§ 7.3 Publication in the Federal Register.

This section implements 5 U.S.C. 552(a)(1), and prescribes rules governing publication in the FEDERAL REGISTER of the following:

(a) Descriptions of DOT's organization, including its DOT components and the established places at which, the officers from whom, and the methods by which, the public may secure information and make submittals or obtain decisions;

(b) Statements of the general course and methods by which DOT's functions are channeled and determined, including the nature and requirements of all formal and informal procedures available;

(c) Rules of procedure, descriptions of forms available or the places at which forms may be obtained, and instructions as to the scope and contents of all papers, reports, or examinations;

(d) Substantive rules of general applicability adopted as authorized by law and statements of general policy or interpretations of general applicability formulated and adopted by DOT; and

(e) Each amendment, revision, or repeal of any material listed in paragraphs (a) through (d) of this section.

§ 7.4 Publication required.

(a) *General.* The material described in § 7.3 will be published in the FEDERAL REGISTER. For the purposes of this paragraph, material that will reasonably be available to the class of persons affected by it will be considered to be published in the FEDERAL REGISTER if it has been incorporated by reference with the approval of the Director of the Federal Register.

(b) *Effect of nonpublication.* Except to the extent that he/she has actual and timely notice of the terms thereof, a

person may not in any manner be required to resort to, or be adversely affected by, any procedure or matter required to be published in the FEDERAL REGISTER, but not so published.

§ 7.5 Availability of opinions, orders, staff manuals, statements of policy, and interpretations and indices.

(a) This section implements 5 U.S.C. 552(a)(2). It prescribes the rules governing the availability for public inspection and copying of the following reading room materials:

(1) Any final opinion (including a concurring or dissenting opinion) or order made in the adjudication of a case.

(2) Any policy or interpretation that has been adopted under DOT authority, including any policy or interpretation concerning a particular factual situation, if that policy or interpretation can reasonably be expected to have precedential value in any case involving a member of the public in a similar situation.

(3) Any administrative staff manual or instruction to staff that affects any member of the public, including the prescribing of any standard, procedure, or policy that, when implemented, requires or limits any action of any member of the public or prescribes the manner of performance of any activity by any member of the public. However, this does not include staff manuals or instructions to staff concerning internal operating rules, practices, guidelines, and procedures for DOT inspectors, investigators, law enforcement officers, examiners, auditors, and negotiators and other information developed predominantly for internal use, the release of which could significantly risk circumvention of agency regulations or statutes.

(4) Copies of all records, regardless of form or format, that have been released to any person under subpart C of this part and which, because of the nature of their subject matter, a DOT component determines have become or are likely to become the subject of subsequent requests for substantially the same records.

(5) A general index of the records listed in this paragraph.
