§ 1.1 Purpose.

The purpose of this part 1 is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as the Act) to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of Housing and Urban Development.

§ 1.2 Definitions.

As used in this part 1—
(a) The term Department means the Department of Housing and Urban Development.
(b) The term Secretary means the Secretary of Housing and Urban Development.
(c) The term responsible Department official means the Secretary or, to the extent of any delegation of authority by the Secretary to act under this part 1, any other Department official to whom the Secretary may hereafter delegate such authority.
(d) The term United States means the States of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, Wake Island, the Canal Zone, and the territories and possessions of the United States, and the term State means any one of the foregoing.
(e) The term Federal financial assistance includes: (1) Grants, loans, and advances of Federal funds, (2) the grant or donation of Federal property and interests in property, (3) the detail of Federal personnel, (4) the sale and lease of, and the permission to use (on other than a casual or transient basis), Federal property or any interest in such property without consideration or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by such sale or lease to the recipient, and (5) any Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance. The term Federal financial assistance does not include a contract of insurance or guaranty.
(f) The term recipient means any State, political subdivision of any State, or instrumentality of any State or political subdivision, any public or private agency, institution, organization, or other entity, or any individual, in any State, to whom Federal financial assistance is extended, directly or through another recipient, for any program or activity, or who otherwise participates in carrying out such program or activity (such as a redeveloper in the Urban Renewal Program), including any successor, assign, or transferee thereof, but such term does not include
§ 1.3 Application of part 1.

This part 1 applies to any program or activity for which Federal financial assistance is authorized under a law administered by the Department, including any program or activity assisted under the statutes listed in appendix A of this part 1. It applies to money paid, property transferred, or other Federal financial assistance extended to any such program or activity on or after January 3, 1965. This part 1 does not apply to: (a) Any Federal financial assistance by way of insurance or guarantee contracts, (b) money paid, property transferred, or other assistance extended to any such program or activity before January 3, 1965, (c) any assistance to any person who is the ultimate beneficiary under any such program or activity, or (d) any employment practice, under any such program or activity, of any employer, employment agency, or labor organization, except to the extent described in §1.4(c). The fact that certain financial assistance is not listed in appendix A shall not mean, if title VI of the Act is otherwise applicable, that such financial assistance is not covered. Other financial assistance under statutes now in force or hereinafter enacted may be added to this list by notice published in the Federal Register.

§ 1.4 Discrimination prohibited.

(a) General. No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity to which this part 1 applies.

(b) Specific discriminatory actions prohibited. (1) A recipient under any program or activity to which this part 1 applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin:

   (i) Deny a person any housing, accommodations, facilities, services, financial aid, or other benefits provided under the program or activity;

   (ii) Provide any housing, accommodations, facilities, services, financial aid, or other benefits to a person which are different, or are provided in a different manner, from those provided to others under the program or activity;

   (iii) Subject a person to segregation or separate treatment in any matter related to his receipt of housing, accommodations, facilities, services, financial aid, or other benefits under the program or activity;

   (iv) Restrict a person in any way in access to such housing, accommodations, facilities, services, financial aid, or other benefits under the program or activity;

   (v) Treat a person differently from others in determining whether he satisfies any occupancy, admission, enrollment, eligibility, membership, or other requirement or condition which persons must meet in order to be provided any housing, accommodations, facilities, services, financial aid, or other benefits provided under the program or activity;

   (vi) Deny a person opportunity to participate in the program or activity through the provision of services or otherwise, or afford him an opportunity to do which is different from that afforded others under the program or activity (including the opportunity to participate in the program or activity as an employee but only to the extent set forth in paragraph (c) of this section).

   (vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2)(i) A recipient, in determining the types of housing, accommodations, facilities, services, financial aid, or other benefits which will be provided under any such program or activity, or the
class of persons to whom, or the situations in which, such housing, accommodations, facilities, services, financial aid, or other benefits will be provided under any such program or activity, or the class of persons to be afforded an opportunity to participate in any such program or activity, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity as respect to persons of a particular race, color, or national origin.

(ii) A recipient, in operating low-rent housing with Federal financial assistance under the United States Housing Act of 1937, as amended (42 U.S.C. 1401 et seq.), shall assign eligible applicants to dwelling units in accordance with a plan, duly adopted by the recipient and approved by the responsible Department official, providing for assignment on a community-wide basis in sequence based upon the date and time the application is received, the size or type of unit suitable, and factors affecting preference or priority established by the recipient's regulations, which are not inconsistent with the objectives of title VI of the Civil Rights Act of 1964 and this part 1. The plan may allow an applicant to refuse a tendered vacancy for good cause without losing his standing on the list but shall limit the number of refusals without cause as prescribed by the responsible Department official.

(iii) The responsible Department official is authorized to prescribe and promulgate plans, exceptions, procedures, and requirements for the assignment and reassignment of eligible applicants and tenants consistent with the purpose of paragraph (b)(2)(ii) of this section, this part 1, and title VI of the Civil Rights Act of 1964, in order to effectuate and insure compliance with the requirements imposed thereunder.

(3) In determining the site or location of housing, accommodations, or facilities, an applicant or recipient may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this part 1 applies, on the ground of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this part 1.

(4) As used in this part 1 the housing, accommodations, facilities, services, financial aid, or other benefits provided under a program or activity receiving Federal financial assistance shall be deemed to include any housing, accommodations, facilities, services, financial aid, or other benefits provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in paragraphs (b) and (c) of this section does not limit the generality of the prohibition in paragraph (a) of this section.

(6) (i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program should take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color, or national origin.

Where previous discriminatory practice or usage tends, on the ground of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program or activity to which this part 1 applies, the applicant or recipient has an obligation to take reasonable action to remove or overcome the consequences of the prior discriminatory practice or usage, and to accomplish the purpose of the Act.

(c) Employment practices. (1) Where a primary objective of the Federal financial assistance to a program or activity to which this part 1 applies is to provide employment, a recipient may not, directly or through contractual or other arrangements, subject a person to discrimination on the ground of race, color, or national origin in its
§ 1.5 Assurances required.

(a) General. (1) Every contract for Federal financial assistance to carry out a program or activity to which this part 1 applies, executed on or after January 3, 1965, and every application for such Federal financial assistance submitted on or after January 3, 1965, shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to such contract or application, contain or be accompanied by an assurance that the program or activity will be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to this part 1. In the case of a contract or application where the Federal financial assistance is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer, in all other cases the assurance shall obligate the recipient for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the contract or application. The responsible Department official shall specify the form of the assurance for such program or activity, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants in the program or activity. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) In the case of real property, structures or improvements therein, or interests therein, acquired through a program of Federal financial assistance the instrument effecting any disposition by the recipient of such real property, structures or improvements, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. In the case where Federal financial assistance is provided in the form of a transfer of real property or interests therein from the Federal Government, the instrument effecting or recording the transfer shall contain such a covenant.

(3) In program receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

(b) Preexisting contracts—funds not disbursed. In any case where a contract for Federal financial assistance, to carry
out a program or activity to which this part 1 applies, has been executed prior to January 3, 1965, and the funds have not been fully disbursed by the Department, the responsible Department official shall, where necessary to effectuate the purposes of this part 1, require an assurance similar to that provided in paragraph (a) of this section as a condition to the disbursement of further funds.

(c) Preexisting contracts—periodic payments. In any case where a contract for Federal financial assistance, to carry out a program or activity to which this part 1 applies, has been executed prior to January 3, 1965, and provides for periodic payments for the continuation of the program or activity, the recipient shall, in connection with the first application for such periodic payments on or after January 3, 1965: (1) Submit a statement that the program or activity is being conducted in compliance with all requirements imposed by or pursuant to this part 1 and (2) provide such methods of administration for the program or activity as are found by the responsible Department official to give reasonable assurance that the recipient will comply with all requirements imposed by or pursuant to this part 1.

(d) Assurances from institutions. (1) In the case of any application for Federal financial assistance to an institution of higher education, the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required with respect to an institution of higher education, hospital, or any other institution, insofar as the assurance relates to the institution’s practices with respect to admission or other treatment of persons as students, patients, or clients of the institution or to the opportunity to participate in the provision of services or other benefits to such persons, shall be applicable to the entire institution unless the applicant establishes, to the satisfaction of the responsible Department official, that the institution’s practices in designated parts or programs of the institution will in no way affect its practices in the program of the institution for which Federal financial assistance is sought, or the beneficiaries or of participants in such program. If in any such case the assurance sought is for the construction of a facility or part of a facility, the assurance shall in any event extend to the entire facility and to facilities operated in connection therewith.

(e) Elementary and secondary schools. The requirements of this section with respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school system which the responsible official of the Department of Health and Human Services determines is adequate to accomplish the purposes of the Act and this part 1 within the earliest practicable time, and provides reasonable assurance that it will carry out such plan.

§ 1.6 Compliance information.

(a) Cooperation and assistance. The responsible Department official and each Department official who by law or delegation has the principal responsibility within the Department for the administration of any law extending financial assistance subject to this part 1 shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part 1 and shall provide assistance and guidance to recipients to help them comply voluntarily with this part 1.

(b) Compliance reports. Each recipient shall keep such records and submit to the responsible Department official or his designee timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the responsible Department official or his designee may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part 1. In general, recipients should have available for the department racial and ethnic data showing
§ 1.7 Conduct of investigations.

(a) Periodic compliance reviews. The responsible Department official or his designee shall from time to time review the practices of recipients to determine whether they are complying with this part 1.

(b) Complaints. Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this part 1 may by himself or by a representative file with the responsible Department official or his designee a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Department official or his designee.

(c) Investigations. The responsible Department official or his designee shall make a prompt investigation whenever a complaint, or any other information indicates a possible failure to comply with this part 1. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part 1 occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part 1.

(d) Resolution of matters. (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part 1, the responsible Department official or his designee will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 1.8.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section the responsible Department official or his designee will so inform the recipient and the complainant, if any, in writing.

(e) Intimidatory or retaliatory acts prohibited. No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Act or this part 1, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

§ 1.8 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with this part 1, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part 1 may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, or by any other means authorized by law. Such other means may include, but are not limited to: (1) A reference to the
Office of the Secretary, HUD

§ 1.9

Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) Noncompliance with §1.5. If an applicant fails or refuses to furnish an assurance required under §1.5 or otherwise fails or refuses to comply with the requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph, except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to a contract therefor approved prior to January 3, 1965.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible Department official has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part, (3) the action has been approved by the Secretary, and (4) the expiration of 30 days after the Secretary has filed with the committees of the House and Senate having legislative jurisdiction over the program or activity involved a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Other means authorized by law. No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Department official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 30 days from the mailing of such notice to the applicant or recipient. During this period of at least 30 days additional efforts shall be made to persuade the applicant or recipient to comply with this part 1 and to take such corrective action as may be appropriate.

§ 1.9 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by §1.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of its failure to comply and of the action to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either:

(1) Fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the responsible Department official that the matter be scheduled for hearing, or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated time and place. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph (a) or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and §1.8(c) and consent to the making
§ 1.10 Effect on other regulations; forms and instructions.

(a) Effect on other regulations. All regulations, orders, or like directions heretofore issued by any officer of the Department which impose requirements designed to prohibit any discrimination against persons on the ground of race, color, or national origin under any program or activity to which this part applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant or recipient for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to January 3, 1965. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendments thereof):

(1) Executive Orders 11246 and 11375 and regulations issued thereunder, or

(2) Executive Order 11063 and regulations issued thereunder, or any other order, regulations or instructions, insofar as such order, regulations, or instructions, prohibit discrimination on the ground of race, color, or national origin in any program or activity or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) Forms and instructions. The responsible Department official shall assure that forms and detailed instructions and procedures for effectuating this part are issued and promptly made available to interested persons.

(c) Supervision and coordination. The Secretary may from time to time assign to officials of the Department, or to officials of other departments or agencies of the Government with the consent of such department or agency, responsibilities in connection with the effectuation of the purposes of title VI of the Act and this part (other than responsibility for final decision as provided in §1.10), including the achievement of effective coordination and maximum uniformity within the Department and within the Executive Branch of the Government in the application of title VI and this part to similar programs or activities and in similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though such action had been taken by the responsible official of this Department.

Subpart A—Accountability in the Provision of HUD Assistance

§ 4.1 Purpose.

The provisions of this subpart A are authorized under section 102 of the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101-235, approved December 15, 1989) (42 U.S.C. 3537a) (hereinafter, Section 102). Both the provisions of Section 102 and this subpart A apply for the purposes of Section 102. Section 102 contains a number of provisions designed to ensure greater accountability and integrity in the way the Department makes assistance available under certain of its programs.

§ 4.3 Definitions.

Applicant includes a person whose application for assistance must be submitted to HUD for any purpose including approval, environmental review, or rent determination.

Assistance under any program or discretionary fund administered by the Secretary is subject to Section 102(a), and means any assistance, under any program administered by the Department, that provides by statute, regulation or otherwise for the competitive distribution of funding.

Assistance within the jurisdiction of the Department is subject to Section 102(b), and means any contract, grant, loan, cooperative agreement, or other form of assistance, including the insurance or guarantee of a loan or mortgage, that is provided with respect to a specific project or activity under a program administered by the Department, whether or not it is awarded through a competitive process.

Housing project means: (1) Property containing five or more dwelling units that is to be used primarily for residential purposes, including (but not limited to) living arrangements such as independent group residences, board and care facilities, group homes, and transitional housing, but excluding facilities that provide primarily non-residential services, such as intermediate care facilities, nursing homes, and hospitals.

Interested party means any person involved in the application for assistance, or in the planning, development or implementation of the project or activity for which assistance is sought and any other person who has a pecuniary interest exceeding the lower of $50,000 or 10 percent in the project or activity for which assistance is sought.

Selection criteria includes, in addition to any objective measures of housing and other need, project merit, or efficient use of resources, the weight or relative importance of each published selection criterion as well as any other factors that may affect the selection of recipients.
§ 4.5 Notice and documentation of assistance subject to section 102(a).

(a) Notice. Before the Department solicits an application for assistance subject to Section 102(a), it will publish a Notice in the FEDERAL REGISTER describing application procedures. § 4.13 Limitation of assistance subject to section 102(d).

(a) In making the certification for assistance subject to Section 102(d), the Secretary will consider the aggregate amount of assistance from the Department and from other sources that is necessary to ensure the feasibility of the assisted activity. The Secretary will take into account all factors relevant to feasibility, which may include, but are not limited to, past rates of returns for owners, sponsors, and investors; the long-term needs of the project and its tenants; and the usual and customary fees charged in carrying out the assisted activity.

(b) If the Department determines that the aggregate of assistance within the jurisdiction of the Department to a housing project from the Department and from other governmental sources exceeds the amount that the Secretary determines is necessary to make the assisted activity feasible, the Department will consider all options available to enable it to make the required certification, including reductions in the amount of Section 8 subsidies. The Department also may impose a dollar-for-dollar, or equivalent, reduction in the amount of HUD assistance to offset the amount of other government assistance. In grant programs, this could result in a reduction of any grant amounts not yet drawn down. The Department may make these adjustments immediately, or in conjunction with
§ 4.20 Purpose.

The provisions of this subpart B are authorized under section 103 of the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101–235, approved December 15, 1989) (42 U.S.C. 3537a) (hereinafter, Section 103). Both the provisions of Section 103 and this subpart B apply for the purposes of Section 103. Section 103 proscribes direct or indirect communication of certain information during the selection process by HUD employees to persons within or outside of the Department who are not authorized to receive that information. The purpose of the prohibition is to preclude giving an unfair advantage to applicants who would receive information not available to other applicants or to the public. Section 103 also authorizes the Department to impose a civil money penalty on a HUD employee who knowingly discloses protected information, if such a violation of Section 103 is material, and authorizes the Department to sanction the person who received information improperly by, among other things, denying assistance to that person.

§ 4.22 Definitions.

Application means a written request for assistance regardless of whether the request is in proper form or format.

Assistance does not include any contract (e.g., a procurement contract) that is subject to the Federal Acquisition Regulation (FAR) (48 CFR ch. 1).

Disclose means providing information directly or indirectly to a person through any means of communication.

Employee includes persons employed on a full-time, part-time, or temporary basis, and special government employees as defined in 18 U.S.C. 202. The term applies whether or not the employee is denoted as an officer of the Department. “Employee’’ is to be construed broadly to include persons who are retained on a contractual or consultative basis under an Office of Human Resources appointment. However, “employee” does not include an independent contractor, e.g., a firm or individual working under the authority of a procurement contract.

Material or materially means in some influential or substantial respect or having to do more with substance than with form.

Person means an individual, corporation, company, association, authority, firm, partnership, society, State, local government, or any other organization or group of people.

Selection process means the period with respect to a selection for assistance that begins when the HUD official responsible for awarding the assistance involved, or his or her designee, makes a written request (which includes the selection criteria to be used in providing the assistance) to the Office of General Counsel (OGC) to prepare the NOFA, solicitation, or request for applications for assistance for publication in the Federal Register. The period includes the evaluation of applications, and concludes with the announcement of the selection of recipients of assistance.

§ 4.24 Scope.

(a) Coverage. The prohibitions against improper disclosure of covered selection information apply to any person...
who is an employee of the Department. In addition, the Department will require any other person who participates at the invitation of the Department in the selection process to sign a certification that he or she will be bound by the provisions of this part.

(b) Applicability. The prohibitions contained in this part apply to conduct occurring on or after June 12, 1991.

§ 4.26 Permissible and impermissible disclosures.

(a) Notwithstanding the provisions of Section 103, an employee is permitted to disclose information during the selection process with respect to:

(1) The requirements of a HUD program or programs, including unpublished policy statements and the provision of technical assistance concerning program requirements, provided that the requirements or statements are disclosed on a uniform basis to any applicant or potential applicant. For purposes of this part, the term “technical assistance” includes such activities as explaining and responding to questions about program regulations, defining terms in an application package, and providing other forms of technical guidance that may be described in a NOFA. The term “technical assistance” also includes identification of those parts of an application that need substantive improvement, but this term does not include advising the applicant how to make those improvements.

(2) The dates by which particular decisions in the selection process will be made;

(3) Any information which has been published in the Federal Register in a NOFA or otherwise;

(4) Any information which has been made public through means other than the Federal Register;

(5) An official audit, inquiry or investigation, if the disclosure is made to an auditor or investigator authorized by the HUD Inspector General to conduct the audit or investigation;

(6) Legal activities, including litigation, if the disclosure is made to an attorney who is representing or is otherwise responsible to the Department in connection with the activities; or

(7) Procedures that are required to be performed to process an application, e.g., environmental or budget reviews, and technical assistance from experts in fields who are regularly employed by other government agencies, provided that the agency with which the expert is employed or associated is not an applicant for HUD assistance during the pending funding cycle.

(b) An authorized employee, during the selection process, may contact an applicant for the purpose of:

(1) Communication of the applicant’s failure to qualify, after a preliminary review for eligibility and completeness with respect to his or her application, and the reasons for the failure to qualify, or the fact of the applicant’s failure to be determined to be technically acceptable after a full review; or

(2) Clarification of the terms of the applicant’s application. A clarification, for the purpose of this paragraph (b), may include a request for additional information consistent with regulatory requirements.

(c) Prohibition of advance disclosure of funding decisions. During the selection process an employee shall not knowingly disclose any covered selection information regarding the selection process to any person other than an employee authorized to receive that information.

(1) The following disclosures of information are, at any time during the selection process, a violation of Section 103:

(i) Information regarding any applicant’s relative standing;

(ii) The amount of assistance requested by any applicant;

(iii) Any information contained in an application;

(2) The following disclosures of information, before the deadline for the submission of applications, shall be a violation of Section 103:

(i) The identity of any applicant; and

(ii) The number of applicants.

§ 4.28 Civil penalties.

Whenever any employee knowingly and materially violates the prohibition in Section 103, the Department may impose a civil money penalty on the employee in accordance with the provisions of 24 CFR part 30.
§ 4.30 Procedure upon discovery of a violation.

(a) In general. When an alleged violation of Section 103 or this subpart B comes to the attention of any person, including an employee, he or she may either:

(1) Contact the HUD Ethics Law Division to provide information about the alleged violation; or

(2) Contact the HUD Office of Inspector General to request an inquiry or investigation into the matter.

(b) Ethics Law Division. When the Ethics Law Division receives information concerning an alleged violation of Section 103, it shall refer the matter to the Inspector General stating the facts of the alleged violation and requesting that the Inspector General make an inquiry or investigation into the matter.

(c) Inspector General. When the Inspector General receives information concerning an alleged violation of Section 103 or this subpart B, he or she shall notify the Ethics Law Division when the Inspector General begins an inquiry or investigation into the matter.

(d) Protection of employee complainants. (1) No official of the Ethics Law Division, after receipt of information from an employee stating the facts of an alleged violation of this part, shall disclose the identity of the employee without the consent of that employee. The Inspector General, after receipt of information stating the facts of an alleged violation of this part, shall not disclose the identity of the employee who provided the information without the consent of that employee, unless the Inspector General determines that disclosure of the employee's identity is unavoidable during the course of an investigation. However, any employee who knowingly reports a false alleged violation of this part is not so protected and may be subject to disciplinary action.

(2) Any employee who has authority to take, direct others to take, recommend or approve a personnel action is prohibited from threatening, taking, failing to take, recommending, or approving any personnel action as reprisal against another employee for providing information to investigating officials.

§ 4.32 Investigation by Office of Inspector General.

The Office of Inspector General shall review every alleged violation of Section 103. If after a review the Office of Inspector General determines that further investigation is not warranted, it shall notify the Ethics Law Division of that determination. If, after a review, the Office of Inspector General determines that additional investigation is warranted, it shall conduct the investigation and upon completion issue a report of the investigation to the Ethics Law Division as to each alleged violation.

§ 4.34 Review of Inspector General's report by the Ethics Law Division.

After receipt of the Inspector General's report, the Ethics Law Division shall review the facts and circumstances of the alleged violations. In addition, the Ethics Law Division may:

(a) Return the report to the Inspector General with a request for further investigation;

(b) Discuss the violation with the employee alleged to have committed the violation; or

(c) Interview any other person, including employees who it believes will be helpful in furnishing information relevant to the inquiry.

§ 4.36 Action by the Ethics Law Division.

(a) After review of the Inspector General's report, the Ethics Law Division shall determine whether or not there is sufficient information providing a reasonable basis to believe that a violation of Section 103 or this subpart B has occurred.

(b) If the Ethics Law Division determines that there is no reasonable basis to believe that a violation of Section 103 or this subpart B has occurred, it shall close the matter and send its determination to the Office of Inspector General.

(c) If the Ethics Law Division determines that there is sufficient information to provide a reasonable basis to believe that a violation of Section 103 or this subpart B has occurred, it shall:

(1) Send its determination to the Office of Inspector General; and
(2) Refer the matter to the appropriate official for review as to whether to impose a civil money penalty in accordance with 24 CFR part 30, provided, however, that the Ethics Law Division shall not make a civil money penalty recommendation unless it finds the violation to have been knowing and material. The decision to impose a civil money penalty in a particular matter may be made only upon referral from the Ethics Law Division.

(d) In determining whether a violation is material, the Ethics Law Division shall consider the following factors, as applicable:

1. The content of the disclosure and its significance to the person to whom the disclosure was made;
2. The time during the selection process when the disclosure was made;
3. The person to whom the disclosure was made;
4. The dollar amount of assistance requested by the person to whom the disclosure was made;
5. The dollar amount of assistance available for a given competition or program;
6. The benefit, if any, received or expected by the employee, the employee’s relatives or friends, or any other person with whom the employee is affiliated;
7. The potential injury to the Department.

(e) If the Ethics Law Division determines that there is sufficient information to provide a reasonable basis to believe that a violation of Section 103 or this subpart B has occurred, it may, in addition to referring the matter under 24 CFR part 30, refer the matter to an appropriate HUD official for consideration of any other available disciplinary action. Any referral authorized by this paragraph (e) shall be reported to the Inspector General and may be reported to the employee’s supervisor.

§ 4.38 Administrative remedies.

(a) If the Department receives or obtains information providing a reasonable basis to believe that a violation of Section 103 has occurred, the Department may impose a sanction, as determined to be appropriate, upon an applicant for or a recipient of assistance who has received covered selection information.

(b) In determining whether a sanction is appropriate and if so which sanction or sanctions should be sought, the Secretary shall give consideration to the applicant’s conduct with respect to the violation. In so doing, the Secretary shall consider the factors listed at §4.36(d), as well as any history of prior violations in any HUD program, the benefits received or expected, deterrence of future violations and the extent of any complicity in the violation.

(c) The Secretary may impose a sanction authorized by this section whether or not the Ethics Law Division refers a case under 24 CFR part 30, and whether or not a civil money penalty is imposed.

(1) Any determination or redetermination of family income verified in accordance with this paragraph must be carried out in accordance with the requirements and procedures applicable to the individual covered program. Independent verification of information obtained from a SWICA or a Federal agency may be:
   (i) By HUD;
   (ii) In the case of the public housing program, by a PHA; or

   (i) HUD or, as applicable or directed by HUD, the PHA shall request the undisclosed employer or other income source to furnish any information necessary to establish an assistance applicant’s or participant’s eligibility for or level of assistance in a covered program. (4) HUD and the PHA shall not be required to pursue these verification procedures when the sums of money at issue are too small to raise an inference of fraud or justify the expense of independent verification and the procedures related to termination, denial, suspension, or reduction of assistance.

(5) Based on the income information received from a SWICA or Federal agency, HUD or the PHA, as appropriate, may inform an owner (or mortgagee) that an assistance applicant’s or participant’s eligibility for or level of assistance is uncertain and needs to be verified. The owner (or mortgagee) shall then confirm the assistance applicant’s or participant’s income information by checking the accuracy of the information with the employer or other income source, or directly with the family.

HUD, the PHA, or the owner (or mortgagee, as applicable) shall promptly notify any assistance applicant or participant in writing of any adverse findings made on the basis of the information verified in accordance with paragraph (b) of this section. The assistance applicant
or participant may contest the findings in the same manner as applies to other information and findings relating to eligibility factors under the applicable program. Termination, denial, suspension, or reduction of assistance shall be carried out in accordance with requirements and procedures applicable to the individual covered program, and shall not occur until the expiration of any notice period provided by the statute or regulations governing the program.

Project owner means an owner (including HUD, where HUD is the owner) or manager of a project for the elderly or persons with disabilities, or an agent authorized to act for an owner or manager of such housing.

Public Housing Agency (PHA) is defined in §5.100.

Public Housing programs means the public housing programs administered by the Assistant Secretary for Public and Indian Housing under title I of the United States Housing Act of 1937.

EFFECTIVE DATE NOTE: At 65 FR 16715, Mar. 29, 2000, §5.306 was amended by removing the definition for “Public Housing programs”, effective Apr. 28, 2000.

§5.309 Prohibition against discrimination.

Except as otherwise specifically authorized under this subpart no project owner or PHA that owns or manages a project for the elderly or persons with disabilities may:

(a) As a condition of tenancy or otherwise, prohibit or prevent any tenant of such housing from owning common household pets or having such pets living in the tenant’s dwelling unit; or

(b) Restrict or discriminate against any person in connection with admission to, or continued occupancy of, such housing by reason of the person’s ownership of common household pets or the presence of such pets in the person’s dwelling unit.

§5.312 Notice to tenants.

(a) During the development of pet rules as described in §§5.353 or 5.380, the project owner or PHA shall serve written notice on all tenants of projects for the elderly or persons with disabilities stating that:

(1) Tenants are permitted to own and keep common household pets in their dwelling units, in accordance with the pet rules (if any) promulgated under this subpart C;

(2) Animals that are used to assist persons with disabilities are excluded from the requirements of this subpart C, as provided in §5.303;

(3) Tenants may, at any time, request a copy of any current pet rule developed under this subpart C (as well as any current proposed rule or proposed amendment to an existing rule); and

(4) Tenants may request that their leases be amended under §5.321 to permit common household pets.

(b) The project owner or PHA shall provide to each applicant for tenancy when he or she is offered a dwelling.
§ 5.315

unit in a project for the elderly or persons with disabilities, the written notice specified in paragraphs (a) (1), (2), and (3) of this section.

(c) If a PHA chooses not to promulgate pet rules, the notice shall be served within 60 days of the effective date of this part. PHAs shall serve notice under this section in accordance with their normal service of notice procedures.

§ 5.315 Content of pet rules: General requirements.

(a) Housing programs. The project owner shall prescribe reasonable rules to govern the keeping of common household pets. The pet rules must include the mandatory rules described in § 5.350 and may, unless otherwise noted in this subpart C, include other discretionary provisions as provided in § 5.318.

(b) Public Housing programs. (1) PHAs may choose not to promulgate rules governing the keeping of common household pets or may include rules as provided in § 5.318. PHAs may elect to include provisions based on those in § 5.350. If they so choose, the PHAs may modify the provisions in § 5.350 in any manner consistent with this subpart C.

(2) If PHAs choose to promulgate pet rules, tenants must be permitted to own and keep pets in their units in accordance with the terms and conditions of their leases, the provisions of this subpart C, and any applicable State or local law or regulation governing the owning or keeping of pets in dwelling accommodations.

(c) Use of discretion. (1) This subpart C does not define with specificity the limits of the project owners' or PHAs' discretion to promulgate pet rules. Where a project owner or PHA has discretion to prescribe pet rules under this subpart C, the pet rules should be:

(i) Reasonably related to furthering a legitimate interest of the project owner or PHA, such as the owner's or PHA's interest in providing a decent, safe, and sanitary living environment for existing and prospective tenants and in protecting and preserving the physical condition of the project and the owner's or PHA's financial interest in it; and

(ii) Drawn narrowly to achieve the owner's or PHA's legitimate interests, without imposing unnecessary burdens and restrictions on pet owners and prospective pet owners.

(2) Where a project owner or PHA has discretion to prescribe pet rules under this subpart C, the owner or PHA may vary the rules' content among projects and within individual projects, based on factors such as the size, type, location, and occupancy of the project or its units, provided that the applicable rules are reasonable and do not conflict with any applicable State or local law or regulation governing the owning or keeping of pets in dwelling accommodations.

(d) Conflict with State or local law. The pet rules adopted by the project owner or PHA shall not conflict with applicable State or local law or regulations. If such a conflict may exist, the State and local law or regulations shall apply.

§ 5.318 Discretionary pet rules.

Pet rules promulgated by project owners and PHAs may include, but are not limited to, consideration of the following factors:

(a) Definitions of “common household pet”—(1) For Public Housing programs. The pet rules established by a PHA may contain a reasonable definition of a common household pet.

(2) For Housing programs. Project owners wishing to define “common household pet” in their pet rules must use the Housing programs definition of the term in § 5.306.

(b) Density of tenants and pets. (1)(i) The pet rules established under this section may take into account tenant and pet density. The pet rules may place reasonable limitations on the number of common household pets that may be allowed in each dwelling unit. In the case of group homes, the pet rules may place reasonable limitations on the number of common household pets that may be allowed in each home. (ii) For Housing programs. Under these rules, project owners may limit the number of four-legged, warm-blooded
Office of the Secretary, HUD § 5.318

pets to one pet in each dwelling unit or group home.

(iii) Other than the limitations described in this paragraph (b)(1), the pet rules may not limit the total number of pets allowed in the project.

(2) As used in paragraph (b)(1) of this section, the term “group home” means:

(i) For purposes of Housing programs. A small, communal living arrangement designed specifically for individuals who are chronically mentally ill, developmentally disabled, or physically disabled who require a planned program of continual supportive services or supervision (other than continual nursing, medical or psychiatric care).

(ii) For purposes of Public Housing programs. A dwelling or dwelling unit for the exclusive residential use of elderly persons or persons with disabilities who are not capable of living completely independently and who require a planned program of continual supportive services or supervision (other than continual nursing, medical or psychiatric care).

(c) Pet size and pet type. The pet rules may place reasonable limitations on the size, weight, and type of common household pets allowed in the project.

(d) Potential financial obligations of tenants—(1) Pet deposits. The pet rules may require tenants who own or keep pets in their units to pay a refundable pet deposit. In the case of project owners, this pet deposit shall be limited to those tenants who own or keep cats or dogs in their units. This deposit is in addition to any other financial obligation generally imposed on tenants of the project. The project owner or PHA may use the pet deposit only to pay reasonable expenses directly attributable to the presence of the pet in the project, including (but not limited to) the cost of repairs and replacements to, and fumigation of, the tenant’s dwelling unit and, for project owners, the cost of animal care facilities under §5.363. The project owner or PHA shall refund the unused portion of the pet deposit to the tenant within a reasonable time after the tenant moves from the project or no longer owns or keeps a pet (or a cat or dog in the case of project owners) in the dwelling unit.

(2) Housing programs: Maximum pet deposit. (i) Pet deposits for the following tenants shall not exceed an amount periodically fixed by HUD through notice.

(A) Tenants whose rents are subsidized (including tenants of a HUD-owned project, whose rents were subsidized before HUD acquired it) under one of the programs identified by HUD through notice.

(B) Tenants who live in a project assisted (including tenants who live in a HUD-owned project that was assisted before HUD acquired it) under one of the programs identified by HUD through notice.

(C) For all other tenants of projects for the elderly or persons with disabilities, the pet deposit shall not exceed one month’s rent at the time the pet is brought onto the premises.

(ii) In establishing the maximum amount of pet deposit under paragraph (d)(2)(i) of this section, HUD will consider factors such as:

(A) Projected, estimated expenses directly attributable to the presence of pets in the project;

(B) The ability of project owners to offset such expenses by use of security deposits or HUD-reimbursable expenses; and

(C) The low income status of tenants of projects for the elderly or persons with disabilities.

(iii) For pet deposits subject to paragraph (d)(2)(i)(A) of this section, the pet rules shall provide for gradual accumulation of the deposit by the pet owner through an initial payment not to exceed $50 when the pet is brought onto the premises, and subsequent monthly payments not to exceed $10 per month until the amount of the deposit is reached.

(iv) For pet deposits subject to paragraphs (d)(2)(i)(B) and (C) of this section, the pet rules may provide for gradual accumulation of the deposit by the pet owner.

(v) The project owner may (subject to the HUD-prescribed limits) increase the amount of the pet deposit by amending the house pet rules in accordance with §5.353.

(A) For pet deposits subject to paragraph (d)(2)(i)(A) of this section, the house pet rules shall provide for gradual accumulation of any such increase.
§ 5.318

not to exceed $10 per month for all deposit amounts that are being accumulated.

(B) [Reserved]

(vi) Any pet deposit that is established within the parameters set forth by paragraph (d)(2) of this section shall be deemed reasonable for purposes of this subpart C.

(3) Public Housing programs: Maximum pet deposit. The maximum amount of pet deposit that may be charged by the PHA, on a per dwelling unit basis, shall not exceed the higher of the Total Tenant Payment (as defined in 24 CFR 913.102) or such reasonable fixed amount as the PHA may require. The pet rules may permit gradual accumulation of the pet deposit by the pet owner.

(4) Housing programs: Waste removal charge. The pet rules may permit the project owner to impose a separate waste removal charge of up to five dollars ($5) per occurrence on pet owners that fail to remove pet waste in accordance with the prescribed pet rules. Any pet waste removal charge that is within this five dollar ($5) limitation shall be deemed to be a reasonable amount for the purposes of this subpart C.

(5) The pet deposit (for Housing and Public Housing programs) and waste removal charge (for Housing programs) are not part of the rent payable by the tenant. Except as provided in paragraph (d) of this section for Housing programs and, paragraph (d) of this section and 24 CFR 966.4(b) for Public Housing programs, project owners or PHAs may not prescribe pet rules that impose additional financial obligations on pet owners that are designed to compensate the project owner or PHA for costs associated with the presence of pets in the project, including (but not limited to) requiring pet owners:

(i) To obtain liability or other insurance to cover damage caused by the pet;

(ii) To agree to be strictly liable for all damages caused by the pet where this liability is not otherwise imposed by State or local law, or

(iii) To indemnify the project owner for pet-related litigation and attorney’s fees.

(e) Standards of pet care. The pet rules may prescribe standards of pet care and handling, but must be limited to those necessary to protect the condition of the tenant’s unit and the general condition of the project premises, or to protect the health or safety of present tenants, project employees, and the public. The pet rules may not require pet owners to have any pet’s vocal cords removed. Permitted rules may:

(1) Bar pets from specified common areas (such as lobbies, laundry rooms, and social rooms), unless the exclusion will deny a pet reasonable ingress and egress to the project or building.

(2) Require the pet owner to control noise and odor caused by a pet.

(3) Housing programs: Project owners may also:

(i) Require pet owners to have their dogs and cats spayed or neutered; and

(ii) Limit the length of time that a pet may be left unattended in a dwelling unit.

(f) Pet licensing. The pet rules may require pet owners to license their pets in accordance with applicable State and local laws and regulations. Failure of the pet rules to contain this requirement does not relieve the pet owner of responsibility for complying with applicable State and local pet licensing requirements.

(g) Public Housing programs: Designated pet areas. (1) PHAs may designate buildings, floors of buildings, or sections of buildings as no-pet areas where pets generally may not be permitted. Similarly, the pet rules may designate buildings, floors of buildings, or sections of buildings for residency generally by pet-owning tenants. The PHA may direct such initial tenant moves as may be necessary to establish pet and no-pet areas. The PHA may not refuse to admit (or delay admission of) an applicant for tenancy on the grounds that the applicant’s admission would violate a pet or no-pet area. The PHA may adjust the pet and no-pet areas or may direct such additional moves as may be necessary (or both) to accommodate such applicants for tenancy or to meet the changing needs of existing tenants.

(2) Project owners may not designate pet areas in buildings in their pet rules.
(h) *Pets temporarily on the premises.* The pet rules may exclude from the project pets not owned by a tenant that are to be kept temporarily on the project premises. For the purposes of paragraph (h) of this section, pets are to be kept “temporarily” if they are to be kept in the tenant’s dwelling accommodations for a period of less than 14 consecutive days and nights. HUD, however, encourages project owners and PHAs to permit the use of a visiting pet program sponsored by a humane society, or other nonprofit organization.

§ 5.321 *Lease provisions.*

(a) Lease provisions. (1) PHAs which have established pet rules and project owners shall ensure that the leases for all tenants of projects for the elderly or persons with disabilities:

(i) State that tenants are permitted to keep common household pets in their dwelling units (subject to the provisions of this subpart and the pet rules);

(ii) Shall incorporate by reference the pet rules promulgated by the project owner or PHA;

(iii) Shall provide that the tenant agrees to comply with these rules; and

(iv) Shall state that violation of these rules may be grounds for removal of the pet or termination of the pet owner’s tenancy (or both), in accordance with the provisions of this subpart and applicable regulations and State or local law.

(2) [Reserved]

(b) Where a PHA has not established pet rules, the leases of all tenants of such projects shall not contain any provisions prohibiting the owning or keeping of common household pets, and shall state that owning and keeping of such pets will be subject to the general obligations imposed on the PHA and tenants in the lease and any applicable State or local law or regulation governing the owning or keeping of pets in dwelling accommodations.

§ 5.324 *Implementation of lease provisions.*

The lease for each tenant of a project for the elderly or persons with disabilities who is admitted on or after the date on which this subpart C is implemented shall contain the lease provisions described in § 5.321 and, if applicable, § 5.360. The lease for each tenant who occupies a unit in such a project under lease on the date of implementation of this part shall be amended to include the provisions described in § 5.321 and, if applicable, § 5.360:

(a) For Housing programs:

(1) Upon renewal of the lease and in accordance with any applicable regulation; and

(2) When a Housing program tenant registers a common household pet under § 5.350

(b) For Public Housing programs:

(1) Upon annual reexamination of tenant income in accordance with any applicable regulation; and

(2) When a Public Housing program tenant wishes to own or keep a common household pet in his or her unit.

§ 5.327 *Nuisance or threat to health or safety.*

Nothing in this subpart C prohibits a project owner, PHA, or an appropriate community authority from requiring the removal of any pet from a project, if the pet’s conduct or condition is duly determined to constitute, under the provisions of State or local law, a nuisance or a threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

PET OWNERSHIP REQUIREMENTS FOR HOUSING PROGRAMS

§ 5.350 *Mandatory pet rules for housing programs.*

Mandatory rules. The project owner must prescribe the following pet rules:

(a) *Inoculations.* The pet rules shall require pet owners to have their pets inoculated in accordance with State and local laws.

(b) *Sanitary standards.* (1) The pet rules shall prescribe sanitary standards to govern the disposal of pet waste. These rules may:

(i) Designate areas on the project premises for pet exercise and the deposit of pet waste;

(ii) Forbid pet owners from exercising their pets or permitting their pets to deposit waste on the project premises outside the designated areas;
(iii) Require pet owners to remove and properly dispose of all removable pet waste; and
(iv) Require pet owners to remove pets from the premises to permit the pet to exercise or deposit waste, if no area in the project is designated for such purposes.

(2) In the case of cats and other pets using litter boxes, the pet rules may require the pet owner to change the litter (but not more than twice each week), may require pet owners to separate pet waste from litter (but not more than once each day), and may prescribe methods for the disposal of pet waste and used litter.

(c) Pet restraint. The pet rules shall require that all cats and dogs be appropriately and effectively restrained and under the control of a responsible individual while on the common areas of the project.

(d) Registration. (1) The pet rules shall require pet owners to register their pets with the project owner. The pet owner must register the pet before it is brought onto the project premises, and must update the registration at least annually. The project owner may coordinate the annual update with the annual reexamination of tenant income, if applicable. The registration must include:

(i) A certificate signed by a licensed veterinarian or a State or local authority empowered to inoculate animals (or designated agent of such an authority) stating that the pet has received all inoculations required by applicable State and local law;
(ii) Information sufficient to identify the pet and to demonstrate that it is a common household pet; and
(iii) The name, address, and phone number of one or more responsible parties who will care for the pet if the pet owner dies, is incapacitated, or is otherwise unable to care for the pet.

(2) The project owner may require the pet owner to provide additional information necessary to ensure compliance with any discretionary rules prescribed under §5.318, and shall require the pet owner to sign a statement indicating that he or she has read the pet rules and agrees to comply with them.

(3) The pet rules shall permit the project owner to refuse to register a pet if:

(i) The pet is not a common household pet;
(ii) The keeping of the pet would violate any applicable house pet rule;
(iii) The pet owner fails to provide complete pet registration information or fails annually to update the pet registration; or
(iv) The project owner reasonably determines, based on the pet owner's habits and practices, that the pet owner will be unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament may be considered as a factor in determining the prospective pet owner's ability to comply with the pet rules and other lease obligations.

(4) The project owner may not refuse to register a pet based on a determination that the pet owner is financially unable to care for the pet or that the pet is inappropriate, based on the therapeutic value to the pet owner or the interests of the property or existing tenants.

(5) The pet rules shall require the project owner to notify the pet owner if the project owner refuses to register a pet. The notice shall state the basis for the project owner's action and shall be served on the pet owner in accordance with the requirements of §5.353(f)(1)(i) or (ii). The notice of refusal to register a pet may be combined with a notice of pet violation as required in §5.356.

§5.353 Housing programs: Procedure for development of pet rules.

(a) General. Project owners shall use the procedures specified in this section to promulgate the pet rules referred to in §§5.318 and 5.350.

(b) Development and notice of proposed pet rules. Project owners shall develop proposed rules to govern the owning or keeping of common household pets in projects for the elderly or persons with disabilities. Notice of the proposed pet rules shall be served on each tenant of the project as provided in paragraph (f) of this section. The notice shall:

(1) Include the text of the proposed rules;
(2) State that tenants or tenant representatives may submit written comments on the rules; and

(3) State that all comments must be submitted to the project owner no later than 30 days from the effective date of the notice of the proposed rules.

(4) The notice may also announce the date, time, and place for a meeting to discuss the proposed rules (as provided in paragraph (c) of this section).

(c) Tenant consultation. Tenants or tenant representatives may submit written comments on the proposed pet rules to the project owner by the date specified in the notice of proposed rules. In addition, the owner may schedule one or more meetings with tenants during the comment period to discuss the proposed rules. Tenants and tenant representatives may make oral comments on the proposed rules at these meetings. The project owner must consider comments made at these meetings only if they are summarized, reduced to writing, and submitted to the project owner before the end of the comment period.

(d) Development and notice of final pet rules. The project owner shall develop the final rules after reviewing tenants’ written comments and written summaries of any owner-tenant meetings. The project owner may meet with tenants and tenant representatives to attempt to resolve issues raised by the comments. Subject to this subpart C, the content of the final pet rules, however, is within the sole discretion of the project owner. The project owner shall serve on each tenant of the project, a notice of the final pet rules as provided in paragraph (f) of this section. The notice must include the text of the final pet rules and must specify the effective date of the final pet rules.

(e) Amendment of pet rules. The project owner may amend the pet rules at any time by following the procedure for the development of pet rules specified in paragraphs (b) through (d) of this section.

(f) Service of notice. (1) The project owner must serve the notice required under this section by:

(i) Sending a letter by first class mail, properly stamped and addressed to the tenant at the dwelling unit, with a proper return address; or

(ii) Serving a copy of the notice on any adult answering the door at the tenant’s leased dwelling unit, or if no adult responds, by placing the notice under or through the door, if possible, or else by attaching the notice to the door; or

(iii) For service of notice to tenants of a high-rise building, posting the notice in at least three conspicuous places within the building and maintaining the posted notices intact and legible for 30 days. For purposes of paragraph (f) of this section, a high-rise building is a structure that is equipped with an elevator and has a common lobby.

(2) For purposes of computing time periods following service of the notice, service is effective on the day that all notices are delivered or mailed, or in the case of service by posting, on the day that all notices are initially posted.

§ 5.356 Housing programs: Pet rule violation procedures.

(a) Notice of pet rule violation. If a project owner determines on the basis of objective facts, supported by written statements, that a pet owner has violated a rule governing the owning or keeping of pets; the project owner may serve a written notice of pet rule violation on the pet owner in accordance with §5.353(f)(3)(i) or (ii). The notice of pet rule violation must:

(1) Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated;

(2) State that the pet owner has 10 days from the effective date of service of the notice to correct the violation (including, in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation;

(3) State that the pet owner is entitled to be accompanied by another person of his or her choice at the meeting; and

(4) State that the pet owner’s failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to terminate the pet owner’s tenancy.
(b)(1) Pet rule violation meeting. If the pet owner makes a timely request for a meeting to discuss an alleged pet rule violation, the project owner shall establish a mutually agreeable time and place for the meeting but no later than 15 days from the effective date of service of the notice of pet rule violation (unless the project owner agrees to a later date). At the pet rule violation meeting, the pet owner and project owner shall discuss any alleged pet rule violation and attempt to correct it. The project owner may, as a result of the meeting, give the pet owner additional time to correct the violation.

(2) Notice for pet removal. If the pet owner and project owner are unable to resolve the pet rule violation at the pet rule violation meeting, or if the project owner determines that the pet owner has failed to correct the pet rule violation within any additional time provided for this purpose under paragraph (b)(1) of this section, the project owner may serve a written notice on the pet owner in accordance with § 5.353(f)(1)(i) or (ii) (or at the meeting, if appropriate), requiring the pet owner to remove the pet. The notice must:

(i) Contain a brief statement of the factual basis for the determination and the pet rule or rules that have been violated;

(ii) State that the pet owner must remove the pet within 10 days of the effective date of service of the notice of pet removal (or the meeting, if notice is served at the meeting); and

(iii) State that failure to remove the pet may result in initiation of procedures to terminate the pet owner’s tenancy.

(c) Initiation of procedures to remove a pet or terminate the pet owner’s tenancy. (1) The project owner may not initiate procedures to terminate a pet owner’s tenancy based on a pet rule violation, unless:

(i) The pet owner has failed to remove the pet or correct a pet rule violation within the applicable time period specified in this section (including any additional time permitted by the owner); and

(ii) The pet rule violation is sufficient to begin procedures to terminate the pet owner’s tenancy under the terms of the lease and applicable regulations.

(2) The project owner may initiate procedures to remove a pet under § 5.327 at any time, in accordance with the provisions of applicable State or local law.

§ 5.359 Housing programs: Rejection of units by applicants for tenancy.

(a) An applicant for tenancy in a project for the elderly or persons with disabilities may reject a unit offered by a project owner if the unit is in close proximity to a dwelling unit in which an existing tenant of the project owns or keeps a common household pet. An applicant’s rejection of a unit under this section shall not adversely affect his or her application for tenancy in the project, including (but not limited to) his or her position on the project waiting list or qualification for any tenant selection preference.

(b) Nothing in this subpart C imposes a duty on project owners to provide alternate dwelling units to existing or prospective tenants because of the proximity of common household pets to a particular unit or the presence of such pets in the project.

§ 5.360 Housing programs: Additional lease provisions.

(a) Inspections. In addition to other inspections permitted under the lease, the leases for all Housing program tenants of projects for the elderly or persons with disabilities may state that the project owner may, after reasonable notice to the tenant and during reasonable hours, enter and inspect the premises. The lease shall permit entry and inspection only if the project owner has received a signed, written complaint alleging (or the project owner has reasonable grounds to believe) that the conduct or condition of a pet in the dwelling unit constitutes, under applicable State or local law, a nuisance or a threat to the health or safety of the occupants of the project or other persons in the community where the project is located.

(b) Emergencies. (1) If there is no State or local authority (or designated agent of such an authority) authorized under applicable State or local law to
Office of the Secretary, HUD

§ 5.380 Public housing programs: Procedure for development of pet rules.

PHAs that choose to promulgate pet rules shall consult with tenants of projects for the elderly or persons with disabilities administered by them with respect to their promulgation and subsequent amendment. PHAs shall develop the specific procedures governing tenant consultation, but these procedures must be designed to give tenants (or, if appropriate, tenant councils) adequate opportunity to review and comment upon the pet rules before they are issued for effect. PHAs are solely responsible for the content of final pet rules, but must give consideration to tenant comments. PHAs shall send to the responsible HUD field office, copies of the final (or amended) pet rules, as well as summaries or copies of all tenant comments received in the course of the tenant consultation.

Disabled family means a family whose head, spouse, or sole member is a person with disabilities; or two or more persons with disabilities living together; or one or more persons with disabilities living with one or more live-in aides.

* * * * *
Elderly family means a family whose head, spouse, or sole member is a person who is at least 62 years of age; or two or more persons who are at least 62 years of age living together; or one or more persons who are at least 62 years of age living with one or more live-in aides.

§5.405 Basic eligibility; preference over single persons; and housing assistance limitation for single persons.

(a) Basic eligibility. An applicant must meet all of the eligibility requirements of the housing assistance for which an application is made in order to obtain the housing assistance. At a minimum, the applicant must be a family, and must be income-eligible. Eligible applicants include single persons who are not elderly persons, or displaced persons, or persons with disabilities.

(b) Preference over single persons. An applicant that is a one- or two-person elderly, disabled or displaced family, must be given a preference over an applicant that is a single person who is not an elderly or displaced person, or a person with disabilities, regardless of the applicant’s Federal or local preferences.

(c) Housing assistance limitation for single persons. A single person who is not an elderly or displaced person, or a person with disabilities, or the remaining member of a tenant family may not be provided:

(1) For public housing and other project-based assistance, a housing unit with two or more bedrooms; or

(2) For tenant-based assistance, housing assistance for which the family unit size as determined by the HA subsidy standard exceeds the one bedroom level.

(d) This section shall not apply to the Section 8 Moderate Rehabilitation Program for Single Room Occupancy Dwellings for Homeless Individuals set forth at 24 CFR part 882, subpart H.

§5.410 Selection preferences.

(a) Applicability. The selection preferences that are described in this part are applicable to public housing and housing assisted under the Section 8 Housing Assistance Payments program. (Corresponding provisions applicable to the Indian housing program are found in 24 CFR part 950.) These preferences are administered by the entity responsible for admission functions in the programs covered ("responsible entity"), i.e., the public housing agency ("HA") in the public housing and Section 8 Certificate/Voucher and Moderate Rehabilitation programs and the owner in all other Section 8 programs.

(b) Types of preference. There are three types of admission preferences:

(1) "Federal preferences" are admission preferences for three categories of
families, as prescribed in 42 U.S.C. 1437d(c)(4)(A), 1437f(d)(1)(A), 1437f(o)(3), and 1437f note. Federal preference is given for selection of families that are:

(i) Involuntarily displaced;
(ii) Living in substandard housing (including families that are homeless or living in a shelter for the homeless); or

(iii) Paying more than 50 percent of family income for rent.

(2) “Ranking preferences” are preferences that may be established by the responsible entity to use in selecting among applicants that qualify for federal preferences.

(3) “Local preferences” are preferences for use in selecting among applicants without regard to their federal preference status. (See 42 U.S.C. 1437d(c)(4)(A), 1437f(d)(1)(A), 1437f(o)(3), and 1437f note.)

(c) System. In the Section 8 programs other than the Certificate/Voucher and Moderate Rehabilitation programs, the owner must establish a system for selection of applicants from the waiting list that includes the following:

(1) How the federal preferences will be used;
(2) How any ranking preferences will be used;
(3) How any local preferences will be used; and
(4) How any residency preference will be used.

(d) Use of preference in selection process—(1) Factors other than federal and local preferences—(i) Characteristics of the unit. For developments administered under the Section 8 programs and for public housing, the responsible entity may, in selecting a family for a particular unit, match other characteristics of the applicant family with the type of unit available, e.g., number of bedrooms. In selection of a family for a unit that has special accessibility features, the responsible entity must give preference to families that include persons with disabilities who can benefit from those features of the unit (see 24 CFR 8.27 and 24 CFR 100.202(c)(3)). Also, in selection of a family for a unit in a mixed population project, the responsible entity will give preference to elderly families and disabled families (see subpart D of part 960 or §880.612a or §881.612a of this title).

(ii) Local preference admissions. (i) Local preferences may be adopted or amended by an HA to respond to local housing needs and priorities after the HA has conducted a public hearing.

(ii) For Section 8 programs other than the Section 8 Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs operated under 24 CFR part 962, 982, and 882, respectively, if the owner wants to use preferences to select among applicants without regard to their federal preference status, it must use the local preference system adopted for use in the Section 8 Certificate/Voucher programs by the housing agency for the jurisdiction. If there is more than one HA for the jurisdiction, the owner shall use the local preference system of the HA for the lowest level of government that has jurisdiction where the project is located. For the public housing program, the HA may use a local preference system it adopts for that program.

(iii) In the Section 8 programs other than the Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs operated under 24 CFR parts 962, 982, and 882, respectively, before an owner implements the HA’s local preferences, the owner must receive approval from the HUD Field Office. HUD shall review these preferences to ensure that they are applicable to any tenant eligibility limitations for the subject housing and that they are consistent with HUD requirements pertaining to nondiscrimination and the Affirmative Fair Housing Marketing objectives. If HUD determines that the local preferences are in violation of those requirements, the owner will not be permitted to admit applicants on the basis of any local preferences.

(iv) In any year, the number of families given preference in admission pursuant to a local preference over families with a federal preference may not exceed the local preference limit. “Local preference limit” means the following:

(A) For an HA’s Section 8 Certificate/Voucher program operated under 24 CFR part 962, ten percent of annual waiting list admissions;
(B) For an HA’s public housing program, fifty percent of annual admissions;

(C) For an HA’s Section 8 Moderate Rehabilitation program, thirty percent of annual admissions;

(D) For Section 8 New Construction, Substantial Rehabilitation, and Loan Management/Property Disposition projects, thirty percent of annual admissions to each project; and

(E) For the Section 8 Project-Based Certificate program, thirty percent of total annual waiting list admissions to the HA’s Project-Based Certificate program (including admissions pursuant to 24 CFR 983.203(c)(3)).

(3) Prohibition of preference if applicant was evicted for drug-related criminal activity. With respect to the Section 8 Certificate, Voucher, Loan Management, and Property Disposition programs and the public housing program, the HA may not give a preference (federal preference, local preference, or ranking preference) to an applicant if any member of the family is a person who was evicted during the past three years from housing assisted under a 1937 Housing Act program because of drug-related criminal activity. However, the HA may give an admission preference in any of the following cases:

(i) If the HA determines that the evicted person has successfully completed a rehabilitation program approved by the HA;

(ii) If the HA determines that the evicted person clearly did not participate in or know about the drug-related criminal activity; or

(iii) If the HA determines that the evicted person no longer participates in any drug-related criminal activity.

(4) Retention of federal preference status. With respect to determining the preference status of an applicant for the Section 8 Certificate/Voucher programs, an applicant who is receiving tenant-based assistance under the HOME program (24 CFR part 92) and an applicant who resides in public or Indian housing of the same HA (and was on the tenant-based program waiting list when admitted to the HA’s public or Indian housing on or after April 26, 1993), the HA determines whether the applicant qualifies for federal preference based on the situation of the applicant at the time the applicant began to receive tenant-based assistance under the HOME program or was admitted to the HA’s public or Indian housing program (beginning of initial public or Indian housing lease).

(e) Income-based admission. (1) In public housing, the HA may only give preference to select a relatively higher income family for admission if the preference is pursuant to a “local preference” admission. (For other income-related restrictions on selection, see 24 CFR 913.105.)

(2) In Section 8 programs, the responsible entity may not select a family for admission in an order different from the order on the waiting list for the purpose of selecting a relatively higher income family for admission.

(f) Informing applicants about admission preferences. (1) The responsible entity must inform all applicants about available preferences and must give applicants an opportunity to show that they qualify for available preferences (federal preference, ranking preference, or local preference).

(2) If the responsible entity determines that the notification to all applicants on a waiting list required by paragraph (f)(1) of this section is impracticable because of the length of the list, the responsible entity may provide this notification to fewer than all applicants on the list at any given time. The responsible entity must, however, have notified a sufficient number of applicants at any given time that, on the basis of the entity’s determination of the number of applicants on the waiting list who already claim a federal preference and the anticipated number of project admissions:

(i) There is an adequate pool of applicants who are likely to qualify for a federal preference; and

(ii) It is unlikely that, on the basis of the responsible entity’s framework for applying the preferences under paragraph (c) of this section and the federal preferences claimed by those already on the waiting list, any applicant who has not been so notified would receive assistance before those who have received notification.

(g) Notice and opportunity for a meeting where preference is denied. (1) If the
§ 5.415  Federal preferences: General.

(i) Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the implementing regulations at 24 CFR part 1;
(ii) The Fair Housing Act (42 U.S.C. 3601–3619) and the implementing regulations at 24 CFR parts 100, 108, 109, and 110;
(iii) Executive Order 11063 on Equal Opportunity in Housing and the implementing regulations at 24 CFR part 107;
(iv) Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and the implementing regulations at 24 CFR part 8;
(v) The Age Discrimination Act of 1975 (42 U.S.C. 6101–6107) and the implementing regulations at 24 CFR part 146; and
(vi) The Americans with Disabilities Act (42 U.S.C. 12101–12213) to the extent applicable.

(b) Ranking preferences: selection among federal preference holders. The responsible entity’s system of administering the federal preferences (its admission policy, in the case of the Section 8 Certificate/Voucher programs) may provide for use of ranking preference for selecting among applicants who qualify for federal preference.

(1) The responsible entity may give preference to working families—so long as the prohibition of §5.410 against selection based on income and the nondiscrimination provisions that protect against discrimination on the basis of age or disability are not violated. (If a

(2) The applicant may exercise other rights if the applicant believes that the applicant has been discriminated against on the basis of race, color, religion, sex, national origin, age, disability or familial status.

(h) Residency preferences. A “residency preference” is a preference for admission of families that reside anywhere in a specified “residency preference area.” A residency preference may be used as a ranking or local preference.

(1) Section 8 programs other than Certificate/Voucher and Project-Based Certificate. In these developments, local residency requirements are prohibited.

(2) Section 8 Certificate/Voucher and Project-Based Certificate programs. Any residency preference must be approved by HUD.

(i) A county or municipality may be used as a residency preference area.

(ii) An area smaller than a county or municipality may not be used as a residency preference area.

(3) All projects. With respect to any residency preference, applicants who are working or who have been notified that they are hired to work in the residency preference area shall be treated as residents of the residency preference area. A residency preference may not be based on how long the applicant has resided in or worked in the residency preference area.

(i) Nondiscrimination. (1) Any selection preferences must be established and administered in accordance with the following authorities:
responsible entity adopts such a preference, it may not give greater weight to an applicant based on the amount of employment income, and an applicant household shall be given the benefit of the preference if the head and spouse, or sole member, are age 62 or older or are receiving social security disability, supplemental security income disability benefits, or any other payments based on an individual’s inability to work.) A responsible entity may give preference to graduates of, as well as active participants in, educational and training programs that are designed to prepare individuals for the job market. The responsible entity also may use the housing agency’s “local preferences” for the Section 8 Certificate and Voucher programs to rank federal preference holders.

(2) The ranking preferences may give different weight to the federal preferences, through such means as:

(i) Aggregating the federal preferences (e.g., provide that two federal preferences outweigh one);

(ii) Giving greater weight to holders of a particular category of federal preference; or

(iii) Giving greater weight to a federal preference holder who fits a particular category of federal preference.

(c) Qualifying for a federal preference—

(1) Certification of preference. An applicant may claim qualification for a federal preference by certifying to the responsible entity that the family qualifies for federal preference. The responsible entity must accept this certification, unless the responsible entity verifies that the applicant is not qualified for federal preference.

(2) Verification of preference. (i) Before admitting an applicant on the basis of a federal preference, the responsible entity must require the applicant to provide information needed by the responsible entity to verify that the applicant qualifies for a federal preference because of the applicant’s current status. The applicant’s current status must be determined without regard to whether there has been a change in the applicant’s qualification for a federal preference between the time of application and selection for admission, including a change from one federal preference category to another.

(ii) In the case of Section 8 programs other than the Section 8 Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs, the owner must use the verification procedures specified in §5.420(c) (involuntary displacement); §5.425(c) (substandard housing); and §5.430(b) (rent burden). In the case of the Section 8 Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs and the public housing program, the HA may adopt its own verification procedure.

(iii) Once the responsible entity has verified an applicant’s qualification for a federal preference, the responsible entity need not require the applicant to provide information needed by the responsible entity to verify such qualification again unless:

(A) The responsible entity determines reverification is desirable because a long time has passed since verification; or

(B) The responsible entity has reasonable grounds to believe that the applicant no longer qualifies for a federal preference.

(3) Effect of current residence in assisted housing. No applicant is to be denied a federal preference for which the family otherwise qualifies on the basis that the applicant already resides in assisted housing; for example, the actual condition of the housing unit must be considered, or the possibility of involuntary displacement resulting from domestic violence must be evaluated.

(d) Approval of special conditions satisfying preference definitions. With respect to Section 8 programs other than the Section 8 Certificate/Voucher, Project-Based Certificate and Moderate Rehabilitation programs, HUD may specify additional conditions under which the federal preferences, as described in §§5.420, 5.425, and 5.430, can be satisfied. In such cases, appropriate certification of qualification must be provided. (See HUD Handbook 4350.3, which is available at HUD field offices.)

EFFECTIVE DATE NOTE: At 65 FR 16716, Mar. 29, 2000, §5.415 was removed, effective Apr. 28, 2000.
§ 5.420 Federal preference: Involuntary displacement.

(a) How applicant qualifies for displacement preference. (See § 5.415(a)(2) and (c)(2)(ii) for applicability of this section to the Section 8 Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs and the public housing program.)

(b) Meaning of involuntary displacement.

An applicant is or will be involuntarily displaced if action by a housing owner forces the applicant to vacate its unit, reasons for which include, but are not limited to, conversion of an applicant's housing unit to non-rental or non-residential use; closing of an applicant's housing unit for rehabilitation or other reason; notice to an applicant that the unit must be vacated because the owner wants to move in; or any other legally authorized act that results or will result in vacating a unit by a tenant as a result of actions taken by the tenant because the tenant refuses:

(A) To comply with HUD program policies and procedures for the occupancy of under-occupied or overcrowded units; or
(B) To accept a transfer to another housing unit in accordance with a court decree or in accordance with policies and procedures under a HUD-approved desegregation plan.

(3) Displacement by action of housing owner. (i) Action by a housing owner forces the applicant to vacate its unit.
(ii) An applicant does not qualify as involuntarily displaced because action by a housing owner forces the applicant to vacate its unit unless:
(A) The applicant cannot control or prevent the owner's action;
(B) The owner action occurs although the applicant met all previously imposed conditions of occupancy; and
(C) The action taken by the owner is other than a rent increase.

(iii) To qualify as involuntarily displaced because action by a housing owner forces the applicant to vacate its unit, reasons for which include, but are not limited to, conversion of an applicant's housing unit to non-rental or non-residential use; closing of an applicant's housing unit for rehabilitation or other reason; notice to an applicant that the unit must be vacated because the owner wants to move in; or any other legally authorized act that results or will result in vacating a unit by a tenant as a result of actions taken by the tenant because the tenant refuses:
(A) To comply with HUD program policies and procedures for the occupancy of under-occupied or overcrowded units; or
(B) To accept a transfer to another housing unit in accordance with a court decree or in accordance with policies and procedures under a HUD-approved desegregation plan.

(iv) Such reasons do not include the vacating of a unit by a tenant as a result of actions taken by the tenant because the tenant refuses:
(A) To comply with HUD program policies and procedures for the occupancy of under-occupied or overcrowded units; or
(B) To accept a transfer to another housing unit in accordance with a court decree or in accordance with policies and procedures under a HUD-approved desegregation plan.

(4) Displacement by domestic violence. (i) An applicant is involuntarily displaced if:
(A) The applicant has vacated a housing unit because of domestic violence; or
(B) The applicant lives in a housing unit with a person who engages in domestic violence.
Office of the Secretary, HUD

§ 5.420

(ii) “Domestic violence” means actual or threatened physical violence directed against one or more members of the applicant family by a spouse or other member of the applicant’s household.

(iii) To qualify as involuntarily displaced because of domestic violence:

(A) The responsible entity must determine, in accordance with HUD’s administrative instructions, that the domestic violence occurred recently or is of a continuing nature; and

(B) The applicant must certify that the person who engaged in such violence will not reside with the applicant family unless the responsible entity has given advance written approval. If the family is admitted, the responsible entity may deny or terminate assistance to the family for breach of this certification.

(5) Displacement to avoid reprisals. (i) An applicant family is involuntarily displaced if:

(A) Family members provided information on criminal activities to a law enforcement agency; and

(B) Based on a threat assessment, a law enforcement agency recommends rehousing the family to avoid or minimize a risk of violence against family members as a reprisal for providing such information.

(ii) The responsible entity may establish appropriate safeguards to conceal the identity of families requiring protection against such reprisals.

(6) Displacement by hate crimes. (i) An applicant is involuntarily displaced if:

(A) One or more members of the applicant’s family have been the victim of one or more hate crimes; and

(B) The applicant has vacated a housing unit because of such crime, or the fear associated with such crime has destroyed the applicant’s peaceful enjoyment of the unit.

(ii) “Hate crime” means actual or threatened physical violence or intimidation that is directed against a person or his or her property and that is based on the person’s race, color, religion, sex, national origin, handicap, or familial status.

(iii) The responsible entity must determine, in accordance with HUD’s administrative instructions, that the hate crime involved occurred recently or is of a continuing nature.

(7) Displacement by inaccessibility of unit. An applicant is involuntarily displaced if:

(i) A member of the family has a mobility or other impairment that makes the person unable to use critical elements of the unit; and

(ii) The owner is not legally obligated to make the changes to the unit that would make critical elements accessible to the disabled person as a reasonable accommodation.

(8) Displacement because of HUD disposition of multifamily project. Involuntary displacement includes displacement because of disposition of a multifamily rental housing project by HUD under section 203 of the Housing and Community Development Amendments of 1978.

(c) Involuntary displacement preference: Verification. A private owner’s verification of an applicant’s involuntary displacement is established by the following documentation:

(1) Displacement by disaster. Certification, in a form prescribed by the Secretary, from a unit or agency of government that an applicant has been or will be displaced as a result of a disaster that results in the uninhabitability of an applicant’s unit.

(2) Displacement by government action. Certification, in a form prescribed by the Secretary, from a unit or agency of government that an applicant has been or will be displaced by activity carried on by an agency of the United States or by any State or local governmental body or agency in connection with code enforcement or a public improvement or development program.

(3) Displacement by owner action. Certification, in a form prescribed by the Secretary, from an owner or owner’s agent that an applicant had to or will have to vacate a unit by a date certain because of owner action.

(4) Displacement because of domestic violence. Certification, in a form prescribed by the Secretary, of displacement because of domestic violence from the local police department, social services agency, or court of competent jurisdiction, or a clergyman, physician, or public or private facility
§ 5.425 Federal preference: Substandard housing.

(a) When unit is substandard. (See §5.415(a)(2) and (c)(2)(ii) for applicability of this section to the Section 8 Certificate/Voucher, Project-Based Certificate, Moderate Rehabilitation programs and the public housing program.) A unit is substandard if it:

1. Is dilapidated;
2. Does not have operable indoor plumbing;
3. Does not have a usable flush toilet inside the unit for the exclusive use of a family;
4. Does not have a usable bathtub or shower inside the unit for the exclusive use of a family;
5. Does not have electricity, or has inadequate or unsafe electrical service;
6. Does not have a safe or adequate source of heat;
7. Should, but does not, have a kitchen; or
8. Has been declared unfit for habitation by an agency or unit of government.

(b) Other definitions—(1) Dilapidated unit. A housing unit is dilapidated if:

i. The unit does not provide safe and adequate shelter, and in its present condition endangers the health, safety, or well-being of a family; or

ii. The unit has one or more critical defects, or a combination of intermediate defects in sufficient number or extent to require considerable repair or rebuilding. The defects may involve original construction, or they may result from continued neglect or lack of repair or from serious damage to the structure.

(2) Homeless family. (i) An applicant that is a “homeless family” is considered to be living in substandard housing.

(ii) A “homeless family” includes:

(A) Any person or family that lacks a fixed, regular, and adequate nighttime residence; and

(B) Any person or family that has a primary nighttime residence that is:

1. A supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing);
2. An institution that provides a temporary residence for individuals intended to be institutionalized; or
3. A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

(iii) A “homeless family” does not include any person imprisoned or otherwise detained pursuant to an Act of Congress or a State law.

(3) Status of SRO housing. In determining whether an individual living in single room occupancy (SRO) housing qualifies for federal preference, SRO housing is not considered substandard solely because it does not contain sanitary or food preparation facilities.

(c) Substandard housing preference: verification. The following provisions are applicable to private owners:

1. Verification that an applicant is living in substandard housing consists of certification, in a form prescribed by the Secretary, from a unit or agency of government or from an applicant’s present landlord that the applicant’s unit is “substandard housing” (as described in this section).

2. In the case of a “homeless family” (as described in this section), verification consists of certification, in a form prescribed by the Secretary, of
§ 5.430 Federal preference: Rent burden.

(a) Rent burden preference: how determined. (See § 5.415(a)(2) and (c)(2)(ii) for applicability of this section to the Section 8 Certificate/Voucher, Project-Based Certificate, and Moderate Rehabilitation programs and the public housing program.)

(1) “Rent burden preference” means the federal preference for admission of applicants that pay more than 50 percent of family income for rent.

(2) For purposes of determining whether an applicant qualifies for the rent burden preference:
   (i) “Family income” means Monthly Income, as defined in 24 CFR 813.102.
   (ii) “Rent” means:
      (A) The actual monthly amount due under a lease or occupancy agreement between a family and the family’s current landlord; and
      (B) For utilities purchased directly by tenants from utility providers:
          (1) The utility allowance for family-purchased utilities and services that is used in the HA tenant-based program; or
          (2) If the family chooses, the average monthly payments that the family actually made for utilities and other housing services, the owner must require the family to provide copies of the appropriate bills or receipts,

(b) Rent burden preference: verification of income and rent. The owner must verify that an applicant is paying more than 50 percent of family income for rent, as follows:

   (1) How to verify income. The owner must verify a family’s income by using the standards and procedures that it uses to verify family income under 24 CFR part 813.

   (2) How to verify rent. The owner must verify the amount due to the family’s landlord (or cooperative) under the lease or occupancy agreement:
      (i) By requiring the family to furnish copies of its most recent rental (or cooperative charges) receipts (which may include canceled checks or money order receipts) or a copy of the family’s current lease or occupancy agreement; or
      (ii) By contacting the landlord (or cooperative) or its agent directly.

(3) Utilities. To verify the actual amount that a family paid for utilities and other housing services, the owner must require the family to provide copies of the appropriate bills or receipts,
§ 5.500 Applicability.

(a) Covered programs/assistance. This subpart E implements Section 214 of the Housing and Community Development Act of 1980, as amended (42 U.S.C. 1436a). Section 214 prohibits HUD from making financial assistance available to persons who are not in eligible status with respect to citizenship or non-citizen immigration status. This subpart E is applicable to financial assistance provided under:

1. Section 235 of the National Housing Act (12 U.S.C. 1715z) (the Section 235 Program);
2. Section 236 of the National Housing Act (12 U.S.C. 1715z-1) (tenants paying below market rent only) (the Section 236 Program);
3. Section 101 of the Housing and Urban Development Act of 1965 (12 U.S.C. 1701s) (the Rent Supplement Program); and
4. The United States Housing Act of 1937 (42 U.S.C. 1437 et seq.) which covers:
   (i) HUD’s Public Housing Programs;
   (ii) The Section 8 Housing Assistance Programs; and
   (iii) The Housing Development Grant Programs (with respect to low income units only).

(b) Covered individuals and entities—(1) Covered individuals/persons and families. The provisions of this subpart E apply to both applicants for assistance and persons already receiving assistance covered under this subpart E.

(2) Covered entities. The provisions of this subpart E apply to Public Housing Agencies (PHAs), project (or housing) owners, and mortgagees under the Section 235 Program. The term “responsible entity” is used in this subpart E to refer collectively to these entities, and is further defined in §5.504.

§ 5.502 Requirements concerning documents.

For any notice or document (decision, declaration, consent form, etc.) that this subpart E requires the responsible entity to provide to an individual, or requires the responsible entity to obtain the signature of an individual, the responsible entity, where feasible, must arrange for the notice or document to be provided to the individual in a language that is understood by the individual if the individual is not proficient in English. (See 24 CFR 8.6 of HUD’s regulations for requirements concerning communications with persons with disabilities.)

§ 5.504 Definitions.

(a) The definitions 1937 Act, HUD, Public Housing Agency (PHA), and Section 8 are defined in subpart A of this part.

(b) As used in this subpart E:

Child means a member of the family other than the family head or spouse who is under 18 years of age.

Citizen means a citizen or national of the United States.

Evidence of citizenship or eligible status means the documents which must be submitted to evidence citizenship or eligible immigration status. (See §5.508(b).)

Family has the same meaning as provided in the program regulations of the relevant Section 214 covered program.

Head of household means the adult member of the family who is the head of the household for purposes of determining income eligibility and rent.

Housing covered programs means the following programs administered by the Assistant Secretary for Housing:

1. Section 235 of the National Housing Act (12 U.S.C. 1715z) (the Section 235 Program);
2. Section 236 of the National Housing Act (12 U.S.C. 1715z-1) (tenants paying below market rent only) (the Section 236 Program); and

Project owner means the person or entity that owns the housing project containing the assisted dwelling unit.

Public Housing covered programs means the public housing programs administered by the Assistant Secretary for Public and Indian Housing under title I of the 1937 Act. This definition does not encompass HUD’s Indian Housing programs administered under title II of the 1937 Act. Further, this term does not include those programs providing assistance under section 8 of the 1937 Act. (See definition of “Section 8 Covered Programs” in this section.)

Responsible entity means the person or entity responsible for administering the restrictions on providing assistance to noncitizens with ineligible immigration status. The entity responsible for administering the restrictions on providing assistance to noncitizens with ineligible immigration status under the various covered programs is as follows:

(1) For the Section 235 Program, the mortgagor.
(2) For Public Housing, the Section 8 Rental Certificate, the Section 8 Rental Voucher, and the Section 8 Moderate Rehabilitation programs, the PHA administering the program under an ACC with HUD.
(3) For all other Section 8 programs, the Section 236 Program, and the Rent Supplement Program, the owner.

Section 8 covered programs means all HUD programs which assist housing under Section 8 of the 1937 Act, including Section 8-assisted housing for which loans are made under section 202 of the Housing Act of 1959.

Section 214 covered programs is the collective term for the HUD programs to which the restrictions imposed by Section 214 apply. These programs are set forth in §5.500.

Tenant means an individual or a family renting or occupying an assisted dwelling unit. For purposes of this subpart E, the term tenant will also be used to include a homebuyer, where appropriate.

§ 5.506 General provisions.
(a) Restrictions on assistance. Financial assistance under a Section 214 covered program is restricted to:
(1) Citizens; or
(2) Noncitizens who have eligible immigration status under one of the categories set forth in Section 214 (see 42 U.S.C. 1436a(a)).
(b) Family eligibility for assistance. (1) A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, as described in paragraph (a) of this section, or unless the family meets the conditions set forth in paragraph (b)(2) of this section.
(2) Despite the ineligibility of one or more family members, a mixed family may be eligible for one of the three types of assistance provided in §§5.516 and 5.518. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance as provided in §§5.516 and 5.518.

§ 5.508 Submission of evidence of citizenship or eligible immigration status.
(a) General. Eligibility for assistance or continued assistance under a Section 214 covered program is contingent upon a family’s submission to the responsible entity of the documents described in paragraph (b) of this section for each family member. If one or more family members do not have citizenship or eligible immigration status, the
family members may exercise the election not to contend to have eligible immigration status as provided in paragraph (e) of this section, and the provisions of §§ 5.516 and 5.51B shall apply.

(b) Evidence of citizenship or eligible immigration status. Each family member, regardless of age, must submit the following evidence to the responsible entity.

(1) For U.S. citizens or U.S. nationals, the evidence consists of a signed declaration of U.S. citizenship or U.S. nationality. The responsible entity may request verification of the declaration by requiring presentation of a United States passport or other appropriate documentation, as specified in HUD guidance.

(2) For noncitizens who are 62 years of age or older and receiving assistance under a Section 214 covered program on September 30, 1996 or applying for assistance on or after that date, the evidence consists of:

(i) A signed declaration of eligible immigration status; and

(ii) Proof of age document.

(3) For all other noncitizens, the evidence consists of:

(i) A signed declaration of eligible immigration status;

(ii) One of the INS documents referred to in § 5.510; and

(iii) A signed verification consent form.

(c) Declaration. (1) For each family member who contends that he or she is a U.S. citizen or a noncitizen with eligible immigration status, the family must submit to the responsible entity a written declaration, signed under penalty of perjury, by which the family member declares whether he or she is a U.S. citizen or a noncitizen with eligible immigration status.

(i) For each adult, the declaration must be signed by the adult.

(ii) For each child, the declaration must be signed by an adult residing in the assisted dwelling unit who is responsible for the child.

(2) For Housing covered programs: The written declaration may be incorporated as part of the application for housing assistance or may constitute a separate document.

(d) Verification consent form—(1) Who signs. Each noncitizen who declares eligible immigration status (except certain noncitizens who are 62 years of age or older as described in paragraph (b)(2) of this section) must sign a verification consent form as follows.

(i) For each adult, the form must be signed by the adult.

(ii) For each child, the form must be signed by an adult residing in the assisted dwelling unit who is responsible for the child.

(2) Notice of release of evidence by responsible entity. The verification consent form shall provide that evidence of eligible immigration status may be released by the responsible entity without responsibility for the further use or transmission of the evidence by the entity receiving it to:

(i) HUD, as required by HUD; and

(ii) The INS for purposes of verification of the immigration status of the individual.

(3) Notice of release of evidence by HUD. The verification consent form also shall notify the individual of the possible release of evidence of eligible immigration status by HUD. Evidence of eligible immigration status shall only be released to the INS for purposes of establishing eligibility for financial assistance and not for any other purpose. HUD is not responsible for the further use or transmission of the evidence or other information by the INS.

(e) Individuals who do not contend that they have eligible status. If one or more members of a family elect not to contend that they have eligible immigration status, and other members of the family establish their citizenship or eligible immigration status, the family may be eligible for assistance under §§ 5.516 and 5.51B, or § 5.520, despite the fact that no declaration or documentation of eligible status is submitted for one or more members of the family. The family, however, must identify in writing to the responsible entity, the family member (or members) who will elect not to contend that he or she has eligible immigration status.

(f) Notification of requirements of Section 214—(1) When notice is to be issued. Notification of the requirement to submit evidence of citizenship or eligible immigration status—
immigration status, as required by this section, or to elect not to contend that one has eligible status as provided by paragraph (e) of this section, shall be given by the responsible entity as follows:

(i) Applicant's notice. The notification described in paragraph (f) (1) of this section shall be given to each applicant at the time of application for assistance. Applicants whose applications are pending on June 19, 1995, shall be notified of the requirement to submit evidence of eligible status as soon as possible after June 19, 1995.

(ii) Notice to tenants. The notification described in paragraph (f) (1) of this section shall be given to each tenant at the time of, and together with, the responsible entity's notice of regular reexamination of income, but not later than one year following June 19, 1995.

(iii) Timing of mortgagor's notice. A mortgagor receiving Section 235 assistance must be provided the notification described in paragraph (f)(1) of this section and any additional requirements imposed under the Section 235 Program.

(2) Form and content of notice. The notice shall:

(i) State that financial assistance is contingent upon the submission and verification, as appropriate, of evidence of citizenship or eligible immigration status as required by paragraph (a) of this section;

(ii) Describe the type of evidence that must be submitted, and state the time period in which that evidence must be submitted (see paragraph (g) of this section concerning when evidence must be submitted); and

(iii) State that assistance will be prorated, denied or terminated, as appropriate, upon a final determination of ineligibility after all appeals have been exhausted (see §5.514 concerning INS appeal, and informal hearing process) or, if appeals are not pursued, at a time to be specified in accordance with HUD requirements. Tenants also shall be informed of how to obtain assistance under the preservation of families provisions of §§5.516 and 5.518.

(g) When evidence of eligible status is required to be submitted. The responsible entity shall require evidence of eligible status to be submitted at the times specified in paragraph (g) of this section, subject to any extension granted in accordance with paragraph (h) of this section.

(1) Applicants. For applicants, responsible entities must ensure that evidence of eligible status is submitted not later than the date the responsible entity anticipates or has knowledge that verification of other aspects of eligibility for assistance will occur (see §§5.512(a)).

(2) Tenants. For tenants, evidence of eligible status is required to be submitted as follows:

(i) For financial assistance under a Section 214 covered program, with the exception of Section 235 assistance payments, the required evidence shall be submitted at the first regular reexamination after June 19, 1995, in accordance with program requirements.

(ii) For financial assistance in the form of Section 235 assistance payments, the mortgagor shall submit the required evidence in accordance with requirements imposed under the Section 235 Program.

(3) New occupants of assisted units. For any new occupant of an assisted unit (e.g., a new family member comes to reside in the assisted unit), the required evidence shall be submitted at the first interim or regular reexamination following the person's occupancy.

(4) Changing participation in a HUD program. Whenever a family applies for admission to a Section 214 covered program, evidence of eligible status is required to be submitted in accordance with the requirements of this subpart unless the family already has submitted the evidence to the responsible entity for a Section 214 covered program.

(5) One-time evidence requirement for continuous occupancy. For each family member, the family is required to submit evidence of eligible status only one time during continuously assisted occupancy under any Section 214 covered program.

(h) Extensions of time to submit evidence of eligible status—(1) When extension must be granted. The responsible entity shall extend the time, provided in paragraph (g) of this section, to submit evidence of eligible immigration status if the family member:
§ 5.510 Documents of eligible immigration status.

(a) General. The responsible entity shall request and review original documents of eligible immigration status. The responsible entity shall retain photocopies of the documents for its own records and return the original documents to the family.

(b) Acceptable evidence of eligible immigration status. Acceptable evidence of eligible immigration status shall be the original of a document designated by INS as acceptable evidence of immigration status in one of the six categories mentioned in § 5.506(a) for the specific immigration status claimed by the individual.

[61 FR 13616, Mar. 27, 1996, as amended at 61 FR 60538, Nov. 29, 1996; 64 FR 25731, May 12, 1999]

§ 5.512 Verification of eligible immigration status.

(a) General. Except as described in paragraph (b) of this section and § 5.514, no individual or family applying for assistance may receive such assistance prior to the verification of the eligibility of at least the individual or one family member. Verification of eligibility consistent with § 5.514 occurs when the individual or family members have submitted documentation to the responsible entity in accordance with § 5.508.

(b) PHA election to provide assistance before verification. A PHA that is a responsible entity under this subpart may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member.

(c) Primary verification—(1) Automated verification system. Primary verification of the immigration status of the person is conducted by the responsible entity through the INS automated system (INS Systematic Alien Verification for Entitlements (SAVE)). The INS SAVE system provides access to names, file numbers and admission numbers of noncitizens.

(2) Failure of primary verification to confirm eligible immigration status. If the INS SAVE system does not verify eligible immigration status, secondary verification must be performed.

(d) Secondary verification—(1) Manual search of INS records. Secondary verification is a manual search by the
INS of its records to determine an individual's immigration status. The responsible entity must request secondary verification, within 10 days of receiving the results of the primary verification, if the primary verification system does not confirm eligible immigration status, or if the primary verification system verifies immigration status that is ineligible for assistance under a Section 214 covered program.

(2) Secondary verification initiated by responsible entity. Secondary verification is initiated by the responsible entity forwarding photocopies of the original INS documents required for the immigration status declared (front and back), attached to the INS document verification request form G-845S (Document Verification Request), or such other form specified by the INS to a designated INS office for review. (Form G-845S is available from the local INS Office.)

(3) Failure of secondary verification to confirm eligible immigration status. If the secondary verification does not confirm eligible immigration status, the responsible entity shall issue the family the notice described in §5.514(d), which includes notification of the right to appeal to the INS of the INS finding on immigration status (see §5.514(d)(4)).

(e) Exemption from liability for INS verification. The responsible entity shall not be liable for any action, delay, or failure of the INS in conducting the automated or manual verification.

§5.514 Delay, denial, reduction or termination of assistance.

(a) General. Assistance to a family may not be delayed, denied, reduced or terminated because of the immigration status of a family member except as provided in this section.

(b) Restrictions on delay, denial, reduction or termination of assistance. (1) Restrictions on reduction, denial or termination of assistance for applicants and tenants. Assistance to an applicant or tenant shall not be delayed, denied, reduced, or terminated, on the basis of ineligible immigration status of a family member if:

(i) The primary and secondary verification of any immigration documents that were timely submitted has not been completed;

(ii) The family member for whom required evidence has not been submitted has moved from the assisted dwelling unit;

(iii) The family member who is determined not to be in an eligible immigration status following INS verification has moved from the assisted dwelling unit;

(iv) The INS appeals process under §5.514(e) has not been concluded;

(v) Assistance is prorated in accordance with §5.520; or

(vi) Assistance for a mixed family is continued in accordance with §§5.516 and 5.518; or

(vii) Deferral of termination of assistance is granted in accordance with §§5.516 and 5.518.

(2) Restrictions on delay, denial, reduction or termination of assistance pending fair hearing for tenants. In addition to the factors listed in paragraph (b)(1) of this section, assistance to a tenant cannot be delayed, denied, reduced or terminated until the completion of the informal hearing described in paragraph (f) of this section.

(c) Events causing denial or termination of assistance. (1) General. Assistance to an applicant shall be denied, and a tenant's assistance shall be terminated, in accordance with the procedures of this section, upon the occurrence of any of the following events:

(i) Evidence of citizenship (i.e., the declaration) and eligible immigration status is not submitted by the date specified in §5.508(g) or by the expiration of any extension granted in accordance with §5.508(h);

(ii) Evidence of citizenship and eligible immigration status is timely submitted, but INS primary and secondary verification does not verify eligible immigration status of a family member; and

(A) The family does not pursue INS appeal or informal hearing rights as provided in this section; or

(B) INS appeal and informal hearing rights are pursued, but the final appeal
or hearing decisions are decided against the family member; or

(iii) The responsible entity determines that a family member has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the public or assisted housing unit of the family member. Such termination shall be for a period of not less than 24 months. This provision does not apply to a family if the ineligibility of the ineligible individual was considered in calculating any proration of assistance provided for the family.

(2) Termination of assisted occupancy.

For termination of assisted occupancy, see paragraph (i) of this section.

(d) Notice of denial or termination of assistance.

The notice of denial or termination of assistance shall advise the family:

(1) That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance;

(2) That the family may be eligible for proration of assistance as provided under §5.520;

(3) In the case of a tenant, the criteria and procedures for obtaining relief under the provisions for preservation of families in §§5.514 and 5.518;

(4) That the family has a right to request an appeal to the INS of the results of secondary verification of immigration status and to submit additional documentation or a written explanation in support of the appeal. This material must include a copy of the INS document verification request form G-845S (used to process the secondary verification request) or such other form specified by the INS, and a cover letter indicating that the family is requesting an appeal of the INS immigration status verification results.

(3) Decision by INS—

(i) When decision will be issued.

The INS will issue to the family, with a copy to the responsible entity, a decision within 30 days of its receipt of documentation concerning the family's appeal of the verification of immigration status. If, for any reason, the INS is unable to issue a decision within the 30 day time period, the INS will inform the family and responsible entity of the reasons for the delay.

(ii) Notification of INS decision and informal hearing procedures.

When the responsible entity receives a copy of the INS decision, the responsible entity shall notify the family of its right to request an informal hearing on the responsible entity’s ineligibility determination in accordance with the procedures of paragraph (f) of this section.

(4) No delay, denial, reduction, or termination of assistance until completion of INS appeal process; direct appeal to INS.

Pending the completion of the INS appeal under this section, assistance may not be delayed, denied, reduced or terminated on the basis of immigration status.

(ii) Notification of INS decision and of informal hearing procedures.

When the responsible entity receives a copy of the INS decision, the responsible entity shall notify the family of its right to request an informal hearing on the responsible entity’s ineligibility determination in accordance with the procedures of paragraph (f) of this section.

(f) Informal hearing.

(1) When request for hearing is to be made. After notification of the INS decision on appeal, or in lieu of request of appeal to the INS,
the family may request that the responsible entity provide a hearing. This request must be made either within 30 days of receipt of the notice described in paragraph (d) of this section, or within 30 days of receipt of the INS appeal decision issued in accordance with paragraph (e) of this section.

(2) Informal hearing procedures—(i) Tenants assisted under a Section 8 covered program: For tenants assisted under a Section 8 covered program, the procedures for the hearing before the responsible entity are set forth in:

(A) For Section 8 Moderate Rehabilitation assistance: 24 CFR part 982;

(B) For Section 8 tenant-based assistance: 24 CFR part 982; or

(C) For Section 8 project-based certificate program: 24 CFR part 983.

(ii) Tenants assisted under any other Section 8 covered program or a Public Housing covered program: For tenants assisted under a Section 8 covered program not listed in paragraph (f)(3)(i) of this section or a Public Housing covered program, the procedures for the hearing before the responsible entity are set forth in 24 CFR part 966.

(iii) Families under Housing covered programs and applicants for assistance under all covered programs. For all families under Housing covered programs (applicants as well as tenants already receiving assistance) and for applicants for assistance under all covered programs, the procedures for the informal hearing before the responsible entity are as follows:

(A) Hearing before an impartial individual. The family shall be provided a hearing before any person(s) designated by the responsible entity (including an officer or employee of the responsible entity), other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision;

(B) Examination of evidence. The family shall be provided the opportunity to examine and copy at the individual’s expense, at a reasonable time in advance of the hearing, any documents in the possession of the responsible entity pertaining to the family’s eligibility status, or in the possession of the INS (as permitted by INS requirements), including any records and regulations that may be relevant to the hearing;

(C) Presentation of evidence and arguments in support of eligible status. The family shall be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings;

(D) Controverting evidence of the responsible entity. The family shall be provided the opportunity to controvert evidence relied upon by the responsible entity and to confront and cross-examine all witnesses on whose testimony or information the responsible entity relies;

(E) Representation. The family shall be entitled to be represented by an attorney, or other designee, at the family’s expense, and to have such person make statements on the family’s behalf;

(F) Interpretive services. The family shall be entitled to arrange for an interpreter to attend the hearing, at the expense of the family, or responsible entity, as may be agreed upon by the two parties to the proceeding; and

(G) Hearing to be recorded. The family shall be entitled to have the hearing recorded by audiotape (a transcript of the hearing may, but is not required to, be provided by the responsible entity).

(3) Hearing decision. The responsible entity shall provide the family with a written final decision, based solely on the facts presented at the hearing, within 14 days of the date of the informal hearing. The decision shall state the basis for the decision.

(g) Judicial relief. A decision against a family member, issued in accordance with paragraphs (e) or (f) of this section, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

(h) Retention of documents. The responsible entity shall retain for a minimum of 5 years the following documents that may have been submitted to the responsible entity by the family, or provided to the responsible entity as part of the INS appeal or the informal hearing process:
§ 5.516 Availability of preservation assistance to mixed families and other families.

(a) Assistance available for tenant mixed families—(1) General. Preservation assistance is available to tenant mixed families, following completion of the appeals and informal hearing procedures provided in § 5.514. There are three types of preservation assistance:

(i) Continued assistance (see paragraph (a) of § 5.518);

(ii) Temporary deferral of termination of assistance (see paragraph (b) of § 5.518); or

(iii) Prorated assistance (see § 5.520, a mixed family must be provided prorated assistance if the family so requests).

(2) Availability of assistance—(i) For Housing covered programs: One of the three types of assistance described is available to tenant mixed families assisted under a National Housing Act or 1965 HUD Act covered program, depending upon the family's eligibility for such assistance. Continued assistance must be provided to a mixed family that meets the conditions for eligibility for continued assistance.

(ii) For Section 8 or Public Housing covered programs. One of the three types of assistance described may be available to tenant mixed families assisted under a Section 8 or Public Housing covered program.

(b) Assistance available for applicant mixed families. Prorated assistance is also available for mixed families applying for assistance as provided in § 5.520.

(c) Assistance available to other families in occupancy. Temporary deferral of termination of assistance may be
available to families receiving assistance under a Section 214 covered program on June 19, 1995, and who have no members with eligible immigration status, as set forth in paragraphs (c)(1) and (2) of this section.

(1) For Housing covered programs: Temporary deferral of termination of assistance is available to families assisted under a Housing covered program.

(2) For Section 8 or Public Housing covered programs: The responsible entity may make temporary deferral of termination of assistance to families assisted under a Section 8 or Public Housing covered program.

(d) Section 8 covered programs: Discretion afforded to provide certain family preservation assistance—(1) Project owners. With respect to assistance under a Section 8 Act covered program administered by a project owner, HUD has the discretion to determine under what circumstances families are to be provided one of the two statutory forms of assistance for preservation of the family (continued assistance or temporary deferral of assistance). HUD is exercising its discretion by specifying the standards in this section under which a project owner must provide one of these two types of assistance to a family. However, project owners and PHAs must offer prorated assistance to eligible mixed families.

(2) PHAs. The PHA, rather than HUD, has the discretion to determine the circumstances under which a family will be offered one of the two statutory forms of assistance (continued assistance or temporary deferral of termination of assistance). The PHA must establish its own policy and criteria to follow in making its decision. In establishing the criteria for granting continued assistance or temporary deferral of termination of assistance, the PHA must incorporate the statutory criteria, which are set forth in paragraphs (a) and (b) of §5.518. However, the PHA must offer prorated assistance to eligible families.

§5.518 Types of preservation assistance available to mixed families and other families.

(a) Continued assistance. (1) General. A mixed family may receive continued housing assistance if all of the following conditions are met (a mixed family assisted under a Housing covered program must be provided continued assistance if the family meets the following conditions):

(i) The family was receiving assistance under a Section 214 covered program on June 19, 1995;
(ii) The family’s head of household or spouse has eligible immigration status as described in §5.506; and
(iii) The family does not include any person (who does not have eligible immigration status) other than the head of household, any spouse of the head of household, any parents of the head of household, any parents of the spouse, or any children of the head of household or spouse.

(2) Proration of continued assistance. A family entitled to continued assistance before November 29, 1996 is entitled to continued assistance as described in paragraph (a) of this section. A family entitled to continued assistance after November 29, 1996 shall receive prorated assistance as described in §5.520.

(b) Temporary deferral of termination of assistance—(1) Eligibility for this type of assistance. If a mixed family qualifies for prorated assistance (and does not qualify for continued assistance), but decides not to accept prorated assistance, or if a family has no members with eligible immigration status, the family may be eligible for temporary deferral of termination of assistance if necessary to permit the family additional time for the orderly transition of those family members with ineligible status, and any other family members involved, to other affordable housing. Other affordable housing is used in the context of transition of an ineligible family from a rent level that reflects HUD assistance to a rent level that is unassisted; the term refers to housing that is not substandard, that is of appropriate size for the family and that can be rented for an amount not exceeding the amount that the family pays for rent, including utilities, plus 25 percent.
24 CFR Subtitle A (4–1–00 Edition)

§ 5.518

(2) Housing covered programs: Conditions for granting temporary deferral of termination of assistance. The responsible entity shall grant a temporary deferral of termination of assistance to a mixed family if the family is assisted under a Housing covered program and one of the following conditions is met:

(i) The family demonstrates that reasonable efforts to find other affordable housing of appropriate size have been unsuccessful (for purposes of this section, reasonable efforts include seeking information from, and pursuing leads obtained from the State housing agency, the city government, local newspapers, rental agencies and the owner);

(ii) The vacancy rate for affordable housing of appropriate size is below five percent in the housing market for the area in which the project is located; or

(iii) The consolidated plan, as described in 24 CFR part 91 and if applicable to the covered program, indicates that the local jurisdiction’s housing market lacks sufficient affordable housing opportunities for households having a size and income similar to the family seeking the deferral.

(3) Time limit on deferral period. If temporary deferral of termination of assistance is granted, the deferral period shall be for an initial period not to exceed six months. The initial period may be renewed for additional periods of six months, but the aggregate deferral period for deferrals provided after November 29, 1996 shall not exceed a period of eighteen months. The aggregate deferral period for deferrals granted prior to November 29, 1996 shall not exceed 3 years. These time periods do not apply to a family which includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under section 208 of that Act.

(4) Notification requirements for beginning of each deferral period. At the beginning of each deferral period, the responsible entity must inform the family of its ineligibility for financial assistance and offer the family information concerning, and referrals to assist in finding, other affordable housing.

(5) Determination of availability of affordable housing at end of each deferral period. (i) Before the end of each deferral period, the responsible entity must satisfy the applicable requirements of either paragraph (b)(5)(i)(A) or (B) of this section. Specifically, the responsible entity must:

(A) For Housing covered programs: Make a determination that one of the two conditions specified in paragraph (b)(2) of this section continues to be met (note: affordable housing will be determined to be available if the vacancy rate is five percent or greater), the owner’s knowledge and the tenant’s evidence indicate that other affordable housing is available; or

(B) For Section 8 or Public Housing covered programs: Make a determination of the availability of affordable housing of appropriate size based on evidence of conditions which when taken together will demonstrate an inadequate supply of affordable housing for the area in which the project is located, the consolidated plan (if applicable, as described in 24 CFR part 91), the responsible entity’s own knowledge of the availability of affordable housing, and on evidence of the tenant family’s efforts to locate such housing.

(ii) The responsible entity must also:

(A) Notify the tenant family in writing, at least 60 days in advance of the expiration of the deferral period, that termination will be deferred again (provided that the granting of another deferral will not result in aggregate deferral periods that exceed the maximum deferral period). This time period does not apply to a family which includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under section 208 of that Act, and a determination was made that other affordable housing is not available; or

(B) Notify the tenant family in writing, at least 60 days in advance of the expiration of the deferral period, that termination of financial assistance will not be deferred because either granting another deferral will result in aggregate deferral periods that exceed the maximum deferral period (unless the family includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under section 208 of that Act), or a determination has been made that other affordable housing is available.
(c) Option to select proration of assistance at end of deferral period. A family who is eligible for, and receives temporary deferral of termination of assistance, may request, and the responsible entity shall provide proration of assistance at the end of the deferral period if the family has made a good faith effort during the deferral period to locate other affordable housing.

(d) Notification of decision on family preservation assistance. A responsible entity shall notify the family of its decision concerning the family's qualification for family preservation assistance. If the family is ineligible for family preservation assistance, the notification shall state the reasons, which must be based on relevant factors. For tenant families, the notice also shall inform the family of any applicable appeal rights.

§ 5.520 Proration of assistance.

(a) Applicability. This section applies to a mixed family other than a family receiving continued assistance, or other than a family who is eligible for and requests and receives temporary deferral of termination of assistance. An eligible mixed family who requests prorated assistance must be provided prorated assistance.

(b) Method of prorating assistance for housing covered programs—(1) Proration under Rent Supplement Program. If the household participates in the Rent Supplement Program, the rent supplement paid on the household's behalf shall be the rent supplement the household would otherwise be entitled to, multiplied by a fraction, the denominator of which is the number of people in the household and the numerator of which is the number of eligible persons in the household;

(2) Proration under Section 235 Program. If the household participates in the Section 235 Program, the interest reduction payments paid on the household's behalf shall be the payments the household would otherwise be entitled to, multiplied by a fraction the denominator of which is the number of people in the household and the numerator of which is the number of ineligible persons in the household;

(c) Proration under Section 236 Program without the benefit of additional assistance. If the household participates in the Section 236 Program without the benefit of any additional assistance, the household's rent shall be increased above the rent the household would otherwise pay by an amount equal to the difference between the market rate rent for the unit and the rent the household would otherwise pay multiplied by a fraction the denominator of which is the number of people in the household and the numerator of which is the number of ineligible persons in the household;

(d) Proration under Section 236 Program with the benefit of additional assistance. If the household participates in the Section 236 Program with the benefit of additional assistance under the rent supplement, rental assistance payment or Section 8 programs, the household's rent shall be increased above the rent the household would otherwise pay by:

(i) An amount equal to the difference between the market rate rent for the unit and the basic rent for the unit multiplied by a fraction, the denominator of which is the number of people in the household, and the numerator of which is the number of ineligible persons in the household, plus;

(ii) An amount equal to the rent supplement, housing assistance payment or rental assistance payment the household would otherwise be entitled to multiplied by a fraction, the denominator of which is the number of people in the household and the numerator of which is the number of ineligible persons in the household;

(e) Method of prorating assistance for Section 8 covered programs—(1) Section 8 assistance other than assistance provided for a tenancy under the Section 8 Rental Voucher Program or for an over-FMR tenancy in the Section 8 Rental Certificate Program. For Section 8 assistance other than assistance for a tenancy under the voucher program or an over-FMR tenancy under the certificate program, the PHA must prorate the family's assistance as follows:

(i) Step 1. Determine gross rent for the unit. (Gross rent is contract rent...
§ 5.522 Prohibition of assistance to noncitizen students.

(a) General. EFFECTIVE DATE NOTE: At 65 FR 16716, Mar. 29, 2000, § 5.601 was revised, effective Apr. 28, 2000. For the convenience of the user, the superseded text is set forth as follows:
§ 5.601 Purpose and applicability.

(a) This subpart establishes definitions and requirements concerning income limits for admission, annual income, adjusted income, total tenant payment, utility allowances and reimbursements, and reexamination of income and family composition for:

(1) HUD’s public housing programs, including its public housing homeownership programs.

(2) Housing assisted under section 8 of the United States Housing Act of 1937 (the 1937 Act) (42 U.S.C. 1437f).

(i) Section 5.613 (Total tenant payment) and the definitions of “tenant rent” and “total tenant payment” found in § 5.603 do not apply to the Section 8 Rental Voucher Program.

(ii) Section 5.615 (Utility reimbursement) and the definition of “utility reimbursement” found in § 5.603 also do not apply to the Section 8 Rental Voucher Program. For the Voucher Program, in cases where the amount of the HAP payment exceeds the rent to owner, the excess will be paid to the family.

(iii) Section 5.607 (Income limits for admission) does not apply to the Section 8 Rental Voucher and Rental Certificate Programs.

(3) Applicants and tenants assisted under sections 10(c) and 23 of the 1937 Act as in effect before amendment by the Housing and Community Development Act of 1974 (42 U.S.C. 1410 and 1421b (1970 ed.)).

(b) This subpart does not apply to HUD’s Indian housing programs. The analogous rule that applies to Indian housing is located at 24 CFR part 950.

§ 5.603 Definitions.

As used in this subpart:

(a) Terms found elsewhere in part 5—(1) Subpart A. The terms 1937 Act, elderly person, public housing, public housing agency (PHA), and Section 8 are defined in § 5.100.

(2) Subpart D. The terms “disabled family”, “elderly family”, “family”, “live-in aide”, and “person with disabilities” are defined in § 5.403.

(b) The following terms shall have the meanings set forth below:

Adjusted income. See § 5.611.

Annual income. See § 5.609.

Child care expenses. Amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

Dependent. A member of the family (except foster children and foster adults) other than the family head or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student.

Disability assistance expenses. Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

Economic self-sufficiency program. Any program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work for such families. These programs include programs for job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, and any program necessary to ready a participant for work (including a substance abuse or mental health treatment program), or other work activities.

Extremely low income family. A family whose annual income does not exceed 30 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 30 percent of the median income for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Full-time student. A person who is attending school or vocational training on a full-time basis.

Imputed welfare income. See § 5.615.

Low income family. A family whose annual income does not exceed 80 percent of the median income for the area,
Office of the Secretary, HUD

§ 5.603

as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median income for the area on the basis of HUD’s findings that such variations are necessary because of unusually high or low family incomes.

Medical expenses. Medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.

Monthly adjusted income. One-twelfth of adjusted income.

Monthly income. One-twelfth of annual income.

Net family assets. (1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under §5.609.

(3) In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

Owner has the meaning provided in the relevant program regulations. As used in this subpart, where appropriate, the term “owner” shall also include a “borrower” as defined in part 891 of this title.

Tenant rent. The amount payable monthly by the family as rent to the unit owner (Section 8 owner or PHA in public housing). (This term is not used in the Section 8 voucher program.)

Total tenant payment. See §5.613.

Utility allowance. If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a PHA or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Utility reimbursement. The amount, if any, by which the utility allowance for a unit, if applicable, exceeds the total tenant payment for the family occupying the unit. (This definition is not used in the Section 8 voucher program, or for a public housing family that is paying a flat rent.)

Very low income family. A family whose annual income does not exceed 50 percent of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50 percent of the median income for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Welfare assistance. Welfare or other payments to families or individuals, based on need, that are made under programs funded, separately or jointly, by Federal, State or local governments.

Work activities. See definition at section 407(d) of the Social Security Act (42 U.S.C. 607(d)).

[61 FR 54498, Oct. 18, 1996, as amended at 65 FR 16716, Mar. 29, 2000] Effective Date Note: At 65 FR 16716, Mar. 29, 2000, §5.603 was amended by revising paragraph (a), by removing paragraphs (b) and (c), and by redesignating paragraph (d) as paragraph (b); newly designated paragraph (b) was amended by revising the definitions

No family other than a low-income family shall be eligible for admission to a program covered by this part.

project because there is an insufficient number of potential applicants who are very low-income families;

(iv) Commitment of an owner to attaining occupancy by families with a broad range of incomes, as evidenced in the application for development. An application citing this basis should be supported by evidence that the owner is pursuing this goal throughout its assisted projects in the community; and

(v) Project supervision by a State Housing Finance Agency having a policy of occupancy by families with a broad range of incomes, supported by evidence that the Agency is pursuing this goal throughout its assisted projects in the community, or a project with financing through Section 11(b) of the 1937 Act (42 U.S.C. 1437r) or under Section 103 of the Internal Revenue Code (26 U.S.C. 103).

(2) For public housing only. (i) Need for admission of a broader range of tenants to obtain full occupancy;

(ii) Local commitment to attaining occupancy by families with a broad range of incomes. An application citing this basis should be supported by evidence that the PHA is pursuing this goal throughout its housing program in the community;

(iii) Need for higher incomes to sustain homeownership eligibility in a homeownership project; and

(iv) Need to avoid displacing low-income families from a project acquired by the PHA for rehabilitation.

(c) Action on request for exception. Whether to grant any request for exception is a matter committed by law to HUD's sole discretion, and no implication is intended to be created that HUD will seek to grant approvals up to the maximum limits permitted by statute, nor is any presumption of an entitlement to an exception created by the specification of certain grounds for exception that HUD may consider. HUD will review exceptions granted to owners and PHAs at regular intervals. HUD may withdraw permission to exercise those exceptions for program applicants at any time that exceptions are not being used or after a periodic review, based on the findings of the review.

(d) Reporting. PHAs and owners shall comply with HUD-prescribed reporting requirements that will permit HUD to maintain the reasonably current data necessary to monitor compliance with the income eligibility restrictions described in paragraph (a) of this section.

(e) Inapplicability to certain scattered site housing. The income eligibility restrictions described in paragraph (a) of this section do not apply to scattered site public housing dwelling units sold or intended to be sold to public housing tenants under section 5(h) of the 1937 Act (42 U.S.C. 1437c(h)).

(f) Inapplicability to the Section 8 Rental Voucher and Rental Certificate Programs. The provisions of this section do not apply to the Section 8 Rental Voucher and Section 8 Rental Certificate Programs.

FAMILY INCOME

§ 5.609 Annual income.

(a) Annual income means all amounts, monetary or not, which:

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph (c) of this section.

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

(b) Annual income includes, but is not limited to:

(1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;

(2) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a
§ 5.609

business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;

(3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of $5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;

(4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);

(5) Payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation and severance pay (except as provided in paragraph (c)(3) of this section);

(6) Welfare assistance. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

(i) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(ii) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family’s welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph (b)(6)(ii) shall be the amount resulting from one application of the percentage;

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

(8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section);

(c) Annual income does not include the following:

(2) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);

(3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker’s compensation), capital gains and settlement for personal or property losses (except as provided in paragraph (b)(5) of this section);

(4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;

(5) Income of a live-in aide, as defined in §5.403;

(6) The full amount of student financial assistance paid directly to the student or to the educational institution;

(7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

(iii) Amounts received under training programs funded by HUD;

(ii) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
(iii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;

(iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed $200 per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA’s governing board. No resident may receive more than one such stipend during the same period of time;

(v) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;

(9) Temporary, nonrecurring or sporadic income (including gifts);

(10) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

(11) Earnings in excess of $480 for each full-time student 18 years old or older (excluding the head of household and spouse);

(12) Adoption assistance payments in excess of $480 per adopted child;

(13) For public housing only: (i) The earnings and benefits to any family member resulting from the participation in a program providing employment training and supportive services in accordance with the Family Support Act of 1988, section 22 of the 1937 Act (42 U.S.C. 1437t), or any comparable Federal, State, or local law during the exclusion period.

(ii) For purposes of this paragraph, the following definitions apply:

(A) Comparable Federal, State or local law means a program providing employment training and supportive services that—

(1) Is authorized by a Federal, State or local law;

(2) Is funded by the Federal, State or local government;

(3) Is operated or administered by a public agency; and

(4) Has as its objective to assist participants in acquiring employment skills.

(B) Exclusion period means the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.

(C) Earnings and benefits means the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job;

(14) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts.

(15) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

(16) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

(17) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(c) apply. A notice will be published in the Federal Register.
and distributed to PHAs and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary.

(d) Annualization of income. If it is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income), or the PHA believes that past income is the best available indicator of expected future income, the PHA may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

(e) If it is not feasible to anticipate a level of income over a 12-month period, the income anticipated for a shorter period may be annualized, subject to a redetermination at the end of the shorter period.

EFFECTIVE DATE NOTE: At 65 FR 16716, Mar. 29, 2000, § 5.609 was amended by removing and reserving paragraph (c)(13), by revising paragraphs (c)(8)(iv) and (d), and by removing paragraph (e), effective Apr. 28, 2000. For the convenience of the user, the superseded text is set forth as follows:

(d) For public housing only. In addition to the exclusions from annual income covered in paragraph (c) of this section, a PHA may adopt additional exclusions for earned income pursuant to an established written policy.

(1) In establishing such a policy, a PHA must adopt one or more of the following types of earned income exclusions, including variations thereof:

(ii) Apply the exclusion only to new sources of earned income or only to increases in earned income;

(iii) Apply the exclusion to the earned income of the head, the spouse, or any other family member age 18 or older;

(iv) Apply the exclusion only to the earned income of persons other than the primary earner;

(v) Apply the exclusion to applicants, newly admitted families, existing tenants, or persons joining the family;

(vi) Make the exclusion temporary or permanent for the PHA, the family, or the affected family member;

(vii) Make the exclusion graduated, so that the more earned income is excluded at first and less earned income is excluded after a period of time;

(viii) Exclude any or all of the costs that are incurred in order to go to work but are not compensated, such as the cost of special tools, equipment, or clothing;

(ix) Exclude any or all of the costs that result from earning income, such as social security taxes or other items that are withheld in payroll deductions;

(x) Exclude any portion of the earned income that is not available to meet the family’s own needs, such as amounts that are paid to someone outside the family for alimony or child support; and

(xi) Exclude any portion of the earned income that is necessary to replace benefits lost because a family member becomes employed, such as amounts that the family pays for medical costs or to obtain medical insurance.

(2) Any amounts that are excluded from annual income under this paragraph (d) may not also be deducted in determining adjusted income, as defined in §5.611.

(3) Housing agencies do not need HUD approval to adopt optional earned income exclusions.

(4) In the calculation of Performance Funding System operating subsidy eligibility, housing agencies will have to absorb any loss in rental income that results from the adoption of any of the optional earned income exclusions discussed in paragraph (d)(1) of this section, including any variations of the listed options.

§ 5.611 Adjusted income.

Adjusted income means annual income (as determined by the responsible entity) of the members of the family residing or intending to reside in the dwelling unit, after making the following deductions:
(a) Mandatory deductions. In determining adjusted income, the responsible entity must deduct the following amounts from annual income:
(1) $480 for each dependent;
(2) $400 for any elderly family or disabled family;
(3) The sum of the following, to the extent the sum exceeds three percent of annual income:
   (i) Unreimbursed medical expenses of any elderly family or disabled family; and
   (ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed, but this allowance may not exceed the earned income received by family members who are 18 years of age or older who are able to work because of such attendant care or auxiliary apparatus; and
(4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

(b) Permissive deductions—only public housing. For public housing only, a PHA may adopt additional deductions from annual income. The PHA must establish a written policy for such deductions.

§ 5.613 Public housing program and Section 8 tenant-based assistance program: PHA cooperation with welfare agency.

(a) This section applies to the public housing program and the Section 8 tenant-based assistance program.

(b) The PHA must make best efforts to enter into cooperation agreements with welfare agencies under which such agencies agree:
   (1) To target public assistance, benefits and services to families receiving assistance in the public housing program and the Section 8 tenant-based assistance program to achieve self-sufficiency;
   (2) To provide written verification to the PHA concerning welfare benefits for families applying for or receiving assistance in these housing assistance programs.

§ 5.613 Total tenant payment.

(a) Total tenant payment for families whose initial lease is effective on or after August 1, 1982. (1) Total tenant payment is the amount calculated under section 3(a)(1) of the 1997 Act (42 U.S.C. 1437a(a)(1)). If the family’s welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under paragraph (C) of section 3(a)(1) of the 1997 Act (42 U.S.C. 1437a(a)(1)(C)) shall be the amount resulting from one application of the percentage.
(2) For public housing only. Total tenant payment for families residing in public housing does not include charges for excess utility consumption or other miscellaneous charges (see §5.614 of this chapter).

(b) Total tenant payment for families residing in public housing whose initial lease was effective before August 1, 1982. Paragraphs (b) and (c) of 24 CFR 913.107, as it existed immediately before November 18, 1996 (contained in the April 1, 1995 edition of 24 CFR, parts 900 to 1999), will continue to govern the total tenant payment of families, under a public housing program, whose initial lease was effective before August 1, 1982.

(c) Inapplicability to the Section 8 Rental Voucher Program. The provisions of this section do not apply to the Section 8 Rental Voucher Program.

§5.615 Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) Applicability. This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) Definitions. The following definitions apply for purposes of this section:

Covered families. Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at §5.603.

Imputed welfare income. The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

Specified welfare benefit reduction.

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) Imputed welfare income.

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefit reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with §5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.
(d) Review of PHA decision. (1) Public housing. If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to §966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with §982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

(e) PHA relation with welfare agency. (1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be entitled to rely on the welfare agency notice to the PHA of the welfare agency's determination of a specified welfare benefits reduction.

§5.615 Utility reimbursements.

If the family and the utility company consent, a PHA or owner may pay the utility reimbursement jointly to the family and the utility company, or directly to the utility company.

(b) Inapplicability to the Section 8 Rental Voucher Program. The provisions of this section do not apply to the Section 8 Rental Voucher Program. For the Voucher Program, in cases where the amount of the HAP payment exceeds the rent to owner, the excess will be paid to the family.

§5.617 Reexamination and verification.

(a) Responsibility for initial determination and reexamination. The PHA or owner, as applicable, must conduct a reexamination of family income and
§ 5.628 Total tenant payment.

(a) Determining total tenant payment (TTP). Total tenant payment is the highest of the following amounts, rounded to the nearest dollar:

(1) 30 percent of the family’s monthly adjusted income;

(2) 10 percent of the family’s monthly income;

(3) If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family’s actual housing costs, is specifically designated by such agency to meet the family’s housing costs, the portion of those payments which is so designated; or

(4) The minimum rent, as determined in accordance with §5.630.

(b) Determining TTP if family’s welfare assistance is ratably reduced. If the family’s welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under paragraph (a)(3) of this section is the amount resulting from one application of the percentage.

EFFECTIVE DATE NOTE: At 65 FR 16718, Mar. 29, 2000, §5.628 was added, effective Apr. 28, 2000.

§ 5.630 Minimum rent.

(a) Minimum rent. (1) The PHA must charge a family no less than a minimum monthly rent established by the responsible entity, except as described in paragraph (b) of this section.

(2) For the public housing program and the section 8 moderate rehabilitation, and certificate or voucher programs, the PHA may establish a minimum rent of up to $50.

(3) For other section 8 programs, the minimum rent is $25.

(b) Financial hardship exemption from minimum rent. (1) When is family exempt from minimum rent? The responsible entity must grant an exemption from payment of minimum rent if the family is unable to pay the minimum rent

(2) How do families apply for the hardship exemption? Families may apply for an exemption from the minimum rent in one of two ways: (a) by completing and submitting the hardship application form provided by the PHA or; (b) by providing a written hardship statement to the PHA.

EFFECTIVE DATE NOTE: At 65 FR 16718, Mar. 29, 2000, §5.617 was removed, effective Apr. 28, 2000.
because of financial hardship, as described in the responsible entity’s written policies. Financial hardship includes these situations:

(i) When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;

(ii) When the family would be evicted because it is unable to pay the minimum rent;

(iii) When the income of the family has decreased because of changed circumstances, including loss of employment;

(iv) When a death has occurred in the family; and

(v) Other circumstances determined by the responsible entity or HUD.

(2) What happens if family requests a hardship exemption? (i) Public housing. (A) If a family requests a financial hardship exemption, the PHA must suspend the minimum rent requirement beginning the month following the family’s request for a hardship exemption, and continuing until the PHA determines whether there is a qualifying financial hardship and whether it is temporary or long term.

(B) The PHA must promptly determine whether a qualifying hardship exists and whether it is temporary or long term.

(C) The PHA may not evict the family for nonpayment of minimum rent during the 90-day period beginning the month following the family’s request for a hardship exemption.

(D) If the PHA determines that a qualifying financial hardship is temporary, the PHA must not impose the minimum rent during the 90-day period beginning the month following the date of the family’s request for a hardship exemption. At the end of the 90-day suspension period, the responsible entity must reinstate the minimum rent from the beginning of the suspension. The family must be offered a reasonable repayment agreement, on terms and conditions established by the responsible entity, for the amount of back rent owed by the family.

(ii) All section 8 programs. (A) If the responsible entity determines there is no qualifying financial hardship exemption, the responsible entity must reinstate the minimum rent, including back rent owed from the beginning of the suspension. The family must pay the back rent on terms and conditions established by the responsible entity.

(B) If the responsible entity determines a qualifying financial hardship is long term, the responsible entity must exempt the family from the minimum rent requirements so long as such hardship continues. Such exemption shall apply from the beginning of the month following the family’s request for a hardship exemption until the end of the qualifying financial hardship.

(C) The financial hardship exemption only applies to payment of the minimum rent (as determined pursuant to §5.628(a)(1), (a)(2) and (a)(3)).

(3) Public housing: Grievance hearing concerning PHA denial of request for hardship exemption. If a public housing
§ 5.632 Family requests a hearing under the PHA grievance procedure, to review the PHA’s determination denying or limiting the family’s claim to a financial hardship exemption, the family is not required to pay any escrow deposit in order to obtain a grievance hearing on such issues.

(1) The Section 8 programs other than the Section 8 voucher program (for distribution of a voucher housing assistance payment that exceeds rent to owner, see §962.514(b) of this title);

(2) A public housing family paying an income-based rent (see §960.253 of this title). Utility reimbursement is not paid for a public housing family that is paying a flat rent.

(b) Payment of utility reimbursement.

(1) The responsible entity pays a utility reimbursement if the utility allowance (for tenant-paid utilities) exceeds the amount of the total tenant payment.

(2) In the public housing program (where the family is paying an income-based rent), the Section 8 moderate rehabilitation program and the Section 8 certificate or voucher program, the PHA may pay the utility reimbursement either to the family or directly to the utility supplier to pay the utility bill on behalf of the family. If the PHA elects to pay the utility supplier, the PHA must notify the family of the amount paid to the utility supplier.

(3) In the other Section 8 programs, the owner must pay the utility reimbursement either:

(i) To the family, or

(ii) With consent of the family, to the utility supplier to pay the utility bill on behalf of the family.

SECTION 8 PROJECT-BASED ASSISTANCE: OCCUPANCY REQUIREMENTS

§ 5.653 Section 8 project-based assistance programs: Admission—Income-eligibility and income-targeting.

(a) Applicability. This section describes requirements concerning income-eligibility and income-targeting that apply to the Section 8 project-based assistance programs, except for the moderate rehabilitation and the project-based certificate or voucher programs.

(b) Who is eligible?

(1) Basic eligibility. An applicant must meet all eligibility requirements in order to receive housing assistance. At a minimum, the applicant must be a family, as defined in §5.403, and must be income-eligible, as described in this section. Such eligible applicants include single persons.

(2) Low income limit. No family other than a low income family is eligible for admission to the Section 8 project-based assistance programs. (This paragraph (b) does not apply to the Section 8 project-based voucher program under part 963 of this title.)

(c) Targeting to extremely low income families. For each project assisted under a contract for project-based assistance, of the dwelling units that become available for occupancy in any fiscal year that are assisted under the contract, not less than 40 percent shall be available for leasing only by families that are extremely low income families at the time of admission.

(d) Limitation on admission of non-very low income families.

(1) Admission to units available before October 1, 1981. Not more than 25 percent of the Section 8 project-based
(2) Admission to units available on or after October 1, 1981. Not more than 15 percent of the Section 8 project-based dwelling units that initially become available for occupancy under Section 8 Housing Assistance Payments (HAP) Contracts on or after October 1, 1981 shall be available for leasing by low income families other than families that are very low income families at the time of admission to the Section 8 program. Except with the prior approval of HUD under paragraphs (d)(3) and (d)(4) of this section, the owner may only lease such units to very low income families.

(3) Request for exception. A request by an owner for approval of admission of low income families other than very low income families to section 8 project-based units must state the basis for requesting the exception and provide supporting data. Bases for exceptions that may be considered include the following:

(i) Need for admission of a broader range of tenants to preserve the financial or management viability of a project because there is an insufficient number of potential applicants who are very low income families;

(ii) Commitment of an owner to retaining occupancy by families with a broad range of incomes;

(iii) Project supervision by a State Housing Finance Agency having a policy of occupancy by families with a broad range of incomes supported by evidence that the Agency is pursuing this goal throughout its assisted projects in the community, or a project with financing through Section 11(b) of the 1937 Act (42 U.S.C. 1437f) or under Section 103 of the Internal Revenue Code (26 U.S.C. 103); and

(iv) Low-income families that otherwise would be displaced from a Section 8 project.

(4) Action on request for exception. Whether to grant any request for exception is a matter committed by law to HUD’s discretion, and no implication is intended to be created that HUD will seek to grant approvals up to the maximum limits permitted by statute, nor is any presumption of an entitlement to an exception created by the specification of certain grounds for exception that HUD may consider. HUD will review exceptions granted to owners at regular intervals. HUD may withdraw permission to exercise those exceptions for program applicants at any time that exceptions are not being used or after a periodic review, based on the findings of the review.

(e) Income used for eligibility and targeting. Family annual income (see §5.609) is used both for determination of income-eligibility and for income-targeting under this section.

(f) Reporting. The Section 8 owner must comply with HUD-prescribed reporting requirements, including income reporting requirements that will permit HUD to maintain the data necessary to monitor compliance with income-eligibility and income-targeting requirements.

[65 FR 16719, Mar. 29, 2000]
§ 5.655

(3) Amount of income. The owner may not select a family for occupancy of a project or unit in an order different from the order on the owner’s waiting list for the purpose of selecting a relatively higher income family. However, an owner may select a family for occupancy of a project or unit based on its income in order to satisfy the targeting requirements of § 5.653(c).

(4) Selection for particular unit. In selecting a family to occupy a particular unit, the owner may match family characteristics with the type of unit available, for example, number of bedrooms. If a unit has special accessibility features for persons with disabilities, the owner must first offer the unit to families which include persons with disabilities who require such features (see §§ 8.27 and 100.202 of this title).

(5) Housing assistance limitation for single persons. A single person who is not an elderly or displaced person, a person with disabilities, or the remaining member of a resident family may not be provided a housing unit with two or more bedrooms.

(c) Particular owner preferences. The owner must inform all applicants about available preferences and must give applicants an opportunity to show that they qualify for available preferences.

(1) Residency requirements or preferences. (i) Residency requirements are prohibited. Although the owner is not prohibited from adopting a residency preference, the owner may only adopt or implement residency preferences in accordance with non-discrimination and equal opportunity requirements listed at § 5.105(a).

(ii) A residency preference is a preference for admission of persons who reside in a specified geographic area ("residency preference area").

(iii) An owner’s residency preference must be approved by HUD in one of the following methods:

(A) Prior approval of the housing market area in the Affirmative Fair Housing Marketing Plan (in accordance with § 108.25 of this title) as a residency preference area;

(B) Prior approval of the residency preference area in the PHA plan of the jurisdiction in which the project is located;

(C) Modification of the Affirmative Fair Housing Marketing Plan, in accordance with § 108.25 of this title.

(iv) Use of a residency preference may not have the purpose or effect of delaying or otherwise denying admission to a project or unit based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.

(v) A residency preference must not be based on how long an applicant has resided or worked in a residency preference area.

(vi) Applicants who are working or who have been notified that they are hired to work in a residency preference area must be treated as residents of the residency preference area. The owner may treat graduates of, or active participants in, education and training programs in a residency preference area as residents of the residency preference area if the education or training program is designed to prepare individuals for the job market.

(2) Preference for working families. (i) The owner may adopt a preference for admission of working families (families where the head, spouse or sole member is employed). However, an applicant shall be given the benefit of the working family preference if the head and spouse, or sole member, is age 62 or older, or is a person with disabilities.

(ii) If the owner adopts a preference for admission of working families, the owner must not give a preference based on the amount of earned income.

(3) Preference for person with disabilities. The owner may adopt a preference for admission of families that include a person with disabilities. However, the owner may not adopt a preference for admission of persons with a specific disability.

(4) Preference for victims of domestic violence. The owner should consider whether to adopt a preference for admission of families that include victims of domestic violence.

(5) Preference for single persons who are elderly, displaced, homeless or persons with disabilities over other single persons. The owner may adopt a preference for admission of single persons who are age
§ 5.659 Family information and verification.

(a) Applicability. This section states requirements for reexamination of family income and composition in the Section 8 project-based assistance programs, except for the moderate rehabilitation and the project-based certificate or voucher programs.

(b) Family obligation to supply information. (1) The family must supply any information requested by the owner or HUD for use in a regularly scheduled reexamination or an interim reexamination of family income and composition in accordance with HUD requirements. (2) The family must supply any information requested by the owner or HUD for use in a regularly scheduled reexamination or an interim reexamination of family income and composition in accordance with HUD requirements.

(c) Owner responsibility for verification. The owner must obtain and document in the family file third party verification of the following factors, or must document in the file why third party verification was not available:

(1) Reported family annual income;
(2) The value of assets;
(3) Expenses related to deductions from annual income; and
(4) Other factors that affect the determination of adjusted income.

EFFECTIVE DATE NOTE: At 65 FR 16721, Mar. 29, 2000, § 5.659 was added, effective Apr. 28, 2000.
§ 5.661 Section 8 project-based assistance programs: Approval for police or other security personnel to live in project.

(a) Applicability. This section describes when a Section 8 owner may lease a Section 8 unit to police or other security personnel with continued Section 8 assistance for the unit. This section applies to the Section 8 project-based assistance programs.

(b) Terms. (1) Security personnel means:
   (i) A police officer, or
   (ii) A qualified security professional, with adequate training and experience to provide security services for project residents.

(2) Police officer means a person employed on a full-time basis as a duly licensed professional police officer by a Federal, State or local government or by any agency of these governments.

(3) Security includes the protection of project residents, including resident project management from criminal or other activity that is a threat to person or property, or that arouses fears of such threat.

(c) Owner application. (1) The owner may submit a written application to the contract administrator (PHA or HUD) for approval to lease an available unit in a Section 8 project to security personnel who would not otherwise be eligible for Section 8 assistance, for the purpose of increasing security for Section 8 families residing in the project. (2) The owner’s application must include the following information:
   (i) A description of criminal activities in the project and the surrounding community, and the effect of criminal activity on the security of project residents.
   (ii) Qualifications of security personnel who will reside in the project, and the period of residence by such personnel. How owner proposes to check backgrounds and qualifications of any security personnel who will reside in the project.
   (iii) Full disclosure of any family relationship between the owner and any security personnel. For this purpose, “owner” includes a principal or other interested party.
   (iv) How residence by security personnel in a project unit will increase security for Section 8 assisted families residing in the project.
   (v) The amount payable monthly as rent to the unit owner by security personnel residing in the project (including a description of how this amount is determined), and the amount of any other compensation by the owner to such resident security personnel.
   (vi) The terms of occupancy by such security personnel. The lease by owner to the approved security personnel may provide that occupancy of the unit is authorized only while the security personnel is satisfactorily performing any agreed responsibilities and functions for project security.
   (vii) Other information as requested by the contract administrator.

(d) Action by contract administrator. (1) The contract administrator shall have discretion to approve or disapprove owner’s application, and to impose conditions for approval of occupancy by security personnel in a Section 8 project unit.

(2) Notice of approval by the contract administrator shall specify the term of such approved occupancy. Such approval may be withdrawn at the discretion of the contract administrator, for example, if the contract administrator determines that such occupancy is not providing adequate security benefits as proposed in the owner’s application; or that security benefits from such occupancy are not a sufficient return for program costs.

(e) Housing assistance payment and rent. (1) During approved occupancy by security personnel as provided in this section, the amount of the monthly housing assistance payment to the owner shall be equal to the contract rent (as determined in accordance with the HAP contract and HUD requirements) minus the amount (as approved by the contract administrator) of rent payable monthly as rent to the unit owner by such security personnel. The owner shall bear the risk of collecting such rent from such security personnel, and the amount of the housing assistance payment shall not be increased because of non-payment by such security personnel. The owner shall not be entitled to receive any vacancy payment for the period following occupancy by such security personnel.
In approving the amount of monthly rent payable by security personnel for occupancy of a contract unit, the contract administrator may consider whether security services to be performed are an adequate return for housing assistance payments on the unit, or whether the cost of security services should be borne by the owner from other project income.

Effective Date Note: At 65 FR 16721, Mar. 29, 2000, §5.661 was added. This section contains information collection and recordkeeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

§5.701 Applicability.

(a) This subpart applies to housing assisted by HUD under the following programs:

(1) All Section 8 project-based assistance. “Project-based assistance” means Section 8 assistance that is attached to the structure (see §982.1(b)(1) of this title regarding the distinction between “project-based” and “tenant-based” assistance);

(2) Section 202 Program of Supportive Housing for the Elderly;

(c) This subpart also applies to Public Housing (housing receiving assistance under the U.S. Housing Act of 1937, other than under section 8 of the Act).

(d) For purposes of this subpart, the term “HUD housing” means the types of housing listed in paragraphs (a), (b), and (c) of this section.

§5.703 Physical condition standards for HUD housing that is decent, safe, sanitary and in good repair (DSS/GR).

HUD housing must be decent, safe, sanitary and in good repair. Owners of housing described in §5.701(a), mortgagees of housing described in §5.701(b), and PHAs and other entities approved by HUD owning housing described in §5.701(c), must maintain such housing in a manner that meets the physical condition standards set forth in this section in order to be considered decent, safe, sanitary and in good repair. These standards address the major areas of the HUD housing: the site; the building exterior; the building systems; the dwelling units; the common areas; and health and safety considerations.

(a) Site. The site components, such as fencing and retaining walls, grounds, lighting, mailboxes/project signs, parking lots/driveways, play areas and equipment, refuse disposal, roads,
§ 5.703

24 CFR Subtitle A (4–1–00 Edition)

storm drainage and walkways must be free of health and safety hazards and be in good repair. The site must not be subject to material adverse conditions, such as abandoned vehicles, dangerous walks or steps, poor drainage, septic tank back-ups, sewer hazards, excess accumulations of trash, vermin or rodent infestation or fire hazards.

(b) Building exterior. Each building on the site must be structurally sound, secure, habitable, and in good repair. Each building’s doors, fire escapes, foundations, lighting, roofs, walls, and windows, where applicable, must be free of health and safety hazards, operable, and in good repair.

(c) Building systems. Each building’s domestic water, electrical system, elevators, emergency power, fire protection, HVAC, and sanitary system must be free of health and safety hazards, functionally adequate, operable, and in good repair.

(d) Dwelling units. (1) Each dwelling unit within a building must be structurally sound, habitable, and in good repair. All areas and aspects of the dwelling unit (for example, the unit’s bathroom, call-for-aid (if applicable), ceiling, doors, electrical systems, floors, hot water heater, HVAC (where individual units are provided), kitchen, lighting, outlets/switches, patio/porch/balcony, smoke detectors, stairs, walls, and windows) must be free of health and safety hazards, functionally adequate, operable, and in good repair.

(2) Where applicable, the dwelling unit must have hot and cold running water, including an adequate source of potable water (note for example that single room occupancy units need not contain water facilities).

(3) If the dwelling unit includes its own sanitary facility, it must be in proper operating condition, usable in privacy, and adequate for personal hygiene and the disposal of human waste.

(4) The dwelling unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each level of the unit.

(e) Common areas. The common areas must be structurally sound, secure, and functionally adequate for the purposes intended. The basement/garage/carport, restrooms, closets, utility, mechanical, community rooms, day care, halls/corridors, stairs, kitchens, laundry rooms, office, porch, patio, balcony, and trash collection areas, if applicable, must be free of health and safety hazards, operable, and in good repair. All common area ceilings, doors, floors, HVAC, lighting, outlets/switches, smoke detectors, stairs, walls, and windows, to the extent applicable, must be free of health and safety hazards, operable, and in good repair. These standards for common areas apply, to a varying extent, to all HUD housing, but will be particularly relevant to congregate housing, independent group homes/residences, and single room occupancy units, in which the individual dwelling units (sleeping areas) do not contain kitchen and/or bathroom facilities.

(f) Health and safety concerns. All areas and components of the housing must be free of health and safety hazards. These areas include, but are not limited to, air quality, electrical hazards, elevators, emergency/fire exits, flammable materials, garbage and debris, handrail hazards, infestation, and lead-based paint. For example, the buildings must have fire exits that are not blocked and have hand rails that are undamaged and have no other observable deficiencies. The housing must have no evidence of infestation by rats, mice, or other vermin, or of garbage and debris. The housing must have no evidence of electrical hazards, natural hazards, or fire hazards. The dwelling units and common areas must have proper ventilation and be free of mold, odor (e.g., propane, natural gas, methane gas), or other observable deficiencies. The housing must comply with all requirements related to the evaluation and reduction of lead-based paint hazards and have available proper certifications of such (see 24 CFR part 35).

(g) Compliance with State and local codes. The physical condition standards in this section do not supersede or preempt State and local codes for building and maintenance with which HUD housing must comply. HUD housing must continue to adhere to these codes.
§ 5.705 Uniform physical inspection requirements.

(a) Any entity responsible for conducting a physical inspection of HUD housing, to determine compliance with this subpart, must inspect such HUD housing annually (unless otherwise specifically notified by HUD), in accordance with HUD-prescribed physical inspection procedures. For Public Housing, PHAs have the option to inspect Public Housing units using the procedures prescribed in accordance with this section.

(b) Inspections in accordance with the physical inspection procedures identified in paragraph (a) of this section shall not be required until HUD has issued the inspection software and accompanying guidebook. When the software and guidebook have been issued, HUD will publish a notice in the Federal Register to inform the public when the software and guidebook are available. The notice will provide 30 days within which covered entities must prepare to conduct inspections in accordance with this subpart. Until the date that is 30 days after HUD publishes such notice, any entity responsible for conducting a physical inspection of HUD housing, to determine compliance with this subpart, must continue to comply with inspection requirements in effect immediately prior to that date.

(2) Confidentiality. Generally, the Responsible Official shall hold in confidence the identity of any person submitting a complaint, unless the person submits written authorization otherwise. However, an exception to maintaining confidentiality of the identity of the person may be required to carry out the purposes of this part, including the conduct of any investigation, hearing, or proceeding under this part.

(3) When to file. Complaints shall be filed within 180 days of the alleged act of discrimination, unless the Responsible Official waives this time limit for good cause. For purposes of determining when a complaint is filed under this part, a complaint mailed to the Responsible Official via the U.S. Postal Service will be deemed filed on the date it is postmarked. (8) Resolution of complaints. After the acceptance of a complete complaint, the Responsible Official will investigate the complaint, attempt informal resolution, and, if resolution is not achieved, the Responsible Official will notify the Recipient and complainant, to the extent practicable within 180 days of the receipt of the complete complaint, of the results of the investigation in a letter of findings sent by certified mail, return receipt requested, containing the following:

(i) Findings of fact and a finding of compliance or noncompliance;

(ii) A description of an appropriate remedy for each violation believed to exist; and

(iii) A notice of the right of the Recipient and the complainant to request a review of the letter of findings by the Responsible Official. A copy of the final investigative report will be made available upon request.

(b) Compliance reviews—(1) Periodic compliance reviews. The Responsible Official may periodically review the practices of Recipients to determine whether they are complying with this part and may conduct on-site reviews. The Responsible Official will initiate an on-site review by sending to the Recipient a letter advising the Recipient of the practices to be reviewed; the programs affected by the review; and the opportunity, at any time before a final determination, to submit information that explains, validates, or otherwise addresses the practices under review. (3) Early compliance resolution. On the last day of the on-site visit, after the compliance review, the Recipient will be given an opportunity to supplement the record. Additionally, a prefinding conference may be held and a summary of the proposed findings may be presented to the Recipient. In those instances where the issue(s) cannot be resolved at a prefinding conference or with the supplemental information, a meeting will be scheduled to attempt a voluntary settlement.

(4) Notification of findings. (i) The Assistant Secretary will notify the Recipient of Federal financial assistance of the results of the compliance review in a letter of findings sent by certified mail, return receipt requested.

(ii) Letter of findings. The letter of findings will include the findings of fact and the conclusions of law; a description of a remedy for each violation found; and a notice that a copy of

§ 6.12 Procedure for effecting compliance.

(a) Whenever the Assistant Secretary determines that a Recipient of Federal financial assistance has failed to comply with Section 109(a) or this part and voluntary compliance efforts have solved the matter through a voluntary compliance agreement.

(2) Objectives of informal resolution/voluntary compliance. In attempting informal resolution, the Responsible Official will attempt to achieve a just resolution of the matter and to obtain assurances, where appropriate, that the Recipient will satisfactorily remedy any violations of the rights of any complainant, and will take such action as will assure the elimination of any violation of this part or the prevention of the occurrence of such violation in the future. If a finding of noncompliance has been made, the terms of such an informal resolution shall be reduced to a written voluntary compliance agreement, signed by the Recipient and the Responsible Official, and be made part of the file. Such voluntary compliance agreements shall seek to protect the interests of the complainant (if any), other persons similarly situated, and the public.

(3) Right to file a private civil action. At any time in the process, the complainant has the right to file a private civil action. If the complainant does so, the Responsible Official has the discretion to administratively close the investigation or continue the investigation, if he or she decides that it is in the best interests of the Department to do so. If the Responsible Official makes a finding of noncompliance and an agreement to voluntarily comply is not obtained from the Recipient, the procedures at §§ 6.12 and 6.13 for effecting compliance shall be followed.

(f) Intimidatory or retaliatory acts prohibited. No Recipient or other person shall intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by this part, or because he or she has made a complaint, testified, assisted, or participated in any manner in an investigation, compliance review, proceeding, or hearing under this part.

§ 6.12 Procedure for effecting compliance.

(a) Whenever the Assistant Secretary determines that a Recipient of Federal financial assistance has failed to comply with Section 109(a) or this part and voluntary compliance efforts have

failed, the Secretary will notify the Governor of the State or the Chief Executive Officer of the failure of local government of the findings of noncompliance and will request that the Governor or the Chief Executive Officer secure compliance. If within a reasonable period of time, not to exceed 60 days, the Governor or the Chief Executive Officer fails or refuses to secure compliance, the Secretary will:

(1) Refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted;
(2) Exercise the powers and functions provided by Title VI;
(3) Terminate or reduce payments under Title I, or limit the availability of payments under Title I to programs or activities not affected by the failure to comply; or
(4) Take such other actions as may be provided by law, including but not limited to, the initiation of proceedings under 24 CFR part 24 or any applicable proceeding under State or local law.

(b) Termination, reduction, or limitation of the availability of Title I payments. No order terminating, reducing, or limiting the availability of Title I payments under this part shall become effective until:

(1) The Secretary has notified the Governor of the State or the Chief Executive Officer of the unit of general local government of the Recipient’s failure to comply in accordance with paragraph (a) of this section and of the termination, reduction or limitation of the availability of Title I payments to be taken;
(2) The Secretary has determined that compliance cannot be secured by voluntary means;
(3) The Recipient has been extended an opportunity for a hearing in accordance with §6.13(a); and
(4) A final agency notice or decision has been rendered in accordance with paragraph (c) of this section or 24 CFR part 180.

(c) If a Recipient does not respond to the notice of opportunity for a hearing or does not elect to proceed with a hearing within 20 days of the issuance of the Secretary’s actions listed in paragraphs (b)(1), (2) and (3) of this section, then the Secretary’s approval of the termination, reduction or limitation of the availability of Title I payments is considered a final agency notice and the Recipient may seek judicial review in accordance with section 111(c) of the Act.

§ 6.13 Hearings and appeals.

(a) When a Recipient requests an opportunity for a hearing, in accordance with §6.12(b)(3), the General Counsel will follow the notification procedures set forth in 24 CFR 180.415. The hearing, and any petition for review, will be conducted in accordance with the procedures set forth in 24 CFR part 180.

(b) After a hearing is held and a final agency decision is rendered under 24 CFR part 180, the Recipient may seek judicial review in accordance with section 111(c) of the Act.

§ 8.1 Purpose.

(a) The purpose of this part is to effectuate section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), to the end that no otherwise qualified individual with handicaps in the United States shall, solely by reason of his or her handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of Housing and Urban Development. This part also implements section 109 of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5309). This part does not effectuate section 504 as it applies to any program or activity conducted by the Department. Compliance with this part does not assure compliance with requirements for accessibility by physically-handicapped persons imposed under the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157; 24 CFR part 40).

(b) The policies and standards for compliance established by this part are established in contemplation of, and with a view to enforcement through, the Department’s administration of programs or activities receiving Federal financial assistance and the administrative procedures described in subparts D and E (including, without limitation, judicial enforcement under § 8.57(a)).

§ 8.2 Applicability.

This part applies to all applicants for, and recipients of, HUD assistance in the operation of programs or activities receiving such assistance. Such assistance includes, but is not limited to, that which is listed in appendix A of this part.

§ 8.3 Definitions.

As used in this part:

Accessible, when used with respect to the design, construction, or alteration of a facility or a portion of a facility other than an individual dwelling unit, means that the facility or portion of the facility when designed, constructed or altered, can be approached, entered, and used by individuals with physical handicaps. The phrase accessible to and usable by is synonymous with accessible.

Accessible, when used with respect to the design, construction, or alteration of an individual dwelling unit, means that the unit is located on an accessible route and when designed, constructed, altered or adapted can be approached, entered, and used by individuals with physical handicaps. A unit that is on an accessible route and is adaptable and otherwise in compliance with the standards set forth in § 8.32 is accessible within the meaning of this paragraph. When a unit in an existing facility which is being made accessible as a result of alterations is intended for use by a specific qualified individual with handicaps (e.g., a current occupant of such unit or of another unit under the control of the same recipient, or an applicant on a waiting list), the unit will be deemed accessible if it meets the requirements of applicable standards that address the particular disability or impairment of such person.

Accessible route means a continuous unobstructed path connecting accessible elements and spaces in a building or facility that complies with the space and reach requirements of applicable standards prescribed by § 8.32. An accessible route that serves only accessible units occupied by persons with hearing or vision impairments need not comply with those requirements intended to effect accessibility for persons with mobility impairments.

Adaptability means the ability of certain elements of a dwelling unit, such as kitchen counters, sinks, and grab bars, to be added to, raised, lowered, or otherwise altered, to accommodate the needs of persons with or without handicaps, or to accommodate the needs of persons with different types or degrees of disability. For example, in a unit adaptable for a hearing-impaired person, the wiring for visible emergency alarms may be installed but the alarms need not be installed until such time as the unit is made ready for occupancy by a hearing-impaired person.

Alteration means any change in a facility or its permanent fixtures or...
equipment. It includes, but is not limited to, remodeling, renovation, rehabilitation, reconstruction, changes or rearrangements in structural parts and extraordinary repairs. It does not include normal maintenance or repairs, reroofing, interior decoration, or changes to mechanical systems.

Applicant for assistance means one who submits an application, request, plan, or statement required to be approved by a Department official or by a primary recipient as a condition of eligibility for Federal financial assistance. An application means such a request, plan or statement.

Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities receiving Federal financial assistance. For example, auxiliary aids for persons with impaired vision may include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids for persons with impaired hearing may include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TDD’s), interpreters, notetakers, written materials, and other similar services and devices.

Department or HUD means the Department of Housing and Urban Development.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other real or personal property or interest in the property.

Federal financial assistance means any assistance provided or otherwise made available by the Department through any grant, loan, contract or any other arrangement, in the form of:

(a) Funds;
(b) Services of Federal personnel; or
(c) Real or personal property or any interest in or use of such property, including:

(1) Transfers or leases of the property for less than fair market value or for reduced consideration; and
(2) Proceeds from a subsequent transfer or lease of the property if the Federal share of its fair market value is not returned to the Federal Government.

Federal financial assistance includes community development funds in the form of proceeds from loans guaranteed under section 108 of the Housing and Community Development Act of 1974, as amended, but does not include assistance made available through direct Federal procurement contracts or payments made under these contracts or any other contract of insurance or guaranty.

Handicap means any condition or characteristic that renders a person an individual with handicaps.

Historic preservation programs or activities means programs or activities receiving Federal financial assistance that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or are eligible for listing in the National Register of Historic Places, or such properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment; or is regarded as having such an impairment. For purposes of employment, this term does not include: Any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from performing the duties of the job in question, or whose employment, by reason of current alcohol or drug abuse, would constitute a direct threat to property or the safety of others; or any individual who has a currently contagious disease or infection and who, by reason of such disease or infection, would constitute a direct threat to the health or safety of other individuals or who, by reason of the currently contagious disease or infection, is unable to perform the duties of the job. For purposes of other programs and activities, the term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose
participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

(a) Physical or mental impairment includes:
(1) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
(2) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.
(b) Major life activities means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.
(c) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.
(d) Is regarded as having an impairment means:
(1) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;
(2) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or
(3) Has none of the impairments defined in paragraph (a) of this section but is treated by a recipient as having such an impairment.

Multifamily housing project means a project containing five or more dwelling units.

Primary recipient means a person, group, organization, State or local unit of government that is authorized or required to extend Federal financial assistance to another recipient for the purpose of carrying out a program or activity.

Program or activity means all of the operations of:
(a)(1) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or
(2) The entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local government entity) to which the assistance is extended, in the case of assistance to a State or local government;
(b)(1) A college, university, or other post-secondary institution, or a public system of higher education; or
(2) A local educational agency (as defined in section 198(a)(10) of the Elementary and Secondary Education Act of 1965), system of vocational education, or other school system;
(c)(1) An entire corporation, partnership, or other private organization, or an entire sole proprietorship—
(i) If assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or
(ii) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or
(2) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship—
(d) Any other entity which is established by two or more of the entities described in paragraphs (a), (b), or (c) of this section; any part of which is extended Federal financial assistance.

Project means the whole of one or more residential structures and appurtenant structures, equipment, roads, walks, and parking lots which are covered by a single contract for Federal financial assistance or application for assistance, or are treated as a whole.
§ 8.4 Discrimination prohibited.

(a) No qualified individual with handicaps shall, solely on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance from the Department.

(b)(1) A recipient, in providing any housing, aid, benefit, or service in a program or activity that receives Federal financial assistance from the Department may not, directly or through contractual, licensing, or other arrangements, solely on the basis of handicap:

(i) Deny a qualified individual with handicaps the opportunity to participate in, or benefit from, the housing, aid, benefit, or service;
(ii) Afford a qualified individual with handicaps an opportunity to participate in, or benefit from, the housing, aid, benefit, or service that is not equal to that afforded to others;

(iii) Provide a qualified individual with handicaps any housing, aid, benefit, or service that is not as effective in affording the individual an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate housing, aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps from that provided to others unless such action is necessary to provide qualified individuals with handicaps with housing, aid, benefits, or services that are as effective as those provided to others.

(v) Aid or perpetuate discrimination against a qualified individual with handicaps by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any housing, aid, benefit, or service to the individual's federally assisted program or activity;

(vi) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vii) Deny a dwelling to an otherwise qualified buyer or renter because of a handicap of that buyer or renter or a person residing in or intending and eligible to reside in that dwelling after it is sold, rented or made available; or

(viii) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by other qualified individuals receiving the housing, aid, benefit, or service.

(2) For purposes of this part, housing, aids, benefits, and services, to be equally effective are not required to produce the identical result or level of achievement for individuals with handicaps and non-handicapped persons, but must afford individuals with handicaps equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

(3) A recipient may not deny a qualified individual with handicaps the opportunity to participate in any federally assisted program or activity that is not separate or different despite the existence of permissibly separate or different programs or activities.

(4) In any program or activity receiving Federal financial assistance from the Department, a recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration that have the purpose or effect of which would:

(i) Subject qualified individuals with handicaps to discrimination solely on the basis of handicap;

(ii) Defeat or substantially impair the accomplishment of the objectives of the recipient's federally assisted program or activity for qualified individuals with a particular handicap involved in the program or activity, unless the recipient can demonstrate that the criteria or methods of administration are manifestly related to the accomplishment of an objective of a program or activity; or

(iii) Perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a federally assisted facility, an applicant for assistance or a recipient may not make selections the purpose or effect of which would:

(i) Exclude qualified individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under, any program or activity that receives Federal financial assistance from the Department, or

(ii) Defeat or substantially impair the accomplishment of the objectives of the program or activity with respect to qualified individuals with handicaps.

(6) As used in this section, the housing, aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any housing, aid, benefit, or service provided in or through a facility that has been constructed, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.
(c)(1) Non-handicapped persons may be excluded from the benefits of a program if the program is limited by Federal statute or executive order to individuals with handicaps. A specific class of individuals with handicaps may be excluded from a program if the program is limited by Federal statute or Executive order to a different class of individuals.

(2) Certain Department programs operate under statutory definitions of handicapped person that are more restrictive than the definition of individual with handicaps contained in §8.3 (see appendix B). Those definitions are not superseded or otherwise affected by this regulation.

(d) Recipients shall administer programs and activities receiving Federal financial assistance in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

(e) The obligation to comply with this part is not obviated or alleviated by any State or local law or other requirement that, based on handicap, imposes inconsistent or contradictory prohibitions or limits upon the eligibility of qualified individuals with handicaps to receive services or to practice any occupation or profession.

(f) The enumeration of specific forms of prohibited discrimination in paragraphs (b) through (e) of this section does not limit the general prohibition in paragraph (a) of this section.

§ 8.5 [Reserved]

§ 8.6 Communications.

(a) The recipient shall take appropriate steps to ensure effective communication with applicants, beneficiaries, and members of the public.

(1) The recipient shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity receiving Federal financial assistance.

(i) In determining what auxiliary aids are necessary, the recipient shall give primary consideration to the requests of the individual with handicaps.

(ii) The recipient is not required to provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where a recipient communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective communication systems shall be used.

(b) The recipient shall adopt and implement procedures to ensure that interested persons (including persons with impaired vision or hearing) can obtain information concerning the existence and location of accessible services, activities, and facilities.

(c) This section does not require a recipient to take any action that the recipient can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. If an action would result in such an alteration or burdens, the recipient shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity receiving HUD assistance.

Subpart B—Employment

§ 8.10 General prohibitions against employment discrimination.

(a) No qualified individual with handicaps shall, solely on the basis of handicap, be subjected to discrimination in employment under any program or activity that receives Federal financial assistance from the Department.

(b) A recipient may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(c) The prohibition against discrimination in employment applies to the following activities:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return
Office of the Secretary, HUD

§ 8.12 Employment criteria.

(a) A recipient may not use any employment test or other selection criterion that screens out or tends to screen out individuals with handicaps or any class of individuals with handicaps unless:

(1) The recipient demonstrates that the test score or other selection criterion, as used by the recipient, is job-related for the position in question; and

(2) The appropriate HUD official demonstrates that alternative job-related tests or criteria that tend to screen out fewer individuals with handicaps are unavailable.

(b) A recipient shall select and administer tests concerning employment to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's job skills, aptitude, or whatever other factor the test purports to measure, rather than the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

§ 8.11 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified applicant with handicaps or employee with handicaps, unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program.

(b) Reasonable accommodation may include:

(1) Making facilities used by employees accessible to and usable by individuals with handicaps and

(2) Job restructuring, job relocation, part-time or modified work schedules, and other similar actions.

(c) In determining, under paragraph (a) of this section, whether an accommodation would impose an undue hardship on the operation of a recipient's program, factors to be considered include:

(1) The overall size of the recipient's program with respect to number of employees, number and type of facilities, and size of budget;

(2) The type of the recipient's operation, including the composition and structure of the recipient's workforce; and

(3) The nature and cost of the accommodation needed.

§ 8.12 Employment criteria.

(a) A recipient may not use any employment test or other selection criterion that screens out or tends to screen out individuals with handicaps or any class of individuals with handicaps unless:

(1) The recipient demonstrates that the test score or other selection criterion, as used by the recipient, is job-related for the position in question; and

(2) The appropriate HUD official demonstrates that alternative job-related tests or criteria that tend to screen out fewer individuals with handicaps are unavailable.

(b) A recipient shall select and administer tests concerning employment to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's job skills, aptitude, or whatever other factor the test purports to measure, rather than the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).
§ 8.13 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not make a preemployment inquiry or conduct a preemployment medical examination of an applicant to determine whether the applicant is an individual with handicaps or the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is undertaking affirmative action efforts, voluntary or otherwise, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped, if the following conditions are met:

(1) The recipient states clearly on any written questionnaire used for this purpose, or makes clear orally if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations, or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential (as provided in paragraph (d) of this section), that refusal to provide the information will not subject the applicant or employee to any adverse treatment, and that the information will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted before the employee's entrance on duty if all entering employees in that category of job classification must take such an examination regardless of handicap, and the results of such examination are used only in accordance with the requirements of this part.

(d) Information obtained under this section concerning the medical condition or history of the applicant is to be collected and maintained on separate forms that are accorded confidentiality as medical records, except that:

(1) Supervisors and managers may be informed of restrictions on the work or duties of individuals with handicaps and informed of necessary accommodations;
(2) First aid and safety personnel may be informed if the condition might require emergency treatment; and
(3) Government officials investigating compliance with section 504 shall be provided relevant information upon request.

Subpart C—Program Accessibility

§ 8.20 General requirement concerning program accessibility.

Except as otherwise provided in §§8.21(c)(1), 8.24(a), 8.25, and 8.31, no qualified individual with handicaps shall, because a recipient's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance.

§ 8.21 Non-housing facilities.

(a) New construction. New non-housing facilities shall be designed and constructed to be readily accessible to and usable by individuals with handicaps.

(b) Alterations to facilities. Alterations to existing non-housing facilities shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with handicaps. For purposes of this paragraph, the phrase to the maximum extent feasible shall not be interpreted as requiring that a recipient make a non-housing facility, or element thereof, accessible if doing so would impose undue financial and administrative burdens on the operation of the recipient's program or activity.

(c) Existing non-housing facilities—(1) General. A recipient shall operate each non-housing program or activity receiving Federal financial assistance so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(i) Necessarily require a recipient to make each of its existing non-housing facilities accessible to and usable by individuals with handicaps;
(ii) In the case of historic preservation programs or activities, require the recipient to take any action that would...
result in a substantial impairment of significant historic features of an historic property; or

(iii) Require a recipient to take any action that it can demonstrate would result in a fundamental alteration in the nature of its program or activity or in undue financial and administrative burdens. If an action would result in such an alteration or such burdens, the recipient shall take any action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(2) Methods—(i) General. A recipient may comply with the requirements of this section in its programs and activities receiving Federal financial assistance through such means as location of programs or services to accessible facilities or accessible portions of facilities, assignment of aides to beneficiaries, home visits, the addition or redesign of equipment (e.g., appliances or furnishings) changes in management policies or procedures, acquisition or construction of additional facilities, or alterations to existing facilities on a selective basis, or any other methods that result in making its program or activity accessible to individuals with handicaps. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. In choosing among available methods for meeting the requirements of this section, the recipient shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(ii) Historic preservation programs or activities. In meeting the requirements of §8.21(c) in historic preservation programs or activities, a recipient shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §8.21(c)(1)(ii) or (iii), alternative methods of achieving program accessibility include using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible; assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or adopting other innovative methods.

(3) Time period for compliance. The recipient shall comply with the obligations established under this section within sixty days of July 11, 1988, except that where structural changes in facilities are undertaken, such changes shall be made within three years of July 11, 1988, but in any event as expeditiously as possible.

(4) Transition plan. If structural changes to non-housing facilities will be undertaken to achieve program accessibility, a recipient shall develop, within six months of July 11, 1988, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including individuals with handicaps or organizations representing individuals with handicaps. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(i) Identify physical obstacles in the recipient's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(ii) Describe in details the methods that will be used to make the facilities accessible;

(iii) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(iv) Indicate the official responsible for implementation of the plan; and

(v) Identify the persons or groups with whose assistance the plan was prepared.

§8.22 New construction—housing facilities.

(a) New multifamily housing projects (including public housing and Indian
§ 8.23 Alterations of existing housing facilities.

(a) Substantial alteration. If alterations are undertaken to a project (including a public housing project as required by §8.25) that has 15 or more units and the cost of the alterations is 75 percent or more of the replacement cost of the completed facility, then the provisions of §8.22 shall apply.

(b) Other alterations. (1) Subject to paragraph (b)(2) of this section, alterations to dwelling units in a multifamily housing project (including public housing) shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with handicaps. If alterations of single elements or spaces of a dwelling unit, when considered together, amount to an alteration of a dwelling unit, the entire dwelling unit shall be made accessible. Once five percent of the dwelling units in a project are readily accessible to and usable by individuals with mobility impairments, then no additional elements of dwelling units, or entire dwelling units, are required to be accessible under this paragraph. Alterations to common areas or parts of facilities that affect accessibility of existing housing facilities shall, to the maximum extent feasible, be made to be accessible to and usable by individuals with handicaps.

(2) HUD may prescribe a higher percentage or number than that prescribed in paragraph (b)(1) of this section for any area upon request therefor by any affected recipient or by any State or local government or agency thereof based upon demonstration to the reasonable satisfaction of HUD of a need for a higher percentage or number, based on census data or other available current data (including a currently effective Housing Assistance Plan or Comprehensive Homeless Assistance Plan), or in response to evidence of a need for a higher percentage or number received in any other manner. In reviewing such request or otherwise assessing the existence of such needs, HUD shall take into account the expected needs of eligible persons with and without handicaps. § 8.24 Existing housing programs.

(a) General. A recipient shall operate each existing housing program or activity receiving Federal financial assistance so that the program or activity, when viewed in its entirety, is
readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require a recipient to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) Require a recipient to take any action that it can demonstrate would result in a fundamental alteration in the nature of its program or activity or in undue financial and administrative burdens. If an action would result in such an alteration or such burdens, the recipient shall take any action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods. A recipient may comply with the requirements of this section through such means as reassignment of services to accessible buildings, assignment of aides to beneficiaries, provision of housing or related services at alternate accessible sites, alteration of existing facilities and construction of new facilities, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. A recipient is not required to make structural changes in existing housing facilities where other methods are effective in achieving compliance with this section or to provide supportive services to individuals with handicaps. A recipient is not required to make structural changes in existing housing facilities where other methods are effective in achieving compliance with this section or to provide supportive services to individuals with handicaps. A recipient is not required to make structural changes in existing housing facilities where other methods are effective in achieving compliance with this section or to provide supportive services to individuals with handicaps.

(c) Time period for compliance. The recipient shall comply with the obligations established under this section within sixty days of July 11, 1988 except that—

(1) In a public housing program where structural changes in facilities are undertaken, such changes shall be made within the timeframes established in §8.25(c).

(2) In other housing programs, where structural changes in facilities are undertaken, such changes shall be made within three years of July 11, 1988, but in any event as expeditiously as possible.

(d) Transition plan and time period for structural changes. Except as provided in §8.25(c), in the event that structural changes to facilities will be undertaken to achieve program accessibility, a recipient shall develop, within six months of July 11, 1988, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including individuals with handicaps or organizations representing individuals with handicaps. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the recipient’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the official responsible for implementation of the plan; and

(5) Identify the persons or groups with whose assistance the plan was prepared.

$8.25 Public housing and multi-family Indian housing.

(a) Development and alteration of public housing and multi-family Indian housing. (1) The requirements of §8.22 shall apply to all newly constructed public housing and multi-family Indian housing.

(2) The requirements of §8.23 shall apply to public housing and multi-family Indian housing developed through rehabilitation and to the alteration of public housing and multi-family Indian housing.

(3) In developing public housing and multi-family Indian housing through
the purchase of existing properties
PHAs and IHAs shall give priority to
facilities which are readily accessible
to and usable by individuals with
handicaps.

(b) Existing public housing and multi-
family Indian housing—general. The re-
quirements of §8.24(a) shall apply to
public housing and multi-family Indian
housing programs.

(c) Existing public housing and multi-
family Indian housing—needs assessment
and transition plan. As soon as possible,
each PHA (for the purpose of this para-
tgraph, this includes an Indian Housing
Authority) shall assess, on a PHA-wide
basis, the needs of current tenants and
applicants on its waiting list for acces-
sible units and the extent to which
such needs have not been met or can-
not reasonably be met within four
years through development, alterations
otherwise contemplated, or other pro-
grams administered by the PHA (e.g.,
Section 8 Moderate Rehabilitation or
Section 8 Existing Housing or Housing
Vouchers). If the PHA currently has no
accessible units or if the PHA or HUD
determines that information regarding
the availability of accessible units has
not been communicated sufficiently so
that, as a result, the number of eligible
qualified individuals with handicaps on
the waiting list is not fairly represent-
ative of the number of such persons in
the area, the PHA’s assessment shall
include the needs of eligible qualified
individuals with handicaps in the area.
If the PHA determines, on the basis of
such assessment, that there is no need
for additional accessible dwelling units
or that the need is being or will be met
within four years through other means,
such as new construction, Section 8 or
alterations otherwise contemplated, no
further action is required by the PHA
under this paragraph. If the PHA deter-
mines, on the basis of its needs assess-
ment, that alterations to make addi-
tional units accessible must be made so
that the needs of eligible qualified indi-
viduals with handicaps may be accom-
modated proportionally to the needs of
non-handicapped individuals in the
same categories, then the PHA shall
complete the needs assessment and
transition plan, if one is necessary, as
expeditiously as possible, but in any
event no later than two years after
July 11, 1988. The PHA shall complete
structural changes necessary to
achieve program accessibility as soon
as possible but in any event no later
than four years after July 11, 1988. The
Assistant Secretary for Fair Housing
and Equal Opportunity and the Assist-
ant Secretary for Public and Indian
Housing may extend the four year pe-
riod for a period not to exceed two
years, on a case-by-case determination
that compliance within that period
would impose undue financial and ad-
ministrative burdens on the operation
of the recipient’s public housing and
multi-family Indian housing program.
The Secretary or the Undersecretary
may further extend this time period in
extraordinary circumstances, for a pe-
riod not to exceed one year. The plan
shall be developed with the assistance
of interested persons including individ-
uals with handicaps or organizations
representing individuals with handi-
caps. A copy of the needs assessment
and transition plan shall be made
available for public inspection. The
transition plan shall, at a minimum—

(1) Identify physical obstacles in the
PHA’s facilities (e.g., dwelling units
and common areas) that limit the ac-
cessibility of its programs or activities
to individuals with handicaps;

(2) Describe in detail the methods
that will be used to make the PHA’s fa-
cilities accessible. A PHA may, if nec-
essary, provide in its plan that it will
seek HUD approval, under 24 CFR part
968, of a comprehensive modernization
program to meet the needs of eligible
individuals with handicaps;

(3) Specify the schedule for taking
the steps necessary to achieve compli-
ance with this section and, if the time
of the transition plan is longer than
one year, identify steps that will be
taken during each year of the transi-
tion period;

(4) Indicate the official responsible
for implementation of the plan; and
(5) Identify the persons or groups with whose assistance the plan was prepared.

§ 8.26 Distribution of accessible dwelling units.

Accessible dwelling units required by § 8.22, 8.23, 8.24 or 8.25 shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites and shall be available in a sufficient range of sizes and amenities so that a qualified individual with handicaps' choice of living arrangements is, as a whole, comparable to that of other persons eligible for housing assistance under the same program. This provision shall not be construed to require provision of an elevator in any multifamily housing project solely for the purpose of permitting location of accessible units above or below the accessible grade level.

§ 8.27 Occupancy of accessible dwelling units.

(a) Owners and managers of multifamily housing projects having accessible units shall adopt suitable means to assure that information regarding the availability of accessible units reaches eligible individuals with handicaps, and shall take reasonable nondiscriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of the particular unit. To this end, when an accessible unit becomes vacant, the owner or manager before offering such units to a non-handicapped applicant shall offer such unit:

(1) First, to a current occupant of another unit of the same project, or comparable projects under common control, having handicaps requiring the accessibility features of the vacant unit and occupying a unit not having such features, or, if no such occupant exists, then

(2) Second, to an eligible qualified applicant on the waiting list having a handicap requiring the accessibility features of the vacant unit.

(b) When offering an accessible unit to an applicant not having handicaps requiring the accessibility features of the unit, the owner or manager may require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible unit when available.

§ 8.28 Housing certificate and housing voucher programs.

(a) In carrying out the requirements of this subpart, a recipient administering a Section 8 Existing Housing Certificate program or a housing voucher program shall:

(1) In providing notice of the availability and nature of housing assistance for low-income families under program requirements, adopt suitable means to assure that the notice reaches eligible individuals with handicaps;

(2) In its activities to encourage participation by owners, include encouragement of participation by owners having accessible units;

(3) When issuing a Housing Certificate or Housing Voucher to a family which includes an individual with handicaps include a current listing of available accessible units known to the PHA and, if necessary, otherwise assist the family in locating an available accessible dwelling unit;

(4) Take into account the special problem of ability to locate an accessible unit when considering requests by eligible individuals with handicaps for extensions of Housing Certificates or Housing Vouchers; and

(5) If necessary as a reasonable accommodation for a person with disabilities, approve a family request for an exception rent under § 982.504(b)(2) for a regular tenancy under the Section 8 certificate program so that the program is readily accessible to and usable by persons with disabilities.

(b) In order to ensure that participating owners do not discriminate in the recipient's federally assisted program, a recipient shall enter into a
§ 8.29
HUD-approved contract with participating owners, which contract shall include necessary assurances of non-discrimination.

§ 8.29 Homeownership programs (sections 235(i) and 235(j), Turnkey III and Indian housing mutual self-help programs).

Any housing units newly constructed or rehabilitated for purchase or single family (including semi-attached and attached) units to be constructed or rehabilitated in a program or activity receiving Federal financial assistance shall be made accessible upon request of the prospective buyer if the nature of the handicap of an expected occupant so requires. In such case, the buyer shall consult with the seller or builder/sponsor regarding the specific design features to be provided. If accessibility features selected at the option of the homebuyer are ones covered by the standards prescribed by §8.32, those features shall comply with the standards prescribed in §8.32. The buyer shall be permitted to depart from particular specifications of these standards in order to accommodate his or her specific handicap. The cost of making a facility accessible under this paragraph may be included in the mortgage amount within the allowable mortgage limits, where applicable. To the extent such costs exceed allowable mortgage limits, they may be passed on to the prospective homebuyer, subject to maximum sales price limitations (see 24 CFR 235.320.)

§ 8.30 Rental rehabilitation program.

Each grantee or state recipient in the rental rehabilitation program shall, subject to the priority in 24 CFR 511.10(l) and in accordance with other requirements in 24 CFR part 511, give priority to the selection of projects that will result in dwelling units being made readily accessible to and usable by individuals with handicaps.
[53 FR 20233, June 2, 1988; 53 FR 28115, July 26, 1988]

§ 8.31 Historic properties.

If historic properties become subject to alterations to which this part applies the requirements of §4.1.7 of the standards of §8.32 of this part shall apply, except in the case of the Urban Development Action Grant (UDAG) program. In the UDAG program the requirements of 36 CFR part 801 shall apply. Accessibility to historic properties subject to alterations need not be provided if such accessibility would substantially impair the significant historic features of the property or result in undue financial and administrative burdens.

§ 8.32 Accessibility standards.

(a) Effective as of July 11, 1988, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (UFAS) shall be deemed to comply with the requirements of §§8.21, 8.22, 8.23, and 8.25 with respect to those buildings. Departures from particular technical and scoping requirements of the UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided. The alteration of housing facilities shall also be in conformance with additional scoping requirements contained in this part. Persons interested in obtaining a copy of the UFAS are directed to §40.7 of this title.

(b) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of individuals with physical handicaps.

(c) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

(d) For purposes of this section, section 4.1.4(11) of UFAS may not be used to waive or lower the minimum of five percent accessible units required by §8.22(b) or to apply the minimum only to projects of 15 or more dwelling units.

(e) Except as otherwise provided in this paragraph, the provisions of §§8.21 (a) and (b), 8.22 (a) and (b), 8.23, 8.25(a)
(1) and (2), and 8.29 shall apply to facilities that are designed, constructed or altered after July 11, 1988. If the design of a facility was commenced before July 11, 1988, the provisions shall be followed to the maximum extent practicable, as determined by the Department. For purposes of this paragraph, the date a facility is constructed or altered shall be deemed to be the date bids for the construction or alteration of the facility are solicited. For purposes of the Urban Development Action Grant (UDAG) program, the provisions shall apply to the construction or alteration of facilities that are funded under applications submitted after July 11, 1988. If the UDAG application was submitted before July 11, 1988, the provisions shall apply, to the maximum extent practicable, as determined by the Department.

§ 8.33 Housing adjustments.
A recipient shall modify its housing policies and practices to ensure that these policies and practices do not discriminate, on the basis of handicap, against a qualified individual with handicaps. The recipient may not impose upon individuals with handicaps other policies, such as the prohibition of assistive devices, auxiliary alarms, or guides in housing facilities, that have the effect of limiting the participation of tenants with handicaps in the recipient's federally assisted housing program or activity in violation of this part. Housing policies that the recipient can demonstrate are essential to the housing program or activity will not be regarded as discriminatory within the meaning of this section if modifications to them would result in a fundamental alteration in the nature of the program or activity or undue financial and administrative burdens.

Subpart D—Enforcement
§ 8.50 Assurances required.
(a) Assurances. An applicant for Federal financial assistance for a program or activity to which this part applies shall submit an assurance to HUD, or in the case of a subrecipient to a primary recipient, on a form specified by the responsible civil rights official, that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) Duration of obligation. (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended.

(c) Covenants. (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant shall also include a condition coupled
§ 8.51 Self-evaluation.

(a) Each recipient shall, within one year of July 11, 1988, and after consultation with interested persons, including individuals with handicaps or organizations representing individuals with handicaps:

1. Evaluate its current policies and practices to determine whether, in whole or in part, they do not or may not meet the requirements of this part;

2. Modify any policies and practices that do not meet the requirements of this part; and

3. Take appropriate corrective steps to remedy the discrimination revealed by the self-evaluation.

(b) A recipient that employs fifteen or more persons shall, for at least three years following completion of the evaluation required under paragraph (a)(1) of this section, maintain on file, make available for public inspection, and provide to the responsible civil rights official, upon request: (1) A list of the interested persons consulted; (2) a description of areas examined and any problems identified; and (3) a description of any modifications made and of any remedial steps taken.

(Approved by the Office of Management and Budget under control number 2529-0034)

§ 8.52 Remedial and affirmative action.

(a) Remedial action. (1) If the responsible civil rights official finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the responsible civil rights official deems necessary to overcome the effects of the discrimination.

2. The responsible civil rights official may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action—

(i) With respect to individuals with handicaps who are no longer participants in the program but who were participants in the program when such discrimination occurred or

(ii) With respect to individuals with handicaps who would have been participants in the program had the discrimination not occurred.

(b) Voluntary action. A recipient may take nondiscriminatory steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity by qualified individuals with handicaps.

§ 8.53 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) Adoption of grievance procedures. A recipient that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to housing covered by this part.

§ 8.54 Notice.

(a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding
collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its federally assisted programs and activities. The notification shall also include an identification of the responsible employee designated pursuant to §8.53. A recipient shall make the initial notification required by this paragraph within 90 days of July 11, 1988. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publications, and distribution of memos or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

(c) The recipient shall ensure that members of the population eligible to be served or likely to be affected directly by a federally assisted program who have visual or hearing impairments are provided with the information necessary to understand and participate in the program. Methods for ensuring participation include, but are not limited to, qualified sign language and oral interpreters, readers, or the use of taped and Braille materials.

§ 8.55 Compliance information.
(a) Cooperation and assistance. The responsible civil rights official and the award official shall, to the fullest extent practicable, seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each recipient shall keep such records and submit to the responsible civil rights official or his or her designee timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the responsible civil rights official or his or her designee may determine to be necessary to enable him or her to ascertain whether the recipient has complied or is complying with this part. In general, recipients should have available for the Department data showing the extent to which individuals with handicaps are beneficiaries of federally assisted programs.

(c) Access to sources of information. Each recipient shall permit access by the responsible civil rights official during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities, as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution, or person and this agency, institution, or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program or activity under which the recipient receives Federal financial assistance, and make such information available to them in such manner as the responsible civil rights official finds necessary to apprise such persons of the protections against discrimination assured them by this part.
basis to do so may conduct on-site reviews. Such basis may include any evidence that a problem exists or that programmatic matters exist that justify on-site investigation in selected circumstances. The responsible civil rights official shall initiate an on-site review by sending to the recipient a letter advising the recipient of the practices to be reviewed; the programs affected by the review; and the opportunity, at any time prior to receipt of a final determination, to make a documentary or other submission that explains, validates, or otherwise addresses the practices under review. In addition, each award official shall include in normal program compliance reviews and monitoring procedures appropriate actions to review and monitor compliance with general or specific program requirements designed to effectuate the requirements of this part.

(b) Investigations. The responsible civil rights official shall make a prompt investigation whenever a compliance review, report, complaint or any other information indicates a possible failure to comply with this part.

(c) Filing a complaint—(1) Who may file. Any person who believes that he or she has been subjected to discrimination prohibited by this part may by himself or herself or by his or her authorized representative file a complaint with the responsible civil rights official. Any person who believes that any specific class of persons has been subjected to discrimination prohibited by this part and who is a member of that class or who is the authorized representative of a member of that class may file a complaint with the responsible civil rights official.

(2) Confidentiality. The responsible civil rights official shall hold in confidence the identity of any person submitting a complaint, unless the person submits written authorization otherwise, and except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or proceeding under this part.

(3) When to file. Complaints shall be filed within 180 days of the alleged act of discrimination, unless the responsible civil rights official waives this time limit for good cause shown. For purposes of determining when a complaint is filed under this paragraph, a complaint mailed to the Department shall be deemed filed on the date it is postmarked. Any other complaint shall be deemed filed on the date it is received by the Department.

(4) Where to file complaints. Complaints may be filed by mail with the Office of Fair Housing and Equal Opportunity, Department of Housing and Urban Development, Washington, DC 20410, or any Regional or Field Office of the Department.

(5) Contents of complaints. Each complaint should contain the complainant’s name and address, the name and address of the recipient alleged to have violated this part, and a description of the recipient’s alleged discriminatory action in sufficient detail to inform the Department of the nature and date of the alleged violation of this part.

(6) Amendments of complaints. Complaints may be reasonably and fairly amended at any time. Amendments to complaints such as clarification and amplification of allegations in a complaint or the addition of other recipients may be made at any time during the pendency of the complaint and any amendment shall be deemed to be made as of the original filing date.

(d) Notification. The responsible civil rights official will notify the complainant and the recipient of the agency’s receipt of the complaint within ten (10) calendar days.

(e) Complaint processing procedures. After acknowledging receipt of a complaint, the responsible civil rights official will immediately initiate complaint processing procedures.

(1) Preliminary investigation.

(i) Within twenty (20) calendar days of acknowledgement of the complaint, the responsible civil rights official will review the complaint for acceptance, rejection, or referral to the appropriate Federal agency.
(ii) If the complaint is accepted, the responsible civil rights official will notify the complainant and the award official. The responsible civil rights official will also notify the applicant or recipient complained against of the allegations and give the applicant or recipient an opportunity to make a written submission responding to, rebutting, or denying the allegations raised in the complaint.

(iii) The party complained against may send the responsible civil rights official a response to the notice of complaint within thirty (30) calendar days of receiving it. With leave of the responsible civil rights official, an answer may be amended at any time. The responsible civil rights official will permit answers to be amended for good cause shown.

(2) Informal resolution. In accordance with paragraph (j) of this section, the responsible civil rights official shall attempt to resolve complaints informally whenever possible.

(f) Dismissal of complaint. If the investigation reveals no violation of this part, the responsible civil rights official will dismiss the complaint and notify the complainant and recipient.

(g) Letter of findings. If an informal resolution of the complaint is not reached the responsible civil rights official or his or her designee shall, within 180 days of receipt of the complaint, notify the recipient and the complainant (if any) of the results of the investigation in a letter sent by certified mail, return receipt requested, containing the following:

(1) Preliminary findings of fact and a preliminary finding of compliance or noncompliance;

(2) A description of an appropriate remedy for each violation believed to exist;

(3) A notice that a copy of the Final Investigative Report of the Department will be made available, upon request, to the recipient and the complainant (if any); and

(4) A notice of the right of the recipient and the complainant (if any) to request a review of the letter of findings by the reviewing civil rights official.

(h) Right to review of the letter of findings. A complainant or recipient may request that a complete review be made of the letter of findings within 30 days of receipt, by mailing or delivering to the reviewing civil rights official, Office of Fair Housing and Equal Opportunity, Washington, DC 20410, a written statement of the reasons why the letter of findings should be modified in light of supplementary information.

(2) The reviewing civil rights official shall send by certified mail, return receipt requested, a copy of the request for review to the other party, if any. Such other party shall have 20 days to respond to the request for review.

(3) The reviewing civil rights official shall either sustain or modify the letter of findings within 60 days of the request for review. The reviewing civil rights official's decision shall constitute the formal determination.

(4) If neither party requests that the letter of findings be reviewed, the responsible civil rights official shall, within fourteen (14) calendar days of the expiration of the time period in paragraph (h)(1) of this section, send a formal written determination of compliance or noncompliance to the recipient and copies to the award official.

(i) Voluntary compliance time limits. The recipient will have ten (10) calendar days from receipt of the formal determination of noncompliance within which to come into voluntary compliance. If the recipient fails to meet this deadline, HUD shall proceed under §8.57.

(j) Informal resolution/voluntary compliance—(1) General. It is the policy of the Department to encourage the informal resolution of matters. The responsible civil rights official may attempt to resolve a matter through informal means at any stage of processing. A matter may be resolved by informal means at any time. If a letter of findings making a preliminary finding of noncompliance is issued, the responsible civil rights official shall attempt to resolve the matter by informal means.

(2) Objectives of informal resolution/voluntary compliance. In attempting informal resolution, the responsible civil rights official shall attempt to achieve a just resolution of the matter and to obtain assurances where appropriate, that the recipient will satisfactorily
§ 8.57 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with this part and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, or by other means authorized by law. Such other means may include, but are not limited to:

(1) A referral to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States, or any assurance or other contractual undertaking.

(2) The initiation of debarment proceedings pursuant to part 24 of this title; and

(3) Any applicable proceeding under State or local law.

(b) Noncompliance with § 8.50. If an applicant or a recipient of assistance under a contract which is extended or amended on or after July 11, 1988, fails or refuses to furnish an assurance required under § 8.50 or otherwise fails or refuses to comply with the requirements imposed by that section, Federal financial assistance may be refused under paragraph (c) of this section. The Department is not required to provide assistance during the pendency of the administrative proceeding under such paragraph (c), except where the assistance is due and payable under a contract approved before July 11, 1988.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until:

(1) The responsible civil rights official has advised the applicant or recipient of its failure to comply and has determined that compliance cannot be secured by voluntary means;

(2) There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed under this part;

(3) The action has been approved by the Secretary; and

(4) The expiration of 30 days after the Secretary has filed with the committees of the House and Senate having legislative jurisdiction over the program or activity involved a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate, or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Notice to State or local government. Whenever the Secretary determines that a State or unit of general local government which is a recipient of Federal financial assistance under title
I of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301-5318) has failed to comply with a requirement of this part with respect to a program or activity funded in whole or in part with such assistance, the Secretary shall notify the Governor of the State or the chief executive officer of the unit of general local government of the noncompliance and shall request the Governor or the chief executive officer to secure compliance. The notice shall be given at least sixty days before:

(1) An order suspending, terminating, or refusing to grant or continue Federal financial assistance becomes effective under paragraph (c) of this section; or

(2) Any action to effect compliance by any other means authorized by law is taken under paragraph (a) of this section.

(e) Other means authorized by law. No action to effect compliance by any other means authorized by law shall be taken until:

(1) The responsible civil rights official has determined that compliance cannot be secured by voluntary means;

(2) The recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance; and

(3) At least 10 days have elapsed since the mailing of such notice to the applicant or recipient. During this period, additional efforts shall be made to persuade the applicant or recipient to comply with this part and to take such corrective action as may be appropriate.

However, this paragraph shall not be construed to prevent an award official from utilizing appropriate procedures and sanctions established under the program to assure or secure compliance with a specific requirement of the program designed to effectuate the objectives of this part.

§ 8.58 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by §8.57(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action. The notice shall:

(1) Fix a date not less than 20 days after the date of the notice for the applicant or recipient to request the administrative law judge to schedule a hearing, or

(2) Advise the applicant or recipient that the matter has been scheduled for hearing at a stated time and place. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set is a waiver of the right to a hearing under §8.57(c) and consent to the making of a decision on the basis of available information.

(b) Hearing procedures. Hearings shall be conducted in accordance with 24 CFR part 180.

9.149 Program accessibility: discrimination prohibited.
§ 9.101 Purpose.

The purpose of this part is to effectuate section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of disability in programs or activities conducted by Executive agencies or the United States Postal Service.

§ 9.102 Applicability.

This part applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with disabilities in the United States.

§ 9.103 Definitions.

For purposes of this part:

Accessible: (1) When used with respect to the design, construction, or alteration of a facility or a portion of a facility other than an individual dwelling unit, means that the facility or portion of the facility when designed, constructed or altered, complies with applicable accessibility standards and can be approached, entered, and used by individuals with physical disabilities. The phrase “accessible to and usable by” is synonymous with accessible.

(2) When used with respect to the design, construction, or alteration of an individual dwelling unit, means that the unit is located on an accessible route and, when designed, constructed, altered or adapted, complies with applicable accessibility standards, and can be approached, entered, and used by individuals with physical disabilities. A unit that is on an accessible route and is adaptable and otherwise in compliance with the standards set forth in § 9.151 is “accessible” within the meaning of this definition. When a unit in an existing facility which is being made accessible as a result of alterations is intended for use by a specific qualified individual with disabilities (e.g., a current occupant of such unit or of another unit under the control of the same agency, or an applicant on a waiting list), the unit will be deemed accessible if it meets the requirements of applicable standards that address the particular disability or impairment of such person.

Accessible route means a continuous unobstructed path connecting accessible elements and spaces of a building or facility. Interior accessible routes may include corridors, floors, ramps, elevators, lifts, and clear floor space at fixtures. Exterior accessible routes may include parking access aisles, curb ramps, crosswalks at vehicular ways, walks, ramps and lifts.

ADA means the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 through 12213)

ADA Accessibility Guidelines (ADAAG) means the Accessibility Guidelines issued under the ADA, and which are codified in the Appendix to 39 CFR part 1191.

Adaptability means the ability of certain building, spaces and elements, such as kitchen counters, sinks, and grab bars, to be added or altered, to accommodate the needs of persons with or without disabilities, or to accommodate the needs of persons with different types or degrees of disability. For example, in a unit adaptable for a person with impaired hearing, the wiring for visible emergency alarms may be installed but the alarms need not be installed until such time as the unit is made ready for occupancy by a person with impaired hearing.

Agency means the Department of Housing and Urban Development.

Alteration means a change to a building or facility or its permanent fixtures or equipment that affects or
could affect the usability of the building or facility or part thereof. Alterations include, but are not limited to, remodeling, renovation, rehabilitation, reconstruction, historic restoration, changes or rearrangements of the structural parts and changes or rearrangements in the plan configuration of walls and full-height partitions. Normal maintenance, re-roofing, painting, or wallpapering or changes to mechanical and electrical systems are not alterations unless they affect the usability of the building or facility.

Assistant Attorney General means the Assistant Attorney General, Civil Rights Division, United States Department of Justice.

Assistant Secretary means the Assistant Secretary of Housing and Urban Development for Fair Housing and Equal Opportunity.

For example, auxiliary aids useful for persons with impaired vision include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone hand-set amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TDD's), interpreters, note takers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant's name and address and describes the agency's alleged discriminatory action in sufficient detail to inform the agency of the nature and date of the alleged violation of section 504. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

Current illegal use of drugs means illegal use of drugs that occurred recently enough to justify a reasonable belief that a person's drug use is current or that continuing use is a real and ongoing problem.

Drug means a controlled substance, as defined in schedules I through V of section 202 of the Controlled Substances Act (21 U.S.C. 812).

Illegal use of drugs means the use of one or more drugs, the possession or distribution of which is unlawful under the Controlled Substances Act (21 U.S.C. 812). The term "illegal use of drugs" does not include the use of a drug taken under supervision by a licensed health care professional, or other uses authorized by the Controlled Substances Act or other provisions of Federal law.

(2) The term “individual with disabilities” does not include:

(i) An individual who is currently engaging in the illegal use of drugs, when the agency acts on the basis of such use. This exclusion, however, does not exclude an individual with disabilities who—

(A) Has successfully completed a supervised drug rehabilitation program, and is no longer engaging in the illegal use of drugs, or has otherwise been rehabilitated successfully, and is no longer engaging in such use;

(B) Is participating in a supervised rehabilitation program, and is no longer engaging in such use; or

(C) Is erroneously regarded as engaging in such use, but is not engaging in such use.

(ii) Except that it shall not violate this part for the agency to adopt or administer reasonable policies and procedures, including but not limited to drug testing, designed to ensure that an individual described in paragraphs (2)(i) (A) and (B) of this definition is no longer engaging in the illegal use of drugs.

(iii) Nothing in paragraph (2) of this definition shall be construed to encourage, prohibit, restrict or authorize the conduct of testing for illegal use of drugs.

(iv) The agency shall not deny health services provided under titles I, II and III of the Rehabilitation Act of 1973 (29 U.S.C. 701 through 777f) to an individual with disabilities on the basis of that individual's current illegal use of drugs, if the individual is otherwise entitled to such services.

(3) For purposes of employment, the term “individual with disabilities” does not include:

(i) An individual who has a currently contagious disease or infection and who, by reason of such disease or infection—

(A) Has been determined, in accordance with the provisions of §9.131, to pose a direct threat to the health or safety of other individuals, which threat cannot be eliminated or reduced by reasonable accommodation, or

(B) Is unable to perform the essential duties of the job, with or without reasonable accommodation; or

(ii) An individual who is an alcoholic and whose current use of alcohol prevents him or her from performing the duties of the job in question or whose employment would constitute a direct threat to the property or the safety of others by reason of his or her current alcohol abuse.

(4) “Major life activities” means functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(5) “Has a record of such an impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(6) “Is regarded as having an impairment” means—

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the agency as constituting such a limitation;

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Property Disposition Program (PDP) means the HUD program which administers the housing facilities that are either owned by the Secretary or where, even though the Secretary has not obtained title, the Secretary is mortgagee-in-possession. Such properties are deemed to be in the possession or control of the agency.

Qualified individual with disabilities means:

(1) With respect to any agency non-employment program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with disabilities who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature; or

(2) With respect to any other agency non-employment program or activity, an individual with disabilities who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity.

(3) “Essential eligibility requirements” include stated eligibility requirements such as income, as well as other implicit or implicit requirements inherent in the nature of the program or activity, such as requirements that an occupant of a PDP multifamily housing facility be capable of meeting selection criteria and be capable of complying with all obligations of occupancy with or without supportive services provided by persons other than the agency.

(4) “Qualified person with disabilities” as that term is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this part by §9.140.

Construction and equipment costs do not include the cost of land, demolition, site improvements, non-dwelling facilities and administrative costs for project development activities.

Secretary means the Secretary of Housing and Urban Development.

Section 504 means section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794). As used in this part, section 504 applies only to programs or activities conducted by the agency and not to federally assisted programs.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

UFAS means the Uniform Federal Accessibility Standards, which implement the accessibility standards required by the Architectural Barriers Act (42 U.S.C. 4151 through 4157), and which are established at 24 CFR part 40, Appendix A for residential structures, and 41 CFR 101-19.600 through 101-19.607, and Appendix A to these sections, for non-residential structures.

§9.110 Self-evaluation.

(a) The agency shall, within one year of the effective date of this part, evaluate its current policies and practices, and the effects of those policies and practices, including regulations, handbooks, notices and other written guidance, that do not or may not meet the requirements of this part. To the extent modification of any such policies is required, the agency shall take the necessary corrective actions.

(b) The agency shall provide an opportunity to interested persons, including individuals with disabilities or organizations representing individuals with disabilities, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, for at least three years following the completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A list of interested persons;

(2) A description of the areas examined and any problems identified; and

(3) A description of any modifications made or to be made.

§9.111 Notice.

The agency shall make available to employees, applicants, participants,
beneficiaries, and other interested persons information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency. The agency shall make such information available to such persons in such manner as the Secretary finds necessary to apprise them of the protections against discrimination assured them by section 504 and this part. All publications and recruitment materials distributed to participants, beneficiaries, applicants or employees shall include a statement that the agency does not discriminate on the basis of disability. The notice shall include the name of the person or office responsible for the implementation of section 504.

§§ 9.112–9.129 [Reserved]

§ 9.130 General prohibitions against discrimination.

(a) No qualified individual with disabilities shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any housing, aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of disability—

(i) Deny a qualified individual with disabilities the opportunity to participate in or benefit from the housing, aid, benefit, or service;

(ii) Afford a qualified individual with disabilities an opportunity to participate in or benefit from the housing, aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with disabilities with any housing, aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate housing, aid, benefits, or services to individuals with disabilities or to any class of individuals with disabilities than is provided to others unless such action is necessary to provide qualified individuals with disabilities with housing, aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with disabilities the opportunity to participate as a member of planning or advisory boards;

(vi) Deny a dwelling to an otherwise qualified buyer or renter because of a disability of that buyer or renter or a person residing in or intending to reside in that dwelling after it is sold, rented or made available; or

(vii) Otherwise limit a qualified individual with disabilities in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the housing, aid, benefit, or service.

(2) For purposes of this part, housing, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for individuals with disabilities and for persons without disabilities, but must afford individuals with disabilities equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

(3) The agency may not deny a qualified individual with disabilities the opportunity to participate in programs or activities that are not separate or different, despite the existence of programs or activities that are permisibly separate or different for persons with disabilities.

(4) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would:

(i) Subject qualified individuals with disabilities to discrimination on the basis of disability; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with disabilities.

(5) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would:

(i) Exclude individuals with disabilities from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or
(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with disabilities.

(6) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with disabilities to discrimination on the basis of disability.

(7) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with disabilities to discrimination on the basis of disability, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with disabilities to discrimination on the basis of disability. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c)(1) Notwithstanding any other provision of this part, persons without disabilities may be excluded from the benefits of a program if the program is limited by Federal statute or Executive order to individuals with disabilities. A specific class of individuals with disabilities may be excluded from a program if the program is limited by Federal statute or Executive order to a different class of individuals.

(2) Certain agency programs operate under statutory definitions of “persons with disabilities” that are more restrictive than the definition of “individual with disabilities” contained in §9.103. Those definitions are not superseded or otherwise affected by this regulation.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with disabilities.

(e) The obligation to comply with this part is not obviated or alleviated by any State or local law or other requirement that, based on disability, imposes inconsistent or contradictory prohibitions or limits upon the eligibility of qualified individuals with disabilities to receive services or to practice any occupation or profession.

(f) The enumeration of specific forms of prohibited discrimination in paragraphs (b) and (d) of this section does not limit the general prohibition in paragraph (a) of this section.

§ 9.131 Direct threat.

(a) This part does not require the agency to permit an individual to participate in, or benefit from the goods, services, facilities, privileges, advantages and accommodations of that agency when that individual poses a direct threat to the health or safety of others.

(b) “Direct threat” means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices, or procedures, or by the provision of auxiliary aids or services.

(c) In determining whether an individual poses a direct threat to the health or safety of others, the agency must make an individualized assessment, based on reasonable judgment that relies on current medical knowledge or on the best available objective evidence to ascertain: the nature, duration, and severity of the risk; the probability that the potential injury will actually occur; and whether reasonable modifications of policies, practices, or procedures will mitigate the risk.

§§ 9.132–9.139 [Reserved]

§ 9.140 Employment.

No qualified individual with disabilities shall, on the basis of disability, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613 (subpart G), shall apply to employment in federally conducted programs or activities.

§§ 9.141–9.148 [Reserved]

§ 9.149 Program accessibility: discrimination prohibited.

Except as otherwise provided in §9.150, no qualified individual with disabilities shall, because the agency’s facilities are inaccessible to or unusable by individuals with disabilities, be denied the benefits of, or be excluded from
§ 9.150 Program accessibility: existing facilities.

(a) General. Except as otherwise provided in paragraph (e) of this section, the agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with disabilities. This section does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with disabilities;

(2) In the case of historic properties, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 9.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Secretary or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with disabilities receive the benefits and services of the program or activity.

(b) Methods. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with disabilities. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, also shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151 through 4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with disabilities in the most integrated setting appropriate.

(c) Time period for compliance. The agency shall comply with the obligations established under this section within sixty days of July 18, 1994 except that where structural changes in facilities are undertaken, such changes shall be made within three years of July 18, 1994, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, within six months of July 18, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with disabilities or organizations representing individuals with disabilities, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with disabilities;
(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

(e) The requirements of paragraphs (a), (b), and (c) of this section shall apply to the Property Disposition Programs. However, this section does not require HUD to make alterations to existing facilities that are part of the Property Disposition Programs unless such alterations are necessary to meet the needs of a current or prospective tenant during the time when HUD expects to retain legal possession of the facilities, and there is no alternative method to meet the needs of that current or prospective tenant. Nothing in this section shall be construed to require alterations to make facilities accessible to persons with disabilities who are expected to occupy the facilities only after HUD relinquishes legal possession.

§ 9.151 Program accessibility: new construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered and provide emergency egress so as to be readily accessible to and usable by individuals with disabilities. The definitions, requirements, and accessibility standards that apply to buildings covered by this section are those contained in the UFAS, except where the ADAAG provides for greater accessibility for the type of construction or alteration being undertaken, and in this case, the definitions, requirements and standards of the ADAAG shall apply.

§ 9.152 Program accessibility: alterations of Property Disposition Program multifamily housing facilities.

(a) Substantial alteration. If the agency undertakes alterations to a PDP multifamily housing project that has 15 or more units and the cost of the alterations is 75 percent or more of the replacement cost of the completed facility, then the project shall be designed and altered to be readily accessible to and usable by individuals with disabilities. Subject to paragraph (c) of this section, a minimum of five percent of the total dwelling units, or at least one unit, whichever is greater, shall be made accessible for persons with mobility impairments. A unit that is on an accessible route and is adaptable and otherwise in compliance with the standards set forth in paragraph (d) of this section is accessible for purposes of this section. An additional two percent of the units (but not less that one unit) in such a project shall be accessible for persons with hearing or vision impairments. If state or local requirements for alterations require greater action than this paragraph, those requirements shall prevail.

(b) Other alteration. (1) Subject to paragraph (c) of this section, alterations to dwelling units in a PDP multifamily housing project shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with disabilities. If alterations of single elements or spaces of a dwelling unit, when considered together, amount to an alteration of a dwelling unit, the entire dwelling unit shall be made accessible. Once five percent of the dwelling units in a project are readily accessible to and usable by individuals with mobility impairments, then no additional elements of dwelling units, or entire dwelling units, are required to be accessible under this paragraph. Once two percent of the dwelling units in a project are readily accessible to or usable by individuals with hearing or vision impairments, then no additional elements of dwelling units, or entire dwelling units, are required to be accessible under this paragraph.

(2) Alterations to common areas or parts of facilities that affect accessibility of existing housing facilities, shall, to the maximum extent feasible, be made to be accessible to and usable by individuals with disabilities.

(c) The agency may establish a higher percentage or number of accessible
§ 9.153 Distribution of accessible dwelling units.

Accessible dwelling units required by § 9.152 shall, to the maximum extent feasible, be distributed throughout projects and sites and shall be available in a sufficient range of sizes and amenities so that a qualified individual with disabilities’ choice of living arrangements is, as a whole, comparable to that of other persons eligible for housing assistance under the same agency conducted program. This provision shall not be construed to require (but does allow) the provision of an elevator in any multifamily housing project solely for the purpose of permitting location of accessible units above or below the accessible grade level.

§ 9.154 Occupancy of accessible dwelling units.

(a) The agency shall adopt suitable means to assure that information regarding the availability of accessible units in PDP housing facilities reaches eligible individuals with disabilities, and shall take reasonable nondiscriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of the particular unit. To this end, when an accessible unit becomes vacant, the agency (or its management agent) before offering such units to an applicant without disabilities shall offer such unit:

(1) First, to a current occupant of another unit of the same project, or comparable projects under common control, having disabilities requiring the accessibility features of the vacant unit and occupying a unit not having such features, or, if no such occupant exists, then

(2) Second, to an eligible qualified applicant on the waiting list having a disability requiring the accessibility features of the vacant unit.

(b) When offering an accessible unit to an applicant not having disabilities requiring the accessibility features of the unit, the agency may require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible unit when available.

§ 9.155 Housing adjustments.

(a) The agency shall modify its housing policies and practices as they relate to PDP housing facilities to ensure that these policies and practices do not discriminate, on the basis of disability, against a qualified individual with disabilities. The agency may not impose upon individuals with disabilities other policies, such as the prohibition of assistive devices, auxiliary aids, alarms, or guides in housing facilities, that have the effect of limiting the participation of tenants with disabilities in any agency conducted housing program or activity in violation of this part. Housing policies that the agency can demonstrate are essential to the housing program or activity will not be regarded as discriminatory within the meaning of this section if modifications would result in a fundamental alteration in the nature of the program or activity or undue financial and administrative burdens.

(b) The decision that compliance would result in such alteration or burdens must be made by the Secretary or his or her designee after considering all agency resources available for use in
Office of the Secretary, HUD § 9.170

the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits and services of the program or activity.

§ 9.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with disabilities an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with disabilities.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries or members of the public by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with this section would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Secretary or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with §9.160 would result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits and services of the program or activity.

§ 9.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of disability in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 under section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Responsible Official shall coordinate implementation of this section.

(d) Persons may submit complete complaints to the Assistant Secretary for Fair Housing and Equal Opportunity, 451 Seventh St., SW., Washington, DC 20410, or to any HUD Area Office. The agency shall accept and investigate all complete complaints for which the agency has jurisdiction. All
complete complaints shall be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause. For purposes of determining when a complaint is filed, a complaint mailed to the agency shall be deemed filed on the date it is postmarked. Any other complaint shall be deemed filed on the date it is received by the agency. The agency shall acknowledge all complaints, in writing, within ten (10) working days of receipt of the complaint.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151 through 4157), is not readily accessible to and usable by individuals with disabilities. The agency shall delete the identity of the complainant from the copy of the complaint.

(g)(1) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the Office of Fair Housing and Equal Opportunity shall complete the investigation of the complaint, attempt informal resolution, and if no informal resolution is achieved, issue a letter of findings. If a complaint is filed against the Office of Fair Housing and Equal Opportunity, the Secretary or a designee of the Secretary shall investigate and resolve the complaint through informal agreement or letter of findings.

(2) If a complaint is resolved informally, the terms of the agreement shall be reduced to writing and made part of the complaint file, with a copy of the agreement provided to the complainant and the agency. The written agreement may include a finding on the issue of discrimination and shall describe any corrective action to which the complainant and the respondent have agreed.

(3) If a complaint is not resolved informally, the Office of Fair Housing and Equal Opportunity or a person designated under this paragraph shall notify the complainant of the results of the investigation in a letter containing—

(i) Findings of fact and conclusions of law;
(ii) A description of a remedy for each violation found;
(iii) A notice of the right to appeal to the Secretary;

(h)(1) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §9.170(g). The Assistant Secretary or the person designated by the Secretary to decide an appeal of a complaint filed against the Office of Fair Housing and Equal Opportunity may extend this time for good cause.

(2) Timely appeals shall be accepted and processed by the Assistant Secretary. Decisions on an appeal shall not be issued by the person who made the initial determination.

(i) The Assistant Secretary or the person designated by the Secretary to decide an appeal of a complaint filed against the Office of Fair Housing and Equal Opportunity shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the agency determines that it needs additional information from the complainant, it shall have 60 days from the date it receives the additional information to make its determination on the appeal.

(j) The time limits cited in paragraphs (g) and (i) of this section may be extended with the permission of the Assistant Attorney General.

(k) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

the recommendation of a Federal,
State, or local government or govern-

§ 10.14 Hearings.

(a) The provisions of 5 U.S.C. 556 and 557, which govern formal hearings in adjudicatory proceedings, do not apply to informal rule making proceedings described in this part. When opportunity is afforded for oral presentation, such informal hearing is a non-adversary, fact-finding proceeding. Any rule issued in a proceeding under this part in which a hearing is held is not based exclusively on the record of such hearing.

(b) When a hearing is provided, the Secretary will designate a representative to conduct the hearing, and if the presence of a legal officer is desirable, the General Counsel will designate a staff attorney to serve as the officer.

§ 10.16 Adoption of a final rule.

All timely comments are considered in taking final action on a proposed rule. Each preamble to a final rule will contain a short analysis and evaluation of the relevant significant issues set forth in the comments submitted, and a clear concise statement of the basis and purpose of the rule.

§ 10.18 Petitions for reconsideration.

Petitions for reconsideration of a final rule will not be considered. Such petitions, if filed, will be treated as petitions for rulemaking in accordance with § 10.20.

If the Secretary finds that the petition contains adequate justification, a rulemaking proceeding will be initiated or a final rule will be issued as appropriate. If the Secretary finds that the petition does not contain adequate justification, the petition will be denied by letter or other notice, with a brief statement of the ground for denial. The Secretary may consider new evidence at any time; however, repetitious petitions for rulemaking will not be considered.

IN ADMINISTRATIVE PROCEEDINGS

Subpart A—General Provisions

§ 14.50 Definitions.

Adversary adjudication. (a) An adjudication under 5 U.S.C. 554 in which the position of the United States is represented by counsel or otherwise, but not including an adjudication for the purpose of establishing or fixing a rate or for the purpose of granting or renewing a license; and
(b) Appeals of decisions of contracting officers made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) before agency boards of contract appeals as provided in section 8 of that Act (41 U.S.C. 607).

Agency counsel (a) When the position of the Department is being represented, the attorney or attorneys designated by the Department's General Counsel to represent the Department in a proceeding covered by this part, and
(b) When the position of another agency of the United States is being represented, the representative as designated by that agency.

Department. The Department of Housing and Urban Development, or the organizational unit within the Department responsible for conducting an adversary adjudication subject to this part.

Secretary. The Secretary of Housing and Urban Development.

§ 14.100 Time computation.
Time periods stated in this part shall be computed in accordance with the Department's rules with respect to computation of time which apply to the underlying proceeding.

§ 14.105 Purpose of these rules.
The Act provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (adversary adjudications) before the Department. An eligible party may receive an award when it prevails over an agency, unless the agency's position was substantially justified or special circumstances make an award unjust. The rules in this part described the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards and the procedures and standards that the Department will use to make them.

§ 14.110 When the Act applies.
The Act applies to any adversary adjudication pending or commenced before this Department on or after August 5, 1985. It also applies to any adversary adjudication commenced on or after October 1, 1984, and finally disposed of before August 5, 1985, provided that an application for fees and expenses, as described in subpart B of these rules, has been filed with the Department no later than 30 days after August 5, 1985, and to any adversary adjudication pending on or commenced on or after October 1, 1981, in which an application for fees and other expenses was timely filed and was dismissed for lack of jurisdiction.

§ 14.115 Proceedings covered.
(a) The proceedings to which this part applies are adversary adjudications conducted by the Department under:

3. Section 505(a) of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794a, 28 CFR part 41, and any applicable HUD regulations;
4. Section 305(a) of the Age Discrimination Act of 1975, 42 U.S.C. 6104(a), 45 CFR part 90 and any applicable HUD regulations;
5. Section 3 of the HUD Act of 1968, 12 U.S.C. 170l(u) (Employment Opportunities for Business and Lower Income Persons in Connection with Assisted Projects), and 24 CFR part 135;
9. Appeals of decisions of contracting officers made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) before the HUD Board of Contract Appeals as provided
§ 14.120 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term party is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this subpart and in subpart B.

(b) The types of eligible applicants are as follows:

(1) An individual with a net worth of not more than $2 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than $7 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code, 26 U.S.C. 501(c)(3), with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act, 12 U.S.C. 1141j(a), with not more than 500 employees; or

(5) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than $7 million and not more than 500 employees.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated.

§ 14.125 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the agency over which the applicant has prevailed was substantially justified. The position of
the agency includes, in addition to the position taken by the agency in the adversary adjudication, the action or failure to act by the agency upon which the adversary adjudication is based. The burden of proof that an award should not be made to an ineligible prevailing applicant because the agency's position was substantially justified is on the agency counsel, who may avoid an award by showing that its position was reasonable in law and fact.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding, if the applicant has falsified the application (including documentation) or net worth exhibit or if special circumstances make the award unjust.

§ 14.130 Allowable fees and expenses.

(a) No award for the fee of an attorney or agent under these rules may exceed $75.00 per hour. However, an award may also include the reasonable expenses of the attorney, agent or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(b) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the adjudicative officer shall consider the following:

(1) If the attorney, agent or witness is in private practice, his or her customary fee for similar services, or, if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for the kind and quality of services furnished in the community in which the attorney, agent or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in the light of the difficulty or complexity of the issues in the proceeding; and

(5) Such other factors as may bear on the value of the services provided.

(c) The reasonable cost of any study, analysis, engineering report, test, project, or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the services does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant’s case.

§ 14.135 Rulemaking on maximum rates for attorney fees.

Any person may file with the Department a petition for rulemaking to increase the maximum rate for attorney fees as provided in 5 U.S.C. 504(b)(1)(A)(ii), in accordance with 24 CFR part 10. The petition should identify the rate the petitioner believes the Department should establish and the types of proceedings in which the rate should be used. It should also explain fully the reasons why the higher rate is warranted. The Department will respond to the petition in accordance with 24 CFR 10.20(b).

§ 14.140 Awards against other agencies.

If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Department and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

Subpart B—Information Required From Applicants

§ 14.200 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the Department or other agencies that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant’s net worth does not exceed $2 million (if an individual) or $7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described
§ 14.205 Net worth exhibit.

(a) Each applicant except a qualified tax-exempt organization or a qualified cooperative association must submit with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in §14.120(f) of this part) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities, and is sufficient to determine whether the applicant qualifies under the standards of the Act and this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) The net worth exhibit shall describe any transfers of assets from, or obligations incurred by, the applicant or any affiliate, occurring in the one-year period before the date on which the proceeding was initiated, that reduced the net worth of the applicant and its affiliates below the applicable net worth ceiling. If there were no such transactions, the applicant shall so state.

(c) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled “Confidential Financial Information,” accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act (5 U.S.C. 552(b)(1)-(9)), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Department's established procedures under the Freedom of Information Act, 24 CFR part 15. In either case, disclosure shall be subject to the provisions of the Privacy Act of...
Office of the Secretary, HUD

§ 14.310 Answer to application.

(a) Within 30 days after service of an application, agency counsel may file an answer to the application. Agency counsel may request an extension of time for filing. If agency counsel fails to answer or otherwise fails to contest or settle the application, the adjudicative officer, upon a satisfactory showing of entitlement by the applicant, may make an award for the applicant's fees and other expenses under the Act.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

Subpart C—Procedures for Considering Applications

§ 14.300 Jurisdiction of adjudicative officer.

Any provision in the Department's rules and regulations other than this part which limits or terminates the jurisdiction of an adjudicative officer upon the effective date of his or her decision in the underlying proceeding shall not in any way affect his or her jurisdiction to render a decision under this part.

§ 14.305 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in §14.205(c) for confidential financial information.

§ 14.310 Answer to application.

(a) Within 30 days after service of an application, agency counsel may file an answer to the application. Agency counsel may request an extension of time for filing. If agency counsel fails to answer or otherwise fails to contest or settle the application, the adjudicative officer, upon a satisfactory showing of entitlement by the applicant, may make an award for the applicant's fees and other expenses under the Act.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent

§ 14.210 Documentation of fees and expenses.

(a) The application shall be accompanied by full and itemized documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought.

(b) The documentation shall include an affidavit from any attorney, agent or expert witness representing or appearing in behalf of the party, stating the actual time expended and the rate at which fees and other expenses were computed and describing the specific services performed.

(c) The documentation shall also include a description of any expenses for which reimbursement is sought and a statement of the amounts paid and payable by the applicant or by any other person or entity for the services provided. Vouchers, receipts, logs, or other substantiation for any expenses paid or payable shall be provided.

(d) The adjudicative officer may require the applicant to provide additional substantiation for any expenses claimed.

§ 14.215 When an application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Department's final disposition of the proceeding.

(b) For purposes of this rule, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement of voluntary dismissal, become final and unappealable, both within the Department and to the courts.

(c) If review or reconsideration (under HUD Board of Contract Appeals Rule 29, 24 CFR 20.10) is sought or
§ 14.315 Comments by other parties.

Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served, or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

§ 14.320 Settlement.

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded, in accordance with the settlement procedure applicable to the underlying proceeding. If a prevailing party and agency counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 14.325 Extensions of time and further proceedings.

(a) The adjudicative officer on motion and for good cause shown may grant extensions of time other than for filing an application for fees and expenses after final disposition in the adversary adjudication.

(b) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions, or as to issues other than substantial justification (such as the applicant’s eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the agency was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(c) A request that the adjudicative officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

§ 14.330 Decision.

The adjudicative officer shall issue an initial decision on the application within 30 days after completion of proceedings on the application. The decision shall include written findings and conclusions on such of the following as are relevant to the decision:

(a) The applicant’s status as a prevailing party;

(b) The applicant’s qualification as a party under 5 U.S.C. 504(b)(1)(B);

(c) Whether the agency’s position was substantially justified;

(d) Whether special circumstances make an award unjust;

(e) Whether the applicant during the course of the proceedings engaged in conduct that unduly and unreasonably protracted the final resolution of the matter in controversy; and

(f) The amounts, if any, awarded for fees and other expenses, with reasons for any difference between the amount requested and the amount awarded.

If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the
§ 14.335 Departmental review.
(a) Either the applicant or agency counsel may seek review of the initial decision on the fee application, or the Secretary (or his or her delegate, if any) may decide to review the decision on his or her own initiative, in accordance with the Department's review or appeals procedures applicable to the underlying proceeding. If neither the applicant nor agency counsel seeks review and the Secretary (or his or her delegate, if any) does not take review on his or her own initiative, the initial decision on the application shall become a final decision of the Department in the same manner as a decision in the underlying proceeding becomes final. Whether to review a decision is a matter within the discretion of the Secretary (or his or her delegate, if any). If review is taken, the Department will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.
(b) Either party may seek reconsideration of the decision on the fee application in accordance with Rule 29, 24 CFR 20.10.

Judicial review of final departmental decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 14.345 Payment of award.
An applicant seeking payment of an award shall submit a copy of the final decision granting the award to: Director, Office of Finance and Accounting, Room 2202, Department of Housing and Urban Development, Washington, DC 20410, with a copy to: Associate General Counsel for Equal Opportunity and Administrative Law, Room 10244, Department of Housing and Urban Development, Washington, DC 20410. A statement that review of the underlying decision is not being sought in the United States courts, or that the process for seeking review of the award, if initiated, has been completed, must also be included. The agency will pay the amount awarded to the applicant within 60 days, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

Legal proceeding among private litigants means any legal proceeding in which the United States is not a party.

§ 15.2 Purpose and applicability.

(a) This part contains the regulations of the Department implementing 5 U.S.C. 552 and prescribing the Department’s policies and procedures with respect to testimony of its employees as witnesses in legal proceedings. It informs the public about where and how the Department’s records and information may be obtained from its organizational units as defined in §15.1(d), and about the Department’s policy concerning allowing its employees to testify in legal proceedings.

(b) All subparts of part 15, other than subpart I, apply to all organizational units, except that their applicability to the Office of Inspector General is subject to the provisions of parts 2002 and 2004 of this title, and their applicability to the Office of Interstate Land Sales Registration is subject to the provisions of §1700.30 of this title. Subpart I applies to all organizational units other than the Office of Inspector General.

§ 15.3 Statement of policy.

Office of the Secretary, HUD

Subpart B—Production and Disclosure of Records

§ 15.11 Publication in the Federal Register.

Subject to the exemptions in §15.21, the Department shall separately state and currently publish in the FEDERAL REGISTER for the guidance of the public:

(a) Descriptions of its central and field organization and the established places at which, the employees from whom and the methods whereby, the public may obtain information, make submittals or requests, or obtain decisions;

(b) Statements of the general course and method by which its functions are channeled and determined, including the nature and requirements of all formal and informal procedures available;

(c) Rules of procedure, descriptions of forms available or the places at which forms may be obtained, and instructions as to the scope and contents of all papers, reports, or examinations;

(d) Substantive rules of general applicability adopted as authorized by law, and statements of general policy or interpretations of general applicability formulated and adopted by the Department; and

(e) Each amendment, revision, or repeal of the foregoing.

Except to the extent that a person has actual and timely notice of the terms thereof, no person shall in any manner be required to resort to or be adversely affected by any matter required to be published in the FEDERAL REGISTER and not so published. For purposes of this section, matter which is reasonably available to the class of persons affected thereby shall be deemed published in the FEDERAL REGISTER when incorporated by reference therein with the approval of the Director of the Office of the Federal Register, as provided in 1 CFR part 51.

§ 15.12 Materials not published in Federal Register.

(a) Subject to the exemptions in §15.21, the Department, in accordance with this part, shall make available for public inspection and copying:

(1) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of cases;

(2) Statements of policy and interpretations which have been adopted by the Department and are not published in the FEDERAL REGISTER; and

(3) Administrative staff manuals and instructions to staff that affect a member of the public.

(b) To prevent a clearly unwarranted invasion of personal privacy, the Department may delete identifying details when it makes available or publishes any material. Whenever such deletions are required, the record or copy will be made available with the space formerly occupied by such identifying details left blank, and the justification for the deletion shall be explained fully in writing.

(c) The Department shall also maintain and make available for public inspection and copying current indexes providing identifying information for the public as to any matter issued, adopted, or promulgated after July 4, 1967, and required by this section to be made available or published. The Department shall promptly publish quarterly and distribute (by sale or otherwise) copies of each index or supplements thereto unless it determines by order published in the FEDERAL REGISTER that the publication would be unnecessary and impracticable, in which case the Department shall nonetheless provide copies of such index on request at a cost not to exceed the direct cost of duplication.

§ 15.13 Records produced upon request when reasonably described.

(a) The procedures for requesting access to records are set forth in subpart E of this part.

(b) When a request is made that reasonably describes a record of the Department that has been stored in a record center of the National Archives and Record Administration, this record will be requested from the Records Center by the Department and made available to the requester if the record would otherwise be available under this part. Records accessioned by the National Archives will not be made available by the Department, but may be requested directly from the National Archives.
§ 15.14

(c) Every effort will be made to make a record in use by the staff of the Department available when requested, and such availability will be deferred only to the extent necessary to avoid serious interference with the business of the Department.

(d) Copies of a requested record need not be furnished if the record is published in the Federal Register or is available for purchase from the Superintendent of Documents of the Government Printing Office. Such records may, however, be examined in one of the Department’s information centers.

Subpart C—Exemptions

§ 15.14 Fees.

(a) Copies of records. HUD will charge $0.15 per page for photocopies of documents. For copies prepared by computer, HUD will charge the actual cost of the tape or disk plus $25.00 per minute for central processing unit (CPU) time, so as to recoup reasonable direct costs of duplicating. For other methods of reproduction or duplication of documents, HUD will charge the actual direct costs of producing the documents.

(b) Manual searches for records. HUD will charge $16.35 per hour per person for searches/reviews performed by clerical staff, and $37.00 per hour per person for searches/reviews performed by professional staff. Charges for search/review time will be billed in 1/2 hour segments.

(c) Computer searches for records. HUD will charge $35.00 per hour for computer programming relating to a search, plus $25.00 per minute for central processing unit (CPU) time.

(d) Contract services. HUD will contract with private sector sources to locate, reproduce and disseminate records in response to FOIA requests when that is the most efficient and least costly method. When doing so, however, HUD will ensure that the ultimate cost to the requester is no greater than it would be if HUD itself had performed these tasks. In no case will HUD contract out responsibilities which the FOIA provides that HUD alone may discharge, such as determining the applicability of an exemption, or determining whether to waive or reduce fees. HUD will ensure that when documents that would be responsive to a request are maintained for distribution by agencies operating statutory-based fee schedule programs such as the National Technical Information Service, HUD will inform requesters of the steps necessary to obtain records from those sources. Information provided routinely in the normal course of business will be provided at no charge.

(e) Restrictions on assessing fees. HUD will provide the first 100 pages of duplication and the first two hours of search time, manual or computer, free of charge to noncommercial use requesters. There is no charge to noncommercial use requesters for time needed for review, as defined in paragraph (g)(4) of this section. Review time is chargeable only to commercial use requesters. HUD will only assess fees for amounts in excess of $25.00.

(f) Payment of fees. Payment of fees under this section and under § 15.16(a) shall be made by check or money order, payable to the Treasurer of the United States. Cash payments may be made in person at Headquarters or the Field Offices. The fees shall be sent to the Office of Executive Secretariat at Headquarters or to the appropriate Field Office.

(g) Definitions. As used in this subpart:

(1) Direct costs means those expenditures which HUD actually incurs in searching for and duplicating (and, in the case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(2) Search includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. Such activity is distinguished from review of material in
Office of the Secretary, HUD § 15.15

order to determine whether the material is exempt from disclosure.

(3) Duplication means the process of making a copy of a document necessary to respond to a FOIA request. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk), among others.

(4) Review means the process of examining a document located in response to a request that is for a commercial use to determine whether any portion of it may be withheld, excising portions to be withheld and otherwise preparing the document for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

[53 FR 37547, Sept. 27, 1988, as amended at 60 FR 11903, Mar. 3, 1995]

§ 15.15 Fees to be charged—categories of requesters.

There are four categories of FOIA requesters: Commercial use requesters; educational and non-commercial scientific institution requesters; representatives of the news media; and all other requesters. Specific levels of fees are prescribed for each of these categories:

(a) Commercial use requesters. (1) HUD will assess charges which recover the full direct costs of searching for, reviewing for release, and duplicating records sought for commercial use. Requesters must reasonably describe the records sought. Commercial use requesters are not entitled to two hours of free search time or 100 free pages of reproduction of documents.

(2) Commercial use refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, HUD must determine the use to which a requester will put the documents requested. Moreover, where HUD has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, HUD will seek additional clarification before assigning the request to a specific category.

(b) Educational and non-commercial scientific institution requesters. (1) HUD will provide documents to educational and non-commercial scientific institutions for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought for furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research. Requesters must reasonably describe the records sought.

(2) Educational institution means a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(3) Non-commercial scientific institution means an institution that is not operated on a commercial basis as that term is referenced in §15.15(a) and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(c) Requesters who are representatives of the news media. (1) HUD will provide documents to representatives of the news media for the cost of reproduction alone, excluding charges for the first 100 pages. In reference to this class of requester, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use. Requesters must reasonable describe the records sought.

(2) Representative of the news media means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of
§ 15.16 News media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news) who make their products available for purchase or subscription by the general public. Freelance journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but HUD may also look to the past publication record of a requester in making this determination.

(d) All other requesters. HUD will charge requesters who do not fit into any of the categories above fees which recover the full reasonable direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Requests from subjects for records about themselves filed in agencies' systems of records will continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for reproduction. Requesters must reasonably describe the records sought.

[53 FR 37548, Sept. 27, 1988]

§ 15.16 Review of records, aggregating requests and waiving or reducing fees.

(a) Review of records. Only requesters who are seeking documents for commercial use may be charged for time HUD spends reviewing records to determine whether they are exempt from mandatory disclosure. Charges may be assessed only for the initial review; i.e., the review undertaken the first time HUD analyzes the applicability of a specific exemption to a particular record or portion of a record. HUD will not charge for review at the administrative appeal level of an exemption already applied. However, records or portions of records withheld in full under an exemption which is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. The costs for such a subsequent review would be properly assessable. Review time will be assessed at the same rates established for search time in §15.14.

(b) Aggregating requests. A requester may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When HUD reasonably believes that a requester or a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, HUD may aggregate any such requests and charge accordingly.

(c) Waiving or reducing fees. HUD will furnish documents without charge or at reduced charge if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. The official authorized to grant access to records may waive or reduce the applicable fee where requested. The determination not to waive or reduce the fee will be subject to administrative review as provided in §15.61 after the decision on the request for access has been made. Six factors shall be used in determining whether the requirements for a fee waiver or reduction are met. These factors are as follows:

(1) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the government;

(2) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of government operations or activities;

(3) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to public understanding;

(4) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute significantly to public understanding of government operations or activities;

(5) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that
§ 15.21 Exemptions authorized by 5 U.S.C. 552.

A requested record shall not be withheld from inspection or copying unless it both: Comes within one of the classes of records exempted by 5 U.S.C. 552; and there is need in the public interest to withhold it. In determining the scope of the classes of records described in paragraph (a) of this section,
§ 15.21 24 CFR Subtitle A (4–1–00 Edition)

the Attorney General’s Memorandum on the Public Information Act, June 1967, will be used as a guide.

(a) The classes of records authorized to be exempted from disclosure by 5 U.S.C. 552 are those which concern matters that are:

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive order;

(2) Related solely to the internal personnel rules and practices of the Department;

(3) Specifically exempted from disclosure by statute;

(4) Except as otherwise provided in paragraph (c) of this section, trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Interagency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the Department;

(6) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a state, local or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law;

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(b) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt under this section.

(c) Subject to the following conditions, financial and related information submitted by a mortgagor and contained in Form HUD-92410 (Statement of Profit and Loss), or a HUD-approved substitute form that the mortgagor may have submitted, may be disclosed to eligible potential purchasers of HUD-held multifamily mortgages.

(1) Information from Form HUD-92410 concerning a project may be made available in conjunction with the sale of a HUD-held mortgage covering that project conducted under the authority of sections 207 (k) and (l) of the National Housing Act, 12 U.S.C. 1713 (k) and (l), or section 7(i)(3) of the Department of Housing and Urban Development Act, 42 U.S.C. 3535(i)(3).

(2) The release of this information by HUD to eligible potential purchasers shall be limited to the period specified by HUD for the mortgage sale.

(3) Eligible potential purchasers who have received this information shall agree to keep the information confidential, to disclose the information only to potential investors in the mortgage, to use the information for the sole purpose of their evaluation of the mortgage in connection with the mortgage sale, and to follow disclosure procedures for that sale that have been established by the Secretary.
Office of the Secretary, HUD § 15.42

(4) Any disclosure by eligible potential purchasers to potential investors in the mortgage shall be limited to the period specified by HUD for the mortgage sale. Similar, potential investors in the mortgage shall agree to keep the information confidential and to use the information for the sole purpose of their evaluation of the mortgage in connection with their investment decision. In addition, potential investors in the mortgage may not disclose the information to other entities, unless the disclosure is necessary for the investor's evaluation of the mortgage, is in accordance with disclosure procedures for the specific sale that have been established by the Secretary, and is limited to the period specified by HUD for the mortgage sale. Any potential purchaser is responsible for notifying potential investors in the mortgage who receive this information from that entity of the investors' obligations under this section.

(5) Disclosure of information from Form HUD-92410 by an eligible potential purchaser or by a potential investor (who has received the information from a potential purchaser and has been notified by that entity of its obligations under paragraph (c)(3) of this section) that is not in accordance with this section is a violation of this regulation and may subject the entity making the unauthorized disclosure to administrative sanctions under 24 CFR part 24.

Subpart D [Reserved]

Subpart E—Procedures for Requesting Access to Records

§ 15.41 Requests for records.

(a) Requests for copies of records may be made in person during normal business hours at information centers listed in §15.31 or by mail addressed to such centers. Although oral requests may be honored, a requester may be asked to submit his request in writing.

(b) Each request must reasonably describe the desired record including the name, subject matter, and number or date, where possible, so that the record may be identified and located. In order to enable the Department to comply with the time limitations set forth in §15.42, the envelope containing a written request and the letter itself should both clearly indicate that the subject is a Freedom of Information Act request.

(c) The request shall be accompanied by an agreement to pay a fee to be determined in accordance with §15.14. Under the circumstances enumerated in §15.18, the Department may refuse to furnish records before receipt of the appropriate fee. A requester may specify a limit for fees, above which the requester is not willing to pay without advance consultation with the Department.

(d) Copies of available records shall be made as promptly as possible. Copying service shall be limited to not more than 10 copies of any single page. Records which are published or available for sale need not be reproduced.

[40 FR 48123, Oct. 14, 1975, as amended at 60 FR 11904, Mar. 3, 1995]

§ 15.42 Time limitations.

(a) Upon receipt of a request for records, the appropriate office will determine within ten working days whether to comply with such requests. The office will either agree to provide the requested documents, or will notify the requester, in writing, of an adverse determination, the reasons therefor, and the right to appeal the denial to the:

(1) General Counsel, with respect to a denial issued by the Office of the Executive Secretariat or by the offices in which there is a Field Assistant General Counsel; or

(2) Field Assistant General Counsel, with respect to a denial issued by the Field Offices.

(b) When a request for records is misdirected by the requester, the office receiving the request shall:

(1) Promptly refer it to the appropriate office; and

(2) Advise the requester that the time of receipt by the appropriate office will...
§ 15.51  Authority to release records or copies.

The Office of the Executive Secretariat in Headquarters and the FOIA liaisons in each Field Office are authorized to release copies of any Department records upon written request unless disclosure is clearly not appropriate under this part.

[60 FR 11904, Mar. 3, 1995]

§ 15.52  Authority to deny requests for records.

The officers described in §15.51, or other official designated by the Secretary’s Representative, may deny a request for a record only with the concurrence of the appropriate program counsel in Headquarters or counsel in the Field Offices. Any denial shall:

(a) Be made in writing, describing the documents denied and, if fewer than 21, listing them specifically;

(b) Contain a simple reason for the denial, stating the appropriate exemption used; and

(c) Advise of the right to appeal the adverse determination, in accordance with §15.61, to the:

(1) General Counsel, with respect to a denial issued by the Office of Executive Secretariat or by offices in which there is a Field Assistant General Counsel; and

(2) Field Assistant General Counsel, with respect to a denial issued by Field Offices.

[60 FR 11904, Mar. 3, 1995]

§ 15.54  Business information.

(a) In general. Business information provided to the Department by a submitter shall not be disclosed pursuant to a FOIA request except in accordance with this section.

(b) Definitions. As used in this section:

Business information means commercial or financial information provided to the Department by a submitter that arguably is protected from disclosure under Exemption 4 (42 U.S.C. 552(b)(4)) of the Act.

Submitter means any person or entity who provides business information, directly or indirectly, to the Department. The term includes, but is not limited to, corporations, State governments, and foreign governments.

(c) Designation of business information. A submitter’s claim that certain information is confidential or proprietary should be supported by a statement or certification by an officer or authorized representative of the submitter that the information is, in fact, confidential or proprietary and has not been disclosed to the public. All information considered confidential or proprietary by a submitter should be clearly designated with a prominent stamp, typed legend, or other suitable form of notice, stating “Confidential Treatment Requested by [insert name of submitter],” which should appear on
each page or segregable portion of the page. If such marking is impractical, a cover sheet prominently marked “Confidential Treatment Requested by [insert name of submitter]” should be securely attached to the information for which confidential treatment is requested. These designations shall be deemed to have expired 10 years after the date of the submission, unless the submitter requests, and provides reasonable justification for, a longer period of designation.

(d) Notice to submitter. To the extent permitted by law, the Department shall provide a submitter with prompt written notice of a FOIA request or administrative appeal encompassing its business information, unless notice is excused under paragraph (h) of this section. Such notice shall afford the submitter an opportunity to object to disclosure pursuant to paragraph (f) of this section. The notice shall either describe the exact nature of the business information requested or provide copies of the records or portions thereof containing the business information. The Department will provide this notice whenever:

1. The information has been designated in good faith by the submitter as information deemed protected under Exemption 4; or
2. The Department has reason to believe that the information may be protected from disclosure under Exemption 4.

(e) Notice to requester. At the same time the Department notifies the submitter, the Department shall also notify the requester that the request is subject to the provisions of this section and that the submitter is being afforded an opportunity to object to disclosure of the information.

(f) Opportunity to object to disclosure. Through the notice described in paragraph (d) of this section, the Department shall afford a submitter or its designee 10 Federal working days to provide the Department a detailed written statement of the submitter’s objection to disclosure of any portion of the information it submitted to the Department. Such statement shall specify all grounds for withholding any of the information and shall demonstrate why the information is a trade secret or commercial or financial information that is privileged or confidential. Conclusory statements that particular information would be useful to competitors or would impair sales, or similar statements, generally will not be considered sufficient to justify confidential treatment. Information provided by a submitter or its designee pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(g) Notice of intent to disclose. The Department shall consider carefully a submitter’s objections and specific grounds for nondisclosure, before determining whether to disclose business information. If the Department decides to disclose business information over the objection of a submitter, the Department shall forward to both the submitter and the requester a written notice of intent to disclose. The written notice shall be forwarded 10 Federal working days before the specified disclosure date and shall include:

1. A statement of the reasons for which the submitter’s disclosure objections were not sustained;
2. A description of the business information to be disclosed; and
3. A specified disclosure date.

(h) Exceptions to the notice requirement. The notice requirements of paragraphs (d) and (g) of this section shall not apply if:

1. The Department determines that the information should not be disclosed;
2. The information has been published lawfully or has been made available officially to the public;
3. Disclosure of the information is required by law (other than the Act); and
4. Disclosure of the information is required by a departmental regulation that:
   i. Was adopted pursuant to notice and public comment;
   ii. Specifies narrow classes of records submitted to the Department that are to be released under the FOIA; and
   iii. Provides for notice in exceptional circumstances when the submitter provides, at the time the information is submitted or a reasonable time thereafter, written justification that disclosure of the information
§ 15.61 Administrative appeal.  

(a) Appeal shall be available only from a written denial of a request issued under §15.52, and only when the appeal is filed within 30 days of issuance of the denial. An appeal from a denial issued by the Office of Executive Secretariat or by offices in which there is a Field Assistant General Counsel must be mailed to the Assistant General Counsel for Training and Administrative Law, Room 10246, 451 Seventh Street, SW, Washington, DC, 20410. An appeal from a denial issued by a Field Office must be mailed to the appropriate Field Assistant General Counsel. An appeal must include a copy of the original request for records; a copy of the written denial of access to those records, and a statement of the reasons, circumstances, or arguments advanced in support of, or in opposition to, disclosure of the records. The envelope containing the appeal should be clearly marked as a Freedom of Information Act appeal, so that the Department can comply with the time limitations set forth in §15.42.

(b) When an appeal is misdirected by the requester, the Office receiving the appeal shall:

(1) Promptly refer it to the:

(i) Assistant General Counsel for Training and Administrative Law, if the denial was issued by the Office of Executive Secretariat or by an office in which there is a Field Assistant General Counsel, or

(ii) Appropriate Field Assistant General Counsel, if the denial was issued by a Field Office; and

(2) Advise the appellant that the time of receipt for processing purposes will be the time the appeal is received by the appropriate office.

(c) The appeal determination shall be in writing; constitute final administrative action by the Department; and, if the denial is upheld in full or in part, include notification of the right to judicial review.

§ 15.72 Production or disclosure prohibited unless approved by the Secretary.
(a) Any demand of a court or other authority or any request to an employee of the Department to produce any material contained in the files of the Department, or to disclose any information relating to material contained in the files of the Department, or to disclose any information or produce any material acquired as a part of the performance of the employee’s official duties or because of the employee’s official status for use in a legal proceeding, shall state with particularity the material sought to be obtained or the information sought to be disclosed.

(b) No employee of the Department shall comply with any such demand or request without the prior approval of the Secretary.

(c) In determining whether to grant approval for an employee of the Department to testify in a legal proceeding, the Secretary shall follow the standards set forth in subpart I.

(d) Where the demand or request seeks only the production of documents, the Department’s procedure for authentificating documents by a keeper of the records shall be the Department’s method for response. That authentication shall be evidence that the documents are true copies of documents in the Department’s files.

[52 FR 12160, Apr. 15, 1987]

The appropriate Regional Counsel shall mean the Regional Counsel for the Regional Office having delegated authority over the project or activity in which the information is sought. If possible, the Secretary shall be notified before the employee concerned replies to or appears before the court or other authority.

(b) If response to the demand is required before the instructions from the Secretary are received, the U.S. Attorney or such other attorney as may be designated for the purpose, will appear with the employee of the Department upon whom the demand has been made, and will furnish the court or other authority with a copy of the regulations contained in this subpart and inform the court or other authority that the demand has been or is being, as the case may be, referred for prompt consideration of the Secretary. The court or other authority shall be requested respectfully to stay the demand pending receipt of the requested instructions from the Secretary.

[52 FR 12160, Apr. 15, 1987]

If the court or other authority declines to stay the effect of the demand in response to a request made in accordance with § 15.73(b) pending receipt of instructions from the Secretary, or if the court or other authority rules that the demand must be complied with irrespective of the instructions from the Secretary not to produce the material or disclose the information sought, the employee upon whom the demand has been made shall respectfully decline to comply with the demand (United States ex rel. Toughy v. Ragen, 340 U.S. 462).

§ 16.1 Purpose and statement of policy.

(a) The purpose of this part is to establish policies and procedures for implementing the Privacy Act of 1974 (Pub. L. 93-579), 5 U.S.C. 552(a). The main objectives are to facilitate full exercise of rights conferred on individuals under the Act and to insure the protection of privacy as to individuals about whom the Department maintains records in systems of records under the Act. The Department accepts the responsibility to act promptly and in accordance with the Act upon receipt of any inquiry, request or appeal from a citizen of the United States or an alien lawfully admitted for permanent residence into the United States, regardless of the age of the individual.

(b) Further, the Department accepts the obligations to maintain only such information on individuals as is relevant and necessary to the performance of its lawful functions, to maintain that information with such accuracy, relevancy, timeliness and completeness as is reasonably necessary to assure fairness in determinations made by the Department about the individual, to obtain information from the individual to the extent practicable, and to take every reasonable step to protect that information from unwarranted disclosure. The Department will maintain no record describing how an individual exercises rights guaranteed by the First Amendment unless expressly authorized by statute or by the individual about whom the record is maintained or unless pertinent to and within the scope of an authorized law enforcement activity.

(c) This part applies to all organizational components in the Department in order to assure the maximum amount of uniformity and consistency within the Department in its implementation of the Act.

(d) The Assistant Secretary for Administration shall be responsible for carrying out the requirements of this part, for issuing such orders and directives internal to the Department as are necessary for full compliance with the Act, and for effecting publication of all required notices concerning systems of records.

(e) Requests involving information pertaining to an individual which is in a record or file but not within the scope of a System of Records Notice published in the Federal Register are outside the scope of this part. Requests
for departmental records will be considered to determine whether processing under this part, part 15, or both is most appropriate, notwithstanding the requester's characterization of the request, as follows:

(1) A Privacy Act request from an individual for records about that individual and not contained in a Privacy Act Records System shall be considered a Freedom of Information Act request and processed under HUD Freedom of Information Act regulations (24 CFR part 15) to the extent that the requester has provided the Department a reasonable description of the documents requested. When a request for records is so considered as a Freedom of Information Act request, the Privacy Act Officer shall promptly refer it to the head of the appropriate organizational unit in accordance with HUD FOIA Regulations and shall advise the requester that time of receipt for processing purposes will be the time when it is received by the appropriate official.

(2) A Freedom of Information Act request from an individual for records about that individual contained in a Privacy Act Records System shall be processed as follows:

(i) If the request in whole or in part contains a reasonable description of any HUD document, processing shall be carried out pursuant to HUD FOIA Regulations.

(ii) If the request in whole or in part does not contain a reasonable description of any HUD document, but does provide sufficient information under HUD Privacy Act Regulations to undertake a Privacy Act Records System search, the Department will provide full access under HUD Privacy Act Regulations. In this situation, the Department will comply with the deadlines for response set forth in the Privacy Act and HUD implementing regulations. In that event, an explanation will be provided to the requester advising that the request did not contain a reasonable description of a particular document as required under the FOIA and offering to process the request under FOIA procedures upon receipt of additional information sufficient to constitute a reasonable description.

(3) A Freedom of Information Act request from an individual for records about another individual contained in a Privacy Act Records System shall be processed as follows: When an exemption under subsection (b) of FOIA is available, the Privacy Act governs the public interest determination under HUD FOIA Regulations (24 CFR 15.21) and compels the withholding of such documents unless:

(i) The subject of those records consents to their release or

(ii) disclosure comes within one of the subsections of 5 U.S.C. § 552a(b).

(4) A Privacy Act request from an individual for records about another individual shall be processed as follows: Except as expressly permitted in this part, requests by persons who are not the subject of a record contained in a Privacy Act Records System shall be outside the scope of this part. If the request satisfies the Freedom of Information Act requirement that requested records be reasonably described, the Privacy Act Officer shall consider the requests as a Freedom of Information Act request and shall proceed as in §16.1(e)(1) of this section.

§ 16.2 Definitions.

(a) The definitions of 5 U.S.C. 552a apply in this part.

(b) As used in this part:

(2) Privacy Act Officer means those officials, identified in Appendix A to this part, or their designees, who are authorized to receive and act upon inquiries, requests for access, and requests for correction or amendment.

(3) Privacy Appeals Officer means the General Counsel.

(4) Inquiry means a request by an individual that the Department determine whether it has any record in a system of records which pertains to that individual.

(5) Request for access means a request by an individual or guardian to inspect and/or copy and/or obtain a copy of a record which is in a particular system of records and which pertains to that individual.

(6) Request for correction or amendment means the request by an individual or
guardian that the Department change (either by correction, addition or deletion) a particular record in a system of records which pertains to that individual.

(7) Appeal means the request by an individual that an initial denial of a request for access or correction or amendment by that individual be reviewed and reversed.

§ 16.3 Procedures for inquiries.

(a) Any individual, regardless of age, may submit an inquiry to the Department. The inquiry should be made either in person at the office of, or by mail addressed to, the appropriate Privacy Act Officer. Although oral requests may be honored, a requester may be asked to submit his request in writing. The envelope containing the request and the letter itself should both clearly indicate that the subject is a “PRIVACY ACT INQUIRY”. If an individual believes the Department maintains a record pertaining to that individual but does not know which system of records might contain such a record and/or which organizational component of the Department maintains the system of records, assistance in person or by mail will be provided at the first address listed in Appendix A to this part.

(b)(1) An inquiry should contain the following information:

(i) Name, address and telephone number of the individual making the request;

(ii) Name, address and telephone number of the individual to whom the record pertains, if the requesting individual is either the parent of a minor or the legal guardian of the individual to whom the record pertains;

(iii) A certified or authenticated copy of documents establishing parentage or guardianship;

(iv) Whether the individual to whom the record pertains is a citizen of the United States or an alien lawfully admitted for permanent residence in the United States;

(v) Name of the system of records, as published in the Federal Register;

(vi) Location of the system of records, as published in the Federal Register;

(vii) Such additional information as the individual knows will or believes might assist the Department in responding to the inquiry (for example, the individual’s past or present relationship with the Department, e.g. mortgagor, contractor, employee, including relevant dates) and in verifying the individual’s identity (for example, date of birth, place of birth, names of parents, place of work, dates of employment, position title, etc.);

(viii) Date of inquiry; and,

(ix) Individual’s signature.

The Department reserves the right to require compliance with the identification procedures appearing at §16.4(d) where circumstances warrant.

(2) In compliance with 5 U.S.C. 552a (e)(3) each individual supplying the information in accordance with paragraph (b)(1) of this section hereby is informed that:

(i) The authority authorizing solicitation of the information is 5 U.S.C. 552a, disclosure is voluntary, and no penalty is attached for failure to respond;

(ii) The principal purpose for which the information is intended to be used is processing the inquiry under the Act;

(iii) The routine uses which may be made of the information are the routine uses appearing as a prefatory statement to the Department’s notice of systems of records published in the Federal Register; and,

(iv) The effects of not providing all or any part of the information may delay, or in some cases make impossible, the Department’s processing of the action on the request under the Act.

(3) If, having been made aware of the contents of paragraph (b)(2) of this section, an individual submits the information listed in paragraph (b)(1) of this section, he or she will be deemed to have made the submission on a purely voluntary and consensual basis.

(c) When an inquiry is misdirected by the requester, or not addressed as specified in paragraph (a) of this section, the Department official receiving same
shall make reasonable effort to identify, and promptly refer it to, the appropriate Privacy Act Officer and the time of receipt for processing purposes will be the time it is received by the Privacy Act Officer.

(d) When an inquiry fails to provide necessary information as set forth in paragraph (b) of this section, the requester shall be advised that the time of receipt for processing purposes will be the time when the additional necessary information is received by the appropriate official.

(d) The requirements for identification of individuals seeking access to records are as follows:

(1) In person. Each individual making a request in person shall be required to present satisfactory proof of identity. The means of proof, in the order of preference and priority, are:

(i) A document bearing the individual’s photograph (for example, passport or military or civilian identification card);

(ii) A document bearing the individual’s signature (for example, driver’s license, social security card, unemployment insurance book, employer’s identification card, national credit card and professional, craft or union membership card); and

(iii) A document bearing neither the photograph nor the signature of the individual (for example, a Medicaid card).

In the event the individual can provide no suitable documentation of identity, the Department will require a signed statement asserting the individual’s identity and stipulating that the individual understands the penalty provision of 5 U.S.C. 552a(i)(3). That penalty provision also appears at §16.13(a). In order to avoid any unwarranted disclosure of an individual’s records, the Department reserves the right to determine to its satisfaction whether proof of identity offered by any individual is adequate.

(2) Not in person. If the individual making a request does not appear in person before a Privacy Act Officer, the information set forth in §16.3(b)(1) and a certificate of a notary public or equivalent officer empowered to administer oaths must accompany the request. The certificate within or attached to the letter must be substantially in accord with the following text:

City of ___________
County of ___________

§ 16.5 Disclosure of requested information to individuals.

(a) Each request received shall be acted upon promptly by the responsible Privacy Act Officer. Every effort will be made to respond within ten days (excluding Saturdays, Sundays, and holidays) of the date of receipt. If a response cannot be made within ten days due to unusual circumstances, the Privacy Act Officer shall send an acknowledgment during that period providing information on the status of the request and asking for further information as may be necessary to process the request. Unusual circumstances shall include circumstances where a search for and collection of requested records from inactive storage, field facilities or other establishments are required, cases where a voluminous amount of data is involved, instances where information on other individuals must be separated or expunged from the particular record, and cases where consultations with other agencies having a substantial interest in the determination of the request are necessary.

(b) Grant of access—(1) Notification. An individual shall be granted access to a record pertaining to him or her, except where the provisions of § 16.6 apply. The Privacy Act Officer shall notify the individual of such determination and provide the following information:

(i) The methods of access, as set forth in paragraph (b)(2) of this section;

(ii) The place at which the record may be inspected;

(iii) The earliest date on which the record may be inspected and the period of time that the records will remain available for inspection and/or the estimated date by which a copy of the record could be mailed and the estimated fees pursuant to § 16.12;

(iv) The fact that the individual, if he or she wishes, may be accompanied by another individual during personal access, subject to procedures set forth in paragraph (e) of this section; and

(v) Any additional requirements needed to grant access to a specific record.

(2) Methods of access. The following methods of access to records by an individual may be available depending on the circumstances of a given situation:

(i) Inspection in person may be had in the office specified by the Privacy Act Officer granting access during hours indicated by the Privacy Act Officer;

(ii) Transfer of records to a Federal facility more convenient to the individual may be arranged, but only if the Privacy Act Officer determines that a suitable facility is available, that the
§ 16.6 Initial denial of access.

(a) Grounds. Access by an individual to a record which pertains to that individual will be denied only upon a determination by the Privacy Act Officer that:

(1) The record is subject to an exemption under § 16.14, § 16.15 or to an exemption determined by another agency noticing the system of records;

(2) The record is information compiled in reasonable anticipation of a civil action or proceeding; or

(3) The individual unreasonably has failed to comply with the procedural requirements of this part.

(b) Notification. The Privacy Act Officer shall give notice of denial of access to records to the individual in writing and shall include the following information:

(1) The Privacy Act Officer's name and title or position;

(2) The date of the denial;

(3) The reasons for the denial, including citation to the appropriate section of the Act and/or this part;

(4) The individual's opportunities, if any, for further administrative consideration, including the identity and address of the appropriate Privacy Appeals Officer. If no further administrative consideration within the Department is available, the notice shall state that the denial is administratively final; and,

(5) If stated to be administratively final; and, within the Department, the individual's right to judicial review under 5 U.S.C. 552a(g)(1), as amended by 5 U.S.C. 552a(g)(5).

§ 16.7 Administrative review of initial denial of access.

(a) Review shall be available only from a written denial of a request for access issued under § 16.6(a) (2) or (3) and only if a written request for review is filed within thirty calendar days after the issuance of the written denial.

(b) A request for review shall be addressed to the Privacy Appeals Officer identified in the initial denial, which official is authorized to make final determinations. The envelope containing the request for review and the letter
itself should both clearly indicate that the subject is a PRIVACY ACT REQUEST FOR REVIEW.

(c) When a request for review is misdirected by the requester, or not addressed as specified in paragraph (b) of this section, the Department official receiving same shall promptly refer it to the Privacy Appeals Officer and the time of receipt for processing purposes will be the time when it is received by the appropriate official.

(d) When a request for review fails to provide necessary information as set forth in paragraph (e) of this section, the requester shall be given reasonable opportunity to amend the request and shall be advised that the time of receipt for processing purposes will be the time when the additional necessary information is received by the appropriate official.

(e) The filing of a request for review may be accomplished by mailing to the Privacy Appeals Officer a copy of the request for access, if in writing; a copy of the written denial issued under §16.6; and a statement of the reasons why the initial denial is believed to be in error. The appeal shall be signed by the individual.

(f) No hearing will be allowed in connection with administrative review of an initial denial of access.

(g) The Privacy Appeals Officer shall act upon the appeal and issue a final determination in writing not later than thirty days (excluding Saturdays, Sundays and holidays) from the date on which the appeal is received; provided, that the Privacy Appeals officer may extend the thirty days upon deciding that a fair and equitable review cannot be made within that period, but only if the individual is advised in writing of the reason for the extension and the estimated date by which a final determination will issue, which estimated date should not be later than the sixtieth day (excluding Saturdays, Sundays and holidays) after receipt of the appeal unless there exist unusual circumstances, as described in §16.5(a).

(h) The decision after review will be in writing, will constitute final action of the Department on a request for access, and, if the denial of the request is in whole or part upheld, the Department shall notify the person making the request of his right to judicial review under 5 U.S.C. 552a(g)(1), as amended by 5 U.S.C. 552a(g)(5).

§16.8 Request for correction or amendment to record.

(a) Any individual, regardless of age, may submit to the Department a request for correction or amendment of a record pertaining to that individual. The request should be made either in person at the office of, or by mail addressed to, the Privacy Act Officer who processed the individual's request for access to the record. Although an oral request may be honored, a requester may be asked to submit his or her request in writing. The envelope containing the request and the letter itself should both clearly indicate that the subject is a PRIVACY ACT REQUEST FOR CORRECTION OR AMENDMENT.

(b) When a request for correction or amendment is misdirected by the requester, or not addressed as specified in paragraph (a) of this section, the Department official receiving same shall make reasonable effort to identify, and promptly refer it to, the appropriate Privacy Act Officer and the time of receipt for processing purposes will be the time when it is received by the appropriate official.

(c) When a request for correction or amendment fails to provide necessary information as set forth in paragraph (e) of this section, the requester shall be given reasonable opportunity to answer the request and shall be advised that the time of receipt for processing purposes will be the time when the additional necessary information is received by the appropriate official.

(d) Since the request, in all cases, will follow a request for access under §16.4, the individual's identity will be established by his or her signature on the request.

(e) A request for correction or amendment should include the following:

(1) A specific identification of the record sought to be corrected or amended (for example, description, title, date, paragraph, sentence, line and words);

(2) The specific wording to be deleted, if any;
§ 16.9  

(3) The specific wording to be inserted or added, if any, and the exact place at which it is to be inserted or added; and

(4) A statement of the basis for the requested correction or amendment, with all available supporting documents and materials which substantiate the statement.

(f) The provisions of §16.3(b) (2) and (3) apply to the information obtained under paragraph (e) of this section.

§ 16.9 Agency procedures upon request for correction or amendment of record.

(a)(1) Not later than ten days (excluding Saturdays, Sundays and holidays) after receipt of a request to correct or amend a record, the Privacy Act Officer shall send an acknowledgment providing an estimate of time within which action will be taken on the request and asking for such further information as may be necessary to process the request. The estimate of time may take into account unusual circumstances as described in §16.5(a). No acknowledgment will be sent if the request can be reviewed, processed, and the individual notified of the results of review (either compliance or denial) within the ten days. Requests filed in person will be acknowledged at the time submitted.

(2) Promptly after acknowledging receipt of a request, or after receiving such further information as might have been requested, or after arriving at a decision within the time prescribed in §16.9(a)(1), the Privacy Act Officer shall either:

(i) Make the requested correction or amendment and advise the individual in writing of such action, providing either a copy of the corrected or amended record or a statement as to the means whereby the correction or amendment was effected in cases where a copy cannot be provided; or,

(ii) Inform the individual in writing that his or her request is denied and provide the following information:

(A) The Privacy Act Officer’s name and title and position;

(B) The date of the denial;

(C) The reasons for the denial, including citation to the appropriate sections of the Act and this part; and,

(D) The procedures for appeal of the denial as set forth in §16.10, including the name and address of the Privacy Appeals Officer. The term promptly in this §16.9 means within thirty days (excluding Saturdays, Sundays and holidays). If the Privacy Act Officer cannot make the determination within thirty days, the individual will be advised in writing of the reason therefor and of the estimated date by which the determination will be made.

(b) Whenever an individual’s record is corrected or amended pursuant to a request by that individual, the Privacy Act Officer shall see to the notification of all persons and agencies to which the corrected or amended portion of the record had been disclosed prior to its correction or amendment, if an accounting of such disclosure was made as required by the Act. The notification shall require a recipient agency maintaining the record to acknowledge receipt of the notification, to correct or amend the record and to appraise any agency or person to which it had disclosed the record of the substance of the correction or amendment.

(c) The following criteria will be considered by the Privacy Act Officer in reviewing a request for correction or amendment:

(1) The sufficiency of the evidence submitted by the individual;

(2) The factual accuracy of the information;

(3) The relevance and necessity of the information in terms of the purpose for which it was collected;

(4) The timeliness and currency of the information in terms of the purpose for which it was collected;

(5) The completeness of the information in terms of the purpose for which it was collected;

(6) The possibility that denial of the request could unfairly result in determinations adverse to the individual;

(7) The character of the record sought to be corrected or amended; and

(8) The propriety and feasibility of complying with the specific means of correction or amendment requested by the individual.

(d) The Department will not undertake to gather evidence for the individual, but does reserve the right to
verify the evidence which the individual submits.

(e) Correction or amendment of a record requested by an individual will be denied only upon a determination by the Privacy Act Officer that:

(1) There has been a failure to establish, by the evidence presented, the propriety of the correction or amendment in light of the criteria set forth in paragraph (c) of this section;

(2) The record sought to be corrected or amended was compiled in a terminated judicial, quasi-judicial, legislative or quasi-legislative proceeding to which the individual was a party or participant;

(3) The information in the record sought to be corrected or amended, or the record sought to be corrected or amended, is the subject of a pending judicial, quasi-judicial or quasi-legislative proceeding to which the individual is a party or participant;

(4) The correction or amendment would violate a duly enacted statute or promulgated regulation; or,

(5) The individual unreasonably has failed to comply with the procedural requirements of this part.

(f) If a request is partially granted and partially denied, the Privacy Act Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

§ 16.10 Appeal of initial adverse agency determination on correction or amendment.

(a) Appeal shall be available only from a written denial of a request for correction or amendment of a record issued under §16.9, and only if a written appeal is filed within thirty calendar days after the issuance of the written denial.

(b) Each appeal shall be addressed to the Privacy Appeals Officer identified in the written denial. The envelope containing the appeal and the letter itself should both clearly indicate that the subject is PRIVACY ACT APPEAL.

(c) When an appeal is misdirected by the requester, or not addressed as specified in paragraph (b) of this section, the Department official receiving same shall promptly refer it to the appropriate Privacy Appeals Officer and the time of receipt for processing purposes will be the time when it is received by the appropriate official.

(d) When an appeal fails to provide the necessary information as set forth in paragraph (e) of this section, the requester shall be advised that the time for receipt for processing purposes will be the time when the additional necessary information is received by the appropriate official.

(e) The individual’s appeal papers shall include the following: A copy of the original request for correction or amendment; a copy of the initial denial; and a statement of the reasons why the initial denial is believed to be in error. The appeal shall be signed by the individual. The record which the individual requests be corrected or amended will be supplied by the Privacy Act Officer who issued the initial denial. While the foregoing normally will comprise the entire record on appeal, the Privacy Appeals Officer may seek additional information necessary to assure that the final determination is fair and equitable and, in such instances, the additional information will be disclosed to the individual to the greatest extent possible and an opportunity provided for comment thereon.

(f) No hearing on appeal will be allowed.

(g) The Privacy Appeals Officer shall act upon the appeal and issue a final Department determination in writing not later than thirty days (excluding Saturdays, Sundays and holidays) from the date on which the appeal is received; provided, that the Privacy Appeals Officer may extend the thirty days upon deciding that a fair and equitable review cannot be made within that period, but only if the individual is advised in writing of the reason for the extension and the estimated date by which a final determination will issue (which estimated date should not be later than the sixtieth day (excluding Saturdays, Sundays and holidays) after receipt of the appeal unless unusual circumstances, as described in §16.5(a), are met).

(h) If the appeal is determined in favor of the individual, the final determination shall include the specific corrections or amendments to be made
and a copy thereof shall be transmitted promptly both to the individual and to the Privacy Act Officer who issued the initial denial. Upon receipt of such final determination, the Privacy Act Officer promptly shall take the actions set forth in §16.9(a)(2)(i) and §16.9(b).

(i) If the appeal is denied, the final determination shall be transmitted promptly to the individual and shall state the reasons for the denial. The notice of final determination also shall inform the individual of the following information:

1. The right of the individual to file a concise statement of reasons for disagreeing with the final determination. The statement ordinarily should not exceed one page and the Department reserves the right to reject a statement of excessive length. Such a statement shall be filed with the Privacy Appeals Officer. It should identify the date of the final determination and be signed by the individual. The Privacy Appeals Officer shall acknowledge receipt of such statement and inform the individual of the date on which it was received;

2. The fact that any such disagreement statement filed by the individual will be noted in the disputed record and that a copy of the statement will be provided to persons and agencies to which the record is disclosed subsequent to the date of receipt of such statement;

3. The fact that prior recipients of the disputed record will be provided a copy of any statement of the dispute to the extent that an accounting of disclosures, as required by the Act, was made;

4. The fact that the Department will append to any such disagreement statement filed by the individual, a copy of the final determination or summary thereof which also will be provided to persons and agencies to which the disagreement statement is disclosed; and,

5. The right of the individual to judicial review of the final determination under 5 U.S.C. 552a(g)(1)(A), as limited by 5 U.S.C. 552a(g)(5).

(j) In making the final determination, the Privacy Appeals Officer shall employ the criteria set forth in paragraph 16.9(c) and shall deny an appeal only on the grounds set forth in §16.9(e).

(k) If an appeal is partially granted and partially denied, the Privacy Appeals Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

(l) Although a copy of the final determination or a summary thereof will be treated as part of the individual’s record for purposes of disclosure in instances where the individual has filed a disagreement statement, it will not be subject to correction or amendment by the individual.

(m) The provisions of §16.3(b) (2) and (3) apply to the information obtained under paragraphs (e) and (i)(1) of this section.

§ 16.11 Disclosure of record to person other than the individual to whom it pertains.

(a) The Department may disclose a record pertaining to an individual to a person other than the individual only in the following instances:

1. Upon written request by the individual, including authorization under §16.5(e);

2. With the prior written consent of the individual;

3. To a parent or legal guardian under 5 U.S.C. 552a(h); and,

4. When required by the Act and not covered explicitly by the provisions of 5 U.S.C. 552a(b); and,

5. When permitted under 5 U.S.C. 552a(b) (1) through (11), which read as follows:

1. To those officers and employees of the agency which maintains the record who have a need for the record in the performance of their duties;

2. Required under section 552 of this title;

3. For a routine use as defined in subsection (a)(7) of this section and described under subsection (e)(4)(D) of this section;

4. To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to the provisions of title 13;

5. To a recipient who has provided the agency with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable.
§ 16.12 Fees.

(a) The only fees to be charged to or collected from an individual under the provisions of this part are for copying records at the request of the individual.

(1) No fees shall be charged or collected for the following: Search for and retrieval of the records; review of the records; copying at the initiative of the Department without a request from the individual; transportation of records and personnel; and first class postage.

(2) It is the policy of the Department to provide an individual with one copy of each record corrected or amended pursuant to his or her request without charge as evidence of the correction or amendment.

(3) As requested by the United States Civil Service Commission in its published regulations implementing the Act, the Department will charge no fee to an individual who requests copies of a personnel record covered by that Commission's Government-wide published notice of systems of records. However, when such records are voluminous and the cost of copying would be in excess of five dollars ($5) the Department may, in its discretion, charge a fee.

(b) The copying fees prescribed by paragraph (a) of this section are:

$0.10 Each copy of each page, up to 8½" x 14" made by photocopy or similar process.

$0.20 Each page of computer printout without regard to the number of carbon copies concurrently printed.

(c) Payment of fees under this section shall be made in cash, or preferably by check or money order payable to the “Treasurer of the United States.” Payment shall be delivered or sent to the office stated in the billing.
§ 16.13 Penalties.

(a) The Act provides, in pertinent part:

Any person who knowingly and willfully requests or obtains any record concerning an individual from an agency under false pretenses shall be guilty of a misdemeanor and fined not more than $5,000. (5 U.S.C. 552a(i)(3))

(b) A person who falsely or fraudulently attempts to obtain records under the Act may also be subject to prosecution under such other criminal laws as 18 U.S.C. 494, 495 and 1001.

§ 16.14 General exemptions.

(a) Individuals may not have access to records maintained by the Department but which were provided by another agency which has determined by regulation that such information is subject to general exemption under 5 U.S.C. 552a(j). If such exempt records are within a request for access, the Department will advise the individual of their existence and of the name and address of the source agency. For any further information concerning the record and the exemption, the individual must contact that source agency.

(b) The Secretary of Housing and Urban Development has determined that the Office of the Assistant Inspector General for Investigation performs, as its principal function, activities pertaining to the enforcement of criminal laws. The records maintained by that office in a system identified as “HUD/DEPT-24, Investigation Files,” primarily consist of information compiled for the purpose of criminal investigations and are associated with identifiable individuals. Therefore, the Secretary has determined that this system of records shall be exempt, consistent with 5 U.S.C. 552a(j)(2), from all requirements of the Privacy Act except 5 U.S.C. 552a (b), (c) (1) and (2), (e)(4) (A) through (F), (e) (6), (7), (9), (10), and (11), and (i) unless elsewhere exempted.

[40 FR 39729, Aug. 28, 1975, as amended at 49 FR 20486, May 15, 1984]

§ 16.15 Specific exemptions.

Whenever the Secretary of Housing and Urban Development determines it to be necessary and proper, with respect to any system of records maintained by the Department, to exercise the right to promulgate rules to exempt such systems in accordance with the provisions of 5 U.S.C. 552a(k), each specific exemption, including the parts of each system to be exempted, the provisions of the Act from which they are exempted, and the justification for each exemption shall be published in the FEDERAL REGISTER as part of the Department’s Notice of Systems of Records.

(a) Exempt under 5 U.S.C. 552a(k)(2) from the requirements of 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4) (G), (H), (I), and (f). This exemption allows the Department to withhold records compiled for law enforcement purposes. The reasons for adopting this exemption are to prevent individuals, who are the subjects of investigation, from frustrating the investigatory process, to ensure the integrity of the investigatory process, to ensure the integrity of law enforcement activities, to prevent disclosure
of investigative techniques, and to protect the confidentiality of sources of information. The names of systems correspond to those published in the Federal Register as part of the Department's Notice of Systems of Records.

(3) HUD/DEPT-25. Legal Action Files.

(b) Exempt under 5 U.S.C. 552(k)(5) from the requirements of 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4), (G), (H), and (I), and (f). This exemption allows the Department to withhold records compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal contracts, or access to classified material. The reasons for adopting this exemption are to insure the proper functioning of the investigatory process, to insure effective determination of suitability, eligibility and qualification for employment and to protect the confidentiality of sources of information. The names of systems correspond to those published in the Federal Register as part of the Department's Notice of Systems of Records.

(2) HUD/DEPT-25. Legal Action Files.

(c) The system of records entitled "HUD/PIH-1. Tenant Eligibility Verification Files" consists in part of investigatory material compiled for law enforcement purposes. Relevant records will be used by appropriate Federal, state or local agencies charged with the responsibility for investigating or prosecuting violations of law. Therefore, to the extent that information in the system falls within the coverage of subsection (k)(2) of the Privacy Act, 5 U.S.C. 552a(k)(2), the system is exempt from the requirements of the following subsections of the Privacy Act, for the reasons stated below.

(1) From subsection (c)(3) because release of an accounting of disclosures to an individual who may be the subject of an investigation could reveal the nature and scope of the investigation and could result in the altering or destruction of evidence, improper influencing of witnesses, and other evasive actions that could impede or compromise the investigation.

(2) From subsection (d)(1) because release of the records to an individual who may become or has become the subject of an investigation could interfere with pending or prospective law enforcement proceedings, constitute an unwarranted invasion of the personal privacy of third parties, reveal the identity of confidential sources, or reveal sensitive investigative techniques and procedures.

(3) From subsection (d)(2) because amendment or correction of the records could interfere with pending or prospective law enforcement proceedings, or could impose an impossible administrative and investigative burden by requiring the office that maintains the records to continuously retrograde its verifications of tenant eligibility attempting to resolve questions of accuracy, relevance, timeliness and completeness.

(4) From subsection (e)(1) because it is often impossible to determine relevance or necessity of information in pre-investigative early stages. The value of such information is a question of judgment and timing; what appears relevant and necessary when collected may ultimately be evaluated and viewed as irrelevant and unnecessary to an investigation. In addition, the Assistant Secretary for Public and Indian Housing, or investigators, may obtain information concerning the violation of laws other than those within the scope of its jurisdiction. In the interest of effective law enforcement, the Assistant Secretary for Public and Indian Housing, or investigators, should retain this information because it may aid in establishing patterns of unlawful activity and provide leads for other law enforcement agencies. Further, in obtaining the evidence, information may be provided which relates to matters incidental to the main purpose of the inquiry or investigation but which may be pertinent to the investigative jurisdiction of another agency. Such information cannot readily be identified.

(d) The system of records entitled "HUD/PIH-1. Tenant Eligibility Verification Files" consists in part of
material that may be used for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment or Federal contracts, the release of which would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence. Therefore, to the extent that information in this system falls within the coverage of subsection (k)(5) of the Privacy Act, 5 U.S.C. 552a(k)(5), the system is exempt from the requirements of the following subsection of the Privacy Act, for the reasons stated below.

(1) From subsection (d)(1) because release would reveal the identity of a source who furnished information to the Government under an express promise of confidentiality. Revealing the identity of a confidential source could impede future cooperation by sources, and could result in harassment or harm to such sources.

For the purpose of this paragraph, a principal claim and any derivative or subrogated claim shall be treated as a single claim.

(3) The United States is or may be entitled to indemnity or contribution from a third party, and the Department is unable to adjust the third party claim; or

(4) The compromise of a particular claim, as a practical matter, will or may control the disposition of a related claim in which the amount to be paid may exceed $25,000.

(c) An administrative claim may be adjusted, determined, compromised, or settled only after consultation with the Department of Justice when the Department is informed or is otherwise aware that the United States or an officer, employee, agent, or cost-type contractor of the United States is involved in litigation based on a claim arising out of the same incident or transaction.

§ 17.9 Referral to Department of Justice.

When Department of Justice approval or consultation is required under §17.8, the referral or request shall be transmitted to the Department of Justice by the General Counsel of the Department or his designee.

§ 17.11 Final denial of claim.

Final denial of an administrative claim shall be in writing, and notification of denial shall be sent to the claimant, his attorney, or legal representative by certified or registered mail. The notification of final denial may include a statement of the reasons for the denial and shall include a statement that, if the claimant is dissatisfied with the Department action, he may file suit in an appropriate U.S. District Court not later than 6 months after the date of mailing of the notification.

§ 17.12 Action on approved claim.

(a) Payment of a claim approved under this subpart is contingent on claimant’s execution of: (1) A Claim for Damage or Injury, Standard Form 95; (2) a claims settlement agreement; and (3) a Voucher for Payment, Standard Form 1145, as appropriate. When a claimant is represented by an attorney, the voucher for payment shall designate both the claimant and his attorney as payees, and the check shall be delivered to the attorney, whose address shall appear on the voucher.

(b) Acceptance by the claimant, his agent, or legal representative of an award, compromise, or settlement made under section 2672 or 2677 of Title 28, United States Code, is final and conclusive on the claimant, his agent or legal representative, and any other person on whose behalf or for whose benefit the claim has been presented, and constitutes a complete release of any claim against the United States and against any officer or employee of the Government whose act or omission gave rise to the claim, by reason of the same subject matter.

Subpart B—Claims Under the Military Personnel and Civilian Employees Claims Act of 1964

Source: 36 FR 24427, Dec. 22, 1971, unless otherwise noted.

§ 17.40 Scope and purpose.

(a) This subpart applies to all claims filed by or on behalf of employees of
the Department of Housing and Urban Development for loss of or damage to personal property which occurs incident to their service with HUD under the Military Personnel and Civilian Employees’ Claims Act of 1964. A claim must be substantiated and the possession of the property determined to be reasonable, useful, or proper. The maximum amount that can be paid under any claim under the Act is $25,000 and property may be replaced in kind at the option of the Government. Nothing in this subpart shall be construed to bar claims payable under statutory authority.

(b) HUD is not an insurer and does not underwrite all personal property losses that an employee may sustain. Employees are encouraged to carry private insurance to the maximum extent practicable to avoid large losses or losses which may not be recoverable from HUD. The procedures set forth in this section are designed to enable the claimant to obtain the maximum amount of compensation for his loss or damage. Failure of the claimant to comply with these procedures may reduce or preclude payment of his claim under this subpart.

§ 17.41 Claimants.

(a) A claim pursuant to this subpart may only be made by:

(1) An employee of HUD.

(2) A former employee of HUD whose claim arises out of an incident occurring before his separation from HUD.

(3) Survivors of a person named in paragraph (a) (1) or (2) of this section, in the following order of precedence:

(i) Spouse.

(ii) Children.

(iii) Father or mother, or both.

(iv) Brothers or sisters, or both.

(4) The authorized agent or legal representative of a person named in paragraphs (a) (1), (2), and (3) of this section.

(b) A claim may not be presented by or for the benefit of a subrogee, assignee, conditional vendor, or other third party.

§ 17.42 Time limitations.

A claim under this part may be allowed only if:

(a) Except as provided in paragraph (b) of this section, it is filed in writing within 2 years after accrual. For purposes of this part, a claim accrues at the time of the accident or incident causing the loss or damage, or at such time as the loss or damage should have been discovered by the claimant by the exercise of due diligence.

(b) It cannot be filed within the time limits of paragraph (a) of this section, because it accrues in time of war or in time of armed conflict in which any armed force of the United States is engaged or if such a war or armed conflict intervenes within 2 years after it accrues, and if good cause is shown, and if it is filed not later than 2 years after that cause ceases to exist, or 2 years after the war or armed conflict is terminated, whichever is earlier.

§ 17.43 Allowable claims.

(a) A claim may be allowed only if:

(1) The damage or loss was not caused wholly or partly by the negligent or wrongful act of the claimant, his agent, the members of his family, or his private employee (the standard to be applied is that of reasonable care under the circumstances); and

(2) The possession of the property lost or damaged and the quantity possessed is determined to have been reasonable, useful, or proper under the circumstances; and

(3) The claim is substantiated by proper and convincing evidence.

(b) Claims which are otherwise allowable under this part shall not be disallowed solely because the property was not in the possession of the claimant at the time of the damage or loss, or solely because the claimant was not the legal owner of the property for which the claim is made. For example, borrowed property may be the subject of a claim.

(c) Subject to the conditions in paragraph (a) of this section, and the other provisions of this subpart, any claim for damage to, or loss of, personal property incident to service with HUD may be considered and allowed. The following are examples of the principal types of claims which may be allowed,
but these examples are not exclusive and other types of claims may be allowed, unless excluded by §§17.44 and 17.45:

(1) Property loss or damage in quarters or other authorized places. Claims may be allowed for damage to, or loss of, property arising from fire, flood, hurricane, other natural disaster, theft, or other unusual occurrence, while such property is located at:
   (i) Quarters within the 50 States or the District of Columbia that were assigned to the claimant or otherwise provided in kind by the United States;
   (ii) Quarters outside the 50 States and the District of Columbia that were occupied by the claimant, whether or not they were assigned or otherwise provided in kind by the United States, except when the claimant is a civilian employee who is a local inhabitant; or
   (iii) Any warehouse, office, working area, or other place (except quarters) authorized or apparently authorized for the reception or storage of property.

(2) Transportation or travel losses. Claims may be allowed for damage to, or loss of, property incident to transportation or storage pursuant to orders, or in connection with travel under orders, including property in the custody of a carrier, an agent or agency of the Government, or the claimant.

(3) Manufactured homes. Claims may be allowed for damage to, or loss of, manufactured homes and their contents under the provisions of paragraph (c)(2) of this section. Claims for structural damage to manufactured homes, other than that caused by collision, and damage to contents of manufactured homes resulting from such structural damage, must contain conclusive evidence that the damage was not caused by structural deficiency of the manufactured home and that it was not overloaded. Claims for damage to, or loss of, tires mounted on manufactured homes will not be allowed, except in cases of collision, theft, or vandalism.

(4) Enemy action or public service. Claims may be allowed for damage to, or loss of, property as a direct consequence of:
   (i) Enemy action or threat thereof, or combat, guerrilla, brigandage, or other belligerent activity, or unjust confisca-

§ 17.44 Restrictions on certain claims.

Claims of the type described in this section are only allowable subject to the restrictions noted:

(a) Money or currency. Claims may be allowed for loss of money or currency only when lost incident to fire, flood, hurricane, other natural disaster, or by theft from quarters (as limited by paragraph (a) of §17.45). In instances of theft from quarters, it must be conclusively shown that the quarters were locked at the time of the theft. Reimbursement for loss of money or currency is limited to an amount which is determined to have been reasonable for the claimant to have had in his possession at the time of the loss.

(b) Government property. Claims may only be allowed for property owned by the United States for which the claimant is financially responsible to any agency of the Government other than HUD.

(c) Estimate fees. Claims may include fees paid to obtain estimates of repair only when it is clear that an estimate could not have been obtained without paying a fee. In that case, the fee may be allowed only in an amount determined to be reasonable in relation to the value of the property or the cost of the repairs.

(d) Automobiles and other motor vehicles. Claims may only be allowed for damage to, or loss of, automobiles and other motor vehicles if:
(1) Such motor vehicles were required to be used for official Government business (official Government business, as used here, does not include travel, or parking incident thereto, between quarters and office, or use of vehicles for the convenience of the owner. However, it does include travel, and parking incident thereto, between quarters and assigned place of duty specifically authorized by the employee's supervisor as being more advantageous to the Government); or

(2) Shipment of such motor vehicles was being furnished or provided by the Government, subject to the provisions of §17.46.

§ 17.45 Unallowable claims.

Claims are not allowable for the following:

(a) Unassigned quarters in United States. Property loss or damage in quarters occupied by the claimant within the 50 States or the District of Columbia that were not assigned to him or otherwise provided in kind by the United States.

(b) Business property. Property used for business or profit.

(c) Unsuitable property. Wornout or unserviceable property.

(d) Illegal possession. Property acquired, possessed, or transported in violation of law or in violation of applicable regulations or directives.

(e) Articles of extraordinary value. Valuable articles, such as cameras, watches, jewelry, furs, or other articles of extraordinary value, when shipped with household goods or as unaccompanied baggage (shipment includes storage). This prohibition does not apply to articles in the personal custody of the claimant or articles properly checked, provided that reasonable protection or security measures have been taken by claimant.

(f) Minimum amount. Loss or damage amounting to less than $10.

§ 17.46 Claims involving carriers or insurers.

In the event the property which is the subject of a claim was lost or damaged while in the possession of a carrier or insurer, the following procedures will apply:

(a) Whenever property is damaged, lost, or destroyed while being shipped pursuant to authorized travel orders, the owner must file a written claim for reimbursement with the last commercial carrier known or believed to have handled the goods, or the carrier known to be in possession of the property when the damage or loss occurred, according to the terms of its bill of lading or contract, before submitting a claim against the Government under this subpart.

(1) If more than one bill of lading or contract was issued, a separate demand should be made against the last carrier on each such document.

(2) The demand should be made within 9 months of the date that delivery was made, or within 9 months of the date that delivery should ordinarily have been made.

(3) If it is apparent that the damage or loss is attributable to packing, storage, or unpacking while in the custody of the Government, no demand need be made against the carrier.

(b) Whenever property which is damaged, lost, or destroyed incident to the claimant’s service is insured in whole or in part, the claimant must make demand in writing against the insurer for reimbursement under the terms and conditions of the insurance coverage, prior to the filing of the concurrent claim against the Government.

(c) Failure to make a demand on a carrier or insurer or to make all reasonable efforts to protect and prosecute rights available against a carrier or insurer and to collect the amount recoverable from the carrier or insurer may result in reducing the amount recoverable from the Government by the maximum amount which would have been recoverable from the carrier or insurer, had the claim been timely or diligently prosecuted. However, no deduction will be made where the circumstances of the claimant’s service preclude reasonable filing of such a claim or diligent prosecution, or the evidence indicates a demand was impracticable or would have been unavailing.

(d) Following the submission of the claim against the carrier or insurer, the claimant may immediately submit his claim against the Government in
§ 17.47 Settlement of claims.

(a) The General Counsel, HUD, is authorized to settle (consider, ascertain, adjust, determine, and dispose of, whether by full or partial allowance or disallowance) any claim under this subpart.

(b) The General Counsel may formulate such procedures and make such redelegations as may be required to fulfill the objectives of this subpart.

(c) The General Counsel shall conduct such investigation as may be appropriate in order to determine the validity of a claim.

(d) The General Counsel shall notify a claimant in writing of action taken on his claim, and if partial or full disallowance is made, the reasons therefore.

(e) In the event a claim submitted against a carrier under § 17.46 has not been settled before settlement of the claim against the Government pursuant to this subpart, the General Counsel shall notify such carrier or insurer to pay the proceeds of the claim to HUD to the extent HUD has paid such to claimant in settlement.

§ 17.48 Computation of amount of award.

(a) The amount allowed for damage to or loss of any item of property may not exceed the cost of the item (either the price paid in cash or property, or the value at the time of acquisition if not acquired by purchase or exchange); and there will be no allowance for replacement cost or for appreciation in the value of the property. Subject to these limitations, the amount allowable is either:

1. The depreciated value, immediately prior to the loss or damage, of property lost or damaged beyond economical repair, less any salvage value;

2. The reasonable cost of repairs, when property is economically repairable, provided that the cost of repairs does not exceed the amount allowable under paragraph (a)(1) of this section.

(b) Depreciation in value is determined by considering the type of article involved, its cost, its condition when damaged or lost, and the time elapsed between the date of acquisition and the date of damage or loss.
§ 17.49 Attorney's fees.

No more than 10 per centum of the amount paid in settlement of each individual claim submitted and settled under this subpart shall be paid or delivered to or received by any agent or attorney on account of services rendered in connection with that claim.

§ 17.50 Claims procedures.

(a) Claims by, or on behalf of, employees of field offices shall be filed in writing with the appropriate Regional Counsel. Claims by, or on behalf of, employees of Department Headquarters shall be filed in writing with the General Counsel, Department of Housing and Urban Development, 451 7th Street, SW., Washington, DC 20410.

(b) Each written claim shall contain, as a minimum:

(1) Name, address, place of employment of claimant.
(2) Place and date of loss or damage.
(3) A brief statement of the facts and circumstances surrounding loss or damage.
(4) Cost, date, and place of acquisition of each piece of property lost or damaged.
(5) Two itemized repair estimates, or value estimates, whichever is applicable.
(6) Copies of police reports, if applicable.
(7) With respect to claims involving thefts or losses in quarters or other places where the property was reasonably kept, a statement as to what security precautions were taken to protect the property involved.
(8) With respect to claims involving property being used for the benefit of the Government, a statement by the employee's supervisor evidencing that the claimant was required to provide such property or that his providing it was in the interest of the Government.
(9) Other evidence as may be required by the General Counsel.

(1) Requires the Secretary or his designee to attempt collection of all claims of the United States for money or property arising out of the activities of the Department; and
(2) Authorizes the Secretary or his designee to compromise claims that have not been referred to another executive or legislative agency for further collection action where the claim does not exceed $100,000 exclusive of interest, or to suspend or terminate collection action where it appears that no person liable on the claim has the present or prospective financial ability to pay any significant sum thereon or that the cost of collecting the claim is likely to exceed the amount of recovery.

(b) Definitions. As used in this subpart:

Administrative offset means withholding money payable by the United States Government to, or held by the Government for, a person to satisfy a debt the person owes the Government.

(1) Amounts owed by the individual to the United States;

(2) Amounts withheld for Federal employment taxes;

(3) Amounts properly withheld for Federal, State, or local income tax purposes, if the withholding of the amount is authorized or required by law and if amounts withheld are not greater than would be the case if the individual claimed all dependent to which he or she were entitled. The withholding of additional amounts under 26 U.S.C. 3402(i) may be permitted only when the individual presents evidence of tax obligation which supports the additional withholding;

§ 17.64 Referral of claims to the Assistant Secretary for Administration.

(a) Authority of the Assistant Secretary for Administration. The Assistant Secretary for Administration shall exercise the powers and perform the duties of the Secretary to compromise, or to suspend or terminate collection action on all Department claims not exceeding $100,000 exclusive of interest, except as provided in §17.65 and paragraph (b) of this section. When initial attempts at collection by the office having responsibility for such claims have not been fully successful, the claim file shall be forwarded to the Assistant Secretary for Administration well within the applicable statute of

§ 17.62 Subdivision and joining of claims.

(a) A debtor's liability arising from a particular transaction or contract shall be considered as a single claim in determining whether the claim is one not exceeding $100,000 exclusive of interest for the purpose of compromise or termination of collection action. Such a claim may not be subdivided to avoid the monetary ceiling established by the Act.

(b) Joining of two or more single claims in a demand upon a particular debtor for payment totaling more than $100,000 does not preclude compromise or termination of collection action with respect to any one of such claims that does not exceed $100,000 exclusive of interest.

[59 FR 34579, July 6, 1994]

§ 17.63 Authority of offices to attempt collection of claims.

The head of each office shall designate a claims collection officer, who shall attempt to collect in full all claims of the Department for money or property arising out of the activities of such office. Each claims collection officer shall establish and currently maintain a file with regard to each claim for which collection activities are undertaken.

§ 17.61 Incorporation of joint standards by reference.

All administrative actions to collect claims arising out of the activities of the Department shall be performed in accordance with the applicable standards prescribed in 4 CFR parts 101 through 105, which are incorporated by reference and supplemented in this subpart.
limitations (28 U.S.C. 2415 and 2416), but in no event more than 2 years after the claims accrued.

(b) Exclusions. There shall be no compromised or terminated collection action with respect to any claim: (1) As to which there is an indication of fraud, the presentation of a false claim, or misrepresentation on the part of the debtor or any other party having an interest in the claim; (2) based in whole or in part on conduct in violation of the anti-trust laws; (3) based on tax statutes; or (4) arising from an exception made by the General Accounting Office in the account of an accountable officer. Such claims shall be promptly referred to the Justice Department or GAO, as appropriate.

§ 17.65 Authority of offices to compromise claims or suspend or terminate collection action.

(a) Small claims. The Assistant Secretary for Administration periodically shall establish and disseminate to claims collection officers a maximum dollar amount up to which claims collection officers are authorized to compromise a claim or suspend or terminate collection action on a claim.

(b) Claims arising under certain programs. (1) The office primarily responsible for the following programs of the Department is authorized, in those cases where initial collection attempts are not wholly successful, to compromise or to suspend or terminate collection action on claims not exceeding $100,000 with respect to:

(i) A claim under title I of the National Housing Act;

(ii) A claim on a rehabilitation loan account under section 312 of the Housing Act of 1964;

(iii) A claim against tenants or former tenants of properties acquired by, or under the custody of, the Secretary or held by him as mortgagee in possession; or

(iv) A claim arising out of the operational (nonadministrative) activities of the Government National Mortgage Association (GNMA).

(2) However, no office shall undertake to compromise or terminate any collection action excluded under §17.64(b).

§ 17.66 Department claims officer.

The Assistant Secretary for Administration shall designate a subordinate official as Department Claims Officer, who shall be responsible for the establishment and maintenance of procedures within the Department relating to the collection of claims and the coordination of all collection activities in all Department offices.

§ 17.67 Claims files.

Each claims collection officer is responsible for obtaining current credit data about each person against whom a claim is pending in his office. The file shall be kept reasonably up to date by the Department Claims Officer for claims referred to the Assistant Secretary for Administration for collection. Such credit data may take the form of: (a) A commercial credit report, (b) an agency investigative report showing the debtor’s assets and liabilities and his income and expenses, (c) the individual debtor’s own financial statement executed under penalty of perjury reflecting his assets and liabilities and his income and expenses, or (d) an audited balance sheet of a corporate debtor. The file should also contain a checklist or brief summary of actions taken to collect or comprise a claim.

§ 17.68 Monthly report of collection action.

The Department Claims Officer shall make a monthly report to the Assistant Secretary for Administration and all offices that have referred claims for collection. The report should contain the following information as a minimum:

(a) All outstanding claims referred to the Assistant Secretary for Administration for administrative collection, including the name and address of the debtor, the amount of the claim, the
§ 17.72 Methods of collection and imposition of late charges.

(a) Demand for payment. Appropriate written demands shall be made upon the debtor which shall include information relating to the consequences of his failure to cooperate.

(b) Methods of collection: Administrative and salary offset. The Department may use administrative offset and salary offset procedures as alternative methods for the collection of money owed the Department from those set out in this section. For specific procedures on administrative offset see §§ 17.100 through 17.118. For specific procedures on salary offset see §§ 17.125 through 17.140.

(c) Method of collection: Liquidation of collateral. Where the Department holds security or collateral that may be liquidated and the proceeds applied on debts due it through the exercise of a power of sale in the security instrument, such procedures will be followed if the debtor fails to pay his or her debt within a reasonable time after demand, unless the cost of disposing of the collateral will be disproportionate to its value, or unless special circumstances require judicial foreclosure.

(d) Collection in installments. Claims with accrued interest should be collected in full in one lump sum whenever this is possible. However, if the debtor is financially unable to pay the indebtedness in one lump sum, payment may be accepted in regular installments.

(e) Interest. Where prejudgment interest is not mandated by statute, contract or regulation, the minimum rate of interest to be charged on delinquent debts is the Tax and Loan Account Rate for the U.S. Treasury (also known as the Current Value of Funds rate) as prescribed and published semiannually by the Secretary of the Treasury in the Federal Register, in accordance with 31 U.S.C. 3717. Prejudgment interest may be waived as an inducement to voluntary payment. In such cases demand letters should inform the debtor that prejudgment interest will be collected if suit becomes necessary. When

§ 17.69 Accounting control.

Each office and the Department Claims Officer shall process all claims collections through the appropriate accounting office and report the collection, compromise, suspension and termination of all claims to the appropriate accounting office for recording.

§ 17.70 Record retention.

The file of each claim on which administrative collection action has been completed shall be retained by the appropriate office or the Assistant Secretary for Administration not less than 1 year after the applicable statute of limitations has run.

§ 17.71 Suspension or revocation of eligibility.

(a) Where a contractor, grantee, or other participant in programs sponsored by the Department fails to pay his debts to the Department within a reasonable time after demand, the fact shall be reported by the Assistant Secretary for Administration to the Inspector General, who shall place such defaulting participant's name on the Department's list of debarred, suspended and ineligible contractors and grantees and the participant will be so advised.

(b) The failure of any surety to honor its obligations in accordance with 6 U.S.C. 11 is to be reported at once to the Assistant Secretary for Administration who shall then advise the Treasury Department. The Treasury Department will notify this Department when a surety's certificate of authority to do business with the Government has been revoked or forfeited.

§ 17.72 Methods of collection and imposition of late charges.

(a) Demand for payment. Appropriate written demands shall be made upon the debtor which shall include information relating to the consequences of his failure to cooperate.

(b) Methods of collection: Administrative and salary offset. The Department may use administrative offset and salary offset procedures as alternative methods for the collection of money owed the Department from those set out in this section. For specific procedures on administrative offset see §§ 17.100 through 17.118. For specific procedures on salary offset see §§ 17.125 through 17.140.

(c) Method of collection: Liquidation of collateral. Where the Department holds security or collateral that may be liquidated and the proceeds applied on debts due it through the exercise of a power of sale in the security instrument, such procedures will be followed if the debtor fails to pay his or her debt within a reasonable time after demand, unless the cost of disposing of the collateral will be disproportionate to its value, or unless special circumstances require judicial foreclosure.

(d) Collection in installments. Claims with accrued interest should be collected in full in one lump sum whenever this is possible. However, if the debtor is financially unable to pay the indebtedness in one lump sum, payment may be accepted in regular installments.

(e) Interest. Where prejudgment interest is not mandated by statute, contract or regulation, the minimum rate of interest to be charged on delinquent debts is the Tax and Loan Account Rate for the U.S. Treasury (also known as the Current Value of Funds rate) as prescribed and published semiannually by the Secretary of the Treasury in the Federal Register, in accordance with 31 U.S.C. 3717. Prejudgment interest may be waived as an inducement to voluntary payment. In such cases demand letters should inform the debtor that prejudgment interest will be collected if suit becomes necessary. When
§ 17.73 Standards for compromise of claims.

(a) Compromise offer. An offer to compromise may be accepted: (1) If there is real doubt concerning the Department's ability to prove its case in court for the full amount claimed; (2) if the cost of collecting the claim does not justify the enforced collection of the full amount; (3) if in connection with statutory penalties of forfeitures established as an aid to enforcement and to compel compliance, the Department's enforcement policy will be adequately served by acceptance of the sum to be agreed upon; or (4) for other reasons deemed valid by the Assistant Secretary for Administration (or other designee) and made a part of the claim record.

(b) Documentary evidence of compromise. No compromise of a claim shall be final or binding on the Department unless it is in writing and signed by the appropriate officer who has authority to compromise the claim pursuant to this subpart.

§ 17.74 Standards for suspension or termination of collection action.

(a) Suspension of collection action. Collection action shall be suspended temporarily on a claim when the debtor cannot be located after diligent effort but there is reason to believe that future collection action may be sufficiently productive to justify periodic review and action on the claim, having consideration for its size and the amount which may be realized. Collection action may be suspended temporarily on a claim when the debtor owns no substantial equity in realty and is presently unable to make payment on the Department's claim or effect a compromise, but his future prospects justify retention of the claim for periodic review and action and (1) the applicable statute of limitations has been tolled or started anew or (2) future collection can be effected by offset notwithstanding the statute of limitations. Suspension as to a particular debtor should not defer the early liquidation of security for the debt.

(b) Termination of collection action. Collection action may be terminated and the Department file closed for the following reasons: (1) No substantial amount can be collected; (2) the debtor cannot be located; (3) the cost will exceed recovery; (4) the claim is legally without merit; or (5) the claim cannot be substantiated by evidence.

§ 17.75 Referral to GAO or Justice Department.

(a) Claims referred. Claims which cannot be collected, compromised, or terminated in accordance with 4 CFR parts 101 to 105 will be referred to the General Accounting Office in accordance with 31 U.S.C. 71 or to the Department of Justice if this Department has been granted an exception from referrals to the General Accounting Office. Also, if there is doubt as to whether collection action should be suspended or terminated on a claim, the claim may be referred to the General Accounting Office for advice. When recovery of a judgment is prerequisite to imposition of administrative sanctions, the claim may be referred to the Justice Department for litigation even though termination of collection activity might otherwise be considered.

(b) Prompt referral. Such referrals shall be made as early as possible consistent with aggressive collection action, and in any event, well within the statute of limitations for bringing suit against the debtor.
§ 17.76 Disclosure to a consumer reporting agency.

(a) Definition. For purposes of this section, individual means a natural person.

(b) Conditions for disclosure. The Secretary may disclose to a Consumer Reporting Agency information from a system of records to the effect that an individual is responsible for a debt. Before doing so, the Secretary will ensure that:

1. The notice for the system of records required by the Privacy Act of 1974 (5 U.S.C. 552a(e)(4)) indicates that the information in the system may be disclosed to a Consumer Reporting Agency;

2. There has been Departmental review of the debt and a determination that the debt is valid and overdue;

3. There has been written notice sent to the individual informing the individual:

   i. That payment of the debt is overdue;

   ii. That the Department intends to disclose to a Consumer Reporting Agency, within not less than 60 days after sending the notice, that the individual is responsible for the debt;

   iii. Of the specific information intended to be disclosed to the Consumer Reporting Agency; and

   iv. Of the rights of the individual to a full explanation of the debt, including name, address and taxpayer identification number;

4. The individual has neither repaid or agreed to repay the debt under a written repayment plan signed by the individual and agreed to by the Secretary, nor has filed for review of the claim under paragraph (b)(3) of this section.

(c) Limitations on disclosure. The Secretary may not disclose information to a Consumer Reporting Agency unless the Department has:

1. Obtained satisfactory assurances from each Consumer Reporting Agency that the agency is complying with the Fair Credit Reporting Act (15 U.S.C. 1681) and any other Federal laws governing the provision of consumer credit information;

2. Provided, upon request by the individual alleged to be responsible for the claim, the opportunity to review the claim, including an opportunity for reconsideration of the initial decision on the claim; and

3. Taken reasonable action to locate an individual for whom the Secretary does not have a current address to send a notice under paragraph (b)(3) of this section.

(d) Additional responsibilities of the Department. In providing information to a Consumer Reporting Agency, the Department will only disclose:

1. Information necessary to establish the identity of the individual, including name, address and taxpayer identification number;

2. The amount, status, and history of the claim; and

3. The program under which the claim arose.

In all cases, the Department will notify each Consumer Reporting Agency to which the original disclosure was made of any substantial change in the condition or amount of the claim. This includes promptly correcting or verifying information about the claim requested by the Consumer Reporting Agency.

ADMINISTRATIVE OFFSET PROVISIONS

SOURCE: Sections 17.100 through 17.118, 49 FR 32351, appear at Aug. 14, 1984, unless otherwise noted.

§ 17.100 Scope.

(a) The standards set forth in §§ 17.100 through 17.118 are the Department’s procedures for the collection of money owed to the government by means of administrative offset. These procedures apply to the collection of debts as authorized by common law, by 31 U.S.C. 3716, or under other statutory authority. These procedures will not be used when a statute provides its own collection procedure, for procedures for grant reduction as a remedial action in grant programs (including the CDBG program), when explicitly prohibited by a statute, or when the United States has a judgment against the debtor. Unless otherwise provided for by statute, these procedures do not apply to an agency of the United States, a State government, or unit of general local government. In addition, these procedures do not apply to debts arising under the Internal Revenue Code of 1954 (26 U.S.C. 1–9602), the Social Security Act (42 U.S.C. 301–1397), or the tariff laws of the United States.

(b) The Secretary will use administrative offset to collect claims which are certain in amount in every instance in which collection is determined to be feasible and not prohibited by law. The Secretary will determine feasibility on a case-by-case basis, exercising sound discretion. In determining feasibility the Secretary will consider:

(1) The debtor’s financial condition;

(2) Whether offset would substantially interfere with or defeat the purposes of the program authorizing the payments against which offset is contemplated; and

(3) Whether offset best serves to further and protect all of the interests of the United States.

§ 17.101 Coordinating administrative offset with another Federal agency.

(a) When HUD is owed the debt. When the Department is owed a debt, but another Federal agency is responsible for making the payment to the debtor against which administrative offset is sought, the other agency shall not initiate the requested administrative offset until the Department provides the agency with a written certification that the debtor owes the Department a debt (including the amount and basis of the debt and the due date of the payment) and that the Department has complied with these regulations.

(b) When another agency is owed the debt. The Department may administratively offset money it owes to a person who is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount) and that the person has been given the procedural rights required by 31 U.S.C. 3716 and 4 CFR part 102.

§ 17.102 Notice requirements before offset.

Except as provided in §17.103, deductions will be made only after the Secretary makes a determination that an amount is owed and past due and provides the debtor with a minimum of 30 calendar days written notice. This Notice of Intent to Collect by Administrative Offset (Notice of Intent) will state:

(a) The nature and amount of the debt:

(b) That the Secretary intends to collect the debt by administrative offset until the debt and all accumulated interest and other charges are paid in full;

(c) That the debtor has a right to obtain review within the Department of the Secretary’s initial determination of indebtedness (see §17.104);

(d) That the debtor has a right to inspect and copy Department records related to the debt, as determined by the
Secretary, and will be informed as to where and when the inspection and copying can be done after the Department receives notice from the debtor that inspection and copying are requested. (see § 17.105); and
(e) That the debtor may enter into a written agreement with the Secretary to repay the debt, so long as the terms of the repayment agreement proposed by the debtor are agreeable to the Secretary (see § 17.106).

§ 17.103 Exceptions to notice requirements.
(a) In cases where the notice requirements specified in § 17.102 already have been provided to the debtor in connection with the same debt under some other proceeding, the Secretary is not required to duplicate those requirements before effecting administrative offset.
(b) The Secretary may effect administrative offset against a payment to be made to a debtor before completion of the procedures required by § 17.102 if (1) failure to make the offset would substantially prejudice the Government’s ability to collect the debt, and (2) the time before the payment is to be made does not reasonably permit the completion of those procedures. Such prior offset must be followed promptly by the completion of those procedures. Amounts recovered by offset but later found not to be owed to the Secretary will be refunded promptly.

§ 17.104 Review within the Department of a determination of indebtedness.
(a) Notification by debtor. A debtor who receives a Notice of Intent has the right to request Departmental review of the determination of indebtedness. To exercise this right, the debtor must send a letter requesting review to the Secretary. The letter must explain why the debtor seeks review and must be received by the Secretary within 20 calendar days of the date of the Department’s Notice of Intent.
(b) Secretary’s response. In response to a timely request for review of the initial determination of indebtedness, the Secretary will notify the debtor whether the proposed repayment agreement for repayment is acceptable. It is within the Secretary’s discretion to accept a repayment agreement instead of proceeding by offset. In making this determination the Secretary will balance the Department’s interest in collecting the debt against hardship to the debtor. If the debt is delinquent and the debtor has not disputed its existence or amount, the Secretary will accept a repayment agreement instead of offset only if the debtor is able to establish that the debt would result in undue financial hardship or would be against equity and good conscience.
§ 17.107 Stay of offset.

If the debtor timely notifies the Secretary that he or she is exercising a right described in §17.104 or §17.106, the offset will be stayed until the Secretary either makes a determination concerning the debtor's proposal to repay the debt or issues a written decision following review of the record or, where appropriate, a hearing. However, interest continues to run during any stay.

§ 17.108 Types of review.

(a) Hearing. The Secretary will provide the debtor with a reasonable opportunity for hearing if:

(1) An applicable statute authorizes or requires the Secretary to consider waiver of the indebtedness and the waiver determination turns on credibility or veracity; or

(2) The debtor requests reconsideration of the determination of indebtedness and the Secretary determines that the question of the indebtedness cannot be resolved by review of the documentary evidence.

(b) Review of the record. Unless the Secretary determines that a hearing is required (see paragraph (a) of this section), the Secretary will provide for a review of the record (a review of the documentary evidence).

§ 17.109 Review procedures.

(a) Hearings. (1) The appropriate Deputy Assistant Secretary (DAS) or designee conducts the hearing. The DAS or designee will take steps necessary to ensure that the hearing is conducted in a fair and expeditious manner. If necessary, the DAS or designee may administer oaths of affirmations.

(2) The DAS or designee does not use the formal rules of evidence with regard to admissibility of evidence or the use of evidence once admitted. However, parties may object to clearly irrelevant material.

(3) The DAS or designee records all significant matters discussed at the hearing. There is no "official" record or transcript provided for these hearings.

(4) A debtor may represent himself or herself or may be represented by an attorney or other person. The Secretary is represented by the General Counsel or his or her designee.

(5) The Secretary proceeds first by presenting evidence on the relevant issues. The debtor then presents his or her evidence regarding these issues. The Secretary then may offer evidence to rebut or clarify the evidence introduced by the debtor.

(b) Review of the record. The appropriate DAS or designee will review all material related to the debt which is in the possession of the Department. The DAS or designee makes a determination based upon a review of this written record, which may include a request for reconsideration of the determination of indebtedness, or such other relevant material submitted by the debtor.

§ 17.110 Determination of indebtedness and appeal from determination.

(a) Following the hearing or the review of the record, the DAS or designee will issue a written decision which includes the supporting rationale for the decision. The decision of the DAS or designee is the final agency action with regard to the particular administrative offset.

(b) Copies of the DAS decision will be distributed to the debtor and the debtor's attorney or other representative, if applicable.

§ 17.111 Procedures for administrative offset: single debt.

(a) Offset will commence 31 days after the debtor receives the Notice of Intent, unless the debtor has requested a hearing (see §17.104) or has entered into a repayment agreement (see §17.106).

(b) When there is review of the debt within the Department, offset will begin after the DAS determination has been issued under §17.110 and a copy of the determination is received by the Department's Office of Finance and Accounting.

§ 17.112 Procedures for administrative offset: multiple debts.

The Secretary will use the procedures identified in §17.111 for the offset of multiple debts. However, when collecting multiple debts the Secretary
§ 17.118 Miscellaneous provisions: correspondence with the Department.

(a) All correspondence from the debtor to the Secretary shall be addressed to the Department Claims Officer, Office of Finance and Accounting, Department of HUD, Washington, DC 20410.

(b) The Department Claims Officer will deliver any correspondence to the

The Department will make use of all possible methods of cooperating with other Federal agencies in effecting collections by offset.

§ 17.114 Procedures for administrative offset: time limitation.

(a) The Secretary may not initiate administrative offset to collect a debt under 31 U.S.C. 3716 more than 10 years after the Secretary’s right to collect the debt first accrued, unless facts material to the Secretary’s right to collect the debt were not known and could not reasonably have been known by the officials of the Department who were responsible for discovering and collecting such debts.

(b) When the debt first accrued is determined according to existing law regarding the accrual of debts. (See, for example, 28 U.S.C. 2415.)

§ 17.115 Procedures for administrative offset: offset against amounts payable from Civil Service Retirement and Disability Fund.

(a) Unless otherwise prohibited by law, the Secretary may request that moneys which are due and payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset in one or more payments to collect debts owed to the Secretary by the debtor. The Secretary submits the request to the appropriate officials of the Office of Personnel Management (OPM) in accordance with OPM regulations and procedures.

(b) To request administrative offset under paragraph (a) of this section, the Secretary will provide a written certification that:

(1) The debtor owes the Secretary a debt, including the amount of the debt;

(2) The Secretary has complied with the applicable statutes, regulations, and procedures of the Office of Personnel Management; and

(3) The Secretary has complied with the Department’s regulations contained in these regulations.

(c) Once the decision is made to request administrative offset under paragraph (a) of this section, the Secretary will make the request as soon as practical after completion of the applicable procedures necessary for the Office of Personnel Management to identify the debtor’s account and to add a notation in the debtor’s file in anticipation of the time when the debtor requests or becomes eligible to receive payments from the Fund. (This notation will satisfy any requirement that offset be initiated before the applicable statute of limitations expires.)

(d) If, at the time the debtor makes a claim for payments from the Fund, at least one year has elapsed since the offset was originally made, the debtor may offer a satisfactory repayment plan instead of offset upon establishing that changed financial circumstances would render the offset unjust.

(e) If the Department collects part or all of the debt by other means before deductions are made or completed under paragraph (a) of this section, the Secretary will act promptly to modify or terminate the Department’s request for offset under paragraph (a) of this section.

§ 17.116 Procedures for administrative offset: offset of debtor’s judgment against the United States.

Collection by offset against a judgment obtained by a debtor against the United States will be accomplished in accordance with 31 U.S.C. 3728.

§ 17.117 Procedures for administrative offset: imposition of interest.

Interest will be charged in accordance with §17.72.

§ 17.118 Miscellaneous provisions: correspondence with the Department.

(a) All correspondence from the debtor to the Secretary shall be addressed to the Department Claims Officer, Office of Finance and Accounting, Department of HUD, Washington, DC 20410.

(b) The Department Claims Officer will deliver any correspondence to the

will apply the recovered amounts to those debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.
§ 17.125 Scope.

(a) The provisions set forth in §§ 17.125 through 17.140 are the Department’s procedures for the collection by salary offset of a Federal employee’s pay to satisfy certain debts owed the government.

(b) These regulations apply to collections by the Secretary from:

(1) Current employees of the Department and other agencies who owe debts to the Department; and

(2) Current employees of the Department who owe debts to other agencies.

(c) These regulations do not apply to debts or claims arising under the Internal Revenue Code of 1954 (26 U.S.C. 1-9602); the Social Security Act (42 U.S.C. 301-1397f); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute.

(d) These regulations identify the types of salary offset available to the Department, as well as certain rights provided to the employee, which include a written notice before deductions begin, the opportunity to petition for a hearing and to receive a written decision if a hearing is granted. These employee rights do not apply to any adjustment to pay arising out of an employee’s election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less.

(e) Nothing in these regulations precludes the compromise, suspension or termination of collection actions where appropriate under the Department’s regulations contained elsewhere in this subpart (see 24 CFR 17.60 through 17.77).

§ 17.126 Coordinating offset with another Federal agency.

(a) When HUD is owed the debt. When the Department is owed a debt by an employee of another agency, the other agency shall not initiate the requested offset until the Department provides the agency with a written certification that the debtor owes the Department a debt (including the amount and basis of the debt and the due date of the payment) and that the Department has complied with these regulations.

(b) When another agency is owed the debt. The Department may use salary offset against one of its employees who is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount) and that the employee has been given the procedural rights required by 5 U.S.C. 5514 and 5 CFR part 550, subpart K.

§ 17.127 Determination of indebtedness.

In determining that an employee is indebted, the Secretary will review the debt to make sure that it is valid and past due.

§ 17.128 Notice requirements before offset.

Exception as provided in § 17.125(d), deductions will not be made unless the Secretary first provides the employee with a minimum of 30 calendar days written notice. This Notice of Intent to Offset Salary (Notice of Intent) will state:

(a) That the Secretary has reviewed the records relating to the claim and has determined that a debt is owed, the amount of the debt, and the facts giving rise to the debt;

(b) The Secretary’s intention to collect the debt by means of deduction from the employee’s current disposable pay account until the debt and all accumulated interest are paid in full;

(c) The amount, frequency, approximate beginning date, and duration of the intended deductions;

(d) An explanation of the Department’s requirements concerning interest, unless such payments are excused in accordance with § 17.72;

(e) The employee’s right to inspect and copy Department records relating to the debt;
(f) The employee’s right to enter into a written agreement with the Secretary for a repayment schedule differing from that proposed by the Secretary, so long as the terms of the repayment schedule proposed by the employee are agreeable to the Secretary;

(g) The right to a hearing, conducted by an administrative law judge of the Department or a hearing official of another agency, on the Secretary’s determination of the debt, the amount of the debt, or percentage of disposable pay to be deducted each pay period, so long as a petition is filed by the employee as prescribed by the Secretary;

(h) That the timely filing of a petition for hearing will stay the collection proceedings; (See §17.129);

(i) That a final decision on the hearing will be issued at the earliest practical date, but not later than 20 calendar days after the filing of the petition requesting the hearing, unless the employee requests and the hearing officer grants a delay in the proceedings;

(j) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

(1) Disciplinary procedures appropriate under 5 U.S.C. Ch. 75, 5 CFR part 752, or any other applicable statutes or regulations;

(2) Penalties under the False Claims Act, 31 U.S.C. 3729-3731, or any other applicable statutory authority; or

(3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002 or any other applicable statutory authority.

(k) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made:

(l) Unless there are applicable contractual or statutory provisions to the contrary, that amounts paid on or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee;

(m) The method and time period for requesting a hearing.

§17.129 Request for a hearing.

(a) Except as provided in paragraph (d) of this section, an employee must file a petition for a hearing, that is received by the Secretary not later than 20 calendar days from the date of the Department’s notice described in §17.128 if an employee wants a hearing concerning—

(1) The existence or amount of the debt; or

(2) The Secretary’s proposed offset schedule.

(b) The petition must be signed by the employee and should admit or deny the existence of or the amount of the debt, or any part of the debt, briefly setting forth any basis for a denial. If the employee objects to the percentage of disposable pay to be deducted from each check, the petition should state the objection and the reasons for it. The petition should identify and explain with reasonable specificity and brevity the facts, evidence and witnesses which the employee believes support his or her position.

(c) Upon receipt of the petition, the Department will send the employee a copy of the Salary Offset Hearing Procedures Manual of the Department of Housing and Urban Development.

(d) If the employee files a petition for hearing later than the 20 calendar days as described in paragraph (a) of this section, the hearing officer may accept the request if the employee can show that the delay was because of circumstances beyond his or her control or because of failure to receive notice of the filing deadline (unless the employee has actual notice of the filing deadline).

§17.130 Result if employee fails to meet deadlines.

An employee waives the right to a hearing, and will have his or her disposable pay offset in accordance with the Secretary’s offset schedule, if the employee:

(a) Fails to file a petition for a hearing as prescribed in §17.129; or

(b) Is scheduled to appear and fails to appear at the hearing.

§17.131 Written decision following a hearing.

Written decisions provided after a request for a hearing will include:

(a) A statement of the facts presented to support the nature and origin of the alleged debt;
§ 17.132

(b) The hearing officer's analysis, findings and conclusions, in light of the hearing, concerning the employee's or the Department's grounds; 
(c) The amount and validity of the alleged debt; and 
(d) The repayment schedule, if applicable.

§ 17.132 Review of departmental records related to the debt.

(a) Notification by employee. An employee who intends to inspect or copy departmental records related to the debt must send a letter to the Secretary stating his or her intention. The letter must be received by the Secretary within 20 calendar days of the date of the Notice of Intent.

(b) Secretary's response. In response to timely notice submitted by the debtor as described in paragraph (a) of this section, the Secretary will notify the employee of the location and time when the employee may inspect and copy Department records related to the debt.

§ 17.133 Written agreement to repay debt as alternative to salary offset.

(a) Notification by employee. The employee may propose, in response to a Notice of Intent, a written agreement to repay the debt as an alternative to salary offset. Any employee who wishes to do this must submit a proposed written agreement to repay the debt which is received by the Secretary within 20 calendar days of the date of the Notice of Intent.

(b) Secretary's response. In response to timely notice by the debtor as described in paragraph (a) of this section, the Secretary will notify the employee whether the employee's proposed written agreement for repayment is acceptable. It is within the Secretary's discretion to accept a repayment agreement instead of proceeding by offset. In making this determination, the Secretary will balance the Department's interest in collecting the debt against hardship to the employee. If the debt is delinquent and the employee has not disputed its existence or amount, the Secretary will accept a repayment agreement instead of offset only if the employee is able to establish that offset would result in undue financial hardship or would be against equity and good conscience.

§ 17.134 Procedures for salary offset: when deductions may begin.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the Secretary's Notice of Intent to collect from the employee's current pay.

(b) If the employee filed a petition for hearing with the Secretary before the expiration of the period provided for in §17.129, then deductions will begin after the hearing officer has provided the employee with a hearing, and the final written decision is in favor of the Secretary.

(c) If an employee retires or resigns before collection of the amount of the indebtedness is completed, the remaining indebtedness will be collected according to the procedures for administrative offset (see §§17.100 through 17.118).

§ 17.135 Procedures for salary offset: types of collection.

A debt will be collected in a lump-sum or in installments. Collection will be by lump-sum collection unless the employee is financially unable to pay in one lump-sum, or if the amount of the debt exceeds 15 percent of disposable pay. In these cases, deductions will be by installments.

§ 17.136 Procedures for salary offset: methods of collection.

(a) General. A debt will be collected by deductions at officially-established pay intervals from an employee's current pay account, unless the employee and the Secretary agree to alternative arrangements for repayment. The alternative arrangement must be in writing, signed by both the employee and the Secretary.

(b) Installment deductions. Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted for any period will not exceed 15 percent of the disposable pay from which the deduction is made, unless the employee has
agreed in writing to the deduction of a greater amount. If possible, the install-
ment payment will be sufficient in size and frequency to liquidate the debt in
three years. Installment payments of less than $25 per pay period or $50 a
month will be accepted only in the most unusual circumstances.

(c) Sources of deductions. The Depart-
ment will make deductions only from
basic pay, special pay, incentive pay,
retired pay, retainer pay, or in the case
of an employee not entitled to basic
pay, other authorized pay.

§ 17.137 Procedures for salary offset:
imposition of interest.

Interest will be charged in accord-
ance with §17.72.

§ 17.138 Non-waiver of rights.

So long as there are no statutory or
contractual provisions to the contrary,
no employee involuntary payment (of
all or a portion of a debt) collected
under these regulations will be inter-
preted as a waiver of any rights that
the employee may have under 5 U.S.C.
5514.

§ 17.139 Refunds.

The Department will refund prompt-
ly to the appropriate individual
amounts offset under these regulations
when:

(a) A debt is waived or otherwise
found not owing the United States (un-
less expressly prohibited by statute or
regulation); or

(b) The Department is directed by an
administrative or judicial order to re-
fund amounts deducted from the em-
ployee's current pay.

§ 17.140 Miscellaneous provisions: cor-
respondence with the Department.

The employee shall file an original
and two copies of a request for a hear-
ing with the Clerk, Office of the Chief
Administrative Law Judge, Room 2158,
Department of HUD, Washington, DC
20410, on official work days between the
hours of 8:45 a.m. and 5:15 p.m. All
other correspondence shall be sub-
mitted to the Department Claims Offi-
cer, Department of Housing and Urban
Development, Washington, DC 20410.

delivery or mail. All documents shall
be printed, typewritten, or otherwise
processed in clear, legible form and on
letter-size paper.

IRS Tax Refund Offset Provisions

SECTION: Sections 17.150 through 17.161 ap-
appear at 51 FR 39750, Oct. 31, 1986, unless oth-
erwise noted.

§ 17.150 Scope.

(a) The standards set forth in §§17.150
through 17.161 are the Department's
procedures for requesting the Internal
Revenue Service (IRS) to offset tax re-
funds due taxpayers who have a past-
due debt obligation to the Department.
These procedures are authorized by the
3720A) and apply to the collection of
debts as authorized by common law, by
31 U.S.C. 3716, or under other statutory
authority.

(b) The Secretary will use the IRS
tax refund offset to collect claims
which are certain in amount, past due
and legally enforceable, and which are
eligible for tax refund offset under reg-
ulations issued by the Secretary of the
Treasury.

(c) The Secretary will not report
debts to the IRS except for the purpose
of using the offset procedures described
in §§17.150 through 17.161. Debts of less
than $100.00, exclusive of interest and
other charges, will not be reported.

(d) If not legally enforceable because
of lapse of statute of limitations but
otherwise valid, the debt will be re-
ported to the IRS as a forgiven debt on
Form 1099G. (Form 1099G is an informa-
tion return which Government agen-
cies file with the IRS to report forgiven
debt, and the forgiven amount is con-
sidered income to the taxpayer.) (See
§17.159.)

§ 17.151 Notice requirements before
offset.

A request for deduction from an IRS
tax refund will be made only after the
Secretary makes a determination that
an amount is owed and past due and
provides the debtor with 65 calendar
days written notice. This Notice of In-
tent to Collect by IRS Tax Refund Off-
set (Notice of Intent) will state:

(a) The nature and amount of the debt;
§ 17.152 Review within the Department of a determination that an amount is past-due and legally enforceable.

(a) Notification by debtor. A debtor who receives a Notice of Intent has the right to present evidence that all or part of the debt is not past-due or not legally enforceable. The debtor should send a copy of the Notice of Intent with a letter notifying the HUD Board of Contract Appeals within 25 calendar days from the date of the Department's Notice of Intent that he or she intends to present evidence. (See §17.155.)

(b) Submission of evidence. The debtor may submit evidence showing that all or part of the debt is not past-due or not legally enforceable along with the notification requested by paragraph (a) of this section, but in any event the evidence must be submitted to the Board of Contract Appeals within 65 calendar days from the date of the Department's Notice of Intent. Failure to submit evidence within 65 calendar days will result in a dismissal of the request for review by the HUD Board of Contract Appeals.

(c) Review of the record. After a timely submission of evidence by the debtor, an Administrative Judge from the HUD Board of Contract Appeals will review the evidence submitted by the Department which shows that all or part of the debt is past-due and legally enforceable. (Administrative Judges are appointed in accordance with 41 U.S.C. 607(b)(1)). The Administrative Judge shall make a determination based upon a review of the written record, except that the Administrative Judge may order an oral hearing if he or she finds that:

(1) An applicable statute authorizes or requires the Secretary to consider waiver of the indebtedness and the waiver determination turns on credibility or veracity; or

(2) The question of indebtedness cannot be resolved by review of the documentary evidence.

(d) Previous decision by Board of Contract Appeals. The debtor is not entitled to a review of the Department's intent to offset it, in a previous year the HUD Board of Contract Appeals has issued a decision on the merits that the debt is past-due and legally enforceable, except when the debt has become legally unenforceable since the issuance of that decision, or the debtor can submit newly discovered material evidence that the debt is presently not legally enforceable.

§ 17.153 Determination of the Administrative Judge.

(a) Following the hearing or the review of the record, the Administrative Judge shall issue a written decision which includes the supporting rationale for the decision. The decision of the Administrative Judge concerning whether a debt or part of a debt is past-due and legally enforceable is the final agency decision with respect to the past-due status and enforceability of the debt.

(b) Copies of the Administrative Judge's decision will be distributed to
the General Counsel of the Department, the Department's Office of Finance and Accounting, the debtor, and the debtor's attorney or other representative, if any.

(c) If the Administrative Judge's decision affirms that all or part of the debt is past due and legally enforceable, the Secretary will notify the IRS after the Administrative Judge's determination has been issued under paragraph (a) of this section and a copy of the determination is received by the Department's Office of Finance and Accounting. No referral will be made to the IRS if review of the debt by the Administrative Judge reverses the initial decision that the debt is past due and legally enforceable.

§ 17.154 Postponements, withdrawals and extensions of time.

(a) Postponements and withdrawals. The Secretary may, for good cause, postpone or withdraw referral of the debt to the IRS. (For example, a delay in the mail between the debtor and the Secretary could normally warrant a postponement; a mathematical error or computer malfunction could be the reason for a withdrawal.)

(b) Extensions of time. At the discretion of the Administrative Judge, time limitations required in these procedures may be extended in appropriate circumstances for good cause shown.

§ 17.155 Review of departmental records related to the debt.

(a) Notification by debtor. A debtor who intends to inspect or copy departmental records related to the debt as determined by the Secretary must send a letter to the Title I Representative stating his or her intention. The letter must be received by the Title I Representative within 25 calendar days from the date of the Department's Notice of Intent.

(b) Department's response. In response to timely notification by the debtor as described in paragraph (a) of this section, the Title I Representative will notify the debtor of the location and time when the debtor may inspect or copy departmental records related to the debt.

§ 17.156 Stay of offset.

If the debtor timely notifies the Secretary that he or she is exercising a right described in §17.152(a) and timely submits evidence in accordance with §17.152(b), any notice to the IRS will be stayed until the issuance of a written decision by the Administrative Judge which determines that a debt or part of a debt is past due and legally enforceable.

§ 17.157 Application of offset funds: Single debt.

If the debtor does not timely notify the Secretary that he or she is exercising a right described in §17.152, the Secretary will notify the IRS of the debt no earlier than 65 calendar days from the date of the Department's Notice of Intent, and will request that the amount of the debt be offset against any amount payable by the IRS as refund of Federal taxes paid. Normally, recovered funds will be applied first to costs of collection, then to any special charges provided for in HUD regulations or contracts, then to interest and finally, to the principal owed by the debtor.

§ 17.158 Application of offset funds: Multiple debts.

The Secretary will use the procedures set out in §17.157 for the offset of multiple debts. However, when collecting on multiple debts the Secretary will apply the recovered amounts against the debts in the order in which the debts accrued.

§ 17.159 Application of offset funds: Tax refund insufficient to cover amount of debt.

If a tax refund is insufficient to satisfy a debt in a given tax year, the Secretary will recertify to the IRS the following year to collect further on the debt. If, in the following year, the debt has become legally unenforceable because of the lapse of the statute of limitations, the debt will be reported to the IRS as a forgiven debt in accordance with §17.150(d).
§ 17.160 Time limitation for notifying the IRS to request offset of tax refunds due.

(a) The Secretary may not initiate offset of tax refunds due to collect a debt for which authority to collect arises under 31 U.S.C. 3716 more than 10 years after the Secretary’s right to collect the debt first accrued, unless facts material to the Secretary’s right to collect the debt were not known and could not reasonably have been known by the officials of the Department who were responsible for discovering and collecting such debts.

(b) When the debt first accrued is determined according to existing law regarding the accrual of debts. (See, for example, 28 U.S.C. 2415.)

§ 17.161 Correspondence with the Department.

(a) All correspondence from the debtor to the Board concerning the right to review as described in §17.152 shall be addressed to the HUD Board of Contract Appeals, Room 2131, 451 Seventh Street S.W., Washington, DC 20410-0500.

(b) The request for review of Departmental records should be addressed to the Title I Representative whose address appears in the Notice of Intent of Offset. All requests for review of departmental records must be marked: Attention: Records Inspection Request.

(c) All other correspondence shall be addressed to the Department Claims Office, Office of Finance and Accounting, Department of Housing and Urban Development, room 2202, Washington, DC 20410.

PART 18—INDEMNIFICATION OF HUD EMPLOYEES

Source: 62 FR 6096, Feb. 10, 1997, unless otherwise noted.

§ 18.1 Policy.

(a) The Department of Housing and Urban Development may indemnify, in whole or in part, a Department employee (which for the purpose of this part includes a former Department employee) for any verdict, judgment or other monetary award which is rendered against any such employee, provided the Secretary or his or her designee determines that:

1. The conduct giving rise to the verdict, judgment or award was taken within the scope of his or her employment with the Department; and

2. Such indemnification is in the interest of the United States.

(b) The Department of Housing and Urban Development may settle or compromise a personal damage claim against a Department employee by the payment of available funds, at any time, provided the Secretary or his or her designee determines that:

1. The alleged conduct giving rise to the personal damage claim was taken within the scope of employment; and

2. That such settlement or compromise is in the interest of the United States.

(c) Absent exceptional circumstances, as determined by the Secretary or his or her designee, the Department will not entertain a request either to agree to indemnify or to settle a personal damage claim before entry of an adverse verdict, judgment or monetary award.

(d) When an employee of the Department becomes aware that an action has been filed against the employee in his or her individual capacity as a result of conduct taken within the scope of his or her employment, the employee should immediately notify his or her supervisor that such an action is pending. The supervisor shall promptly notify the head of his or her operating component and the Associate General Counsel for Litigation and Fair Housing Enforcement, if the supervisor is located at headquarters, or Field Assistant General Counsel—who shall promptly notify the Associate General Counsel for Litigation and Fair Housing Enforcement—if the supervisor is located in the field. As used in this section, the term “principal operating component” means an office in the Department headed by an Assistant Secretary, the General Counsel, the Inspector General, or an equivalent departmental officer who reports directly to the Secretary. Questions regarding representation of the employee will be
determined by the Department of Justice pursuant to 28 CFR 50.15 (Representation of Federal officials and employees by Department of Justice attorneys or by private counsel furnished by the Department in civil, criminal, and congressional proceedings in which Federal employees are sued, subpoenaed, or charged in their individual capacities).

(e) The employee may, thereafter, request indemnification to satisfy a verdict, judgment or monetary award entered against the employee or to compromise a claim pending against the employee. The employee shall submit a written request, with appropriate documentation including a copy of the verdict, judgment, award or other order or settlement proposal, in a timely manner to the head of the employee’s principal operating component. The head of the employee’s principal operating component shall submit the written request and accompanying documentation, together with a recommended disposition of the request, in a timely manner to the General Counsel.

(f) The General Counsel shall seek the views of the Department of Justice on the request. Where the Department of Justice has rendered a decision denying representation of the employee pursuant to 28 CFR 50.15, the General Counsel shall seek the concurrence of the Department of Justice on the request. If the Department of Justice does not concur in the request, the General Counsel shall so advise the employee and no further action on the employee’s request shall be taken.

(g) In all instances except those where the Department of Justice has non-concurred in the request, the General Counsel shall forward for decision to the Secretary or his or her designee the employee’s request, the recommendation of the head of the employee’s principal operating component, the views of the Department of Justice, and the General Counsel’s recommendation.

(h) Any payment under this part, either to indemnify a Department employee or to settle a personal damage claim, is contingent upon the availability of appropriated funds of the Department that are permitted by law to be utilized for this purpose.

For items requiring non-postal delivery, the Board is located in Room 3229, 1201 Constitution Ave., N.W. 20001. The telephone number of the Board is (202) 927-5110. (This is not a toll-free number.) All members shall be selected and appointed to serve in accordance with section 8(b)(1) of the Contract Disputes Act of 1978 (41 U.S.C. 608(b)(1)). Except as otherwise provided, appeals are assigned to a panel of at least three members who decide the case by a majority vote. The Chair shall assign one member of the panel to preside over the appeal and to conduct necessary conferences and hearings, supervise discovery and the development of the record for the Board, and to make such procedural determinations as are necessary to the proper disposition of the appeal.

Subpart B—Rules of the Department of Housing and Urban Development Board of Contract Appeals

SOURCE: 50 FR 45912, Nov. 5, 1985, unless otherwise noted.

§ 20.10 Rules.

(a) These rules govern the procedure in all matters before the Department of Housing and Urban Development Board of Contract Appeals, unless otherwise provided by applicable law or regulation. The Federal Rules of Civil Procedure may be applied where procedures are not otherwise provided in these rules. For applications and proceedings involving award of attorney fees and other expenses, the rules set forth in 24 CFR part 14 shall apply.

(b) Filing Requirements. A party shall file with the Board one original of any pleading or motion. That party shall simultaneously serve upon the other parties of record one copy of that pleading or motion filed with the Board. Filings may be transmitted to the Board via facsimile. However, the original of any document transmitted to the Board by facsimile shall simultaneously be mailed to the Board.

(c) Alternative Disputes Resolution. The Administrative Dispute Resolution Act authorizes and encourages Federal agencies to use mediation, conciliation, arbitration, and other techniques for the prompt and informal resolution of disputes. With the mutual consent of the parties, the Board may assist in the resolution of disputes by Alternative Dispute Resolution (ADR) procedures. The utilization of ADR procedures shall not relieve the parties from the filing requirements or other orders of the Board relating to a contract appeal duly docketed before the Board.

(d) Equal Access to Justice Act. The Equal Access to Justice Act provides that agencies which conduct adversary adjudications “shall award, to a prevailing party other than the United States, fees and other expenses incurred by that party in connection with that proceeding, unless the adjudicative officer of the agency finds that the position of the agency was substantially justified or that special circumstances make an award unjust.” 5 U.S.C. § 504. Prevailing parties in proceedings before the Board may apply for an award under the Act following the issuance by the Board of its final decision in the appeal.

Preliminary Procedures

Rule 1. Appeals, how taken.

(a) General. Notice of an appeal shall be in writing and mailed or otherwise furnished to the Board within 90 days from the date of receipt of a final written decision of the contracting officer.

(b) Contracting officer’s failure to act—claim of $100,000 or less. Where the contractor has submitted a claim of $100,000 or less to the contracting officer and has requested a written decision within 60 days from receipt of the request, and the contracting officer has not issued the decision, the contractor may file a notice of appeal as provided in paragraph (a) of this section, citing the failure of the contracting officer to issue a decision.

(c) Contracting officer’s failure to act—claim in excess of $100,000. Where the contractor has submitted a claim in excess of $100,000 to the contracting officer and the contracting officer has failed, within 60 days of submission of the claim, to issue a final written decision, or to advise the contractor of a date when the final written decision will be issued, the contractor may file a notice of appeal as provided in paragraph (a) of this section, citing the failure to issue a decision.

(d) Unreasonable delay by contracting officer. A contractor may request the Board to direct a contracting officer to issue a final written decision within a specified period of time, as determined by the Board, in the event of an unreasonable delay on the part of the contracting officer.

(e) Stay of proceedings. Upon docketing of appeals filed under paragraph (b) or (c) of this section, the Board may stay further proceedings pending issuance of a final decision by the contracting officer within the period of time determined by the Board.

A notice of appeal shall indicate that an appeal is being taken and shall identify the
§ 20.10

24 CFR Subtitle A (4–1–00 Edition)

contract (by number), the department and agency involved in the dispute, the final written decision from which the appeal is taken, and the amount in dispute, if known. The notice of appeal shall be signed by the appellant (the contractor making the appeal), or by the appellant’s duly authorized representative or attorney. The complaint referred to in Rule 6 may be filed with the notice of appeal, or the appellant may designate the notice of appeal as a complaint, if it otherwise fulfills the requirements of a complaint. A notice of appeal from a final written decision of a contracting officer involving a claim in excess of $100,000 shall state that certification has been made as required under section 6(c)(1) of the Contract Disputes Act of 1978 [41 U.S.C. 606(c)(1)].

When a notice of appeal in any form has been received by the Board, it shall be docketed promptly. A written notice of docketing shall be transmitted to the appellant with a copy of these rules, to the contracting officer, and to HUD’s Office of General Counsel.

(a) Duties of contracting officer. Within 30 days after receipt of notice from the Board that an appeal has been docketed, the contracting officer shall assemble and transmit to the Board (through HUD’s Office of General Counsel) three copies of an appeal file consisting of all documents relevant to the appeal, including:

(1) The decision from which the appeal is taken;
(2) The contract including specifications and relevant amendments, plans, and drawings;
(3) All correspondence between the parties relevant to the appeal, including the appellant’s letter or letters of claim;
(4) Transcripts of any testimony and affidavits or statements of any witnesses on the matter in dispute made prior to the filing of the notice of appeal with the Board; and
(5) Any additional information considered relevant to the appeal.

Upon receipt of the appeals file, the Board shall furnish the appellant and HUD’s Office of General Counsel with true and exact copies of the appeal file.

(b) Duties of appellant. Within 30 days after receipt of a copy of the appeal file assembled by the contracting officer, the appellant shall transmit to the Board any documents not contained in the appeal file which are relevant to the appeal, and furnish two copies of these documents to the government trial attorney.

(c) Organization of appeal file. Documents in the appeal file may be originals, legible facsimiles, or authenticated copies, and shall be arranged in chronological order where practicable, numbered sequentially, tabbed, and indexed to identify the contents of the file.

(d) Unusual documents. Upon request by either party, the Board may waive the requirement to furnish to the other party copies of bulky, lengthy, or out-of-size documents in the appeal file when inclusion would be burdensome. At the time a party files with the Board a document for which waiver has been granted, he or she shall notify the other party that the document or a copy is available for inspection at the offices of the Board or of the party filing the document.

(e) Status of documents in appeal file. Documents contained in the appeal file are, without further action by the parties, part of the record upon which the Board will render its decision. However, a party may object, for reasons stated, to consideration of a particular document or documents within 30 days of receipt, unless good cause is shown for later objection. If an objection is made, the Board shall remove the document or documents from the appeal file and permit the party offering the document to move its admission as evidence in accordance with Rules 13 and 20.

(f) Waiver of filing of documents. Notwithstanding the foregoing, the filing of the Rule 4 (a) and (b) documents may be dispensed with by the Board either upon request of the appellant in the notice of appeal or thereafter upon stipulation of the parties.

Rule 5. Dismissal for lack of jurisdiction.

Any motion addressed to the jurisdiction of the Board shall be promptly filed. Hearing on the motion shall be afforded on application of either party. However, the Board may defer its decision on the motion pending hearing on both the merits and the motion. The Board may at any time raise the issue of its jurisdiction to proceed with a particular case by an appropriate order, affording the parties an opportunity to be heard on the issue.

Rule 6. Pleadings.

(a) Appellant. Within 30 days after receipt of notice of docketing of the appeal, the appellant shall file a complaint with the Board. The complaint shall set forth simple, concise and direct statements of each of the appellant’s claims. Appellant shall also set forth the basis, with appropriate reference to contract provisions, of each claim and the dollar amount claimed, to the extent known. This pleading shall fulfill the generally recognized requirements of a complaint, although no particular form is required. Should the complaint not be received within 30 days, appellant’s notice of appeal may, if in the opinion of the Board the issues before the Board
are sufficiently defined, be deemed its complaint and the Government shall be so notified.

(b) Government. Within 30 days from receipt of the complaint, the Government shall file an answer with the Board. The answer shall set forth simple, concise and direct statements of Government’s defenses to each claim asserted by appellant, including any affirmative defenses available.

Rule 7. Amendments of pleadings or record.

The Board, upon its own initiative or upon application by a party, may order a party to make a more definite statement of the complaint or answer, or to reply to an answer. The Board may, within the proper scope of the appeal, permit either party to amend its pleading upon conditions fair to both parties. When issues within the proper scope of the appeal, but not raised by the pleadings, are tried by express or implied consent of the parties, with the permission of the Board, they shall be treated in all respects as if they have been raised in the pleadings. In such instances, motions to amend the pleadings to conform to the proof may be entered, but are not required. If evidence is objected to at a hearing on the ground that it is not within the issues raised by the pleadings, it may be admitted within the proper scope of the appeal, provided, however, that the objecting party may be granted a continuance if necessary to enable it to meet this evidence.

Rule 8. Hearing election and motions.

(a) Hearing election. After the filing of the Government’s answer or notice from the Board that it has entered a general denial on behalf of the Government, each party shall advise whether it desires a hearing as prescribed in Rules 17 through 25, or whether it elects to submit its case on the record without a hearing, as prescribed in Rule 11.

(b) Motions. (1) The Board may entertain any timely motion for an appropriate order. Application to the Board for an order shall be by motion which, unless made during a hearing, shall be made in writing, shall state with particularity the grounds for the motion and shall set forth the relief or order sought.

(2) The Board may, on its own motion, initiate any action by notice to the parties.

(3) Unless otherwise specified by the Board, a party who receives a motion shall file any responding material within 20 days after the date of receipt of the motion. The Board may require the presentation of briefs or arguments. The Board shall issue a decision on each motion that is appropriate and just to the parties.

(4) Affidavits in support of motions shall set forth such facts as would be admissible in evidence and shall show affirmatively that the affiant is competent to testify to the matters stated in the affidavit. When a motion is made and supported as provided in this rule, a party opposing the motion who is represented by counsel may not rest upon the mere allegations or denials of his pleading; his response, by affidavits or as otherwise provided in this rule, must show that there is a genuine issue of fact or of law for decision. Should it appear from the affidavits of a party opposing the motion that for reasons stated he cannot present by affidavit facts essential to justify his opposition, the Board may deny the motion or may order a continuance to permit affidavits to be obtained or discovery to be had or may make such order as is just.

Based on an examination of the pleadings, and its determination of whether the arguments and authorities addressed to the issues are adequately set forth in the pleadings, the Board may require the parties to submit prehearing briefs. If the Board does not require prehearing briefs, either party may upon appropriate and sufficient notice to the other party, furnish a prehearing brief to the Board. In any case where a prehearing brief is submitted, it shall be furnished so as to be received by the Board at least 15 days prior to the date set for hearing, and a copy shall simultaneously be furnished to the other party.

Rule 10. Prehearing or presubmission conference.

(a) Conference. Whether the case is to be submitted under Rule 11, or heard under Rules 17 through 25, the Board may upon its own initiative, or upon the application of either party, arrange a telephone conference or call upon the parties to appear before an Administrative Judge for a conference to consider:

(1) Simplification, clarification, or severing of the issues;

(2) The possibility of obtaining stipulations, admissions, agreements and rulings on admissibility of documents, understandings on matters already on record, or similar agreements that will avoid unnecessary problem;

(3) Agreements and rulings to facilitate discovery;

(4) Limitation of the number of expert witnesses or avoidance of cumulative evidence;

(5) The possibility of agreement disposing of any or all of the issues in dispute; and

(6) Such other matters as may aid in the disposition of the appeal.

(b) Results of conference. The Administrative Judge shall make such rulings and orders as may be appropriate to achieve settlement by agreement of the parties or to aid in the disposition of the appeal. The results of
§ 20.10

the conference, including any rulings and orders, shall be reduced to writing by the Administrative Judge or the conference shall be transcribed. The writing or the transcript shall constitute a part of the record.

Rule 11. Submission without a hearing.

Either party may elect to waive its right to appear at a hearing and to submit its case upon the record before the Board, as settled under Rule 13. Submission of a case without hearing does not relieve the parties from the necessity of proving the facts supporting their allegations or defenses. Affidavits, depositions, admissions, answers to interrogatories, and stipulations may be employed to supplement other documentary evidence in the record. The Board may permit submissions to be supplemented by oral argument, which may be transcribed if requested, and by briefs in accordance with Rule 9 or Rule 23.

Rule 12. Optional small claims (expedited) and accelerated procedures. (These procedures are available solely at the election of the appellant.)

Rule 12.1 Elections to utilize small claims (expedited) and accelerated procedure.

(a) Election-dispute involving $50,000 or less. In appeals where the amount in dispute is $50,000 or less, the appellant may elect to have the appeal processed under a Small Claims (Expedited) procedure requiring decision of the appeal, whenever possible, within 120 days after the Board receives written notice of the appellant’s election. The details of this procedure appear in section 12.2 of this Rule.

(b) Election-dispute involving $100,000 or less. In appeals where the amount in dispute is $100,000 or less, the appellant may elect to have the appeal processed under an Accelerated procedure requiring decision of the appeal, whenever possible, within 180 days after the Board receives written notice of the appellant’s election. The details of this procedure appear in section 12.3 of this Rule.

(c) Notice of election. The appellant’s election of either the Small Claims (Expedited) procedure or the Accelerated procedure may be made by written notice within 60 days after receipt of notice of docketing the appeal unless this period is extended by the Board for good cause. The election may not be withdrawn except with permission of the Board and for good cause.

(d) Determination of amount in dispute. In deciding whether the Small Claims (Expedited) procedure or the Accelerated procedure is applicable to a given appeal, the Board shall determine the amount in dispute.

Rule 12.2 The small claims (expedited) procedure.

(a) Document submission and prehearing conference. In cases proceeding under the Small Claims (Expedited) procedure, the following time periods shall apply: (1) Within ten days from the Government’s first receipt from either the appellant or the Board of a copy of the appellant’s notice of election of the Small Claims (Expedited) procedure, the Government shall send the Board a copy of the contract, the contracting officer’s final decision, and the appellant’s letter or letters of claim, if any; remaining documents required under Rule 4 shall be submitted in accordance with times specified in that rule unless the Board otherwise directs;

(2) Within 15 days after the Board has acknowledged receipt of appellant’s notice of election, the assigned Administrative Judge shall take the following actions, if feasible, in an informal meeting or a telephone conference with both parties: (i) Identify and simplify the issues; (ii) establish a simplified procedure appropriate to the particular appeal; (iii) determine whether the appellant wants a hearing, and if so, fix a time and place for the hearing; (iv) require the Government to furnish all the additional documents relevant to the appeal, and (v) establish an expedited schedule for resolution of the appeal.

(b) Pleadings, discovery and other prehearing activity. Pleadings, discovery and other prehearing activity will be allowed only as consistent with the requirement to conduct the hearing on the date scheduled, or if no hearing is scheduled, to close the record on a date that will allow decisions within the 120-day limit. The Board may impose shortened time periods for any actions prescribed or allowed under these rules, as necessary to enable the Board to decide the appeal within the 120-day limit, allowing whatever time, up to 30 days, that the Board considers necessary for the preparation of the decision after closing the record and the filing of briefs, if any.

(c) Decision. The written decision by the Board in cases processed under the Small Claims (Expedited) procedure will be short and contain only summary findings of fact and conclusions. Decisions will be rendered for the Board by a single Administrative Judge. If there has been a hearing, the Administrative Judge presiding at the hearing may at the conclusion of the hearing and after entertaining oral arguments as deemed appropriate, render on the record oral summary findings of fact, conclusions, and a decision of the Appeal. Whenever an oral decision is rendered, the Board will subsequently furnish the parties a typed copy of the oral decision (or a copy of the transcript of the hearing) for record and payment purposes.
Office of the Secretary, HUD

§ 20.10

and to establish the starting date for the period for filing a motion for reconsideration under Rule 29.

(d) Effect of decision. A decision issued under the Small Claims (Expedited) procedure shall have no value as precedent and, in the absence of fraud shall be final and conclusive and may not be appealed or set aside.

Rule 12.3  The accelerated procedure.

(a) Waiver of pleadings, discovery and briefs. In cases proceeding under the Accelerated procedure, the parties are encouraged, to the extent possible consistent with adequate presentation of their factual and legal positions, to waive pleadings, discovery, and briefs.

(b) Pleadings, discovery, and other prehearing activity. Pleadings, discovery and other prehearing activity will be allowed only as consistent with the requirement to conduct the hearing on the dates scheduled or, if no hearing is scheduled, to close the record on a date that will allow decision within the 180-day limit. The Board may shorten time periods for any actions prescribed or allowed under these rules, as necessary to enable the Board to decide the appeal within the 180-day limit, and may reserve up to 30 days for preparation of the decision.

(c) Decision. Written decisions by the Board in cases processed under the Accelerated procedure will normally be short and contain only summary findings of fact and conclusions. In cases where the amount in dispute is $50,000 or less where the Accelerated procedure has been elected and where there has been a hearing, the single Administrative Judge presiding at the hearing may, with the concurrence of both parties, at the conclusion of the hearing and after entertaining such oral arguments as deemed appropriate, render on the record oral summary findings of fact, conclusions, and a decision of the appeal. Whenever an oral decision is rendered, the Board will subsequently furnish the parties a typed copy of the oral decision (or a copy of the transcript of the hearing) for record and payment purposes, and to establish the starting date for the period for filing a motion for reconsideration under Rule 29.

Rule 12.4  Motions for reconsideration in Rule 12 cases.

Motions for Reconsideration of cases decided under either the Small Claims (Expedited) procedure or the Accelerated procedure need not be decided within the original 120-day or 180-day limit, but all such motions shall be processed and decided rapidly to fulfill the intent of this Rule.

Rule 13.  Setting the record.

(a) Contents of record. The record upon which the Board’s decision will be rendered consists of the documents in the appeal file furnished under Rule 4 or 12 (unless removed by the Board) and the following items, if any: Pleadings, prehearing conference memoranda or orders, prehearing briefs, depositions or interrogatories admitted into evidence, admissions, stipulations, transcripts of conferences and hearings, exhibits admitted into evidence, posthearing briefs, orders of the Board, and documents which the Board has specifically designated to be made a part of the record. The record will, at all reasonable times, be available for inspection by the parties at the office of the Board.

(b) Closing of record. Except as the Board may otherwise order, no proof shall be received in evidence after completion of an oral hearing or, in cases submitted on the record, after notification by the Board that the case is ready for decision.

(c) Weight of evidence. The weight to be attached to any evidence of record will rest within the sound discretion of the Board. The Board may in any case require either party, with appropriate notice to the other party, to submit additional evidence on any matter relevant to the appeal.

(a) General policy and protective orders. The parties are encouraged to engage in voluntary discovery procedures. In connection with any discovery procedure under this rule or rule 15, the Board may make any order required to protect a party or person from annoyance, embarrassment, or undue burden or expense. Those orders may include limitations on the scope, method, time and place for discovery, and provisions for protecting the secrecy of confidential information or documents.

(b) When depositions permitted. After an appeal has been docketed and complaint filed, the parties may mutually agree to, or the Board may, upon application of either party, order the taking of testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination.

(c) Orders on depositions. The time, place, and manner of taking depositions shall be as mutually agreed by the parties, or failing such agreement, governed by order of the Board.

(d) Use as evidence. No testimony taken by depositions shall be considered as part of the evidence in the hearing of an appeal until the testimony is offered and received in evidence at the hearing. It will not ordinarily be received in evidence if the deponent is present and can testify at the hearing. In these instances, however, the deposition may be used to contradict or impeach the testimony of the deponent given at the hearing. In cases submitted on the record, the Board may receive depositions to supplement the record.
§ 20.10

(e) Expenses. Each party shall bear its own expenses associated with the taking of any depositions.

Rule 15. Interrogatories to parties, admission of facts, and production and inspection of documents.

After an appeal has been docketed and complaint filed with the Board, a party may serve on the other party: (a) Written interrogatories to be answered separately in writing, signed under oath and answered or objected to within 30 days; (b) a request for the admission of specified facts or the authenticity of any documents, to be answered or objected to within 30 days after service; the factual statements and the authenticity of the documents to be deemed admitted upon failure of a party to respond to the request; and (c) a request for the production, inspection and copying of any documents or objects not privileged, which reasonably may lead to the discovery of admissible evidence.

Rule 16. Filing and service of papers other than subpoenas.

Papers shall be considered filed with the Board when mailed or otherwise furnished to the Board. Papers shall be served upon parties personally or by mail, addressed to the party upon whom service is to be made. Timely filing and service by facsimile transmission (teletypewriter) is permissible provided that the original telecopied document is promptly mailed or served thereafter in the manner specified by this rule. Except as provided in rule 4(a), the party filing any paper with the Board shall simultaneously serve a copy of the paper upon the opposing party, and shall file a certificate of service with the Board indicating that a copy has been so served. Subpoenas shall be served as provided in rule 21.

HEARINGS

Rule 17. Where and when held.

Hearings will be held at places determined by the Board to best serve the interest of the parties and the Board. Hearings will be scheduled at the discretion of the Board with due consideration to the regular order of appeals, Rule 12 requirements, the convenience of the parties, the requirement for just and inexpensive determination of appeals without necessary delay, and other pertinent factors. On request or motion by either party and for good cause, the Board may adjust the date of a hearing.

Parties shall be given not less than 20 days notice of the time and place for hearing, unless otherwise agreed. The notice of hearing shall be sent by certified mail (return receipt requested).

24 CFR Subtitle A (4–1–00 Edition)

Rule 19. Unexcused absence of a party.

The unexcused absence of a party at the time and place set for hearing will not be occasion for delay. Notwithstanding the provisions of Rule 31, in the event of an unexcused absence: (a) The appeal will be dismissed with prejudice for want of prosecution; or (b) the hearing will proceed and the case will be regarded as submitted on the record by the absent party.

Rule 20. Hearings; conduct; examination of witnesses.

(a) Conduct of hearings. Hearings shall be as informal as may be reasonable and appropriate under the circumstances. Appellant and the Government may offer such evidence as would be admissible under the Federal Rules of Evidence or as otherwise determined to be reliable and relevant by the presiding Administrative Judge. Stipulations of fact agreed upon by the parties may be regarded and used as evidence at the hearing. The parties may stipulate the testimony that would be given by a witness if the witness were present. The Board may require evidence in addition to that offered by the parties.

(b) Examination of witnesses. Oral testimony before the Board shall generally be given under oath or affirmation. However, if the testimony of a witness is not given under oath or affirmation, the Board shall advise the witness that his statements may be subject to the provisions of title 18 U.S.C., sections 287 and 1001, and any other provision of law imposing penalties for knowingly making false representations in connection with claims against the United States or in any matter within the jurisdiction of any department or agency.

(a) General. Upon written request of either party filed with the Board or on the Administrative Judge's initiative, the Administrative Judge to whom a case is assigned or who is otherwise designated by the Chairman may issue a subpoena requiring:

(1) Testimony at a deposition—the deposition of a witness in the city or county where he or she resides, is employed or transacts business in person, or at another location convenient for the witness that is specifically determined by the Board;

(2) Testimony at a hearing—the attendance of a witness for the purpose of taking testimony at a hearing; and

(3) Production of books and papers—the production by the witness at the deposition or hearing of books and papers designated in the subpoena.

(b) Voluntary cooperation. Each party is expected (1) to cooperate and make available witnesses and evidence under its control as requested by the other party, without
Office of the Secretary, HUD

Issuance of a subpoena, and (2) to secure voluntary attendance of desired third-party witnesses and production of desired third-party books, papers, documents, or tangible things whenever possible.

(c) Requests for subpoenas. (1) A request for a subpoena shall normally be filed at least:
   (i) 15 days before a scheduled deposition where the attendance of a witness at a deposition is sought;
   (ii) 30 days before a scheduled hearing where the attendance of a witness at a hearing is sought.

In its discretion the Board may honor requests for subpoenas not made within these time limitations.

(2) A request for a subpoena shall state the reasonable scope and general relevance to the case of the testimony and of any books and papers sought.

(d) Requests to quash or modify. Upon written request by the person subpoenaed or by a party, made within 10 days after service but in any event not later than the time specified in the subpoena for compliance, the Board may (1) quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown, or (2) require the person in whose behalf the subpoena was issued to advance the reasonable cost of producing subpoenaed books and papers. Where circumstances require, the Board may act upon such a request at any time after a copy of the request has been served upon the opposing party.

(e) Form; issuance. (1) Every subpoena shall state the name of the Board and the title of the appeal, and shall command each person to whom it is directed to attend and give testimony, and if appropriate, to produce specified books and papers at the time and place specified in the subpoena. In issuing a subpoena to a requesting party, the Administrative Judge shall sign the subpoena and may, in his discretion, enter the name of the witness and otherwise leave it blank. The party to whom the subpoena is issued shall complete the subpoena before service.

(2) Where the witness is located in a foreign county, a letter rogatory or subpoena may be issued and served under the circumstances and in the manner provided in 28 U.S.C. 1781-1784.

(f) Service. (1) The party requesting issuance of a subpoena shall be responsible for service.

(2) A subpoena requiring the attendance of a witness at a deposition or hearing may be served (i) by sending a copy of the subpoena by certified mail (return receipt requested) to the last known address of the party named in the subpoena, or (ii) by personal delivery of a copy of the subpoena to the party named in the subpoena, by a United States marshal or deputy marshal, or by any other person who is not a party and not less than 18 years of age. Service shall include the tender of the fees for one day's attendance and the mileage provided by 28 U.S.C. 1821 or other applicable law; however, where the subpoena is issued on behalf of the Government, money payments need not be tendered in advance of attendance.

(3) The party at whose instance a subpoena is issued shall be responsible for the payment of fees and mileage of the witness and for the costs of service of the subpoena.

(g) Contumacy or refusal to obey subpoena. In case of contumacy or refusal to obey a subpoena by a person who resides, is found, or transacts business within the jurisdiction of a United States District Court, the Board will apply to the Court through the Attorney General of the United States for an order requiring the person to appear before the Board or a member of the Board to give testimony or produce evidence or both.

Rule 22. Copies of papers.

When books, records, papers, or documents have been received in evidence, a true copy of this evidence or a copy of any material or relevant part of this evidence may be substituted during or at the conclusion of the hearing.

Rule 23. Posthearing briefs.

The presiding Administrative Judge may order the parties to submit post hearing briefs to the Board.

Rule 24. Transcript of proceedings.

Testimony and argument at hearings shall be reported verbatim, unless the Board otherwise orders. Extra transcripts or copies of the proceedings in the possession of the board may be supplied to the parties. Otherwise, the parties may obtain transcripts or copies of the proceedings from the hearing reporter.

Rule 25. Withdrawal of exhibits.

After a decision has become final the Board may, upon request and after notice to the other party, permit the withdrawal of original exhibits, or any part of original exhibits by the party entitled to the exhibits. The substitution of true copies of exhibits or any part of exhibits may be required by the Board as a condition of granting permission for the withdrawal.

Representation

An individual appellant may appear before the Board in person; a corporation by one of its duly authorized officers; a partnership or joint venture by one of its duly authorized members; or any of these by an attorney at law duly licensed in any State, commonwealth, territory, the District of Columbia, or in a foreign country. An attorney
representing an appellant shall file a written notice of appearance with the Board.

Rule 27. Government.

Government counsel may, in accordance with their authority, represent the interests of the Government before the Board. They shall file notices of appearance with the Board. This notice of appearance will be given appellant or appellant’s attorney in the form specified by the Board from time to time. Whenever an appellant and the Government are in agreement as to disposition of the controversy, the Board may suspend further processing of the appeal. However, if the Board is advised by either party that the controversy has not been disposed of by agreement, the case shall be restored to the Board’s calendar without loss of position.

DECI SIONS

Decisions of the Board shall be made in writing. Copies of the decision shall be forwarded simultaneously to both parties. The rules of the Board and all final orders and decisions (except those required for good cause to be held confidential and not cited as precedents) shall be open for public inspection at the offices of the Board in Washington, DC. Decisions of the Board shall be made solely upon the record, as described in Rule 13. Oral decisions shall be rendered in accordance with Rules 12.2(c) and 12.3(c).

MOTION FOR RECONSIDERATION

Rule 29. Motion for reconsideration.

A motion for reconsideration may be filed by either party. It shall set forth specifically the grounds relied upon to sustain the motion. The motion shall be filed within 30 days from the date of the receipt of a copy of the decision of the Board by the party filing the motion.

DISMISSALS AND DEFAULTS

Rule 30. Dismissal without prejudice.

In certain cases, appeals docketed before the Board are required to be placed in a suspended status and the Board is unable to proceed with disposition for reasons not within the control of the Board. Where the suspension has continued, or may continue, for an inordinate length of time, the Board may dismiss such appeals from its docket without prejudice to their restoration to the docket when the cause of suspension has been removed. Unless either party or the Board acts within three years to reinstate any appeal dismissed without prejudice, the dismissal shall be considered to be with prejudice.

Replies or default for failure to prosecute or defend.

Whenever a record discloses the failure of either party to file documents required by these rules, respond to notices or correspondence from the Board, comply with orders of the Board, or otherwise indicates an intention not to continue the prosecution or defense of an appeal, the Board may, in the case of such a default by the appellant, issue an order to show cause why the appeal should not be dismissed with prejudice or, in the case of a default by the Government, issue an order to show cause why the Board should not act under Rule 33. If good cause is not shown, the Board may take appropriate action.

REMAND

Rule 32. Remand from court.

Whenever any court remands a case to the Board for further proceedings, each of the parties shall, within 20 days of the remand, submit a report to the Board recommending procedures to be followed to comply with the court’s order. The Board shall consider any timely filed reports and enter special orders governing the handling of the remanded case. To the extent the court’s directive and time limitations permit, these orders shall conform to these rules.

SANCTIONS

Rule 33. Sanctions.

If any party fails or refuses to obey an order issued by the Board, the Board may then make such order as it considers necessary to the just and expeditious conduct or dismissal of the appeal.

MISCELLANEOUS PROCEDURES

Rule 34. Applicability.

These rules shall apply to all appeals relating to contracts entered into on or after March 1, 1979, and, to appeals relating to earlier contracts, with respect to claims pending before the contracting officer on March 1, 1979 or initiated thereafter, if the contractor elects to proceed under the Act.

Rule 35. Time, computation, and extensions.

(a) General. Where possible, procedural actions should be taken in less time than the maximum time allowed. Where appropriate and justified, extensions of time shall be granted. All requests for extensions of time shall be in writing and shall be filed before the due date, unless excused.

(b) Computation. In computing any period of time, the day of the event from which the designated period of time begins to run shall not be included, but the last day of the period shall be included unless it is a Saturday.
Sunday, or a legal holiday, in which event the period shall run to the end of the next business day.

Rule 36. Ex parte communications.

(a) Definition. An ex parte communication is any communication with a member of the Board, direct or indirect, oral or written, concerning the merits of matters in issue of any pending proceeding which is made by a party in the absence of any other party. Ex parte communications do not include communications where:

(1) The purpose and content of the communication have been disclosed in advance or simultaneously to all parties;
(2) The communication is a request for information concerning the status of the case; or
(3) The communication involves the Board’s administrative functions or procedures.

(b) Prohibition of ex parte communications. Ex parte communications are prohibited.

(c) Procedure after receipt of ex parte communications. Any member of the Board who receives an ex parte communication that the member of the Board knows or has reason to believe is unauthorized shall promptly place the communication, or its substance, in all files and shall furnish copies to all parties. Unauthorized ex parte communications shall not be taken into consideration in deciding any matter in issue.

(1) Providing for the inclusion in the List of Parties Excluded from Federal Procurement and Nonprocurement Programs all persons proposed for debarment, debarred or suspended under the Federal Acquisition Regulation, 48 CFR part 9, subpart 9.4; persons against which governmentwide exclusions have been entered under this part; and persons determined to be ineligible; and

(2) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion.

(d) Although these regulations cover the listing of ineligible participants and the effect of such listing, they do not prescribe policies and procedures governing declarations of ineligibility.

(e) These regulations also:

(1) Prescribe policies and procedures governing the debarment and suspension of contractors and the limited denial of participation of participants and contractors;

(2) Provide for the listing of debarred, suspended and ineligible contractors; and

(3) Set forth the consequences of such listing.

(f) Although this part covers the listing of ineligible contractors, it does not prescribe policies and procedures governing declarations of ineligibility.

(i) Sanctions against participants whose only involvement in HUD programs is as ultimate beneficiaries, such as subsidized tenants and subsidized mortgagors, may be taken only upon commission of one of the offenses set forth in §24.305(a), unless the participant has otherwise been debarred or suspended by another Federal agency.
(ii) Sanctions under this part against mortgagors and lenders approved by HUD to participate in Federal Housing Administration programs may be initiated only with the approval of the Mortgagee Review Board.
(b) Relationship to other sections. This section describes the types of transactions to which a debarment or suspension under the regulations will apply. Subpart B, “Effect of Action,” §24.200, “Debarment or suspension,” sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in §24.110(a). Sections 24.325, “Scope of debarment,” and 24.420, “Scope of suspension,” govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.
(c) Relationship to Federal procurement activities. In accordance with E.O. 12689 and section 2455 of Public Law 103–355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for Executive Branch agencies and participants as an exclusion under this regulation. Similarly, any debarment, suspension or other governmentwide exclusion initiated under this regulation on or after August 25, 1995 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.
(d) These regulations also apply to all persons who have participated, are currently participating or may reasonably be expected to participate in Federal procurement programs. For purposes of these regulations, such persons will be referred to as contractors and
such transactions will be referred to as procurement contracts. The consequences of a debarment or suspension as set forth in §24.200 apply to contractors in Federal procurement programs, and §§24.325 and 24.420 govern the extent to which a specific contractor or its organizational elements would be included within a debarment or suspension action.

(e) Retroactivity. Limitations on participation in HUD programs proposed or imposed prior to the effective date of these regulations under an ancillary procedure shall not be affected by this part. This part shall apply to sanctions initiated after the effective date of these regulations (October 1, 1988) regardless of the date of the cause giving rise to the sanction.

§24.115 Policy.

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment and suspension are discretionary actions that, taken in accordance with Executive Order 12549 and these regulations, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government's protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in these regulations.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

Subpart B—Effect of Action

§24.200 Debarment or suspension.

(a) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to §24.215.

(b) Lower tier covered transactions. Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see §24.110(a)(1)(ii)) for the period of their exclusion.

(c) Exceptions. Debarment or suspension does not affect a person's eligibility for—

1. Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

2. Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

3. Benefits to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted);

4. Federal employment;

5. Transactions pursuant to national or agency-recognized emergencies or disasters;

6. Incidental benefits derived from ordinary governmental operations; and
§ 24.205

(7) Other transactions where the application of these regulations would be prohibited by law.

(8) Debarment for any of the causes set forth in § 24.305(f) shall have no governmentwide effect.

(9) Sanctions imposed on an individual participant under this part shall not preclude the participant from selling his or her principal residence to a purchaser using HUD/FHA financing.

(d) Relationship to HUD administrative sanction procedures—(1) Sanctions pursuant to contract provisions. Nothing in this part shall impair or limit the right to impose any sanction provided for by contract, including guaranty agreements with the Government National Mortgage Association.

(2) Other Departmental sanctions. Where an office of the Department is required by statute, regulation, or Executive Order to follow administrative sanction procedures that may differ from the requirements of this part, the requirements of the statute, regulation, or Executive Order shall take precedence. These alternative procedures include, but are not limited to: 24 CFR part 200 Previous Participation Review and Clearance procedures, 24 CFR part 25 Mortgagee Review Board administrative actions, and 24 CFR part 570 Community Development Block Grant corrective and remedial actions.

§ 24.205 Ineligible persons.

Persons who are ineligible, as defined in § 24.105(i), are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

§ 24.210 Voluntary exclusion.

Persons who accept voluntary exclusions under § 24.315 are excluded in accordance with the terms of their settlements. HUD shall, and participants may, contact the original action agency to ascertain the extent of the exclusion.

§ 24.215 Exception provision.

HUD may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and § 24.200. However, in accordance with the President’s stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with § 24.505(a).

[60 FR 33041, 33048, June 26, 1995]

§ 24.220 Continuation of covered transactions.

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in § 24.215.

[60 FR 33041, 33048, June 26, 1995]

§ 24.225 Failure to adhere to restrictions.

(a) Except as permitted under § 24.215 or § 24.220, a participant shall not knowingly do business under a covered transaction with a person who is—

(1) Debarred or suspended;

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance
of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction (See appendix B of these regulations), unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

Subpart C—Debarment

§ 24.300 General.

The debarring official may debar a person for any of the causes in § 24.305, using procedures established in §§ 24.310 through 24.314. The existence of a cause for debarment, however, does not necessarily require that the person be debarred; the seriousness of the person’s acts or omissions and any mitigating factors shall be considered in making any debarment decision.

§ 24.305 Causes for debarment.

Debarment may be imposed in accordance with the provisions of §§ 24.300 through 24.314 for:
(a) Conviction of or civil judgment for:
(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;
(2) Violation of Federal or State antitrust statutes, including those prescribing price fixing between competitors, allocation of customers between competitors, and bid rigging;
(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, or obstruction of justice; or
(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.
(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:
(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;
(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or
(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.
(c) Any of the following causes:
(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, the effective date of these regulations, or a procurement debarment by any Federal agency taken pursuant to 48 CFR subpart 9.4;
(2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction, except as permitted in § 24.215 or § 24.220;
(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor’s legal and administrative remedies have been exhausted;
(4) Violation of a material provision of a voluntary exclusion agreement entered into under § 24.315 or of any settlement of a debarment or suspension action; or
(5) Violation of any requirement of subpart F of this part, relating to providing a drug-free workplace, as set forth in § 24.615 of this part.
(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.
(e) Debarment of a contractor may be imposed for any of the causes in paragraphs (a), (b), and (d). For purposes of this section, agreement is deemed to include contracts or subcontracts.
(f) In addition to the causes set forth above, HUD may debar a person from
§ 24.310 Part. 24 Procedures.

HUD shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §24.311 through 24.314.

§ 24.311 Investigation and referral.

Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

§ 24.312 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

(a) That debarment is being considered;

(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;

(c) Of the cause(s) relied upon under §24.305 for proposing debarment;

(d) Of the provisions of §24.311 through §24.314, and any other HUD procedures, if applicable, governing debarment decisionmaking; and

(e) Of the potential effect of a debarment.

§ 24.313 Opportunity to contest proposed debarment.

(a) Submission in opposition. Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(1) The information and argument should be addressed to the Debarment Docket Clerk, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410.

(2) If the respondent does not contest the proposed debarment within the 30 day period, the proposed debarment shall become final.

(3) If the respondent desires a hearing, it shall submit a written request to the Debarment Docket Clerk within the 30-day period following receipt of the notice of proposed debarment.

(b) Additional proceedings as to disputed material facts. (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

(i) Upon the agreement of the parties, the additional proceedings may be recorded using audiotape without transcription. The audiotape shall be made available at cost to the respondent.

(ii) [Reserved]

§ 24.314 Debarring official’s decision.

(a) No additional proceedings necessary. In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made
within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

(1) The debarring official may, in his or her discretion, refer actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, to a hearing officer or other official for review of the administrative record and appropriate findings. The hearing officer or other official shall issue such findings within 45 days after the referral, and the debarring official shall issue a decision within 15 days after the date of the findings, unless such periods are extended for good cause.

(2) [Reserved]

(b) Additional proceedings necessary.

(1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(i) The debarring official may refer disputed material facts and issues of law to a hearing officer for findings of fact and conclusions of law.

(A) No appeal to the Secretary may be taken under §§26.24 through 26.26 of this title with respect to any order or decision by a hearing officer or other official.

(B) The debarring official shall provide the hearing officer or other official with all the information in the administrative record, including any information and argument submitted by the respondent. The administrative record and any documents admitted at the hearing shall constitute the exhibits in evidence.

(ii) Unless the parties mutually agree to extend this period, a proceeding before a hearing officer or other official shall commence within 45 days after referral of the case by the debarring official. The hearing officer or other official shall issue findings of fact within 30 days after the conclusion of such additional proceedings. The time limitations of this subparagraph may be extended upon issuance, by the debarring official, hearing officer or other official, of a written notice describing good cause for such extension.

(3) The debarring official's decision shall be made after the conclusion of the proceedings with respect to the disputed facts.

(i) Such decision shall be made within 15 days after the hearing officer or other official issues findings of fact.

(ii) [Reserved]

(c)(1) Standard of proof. In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.

(2) Burden of proof. The burden of proof is on the agency proposing debarment.

(d) Notice of debarring official's decision.

(1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:

(i) Referring to the notice of proposed debarment;

(ii) Specifying the reasons for debarment;

(iii) Stating the period of debarment, including effective dates; and

(iv) Advising that the debarment is effective for covered transactions throughout the executive branch of the Federal Government unless an agency head or an authorized designee makes the determination referred to in §24.215.

(A) Where a debarment is based solely on §24.305(f), the notice of the debarring official’s decision shall advise that the debarment is effective for programs or activities of the Department.

(B) [Reserved]

(2) If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice...
§ 24.315 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, HUD may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E).

§ 24.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see §24.305(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§24.311 through 24.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:

(1) Newly discovered material evidence;

(2) Reversal of the conviction or civil judgment upon which the debarment was based;

(3) Bona fide change in ownership or management;

(4) Elimination of other causes for which the debarment was imposed; or

(5) Other reasons the debarring official deems appropriate.

(d) Where respondent’s request to reduce the period or scope of debarment is based on reasons set forth in paragraphs (c)(4) or (5) of this section, such request may not be submitted earlier than six months after the final decision to debar. In no event may more than one such request be submitted within any 12-month period.

§ 24.325 Scope of debarment.

(a) Scope in general. (1) Debarment of a person under these regulations constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§24.311 through 24.314).

(3) Debarment of a contractor under these regulations, or by another Federal agency pursuant to 48 CFR subpart 9.4, constitutes debarment of all its divisions and other organizational elements from all Federal procurement, unless the debarment is limited by its terms to one or more specifically identified individuals, divisions, or other organizational elements or to specific types of contracts. The debarment may be extended to include any affiliates of the contractor, if they are specifically named, given written notice of the proposed debarment, and provided with an opportunity to respond.

(b) Imputing conduct. For purposes of determining the scope of debarment, conduct may be imputed as follows:
(1) Conduct imputed to participant. The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual’s performance of duties for or on behalf of the participant, or with the participant’s knowledge, approval, or acquiescence. The participant’s acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(2) Conduct imputed to individuals associated with participant. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant’s conduct.

(3) Conduct of one participant imputed to other participants in a joint venture. The fraudulent, criminal, or other seriously improper conduct of a participant in a joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement or with the knowledge, approval, or acquiescence of these participants. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(4) The provisions of paragraphs (b)(1) through (3) of this section are also applicable for purposes of imputing conduct to a contractor.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in §24.405, and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 24.405 Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§24.400 through 24.413 upon adequate evidence:

(1) To suspect the commission of an offense listed in §24.305(a); or

(2) That a cause for debarment under §24.305 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 24.410 Procedures.

(a) Investigation and referral. Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) Decisionmaking process. HUD shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in §24.411 through §24.413.
§ 24.412 Opportunity to contest suspension.

(a) Submission in opposition. Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(1) The information and argument should be addressed to the Debarment Docket Clerk, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410.

(2) If the respondent does not contest the suspension within the 30 day period, the suspension shall become final.

(3) If the respondent desires a hearing, it shall submit a written request to the Debarment Docket Clerk within the 30-day period following receipt of the notice of suspension.

(4) The parties may agree to engage in an alternative dispute resolution, including informal conference, mediation, conciliation, summary trial with binding decision, minitrial, or use of a settlement judge.

(b) Additional proceedings as to disputed material facts. (1) If the suspending official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witnesses the agency presents, unless:

(i) The action is based on an indictment, conviction or civil judgment; or

(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

(i) Upon the agreement of the parties, the additional proceedings may be recorded using audiotape without transcription. The audiotape shall be made available at cost to the respondent.

(ii) [Reserved]

(60 FR 33050, June 26, 1995)

§ 24.413 Suspending official’s decision.

The suspending official may modify or terminate the suspension (see §24.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) No additional proceedings necessary. In actions based upon an indictment, conviction, or civil judgment, in which there is no genuine dispute over material facts, or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) Additional proceedings. (1) The suspending official may, in his or her discretion, refer actions
based upon an indictment, conviction or civil judgment, or in which there is no genuine dispute over material facts, to a hearing officer or other official for review of the administrative record and appropriate findings. The hearing officer or other official shall issue such findings within 45 days after the referral, and the suspending official shall issue a decision within 15 days after the date of such findings, unless such periods are extended for good cause.

(2) [Reserved]

(b) Additional proceedings necessary.

(1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(3) The suspending official may refer disputed material facts and issues of law to a hearing officer for findings of fact and conclusions of law.

(i) No appeal to the Secretary may be taken under §§26.24 through 26.26 of this title with respect to any order or decision by a hearing officer or other official.

(ii) The suspending official shall provide the hearing officer or other official with all the information in the administrative record, including any information and argument submitted by the respondent. The administrative record and any documents admitted at the hearing shall constitute the exhibits in evidence.

(4) Unless the parties mutually agree to extend this period, a proceeding before a hearing officer or other official shall commence within 45 days after referral of disputed material facts and issues of law by the suspending official. The hearing officer or other official shall issue findings of fact within 30 days after the conclusion of such additional proceedings. The time limitations of this subparagraph may be extended upon issuance, by the suspending official, other official or hearing officer, of a written notice describing good cause for such extension.

(5) The suspending official's decision shall be made within 15 days after the hearing officer or other official issues findings of fact.

(c) Notice of suspending official's decision. Prompt written notice of the suspending official's decision shall be sent to the respondent.

[60 FR 33050, June 26, 1995]

§ 24.415 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

[53 FR 19182 and 19204, May 26, 1988, as amended at 60 FR 33051, June 26, 1995]

§ 24.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see § 24.325), except that the procedures of §§24.410 through 24.413 shall be used in imposing a suspension.
§ 24.500 GSA responsibilities.

(a) In accordance with the OMB guidelines, GSA shall compile, maintain, and distribute a list of all persons who have been debarred, suspended, or voluntarily excluded by agencies under Executive Order 12549 and these regulations, and those who have been determined to be ineligible.

(b) At a minimum, this list shall indicate:
   (1) The names and addresses of all debarred, suspended, ineligible, and voluntarily excluded persons, in alphabetical order, with cross-references when more than one name is involved in a single action;
   (2) The type of action;
   (3) The cause for the action;
   (4) The scope of the action;
   (5) Any termination date for each listing; and
   (6) The agency and name and telephone number of the agency point of contact for the action.

(c) In accordance with 48 CFR 9.404, GSA shall compile and distribute a list of contractors who are debarred, suspended, ineligible, or voluntarily excluded.

§ 24.505 HUD responsibilities.

(a) The agency shall provide GSA with current information concerning debarments, suspension, determinations of ineligibility, and voluntary exclusions it has taken. Until February 18, 1989, the agency shall also provide GSA and OMB with information concerning all transactions in which HUD has granted exceptions under §24.215 permitting participation by debarred, suspended, or voluntarily excluded persons.

(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in §24.500(b) and of the exceptions granted under §24.215 within five working days after taking such actions.

(c) The agency shall direct inquiries concerning listed persons to the agency that took the action.

(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded (Tel. –).

(e) Agency officials shall check the Nonprocurement List before approving principals or lower tier participants where agency approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

(f) The agency shall notify GSA within 5 working days after modifying or rescinding an action;

(g) The agency shall, in accordance with internal retention procedures, maintain records relating to each suspension or debarment action taken by the agency;

(h) Contracting Officers shall check the Procurement List before entering into any contract or before approving any subcontract to determine whether a contractor is debarred, suspended, ineligible or voluntarily excluded.

§ 24.510 Participants’ responsibilities.

(a) Certification by participants in primary covered transactions. Each participant shall submit the certification in appendix A to this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals (Tel. –).

Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) Certification by participants in lower tier covered transactions. (1) Each
participant shall require participants in lower tier covered transactions to include the certification in appendix B to this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction by any Federal agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Non-procurement List for its principals and for participants (Tel. —).

(c) Changed circumstances regarding certification. A participant shall provide immediate written notice to HUD if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposals.

Subpart F—Drug-Free Workplace Requirements (Grants)

SOURCE: 55 FR 21688, 21695, May 25, 1990, unless otherwise noted.

§ 24.600 Purpose.

(a) The purpose of this subpart is to carry out the Drug-Free Workplace Act of 1988 by requiring that—

(1) A grantee, other than an individual, shall certify to the agency that it will provide a drug-free workplace;

(2) A grantee who is an individual shall certify to the agency that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance in conducting any activity with the grant.

(b) Requirements implementing the Drug-Free Workplace Act of 1988 for contractors with the agency are found at 48 CFR subparts 9.4, 23.5, and 52.2.

§ 24.605 Definitions.

(a) Except as amended in this section, the definitions of § 24.105 apply to this subpart.

(b) For purposes of this subpart—

(1) Controlled substance means a controlled substance in schedules I through V of the Controlled Substances Act (21 U.S.C. 812), and as further defined by regulation at 21 CFR 1308.11 through 1308.15;

(2) Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

(3) Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

(4) Drug-free workplace means a site for the performance of work done in connection with a specific grant at which employees of the grantee are prohibited from engaging in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance;

(5) Employee means the employee of a grantee directly engaged in the performance of work under the grant, including:

(i) All direct charge employees;

(ii) All indirect charge employees, unless their impact or involvement is insignificant to the performance of the grant; and,

(iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll.

This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the payroll; or employees of subrecipients or subcontractors in covered workplaces);
§ 24.610 Coverage.

(a) This subpart applies to any grantee of the agency.

(b) This subpart applies to any grant, except where application of this subpart would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government. A determination of such inconsistency may be made only by the agency head or his/her designee.

(c) The provisions of subparts A, B, C, D and E of this part apply to matters covered by this subpart, except where specifically modified by this subpart. In the event of any conflict between provisions of this subpart and other provisions of this part, the provisions of this subpart are deemed to control with respect to the implementation of drug-free workplace requirements concerning grants.

§ 24.615 Grounds for suspension of payments, suspension or termination of grants, or suspension or debarment.

A grantee shall be deemed in violation of the requirements of this subpart if the agency head or his or her official designee determines, in writing, that—

(a) The grantee has made a false certification under §24.630;

(b) With respect to a grantee other than an individual—

(1) The grantee has violated the certification by failing to carry out the requirements of paragraphs (A)(a)-(g) and/or (B) of the certification (Alternate I to appendix C) or

(2) Such a number of employees of the grantee have been convicted of violations of criminal drug statutes for violations occurring in the workplace as to indicate that the grantee has failed to make a good faith effort to provide a drug-free workplace.

(c) With respect to a grantee who is an individual—

(1) The grantee has violated the certification by failing to carry out its requirements (Alternate II to appendix C); or

(2) The grantee is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity.

§ 24.620 Effect of violation.

(a) In the event of a violation of this subpart as provided in §24.615, and in accordance with applicable law, the grantee shall be subject to one or more of the following actions:
(1) Suspension of payments under the grant;
(2) Suspension or termination of the grant; and
(3) Suspension or debarment of the grantee under the provisions of this part.
(b) Upon issuance of any final decision under this part requiring debarment of a grantee, the debarred grantee shall be ineligible for award of any grant from any Federal agency for a period specified in the decision, not to exceed five years (see §24.320(a)(2) of this part).

§ 24.625 Exception provision.
The agency head may waive with respect to a particular grant, in writing, a suspension of payments under a grant, suspension or termination of a grant, or suspension or debarment of a grantee if the agency head determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

§ 24.630 Certification requirements and procedures.
(a)(1) As a prior condition of being awarded a grant, each grantee shall make the appropriate certification to the Federal agency providing the grant, as provided in appendix C to this part.
(2) Grantees are not required to make a certification in order to continue receiving funds under a grant awarded before March 18, 1989, or under a no-cost time extension of such a grant. However, the grantee shall make a one-time drug-free workplace certification for a non-automatic continuation of such a grant made on or after March 18, 1989.
(b) Except as provided in this section, all grantees shall make the required certification for each grant. For mandatory formula grants and entitlements that have no application process, grantees shall submit a one-time certification in order to continue receiving awards.
(c) A grantee that is a State may elect to make one certification in each Federal fiscal year. States that previously submitted a State agency certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. Except as provided in paragraph (d) of this section, this certification shall cover all grants to all State agencies from any Federal agency. The State shall retain the original of this statewide certification in its Governor’s office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency has designated a central location for submission.
(d)(1) The Governor of a State may exclude certain State agencies from the statewide certification and authorize these agencies to submit their own certifications to Federal agencies. The statewide certification shall name any State agencies so excluded.
(2) A State agency to which the statewide certification does not apply, or a State agency in a State that does not have a statewide certification, may elect to make one certification in each Federal fiscal year. State agencies that previously submitted a State agency certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. The State agency shall retain the original of this State agency-wide certification in its central office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency designates a central location for submission.
(3) When the work of a grant is done by more than one State agency, the certification of the State agency directly receiving the grant shall be deemed to certify compliance for all workplaces, including those located in other State agencies.
(e)(1) For a grant of less than 30 days performance duration, grantees shall have this policy statement and program in place as soon as possible, but in any case by a date prior to the date on which performance is expected to be completed.
(2) For a grant of 30 days or more performance duration, grantees shall have this policy statement and program in place within 30 days after award.
(3) Where extraordinary circumstances warrant for a specific grant, the grant officer may determine a different date on which the policy
statement and program shall be in place.

§ 24.635 Reporting of and employee sanctions for convictions of criminal drug offenses.

(a) When a grantee other than an individual is notified that an employee has been convicted, in violation of a criminal drug statute occurring in the workplace, it shall take the following actions:

(1) Within 10 calendar days of receiving notice of the conviction, the grantee shall provide written notice, including the convicted employee's position title, to every grant officer, or other designee on whose grant activity the convicted employee was working, unless a Federal agency has designated a central point for the receipt of such notices. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

(2) Within 30 calendar days of receiving notice of the conviction, the grantee shall do the following with respect to the employee who was convicted.

(i) Take appropriate personnel action against the employee, up to and including termination, consistent with requirements of the Rehabilitation Act of 1973, as amended; or

(ii) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency.

(b) A grantee who is an individual who is convicted for a violation of a criminal drug statute occurring during the conduct of any grant activity shall report the conviction, in writing, within 10 calendar days, to his or her Federal agency grant officer, or other designee, unless the Federal agency has designated a central point for the receipt of such notices. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

(Approved by the Office of Management and Budget under control number 0991-0002)
§ 24.711 Notice of limited denial of participation.

A limited denial of participation shall be made effective by advising the participant or contractor, and any specifically named affiliate, by mail, return receipt requested:

(a) That the limited denial of participation is being imposed;

(b) Of the cause(s) under § 24.705 for the sanction;

(c) Of the potential effect of the sanction, including the length of the sanction and the HUD program(s) and geographic area affected by the sanction;
§ 24.712 Conference.
Within 30 days after receiving a notice of limited denial of participation, the respondent may request a conference with the official who issued such notice. If the respondent does not request a conference, the respondent shall nevertheless have the right to contest the limited denial of participation under the provisions of §24.713. The conference shall be held within 15 days after the Department’s receipt of the request for a conference, unless the respondent waives this time limit. The official who imposed the sanction, or his or her designee, shall preside. At the conference, the respondent may appear with a representative and may present all relevant information and materials to the official or designee. Within 20 days after the conference, or within 20 days after any agreed upon extension of time for submission of additional materials by the respondent, the official or designee shall, in writing, advise the respondent of the decision to terminate, modify, or affirm the limited denial of participation. If all or a portion of the remaining period of exclusion is affirmed, the notice of affirmation shall advise the respondent of the opportunity to contest the notice pursuant to §24.713. If the official or designee does not issue a decision within 20 days after receipt of the request for a conference, the department shall issue a decision.

§ 24.713 Opportunity to contest the limited denial of participation.
(a) Submission in opposition. (1) The respondent may request a hearing before a hearing officer:
(i) Within 30 days after receipt of a notice of affirmation of all or a portion of the remaining period of exclusion under a limited denial of participation; or
(ii) Within 30 days after receipt of a notice of a limited denial of participation where the respondent elects not to request a conference under §24.712.
(2) The request must be addressed to the Debarment Docket Clerk, Department of Housing and Urban Development, 431 Seventh Street, SW., Washington, DC 20410.
(3) If the respondent does not submit the request within the 30-day period, the sanction shall become final.
(b) Procedures. The hearing shall be conducted in accordance with the procedures of §§24.313 and 24.314. Within 15 days of the hearing officer’s issuance of findings of fact and a recommended decision, the official who issued the limited denial of participation shall issue a decision.
(c) Effect of suspension or debarment on limited denial of participation. If a respondent has submitted a request for a hearing pursuant to paragraph (a) of this section, and if the respondent has also received, pursuant to subpart C or D of this part, a notice of proposed debarment or suspension that is based on the same transaction(s) or conduct as the limited denial of participation, the following rules shall apply:
(1) If the respondent has not contested the proposed debarment pursuant to §24.313(a) or the suspension pursuant to §24.412(a), the final imposition of the debarment or suspension shall also constitute a final decision with respect to the limited denial of participation to the extent that the debarment or suspension is based on the same transaction(s) or conduct as the limited denial of participation.
(2) If the respondent has contested the proposed debarment pursuant to §24.313(a), or the suspension pursuant to §24.412(a), the proceedings shall be consolidated and the debarring or suspending official shall issue a final decision as to both the limited denial of participation and the debarment or suspension.

§ 24.714 Reporting of limited denial of participation.
When a limited denial of participation has been made final, or the period for requesting a conference pursuant to §24.712 has expired without receipt of such a request, the official imposing the limited denial of participation
shall notify the Director of the Participation and Compliance Division in the Office of Housing of the scope of the limited denial of participation.

Except as limited by this part, the Board shall exercise all of the functions of the Secretary with respect to administrative actions against mortgagees and lenders and such other functions as are provided in this part. The Board shall have all powers necessary and incident to the performance of these functions. The Board may redelegate its authority to review submissions and conduct hearings under §25.8. The Board may also redelegate its authority to impose administrative sanctions on the grounds specified in §§25.9 (e), (h), and (u), and to take all other nondiscretionary acts. With respect to actions taken against Title I lenders and loan correspondents, the Board may redelegate its authority to take administrative actions for failure to remain in compliance with the requirements for approval in 24 CFR 202.5(i), 202.5(n), 202.7(b)(4), 202.8(b)(1) and 202.8(b)(3).

(d) Determination by the Board. Any administrative action taken by the Board shall be determined by a majority vote of the quorum.

(d) Suspension. (1) Cause for suspension. The Board may issue a suspension if there is adequate evidence of violation(s) under § 25.9, and if continuation of the mortgagee's HUD/FHA approval pending the completion of any audit, investigation, or other review, or other administrative or legal proceedings as may ensue, would not be in the public interest or in the best interests of HUD.

(2) Effective date of withdrawal. (i) If the Board determines that immediate action is in the public interest or in the best interests of the Department, then withdrawal shall be effective upon receipt of the Board's notice of withdrawal.

(ii) If the Board does not determine that immediate action is necessary according to paragraph (e)(2)(i) of this section, then withdrawal shall be effective either:
(A) Upon the expiration of the 30-day period specified in § 25.8, if the mortgagee has not requested a hearing; or
(B) Upon receipt of the Board's decision under § 25.8, if the mortgagee requests a hearing.

§ 25.7 Notice of administrative action.
Whenever the Board takes an action to issue a letter of reprimand, to place a mortgagee on probation, or to suspend or withdraw a mortgagee's approval, the Board shall promptly notify the mortgagee in writing of the determination. Except for a letter of reprimand, the notice shall describe the nature and duration of the administrative action, shall specifically state the violations, and shall set forth the findings of the Board. The notice shall inform the mortgagee of its right to a hearing, pursuant to § 25.8, regarding the administrative action (except for a letter of reprimand) and of the manner and time in which to request a hearing. The mortgagee or its representative shall be afforded an opportunity to appear, submit documentary evidence, present witnesses, and confront any witness the agency presents. PLEADINGS AND MOTIONS

§ 26.9 Notice of administrative action.

In every case, there shall be a notice of administrative action. The notice shall be in writing and inform the party of the determination. The notice shall state the reasons for the proposed or imposed action except where general terms are permitted by 24 CFR part 24. The notice shall inform the party of any right to a hearing to challenge the determination, and the manner and time in which to request such hearing. A supplemental notice may be issued in the discretion of the initiating official to add to or modify the reasons for the action.

§ 26.10 Complaint.

(a) Respondent. A complaint shall be served upon the party against whom an administrative action is taken, who shall be called the respondent.

(b) Grounds. The complaint shall state the grounds upon which the administrative action is based. The grounds set forth in the complaint may not contain allegations beyond the scope of the notice of administrative action or any amendment thereto.

(c) Notice of administrative action as complaint. A notice of administrative action may serve as a complaint provided the notice states it is also a complaint and complies with paragraph (b) of this section.

(d) Timing. When the notice does not serve as a complaint, the complaint shall be served on or before the thirtieth day after a request for hearing is made.

§ 26.11 Answer.

Respondent shall file an answer within thirty days of receipt of the complaint. The answer shall respond specifically to each factual allegation. A general denial shall not be permitted. Where a respondent intends to rely on an affirmative defense it shall be pleaded specifically. Allegations are admitted when not specifically denied in respondent’s answer.

§ 26.12 Amendments and supplemental pleadings.

(a) Amendments. (1) By right: The Department may amend its complaint without leave at any time within thirty days of the date the complaint is filed or at any time before respondent’s responsive pleading is filed, whichever is later. Respondent may amend its answer at any time within thirty days of filing of its answer. A party shall plead in response to an amended pleading within fifteen days of receipt of the amended pleading.

(2) By leave: Upon conditions as are necessary to avoid prejudicing the public interest and the rights of the parties, the hearing officer may allow amendments to pleadings upon motion of any party.

(3) Conformance to evidence: When issues not raised by the pleadings but reasonably within the scope of the proceeding initiated by the complaint are tried by express or implied consent to the parties, they shall be treated in all respects as if they had been raised in the pleadings, and amendments of the pleadings necessary to make them conform to the evidence shall be allowed at any time.

(b) Supplemental pleadings. The hearing officer may, upon reasonable notice, permit service of a supplemental pleading concerning transactions, occurrences, or events which have happened or been discovered since the date of prior pleadings.
§ 26.13 Motions.

(a) Motions. All motions after the commencement of the action until decision shall be addressed to the hearing officer.

(b) Content. All written motions shall state the particular order, ruling, or action desired and the grounds for granting the motion.

(c) Answers. Within seven (7) days after receipt of any written motion, or within any other period as may be designated by the hearing officer, the opposing party shall answer the motion. Failure to make a timely answer shall constitute a party’s consent to the granting of the motion. The moving party shall have no right to reply, except as permitted by the hearing officer.

(d) Oral argument. The hearing officer may order oral argument on any motion.

(e) Motions for extensions. The hearing officer may waive the requirements of this section as to motions for extensions of time.

(f) Rulings on motions for dismissal. When a motion to dismiss the proceeding is granted, the hearing officer shall make and file a determination and order in accordance with the provisions of § 26.24.

§ 26.14 Form and filing requirements.

(a) Filing. An original and two copies of a request for a hearing shall be filed with the Docket Clerk, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410, on official business days between 8:45 a.m. and 5:15 p.m. The Clerk shall assign the docket number and designate a hearing officer. An original and two copies of all other pleadings, submissions and documents should be filed directly with the appropriate hearing officer. A document is considered timely filed if postmarked on or before the date due or delivered to the appropriate person by close of business on the date due.

(b) Title. Documents shall show clearly the title of the action and the docket number.

(c) Form. Except as otherwise permitted, all documents shall be printed or typewritten in clear, legible form.

§ 26.15 Service.

(a) Method of service. Pleadings, motions, and other documents required or permitted under these rules shall be served upon all parties. Whenever these rules require or permit service to be made upon a party represented by an attorney, the service shall be made upon the attorney unless service upon the party is ordered by the hearing officer. Service shall be made by delivering a copy to the person to be served or by mailing it to that person at the last known address. Delivery of a copy within this rule means: handing it to the person to be served; or leaving it at that person’s office with a clerk or other person in charge; or, if there is no one in charge, leaving it in a conspicuous place in the office; or, if the office is closed or the person to be served has no office, leaving it at that person’s residence of usual place of abode with some person of suitable age and discretion who resides there. Service by mail is complete upon deposit in a mail box or upon posting.

(b) Proof of service. Proof of service shall not be required unless the fact of service is put in issue by appropriate motion or objection on the part of the person allegedly served. In these cases, service may be established by written receipt signed by or on behalf of the person to be served, or may be established prima facie by affidavit or certificate of service of mailing.

§ 26.16 Time computation.

(a) Generally. Computation of any period of time prescribed or allowed by this part shall begin with the first business day following the day on which the act, event, development or default initiating the period of time occurred. When the last day of the period computed is a Saturday, Sunday, or national holiday, or other day on which the Department of Housing and Urban Development is closed, the period shall run until the end of the next following business day. Except when any prescribed or allowed period of time is seven days or less, each of the Saturdays, Sundays, and national holidays shall be included in the computation of the prescribed or allowed period.
§ 26.17 Extensions of time periods. The hearing officer (or in the case of a review under § 26.25, the Secretary or designee) may, upon motion enlarge the time within which any act required by these rules must be performed where necessary to avoid prejudicing the public interest or the rights of the parties.

DISCOVERY

§ 26.17 Discovery.

The parties are encouraged to engage in voluntary discovery procedures. Parties may seek an order compelling discovery only upon good cause shown. Discovery shall not be permitted where it will unduly delay the hearing, thereby resulting in prejudice to the public interest or the rights of the parties. Every request for discovery, objection to request for discovery, and request for admissions shall be in the form of a motion addressed to the hearing officer. In connection with any discovery procedure, the hearing officer may make any order required to protect a party or other person from annoyance, embarrassment, oppression, or undue burden or expense. Those orders may include limitations on the scope, methods, time and place for discovery, and provisions for protecting privileged information or documents. Where a party refuses to honor an order for discovery, the hearing officer may issue such orders in regard to the refusal as justice shall require. The questions and the answers, together with all objections made, shall be recorded by the person before whom the deposition is to be taken, or under that person's direction.

(d) Submission to deponent. A transcript of the deposition shall be submitted to the deponent for examination and signature, unless submission is waived. Any changes in form or substance which the deponent desires to make shall be entered upon the transcript by the person before whom the deposition was taken, with a statement of reasons given by the deponent for making them. The transcript shall then be signed by the deponent, unless the parties by stipulation waive the signing or the deponent is ill, cannot be found, or refuses to sign. If the transcript is not signed, the person before whom the deposition was taken shall sign it and state on the record the reason that it is not signed.

§ 26.18 Depositions.

(a) General. A party may take the oral deposition of any person. Upon refusal and, after a showing of good cause, a hearing officer may issue an order compelling a party or its agents to appear for deposition.

(b) Procedure. Reasonable written notice of deposition shall be served upon the opposing party and the deponent. The attendance of a deponent may be compelled by subpoena where authorized by law.

(c) Objections. Each person testifying on oral deposition shall be placed under oath by the person before whom the deposition is taken. The deponent may be examined and cross-examined. Objection may be made at hearing to receiving in evidence any deposition or part of it for any reason which would require the exclusion if the witness were then present and testifying. The questions and the answers, together with all objections made, shall be recorded by the person before whom the deposition is to be taken, or under that person's direction.

(d) Submission to deponent. A transcript of the deposition shall be submitted to the deponent for examination and signature, unless submission is waived. Any changes in form or substance which the deponent desires to make shall be entered upon the transcript by the person before whom the deposition was taken, with a statement of reasons given by the deponent for making them. The transcript shall then be signed by the deponent, unless the parties by stipulation waive the signing or the deponent is ill, cannot be found, or refuses to sign. If the transcript is not signed, the person before whom the deposition was taken shall sign it and state on the record the reason that it is not signed.

(e) Certification and filing. The person before whom the deposition was taken shall certify on the transcript as to its accuracy. The original transcript and exhibits shall be sent by mail to the hearing officer unless otherwise directed in the order authorizing the taking of the deposition. Interested parties shall make their own arrangements with the person recording the testimony for copies of the testimony and the exhibits.

(f) Deposition as evidence. Subject to appropriate rulings by the hearing officer on objections, the deposition or any part may be introduced into evidence for any purpose if the deponent is unavailable. Only that part of a deposition which is received in evidence at a hearing shall constitute a part of the record in the proceeding upon which a decision may be based. Nothing in this rule is intended to limit the use of a deposition for impeachment purposes.

(g) Payment of fees. Fees shall be paid by the person upon whose application the deposition is taken.

24 CFR Subtitle A (4-1-00 Edition)
§ 26.19 Request for production of documents.

(a) Request to produce. At any time after a request for hearing has been filed, any party may serve upon any other party a written request to produce, and permit the party making the request to inspect and copy, any relevant designated documents (including writings, drawings, graphs, charts, and other data compilations). The request shall set forth the items to be inspected either by individual item or by category with reasonable particularity. The request shall specify a reasonable time, place, and manner of making the inspection and performing the related acts.

(b) Response to request to produce. The party upon whom the request is served shall serve a written response within twenty days after service of the request unless the Hearing Officer determines that a shorter or longer period is appropriate under the circumstances. The response shall state, with respect to each item or category, that inspection and related activities will be permitted as requested, unless the request is objected to, in which case the reasons for the objection shall be stated. If objection is made to part of an item or category, the part shall be specified. The party submitting the request may move for an order under §26.17 with respect to any objection to or other failure to respond to the request or any part thereof, or any failure to permit inspection as requested.

§ 26.20 Admissions as to facts and documents.

(a) Request for admissions. At any time after an answer has been filed, any party may serve upon any other party a written request for the admission of the genuineness of any relevant documents described in the request or of the truth of any relevant matters of fact. Copies of documents shall be delivered with the request unless copies have already been furnished. No order of the hearing officer is necessary.

(b) Objection. Each requested admission shall be considered admitted unless, within fifteen days after service of the request, the party from whom the admission is sought serves upon the party making the request either (1) a statement denying specifically the relevant matters of which an admission is requested or setting forth in detail the reasons why the party can neither truthfully admit nor deny them, or (2) written objections on the ground that some or all of the matters involved are privileged or irrelevant. Answers on matters to which objections are made may be deferred until the objections are ruled upon, but if written objections are made only to a part of a request, the remainder of the request shall be answered.

(c) Limitation. Admissions obtained pursuant to this procedure may be used in evidence only for the purposes of the pending action to the same extent and subject to the same objections as other evidence.

§ 26.21 Prehearing conference.

(a) Prehearing conference. The hearing officer may, on the hearing officer's own motion or at the request of any party, direct counsel for all parties to confer with the hearing officer before the hearing for the purpose of considering:

(1) Simplification and clarification of the issues;

(2) Stipulations and admissions of fact and of the contents and authenticity of documents;

(3) The disclosure of the names of witnesses;

(4) Matters of which official notice will be taken;

(5) Other matters as may aid in the orderly disposition of the proceeding, including disclosure of the documents or other physical exhibits which will be introduced in evidence in the course of the proceeding.

(b) Recordation of prehearing conference. The prehearing conference shall, at the request of any party, be recorded or transcribed.

(c) Order on prehearing conference. The hearing officer shall enter in the record an order which states the rulings upon matters considered during the conference, together with appropriate directions to the parties. The order shall control the subsequent course of the proceeding, subject to modifications upon good cause shown.
§ 26.22 Public nature and timing of hearings, transcripts.

(a) Public hearings. All hearings in adjudicative proceedings shall be public.

(b) Conduct of hearing. Hearings shall proceed with all reasonable speed. The hearing officer may order recesses for good cause, stated on the record. The hearing officer may, for convenience of the parties or in the interests of justice, order that hearings be conducted outside Washington, DC, and, if necessary, at more than one place.

(c) Transcripts. Hearings shall be recorded and transcribed only by a reporter designated by the Department under the supervision of the hearing officer. The original transcript shall be a part of the record and shall constitute the sole official transcript. Respondents and the public, at their own expense, may obtain copies of transcripts from the reporter.

(a) Evidence. Every party shall have the right to present its case or defense by oral and documentary evidence, unless otherwise limited by law or regulation, to submit rebuttal evidence and to conduct such cross-examination as may be required for a full and true disclosure of the facts. Irrelevant, immaterial, privileged, or unduly repetitious evidence shall be excluded.

Unless otherwise provided for in this part, the Federal Rules of Evidence shall provide guidance for the conduct of proceedings under this part. Parties may object to clearly irrelevant material, but technical objections to testimony as used in a court of law will not be sustained.

(b) Testimony under oath or affirmation. All witnesses shall testify under oath or affirmation.

(c) Objections. Objections to the admission or exclusion of evidence shall be in short form, stating the grounds of objections. Rulings on objections shall be a part of the transcript. Failure to object to admission or exclusion of evidence or to any evidentiary ruling shall be considered a waiver of objection, but no exception to a ruling on an objection is necessary in order to preserve it for appeal.

(d) Authenticity of documents. Unless specifically challenged, it shall be presumed that all relevant documents are authentic. An objection to the authenticity of a document shall not be sustained merely on the basis that it is not the original.

(e) Stipulations. The parties may stipulate as to any relevant matters of fact. Stipulations may be received in evidence at a hearing, and when received shall be binding on the parties with respect to the matters stipulated.

(f) Official notice. All matters officially noticed by the hearing officer shall appear on the record.

(g) Burden of proof. The burden of proof shall be upon the proponent of an action or affirmative defense unless otherwise provided by law or regulation.

§ 26.24 Hearing officer's determination and order.

(a) Scope of review. The hearing officer shall conduct a de novo review of the administrative action to determine whether it is supported by a preponderance of the evidence unless a different standard of proof is required by law or regulation. Each and every charge alleged by the Department need not be proven to support the administrative action. The hearing officer may modify or vacate the administrative action under review only upon a particularized finding of facts which justifies a deviation from the administrative action.

(b) Closing of hearing. At the discretion of the hearing officer, the closing of the record may be postponed in order to permit the admission of other evidence into the record. In the event further evidence is admitted, each party shall be given an opportunity to respond to such evidence.

(c) Briefs. Upon conclusion of the hearing, the hearing officer may request the parties to file proposed findings of fact and legal briefs. The hearing officer shall make a written determination and order based upon evidence and arguments presented by the parties. The determination shall be founded upon reliable and probative evidence. This determination and order shall be served upon all parties.
(d) Bench decisions. Where the parties agree and where appropriate in the judgment of the hearing officer, a bench decision will be issued.

(e) Time period for issuance of decision. The hearing officer shall endeavor to issue a determination within sixty days from the date of the closing of the record.

(f) Finality of decision. The determination and order shall be final unless a party timely appeals the decision and within forty days the Secretary decides to review the determination in accordance with §26.25, or to have the determination reviewed by a designee.

SECRETARIAL REVIEW

(a) Petition for review. Any party may request review of the hearing officer’s determination or order by filing a written petition for review with the Secretary within fifteen days of receipt of the hearing officer’s determination or order. A petition for review may be granted or denied in the discretion of the Secretary or designee. This petition shall not exceed ten pages and shall specifically state the issues and basis upon which the party seeks review. This petition shall be served on all parties and the Secretary simultaneously, in accordance with §26.15.

(b) Briefs by opposing parties. Opposing parties may submit briefs, not to exceed ten pages, opposing review. These briefs must be filed within fifteen days of the party’s receipt of a petition for review.

(c) Secretarial action. Upon granting any petition for review, the Secretary or designee, may require further briefs. Secretarial review shall be limited to the factual record produced before the hearing officer. The Secretary, or designee, shall issue a written determination and shall serve it upon the parties and the hearing officer.

§ 26.26 Interlocutory rulings.

(a) Interlocutory rulings by the hearing officer. A party seeking review of an interlocutory ruling shall file a motion with the hearing officer within ten days of the ruling requesting certification of the ruling for review by the Secretary. Certification may be granted if the hearing officer believes that (1) it involves an important issue of law or policy as to which there is substantial ground for difference of opinion and (2) an immediate appeal from the order may materially advance the ultimate termination of the litigation.

(b) Petition for review. Any party may file a petition for review of an interlocutory ruling within ten days of the hearing officer’s determination regarding certification.

(c) Secretarial review. The Secretary, or designee, shall review a certified ruling. The Secretary, or designee, has the discretion to grant or deny a petition for review from an uncertified ruling.

(d) Continuation of hearing. Unless otherwise ordered by the hearing officer or the Secretary, or designee, the hearing shall proceed pending the determination of any interlocutory appeal and the order or ruling of the hearing officer shall be effective pending review.

(3) Conduct discovery;
(4) Agree to stipulations of fact or law, which shall be made part of the record;
(5) Present evidence relevant to the issues at the hearing;
(6) Present oral arguments at the hearing; and
(7) Present oral arguments at the hearing as permitted by the ALJ; and
(8) Submit written briefs and proposed findings of fact and conclusions of law after the hearing, as permitted by the ALJ.

§ 26.33 Separation of functions.

No officer, employee, or agent of the Federal Government engaged in the performance of investigative, conciliatory, or prosecutorial functions in connection with the proceeding shall, in
that proceeding or any factually related proceeding under subpart B of this part, participate or advise in the decision of the administrative law judge, except as a witness or counsel during the proceeding, or in its appellate review.

§ 26.34 Time computations.
(a) In computing any period of time under subpart B of this part, the time period begins the day following the act, event, or default, and includes the last day of the period, unless the last day is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which case the time period includes the next business day. When the prescribed time period is seven days or less, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.

(b) Entry of orders. In computing any time period involving the date of the issuance of an order or decision by an administrative law judge, the date of issuance is the date the order or decision is served by the Chief Docket Clerk.

(c) Service by mail. If a document is served by mail, 3 days shall be added to the time permitted for a response.

§ 26.35 Service and filing.
(a) Filing. All documents shall be filed with the Chief Docket Clerk, at the address listed in §26.28. Filing may be by first class mail, delivery, facsimile transmission, or electronic means; however, the ALJ may place appropriate limits on filing by facsimile transmission or electronic means. All documents shall clearly designate the docket number and title of the proceeding.

(b) Service. One copy of all documents filed with the Chief Docket Clerk shall be served upon each party by the persons filing them and shall be accompanied by a certificate of service stating how and when such service has been made. Service may be made by delivery, first class mail, facsimile transmission, or electronic means; however, the ALJ may place appropriate limits on service by facsimile transmission or electronic means. Documents shall be served upon a party’s address of residence or principal place of business, or, if the party is represented by counsel, upon counsel of record at the address of counsel. Service is complete when handed to the person or delivered to the person’s office or residence and deposited in a conspicuous place. If service is by first-class mail, facsimile transmission, or electronic means, service is complete upon deposit in the mail or upon electronic transmission.

§ 26.36 Sanctions.
(a) The ALJ may sanction a person, including any party or representative, for failing to comply with an order, rule, or procedure governing the proceeding; failing to prosecute or defend an action; or engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) Failure to comply with an order. When a party fails to comply with an order, including an order compelling discovery, the ALJ may:
(1) Draw an inference in favor of the requesting party with regard to the information sought;
(2) In the case of requests for admission, regard each matter about which an admission is requested to be admitted;
(3) Prohibit the party failing to comply with the order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; or
(4) Strike any part of the pleadings or other submissions of the party failing to comply with the order.

(d) If a party fails to prosecute or defend an action brought under subpart B of this part, the ALJ may dismiss the action or may issue an initial decision against the respondent.

(e) The ALJ may refuse to consider any motion, request, response, brief, or other document that is not filed in a timely fashion.
§ 26.37 Commencement of action.

An action under subpart B of this part shall commence with the Government's filing of a complaint, together with the response thereto, as those terms are defined in § 26.28, with the Chief Docket Clerk. If the respondent fails to submit a response to the Office of General Counsel or such other office as designated in the complaint, then the Government may file a motion for a default judgment, together with a copy of the complaint, in accordance with § 26.39.

§ 26.38 Motions.

(a) General. All motions shall state the specific relief requested and the basis therefor and, except during a conference or the hearing, shall be in writing. Written motions shall be filed and served in accordance with § 26.35.

(b) Response to motions. Unless otherwise ordered by the ALJ, a response to a written motion may be filed within 7 days after service of the motion. A party failing to respond timely to a motion shall be deemed to have waived any objection to the granting of the motion.

§ 26.39 Default.

(a) General. The respondent may be found in default, upon motion, for failure to file a timely response to the Government's complaint. The motion shall include a copy of the complaint and a proposed default order, and shall be served upon all parties. The respondent shall have 7 days from such service to respond to the motion.

(b) Default order. The ALJ shall issue a decision on the motion within 15 days after the expiration of the time for filing a response to the default motion. If a default order is issued, it shall constitute the final agency action.

(c) Effect of default. A default shall constitute an admission of all facts alleged in the Government's complaint and a waiver of respondent's right to a hearing on such allegations. The penalty proposed in the complaint shall be set forth in the default order and shall be immediately due and payable by respondent without further proceedings.

§ 26.40 Prehearing conferences.

(a) The ALJ may schedule prehearing conferences as appropriate.

(b) Upon the motion of any party, the ALJ shall schedule at least one prehearing conference at a reasonable time in advance of the hearing.

(c) The ALJ may consider the following at a prehearing conference:

1. Simplification of the issues;
2. Stipulations of fact and of the authenticity, accuracy, and admissibility of documents;
3. Submission of the case on briefs in lieu of an oral hearing;
4. Limitation of the number of witnesses;
5. The exchange of witness lists and of proposed exhibits;
6. Discovery;
7. The time and place for the hearing; and
8. Such other matters as may tend to expedite the fair and just disposition of the proceedings.

§ 26.41 Discovery.

(a) Parties may obtain discovery regarding any matter, not privileged, that is relevant to the subject matter involved in the adjudication, whether it relates to the case or defense of the party seeking discovery or to the case or defense of any other party. It is not grounds for objection that the information sought will be inadmissible at the hearing, if such information appears reasonably calculated to lead to the discovery of admissible evidence.

(b) Discovery in Program Fraud Civil Remedies actions (24 CFR part 28), unless agreed to by the parties, shall be available only as ordered by the ALJ. The party opposing discovery shall have 10 days to respond to a motion for discovery. The ALJ shall grant a motion for discovery only if he or she finds that discovery is necessary for the expeditious, fair, and reasonable consideration of the issues, is not unduly costly or burdensome, will not unduly delay the proceeding, and does not seek privileged information. The ALJ may grant discovery subject to a protective order under § 26.43. The request for approval sent to the Attorney General from the General Counsel or designee, as described in § 28.20 of this part, shall contain the following:

1. A statement of the need for the discovery, including the purpose of the information sought and the manner in which it is anticipated to lead to the discovery of admissible evidence;
2. A statement of the grounds for objection and the basis for the request for approval;
3. A statement of the steps taken to resolve the ground for objection;
4. A statement of the steps taken to seek a mutually agreeable solution to the discovery issue;
5. A statement of the potential costs and burdens of discovery; and
6. A statement of the likelihood that the information will be used in the adjudication.

The ALJ may order the discovery to proceed or may modify or deny the motion for discovery.
§ 26.44 General.

(a) Time of hearing. The hearing shall commence not later than 90 days following the Government’s filing of the complaint and response under § 26.37, unless the time is extended for good cause. The ALJ shall provide written notice to all parties of the reasons for any extension of time.

(b) Location of hearing. The hearing shall be held where the respondent resides or transacts business, or in such other place as may be agreed upon by the parties and the ALJ. Hearings for Program Fraud Civil Remedies Act cases shall be located in accordance with 31 U.S.C. 3803(g)(4).

(c) Notice of hearing. The ALJ shall issue a notice of hearing to all parties specifying the time and location of the hearing, the matters of fact and law to be heard, the legal authority under which the hearing is to be held, a description of the procedures for the conduct of the hearing, and such other matters as the ALJ determines to be appropriate.

(d) Limitations for Program Fraud Civil Remedies Act cases. The notice of hearing must be served upon the respondent within 6 years after the date on which
the claim or statement is made. If the respondent fails to file a timely response to the Government’s complaint, service of a default judgment under §26.39 shall be regarded as a notice of hearing for purposes of this section. The statute of limitations may be waived by agreement of the parties.

(e) Burden and standard of proof. HUD shall prove the respondent’s liability and any aggravating factors by a preponderance of the evidence. Respondent shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(f) Public hearings. Unless otherwise ordered by the ALJ for good cause shown, the hearing shall be open to the public.

§ 26.45 Witnesses.
(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. In order to be admissible, any written statement must be provided to all other parties along with the last known address of the witness, in a manner that allows sufficient time for other parties to subpoena the witness for cross-examination at the hearing.

§ 26.46 Evidence.
The ALJ shall admit any relevant oral or documentary evidence that is not privileged. The ALJ may, however, exclude evidence if its probative value is substantially outweighed by confusion of the issues, or by considerations of undue delay, waste of time, or needless presentation of cumulative evidence.

§ 26.47 The record.
The hearing will be recorded and transcribed. The transcript of testimony, exhibits, and other evidence admitted at the hearing and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the Secretary or designee.

§ 26.48 Posthearing briefs.
Posthearing briefs shall be filed only upon order by the ALJ.

§ 26.49 Initial decision.
(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the relief granted.

(b) The ALJ shall serve the initial decision on all parties within 60 days after either the close of the record or the expiration of time permitted for submission of posthearing briefs, whichever is later. The initial decision shall include a statement of each party’s right to file a request for Secretarial review. The ALJ may extend the 60-day period for serving the initial decision in writing for good cause.

(c) If no appeal is timely filed with the Secretary or designee, the initial decision shall become the final agency action.

§ 26.50 Appeal to the Secretary.
(a) Except as otherwise set forth in paragraph (b) of this section, either party may file with the Secretary a petition for review within 30 days after the ALJ issues an initial decision. The Secretary or designee may extend the 30-day period for good cause. If the Secretary or designee does not act upon the petition for review within 90 days of its service, then the initial decision shall become final.

(b) Appeals of Program Fraud Civil Remedies Act decisions (24 CFR part 28). Only the respondent may file a petition for Secretarial review. The petition must be filed within 30 days after the ALJ issues the initial decision. The Secretary or designee may extend the 30-day period for good cause. If the Secretary or designee does not act upon the petition for review within 90 days of its service, then the initial decision shall become final.

(c) Brief in support of petition. The petition for review shall be accompanied by a written brief, not to exceed 10 pages, specifying exceptions to the initial decision and reasons supporting the exceptions.

(d) Service. The party submitting the petition for review shall serve a copy of the petition and brief in support of the
petition on the other parties and on the Chief Docket Clerk.

(e) Forwarding of the record. Upon request by the Office of the Secretary, the ALJ shall forward the record of the proceeding to the Secretary or designee.

(f) Brief in opposition. Any opposing party may file a brief opposing review, not to exceed 10 pages, within 20 days of receiving the petition for review and accompanying brief. The brief in opposition shall be served on all parties.

(g) Additional briefs. If the petition is granted, then the Secretary or designee may order the filing of additional briefs.

(h) There is no right to appear personally before the Secretary or designee.

(i) There is no right to appeal any interlocutory ruling by the ALJ.

(j) In reviewing the initial decision, the Secretary or designee shall not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(k) The Secretary or designee shall consider only evidence contained in the record forwarded by the ALJ. However, if any party demonstrates to the satisfaction of the Secretary or designee that additional evidence not presented at the hearing is material and that there were reasonable grounds for the failure to present such evidence at such hearing, the Secretary or designee shall remand the matter to the ALJ for consideration of such additional evidence.

(l) The prohibitions of ex parte contacts in §26.30 shall apply to contacts with the Secretary or designee.

(m) The Secretary or designee may affirm, reduce, reverse, compromise, remand, or settle any relief granted in the initial decision. The Secretary or designee shall consider, and include in any final determination, such factors as may be set forth in applicable statutes or regulations.

(n) The Secretary or designee shall promptly serve each party to the appeal with a copy of his or her decision and a statement describing the right to seek judicial review.

(o) Judicial review. A party must generally file a petition for judicial review within 20 days of service of the Secretary's determination, or the Secretary's determination shall become final and not subject to judicial review. In Program Fraud Civil Remedies Act matters (24 CFR part 28), the respondent shall have 60 days from the date that the determination is sent to the respondent in which to file a petition. See also §26.52.

§ 26.51 Exhaustion of administrative remedies.

In order to fulfill the requirement of exhausting administrative remedies, a party must seek Secretarial review under §26.50 prior to seeking judicial review of any initial decision issued under subpart B of this part.

§ 26.52 Judicial review.

Judicial review shall be in accordance with applicable statutory procedures and the procedures of the appropriate Federal court. The Government may not seek judicial review of an adverse determination of a Program Fraud Civil Remedies Act matter.

§ 26.53 Collection of civil penalties and assessments.

Collection of civil penalties and assessments shall be in accordance with applicable statutory provisions.

§ 26.54 Right to administrative offset.

The amount of any penalty or assessment that has become final under §26.49, or for which a judgment has been entered after action under §§26.52 or 26.53, or agreed upon in a compromise or settlement among the parties, may be collected by administrative offset under 31 U.S.C. 3716 or other applicable law. In Program Fraud Civil Remedies Act matters, an administrative offset may not be collected against a refund of an overpayment of Federal taxes then or later owing by the United States to the respondent.
PART 27—NONJUDICIAL FORECLOSURE OF MULTIFAMILY AND SINGLE FAMILY MORTGAGES

Subpart A—Nonjudicial Foreclosure of Multifamily Mortgages

§ 27.1 Purpose.

The purpose of this subpart is to implement requirements for the administration of the Multifamily Mortgage Foreclosure Act of 1981 (the Act) (12 U.S.C. 3701-3717), that clarify, or are in addition to, the requirements contained in the Act, which are not republished here and must be consulted in conjunction with the requirements of this subpart. The Act creates a uniform Federal remedy for foreclosure of multifamily mortgages. Under a delegation of authority published on February 5, 1982 (47 FR 5468), the Secretary has delegated to the HUD General Counsel his powers under the Act to appoint a foreclosure commissioner or commissioners and to substitute therefor, to fix the compensation of commissioners, and to promulgate implementing regulations.

§ 27.2 Scope and applicability.

(a) Under the Act and this subpart, the Secretary may foreclose on any defaulted Secretary-held multifamily mortgage encumbering real estate in any State. The Secretary may use the provisions of these regulations to foreclose on any multifamily mortgage regardless of when the mortgage was executed.

(b) The Secretary may, at the Secretary’s option, use other procedures to foreclose defaulted multifamily mortgages, including judicial foreclosure in Federal court and nonjudicial foreclosure under State law. This subpart applies only to foreclosure procedures authorized by the Act and not to any other foreclosure procedures the Secretary may use.

§ 27.3 Definitions.

The definitions contained in the Act (at 12 U.S.C. 3702) shall apply to this subpart, in addition to and as further clarified by the following definitions.

As used in this subpart:

General Counsel means the General Counsel of the Department of Housing and Urban Development;

Multifamily mortgage does not include a mortgage covering a property on which there is located a one- to four-family residence, except when the one- to four-family residence is subject to a mortgage pursuant to section 202 of the Housing Act of 1959 (12 U.S.C. 1701q) or section 811 (42 U.S.C. 8013) of the National Affordable Housing Act. The definition of multifamily mortgage also includes a mortgage taken by the Secretary in connection with the previous sale of the project by the Secretary (purchase money mortgage).
§ 27.5 Prerequisites to foreclosure.

Before commencement of a foreclosure under the Act and this subpart, HUD will provide to the mortgagor an opportunity informally to present reasons why the mortgage should not be foreclosed. Such opportunity may be provided before or after the designation of the foreclosure commissioner but before service of the notice of default and foreclosure.

§ 27.10 Designation of a foreclosure commissioner.

(a) When the Secretary determines that a multifamily mortgage should be foreclosed under the Act and this subpart, the General Counsel will select and designate one or more foreclosure commissioners to conduct the foreclosure and sale. The method of selection and determination of the qualifications of the foreclosure commissioner shall be at the discretion of the General Counsel, and the execution of a designation pursuant to paragraph (b) of this section shall be conclusive evidence that the commissioner selected has been determined to be qualified by the General Counsel.

(b) After selection of a foreclosure commissioner, the General Counsel shall designate the commissioner in writing to conduct the foreclosure and sale of the particular multifamily mortgage. The written designation shall be duly acknowledged and shall state the name and business or residential address of the commissioner and any other information the General Counsel deems necessary. The designation shall be effective upon execution by the General Counsel or his designate. Upon receipt of the designation, the commissioner shall demonstrate acceptance by signing the designation and returning a signed copy to the General Counsel.

(c) The General Counsel may at any time, with or without cause, designate a substitute commissioner to replace a previously designated commissioner. Designation of a substitute commissioner shall be in writing and shall contain the same information and be made effective in the same manner as the designation of the original commissioner. Upon designation of a substitute commissioner, the substitute commissioner shall serve a copy of the written notice of designation upon the persons listed at sections 369(1) (A) through (C) of the Act (12 U.S.C. 3708(1) (A) through (C)) either by mail, in accordance with section 369(1) of the Act (12 U.S.C. 3708(1)), except that the time limitations in that section will not apply, or by any other manner which in the substitute commissioner’s discretion is conducive to giving timely notice of substitution.

§ 27.15 Notice of default and foreclosure sale.

(a) Within 45 days after accepting his or her designation to act as commissioner, the commissioner shall commence the foreclosure by serving a Notice of Default and Foreclosure Sale.

(b) The Notice of Default and Foreclosure Sale shall contain the following information:

(1) The Notice shall state that all deposits and the balance of the purchase price shall be paid by certified or cashier’s check. The Notice shall state that no deposit will be required of the Secretary when the Secretary bids at the foreclosure sale.

(2) Any terms and conditions to which the purchaser at the foreclosure sale must agree under § 27.20. The Notice need not describe at length each and every pertinent term and condition, including any required use agreements and deed covenants, if it describes these terms and conditions in a general way and if it states that the precise terms will be available from the commissioner upon request.

(c) The Notice need not be mailed to mortgagors who have been released from all obligations under the mortgage.

(d) In deciding which newspaper or newspapers to select as general circulation newspapers for purposes of publication of the required notice, the commissioner need not select the newspaper with the largest circulation.

(e) In addition to Notice posting requirements included in the Act, the Notice shall also be posted in the project office and in such other appropriate conspicuous places as the commissioner deems appropriate for providing notice to all tenants. Posting
§ 27.20 Conditions of foreclosure sale.

(a) The requirements of section 367(b)(2)(A) of the Act (12 U.S.C. 3706(b)(2)(A)) apply if a majority of the residential units in a property subject to foreclosure sale pursuant to the Act and this subpart are occupied by residential tenants either on the date of the foreclosure sale or on the date on which the General Counsel designates the foreclosure commissioner.

(b) Terms which the Secretary may find appropriate to require pursuant to section 367(b) of the Act (12 U.S.C. 3706(b)), and such other provisions of law as may be applicable, may include provisions relating to use and ownership of the property, tenant admission standards and procedures, rent schedules and increases, and project operation and maintenance. In determining terms which may be appropriate to require, the Secretary shall consider:

(1) The history of the project, including the purposes of the program under which the mortgage insurance or assistance was provided, and any other program of HUD under which the project was developed or otherwise assisted and the probable causes of project failure resulting in its default;

(2) A financial analysis of the project, including an appraisal of the fair market value of the property for its highest and best use;

(3) A physical analysis of the project, including the condition of the structure and grounds, the need for rehabilitation or repairs, and the estimated costs of any such rehabilitation or repairs;

(4) The income levels of the occupants of the project;

(5) Characteristics, including rental levels, of comparable housing in the area, with particular reference to whether current conditions and discernible trends in the area fairly indicate a likelihood that, for the foreseeable future after foreclosure and sale, the project will continue to provide rental or cooperative housing and market rentals obtainable in the project will be affordable by low- or moderate-income persons;

(6) The availability of or need for rental housing for low- and moderate-income persons in the area, including actions being taken or projected to be taken to address such needs and the impact of such actions on the project;

(7) An assessment of the number of occupants who might be displaced as a result of the manner of disposition;

(8) The eligibility of the occupants of the property for rental assistance under any program administered by HUD and the availability of funding for such assistance if necessary in order that the units occupied by such occupants will remain available to and affordable by such persons, or if necessary in order to assure the financial feasibility of the project after foreclosure and sale subject to the terms to be required by the Secretary; and

(9) Such other factors relating to the project as the Secretary shall consider appropriate.

(c) Terms which the Secretary may require to be agreed to by the purchaser pursuant to section 367(b) of the Act (12 U.S.C. 3706(b)) shall generally not be more restrictive, or binding for a longer duration, than the terms by which the mortgagor was bound prior to the foreclosure. For example: If the mortgage being foreclosed was held by the Secretary under section 312 of the Housing Act of 1964 (42 U.S.C. 1452b),
any terms required by the Secretary pursuant to this section shall be in effect no longer than five years after the completion of the rehabilitation work funded by the section 312 loan. No terms shall be required pursuant to this section if the foreclosure sale occurs more than five years after the completion of such rehabilitation work (signified by the due date for commencement of amortization payments in the section 312 loan note).

(d) The limitation contained in paragraph (c) of this section applies only to such terms as the Secretary may require the purchaser to agree to, as a condition and term of the sale, under paragraph (a) of this section. Nothing contained in paragraph (c) of this section shall prevent the Secretary and the purchaser from entering into a subsidy agreement under any program administered by the Secretary containing terms binding upon either party which are longer in duration than would be permitted to be required by paragraph (c) of this section.

(e) Any terms required by the Secretary to be agreed to by the purchaser as a condition and term of sale under this section and section 367(b) of the Act (12 U.S.C. 3709(b)) shall be embodied in a use agreement to be executed by the Secretary and the purchaser. Such terms also may be included, or referred to, in appropriate covenants contained in the deed to be delivered by the foreclosure commissioner under §27.45. Terms required by the Secretary pursuant to this section shall be stated or described in the Notice of Default and Foreclosure Sale under §27.15.

§ 27.30 Conduct of the sale.

(a) The commissioner shall accept written one-price sealed bids from any party including the Secretary so long as those bids conform to the requirements described in the Notice of Default and Foreclosure Sale. The commissioner shall provide the mortgagor with a copy of any statement prepared by the Secretary in opposition to the proposed withdrawal at the same time the statement is submitted to the commissioner. If the Secretary receives the commissioner’s written statement less than 10 days before the scheduled foreclosure sale, the sale shall automatically be postponed for 14 days. Under these circumstances, notice of the rescheduled sale shall be served as described in section 369(b)(c) of the Act (12 U.S.C. 3710(c)).

(b) The commissioner may not withdraw the security property from foreclosure under section 369A(a) of the Act (12 U.S.C. 3709(a)) more than once unless the Secretary consents in writing to such withdrawal.

(c) The commissioner shall, in the case of a sale adjourned to a later date, mail a copy of the revised Notice of Default and Foreclosure Sale to the Secretary at least seven days before the date to which the sale has been adjourned.

(d) If upon application by the mortgagor, the commissioner refuses to withdraw the property from foreclosure under section 369A(a) of the Act (12 U.S.C. 3709(a)), the commissioner shall provide the mortgagor and the Secretary with a written statement of the reasons for the refusal.

§ 27.35 Termination or adjournment of foreclosure sale.

(a) Before withdrawing the security property from foreclosure under section 369A(a) of the Act (12 U.S.C. 3709(a)), the commissioner shall notify the Secretary of the proposed withdrawal by telephone or telegram and shall provide the Secretary with a written statement of the reasons for the proposed withdrawal along with all documents submitted by the mortgagor in support of the proposed withdrawal. Upon receipt of this statement, the Secretary shall have 10 days within which to demonstrate orally or in writing why the security property should not be withdrawn from foreclosure. The Secretary shall provide the mortgagor with a copy of any statement prepared by the Secretary in opposition to the proposed withdrawal at the same time the statement is submitted to the commissioner. If the Secretary receives the commissioner’s written statement less than 10 days before the scheduled foreclosure sale, the sale shall automatically be postponed for 14 days. Under these circumstances, notice of the rescheduled sale shall be served as described in section 369(b)(c) of the Act (12 U.S.C. 3710(c)).

(b) The commissioner may not withdraw the security property from foreclosure under section 369A(a) of the Act (12 U.S.C. 3709(a)) more than once unless the Secretary consents in writing to such withdrawal.

(c) The commissioner shall, in the case of a sale adjourned to a later date, mail a copy of the revised Notice of Default and Foreclosure Sale to the Secretary at least seven days before the date to which the sale has been adjourned.

(d) If upon application by the mortgagor, the commissioner refuses to withdraw the property from foreclosure under section 369A(a) of the Act (12 U.S.C. 3709(a)), the commissioner shall provide the mortgagor and the Secretary with a written statement of the reasons for the refusal.

§ 27.30 Conduct of the sale.

(a) The commissioner shall accept written one-price sealed bids from any party including the Secretary so long as those bids conform to the requirements described in the Notice of Default and Foreclosure Sale. The commissioner shall announce the name of each such bidder and the amount of the bid. The commissioner shall accept oral bids from any party, including parties who submitted one-price sealed bids, if those oral bids conform to the requirements described in the Notice of Default and Foreclosure Sale. The commissioner will announce the amount of the high bid and the name of the successful bidder before the close of the sale.
§ 27.35 Foreclosure costs.

Pursuant to section 369C(5) of the Act (12 U.S.C. 3711), a commission to the foreclosure commissioner for the conduct of the foreclosure will be paid in an amount to be determined by the General Counsel. A commission may be allowed to the commissioner notwithstanding termination of the sale or appointment of a substitute commissioner before the sale takes place.

§ 27.40 Disposition of sale proceeds.

(a) The priority of the Secretary’s lien shall be determined by the Federal first-in-time first-in-right rule. State laws affording priority to liens recorded after the mortgage are preempted.

(b) If there is more than one party holding a lien or assessment payable from sales proceeds, the claim of each party holding the same kind of lien or assessment will be given the relative priority to which it would be entitled under the law of the State in which the security property is located.

(c) The commissioner will keep such records as will permit the Secretary to verify the costs claimed under section 369C of the Act (12 U.S.C. 3711), and otherwise to audit the commissioner’s disposition of the sale proceeds.

§ 27.45 Transfer of title and possession.

(a) If the Secretary is the successful bidder, the foreclosure commissioner shall issue a deed to the Secretary upon receipt of the amount needed to pay the costs listed in sections 369D (1) through (3) of the Act (12 U.S.C. 3712(1) through (3)). If the Secretary is not the successful bidder, the foreclosure commissioner shall issue a deed to the purchaser upon receipt of the entire purchase price and execution by the Secretary and the purchaser of any use agreement referred to in §27.20(e). Any covenants reflecting terms required by §27.20 shall be contained in the commissioner’s deed.

(b) Subject to any terms required to be agreed to by §27.20, any commercial tenant and any residential tenant remaining in possession after the expiration of his or her lease or after the passage of one year, whichever event occurs first, shall be deemed a tenant at sufferance and may be evicted in accordance with applicable State or local law.

§ 27.50 Management and disposition by the Secretary.

When the Secretary is the purchaser of the security property, the Secretary shall manage and dispose of it in accordance with section 203 of the Housing and Community Development Amendments of 1978, as amended, 12 U.S.C. 1701z-11, and in accordance with 24 CFR part 290.
Office of the Secretary, HUD

§ 27.103

(b) Scope. The Secretary may foreclose on any defaulted single family mortgage described in the Statute regardless of when the mortgage was executed.

(c) Applicability. The Secretary may, at the Secretary’s option, use other procedures to foreclose defaulted single family mortgages, including judicial foreclosure in State or Federal Court, and nonjudicial foreclosures under State law or any other Federal law. This subpart applies only to foreclosure procedures authorized by the Statute and not to any other foreclosure procedures the Secretary may use.

§ 27.101 Definitions.

The definitions contained in the Statute (at 12 U.S.C. 3752) shall apply to this subpart, in addition to and as further clarified by the following definitions. As used in this subpart:

County means a political subdivision of a State or Territory of the United States, created to aid in the administration of State law for the purpose of local self government, and includes a parish or any other equivalent subdivision.

Mortgage is as defined in the Statute except that the reference to property as “(real, personal or mixed)” means “any property (real or mixed real and personal).”

Mortgage agreement is as defined in the Statute, and also means any other similar instrument or instruments creating the security interest in the real estate for the repayment of the note or debt instrument.

Mortgagor is as defined in the Statute, except that the reference to “trustee” means “trustor.”

Record; Recorded means to enter or entered in public land record systems established under State statutes for the purpose of imparting constructive notice to purchasers of real property for value and without knowledge, and includes “register” and “registered” in the instance of registered land, and “file” and its variants in the context of entering documents in public land records.

Secretary means the Secretary of Housing and Urban Development, acting by and through any authorized designee exclusive of the foreclosure commissioner.

Security Property is as defined in the statute except that the reference to property as “(real, personal or mixed)” means “any property (real or mixed real and personal).”

§ 27.102 Designation of foreclosure commissioner and substitute commissioner.

(a) The Secretary may designate foreclosure commissioners, including substitute commissioners, as set forth in the Statute.

(b) The method of selection and determination of the qualifications of the foreclosure commissioner shall be at the discretion of the Secretary. The execution of a designation pursuant to this section shall be conclusive evidence that the commissioner selected has been determined to be qualified by the Secretary. The designation is effective upon execution.

§ 27.103 Notice of default and foreclosure sale.

(a) The foreclosure commissioner shall commence the foreclosure under the procedures set forth in the Statute.

(b) The Notice of Default and Foreclosure Sale (Notice) shall include, in addition to the provisions as required by the Statute:

(1) The foreclosure commissioner’s telephone number;

(2) A description of the security property sufficient to identify the property to be sold;

(3) The date the mortgage was recorded;

(4) Identification of the failure to make payment, including the entire amount delinquent as of a date specified, a statement generally describing the other costs that must be paid if the mortgage is to be reinstated, the due date of the earliest principal installment payment remaining wholly unpaid as of the date on which the notice is issued upon which the foreclosure is based, or a description of any other default or defaults upon which foreclosure is based, and the acceleration of the secured indebtedness; and

(5) The bidding and payment requirements for the foreclosure sale, including the time and method of payment of
the balance of the foreclosure purchase price, that all deposits and the balance of the purchase price shall be paid by certified or cashier’s check, and that no deposit will be required of the Secretary when the Secretary bids at the foreclosure sale.

§ 27.105 Service of Notice of Default and Foreclosure Sale.

(a) The Notice of Default and Foreclosure Sale shall be served in accordance with the provisions of the Statute. When notice is sent by mail, multiple mailings are not required to be sent to any party with multiple capacities, e.g., an original mortgagor who is the security property owner and lives in one of the units. The date of the receipt for the postage paid for the mailing may serve as proof of the date of mailing of the notice.

(b) Notice need not be mailed to any mortgagors who have been released from all obligations under the mortgage.

§ 27.107 Presale reinstatement.

(a) The foreclosure commissioner shall withdraw the security property from foreclosure and cancel the foreclosure sale only in accordance with the provisions of the Statute and as more fully provided in paragraphs (b) and (c) of this section in regard to presale reinstatements.

(b) To obtain a presale reinstatement in cases involving a monetary default, there must be tendered to the foreclosure commissioner before public auction is completed all amounts which would be due under the mortgage agreement if payments under the mortgage had not been accelerated and all costs of foreclosure incurred for which payment from the proceeds of foreclosure is provided in the Statute, and the foreclosure commissioner must find that there are no nonmonetary defaults; provided, however, that the Secretary may refuse to cancel a foreclosure sale pursuant to this subparagraph if the current mortgagor or owner of record has, on one or more previous occasions, caused a foreclosure of the mortgage, commenced pursuant to the Statute and this subpart or otherwise, to be canceled by curing a default.

(c) To obtain a presale reinstatement in cases involving a nonmonetary default:

(1) The foreclosure commissioner, upon application of the mortgagor before the date of foreclosure sale, must find that all nonmonetary defaults are cured and that there are no monetary defaults; and

(2) There must be tendered to the foreclosure commissioner before public auction is completed all amounts due under the mortgage agreement (excluding all amounts which would be due under the mortgage agreement if the mortgage payments had been accelerated), including all amounts of expenditures secured by the mortgage and all costs of foreclosure incurred for which payment would be made from the proceeds of foreclosure as provided in the Statute.

(d) Before withdrawing the security property from foreclosure, the foreclosure commissioner shall notify the Secretary of the proposed withdrawal by telephone or other telecommunications device and shall also provide the Secretary with a written statement of the reasons for the proposed withdrawal along with all documents submitted by the mortgagor in support of the proposed withdrawal. Upon receipt of this statement, the Secretary shall have ten (10) days in which to demonstrate why the security property should not be withdrawn from foreclosure, and if the Secretary makes this demonstration, the property shall not be withdrawn from foreclosure. The Secretary shall provide the mortgagor with a copy of any statement prepared by the Secretary in opposition to the proposed withdrawal at the same time the statement is submitted to the foreclosure commissioner. If the Secretary receives the foreclosure commissioner’s written statement less than 10 days before the scheduled foreclosure sale, the sale shall automatically be adjourned for 14 days, during which time it may be cancelled. Notice of the re-scheduled sale, if any, shall be served as described in §27.111.

§ 27.109 Conduct of sale.

(a) The foreclosure sale shall be conducted in a manner and at a time and
place as identified in the Notice of Default and Foreclosure Sale and in accordance with the provisions of the Statute.

(b) In addition to bids made in person at the sale, the foreclosure commissioner shall accept written one-price sealed bids from any party, including the Secretary, for entry by announcement at the sale so long as those bids conform to the requirements described in the Notice of Default and Foreclosure Sale. The foreclosure commissioner shall announce the name of each such bidder and the amount of the bid. The commissioner shall accept oral bids from any party, including parties who submitted one-price sealed bids, if those oral bids conform to the requirements in the Notice of Default and Foreclosure Sale. Before the close of the sale the commissioner shall announce the amount of the high bid and the name of the successful bidder. If the successful bidder fails to comply with the terms of the sale, the HUD Field Office representative will provide instructions to the commissioner about offering the property to the second highest bidder, or having a new sale, or other instruction at the discretion of the HUD representative.

(c) Prohibited participants. Relatives of the foreclosure commissioner who may not bid include parents, siblings, spouses and children. A related business entity that may not bid or whose employees may not bid is one whose relationship (at the time the foreclosure commissioner is designated and during the term of service as foreclosure commissioner) with the entity of the foreclosure commissioner is such that, directly or indirectly, one entity formulates, directs, or controls the other entity; or has the power to formulate, direct, or control the other entity; or has the responsibility and authority to prevent, or promptly to correct, the offensive conduct of the other entity.

(d) Auctioneers. If the commissioner employs an auctioneer to conduct the foreclosure sale, the auctioneer must be a licensed auctioneer, an officer of State or local government, or any other person who commonly conducts foreclosure sales in the area in which the security property is located.

\[\text{§27.111 Adjournment or cancellation of sale.}\]

(a) The foreclosure commissioner may, before or at the time of the foreclosure sale, adjourn or cancel the foreclosure sale in accordance with the provisions of the Statute. The publication of the Notice of Default and Foreclosure Sale, revised pursuant to the Statute, may be made on any of three separate days before the revised date of foreclosure sale. If there is no newspaper of general circulation that would permit publication on any of three separate days before the revised date of foreclosure sale, the Notice of Default and Foreclosure Sale must be posted, not less than nine days before the date to which the sale has been adjourned, at the courthouse of any county or counties in which the property is located, and at the place where the sale is to be held. The commissioner must also, in the case of a sale adjourned to a later date, mail a copy of the revised Notice of Default and Foreclosure Sale to the Secretary at least seven days before the date to which the sale has been adjourned.

(b) When a substitute commissioner is designated by the Secretary to replace a previously designated foreclosure commissioner, the sale shall continue without prejudice unless the substitute commissioner finds, in that commissioner's sole discretion, that continuation of the foreclosure sale will unfairly affect the interests of the mortgagor. Any such finding shall be in writing. If the substitute commissioner makes such a finding, the substitute commissioner shall cancel or adjourn the sale.

\[\text{§27.113 Foreclosure costs.}\]

A commission may be allowed to the foreclosure commissioner notwithstanding termination of the sale or appointment of a substitute commissioner before the sale takes place.

\[\text{§27.115 Disposition of sales proceeds.}\]

The foreclosure commissioner will keep such records as will permit the Secretary to verify the costs claimed, and otherwise to enable the Secretary to audit the foreclosure commissioner's disposition of the sale proceeds.
§ 27.117 Transfer of title and possession.

(a) If the Secretary is the successful bidder, the foreclosure commissioner shall issue a deed to the Secretary upon receipt of the amount needed to pay the costs of tax liens and prior liens, as set forth in 12 U.S.C. 3762(a)(2) and (a)(3). If the Secretary is not the successful bidder, the foreclosure commissioner shall issue a deed to the purchaser or purchasers upon receipt of the entire purchase price in accordance with the terms of the sale as provided in the Notice of Default and Foreclosure Sale.

(b) The register of deeds or other appropriate official in the county where the property is located shall, upon tendering of the customary recording fees, accept all instruments pertaining to the foreclosure which are submitted by the foreclosure commissioner for recordation. The instruments to be accepted shall include, but not be limited to, the foreclosure commissioner's deed. If the foreclosure commissioner elects to include the recitations required under the Statute (12 U.S.C. 3764) in an affidavit or an addendum to the deed, the affidavit or addendum shall be accepted along with the deed for recordation. The Clerk of the Court or other appropriate official shall cancel all liens as requested by the foreclosure commissioner.

§ 27.119 Redemption rights.

Only for purposes of redemption rights under the Statute, a foreclosure shall be considered completed upon the date and at the time of the foreclosure sale.

§ 27.121 Record of foreclosure and sale.

The statements regarding the foreclosed mortgage required to establish a sufficient record shall include the date the mortgage was recorded. The statements regarding the service of the Notice of Default and Foreclosure Sale shall include the names and addresses of the persons to whom the Notice was mailed and the date on which the Notice was mailed, the name of the newspaper in which the Notice was published and the dates of publication, and the date on which service by posting, if required, was accomplished.

§ 27.123 Deficiency judgment.

If the price at which the security property is sold at the foreclosure sale is less than the unpaid balance of the debt secured by such property after disposition of sale proceeds in accordance with the order of priority provided under the Statute, the Secretary may refer the matter to the Attorney General who may commence an action or actions against any and all debtors to recover the deficiency, unless such an action is specifically prohibited by the mortgage.

§ 28.1 Purpose.

This part:

(a) Establishes administrative procedures for imposing civil penalties and assessments against persons who make, submit, or present, or cause to be made, submitted, or presented, false, fictitious, or fraudulent claims or written statements to Federal authorities or to their agents; and

(b) Specifies the hearing and appeal rights of persons subject to allegations of liability for such penalties and assessments. Hearings under this part shall be conducted pursuant to 24 CFR part 26, subpart B.
§ 28.5 Definitions.
The terms ALJ and HUD are defined in 24 CFR part 5.

Benefit means anything of value, including, but not limited to, any advantage, preference, privilege, license, permit, favorable decision, ruling, status, or loan insurance or guarantee.

Claim means any request, demand, or submission:
(1) Made to HUD for property, services, or money (including money representing grants, loans, insurance, or benefits);
(2) Made to a recipient of property, services, or money from HUD, or to a party to a contract with HUD, for property or services provided by the U.S. Government, purchased with Government funds, or for which the Government will reimburse the recipient or party; or
(3) Made to HUD that has the effect of decreasing an obligation to pay or account for property, services, or money.

Knows or has reason to know means that a person has actual knowledge that a claim or statement is false, fictitious, or fraudulent; acts in deliberate ignorance of the truth or falsity of the claim or statement; or acts in reckless disregard of the truth or falsity of the claim or statement.

Person means any individual, partnership, corporation, association, private organization, or entity.

Respondent means any person alleged to be liable for a civil penalty or assessment under §28.25.

Statement means any representation, certification, affirmation, document, record, or accounting or bookkeeping entry made:
(1) With respect to a claim, to obtain approval or payment of a claim, or relating to eligibility to make a claim; or
(2) With respect to or relating to eligibility for a contract, bid, or proposal for a contract with; or a grant or cooperative agreement, loan, or benefit from; HUD, any State, any political subdivision of a State, or other party, if the United States Government provides any portion of the money or property under the contract or the grant or cooperative agreement, loan, or benefit, or if the Government will reimburse the State, political subdivision, or party for any portion of the money or property under the contract or for the grant or cooperative agreement, loan, or benefit.

§ 28.10 Basis for civil penalties and assessments.
(a) Claims. (1) A civil penalty of not more than $5,500 may be imposed upon a person who makes a claim that the person knows or has reason to know:
(i) Is false, fictitious, or fraudulent;
(ii) Includes or is supported by a written statement that either contains a material fact that is false, fictitious, or fraudulent; or omits a material fact that the person has a duty to include and is false, fictitious, or fraudulent as a result of the omission; or
(iii) Is for payment for the provision of property or services that the person has not provided as claimed.

(2) Each voucher, invoice, claim form, or other individual request or demand for property, services, or money constitutes a separate claim.

(3) A claim shall be considered made to HUD, to a recipient, or to a party when the claim actually is made to an agent, fiscal intermediary, or other entity, including any State or political subdivision of a State, acting for or on behalf of HUD, the recipient, or the party.

(4) Each claim for property, services, or money is subject to a civil penalty without regard to whether the property, services, or money actually is delivered or paid.

(5) Liability under this part shall not lie if the amount of money or value of property or services claimed exceeds $150,000 as to each claim that a person submits. For purposes of paragraph (a) of this section, a group of claims submitted simultaneously as part of a single transaction shall be considered a single claim.

(6) If the Government has made any payment, transferred property, or provided services on a claim, then the Government may assess a person found liable up to twice the amount of the claim or portion of the claim that is determined to be in violation of paragraph (a)(1) of this section.
(b) Statements. (1) A civil penalty of up to $5,500 may be imposed upon a person who makes a written statement that:

(i) The person knows, or has reason to know, contains a material fact that is false, fictitious, or fraudulent; or

(ii) Contains or is accompanied by an express certification or affirmation of the truthfulness and accuracy of the contents of the statement.

(2) Each written representation, certification, or affirmation constitutes a separate statement.

(3) A statement shall be considered made to HUD when the statement is actually made to an agent, fiscal intermediary, or other entity, including any State or political subdivision of a State, acting for or on behalf of HUD.

(c) Limit on liability. If the claim or statement relates to low-income housing benefits or housing benefits for the elderly or handicapped, then a person may be held liable only if he or she has made the claim or statement in the course of applying for such benefits, with respect to his or her eligibility, or family's eligibility, to receive such benefits. For purposes of paragraph (c) of this section, "housing benefits" means any instance wherein funds administered by the Secretary directly or indirectly permit low-income families or elderly or handicapped persons to reside in housing that otherwise would not be available to them.

(d) Specific intent. No proof of specific intent to defraud is required to establish liability under this section.

§ 28.15 Investigation.

(a) General. HUD may initiate a Program Fraud Civil Remedies Act (31 U.S.C. 3801) case against a respondent only upon an investigation by the Inspector General or his or her designee.

(b) Subpoena. Pursuant to 31 U.S.C. 3804(a), the Inspector General or designee may require by subpoena the production of records and other documents. The subpoena shall state the authority under which it is issued, identify the records sought, and name the person designated to receive the records. The recipient of the subpoena shall provide a certification that the documents sought have been produced, and the reasons they are not available, or that the documents, suitably identified, have been withheld based upon the assertion of an identified privilege.

§ 28.20 Request for approval by the Department of Justice.

(a) If the General Counsel or designee determines that the investigation report supports an action under this part, he or she must submit a written request to the Department of Justice for approval to issue a notice under § 28.25.

(b) The request shall include a description of the claims or statements at issue; the evidence supporting the notice; an estimate of the amount of money or the value of property, services, or other benefits requested or demanded in violation of § 28.10; any exculpatory or mitigating circumstances that may relate to the claims or statements; and a statement that there is a reasonable prospect of collecting an appropriate amount of penalties and assessments.

§ 28.25 Complaint.

(a) General. Upon obtaining approval from the Department of Justice, the General Counsel or designee may issue a complaint to the respondent. The complaint shall be sent by certified
mail, return receipt requested, or shall be personally served.

(b) The complaint shall include:

(1) The allegations of liability against the respondent, including the statutory basis for liability, the claims or statements at issue, and the reasons why liability arises from those claims or statements;

(2) The amount of penalties and assessments for which the respondent may be held liable;

(3) That the respondent may request a hearing by submitting a written response to the complaint;

(4) The address to which a response must be sent; and

(5) That failure to submit an answer within 30 days of receipt of the complaint may result in the imposition of the maximum amount of penalties and assessments sought without right of appeal.

(c) A copy of this part 28 and of 24 CFR part 26, subpart B shall be included with the complaint.

§ 28.30 Response.

(a) The respondent may submit a written response to HUD within 30 days of service of the complaint. The response shall be deemed to be a request for hearing. The response should include the admission or denial of each allegation of liability made in the complaint; any defense on which the respondent intends to rely; any reasons why the penalties and assessments should be less than the amount set forth in the complaint; and the name, address, and telephone number of the person who will act as the respondent's representative, if any.

(b) Filing with the administrative law judges. HUD shall file the complaint and response with the Chief Docket Clerk, Office of Administrative Law Judges, in accordance with § 26.37 of this title. If no response is submitted, then HUD may file a motion for default judgment, together with a copy of the complaint, in accordance with § 26.39 of this title.

§ 28.35 Disclosure of documents.

Upon receipt of a complaint, the respondent may, upon written request to the General Counsel or designee, review any relevant and material non-privileged documents, including any exculpatory documents, that relate to the allegations set out in the complaint. Exculpatory information that is contained in a privileged document must be disclosed.

§ 28.40 Hearings.

(a) General. Hearings under this part shall be conducted in accordance with the procedures in 24 CFR part 26, subpart B.

(b) Factors to consider in determining amount of penalties and assessments. In determining an appropriate amount of civil penalties and assessments, the administrative law judge (ALJ) and, upon appeal, the Secretary shall consider and state in their opinions any mitigating or aggravating circumstances. Because of the intangible costs of fraud, the expense of investigating fraudulent conduct, and the need for deterrence, ordinarily double damages and a significant civil penalty should be imposed. The ALJ and the Secretary shall consider the following factors in determining the amount of penalties and assessments to be imposed:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the respondent's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the cost of investigation;

(6) The relationship of the civil penalties to the amount of the Government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;

(8) Whether the respondent has engaged in a pattern of the same or similar misconduct;

(9) Whether the respondent attempted to conceal the misconduct;
§ 28.45

(10) The degree to which the respondent has involved others in the misconduct or in concealing it;

(11) If the misconduct of employees or agents is imputed to the respondent, the extent to which the respondent’s practices fostered or attempted to preclude the misconduct;

(12) Whether the respondent cooperated in or obstructed an investigation of the misconduct;

(13) Whether the respondent assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the respondent’s sophistication with respect to it, including the extent of the respondent’s prior participation in the program or in similar transactions;

(15) Whether the respondent has been found, in any criminal, civil, or administrative proceeding, to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly;

(16) The need to deter the respondent and others from engaging in the same or similar misconduct; and

(17) Any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

(c) Stays ordered by the Department of Justice. If at any time the Attorney General of the United States or an Assistant Attorney General designated by the Attorney General notifies the Secretary in writing that continuation of HUD’s case may adversely affect any pending or potential criminal or civil action related to the claim or statement at issue, the ALJ or the Secretary shall stay the process immediately. The case may be resumed only upon receipt of the written authorization of the Attorney General.

§ 28.45 Settlements.

(a) HUD and the respondent may enter into a settlement agreement at any time prior to the issuing of a notice of final determination under § 26.50 of this title.

(b) Failure of the respondent to comply with a settlement agreement shall be sufficient cause for resuming an action under this part, or for any other judicial or administrative action.

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller’s possession and notify the buyer of any known lead-based paint hazards. Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors must disclose the presence of lead-based paint and/or lead-based paint hazards in the dwelling. Subpart B—General Lead-Based Paint Requirements and Definitions for All Programs.

SOURCE: 64 FR 50202, Sept. 15, 1999, unless otherwise noted.

§ 35.100 Purpose and applicability.

(a) Purpose. The requirements of subparts B through R of this part are promulgated to implement the Lead-Based Paint Poisoning Prevention Act, as amended (42 U.S.C. 4821 et seq.), and the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851 et seq.).

(b) Applicability—(1) This subpart. This subpart applies to all target housing that is federally owned and target housing receiving Federal assistance to which subparts C, D, F through M, and R of this part apply, except where indicated.

(2) Other subparts—(i) General. Subparts C, D, and F through M of this part each set forth requirements for a specific type of Federal housing activity or assistance, such as multifamily mortgage insurance, project-based rental assistance, rehabilitation, or tenant-based rental assistance. Subpart R of this part provides standards and methods for activities required in subparts B, C, D, and F through M of this part.

(ii) Application to programs. Most HUD housing programs are covered by only one subpart of this part, but some programs can be used for more than one type of assistance and therefore are covered by more than one subpart of this part. A current list of programs covered by each subpart of this part is available on the internet at www.hud.gov, or by mail from the National Lead Information Center at 1-800-424-LEAD. Examples of flexible programs that can provide more than one type of assistance are the HOME Investment Partnerships program, the Community Development Block Grant program, and the Indian Housing Block Grant Program. Grantees, participating jurisdictions, Indian tribes and other entities administering such flexible programs must decide which subpart applies to the type of assistance being provided to a particular dwelling unit or residential property.

(iii) Application to dwelling units. In some cases, more than one type of assistance may be provided to the same dwelling unit. In such cases, the subpart or section with the most protective initial hazard reduction requirements applies. Paragraph (c) of this section provides a table that lists the subparts and sections of this part in order from the most protective to the least protective. (This list is based only on the requirements for initial hazard reduction. The summary of requirements on this list is not a complete list of requirements. It is necessary to refer to the applicable subparts and sections to determine all applicable requirements.)

(iv) Example. A multifamily building has 100 dwelling units and was built in 1965. The property is financed with HUD multifamily mortgage insurance. This building is covered by subpart G of this part (see §35.625—Multifamily...
mortgage insurance for properties constructed after 1959), which is at protectiveness level 5 in the table set forth in paragraph (c) of this section. In the same building, however, 50 of the 100 dwelling units are receiving project-based assistance, and the average annual assistance per assisted unit is $5,500. Those 50 units, and common areas servicing those units, are covered by the requirements of subpart H of this part (see § 35.715—Project-based assistance for multifamily properties receiving more than $5,000 per unit), which are at protectiveness level 3. Therefore, because level 3 is a higher level of protectiveness than level 5, the units receiving project-based assistance, and common areas servicing those units, must comply at level 3, while the rest of the building can be operated at level 5. The owner may choose to operate the entire building at level 3 for simplicity.

(c) Table One. The following table lists the subparts and sections of this part applying to HUD programs in order from most protective to least protective hazard reduction requirements. The summary of hazard reduction requirements in this table is not complete. Readers must refer to relevant subpart for complete requirements.

If provision of a lead hazard information pamphlet is required in subparts D and F through M of this part, the designated party shall provide to each occupied dwelling unit to which subparts D and F through M of this part apply, the lead hazard information pamphlet developed by EPA, HUD and the Consumer Product Safety Commission pursuant to section 406 of the Toxic Substances Control Act (15 U.S.C. 2686), or an EPA-approved alternative; except that the designated party need not provide a lead hazard information pamphlet if the designated party can demonstrate that the pamphlet has already been provided in accordance with the lead-based paint notification and disclosure requirements at § 35.88(a)(1), or 40 CFR 745.107(a)(1) or in accordance with the requirements for hazard education before renovation at 40 CFR part 745, subpart E.

§ 35.135 Use of paint containing lead.

(a) New use prohibition. The use of paint containing more than 0.06 percent dry weight of lead on any interior or exterior surface in federally owned housing or housing receiving Federal assistance is prohibited. As appropriate, each Federal agency shall include the prohibition in contracts, grants, cooperative agreements, insurance agreements, guaranty agreements, trust agreements, or other similar documents.

(b) Pre-1978 prohibition. In the case of a jurisdiction which banned the sale or residential use of lead-containing paint before 1978, HUD may designate an earlier date for certain provisions of subparts D and F through M of this part.

§ 35.140 Prohibited methods of paint removal.

The following methods shall not be used to remove paint that is, or may be, lead-based paint:

(a) Open flame burning or torching.

(b) Machine sanding or grinding without a high-efficiency particulate air (HEPA) local exhaust control.

(c) Abrasive blasting or sandblasting without HEPA local exhaust control.

(d) Heat guns operating above 1100 degrees Fahrenheit or charring the paint.

(e) Dry sanding or dry scraping, except dry scraping in conjunction with heat guns or within 1.0 ft. (0.30 m.) of electrical outlets, or when treating defective paint spots totaling no more than 2 sq. ft. (0.2 sq. m.) in any one interior room or space, or totaling no more than 20 sq. ft. (2.0 sq. m.) on exterior surfaces.

(f) Paint stripping in a poorly ventilated space using a volatile stripper that is a hazardous substance in accordance with regulations of the Consumer Product Safety Commission at 16 CFR 1500.3, and/or a hazardous chemical in accordance with the Occupational Safety and Health Administration regulations at 29 CFR 1910.1200 or 1926.59, as applicable to the work.

§ 35.145 Compliance with Federal laws and authorities.

All lead-based paint activities, including waste disposal, performed under this part shall be performed in accordance with applicable Federal laws and authorities. § 35.150 Compliance with other State, tribal, and local laws.

(a) HUD responsibility. If HUD determines that a State, tribal or local law, ordinance, code or regulation provides for evaluation or hazard reduction in a manner that provides a comparable level of protection from the hazards of lead-based paint poisoning to that provided by the requirements of subparts B, C, D, F through M and R of this part and that adherence to the requirements of subparts B, C, D, F through M, and R of this part, would be duplicative or otherwise cause inefficiencies, HUD may modify or waive some or all of the requirements of the subparts in a manner that will promote efficiency.
while ensuring a comparable level of protection.

(b) Participant responsibility. Nothing in this part is intended to relieve any participant in a program covered by this subpart of any responsibility for compliance with State, tribal or local laws, ordinances, codes or regulations governing evaluation and hazard reduction. If a State, tribal or local law, ordinance, code or regulation defines lead-based paint differently than the Federal definition, the more protective definition (i.e., the lower level) shall be followed in that State, tribal or local jurisdiction.

§ 35.155 Minimum requirements.

(a) Nothing in subparts B, C, D, F through M, and R of this part is intended to preclude a designated party or occupant from conducting additional evaluation or hazard reduction measures beyond the minimum requirements established for each program in this regulation. For example, if the applicable subpart requires visual assessment, the designated party may choose to perform a risk assessment in accordance with §35.1320. Similarly, if the applicable subpart requires interim controls, a designated party or occupant may choose to implement abatement in accordance with §35.1325.

(b) To the extent that assistance from any of the programs covered by subparts B, C, D, and F through M of this part is used in conjunction with other HUD program assistance, the most protective requirements prevail.

§ 35.160 Waivers.

In accordance with §5.110 of this title, on a case-by-case basis and upon determination of good cause, HUD may, subject to statutory limitations, waive any provision of subparts B, C, D, F through M, and R of this part.

§ 35.165 Prior evaluation or hazard reduction.

It is not necessary that the State or tribal approval program had EPA authorization at the time of the risk assessment.

(3) A risk assessment conducted on or after the date specified in 40 CFR 745.239(b) must have been conducted by a certified risk assessor.

(4) Paragraph (b) of this section does not apply in a case where a risk assessment is required in response to the identification of a child with an environmental intervention blood lead level. In such a case, the requirements in the applicable subpart for responding to a child with an environmental intervention blood lead level shall apply.

Hazard reduction is considered complete when clearance is achieved in accordance with § 35.1340 and the clearance report states that all lead-based paint hazards identified in the risk assessment have been treated with interim controls or abatement or the public health department certifies that the lead-based paint hazard reduction is complete. The requirements of this paragraph do not apply if HUD, between the date the child's blood was last sampled and the date HUD received the notification of the environmental intervention blood lead level, conducted a risk assessment of the unit and common areas servicing the unit and completed reduction of identified lead-based paint hazards.

(d) Reporting requirement. HUD shall report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 working days of being so notified by any other health professional.

(f) Extensions. The Assistant Secretary for Housing-Federal Housing Commissioner or designee may consider and approve a request for an extension of deadlines established by this section for a lead-based paint inspection, risk assessment, hazard reduction, and reporting. Such a request may be considered, however, only during the first six months during which HUD is owner or mortgagee-in-possession of a multifamily property.

(a) Applicability. This section applies to recipients of Federal rehabilitation assistance, except for CILP recipients, for which § 35.920 applies.
(b) Rehabilitation assistance. (1) Lead-based paint requirements for rehabilitation fall into three categories which depend on the amount of rehabilitation assistance provided. The three categories are:
   (i) Assistance of up to and including $5,000 per unit;
   (ii) Assistance of more than $5,000 per unit up to and including $25,000 per unit; and
   (iii) Assistance of more than $25,000 per unit.
(2) For purposes of implementing §§ 35.930–35.935, the amount of rehabilitation assistance is the average per unit amount of Federal funds for the hard costs of rehabilitation, excluding lead-based paint hazard evaluation and hazard reduction activities. Costs of site preparation, occupant protection, relocation, interim controls, abatement, clearance and waste handling attributable to lead-based paint hazard reduction are not to be included in the hard costs of rehabilitation.
(c) Calculating rehabilitation assistance. For a residential property that includes both federally assisted and non-assisted units, the rehabilitation costs of non-assisted units are not included in the calculation.
(1) The average cost of rehabilitation for the assisted units is calculated as follows:
Per Unit Rehabilitation $ = \frac{(a/c) + (b/d)}{d}
Where:
a = Federal Rehabilitation Assistance for all assisted units
b = Federal Rehabilitation Assistance for common areas and exterior painted surfaces
c = Number of federally assisted units
d = Total number of units
(2) Eight out of 10 dwelling units in a residential property receive Federal rehabilitation assistance. The total amount of Federal rehabilitation assistance for the dwelling units is $90,000, and the total amount of Federal rehabilitation assistance for the common areas and exterior surfaces is $10,000. Based on the formula above, the average per unit amount of Federal rehabilitation assistance is $12,250. This is illustrated as follows: $12,250 = \frac{($90,000/8) + ($10,000/10)}{10}$.

§ 35.920 Calculating rehabilitation costs for the Flexible Subsidy-CILP program.
All dwelling units and common areas in a residential property are considered to be assisted under the CILP program. The cost of rehabilitation is calculated as follows:
Per Unit Rehab $ = \frac{Federal Rehab Assistance}{Total Number of Units}.
§ 35.925 Examples of determining applicable requirements.
The following examples illustrate how to determine whether the requirements of §§ 35.930(b), (c), or (d) apply to a dwelling unit receiving Federal rehabilitation assistance (dollar amounts are on a per unit basis):
(a) If the total amount of Federal assistance for a dwelling is $2,000, and the hard costs of rehabilitation are $10,000, the lead-based paint requirements would be those described in § 35.930(b), because Federal rehabilitation assistance is up to and including $5,000.
(b) If the total amount of Federal assistance for a dwelling unit is $6,000, and the hard costs of rehabilitation are $2,000, the lead-based paint requirements would be those described in § 35.930(b). Although the total amount of Federal dollars is more than $5,000, only the $2,000 of that total can be applied to rehabilitation. Therefore, the Federal rehabilitation assistance is $2,000 which is not more than $5,000.
(c) If the total amount of Federal assistance for a unit is $6,000, and the hard costs of rehabilitation are $6,000, the lead-based paint requirements are those described in § 35.930(c), because the amount of Federal rehabilitation assistance is more than $5,000 but not more than $25,000.

§ 35.930 Evaluation and hazard reduction requirements.
(a) Paint testing. The grantee, participating jurisdiction, or CILP recipient shall either perform paint testing on the painted surfaces to be disturbed or replaced during rehabilitation activities, or presume that all these painted...
§ 35.935 Ongoing lead-based paint maintenance activities.

In the case of a rental property receiving Federal rehabilitation assistance under the HOME program or the Flexible Subsidy-CILP program, the grantee, participating jurisdiction or CILP recipient shall require the property owner to incorporate ongoing lead-based paint maintenance activities into regular building operations, in accordance with § 35.1355(a).

§ 35.940 Special requirements for insular areas.

If a dwelling unit receiving Federal assistance under a program covered by this subpart is located in an insular area, the requirements of this section shall apply and the requirements of § 35.930 shall not apply. All other sections of this subpart shall apply. The insular area shall conduct the following activities for the dwelling unit, common areas servicing the dwelling unit, and the exterior surfaces of the building in which the dwelling unit is located:

(a) Residential property receiving an average of up to and including $5,000 per unit in Federal rehabilitation assistance. Each grantee, participating jurisdiction, or CILP recipient shall:

(1) Conduct paint testing or presume the presence of lead-based paint in accordance with paragraph (a) of this section.

(2) Perform a risk assessment in the dwelling units receiving Federal assistance, in common areas servicing those units, and exterior painted surfaces, in accordance with § 35.1330 of all lead-based paint hazards identified pursuant to paragraphs (c)(1) and (c)(2) of this section and any lead-based paint hazards created as a result of the rehabilitation work.

(3) Abate all lead-based paint hazards identified by the paint testing or risk assessment conducted pursuant to paragraphs (d)(1) and (d)(2) of this section and any lead-based paint hazards created as a result of rehabilitation work, in accordance with § 35.1325, except that interim controls are acceptable on exterior surfaces that are not disturbed by rehabilitation.

2. At 65 FR 3387, Jan. 21, 2000, § 35.930(b)(3) was corrected, effective Sept. 15, 2000.
(2) After completion of any rehabilitation disturbing painted surfaces, perform a clearance examination of the worksite(s) in accordance with §35.1340. Clearance shall be achieved before residents are allowed to occupy the worksite(s). Clearance is not required if rehabilitation did not disturb painted surfaces of a total area more than that set forth in §35.1350(b).

(b) Residential property receiving an average of more than $5,000 per unit in Federal rehabilitation assistance. (1) Before beginning rehabilitation, perform a visual assessment of all painted surfaces in order to identify deteriorated paint.

(2) Perform paint stabilization of each deteriorated paint surface and each painted surface being disturbed by rehabilitation, in accordance with §§35.1330(a) and (b).

(3) After completion of all paint stabilization, perform a clearance examination of the affected dwelling units and common areas in accordance with §35.1340. Clearance shall be achieved before residents are allowed to occupy rooms or spaces in which paint stabilization has been performed.

§ 35.1125 Evaluation and hazard reduction before acquisition and development.

(a) For each residential property constructed before 1978 and proposed to be acquired for a family project (whether or not it will need rehabilitation) a lead-based paint inspection and risk assessment for lead-based paint hazards shall be conducted in accordance with §35.1320.

(b) If lead-based paint is found in a residential property to be acquired, the cost of evaluation and abatement shall be considered when making the cost comparison to justify new construction, as well as when meeting maximum total development cost limitations.

(c) If lead-based paint is found, compliance with this subpart is required, and abatement of lead-based paint and
§ 35.1130 Child with an environmental intervention blood lead level.

(a) Risk assessment. Within 15 days after being notified by a public health department or other medical health care provider that a child of less than 6 years of age living in a public housing development has been identified as having an environmental intervention blood lead level, the PHA shall complete a risk assessment of the dwelling unit in which the child lived at the time the blood was last sampled and of common areas servicing the dwelling unit, the provisions of § 35.1115(b) notwithstanding. The risk assessment shall be conducted in accordance with § 35.1320(b) and is considered complete when the PHA receives the risk assessment report. The requirements of this paragraph apply regardless of whether the child is or is not still living in the unit when the PHA receives the notification of the environmental intervention blood lead level. The requirements of this paragraph shall not apply if the PHA conducted a risk assessment of the unit and common areas servicing the unit between the date the child’s blood was last sampled and the date the owner received the notification of the environmental intervention blood lead level, already conducted a risk assessment of the unit and common areas servicing the unit and completed reduction of identified lead-based paint hazards.

(b) Verification. After receiving information from a person who is not a medical health care provider that a child of less than 6 years of age living in a public housing development may have an environmental intervention blood lead level, the PHA shall immediately verify the information with the public health department or other medical health care provider. If that department or provider verifies that the child has an environmental intervention blood lead level, such verification shall constitute notification, and the housing agency shall take the action required in paragraphs (a) and (c) of this section.

(c) Hazard reduction. Within 30 days after receiving the report of the risk assessment conducted pursuant to paragraph (a) of this section or the evaluation from the public health department, the PHA shall complete the reduction of lead-based paint hazards identified in the risk assessment in accordance with § 35.1325 or § 35.1330. Hazard reduction is considered complete when clearance is achieved in accordance with § 35.1340 and the clearance report states that all lead-based paint hazards identified in the risk assessment have been treated with interim controls or abatement or the local or State health department certifies that lead-based paint hazard reduction is complete. The requirements of this paragraph do not apply if the PHA, between the date the child’s blood was last sampled and the date the owner received the notification of the environmental intervention blood lead level, already conducted a risk assessment of the unit and common areas servicing the unit and completed reduction of identified lead-based paint hazards.

(d) Notice of evaluation and hazard reduction. The PHA shall notify building residents of any evaluation or hazard reduction activities in accordance with § 35.125.

(e) Reporting requirement. The PHA shall report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 working days of being so notified by any other medical health care professional. The PHA shall also report each known case of a child with an environmental intervention blood lead level to the HUD field office.

(f) Other units in building. If the risk assessment conducted pursuant to paragraph (a) of this section identifies lead-based paint hazards and previous evaluations of the building conducted pursuant to § 35.1320 did not identify lead-based paint or lead-based paint hazards, the PHA shall conduct a risk assessment of other units of the building in accordance with § 35.1320(b) and shall conduct interim controls of identified hazards in accordance with the schedule provided in § 35.1120(c).
§ 35.1135 Eligible costs.

A PHA may use financial assistance received under the modernization program (CIAP or CGP) for the notice, evaluation and reduction of lead-based paint hazards in accordance with §968.112 of this title. Eligible costs include:

(a) Evaluation and insurance costs. Evaluation and hazard reduction activities, and costs for insurance coverage associated with these activities.

(b) Planning costs. Planning costs are costs that are incurred before HUD approval of the CGP or CIAP application and that are related to developing the CIAP application or carrying out eligible modernization planning, such as planning for abatement, detailed design work, preparation of solicitations, and evaluation. Planning costs may be funded as a single work item. Planning costs shall not exceed 5 percent of the CIAP funds available to a HUD Field Office in a particular fiscal year.

(c) Architectural/engineering and consultant fees. Eligible costs include fees for planning, identification of needs, detailed design work, preparation of construction and bid documents and other required documents, evaluation, planning and design for abatement, and inspection of work in progress.

(d) Environmental intervention blood lead level response costs. The PHA may use its operating reserves and, when necessary, may request reimbursement from the current fiscal year CIAP funds, or request the reprogramming of previously approved CIAP funds to cover the costs of evaluation and hazard reduction.

§ 35.1140 Insurance coverage.

For the requirements concerning the obligation of a PHA to obtain reasonable insurance coverage with respect to the hazards associated with evaluation and hazard reduction activities, see §965.215 of this title.

Subpart M—Tenant-Based Rental Assistance

SOURCE: 64 FR 50216, Sept. 15, 1999, unless otherwise noted.

§ 35.1200 Purpose and applicability.

(a) Purpose. The purpose of this subpart M is to establish procedures to eliminate as far as practicable lead-based paint hazards in housing occupied by families receiving tenant-based rental assistance. Such assistance includes tenant-based rental assistance under the Section 8 certificate program, the Section 8 voucher program, the HOME program, the Shelter Plus Care program, the Housing Opportunities for Persons With AIDS (HOPWA) program, and the Indian Housing Block Grant program. Tenant-based rental assistance means rental assistance that is not attached to the structure.

(b) Applicability. (1) This subpart applies only to dwelling units occupied or to be occupied by families or households that have one or more children of less than 6 years of age, common areas servicing such dwelling units, and exterior painted surfaces associated with such dwelling units or common areas. Common areas servicing a dwelling unit include those areas through which residents pass to gain access to the unit and other areas frequented by resident children of less than 6 years of age, including on-site play areas and child care facilities.

(2) For the purposes of the Section 8 tenant-based certificate program and the Section 8 voucher program:

(i) The requirements of this subpart are applicable where an initial or periodic inspection occurs on or after September 15, 2000; and

(ii) The PHA shall be the designated party.

(3) For the purposes of formula grants awarded under the Housing Opportunities for Persons with AIDS Program (HOPWA) (42 U.S.C. 12901 et seq.):

(i) The requirements of this subpart shall apply to activities for which program funds are first obligated on or after September 15, 2000; and

(ii) The grantees shall be the designated party.

(4) For the purposes of competitively awarded grants under the HOPWA Program and the Shelter Plus Care program (42 U.S.C. 11402-11407) tenant-based rental assistance component:

(i) The requirements of this subpart shall apply to grants awarded pursuant
§ 35.1205 Definitions and other general requirements.

Definitions and other general requirements that apply to this subpart are found in subpart B of this part.

§ 35.1210 Notices and pamphlet.

(a) Notice. In cases where evaluation or paint stabilization is undertaken, the owner shall provide a notice to residents in accordance with §35.125. A visual assessment is not an evaluation.

(b) Lead hazard information pamphlet. The owner shall provide the lead hazard information pamphlet in accordance with §35.130.

§ 35.1215 Activities at initial and periodic inspection.

(a) (1) During the initial and periodic inspections, an inspector acting on behalf of the designated party and trained in visual assessment for deteriorated paint surfaces in accordance with procedures established by HUD shall conduct a visual assessment of all painted surfaces in order to identify any deteriorated paint.

(2) For tenant-based rental assistance provided under the HOME program, visual assessment shall be conducted as part of the initial and periodic inspections required under §92.209(i) of this title.

(b) The owner shall stabilize each deteriorated paint surface in accordance with §35.1330(a) and (b) before commencement of assisted occupancy. If assisted occupancy has commenced prior to a periodic inspection, such paint stabilization must be completed within 30 days of notification of the owner of the results of the visual assessment. Paint stabilization is considered complete when clearance is achieved in accordance with §35.1340.

(c) The owner shall provide a notice to occupants in accordance with §35.125(b)(1) and (c) describing the results of the clearance examination.

§ 35.1220 Ongoing lead-based paint maintenance activities.

The owner shall incorporate ongoing lead-based paint maintenance activities into regular building operations in accordance with §35.1355(a).

§ 35.1225 Child with an environmental intervention blood lead level.

(a) Within 15 days after being notified by a public health department or other medical health care provider that a child of less than 6 years of age living in an assisted dwelling unit has been identified as having an environmental intervention blood lead level, the designated party shall complete a risk assessment of the dwelling unit in which the child lived at the time the blood was last sampled and of the common areas servicing the dwelling unit. The risk assessment shall be conducted in accordance with §35.1320(b). When the risk assessment is complete, the designated party shall immediately provide the report of the risk assessment to the owner of the dwelling unit. If the child identified as having an environmental intervention blood lead level is no longer living in the unit

VerDate 11<MAY>2000 13:41 Jun 15, 2000 Jkt 190073 PO 00000 Frm 00304 Fmt 8010 Sfmt 8010 Y:\SGML\190073T.XXX pfrm07 PsN: 190073T
when the designated party receives notification from the public health department or other medical health care provider, but another household receiving tenant-based rental assistance is living in the unit or is planning to live there, the requirements of this section apply just as they do if the child still lives in the unit. If a public health department has already conducted an evaluation of the dwelling unit, or the designated party conducted a risk assessment of the unit and common areas servicing the unit between the date the child’s blood was last sampled and the date when the designated party received the notification of the environmental intervention blood lead level, the requirements of this paragraph shall not apply.

(b) Verification. After receiving information from a source other than a public health department or other medical health care provider that a child of less than 6 years of age living in an assisted dwelling unit may have an environmental intervention blood lead level, the designated party shall immediately verify the information with a public health department or other medical health care provider. If that department or provider verifies that the child has an environmental intervention blood lead level, such verification shall constitute notification to the designated party that an identified child of less than 6 years of age with an identified environmental intervention blood lead level may have an environmental intervention blood lead level. At least quarterly, the designated party shall also report an updated list of the addresses of units receiving assistance under a tenant-based rental assistance program to the same public health department(s), except that the report(s) to the public health department(s) is not required if the health department states that it does not wish to receive such report. If it obtains names and addresses of environmental intervention blood lead level children from the public health department(s), the designated party shall match information on cases of environmental intervention blood lead levels with the names and addresses of families receiving tenant-based rental assistance, unless the public health department performs such a matching procedure. If a match occurs, the designated party shall carry out the requirements of this section.

§ 35.1320 Lead-based paint inspections and risk assessments.

(a) Lead-based paint inspections. Lead-based paint inspections shall be performed in accordance with methods and standards established either by a State or Indian tribe under a program authorized by EPA, or by EPA at 40 CFR 745.227(b), except that the definition of lead-based paint shall not include a loading (area concentration) or mass concentration greater than that in the definition at § 35.110 of this part.

(b) Risk assessments. (1) Risk assessments shall be performed in accordance with methods and standards established either by a State or Indian tribe under a program authorized by EPA, or by EPA at 40 CFR 745.227(d), and paragraph (b)(2) of this section.

(2) Risk assessors shall use levels defining dust-lead hazards and soil-lead hazards that are no greater than those promulgated by EPA pursuant to section 403 of the Toxic Substances Control Act (15 U.S.C. 2683), or, if such levels are not in effect, the following for dust or soil:

   (i) Dust. A dust-lead hazard shall be a dust-lead level equal to or greater than the applicable loading (area concentration), based on wipe samples, in the following table:

(B) For other areas, soil-lead hazards shall be bare soil that totals more than 9 square feet (0.8 square meters) per property with lead equal to or exceeding 2,000 micrograms per gram.

(3) Lead hazard screens shall be performed in accordance with the methods and standards established either by a State or Indian tribe under a program authorized by EPA, or by EPA at 40 CFR 745.227(c), and paragraph (b)(2) of...
Office of the Secretary, HUD § 35.1330

this section. If the lead hazard screen indicates the need for a follow-up risk assessment (e.g., if dust-lead measurements exceed the levels established for lead hazard screens in this section), a risk assessment shall be conducted in accordance with paragraphs (b)(1) and (b)(2) of this section. Dust, soil, and paint samples collected for the lead hazard screen may be used in the risk assessment. If the lead hazard screen does not indicate the need for a follow-up risk assessment, no further risk assessment is required.

(c) It is strongly recommended, but not required, that lead-based paint inspectors and risk assessors provide a summary of the results suitable for posting or distribution to occupants in compliance with §35.125.

§ 35.1325 Abatement.

Abatement shall be performed in accordance with methods and standards established either by a State or Indian tribe under a program authorized by EPA, or by EPA at 40 CFR 745.227(e), and shall be completed by achieving clearance in accordance with §35.1340. If encapsulation or enclosure is used as a method of abatement, ongoing lead-based paint maintenance activities shall be performed as required by the applicable subpart of this part in accordance with §35.1355. Abatement of an intact, factory-applied prime coating on metal surfaces is not required unless the surface is a friction surface.

§ 35.1330 Interim controls.

Interim controls of lead-based paint hazards identified in a risk assessment shall be conducted in accordance with the provisions of this section. Interim control measures include paint stabilization of deteriorated paint, treatments for friction and impact surfaces where levels of lead dust are above the levels specified in §35.1320, dust control, and lead-contaminated soil control. As provided by §35.155, interim controls may be performed in combination with, or be replaced by, abatement methods.

(a) General requirements. (1) Only those interim control methods identified as acceptable methods in a current risk assessment report shall be used to control identified hazards, except that, if only paint stabilization is required in accordance with subparts F, H, K or M of this part, it shall not be necessary to have conducted a risk assessment.

(2) Occupants of dwelling units where interim controls are being performed shall be protected during the course of the work in accordance with §35.1345.

(3) Clearance testing shall be performed at the conclusion of interim control activities in accordance with §35.1340.

(4) A person performing interim controls must be trained in accordance with 29 CFR 1926.59 and either be supervised by an individual certified as a lead-based paint abatement supervisor or have successfully completed one of the following courses:

(i) A lead-based paint abatement supervisor course accredited in accordance with 40 CFR 745.225;

(ii) A lead-based paint abatement worker course accredited in accordance with 40 CFR 745.225;

(iii) the Lead-Based Paint Maintenance Training Program, “Work Smart, Work Wet, and Work Clean to Work Lead Safe,” prepared by the National Environmental Training Association for EPA and HUD;

(iv) “The Remodeler’s and Renovator’s Lead-Based Paint Training Program,” prepared by HUD and the National Association of the Remodeling Industry; or

(v) Another course approved by HUD for this purpose after consultation with EPA.

(b) Paint stabilization. (1) Interim control treatments used to stabilize deteriorated lead-based paint shall be performed in accordance with the requirements of this section. Interim control treatments of intact, factory applied prime coatings on metal surfaces are not required. Finish coatings on such surfaces shall be treated by interim controls if those coatings contain lead-based paint.

(2) Any physical defect in the substrate of a painted surface or component that is causing deterioration of the surface or component shall be repaired before treating the surface or component. Examples of defective substrate conditions include dry-rot, rust, moisture-related defects, crumbling plaster, and missing siding or other
components that are not securely fastened.

(3) Before applying new paint, all loose paint and other loose material shall be removed from the surface to be treated. Acceptable methods for preparing the surface to be treated include wet scraping, wet sanding, and power sanding performed in conjunction with a HEPA filtered local exhaust attachment operated according to the manufacturer's instructions.

(4) Dry sanding or dry scraping is permitted only in accordance with §35.140(e) (i.e., for electrical safety reasons or for specified minor amounts of work).

(5) Paint stabilization shall include the application of a new protective coating or paint. The surface substrate shall be dry and protected from future moisture damage before applying a new protective coating or paint. All protective coatings and paints shall be applied in accordance with the manufacturer's recommendations.

(6) Paint stabilization shall incorporate the use of safe work practices in accordance with §35.1350.

c) Friction and impact surfaces. (1) Friction surfaces are required to be treated only if:
   (i) Lead dust levels on the nearest horizontal surface underneath the friction surface (e.g., the window sill, window trough, or floor) are equal to or greater than the standards specified in §35.1320(b);
   (ii) There is evidence that the paint surface is subject to abrasion; and
   (iii) Lead-based paint is known or presumed to be present on the friction surface.

   (2) Impact surfaces are required to be treated only if:
   (i) Paint on an impact surface is damaged or otherwise deteriorated;
   (ii) The damaged paint is caused by impact from a related building component (such as a door knob that knocks into a wall, or a door that knocks against its door frame); and
   (iii) Lead-based paint is known or presumed to be present on the impact surface.

   (3) Examples of building components that may contain friction or impact surfaces include the following:
      (i) Window systems;
      (ii) Doors;
      (iii) Stair treads and risers;
      (iv) Baseboards;
      (v) Drawers and cabinets; and
      (vi) Porches, decks, interior floors, and any other painted surfaces that are abraded, rubbed, or impacted.

   (4) Interim control treatments for friction surfaces shall eliminate friction points or treat the friction surface so that paint is not subject to abrasion. Examples of acceptable treatments include rehanging and/or planing doors so that the door does not rub against the door frame, and installing window channel guides that reduce or eliminate abrasion of painted surfaces. Paint on stair treads and floors shall be protected with a durable cover or coating that will prevent abrasion of the painted surfaces. Examples of acceptable materials include carpeting, tile, and sheet flooring.

   (5) Interim control treatments for impact surfaces shall protect the paint from impact. Examples of acceptable treatments include treatments that eliminate impact with the paint surface, such as a door stop to prevent a door from striking a wall or baseboard.

   (6) Interim control for impact or friction surfaces does not include covering such a surface with a coating or other treatment, such as painting over the surface, that does not protect lead-based paint from impact or abrasion.

d) Chewable surfaces. (1) Chewable surfaces are required to be treated only if there is evidence that a child of less than 6 years of age has chewed on the painted surface, and lead-based paint is known or presumed to be present on the surface.

   (2) Interim control treatments for chewable surfaces shall make the lead-based paint inaccessible for chewing by children of less than 6 years of age. Examples include enclosures or coatings that cannot be penetrated by the teeth of such children.

   (e) Dust-lead hazard control. (1) Interim control treatments used to control dust-lead hazards shall be performed in accordance with the requirements of this section. Additional information on dust removal is found in the HUD Guidelines, particularly Chapter 11 (see §35.1310).
Office of the Secretary, HUD § 35.1335

(2) Dust control shall involve a thorough cleaning of all horizontal surfaces, such as interior window sills, window troughs, floors, and stairs, but excluding ceilings. All horizontal surfaces, such as floors, stairs, window sills and window troughs, that are rough, pitted, or porous shall be covered with a smooth, cleanable covering or coating, such as metal coil stock, plastic, polyurethane, or linoleum.

(3) Surfaces covered by a rug or carpeting shall be cleaned as follows:

(i) The floor surface under a rug or carpeting shall be cleaned where feasible, including upon removal of the rug or carpeting, with a HEPA vacuum or other method of equivalent efficacy.

(ii) An unattached rug or an attached carpet that is to be removed, and padding associated with such rug or carpet, located in an area of the dwelling unit with dust-lead hazards on the floor, shall be thoroughly vacuumed with a HEPA vacuum or other method of equivalent efficacy. Protective measures shall be used to prevent the spread of dust during removal of a rug, carpet or padding from the dwelling. For example, it shall be misted to reduce dust generation during removal. The item(s) being removed shall be wrapped or otherwise sealed before removal from the worksite.

(iii) An attached carpet located in an area of the dwelling unit with dust-lead hazards on the floor shall be thoroughly vacuumed with a HEPA vacuum or other method of equivalent efficacy if it is not to be removed.

(f) Soil-lead hazards. (1) Interim control treatments used to control soil-lead hazards shall be performed in accordance with this section.

(2) Soil with a lead concentration equal to or greater than 5,000 µg/g of lead shall be abated in accordance with 40 CFR 745.227(e).

(3) Acceptable interim control methods for soil lead are impermanent surface coverings and land use controls.

(i) Impermanent surface coverings may be used to treat lead-contaminated soil if applied in accordance with the following requirements. Examples of acceptable impermanent coverings include gravel, bark, sod, and artificial turf.

(A) Impermanent surface coverings selected shall be designed to withstand the reasonably-expected traffic. For example, if the area to be treated is heavily traveled, neither grass or sod shall be used.

(B) When loose impermanent surface coverings such as bark or gravel are used, they shall be applied in a thickness not less than six inches deep.

(C) The impermanent surface covering material shall not contain more than 200 µg/g of lead.

(D) Adequate controls to prevent erosion shall be used in conjunction with impermanent surface coverings.

(ii) Land use controls may be used to reduce exposure to soil-lead hazards only if they effectively control access to areas with soil-lead hazards. Examples of land use controls include: fencing, warning signs, and landscaping.

(A) Land use controls shall be implemented only if residents have reasonable alternatives to using the area to be controlled.

(B) If land use controls are used for a soil area that is subject to erosion, measures shall be taken to contain the soil and control dispersion of lead.

§ 35.1335 Standard treatments.

Standard treatments shall be conducted in accordance with this section.

(a) Paint stabilization. All deteriorated paint on exterior and interior surfaces located on the residential property shall be stabilized in accordance with § 35.1330(a)(b), or abated in accordance with § 35.1325.

(b) Smooth and cleanable horizontal surfaces. All horizontal surfaces, such as uncarpeted floors, stairs, interior window sills and window troughs, that are rough, pitted, or porous, shall be covered with a smooth, cleanable covering or coating, such as metal coil stock, plastic, polyurethane, or linoleum.

(c) Correcting dust-generating conditions. Conditions causing friction or impact of painted surfaces shall be corrected in accordance with § 35.1330(c)(4)–(6).

(d) Bare residential soil. Bare soil shall be treated in accordance with the requirements of § 35.1330, unless it is found not to be a soil-lead hazard in accordance with § 35.1320(b).
§ 35.1340

(e) Safe work practices. All standard treatments described in paragraphs (a) through (d) of this section shall incorporate the use of safe work practices in accordance with §35.1350.

(f) Clearance. A clearance examination shall be performed in accordance with §35.1340 at the conclusion of any lead hazard reduction activities.

(g) Qualifications. An individual performing standard treatments must meet the training and/or supervision requirements of §35.1330(a)(4).

§ 35.1340 Clearance.

Clearance examinations required under subparts B, C, D, F through M, and R, of this part shall be performed in accordance with the provisions of this section.

(a) Clearance following abatement. Clearance examinations performed following abatement of lead-based paint or lead-based paint hazards shall be performed in accordance with 40 CFR 745.227(e) and paragraphs (c)–(f) of this section. Such clearances shall be performed by a person certified to perform risk assessments or lead-based paint inspections.

(b) Clearance following activities other than abatement. Clearance examinations performed following interim controls, paint stabilization, standard treatments, ongoing lead-based paint maintenance, or rehabilitation shall be performed in accordance with the requirements of this paragraph (b) and paragraphs (c)–(g) of this section.

1. Qualified personnel. Clearance examinations shall be performed by:
   (i) A certified risk assessor;
   (ii) A certified lead-based paint inspector;
   (iii) A person who has successfully completed a training course for clearance technicians (or a discipline of similar purpose and title) that is developed or accepted by EPA or a State or tribal program authorized by EPA pursuant to 40 CFR part 745, subpart Q, and that is given by a training provider accredited by EPA or a State or Indian tribe for training in lead-based paint inspection or risk assessment, provided a certified risk assessor or a certified lead-based paint inspector approves the work of the clearance technician and signs the report of the clearance examination; or
   (iv) A technician licensed or certified by EPA or a State or Indian tribe to perform clearance examinations without the approval of a certified risk assessor or certified lead-based paint inspector, provided that a clearance examination by such a licensed or certified technician shall be performed only for a single-family property or individual dwelling units and associated common areas in a multi-unit property, and provided further that a clearance examination by such a licensed or certified clearance technician shall not be performed using random sampling of dwelling units or common areas in multifamily properties, except that a clearance examination performed by such a licensed or certified clearance technician is acceptable for any residential property if the clearance examination is approved and the report signed by a certified risk assessor or a certified lead-based paint inspector.

2. Required activities. (i) Clearance examinations shall include a visual assessment, dust sampling, submission of samples for analysis for lead, interpretation of sampling results, and preparation of a report. Clearance examinations shall be performed in dwelling units, common areas and exterior areas in accordance with this section and the steps set forth at 40 CFR 745.227(e)(8). If clearance is being performed for more than 10 dwelling units of similar construction and maintenance, as in a multifamily property, random sampling for the purposes of clearance may be conducted in accordance with 40 CFR 745.227(e)(9).

(ii) The visual assessment shall be performed to determine if deteriorated paint surfaces and/or visible amounts of dust, debris, paint chips or other residue are still present. Both exterior and interior painted surfaces shall be examined for the presence of deteriorated paint. If deteriorated paint or visible dust, debris or residue are present in areas subject to dust sampling, they must be eliminated prior to the continuation of the clearance examination, except elimination of deteriorated paint is not required if it has been determined, through paint testing
or a lead-based paint inspection, that the deteriorated paint is not lead-based paint. If exterior painted surfaces have been disturbed by the hazard reduction, maintenance or rehabilitation activity, the visual assessment shall include an assessment of the ground and any outdoor living areas close to the affected exterior painted surfaces. Visible dust or debris in living areas shall be cleaned up and visible paint chips on the ground shall be removed.

(iii) Dust samples shall be wipe samples and shall be taken on floors and, where practicable, interior window sills and window troughs. Dust samples shall be collected and analyzed in accordance with §35.1315 of this part.

(iv) Clearance reports shall be prepared in accordance with paragraph (c) of this section.

(c) Clearance report. When clearance is required, the designated party shall ensure that a clearance report is prepared that provides documentation of the hazard reduction or maintenance activity as well as the clearance examination. When abatement is performed, the report shall be an abatement report in accordance with 40 CFR 745.227(e)(10). When another hazard reduction or maintenance activity requiring a clearance report is performed, the report shall include the following information:

(1) The address of the residential property and, if only part of a multifamily property is affected, the specific dwelling units and common areas affected.

(2) The following information on the clearance examination:

(i) The date(s) of the clearance examination;

(ii) The name, address, and signature of each person performing the clearance examination, including certification number;

(iii) The results of the visual assessment for the presence of deteriorated paint and visible dust, debris, residue or paint chips;

(iv) The results of the analysis of dust samples, in µg/sq.ft., by location of sample; and

(v) The name and address of each laboratory that conducted the analysis of the dust samples, including the identification number for each such laboratory recognized by EPA under section 405(b) of the Toxic Substances Control Act (15 U.S.C. 2605(b)).

(3) The following information on the hazard reduction or maintenance activity for which clearance was performed:

(i) The start and completion dates of the hazard reduction or maintenance activity;

(ii) The name and address of each firm or organization conducting the hazard reduction or maintenance activity and the name of each supervisor assigned;

(iii) A detailed written description of the hazard reduction or maintenance activity, including the methods used, locations of exterior surfaces, interior rooms, common areas, and/or components where the hazard reduction activity occurred, and any suggested monitoring of encapsulants or enclosures; and

(iv) If soil hazards were reduced, a detailed description of the location(s) of the hazard reduction activity and the method(s) used.

(d) Standards. The clearance standards in §35.1320(b)(2) shall apply. If test results equal or exceed the standards, the dwelling unit, worksite, or common area represented by the sample fails the clearance examination.

(e) Clearance failure. All surfaces represented by a failed clearance sample shall be recleaned or treated by hazard reduction, and retested, until the applicable clearance level in §35.1320(b)(2) is met.

(f) Independence. Clearance examinations shall be performed by persons or entities independent of those performing hazard reduction or maintenance activities, unless the designated party uses qualified in-house employees to conduct clearance. An in-house employee shall not conduct both a hazard reduction or maintenance activity and its clearance examination.

(g) Worksite clearance. When clearance is of an interior worksite, not an entire dwelling unit or residential property, dust samples taken for paragraph (b) of this section shall be taken from the floor and window (if available) to represent the area within the dust containment area. Clearance is not required if maintenance or hazard reduction activities in the worksite do not
§ 35.1345 Occupant protection and worksite preparation.

This section establishes procedures for protecting dwelling unit occupants and the environment from contamination from lead-contaminated or lead-containing materials during hazard reduction activities.

(a) Occupant protection. (1) Occupants shall not be permitted to enter the worksite during hazard reduction activities (unless they are employed in the conduct of these activities at the worksite), until after hazard reduction work has been completed and clearance, if required, has been achieved.

(2) Occupants shall be temporarily relocated before and during hazard reduction activities to a suitable, decent, safe, and similarly accessible dwelling unit that does not have lead-based paint hazards, except if:

(i) Treatment will not disturb lead-based paint, dust-lead hazards or soil-lead hazards;

(ii) Only the exterior of the dwelling unit is treated, and windows, doors, ventilation intakes and other openings in or near the worksite are sealed during hazard control work and cleaned afterward, and entry free of dust-lead hazards, soil-lead hazards, and debris is provided;

(iii) Treatment of the interior will be completed within one period of 8-day-time hours, the worksite is contained so as to prevent the release of leaded dust and debris into other areas, and treatment does not create other safety, health or environmental hazards (e.g., exposed live electrical wiring, release of toxic fumes, or on-site disposal of hazardous waste); or

(iv) Treatment of the interior will be completed within 5 calendar days, the worksite is contained so as to prevent the release of leaded dust and debris into other areas, treatment does not create other safety, health or environmental hazards; and, at the end of work on each day, the worksite and the area within at least 10 feet (3 meters) of the containment area is cleaned to remove any visible dust or debris, and occupants have safe access to sleeping areas, and bathroom and kitchen facilities.

(3) The dwelling unit and the worksite shall be secured against unauthorized entry, and occupants' belongings protected from contamination by dust-lead hazards and debris during hazard reduction activities. Occupants' belongings in the containment area shall be relocated to a safe and secure area outside the containment area, or covered with an impermeable covering with all seams and edges taped or otherwise sealed.

(b) Worksite preparation. (1) The worksite shall be prepared to prevent the release of leaded dust, and contain lead-based paint chips and other debris from hazard reduction activities within the worksite until they can be safely removed. Practices that minimize the spread of leaded dust, paint chips, soil and debris shall be used during worksite preparation.

(2) A warning sign shall be posted at each entry to a room where hazard reduction activities are conducted when occupants are present; or at each main and secondary entryway to a building from which occupants have been relocated; or, for an exterior hazard reduction activity, where it is easily read 20 feet (6 meters) from the edge of the hazard reduction activity worksite. Each warning sign shall be as described in 29 CFR 1926.62(m), except that it shall be posted irrespective of employees' lead exposure and, to the extent practicable, provided in the occupants' primary language.

§ 35.1350 Safe work practices.

(a) Prohibited methods. Methods of paint removal listed in §35.140 shall not be used.

(b) Occupant protection and worksite preparation. Occupants and their belongings shall be protected, and the worksite prepared, in accordance with §35.1345.

(c) Specialized cleaning. After hazard reduction activities have been completed, the worksite shall be cleaned using cleaning methods, products, and devices that are successful in cleaning up dust-lead hazards, such as a HEPA vacuum or other method of equivalent efficacy, and lead-specific detergents or equivalent.
(d) De minimis levels. Safe work practices are not required when maintenance or hazard reduction activities do not disturb painted surfaces that total more than:

(1) 20 square feet (2 square meters) on exterior surfaces;
(2) 2 square feet (0.2 square meters) in any one interior room or space; or
(3) 10 percent of the total surface area on an interior or exterior type of component with a small surface area. Examples include window sills, baseboards, and trim.

§ 35.1355 Ongoing lead-based paint maintenance and reevaluation activities.

(a) Maintenance. Maintenance activities shall be conducted in accordance with paragraphs (a)(2)–(6) of this section, except as provided in paragraph (a)(1) of this section.

(1) Maintenance activities need not be conducted in accordance with this section if both of the following conditions are met, as applicable:

(i) Either a lead-based paint inspection indicates that no lead-based paint is present in the dwelling units, common areas, and on exterior surfaces, or a clearance report prepared in accordance with § 35.1340(a) indicates that all lead-based paint has been removed; and
(ii) If a risk assessment is required by the applicable subpart of this part, a current risk assessment indicates that no soil-lead hazards and no dust-lead hazards are present.

(2) A visual assessment for deteriorated paint, bare soil, and the failure of any hazard reduction measures shall be performed at unit turnover and every twelve months.

(3) (i) Deteriorated paint. All deteriorated paint on interior and exterior surfaces located on the residential property shall be stabilized in accordance with § 35.1330(a)(b), except for any paint that an evaluation has found is not lead-based paint.

(ii) Bare soil. All bare soil shall be treated with standard treatments in accordance with § 35.1335(d) through (g), or interim controls in accordance with § 35.1330(a) and (f); except for any bare soil that a current evaluation has found is not a soil-lead hazard.

(4) Safe work practices, in accordance with sec. 35.1350, shall be used when performing any maintenance or renovation work that disturbs paint that may be lead-based paint.

(5) Any encapsulation or enclosure of lead-based paint or lead-based paint hazards which has failed to maintain its effectiveness shall be repaired, or abatement or interim controls shall be performed in accordance with §§ 35.1325 or 35.1330, respectively.

(6) Clearance testing of the worksite shall be performed at the conclusion of repair, abatement or interim controls in accordance with §35.1340.

(7) Each dwelling unit shall be provided with written notice asking occupants to report deteriorated paint and, if applicable, failure of encapsulation or enclosure, along with the name, address and telephone number of the person whom occupants should contact. The language of the notice shall be in accordance with §35.125(c)(3). The designated party shall respond to such report and stabilize the deteriorated paint or repair the encapsulation or enclosure within 30 days.

(b) Reevaluation. Reevaluation shall be conducted in accordance with this paragraph (b), and the designated party shall conduct interim controls of lead-based paint hazards found in the reevaluation.

(1) Reevaluation shall be conducted if hazard reduction has been conducted to reduce lead-based paint hazards found in a risk assessment or if standard treatments have been conducted, except that reevaluation is not required if any of the following cases are met:

(i) An initial risk assessment found no lead-based paint hazards;

(ii) A lead-based paint inspection found no lead-based paint; or

(iii) All lead-based paint was abated in accordance with § 35.1325, provided that no failures of encapsulations or enclosures have been found during visual assessments conducted in accordance with §35.1355(a)(2) or during other observations by maintenance and repair workers in accordance with §35.1355(a)(5) since the encapsulations or inclosures were performed.

(2) Reevaluation shall be conducted to identify:
§ 35.1355

(i) Deteriorated paint surfaces with known or suspected lead-based paint;
(ii) Deteriorated or failed interim controls of lead-based paint hazards or encapsulation or enclosure treatments;
(iii) Dust-lead hazards; and
(iv) Soil that is newly bare with lead levels equal to or above the standards in § 35.1320(b)(2).

(3) Each reevaluation shall be performed by a certified risk assessor.

(4) Each reevaluation shall be conducted in accordance with the following schedule if a risk assessment or other evaluation has found deteriorated lead-based paint in the residential property, a soil-lead hazard, or a dust-lead hazard on a floor or interior window sill. (Window troughs are not sampled during reevaluation). The first reevaluation shall be conducted no later than two years from completion of hazard reduction. Subsequent reevaluation shall be conducted at intervals of two years, plus or minus 60 days. To be exempt from additional reevaluation, at least two consecutive reevaluations conducted at such two-year intervals must be conducted without finding lead-based paint hazards or a failure. If, however, a reevaluation finds lead-based paint hazards or a failure, at least two more consecutive reevaluations conducted at such two year intervals must be conducted without finding lead-based paint hazards or a failure.

(5) Each reevaluation shall include reviewing available information, conducting selected visual assessment, recommending responses to hazard reduction omissions or failures, performing selected evaluation of paint, soil and dust, and recommending response to newly-found lead-based paint hazards.

(i) Review of available information. The risk assessor shall review any available past evaluation, hazard reduction and clearance reports, and any other available information describing hazard reduction measures, ongoing maintenance activities, and relevant building operations.

(ii) Visual assessment. The risk assessor shall:

(A) Visually evaluate all lead-based paint hazard reduction treatments, any known or suspected lead-based paint, any deteriorated paint, and each exterior site, and shall identify any new areas of bare soil;

(B) Determine acceptable options for controlling the hazard; and

(C) Await the correction of any hazard reduction omission or failure and the reduction of any lead-based paint hazard before sampling any dust or soil the risk assessor determines may reasonably be associated with such hazard.

(iii) Reaction to hazard reduction omission or failure. If any hazard reduction control has not been implemented or is failing (e.g., an encapsulant is peeling away from the wall, a paint-stabilized surface is no longer intact, or gravel covering an area of bare soil has worn away), or deteriorated lead-based paint is present, the risk assessor shall:

(A) Determine acceptable options for controlling the hazard; and

(B) Await the correction of any hazard reduction omission or failure and the reduction of any lead-based paint hazard before sampling any dust or soil the risk assessor determines may reasonably be associated with such hazard.

(iv) Selected paint, soil and dust evaluation. (A) The risk assessor shall sample deteriorated paint surfaces identified during the visual assessment and have the samples analyzed, in accordance with 40 CFR 745.227(b)(3)(4), but only if reliable information about lead content is unavailable.

(B) The risk assessor shall evaluate new areas of bare soil identified during the visual assessment. Soil samples shall be collected and analyzed in accordance with 40 CFR 745.227(d)(8), but only if the soil lead levels have not been previously measured.
The risk assessor shall take selected dust samples and have them analyzed. Dust samples shall be collected and analyzed in accordance with § 35.1320(b). At least two composite samples, one from floors and the other from interior window sills, shall be taken in each dwelling unit and common area selected. Each composite sample shall consist of four individual samples, each collected from a different room or area. If the dwelling unit contains both carpeted and uncarpeted living areas, separate floor samples are required from the carpeted and uncarpeted areas. Equivalent single-surface sampling may be used instead of composite sampling.

(7) The risk assessor shall provide the designated party with a written report documenting the presence or absence of lead-based paint hazards, the current status of any hazard reduction and standard treatment measures used previously and any newly-conducted evaluation and hazard reduction activities. The report shall include the information in 40 CFR 745.227(d)(11), and shall:
(i) Identify any lead-based paint hazards previously detected and discuss the effectiveness of any hazard reduction or standard treatment measures used, and list those for which no measures have been used.
(ii) Describe any new hazards found and present the owner with acceptable control options and their accompanying reevaluation schedules.
(iii) Identify when the next reevaluation, if any, must occur, in accordance with the requirements of paragraph (b)(4) of this section.
(c) Response to the reevaluation. (1) Hazard reduction omission or failure found by a reevaluation. The designated party shall respond in accordance with paragraph (b)(6)(iii)(A) of this section to a report by the risk assessor of a hazard reduction control that has not been implemented or is failing, or that deteriorated lead-based paint is present.
(2) Newly-identified lead-based paint hazard found by a reevaluation. The designated party shall treat each:
(i) Dust-lead hazard or paint lead hazard by cleaning or hazard reduction measures, which are considered completed when clearance is achieved in accordance with § 35.1340.
(ii) Soil-lead hazard by hazard reduction measures, which are considered completed when clearance is achieved in accordance with § 35.1340.

§ 41.3 Assurance and declaration required.

(a) Each Assistant Secretary shall, as a condition for approval of any contract or application for assistance under a program imposing standards and/or requirements for accessibility which are subject to this part, require an assurance of compliance with those standards and requirements. Such assurance shall be in a form acceptable to the Secretary.

(b) For each project covered under this part, except a project subject to Departmental examinations and inspections as set forth in §41.5(a), the responsible Assistant Secretary shall require a declaration as to project drawings, specifications, and other construction documents. The declaration shall be signed by the licensed, or registered, architect or engineer, or by such other responsible official as designated by HUD, who has prepared such construction documents. The investigation should include a determination of the authority under which the standards or requirements were imposed and, where appropriate, a review of the records kept pursuant to

§ 41.5 (c) Upon the recommendation of an Assistant Secretary, a waiver or modification for nonresidential buildings or facilities may be granted only by the Administrator, General Services Administration.

(d) No request for a waiver or modification shall be recommended for approval by an Assistant Secretary or approved by the Secretary unless the following criteria obtain:

1. The granting of the waiver or modification is based upon findings of fact, and is not inconsistent with the provisions of the Architectural Barriers Act, and

2. Application of the requirement or standard would adversely affect the purposes of the Departmental program under which the loan or grant is being provided or for which the building or facility is being leased.

(e) Requests for a waiver or modification shall be submitted to the appropriate Assistant Secretary for review. Each request shall include:

7. A description of the steps taken, or to be taken, to comply with standards and requirements for which a waiver or modification is not being requested.

8. Such other information as the requestor or the responsible Assistant Secretary deems appropriate or necessary.

(f) If the responsible Assistant Secretary finds that the criteria of paragraph (d) of this section are satisfied, then he or she shall submit the request along with his or her recommendations to the Secretary for action or for referral to the Administrator, General Services Administration for action. In reviewing request for waiver and modifications, the Secretary shall assure consistent Department policy regarding the removal of architectural barriers and accessibility by physically handicapped persons.

(g) All waivers and modifications granted pursuant to this part shall have only future effect on; and are limited to cases for which the request is made.

If such data are not available at the time of the general submission, the submission shall identify the general location on an area map and the approximate number of dwelling units by size, and information identifying the specific location and number of dwelling units by size shall be submitted and disclosed to the public as soon as it is available;
(5) The source of funding and a time schedule for the provision of replacement dwelling units;
(6) The basis for concluding that each replacement dwelling unit will remain a lower-income dwelling unit for at least 10 years from the date of initial occupancy; and
(7) Information demonstrating that any proposed replacement of dwelling units with smaller dwelling units (e.g., a 2-bedroom unit with two 1-bedroom units) is consistent with the needs assessment contained in its HUD-approved consolidated plan. A unit of general local government funded by the State that is not required to submit a consolidated plan to HUD must make public information demonstrating that the proposed replacement is consistent with the housing needs of lower-income households in the jurisdiction.

(d) Replacement not required. (1) In accordance with 42 U.S.C. 5304(d)(3), the one-for-one replacement requirement of this section does not apply to the extent the HUD field office determines, based upon objective data, that there is an adequate supply of vacant lower-income dwelling units in standard condition available on a nondiscriminatory basis within the area.

(2) The recipient must submit directly to the HUD field office the request for determination that the one-for-one replacement requirement does not apply. Simultaneously with the submission of the request, the recipient must make the submission public and inform interested persons that they have 30 days from the date of submission to provide to HUD additional information supporting or opposing the request.

(3) A unit of general local government funded by the State must submit the request for determination under this paragraph to the State. Simultaneously with the submission of the request, the unit of general local government must make the submission public and inform interested persons that they have 30 days from the date of submission to provide to the State additional information supporting or opposing the request. If the State, after considering the submission and the additional data, agrees with the request, the State must provide its recommendation with supporting information to the field office.

§ 42.390 Appeals.

A person who disagrees with the recipient’s determination concerning whether the person qualifies as a “displaced person,” or with the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the recipient. A person who is dissatisfied with the recipient’s determination on
his or her appeal may submit a written request for review of that determination to the HUD field office (or to the State in the case of a unit of general local government funded by the State). If the full relief is not granted, the recipient shall advise the person of his or her right to seek judicial review.

Subpart A—General: Federal Laws and Authorities

§50.1 Purpose, authority, and applicability.

(a) This part implements the policies of the National Environmental Policy Act (NEPA) and other environmental requirements (as specified in §50.4).

(c) The regulations issued by CEQ at 40 CFR parts 1500–1508 establish the basic procedural requirements for compliance with NEPA. These procedures are to be followed by all Federal agencies and are incorporated by reference into this part. This part, therefore, provides supplemental instructions to reflect the particular nature of HUD programs, and is to be used in tandem with 40 CFR parts 1500–1508 and regulations that implement authorities cited at §50.4.

(d) These regulations apply to all HUD policy actions (as defined in §50.16), and to all HUD project actions (see §50.2(a)(2)). Also, they apply to projects and activities carried out by recipients subject to environmental policy and procedures of 24 CFR part 58, when the recipient that is regulated under 24 CFR part 58 claims the lack of legal capacity to assume the Secretary’s environmental review responsibilities and the claim is approved by
§ 50.3 Environmental policy.

(a) It is the policy of the Department to reject proposals which have significant adverse environmental impacts and to encourage the modification of projects in order to enhance environmental quality and minimize environmental harm.

(b) The HUD approving official shall consider environmental and other departmental objectives in the decision-making process.

(c) When EA's or EIS's or reviews under §50.4 reveal conditions or safeguards that should be implemented once a proposal is approved in order to protect and enhance environmental quality or minimize adverse environmental impacts, such conditions or safeguards must be included in agreements or other relevant documents.

(d) A systematic, interdisciplinary approach shall be used to assure the integrated use of the natural and social sciences and the environmental design arts in making decisions.

(e) Environmental impacts shall be evaluated on as comprehensive a scale as is practicable.

(f) HUD offices shall begin the environmental review process at the earliest possible time so that potential conflicts between program procedures and environmental requirements are identified at an early stage.

(g) Applicants for HUD assistance shall be advised of environmental requirements and consultation with governmental agencies and individuals shall take place at the earliest time feasible.

(h) For HUD grant programs in which the funding approval for an applicant's program must occur before the applicant's selection of properties, the application shall contain an assurance that the applicant agrees to assist HUD to comply with this part and that the applicant shall:

(1) Supply HUD with all available, relevant information necessary for HUD to perform for each property any environmental review required by this part;

(2) Carry out mitigating measures required by HUD or select alternate eligible property; and

(3) Not acquire, rehabilitate, convert, lease, repair or construct property, nor commit or expend HUD or local funds for these program activities with respect to any eligible property, until HUD approval of the property is received.

(i)(1) It is HUD policy that all property proposed for use in HUD programs be free of hazardous materials, contamination, toxic chemicals and gases, and radioactive substances, where
§ 50.4

a hazard could affect the health and safety of occupants or conflict with the intended utilization of the property.

(2) HUD environmental review of multifamily and non-residential properties shall include evaluation of previous uses of the site and other evidence of contamination on or near the site, to assure that occupants of proposed sites are not adversely affected by the hazards listed in paragraph (i)(1) of this section.

(3) Particular attention should be given to any proposed site on or in the general proximity of such areas as dumps, landfills, industrial sites or other locations that contain hazardous wastes.

(4) HUD shall require the use of current techniques by qualified professionals to undertake investigations determined necessary.

§ 50.4 Related Federal laws and authorities.

HUD and/or applicants must comply, where applicable, with all environmental requirements, guidelines and statutory obligations under the following authorities and HUD standards:

(3) Executive Order 11990 (Protection of Wetlands), (3 CFR, 1977 Comp., p. 121).

(c) Coastal areas protection and management. (1) The Coastal Barrier Resources Act, as amended by the Coastal Barrier Improvement Act of 1990 (16 U.S.C. 3501 et seq.).

(g) Water quality. The Federal Water Pollution Control Act, as amended by the Federal Water Pollution Control Act Amendments of 1972 (33 U.S.C. 1251 et seq.), and later enactments.

(h) Air quality. The Clean Air Act (42 U.S.C. 7401 et seq.), as amended. (See 40 CFR parts 6, 51, and 93.)

(k) HUD environmental standards. Applicable criteria and standards specified in HUD environmental regulations (24 CFR part 51).

Subpart B—General Policy: Responsibilities and Program Coverage

§ 50.10 Basic environmental responsibility.

(a) It is the responsibility of all Assistant Secretaries, the General Counsel, and the HUD approving official to
§ 50.17 Decision points for projects.

Either an EA and FONSI or an EIS for individual projects shall be completed before the applicable program decision points below for projects not meeting the criteria of §50.20. Compliance with applicable authorities cited in §50.4 shall be completed before the applicable program decision points below unless the project meets the criteria for exclusion under §50.19.

(a) New Construction. (1) Project mortgage insurance or other financial assistance for multifamily housing projects (including sections 202 and 811), nursing homes, hospitals, group practice facilities and manufactured home parks: Issuance of Site Appraisal and Market Analysis (SAMAX) Letter or initial equivalent indication of HUD approval of a specific site;

(2) Public Housing: HUD approval of the proposal.

(3) Loan Guarantee Recovery Fund Program (24 CFR part 573). HUD issuance of a letter of commitment or initial equivalent indication of HUD approval.

(b) Rehabilitation projects. Use the decision points under “new construction” for HUD programs cited in paragraph (a) of this section; otherwise the decision point is the HUD project approval.

(c) Public housing modernization programs. HUD approval of the modernization grants.

(d) Property Disposition. Multifamily structures, college housing, nursing homes, manufactured homes and parks, group practice facilities, vacant land and one to four family structures: HUD approval of the Disposition Program.

(e) HUD programs subject to 24 CFR part 58. For cases in which HUD exercises environmental responsibility under this part where a recipient lacks legal capacity to do so or HUD determines to do so in place of a non-recipient responsible entity under 24 CFR part 58 (see §50.1(d)), the decision point is: HUD’s execution of an agreement or contract, whichever comes first, or in the case of Section 8 Project-Based Certificate Assistance and Moderate Rehabilitation, HUD notification to the Public Housing Agency to proceed with execution of an Agreement to Enter into Housing Assistance Payments (HAP) Contract.
§ 50.18  
(f) Section 50.3(h). Notwithstanding the other paragraphs of this section, the decision point for grant programs in which HUD approval of funding for an applicant’s program must occur before the applicant’s selection of properties for use in its program is: HUD approval of specific properties.

(g) Stewart B. McKinney Homeless Assistance Act Programs. Where the recipients are nonprofit organizations or governmental entities with special or limited purpose powers, the decision point is: HUD project approval.

(h) Programs not specifically covered in this section. Consult with the AS/CPD for decision points.

Subpart D—General Policy: Environmental Review Procedures

§ 50.18 General.

HUD may, from time to time, complete programmatic reviews that further avoid the necessity of complying with the laws and authorities in §50.4 on a property-by-property basis.

§ 50.19 Categorical exclusions not subject to the Federal laws and authorities cited in §50.4.

(a) General. The activities and related approvals of policy documents listed in paragraphs (b) and (c) of this section are not subject to the individual compliance requirements of the Federal laws and authorities cited in §50.4, unless otherwise indicated below. These activities and approvals of policy documents are also categorically excluded from the EA required by NEPA except in extraordinary circumstances (§50.20(d)). HUD approval or implementation of these categories of activities and policy documents does not require environmental review, because they do not alter physical conditions in a manner or to an extent that would require review under NEPA or the other laws and authorities cited at §50.4.

(b) Activities. (1) Environmental and other studies, resource identification and the development of plans and strategies.

(2) Information and financial advisory services.

(3) Administrative and management expenses.

(4) Public services that will not have a physical impact or result in any physical changes, including but not limited to services concerned with employment, crime prevention, child care, health, drug abuse, education, counseling, energy conservation and welfare or recreational needs.

(5) Inspections and testing of properties for hazards or defects.

(6) Purchase of insurance.

(7) Purchase of tools.

(8) Engineering or design costs.

(9) Technical assistance and training.

(10) Assistance for temporary or permanent improvements that do not alter environmental conditions and are limited to protection, repair or restoration activities necessary only to control or arrest the effects from disasters or imminent threats to public safety including those resulting from physical deterioration.

(11) Tenant-based rental assistance.

(12) Supportive services including, but not limited to, health care, housing services, permanent housing placement, day care, nutritional services, short-term payments for rent/mortgage/utility costs, and assistance in gaining access to local, State, and Federal government benefits and services.

(13) Operating costs including maintenance, security, operation, utilities, furnishings, equipment, supplies, staff training and recruitment and other incidental costs; however, in the case of equipment, compliance with §50.4(b)(1) is required.

(14) Economic development activities, including but not limited to, equipment purchase, inventory financing, interest subsidy, operating expenses and similar costs not associated with construction or physical expansion of existing facilities; however, in the case of equipment purchase, compliance with §50.4(b)(1) is required.

(15) Activities to assist homeownership of existing dwelling units, including closing costs and down payment assistance to home buyers, interest buydowns and similar activities that result in the transfer of title to a property; however, compliance with §§50.4(b)(1) and (c)(1) and 51.303(a)(3) is required.

(16) Housing pre-development costs including legal, consulting, developer
and other costs related to site options, project financing, administrative costs and fees for loan commitments, zoning approvals, and other related activities which do not have a physical impact.

(17) HUD’s insurance of one-to-four family mortgages under the Direct Endorsement program, the insurance of one-to-four family mortgages under the Lender Insurance program, and HUD’s guarantee of loans for one-to-four family dwellings under the Direct Guarantee procedure for the Indian Housing loan guarantee program, without any HUD review or approval before the completion of construction or rehabilitation and the loan closing; and HUD’s acceptance for insurance of loans insured under Title I of the National Housing Act; however, compliance with §§50.4(b)(1) and (c)(1) and 24 CFR 51.303(a)(3) is required.

(18) HUD’s endorsement of one-to-four family mortgage insurance for proposed construction under Improved Area processing; however, the Appraiser/Review Appraiser Checksheet (Form HUD-54891) must be completed.

(19) Activities of the Government National Mortgage Association under Title III of the National Housing Act (12 U.S.C. 1716 et seq.).

(20) Activities under the Interstate Land Sales Full Disclosure Act (15 U.S.C. 1701 et seq.).

(21) Refinancing of HUD-insured mortgages that will not allow new construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance; however, compliance with §50.4(b)(1) is required.

(22) Approval of the sale of a HUD-held mortgage.

(23) Approval of the foreclosure sale of a property with a HUD-held mortgage; however, appropriate restrictions will be imposed to protect historic properties.

(24) HUD guarantees under the Loan Guarantee Recovery Fund Program (24 CFR part 573) of loans that refinance existing loans and mortgages, where any new construction or rehabilitation financed by the existing loan or mortgage has been completed prior to the filing of an application under the program, and the refinancing will not allow further construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance; however, compliance with §§50.4(b)(1) and (c)(1) and 51.303(a) is required.

(c) Approval of policy documents. (1) Approval of rules and notices proposed for publication in the Federal Register or other policy documents that do not:

(i) Direct, provide for assistance or loan and mortgage insurance for, or otherwise govern or regulate, real property acquisition, disposition, leasing (other than tenant-based rental assistance), rehabilitation, alteration, demolition, or new construction; or

(ii) Establish, revise, or provide for standards for construction or construction materials, manufactured housing, or occupancy.

(2) Approval of policy documents that amend an existing document where the existing document as a whole would not fall within an exclusion in this paragraph (c) but the amendment by itself would do so;

(3) Approval of policy documents that set out fair housing or nondiscrimination standards or enforcement procedures or provide for assistance in promoting or enforcing fair housing or non-discrimination;

(4) Approval of handbooks, notices and other documents that provide operating instructions and procedures in connection with activities under a Federal Register document that has previously been subject to a required environmental review.

(5) Approval of a Notice of Funding Availability (NOFA) that provides funding under, and does not alter any environmental requirements of, a regulation or program guideline that was previously published in the Federal Register, provided that

(i) The NOFA specifically refers to the environmental review provisions of the regulation or guideline; or

(ii) The regulation or guideline contains no environmental review provisions because it concerns only activities listed in paragraph (b) of this section.

(6) Statutorily required and/or discretionary establishment and review of interest rates, loan limits, building cost limits, prototype costs, fair market
§ 50.20 Categorical exclusions subject to the Federal laws and authorities cited in § 50.4.

(a) The following actions, activities and programs are categorically excluded from the NEPA requirements of this part. They are not excluded from individual compliance requirements of other environmental statutes, Executive orders and HUD standards cited in § 50.4, where appropriate. Form HUD-4128 shall be used to document compliance. Where the responsible official determines that any item identified below may have an environmental effect because of extraordinary circumstances (40 CFR 1508.4), the requirements of NEPA shall apply (see paragraph (b) of this section).

(1) Special projects directed to the removal of material and architectural barriers that restrict the mobility of and accessibility to elderly and persons with disabilities.

(2) Rehabilitation of structures when the following conditions are met:
   (i) In the case of residential buildings, the unit density is not changed more than 20 percent;
   (ii) The project does not involve changes in land use (from non-residential to residential or from residential to non-residential); and
   (iii) The estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation.

(3) An individual action on a one- to four-family dwelling or an individual action on a project of five or more units developed on scattered sites when the sites are more than 2,000 feet apart and there are not more than four units on any one site.

(4) Acquisition or disposition of, or equity loans on, an existing structure.

(5) Purchased or refinanced housing and medical facilities under section 223(f) of the National Housing Act (12 U.S.C. 1715n).

(6) Mortgage prepayments or plans of action (including incentives) under 24 CFR part 248.

(b) For categorical exclusions having the potential for significant impact because of extraordinary circumstances, HUD must prepare an EA in accordance with subpart E. If it is evident without preparing an EA that an EIS is required pursuant to § 50.42, HUD should proceed directly to the preparation of an EIS in accordance with subpart F.

§ 50.21 Aggregation.

Activities which are geographically related and are logical parts of a composite of contemplated HUD projects shall be evaluated together.

§ 50.22 Environmental management and monitoring.

An Environmental Management and Monitoring Program shall be established prior to project approval when it is deemed necessary by the HUD approving official. The program shall be part of the approval document and must:

(a) Be concurred in by the Field Environmental Clearance Officer (FECO) (in the absence of a FECO, by the Program Environmental Clearance Officer in Headquarters) and any cooperating agencies;

(b) Contain specific standards, safeguards and commitments to be completed during project implementation;

(c) Identify the staff who will be responsible for the post-approval inspection; and

(d) Specify the time periods for conducting the evaluation and monitoring the applicant's compliance with the project agreements.

§ 50.23 Public participation.

HUD shall inform the affected public about NEPA-related hearings, public meetings, and the availability of environmental documents (see 40 CFR 1506.6(b)) in accordance with this section. Where project actions result in a FONSI, the FONSI will be available in
the project file. The local HUD field office may be contacted by persons who wish to review the FONSI. In all cases, HUD shall mail notices to those who have requested them. Additional efforts for involving the public in specific notice or compliance requirements shall be made in accord with the implementing procedures of the laws and authorities cited in §50.4. Notices pertaining to an EIS or an amendment to an EIS or a FONSI subject to §50.34 shall be given to the public in accordance with paragraphs (a) through (d) of this section.

(a) A NOI/EIS shall be forwarded to the AS/CPD to the attention of the Departmental Environmental Clearance Officer for publication in the Federal Register.

(b) Notices will be bilingual if the affected public includes a significant portion of non-English speaking persons and will identify a date when the official public involvement element of the proposed action is to be completed and HUD internal processing is to continue.

(c) All required notices shall be published in an appropriate local printed news medium, and sent to individuals and groups known to be interested in the proposed action.

(d) All notices shall inform the public where additional information may be obtained.

§ 50.24 HUD review of another agency's EIS.

Where another agency's EIS is referred to the HUD Field Office in whose jurisdiction the project is located, the Field Environmental Clearance Officer shall determine whether HUD has an interest in the EIS and, if so, will review and comment. Any EIS received from another Federal agency requesting comment on legislative proposals, regulations, or other policy documents shall be sent to the AS/CPD for comment, and the AS/CPD shall provide the General Counsel the opportunity for comment.

Subpart E—Environmental Assessments and Related Reviews

§ 50.31 The EA.

(a) Form HUD-4128—Environmental Assessment and Compliance Findings for the Related Laws—is the EA form to be used for analysis and documentation by HUD for projects and activities under subpart E. The Departmental Environmental Clearance Officer shall approve the issuance of equivalent formats, if Form HUD-4128 does not meet specific program needs.

(b) The program representative shall obtain interdisciplinary assistance from professional experts and other HUD staff as needed. Additional information may also be requested of the sponsor/applicant. HUD is responsible for assessing and documenting the extent of the environmental impact.

§ 50.32 Responsibility for environmental processing.

The program staff in the HUD office responsible for processing the project application or recommending a policy action is responsible for conducting the compliance finding, EA, or EIS. The collection of data and studies as part of the information contained in the environmental review may be done by an applicant or the applicant's contractor. The HUD program staff may use any information supplied by the applicant or contractor, provided HUD independently evaluates the information, will be responsible for its accuracy, supplements the information, if necessary, to conform to the requirements of this part, and prepares the environmental finding. Assessments for projects over 200 lots/dwelling units or beds shall be sent to the Field Environmental Clearance Officer (FECO) or, in the absence of a FECO, to the Program Environmental Clearance Officer in Headquarters for review and comment.

§ 50.33 Action resulting from the assessment.

(a) A proposal may be accepted without modifications if the EA indicates that the proposal will not significantly (see 40 CFR 1508.27) affect the quality of the human environment and a FONSI is prepared.

(b) A proposal may be accepted with modifications provided that:

(1) Changes have been made that would reduce adverse environmental impact to acceptable and insignificant levels; and
§ 50.34 Time delays for exceptional circumstances.

(a) Under the circumstances described in this section, the FONSI must be made available for public review for 30 calendar days before a final decision is made to prepare an EIS and before the HUD action is taken. The circumstances are:

1. When the proposed action is, or is closely similar to, one which normally requires the preparation of an EIS pursuant to § 50.42(b) but it is determined, as a result of an EA or in the course of preparation of a draft EIS, that the proposal will not have a significant impact on the human environment; or
2. When the nature of the proposed action is without precedent and does not appear to require more than an assessment.

(b) In such cases, the FONSI must be concurred in by the AS/CPD and the Program Environmental Clearance Officer. Notice of the availability of the FONSI shall be given to the public in accordance with paragraphs (a) through (d) of § 50.23.

§ 50.35 Use of prior environmental assessments.

When other Federal, State, or local agencies have prepared an EA or other environmental analysis for a proposed HUD project, these documents should be requested and used to the extent possible. HUD must, however, conduct the environmental analysis and prepare the EA and be responsible for the required environmental finding.

24 CFR Subtitle A (4–1–00 Edition)

§ 50.36 Updating of environmental reviews.

The environmental review must be re-evaluated and updated when the basis for the original environmental or compliance findings is affected by a major change requiring HUD approval in the nature, magnitude or extent of a project and the project is not yet complete. A change only in the amount of financing or mortgage insurance involved does not normally require the environmental review to be re-evaluated or updated.

Subpart F—Environmental Impact Statements

§ 50.41 EIS policy.

EIS’s will be prepared and considered in program determinations pursuant to the general environmental policy stated in § 50.3 and 40 CFR 1505.2 (b) and (c).

§ 50.42 Cases when an EIS is required.

(a) An EIS is required if the proposal is determined to have a significant impact on the human environment pursuant to subpart E.

(b) An EIS will normally be required if the proposal:

1. Would provide a site or sites for hospitals or nursing homes containing a total of 2,500 or more beds; or
2. Would remove, demolish, convert, or substantially rehabilitate 2,500 or more existing housing units (but not including rehabilitation projects categorically excluded under § 50.20), or which would result in the construction or installation of 2,500 or more housing units, or which would provide sites for 2,500 or more housing units.

(c) When the environmental concerns of one or more Federal authorities cited in § 50.4 will be affected by the proposal, the cumulative impact of all such effects should be assessed to determine whether an EIS is required. Where all of the affected authorities provide alternative procedures for resolution, those procedures should be used in lieu of an EIS.

§ 50.43 Emergencies.

In cases of national emergency and disasters or cases of imminent threat
to health and safety or other emergency which require the taking of an action with significant environmental impact, the provisions of 40 CFR 1506.11 and of any applicable § 50.4 authorities which provide for emergencies shall apply.

Subpart A—General Provisions

§ 51.1 Purpose.

The Department of Housing and Urban Development is providing program Assistant Secretaries and administrators and field offices with environmental standards, criteria and guidelines for determining project acceptability and necessary mitigating measures to insure that activities assisted by the Department achieve the goal of a suitable living environment.

§ 51.2 Authority.

This part implements the Department's responsibilities under: The National Housing Act (12 U.S.C. 1701 et seq.); sec. 2 of the Housing Act of 1949 (42 U.S.C. 1441); secs. 2 and 7(d) of the Department of Housing and Urban Development Act (42 U.S.C. 3531 and 3535(d)); the National Environmental Policy Act of 1969 (42 U.S.C. 4321); and the other statutes that are referred to in this part.

[61 FR 13333, Mar. 26, 1996]

§ 51.3 Responsibilities.

The Assistant Secretary for Community Planning and Development is responsible for administering HUD’s environmental criteria and standards as set forth in this part. The Assistant Secretary for Community Planning and Development may be assisted by HUD officials in implementing the responsibilities established by this part. HUD will identify these HUD officials and their specific responsibilities through Federal Register notice.

[61 FR 13333, Mar. 26, 1996]

§ 51.4 Program coverage.

Environmental standards shall apply to all HUD actions except where special provisions and exemptions are contained in each subpart.
§ 51.100 Purpose and authority.

(a) It is the purpose of this subpart B to:

(1) Call attention to the threat of noise pollution;

(2) Encourage the control of noise at its source in cooperation with other Federal departments and agencies;

(3) Encourage land use patterns for housing and other noise sensitive urban needs that will provide a suitable separation between them and major noise sources;

(4) Generally prohibit HUD support for new construction of noise sensitive uses on sites having unacceptable noise exposure;

(5) Provide policy on the use of structural and other noise attenuation measures where needed; and

(6) Provide policy to guide implementation of various HUD programs.

(b) Authority. Specific authorities for noise abatement and control are contained in the Noise Control Act of 1972, as amended (42 U.S.C. 4901 et seq.); and the General Services Administration, Federal Management Circular 75-2; Compatible Land Uses at Federal Airfields.

§ 51.101 General policy.

(a) It is HUD’s general policy to provide minimum national standards applicable to HUD programs to protect citizens against excessive noise in their communities and places of residence.

(1) Planning assistance. HUD requires that grantees give adequate consideration to noise exposures and sources of noise as an integral part of the urban environment when HUD assistance is provided for planning purposes, as follows:

(i) Particular emphasis shall be placed on the importance of compatible land use planning in relation to airports, highways and other sources of high noise.

(ii) Applicants shall take into consideration HUD environmental standards impacting the use of land.

(2) Activities subject to 24 CFR part 58.

(i) Responsible entities under 24 CFR part 58 must take into consideration the noise criteria and standards in the environmental review process and consider ameliorative actions when noise sensitive land development is proposed in noise exposed areas. Responsible entities shall address deviations from the standards in their environmental reviews as required in 24 CFR part 58.

(ii) Where activities are planned in a noisy area, and HUD assistance is contemplated later for housing and/or other noise sensitive activities, the responsible entity risks denial of the HUD assistance unless the HUD standards are met.

(3) HUD support for new construction. HUD assistance for the construction of new noise sensitive uses is prohibited generally for projects with unacceptable noise exposures and is discouraged for projects with normally unacceptable noise exposure. (Standards of acceptability are contained in §51.103(c).) This policy applies to all HUD programs providing assistance, subsidy or insurance for housing, manufactured home parks, nursing homes, hospitals, and all programs providing assistance or insurance for land development, redevelopment or any other provision of facilities and services which are directed to making land available for housing or noise sensitive development. The policy does not apply to research demonstration projects which do not result in new construction or reconstruction, flood insurance, interstate land sales registration, or any action or emergency assistance under disaster assistance provisions or appropriations which are provided to save lives, protect property, protect public health and safety, remove debris and wreckage, or assistance that has the effect of restoring facilities substantially as they existed prior to the disaster.

(4) HUD support for existing construction. Noise exposure by itself will not result in the denial of HUD support for the resale and purchase of otherwise acceptable existing buildings. However, environmental noise is a marketability factor which HUD will consider in determining the amount of insurance or other assistance that may be given.
(5) HUD support of modernization and rehabilitation. For modernization projects located in all noise exposed areas, HUD shall encourage noise attenuation features in alterations. For major or substantial rehabilitation projects in the Normally Unacceptable and Unacceptable noise zones, HUD actively shall seek to have project sponsors incorporate noise attenuation features, given the extent and nature of the rehabilitation being undertaken and the level of exterior noise exposure. In Unacceptable noise zones, HUD shall strongly encourage conversion of noise-exposed sites to land uses compatible with the high noise levels.

(6) Research, guidance and publications. HUD shall maintain a continuing program designed to provide new knowledge of noise abatement and control to public and private bodies, to develop improved methods for anticipating noise encroachment, to develop noise abatement measures through land use and building construction practices, and to foster better understanding of the consequences of noise. It shall be HUD's policy to issue guidance documents periodically to assist HUD personnel in assigning an acceptability category to projects in accordance with noise exposure standards, in evaluating noise attenuation measures, and in advising local agencies about noise abatement strategies. The guidance documents shall be updated periodically in accordance with advances in the state-of-the-art.

(7) Construction equipment, building equipment and appliances. HUD shall encourage the use of quieter construction equipment and methods in population centers, the use of quieter equipment and appliances in buildings, and the use of appropriate noise abatement techniques in the design of residential structures with potential noise problems.

(8) Exterior noise goals. It is a HUD goal that exterior noise levels do not exceed a day-night average sound level of 65 decibels. This level is recommended by the Environmental Protection Agency as a goal for outdoors in residential areas. The levels recommended by EPA are not standards and do not take into account cost or feasibility. For the purposes of this regulation and to meet other program objectives, sites with a day-night average sound level of 65 and below are acceptable and are allowable (see Standards in §51.103(c)).

(9) Interior noise goals. It is a HUD goal that the interior auditory environment shall not exceed a day-night average sound level of 45 decibels. Attenuation measures to meet these interior goals shall be employed where feasible. Emphasis shall be given to noise sensitive interior spaces such as bedrooms. Minimum attenuation requirements are prescribed in §51.104(a).

(10) Acoustical privacy in multifamily buildings. HUD shall require the use of building design and acoustical treatment to afford acoustical privacy in multifamily buildings pursuant to requirements of the Minimum Property Standards.

§ 51.102 Responsibilities.

(a) Surveillance of noise problem areas. Appropriate field staff shall maintain surveillance of potential noise problem areas and advise local officials, developers, and planning groups of the unacceptability of sites because of noise exposure at the earliest possible time in the decision process. Every attempt shall be made to assure that applicants' site choices are consistent with the policy and standards contained herein.

(b) Notice to applicants. At the earliest possible stage, HUD program staff shall:

(1) Determine the suitability of the acoustical environment of proposed projects;

(2) Notify applicants of any adverse or questionable situations; and

(3) Assure that prospective applicants are apprised of the standards contained herein so that future site choices will be consistent with these standards.

(c) Interdepartmental coordination. HUD shall foster appropriate coordination between field offices and other departments and agencies, particularly the Environmental Protection Agency, the Department of Transportation, Department of Defense representatives,
§ 51.103 Criteria and standards.

These standards apply to all programs as indicated in § 51.101.

(a) Measure of external noise environment. The magnitude of the external noise environment at a site is determined by the value of the day-night average sound level produced as the result of the accumulation of noise from all sources contributing to the external noise environment at the site. Day-night average sound level, abbreviated as DNL and symbolized as L \text{dn}, is the 24-hour average sound level, in decibels, obtained after addition of 10 decibels to sound levels in the night from 10 p.m. to 7 a.m. Mathematical expressions for average sound level and day-night average sound level are stated in the Appendix I to this subpart.

(b) Loud impulsive sounds. On an interim basis, when loud impulsive sounds, such as explosions or sonic booms, are experienced at a site, the day-night average sound level produced by the loud impulsive sounds alone shall have 8 decibels added to it in assessing the acceptability of the site (see Appendix I to this subpart). Alternatively, the C-weighted day-night average sound level (L \text{Cdn}) may be used without the 8 decibel addition, as indicated in § 51.106(a)(3). Methods for assessing the contribution of loud impulsive sounds to day-night average sound level at a site and mathematical expressions for determining whether a sound is classed as “loud impulsive” are provided in the Appendix I to this subpart.

(c) Exterior standards. (1) The degree of acceptability of the noise environment at a site is determined by the sound levels external to buildings or other facilities containing noise sensitive uses. The standards shall usually apply at a location 2 meters (6.5 feet) from the building housing noise sensitive activities in the direction of the predominant noise source. Where the building location is undetermined, the standards shall apply 2 meters (6.5 feet) from the building setback line nearest to the predominant noise source. The standards shall also apply at other locations where it is determined that quiet outdoor space is required in an area ancillary to the principal use on the site.

(2) The noise environment inside a building is considered acceptable if: (i) The noise environment external to the building complies with these standards, and (ii) the building is constructed in a manner common to the area or, if of uncommon construction, has at least the equivalent noise attenuation characteristics.

Notes: (1) Acceptable threshold may be shifted to 70 dB in special circumstances pursuant to § 51.105(a).
(2) See § 51.104(b) for requirements.
(3) See § 51.104(b) for requirements.
(4) 5 dB additional attenuation required for sites above 65 dB but not exceeding 70 dB and 10 dB additional attenuation required for sites above 70 dB but not exceeding 75 dB. (See § 51.104(a).)
(5) Attenuation measures to be submitted to the Assistant Secretary for CPD for approval on a case-by-case basis.
§ 51.104 Special requirements.

(a)(1) Noise attenuation. Noise attenuation measures are those required in addition to attenuation provided by buildings as commonly constructed in the area, and requiring open windows for ventilation. Measures that reduce external noise at a site shall be used wherever practicable in preference to the incorporation of additional noise attenuation in buildings. Building designs and construction techniques that provide more noise attenuation than typical construction may be employed also to meet the noise attenuation requirements.

(2) Normally unacceptable noise zones and unacceptable noise zones. Approvals in Normally Unacceptable Noise Zones require a minimum of 5 decibels additional sound attenuation for buildings having noise-sensitive uses if the day-night average sound level is greater than 65 decibels but does not exceed 70 decibels, or a minimum of 10 decibels of additional sound attenuation if the day-night average sound level is greater than 70 decibels but does not exceed 75 decibels. Noise attenuation measures in Unacceptable Noise Zones require the approval of the Assistant Secretary for Community Planning and Development, or the Certifying Officer for activities subject to 24 CFR part 58. (See § 51.104(b)(2).

(b) Environmental review requirements. Environmental reviews shall be conducted pursuant to the requirements of 24 CFR parts 50 and 58, as applicable, or other environmental regulations issued by the Department. These requirements are hereby modified for all projects proposed in the Normally Unacceptable and Unacceptable noise exposure zones as follows:

(i) Normally unacceptable noise zone.

(A) All projects located in the Normally Unacceptable Noise Zone require a Special Environmental Clearance except an EIS is required for a proposed project located in a largely undeveloped area, or where the HUD action is likely to encourage the establishment of incompatible land use in this noise zone.

(ii) When an EIS is required, the concurrence of the Program Assistant Secretary is also required before a project can be approved. For the purposes of this paragraph, an area will be considered as largely undeveloped unless the area within a 2-mile radius of the project boundary is more than 50 percent developed for urban uses and infrastructure (particularly water and sewers) is available and has capacity to serve the project.

(iii) All other projects in the Normally Unacceptable zone require a Special Environmental Clearance, except where an EIS is required for other reasons pursuant to HUD environmental policies.

(ii) Unacceptable noise zone. An EIS is required prior to the approval of projects with unacceptable noise exposure. Projects in or partially in an Unacceptable Noise Zone shall be submitted to the Assistant Secretary for Community Planning and Development, or the Certifying Officer for activities subject to 24 CFR part 58 for approval. The Assistant Secretary or the Certifying Officer may waive the EIS requirement in cases where noise is the only environmental issue and no outdoor noise sensitive activity will take place on the site. In such cases, an environmental review shall be made pursuant to the requirements of 24 CFR parts 50 or 58, as appropriate.

§ 51.105 Exceptions.

(a) Flexibility for non-acoustic benefits. Where it is determined that program objectives cannot be achieved on sites meeting the acceptability standard of 65 decibels, the Acceptable Zone may be shifted to L_{dn} 70 on a case-by-case basis if all the following conditions are satisfied:

(i) The project does not require an Environmental Impact Statement under provisions of § 51.104(b)(1) and noise is the only environmental issue.

(ii) The project has received a Special Environmental Clearance and has received the concurrence of the Environmental Clearance Officer.

(iii) The project meets other program goals to provide housing in proximity
§ 51.106 Implementation.

(a) Use of available data. HUD field staff shall make maximum use of noise data prepared by others when such data are determined to be current and adequately projected into the future and are in terms of the following:

(1) Sites in the vicinity of airports. The noise environment around airports is described sometimes in terms of Noise Exposure Forecasts, abbreviated as NEF or, in the State of California, as Community Noise Equivalent Level, abbreviated as CNEL. The noise environment for sites in the vicinity of airports for which day-night average sound level data are not available may be evaluated from NEF or CNEL analyses using the following conversions to DNL:

\[
DNL = NEF + 35
\]

\[
DNL = CNEL
\]

(2) Sites in the vicinity of highways. Highway projects receiving Federal aid are subject to noise analyses under the procedures of the Federal Highway Administration. Where such analyses are available they may be used to assess sites subject to the requirements of this standard. The Federal Highway Administration employs two alternate sound level descriptors: (i) The A-weighted sound level not exceeded more than 10 percent of the time for the highway design hour traffic flow, symbolized as L10 or (ii) the equivalent sound level for the design hour, symbolized as Leq. The day-night average sound level may be estimated from the design hour L10 or L eq values by the following relationships, provided heavy trucks do not exceed 10 percent of the total traffic flow in vehicles per 24 hours and the traffic flow between 10 p.m. and 7 a.m. does not exceed 15 percent of the average daily traffic flow in vehicles per 24 hours:

\[
DNL = L10 \text{ (design hour)} - 3 \text{ decibels}
\]

\[
DNL = L_{eq} \text{ (design hour)} \text{ decibels}
\]

Where the auto/truck mix and time of day relationships as stated in this section do not exist, the HUD Noise Assessment Guidelines or other noise analysis shall be used.

(3) Sites in the vicinity of installations producing loud impulsive sounds. Certain Department of Defense installations produce loud impulsive sounds from artillery firing and bombing practice ranges. Noise analyses for these facilities sometimes encompass sites that may be subject to the requirements of this standard. Where such analyses are available they may be used on an interim basis to establish the acceptability of sites under this standard. The Department of Defense uses day-night average sound level based on C-weighted sound level, symbolized L Cdn, for the analysis of loud impulsive sounds. Where such analyses are provided, the 8 decibel addition specified in §51.103(b), is not required, and the same numerical values of day-night average sound level used on an interim basis to determine site suitability for non-impulsive sounds apply to the L Cdn.

(4) Use of areawide acoustical data. HUD encourages the preparation and use of areawide acoustical information, such as noise contours for airports. Where such new or revised contours become available for airports (civil or military) and military installations they shall first be referred to the HUD State Office (Environmental Officer) for review, evaluation and decision on appropriateness for use by HUD. The HUD State Office shall submit revised contours to the Assistant Secretary for Community Planning and Development for review, evaluation and decision whenever the area affected is changed by 20 percent or more, or whenever it is determined that the new contours will...
Office of the Secretary, HUD

have a significant effect on HUD programs, or whenever the contours are not provided in a methodology acceptable under §51.106(a)(1) or in other cases where the HUD State Office determines that Headquarters review is warranted. For other areawide acoustical data, review is required only where existing areawide data are being utilized and where such data have been changed to reflect changes in the measurement methodology or underlying noise source assumptions. Requests for determination on usage of new or revised areawide data shall include the following:

(i) Maps showing old, if applicable, and new noise contours, along with brief description of data source and methodology.

(ii) Impact on existing and prospective urbanized areas and on development activity.

(iii) Impact on HUD-assisted projects currently in processing.

(iv) Impact on future HUD program activity. Where a field office has determined that immediate approval of new areawide data is necessary and warranted in limited geographic areas, the request for approval should state the circumstances warranting such approval. Actions on proposed projects shall not be undertaken while new areawide noise data are being considered for HUD use except where the proposed location is affected in the same manner under both the old and new noise data.

(b) Site assessments. Compliance with the standards contained in §51.103(c) shall, where necessary, be determined using noise assessment guidelines, handbooks, technical documents and procedures issued by the Department.

(c) Variations in site noise levels. In many instances the noise environment will vary across a site, with portions of the site being in an Acceptable noise environment and other portions in a Normally Unacceptable noise environment. The standards in §51.103(c) shall apply to the portions of a building or buildings used for residential purposes and for ancillary noise sensitive open spaces.

(d) Noise measurements. Where noise assessments result in a finding that the site is borderline or questionable, or is controversial, noise measurements may be performed. Where it is determined that noise measurements are required, such measurements will be conducted in accordance with methods and measurement criteria established by the Department. Locations for noise measurements will depend on the location of noise sensitive uses that are nearest to the predominant noise source (see §51.103(c)).

(e) Projections of noise exposure. In addition to assessing existing exposure, future conditions should be projected. To the extent possible, noise exposure shall be projected to be representative of conditions that are expected to exist at a time at least 10 years beyond the date of the project or action under review.

(f) Reduction of site noise by use of berms and/or barriers. If it is determined by adequate analysis that a berm and/or barrier will reduce noise at a housing site, and if the barrier is existing or there are assurances that it will be in place prior to occupancy, the environmental noise analysis for the site may reflect the benefits afforded by the berm and/or barrier. In the environmental review process under §51.104(b), the location height and design of the berm and/or barrier shall be evaluated to determine its effectiveness, and impact on design and aesthetic quality, circulation and other environmental factors.

APPENDIX I TO SUBPART B TO PART 51—DEFINITION OF ACOUSTICAL QUANTITIES

1. Sound Level. The quantity in decibels measured with an instrument satisfying requirements of American National Standard Specification for Type 1 Sound Level Meters S1.4-1971. Fast time-averaging and A-frequency weighting are to be used, unless others are specified. The sound level meter with the A-weighting is progressively less sensitive to sounds of frequency below 1,000 hertz (cycles per second), somewhat as is the ear. With fast time averaging the sound level meter responds particularly to recent sounds almost as quickly as does the ear in judging the loudness of a sound.

2. Average Sound Level. Average sound level, in decibels, is the level of the mean-square A-weighted sound pressure during the stated time period, with reference to the
§ 51.200 Purpose.

The purpose of this subpart C is to:

(a) Establish safety standards which can be used as a basis for calculating acceptable separation distances (ASD) for HUD-assisted projects from specific, stationary, hazardous operations which store, handle, or process hazardous substances;

(b) Alert those responsible for the siting of HUD-assisted projects to the inherent potential dangers when such projects are located in the vicinity of such hazardous operations;

(c) Provide guidance for identifying those hazardous operations which are most prevalent;

(d) Provide the technical guidance required to evaluate the degree of danger anticipated from explosion and thermal radiation (fire); and

(e) Provide technical guidance required to determine acceptable separation distances from such hazards.

§ 51.201 Definitions.

The terms Department and Secretary are defined in 24 CFR part 5.

Acceptable separation distance (ASD)—means the distance beyond which the explosion or combustion of a hazard is not likely to cause structures or individuals to be subjected to blast overpressure or thermal radiation flux levels in excess of the safety standards in §51.203. The ASD is determined by applying the safety standards established by this subpart C to the guidance set...

Blast overpressure—means the pressure, in pounds per square inch, in excess of normal atmospheric pressure on the surrounding medium caused by an explosion.

Danger zone—means the land area circumscribed by the radius which delineates the ASD of a given hazard.

Hazard—means any stationary container which stores, handles or processes hazardous substances of an explosive or fire prone nature. The term “hazard” does not include pipelines for the transmission of hazardous substances, if such pipelines are located underground or comply with applicable Federal, State and local safety standards. Also excepted are: (1) Containers with a capacity of 100 gallons or less when they contain common liquid industrial fuels, such as gasoline, fuel oil, kerosene and crude oil since they generally would pose no danger in terms of thermal radiation of blast overpressure to a project; and (2) facilities which are shielded from a proposed HUD-assisted project by the topography, because these topographic features effectively provide a mitigating measure already in place.

Hazardous substances—means petroleum products (petrochemicals) and chemicals that can produce blast overpressure or thermal radiation levels in excess of the standards set forth in §51.203. A specific list of hazardous substance is found in appendix I to this subpart.

HUD-assisted project—the development, construction, rehabilitation, modernization or conversion with HUD subsidy, grant assistance, loan, loan guarantee, or mortgage insurance, of any project which is intended for residential, institutional, recreational, commercial or industrial use. For purposes of this subpart the terms “rehabilitation” and “modernization” refer only to such repairs and renovation of a building or buildings as will result in an increased number of people being exposed to hazardous operations by increasing residential densities, converting the type of use of a building to habitation, or making a vacant building habitable.

Thermal radiation level—means the emission and propagation of heat energy through space or a material medium, expressed in BTU per square foot per hour (BTU/ft.$^2$ hr.).

§51.202 Approval of HUD-assisted projects.

(a) The Department will not approve an application for assistance for a proposed project located at less than the acceptable separation distance from a hazard, as defined in §51.201, unless appropriate mitigating measures, as defined in §51.205, are implemented, or unless mitigating measures are already in place.

(b) In the case of all applications for proposed HUD-assisted projects, the Department shall evaluate projected development plans in the vicinity of these projects to determine whether there are plans to install a hazardous operation in close proximity to the proposed project. If the evaluation shows that such a plan exists, the Department shall not approve assistance for the project unless the Department obtains satisfactory assurances that adequate mitigating measures will be taken when the hazardous operation is installed.

§51.203 Safety standards.

The following standards shall be used in determining the acceptable separation distance of a proposed HUD-assisted project from a hazard:

(a) Thermal Radiation Safety Standard. Projects shall be located so that:

(1) The allowable thermal radiation flux level at the building shall not exceed 10,000 BTU/sq. ft. per hr.;

(2) The allowable thermal radiation flux level for outdoor, unprotected facilities or areas of congregation shall not exceed 450 BTU/sq. ft. per hour.

(b) Blast Overpressure Safety Standard. Projects shall be located so that the maximum allowable blast overpressure at both buildings and outdoor, unprotected facilities or areas shall not exceed 0.5 psi.
§ 51.204 HUD-assisted hazardous facilities.

In reviewing applications for proposed HUD-assisted projects involving the installation of hazardous facilities, the Department shall ensure that such hazardous facilities are located at an acceptable separation distance from residences and from any other facility or area where people may congregate or be present. The mitigating measures listed in §51.205 may be taken into account in determining compliance with this section.

§ 51.205 Mitigating measures.

Application of the standards for determining an Acceptable Separation Distance (ASD) for a HUD-assisted project from a potential hazard of an explosion or fire prone nature is predicated on level topography with no intervening object(s) between the hazard and the project. Application of the standards can be eliminated or modified if:

(a) The nature of the topography shields the proposed project from the hazard.

(b) An existing permanent fire resistant structure of adequate size and strength will shield the proposed project from the hazard.

(c) A barrier is constructed surrounding the hazard, at the site of the project, or in between the potential hazard and the proposed project.

(d) The structure and outdoor areas used by people are designed to withstand blast overpressure and thermal radiation anticipated from the potential hazard (e.g., the project is of masonry and steel or reinforced concrete and steel construction).

§ 51.206 Implementation.

This subpart C shall be implemented for each proposed HUD-assisted project by the HUD approving official or responsible entity responsible for review of the project. The implementation procedure will be part of the environmental review process in accordance with the procedures set forth in 24 CFR parts 50 and 58.

[61 FR 13334, Mar. 26, 1996]

§ 51.207 Special circumstances.

The Secretary or the Secretary’s designee may, on a case-by-case basis, when circumstances warrant, require the application of this subpart C with respect to a substance not listed in appendix I to this subpart C that would create thermal or overpressure effect in excess of that listed in §51.203.

[61 FR 13334, Mar. 26, 1996]

§ 51.208 Reservation of administrative and legal rights.

Publication of these standards does not constitute a waiver of any right: (a) Of HUD to disapprove a project proposal if the siting is too close to a potential hazard not covered by this subpart, and (b) of HUD or any person or other entity to seek to abate or to collect damages occasioned by a nuisance, whether or not covered by the subpart.

APPENDIX II TO SUBPART C TO PART 51—DEVELOPMENT OF STANDARDS; CALCULATION METHODS

I. Background Information Concerning the Standards

(a) Thermal Radiation: Flammable products stored in above ground containers represent a definite, potential threat to human life and structures in the event of fire. The resulting fireball emits thermal radiation which is absorbed by the surroundings. Combustible structures, such as wooden houses, may be ignited by the thermal radiation being emitted. The radiation can cause severe burn, injuries and even death to exposed persons some distance away from the site of the fire.

(b) Blast Overpressure: The Acceptable Separation Distance (ASD) for people and structures from materials prone to explosion is dependent upon the resultant blast measured in pounds per square inch (psi) overpressure. It has been determined by the military and corroborated by two independent studies conducted for the Department of Housing and Urban Development that 0.5 psi is the acceptable level of blast overpressure for both buildings and occupants, because a frame structure can normally withstand that level of external exertion with no serious structural damage, and it is unlikely that human beings inside the building would normally suffer any serious injury. Using this as the safety standard for blast overpressure, nomographs have been developed from which an ASD can be determined for a given quantity of hazardous substance. These nomographs are contained in the handbook with detailed instructions on their use.

(c) Hazard evaluation: The Acceptable Separation Distances for buildings, which are determined for thermal radiation and blast overpressure, delineate separate identifiable danger zones for each potential accident source. For some materials the fire danger zone will have the greatest radius and cover the largest area, while for others the explosion danger zone will be...
Pt. 51, Subpt. C, App. II

In this hypothetical case a proposed housing project is to be located 850 feet from a 30,000 gallon liquid propane (LPG) tank. The objective is to determine the acceptable separation distance from the LPG tank. Since propane is both explosive and fire prone it will be necessary to determine the ASD for both explosion and for fire. The greatest of the two will govern. There is no dike around the tank in this example.

Nomographs from the technical Guidebook have been reproduced to facilitate the solving of the problem.

ASD For Explosion

Use Figure 1 to determine the acceptable separation distance for explosion.

The graph depicted on Figure 1 is predicated on a blast overpressure of 0.5 psi. The ASD in feet can be determined by applying the quantity of the hazard (in gallons) to the graph.

In this case locate the 30,000 gallon point on the horizontal axis and draw a vertical line from that point to the intersection with the straight line curve. Then draw a horizontal line from the point where the lines cross to the left vertical axis where the ACCEPTABLE SEPARATION DISTANCE of 660 feet is found.

Therefore the ASD for explosion is 660 feet.

Since the proposed project site is located 850 feet from the tank it is located at a safe distance with regards to blast overpressure.
ASD For Fire

To determine the ASD for fire it will be necessary to first find the fire width (diameter of the fireball) on Figure 2. Then apply this to Figure 3 to determine the ASD.

Since there are two safety standards for fire: (a) 10,000 BTU/ft² hr. for buildings; and (b) 450 BTU/ft² hr. for people in exposed areas, it will be necessary to determine an ASD for each.

To determine the fire width locate the 30,000 gallon point on the horizontal axis on Figure 2 and draw a vertical line to the straight line curve. Then draw a horizontal line from the point where the lines cross to the left vertical axis where the FIRE WIDTH is found to be 350 feet.
Pt. 51, Subpt. C, App. II

Now locate the 350 ft. point on the horizontal axis of Figure 3 and draw a vertical line from that point to curves 1 and 2. Then draw horizontal lines from the points where the lines cross to the left vertical axis where the ACCEPTABLE SEPARATION DISTANCES of 240 feet for buildings and 1,150 feet for exposure to people is found.

Based on this the proposed project site is located at a safe distance from a potential fireball. However, exposed playgrounds or other exposed areas of congregation must be at least 1,150 feet from the tank, or be appropriately shielded from a potential fireball. § 51.300 Purpose.

It is the purpose of this subpart to promote compatible land uses around civil airports and military airfields by identifying suitable land uses for Runway Clear Zones at civil airports and Clear Zones and Accident Potential Zones at military airfields and by establishing them as standards for providing HUD assistance, subsidy or insurance.

[49 FR 880, Jan. 6, 1984, as amended at 61 FR 13334, Mar. 26, 1996]

§ 51.301 Definitions.

For the purposes of this regulation, the following definitions apply:

(a) Accident Potential Zone. An area at military airfields which is beyond the Clear Zone. The standards for the Accident Potential Zones are set out in Department of Defense Instruction 4165.57, "Air Installations Compatible Use Zones," November 8, 1977, 32 CFR part 256. There are no Accident Potential Zones at civil airports.

(b) Airport Operator. The civilian or military agency, group or individual which exercises control over the operations of the civil airport or military airfield.

(c) Civil Airport. An existing commercial service airport as designated in the National Plan of Integrated Airport Systems prepared by the Federal Aviation Administration in accordance with section 504 of the Airport and Airway Improvement Act of 1982.

(d) Runway Clear Zones and Clear Zones. Areas immediately beyond the ends of a runway. The standards for Runway Clear Zones for civil airports are established by FAA regulation 14 CFR part 152. The standards for Clear Zones for military airfields are established by DOD Instruction 4165.57, 32 CFR part 256.

§ 51.302 Coverage.

(a) These policies apply to HUD programs which provide assistance, subsidy or insurance for construction, land development, community development or redevelopment or any other provision of facilities and services which are designed to make land available for construction. When the HUD assistance, subsidy or insurance is used to make land available for construction rather than for the actual construction, the provision of the HUD assistance, subsidy or insurance shall be dependent upon whether the facility to be built is itself acceptable in accordance with the standards in §51.303.

(b) These policies apply not only to new construction but also to substantial or major modernization and rehabilitation and to any other program which significantly prolongs the physical or economic life of existing facilities or which, in the case of Accident Potential Zones:

(1) Changes the use of the facility so that it becomes one which is no longer acceptable in accordance with the standards contained in §51.303(b);

(2) Significantly increases the density or number of people at the site; or

(3) Introduces explosive, flammable or toxic materials to the area.

(c) Except as noted in §51.303(a)(3), these policies do not apply to HUD programs where the action only involves the purchase, sale or rental of an existing property without significantly prolonging the physical or economic life of the property.

(d) The policies do not apply to research or demonstration projects which do not result in new construction or reconstruction, to interstate land sales registration, or to any action or emergency assistance which is provided to save lives, protect property, protect public health and safety, or remove debris and wreckage.

[49 FR 880, Jan. 6, 1984, as amended at 61 FR 13334, Mar. 26, 1996]
§ 51.303 General policy.

It is HUD's general policy to apply standards to prevent incompatible development around civil airports and military airfields.

(a) HUD policy for actions in Runway Clear Zones and Clear Zones.

(1) HUD policy is not to provide any assistance, subsidy or insurance for projects and actions covered by this part except as stated in § 51.303(a)(2) below.

(2) If a project proposed for HUD assistance, subsidy or insurance is one which will not be frequently used or occupied by people, HUD policy is to provide assistance, subsidy or insurance only when written assurances are provided to HUD by the airport operator to the effect that there are no plans to purchase the land involved with such facilities as part of a Runway Clear Zone or Clear Zone acquisition program.

(3) Special notification requirements for Runway Clear Zones and Clear Zones. In all cases involving HUD assistance, subsidy or insurance is one which will not be frequently used or occupied by people, HUD policy is to provide assistance, subsidy or insurance only when written assurances are provided to HUD by the airport operator to the effect that there are no plans to purchase the land involved with such facilities as part of a Runway Clear Zone or Clear Zone acquisition program.

(4) Special notification requirements for Runway Clear Zones and Clear Zones. In all cases involving HUD assistance, subsidy or insurance for the purchase or sale of an existing property in a Runway Clear Zone or Clear Zone, HUD (or the responsible entity or recipient under 24 CFR part 58) shall advise the buyer that the property is in a Runway Clear Zone or Clear Zone, what the implications of such a location are, and that there is a possibility that the property may, at a later date, be acquired by the airport operator. The buyer must sign a statement acknowledging receipt of this information.

(b) HUD policy for actions in Accident Potential Zones at Military Airfields. HUD policy is to discourage the provision of any assistance, subsidy or insurance for projects and actions in the Accident Potential Zones. To be approved, projects must be generally consistent with the recommendations in the Land Use Compatibility Guidelines for Accident Potential Zones chart contained in DOD Instruction 4165.57, 32 CFR part 256.

§ 51.304 Responsibilities.

(a) The following persons have the authority to approve actions in Accident Potential Zones:

(1) For programs subject to environmental review under 24 CFR part 58: the Certifying Officer of the responsible entity as defined in 24 CFR part 58.

(2) For all other HUD programs: the HUD approving official having approval authority for the project.

(b) The following persons have the authority to approve actions in Runway Clear Zones and Clear Zones:

(1) For programs subject to environmental review under 24 CFR part 58: The Certifying Officer of the responsible entity as defined in 24 CFR part 58.

(2) For all other HUD programs: the Program Assistant Secretary.

§ 51.305 Implementation.

(a) Projects already approved for assistance. This regulation does not apply to any project approved for assistance prior to the effective date of the regulation whether the project was actually under construction at that date or not.

(b) Acceptable data on Runway Clear Zones, Clear Zones and Accident Potential Zones. The only Runway Clear Zones, Clear Zones and Accident Potential Zones which will be recognized in applying this part are those provided by the airport operators and which for civil airports are defined in accordance with FAA regulations 14 CFR part 152 or for military airfields, DOD Instruction 4165.57, 32 CFR part 256. All data, including changes, related to the dimensions of Runway Clear Zones for civil airports shall be verified with the nearest FAA Airports District Office before use by HUD.

(c) Changes in Runway Clear Zones, Clear Zones, and Accident Potential Zones. If changes in the Runway Clear Zones, Clear Zones or Accident Potential Zones are made, the field offices shall immediately adopt these revised zones for use in reviewing proposed projects.

(d) The decision to approve projects in the Runway Clear Zones, Clear Zones, and Accident Potential Zones.
Zones and Accident Potential Zones must be documented as part of the environmental assessment or, when no assessment is required, as part of the project file.

**AUTHORITY:** 31 U.S.C. 6506; 42 U.S.C. 3334, 3335(d).

**SOURCE:** 48 FR 29216, June 24, 1983, unless otherwise noted.

§ 52.1 What is the purpose of these regulations?

(b) These regulations are intended to foster an intergovernmental partnership and a strengthened Federalism by relying on state processes and on state, areawide, regional and local coordination for review of proposed Federal financial assistance and direct Federal development.

(c) These regulations are intended to aid the internal management of the Department, and are not intended to create any right or benefit enforceable at law by a party against the Department or its officers.

§ 52.2 What definitions apply to these regulations?

Secretary means the Secretary of the U.S. Department of Housing and Urban Development or an official or employee of the Department acting for the Secretary under a delegation of authority.

State means any of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, Guam, American Samoa, the U.S. Virgin Islands, or the Trust Territory of the Pacific Islands.

§ 52.3 What programs and activities of the Department are subject to these regulations?

The Secretary publishes in the Federal Register a list of the Department’s programs and activities that are subject to these regulations and identifies which of these are subject to the requirements of section 204 of the Demonstration Cities and Metropolitan Development Act.

§ 52.4 What are the Secretary’s general responsibilities under the Order?

(a) The Secretary provides opportunities for consultation by elected officials of those state and local governments that would provide the non-federal funds for, or that would be directly affected by, proposed Federal financial assistance from, or direct Federal development by, the Department.
(b) If a state adopts a process under the Order to review and coordinate proposed Federal financial assistance and direct Federal development, the Secretary, to the extent permitted by law:

(1) Uses the state process to determine official views of state and local elected officials;

(2) Communicates with state and local elected officials as early in a program planning cycle as is reasonably feasible to explain specific plans and actions;

(3) Makes efforts to accommodate state and local elected officials' concerns with proposed Federal financial assistance and direct Federal development that are communicated through the state process;

(4) Allows the states to simplify and consolidate existing federally required state plan submissions;

(5) Where state planning and budgeting systems are sufficient and where permitted by law, encourages the substitution of state plans for federally required state plans;

(6) Seeks the coordination of views of affected state and local elected officials in one state with those of another state when proposed Federal financial assistance or direct Federal development has an impact on interstate metropolitan urban centers or other interstate areas; and

(7) Supports state and local governments by discouraging the reauthorization or creation of any planning organization which is federally-funded, which has a limited purpose, and which is not adequately representative of, or accountable to, state or local elected officials.

§ 52.6 What procedures apply to the selection of programs and activities under these regulations?

(a) A state may select any program or activity published in the Federal Register in accordance with §52.3 of this part for intergovernmental review under these regulations. Each state, before selecting programs and activities shall consult with local elected officials.

(b) Each state that adopts a process shall notify the Secretary of the Department’s programs and activities selected for that process.

(c) A state may notify the Secretary of changes in its selections at any time. For each change, the state shall submit to the Secretary an assurance that the state has consulted with local elected officials regarding the change. The Department may establish deadlines by which states are required to inform the Secretary of changes in their program selections.

(d) The Secretary uses a state’s process as soon as feasible, depending on individual programs and activities, after the Secretary is notified of its selections.

§ 52.7 How does the Secretary communicate with state and local officials concerning the Department’s programs and activities?

(a) For those programs and activities covered by a state process under §52.6, the Secretary, to the extent permitted by law—

(1) Uses the state process to determine views of state and local elected officials; and,

(2) Communicates with state and local elected officials, through the state process, as early in a program planning cycle as is reasonably feasible to explain specific plans and actions.

(b) The Secretary provides notice to directly affected state, areawide, regional, and local entities in a state of proposed Federal financial assistance or direct Federal development if—

(1) The state has not adopted a process under the Order; or

(2) The assistance or development involves a program or activity not selected for the state process.
§ 52.8 How does the Secretary provide states an opportunity to comment on proposed Federal financial assistance and direct Federal development?

(a) Except in unusual circumstances, the Secretary gives state processes or directly affected state, areawide, regional and local officials and entities—

(1) At least 30 days from the date established by the Secretary to comment on proposed Federal financial assistance under: (i) A covered mortgage insurance program, (ii) the Urban Development Action Grant Program, or (iii) the Housing Development Grant Program.

(2) At least 60 days from the date established by the Secretary to comment on proposed Federal financial assistance other than under a program covered by paragraph (a)(1).

(b) This section also applies to comments in cases in which the review, coordination, and communication with the Department have been delegated.

(c) Applicants for programs and activities subject to section 204 of the Demonstration Cities and Metropolitan Act shall allow areawide agencies a 60-day opportunity for review and comment.

[49 FR 29216, June 24, 1983, as amended at 49 FR 24653, June 14, 1984]

§ 52.9 How does the Secretary receive and respond to comments?

(a) The Secretary follows the procedures in §52.10 if—

(1) A state office or official is designated to act as a single point of contact between a state process and all Federal agencies, and

(2) That office or official transmits a state process recommendation for a program selected under §52.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department.

(d) If a program or activity is not selected for a state process, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department. In addition, if a state process recommendation for a nonselected program or activity is transmitted to the Department by the single point of contact, the Secretary follows the procedures of §52.10 of this part.

(e) The Secretary considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Secretary is not required to apply the procedures of §52.10 of this part, when such comments are provided by a single point of contact, by the applicant, or directly to the Department by a commenting party.

§ 52.10 How does the Secretary make efforts to accommodate intergovernmental concerns?

(a) If a state process provides a state process recommendation to the Department through its single point of contact, the Secretary either—

(1) Accepts the recommendation;

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with such written explanation of its decision, as the Secretary in his or her discretion deems appropriate. The Secretary may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Secretary informs the single point of contact that—

(1) The Department will not implement its decision for at least ten days.
after the single point of contact receives the explanation; or
(2) The Secretary has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.
(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of such notification.

§ 52.11 What are the Secretary’s obligations in interstate situations?
(a) The Secretary is responsible for—
(1) Identifying proposed Federal financial assistance and direct Federal development that have an impact on interstate areas;
(2) Notifying appropriate officials and entities in states which have adopted a process and which select the Department’s program or activity;
(3) Making efforts to identify and notify the affected state, areawide, regional, and local officials and entities in those states that have not adopted a process under the Order or do not select the Department’s program or activity;
(4) Responding pursuant to §52.10 of this part if the Secretary receives a recommendation from a designated areawide agency transmitted by a single point of contact, in cases in which review, coordination, and communication with the Department have been delegated.
(b) The Secretary uses the procedures in §52.10 if a state process provides a state process recommendation to the Department through a single point of contact.

§ 52.12 [Reserved]

PART 55—FLOODPLAIN MANAGEMENT

Subpart A—General

§ 55.1 Purpose and basic responsibility.

(a) This part implements the requirements of Executive Order 11988, Floodplain Management, and employs the principles of the Unified National Program for Floodplain Management. It covers the proposed acquisition, construction, improvement, disposition, financing and use of properties located in a floodplain for which approval is required either from HUD under any applicable HUD program or from a grant recipient subject to 24 CFR part 58. This part does not prohibit approval of such actions (except for certain actions in high hazard areas), but provides a consistent means for implementing the Department’s interpretation of the executive order in the project approval decision making processes of HUD and of grant recipients subject to 24 CFR part 58. The implementation of Executive Order 11988 under this part shall be conducted by HUD, for Department-administered programs subject to environmental review under 24 CFR part 50, and by authorized recipients of HUD financial assistance subject to environmental review under 24 CFR part 58.
§ 55.2 Termination.

(a) With the exception of those terms defined in paragraph (b) of this section, the terms used in this part shall follow the definitions contained in section 6 of Executive Order 11988 and in the Floodplain Management Guidelines for Implementing Executive Order 11988 (43 FR 6030, February 10, 1978) issued by the Water Resources Council; and the terms “criteria” and “Regular Program”, shall follow the definitions contained in FEMA regulations at 44 CFR 59.1.

(b) The definitions of the following terms in Executive Order 11988 and related documents affecting this part are modified for purposes of this part:

(1) Coastal high hazard area means the area subject to high velocity waters, including but not limited to hurricane wave wash or tsunamis. The area is designated on a Flood Insurance Rate Map (FIRM) under FEMA regulations as Zone V1-30, VE, or V. (FIRMs as well as Flood Hazard Boundary Maps (FHBM) shall also be relied on for the delineation of “100-year floodplains” (§ 55.2(b)(3)), “500-year floodplains” (§ 55.2(b)(3)), and “floodways” (§ 55.2(b)(4)).

(2)(i) Critical action means any activity for which even a slight chance of flooding would be too great, because such flooding might result in loss of life, injury to persons, or damage to property. Critical actions include activities that create, maintain or extend...
the useful life of those structures or facilities that:
(A) Produce, use or store highly volatile, flammable, explosive, toxic or water-reactive materials;
(B) Provide essential and irreplaceable records or utility or emergency services that may become lost or inoperative during flood and storm events (e.g., data storage centers, generating plants, principal utility lines, emergency operations centers including fire and police stations, and roadways providing sole egress from flood-prone areas); or
(C) Are likely to contain occupants who may not be sufficiently mobile to avoid loss of life or injury during flood or storm events, e.g., persons who reside in hospitals, nursing homes, convalescent homes, intermediate care facilities, board and care facilities, and retirement service centers. Housing for independent living for the elderly is not considered a critical action.
(ii) Critical actions shall not be approved in floodways or coastal high hazard areas.
(3) 500-year floodplain means the minimum floodplain of concern for Critical Actions and is the area subject to inundation from a flood having a 0.2 percent chance of occurring in any given year. (See §55.2(b)(1) for appropriate data sources.)
(4) Floodway means that portion of the floodplain which is effective in carrying flow, where the flood hazard is generally the greatest, and where water depths and velocities are the highest. The term “floodway” as used here is consistent with “regulatory floodways” as identified by FEMA. (See §55.2(b)(1) for appropriate data sources.)
(5) Functionally dependent use means a land use that must necessarily be conducted in close proximity to water (e.g., a dam, marina, port facility, water-front park, and many types of bridges).
(6) High hazard area means a floodway or a coastal high hazard area.
(7) 100-year floodplain means the floodplain of concern for this part and is the area subject to a one percent or greater chance of flooding in any given year. (See §55.2(b)(1) for appropriate data sources.)
(8)(i) Substantial improvement means either:
(A) Any repair, reconstruction, modernization or improvement of a structure, the cost of which equals or exceeds 50 percent of the market value of the structure either:
(1) Before the improvement or repair is started; or
(2) If the structure has been damaged, and is being restored, before the damage occurred; or
(B) Any repair, reconstruction, modernization or improvement of a structure that results in an increase of more than twenty percent in the number of dwelling units in a residential project or in the average peak number of customers and employees likely to be on-site at any one time for a commercial or industrial project.
(ii) Substantial improvement may not be defined to include either:
(A) Any project for improvement of a structure to comply with existing state or local health, sanitary or safety code specifications that is solely necessary to assure safe living conditions, or
(B) Any alteration of a structure listed on the National Register of Historical Places or on a State Inventory of Historic Places.
(iii) Structural repairs, reconstruction, or improvements not meeting this definition are considered “minor improvements”.
§ 55.3 Assignment of responsibilities.
(a)(1) The Assistant Secretary for Community Planning and Development (CPD) shall oversee: (i) The Department’s implementation of the order and this part in all HUD programs, and
(ii) The implementation activities of HUD program managers and grant recipients for HUD financial assistance subject to 24 CFR part 58.
(b) Other HUD Assistant Secretaries, the General Counsel, and the President of the Government National Mortgage Association (GNMA) shall: (1) Ensure compliance with this part for all actions
§ 55.10  Environmental review procedures under 24 CFR parts 50 and 58.

(a) Where an environmental review is required under the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4332, and 24 CFR part 50 or part 58, compliance with this part shall be completed before the completion of an environmental assessment (EA) including a finding of no significant environmental impact (FONSI), or an environmental impact statement (EIS), in accordance with the decision points listed in 24 CFR 50.17(a) through (h), or before the preparation of an EA under 24 CFR 58.40 or an EIS under 24 CFR 58.36. For types of proposed actions that are categorically excluded from National Environmental Policy Act (NEPA) requirements under 24 CFR part 50 (or part 58), compliance with this part shall be completed before the Department’s initial (SAMA, conditional, etc.) approval (or the conditional commitment or approval by a grant recipient subject to 24 CFR part 58) of proposed actions in a floodplain.

(b) The categorical exclusion of certain proposed actions from environmental review requirements under NEPA and 24 CFR parts 50 and 58 (see 24 CFR 50.20 and 58.35) does not exclude those actions from compliance with this part.

§ 55.11  Applicability of subpart C decision making process.

(a) Before reaching the decision points described in § 55.10(a), HUD (for Department-administered programs) or the grant recipient (for HUD financial assistance subject to 24 CFR part 58) shall determine whether Executive Order 11988 and this part apply to the proposed action.

(b) If Executive Order 11988 applies, the approval of a proposed action or initial commitment shall be made in accordance with this part. The primary purpose of Executive Order 11988 is to “avoid direct or indirect support of floodplain development.”

(c) The following table indicates the applicability, by location and type of action, of the decision making process for implementing Executive Order 11988 under subpart C of this part.

### § 55.12 Inapplicability of 24 CFR part 55 to certain categories of proposed actions.

(a) The decision making steps in § 55.20 (b), (c) and (g) (steps 2, 3 and 7) shall not apply to the following categories of proposed actions: (1) HUD actions involving the disposition of HUD-acquired multifamily housing projects or “bulk sales” of HUD-acquired one- to four-family properties in communities that are in the Regular Program of the National Flood Insurance Program (NFIP) and in good standing (i.e., not suspended from program eligibility or placed on probation under 44 CFR 59.24).

(2) HUD’s actions under section 223(f) of the National Housing Act (12 U.S.C. 1715n(f)) for the purchase or refinancing of existing multifamily housing projects (including hospitals, nursing homes, board and care facilities, and intermediate care facilities) in communities that are in the Regular Program of the National Flood Insurance Program (NFIP) and in good standing (i.e., not suspended from program eligibility or placed on probation under 44 CFR 59.24).

(3) Financial assistance for minor repairs or improvements on one- to four-family properties in communities that are in the Regular Program of the NFIP and in good standing, provided that the number of units is not increased more than 20 percent, the action does not involve a conversion from nonresidential to residential land use, and the footprint of the structure and paved areas is not significantly increased.

(b) The decision making process in § 55.20 shall not apply to the following categories of proposed actions: (1) HUD’s mortgage insurance actions and other financial assistance for the purchasing, mortgaging or refinancing of existing one- to four-family properties in communities that are in the Regular Program of the National Flood Insurance Program (NFIP) and in good standing (i.e., not suspended from program eligibility or placed on probation under 44 CFR 59.24), where the action is not a critical action and the property is not located in a floodway or coastal high hazard area;

(2) Financial assistance for minor repairs or improvements on one- to four-family properties that do not meet the thresholds for “substantial improvement” under § 55.2(b)(8);

(3) HUD actions involving the disposition of individual HUD-acquired, one- to four-family properties; and

(4) HUD guarantees under the Loan Guarantee Recovery Fund Program (24 CFR part 573) of loans that refinance existing loans and mortgages, where any new construction or rehabilitation financed by the existing loan or mortgage has been completed prior to the filing of an application under the program, and the refinancing will not allow further construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance.

(c) This part shall not apply to the following categories of proposed HUD actions:

(1) HUD-assisted exempt activities described in 24 CFR 58.34;
(2) Policy level actions described at 24 CFR 50.16 that do not involve site-based decisions;

(3) HUD’s implementation of the full disclosure and other registration requirements of the Interstate Land Sales Disclosure Act (15 U.S.C. 1701–1720);

(4) An action involving a repossession, receivership, foreclosure, or similar acquisition of property to protect or enforce HUD’s financial interests under previously approved loans, grants, mortgage insurance, or other HUD assistance;

(5) A minor amendment to a previously approved action with no additional adverse impact on or from a floodplain;

(6) HUD’s approval of a project site, an incidental portion of which is situated in an adjacent floodplain, but only if: (i) The proposed construction and landscaping activities (except for minor grubbing, clearing of debris, pruning, sodding, seeding, etc.) do not occupy or modify the 100-year floodplain or the 500-year floodplain (for Critical Actions);

(ii) Appropriate provision is made for site drainage; and

(iii) A covenant or comparable restriction is placed on the property’s continued use to preserve the floodplain;

(7) An action for interim assistance, assistance under the section 232(i) Fire Safety Equipment Loan Insurance Program, or other forms of rental subsidy where HUD, the awarding community, or the public housing agency that administers the contract awards rental subsidies that are not project-based (i.e., do not involve site-specific subsidies); and

Subpart C—Procedures for Making Determinations on Floodplain Management

§ 55.20 Decision making process.

The decision making process for compliance with this part contains eight steps, including public notices and an examination of practicable alternatives. The steps to be followed in the decision making process are:

(a) Step 1. Determine whether the proposed action is located in a 100-year floodplain (or a 500-year floodplain for a Critical Action). If the proposed action would not be conducted in one of those locations, then no further compliance with this part is required.

(b) Step 2. Notify the public at the earliest possible time of a proposal to conduct an action in a floodplain (or in the 500-year floodplain for a Critical Action), and involve the affected and interested public in the decision making process.
Office of the Secretary, HUD § 55.20

(1) The public notices required by paragraphs (b) and (g) of this section may be combined with other project notices wherever appropriate. Notices required under this part must be bilingual if the affected public is largely non-English speaking. In addition, all notices must be published in an appropriate local printed news medium, and must be sent to federal, state, and local public agencies, organizations, and, where not otherwise covered, individuals known to be interested in the proposed action.

(2) A minimum of 15 calendar days shall be allowed for comment on the public notice.

(3) A notice under this paragraph shall state: the name, proposed location and description of the activity; the total number of acres of floodplain involved; and the HUD official and phone number to contact for information. The notice shall indicate the hours and the HUD office at which a full description of the proposed action may be reviewed.

(c) Step 3. Identify and evaluate practicable alternatives to locating the proposed action in a floodplain (or the 500-year floodplain for a Critical Action).

(1) The consideration of practicable alternatives to the proposed site or method may include:
   (i) Locations outside the floodplain (or 500-year floodplain for a Critical Action);
   (ii) Alternative methods to serve the identical project objective; and
   (iii) A determination not to approve any action.

(2) In reviewing practicable alternatives, the Department or a grant recipient subject to 24 CFR part 58 shall consider feasible technological alternatives, hazard reduction methods and related mitigation costs, and environmental impacts.

(d) Step 4. Identify the potential direct and indirect impacts associated with the occupancy or modification of the floodplain (or 500-year floodplain for a Critical Action).

(e) Step 5. Where practicable, design or modify the proposed action to minimize the potential adverse impacts within the floodplain (including the 500-year floodplain for a Critical Action) and to restore and preserve its natural and beneficial values. All critical actions in the 500-year floodplain shall be designed and built at or above the 100-year floodplain (in the case of new construction) and modified to include:
   (1) Preparation of and participation in an early warning system;
   (2) An emergency evacuation and relocation plan;
   (3) Identification of evacuation route(s) out of the 500-year floodplain; and
   (4) Identification marks of past or estimated flood levels on all structures.

(f) Step 6. Reevaluate the proposed action to determine:
   (1) Whether it is still practicable in light of its exposure to flood hazards in the floodplain, the extent to which it will aggravate the current hazards to other floodplains, and its potential to disrupt floodplain values; and
   (2) Whether alternatives preliminarily rejected at Step 3 (paragraph (c)) of this section are practicable in light of the information gained in Steps 4 and 5 (paragraphs (d) and (e)) of this section.

(g) Step 7. (1) If the reevaluation results in a determination that there is no practicable alternative to locating the proposal in the floodplain (or the 500-year floodplain for a Critical Action), publish a final notice that includes:
   (i) The reasons why the proposal must be located in the floodplain;
   (ii) A list of the alternatives considered; and
   (iii) All mitigation measures to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values.

(2) In addition, the public notice procedures of §55.20(b)(1) shall be followed, and a minimum of 7 calendar days for public comment before approval of the proposed action shall be provided.

(h) Step 8. Upon completion of the decision making process in Steps 1 through 7, implement the proposed action. There is a continuing responsibility to ensure that the mitigating measures identified in Step 7 are implemented.
§ 55.21 Notification of floodplain hazard.

For HUD programs under which a financial transaction for a property located in a floodplain (a 500-year floodplain for a Critical Action) is guaranteed, approved, regulated or insured, any private party participating in the transaction and any current or prospective tenant shall be informed by HUD (or by HUD’s designee, e.g., a mortgagor) or a grant recipient subject to 24 CFR part 58 of the hazards of the floodplain location before the execution of documents completing the transaction.

§ 55.22 Conveyance restrictions for the disposition of multifamily real property.

(a) In the disposition (including leasing) of multifamily properties acquired by HUD that are located in a floodplain (a 500-year floodplain for a Critical Action), the documents used for the conveyance must: (1) Refer to those uses that are restricted under identified federal, state, or local floodplain regulations; and

(2) Include any land use restrictions limiting the use of the property by a grantee or purchaser and any successors under state or local laws.

(b)(1) For disposition of multifamily properties acquired by HUD that are located in a 500-year floodplain and contain Critical Actions, HUD shall, as a condition of approval of the disposition, require by covenant or comparable restriction on the property’s use that the property owner and successive owners provide written notification to each current and prospective tenant concerning: (i) The hazards to life and to property for those persons who reside or work in a structure located within the 500-year floodplain, and

(ii) The availability of flood insurance on the contents of their dwelling unit or business.

(2) The notice shall also be posted in the building so that it will be legible at all times and easily visible to all persons entering or using the building.

§ 55.23 [Reserved]

§ 55.24 Aggregation.

Where two or more actions have been proposed, require compliance with subpart C of thispart, affect the same floodplain, and are currently under review by the Department (or by a grant recipient subject to 24 CFR part 58), individual or aggregated approvals may be issued. A single compliance review and approval under this section is subject to compliance with the decision making process in § 55.20.

§ 55.25 Areawide compliance.

(a) A HUD-approved areawide compliance process may be substituted for individual compliance or aggregated compliance under § 55.24 where a series of individual actions is proposed or contemplated in a pertinent area for HUD’s examination of floodplain hazards. In areawide compliances, the area for examination may include a sector of, or the entire, floodplain— as relevant to the proposed or anticipated actions. The areawide compliance process shall be in accord with the decision making process under § 55.20.

(b) The areawide compliance process shall address the relevant executive orders and shall consider local land use planning and development controls (e.g., those enforced by the community for purposes of floodplain management under the National Flood Insurance Program (NFIP)) and applicable state programs for floodplain management. The process shall include the development and publication of a strategy that identifies the range of development and mitigation measures under which the proposed HUD assistance may be approved and that indicates the types of actions that will not be approved in the floodplain.

(c) Individual actions that fit within the types of proposed HUD actions specifically addressed under the areawide compliance do not require further compliance with § 55.20 except that a determination by the Department or a grant recipient subject to 24 CFR part 58 shall be made concerning whether the individual action accords with the areawide strategy. Where the individual action does not accord with the
Office of the Secretary, HUD

§ 55.27 Documentation.

(a) For purposes of compliance with §55.20, the responsible HUD official who would approve the proposed action (or the Certifying Officer for a grant recipient subject to 24 CFR part 58) shall require that the following actions be documented: (1) Under §55.20(c), practicable alternative sites have been considered outside the floodplain, but within the local housing market area, the local public utility service area, or the jurisdictional boundaries of a recipient unit of general local government (as defined in 24 CFR 570.3), whichever geographic area is more appropriate to the proposed HUD action. Actual sites under review must be identified and the reasons for the non-selection of those sites as practicable alternatives must be described; and
(2) Under §55.20(e), measures to minimize the potential adverse impacts of the proposed action on the affected floodplain as identified in §55.20(d) have been applied to the design for the proposed action.

(b) For purposes of compliance with §55.24, §55.25, or §55.26 (as appropriate), the responsible HUD official (or the Certifying Officer for a grant recipient subject to 24 CFR part 58) who would approve the proposed action shall require documentation of compliance with the required conditions.

(c) Documentation of compliance with this part (including copies of public notices) must be attached to the environmental assessment, the environmental impact statement, the environmental impact statement or the compliance record and be maintained as a part of the project file. In addition, for environmental impact statements, documentation of compliance with this part must be included as a part of the record of decision (or environmental review record for grant recipients subject to 24 CFR part 58).

§ 58.2 Terms, abbreviations and definitions.

(a) For the purposes of this part, the following definitions supplement the uniform terminology provided in 40 CFR part 1508:

(1) Activity means an action that a grantee or recipient puts forth as part of an assisted project, regardless of whether its cost is to be borne by the HUD assistance or is an eligible expense under the HUD assistance program.

(2) Certifying Officer means the official who is authorized to execute the Request for Release of Funds and Certification and has the legal capacity to carry out the responsibilities of § 58.13.

(3) Extraordinary Circumstances means a situation in which an environmental assessment (EA) or environmental impact statement (EIS) is not normally required, but due to unusual conditions, an EA or EIS is appropriate. Indicators of unusual conditions are:

(i) Actions that are unique or without precedent;

(ii) Actions that are substantially similar to those that normally require an EIS;

(iii) Actions that are likely to alter existing HUD policy or HUD mandates; or

(iv) Actions that, due to unusual physical conditions on the site or in the vicinity, have the potential for a significant impact on the environment or in which the environment could have a significant impact on users of the facility.

(4) Project means an activity, or a group of integrally related activities, designed by the recipient to accomplish, in whole or in part, a specific objective.

(5) Recipient means any of the following entities, when they are eligible recipients or grantees under a program listed in § 58.1(b):

(i) A State that does not distribute HUD assistance under the program to a unit of general local government;

(ii) Guam, the Northern Mariana Islands, the Virgin Islands, American Samoa, and Palau;

(iii) A unit of general local government;

(iv) An Indian tribe;

(v) With respect to Public Housing Programs under § 58.1(b)(6)(i), a public housing agency;

(viii) With respect to the Self-Help Homeownership Opportunity Program under § 58.1(b)(9), any direct grantee of HUD.

(6) Release of funds. In the case of the FHA Multifamily Housing Finance Agency Pilot Program under § 58.1(b)(8), Release of Funds, as used in this part, refers to HUD issuance of a firm approval letter, and Request for Release of Funds refers to a recipient's request for a firm approval letter.

(7) Responsible Entity means:

(i) With respect to environmental responsibilities under programs listed in § 58.1(b) (1) through (5), a recipient under the program.

(ii) With respect to environmental responsibilities under the programs listed in § 58.1(b) (6) through (9), a State, unit of general local government, Indian tribe or Alaska native village, when it is the recipient under the program. Non-recipient responsible entities are designated as follows:

(A) For qualified housing finance agencies, the State or a unit of general local government, Indian tribe or Alaska native village whose jurisdiction contains the project site;

(B) For public housing agencies, the unit of general local government in which the project is located that exercises land use responsibility, or if HUD determines this infeasible, the county, or if HUD determines this infeasible, the State;
(C) For non-profit organizations and other entities, the unit of general local government, Indian tribe or Alaska native village within which the project is located that exercises land use responsibility, or if HUD determines this infeasible, the county, or if HUD determines this infeasible, the State;

(9) **Tiering** means the evaluation of an action or an activity at various points in the development process as a proposal or event becomes ripe for an Environmental Assessment or Review.

(10) **Vacant Building** means a habitable structure that has been vacant for more than one year.

(b) The following abbreviations are used throughout this part:

§ 58.4 Assumption authority.

(a) Assumption authority for responsible entities: General. Responsible entities shall assume the responsibility for environmental review, decision-making, and action that would otherwise apply to HUD under NEPA and other provisions of law that further the purposes of NEPA, as specified in §58.5. Responsible entities that receive assistance directly from HUD assume these responsibilities by execution of a grant agreement with HUD and/or a legally binding document such as the certification contained on HUD Form 7015.15, certifying to the assumption of environmental responsibilities. When a State distributes funds to a responsible entity, the State must provide for appropriate procedures by which these responsible entities will evidence their assumption of environmental responsibilities.

(b) Particular responsibilities of the States. (1) States are recipients for purposes of directly undertaking a State project and must assume the environmental review responsibilities for the State's activities and those of any non-governmental entity that may participate in the project. In this case, the State must submit the certification and RROF to HUD for approval.

(2) States must exercise HUD's responsibilities in accordance with §58.18, with respect to approval of a unit of local government's environmental certification and RROF for a HUD assisted project funded through the State, except for projects assisted by Section 17 Rental Rehabilitation assistance and Housing Development Grants. Approval by the State of a unit of local government's certification and RROF satisfies the Secretary's responsibilities under NEPA and the related laws cited in §58.5.

(3) For section 17 Rental Rehabilitation projects and Housing Development Grants, the State agency shall meet the responsibilities set forth in §58.18. However, for section 17 projects, the
State lacks authority to approve RROFs and therefore must forward to the responsible HUD Field Office the local recipient’s certification and RROF, any objections to the release of funds submitted by another party, and the State’s recommendation as to whether HUD should approve the certification and the RROF.

§ 58.5 Related Federal laws and authorities.

In accordance with the provisions of law cited in § 58.1(b), the responsible entity must assume responsibilities for environmental review, decision-making and action that would apply to HUD under the following specified laws and authorities. The responsible entity must certify that it has complied with the requirements that would apply to HUD under these laws and authorities and must consider the criteria, standards, policies and regulations of these laws and authorities.

(3) Federal historic preservation regulations as follows:

(i) 36 CFR part 800 with respect to HUD programs other than Urban Development Action Grants (UDAG); and

(ii) 36 CFR part 801 with respect to UDAG.

(b) Floodplain management and wetland protection. (1) Executive Order 11988, Floodplain Management, May 24, 1977 (42 FR 26951), 3 CFR, 1977 Comp., p. 117, as interpreted in HUD regulations at 24 CFR part 55, particularly section 2(a) of the order (for an explanation of the relationship between the decision-making process in 24 CFR part 55 and this part, see § 55.10 of this subtitle A.)

(c) Coastal Zone Management. The Coastal Zone Management Act of 1972 (16 U.S.C. 1451 et seq.), as amended, particularly section 307(c) and (d) (16 U.S.C. 1456(c) and (d)).

(2) Sole Source Aquifers (Environmental Protection Agency—40 CFR part 149).

(f) Wild and scenic rivers. The Wild and Scenic Rivers Act of 1968 (16 U.S.C. 1271 et seq.) as amended, particularly section 7(b) and (c) (16 U.S.C. 1278(b) and (c)).

(g) Air quality. (1) The Clean Air Act (42 U.S.C. 7401 et. seq.) as amended; particularly section 176(c) and (d) (42 U.S.C. 7506(c) and (d)).

(2) Determining Conformity of Federal Actions to State or Federal Implementation Plans (Environmental Protection Agency—40 CFR parts 6, 51, and 93).

(h) Farmlands protection. (1) Farmland Protection Policy Act of 1981 (7 U.S.C. 4201 et seq.) particularly sections 1540(b) and 1541 (7 U.S.C. 4201(b) and 4202).

(2) Farmland Protection Policy (Department of Agriculture—7 CFR part 658).

(i) HUD environmental standards. Applicable criteria and standards specified in HUD environmental regulations (24 CFR part 51) (other than the runaway clear zone and clear zone notification requirement in 24 CFR 51.303 (a)(3)) and HUD Notice 79–33, Policy Guidance to Address the Problems Posed by Toxic Chemicals and Radioactive Materials, September 10, 1979.

§ 58.6 Other requirements.

In addition to the duties under the laws and authorities specified in §58.5 for assumption by the responsible entity under the laws cited in §58.1(b), the responsible entity must comply with the following requirements. Applicability of the following requirements does not trigger the certification and release of funds procedure under this part or preclude exemption of an activity under §58.34(a)(12) and/or the applicability of §58.35(b). However, the responsible entity remains responsible for addressing the following requirements in its ERR and meeting these requirements, regardless of whether the activity is exempt under §58.34 or categorically excluded under §58.35(a) or (b).

(a)(1) Under the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4001–4128), Federal financial assistance for acquisition and construction purposes (including rehabilitation) may not be used in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, unless:

(i) The community in which the area is situated is participating in the National Flood Insurance Program (see 44 CFR parts 59 through 79), or less than one year has passed since the FEMA notification regarding such hazards; and

(ii) Where the community is participating in the National Flood Insurance Program, flood insurance protection is to be obtained as a condition of the approval of financial assistance to the property owner.

(2) Where the community is participating in the National Flood Insurance Program and the recipient provides financial assistance for acquisition or construction purposes (including rehabilitation) for property located in an area identified by FEMA as having special flood hazards, the responsible entity is responsible for assuring that flood insurance under the National Flood Insurance Program is obtained and maintained.

(3) Paragraph (a) of this section does not apply to Federal formula grants made to a State.

(b) Under section 582 of the National Flood Insurance Reform Act of 1994, 42 U.S.C. 5154a, HUD disaster assistance that is made available in a special flood hazard area may not be used to make a payment (including any loan assistance payment) to a person for repair, replacement or restoration for flood damage to any personal, residential or commercial property if:

(1) The person had previously received Federal flood disaster assistance conditioned on obtaining and maintaining flood insurance; and

(2) The person failed to obtain and maintain flood insurance.

(c) Pursuant to the Coastal Barrier Resources Act, as amended by the Coastal Barrier Improvement Act of 1990 (16 U.S.C. 3501), HUD assistance may not be used for most activities proposed in the Coastal Barrier Resources System.

(d) In all cases involving HUD assistance, subsidy, or insurance for the purchase or sale of an existing property in a Runway Clear Zone or Clear Zone, as defined in 24 CFR part 51, the responsible entity shall advise the buyer that the property is in a runway clear zone or clear zone, what the implications of such a location are, and that there is a possibility that the property may, at a later date, be acquired by the airport operator. The buyer must sign a statement acknowledging receipt of this information.

Subpart B—General Policy: Responsibilities of Responsible Entities

§ 58.10 Basic environmental responsibility.

In accordance with the provisions of law cited in §58.1(b), the responsible entity must assume the environmental responsibilities for projects under programs cited in §58.1(b), and in doing so must comply with the provisions of NEPA and the CEQ regulations contained in 40 CFR parts 1500 through 1508, including the requirements set forth in this part. This includes responsibility for compliance with the applicable provisions and requirements of
§ 58.11 Legal capacity and performance.

(a) A responsible entity which believes that it does not have the legal capacity to carry out the environmental responsibilities required by this part must contact the appropriate local HUD Office or the State for further instructions. Determinations of legal capacity will be made on a case-by-case basis.

(b) If a public housing, Indian housing, special project or self-help homeownership opportunity recipient objects to the non-recipient responsible entity conducting the environmental review on the basis of performance, timing, or compatibility of objectives, HUD will review the facts to determine who will perform the environmental review.

(c) At any time, HUD may reject the use of a responsible entity to conduct the environmental review in a particular case on the basis of performance, timing or compatibility of objectives, or in accordance with § 58.77(d)(1).

(d) If a responsible entity, other than a recipient, objects to performing an environmental review, or if HUD determines that the responsible entity should not perform the environmental review, HUD may designate another responsible entity to conduct the review in accordance with the provisions of 24 CFR part 50.

§ 58.12 Technical and administrative capacity.

The responsible entity must develop the technical and administrative capability necessary to comply with 40 CFR parts 1500 through 1508 and the requirements of this part.

§ 58.13 Responsibilities of the certifying officer.

Under the terms of the certification required by § 58.71, a responsible entity’s certifying officer is the “responsible Federal official” as that term is used in section 102 of NEPA and in statutory provisions cited in § 58.1(b).

24 CFR Subtitle A (4–1–00 Edition)

The Certifying Officer is therefore responsible for all the requirements of section 102 of NEPA and the related provisions in 40 CFR parts 1500 through 1508, and 24 CFR part 58, including the related Federal authorities listed in § 58.5. The Certifying Officer must also:

(a) Represent the responsible entity and be subject to the jurisdiction of the Federal courts. The Certifying Officer will not be represented by the Department of Justice in court; and

(b) Ensure that the responsible entity reviews and comments on all EISs prepared for Federal projects that may have an impact on the recipient’s program.

§ 58.14 Interaction with State, Federal and non-Federal entities.

A responsible entity shall consult with appropriate environmental agencies, State, Federal and non-Federal entities and the public in the preparation of an EIS, EA or other environmental reviews undertaken under the related laws and authorities cited in §§ 58.5 and 58.6. The responsible entity must also cooperate with other agencies to reduce duplication between NEPA and comparable environmental review requirements of the State (see 40 CFR 1506.2 (b) and (c)). The responsible entity must prepare its EAs and EISs so that they comply with the environmental review requirements of both Federal and State laws unless otherwise specified or provided by law. State, Federal and local agencies may participate or act in a joint lead or cooperating agency capacity in the preparation of joint EISs or joint environmental assessments (see 40 CFR 1501.5(b) and 1501.6). A single EIS or EA may be prepared and adopted by multiple users to the extent that the review addresses the relevant environmental issues and there is a written agreement between the cooperating agencies which sets forth the coordinated and overall responsibilities.

[63 FR 15271, Mar 30, 1998]

§ 58.15 Tiering.

Responsible entities may tier their environmental reviews and assessments to eliminate repetitive discussions of the same issues at subsequent levels of review. Tiering is appropriate
when there is a requirement to evaluate a policy or proposal in the early stages of development or when site-specific analysis or mitigation is not currently feasible and a more narrow or focused analysis is better done at a later date. The site specific review need only reference or summarize the issues addressed in the broader review. The broader review should identify and evaluate those issues ripe for decision and exclude those issues not relevant to the policy, program or project under consideration. The broader review should also establish the policy, standard or process to be followed in the site specific review. The Finding of No Significant Impact (FONSI) with respect to the broader assessment shall include a summary of the assessment and identify the significant issues to be considered in site specific reviews. Subsequent site-specific reviews will not require notices or a Request for Release of Funds unless the Certifying Officer determines that there are unanticipated impacts or impacts not adequately addressed in the prior review. A tiering approach can be used for meeting environmental review requirements in areas designated for special focus in local Consolidated Plans. Local and State Governments are encouraged to use the Consolidated Plan process to facilitate environmental reviews.

§ 58.17 Historic preservation requirements for prior section 17 grants.

A recipient of a section 17 grant shall comply with the historic preservation requirements of this part and existing grant agreements.

§ 58.18 Responsibilities of States assuming HUD responsibilities.

(a) States that elect to administer a HUD program shall ensure that the program complies with the provisions of this part. The State must:

(i) Designate the State agency or agencies which will be responsible for carrying out the requirements and administrative responsibilities set forth in subpart H of this part and which will:

(ii) Develop a monitoring and enforcement program for post-review actions on environmental reviews and monitor compliance with any environmental conditions included in the award.

(iii) Receive public notices, RROFs and certifications from recipients pursuant to §§58.70 and 58.71; accept objections from the public and from other agencies (§58.73); and perform other related responsibilities regarding releases of funds.

(2) Fulfill the State role in subpart H relative to the time period set for the receipt and disposition of comments, objections and appeals (if any) on particular projects.

(b) States administering section 17 Programs shall assume the responsibilities set forth in this section for overseeing the State recipient's performance and compliance with NEPA and related Federal authorities as set forth in this part, including receiving RROFs and environmental certifications for particular projects from State recipients and objections from government agencies and the public in accordance with the procedures contained in subpart H of this part. The State shall forward to the responsible HUD Field Office the environmental certification, the RROF and any objections received, and shall recommend whether to approve or disapprove the certification and RROF.

Subpart C—General Policy: Environmental Review Procedures

§ 58.21 Time periods.

All time periods in this part shall be counted in calendar days. The first day of a time period begins at 12:01 a.m. local time on the day following the publication or the mailing and posting date of the notice which initiates the time period.

§ 58.22 Limitations on activities pending clearance.

(a) A recipient may not commit HUD assistance funds under a program listed in §58.1(b) on an activity or project until HUD or the State has approved the recipient's RROF and the related certification of the responsible entity. In addition, until the RROF and related certification has been approved, the recipient may not commit non-HUD funds on an activity or project under a program listed in §58.1(b) if the
activity or project would have an adverse environmental impact or limit the choice of reasonable alternatives. If an activity is exempt under §58.34, or not subject to §58.5 under §58.35(b), no RROF is required and a recipient may undertake the activity immediately after the award of the assistance.

(b) An option agreement on a proposed site or property is allowable prior to the completion of the environmental review if the option agreement is subject to a determination by the recipient on the desirability of the property for the project as a result of the completion of the environmental review in accordance with this part and the cost of the option is a nominal portion of the purchase price. There is no constraint on the purchase of an option by third parties that have not been selected for HUD funding, have no responsibility for the environmental review and have no say in the approval or disapproval of the project.

(c) Relocation. Funds may be committed for relocation assistance before the approval of the RROF and related certification for the project provided that the relocation assistance is required by 24 CFR part 42.

§58.23 Financial assistance for environmental review.

The costs of environmental reviews, including costs incurred in complying with any of the related laws and authorities cited in §58.5 and §58.6, are eligible costs to the extent allowable under the HUD assistance program regulations.

Subpart D—Environmental Review Process: Documentation, Range of Activities, Project Aggregation and Classification

§58.30 Environmental review process.

(a) The environmental review process consists of all the actions that a responsible entity must take to determine compliance with this part. The environmental review process includes all the compliance actions needed for other activities and projects that are not assisted by HUD but are aggregated by the responsible entity in accordance with §58.32.

(b) The environmental review process should begin as soon as a recipient determines the projected use of HUD assistance.

§58.32 Project aggregation.

(a) A responsible entity must group together and evaluate as a single project all individual activities which are related either on a geographical or functional basis, or are logical parts of a composite of contemplated actions.

(b) In deciding the most appropriate basis for aggregation when evaluating activities under more than one program, the responsible entity may choose:

(1) functional aggregation when a specific type of activity (e.g., water improvements) is to take place in several separate locales or jurisdictions;

(2) geographic aggregation when a mix of dissimilar but related activities is to be concentrated in a fairly specific project area (e.g., a combination of water, sewer and street improvements and economic development activities); or

(3) a combination of aggregation approaches, which, for various project locations, considers the impacts arising from each functional activity and its interrelationship with other activities.

(c) The purpose of project aggregation is to group together related activities so that the responsible entity can:

(1) Address adequately and analyze, in a single environmental review, the separate and combined impacts of activities that are similar, connected and closely related, or that are dependent upon other activities and actions. (See 40 CFR 1508.25(a)).

(2) Consider reasonable alternative courses of action.

(3) Schedule the activities to resolve conflicts or mitigate the individual, combined and/or cumulative effects.

(4) Prescribe mitigation measures and safeguards including project alternatives and modifications to individual activities.

(d) Multi-year project aggregation—(1) Release of funds. When a recipient’s planning and program development provide for activities to be implemented over two or more years, the responsible entity’s environmental review should consider the relationship

374
among all component activities of the multi-year project regardless of the source of funds and address and evaluate their cumulative environmental effects. The estimated range of the aggregated activities and the estimated cost of the total project must be listed and described by the responsible entity in the environmental review and included in the RROF. The release of funds will cover the entire project period.

(2) When one or more of the conditions described in §58.47 exists, the recipient or other responsible entity must re-evaluate the environmental review.

§ 58.33 Emergencies.

(a) In the cases of emergency, disaster or imminent threat to health and safety which warrant the taking of an action with significant environmental impact, the provisions of 40 CFR 1506.11 shall apply.

(b) If funds are needed on an emergency basis and when adherence to separate comment periods would prevent the giving of assistance, the combined Notice of FONSI and the Notice of the Intent to Request Release of Funds may be disseminated and/or published simultaneously with the submission of the Request for Release of Funds (RROF). The combined Notice of FONSI and NOI/ROF shall state that the funds are needed on an immediate emergency basis due to a Presidentially declared disaster and that the comment periods have been combined. The Notice shall also invite commenters to submit their comments to both HUD and the responsible entity issuing the notice to assure that these comments will receive full consideration.

§ 58.34 Exempt activities.

(a) Except for the applicable requirements of §58.6, the responsible entity does not have to comply with the requirements of this part or undertake any environmental review, consultation or other action under NEPA and the other provisions of law or authorities cited in §58.5 for the activities exempt by this section or projects consisting solely of the following exempt activities:

(1) Environmental and other studies, resource identification and the development of plans and strategies;

(2) Information and financial services;

(3) Administrative and management activities;

(4) Public services that will not have a physical impact or result in any physical changes, including but not limited to services concerned with employment, crime prevention, child care, health, drug abuse, education, counseling, energy conservation and welfare or recreational needs;

(5) Inspections and testing of properties for hazards or defects;

(6) Purchase of insurance;

(7) Purchase of tools;

(8) Engineering or design costs;

(9) Technical assistance and training;

(10) Assistance for temporary or permanent improvements that do not alter environmental conditions and are limited to protection, repair, or restoration activities necessary only to control or arrest the effects from disasters or imminent threats to public safety including those resulting from physical deterioration;

(11) Payment of principal and interest on loans made or obligations guaranteed by HUD;

(12) Any of the categorical exclusions listed in §58.35(a) provided that there are no circumstances which require compliance with any other Federal laws and authorities cited in §58.5.

(b) A recipient does not have to submit an RROF and certification, and no further approval from HUD or the State will be needed by the recipient for the drawdown of funds to carry out exempt activities and projects. However, the responsible entity must document in writing the determination that each activity or project is exempt and meets the conditions specified for such exemption under this section.

§ 58.35 Categorical exclusions.

Categorical exclusion refers to a category of activities for which no environmental impact statement or environmental assessment and finding of no significant impact under NEPA is
required, except in extraordinary circumstances (see §58.2(a)(3)) in which a normally excluded activity may have a significant impact. Compliance with the other applicable Federal environmental laws and authorities listed in §58.5 is required for any categorical exclusion listed in paragraph (a) of this section.

(a) Categorical exclusions subject to §58.5. The following activities are categorically excluded under NEPA, but may be subject to review under authorities listed in §58.5:

(1) Acquisition, repair, improvement, reconstruction, or rehabilitation of public facilities and improvements (other than buildings) when the facilities and improvements are in place and will be retained in the same use without change in size or capacity of more than 20 percent (e.g., replacement of water or sewer lines, reconstruction of curbs and sidewalks, repaving of streets).

(2) Special projects directed to the removal of material and architectural barriers that restrict the mobility of and accessibility to elderly and handicapped persons.

(3) Rehabilitation of buildings and improvements when the following conditions are met:

   (i) In the case of multifamily residential buildings:
       (A) Unit density is not changed more than 20 percent;
       (B) The project does not involve changes in land use from residential to non-residential; and
       (C) The estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation.

   (ii) In the case of non-residential structures, including commercial, industrial, and public buildings:
       (A) The facilities and improvements are in place and will not be changed in size or capacity by more than 20 percent; and
       (B) The activity does not involve a change in land use, such as from non-residential to residential, commercial to industrial, or from one industrial use to another.

(4) An individual action on a one- to four-family dwelling or an individual action on a project of five or more units developed on scattered sites when the sites are more than 2,000 feet apart and there are not more than four units on any one site.

(5) Acquisition or disposition of an existing structure or acquisition of vacant land provided that the structure or land acquired or disposed of will be retained for the same use.

(6) Combinations of the above activities.

(b) Categorical exclusions not subject to §58.5. The Department has determined that the following categorically excluded activities would not alter any conditions that would require a review or compliance determination under the Federal laws and authorities cited in §58.5. When the following kinds of activities are undertaken, the responsible entity does not have to publish a NOI/RROF or execute a certification and the recipient does not have to submit a RROF to HUD (or the State) except in the circumstances described in paragraph (c) of this section. Following the award of the assistance, no further approval from HUD or the State will be needed with respect to environmental requirements, except where paragraph (c) of this section applies. The recipient remains responsible for carrying out any applicable requirements under §58.6.

(1) Tenant-based rental assistance;

(2) Supportive services including, but not limited to, health care, housing services, permanent housing placement, day care, nutritional services, short-term payments for rent/mortgage/utility costs, and assistance in gaining access to local, State, and Federal government benefits and services;

(3) Operating costs including maintenance, security, operation, utilities, furnishings, equipment, supplies, staff training and recruitment and other incidental costs;

(4) Economic development activities, including but not limited to, equipment purchase, inventory financing, interest subsidy, operating expenses and similar costs not associated with construction or expansion of existing operations;

(5) Activities to assist homebuyers to purchase existing dwelling units or
dwelling units under construction, including closing costs and down payment assistance, interest buydowns, and similar activities that result in the transfer of title.

(6) Affordable housing pre-development costs including legal, consulting, developer and other costs related to obtaining site options, project financing, administrative costs and fees for loan commitments, zoning approvals, and other related activities which do not have a physical impact.

(c) Circumstances requiring NEPA review. If a responsible entity determines that an activity or project identified in paragraph (a) or (b) of this section, because of extraordinary circumstances and conditions at or affecting the location of the activity or project, may have a significant environmental effect, it shall comply with all the requirements of this part.

(d) The Environmental Review Record (ERR) must contain a well organized written record of the process and determinations made under this section.

§ 58.36 Environmental assessments.

If a project is not exempt or categorically excluded under §§58.34 and 58.35, the responsible entity must prepare an EA in accordance with subpart E of this part. If it is evident without preparing an EA that an EIS is required under §58.37, the responsible entity should proceed directly to an EIS.

§ 58.37 Environmental impact statement determinations.

(a) An EIS is required when the project is determined to have a potentially significant impact on the human environment.

(b) An EIS is required under any of the following circumstances, except as provided in paragraph (c) of this section:

(1) The project would provide a site or sites for, or result in the construction of, hospitals or nursing homes containing a total of 2,500 or more beds.

(2) The project would provide enough additional water and sewer capacity to support 2,500 or more additional housing units. The project does not have to be specifically intended for residential use nor does it have to be totally new construction. If the project is designed to provide upgraded service to existing development as well as to serve new development, only that portion of the increased capacity which is intended to serve new development should be counted.

(c) If, on the basis of an EA, a responsible entity determines that the thresholds in paragraph (b) of this section are the sole reason for the EIS, the responsible entity may prepare a FONSI pursuant to 40 CFR 1501.4. In such cases, the FONSI must be made available for public review for at least 30 days before the responsible entity makes the final determination whether to prepare an EIS.

(d) Notwithstanding paragraphs (a) through (c) of this section, an EIS is not required where §58.53 is applicable.

(e) Recommended EIS Format. The responsible entity must use the EIS format recommended by the CEQ regulations (40 CFR 1502.10) unless a determination is made on a particular project that there is a compelling reason to do otherwise. In such a case, the EIS format must meet the minimum requirements prescribed in 40 CFR 1502.10.

§ 58.38 Environmental review record.

The responsible entity must maintain a written record of the environmental review undertaken under this part for each project. This document will be designated the “Environmental Review Record” (ERR), and shall be available for public review. The responsible entity must use the current HUD-recommended formats or develop equivalent formats.

(a) ERR Documents. The ERR shall contain all the environmental review documents, public notices and written
§ 58.40 Preparing the environmental assessment.

The responsible entity may prepare the EA using the HUD recommended format. In preparing an EA for a particular project, the responsible entity must:

(a) Determine existing conditions and describe the character, features and resources of the project area and its surroundings; identify the trends that are likely to continue in the absence of the project.

(b) Identify all potential environmental impacts, whether beneficial or adverse, and the conditions that would change as a result of the project.

(c) Identify, analyze and evaluate all impacts to determine the significance of their effects on the human environment and whether the project will require further compliance under related laws and authorities cited in §§ 58.5 and 58.6.

(d) Examine and recommend feasible ways in which the project or external factors relating to the project could be modified in order to eliminate or minimize adverse environmental impacts.

(e) Examine alternatives to the project itself, if appropriate, including the alternative of no action.

(f) Complete all environmental review requirements necessary for the project’s compliance with applicable authorities cited in §§ 58.5 and 58.6.

(g) Based on steps set forth in paragraph (a) through (f) of this section, make one of the following findings:

(1) A Finding of No Significant Impact (FONSI), in which the responsible entity determines that the project is not an action that will result in a significant impact on the quality of the human environment. The responsible entity may then proceed to § 58.43.

(2) A finding of significant impact, in which the project is deemed to be an action which may significantly affect the quality of the human environment. The responsible entity must then proceed with its environmental review under subpart F or G of this part.

§ 58.43 Dissemination and/or publication of the findings of no significant impact.

(a) If the responsible entity makes a finding of no significant impact, it must prepare a FONSI notice, using the current HUD-recommended format or an equivalent format. As a minimum, the responsible entity must send the FONSI notice to individuals and groups known to be interested in the activities, to the local news media, to the appropriate tribal, local, State and Federal agencies; to the Regional Offices of the Environmental Protection Agency having jurisdiction and to the HUD Field Office (or the State where applicable). The responsible entity may also publish the FONSI notice in a newspaper of general circulation in the affected community. If the notice is not published, it must also be prominently displayed in public buildings, such as the local Post Office and within...
the project area or in accordance with procedures established as part of the citizen participation process.

(b) The responsible entity may disseminate or publish a FONSI notice at the same time it disseminates or publishes the NOI/RROF required by §58.70. If the notices are released as a combined notice, the combined notice shall:

(1) Clearly indicate that it is intended to meet two separate procedural requirements; and

(2) Advise the public to specify in their comments which “notice” their comments address.

(c) The responsible entity must consider the comments and make modifications, if appropriate, in response to the comments, before it completes its environmental certification and before the recipient submits its RROF. If funds will be used in Presidentially declared disaster areas, modifications resulting from public comment, if appropriate, must be made before proceeding with the expenditure of funds.

§ 58.45 Public comment periods.

(a) Notice of finding of no significant impact: 15 days from date of publication or if no publication, 18 days from the date of mailing and posting.

(b) Notice of intent to request release of funds: 7 days from date of publication or if no publication, 10 days from date of mailing and posting.

(c) Concurrent or combined notices: Same as FONSI notice.

§ 58.46 Time delays for exceptional circumstances.

The responsible entity must make the FONSI available for public comments for 30 days before the recipient files the RROF when:

(a) There is a considerable interest or controversy concerning the project;

(b) The proposed project is similar to other projects that normally require the preparation of an EIS; or

(c) The project is unique and without precedent.

§ 58.47 Re-evaluation of environmental assessments and other environmental findings.

(a) A responsible entity must re-evaluate its environmental findings to determine if the original findings are still valid, when:

(1) The recipient proposes substantial changes in the nature, magnitude or extent of the project, including adding new activities not anticipated in the original scope of the project;

(2) There are new circumstances and environmental conditions which may affect the project or have a bearing on its impact, such as concealed or unexpected conditions discovered during the implementation of the project or activity which is proposed to be continued; or

(3) The recipient proposes the selection of an alternative not in the original finding.

(b) (1) If the original findings are still valid but the data or conditions upon which they were based have changed, the responsible entity must affirm the original findings and update its ERR by including this re-evaluation and its determination based on its findings. Under these circumstances, if a FONSI notice has already been published, no further publication of a FONSI notice is required.

(2) If the responsible entity determines that the original findings are no longer valid, it must prepare an EA or an EIS if its evaluation indicates potentially significant impacts.

(3) Where the recipient is not the responsible entity, the recipient must inform the responsible entity promptly of any proposed substantial changes under paragraph (a)(1) of this section, new circumstances or environmental conditions under paragraph (a)(2) of this section, or any proposals to select a different alternative under paragraph (a)(3) of this section, and must then permit the responsible entity to re-evaluate the findings before proceeding.

§ 58.52 Adoption of other agencies' EISs.

The responsible entity may adopt a draft or final EIS prepared by another agency provided that the EIS was prepared in accordance with 40 CFR parts 1500 through 1508. If the responsible entity adopts an EIS prepared by another agency, the procedure in 40 CFR 1506.3 shall be followed. An adopted EIS may have to be revised and modified to adapt it to the particular environmental conditions and circumstances of the project if these are different from the project reviewed in the EIS. In such cases the responsible entity must prepare, circulate, and file a supplemental draft EIS in the manner prescribed in §58.60(d) and otherwise comply with the clearance and time requirements of the EIS process, except that scoping requirements under 40 CFR 1501.7 shall not apply. The agency that prepared the original EIS should be informed that the responsible entity intends to amend and adopt the EIS. The responsible entity may adopt an EIS when it acts as a cooperating agency in its preparation under 40 CFR 1506.3. The responsible entity is not required to re-circulate or file the EIS, but must complete the clearance process for the RROF. The decision to adopt an EIS shall be made a part of the project ERR.

§ 58.53 Use of prior environmental impact statements.

Where any final EIS has been listed in the Federal Register for a project pursuant to this part, or where an areawide or similar broad scale final EIS has been issued and the EIS anticipated a subsequent project requiring an environmental clearance, then no new EIS is required for the subsequent project if all the following conditions are met:

(a) The ERR contains a decision based on a finding pursuant to §58.40 that the proposed project is not a new major Federal action significantly affecting the quality of the human environment. The decision shall include:

1. References to the prior EIS and its evaluation of the environmental factors affecting the proposed subsequent action subject to NEPA;
2. An evaluation of any environmental factors which may not have been previously assessed, or which may have significantly changed;
3. An analysis showing that the proposed project is consistent with the location, use, and density assumptions for the site and with the timing and capacity of the circulation, utility, and other supporting infrastructure assumptions in the prior EIS;
4. Documentation showing that where the previous EIS called for mitigating measures or other corrective action, these are completed to the extent reasonable given the current state of development.

(b) The prior final EIS has been filed within five (5) years, and updated as follows:

1. The EIS has been updated to reflect any significant revisions made to the assumptions under which the original EIS was prepared;
2. The EIS has been updated to reflect new environmental issues and data or legislation and implementing regulations which may have significant environmental impact on the project area covered by the prior EIS.
3. There is no litigation pending in connection with the prior EIS, and no final judicial finding of inadequacy of the prior EIS has been made.

§ 58.55 Notice of intent to prepare an EIS.

As soon as practicable after the responsible entity decides to prepare an EIS, it must publish a NOI/EIS, using the HUD recommended format and disseminate it in the same manner as required by 40 CFR parts 1500 through 1508.

§ 58.56 Scoping process.

The determination on whether or not to hold a scoping meeting will depend on the same circumstances and factors as for the holding of public hearings.
§ 58.57 Lead agency designation.

If there are several agencies ready to assume the lead role, the responsible entity must make its decision based on the criteria in 40 CFR 1501.5(c). If the responsible entity and a Federal agency are unable to reach agreement, then the responsible entity must notify HUD (or the State, where applicable). HUD (or the State) will assist in obtaining a determination based on the procedure set forth in 40 CFR 1501.5(e).

§ 58.59 Public hearings and meetings.

(a) Factors to consider. In determining whether or not to hold public hearings in accordance with 40 CFR 1506.6, the responsible entity must consider the following factors:

(1) The magnitude of the project in terms of economic costs, the geographic area involved, and the uniqueness or size of commitment of resources involved.

(2) The degree of interest in or controversy concerning the project.

(3) The complexity of the issues and the likelihood that information will be presented at the hearing which will be of assistance to the responsible entity.

(4) The extent to which public involvement has been achieved through other means.

(b) Procedure. All public hearings must be preceded by a notice of public hearing, which must be published in the local news media 15 days before the hearing date. The Notice must:

(1) State the date, time, place, and purpose of the hearing or meeting.

(2) Describe the project, its estimated costs, and the project area.

(3) State that persons desiring to be heard on environmental issues will be afforded the opportunity to be heard.

(4) State the responsible entity’s name and address and the name and address of its Certifying Officer.

(5) State what documents are available, where they can be obtained, and any charges that may apply.

§ 58.60 Preparation and filing of environmental impact statements.

(a) The responsible entity must prepare the draft environmental impact statement (DEIS) and the final environmental impact statements (FEIS) using the current HUD recommended format or its equivalent.

(b) The responsible entity must file and distribute the (DEIS) and the (FEIS) in the following manner:

(1) Five copies to EPA Headquarters;

(2) Five copies to EPA Regional Office;

(3) Copies made available in the responsible entity’s and the recipient’s office;

(4) Copies or summaries made available to persons who request them; and

(5) FEIS only—one copy to State, HUD Field Office, and HUD Headquarters library.

(c) The responsible entity may request waivers from the time requirements specified for the draft and final EIS as prescribed in 40 CFR 1506.6.

(d) When substantial changes are proposed in a project or when significant new circumstances or information becomes available during an environmental review, the recipient may prepare a supplemental EIS as prescribed in 40 CFR 1502.9.

(e) The responsible entity must prepare a Record of Decision (ROD) as prescribed in 40 CFR 1505.2.

Subpart H—Release of Funds for Particular Projects

§ 58.70 Notice of intent to request release of funds.

The NOI/RROF must be disseminated and/or published in the manner prescribed by §58.43 and §58.45 before the certification is signed by the responsible entity.

§ 58.71 Request for release of funds and certification.

(a) The RROF and certification shall be sent to the appropriate HUD Field Office (or the State, if applicable), except as provided in paragraph (b) of
§ 58.72 HUD or State actions on RROFs and certifications.

The actions which HUD (or a State) may take with respect to a recipient’s environmental certification and RROF are as follows:

(a) In the absence of any receipt of objection to the contrary, except as provided in paragraph (b) of this section, HUD (or the State) will assume the validity of the certification and RROF and will approve these documents after expiration of the 15-day period prescribed by statute.

(b) HUD (or the State) may disapprove a certification and RROF if it has knowledge that the responsible entity has not complied with the items in §58.75, or that the RROF and certification are inaccurate.

(c) In cases in which HUD has approved a certification and RROF but subsequently learns (e.g., through monitoring) that the recipient violated §58.22 or the recipient or responsible entity otherwise failed to comply with a clearly applicable environmental authority, HUD shall impose appropriate remedies and sanctions in accord with the law and regulations for the program under which the violation was found.

§ 58.73 Objections to release of funds.

HUD (or the State) will not approve the RROF for any project before 15 calendar days have elapsed from the time of receipt of the RROF and the certification or from the time specified in the notice published pursuant to §58.70, whichever is later. Any person or agency may object to a recipient’s RROF and the related certification. However, the objections must meet the conditions and procedures set forth in subpart H of this part. HUD (or the State) can refuse the RROF and certification on any grounds set forth in §58.75. All decisions by HUD (or the State) regarding the RROF and the certification shall be final.

§ 58.74 Time for objecting.

All objections must be received by HUD (or the State) within 15 days from the time HUD (or the State) receives the recipient’s RROF and the related certification, or within the time period specified in the notice, whichever is later.

§ 58.75 Permissible bases for objections.

HUD (or the State), will consider objections claiming a responsible entity’s noncompliance with this part based only on any of the following grounds:
(a) The certification was not in fact executed by the responsible entity's Certifying Officer.

(b) The responsible entity has failed to make one of the two findings pursuant to §58.40 or to make the written determination required by §§58.35, 58.47 or 58.53 for the project, as applicable.

(c) The responsible entity has omitted one or more of the steps set forth at subpart E of this part for the preparation, publication and completion of an EA.

(d) The responsible entity has omitted one or more of the steps set forth at subparts F and G of this part for the conduct, preparation, publication and completion of an EIS.

(e) The recipient has committed funds or incurred costs not authorized by this part before release of funds and approval of the environmental certification by HUD or the State.

(f) Another Federal agency acting pursuant to 40 CFR part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.

§58.76 Procedure for objections.
A person or agency objecting to a responsible entity's RROF and certification shall submit objections in writing to HUD (or the State). The objections shall:

(a) Include the name, address and telephone number of the person or agency submitting the objection, and be signed by the person or authorized official of an agency.

(b) Be dated when signed.

(c) Describe the basis for objection and the facts or legal authority supporting the objection.

(d) State when a copy of the objection was mailed or delivered to the responsible entity's Certifying Officer.

§58.77 Effect of approval of certification.
(a) Responsibilities of HUD and States. HUD's (or, where applicable, the State's) approval of the certification shall be deemed to satisfy the responsibilities of the Secretary under NEPA and related provisions of law cited at §58.5 insofar as those responsibilities relate to the release of funds as authorized by the applicable provisions of law cited in §58.1(b).

(b) Public and agency redress. Persons and agencies seeking redress in relation to environmental reviews covered by an approved certification shall deal with the responsible entity and not with HUD. It is HUD's policy to refer all inquiries and complaints to the responsible entity and its Certifying Officer. Similarly, the State (where applicable) may direct persons and agencies seeking redress in relation to environmental reviews covered by an approved certification to deal with the responsible entity, and not the State, and may refer inquiries and complaints to the responsible entity and its Certifying Officer. Remedies for noncompliance are set forth in program regulations.

(c) Implementation of environmental review decisions. Projects of a recipient will require post-review monitoring and other inspection and enforcement actions by the recipient and the State or HUD (using procedures provided for in program regulations) to assure that decisions adopted through the environmental review process are carried out during project development and implementation.

(d) Responsibility for monitoring and training. (1) At least once every three years, HUD intends to conduct in-depth monitoring and exercise quality control (through training and consultation) over the environmental activities performed by responsible entities under this part. Limited monitoring of these environmental activities will be conducted during each program monitoring site visit. If through limited or in-depth monitoring of these environmental activities or by other means, HUD becomes aware of any environmental deficiencies, HUD may take one or more of the following actions:

(i) In the case of problems found during limited monitoring, HUD may schedule in-depth monitoring at an earlier date or may schedule in-depth monitoring more frequently;

(ii) HUD may require attendance by staff of the responsible entity at HUD-sponsored or approved training, which will be provided periodically at various locations around the country;
(iii) HUD may refuse to accept the certifications of environmental compliance on subsequent grants;
(iv) HUD may suspend or terminate the responsible entity's assumption of the environmental review responsibility;
(v) HUD may initiate sanctions, corrective actions, or other remedies specified in program regulations or agreements or contracts with the recipient.

(2) HUD's responsibilities and action under paragraph (d)(1) of this section shall not be construed to limit or reduce any responsibility assumed by a responsible entity with respect to any particular release of funds under this part. Whether or not HUD takes action under paragraph (d)(1) of this section, the Certifying Officer remains the responsible Federal official under §58.13 with respect to projects and activities for which the Certifying Officer has submitted a certification under this part.

§ 70.1 Purpose and authority.
(a) This part implements section 955 of the National Affordable Housing Act (NAHA), which provides an exemption from the requirement to pay prevailing wage rates determined under the Davis-Bacon Act or (in the case of laborers and mechanics employed in the operation of public housing projects, and architects, technical engineers, draftsmen and technicians employed in the development of public housing projects) determined or adopted by HUD, for volunteers employed on projects that are subject to prevailing wage rates under Title I of the Housing and Community Development Act of 1974 (including Community Development Block Grants, section 108 loan guarantees, and Urban Development Action Grants), under section 12 of the United States Housing Act of 1937 (public housing development and operation and section 8 projects), and under section 202 of the Housing Act of 1959 for elderly and handicapped housing projects prior to the effective date of the amendment of section 202 by section 801 of NAHA. This part also implements other provisions that provide an exemption for volunteers, including section 286 of NAHA (the HOME program), section 202 of the Housing Act of 1959, as amended by NAHA (supportive housing for the elderly), and any later-enacted exemptions.

(b) This part is also applicable to all HUD programs for which there is a statutory provision allowing HUD to waive Davis-Bacon wage rates for volunteers that are not otherwise employed at any time on the work for which the individual volunteers. These programs include section 811 of NAHA (supportive housing for persons with disabilities), FHA mortgage insurance programs under sections 221(d)(3) and (d)(4) (each with respect to cooperative housing projects only), 221(h)(1) (but only where a nonprofit organization undertakes the construction), 231, 232, 236 and 242 of the National Housing
Office of the Secretary, HUD

§ 70.3

(c) This part provides definitions and procedures for determining allowable payments to volunteers, determining who is a bona fide volunteer, and otherwise implementing exemptions from and waivers of prevailing wage requirements where volunteers are employed.

§ 70.2 Applicability.

This part applies to all HUD programs for which there is a statutory exemption from Davis-Bacon or HUD-determined prevailing wage rates for volunteers or a statutory provision allowing HUD waiver of Davis-Bacon prevailing wage rates for volunteers. The programs to which this part applies include the programs listed in section 70.1(a) and (b) and any other program for which a statutory exemption or HUD waiver provision for volunteers is enacted. This part does not, however, apply to HUD waivers of prevailing wage requirements under section 20 of the United States Housing Act of 1937 for public housing residents who volunteer a portion of their labor (see 24 CFR 964.41). This part also does not apply to the contribution of labor by an eligible family under the Mutual Help Homeownership Opportunity Program for Indian families under section 202 of the United States Housing Act of 1937.

§ 70.3 Definitions.

(a) A volunteer, for purposes of this part, is an individual who performs service for a public or private entity for civic, charitable, or humanitarian reasons, without promise, expectation or receipt of compensation for services rendered, on a HUD-assisted or insured project which is subject to a requirement to pay prevailing wage rates.

(1) Individuals shall be considered volunteers only where their services are offered freely and without pressure and coercion, direct or implied, from an employer.

(2) An individual shall not be considered a volunteer if the individual is otherwise employed at any time in the construction or maintenance work for which the individual volunteers.

(b) Expenses, reasonable benefits, or nominal fees may be provided to volunteers without the status of the volunteer being lost but only after a determination is made by HUD on a case-by-case basis by examining the total amount of payments made (expenses, benefits, fees) in the context of the economic realities of the particular situation. Subject to this determination:

(1) A payment for an expense may be received by a volunteer for items such as uniform allowances or reimbursement for reasonable cleaning expenses or wear and tear on personal clothing worn while performing the volunteer work. Additionally, reimbursement for approximate out-of-pocket expenses for the cost of meals and transportation expenses may be made.

(2) Reasonable benefits may constitute inclusion of individual volunteers in group insurance plans (such as liability, health, life, disability, workers' compensation) or pension plan or length of service awards.

(3) A nominal fee is not a substitute for compensation and must not be tied to productivity. The decision as to what constitutes "nominal" must be made on a case-by-case basis and in the context of the economic realities of the situation.

(4) The phrase economic realities means that in determining whether the fee described in paragraph (b)(3) of this section may be deemed "nominal", the amount of the fee must be judged in the context of what paid workers doing the same work would earn in the particular locality involved. For example, a "payment" made to a "homeless" volunteer in an amount which covers basic necessities but nonetheless represents an insignificant amount when compared with local cost of living and real wages may be determined to be nominal for purposes of qualifying as a volunteer, provided the payment is not in fact a substitute for compensation and is not tied in any way to productivity.

(c) Prevailing wage rates, for purposes of this part, means:

(1) Wage rates required to be paid to laborers and mechanics employed in the construction (including rehabilitation) of a project (or in the case of public housing, the development of the
§ 70.4 Procedure for implementing prevailing wage exemptions for volunteers.

(a) This section applies to those HUD programs for which there is a statutory exemption for volunteers, as referenced in §70.1(a).

(b) Local or State agencies or private parties whose employees are otherwise subject to Davis-Bacon or HUD-determined prevailing wage rates which propose to use volunteers and wish to pay the volunteers’ expenses, reasonable benefits, or nominal fees shall request a determination from HUD that these payments meet the criteria in §70.3(b). A written determination shall be provided to the requester by the Department within ten days of receipt by the Department of sufficient information to allow for the determination.

(c) A determination under paragraph (b) shall not be construed in any way as limiting the use of bona fide volunteers on HUD-assisted construction, but rather is required to ensure that the Department performs its appropriate responsibilities under Reorganization Plan No. 14 of 1950 and related Department of Labor Regulations in title 29 CFR part 5, regarding the administration and enforcement of the Davis-Bacon and Related Acts, and its responsibility for the administration and enforcement of HUD-determined or adopted wage rates in the operation of public housing assisted under the United States Housing Act of 1937.

(d) For a project covered by prevailing wage rate requirements in which all the work is to be done by volunteers and there are no paid construction employees, the local or State funding agency (or, if none, the entity that employs the volunteers) shall record in the pertinent project file the name and address of the agency sponsoring the project, a description of the project (location, cost, nature of the work), and the number of volunteers and the hours of work they performed. The entity responsible for recording this information shall also provide a copy of this information to HUD.

(e) For a project covered by prevailing wage rate requirements in which there is to be a mix of paid workers and volunteers, the local or State funding agency (or, if none, the entity responsible for generating certified payrolls) shall provide HUD the information in paragraph (d) of this section, along with the names of the volunteers.

(f) Volunteers who receive no expenses, benefits or fees described in (c) and are otherwise bona fide shall be recorded as in (d) or (e).

§ 70.5 Procedure for obtaining HUD waiver of prevailing wage rates for volunteers.

(a) This section applies to those HUD programs under which HUD is statutorily authorized to waive prevailing wage requirements for volunteers, as referenced in §70.1(b).

(b) Local or State agencies or private parties whose employees are otherwise subject to prevailing wage rates and which wish to use volunteers shall request a waiver of prevailing wage requirements from HUD for the volunteers. A request for waiver shall indicate that the proposed volunteers are volunteering their services for the purposes of lowering the costs of construction. The request shall include information sufficient for HUD to make a determination, as required by statute, that any amounts saved through the use of volunteers are fully credited to the corporation, cooperative, or public body or agency undertaking the construction and a determination that any payments to volunteers meet the criteria in section 70.3(b). Information regarding the crediting of amounts saved is required in order to insure that the statutorily prescribed purpose of lowering the costs of construction is fulfilled by passing savings from the use of volunteers on to the sponsor or other
body or agency undertaking the construction, rather than permitting the retention of any savings as a windfall by a contractor or subcontractor. A written waiver shall be provided to the requestor by the Department within ten days of receipt by the Department of sufficient information to meet the requirements for a waiver.

(c) For a project covered by prevailing wage rate requirements in which all the work is to be done by volunteers and there are no paid construction employees, the local or State funding agency (or, if none, the entity that employs the volunteers) shall record in the pertinent project file the name and address of the agency sponsoring the project, the name, location, and HUD project number (if any) of the project, the number of volunteers, and type of work and hours of work they performed. The entity responsible for recording this information shall provide a copy of the information to HUD.

(d) For a project covered by prevailing wage rate requirements in which there is to be a mix of paid workers and volunteers, the local or State funding agency (or, if none, the entity responsible for generating certified payrolls) shall provide HUD the information in (c) of this section, along with the names of the proposed volunteers.

§ 81.12 Low- and Moderate-Income Housing Goal.

(a) Purpose of goal. This annual goal for the purchase by each GSE of mortgages on housing for low- and moderate-income families ("the Low- and Moderate-Income Housing Goal") is intended to achieve increased purchases by the GSEs of such mortgages.

(b) Factors. In establishing the Low- and Moderate-Income Housing Goals, the Secretary considered the factors in 12 U.S.C. 4562(b). A statement documenting the Secretary’s considerations and findings with respect to these factors, entitled “Secretarial Considerations to Establish the Low- and Moderate-Income Housing Goal,” was published in the Federal Register on December 1, 1995.

(c) Goals. The annual goals for each GSE’s purchases of mortgages on housing for low- and moderate-income families are:
(1) For 1996, 40 percent of the total number of dwelling units financed by that GSE’s mortgage purchases in 1996;
(2) For each of the years 1997-99, 42 percent of the total number of dwelling units financed by that GSE’s mortgage purchases in each of those years; and
(3) For 2000 and thereafter the Secretary shall establish annual goals; pending establishment of goals for 2000 and thereafter, the annual goal for each of those years shall be 42 percent of the total number of dwelling units financed by that GSE’s mortgage purchases in each of those years.

§ 81.13 Central Cities, Rural Areas, and Other Underserved Areas Housing Goal.

(a) Purpose of the goal. This annual goal for the purchase by each GSE of mortgages on housing located in central cities, rural areas, and other underserved areas is intended to achieve increased purchases by the GSEs of mortgages financing housing in areas...
that are underserved in terms of mortgage credit.

(b) Factors. In establishing the Central Cities, Rural Areas, and Other Underserved Areas Goals, the Secretary considered the factors in 12 U.S.C. 4564(b). A statement documenting the Secretary's considerations and findings with respect to these factors, entitled "Secretarial Considerations to Establish the Central Cities, Rural Areas, and Other Underserved Areas Housing Goal," was published in the Federal Register on December 1, 1995.

(c) Goals. The annual goals for each GSE's purchases of mortgages on housing located in central cities, rural areas, and other underserved areas are:

(1) For 1996, 21 percent of the total number of dwelling units financed by that GSE's mortgage purchases in 1996;

(2) For each of the years 1997-99, 24 percent of the total number of dwelling units financed by that GSE's mortgage purchases in each of those years; and

(3) For 2000 and thereafter the Secretary shall establish annual goals; pending establishment of goals for 2000 and thereafter, the annual goal for each of those years shall be 24 percent of the total number of dwelling units financed by that GSE's mortgage purchases in each of those years.

(d) Measuring performance. The GSEs shall determine on a mortgage-by-mortgage basis, through geocoding or any similarly accurate and reliable method, whether a mortgage finances one or more dwelling units located in a central city, rural area, or other underserved area.

§ 81.14 Special Affordable Housing Goal.

(a) Purpose of the goal. This goal is intended to achieve increased purchases by the GSEs of mortgages on rental and owner-occupied housing meeting the then-existing unaddressed needs of, and affordable to, low-income families in low-income areas and very-low-income families.

(b) Factors. In establishing the Special Affordable Housing Goals, the Secretary considered the factors in 12 U.S.C. 4563(a)(2). A statement documenting the Secretary's considerations and findings with respect to these factors, entitled "Secretarial Considerations to Establish the Special Affordable Housing Goal," was published in the Federal Register on December 1, 1995.

(c) Goals. The annual goals for each GSE's purchases of mortgages on rental and owner-occupied housing meeting the then-existing, unaddressed needs of and affordable to low-income families in low-income areas and very-low-income families are:

(1) For 1996, 12 percent of the total number of dwelling units financed by each GSE's mortgage purchases in 1996. The goal shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994;

(2) For each of the years 1997-99, 14 percent of the total number of dwelling units financed by each GSE's mortgage purchases in each of those years. The goal for each year shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994; and

(3) For 2000 and thereafter the Secretary shall establish annual goals. Pending establishment of goals for 2000 and thereafter, the annual goal for each of those years shall be 14 percent of the total number of dwelling units financed by each GSE's mortgage purchases in each of those years; the goal for each such year shall include mortgage purchases financing dwelling units in multifamily housing totalling not less than 0.8 percent of the dollar volume of mortgages purchased by the respective GSE in 1994.

(d) Counting of multifamily units. (1) Dwelling units affordable to low-income families and financed by a particular purchase of a mortgage on multifamily housing shall count toward achievement of the Special Affordable Housing Goal where at least:

(i) 20 percent of the dwelling units in the particular multifamily property are affordable to families whose incomes do not exceed 50 percent of the area median income; or

(ii) 40 percent of the dwelling units in the particular multifamily property...
§ 81.15 General requirements.

(a) Calculating the numerator and denominator. Performance under each of the housing goals shall be measured using a fraction that is converted into a percentage. The numerator of each fraction is the number of dwelling units financed by a GSE’s mortgage purchases in a particular year that count toward achievement of the housing goal. The denominator of each fraction is, for all mortgages purchased, the number of dwelling units that could count toward achievement of the goal under appropriate circumstances. The denominators shall not include GSE transactions or activities that are not mortgages or mortgage purchases. When a GSE lacks sufficient information to determine whether the purchase of a mortgage originated after 1992 counts toward achievement of a particular housing goal, that mortgage purchase shall be included in the denominator for that housing goal.

(b) Properties with multiple dwelling units. For the purposes of counting toward the achievement of the goals, whenever the property securing a mortgage contains more than one dwelling unit, each such dwelling unit is a component of the goal, only a portion of the unpaid principal balance of the mortgage attributable to such units shall count toward the multifamily component. The portion of the mortgage counted under the multifamily requirement shall be equal to the ratio of the total units that count to the total number of units in the mortgaged property.

(e) Full Credit Activities. (1) For purposes of 12 U.S.C. 4563(b)(1) and this paragraph (e), full credit means that each unit financed by a mortgage purchased by a GSE and meeting the requirements of this section shall count toward achievement of the Special Affordable Housing Goal for that GSE.

(2) Consistent with §81.16(b)(3)(ii), the Secretary will give full credit toward achievement of the Special Affordable Housing Goals for the activities in 12 U.S.C. 4563(b)(1).

(4)(i) For purposes of determining whether a seller meets the requirement in 12 U.S.C. 4563(b)(1)(B), a seller must currently operate on its own or actively participate in an ongoing program that will result in originating additional loans that meet the goal. Actively participating in such a program includes actively participating with a qualified housing group that operates a program resulting in the origination of loans that meet the requirements of the goal.

(ii) To determine whether a seller meets the requirement in paragraph (e)(4)(i) of this section, the GSE shall verify and monitor that the seller meets the requirement and develop any necessary mechanisms to ensure compliance with this requirement.

(iii) Where a seller’s primary business is originating mortgages on housing that qualifies under this Special Affordable Housing Goal, such seller is presumed to meet the requirements in paragraph (e)(4)(i) of this section.

(f) No credit activities. Neither the purchase nor the securitization of mortgages associated with the refinancing of a GSE’s existing mortgage or mortgage-backed securities portfolios shall receive credit toward the achievement of the Special Affordable Housing Goal. Refinancings that result from the wholesale exchange of mortgages between the two GSEs shall not count toward the achievement of this goal. Refinancings of individual mortgages shall count toward achievement of this goal when the refinancing is an arm’s-length transaction that is borrower-driven and the mortgage otherwise meets the requirements of the goal. For purposes of this paragraph (f), “mortgage or mortgage-backed securities portfolios” includes mortgages retained by Fannie Mae or Freddie Mac and mortgages utilized to back mortgage-backed securities.
shall be counted as a separate dwelling unit financed by a mortgage purchase.

(c) Credit toward multiple goals. A mortgage purchase (or dwelling unit financed by such purchase) by a GSE in a particular year shall count toward the achievement of each housing goal for which such purchase (or dwelling unit) qualifies in that year.

(d) Counting owner-occupied units. For purposes of counting owner-occupied units toward achievement of the Low- and Moderate-Income Housing Goal or the Special Affordable Housing Goal, mortgage purchases financing such units shall be evaluated based on the income of the mortgagors and the area median income at the time of origination of the mortgage. To determine whether mortgagors may be counted under a particular family income level, i.e., very-low-, low-, or moderate-income, the income of the mortgagors is compared to the median income for the area at the time of mortgage origination, using the appropriate percentage factor provided under §81.17.

(e) Counting rental units—(1) Use of income, rent—(i) Generally. For purposes of counting rental units toward achievement of the Low- and Moderate-Income Housing Goal or the Special Affordable Housing Goal, mortgage purchases financing such units shall be evaluated based on the income of actual or prospective tenants where such data is available, i.e., known to a lender.

(ii) Availability of income information. (A) Each GSE shall require lenders to provide to the GSE tenant income information under paragraphs (e)(3) and (4) of this section, but only when such information is known to the lender.

(B) When such tenant income information is available for all occupied units, the GSE’s performance shall be based on the income of the tenants in the occupied units. For unoccupied units that are vacant and available for rent and for unoccupied units that are under repair or renovation and not available for rent, the GSE shall use the income of prospective tenants, if paragraph (e)(4) of this section is applicable. If paragraph (e)(4) of this section is not applicable, the GSE shall use rent levels for comparable units in the property to determine affordability.

(2) Model units and rental offices. A model unit or rental office in a multifamily property may count toward achievement of the housing goals only if a GSE determines that:

(i) It is reasonably expected that the units will be occupied by a family within one year;

(ii) The number of such units is reasonable and minimal considering the size of the multifamily property; and

(iii) Such unit otherwise meets the requirements for the goal.

(3) Income of actual tenants. When the income of actual tenants is available, to determine whether a tenant is very-low-, low-, or moderate-income, the income of the tenant shall be compared to the median income for the area, adjusted for family size as provided in §81.17.

(4) Income of prospective tenants. When income for tenants is available to a lender because a project is subject to a Federal housing program that establishes the maximum income for a tenant or a prospective tenant in rental units, the income of prospective tenants may be counted at the maximum income level established under such housing program for that unit. In determining the income of prospective tenants, the income shall be projected based on the types of units and market area involved. Where the income of prospective tenants is projected, each GSE must determine that the income figures are reasonable considering the rents (if any) on the same units in the past and considering current rents on comparable units in the same market area.

(5) Use of rent. When the income of the prospective or actual tenants of a dwelling unit is not available, performance under these goals will be evaluated based on rent and whether the rent is affordable to the income group targeted by the housing goal. A rent is affordable if the rent does not exceed 30 percent of the maximum income level of very-low-, low-, or moderate-income families as provided in §81.19. In determining contract rent for a dwelling unit, the actual rent or average rent by unit type shall be used.

(6) Timeliness of information. In determining performance under the housing goals, each GSE shall use tenant and
§ 81.16 Special counting requirements.

(a) General. In determining whether a GSE shall receive full credit for a transaction or activity toward achievement of any of the housing goals, the Secretary shall consider whether a transaction or activity of the GSE is substantially equivalent to a mortgage purchase and either creates a new market or adds liquidity to an existing market.

(b) Not counted. The following transactions or activities shall not count toward achievement of any of the housing goals and shall not be included in the denominator in calculating either GSE’s performance under the housing goals:

(1) Equity investments in housing development projects;
(2) Purchases of State and local government housing bonds except as provided in §81.16(c)(8);
(3) Purchases of non-conventional mortgages except:
   (i) Where such mortgages are acquired under a risk-sharing arrangement with a Federal agency; or
   (ii) As provided in §81.14(e)(2);
(4) Commitments to buy mortgages at a later date or time;
(5) Options to acquire mortgages;
(6) Rights of first refusal to acquire mortgages;
(7) Any interests in mortgages that the Secretary determines, in writing, shall not be treated as interests in mortgages;
(8) Mortgage purchases to the extent they finance any dwelling units that are secondary residences; and
(9) Any combination of (1) through (8) above.

(c) Other special rules—(1) Credit enhancements. (i) Dwelling units financed under a credit enhancement entered into by a GSE shall be treated as mortgage purchases and count toward achievement of the housing goals when:
   (A) The GSE provides a specific contractual obligation to ensure timely payment of amounts due under a mortgage or mortgages financed by the issuance of housing bonds (such bonds may be issued by any entity, including a State or local housing finance agency);
   (B) The GSE assumes a credit risk in the transaction substantially equivalent to the risk that would have been assumed by the GSE if it had
Office of the Secretary, HUD  § 81.16

securitized the mortgages financed by such bonds; and

(C) Such dwelling units otherwise qualify under this part.

(ii) When a GSE provides a specific contractual obligation to ensure timely payment of amounts due under any mortgage originally insured by a public purpose mortgage insurance entity or fund, the GSE may, on a case-by-case basis, seek approval from the Secretary for such activities to count toward achievement of the housing goals.

(2) Real estate mortgage investment conduits ("REMICs"). (i) A GSE's purchase or guarantee of all or a portion of a REMIC shall be treated as a mortgage purchase and receive credit toward the achievement of the housing goals provided:

(A) The underlying mortgages or mortgage-backed securities for the REMIC were not:

(1) Guaranteed by the Government National Mortgage Association; or

(B) The GSE has the information necessary to support counting the dwelling units financed by the REMIC, or that part of the REMIC purchased or guaranteed by the GSE, toward the achievement of a particular housing goal.

(ii) For REMICs that meet the requirements in paragraph (c)(2)(i) of this section and for which the GSE purchased or guaranteed:

(A) The whole REMIC, all of the units financed by the REMIC shall be treated as a mortgage purchase and count toward achievement of the housing goals; or

(B) A portion of the REMIC, the GSE shall receive partial credit toward achievement of the housing goals. This credit shall be equal to the percentage of the REMIC purchased or guaranteed by the GSE (the dollar amount of the purchase or guarantee divided by the total dollar amount of the REMIC) multiplied by the number of dwelling units that would have counted toward the goal(s) if the GSE had purchased or guaranteed the whole REMIC.

(iii) In calculating performance under the housing goals, the denominator shall include the number of dwelling units included in the whole REMIC multiplied by the percentage of the REMIC purchased or guaranteed by the GSE.

(3) Risk-sharing. Mortgage purchases under risk-sharing arrangements between the GSEs and any Federal agency where the units would otherwise count toward achievement of the housing goal under which the GSE is responsible for a substantial amount (50 percent or more) of the risk shall be treated as mortgage purchases and count toward achievement of the housing goal or goals.

(4) Participations. Participations purchased by a GSE shall be treated as mortgage purchases and count toward achievement of the housing goals, if the GSE's participation in the mortgage is 50 percent or more.

(5) Cooperative housing and condominium projects. (i) The purchase of a mortgage on a cooperative housing unit ("a share loan") or a condominium unit is a mortgage purchase. Such a purchase is counted toward achievement of a housing goal in the same manner as a mortgage purchase of single-family owner-occupied units, i.e., affordability is based on the income of the owner(s).

(ii) The purchase of a mortgage on a cooperative building ("a blanket loan") or a condominium project is a mortgage purchase and shall count toward achievement of the housing goals. Where a GSE purchases both "a blanket loan" and mortgages for units in the same building ("share loans"), both the blanket loan and the share loan(s) are mortgage purchases and shall count toward achievement of the housing goals. Where a GSE purchases both a condominium project mortgage and mortgages on condominium dwelling units in the same project, both the condominium project mortgages and the mortgages on condominium dwelling units are mortgage purchases and shall count toward achievement of the housing goals.

(6) Seasoned mortgages. A GSE's purchase of a seasoned mortgage shall be treated as a mortgage purchase for purposes of these goals except:

(i) Where the GSE has already counted the mortgages under a housing goal applicable to 1993 or any subsequent year; or
§ 81.17

(7) Purchase of refinanced mortgages. Except as provided in §81.14(f), the purchase of a refinanced mortgage by a GSE is a mortgage purchase and shall count toward achievement of the housing goals to the extent the mortgage qualifies.

(8) Mortgage revenue bonds. (i) The purchase of a state or local mortgage revenue bond shall be treated as a mortgage purchase and units financed under such MRB shall count toward achievement of the goals where:

(A) The MRB is to be repaid only from the principal and interest of the underlying mortgages originated with funds made available by the MRB; and

(B) The MRB is not a general obligation of a state or local government or agency or is not credit enhanced by any government or agency, third party guarantor or surety.

(ii) Dwelling units financed by a mortgage revenue bond meeting the requirements of paragraph (c)(8)(i) of this section shall count toward a housing goal to the extent such dwelling units otherwise qualify under this part.

§ 81.17 Affordability—Income level definitions—family size and income known (owner-occupied units, actual tenants, and prospective tenants).

In determining whether a dwelling unit is affordable to very-low-, low-, or moderate-income families, where the unit is owner-occupied or, for rental housing, family size and income information for the dwelling unit is known to the GSE, the affordability of the unit shall be determined as follows:

(a) Moderate-income means:

(1) In the case of owner-occupied units, income not in excess of 100 percent of area median income; and

(2) In the case of rental units, where the income of actual or prospective tenants is available, income not in excess of the following percentages of area median income corresponding to the following family sizes:

(b) Low-income means:

(1) In the case of owner-occupied units, income not in excess of 80 percent of area median income; and

(2) In the case of rental units, where the income of actual or prospective tenants is available, income not in excess of the following percentages of area median income corresponding to the following family sizes:

(c) Very-low-income means:

(1) In the case of owner-occupied units, income not in excess of 60 percent of area median income; and

§ 81.18 Affordability—Income level definitions—family size not known (actual or prospective tenants).

In determining whether a rental unit is affordable to very-low-, low-, or moderate-income families where family size is not known to the GSE, income will be adjusted using unit size, and affordability determined as follows:

(a) For moderate-income, the income of prospective tenants shall not exceed...

§ 81.19 Affordability—Rent level definitions—tenant income is not known.

For purposes of determining whether a rental unit is affordable to very-low-, low-, or moderate-income families where the income of the family in the dwelling unit is not known to the GSE, the affordability of the unit is determined based on unit size as follows:

(a) For moderate-income, maximum affordable rents to count as housing for moderate-income families shall not exceed the following percentages of area median income with adjustments, depending on unit size:

<table>
<thead>
<tr>
<th>Unit size</th>
<th>Percentage of area median income</th>

(d) Missing Information. Each GSE shall make every effort to obtain the information necessary to make the calculations in this section. If a GSE makes such efforts but cannot obtain data on the number of bedrooms in particular units, in making the calculations on such units, the units shall be assumed to be efficiencies.

§ 81.20 Actions to be taken to meet the goals.

To meet the goals under this rule, each GSE shall operate in accordance with 12 U.S.C. 4565.

§ 81.21 Notice and determination of failure to meet goals.

If the Secretary determines that a GSE has failed or there is a substantial probability that a GSE will fail to
§ 81.22 Housing plans.

(a) If the Secretary determines, under §81.21, that a GSE has failed or there is a substantial probability that a GSE will fail to meet any housing goal and that the achievement of the housing goal was or is feasible, the Secretary shall require the GSE to submit a housing plan for approval by the Secretary.

(b) Nature of plan. Each housing plan shall:

1. Be feasible;
2. Be sufficiently specific to enable the Secretary to monitor compliance periodically;
3. Describe the specific actions that the GSE will take:
   (i) To achieve the goal for the next calendar year; or
   (ii) If the Secretary determines that there is substantial probability that the GSE will fail to meet a housing goal in the current year, to make such improvements as are reasonable in the remainder of the year; and
4. Address any additional matters relevant to the plan as required, in writing, by the Secretary.

(c) Deadline for submission. The GSE shall submit a housing plan to the Secretary within 30 days after issuance of a notice under §81.21 requiring the GSE to submit a housing plan. The Secretary may extend the deadline for submission of a plan, in writing and for a time certain, to the extent the Secretary determines an extension is necessary.

(d) Review of housing plans. The Secretary shall review and approve or disapprove housing plans in accordance with 12 U.S.C. 4566(c)(4) and (5).

(e) Resubmission. If the Secretary disapproves an initial housing plan submitted by a GSE, the GSE shall submit an amended plan acceptable to the Secretary within 30 days of the Secretary disapproving the initial plan; the Secretary may extend the deadline if the Secretary determines an extension is in the public interest. If the amended plan is not acceptable to the Secretary, the Secretary may afford the GSE 15 days to submit a new plan.

§ 81.41 General.

In this subpart, the Secretary: prohibits discrimination by the GSEs in their mortgage purchases because of race, color, religion, sex, handicap, familial status, age, or national origin, including any consideration of the age or location of a dwelling or age of the neighborhood or census tract where the dwelling is located in a manner that has a discriminatory effect; requires that the GSEs submit information to the Secretary to assist Fair Housing Act and ECOA investigations; provides for advising the GSEs of Fair Housing Act and ECOA violations; provides for reviewing the GSEs’ underwriting and appraisal guidelines to ensure compliance with the Fair Housing Act; and requires that the GSEs take actions as directed by the Secretary following Fair Housing Act and ECOA adjudications. Because FHEFSSA provides, generally, that the Director of OFHEO shall enforce violations by the GSEs of FHEFSSA and regulations in this subpart, this subpart also provides for referral of such cases to the Director.

§ 81.42 Prohibitions against discrimination.

Neither GSE shall discriminate in any manner in making any mortgage purchases because of race, color, religion, sex, handicap, familial status, age, or national origin, including any consideration of the age or location of the dwelling or the age of the neighborhood or census tract where the dwelling is located in a manner that has a discriminatory effect.

§ 81.43 Reports; underwriting and appraisal guideline review.

(a) Reports. Each GSE, in the AHAR required under §81.63, shall assess underwriting standards, business practices, repurchase requirements, pricing, fees, and procedures that affect the purchase of mortgages for low- and moderate-income families, or that may yield disparate results based on the race, color, religion, sex, handicap, familial status, age, or national origin of the borrower, including revisions thereto to promote affordable housing or fair lending.
§ 81.46 Remedial actions.

(a) General. The Secretary shall direct the GSEs to take one or more remedial actions, including suspension, probation, reprimand or settlement, against lenders found to have engaged in discriminatory lending practices in violation of the Fair Housing Act or ECOA, pursuant to a final adjudication on the record and an opportunity for a hearing under subchapter II of chapter 5 of title 5, United States Code.

(b) Definitions. For purposes of this subpart, the following definitions apply:

1. Indefinite suspension means that, until directed to do otherwise by the Secretary, the GSEs will refrain from purchasing mortgages from a lender.
2. Probation means that, for a fixed period of time specified by the Secretary, a lender that has been found to have violated the Fair Housing Act or ECOA will be subject automatically to more severe sanctions than probation, e.g.,
suspension, if further violations are found.

Remedial action includes a reprimand, probation, temporary suspension, indefinite suspension, or settlement.

Reprimand means a written letter to a lender from a GSE, which has been directed to be sent by the Secretary, stating that the lender has violated the Fair Housing Act or ECOA and warning of the possibility that the Secretary may impose more severe remedial actions than reprimand if any further violation occurs.

Temporary Suspension means that, for a fixed period of time specified by the Secretary, the GSEs will not purchase mortgages from a lender.

(c) Institution of remedial actions. (1) The Secretary shall direct the GSE to take remedial action(s) against a lender charged with violating ECOA only after a final determination on the charge has been made by an appropriate United States District Court or any other court of competent jurisdiction. The Secretary shall direct the GSE to take remedial action(s) against a lender charged with violating the Fair Housing Act only after a final determination on the matter has been made by a United States Court, a HUD Administrative Law Judge, or the Secretary.

(2) Following a final determination sustaining a charge against a lender for violating the Fair Housing Act or ECOA, in accordance with paragraph (c)(1) of this section, the Secretary shall determine the remedial action(s) that the GSE is to be directed to take for such violation.

(3) In determining the appropriate remedial action(s), the Secretary shall solicit and fully consider the views of the Federal financial regulator responsible for the subject lender concerning the action(s) that are contemplated to be directed against such lender, prior to directing any such action(s). If such responsible Federal financial regulator makes a written determination that a particular remedial action would threaten the financial safety and soundness of a Federally-insured lender, the Secretary shall consider other remedial actions. Where warranted, the Secretary also shall solicit and fully consider the views of the Director regarding the effect of the action(s) that are contemplated on the safety and soundness of the GSE. In determining what action(s) to direct, the Secretary will also, without limitation, consider the following:

(i) The gravity of the violation;
(ii) The extent to which other action has been taken against the lender for discriminatory activities;
(iii) Whether the lender's actions demonstrate a discriminatory pattern or practice or an individual instance of discrimination;
(iv) The impact or seriousness of the harm;
(v) The number of people affected by the discriminatory act(s);
(vi) Whether the lender operates an effective program of self assessment and correction;
(vii) The extent of any actions or programs by the lender designed to compensate victims and prevent future fair lending violations;
(viii) The extent that a finding of liability against a lender is based on a lender's use of a facially-neutral underwriting guideline of a secondary mortgage market entity applied appropriately by the lender in order to sell loans to that secondary mortgage market entity; and
(ix) Any other information deemed relevant by the Secretary.

(d) Notice of remedial action(s). (1) Following the Secretary's decision concerning the appropriate remedial action(s) that the GSE is to be directed to take, the Secretary shall prepare and issue to the GSE and the lender a written notice setting forth the remedial action(s) to be taken and the date such remedial action(s) are to commence. The Notice shall inform the lender of its right to request a hearing on the appropriateness of the proposed remedial action(s), within 20 days of service of the Notice, by filing a request with the Docket Clerk, HUD Office of Administrative Law Judges.

(2) Where a lender does not timely request a hearing on a remedial action, the GSE shall take the action in accordance with the Notice.

(e) Review and decision on remedial action(s). (1) Where a lender timely requests a hearing on a remedial action, a hearing shall be conducted before a
§ 81.53 Processing of program requests.

(a) Each program request submitted to the Secretary by a GSE shall be in writing and shall be submitted to the Secretary and to the Director, Office of Government-Sponsored Enterprises, Department of Housing and Urban Development, Washington, DC. For those requests submitted before 1 year after the effective date of the regulations issued by the Director of OFHEO under 12 U.S.C. 4611(e), the GSE shall simultaneously submit the program request to the Director.

(b) Each program request shall include:

(1) An opinion from counsel stating the statutory authority for the new program (Freddie Mac Act section 61888, Dec. 1, 1995, as amended by 61 FR 50218, Sept. 24, 1996)
§ 81.54 Review of disapproval.

(a) Programs disapproved as unauthorized. (1) Where the Secretary disapproves a program request on the grounds that the new program is not authorized, as defined in §81.53(d) or (e), the GSE may, within 30 days of the date of receipt of the decision on disapproval, request an opportunity to review and supplement the administrative record for the decision, in accordance with paragraphs (a) (2) and (3) of this section.

(2) Supplementing in writing. A GSE supplementing the record in writing must submit written materials within 30 days after the date of receipt of the decision on disapproval, but no later than the date of a meeting, if requested, under paragraph (a) (3) of this section.

(3) Meeting. Within 10 days of the date of receipt of the decision of disapproval, the GSE may request a meeting. If the request for the meeting is timely, the Secretary shall arrange such a meeting, which shall be conducted by the Secretary or the Secretary’s designee within 10 working days after receipt of the request. The GSE may be represented by counsel and may submit relevant written materials to supplement the record.
(4) Determination. The Secretary shall:
(i) In writing and within 10 days after submission of any materials under paragraph (a)(2) of this section or the conclusion of any meeting under paragraph (a)(3) of this section, whichever is later, withdraw, modify, or affirm the program disapproval; and
(ii) Provide the GSE with that decision.
(b) Programs disapproved under public interest determination. When a program request is disapproved because the Secretary determines that the program is not in the public interest or the Director makes the determination in 12 U.S.C. 4154(b)(2)(B), the Secretary shall provide the GSE with notice of, and opportunity for, a hearing on the record regarding such disapproval. A request for a hearing must be submitted by a GSE within 30 days of the Secretary's submission of a report under §81.53(g) disapproving a program request or the provision of the notice under this paragraph (b), whichever is later. The procedures for such hearings are provided in subpart G of this part.

Subpart E—Reporting Requirements

§81.61 General.
This subpart establishes data submission and reporting requirements to carry out the requirements of the GSEs' Charter Acts and FHEFSSA.

§81.62 Mortgage reports.
(a) Loan-level data elements. To implement the data collection and submission requirements for mortgage data and to assist the Secretary in monitoring the GSEs' housing goal activities, each GSE shall collect and compile computerized loan-level data on each mortgage purchased in accordance with 12 U.S.C. 1456(e) and 1723a(m). The Secretary may, from time-to-time, issue a list entitled “Required Loan-level Data Elements” specifying the loan-level data elements to be collected and maintained by the GSEs and provided to the Secretary. The Secretary may revise the list by written notice to the GSEs.
(b) Quarterly Mortgage reports. Each GSE shall submit to the Secretary quarterly a Mortgage Report. The fourth quarter report shall serve as the Annual Mortgage Report and shall be designated as such.
(1) Each Mortgage Report shall include:

Subpart F—Access to Information

§ 81.71 General.
This subpart:
(a) Provides for the establishment of a public-use database to make available to the public mortgage data that the GSEs submit to the Secretary under subsection 309(m) of the Fannie Mae Charter Act and subsection 307(e) of the Freddie Mac Act, and AHAR information that the GSEs submit to the Secretary in the AHAR under subsection 309(n) of the Fannie Mae Charter Act and subsection 307(f) of the Freddie Mac Act;
(b) Establishes mechanisms for the GSEs to designate mortgage data or AHAR information as proprietary information and for the Secretary to determine whether such mortgage data or AHAR information is proprietary information which should be withheld from disclosure;
(c) Addresses the availability of HUD procedures to protect from public disclosure proprietary information and other types of confidential business information submitted by or relating to the GSEs;
(d) Addresses protections from disclosure when there is a request from Congress for information and sets forth protections for treatment of data or information submitted by or relating to the GSEs by HUD officers, employees, and contractors; and
(e) Provides that data or information submitted by or relating to the GSEs that would constitute a clearly unwarranted invasion of personal privacy shall not be disclosed to the public.

§ 81.72 Public-use database and public information.
(a) General. Except as provided in paragraph (c) of this section, the Secretary shall establish and make available for public use, a public-use database containing public data as defined in § 81.2.
(b) Examination of submissions. Following receipt of mortgage data and
AHAR information from the GSEs, the Secretary shall, as expeditiously as possible, examine the submissions for mortgage data and AHAR information that:

1. Has been deemed to be proprietary information under this part by a temporary order, final order, or regulation in effect at the time of submission;
2. Has been designated as proprietary information by the GSE in accordance with §81.73;
3. Would constitute a clearly unwarranted invasion of personal privacy if such data or information were released to the public; or
4. Is required to be withheld or, in the determination of the Secretary, is not appropriate for public disclosure under other applicable laws and regulations, including the Trade Secrets Act (18 U.S.C. 1905) and Executive Order 12600.

(b) Public data and proprietary data. The Secretary shall place public data in the public-use database. The Secretary shall exclude from the public-use database and from public disclosure:
1. All mortgage data and AHAR information within the scope of paragraphs (b)(1), (b)(3), and (b)(4) of this section;
2. Any other mortgage data and AHAR information under (b)(2) when determined by the Secretary under §81.74 to be proprietary information; and
3. Mortgage data that is not year-end data.

(d) Access. The Secretary shall provide such means as the Secretary determines are reasonable for the public to gain access to the public-use database. To obtain access to the public-use database, the public should contact the Director, Office of Government-Sponsored Enterprises, Department of Housing and Urban Development, 451 Seventh Street, S.W., Washington, DC 20410, telephone (202) 708-2224 (this is not a toll-free number).

(e) Fees. The Secretary may charge reasonable fees to cover the cost of providing access to the public-use database. These fees will include the costs of system access, computer use, copying fees, and other costs.
§ 81.74 Nondisclosure during pendency. Except as may otherwise be required by law, during the time any Request for Proprietary Treatment under § 81.73 is pending determination by the Secretary, the data or information submitted by the GSE that is the subject of the request shall not be disclosed to, or be subject to examination by, the public or any person or representative of any person or agency outside of HUD.

§ 81.74 Secretarial determination on GSE request.

(a) General. The Secretary shall review all Requests for Proprietary Treatment from the GSEs, along with any other information that the Secretary may elicit from other sources regarding the Request.

(b) Factors for proprietary treatment. Except as provided in paragraph (c) of this section, in making the determination of whether to accord proprietary treatment to mortgage data or AHAR information, the Secretary’s considerations shall include, but are not limited to:

(1) The type of data or information involved and the nature of the adverse consequences to the GSE, financial or otherwise, that would result from disclosure, including any adverse effect on the GSE’s competitive position;

(2) The existence and applicability of any prior determinations by HUD, any other Federal agency, or a court, concerning similar data or information;

(3) The measures taken by the GSE to protect the confidentiality of the mortgage data or AHAR information in question, and similar data or information, before and after its submission to the Secretary;

(4) The extent to which the mortgage data or AHAR information is publicly available including whether the data or information is available from other entities, from local government offices or records, including deeds, recorded mortgages, and similar documents, or from publicly available data bases;

(5) The difficulty that a competitor, including a seller/servicer, would face in obtaining or compiling the mortgage data or AHAR information; and

(6) Such additional facts and legal and other authorities as the Secretary may consider appropriate, including the extent to which particular mortgage data or AHAR information, when considered together with other information, could reveal proprietary information.

(c) Alternative criterion for mortgage data or AHAR information subject to a temporary order, final order, or regulation in effect. Where the request for proprietary treatment pertains to mortgage data or AHAR information that has been deemed proprietary by the Secretary under a temporary order, final order, or regulation in effect, the Secretary shall grant the request with respect to any mortgage data or AHAR information which comes within the order or regulation.

(d) Determination of proprietary treatment. The Secretary shall determine, as expeditiously as possible, whether mortgage data or AHAR information designated as proprietary by a GSE is proprietary information, or whether it is not proprietary and subject to inclusion in the public-use database and public release notwithstanding the GSE’s request.

(e) Action when according proprietary treatment to mortgage data and AHAR information. (1) When the Secretary determines that mortgage data or AHAR information designated as proprietary by a GSE is proprietary, and the mortgage data or AHAR information is not subject to a temporary order, a final order, or a regulation in effect providing that the mortgage data or AHAR information is not subject to public disclosure, the Secretary shall notify the GSE that the request has been granted. In such cases, the Secretary shall issue either a temporary order, a final order, or a regulation providing that the mortgage data or AHAR information is not subject to public disclosure. Such a temporary order, final order, or regulation shall:

(i) Document the reasons for the determination; and

(ii) Be provided to the GSE, made available to members of the public, and published in the Federal Register, except that any portions of such order or regulation that would reveal the...
proprietary information shall be withheld from public disclosure. Publica-
tions of temporary orders shall invite public comments when feasible.

(2) Where the Secretary determines that such mortgage data or informa-
tion is proprietary, the Secretary shall not make it publicly available, except as otherwise provided in accordance with this subpart.

(f) Determination not to accord proprietary treatment to mortgage data and
AHAR information or to seek further information. When the Secretary deter-
mines that such mortgage data or AHAR information designated as pro-
prietary by a GSE may not be proprietary, that the request may be granted
only in part, or that questions exist concerning the request, the following
procedure shall apply:

(1) The Secretary shall provide the
GSE with an opportunity for a meeting
with HUD to discuss the matter, for
the purpose of gaining additional infor-
mation concerning the request.

(2) Following the meeting, based on
the Secretary's review of the mortgage
data or AHAR information that is the
subject of a request and the GSE's ob-
jections, if any, to disclosure of such
mortgage data or AHAR information,
the Secretary shall make a determina-
tion:

(i) If the Secretary determines to
withhold from the public-use database
as proprietary the mortgage data or
AHAR information that is the subject
of a request, the procedures in para-
graph (e) of this section shall apply; or

(ii) If the Secretary determines that
any mortgage data or AHAR informa-
tion that is the subject of a request is
not proprietary, the Secretary shall
provide notice in writing to the GSE of
the reasons for this determination, and
such notice shall provide that the Sec-
retary shall not release the mortgage
data or AHAR information to the pub-
lic for 10 working days.

§ 81.75 Proprietary information with-
held by order or regulation.

Following a determination by the
Secretary that mortgage data or AHAR
information is proprietary information
under FHEFSSA, the Secretary shall
expeditiously issue a temporary order, final order, or regulation withholding
the mortgage data or AHAR informa-
tion from the public-use database and
from public disclosure by HUD in ac-
cordance with 12 U.S.C. 4546. The Sec-
retary may, from time-to-time, by reg-
ulation or order, issue a list entitled
"GSE Mortgage Data and AHAR Infor-
mation: Proprietary InformationPub-
lic-Use Data" providing that certain
information shall be treated as propri-
etary information. The Secretary may
modify the list by regulation or order.

§ 81.76 FOIA requests and protection
of GSE information.

(a) General. HUD shall process FOIA
requests for information submitted to
the Secretary by the GSEs in accord-
ance with:

(1) HUD's FOIA and Privacy Act reg-
ulations, 24 CFR parts 15 and 16;

(2) 12 U.S.C. 4525, 4543, and 4546 and
this subpart; and

(3) Other applicable statutes, regula-
tions, and guidelines, including the
Trade Secrets Act, 18 U.S.C. 1905, and
Executive Order 12600. In responding to
requests for data or information sub-
mitted by or relating to the GSEs, the
Secretary may invoke provisions of
these authorities to protect data or in-
formation from disclosure.

(b) Protection of confidential business
information other than mortgage data and
AHAR information. When a GSE seeks
to protect from disclosure confidential
business information, the GSE may
seek protection of such confidential
business information pursuant to the
provisions of HUD's FOIA regulations
at 24 CFR part 15, without regard to
whether or not it is mortgage data or
AHAR information.

(c) Processing of FOIA requests—(1)
FOIA Exemption (b)(4). HUD will process
FOIA requests for confidential business
information of the GSEs to which
FOIA exemption 4 may apply in accord-
ance with 24 CFR part 15, and the
predisclosure notification procedures
of Executive Order 12,600.

(2) FOIA Exemption (b)(8). Under sec-
tion 1319F of FHEFSSA, the Secretary
may invoke FOIA exemption (b)(8) to
withhold from the public any GSE data
or information contained in or related
to examination, operating, or condition
reports prepared by, on behalf of, or for
the use of HUD. HUD may make data
or information available for the confidential use of other government agencies in their official duties or functions, but all data or information remains the property of HUD and any unauthorized use or disclosure of such data or information may be subject to the penalties of 18 U.S.C. 641.

(3) Other FOIA exemptions. Under 24 CFR part 15, the Secretary may invoke other exemptions including, without limitation, exemption (b)(6) (5 U.S.C. 552(b)(6)), to protect data and information that would constitute a clearly unwarranted invasion of personal privacy.

(d) Protection of information by HUD officers and employees. The Secretary will institute all reasonable safeguards to protect data or information submitted by or relating to either GSE, including, but not limited to, advising all HUD officers and employees having access to data or information submitted by or relating to either GSE of the legal restrictions against unauthorized disclosure of such data or information under HUD Standards of Conduct regulations, 24 CFR part O; the Government-wide Standards of Ethical Conduct, 5 CFR part 2635; and the Trade Secrets Act, 18 U.S.C. 1905. Officers and employees shall be advised of the penalties for unauthorized disclosure, ranging from disciplinary action under 24 CFR part O and 5 CFR part 2635 to criminal prosecution.

(e) Protection of information by contractors. (1) In contracts and agreements entered into by HUD where contractors have access to data or information submitted by or relating to either GSE, HUD shall include detailed provisions specifying that:
   (i) Neither the contractor nor any of its officers, employees, agents, or subcontractors may release data submitted by or relating to either GSE without HUD's authorization; and
   (ii) Unauthorized disclosure may be a basis for:
      (A) Terminating the contract for default;
      (B) Suspending or debarring the contractor; and
      (C) Criminal prosecution of the contractor, its officers, employees, agents, or subcontractors under the Federal Criminal Code.

(2) Contract provisions shall require safeguards against unauthorized disclosure, including training of contractor and subcontractor agents and employees, and provide that the contractor will indemnify and hold HUD harmless against unauthorized disclosure of data or information belonging to the GSEs or HUD.

§ 81.77 Requests for GSE information on behalf of Congress, the Comptroller General, a subpoena, or other legal process.

(a) General. With respect to information submitted by or relating to the GSEs, nothing in this subpart F may be construed to grant authority to the Secretary under FHEFSSA to withhold any information from or to prohibit the disclosure of any information to the following persons or entities:
   (1) Either House of Congress or, to the extent of matters within its jurisdiction, any committee or subcommittee thereof, or any joint committee of Congress or subcommittee of any such joint committee;
   (2) The Comptroller General, or any of the Comptroller General's authorized representatives, in the course of the performance of the duties of the General Accounting Office;
   (3) A court of competent jurisdiction pursuant to a subpoena; or
   (4) As otherwise compelled by law.

(b) Notice of proprietary or confidential nature of GSE information. (1) In releasing data or information in response to a request as set out in paragraph (a) of this section, the Secretary will, where applicable, include a statement with the data or information to the effect that:
   (i) The GSE regards the data or information as proprietary information and/or confidential business information;
   (ii) Public disclosure of the data or information may cause competitive harm to the GSE; and
   (iii) The Secretary has determined that the data or information is proprietary information and/or confidential business information.

(2) To the extent practicable, the Secretary will provide notice to the GSE after a request from the persons or entities described in paragraphs (a)(1)-(4) of this section for proprietary
information or confidential business information is received and before the data or information is provided in response to the request.

(c) Procedures for requests pursuant to subpoena or other legal process. The procedures in 24 CFR 15.71-15.74 shall be followed when a subpoena, order, or other demand of a court or other authority is issued for the production or disclosure of any GSE data or information that:

(1) Is contained in HUD's files;
(2) Relates to material contained in HUD's files; or
(3) Was acquired by any person while such person was an employee of HUD, as a part of the performance of the employee's official duties or because of the employee's official status.

(d) Requests pursuant to subpoena or other legal process not served on HUD. If an individual who is not a HUD employee or an entity other than HUD is served with a subpoena, order, or other demand of a court or authority for the production or disclosure of HUD data or information relating to a GSE and such data or information may not be disclosed to the public under this subpart or 24 CFR part 15, such individual or entity shall comply with 24 CFR 15.71-15.74 as if the individual or entity is a HUD employee, including immediately notifying HUD in accordance with the procedures set forth in 24 CFR 15.73(a).

(e) Reservation of additional actions. Nothing in this section precludes further action by the Secretary, in his or her discretion, to protect data or information submitted by a GSE from unwarranted disclosure in appropriate circumstances.

Subpart G—Procedures for Actions and Review of Actions

§ 81.81 General.

This subpart sets forth procedures for:

(a) The Secretary to issue cease-and-desist orders and impose civil money penalties to enforce the housing goal provisions implemented in subpart B of this part and the information submission and reporting requirements implemented in subpart E of this part; and
(b) Hearings, in accordance with 12 U.S.C. 4542(c)(4)(B), on the Secretary's disapproval of new programs that the Secretary determines are not in the public interest.

§ 81.82 Cease-and-desist proceedings.

(a) Issuance. The Secretary may issue and serve upon a GSE a written notice of charges justifying issuance of a cease-and-desist order, if the Secretary determines the GSE:

(3) Issuance of order. If the GSE consents to the issuance of the order or the ALJ finds, based on the hearing record, that a preponderance of the evidence established the conduct specified in the notice of charges, the ALJ may issue and serve upon the GSE an order requiring the GSE to:
§ 81.83 Civil money penalties.

(a) Imposition. The Secretary may impose a civil money penalty on a GSE that has failed:

(2) To make a good-faith effort to comply with a housing plan submitted and approved by the Secretary; or

(3) To submit any of the information required under sections 309(m) or (n) of the Fannie Mae Charter Act, sections 307(e) or (f) of the Freddie Mac Act, or subpart E of this part.

(iv) The procedures to follow to obtain a hearing;

(v) A statement of the consequences of failing to request a hearing; and

(vi) The date the penalty shall be due unless the GSE contests the matter.

(2) To appeal the Secretary’s decision to impose a civil money penalty, the GSE shall, within 20 days of service of the Notice of Intent, file a written Answer with the Chief Docket Clerk, Office of Administrative Law Judges, Department of Housing and Urban Development, at the address provided in the Notice of Intent.

(3) Administrative law judge. A HUD ALJ shall preside over any hearing conducted under this section, in accordance with §81.84 and, to the extent the provisions are not inconsistent with any of the procedures in this part or the FHEFSSA, with 24 CFR part 26, subpart B.

(4) Issuance of order. If the GSE consents to the issuance of the order or the ALJ finds, on the hearing record, that a preponderance of the evidence establishes the conduct specified in the notice of charges, the ALJ may issue an order imposing a civil money penalty.

(5) Consultation with the Director. In the Secretary’s discretion, the Director of OFHEO may be requested to review any Notice of Intent, determination, order, or interlocutory ruling arising from a hearing.

(e) Action to collect penalty. The Secretary may request the Attorney General of the United States to bring an action to collect the penalty, in accordance with 12 U.S.C. 4585(d). Interest on, and other charges for, any unpaid penalty may be assessed in accordance with 31 U.S.C. 3717.

(f) Settlement by Secretary. The Secretary may compromise, modify, or remit any civil money penalty that may be, or has been, imposed under this section.

§ 81.84 Hearings.

(a) Applicability. The hearing procedures in this section apply to hearings on the record to review cease-and-desist orders, civil money penalties, and new programs disapproved based upon a determination by the Secretary that
such programs are not in the public interest, in accordance with 12 U.S.C. 4542(c)(4)(B).

(b) Hearing requirements. (1) Hearings shall be held in the District of Columbia.

(2) Hearings shall be conducted by a HUD ALJ authorized to conduct proceedings under 24 CFR part 26, subpart B.

(c) Timing. Unless an earlier or later date is requested by a GSE and the request is granted by the ALJ, a hearing shall be fixed for a date not earlier than 30 days, nor later than 60 days, after:

(1) Service of the notice of charges under §81.82;

(2) Service of the Notice of Intent to Impose Civil Money Penalty(ies) under §81.83; or

(3) Filing of a request for a hearing under §81.54(b).

(3) Enforcement. In accordance with 12 U.S.C. 4588(c), the Secretary may request the Attorney General of the United States to enforce any subpoena or subpoena duces tecum issued pursuant to this section. If a subpoenaed person fails to comply with all or any portion of a subpoena issued pursuant to this paragraph (f), the subpoenaing party or any other aggrieved person may petition the Secretary to seek enforcement of the subpoena. A party's petition to the Secretary for enforcement of a subpoena in no way limits the sanctions that may be imposed by the ALJ on a party who fails to comply with a subpoena issued under this paragraph (f).

(4) Fees and expenses. Witnesses subpoenaed under this section shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States and may seek reasonable expenses and attorneys fees in any court having jurisdiction of any proceeding instituted under this section. Such expenses and fees shall be paid by the GSE or from its assets.

(h) Public hearings. (1) All hearings shall be open to the public, unless the ALJ determines that an open hearing would be contrary to the public interest. Where a party makes a timely motion to close a hearing and the ALJ denies the motion, such party may file
§ 81.85 Public disclosure of final orders and agreements.

(a) Disclosure. Except as provided in paragraph (b) of this section, the Secretary shall make available to the public final orders; written agreements and statements; and modifications and terminations of those orders, agreements, and statements, as set forth in 12 U.S.C. 4586(a) and the implementing regulations in this subpart G.    (ii) The operation of the Book-entry System as it applies to GSE Securities; and

2. The rights of any Person, including a Participant, against a GSE and the Federal Reserve Banks with respect to:
   (i) A Book-entry GSE Security or Security Entitlement; and
   (ii) The operation of the Book-entry System as it applies to GSE Securities;

A security interest in a Security Entitlement of a Participant in favor of the United States to secure deposits of public money, including without limitation deposits to the Treasury tax and loan accounts, or other security interest in favor of the United States that is required by Federal statute, regulation, or agreement, and that is marked on the books of a Federal Reserve Bank is thereby effected and perfected, and has priority over any other interest in the securities. Where a security interest in favor of the United States in a Security Entitlement of a Participant is marked on the books of a Federal Reserve Bank, such Reserve Bank may rely, and is protected in relying, exclusively on the order of an authorized representative of the United States directing the transfer of the security. For purposes of this paragraph, an “authorized representative of the United States” is the official designated in the applicable regulations or agreement to which a Federal Reserve Bank is a party, governing the security interest.

3. A GSE and the Federal Reserve Banks have no obligation to agree to act on behalf of any Person or to recognize the interest of any transferee of a security interest or other limited interest in favor of any Person except to the extent of any specific requirement of Federal law or regulation or set forth in an agreement with the Federal Reserve Bank on whose books the interest of the Participant is recorded. To the extent required by such law or regulation or set forth in an agreement with a Federal Reserve Bank or the Federal Reserve Bank Operating Circular, a security interest in a Security Entitlement that is in favor of a Federal Reserve Bank,
Office of the Secretary, HUD

§ 81.95 Authorization of Federal Reserve Banks.

(a) Each Federal Reserve Bank is hereby authorized as fiscal agent of the GSEs to perform the following functions with respect to the issuance of Book-entry GSE Securities offered and sold by a GSE to which this subpart H applies, in accordance with the Securities Documentation, Federal Reserve Bank Operating Circulars, this subpart H, and procedures established by the Secretary consistent with these authorities:

(1) To service and maintain Book-entry GSE Securities in accounts established for such purposes;

(2) To make payments with respect to such securities, as directed by the GSE;

(3) To effect transfer of Book-entry GSE Securities between Participants' Securities Accounts as directed by the Participants;

§ 81.94 Obligations of GSEs; no adverse claims.

(a) Except in the case of a security interest in favor of the United States or a Federal Reserve Bank or otherwise as provided in §81.93(c)(1), for the purposes of this subpart H, the GSE and the Federal Reserve Banks shall treat the Participant to whose Securities Account an interest in a Book-entry GSE Security has been credited as the person exclusively entitled to issue a Transfer Message, to receive interest and other payments with respect there of and otherwise to exercise all the rights and powers with respect to such Security, notwithstanding any information or notice to the contrary. Neither the Federal Reserve Banks nor a GSE is liable to a Person asserting or having an adverse claim to a Security Entitlement or to a Book-entry GSE Security in a Participant’s Securities Account, including any such claim arising as a result of the transfer or disposition of a Book-entry GSE Security by a Federal Reserve Bank pursuant to a Transfer Message that the Federal Reserve Bank reasonably believes to be genuine.

(b) The obligation of the GSE to make payments (including payments of interest and principal) with respect to Book-entry GSE Securities is discharged at the time payment in the appropriate amount is made as follows:

(1) Interest or other payments on Book-entry GSE Securities is either credited by a Federal Reserve Bank to a Funds Account maintained at such Bank or otherwise paid as directed by the Participant.

(2) Book-entry GSE Securities are redeemed in accordance with their terms by a Federal Reserve Bank withdrawing the securities from the Participant’s Securities Account in which they are maintained and by either crediting the amount of the redemption proceeds, where applicable, to a Funds Account at such Bank or otherwise paying such redemption proceeds as directed by the Participant. No action by the Participant ordinarily is required in connection with the redemption of a Book-entry GSE Security.
§ 81.96 Withdrawal of Eligible Book-entry GSE Securities for conversion to definitive form.

(a) Eligible Book-entry GSE Securities may be withdrawn from the Book-entry System by requesting delivery of like Definitive GSE Securities.

(b) A Reserve bank shall, upon receipt of appropriate instructions to withdraw Eligible Book-entry GSE Securities from book-entry in the Book-entry System, convert such securities into Definitive GSE Securities and deliver them in accordance with such instructions. No such conversion shall affect existing interests in such GSE Securities.

(c) All requests for withdrawal of Eligible Book-entry GSE Securities must be made prior to the maturity or date of call of the securities.

(d) GSE Securities which are to be delivered upon withdrawal may be issued in either registered or bearer form, to the extent permitted by the applicable Securities Documentation.

§ 81.97 Waiver of regulations.

The Secretary reserves the right in the Secretary’s discretion, to waive any provision(s) of these regulations in any case or class of cases for the convenience of a GSE, the United States, or in order to relieve any person(s) of unnecessary hardship, if such action is not inconsistent with law, does not adversely affect any substantial existing rights, and the Secretary is satisfied that such action will not subject a GSE or the United States to any substantial expense or liability.

§ 81.98 Liability of GSEs and Federal Reserve Banks.

A GSE and the Federal Reserve Banks may rely on the information provided in a Transfer Message, and are not required to verify the information. A GSE and the Federal Reserve Banks shall not be liable for any action taken in accordance with the information set out in a Transfer Message, or evidence submitted in support thereof.

§ 81.99 Additional provisions.

(a) Additional requirements. In any case or any class of cases arising under these regulations, a GSE may require such additional evidence and a bond of indemnity, with or without surety, as may in the judgment of the GSE be necessary for the protection of the interests of the GSE.

(b) Notice of attachment for GSE Securities in Book-entry system. The interest of a debtor in a Security Entitlement may be reached by a creditor only by legal process upon the Securities Intermediary with whom the debtor’s securities account is maintained, except where a Security Entitlement is maintained in the name of a secured party, in which case the debtor’s interest may be reached by legal process upon the secured party. These regulations do not purport to establish whether a Federal Reserve Bank is required to honor an order or other notice of attachment in any particular case or class of cases.

Subpart I—Other Provisions

§ 81.101 Equal employment opportunity.

§ 81.102 Independent verification authority.

The Secretary may independently verify the accuracy and completeness of the data, information, and reports provided by each GSE, including conducting on-site verification, when such steps are reasonably related to determining whether a GSE is complying with 12 U.S.C. 4541-4589 and the GSE’s Charter Act.

§84.2

Definitions.

Accrued expenditures means the charges incurred by the recipient during a given period requiring the provision of funds for:

1. Goods and other tangible property received;
2. Services performed by employees, contractors, subrecipients, and other payees; and
3. Other amounts becoming owed under programs for which no current services or performance is required.

Accrued income means the sum of:

1. Earnings during a given period from:
   i. Services performed by the recipient;
   ii. Goods and other tangible property delivered to purchasers; and
2. Amounts becoming owed to the recipient for which no current services or performance is required by the recipient.

Acquisition cost of equipment means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective or transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient's regular accounting practices.

Advance means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

Award means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by HUD to an eligible recipient. The term does not include: technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, capital advances under the Sections 202 and 811 programs, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

Cash contributions means the recipient's cash outlay, including the outlay of money contributed to the recipient by third parties.

Closeout means the process by which HUD determines that all applicable administrative actions and all required work of the award have been completed by the recipient and HUD.

Contract means a procurement contract under an award or subaward, and a procurement subcontract under a recipient's or subrecipient's contract.

Cost sharing or matching means that portion of project or program costs not borne by HUD.

Date of completion means the date on which all work under an award is completed or the date on the award document, or any supplement or amendment thereto, on which HUD sponsorship ends.

Disallowed costs means those charges to an award that HUD determines to be unallowable, in accordance with the applicable Federal cost principles or other terms and conditions contained in the award.

Equipment means tangible nonexpendable personal property including exempt property charged directly to the award having a useful life of more than one year and an acquisition cost of $5000 or more per unit. However, consistent with recipient policy, lower limits may be established.

Excess property means property under the control of HUD that, as determined by the Secretary, is no longer required for its needs or the discharge of its responsibilities.

Exempt property means tangible personal property acquired in whole or in part with Federal funds, where HUD has statutory authority to vest title in
the recipient without further obligation to the Federal Government. An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306), for property acquired under an award to conduct basic or applied research by a non-profit institution of higher education or non-profit organization whose principal purpose is conducting scientific research.

Federal awarding agency means the Federal agency that provides an award to the recipient.

Federal funds authorized means the total amount of Federal funds obligated by HUD for use by the recipient. This amount may include any authorized carryover of unobligated funds from prior funding periods when permitted by HUD regulations or implementing instructions.

Federal share of real property, equipment, or supplies means that percentage of the property's acquisition costs and any improvement expenditures paid with Federal funds.

Funding period means the period of time when Federal funding is available for obligation by the recipient.

Intangible property and debt instruments means, but is not limited to, trademarks, copyrights, patents and patent applications and such property as loans, notes and other debt instruments, lease agreements, stock and other instruments of property ownership, whether considered tangible or intangible.

Obligations means the amounts of orders placed, contracts and grants awarded, services received and similar transactions during a given period that require payment by the recipient during the same or a future period.

Outlays or expenditures means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

Program income means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the award (see exclusions in §§84.24 (e) and (h)). Program income includes, but is not limited to, income from fees for services performed, the use or rental of real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights, and interest on loans made with award funds. Interest earned on advances of Federal funds is not program income. Except as otherwise provided in HUD regulations or the terms and conditions of the award, program income does not include the receipt of principal on loans, rebates, credits, discounts, etc., or interest earned on any of them.

Project costs means all allowable costs, as set forth in the applicable Federal cost principles, incurred by a recipient and the value of the contributions made by third parties in accomplishing the objectives of the award during the project period.

Project period means the period established in the award document during which HUD sponsorship begins and ends.

Property means, unless otherwise stated, real property, equipment, intangible property and debt instruments.
§ 84.2

Real property means land, including land improvements, structures and appurtenances thereto, but excludes movable machinery and equipment.

Recipient means an organization receiving financial assistance directly from HUD to carry out a project or program. The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers. The term includes commercial organizations, international organizations when operating domestically (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or sub-recipients. The term does not include government-owned contractor-operated facilities or research centers providing continued support for mission-oriented, large-scale programs that are government-owned or controlled, or are designated as federally-funded research and development centers. The term does not include mortgagors that receive mortgages insured or held by HUD or mortgagors or project owners that receive capital advances from HUD under the Section 202 and 811 programs.

Research and development means all research activities, both basic and applied, and all development activities that are supported at universities, colleges, and other non-profit institutions. “Research” is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. “Development” is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes. The term research also includes activities involving the training of individuals in research techniques where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

Small awards means a grant or cooperative agreement not exceeding $100,000 or the small purchase threshold fixed at 41 U.S.C. 403(11), whichever is greater.

Subaward means:

(1) An award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of “award”.

(2) For Community Development Block Grants, the term “subaward” does not include the arrangement whereby the prime recipient transfers funds to another entity and that entity is the project. A distinction is made between such a transfer for the furtherance of the prime recipient’s goals and the transfer of funds to a subrecipient who carries out activities and is accountable to the prime recipient. For example, in a CDBG award where a prime recipient has as its program goal the revitalization of a downtown area, the funds transferred to a business in the downtown area to remodel its store would not be considered a subaward subject to this part 84.

Subrecipient means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term includes commercial organizations and international organizations operating domestically (such as agencies of the United Nations).

Supplies means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement (“subject inventions”), as defined in 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements.”
Suspension means an action by HUD that temporarily withdraws HUD sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by HUD. Suspension of an award is a separate action from suspension under HUD regulations implementing E.O. 12549 and E.O. 12689, “Debarment and Suspension,” at 24 CFR part 24.

Termination means the cancellation of HUD sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

Third party in-kind contributions means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

Unliquidated obligations, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the recipient for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by HUD that has not been obligated by the recipient and is determined by deducting the cumulative obligations from the cumulative funds authorized.

Unrecovered indirect cost means the difference between the amount awarded and the amount which could have been awarded under the recipient’s approved negotiated indirect cost rate.

Working capital advance means a procedure whereby funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 84.11 Effect on other issuances.

For awards subject to this part, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this part shall be superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in §84.4.

§ 84.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this rule when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this rule shall be permitted only in unusual circumstances. HUD may apply more restrictive requirements to a class of recipients when approved by OMB. HUD may apply less restrictive requirements when awarding small awards and when approved by OMB, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by HUD.

§ 84.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals, commercial organizations and international organizations operating domestically, or other non-profit organizations. State, local and Federally recognized Indian tribal government subrecipients are subject to the provisions of regulations implementing the grants management common rule, “Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments,” (24 CFR part 85).
§ 84.12 Forms for applying for Federal assistance.

(a) HUD shall comply with the applicable report clearance requirements of 5 CFR part 1320, “Controlling Paperwork Burdens on the Public,” with regard to all forms used by HUD in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by HUD.

(c) For Federal programs covered by E.O. 12372, “Intergovernmental Review of Federal Programs,” the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the Catalog of Federal Domestic Assistance. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

§ 84.13 Debarment and suspension; Drug-Free Workplace.

(a) HUD and its recipients and sub-recipients shall comply with the non-procurement debarment and suspension common rule implementing E.O.s 12549 and 12689, “Debarment and Suspension,” at 24 CFR part 24. This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

(b) HUD and its recipients and sub-recipients shall comply with the certification requirements of the Drug-Free Workplace Act of 1988 (42 U.S.C. 701), as set forth at 24 CFR part 24, subpart F.

§ 84.14 Special award conditions.

If an applicant or recipient:

(a) Has a history of poor performance;

(b) Is not financially stable;

(c) Has a management system that does not meet the standards prescribed in this part;

(d) Has not conformed to the terms and conditions of a previous award; or

(e) Is not otherwise responsible, HUD may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to:

the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for requesting reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once the conditions that prompted them have been corrected.

§ 84.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency’s procurements, grants, and
other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. HUD shall follow the provisions of E.O. 12770, “Metric Usage in Federal Government Programs.”

§ 84.16 Resource Conservation and Recovery Act.

Under the Resource Conservation and Recovery Act (RCRA) (Pub. L. 94–580, 42 U.S.C. 6962), any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with Section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247 through 254). Accordingly, State and local institutions of higher education, hospitals, commercial organizations and international organizations when operating domestically, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

§ 84.17 Certifications and representations.

Unless prohibited by statute or codified regulation, HUD is authorized and encouraged to allow recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients’ compliance with the pertinent requirements.

Subpart C—Post-Award Requirements

FINANCIAL AND PROGRAM MANAGEMENT

§ 84.20 Purpose of financial and program management.

Sections 84.21 through 84.28 prescribe standards for financial management systems, methods for making payments and rules for: satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of cost, and establishing fund availability.

§ 84.21 Standards for financial management systems.

(a) HUD shall require recipients to relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients’ financial management systems shall provide for the following:

1. Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in § 84.52. If a recipient maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for their reports on the basis of an analysis of the documentation on hand.

2. Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

3. Effective control over and accountability for all funds, property and other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

4. Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information
§ 84.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(1) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient; and

(2) Financial management systems that meet the standards for fund control and accountability as established in § 84.21. Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by HUD to the recipient.

(d) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(1) Advance payment mechanisms are subject to 31 CFR part 205.

(2) Recipients shall be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(e) Requests for Treasury check advance payment shall be submitted on SF-270, “Request for Advance or Reimbursement,” or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special HUD instructions for electronic funds transfer.

(f) Reimbursement is the preferred method when the requirements in paragraph (b) of this section cannot be met. HUD may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal...
loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, HUD shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients shall be authorized to submit request for reimbursement at least monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and HUD has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, HUD may provide cash on a working capital advance basis. Under this procedure, HUD shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee’s disbursing cycle. Thereafter, HUD shall reimburse the recipient for actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient’s actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, HUD shall not withhold payments for proper charges made by recipients at any time during the project period unless paragraphs (h)(1) or (h)(2) of this section apply.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows.

(1) Except for situations described in paragraph (i)(2) of this section, HUD shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless paragraphs (k)(1), (k)(2), or (k)(3) of this section apply.

(1) The recipient receives less than $120,000 in Federal awards per year.

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of $250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(l) For those entities where CMIA and its implementing regulations do not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, P.O. Box 6021, Rockville, MD 20852. In keeping with Electronic Funds Transfer rules (31 CFR part 206), interest should be remitted to the HHS Payment Management System through an electronic medium such as the FEDWIRE Deposit system. Recipients which do not have this capability should use a check. Interest amounts up to $250 per year may be retained by
the recipient for administrative expense. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Federal awarding agency, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this rule, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. Federal agencies shall not require more than an original and two copies of these forms.

(1) SF-270, Request for Advance or Reimbursement. HUD has adopted the SF-270 as a standard form for all non-construction programs when electronic funds transfer or predetermined advance methods are not used. HUD has the option of using this form for construction programs in lieu of the SF-271, "Outlay Report and Request for Reimbursement for Construction Programs."

(2) SF-271, Outlay Report and Request for Reimbursement for Construction Programs. HUD has adopted the SF-271 as the standard form to be used for requesting reimbursement for construction programs. However, HUD may substitute the SF-270 when HUD determines that it provides adequate information to meet Federal needs.

§ 84.23 Cost sharing or matching.

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the following criteria:

(1) Are verifiable from the recipient’s records.

(2) Are not included as contributions for any other federally-assisted project or program.

(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(4) Are allowable under the applicable cost principles.

(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.

(6) Are provided for in the approved budget when required by HUD.

(7) Conform to other provisions of this part, as applicable.

(b) Unrecovered indirect costs may be included as part of cost sharing or matching only with the prior approval of HUD.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If HUD authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of paragraphs (c)(1) or (c)(2) of this section.

(1) The certified value of the remaining life of the property recorded in the recipient’s accounting records at the time of donation.

(2) The current fair market value. However, when there is sufficient justification, HUD may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the recipient organization. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee's regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.
(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award, if paragraphs (g)(1) or (g)(2) of this section apply.

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that HUD has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications.

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient’s supporting records for in-kind contributions from third parties.

(i) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(ii) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

§ 84.24 Program income.

(a) HUD shall apply the standards set forth in this section in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) of this section, program income earned during the project period shall be retained by the recipient and, in accordance with HUD regulations or the terms and conditions of the award, shall be used in one or more of the ways listed in the following.

(1) Added to funds committed to the project by HUD and recipient and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When HUD authorizes the disposition of program income as described in paragraphs (b)(1) or (b)(2) of this section, program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3) of this section.

(d) In the event that HUD does not specify in its regulations or the terms and conditions of the award how program income is to be used, paragraph (b)(3) of this section shall apply automatically to all projects or programs except research. For awards that support research, paragraph (b)(1) of this section shall apply automatically unless HUD indicates in the terms and conditions another alternative on the award or the recipient is subject to special award conditions, as indicated in §84.14.
§ 84.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon HUD requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from HUD for one or more of the following program or budget related reasons:

(1) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(2) Change in a key person specified in the application or award document.

(3) The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.

(4) The need for additional Federal funding.

(5) The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by HUD.

(7) The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

(8) Unless described in the application and funded in the approved award, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, HUD is authorized, at its option, to waive cost-related and administrative prior written approvals required by Circular A-110 and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following:

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of HUD. All pre-award costs are incurred at the recipient’s risk (i.e., HUD is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).
(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify HUD in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless HUD provides otherwise in HUD’s regulations, the prior approval requirements described in paragraph (e) of this section are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) of this section applies.

(f) HUD may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds $100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by HUD. HUD shall not permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j) of this section, do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from HUD for budget revisions whenever paragraphs (h)(1), (h)(2) or (h)(3) of this section apply.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in §84.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When HUD makes an award that provides support for both construction and nonconstruction work, HUD may require the recipient to request prior approval from HUD before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, HUD shall require recipients to notify HUD in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than $5000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless HUD indicates a letter of request suffices.

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, HUD shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, HUD shall inform the recipient in writing of the date when the recipient may expect the decision.

§ 84.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organization (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(1) Non-profit organizations subject to regulations in the part 200 and part 800 series of this title which receive awards subject to part 84 shall comply
§ 84.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A-87, “Cost Principles for State and Local Governments.” The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A-122, “Cost Principles for Non-Profit Organizations.” The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A-21, “Cost Principles for Educational Institutions.” The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, “Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals.” The allowability of costs incurred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A-122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

§ 84.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by HUD.

PROPERTY STANDARDS

§ 84.30 Purpose of property standards.

Sections 84.31 through 84.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. HUD shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§84.31 through 84.37.

§ 84.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 84.32 Real property.

HUD prescribes the following requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards:

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of HUD.

(b) The recipient shall obtain written approval by HUD for the use of real property in other federally-sponsored...
projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by HUD.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b) of this section, the recipient shall request disposition instructions from HUD or its successor Federal awarding agency. HUD shall observe one or more of the following disposition instructions.

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by HUD and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

§ 84.33 Federally-owned and exempt property.

(a) Federally-owned property. (1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to HUD. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to HUD for further HUD utilization.

(2) If HUD has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless HUD has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710 (I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, “Improving Mathematics and Science Education in Support of the National Education Goals.”) Appropriate instructions shall be issued to the recipient by HUD.

(b) Exempt property. When statutory authority exists, HUD has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions HUD considers appropriate. Such property is “exempt property.” Should HUD not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

§ 84.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the equipment without approval of HUD. When the equipment is no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:
§ 84.34

(1) Activities sponsored by HUD which funded the original project; then
(2) Activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to projects or programs sponsored by HUD that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by HUD. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the approval of HUD.

(f) The recipient’s property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following.

(1) Equipment records shall be maintained accurately and shall include the following information.

(i) A description of the equipment.

(ii) Manufacturer’s serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient or the Federal Government.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates HUD for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify HUD.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards.

For equipment with a current per unit fair market value of $5000 or more, the recipient may retain the equipment for other uses provided that compensation is made to HUD or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from HUD. HUD shall determine whether the equipment can be used to meet HUD’s requirements. If no requirement exists
within HUD, the availability of the equipment shall be reported to the General Services Administration by HUD to determine whether a requirement for the equipment exists in other Federal agencies. HUD shall issue instructions to the recipient no later than 120 calendar days after the recipient’s request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient’s request, the recipient shall sell the equipment and reimburse HUD an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share $500 or ten percent of the proceeds, whichever is less, for the recipient’s selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient’s participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by HUD for such costs incurred in its disposition.

(4) HUD may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) HUD shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant funds and federally-owned equipment. If HUD fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When HUD exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

§ 84.35 Supplies and other expendable property.

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding $5000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program, the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, as long as the Federal Government retains an interest in the supplies.

§ 84.36 Intangible property.

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. HUD reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements.”

(c) Unless waived by HUD, the Federal Government has the right to paragraphs (c)(1) and (c)(2) of this section.
§ 84.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. HUD may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

§ 84.40 Purpose of procurement standards.

Sections 84.41 through 84.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by HUD upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

§ 84.41 Recipient responsibilities.

The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to HUD, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

§ 84.42 Codes of conduct.

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

§ 84.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient...
shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. The other factors shall include the bidder’s or offeror’s compliance with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), hereafter referred to as “Section 3.” Section 3 provides that, to the greatest extent feasible, and consistent with existing Federal, State, and local laws, and regulations, economic opportunities generated by certain HUD financial assistance shall be directed to low- and very low-income persons. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient’s interest to do so.

§ 84.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that paragraphs (a)(1), (a)(2) and (a)(3) of this section apply.

(1) Recipients avoid purchasing unnecessary items.

(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government.

(3) Solicitations for goods and services provide for all of the following.

(i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(ii) Requirements which the bidder/offeree must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iv) The specific features of “brand name or equal” descriptions that bidders are required to meet when such items are included in the solicitation.

(v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women’s business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women’s business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women’s business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women’s business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women’s business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce’s Minority Business Development Agency in the solicitation and utilization of
§ 84.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 84.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

(a) Basis for contractor selection;
(b) Justification for lack of competition when competitive bids or offers are not obtained; and
(c) Basis for award cost or price.

§ 84.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

§ 84.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(a) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the...
contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds $100,000. For those contracts or subcontracts exceeding $100,000, HUD may accept the bonding policy and requirements of the recipient, provided HUD has made a determination that the Federal Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

1. A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

2. A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the contractor’s obligations under such contract.

3. A payment bond on the part of the contractor for 100 percent of the contract price. A “payment bond” is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, “Surety Companies Doing Business with the United States.”

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, HUD, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this rule, as applicable.

§ 84.50 Purpose of reports and records.

Sections 84.51 through 84.53 set forth the procedures for monitoring and reporting on the recipient's financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 84.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in §84.26.

(b) HUD shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in §84.51(f), performance reports shall not be required more frequently than quarterly or less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. HUD may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements.
The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following:

1. A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

2. Reasons why established goals were not met, if appropriate.

3. Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(e) Recipients shall not be required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify HUD of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) HUD may make site visits, as needed.

(h) HUD shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

§ 84.52 Financial reporting.

(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients.

1. SF-269 or SF-269A, Financial Status Report.

(i) HUD requires recipients to use the SF-269 or SF-269A to report the status of funds for all nonconstruction projects or programs. HUD has the option of not requiring the SF-269 or SF-269A when the SF-270, Request for Advance or Reimbursement, or SF-272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF-269 or SF-269A shall be required at the completion of the project when the SF-270 is used only for advances.

(ii) HUD shall prescribe whether the report shall be on a cash or accrual basis. If HUD requires accrual information and the recipient’s accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

(iii) HUD shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) HUD requires recipients to submit the SF-269 or SF-269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by HUD upon request of the recipient.

(i) When funds are advanced to recipients HUD shall require each recipient to submit the SF-272 and, when necessary, its continuation sheet, SF-272a. HUD shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) HUD may require forecasts of Federal cash requirements in the “Remarks” section of the report.

(iii) When practical and deemed necessary, HUD may require recipients to report in the “Remarks” section the amount of cash advances received and retained in excess of three days. Recipients shall provide short narrative
explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF-272 15 calendar days following the end of each quarter. HUD may require a monthly report from those recipients receiving advances totaling $1 million or more per year.

(v) HUD may waive the requirement for submission of the SF-272 for any one of the following reasons:

(A) When monthly advances do not exceed $25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in HUD's opinion, the recipient's accounting controls are adequate to minimize excessive Federal advances; or

(C) When the electronic payment mechanisms provide adequate data.

(b) When HUD needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, HUD shall issue instructions to require recipients to submit such information under the "Remarks" section of the reports.

(2) When HUD determines that a recipient's accounting system does not meet the standards in §84.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. HUD, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(3) HUD will shade out any line item on any report if not necessary.

(4) HUD may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(c) Copies of original records may be substituted for the original records if authorized by HUD.

(d) HUD shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, HUD may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) HUD, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of

§ 84.53 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. HUD shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by HUD. The only exceptions are the following.

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by HUD, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocation plans, etc. as specified in §84.53(g).

(c) Copies of original records may be substituted for the original records if authorized by HUD.

(d) HUD shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, HUD may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) HUD, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of
access in this paragraph (e) are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, HUD shall not place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when HUD can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to HUD.

(g) Indirect cost rate proposals, cost allocation plans, etc. Paragraphs (g)(1) and (g)(2) of this section apply to the following types of documents, and their supporting records—indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If submitted for negotiation. If the recipient submits to HUD or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) If not submitted for negotiation. If the recipient is not required to submit to HUD or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

Termination and Enforcement

§ 84.60 Purpose of termination and enforcement.

Sections 84.61 and 84.62 set forth uniform suspension, termination and enforcement procedures.

§ 84.61 Termination.

(a) Awards may be terminated in whole or in part only if paragraphs (a)(1), (a)(2) or (a)(3) of this section apply.

(1) By HUD, if a recipient materially fails to comply with the terms and conditions of an award.

(2) By HUD with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the recipient upon sending to HUD written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if HUD determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraphs (a)(1) or (a)(2) of this section.

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in §84.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 84.62 Enforcement.

(a) Remedies for noncompliance. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, HUD may, in addition to imposing any of the special conditions outlined in §84.14, take one or more of the following actions, as appropriate in the circumstances.

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by HUD.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.
§ 84.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following.
(1) The right of HUD to disallow costs and recover funds on the basis of a later audit or other review.
(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.
(3) Audit requirements in §84.26.
(4) Property management requirements in §§84.31 through 84.37.
(5) Records retention as required in §84.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of HUD and the recipient, provided the responsibilities
§ 84.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, HUD may reduce the debt by paragraphs (a)(1), (a)(2) or (a)(3) of this section.

(1) Making an administrative offset against other requests for reimbursements.

(2) Withholding advance payments otherwise due to the recipient.

(3) Taking other action permitted by statute.

(b) Except as otherwise provided by law, HUD shall charge interest on an overdue debt in accordance with 4 CFR Chapter II, “Federal Claims Collection Standards.”

Subpart E—Use of Lump Sum Grants

§ 84.80 Conditions for use of Lump Sum (fixed price or fixed amount) grants.

(a) Heads of awarding activities (HAAs) shall determine and publish the funding arrangement for award programs having a published program regulation or Notice of Funding Availability. For other awards, discretion may be provided to Grant Officers to determine the funding arrangement on a transaction basis. In such cases, Grant Officers shall document the basis for selection of the funding arrangement in the negotiation record. Appropriate consideration to fixed amount (lump sum) awards shall be made if one or more of the following conditions are present:

(1) The HUD funding amount is definitely less than the total actual cost of the project.

(2) The HUD funding amount does not exceed $100,000 or the small purchase threshold fixed at 41 U.S.C. 403 (11), whichever is greater.

(3) The project scope is very specific and adequate cost, historical, or unit pricing data is available to establish a fixed amount award with assurance that the recipient will realize no increment above actual cost.

(b) [Reserved]

§ 84.81 Definition.

(a) A lump sum award is an award for a predetermined amount, as set forth in the grant agreement, which amount does not vary with the amount of the recipient’s actual incurred costs. Under this type of award, HUD does not pay the recipient for its incurred costs but rather for completing certain defined events in the work or achievement of some other well-defined milestone. Some of the ways in which the grant amount may be paid are, but are not limited to:

(1) In several partial payments, the amount of each agreed upon in advance, and the “milestone” or event triggering the payment also agreed upon in advance, and set forth in the grant;

(2) On a unit price basis, for a defined unit or units (such as a housing counseling unit), at a defined price or prices, agreed to in advance of performance of the grant and set forth in the grant;

(3) In one payment at grant completion.

(b) The key distinction between a lump sum and a cost reimbursement grant is the lack of a direct relationship between the costs incurred by the recipient and the amount paid by HUD in the lump sum arrangement.

§ 84.82 Provisions applicable only to lump sum grants.

In addition to the provisions of this subpart E, subparts A and B of this part apply to lump sum grants.

(a) Financial and program management. Paragraphs (b) through (e) of this section prescribe standards for financial management systems, methods for making payments, budget revision approvals, and making audits.

(b) Standards for financial management systems. (1) Records that identify adequately the source and application of
funds for federally-sponsored activities are required. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(2) Effective control over and accountability for all funds, property and other assets are required. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(3) Comparison of outlays with budget amounts for each award is required. Whenever appropriate, financial information should be related to performance and unit cost data.

(4) Where HUD guarantees or insures the repayment of money borrowed by the recipient, HUD, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(5) HUD may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government’s interest.

(6) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, “Surety Companies Doing Business with the United States.”

(c) Payment. (1) The standard governing the use of banks and other institutions as depositories of funds advanced under awards is, HUD shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(3) Except as noted elsewhere in this part, only the following forms shall be authorized for the recipients in requesting payments. HUD shall not require more than an original and two copies of these forms.

(i) SF-270, Request for Advance or Reimbursement. HUD has adopted the SF-270 as a standard form for all nonconstruction programs when electronic funds transfer or predetermined advance methods are not used. The SF-270 shall also be used for lump sum payment requests. HUD, however, has the option of using this form for construction programs in lieu of the SF-271, “Outlay Report and Request for Reimbursement for Construction Programs.”

(ii) SF-271, Outlay Report and Request for Reimbursement for Construction Programs. HUD has adopted the SF-271 as the standard form to be used for requesting reimbursement for construction programs. However, HUD may substitute the SF-270 when HUD determines that it provides adequate information to meet HUD’s needs.

(d) Revision of budget and program plans. (1) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon HUD requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(2) Recipients are required to report deviations from program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(3) For nonconstruction awards, recipients shall request prior approvals from HUD for one or more of the following program or budget related reasons.

(i) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(ii) The need for additional Federal funding.

(iii) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.
§ 84.83 Property standards.

(a) Purpose of property standards. Paragraphs (b) through (g) of this section set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. HUD shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of paragraphs (b) through (g) of this section.

(b) Insurance coverage. Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-
owned property need not be insured unless required by the terms and conditions of the award.

(c) Real property. HUD prescribes the following requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards:

(1) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of HUD.

(2) The recipient shall obtain written approval by HUD for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by HUD.

(d) Federally-owned and exempt property—(1) Federally-owned property—(i) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to HUD. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to HUD for further HUD utilization.

(ii) If HUD has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless HUD has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710 (l))) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, “Improving Mathematics and Science Education in Support of the National Education Goals.” Appropriate instructions shall be issued to the recipient by HUD.

(2) Exempt property. When statutory authority exists, HUD has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government under conditions HUD considers appropriate. Such property is “exempt property.” Should HUD not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

(e) Equipment. (1) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(2) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the equipment without approval of HUD. When the equipment is no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:

(i) Activities sponsored by HUD which funded the original project; then

(ii) Activities sponsored by other Federal awarding agencies.

(3) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to projects or programs sponsored by HUD that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by HUD.

(4) The recipient’s property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following:

(i) Equipment records shall be maintained accurately and shall include the following information.

(A) A description of the equipment.

(B) Manufacturer’s serial number, model number, Federal stock number, national stock number, or other identification number.
(C) Source of the equipment, including the award number.

(D) Whether title vests in the recipient or the Federal Government.

(E) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(F) Location and condition of the equipment, and the date the information was reported.

(ii) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(iii) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(iv) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify HUD.

(v) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(f) Intangible property.

(1) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. HUD reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(ii) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Non-profit Organizations and Small Businesses Under Government Grants, Contracts and Cooperative Agreements."

(3) Unless waived by HUD, the Federal Government has the right to paragraphs (f)(3)(i) and (f)(3)(ii) of this section.

(i) Obtain, reproduce, publish or otherwise use the data first produced under an award.

(ii) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(4) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose.

(g) Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. HUD may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.
§ 84.84 Procurement standards.

(a) Purpose of procurement standards. Paragraphs (b) through (l) of this section set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by HUD upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

(b) Recipient responsibilities. The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to HUD, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

(c) Codes of conduct. The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors of any kind, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

(d) Competition. All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. The other factors shall include the bidder’s or offeror’s compliance with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), hereafter referred to as “Section 3.” Section 3 provides that, to the greatest extent feasible, and consistent with existing Federal, State, and local laws, and regulations, economic opportunities generated by certain HUD financial assistance shall be directed to low- and very low-income persons. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient’s interest to do so.

(e) Procurement procedures. (1) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that paragraphs (e)(1)(i), (e)(1)(ii) and (e)(1)(iii) of this section apply:

(i) Recipients avoid purchasing unnecessary items.
(ii) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the recipient.

(iii) Solicitations for goods and services provide for all of the following.

(A) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(B) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(C) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(D) The specific features of "brand name or equal" descriptions that bidders are required to meet when such items are included in the solicitation.

(E) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(F) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(2) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(i) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(ii) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

(iii) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(iv) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(v) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

(3) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The "cost-plus-a-percentage-of-cost" or "percentage of construction cost" methods of contracting shall not be used.

(4) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity; compliance with public policy, including, where applicable, Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u); record of past performance; financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by agencies' implementation of E.O.'s 12549 and 12689, "Debarment and Suspension," as set forth at 24 CFR part 24.

(5) Recipients shall, on request, make available for the Federal awarding agency, pre-award review and procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(i) A recipient's procurement procedures or operation fails to comply with the procurement standards in HUD's implementation of Circular A-110.
(ii) The procurement is expected to exceed $100,000 or the small purchase threshold fixed at 41 U.S.C. 403 (11), whichever is greater, and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(iii) The procurement, which is expected to exceed the small purchase threshold, specifies a “brand name” product.

(iv) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

(f) Cost and price analysis. Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

(g) Procurement records. Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

   (1) Basis for contractor selection;
   (2) Justification for lack of competition when competitive bids or offers are not obtained; and
   (3) Basis for award cost or price.

(h) Contract administration. A system for contract administration shall be maintained to ensure contractor compliance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

(i) Contract provisions. The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

   (1) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

   (2) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

   (3) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds $100,000. For those contracts or subcontracts exceeding $100,000, HUD may accept the bonding policy and requirements of the recipient, provided HUD has made a determination that the Federal Government’s interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

   (i) A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

   (ii) A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the contractor’s obligations under such contract.
§ 84.85  Reports and records.

(a) Purpose of reports and records. Paragraphs (b) and (c) of this section set forth the procedures for monitoring and reporting on the recipient's financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

(b) Monitoring and reporting program performance. (1) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in §84.82(e).

(2) The Federal awarding agency shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in paragraph (b)(6) of this section, performance reports shall not be required more frequently than quarterly or less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Federal awarding agency may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(3) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(4) When required, performance reports shall generally contain, for each award, brief information on each of the following:

(i) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(ii) Reasons why established goals were not met, if appropriate.

(5) Recipients shall not be required to submit more than the original and two copies of performance reports.

(6) Recipients shall immediately notify HUD of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(7) HUD may make site visits, as needed.

(8) HUD shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

(c) Retention and access requirements for records. (1) This paragraph (c) sets forth requirements for record retention and access to records for awards to recipients. Federal awarding agencies shall not impose any other record retention or access requirements upon recipients.
(2) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by HUD. The only exceptions are the following:

(i) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(ii) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(iii) When records are transferred to or maintained by the Federal awarding agency, the 3-year retention requirement is not applicable to the recipient.

(3) Copies of original records may be substituted for the original records if authorized by HUD.

(4) HUD shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, HUD may make arrangements for recipients to retain any records that are continuously needed for joint use.

(5) HUD, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards. In order to make audits, examinations, excerpts, transcripts and copies of such documents. The rights of access in this paragraph (c)(5) are not limited to the required retention period, but shall last as long as records are retained.

(6) Unless required by statute, HUD shall not place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when HUD can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to HUD.

§ 84.86 Termination and enforcement.

(a) Termination. (1) Awards may be terminated in whole or in part only if paragraphs (a)(1)(i), (a)(1)(ii), or (a)(1)(iii) of this section apply:

(i) By HUD, if a recipient materially fails to comply with the terms and conditions of an award.

(ii) By HUD with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(iii) By the recipient upon sending to HUD written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if HUD determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraphs (a)(1)(i) or (a)(1)(iii) of this section.

(2) If costs are allowed under an award, the responsibilities of the recipient referred to in §84.27(a)(1), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

(b) Enforcement. (1) Remedies for non-compliance. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in
§ 84.87 Closeout procedures, subsequent adjustments and continuing responsibilities.

(a) Closeout procedures. (1) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. HUD may approve extensions when requested by the recipient.

(2) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with §§84.83(b) through (g).

(b) Subsequent adjustments and continuing responsibilities. (1) The closeout of an award does not affect any of the following:

(i) Audit requirements in §84.26.

(ii) Property management requirements in §§84.83(b) through (g).

(iii) Records retention as required in §84.53.

(2) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of HUD and the recipient, provided the responsibilities of the recipient are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

APPENDIX A TO PART 84—CONTRACT PROVISIONS

All contracts, awarded by a recipient including small purchases, shall contain the following provisions as applicable:

2. Copeland “Anti-Kickback” Act (18 U.S.C. 874 and 40 U.S.C. 276c)—All contracts and subgrants in excess of $2000 for construction or repair awarded by recipients and subrecipients shall include a provision for compliance with the Copeland “Anti-Kickback” Act (18 U.S.C. 874), as supplemented by Department of Labor regulations (29 CFR part 2). “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United...
Office of the Secretary, HUD

Pt. 84, App. A

The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to HUD.

3. Davis-Bacon Act (40 U.S.C. 276a to a-7)—When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than $2000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR part 5, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction"). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than $100,000 for construction contracts and $250 for other contracts that involve the employment of mechanics or laborers shall include a provision for compliance with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327 through 333), as supplemented by Department of Labor regulations (29 CFR part 5). Under Section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard workweek of 40 hours. Work in excess of the standard workweek is permissible provided that the worker is compensated at a rate of not less than 1½ times the basic rate of pay for all hours worked in excess of 40 hours in the workweek. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. Rights to Inventions Made Under a Contract or Agreement—Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by HUD.

6. Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended—Contracts and subgrants of amounts in excess of $100,000 shall contain a provision that requires the recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et seq.). Violations shall be reported to HUD and the Regional Office of the Environmental Protection Agency (EPA).

8. Debarment and Suspension (E.O.s 12549 and 12689)—No contract shall be made to parties listed on the General Services Administration’s List of Parties Excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O.s 12549 and 12689, “Debarment and Suspension,” as set forth at 24 CFR part 24. This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding its exclusion status and that of its principal employees.

9. Drug-Free Workplace Requirements—The Drug-Free Workplace Act of 1988 (42 U.S.C. 701) requires grantees (including individuals) of federal agencies, as a prior condition of being awarded a grant, to certify that they will provide drug-free workplaces. Each potential recipient must certify that it will comply with drug-free workplace requirements in accordance with the Act and with HUD’s rules at 24 CFR part 24, subpart F.
Subpart A—General

§ 85.1 Purpose and scope of this part.

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

§ 85.2 Scope of subpart.

This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.

§ 85.3 Definitions.

As used in this part:

Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for: (1) Goods and other tangible property received; (2) services performed by employees, contractors, subgrantees, subcontractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Accrued income means the sum of: (1) Earnings during a given period from services performed by employees, contractors, subgrantees, subcontractors, and other payees; and (2) amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Acquisition cost of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee’s regular accounting practices.

Administrative requirements mean those matters common to grants in general, such as financial management,
kinds and frequency of reports, and retention of records. These are distinguished from programmatic requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

Awarding agency means (1) with respect to a grant, the Federal agency, and (2) with respect to a subgrant, the party that awarded the subgrant.

Cash contributions means the grantee's cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

Contract means (except as used in the definitions for grant and subgrant in this section and except where qualified by Federal) a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

Cost sharing or matching means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

Cost-type contract means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

Equipment means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment defined above.

Expenditure report means: (1) For non-construction grants, the SF-269 "Financial Status Report" (or other equivalent report); (2) for construction grants, the SF-27L "Outlay Report and Request for Reimbursement" (or other equivalent report).

Federally recognized Indian tribal government means the governing body or a governmental agency of any Indian tribe, band, nation, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

Government means a State or local government or a federally recognized Indian tribal government.

Grant means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

Grantee means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

Local government means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

Obligations means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

OMB means the United States Office of Management and Budget.

Outlays (expenditures) mean charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash
§ 85.3

basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

Percentage of completion method refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee's cost incurred.

Prior approval means documentation evidencing consent prior to incurring specific cost.

Real property means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

Share, when referring to the awarding agency's portion of real property, equipment or supplies, means the same percentage as the awarding agency's portion of the acquiring party's total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

State means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under United States Housing Act of 1937.

Subgrant means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of grant in this part.

Subgrantee means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

Supplies means all tangible personal property other than equipment as defined in this part.

Suspension means depending on the context, either (1) temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant, or (2) an action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. Termination does not include: (1) Withdrawal of funds awarded on the basis of the grantee's underestimate of the unobligated balance in a prior period; (2) Withdrawal of the unobligated balance as of the expiration of a grant; (3) Refusal to extend a grant or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or supplemental award; or (4) voiding of a grant upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

Terms of a grant or subgrant mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

Third party in-kind contributions mean property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee.

Subpart B—Pre-Award Requirements

§ 85.10 Forms for applying for grants.

(a) Scope. (1) This section prescribes forms and instructions to be used by governmental organizations (except hospitals and institutions of higher education operated by a government) in applying for grants. This section is not applicable, however, to formula grant programs which do not require applicants to apply for funds on a project basis.

(2) This section applies only to applications to Federal agencies for grants, and is not required to be applied by grantees in dealing with applicants for subgrants. However, grantees are encouraged to avoid more detailed or burdensome application requirements for subgrants.

(b) Authorized forms and instructions for governmental organizations. (1) In applying for grants, applicants shall only use standard application forms or those prescribed by the granting agency with the approval of OMB under the Paperwork Reduction Act of 1980.

(2) Applicants are not required to submit more than the original and two copies of preapplications or applications.

(3) Applicants must follow all applicable instructions that bear OMB clearance numbers. Federal agencies may specify and describe the programs, functions, or activities that will be used to plan, budget, and evaluate the work under a grant. Other supplementary instructions may be issued only with the approval of OMB to the extent required under the Paperwork Reduction Act of 1980. For any standard form, except the SF-424 facesheet, Federal agencies may shade out or instruct the applicant to disregard any line item that is not needed.

(4) When a grantee applies for additional funding (such as a continuation or supplemental award) or amends a previously submitted application, only the affected pages need be submitted. Previously submitted pages with information that is still current need not be resubmitted.

§ 85.11 State plans.

(a) Scope. The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372, “Intergovernmental Review of Federal Programs,” States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive order.

(b) Requirements. A State need meet only Federal administrative or programmatic requirements for a plan that are in statutes or codified regulations.

(c) Assurances. In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

(1) Permit preparation of reports required by this part and the statutes authorizing the grant, and

(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) Financial reporting. Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

(2) Accounting records. Grantees and subgrantees must maintain records which adequately identify the source and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) Internal control. Effective control and accountability must be maintained for all grant and subgrant cash, real

(2) A material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

§ 85.12 Special grant or subgrant conditions for “high-risk” grantees.

(a) A grantee or subgrantee may be considered high risk if an awarding agency determines that a grantee or subgrantee:

(1) Has a history of unsatisfactory performance, or

(2) Is not financially stable, or

(3) Has a management system which does not meet the management standards set forth in this part, or

(4) Has not conformed to terms and conditions of previous awards, or

(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

(1) Payment on a reimbursement basis;

(2) Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;

(3) Requiring additional, more detailed financial reports;

(4) Additional project monitoring;

(5) Requiring the grantee or subgrantee to obtain technical or management assistance; or

(6) Establishing additional prior approvals.

(c) If an awarding agency decides to impose such conditions, the awarding official will notify the grantee or subgrantee as early as possible, in writing, of:

(1) The nature of the special conditions/restrictions;

(2) The reason(s) for imposing them;

(3) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions and

(4) The method of requesting reconsideration of the conditions/restrictions imposed.

Subpart C—Post-Award Requirements

FINANCIAL ADMINISTRATION

§ 85.20 Standards for financial management systems.

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

(1) Permit preparation of reports required by this part and the statutes authorizing the grant, and

(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) Financial reporting. Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

(2) Accounting records. Grantees and subgrantees must maintain records which adequately identify the source and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) Internal control. Effective control and accountability must be maintained for all grant and subgrant cash, real

(1) Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions,

(2) Repeat the assurance language in the statutes or regulations, or

(3) Develop its own language to the extent permitted by law.

(d) Amendments. A State will amend a plan whenever necessary to reflect:

(1) New or revised Federal statutes or regulations or;

(2) A material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.
§ 85.21 Payment.

(a) Scope. This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) Basic standard. Methods and procedures for payment shall minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR part 205.

(c) Advances. Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) Reimbursement. Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if it does, the awarding agency's payments to the grantee or subgrantee will be based on the grantee's or subgrantee's actual rate of disbursement.

(e) Working capital advances. If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reimbursement is not feasible because the grantee lacks sufficient working capital, the awarding agency may provide cash or a working capital advance basis. Under this procedure the awarding agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee's disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using

and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) Budget control. Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) Allowable cost. Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) Source documentation. Accounting records must be supported by such source documentation as cancelled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) Cash management. Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees' cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-of-credit or electronic transfer of funds methods, the grantee must make drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.

(c) An awarding agency may review the adequacy of the financial management system of any applicant for financial assistance as part of a preaward review or at any time subsequent to award.
such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee's actual cash disbursements.

(f) Effect of program income, refunds, and audit recoveries on payment. (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) Withholding payments. (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless—

(i) The grantee or subgrantee has failed to comply with grant award conditions or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall be released to the grantee upon subsequent compliance. When a grant is suspended, payment adjustments will be made in accordance with § 85.43(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the Federal agency when the grantees or subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

(h) Cash depositories. (1) Consistent with the national goal of expanding the opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) Interest earned on advances. Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, remit interest earned on advances to the Federal agency. The grantee or subgrantee may keep interest amounts up to $100 per year for administrative expenses.

§ 85.22 Allowable costs.

(a) Limitation on use of funds. Grant funds may be used only for:

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) Applicable cost principles. For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles.

§ 85.23 Period of availability of funds.

(a) General. Where a funding period is specified, a grantee may charge to the
§ 85.24 Matching or cost sharing.

(a) Basic rule: Costs and contributions acceptable. With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by others cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) Qualifications and exceptions—(1) Costs borne by other Federal grant agreements. Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(2) General revenue sharing. For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) Cost or contributions counted towards other Federal costs-sharing requirements. Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) Costs financed by program income. Costs financed by program income, as defined in §85.25, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in §85.25(g).)

(5) Services or property financed by income earned by contractors. Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) Records. Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) Special standards for third party in-kind contributions. (i) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has
established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee) or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) Valuation of donated services—(1) Volunteer services. Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee’s or subgrantee’s organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) Employees of other organizations. When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee’s normal line of work, the services will be valued at the employee’s regular rate of pay exclusive of the employee’s fringe benefits and overhead costs. If the services are in a different line of work, paragraph (c)(1) of this section applies.

(d) Valuation of third party donated supplies and loaned equipment or space.

(1) If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution will be valued at the fair rental rate of the equipment or space.

(e) Valuation of third party donated equipment, buildings, and land. If a third party donates equipment, buildings, or land, and title passes to a grantee or subgrantee, the treatment of the donated property will depend upon the purpose of the grant or subgrant, as follows:

(1) Awards for capital expenditures. If the purpose of the grant or subgrant is to assist the grantee or subgrantee in the acquisition of property, the market value of that property at the time of donation may be counted as cost sharing or matching.

(2) Other awards. If assisting in the acquisition of property is not the purpose of the grant or subgrant, paragraphs (e)(2)(i) and (ii) of this section apply:

(i) If approval is obtained from the awarding agency, the market value at the time of donation of the donated equipment or buildings and the fair rental rate of the donated land may be counted as cost sharing or matching. In the case of a subgrant, the terms of the grant agreement may require that the approval be obtained from the Federal agency as well as the grantee. In all cases, the approval may be given only if a purchase of the equipment or rental of the land would be approved as an allowable direct cost. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost-sharing or matching.

(ii) If approval is not obtained under paragraph (e)(2)(i) of this section, no amount may be counted for donated land, and only depreciation or use allowances may be counted for donated equipment and buildings. The depreciation or use allowances for this property are not treated as third party in-kind contributions. Instead, they are treated as costs incurred by the grantee or subgrantee. They are computed and allocated (usually as indirect costs) in accordance with the cost principles specified in §85.22, in the same way as depreciation or use allowances for purchased equipment and buildings. The
§ 85.25 Program income.

(a) General. Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds.

(b) Definition of program income. Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. During the grant period is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) Cost of generating program income. If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) Governmental revenues. Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) Royalties. Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income. (See §85.34.)

(f) Property. Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§85.31 and 85.32.

(g) Use of program income. Program income shall be deducted from outlays which may be both Federal and non-Federal as described below, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs (g) (2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

1) Deduction. Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal agency and grantee contributions rather than to increase the funds committed to the project.

2) Addition. When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be
used for the purposes and under the conditions of the grant agreement.

(3) Cost sharing or matching. When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) Income after the award period. There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

§ 85.26 Non-Federal audit.

(a) Basic rule. Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, “Audits of States, Local Governments, and Non-Profit Organizations.” The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

(b) Subgrantees. State or local governments, as those terms are defined for purposes of the Single Audit Act Amendments of 1996, that provide Federal awards to a subgrantee which expends $300,000 or more (or other amount as specified by OMB) in Federal awards in a fiscal year, shall:

(1) Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A-110, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” have met the audit requirements of the Act. Commercial contractors (private for-profit and private and governmental organizations) providing goods and services to State and local governments are not required to have a single audit performed. State and local governments should use their own procedures to ensure that the contractor has complied with laws and regulations affecting the expenditure of Federal funds;

(2) Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A-133 (as set forth in 24 CFR part 45), or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

(3) Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

(4) Consider whether subgrantee audits necessitate adjustment of the grantee’s own records; and

(5) Require each subgrantee to permit independent auditors to have access to the records and financial statements.

(c) Auditor selection. In arranging for audit services, § 85.36 shall be followed.

CHANGES, PROPERTY, AND SUBAWARDS

§ 85.30 Changes.

(a) General. Grantees and subgrantees are permitted to rebudget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) Relation to cost principles. The applicable cost principles (see § 85.22) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) Budget changes—(1) Nonconstruction projects. Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a nonconstruction award:
§ 85.31
(i) Any revision which would result in the need for additional funding.
(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency’s share exceeds $100,000.
(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).
(2) Construction projects. Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.
(3) Combined construction and nonconstruction projects. When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from nonconstruction to construction or vice versa.
(d) Programmatic changes. Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:
(1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).
(2) Need to extend the period of availability of funds.
(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.
(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of § 85.36 but does not apply to the procurement of equipment, supplies, and general support services.
(e) Additional prior approval requirements. The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.
(f) Requesting prior approval. (1) A request for prior approval of any budget revision will be in the same budget format the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.
(2) A request for a prior approval under the applicable Federal cost principles (see § 85.22) may be made by letter.
(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee’s approved project which requires Federal prior approval, the grantee will obtain the Federal agency’s approval before approving the subgrantee’s request.
§ 85.31 Real property.
(a) Title. Subject to the obligations and conditions set forth in this section, title to real property acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.
(b) Use. Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purpose, and the grantee or subgrantee shall not dispose or encumber its title or other interests.
(c) Disposition. When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:
(1) Retention of title. Retain title after compensating the awarding agency.
The amount paid to the awarding agency will be computed by applying the
awarding agency's percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) Sale of property. Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency's percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) Transfer of title. Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee's percentage of participation in the purchase of the real property to the current fair market value of the property.

§ 85.32 Equipment.

(a) Title. Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) States. A State will use, manage, and dispose of equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.

(c) Use. (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in §85.25(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property, subject to the approval of the awarding agency.

(d) Management requirements. Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of the property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the
§ 85.33 Supplies.

(a) Title. Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) Disposition. If there is a residual inventory of unused supplies exceeding $5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.

§ 85.34 Copyrights.

The Federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

§ 85.35 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive
§ 85.36 Procurement.

(a) States. When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) in this section.

(b) Procurement standards. (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:
   (i) The employee, officer or agent,
   (ii) Any member of his immediate family,
   (iii) His or her partner, or
   (iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail
the significant history of a procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

(i) After a determination that no other contract is suitable, and

(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protestor must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities) and

(ii) Violations of the grantee’s or subgrantee’s protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified above will be referred to the grantee or subgrantee.

(c) Competition. (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of §85.36. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business;

(ii) Requiring unnecessary experience and excessive bonding;

(iii) Noncompetitive pricing practices between firms or between affiliated companies;

(iv) Noncompetitive awards to consultants that are on retainer contracts;

(v) Organizational conflicts of interest;

(vi) Specifying only a brand name product instead of allowing an equal product to be offered and describing the performance of other relevant requirements of the procurement, and

(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutorily or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be
avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a brand name or equal description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) Methods of procurement to be followed.

(1) Procurement by small purchase procedures. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently set at $100,000). If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources.

(2) Procurement by sealed bids (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in §85.36(d)(2)(i) apply.

(i) In order for sealed bidding to be feasible, the following conditions should be present:

(A) A complete, adequate, and realistic specification or purchase description is available;

(B) Two or more responsible bidders are willing and able to compete effectively and for the business; and

(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(ii) If sealed bids are used, the following requirements apply:

(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;

(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;

(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;

(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(E) Any or all bids may be rejected if there is a sound documented reason.

(3) Procurement by competitive proposals. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;

(ii) Proposals will be solicited from an adequate number of qualified sources;

(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;

(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors’ qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:

(A) The item is available only from a single source;

(B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;

(C) The awarding agency authorizes noncompetitive proposals; or

(D) After solicitation of a number of sources, competition is determined inadequate.

(ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.

(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for pre-award review in accordance with paragraph (g) of this section.

(e) Contracting with small and minority firms, women’s business enterprise and labor surplus area firms. (1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women’s business enterprises, and labor surplus area firms are used when possible.

(2) Affirmative steps shall include:

(i) Placing qualified small and minority businesses and women’s business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women’s business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women’s business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women’s business enterprises;

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2) (i) through (v) of this section.

(f) Contract cost and price. (1) Grantees and subgrantees must perform a cost or price analysis in connection with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders, unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of
the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see § 85.22). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) Awarding agency review. (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and/or service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review generally limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc., when:

(i) A grantee's or subgrantee's procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product; or

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(4) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency's right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(h) Bonding requirements. For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:
§ 85.36  

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A “payment bond” is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(i) Contract provisions. A grantee's and subgrantee's contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

(3) Compliance with Executive Order 11246 of September 24, 1965, entitled “Equal Employment Opportunity,” as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All construction contracts in excess of $10,000 awarded by grantees and subgrantees when required by Federal grant program legislation)

(4) Compliance with the Copeland “Anti-Kickback” Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR part 3). (All contracts and subgrants for construction or repair)

(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts in excess of $2000 awarded by grantees and subgrantees when required by Federal grant program legislation)

(6) Compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts awarded by grantees and subgrantees in excess of $2000, and in excess of $2500 for other contracts which involve the employment of mechanics or laborers)

(7) Notice of awarding agency requirements and regulations pertaining to reporting.

(8) Notice of awarding agency requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such contract.

(9) Awarding agency requirements and regulations pertaining to copyrights and rights in data.

(10) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

(11) Retention of all required records for three years after grantees or subgrantees make final payments and all other pending matters are closed.

(12) Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). (Contracts, subcontracts, and subgrants of amounts in excess of $100,000).
(13) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94–163, 89 Stat. 871).

§ 85.37 Subgrants.

(a) States. States shall follow state law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:

(1) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;

(2) Ensure that subgrantees are aware of requirements imposed upon them by Federal statute and regulation;

(3) Ensure that a provision for compliance with § 85.42 is placed in every cost reimbursement subgrant; and

(4) Conform any advances of grant funds to subgrantees substantially to the same standards of timing and amount that apply to cash advances by Federal agencies.

(b) All other grantees. All other grantees shall follow the provisions of this part which are applicable to awarding agencies when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. Grantees shall:

(1) Ensure that every subgrant includes a provision for compliance with this part;

(2) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations; and

(3) Ensure that subgrantees are aware of requirements imposed upon them by Federal statutes and regulations.

(c) Exceptions. By their own terms, certain provisions of this part do not apply to the award and administration of subgrants:

(1) Section 85.10;

(2) Section 85.11;

(3) The letter-of-credit procedures specified in Treasury Regulations at 31 CFR part 205, cited in § 85.21; and

(4) Section 85.50.

REPORTS, RECORDS, RETENTION, AND ENFORCEMENT

§ 85.40 Monitoring and reporting program performance.

(a) Monitoring by grantees. Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function or activity.

(b) Nonconstruction performance reports. The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived by the Federal agency this report will be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a justified request is submitted by a grantee, the Federal agency may extend the due date for any performance report. Additionally, requirements for unnecessary performance reports may be waived by the Federal agency.

(2) Performance reports will contain, for each grant, brief information on the following:

(i) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output
may be required if that information will be useful.
(ii) The reasons for slippage if established objectives were not met.
(iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.
(3) Grantees will not be required to submit more than the original and two copies of performance reports.
(4) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.

(c) Construction performance reports. For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance reports only when considered necessary, and never more frequently than quarterly.
(d) Significant developments. Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:
(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.
(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.
(e) Federal agencies may make site visits as warranted by program needs.
(f) Waivers, extensions. (1) Federal agencies may waive any performance report required by this part if not needed.
(2) The grantee may waive any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

§ 85.41 Financial reporting.
(a) General. (1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:
(i) Submitting financial reports to Federal agencies, or
(ii) Requesting advances or reimbursements when letters of credit are not used.
(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.
(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that the Federal agency finds unnecessary for its decisionmaking purposes.
(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.
(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees in machine usable format or computer printouts instead of prescribed forms.
(6) Federal agencies may waive any report required by this section if not needed.
(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.
(b) Financial Status Report—(1) Form. Grantees will use Standard Form 269 or
Office of the Secretary, HUD § 85.41

(2) Accounting basis. Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee's accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through and analysis of the documentation on hand.

(3) Frequency. The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) Due date. When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) Federal Cash Transactions Report—
(1) Form. (i) For grants paid by letter or credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.
(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) Forecasts of Federal cash requirements. Forecasts of Federal cash requirements may be required in the "Remarks" section of the report.

(3) Cash in hands of subgrantees. When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days' needs in the hands of their subgrantees or contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) Frequency and due date. Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance either by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the Federal agency may require the report to be submitted within 15 working days following the end of each month.

(d) Request for advance or reimbursement—(1) Advance payments. Requests for Treasury check advance payments will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when Treasury check advance payments are made to the grantee automatically on a predetermined basis.)

(2) Reimbursements. Requests for reimbursement under nonconstruction grants will also be submitted on Standard Form 270. (For reimbursement requests under construction grants, see paragraph (e)(1) of this section.)

(3) The frequency for submitting payment requests is treated in §85.41(b)(3).

(e) Outlay report and request for reimbursement for construction programs—(1) Grants that support construction activities paid by reimbursement method. (i) Requesters for reimbursement under construction grants will be submitted on Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in §85.41(d), instead of this form.
(ii) The frequency for submitting reimbursement requests is treated in §85.41(b)(3).
§ 85.42 Retention and access requirements for records.

(a) Applicability. (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:
(i) Required to be maintained by the terms of this part, program regulations or the grant agreement, or
(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement;
(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see §85.36(i)(10).

(b) Length of retention period. (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.
(2) If any litigation, claim, negotiation, audit or other action involving these records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.
(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use.

§ 85.41(b)

(c) Starting date of retention period—(1) General. When grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the grantee or subgrantee submits to the awarding agency its single or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year’s records starts on the day the grantee submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the report would have been due.
(2) Real property and equipment records. The retention period for real property and equipment records starts from the date of the disposition or replacement or transfer at the direction of the awarding agency.
(3) Records for income transactions after grant or subgrant support. In some cases grantees must report income after the period of grant support. Where there is such a requirement, the retention period for the records pertaining to the earning of the income starts from the end of the grantee’s fiscal year in which the income is earned.
(4) Indirect cost rate proposals, cost allocations plans, etc. This paragraph applies to the following types of documents, and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any
similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(i) If submitted for negotiation. If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) If not submitted for negotiation. If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation.

(d) Substitution of microfilm. Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) Access to records—(1) Records of grantees and subgrantees. The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) Expiration of right of access. The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) Restrictions on public access. The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records unless required by Federal, State, or local law, grantees and subgrantees are not required to permit public access to their records.

§ 85.43 Enforcement.

(a) Remedies for noncompliance. If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency.

(2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award for the grantee's or subgrantee's program.

(4) Withhold further awards for the program, or

(5) Take other remedies that may be legally available.

(b) Hearings, appeals. In taking an enforcement action, the awarding agency will provide the grantee or subgrantee an opportunity for such hearing, appeal, or other administrative proceeding to which the grantee or subgrantee is entitled under any statute or regulation applicable to the action involved.

(c) Effects of suspension and termination. Costs of grantee or subgrantee resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable, and,

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude grantee or subgrantee from
§ 85.44 Termination for convenience.

Except as provided in §85.43, awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated, or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either §85.43 or paragraph (a) of this section.

Subpart D—After-the-Grant Requirements

§ 85.50 Closeout.

(a) General. The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) Reports. Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this timeframe. These may include but are not limited to:

1. Final performance or progress report.
2. Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF–27I) (as applicable).
3. Final request for payment (SF–270) (if applicable).
4. Invention disclosure (if applicable).
5. Federally-owned property report.

In accordance with §85.32(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) Cost adjustment. The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) Cash adjustments. (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.

§ 85.51 Later disallowances and adjustments.

The closeout of a grant does not affect:

(a) The Federal agency’s right to disallow costs and recover funds on the basis of a later audit or other review;

(b) The grantee’s obligation to return any funds due as a result of later refunds, corrections, or other transactions;

(c) Records retention as required in §85.42;

(d) Property management requirements in §§85.31 and 85.32; and

(e) Audit requirements in §85.26.

§ 85.52 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:

1. Making an administrative offset against other requests for reimbursements.

2. Withholding advance payments otherwise due to the grantee, or

3. Other action permitted by law.

(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4
CFR Ch. 11). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

Subpart A—General

§ 87.100 Conditions on use of funds.

(a) No appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) Each person who requests or receives from an agency a Federal contract, grant, loan, or cooperative agreement shall file with that agency a certification, set forth in appendix A, that the person has not made, and will not make, any payment prohibited by paragraph (a) of this section.

(c) Each person who requests or receives from an agency a Federal contract, grant, loan, or a cooperative agreement shall file with that agency a disclosure form, set forth in appendix B, if such person has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (a) of this section if paid for with appropriated funds.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in appendix A, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a disclosure form, set forth in appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.
§ 87.105 Definitions.

For purposes of this part:

(a) Agency, as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

(b) Covered Federal action means any of the following Federal actions:

1. The awarding of any Federal contract;
2. The making of any Federal grant;
3. The making of any Federal loan;
4. The entering into of any cooperative agreement; and,
5. The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(c) Federal contract means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

(d) Federal cooperative agreement means a cooperative agreement entered into by an agency.

(e) Federal grant means an award of financial assistance in the form of money, or property in lieu of money, by the Federal Government or a direct appropriation made by any person. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, loan insurance, interest subsidies, insurance, or direct United States cash assistance to an individual.

(f) Federal loan means a loan made by an agency. The term does not include loan guarantee or loan insurance.

(g) Indian tribe and tribal organization have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b). Alaskan Natives are included under the definitions of Indian tribes in that Act.

(h) Influencing or attempting to influence means making, with the intent to influence, any communication to or appearance before an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal action.

(i) Loan guarantee and loan insurance means an agency's guarantee or insurance of a loan made by a person.

(j) Local government means a unit of government in a State and, if chartered, established, or otherwise recognized by a State for the performance of a governmental duty, including a local public authority, a special district, an intrastate district, a council of governments, a sponsor group representative organization, and any other instrumentality of a local government.

(k) Officer or employee of an agency includes the following individuals who are employed by an agency:

1. An individual who is appointed to a position in the Government under title 5, U.S. Code, including a position under a temporary appointment;
2. A member of the uniformed services as defined in section 101(3), title 37, U.S. Code;
3. A special Government employee as defined in section 202, title 18, U.S. Code; and,
4. An individual who is a member of a Federal advisory committee, as defined by the Federal Advisory Committee Act, title 5, U.S. Code appendix 2.

(l) Person means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(m) Reasonable compensation means, with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer.
Office of the Secretary, HUD § 87.110

or employee for work that is not furnished to, not funded by, or not furnished in cooperation with the Federal Government.

(n) Reasonable payment means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

(o) Recipient includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. The term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(p) Regularly employed means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or a commitment providing for the United States to insure or guarantee a loan, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, cooperative agreement, loan insurance commitment, or loan guarantee commitment. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

§ 87.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

1. Award of a Federal contract, grant, or cooperative agreement exceeding $100,000; or
2. An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000 or the single family maximum mortgage limit for affected programs, whichever is greater.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

1. A Federal contract, grant, or cooperative agreement exceeding $100,000; or
2. A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000 or the single family maximum mortgage limit for affected programs, whichever is greater.

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

1. A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or
2. A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,
3. A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraphs (a) or (b) of this section:

1. A subcontract exceeding $100,000 at any tier under a Federal contract;
2. A subgrant, contract, or subcontract exceeding $100,000 at any tier under a Federal grant;
3. A contract or subcontract exceeding $100,000 at any tier under a Federal loan exceeding $150,000; or,
§ 87.200    Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §87.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person’s products or services for an agency’s use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L. 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 87.205    Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §87.100 (a), does not apply in the case of a payment of reasonable compensation made to an
officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, professional and technical services shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 87.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 87.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 87.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in § 87.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(c) For purposes of paragraph (a) of this section, professional and technical services shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the
§ 87.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 87.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.
§ 87.410 Enforcement.
The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 87.500 Secretary of Defense.
(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.
(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 87.600 Semi-annual compilation.
(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.
(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.
(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.
(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.
(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.
(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.
(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.
(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 87.605 Inspector General report.
(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President’s Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.
(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.
(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency’s covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

Subpart A—General

§ 91.1 Purpose.

(a) Overall goals. (1) The overall goal of the community planning and development programs covered by this part is to develop viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities principally for low- and moderate-income persons. The primary means towards this end is to extend and strengthen partnerships among all levels of government and the private sector, including for-profit and non-profit organizations, in the production and operation of affordable housing.

(i) Decent housing includes assisting homeless persons to obtain appropriate housing and assisting persons at risk of becoming homeless; retention of the affordable housing stock; and increasing the availability of permanent housing in standard condition and affordable cost to low-income and moderate-income families, particularly to members of disadvantaged minorities, without discrimination on the basis of race, color, religion, sex, national origin, familial status, or disability. Decent housing also includes increasing the supply of supportive housing, which combines structural features and services needed to enable persons with special needs, including persons with HIV/AIDS and their families, to live with dignity and independence; and providing housing affordable to low-income persons accessible to job opportunities.
(ii) A suitable living environment includes improving the safety and livability of neighborhoods; increasing access to quality public and private facilities and services; reducing the isolation of income groups within a community or geographical area through the spatial deconcentration of housing opportunities for persons of lower income and the revitalization of deteriorating or deteriorated neighborhoods; restoring and preserving properties of special historic, architectural, or aesthetic value; and conservation of energy resources.

(iii) Expanded economic opportunities includes job creation and retention; establishment, stabilization and expansion of small businesses (including microbusinesses); the provision of public services concerned with employment; the provision of jobs involved in carrying out activities under programs covered by this plan to low-income persons living in areas affected by those programs and activities; availability of mortgage financing for low-income persons at reasonable rates using non-discriminatory lending practices; access to capital and credit for development activities that promote the long-term economic and social viability of the community; and empowerment and self-sufficiency opportunities for low-income persons to reduce generational poverty in federally assisted and public housing.

(2) The consolidated submission described in this part 91 requires the jurisdiction to state in one document its plan to pursue these goals for all the community planning and development programs, as well as for housing programs. It is these goals against which the plan and the jurisdiction’s performance under the plan will be evaluated by HUD.

(b) Functions of plan. The consolidated plan serves the following functions:

(1) A planning document for the jurisdiction, which builds on a participatory process at the lowest levels;

(2) An application for federal funds under HUD’s formula grant programs;

(3) A strategy to be followed in carrying out HUD programs; and

(4) An action plan that provides a basis for assessing performance.

§ 91.2 Applicability.

(a) The following formula grant programs are covered by the consolidated plan:

(1) The Community Development Block Grant (CDBG) programs (see 24 CFR part 570, subparts D and I);

(2) The Emergency Shelter Grants (ESG) program (see 24 CFR part 576);

(3) The HOME Investment Partnerships (HOME) program (see 24 CFR part 92); and

(4) The Housing Opportunities for Persons With AIDS (HOPWA) program (see 24 CFR part 574).

(b) The following programs require either that the jurisdiction receiving funds directly from HUD have a consolidated plan that is approved by HUD or that the application for HUD funds contain a certification that the application is consistent with a HUD-approved consolidated plan:

(1) The HOPE I Public Housing Homeownership (HOPE I) program (see 24 CFR Subtitle A, Appendix A);

(2) The HOPE II Homeownership of Multifamily Units (HOPE II) program (see 24 CFR Subtitle A, Appendix B);

(3) The HOPE III Homeownership of Single Family Homes (HOPE III) program (see 24 CFR part 572);

(4) The Low-Income Housing Preservation (prepayment avoidance incentives) program, when administered by a State agency (see 24 CFR 248.177);

(5) The Supportive Housing for the Elderly (Section 202) program (see 24 CFR part 889);

(6) The Supportive Housing for Persons with Disabilities program (see 24 CFR part 890);

(7) The Supportive Housing program (see 24 CFR part 583);

(8) The Single Room Occupancy Housing (SRO) program (see 24 CFR part 882, subpart H);

(9) The Shelter Plus Care program (see 24 CFR part 582);

(10) The Community Development Block Grant program—Small Cities (see 24 CFR part 570, subpart F);

(11) HOME program reallocations;

(12) Revitalization of Severely Distressed Public Housing (section 24 of
§ 91.5

c) Other programs do not require consistency with an approved consolidated plan. However, HUD funding allocations for the Section 8 Certificate and Voucher Programs are to be made in a way that enables participating jurisdictions to carry out their consolidated plans.

EFFECTIVE DATE NOTE: At 64 FR 50223, Sept. 15, 1999, § 91.2(b)(15) was revised, effective Sept. 15, 2000. For the convenience of the user, the superseded text is set forth as follows:

Moderate-income family. Family whose income does not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median for the area on the basis of HUD’s findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

Except as provided in paragraph (b) of this section, the program year shall run for a twelve month period and begin on the first calendar day of a month.

(b) Once a program year is established, the jurisdiction may either shorten or lengthen its program year to change the beginning date of the following program year, provided that it notifies HUD in writing at least two months before the date the program year would have ended if it had not been lengthened or at least two months before the end of a proposed shortened program year.

(c) See subpart E of this part for requirements concerning program year for units of general local government that are part of a consortium.

§ 91.15 Submission date.

(But see §92.52(b) of this subtitle with respect to newly eligible jurisdictions under the HOME program.) With the exception of the August 16 date noted in paragraph (a)(2) of this section, HUD may grant a jurisdiction an extension of the submission deadline for good cause.

(2) In no event will HUD accept a submission earlier than November 15 or later than August 16 of the Federal fiscal year for which the grant funds are appropriated, except for Fiscal Year 1995 in which HUD will accept a submission no later than September 30, 1995. (Failure to submit the plan by August 16 will automatically result in a loss of the CDBG funds to which the jurisdiction would otherwise be entitled, except for Fiscal Year 1995).

(3) A jurisdiction may have a program year that coincides with the Federal fiscal year (e.g., October 1, 1995 through September 30, 1996 for Federal fiscal year 1996 funds. However, the consolidated plan may not be submitted earlier than November 15 of the Federal fiscal year and HUD has the period specified in §91.500 to review the consolidated plan.

(4) See §91.20 for HUD field office authorization to grant exceptions to these provisions.

(b) Frequency of submission. (1) The action plan and the certifications must be submitted on an annual basis.

[60 FR 1896, Jan. 5, 1995, as amended at 60 FR 45043, Aug. 30, 1995]

§ 91.20 Exceptions.

The HUD field office may grant a jurisdiction an exception from submitting all or part of the consolidated plan.
in FY 1995, from the submission deadline, or from a requirement in the implementation guidelines for good cause, as determined by the field office, and reported in writing to HUD Headquarters—to the extent the requirement is not required by statute or regulation.

Subpart B—Citizen Participation and Consultation

§ 91.100 Consultation; local governments.

(a) General. (1) When preparing the consolidated plan, the jurisdiction shall consult with other public and private agencies that provide assisted housing, health services, and social services (including those focusing on services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, homeless persons) during preparation of the consolidated plan.

(2) When preparing the portion of its consolidated plan concerning lead-based paint hazards, the jurisdiction shall consult with State or local health and child welfare agencies and examine existing data related to lead-based paint hazards and poisonings, including health department data on the addresses of housing units in which children have been identified as lead poisoned.

(3) When preparing the description of priority nonhousing community development needs, a unit of general local government must notify adjacent units of general local government, to the extent practicable. The nonhousing community development plan must be submitted to the state, and, if the jurisdiction is a CDBG entitlement grantee other than an urban county, to the county.

(4) The jurisdiction also should consult with adjacent units of general local government, including local government agencies with metropolitan-wide planning responsibilities where they exist, particularly for problems and solutions that go beyond a single jurisdiction.

(b) HOPWA. The largest city in each eligible metropolitan statistical area (EMSA) that is eligible to receive a HOPWA formula allocation must consult broadly to develop a metropolitan-wide strategy for addressing the needs of persons with HIV/AIDS and their families living throughout the EMSA. All jurisdictions within the EMSA must assist the jurisdiction that is applying for a HOPWA allocation in the preparation of the HOPWA submission.

(c) Public housing. The jurisdiction shall consult with the local public housing agency participating in an approved Comprehensive Grant program concerning consideration of public housing needs and planned Comprehensive Grant program activities. This consultation will help provide a better basis for the certification by the local Chief Executive Officer that the Comprehensive Grant Plan/annual statement is consistent with the local government's assessment of low-income housing needs (as evidenced in the consolidated plan) and that the local government will cooperate in providing resident programs and services (as required by §968.320(d) of this title for the Comprehensive Grant program). It will also help ensure that activities with regard to local drug elimination, neighborhood improvement programs, and resident programs and services, funded under the public housing program and those funded under a program covered by the consolidated plan are fully coordinated to achieve comprehensive community development goals.

§ 91.105 Citizen participation plan; local governments.

(a) Applicability and adoption of the citizen participation plan. (1) The jurisdiction is required to adopt a citizen participation plan that sets forth the jurisdiction's policies and procedures for citizen participation. (2) The jurisdiction, before February 6, 1995, adopted a citizen participation plan that complies with section 104(a)(3) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(A)(3)) but will need to amend the citizen participation plan to comply with provisions of this section, the citizen participation plan shall be amended by the first day of the jurisdiction's program year that begins on or after 180 days following February 6, 1995.)

(2) Encouragement of citizen participation. (i) The citizen participation plan
must provide for and encourage citizens to participate in the development of the consolidated plan, any substantial amendments to the consolidated plan, and the performance report.

(ii) These requirements are designed especially to encourage participation by low- and moderate-income persons, particularly those living in slum and blighted areas and in areas where CDBG funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhoods, as defined by the jurisdiction. A jurisdiction also is expected to take whatever actions are appropriate to encourage the participation of all its citizens, including minorities and non-English speaking persons, as well as persons with disabilities.

(iii) The jurisdiction shall encourage, in conjunction with consultation with public housing authorities, the participation of residents of public and assisted housing developments, in the process of developing and implementing the consolidated plan, along with other low-income residents of targeted revitalization areas in which the developments are located. The jurisdiction shall make an effort to provide information to the housing agency about consolidated plan activities related to its developments and surrounding communities so that the housing agency can make this information available at the annual public hearing required under the Comprehensive Grant program.

(3) Citizen comment on the citizen participation plan and amendments. The jurisdiction must provide citizens with a reasonable opportunity to comment on the original citizen participation plan and on substantial amendments to the citizen participation plan, and must make the citizen participation plan public. The citizen participation plan must be in a format accessible to persons with disabilities, upon request.

(b) Development of the consolidated plan. The citizen participation plan must include the following minimum requirements for the development of the consolidated plan.

(i) The citizen participation plan must require that, before the jurisdiction adopts a consolidated plan, the jurisdiction will make available to citizens, public agencies, and other interested parties information that includes the amount of assistance the jurisdiction expects to receive (including grant funds and program income) and the range of activities that may be undertaken, including the estimated amount that will benefit persons of low- and moderate-income. The citizen participation plan also must set forth the jurisdiction's plans to minimize displacement of persons and to assist any persons displaced, specifying the types and levels of assistance the jurisdiction will make available (or require others to make available) to persons displaced, even if the jurisdiction expects no displacement to occur. The citizen participation plan must state when and how the jurisdiction will make this information available.

(2) The citizen participation plan must require the jurisdiction to publish the proposed consolidated plan in a manner that affords citizens, public agencies, and other interested parties a reasonable opportunity to examine its contents and to submit comments. The citizen participation plan must set forth how the jurisdiction will publish the proposed consolidated plan and give reasonable opportunity to examine the contents of the proposed consolidated plan. The requirement for publishing may be met by publishing a summary of the proposed consolidated plan in one or more newspapers of general circulation, and by making copies of the proposed consolidated plan available at libraries, government offices, and public places. The summary must describe the contents and purpose of the consolidated plan, and must include a list of the locations where copies of the entire proposed consolidated plan may be examined. In addition, the jurisdiction must provide a reasonable number of free copies of the plan to citizens and groups that request it.

(3) The citizen participation plan must provide for at least one public hearing during the development of the consolidated plan. See paragraph (e) of this section for public hearing requirements, generally.

(4) The citizen participation plan must provide a period, not less than 30 days, to receive comments from citizens on the consolidated plan.
(5) The citizen participation plan shall require the jurisdiction to consider any comments or views of citizens received in writing, or orally at the public hearings, in preparing the final consolidated plan. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefor, shall be attached to the final consolidated plan.

(c) Amendments—(1) Criteria for amendment to consolidated plan. The citizen participation plan must specify the criteria the jurisdiction will use for determining what changes in the jurisdiction's planned or actual activities constitute a substantial amendment to the consolidated plan. (See §91.505.) It must include among the criteria for a substantial amendment changes in the use of CDBG funds from one eligible activity to another.

(2) The citizen participation plan must provide citizens with reasonable notice and an opportunity to comment on substantial amendments. The citizen participation plan must state how reasonable notice and an opportunity to comment will be given. The citizen participation plan must provide a period, not less than 30 days, to receive comments on the substantial amendment before the amendment is implemented.

(3) The citizen participation plan shall require the jurisdiction to consider any comments or views of citizens received in writing, or orally at public hearings, if any, in preparing the substantial amendment of the consolidated plan. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefor, shall be attached to the substantial amendment of the consolidated plan.

(d) Performance reports. (1) The citizen participation plan must provide citizens with reasonable notice and an opportunity to comment on performance reports. The citizen participation plan must state how reasonable notice and an opportunity to comment will be given. The citizen participation plan must provide a period, not less than 15 days, to receive comments on the performance report that is to be submitted to HUD before its submission.

(2) The citizen participation plan shall require the jurisdiction to consider any comments or views of citizens received in writing, or orally at public hearings in preparing the performance report. A summary of these comments or views shall be attached to the performance report.

(e) Public hearings. (1) The citizen participation plan must provide for at least two public hearings per year to obtain citizens' views and to respond to proposals and questions, to be conducted at a minimum of two different stages of the program year. Together, the hearings must address housing and community development needs, development of proposed activities, and review of program performance. To obtain the views of citizens on housing and community development needs, including priority nonhousing community development needs, the citizen participation plan must provide that at least one of these hearings is held before the proposed consolidated plan is published for comment.

(2) The citizen participation plan must state how and when adequate advance notice will be given to citizens of each hearing, with sufficient information published about the subject of the hearing to permit informed comment. (Publishing small print notices in the newspaper a few days before the hearing does not constitute adequate notice. Although HUD is not specifying the length of notice required, it would consider two weeks adequate.)

(3) The citizen participation plan must provide that hearings be held at times and locations convenient to potential and actual beneficiaries, and with accommodation for persons with disabilities. The citizen participation plan must specify how it will meet these requirements.

(4) The citizen participation plan must identify how the needs of non-English speaking residents will be met in the case of public hearings where a significant number of non-English speaking residents can be reasonably expected to participate.

(f) Meetings. The citizen participation plan must provide citizens with reasonable and timely access to local meetings.
§ 91.110 Consultation; States.

When preparing the consolidated plan, the State shall consult with other public and private agencies that provide assisted housing (including any State housing agency administering public housing), health services, and social services (including those focusing on services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, homeless persons) during preparation of the consolidated plan. When preparing the portion of its consolidated plan concerning lead-based paint hazards, the State shall consult with State or local health and child welfare agencies and examine existing data related to lead-based paint hazards and poisonings, including health department data on the addresses of housing units in which children have been identified as lead poisoned. When preparing its method of distribution of assistance under the CDBG program, a State must consult with local governments in non-entitlement areas of the State.

§ 91.115 Citizen participation plan; States.

(a) Applicability and adoption of the citizen participation plan. (1) The State is required to adopt a citizen participation plan that sets forth the State's policies and procedures for citizen participation. (Where a State, before March 6, 1995, adopted a citizen participation plan that complies with section 104(a)(3) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304A)(3)) but will need to amend the citizen participation plan to comply with provisions of this section, the citizen participation plan shall be amended by the first day of the State's program year that begins on or after 180 days following March 6, 1995.)
(2) Encouragement of citizen participation. The citizen participation plan must provide for and encourage citizens to participate in the development of the consolidated plan, any substantial amendments to the consolidated plan, and the performance report. These requirements are designed especially to encourage participation by low- and moderate-income persons, particularly those living in slum and blighted areas and in areas where CDBG funds are proposed to be used and by residents of predominantly low- and moderate-income neighborhoods, as defined by the State. A State also is expected to take whatever actions are appropriate to encourage the participation of all its citizens, including minorities and non-English speaking persons, as well as persons with disabilities.

(3) Citizen and local government comment on the citizen participation plan and amendments. The State must provide citizens and units of general local government a reasonable opportunity to comment on the original citizen participation plan and on substantial amendments to the citizen participation plan, and must make the citizen participation plan public. The citizen participation plan must be in a format accessible to persons with disabilities, upon request.

(b) Development of the consolidated plan. The citizen participation plan must include the following minimum requirements for the development of the consolidated plan.

(1) The citizen participation plan must require that, before the State adopts a consolidated plan, the State will make available to citizens, public agencies, and other interested parties information that includes the amount of assistance the State expects to receive and the range of activities that may be undertaken, including the estimated amount that will benefit persons of low- and moderate-income and the plans to minimize displacement of persons and to assist any persons displaced. The citizen participation plan must state when and how the State will make this information available.

(2) The citizen participation plan must require the State to publish the proposed consolidated plan in a manner that affords citizens, units of general local governments, public agencies, and other interested parties a reasonable opportunity to examine its contents and to submit comments. The citizen participation plan must set forth how the State will publish the proposed consolidated plan and give reasonable opportunity to examine the contents of the proposed consolidated plan. The requirement for publishing may be met by publishing a summary of the proposed consolidated plan in one or more newspapers of general circulation, and by making copies of the proposed consolidated plan available at libraries, government offices, and public places. The summary must describe the contents and purpose of the consolidated plan, and must include a list of the locations where copies of the entire proposed consolidated plan may be examined. In addition, the State must provide a reasonable number of free copies of the plan to citizens and groups that request it.

(3) The citizen participation plan must provide for at least one public hearing on housing and community development needs before the proposed consolidated plan is published for comment.

(i) The citizen participation plan must state how and when adequate advance notice will be given to citizens of the hearing, with sufficient information published about the subject of the hearing to permit informed comment. (Publishing small print notices in the newspaper a few days before the hearing does not constitute adequate notice. Although HUD is not specifying the length of notice required, it would consider two weeks adequate.)

(ii) The citizen participation plan must provide that the hearing be held at a time and location convenient to potential and actual beneficiaries, and with accommodation for persons with disabilities. The citizen participation plan must specify how it will meet these requirements.

(iii) The citizen participation plan must identify how the needs of non-English speaking residents will be met in the case of a public hearing where a significant number of non-English speaking residents can be reasonably expected to participate.
(4) The citizen participation plan must provide a period, not less than 30 days, to receive comments from citizens and units of general local government on the consolidated plan.

(5) The citizen participation plan shall require the State to consider any comments or views of citizens and units of general received in writing, or orally at the public hearings, in preparing the final consolidated plan. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefore, shall be attached to the final consolidated plan.

(c) Amendments—(1) Criteria for amendment to consolidated plan. The citizen participation plan must specify the criteria the State will use for determining what changes in the State’s planned or actual activities constitute a substantial amendment to the consolidated plan. (See §91.505.) It must include among the criteria for a substantial amendment changes in the method of distribution of such funds.

(2) The citizen participation plan must provide citizens and units of general local government with reasonable notice and an opportunity to comment on substantial amendments. The citizen participation plan must state how reasonable notice and an opportunity to comment will be given. The citizen participation plan must provide a period, not less than 30 days, to receive comments on the performance report that is to be submitted to HUD before its submission.

(2) The citizen participation plan shall require the State to consider any comments or views of citizens received in writing, or orally at public hearings in preparing the performance report. A summary of these comments or views shall be attached to the performance report.

(e) Citizen participation requirements for local governments. The citizen participation plan must describe the citizen participation requirements for units of general local government receiving CDBG funds from the State in 24 CFR 570.486. The citizen participation plan must explain how the requirements will be met.

(f) Availability to the public. The citizen participation plan must provide that the consolidated plan as adopted, substantial amendments, and the performance report will be available to the public, including the availability of materials in a form accessible to persons with disabilities, upon request. The citizen participation plan must state how these documents will be available to the public.

(g) Access to records. The citizen participation plan must require the State to provide citizens, public agencies, and other interested parties with reasonable and timely access to information and records relating to the State’s consolidated plan and the State’s use of assistance under the programs covered by this part during the preceding five years.

(h) Complaints. The citizen participation plan shall describe the State’s appropriate and practicable procedures to handle complaints from citizens related to the consolidated plan, amendments, and performance report. At a minimum, the citizen participation plan shall require that the State provide a timely, substantive written response to every written citizen complaint, within an established period of time (within 15 working days, where practicable, if the State is a CDBG grant recipient).
(i) Use of citizen participation plan. The State must follow its citizen participation plan. (Approved by the Office of Management and Budget under control number 2506-0117)

Subpart C—Local Governments; Contents of Consolidated Plan

§ 91.200 General.

(a) A complete consolidated plan consists of the information required in §§91.205 through 91.230, submitted in accordance with instructions prescribed by HUD (including tables and narratives), or in such other format as jointly agreed upon by HUD and the jurisdiction.

(b) The jurisdiction shall describe the lead agency or entity responsible for overseeing the development of the plan and the significant aspects of the process by which the consolidated plan was developed, the identity of the agencies, groups, organizations, and others who participated in the process, and a description of the jurisdiction’s consultations with social service agencies and other entities. It also shall include a summary of the citizen participation process, public comments, and efforts made to broaden public participation in the development of the consolidated plan.

(Approved by the Office of Management and Budget under control number 2506-0117)

§ 91.205 Housing and homeless needs assessment.

(a) General. The consolidated plan must describe the jurisdiction’s estimated housing needs projected for the ensuing five-year period. Housing data included in this portion of the plan shall be based on U.S. Census data, as provided by HUD, as updated by any properly conducted local study, or any other reliable source that the jurisdiction clearly identifies and should reflect the consultation with social service agencies and other entities conducted in accordance with §91.100 and the citizen participation process conducted in accordance with §91.105. For a jurisdiction seeking funding on behalf of an eligible metropolitan statistical area under the HOPEWA program, the needs described for housing and supportive services must address the needs of persons with HIV/AIDS and their families throughout the eligible metropolitan statistical area.

(b) Categories of persons affected. (1) The plan shall estimate the number and type of families in need of housing assistance for extremely low-income, low-income, moderate-income, and middle-income families, for renters and owners, for elderly persons, for single persons, for large families, for persons with HIV/AIDS and their families, and for persons with disabilities. The description of housing needs shall include a discussion of the cost burden and severe cost burden, overcrowding (especially for large families), and substandard housing conditions being experienced by extremely low-income, low-income, moderate-income, and middle-income renters and owners compared to the jurisdiction as a whole. (The jurisdiction must define in its consolidated plan the terms “standard condition” and “substandard condition but suitable for rehabilitation.”)

(2) For any of the income categories enumerated in paragraph (b)(1) of this section, to the extent that any racial or ethnic group has disproportionately greater need in comparison to the needs of that category as a whole, assessment of that specific need shall be included. For this purpose, disproportionately greater need exists when the percentage of persons in a category of need who are members of a particular racial or ethnic group is at least 10 percentage points higher than the percentage of persons in the category as a whole.

(c) Homeless needs. The plan must describe the nature and extent of homelessness (including rural homelessness), addressing separately the need for facilities and services for homeless individuals and homeless families with children, both sheltered and unsheltered, and homeless subpopulations, in accordance with a table prescribed by HUD. This description must include the characteristics and needs of low-income individuals and families with children (especially extremely low-income) who are currently housed but threatened with homelessness. The plan also must contain a narrative description of the nature and extent of...
§ 91.210 Housing market analysis.

(a) General characteristics. Based on information available to the jurisdiction, the plan must describe the significant characteristics of the jurisdiction’s housing market, including the supply, demand, and condition and cost of housing and the housing stock available to serve persons with disabilities and to serve persons with HIV/AIDS and their families. The jurisdiction must identify and describe any areas within the jurisdiction with concentrations of racial/ethnic minorities and/or low-income families, stating how it defines the terms “area of low-income concentration” and “area of minority concentration” for this purpose. The locations and degree of these concentrations must be identified, either in a narrative or on one or more maps.

(b) Public and assisted housing. (1) The plan must describe the number of public housing units in the jurisdiction, the physical condition of such units, the restoration and revitalization needs, results from the Section 504 needs assessment (i.e., assessment of needs of tenants and applicants on waiting list for accessible units, as required by 24 CFR 8.25), and the public housing agency’s strategy for improving the management and operation of such public housing and for improving the living environment of low- and moderate-income families residing in public housing. The consolidated plan must identify the public housing developments in the jurisdictions that are participating in an approved HUD Comprehensive Grant program. Activities covered by the consolidated plan that are being coordinated or jointly funded with the public housing Comprehensive Grant program must be identified by project and referenced to the approved Comprehensive Grant program activities are efforts to revitalize neighborhoods surrounding public housing projects (either current or proposed); cooperation in provision of resident programs and services; coordination of local drug elimination or anti-crime strategies; upgrading of police, fire, schools, and other services; and economic development projects in or near public housing projects to tie in with self-sufficiency efforts for residents.

(2) The jurisdiction shall include a description of the number and targeting (income level and type of family served) of units currently assisted by local, state, or federally funded programs, and an assessment of whether any such units are expected to be lost from the assisted housing inventory for any reason.

(c) Homeless facilities. The plan must include a brief inventory of facilities and services that meet the emergency shelter, transitional housing, permanent supportive housing, and permanent housing needs of homeless persons within the jurisdiction.

(d) Special need facilities and services. The plan must describe, to the extent information is available, the facilities and services that assist persons who

§ 91.210 Other special needs. (1) The jurisdiction shall estimate, to the extent practicable, the number of persons who are not homeless but require supportive housing, including the elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, public housing residents, and any other categories the jurisdiction may specify, and describe their supportive housing needs.

(2) With respect to a jurisdiction seeking funding on behalf of an eligible metropolitan statistical area under the HOPWA program, the plan must identify the size and characteristics of the population with HIV/AIDS and their families within the eligible metropolitan statistical area it will serve.

(e) Lead-based paint hazards. The plan must estimate the number of housing units within the jurisdiction that are occupied by low-income families or moderate-income families that contain lead-based paint hazards, as defined in this part.

(Approved by the Office of Management and Budget under control number 2506-0117)

are not homeless but who require supportive housing, and programs for ensuring that persons returning from mental and physical health institutions receive appropriate supportive housing.

(e) Barriers to affordable housing. The plan must explain whether the cost of housing or the incentives to develop, maintain, or improve affordable housing in the jurisdiction are affected by public policies, particularly by policies of the jurisdiction, including tax policies affecting land and other property, land use controls, zoning ordinances, building codes, fees and charges, growth limits, and policies that affect the return on residential investment.

(Approved by the Office of Management and Budget under control number 2506-0117)

§ 91.215 Strategic plan.

(a) General. For the categories described in paragraphs (b), (c), (d), and (e) of this section, the consolidated plan must do the following:

1. Indicate the general priorities for allocating investment geographically within the jurisdiction (or within the EMSA for the HOPWA program) and among priority needs, as identified in the priority needs table prescribed by HUD;

2. Describe the basis for assigning the priority (including the relative priority, where required) given to each category of priority needs;

3. Identify any obstacles to meeting underserved needs;

4. Summarize the priorities and specific objectives, describing how funds that are reasonably expected to be made available will be used to address identified needs; and

5. For each specific objective, identify proposed accomplishments the jurisdiction hopes to achieve in quantitative terms over a specified time period (i.e., one, two, three or more years), or in other measurable terms as identified and defined by the jurisdiction.

(b) Affordable housing. With respect to affordable housing, the consolidated plan must include the priority housing needs table prescribed by HUD and must do the following:

1. The description of the basis for assigning relative priority to each category of priority need shall state how the analysis of the housing market and the severity of housing problems and needs of extremely low-income, low-income, and moderate-income renters and owners identified in accordance with §91.205 provided the basis for assigning the relative priority given to each priority need category in the priority housing needs table prescribed by HUD. Family and income types may be grouped together for discussion where the analysis would apply to more than one of them;

2. The statement of specific objectives must indicate how the characteristics of the housing market will influence the use of funds made available for rental assistance, production of new units, rehabilitation of old units, or acquisition of existing units; and

3. The description of proposed accomplishments shall specify the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined in 24 CFR 92.252 for rental housing and 24 CFR 92.254 for homeownership over a specific time period.

(c) Homelessness. With respect to homelessness, the consolidated plan must include the priority homeless needs table prescribed by HUD and must describe the jurisdiction's strategy for the following:

1. Helping low-income families avoid becoming homeless;

2. Reaching out to homeless persons and assessing their individual needs;

3. Addressing the emergency shelter and transitional housing needs of homeless persons; and

4. Helping homeless persons make the transition to permanent housing and independent living.

(d) Other special needs. With respect to supportive needs of the non-homeless, the consolidated plan must describe the priority housing and supportive service needs of persons who are not homeless but require supportive housing (i.e., elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, and public housing residents).
(e) Nonhousing community development plan. (1) If the jurisdiction seeks assistance under the Community Development Block Grant program, the consolidated plan must describe the jurisdiction’s priority non-housing community development needs eligible for assistance under HUD’s community development programs by CDBG eligibility category, reflecting the needs of families for each type of activity, as appropriate, in terms of dollar amounts estimated to meet the priority need for the type of activity, in accordance with a table prescribed by HUD. This community development component of the plan must state the jurisdiction’s specific long-term and short-term community development objectives (including economic development activities that create jobs), which must be developed in accordance with the statutory goals described in §91.1 and the primary objective of the CDBG program to develop viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low-income and moderate-income persons.

(2) A jurisdiction that elects to carry out a neighborhood revitalization strategy that includes the economic empowerment of low-income residents with respect to one or more of their areas may submit this strategy as part of its community development plan. If HUD approves such a strategy, the jurisdiction can obtain greater flexibility in the use of the CDBG funds in the revitalization area(s). The additional flexibility that the jurisdiction would be entitled to for this purpose will be described in 24 CFR part 570, subpart C, at a future date. The criteria for approval of the strategy will not be established by regulation, but jurisdictions will be notified of these criteria.

(f) Barriers to affordable housing. The consolidated plan must describe the jurisdiction’s strategy to remove or ameliorate negative effects of public policies that serve as barriers to affordable housing, as identified in accordance with §91.210(d), except that, if a State requires a unit of general local government to submit a regulatory barrier assessment that is substantially equivalent to the information required under this paragraph (f), as determined by HUD, the unit of general local government may submit its assessment submitted to the State to HUD and shall be considered to have complied with this requirement.

(g) Lead-based paint hazards. The consolidated plan must outline the actions proposed or being taken to evaluate and reduce lead-based paint hazards, and describe how the lead-based paint hazard reduction will be integrated into housing policies and programs.

(h) Anti-poverty strategy. The consolidated plan must describe the jurisdiction’s goals, programs, and policies for reducing the number of poverty level families and how the jurisdiction’s goals, programs, and policies for producing and preserving affordable housing, set forth in the housing component of the consolidated plan, will be coordinated with other programs and services for which the jurisdiction is responsible and the extent to which they will reduce (or assist in reducing) the number of poverty level families, taking into consideration factors over which the jurisdiction has control.

(i) Institutional structure. (1) The consolidated plan must explain the institutional structure, including private industry, nonprofit organizations, and public institutions, through which the jurisdiction will carry out its housing and community development plan, assessing the strengths and gaps in that delivery system.

(2) The jurisdiction shall describe the organizational relationship between the jurisdiction and the public housing agency, including the appointing authority for the commissioners or board of the housing agency; relationships regarding hiring, contracting and procurement; provision of services funded by the jurisdiction; and review by the jurisdiction of proposed development sites, of the comprehensive plan of the public housing agency, and of any proposed demolition or disposition of public housing developments.

(3) The plan must describe what the jurisdiction will do to overcome gaps in the institutional structure for carrying out its strategy for addressing its priority needs. If the public housing agency is designated as “troubled” by
§ 91.220 Action plan.

The action plan must include the following:

(a) Form application. Standard Form 424;

(b) Resources. (1) Federal resources. The consolidated plan must describe the Federal resources expected to be available to address the priority needs and specific objectives identified in the strategic plan, in accordance with §91.215. These resources include grant funds and program income.

(2) Other resources. The consolidated plan must indicate resources from private and non-Federal public sources that are reasonably expected to be made available to address the needs identified in the plan. The plan must explain how Federal funds will leverage those additional resources, including a description of how matching requirements of the HUD programs will be satisfied. Where the jurisdiction deems it appropriate, it may indicate publicly owned land or property located within the jurisdiction that may be used to carry out the purposes stated in §91.1;

(c) Activities to be undertaken. A description of the activities the jurisdiction will undertake during the next year to address priority needs in terms of local objectives that were identified in §91.215. This description of activities shall estimate the number and type of families that will benefit from the proposed activities, the specific local objectives and priority needs (identified in accordance with §91.215) that will be addressed by the activities using formula grant funds and program income the jurisdiction expects to receive during the program year, proposed accomplishments, and a target date for completion of the activity. This information is to be presented in the form of a table prescribed by HUD;

(d) Geographic distribution. A description of the geographic areas of the jurisdiction (including areas of minority concentration) in which it will direct assistance during the ensuing program year, giving the rationale for the priorities for allocating investment geographically;

(e) Homeless and other special needs activities. Activities the jurisdiction plans to undertake during the next year to address emergency shelter and transitional housing needs of homeless individuals and families (including subpopulations), to prevent low-income individuals and families with children (especially those with incomes below 30 percent of median) from becoming homeless, to help homeless persons make the transition to permanent housing and independent living, and to address the special needs of persons who are not homeless identified in accordance with §91.215(d);

(f) Other actions—(1) General. Actions it plans to take during the next year to address obstacles to meeting underserved needs, foster and maintain affordable housing, remove barriers to affordable housing, evaluate and reduce lead-based paint hazards, reduce the number of poverty level families, develop institutional structure, and enhance coordination between public and private housing and social service agencies and foster public housing improvements and resident initiatives (see §91.215(a), (b), (f), (g), (h), (i), (j), and (k)).

(2) Public housing. Appropriate reference to the annual revisions of the action plan prepared for the Comprehensive Grant program. If the public housing agency is designated as “troubled” by HUD, or otherwise is performing poorly, the jurisdiction's
§ 91.220

24 CFR Subtitle A (4–1–00 Edition)

plan, if any, to assist the public housing agency in addressing these problems; and

(g) Program-specific requirements—(1) CDBG. (i) A jurisdiction must describe activities planned with respect to all CDBG funds expected to be available during the program year (including program income that will have been received before the start of the next program year), except that an amount generally not to exceed ten percent of such total available CDBG funds may be excluded from the funds for which eligible activities are described if it has been identified for the contingency of cost overruns.

(ii) CDBG funds expected to be available during the program year includes the following:

(A) Any program income that will have been received before the start of the next program year and that has not yet been programmed;

(B) Surplus from urban renewal settlements;

(C) Grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan; and

(D) Income from float-funded activities. The full amount of income expected to be generated by a float-funded activity must be shown, whether or not some or all of the income is expected to be received in a future program year. To assure that citizens understand the risks inherent in undertaking float-funded activities, the recipient must specify the total amount of program income expected to be received and the month(s) and year(s) that it expects the float-funded activity to generate such program income.

(iii) An “urgent needs” activity (one that is expected to qualify under §570.208(c) of this title) may be included only if the jurisdiction identifies the activity in the action plan and certifies that the activity is designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available.

(iv) This information about activities shall be in sufficient detail, including location, to allow citizens to determine the degree to which they are affected.

(2) HOME. (i) For HOME funds, a participating jurisdiction shall describe other forms of investment that are not described in §92.205(b) of this title.

(ii) If the participating jurisdiction intends to use HOME funds for homebuyers, it must state the guidelines for resale or recapture, as required in §92.254 of this subtitle.

(iii) If the participating jurisdiction intends to use HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds, it must state its refinancing guidelines required under 24 CFR 92.206(b). The guidelines shall describe the conditions under which the participating jurisdictions will refinance existing debt. At minimum, the guidelines must:

(A) Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing.

(B) Require a review of management practices to demonstrate that disinvestment in the property has not occurred; that the long term needs of the project can be met; and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated.

(C) State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both.

(D) Specify the required period of affordability, whether it is the minimum 15 years or longer.

(E) Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(e)(2) or a Federally designated Empowerment Zone or Enterprise Community.

(F) State that HOME funds cannot be used to refinance multifamily loans.
§ 91.225 Certifications.

(a) General. The following certifications, satisfactory to HUD, must be included in the annual submission to HUD. (See definition of “certification” in §91.5.)

(1) Affirmatively furthering fair housing. Each jurisdiction is required to submit a certification that it will affirmatively further fair housing, which means that it will conduct an analysis to identify impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting the analysis and actions in this regard.

(2) Anti-displacement and relocation plan. Each jurisdiction is required to submit a certification that it has in effect and is following a residential antidisplacement and relocation assistance plan in connection with any activity assisted with funding under the CDBG or HOME programs.

The plan may also include CDBG-assisted activities that are certified to be designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs;

(ii) The aggregate use of CDBG funds, including section 108 guaranteed loans, during a period specified by the jurisdiction, consisting of one, two, or three specific consecutive program years, shall principally benefit low- and moderate-income families in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period (see 24 CFR 570.3 for definition of "CDBG funds"); and

(iii) The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, by assessing any amount against properties owned and occupied by persons of low- and moderate-income, including any fee charged or assessment made as a condition of obtaining access to or exit from a facility or location that is the subject of such non-violent civil rights demonstrations within its jurisdiction.

(6) Compliance with anti-discrimination laws. The jurisdiction must submit a certification that the grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d), the Fair Housing Act (42 U.S.C. 3601-3619), and implementing regulations.

(c) Emergency Shelter Grant program. For jurisdictions that seek funding under the Emergency Shelter Grant program, the following certifications are required:

(1) In the case of assistance involving major rehabilitation or conversion, the applicant will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for not less than a 10-year period;

§ 91.235 Special case; abbreviated consolidated plan.

(a) Who may submit an abbreviated plan? A jurisdiction that is not a CDBG entitlement community under 24 CFR part 570, subpart D, and is not expected to be a participating jurisdiction in the HOME program under 24 CFR part 92, may submit an abbreviated consolidated plan that is appropriate to the types and amounts of assistance sought from HUD instead of a full consolidated plan.

(b) When is an abbreviated plan necessary?(1) Jurisdiction. When a jurisdiction that is permitted to use an abbreviated plan applies to HUD for funds under a program that requires an approved consolidated plan (see § 91.2(b)), it must obtain approval of an abbreviated plan (or full consolidated plan) and submit a certification that the housing activities are consistent with the plan.

(2) Other applicants. When an eligible applicant other than a jurisdiction (e.g., a public housing agency or non-profit organization) seeks to apply for funds under a program requiring certification of consistency with an approved consolidated plan, the jurisdiction— if it is permitted to use an abbreviated plan— may prepare an abbreviated plan appropriate to the project. See §91.510.

(3) Limitation. For the HOME program, an abbreviated consolidated plan is only permitted with respect to reallocations to other than participating jurisdictions (see 24 CFR part 92, subpart J). For the CDBG program, an abbreviated plan may be submitted for the HUD-administered Small Cities program, except an abbreviated plan may not be submitted for the HUD-administered Small Cities program in the State of Hawaii.

(c) What is an abbreviated plan?—(1) Assessment of needs, resources, planned activities. An abbreviated plan must contain sufficient information about needs, resources, and planned activities to address the needs to cover the type and amount of assistance anticipated to be funded by HUD.

(2) Nonhousing community development plan. If the jurisdiction seeks assistance under the Community Development Block Grant program, it must describe the jurisdiction’s priority nonhousing community development needs eligible for assistance under HUD’s community development programs by CDBG eligibility category, reflecting the needs of families for each type of activity, as appropriate, in terms of dollar amounts estimated to meet the priority need for the type of activity, in accordance with a table prescribed by HUD. This community development component of the plan must state the jurisdiction’s specific long-term and short-term community development objectives (including economic development activities that create jobs), which must be developed in accordance with the statutory goals described in §91.1 and the primary objective of the Housing and Community Development Act of 1974, 42 U.S.C. 5301(c), of the development of viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low-income and moderate-income persons.

(3) Separate application for funding. In addition to submission of the abbreviated consolidated plan, an application must be submitted for funding is sought under a competitive program. The applicable program requirements are found in the regulations for the program and in the Notice of Funding Availability published for the applicable fiscal year. For the CDBG Small Cities program, the applicable regulations are found at 24 CFR part 570, subpart F.

(d) What consultation is applicable? The jurisdiction must make reasonable efforts to consult with appropriate public and private social service agencies regarding the needs to be served with the funding sought from HUD. The jurisdiction must attempt some consultation with the State. (Section 91.100 does not apply.)

(e) What citizen participation process is applicable? If the jurisdiction is seeking CDBG funds under the CDBG Small Cities program, the applicable regulations are found at 24 CFR part 570, subpart F.
Cities program, before submitting the abbreviated consolidated plan and application to HUD for funding, the jurisdiction must comply with the citizen participation requirements of 24 CFR 570.431. If it is not seeking such funding, the jurisdiction must conduct a citizen participation process as provided in section 107 of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12707). (Section 91.105 does not apply.)

§ 91.300 General.
(a) A complete consolidated plan consists of the information required in §§ 91.305 through 91.330, submitted in accordance with instructions prescribed by HUD (including tables and narratives), or in such other format as jointly agreed upon by HUD and the State.

(b) The State shall describe the lead agency or entity responsible for overseeing the development of the plan and the significant aspects of the process by which the consolidated plan was developed, the identity of the agencies, groups, organizations, and others who participated in the process, and a description of the State’s consultations with social service agencies and other entities. It also shall include a summary of the citizen participation process, public comments, and efforts made to broaden public participation in the development of the consolidated plan.

(Approved by the Office of Management and Budget under control number 2506-0117)

§ 91.305 Housing and homeless needs assessment.
(a) General. The consolidated plan must describe the State’s estimated housing needs projected for the ensuing five-year period. Housing data included in this portion of the plan shall be based on U.S. Census data, as provided by HUD, as updated by any properly conducted local study, or any other reliable source that the State clearly identifies and should reflect the consultation with social service agencies and other entities conducted in accordance with § 91.110 and the citizen participation process conducted in accordance with §91.115. For a State seeking funding under the HOPWA program, the needs described for housing and supportive services must address the needs of persons with HIV/AIDS and their families in areas outside of eligible metropolitan statistical areas.

(b) Categories of persons affected. (1) The consolidated plan shall estimate the number and type of families in need of housing assistance for extremely low-income, low-income, moderate-income, and middle-income families, for renters and owners, for elderly persons, for single persons, for large families, for persons with HIV/AIDS and their families, and for persons with disabilities. The description of housing needs shall include a discussion of the cost burden and severe cost burden, overcrowding (especially for large families), and substandard housing conditions being experienced by extremely low-income, low-income, moderate-income, and middle-income renters and owners compared to the State as a whole. (The State must define in its consolidated plan the terms “standard condition” and “substandard condition but suitable for rehabilitation.”)

(2) For any of the income categories enumerated in paragraph (b)(1) of this section, to the extent that any racial or ethnic group has disproportionately greater need in comparison to the needs of that category as a whole, assessment of that specific need shall be
§ 91.310 Housing market analysis.

(a) General characteristics. Based on data available to the State, the plan must describe the significant characteristics of the State's housing markets (including such aspects as the supply, demand, and condition and cost of housing).

(b) Homeless facilities. The plan must include a brief inventory of facilities and services that meet the needs for emergency shelter and transitional housing needs of homeless persons within the State.

(c) Special need facilities and services. The plan must describe, to the extent information is available, the facilities and services that assist persons who are not homeless but who require supportive housing, and programs for ensuring that persons returning from mental and physical health institutions receive appropriate supportive housing.

(d) Barriers to affordable housing. The plan must explain whether the cost of housing or the incentives to develop, maintain, or improve affordable housing in the State are affected by its policies, including tax policies affecting land and other property, land use controls, zoning ordinances, building codes, fees and charges, growth limits, and policies that affect the return on residential investment.

§ 91.315 Strategic plan.

(a) General. For the categories described in paragraphs (b), (c), (d), and (e) of this section, the consolidated plan must do the following:

(1) Indicate the general priorities for allocating investment geographically within the State and among priority needs;

(2) Describe the basis for assigning the priority (including the relative priority, where required) given to each category of priority needs;

(3) Identify any obstacles to meeting underserved needs;

(4) Summarize the priorities and specific objectives, describing how the
proposed distribution of funds will address identified needs;

(5) For each specific objective, identify the proposed accomplishments the State hopes to achieve in quantitative terms over a specific time period (i.e., one, two, three or more years), or in other measurable terms as identified and defined by the State.

(b) Affordable housing. With respect to affordable housing, the consolidated plan must do the following:

(1) The description of the basis for assigning relative priority to each category of priority need shall state how the analysis of the housing market and the severity of housing problems and needs of extremely low-income, low-income, and moderate-income renters and owners identified in accordance with §91.305 provided the basis for assigning the relative priority given to each priority need category in the priority housing needs table prescribed by HUD. Family and income types may be grouped together for discussion where the analysis would apply to more than one of them;

(2) The statement of specific objectives must indicate how the characteristics of the housing market will influence the use of funds made available for rental assistance, production of new units, rehabilitation of old units, or acquisition of existing units; and

(3) The description of proposed accomplishments shall specify the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined in §92.252 of this subtitle for rental housing and §92.254 of this subtitle for homeownership over a specific time period.

(c) Homelessness. With respect to homelessness, the consolidated plan must include the priority homeless needs table prescribed by HUD and must describe the State's strategy for the following:

(1) Helping low-income families avoid becoming homeless;

(2) Reaching out to homeless persons and assessing their individual needs;

(3) Addressing the emergency shelter and transitional housing needs of homeless persons; and

(4) Helping homeless persons make the transition to permanent housing and independent living.

(d) Other special needs. With respect to supportive needs of the non-homeless, the consolidated plan must describe the priority housing and supportive service needs of persons who are not homeless but require supportive housing (i.e., elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, and public housing residents).

(e) Nonhousing community development plan. (1) If the State seeks assistance under the Community Development Block Grant program, the consolidated plan must describe the State's priority nonhousing community development needs that affect more than one unit of general local government and involve activities typically funded by the State under the CDBG program. These priority needs must be described by CDBG eligibility category, reflecting the needs of persons or families for each type of activity. This community development component of the plan must state the State's specific long-term and short-term community development objectives (including economic development activities that create jobs), which must be developed in accordance with the statutory goals described in §91.1 and the primary objective of the CDBG program to develop viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low-income and moderate-income persons.

(2) A State may elect to allow units of general local government to carry out a community revitalization strategy that includes the economic empowerment of low income residents, in order to obtain the additional flexibility available as provided in 24 CFR part 570, subpart l. A State must approve a local government's revitalization strategy before it may be implemented. If a State elects to allow revitalization strategies in its program, the method of distribution contained in a State's action plan pursuant to §91.320(g)(1) must reflect the State's process and criteria for approving local
§ 91.320 Action plan.

The action plan must include the following:

(a) Form application. Standard Form 424;

(b) Resources—(1) Federal resources. The consolidated plan must describe the Federal resources expected to be available to address the priority needs and specific objectives identified in the strategic plan, in accordance with §91.315. These resources include grant funds and program income.

(2) Other resources. The consolidated plan must indicate resources from private and non-Federal public sources that are reasonably expected to be made available to address the needs identified in the plan. The plan must explain how Federal funds will leverage those additional resources, including a description of how matching requirements of the HUD programs will be satisfied. Where the State deems it appropriate, it may indicate publicly owned land or property located within the State that may be used to carry out the purposes stated in §91.1;

(c) Activities. A description of the State’s method for distributing funds to local governments and nonprofit organizations to carry out activities, or the activities to be undertaken by the State, using funds that are expected to be received under formula allocations (and related program income) and other HUD assistance during the program year and how the proposed distribution of funds will address the priority needs and specific objectives described in the consolidated plan;
(d) Geographic distribution. A description of the geographic areas of the State (including areas of minority concentration) in which it will direct assistance during the ensuing program year, giving the rationale for the priorities for allocating investment geographically;

(e) Homeless and other special needs activities. Activities it plans to undertake during the next year to address emergency shelter and transitional housing needs of homeless individuals and families (including subpopulations), to prevent low-income individuals and families with children (especially those with incomes below 30 percent of median) from becoming homeless, to help homeless persons make the transition to permanent housing and independent living, and to address the special needs of persons who are not homeless identified in accordance with §91.315(d);

(f) Other actions. Actions it plans to take during the next year to address obstacles to meeting underserved needs, foster and maintain affordable housing (including the coordination of Low-Income Housing Tax Credits with the development of affordable housing), remove barriers to affordable housing, evaluate and reduce lead-based paint hazards, reduce the number of poverty level families, develop institutional structure, and enhance coordination between public and private housing and social service agencies and foster public housing resident initiatives. (See §91.315 (a), (b), (f), (g), (h), (i), (j), (k), and (l)).

(g) Program-specific requirements. In addition, the plan must include the following specific information:

1. The method of distribution shall contain a description of all criteria used to select applications from local governments for funding, including the relative importance of the criteria—if the relative importance has been developed. The action plan must include a description of how all CDBG resources will be allocated among all funding categories and the threshold factors and grant size limits that are to be applied. If the State intends to aid non-entitlement units of general local government in applying for guaranteed loan funds under 24 CFR part 570, subpart M, it must describe available guarantee amounts and how applications will be selected for assistance. If a State elects to allow units of general local government to carry out community revitalization strategies, the method of distribution shall reflect the State’s process and criteria for approving local governments’ revitalization strategies. (The statement of the method of distribution must provide sufficient information so that units of general local government will be able to understand and comment on it and be able to prepare responsive applications.)

2. HOME. (i) The State shall describe other forms of investment that are not described in §92.205(b) of this subtitle.

(ii) If the State intends to use HOME funds for homebuyers, it must state the guidelines for resale or recapture, as required in §92.254 of this subtitle.

(iii) If the State intends to use HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds, it must state its refinancing guidelines required under 24 CFR 92.206(b). The guidelines shall describe the conditions under which the State will refinance existing debt. At minimum, the guidelines must:

A. Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing.

B. Require a review of management practices to demonstrate that disinvestment in the property has not occurred; that the long term needs of the project can be met; and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated.

C. State whether the new investment is being made to maintain current affordable units, create additional affordable units or both.

D. Specify the required period of affordability, whether it is the minimum 15 years or longer.

E. Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified...
§ 91.325 Certification.

(a) General—(1) Affirmatively furthering fair housing. Each State is required to submit a certification that it will affirmatively further fair housing, which means that it will conduct an analysis to identify impediments to fair housing choice within the State, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting the analysis and actions in this regard. (See §570.487(b)(2)(ii) of this title.)

(2) Anti-displacement and relocation plan. The State is required to submit a certification that it has in effect and is following a residential antidisplacement and relocation assistance plan in connection with any activity assisted with funding under the CDBG or HOME programs.

(3) Drug-free workplace. The State must submit a certification with regard to a drug-free workplace required by 24 CFR part 24, subpart F.

(4) Anti-lobbying. The State must submit a certification with regard to compliance with restrictions on lobbying required by 24 CFR part 87, together with disclosure forms, if required by that part.

(5) Authority of State. The State must submit a certification that the consolidated plan is authorized under State law and that the State possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

(6) Consistency with plan. The State must submit a certification that the housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

(8) Section 3. The State must submit a certification that it will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), and implementing regulations at 24 CFR part 135.

(b) Community Development Block Grant program. For States that seek funding under CDBG, the following certifications are required:

(1) Citizen participation. A certification that the State is following a detailed citizen participation plan that satisfies the requirements of §91.115, and that each unit of general local government that is receiving assistance from the State is following a detailed citizen participation plan that satisfies the requirements of §570.486 of this title.

(2) Consultation with local governments. A certification that:

(i) It has consulted with affected units of local government in the non-entitlement area of the State in determining the method of distribution of funds;

(iv) It will not refuse to distribute funds to any unit of general local government on the basis of the particular eligible activity selected by the unit of general local government to meet its community development needs, except
that a State is not prevented from establishing priorities in distributing funding on the basis of the activities selected; and

(v) Each unit of general local government to be distributed funds will be required to identify its community development and housing needs, including the needs of the low-income and moderate-income families, and the activities to be undertaken to meet these needs.

(ii) The aggregate use of CDBG funds, including section 108 guaranteed loans, during a period specified by the State, consisting of one, two, or three specific consecutive program years, shall principally benefit low- and moderate-income families in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period (see 24 CFR 570.481 for definition of “CDBG funds”); and

In addition, with respect to properties owned and occupied by moderate-income (but not low-income) families, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds if the State certifies that it lacks CDBG funds to cover the assessment.

(5) Compliance with anti-discrimination laws. A certification that the grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

(vi) Consistency with plan. The consortium must certify that the housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

(vii) Acquisition and relocation. The consortium must certify that it will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601), and implementing regulations at 49 CFR part 24.

(viii) Section 3. The consortium must certify that it will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), and implementing regulations at 24 CFR part 135.

(i) If it plans to use HOME funds for tenant-based rental assistance, a certification that rental-based assistance is an essential element of its consolidated plan;

(ii) That it is using and will use HOME funds for eligible activities and costs, as described in §§ 92.205 through 92.209 of this subtitle and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214 of this subtitle; and
(iii) That before committing funds to a project, the consortium will evaluate the project in accordance with guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other federal assistance than is necessary to provide affordable housing.

(b) CDBG entitlement community certifications. A CDBG entitlement community that is a member of a consortium must submit the certifications required by §91.225 (a) and (b), and, if applicable, of §91.225 (c) and (d).

Subpart F—Other General Requirements

§ 91.500 HUD approval action.

(a) General. HUD will review the plan upon receipt. The plan will be deemed approved 45 days after HUD receives the plan, unless before that date HUD has notified the jurisdiction that the plan is disapproved.

(b) Standard of review. HUD may disapprove a plan or a portion of a plan if it is inconsistent with the purposes of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12703), if it is substantially incomplete, or, in the case of certifications applicable to the CDBG program under §§91.225 (a) and (b) or 91.325 (a) and (b), if it is not satisfactory to the Secretary in accordance with §§570.304, 570.429(g), or 570.485(c) of this title, as applicable. The following are examples of consolidated plans that are substantially incomplete:

(1) A plan that was developed without the required citizen participation or the required consultation;

(2) A plan that fails to satisfy all the required elements in this part;

(3) A plan for which a certification is rejected by HUD as inaccurate, after HUD has inspected the evidence and provided due notice and opportunity to the jurisdiction for comment.

(c) Written notice of disapproval. Within 15 days after HUD notifies a jurisdiction that it is disapproving its plan, it must inform the jurisdiction in writing of the reasons for disapproval and actions that the jurisdiction could take to meet the criteria for approval. Disapproval of a plan with respect to one program does not affect assistance distributed on the basis of a formula under other programs.

(d) Revisions and resubmission. The jurisdiction may revise or resubmit a plan within 45 days after the first notification of disapproval. HUD must respond to approve or disapprove the plan within 30 days of receiving the revisions or resubmission.

(Approved by the Office of Management and Budget under control number 2506-0117)

§ 91.505 Amendments to the consolidated plan.

(a) Amendments to the plan. The jurisdiction shall amend its approved plan whenever it makes one of the following decisions:

(1) To make a change in its allocation priorities or a change in the method of distribution of funds;

(2) To carry out an activity, using funds from any program covered by the consolidated plan (including program income), not previously described in the action plan; or

(3) To change the purpose, scope, location, or beneficiaries of an activity.

(b) Criteria for substantial amendment. The jurisdiction shall identify in its citizen participation plan the criteria it will use for determining what constitutes a substantial amendment. It is these substantial amendments that are subject to a citizen participation process, in accordance with the jurisdiction’s citizen participation plan. (See §§91.105 and 91.115.)
§ 91.510 Submission to HUD. (1) Upon completion, the jurisdiction must make the amendment public and must notify HUD that an amendment has been made. The jurisdiction may submit a copy of each amendment to HUD as it occurs, or at the end of the program year. Letters transmitting copies of amendments must be signed by the official representative of the jurisdiction authorized to take such action.

(2) See subpart B of this part for the public notice procedures applicable to substantial amendments. For any amendment affecting the HOPWA program that would involve acquisition, rehabilitation, conversion, lease, repair or construction of properties to provide housing, an environmental review of the revised proposed use of funds must be completed by HUD in accordance with 24 CFR 574.510.

§ 91.515 Funding determinations by HUD.

(a) Formula funding. The action plan submitted by the jurisdiction will be considered as the application for the CDBG, HOME, ESG, and HOPWA formula grant programs. The Department will make its funding award determination after reviewing the plan submission in accordance with §91.500.

(b) Other funding. For other funding, the jurisdiction must still respond to Notices of Funding Availability for the individual programs in order to receive funding.

§ 91.520 Performance reports.

(a) General. Each jurisdiction that has an approved consolidated plan shall annually review and report, in a form prescribed by HUD, on the progress it has made in carrying out its strategic plan and its action plan. The performance report must include a description of the resources made available, the investment of available resources, the geographic distribution and location of investments, the families and persons assisted (including the racial and ethnic status of persons assisted), actions taken to affirmatively further fair housing, and other actions indicated in the strategic plan and the action plan. This performance report shall be submitted to HUD within 90 days after the
close of the jurisdiction's program year.

(b) Affordable housing. The report shall include an evaluation of the jurisdiction's progress in meeting its specific objective of providing affordable housing, including the number and types of families served. This element of the report must include the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

(c) CDBG. For CDBG recipients, the report shall include a description of the use of CDBG funds during the program year and an assessment by the jurisdiction of the relationship of that use to the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities that were identified. This element of the report must specify the nature and reasons for any changes in its program objectives and indications of how the jurisdiction would change its programs as a result of its experiences. This element of the report also must include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

(d) HOME. For HOME participating jurisdictions, the report shall include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations, an assessment of the jurisdiction's affirmative marketing actions and outreach to minority-owned and women-owned businesses, and data on the amount and use of program income for projects, including the number of projects and owner and tenant characteristics.

(e) HOPWA. For jurisdictions receiving funding under the Housing Opportunities for Persons With AIDS program, the report must include the number of individuals assisted and the types of assistance provided.

(f) Evaluation by HUD. HUD shall review the performance report and determine whether it is satisfactory. If a satisfactory report is not submitted, or may withdraw and reallocate funding if HUD determines, after notice and opportunity for a hearing, that the jurisdiction will not submit a satisfactory report.

(Approved by the Office of Management and Budget under control number 2506-0117)

§ 91.525 Performance review by HUD.

(a) General. HUD shall review the performance of each jurisdiction covered by this part at least annually, including site visits by employees—insofar as practicable, assessing the following:

(1) Management of funds made available under programs administered by HUD;

(2) Compliance with the consolidated plan;

(3) Accuracy of performance reports;

(4) Extent to which the jurisdiction made progress towards the statutory goals identified in §91.1; and

(5) Efforts to ensure that housing assisted under programs administered by HUD is in compliance with contractual agreements and the requirements of law.

(b) Report by HUD. HUD shall report on the performance review in writing, stating the length of time the jurisdiction has to review and comment on the report, which will be at least 30 days. HUD may revise the report after considering the jurisdiction's views, and shall make the report, the jurisdiction's comments, and any revisions available to the public within 30 days after receipt of the jurisdiction's comments.

§ 91.600 Waiver authority.

Upon determination of good cause, HUD may, subject to statutory limitations, waive any provision of this part. Each such waiver must be in writing and must be supported by documentation of the pertinent facts and grounds.

§ 92.2 Definitions.

The terms “1937 Act”, “ALJ”, “Fair Housing Act”, “HUD”, “Indian Housing Authority (IHA)”, “Public Housing Agency (PHA)”, and “Secretary” are defined in 24 CFR 5.100.

Act means the HOME Investment Partnerships Act at title II of the Cranston-Gonzalez National Affordable Housing Act, as amended, 42 U.S.C. 12701 et seq.

Adjusted income. See §92.203.

Annual income. See §92.203.

Certification shall have the meaning provided in section 104(21) of the Cranston-Gonzalez National Affordable Housing Act, as amended, 42 U.S.C. 12704.

Commitment means:

(1) The participating jurisdiction has executed a legally binding agreement with a State recipient, a subrecipient or a contractor to use a specific amount of HOME funds to produce affordable housing or provide tenant-based rental assistance; or has executed a written agreement reserving a specific amount of funds to a community housing development organization; or has met the requirements to commit to a specific local project, as defined in paragraph (2), of this definition.

(2) Commit to a specific local project means:

(i) If the project consists of rehabilitation or new construction (with or without acquisition) the participating jurisdiction (or State recipient or subrecipient) and project owner have executed a written legally binding agreement under which HOME assistance will be provided to the owner for an identifiable project under which construction can reasonably be expected to start within twelve months of the agreement date. If the project is owned by the participating jurisdiction or State recipient, the project has been set up in the disbursement and information system established by HUD.
and construction can reasonably be expected to start within twelve months of the project set-up date.

(ii)(A) If the project consists of acquisition of standard housing and the participating jurisdiction (or State recipient or subrecipient) is acquiring the property with HOME funds, the participating jurisdiction (or State recipient or subrecipient) and the property owner have executed a legally binding contract for sale of an identifiable property and the property title will be transferred to the participating jurisdiction (or State recipient or subrecipient) within six months of the date of the contract.

(B) If the project consists of acquisition of standard housing and the participating jurisdiction (or State recipient or subrecipient) is providing HOME funds to a family to acquire single family housing for homeownership or to a purchaser to acquire rental housing, the participating jurisdiction (or State recipient or subrecipient) and the family or purchaser have executed a written agreement under which HOME assistance will be provided for the purchase of the single family housing or rental housing and the property title will be transferred to the family or purchaser within six months of the agreement date.

(iii) If the project consists of tenant-based rental assistance, the participating jurisdiction (or State recipient, or subrecipient) has entered into a rental assistance contract with the owner or the tenant in accordance with the provisions of §92.209.

Community housing development organization means a private nonprofit organization that:

1. Is organized under State or local laws;
2. Has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual;
3. Is neither controlled by, nor under the direction of, individuals or entities seeking to derive profit or gain from the organization. A community housing development organization may be sponsored or created by a for-profit entity, but:
   1. The for-profit entity may not be an entity whose primary purpose is the development or management of housing, such as a builder, developer, or real estate management firm.
   2. The for-profit entity may not have the right to appoint more than one-third of the membership of the organization’s governing body. Board members appointed by the for-profit entity may not appoint the remaining two-thirds of the board members; and
3. The community housing development organization must be free to contract for goods and services from vendors of its own choosing;

4. Has a tax exemption ruling from the Internal Revenue Service under section 501(c)(3) or (4) of the Internal Revenue Code of 1986 (26 CFR 1.501(c)(3)–1);

5. Does not include a public body (including the participating jurisdiction). An organization that is State or locally chartered may qualify as a community housing development organization; however, the State or local government may not have the right to appoint more than one-third of the membership of the organization’s governing body and no more than one-third of the board members may be public officials or employees of the participating jurisdiction or State recipient. Board members appointed by the State or local government may not appoint the remaining two-thirds of the board members;

7. Has among its purposes the provision of decent housing that is affordable to low-income and moderate-income persons, as evidenced in its charter, articles of incorporation, resolutions or by-laws;

8. Maintains accountability to low-income community residents by:
   1. Maintaining at least one-third of its governing board’s membership for residents of low-income neighborhoods, other low-income community residents, or elected representative of low-income neighborhood organizations. For urban areas, “community” may be a neighborhood or neighborhoods, city, county or metropolitan area; for rural areas, it may be a neighborhood or neighborhoods, town, village, county,
or multi-county area (but not the entire State); and

(ii) Providing a formal process for low-income program beneficiaries to advise the organization in its decisions regarding the design, siting, development, and management of affordable housing;

(9) Has a demonstrated capacity for carrying out activities assisted with HOME funds. An organization may satisfy this requirement by hiring experienced key staff members who have successfully completed similar projects, or a consultant with the same type of experience and a plan to train appropriate key staff members of the organization; and

(10) Has a history of serving the community within which housing to be assisted with HOME funds is to be located. In general, an organization must be able to show one year of serving the community before HOME funds are reserved for the organization. However, a newly created organization formed by local churches, service organizations or neighborhood organizations may meet this requirement by demonstrating that its parent organization has at least a year of serving the community.

Family has the same meaning given that term in 24 CFR 5.403.

HOME funds means funds made available under this part through allocations and reallocations, plus program income.

Homeownership means ownership in fee simple title or a 99 year leasehold interest in a one- to four-unit dwelling or in a condominium unit, or equivalent form of ownership approved by HUD. The ownership interest may be subject only to the restrictions on resale required under §92.254(a); mortgages, deeds of trust, or other liens or instruments securing debt on the property as approved by the participating jurisdiction; or any other restrictions or encumbrances that do not impair the good and marketable nature of title to the ownership interest. For purposes of the insular areas, homeownership includes leases of 40 years or more. The participating jurisdiction must determine whether or not ownership or membership in a cooperative or mutual housing project constitutes homeownership under State law.

Household means one or more persons occupying a housing unit.

Housing includes manufactured housing and manufactured housing lots, permanent housing for disabled homeless persons, transitional housing, single-room occupancy housing, and group homes. Housing also includes elder cottage housing opportunity (ECHO) units that are small, free-standing, barrier-free, energy-efficient, removable, and designed to be installed adjacent to existing single-family dwellings. Housing does not include emergency shelters (including shelters for disaster victims) or facilities such as nursing homes, convalescent homes, hospitals, residential treatment facilities, correctional facilities and student dormitories.

Insular areas means Guam, the Northern Mariana Islands, the United States Virgin Islands, and American Samoa.

Jurisdiction means a State or unit of general local government.

Low-income families means families whose annual incomes do not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median for the area on the basis of HUD findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

Metropolitan city has the meaning given the term in 24 CFR 570.3.

Neighborhood means a geographic location designated in comprehensive plans, ordinances, or other local documents as a neighborhood, village, or similar geographical designation that is within the boundary but does not encompass the entire area of a unit of general local government; except that if the unit of general local government has a population under 25,000, the neighborhood may, but need not, encompass the entire area of a unit of general local government.

Participating jurisdiction means a jurisdiction (as defined in this section) that has been so designated by HUD in accordance with §92.105.

Person with disabilities means a household composed of one or more persons,
§ 92.2

at least one of whom is an adult, who
has a disability.

(1) A person is considered to have a
disability if the person has a physical,
mental, or emotional impairment that:

(i) Is expected to be of long-continued
and indefinite duration;

(ii) Substantially impedes his or her
ability to live independently; and

(iii) Is of such a nature that such
ability could be improved by more suit-
able housing conditions.

(2) A person will also be considered to
have a disability if he or she has a de-
velopmental disability, which is a se-
vere, chronic disability that:

(i) Is attributable to a mental or
physical impairment or combination of
mental and physical impairments;

(ii) Is manifested before the person
attains age 22;

(iii) Is likely to continue indefi-
nitely;

(iv) Results in substantial functional
limitations in three or more of the fol-
lowing areas of major life activity:
self-care, receptive and expressive lan-
guage, learning, mobility, self-direc-
tion, capacity for independent living,
and economic self-sufficiency; and

(v) Reflects the person's need for a
combination and sequence of special,
interdisciplinary, or generic care,
treatment, or other services that are of
lifelong or extended duration and are
individually planned and coordinated.

Notwithstanding the preceding provi-
sions of this definition, the term "per-
son with disabilities" includes two or
more persons with disabilities living

(1) Proceeds from the disposition by
sale or long-term lease of real property
acquired, rehabilitated, or constructed
with HOME funds or matching con-
tributions;

(2) Gross income from the use or
rental of real property, owned by the
participating jurisdiction, State recipi-
ent, or a subrecipient, that was ac-
quired, rehabilitated, or constructed,
with HOME funds or matching con-
tributions, less costs incidental to gen-
eration of the income;

(3) Payments of principal and inter-
est on loans made using HOME funds or
matching contributions;

(4) Proceeds from the sale of loans
made with HOME funds or matching con-
tributions;

(5) Proceeds from the sale of obliga-
tions secured by loans made with
HOME funds or matching contribu-
tions;

(6) Interest earned on program in-
come pending its disposition; and

(7) Any other interest or return on
the investment permitted under
§ 92.205(b) of HOME funds or matching
contributions.

Project means a site or sites together
with any building (including a manu-
factured housing unit) or buildings lo-
cated on the site(s) that are under com-
mon ownership, management, and fi-
nancing and are to be assisted with
HOME funds as a single undertaking
under this part. The project includes
all the activities associated with the
site and building. For tenant-based
rental assistance, project means assist-
ance to one or more families.

Project completion means that all nec-
essary title transfer requirements and
construction work have been per-
formed; the project complies with the
requirements of this part (including
the property standards under § 92.251);
the final drawdown has been disbursed
for the project; and the project com-
pletion information has been entered in
the disbursement and information sys-
tem established by HUD. For tenant-
based rental assistance, project com-
pletion means the final drawdown has
been disbursed for the project.
Reconstruction means the rebuilding, on the same lot, of housing standing on a site at the time of project commitment. The number of housing units on the lot may not be decreased or increased as part of a reconstruction project, but the number of rooms per unit may be increased or decreased. Reconstruction also includes replacing an existing substandard unit of manufactured housing with a new or standard unit of manufactured housing. Reconstruction is rehabilitation for purposes of this part.

Single room occupancy (SRO) housing means housing (consisting of single room dwelling units) that is the primary residence of its occupant or occupants. The unit must contain either food preparation or sanitary facilities (and may contain both) if the project consists of new construction, conversion of non-residential space, or reconstruction. For acquisition or rehabilitation of an existing residential structure or hotel, neither food preparation nor sanitary facilities are required to be in the unit. If the units do not contain sanitary facilities, the building must contain sanitary facilities that are shared by tenants.

State means any State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any agency or instrumentality thereof that is established pursuant to legislation and designated by the chief executive to act on behalf of the State with regard to the provisions of this part.

Subrecipient means a public agency or nonprofit organization selected by the participating jurisdiction to administer all or a portion of the participating jurisdiction's HOME program. A public agency or nonprofit organization that receives HOME funds solely as a developer or owner of housing is not a subrecipient. The participating jurisdiction's selection of a subrecipient is not subject to the procurement procedures and requirements.

Tenant-based rental assistance is a form of rental assistance in which the assisted tenant may move from a dwelling unit with a right to continued assistance. Tenant-based rental assistance under this part also includes security deposits for rental of dwelling units.

Transitional housing means housing that:

1. Is designed to provide housing and appropriate supportive services to persons, including (but not limited to) deinstitutionalized individuals with disabilities, homeless individuals with disabilities, and homeless families with children; and

2. Has as its purpose facilitating the movement of individuals and families to independent living within a time period that is set by the participating jurisdiction or project owner before occupancy.

Urban county has the meaning given the term in 24 CFR 570.3.

Very low-income families means low-income families whose annual incomes do not exceed 50 percent of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50 percent of the median for the area on the basis of HUD findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

§ 92.4 Waivers and suspension of requirements for disaster areas.

HUD’s authority for waiver of regulations and for the suspension of requirements to address damage in a Presidentially declared disaster area is described in 24 CFR 5.110 and in section 290 of the Act, respectively.
§ 92.50

Subpart B—Allocation Formula

§ 92.50 Formula allocation.

(a) Jurisdictions eligible for a formula allocation. HUD will provide allocations of funds in amounts determined by the formula described in this section to units of general local governments that, as of the end of the previous fiscal year, are metropolitan cities, urban counties, or consortia approved under §92.101; and States.

(b) Amounts available for allocation; State and local share. The amount of funds that are available for allocation by the formula under this section is equal to the balance of funds remaining after reserving amounts for Indian tribes, insular areas, housing education and organizational support, other support for State and local housing strategies, and other purposes authorized by Congress, in accordance with the Act and appropriations.

(c) Formula factors. The formula for determining allocations uses the following factors. The first and sixth factors are weighted 0.1; the other four factors are weighted 0.2.

(1) Vacancy-adjusted rental units where the household head is at or below the poverty level. These rental units are multiplied by the ratio of the national rental vacancy rate over a jurisdiction's rental vacancy rate.

(2) Occupied rental units with at least one of four problems (overcrowding, incomplete kitchen facilities, incomplete plumbing, or high rent costs). Overcrowding is a condition that exists if there is more than one person per room occupying the unit. Incomplete kitchen facilities means the unit lacks a sink with running water, a range, or a refrigerator. Incomplete plumbing means the unit lacks hot and cold piped water, a flush toilet, or a bathtub or shower inside the unit for the exclusive use of the occupants of the unit. High rent costs occur when more than 30 percent of household income is used for rent.

(3) Rental units built before 1950 occupied by poor families.

(4) Rental units described in paragraph (c)(2) of this section multiplied by the ratio of the cost of producing housing for a jurisdiction divided by the national cost.

(5) Number of families at or below the poverty level.

(6) Population of a jurisdiction multiplied by a net per capita income (pci). To compute net pci for a jurisdiction or for the nation, the pci of a three person family at the poverty threshold is subtracted from the pci of the jurisdiction or of the nation. The index is constructed by dividing the national net pci by the net pci of a jurisdiction.

(d) Calculating formula allocations for units of general local government. (1) Initial allocation amounts for units of general local government described in paragraph (a) of this section are determined by multiplying the sum of the shares of the six factors in paragraph (c) of this section by 60 percent of the amount available under paragraph (b) of this section for formula allocation. The shares are the ratio of the weighted factor for each jurisdiction over the corresponding factor for the total for all of these units of general local government.

(2) If any of the initial amounts for such units of general local government in Puerto Rico exceeds twice the national average, on a per rental unit basis, that amount is capped at twice the national average.

(3) To determine the maximum number of units of general local government that receive a formula allocation, only one jurisdiction (the unit of general local government with the smallest allocation of HOME funds) is dropped from the pool of eligible jurisdictions on each successive recalculation. Then the amount of funds available for units of general local government is redistributed to all others. This recalculation/redistribution continues until all remaining units of general local government receive an allocation of $500,000 or more. Only units of general local government which receive an allocation of $500,000 or more under the formula will be awarded an allocation. In fiscal years in which Congress appropriates less than $1.5 billion of HOME funds, $335,000 is substituted for $500,000.

(4) The allocation amounts determined under paragraph (d)(3) of this section are reduced by any amounts that are necessary to provide increased allocations to States that have no unit
§ 92.60 Allocation amounts for insular areas.

(a) Initial allocation amount for each insular area. The initial allocation amount for each insular area is determined based upon the insular area’s population and occupied rental units compared to all insular areas.

(b) Threshold requirements. The HUD Field Office shall review each insular area’s progress on outstanding allocations made under this section, based on the insular area’s performance report, the timeliness of close-outs, and compliance with fund management requirements and regulations, taking into consideration the size of the allocation and the degree and complexity of the program. If HUD determines from this review that the insular area does not have the capacity to administer effectively a new allocation, or a portion of a new allocation, in addition to allocations currently under administration, HUD may reduce the insular area’s initial allocation amount.

(c) Previous audit findings and outstanding monetary obligations. HUD shall not make an allocation to an insular area that has either an outstanding audit finding for any HUD program, or an outstanding monetary obligation to HUD that is in arrears, or for which a repayment schedule has not been established. This restriction does not apply if the HUD Field Office finds that the insular area has made a good faith effort to clear the audit and, when there is an outstanding monetary obligation to HUD, the insular area has made a satisfactory arrangement for repayment of the funds due HUD and payments are current.

(d) Increases to the initial allocation amount. If funds reserved for the insular areas are available because HUD has decreased the amount for one or more insular areas in accordance with paragraphs (b) or (c) of this section, or for any other reason, HUD may increase the allocation amount for one or more of the remaining insular areas based upon the insular area’s performance in committing HOME funds within the 24 month deadline, producing housing units described in its program.
§ 92.61 Program description.

(a) Submission requirement. Not later than 90 days after HUD notifies the insular area of the amount of its allocation, the insular area must submit a program description and certifications to HUD.

(b) Content of program description. The program description must contain the following:

(1) An executed Standard Form 424;

(2) The estimated use of HOME funds and a description of projects and eligible activities, including number of units to be assisted, estimated costs, and tenure type (rental or owner occupied) and, for tenant assistance, number of households to be assisted;

(3) A timetable for the implementation of the projects or eligible activities;

(4) If the insular area intends to use HOME funds for homebuyers, the guidelines for resale or recapture as required in §92.254(a)(5);

(5) If the insular area intends to use HOME funds for tenant-based rental assistance, a description of how the program will be administered consistent with the minimum guidelines described in §92.209;

(6) If an insular area intends to use other forms of investment not described in §92.205(b), a description of the other forms of investment;

(7) A statement of the policy and procedures to be followed by the insular area to meet the requirements for affirmative marketing, and establishing and overseeing a minority and women business outreach program under §92.351;

(8) If the insular intends to use HOME funds for refinancing along with rehabilitation, the insular area's guidelines described in §92.206(b).

(c) Certifications. The following certifications must accompany the program description:

(1) A certification that, before committing funds to a project, the insular area will evaluate the project in accordance with guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other governmental assistance than is necessary to provide affordable housing;

(2) If the insular area intends to provide tenant-based rental assistance, the certification required by §92.209;

(3) A certification that the submission of the program description is authorized under applicable law and the insular area possesses the legal authority to carry out the HOME Investment Partnerships Program, in accordance with the HOME regulations;

(4) A certification that it will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, implementing regulations at 49 CFR part 24 and the requirements of §92.355;

(5) A certification that the insular area will use HOME funds in compliance with all requirements of this part;

(6) The certification with regard to the drug-free workplace required by 24 CFR part 24, subpart F; and

(7) The certification required with regard to lobbying required by 24 CFR part 87, together with disclosure forms, if required by 24 CFR part 87.

§ 92.62 Review of program description and certifications.

(a) Review of program description. The responsible HUD Field Office will review an insular area's program description and will approve the description unless the insular area has failed to submit information sufficient to allow HUD to make the necessary determinations required for §92.61 (b)(4), (b)(6), and (b)(7), or the guidelines under (b)(8) are not satisfactory to HUD, if applicable; or if the level of proposed projects or eligible activities is not within the management capability demonstrated by past performance in housing and community development programs. If the insular area has not submitted information on §92.61 (b)(4), (b)(6), and

§ 92.64 Applicability of requirements to insular areas.

(a) Insular areas are subject to the same requirements in subpart E (Program Requirements), subpart F (Project Requirements), subpart K (Program Administration), and subpart L (Performance Reviews and Sanctions) of this part as participating jurisdictions, except for the following:

(1) Subpart E (Program Requirements): Administrative costs, as described in §92.207, are eligible costs for insular areas in an amount not to exceed 15 percent of the HOME funds provided to the insular area. The matching contribution requirements in this part do not apply.

(2) Subpart K (Program Administration):

(i) Section 92.500 (The HOME Investment Trust Fund) does not apply. HUD will establish a HOME account in the United States Treasury for each insular area and the HOME funds must be used for approved activities. A local account must be established for program income. Each insular area may use either a separate local HOME account or a subsidiary account within its general fund (or other appropriate fund) as the local HOME account. HUD will recapTURE HOME funds in the HOME Treasury account by the amount of:

(A) Any funds that are not committed within 24 months after the last day of the month in which HUD notifies the insular area of HUD's execution of the HOME Investment Partnership Agreement;

(B) Any funds that are not expended within five years after the last day of the month in which HUD notifies the insular area of the HUD's execution of the
§ 92.65 Funding sanctions.

Following notice and opportunity for informal consultation, HUD may withhold, reduce or terminate the assistance where any corrective or remedial actions taken under §92.551 fail to remedy an insular area's performance deficiencies, and the deficiencies are sufficiently substantial, in the judgment of HUD, to warrant sanctions.

§ 92.66 Reallocation.

Any HOME funds which are reduced or recaptured from an insular area's allocation and which are not used to increase the allocation amount for one or more of the remaining insular areas as provided in §92.60 of this part, will be reallocated by HUD to the States in accordance with the requirements in subpart J for reallocating funds initially allocated to a State.

Subpart C—Consortia; Designation and Revocation of Designation as a Participating Jurisdiction

§ 92.100 [Reserved]

§ 92.101 Consortia.

(a) A consortium of geographically contiguous units of general local government is a unit of general local government for purposes of this part if the requirements of this section are met.

(1) One or more members of a proposed consortium or an existing consortium whose consortium qualification terminates at the end of the fiscal year, must provide written notification by March 1 to the HUD Field Office of its intent to participate as a consortium in the HOME Program for the following fiscal year. Provided that subsequent deadlines could be met, the Field Office may accept notification at a later date.

(2) The proposed consortium must provide, at such time and in a manner and form prescribed by HUD, the qualification documents, which will include submission of:

(i) A written certification by the State that the consortium will direct its activities to alleviation of housing problems within the State; and
(ii) Documentation which demonstrates that the consortium has executed one legally binding cooperation agreement among its members authorizing one member unit of general local government to act in a representative capacity for all member units of general local government for the purposes of this part and providing that the representative member assumes overall responsibility for ensuring that the consortium's HOME Program is carried out in compliance with the requirements of this part.

(3) Before the end of the fiscal year in which the notice of intent and documentation are submitted, HUD must determine that the consortium has sufficient authority and administrative capability to carry out the purposes of this part on behalf of its member jurisdictions. HUD will endeavor to make its determination as quickly as practicable after receiving the consortium's documentation in order to provide the consortium an opportunity to correct its submission, if necessary. If the submission is deficient, HUD will work with the consortium to resolve the issue, but will not delay the formula allocations.

(b) A metropolitan city or an urban county may be a member of a consortium. A unit of general local government that is included in an urban county may be part of a consortium, only if the urban county joins the consortium. The included local government cannot join the consortium except through participation in the urban county.

(c) A non-urban county may be a member of a consortium. However, the county cannot on its own include the whole county in the consortium. A unit of local government located within the non-urban county that wishes to participate as a member of the consortium must sign the HOME consortium agreement.

(d) If the representative unit of general local government distributes HOME funds to member units of general local government, the representative unit is responsible for applying to the member units of general local government the same requirements as are applicable to subrecipients.

(e) The consortium's qualification as a unit of general local government continues for a period of three successive Federal fiscal years, or until HUD revokes its designation as a participating jurisdiction, or until an urban county member fails to requalify under the CDBG program as an urban county for a fiscal year included in the consortium's qualification period, or the consortium fails to receive a HOME allocation for the first Federal fiscal year of the consortium's qualification period and does not request to be considered to receive a HOME allocation in each of the subsequent two years. However, if a member urban county's three year CDBG qualification cycle is not the same as the consortium, the consortium may elect a shorter qualification period than three years to synchronize with the urban county's qualification period. During the period of qualification, additional units of general local government may join the consortium, but no included unit of general local government may withdraw from the consortium. See 24 CFR part 91, subpart E, for consolidated plan requirements for consortia, including the requirement that all members of the consortia must be on the same program year.

§ 92.102 Participation threshold amount.

(a) To be eligible to become a participating jurisdiction, a unit of general local government must have a formula allocation under §92.50 that is equal to or greater than $750,000; or

(b) If a unit of general local government's formula allocation is less than $750,000, HUD must find:

(1) The unit of general local government has a local PHA and has demonstrated a capacity to carry out the provisions of this part, as evidenced by satisfactory performance under one or more HUD-administered programs that provide assistance for activities comparable to the eligible activities under this part; and

(2) The State has authorized HUD to transfer to the unit of general local government a portion of the State's allocation or the State, the unit of general local government, or both, has made available its own resources such
§ 92.103 Notification of intent to participate.
(a) Not later than 30 days after receiving notice of its formula allocation amount, a jurisdiction must notify HUD in writing of its intention to become a participating jurisdiction.
(b) A unit of general local government that has a formula allocation of less than $750,000, or less than $500,000 in fiscal years in which Congress appropriates less than $1.5 billion for this part, must submit, with its notice, one or more of the following, as appropriate, as evidence that it has met the threshold allocation requirements in §92.102(b):
(1) Authorization from the State to transfer a portion of its allocation to the unit of general local government;
(2) A letter from the governor or designee indicating that the required funds have been approved and budgeted for the unit of general local government;
(3) A letter from the chief executive officer of the unit of general local government indicating that the required funds have been approved and budgeted.

§ 92.104 Submission of a consolidated plan.
A jurisdiction that has not submitted a consolidated plan to HUD must submit to HUD, not later than 90 days after providing notification under §92.103, a consolidated plan in accordance with 24 CFR part 91.

§ 92.105 Designation as a participating jurisdiction.
When a jurisdiction has complied with the requirements of §§92.102 through 92.104 and HUD has approved the jurisdiction’s consolidated plan in accordance with 24 CFR part 91, HUD will designate the jurisdiction as a participating jurisdiction.

§ 92.106 Continuous designation as a participating jurisdiction.
Once a State or unit of general local government is designated a participating jurisdiction, it remains a participating jurisdiction for subsequent fiscal years and the requirements of §§92.102 through 92.105 do not apply, unless HUD revokes the designation in accordance with §92.107.

§ 92.107 Revocation of designation as a participating jurisdiction.
HUD may revoke a jurisdiction’s designation as a participating jurisdiction if:
(a) HUD finds, after reasonable notice and opportunity for hearing as provided in §92.552(b) that the jurisdiction is unwilling or unable to carry out the provisions of this part, including failure to meet matching contribution requirements; or
(b) The jurisdiction’s formula allocation falls below $750,000 (or below $500,000 in fiscal years in which Congress appropriates less than $1.5 billion for this part) for three consecutive years, below $625,000 (or below $410,000 in fiscal years in which Congress appropriates less than $1.5 billion for this part) for two consecutive years, or the jurisdiction does not receive a formula allocation in any one year.
(c) When HUD revokes a participating jurisdiction’s designation as a participating jurisdiction, HUD will reallocate any remaining funds in the jurisdiction’s HOME Investment Trust Fund established under §92.500 in accordance with §92.451.

Subpart D—Submission Requirements
§ 92.150 Submission requirements.
In order to receive its HOME allocation, a participating jurisdiction must submit a consolidated plan in accordance with 24 CFR part 91. That part includes requirements for the content of the consolidated plan, the process of developing the consolidated plan, including citizen participation, the submission date, HUD approval, and amendments.
Subpart E—Program Requirements

§ 92.200 Private-public partnership.
Each participating jurisdiction shall make all reasonable efforts to maximize participation by the private sector in accordance with section 221 of the Act.

§ 92.201 Distribution of assistance.

(a) Local. (1) Each local participating jurisdiction must, insofar as is feasible, distribute HOME funds geographically within its boundaries and among different categories of housing need, according to the priorities of housing need identified in its approved consolidated plan.

(2) The participating jurisdiction may only invest its HOME funds in eligible projects within its boundaries, or in joint projects within the boundaries of contiguous local jurisdictions which serve residents from both jurisdictions.

(b) State. (1) Each State participating jurisdiction is responsible for distributing HOME funds throughout the State according to the State's assessment of the geographical distribution of the housing needs within the State, as identified in the State's approved consolidated plan. The State must distribute HOME funds to rural areas in amounts that take into account the non-metropolitan share of the State's total population and objective measures of rural housing need, such as poverty and substandard housing, as set forth in the State's approved consolidated plan. To the extent the need is within the boundaries of a participating unit of general local government, the State and the unit of general local government shall coordinate activities to address that need.

(2) A State may carry out its own HOME program without active participation of units of general local government, or may distribute HOME funds to units of general local government to carry out HOME programs in which both the State and all or some of the units of general local government perform specified program functions. A unit of general local government designated by a State to receive HOME funds from a State is a State recipient.

(3) A State that uses State recipients to perform program functions shall ensure that the State recipients use HOME funds in accordance with the requirements of this part and other applicable laws. The State may require the State recipient to comply with requirements established by the State or may permit the State recipient to establish its own requirements to comply with this part.

(iii) The State shall conduct such reviews and audit of its State recipients as may be necessary or appropriate to determine whether the State recipient has committed and expended the HOME funds in the United States Treasury account as required by §92.500, and has met the requirements of this part, particularly eligible activities, income targeting, affordability, and matching contribution requirements.

(4) A State and local participating jurisdiction may jointly fund a project within the boundaries of the local participating jurisdiction. The State may provide the HOME funds to the project or it may provide the HOME funds to the local participating jurisdiction to fund the project.

(5) A State may fund projects on Indian reservations located within the State provided that the State includes Indian reservations in its consolidated plan.

§ 92.202 Site and neighborhood standards.

(a) General. A participating jurisdiction must administer its HOME program in a manner that provides housing that is suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d—2000d±4), the Fair Housing Act (42 U.S.C. 3601 et seq., E.O. 11063 (3 CFR, 1959±1963 Comp., p. 652), and HUD regulations issued pursuant thereto; and promotes greater choice of housing opportunities.

(b) New rental housing. In carrying out the site and neighborhood requirements with respect to new construction of rental housing, a participating jurisdiction is responsible for making the determination that proposed sites...
§ 92.203 Income determinations.

(a) The HOME program has income targeting requirements for the HOME program and for HOME projects. Therefore, the participating jurisdiction must determine each family is income eligible by determining the family's annual income.

(1) For families who are tenants in HOME-assisted housing and not receiving HOME tenant-based rental assistance, the participating jurisdiction must initially determine annual income using the method in paragraph (a)(1)(i) of this section. For subsequent income determinations during the period of affordability, the participating jurisdiction may use any one of the following methods in accordance with §92.252(h):

(i) Examine the source documents evidencing annual income (e.g., wage statement, interest statement, unemployment compensation statement) for the family.

(ii) Obtain from the family a written statement of the amount of the family's annual income and family size, along with a certification that the information is complete and accurate. The certification must state that the family will provide source documents upon request.

(iii) Obtain a written statement from the administrator of a government program under which the family receives benefits and which examines each year the annual income of the family. The statement must indicate the tenant's family size and state the amount of the family's annual income; or alternatively, the statement must indicate the current dollar limit for very low- or low-income families for the family size of the tenant and state that the tenant's annual income does not exceed this limit.

(2) For all other families, the participating jurisdiction must determine annual income by examining the source documents evidencing annual income (e.g., wage statement, interest statement, unemployment compensation statement) for the family.

(b) When determining whether a family is income eligible, the participating jurisdiction must use one of the following three definitions of "annual income":

(1) "Annual income" as defined at 24 CFR 5.609 (except when determining the income of a homeowner for an owner-occupied rehabilitation project, the value of the homeowner's principal residence may be excluded from the calculation of Net Family Assets); or

(2) Annual Income as reported under the Census long-form for the most recent available decennial Census. This definition includes:

(i) Wages, salaries, tips, commissions, etc.;

(ii) Self-employment income from owned non-farm business, including proprietorships and partnerships;

(iii) Farm self-employment income;

(iv) Interest, dividends, net rental income, or income from estates or trusts;

(v) Social Security or railroad retirement;

(vi) Supplemental Security Income, Aid to Families with Dependent Children, or other public assistance or public welfare programs;

(vii) Retirement, survivor, or disability pensions; and

(viii) Any other sources of income received regularly, including Veterans' (VA) payments, unemployment compensation, and alimony; or

(3) Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 series for individual Federal annual income tax purposes.

(c) Although the participating jurisdiction may use any of the three definitions of "annual income" permitted in paragraph (b) of this section, to calculate adjusted income it must apply exclusions from income established at 24 CFR 5.611. The HOME rents for very low-income families established under §92.252(b)(2) are based on adjusted income. In addition, the participating jurisdiction may base the amount of tenant-based rental assistance on the adjusted income of the family.

(d) (1) The participating jurisdiction must calculate the annual income of the family by projecting the prevailing rate of income of the family at the

§ 92.204 Applicability of requirements to entities that receive a reallocation of HOME funds, other than participating jurisdictions.

(a) Jurisdictions other than participating jurisdictions and community housing development organizations receiving competitive reallocations from HUD are subject to the same requirements in subpart E (Program Requirements), subpart F (Project Requirements), subpart K (Program Administration), and subpart L (Performance Reviews and Sanctions) of this part as participating jurisdictions, except for the following:

(1) Subpart E (Program Requirements): the matching contribution requirements in §§92.218 through §92.221 do not apply.

(2) Subpart K (Program Administration):

(i) Section 92.500 (The HOME Investment Trust Fund) does not apply. HUD will establish a HOME account in the United States Treasury and the HOME funds must be used for approved activities. A local account must be established for program income. HUD will recapture HOME funds in the HOME Treasury account by the amount of:

(A) Any funds that are not committed within 24 months after the last day of the month in which HUD notifies the entity of HUD's execution of the HOME Investment Partnership Agreement; and

(B) Any penalties assessed by HUD under §92.552.

(ii) Section 92.502 (Program disbursement and information system) applies, except that references to the HOME Investment Trust Fund mean HOME account and the reference to 24 CFR part 58 does not apply. In addition, §92.502(c) does not apply, and instead, compliance with Treasury Circular No. 1075 (31 CFR part 205) and 24 CFR 85.21 is required.

(iii) Section 92.503 (Program income, repayments, and recaptured funds) applies, except that program income may be retained provided the funds are used for eligible activities in accordance with the requirements of this section.

(3) Section 92.504 (Participating jurisdiction responsibilities; written agreements; on-site inspections) applies, except that the written agreement must ensure compliance with the requirements in this section.

(4) Section 92.508 (Recordkeeping) applies with respect to the records that relate to the requirements of this section.

(5) Section 92.509 (Performance reports) applies, except that a performance report is required only after completion of the approved projects.

(b) The requirements in subpart H (Other Federal Requirements) of this part apply as written, except that jurisdictions and community housing development organizations receiving reallocations from HUD must comply with affirmative marketing requirements, labor requirements, and lead-based paint requirements, applicable to participating jurisdictions.

(c) Subpart B (Allocation Formula), subpart C ( Consortia; Designation and Revocation of Designation as a Participating Jurisdiction), and subpart G (Community Housing Development Organizations) of this part do not apply.

(d) Subpart A (General) applies, except that for the definitions of commitment, program income, and subrecipient, "participating jurisdiction" means jurisdiction or community housing development organization receiving the competitive reallocation.
§ 92.205 Eligible activities: General.

(a) Eligible activities. (1) HOME funds may be used by a participating jurisdiction to provide incentives to develop and support affordable rental housing and homeownership affordability through the acquisition (including assistance to homebuyers), new construction, reconstruction, or rehabilitation of non-luxury housing with suitable amenities, including real property acquisition, site improvements, conversion, demolition, and other expenses, including financing costs, relocation expenses of any displaced persons, families, businesses, or organizations; to provide tenant-based rental assistance, including security deposits; to provide payment of reasonable administrative and planning costs; and to provide for the payment of operating expenses of community housing development organizations. The housing must be permanent or transitional housing. The specific eligible costs for these activities are set forth in §§92.206 through 92.209.

(2) Acquisition of vacant land or demolition must be undertaken only with respect to a particular housing project intended to provide affordable housing.

(3) Conversion of an existing structure to affordable housing is rehabilitation, unless the conversion entails adding one or more units beyond the existing walls, in which case, the project is new construction for purposes of this part.

(4) Manufactured housing. HOME funds may be used to purchase and/or rehabilitate a manufactured housing unit, or purchase the land upon which a manufactured housing unit is located. Except for existing, owner-occupied manufactured housing units that are rehabilitated with HOME funds, the manufactured housing unit must, at the time of project completion, be connected to permanent utility hook-ups and be located on land that is owned by the manufactured housing unit owner or land for which the manufactured housing owner has a lease for a period at least equal to the applicable period of affordability.

(b) Forms of assistance. (1) A participating jurisdiction may invest HOME funds as equity investments, interest-bearing loans or advances, non-interest-bearing loans or advances, interest subsidies consistent with the purposes of this part, deferred payment loans, grants, or other forms of assistance that HUD determines to be consistent with the purposes of this part. Each participating jurisdiction has the right to establish the terms of assistance, subject to the requirements of this part.

(2) A participating jurisdiction may invest HOME funds to guarantee loans made by lenders and, if required, the participating jurisdiction may establish a loan guarantee account with HOME funds. The HOME funds may be used to guarantee the timely payment of principal and interest or payment of the outstanding principal and interest upon foreclosure of the loan. The amount of the loan guarantee account must be based on a reasonable estimate of the default rate on the guaranteed loans, but under no circumstances may the amount on deposit exceed 20 percent of the total outstanding principal amount guaranteed; except that the account may include a reasonable minimum balance. While loan funds guaranteed with HOME funds are subject to all HOME requirements, funds which are used to repay the guaranteed loans are not.

(c) Minimum amount of assistance. The minimum amount of HOME funds that must be invested in a project involving rental housing or homeownership is $1,000 times the number of HOME-assisted units in the project.

(d) Multi-unit projects. HOME funds may be used to assist one or more housing units in a multi-unit project. Only the actual HOME eligible development costs of the assisted units may be charged to the HOME program. If the assisted and non-assisted units are not comparable, the actual costs may be determined based on a method of cost allocation. If the assisted and non-assisted units are comparable in terms of size, features and number of bedrooms, the actual cost of the HOME-assisted units can be determined by pro-rating the total HOME eligible development costs of the project so that the proportion of the total development costs charged to the HOME program does not

§ 92.206  Eligible project costs.

HOME funds may be used to pay the following eligible costs:

(a) Development hard costs. The actual cost of constructing or rehabilitating housing. These costs include the following:

(1) For new construction, costs to meet the applicable new construction standards of the participating jurisdiction and the Model Energy Code referred to in §92.251;

(2) For rehabilitation, costs:

(i) To meet the property standards in §92.251;

(ii) To make essential improvements, including energy-related repairs or improvements, improvements necessary to permit use by persons with disabilities, and lead-based paint activities, as required by part 35 of this title.

(3) For both new construction and rehabilitation, costs:

(i) To demolish existing structures;

(ii) To make utility connections including off-site connections from the property line to the adjacent street; and

(iii) To make improvements to the project site that are in keeping with improvements of surrounding, standard projects. Site improvements may include on-site roads and sewer and water lines necessary to the development of the project. The project site is the property, owned by the project owner, upon which the project is located.

(4) For both new construction and rehabilitation of multifamily rental housing, costs to construct or rehabilitate laundry and community facilities which are located within the same building as the housing and which are for the use of the project residents and their guests.

(5) Costs to make utility connections or to make improvements to the project site, in accordance with the provisions of §92.206(a)(3)(ii) and (iii) are also eligible in connection with acquisition of standard housing.

(b) Refinancing costs. The cost to refinance existing debt secured by housing that is being rehabilitated with HOME funds:

(1) For single-family (1- to 4-family) owner-occupied housing when loaning HOME funds to rehabilitate the housing, if the refinancing is necessary to reduce the overall housing costs to the borrower and make the housing more affordable.

(2) For multifamily projects, when loaning HOME funds to rehabilitate the units if refinancing is necessary to permit or continue affordability under §92.252. The participating jurisdiction must establish refinancing guidelines and state them in its consolidated plan described in 24 CFR part 91. Regardless of the amount of HOME funds invested, the minimum affordability period shall be 15 years. The guidelines shall describe the conditions under which the participating jurisdictions will refinance existing debt. At minimum, the guidelines must:

(i) Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing;

(ii) Require a review of management practices to demonstrate that disinvestment in the property has not occurred, that the long term needs of the project can be met and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated;

(iii) State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both;

(iv) Specify the required period of affordability, whether it is the minimum 15 years or longer;

§ 92.206  

(v) Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(e)(2) or a Federally designated Empowerment Zone or Enterprise Community; and

(vi) State that HOME funds cannot be used to refinance multifamily loans made or insured by any Federal program, including CDBG.

(c) Acquisition costs. Costs of acquiring improved or unimproved real property, including acquisition by homebuyers.

(d) Related soft costs. Other reasonable and necessary costs incurred by the owner or participating jurisdiction and associated with the financing, or development (or both) of new construction, rehabilitation or acquisition of housing assisted with HOME funds. These costs include, but are not limited to:

(1) Architectural, engineering or related professional services required to prepare plans, drawings, specifications, or work write-ups.

(2) Costs to process and settle the financing for a project, such as private lender origination fees, credit reports, fees for title evidence, fees for recordation and filing of legal documents, building permits, attorneys fees, private appraisal fees and fees for an independent cost estimate, builders or developers fees.

(3) Costs of a project audit that the participating jurisdiction may require with respect to the development of the project.

(4) Costs to provide information services such as affirmative marketing and fair housing information to prospective homeowners and tenants as required by §92.351.

(5) For new construction or rehabilitation, the cost of funding an initial operating deficit reserve, which is a reserve to meet any shortfall in project income during the period of project rent-up (not to exceed 18 months) and which may only be used to pay project operating expenses, scheduled payments to a replacement reserve, and debt service. Any HOME funds placed in an operating deficit reserve that remain unexpended after the period of project rent-up may be retained for project reserves if permitted by the participating jurisdiction.

(6) Staff and overhead costs directly related to carrying out the project, such as work specifications preparation, loan processing inspections, and other services related to assisting potential owners, tenants, and homebuyers, e.g., housing counseling, may be charged to project costs only if the project is funded and the individual becomes the owner or tenant of the HOME-assisted project. For multi-unit projects, such costs must be allocated among HOME-assisted units in a reasonable manner and documented.

(7) For both new construction and rehabilitation, costs for the payment of impact fees that are charged for all projects within a jurisdiction.

(8) Costs of environmental review and release of funds in accordance with 24 CFR part 58 which are directly related to the project.

(e) Community housing development organization costs. Eligible costs of project-specific assistance are set forth in §92.301.

(f) Relocation costs. The cost of relocation payments and other relocation assistance to persons displaced by the project are eligible costs.

(1) Relocation payments include replacement housing payments, payments for moving expenses, and payments for reasonable out-of-pocket costs incurred in the temporary relocation of persons.

(2) Other relocation assistance means staff and overhead costs directly related to providing advisory and other relocation services to persons displaced by the project, including timely written notices to occupants, referrals to comparable and suitable replacement property, property inspections, counseling, and other assistance necessary to minimize hardship.

(g) Costs relating to payment of loans. If the HOME funds are not used to directly pay a cost specified in this section, but are used to pay off a construction loan, bridge financing loan, or guaranteed loan, the payment of principal and interest for such loan is an eligible cost only if:

(1) The loan was used for eligible costs specified in this section, and
(2) The HOME assistance is part of the original financing for the project and the project meets the requirements of this part.

§92.207 Eligible administrative and planning costs.

A participating jurisdiction may expend, for payment of reasonable administrative and planning costs of the HOME program, an amount of HOME funds that is not more than ten percent of the fiscal year HOME basic formula allocation plus any funds received in accordance with §92.102(b) to meet or exceed participation threshold requirements that fiscal year. A State that transfers any HOME funds in accordance with §92.102(b) must exclude these funds in calculating the amount it may expend for administrative and planning costs. A participating jurisdiction may also use up to ten percent of the program income deposited in its local HOME account during the program year, for administrative and planning costs. Reasonable administrative and planning costs include:

(a) General management, oversight and coordination. Reasonable costs of overall program management, coordination, monitoring, and evaluation. Such costs include, but are not limited to, necessary expenditures for the following:

(1) Salaries, wages, and related costs of the participating jurisdiction's staff. In charging costs to this category the participating jurisdiction may either include the entire salary, wages, and related costs allocable to the program of each person whose primary responsibilities with regard to the program involves program administration assignments, or the prorated share of the salary, wages, and related costs of each person whose job includes any program administration assignments. The participating jurisdiction may use only one of these methods. Program administration includes the following types of assignments:

(i) Developing systems and schedules for ensuring compliance with program requirements;

(ii) Developing interagency agreements and agreements with entities receiving HOME funds;

(iii) Monitoring HOME-assisted housing for progress and compliance with program requirements;

(iv) Developing agreements and monitoring housing not assisted with HOME funds that the participating jurisdiction designates as a matching contribution in accordance with §92.219(b) for compliance with applicable program requirements;

(v) Preparing reports and other documents related to the program for submission to HUD;

(vi) Coordinating the resolution of audit and monitoring findings;

(vii) Evaluating program results against stated objectives; and

(viii) Managing or supervising persons whose primary responsibilities with regard to the program include such assignments as those described in paragraphs (a)(1)(i) through (vii) of this section;

(2) Travel costs incurred for official business in carrying out the program;

(3) Administrative services performed under third party contracts or agreements, including such services as general legal services, accounting services, and audit services;
§ 92.208 Other costs for goods and services required for administration of the program, including such goods and services as rental or purchase of equipment, insurance, utilities, office supplies, and rental or maintenance (but not purchase) of office space; and
(5) Costs of administering tenant-based rental assistance programs.

(b) Staff and overhead. Staff and overhead costs directly related to carrying out the project, such as work specifications preparation, loan processing, inspections, and other services related to assisting potential owners, tenants, and homebuyers (e.g., housing counseling); and staff and overhead costs directly related to providing advisory and other relocation services to persons displaced by the project, including timely written notices to occupants, referrals to comparable and suitable replacement property, property inspections, counseling, and other assistance necessary to minimize hardship. These costs may be charged as administrative costs or as project costs under §92.206(d)(6) and (f)(2), at the discretion of the participating jurisdiction.

(c) Public information. The provision of information and other resources to residents and citizen organizations participating in the planning, implementation, or assessment of projects being assisted with HOME funds.

(d) Fair housing. Activities to affirmatively further fair housing in accordance with the participating jurisdiction’s certification under 24 CFR part 91.

(e) Indirect Costs. Indirect costs may be charged to the HOME program under a cost allocation plan prepared in accordance with OMB Circulars A-87 or A-122 as applicable.

(f) Preparation of the consolidated plan. Preparation of the consolidated plan required under 24 CFR part 91. Preparation includes the costs of public hearings, consultations, and publication.

(g) Other Federal requirements. Costs of complying with the Federal requirements in subpart H of this part. Project-specific environmental review costs may be charged as administrative costs or as project costs in accordance with §92.206(d)(8), at the discretion of the participating jurisdiction.

§ 92.208 Eligible community housing development organization (CHDO) operating expense and capacity building costs.

(a) Up to 5 percent of a participating jurisdiction’s fiscal year HOME allocation may be used for the operating expenses of community housing development organizations (CHDOs). These funds may not be used to pay operating expenses incurred by a CHDO acting as a subrecipient or contractor under the HOME Program. Operating expenses means reasonable and necessary costs for the operation of the community housing development organization. Such costs include salaries, wages, and other employee compensation and benefits; employee education, training, and travel; rent; utilities; communication costs; taxes; insurance; equipment; materials and supplies. The requirements and limitations on the receipt of these funds by CHDOs are set forth in §92.300(e) and (f).

(b) HOME funds may be used for capacity building costs under §92.300(b).

§ 92.209 Tenant-based rental assistance: Eligible costs and requirements.

(a) Eligible costs. Eligible costs are the rental assistance and security deposit payments made to provide tenant-based rental assistance for a family pursuant to this section. Administration of tenant-based rental assistance is eligible only under general management oversight and coordination at §92.207(a).

(b) General requirement. A participating jurisdiction may use HOME funds for tenant-based rental assistance only if the participating jurisdiction makes the certification about inclusion of this type of assistance in its consolidated plan in accordance with 24 CFR 91.225(d)(1), 91.325(d)(1), or 91.425(a)(2)(ii), and specifies local market conditions that lead to the choice of this option.

(c) Tenant selection. The participating jurisdiction must select families in accordance with written tenant selection policies and criteria that are consistent with the following:

(1) Low-income families. Tenant-based rental assistance may only be provided to very low- and low-income families.
The participating jurisdiction must determine that the family is very low- or low-income before the assistance is provided. During the period of assistance, the participating jurisdiction must annually determine that the family continues to be low-income.

(2) Federal preferences. At least 50 percent of the families assisted must qualify, or would qualify in the near future without tenant-based rental assistance, for one of the three Federal preferences under section 6(c)(4)(A) of the 1937 Act. These are families that occupy substandard housing (including families that are homeless or living in a shelter for homeless families); families that are paying more than 50 percent of their annual income for rent; or families that are involuntarily displaced. (During FY 1996 and FY 1997, the Federal preferences do not apply.)

(3) Preferences for Individuals with Special Needs.
   (i) The participating jurisdiction may establish a preference for individuals with special needs. The participating jurisdiction may offer, in conjunction with a tenant-based rental assistance program, particular types of non-mandatory services that may be most appropriate for persons with a special need or a particular disability. Generally, tenant-based rental assistance and the related services should be made available to all persons with special needs or disabilities who can benefit from such services.
   (ii) The participating jurisdiction may also provide a preference for a specific category of individuals with disabilities (e.g., persons with HIV/AIDS or chronic mental illness) if the specific category is identified in the participating jurisdiction's consolidated plan as having unmet need and the preference is needed to narrow the gap in benefits and services received by such persons.
   (iii) Preferences cannot be administered in a manner that limits the opportunities of persons on any basis prohibited by the laws listed under 24 CFR 5.105(a). For example, a participating jurisdiction may not determine that persons given a preference under the program are therefore prohibited from applying for or participating in other programs or forms of assistance.
   (iv) To the extent that a participating jurisdiction is operating a tenant-based rental assistance program targeted exclusively to individuals with special needs or disabilities or to a specific category of individuals with special needs or disabilities, at least 50% of the individuals must qualify or would qualify in the near future for one of the three Federal preferences as described in paragraph (c)(2) of this section.

(4) Existing tenants in the HOME-assisted projects. A participating jurisdiction may select low-income families currently residing in housing units that are designated for rehabilitation or acquisition under the participating jurisdiction's HOME program without requiring that the family meet the requirements of paragraph (c)(2) of this section. Families so selected may use the tenant-based assistance in the rehabilitated or acquired housing unit or in other qualified housing.

(d) Portability of assistance. A participating jurisdiction may require the family to use the tenant-based assistance within the participating jurisdiction's boundaries or may permit the family to use the assistance outside its boundaries.

(e) Term of rental assistance contract. The term of the rental assistance contract providing assistance with HOME funds may not exceed 24 months, but may be renewed, subject to the availability of HOME funds. The term of the rental assistance contract must begin on the first day of the term of the lease. For a rental assistance contract between a participating jurisdiction and an owner, the term of the contract must terminate on termination of the lease. For a rental assistance contract between a participating jurisdiction and a family, the term of the contract need not end on termination of the lease, but no payments may be made after termination of the lease until a family enters into a new lease.

(f) Rent reasonableness. The participating jurisdiction must disapprove a lease if the rent is not reasonable, based on rents that are charged for comparable unassisted rental units.

(g) Tenant protections. The lease must comply with the requirements in §92.253 (a) and (b).
§ 92.212

24 CFR Subtitle A (4–1–00 Edition)

(h) Maximum subsidy. (1) The amount of the monthly assistance that a participating jurisdiction may pay to, or on behalf of, a family may not exceed the difference between a rent standard for the unit size established by the participating jurisdiction and 30 percent of the family’s monthly adjusted income.

(2) The participating jurisdiction must establish a minimum tenant contribution to rent.

(3) The participating jurisdiction’s rent standard for a unit size must be based on:

(i) Local market conditions; or

(ii) For each unit size, may not be less than 80 percent of the published Section 8 Existing Housing fair market rent (in effect when the payment standard amount is adopted) nor more than the fair market rent or HUD-approved community-wide exception rent (in effect when the participating jurisdiction adopts its rent standard amount). (Community-wide exception rents are maximum gross rents approved by HUD for the Rental Certificate Program under 24 CFR 882.106(a)(3) for a designated municipality, county, or similar locality, which apply to the whole PHA jurisdiction.) A participating jurisdiction may approve on a unit-by-unit basis a subsidy based on a rent standard that exceeds the applicable fair market rent by up to 10 percent for 20 percent of units assisted.

(i) Housing quality standards. Housing occupied by a family receiving tenant-based assistance under this section must meet the requirements set forth in 24 CFR 982.401. The participating jurisdiction must inspect the housing initially and re-inspect it annually.

(2) Security deposits. (1) A participating jurisdiction may use HOME funds provided for tenant-based rental assistance to provide loans or grants to very low- and low-income families for security deposits for rental of dwelling units whether or not the participating jurisdiction provides any other tenant-based rental assistance under this section.

(2) The relevant State or local definition of “security deposit” in the jurisdiction where the unit is located is applicable for the purposes of this part, except that the amount of HOME funds that may be provided for a security deposit may not exceed the equivalent of two month’s rent for the unit.

(3) Only the prospective tenant may apply for HOME security deposit assistance, although the participating jurisdiction may pay the funds directly to the tenant or to the landlord.

(4) HOME funds for security deposits may be provided as a grant or as a loan. If they are provided as a loan, the loan repayments are program income to be used in accordance with §92.503.

(5) Paragraphs (b), (c), (d), (f), (g), and (i) of this section are applicable to HOME security deposit assistance, except that income determinations pursuant to paragraph (c)(1) of this section and Housing Quality Standard inspections pursuant to paragraph (i) of this section are required only at the time the security deposit assistance is provided.

(k) Program operation. A tenant-based rental assistance program must be operated consistent with the requirements of this section. The participating jurisdiction may operate the program itself, or may contract with a PHA or other entity with the capacity to operate a rental assistance program. The tenant-based rental assistance may be provided through an assistance contract to an owner that leases a unit to an assisted family or directly to the family. In either case, the participating jurisdiction (or entity operating the program) must approve the lease.

(l) Use of Section 8 assistance. In any case where assistance under section 8 of the 1937 Act becomes available to a participating jurisdiction, recipients of tenant-based rental assistance under this part will qualify for tenant selection preferences to the same extent as when they received the tenant-based rental assistance under this part.

§ 92.212 Pre-award costs.

(a) General. Before the effective date of the HOME Investment Partnership Agreement, the participating jurisdiction may incur costs which may be charged to the HOME allocation after the award of the HOME allocation, provided the costs are in compliance with
the requirements of this part (including environmental review requirements) and with the statutory and regulatory requirements in effect at the time the costs are charged to the HOME allocation.

(b) Administrative and planning costs. Eligible administrative and planning costs may be incurred as of the beginning of the participating jurisdiction’s consolidated program year (see 24 CFR 91.10) or the date the consolidated plan describing the HOME allocation to which the costs will be charged is received by HUD, whichever is later.

(c) Project costs. Eligible project costs may be incurred during the current program year in an amount not to exceed 25% of the current HOME allocation amount, to be charged to the following year’s HOME allocation. Before incurring the pre-award costs, the participating jurisdiction must comply with its citizen participation plan requirements addressing 24 CFR 91.105(b)(2), (4), (5) and (g) (local governments) or 24 CFR 91.115(b)(2), (4), (5) and (f) (States). In lieu of a full action plan, the participating jurisdiction may develop a mini-action plan which describes the proposed pre-award projects and costs in accordance with 24 CFR 91.120(c) and includes, if applicable, 24 CFR 91.120(g)(2) (local governments) or 24 CFR 91.320(c) and, if applicable, 24 CFR 91.320(g)(2) (States). The mini-action plan must state that HOME funding for the project(s) is subject to the future availability of HOME funds. The subsequent action plan (i.e., action plan for the HOME allocation to which the costs will be charged) must also include the use of HOME funds contained in the mini-action plan.

(d) Subrecipient or State recipient costs. The participating jurisdiction may authorize its subrecipient or State recipient to incur pre-award costs in accordance with the requirements of this section. The authorization must be in writing.

(e) Other pre-agreement costs. Pre-agreement costs in excess of the amount set forth in paragraph (c) of this section must be approved, in writing, by the HUD Field Office before the costs are incurred.

§ 92.213 [Reserved]

§ 92.214 Prohibited activities.

(a) HOME funds may not be used to:

(1) Provide project reserve accounts, except as provided in §92.206(d)(5), or operating subsidies;

(2) Provide tenant-based rental assistance for the special purposes of the existing section 8 program, in accordance with section 212(d) of the Act;

(3) Provide non-federal matching contributions required under any other Federal program;

(4) Provide assistance authorized under section 9 of the 1937 Act (annual contributions for operation of public housing);

(5) Carry out activities authorized under 24 CFR part 968 (Public Housing Modernization);

(6) Provide assistance to eligible low-income housing under 24 CFR part 248 (Prepayment of Low Income Housing Mortgages), except that assistance may be provided to priority purchasers as defined in 24 CFR 248.101;

(7) Provide assistance (other than tenant-based rental assistance or assistance to a homebuyer to acquire housing previously assisted with HOME funds) to a project previously assisted with HOME funds during the period of affordability established by the participating jurisdiction in the written agreement under §92.504. However, additional HOME funds may be committed to a project up to one year after project completion (see §92.502), but the amount of HOME funds in the project may not exceed the maximum per-unit subsidy amount established under §92.250.

(8) Pay for the acquisition of property owned by the participating jurisdiction, except for property acquired by the participating jurisdiction with HOME funds, or property acquired in anticipation of carrying out a HOME project; or

(9) Pay for any cost that is not eligible under §§92.206 through 92.209.

(b) Participating jurisdictions may not charge monitoring, servicing and origination fees in HOME-assisted projects. However, participating jurisdictions may charge nominal application fees (although these fees are not
§ 92.215  

an eligible HOME cost) to project owners to discourage frivolous applications. Such fees are applicable credits under OMB Circular A-87.

§ 92.215 Limitation on jurisdictions under court order.

Limitations on the use of HOME funds in connection with litigation involving discrimination or fair housing are set forth in section 224 of the Act.

INCOME TARGETING

§ 92.216 Income targeting: Tenant-based rental assistance and rental units.

Each participating jurisdiction must invest HOME funds made available during a fiscal year so that, with respect to tenant-based rental assistance and rental units:

(a) Not less than 90 percent of:

(1) The families receiving such rental assistance are families whose annual incomes do not exceed 60 percent of the median family income for the area, as determined and made available by HUD with adjustments for smaller and larger families (except that HUD may establish income ceilings higher or lower than 60 percent of the median for the area on the basis of HUD's findings that such variations are necessary because of prevailing levels of construction cost or fair market rent, or unusually high or low family income) at the time of occupancy or at the time funds are invested, whichever is later; or

(2) The dwelling units assisted with such funds are occupied by families having such incomes; and

(b) The remainder of:

(1) The families receiving such rental assistance are households that qualify as low-income families (other than families described in paragraph (a)(1) of this section) at the time of occupancy or at the time funds are invested, whichever is later; or

(2) The dwelling units assisted with such funds are occupied by such households.

§ 92.217 Income targeting: Homeownership.

Each participating jurisdiction must invest HOME funds made available during a fiscal year so that with respect to homeownership assistance, 100 percent of these funds are invested in dwelling units that are occupied by households that qualify as low-income families at the time of occupancy or at the time funds are invested, whichever is later.

MATCHING CONTRIBUTION REQUIREMENT

§ 92.218 Amount of matching contribution.

(a) General. Each participating jurisdiction must make contributions to housing that qualifies as affordable housing under the HOME program, throughout a fiscal year. The contributions must total not less than 25 percent of the funds drawn from the jurisdiction’s HOME Investment Trust Fund Treasury account in that fiscal year, excluding funds drawn for purposes identified in paragraph (c) of this section.

(b) Shortfall amount from State or local resources. Amounts made available under § 92.102(b)(2) from the resources of a State (other than a transfer of the State’s formula allocation), the local participating jurisdiction, or both, to enable the local participating jurisdiction to meet the participation threshold amount are not required to be matched and do not constitute matching contributions.

(c) HOME funds not required to be matched. HOME funds used for administrative and planning costs (pursuant to § 92.207); community housing development organization operating expenses (pursuant to § 92.208); capacity building (pursuant to § 92.300(b)) of community housing development organizations; and project specific assistance to community housing development organizations (pursuant to § 92.301) when the participating jurisdiction waives repayment under the provisions of § 92.301(a)(3) or § 92.301(b)(3) are not required to be matched.

(d) Match contribution for other programs. Contributions that have been or will be counted as satisfying a matching requirement of another Federal
Office of the Secretary, HUD

§ 92.219 Recognition of matching contribution.

(a) Match contribution to HOME-assisted housing. A contribution is recognized as a matching contribution if it is made with respect to:

(1) A tenant who is assisted with HOME funds;
(2) A HOME-assisted unit;
(3) The portion of a project that is not HOME-assisted provided that at least 50 percent of the housing units in the project are HOME-assisted. If the match contribution to the portion of the project that is not HOME-assisted meets the affordable housing requirements of §92.219(b)(2), the percentage requirement for HOME-assisted units does not apply; or
(4) The commercial space in a mixed-use project in which at least 51 percent of the floor space is residential provided that at least 50 percent of the dwelling units are HOME-assisted.

(b) Match contribution to affordable housing that is not HOME-assisted. The following requirements apply for recognition of matching contributions made to affordable housing that is not HOME-assisted:

(1) For tenant-based rental assistance that is not HOME-assisted:
   (i) The contribution must be made with respect to a tenant who is assisted with tenant-based rental assistance that meets the requirements of §92.203 (Income determinations) and paragraphs (a), (c), (f), and (i) of §92.209 (Tenant-based rental assistance); and
   (ii) The participating jurisdiction must demonstrate in writing that such assistance meets the provisions of §§92.203 and 92.209 (except §92.209(e)).
(2) For affordable housing that is not HOME-assisted:
   (i) The contribution must be made with respect to housing that qualifies as affordable housing under §§92.252 or §92.254.
   (ii) The participating jurisdiction or its instrumentality must execute, with the owner of the housing (or, if the participating jurisdiction is the owner, with the manager or developer), a written agreement that imposes and enumerates all of the affordability requirements from §§92.252 and §§92.253(a) and (b) (Tenant protections), or §92.254, whichever are applicable; the property standards requirements of §92.251; and income determinations made in accordance with §92.203. This written agreement must be executed before any match contributions may be made.
   (iii) A participating jurisdiction must establish a procedure to monitor HOME match-eligible housing to ensure continued compliance with the requirements of §§92.203 (Income determinations), 92.252 (Qualification as affordable housing: Rental housing), 92.253(a) and (b) (Tenant protections) and 92.254 (Qualification as affordable housing: Homeownership). No other HOME requirements apply.
   (iv) The match may be in any eligible form of match except those in §92.220(a)(2) (forbearance of fees), (a)(4) (on-site and off-site infrastructure), (a)(10) (direct cost of supportive services) and (a)(11) (direct costs of homebuyer counseling services).
(5) Match contributions to mixed-use or mixed-income projects that contain affordable housing units will be recognized only if the contribution is made to the project’s affordable housing units.

§ 92.220 Form of matching contribution.

(a) Eligible forms. Matching contributions must be made from nonfederal resources and may be in the form of one or more of the following:

(1) Cash contributions from nonfederal sources. To be recognized as a cash contribution, funds must be contributed permanently to the HOME program (or to affordable housing not assisted with HOME funds), regardless of the form of investment provided to the project. Therefore, to receive match credit for the full amount of a loan to a HOME project, all repayment, interest, or other return on investment of the contribution must be deposited in the local account of the participating jurisdiction’s HOME Investment Trust Fund to be used for eligible HOME activities in accordance with the requirements of this part. A cash contribution
§ 92.220  

24 CFR Subtitle A (4–1–00 Edition)  

24 CFR Subtitle A (4–1–00 Edition)  

to affordable housing that is not assisted with HOME funds must be contributed permanently to the project. Repayments of matching contributions in affordable housing projects, as defined in §92.219(b), that are not HOME-assisted, must be made to the local account of the participating jurisdiction’s HOME Investment Trust Fund to get match credit for the full loan amount.

(i) A cash contribution may be made by the participating jurisdiction, non-Federal public entities, private entities, or individuals, except as prohibited under paragraph (b)(4) of this section. A cash contribution made to a nonprofit organization for use in a HOME project may be counted as a matching contribution.

(ii) A cash contribution may be made from program income (as defined by 24 CFR 85.25(b)) from a Federal grant earned after the end of the award period if no Federal requirements govern the disposition of the program income. Included in this category are repayments from closed out grants under the Urban Development Action Grant Program (24 CFR part 570, subpart G) and the Housing Development Grant Program (24 CFR part 850), and from the Rental Rehabilitation Grant Program (24 CFR part 511) after all fiscal year Rental Rehabilitation grants have been closed out.

(iii) The grant equivalent of a below-market interest rate loan to the project that is not repayable to the participating jurisdiction’s HOME Investment Trust Fund may be counted as a cash contribution, as follows:

(A) If the loan is made from funds borrowed by a jurisdiction or public agency or corporation the contribution is the present discounted cash value of the difference between the payments to be made on the borrowed funds and payments to be received from the loan to the project based on a discount rate equal to the interest rate on the borrowed funds.

(B) If the loan is made from funds other than funds borrowed by a jurisdiction or public agency or corporation, the contribution is the present discounted cash value of the yield foregone. In determining the yield foregone, the participating jurisdiction must use as a measure of a market rate yield one of the following, as appropriate:

(1) With respect to one- to four-unit housing financed with a fixed interest rate mortgage, a rate equal to the 10-year Treasury note rate plus 200 basis points;

(2) With respect to one- to four-unit housing financed with an adjustable interest rate mortgage, a rate equal to the one-year Treasury bill rate plus 250 basis points;

(3) With respect to a multifamily project, a rate equal to the 10-year Treasury note rate plus 300 basis points; or

(4) With respect to housing receiving financing for rehabilitation, a rate equal to the 10-year Treasury note rate plus 400 basis points.

(iv) Proceeds of bonds that are not repaid with revenue from an affordable housing project (e.g., general obligation bonds) and that are loaned to a HOME-assisted or other qualified affordable housing project constitute a cash contribution under this paragraph.

(v) A cash contribution may be counted as a matching contribution only if it is used for costs eligible under §§92.206 or 92.209, or for the following (which are not HOME eligible costs): the cost of removing and relocating an ECHO housing unit during the period of affordability in accordance with §92.258(d)(3)(ii), payments to a project reserve account beyond payments permitted by §92.206(d)(5), operating subsidies, or costs relating to the portion of a mixed-income or mixed-use HOME-assisted project not related to the affordable housing units.

(2) Forbearance of fees—(i) State and local taxes, charges or fees. The value (based on customary and reasonable means for establishing value) of State or local taxes, fees, or other charges that are normally and customarily imposed or charged by a State or local government on all transactions or projects in the conduct of its operations, which are waived, foregone, or deferred (including State low-income housing tax credits) in a manner that achieves affordability of HOME-assisted projects, may be counted as match. The amount of any real estate
taxes may be based on post-improvement property value. For taxes, fees, or charges that are forgiven for future years, the value is the present discounted cash value, based on a rate equal to the rate for the Treasury security with a maturity closest to the number of years for which the taxes, fees, or charges are waived, foregone, or deferred.

(ii) Other charges or fees. The value of fees or charges associated with the transfer or development of real estate that are normally and customarily imposed or charged by public or private entities, which are waived or foregone, in whole or in part, in a manner that achieves affordability of HOME-assisted projects, may be counted as match. Fees and charges under this paragraph do not include fees or charges for legal or other professional services; professional services which are donated, in whole or in part, are an eligible matching contribution in accordance with paragraph (a)(7) of this section.

(iii) Fees or charges that are associated with the HOME Program only (rather than normally and customarily imposed or charged on all transactions or projects) are not eligible forms of matching contributions.

(3) Donated Real Property. The value, before the HOME assistance is provided and minus any debt burden, lien, or other encumbrance, of donated land or other real property may be counted as match. The donation may be made by the participating jurisdiction, non-Federal public entities, private entities, or individuals, except as prohibited under paragraph (b)(4) of this section.

(i) Donated property not acquired with Federal resources is a contribution in the amount of 100% of the value.

(ii) Donated property acquired with Federal assistance may provide a partial contribution as follows. The property must be acquired with Federal assistance specifically for a HOME project (or for affordable housing that will be counted as match pursuant to §92.219(b)(2)). The property must be acquired with the Federal assistance at demonstrably below the appraised value and must be acknowledged by the seller as a donation to affordable hous-
and construction materials is to be determined in accordance with the participating jurisdiction's cost estimate procedures.

(7) The reasonable rental value of the donated use of site preparation or construction equipment.

(8) The value of donated or voluntary labor or professional services (see §92.354(b)) in connection with the provision of affordable housing. A single rate established by HUD shall be applicable for determining the value of unskilled labor. The value of skilled labor or professional services shall be determined by the rate that the individual or entity performing the labor or service normally charges.

(9) The value of sweat equity (see §92.354(c)) provided to a homeownership project, under an established component of a participating jurisdiction's program, up until the time of project completion (i.e., submission of a project completion form). Such labor shall be valued at the rate established for unskilled labor at paragraph (a)(8) of this section.

(10) The direct cost of supportive services provided to families residing in HOME-assisted units during the period of affordability or receiving HOME tenant-based rental assistance during the term of the tenant-based rental assistance contract. The supportive services must be necessary to facilitate independent living or be required as part of a self-sufficiency program. Examples of supportive services include: case management, mental health services, assistance with the tasks of daily living, substance abuse treatment and counseling, day care, and job training and counseling.

(11) The direct cost of homebuyer counseling services provided to families that acquire properties with HOME funds under the provisions of §92.254(a), including ongoing counseling services provided during the period of affordability. These services may be provided as part of a homebuyer counseling program that is not specific to the HOME Program, but only the cost of services to families that complete purchases with HOME assistance may be counted as match.

(b) Ineligible forms. The following are examples that do not meet the requirements of paragraph (a) of this section and do not count toward meeting a participating jurisdiction's matching contribution requirement:

(1) Contributions made with or derived from Federal resources or funds, regardless of when the Federal resources or funds were received or expended. CDBG funds (defined in 24 CFR 570.3) are Federal funds for this purpose;

(2) The interest rate subsidy attributable to the Federal tax-exemption on financing or the value attributable to Federal tax credits;

(3) Owner equity or investment in a project; and

(4) Cash or other forms of contributions from applicants for or recipients of HOME assistance or contracts, or investors who own, are working on, or are proposing to apply for assistance for a HOME-assisted project. The prohibition in this paragraph (b)(4) does not apply to contractors (who do not own any HOME project) contributing professional services in accordance with paragraph (a)(8) of this section or to persons contributing sweat equity in accordance with paragraph (a)(9) of this section.

§92.221 Match credit.

(a) When credit is given. Contributions are credited on a fiscal year basis at the time the contribution is made, as follows:

(1) A cash contribution is credited when the funds are expended.

(2) The grant equivalent of a below-market interest rate loan is credited at the time of the loan closing.

(3) The value of state or local taxes, fees, or other charges that are normally and customarily imposed but are waived, foregone, or deferred is credited at the time the state or local government or other public or private entity officially waives, forgives, or defers the taxes, fees, or other charges and notifies the project owner.

(b) Ineligible forms. The following are examples that do not meet the requirements of paragraph (a) of this section and do not count toward meeting a participating jurisdiction's matching contribution requirement:

(1) Contributions made with or derived from Federal resources or funds, regardless of when the Federal resources or funds were received or expended. CDBG funds (defined in 24 CFR 570.3) are Federal funds for this purpose;

(2) The interest rate subsidy attributable to the Federal tax-exemption on financing or the value attributable to Federal tax credits;

(3) Owner equity or investment in a project; and

(4) Cash or other forms of contributions from applicants for or recipients of HOME assistance or contracts, or investors who own, are working on, or are proposing to apply for assistance for a HOME-assisted project. The prohibition in this paragraph (b)(4) does not apply to contractors (who do not own any HOME project) contributing professional services in accordance with paragraph (a)(8) of this section or to persons contributing sweat equity in accordance with paragraph (a)(9) of this section.

Office of the Secretary, HUD § 92.222

(5) The cost of investment in infrastructure directly required for HOME-assisted projects is credited at the time funds are expended for the infrastructure or at the time the HOME funds are committed to the project if the infrastructure was completed before the commitment of HOME funds.

(6) The value of donated material is credited as match at the time it is used for affordable housing.

(7) The value of the donate use of site preparation or construction equipment is credited as match at the time the equipment is used for affordable housing.

(8) The value of donated or voluntary labor or professional services is credited at the time the work is performed.

(9) A loan made from bond proceeds under § 92.220(a)(5) is credited at the time of the loan closing.

(10) The direct cost of social services provided to residents of HOME-assisted units is credited at the time that the social services are provided during the period of affordability.

(11) The direct cost of homebuyer counseling services provided to families that purchase HOME-assisted units is credited at the time that the homebuyer purchases the unit or for post-purchase counseling services, at the time the counseling services are provided.

(b) Excess match. Contributions made in a fiscal year that exceed the participating jurisdiction’s match liability for the fiscal year in which they were made may be carried over to subsequent fiscal years as excess match, subject to the annual 25 percent limitation.

(c) Credit for match contributions shall be assigned as follows:

(1) For HOME-assisted projects involving more than one participating jurisdiction, the participating jurisdiction that makes the match contribution may decide to retain the match credit or permit the other participating jurisdiction to claim the credit.

(2) For HOME match contributions to affordable housing that is not HOME-assisted (match pursuant to §92.219(b)) involving more than one participating jurisdiction, the participating jurisdiction that makes the match contribution receives the match credit.

(3) A State that provides non-Federal funds to a local participating jurisdiction to be used for a contribution to affordable housing, whether or not HOME-assisted, may take the match credit for itself or may permit the local participating jurisdiction to receive the match credit.

§ 92.222 Reduction of matching contribution requirement.

(a) Reduction for fiscal distress. HUD will determine match reductions annually.

(1) Distress criteria for local government participating jurisdictions. If a local government participating jurisdiction satisfies both of the distress factors in paragraphs (a)(1)(i) and (ii) of this section, it is in severe fiscal distress and its match requirement will be reduced by 100% for the period specified in paragraph (a)(3) of this section. If a local government participating jurisdiction satisfies either distress factor in paragraphs (a)(1)(i) or (ii) of this section, it is in fiscal distress and its match requirement will be reduced by 50 percent, for the period specified in paragraph (a)(4) of this section.

(2) Distress criteria for participating jurisdictions that are States. If a State satisfies at least 2 of the 3 distress factors in paragraphs (a)(2)(i) through (iii) of this section, it is in severe fiscal distress and its match requirement will be reduced by 100% for the period specified in paragraph (a)(3) of this section. If a
§ 92.250

State satisfies any 1 of the 3 distress factors in paragraphs (a)(2)(i) through (iii) of this section, it is in fiscal distress and its match requirement will be reduced by 50 percent, for the period specified in paragraph (a)(4) of this section.

(i) Poverty rate. The average poverty rate in the State was equal to or greater than 125 percent of the average national poverty rate during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(ii) Per capita income. The average per capita income in the State was less than 75 percent of the average national per capita income, during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(iii) Personal income growth. The average personal income growth rate in the State over the most recent four quarters for which the data are available was less than 75 percent of the average national personal income growth rate during that period, as determined according to information from the Bureau of Economic Analysis.

(3) Period of match reduction for severe fiscal distress. A 100% match reduction is effective for the fiscal year in which the severe fiscal distress determination is made and for the following fiscal year.

(4) Period of match reduction for fiscal distress. A 50% match reduction is effective for the fiscal year in which the fiscal distress determination is made and for the following fiscal year, except that if a severe fiscal distress determination is published in that following fiscal year, the participating jurisdiction starts a new two-year match reduction period in accordance with the provisions of paragraph (a)(3) of this section.

Subpart F—Project Requirements

§ 92.250 Maximum per-unit subsidy amount and subsidy layering.

(a) Maximum per-unit subsidy amount. The amount of HOME funds that a participating jurisdiction may invest on a per-unit basis in affordable housing may not exceed the per-unit dollar limits established under section 221(d)(3)(ii) of the National Housing Act (12 U.S.C. 1715l(d)(3)(ii)) for elevator-type projects that apply to the area in which the housing is located. These limits are available from the Multi-family Division in the HUD Field Office. If the participating jurisdiction’s per-unit subsidy amount has already been increased to 210% as permitted under section 221(d)(3)(ii) of the National Housing Act, upon request of the Field Office, HUD will allow the per-unit subsidy amount to be increased on a program-wide basis to an amount, up to 240% of the original per unit limits.

(b) Subsidy layering. Before committing funds to a project, the participating jurisdiction must evaluate the project in accordance with guidelines that it has adopted for this purpose and will not invest any more HOME funds, in combination with other governmental assistance, than is necessary to provide affordable housing.

§ 92.251 Property standards.

(a) (1) Housing that is constructed or rehabilitated with HOME funds must meet all applicable local codes, rehabilitation standards, ordinances, and zoning ordinances at the time of project completion, except as provided in paragraph (b) of this section. The participating jurisdiction must have written standards for rehabilitation that ensure that HOME-assisted housing is decent, safe, and sanitary. In the absence of a local code for new construction or rehabilitation, HOME-assisted new construction or rehabilitation must meet, as applicable, one of three model codes: Uniform Building Code (ICBO), National Building Code (BOCA), Standard (Southern) Building Code (SBCCI); or the Council of American Building Officials (CABO) one or two family code; or the Minimum Property Standards (MPS) in 24 CFR 200.925 or 200.926. To avoid duplicative inspections when FHA financing is involved in a HOME-assisted property, a participating jurisdiction may rely on a Minimum Property Standards (MPS) inspection performed by a qualified person. Newly constructed housing must meet the current edition of the Model Energy Code published by the Council of American Building Officials.

(2) All other HOME-assisted housing (e.g., acquisition) must meet all applicable State and local housing quality standards and code requirements and if there are no such standards or code requirements, the housing must meet the housing quality standards in 24 CFR 982.401.

(3) The housing must meet the accessibility requirements at 24 CFR part 36, which implements Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and covered multifamily dwellings, as defined at 24 CFR 100.201, must also meet the design and construction requirements at 24 CFR 100.205, which implement the Fair Housing Act (42 U.S.C. 3601-3619).

(4) Construction of all manufactured housing must meet the Manufactured Home Construction and Safety Standards established in 24 CFR part 3280. These standards pre-empt State and local codes covering the same aspects of performance for such housing. Participating jurisdictions providing HOME assistance to install manufactured housing units must comply with applicable State and local laws or codes. In the absence of such laws or codes, the participating jurisdiction must comply with the manufacturer's written instructions for installation of manufactured housing units. Manufactured housing that is rehabilitated using HOME funds must meet the requirements set out in paragraph (a)(1) of this section.

(b) The following requirements apply to housing for homeownership that is to be rehabilitated after transfer of the ownership interest:

(1) Before the transfer of the homeownership interest, the participating jurisdiction must:

(i) Inspect the housing for any defects that pose a danger to health; and

(ii) Notify the prospective purchaser of the work needed to cure the defects and the time by which defects must be cured and applicable property standards met.

(2) The housing must be free from all noted health and safety defects before occupancy and not later than 6 months after the transfer.

(3) The housing must meet the property standards in paragraph (a)(1) of this section not later than 2 years after transfer of the ownership interest.

(c) An owner of rental housing assisted with HOME funds must maintain the housing in compliance with all applicable State and local housing quality standards and code requirements and if there are no such standards or code requirements, the housing must meet the housing quality standards in 24 CFR 982.401.

(d) All housing occupied by tenants receiving HOME tenant-based rental assistance must meet the housing quality standards in 24 CFR 982.401.

§ 92.252 Qualification as affordable housing: Rental housing.

The HOME-assisted units in a rental housing project must be occupied only by households that are eligible as low-
income families and must meet the following requirements to qualify as affordable housing. The affordability requirements also apply to the HOME-assisted non-owner-occupied units in single-family housing purchased with HOME funds in accordance with §92.254.

(a) Rent limitation. HUD provides the following maximum HOME rent limits. The maximum HOME rents are the lesser of:

1. The fair market rent for existing housing for comparable units in the area as established by HUD under 24 CFR 888.111; or
2. A rent that does not exceed 30 percent of the adjusted income of a family whose annual income equals 65 percent of the median income for the area, as determined by HUD, with adjustments for number of bedrooms in the unit. The HOME rent limits provided by HUD will include average occupancy per unit and adjusted income assumptions.

(b) Additional Rent limitations. In rental projects with five or more HOME-assisted rental units, twenty (20) percent of the HOME-assisted units must be occupied by very low-income families and meet one of following rent requirements:

1. The rent does not exceed 30 percent of the annual income of a family whose income equals 50 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families. HUD provides the HOME rent limits which include average occupancy per unit and adjusted income assumptions. However, if the rent determined under this paragraph is higher than the applicable rent under paragraph (a) of this section, then the maximum rent for units under this paragraph is that calculated under paragraph (a) of this section.
2. The rent does not exceed 30 percent of the family’s adjusted income. If the unit receives Federal or State project-based rental subsidy and the very low-income family pays as a contribution toward rent not more than 30 percent of the family’s adjusted income, then the maximum rent (i.e., tenant contribution plus project-based rental subsidy) is the rent allowable under the Federal or State project-based rental subsidy program.

(c) Initial rent schedule and utility allowances. The participating jurisdiction must review and approve rents proposed by the owner for units subject to the maximum rent limitations in paragraphs (a) or (b) of this section. For all units subject to the maximum rent limitations in paragraphs (a) or (b) of this section for which the tenant is paying utilities and services, the participating jurisdiction must ensure that the rents do not exceed the maximum rent minus the monthly allowances for utilities and services.

(d) Nondiscrimination against rental assistance subsidy holders. The owner cannot refuse to lease HOME-assisted units to a certificate or voucher holder under 24 CFR part 982—Section 8 Tenant-Based Assistance: Unified Rule for Tenant-Based Assistance under the Section 8 Rental Certificate Program and the Section 8 Rental Voucher Program or to the holder of a comparable document evidencing participation in a HOME tenant-based rental assistance program because of the status of the prospective tenant as a holder of such certificate, voucher, or comparable HOME tenant-based assistance document.

(e) Periods of Affordability. The HOME-assisted units must meet the affordability requirements for not less than the applicable period specified in the following table, beginning after project completion. The affordability requirements apply without regard to the term of any loan or mortgage or the transfer of ownership. They must be imposed by deed restrictions, covenants running with the land, or other mechanisms approved by HUD, except that the affordability restrictions may terminate upon foreclosure or transfer in lieu of foreclosure. The participating jurisdiction may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before foreclosure or deed in lieu of foreclosure to preserve affordability. The affordability restrictions shall be revived according to the original terms.
(f) Subsequent rents during the affordability period. (1) The maximum HOME rent limits are recalculated on a periodic basis after HUD determines fair market rents and median incomes. HUD then provides the new maximum HOME rent limits to participating jurisdictions. Regardless of changes in fair market rents and in median income over time, the HOME rents for a project are not required to be lower than the HOME rent limits for the project in effect at the time of project commitment.

(2) The participating jurisdiction must provide project owners with information on updated HOME rent limits so that rents may be adjusted (not to exceed the maximum HOME rent limits in paragraph (f)(1) of this section) in accordance with the written agreement between the participating jurisdiction and the owner. Owners must annually provide the participating jurisdiction with information on rents and occupancy of HOME-assisted units to demonstrate compliance with this section.

(3) Any increase in rents for HOME-assisted units is subject to the provisions of outstanding leases, and in any event, the owner must provide tenants of those units not less than 30 days prior written notice before implementing any increase in rents.

(g) Adjustment of HOME rent limits for a particular project. (1) Changes in fair market rents and in median income over time should be sufficient to maintain the financial viability of a project within the HOME rent limits in this section.

(2) HUD may adjust the HOME rent limits for a project, only if HUD finds that an adjustment is necessary to support the continued financial viability of the project and only by an amount that HUD determines is necessary to maintain continued financial viability of the project. HUD expects that this authority will be used sparingly.

(h) Tenant income. The income of each tenant must be determined initially in accordance with §92.203(a)(1)(i). In addition, each year during the period of affordability the project owner must re-examine each tenant's annual income in accordance with one of the options in §92.203 selected by the participating jurisdiction. An owner of a multifamily project with an affordability period of 10 years or more who re-examines tenant's annual income through a statement and certification in accordance with §92.203(a)(1)(ii), must examine the income of each tenant, in accordance with §92.203(a)(1)(i), every sixth year of the affordability period. Otherwise, an owner who accepts the tenant's statement and certification in accordance with §92.203(a)(1)(ii) is not required to examine the income of tenants in multifamily or single-family projects unless there is evidence that the tenant's written statement failed to completely and accurately state information about the family's size or income.

(i) Over-income tenants. (1) HOME-assisted units continue to qualify as affordable housing despite a temporary noncompliance caused by increases in the incomes of existing tenants if actions satisfactory to HUD are being taken to ensure that all vacancies are filled in accordance with this section until the noncompliance is corrected.

(2) Tenants who no longer qualify as low-income families must pay as rent the lesser of the amount payable by the tenant under State or local law or 30 percent of the family's adjusted income, except that tenants of HOME-assisted units that have been allocated low-income housing tax credits by a housing credit agency pursuant to section 42 of the Internal Revenue Code of
§ 92.253 Tenant and participant protections.

(a) Lease. The lease between a tenant and an owner of rental housing assisted with HOME funds must be for not less than one year, unless by mutual agreement between the tenant and the owner.

(b) Prohibited lease terms. The lease may not contain any of the following provisions:

1. Agreement to be sued. Agreement by the tenant to be sued, to admit guilt, or to a judgment in favor of the owner in a lawsuit brought in connection with the lease;

2. Treatment of property. Agreement by the tenant that the owner may take, hold, or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit. The owner may dispose of this personal property in accordance with State law;

3. Excusing owner from responsibility. Agreement by the tenant not to hold the owner or the owner's agents legally responsible for any action or failure to act, whether intentional or negligent;

4. Waiver of notice. Agreement of the tenant that the owner may institute a lawsuit without notice to the tenant;

5. Waiver of legal proceedings. Agreement by the tenant that the owner may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties;

6. Waiver of a jury trial. Agreement by the tenant to waive any right to a trial by jury;

7. Waiver of right to appeal court decision. Agreement by the tenant to waive the tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease; and

8. Tenant chargeable with cost of legal actions regardless of outcome. Agreement by the tenant to pay attorney's fees or other legal costs even if the tenant wins in a court proceeding by the owner against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses.

(c) Termination of tenancy. An owner may not terminate the tenancy or refuse to renew the lease of a tenant of rental housing assisted with HOME funds except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable Federal, State, or local law; for completion of the tenancy period for transitional housing; or for other good cause. To terminate or refuse to renew tenancy, the owner must serve written notice upon the tenant specifying the grounds for the action at least 30 days before the termination of tenancy.

(d) Tenant selection. An owner of rental housing assisted with HOME funds must adopt written tenant selection policies and criteria that:

1. Are consistent with the purpose of providing housing for very low-income and low-income families;

2. Are reasonably related to program eligibility and the applicants' ability to perform the obligations of the lease;
(3) Give reasonable consideration to the housing needs of families that would have a Federal preference under section 6(c)(4)(A) of the 1937 Act (see §92.203(c)(2));

(4) Provide for the selection of tenants from a written waiting list in the chronological order of their application, insofar as is practicable; and

(5) Give prompt written notification to any rejected applicant of the grounds for any rejection.

§92.254 Qualification as affordable housing: Homeownership.

(a) Acquisition with or without rehabilitation. Housing that is for acquisition by a family must meet the affordability requirements of this paragraph (a).

(1) The housing must be single-family housing (1- to 4-family residence, condominium unit, cooperative unit, combination manufactured home and lot, or manufactured home lot).

(2) The housing must be modest housing as follows:

(i) In the case of acquisition of newly constructed housing or standard housing, the housing has a purchase price for the type of single family housing that does not exceed 95 percent of the median purchase price for the area, as described in paragraph (a)(2)(iii) of this section.

(ii) In the case of acquisition with rehabilitation, the housing has an estimated value after rehabilitation that does not exceed 95 percent of the median purchase price for the area, as described in paragraph (a)(2)(iii) of this section.

(iii) In the case of acquisition of newly constructed housing or standard housing, the housing has a purchase price for the type of single family housing that does not exceed 95 percent of the median purchase price for the area, as described in paragraph (a)(2)(iii) of this section.

(3) The housing must be acquired by a homebuyer whose family qualifies as a low-income family and the housing must be the principal residence of the family throughout the period described in paragraph (a)(4) of this section.

(b) Periods of affordability. The HOME-assisted housing must meet the affordability requirements for not less than the applicable period specified in the following table, beginning after project completion. The per unit amount of HOME funds and the affordability period that they trigger are described more fully in paragraphs (a)(5)(i) (resale) and (ii) (recapture) of this section.

(5) Resale and recapture. To ensure affordability, the participating jurisdiction must impose either resale or recapture requirements, at its option. The participating jurisdiction must establish the resale or recapture requirements that comply with the standards of this section and set forth the requirements in its consolidated plan. HUD must determine that they are appropriate.

(i) Resale. Resale requirements must ensure, if the housing does not continue to be the principal residence of the family for the duration of the period of affordability, that the housing is made available for subsequent purchase only to a buyer whose family qualifies as a low-income family and will use the property as its principal residence. The resale requirement must also ensure that the price at resale provides the original HOME-assisted owner a fair return on investment (including the homeowner’s investment and any capital improvement) and ensure that the housing will remain affordable to a reasonable range of low-income homebuyers. The period of affordability is based on the total amount of HOME funds invested in the housing.

(A) Except as provided in paragraph (a)(5)(i)(B) of this section, deed restrictions, covenants running with the land, or other similar mechanisms must be used as the mechanism to impose the resale requirements. The affordability restrictions may terminate upon occurrence of any of the following termination events: foreclosure, transfer in lieu of foreclosure or assignment of an FHA insured mortgage to HUD. The participating jurisdiction may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before foreclosure to preserve affordability. The affordability restrictions shall be revived according to the original terms if, during the original affordability period, the owner of record before the termination event, obtains an ownership interest in the housing.

(B) Certain housing may be presumed to meet the resale restrictions (i.e., the housing will be available and affordable to a reasonable range of low-income homebuyers; a low-income homebuyer will occupy the housing as the family’s principal residence; and the original owner will be afforded a fair return on investment) during the period of affordability without the imposition of enforcement mechanisms by the participating jurisdiction. The presumption must be based upon a market analysis of the neighborhood in which the housing is located. The market analysis must include an evaluation of the location and characteristics of the housing and residents in the neighborhood (e.g., sale prices, age and amenities of the housing stock, incomes of residents, percentage of owner occupants) in relation to housing and incomes in the housing market area. An analysis of the current and projected incomes of neighborhood residents for an average period of affordability for homebuyers in the neighborhood must support the conclusion that a reasonable range of low-income families will continue to qualify for mortgage financing. For example, an analysis shows that the housing is modestly priced within the housing market area and that families with incomes of 65% to 80% of area median can afford monthly payments under average FHA terms without other government assistance and housing will remain affordable at least during the next five to seven years compared to other housing in the market area; the size and amenities of the housing are modest and substantial rehabilitation will not significantly increase the market value; the neighborhood has housing that is not currently owned by the occupants, but the participating jurisdiction is encouraging homeownership in the neighborhood by providing homeownership assistance and by making improvements to the streets, sidewalks, and other public facilities and services. If a participating jurisdiction is preparing a neighborhood revitalization strategy.
under §91.215(e)(2) of its consolidated plan or Empowerment Zone or Enterprise Community application under 24 CFR part 597 has incorporated the type of market data described above, that submission may serve as the required analysis under this section. If the participating jurisdiction continues to provide homeownership assistance for housing in the neighborhood, it must periodically update the market analysis to verify the original presumption of continued affordability.

(ii) Recapture. Recapture provisions must ensure that the participating jurisdiction recoups all or a portion of the HOME assistance to the homebuyers, if the housing does not continue to be the principal residence of the family for the duration of the period of affordability. The participating jurisdiction may structure its recapture provisions based on its program design and market conditions. The period of affordability is based upon the total amount of HOME funds subject to recapture described in paragraph (a)(5)(ii)(A)(5) of this section.

(A) The following options for recapture requirements are acceptable to HUD. The participating jurisdiction may adopt, modify or develop its own recapture requirements for HUD approval.

(1) Recapture entire amount. The participating jurisdiction may recapture the entire amount of the HOME investment from the homeowner.

(2) Reduction during affordability period. The participating jurisdiction may reduce the HOME investment amount to be recaptured on a prorata basis for the time the homeowner has owned and occupied the housing measured against the required affordability period.

(3) Shared net proceeds. If the net proceeds are not sufficient to recapture the full HOME investment (or a reduced amount as provided for in paragraph (a)(5)(ii)(A)(2) of this section) plus enable the homeowner to recover the amount of the homeowner’s downpayment and any capital improvement investment made by the owner since purchase, the participating jurisdiction may share the net proceeds. The net proceeds are the sales price minus loan repayment (other than HOME funds) and closing costs. The net proceeds may be divided proportionally as set forth in the following mathematical formulas:

\[
\frac{\text{HOME investment}}{\text{HOME investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{HOME amount to be recaptured} \\
\frac{\text{HOME investment}}{\text{HOME investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{amount to homeowner}
\]

(4) Owner investment returned first. The participating jurisdiction may permit the homebuyer to recover the homebuyer’s entire investment (downpayment and capital improvements made by the owner since purchase) before recapturing the HOME investment.

(5) Amount subject to recapture. The HOME investment that is subject to recapture is based on the amount of HOME assistance that enabled the homebuyer to buy the dwelling unit. This includes any HOME assistance that reduced the purchase price from fair market value to an affordable price, but excludes the amount between the cost of producing the unit and the market value of the property (i.e., the development subsidy). The recaptured funds must be used to carry out HOME-eligible activities in accordance with the requirements of this part. If the HOME assistance is only used for the development subsidy and therefore not subject to recapture, the resale option must be used.

(6) Special considerations for single-family properties with more than one unit. If the HOME funds are only used to assist a low-income homebuyer to acquire one unit in single-family housing containing more than one unit and the assisted unit will be the principal
residence of the homebuyer, the affordability requirements of this section apply only to the assisted unit. If HOME funds are also used to assist the low-income homebuyer to acquire one or more of the rental units in the single-family housing, the affordability requirements of §92.252 apply to assisted rental units, except that the participating jurisdiction may impose resale or recapture restrictions on all assisted units (owner-occupied and rental units) in the single family housing. If resale restrictions are used, the affordability requirements on all assisted units continue for the period of affordability. If recapture restrictions are used, the affordability requirements on the assisted rental units may be terminated, at the discretion of the participating jurisdiction, upon recapture of the HOME investment. (If HOME funds are used to assist only the rental units in such a property then the requirements of §92.252 would apply and the owner-occupied unit would not be subject to the income targeting or affordability provisions of §92.254.)

(7) Lease-purchase. HOME funds may be used to assist homebuyers through lease-purchase programs. The housing must be purchased by a homebuyer within 36 months of signing the lease-purchase agreement. The homebuyer must qualify as a low-income family at the time the lease-purchase agreement is signed and at the time the housing is transferred if more than six months have elapsed since the participating jurisdiction determined that the family was income eligible. If HOME funds are used to acquire housing that will be resold to a homebuyer through a lease-purchase program, the HOME affordability requirements for rental housing in §92.252 shall apply if the housing is not transferred to a homebuyer within forty-two months after project completion.

(b) Rehabilitation not involving acquisition. Housing that is currently owned by a family qualifies as affordable housing only if:

(1) The estimated value of the property, after rehabilitation, does not exceed 95 percent of the median purchase price for the area, described in paragraph (a)(2)(iii) of this section; and

(2) The housing is the principal residence of an owner whose family qualifies as a low-income family at the time HOME funds are committed to the housing.

(c) Ownership interest. The ownership in the housing assisted under this section must meet the definition of ‘homeownership’ in §92.2.

(d) New construction without acquisition. Newly constructed housing that is built on property currently owned by a family which will occupy the housing upon completion, qualifies as affordable housing if it meets the requirements under paragraph (a) of this section.

§92.255 Converting rental units to homeownership units for existing tenants.

The participating jurisdiction may permit the owner of HOME-assisted rental units to convert the rental units to homeownership units by selling, donating, or otherwise conveying the units to the existing tenants to enable the tenants to become homeowners in accordance with the requirements of §92.254. If no additional HOME funds are used to enable the tenants to become homeowners, the homeownership units are subject to a minimum period of affordability equal to the remaining affordable period if the units continued as rental units. If additional HOME funds are used to directly assist the tenants to become homeowners, the minimum period of affordability is the affordability period under §92.254(a)(4), based on the amount of direct homeownership assistance provided.

§92.256 [Reserved]

§92.257 Religious organizations.

HOME funds may not be provided to primarily religious organizations, such as churches, for any activity including secular activities. In addition, HOME funds may not be used to rehabilitate or construct housing owned by primarily religious organizations or to assist primarily religious organizations in acquiring housing. However, HOME funds may be used by a secular entity to acquire housing from a primarily religious organization, and a primarily religious entity may transfer title to
its property to a wholly secular entity and the entity may participate in the HOME program in accordance with the requirements of this part. The entity may be an existing or newly established entity, which may be an entity established by the religious organization. The completed housing project must be used exclusively by the owner entity for secular purposes, available to all persons regardless of religion. In particular, there must be no religious or membership criteria for tenants of the property.

§ 92.258 Elder cottage housing opportunity (ECHO) units.

(a) General. HOME funds may be used for the initial purchase and initial placement costs of elder cottage housing opportunity (ECHO) units that meet the requirements of this section, and that are small, free-standing, barrier-free, energy-efficient, removable, and designed to be installed adjacent to existing single-family dwellings.

(b) Eligible owners. The owner of a HOME-assisted ECHO unit may be:

1. The owner-occupant of the single-family host property on which the ECHO unit will be located;
2. A participating jurisdiction; or
3. A non-profit organization.

(c) Eligible tenants. During the affordability period, the tenant of a HOME-assisted ECHO unit must be an elderly or disabled family as defined in 24 CFR 5.403 and must also be a low-income family.

(d) Applicable requirements. The requirements of §92.252 apply to HOME-assisted ECHO units, with the following modifications:

1. Only one ECHO unit may be provided per host property.
2. The ECHO unit owner may choose whether or not to charge the tenant of the ECHO unit rent, but if a rent is charged, it must meet the requirements of §92.252.
3. The ECHO housing must remain affordable for the period specified in §92.252(e). If within the affordability period the original occupant no longer occupies the unit, the ECHO unit owner must:
   i. Rent the unit to another eligible occupant on site;
   ii. Move the ECHO unit to another site for occupancy by an eligible occupant; or
   iii. If the owner of the ECHO unit is the host property owner-occupant, the owner may repay the HOME funds in accordance with §92.254(a)(5)(ii). The participating jurisdiction must use the recaptured HOME funds for additional HOME activities.
4. The participating jurisdiction has the responsibility to enforce the project requirements applicable to ECHO units.

Subpart G—Community Housing Development Organizations

§ 92.300 Set-aside for community housing development organizations (CHDOs).

(a)(1) Within 24 months after HUD notifies the participating jurisdiction of HUD’s execution of the HOME Investment Partnerships Agreement, the participating jurisdiction must reserve not less than 15 percent of the HOME allocation for investment only in housing to be developed, sponsored, or owned by community housing development organizations. For a State, the HOME allocation includes funds reallocated under §92.451(c)(2)(i) and, for a unit of government, funds transferred from a State under §92.102(b). The funds are reserved when a participating jurisdiction enters into a written agreement with the community housing development organization. The funds must be provided to a community housing development organization, its subsidiary, or a partnership of which it or its subsidiary is the managing general partner. If a CHDO owns the project in partnership, it or its wholly owned for-profit or non-profit subsidiary must be the managing general partner. In acting in any of the capacities specified, the community housing development organization must have effective project control. In addition, a community housing development organization, in connection with housing it develops, sponsors or owns with HOME funds provided under
this section, may provide direct home-
ownership assistance (e.g. downpay-
ment assistance) and not be considered
a subrecipient.

(2) The participating jurisdiction de-
termines the form of assistance, e.g.,
grant or loan, that the community
housing development organization re-
cieves and whether any proceeds must
be returned to the participating jur-
sisdiction or may be retained by the
community housing development orga-
nization. While the proceeds the partici-
patating jurisdiction permits the com-
munity housing development organization to retain are not subject to the re-
quirements of this part, the participat-
ing jurisdiction must specify in the
written agreement with the commu-
nity housing development organization whether they are to be used for HOME-
eligible or other housing activities to
benefit low-income families. However,
funds recaptured because housing no
longer meets the affordability require-
ments under §92.254(a)(5)(ii) are subject
to the requirements of this part in ac-
cordance with §92.503.

(b) Each participating jurisdiction
must make reasonable efforts to iden-
tify community housing development
organizations that are capable, or can
reasonably be expected to become ca-
pable, of carrying out elements of the
jurisdiction's approved consolidated
plan and to encourage such community
housing development organizations to
do so. If during the first 24 months of
its participation in the HOME Program
a participating jurisdiction cannot
identify a sufficient number of capable
community housing development orga-
nizations, up to 20 percent of the min-
imum community housing develop-
ment organization setaside of 15 per-
cent specified in paragraph (a) of this
section, above, (but not more than
$150,000 during the 24 month period)
may be committed to develop the ca-
pacity of community housing develop-
ment organizations in the jurisdiction.

(c) Up to 10 percent of the HOME
funds reserved under this section may
be used for activities specified under
§92.301.

(d) HOME funds required to be re-
served under this section are subject to
reduction, as provided in §92.500(d).

(e) If funds for operating expenses are
provided under §92.208 to a community
housing development organization that
is not also receiving funds under para-
graph (a) of this section for housing to
be developed, sponsored or owned by
the community housing development
organization, the participating jur-
sdiction must enter into a written
agreement with the community hous-

ing development organization that pro-
sides that the community housing de-
velopment organization is expected to
receive funds under paragraph (a) of
this section during the 24 months of receiv-
ing the funds for operating expenses,
and specifies the terms and conditions
upon which this expectation is based.

(f) Limitation on community housing
development organization operating
funds. A community housing develop-
ment organization may not receive
HOME funding for any fiscal year in an
amount that provides more than 50 per-
cent or $50,000, whichever is greater,
of the community housing development
organization's total operating expenses
in that fiscal year. This also includes
organizational support and housing
education provided under section
233(b)(1), (2), and (6) of the Act, as well
as funds for operating expenses pro-
vided under §92.208.

§92.301 Project-specific assistance to
community housing development
organizations.

(a) Project-specific technical assistance
and site control loans—(1) General. With-
in the percentage specified in
§92.300(c), HOME funds may be used by
a participating jurisdiction to provide
technical assistance and site control
loans to community housing develop-
ment organizations in the early stages
of site development for an eligible
project. These loans may not exceed
amounts that the participating jur-
sdiction determines to be customary
and reasonable project preparation
costs allowable under paragraph (a)(2)
of this section. All costs must be re-
lated to a specific eligible project or
projects.

(2) Allowable costs. A loan may be pro-
vided to cover project costs necessary
to determine project feasibility (including costs of an initial feasibility study), consulting fees, costs of preliminary financial applications, legal fees, architectural fees, engineering fees, engagement of a development team, option to acquire property, site control and title clearance. General operational expenses of the community housing development organization are not allowable costs.

(3) Repayment. The community housing development organization must repay the loan to the participating jurisdiction from construction loan proceeds or other project income. The participating jurisdiction may waive repayment of the loan, in part or in whole, if there are impediments to project development that the participating jurisdiction determines are reasonably beyond the control of the borrower.

(b) Project-specific seed money loans—
(1) General. Within the percentage specified in §92.300(c), HOME funds may be used to provide loans to community housing development organizations to cover preconstruction project costs that the participating jurisdiction determines to be customary and reasonable, including, but not limited to the costs of obtaining firm construction loan commitments, architectural plans and specifications, zoning approvals, engineering studies, and legal fees.

(2) Eligible sponsors. A loan may be provided only to a community housing development organization that has, with respect to the project concerned, site control (evidenced by a deed, a sales contract, or an option contract to acquire the property), a preliminary financial commitment, and a capable development team.

(3) Repayment. The community housing development organization must repay the loan to the participating jurisdiction from construction loan proceeds or other project income. The participating jurisdiction may waive repayment of the loan, in whole or in part, if there are impediments to project development that the participating jurisdiction determines are reasonably beyond the control of the community housing development organization.

§ 92.302 Housing education and organizational support.
HUD is authorized to provide education and organizational support assistance, in conjunction with HOME funds made available to community housing development organizations in accordance with section 233 of the Act. HUD will publish a notice in the Federal Register announcing the availability of funding under this section, as appropriate. The notice need not include funding for each of the eligible activities, but may target funding from among the eligible activities.

§ 92.303Tenant participation plan.
A community housing development organization that receives assistance under this part must adhere to a fair lease and grievance procedure approved by the participating jurisdiction and provide a plan for and follow a program of tenant participation in management decisions.

Subpart H—Other Federal Requirements

§ 92.350 Other Federal requirements and nondiscrimination.
(a) The Federal requirements set forth in 24 CFR part 5, subpart A, are applicable to participants in the HOME program. The requirements of this subpart include: nondiscrimination and equal opportunity; disclosure requirements; debarred, suspended or ineligible contractors; and drug-free workplace.

(b) The nondiscrimination requirements at section 282 of the Act are applicable. These requirements are waived in connection with the use of HOME funds on lands set aside under the Hawaiian Homes Commission Act, 1920 (42 Stat. 108).

§ 92.351 Affirmative marketing; minority outreach program.
(a) Affirmative marketing. (1) Each participating jurisdiction must adopt affirmative marketing procedures and requirements for rental and homebuyer projects containing 5 or more HOME-assisted housing units. Affirmative marketing steps consist of actions to
provide information and otherwise attract eligible persons in the housing market area to the available housing without regard to race, color, national origin, sex, religion, familial status or disability. (The affirmative marketing procedures do not apply to families with Section 8 tenant-based rental housing assistance or families with tenant-based rental assistance provided with HOME funds.)

(2) The affirmative marketing requirements and procedures adopted must include:

(i) Methods for informing the public, owners, and potential tenants about Federal fair housing laws and the participating jurisdiction's affirmative marketing policy (e.g., the use of the Equal Housing Opportunity logotype or slogan in press releases and solicitations for owners, and written communication to fair housing and other groups);

(ii) Requirements and practices each owner must adhere to in order to carry out the participating jurisdiction's affirmative marketing procedures and requirements (e.g., use of commercial media, use of community contacts, use of the Equal Housing Opportunity logotype or slogan, and display of fair housing poster);

(iii) Procedures to be used by owners to inform and solicit applications from persons in the housing market area who are not likely to apply for the housing without special outreach (e.g., use of community organizations, places of worship, employment centers, fair housing groups, or housing counseling agencies);

(iv) Records that will be kept describing actions taken by the participating jurisdiction and by owners to affirmatively market units and records to assess the results of these actions; and

(v) A description of how the participating jurisdiction will annually assess the success of affirmative marketing actions and what corrective actions will be taken where affirmative marketing requirements are not met.

(3) A State that distributes HOME funds to units of general local government must require each unit of general local government to adopt affirmative marketing procedures and requirements that meet the requirement in paragraphs (a) and (b) of this section.

(b) Minority outreach. A participating jurisdiction must prescribe procedures acceptable to HUD to establish and oversee a minority outreach program within its jurisdiction to ensure the inclusion, to the maximum extent possible, of minorities and women, and entities owned by minorities and women, including, without limitation, real estate firms, construction firms, appraisal firms, management firms, financial institutions, investment banking firms, underwriters, accountants, and providers of legal services, in all contracts entered into by the participating jurisdiction with such persons or entities, public and private, in order to facilitate the activities of the participating jurisdiction to provide affordable housing authorized under this Act or any other Federal housing law applicable to such jurisdiction. Section 85.36(e) of this title describes actions to be taken by a participating jurisdiction to assure that minority business enterprises and women business enterprises are used when possible in the procurement of property and services.

§ 92.352 Environmental review.

(a) General. The environmental effects of each activity carried out with HOME funds must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321) and the related authorities listed in HUD's implementing regulations at 24 CFR parts 50 and 58.

(b) Responsibility for review. (1) The jurisdiction (e.g., the participating jurisdiction or State recipient) or insular area must assume responsibility for environmental review, decisionmaking, and action for each activity that it carries out with HOME funds, in accordance with the requirements imposed on a recipient under 24 CFR part 58. No funds may be committed to a HOME activity or project before the completion of the environmental review and approval of the request for release of funds and related certification, except as authorized by 24 CFR part 58.
(2) A State participating jurisdiction must also assume responsibility for approval of requests for release of HOME funds submitted by State recipients.

(3) HUD will perform the environmental review, in accordance with 24 CFR part 50, for a competitively awarded application for HOME funds submitted to HUD by an entity that is not a jurisdiction.

§ 92.353 Displacement, relocation, and acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, the participating jurisdiction must ensure that it has taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted with HOME funds. To the extent feasible, residential tenants must be provided a reasonable opportunity to lease and occupy a suitable, decent, safe, sanitary, and affordable dwelling unit in the building/complex upon completion of the project.

(b) Temporary relocation. The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in monthly rent/utility costs.

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex upon completion of the project; and

(iv) The provisions of paragraph (b)(1) of this section.

(c) Relocation assistance for displaced persons—(1) General. A displaced person (defined in paragraph (c)(2) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601-4655) and 49 CFR part 24. A “displaced person” must be advised of his or her rights under the Fair Housing Act and, if the comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority person is located in an area of minority concentration, the minority person also must be given, if possible, referrals to comparable and suitable, decent, safe, and sanitary replacement dwellings not located in such areas.

(2) Displaced Person. (i) For purposes of paragraph (c) of this section, the term displaced person means a person (family individual, business, nonprofit organization, or farm, including any corporation, partnership or association) that moves from real property or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted with HOME funds. This includes any permanent, involuntary move for an assisted project, including any permanent move from the real property that is made:

(A) After notice by the owner to move permanently from the property, if the move occurs on or after:

(1) The date of the submission of an application to the participating jurisdiction or HUD, if the applicant has site control and the application is later approved; or

(2) The date the jurisdiction approves the applicable site, if the applicant does not have site control at the time of the application; or

(B) Before the date described in paragraph (c)(2)(i)(A) of this section, if the jurisdiction or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project; or

(C) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs:

(1) The tenant moves after execution of the agreement covering the acquisition, rehabilitation, or demolition and
§ 92.353

24 CFR Subtitle A (4–1–00 Edition)

the move occurs before the tenant is provided written notice offering the tenant the opportunity to lease and occupy a suitable, decent, safe, and sanitary dwelling in the same building/complex upon completion of the project under reasonable terms and conditions. Such reasonable terms and conditions must include a term of at least one year at a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(i) The tenant’s monthly rent before such agreement and estimated average monthly utility costs; or

(ii) The total tenant payment, as determined under 24 CFR 5.613, if the tenant is low-income, or 30 percent of gross household income, if the tenant is not low-income; or

(2) The tenant is required to relocate temporarily, does not return to the building/complex, and either

(i) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation; or

(ii) Other conditions of the temporary relocation are not reasonable; or

(3) The tenant is required to move to another dwelling unit in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

(ii) Notwithstanding paragraph (c)(2)(i) of this section, a person does not qualify as a displaced person if:

(A) The person has been evicted for cause based upon a serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable federal, State or local law, or other good cause, and the participating jurisdiction determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance. The effective date of any termination or refusal to renew must be preceded by at least 30 days advance written notice to the tenant specifying the grounds for the action.

(B) The person moved into the property after the submission of the application but, before signing a lease and committing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, incur a rent increase), and the fact that the person would not qualify as a “displaced person” (or for any assistance under this section) as a result of the project;

(C) The person is ineligible under 49 CFR 24.2(g)(2); or

(D) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iii) The jurisdiction may, at any time, ask HUD to determine whether a displacement is or would be covered by this rule.

(3) Initiation of negotiations. For purposes of determining the formula for computing replacement housing assistance to be provided under paragraph (c) of this section to a tenant displaced from a dwelling as a direct result of private-owner rehabilitation, demolition or acquisition of the real property, the term initiation of negotiations means the execution of the agreement covering the acquisition, rehabilitation, or demolition.

(d) Optional relocation assistance. The participating jurisdiction may provide relocation payments and other relocation assistance to families, individuals, businesses, nonprofit organizations, and farms displaced by a project assisted with HOME funds where the displacement is not subject to paragraph (c) of this section. The jurisdiction may also provide relocation assistance to persons covered under paragraph (c) of this section beyond that required. For any such assistance that is not required by State or local law, the jurisdiction must adopt a written policy available to the public that describes the optional relocation assistance that it has elected to furnish and provides for equal relocation assistance within each class of displaced persons.

(e) Residential antidisplacement and relocation assistance plan. The participating jurisdiction shall comply with the requirements of 24 CFR part 42, subpart B.

(f) Real property acquisition requirements. The acquisition of real property for a project is subject to the URA and the requirements of 49 CFR part 24, subpart B.
Office of the Secretary, HUD

§ 92.355 Lead-based paint.

Housing assisted with HOME funds is subject to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at part 35, subparts A, B, J, K, M and R of this title.

[64 FR 50224, Sept. 15, 1999]

Effective Date Note: At 64 FR 50224, Sept. 15, 1999, §92.355 is revised, effective Sept. 15, 2000. For the convenience of the user, the superseded text is set forth as follows:

(g) Appeals. A person who disagrees with the participating jurisdiction's determination concerning whether the person qualifies as a displaced person, or the amount of relocation assistance for which the person may be eligible, may file a written appeal of that determination with the jurisdiction. A low-income person who is dissatisfied with the jurisdiction's determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

§ 92.354 Labor.

(a) General. (1) Every contract for the construction (rehabilitation or new construction) of housing that includes 12 or more units assisted with HOME funds must contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. 276a±276a-5), to all laborers and mechanics employed in the development of any part of the housing. Such contracts must also be subject to the overtime provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327±332).

(2) The contract for construction must contain these wage provisions if HOME funds are used for any project costs in §92.206, including construction or nonconstruction costs, of housing with 12 or more HOME-assisted units. When HOME funds are only used to assist homebuyers to acquire single-family housing, and not for any other project costs, the wage provisions apply to the construction of the housing if there is a written agreement with the owner or developer of the housing that HOME funds will be used to assist homebuyers to buy the housing and the construction contract covers 12 or more housing units to be purchased with HOME assistance. The wage provisions apply to any construction contract that includes a total of 12 or more HOME-assisted units, whether one or more than one project is covered by the construction contract. Once they are determined to be applicable, the wage provisions must be contained in the construction contract so as to cover all laborers and mechanics employed in the development of the entire project, including portions other than the assisted units. Arranging multiple construction contracts within a single project for the purpose of avoiding the wage provisions is not permitted.

(3) Participating jurisdictions, contractors, subcontractors, and other participants must comply with regulations issued under these acts and with other Federal laws and regulations pertaining to labor standards and HUD Handbook 1344.1 (Federal Labor Standards Compliance in Housing and Community Development Programs), as applicable. Participating jurisdictions must require certification as to compliance with the provisions of this section before making any payment under such contract.

(b) Volunteers. The prevailing wage provisions of paragraph (a) of this section do not apply to an individual who receives no compensation or is paid expenses, reasonable benefits, or a nominal fee to perform the services for which the individual volunteered and who is not otherwise employed at any time in the construction work. See 24 CFR part 70.

(c) Sweat equity. The prevailing wage provisions of paragraph (a) of this section do not apply to members of an eligible family who provide labor in exchange for acquisition of a property for homeownership or provide labor in lieu of, or as a supplement to, rent payments.

§ 92.355 Lead-based paint.

Housing assisted with HOME funds is subject to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at part 35, subparts A, B, J, K, M and R of this title.

[64 FR 50224, Sept. 15, 1999]
§ 92.355 Lead-based paint.

Housing assisted with HOME funds is subject to the Lead-Based Paint Poisoning Prevention Act (24 U.S.C. 4821 et seq.) and 24 CFR part 35. The lead-based paint provisions of 24 CFR 982.401(j), except 24 CFR 982.401(j)(1)(i), also apply, irrespective of the applicable property standard under §92.251. In a project in which not all units are assisted with HOME funds, the lead-based paint requirements apply to all units and common areas in the project. Unless otherwise provided, the participating jurisdiction is responsible for testing and abatement activities.

§ 92.356 Conflict of interest.

(a) Applicability. In the procurement of property and services by participating jurisdictions, State recipients, and subrecipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, apply. In all cases not governed by 24 CFR 85.36 and 24 CFR 84.42, the provisions of this section apply.

(b) Conflicts prohibited. No persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to activities assisted with HOME funds or who are in a position to participate in a decisionmaking process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a HOME-assisted activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter.

(c) Persons covered. The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the participating jurisdiction, State recipient, or subrecipient which are receiving HOME funds.

(d) Exceptions: Threshold requirements. Upon the written request of the participating jurisdiction, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME Investment Partnerships Program and the effective and efficient administration of the participating jurisdiction's program or project. An exception may be considered only after the participating jurisdiction has provided the following:

1. A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

2. An opinion of the participating jurisdiction's or State recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(e) Factors to be considered for exceptions. In determining whether to grant a requested exception after the participating jurisdiction has satisfactorily met the requirements of paragraph (d) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

1. Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project which would otherwise not be available;

2. Whether the person affected is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

3. Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

4. Whether the interest or benefit was present before the affected person was in a position as described in paragraph (c) of this section;

5. Whether undue hardship will result either to the participating jurisdiction or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

6. Any other relevant considerations.

(f) Owners and Developers. (1) No owner, developer or sponsor of a project assisted with HOME funds (or officer, employee, agent, elected or appointed official or consultant of the owner, developer or sponsor) whether
§ 92.400 Coordinated Federal support for housing strategies.

(a) General. HUD will provide assistance in accordance with Subtitle C of the Act.

(b) Notice of funding. HUD will publish a notice in the Federal Register announcing the availability of funding under this section as appropriate.
§ 92.450 General.
(a) This subpart J sets out the conditions under which HUD reallocates HOME funds that have been allocated, reserved, or placed in a HOME Investment Trust Fund.
(b) A jurisdiction that is not a participating jurisdiction but is meeting the requirements of §92.102, 92.103, and 92.104, (participation threshold, notice of intent, and submission of consolidated plan) is treated as a participating jurisdiction for purposes of receiving a reallocation under subpart J of this part.

§ 92.451 Reallocation of HOME funds from a jurisdiction that is not designated a participating jurisdiction or has its designation revoked.
(a) Failure to be designated a participating jurisdiction. HUD will reallocate, under this section, any HOME funds allocated to or reserved for a jurisdiction that is not a participating jurisdiction if:
   (1) HUD determines that the jurisdiction has failed to:
      (i) Meet the participation threshold amount in §92.102;
      (ii) Provide notice of its intent to become a participating jurisdiction in accordance with §92.103; or
      (iii) Submit its consolidated plan, in accordance with 24 CFR part 91; or
   (2) HUD after providing for amendments and resubmissions in accordance with 24 CFR part 91 disapproves the jurisdiction’s consolidated plan.
(b) Designation revoked. HUD will reallocate, under this section, any funds remaining in a jurisdiction’s HOME Investment Trust Fund after HUD has revoked the jurisdiction’s designation as a participating jurisdiction under §92.107.

§ 92.452 Reallocation of community housing development organization set-aside.
H UD will reallocate, under this section, any HOME funds reduced or recaptured by HUD from a participating jurisdiction’s HOME Investment Trust Fund under §92.300(d). HUD will reallocate these funds by competition in accordance with criteria in §92.453 to other participating jurisdictions for affordable housing developed, sponsored, or owned by community housing development organizations.

§ 92.453 Competitive reallocations.
(a) HUD will invite applications through Federal Register publication of a Notice of Funding Availability (NOFA), in accordance with section 102 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545) and the requirements of sec. 217(c) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)), for HOME funds that become available for competitive reallocation under §92.451 or §92.452, or both. The NOFA will describe the application requirements and procedures, including the total funding available within the State and with preference being given to applications from units of general local government that are not participating jurisdictions, and
(ii) Reallocate the remainder by formula in accordance with §92.454.
(2) If the funds to be reallocated are from a unit of general local government:
   (i) Located in a State that is participating jurisdiction, HUD will reallocate the funds to that State. The State, in distributing these funds, must give preference to the provision of affordable housing within the unit of general local government; or
   (ii) Located in a State that is not a participating jurisdiction, HUD will reallocate the funds by competition among units of general local government and community housing development organizations within the State, with priority going to applications for affordable housing within the unit of general local government; and reallocate the remainder by formula in accordance with §92.454.

§ 92.453 Competitive reallocations.
(a) HUD will invite applications through Federal Register publication of a Notice of Funding Availability (NOFA), in accordance with section 102 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545) and the requirements of sec. 217(c) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)), for HOME funds that become available for competitive reallocation under §92.451 or §92.452, or both. The NOFA will describe the application requirements and procedures, including the total funding available...
for the competition and any maximum amount of individual awards. The NOFA will also describe the selection criteria and any special factors to be evaluated in awarding points under the selection criteria.

(b) The NOFA will include the selection criteria at sec. 217(c) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)), with the following maximum number of points awarded for each category of criteria:

1. Commitment. Up to 25 points for the criteria at sec. 217(c)(1) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(1));
2. Actions. Up to 50 points for the criteria at sec. 217(c)(2) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(2)); and
3. Policies. Up to 25 points for the criteria at sec. 217(c)(3) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(3)).

§ 92.454 Reallocations by formula.

(a) HUD will reallocate under this section:

1. Any HOME funds remaining available for reallocation after HUD has made competitive reallocations under §92.451 and §92.452;
2. Any HOME funds available for reallocation because HUD reduced or recaptured funds from participating jurisdiction under §92.500(d) for failure to commit the funds within the time specified;
3. Any HOME funds withdrawn by HUD from a participating jurisdiction under 24 CFR 91.520(1) for failure to submit in a timely manner a performance report required by 24 CFR 91.520 that is satisfactory to HUD; and
4. Any HOME funds remitted to HUD under §92.503(b) when a jurisdiction ceases to be a participating jurisdiction.

(b) Any reallocation of funds from a State must be made only among all participating States, and any reallocation of funds from units of general local government must be made only among all participating units of general local government, except those participating jurisdictions that HUD has removed from participating in reallocations under §92.552.

(c) A local participating jurisdiction's share of a reallocation is calculated by multiplying the amount available for reallocation to units of general local government by a factor that is that ratio of the participating jurisdiction's formula allocation provided under §92.50 to the total of the formula allocations provided for all local participating jurisdictions sharing in the reallocation. A State participating jurisdiction's share is comparably determined using the amount available for reallocation to States.

(d) HUD will make reallocations under this section quarterly, unless the amount available for such reallocation is insufficient to warrant making a reallocation. In any event, HUD will make a reallocation under this section at least once a year. The minimum amount of a reallocation is $1000.

Subpart K—Program Administration

§ 92.500 The HOME Investment Trust Fund.

(a) General. A HOME Investment Trust Fund consists of the accounts described in this section for investment in accordance with the provisions of this part. HUD will establish a HOME Investment Trust Fund United States Treasury account for each participating jurisdiction. Each participating jurisdiction may use either a separate local HOME Investment Trust Fund account or, a subsidiary account within its general fund (or other appropriate fund) as the local HOME Investment Trust Fund account.

(b) Treasury Account. The United States Treasury account of the HOME Investment Trust Fund includes funds allocated to the participating jurisdiction under §92.50 (including for a local participating jurisdiction, any transfer of the State's allocation pursuant to §92.102(b)(2)) and funds reallocated to the participating jurisdiction, either by formula or by competition, under subpart J of this part; and

(c) Local Account. (1) The local account of the HOME Investment Trust Fund includes deposits of HOME funds disbursed from the Treasury account;
§ 92.501 HOME Investment Partnership Agreement.

Allocated and reallocated funds will be made available pursuant to a HOME Investment Partnership Agreement. The agreement ensures that HOME funds invested in affordable housing are repayable if the housing ceases to qualify as affordable housing before the period of affordability expires.

§ 92.502 Program disbursement and information system.

(a) General. The Home Investment Trust Fund account established in the United States Treasury is managed through a computerized disbursement and information system established by HUD. The system disburses HOME funds that are allocated or reallocated, and collects and reports information on the use of HOME funds in the United States Treasury account. [For purposes of reporting in the Integrated Disbursement and Information System, a HOME project is an activity.]

(b) Project set-up. (1) After the participating jurisdiction executes the HOME Investment Partnership Agreement, submits the applicable banking and security documents, complies with the environmental requirements under 24
Office of the Secretary, HUD

§ 92.503

CFR part 58 for release of funds and commits funds to a specific local project, the participating jurisdiction may identify (set up) specific investments in the disbursement and information system. Investments that require the set-up of projects in the system are the acquisition, new construction, or rehabilitation of housing, and the provision of tenant-based rental assistance. The participating jurisdiction is required to enter complete project set-up information at the time of project set-up.

(2) If the project set-up information is not completed within 20 days of the project set-up call, the project may be cancelled by the system. In addition, a project which has been committed in the system for 12 months without an initial disbursement of funds may be cancelled by the system.

(c) Disbursement of HOME funds. (1) After complete project set-up information is entered into the disbursement and information system, HOME funds for the project may be drawn down from the United States Treasury account by the participating jurisdiction by electronic funds transfer. The funds will be deposited in the local account of the HOME Investment Trust Fund of the participating jurisdiction within 48 to 72 hours of the disbursement request. Any drawdown of HOME funds from the United States Treasury account is conditioned upon the provision of satisfactory information by the participating jurisdiction about the project or tenant-based rental assistance and compliance with other procedures, as specified by HUD.

(2) HOME funds drawn from the United States Treasury account must be expended for eligible costs within 15 days. Any interest earned within the 15 day period may be retained by the participating jurisdiction as HOME funds. Any funds that are drawn down and not expended for eligible costs within 15 days of the disbursement must be returned to HUD for deposit in the participating jurisdiction's United States Treasury account of the HOME Investment Trust Fund. Interest earned after 15 days belongs to the United States and must be remitted promptly, but at least quarterly, to HUD, except that a local participating jurisdiction may retain interest amounts up to $100 per year for administrative expenses and States are subject to the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.).

(3) HOME funds in the local account of the HOME Investment Trust Fund must be disbursed before requests are made for HOME funds in the United States Treasury account.

(4) A participating jurisdiction will be paid on an advance basis provided it complies with the requirements of this part.

(d) Project completion. (1) Complete project completion information must be entered into the disbursement and information system, or otherwise provided, within 120 days of the final project drawdown. If satisfactory project completion information is not provided, HUD may suspend further project set-ups or take other corrective actions.

(2) Additional HOME funds may be committed to a project up to one year after project completion, but the amount of HOME funds in the project may not exceed the maximum per-unit subsidy amount established under § 92.250.

(e) Access by other participants. Access to the disbursement and information system by other entities participating in the HOME program (e.g., State recipients) will be governed by procedures established by HUD.

§ 92.503 Program income, repayments, and recaptured funds.

(a) Program income. (1) Program income must be used in accordance with the requirements of this part. Program income must be deposited in the participating jurisdiction’s HOME Investment Trust Fund local account unless the participating jurisdiction permits the State recipient or subrecipient to retain the program income for additional HOME projects pursuant to the written agreement required by § 92.504.

(2) If the jurisdiction is not a participating jurisdiction when the program income is received, the funds are not subject to the requirements of this part.

(3) Program income derived from consortium activities undertaken by or within a member unit of general local
§ 92.504 Participating jurisdiction responsibilities; written agreements; on-site inspection.

(a) Responsibilities. The participating jurisdiction is responsible for managing the day to day operations of its HOME program, ensuring that HOME funds are used in accordance with all program requirements and written agreements, and taking appropriate action when performance problems arise. The use of State recipients, subrecipients, or contractors does not relieve the participating jurisdiction of this responsibility. The performance of each contractor and subrecipient must be reviewed at least annually.

(b) Executing a written agreement. Before disbursing any HOME funds to any entity, the participating jurisdiction must enter into a written agreement with that entity. Before disbursing any HOME funds to any entity, a State recipient, subrecipient, or contractor which is administering all or a part of the HOME program on behalf of the participating jurisdiction, must also enter into a written agreement with that entity. The written agreement must ensure compliance with the requirements of this part.

(c) Provisions in written agreements. The contents of the agreement may vary depending upon the role the entity is asked to assume or the type of project undertaken. This section details basic requirements by role and the minimum provisions that must be included in a written agreement.

(1) State recipient. The provisions in the written agreement between the State and a State recipient will depend on the program functions that the State specifies the State recipient will carry out in accordance with § 92.201(b).

(i) Use of the HOME funds. The agreement must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, and a budget. These items must be in sufficient detail to provide a sound basis for the State to effectively monitor performance under the agreement.

(ii) Affordability. The agreement must require housing assisted with HOME funds to meet the affordability requirements of §§ 92.252 or 92.254, as applicable, and must require repayment of the funds if the housing does not meet the affordability requirements for the specified time period.

(iii) Program income. The agreement must state if program income is to be

The agreement must require the State recipient to carry out each activity in compliance with all Federal laws and regulations described in subpart H of this part, except that the State recipient does not assume the State's responsibilities for release of funds under §92.352 and the intergovernmental review process in §92.357 does not apply to the State recipient.

(vii) Affirmative marketing. The agreement must specify the State recipient's affirmative marketing responsibilities in accordance with §92.351, if the HOME funds received by the State recipient will be used for housing containing five or more assisted units.

(viii) Requests for disbursement of funds. The amount of each request must be limited to the amount needed. Program income must be disbursed before the State recipient requests funds from the State.

(ix) Records and reports. The agreement must specify the particular records that must be maintained and the information or reports that must be submitted in order to assist the State in meeting its recordkeeping and reporting requirements.

(x) Enforcement of the agreement. The agreement must provide for a means of enforcement of affordable housing requirements by the State or the intended beneficiaries, if the State recipient will be the owner at project completion of the affordable housing. The means of enforcement may include liens on real property, deed restrictions, or covenants running with the land. The affordability requirements in §92.252 must be enforced by deed restriction. In addition, the agreement must specify remedies for breach of the HOME requirements. The agreement must specify that, in accordance with 24 CFR 85.43, suspension or termination may occur if the State recipient materially fails to comply with any term of the agreement. The State may permit the agreement to be terminated for convenience in accordance with 24 CFR 85.44.

(xii) Duration of the agreement. The duration of the agreement will depend on which functions the State recipient performs (e.g., whether the State recipient or the State has responsibility for monitoring rental projects for the period of affordability) and which activities are funded under the agreement.

(2) Subrecipient. A subrecipient is a public agency or nonprofit selected by the participating jurisdiction to administer all or a portion of the participating jurisdiction's HOME Program. The agreement between the participating jurisdiction and the subrecipient must include:

(i) Use of the HOME funds. The agreement must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, a budget, and the period of the agreement. The agreement must require the subrecipient to carry out each activity in compliance with all Federal laws and regulations described in subpart H of this part, except that the subrecipient does not assume the participating jurisdiction’s responsibilities for environmental review under §92.352 and the intergovernmental review process in §92.357 does not apply.

(v) Affirmative marketing. The agreement must specify the subrecipient’s affirmative marketing responsibilities in accordance with §92.351, if the HOME funds administered by the subrecipient will be used for housing containing five or more assisted units.

(vi) Requests for disbursement of funds. The agreement must specify that the subrecipient may not request disbursement of funds under the agreement until the funds are needed for payment of eligible costs. The amount of each request must be limited to the amount needed. Program income must be disbursed before the subrecipient requests funds from the participating jurisdiction.

(vii) Reversion of assets. The agreement must specify that upon expiration of the agreement, the subrecipient must transfer to the participating jurisdiction any HOME funds on hand at the time of expiration and any accounts receivable attributable to the use of HOME funds.

(viii) Records and reports. The agreement must specify the particular records that must be maintained and the information or reports that must be submitted in order to assist the participating jurisdiction in meeting its recordkeeping and reporting requirements.

(ix) Enforcement of the agreement. The agreement must specify remedies for breach of the provisions of the agreement. The agreement must specify that, in accordance with 24 CFR 85.43, suspension or termination may occur if the subrecipient materially fails to comply with any term of the agreement. The participating jurisdiction may permit the agreement to be terminated for convenience in accordance with 24 CFR 85.44.

(x) If the subrecipient provides HOME funds to for-profit owners or developers, nonprofit owners or developers, subrecipients, homeowners, homebuyers, tenants receiving tenant-based rental assistance, or contractors, the subrecipient must have a written agreement which meets the requirements of this section.

(3) For-profit or nonprofit housing owner, sponsor or developer (other than single-family owner-occupant)—(i) Use of the HOME funds. The agreement between the participating jurisdiction and a for-profit or non-profit housing owner, sponsor or developer must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, and a budget. These items must be in sufficient detail to provide a sound basis for the participating jurisdiction to effectively monitor performance under the agreement.

(ii) Affordability. The agreement must require housing assisted with HOME funds to meet the affordability requirements of §92.252 or §92.254, as applicable, and must require repayment of the funds if the housing does not meet the affordability requirements for the specified time period. If the owner or developer is undertaking rental projects, the agreement must establish the initial rents and the procedures for rent increases. If the owner or developer is undertaking homeownership projects for sale to homebuyers in accordance with §92.254(a), the agreement must set forth the resale or recapture requirements which must be imposed on the housing.

(iii) Project requirements. The agreement must require compliance with project requirements in subpart F of this part, as applicable in accordance with the type of project assisted.

(iv) Property standards. The agreement must require the housing to meet the property standards in §92.251 and the lead-based paint requirements in part 35, subparts A, B, J, K, M and R of this title, upon project completion. The agreement must also require owners of rental housing assisted with HOME

(vi) Records and reports. The agreement must specify the particular records that must be maintained and the information or reports that must be submitted in order to assist the participating jurisdiction in meeting its recordkeeping and reporting requirements.

(vii) Enforcement of the agreement. The agreement must provide for a means of enforcement of the affordable housing requirements by the participating jurisdiction or the intended beneficiaries. This means of enforcement may include liens on real property, deed restrictions or covenants running with the land. The affordability requirements in §92.252 must be enforced by deed restriction. In addition, the agreement must specify remedies for breach of the provisions of the agreement.

Subpart L—Performance Reviews and Sanctions

§ 92.550 Performance reviews.

(a) General. HUD will review the performance of each participating jurisdiction in carrying out its responsibilities under this part whenever determined necessary by HUD, but at least annually. In conducting performance reviews, HUD will rely primarily on information obtained from the participating jurisdiction's and, as appropriate, the State recipient's records and reports, findings from on-site monitoring, audit reports, and information generated from the disbursement and information system established by HUD. Where applicable, HUD may also consider relevant information pertaining to a participating jurisdiction's or State recipient's performance gained from other sources, including citizen comments, complaint determinations, and litigation. Reviews to determine compliance with specific requirements of this part will be conducted as necessary, with or without prior notice to the participating jurisdiction or State recipient. Comprehensive performance reviews under the standards in paragraph (b) of this section will be conducted after prior notice to the participating jurisdiction.

(b) Standards for comprehensive performance review. A participating jurisdiction's performance will be comprehensively reviewed periodically, as prescribed by HUD, to determine:

(1) For local participating jurisdictions and State participating jurisdictions administering their own HOME programs, whether the participating jurisdiction has committed the HOME funds in the United States Treasury account as required by § 92.500 and expended the funds in the United States Treasury account as required by § 92.500, and has met the requirements of this part, particularly eligible activities, income targeting, affordability, and matching requirements; or

(2) For State participating jurisdictions distributing HOME funds to State recipients, whether the State has met the matching contribution and other requirements of this part; has distributed the funds in accordance with the requirements of this part; and has made such reviews and audits of its State recipients as may be appropriate to determine whether they have satisfied the requirements of paragraph (b)(1) of this section.
§ 92.551 Corrective and remedial actions.

(a) General. HUD will use the procedures in this section in conducting the performance review as provided in §92.550 and in taking corrective and remedial actions.

(b) Performance review. (1) If HUD determines preliminarily that the participating jurisdiction has not met a requirement of this part, the participating jurisdiction will be given notice of this determination and an opportunity to demonstrate, within the time prescribed by HUD (not to exceed 30 days) and on the basis of substantial facts and data, that it has done so.

(2) If the participating jurisdiction fails to demonstrate to HUD's satisfaction that it has met the requirement, HUD will take corrective or remedial action in accordance with this section or §92.552.

(c) Corrective and remedial actions. Corrective or remedial actions for a performance deficiency (failure to meet a provision of this part) will be designed to prevent a continuation of the deficiency; mitigate, to the extent possible, its adverse effects or consequences; and prevent its recurrence.

(1) HUD may instruct the participating jurisdiction to submit and comply with proposals for action to correct, mitigate and prevent a performance deficiency, including:

(i) Preparing and following a schedule of actions for carrying out the affected activities, consisting of schedules, timetables, and milestones necessary to implement the affected activities;

(ii) Establishing and following a management plan that assigns responsibilities for carrying out the remedial actions;

(iii) Canceling or revising activities likely to be affected by the performance deficiency, before expending HOME funds for the activities;

(iv) Reprogramming HOME funds that have not yet been expended from affected activities to other eligible activities;

(v) Reimbursing its HOME Investment Trust Fund in any amount not used in accordance with the requirements of this part;

(vi) Suspending disbursement of HOME funds for affected activities; and

(vii) Making matching contributions as draws are made from the participating jurisdiction's HOME Investment Trust Fund United States Treasury Account.

(2) HUD may also change the method of payment from an advance to reimbursement basis; and take other remedies that may be legally available.

§ 92.552 Notice and opportunity for hearing; sanctions.

(a) If HUD finds after reasonable notice and opportunity for hearing that a participating jurisdiction has failed to comply with any provision of this part and until HUD is satisfied that there is no longer any such failure to comply:

(1) HUD shall reduce the funds in the participating jurisdiction's HOME Investment Trust Fund by the amount of any expenditures that were not in accordance with the requirements of this part; and

(2) HUD may do one or more of the following:

(i) Prevent withdrawals from the participating jurisdiction's HOME Investment Trust Fund for activities affected by the failure to comply;

(ii) Restrict the participating jurisdiction's activities under this part to activities that conform to one or more model programs which HUD has developed in accordance with section 213 of the Act;

(iii) Remove the participating jurisdiction from participation in allocations or reallocations of funds made available under subpart B or J of this part;

(iv) Require the participating jurisdiction to make matching contributions in amounts required by §92.218(a) as HOME funds are drawn from the participating jurisdiction's HOME Investment Trust Fund United States Treasury Account. Provided, however, that HUD may on due notice suspend payments at any time after the issuance of a notice of opportunity for hearing pursuant to paragraph (b)(1) of this section, pending such hearing and a final decision, to the extent HUD determines such action necessary to preclude the further expenditure of funds for activities affected by the failure to comply.
§ 92.552  

(b) Proceedings. When HUD proposes to take action pursuant to this section, the respondent in the proceedings will be the participating jurisdiction or, at HUD's option, the State recipient. Proceedings will be conducted in accordance with 24 CFR part 26, subpart B. [61 FR 48750, Sept. 16, 1996, as amended at 62 FR 44840, Aug. 22, 1997]
