(i) The following statement: "Hypothetical or simulated performance results have certain inherent limitations. Unlike an actual performance record, simulated results do not represent actual trading. Also, since the trades have not actually been executed, the results may have under- or over-compensated for the impact, if any, of certain market factors, such as lack of liquidity. Simulated trading programs in general are also subject to the fact that they are designed with the benefit of hindsight. No representation is being made that any account will or is likely to achieve profits or losses similar to those shown;" or

(2) If the presentation of such simulated or hypothetical performance is other than oral, the prescribed statement must be prominently disclosed.

(c) The provisions of this section shall apply:

§5.2 Dormant contracts.

(a) *Definitions.* For purposes of this section:

(2) [Reserved]

(b) *Listing of additional futures trading months or option expirations.* No dormant contract market may list additional months or expirations for trading, or otherwise permit trading to recommence in such a dormant contract market, until such time as the Commission approves, pursuant to section 5a(a)(12)(A) of the Act and §1.41(b) of these regulations, the bylaw, rule, regulation or resolution of the contract market submitted to the Commission pursuant to paragraph (c) of this section.

(i) Clearly designate the submission as filed pursuant to Commission Rule 5.2.

(ii) Contain an economic justification for the listing of additional months or expirations in the dormant contract market, which shall include an explanation of those economic conditions which have changed subsequent to the time the contract became dormant and an explanation of how any new terms and conditions which are now being proposed by the contract market, or which have been proposed for an option market's underlying futures contract market, would make it reasonable to expect that the futures or option contract will be used on more than an occasional basis for hedging or price basing.

(d) *Exemptions.* No contract market shall be considered dormant until the end of sixty (60) complete calendar months:

(1) Following designation;

(2) Following notice to the contract market that the Commission has reviewed the economic purpose and the terms and conditions of the contract and has determined in its discretion to permit this exemption; or

APPENDIX A TO PART 5—GUIDELINE NO. 1; INTERPRETATIVE STATEMENT REGARDING ECONOMIC AND PUBLIC INTEREST REQUIREMENTS FOR CONTRACT MARKET DESIGNATION

(a) *Application for Designation of Physical Delivery Futures Contracts*

A board of trade shall submit:

- (1) The rules setting forth the terms and conditions of the futures contract.
- (2) A description of the cash market for the commodity on which the contract is based.

(i) The description may include, in addition to or in lieu of materials prepared by the board of trade, existing studies by industry trade groups, academics, governmental bodies or other entities, reports of consultants, or other materials which provide a description of the underlying cash market.

(3) A demonstration that the terms and conditions, as a whole, will result in a deliverable supply such that the contract will not be conducive to price manipulation or distortion and that the deliverable supply reasonably can be expected to be available to short traders and salable by long traders at its market value in normal cash marketing channels.

For purposes of this demonstration, provide the following information in chart or narrative form.

¹ If an identical provision has been approved for a nondormant contract in the same commodity, there is no need to provide an explanation in the next column.

² No estimate of deliverable supply is needed if a previously designated nondormant contract is trading. Where more than one contract is based on the same underlying commodity or instrument, positions should be combined for purposes of applying speculative limits.

§§ 7.100–7.101 [Reserved]

Subpart C—Board of Trade of the City of Chicago Rules

§ 7.200 [Reserved]

§ 7.201 Regulation 620.01(B).

Customers' claims and grievances. The Arbitration Committee and Mixed Panels constituted pursuant to Regulation 620.02 have jurisdiction to arbitrate all

customers' claims and grievances against any member or employee thereof which have arisen prior to the date the customer's claim is asserted. If the customer elects to initiate an arbitration proceeding of any customer claim or grievance, the member shall submit to arbitration in accordance with these Arbitration Rules and Regulations. The Arbitration shall be initiated by delivery to the Administrator of (a) a Statement of Claim and a "Chicago Board of Trade Arbitration Submission Agreement for Customer's Claims and Grievances" signed by the customer or (b) a Statement of Claim and another arbitration agreement between the parties, which agreement conforms in all respects with any applicable requirements prescribed by the Commodity Futures Trading Commission. The refusal of any member or employee to sign the "Chicago Board of Trade Arbitration Submission Agreement for Customer's Claims and Grievances" shall not deprive the Arbitration Committee or a Mixed Panel constituted pursuant to Regulation 620.02 of jurisdiction to arbitrate customers' claims under these Arbitration Rules and Regulations. The Committee and Mixed Panels have jurisdiction to arbitrate a counterclaim asserted in such an arbitration, but only if it arises out of the transaction or occurrence that is the subject of the customer's claim or grievance and does not require for adjudication the presence of essential witnesses, parties or third persons over whom the Association does not have jurisdiction. Other counterclaims are subject to arbitration by the Committee, or a Mixed Panel, only if the customer agrees to the submission after the counterclaim has arisen.
