**§ 4.1 Complaints regarding invention promoters.**

These regulations govern the Patent and Trademark Office's (Office) responsibilities under the Inventors' Rights Act of 1999, which can be found in the U.S. Code at 35 U.S.C. 297. The Act requires the Office to provide a forum for the publication of complaints concerning invention promoters. The Office will not conduct any independent

**§ 4.2 Definitions.**

(a) *Invention Promoter* means any person, firm, partnership, corporation, or other entity who offers to perform or performs invention promotion services for, or on behalf of, a customer, and who holds itself out through advertising in any mass media as providing such services, but does not include—

(2) Any nonprofit, charitable, scientific, or educational organization qualified under applicable State law or described under section 170(b)(1)(A) of the Internal Revenue Code of 1986;

(3) Any person or entity involved in the evaluation to determine commercial potential of, or offering to license or sell, a utility patent or a previously filed nonprovisional utility patent application;

(4) Any party participating in a transaction involving the sale of the stock or assets of a business; or

the Office. A person submitting a complaint should understand that the complaint may be forwarded to the invention promoter and may become publicly available. The Office will not accept any complaint that requests that it be kept confidential.

(b) A complaint must be clearly marked, or otherwise identified, as a complaint under these rules. The complaint must include:

(1) The name and address of the complainant;

(2) The name and address of the invention promoter;

(3) The name of the customer;

(4) The invention promotion services offered or performed by the invention promoter;

(5) The name of the mass media in which the invention promoter advertised providing such services;

(6) An explanation of the relationship between the customer and the invention promoter; and

(7) A signature of the complainant.

(c) The complaint should fairly summarize the action of the invention promoter about which the person complains. Additionally, the complaint should include names and addresses of persons believed to be associated with the invention promoter. Complaints, and any replies, must be addressed to Office of Independent Inventor Programs, U.S. Patent and Trademark Office, Washington, D.C. 20231.

(d) Complaints that do not provide the information requested in paragraphs (b) and (c) of this section will be returned. If complainant's address is not provided, the complaint will be destroyed.

(e) No originals of documents should be included with the complaint.

(f) A complaint can be withdrawn by the complainant or the named customer at any time prior to its publication.

#### § 4.4 Invention promoter reply.

(a) If a submission appears to meet the requirements of a complaint, the invention promoter named in the complaint will be notified of the complaint and given 30 days to respond. The invention promoter's response will be made available to the public along with the complaint. If the invention

promoter fails to reply within the 30-day time period set by the Office, the complaint will be made available to the public. Replies sent after the complaint is made available to the public will also be published.

(b) A response must be clearly marked, or otherwise identified, as a response by an invention promoter. The response must contain:

(1) The name and address of the invention promoter;

(2) A reference to a complaint forwarded to the invention promoter or a complaint previously published;

(3) The name of the individual signing the response; and

(4) The title or authority of the individual signing the response.

#### § 4.5 Notice by publication.

If the copy of the complaint that is mailed to the invention promoter is returned undelivered, then the Office will publish a Notice of Complaint Received in the Official Gazette, the FEDERAL REGISTER, or on the Office's Internet home page. The invention promoter will be given 30 days from such notice to submit a reply to the complaint. If the Office does not receive a reply from the invention promoter within 30 days, the complaint alone will become publicly available.

#### § 4.6 Attorneys and agents.

Complaints against registered patent attorneys and agents will not be treated under this section, unless a complaint fairly demonstrates that invention promotion services are involved. Persons having complaints about registered patent attorneys or agents should contact the Office of Enrollment and Discipline at the U.S. Patent and Trademark Office, Box OED, Washington, D.C. 20231, and the attorney discipline section of the attorney's state licensing bar if an attorney is involved.
