§ 7.39

the Sloans Crossing Pond (also known as Beaver Pond), Green Pond, Doyle Pond, and First Creek Lake. Live minnows and worms may be used in all other waters.

(ii) [Reserved]

(b)(1) *Cave entry.* Except for those portions of the caves open to the general public, no person shall enter any cave within the boundaries of the park without first obtaining a permit from the Superintendent. Permits will be issued to persons who are qualified and experienced in cave exploration, who possess the needed equipment for safe entry and travel, and who are engaged in scientific research projects which in the opinion of the Superintendent are compatible with the purpose for which the park was established.

(2) Persons on guided cave tours must stay on the established designated trails and remain with the guides and tour group at all times. Exploration of side passages, going ahead of the lead guide and tour group or dropping behind the following guide or tour group is prohibited.

(3) Persons on "self-guided" or "semi-guided" cave tours must stay in the established, designated trails at all times. Exploration of side passages or taking alternate routes is prohibited.

§ 7.37 Jean Lafitte National Historical Park.

(a) *Fishing.* (1) Unless otherwise designated, fishing in a manner authorized under applicable State law is allowed.

(2) Within the Barataria Marsh unit, the superintendent may designate times and locations and establish conditions governing the taking of crayfish upon a written determination that the taking of crayfish:

(i) Is consistent with the purposes for which the unit was established; and

(ii) Will not be detrimental to other park wildlife or the reproductive potential of the species to be taken; and

(iii) Will not have an adverse effect on the ecosystem.

(3) Violation of established conditions or designations for the taking of crayfish is prohibited.

§ 7.39 Mesa Verde National Park.

(a) Visiting of cliff dwellings is prohibited except when persons are accompanied by a uniformed National Park Service employee. However, the Superintendent may issue special written permits to persons engaged in scientific investigations authorizing such persons to visit the cliff dwellings without escort. The Superintendent shall approve issuance of a permit provided:

(1) That the investigation plan proposed, in purpose and in execution, is compatible with the purposes for which the park was established;

(2) That the investigation proposed will not jeopardize the preservation of park resources;

(3) That the study undertaken will have demonstrable value to the National Park Service in its management or understanding of park resources; and

(4) That the permit applicants are adequately experienced and equipped so as to insure that the objectives of paragraphs (a) (1), (2), and (3) of this section will be obtained.
