

§911.47

(g) other factors having a bearing on the marketing of limes; and (h) the type of regulations expected to be recommended during the season. In the event it becomes advisable, because of changes in the supply and demand situation for limes, to modify substantially such marketing policy, the committee shall submit to the Secretary a revised marketing policy report setting forth the information prescribed in this section. The committee shall publicly announce the contents of each marketing policy report and copies thereof shall be maintained in the offices of the committee where they shall be available for examination by growers and handlers.

§911.47 Recommendations for regulation.

(a) Whenever the committee deems it advisable to regulate the handling of any variety or varieties of limes in the manner provided in §911.48, it shall so recommend to the Secretary.

(b) In arriving at its recommendations for regulation pursuant to paragraph (a) of this section, the committee shall give consideration to current information with respect to the factors affecting the supply and demand for limes during the period or periods when it is proposed that such regulation should be made effective. With each such recommendation for regulation, the committee shall submit to the Secretary the data and information on which such recommendation is predicated, and such other available information as the Secretary may request.

(c) All meetings of the committee held for the purpose of formulating recommendations for regulations shall be open to growers and handlers. The committee shall give notice of such meetings to growers and handlers by mailing such notice to each grower and handler who has filed his address with

§911.48 Issuance of regulations.

(a) The Secretary shall regulate, in the manner specified in this section, the handling of limes whenever he finds, from the recommendations and information submitted by the committee or from other available information, that such regulations will tend to effectuate the declared policy of the act. Such regulations may:

(1) Prohibit, during any specified period or periods, the handling of any variety or varieties of limes which do not meet such grade, size, and quality (including internal quality and juice content) standards as shall be prescribed; *Provided*, That such regulations may require that limes not meeting minimum size requirements established under this section be marked with a Food and Drug Administration approved food dye as a necessary and incidental safeguard to prevent such limes from entering fresh marketing channels for regulated limes.

(2) Prescribe minimum standards of quality for any variety or varieties of limes and limit the handling thereof to those meeting such minimum standards;

(3) Limit the shipment of the total quantity of limes by prohibiting the shipment thereof: *Provided*, That no such prohibition shall be effective during any fiscal period other than for four periods not exceeding six days each immediately prior to, including, or following July 4, Labor Day, Thanksgiving Day, and Christmas Day.

(4) Fix the size, capacity, weight, dimensions, or pack of the container or containers which may be used in the packaging, and the transportation, sale, shipment, or other handling of limes; and

(5) Establish and prescribe pack specifications for the grading and packing of any variety or varieties of limes and require that all limes handled shall be packed in accordance with such pack
