§ 2.21 Reparole consideration guidelines.

(a)(1) If revocation is based upon administrative violation(s) only, grade the behavior as if a Category One offense under § 2.20.

(2) If a finding is made that the prisoner has engaged in behavior constituting new criminal conduct, the appropriate severity rating for the new criminal behavior shall be calculated. New criminal conduct may be determined either by a new federal, state, or local conviction or by an independent finding by the Commission at revocation hearing. As violations may be for state or local offenses, the appropriate severity level may be determined by analogy with listed federal offense behaviors.

(b) The guidelines for parole consideration specified at 28 CFR 2.20 shall then be applied with the salient factor score recalculated. The conviction and commitment from which the offender was released shall be counted as a prior conviction and commitment.

(c) Time served on a new state or federal sentence shall be counted as time in custody for reparole guideline purposes. This does not affect the computation of the expiration date of the violator term as provided by §§ 2.47(d) and 2.52 (c) and (d).

(d) The above are merely guidelines. A decision outside these guidelines (either above or below) may be made when circumstances warrant.

§ 2.22 Communication with the Commission.

Attorneys, relatives, or interested parties wishing a personal interview to discuss a specific case with a representative of the Commission must submit a written request to the appropriate office setting forth the nature of the information to be discussed. Such interview may be conducted by a Commissioner or assigned staff, and a written summary of each such interview shall be prepared and placed in the prisoner's file.

§ 2.23 Delegation to hearing examiners.

(a) There is hereby delegated to hearing examiners the authority necessary to conduct hearings and to make recommendations relative to the grant or denial of parole or reparole, revocation or reinstatement of parole or mandatory release, and conditions of parole. Any hearing may be conducted by a single examiner or by a panel of examiners. A Executive Hearing Examiner shall function as a hearing examiner for the purpose of obtaining a panel recommendation whenever the Regional Commissioner has not ordered that a hearing be conducted by a panel of two examiners.

(b) The concurrence of two hearing examiners, or of a hearing examiner and the Executive Hearing Examiner, shall be required to obtain a panel recommendation to the Regional Commissioner. A panel recommendation is required in each case decided by a Regional Commissioner after the holding of a hearing.

(c) An examiner panel recommendation consists of two concurring examiner votes. In the event of divergent votes, the case shall be referred to another hearing examiner (or to the Executive Hearing Examiner in the case

§ 2.24

of a hearing conducted by a panel of examiners) for another vote. If concurring votes do not result from such a referral, the case shall be referred to any available hearing examiner until a panel recommendation is obtained.

(d) A recommendation of a hearing examiner panel shall become an effective Commission decision only upon the Regional Commissioner's approval, and docketing at the regional office.

§ 2.24 Review of panel recommendation by the Regional Commissioner.

(a) A Regional Commissioner may review the recommendation of any examiner panel and refer this recommendation, prior to written notification to the prisoner, with his recommendation and vote to the National Commissioners for consideration and any action deemed appropriate. Written notice of this referral action shall be mailed or transmitted to the prisoner within twenty-one days of the date of the hearing. The Regional Commissioner and each National Commissioner shall have one vote and decisions shall be based upon the concurrence of two votes. Action shall be taken by the National Commissioners within thirty days of the date of referral action by the Regional Commissioner, except in emergencies.

(b) Notwithstanding the provisions of paragraph (a) of this section, a Regional Commissioner may:

(1) On his own motion, modify or reverse the recommendation of a hearing examiner panel that is outside the guidelines to bring the decision closer to (or to) the nearer limit of the appropriate guideline range; or

(2) On his own motion, modify the recommendation of a hearing examiner panel to bring the decision to a date not to exceed six months from the date recommended by the examiner panel;

(3) Return the case to the institution for a rehearing, provided that a notice of action is sent to the prisoner specifying the purpose of the rehearing;

§ 2.26 Appeal to National Appeals Board.

(a) A prisoner or parolee may submit to the National Appeals Board a written appeal of any decision to grant (other than a decision to grant parole on the date of parole eligibility), rescind, deny, or revoke parole, except that any appeal of a Commission decision pursuant to § 2.17 shall be pursuant to § 2.27. This appeal must be filed on a form provided for that purpose within thirty days from the date of entry of such decision. No exhibits are to be attached to an administrative appeal unless the documents therein contain new information and materials not already in the possession of the Commission. Any submitted exhibits which are copies of material already in the Commission's files will not be retained by the Commission.

(b)(1) The National Appeals Board may: Affirm the decision of a Regional Commissioner on the vote of a single Commissioner other than the Commissioner who issued the decision from which the appeal is taken; or modify or reverse the decision of a Regional Commissioner, or order a new hearing, upon the concurrence of two Commissioners. The Commissioner first reviewing the case may in his discretion circulate the case for review and vote by the other Commissioners notwithstanding his own vote to affirm the Regional Commissioner's decision. In such event, the case shall be decided by the concurrence of two out of three votes.

(2) All Commissioners serve as members of the National Appeals Board, and it shall in no case be an objection to a decision of the Board that the Commissioner who issued the decision from which an appeal is taken participated as a voting member on appeal.

(c) The National Appeals Board shall act within sixty days of receipt of the appellant's papers, to affirm, modify, or reverse the decision. Decisions of
