

official thereof for the segregation or quarantine of such reactors until their death by slaughter or from natural causes.

(d) The reactors, after return to the point of origin, shall not again be moved interstate except for immediate slaughter in accordance with the provisions of § 80.4.

§ 80.6 Marking of records.

Each transportation agency moving paratuberculosis reactors in the course of their interstate movement shall plainly write or stamp upon the face of each waybill, conductor's manifest, switch order, vehicle interchange record, and similar record, which it prepares in connection with such movement, the words "Paratuberculosis Reactors" and a statement to the effect that the railroad car, boat, truck or vehicle, in which the animals are transported is to be cleaned and disinfected.

§ 80.7 Cleaning and disinfecting vehicles.

(a) Each railroad car, boat, truck, or other vehicle, in which paratuberculosis reactors are transported interstate shall be cleaned and disinfected in accordance with the provisions of §§ 71.6, 71.7, 71.10, and 71.11 of this subchapter: *Provided, however,* That such vehicles may be cleaned and disinfected under the supervision of a Federal or State inspector or an accredited veterinarian: *And provided, further,* That if such supervision or proper cleaning and disinfection facilities are not available at the point where the animals are unloaded, upon permission first secured from the Veterinary Services unit of the Animal and Plant Health Inspection Service, United States Department of Agriculture, the vehicle may be forwarded empty to a point at which such supervision and facilities are available and there be cleaned and disinfected.

(b) Each railroad car, boat, truck, or other vehicle, from which paratuberculosis reactors moved interstate are transferred en route to destination, shall be cleaned and disinfected, by the transportation agency delivering the vehicle to such point of transfer, under the supervision of a Federal or State inspector or an ac-

credited veterinarian, immediately after unloading of the animals and before being moved from such point of transfer, in accordance with the provisions of §§ 71.6, 71.7, 71.10, and 71.11 of this subchapter: *Provided, however,* That if such supervision or proper cleaning and disinfection facilities are not available at such point of transfer, upon having first secured permission from Veterinary Services, the vehicle may be forwarded empty to a point at which such supervision and facilities are available and there be cleaned and disinfected.

§ 80.8 Segregation of paratuberculosis reactors en route interstate.

Paratuberculosis reactors shall not be moved interstate in a railroad car, boat, truck, or other vehicle, containing healthy animals susceptible to paratuberculosis unless all of the animals are for immediate slaughter, or unless the reactors are kept separate from the other animals by a partition securely affixed to the sides of the vehicle.

§ 80.9 Certificates pertaining to movement of animals.

(a) Whenever the regulations in this part require a certificate in connection with the movement of animals and the animals are moved by a transportation agency issuing waybills or other forms of billing covering the movement, the certificate shall be delivered to such transportation agency by the shipper at the time the animals are delivered for shipment; shall become the property of the transportation agency; shall be attached to the billing by the transportation agency; shall accompany such billing to the destination of the animals; and shall be filed with such billing for future reference.

(b) Whenever the regulations in this part require a certificate in connection with the movement of animals and the animals are moved by a transportation agency not issuing waybills or other forms of billing, or moved by any other
