(4) *Submission of evidence.* The hearing shall be conducted in such a way as to obtain a clear and orderly record. All interested persons appearing at the hearing shall be given reasonable opportunity to offer data, views, or arguments relevant to (i) whether the parity price for the agricultural commodity involved is or is not seriously out of line with the parity prices of other agricultural commodities, and (ii) the proper relationship between the parity price of such commodity and the parity prices of other agricultural commodities and the revisions, if any, which should be made in computing the parity price of such commodity. All documentary exhibits shall be submitted in duplicate. The presiding officer shall, insofar as possible, exclude irrelevant, immaterial, or unduly repetitious evidence but shall not apply technical judicial rules of evidence. Every witness shall be subject to questioning by the presiding officer or by any other representative of the Department, but cross-examination by other persons shall not be allowed, except in the discretion of the presiding officer. The proceedings at the hearing shall be transcribed verbatim.

(5) *Written arguments.* The presiding officer shall fix a time, not to exceed ten days from the close of the hearing, within which interested persons may file written arguments with the Hearing Clerk.

(d) *Preparation and issuance of determination—(1) Preparation of recommendation.* As soon as practicable after the close of the hearing, the presiding officer, or such employees of the Department as may be assigned for the purpose, shall review, consider, and weigh all evidence of probative value, views, and arguments which have been submitted, and may consider other pertinent information and data which is available in the Department of Agriculture, and shall submit a recommendation thereon to the Secretary.

(2) *Determination by the Secretary.* As soon as possible after receipt of the recommendation, the Secretary shall

determine whether the parity price of such commodity computed in accordance with section 301(a)(1) appears to be seriously out of line with the parity prices of other agricultural commodities whether the facts require a revision of the method of computing the parity price of such commodity, and the revision, if any, which is required in the method of computing the parity price of such commodity. Such determination by the Secretary shall be final. The Secretary's determination shall be filed with the Hearing Clerk who shall cause the determination to be published promptly in the FEDERAL REGISTER. The Hearing Clerk shall also mail a copy of the determination to each producer and grower organization which participated in or is known to be interested in the hearing. Upon application to the Hearing Clerk, any person shall be entitled to a copy of the determination.
