Subpart E—State Agency and School Food Authority Responsibilities

§210.21 Procurement.

(a) *General.* State agencies and school food authorities shall comply with the requirements of 7 CFR part 3015 concerning the procurement of supplies, food, equipment and other services with Program funds. These requirements ensure that such materials and services are obtained for the Program efficiently and economically and in compliance with applicable laws and executive orders.

(b) *Contractual responsibilities.* The standards contained in 7 CFR part 3015 do not relieve the State agency or

school food authority of any contractual responsibilities under its contracts. The State agency or school food authority is the responsible authority, without recourse to FNS, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in connection with the Program. This includes, but is not limited to source evaluation, protests, disputes, claims, or other matters of a contractual nature. Matters concerning violation of law are to be referred to the local, State, or Federal authority that has proper jurisdiction.

(c) *Procurement procedure.* The State agency or school food authority may use its own procurement procedures which reflect applicable State and local laws and regulations, *provided that* procurements made with Program funds adhere to the standards set forth in 7 CFR part 3015.

(A) A school food authority located in the contiguous United States; and

(B) A purchase of domestic commodity or product for the school lunch program under this part.

(3) *Applicability to Hawaii.* Paragraph (d)(2)(i) of this section shall apply to a school food authority in Hawaii with respect to domestic commodities or products that are produced in Hawaii in sufficient quantities to meet the needs of meals provided under the school lunch program under this part.
