

§ 53.9

33 CFR Ch. I (7-1-00 Edition)

preparing to make a lawful communication to a Member of Congress or an Inspector General.

§ 53.9 Responsibilities.

(a) The Inspector General, Department of Transportation shall:

(1) Expeditiously investigate any allegation, if such allegation is submitted, that a personnel action has been taken (or threatened) in reprisal for making or preparing to make a lawful communication to a Member of Congress or an Inspector General concerning a complaint or disclosure of information that the member reasonably believes constitutes evidence of a violation of law or regulation, mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety. No investigation is required when such allegation is submitted more than 60 days after the Coast Guard member became aware of the personnel action that is the subject of the allegation.

(2) Initiate a separate investigation of the information the Coast Guard member believes evidences wrongdoing if such investigation has not already been initiated. The Inspector General is not required to make such an investigation if the information that the Coast Guard member believes evidences wrongdoing relates to actions that took place during combat.

(3) Complete the investigation of the allegation of reprisal and issue a report not later than 90 days after receipt of the allegation, which shall include a thorough review of the facts and circumstances relevant to the allegation, the relevant documents acquired during the investigation, and summaries of interviews conducted. The Inspector General may forward a recommendation as to the disposition of the complaint.

(4) Submit a copy of the investigation report to the Secretary of Transportation and to the Coast Guard member making the allegation not later than 30 days after the completion of the investigation. The copy of the report issued to the Coast Guard member may exclude any information not otherwise available to the Coast Guard

member under the Freedom of Information Act (5 U.S.C. 552).

(5) If a determination is made that the report cannot be issued within 90 days of receipt of the allegation, notify the Secretary and the Coast Guard member making the allegation of the reasons why the report will not be submitted within that time, and state when the report will be submitted.

(6) At the request of the Board, submit a copy of the investigative report to the Board.

(7) After the final action with respect to an allegation filed under this part, whenever possible, interview the person who made the allegation to determine the views of that person concerning the disposition of the matter.

(b) The Board shall, in accordance with its regulations (33 CFR part 52):

(1) Consider under 10 U.S.C. 1552 and 33 CFR part 52 an application for the correction of records made by a Coast Guard member who has filed a timely complaint with the Inspector General, alleging that a personnel action was taken in reprisal for making or preparing to make a lawful communication to a Member of Congress or an Inspector General. This may include oral argument, examining and cross-examining witnesses, taking depositions, and conducting an evidentiary hearing at the Board's discretion.

(2) Review the report of any investigation by the Inspector General into the Coast Guard member's allegation of reprisal.

(3) As deemed necessary, request the Inspector General to gather further evidence and issue a further report to the Board.

(4) Issue a final decision concerning the application for the correction of military records under this part not later than 180 days after receipt of a complete application.

(c) If the Board elects to hold an administrative hearing, the Coast Guard member may be represented by a Coast Guard law specialist if:

(1) The Inspector General, in the report of the investigation, finds there is probable cause to believe that a personnel action was taken, withheld, or threatened in reprisal for the Coast Guard member making or preparing to make a lawful communication to a

Member of Congress or an Inspector General;

(2) The Chief Counsel of the Coast Guard determines that the case is unusually complex or otherwise requires the assistance of a law specialist to ensure proper presentation of the legal issues in the case; and

(3) The Coast Guard member is not represented by outside counsel chosen by the member.

(d) If the Board elects to hold an administrative hearing, the Board must ensure that the Coast Guard member may examine witnesses through deposition, serve interrogatories, and request the production of evidence, including evidence in the Inspector General investigatory record but not included in the report released to the member.

(e) If the Board determines that a personnel action was taken in reprisal for a Coast Guard member making or preparing to make a lawful communication to a Member of Congress or an Inspector General, the Board may forward its recommendation to the Secretary for the institution of appropriate administrative or disciplinary action against the individual or individuals found to have taken reprisal, and direct any appropriate correction of the member's records.

(f) The Board shall notify the Inspector General of the Board's decision concerning an application for the correction of military records of a Coast Guard member who alleged reprisal for making or preparing to make a lawful communication to a Member of Congress or an Inspector General, and of any recommendation to the Secretary for appropriate administrative or disciplinary action against the individual or individuals found to have taken reprisal.

(g) When reprisal is found, the Secretary shall ensure that appropriate corrective action is taken.
