specifications, and shall be identified by appropriate labels, seals, stamps, or tags, affixed to the containers by the handler under the supervision of the committee or an inspector of the Federal-State Inspection Service, showing the particular pack specifications of the lot.

(6) Provide that any or all requirements effective pursuant to paragraphs (a)(1), (3), and (4) of this section applicable to the handling of limes shall be different for the handling of limes within the production area and for the handling of limes between the production area and any point outside thereof.

(7) Prescribe requirements, as provided in this paragraph, applicable to exports of any variety of limes which are different from those applicable to the handling of the same variety to other destinations.

(b) The committee shall be informed immediately of any such regulations issued by the Secretary and the committee shall promptly give notice thereof to growers and handlers.

§911.49 Modification, suspension, or termination of regulations.

(a) In the event the committee at any time finds that, by reason of changed conditions, any regulations issued pursuant to §911.48 should be modified, suspended, or terminated, it shall so recommend to the Secretary.

(b) Whenever the Secretary finds, from the recommendations and information submitted by the committee or from other available information, that a regulation should be modified, suspended, or terminated with respect to any or all shipments of limes in order to effectuate the declared policy of the act, he shall modify, suspend, or terminate such regulation. If the Secretary finds that a regulation obstructs or does not tend to effectuate the declared policy of the act, he shall suspend or terminate such regulation. On the same basis and in like manner the Sec-

retary may terminate any such modification or suspension.

§911.50 Exemption certificate.

In the event the handling of limes is regulated pursuant to §911.48, the committee shall issue one or more exemption certificates to any person who furnishes evidence satisfactory to the committee that, by reason of conditions beyond his control, he will be prevented, because of such regulation, from having as large a proportion of a particular variety of his limes handled as the average proportion of all such limes which may be handled. Such exemption certificates shall authorize the person to whom the certificates are issued to handle, or have handled, a percentage of his crop of the particular variety of limes equal to the percentage determined as aforesaid. The committee shall adopt, with the approval of the Secretary, procedural rules by which such exemption certificates will be issued and the limes covered thereunder may be handled. Exemption certificates shall be transferred to the handler of the limes covered by such certificates at the time the limes are delivered to such handler.

§911.51 Inspection and certification.

Whenever the handling of any variety of limes is regulated pursuant to §911.48, each handler who handles limes shall, prior thereto, cause each lot of limes handled to be inspected by the Federal-State Inspection Service and certified by it as meeting the applicable requirements of such regulation: *Provided*, That such inspection and certification shall be required when the limes previously have been so inspected and certified only if such limes have been regraded, resorted, or repackaged after the prior inspection and certification. Promptly thereafter, each such handler shall submit, or
