisclosure, before deter-
mining whether to disclose business in-

notice of intent to disclose. The writ-

eral working days before the specified
disclosure date and shall include:

which the submitter’s disclosure objec-
tions were not sustained;
(2) A description of the business in-
formation to be disclosed; and
(3) A specified disclosure date.
(h) Exceptions to the notice require-

(ii) Specifies narrow classes of
records submitted to the Department
that are to be released under the FOIA;
and
(iii) Provides for notice in excep-
tional circumstances when the sub-
mitter provides, at the time the infor-
mation is submitted or a reasonable
time thereafter, written justification
that disclosure of the information
could reasonably be expected to cause substantial competitive harm;

(5) The information requested was not designated by the submitter as exempt from disclosure in accordance with paragraph (c) of this section at the time of the submission of the information or a reasonable time thereafter, unless the Department has substantial reason to believe that the disclosure of the information would cause competitive harm; or

(6) The designation made by the submitter in accordance with paragraph (c) of this section appears obviously frivolous. In such circumstances, the Department shall forward to the submitter, 10 Federal working days before a specified disclosure date, written notice of any final administrative decision to disclose business information.

(i) Notice of FOIA lawsuit. Whenever a requester brings suit seeking to compel disclosure of business information, the Department shall promptly notify the submitter.
