Subpart A—General Provisions

§ 380.1 Applicability.

This part applies to Public Charter air transportation of passengers in interstate or foreign air transportation, whether furnished by direct air carriers or Public Charter operators. This part also relieves such charter operators from various provisions of subtitle VII of Title 49 of the United States Code (statute), formerly Title IV of the Federal Aviation Act of 1958, as amended, for the purpose of enabling

§ 380.2

them to provide Public Charters utilizing aircraft chartered from such direct air carriers. It also declines jurisdiction over foreign Public Charter operators operating foreign-originating Public Charters.

§ 380.2 Definitions.

For the purposes of this part:

Certificated air carrier means a U.S. direct air carrier holding a certificate issued under the statute.

Charter flight means a flight operated under the terms of a charter contract between a direct air carrier and its customer. It does not include scheduled air transportation, scheduled foreign air transportation, or nonscheduled cargo air transportation, sold on an individually ticketed or individually waybilled basis.

Direct air carrier means a certificated or foreign air carrier, or an air taxi operator or commuter air carrier registered under part 298 of this chapter, or a Canadian charter air taxi operator registered under part 294 of this chapter, that directly engages in the operation of aircraft under a certificate, permit or exemption issued by the Department.

Educational institution means a school that is operated as such on a year-round basis and is empowered to grant academic degrees or secondary school diplomas by any government in the United States or by a foreign government.

Foreign air carrier means a direct air carrier that holds a foreign air carrier permit issued under the statute or an exemption issued under the statute authorizing direct foreign air transportation.

Foreign Public Charter operator means an indirect air carrier which is not a citizen of the United States as defined in the statute, that is authorized to engage in the formation of groups for transportation on Public Charters in accordance with this part.

Indirect air carrier means any person who undertakes to engage indirectly in air transportation operations and who uses for such transportation the services of a direct air carrier.

Public Charter means a one-way or round-trip charter flight to be performed by one or more direct air car-

riers that is arranged and sponsored by a charter operator.

Public Charter operator means a U.S. or foreign Public Charter operator.

Security agreement means:

(1) A surety bond issued by a company—

(i) That is listed in the Best's Insurance Reports (Fire and Casualty) with a general policyholders' rating of "A" or better, or

(ii) That is listed in the U.S. Department of Treasury's notice listing companies holding Certificates of Authority as acceptable sureties on Federal bonds and as acceptable reinsuring companies, published in the FEDERAL REGISTER in the first week in July; or

(2) A Surety trust agreement or a letter-of-credit, issued by a Federal Deposit Insurance Corporation-insured financial institution, which provides substantially equivalent protection.

Statute means Subtitle VII of Title 49 of the United States Code (Transportation).

Sub-operator means a Public Charter operator that has contracted for its charter seats from a Public Charter operator that has contracted from one or more direct air carriers. A sub-operator is itself an indirect air carrier, not an agent of the Public Charter operator from which it has obtained its seat.

U.S. Public Charter operator means an indirect air carrier that is a citizen of the United States as defined in 49 U.S.C. 40102(a) and that is authorized to engage in the formation of groups for transportation on Public Charters in accordance with this part.

§ 380.3 General provisions.

(a) Public Charters may be operated on a one-way or round-trip basis, with no minimum group or contract size. Public Charters may be sold on an air-only basis, or with mandatory or optional land arrangements.

(b) A U.S. Public Charter operator operating a Public Charter which originates in a foreign country shall not be subject to the requirements of §§ 380.25, 380.28, 380.30 and 380.35.

(c) The Department declines to exercise jurisdiction over a foreign Public Charter operator which operates a Public Charter originating in a foreign

country, but reserves the right to exercise its jurisdiction over any foreign Public Charter operator at any time its finds that such action is in the public interest.

(d)(1) An educational institution operating a Public Charter need not comply with the financial security requirements of § 380.34 if each student participant in the charter is enrolled in a formal academic course of study outside the United States, sponsored by or in conjunction with that institution, that is of at least four weeks' duration.

(2) The spouse, children, and parents of a student participant may accompany the participant on a charter operated under this section.

(e) The Department, upon application or on its own initiative, may waive any of the provision of this part if it finds such action to be in the public interest.

§ 380.4 Enforcement.

In the case of any violation of the provision of the Statute or of this part, or any other rule, regulations, or order issued under the Statute, the violator may be subject to a proceeding pursuant to the Statute before the Department or a U.S. district court, as the case may be, to compel compliance therewith; to civil penalties pursuant to the provisions of the Statute, or to criminal penalties pursuant to the provisions of the Statute, or other lawful sanctions.

Subpart B—Conditions and Limitations

§ 380.10 Public Charter requirements.

Public Charters under this part shall meet the following requirements:

(a)–(b) [Reserved]

(c) If the charter is on a round-trip basis, the departing flight and returning need not be performed by the same direct air carrier.

(d) The air transportation portion of the charter must be performed by direct air carriers that hold authority under Chapter 411 and 413 of the Statute, or are operating under 14 CFR part 298, except that only U.S. citizen direct air carriers may provide air transportation for operations in interstate air transportation.

§ 380.11 Payment to direct air carrier(s).

Except for air taxi operators and commuter air carriers (which are governed by 14 CFR 298.38) and Canadian charter air taxi operators (which are governed by 14 CFR 294.32), the direct air carrier(s) shall be paid in full for the cost of the charter transportation (for both legs, if a round-trip charter) prior to the scheduled date of flight departure, as provided for in the basic charter regulations applicable to the direct air carrier(s) under part 212 of this chapter.

§ 380.12 Cancellation by charter operator and notice to participants.

(a) The charter operator may not cancel a charter for any reason (including insufficient participation), except for circumstances that make it physically impossible to perform the charter trip, less than 10 days before the scheduled date of departure of the outbound trip.

(b) If the charter operator cancels 10 or more days before the scheduled date of departure, the operator must so notify each participant in writing within 7 days after the cancellation but in any event not less than 10 days before the scheduled departure date of the outbound trip. If a charter is canceled less than 10 days before scheduled departure (i.e., for circumstances that make it physically impossible to perform the charter trip), the operator must get the message to each participant as soon as possible.

§ 380.13 Prohibition on sale of round trips with open returns.

The charter operator shall not accept any participant's payment for return transportation unless the participant has specified a particular return flight.

§ 380.14 Unused space.

Noting contained in this part shall preclude a charter operator from utilizing any unused space on an aircraft by it for a Public Charter for the transportation, on a free or reduced basis, of such charter operator's employees, directors, and officers, and parents and immediate families of such persons.

§ 380.15

§ 380.15 Substitution for charter participants.

Substitutes may be arranged for charter participants at any time preceding departure. Participants who provide the charter operator or its sales agent with a substitute participant, or who are substituted for by a participant found by the operator, shall receive a refund of all moneys paid to the operator, except that the operator may reserve the right to retain an administrative fee not to exceed \$25 for effecting the substitution.

§ 380.17 Charters conducted by educational institutions.

(a) This section shall apply only to charters conducted by educational institutions for charter groups comprised of bona fide participants in a formal academic course of study abroad which is of at least 4 weeks duration. The charter group may also include a student participant's immediate family (spouse, children, and parents). Except as modified in this section, all terms and conditions of this part applicable to the operation of Public Charters shall apply to charters conducted by educational institutions.

(b) An educational institution conducting such a charter shall submit to the Office of Aviation Analysis, Special Authorities Division, a statement, signed by its president, certifying that it meets the definition of "educational institution" set forth in § 380.2.

(c) An educational institution conducting such a charter need not comply with the requirements of §§ 380.25, 380.28, 380.34, and 380.35.

**Subpart C—Requirements
Applicable to Charter Operators**

§ 380.20 Relief from the Statute.

(a) To the extent necessary to permit them to organize and arrange public charters, charter operators and foreign charter operators are hereby relieved from the following provisions of Subtitle VII of Title 49 of the U.S. Code, only if and so long as they comply with the provisions and the conditions imposed by this part:

- (1) Chapter 411.
- (2) Chapter 413.

14 CFR Ch. II (1–1–01 Edition)

§§ 380.21–380.23 [Reserved]

§ 380.24 Suspension of exemption authority.

The Department reserves the power to deny the exemption authority of any charter operator, without hearing, if it finds that such action is necessary in the public interest or is otherwise necessary in order to protect the rights of the traveling public.

§ 380.25 Prospectus filing and related requirements.

A charter operator may organize and operate a Public Charter only in accordance with this part, and subject to the following conditions:

(a) No charter operator shall operate, sell, receive money from any prospective participant for, or offer to sell or otherwise advertise a charter or series of charters until the Office of Aviation Analysis, Special Authorities Division, has accepted a Public Charter prospectus as described in § 380.28.

(b) If within 10 days after the filing the Department notifies the charter operator that it has rejected the prospectus for noncompliance with this part, the prohibitions set forth in paragraph (a) of this section shall continue until the Department advises that it has accepted the prospectus.

(c) The following amendments to a filed prospectus may be made:

- (1) The addition or cancellation of any flight;
- (2) A change in any flight, date, origin city or destination city; and
- (3) A change in or addition of any direct air carrier, securer, or depository bank.

(d) The charter operator shall amend the prospectus to reflect any change described in paragraph (c) of this section. The amendment shall be filed in the manner and form used for the original prospectus. It shall become effective upon filing unless the operator is otherwise notified.

(e) The charter operator shall notify the depository bank (if any) and the securer of any change described in paragraph (c) of this section not later than when filing a prospectus amendment to reflect the change. If the securer is unable to adjust the security agreement as required by the change, the Office of Aviation Analysis, Special Authorities Division shall be advised of this fact within 2 business days.

(Approved by the Office of Management and Budget under Control Number 2106-0005).

§ 380.26 Discrimination.

No charter operator shall make, give, or cause any undue or unreasonable preference or advantage to any particular person, port, locality, or description of traffic in air transportation in any respect whatsoever, or subject any particular person, port, locality, or description of traffic in air transportation to any unjust discrimination or any undue or unreasonable prejudice or disadvantage in any respect whatsoever.

§ 380.27 Methods of competition.

No charter operator shall engage in unfair or deceptive practices or unfair methods of competition in air transportation or the sale thereof.

§ 380.28 Charter prospectus.

(a) The charter prospectus shall include an original and two copies of the following:

(1) From the charter operator and the direct air carrier:

(i) The proposed flight schedule, listing the origin and destination cities, dates, type of aircraft, number of seats, and charter price for each flight;

(ii) The tour itinerary (if any) including hotels (name and length of stay at each), and other ground accommodations and services; and

(iii) A statement that they have entered into a charter contract that cov-

ers the proposed flight schedule, that the contract complies with all applicable Department regulations, and that a copy of the schedule has been sent to the depository bank (if any) and the operator's securer. The schedule shall be identified with a number assigned by the charter operator that does not duplicate any schedule numbers assigned by the operator to other proposed flight schedules. The proposed flight schedule, tour itinerary (if any), and statement shall be filed on OST Form 4532.

(2)(i) From the charter operator and the securer, a statement:

(A) That they have entered into a security agreement covering the proposed flight schedule that complies with §380.34, including the amount of the coverage, the number assigned to it by the securer, and the amount of any outstanding claims against it, and

(B) That the securer has received a copy of the proposed flight schedule. The statement shall identify the proposed flight schedule by the schedule number assigned by the charter operator in accordance with paragraph (a) of this section. If there are any outstanding claims against the agreement, the charter operator and securer shall also state that they have executed a rider or amendment increasing the coverage by the amount of the claims, or that the securer will separately pay any claims for which it may be liable without impairing the agreement or reducing the amount of its coverage.

(ii) These statements shall be filed on OST Form 4533.

(3) If a depository agreement is used, a statement from the charter operator, the direct air carrier, and the depository bank:

(i) That they have entered into a depository agreement covering the proposed flight schedule that complies with §380.34, and

(ii) That the bank has received a copy of the proposed flight schedule by the schedule number assigned by the charter operator in accordance with paragraph (a)(1) of this section. This statement shall be filed on OST Form 4534.

(b) Each of the statements described in paragraph (a) of this section shall also include the names and addresses of

§ 380.29

the parties to it, and the originals shall be signed by those parties.

(c) The prospectus may cover a series of charters performed by one charter operator if the departure of the last charter is not more than one year after the departure of the first.

(Approved by the Office of Management and Budget under Control Number 2106-0005).

§ 380.29 Charter contract.

§ 380.30 Solicitation materials.

(a) All solicitation materials for a Public Charter shall include the name of the charter operator and the name of the direct air carrier.

(b) Any solicitation material that states a price per passenger shall also include one of the following:

(1) A statement referring to the operator-participant contract for further information about conditions applicable to the charter; or

(2) The full text of the operator-participant contract.

(c) Except as set forth in § 380.33a for operator's option plan contracts, if the charter prospectus names alternative dates or cities, any solicitation material that states a price per passenger shall also state that the actual dates or cities have not yet been selected, if that is the case.

(d) Any solicitation material that names a hotel but does not name every hotel named in the operator-participant contract shall also state that substitutions may be made.

(e) In any solicitation material from a direct air carrier, indirect air carrier, or an agent of either, for a charter,

14 CFR Ch. II (1-1-01 Edition)

charter tour (*i.e.*, a combination of air transportation and ground accommodations), or a charter tour component (*e.g.*, a hotel stay), any price stated for such charter, tour, or component shall be the entire price to be paid by the participants to the air carrier, or agent, for such charter, tour, or component.

§ 380.31 General requirements for operator-participant contracts.

(a) Except for telephone sales for which payment is made by credit card as described in paragraph (b) of this section, the charter operator shall not accept payment from or on behalf of a prospective participant unless the participant has agreed to the conditions of the charter by signing an operator-participant contract as described in § 380.32. If a member of a group that will travel together pays for the group, that member may sign the contract on behalf of the group.

(b) For telephone sales only, the charter operator may accept payment by credit card without the participant having first signed an operator-participant contract provided that the charter operator first advises the customer:

(1) That he or she has the right to receive the operator-participant contract before making a booking;

(2) That the operator-participant contract will be mailed to the participant within 24 hours of accepting payment by credit card; and

(3) That the operator-participant contract must be signed, and the signed portion returned to the operator, before travel.

(4) A full refund must be made of any amounts charged to a credit card for any participant who cancels before the operator-participant contract is signed.

(c) The contract form may include a space that participants may check to authorize the charter operator to retain their money while attempting to make other arrangements for them if there is no space available on the flight or on specific alternative flights they have requested.

(d) If there is no space available on the flight or specific alternative flights requested by the participant the operator shall return all the participant's money within 7 days after receiving it

unless the participant, in accordance with paragraph (c) of this section, has authorized the operator to retain the payments while the operator attempts to make other arrangements for the participant. If the operator retains the payments while attempting to make other arrangements for the participant, it shall notify the participant of the fact within 7 days after receiving the payments, but in no event later than the departure. For the purpose of the time periods in this paragraph, receipt of money by a travel agent on behalf of a charter operator will not be considered as receipt by the operator.

(e) Except as set forth in §380.33a for operator's option plan contracts, the operator-participant contract shall not specify alternative dates for the outbound or return flights, or alternative origin or destination cities for any flight leg.

(f) The contract form shall be printed in 7-point or larger type. The statements required by paragraph (a), (f), (h), (l), (r), (s), and (x) of §380.32 shall be printed so as to contrast with the rest of the contract by the use of bold-faced type, capital letters, or a type size that is at least 50 percent larger than that used for the rest of the contract.

(g) The contract form shall include a space that participants may check to indicate that they wish to be furnished details of trip cancellation, health, and accident insurance.

(h) The contract form shall be designed so as to enable participants to retain a copy of the general terms and conditions after signing it. The specific information supplied by participants (such as choices of dates, cities, or other options) need not be retainable.

§380.32 Specific requirements for operator-participant contracts.

Contracts between charter operators and charter participants shall state:

(a) The name and complete mailing address of the charter operator;

(b) The name of the direct air carrier, the dollar amounts of that carrier's liability limitations for participant's baggage, the type and capacity of the aircraft to be used for the flight, and the conditions governing aircraft-equipment substitutions;

(c) The dates of the outbound and return flights;

(d) The origin and destination cities of each flight leg;

(e) The amount and schedule of payments;

(f) If a depository agreement as provided in §380.34(b) is used: That all checks, money orders, and credit card drafts must be made payable to the escrow account at the depository bank (identifying bank)¹ or, when the charter is sold to the participant by a retail travel agent, checks and money orders may be made payable to the agent, who must in turn make his check payable to the escrow account at the depository bank;

(g) The tour itinerary, if any, including the name and location of the hotels, length of stay at each, and other ground accommodations and services that are part of the tour;

(h) That the charter operator may not cancel the charter less than 10 days before the scheduled departure date, except for circumstances that make it physically impossible to perform the charter trip;

(i) That if a charter is canceled 10 or more days before the scheduled departure date, the operator will notify the participant in writing within 7 days after the cancellation, but in any event at least 10 days before the scheduled departure;

(j) That if a charter is canceled less than 10 days before departure (*i.e.*, for circumstances that make it physically impossible to perform the charter trip), the operator will get the message to the participant as soon as possible;

(k) That if the charter is canceled, a refund will be made to the participant within 14 days after the cancellation;

(l) The right to refunds if the participant changes plans is limited;

¹If the credit card merchant account is separate from the depository account, it must be used solely as a conduit, *i.e.*, all credit card payments toward Public Charter trips must be immediately remitted to the depository account in full, without holdback, or retention of any portion of the participant's payment. If the depository bank is not the credit card merchant bank, the Department must be satisfied that there are adequate procedural safeguards for the protection of participants' payments.

§ 380.33

14 CFR Ch. II (1-1-01 Edition)

(m) The right to refunds if the participant changes plans, including

(1) The right to a full refund, for sales made by credit card, until an operator-participant contract is signed; and

(2) That any participant who wishes to cancel will receive a full refund (less any applicable administrative fee, not to exceed \$25) upon providing a substitute participant to the charter operator or its sales agent, or upon being substituted for by a participant found by the charter operator;

(n) The procedure for obtaining the refunds described in paragraph (m) of this section, including that they will be made within 14 days after the cancellation or substitution;

(o) The meaning of "major change", as set forth in § 380.33(a);

(p) That if the charter operator knows of a major change 10 or more days before scheduled departure, the operator will notify the participant of the change within 7 days after first knowing of it, but in any event at least 10 days before scheduled departure;

(q) That is the operator first knows of a major change less than 10 days before scheduled departure, the operator will get the message to the participant as soon as possible;

(r) That within 7 days after receiving a pre-departure notification of a major change but in no event later than departure, the participant may cancel, and that a full refund will be made to the participant within 14 days after canceling;

(s) That upon a post-departure notification of a major change, the participant may reject the substituted hotel or the changed date, origin, or destination of a flight leg and be sent, within 14 days after the return date named in the contract, a refund of the portion of his payment allocable to the hotel accommodations or air transportation not provided;

(t) That the participants rights and remedies set forth in the contract, including the procedures for major changes, shall be in addition to any other rights or remedies available under applicable law, although the operator may condition a refund on the participant's waiver of additional remedies;

(u) That trip cancellation, health, and accident insurance is available and that the operator will furnish details of the insurance to participants who check the space provided for this purpose on the contract form;

(v) The name and address of the security company or bank issuing the security agreement; and that unless the charter participant files a claim with the charter operator or, if he is unavailable, with the securer, within 60 days after termination of the charter, the securer shall be released from all liability under the security agreement to that participant. Termination means the date of arrival (or in the case of a canceled charter, the intended date or arrival) of the return flight. If there is no return flight in a participant's itinerary, termination means the date or intended date of departure of the last flight in the participant's itinerary;

(w) For international flights only: That additional restrictions may be imposed on the flight by the foreign government involved, and that if landing rights are denied by a foreign government the flight will be canceled with a full refund to the participant. This statement need not be included in the contract if—

(1) The prospectus includes a certification by the charter operator and the direct air carrier that landing rights have been obtained from all the foreign governments involved, and

(2) All the foreign governments involved have adopted country-of-origin rules for charterworthiness;

(x) That the charter operator is the principal and is responsible to the participants for all services and accommodations offered in connection with the charter. However, the contract may expressly provide that the charter operator, unless negligent, is not responsible for personal injury or property damage caused by any direct air carrier, hotel or other supplier of services in connection with the charter.

§ 380.33 Major changes in itinerary or price; refunds.

(a) For the purposes of this section, "major change" means any of the following:

(1) A change in the departure or return date shown in the operator-participant contract, (or, if the contract states alternative dates, the date designated to the participant by the charter operator in accordance with §380.33a(b)), unless the change results from a flight delay. In any event, however, a date change that the operator knows of more than 2 days before the scheduled flight date, and any delay of more than 48 hours, will be considered a major change.

(2) A change in the origin or destination city shown in the operator-participant contract for any flight leg (or, if the contract states alternative cities, the city designated to the participant by the operator in accordance with §380.33a(b)), unless the change affects only the order in which cities named in a tour package are visited.

(3) A substitution of any hotel that is not named in the operator-participant contract; and

(4) A price increase to the participant that occurs 10 or more days before departure and results in an aggregate price increase of more than 10 percent.

(b) The charter operator shall not increase the price to any participant less than 10 days before departure.

(c) The charter operator shall notify all participants of major changes, as required by the operator-participant contracts. This notification shall include the participants' rights to refunds required to be described in the operator-participant contract. The operator shall, if applicable, also notify the participants that the acceptance of a refund constitutes a waiver of their legal rights.

(d) Except as otherwise specified, notifications and refunds required by this part are considered made at the time they are mailed or sent by an equivalent method.

(e) The charter operator shall make all refunds required to be described in the operator-participant contract within the time limits set forth in paragraphs (k), (n), (r), and (s) of §380.32, as applicable.

§ 380.33a Operator's option plan.

(a) For the purposes of this part, an operator's option plan contract that states alternative dates for the out-

bound or return flights, or alternative origin or destination cities for any flight leg.

(b) Operator's option plan contracts shall state, in addition to the information required by §380.32, that the selection of the actual dates or cities, as applicable, is at the charter operator's option and will not entitle the participant to a refund, and that the operator will notify the participant of the actual dates or cities at least 10 days before the earliest of any alternative dates for the outbound flight.

(c) Contract forms for all operator's option plan contracts shall be labeled "OPERATOR'S OPTION PLAN" in bold-faced capital letters at least ¼ inch high. The statement required by paragraph (b) of this section and the statement of alternative dates (§380.32(c)) or alternative cities (§380.32(d)), as applicable, shall be printed so as to contrast with the rest of the contract, as set forth in §380.31(f).

(d) Any solicitation material that states a price per passenger for an operator's option plan contract shall clearly and conspicuously—

(1) Identify that price as being for the operator's option plan,

(2) Name all the possible dates or cities, as applicable, and

(3) State that the selection of the actual dates or cities is at the charter operator's option.

(e) Charter operators and their agents shall not misrepresent to prospective participants, orally, in solicitation materials, or otherwise, the probability that any particular city or date will be selected from among the alternatives named in an operator's option plan contract.

(f) The charter operator shall notify all participants with operator's option plan contracts of the actual dates or cities, as applicable, as required by contracts.

§ 380.34 Security and depository agreements.

(a) Except as provided in paragraph (b) of this section, the charter operator or foreign charter operator shall furnish a security agreement in an amount for not less than the charter price for the air transportation, if only

§ 380.34

14 CFR Ch. II (1-1-01 Edition)

air transportation is involved, or, if the charter involves land accommodations in addition to air transportation, a security agreement in one of the following amounts dependent upon the length of the charter or series of charters:

(1) For a charter or series of charters of 14 days or less, security in an amount of not less than the charter price for the air transportation to be furnished in connection with such charter or series of charters;

(2) For a charter or series of charters of more than 14 days but less than 28 days security in an amount of not less than twice the charter price; and

(3) For a charter or series of charters of 28 days or more, security in an amount of not less than three times the charter price: Provided, however, That the liability of the securer to any charter participant shall not exceed amounts paid by that participant to the charter operator with respect to the charter.

(b) The direct air carrier and the charter operator or foreign charter operator may elect, in lieu of furnishing a security agreement as provided under paragraph (a) of this section, to comply with the requirements of paragraphs (b)(1) and (b)(2) of this section, as follows:

(1) The charter operator shall furnish a security agreement in an amount of at least \$10,000 times the number of flights, except that the amount need not be more than \$200,000. The liability of the securer to any charter participant shall not exceed the amount paid by the participant to the charter operator for that charter.

(2) The direct air carrier and charter operator or foreign charter operator shall enter into an agreement with a designated bank, the terms of which shall provide that all payments by charter participants paid to charter operators or foreign charter operators and their retail travel agents shall be deposited with and maintained by the bank subject to the following conditions:

(i) On sales made to charter participants by charter operators or foreign charter operators the participant shall pay by check, money order, or credit

card draft payable to the bank;² on sales made to charter participants by retail travel agents, the retail travel agent may deduct his commission and remit the balance to the designated bank by check, money order, or electronic transfer: Provided, That the travel agent agrees in writing with the charter operator or foreign charter operator that if the charter is canceled the travel agent shall remit to the bank the full amount of the commission previously deducted or received within 10 days after receipt of notification of cancellation of the charter; except for the credit card company's usual commission (not to exceed 3 percent), the charter operator shall not permit any portion of a charter participant's payments by credit card to be "held back" by the credit card merchant bank;³

(ii) The bank shall pay the direct air carrier the charter price for the transportation not earlier than 60 days (including day of departure) prior to the scheduled day of departure of the originating or returning flight, upon certification of the departure date by the air carrier: Provided, That, in the case of a round trip charter contract to be performed by one carrier, the total round trip charter price shall be paid to the carrier not earlier than 60 days prior to the scheduled day of departure of the originating flight;

(iii) The bank shall reimburse the charter operator or foreign charter operator for refunds made by the latter to the charter participant upon written notification from the charter operator or foreign charter operator;

(iv) If the charter operator, foreign charter operator or the direct air carrier notifies the bank that a charter has been canceled, the bank shall make applicable refunds directly to the charter participants;

(v) After the charter price has been paid in full to the direct air carrier, the bank shall pay funds from the account

directly to the hotels, sightseeing enterprises, or other persons or companies furnishing ground accommodations and services, if any, in connection with the charter or series of charters upon presentation to the bank of vendors' bills and upon certification by the charter operator or foreign charter operator of the amounts payable for such ground accommodations and services and the person or companies to whom payment is to be made: Provided, however, That the total amounts paid by the bank pursuant to paragraphs (b)(2) (ii) and (v) of this section shall not exceed either the total cost of the air transportation, or 80 percent of the total deposits received by the bank less any refunds made to charter participants pursuant to paragraphs (b)(2) (ii) and (iv) of this section, whichever is greater;

(vi) As used in this section, the term "bank" means a bank insured by the Federal Deposit Insurance Corporation;

(vii) The bank shall maintain a separate accounting for each charter group;

(viii) Notwithstanding any other provisions of this section, the amount of total cash deposits required to be maintained in the depository account of the bank may be reduced by one or both of the following: The amount of the security agreement in the form prescribed in this section in excess of the minimum coverage required by paragraph (b)(1) of this section; an escrow with the designated bank of Federal, State, or municipal bonds or other securities, consisting of certificates of deposit issued by banks having a stated policy of redeeming such certificates before maturity at the request of the holder (subject only to such interest penalties or other conditions as may be required by law), or negotiable securities which are publicly traded on a securities exchange, all such securities to be made payable to the escrow account: Provided, That such other securities shall be substituted in an amount no greater than 80 percent of the total market value of the escrow account at the time of such substitution: And provided, further, That should the market value of such other securities subsequently decrease, from time to time, then additional cash or securities qualified for investment

hereunder shall promptly be added to the escrow account, in an amount equal to the amount of such decreased value; and

(ix) Except as provided in paragraph (b)(2)(i), (iii), (iv), (v), and (viii) of this section, the bank shall not pay out any funds from the account prior to 2 banking days after completion of each charter, when the balance in the account shall be paid the charter operator or foreign charter operator, upon certification of the completion date by the direct air carrier: Provided, however, That if the Charter involves air transportation only and the bank has paid the direct air carrier(s) the charter price for the originating flight, and the returning flight if any, and has paid all refunds due to participants, as provided in paragraph (b)(2)(ii) and (iii), respectively, of this section, then the bank may pay the balance in the account to the charter operator upon certification by the direct air carrier performing the originating flight that such flight has in fact departed.

(c)(1) The security agreement required under paragraphs (a) and (b) of this section shall insure the financial responsibility of the charter operator or foreign charter operator and the supplying of the transportation and all other accommodations, services, and facilities in accordance with the contract between the charter operator or foreign charter operator and the charter participants.

(2) The security agreement may be either:

(i) A surety bond in the form set forth as appendix A to this part;

(ii) A surety trust agreement in the form set forth as appendix B to this part; or

(iii) An arrangement with a bank (for instance, a standby letter of credit) that provides protection of charter participants' funds equivalent to or greater than that provided by the Bond in appendix A. An arrangement that furnishes a lesser degree of protection than would be provided under the bond shall be invalid to that extent, and instead the bank, the charter operator or foreign charter operator, and the charter participants shall have the same rights and liabilities as provided under a bond in the form of appendix A. If the

§ 380.34a

14 CFR Ch. II (1–1–01 Edition)

arrangement does not give as much protection as a bond against the risk of the charter operator's bankruptcy, the bank shall be liable in the event of bankruptcy to the same extent as if it had entered into a bond.

(3) Any agreement under paragraph (c)(2)(iii) of this section shall include a statement that, in the event that the other provisions of the agreement do not provide protection to charter participants comparable to that provided under a bond in the form of appendix A, the bank shall assume, for the benefit of the charter participants, all the liabilities it would have if it entered into the bond.

(4) The security agreement shall be effective on or before the date the charter prospectus is filed with the Department.

(5) The security agreement shall be specifically identified by the issuing securer with a numbering system so that the Department can identify the security agreement with the specific charter or charters to which it relates. These data may be set forth in an addendum attached to the security agreement, which addendum must be signed by the charter operator or foreign charter operator and the securer.

(6) When security is provided by a surety bond, such bond shall be issued by a bonding or surety company that is listed in Best's Insurance Reports (Fire and Casualty) with a general policyholders' rating of "A" or better. The bonding or surety company shall be one legally authorized to issue bonds of that type in the State in which the charter originates. For purposes of this section the term "State" includes any territory or possession of the United States, or the District of Columbia.

(7) When security is provided by a security agreement other than a bond, the agreement shall be issued by a national bank complying with the provisions of 12 CFR 7.7010(a), or by a State bank complying with applicable State laws that give authority to issue such agreements, and all such banks must be insured by the Federal Deposit Insurance Corporation.

(d) The security agreement required by this section shall provide that unless the charter participant files a claim with the charter operator or for-

eign charter operator, or, if it is unavailable, with the securer, within 60 days after termination of the charter, the securer shall be released from all liability under the security agreement to such charter participant. Terminations means the date of arrival (or in the case of a canceled charter, the intended date of arrival) of the return flight. If there is no return flight in a participant's itinerary, termination means the date or intended date of departure of the last flight in the participant's itinerary.

§ 380.34a Substitution of direct air carrier's security or depository agreement.

(a) A direct air carrier may substitute its own security agreement and/or depository arrangements, as specified in this section, for those required of the charter operator under § 380.34, but only for charter trips in which all the air transportation is provided by one direct air carrier. Charter operators are relieved from § 380.34 to the extent that the direct carrier substitutes its own arrangements.

(b) The direct air carrier may substitute its security agreement for all of the arrangements required of the charter operator under § 380.34 (a) or (b). Alternatively, it may substitute its depository agreement for the depository agreement required of the charter operator under § 380.34(b)(2). If the direct carrier substitutes its depository agreement, it may also obtain and substitute a security agreement for the one otherwise required of the charter operator under § 380.34(b)(1). If the direct carrier substitutes its depository agreement only, the charter operator must supply the security agreement required under § 380.34(b)(1).

(c) If the direct carrier substitutes a security agreement for all the charter operator's requirements under § 380.34, the charter operator shall include in the charter prospectus, in place of the information in § 380.28(a)(2) regarding the charter operator's security agreement:

(1) A statement by the direct air carrier on OST Form 4535 that it will take responsibility for all charter participant payments (including those for ground accommodations and services)

and for the fulfillment of all the charter operator's contractual and regulatory obligations to the charter participants.

(2) A statement from the direct air carrier and its securer (under §212.12 of this chapter), OST Form 4533, that they have entered into a security agreement assuring the direct air carrier's responsibilities to charter participants under this section in an unlimited amount (except that the liability of the securer with respect to any charter participant may be limited to the charter price paid by or on behalf of such participant), and that the securer has received a copy of the proposed flight schedule identified by the schedule number assigned by the charter operator under this part.

(d) A substitute depository agreement under this section shall be signed by the direct air carrier, the charter operator, and the depository bank, and shall provide, in addition to existing requirements under §212.8 of this chapter, that:

(1) Payments by or on behalf of charter participants shall be allocated to the flight accounts matching the participant's itinerary in the following way: Each account shall have allocated to it the charter cost of the participant's air transportation on that flight. The portion of each payment not intended for air transportation services shall be allocated to the account for the return flight in the participant's itinerary. If there is only one flight in the itinerary, the entire payment shall be allocated to that account.

(2) The bank shall pay funds from a flight account directly to the hotels, sightseeing enterprises, or other persons or companies furnishing ground accommodations and services, if any, in connection with the charter flight, upon presentation to the bank of vendor's bills and upon certification by the person who contracted for the ground accommodations or services of the amounts payable and the persons or companies to whom payment is to be made, except that no disbursement shall be made that would reduce the balance in the account below the charter cost of the flight.

(3) On sales made to participants by a person other than a retail travel agent, the participant shall pay by check, money order, or credit card draft payable to the bank. On sales made to participants by a retail travel agent, payments shall be made in the same manner unless the agent deducts its commission and remits the balance to the bank by check, money order, or electronic transfer. The agent may deduct its commission only if it agrees in writing with its principal (the charter operator or direct air carrier, as applicable) that, if the charter is canceled, the agent shall remit to the bank the full amount of the commission previously deducted or received within 10 days after receipt of notification of the cancellation. The depository bank shall pay refunds directly to participants according to the terms of the operator-participant contract and the terms of this part.

(e) If the direct carrier substitutes a security agreement in addition to substituting a depository agreement, the charter prospectus information must include all the information required by paragraphs (c) and (d) of this section, except for the amount of the security agreement. That agreement shall be in an amount of at least \$10,000 times the number of flights, except that the amount need not be more than \$200,000.

(f) A copy of the depository agreement under paragraph (d) of this section shall be filed with the Department, and it shall not be effective until approved by the Department.

(g) A copy of the security agreement under paragraph (c) or paragraph (e) of this section shall be filed with the Department. It shall insure the financial responsibility of the direct air carrier for supplying the transportation and all other accommodations, services, and facilities in accordance with the contracts between the charter operator and the charter participants. Such security agreement shall meet all the other requirements of §380.34 (c) and (d).

§380.35 Disbursements from depository account.

No charter operator or direct air carrier shall cause its agents or the depository bank to make disbursements or

§ 380.36

payments from deposits except in accordance with the provisions of this part.

§ 380.36 Record retention.

Every charter operator conducting a charter pursuant to this part shall comply with the applicable record-retention provisions of part 249 of this chapter.

(a) After a registration is received, one of the following actions will be taken.

(1) The application will be approved by the stamping of the effective date of registration on OST Form 4530 and returning the duplicate copy of the form to the operator;

(2) Additional information will be requested for the applicant;

(3) The applicant will be notified that its application will require further analysis or procedures, or is being referred to the Department for formal action;

(4) The registration application will be rejected if it does not comply with the filing requirements of this subpart;

(5) The application will be approved subject to such terms, conditions, or limitations as may be required by the public interest; or

§ 380.67 Waiver of sovereign immunity.

By accepting an approved registration form under this subpart, an operator waives any right it may have to assert any defense of sovereign immunity from suit in any proceeding against it, in any court or other tribunal of the United States, that is based upon a claim arising out of operations by the operator under this part.

The Trust shall not be liable hereunder for the payment of any damages hereinbefore described which arise as a result of any contracts, agreements, undertakings, or arrangements for the supplying of transportation and other services made by the Operator after the termination of this trust as herein provided, but such termination shall not affect the liability of the trust hereunder for the payment of any damages arising as a result of contracts, agreements, or arrangements for the supplying of transportation and other services made by the Operator prior to the date that such termination becomes effective.

Sixty-one days after the completion of the last charter covered by this Trust Agreement, the trust shall automatically terminate except for claims of any Beneficiary or Beneficiaries previously made in accordance with this Agreement still pending on and after said sixty-first day. To the extent of such claims, the trust shall continue until those claims are discharged, dismissed, dropped, or otherwise terminated; the remainder of the trust corpus shall be conveyed forthwith to the Operator. After all remaining claims which are covered by this Trust Agreement pending on and after the said sixty-first day have been discharged, dismissed, dropped, or otherwise terminated, the Trustee shall convey forthwith the remainder of the trust corpus, if any, to the Operator.

Either the Operator or Trustee may at any time terminate this trust by written notice to: "Special Authorities Division (P-57), Office of Aviation Analysis, U.S. Department of Transportation, Washington, DC 20590," such termination to become effective thirty days after the actual receipt of said notice by the Department.

In the event of any controversy or claim arising hereunder, the Trustee shall not be required to determine same or take any other action with respect thereto, but may await the settlement of such controversy or claim by final appropriate legal proceedings, and in such event shall not be liable for interest or damages of any kind.
