§81.12 Low- and Moderate-Income Housing Goal.

(a) Purpose of goal. This annual goal for the purchase by each GSE of mortgages on housing for low- and moderate-income families (“the Low- and Moderate-Income Housing Goal”) is intended to achieve increased purchases by the GSEs of such mortgages.

(b) Factors. In establishing the Low- and Moderate-Income Housing Goals, the Secretary considered the factors in 12 U.S.C. 4562(b). A statement documenting the Secretary’s considerations and findings with respect to these factors, entitled “Secretarial Considerations to Establish the Low- and Moderate-Income Housing Goal,” was published in the Federal Register on December 1, 1995.

(c) Goals. The annual goals for each GSE’s purchases of mortgages on housing for low- and moderate-income families are:
(1) For 1996, 40 percent of the total number of dwelling units financed by that GSE’s mortgage purchases in 1996;
(2) For each of the years 1997-99, 42 percent of the total number of dwelling units financed by that GSE’s mortgage purchases in each of those years; and
(3) For 2000 and thereafter the Secretary shall establish annual goals; pending establishment of goals for 2000 and thereafter, the annual goal for each of those years shall be 42 percent of the total number of dwelling units financed by that GSE’s mortgage purchases in each of those years.

§81.13 Central Cities, Rural Areas, and Other Underserved Areas Housing Goal.

(a) Purpose of the goal. This annual goal for the purchase by each GSE of mortgages on housing located in central cities, rural areas, and other underserved areas is intended to achieve increased purchases by the GSEs of mortgages financing housing in areas
that are underserved in terms of mortgage credit.

(b) Factors. In establishing the Central Cities, Rural Areas, and Other Underserved Areas Goals, the Secretary considered the factors in 12 U.S.C. 4564(b). A statement documenting the Secretary's considerations and findings with respect to these factors, entitled "Secretarial Considerations to Establish the Central Cities, Rural Areas, and Other Underserved Areas Housing Goal," was published in the Federal Register on December 1, 1995.

(c) Goals. The annual goals for each GSE's purchases of mortgages on housing located in central cities, rural areas, and other underserved areas are:

(1) For 1996, 21 percent of the total number of dwelling units financed by that GSE's mortgage purchases in 1996;

(2) For each of the years 1997-99, 24 percent of the total number of dwelling units financed by that GSE's mortgage purchases in each of those years; and

(3) For 2000 and thereafter the Secretary shall establish annual goals; pending establishment of goals for 2000 and thereafter, the annual goal for each of those years shall be 24 percent of the total number of dwelling units financed by that GSE's mortgage purchases in each of those years.

(d) Measuring performance. The GSEs shall determine on a mortgage-by-mortgage basis, through geocoding or any similarly accurate and reliable method, whether a mortgage finances one or more dwelling units located in a central city, rural area, or other underserved area.

§ 81.14 Special Affordable Housing Goal.

(a) Purpose of the goal. This goal is intended to achieve increased purchases by the GSEs of mortgages on rental and owner-occupied housing meeting the then-existing unaddressed needs of, and affordable to, low-income families in low-income areas and very-low-income families.

(b) Factors. In establishing the Special Affordable Housing Goals, the Secretary considered the factors in 12 U.S.C. 4563(a)(2). A statement documenting the Secretary's considerations and findings with respect to these factors, entitled "Secretarial Considerations to Establish the Special Affordable Housing Goal," was published in the Federal Register on December 1, 1995.

(c) Goals. The annual goals for each GSE's purchases of mortgages on rental and owner-occupied housing meeting the then-existing, unaddressed needs of and affordable to low-income families in low-income areas and very-low-income families are:

(1) For 1996, 12 percent of the total number of dwelling units financed by each GSE's mortgage purchases in 1996.

The goal shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994;

(2) For each of the years 1997-99, 14 percent of the total number of dwelling units financed by each GSE's mortgage purchases in each of those years. The goal for each year shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994; and

(3) For 2000 and thereafter the Secretary shall establish annual goals. Pending establishment of goals for 2000 and thereafter, the annual goal for each of those years shall be 14 percent of the total number of dwelling units financed by each GSE's mortgage purchases in each of those years; the goal for each such year shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994.

(d) Counting of multifamily units. (1) Dwelling units affordable to low-income families and financed by a particular purchase of a mortgage on multifamily housing shall count toward achievement of the Special Affordable Housing Goal where at least:

(i) 20 percent of the dwelling units in the particular multifamily property are affordable to families whose incomes do not exceed 50 percent of the area median income; or

(ii) 40 percent of the dwelling units in the particular multifamily property
§ 81.15 General requirements.

(a) Calculating the numerator and denominator. Performance under each of the housing goals shall be measured using a fraction that is converted into a percentage. The numerator of each fraction is the number of dwelling units financed by a GSE's mortgage purchases in a particular year that count toward achievement of the housing goal. The denominator of each fraction is, for all mortgages purchased, the number of dwelling units that could count toward achievement of the goal under appropriate circumstances. The denominators shall not include GSE transactions or activities that are not mortgages or mortgage purchases. When a GSE lacks sufficient information to determine whether the purchase of a mortgage originated after 1992 counts toward achievement of a particular housing goal, that mortgage purchase shall be included in the denominator for that housing goal.

(b) Properties with multiple dwelling units. For the purpose of counting toward the achievement of the goals, whenever the property securing a mortgage contains more than one dwelling unit, each such dwelling unit

§ 81.16 Affordability requirements.

(a) Definition of “affordable.” For purposes of § 81.15, a mortgage or mortgage purchase is “affordable to very-low-income families” if the mortgage or mortgage purchase is made to a very-low-income family.

(b) Calculation of numerator and denominator.

(1) Performance under each of the housing goals shall be measured using a fraction that is converted into a percentage. The numerator of each fraction is the number of dwelling units financed by a GSE's mortgage purchases in a particular year that count toward achievement of the housing goal. The denominator of each fraction is, for all mortgages purchased, the number of dwelling units that could count toward achievement of the goal under appropriate circumstances. The denominators shall not include GSE transactions or activities that are not mortgages or mortgage purchases.

(2) Where only some of the units financed by a mortgage on multifamily housing count under the multifamily component of the goal, only a portion of the unpaid principal balance of the mortgage attributable to such units shall count toward the multifamily component. The portion of the mortgage counted under the multifamily requirement shall be equal to the ratio of the total units that count to the total number of units in the mortgaged property.

(e) Full Credit Activities. (1) For purposes of 12 U.S.C. 4563(b)(1) and this paragraph (e), full credit means that each unit financed by a mortgage purchased by a GSE and meeting the requirements of this section shall count toward achievement of the Special Affordable Housing Goal for that GSE.

(2) Consistent with § 81.16(b)(3)(ii), the Secretary will give full credit toward achievement of the Special Affordable Housing Goals for the activities in 12 U.S.C. 4563(b)(1).

(f) No credit activities. Neither the purchase nor the securitization of mortgages associated with the refinancing of a GSE's existing mortgage or mortgage-backed securities portfolios shall receive credit toward the achievement of the Special Affordable Housing Goal. Refinancings that result from the wholesale exchange of mortgages between the two GSEs shall not count toward the achievement of this goal. Refinancings of individual mortgages shall count toward achievement of this goal when the refinancing is an arms-length transaction that is borrower-driven and the mortgage otherwise counts toward achievement of this goal. For purposes of this paragraph (f), "mortgage or mortgage-backed securities portfolios" includes mortgages retained by Fannie Mae or Freddie Mac and mortgages utilized to back mortgage-backed securities.
shall be counted as a separate dwelling unit financed by a mortgage purchase.

(c) Credit toward multiple goals. A mortgage purchase (or dwelling unit financed by such purchase) by a GSE in a particular year shall count toward the achievement of each housing goal for which such purchase (or dwelling unit) qualifies in that year.

(d) Counting owner-occupied units. For purposes of counting owner-occupied units toward achievement of the Low- and Moderate-Income Housing Goal or the Special Affordable Housing Goal, mortgage purchases financing such units shall be evaluated based on the income of the mortgagors and the area median income at the time of origination of the mortgage. To determine whether mortgagors may be counted under a particular family income level, i.e., very-low-, low-, or moderate-income, the income of the mortgagors is compared to the median income for the area at the time of mortgage origination, using the appropriate percentage factor provided under §81.17.

(e) Counting rental units—(1) Use of income, rent—(i) Generally. For purposes of counting rental units toward achievement of the Low- and Moderate-Income Housing Goal or the Special Affordable Housing Goal, mortgage purchases financing such units shall be evaluated based on the income of actual or prospective tenants where such data is available, i.e., known to a lender.

(ii) Availability of income information. (A) Each GSE shall require lenders to provide to the GSE tenant income information under paragraphs (e)(3) and (4) of this section, but only when such information is known to the lender.

(B) When such tenant income information is available for all occupied units, the GSE’s performance shall be based on the income of the tenants in the occupied units. For unoccupied units that are vacant and available for rent and for unoccupied units that are under repair or renovation and not available for rent, the GSE shall use the income of prospective tenants, if paragraph (e)(4) of this section is applicable. If paragraph (e)(4) of this section is not applicable, the GSE shall use rent levels for comparable units in the property to determine affordability.

(2) Model units and rental offices. A model unit or rental office in a multifamily property may count toward achievement of the housing goals only if a GSE determines that:

(i) It is reasonably expected that the units will be occupied by a family within one year;

(ii) The number of such units is reasonable and minimal considering the size of the multifamily property; and

(iii) Such unit otherwise meets the requirements for the goal.

(3) Income of actual tenants. When the income of actual tenants is available, to determine whether a tenant is very-low-, low-, or moderate-income, the income of the tenant shall be compared to the median income for the area, adjusted for family size as provided in §81.17.

(4) Income of prospective tenants. When income for tenants is available to a lender because a project is subject to a Federal housing program that establishes the maximum income for a tenant or a prospective tenant in rental units, the income of prospective tenants may be counted at the maximum income level established under such housing program for that unit. In determining the income of prospective tenants, the income shall be projected based on the types of units and market area involved. Where the income of prospective tenants is projected, each GSE must determine that the income figures are reasonable considering the rents (if any) on the same units in the past and considering current rents on comparable units in the same market area.

(5) Use of rent. When the income of the prospective or actual tenants of a dwelling unit is not available, performance under these goals will be evaluated based on rent and whether the rent is affordable to the income group targeted by the housing goal. A rent is affordable if the rent does not exceed 30 percent of the maximum income level of very-low-, low-, or moderate-income families as provided in §81.19. In determining contract rent for a dwelling unit, the actual rent or average rent by unit type shall be used.

(6) Timeliness of information. In determining performance under the housing goals, each GSE shall use tenant and
§ 81.16 Special counting requirements.

(a) General. In determining whether a GSE shall receive full credit for a transaction or activity toward achievement of any of the housing goals, the Secretary shall consider whether a transaction or activity of the GSE is substantially equivalent to a mortgage purchase and either creates a new market or adds liquidity to an existing market.

(b) Not counted. The following transactions or activities shall not count toward achievement of any of the housing goals and shall not be included in the denominator in calculating either GSE's performance under the housing goals:

(1) Equity investments in housing development projects;
(2) Purchases of State and local government housing bonds except as provided in 81.16(c)(8);
(3) Purchases of non-conventional mortgages except:
   (i) Where such mortgages are acquired under a risk-sharing arrangement with a Federal agency; or
   (ii) As provided in § 81.14(e)(2);
(4) Commitments to buy mortgages at a later date or time;
(5) Options to acquire mortgages;
(6) Rights of first refusal to acquire mortgages;
(7) Any interests in mortgages that the Secretary determines, in writing, shall not be treated as interests in mortgages;
(8) Mortgage purchases to the extent they finance any dwelling units that are secondary residences; and
(9) Any combination of (1) through (8) above.

(c) Other special rules—(1) Credit enhancements. (i) Dwelling units financed under a credit enhancement entered into by a GSE shall be treated as mortgage purchases and count toward achievement of the housing goals when:
   (A) The GSE provides a specific contractual obligation to ensure timely payment of amounts due under a mortgage or mortgages financed by the issuance of housing bonds (such bonds may be issued by any entity, including a State or local housing finance agency);
   (B) The GSE assumes a credit risk in the transaction substantially equivalent to the risk that would have been assumed by the GSE if it had

(2) Median income. (1) For purposes of determining an area's median income under §§ 81.17 through 81.19 and for the definition of "low-income area," the area is:
   (i) The metropolitan area, if the property which is the subject of the mortgage is in a metropolitan area; and
   (ii) In all other areas, the county in which the property is located, except that where the State nonmetropolitan median income is higher than the county's median income, the area is the State nonmetropolitan area.

(2) When a GSE cannot precisely determine whether a mortgage is on dwelling unit(s) located in one area, the GSE shall determine the median income for the split area in the manner prescribed by the Federal Financial Institutions Examination Council for reporting under the Home Mortgage Disclosure Act, if the GSE can determine that the mortgage is on dwelling unit(s) located in:
   (i) A census tract;
   (ii) A census place code;
   (iii) A block-group enumeration district;
   (iv) A nine-digit zip code; or
   (v) Another appropriate geographic segment that is partially located in more than one area ("split area").

(g) Sampling not permitted. Performance under the housing goals for each year shall be based on a complete tabulation of mortgage purchases for that year; a sampling of such purchases is not acceptable.

(h) Newly available data. When a GSE uses data to determine whether a mortgage purchase counts toward achievement of any goal and new data is released after the start of a calendar quarter, the GSE need not use the new data until the start of the following quarter.
securitized the mortgages financed by such bonds; and
(C) Such dwelling units otherwise qualify under this part.

(ii) When a GSE provides a specific contractual obligation to ensure timely payment of amounts due under any mortgage originally insured by a public purpose mortgage insurance entity or fund, the GSE may, on a case-by-case basis, seek approval from the Secretary for such activities to count toward achievement of the housing goals.

(2) Real estate mortgage investment conduits ("REMICs"). (i) A GSE’s purchase or guarantee of all or a portion of a REMIC shall be treated as a mortgage purchase and receive credit toward the achievement of the housing goals provided:
(A) The underlying mortgages or mortgage-backed securities for the REMIC were not:
(1) Guaranteed by the Government National Mortgage Association; or
(B) The GSE has the information necessary to support counting the dwelling units financed by the REMIC, or that part of the REMIC purchased or guaranteed by the GSE, toward the achievement of a particular housing goal.

(ii) For REMICs that meet the requirements in paragraph (c)(2)(i) of this section and for which the GSE purchased or guaranteed:
(A) The whole REMIC, all of the units financed by the REMIC shall be treated as a mortgage purchase and count toward achievement of the housing goals; or
(B) A portion of the REMIC, the GSE shall receive partial credit toward achievement of the housing goals. This credit shall be equal to the percentage of the REMIC purchased or guaranteed by the GSE multiplied by the number of dwelling units that would have counted toward the goal(s) if the GSE had purchased or guaranteed the whole REMIC.

(3) Risk-sharing. Mortgage purchases under risk-sharing arrangements between the GSEs and any Federal agency where the units would otherwise count toward achievement of the housing goal under which the GSE is responsible for a substantial amount (50 percent or more) of the risk shall be treated as mortgage purchases and count toward achievement of the housing goal or goals.

(4) Participations. Participations purchased by a GSE shall be treated as mortgage purchases and count toward achievement of the housing goals, if the GSE’s participation in the mortgage is 50 percent or more.

(5) Cooperative housing and condominium projects. (i) The purchase of a mortgage on a cooperative housing unit ("a share loan") or a condominium unit is a mortgage purchase. Such a purchase is counted toward achievement of a housing goal in the same manner as a mortgage purchase of single-family owner-occupied units, i.e., affordability is based on the income of the owner(s).

(ii) The purchase of a mortgage on a cooperative building ("a blanket loan") or a condominium project is a mortgage purchase and shall count toward achievement of the housing goals. Where a GSE purchases both "a blanket loan" and mortgages for units in the same building ("share loans"), both the blanket loan and the share loan(s) are mortgage purchases and shall count toward achievement of the housing goals. Where a GSE purchases both a condominium project mortgage and mortgages on condominium dwelling units in the same project, both the condominium project mortgages and the mortgages on condominium dwelling units are mortgage purchases and shall count toward achievement of the housing goals.

(6) Seasoned mortgages. A GSE’s purchase of a seasoned mortgage shall be treated as a mortgage purchase for purposes of these goals except:
(i) Where the GSE has already counted the mortgages under a housing goal applicable to 1993 or any subsequent year; or
§ 81.17 Affordability—Income level definitions—family size and income known (owner-occupied units, actual tenants, and prospective tenants).

In determining whether a dwelling unit is affordable to very-low-, low-, or moderate-income families, where the unit is owner-occupied or, for rental housing, family size and income information for the dwelling unit is known to the GSE, the affordability of the unit shall be determined as follows:

(a) Moderate-income means:
(1) In the case of owner-occupied units, income not in excess of 100 percent of area median income; and
(2) In the case of rental units, where the income of actual or prospective tenants is available, income not in excess of the following percentages of area median income corresponding to the following family sizes:

*(100% plus (8% multiplied by the number of persons in excess of 4)).

(c) Very-low-income means:
(1) In the case of owner-occupied units, income not in excess of 60 percent of area median income; and
(2) In the case of rental units, where the income of actual or prospective tenants is available, income not in excess of the following percentages of area median income corresponding to the following family sizes:

§ 81.18 Affordability—Income level definitions—family size not known (actual or prospective tenants).

In determining whether a rental unit is affordable to very-low, low-, or moderate-income families where family size is not known to the GSE, income will be adjusted using unit size, and affordability determined as follows:

(a) For moderate-income, the income of prospective tenants shall not exceed

§ 81.19 Affordability—Rent level definitions—tenant income is not known.

For purposes of determining whether a rental unit is affordable to very-low-, low-, or moderate-income families where the income of the family in the dwelling unit is not known to the GSE, the affordability of the unit is determined based on unit size as follows:

(a) For moderate-income, maximum affordable rents to count as housing for moderate-income families shall not exceed the following percentages of area median income with adjustments, depending on unit size:

*18.72% plus (2.16% multiplied by the number of bedrooms in excess of 3).

(d) Missing Information. Each GSE shall make every effort to obtain the information necessary to make the calculations in this section. If a GSE makes such efforts but cannot obtain data on the number of bedrooms in particular units, in making the calculations on such units, the units shall be assumed to be efficiencies.

§ 81.20 Actions to be taken to meet the goals.

To meet the goals under this rule, each GSE shall operate in accordance with 12 U.S.C. 4565.

§ 81.21 Notice and determination of failure to meet goals.

If the Secretary determines that a GSE has failed or there is a substantial probability that a GSE will fail to
§ 81.22 Housing plans.

(a) If the Secretary determines, under §81.21, that a GSE has failed or there is a substantial probability that a GSE will fail to meet any housing goal and that the achievement of the housing goal was or is feasible, the Secretary shall require the GSE to submit a housing plan for approval by the Secretary.

(b) Nature of plan. Each housing plan shall:

(1) Be feasible;

(2) Be sufficiently specific to enable the Secretary to monitor compliance periodically;

(3) Describe the specific actions that the GSE will take:

(i) To achieve the goal for the next calendar year; or

(ii) If the Secretary determines that there is substantial probability that the GSE will fail to meet a housing goal in the current year, to make such improvements as are reasonable in the remainder of the year; and

(4) Address any additional matters relevant to the plan as required, in writing, by the Secretary.

(c) Deadline for submission. The GSE shall submit a housing plan to the Secretary within 30 days after issuance of a notice under §81.21 requiring the GSE to submit a housing plan. The Secretary may extend the deadline for submission of a plan, in writing and for a time certain, to the extent the Secretary determines an extension is necessary.

(d) Review of housing plans. The Secretary shall review and approve or disapprove housing plans in accordance with 12 U.S.C. 4566(c)(4) and (5).

(e) Resubmission. If the Secretary disapproves an initial housing plan submitted by a GSE, the GSE shall submit an amended plan acceptable to the Secretary within 30 days of the Secretary disapproving the initial plan; the Secretary may extend the deadline if the Secretary determines an extension is in the public interest. If the amended plan is not acceptable to the Secretary, the Secretary may afford the GSE 15 days to submit a new plan.
§ 81.44 Submission of information to the Secretary.

(a) General. Upon request from the Secretary, the GSEs shall submit information and data to the Secretary to assist in investigating whether any mortgage lender with which the GSE does business has failed to comply with the Fair Housing Act or ECOA.

(b) Information requests and submissions—(1) Information requests by the Secretary. The Secretary may require the GSEs to submit information to assist in Fair Housing Act or ECOA investigations of lenders. Under FHEFSSA, other Federal agencies responsible for the enforcement of ECOA must submit requests for information from the GSEs through the Secretary. For matters involving only ECOA, the Secretary will only issue requests for information upon request from the appropriate Federal agency responsible for ECOA.

(2) Information from established data systems. The Secretary may request that a GSE generate information or reports from its data system(s) to assist in Fair Housing Act or ECOA investigations of lenders. Under FHEFSSA, other Federal agencies responsible for the enforcement of ECOA must submit requests for information from the GSEs through the Secretary. For matters involving only ECOA, the Secretary will only issue requests for information upon request from the appropriate Federal agency responsible for ECOA.

(3) GSE replies. A GSE receiving any request(s) for information under this section shall reply in a complete and timely manner with any and all information that it is privy to and collects that is responsive to the request.

(c) Submission to ECOA enforcers. The Secretary shall submit any information received under paragraph (b) of this section concerning compliance with ECOA to appropriate Federal agencies responsible for ECOA enforcement, as provided in section 704 of ECOA.

§ 81.45 Obtaining and disseminating information.

(a) The Secretary shall obtain information from other regulatory and enforcement agencies of the Federal Government and State and local governments regarding violations by lenders of the Fair Housing Act, ECOA, and/or State or local fair housing/lending laws, and shall make such information available to the GSEs as the Secretary deems appropriate in accordance with applicable law regarding the confidentiality of supervisory information and the right to financial privacy, and subject to the terms of memorandum of understanding and other arrangements between the Secretary and Federal financial regulators and other agencies. In addition, the Secretary shall make information that the Secretary possesses regarding violations of the Fair Housing Act available to the GSEs.

(b) As contemplated in paragraph (a) of this section, the Secretary shall obtain information regarding violations by lenders of the Fair Housing Act or ECOA involving discrimination with respect to the availability of credit in a residential real-estate-related transaction from other Federal regulatory or enforcement agencies. The Secretary will obtain information from regulators regarding violations of ECOA by lenders only in circumstances in which there is either more than a single ECOA violation, or the ECOA violation could also be a violation of the Fair Housing Act.

§ 81.46 Remedial actions.

(a) General. The Secretary shall direct the GSEs to take one or more remedial actions, including suspension, probation, reprimand or settlement, against lenders found to have engaged in discriminatory lending practices in violation of the Fair Housing Act or ECOA, pursuant to a final adjudication on the record and an opportunity for a hearing under subchapter II of chapter 5 of title 5, United States Code.

(b) Definitions. For purposes of this subpart, the following definitions apply:

Indefinite suspension means that, until directed to do otherwise by the Secretary, the GSEs will refrain from purchasing mortgages from a lender. Probation means that, for a fixed period of time specified by the Secretary, a lender that has been found to have violated the Fair Housing Act or ECOA will be subject automatically to more severe sanctions than probation, e.g.,
suspension, if further violations are found.

Remedial action includes a reprimand, probation, temporary suspension, indefinite suspension, or settlement.

Reprimand means a written letter to a lender from a GSE, which has been directed to be sent by the Secretary, stating that the lender has violated the Fair Housing Act or ECOA and warning of the possibility that the Secretary may impose more severe remedial actions than reprimand if any further violation occurs.

Temporary Suspension means that, for a fixed period of time specified by the Secretary, the GSEs will not purchase mortgages from a lender.

(c) Institution of remedial actions. (1) The Secretary shall direct the GSE to take remedial action(s) against a lender charged with violating ECOA only after a final determination on the charge has been made by an appropriate United States District Court or any other court of competent jurisdiction. The Secretary shall direct the GSE to take remedial action(s) against a lender charged with violating the Fair Housing Act only after a final determination on the matter has been made by a United States Court, a HUD Administrative Law Judge, or the Secretary.

(2) Following a final determination sustaining a charge against a lender for violating the Fair Housing Act or ECOA, in accordance with paragraph (c)(1) of this section, the Secretary shall determine the remedial action(s) that the GSE is to be directed to take for such violation.

(3) In determining the appropriate remedial action(s), the Secretary shall solicit and fully consider the views of the Federal financial regulator responsible for the subject lender concerning the action(s) that are contemplated to be directed against such lender, prior to directing any such action(s). If such responsible Federal financial regulator makes a written determination that a particular remedial action would threaten the financial safety and soundness of a Federally-insured lender, the Secretary shall consider other remedial actions. Where warranted, the Secretary also shall solicit and fully consider the views of the Director regarding the effect of the action(s) that are contemplated on the safety and soundness of the GSE. In determining what action(s) to direct, the Secretary will also, without limitation, consider the following:

(i) The gravity of the violation;
(ii) The extent to which other action has been taken against the lender for discriminatory activities;
(iii) Whether the lender’s actions demonstrate a discriminatory pattern or practice or an individual instance of discrimination;
(iv) The impact or seriousness of the harm;
(v) The number of people affected by the discriminatory act(s);
(vi) Whether the lender operates an effective program of self assessment and correction;
(vii) The extent of any actions or programs by the lender designed to compensate victims and prevent future fair lending violations;
(viii) The extent that a finding of liability against a lender is based on a lender’s use of a facially-neutral underwriting guideline of a secondary mortgage market entity applied appropriately by the lender in order to sell loans to that secondary mortgage market entity; and
(ix) Any other information deemed relevant by the Secretary.

(d) Notice of remedial action(s). (1) Following the Secretary’s decision concerning the appropriate remedial action(s) that the GSE is to be directed to take, the Secretary shall prepare and issue to the GSE and the lender a written notice setting forth the remedial action(s) to be taken and the date such remedial action(s) are to commence. The Notice shall inform the lender of its right to request a hearing on the appropriateness of the proposed remedial action(s), within 20 days of service of the Notice, by filing a request with the Docket Clerk, HUD Office of Administrative Law Judges.

(2) Where a lender does not timely request a hearing on a remedial action, the GSE shall take the action in accordance with the Notice.

(e) Review and decision on remedial action(s). (1) Where a lender timely requests a hearing on a remedial action, a hearing shall be conducted before a
§ 81.53 Processing of program requests.

(a) Each program request submitted to the Secretary by a GSE shall be in writing and shall be submitted to the Secretary and the Director, Office of Government-Sponsored Enterprises, Department of Housing and Urban Development, Washington, DC. For those requests submitted before 1 year after the effective date of the regulations issued by the Director of OFHEO under 12 U.S.C. 4611(e), the GSE shall simultaneously submit the program request to the Director.

(b) Each program request shall include:

(1) An opinion from counsel stating the statutory authority for the new program (Freddie Mac Act section 1325 of FHEFSSA and these regulations. The Secretary shall refer violations and potential violations of 12 U.S.C. 4545 and this subpart C to the Director.

(b) Where a private complainant or the Secretary is also proceeding against a GSE under the Fair Housing Act, the Assistant Secretary for Fair Housing and Equal Opportunity shall conduct the investigation of the complaint and make the reasonable cause determination required by section 810(g) of the Fair Housing Act. Where reasonable cause is found, a charge shall be issued and the matter will proceed to enforcement pursuant to sections 812(b) and (o) of the Fair Housing Act.
§ 81.54 Review of disapproval.
(a) Programs disapproved as unauthorized. (1) Where the Secretary disapproves a program request on the grounds that the new program is not authorized, as defined in §81.53(d) or (e), the GSE may, within 30 days of the date of receipt of the decision on disapproval, request an opportunity to review and supplement the administrative record for the decision, in accordance with paragraphs (a)(2) and (3) of this section.
(2) Supplementing in writing. A GSE supplementing the record in writing must submit written materials within 30 days after the date of receipt of the decision on disapproval, but no later than the date of a meeting, if requested, under paragraph (a)(3) of this section.
(3) Meeting. Within 10 days of the date of receipt of the decision of disapproval, the GSE may request a meeting. If the request for the meeting is timely, the Secretary shall arrange such a meeting, which shall be conducted by the Secretary or the Secretary's designee within 10 working days after receipt of the request. The GSE may be represented by counsel and may submit relevant written materials to supplement the record.

and, where appropriate, the Director, within 10 days after the request for additional information.

(2) If the GSE fails to furnish requested information within 10 days after the request for information, the Secretary may deny the GSE's request for approval based on such failure and so report to the Committees of Congress in accordance with paragraph (g) of this section.

(g) Approval or report. Within 45 days or, if the period is extended, 60 days following receipt of a program request, the Secretary shall approve the request, in writing, or submit a report to the Committee on Banking and Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate, explaining the reasons for not approving the request. If the Secretary does not act within this time period, the GSE's program request will be deemed approved.

§ 81.54 Review of disapproval.

(4) Determination. The Secretary shall:
(i) In writing and within 10 days after submission of any materials under paragraph (a)(2) of this section or the conclusion of any meeting under paragraph (a)(3) of this section, whichever is later, withdraw, modify, or affirm the program disapproval; and
(ii) Provide the GSE with that decision.

(b) Programs disapproved under public interest determination. When a program request is disapproved because the Secretary determines that the program is not in the public interest or the Director makes the determination in 12 U.S.C. 4542(b)(2)(B), the Secretary shall provide the GSE with notice of, and opportunity for, a hearing on the record regarding such disapproval. A request for a hearing must be submitted by a GSE within 30 days of the Secretary’s submission of a report under §81.53(g) disapproving a program request or the provision of the notice under this paragraph (b), whichever is later. The procedures for such hearings are provided in subpart G of this part.

Subpart F—Access to Information
§ 81.71 General.
This subpart:
(a) Provides for the establishment of a public-use database to make available to the public mortgage data that the GSEs submit to the Secretary under subsection 309(m) of the Fannie Mae Charter Act and subsection 307(e) of the Freddie Mac Act, and AHAR information that the GSEs submit to the Secretary in the AHAR under subsection 309(n) of the Fannie Mae Charter Act and subsection 307(f) of the Freddie Mac Act;

§ 81.73 GSE request for proprietary treatment.

(a) General. A GSE may request proprietary treatment of any mortgage data or AHAR information that the GSE submits to the Secretary. Such a request does not affect the GSE’s responsibility to provide data or information required by the Secretary. Where the Secretary grants a request for proprietary treatment, HUD will not include the data or information in the public-use database or publicly disclose the data or information, except as otherwise provided in accordance with this subpart.

(b) Request for proprietary treatment of mortgage data and AHAR information. Except as provided in paragraph (c) of this section, a GSE requesting proprietary treatment of mortgage data or AHAR information shall:

(1) Clearly designate those portions of the mortgage data or AHAR information to be treated as proprietary, with a prominent stamp, typed legend, or other suitable form of notice, stating “Proprietary Information—Confidential Treatment Requested by [name of GSE]” on each page or portion of page to which the request applies. If such marking is impractical, the GSE shall attach to the mortgage data or information for which confidential treatment is requested a cover sheet prominently marked “Proprietary Information—Confidential Treatment Requested by [name of GSE];”

(2) Accompany its request with a certification by an officer or authorized representative of the GSE that the mortgage data or information is proprietary; and

(3) Submit any additional statements in support of proprietary designation that the GSE chooses to provide.

(c) Alternative procedure available for mortgage data or AHAR information subject to a temporary order, final order, or regulation in effect. When the request for proprietary treatment pertains to mortgage data or AHAR information that has been deemed proprietary by the Secretary under a temporary order, final order, or regulation in effect, the GSE may reference such temporary order, final order, or regulation in lieu of complying with paragraphs (b)(2) and (3) of this section.
(d) Nondisclosure during pendency. Except as may otherwise be required by law, during the time any Request for Proprietary Treatment under § 81.73 is pending determination by the Secretary, the data or information submitted by the GSE that is the subject of the request shall not be disclosed to, or be subject to examination by, the public or any person or representative of any person or agency outside of HUD.

§ 81.74 Secretarial determination on GSE request.

(a) General. The Secretary shall review all Requests for Proprietary Treatment from the GSEs, along with any other information that the Secretary may elicit from other sources regarding the Request.

(b) Factors for proprietary treatment. Except as provided in paragraph (c) of this section, in making the determination of whether to accord proprietary treatment to mortgage data or AHAR information, the Secretary’s considerations shall include, but are not limited to:

(1) The type of data or information involved and the nature of the adverse consequences to the GSE, financial or otherwise, that would result from disclosure, including any adverse effect on the GSE’s competitive position;

(2) The existence and applicability of any prior determinations by HUD, any other Federal agency, or a court, concerning similar data or information;

(3) The measures taken by the GSE to protect the confidentiality of the mortgage data or AHAR information in question, and similar data or information, before and after its submission to the Secretary;

(4) The extent to which the mortgage data or AHAR information is publicly available including whether the data or information is available from other entities, from local government offices or records, including deeds, recorded mortgages, and similar documents, or from publicly available data bases;

(5) The difficulty that a competitor, including a seller/servicer, would face in obtaining or compiling the mortgage data or AHAR information; and

(6) Such additional facts and legal and other authorities as the Secretary may consider appropriate, including the extent to which particular mortgage data or AHAR information, when considered together with other information, could reveal proprietary information.

(c) Alternative criterion for mortgage data or AHAR information subject to a temporary order, final order, or regulation in effect. Where the request for proprietary treatment pertains to mortgage data or AHAR information that has been deemed proprietary by the Secretary under a temporary order, final order, or regulation in effect, the Secretary shall grant the request with respect to any mortgage data or AHAR information which comes within the order or regulation.

(d) Determination of proprietary treatment. The Secretary shall determine, as expeditiously as possible, whether mortgage data or AHAR information designated as proprietary by a GSE is proprietary information, or whether it is not proprietary and subject to inclusion in the public-use database and public release notwithstanding the GSE’s request.

(e) Action when according proprietary treatment to mortgage data and AHAR information. (1) When the Secretary determines that mortgage data or AHAR information designated as proprietary by a GSE is proprietary, and the mortgage data or AHAR information is not subject to a temporary order, a final order, or a regulation in effect providing that the mortgage data or AHAR information is not subject to public disclosure, the Secretary shall notify the GSE that the request has been granted. In such cases, the Secretary shall issue either a temporary order, a final order, or a regulation providing that the mortgage data or information is not subject to public disclosure. Such a temporary order, final order, or regulation shall:

(i) Document the reasons for the determination; and

(ii) Be provided to the GSE, made available to members of the public, and published in the Federal Register, except that any portions of such order or regulation that would reveal the
proprietary information shall be withheld from public disclosure. Publications of temporary orders shall invite public comments when feasible.

(2) Where the Secretary determines that such mortgage data or information is proprietary, the Secretary shall not make it publicly available, except as otherwise provided in accordance with this subpart.

(f) Determination not to accord proprietary treatment to mortgage data and AHAR information or to seek further information. When the Secretary determines that such mortgage data or AHAR information designated as proprietary by a GSE may not be proprietary, that the request may be granted only in part, or that questions exist concerning the request, the following procedure shall apply:

(1) The Secretary shall provide the GSE with an opportunity for a meeting with HUD to discuss the matter, for the purpose of gaining additional information concerning the request.

(2) Following the meeting, based on the Secretary's review of the mortgage data or AHAR information that is the subject of a request and the GSE's objections, if any, to disclosure of such mortgage data or AHAR information, the Secretary shall make a determination:

(i) If the Secretary determines to withhold from the public-use database as proprietary the mortgage data or AHAR information that is the subject of a request, the procedures in paragraph (e) of this section shall apply; or

(ii) If the Secretary determines that any mortgage data or AHAR information that is the subject of a request is not proprietary, the Secretary shall provide notice in writing to the GSE of the reasons for this determination, and such notice shall provide that the Secretary shall not release the mortgage data or AHAR information to the public for 10 working days.

§81.75 Proprietary information withheld by order or regulation.

Following a determination by the Secretary that mortgage data or AHAR information is proprietary information under FHEFSSA, the Secretary shall expediently issue a temporary order, final order, or regulation withholding the mortgage data or AHAR information from the public-use database and from public disclosure by HUD in accordance with 12 U.S.C. 4546. The Secretary may, from time-to-time, by regulation or order, issue a list entitled "GSE Mortgage Data and AHAR Information: Proprietary Information/Public-Use Data" providing that certain information shall be treated as proprietary information. The Secretary may modify the list by regulation or order.

§81.76 FOIA requests and protection of GSE information.

(a) General. HUD shall process FOIA requests for information submitted to the Secretary by the GSEs in accordance with:

(1) HUD’s FOIA and Privacy Act regulations, 24 CFR parts 15 and 16;

(2) 12 U.S.C. 4525, 4543, and 4546 and this subpart; and

(3) Other applicable statutes, regulations, and guidelines, including the Trade Secrets Act, 18 U.S.C. 1905, and Executive Order 12600. In responding to requests for data or information submitted by or relating to the GSEs, the Secretary may invoke provisions of these authorities to protect data or information from disclosure.

(b) Protection of confidential business information other than mortgage data and AHAR information. When a GSE seeks to protect from disclosure confidential business information, the GSE may seek protection of such confidential business information pursuant to the provisions of HUD’s FOIA regulations at 24 CFR part 15, without regard to whether or not it is mortgage data or AHAR information.

(c) Processing of FOIA requests—(1) FOIA Exemption (b)(4). HUD will process FOIA requests for confidential business information of the GSEs to which FOIA exemption (b)(4) may apply in accordance with 24 CFR part 15, and the predisclosure notification procedures of Executive Order 12,600.

(2) FOIA Exemption (b)(8). Under section 1319F of FHEFSSA, the Secretary may invoke FOIA exemption (b)(8) to withhold from the public any GSE data or information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of HUD. HUD may make data
or information available for the confidential use of other government agencies in their official duties or functions, but all data or information remains the property of HUD and any unauthorized use or disclosure of such data or information may be subject to the penalties of 18 U.S.C. 641.

(3) Other FOIA exemptions. Under 24 CFR part 15, the Secretary may invoke other exemptions including, without limitation, exemption (b)(6) (5 U.S.C. 552(b)(6)), to protect data and information that would constitute a clearly unwarranted invasion of personal privacy.

(d) Protection of information by HUD officers and employees. The Secretary will institute all reasonable safeguards to protect data or information submitted by or relating to either GSE, including, but not limited to, advising all HUD officers and employees having access to data or information submitted by or relating to either GSE of the legal restrictions against unauthorized disclosure of such data or information under HUD Standards of Conduct regulations, 24 CFR part O; the Government-wide Standards of Ethical Conduct, 5 CFR part 2635; and the Trade Secrets Act, 18 U.S.C. 1905. Officers and employees shall be advised of the penalties for unauthorized disclosure, ranging from disciplinary action under 24 CFR part O and 5 CFR part 2635 to criminal prosecution.

(e) Protection of information by contractors. (1) In contracts and agreements entered into by HUD where contractors have access to data or information submitted by or relating to either GSE, HUD shall include detailed provisions specifying that:
   (i) Neither the contractor nor any of its officers, employees, agents, or subcontractors may release data submitted by or relating to either GSE without HUD’s authorization; and
   (ii) Unauthorized disclosure may be a basis for:
       (A) Terminating the contract for default;
       (B) Suspending or debarring the contractor; and
       (C) Criminal prosecution of the contractor, its officers, employees, agents, or subcontractors under the Federal Criminal Code.

(2) Contract provisions shall require safeguards against unauthorized disclosure, including training of contractor and subcontractor agents and employees, and provide that the contractor will indemnify and hold HUD harmless against unauthorized disclosure of data or information belonging to the GSEs or HUD.

§ 81.77 Requests for GSE information on behalf of Congress, the Comptroller General, a subpoena, or other legal process.

(a) General. With respect to information submitted by or relating to the GSEs, nothing in this subpart F may be construed to grant authority to the Secretary under FHEFSSA to withhold any information from or to prohibit the disclosure of any information to the following persons or entities:

(1) Either House of Congress or, to the extent of matters within its jurisdiction, any committee or subcommittee thereof, or any joint committee of Congress or subcommittee of any such joint committee;

(2) The Comptroller General, or any of the Comptroller General’s authorized representatives, in the course of the performance of the duties of the General Accounting Office;

(3) A court of competent jurisdiction pursuant to a subpoena; or

(4) As otherwise compelled by law.

(b) Notice of proprietary or confidential nature of GSE information. (1) In releasing data or information in response to a request as set out in paragraph (a) of this section, the Secretary will, where applicable, include a statement with the data or information to the effect that:
   (i) The GSE regards the data or information as proprietary information and/or confidential business information;

   (ii) Public disclosure of the data or information may cause competitive harm to the GSE; and

   (iii) The Secretary has determined that the data or information is proprietary information and/or confidential business information.

(2) To the extent practicable, the Secretary will provide notice to the GSE after a request from the persons or entities described in paragraphs (a)(1)-(4) of this section for proprietary
information or confidential business information is received and before the data or information is provided in response to the request.

(c) Procedures for requests pursuant to subpoena or other legal process. The procedures in 24 CFR 15.71-15.74 shall be followed when a subpoena, order, or other demand of a court or other authority is issued for the production or disclosure of any GSE data or information that:

(1) Is contained in HUD's files;
(2) Relates to material contained in HUD's files; or
(3) Was acquired by any person while such person was an employee of HUD, as a part of the performance of the employee's official duties or because of the employee's official status.

(d) Requests pursuant to subpoena or other legal process not served on HUD. If an individual who is not a HUD employee or an entity other than HUD is served with a subpoena, order, or other demand of a court or authority for the production or disclosure of HUD data or information relating to a GSE and such data or information may not be disclosed to the public under this subpart or 24 CFR part 15, such individual or entity shall comply with 24 CFR 15.71-15.74 as if the individual or entity is a HUD employee, including immediately notifying HUD in accordance with the procedures set forth in 24 CFR 15.73(a).

(e) Reservation of additional actions. Nothing in this section precludes further action by the Secretary, in his or her discretion, to protect data or information submitted by a GSE from unwarranted disclosure in appropriate circumstances.

Subpart G—Procedures for Actions and Review of Actions

§ 81.81 General.

This subpart sets forth procedures for:

(a) The Secretary to issue cease-and-desist orders and impose civil money penalties to enforce the housing goal provisions implemented in subpart B of this part and the information submission and reporting requirements implemented in subpart E of this part; and

(b) Hearings, in accordance with 12 U.S.C. 4542(c)(4)(B), on the Secretary's disapproval of new programs that the Secretary determines are not in the public interest.

§ 81.82 Cease-and-desist proceedings.

(a) Issuance. The Secretary may issue and serve upon a GSE a written notice of charges justifying issuance of a cease-and-desist order, if the Secretary determines the GSE:

(1) Has failed to submit, within the time prescribed in §81.22, a housing plan that substantially complies with 12 U.S.C. 4566(c), as implemented by §81.22;
(2) Is failing or has failed, or there is reasonable cause to believe that the GSE is about to fail, to make a good-faith effort to comply with a housing plan submitted to and approved by the Secretary; or
(3) Has failed to submit any of the information required under sections 309(m) or (n) of the Fannie Mae Charter Act, sections 307(e) or (f) of the Freddie Mac Act, or subpart E of this part.

(b) Procedures—(1) Content of notice. The notice of charges shall provide:

(i) A concise statement of the facts constituting the alleged misconduct and the violations with which the GSE is charged;
(ii) Notice of the GSE's right to a hearing on the record;
(iii) A time and date for a hearing on the record;
(iv) A statement of the consequences of failing to contest the matter; and
(v) The effective date of the order if the GSE does not contest the matter.

(2) Administrative Law Judge. A HUD Administrative Law Judge (ALJ) shall preside over any hearing conducted under this section. The hearing shall be conducted in accordance with §81.84 and, to the extent the provisions are not inconsistent with any of the procedures in this part or FHEFSSA, with 24 CFR part 26, subpart B.

(3) Issuance of order. If the GSE consents to the issuance of the order or the ALJ finds, based on the hearing record, that a preponderance of the evidence established the conduct specified in the notice of charges, the ALJ may issue and serve upon the GSE an order requiring the GSE to:
§ 81.83 Civil money penalties.

(a) Imposition. The Secretary may impose a civil money penalty on a GSE that has failed:
   (1) To submit, within the time prescribed in §81.22, a housing plan that substantially complies with 12 U.S.C. 4566(c), as implemented by §81.22;
   (2) To make a good-faith effort to comply with a housing plan submitted and approved by the Secretary; or
   (3) To submit any of the information required under subpart E of this part.

(b) Amount of penalty. The amount of the penalty shall not exceed:
   (1) For any failure described in paragraph (a)(1) of this section, $25,000 for each day that the failure occurs; and
   (2) For any failure described in paragraphs (a)(2) or (a)(3) of this section, $11,000 for each day that the failure occurs.

(c) Factors in determining amount of penalty. In determining the amount of a penalty under this section, the Secretary shall consider the factors in 12 U.S.C. 4585(c)(2) including the public interest.

(d) Procedures—(1) Notice of Intent. The Secretary shall notify the GSE in writing of the Secretary’s determination to impose a civil money penalty by issuing a Notice of Intent to Impose Civil Money Penalties (“Notice of Intent”). The Notice of Intent shall provide:
   (i) A concise statement of the facts constituting the alleged misconduct;
   (ii) The amount of the civil money penalty;
   (iii) Notice of the GSE’s right to a hearing on the record;
   (iv) The procedures to follow to obtain a hearing;
   (v) A statement of the consequences of failing to request a hearing; and
   (vi) The date the penalty shall be due unless the GSE contests the matter.

(2) To appeal the Secretary’s decision to impose a civil money penalty, the GSE shall, within 20 days of service of the Notice of Intent, file a written Answer with the Chief Docket Clerk, Office of Administrative Law Judges, Department of Housing and Urban Development, at the address provided in the Notice of Intent.

(3) Administrative law judge. A HUD ALJ shall preside over any hearing conducted under this section, in accordance with §81.84 and, to the extent the provisions are not inconsistent with any of the procedures in this part or FFESSA, with 24 CFR part 26, subpart B.

(4) Issuance of order. If the GSE consents to the issuance of the order or the ALJ finds, on the hearing record, that a preponderance of the evidence establishes the conduct specified in the notice of charges, the ALJ may issue an order imposing a civil money penalty.

(5) Consultation with the Director. In the Secretary’s discretion, the Director of OFHEO may be requested to review any Notice of Intent, determination, order, or interlocutory ruling arising from a hearing.

(6) Action to collect penalty. The Secretary may request the Attorney General of the United States to bring an action to collect the penalty, in accordance with 12 U.S.C. 4585(d). Interest on, and other charges for, any unpaid penalty may be assessed in accordance with 31 U.S.C. 3717.

(f) Settlement by Secretary. The Secretary may compromise, modify, or remit any civil money penalty that may be, or has been, imposed under this section.

§ 81.84 Hearings.

(a) Applicability. The hearing procedures in this section apply to hearings on the record to review cease-and-desist orders, civil money penalties, and new programs disapproved based upon a determination by the Secretary that
such programs are not in the public interest, in accordance with 12 U.S.C. 4542(c)(4)(B).

(b) Hearing requirements. (1) Hearings shall be held in the District of Columbia.

(2) Hearings shall be conducted by a HUD ALJ authorized to conduct proceedings under 24 CFR part 26, subpart B.

(c) Timing. Unless an earlier or later date is requested by a GSE and the request is granted by the ALJ, a hearing shall be fixed for a date not earlier than 30 days, nor later than 60 days, after:

(1) Service of the notice of charges under §81.82;

(2) Service of the Notice of Intent to Impose Civil Money Penalty(ies) under §81.83; or

(3) Filing of a request for a hearing under §81.54(b).

(d) Procedure. Hearings shall be conducted in accordance with the procedures set forth in 24 CFR part 26, subpart B to the extent that such provisions are not inconsistent with any of the procedures in this part or FHEF SSA.

(e) Service—(1) To GSE. Any service required or authorized to be made by the Secretary under this subpart G may be made to the Chief Executive Officer of a GSE or any other representative as the GSE may designate in writing to the Secretary.

(2) How service may be made. A serving party shall use one or more of the following methods of service:

(i) Personal service;

(ii) Delivering the papers to a reliable commercial courier service, overnight delivery service, or the U.S. Post Office for Express Mail Delivery; or

(iii) Transmission by electronic media, only if the parties mutually agree. The serving party shall mail an original of the filing after any proper service using electronic media.

(f) Subpoena authority—(1) General. In the course of or in connection with any hearing, the Secretary and the ALJ shall have the authority to:

(i) Administer oaths and affirmations;

(ii) Take and preserve testimony under oath;

(iii) Issue subpoenas and subpoenas duces tecum; and

(iv) Revoke, quash, or modify subpoenas and subpoenas duces tecum issued under this paragraph (f).

(2) Witnesses and documents. The attendance of witnesses and the production of documents provided for in this section may be required from any place in any State. A witness may be required to appear, and a document may be required to be produced, at:

(i) The hearing; and

(ii) Any place that is designated for attendance at a deposition or production of a document under this section.

(3) Enforcement. In accordance with 12 U.S.C. 4588(c), the Secretary may request the Attorney General of the United States to enforce any subpoena or subpoena duces tecum issued pursuant to this section. If a subpoenaed person fails to comply with all or any portion of a subpoena issued pursuant to this paragraph (f), the subpoenaing party or any other aggrieved person may petition the Secretary to seek enforcement of the subpoena. A party's petition to the Secretary for enforcement of a subpoena in no way limits the sanctions that may be imposed by the ALJ on a party who fails to comply with a subpoena issued under this paragraph (f).

(4) Fees and expenses. Witnesses subpoenaed under this section shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States and may seek reasonable expenses and attorneys fees in any court having jurisdiction of any proceeding instituted under this section. Such expenses and fees shall be paid by the GSE or from its assets.

(g) Failure to appear. If a GSE fails to appear at a hearing through a duly authorized representative, the GSE shall be deemed to have consented to the issuance of the cease-and-desist order, the imposition of the penalty, or the disapproval of the new program, whichever is applicable.

(h) Public hearings. (1) All hearings shall be open to the public, unless the ALJ determines that an open hearing would be contrary to the public interest. Where a party makes a timely motion to close a hearing and the ALJ denies the motion, such party may file
with the Secretary within 5 working days a request for a closed hearing, and any party may file a reply to such a request within 5 working days of service of such a motion. Such motions, requests, and replies are governed by § 26.38 of this title. When a request for a closed hearing has been filed with the Secretary under this paragraph (h)(1), the hearing shall be stayed until the Secretary has advised the parties and the ALJ, in writing, of the Secretary’s decision on whether the hearing should be closed.

(2) Failure to file a timely motion, request or reply is deemed a waiver of any objection regarding whether the hearing will be public or closed. A party must file any motion for a closed hearing within 10 days after:

(i) Service of the notice of charges under § 81.82;

(ii) Service of the Notice of Intent to Impose Civil Money Penalties under § 81.83; or

(iii) Filing of a request for a hearing under § 81.54(b).

(i) Decision of ALJ. After each hearing, the ALJ shall issue an initial decision and serve the initial decision on the GSE, the Secretary, any other parties, and the HUD General Counsel. This service will constitute notification that the case has been submitted to the Secretary.

(j) Review of initial decision—(1) Secretary’s discretion. The Secretary, in the Secretary’s discretion, may review any initial decision.

(2) Requested by a party. Any party may file a notice of appeal of an initial decision to the Secretary in accordance with § 26.51(c) of this title. Any waiver of the limitations contained in § 26.51(f) of this title on the number of pages for notices of appeal and responses, of the time limitation in § 26.51(c) of this title for filing a notice of appeal of the initial decision, or any other waivers under this subpart shall not be subject to the publication requirements in 42 U.S.C. 3535(q).

(k) Final decision. (1) The initial decision will become the final decision unless the Secretary issues a final decision within 90 days after the initial decision is served on the Secretary.

(2) Issuance of final decision by Secretary. The Secretary may review any finding of fact, conclusion of law, or order contained in the initial decision of the ALJ and may issue a final decision in the proceeding. Any decision shall include findings of fact upon which the decision is predicated. The Secretary may affirm, modify, or set aside, in whole or in part, the initial decision or may remand the initial decision for further proceedings. The final decision shall be served on all parties and the ALJ.

(1) Decisions on remand. If the initial decision is remanded for further proceedings, the ALJ shall issue an initial decision on remand within 60 days of the date of issuance of the decision to remand, unless it is impractical to do so.

(m) Modification. The Secretary may modify, terminate, or set aside any order in accordance with 12 U.S.C. 4582(b)(2).

§ 81.85 Public disclosure of final orders and agreements.

(a) Disclosure. Except as provided in paragraph (b) of this section, the Secretary shall make available to the public final orders; written agreements and statements; and modifications and terminations of those orders, agreements, and statements, as set forth in 12 U.S.C. 4586(a) and the implementing regulations in this subpart G. The retention of records of these orders, agreements, and statements, and their modifications and terminations, are governed by 12 U.S.C. 4586(e).

(b) Exceptions to disclosure. Exceptions to disclosure will be determined in accordance with 12 U.S.C. 4586(c), (d), and (f) and paragraph (c) of this section.

(c) Filing documents under seal—(1) Request by party. Upon the denial by the ALJ of a motion for a protective order, any party may request the Secretary to file any document or part of a document under seal if the party believes that disclosure of the document would be contrary to the public interest. Any other party may file with the Secretary a reply to such a request within 5 working days after a request is made or some other time to be determined by
§ 81.92 Law governing rights and obligations of United States, Federal Reserve Banks, and GSEs; rights of any Person against United States, Federal Reserve Banks, and GSEs; Law governing other interests.

(a) Except as provided in paragraph (b) of this section, the following rights and obligations are governed solely by the book-entry regulations contained
in this subpart H, the Securities Documentation, and Federal Reserve Bank Operating Circulars (but not including any choice of law provisions in the Security Documentation to the extent such provisions conflict with the Book-entry regulations contained in this subpart H):

(1) The rights and obligations of a GSE and the Federal Reserve Banks with respect to:
   (i) A Book-entry GSE Security or Security Entitlement; and
   (ii) The operation of the Book-entry System as it applies to GSE Securities; and

(2) The rights of any Person, including a Participant, against a GSE and the Federal Reserve Banks with respect to:
   (i) A Book-entry GSE Security or Security Entitlement; and
   (ii) The operation of the Book-entry System as it applies to GSE Securities; and

(b) A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Participant and that is not recorded on the books of a Federal Reserve Bank pursuant to §81.93(c)(1), is governed by the law (not including the conflict-of-law rules) of the jurisdiction where the head office of the Federal Reserve Bank maintaining the Participant’s Securities Account is located. A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Person that is not a Participant, and that is not recorded on the books of a Federal Reserve Bank pursuant to §81.93(c)(1), is governed by the law determined in the manner specified in paragraph (d) of this section.

(c) If the jurisdiction specified in the first sentence of paragraph (b) of this section is a State that has not adopted Revised Article 8, then the law specified in paragraph (b) of this section shall be the law of that State as though Revised Article 8 had been adopted by that State.

(d) To the extent not otherwise inconsistent with this subpart H, and notwithstanding any provision in the Security Documentation setting forth a choice of law, the provisions set forth in 31 CFR 357.11 regarding law governing other interests apply and shall be read as though modified to effectuate the application of 31 CFR 357.11 to the GSEs.

Office of the Secretary, HUD

§ 81.95 Authority of Federal Reserve Banks.

(a) Each Federal Reserve Bank is hereby authorized as fiscal agent of the GSEs to perform the following functions with respect to the issuance of Book-entry GSE Securities offered and sold by a GSE in which this subpart H applies, in accordance with the Securities Documentation, Federal Reserve Bank Operating Circulars, this subpart H, and procedures established by the Secretary consistent with these authorities:

(1) To service and maintain Book-entry GSE Securities in accounts established for such purposes;

(2) To make payments with respect to such securities, as directed by the GSE;

(3) To effect transfer of Book-entry GSE Securities between Participants’ Securities Accounts as directed by the Participants;
§ 81.96 Withdrawal of Eligible Book-entry GSE Securities for conversion to definitive form.

(a) Eligible Book-entry GSE Securities may be withdrawn from the Book-entry System by requesting delivery of like Definitive GSE Securities.

(b) A Reserve bank shall, upon receipt of appropriate instructions to withdraw Eligible Book-entry GSE Securities from book-entry in the Book-entry System, convert such securities into Definitive GSE Securities and deliver them in accordance with such instructions. No such conversion shall affect existing interests in such GSE Securities.

(c) All requests for withdrawal of Eligible Book-entry GSE Securities must be made prior to the maturity or date of call of the securities.

(d) GSE Securities which are to be delivered upon withdrawal may be issued in either registered or bearer form, to the extent permitted by the applicable Securities Documentation.

§ 81.97 Waiver of regulations.

The Secretary reserves the right in the Secretary’s discretion, to waive any provision(s) of these regulations in any case or class of cases for the convenience of a GSE, the United States, or in order to relieve any person(s) of unnecessary hardship, if such action is not inconsistent with law, does not adversely affect any substantial existing rights, and the Secretary is satisfied that such action will not subject a GSE or the United States to any substantial expense or liability.

§ 81.98 Liability of GSEs and Federal Reserve Banks.

A GSE and the Federal Reserve Banks may rely on the information provided in a Transfer Message, and are not required to verify the information. A GSE and the Federal Reserve Banks shall not be liable for any action taken in accordance with the information set out in a Transfer Message, or evidence submitted in support thereof.

§ 81.99 Additional provisions.

(a) Additional requirements. In any case or any class of cases arising under these regulations, a GSE may require such additional evidence and a bond of indemnity, with or without surety, as may in the judgment of the GSE be necessary for the protection of the interests of the GSE.

(b) Notice of attachment for GSE Securities in Book-entry system. The interest of a debtor in a Security Entitlement may be reached by a creditor only by legal process upon the Securities Intermediary with whom the debtor’s securities account is maintained, except where a Security Entitlement is maintained in the name of a secured party, in which case the debtor’s interest may be reached by legal process upon the secured party.
