To cite the regulations in this volume use title, part and section number. Thus, 20 CFR 501.1 refers to title 20, part 501, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16 .............................................................. as of January 1
Title 17 through Title 27 ................................................................. as of April 1
Title 28 through Title 41 .............................................................. as of July 1
Title 42 through Title 50 ............................................................. as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, April 1, 2001), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, or 1973–1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

The petition shall state the grounds relied upon, including any matters claimed to have been erroneously decided and shall specify the alleged errors. The petition may be in letter form.
(b) Answer; procedure for disposition of petitions. (b) Instead of filing the duplicate of any such document with the Board, the party submitting it may serve the duplicate or copy directly upon the Director and make a notation to that effect upon the copy filed with the Board.
(c) Any notice or order required under this part to be given or served shall be by certified or registered mail or by personal service.
(d) Computation of Time. (1) In computing any period of time prescribed or allowed by these rules or by direction of the Board, the first day counted shall be the day after the event from which the time period begins to run, and the last day for filing shall be included in the computation. If the last day for filing falls on a Saturday, Sunday, or Federal holiday, the first working day thereafter shall be the last day for timely filing. For purposes of computing the time for filing a notice of appeal or a petition for reconsideration, the event which commences the running of the time period shall be construed as occurring on the date the relevant decision is issued, and not the date the decision is actually received.
(2) Whenever a paper is served on the Board by mail, paragraph (d)(1) of this section will be deemed complied with if the envelope containing the paper is
§ 501.11 Appearances.

(a) Representation. In any proceeding before the Board, a party may appear in person, or by counsel or any other duly authorized person, including any accredited representative of an employee organization. No person shall be recognized as representing an appellant or intervenor unless there shall be filed with the Board a statement in writing, signed by the party to be represented, authorizing such representation. (b) Former members of the Board; other employees of the Department of Labor. A former member of the Board shall not be allowed to participate as counsel or other representative before the Board in any proceeding until two years from the termination of his status as a Board member. The practice of other former employees of the Department of Labor are governed by 29 CFR 2.2 and 2.3.

(c) Debarment of counsel or other representative. Whenever in any proceeding the Board finds that a person acting as counsel or other representative for any party to the proceeding is guilty of unethical or unprofessional conduct, the Board may order that such person be excluded from further acting as counsel or other representative in such proceeding. An appeal may be taken to the Secretary of Labor from such an order, but the proceeding shall not be delayed or suspended pending disposition of the appeal, although the Board may suspend the proceeding for a reasonable time for the purpose of enabling the party to obtain different counsel or other representative. Whenever the Board has issued an order precluding a person from further acting as counsel or other representative in a proceeding, the Board shall within a reasonable time thereafter submit to the Secretary of Labor a report of the facts and circumstances surrounding the issuance of the order, and shall recommend what action the Secretary of Labor should take in regard to the appearance of such person as counsel or other representative in other proceedings before the Board. Before any action is taken de diarrning such person as counsel or representative from other proceedings, he shall be furnished notice and opportunity to be heard on the matter.

(d) Fees. No claim for legal or other service rendered in respect to a proceeding before the Board to or on account of any person, shall be valid unless approved by the Board or by a member thereof. No contract for a stipulated fee or for a fee upon a contingent basis shall be recognized by the Board, and no fee for service shall be approved except upon an application to the Board supported by a sufficient statement of the extent and character of the necessary work done before the Board on behalf of the interested party. Except where such representation is gratuitous, the fee approved by the Board, or by a member thereof, shall be reasonably commensurate with the actual necessary work performed by such representative, taking into account the capacity in which the representative has appeared, the amount of the compensation involved, and the circumstances of the appellant.

§ 501.12 Intervention.

The Board may permit any person whose rights may be affected by any proceeding before the Board to intervene therein whenever such person shows in a written petition to intervene that such rights are so affected. The petition should state with precision and particularity (a) the rights affected; and (b) the nature of any argument he intends to make.
§ 501.13 Place of proceedings.

The Board shall sit in Washington, DC.

§ 601.2 Approval of State unemployment compensation laws.

States may at their option submit their unemployment compensation laws for approval (section 3304(a) of the Internal Revenue Code of 1954).

(a) Submission. The States submit to the Regional Administrator, Employment and Training Administration (RAETA) two copies of the State unemployment compensation law properly certified by an authorized State official to be true and complete, together with a written request for approval.

(b) Review of State law. The RAETA reviews the State law and forwards one copy to the central office of the Employment and Training Administration with his comments. The central office reviews the RAETA’s comments and analyzes the State law from the standpoint of the requirements of section 3304(a) of the Internal Revenue Code of 1954.

(c) Approval. The Secretary of Labor determines whether the State law contains the provisions required by section 3304(a) of the Internal Revenue Code of 1954. If the State law is approved, the Secretary notifies the Governor of the State within 30 days of the submission of such law.

(d) Certification. On December 31 of each taxable year the Secretary of
§ 601.3 Labor certifies, for the purposes of normal tax credit (section 3302(a)(1) of the Internal Revenue Code of 1954), to the Secretary of the Treasury each State the law of which he has previously approved. (See also §601.5.)

(Approved by the Office of Management and Budget under control number 1205–0222)

§ 601.3 Findings with respect to State laws and plans of operation.

For purposes of grants, findings are made regarding the inclusion in State unemployment compensation laws, approved under section 3304(a) of the Internal Revenue Code of 1954, of provisions required by section 303(a) of the Social Security Act (see §601.2); findings are also made whether a State has accepted the provisions of the Wagner-Peyser Act and whether its plan of operation for public employment offices complies with the provisions of said act. For purposes of additional tax credit, findings are made regarding reduced rates of contributions permitted by the State law (section 3303(a)(1) of the Internal Revenue Code of 1954).

So that the Secretary of Labor may be enabled to determine the status of State laws and plans of operation, all relevant State materials, such as statutes, executive and administrative orders, legal opinions, rules, regulations, interpretations, court decisions, etc., are required to be submitted currently.

(a) Submission. The States submit currently to the RAETA two copies of relevant State material, properly certified by an authorized State official to be true and complete.

(b) Review. The RAETA reviews the State material and forwards one copy to the central office with his comments. The central office reviews the material from the standpoint of its conformity with section 303(a) of the Social Security Act, section 3303(a) of the Internal Revenue Code of 1954, or the Wagner-Peyser Act, as the case may be.

(c) Findings. The Secretary makes findings as provided in the cited sections of the Federal law. In the event that the Secretary is unable to make the findings required for certification for payment or for certification of the law for purposes of additional tax credit, further discussions with State officials are undertaken.

(Approved by the Office of Management and Budget under control number 1205–0222)

§ 601.4 Certification for tax credit.

(a) Within 30 days after submittal of a State unemployment compensation law for such purpose, the Secretary certifies to the State agency, in accordance with the provisions of section 3303(b)(3) of the Internal Revenue Code of 1954, his findings regarding reduced rates of contributions allowable under such law. On December 31 of each taxable year the Secretary certifies to the Secretary of the Treasury the law of each State, certified with respect to such year under section 3304 of the Internal Revenue Code of 1954 (see §601.2), which he finds allows reduced rates with respect to such taxable year only in accordance with the provisions of section 3303(a) of the Internal Revenue Code of 1954.

(b) With regard to certification for payment, see §601.6.

§ 601.5 Withholding payments and certifications.

(a) When withheld. Payment of funds to States or yearend certification of State laws, or both, are withheld when the Secretary finds, after reasonable notice and opportunity for hearing:

(1) That any provision required by section 303(a) of the Social Security Act is no longer included in the State unemployment compensation law; or

(2) That the State unemployment compensation law has been so changed as no longer to meet the conditions required by section 3303(a) of the Internal Revenue Code of 1954 (section 3303(b)(3) of the Internal Revenue Code); or

(3) That the State unemployment compensation law has been so amended as no longer to contain the provisions specified in section 3304(a) or has failed to comply substantially with any such provision and such finding has become effective (section 3304(c) of the Internal Revenue Code of 1954); or
(4) That in the administration of the State unemployment compensation law there has been a failure to comply substantially with required provisions of such law (section 303(b)(2) of the Social Security Act and section 3303(b)(3) of the Internal Revenue Code of 1954); or

(5) That in the administration of the State unemployment compensation law there has been a denial, in a substantial number of cases, of benefits due under such law, except that there may be no such finding until the question of entitlement has been decided by the highest judicial authority given jurisdiction under such State law (section 303(b)(1) of the Social Security Act); or

(6) That a State fails to make its unemployment compensation records available to the Railroad Retirement Board or fails to cooperate with Federal agencies charged with the administration of unemployment compensation laws (section 303(c) of the Social Security Act); or

(7) That a State no longer has a plan of operation for public employment offices complying with the provisions of the Wagner-Peyser Act; or

(8) That a State agency has not properly expended, in accordance with an approved plan of operation, the Federal monies paid it for administration of its public employment service.

(b) Informal discussion. Such hearings are generally not called, however, until after every reasonable effort has been made by regional and central office representatives to resolve the question involved by conference and discussion with State officials. Formal notification of the date and place of a hearing does not foreclose further negotiations with State officials.

(c) Notice of noncertification. If, at any time during the taxable year, the Secretary of Labor has reason to believe that a State whose unemployment compensation law he has previously approved may not be certified, he promptly notifies the Governor of the State to that effect (section 3304(d) of the Internal Revenue Code of 1954).

(d) Notice of hearing. Notice of hearing is sent by the Secretary of Labor to the State employment security agency. The notice sets forth the purpose of the hearing, the time, date, and place at which the hearing will be held, and the rules of procedure which will be followed. At a hearing the State is given an opportunity to present arguments and all relevant evidence, written or oral. The Secretary makes the necessary determination or findings, on the basis of the record of such hearings. A notice of the Secretary's determination or finding is sent to the State employment security agency.

(e) Civil Rights Act issues. To the extent that any proposed withholding of funds involves circumstances within the scope of title VI of the Civil Rights Act of 1964 and the regulations promulgated thereunder, the procedure set forth in 29 CFR part 31 shall be applicable.

(f) Tax credit reductions. (1) Section 3302(c)(2) of the Internal Revenue Code of 1954 prescribes the conditions under which the total credits otherwise allowable under section 3302 for a taxable year in the case of a taxpayer subject to the unemployment compensation law of a State shall be reduced on account of an outstanding balance of advances made to the State pursuant to title XII of the Social Security Act. As amended by section 110(a) of the Emergency Compensation and Special Unemployment Assistance Extension Act of 1975 (Pub. L. 94–45, approved June 30, 1975; 89 Stat. 236, 239), and as further amended by title II of the Emergency Unemployment Compensation Extension Act of 1977 (Pub. L. 95–19, approved April 12, 1977; 91 Stat. 39, 43), the incremental reductions in total credits will not apply to a State with respect to the taxable years beginning on January 1, 1975, January 1, 1976, January 1, 1977, January 1, 1978, and January 1, 1979, if the Secretary of Labor finds as to each such year that the State has studied and taken appropriate action with respect to the financing of its unemployment compensation program so as substantially to accomplish the purpose of restoring the fiscal soundness of the State's unemployment account in the Unemployment Trust Fund and permitting the repayment within a reasonable time of advances made to the State's account pursuant to title XII of the Social Security Act.
(2) The Secretary of Labor’s finding with respect to a State as to any of the taxable years 1975, 1976, 1977, 1978, and 1979 will be based on his determination as to whether the State has taken appropriate action resulting in:

(i) Amendment of its unemployment compensation law, effective in or prior to the taxable year with respect to which the finding is made, or effective at the beginning of the succeeding taxable year, increasing the State’s unemployment tax rate, increasing the State’s unemployment tax base, or changing the State’s experience rating formula, or a combination of such changes, so as to be estimated by the Secretary to achieve for the taxable year with respect to which the finding is made or for the period following the effective date of the amendment:

(A) An average employer tax rate, computed as a percentage of the total wages in employment covered by the State’s unemployment compensation law, which exceeds the State’s average annual benefit cost rate, computed as a percentage of the total wages in employment covered by the State’s unemployment compensation law, for the ten calendar years immediately preceding the year with respect to which the finding is made; and

(B) An effective minimum employer tax rate which is not less than 1.0 percent of the wages of any employer which are subject to tax under the Federal Unemployment Tax Act for the same year; and

(C) An effective maximum employer tax rate which exceeds 2.7 percent of the wages of any employer which are subject to tax under the Federal Unemployment Tax Act for the same year, or provision for no reduced rate of contributions for any employer subject to the State unemployment compensation law; or

(ii)(A) Amendment of its unemployment compensation law increasing the State’s unemployment tax rate, increasing the State’s unemployment tax base, or changing the State’s experience rating formula, or a combination of such changes, so as to be estimated by the Secretary of Labor to result in increasing contributions to the State’s unemployment fund, for the taxable year with respect to which the finding is made, and the allocation from such increased contributions of a sum sufficient to make the repayment in the amount and within the time limit prescribed in paragraph (f)(2)(ii)(B) of this section; and

(B) Repayment to the Treasury of the United States, for credit to the Federal unemployment account in the Unemployment Trust Fund, prior to November 10 of the taxable year with respect to which the finding is made, of an amount equal to the amount of the additional tax which would be payable by all taxpayers subject to the unemployment compensation law of the State for that taxable year if (I) for any year prior to 1978, the reduction in total credits prescribed by section 3302(c)(2)(A) of the Internal Revenue Code of 1954 for that taxable year was applied without regard to the amendment added by section 110(a) of the Emergency Compensation and Special Unemployment Assistance Extension Act of 1975, and (2) for any year after 1977, the reduction in total credits prescribed by the applicable provisions of section 3302(c)(2) of the Internal Revenue Code of 1954 for that taxable year was applied without regard to the amendment added by section 110(a) of the Emergency Compensation and Special Unemployment Assistance Extension Act of 1975; and

(C) Determination by the Secretary that unemployment reserves and income from contributions in the State unemployment fund will be adequate to meet benefit payment obligations without title XII advances during the 6-month period beginning November 1 of the year in which such determination is made.

(3)(i) An application for deferral under this paragraph (f) must be requested and filed with the Secretary of Labor by the Governor of a State no later than July 1 of the taxable year for which such deferral is requested. Such application shall be in such form, and shall be accompanied by such documentation, as the Secretary of Labor shall prescribe.

(ii) A finding by the Secretary of Labor with respect to a State shall be made as of November 10 of the taxable year with respect to which the finding

such finding shall be published in the Federal Register together with the reasons for the finding.

Subpart B—Grants, Advances and Audits

§ 601.6 Grants for administration of unemployment insurance and employment service.

Grants of funds for administration of State unemployment insurance and public employment service programs are made to States under section 302(a) of the Social Security Act, the Wagner-Peyser Act, and the Appropriation Acts.

(a) Requests for funds. The forms and instructions used by State agencies in requesting funds are available upon request from the Employment and Training Administration, Department of Labor, Washington, DC 20210, and at the regional offices. The forms and instructions call for detailed information for each budgetary period concerning the specific amounts requested for personal services and other current expenses of State agencies, supported by workload and unit-cost estimates. Supplementary budget requests are processed in the same manner as regular requests. The Administration’s representatives in the regional offices furnish assistance to the State agencies in preparing requests for funds.

(b) Processing of requests. State agencies send their requests for funds to the RAETA who reviews the requests and forwards them to the ETA National Office with his recommendation as to the amounts necessary for proper and efficient administration of the State unemployment compensation law and employment service program.

The ETA National Office appraises the requests and the recommendations of the regional representatives from a nationwide point of view, examining each State’s request in the light of the experience of other States to insure equitable treatment among the States in the allocation of funds made available by Congress for the administration of State unemployment compensation laws and public employment service programs.

(c) Action by ETA National Office. If the ETA National Office approves the State’s budget request, the State agency is notified; and, provided the conditions precedent to grants continue during the budgetary period, certifications for payment, under the approved budget, stating the amounts, are made by the ETA National Office to the Secretary of the Treasury quarterly. Upon denial of a request, in whole or in part, the State agency is notified and the RAETA is instructed to negotiate with the State with a view to removing the basis for denial.

§ 601.7 [Reserved]

§ 601.8 Agreement with Postmaster General.

The Secretary of Labor and the Postmaster General have been directed by the Congress (title II of the Labor-Federal Security Agency Appropriation Act, 1950) to prescribe a mutually satisfactory procedure whereby official State employment security postal matter will be handled without the prepayment of postage. In lieu of such prepayments, the Secretary periodically certifies to the Secretary of the Treasury for payment to the U.S. Postal Service the amount necessary to cover the cost of State agency mailings. The amount of payment is based on a formula agreed upon by the Secretary of Labor and the U.S. Postal Service.

§ 601.9 Audits.

The Department of Labor’s audit regulations at 41 CFR 29–70.207–2(h) and (i), 41 CFR 29–70.207–3, and 41 CFR 29–70.207–4 shall apply with respect to employment service and unemployment insurance programs.

APPENDIX A TO PART 602—STANDARD FOR CLAIM DETERMINATIONS—SEPARATION INFORMATION

AUTHORITY: 42 U.S.C. 1302.
SOURCE: 52 FR 33528, Sept. 3, 1987, unless otherwise noted.

Subpart A—General Provisions

§ 602.1 Purpose.

The purpose of this part is to prescribe a Quality Control (QC) program for the Federal-State unemployment insurance (UI) system, which is applicable to the State UI programs and the Federal unemployment benefit and allowance programs administered by the State Employment Security Agencies (SESA) under agreements between the States and the Secretary of Labor (Secretary). QC will be a major tool to assess the timeliness and accuracy of State administration of the UI program. It is designed to identify errors in claims processes and revenue collections (including payments in lieu of contributions and Extended Unemployment Compensation Account collections), analyze causes, and support the initiation of corrective action.

§ 602.2 Scope.

This part applies to all State laws approved by the Secretary under the Federal Unemployment Tax Act (section 3304 of the Internal Revenue Code of 1954, 26 U.S.C. section 3304), to the administration of the State laws, and to any Federal unemployment benefit and allowance program administered by the SESAs under agreements between the States and the Secretary. QC is a requirement for all States, initially being applicable to the largest permanently authorized programs (regular UI including Combined-Wage-Claims) and federally-funded programs (Unemployment Compensation for Ex-Servicemen and Unemployment Compensation for Federal Employees). Other elements of the QC program (e.g., interstate, extended benefit programs, benefit denials, and revenue collections) will be phased in under a schedule determined by the Department in consultation with State agencies.

Subpart B—Federal Requirements

§ 602.10 Federal law requirements.

(a) Section 303(a)(1) of the Social Security Act (SSA), 42 U.S.C. 503(a)(1), requires that a State law include provision for:

Such methods of administration . . . as are found by the Secretary of Labor to be reasonably calculated to insure full payment of unemployment compensation when due.

(b) Section 303(a)(6), SSA, 42 U.S.C. 503(a)(6), requires that a State law include provision for:

The making of such reports, in such form and containing such information, as the Secretary of Labor may from time to time require, and compliance with such provisions as the Secretary of Labor may from time to time find necessary to assure the correctness and verification of such reports.

(c) Section 303(b), SSA, 42 U.S.C. 503(b), provides in part that:
Whenever the Secretary of Labor, after reasonable notice and opportunity for hearing to the State agency charged with the administration of the State law, finds that in the administration of the law there is—

* * * * *

(2) a failure to comply substantially with any provision specified in subsection (a); the Secretary of Labor shall notify such State agency that further payments will not be made to the State until the Secretary of Labor is satisfied that there is no longer any such denial or failure to comply. Until he is so satisfied, he shall make no further certification to the Secretary of the Treasury with respect to such State . . . .

(d) Certification of payment of grant- ed funds to a State is withheld only when the Secretary finds, after reasonable notice and opportunity for hearing to the State agency—

(1) That any provision required by section 303(a) of the Social Security Act is no longer included in the State unemployment compensation law, or

(2) That in the administration of the State unemployment compensation law there has been a failure to comply substantially with any required provision of such law.

§ 602.11 Secretary's interpretation.

(a) The Secretary interprets section 303(a)(1), SSA, to require that a State law provide for such methods of administration as will reasonably ensure the prompt and full payment of unemployment benefits to eligible claimants, and collection and handling of income for the State unemployment fund (particularly taxes and reimbursements), with the greatest accuracy feasible.

(b) The Secretary interprets sections 303(a)(1) and 303(a)(6), SSA, to authorize the Department of Labor to prescribe standard definitions, methods and procedures, and reporting requirements for the QC program and to ensure accuracy and verification of QC findings.

(c) The Secretary interprets section 303(b)(2), SSA to require that, in the administration of a State law, there shall be substantial compliance with the provisions required by sections 303(a)(1) and (6). Further, conformity of the State law with those requirements is required by section 303(a) and §601.5(a) of this chapter.

(d) To satisfy the requirements of sections 303(a) (1) and (6), a State law must contain a provision requiring, or which is construed to require, the establishment and maintenance of a QC program in accordance with the requirements of this part. The establishment and maintenance of such a QC program in accordance with this part shall not require any change in State law concerning authority to undertake redeterminations of claims or liabilities or the finality of any determination, redetermination or decision.

Subpart C—State Responsibilities

§ 602.20 Organization.

Each State shall establish a QC unit independent of, and not accountable to, any unit performing functions subject to evaluation by the QC unit. The organizational location of this unit shall be positioned to maximize its objectivity, to facilitate its access to information necessary to carry out its responsibilities, and to minimize organizational conflict of interest.

§ 602.21 Standard methods and procedures.

Each State shall:

(a) Perform the requirements of this section in accordance with instructions issued by the Department, pursuant to §602.30(a) of this part, to ensure standardization of methods and procedures in a manner consistent with this part;

(b) Select representative samples for QC study of at least a minimum size specified by the Department to ensure statistical validity (for benefit payments, a minimum of 400 cases of weeks paid per State per year);

(c) Complete prompt and in-depth case investigations to determine the degree of accuracy and timeliness in the administration of the State UI law and Federal programs with respect to benefit determinations, benefit payments, and revenue collections; and conduct other measurements and studies necessary or appropriate for carrying out the purposes of this part; and in conducting investigations each State shall:
(1) Inform claimants in writing that the information obtained from a QC investigation may affect their eligibility for benefits and inform employers in writing that the information obtained from a QC investigation of revenue may affect their tax liability. 

(2) Use a questionnaire, prescribed by the Department, which is designed to obtain such data as the Department deems necessary for the operation of the QC program; require completion of the questionnaire by claimants in accordance with the eligibility and reporting authority under State law.

(3) Collect data identified by the Department as necessary for the operation of the QC program; however, the collection of demographic data will be limited to those data which relate to an individual’s eligibility for UI benefits and necessary to conduct proportions tests to validate the selection of representative samples (the demographic data elements necessary to conduct proportions tests are claimants’ date of birth, sex, and ethnic classification); and

(4) Conclude all findings of inaccuracy as detected through QC investigations with appropriate official actions, in accordance with the applicable State and Federal laws; make any determinations with respect to individual benefit claims in accordance with the eligibility and reporting authority under State law.

§ 602.22 Exceptions.

If the Department determines that the QC program, or any constituent part of the QC program, is not necessary for the proper and efficient administration of a State law or in the Department’s view is not cost effective, the Department shall use established procedures to advise the State that it is partially or totally excepted from the specified requirements of this part. Any determination under this section shall be made only after consultations with the State agency.

Subpart D—Federal Responsibilities

§ 602.30 Management.

(a) The Department shall establish required methods and procedures (as specified in §602.21 of this part); and provide technical assistance as needed on the QC process.

(b) The Department shall consider and explore alternatives to the prescribed sampling, study, recordkeeping, and reporting methodologies. This shall include, but not be limited to, testing the obtaining of information needed for QC by telephone and mail rather than in face-to-face interviews.

(c) The Department shall maintain a computerized data base of QC case data which is transmitted to the Department under §602.21, which will be combined with other data for statistical and other analysis such as assessing the impact of economic cycles, funding levels, and workload levels on program accuracy and timeliness.

§ 602.31 Oversight.

The Department shall review QC operational procedures and samples,
and validate QC methodology to ensure uniformity in the administration of the QC program and to ensure compliance with the requirements of this part. The Department shall, for purposes of determining eligibility for grants described in §602.40, annually review the adequacy of the administration of a State’s QC program.

Subpart E—Quality Control Grants to States

§ 602.40 Funding.

(a) The Department shall use established procedures to notify States of the availability of funds for the operation of QC programs in accordance with this part.

(b) The Department may allocate additional resources, if available, to States for analysis of data generated by the QC program, to increase the number of claims sampled in areas where more information is needed, for pilot studies for the purpose of expanding the QC program, and for corrective action.

§ 602.41 Proper expenditure of Quality Control granted funds.

The Secretary may, after reasonable notice and opportunity for hearing to the State agency, take exception to and require repayment of an expenditure for the operation of a QC program if it is found by the Secretary that such expenditure is not necessary for the proper and efficient administration of the QC program in the State. See sections 303(a)(8), 303(a)(9) and 303(b)(2), SSA, and 20 CFR 601.5. For purposes of this section, an expenditure will be found not necessary for proper and efficient administration if such expenditure fails to comply with the requirements of subpart C of this part.

§ 602.42 Effect of failure to implement Quality Control program.

Any State which the Secretary finds, after reasonable notice and opportunity for hearing, has not implemented or maintained a QC program in accordance with this part will not be eligible for any grants under title III of the Social Security Act until such time as the Secretary is satisfied that there is no longer any failure to conform or to comply substantially with any provision specified in this part. See sections 303(a)(1), 303(a)(6), and 303(b)(2), SSA, and 20 CFR 601.5.

§ 602.43 No incentives or sanctions based on specific error rates.

Neither sanctions nor funding incentives shall be used by the Department to influence the achievement of specified error rates in State UI programs.

APPENDIX A TO PART 602—STANDARD FOR CLAIM DETERMINATIONS—SEPARATION INFORMATION

6010 Federal Law Requirements. Section 303(a)(1) of the Social Security Act requires that a State law include provision for:

Such methods of administration . . . as are found by the Secretary to be reasonably calculated to insure full payment of unemployment compensation when due.”

Section 303(a)(3) of the Social Security Act requires that a State law include provision for:

“Opportunity for a fair hearing before an impartial tribunal, for all individuals whose claims for unemployment compensation are denied.”

Section 3304(a)(4) of the Federal Unemployment Tax Act and section 303(a)(5) of the Social Security Act require that a State law include provision for:

Expenditure of all money withdrawn from an unemployment fund of such State, in the payment of unemployment compensation.

Section 3306(h) of the Federal Unemployment Tax Act defines “compensation” as “cash benefits payable to individuals with respect to their unemployment.”

6011 Secretary’s Interpretation of Federal Law Requirements. The Secretary interprets the above sections to require that a State law include provisions which will insure that:

A. Individuals who may be entitled to unemployment compensation are furnished such information as will reasonably afford them an opportunity to know, establish, and protect their rights under the unemployment compensation law of such State, and

B. The State agency obtains and records in time for the prompt determination and review of benefit claims such information as will reasonably insure the payment of benefits to individuals to whom benefits are due.

6012 Criteria for Review of State Law Conformity with Federal Requirements:
In determining the conformity of a State law with the above requirements of the Federal Unemployment Tax Act and the Social Security Act as interpreted by the Secretary, the following criteria will be applied:

A. Is it required that individuals who may be entitled to unemployment compensation be furnished such information of their potential rights to benefits, including the manner and places of filing claims, the reasons for determinations, and their rights of appeal, as will insure them a reasonable opportunity to know, establish, and protect their rights under the law of the State?

B. Is the State agency required to obtain, in a timely manner, such information as will reasonably assure the payment of benefits to individuals to whom benefits are due?

C. Is the State agency required to keep records of the facts considered in reaching determinations of rights to benefits?

**6013 Claim Determinations Requirements Signed To Meet Department of Labor Criteria:**

**A. Investigation of claims.** The State agency is required to obtain promptly and prior to a determination of an individual’s right to benefits, such facts pertaining thereto as will be sufficient reasonably to insure the payment of benefits when due.

This requirement embraces five separate elements:

1. It is the responsibility of the agency to take the initiative in the discovery of information. This responsibility may not be passed on to the claimant or the employer. In addition to the agency’s own records, this information may be obtained from the worker, the employer, or other sources. If the information obtained in the first instance discloses no essential disagreement and provides a sufficient basis for a fair determination, no further investigation is necessary. If the information obtained from other sources differs essentially from that furnished by the claimant, the agency, in order to meet its responsibility, is required to inform the claimant of such information from other sources and to afford the claimant an opportunity to furnish any further facts he may have.

2. Evidentiary facts must be obtained as distinguished from ultimate facts or conclusions. That a worker was discharged for misconduct is an ultimate fact or conclusion; that he destroyed a machine upon which he was working is a primary or evidentiary fact, and the sort of fact that the requirement refers to.

3. The information obtained must be sufficient reasonably to insure the payment of benefits when due. In general, the investigation made by the agency must be complete enough to provide information upon which the agency may act with reasonable assurance that its decision is consistent with the unemployment compensation law. On the other hand, the investigation should not be so exhaustive and time-consuming as unduly to delay the payment of benefits and to result in excessive costs.

4. Information must be obtained promptly so that the payment of benefits is not unduly delayed.

5. If the State agency requires any particular evidence from the worker, it must give him a reasonable opportunity to obtain such evidence.

**B. Recording of facts.** The agency must keep a written record of the facts considered in reaching its determinations.

**C. Determination notices.**

1. The agency must give each claimant a written notice of:
   a. Any monetary determination with respect to his benefit year;
   b. Any determination with respect to purging a disqualification if, under the State law, a condition or qualification must be satisfied with respect to each week of disqualification; but in lieu of giving written notice of each determination for each week in which it is determined that the claimant has met the requirements for purging, the agency may inform the claimant that he has purged the disqualification for a week by notation of his applicant identification card or otherwise in writing.
   c. Any other determination which adversely affects his rights to benefits, except that written notice of determination need not be given with respect to:
      1. A week in a benefit year for which the claimant’s weekly benefit amount is reduced in whole or in part by earnings if, the first time in the benefit year that there is such a reduction, he is required to be furnished a booklet or leaflet containing the information set forth below in paragraph 2f(1). However, a written notice of determination is required if: (a) there is a dispute concerning the reduction with respect to any week (e.g.,

   1 A determination “adversely affects” claimant’s right to benefits if it (1) results in a denial to him of benefits (including a cancellation of benefits or wage credits or any reduction in whole or in part below the weekly or maximum amount established by his monetary determination) for any week or other period; (2) denies credit for a waiting week; or (3) applies any disqualification or penalty; or (4) determines that he has not satisfied a condition of eligibility, requalification for benefits, or purging a disqualification; or (5) determines that an overpayment has been made or orders repayment or recoupment of any sum paid to him; or (6) applies a previously determined overpayment, penalty, or order for repayment or recoupment; or (7) in any other way denies claimant a right to benefits under the State law.
as to the amount computed as the appropriate reduction, etc.; or (b) there is a change in the State law (or in the application thereof) affecting the reduction; or

(2) Any week in a benefit year subsequent to the first week in such benefit year in which benefits were denied, or reduced in whole or in part for reasons other than earnings, is within the labor dispute period, or the review of which is pending for such subsequent week is based on the same reason and the same facts as for the first week, and if written notice of determination is required to be given to the claimant with respect to such first week, and with such notice of determination, he is required to be given a booklet or pamphlet containing the information set forth below in paragraphs 2f(2) and 2h. However, a written notice of determination is required if: (a) there is a dispute concerning the denial or reduction of benefits with respect to such week; or (b) there is a change in the State law (or in the application thereof) affecting the denial or reduction; or (c) there is a change in the amount of the reduction except as to the balance covered by the last reduction in a series of reductions.

NOTE: This procedure may be applied to determinations made with respect to any subsequent weeks for the same reason and on the basis of the same facts: (a) that claimant is unable to work, unavailable for work, or is disqualified under the labor dispute provision; and (b) reducing claimant’s weekly benefit amount because of income other than earnings or offset by reason of overpayment.

2. The agency must include in written notices of determinations furnished to claimants sufficient information to enable them to understand the determinations, the reasons therefor, and their rights to protest, request reconsideration, or appeal.

The written notice of determinations must contain the information specified in the following items (except h) unless an item is specifically not applicable. A written notice of any other determination must contain the information specified in as many of the following items as are necessary to enable the claimant to understand the determination and to inform him of his appeal rights. Information specifically applicable to the individual claimant must be contained in the written notice of determination. Information of general application such as (but not limited to) the determination of earnings for partial unemployment, information as to deductions, seasonality factors, and information as to the manner and place of taking an appeal, extension of the appeal period, and where to obtain information and assistance may be contained in a booklet or leaflet which is given the claimant with his monetary determination.

a. Base period wages. The statement concerning base-period wages must be in sufficient detail to show the basis of computation of eligibility and weekly and maximum benefit amounts. (If maximum benefits are allowed, it may not be necessary to show details of earnings.)

b. Employer name. The name of the employer who reported the wages is necessary so that the worker may check the wage transcript and know whether it is correct. If the worker is given only the employer number, he may not be able to check the accuracy of the wage transcript.

c. Explanation of benefit formula—weekly and maximum benefit amounts. Sufficient information must be given the worker so that he will understand how his weekly benefit amount, including allowances for dependents, and his maximum benefit amount were figured. If benefits are computed by means of a table contained in the law, the table must be furnished with the notice of determination whether benefits are granted or denied.

The written notice of determination must show clearly the weekly benefit amount and the maximum potential benefits to which the claimant is entitled.

The notice to a claimant found ineligible by reason of insufficient earnings in the base period must inform him clearly of the reason for ineligibility. An explanation of the benefit formula contained in a booklet or pamphlet should be given to each claimant at or prior to the time he receives written notice of a monetary determination.

d. Benefit year. An explanation of what is meant by the benefit year and identification of the claimant’s benefit year must be included in the notice of determination.

e. Information as to benefits for partial unemployment. There must be included either in the written notice of determination or in a booklet or pamphlet accompanying the notice an explanation of the claimant’s rights to partial benefits for any week with respect to which he is working less than his normal customary full-time workweek because of lack of work and for which he earns less than his weekly benefit amount or weekly benefit amount plus earnings, whichever is provided by the State law. If the explanation is contained in the notice of determination, reference to the item in the notice in which his weekly benefit amount is entered should be made.

f. Deductions from weekly benefits.

(1) Earnings. Although written notice of determinations deducting earnings from a claimant’s weekly benefit amount is generally not required (see paragraph 1 c (1) above), where written notice of determination is required (or given) it shall set forth the amount of earnings, the method of computing the deduction in sufficient detail to enable the claimant to verify the accuracy of the deduction, and his right to protest, request redetermination, and appeal. Where a written notice of determination is given to the claimant because there has been a
change in the State law or in the application of the law, an explanation of the change shall be included.

Where claimant is not required to receive a written notice of determination, he must be given a booklet or pamphlet the first time in his benefit year in which there is a deduction for earnings which shall include the following information:

(a) The method of computing deductions for earnings in sufficient detail to enable the claimant to verify the accuracy of the deduction;

(b) That he will not automatically be given a written notice of determination for a week with respect to which there is a deduction for earnings (unless there is a dispute concerning the reduction with respect to a week or there has been a change in the State law or in the application of the law affecting the deduction) but that he may obtain such a written notice upon request; and

(c) A clear statement of his right to protest, request a redetermination, and appeal from any determination deducting earnings from his weekly benefit amount even though he does not automatically receive a written notice of determination; and if the State law requires written notice of determination in order to effectuate a protest, redetermination, or appeal, he must be so advised and advised also that he must request a written notice of determination before he takes any such action.

(2) Other deductions.

(a) A written notice of determination is required with respect to the first week in claimant’s benefit year in which there is a reduction from his benefits for a reason other than earnings. This notice must describe the deduction made from claimant’s weekly benefit amount, the reason for the deduction, the method of computing it in sufficient detail to enable him to verify the accuracy of such deduction, and his right to protest, request redetermination, or appeal.

(b) A written notice of determination is not required for subsequent weeks that a deduction is made for the same reason and on the basis of the same facts, if the notice of determination pursuant to (2)(a), or a booklet or pamphlet given him with such notice explains (i) the several kinds of deductions which may be made under the State law (e.g., retirement pensions, vacation pay, and overpayments); (ii) the method of computing each kind of deduction in sufficient detail that claimant will be able to verify the accuracy of deductions made from his weekly benefit payments; (iii) any limitation on the amount of any deduction or the time in which any deduction may be made; (iv) that he will not automatically be given a written notice of determination for subsequent weeks with respect to which there is a deduction for the same reason and on the basis of the same facts, but that he may obtain a written notice of determination upon request; (v) his right to protest, request redetermination, or appeal with respect to subsequent weeks for which there is a deduction from his benefits for the same reason, and on the basis of the same facts even though he does not automatically receive a written notice of determination; and (vi) that if the State law requires written notice of determination in order to effectuate a protest, redetermination, or appeal, he must be so advised and advised also that he must request a written notice of determination before he takes any such action.

(3) Other. If a disqualification is imposed, or if the claimant is declared ineligible for one or more weeks, he must be given not only a statement of the period of disqualification or ineligibility and the amount of wage-credit reductions, if any, but also an explanation of the reason for the disqualification or ineligibility. This explanation must be sufficiently detailed so that he will understand why he has been disqualified, and what he must do in order to requalify for benefits or purge the disqualification. The statement must be individualized to indicate the facts upon which the determination was based, e.g., state, “It is found that you left your work with Blank Company because you were tired of working; the separation was voluntary, and the reason does not constitute good cause,” rather than merely the phrase “voluntary quit.” Checking a box as to the reason for the disqualification is not a sufficiently detailed explanation. However, this statement of the reason for the disqualification need not be a restatement of all facts considered in arriving at the determination.

(i) Appeal rights. The claimant must be given information with respect to his appeal rights.

(a) A statement that he may appeal or, if the State law requires or permits a protest or redetermination before an appeal, that he may protest or request a redetermination, or appeal, or that he may file a protest or appeal, or that he may request a written notice of determination upon request; and (b) The period within which an appeal, protest, or request for redetermination must be filed. The number of days provided by statute must be shown as well as either the beginning date or ending date of the period. (It is recommended that the ending date of the appeal period be shown, as this is the more understandable of the alternatives.)
(2) The following information must be included either in the notice of determination or in separate informational material referred to in the notice:

(a) The manner in which the appeal, protest, or request for redetermination must be filed, e.g., by signed letter, written statement, or on a prescribed form, and the place or office to which the appeal, protest, or request for redetermination may be mailed or hand-delivered.

(b) An explanation of any circumstances (such as nonworkdays, good cause, etc.) which will extend the period for the appeal, protest, or request for redetermination beyond the date stated or identified in the notice of determination.

(c) That any further information claimant may need or desire can be obtained together with assistance in filing his appeal, protest, or request for redetermination from the local office.

If the information is given in separate material, the notice of determination would adequately refer to such material if it said, for example, "For other information about your (appeal), (protest), (redetermination) rights, see pages to of the (name of pamphlet or booklet) heretofore furnished to you."

6014 Separation Information Requirements Designed To Meet Department of Labor Criteria:

A. Information to agency. Where workers are separated, employers are required to furnish the agency promptly, either upon agency request or upon such separation, a notice describing the reasons for and the circumstances of the separation and any additional information which might affect a claimant's right to benefits. Where workers are working less than full time, employers are required to furnish the agency promptly, upon agency request, information concerning a claimant's hours of work and his wages during the claim periods involved, and other facts which might affect a claimant's eligibility for benefits during such periods.

When workers are separated and the notices are obtained on a request basis, or when workers are working less than full time and the agency requests information, it is essential to the prompt processing of claims that the request be sent out promptly after the claim is filed and the employer be given a specific period within which to return the notice, preferably within 2 working days.

When workers are separated and notices are obtained upon separation, it is essential that the employer be required to send the notice to the agency with sufficient promptness to insure that, if a claim is filed, it may be processed promptly. Normally, it is desirable that such a notice be sent to the central office of the agency, since the employer may not know in which local office the workers will file his claim. The usual procedure is for the employer to give the worker a copy of the notice sent by the employer to the agency.

B. Information to worker.

1. Information required to be given. Employers are required to give their employees information and instructions concerning the employees' potential rights to benefits and concerning registration for work and filing claims for benefits.

The information furnished to employees under such a requirement need not be elaborate; it need only be adequate to insure that the worker who is separated or who is working less than full time knows he is potentially eligible for benefits and is informed as to what he is to do or where he is to go to file his claim and register for work. When he files his claim, he can obtain more detailed information.

In States that do not require employers to furnish periodically to the State agency detailed reports of the wages paid to their employees, each employer is required to furnish to his employees information as to (a) the name under which he is registered by the State agency, (b) the address where he maintains his payroll records, and (c) the workers' need for this information if and when they file claims for benefits.

2. Methods for giving information. The information and instructions required above may be given in any of the following ways:

a. Posters prominently displayed in the employer's establishment. The State agency should supply employers with a sufficient number of posters for distribution throughout their places of business and should see that the posters are conspicuously displayed at all times.

b. Leaflets. Leaflets distributed either periodically or at the time of separation or reduction of hours. The State agency should supply employers with a sufficient number of leaflets.

c. Individual notices. Individual notices given to each employee at the time of separation or reduction in hours.

It is recommended that the State agency's publicity program be used to supplement the employer-information requirements. Such a program should stress the availability and location of claim-filing offices and the importance of visiting those offices whenever the worker is unemployed, wishes to apply for benefits, and to seek a job.

6015 Evaluation of Alternative State Provisions with Respect to Claim Determinations and Separation Information. If the State law provisions do not conform to the suggested requirements set forth in sections 6013 and 6014, but the State law contains alternative provisions, the Bureau of Employment Security, in collaboration with the State agency, will study the actual or anticipated effects of
the alternative provisions. If the Administrator of the Bureau concludes that the alternative provisions satisfy the criteria in section 6012, he will so notify the State agency. If the Administrator of the Bureau does not so conclude, he will submit the matter to the Secretary. If the Secretary concludes that the alternative provisions satisfy the criteria in section 6012, the State agency will be so notified. If the Secretary concludes that there is a question as to whether the alternative provisions satisfy the criteria, the State agency will be advised that unless the State law provisions are appropriately revised, a notice of hearing will be issued as required by the Code of Federal Regulations, title 20, section 603.5.

§ 603.1 Purpose.

(a) Section 2651 of Public Law 98–369 (the Deficit Reduction Act of 1984) amended title XI of the Social Security Act to include a requirement that States have an income and eligibility verification system in effect which would be used in verifying eligibility for, and the amount of, benefits available under several Federally assisted programs including the Federal-State unemployment compensation program. The Act requires that employers in each State make quarterly wage reports to a State agency, which may be the State unemployment compensation agency, and that wage information and benefit information obtained from other agencies be used in verifying eligibility for benefits. The requirement of quarterly wage reporting may be waived if the Secretary of Labor (in consultation with the Secretary of Health and Human Services and the Secretary of Agriculture) determines the State has in effect an alternative system which is as effective and timely as quarterly wage reporting for the purposes of providing employment related income and eligibility data.

(b) Section 2651(d) of Public Law 98–396 added a new section 303(f) of the Social Security Act (42 U.S.C. 503(f)), to provide that the agency charged with the administration of the State unemployment compensation law shall provide that information shall be requested and exchanged for purposes of income and eligibility verification in accordance with a State system which meets the requirements of section 1137 of the Social Security Act, as added by Public Law 98–396. The regulations in this part are issued to implement this requirement.

Subpart A—Income and Eligibility Verification System

(4) Basis for establishing the reporting periods for which information will be provided;

(5) Provisions for determining appropriate reimbursement from the requesting agency for the costs incurred in providing data, including any new developmental costs associated with furnishing data to the requesting agency and calculated in accordance with the provisions of OMB Circular A–87;

(6) Safeguards to ensure that information obtained from the State unemployment compensation agency will be protected against unauthorized access or disclosure. At a minimum, such procedures will comply with the requirements of §603.7.

(c) The requirements in paragraphs (a) and (b) of this section shall also apply to requesting agencies receiving information from a State unemployment compensation agency in another State and shall be administered by the State unemployment compensation agency disclosing the information (section 1137(a)(4) and (a)(7)).

§ 603.7 Protection of confidentiality.

(a) State unemployment compensation agencies shall require requesting agencies receiving information under this part to comply with the following measures to protect the confidentiality of the information against unauthorized access or disclosure:

(1) The information shall be used only to the extent necessary to assist in the valid administrative needs of the program receiving such information and shall be disclosed only for these purposes as defined in this agreement;

(2) The requesting agency shall not use the information for any purposes not specifically authorized under an agreement that meets the requirements of §603.6;

(3) The information shall be stored in a place physically secure from access by unauthorized persons;

(4) Information in electronic format, such as magnetic tapes or discs, shall be stored and processed in such a way that unauthorized persons cannot retrieve the information by means of computer, remote terminal or other means;

(ii) The head of each State agency shall sign an acknowledgment on behalf of the entire agency attesting to the agency’s policies and procedures regarding confidentiality.

(b) Any requesting agency is authorized to redisclose the information only as follows:

§ 603.8 Obtaining information from other agencies and crossmatching with wage information.

(a) The State unemployment compensation agency shall obtain such information from the Social Security administration and any requesting agency as may be needed in verifying eligibility for, and the amount of, benefits.

(b) To the extent that such information shall be determined likely to be productive in identifying eligibility for benefits and preventing incorrect payments, the State unemployment compensation agency shall crossmatch quarterly wage information with unemployment benefit payment information (section 1137(a)(2)).

(c) To the extent necessary, the United States Department of Labor may amplify on the requirements for state compliance with this section in instructions issued and published for comment in the FEDERAL REGISTER under the provisions of section 1137(a)(2) of the Social Security Act.

§ 603.9 Effective date of rule.

The effective date of this subpart A rule is May 29, 1986, after consultation with the Secretary of Health and Human Services and the Secretary of Agriculture, may by waiver grant a delay in this effective date if the State submits within 90 days of publication of this rule in final form a plan describing a good faith effort to comply with the requirements of section 1137(a) and (b) of the Social Security Act through but not beyond September 30, 1986.

Subpart B—Quarterly Wage Reporting

§ 603.20 Effective date of rule.

The requirement that employers in a State report quarterly wage information to a State agency (which may be the State unemployment compensation agency), is effective September 30, 1988 (section 1137(a)(3)).

§ 603.21 Alternative system.

The Secretary of Labor (in consultation with the Secretary of Health and Human Services and the Secretary of Agriculture) may waive the provision that employers in a State are required to make quarterly wage reports to a State agency if the Secretary determines that the State has in effect an alternative system which is as effective and timely for purposes of providing employment related income and eligibility data for the purposes described in section 1137 of the Social Security Act. Criteria for such waiver and the date for submitting requests for such waiver will be issued, if necessary, by the United States Department of Labor and published for comment in the FEDERAL REGISTER.

Subpart A—General Provisions

§ 604.1 What is the purpose of this regulation?

The regulation in this part allows the States to develop and experiment with innovative methods for paying unemployment compensation to parents on approved leave or who otherwise leave employment to be with their newborns or newly-adopted children. States’ experiences with Birth and Adoption unemployment compensation will enable the Department of Labor to test whether its interpretation of the Federal ‘‘able and available’’ requirements promotes a continued connection to the workforce in parents who receive such payments.

§ 604.2 What is the scope of this regulation?

The regulation in this part applies to and permits all State unemployment compensation programs to provide benefits to parents on approved leave or who otherwise leave employment to be with their newborns or newly-adopted children. A State’s participation is voluntary.

§ 604.3 What definitions apply to this regulation?

The following definitions apply to the regulation in this part:

(a) Approved leave means a specific period of time, agreed to by both the employee and employer or as required by law or employment contract (including collective bargaining agreements), during which an employee is temporarily separated from employment and after which the employee will return to work for that employer.

§ 604.10 Beyond the interpretation of the able and available requirement for Birth and Adoption unemployment compensation, does this regulation change the Federal requirements for the unemployment compensation program?

No, the regulation in this part does not change the Federal unemployment compensation requirements. Under its authority to interpret Federal unemployment compensation law, the Department interprets the Federal able and available requirements to include experimental Birth and Adoption unemployment compensation. The regulation in this part applies only to parents who take approved leave or otherwise leave employment to be with their newborns or newly-adopted children.

(l) Wages, total means the total sum of all remuneration covered by a State law, disregarding any dollar limitation on the amount of remuneration which is subject to contributions under the State law.
§ 606.4 Redelegation of authority.

(a) Redelegation to UIS Director. The Director, Unemployment Insurance Service (hereinafter “UIS Director”), is redelegated authority to make the determinations required under this part. This redelegation is contained in Employment and Training Order No. 1–84, published in the FEDERAL REGISTER on November 14, 1983 (48 FR 51870).

(b) Delegation by Governor. The Governor of a State, as used in this part, refers to the highest executive official of a State. Wherever in this part an action is required by or of the Governor of a State, such action may be taken by the Governor or may be taken by a delegatee of the Governor if the Department is furnished appropriate proof of an authoritative delegation of authority.

§ 606.5 Verification of estimates and review of determinations.

The Department of Labor (hereinafter “Department”) shall verify all information and data provided by a State under this part, and the State shall comply with such provisions as the Department considers necessary to assure the correctness and verification of such information and data. The State agency of a State affected by a determination made by the UIS director under this part may seek review of such determination by a higher level official of the Employment and Training Administration.

§ 606.6 Information, reports, and studies.

A State shall furnish to the Secretary of Labor such information and reports and conduct such studies as the Secretary determines are necessary or appropriate for carrying out the purposes of this part, including any additional information or data the UIS Director may require for the purposes of making determinations under subparts C and E of this part. This collection has been approved by the Office of Management and Budget under control number 1205–0205.

Subpart B—Tax Credit Reduction

[Reserved]

Subpart C—Relief from Tax Credit Reduction

§ 606.20 Cap on tax credit reduction.

(a) Applicability. Subsection (f) of section 3302 of FUTA authorizes a limitation (cap) on the reduction of tax credits by reason of an outstanding balance of advances, if the UIS Director determines with respect to a State, on or before November 10 of a taxable year, that—

(1) No action was taken by the State during the 12-month period ending on September 30 of such taxable year which has resulted, or will result, in a reduction in the State’s unemployment tax effort, as defined in §606.21(a);

(2) No action was taken by the State during the 12-month period ending on September 30 of such taxable year which has resulted, or will result, in a net decrease in the solvency of the State unemployment compensation system, as defined in §606.21(b);

(3) The State unemployment tax rate (as defined in §606.3(j)) for the taxable year equals or exceeds the average benefit-cost ratio (as defined in §606.3(c)) for the calendar years in the five-calendar year period ending with the calendar year immediately preceding the taxable year for which the cap is requested, under the rules specified in §606.21 (c) and (d); and

(4) The outstanding balance of advances to the State on September 30 of the taxable year was not greater than the outstanding balance of advances to the State on September 30 of the third preceding taxable year.

(b) Maximum tax credit reduction. If a State qualifies for a cap, the maximum tax credit reduction for the taxable year shall not exceed 0.6 percent, or, if higher, the tax credit reduction that was in effect for the taxable year preceding the taxable year for which the cap is requested.

(c) Year not taken into account. If a State qualifies for a cap for any year, the year and January 1 of the year to which the cap applies will not be taken into account for purposes of determining reduction of tax credit for subsequent taxable years.

(d) Partial caps. Partial caps obtained under subsection (f)(8) are no longer
available. Nevertheless, for the purposes of applying section 3302(c)(2) to subsequent taxable years, partial cap credits earned will be taken into account for purposes of determining reduction of tax credits. Also, the taxable year to which the partial cap applied (and January 1 thereof) will be taken into account for purposes of determining reduction of tax credits for subsequent taxable years.

§ 606.21 Criteria for cap.

(a) Reduction in unemployment tax effort. (1) For purposes of paragraph (a)(1) of §606.20, a reduction in a State’s unemployment tax effort will have occurred with respect to a taxable year if any action is or was taken (legislative, judicial, or administrative,) that is effective during the 12-month period ending on September 30 of such taxable year, which has resulted in or will result in a reduction of the amount of contributions paid or payable or the amounts that were or would have been paid or payable but for such action.

(2) Actions that will result in a reduction in tax effort include, but are not limited to, a reduction in the taxable wage base, the tax rate schedule, tax rates, or taxes payable (including surtaxes) that would not have gone into effect but for the legislative, judicial, or administrative action taken. Notwithstanding the foregoing criterion, a reduction in unemployment tax effort resulting from any provision of the State law enacted prior to August 13, 1981, will not be taken into account as a reduction in solvency of the State’s unemployment compensation system for the purposes of this section.

(c) State unemployment tax rate. For purposes of paragraph (a)(3) of §606.20, the State unemployment tax rate is defined in §606.3(j). If such percentage is not a multiple of 0.1 percent, the percentage shall remain unrounded.

(d) State five-year average benefit cost ratio. For purposes of paragraph (a)(3) of §606.20, the average benefit cost ratio for the five preceding calendar years is the percentage determined by dividing the sum of the benefit cost ratios for the five years by five. If such percentage is not a multiple of 0.1 percent, the percentage shall remain unrounded.

§ 606.22 Application for cap.

(a) Application. (1) The Governor of the State shall make application, addressed to the Secretary of Labor, no later than July 1 of a taxable year with respect to which a State requests a cap on tax credit reduction. The Governor is required to notify the Department on or before October 15 of such taxable year of any action occurring after the date of the initial application and effective prior to October 1 of such year that would impact upon the State’s application.

(2) The UIS Director will make a determination on the application on or before November 10 of such taxable year, will notify the applicant and the Secretary of the Treasury of such determination, and will cause notice of such determination to be published in the Federal Register.

(b) Anticipated impact statement. In support of the application by the Governor, there shall be submitted with the application (on or before October 15), for the purposes of the criteria described in §§606.20(a) (1) and (2) and 606.21 (a) and (b), a description of all statutory provisions enacted or amended, regulations adopted or revised, administrative policies and procedures adopted or revised, and judicial decisions given effect, which are effective during the 12-month period ending on September 30 of the taxable year for
which a cap on tax credit reduction is requested, and an anticipated impact statement (AIS) for each such program action in the following respect—

(1) The estimated dollar effect on each program action upon expenditures for compensation from the State unemployment fund and for the amounts of contributions paid or payable in such 12-month period, including the effect of interaction among program actions, and with respect to program actions for which dollar impact cannot be estimated or is minor or negligible, indicate whether the impact is positive or negative;

(2) If a program action has no such dollar effect, an explanation of why there is or will be no such effect;

(3) A description of assumptions and methodology used and the basis for the financial estimate of the impact of each program action described in paragraphs (b)(1) and (b)(2) of this section; and

(4) A comparison of the program actions described in paragraphs (b)(1) and (b)(2) of this section with the program actions prior to the Federal fiscal year (as defined in §606.3(f)) which ends on such September 30.

(c) Unemployment tax rate. With respect to the unemployment tax rate criterion described in §§606.20(a)(3) and 606.21(c), the application shall include an estimate for the taxable year with respect to which a cap on tax credit reduction is requested and actual data for the prior two years as follows:

(1) The amount of taxable wages as defined in §606.3(k);

(2) The amount of total wages as defined in §606.3(l); and

(3) The estimated distribution of taxable wages, as defined in §606.3(k), by tax rate under the State law.

(d) Benefit cost ratio. With respect to the benefit cost ratio criterion described in §§606.20(a)(3) and 606.21(d), the application shall include for each of the five calendar years prior to the taxable year for which a cap on tax credit reduction is requested, the following data:

(1) The total dollar sum of compensation actually paid under the State law during the calendar year, including in such total sum all regular, additional, and extended compensation as defined in section 205 of the Federal-State Extended Unemployment Compensation Act of 1970, but excluding from such total sum—

(i) The total dollar amount of such compensation paid for which the State is entitled to reimbursement or was reimbursed under the provisions of any Federal law;

(ii) The total dollar amount of such compensation paid which is attributable to services performed for a reimbursing employer, and which is not included in the total amount reported under paragraph (d)(1)(i) of this section;

(2) The total dollar amount of interest paid during the calendar year on any advance; and

(3) The total dollar amount of wages (as defined in §606.3(l)) with respect to such calendar year.

(e) Documentation required. Copies of the sources of or authority for each program action described in paragraph (b) of this section shall be submitted with each application for a cap on tax credit reduction. In addition, a notation shall be made on each AIS of where all figures referred to are contained in reports required by the Department or in other data sources.

(f) State contact person. The Department may request additional information or clarification of information submitted bearing upon an application for a cap on tax credit reduction. To expedite requests for such information, the name and telephone number of an appropriate State official shall be included in the application by the Governor.

$606.23 Avoidance of tax credit reduction.

(a) Applicability. Subsection (g) of section 3302 of FUTA authorizes a State to avoid a tax credit reduction for a taxable year by meeting the three requirements of subsection (g). These requirements are met if the UIS Director determines that:

(1) Advances were repaid by the State during the one-year period ending on November 9 of the taxable year in an amount not less than the sum of—

(i) The potential additional taxes (as estimated by the UIS Director) that
§ 606.24 Application for avoidance.

(a) Application. (1) The Governor of the State shall make application, addressed to the Secretary of Labor, no later than July 1 of a taxable year with respect to which a State requests avoidance of tax credit reduction. The Governor is required to notify the Department on or before October 15 of such taxable year of any action impacting upon the State’s application occurring subsequent to the date of the initial application and on or before November 10.

(2) The UIS Director will make a determination on the application as of November 10 of such taxable year, will notify the applicant and the Secretary of the Treasury of such determination, and will cause notice of such determination to be published in the Federal Register.

(b) Information. (1) The application shall include a statement of the amount of advances repaid and to be repaid during the one-year period ending on November 9 of the taxable year for which avoidance is requested. If the amount repaid as of the date of the application is less than the amount required to satisfy the provisions of §606.23(a)(1), the Governor shall provide a report later of the additional repayments that have been made in the remainder of the one-year period ending on November 9 of the taxable year, for the purposes of meeting the provisions of §606.23(a)(1).

(2) The application also shall include estimates of revenue receipts, benefit outlays, and end-of-month fund balance for each month in the period beginning with September of the taxable year for which avoidance is requested through the subsequent January. Actual data for the comparable period of the preceding year also shall be included in the application in order to determine the reasonableness of such estimates.
(3) The application also shall include a description of State law changes, effective for the taxable year for which the avoidance is requested, which resulted in a net increase in the solvency of the State unemployment compensation system, and documentation which supports the State's estimate of the net increase in solvency for such taxable year.

§ 606.25 Waiver of and substitution for additional tax credit reduction.

A provision of subsection (c)(2) of section 3302 of FUTA provides that, for a State that qualifies, the additional tax credit reduction applicable under subparagraph (C), beginning in the fifth consecutive year of a balance of outstanding advances, shall be waived and the additional tax credit reduction applicable under subparagraph (B) shall be substituted. The waiver and substitution are granted if the UIS Director determines that the State has taken no action, effective during the 12-month period ending on September 30 of the year for which the waiver and substitution are requested, which has resulted or will result in a net decrease in the solvency of the State unemployment compensation system as determined for the purposes of §§606.20(a)(2) and 606.21(b).

§ 606.26 Application for waiver and substitution.

(a) Application. The Governor of the State shall make application addressed to the Secretary of Labor, no later than July 1 of a taxable year with respect to which a State requests waiver and substitution. Any such application shall contain the supportive data and information required by §606.22(b) for the purposes of §§606.20(a)(2) and 606.21(b). The Governor is required to notify the Department on or before October 15 of such taxable year of action occurring after the date of the initial application and effective prior to October 1 of such year that would impact upon the State's application.

(b) Notification of determination. The UIS Director will make a determination on the application as of November 10 of the taxable year, will notify the applicant and the Secretary of the Treasury of the resulting tax credit reduction to be applied, and will cause notice of such determination to be published in the Federal Register.

Subpart D—Interest on Advances

§ 606.30 Interest rates on advances.

Advances made to States pursuant to title XII of the Social Security Act on or after April 1, 1982, shall be subject to interest payable on the due dates specified in §606.31. The interest rate for each calendar year will be 10 percent or, if less, the rate determined by the Secretary of the Treasury and announced to the States by the Department.

§ 606.31 Due dates for payment of interest. [Reserved]

§ 606.32 Types of advances subject to interest.

(a) Payment of interest. Except as otherwise provided in paragraph (b) of this section each State shall pay interest on any advance made to such State under title XII of the Social Security Act.

(b) Cash flow loans. Advances repaid in full prior to October 1 of the calendar year in which made are deemed cash flow loans and shall be free of interest; provided, that the State does not receive an additional advance after September 30 of the same calendar year. If such additional advance is received by the State, interest on the completely repaid earlier advance(s) shall be due and payable not later than the day following the date of the first such additional advance. The administrator of the State agency shall notify the Secretary of Labor no later than September 10 of those loans deemed to be cash flow loans and not subject to interest. This notification shall include the date and amount of each loan made in January through September and a copy of documentation sent to the Secretary of the Treasury requesting loan repayment transfer(s) from the State's account in the Unemployment Trust Fund to the Federal unemployment account in such Fund.

1EDITORIAL NOTE: This section will be added at a later date.)
§ 606.33 No payment of interest from unemployment fund. [Reserved]

§ 606.34 Reports of interest payable. [Reserved]

§ 606.35 Order of application for repayments. [Reserved]

Subpart E—Relief from Interest Payment

§ 606.40 May/September delay.

Subsection (b)(3)(B) of section 1202 of the Social Security Act permits a State to delay payment of interest accrued on advances made during the last five months of the Federal fiscal year (May, June, July, August, and September) to no later than December 31 of the next succeeding calendar year. If the payment is delayed, interest on the delayed payment will accrue from the normal due date (i.e., September 30) and in the same manner as if the interest due on the advance(s) was an advance made on such due date. The Governor of a State which has decided to delay such interest payment shall notify the Secretary of Labor no later than September 1 of the year with respect to which the delay is applicable.

§ 606.41 High unemployment deferral.

(a) Applicability. Subsection (b)(3)(C) of section 1202 of the Social Security Act permits a State to defer payment of 75 percent of interest charges otherwise due prior to October 1 of a year if the UIS Director determines that high unemployment conditions existed in the State.

(b) High unemployment defined. For purposes of this section, high unemployment conditions existed in the State if the State’s rate of insured unemployment (as determined for purposes of 20 CFR 615.12) under the State law with respect to the period consisting of the first six months of the preceding calendar year equaled or exceeded 7.5 percent; this means that in weeks 1 (that week which includes January 1 of the year) through 26 of such preceding calendar year, the rate of insured unemployment reported by the State and accepted by the Department under 20 CFR part 615 must have averaged a percentage equalling or exceeding 7.5 percent.

(c) Schedule of deferred payments. The State must pay prior to October 1 one-fourth of the interest due, and must pay a minimum of one-third of the deferred amount prior to October 1 in each of the three years following the year in which deferral was granted; at the State’s option payment of deferred interest may be accelerated.

(d) Related criteria. Timely payment of one-fourth of the interest due prior to October 1 is a precondition to obtaining deferral of payment of 75 percent of the interest due. No interest shall accrue on such deferred interest.

(e) Application for deferral and determination. (1) The Governor of a State which has decided to request such deferral of interest payment shall apply to the Secretary of Labor no later than July 1 of the taxable year for which the deferral is requested.

(2) The UIS Director will determine whether deferral is or is not granted on the basis of the Department’s records of reports of the rates of insured unemployment and information obtained from the Department of the Treasury as to the timely and full payment of one-fourth of the interest due.

§ 606.42 High unemployment delay.

(a) Applicability. Paragraph (9) of section 1202 (b) of the Social Security Act permits a State to delay for a period not exceeding nine months the interest payment due prior to October 1 if, for the most recent 12-month period prior to such October 1 for which data are available, the State had an average total unemployment rate of 13.5 percent or greater.

(b) Delayed due date. An interest payment delayed under paragraph (9) must be paid in full not later than the last official Federal business day prior to the following July 1; at the State’s option payment of delayed interest may be accelerated. No interest shall accrue on such delayed payment.

(c) Application for delay in payment and determination. (1) The Governor of a State which has decided to request delay in payment of interest under paragraph (9) shall apply to the Secretary of Labor no later than July 1 of
Employment and Training Administration, Labor § 606.44

the taxable year for which the delay is requested.

(2) The UIS Director will determine whether delay is or is not granted on the basis of seasonally unadjusted civilian total unemployment rate data published by the Department's Bureau of Labor Statistics.

§ 606.43 Maintenance of solvency effort.

(a) Applicability. Legislative-action interest deferrals obtained under subsection (b)(8) (A) through (C) of section 1202 of the Social Security Act are no longer available. Nevertheless, States must maintain their solvency effort with respect to any such deferrals approved in 1983, 1984, and 1985 in order for the deferral to continue to apply in each subsequent year of deferral.

(b) Determination regarding maintenance of solvency effort. (1) The UIS Director shall determine if there is a net reduction in solvency effort by first estimating revenue receipts and benefit outlays under the law in effect in the 12-month period ending on September 30 of the year for which continuation of deferral is requested as if it were effective in the base year (12-month period for which the first deferral was granted).

(2) The UIS Director shall then compare revenue receipts and benefit outlays for the base year (previously estimated at the time of the original deferral) with revenue receipts and benefit outlays estimated in paragraph (b)(1) of this section.

(3) If the sum of—

(i) The percentage increase in revenue receipts from the base year to the year for which the continuation of deferral is requested (as estimated in paragraph (b)(1) of this section), and

(ii) The percentage decrease in benefit outlays from the base year to the year for which the continuation of deferral is requested (as estimated in paragraph (b)(1) of this section),

is equal to or greater than the sum of such percentages achieved for the 12-month period ending on September 30 of the year for which the latest deferral was obtained, the State will have maintained its solvency effort, but if less, then a reduction in solvency effort will have occurred.

(4) Notwithstanding the results of the calculation in paragraph (b)(3) of this section, if there is no increase in revenue receipts or no decrease in benefit outlays between the base year and the year for which continuation of deferral is requested, then a reduction in solvency effort will have occurred.

(c) Effect of determination. (1) If the UIS Director determines that a State has maintained its solvency effort, continuation of deferral will be granted, and the State will be required to timely pay the deferred interest payable prior to October 1 of the year with respect to which such determination is made.

(2) If the UIS Director determines that a State failed to maintain its solvency effort, all deferred interest shall be due and payable prior to October 1 of the year with respect to which such determination is made.

(d) Application and information. (1) The Governor of a State which has decided to request continuation of a previously approved deferral of interest payments shall apply to the Secretary of Labor no later than July 1 of the year for which continuation is requested. The Governor is required to notify the Department on or before September 1 of such taxable year of any action impacting upon the State's application which has occurred or will occur subsequent to the date of the initial application and on or before September 30.

(2) In support of the application by the Governor, there shall be submitted for the purposes of the estimates required in paragraph (b) of this section documentation as specified in §606.22 (b)(1) through (4), (c) and (f) and bearing upon the application for continuation of deferral, in terms of the relevant comparison between revenue receipts and benefit outlays.

§ 606.44 Notification of determinations.

The UIS Director will make determinations under §§606.41, 606.42, and 606.43 on or before September 10 of the taxable year, will promptly notify the applicants and the Secretary of the Treasury of such determinations, and will cause notice of such determinations to be published in the Federal Register. The UIS Director also will
inform the Secretary of the Treasury and cause notice to be published in the Federal Register of information with respect to delayed payment of interest as provided in §606.40.

Subpart A—General Provisions

§ 609.1 Purpose and application.

(a) Purpose. Subchapter I of chapter 85, title 5 of the United States Code, as amended by Pub. L. 94–566, 90 Stat. 2667, 5 U.S.C. 8501–8508, provides for a permanent program of unemployment compensation for unemployed Federal civilian employees. The unemployment compensation provided for in subchapter I is hereinafter referred to as unemployment compensation for Federal employees, or UCFE. The regulations in this part are issued to implement the UCFE Program.

(b) First rule of construction. The Act and the implementing regulations in this part shall be construed liberally so as to carry out the purposes of the Act.

(c) Second rule of construction. The Act and the implementing regulations in this part shall be construed so as to assure insofar as possible the uniform interpretation and application of the Act throughout the United States.

(d) Effectuating purpose and rules of construction. (1) In order to effectuate the provisions of this section, each State agency shall forward to the United States Department of Labor (hereafter Department), not later than 10 days after issuance, a copy of each judicial or administrative decision ruling on an individual’s entitlement to payment of UCFE or to credit for a waiting period. On request of the Department, a State agency shall forward to the Department a copy of any determination or redetermination ruling on an individual’s entitlement to UCFE or waiting period credit.

(2) If the Department believes that a determination, redetermination, or decision is inconsistent with the Department’s interpretation of the Act or this part, the Department may at any time notify the State agency of the Department’s view. Thereafter the State agency shall issue a redetermination or appeal if possible, and shall not follow such determination, redetermination, or decision as a precedent; and, in any subsequent proceedings which involve such determination, redetermination, or decision, or wherein such determination, redetermination, or decision is cited as precedent or otherwise relied upon, the State agency shall inform the claims deputy or hearing officer or court of the Department’s view and shall make all reasonable efforts, including appeal or other proceedings in an appropriate forum, to obtain modification, limitation, or overruling of
Employment and Training Administration, Labor § 609.2

the determination, redetermination, or decision.

(3) If the Department believes that a determination, redetermination, or decision is patently and flagrantly violative of the Act or this part, the Department may at any time notify the State agency of the Department’s view. If the determination, redetermination, or decision in question denies UCFE to a claimant, the steps outlined in paragraph (d)(2) of this section shall be followed by the State agency. If the determination, redetermination, or decision awards UCFE to a claimant, the benefits are “due” within the meaning of section 303(a)(1) of the Social Security Act, 42 U.S.C. 503(a)(1), and therefore must be paid promptly to the claimant. However, the State agency shall take the steps outlined in paragraph (d)(2) of this section, and payments to the claimant may be temporarily delayed if redetermination or appeal action is taken not more than one business day following the day on which the first payment otherwise would be issued to the claimant; and the redetermination action is taken or appeal is filed to obtain a reversal of the award of UCFE and a ruling consistent with the Department’s view; and the redetermination action or appeal seeks an expedited redetermination or appeal within not more than two weeks after the redetermination action is taken or the appeal is filed. If redetermination action is not taken or appeal is not filed within the above time limit, or a redetermination or decision is not obtained within the two-week limit, or any redetermination or decision or order is issued which affirms the determination, redetermination, or decision awarding UCFE or allows it to stand in whole or in part, the benefits awarded must be paid promptly to the claimant.

(4)(i) If any determination, redetermination, or decision, referred to in paragraph (d)(2) or paragraph (d)(3) of this section, is treated as a precedent for any future UCPE claim or claim under the UCX Program (part 614 of this chapter), the Secretary will decide whether the Agreement with the State entered into under the Act shall be terminated.

(ii) In the case of any determination, redetermination, or decision that is not legally warranted under the Act or this part, including any determination, redetermination, or decision referred to in paragraph (d)(3) of this section, the Secretary will decide whether the State shall be required to restore the funds of the United States for any sums paid under such a determination, redetermination, or decision, and whether, in the absence of such restoration, the Agreement with the State shall be terminated and whether other action shall be taken to recover such sums for the United States.

(5) A State agency may request reconsideration of a notice issued pursuant to paragraph (d)(2) of paragraph (d)(3) of this section, and shall be given an opportunity to present views and arguments if desired.

(6) Concurrence of the Department in a determination, redetermination, or decision shall not be presumed from the absence of a notice issued pursuant to this section.

§ 609.2 Definitions of terms.

For the purposes of the Act and this part:

(b) Agreement means the agreement entered into pursuant to the Act between a State and the Secretary under which the State agency of the State agrees to make payments of unemployment compensation in accordance with the Act and the regulations and procedures thereunder prescribed by the Department.

(c) Based period means the base period as defined by the applicable State law for the benefit year.

(e) Federal agency means any department, agency, or governmental body of the United States, including any instrumentality wholly or partially owned by the United States, in any branch of the Government of the

(b) Disclosure of Information. Information in records maintained by a State agency in administering the UCFE Program shall be kept confidential, and information in such records may be disclosed only in the same manner and to the same extent as information with respect to State unemployment compensation and the entitlement of individuals thereto may be disclosed under the applicable State law. If the determination, redetermination, or decision in question denies UCX to a claimant, the steps outlined in paragraph (d)(2)(i) of this section.

(4) If the Department believes that a determination, redetermination, or decision is inconsistent with the Department’s interpretation of the Act or this part, the Department may at any time notify the State agency of the Department’s view. Thereafter, the State agency shall issue a redetermination or appeal if possible, and shall not follow such determination, redetermination, or decision as a precedent; and, in any subsequent proceedings which involve such determination, redetermination, or decision, or wherein such determination, redetermination, or decision is cited as precedent or otherwise relied upon, the State agency shall inform the claims deputy or hearing officer or court of the Department’s view and shall make all reasonable efforts, including appeal or other proceedings in an appropriate forum, to obtain modification, limitation, or overruling of the determination, redetermination, or decision.

the steps outlined in paragraph (d)(2) of this section, and payments to the claimant may be temporarily delayed if redetermination or appeal action is taken not more than one business day following the day on which the first payment otherwise would be issued to the claimant; and the redetermination action is taken or appeal is filed to obtain a reversal of the award of UCX and a ruling consistent with the Department’s view; and the redetermination action or appeal seeks an expedited redetermination or appeal within not more than two weeks after the redetermination action is taken or the appeal is filed. If redetermination action is not taken or appeal is not filed within the above time limit, or a redetermination or decision is not obtained within the two-week limit, or any redetermination or decision or order is issued which affirms the determination, redetermination, or decision awarding UCX or allows it to stand in whole or in part, the benefits awarded must be paid promptly to the claimant.

(4)(i) If any determination, redetermination, or decision, referred to in paragraph (d)(2) or paragraph (d)(3) of this section, is treated as a precedent for any future UCX claim or claim under the UCFE Program (part 609 of this chapter), the Secretary will decide whether the Agreement with the State entered into under the Act shall be terminated.

(ii) In the case of any determination, redetermination, or decision that is not legally warranted under the Act or this part, including any determination, redetermination, or decision referred to in paragraph (d)(2) or in paragraph (d)(3) of this section, the Secretary will decide whether the Agreement with the State entered into under the Act shall be terminated.

(5) A State agency may request reconsideration of a notice issued pursuant to paragraph (d)(2) or paragraph (d)(3) of this section, and shall be given an opportunity to present views and arguments if desired.

(6) Concurrence of the Department in a determination, redetermination, or decision shall not be presumed from the absence of a notice issued pursuant to this section.

§ 614.5 Claims for UCX.

(a) First claims. A first claim for UCX shall be filed by an individual in any State agency of any State according to
§614.6 Determinations of entitlement; notices to individual and Federal military agency.

(a) Determinations of first claim. Except for findings of a Federal military agency and the applicable Schedule of Remuneration which are final and conclusive under §614.23, the State agency whose State law applies to an individual under §614.8 shall, promptly upon the filing of a first claim for UCX, determine whether the individual is otherwise eligible, and, if the individual is found to be eligible, the individual’s benefit year and the weekly and maximum amounts of UCX payable to the individual.

(b) Determinations of weekly claims. The State agency promptly shall, upon the filing of a claim for a payment of UCX or waiting period credit with respect to a week, determine whether the individual is entitled to a payment of UCX or waiting period credit respect to such week, and, if entitled, the amount of UCX or waiting period credit to which the individual is entitled.

(c) Redetermination. The provisions of the applicable State law concerning the right to request, or authority to undertake, reconsideration of a determination pertaining to State unemployment compensation under the applicable State law shall apply to determinations pertaining to UCX.

(d) Notices to individual and Federal military agency. (1) The State agency promptly shall give notice in writing to the individual of any determination or redetermination of a first claim, and, except as may be authorized under paragraph (g) of this section, of any determination or redetermination of any weekly claim which denies UCX or waiting period credit or reduces the weekly amount or maximum amount initially determined to be payable. Each notice of determination or redetermination shall include such information regarding the determination or redetermination and notice of right to reconsideration or appeal, or both, as is furnished with written notices of determinations and redeterminations with respect to claims for State unemployment compensation. Such notice shall include the findings of any Federal military agency utilized in making the determination or redetermination, and shall inform the individual of the finality of Federal findings and the individual’s right to request correction of such findings as is provided in §614.22.

(2) A notice of claim filing and subsequent notices of monetary and non-monetary determinations on a UCX claim shall be sent to each Federal military agency for which the individual performed Federal military service during the appropriate base period, together with notice of appeal rights of the Federal military agency to the same extent that chargeable employers are given such notices under State law and practice unless an alternate mechanism is established by the Department of Labor in lieu of such notices.

(e) Obtaining information for claim determinations. (1) Information required for the determination of claims for UCX shall be obtained by the State agency from claimants, employers, and others, in the same manner as information is obtained for claim purposes under the applicable State law, but Federal military findings shall be obtained from military documents, the applicable Schedule of Remuneration, the applicable State law, and on a form prescribed by the Department which shall be furnished to the individual by the State agency where the claim is filed.

(b) Weekly claims. Claims for waiting week credit and payments of UCX for weeks of unemployment shall be filed in any State agency (or Canada) at the times and in the manner as claims for State unemployment compensation are filed under the applicable State law, and on forms prescribed by the Department which shall be furnished to the individual by the State agency where the claim is filed.
§ 614.7 Appeal and review.

(a) Applicable State Law. The provisions of the applicable State law concerning the right of appeal and fair hearing from a determination or redetermination of entitlement to State unemployment compensation (exclusive of findings which are final and conclusive under §614.25) shall apply to determinations and redeterminations of eligibility for or entitlement to UCX and waiting period credit. Any such determination or redetermination shall be subject to appeal and review only in the manner and to the extent provided in the applicable State law with respect to determinations and redeterminations of entitlement to State unemployment compensation.

(b) Rights of appeal and fair hearing. The provisions on right of appeal and opportunity for a fair hearing with respect to claims for UCX shall be consistent with this part and with sections 303(a)(1) and 303(a)(3) of the Social Security Act, 42 U.S.C. 503(a)(1) and 503(a)(3).

(d) Appeal and review by Federal military agency. If a Federal military agency believes that a State agency’s determination or redetermination of an individual’s eligibility for or entitlement to UCX is incorrect, the Federal military agency may seek appeal and review of such determination or redetermination in the same manner as an interested employer may seek appeal and review under the applicable State law.

§ 614.8 The applicable State for an individual.

(a) The applicable State. The applicable State for an individual shall be the State to which the individual’s Federal military service and Federal military wages are assigned or transferred under this section. The applicable State law for the individual shall be the State law of such State.

(b) Assignment of service and wages. (1) When an individual files a first claim, all of the individual’s Federal military service and Federal military wages assigned or transferred under this section. The applicable State law for the individual shall be the State law of such State.

(2) Federal military service and Federal military wages assigned to a State in error shall be reassigned for use by the proper State agency. An appropriate record of the reassignment shall be made by the State agency which makes the reassignment.

(c) Assignment deemed complete. All of an individual’s Federal military service and Federal military wages shall be deemed to have been assigned to a State upon the filing of a first claim. Federal military service and Federal military wages shall be assigned to a State only in accordance with paragraph (b) of this section.

and from Federal military agencies as prescribed in §§614.21 through 614.24.

(f) Promptness. Full payment of UCX when due shall be consistent with this part and shall be made with the greatest promptness that is administratively feasible, but the provisions of part 640 of this chapter (relating to promptness of benefit payments) shall not be applicable to the UCX Program.

(g) Secretary’s standard. The procedures for making determinations and redeterminations, and furnishing written notices of determinations, redeterminations, and rights of appeal to individuals applying for UCX and to appropriate Federal military agencies shall be consistent with this part 614 and the Secretary’s “Standard for Claim Determinations—Separation Information” in the Employment Security Manual, part V, sections 6010–6015 (Appendix B of this part).

§ 614.9 Use of assigned service and wages.

All assigned Federal military service and Federal military wages shall be used only by the State to which assigned in accordance with paragraph (b) of this section, except that any Federal military service and Federal military wages which are not within the base period of the State to which they were assigned shall be subject to transfer in accordance with part 616 of this chapter for the purposes of any subsequent Combined-Wage Claim filed by the individual.

§ 614.9 Provisions of State law applicable to UCX claims.

(a) Particular provisions applicable. Except where the result would be inconsistent with the provisions of the Act or this part or the procedures thereunder prescribed by the Department, the terms and conditions of the applicable State law which apply to claims for, and the payment of, State unemployment compensation shall apply to claims for, and the payment of, UCX and claims for waiting period credit. The provisions of the applicable State law which shall apply include, but are not limited to:

(1) Claim filing and reporting;
(2) Information to individuals, as appropriate;
(3) Notices to individuals, as appropriate, including notice to each individual of each determination and redetermination of eligibility for or entitlement to UCX;
(4) Determinations and redeterminations;
(5) Ability to work, availability for work, and search for work; and
(6) Disqualifications, except in regard to separation from any Federal military agency.

(b) IBPP. The Interstate Benefit Payment Plan shall apply, where appropriate, to individuals filing claims for UCX.

(c) Wage combining. The State’s provisions complying with the Interstate Arrangement for Combining Employment and Wages (part 616 of this chapter) shall apply, where appropriate, to individuals filing claims for UCX.

(d) Procedural requirements. The provisions of the applicable State law which apply hereunder to claims for and the payment of UCX shall be applied consistently with the requirements of title III of the Social Security Act and the Federal Unemployment Tax Act which are pertinent in the case of State unemployment compensation, including but not limited to those standards and requirements specifically referred to in the provisions of this part, except as provided in paragraph (f) of § 614.6.

§ 614.10 Restrictions on entitlement.

(a) Disqualification. If the week of unemployment for which an individual claims UCX is a week to which a disqualification for State unemployment compensation applies under the applicable State law, the individual shall not be entitled to a payment of UCX for that week. As provided in § 614.9(a), no disqualification shall apply in regard to separation from any Federal military agency.

(b) Effect of “days lost”. The continuity of a period of an individual’s Federal military service shall not be deemed to be interrupted by reason of any “days lost” in such period, but “days lost” shall not be counted for purposes of determining:

(1) Whether an individual has performed Federal military service;
(2) Whether an individual meets the wage and employment requirements of a State law; or
(3) The amount of an individual’s Federal military wages.

(c) Allocation of military accrued leave. A State agency shall allocate the number of days of unused military leave specified in an ex-servicemember’s military document, for which a lump-sum payment has been made, in the same manner as similar payments by private employers to their employees are allocated under the applicable State law, except that the applicable Schedule of Remuneration instead of the lump-sum payment shall be used to determine the amount of the claimant’s Federal military wages. In a State in which a private employer has an option as to the period to which such payments shall be allocated, such payments shall be allocated to the date of the individual’s latest discharge or release from Federal military service. An allocation under this paragraph shall be disregarded in determining
whether an individual has had a period of active service constituting Federal military service.

(d) Education and training allowances. An individual is not entitled to UCX under the Act or this part for a period with respect to which the individual receives:

(1) A subsistence allowance for vocational rehabilitation training under chapter 31 of title 38 of the United States Code, 38 U.S.C. 1501 et seq., or under part VIII of Veterans Regulation Numbered 1(a); or

(2) An educational assistance allowance or special training allowance under chapter 35 of title 38 of the United States Code, 38 U.S.C. 1700 et seq.

§614.11 Overpayments; penalties for fraud.

(a) False statements and representations. Section 8507(a) of the Act provides that if a State agency, the Department, or a court of competent jurisdiction finds that an individual—

(1) Knowingly has made, or caused to be made by another, a false statement or representation of a material fact, or knowingly has failed, or caused another to fail, to disclose a material fact; and

(2) As a result of that action has received an amount as UCX to which the individual was not entitled; the individual shall repay the amount to the State agency or the Department. Instead of requiring repayment, the State agency or the Department may recover the amount by deductions from UCX payable to the individual during the 2-year period after the date of the finding. A finding by a State agency or the Department may be made only after an opportunity for a fair hearing, subject to such further review as may be appropriate under §614.7.

(b) Prosecution for fraud. Section 1919 of title 18, United States Code, provides that whoever makes a false statement or representation of a material fact knowing it to be false, or knowingly fails to disclose a material fact, to obtain or increase for himself or for any other individual any payment authorized to be paid under chapter 85 of title 5, United States Code, or under an agreement thereunder, shall be fined not more than $1,000 or imprisoned not more than one year, or both.

(c) Absence of fraud. If a State agency or court of competent jurisdiction finds that an individual has received a payment of UCX to which the individual was not entitled under the Act and this part, which was not due to a false statement or representation as provided in paragraph (a) or (b) of this section, the individual shall be liable to repay to the applicable State the total sum of the payment to which the individual was not entitled, and the State agency shall take all reasonable measures authorized under any State law or Federal law to recover for the account of the United States the total sum of the payment to which the individual was not entitled.

(d) Recovery by offset. (1) The State agency shall recover, insofar as is possible, the amount of any overpayment which is not repaid by the individual, by deductions from any UCX payable to the individual under the Act and this part, or from any unemployment compensation payable to the individual under any Federal unemployment compensation law administered by the State agency, or from any assistance or allowance payable to the individual with respect to unemployment under any other Federal law administered by the State agency.

(2) A State agency shall also recover, insofar as is possible, the amount of any overpayment of UCX made to the individual by another State by deductions from any UCX payable by the State agency to the individual under the Act and this part, or from any unemployment compensation payable to the individual under any Federal unemployment compensation law administered by the State agency, or from any assistance or allowance payable to the individual with respect to unemployment under any other Federal law administered by the State agency.

(3) Recoupment of fraudulent overpayments referred to in paragraph (a) of this section shall be limited to the 2-year period stated in that paragraph. Recoupment of fraudulent overpayments referred to in paragraph (b) of this section, and nonfraudulent overpayments referred to in paragraph (c) of this section shall be subject to any
§614.12

20 CFR Ch. V (4–1–01 Edition)

time limitation on recoupment provided for in the State law that applies to the case.

(e) Debts due the United States. UCX payable to an individual shall be applied by the State agency for the recovery by offset of any debt due to the United States from the individual, but shall not be applied or used by the State agency in any manner for the payment of any debt of the individual to any State or any other entity or person except pursuant to a court order for child support or alimony in accordance with the law of the State and section 459 of the Social Security Act, 42 U.S.C. 659.

(f) Application of State law. (1) Except as indicated in paragraph (a) of this section, any provision of State law that may be applied for the recovery of overpayments or prosecution for fraud, and any provision of State law authorizing waiver of recovery of overpayments of unemployment compensation, shall be applicable to UCX.

(2) In the case of any finding of false statement of representation under the Act and paragraph (a) of this section, or prosecution for fraud under 18 U.S.C. 1919 or pursuant to paragraph (f)(1) of this section, the individual shall be disqualified or penalized in accordance with the provision of the applicable State law relating to fraud in connection with a claim for State unemployment compensation.

(g) Final decision. Recovery of any overpayment of UCX shall not be enforced by the State agency until the determination or redetermination establishing the overpayment has become final, or if appeal is taken from the determination or redetermination, until the decision after opportunity for a fair hearing has become final.

(h) Procedural requirements. (1) The provisions of paragraphs (c), (d), and (g) of §614.6 shall apply to determinations and redeterminations made pursuant to this section.

(2) The provisions of §614.7 shall apply to determinations and redeterminations made pursuant to this section.

(i) Fraud detection and prevention. Provisions in the procedures of each State with respect to detection and prevention of fraudulent overpayments of UCX shall be, as a minimum, commensurate with the procedures adopted by the State with respect to State unemployment compensation and consistent with this part 614 and the Secretary’s “Standard for Fraud and Overpayment Detection” in the Employment Security Manual, part V, sections 7510–7515 (Appendix C of this part), and provide for timely use of any crossmatch mechanism established by the Department.

(j) Recovered overpayments. An amount repaid or recouped under this section shall be—

(1) Deposited in the fund from which payment was made, if the repayment was to a State agency; or

(2) Returned to the Treasury of the United States and credited to the current applicable appropriation, fund, or account from which payment was made, if the repayment was to the Department.

§614.12 Schedules of remuneration.

(a) Authority. Section 8521(a)(2) of chapter 85, title 5 of the United States Code, 5 U.S.C. 8521(a)(2), requires the Secretary of Labor to issue from time to time, after consultation with the Secretary of Defense, a Schedule of Remuneration specifying the pay and allowances for each pay grade of members of the Armed Forces.

(b) Elements of schedule. A schedule reflects representative amounts for appropriate elements of the pay and allowances, whether in cash or kind, for each pay grade of members of the Armed Forces, with a statement of the effective date of the schedule. Benefit amounts for the UCX Program are computed on the basis of the Federal military wages for the pay grade of the individual at the time of the individual’s latest discharge or release from Federal military service, as specified in the schedule applicable at the time the individual files his or her first claim for compensation for the benefit year.

(c) Effective date. Any new Schedule of Remuneration shall take effect beginning with the first week of the calendar quarter following the calendar quarter in which such schedule is issued, and shall remain applicable
§ 614.13 Inviolate rights to UCX.

Except as specifically provided in this part, the rights of individuals to UCX shall be protected in the same manner and to the same extent as the rights of persons to State unemployment compensation are protected under the applicable State law. Such measures shall include protection of applicants for UCX from waiver, release, assignment, pledge, encumbrance, levy, execution, attachment, and garnishment of their rights to UCX, except as provided in §614.11. In the same manner and to the same extent, individuals shall be protected from discrimination and obstruction in regard to seeking, applying for, and receiving any right to UCX.

§ 614.14 Recordkeeping; disclosure of information.

(a) Recordkeeping. Each State agency will make and maintain records pertaining to the administration of the UCX Program as the Department requires, and will make all such records available for inspection, examination, and audit by such Federal officials or employees as the Department may designate or as may be required by law.

(b) Disclosure of information. Information in records maintained by a State agency in administering the UCX Program shall be kept confidential, and information in such records may be disclosed only in the same manner and to the same extent as information with respect to State unemployment compensation and the entitlement of individuals thereto may be disclosed under the applicable State law. This provision on the confidentiality of information maintained in the administration of the UCX Program shall not apply, however, to the Department or for the purposes of §§614.11 or 614.14, or in the case of information, reports and studies required pursuant to §§614.18 or 614.26, or where the result would be inconsistent with the Freedom of Information Act, 5 U.S.C. 552, the Privacy Act of 1974, 5 U.S.C. 552a, or regulations of the Department promulgated thereunder.

§ 614.15 Payments to States.

(a) State entitlement. Each State is entitled to be paid by the United States with respect to each individual whose base period wages included Federal military wages, an amount bearing the same ratio to the total amount of compensation paid to such individual as the amount of the individual’s Federal military wages in the individual’s base period bears to the total amount of the individual’s base period wages.

(b) Payment. Each State shall be paid, either in advance or by way of reimbursement, as may be determined by the Department, the sum that the Department estimates the State is entitled to receive under the Act and this part for each calendar month. The sum shall be reduced or increased by the amount which the Department finds that its estimate for an earlier calendar month was greater or less than the sum which should have been paid to the State. An estimate may be made on the basis of a statistical, sampling, or other method agreed on by the Department and the State agency.

(c) Certification by the Department. The Department, from time to time, shall certify to the Secretary of the Treasury the sum payable to each State under this section. The Secretary of the Treasury, before audit or settlement by the General Accounting Office, shall pay the State in accordance with the certification from the funds for carrying out the purposes of the Act and this part.

(d) Use of money. Money paid a State under the Act and this part may be used solely for the purposes for which it is paid. Money so paid which is not used solely for these purposes shall be returned, at the time specified by the Agreement, to the Treasury of the United States and credited to the current applicable appropriation, fund, or account from which payments to
§ 614.16 States under the Act and this part may be made.

§ 614.16 Public access to Agreements.

The State agency of a State will make available to any individual or organization a true copy of the Agreement with the State for inspection and copying. Copies of an Agreement may be furnished on request to any individual or organization upon payment of the same charges, if any, as apply to the furnishing of copies of other records of the State agency.

§ 614.17 Administration in absence of an Agreement.

(a) Administering program. The Department shall administer the UCX Program through personnel of the Department or through other arrangements under procedures prescribed by the Department, in the case of any State which does not have an Agreement with the Secretary as provided for in 5 U.S.C. 8502. The procedures prescribed by the Department under this section shall be consistent with the Act and this part.

(b) Applicable State law. On the filing by an individual of a claim for UCX in accordance with arrangements under this section, UCX shall be paid to the individual, if eligible, in the same amount, on the same terms, and subject to the same conditions as would be paid to the individual under the applicable State law if the individual’s Federal military service and Federal military wages had been included as employment and wages under the State law. Any such claims shall include the individual’s Federal military service and Federal military wages, combined with any service and wages covered by State law. However, if the individual, without regard to his or her Federal military service and Federal military wages, has employment or wages sufficient to qualify for compensation during the benefit year under that State law, then payments of UCX under this section may be made only on the basis of the individual’s Federal military service and Federal military wages.

(c) Fair hearing. An individual whose claim for UCX is denied under this section is entitled to a fair hearing under rules of procedures prescribed by the Department. A final determination by the Department with respect to entitlement to UCX under this section is subject to review by the courts in the same manner and to the same extent as is provided by section 205(g) of the Social Security Act, 42 U.S.C. 405(g).

§ 614.18 Information, reports, and studies.

State agencies shall furnish to the Department such information and reports and conduct such studies as the Department determines are necessary or appropriate for carrying out the purposes of the UCX Program.

Subpart C—Responsibilities of Federal Military Agencies and State Agencies

§ 614.20 Information to ex-servicemembers.

At the time of discharge or release from Federal military service, each Federal military agency shall furnish to each ex-servicemember information explaining rights and responsibilities under the UCX Program and 18 U.S.C. 1919, and military documents necessary for filing claims for UCX.

§ 614.21 Findings of Federal military agency.

(a) Findings in military documents. Information contained in a military document furnished to an ex-servicemember shall constitute findings to which §614.23 applies as to:

(1) Whether the individual has performed active service in the Armed Forces or the Commissioned Corps of the National Oceanic and Atmospheric Administration;

(2) The beginning and ending dates of the period of active service and “days lost” during such period;

(3) The type of discharge or release terminating the period of active service;

(4) The individuals’ pay grade at the time of discharge or release from active service; and

(5) The narrative reason or other reason for separation from active service.

(b) Discharges not under honorable conditions. A military document which shows that an individual’s discharge or release was under other than honorable
§ 614.22 Correcting Federal findings.

(a) Request for correction. (1) If an individual believes that a finding specified in §614.21 is incorrect or that information as to any finding has been omitted from a military document, the individual may request the issuing Federal military agency to correct the military document. A request for correction may be made through the State agency, which shall forward such request and any supporting information submitted by the individual to the Federal military agency.

(2) The Federal military agency shall promptly forward to the individual or State agency making the request the corrected military document. Information contained in a corrected military document issued pursuant to such a request shall constitute the findings of the Federal military agency under §614.21.

(3) If a determination or redetermination based on a finding as to which correction is sought has been issued by a State agency before a request for correction under this paragraph is made, the individual who requested such correction shall file a request for redetermination or appeal from such determination or redetermination with the State agency, and shall inform the State agency of the request for correction.

(4) An individual who files a request for correction of findings under this paragraph shall promptly notify the State agency of the action of the Federal military agency on such request.

(b) State agency procedure when request made. (1) If a determination of entitlement has not been made when an individual notifies a State agency of a request for correction under paragraph (a) of this section, the State agency may postpone such determination until the individual has notified the State agency of the action of the Federal military agency on the request.

(2) If a determination of entitlement has been made when an individual notifies a State agency that a request for correction of Federal findings has been made, or if an individual notifies a State agency prior to a determination of entitlement that a request has been made but such determination is not postponed by the State agency, the individual may file a request for redetermination or appeal in accordance with the applicable State law.

(3) Except as provided in paragraph (c) of this section, no redetermination shall be made or hearing scheduled on an appeal until the individual has notified the State agency of the action of the Federal military agency on a request for correction under paragraph (a) of this section.

(c) State agency procedure when request answered. On receipt of notice of the action of a Federal military agency on a request for correction of its findings, a State agency shall:

(1) Make a timely determination or redetermination of the individual’s entitlement, or

(2) Promptly schedule a hearing on the individual’s appeal.

If such notice is not received by a State agency within one year of the date on which an individual first filed a claim, or such notice is not given promptly by an individual, a State agency without further postponement may make such determination or redetermination or schedule such hearing.

(d) Findings corrected without request. Information as to any finding specified in §614.21 contained in a corrected military document issued by a Federal military agency on its own motion shall constitute the findings of such agency under §614.21, if notice thereof is received by a State agency before the period for redetermination or appeal has expired under the State law. On timely receipt of such notice a State agency shall take appropriate action under the applicable State law to give effect to the corrected findings.

§ 614.23 Finality of findings.

The findings of a Federal military agency referred to in §§614.21 and 614.22, and the Schedules of Remuneration issued by the Department pursuant to the Act and §614.12, shall be final and conclusive for all purposes of the UCX Program, including appeal and review pursuant to §614.7 or §614.17.

[53 FR 40555, Oct. 17, 1988]
§ 614.24 Furnishing other information.

(a) Additional information. In addition to the information required by §§614.21 and 614.22, a Federal military agency shall furnish to a State agency or the Department, within the time requested, any information which it is not otherwise prohibited from releasing by law, which the Department determines is necessary for the administration of the UCX Program.

(b) Reports. Federal military agencies shall furnish to the Department any reports containing such information as the Department determines are necessary or appropriate for carrying out the purposes of the UCX Program.

§ 614.25 Liaison with Department

To facilitate the Department’s administration of the UCX program, each Federal military agency will designate one or more of its officials to be the liaison with the Department. Each Federal military agency will inform the Department of its designation(s) and of any change in a designation.

APPENDIX “A” TO PART 614—STANDARD FOR CLAIM FILING, CLAIMANT REPORTING, JOB FINDING, AND EMPLOYMENT SERVICES

EMPLOYMENT SECURITY MANUAL (PART V, SECTIONS 5000-5099) *

5000 Standards for Claim Filing, Claimant Reporting, Job Finding, and Employment Services

A. Federal law requirements. Section 3304(a)(1) of the Federal Unemployment Tax Act and section 3303(a)(2) of the Social Security Act require that a State law provide for:

“Payment of unemployment compensation solely through public employment offices or claims offices administered by the State unemployment security agency if such agency provides for such coordination in the operations of its public employment offices and claims offices as are necessary and appropriate to facilitate their return to suitable work as soon as possible; and

b. Methods of administration which do not unreasonably limit the opportunity of individuals to establish their right to unemployment compensation due under such State law.

5001 Claim Filing and Claimant Reporting Requirements Designed to Satisfy Secretary’s Interpretation

A. Claim filing—total or part-total unemployment

1. Individuals claiming unemployment compensation for total or part-total unemployment are required to file a claim weekly or biweekly, in person or by mail, at a public employment office or a claims office (these terms include offices at itinerant points) as set forth below.

2. Except as provided in paragraph 3, a claimant is required to file in person:

a. His new claim with respect to a benefit year, or his continued claim for a waiting week or for his first compensable week of unemployment in such year; and

*Revises subgrouping 5000-5004.
b. Any other claim, when requested to do so by the claims personnel at the office at which he files his claim(s) because questions about his right to benefits are raised by circumstances such as the following:

(1) The conditions or circumstances of his separation from employment;
(2) The claimant’s answers to questions on mail claims create uncertainty about his credibility or indicate a lack of understanding of the applicable requirement; or
(3) The claimant’s answers to questions on mail claims create uncertainty about his availability for work or that his search for work may be inadequate or that he may be disqualified;
(4) The claimant’s record shows that he has previously filed a fraudulent claim.

In such circumstances, the claimant is required to continue to file claims in person each week (or biweekly) until the State agency determines that filing claims in person is no longer required for the resolution of such questions.

3. A claimant must be permitted to file a claim by mail in any of the following circumstances:
   a. He is located in an area requiring the expenditure of an unreasonable amount of time or money in traveling to the nearest facility established by the State agency for filing claims in person;
   b. Conditions make it impracticable for the agency to take claims in person;
   c. He has returned to full-time work on or before the scheduled date for his filing a claim, unless the agency makes provision for in-person filing at a time and place that does not interfere with his employment;
   d. The agency finds that he has good cause for failing to file a claim in person.

4. A claimant who has been receiving benefits for partial unemployment may continue to file claims as if he were a partially unemployed worker for the first four consecutive weeks of total or part-total unemployment immediately following his period of partial unemployment so long as he remains attached to his regular employer.

b. **Claim filing—partial unemployment.** Each individual claiming unemployment compensation for a week (or other claim period) during which, because of lack of work, he is working less than his normal customary full-time hours for his regular employer and is earning less than the earnings limit provided in the State law, shall not be required to file a claim for such week or other claim period earlier than 2 weeks from the date that wages are paid for such claim period or, if a low earnings report is required by the State law, from the date the employer furnished such report to the individual. State agencies may permit claims for partial unemployment to be filed either in person or by mail, except that in the circumstances set forth in section A 3, filing by mail must be permitted, and in the circumstances set forth in section A 2 b, filing in person may be required.

5002 Requirement for Job Finding, Placement, and Other Employment Services Designed to Satisfy Secretary’s Interpretation

A. Claims personnel are required to assure that each claimant is doing what a reasonable individual in his circumstances would do to obtain suitable work.

B. In the discretion of the State agency:

1. The claims personnel are required to give each claimant such necessary and appropriate assistance as their reasonably can in finding suitable work and at their discretion determine when more complete placement and employment services are necessary and appropriate for a claimant.

   a. He is located in an area requiring the expenditure of an unreasonable amount of time or money in traveling to the nearest facility established by the State agency for filing claims in person;
   b. Conditions make it impracticable for the agency to take claims in person;
   c. He has returned to full-time work on or before the scheduled date for his filing a claim, unless the agency makes provision for in-person filing at a time and place that does not interfere with his employment;
   d. The agency finds that he has good cause for failing to file a claim in person.

4. A claimant who has been receiving benefits for partial unemployment may continue to file claims as if he were a partially unemployed worker for the first four consecutive weeks of total or part-total unemployment immediately following his period of partial unemployment so long as he remains attached to his regular employer.

b. **Claim filing—partial unemployment.** Each individual claiming unemployment compensation for a week (or other claim period) during which, because of lack of work, he is working less than his normal customary full-time hours for his regular employer and is earning less than the earnings limit provided in the State law, shall not be required to file a claim for such week or other claim period earlier than 2 weeks from the date that wages are paid for such claim period or, if a low earnings report is required by the State law, from the date the employer furnished such report to the individual. State agencies may permit claims for partial unemployment to be filed either in person or by mail, except that in the circumstances set forth in section A 3, filing by mail must be permitted, and in the circumstances set forth in section A 2 b, filing in person may be required.

A. Claims personnel are required to assure that each claimant is doing what a reasonable individual in his circumstances would do to obtain suitable work.

B. In the discretion of the State agency:

1. The claims personnel are required to give each claimant such necessary and appropriate assistance as their reasonably can in finding suitable work and at their discretion determine when more complete placement and employment services are necessary and appropriate for a claimant.

   a. He is located in an area requiring the expenditure of an unreasonable amount of time or money in traveling to the nearest facility established by the State agency for filing claims in person;
   b. Conditions make it impracticable for the agency to take claims in person;
   c. He has returned to full-time work on or before the scheduled date for his filing a claim, unless the agency makes provision for in-person filing at a time and place that does not interfere with his employment;

evaluation of alternative state provisions, the state agency will be so notified. If the Secretary concludes that there is a question as to whether the alternative provisions satisfy such requirements, the State agency will be advised that unless the State law provisions are appropriately revised, a notice of hearing will be issued as required by the Code of Federal Regulations, title 20, section 601.3.

APPENDIX “B” TO PART 614—STANDARD FOR CLAIM DETERMINATION—SEPARATION INFORMATION

EMPLOYMENT SECURITY MANUAL (PART V, SECTIONS 6010–6015)

6010–6019 Standard for Claim Determinations—Separation Information*

6010 Federal Law Requirements. Section 303(a)(1) of the Social Security Act requires that a State law include provision for:

“Such methods of administration . . . as are found by the Secretary to be reasonably calculated to insure full payment of unemployment compensation when due.”

Section 303(a)(3) of the Social Security Act requires that a State law include provision for:

“Opportunity for a fair hearing before an impartial tribunal, for all individuals whose claims for unemployment compensation are denied.”

Section 3304(a)(4) of the Federal Unemployment Tax Act and section 303(a)(5) of the Social Security Act require that a State law include provision for:

“Expenditure of all money withdrawn from an unemployment fund of such State, in the payment of unemployment compensation . . .”

Section 3306(b) of the Federal Unemployment Tax Act defines “compensation” as “cash benefits payable to individuals with respect to their unemployment.”

6011 Secretary’s Interpretation of Federal Law Requirements. The Secretary interprets the above sections to require that a State law include provisions which will insure that:

A. Individuals who may be entitled to unemployment compensation are furnished such information as will reasonably afford them an opportunity to know, establish, and protect their rights under the unemployment compensation law of such State, and

B. The State agency obtains and records in time for the prompt determination and review of benefit claims such information as

*Revises subgrouping 6010–6019

Pt. 614, App. B

20 CFR Ch. V (4–1–01 Edition)
will reasonably insure the payment of benefits to individuals to whom benefits are due.  

6012 Criteria for Review of State Law Conformity with Federal Requirements

In determining the conformity of a State law with the above requirements of the Federal Unemployment Tax Act and the Social Security Act as interpreted by the Secretary, the following criteria will be applied:

A. Is it required that individuals who may be entitled to unemployment compensation be furnished such information of their potential rights to benefits, including the manner and places of filing claims, the reasons for determinations, and their rights of appeal, as will insure them a reasonable opportunity to know, establish, and protect their rights under the law of the State?

B. Is the State agency required to obtain, in time for prompt determination of rights to benefits, such information as will reasonably insure the payment of benefits to individuals to whom benefits are due?

C. Is the State agency required to keep records of the facts considered in reaching determinations of rights to benefits?

6013 Claim Determinations Requirements Designed To Meet Department of Labor Criteria

A. Investigation of claims. The State agency is required to obtain promptly and prior to a determination of an individual’s right to benefits, such facts pertaining thereto as will be sufficient reasonably to insure the payment of benefits when due.

This requirement embraces five separate elements:

1. It is the responsibility of the agency to take the initiative in the discovery of information. This responsibility may not be passed on the claimant or the employer. In addition to the agency’s own records, this information may be obtained from the worker, the employer, or other sources. If the information obtained in the first instance discloses no essential disagreement and provides a sufficient basis for a fair determination, no further investigation is necessary. If the information obtained from other sources differs essentially from that furnished by the claimant, the agency, in order to meet its responsibility, is required to inform the claimant of such information from other sources and to afford the claimant an opportunity to furnish any further facts he may have.

2. Evidentiary facts must be obtained as distinguished from ultimate facts or conclusions. That a worker was discharged for misconduct is an ultimate fact or conclusion; that he destroyed a machine upon which he was working is a primary or evidentiary fact, and the sort of fact that the requirement refers to.

3. The information obtained must be sufficient reasonably to insure the payment of benefits when due. In general, the investigation made by the agency must be complete enough to provide information upon which the agency may act with reasonable assurance that its decision is consistent with the unemployment compensation law. On the other hand, the investigation should not be so exhaustive and time-consuming as unduly delay the payment of benefits and result in excessive costs.

4. Information must be obtained promptly so that the payment of benefits is not unduly delayed.

5. If the State agency requires any particular evidence from the worker, it must give him a reasonable opportunity to obtain such evidence.

B. Recording of facts. The agency must keep a written record of the facts considered in reaching its determinations.

C. Determination notices

1. The agency must give each claimant a written notice of:

a. Any monetary determination with respect to his benefit year;

b. Any determination with respect to purging a disqualification if, under the State law, a condition or qualification must be satisfied with respect to each week of disqualification; but in lieu of giving written notice of each determination for each week in which it is determined that the claimant has met the requirements for purging the agency may inform the claimant that he has purged the disqualification for a week by notation on his applicant identification card or otherwise in writing.

c. Any other determination which adversely affects his rights to benefits, except that written notice of determination need not be given with respect to:

(1) A week in a benefit year for which the claimant’s weekly benefit amount is reduced in whole or in part by earnings if, the first time in the benefit year that there is such a reduction, he is required to be furnished a notice.

A determination “adversely affects” claimant’s right to benefits if it: (1) Results in a denial to him of benefits (including a cancellation of benefits or wage credits or any reduction in whole or in part below the weekly or maximum amount established by his monetary determination) for any week or other period; or (2) denies credit for a waiting week; or (3) applies any disqualification or penalty; or (4) determines that he has not satisfied a condition of eligibility, requalification for benefits, or purging a disqualification; or (5) determines that an overpayment has been made or orders repayment or recoupment of any sum paid to him; or (6) applies a previously determined overpayment, penalty, or order for repayment or recoupment; or (7) in any other way denies claimant a right to benefits under the State law.

69
booklet or leaflet containing the information set forth below in paragraph 2f(1). However, a written notice of determination is required if: (a) There is a dispute concerning the reduction with respect to any week (e.g., as to the amount computed as the appropriate reduction, etc.); or (b) there is a change in the State law (or in the application thereof) affecting the denial or reduction.

2. The agency must include in written notice of determination set forth below in paragraphs 2f(2) and 2h. However, a written notice of determination is required if: (a) There is a dispute concerning the denial or reduction of benefits with respect to such week; or (b) there is a change in the State law (or in the application thereof) affecting the denial or reduction; or (c) there is a change in the amount of the reduction except as to the balance covered by the last reduction in a series of reductions.

Note: This procedure may be applied to determinations made with respect to any subsequent weeks for the same reason and on the basis of the same facts: (a) That claimant is unable to work, unavailable for work, or is disqualified under the labor dispute provision; and (b) reducing claimant’s weekly benefit amount because of income other than earnings or offset by reason of overpayment.

2. The agency must include in written notice of determinations furnished to claimants sufficient information to enable them to understand the determinations, the reasons therefor, and their rights to protest, request reconsideration, or appeal.

The written notice of monetary determination must contain the information specified in the following items (except h) unless an item is specifically not applicable. A written notice of any other determination must contain the information specified in as many of the following items as are necessary to enable the claimant to understand the determination and to inform him of his appeal rights. Information specifically applicable to the individual claimant must be contained in the written notice of determination. Information of general application such as (but not limited to) the explanation of benefits for partial unemployment, information as to deductions, seasonality factors, and information as to the manner and place of taking an appeal, extension of the appeal period, and where to obtain information and assistance may be contained in a booklet or leaflet which is given the claimant with his monetary determination.

a. Base period wages. The statement concerning base-period wages must be in sufficient detail to show the basis of computation of eligibility and weekly and maximum benefit amounts. (If maximum benefits are allowed, it may not be necessary to show details of earnings.)

b. Employer name. The name of the employer who reported the wages is necessary so that the worker may check the wage transcript and know whether it is correct. If the worker is given only the employer number, he may not be able to check the accuracy of the wage transcript.

c. Explanation of benefit formula—weekly and maximum benefit amounts. Sufficient information must be given the worker so that he will understand how his weekly benefit amount, including allowances for dependents, and his maximum benefit amount were figured. If benefits are computed by means of a table contained in the law, the table must be furnished with the notice of determination whether benefits are granted or denied.

The written notice of determination must show clearly the weekly benefit amount and the maximum potential benefits to which the claimant is entitled.

The notice to a claimant found ineligible by reason of insufficient earnings in the base period must inform him clearly of the reason for ineligibility. An explanation of the benefit formula contained in a booklet or pamphlet should be given to each claimant at or prior to the time he receives written notice of a monetary determination.

d. Benefit year. An explanation of what is meant by the benefit year and identification of the claimant’s benefit year must be included in the notice of determination.

e. Information as to benefits for partial unemployment. There must be included either in the written notice of determination or in a booklet or pamphlet accompanying the notice an explanation of the claimant’s rights to partial benefits for any week with respect to which he is working less than his normal customary full-time workweek because of lack of work and for which he earns less than his weekly benefit amount or weekly amount plus earnings, whichever is provided by the State law. If the explanation is contained in the notice of determination, reference to the item in the notice in which his weekly benefit amount is entered should be made.

f. Deductions from weekly benefits.

1. Earnings. Although written notice of determinations deducting earnings from a claimant’s weekly benefit amount is generally not required (see paragraph 1c (1) above), where written notice of determination is required (or given) it shall set forth the amount of earnings, the method of computing the deduction in sufficient detail to enable the claimant to verify the accuracy of
Employment and Training Administration, Labor
Pt. 614, App. B

the deduction, and his right to protest, request redetermination, and appeal. Where a written notice of determination is given to the claimant because there has been a change in the State law or in the application of the law, an explanation of the change shall be included.

Where claimant is not required to receive a written notice of determination, he must be given a booklet or pamphlet the first time in his benefit year that there is a deduction for earnings which shall include the following information:

(a) The method of computing deductions for earnings in sufficient detail to enable the claimant to verify the accuracy of the deduction;

(b) That he will not automatically be given a written notice of determination for a week with respect to which there is a deduction for earnings (unless there is a dispute concerning the reduction with respect to a week or there has been a change in the State law or in the application of the law affecting the deduction) but that he may obtain such a written notice upon request; and

(c) A clear statement of his right to protest, request a redetermination, and appeal from any determination deducting earnings from his weekly benefit amount even though he does not automatically receive a written notice of determination; and if the State law requires written notice of determination in order to effectuate a protest, redetermination, or appeal, he must be so advised and advised also that he must request a written notice of determination before he takes any such action.

2. Other deductions.

(a) A written notice of determination is required with respect to the first week in claimant’s benefit year in which there is a reduction from his benefits for a reason other than earnings. This notice must describe the deduction made from claimant’s weekly benefit amount, the reason for the deduction, the method of computing it in sufficient detail to enable him to verify the accuracy of such deduction, and his right to protest, request redetermination, or appeal.

(b) A written notice of determination is not required for subsequent weeks that a deduction is made for the same reason and on the basis of the same facts, if the notice of determination pursuant to (2)(a), or a booklet or pamphlet given him with such notice explains: (i) The several kinds of deductions which may be made under the State law (e.g., retirement pensions, vacation pay, and overpayments); (ii) the method of computing each kind of deduction in sufficient detail that claimant will be able to verify the accuracy of deductions made from his weekly benefit payments; (iii) any limitation on the amount of any deduction or the time in which any deduction may be made; (iv) that he will not automatically be given a written notice of determination for subsequent weeks with respect to which there is a deduction for the same reason and on the basis of the same facts, but that he may obtain a written notice of determination upon request; (v) his right to protest, request redetermination, or appeal with respect to subsequent weeks for which there is a reduction from his benefits for the same reason, even though on the basis of the same facts even though he does not automatically receive a written notice of determination; and (vi) that if the State law requires written notice of determination in order to effectuate a protest, redetermination, or appeal, he must be so advised and advised also that he must request a written notice of determination before he takes any such action.

g. Seasonality factors. If the individual’s determination is affected by seasonality factors under the State law, an adequate explanation must be made. General explanations of seasonality factors which may affect determinations for subsequent weeks may be included in a booklet or pamphlet given with his notice of monetary determination.

h. Disqualification or ineligibility. If a disqualification is imposed, or if the claimant is declared ineligible for one or more weeks, he must be given not only a statement of the period of disqualification or ineligibility and the amount of wage-credit reductions, if any, but also an explanation of the reason for the ineligibility or disqualification. This explanation must be sufficiently detailed so that he will understand why he is ineligible or why he has been disqualified, and what he must do in order to requalify for benefits or purge the disqualification. The statement must be individualized to indicate the facts upon which the determination was based, e.g., state, “It is found that you left your work with Blank Company because you were tired of working; the separation was voluntary, and the reason does not constitute good cause,” rather than merely the phrase “voluntary quit.” Checking a box as to the reason for the disqualification is not a sufficiently detailed explanation. However, this statement of the reason for the disqualification need not be a restatement of all facts considered in arriving at the determination.

i. Appeal rights. The claimant must be given information with respect to his appeal rights.

(1) The following information shall be included in the notice of determination:

(a) A statement that he may appeal or, if the State law requires or permits a protest or redetermination before an appeal, that he may protest or request a redetermination.

(b) The period within which an appeal, protest, or request for redetermination must be filed. The number of days provided by statute must be shown as well as either the beginning date or ending date of the period. (It is recommended that the ending date of the
appeal period be shown, as this is the more understandable of the alternatives.)

(2) The following information must be included either in the notice of determination or in separate informational material referred to in the notice:

(a) The manner in which the appeal, protest, or request for redetermination must be filed, e.g., by signed letter, written statement, or on a prescribed form, and the place or places to which the appeal, protest, or request for redetermination may be mailed or hand-delivered.

(b) An explanation of any circumstances (such as nonworkdays, good cause, etc.) which will extend the period for the appeal, protest, or request for redetermination beyond the date stated or identified in the notice of determination.

(c) That any further information claimant may need or desire can be obtained together with assistance in filing his appeal, protest, or request for redetermination from the local office.

If the information is given in separate material, the notice of determination would adequately refer to such material if it said, for example, “For other information about your (appeal), (protest), (redetermination) rights, see pages — — of the — — (name of pamphlet or booklet) heretofore furnished to you.”

6014 Separation Information Requirements Designed To Meet Department of Labor Criteria

A. Information to agency. Where workers are separated, employers are required to furnish the agency promptly, either upon agency request or upon such separation, a notice describing the reasons for and the circumstances of the separation and any additional information which might affect a claimant’s right to benefits. Where workers are working less than full time, employers are required to furnish the agency promptly, upon agency request, information concerning a claimant’s hours of work and his wages during the claim periods involved, and other facts which might affect a claimant’s eligibility for benefits during such periods.

When workers are separated and the notices are obtained on a request basis, or when workers are working less than full time and the agency requests information, it is essential to the prompt processing of claims that the request be sent out promptly after the claim is filed and the employer be given a specific period within which to return the notice, preferably within two working days.

When workers are separated and notices are obtained upon separation, it is essential that the employer be required to send the notice to the agency with sufficient promptness to insure that, if a claim is filed, it may be processed promptly. Normally, it is desirable that such a notice be sent to the central office of the agency, since the employer may not know in which local office the worker will file his claim. The usual procedure is for the employer to give the worker a copy of the notice sent by the employer to the agency.

B. Information to worker.

1. Information required to be given. Employees are required to give their employers information and instructions concerning the employees’ potential rights to benefits and concerning registration for work and filing claims for benefits.

The information furnished to employees under such a requirement need not be elaborate; it need only be adequate to insure that the worker who is separated or who is working less than full time knows he is potentially eligible for benefits and is informed as to what he is to do or where he is to go to file his claim and register for work. When he files his claim, he can obtain more detailed information.

In States that do not require employers to furnish periodically to the State agency detailed reports of the wages paid to their employees, each employer is required to furnish to his employees information as to: (a) The name under which he is registered by the State agency, (b) the address where he maintains his payroll records, and (c) the workers’ need for this information if and when they file claims for benefits.

2. Methods for giving information. The information and instructions required above may be given in any of the following ways:

a. Posters prominently displayed in the employer’s establishment. The State agency should supply employers with a sufficient number of posters for distribution throughout their places of business and should see that the posters are conspicuously displayed at all times.

b. Leaflets. Leaflets distributed either periodically or at the time of separation or reduction of hours. The State agency should supply employers with a sufficient number of leaflets.

c. Individual notices. Individual notices given to each employee at the time of separation or reduction in hours.

It is recommended that the State agency’s publicity program be used to supplement the employer-information requirements. Such a program should stress the availability and location of claim-filing offices and the importance of visiting those offices whenever the worker is unemployed, wishes to apply for benefits, and to seek a job.

6015 Evaluation of Alternative State Provisions with Respect to Claim Determinations and Separation Information. If the State law provisions do not conform to the suggested requirements set forth in sections 6013 and 6014, but the State law contains alternative provisions, the Bureau of Employment Security, in collaboration
with the State agency, will study the actual or anticipated effects of the alternative provisions. If the Administrator of the Bureau concludes that the alternative provisions satisfy the criteria in section 6012, he will so notify the State agency. If the Administrator of the Bureau does not so conclude, he will submit the matter to the Secretary. If the Secretary concludes that the alternative provisions satisfy the criteria in section 6012, the State agency will be so notified. If the Secretary concludes that there is a question as to whether the alternative provisions satisfy the criteria, the State agency will be advised that unless the State law provisions are appropriately revised, a notice of hearing will be issued as required by the Code of Federal Regulations, title 20, §601.5.

APPENDIX “C” TO PART 614—STANDARD FOR FRAUD AND OVERPAYMENT DETECTION

EMPLOYMENT SECURITY MANUAL (PART V, SECTIONS 7510–7519) 7510–7519 Standard for Fraud and Overpayment Detection

7510 Federal Law Requirements. Section 303(a)(1) of the Social Security Act requires that a State law include provision for:

“Such methods of administration * * * as are found by the Secretary to be reasonably calculated to insure full payment of unemployment compensation when due.”

Section 1603(a)(4) of the Internal Revenue Code and section 3003(a)(5) of the Social Security Act require that a State law include provision for:

“Expenditure for all money withdrawn from an unemployment fund of such State, in the payment of unemployment compensation * * *.”

Section 1607(b) of the Internal Revenue Code defines “compensation” as “cash benefits payable to individuals with respect to their unemployment.”

7511 The Secretary’s Interpretation of Federal Law Requirements. The Secretary of Labor interprets the above sections to require that a State law include provision for such methods of administration as are, within reason, calculated (1) to detect benefits paid through error by the agency or through willful misrepresentation or error by the claimant or others, and (2) to deter claimants from obtaining benefits through willful misrepresentation.

7513 Criteria for Review of State Conformity With Federal Requirements. In determining State conformity with the above requirements of the Internal Revenue Code and the Social Security Act, as interpreted by the Secretary of Labor, the following criteria will be applied:

A. Are investigations required to be made after the payment of benefits, (or, in the case of interstate claims, are investigations made by the agent State after the processing of claims) as to claimants’ entitlement to benefits paid to them in a sufficient proportion of cases to test the effectiveness of the agency’s procedures for the prevention of payments which are not due? To carry out investigations, has the agency assigned to some individual or unit, as a basic function, the responsibility of making or functionally directing such investigations?

Explanation: It is not feasible to prescribe the extent to which the above activities are required; however, they should always be carried on to such an extent that they will show whether or not error or willful misrepresentation is increasing or decreasing, and will reveal problem areas. The extent and nature of the above activities should be varied according to the seriousness of the problem in the State. The responsible individual or unit should:

1. Check paid claims for overpayment and investigate for willful misrepresentation or, alternatively, advise and assist the operating units in the performance of such functions, or both;

2. Perform consultative services with respect to methods and procedures for the prevention and detection of fraud; and

3. Perform other services which are closely related to the above.

Although a State agency is expected to make a full-time assignment of responsibility to a unit or individual to carry on the functions described above, a small State agency might make these functions a part-time responsibility of one individual. In connection with the detection of overpayments, such a unit or individual might, for example:

(a) Investigate information on suspected benefit fraud received from any agency personnel, and from sources outside the agency, including anonymous complaints;

(b) Investigate information secured from comparisons of benefit payments with employment records to detect cases of concurrent working (whether in covered or non-covered work) and claiming of benefits (including benefit payments in which the agency acted as agent for another State).

The benefit fraud referred to herein may involve employers, agency employees, and witnesses, as well as claimants.

Comparisons of benefit payments with employment records are commonly made either by post-audit or by industry surveys. The so-called “post-audit” is a matching of central office wage-record files against benefit payments for the same period. “Industry surveys” or “mass audits” are done in some

§ 615.1 Purpose.

The regulations in this part are issued to implement the “Federal-State Extended Unemployment Compensation Act of 1970” as it has been amended, which requires, as a condition of tax offset under the Federal Unemployment Tax Act (26 U.S.C. 3301 et seq.), that a State unemployment compensation law provide for the payment of extended unemployment compensation during periods of high unemployment to eligible individuals as prescribed in the Act. The benefits provided under State law, in accordance
Employment and Training Administration, Labor § 615.2

with the Act and this part, are hereafter referred to as Extended Benefits, and the program is referred to as the Extended Benefit Program.

§ 615.2 Definitions.

For this purpose, the most recent benefit year for an individual who has unexpired benefit years in more than one State when an initial claim for Extended Benefits is filed, is the benefit year with the latest ending date or, if such benefit years have the same ending date, the benefit year in which the latest continued claim for regular compensation was filed. The individual’s most recent benefit year which expires in an Extended Benefit Period is the applicable benefit year if the individual cannot establish a second benefit year or is precluded from receiving regular compensation in a second benefit year solely by reason of a State law provision which meets the requirement of section 3304(a)(7) of the Internal Revenue Code of 1986 (26 U.S.C. 3304(a)(7)).

(d) Compensation and unemployment compensation means cash benefits (including dependents’ allowances) payable to individuals with respect to their unemployment, and includes regular compensation, additional compensation and extended compensation as defined in this section.

(e) Regular compensation means compensation payable to an individual under a State law, and, when so payable, includes compensation payable pursuant to 5 U.S.C. chapter 85, but does not include extended compensation or additional compensation.

(f) Additional compensation means compensation totally financed by a State and payable under a State law by reason of conditions of high unemployment or by reason of other special factors and, when so payable, includes compensation payable pursuant to 5 U.S.C. chapter 85.

(g) Extended compensation means the extended unemployment compensation payable to an individual for weeks of unemployment which begin in an Extended Benefit Period, under those provisions of a State law which satisfy the requirements of the Act and this part with respect to the payment of extended unemployment compensation, and, when so payable, includes compensation payable pursuant to 5 U.S.C. chapter 85, but does not include regular compensation or additional compensation. Extended compensation is referred to in this part as Extended Benefits.

(h) Eligibility period means, with respect to an individual, the period consisting of—

(1) The weeks in the individual’s applicable benefit year which begin in an Extended Benefit Period, or with respect to a single benefit year, the weeks in the benefit year which begin in more than one Extended Benefit Period, and

(2) If the applicable benefit year ends within an Extended Benefit Period, any weeks thereafter which begin in such

(ii) 13 times the individual’s weekly benefit amount, referred to in (i), reduced by the regular compensation paid (or deemed paid) to the individual during the applicable benefit year; and

(2) Regular compensation paid to an eligible individual with respect to weeks of unemployment in the individual’s eligibility period, but only to the extent that the sum of such compensation, plus the regular compensation paid (or deemed paid) to the individual with respect to prior weeks of unemployment in the applicable benefit year, exceeds 26 times and does not exceed 39 times the average weekly benefit amount (including allowances for dependents) for weeks of total unemployment payable to the individual under the State law in such benefit year; **Provided**, that such regular compensation is paid under provisions of a State law which are consistent with the Act and this part.

(3) Notwithstanding the preceding provisions of this paragraph, sharable compensation shall not include any regular or extended compensation with respect to which a State is not entitled to a payment under section 202(a)(6) or 204 of the Act or § 615.14 of this part.

(iii) Actions by the individual comparable to those actions by which jobs are being found by people in the community and labor market, but not restricted to a single manner of search for work such as registering with and reporting to the State employment service and union or private placement offices or hiring halls, in the same manner that such work is found by people in the community,

(a)(1) “Exhaustee” means an individual who, with respect to any week of unemployment in the individual’s eligibility period:

(i) Has received, prior to such week, all of the regular compensation that was payable under the applicable State law or any other State law (including regular compensation payable to Federal civilian employees and Ex-Servicemembers under 5 U.S.C. chapter 85) for the applicable benefit year that includes such week; or

(ii) Has received, prior to such week, all of the regular compensation that was available under the applicable State law or any other State law (including regular compensation available to Federal civilian employees and Ex-Servicemembers under 5 U.S.C. chapter 85) in the benefit year that includes such week, after the cancellation of some or all of the individual’s wage credits or the total or partial reduction of the individual’s right to regular compensation; or

(iii) The applicable benefit year having expired prior to such week and the individual is precluded from establishing a second (new) benefit year, or the individual established a second benefit year but is suspended indefinitely from receiving regular compensation, solely by reason of a State law provision which meets the requirement of section 3304(a)(7) of the Internal Revenue Code of 1954 (26 U.S.C. 3304(a)(7)): Provided, that, an individual shall not be entitled to Extended Benefits based on regular compensation in a second benefit year during which the individual is precluded from receiving regular compensation solely by reason of a State law provision which meets the requirement of section 3304(a)(7) of the Internal Revenue Code of 1986 (26 U.S.C. 3304(a)(7)); or

(iv) The applicable benefit year having expired prior to such week, the individual has insufficient wages or employment, or both, on the basis of which a new benefit year could be established in any State that would include such week; and

§ 615.4 Eligibility requirements for Extended Benefits.

(a) General. An individual is entitled to Extended Benefits for a week of unemployment which begins in the individual’s eligibility period if, with respect to such week, the individual is an exhaustee as defined in §615.5, files a timely claim for Extended Benefits, and satisfies the pertinent requirements of the applicable State law which are consistent with the Act and this part.

(b) Qualifying for Extended Benefits. The State law shall specify whether an individual qualifies for Extended Benefits by earnings and employment in the base period for the individual’s applicable benefit year as required by section 202(a)(5) of the Act, (and if it does not also apply this requirement to the payment of sharable regular benefits, the State will not be entitled to a payment under §615.14), as follows:

(1) One and one-half times the high quarter wages; or

(2) Forty times the most recent weekly benefit amount, and if this alternative is adopted, the term “full-time” shall have the meaning provided by the State law.

(ii) Has received, prior to such week, all of the regular compensation that was available under the applicable State law or any other State law (including regular compensation available to Federal civilian employees and Ex-Servicemembers under 5 U.S.C. chapter 85) in the benefit year that includes such week, after the cancellation of some or all of the individual’s wage credits or the total or partial reduction of the individual’s right to regular compensation; or

(iii) The applicable benefit year having expired prior to such week and the individual is precluded from establishing a second (new) benefit year, or the individual established a second benefit year but is suspended indefinitely from receiving regular compensation, solely by reason of a State law provision which meets the requirement of section 3304(a)(7) of the Internal Revenue Code of 1954 (26 U.S.C. 3304(a)(7)): Provided, that, an individual shall not be entitled to Extended Benefits based on regular compensation in a second benefit year during which the individual is precluded from receiving regular compensation solely by reason of a State law provision which meets the requirement of section 3304(a)(7) of the Internal Revenue Code of 1986 (26 U.S.C. 3304(a)(7)); or

§615.6 Extended Benefits; weekly amount.

(a) Total unemployment. (1) The weekly amount of Extended Benefits payable to an individual for a week of total unemployment in the individual’s eligibility period shall be the amount of regular compensation payable to the individual for a week of total unemployment during the applicable benefit year. If the individual had more than one weekly amount of regular compensation for total unemployment during such benefit year, the weekly amount of extended compensation for total unemployment shall be one of the following which applies as specified in the applicable State law:

(i) The average of such weekly amounts of regular compensation,

(ii) The last weekly benefit amount of regular compensation during such benefit year, or

(iii) An amount that is reasonably representative of the weekly amounts of regular compensation payable during such benefit year.

(2) If the method in paragraph (a)(1)(i) of this section is adopted by a State, the State law shall specify how such amount is to be computed. If the method in paragraph (a)(1)(i) of this
Employment and Training Administration, Labor  § 615.7

section is adopted by a State, and the amount computed is not an even dollar amount, the amount shall be raised or lowered to an even dollar amount as provided by the applicable State law for regular compensation.

(b) Partial and part-total unemployment. The weekly amount of Extended Benefits payable for a week of partial or part-total unemployment shall be determined under the provisions of the applicable State law which apply to regular compensation, computed on the basis of the weekly amount of Extended Benefits payable for a week of total unemployment as determined pursuant to paragraph (a) of this section.

§ 615.7 Extended Benefits; maximum amount.

(a) Individual account. An Extended Benefit Account shall be established for each individual determined to be eligible for Extended Benefits, in the sum of the maximum amount potentially payable to the individual as computed in accordance with paragraph (b) of this section.

(b) Computation of amount in individual account. (1) The amount established in the Extended Benefit Account of an individual, as the maximum amount potentially payable to the individual during the individual’s eligibility period, shall be equal to the lesser of—

(i) 50 percent of the total amount of regular compensation (including dependents’ allowances) payable to the individual during the individual’s applicable benefit year; or

(ii) 13 times the individual’s weekly amount of Extended Benefits payable for a week of total unemployment, as determined pursuant to §615.6(a); or

(iii) 39 times the individual’s weekly benefit amount referred to in (ii), reduced by the regular compensation paid (or deemed paid) to the individual during the individual’s applicable benefit year.

(2) If the State law so provides, the amount in the individual’s Extended Benefit Account shall be reduced by the aggregate amount of additional compensation paid (or deemed paid) to the individual under such law for prior weeks of unemployment in such benefit year which did not begin in an Extended Benefit Period.

(c) Changes in accounts. (1) If an individual is entitled to more or less Extended Benefits as a result of a redetermination or an appeal which awarded more or less regular compensation or Extended Benefits, an appropriate change shall be made in the individual’s Extended Benefit Account pursuant to an amended determination of the individual’s entitlement to Extended Benefits.

(2) If an individual who has received Extended Benefits for a week of unemployment is determined to be entitled to more regular compensation with respect to such week as the result of a redetermination or an appeal, the Extended Benefits paid shall be treated as if they were regular compensation up to the greater amount to which the individual has been determined to be entitled, and the State agency shall make appropriate adjustments between the regular and extended accounts. If the individual is entitled to more Extended Benefits as a result of being entitled to more regular compensation, an amended determination shall be made of the individual’s entitlement to Extended Benefits. If the greater amount of regular compensation results in an increased duration of regular compensation, the individual’s status as an exhaustee shall be redetermined as of the new date of exhaustion of regular compensation.

(3) If an individual who has received Extended Benefits for a week of unemployment is determined to be entitled to less regular compensation as the result of a redetermination or decision on appeal, and as a consequence is entitled to less Extended Benefits, any Extended Benefits paid in excess of the amount to which the individual is determined to be entitled after the redetermination or decision on appeal shall be considered an overpayment which the individual shall have to repay on the same basis and in the same manner that excess payments of regular compensation are required to be repaid under the applicable State law. If such decision reduces the duration of regular compensation payable to the individual, the claim for Extended Benefits shall
§ 615.8 Provisions of State law applicable to claims.

(a) Particular provisions applicable. Except where the result would be inconsistent with the provisions of the Act or this part, the terms and conditions of the applicable State law which apply to claims for, and the payment of, regular compensation shall apply to claims for, and the payment of, Extended Benefits. The provisions of the applicable State law which shall apply include, but are not limited to:

1. Claim filing and reporting;
2. Information to individuals, as appropriate;
3. Notices to individuals and employers, as appropriate;
4. Determinations, redeterminations, and appeal and review;
5. Ability to work and availability for work, except as provided otherwise in this section;
6. Disqualifications, including disqualifying income provisions, except as provided by paragraph (c) of this section;
7. Overpayments, and the recovery thereof;
8. Administrative and criminal penalties;
9. The Interstate Benefit Payment Plan;
10. The Interstate Arrangement for Combining Employment and Wages, in accordance with part 616 of this chapter.

(b) Provisions not to be applicable. The State law and regulations shall specify those of its terms and conditions which shall not be applicable to claims for, or payment of, Extended Benefits. Among such terms and conditions shall be at least those relating to—

1. Any waiting period;
2. Monetary or other qualifying requirements, except as provided in § 615.4(b); and
3. Computation of weekly and total regular compensation.

(c) Terminating disqualifications. A disqualification in a State law, as to any individual who voluntarily left work, was suspended or discharged for misconduct, gross misconduct or the commission or conviction of a crime, or refused an offer of or a referral to work, as provided in sections 202(a) (4) and (6) of the Act—

1. As applied to regular benefits which are not sharable, is not subject to any limitation in sections 202(a) (4) and (6);
2. As applied to eligibility for Extended Benefits, shall require that the individual be employed again subsequent to the date of the disqualification before it may be terminated, even though it may have been terminated on other grounds for regular benefits which are not sharable; and if the State law does not also apply this provision to the payment of what would otherwise be sharable regular benefits, the State will not be entitled to a payment under the Act and § 615.14 with regard to such regular compensation; and
(3) Will not apply in regard to eligibility for Extended Benefits in a subsequent eligibility period.

(d) Classification and determination of job prospects. (1) As to each individual who files an initial claim for Extended Benefits (or sharable regular compensation), the State agency shall classify the individual’s prospects for obtaining work in his/her customary occupation within a reasonably short period, as “good” or “not good,” and shall promptly (not later than the end of the week in which the initial claim is filed) notify the individual in writing of such classification and of the requirements applicable to the individual under the provisions of the applicable State law corresponding to sections 202(a)(3) of the Act and this part. Such requirements shall be applicable beginning with the week following the week in which the individual is furnished such written notice.

(2) If an individual is thus classified as having good prospects, but those prospects are not realized by the close of the period the State law specifies as a reasonably short period, the individual’s prospects will be automatically reclassified as “not good” or classified as “good” or “not good” depending on the individual’s job prospects as of that date.

(3) Whenever, as part of a determination of an individual’s eligibility for benefits, an issue arises concerning the individual’s failure to apply for or accept an offer of work (sections 202(a)(3)(A)(i) and (F) of the Act and paragraphs (e) and (f) of this section), or to actively engage in seeking work (sections 202(a)(3)(A)(ii) and (E) of the Act and paragraph (g) of this section), a written appealable determination shall be made which includes a finding as to the individual’s job prospects at the time the issue arose. The reasons for allowing or denying benefits in the written notice of determination shall explain how the individual’s job prospects relate to the decision to allow or deny benefits.

(4) If an individual’s job prospects are determined in accordance with the preceding paragraph (3) to be “good,” the suitability of work will be determined under the definition of suitable work in the State law provisions corresponding to sections 202(a)(3) (C) and (D) of the Act and this part. Any determination or classification of an individual’s job prospects is mutually exclusive, and only one suitable work definition shall be applied to a claimant as to any failure to accept or apply for work or seek work with respect to any week.

(e) Requirement of referral to work. (1) The State law shall provide, as required by section 202(a)(3)(F) of the Act and this part, that the State agency shall refer every claimant for Extended Benefits to work which is “suitable work” as provided in paragraph (d)(4) of this section, beginning with the week following the week in which the individual is furnished a written notice of classification of job prospects as required by paragraphs (d)(1) and (h) of this section.

(2) To make such referrals, the State agency shall assure that each Extended Benefit claimant is registered for work and continues to be considered for referral to job openings as long as he/she continues to claim benefits.

(3) In referring claimants to available job openings, the State agency shall apply to Extended Benefit claimants the same priorities, policies, and judgments as it does to other applicants, except that it shall not restrict referrals only to work at higher skill levels, prior rates of pay, customary work, or preferences as to work or pay for individuals whose prospects of obtaining work in their customary occupations have been classified as or determined to be “not good.”

(4) For referral purposes, any work which does not exceed the individual’s capabilities shall be considered suitable work for an Extended Benefit claimant whose job prospects have been classified as or determined to be “not good”, except as modified by this paragraph (e).

(5) For Extended Benefit claimants whose prospects of obtaining work in their customary occupations have been classified as or determined to be “not
§615.8 20 CFR Ch. V (4–1–01 Edition)

“good” work shall not be suitable, and referral to a job shall not be made, if—

(i) The gross average weekly remuneration for the work for any week does not exceed the sum of the individual’s weekly benefit amount plus any supplemental unemployment benefits (SUB) (as defined in section 501(c)(17)(D) of the Internal Revenue Code of 1986) payable to the individual, 

(ii) The work is not offered in writing or is not listed with the State employment service,

(iii) The work pays less than the higher of the minimum wage set in section 6(a)(1) of the Fair Labor Standards Act of 1938, without regard to any exemption, or any applicable State or local minimum wage, or

(iv) Failure to accept or apply for the work would not result in a denial of compensation under the provisions of the applicable State law as defined in §615.2(o)(7).

(6) In addition, if the State agency classifies or determines that an individual’s prospects for obtaining work in his/her customary occupation within a reasonably short period are “good,” referral shall not be made to a job if such referral would not be made by the State law provisions applicable to claimants for regular benefits which are not sharable, and such referrals shall be limited to work which the individual is required to make a “systematic and sustained effort” to search for as defined in §615.2(o)(8).

(7) For the purposes of the foregoing paragraphs of this paragraph (e), State law applies regardless whether members of labor organizations shall be referred to nonunion work in their customary occupations.

(8) If the State law does not also apply this paragraph (e) to individuals who claim what would otherwise be sharable regular compensation, the State will not be entitled to payment under the Act and §615.14 in regard to such regular compensation.

(f) Refusal of work. (1) The State law shall provide, as required by section 202(a)(3)(A)(i) of the Act and this part, that if an individual who claims Extended Benefits fails to accept an offer of work or fails to apply for work to which he/she was referred by the State agency—

(i) If the individual’s prospects for obtaining work in his/her customary occupation within a reasonably short period are determined to be “good,” the State agency shall determine whether the work is suitable under the standard State law provisions which apply to claimants for regular compensation which is not sharable, and if determined to be suitable the individual shall be ineligible for Extended Benefits for the week in which the individual fails to apply for or accept an offer of suitable work and thereafter until the individual is employed in at least four weeks with wages from such employment totalling not less than four times the individual’s weekly benefit amount, as provided by the applicable State law; or

(ii) If the individual’s prospects for obtaining work in his/her customary occupation are determined to be “not good,” the State agency shall determine whether the work is suitable under the applicable State law provisions corresponding to sections 202(a)(3) (C) and (D) of the Act and paragraphs (e)(5) and (f)(2) of this section, and if determined to be suitable the individual shall be ineligible for Extended Benefits for the week in which the individual fails to apply for or accept an offer of suitable work and thereafter until the individual is employed in at least four weeks with wages from such employment totalling not less than four times the individual’s weekly benefit amount, as provided by the applicable State law.

(2) For an individual whose prospects of obtaining work in his/her customary occupation within the period specified by State law are classified or determined to be “not good,” the term “suitable work” shall mean any work which is within the individual’s capabilities, except that work shall not be suitable if—

(i) The gross average weekly remuneration for the work for any week does not exceed the sum of the individual’s weekly benefit amount plus any supplemental unemployment benefits (SUB) (as defined in section 501(c)(17)(D) of the Internal Revenue Code of 1986) payable to the individual,
(ii) The work is not offered in writing or is not listed with the State employment service, or

(iii) The work pays less than the higher of the minimum wage set in section 6(a)(1) of the Fair Labor Standards Act of 1938, without regard to any exemption, or any applicable State or local minimum wage,

(iv) Failure to accept or apply for the work would not result in a denial of compensation under the provisions of the applicable State law as defined in §615.2(o)(7).

(3) For the purposes of the foregoing paragraphs of this paragraph (f), State law applies regarding whether members of labor organizations shall be referred to nonunion work in their customary occupations.

(4) If the State law does not also apply this paragraph (f) to individuals who claim what would otherwise be sharable regular compensation, the State will not be entitled to payment under the Act and §615.14 in regard to such regular compensation.

(g) Actively seeking work. (1) The State law shall provide, as required by sections 202(a)(3)(A)(ii) and (E) of the Act and this part, that an individual who claims Extended Benefits shall be required to make a systematic and sustained effort (as defined in §615.2(o)(8)) to search for work which is "suitable work" as provided in paragraph (d)(4) of this section, throughout each week beginning with the week following the week in which the individual is furnished a written notice of classification of job prospects as required by paragraphs (d)(1) and (h) of this section, and to furnish to the State agency with each claim tangible evidence of such efforts.

(2) If the individual fails to thus search for work, or to furnish tangible evidence of such efforts, he/she shall be ineligible for Extended Benefits for the week in which the failure occurred and thereafter until the individual is employed in at least four weeks with wages from such employment totalling not less than four times the individual's weekly benefit amount, as provided by the applicable State law.

(3)(i) A State law may provide that eligibility for Extended Benefits be determined under the applicable provisions of State law for regular compensation which is not sharable, without regard to the active search provisions otherwise applicable in paragraph (g)(1) of this section, for any individual who fails to engage in a systematic and sustained search for work throughout any week because such individual is—

(A) Serving on jury duty, or

(B) Hospitalized for treatment of an emergency or life-threatening condition.

(ii) The conditions in (i) (A) and (B) must be applied to individuals filing claims for Extended Benefits in the same manner as applied to individuals filing claims for regular compensation which is not sharable compensation.

(4) For the purposes of the foregoing paragraphs of this paragraph (g), State law applies regarding whether members of labor organizations shall be required to seek nonunion work in their customary occupations.

(5) If the State law does not also apply this paragraph (g) to individuals who claim what would otherwise be sharable regular compensation, the State will not be entitled to payment under the Act and §615.14 in regard to such regular compensation.

(h) Information to claimants. The State agency shall assure that each Extended Benefit claimant (and claimant for sharable regular compensation) is informed in writing—

(1) Of the State agency’s classification of his/her prospects for finding work in his/her customary occupation within the time set out in paragraph (d) as "good" or "not good,"

(2) What kind of jobs he/she may be referred to, depending on the classification of his/her job prospects,

(3) What kind of jobs he/she must be actively engaged in seeking each week depending on the classification of his/her job prospects, and what tangible evidence of such search must be furnished to the State agency with each claim for benefits, and

(4) The resulting disqualification if he/she fails to apply for work to which referred, or fails to accept work offered, or fails to actively engage in seeking work or to furnish tangible evidence of such search for each week
§ 615.9 Restrictions on entitlement.

(a) Disqualifications. If the week of unemployment for which an individual claims Extended Benefits is a week to which a disqualification for regular compensation applies, including a reduction because of the receipt of disqualifying income, or would apply but for the fact that the individual has exhausted all rights to such compensation, the individual shall be disqualified in the same degree from receipt of Extended Benefits for that week.

(b) Additional compensation. No individual shall be paid additional compensation and Extended Benefits with respect to the same week. If both are payable by a State with respect to the same week, the State law may provide for the payment of Extended Benefits instead of additional compensation with respect to the week. If Extended Benefits are payable to an individual by one State and additional compensation is payable to the individual for the same week by another State, the individual may elect which of the two types of compensation to claim.

(c) Interstate claims. An individual who files claims for Extended Benefits under the Interstate Benefit Payment Plan, in a State which is not in an Extended Benefit Period for the week(s) for which Extended Benefits are claimed, shall not be paid more than the first two weeks for which he/she files such claims.

(d) Other restrictions. The restrictions on entitlement specified in this section are in addition to other restrictions in the Act and this part on eligibility for and entitlement to Extended Benefits.

§ 615.10 Special provisions for employers.

(a) Charging contributing employers. (1) Section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. 3303(a)(1)) does not require that Extended Benefits paid to an individual be charged to the experience rating accounts of employers.

(b) Payments by reimbursing employers. If an employer is reimbursing the State unemployment fund in lieu of paying contributions pursuant to the requirements of State law conforming with sections 3304(a)(6)(B) and 3309(a)(2) of the Internal Revenue Code of 1986 (26 U.S.C. 3304(a)(6)(B) and 3309(a)(2)), the State law shall require the employer to reimburse the State unemployment fund for not less than 50 percent of any sharable compensation that is attributable under the State law to service with such employer; and as to any compensation which is not sharable compensation under §615.14, the State law shall require the employer to reimburse the State unemployment fund for 100 percent, instead of 50 percent, of any such compensation paid.

§ 615.11 Extended Benefit Periods.

(a) Beginning date. Except as provided in paragraph (d) of this section, an Extended Benefit Period shall begin in a State on the first day of the third calendar week after a week for which there is a State “on” indicator in that State.

(b) Ending date. Except as provided in paragraph (c) of this section, an Extended Benefit Period in a State shall end on the last day of the third week after the first week for which there is a State “off” indicator in that State.

(c) Duration. An Extended Benefit Period which becomes effective in any State shall continue in effect for not less than 13 consecutive weeks.

(d) Limitation. No Extended Benefit Period may begin in any State by reason of a State “on” indicator before the 14th week after the ending of a Prior Extended Benefit Period with respect to such State.
§ 615.12 Determination of “on” and “off” indicators.

(a) Standard State indicators. (1) There is a State “on” indicator in a State for a week if the head of the State agency determines, in accordance with this section, that, for the period consisting of that week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) under the State law—

(i) Equalled or exceeded 120 percent of the average of such rates for the corresponding 13-week periods ending in each of the preceding two calendar years, and

(ii) Equalled or exceeded 5.0 percent.

(2) There is a State “off” indicator in a State for a week if the head of the State agency determines, in accordance with this section, that, for the period consisting of that week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) under the State law—

(i) Was less than 120 percent of the average of such rates for the corresponding 13-week periods ending in each of the preceding two calendar years, or

(ii) Was less than 5.0 percent.

(3) The standard State indicators in this paragraph (a) shall apply to weeks beginning after September 25, 1982.

(b) Optional State indicators. (1)(i) A State may, in addition to the State indicators in paragraph (a) of this section, provide by its law that there shall be a State “on” indicator in the State for a week if the head of the State agency determines, in accordance with this section, that, for the period consisting of that week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) under the State law—

(i) Was less than 120 percent of the average of such rates for the corresponding 13-week periods ending in each of the preceding two calendar years, or

(ii) Was less than 5.0 percent.

(2) The optional State indicators in this paragraph (b) shall apply to weeks beginning after September 25, 1982.

(c) Computation of rate of insured unemployment—(1) Equation. Each week the State agency head shall calculate the rate of insured unemployment under the State law (not seasonally adjusted) for purposes of determining the State “on” and “off” indicators. In making such calculations the State agency head shall use a fraction, the numerator of which shall be the weekly average number of weeks claimed in claims filed (not seasonally adjusted) in the State in the 13-week period ending with the week for which the determination is made, and the denominator of which shall be the average monthly employment covered by the State law for the first four of the last six calendar quarters ending before the close of the 13-week period. The quotient obtained is to be computed to four decimal places, and is not otherwise rounded, and is to be expressed as a percentage by multiplying the resultant decimal fraction by 100.

(2) Counting weeks claimed. To determine the average number of weeks claimed in claims filed to serve as the numerator under paragraph (c)(1), the State agency shall include claims for all weeks for regular compensation, including claims taken as agent State under the Interstate Benefit Payment Plan. It shall exclude claims—

(i) For Extended Benefits under any State law.

(ii) For additional compensation under any State law, and

(3) Method of computing the State 120 percent factor. The rate of insured unemployment for a current 13-week period shall be divided by the average of the rates of insured unemployment for the corresponding 13-week periods in each of the two preceding calendar years to determine whether the rate is equal to 120 percent of the average rate.
§ 615.13 Announcement of the beginning and ending of Extended Benefit Periods.

(a) State indicators. Upon receipt of the notice required by §615.12(e) which is acceptable to the Department, the Department shall publish in the Federal Register a notice of the State agency head’s determination that there is an “on” or an “off” indicator in the State, as the case may be, the name of the State and the beginning or ending...

§ 615.14 Payments to States.

(a) Sharable compensation. (1) The Department shall promptly upon receipt of a State’s report of its expenditures for a calendar month reimburse the State in the amount of the sharable compensation the State is entitled to receive under the Act and this part.

(2) The Department may instead advance to a State for any period not greater than one day the amount the Department estimates the State will be entitled to be paid under the Act and this part for that period.

(3) Any payment to a State pursuant to this paragraph (a) shall be made by a transfer from the extended unemployment compensation account in the Unemployment Trust Fund to the account of the State in such Fund, in accordance with section 204(e) of the Act.

(b) Payments not to be made to States. Because a State law must contain provisions fully consistent with sections 202 and 203 of the Act, the Department shall make no payment under paragraph (a) of this section, whether or
§ 615.14  Payments not to be reimbursed.

(1) In respect of any regular or extended compensation paid to any individual for any week if the State does not apply—
   (i) The provisions of the State law required by section 202(a)(3) and this part, relating to failure to accept work offered or to apply for work or to actively engage in seeking work, as to weeks beginning after October 31, 1981, except for any State which the State legislature did not meet in 1981 as to weeks beginning after October 1, 1982 or the provisions of State law required by section 202(a)(4) and this part, relating to terminating a disqualification, as to weeks beginning after March 31, 1981;
   (ii) The provisions of the State law required by section 202(a)(5) and this part, relating to qualifying employment, as to weeks beginning after September 25, 1982; or
   (2) In respect of any regular or extended compensation paid to any individual for any week which was not payable by reason of the provision of the State law required by section 202(c) of the Internal Revenue Code of 1986, in respect of any regular or extended compensation paid under a State law—
      (1) As provided in section 204(a)(1) of the Act and this part, if the payment made was not sharable extended compensation or sharable regular compensation;
      (2) As provided in section 204(a)(2)(A) of the Act, if the State is entitled to reimbursement for the payment under the provisions of any Federal law other than the Act;
      (3) As provided in section 204(a)(2)(B) of the Act, if for the first week in an individual’s eligibility period with respect to which Extended Benefits or sharable regular benefits are paid to the individual, that first week begins after December 5, 1980, and the State law provides for the payment (at any time or under any circumstances) of regular compensation to any individual for the first week of unemployment in any such individual’s benefit year; except that—
         (i) In the case of a State with respect to which the Department finds that legislation is required in order to end the payment (at any time or under any circumstances) of regular compensation for any such first week of unemployment, this paragraph (c)(3) shall not apply to the first week in an individual’s eligibility period which began before the end of the first regularly scheduled session of the State legislature that ends after January 4, 1981, as determined by the Department; and
         (ii) In the case of a State law which is changed so that regular compensation is not paid at any time or under any circumstances with respect to the first week of unemployment in any individual’s benefit year, this paragraph (c)(3) shall not apply to any week which begins after the effective date of such change in the State law; and
      (iii) In the case of a State law which is changed so that regular compensation is paid at any time or under any circumstances with respect to the first week of unemployment in any individual’s benefit year, this paragraph (c)(3) shall apply to all weeks which begin after the effective date of such change in the State law;
      (4) As provided in section 204(a)(2)(C) of the Act and this part, for any week with respect to which Extended Benefits are not payable because of the payment of trade readjustment allowances, as provided in section 233(d) of the Trade Act of 1974, and § 615.7(d). This paragraph (c)(4) applies to any week which begins after October 31, 1982, or 1983, as determined by the Department in regard to each State;
      (5) As provided in section 204(a)(2)(D) of the Act and this part, if the State does not provide for a benefit structure under which benefits are rounded down to the next lower dollar amount, for the 50 percent Federal share of the amount by which sharable regular or Extended Benefits paid to any individual exceeds the nearest lower full dollar amount. This paragraph (c)(5)
shall apply to any sharable regular compensation or Extended Benefits paid to individuals whose eligibility periods begin on or after October 1, 1983, unless a later date, as determined by the Department, applies in a particular State under the grace period of section 191(h)(2) of Pub. L. 97–252.

(6) As provided in section 204(a)(3) of the Act, to the extent that such compensation is based upon employment and wages in service performed for governmental entities or instrumentalities to which section 3306(c)(7) of the Internal Revenue Code of 1986 (26 U.S.C. 3306(c)(7)) applies, in the proportion that wages for such service in the base period bear to the total base period wages;

(7) If the payment made was not sharable extended compensation or sharable regular compensation because the payment was not consistent with the requirements of—

(i) Section 202(a)(3) of the Act, and §615.8(e), (f), or (g);
(ii) Section 202(a)(4) of the Act, and §615.8(c); or
(iii) Section 202(a)(5) of the Act, and §615.4(b);

(8) If the payment made was not sharable extended compensation or sharable regular compensation because there was not in effect in the State an Extended Benefit Period in accord with the Act and this part; or

(9) For any week with respect to which the claimant was either ineligible for or not entitled to the payment.

(d) Effectuating authorization for reimbursement. (1) If the Department believes that reimbursement should not be authorized with respect to any payments made by a State that are claimed to be sharable compensation paid by the State, because the State law does not contain provisions required by the Act and this part, or because such law is not interpreted or applied in a manner that is consistent with those requirements, the Department may at any time notify the State agency in writing of its decision and the effect thereof on the State’s entitlement to reimbursement under this section and the provisions of section 204 of the Act.

(3) Thereafter, the Department shall not authorize any payment under paragraph (a) of this section in respect of any sharable regular or extended compensation if the State law does not contain all of the provisions required by sections 202 and 203 of the Act and this part, or if the State law, rules, regulations, determinations or decisions are not consistent with such requirements, or which would not have been payable if the State law contained the provisions required by the Act and this part, or if the State law, rules, regulations, determinations or decisions had not been consistent with such requirements. Loss of reimbursement for such compensation shall begin with the date the State law was required to contain such provisions, and shall continue until such time as the Department finds that such law, rules and regulations have been revised or the interpretations followed pursuant to such determinations and decisions have been overruled and payments are made or denied so as to accord with the Federal law requirements of the Act and this part, but no reimbursement shall be authorized with respect to any payment that did not fully accord with the Act and this part.

(4) A State agency may request reconsideration of a decision issued pursuant to paragraph (d)(2) above, within 10 calendar days of the date of such decision, and shall be given an opportunity to present views and arguments if desired.

(5) Concurrence of the Department in any State law provision, rule, regulation, determination or decision shall not be presumed from the absence of notice issued pursuant to this section or from a certification of the State issued pursuant to section 3304(c) of the Internal Revenue Code of 1986.
§ 615.15  Records and reports.

(a) General. State agencies shall furnish to the Secretary such information and reports and make such studies as the Secretary decides are necessary or appropriate for carrying out the purposes of the Act and this part.

(b) Recordkeeping. Each State agency will make and maintain records pertaining to the administration of the Extended Benefit Program as the Department requires, and will make all such records available for inspection, examination and audit by such Federal officials or employees as the Secretary or the Department may designate or as may be required by law.

(c) Weekly report of Extended Benefit data. Each State shall file with the Department within 10 calendar days after the end of each calendar week a weekly report entitled ETA 539, Extended Benefit Data. The report shall include:

(1) The data reported on the form ETA 539 for the week ending (date). Week-ending dates shall always be the Saturday ending date of the calendar week beginning at 12:01 a.m. Sunday and ending 12:00 p.m. Saturday.

(2)(i) The number of extended weeks claimed for regular compensation in claims filed during the week ending (date). The report shall include in-state extended weeks claimed and interstate extended weeks claimed (taken as agent State) but shall exclude interstate extended weeks claimed (received as liable State) and extended weeks claimed for regular compensation filed solely under 5 U.S.C. chapter 85; and

(ii) The report of the number of extended weeks claimed filed in the State for regular compensation shall not be adjusted for seasonality.

(3) The average weekly number of extended weeks claimed in claims filed in the most recent calendar week and the immediately preceding 12 calendar weeks.

(4) The rate of insured unemployment for the current 13-week period.

(5) The average of the rates of insured unemployment in corresponding 13-week periods in the preceding two years.

§ 616.2 Consultation with the State agencies.

As required by section 3304(a)(9)(B), this arrangement has been developed in consultation with the State unemployment compensation agencies. For purposes of such consultation in its formulation and any future amendment the Secretary recognizes, as agents of the State agencies, the duly designated representatives of the Interstate Conference of Employment Security Agencies.

§ 616.3 Interstate cooperation.

Each State agency will cooperate with every other State agency by implementing such rules, regulations, and procedures as may be prescribed for the operation of this arrangement. Each State agency shall identify the paying and the transferring State with respect to Combined-Wage Claims filed in its State.

§ 616.4 Rules, regulations, procedures, forms—resolution of disagreements.

All State agencies shall operate in accordance with such rules, regulations, and procedures, and shall use such forms, as shall be prescribed by the Secretary in consultation with the State unemployment compensation agencies. All rules, regulations, and standards prescribed by the Secretary with respect to intrastate claims will apply to claims filed under this arrangement unless they are clearly inconsistent with the arrangement. The Secretary shall resolve any disagreement between State agencies concerning the operation of the arrangement, with the advice of the duly designated representatives of the State agencies.

§ 616.5 Effective date.

This arrangement shall apply to all new claims (to establish a benefit year) filed under it after December 31, 1971.

§ 616.6 Definitions.

These definitions apply for the purpose of this arrangement and the procedures issued to effectuate it.
§616.7 Election to file a Combined-Wage Claim.

(a) Any unemployed individual who has had employment covered under the unemployment compensation law of two or more States, whether or not he is monetarily qualified under one or more of them, may elect to file a Combined-Wage Claim. He may not so elect, however, if he has established a benefit year under any State or Federal unemployment compensation law and:

(1) The benefit year has not ended, and
(2) He still has unused benefit rights based on such benefit year.1

(b) For the purposes of this arrangement, a claimant will not be considered to have unused benefit rights based on a benefit year which he has established under a State or Federal unemployment compensation law if:

(1) He has exhausted his rights to all benefits based on such benefit year; or
(2) His rights to such benefits have been postponed for an indefinite period

1The Federal-State Extended Unemployment Compensation Act of 1970, title II, Public Law 91-373, section 202(a)(1), limits the payment of extended benefits with respect to any week to individuals who have no rights to regular compensation with respect to such week under any State unemployment compensation law or to compensation under any other Federal law and in certain other instances. This provision precludes any individual from receiving any Federal-State extended benefits with respect to any week for which he is eligible to receive regular benefits based on a Combined Wage Claim. (See section 5752, part V of the Employment Security Manual.)
or for the entire period in which benefits would otherwise be payable; or
(3) Benefits are affected by the application of a seasonal restriction.
(c) If an individual elects to file a Combined-Wage Claim, all employment and wages in all States in which he worked during the base period of the paying State must be included in such combining, except employment and wages which are not transferrable under the provisions of §616.9(b).
(d) A Combined-Wage Claimant may withdraw his Combined-Wage Claim within the period prescribed by the law of the paying State for filing an appeal, protest, or request for redetermination (as the case may be) from the monetary determination of the Combined-Wage Claim, provided he either:
(1) Repays in full any benefits paid to him thereunder, or
(2) Authorizes the State(s) against which he files a substitute claim(s) for benefits to withhold and forward to the paying State a sum sufficient to repay such benefits.
(e) If the Combined-Wage Claimant files his claim in a State other than the paying State, he shall do so pursuant to the Interstate Benefit Payment Plan.

§616.8 Responsibilities of the paying State.
(a) Transfer of employment and wages—payment of benefits. The paying State shall request the transfer of a Combined-Wage Claimant’s employment and wages in all States during its base period, and shall determine his entitlement to benefits (including additional benefits, extended benefits and dependents’ allowances when applicable) under the provisions of its law based on employment and wages in the paying State, if any, and all such employment and wages transferred to it hereunder. The paying State shall apply all the provisions of its law to each determination made hereunder, even if the Combined-Wage Claimant has no earnings in covered employment in that State, except that the paying State may not determine an issue which has previously been adjudicated by a transferring State. Such exception shall not apply, however, if the transferring State’s determination of the issue resulted in making the Combined-Wage Claim possible under §616.7(b)(2). If the paying State fails to establish a benefit year for the Combined-Wage Claimant, or if he withdraws his claim as provided herein, it shall return to each transferring State all employment and wages thus unused.
(b) Notices of determination. The paying State shall give to the claimant a notice of each of its determinations on his Combined-Wage Claim that he is required to receive under the Secretary’s Claim Determinations Standard and the contents of such notice shall meet such Standard. When the claimant is filing his Combined-Wage Claims in a State other than the paying State, the paying State shall send a copy of each such notice to the local office in which the claimant filed such claims.
(c) Redeterminations. (1) Redeterminations may be made by the paying State in accordance with its law based on additional or corrected information received from any source, including a transferring State, except that such information shall not be used as a basis for changing the paying State if benefits have been paid under the Combined-Wage Claim.
(2) When a determination is made, as provided in paragraph (a) of this section, which suspends the use of wages earned in employment with an educational institution during a prescribed period between successive academic years or terms or other periods as prescribed in the law of the paying State in accordance with section 3304(a)(6)(A)(i)–(iv) of the Internal Revenue Code of 1954, the paying State shall furnish each transferring State involved in the Combined-Wage Claim an adjusted determination used to recompute each State’s proportionate share of any charges that may accumulate for benefits paid during the period of suspended use of school wages. Wages which are suspended shall be retained by the paying State for possible future reinstatement to the Combined-Wage Claim and shall not be returned to the transferring State.
(d) Appeals. (1) Except as provided in paragraph (d)(3) of this section, where the claimant files his Combined-Wage Claim in the paying State, any protest, request for redetermination or appeal
shall be in accordance with the law of such State.

(2) Where the claimant files his Combined-Wage Claim in a State other than the paying State, or under the circumstances described in paragraph (d)(3) of this section, any protest, request for redetermination or appeal shall be in accordance with the Interstate Benefit Payment Plan.

(3) To the extent that any protest, request for redetermination or appeal involves a dispute as to the coverage of the employing unit or services in a transferring State, or otherwise involves the amount of employment and wages subject to transfer, the protest, request for redetermination or appeal shall be decided by the transferring State in accordance with its law.

(e) Recovery of prior overpayments. If there is an overpayment outstanding in a transferring State and such transferring State so requests, the overpayment shall be deducted from any benefits the paying State would otherwise pay to the claimant on his Combined-Wage Claim except to the extent prohibited by the law of the paying State. The paying State shall transmit the amount deducted to the transferring State or credit the deduction against the transferring State’s required reimbursement under this arrangement. This paragraph shall apply to overpayments only if the transferring State certifies to the paying State that the determination of overpayment was made within 3 years before the Combined-Wage Claim was filed and that repayment by the claimant is legally required and enforceable against him under the law of the transferring State.

(f) Statement of benefit charges. (1) At the close of each calendar quarter, the paying State shall send each transferring State a statement of benefits charged during such quarter to such State as to each Combined-Wage Claimant.

(2) Except as provided in paragraphs (c)(2), (f)(3), and (f)(5) of this section, each such charge shall bear the same ratio to the total benefits paid to the Combined-Wage Claimant by the paying State as the claimant’s wages transferred by the transferring State bear to the total wages used in such determination. Each such ratio shall be computed as a percentage, to three or more decimal places.

(3) Charges to the transferring State shall not include the costs of any benefits paid which are funded or reimbursed from the Federal Unemployment Benefits and Allowances account in the U.S. Department of Labor appropriation, including:

(i) Benefits paid pursuant to 5 U.S.C. 8501–8525; and

(4) With respect to benefits paid after December 31, 1978, except as provided in paragraphs (f)(3) and (f)(5) of this section, all transferring States will be charged by the paying State for Extended Benefits in the same manner as for regular benefits.

(5) With respect to new claims establishing a benefit year effective on and after July 1, 1977, the United States shall be charged directly by the paying State, in the same manner as is provided in paragraphs (f)(1) and (f)(2) of this section, in regard to Federal civilian service and wages and Federal military service and wages assigned or transferred to the paying State and included in Combined-Wage Claims in accordance with this part and parts 609 and 614 of this chapter. With respect to new claims effective before July 1, 1977, prior law shall apply.

(26 U.S.C. 3304(a)(9)(B); Secretary’s Order No. 4–75, (40 FR 18515))

(b) Employment and wages not transferable. Employment and wages transferred to the paying State by a transferring State shall not include:

(1) Any employment and wages which have been transferred to any other paying State and not returned unused, or which have been used in the transferring State as the basis of a monetary determination which established a benefit year.

(2) Any employment and wages which have been canceled or are otherwise unavailable to the claimant as a result of a determination by the transferring State made prior to its receipt of the request for transfer, if such determination has become final or is in the process of appeal but is still pending. If the appeal is finally decided in favor of the Combined-Wage Claimant, any employment and wages involved in the appeal shall forthwith be transferred to the paying State and any necessary redetermination shall be made by such paying State.

(c) Reimbursement of paying State. Each transferring State shall, as soon as practicable after receipt of a quarterly statement of charges described herein, reimburse the paying State accordingly.

(26 U.S.C. 3304(a)(9)(B); Secretary’s Order No. 4–75, (40 FR 18515))

§ 616.10 Reuse of employment and wages.

Employment and wages which have been used under this arrangement for a determination of benefits which establishes a benefit year shall not thereafter be used by any State as the basis for another monetary determination of benefits.

§ 616.11 Amendment of arrangement.

Periodically the Secretary shall review the operation of this arrangement, and shall propose such amendments to the arrangement as he believes are necessary or appropriate. Any State unemployment compensation agency or the ICESA may propose amendments to the arrangement. Any proposal shall constitute an amendment to the arrangement upon approval by the Secretary in consultation with the State unemployment compensation agencies. Any such amendment shall specify when the change shall take effect, and to which claims it shall apply.

The State agency shall mail a written notice to each such worker of the benefits available under the TAA Program. The notice must include the following information:

Subpart B—Trade Readjustment Allowances (TRA)
§ 617.10 Applications for TRA.
(a) Before and after certification. An individual covered under a certification or a petition for certification may apply to a State agency for TRA. A determination shall be made at any time to the extent necessary to establish or protect an individual’s entitlement to TRA or other TAA, but no payment of TRA or other TAA may be made by a State agency until a certification is made and the State agency determines that the individual is covered thereunder.

(b) Timing of applications. An initial application for TRA, and applications for TRA for weeks of unemployment beginning before the initial application for TRA is filed, may be filed within a reasonable period of time after publication of the determination certifying the appropriate group of workers under section 223 of the Act. However, an application for TRA for a week of unemployment beginning after the initial application is filed shall be filed within the time limit applicable to claims for regular compensation under the applicable State law. For purposes of this paragraph (b), a reasonable period of time means such period of time as the individual had good cause for not filing earlier, which shall include, but not be limited to, the individual’s lack of knowledge of the certification or misinformation supplied the individual by the State agency.

(c) Applicable procedures. Applications shall be filed in accordance with this subpart B and on forms which shall be furnished to individuals by the State agency. (A) In the 52-week period (i.e., 52 consecutive calendar weeks) ending with the week of the individual’s first qualifying separation, the individual must have had at least 26 weeks of employment at wages of $30 or more a week in adversely affected employment because of a disability compensable under a workers’ compensation law or plan of a State or the United States, or

Prior to such notification and advice, the individual shall not be subject to the Extended Benefit work test requirements, nor to any State timely filing requirement, but shall be required to be unemployed and able to work and available for work with respect to any such week except as provided for workers in approved training in §617.17(b)(1).

(vii) Job search program participation.  
(A) The individual is enrolled in, participating in, or has successfully completed a job search program which meets the requirements of §617.49(a); or the State agency has determined that no acceptable job search program is reasonably available under the criteria set forth in §617.49(c).

(C) The job search program requirement shall not apply to an individual, as a qualifying requirement for TRA, with respect to any week ending after November 20, 1988, but cooperating State agencies are encouraged to continue to utilize job search programs after November 20, 1988, as an effective tool to assist adversely affected workers in finding suitable employment, particularly unemployed workers who have completed training or for whom the training requirement has been waived under §617.19.

(2) On and after November 21, 1988. To qualify for TRA for any week of unemployment that begins on or after November 21, 1988, an individual must meet each of the following requirements of paragraphs (a)(2) (i) through (vii) of this section:

(A) Period of separation. The separation of the individual must have occurred on a date within the period which began on August 13, 1981 and ended on April 7, 1986.

(B) Total separation required. Such separation must be a “total separation” as defined in §617.3(11), and a “total qualifying separation” as defined in §617.3(11)(1)(B); and, for the purposes of determining whether an individual has been continuously unemployed, as defined in §617.3(11)(3)(1)(B), only the last such total separation within the August 13, 1981 to April 7, 1986 period shall be taken into account.

(C) Other standard requirements. The individual must, with respect to such total separation, meet all of the requirements of paragraphs (a)(2)(i) through (v) of this section.

(D) Participation in training. (1) The individual must meet the requirements of paragraph (a)(2)(vii) of this section, with respect to being enrolled in or participating in a training program approved pursuant to §617.22(a), as to each week TRA is claimed, and not be ineligible under §617.18(b)(2) for failure to begin participation in such training or for ceasing to participate in such training.

The provisions of paragraph (a)(3) of this section apply to payments of TRA only for weeks which begin after August 23, 1988, and with respect to training in which the individual becomes enrolled and begins participation before or after such date, and which is approved under §617.22(a) before or after such date. No payment of TRA may be authorized under paragraph (a)(3) of this section for any week which ends before such training is approved under §617.22(a).

(iii) Other special rules. (1) Although the last total qualifying separation of an individual will be used for the purposes of the determination under paragraph (a)(3)(i)(B) of this section, the individual’s first qualifying separation (as defined in paragraph (t)(3)(ii) of §617.3) must be used to determine the weekly and maximum amounts payable to the individual in accordance with §§617.13 and 617.14.

(2) No individual shall be determined to be eligible for TRA under paragraph (a)(3) of this section if the individual has previously received all of the basic and additional TRA to which the individual was entitled.

Under section 1421(a)(1)(B) of the OTCA, individuals employed by independent firms engaged in exploration or drilling for oil and natural gas who were separated after September 30, 1985, may be entitled, retroactively, to TAA program benefits, but only if, as to any such individual, all of the conditions in the following provisions of paragraph (a)(4) of this section are met.

(ii) Prior certification. Individuals covered by this paragraph (a)(4) do not include any individual covered under a certification (made with respect to the same firm or subdivision of a firm) that was issued under section 223 of the Act without regard to the amendments to section 222 of the Act (relating to oil and gas workers) made by section 1421(a)(1)(A) of the OTCA.

(A) To apply for a certification under section 223 covering workers referred to in section 1421(a)(1)(B) of the OTCA, a petition must have been filed in the Office of Trade Adjustment Assistance after August 23, 1988, and on or before November 18, 1988, by or on behalf of a group of workers of such a firm or subdivision of a firm.

(B) A petition, to be valid, may not be signed by or on behalf of an individual referred to in paragraph (a)(4)(ii) of this section.

(iv) Certification. (A) As provided in section 1421(a)(1)(B) of the OTCA, a certification issued pursuant to section 223 of the Act will not be subject to the one-year limitation on the impact date which is specified in section 223(b) of the Act, but the impact date of any such certification may not be a date earlier than October 1, 1985.

(B) A certification shall not be issued under the authority of section 1421(a)(1)(B) of the OTCA if a certification could have been issued under section 223 of the Act before or after the amendment made by section 1421(a)(1)(A) of the OTCA.

(v) Coverage of certification. Individuals covered by a certification issued
under the authority of section 1421(a)(1)(B) of the OTCA will be eligible to apply for TAA program benefits as follows:

(B) Date of separation. The date of the individual’s most recent total separation (as defined in §617.3) must be used to determine the weekly and maximum amounts payable to the individual in accordance with §§617.13 and 617.14.

(c) Other standard requirements. (1) Whether the individual meets the qualifying requirements in §617.11;

(2) The individual’s average weekly wage; and

Verification. A statement made under paragraph (b) of this section shall be certified by the individual to be true to the best of the individual's knowledge and belief and shall be supported by evidence such as Forms W–2, paycheck stubs, union records, income tax returns, or statements of fellow workers, and shall be verified by the employer.

Determinations. The State agency shall make the necessary determinations on the basis of information obtained pursuant to this section, except that if, after reviewing information obtained under paragraph (b) of this section against other available data, including agency records, it concludes that such information is not reasonably accurate, it shall make appropriate adjustments and shall make the determination on the basis of the adjusted data.

§ 617.13 Weekly amounts of TRA.

(a) Regular allowance. The amount of TRA payable for a week of total unemployment (including a week of training approved under subpart C of this part 617 or under the provisions of the applicable State law) shall be an amount equal to the most recent weekly benefit amount of UI (including dependents' allowances) payable to the individual for a week of total unemployment preceding the individual's first exhaustion of UI following the individual's first qualifying separation: Provided, that in a State in which weeks of UI are paid in varying amounts related to wages with separate employers, the weekly amount of TRA shall be calculated as it would be to pay extended compensation: Provided, further, that where a State calculates a base amount of UI and calculates dependents' allowances on a weekly supplemental basis, TRA weekly benefit amounts shall be calculated in the same manner and under the same terms and conditions as apply to claimants for UI, except that the base amount shall not change.

(b) Increased allowance. An individual in training approved under subpart C of this part 617 who is thereby entitled for any week to TRA and a training allowance under any other Federal law for the training of workers shall be paid in the amount computed under paragraph (a) of this section or, if greater, the amount to which the individual would be entitled under such other Federal law if the individual applied for such allowance, as provided in section 232(b) of the Act. A payment under this paragraph (b) shall be in lieu of any training allowance to which the individual is entitled under such other Federal law.

Reduction of amount. An amount of TRA payable under paragraph (a) or (b) of this section for any week shall be reduced (but not below zero) by:

(1) Income that is deductible from UI under the disqualifying income provisions of the applicable State law or Federal unemployment compensation law;

(2) The amount of a training allowance (other than a training allowance referred to in paragraph (b) of this section) under any Federal law that the individual receives for such week, as provided in section 232(c) of the Act. This paragraph (c) shall apply to Veterans Educational Assistance, Pell Grants, Supplemental Educational Opportunity Grants, and other training allowances under any Federal law other than for the training of workers; and

(3) Any amount that would be deductible from UI for days of absence from training under the provisions of the applicable State law which apply to individuals in approved training.

§ 617.14 Maximum amount of TRA.

(a) General rule. Except as provided under paragraph (b) of this section, the maximum amount of TRA payable to an individual under a certification shall be the amount determined by:

(1) Multiplying by 52 the weekly amount of TRA payable under paragraph (a) or (b) of this section for any week during the individual's first benefit period described in
§ 617.15 Duration of TRA.

(a) Basic weeks. An individual shall not be paid basic TRA for any week begin-
ing after the close of the 104-week eligibility period (as defined in §617.3(m)(1)), which is applicable to the individual as determined under §§617.3(m)(1), 617.3(t), and 617.67(e).

(b) Additional weeks. (1) To assist an individual to complete training approved under subpart C of this part, payments may be made as TRA for up to 26 additional weeks in the 26-week eligibility period (as defined in §617.3(m)(2)) which is applicable to the individual as determined under §§617.3(m)(2) and 617.67(f).

(2) To be eligible for TRA for additional weeks, an individual must make a bona fide application for such training—

(i) within 210 days after the date of the first certification under which the individual is covered, or

(ii) if later, within 210 days after the date of the individual’s most recent partial or total separation (as defined in §§617.3(cc) and 617.3(ll)) under such certification.

(3) Except as provided in paragraph (d) of this section, payments of TRA for additional weeks may be made only for those weeks in the 26-week eligibility period during which the individual is actually participating fully in training approved under §617.22(a).

(c) Limit. The maximum TRA payable to any individual on the basis of a single certification is limited to the maximum amount of basic TRA as determined under §617.14 plus additional TRA for up to 26 weeks as provided in paragraph (b) of this section.

(d) Scheduled breaks in training. (1) An individual who is otherwise eligible will continue to be eligible for basic and additional weeks of TRA as deter-
mined under §617.14 plus additional TRA for up to 26 weeks as provided in paragraph (b) of this section.

(i) The individual was participating in the training approved under §617.22(a) immediately before the beginning of the break; and

(ii) The break is provided for in the published schedule or the previously established schedule of training issued by the training provider or is indicated in the training program approved for the worker; and, further
(iii) The individual resumes participation in the training immediately after the break ends.

(2) A scheduled break in training shall include all periods within or between courses, terms, quarters, semesters and academic years of the approved training program.

(3) No basic or additional TRA will be paid to an individual for any week which begins and ends within a scheduled break that is 15 days or more.

(4) The days within a break in a training program that shall be counted in determining the number of days of the break for the purposes of paragraph (d) of this section shall include all calendar days beginning with the first day of the break and ending with the last day of the break, as provided for in the schedule of the training provider, except that any Saturday, Sunday, or official State or National holiday occurring during the scheduled break in training, on which training would not normally be scheduled in the training program if there were no break in training, shall not be counted in determining the number of days of the break for the purposes of paragraph (d) of this section.

(5) When the worker is drawing basic TRA, the maximum amount of TRA payable is not affected by the weeks the worker does not receive TRA while in a break period, but the weeks will count against the 104-week eligibility period.

(6) When the worker is drawing additional weeks of TRA to complete training, any weeks for which TRA is not paid will count against the continuous 26-week eligibility period and the number of weeks payable.

§ 617.18 Disqualifications.

(a) State law applies. Except as stated in paragraph (b) of this section and §617.55(b), an individual shall not be paid TRA for any week of unemployment the individual is or would be disqualified to receive UI under the disqualification provisions of the applicable State law, including the provisions of the applicable State law which apply to EB claimants and which are consistent with section 202(a)(3) of the Federal-State Extended Unemployment Compensation Act of 1970.

(b) Disqualification of trainees—(1) State law inapplicable. A State law shall not be applied to disqualify an individual from receiving either UI or TRA because the individual:

(i) Is enrolled in or is participating in a training program approved under §617.22(a); or

(ii) Refuses work to which the individual has been referred by the State agency, if such work would require the individual to discontinue training, or if added to hours of training would occupy the individual more than 8 hours a day or 40 hours a week, except that paragraph (b)(1)(ii) of this section shall not apply to an individual who is ineligible under paragraph (b)(2) of this section; or

(iii) Quits work, if the individual was employed in work which was not suitable (as defined in §617.22(a)(1)), and it was reasonable and necessary for the individual to quit work to begin or continue training approved for the individual under §617.22(a).

(2) Trainees ineligible. (i) An individual who, without justifiable cause, fails to begin participation in a training program which is approved under §617.22(a), or ceases to participate in such training, or for whom a waiver is revoked pursuant to §617.19(c), shall not be eligible for basic TRA, or any other payment under this part 617, for the week in which such failure, cessation, or revocation occurred, or any succeeding week thereafter until the week in which the individual begins or resumes participation in a training program that is approved under §617.22(a).

(ii) For purposes of this section and other provisions of this Part 617, the following definitions shall be used:

(A) Failed to begin participation. A worker shall be determined to have failed to begin participation in a training program when the worker fails to attend all scheduled training classes and other training activities in the first week of the training program, without justifiable cause.

(B) Ceased participation. A worker shall be determined to have ceased participation in a training program when the worker fails to attend all scheduled training classes and other training activities scheduled by the training institution in any week of the training program, without justifiable cause.

(C) Justifiable cause. For the purposes of paragraph (b)(2) of this section, the term “justifiable cause” means such reasons as would justify an individual’s conduct when measured by conduct expected of a reasonable individual in...
like circumstances, including but not limited to reasons beyond the individual’s control and reasons related to the individual’s capability to participate in or complete an approved training program.

§ 617.19 Requirement for participation in training.

(a) In general—(1) Basic requirement. (i) All individuals otherwise entitled to basic TRA, for all weeks beginning on and after November 21, 1988, must either be enrolled in or participating in a training program approved under § 617.22(a), or have completed a training program approved under § 617.22(a), as provided in § 617.11(a)(2)(vii), in order to be entitled to basic TRA payments for any such week (except for continuation of payments during scheduled breaks in training of 14 days or less under the conditions stated in § 617.15(d)). The training requirement of paragraph (a)(1)(i) of this section shall be waived in writing on an individual basis, solely in regard to entitlement to basic TRA, if approval of training for the individual is not feasible or is not appropriate, as determined in accordance with paragraph (a)(2) of this section.

(ii) As a principal condition of entitlement to additional TRA payments, all individuals must actually be participating in a training program approved under § 617.22(a), for all weeks beginning before November 21, 1988, and for all weeks beginning on and after November 21, 1988 (except for continuation of payments during breaks in training under the conditions stated in § 617.15(d)). Paragraph (a)(2)(i) of this section is not applicable in regard to entitlement to basic TRA, and the participation in training requirement of paragraph (a)(1)(ii) of this section may not be waived under any circumstances.

(2) Waiver of participation requirement. When it is determined, in accordance with paragraph (a)(2) of this section, that it is not feasible or is not appropriate (as such terms are defined in paragraph (b) of this section) to approve a training program for an individual otherwise entitled to basic TRA, the individual shall be furnished a formal written notice of waiver, with an explanation of the reason(s) for the waiver and a statement of why training is not feasible or is not appropriate in the case of such individual. At a minimum, the written statement furnished to the individual shall contain information required by § 617.50(e) as well as the following information:

(i) Name and social security number of the individual;

(ii) Petition number under which the worker was certified;

(iii) A statement why the agency has determined that it is not feasible or is not appropriate to approve training for the individual at that time, and the reason(s) for the finding;

(iv) A statement that the waiver will be revoked at any time that feasible and appropriate training becomes available;

(v) Any other advice or information the State agency deems appropriate in informing the individual;

(vi) Signature block (with signature) for the appropriate State official; and

(vii) Signature block (with signature) for the worker’s acknowledgement of receipt.

(3) Denial of a waiver. In any case in which a determination is made to deny to any individual a waiver of the participation requirement, the individual shall be furnished a formal written notice of denial of waiver, which shall contain all of the information required of formal written notices under paragraph (a)(2) of this section.

(4) Procedure. Any determination under paragraph (a)(2) or paragraph (a)(3) of this section shall be a determination to which §§ 617.50 and 617.51 apply, including the requirement that any written notice furnished to an individual shall include notice of the individual’s appeal rights as is provided in § 617.50(e).

(b) Reasons for issuing a waiver. (1) For the purposes of paragraphs (a)(2) and (a)(3) of this section, a waiver of the participation in training requirement shall be issued to an individual only upon a supported finding that approval of a § 617.22(a) training program...
§617.19

for that individual is not feasible or is not appropriate at that time.

(i) Feasible and appropriate. For the purposes of this section:

(A) Feasible. The term feasible means:

(1) training is available at that time which meets all the criteria of §617.22(a);

(2) the individual is so situated as to be able to take full advantage of the training opportunity and complete the training; and

(3) funding is available to pay the full costs of the training and any transportation and subsistence expenses which are compensable.

The funding referred to in paragraph (b)(1)(i)(A)(3) of this section includes not only TAA program funds but also all other funds available under any of the provisions of the Job Training Partnership Act (including Title III) or any other Federal, State or private source that may be utilized for training approvable under §617.22(a). Further, the individual's situation in respect to undertaking training (as referred to in paragraph (b)(1)(i)(A)(2) of this section) shall include taking into account personal circumstances that preclude the individual from being able to participate in and complete the training program, such as the availability of transportation, the ability to make arrangements for necessary child care, and adequate financial resources if the weeks of training exceeds the duration of UI and TRA payments.

(B) Appropriate. The term appropriate means being suitable or compatible, fitting, or proper. Appropriate, therefore, refers to suitability of the training for the worker (including whether there is a reasonable prospect which is reasonably foreseeable that the individual will be reemployed by the firm from which separated), and compatibility of the training for the purposes of the TAA Program. In these respects, suitability of training for the individual is encompassed within the several criteria in §617.22 (a), and compatibility with the program is covered by the various provisions of subpart C of this part which describe the types of training approvable under §617.22(a) and the limitations thereon.

(ii) Basis for application. Whether training is feasible or appropriate at any given time is determined by finding whether, at that time, training suitable for the worker is available, the training is approvable under subpart C of this part including the criteria in §617.22(a), the worker is so situated as to be able to take full advantage of the training and satisfactorily complete the training, full funding for the training is available from one or more sources in accordance with §§617.24 and 617.25, the worker has the financial resources to complete the training when the duration of the training program exceeds the worker's eligibility for TRA, and the training will commence within 30 days of approval.

(2) Particular applications. The reasons for any determination that training is not feasible or is not appropriate shall be in accord with the following:

(i) Not feasible because—

(A) the beginning date of approved training is beyond 30 days, as required by the definition for "Enrolled in training" in §617.11(a)(2)(vii)(D),

(B) Training is not reasonably available to the individual,

(C) Training is not available at a reasonable cost,

(D) Funds are not available to pay the total costs of training, or

(E) Personal circumstances such as health or financial resources, preclude participation in training or satisfactory completion of training.

(F) Other (explain).

(ii) Not appropriate because—

(A)(1) The firm from which the individual was separated plans to recall the individual within the reasonably foreseeable future (State agencies must verify planned recalls with the employer),

(2) Planned recall. For the purpose of determining whether the recall or re-employment of an individual is reasonably foreseeable (for the purposes of this section and §617.22), either a specific or general type of recall (as set out) shall be deemed to be sufficient.

(i) Specific recall. A specific recall is where an individual or group of individuals who was separated from employment is identified and notified by the employer to return to work within a specified time period.
(ii) General recall. A general recall is where the employer announces an intention to recall an individual or group of individuals, or by other action reasonably signals an intent to recall, without specifying any certain date or specific time period.

(iii) Reasonably foreseeable. For purposes of determining whether training should be denied and a training waiver granted, because of a planned recall that is reasonably foreseeable, such a planned recall includes a specific recall (as defined in paragraph (b)(2)(i)(A)(2) of this section) if the general recall in each individual’s case is reasonably expected to occur before the individual exhausts eligibility for any regular UI payments for which the individual is or may become entitled. A general recall, in which the timing of the recall is reasonably expected to occur after the individual’s exhaustion of any regular UI to which the individual is or may become entitled, shall be treated as any other worker separation for these purposes.

(B) The duration of training suitable for the individual exceeds the individual’s maximum entitlement to basic and additional TRA payments and the individual cannot assure financial responsibility for completing the training program,

(C) The individual possesses skills for “suitable employment” and there is a reasonable expectation of employment in the foreseeable future, or

(D) Other (explain).

(3) Waivers and able and available. An individual who has been furnished a written notice of waiver under paragraph (a)(2) of this section (or denial of waiver under paragraph (a)(3) of this section) shall be subject to all of the requirements of §617.17(a), which shall continue until the individual is enrolled in a training program as required by paragraph (a)(2)(vii) of §617.11.

(c) Waiver review and revocations. (1) State agencies must have a procedure for reviewing regularly (i.e., every 30 days or less) all waivers issued under this section to individuals, to ascertain that the conditions upon which the waivers were granted continue to exist. In any case in which the conditions have changed—i.e., training has become feasible and appropriate—then the waiver must be revoked, and a written notice of revocation shall be furnished to the individual involved.

(2) In addition to the periodic reviews required by paragraph (c)(1) of this section, State agencies must have a procedure for revoking waivers in individual cases promptly whenever a change in circumstances occurs. For example, a written notice of revocation shall be issued to the individual concurrent with the approval of the training in which the individual has enrolled (if such training is scheduled to commence within 30 days), and shall not be issued prior to such approval.

(3) State agencies may incorporate a revocation section in the waiver form or on a separate revocation form. Any determination under paragraph (c) of this section shall be a determination to which §§617.50 and 617.51 apply. The information included in a written notice of revocation issued under this paragraph (c) shall include all of the information required for written notices issued under paragraph (a)(2) of this section.

(d) Recordkeeping and reporting. (1) State agencies must develop procedures for compiling and reporting on the number of waivers issued and revoked, by reason, as specified in paragraphs (b) and (c) of this section, and report such data to the Department of Labor as requested by the Department.

(2) State agencies are not required to forward copies of individual waiver and revocation notices to the Department of Labor, unless specifically requested by the Department. However, each State agency shall retain a copy of every individual waiver and revocation notice issued by the State, for such period of time as the Department requires.

§ 617.20 Responsibilities for the delivery of reemployment services.

(a) State agency referral. Cooperating State agencies shall be responsible for:

(1) Advising each adversely affected worker to apply for training with the State agency responsible for reemployment services, while the worker is receiving UI payments, and at the time the individual files an initial claim for TRA; and

(2) Referring each adversely affected worker to the State agency responsible for training and other reemployment services in a timely manner.

(b) State agency responsibilities. The responsibilities of cooperating State agencies under subpart C of this part include, but are not limited to:

(1) Interviewing each adversely affected worker regarding suitable training opportunities reasonably available to each individual under subpart C of this part, reviewing such opportunities with each individual, informing each individual of the requirement for participation in training as a condition for receiving TRA, and accepting each individual’s application for training.

Such training may be approved for any adversely affected worker at any time after a certification is issued and the worker is determined to be covered without regard to whether the worker has exhausted all rights to unemployment insurance;

(2) Registering adversely affected workers for work;

(3) Informing adversely affected workers of the reemployment services and allowances available under the Act and this Part 617, the application procedures, the filing date requirements for such reemployment services and the training requirement for receiving TRA;

(4) Determining whether suitable employment, as defined in §617.22(a)(1), is available;

(5) Providing counseling, testing, placement, and supportive services;

(6) Providing or procuring self-directed job search training, when necessary;

(7) Providing training, job search and relocation assistance;

(8) Developing a training plan with the individual;

(9) Determining which training institutions offer training programs at a reasonable cost and with a reasonable expectation of employment following the completion of such training, and procuring such training;

(10) Documenting the standards and procedures used to select occupations and training institutions in which training is approved;

(11) Making referrals and approving training programs;

(12) Monitoring the progress of workers in approved training programs;

(13) Developing, and periodically reviewing and updating reemployment plans for adversely affected workers;

(14) Developing and implementing a procedure for reviewing training waivers and revocations at least every 30 days to determine whether the conditions under which they are issued have changed; and

(15) Coordinating the administration and delivery of employment services, benefits, training, and supplemental assistance for adversely affected workers with programs under the Act and under Title III of the Job Training Partnership Act.

§ 617.21 Reemployment services and allowances.

Reemployment services and allowances shall include, as appropriate, the services and allowances as set forth in this section, provided that those services included within the scope of paragraphs (a) through (e) of this section shall be provided for under any other Federal law other than the Act.

(a) Employment registration. To ensure, so far as practical, that individuals are placed in jobs which utilize their highest skills and that applicants qualified for job openings are appropriately referred, applications for registration shall be taken on adversely affected workers who apply for reemployment services.

(b) Employment counseling. When local job opportunities are not readily available, counseling shall be used to assist individuals to gain a better understanding of themselves in relation to the labor market so that they can

§ 617.22 Approval of training.

(a) Conditions for approval. Training shall be approved for an adversely affected worker if the State agency determines that:

(1) There is no suitable employment (which may include technical and professional employment) available for an adversely affected worker.

(i) This means that for the worker for whom approval of training is being considered under this section, no suitable employment is available at that time for that worker, either in the commuting area, as defined in §617.22(k), or outside the commuting area in an area in which the worker desires to relocate with the assistance of a relocation allowance under subpart E of this part, and there is no reasonable prospect of such suitable employment becoming available for the worker in the foreseeable future. For the purposes of paragraph (a)(1) of this section

more realistically choose or change an occupation or make a suitable job adjustment.

(c) Vocational testing. Testing shall be used to determine which individual skills or potentials can be developed by appropriate training.

(d) Job development. A State agency shall develop jobs for individuals by soliciting job interviews from public or private employers and shall work with potential employers to customize or restructure particular jobs to meet individual needs.

(e) Supportive services. Supportive services shall be provided so individuals can obtain or retain employment or participate in employment and training programs leading to eventual placement in permanent employment. Such services may include work orientation, basic education, communication skills, child care, and any other services necessary to prepare an individual for full employment in accordance with the individual’s capabilities and employment opportunities.

(f) On-the-job training (OJT). OJT is training, in the public or private sector, and may be provided to an individual who meets the conditions for approval of training, as provided in §617.22(a), and who has been hired by the employer, while the individual is engaged in productive work which provides knowledge or skills essential to the full and adequate performance of the job.

(g) Classroom training. This training activity is any training of the type normally conducted in a classroom setting, including vocational education, and may be provided to individuals when the conditions for approval of training are met, as provided in §617.22(a), to impart technical skills and information required to perform a specific job or group of jobs. Training designed to enhance the employability of individuals by upgrading basic skills, through the provision of courses such as remedial education or English-as-a-second-language, shall be considered as remedial education approvable under §617.22(a) if the criteria for approval of training under §617.22(a) are met.

(h) Self-directed job search. Self-directed job search programs shall be initiated to assist individuals in developing skills and techniques for finding a job. Such programs vary in design and operation and call for a carefully structured approach to individual needs. There are basic elements or activities common to all approaches. These include:

(1) Job search workshop. A short (1–3 days) seminar designed to provide participants with knowledge on how to find jobs, including labor market information, applicant resume writing, interviewing techniques, and finding job openings.

(2) Job finding club. Encompasses all elements of the Job Search Workshop plus a period (1–2 weeks) of structured, supervised application where participants actually seek employment.

(i) Job search allowances. The individual, if eligible, shall be provided job search allowances under subpart D of this part 617 to defray the cost of seeking employment outside of the commuting area.

(j) Relocation allowances. The individual, if eligible, shall be provided relocation allowances under subpart E of this part 617 to defray the cost of moving to a new job outside of the commuting area.

only, the term “suitable employment” means, with respect to a worker, work of a substantially equal or higher skill level than the worker’s past adversely affected employment, and wages for such work at not less that 80 percent of the worker’s average weekly wage. 

(2) The worker would benefit from appropriate training. (i) This means that there is a direct relationship between the needs of the worker for skills training or remedial education and what would be provided by the training program under consideration for the worker, and that the worker has the mental and physical capabilities to undertake, make satisfactory progress in, and complete the training. This includes the further criterion that the individual will be job ready on completion of the training program. 

(3) There is a reasonable expectation of employment following completion of such training. (i) This means that, for that worker, given the job market conditions expected to exist at the time of the completion of the training program, there is, fairly and objectively considered, a reasonable expectation that the worker will find a job, using the skills and education acquired while in training, after completion of the training. Any determination under this criterion must take into account that “a reasonable expectation of employment” does not require that employment opportunities for the worker be available, or offered, immediately upon the completion of the approved training. This emphasizes, rather than negates, the point that there must be a fair and objective projection of job market conditions expected to exist at the time of completion of the training. 

(4) Training approved by the Secretary is reasonably available to the worker from either governmental agencies or private sources (which may include area vocational education schools, as defined in section 195(2) of the Vocational Education Act of 1963, and employers). (i) This means that training is reasonably accessible to the worker within the worker’s commuting area at any governmental or private training (or education) provider, particularly including on-the-job training with an employer, and it means training that is suitable for the worker and meets the other criteria in paragraph (a) of this section. It also means that emphasis must be given to finding accessible training for the worker, although not precluding training outside the commuting area if none is available at the time within the worker’s commuting area. Whether the training is within or outside the commuting area, the training must be available at a reasonable cost as prescribed in paragraph (a)(6) of this section. 

(ii) In determining whether or not training is reasonably available, first consideration shall be given to training opportunities available within the worker’s normal commuting area. Training at facilities outside the worker’s normal commuting area should be approved only if such training is not available in the area or the training to be provided outside the normal commuting area will involve less charges to TAA funds. 

(5) The worker is qualified to undertake and complete such training. (i) This emphasizes the worker’s personal qualifications to undertake and complete approved training. Evaluation of the worker’s personal qualifications must include the worker’s physical and mental capabilities, educational background, work experience and financial resources, as adequate to undertake and complete the specific training program being considered. 

(ii) Evaluation of the worker’s financial ability shall include an analysis of the worker’s remaining weeks of UI and TRA payments in relation to the duration of the training program. If the worker’s UI and TRA payments will be exhausted before the end of the training program, it shall be ascertained whether personal or family resources will be available to the worker to complete the training. It must be noted on the worker’s record that financial resources were discussed with the worker before the training was approved. 

(iii) When adequate financial resources will not be available to the worker to complete a training program which exceeds the duration of UI and TRA payments, the training shall not be approved and consideration shall be given to other training opportunities available to the worker.
§ 617.22

(6) Such training is suitable for the worker and available at a reasonable cost.

(i) Such training means the training being considered for the worker. Suitable for the worker means that paragraph (a)(5) of this section is met and that the training is appropriate for the worker given the worker's capabilities, background and experience.

(ii) Available at a reasonable cost means that training may not be approved at one provider when, all costs being considered, training substantially similar in quality, content and results can be obtained from another provider at a lower total cost within a similar time frame. It also means that training may not be approved when the costs of the training are unreasonably high in comparison with the average costs of training other workers in similar occupations at other providers. This criterion also requires taking into consideration the funding of training costs from sources other than TAA funds, and the least cost to TAA funding of providing suitable training opportunities to the worker. Greater emphasis will need to be given to these elements in determining the reasonable costs of training, particularly in view of the requirements in §617.11(a) (2) and (3) that TRA claimants be enrolled in and participate in training.

(iii) For the purpose of determining reasonable costs of training, the following elements shall be considered:

(A) Costs of a training program shall include tuition and related expenses (books, tools, and academic fees), travel or transportation expenses, and subsistence expenses;

(B) In determining whether the costs of a particular training program are reasonable, first consideration must be given to the lowest cost training which is available within the commuting area. When training, substantially similar in quality, content and results, is offered at more than one training provider, the lowest cost training shall be approved; and

(C) Training at facilities outside the worker's normal commuting area that involves transportation or subsistence costs which add substantially to the total costs shall not be approved if other appropriate training is available.

(b) Allowable amounts for training. In approving a worker's application for training, the conditions for approval in paragraph (a) of this section must be found to be satisfied, including assurance that the training is suitable for the worker, is at the lowest reasonable cost, and will enable the worker to obtain employment within a reasonable period of time. An application for training shall be denied if it is for training in an occupational area which requires an extraordinarily high skill level and for which the total costs of the training are substantially higher than the costs of other training which is suitable for the worker.

(c) Previous approval of training under State law. Training previously approved for a worker under State law or other authority is not training approved under paragraph (a) of this section. Any such training may be approved under paragraph (a) of this section, if all of the requirements and limitations of paragraph (a) of this section and other provisions of Subpart C of this part are met, but such approval shall not be retroactive for any of the purposes of this Part 617, including payment of the costs of the training and payment of TRA to the worker participating in the training. However, in the case of a redetermination or decision reversing a determination denying approval of training, for the purposes of this Part 617 such redetermination or decision shall be given effect retroactive to the issuance of the determination that was reversed by such redetermination or decision; but no costs of training may be paid unless such costs actually were incurred for training in which the individual participated, and no additional TRA may be paid with respect to any week the individual was not actually participating in the training.

(d) Applications. Applications for, selection for, approval of, or referral to training shall be filed in accordance with this subpart C and on forms which shall be furnished to individuals by the State agency.

(e) Determinations. Selection for, approval of, or referral of an individual to training under this subpart C, or a decision with respect to any specific

§ 617.23 Selection of training methods and programs.

(a) State agency responsibilities. If suitable employment as described in §617.22(a)(1), is not otherwise available to an individual or group of individuals, it is the responsibility of the State agency to explore, identify, develop and secure training opportunities and to establish linkages with other public and private agencies, Private Industry Councils (PICs), employers, and Job Training Partnership Act (JTPA) service delivery area (SDA) grant recipients, as appropriate, which return adversely affected workers to employment as soon as possible.

(b) Firm-specific retraining program. To the extent practicable before referring an adversely affected worker to approved training, the State agency shall consult with the individual’s adversely affected firm and certified or recognized union, or other authorized representative, to develop a retraining program that meets the firm’s staffing needs and preserves or restores the employment relationship between the individual and the firm. The fact that there is no need by other employers in the area for individuals in a specific occupation for which training is undertaken shall not preclude the development of an individual retraining program for such occupation with the adversely affected firm.
[Employment and Training Administration, Labor] 

§ 617.25  

Methods of training. Adversely affected workers may be provided either one or a combination of the following methods of training:  

(1) Insofar as possible, priority will be given to on-the-job training, which includes related education necessary to acquire skills needed for a position within a particular occupation, in the firm or elsewhere pursuant to §§617.24, 617.25, and 617.26, including training for which the firm pays the costs. This ensures that on-the-job training provides the skills necessary for the individual to obtain employment in an occupation rather than a particular job at a specific site; and  

(2) Institutional training, with priority given to providing the training in public area vocational education schools if it is determined that such schools are at least as effective and efficient as other institutional alternatives, pursuant to §§617.24, 617.25, and 617.26.  

(d) Standards and procedures. The State agency shall document the standards and procedures used to select occupations and training institutions in which training is approved. Such occupations and training shall offer a reasonable expectation (not necessarily a prior guarantee) of employment following such training.  

(1) Standards. The State agency shall approve training in occupations for which an identifiable demand exists either in the local labor market or in other labor markets for which relocation planning has been implemented. If practicable, placement rates and employer reviews of curriculum shall be used as guides in the selection of training institutions.  

(2) Procedures. In determining the types of training to be provided, the State agency shall consult with local employers, appropriate labor organizations, Job Service Improvement Program Committees, JTPA SDA grant recipients, PICs, local educational organizations, local apprenticeship programs, local advisory councils established under the Carl D. Perkins Vocational Education Act, and post-secondary institutions.  

(3) Exclusions. In determining suitable training, the State agency shall exclude certain occupations, where:  

(i) Lack of employment opportunities exist as substantiated by job orders and other pertinent labor market data; or  

(ii) The occupation provides no reasonable expectation of permanent employment.  

§ 617.24  Preferred training.  

Training programs that may be approved under §617.22(a) include, but are not limited to—  

(a) On-the-job training.  

(b) Any training program provided by a State pursuant to Title III of the Job Training Partnership Act.  

(c) Any training program approved by a private industry council established under the Job Training Partnership Act.  

(d) Any program of remedial education.  

(e) Any training program (other than a training program described in paragraph (c) of §617.25) for which all, or any portion, of the costs of training the worker are paid—  

(1) Under any other Federal or State program other than this Subpart C, or  

(2) From any other source other than this section, but not including sources personal to the individual, such as self, relatives, or friends, and  

(f) Any other training program approved by the Department.  

§ 617.25  Limitations on training under Subpart C of this part.  

The second sentence of amended section 236(a)(1) of the Act provides that an adversely affected worker shall be entitled to have payment of the costs of training approved under the Act paid on the worker’s behalf; subject, however, “to the limitations imposed by” section 236. The limitations in section 236 which are implemented in this section concern the restrictions on approval of training which are related directly or indirectly to the conditions on training which are approvable or on the funding of training costs.  

(a) On-the-job training. The costs of on-the-job training approved Subpart C of this part for a worker, which are paid from TAA funds, shall be paid in equal monthly installments. Such costs may be paid from TAA funds, and
such training may be approved under subpart C of this part, however, only if the State agency determines that:
(1) No currently employed individual is displaced by such eligible worker, including partial displacement such as a reduction in the hours of non-overtime work, wages, or employment benefits;
(2) Such training does not impair existing contracts for services or collective bargaining agreements;
(3) In the case of training which would be inconsistent with the terms of a collective bargaining agreement, written concurrence has been obtained from the concerned labor organization;
(4) No other individual is on layoff from the same or any substantially equivalent job for which such eligible worker is being trained;
(5) The employer has not terminated the employment of any regular employee or otherwise reduced the workforce with the intention of filling the vacancy so created by hiring the eligible worker;
(6) The job for which the eligible worker is being trained is not being created in a promotional line that will infringe in any way upon the promotional opportunities of currently employed individuals;
(7) Such training is not for the same occupation from which the worker was separated and with respect to which such worker's group was certified pursuant to section 222 of the Act;
(8) The employer certifies to the State agency that the employer will continue to employ the eligible worker for at least 26 weeks after completing the training if the worker desires to continue such employment;
(9) The employer has not received payment under this Subpart C or under any other Federal law for any other on-the-job training provided by such employer which failed to meet the requirements of paragraphs (a)(1) through (a)(6) of this section or such other Federal law; and
(10) The employer has not taken, at any time, any action which violated the terms of any certification described in paragraph (a)(6) of this section made by the employer with respect to any other on-the-job training provided by the employer for which the employer has received a payment under Subpart C of this part (or the prior provisions of Subpart C of this part).

(b) Other authority and restrictions on funding—
(1) In general. Section 236(a) contains several provisions which allow the costs of a training program approved under the Act to be paid—
(i) Solely from TAA funds,
(ii) Solely from other public or private funds, or
(iii) Partly from TAA funds and partly from other public or private funds, but also precludes the use of TAA funds or funds under another Federal law where such use of funds would result in duplication of payment of training costs. Those authorities and restrictions are spelled out in paragraph (b) of this section: Provided, that, private funds may not include funds from sources personal to the individual, such as self, relatives, or friends.
(2) Section 236(a)(5)(E) of the Act. (i) In general. Paragraph (5)(E) of section 236(a) of the Act specifies one of the types of training programs approvable under the Act, as including a program (other than a training program described in section 236(a)(7) (paragraph (b)(5) of this section)) for which all, or any portion, of the costs of the training program are paid—
(A) Under any Federal or State program other than the Act, or
(B) From any source other than TAA funds.
(ii) Application. Paragraph (E) of section 236(a)(5) of the Act thus authorizes prearrangements between cooperating State agencies administering the TAA program and the authorities administering any other Federal, State, or private funding source, to agree upon any mix of TAA funds and other funds for paying the costs of a training program approved under Subpart C of this part. Any such prearrangement must contain specific commitments from the other authorities to pay the costs they agree to assume.
(3) Section 236(a)(6) of the Act. (i) In general. Paragraph (6) of section 236(a) of the Act is related to section 236(a)(5)(E) in providing that the costs of a training program approved under the Act are not required to be paid
Employment and Training Administration, Labor  § 617.25

from TAA funds to the extent that such costs are paid under any Federal or State program other than the Act or from any source other than the Act.

(ii) Application. (A) Although paragraph (6) of section 236(a) of the Act is expressed in terms of the costs not being required to be paid from TAA funds, it authorizes the mixing of TAA funds and funds from any other Federal, State or private source. Therefore, sharing the future costs of training is authorized where prior costs were paid from another Federal, State or private source, but this does not authorize reimbursement from TAA funds of any training costs which were incurred and for which payment became due prior to the approval of the training program under Subpart C of this part. In utilizing the authority under paragraph (b)(3) of this section for sharing training costs, prearrangements shall be entered into as required under paragraph (b)(2) of this section before any TAA funds are obligated.

(B) Paragraph (6) of section 236(a) of the Act also requires that: The provisions of paragraphs (b)(4)(i) and (b)(2) of this section shall not apply to, or take into account, any funds provided under any other provision of Federal law which are used for any purpose other than the direct payment of the identical costs incurred in training the adversely affected worker under the TAA Program, even if such other use has the effect of indirectly paying or reducing any portion of the costs involved in training the adversely affected worker.

(ii) Application. (A) Although the prohibition on duplicate payments in the first part of section 236(a)(4) remains fully implemented in this section, the second part of section 236(a)(4) on the sharing of costs from TAA funds and other Federal fund sources is modified by the explicit provisions of paragraphs (5)(E) and (6) of section 236(a), as set forth in paragraphs (b)(2) and (b)(3) of this section.

(B) When the direct costs of a training program approvable under subpart C of this part are payable from TAA funds and are also wholly or partially payable under another Federal law, or under any State law or from private, nongovernmental sources, the TAA Program agencies shall establish procedures which ensure that TAA funds shall not be utilized to duplicate funds available from another source, but this preclusion of duplication does not prohibit and shall not discourage sharing of costs under prearrangements authorized under paragraphs (b)(2) and (b)(3) of this section.

(C)(1) Therefore, pursuant to paragraph (4) of section 236(a), paragraph (b)(4) of this section continues to prohibit duplicate payment of training costs, which is consistent with the general prohibition expressed in subpart C of this part, against any use of TAA funds to duplicate payment of training costs in any circumstances. Paragraph (b)(4) of this section also continues to

§617.27 Subsistence payments.

(a) Eligibility. A trainee under this subpart C shall be afforded supplemental assistance necessary to pay costs of separate maintenance when the training facility is located outside the commuting area, but may not receive such supplemental assistance for any period for which the trainee receives such a payment under the JTPA, or any other law, or for any day referred to under §617.28(c)(3) pursuant to which a transportation allowance is payable to the individual, or to the extent the individual is entitled to be paid or reimbursed for such expenses from any other source.

(b) Amount. Subsistence payments shall not exceed the lesser of:

(1) The individual’s actual per diem expenses for subsistence; or

(2) 50 percent of the prevailing per diem rate authorized under the Federal travel regulations (see 41 CFR part 101-7) for the locale of the training.

(c) Applications. Applications for subsistence payments shall be filed in accordance with this subpart C and on forms which shall be furnished to trainees by the State agency. Such payments shall be made on completion of a week of training, except that at the beginning of a training project a State agency may advance a payment for a week if it determines that such advance is necessary to enable a trainee to accept training. An adjustment shall be made if the amount of an advance is less or more than the amount to which the trainee is entitled under paragraph (b) of this section. A determination as to an application made under this section shall be subject to §§617.50 and 617.51.

(d) Unexcused absences. No subsistence payment shall be made to an individual for any day of unexcused absence as certified by the responsible training facility.

§617.28 Transportation payments.

(a) Eligibility. A trainee under this subpart C shall be afforded supplemental assistance necessary to pay transportation expenses if the training is outside the commuting area, but may not receive such assistance if transportation is arranged for the trainee as part of a group and paid for by the State agency or to the extent the individual is entitled to be paid or reimbursed for such expenses from any other source.

(b) Amount. A transportation allowance shall not exceed the lesser of:

(1) The actual cost for travel by the least expensive means of transportation reasonably available between the trainee’s home and the training facility; or

(c) Travel included. Travel for which a transportation allowance shall be paid includes travel:

(1) At the beginning and end of the training program;

(2) When the trainee fails for good cause, as described in §617.18(b)(2), to complete the training program; and

(3) For daily commuting, in lieu of subsistence, but not exceeding the amount otherwise payable as subsistence for each day of commuting.

(d) Applications. Applications for transportation payments shall be filed in accordance with this subpart C and on forms which shall be furnished to trainees by the State agency. Payments may be made in advance. An adjustment shall be made if the amount

(1) Register for work and be referred to work by the State agency in the same manner as required for EB claimants under the applicable State law provisions which are consistent with section 202(a)(3) of the Federal-State Extended Unemployment Compensation Act of 1970; and

(2) Be subject to the work test requirements for EB claimants under the applicable State law provisions which are consistent with section 202(a)(3) of the Federal-State Extended Unemployment Compensation Act of 1970.

Subpart D—Job Search Allowances

§ 617.30 General.

A job search allowance shall be granted an adversely affected worker to assist the individual in securing a job within the United States as provided in this subpart D.

§ 617.31 Applications.

(a) Forms. Applications for job search allowances shall be filed in accordance with this subpart D and on forms which shall be furnished to individuals by the State agency.

(b) Submittal. An application may be submitted to a State agency at any time by an individual who has been totally or partially separated whether or not a certification covering the individual has been made. However, an application must be submitted to a State agency before the job search begins for the job search allowance to be granted, and the job search may not be approved until after the individual is covered under a certification.

(c) Time limits. Notwithstanding paragraph (b) of this section, a job search allowance application may be approved only if submitted before:

(1) The 365th day after the date of the certification under which the individual is covered, or the 365th day after the date of the individual's last total separation, whichever is later; or

(2) The 182nd day after the concluding date of training approved under subpart C of this part 617, or approved under the regulations superseded by this part 617.

§ 617.32 Eligibility.

(a) Conditions. Job search allowance eligibility requires:

(1) A timely filed application;

(2) Total separation from adversely affected employment at the time the job search commences;

(3) Registration with the State agency which shall furnish the individual such reemployment services as are appropriate under subpart C of this part 617.

(4) A determination by the State agency that the individual has no reasonable expectation of securing suitable employment in the commuting area, and has a reasonable expectation of obtaining suitable employment of long-term duration outside the commuting area and in the area where the job search will be conducted. For the purposes of this section, the term “suitable employment” means suitable work as defined in §617.3(kk) (1) or (2), whichever is applicable to the individual; and

(5) Completion of the job search within a reasonable period not exceeding 30 days after the day on which the job search began.

(b) Completion of job search. A job search is deemed completed when the individual either secures employment or has contacted each employer to whom referred by the State agency in connection with a job search.

(c) Verification of employer contacts. The State agency shall verify contacts with employers certified by the individual.

§ 617.33 Findings required.

(a) Findings by liable State. Before final payment of a job search allowance may be approved, the following findings shall be made by the liable State:

(1) The individual meets the eligibility requirements for a job search allowance specified in §617.32(a) (1) through (4);

(2) The application for a job search allowance was submitted by the individual within the time limits specified in §617.31(c); and

(3) The individual completed the job search within the time limits stated in §617.32(a)(5), and the requirements of paragraphs (b) and (c) of §617.32 have been met.

(b) Agent State. (1) When an individual files an application for a job search allowance with respect to a job search conducted in a State other than the liable State, the State agency of the State in which the individual conducts the job search shall serve as the agent State and be responsible for assisting the individual in conducting the job search and in filing an application for a job search allowance with the liable State, and for assisting the liable State by furnishing to it any information required for the liable State’s determination of the claim.

(2) The agent State shall cooperate fully with the liable State in carrying out its activities and functions with regard to such applications.

[59 FR 938, Jan. 6, 1994]

§ 617.34 Amount.

(a) Computation. The amount of a job search allowance shall be 90 percent of the total costs of each of the following allowable transportation and subsistence items:

(1) Travel. The more cost effective mode of travel reasonably available shall be approved by using:

(i) The actual cost of round trip travel by the most economical public transportation the individual reasonably can be expected to take from the individual’s residence to the area of job search; or

(ii) The cost per mile at the prevailing mileage rate authorized under the Federal travel regulations (see 41 CFR part 101-7) for the locality where the job search is conducted.

(2) Lodging and meals. The cost allowable for lodging and meals shall not exceed the lesser of:

(i) The actual cost to the individual of lodging and meals while engaged in the job search; or

(ii) 50 percent of the prevailing per diem allowance rate authorized under the Federal travel regulations (see 41 CFR part 101-7) for the locality where the job search is conducted.

(b) Limit. The total job search allowances paid to an individual under a certification may not exceed $800, regardless of the number of job searches undertaken by the individual. The amounts otherwise payable under paragraph (a) of this section shall be reduced by any amounts the individual is entitled to be paid or reimbursed for such expenses from any other source.

§ 617.35 Time and method of payment.

(a) Determinations. A State agency shall promptly make and record determinations necessary to assure entitlement of an individual to a job search allowance at any time, before or after a certification covering the individual is made. No job search allowance may be paid or advanced to an individual until the State agency determines that the individual is covered under a certification. A State agency shall make payment as promptly as possible upon determining that the individual is covered under a certification and is otherwise eligible.

(b) Payment. Unless paragraph (a) of this section applies, a job search allowance shall be paid promptly after an individual completes a job search and complies with paragraph (d) of this section.

(c) Advances. A State agency may advance an individual (except an individual not yet covered under a certification) 60 percent of the estimated amount of the job search allowance payable on completion of the job search, but not exceeding $360, within 5 days prior to commencement of a job search.

§ 617.40 General.

A relocation allowance shall be granted an adversely affected worker to assist the individual and the individual’s family, if any, to relocate within the United States as stated in this subpart E. A relocation allowance may be granted an individual only once under a certification. A relocation allowance shall not be granted to more than one member of a family with respect to the same relocation. If applications for a relocation allowance are made by more than one member of a family as to the same relocation, the allowance shall be paid to the head of the family if otherwise eligible.

§ 617.41 Applications.

(a) Forms. Applications for a relocation allowance shall be filed in accordance with this subpart E and on forms which shall be furnished by the State agency.

(b) Submittal. An application may be submitted to the State agency at any time by an individual who has been totally or partially separated regardless of whether a certification covering the individual has been made. However, an application must be submitted to a State agency before the relocation begins for the relocation allowance to be granted, and the relocation may not be approved until after the individual is covered under a certification.

(c) Time limits. Notwithstanding paragraph (b) of this section, an application for a relocation allowance may not be approved unless submitted before:

(1) The 425th day after the date of the certification under which the individual is covered, or the 425th day after the date of the individual’s last total separation, whichever is later; or

(2) The 182nd day after the concluding date of training approved under subpart C of this part 617, or approved under the regulations superseded by this part 617.

§ 617.42 Eligibility.

(a) Conditions. Eligibility for a relocation allowance requires:

(1) A timely filed application;

(2) Total separation from adversely affected employment at the time relocation commences;

(3) No prior receipt of a relocation allowance under the same certification;

(4) Relocation within the United States and outside the individual’s present commuting area;

(5) Registration with the State agency which shall furnish the individual such reemployment services as are appropriate under subpart C of this part 617;

(6) A determination by the State agency that the individual has no reasonable expectation of securing suitable employment in the commuting area, and has obtained suitable employment affording a reasonable expectation of employment of long-term duration, or a bona fide offer of such suitable employment, outside the commuting area and in the area of intended relocation. For the purposes of this section, the term “suitable employment” means suitable work as defined in §617.3(kk) (1) and (2), whichever is applicable to the individual; and

(7) Relocation beginning within a reasonable period, as determined under §617.43(b), and completion of such relocation within a reasonable period of time as determined in accordance with Federal travel regulations and §617.43(a).

(b) Job search. Applications for a relocation allowance and a job search allowance may not be approved concurrently, but the prior payment of a job search allowance shall not otherwise preclude the payment of a relocation allowance.
§ 617.43 Time of relocation.

(a) Applicable considerations. In determining whether an individual’s relocation is completed in a reasonable period of time, a State agency, among other factors, shall consider whether:

(1) Suitable housing is available in the area of relocation;
(2) The individual can dispose of the individual’s residence;
(3) The individual or a family member is ill; and

(4) A member of the individual’s family is attending school and when the member can best be transferred to a school in the area of relocation.

(b) Time limits. The reasonable period for actually beginning a relocation move shall expire 182 days after the date of application for a relocation allowance, or 182 days after the conclusion of training approved under subpart C of this part 617, or approved under the regulations in former 29 CFR part 91, in effect prior to its redesignation as this 20 CFR part 617 and its concurrent revision.

§ 617.44 Findings required.

(a) Findings by liable State. Before final payment of a relocation allowance may be approved, the following findings shall be made by the liable State:

(1) The individual meets the eligibility requirements for a relocation allowance specified in § 617.42(a)(1) to (6) and § 617.42(b).

(2) The application for a relocation allowance was submitted by the individual within the time limits specified in § 617.41(c);

(3) The individual began and completed the relocation within the limitations specified in § 617.42(a)(7) and § 617.43; and

(4) The liable State has verified (directly or through the agent State) with the employer, and finds, that the individual has obtained suitable employment affording a reasonable expectation of employment of long-term duration, or a bona fide offer of such suitable employment.

§ 617.45 Amount.

(a) Items allowable. The amount payable as a relocation allowance shall include the following items:

(1) 90 percent of the travel expenses for the individual and family, if any, from the individual’s place of residence to the area of relocation, as determined under § 617.46;

(2) 90 percent of the expenses of moving household goods and personal effects of the individual and family, if any, not to exceed the maximum number of pounds net weight authorized under the Federal travel regulations (see 41 CFR part 101-7), between such locations, as determined under § 617.47; and

(3) A lump sum payment, equal to 3 times the individual’s average weekly wage, not to exceed $800.

(b) Reduction. The amount otherwise payable under paragraphs (a)(1) and (a)(2) of this section shall be reduced by any amount the individual is entitled to be paid or reimbursed for such expenses from any other source.

§ 617.46 Travel allowance.

(a) Computation. The amount of travel allowance (including lodging and

§ 617.47 Amount.

(a) Items allowable. The amount payable as a relocation allowance shall include the following items:

(1) 90 percent of the travel expenses for the individual and family, if any, from the individual’s place of residence to the area of relocation, as determined under § 617.46;

(2) 90 percent of the expenses of moving household goods and personal effects of the individual and family, if any, not to exceed the maximum number of pounds net weight authorized under the Federal travel regulations (see 41 CFR part 101-7), between such locations, as determined under § 617.47; and

§ 617.47 Moving allowance.

(a) Computation. The amount of a moving allowance payable under § 617.45(a)(2) shall be 90 percent of the total of the allowable costs under either (1), (2), or (3) of this paragraph, and 90 percent of the total allowable costs under (4) of this paragraph:

(1) Commercial carrier. Allowable costs for moving household goods and personal effects of an individual and family, if any, shall not exceed the maximum number of pounds net weight authorized under the Federal travel regulations (see 41 CFR part 101-7) by commercial carrier from the individual’s old residence to the individual’s new residence in the area of relocation, including reasonable and necessary accessorrial charges, by the most economical commercial carrier the individual reasonably can be expected to use. Before undertaking such move, the individual must submit to the State agency an estimate from a commercial carrier as to the cost thereof. Accessorial charges shall include the cost of insuring such goods and effects for their actual value or $10,000, whichever is less, against loss or damage in transit, if a bid from a licensed insurer is obtained by the individual and approved by the State agency before departure. If a State agency finds it is more economical to pay a carrier an extra charge to assume the responsibility of a common carrier for such goods and effects, 90 percent of such extra charge, but not exceeding $50, shall be paid in lieu of the cost of insurance.

(2) Trailer or rental truck—(i) Trailer. If household goods and personal effects are moved by trailer, the allowable costs shall be:

(A) If the trailer is hauled by private vehicle, the cost per mile for the use of the private vehicle at the prevailing mileage rate authorized under the Federal travel regulations (see 41 CFR part 101-7) for the usually traveled route from the individual’s old residence to
the individual’s new residence in the area of relocation; and

(B) If the trailer is rented, and of the type customarily used for moving household goods and personal effects, the rental fee for each day reasonably required to complete the move; or

(C) The actual charge if hauling is by commercial carrier.

(ii) **Rental truck.** If household goods and personal effects are moved by rental truck of the type customarily used for moving household goods and personal effects, the allowable costs shall be:

(A) The rental fee for each day reasonably required to complete the move; and

(B) The necessary fuel for such rental truck paid by the individual.

(3) **House trailer.** If a house trailer or mobile home was used as the individual’s place of residence in the old area and will be so used in the new area, the allowable costs of moving such house trailer or mobile home shall be:

(i) The commercial carrier’s charges for moving the house trailer or mobile home;

(ii) Charges for unblocking and reblocking;

(iii) Ferry charges, bridge, road, and tunnel tolls, taxes, fees fixed by a State or local authority for permits to transport the unit in or through its jurisdiction, and retention of necessary flagmen; and

(iv) The cost of insuring the house trailer or mobile home, and the personal effects of the individual and family, against loss or damage in transit, in accordance with the provisions in paragraph (a)(1) of this section.

(4) **Temporary storage.** If temporary storage of household goods and personal effects is necessary, the cost of such temporary storage for a period not to exceed 60 days.

(b) **Travel.** Payments under this section shall be in addition to payments for travel expenses for the individual and family, if any, under §617.45(a)(1), except that the allowable cost for a private vehicle used to haul a trailer may not be paid under this section if any cost with respect to such private vehicle is payable under any other provisions of this subpart E.

§ 617.48 Time and method of payment.

(a) **Determinations.** A State agency shall promptly make and record determinations necessary to assure an individual’s entitlement to a relocation allowance at any time, before or after a certification covering the individual is made. No relocation allowance may be paid or advanced to an individual until the State agency determines that the individual is covered under a certification. A State agency shall make payment as promptly as possible upon determining that the individual is covered under a certification and is otherwise eligible.

(b) **Travel and moving allowances.** Allowances computed under §§617.46 and 617.47 shall be paid as follows:

(1) **Travel**—(1) **Transportation and subsistence.** The amounts estimated under §617.46 at 90 percent of the lowest allowable costs shall be paid in advance at the time an individual departs from the individual’s residence to begin relocation or within 10 days prior thereto. An amount payable for a family member approved for separate travel shall be paid to the individual at the time of such family member’s departure or within 10 days prior thereto.

(ii) **Worker evidence.** On completion of a relocation, the individual shall certify on forms furnished by the State agency as to the amount expended daily for lodging and meals. Receipts shall be required for all lodging and purchased transportation expenses incurred by the individual and family, if any, pursuant to the relocation. An adjustment shall be made if the amount of an advance is less or more than the amount to which the individual is entitled under §617.46.

(2) **Moving.** The amount estimated under §617.47 at 90 percent of the lowest allowable costs shall be paid:

(i) **Commercial carrier.** (A) If household goods and personal effects are moved by commercial carrier, 90 percent of the amount of the estimate submitted by the individual under §617.47(a)(1) and approved by the State agency for covering the cost of such move, and 90 percent of the other charges approved by the State agency under §617.47(a)(1) shall be advanced by check or checks payable to the carrier and insurer, and delivered to the individual at the time
§ 617.49 Job Search Program

(a) Program requirements. (1) A worker, after being separated from adversely affected employment, must participate in an approved job search program (JSP), or have completed a JSP, as a condition for receiving TRA, except where the State agency determines that an acceptable JSP is not reasonably available.

(2) A TRA claimant is subject to participation in a JSP as a condition for

of the scheduled shipment or within 10 days prior thereto. On completion of the move, the individual shall promptly submit to the State agency a copy of the bill of lading prepared by the carrier, including a receipt evidencing payment of moving costs. The individual shall with such submittal reimburse the State agency the amount, if any, by which the advance made under this paragraph (b)(2)(i) exceeds 90 percent of the actual moving costs approved by the State agency. If the amount of the advance was less than 90 percent of the rental charges approved by the State agency, the individual shall be paid the difference.

(B) If more economical, a State agency may make direct arrangements for moving and insuring an individual’s household goods and personal effects with a carrier and insurer selected by the individual and may make payment of 90 percent of moving and insurance costs directly to the carrier and insurer. No such arrangement shall release a carrier from liability otherwise provided by law or contract for loss or damage to the individual’s goods and effects. The United States shall not be or become liable to either party for personal injury or property loss damage under any circumstances.

(ii) Trailer or rental truck—(A) Private vehicle with trailer. If the move is by private vehicle and trailer, the allowable cost for the use of the private vehicle shall be made at the time payment is made under paragraph (b)(1) of this section.

(B) Rental trailer or rental truck. If the move is by rental trailer or rental truck:

(1) The individual shall submit an estimate of the rental cost from the rental agency; and

(2) 90 percent of such estimated rental cost may be advanced by check payable to the order of the individual and the rental agency at the time payment is made under paragraph (b)(1) of this section; and

(3) On completion of the move the individual shall submit promptly to the State agency a receipted bill itemizing and evidencing payment of the rental charges for the trailer or truck and fuel costs, and shall reimburse the State agency for the amount, if any, by

(c) Lump sum allowance. The lump sum allowance provided in § 617.45(a)(3) shall be paid when arrangements are completed for relocation of the individual and family, if any, but not more than 10 days before the earlier of the individual’s anticipated departure from the individual’s residence to begin relocation or the anticipated date of shipment of the individual’s household goods and personal effects.

(d) Relocation completed. A relocation is completed when an individual and family, if any, and their household goods and personal effects arrive at the individual’s residence in the area of relocation. If no household goods and personal effects are moved, a relocation is completed when the individual and family, if any, arrive in the area of relocation and establish a residence in the new area. The later arrival of a family member approved for separate travel shall not alter the date a relocation was completed.
receiving TRA for weeks of unemployment which begin after the date the claimant is notified of the requirement and has filed an initial claim for TRA. The claimant is not subject to the JSP as a condition for receiving TRA for weeks which begin prior to that date.

(3) When the State agency determines that the worker has failed to begin participation in an approved JSP, or ceased to participate in such a JSP before completion, and there is no justifiable cause for such failure or cessation, no TRA may be paid to the worker for weeks beginning with the week that failure or cessation occurred when it is determined that such failure or cessation was without justifiable cause. TRA may be paid thereafter to an otherwise eligible worker only for weeks beginning with the week the worker begins or resumes participation in an approved JSP or complete the JSP. For purposes of this paragraph (a)(3), justifiable cause means such reasons as would justify an individual's conduct when measured by conduct expected of a reasonable individual in like circumstances, including but not limited to reasons beyond the individual's control and reasons related to the individual's capability to enroll in an approved JSP or complete the JSP.

(4) A worker in training approved under §§617.22 through 617.26, or approved by the State agency under State law, is excepted from the JSP qualifying requirement while the worker is attending and making satisfactory progress in the training. This exception applies whether training begins before or after entitlement to basic TRA commences, and also applies after training begins for a worker who is attending a JSP program. Exceptions to the JSP qualifying requirement must be documented in the worker's claim file by the State agency.

(b) Approved JSPs. A job search program may be approved if:

(1) The JSP is provided through the JTPA, the public employment service, or any other Federal or State funded program, and complies with paragraphs (w), (x), and (y) of §617.3.

(2) The JSP is sponsored by a company or firm from which the worker has been separated, and complies with paragraphs (w), (x), and (y) of §617.3.

(c) Determination of reasonably available. (1) Reasonably available means an existing approved JSP that is located in the worker's normal commuting area, as defined in §617.3, and has sufficient capacity to accommodate the worker.

(2) When the State determines that a JSP is not reasonably available for a worker, the requirement is not a condition of qualifying for TRA for the weeks involved. When a determination is made with respect to a worker, the State agency must document its determination, and the weeks involved, in the worker's claim file, prior to making TRA payments to the worker.

(3) The State agency may issue a blanket waiver of the JSP qualifying requirement for TRA for groups of workers, where deemed appropriate, when it is determined that there is no functioning JSP.

(4) All determinations that a JSP is not reasonably available should extend only for that period of time that a JSP is not reasonably available, and the exception for workers in approved training should extend until the completion of training. If the State determines that a JSP is reasonably available at a later date, then the JSP qualifying requirement must be met for entitlement to basic TRA for weeks of unemployment beginning with the week in which JSP becomes reasonably available.

(d) JSP allowances. Subsistence and transportation costs shall be approved for workers participating in JSPs when deemed appropriate and within available State funding levels. Costs incurred may not exceed those allowable for training under §§617.27 and 617.28, if, and when, the State refers a worker to a JSP outside the normal commuting area.

(4) Termination of requirement. The job search program requirement set out in this section shall not be a condition of entitlement to TRA for any week which begins after November 20, 1988.

§617.50 Determinations of entitlement; notices to individuals.

(a) Determinations of initial applications for TRA or other TAA. The State Agency whose State law is the applicable State law under §617.16 shall upon the filing of an initial application for TRA or other TAA promptly determine the individual’s entitlement to such TRA or other TAA under this part 617, and may accept for such purposes information and findings supplied by another State agency under this part 617.

(b) Determinations of subsequent applications for TRA or other TAA. The State agency shall, upon the filing of an application for payment of TRA, or subsistence and transportation, promptly determine whether the individual is eligible for a payment of TRA, or subsistence and transportation, with respect to the week, and, if eligible, the amount of TRA, or subsistence and transportation, for which the individual is eligible. In addition, the State agency shall promptly determine whether the individual is eligible for job search allowances (where the total of previous job search allowances paid the individual was less than $600), and, if eligible, the amount of job search allowances for which the individual is eligible.

(c) Redeterminations. The provisions of the applicable State law concerning the right to request, or authority to undertake, reconsideration of a determination pertaining to a claim for UI under the applicable State law shall apply to determinations pertaining to all forms of TAA under this part 617.

(d) Use of State law. In making determinations or redeterminations under this section, or in reviewing such determinations or redeterminations under §617.51, a State agency shall apply the regulations in this part 617. As to matters committed by this part 617 to the applicable State law, a State agency, a hearing officer, or a State court shall apply the applicable State law and regulations, including procedural requirements of such State law or regulations, except so far as such State law or regulations are inconsistent with this part 617 or the purpose of this part 617: Provided, that, no provision of State law or regulations on good cause for waiver of any time limit, or for late filing of any claim, shall apply to any time limitation referred to or specified in this part 617, unless such State law or regulation is made applicable by a specific provision of this part 617.

(e) Notices to individual. The State agency shall notify the individual in writing of any determination or redetermination as to entitlement to TAA. Each determination or redetermination shall inform the individual of the reason for the determination or redetermination and of the right to reconsideration or appeal in the same manner as determinations of entitlement to UI are subject to redetermination or appeal under the applicable State law.

(f) Promptness. Full payment of TAA when due shall be made with the greatest promptness that is administratively feasible.

(g) Procedure. Except where otherwise required by the Act or this part 617, the procedures for making and furnishing determinations and written notices of determinations to individuals, shall be consistent with the Secretary’s “Standard for Claim Determinations—Separation Information,” Employment Security Manual, part V, sections 6010–6015 (appendix B of this part).

§617.51 Appeals and hearings.

(a) Applicable State law. A determination or redetermination under this part 617 shall be subject to review in the same manner and to the same extent as determinations and redeterminations under the applicable State law, and only in that manner and to that extent. Proceedings for review of a determination or redetermination shall be consolidated or joined with proceedings for review of a determination or redetermination under the State law where convenient or necessary. Procedures as to the right of appeal and opportunity for fair hearing shall be consistent with sections 303(a) (1) and (3) of the Department of Labor...
§ 617.52 Uniform interpretation and application.

(a) First rule of construction. The Act and the implementing regulations in this part 617 shall be construed liberally so as to carry out the purpose of the Act.

(b) Second rule of construction. The Act and the implementing regulations in this part 617 shall be construed so as to assure insofar as possible the uniform interpretation and application of the Act and this part 617 throughout the United States.

(c) Effectuating purpose and rules of construction. (1) To effectuate the purpose of the Act and this part 617 and to assure uniform interpretation and application of the Act and this part 617 throughout the United States, a State agency shall forward, not later than 10 days after issuance, to the Department a copy of any judicial or administrative decision ruling on an individual’s entitlement to TAA under this part 617. On request of the Department, a State agency shall forward to the Department a copy of any determination or redetermination ruling on an individual’s entitlement to TAA under this part 617.

(2) If the Department believes that a determination, redetermination, or decision is inconsistent with the Department’s interpretation of the Act or this part 617, the Department may at any time notify the State agency of the Department’s view; and the redetermination action or appeal seeks an expedited redetermination or appeal within not more than two weeks after the redetermination action is taken or the appeal is filed. If redetermination action is not taken or appeal is not filed within the above time limit, or a redetermination or decision is not obtained within the two-week limit, or any redetermination or decision or order is issued which affirms the determination, redetermination, or decision awarding TAA or allows it to stand in whole or in part, the benefits awarded must be paid promptly to the individual.
§ 617.53 Subpoenas.

A State agency may issue subpoenas for attendance of witnesses and production of records on the same terms and conditions as under the State law. Compliance may be enforced on the same terms and conditions as under the State law, or, if a State court declines to enforce a subpoena issued under this section, the State agency may petition for an order requiring compliance with such subpoena to the United States District Court within the jurisdiction of which the relevant proceeding under this part 617 is conducted.

§ 617.54 State agency rulemaking.

A State agency may establish supplemental procedures not inconsistent with the Act or this part 617 or procedures prescribed by the Department to further effective administration of this part 617. The exact text of such supplemental procedure or procedures, certified as accurate by a responsible official, employee, or counsel of the State agency, shall be submitted to the Department, on a form supplied by the Department. No supplemental procedure shall be effective unless and until approved by the Department. Approval may be granted on a temporary basis, not to exceed 90 days, in cases of administrative necessity. On reasonable notice to a State agency, approval of a supplemental procedure may be withdrawn at any time. If public notice and opportunity for hearing would be required under a State law for adoption of a similar or analogous procedure involving UI, such public notice and opportunity for hearing shall be afforded by the State agency as to the supplemental procedure.

(Approved by the Office of Management and Budget under control number 1205–0222)

§ 617.55 Overpayments; penalties for fraud.

(a) Determination and repayment. (1) If a State agency or a court of competent jurisdiction determines that any person or individual has received any payment under this part 617 to which the person or individual was not entitled, including a payment referred to in paragraph (b) or paragraph (c) of this section, such person or individual shall be liable to repay such amount to the State agency, and the State agency shall recover any such overpayment in accordance with the provisions of this part 617; except that the State agency may waive the recovery of any such overpayment if the State agency determines, in accordance with the guidelines prescribed in paragraph (a)(2) of this section, that:

(i) The payment was made without fault on the part of such person or individual; and
(i) Requiring such repayment would be contrary to equity and good conscience.

(2)(i)(A) In determining whether fault exists for purposes of paragraph (a)(1)(i) of this section, the following factors shall be considered:

(1) Whether a material statement or representation was made by the person or individual in connection with the application for TAA that resulted in the overpayment, and whether the person or individual knew or should have known that the statement or representation was inaccurate.

(2) Whether the person or individual failed or caused another to fail to disclose a material fact, in connection with an application for TAA that resulted in the overpayment, and whether the person or individual knew or should have known that the fact was material.

(3) Whether the person or individual knew or could have been expected to know, that the person or individual was not entitled to the TAA payment.

(4) Whether, for any other reason, the overpayment resulted directly or indirectly, and partially or totally, from any act or omission of the person or individual or of which the person or individual had knowledge, and which was erroneous or inaccurate or otherwise wrong.

(5) Whether there has been a determination of fraud under paragraph (b) of this section or section 243 of the Act.

(B) An affirmative finding on either of the foregoing factors in paragraphs (a)(2)(i)(A) of this section precludes waiver of overpayment recovery.

(2) Whether recovery of the overpayment will not cause extraordinary financial hardship to the person or individual, and there has been no affirmative finding under paragraph (a)(2)(ii)(A) of this section with respect to such person or individual and such overpayment.

(ii)(A) In determining whether equity and good conscience exists for purposes of paragraph (a)(1)(ii) of this section, the following factors shall be considered:

(1) Whether the overpayment was the result of a decision on appeal, whether the State agency had given notice to the person or individual that the case has been appealed and that the person or individual may be required to repay the overpayment in the event of a reversal on appeal, and whether recovery of the overpayment will not cause extraordinary and lasting financial hardship to the person or individual.

(2) In applying this test in the case of attempted recovery by repayment, a substantial period of time shall be 30 days, and the foreseeable future shall be at least three months. In applying this test in the case of proposed recoupment from other benefits, a substantial period of time and the foreseeable future shall be the longest potential period of benefit entitlement as seen at the time of the request for a waiver determination. In making these determinations, the State agency shall take into account all potential income of the person or individual and the person’s or individual’s firm, organization, or family and all cash resources available or potentially available to the person or individual and the person’s or individual’s firm, organization, or family in the time period being considered.

(C)(1) For the purpose of paragraph (a)(2)(ii) of this section, an extraordinary financial hardship shall exist if recovery of the overpayment would result directly in the person’s or individual’s loss of or inability to obtain minimal necessities of food, medicine, and shelter for a substantial period of time; and an extraordinary and lasting financial hardship shall be extraordinary as described above and may be expected to endure for the foreseeable future.

(3) Determinations granting or denying waivers of overpayments shall be made only on request for a waiver determination. Such request shall be made on a form which shall be furnished to the person or individual by the State agency. Notices of determination of overpayments shall include an accurate description of the waiver provisions of paragraph (a) of this section, if the State agency has elected to allow waivers of TAA overpayments.
§ 617.55

(4) Each State shall have the option to establish a policy as to whether the waiver provisions of this section shall be applied to TAA overpayments. A State’s decision on its policy shall not be controlled by whether it waives UI overpayments, but the State’s decision shall be published for the information of the public and the Department.

(5)(i) Unless an overpayment is otherwise recovered, or is waived under paragraph (a) of this section, the State agency shall recover the overpayment by deduction from any sums payable to such person or individual under:
(A) This part 617;
(B) Any Federal unemployment compensation law administered by the State agency; or
(C) Any other Federal law administered by the State agency which provides for the payment of unemployment assistance or an allowance with respect to unemployment.

(ii) In addition, a State agency may recover the overpayment from unemployment insurance payable to such person or individual under the State law.

(b) Fraud. If a State agency or a court of competent jurisdiction finds that any person or individual:
(1) Knowingly has made, or caused another to make, a false statement or representation of a material fact; or
(2) Knowingly has failed, or caused another to fail, to disclose a material fact; and as a result of such false statement or representation, or of such non-disclosure, such individual has received any payment under this part 617 to which the person or individual was not entitled, such person or individual shall, in addition to any other penalty provided by law, be ineligible for any further payments under this part 617.

(c) Training, job search and relocation allowances. (1) If an individual fails, with good cause, to complete training, a job search, or a relocation, any payment made under this part 617 to such individual or any person that is not properly and necessarily expended in attempting to complete such training, job search, or relocation, shall constitute an overpayment.
(2) If an individual fails, without good cause, to complete training, a job search, or a relocation, any payment made under this part 617 to such individual or any person shall constitute an overpayment.

(3) Such overpayment shall be recovered or waived as provided in paragraph (a) of this section.

(d) Final determination. Except for overpayments determined by a court of competent jurisdiction, no repayment may be required, and no deduction may be made, under this section until a determination under paragraph (a) of this section by the State agency has been made, notice of the determination and an opportunity for a fair hearing thereon has been given to the person or individual concerned, and the determination has become final.

(e) Deposit. Any amount recovered by a State agency under this section shall be deposited into the Federal fund or account from which payment was made.

(f) Procedural requirements. (1) The provisions of paragraphs (c), (e), and (g) of § 617.50 shall apply to determinations and redeterminations made pursuant to this section.
(2) The provisions of § 617.51 shall apply to determinations and redeterminations made pursuant to this section.

(g) Fraud detection and prevention. State procedures for the detection and prevention of fraudulent overpayments of TAA shall be, as a minimum, commensurate with the procedures adopted by the State with respect to State unemployment compensation and consistent with the Secretary’s “Standard for Fraud and Overpayment Detection,” Employment Security Manual, Part V, sections 7510–7515 (Appendix C of this part).

(h) Debts due the United States or Others. (1) Notwithstanding any provision of this part 617, TAA payable to a person or an individual under this part 617 shall be applied by the State agency for the recovery by offset of any debt due the United States from the person or individual.
(2) TAA shall not be applied or used by the State agency in any manner for the payment of any debt of any person or individual to any State or any other entity or person, except that TAA payable to an individual shall be payable
to someone other than the individual if required by State law and Federal law to satisfy the individual’s obligation for child support or alimony.

(i) Definition of person. For purposes of this section, a person includes any employer or other entity or organization as well as the officers and officials thereof who may bear individual responsibility.

§ 617.55 Inviolate rights to TAA.

Except as specifically provided in this part 617, the rights of individuals to TAA shall be protected in the same manner and to the same extent as the rights of persons to UI are protected under the applicable State law. Such measures shall include protection of applicants for TAA from waiver, release, assignment, pledge, encumbrance, levy, execution, attachment, and garnishment of their rights to TAA, except as provided in §617.55. In the same manner and to the same extent, individuals shall be protected from discrimination and obstruction in regard to seeking, applying for, and receiving any right to TAA.

§ 617.57 Recordkeeping; disclosure of information.

(a) Recordkeeping. Each State agency will make and maintain records pertaining to the administration of the Act as the Secretary requires and will make all such records available for inspection, examination and audit by such Federal officials as the Secretary may designate or as may be required by law. Such recordkeeping will be adequate to support the reporting of TAA activity on reporting form ETA 563 approved under OMB control number 1205-0016.

(b) Disclosure of information. Information in records maintained by a State agency in administering the Act shall be kept confidential, and information in such records may be disclosed only in the same manner and to the same extent as information with respect to UI and the entitlement of individuals thereto may be disclosed under the applicable State law. Such information shall not, however, be disclosed to an employer or any other person except to the extent necessary to obtain information from the employer or other person for the purposes of this part 617. This provision on the confidentiality of information maintained in the administration of the Act shall not apply, however, to the Department or for the purposes of §617.55 or paragraph (a) of this section, or in the case of information, reports and studies required pursuant to §617.61, or where the result would be inconsistent with the Freedom of Information Act (5 U.S.C. 552), the Privacy Act of 1974 (5 U.S.C. 552a), or regulations of the Department promulgated thereunder (see 29 CFR parts 70 and 70a).

§ 617.58 Unemployment insurance.

Unemployment insurance payable to an adversely affected worker shall not be denied or reduced for any week by reason of any right to a payment of TAA under the Act and this part 617.

§ 617.59 Agreements with State agencies.

(a) Authority. Before performing any function or exercising any jurisdiction under the Act and this part 617, a State or State agency (as defined in §617.3(ii)) shall execute an Agreement with the Secretary meeting the requirements of the Act.

(b) Execution. An Agreement under paragraph (a) of this section shall be signed on behalf of a State or State agency by an authorized official of the State or such State agency, and the signature shall be dated. The authority of the State or State agency official shall be certified by the Attorney General of the State or counsel for the State agency, unless the Agreement is signed by the Governor of the State. An agreement will be executed on behalf of the United States by the Secretary.

(c) Public access to Agreements. The State agency will make available to any individual or organization an accurate copy of the Agreement with the Agency for inspection and copying. Copies of an Agreement may be furnished on request to any individual or organization upon payment of the same charges, if any, as apply to the furnishing of copies of other records of the State agency.
§ 617.60 Amended Agreement. A State or State agency shall execute an amended Agreement with the Secretary prior to administering any amendments to the TAA provisions of the Trade Act of 1974.

(e) Agent of United States. In making determinations, redeterminations, and in connection with proceedings for review thereof, a State or State agency which has executed an Agreement as provided in this section shall be an agent of the United States and shall carry out fully the purposes of the Act and this part 617.

(f) Breach. If the Secretary finds that a State or State agency has not fulfilled its commitments under its Agreement under this section, section 3302(c)(3) of the Internal Revenue Code of 1986 shall apply. A State or State agency shall receive reasonable notice and opportunity for hearing before a finding is made under section 3302(c)(3) whether there has been a failure to fulfill the commitments under the Agreement.

(g) Secretary's review of State agency compliance. The appropriate Regional Administrator shall be initially responsible for the periodic monitoring and reviewing of State and State agency compliance with the Agreement entered into under this section.

(h) Program coordination. State agencies providing employment services, training and supplemental assistance under subpart C of this part shall, in accordance with their Agreements with the Agreement entered into under this section.

(i) Administration absent State Agreement. In any State in which no Agreement under this section is in force, the Secretary shall administer the Act and this part 617 and pay TAA hereunder through appropriate arrangements made by the Department, and for this purpose the Secretary or the Department shall be substituted for the State or cooperating State agency wherever appropriate in this part 617. Such arrangements shall include the requirement that TAA be administered in accordance with this part 617, and the provisions of the applicable State law except to the extent that such State law is inconsistent with any provision of this part 617 or section 303 of the Social Security Act (42 U.S.C. 503) or section 3304(a) of the Internal Revenue Code of 1986 (26 U.S.C. 3304(a)), and shall also include provision for a fair hearing for any individual whose application for TAA is denied. A final determination under paragraph (i) of this section as to entitlement to TAA shall be subject to review by the courts in the same manner and to the same extent as is provided by section 205(g) of the Social Security Act (42 U.S.C. 405(g)).

§ 617.60 Administration requirements. [Reserved]

§ 617.61 Information, reports, and studies.

A State agency shall furnish to the Secretary such information and reports and conduct such studies as the Secretary determines are necessary or appropriate for carrying out the purposes of the Act and this part 617.

§ 617.62 Transitional procedures.

The procedures for administering the Trade Act of 1974 before and after the amendments made by title XXV of the Omnibus Budget Reconciliation Act of 1981 (Pub. L. 97–35) are as follows:

(a) TRA. The provisions contained in subpart B of this part 617 shall apply with respect to the qualifying requirements for TRA for adversely affected workers who are separated on or after October 1, 1981, and were not entitled to TRA for any week of unemployment beginning before October 1, 1981. In addition, such provisions shall apply to TRA payable for weeks of unemployment beginning after September 30, 1981, to adversely affected workers separated before October 1, 1981. Any adversely affected worker entitled to TRA for any week of unemployment beginning before October 1, 1981, shall be entitled to TRA as follows:
Employment and Training Administration, Labor  
§ 617.62

(1) **Weeks before October 1, 1981.** For weeks of unemployment beginning before October 1, 1981, TRA eligibility shall be determined under the provisions of the law and regulations in effect before the amendments made by title XXV of the Omnibus Budget Reconciliation Act of 1981 (Pub. L. 97–35).

(2) **Weeks after September 30, 1981.**

(i) **Basic weeks (UI exhaustion).** For any week of unemployment beginning after September 30, 1981, TRA eligibility for an individual who has exhausted all rights to UI prior to such week shall be determined under subpart B of this part 617, except that the maximum amount of basic TRA payable to the individual for any such week of unemployment shall be an amount equal to the product of the amount of TRA payable to the individual for a week of total unemployment (as determined under §617.13(a)) multiplied by a factor determined by subtracting from fifty-two the sum of:

(A) The number of weeks preceding the first week which begins after September 30, 1981, including all weeks in the individual’s first benefit period, and which are within the period covered by the same certification as such week of unemployment, for which the individual was entitled to a payment of TRA or UI (or would have been entitled to a payment of TRA or UI if the individual had applied therefor); plus

(B) The number of weeks preceding such first week that are deductible under section 232(d) of the Trade Act of 1974 in effect before the amendments made by the Omnibus Budget Reconciliation Act of 1981.

(C) The amount of TRA payable to an individual under this paragraph (a)(2)(i) shall be subject to adjustment on a week-to-week basis as may be required by §617.13(b).

(ii) **Basic weeks UI entitlement.** For any week of unemployment beginning after September 30, 1981, TRA eligibility for an individual who still has entitlement to UI prior to such week shall be discontinued until the individual exhausts all rights to UI as provided in §617.11(a)(5). After exhaustion of all rights to UI, payment of TRA shall be determined under subpart B of this part 617, except that the maximum amount of basic TRA payable to the individual for ensuing weeks of unemployment shall be an amount equal to the remainder of:

(A) The maximum amount of basic TRA as computed under paragraph (a)(2)(i) of this section; minus

(B) The total sum of UI to which the individual was entitled (or would have been entitled if the individual had applied therefor) for weeks beginning after September 30, 1981.

(iii) **Additional weeks.** With respect to any week of unemployment beginning after September 30, 1981, for an individual who is in training approved under section 236 of the Trade Act of 1974, and who was receiving TRA for basic or additional weeks beginning before October 1, 1981, the weekly amount of TRA for any additional weeks beginning after September 30, 1981, shall be determined under subpart B of this part 617.

(3) **Transitional eligibility period.**

(i) **Basic weeks.** Any individual who was eligible for a basic TRA payment for any week beginning before October 1, 1981, shall not be eligible for a basic TRA payment for any week beginning after September 30, 1981, and which begins more than 52 weeks after the individual has exhausted all rights to regular compensation in the first benefit period (as provided in §617.15(a)).

(ii) **Additional weeks.** Any individual who was eligible for a TRA payment for an additional week beginning before October 1, 1981, shall not be eligible for a TRA payment for any additional week beginning after September 30, 1981, unless such additional week begins within:

(A) 26 weeks after the last week of the individual’s entitlement to basic TRA, or

(B) 78 weeks after the individual exhausted regular compensation in the first benefit period, whichever occurs first (as provided in §617.15).

(b) **Training, other reemployment services, and allowances.** (1) Applications for training filed before October 1, 1981, concerning the approval of such training after September 30, 1981, shall be determined under subpart C of this part 617.

(2) Applications for transportation and subsistence payments while in training, and job search and relocation allowances filed after September 30,
§ 617.63 Savings clause.

The amendments to the Act made by title XXV of the Omnibus Budget Reconciliation Act of 1981 (Pub. L. 97–35) shall not abate or otherwise affect entitlement to TAA under the Trade Act of 1974 or any appeal which was pending on October 1, 1981, or on the date of enactment of any such amendment, as applicable, or prevent any appeal from any determination thereunder which did not become final prior to such applicable date if appeal or petition is filed within the time allowed for appeal or petition.

§ 617.64 Termination of TAA program benefits.

The following rules are applicable to the termination of TAA benefits under the Act:

(a) No application for TRA, or transportation or subsistence payment while in training approved under subpart C of this part 617, shall be approved, and no payment of TRA or payment for transportation or subsistence occurring on or before the termination date shall be made after the termination date specified in the Act, unless the claim for TRA or an invoice for transportation and subsistence is presented to the State agency and a final determination is made on the amount payable on or before the termination date in the Act.

(b) No payment of job search or relocation allowances shall be made after the termination date specified in the Act, unless an application for such allowances was approved, such job search or relocation was completed, and a final determination made on the amount payable for such benefits by the State agency on or before the termination date in the Act.

(c) No training under subpart C of this part shall be approved unless a determination regarding the approval of such training was made on or before the termination date in the Act, and such training commenced on or before such termination date. Consistent with the requirements of section 236(a)(1) of the Act, and the termination provisions of paragraph (c) of this section, a final determination must be made on the invoice for the training costs by the State agency on or before the termination date specified in the Act to cover tuition related expenses. Determinations on tuition bills shall be limited to the training term, quarter, semester or other period beginning on or before the termination date in the Act. The training period should be in accord with normal billing practices of the training provider and/or State agency approval practices.

[59 FR 941, Jan. 6, 1994]

The procedures for administering the Trade Act of 1974 as amended by the Deficit Reduction Act of 1984 are as follows:

(a) TRA. (1) The provisions in subpart B of this part 617 shall apply to workers who would lose additional weeks of TRA payments because of delays in approving applications for training. Workers who filed timely, bona fide applications for training shall be eligible to receive additional weeks of TRA payments beginning the first week of training when their applications for training are approved on or after July 18, 1984, and the first week of such training begins later than the first week which follows the last week of entitlement to basic TRA.

(2) Workers whose applications for training were approved prior to July 18, 1984, are covered under the provisions of the Trade Act of 1974 in effect prior to July 18, 1984, and are not entitled to additional weeks of TRA by reason of the amendment in section 2671 of the Deficit Reduction Act of 1984 and §617.15(b) of this part.

(b) Job Search Allowances. (1) The provisions in subpart D of this part 617 shall apply to timely applications for job search allowances that are approved on or after July 18, 1984.

(2) Workers whose applications for job search allowances that were filed timely but were approved before July 18, 1984, in the aggregate authorized amount of $600, are covered under the provisions of the Trade Act of 1974 as in effect prior to July 18, 1984, and are not entitled to additional weeks of TRA by reason of the amendment in section 2671 of the Deficit Reduction Act of 1984 or §617.15(b) of this part.

(c) Relocation allowances. (1) The provisions in subpart E of this part 617 shall apply to timely applications for relocation allowances that are approved on or after July 18, 1984.

(2) Workers whose applications for relocation allowances were filed timely but were approved before July 18, 1984, are covered under the provisions of the Trade Act of 1974 in effect prior to July 18, 1984, and are not entitled to receive the increase in the lump sum allowance level provided in section 2672(b) of the Deficit Reduction Act of 1984 and §617.45(a)(3) of this part.

[51 FR 45870, Dec. 22, 1986]

The procedures for administering the Trade Act of 1974 before and after the amendments made by the Pub. L. 99–272 are as follows:

(a) Duration of TRA. The provisions contained in §617.15 expanding the eligibility period for payment of basic TRA benefits from 52 weeks to 104 weeks shall apply only to those claimants whose eligibility periods begin on or after April 7, 1986, or who have a previously established 52-week TRA eligibility period that ends on or after April 7, 1986. Workers with 52-week eligibility periods that end before April 7, 1986, will not have their eligibility periods extended to 104 weeks.

(b) TRA payments—(1) Retroactive TRA payments. Retroactive claims of eligible workers may be approved for weeks of unemployment beginning with the first week after the week which includes December 18, 1985. Claims for weeks beginning before April 7, 1986 (or, if later, before claimants are notified of their potential entitlement and have filed claims for retroactive benefits) are not subject to the application of the Extended Benefits (EB) work test, nor to the State timely filing requirement. Claimants shall be subject to those requirements for weeks of unemployment beginning after the date eligible workers are notified of such requirements and have filed claims for such benefits.

(2) Employer-authorized leave, disability leave and union service. The change to §617.11(a)(3) for crediting weeks of specified leave to qualify for TRA will apply only to initial claims for basic TRA filed with the State agency by eligible workers on or after April 7, 1986.

(c) Job search program. The job search program in effect prior to April 7, 1986.
adjustment assistance filed with the Department on or after April 7, 1986.

(d) Training and other amendments. Other amendments in Pub. L. 99-272 are effective on April 7, 1986, and apply to applications for TAA benefits approved on or after April 7, 1986.

(e) Application of Gramm-Rudman. TRA payments to workers made under part 1 of chapter 2 of title II of the Trade Act of 1974 and this part shall be reduced by a percentage equal to the non-defense sequester percentage applied in the Sequestration Report (submitted under the Balanced Budget and Emergency Deficit Control Act of 1985 and dated January 21, 1986) of the Comptroller General of the United States for Fiscal Year 1986, for the period from March 1, 1986 to October 1, 1986.

§ 617.67 Transition guidelines for the 1988 Amendments.

The provisions of part 3 of subtitle D of title 1 of the Omnibus Trade and Competitiveness Act of 1988 (the "OTCA"), Public Law 100–418, approved on August 23, 1988, made material changes in the TAA Program for workers that are reflected in the amended regulations published with this new section on transition guidelines for the 1988 Amendments. States and cooperating State agencies shall be guided by the following paragraphs of this section in the transition to the TAA Program as modified by the 1988 Amendments and reflected in the preceding provisions of this part 617, as well as in the interim operating instructions issued by the Department which are superseded by these regulations. The operating instructions in GAL 15–90, and the Changes thereto, shall continue in effect as guidance on the proper application of the 1988 Amendments except as modified in these final regulations. (GAL 15–90 is available from the Office of Trade Adjustment Assistance, U.S. Department of Labor, 200 Constitution Ave., NW., room C–4318, Washington, DC 20210.)

(a) Oil and gas workers—prospective. Workers in firms or appropriate subdivisions of firms engaged in exploration or drilling for oil or natural gas are newly covered under the TAA Program by an amendment to section 222 of the Trade Act of 1974. This is a permanent change in the Act having prospective effect, and became effective on August 23, 1988. Oil and gas workers covered by a certification issued pursuant to section 223 of the Act and the regulations at 29 CFR part 90 shall be entitled to basic and additional TRA and other TAA Program benefits on precisely the same terms and conditions as apply to other workers covered by other certifications and which are specifically set forth in this part 617.

(b) Oil and gas workers—retroactive. Oil and gas workers referred to in paragraph (a) of this section, who were separated from adversely affected employment after September 30, 1985, are covered retroactively under section 1421(a)(1)(B) of the OTCA, if they are covered by a certification issued pursuant to section 223 of the Act which is in response to a petition filed in the Office of Trade Adjustment Assistance on or before November 18, 1988. Administration of TAA Program benefits to these workers shall be on precisely the same terms and conditions as apply to other workers covered by other certifications, except that the limitations of the impact date provision of section 223(b) and the 60-day preclusion in section 231(a) may not be applied to these workers.

(c) Benefit information to workers. (1) An amendment to section 225 of the Act requires individualized and published notices to workers covered by certifications issued pursuant to section 223 of the Act. This amendment became effective as a requirement on September 22, 1988, and is applicable to all certifications issued on and after that date. Individualized notices and published notices shall contain the information specifically set forth in this part 617.

(2) Section 239(f) of the Act requires cooperating State agencies to furnish four discrete items of information and advice to individuals about TAA Program benefits, commencing with such advice and information to every individual who applies for unemployment insurance under each State’s unemployment compensation law. See § 617.4(e). This amendment became effective on August 23, 1988.
and advice required by section 233(f) shall be provided in accordance with this part 617.

(d) Training and eligibility requirements for TRA. Effective on November 21, 1988, in general, enrollment and participation in, or completion of, a training program approved under subpart C is required as a condition of entitlement to basic TRA. Amendments to sections 231(a)(5), 231(b), and 231(c) of the Act incorporate this new requirement, replacing the job search program requirement which remains in effect through November 20, 1988. Continuation of the job search program requirement through November 20, 1988, and installation of the training program requirement on and after November 21, 1988, is required of all applicants for basic TRA.

(e) Eligibility period for basic TRA. (1) Effective on August 23, 1988, and with respect to all decisions (i.e., determinations, redeterminations, and decisions on appeals) issued on or after that date, the eligibility period for basic TRA is changed from the prior law. Prior to the OTCA amendments, section 233(a)(2) provided that the eligibility period for an individual was a fixed 104-week period that immediately followed the week with respect to which the individual first exhausted all rights to regular benefits after the individual’s first qualifying separation. Under section 233(a)(2) the new eligibility period is movable, and is the 104-week period that immediately follows the week in which the worker’s most recent total qualifying separation occurs under the same, single certification. Under the effective date provisions of the OTCA, section 233(a)(2) applies to all decisions (i.e., determinations, redeterminations, and decisions on appeals) issued on and after August 23, 1988. Further, the law to be applied in making any such decision is the law as in effect on the date such a decision is made. These interpretative rules apply in all cases, regardless of whether the total qualifying separation occurred before, on, or after August 23, 1988, except as noted in paragraph (e)(3) of this section.

(2) The major significance of the change in section 233(a)(2) is that, effective for all decisions (i.e., determinations, redeterminations, and decisions on appeals) issued on or after August 23, 1988, it applies to the “most recent” total qualifying separation. This means that, after the first qualifying separation before August 23, 1988, or the first total qualifying separation on and after August 23, 1988, with each subsequent total qualifying separation of an individual under the same certification the individual’s eligibility period must be redetermined as the 104-week period that immediately follows the week in which such subsequent separation occurred.

(3) Section 1430(g) of the OTCA requires that the new eligibility period not be applied with respect to any total qualifying separation occurring before August 23, 1988, if as a result of applying section 233(a)(2) the individual would have an eligibility period with an earlier expiration date than the expiration date of the eligibility period established under the prior law and based on a first qualifying separation which occurred under the same certification before August 23, 1988. Therefore, for decisions (i.e., determinations, redeterminations, and decisions on appeals) issued on or after August 23, 1988, for a worker who had a first qualifying separation under the same certification before August 23, 1988, it must be determined what the individual’s eligibility period is based upon the prior law, and, if the individual also had a subsequent total qualifying separation, what the individual’s eligibility period is based on the amended law. Only if the subsequent total qualifying separation occurred before August 23, 1988, and the expiration date of the new eligibility period ends on the same date or a later date than the expiration date of the old eligibility period may the new eligibility period be applied to the individual, and in that event it must be applied; if the new eligibility period would end on a date earlier than the ending date of the eligibility period based on the worker’s first qualifying separation, section 1430(g) operates to preclude the application of amended section 233(a)(2).

(4) Computation of the weekly and maximum amounts of basic TRA do not change under the 1988 Amendments in the OTCA. They must continue to be
based upon the first benefit period which is related to the worker’s first total or partial separation under the same certification regardless of whether such first separation occurs before, on, or after August 23, 1988. Upon the occurrence of a second or subsequent separation under the same certification which is a total qualifying separation under this part 617, the individual’s eligibility period will be 104 weeks after the week of such second or subsequent (total qualifying) separation, but no change will be made in the weekly or maximum amounts of basic TRA as computed in relation to the first separation. Therefore, for any decision (i.e., determination, redetermination, or decision on appeal) issued on or after August 23, 1988, whenever an individual files a new TRA claim it will be necessary to determine whether the individual’s most recent separation was a total qualifying separation, and, if so, whether the individual had a prior partial or total separation within the certification period of the same certification which was a first qualifying separation. If such most recent (total qualifying) separation occurred before August 23, 1988, and was not the individual’s first qualifying separation, then:

(i) The eligibility period will be the 104 weeks beginning with the week following the week in which the most recent total qualifying separation occurred or 104 weeks after the first exhaustion of regular UI following the first qualifying separation, whichever is longer, and

(ii) The individual’s weekly amount of basic TRA, as computed under §617.13, and the individual’s maximum amount of basic TRA, as computed under §617.14, are established or remain fixed as determined with respect to the individual’s first benefit period following the first separation which is within the certification period of the certification covering the individual.

(f) Eligibility period for additional TRA. One technical and one conforming change are made by the OTCA in section 233(a)(3) of the Act, but have no effect on the 26-week eligibility period for additional TRA as the statute has been interpreted and applied in the past. Therefore, the 26-week eligibility period begins with the first week of training if the training begins after exhaustion of basic TRA. Further, if the training begins before approval is obtained under this part 617, the 26-week eligibility period begins with the week in which the determination of approval is issued, if there is any scheduled training session in that week after the date of the determination.

(g) Eligibility for TRA during breaks in training. (1) Paragraph (f) of section 233 of the Act, added by the OTCA, provides for the payment, under specified conditions, of both basic and additional TRA during scheduled breaks in a training program, provided the conditions for such payments are met as expressed in this part 617. By making this provision applicable to basic TRA as well as additional TRA, paragraph (f) of section 233 of the Act changes the prior law for both. Previously, basic TRA was payable during training breaks, but additional TRA was payable solely with respect to weeks of training. Under new section 233(f), both basic and additional TRA are payable during training breaks, but only if the break does not exceed 14 days. Now, as under the prior law, weeks when TRA is not payable will still count against the eligibility periods for both basic and additional TRA, and in the case of additional TRA it will also count against the number of weeks payable.

(2) Paragraph (f) of section 233 of the Act is effective with regard to all decisions (i.e., all determinations, redeterminations, and decisions on appeals) made on or after August 23, 1988, regardless of when the training was approved under section 236 of the Trade Act, or whether the training was approved or is approvable under section 236 as amended by the 1988 Amendments, or when the break in training began or ended. In making any decision involving paragraph (f) of section 233 of the Act, the law to be applied is the law as in effect on the date the decision is made.

(h) Retroactive eligibility for TRA. (1) Effective on August 23, 1988, section 1425(b) of the OTCA provides for an open-ended waiver of the time limit in section 233(a)(2) on the eligibility period for basic TRA, and the 210-day time limit in section 233(b) on filing a
bona fide application for training in order to qualify for additional TRA. This waiver provision applies solely to workers who experienced a total qualifying separation in the period which began on August 13, 1981 and ended on April 7, 1986. Other conditions must be met that are specified in section 1425(b) and in this part 617.

(2) Altogether, nine conditions must be met for workers to obtain TRA payments under this special provision. (See §617.11(a)(3).) Further, this special provision applies solely to weeks which begin after August 23, 1988; no retroactive payments may be made under this special provision. Finally, only the two specific time limitations are waived, and all other requirements of the prior and amended law apply, including the first separation rule (relating to computation of the weekly and maximum amounts of basic TRA payable), the 26-week eligibility period for additional TRA, and the break provision of section 233(f).

(i) Training for adversely affected workers. Extensive amendments to section 236 are made in the OTCA which, except for some technical and conforming changes that take effect on November 21, 1988, all became effective on August 23, 1988. These changes must be effectuated in accordance with this part 617.

(j) Agreements with States. Section 239 also was amended by the OTCA, to require new terms and conditions in the section 239 agreements. This requires new agreements to be executed between the States and the Secretary of Labor, and gives new emphasis to the contractual nature of the obligations entered into by the States to administer the TAA Program in strict accordance with the Act and the regulations and operating instructions issued by the Department.

(k) Other. Other matters covered by the OTCA amendments, as well as the matters discussed in the preceding paragraphs of this section, shall, to the extent that the States may be involved in their implementation, be effectuated in strict accordance with the Act and the regulations and operating instructions issued by the Department, and as of the respective effective dates of the various provisions of the OTCA.

APPENDIX A TO PART 617—STANDARD FOR CLAIM FILING, CLAIMANT REPORTING, JOB FINDING, AND EMPLOYMENT SERVICES

EMPLOYMENT SECURITY MANUAL (Part V, Sections 5000–5094)

5000 Standard for Claim Filing, Claimant Reporting, Job Finding, and Employment Services

A. Federal law requirements. Section 3304(a)(1) of the Federal Unemployment Tax Act and section 303(a)(2) of the Social Security Act require that a State law provide for:

"Payment of unemployment compensation solely through public employment offices or such other agencies as the Secretary may approve."

Section 3304(a)(4) of the Federal Unemployment Tax Act and section 303(a)(5) of the Social Security Act require that a State law provide for:

"Expenditure of all money withdrawn from an unemployment fund of such State, in the payment of unemployment compensation ***"

Section 303(a)(1) of the Social Security Act requires that the State law provide for:

"Such methods of administration *** as are found by the Secretary to be reasonably calculated to insure full payment of unemployment compensation when due."

B. Secretary’s interpretation of federal law requirements.

1. The Secretary interprets section 3304(a)(1) of the Federal Unemployment Tax Act and section 303(a)(2) of the Social Security Act to require that a State law provide for payment of unemployment compensation solely through public employment offices or claims offices administered by the State employment security agency if such agency provides for such coordination in the operations of its public employment offices and claims offices as will insure (a) the payment of benefits only to individuals who are unemployed and who are able to work and available for work, and (b) that individuals claiming unemployment compensation (claimants) are afforded such placement and other employment services as are necessary and appropriate to return them to suitable work as soon as possible.

2. The Secretary interprets all the above sections to require that a State law provide for:

a. Such contact by claimants with public employment offices or claims offices as will reasonably insure the payment of
unemployment compensation only to individuals who are unemployed and who are able to work and available for work, and (2) that claimants are afforded such placement and other employment services as are necessary and appropriate to facilitate their return to suitable work as soon as possible; and
b. Methods of administration which do not unreasonably limit the opportunity of individuals to establish their right to unemployment compensation due under such State law.

5001 Claim Filing and Claimant Reporting Requirements Designed to Satisfy Secretary’s Interpretation
A. Claim filing—total or part-total unemployment
1. Individuals claiming unemployment compensation for total or part-total unemployment are required to file a claim weekly or biweekly, in person or by mail, at a public employment office or a claims office (these terms include offices at itinerant points) as set forth below.

2. Except as provided in paragraph 3, a claimant is required to file in person:
   a. His new claim with respect to a benefit year, or his continued claim for a waiting week or for his first compensable week of unemployment in such year; and
   b. Any other claim, when requested to do so by the claims personnel at the office at which he files his claim(s) because questions about his right to benefits are raised by circumstances such as the following:
      (1) The conditions or circumstances of his separation from employment;
      (2) The claimant’s answers to questions on mail claim(s) indicate that he may be unable to work or that there may be undue restrictions on his availability for work or that his search for work may be inadequate or that he may be disqualified;
      (3) The claimant’s answers to questions on mail claims create uncertainty about his credibility or indicate a lack of understanding of the applicable requirements; or
      (4) The claimant’s record shows that he has previously filed a fraudulent claim.
     In such circumstances, the claimant is required to continue to file claims in person each week (or biweekly) until the State agency determines that filing claims in person is no longer required for the resolution of such questions.

3. A claimant must be permitted to file a claim by mail in any of the following circumstances:
   a. He is located in an area requiring the expenditure of an unreasonable amount of time or money in traveling to the nearest facility established by the State agency for filing claims in person;
   b. Conditions make it impracticable for the agency to take claims in person;
   c. He has returned to full-time work on or before the scheduled date for his filing a claim, unless the agency makes provision for in-person filing at a time and place that does not interfere with his employment;
   d. The agency finds that he has good cause for failing to file a claim in person.

4. A claimant who has been receiving benefits for partial unemployment may continue to file claims as if he were a partially unemployed worker for the first four consecutive weeks of total or part-total unemployment immediately following his period of partial unemployment so long as he remains attached to his regular employer.

B. Claim filing—partial unemployment. Each individual claiming unemployment compensation for a week (or other claim period) during which, because of lack of work, he is working less than his normal customary full-time hours for his regular employer and is earning less than the earnings limit provided in the State law, shall not be required to file a claim for such week or other claim period earlier than 2 weeks from the date that wages are paid for such claim period or, if a low earnings report is required by the State law, from the date the employer furnished such report to the individual. State agencies may permit claims for partial unemployment to be filed either in person or by mail, except that in the circumstances set forth in section A 2 b, filing by mail must be permitted, and in the circumstances set fort in section A 2 b, filing in person may be required.

5002 Requirement for Job Finding, Placement, and Other Employment Services Designed to Satisfy Secretary’s Interpretation
A. Claims personnel are required to assure that each claimant is doing what a reasonable individual in his circumstances would do to obtain suitable work.

B. In the discretion of the State agency:
   1. The claims personnel are required to give each claimant such necessary and appropriate assistance as they reasonably can in finding suitable work and at their discretion determine when more complete placement and employment services are necessary and appropriate, the claims personnel are to refer him to employment service personnel in the public employment office in which he has been filing claim(s), or, if he has been filing in a claims office, in the public employment office most accessible to him; or
   2. All placement and employment services are required to be afforded to each claimant by employment service personnel in the public employment office most accessible to him in which case the claims personnel in the office in which the claimant files his claim are
to refer him to the employment service personnel when placement or other employment services are necessary and appropriate for him.

The personnel to whom the State agency assigns the responsibilities outlined in paragraph B above are required to give claims personnel such job-finding assistance, placement, and other employment services as are necessary and appropriate to facilitate their return to suitable work as soon as possible.

In some circumstances, no such services or only limited services may be required. For example, if a claimant is on a short-term temporary layoff with a fixed return date, the only service necessary and appropriate to be given to him during the period of the layoff is a referral to suitable temporary work if such work is being performed in the labor market area.

Similarly, claimants whose unemployment is caused by a labor dispute presumably will return to work with their employer as soon as the labor dispute is settled. They generally do not need services, nor do individuals in occupations where placement customarily is made by other nonfee charging placement facilities such as unions and professional associations.

Claimants who fall within the classes which ordinarily would require limited services or no services shall, if they request placement and employment services, be afforded such services as are necessary and appropriate for them to obtain suitable work or to achieve their reasonable employment goals.

On the other hand, a claimant who is permanently separated from his job is likely to require some services. He may need only some direction in how to get a job; he may need placement services if he is in an occupation for which there is some demand in the labor market area; if his occupation is outdated, he may require counseling and referral to a suitable training course. The extent and character of the services to be given any particular claimant may change with the length of his unemployment and depend not only on his own circumstances and conditions, but also on the condition of the labor market in the area.

D. Claimants are required to report to employment service personnel, as directed, but such personnel and the claims personnel required to so arrange and coordinate the contacts required of a claimant as not to place an unreasonable burden on him or unreasonably limit his opportunity to establish his rights to compensation. As a general rule, a claimant is not required to contact in person claims personnel or employment service personnel more frequently than once a week, unless he is directed to report more frequently for a specific service such as referral to a job or a training course or counseling which cannot be completed in one visit.

E. Employment service personnel are required to report promptly to claims personnel in the office in which the claimant files his claim(s): (1) his failure to apply for or accept work to which he was offered by such personnel or when known, by any other nonfee-charging placement facility such as a union or a professional association; and (2) any information which becomes available to it that may have a bearing on the claimant’s ability to work or availability for work, or on the suitability of work to which he was referred or which was offered to him.

If the State law provisions do not conform to the “suggested State law requirements” set forth in sections 5001 and 5002, but the State law contains alternative provisions, the Manpower Administrator, in collaboration with the State agency, will study the actual or anticipated affect of the alternative provisions. If the Manpower Administrator concludes that the alternative provisions satisfy the requirements of the Federal law as construed by the Secretary (see section 5000 B) he will so notify the State agency. If he does not so conclude, he will submit the matter to the Secretary. If the Secretary concludes that the alternative provisions satisfy such requirements, the State agency will be so notified. If the Secretary concludes that there is a question as to whether the alternative provisions satisfy such requirements, the State agency will be advised that unless the State law provisions are appropriately revised, a notice of hearing will be issued as required by the Code of Federal Regulations, title 20, section 6013.

[59 FR 943, Jan. 6, 1994]

APPENDIX B TO PART 617—STANDARD FOR CLAIM DETERMINATIONS—SEPARATION INFORMATION

6010 Federal Law Requirements. Section 303(a)(1) of the Social Security Act requires that a State law include provision for:

“Such methods of administration . . . as are found by the Secretary to be reasonably calculated to insure full payment of unemployment compensation when due.”

Section 303(a)(3) of the Social Security Act requires that a State law include provision for:

“Opportunity for a fair hearing before an impartial tribunal, for all individuals whose claims for unemployment compensation are denied.”

Section 3804(a)(4) of the Federal Unemployment Tax Act and section 3803(a)(5) of the Social Security Act require that a State law include provision for:

“Expenditure of all money withdrawn from an unemployment fund of such State, in the
Determinations of an individual is required to obtain promptly and prior to a determination, no further investigation is necessary. If the information obtained from other sources differs essentially from that furnished by the claimant, the agency, in order to meet its responsibility, is required to inform the claimant of such information from other sources and to afford the claimant an opportunity to furnish any further facts he may have.

2. Evidentiary facts must be obtained as distinguished from ultimate facts or conclusions. That a worker was discharged for misconduct is an ultimate fact or conclusion; that he destroyed a machine upon which he was working is a primary or evidentiary fact, and the sort of fact that the requirement refers to.

3. The information obtained must be sufficient reasonably to insure the payment of benefits when due. In general, the investigation made by the agency must be complete enough to provide information upon which the agency may act with reasonable assurance that its decision is consistent with the unemployment compensation law. On the other hand, the investigation should not be so exhaustive and time-consuming as unduly to delay the payment of benefits and to result in excessive costs.

4. Information must be obtained promptly so that the payment of benefits is not unduly delayed.

5. If the State agency requires any particular evidence from the worker, it must give him a reasonable opportunity to obtain such evidence.

B. Recording of facts. The agency must keep a written record of the facts considered in reaching its determinations.

C. Determination notices:

1. The agency must give each claimant a written notice of:
   a. Any monetary determination with respect to his benefit year;
   b. Any determination with respect to purging a disqualification if, under the State law, a condition or qualification must be satisfied with respect to each week of disqualification; but in lieu of giving written notice of each determination for each week in which it is determined that the claimant has met the requirements for purging, the agency may inform the claimant that he has purged the disqualification for a week by notation on his applicant identification card or otherwise in writing.
   c. Any other determination which adversely affects his rights to benefits, except that written notice of determination need not be given with respect to:
      (1) A week in a benefit year for which the claimant’s weekly benefit amount is reduced in whole or in part by earnings if, the first time in the benefit year that there is such a reduction, he is required to be furnished a booklet or leaflet containing the information set forth below in paragraph 2(1). However, a written notice of determination is required if: (a) there is a dispute concerning
Employment and Training Administration, Labor
Pt. 617, App. B

the reduction with respect to any week (e.g., as to the amount computed as the appropriate reduction, etc.); or (b) there is a change in the State law (or in the application thereof) affecting the denial or reduction. If the explanation is contained in the notice of determination, reference to the item in the notice in which his weekly benefit amount or weekly benefit amount plus earnings, whichever is provided, is to be given to the claimant with respect to such first week, and with such notice of determination, he is required to be given a booklet or pamphlet containing the information set forth below in paragraph 2(b) and 2n. However, a written notice of determination is required if: (a) there is a dispute concerning the denial or reduction of benefits with respect to such week; or (b) there is a change in the State law (or in the application thereof) affecting the denial or reduction; or (c) there is a change in the amount of the reduction except as to the balance covered by the last reduction in a series of reductions.

NOTE: This procedure may be applied to determinations made with respect to any subsequent weeks for the same reason and on the basis of the same facts: (a) that claimant is unable to work, unavailable for work, or is disqualified under the labor dispute provision, and (b) reducing claimant’s weekly benefit amount because of income other than earnings or offset by reason of overpayment.

2. The agency must include in written notices of determinations furnished to claimants sufficient information to enable them to understand the determinations, the reasons therefor, and their rights to protest, request reconsideration, or appeal. The written notice of monetary determination must contain the information specified in the following items (except b) unless an item is specifically not applicable. A written notice of any other determination must contain the information specified in as many of the following items as are necessary to enable the claimant to understand the determination and to inform him of his appeal rights. Information specifically applicable to the individual claimant must be contained in the written notice of determination. Information of general application such as (but not limited to) the explanation of benefits for partial unemployment, information as to deductions, seasonality factors, and information as to the manner and place of taking an appeal, extension of the appeal period, and where to obtain information and assistance may be contained in a booklet or leaflet which is given the claimant with his monetary determination.

a. Base period wages. The statement concerning base-period wages must be in sufficient detail to show the basis of computation of eligibility and weekly and maximum benefit amounts. (If maximum benefits are allowed, it may not be necessary to show details of the wage transcript.)

b. Employer name. The name of the employer who reported the wage is necessary so that the worker may check the wage transcript and know whether it is correct. If the worker is given only the employer number, he may not be able to check the accuracy of the wage transcript.

c. Explanation of benefit formula—weekly and maximum benefit amounts. Sufficient information must be given the worker so that he will understand how his weekly benefit amount, including allowances for dependents, and his maximum benefit amount were figured. If benefits are computed by means of a table contained in the law, the table must be furnished with the notice of determination whether benefits are granted or denied. The written notice of determination must show clearly the weekly benefit amount and the maximum potential benefits to which the claimant is entitled.

The notice to a claimant found ineligible by reason of insufficient earnings in the base period must inform him clearly of the reason for ineligibility. An explanation of the benefit formula contained in a booklet or pamphlet should be given to each claimant at or prior to the time he receives written notice of a monetary determination.

d. Benefit year. An explanation of what is meant by the benefit year and identification of the claimant’s benefit year must be included in the notice of determination.

e. Information as to benefits for partial unemployment. There must be included either in the written notice of determination or in a booklet or pamphlet accompanying the notice an explanation of the claimant’s rights to partial benefits for any week with respect to which he is working less than his normal customary full-time workweek because of lack of work and for which he earns less than his weekly benefit amount or weekly benefit amount plus earnings, whichever is provided by the State law. If the explanation is contained in the notice of determination, reference to the item in the notice in which his weekly benefit amount is entered should be made.

f. Deductions from weekly benefits:

(1) Earnings. Although written notice of determinations deducting earnings from a claimant’s weekly benefit amount is generally not required (see paragraph 1 c (1) above), where written notice of determination is required (or given) it shall set forth the amount of earnings, the method of computing the deduction in sufficient detail to enable the claimant to verify the accuracy of the deduction, and his right to protest, request redetermination, and appeal. Where a written notice of determination is given to...
the claimant because there has been a change in the State law or in the application of the law, an explanation of the change shall be included.

When a claimant is not required to receive a written notice of determination, he must be given a booklet or pamphlet the first time in his benefit year that there is a deduction for earnings which shall include the following information:

(a) The method of computing deductions for earnings in sufficient detail to enable the claimant to verify the accuracy of the deduction;

(b) That he will not automatically be given a written notice of determination for a week with respect to which there is a deduction for earnings (unless there is a dispute concerning the reduction with respect to a week or there has been a change in the State law or in the application of the law affecting the deduction) but that he may obtain such a written notice upon request; and

(c) A clear statement of his right to protest, request a redetermination, and appeal from any determination deducting earnings from his weekly benefit amount even though he does not automatically receive a written notice of determination; and if the State law requires written notice of determination in order to effectuate a protest, redetermination, or appeal, he must be so advised and advised also that he must request a written notice of determination before he takes any such action.

(2) Other deductions:

(a) A written notice of determination is required with respect to the first week in claimant’s benefit year in which there is a reduction from his benefits for a reason other than earnings. This notice must describe the deduction made from claimant’s weekly benefit amount, the reason for the deduction, the method of computing it in sufficient detail to enable him to verify the accuracy of such deduction, and his right to protest, request redetermination, or appeal.

(b) A written notice of determination is not required for subsequent weeks that a deduction is made for the same reason and on the basis of the same facts, if the notice of determination pursuant to (2) (a), or a booklet or pamphlet given him with such notice explains (i) the several kinds of deductions which may be made under the State law (e.g., retirement pensions, vacation pay, and overpayments); (ii) the method of computing each kind of deduction in sufficient detail that claimant will be able to verify the accuracy of deductions made from his weekly benefit payments; (iii) any limitation on the amount of any deduction or the time in which any deduction may be made; (iv) that he will not automatically be given a written notice of determination for subsequent weeks with respect to which there is a deduction for the same reason and on the basis of the same facts, but that he may obtain a written notice of determination upon request; (v) his right to protest, request redetermination, or appeal with respect to subsequent weeks for which there is a reduction from his benefits for the same reason, and on the basis of the same facts even though he does not automatically receive a written notice of determination; and (vi) that if the State law requires written notice of determination in order to effectuate a protest, redetermination, or appeal, he must be so advised and advised also that he must request a written notice of determination before he takes any such action.

(g) Seasonality factors. If the individual’s determination is affected by seasonality factors under the State law, an adequate explanation must be made. General explanations of seasonality factors which may affect determinations for subsequent weeks may be included in a booklet or pamphlet given claimant with his notice of monetary determinations.

(h) Disqualification or ineligibility. If a disqualification is imposed, or if the claimant is declared ineligible for one or more weeks, he must be given not only a statement of the period of disqualification or ineligibility and the amount of wage-credit reductions, if any, but also an explanation of the reason for the ineligibility or disqualification. This explanation must be sufficiently detailed so that he will understand why he is ineligible or why he has been disqualified, and what he must do in order to requalify for benefits or purge the disqualification. The statement must be individualized to indicate the facts upon which the determination was based, e.g., state, “It is found that you left your work with Blank Company because you were tired of working; the separation was voluntary, and the reason does not constitute good cause,” rather than merely the phrase “voluntary quit.” Checking a box as to the reason for the disqualification is not a sufficiently detailed explanation. However, this statement of the reason for the disqualification need not be a restatement of all facts considered in arriving at the determination.

(i) Appeal rights. The claimant must be given information with respect to his appeal rights.

(1) The following shall be included in the notice of determination:

(a) A statement that he may appeal or, if the State law requires or permits a protest or redetermination before an appeal, that he may protest or request a redetermination.

(b) The period within which an appeal, protest, or request for redetermination must be filed. The number of days provided by statute must be shown as well as either the beginning date or ending date of the period. (It is recommended that the ending date of the appeal period be shown, as this is the more understandable of the alternatives.)
(2) The following information must be included either in the notice of determination or in separate informational material referred to in the notice:

(a) The manner in which the appeal, protest, or request for redetermination must be filed, e.g., by signed letter, written statement, or on a prescribed form, and the place or agency to which the appeal, protest, or request for redetermination may be mailed or hand-delivered.

(b) An explanation of any circumstances (such as nonworkdays, good cause, etc.) which will extend the period for the appeal, protest, or request for redetermination beyond the date stated or identified in the notice of determination.

(c) That any further information claimant may need or desire can be obtained together with assistance in filing his appeal, protest, or request for redetermination from the local office.

If the information is given in separate material, the notice of determination would adequately refer to such material if it said, for example, “For other information about your (appeal), (protest), (redetermination) rights, see pages (name of pamphlet or booklet) heretofore furnished to you.”

6014 Separation Information Requirements Designed To Meet Department of Labor Criteria:

A. Information to agency. Where workers are separated, employers are required to furnish the agency promptly, either upon agency request or upon such separation, a notice describing the reasons for and the circumstances of the separation and any additional information which might affect a claimant’s right to benefits. Where workers are working less than full time, employers are required to furnish the agency promptly, upon agency request, information concerning a claimant’s hours of work and his wages during the claim periods involved, and other facts which might affect a claimant’s eligibility for benefits during such periods.

When workers are separated and the notices are obtained on a request basis, or when workers are working less than full time and the agency requests information, it is essential to the prompt processing of claims that the request be sent out promptly after the claim is filed and the employer be given a specific period within which to return the notice, preferably within 2 working days.

When workers are separated and notices are obtained upon separation, it is essential that the employer be required to send the notice to the agency with sufficient promptness to insure that, if a claim is filed, it may be processed promptly. Normally, it is desirable that such a notice be sent to the central office of the agency, since the employer may not know in which local office the worker will file his claim. The usual procedure is for the employer to give the worker a copy of the notice sent by the employer to the agency.

B. Information to worker:

1. Information required to be given. Employers are required to give their employees information and instructions concerning the employees’ potential rights to benefits and concerning registration for work and filing claims for benefits.

The information furnished to employees under such a requirement need not be elaborate; it need only be adequate to insure that the worker who is separated or who is working less than full time knows he is potentially eligible for benefits and is informed as to what he is to do or where he is to go to file his claim and register for work. When he files his claim, he can obtain more detailed information.

In States that do not require employers to furnish periodically to the State agency detailed reports of the wages paid to their employees, each employer is required to furnish to his employees information as to (a) the name under which he is registered by the State agency, (b) the address where he maintains his payroll records, and (c) the workers’ need for this information if and when they file claims for benefits.

2. Methods for giving information. The information and instructions required above may be given in any of the following ways:

a. Posters prominently displayed in the employer’s establishment. The State agency should supply employers with a sufficient number of posters for distribution throughout their places of business and should see that the posters are conspicuously displayed at all times.

b. Leaflets. Leaflets distributed either periodically or at the time of separation or reduction of hours. The State agency should supply employers with a sufficient number of leaflets.

c. Individual notices. Individual notices given to each employee at the time of separation or reduction in hours.

It is recommended that the State agency’s publicity program be used to supplement the employer-information requirements. Such a program should stress the availability and location of claim-filing offices and the importance of visiting these offices whenever the worker is unemployed, wishes to apply for benefits, and to seek a job.

6015 Evaluation of Alternative State Provisions with Respect to Claim Determinations and Separation Information. If the State law provisions do not conform to the suggested requirements set forth in sections 6013 and 6014, but the State law contains alternative provisions, the Bureau of Employment Security, in collaboration with the State agency, will study the actual or anticipated effects of
Appendix C to Part 617—Standard for Fraud and Overpayment Detection

7510 Federal Law Requirements. Section 303(a)(1) of the Social Security Act requires that a State law include provision for:

"Such methods of administration . . . as are found by the Secretary to be reasonably calculated to insure full payment of unemployment compensation when due."

Section 1633(a)(4) of the Internal Revenue Code and section 3030(a)(5) of the Social Security Act require that a State law include provision for:

"Expenditure of all money withdrawn from an unemployment fund of such State, in the payment of unemployment compensation . . ."

Section 1607(h) of the Internal Revenue Code defines "compensation" as "cash benefits payable to individuals with respect to their unemployment."

7511 The Secretary’s Interpretation of Federal Law Requirements. The Secretary of Labor interprets the above sections to require that a State law include provision for such methods of administration as are, within reason, calculated (1) to detect benefits paid through error by the agency or through willful misrepresentation or error by the claimant or others, and (2) to deter claimants from obtaining benefits through willful misrepresentation.

7513 Criteria for Review of State Conformity With Federal Requirements. In determining State conformity with the above requirements of the Internal Revenue Code and the Social Security Act, as interpreted by the Secretary of Labor, the following criteria will be applied:

A. Are investigations required to be made after the payment of benefits, (or, in the case of interstate claims, are investigations made by the agent State after the processing of claims) as to claimants’ entitlement to benefits paid to them in a sufficient proportion of cases to test the effectiveness of the agency’s procedures for the prevention of payments which are not due? To carry out investigations, has the agency assigned to some individual or unit the responsibility of making or functionally directing such investigations?

Explanation: It is not feasible to prescribe the extent to which the above activities are required; however, they should always be carried on to such an extent that they will show whether or not error or willful misrepresentation is increasing or decreasing, and will reveal problem areas. The extent and nature of the above activities should be varied according to the seriousness of the problem in the State. The responsible individual or unit should:

1. Check paid claims for overpayment and investigate for willful misrepresentation or, alternatively, advise and assist the operating units in the performance of such functions, or both;
2. Perform consultative services with respect to methods and procedures for the prevention and detection of fraud; and
3. Perform other services which are closely related to the above.

Although a State agency is expected to make a full-time assignment of responsibility to a unit or individual to carry out the functions described above, a small State agency might make these functions a part-time responsibility of one individual. In connection with the detection of overpayments, such a unit or individual might, for example:

(a) Investigate information on suspected benefit fraud received from any agency personnel, and from sources outside the agency, including anonymous complaints;

(b) Investigate information secured from comparisons of benefit payments with employment records to detect cases of concurrent working (whether in covered or non-covered work) and claiming of benefits (including benefit payments in which the agency acted as agent for another State).

The benefit fraud referred to herein may involve employers, agency employees, and witnesses, as well as claimants.

Comparisons of benefit payments with employment records are commonly made either by post-audit or by industry surveys. The so-called "post-audit" is a matching of central office wage-record files against benefit payments for the same period. "Industry surveys" or "mass audits" are done in some States by going directly to employers for pay-roll information to be checked against concurrent benefit lists. A plan of investigation based on a sample post-audit will be considered as partial fulfillment of the investigation program; it would need to be supplemented by other methods capable of detecting overpayments to persons who have moved into noncovered occupations or are claiming interstate benefits.
B. Are adequate records maintained by which the results of investigations may be evaluated?

Explanation. To meet this criterion, the State agency will be expected to maintain records of all its activities in the detection of overpayments, showing whether attributable to error or willful misrepresentation, measuring the results obtained through various methods, and noting the remedial action taken in each case. The adequacy and effectiveness of various methods of checking for willful misrepresentation can be evaluated only if records are kept of the results obtained. Internal reports on fraudulent and erroneous overpayments are needed by State agencies for self-evaluation. Detailed records should be maintained in order that the State agency may determine, for example, which of several methods of checking currently used are the most productive. Such records also will provide the basis for drawing a clear distinction between fraud and error.

C. Does the agency take adequate action with respect to publicity concerning willful misrepresentation and its legal consequences to deter fraud by claimants?

Explanation. To meet this criterion, the State agency must issue adequate material of claimant eligibility requirements and must take necessary action to obtain publicity on the legal consequences of willful misrepresentation or willful nondisclosure of facts.

Public announcements on convictions and resulting penalties for fraud are generally considered necessary as a deterrent to other persons, and to inform the public that the agency is carrying on an effective program to prevent fraud. This alone is not considered adequate publicity. It is important that information be circulated which will explain clearly and understandably the claimant's rights, and the obligations which he must fulfill to be eligible for benefits. Leaflets for distribution and posters placed in local offices are appropriate media for such information.

*7515 Evaluation of Alternative State Provisions with Respect to Erroneous and Illegal Payments.* If the methods of administration provided for by the State law do not conform to the suggested methods of meeting the requirements set forth in section 7511, but a State law does provide for alternative methods of administration designed to accomplish the same results, the Bureau of Employment Security, in collaboration with the State agency, will study the actual or anticipated effect of the alternative methods of administration. If the Bureau concludes that the alternative methods satisfy the criteria in section 7513, it will so notify the State agency. If the Bureau does not so conclude, it will submit to the Secretary the results of the study for his determination of whether the State's alternative methods of administration meet the criteria.

§ 625.1 Purpose; rules of construction.

(a) Purpose. Section 410 of "The Robert T. Stafford Disaster Relief and Emergency Assistance Act" amended the program for the payment of unemployment assistance to unemployed individuals whose unemployment is caused by a major disaster, and to provide reemployment assistance services to those individuals. The unemployment assistance provided for in section 410 of the Act is hereinafter referred to as Disaster Unemployment Assistance, or DUA. The regulations in this part are issued to implement sections 410 and 423 of the Act.

(d) Effectuating purpose and rules of construction. (1) In order to effectuate the provisions of this section, each State agency shall forward to the United States Department of Labor, on receipt of a request from the Department, a copy of any determination or redetermination ruling on an individual’s entitlement to DUA.

(2) If the Department believes a determination or redetermination is inconsistent with the Secretary’s interpretation of the Act, the Department may at any time notify the State agency of the department’s view. Thereafter, the State agency shall appeal if possible, and shall not follow such determination or redetermination as a precedent; and in any subsequent proceedings which involve such determination or redetermination, or where such determination or redetermination is cited as precedent or otherwise relied upon, the State agency shall inform the hearing officer of the Department’s view and shall make all reasonable efforts to obtain modification, limitation, or overruling of the determination or redetermination.

(3) A State agency may request reconsideration of a notice that a determination or redetermination is inconsistent with the Act, and shall be given an opportunity to present views and arguments if desired. If a determination or redetermination setting a precedent becomes final, which the Department believes to be inconsistent with the Act, the Secretary will decide whether the Agreement with the State shall be terminated.

(4) Concurrence of the Department in a determination or redetermination shall not be presumed from the absence of a notice issued pursuant to this paragraph.

§ 625.5 Unemployment caused by a major disaster.

(a) Unemployed worker. The unemployment of an unemployed worker is caused by a major disaster if—

§ 625.6 Weekly amount; jurisdictions; reductions.

(a) In all States, except as provided in paragraphs (c) and (d) of this section, the amount of DUA payable to an unemployed worker or unemployed self-employed individual for a week of total unemployment shall be the weekly amount of compensation the individual would have been paid as regular compensation, as computed under the provisions of the applicable State law for a week of total unemployment. In no event shall such amount be in excess of the maximum amount of regular compensation authorized under the applicable State law for that week.

1. Except as provided in paragraph (a)(2) or (b) of this section, in computing an individual’s weekly amount of DUA, qualifying employment and wage requirements and benefit formula of the applicable State law shall be applied; and for purposes of this section, employment, wages, and self-employment which are not covered by the applicable State law shall be treated in the same manner and with the same effect as covered employment and wages, but shall not include employment or self-employment, or wages earned or
paid for employment or self-employment, which is contrary to or prohibited by any Federal law, such as, but not limited to, section 3304(a)(14)(A) of the Federal Unemployment Tax Act (26 U.S.C. 3304(a)(14)(A)).

(2) For purposes of paragraph (a)(1) of this section, the base period to be utilized to compute the DUA weekly amount shall be the most recent tax year that has ended for the individual (whether an employee or self-employed) prior to the individual’s unemployment that was a direct result of the major disaster. The self-employment income to be treated as wages for purposes of computing the weekly amount under this paragraph (a) shall be the net income reported on the tax return of the individual as income from all self-employment that was dependent upon the performance of services by the individual. If an individual has not filed a tax return for the most recent tax year that has ended at the time of such individual’s initial application for DUA, such individual shall have a weekly amount determined in accordance with paragraph (e)(3) of this section.

(3) As of the date of filing an initial application for DUA, family members over the age of majority, as defined under the statutes of the applicable State, who were customarily or routinely employed or self-employed as a family unit or in the same self-employment business prior to the individuals’ unemployment that was a direct result of the major disaster, shall have the wages from such employment or net income from the self-employment allocated equally among such adult family members for purposes of computing a weekly amount under paragraph (a), unless the documentation to substantiate employment or self-employment and wages earned or paid for such employment or self-employment submitted as required by paragraph (e) of this section supports a different allocation. Family members under the age of majority as of the date of filing an initial application for DUA shall have a weekly amount computed under this paragraph (a) based on the actual wages earned or paid for employment or self-employment rather than an equal allocation.

(b) If the weekly amount computed under paragraph (a) of this section is less than 50 percent of the average weekly payment of regular compensation in the State, as provided quarterly by the Department, or, if the individual has insufficient or no net income from self-employment (which includes individuals falling within paragraphs (a)(3) and (b)(3) of §625.5) in the applicable base period to compute a weekly amount under paragraph (a) of this section, the individual shall be determined entitled to a weekly amount equal to 50 percent of the average weekly payment of regular compensation in the State.

(1) If an individual was customarily or routinely employed or self-employed less than full-time prior to the individual’s unemployment as a direct result of the major disaster, such individual’s weekly amount under this paragraph (b)(1) shall be determined by calculating the percentage of time the individual was employed or self-employed compared to the customary and usual hours per week that would constitute the average per week hours for year-round full-time employment or self-employment for the occupation, then applying the percentage to the determined 50 percent of the average weekly amount of regular compensation paid in the State. The State agency shall utilize information furnished by the applicant at the time of filing an initial application for DUA and any labor market or occupational information available within the State agency to determine the average per week hours for full-time employment or self-employment for the occupation. If the weekly amount computed for an individual under this paragraph (b)(1) is less than the weekly amount computed under paragraph (a) of this section for the individual, the individual shall be entitled to the higher weekly amount.

(2) The weekly amount so determined under paragraph (b)(1) of this section, if not an even dollar amount, shall be rounded in accordance with the applicable State law.
§ 625.6

(c) In the Territory of Guam and the Commonwealth of the Northern Mariana Islands, the amount of DUA payable to an unemployed worker or unemployed self-employed individual for a week of total unemployment shall be the average of the payments of regular compensation made under all State laws referred to in § 625.2(r)(1)(i) for weeks of total unemployment in the first four of the last five completed calendar quarters immediately preceding the quarter in which the major disaster began. The weekly amount so determined, if not an even dollar amount, shall be rounded to the next higher dollar.

(d) In American Samoa, Federated States of Micronesia, Republic of the Marshall Islands and the Trust Territory of the Pacific Islands, the amount of DUA payable to an unemployed worker or unemployed self-employed individual for a week of total unemployment shall be the amount agreed upon by the Regional Administrator, Employment and Training Administration, for Region IX (San Francisco), and the Federal Coordinating Officer, which shall approximate 50 percent of the area-wide average of the weekly wages paid to individuals in the major disaster area in the quarter immediately preceding the quarter in which the major disaster began. The weekly amount so determined, if not an even dollar amount, shall be rounded to the next higher dollar.

(e) The State agency shall immediately determine, upon the filing of an initial application for DUA, a weekly amount under the provisions of paragraphs (a) through (d) of this section, as the case may be, based on the individual’s statement of employment or self-employment preceding the individual’s unemployment that was a direct result of the major disaster, and wages earned or paid for such employment or self-employment. An immediate determination shall also be made where, in conjunction with the filing of an initial application for DUA, the individual submits documentation substantiating employment or self-employment and wages earned or paid for such employment or self-employment, and the State agency records of employment or self-employment and wages earned or paid for such employment or self-employment, justify the determination of a weekly amount. An immediate determination shall also be made based on the individual’s statement or in conjunction with the submittal of documentation in those cases where the individual was to commence employment or self-employment on or after the date the major disaster began but was prevented from doing so as a direct result of the disaster.

(1) In the case of a weekly amount determined in accordance with paragraph (e) of this section, based only on the individual’s statement of earnings, the individual shall furnish documentation to substantiate the employment or self-employment or wages earned from or paid for such employment or self-employment or documentation to support that the individual was to commence employment or self-employment on or after the date the major disaster began. In either case, documentation shall be submitted within 21 calendar days of the filing of the initial application for DUA.

(2) Any individual who fails to submit documentation to substantiate employment or self-employment or the planned commencement of employment or self-employment in accordance with paragraph (e)(1) of this section, shall be determined ineligible for the payment of DUA for any week of unemployment due to the disaster. Any weeks for which DUA was already paid on the application prior to the date of the determination of ineligibility under this paragraph (e)(2) are overpaid and a determination shall be issued in accordance with § 625.14(a). In addition, the State agency shall consider whether the individual is subject to a disqualification for fraud in accordance with the provisions set forth in § 625.14(i).

(3) For purposes of a computation of a weekly amount under paragraph (a) of this section, if an individual submits documentation to substantiate employment or self-employment in accordance with paragraph (e)(1), but not documentation of wages earned or paid during the base period set forth in paragraph (a)(2) of this section, including those cases where the individual has

An initial application filed later than 30 days after the announcement date of the major disaster shall be accepted as timely by the State agency if the applicant had good cause for the late filing, but in no event shall an initial application be accepted by the State agency if it is filed after the expiration of the Disaster Assistance Period. (f) Final decision. Recovery of any overpayment of DUA shall not be enforced by the State agency until the determination establishing the overpayment has become final, or if appeal is taken from the determination, until the decision after opportunity for a fair hearing has become final.

(g) Procedural requirements. (1) The provisions of paragraphs (c), (d), and (f) of § 625.9 shall apply to determinations and redeterminations made pursuant to this section.

(2) The provisions of § 625.10 shall apply to determinations and redeterminations made pursuant to this section.

(h) Fraud detection and prevention. Provisions in the procedures of each State with respect to detection and prevention of fraudulent overpayments of DUA shall be, as a minimum, commensurate with the procedures adopted by the State with respect to regular compensation and consistent with the Secretary’s “Standard for Fraud and Overpayment Detection,” Employment Security Manual, part V, sections 7510 et seq. (Appendix C of this part).

(i) Disqualification for fraud. Any individual who, with respect to a major disaster, makes or causes another to
make a false statement or misrepresentation of a material fact, knowing it to be false, or knowingly fails or causes another to fail to disclose a material fact, in order to obtain for the individual or any other person a payment of DUA to which the individual or any other person is not entitled, shall be disqualified as follows:

(1) If the false statement, misrepresentation, or nondisclosure pertains to an initial application for DUA—
   (i) The individual making the false statement, misrepresentation, or nondisclosure shall be disqualified from the receipt of any DUA with respect to that major disaster; and
   (ii) If the false statement, misrepresentation, or nondisclosure was made on behalf of another individual, and was known to such other individual to be a false statement, misrepresentation, or nondisclosure, such other individual shall be disqualified from the receipt of any DUA with respect to that major disaster; and

(2) If the false statement, misrepresentation, or nondisclosure pertains to a week for which application for a payment of DUA is made—
   (i) The individual making the false statement, misrepresentation, or nondisclosure shall be disqualified from the receipt of DUA for that week and the first two compensable weeks in the Disaster Assistance Period that immediately follow that week, with respect to which the individual is otherwise entitled to a payment of DUA; and
   (ii) If the false statement, misrepresentation, or nondisclosure was made on behalf of another individual, and was known to such other individual to be a false statement, misrepresentation, or nondisclosure, such other individual shall be disqualified from the receipt of DUA for that week and the first two compensable weeks in the Disaster Assistance Period that immediately follow that week, with respect to which the individual is otherwise entitled to a payment of DUA.

(j) Criminal penalties. The provisions of this section on recovery of overpayments and disqualification for fraudulently claiming or receiving any DUA to which an individual was not entitled under the Act and this part shall be in addition to and shall not preclude any applicable criminal prosecution and penalties under State or Federal law.

§ 625.15 Inviolable rights to DUA.

Except as specifically provided in this part, the right of individuals to DUA shall be protected in the same manner and to the same extent as the rights of persons to regular unemployment compensation are protected under the applicable State law. Such measures shall include protection of applicants for DUA from waiver, release, assignment, pledge, encumbrance, levy, execution, attachment, and garnishment, of their rights to DUA. In the same manner and to the same extent, individuals shall be protected from discrimination and obstruction in regard to seeking, applying for and receiving any right to DUA.

§ 625.16 Recordkeeping; disclosure of information.

(a) Recordkeeping. Each State agency will make and maintain records pertaining to the administration of the Act as the Secretary requires, and will make all such records available for inspection, examination, and audit by such Federal officials or employees as the Secretary may designate or as may be required by law.

(b) Disclosure of information. Information in records made and maintained by a State agency in administering the Act shall be kept confidential, and information in such records may be disclosed only in the same manner and to the same extent as information with respect to regular compensation and the entitlement of individuals thereto may be disclosed under the applicable State law, and consistently with section 303(a)(1) of the Social Security Act, 42 U.S.C. 503(a)(1). This provision on the confidentiality of information obtained in the administration of the Act shall not apply, however, to the United States Department of Labor, or in the case of information, reports and studies requested pursuant to §625.19, or where the result would be inconsistent with the Freedom of Information Act (5 U.S.C. 552), the Privacy Act of 1974 (5 U.S.C. 552a), or regulations of
§ 625.17 Announcement of the beginning of a Disaster Assistance Period.

Whenever a major disaster is declared in a State, the State agency shall promptly announce throughout the major disaster area by all appropriate news media that individuals who are unemployed as the result of the major disaster may be entitled to DUA; that they should file initial applications for DUA as soon as possible, but not later than the 30th day after the announcement date; the beginning date of the Disaster Assistance Period; and where individuals may obtain further information and file applications for DUA.

§ 625.18 Public access to Agreements.

The State agency of a State will make available to any individual or organization a true copy of the Agreement with the State for inspection and copying. Copies of an Agreement may be furnished on request to any individual or organization upon payment of the same charges, if any, as apply to the furnishing of copies of other records of the State agency.

§ 625.19 Information, reports and studies.

(a) Routine responses. State agencies shall furnish to the Secretary such information and reports and make such studies as the Secretary decides are necessary or appropriate for carrying out the purposes of the Act and this part.

(b) Final Report. In addition to such other reports as may be required by the Secretary, within 60 days after all payments of Disaster Unemployment Assistance as the result of a major disaster in the State have been made, the State agency shall submit a final report to the Secretary. A final report shall contain a narrative summary, a chronological list of significant events, pertinent statistics about the Disaster Unemployment Assistance provided to disaster victims, brief statements of major problems encountered, discussion of lessons learned, and suggestions for improvement of the program during future major disasters.

§ 625.20 Saving clause.

The regulations in this part do not apply to applications, determinations, hearings, or other administrative or judicial proceedings, with respect to any major disaster declared prior to November 23, 1988, and such applications, determinations, hearings, or other administrative or judicial proceeding shall remain subject to the Act and the Regulations in this part issued thereunder which were in effect prior to that date.

(a) Designation of referee. The Director of the Unemployment Insurance Service shall designate a referee of a State agency to hear and decide appeals under this section from determinations and redeterminations by the State agencies of the Territory of Guam, American Samoa, Commonwealth of the Northern Mariana Islands, Federated States of Micronesia, Republic of the Marshall Islands, and the Trust Territory of the Pacific Islands.

(b) Appeals to referee. (1) A DUA applicant may appeal from a determination or redetermination issued by the State agency of the Territory of Guam, American Samoa, Commonwealth of the Northern Mariana Islands, Federated States of Micronesia, Republic of the Marshall Islands, or the Trust Territory of the Pacific Islands within 60 days after the mailing of notice and a copy of such determination or redetermination to such applicant’s last known address, or in the absence of mailing within 60 days after delivery in
person thereof to such applicant. The appeal shall be in writing and may be filed with any office of the State agency.

(2) Notice that an appeal has been filed may be given or mailed, in the discretion of the referee, to any person who has offered or is believed to have evidence with respect to the claim.

(3) An appeal shall be promptly scheduled and heard, in order that a decision on the appeal can be issued within 30 days after receipt of the appeal by the State agency. Written notice of hearing, specifying the time and place thereof and those questions known to be in dispute, shall be given or mailed to the applicant, the State agency, and any person who has offered or is believed to have evidence with respect to the claim 7 days or more before the hearing, except that a shorter notice period may be used with the consent of the applicant.

(c) Conduct of hearings. Hearings before the referee shall be informal, fair, and impartial, and shall be conducted in such manner as may be best suited to determine the DUA applicants’ right to compensation. Hearings shall be open to the public unless sufficient cause for a closed hearing is shown. The referee shall open a hearing by ascertaining and summarizing the issue or issues involved in the appeal. The applicant may examine and cross-examine witnesses, inspect documents, and explain or rebut any evidence. An opportunity to present argument shall be afforded such applicant, and such argument shall be made part of the record. The referee shall give such applicant, if not represented by counsel or other representative, every assistance that does not interfere with the impartial discharge of the referee’s duties. The referee may examine such applicant and other witnesses to such extent as the referee deems necessary. Any issue involved in the claim shall be considered and passed upon even though such issue was not set forth as a ground of appeal.

(d) Evidence. Oral or written evidence of any nature, whether or not conforming to the legal rules of evidence, may be accepted. Any official record of the State agency, including reports submitted in connection with administration of the DUA program, may be included in the record if the applicant is given an opportunity to examine and rebut the same. A written statement under oath or affirmation may be accepted when it appears impossible or unduly burdensome to require the attendance of a witness, but a DUA applicant adversely affected by such a statement must be given the opportunity to examine such statement, to comment on or rebut any or all portions thereof, and whenever possible to cross-examine a witness whose testimony has been introduced in written form by submitting written questions to be answered in writing.

(e) Record. All oral testimony before the referee shall be taken under oath or affirmation and a transcript thereof shall be made and kept. Such transcript together with all exhibits, papers, and requests filed in the proceeding shall constitute the record for decision.

(f) Withdrawal of appeal. A DUA applicant who has filed an appeal may withdraw such appeal with the approval of the referee.

(g) Nonappearance of DUA applicant. Failure of a DUA applicant to appear at a hearing shall not result in a decision being automatically rendered against such applicant. The referee shall render a decision on the basis of whatever evidence is properly before him/her unless there appears to be a good reason for continuing the hearing. An applicant who fails to appear at a hearing with respect to his/her appeal may within seven days thereafter petition for a reopening of the hearing. Such petition shall be granted if it appears to the referee that such applicant has shown good cause for his/her failure to attend.

(h) Notice of referee’s decision and further review—(1) Decision. A copy of the referee’s decision, which shall include findings and conclusions, shall promptly be given or mailed to the applicant, the State agency, and to the Regional Administrator, Employment and Training Administration, for Region IX (San Francisco). The decision of the referee shall be accompanied by an explanation of the right of such applicant or State agency to request review by the Regional Administrator and the
time and manner in which such review may be instituted, as provided in paragraph (a)(2) of §625.10.

(2) Time limit for decision. A decision on an appeal to a referee under this section shall be made and issued by the referee not later than 30 days after receipt of the appeal by the State agency.

(3) Further review. Further review by the Regional Administrator or the Assistant Secretary with respect to an appeal under this section shall be in accordance with paragraphs (c) and (d) of §625.10.

(i) Consolidation of appeals. The referee may consolidate appeals and conduct joint hearings thereon where the same or substantially similar evidence is relevant and material to the matters in issue. Reasonable notice of consolidation and the time and place of hearing shall be given or mailed to the applicants or their representatives, the State agency, and to persons who have offered or are believed to have evidence with respect to the DUA claims.

(j) Representation. A DUA applicant may be represented by counsel or other representative in any proceedings before the referee or the Regional Administrator. Any such representative may appear at any hearing or take any other action which such applicant may take under this part. The referee, for cause, may bar any person from representing an applicant, in which event such action shall be set forth in the record. No representative shall charge an applicant more than an amount fixed by the referee for representing an applicant, in which event a decision shall be made and issued by the referee not later than 30 days after receipt of the appeal by the State agency.

(k) Postponement, continuance, and adjournment of hearings. A hearing before the referee shall be postponed, continued, or adjourned when such action is necessary to afford a DUA applicant reasonable opportunity for a fair hearing. In such case notice of the subsequent hearing shall be given to any person who received notice of the prior hearing.

(l) Information from agency records. Information shall be available to a DUA applicant, either from the records of the State agency or as obtained in any proceeding herein provided for, to the extent necessary for proper presentation of his/her case. All requests for information shall state the nature of the information desired as clearly as possible and shall be in writing unless made at a hearing.

(m) Filing of decisions. Copies of all decisions of the referee shall be kept on file at his/her office or agency for at least 3 years.

APPENDIX A TO PART 625—STANDARD FOR CLAIM FILING, CLAIMANT REPORTING, JOB FINDING, AND EMPLOYMENT SERVICES

5000 Standard for Claim Filing, Claimant Reporting, Job Finding, and Employment Services

A. Federal law requirements. Section 3304(a)(1) of the Federal Unemployment Tax Act and section 303(a)(2) of the Social Security Act require that a State law provide for: "Payment of unemployment compensation solely through public employment offices or such other agencies as the Secretary may approve." Section 3304(a)(1) of the Federal Unemployment Tax Act and section 303(a)(5) of the Social Security Act require that a State law provide for: "Expenditure of all money withdrawn from an unemployment fund of such State, in the payment of unemployment compensation * * *"

Section 3304(a)(1) of the Social Security Act requires that the State law provide for: "Such methods of administration . . . as are found by the Secretary to be reasonably calculated to insure full payment of unemployment compensation when due."

B. Secretary’s interpretation of federal law requirements: 1. The Secretary interprets section 3304(a)(1) of the Federal Unemployment Tax Act and section 303(a)(2) of the Social Security Act to require that a State law provide for payment of unemployment compensation solely through public employment offices or claims offices administered by the State employment security agency if such agency provides for such coordination in the operations of its public employment offices and claims offices as will insure (a) the payment of benefits only to individuals who are unemployed and who are able to work and available for work, and (b) that individuals claiming unemployment compensation (claimants) are afforded such placement and other employment services as are necessary and appropriate to return them to suitable work as soon as possible.
2. The Secretary interprets all the above sections to require that a State law provide for: a. Such contact by claimants with public employment offices or claims offices or both, (1) as will reasonably insure the payment of unemployment compensation only to individuals who are unemployed and who are able to work and available for work, and (2) that claimants are afforded such placement and other employment services as are necessary and appropriate to facilitate their return to suitable work as soon as possible; and b. Methods of administration which do not unreasonably limit the opportunity of individuals to establish their right to unemployment compensation due under such State law.

5001 Claim Filing and Claimant Reporting Requirements Designed to Satisfy Secretary’s Interpretation

A. Claim filing—total or part-total unemployment: 1. Individuals claiming unemployment compensation for total or part-total unemployment are required to file a claim weekly or biweekly, in person or by mail, at a public employment office or a claims office (these terms include offices at itinerant points) as set forth below.

2. Except as provided in paragraph 3, a claimant is required to file in person: a. His new claim with respect to a benefit year, or his continued claim for a waiting week or for his first compensable week of unemployment in such year; and b. Any other claim, when requested to do so by the claims personnel at the office at which he files his claim(s) because questions about his right to benefits are raised by circumstances such as the following:

   (1) The conditions or circumstances of his separation from employment;

   (2) The claimant’s answers to questions on mail claim(s) indicate that he may be unable to work or that there may be undue restrictions on his availability for work or that his search for work may be inadequate or that he may be disqualified;

   (3) The claimant’s answers to questions on mail claims create uncertainty about his credibility or indicate a lack of understanding of the applicable requirements; or

   (4) The claimant’s record shows that he has previously filed a fraudulent claim.

In such circumstances, the claimant is required to continue to file claims in person each week (or biweekly) until the State agency determines that filing claims in person is no longer required for the resolution of such questions.

3. A claimant must be permitted to file a claim by mail in any of the following circumstances: a. He is located in an area requiring the expenditure of an unreasonable amount of time or money in traveling to the nearest facility established by the State agency for filing claims in person; b. Conditions make it impracticable for the agency to take claims in person; c. He has returned to full-time work on or before the scheduled date for his filing a claim, unless the agency makes provision for in-person filing at a time and place that does not interfere with his employment; d. The agency finds that he has good cause for failing to file a claim in person.

4. A claimant who has been receiving benefits for partial unemployment may continue to file claims as if he were a partially unemployed worker for the first four consecutive weeks of total or part-total unemployment immediately following his period of partial unemployment so long as he remains attached to his regular employer.

B. Claim filing—partial unemployment. Each individual claiming unemployment compensation for a week (or other claim period) during which, because of lack of work, he is working less than his normal customary full-time hours for his regular employer and is earning less than the earnings limit provided in the State law, shall not be required to file a claim for such week or other claim period earlier than 2 weeks from the date that wages are paid for such claim period or, if a low earnings report is required by the State law, from the date the employer furnished such report to the individual. State agencies may permit claims for partial unemployment to be filed either in person or by mail, except that in the circumstances set forth in section A 3, filing by mail must be permitted, and in the circumstances set forth in section A 2 b, filing in person may be required.

5002 Requirement for Job Finding, Placement, and other Employment Services Designed to Satisfy Secretary’s Interpretation

A. Claims personnel are required to assure that each claimant is doing what a reasonable individual in his circumstances would do to obtain suitable work.

B. In the discretion of the State agency: 1. The claims personnel are required to give each claimant such necessary and appropriate assistance as they reasonably can in finding suitable work and at their discretion determine when more complete placement and employment services are necessary and appropriate for a claimant; and if they determine more complete services are necessary and appropriate, the claims personnel are to refer him to employment service personnel in the public employment office in which he has been filing claim(s), or, if he has been filing in a claims office, in the public employment office most accessible to him; or

2. All placement and employment services are required to be afforded to each claimant by employment service personnel in the public employment office most accessible to him in which case the claims personnel in the office in which the claimant files his claim are

to refer him to the employment service personnel when placement or other employment services are necessary and appropriate for him.

C. The personnel to whom the State agency assigns the responsibilities outlined in paragraph B above are required to give claimants such job-finding assistance, placement, and other employment services as are necessary and appropriate to facilitate their return to suitable work as soon as possible. In some circumstances, no such services or only limited services may be required. For example, if a claimant is on a short-term temporary layoff with a fixed return date, the only service necessary and appropriate to be given to him during the period of the layoff is a referral to suitable temporary work if such work is being performed in the labor market area.

Similarly, claimants whose unemployment is caused by a labor dispute presumably will return to work with their employer as soon as the labor dispute is settled. They generally do not need services, nor do individuals in occupations where placement customarily is made by other nonfee charging placement facilities such as unions and professional associations.

Claimants who fall within the classes which ordinarily would require limited services or no services shall, if they request placement and employment services, be afforded such services as are necessary and appropriate to them to obtain suitable work or to achieve their reasonable employment goals.

On the other hand, a claimant who is permanently separated from his job is likely to require some services. He may need only some direction in how to get a job; he may need placement services as he is in an occupation for which there is some demand in the labor market area; if his occupation is outdated, he may require counseling and referral to a suitable training course. The extent and character of the services to be given any particular claimant may change with the length of his unemployment and depend not only on his own circumstances and conditions, but also on the condition of the labor market in the area.

D. Claimants are required to report to employment service personnel, as directed, but such personnel and the claims personnel are required to arrange and coordinate the contracts required of a claimant as not to place an unreasonable burden on him or unreasonably limit his opportunity to establish his rights to compensation. As a general rule, a claimant is not required to contact in person claims personnel or employment service personnel more frequently than once a week, unless he is directed to report more frequently for a specific service such as referral to a job or a training course or counseling which cannot be completed in one visit.

E. Employment service personnel are required to report promptly to claims personnel in the office in which the claimant files his claim(s): (1) his failure to apply for or accept work to which he was referred by such personnel or when known, by any other nonfee-charging placement facility such as a union or a professional association; and (2) any information which becomes available to it that may have a bearing on the claimant’s ability to work or availability for work, or on the suitability of work to which he was referred or which was offered to him.

If the State law provisions do not conform to the “suggested State law requirements” set forth in sections 5001 and 5002, but the State law contains alternative provisions, the Manpower Administrator, in collaboration with the State agency, will study the actual or anticipated affect of the alternative provisions. If the Manpower Administrator concludes that the alternative provisions satisfy the requirements of the Federal law as construed by the Secretary (see section 5000 B) he will so notify the State agency. If he does not so conclude, he will submit the matter to the Secretary. If the Secretary concludes that the alternative provisions satisfy such requirements, the State agency will be so notified. If the Secretary concludes that there is a question as to whether the alternative provisions satisfy such requirements, the State agency will be advised to the Secretary, in collaboration with the State agency, will study the alternative provisions. If the Manpower Administrator concludes that the alternative provisions satisfy the requirements of the Federal law as construed by the Secretary (see section 5000 B) he will so notify the State agency. If he does not so conclude, he will submit the matter to the Secretary. If the Secretary concludes that the alternative provisions satisfy such requirements, the State agency will be so notified. If the Secretary concludes that there is a question as to whether the alternative provisions satisfy such requirements, the State agency will be advised to

APPENDIX B TO PART 625—STANDARD FOR CLAIM DETERMINATIONS—SEPARATION INFORMATION

6010 Federal Law Requirements. Section 303(a)(1) of the Social Security Act requires that a State law include provision for: “Such methods of administration . . . as are found by the Secretary to be reasonably calculated to insure full payment of unemployment compensation when due.”

Section 303(a)(3) of the Social Security Act requires that a State law include provision for: “Opportunity for a fair hearing before an impartial tribunal, for all individuals whose claims for unemployment compensation are denied.”
Section 3304(a)(4) of the Federal Unemployment Tax Act and section 303(a)(5) of the Social Security Act require that a State law include provision for: “Expenditure of all money withdrawn from an unemployment fund of such State, in the payment of unemployment compensation . . . .” Section 3304(b) of the Federal Unemployment Tax Act defines “compensation” as “cash benefits payable to individuals with respect to their unemployment.”

6011 Secretary’s Interpretation of Federal Law Requirements. The Secretary interprets the above sections to require that a State law include provisions which will insure that: A. Individuals who may be entitled to unemployment compensation are furnished such information as will reasonably afford them an opportunity to know, establish, and protect their rights under the unemployment compensation law of such State, and

B. The State agency obtains and records in time for the prompt determination and review of benefit claims such information as will reasonably insure the payment of benefits to individuals to whom benefits are due.

6012 Criteria for Review of State Law Conformity with Federal Requirements. In determining the conformity of a State law with the above requirements of the Federal Unemployment Tax Act and the Social Security Act as interpreted by the Secretary, the following criteria will be applied:

A. Is it required that individuals who may be entitled to unemployment compensation be furnished such information of their potential rights to benefits, including the manner and places of filing claims, the reasons for determinations, and their rights of appeal, as will insure them a reasonable opportunity to know, establish, and protect their rights under the law of the State?

B. Is the State agency required to obtain, in time for prompt determination of rights to benefits such information as will reasonably insure the payment of benefits to individuals to whom benefits are due?

C. Is the State agency required to keep records of the facts considered in reaching determinations of rights to benefits?

6013 Claim Determinations Requirements Designed To Meet Department of Labor Criteria.

A. Investigation of claims. The State agency is required to obtain promptly and prior to a determination of an individual’s right to benefits, such facts pertaining thereto as will be sufficient reasonably to insure the payment of benefits when due.

This requirement embraces five separate elements:

1. It is the responsibility of the agency to take the initiative in the discovery of information. This responsibility may not be passed on to the claimant or the employer. In addition to the agency’s own records, this information may be obtained from the worker, the employer, or other sources. If the information obtained from the first instance discloses no essential disagreement and provides a sufficient basis for a fair determination, no further investigation is necessary. If the information obtained from other sources differs essentially from that furnished by the claimant, the agency, in order to meet its responsibility, is required to inform the claimant of such information from other sources and to afford the claimant an opportunity to furnish any further facts he may have.

2. Evidentiary facts must be obtained as distinguished from ultimate facts or conclusions. That a worker was discharged for misconduct is an ultimate fact or conclusion; that he destroyed a machine upon which he was working is a primary or evidentiary fact, and the sort of fact that the requirement refers to.

3. The information obtained must be sufficient reasonably to insure the payment of benefits when due. In general, the investigation made by the agency must be complete enough to provide information upon which the agency may act with reasonable assurance that its decision is consistent with the unemployment compensation law. On the other hand, the investigation should not be so exhaustive and time-consuming as unduly to delay the payment of benefits and to result in excessive costs.

4. Information must be obtained promptly so that the payment of benefits is not unduly delayed.

5. If the State agency requires any particular evidence from the worker, it must give him a reasonable opportunity to obtain such evidence.

B. Recording of facts. The agency must keep a written record of the facts considered in reaching its determinations.

C. Determination notices

1. The agency must give each claimant a written notice of:

a. Any monetary determination with respect to his benefit year;

b. Any determination with respect to purging a disqualification if, under the State law, a condition or qualification must be satisfied with respect to each week of disqualification; but in lieu of giving written notice of each determination for each week in which it is determined that the claimant has met the requirements for purging, the agency may inform the claimant that he has purged the disqualification for a week by notation on his application identification card or otherwise in writing.

c. Any other determination which adversely affects his rights to benefits, except

Continued
that written notice of determination need not be given with respect to:

1. A week in a benefit year for which the claimant’s weekly benefit amount is reduced in whole or in part by earnings if, the first time in the benefit year that there is such a reduction, he is required to be furnished a booklet or leaflet containing the information set forth below in paragraph 2 f (1).

However, a written notice of determination is required if: (a) there is a dispute concerning the reduction with respect to any week (e.g., as to the amount computed as the appropriate reduction, etc.); or (b) there is a change in the State law (or in the application thereof) affecting the reduction; or

2. Any week in a benefit year subsequent to the first week in such benefit year in which benefits were denied, or reduced in whole or in part for reasons other than earnings, if denial or reduction for such subsequent week is based on the same reason and the same facts as for the first week, and if written notice of determination is required to be given to the claimant with respect to such first week, and with such notice of determination, he is required to be given a booklet or pamphlet containing the information set forth below in paragraphs 2 f (2) and 2 h. However, a written notice of determination is required if: (a) there is a dispute concerning the denial or reduction of benefits with respect to such week; or (b) there is a change in the State law (or in the application thereof) affecting the denial or reduction; or (c) there is a change in the amount of the reduction except as to the balance covered by the last reduction in a series of reductions.

Note: This procedure may be applied to determinations made with respect to any subsequent weeks for the same reason and on the basis of the same facts: (a) that claimant is unable to work, unavailable for work, or is disqualified under the labor dispute provision; and (b) reducing claimant’s weekly benefit amount because of income other than earnings or offset by reason of overpayment.

2. The agency must include in written notices of determinations furnished to claimants sufficient information to enable them to understand the determinations, the reasons therefor, and their rights to protest, request reconsideration, or appeal.

The written notice of monetary determination must contain the information specified in the following items (except h) unless an item is specifically not applicable. A written notice of any other determination must contain the information specified in as many of the following items as are necessary to enable the claimant to understand the determination and to inform him of his appeal rights. Information specifically applicable to the individual claimant must be contained in the written notice of determination. Information of general application such as (but not limited to) the explanation of benefits for partial unemployment, information as to deductions, seasonality factors, and information as to the manner and place of taking an appeal, extension of the appeal period, and where to obtain information and assistance may be contained in a booklet or leaflet which is given the claimant with his monetary determination.

a. Base period wages. The statement concerning base-period wages must be in sufficient detail to show the basis of computation of eligibility and weekly and maximum benefit amounts. (If maximum benefits are allowed, it may not be necessary to show details of earnings.)

b. Employer name. The name of the employer who reported the wages is necessary so that the worker may check the wage transcript and know whether it is correct. If the worker is given only the employer number, he may not be able to check the accuracy of the wage transcript.

c. Explanation of benefit formula—weekly and maximum benefit amounts. Sufficient information must be given the worker so that he will understand how his weekly benefit amount, including allowances for dependents, and his maximum benefit amount were figured. If benefits are computed by means of a table contained in the law, the table must be furnished with the notice of determination whether benefits are granted or denied.

The written notice of determination must show clearly the weekly benefit amount and the maximum potential benefits to which the claimant is entitled.

The notice to a claimant found ineligible by reason of insufficient earnings in the base period must inform him clearly of the reason for ineligibility. An explanation of the benefit formula contained in a booklet or pamphlet should be given to each claimant at or prior to the time he receives written notice of a monetary determination.

d. Benefit year. An explanation of what is meant by the benefit year and identification
Employment and Training Administration, Labor
Pt. 625, App. B

of the claimant’s benefit year must be included in the notice of determination.

e. Information as to benefits for partial unemployment. There must be included either in the written notice of determination for a week in a booklet or pamphlet accompanying the notice an explanation of the claimant’s rights to partial benefits for any week with respect to which he is working less than his normal customary full-time workweek because of lack of work and for which he earns less than his weekly benefit amount or weekly benefit amount plus earnings, whichever is provided by the State law. If the explanation is contained in the notice of determination, reference to the item in the notice in which his weekly benefit amount is entered should be made.

f. Deductions from weekly benefits

(1) Earnings. Although written notice of determinations deducting earnings from a claimant’s weekly benefit amount is generally not required (see paragraph 1 c(1) above), where written notice of determination is required (or given) it shall set forth the amount of earnings, the method of computing the deduction in sufficient detail to enable the claimant to verify the accuracy of the deduction, and his right to protest, request redetermination, and appeal. Where a written notice of determination is given to the claimant because there has been a change in the State law or in the application of the law, an explanation of the change shall be included.

Where claimant is not required to receive a written notice of determination, he must be given a booklet or pamphlet the first time in his benefit year that there is a deduction for earnings which shall include the following information:

(a) The method of computing deductions for earnings in sufficient detail to enable the claimant to verify the accuracy of the deduction;

(b) That he will not automatically receive a written notice of determination for a week with respect to which there is a deduction for earnings (unless there is a dispute concerning the reduction with respect to a week or there has been a change in the State law or in the application of the law affecting the deduction) but that he may obtain such a written notice upon request; and

(c) A clear statement of his right to protest, request a redetermination, and appeal from any determination deducting earnings from his weekly benefit amount even though he does not automatically receive a written notice of determination; and if the State law requires written notice of determination in order to effectuate a protest, redetermination, or appeal, he must be so advised and advised also that he must request a written notice of determination before he takes any such action.

(2) Other deductions

(a) A written notice of determination is required with respect to the first week in claimant’s benefit year in which there is a reduction from his benefits for a reason other than earnings. This notice must describe the deduction made from claimant’s weekly benefit amount, the reason for the deduction, the method of computing it in sufficient detail to enable him to verify the accuracy of such deduction, and his right to protest, request redetermination, or appeal.

(b) A written notice of determination is not required for subsequent weeks that a deduction is made for the same reason and on the basis of the same facts, if the notice of determination pursuant to (2)(a), or a booklet or pamphlet given him with such notice explains (i) the several kinds of deductions which may be made under the State law (e.g., retirement pensions, vacation pay, and overpayments); (ii) the method of computing each kind of deduction in sufficient detail that claimant will be able to verify the accuracy of deductions made from his weekly benefit payments; (iii) any limitation on the amount of any deduction or the time in which any deduction may be made; (iv) that he will not automatically be given a written notice of determination for subsequent weeks with respect to which there is a deduction for the same reason and on the basis of the same facts, but that he may obtain a written notice of determination upon request; (v) his right to protest, request redetermination, or appeal with respect to subsequent weeks for which there is a reduction from his benefits for the same reason, and on the basis of the same facts even though he does not automatically receive a written notice of determination; and (vi) that if the State law requires written notice of determination in order to effectuate a protest, redetermination, or appeal, he must be so advised and advised also that he must request a written notice of determination before he takes any such action.

g. Seasonality factors. If the individual’s determination is affected by seasonality factors under the State law, an adequate explanation must be made. General explanations of seasonality factors which may affect determinations for subsequent weeks may be included in a booklet or pamphlet given claimant with his notice of monetary determination.

h. Disqualification or ineligibility. If a disqualification is imposed, or if the claimant is declared ineligible for one or more weeks, he must be given not only a statement of the period of disqualification or ineligibility and the amount of wage-credit reductions, if any, but also an explanation of the reason for the ineligibility or disqualification. This explanation must be sufficiently detailed so that he will understand why he is ineligible or why he has been disqualified, and what he must do in order to requalify for benefits or
purge the disqualification. The statement must be individualized to indicate the facts upon which the determination was based, e.g., state, “It is found that you left your work because you were tired of working; the separation was voluntary, and the reason does not constitute good cause,” rather than merely the phrase “voluntary quit.” Checking a box as to the reason for the disqualification is not a sufficiently detailed explanation. However, this statement of the reason for the disqualification need not be a restatement of all facts considered in arriving at the determination.

A. Information to agency. Where workers are separated, employers are required to furnish the agency promptly, either upon agency request or upon such separation, a notice describing the reasons for and the circumstances of the separation and any additional information which might affect a claimant’s right to benefits. When workers are working less than full time, employers are required to furnish the agency promptly, upon agency request, information concerning a claimant’s hours of work and his wages during the claim periods involved, and other facts which might affect a claimant’s eligibility for benefits during such periods.

When workers are separated and the notices are obtained on a request basis, or when workers are working less than full time and the agency requests information, it is essential to the prompt processing of claims that the request be sent out promptly after the claim is filed and the employer be given a specific period within which to return the notice, preferably within 2 working days.

When workers are separated and notices are obtained upon separation, it is essential that the employer be required to send the notice to the agency with sufficient promptness to insure that, if a claim is filed, it may be processed promptly. Normally, it is desirable that such a notice be sent to the central office of the agency, since the employer may not know in which local office the worker will file his claim. The usual procedure is for the employer to give the worker a copy of the notice sent by the employer to the agency.

B. Information of worker. 1. Information required to be given. Employers are required to give their employees information and instructions concerning the employees’ potential rights to benefits and concerning registration for work and filing claims for benefits.

The information furnished to employees under such a requirement need not be elaborate; it need only be adequate to insure that the worker who is separated or who is working less than full time knows he is potentially eligible for benefits and is informed as to what he is to do or where he is to go to file his claim and register for work. When he files his claim, he can obtain more detailed information.

In States that do not require employers to furnish periodically to the State agency detailed reports of the wages paid to their employees, each employer is required to furnish to his employees information as to (a) the name under which he is registered by the State agency, (b) the address where he maintains his payroll records, and (c) the workers’ need for this information if and when they file claims for benefits.

2. Methods for giving information. The information and instructions required above may be given in any of the following ways:

a. Posters prominently displayed in the employer’s establishment. The State agency...
should supply employers with a sufficient number of posters for distribution throughout their places of business and should see that the posters are conspicuously displayed at all times.

b. Leaflets. Leaflets distributed either periodically or at the time of separation or reduction of hours. The State agency should supply employers with a sufficient number of leaflets.

c. Individual notices. Individual notices given to each employee at the time of separation or reduction in hours.

It is recommended that the State agency’s publicity program be used to supplement the employer-information requirements. Such a program should stress the availability and location of claim-filing offices and the importance of visiting those offices whenever the worker is unemployed, wishes to apply for benefits, and to seek a job.

6015 Evaluation of Alternative State Provisions with Respect to Claim Determinations and Separation Information. If the State law provisions do not conform to the suggested requirements set forth in sections 6013 and 6014, but the State law contains alternative provisions, the Bureau of Employment Security, in collaboration with the State agency, will study the actual or anticipated effects of the alternative provisions. If the Administrator of the Bureau concludes that the alternative provisions satisfy the criteria in section 6012, he will notify the State agency. If the Administrator of the Bureau does not so conclude, he will notify the matter to the Secretary. If the Secretary concludes that the alternative provisions satisfy the criteria in section 6012, the State agency will be notified. If the Secretary concludes that there is a question as to whether the alternative provisions satisfy the criteria, the State agency will be advised that unless the State law provisions are appropriately revised, a notice of hearing will be issued as required by the Code of Federal Regulations, title 20, section 601.5.

APPENDIX C TO PART 625—STANDARD FOR FRAUD AND OVERPAYMENT DETECTION

7510–7519 Standard for Fraud and Overpayment Detection

7510 Federal Law Requirements. Section 303(a)(1) of the Social Security Act requires that a State law include provision for:

“Such methods of administration * * * as are found by the Secretary to be reasonably calculated to insure full payment of unemployment compensation when due.”

Section 1603(a)(4) of the Internal Revenue Code and section 3603(a)(5) of the Social Security Act require that a State law include provision for:

“Expenditure of all money withdrawn from an unemployment fund of such State, in the payment of unemployment compensation...”

Section 1607(h) of the Internal Revenue Code defines “compensation” as “cash benefits payable to individuals with respect to their unemployment.”

7511 The Secretary’s Interpretation of Federal Law Requirements. The Secretary of Labor interprets the above sections to require that a State law include provision for such methods of administration as are, within reason, calculated (1) to detect benefits paid through error by the agency or through willful misrepresentation or error by the claimant or others, and (2) to deter claimants from obtaining benefits through willful misrepresentation.

7513 Criteria for Review of State Conformity With Federal Requirements. In determining State conformity with the above requirements of the Internal Revenue Code and the Social Security Act, as interpreted by the Secretary of Labor, the following criteria will be applied:

A. Are investigations required to be made after the payment of benefits, (or, in the case of interstate claims, are investigations made by the agent State after the processing of claims) as to claimants’ entitlement to benefits paid to them in a sufficient proportion of cases to test the effectiveness of the agency’s procedures for the prevention of payments which are not due? To carry out investigations, has the agency assigned to some individual or unit, as a basic function, the responsibility of making or functionally directing such investigations?

Explanation: It is not feasible to prescribe the extent to which the above activities are required; however, they should always be carried on to such an extent that they will show whether or not error or willful misrepresentation is increasing or decreasing, and will reveal problem areas. The extent and nature of the above activities should be varied according to the seriousness of the problem in the State. The responsible individual or unit should:

1. Check paid claims for overpayment and investigate for willful misrepresentation or, alternatively, advise and assist the operating units in the performance of such functions, or both;

2. Perform consultative services with respect to methods and procedures for the prevention and detection of fraud; and
3. Perform other services which are closely related to the above.

Although a State agency is expected to make a full-time assignment of responsibility for employment records to an individual to carry out the functions described above, a small State agency might make these functions a part-time responsibility of one individual. In connection with the detection of overpayments, such a unit or individual might, for example:

(a) Investigate information on suspected benefit fraud received from any agency personnel, and from sources outside the agency, including anonymous complaints;

(b) Investigate information secured from comparisons of benefit payments with employment records to detect cases of concurrent working (whether in covered or noncovered work) and claiming of benefits (including benefit payments in which the agency acted as agency for another State).

The benefit fraud referred to herein may involve employers, agency employees, and witnesses, as well as claimants.

Comparisons of benefit payments with employment records are commonly made either by post-audit or by industry surveys. The so-called “post-audit” is a matching of central office wage-record files against benefit payments for the same period. “Industry surveys” or “mass audits” are done in some States by going directly to employers for pay-roll information to be checked against concurrent benefit lists. A plan

A. of investigation based on a sample post-audit will be considered as partial fulfillment of the investigation program; it would need to be supplemented by other methods capable of detecting overpayments to persons who have moved into noncovered occupations or are claiming interstate benefits.

B. Are adequate records maintained by which the results of investigations may be evaluated?

Explanation: To meet this criterion, the State agency will be expected to maintain records of all its activities in the detection of overpayments, showing whether attributable to error or willful misrepresentation, measuring the results obtained through various methods, and noting the remedial action taken in each case. The adequacy and effectiveness of various methods of checking for willful misrepresentation can be evaluated only if records are kept of the results obtained. Internal reports on fraudulent and erroneous overpayments are needed by State agencies for self-evaluation. Detailed records should be maintained in order that the State agency may determine, for example, which of several methods of checking currently used are the most productive. Such records also will provide the basis for drawing a clear distinction between fraud and error.

C. Does the agency take adequate action with respect to publicity concerning willful misrepresentation and its legal consequences to deter fraud by claimants?

Explanation: To meet this criterion, the State agency must issue adequate material on claimant eligibility requirements and must take necessary action to obtain publicity on the legal consequences of willful misrepresentation or willful nondisclosure of facts.

Public announcements on convictions and resulting penalties for fraud are generally considered necessary as a deterrent to other persons, and to inform the public that the agency is carrying on an effective program to prevent fraud. This alone is not considered adequate publicity. It is important that information be circulated which will explain clearly and understandably the claimant’s rights, and the obligations which he must fulfill to be eligible for benefits. Leaflets for distribution and posters placed in local offices are appropriate media for such information.

7515 Evaluation of Alternative State Provisions with Respect to Erroneous and Illegal Payments. If the methods of administration provided for by the State law do not conform to the suggested methods of meeting the requirements set forth in section 7511, but a State law does provide for alternative methods of administration designed to accomplish the same results, the Bureau of Employment Security, in collaboration with the State agency, will study the actual or anticipated effect of the alternative methods of administration. If the Bureau concludes that the alternative methods satisfy the criteria in section 7513, it will so notify the State agency. If the Bureau does not so conclude, it will submit to the Secretary the results of the study for his determination of whether the State’s alternative methods of administration meet the criteria.

Expenditures are the sum of actual cash disbursements, the amount of indirect expense incurred, and the net increase (or decrease) in the amounts owed by the recipient for the goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

Act means the Job Training Partnership Act.

ALJ means an administrative law judge in the Office of Administrative Law Judges of the U.S. Department of Labor.

Capacity building means the systematic improvement of job functions, skills, knowledge, and expertise of the personnel who staff and administer employment and training and other closely related human service systems. Capacity building is designed to enhance the effectiveness to strengthen the caliber of customer services provided under the Act and other Federal, State, and local employment and training programs, and improve coordination among them. Capacity building includes curriculum development, appropriate training, technical assistance, staff development, and other related activities.

Chief elected official (CEO) means the official or officials, or their representatives, of the jurisdiction or jurisdictions which requested designation by the Governor as a service delivery area.

Commercial organizations means private for-profit entities.

Commercially available off-the-shelf training package means a training package sold or traded to the general public in the course of normal business operations, at prices based on established catalog or market prices. To be considered as “sold to the general public,” the package must be regularly sold in sufficient quantities to constitute a real commercial market to buyers that must include other than JTPA programs. The package must include performance criteria pertaining to the delivery of the package which may include participant attainment of knowledge, skills or a job.

Family is defined at section 4(34) of the Act. An “individual with a disability” shall, for the purposes of income eligibility determination, be considered to be an unrelated individual who is a family unit of one, consistent with the definition of “economically disadvantaged” at section 4(8) of the Act. The Governor may provide interpretations of the term “family” related to how “dependent children” are defined for programs within a State, consistent with the Act, and all applicable rules and regulations, and State or local law. Such interpretations by the Governor may address the treatment of certain individuals who may need to be viewed discretely in the income eligibility determination process, such as runaways, emancipated youth, and
court adjudicated youth separated from the family.

The phrase “living in a single residence” with other family members includes temporary, voluntary residence elsewhere (e.g., attending school or college, or visiting relatives). It does not include involuntary temporary residence elsewhere (e.g., incarceration, or placement as a result of a court order).

_Family income_ means “income” as defined by the Department of Health and Human Services in connection with the annual poverty guidelines. Such income shall not include unemployment compensation, child support and public assistance (including Aid to Families with Dependent Children, Supplemental Security Income, Emergency Assistance money payments, and nonfederally funded General Assistance or General Relief money payments), as provided for at section 4(8) of the Act. In addition, such income shall also exclude foster child care payments, educational financial assistance received under title IV of the Higher Education Act (20 U.S.C. 1087), as amended by section 479(B) of the Higher Education Act Amendments of 1992), needs-based scholarship assistance, and income earned while on active military duty and other benefit payments specified at 38 U.S.C. 4213, items (1) and (3). The Governor may, for the purposes of determining income eligibility for services to older individuals under section 204(d)(5) of the Act, exclude up to 25 percent of Social Security and Old Age Survivors’ Insurance benefit payments under title II of the Social Security Act, (42 U.S.C., section 401, et seq.) from the definition of family income. In addition, when a Federal statute specifically provides that income or payments received under such statute shall be excluded in determining eligibility for and the level of benefits received under any other federal statute, such income or payments shall be excluded in JTPA eligibility determinations.

_Funding period_ means the period of time when JTPA funds are available for expenditure. Unless a shorter period of time is specified in a title III discretionary award, the JTPA funding period is the 3-year period specified in JTPA section 161(b); the program year in which Federal funds are obligated to the recipient, and the two succeeding program years.

_Governor_ means, in addition to the definition at section 4(9) of the Act, the recipient of JTPA funds awarded to the State under titles I through III.

_Granter_ means the recipient.

_Individual service strategy (ISS)_ is defined in §628.520 of this chapter.

_Job search assistance_ (also including _job search skills training_ and _job club activities_) means the provision of instruction and support to a participant to give the participant skills in acquiring full time employment. The services provided may include, but are not limited to, resume writing, interviewing skills, labor market guidance, telephone techniques, information on job openings, and job acquisition strategies, as well as the provision of office space and supplies for the job search.

_JTPA_ means the Job Training Partnership Act.

_Nontraditional employment_, as applied to women, means occupations or fields of work where women comprise less than 25 percent of the individuals employed in such occupation or field of work as provided periodically by the Department in the _FEDERAL REGISTER_. (Pub. L. 102–235, Nontraditional Employment for Women Act).

_Obligations_ means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a funding period that will require payment by the recipient or subrecipient during the same or a future period.

_PIC_ means a private industry council.

_Participant_ means an individual who has been determined to be eligible to
participate in and who is receiving services (except post-termination services authorized under sections 204(c)(4) and 264(d)(5) and followup services authorized under section 253(d)) under a program authorized by the JTPA. Participation shall be deemed to commence on the first day, following determination of eligibility, on which the participant began receiving subsidized employment, training, or other services provided under the JTPA. (section 4(37)).

**Program year** means the 12-month period beginning July 1 of the indicated year.

**Recipient** means the entity to which a JTPA grant is awarded directly from the Department of Labor to carry out the JTPA program. The recipient is the entire legal entity that received the award and is legally responsible for carrying out the JTPA program, even if only a particular component of the entity is designated in the grant award document. For JTPA grants under titles I, II and III, except for certain discretionary grants awarded under title III, part B, the State is the recipient.

**SDA** means a service delivery area designated by the Governor pursuant to section 101(a)(4) of the Act. As used in these regulations, SDA may also refer to the entity that administers the JTPA program within the designated area.

**SDA grant recipient** means the entity that receives JTPA funds for a service delivery area directly from the recipient.

**Secretary** means the Secretary of Labor, U.S. Department of Labor, or his or her designee.

**Section**, as used in this chapter, means a section of the Act unless the text specifically indicates otherwise.

**Service provider** means a public agency, private nonprofit organization, or private-for-profit entity that delivers educational, training, employment or supportive services to JTPA participants. Awards to service providers may be made by subgrant, contract, subcontract, or other legal agreement.

**Stand-in costs** means costs paid from non-Federal sources that a recipient proposes to substitute for Federal costs that have been disallowed as a result of an audit or other review. In order to be considered as valid substitutions, the costs (1) shall have been reported by the grantee as uncharged program costs under the same title and in the same program year in which the disallowed costs were incurred (2) shall have been incurred in compliance with laws, regulations, and contractual provisions governing JTPA, and (3) shall not result in a violation of the applicable cost limitations.

**State** is defined at section 4(22) of the Act. For cash payment purposes, the definition of “State” contained in the Department of the Treasury regulations at 31 CFR 265.3 shall apply to JTPA programs.

**State council** means the State Job Training Coordinating Council (SJTCC) or, in a State with a Human Resource Investment Council (HRIC) pursuant to §628.215 of this chapter, the HRIC.

**Subgrant** means an award of JTPA financial assistance in the form of money, or property in lieu of money, made under a grant by a recipient to an eligible subrecipient. It also means a subgrant award of JTPA financial assistance by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement purchases from vendors nor does it include any form of assistance received by program participants.

**Subgrantee** means a subrecipient.

**Subrecipient** means the legal entity to which a subgrant is awarded and which is accountable to the recipient (or higher tier subrecipient) for the use of the funds provided. For JTPA purposes, distinguishing characteristics of a subrecipient include items such as determining eligibility of applicants, enrollment of participants, performance measured against meeting the objectives of the program, responsibility for programmatic decisionmaking, responsibility for compliance with program requirements, and use of the funds awarded to carry out a JTPA program or project, as compared to providing goods or services for a JTPA program or project (vendor). Depending on local circumstances, the PIC, local elected official, or administrative entity may
be a subrecipient. SDA grant recipients and JTPA title III substate grantees are particular types of subrecipients. 

Substate grantee (SSG) means that agency or organization selected to administer programs pursuant to section 312(b) of the Act. The substate grantee is the entity that receives JTPA title III funds for a substate area directly from the Governor.

Technical assistance is a facet of capacity building which may include but is not limited to information sharing, dissemination and training on program models and job functions; peer-to-peer networking and problem solving; guides; and interactive communication technologies.

Title, as used in this chapter, means a title of the Act, unless the text of the regulation specifically indicates otherwise.

Vendor means an entity responsible for providing generally required goods or services to be used in the JTPA program. These goods or services may be for the recipient’s or subrecipient’s own use or for the use of participants in the program. Distinguishing characteristics of a vendor include items such as: Providing the goods and services within normal business operations; providing similar goods or services to many different purchasers, including purchasers outside the JTPA program; and operating in a competitive environment. A vendor is not a subrecipient and does not exhibit the distinguishing characteristics attributable to a subrecipient, as defined above. Any entity directly involved in the delivery of program services not available to the general public, with the exception of an employer providing on-the-job training, shall be considered a subrecipient rather than a vendor.

(b) The employment or training of participants in sectarian activities is prohibited.

§ 627.215 Relocation.

(b) For 120 days after the commencement or the expansion of commercial operations of a relocating establishment, no funds provided under this Act shall be used for customized or skill training, on-the-job training, or company-specific assessments of job applicants or employees, for any relocating establishment or part thereof at a new, or expanded location, if the relocation of such establishment or part thereof results in a loss of employment for any employee of such establishment at the original location.

(c) For the purposes of this section, relocating establishment means a business entity, including a successor-in-

For the purposes of this section, a labor market area is an area within which individuals can readily change employment without changing their place of residence.

(d) Pre-award review. To verify that an establishment which is new or expanding is not, in fact, relocating employment from another area, standardized pre-award review procedures developed by the State shall be completed and documented jointly by the service delivery area or substate grantee and the establishment as a prerequisite to JTPA assistance. The review should include names under which the establishment does business, including successors-in-interest; the name, title, and address of the company official certifying the information; the name and address of the facility in the other geographic location which is being closed or from which business is being transferred; a statement from the employer about job losses at that location; the nature of the products or business being transferred; the date the facility will commence or expand operations, and whether JTPA assistance is sought in connection with past or impending job losses at other facilities.

Procedures for the investigation and resolution of the violations are provided for under subpart F of this part. Sanctions and remedies are provided for under subpart G of this part.

§ 627.220 Coordination with programs under title IV of the Higher Education Act including the Pell grant program.

(a) Coordination. Financial assistance programs under title IV of the Higher Education Act of 1965, as amended (HEA) (the Pell Grant program, the Supplemental Education Opportunity Grant program, the Work-study program, and Federal loan programs such as Federal Perkins Loans, Federal Stafford Loans and Federal Direct Stafford Loans) provide student financial aid and are available to JTPA participants enrolling in postsecondary level education programs. SDA’s and title III SSG’s shall establish coordination procedures and contractual safeguards to ensure that JTPA funds are used in addition to funds otherwise available in the area and are coordinated with these funding sources.

(b) Affordable programs. (1) The SDA shall assist the participant early in the objective assessment, as appropriate, to establish eligibility for Pell Grants, student loans and other forms of financial aid.

(2) The SDA or SSA shall record in the ISS or participant record the participant’s training-related financial assistance needs and the mix of JTPA and other funds, including Pell Grant funds (sections 141(b), 107(b), 205(b) and 265(b)).

(3) The SDA shall ensure, to the extent practicable, that available Federal, State, and local resources are coordinated sufficiently to meet the training and education-related costs of services, so that the participant can afford to complete the agreed-upon program successfully.

(4) Participants shall not be required to apply for or access student loans, or incur personal debt as a condition of JTPA participation.

(c) Information sharing. To prevent duplication of funding and to streamline the tracking of the participant’s financial needs and use of funds when HEA, title IV programs are involved, contracts and agreements with educational institutions shall require the educational institution’s financial aid officer to inform the SDA’s/SSG’s of the amounts and disposition of any HEA, title IV awards and other types of financial aid to each JTPA participant awarded after the enrollment of the participant, as part of a continuing, regular information sharing process (section 141(b)).
§ 627.225 Employment generating activities.

(a)(1) No funds available under the Act shall be used for employment generating activities, economic development activities, investment in revolving loan funds, capitalization of businesses, investment in contract bidding resource centers, or similar activities.

(2) No funds available under titles I, II, or III of the Act shall be used for foreign travel for employment generating activities, economic development activities, or similar activities.

(b) JTPA funds may be used for normal employer outreach and job development activities including, but not limited to: contacts with potential employers for the purpose of placement of JTPA participants; participation in business associations (such as chambers of commerce); JTPA staff participation on economic development boards and commissions, and work with economic development agencies, to provide information about JTPA and to assist in making informed decisions about community job training needs; subscriptions to relevant publications; general dissemination of information on JTPA programs and activities; labor market surveys; and development of on-the-job training (OJT) opportunities, as defined in § 627.240; and other allowable JTPA activities in the private sector.

§ 627.230 Displacement.

(a) No currently employed worker shall be displaced by any participant (including partial displacement such as a reduction in the hours of non-overtime work, wages, or employment benefits).

(b) No participant shall be employed or job opening filled: (1) When any other individual is on layoff from the same or any substantially equivalent job, or

(2) When the employer has terminated any regular employee without cause otherwise reduced its workforce with the intention of filling the vacancy so created by hiring a participant whose wages are subsidized under the Act.

(c) Violations and sanctions. The Department will promptly review and take appropriate action with regard to alleged violations of the provisions of paragraphs (a) and (b) of this section. Procedures for the investigation and resolution of violations are provided for under subpart F of this part. Sanctions and remedies are provided for under subpart G of this part.

§ 627.235 General program requirements.

(a) The requirements set forth in sections 141, 142 and 143 of the Act apply to all programs under titles I, II, and III of the Act, except as provided elsewhere in the Act.

(b) Recipients shall ensure that an individual enrolled in a JTPA program meets the requirements of section 167(a)(5) of the Act, Section 3 of the Military Selective Service Act (50 U.S.C. App. 453) and other requirements applicable to programs funded under the specific section or title of the Act under which the participant is enrolling (section 604).

(c) Recipients shall ensure that individuals are enrolled within 45 days of the date of eligibility determination or a new eligibility determination (including new application, if necessary) shall be made, except that eligible summer program applicants under title II-B may be enrolled within 45 days into a summer youth enrollee pool, and no subsequent eligibility determination need be made prior to participation during the period of that summer program. In addition, the 45-day enrollment requirement shall not apply for individuals who have a valid certificate of continuing eligibility under the title III program, as described in § 631.3 and § 631.53 of this chapter.

(d) Programs operated under titles I, II, and III of the Act are not subject to the provisions of 29 CFR part 97, “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments,” except as otherwise explicitly provided in this chapter.

(e) If a recipient or SDA imposes a requirement that is in addition to the provisions of the Act and these regulations relating to the administration and operation of programs funded by the Act, the recipient or SDA shall identify the requirement as a State- or
§ 627.240 On-the-job training.

(a) General—(1) On-the-job training (OJT) means training by an employer in the private or public sector given to a participant who, after objective assessment, and in accordance with the ISS, has been referred to and hired by the employer following the development of an agreement with the employer to provide occupational training in exchange for reimbursement of the employer’s extraordinary costs. On-the-job training occurs while the participant is engaged in productive work which provides knowledge and skills essential to the full and adequate performance of the job.

(2) This does not preclude a participant who has been trained by one employer from ultimately being placed in a comparable training-related position with another employer.

(3) On-the-job training may be sequenced with or accompanied by other types of training such as classroom training or literacy training.

(b) Duration of OJT. (1) OJT authorized for a participant shall be limited to a period not in excess of that required for the participant to acquire the skills needed for the OJT position. Except as described in paragraph (b)(3) of this section, the period of reimbursement to the employer under an OJT agreement shall not exceed 6 months of training.

(2) The 6-month duration of OJT may be expressed as a number of hours, days, or weeks the participant is expected to work in a 6-month period if the participant works full-time.

(3) In the event that a participant’s regular employment is less than full-time and less than 500 hours of OJT has occurred by the end of 6 months, that participant may remain in OJT until 499 hours OJT hours have occurred.

(4)(i) Recipients shall develop policies and procedures for determining the average training duration for occupations including to reflect an individual participant’s need for additional training time, or reduction in training time to reflect the individual participant’s partial acquisition of needed skills. (In no case should an individual who is fully skilled in an occupation be placed in OJT in that occupation.)

(ii) In determining the average training time, consideration should be given to recognized reference materials, such as the “Dictionary of Occupational Titles” (DOT) and employer training plans. Such materials need not be limited to the DOT, however.

(5) On-the-job training is encouraged, but not required, in all occupations with significant training content, particularly in higher-skill occupations appropriate to the participant’s needs. Training plans may be developed that recognize the full duration of the OJT period necessary for the full and adequate performance of the job, but the period of reimbursement may not exceed the duration in paragraph (a)(1) or (a)(2) of this section.

(6) When the OJT period in a given occupation for a participant for whom the ISS identifies OJT as appropriate varies from the average for that occupation, the basis for the variation shall be recorded in the ISS.

(c) On-the-job training payments to employers. (1) On-the-job training payments to employers are deemed to be in compensation for the extraordinary costs associated with training participants and in compensation for the costs associated with the lower productivity of such participants. Employers shall not be required to document such extraordinary costs or lower productivity (section 141(g)(1)).

(2)(i) On-the-job training payments to employers shall not, during the period of such training, average more than 50 percent of the wages paid by the employer to OJT participants.

(ii) On-the-job training payments to employers may be based upon scheduled raises or regular pay increases.

(iii) On-the-job training payments may not be based on overtime, shift differential, premium pay and other nonregular wages paid by the employer to participants.

(iv) On-the-job training payments may not be based upon periods of time such as illness, holidays, plant downtime or other events in which no training occurs.

(3) Employers which provide classroom or vestibule training to meet the
§ 627.240

specific training needs of JTPA participants to equip them with education and knowledge necessary to the OJT occupation may be separately reimbursed for training costs, such as instructors and training material.

(d) On-the-job training agreements. (1) Each OJT agreement shall, at a minimum, specify the occupation(s) for which training is to be provided, the duration of the training, the number of participants to be trained in each occupation, wage rates to be paid, the rate of reimbursement, the maximum amount of reimbursement, a job description or training outline that reflects what the participant will learn, and any other separate classroom training that may be provided.

(2) The agreement shall provide that the employer will maintain and make available time and attendance, payroll and other records to support amounts reimbursed under OJT contracts.

(e) Labor standards. OJT participants shall be compensated by the employer at the same rates, including periodic increases, as similarly situated employees, but in no event less than the higher of the minimum wage specified under the Fair Labor Standards Act of 1938, as amended or the applicable State or local minimum wage. Participants must receive the same benefits and have the same working conditions as similarly situated employees.

(f) Suitability of participants. (1) Only those participants who have been assessed and for whom OJT has been determined as an appropriate activity in the participant’s ISS may be referred to an employer for participation in OJT.

(2) An individual referred to the JTPA program by an employer may be enrolled in an OJT program with such employer only upon completion of the objective assessment and individual service strategy in which OJT with such employer has been determined to be an appropriate activity and only if the employer has not already hired such individual.

(3) OJT with the participant’s previous or current employer in the same, a similar, or an upgraded job is not permitted.

(g) Monitoring. (1) OJT agreements shall be monitored periodically on-site by the entity issuing the contract to assure that the validity and propriety of amounts claimed for reimbursement are substantiated by payroll and time and attendance records that the training is being provided as specified in the agreement.

(2) Brokering contractors shall conduct on-site monitoring of the OJT employers and other subcontractors to verify compliance with subcontract terms before making payments.

(3) Nothing in this paragraph (g) shall relieve recipients and SDA’s from responsibility for monitoring expenditures under the Act.

(h) Employer eligibility. (1) OJT agreements shall not be entered into with employers which, under previous agreements, have exhibited a pattern of failing to provide OJT participants with continued long-term employment as regular employees with wages, benefits and working conditions at the same level and to the same extent as similarly situated employees. This prohibition does not apply to OJT agreements for youth in the program under title II-B who are returning to school.

(2) Governors shall issue procedures and criteria to implement the requirement in paragraph (h)(1) of this section, which shall specify the duration of the period of loss of eligibility. The procedures and criteria shall provide that situations in which OJT participants quit voluntarily, are terminated for cause, or are released due to unforeseeable changes in business conditions will not necessarily result in termination of employer eligibility.

(i) Brokered OJT. Each agreement with an OJT employer that is written by a brokering contractor (not written directly by the SDA/SSA or recipient) shall specify and clearly differentiate the services to be provided by the brokering contractor (including but not limited to outreach, recruitment, training, counseling, assessment, placement, monitoring, and followup), the employer and other agencies and subcontractors, including services provided with or without cost by other agencies or subcontractors.

(j) Youth OJT. OJT conducted under title II-C shall meet the requirements of subpart H of part 628 of this chapter (628.804), as well as the requirements of
this section. Where OJT is provided to youth concurrently enrolled under titles II–B and II–C, the source of funding for the OJT shall govern which requirements apply.

(k) Employment and employee leasing agencies.

(1) Definition. The terms employment agency and employee leasing agency mean an employer that provides regular, on-going employment (i.e., not probationary, temporary, or intermittent employment) in a specific occupation and, for a fee, places employees at the worksite of another employer to perform work for such employer.

(2) Employment and employee leasing agencies that meet the other requirements of this section may be eligible for OJT agreements when the agreement specifies the source of training and specifies that the payments are for the extraordinary training costs of the entity providing the training.

§ 627.245 Work experience.

(a) Definition. Work Experience means a short-term or part-time training assignment with a public or private nonprofit organization for a participant who needs assistance in becoming accustomed to basic work requirements. It is prohibited in the private for-profit sector.

(b) Suitability. Work experience should be designed to promote the development of good work habits and basic work skills.

(c) Duration of work experience. Participation in work experience shall be for a reasonable length of time, based on the needs of the participant. The duration of work experience shall be recorded in the participant’s ISS.

(d) Combination with other services. Work experience under titles II–A and C shall be accompanied either concurrently or sequentially by other services designed to increase the basic education and/or occupational skills of the participant, as recorded in the ISS.

(e) Work experience is not an allowable activity under title III of the Act. (Sections 204(b) and (c), 253(a), and 264 (c) and (d).)

§ 627.250 Interstate agreements.

The Secretary hereby grants authority to the several States to enter into interstate agreements and compacts in accordance with section 127 of the Act and, as specified in §627.420(g), Procurement.

Subpart C—Payments, Supportive Services, and Benefits and Working Conditions

§ 627.300 Scope and purpose.

This subpart sets forth requirements for allowable payments to JTPA participants under titles I and II. These include needs-based payments under title II, incentive and bonus payments under title II, work-based training payments under title II, and payments for combined activities under title II. Requirements for supportive services under titles I, II, and III, including financial assistance and needs-related payments, are also included in this subpart. This subpart also sets forth rules for benefits and working conditions for JTPA participants. These include requirements for: Compliance with applicable labor laws; workers’ compensation coverage or medical and accident insurance where there is no State workers’ compensation coverage; and working conditions which are not detrimental to the participant’s health and safety.

§ 627.305 Payments.

(a)(1) General. Allowable types of payments which may be made to participants are: Needs-based payments for eligible individuals in programs under title II; incentive and bonus payments for participants in title II programs; work-based training payments for work experience, entry employment experience, internships and other work-based training activities; payments for participants in title II–B activities; and training payments for combined activities in title II programs. These payments shall be made in accordance with paragraphs (b) through (f) of this section.

(2) A participant shall receive no payments for training activities in which the participant fails to participate without good cause (section 142(a)(1)).

(3) The SDA shall ensure to the extent possible that similarly situated participants receive similar payments.
§ 627.310 Supportive services.

(a)(1) The SDA or SSG shall develop a policy on supportive services in accordance with the definition at section 4(24) of the Act. This policy shall be included in the job training plan approved by the Governor (section 4(24)). Supportive services may be provided to participants through in-kind or cash assistance, or by arrangement with another human service agency when necessary to enable an individual who is eligible for training under a JTPA assisted program, but who cannot afford to pay for such services, to participate in such JTPA-assisted program.

(2) In the event that an SDA or SSG adopts a policy of providing a fixed reimbursement for a particular supportive service to all participants, it shall, as part of its policy, state the rationale for its choice and the fixed amounts it has adopted.

(b) Limited supportive services may be provided to applicants in order to permit them to complete the application process.

(c) Necessary supportive services shall be recorded in a participant’s ISS under title II or should be recorded in a participant’s individual readjustment plan under title III. When supportive services are provided in accordance with paragraph (b) of this section, information on any supportive service provided may be maintained for future inclusion in an ISS.

(d) The SDA or SSG shall ensure, to the extent possible, that similarly situated participants receive similar supportive services.

(e) For title II participants, necessary supportive services (with the exception of financial assistance) may be provided for up to one year following termination as post-termination or followup services (sections 4(24), 204(b)(2)(J), and 204(c)(4)). For title III participants, broadly defined for this subsection as all funds distributed to participants except OJT wages, shall not be considered as income for the purposes of determining eligibility for and the amount of income transfer and in-kind aid furnished under any Federal or federally assisted program based on need, other than as provided under the Social Security Act (section 142(b)).

(5) The SDA is responsible for meeting any applicable Internal Revenue Service and Fair Labor Standards Act requirements (section 142(a)(3)).

(6) An SDA may set fixed levels for any non-wage payment.

(b) Needs-based payments. (1) Participants in programs funded under title II may receive needs-based payments when such payments are necessary to enable the individual to participate in training programs. Payments shall be made in accordance with a locally developed policy which is included in the job training plan approved by the Governor.

(2) The individual determination of participants’ needs-based payments and the amount of such payments shall be based upon the results of the continuing objective assessment and determined in accordance with a locally developed policy. The provisions and amount of such payments shall be recorded in the ISS.

(c) Incentive and bonus payments. Participants in programs funded under title II may receive incentive and bonus payments based on their attendance and performance in accordance with a locally developed policy. The policy shall be described in the job training plan approved by the Governor and shall include a specification of the requirements for the receipt of such payments and the level of payments.

(d) Work-based training payments. Individuals participating in work experience, in entry employment experience programs, in limited internships for youth in the private sector, or in other work-based training activities under title II of the Act may receive work-based training payments which may be wages.

(e) Summer participants may receive training payments for participation in activities under title II-B.

(f) Training payments for combined activities. For title II programs, participants in one of the activities described in paragraph (d) of this section for which work-based training payments are payable for more than 50 percent of the participant’s time, including classroom training, may also receive training payments for hours of participation in classroom training.
participants, the provisions at section 314(c)(15) of the Act shall apply.

(f) An SDA or SSG may set fixed levels of benefit for any supportive service.

(g)(1) For purposes of title II, financial assistance is defined as a general supportive service payment for the purpose of retaining participants in training.

(2) Financial assistance payments may be considered to be necessary for participation in training for title II participants, i.e., a separate, individual determination of need is not necessary.

(h) Needs-related payments. The requirements pertaining to needs-related payments provided for under section 315(b) under title III of the Act, are described in part 631 of this chapter.

§627.315 Benefits and working conditions.

(a) In the development and conduct of programs funded under the Act, SDA’s and SSG’s shall ensure that participants are not assigned to work for employers which do not comply with applicable labor laws, including wage and hour, occupational health and safety, and child labor laws (29 CFR part 570).

(b) To the extent that a State workers’ compensation law is applicable, workers’ compensation benefits in accordance with such law shall be available with respect to injuries suffered by participants. Where a State’s workers’ compensation law is not applicable, recipients and subrecipients shall secure insurance coverage for injuries suffered by such participants in all JTPA work-related activities. Income maintenance coverage (e.g., contributions to unemployment compensation), is not required for participants (section 143(a)(3)).

(c) Where a participant is engaged in activities not covered under the Occupational Safety and Health Act of 1970, as amended, the participant shall not be required or permitted to work, be trained, or receive services in buildings or surroundings or under working conditions which are unsanitary, hazardous, or dangerous to the participant’s health or safety. A participant employed or trained for inherently dangerous occupations, e.g., fire or police jobs, shall be assigned to work in accordance with reasonable safety practices (section 143(a)(2)).

Subpart D—Administrative Standards

§627.400 Scope and purpose.

This subpart establishes the administrative and financial standards and requirements that apply to funds received under the Act.

§627.405 Grant agreement and funding.

(a)(1) Pursuant to §627.200 of this part and the Governor/Secretary agreement, each program year there will be executed a grant agreement signed by the Governor or the Governor’s designated representative and the Secretary or the Secretary’s designated representative (Grant Officer).

(2) The grant agreement described in paragraph (a)(1) of this section shall be the basis for Federal obligation of funds for the program year for programs authorized by titles I, II, and III, including any title III discretionary projects awarded to the State, and such other funds as the Secretary may award under the grant.

(b) Funding. The Secretary shall allot funds to the States in accordance with sections 162, 202, 252, 262, and 302 of the Act. The Secretary shall obligate such allotments through Notices of Obligation.

(c) Pursuant to instructions issued by the Secretary, additional funds may be awarded to States for the purpose of carrying out the administrative activities described in section 202(c)(1)(A) when a State receives an amount under such section that is less than $500,000.

(d) Termination. Each grant shall terminate when the period of availability for expenditure (funding period), as specified in section 161(b) of the Act, has expired and shall be closed in accordance with §627.485 of this part, Closeout.

§627.410 Reallocation and reallocation.

(a)(1) The Governor shall reallocate title II–A and II–C funds among service delivery areas within the State in accordance with the provisions of section
§627.415 Insurance.

(a) General. Each recipient and subrecipient shall follow its normal insurance procedures except as otherwise indicated in this section and §627.465, Property Management Standards.

(b) DOL assumes no liability with respect to bodily injury, illness, or any other damages or losses, or with respect to any claims arising out of any activity under a JTPA grant or agreement whether concerning persons or property in the recipient's or any subrecipient's organization or that of any third party.

§627.420 Procurement.

(a) General. (1) For purposes of this section, the term procurement means the process which leads to any award of JTPA funds.

(2) The Governor, in accordance with the minimum requirements established in this section, shall prescribe and implement procurement standards to ensure fiscal accountability and prevent waste, fraud, and abuse in programs administered under this Act.

(3) When procuring property and services, a State shall follow the same policies and procedures it uses for procurements from its non-Federal funds, provided that the State's procurement procedures also comply with the minimum requirements of this section.

(4) Each subrecipient shall use its own procurement procedures which reflect applicable State and local laws and regulations, provided that the subrecipient's procurement procedures also comply with the requirements of this section and the standards established by the Governor, pursuant to paragraph (a)(2) of this section.

(5) States and subrecipients shall not use funds provided under JTPA to duplicate facilities or services available in the area (with or without reimbursement) from Federal, State, or local sources, unless it is demonstrated that the JTPA-funded alternative services or facilities would be more effective or more likely to achieve performance goals (sections 107(b) and 141(h)).

(6) Awards are to be made to responsible organizations possessing the demonstrated ability to perform successfully under the terms and conditions of a proposed subgrant or contract. A determination of demonstrated ability shall be done in accordance with the requirements contained in §627.422 (b) and (d).

(b) Competition. (1) Each State and subrecipient shall conduct procurements in a manner which provides full and open competition. Some of the situations considered to be restrictive of competition include, but are not limited to:

(i) Placing unreasonable requirements on firms or organizations in order for them to qualify to do business;

(ii) Requiring unnecessary experience and excessive bonding;

(iii) Noncompetitive pricing practices between firms or organizations or between affiliated companies or organizations;

(iv) Noncompetitive awards to consultants that are on retainer contracts;

(v) Organizational conflicts of interest;

(vi) Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance of other relevant requirements of the procurement;

(vii) Overly restrictive specifications; and

(viii) Any arbitrary action in the procurement process.
§ 627.420  

(2) Each State and subrecipient shall have written procedures for procurement transactions. These procedures shall ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured (including quantities). Such description shall not, in competitive procurements, contain features which unduly restrict competition; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(3) Each State and subrecipient shall ensure that all prequalified lists of persons, firms, or other organizations which are used in acquiring goods and services are current and include sufficient numbers of qualified sources to ensure maximum open and free competition.

(c) Conflict of interest. (1) Each recipient and subrecipient shall maintain a written code of standards of conduct governing the performance of persons engaged in the award and administration of JTPA contracts and subgrants. To the extent permitted by State or local law or regulation, such standards of conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the awarding agency’s officers, employees, or agents, or by awardees or their agents.

(2) Staff conflict of interest. Each recipient and subrecipient shall ensure that no individual in a decisionmaking capacity shall engage in any activity, including participation in the selection, award, or administration of a subgrant or contract supported by JTPA funds if a conflict of interest, real or apparent, would be involved.

(3) PIC conflict of interest. (i) A PIC member shall not cast a vote, nor participate in any decisionmaking capacity, on the provision of services by such member (or any organization which that member directly represents), nor on any matter which would provide any direct financial benefit to that member.

(ii) Neither membership on the PIC nor the receipt of JTPA funds to provide training and related services shall be construed, by itself, to violate provisions of section 141(f) of the Act or §627.420.

(4) A conflict of interest under paragraphs (c) (2) and (3) of this section would arise when:

(i) The individual,

(ii) Any member of the individual’s immediate family,

(iii) The individual’s partner, or

(iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm or organization selected for award.

(5) The officers, employees, or agents of the agency and PIC members making the award will neither solicit nor accept gratuities, favors, or anything of monetary value from awardees, potential awardees, or parties to subagreements. States and subrecipients may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value.

(d) Methods of procurement. (1) Each State and subrecipient shall use one of the following methods of procurement, as appropriate for each procurement action:

(i) Small purchase procedures—simple and informal procurement methods for securing services, supplies, or other property that do not cost more than $25,000 in the aggregate. Recipients and subrecipients shall not break down one purchase into several purchases merely to be able to use small purchase procedures. The Governor shall establish standards for small purchase procedures to ensure that price or rate quotations will be documented from an adequate number of qualified sources.

(ii) Sealed bids (formal advertising)—bids are publicly solicited procurements for which a firm-fixed-price award (lump sum or unit price) or other fixed-price arrangement is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The Governor shall establish standards for sealed bids which include requirements that invitations for bids be publicly advertised, and that bids be solicited from an adequate number of organizations.
(iii) Competitive proposals—normally conducted with more than one source submitting an offer and either a fixed-price or cost-reimbursement type award is made. The Governor shall establish standards for competitive proposals which include requirements for the establishment of a documented methodology for technical evaluations and award to the responsible offeror whose proposals are most advantageous to the program with price, technical, and other factors considered.

(iv) Noncompetitive proposals (sole source)—procurement through solicitation of a proposal from only one source, the funding of an unsolicited proposal, or when, after solicitation of a number of sources, competition is determined inadequate. Each State and subrecipient shall minimize the use of sole source procurements to the extent practicable, but in every case the use of sole source procurements shall be justified and documented. On-the-job training (OJT) awards (except OJT brokering awards, which shall be selected competitively) and the enrollment of individual participants in classroom training may be sole sourced. For all other awards, procurement by noncompetitive proposals may be used only when the award is infeasible under small purchase procedures, sealed bids, or competitive proposals and one of the following circumstances applies:
  (A) The item or service is available only from a single source;
  (B) The public exigency or emergency need for the item or service does not permit a delay resulting from competitive solicitation;
  (C) For SDAs, SSGs and subrecipients, the awarding agency authorizes noncompetitive proposals; for States, the noncompetitive proposal is approved through the State's normal sole source approval process;
  (D) After solicitation of a number of sources, competition is determined inadequate;

(2) Pass Throughs—The procurement rules do not apply to pass throughs of monies from any unit of State or local government (or SDA or SSG administrative entities) to other such units, such as a local educational agency or public housing authority. To qualify as a pass through, the receiving entity must either further pass through the monies to another such entity or procure services in accordance with the procurement rules.

(e) Cost or price analysis. (1) Each recipient, in accordance with the minimum requirements established in this section, shall establish standards on the performance of cost or price analysis.

(2) Each recipient and subrecipient shall perform a cost or price analysis in connection with every procurement action, including modifications (except for modifications where a determination has been made that they do not have a monetary impact). The method and degree of analysis depends on the facts surrounding the particular procurement and pricing situation. At a minimum, the awarding agency shall make independent estimates before receiving bids or proposals. A cost analysis is necessary when the offeror is required to submit the elements of the estimated cost (e.g., as in the case of subrecipient relationships), when adequate price competition is lacking, and for sole source procurements, including modifications or change orders. A price analysis shall be used when price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation (including situations involving inadequate price competition and sole source procurements where a price analysis may be used in lieu of a cost analysis). When a cost analysis is necessary and there is inadequate price competition, the offeror shall certify that to the best of its knowledge and belief, the cost data are accurate, complete, and current at the time of agreement on price. Awards or modifications negotiated in reliance on such data should provide the awarding agency a right to a price adjustment to exclude any significant sum by which the price was increased because the awardee had knowingly submitted data that were not accurate, complete, or current as certified.

(3) JTPA procurements shall not permit excess program income (for nonprofit and governmental entities) or
excess profit (for private for-profit entities). If profit or program income is included in the price, the awarding agency shall negotiate profit or program income as a separate element of the price for each procurement in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit or program income, consideration shall be given to:

(i) The complexity of the work to be performed;
(ii) The risk borne by the awardee;
(iii) The offeror’s investment;
(iv) The amount of subcontracting/subgranting;
(v) The quality of the offeror’s record of past performance;
(vi) Industry profit rates in the surrounding geographical area for similar work; and
(vii) Market conditions in the surrounding geographical area.

(4) Each recipient and subrecipient may charge to the agreement only those costs which are consistent with the allowable cost provisions of §627.435 of this part, including the guidelines issued by the Governor, as required at §627.435(i) of this part.

(5) The cost plus a percentage of cost method shall not be used.

(f) Oversight. (1) Each recipient and subrecipient shall conduct and document oversight to ensure compliance with the procurement standards, in accordance with the requirements of §627.475 of this part, Oversight and monitoring.

(2) Each recipient and subrecipient shall maintain an administration system which ensures that vendors and subrecipients perform in accordance with the terms, conditions, and specifications of their awards.

(g) Transactions between units of government. (1) Except as provided in paragraph (g)(2) of this section, procurement transactions between units of State or local governments, or any other entities organized principally as the administrative entity for service delivery areas or substate areas, shall be conducted on a cost reimbursable basis. Cost plus type awards are not allowable.

(2) In the case of procurement transactions with schools that are a part of these entities, such as State universities and secondary schools, when tuition charges or entrance fees are not more than the educational institution’s catalogue price, necessary to receive specific training, charged to the general public to receive the same training, and for training of participants, the tuition and/ or entrance fee does not have to be broken out by items of cost.

(h) Award provisions. Each recipient and subrecipient agreement shall:

(1) Clearly specify deliverables and the basis for payment; and

(2) In the case of awards to subrecipients, contain clauses that provide for:

(i) Compliance with the JTPA regulations;

(ii) Assurance of nondiscrimination and equal opportunity as found in 29 CFR 34.20, Assurance required; duration of obligation; covenants.

(3) In the case of awards to vendors, contain clauses that provide for:

(i) Access by the recipient, the subrecipient, the Department of Labor, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records (including computer records) of the contractor or subcontractor which are directly pertinent to charges to the program, in order to conduct audits and examinations and to make excerpts, transcripts, and photocopies; this right also includes timely and reasonable access to contractor’s and subcontractor’s personnel for the purpose of interviews and discussions related to such documents;

(4) In the case of awards to both subrecipients and vendors, contain clauses that provide for:

(i) Administrative, contractual, or legal remedies in instances where contractors/subgrantees violate or breach agreement terms, which shall provide for such sanctions and penalties as may be appropriate;

(ii) Notice of 29 CFR 97.34 requirements pertaining to copyrights (agreements which involve the use of copyrightable materials or the development of copyrightable materials);

(iii) Notice of requirements pertaining to rights to data. Specifically,
§ 627.422 Selection of service providers.

(a) Service providers selected under titles I, II, and III of the Act shall be selected in accordance with the provisions of section 107 of the Act, except that section 107(d) shall not apply to training under title III.

(b) Consistent with the requirements of this section, the Governor shall establish standards to be followed by recipients and subrecipients in making determinations of demonstrated performance, prior to the award of all agreements under titles I, II, and III of the Act. These standards shall comply with the requirements of this section, § 627.420, of this part, Procurement, and section 164(a)(3) of the Act. The standards shall require that determinations of demonstrated performance will be in writing, and completed prior to the award of an agreement.

(c) Each recipient and subrecipient, to the extent practicable, shall select service providers on a competitive basis, in accordance with the standards established in § 627.420(b) of this part, Procurement. When a State, SDA, SSG, or administrative entity determines that services other than intake and eligibility determination will be provided by its own staff, a determination shall be made of the demonstrated performance of the entity to provide the services. This determination: Shall be in writing: shall take into consideration the matters listed in paragraph (d) of this section; and may, if appropriate, be documented and described in the Job Training Plan, GCSSP, or EDWAA plan.

(d) Awards are to be made to organizations possessing the demonstrated ability to perform successfully under the terms and conditions of a proposed subgrant or contract. Where comparable proposals have been received from an offeror which has demonstrated performance and a high-risk recipient/subrecipient, and a determination has been made that both proposals are fundable, the award should be made to the offeror which has demonstrated performance, unless other factors dictate a contrary result. Determinations of demonstrated performance shall be in writing, and take into consideration such matters as whether the organization has:

(1) Adequate financial resources or the ability to obtain them;
(2) The ability to meet the program design specifications at a reasonable cost, as well as the ability to meet performance goals;
(3) A satisfactory record of past performance (in job training, basic skills training, or related activities), including demonstrated quality of training;
reasonable drop-out rates from past programs; where applicable, the ability to provide or arrange for appropriate supportive services as specified in the ISS, including child care; retention in employment; and earning rates of participants;

(4) For title II programs, the ability to provide services that can lead to the achievement of competency standards for participants with identified deficiencies;

(5) A satisfactory record of integrity, business ethics, and fiscal accountability;

(6) The necessary organization, experience, accounting and operational controls; and

(7) The technical skills to perform the work.

(e) In selecting service providers to deliver services in a service delivery area/substate area, proper consideration shall be given to community-based organizations (section 107(a)). These community-based organizations, including women’s organizations with knowledge about or experience in non-traditional training for women, shall be organizations which are recognized in the community in which they are to provide services. Where proposals are evenly rated, and one of these proposals has been submitted by a CBO, the tie breaker may go to the CBO.

(f) Appropriate education agencies in the service delivery area/substate area shall be provided the opportunity to provide educational services, unless the administrative entity demonstrates that alternative agency(ies) or organization(s) would be more effective or would have greater potential to enhance the participants’ continued educational and career growth (section 107(c)). Where proposals are evenly rated, and one of these proposals has been submitted by an educational institution, the tie breaker shall go to the educational institution.

(g) In determining demonstrated performance of institutions/organizations which provide training, such performance measures as retention in training, training completion, job placement, and rates of licensure shall be taken into consideration.

(h) Service providers under agreements to conduct projects under section 123(a)(2) shall be selected in accordance with the requirements of this section.

(i) The requirements of section 204(d)(2)(B) shall be followed in entering into agreements to provide services for older individuals funded under title II, part A.

(j) Additional requirements for selection of service providers by substate grantees are described at section 313(b)(6) of the Act and §631.52 of this chapter.

(k) Amounts for service providers. Each SDA/SSG shall ensure that, for all services provided to participants through contracts, grants, or other agreements with a service provider, such contract, grant, or agreement shall include appropriate amounts necessary for administration and supportive services (section 108(b)(5)).

(l) When a State, SDA or SSG has a policy of awarding additional points to proposals received from such organizations as minority business enterprises and women-owned businesses, and this policy is generally applicable to its other funds, the State, SDA or SSG may apply this policy to the JTPA funds.

§627.423 Funding restrictions for “high-risk” recipients and sub-recipients.

(a) A recipient or subrecipient may be considered “high-risk” if an awarding agency determines that the recipient or subrecipient is otherwise responsible, but:

(1) Has a history of unsatisfactory performance;

(2) Is not financially stable;

(3) Has a management system which does not meet the management standards set forth in this part; or

(4) Has not conformed to terms and conditions of a previously awarded grant or subgrant.

(b) If the awarding agency determines that an award will be made to a “high-risk” recipient or subrecipient, then special funding restrictions that address the “high-risk” status may be included in the award. Funding restrictions may include, but are not limited to:

(1) Payment on a reimbursement basis;
20 CFR Ch. V (4–1–01 Edition)

§ 627.424 Prohibition of subawards to debarred and suspended parties.

(b) Recipients and subrecipients shall comply with the applicable requirements of the Department of Labor regulations at 29 CFR part 98.

§ 627.425 Standards for financial management and participant data systems.

(a)(1) General. The financial management system and the participant data system of each recipient and subrecipient shall provide federally required records and reports that are uniform in definition, accessible to authorized Federal and State staff, and verifiable for monitoring, reporting, audit, program management, and evaluation purposes (sections 165(a)(1) and (2), and 182).

(2) An awarding agency may review the adequacy of the financial management system and participant data system of any recipient/subrecipient as part of a preaward review or at any time subsequent to award.

(b) Financial systems. Recipients and subrecipients shall ensure that their own financial systems as well as those of their subrecipients provide fiscal control and accounting procedures that are:

(1) In accordance with generally accepted accounting principles applicable in each State including:

(i) Information pertaining to subgrant and contract awards, obligations, unobligated balances, assets, liabilities, expenditures, and income;

(ii) Effective internal controls to safeguard assets and assure their proper use;

(iii) A comparison of actual expenditures with budgeted amounts for each subgrant and contract;

(iv) Source documentation to support accounting records; and

(v) Proper charging of costs and cost allocation; and

(2) Sufficient to:

(i) Permit preparation of required reports;

(ii) Permit the tracing of funds to a level of expenditure adequate to establish that funds have not been used in violation of the applicable restrictions on the use of such funds;

(iii) As required by section 165(g), permit the tracing of program income, potential stand-in costs and other funds that are allowable except for funding limitations, as defined in §627.480(f) of this part, Audits; and

(iv) Demonstrate compliance with the matching requirement of section 123(b)(2).

(c) Applicant and participant data systems. Each recipient and subrecipient shall ensure that records are maintained:

(1) Of each applicant for whom an application has been completed and a formal determination of eligibility or ineligibility made;

(2) Of each participant’s enrollment in a JTPA-funded program in sufficient detail to demonstrate compliance with the relevant eligibility criteria attending a particular activity and with the restrictions on the provision and duration of services and specific activities imposed by the Act; and
(3) Of such participant information as may be necessary to develop and measure the achievement of performance standards established by the Secretary.

§ 627.430 Grant payments.

(a) Except as provided in paragraph (b) of this section, JTPA grant payments shall be made to the Governor in accordance with the Cash Management Improvement Act of 1990 (31 U.S.C. 6501, et seq.), Department of Treasury regulations at 31 CFR part 205, and the State Agreement entered into with the Department of the Treasury.

(b) Basic standard. Except as provided in paragraphs (d) and (e) of this section, each recipient and subrecipient shall be paid in advance, provided it demonstrates the willingness and ability to limit advanced funds to the actual immediate disbursement needs in carrying out the JTPA program.

(c) Advance payments. To the maximum extent feasible, each subrecipient shall be provided advance payments via electronic funds transfer, following the procedures of the awarding agency.

(d) Reimbursement. (1) Reimbursement is the preferred method when the requirements in paragraph (b) of this section are not met.

(2) Each recipient shall submit requests for reimbursement in accordance with the provisions at 31 CFR part 205.

(2) Each subrecipient shall submit requests for reimbursement in accordance with requirements established by the awarding agency.

(2) Each subrecipient shall be paid as promptly as possible after receipt of a proper request for reimbursement.

(e) Working capital advance payments. If a subrecipient cannot meet the criteria for advance payments described in paragraph (b) of this section, and the awarding agency has determined that reimbursement is not feasible because the subrecipient lacks sufficient working capital, the awarding agency may provide cash on a working capital advance payment basis. Under this procedure, the awarding agency shall advance cash to the subrecipient to cover its estimated disbursement needs for an initial period, generally geared to the subrecipient’s disbursing cycle. In no event may such an advance exceed 20 percent of the award amount. Thereafter, the awarding agency shall reimburse the subrecipient for its actual cash disbursements. The working capital advance method of payment shall not be used by recipients or subrecipients if the reason for using such method is the unwillingness or inability of the recipient or subrecipient to provide timely advances to the subrecipient to meet the subrecipient’s actual cash disbursements.

(g) Cash depositories. (1) Consistent with the national goal of expanding the opportunities for minority business enterprises, each recipient and subrecipient is encouraged to use minority-owned banks (a bank which is at least 50 percent owned by minority group members). Additional information may be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A recipient or subrecipient shall not be required to maintain a separate bank account but shall separately account for Federal funds on deposit.

(h) Interest earned on advances. (1) An interest liability shall accrue on advance payments between Federal agencies and State governments, as provided by the Cash Management Improvement Act (31 U.S.C. 6501, et seq.) and implementing regulations at 31 CFR part 205.

(2) Each recipient and subrecipient shall account for interest earned on advances of Federal funds as program income, as provided at §627.450 of this part, Program income.

§ 627.435 Cost principles and allowable costs.

Credits received after the funding period shall be returned to the Department as provided for at § 627.490(b).

(e) The following costs are not allowable charges to the JTPA program:

(f)(1) The cost of legal expenses required in the administration of grant programs is allowable. Legal expenses include the expenses incurred by the JTPA system in the establishment and maintenance of a grievance system, including the costs of hearings and appeals, and related expenses such as lawyers’ fees. Legal expenses does not include costs resulting from, and after, the grievance process such as fines and penalties, which are not allowable, and settlement costs, which are allowable to the extent that such costs included in the settlement would have been allowable if charged to the JTPA program at the time they were incurred.

(2) Legal services furnished by the chief legal officer of a State or local government or staff solely for the purpose of discharging general responsibilities as a legal officer are unallowable.

(3) Legal expenses for the prosecution of claims against the Federal Government, including appeals to an Administrative Law Judge, are unallowable.

(4) Costs of travel and incidental expenses incurred by volunteers are allowable provided such costs are incurred for activities that are generally consistent with section 204(c)(6) of the Act.

(g) Contributions to a reserve for a self-insurance program, to the extent that the type and extent of coverage and the rates and premiums would have been allowed had insurance been purchased to cover the risks, are allowable.

(i) The Governor shall prescribe and implement guidelines on allowable costs for SDA, SSG, and statewide programs that are consistent with the cost principles and allowable costs provisions of paragraphs (a) through (h) of this section and that include, at a minimum, provisions that specify the extent to which the following cost items are allowable or unallowable JTPA costs and, if allowable, guidelines on conditions or the extent of allowability, documentation requirements, and any prior approval requirements applicable to such cost items.

(5) Program income not used in accordance with the requirements of this section shall be remitted to the Department of Labor.

(d) Program and other income after the funding period. Rental income and user fees on real and personal property acquired with JTPA funds shall continue to be JTPA program income in subsequent funding periods. (1) Impose the time limitation requirement of section 165(e) of the Act; or

(2) Require that subrecipient records for each funding period be retained for 3 years after the subrecipient submits to the awarding agency its final expenditure report for that funding period. Records for nonexpendable property shall be retained for a period of three years after final disposition of the property.

(b) The Governor shall ensure that the records under this section shall be retained beyond the prescribed period if any litigation or audit is begun or if a claim is instituted involving the grant or agreement covered by the records. In these instances, the Governor shall ensure that the records shall be retained until the litigation, audit, or claim has been finally resolved.

In determining failure, the specified proportion shall be applied separately to each year of the two year cycle.

(d)(1) If the Governor does not impose a reorganization plan, required by paragraph (c)(4) of this section, within 90 days of notifying the Grant Officer of an SDA’s continued failure to meet performance standards, the Grant Officer shall develop and impose such a plan (section 106(j)(5)).

(2) Before imposing a reorganization plan, the Grant Officer shall notify the Governor and SDA in writing of the intent to impose the plan and provide both parties the opportunity to submit comments within 30 days of receipt of the Grant Officer’s notice.

(4) The Secretary shall accept the appeal and make a decision only with regard to determining whether or not the decision to impose the reorganization plan is inconsistent with section 106 of the Act. The Secretary may consider any comments submitted by the Governor or the SDA, as appropriate. The Secretary shall make a final decision within 60 days after this appeal is received (section 106(j)).

§ 627.475 Oversight and monitoring.

(a) The Secretary may monitor all recipients and subrecipients of financial assistance pursuant to section 163 of the Act.

(b) The Governor is responsible for oversight of all SDA and SSG activities and State-supported programs. The Governor shall develop and make available for review a State monitoring plan. The plan shall specify the mechanism which:

   (3) Maintain an audit resolution file documenting the disposition of reported questioned costs and corrective actions taken for all findings. The ETA Grant Officer may request that an audit resolution report, as specified in paragraph (e)(2) of this section, be submitted for such audits or may have the audit resolution reviewed through the compliance review process.

(f) If the recipient intends to propose the use of “stand-in” costs as substitutes for otherwise unallowable costs, the proposal shall be included with the audit resolution report. To be considered, the proposed “stand-in” costs shall have been reported as uncharged JTPA program costs, included within the scope of the audit, and accounted for in the auditee’s financial system, as required by §627.425 of this part, Standards for financial management and participant data systems. To be accepted, stand-in costs shall be from the same title, and program year as the costs which they are proposed to replace, and shall not result in a violation of the applicable cost limitations.

(g) After receiving the audit resolution report, the ETA Grant Officer shall review the report, the recipient’s disposition, and any liability waiver request submitted in accordance with §627.704 of this part. If the Grant Officer agrees with all aspects of the recipient’s disposition of the audit, the Grant Officer shall so notify the recipient. If the Grant Officer agrees with all aspects of the recipient’s disposition of the audit, the Grant Officer shall so notify the recipient, constituting final agency action on the audit. If the Grant Officer disagrees with the recipient’s conclusion on specific points in the audit, or if the recipient fails to submit its audit resolution report, the Grant Officer shall resolve the audit through the initial and final determination process described in §627.606 of this part. Normally, the Grant Officer’s notification of agreement (a concurrence letter) or disagreement (an initial determination) with the recipient’s audit resolution report will be provided within 180 days of the Grant Officer’s receipt of the report.

The Grant Officer may extend this deadline if the recipient submits a written request with justification. After that time, the Grant Officer shall consider all reports received as final and no additional revisions may be made.

(c) When closing out a JTPA grant, the Grant Officer shall notify the recipient, by certified mail, that, since the time limitation for expenditure of funds covered by the grant award has expired, it is the Department of Labor’s intent to close the annual grant as follows:

(1) Cost adjustment. Based on receipt of reports in paragraph (b) of this section, the Grant Officer shall make upward or downward adjustments to the allowable costs; and

(e) At the end of the 60-day period described in paragraph (d) of this section, the Grant Officer shall notify the recipient that closeout has occurred, unless information provided by the recipient, pursuant to paragraph (d) of this section, indicates otherwise.

§ 627.490 Later disallowances and adjustments after closeout.

The closeout of a grant does not affect:

(a) The Grant Officer’s right to disallow costs and recover funds on the basis of a later audit or other review;

(b) The recipient’s obligation to return any funds due as a result of later refunds, corrections, subrecipient audit disallowances, or other transactions;

(c) The SDA and SSG procedures shall provide for a decision within 60 days of the filing of the complaint.

§ 627.503 Recipient-level review.

(a) If a complainant does not receive a decision at the SDA or the SSG level within 60 days of filing the complaint or receives a decision unsatisfactory to the complainant, the complainant shall have the right to request a review of the complaint by the recipient. The recipient shall issue a decision within 30 days of receipt of the complaint.

(b) The recipient shall also provide for an independent review, by a reviewer who is independent of the JTPA program, of a complaint initially filed at the recipient level on which a decision was not issued within 60 days of receipt of a complaint or on which the complainant has received an adverse decision. A decision shall be made within 30 days of receipt by the recipient.

(c) A request for review under the provisions of paragraphs (a) or (b) of this section shall be filed within 10 days of receipt of the adverse decision or, if no timely decision is rendered, within 15 days from the date on which the complainant should have received a timely decision.

(2) If an employer is required to use a certain grievance procedure under a covered collective bargaining agreement, then those procedures should be followed for the handling of JTPA complaints under this section.

(c) An employer grievance system shall provide for, upon request by the complainant, a review of an employer’s decision by the SDA, or the SSG under this subpart, except as provided for in paragraph (b)(2) of this section. Employers shall inform participants of the grievance procedures they are to follow when the participant begins employment.

§ 627.601 Complaints and allegations at the Federal level.
(a) The types of complaints and allegations that may be received at the Federal level for review include:

(1) Complaints for which the recipient has failed to issue a timely decision as required by §627.503 of this part;

(2) Alleged violations of the Act and/or the regulations promulgated thereunder resulting from Federal, State, and/or SDA and SSG monitoring and oversight reviews;

(3) Alleged violations of the labor standards provisions at section 143 of the Act;

(4) Alleged violations of the relocation provisions in section 141(c) of the Act;

(5) Other allegations of violations of the Act or the regulations promulgated thereunder.

(b) Upon receipt of a complaint or allegation alleging any of the violations listed in paragraph (a) of this section, the Secretary may:

(1) Direct the recipient to handle a complaint through local grievance procedures established under §627.502 of this part; or

(2) Investigate and determine whether the recipient or subrecipient(s) are in compliance with the Act and regulations promulgated thereunder (section 163(b) and (c)).

(3) Allegations of violations of sections 141(c) or 143 of the Act and §627.503 of this part shall be handled under paragraph (b)(2) of this section.

§ 627.602 Resolution of investigative findings.
(a) (1) As a result of an investigation or monitoring by the Department, or of the actions specified in paragraph (b)(2) of §627.601 of this part, the Grant Officer shall notify the recipient of the findings of the investigation and shall give the recipient a period of time, not to exceed 60 days, depending on the nature of the findings, to comment and to take appropriate corrective actions.

(2) The Grant Officer shall review the complete file of the investigation and the recipient’s actions. The Grant Officer’s review shall take into account the sanction provisions of subpart G of this
§ 627.603 Special handling of labor standards violations under section 143 of the Act.

(a) A complaint alleging JTPA section 143 violations may be submitted to the Secretary by either party to the complaint when:
   (1) The complainant has exhausted the grievance procedures set forth at subpart E of this part, or
   (2) The 60-day time period specified for reaching a decision under a procedure set forth at subpart E of this part has elapsed without a decision (section 144(a) and (d)(1)).

(b)(1) The Secretary shall investigate the allegations contained in a complaint alleging violations of JTPA section 143, make a determination whether a violation has occurred, and issue a decision within 120 days of receipt by the Secretary of the complaint (section 144(c) and (d)).

   (2) If the results of the Secretary’s investigation indicate that a decision by a recipient under a procedure set forth at subpart E of this part requires modification or reversal, or that the 60-day time period for decision under section 144(a) has elapsed, the Secretary shall modify, reverse, or issue such decision.

(c) Except as provided in paragraph (d) of this section, remedies available under this section to a grievant for violations of section 143 of the Act shall be limited to:
   (1) Suspension or termination of payments under the Act;
   (2) Prohibition of placement of a participant, for an appropriate period of time, in a program under the Act with an employer that has violated section 143 of the Act, as determined under section 144(d) or (e) of the Act; and/or
   (3) Appropriate equitable relief (other than back pay) (section 144(f)(1)).

(d) Available remedies for violations of section 143(a)(4), (b)(1), (b)(3), and (d) of the Act include the remedies listed in paragraph (c) of this section, and may include the following:
   (1) Reinstatement of the grievant to the position held prior to displacement;
   (2) Payment of lost wages and benefits; and/or
   (3) Reestablishment of other relevant terms, conditions, and privileges of employment.

(e) Nothing in this section shall be construed to prohibit a grievant from pursuing a remedy authorized under another Federal, State, or local law for a violation of section 143 of the Act (section 144(g)).

§ 627.604 Alternative procedure for handling labor standards violations under section 143 of the Act—binding arbitration.

(a) A person alleging a violation of section 143 of the Act, as an alternative to processing the grievance under a procedure described at section 144 of the Act, may submit the grievance to a binding arbitration procedure, if a collective bargaining agreement covering the parties to the grievance so provides (section 144(e)(1)).

(b) A person electing to have her/his complaint on JTPA section 143 labor standard violations processed under binding arbitration provisions—
   (1) Shall choose binding arbitration before, and in lieu of, initiating a complaint under other grievance procedures established pursuant to section 144 of the Act, and
   (2) May not elect binding arbitration for a complaint that previously has
§ 627.606 Grant Officer resolution.

(a) When the Grant Officer is dissatisfied with the State’s disposition of an audit, as specified in §627.481 of this part, or other resolution of violations (including those arising out of incident reports or compliance reviews), with the recipient’s response to findings resulting from investigations pursuant to §627.503 of this part, or if the recipient fails to comply with the Secretary’s decision pursuant to §627.605(b) of this part, the initial and final determination process shall be used to resolve the matter.

(b) Initial determination. The Grant Officer shall make an initial determination on the findings for both those matters where there is agreement and those where there is disagreement with the recipient’s resolution, including the allowability of questioned costs or

§ 627.605 Special Federal review of SDA- and SSG-level complaints without decision.

(a) Should the recipient fail to provide a decision as required in §627.503 of this part, the complainant may then request from the Secretary a determination whether reasonable cause exists to believe that the Act or regulations promulgated thereunder have been violated.

(b) The Secretary shall act within 90 days of receipt of a request made pursuant to paragraph (a) of this section. Where there is reasonable cause to believe the Act or regulations promulgated thereunder have been violated, the Secretary shall direct the recipient to issue a decision adjudicating the dispute pursuant to recipient and local procedures. The Secretary’s action does not constitute final agency action and is not appealable under the Act (sections 166(a) and 144(c)). If the recipient does not comply with the Secretary’s order within 60 days, the Secretary may impose a sanction upon the recipient for failing to issue a decision.

(c) A request pursuant to paragraph (a) of this section shall be filed no later than 15 days from the date on which the complainant should have received a decision as required in §627.503 of this part. The complaint shall contain the following:

1. The full name, telephone number (if any), and address (if any) of the person making the complaint;

2. The full name and address of the respondent against whom the complaint is made;

3. A clear and concise statement of the facts, including pertinent dates, constituting the alleged violation;

4. The provisions of the Act, regulations promulgated thereunder, grant, or other agreement under the Act believed to have been violated;

5. A statement disclosing whether proceedings involving the subject of the request have been commenced or concluded before any Federal, State, or local authority, and, if so, the date of such commencement or conclusion, the name and address of the authority, and the style of the case; and

6. A statement of the date the complaint was filed with the recipient, the date on which the recipient should have issued decision, and an attestation that no decision was issued.

(d)(1) A request pursuant to paragraph (a) of this section will be considered to have been filed when the Secretary receives from the complainant a written statement sufficiently precise to evaluate the complaint and the grievance procedure used by the recipient, the SDA, or the SSG.

(2) When an imprecise request is received within the 15-day period prescribed in paragraph (a) of this section, the Secretary may extend the period for submission.
§ 627.607 Grant Officer resolution of Governor's failure to promptly take action.

(a) An allegation, whether arising from a complaint, from monitoring or other information available to the Department, that a Governor failed to promptly take remedial action of a substantial violation of the Act or the regulations under this Act, as required by §627.477 of this part, shall be promptly investigated by the Department.

(b) The Grant Officer shall notify the Governor of the findings of the investigation or monitoring and shall give the Governor a period of time, not to exceed 30 days, to comment on the nature of the findings and to take appropriate corrective actions.

(c) The Grant Officer shall review the complete file of the investigation, monitoring, and the Governor’s actions.

(d) If the Grant Officer determines that, (1) as a result financial and compliance audits or otherwise, the Governor determined that there was a substantial violation of a specific provision of the Act or the regulations under this Act, and corrective action had not been taken and, (2) the Grant Officer determines that the Governor has not taken the actions required by §627.477(a), the Grant Officer shall take such actions required by §627.477(a).

(e) The Grant Officer’s determination, unless a hearing is requested, constitutes final agency action and is not subject to further review. (Section 164(b)(3)).
§ 627.700 Purpose and scope.

This subpart describes the sanctions and appropriate corrective actions that may be imposed by the Secretary for violations of the Act, regulations promulgated thereunder, or grant terms and conditions (sections 106(j)(5), 164(b), (d), (e), (f), (g), and (h)).

§ 627.702 Sanctions and corrective actions.

(a) Except for actions under sections 106(j), 164(b) and (f), and 167 of the Act and the funding restrictions specified at §627.423 of this part, Funding restrictions for ‘‘high-risk’’ recipients and subrecipients, the Grant Officer shall utilize initial and final determination procedures outlined in §627.606, Grant Officer resolution, of this part to impose a sanction or corrective action.

(b) To impose a sanction or corrective action regarding a violation of section 167 of the Act, the Department shall utilize the procedures of 29 CFR part 34.

(c) To impose a sanction or corrective action for failure to meet performance standards, where the recipient has not acted as required at section 106(j)(4), the Grant Officer shall utilize the procedures set forth at §627.470 (d) and (f).

(d) To impose a sanction or corrective action for noncompliance with the procurement standards provisions set forth at §§627.420 and 627.703 of this part, where the recipient has not acted, the Grant Officer may utilize the procedures set forth at section 164(b) of the Act.

(e) To impose a sanction or corrective action for the Governor’s failure to promptly take remedial action of a substantial violation as required by §627.477 of this part, the Grant Officer shall utilize the procedure set forth in §627.607 of this part.

(f) The recipient shall be held responsible for all funds under its grant(s). The recipient shall hold subrecipients, including SDA’s and SSG’s, responsible for JTPA funds received through the grant, and may ultimately hold the units of local government which constitute the SDA or the SSG responsible for such funds.

(g) Nothing in this section shall preclude the Grant Officer from imposing a sanction directly against a subrecipient, as authorized in section 164(e)(3) of the Act. In such a case, the Grant Officer shall inform the recipient of such action.

§ 627.703 Failure to comply with procurement provisions.

(a) If, as part of the recipient’s annual on-site monitoring of its SDA’s/SSG’s, the recipient determines that an SDA/SSG is not in compliance with the procurement requirements established in accordance with the provisions at section 164(a)(3) of the Act and §627.420, of this part, Procurement, and §627.422 of this part, Selection of service providers, the recipient shall:

(1) Require corrective action to secure prompt compliance; and

(2) Impose the sanctions provided for under the provisions at paragraph (a)(2) of this section (section 164(b) if the recipient finds that the SDA/SSG has failed to take timely corrective action under paragraph (a)(1) of this section (section 164(a)(4) and (5)).

(b) An action by the recipient to impose a sanction against either an SDA or SSG, in accordance with this section, may be appealed to the Secretary under the same terms and conditions as the disapproval of the respective plan, or plan modification, as set forth at §628.426(e), Review and approval (section 164(b)(2)).

(c) If, upon a determination under paragraph (a)(2) of this section to impose a sanction under section 164(b) of the Act, the recipient fails to promptly take the actions required under paragraph (a)(2) of this section, the Secretary shall take such actions against the recipient or the SDA/SSG as appropriate (section 164(b)(3)).

§ 627.704 Process for waiver of State liability.

(a) A recipient may request a waiver of liability as described in section 164(e)(2) of the Act.

(b)(1) When the debt for which a waiver of liability is desired was established in a non-Federal resolution, such requests shall be accompanied by a resolution report.
(2) When the ETA Grant Officer is resolving the finding(s) for which a waiver of liability is desired, such request shall be made no later than the informal resolution period described in §627.606(c) of this part.

(c) A waiver of the recipient’s liability can only be considered by the Grant Officer when the misexpenditure of JTPA funds:

(1) Occurred at a subrecipient level;

(2) Was not a violation of section 164(e)(1) of the Act, or did not constitute fraud; or

(3) If fraud did exist, it was perpetrated against the recipient/subrecipient; and:

(i) The recipient/subrecipient discovered, investigated, reported, and prosecuted the perpetrator of said fraud; and

(ii) After aggressive debt collection action, it can be documented that there is no likelihood of collection from the perpetrator of the fraud.

(4) The recipient has issued a final determination which disallows the misexpenditure, the recipient’s appeal process has been exhausted, and a debt has been established; and

(5) The recipient requests such a waiver and provides documentation to demonstrate that it has substantially complied with the requirements of section 164(e)(2)(A), (B), (C), and (D) of the Act.

(d) The recipient shall not be released from liability for misspent funds under the determination required by section 164(e) of the Act unless the Grant Officer determines that further collection action, either by the recipient or subrecipient, would be inappropriate or would prove futile.

§627.708 Offset process.

(a) In accordance with section 164(d) of the Act, the primary sanction for misexpenditure of JTPA funds is repayment.

(b) A recipient may request that a debt, or a portion thereof, be offset against amounts allotted to the recipient, and retained at the recipient level for administrative costs, under the current or a future JTPA entitlement.

(1) For title II grants, any offset shall be applied against the recipient level 5 percent administrative cost set-aside only and may not be distributed by the recipient among its subrecipients.

(2) For title III grants, any such offset must be applied against that portion of funds reserved by the recipient for recipient level administration only and may not be distributed by the recipient among its subrecipients.

(c) The Grant Officer may approve an offset request, under section 164(d) of the Act, if the misexpenditures were...
Employment and Training Administration, Labor

§ 627.802 Rules of procedure.

(a) The rules of practice and procedure promulgated by the OALJ, at subpart A of 29 CFR part 18, shall govern the conduct of hearings under this section, except that a request for hearing under this section shall not be considered a complaint to which the filing of an answer by DOL or a DOL agency or official is required. Technical rules of evidence shall not apply to hearings conducted pursuant to this part; however, rules or principles designed to assure production of the most credible evidence available and to subject testimony to cross-examination shall apply.

(b) Prehearing procedures. In all cases, the ALJ should encourage the use of prehearing procedures to simplify and to clarify facts and issues.

(c) Subpoenas. Subpoenas necessary to secure the attendance of witnesses and the production of documents or things at hearings shall be obtained from the ALJ and shall be issued pursuant to the authority contained in section 163(b) of the Act, incorporating 15 U.S.C. 49.
available for review by the other parties to the proceeding either at the time ordered for any prehearing conference, or, in the absence of such an order, at least 3 weeks prior to the hearing date.

(e) Burden of production. The Grant Officer shall have the burden of production to support her or his decision. To this end, the Grant Officer shall prepare and file an administrative file in support of the decision which shall be made part of the record. Thereafter, the party or parties seeking to overturn the Grant Officer’s decision shall have the burden of persuasion.

§ 627.803 Relief.

In ordering relief, the ALJ shall have the full authority of the Secretary under section 164 of the Act.

§ 627.804 Timing of decisions.

The ALJ should render a written decision not later than 90 days after the closing of the record.

§ 627.805 Alternative dispute resolution.

(a) Parties to a complaint under § 627.801 of this part, Procedures for filing a request for hearing, may choose to waive their rights to an administrative hearing before the OALJ by choosing to transfer the settlement of their dispute to an individual acceptable to all parties for the purpose of conducting an informal review of the stipulated facts and rendering a decision in accordance with applicable law. A written decision will be issued within 60 days after the matter is submitted for informal review.

(b) The waiver of the right to request a hearing before the OALJ may be revoked if a settlement has not been reached or a decision has not been issued within the 60 days provided in paragraph (a) of this section.

(c) The decision rendered under this informal review process shall be treated as a final decision of an Administrative Law Judge pursuant to section 166(b) of the Act.

§ 627.806 Other authority.

Nothing contained in this subpart shall be deemed to prejudice the separate exercise of other legal rights in pursuit of remedies and sanctions available outside the Act.

Subpart I—Transition Provisions

§ 627.900 Scope and purpose.

(a) Regulations set forth at parts 626, 627, 628, 629, 630, 631, and 637 of 20 CFR chapter V (1993) were amended, effective December 29, 1992, and were published as an interim final rule to provide planning guidance for States and SDA’s on the changes made to the JTPA program as a result of the 1992 JTPA amendments (see 57 FR 62004 (December 29, 1992)). The transition provisions of the regulations were amended on June 3, 1992 (see 58 FR 31472, June 3, 1993). Those regulations and the statutory amendments were effective for the program year beginning July 1, 1993 (FY 1993), and succeeding program years. For FY 1992, JTPA programs and activities shall continue under the regulations set forth at 20 CFR parts 626, 627, 628, 629, 630, 631, and 637 (1992).

(b) In order to provide for the orderly transition to and implementation of the provisions of JTPA, as amended by the 1992 amendments, this subpart I applies to the use of JTPA title II and title III funds allotted by formula to the States. Additional guidance on transition matters may be provided in administrative issuances. The provisions in this subpart are operational during the transition period for implementing the 1992 JTPA amendments.

§ 627.901 Transition period.

The transition period ended June 30, 1993 unless otherwise stated. The intent of the transition period is to complete, to the extent possible, activity begun on or before June 30, 1993 under current policy and regulations and to ensure that all requirements mandated by the 1992 JTPA amendments have been implemented.

§ 627.902 Governor’s actions.

The following are actions required to be taken prior to July 1, 1993:

(a) Review current policies, practices, procedures, and delivery systems to ensure that they conform to the requirements of the amendments;

(b) Modify the Governor’s coordination and special services plan in accordance with instructions issued by the Secretary;
(c) Ensure that SDAs modify job training plans as necessary;
(d) Execute a new Governor/Secretary agreement and a new grant agreement;
(e) Issue procurement standards that comply with the Act and these regulations, as described in §627.420 of this part, Procurement;
(f) Issue instructions necessary to implement program year 1993 cost categories pursuant to §627.440 of this part, Classification of costs;
(g) Issue instructions necessary for SDAs to report program expenditures by year of appropriation pursuant to §627.455 of this part, Reports required;
(h) Certify private industry councils pursuant to §628.410 of this chapter, Private Industry Council.

§627.903 Actions which are at the discretion of the Governor.
(a) Establish a State Human Resource Investment Council (HRIC);
(b) Issue instructions to “grandparent” participants in JTPA programs as of June 30, 1993 for purposes of completing training;
(c) Issue instructions for use of PY 1992 and prior year 6 percent performance standards incentive funds to further develop and implement data collection and management information systems to track the program experience of participants. PY 1993 and subsequent performance standards incentive funds may not to be used for this purpose;
(d) Of the Title II and Title III unobligated balance of funds available as of June 30, 1993, any amount may be reprogrammed into PY 1993 activity. The Department believes these amounts will be minimal and not represent a significant proportion of the funds available. Such reprogrammed funds will be subject to requirements contained in JTPA regulations effective July 1, 1993.

§627.904 Transition and implementation.
(a) Review. The Governor shall conduct a comprehensive review of the current policies, procedures, and delivery systems relating to programs authorized under the Job Training Partnership Act for the purpose of ensuring the effective implementation of the amendments. Such a review shall include consideration of the appropriateness of current SDA designations, the representation on current State and local councils, the adequacy of current administrative systems, the effectiveness of current outreach, service delivery, and coordination activities, and other relevant matters.
(b) Governor’s Coordination and Special Services Plan (GCSSP). The GCSSP requires modification to assure conformance to the requirements of the amendments. The plan was to be modified pursuant to instructions issued by the Secretary and shall be submitted to the Secretary for review by May 15, 1993.
(c) Job training plans. Service delivery area job training plans will require modification to comply with §628.420 of this chapter, Job training plan.
(d) Governor/Secretary agreement and grant agreement. A new Governor/Secretary agreement is required to assure that the State shall comply with JTPA, as amended, and the applicable rules and regulations; the Wagner-Peyser Act, as amended, and the applicable rules and regulations. A new grant agreement is needed to provide the basis for Federal obligation of funds for programs authorized by Titles I, II, and III, and such other funds as the Secretary may award under the grant.
(e) Procurement standards. In order to ensure fiscal accountability and prevent waste, fraud, and abuse in programs administered under JTPA, as amended, the Governor shall prescribe and implement procurement standards meeting the requirements of §627.420 of this part, Procurement. All procurements initiated on or after July 1, 1993 shall be governed by and follow the requirements in §627.420 of this part. Initiation of procurement means any sole source or small purchase awarded on or after July 1, 1993 and any Invitation for Bid or Request for Proposal issued on or after July 1, 1993.
(f) Participants. In order to have the least possible disruption to program
participants, during PY 1993, Governors and SDAs have the flexibility to grand-father participants already enrolled in JTPA programs up to and including June 30, 1993 under existing rules and regulations. All participants in programs on June 30, 1993, will be eligible for transfer to programs operated under the new provisions at any time beginning on July 1, 1993. “Hard to serve” barriers to participation, assessment and Individual Service Strategy provisions of the amendments will not apply to participants enrolled prior to July 1, 1993 or to 1993 Title II–B participants.

(g) Cost categories. (1) Cost categories applicable to PY 1992 and earlier funds will be subject to prior regulations either until the funds have been exhausted or program activity has been completed. In order to assist the orderly transition to and implementation of the new requirements of the 1992 JTPA amendments, an increase is allowed in the administrative cost limitation for PY 1992 funds from 15 percent to 20 percent, with a corresponding adjustment to cost limitations for training and participant support. Specifically, not less than 80 percent of the title II–A funds shall be expended for training and participant support, and not less than 65 percent shall be expended for training.

(2) Any prior year’s carryover funds made available for use in PY 1993 will be subject to the reporting requirements and cost categories applicable to PY 1993 funds.

(3) In determining compliance with the JTPA cost limitations for PY 1992, Governors may either:

(i) Determine cost limitation compliance separately for funds expended in accordance with paragraphs (g)(1) and (g)(2) of this section; or

(ii) Determine compliance for each cost category against the total PY 1992 funds, whether expended in accordance with the Act and regulations in effect prior to the 1992 amendments to JTPA or in accordance with the amended Act and these regulations. Using this option, the total combined funds expended for training and direct training should be at least 65 percent of PY 1992 SDA allocations.

(4) In addition to the institutions specified in §627.440(d)(1)(vi)(B), the costs of tuition and entrance fees of a postsecondary vocational institution specified at section 481(c) of the Higher Education Act (20 U.S.C. 1088(c)) may be charged to direct training services through June 30, 1993, when such tuition charges or entrance fees are not more than the educational institution’s catalog price, are necessary to receive specific training, are charged to the general public to receive such training, and are for the training of participants.

(h) Financial reporting. Notwithstanding reprogramming, expenditures must be recorded separately by year of appropriation.

(i) Private Industry Council. The private industry councils shall be certified pursuant to §628.410 of this chapter, Private Industry Council.

(j) Grievances, investigations, and hearings. Generally, all grievances, investigations and hearings pending on or before June 30, 1993 should be resolved and settled under prior rules and procedures. Grievances, investigations, and hearings occurring on or after July 1, 1993 will be governed by the procedures described in subparts E, F, and H of this part 627.

(k) Summer program. (1) The Title II–B Summer Youth Employment Program for 1993 shall be governed by the Act and regulations in effect prior to the Amendments (prior to September 7, 1992).

(2) Up to 10 percent of the 1993 title II–B funds available may be transferred to the title II–C program.

(l) SDA designation. At the Governor’s discretion, SDAs designated prior to July 1, 1992 need not be subject to the provisions of §628.405, Service delivery areas.

(m) Program implementation. The implementation by the States and SDAs of certain new program design requirements, particularly objective assessment and development of individual service strategies (ISS), may require additional time to fully implement beyond July 1, 1993. Reasonable efforts to implement the provisions of §§628.515, 628.520, and 628.530, as soon as possible after July 1, 1993, are expected to be made. However, it is not expected that
every new participant will initially receive objective assessment, ISS, and referral to non-title II services for a period of 6 months, or until January 1, 1994.

(n) Out-of-school youth ratio. The 50-percent out-of-school participants requirement for title II-C will be phased in during PY 1993 and will not be the subject of compliance review until PY 1994, beginning July 1, 1994. During PY 1993, however, SDA’s must show significant improvement in the proportion of out-of-school youth being served and performance in increasing the service ratio will be monitored by the States and DOL during this implementation period.

(o) Administrative issuances. Other implementation issues may be handled by administrative issuance. ETA will transmit such guidance directly to all Governors via a Training and Employment Guidance Letter (TEGL). Such TEGL’s will be published as Notices in the FEDERAL REGISTER (section 701(i)).

§ 627.905 Guidance on contracts and other agreements.

The Department does not intend for contracts, agreements, inter-agency agreements, retainers, and similar arrangements to be negotiated and/or entered into for the sole purpose of applying previously existing rules and regulations. The 1992 JTPA amendments were effective July 1, 1993. The Department intends that contracts, awards and agreements entered into on or before June 30, 1993 are to be used to serve and/or train participants enrolled on or before June 30, 1993, unless the contracts and agreements are modified to comply with the new amendments and regulations.

§ 627.906 Determinations on State and SDA implementation.

(a) The Department expects that the States and SDA’s will fully implement the provisions of the Act and these regulations regarding procurement, cost principles, cost categories, cost limitations, participant service requirements and eligibility beginning July 1, 1993.

(b) The Department expects that the implementation by the States and SDA’s of the program design features in these regulations, particularly objective assessment and development of the ISS, may require additional time beyond July 1, 1993 to fully implement.

(c) In deciding to allow or disallow questioned costs related to the implementation of the provisions described in paragraph (b) of this section, the Grant Officer will consider the extent to which the State’s and SDA’s have made good faith efforts in properly implementing such provisions in the period July 1, 1993 through June 30, 1994.
§ 628.100 Scope and purpose of part 628.

(a) This part sets forth requirements for implementation of programs under title II of the Job Training Partnership Act, and includes the councils described in subpart B that have responsibilities under titles I, II, and III. In this part, the provisions generally pertaining to title II are covered in subparts B, C, D, and E. Matters specific to titles IIA, II–B, or II–C are addressed in subparts F, G, or H, respectively.

(b) Title II–A Adult Training programs are to prepare adults for participation in the labor force by providing job training and other services that will result in increased employment and earnings, increased occupational and educational skills, reduced welfare dependency, and result in improved long-term employability.

(c) Title II–B Summer Youth Employment and Training programs are to provide eligible youth with exposure to the world of work, to enhance the basic education skills of youth, to encourage school completion or enrollment in supplemental or alternative school programs and to enhance the citizenship skills of youth.

Regulations pertaining to the Youth Training Program can be found in subpart H of this part.

§ 628.505 Eligibility.

(a) Eligibility criteria. (1) Individuals who apply to participate in a program under title II shall be evaluated for eligibility based on age and economic disadvantage. Specific eligibility criteria for programs under title II, parts A, B, and C are described in this part.

(2) Individuals served under title II shall be residents of the SDA, as determined by local government policy, except for the limited exceptions described in the job training plan, including joint programs operated by SDA’s (section 141(e)).

(b) Eligibility documentation. (1) In order to promote the uniform and standard application of eligibility criteria for participation in the JTPA program, the Department has issued an Eligibility Documentation TAG that provides guidance on acceptable documentation.

(2) SDA utilization of eligibility guidance. When it is determined that the SDA or service provider has followed the guidance contained in the Eligibility Documentation TAG, the Grant Officer will not disallow questioned costs related to the required documentation concerning an individual’s eligibility.

§ 628.510 Intake, referrals and targeting.

(a) Collection of personal data. In addition to determining an applicant’s eligibility, the intake process shall include a preliminary review of information relating to whether an applicant is included in one or more of the categories listed in section 203(b) of the Act.

(b) Information on services. Upon application, an eligible individual shall be provided information by the SDA or its service providers on the full array of services available through the SDA and its service providers, including information for women about the opportunities for nontraditional training and employment.

(c) Assessment during intake. Some limited assessment activities may be conducted during the intake process in order to determine an eligible applicant’s suitability for title II program services. This assessment should be a method, in difficult cases, to finalize determinations for enrollment. The amount of assessment provided during intake is not restricted, however, assessment during intake shall be charged in accordance with § 627.440(d)(3).

(d) Referral of eligible applicants. During the intake process, determinations may be made prior to enrollment to refer an eligible applicant to another human service, training or education program deemed more suitable for the individual, including the Job Corps program. In these cases, information on the full array of services available in the SDA may be provided in written form with recommendations and written referrals to other appropriate programs. Copies of or notations of referrals will be maintained as documentation and may be recorded in an incomplete ISS. Further tracking or follow-up of referrals out of title II is not required.

(e) Referrals from service providers to service delivery areas for additional assessment. (1) Each service provider shall ensure that an eligible applicant who cannot be served by its particular program shall be referred to the SDA for assessment, as necessary, and suitable referral to other appropriate programs. Each service provider shall also ensure
that a participant who cannot be served by its particular program shall be referred to the SDA for further assessment, as necessary, and suitable referral to other appropriate programs, consistent with §628.515.

(2) Each SDA shall take the appropriate steps (e.g., contract provisions, local administrative issuances, and/or PIC policies) to ensure that its service providers adhere to the provisions of this section and that they maintain documentation of referrals.

(3) Each SDA shall develop an appropriate mechanism to ensure suitability screening for eligible applicants or to apply the provisions of §628.530 for participants referred by service providers and describe such mechanism in its SDA job training plan.

(f)(1) "Most in need." SDA’s that satisfy the requirements of sections 203(b) and 263(b) and (d) pertaining to hard to serve individuals shall be deemed to meet the “most in need” criteria at section 141(a) of the Act.

(2) The requirements referred to in paragraph (h)(1) of this section shall be calculated on the basis of new participants for whom services or training have been provided subsequent to the objective assessment.

(g) The SDA’s method of meeting the requirements of sections 203(b) and 263(b) pertaining to hard to serve individuals shall be implemented consistent with the equal opportunity provisions of 29 CFR part 34.

§628.515 Objective assessment.

(a) General. The requirements of this section shall apply to programs conducted under title I (i.e., sections 121 and 123) and title II, parts A, B, and C.

(b) Definition. (1) For purposes of this part, an objective assessment means an examination of the capabilities, needs, and vocational potential of a participant and is to be used to develop an individual service strategy and employment goal. Such assessment is customer-centered and a diagnostic evaluation of a participant’s employment barriers taking into account the participant’s family situation, work history, education, basic and occupational skills, interests, aptitudes (including interests and aptitudes for nontraditional occupations), attitude towards work, motivation, behavior patterns affecting employment potential, financial resources and needs, supportive service needs, and personal employment information as it relates to the local labor market.

(2) For the program under title II–B, the objective assessment shall include an examination of the basic skills and supportive service needs of each participant and may include the other areas listed in paragraph (b)(1) of this section (sections 204(a)(1)(A), 253(c)(1) and 264(b)(1)(A)).

(c) Methods of objective assessment. (1) The SDA shall choose the most appropriate means to measure skills, abilities, attitudes, and interests of the participants. The methods used in conducting the objective assessment may include, but are not limited to, structured interviews, paper and pencil tests, performance tests (e.g., skills, and/or work samples, including those that measure interest and capability to train in nontraditional employment), behavioral observations, interest and/or attitude inventories, career guidance instruments, aptitude tests, and basic skills tests.

(2) Instruments used for objective assessment may be developed at the local level; however, any formalized instruments nationally available should be used only for the specific populations for which they are normed.

(d) Updating of assessments. Objective assessment should be treated as an ongoing process. As additional relevant information relating to a participant becomes available, it should be reviewed and considered for inclusion in the individual service strategy.

(e) Other sources of objective assessment. Other non-JTPA assessments (e.g., through the Job Opportunities and Basic Skills (JOBS) program under title IV of the Social Security Act, or through schools) which have been completed within one year of application for services, and which meet the requirements of this section, may be used to comply with the requirement to assess each participant.
§ 628.520 Individual service strategy.

(a) General. The requirements of this section shall apply to programs conducted under title I (i.e., sections 121 and 123) and title II, parts A, B and C.

(b) Definition. (1) Individual service strategy (ISS) means an individual plan for a participant, which shall include an employment goal (including, for women, consideration of nontraditional employment), appropriate achievement objectives, and the appropriate combination of services for the participant based on the objective assessment conducted pursuant to § 628.515 of this part, Objective assessment.

(2) Decisions concerning appropriate services shall be customer-centered, and ensure that the participant is not excluded from training or career options consistent with the provisions of 29 CFR part 3 concerning non-discrimination and equal opportunity.

(3) For the title II–B program, the ISS may include the components specified in paragraph (b)(1) of this section (sections 204(a)(1)(B), 253(c)(2) and 264(b)(1)(B)). For purposes of titles II–B and II–C, the employment goal may be interpreted broadly and based on long-term career guidance.

(c) Joint Development of ISS. The ISS shall be developed in partnership with the participant and reflect the needs indicated by the objective assessment and the expressed interests and desires of the participant. It is not a formal contract and signatures are not a requirement.

(d) Review of ISS. The ISS shall be reviewed periodically to evaluate the progress of each participant in meeting the objectives of the service strategy, including an evaluation of the participant’s progress in acquiring basic skills, and occupational skills, as appropriate, and the adequacy of the supportive services provided.

(e) Provision of services. If JTPA resources are not sufficient to provide the full range of training or supportive services which might be identified in the ISS, the SDA shall make every reasonable effort to arrange for, through other community resources, basic and occupational skills training and supportive services identified as needed in the ISS for participants under titles II–A and II–C and, in addition, preemployment and work maturity skills training and work experience combined with skills training for participants under title II–C (sections 204(a)(1)(D) and 264(b)(1)(D)).

(f) SDAs review of objective assessment and ISS. (1) The objective assessment and development of the ISS may be conducted by service providers.

(2) The SDAs shall ensure that development of the ISS and the services provided, respond to the individual needs of the participant and that the combination of services to the participant is indicated by the results of the objective assessment.

(g) ISS record of decisions. The ISS shall be used as the basic instrument for the SDA to record the results of decisions made about the combination and sequence of services for the participant based on the objective assessment. Justification for decisions may be referenced but need not be recorded in the ISS. These decisions shall include, but are not limited to, the employment goal and/or career cluster; referrals to other programs for specified activities; the provision and amount of supportive services; and the delivery agents and schedules for training and supportive services activities. The decisions for time and duration of OJT (§ 627.240 of this chapter) shall be briefly recorded in the ISS and may not reference other documents.

(h) The ISS is a customer-centered case management tool and shall not be used as a compliance document.

§ 628.525 Limitations.

Neither eligibility for nor participation in a JTPA program creates an entitlement to services, and nothing in the Act or this part shall be construed to establish a private right of action for a participant to obtain services described in the objective assessment or ISS.
§ 628.530 Referrals of participants to non-title II programs.

(a) When it is determined, through the objective assessment and the ISS, that a participant would be better served by a program other than one under title II (e.g., Job Corps, Vocational Rehabilitation, State or local education, substance abuse treatment center, and/or dislocated worker programs), the participant shall be referred to the appropriate program. Such referral shall be recorded in the ISS.

(b) In cases where there will be a continuing relationship with a participant, a referral to another program(s) for specific services will be part of the participant’s title II program strategy and will be recorded in the ISS.

(c) When there will not be a continuing relationship with a participant as the result of a referral to a program other than title II, and an assessment but no training component has been provided, the referral should be recorded in a partial ISS and the individual shall not be counted for purposes of calculating performance against the SDA’s performance standards. Further tracking or follow-up of referrals out of title II is not required.

§ 628.535 Limitations on job search assistance.

(a) General. Job search assistance is designed to give a participant skills in acquiring full time employment. (See § 626.5 of this chapter, Definitions.)

(b) Conditions. Job search activities may be conducted only:

(1) For participants when specified as appropriate in the ISS; and

(2) When delivered in conjunction with other training or educational services designed to increase the participant’s ability to acquire employment. Additional services which may be provided in conjunction with job search include the direct training services listed in JTPA section 204(b)(1) of the Act, excluding standalone skill assessment, counseling, work experience and case management and the direct training services listed in 264(b) of the Act excluding tutoring, standalone skill assessment, counseling, work experience and case management. (See § 627.245 of this chapter, “Work Experience,” especially § 627.245(d) regarding combination of other services.)

(c) Exceptions. (1) Job search assistance activities, including job search skills, training, and job clubs may be provided without the accompanying services specified in paragraph (b) of this section only when:

(a) The objective assessment and the ISS indicate that the additional services are not appropriate; and

(ii) The activities are not available or accessible through other public agencies, including the Employment Service.

(2) The exceptions in paragraph (c)(1) of this section apply to Title II–A and II–B and are not applicable to Title II–C programs (see § 628.804 (d) and (e)).

(d) Determination of job search availability. For purposes of this section, a determination of the availability of the job search assistance activity will be made by the SDA, in consultation with the employment service and documented in the local job training plan.

(e) Older individuals. For purposes of this section, when an individual aged 55 or older indicates in the assessment a preference for immediate job placement, job search assistance may be provided on a stand-alone basis. The individual’s preference shall be recorded in the ISS.

§ 628.540 Volunteer program.

Pursuant to sections 204(c)(6) and 264(d)(7) of the Act, the SDA shall make opportunities available for individuals who have successfully participated in programs under this part to volunteer assistance, in the form of mentoring, tutoring, and other activities.

§ 628.545 Linkages and coordination.

(a) General requirements. (1) To the extent practicable, and as permitted by law and regulations, the Governor shall, at the State level, facilitate coordination among the programs set forth at section 205(a) and 265(b) of the Act, including, but not limited to, the establishment of State-level coordination agreements. The Governor may focus coordination through the SJTCC or the HRIC.
(2) The SDA, in conducting programs under this part, shall establish appropriate linkages and coordination procedures with other Federal programs and appropriate State and local educational, social service, and public housing agencies, including with CBO's, business and labor organizations, volunteer groups and others, such as women and older worker organizations, and with appropriate education and training agencies, such as local JOBS programs, Employment Service offices which provide services for JTPA participants, and the local agencies on aging, to avoid duplication and to enhance the delivery of services, which shall be described in the SDA job training plan. Where a local agency declines to complete such a linkage with an SDA, the SDA shall reflect this information in its job training plan (section 104(b)).

(b) SDA's are encouraged to facilitate effective “one stop shop career centers” and “single point of contact” delivery systems which may include:

(1) The development of individual service strategy plans and of a common program application; and

(2) A unified job development effort and comprehensive programmatic design (sections 104(b) (3) and (4), 205 (a) and (b) and 265).

(i) A description of the ways in which the JTPA schoolwide project will supplement the educational program of the school;

(ii) Identification of measurable goals to be achieved by the schoolwide project and a provision for assessing the extent to which such goals are met;

(iii) A description of the ways in which the program will use available JTPA and other education program resources;

(iv) A description of the number of individuals to be served by the schoolwide project; and

(v) Assurances that JTPA resources shall be used in coordination with existing sources of funds to supplement and not supplant them (section 107(b)).

(3) In areas where there is more than one local educational agency, cooperative agreements for schoolwide projects are required only with those local education agencies that will participate in programs under schoolwide projects (section 263(g)).

§ 628.550 Transfer of funds.

If described in the job training plan and approved by the Governor:

(a) An amount up to 10 percent of the funds allocated to the SDA under section 202(b) of the Act for title II–A may be transferred to the program under title II–C of the Act;

(c) Eligibility determination verification. The SDA may accept the same documentation utilized by the local educational agency for approving free lunch meals or an assurance by school officials concerning the students’ participation in the free school lunch program under the National School Lunch Act. The Department shall provide guidance on this verification separate from these regulations.
(d) Requirement to serve hard-to-serve individuals. Such programs may be operated either within or outside of the local public school system, and can offer either a high school diploma or equivalency.

Subpart A—General Provisions

§ 631.1 Scope and purpose.

This part implements Title III of the Act. Title III programs seek to establish an early readjustment capacity for workers and firms in each State; to provide comprehensive coverage to workers regardless of the cause of dislocation; to provide early referral from the unemployment insurance system to adjustment services as an integral part of the adjustment process; to foster labor, management and community partnerships with government in addressing worker dislocation; to emphasize retraining and reemployment services rather than income support; to create an on-going substate capacity to deliver adjustment services; to tailor services to meet the needs of individuals; to improve accountability by establishing a system of mandated performance standards; to improve financial management by monitoring expenditures and reallooting available funds; and to provide the flexibility to target funds to the most critical dislocation problems.

§ 631.2 Definitions.

In addition to the definitions contained in sections 4, 301, and 303(e) of the Act and Part 626 of this chapter, the following definitions apply to programs under Title III of the Act and this part:

Substantial layoff (for participant eligibility) means any reduction-in-force
which is not the result of a plant closing and which results in an employment loss at a single site of employment during any 30 day period for:

(a)(1) At least 33 percent of the employees (excluding employees regularly working less than 20 hours per week); and

(2) At least 50 employees (excluding employees regularly working less than 20 hours per week); or

(b) At least 500 employees (excluding employees regularly working less than 20 hours per week).

Substantial layoff (for rapid response assistance) means any reduction-in-force which is not the result of a plant closing and which results in an employment loss at a single site of employment during any 30 day period for at least 50 employees (excluding employees regularly working less than 20 hours per week) (section 314(b)(4)).

§ 631.3 Participant eligibility.

(a) Eligible dislocated workers, as defined in section 301 of the Act, may participate in programs under this part. For the purposes of determining eligibility under section 301(a)(1)(A) of the Act, the term "eligible for" unemployment compensation includes any individual whose wages from employment would be considered in determining eligibility for unemployment compensation under Federal or State unemployment compensation laws.

(b)(1) Except as provided in paragraph (b)(3) of this section, workers who have not received an individual notice of termination but who are employed at a facility for which the employer has made a public announcement of planned closure shall be considered eligible dislocated workers with respect to the provision of basic reemployment services specifically identified in section 314(c) of the Act with the exception of supportive services and relocation assistance.

(2) Individuals identified in paragraph (b)(1) of this section shall be eligible to receive all services authorized in sections 314 of the Act after a date which is 180 days prior to the scheduled closure date of the facility, subject to the provisions of § 631.20 of this part and other applicable provisions regarding receipt of supportive services.

(3) Paragraphs (b)(1) and (b)(2) of this section shall not apply to individuals who are likely to remain employed with the employer or to retire instead of seeking new employment.

(4) For the purposes of paragraph (b)(1) of this section, the Governor shall establish criteria for defining public announcement. Such criteria shall include provisions that the public announcement shall be made by the employer and shall indicate a planned closure date for the facility (section 314(c)(k)).

(c) Eligible dislocated workers include individuals who were self-employed (including farmers and ranchers) and are unemployed:

(1) Because of natural disasters, subject to the provisions of paragraph (e) of this section; or

(2) As a result of general economic conditions in the community in which they reside.

(d) For the purposes of paragraph (c) of this section, categories of economic conditions resulting in the dislocation of a self-employed individual may include, but are not limited to:

(1) Failure of one or more businesses to which the self-employed individual supplied a substantial proportion of products or services;

(2) Failure of one or more businesses from which the self-employed individual obtained a substantial proportion of products or services;

(3) Substantial layoff(s) from, or permanent closure(s) of, one or more plants or facilities that support a significant portion of the State or local economy.

(e) The Governor is authorized to establish procedures to determine the eligibility to participate in programs under this part of the following categories of individuals:

(1) Self-employed farmers, ranchers, professionals, independent tradespeople and other business persons formerly self-employed but presently unemployed.

(2) Self-employed individuals designated in paragraph (d)(1) of this section who are in the process of going out of business, if the Governor determines that the farm, ranch, or business operations are likely to terminate.
§ 631.4 Approved training rule.

An eligible dislocated worker who is participating in any retraining activity, except on-the-job training, under Title III of the Act or this part shall be deemed to be in training with the approval of the State agency for purposes of section 3304(a)(8) of the Internal Revenue Code of 1986. Participation in the approved training shall not disqualify the individual from receipt of unemployment benefits to which the individual is otherwise entitled (section 314(f)(2)).

Subpart B—Additional Title III Administrative Standards and Procedures

(4) Reallocated funds will be made available from current year allotments made available by formula.

(b) Based upon the most current and satisfactory data available, the Secretary shall identify eligible States, pursuant to the definitions in section 303(e) of the Act.

(c) The Secretary shall recapture funds from States identified in paragraph (a) of this section and reallocate and reobligate such funds by a Notice of Obligation (NOO) adjustment to current year funds to eligible States as identified in paragraph (b) of this section, as set forth in section 303(e) of the Act.

(d) Reallocated funds shall be subject to allocation pursuant to §631.32 of this part, and to the cost limitations at §631.14 of this part.

§ 631.13 Classification of costs at State and substate levels.

(a)(1) Allowable costs under Title III shall be planned, controlled, and charged by either the State or the substate grantee against the following cost categories: rapid response services, basic readjustment services, retraining services, needs-related payments and supportive services, and administration. Costs shall be reported to the Secretary of Labor in accordance with the reporting requirements established pursuant to §631.15 of this part.

(2) All costs shall be allocable to a particular cost category to the extent that benefits are received by such category; and no costs shall be chargeable to a cost category except to the extent that benefits are received by such category.

(2) All other costs are chargeable to the rapid response services cost category only to the extent that they are for rapid response purposes.

(c) Basic readjustment services shall include the cost of basic readjustment services identified at section 314(c) of the Act, except that the cost of supportive services under section 314(c)(15) of the Act shall be charged to the needs-related payments and supportive services cost category, as provided in paragraph (e) of this section.

(d) Retraining services shall include the cost of retraining services identified at section 314(d) of the Act.

(e) Needs-related payments and supportive services shall include the cost of needs-related payments identified in section 314(c) of the Act, and shall be that portion of necessary and allowable costs which is not directly related to the provision of services and otherwise allocable to the cost categories in paragraphs (b) through (e) of this section. The description of administrative costs in subpart D of part 627 of this chapter shall be used by

(2) Administration does not include the costs of activities under section 314(b) of the Act and which are provided for in paragraph (b) of this section.

(3) Administration shall include Title III funds used for coordination of worker adjustment programs with the Federal-State unemployment compensation system and with Chapter 2 of Title II of the Trade Act of 1974 (19 U.S.C. 2271, et seq.) and part 617 of this chapter (sections 311(b)(10) and 314(f)).

§ 631.14 Limitations on certain costs.

(a) Retraining services. Of the funds allocated to a substate grantee under part A of Title III for any program year, not less than 50 percent shall be expended for retraining services specified under section 314(d) of the Act, unless a waiver of this requirement is granted by the Governor. The Governor shall prescribe criteria that will allow substate grantees to apply in advance for a waiver of this requirement, pursuant to section 315(a)(2) of the Act. The Governor shall prescribe the time and form for the submission of an application for such a waiver, as provided for at section 315(a)(3) of the Act. The Governor shall not grant a waiver that allows less than 30 percent of the funds expended by a substate grantee to be expended for retraining activities.

(b) Needs-related payments and supportive services. Of the funds allocated to the Governor, or allocated to any substate grantee, under part A of Title III for any program year, not more than 25 percent may be expended to provide needs-related payments and other supportive services.

(e) Funds allocated (or distributed) to substate areas under the provisions of section 302(c)(1)(E) of the Act shall be considered funds allocated to a substate grantee for the program year of the funds’ initial allotment to the State, and included in the cost limitations in paragraphs (a), (b) and (c) of this section.

(f) Funds reserved by the Governor under the provisions of Section 302(c)(1) of the Act, other than funds distributed to substate grantees under the provisions of JTPA section 302(c)(1)(E), shall be considered funds allocated to the Governor for the program year of the funds’ initial allotment to the State and included in the cost limitations applicable to the Governor.

(g) States and substate grantees shall have the full period of time that the funds are available to them to comply with the cost limitations described in JTPA section 315 and paragraphs (a), (b), and (c) of this section.

(h) Combination of funds. (1) Substate grantees within a State may combine funds allocated under part A of Title III for provision of services to eligible dislocated workers from two or more substate areas. Funds contributed by the substate grantees under this section remain subject to the cost limitations which apply to each substate grantee’s total allocation (section 315(d)).

(2) To combine funds under this provision, substate grantees must be in contiguous substate areas or part of the same labor market area.

(i) For the purposes of this section:

(1) Allotment to the State means allotted by the formula described in section 302(b) of the Act, as adjusted by reallocations among the States, in accordance with section 303 of the Act.

For purposes of determining availability and of applying cost limitations, funds will retain the identity of the program year in which they were initially allotted to a State, irrespective of subsequent reallocations.

Notwithstanding the requirements in subpart D of part 627 of this chapter, the Governor shall report to the Secretary pursuant to instructions issued by the Secretary for programs and activities funded under this part. (b) Where the Secretary determines that a State has failed to comply with its State plan, and that other remedies under the Act and part 627 of this chapter are not available or are not adequate to achieve compliance, the Secretary may withhold an amount not to exceed 10 percent of the allotment to the State for the program year in which the determination is made for each such violation (section 311(e)(2)(A)).

(c) The Secretary will not impose the penalty provided for under paragraph (b) of this section until all other remedies under the Act and part 627 of this chapter for achieving compliance have been exhausted or are determined to be unavailable or inadequate to achieve State compliance with the terms of the State plan.

(d) The Secretary will make no determination under this section until the affected State has been afforded adequate written notice and an opportunity to request and to receive a hearing before an administrative law judge pursuant to the provisions of subpart H of part 627 of this chapter (section 311(e)(2)(B)).

§ 631.18 Federal by-pass authority.

(a) In the event that a State fails to submit a biennial State plan that is approved under § 631.36 of this part, the Secretary shall make arrangements to use the amount that would be allotted to that State for the delivery in that State of the programs, activities, and services authorized under Title III of the Act and this part.

(b) No determination may be made by the Secretary under this section until the affected State is afforded written notification of the Secretary’s intent to exercise by-pass authority and an opportunity to request and to receive a hearing before an administrative law judge pursuant to the provisions of subpart H of part 627 of this chapter.

(c) The Secretary will exercise by-pass authority only until such time as the affected State has an approved plan under the provisions of § 631.36 of this part (section 321(b)).

(d) Section 628.430(b) of this chapter (appeals of the Secretary's disapproval of a plan when the SDA is the State) shall apply to plan disapproval when the substate area is the State, as set forth in §631.50(c) of this part.

(e) Decisions pertaining to designations of substate grantees under §631.35 of this part are not appealable to the Secretary.

Subpart C—Needs-related payments

§ 631.20 Needs-related payments.

(a) Title III funds available to States and substate grantees may be used to provide needs-related payments to participants in accordance with the approved State or substate plan, as appropriate.

(b) In accordance with the approved substate plan, needs-related payments shall be provided to an eligible dislocated worker only in order to enable such worker to participate in training or education programs under this part.

To be eligible for needs-related payments:

(1) An eligible worker who has ceased to qualify for unemployment compensation must have been enrolled in a training or education program by the end of the thirteenth week of the worker's initial unemployment compensation benefit period, or, if later, by the end of the eighth week after an employee is informed that a short-term layoff will in fact exceed 6 months.

(2) For purposes of paragraph (b)(1) of this section, the term enrolled in a training or education program means that the worker's application for training has been approved and the training institution has furnished written notice that the worker has been accepted in the approved training program beginning within 30 calendar days.

(3) An eligible worker who does not qualify for unemployment compensation must be participating in a training or education program (section 314(e)(1)).

(c) Needs-related payments shall not be provided to any participant for the period that such individual is employed, enrolled in, or receiving on-the-job training, out-of-area job search, or basic readjustment services in programs under the Act, nor to any participant receiving trade readjustment allowances, on-the-job training, out-of-area job search allowances, or relocation allowances under Chapter 2 of Title II of the Trade Act of 1974 (19 U.S.C. 2271, et seq.) or part 617 of this chapter (section 314(e)(1)).

(d) The level of needs-related payments to an eligible dislocated worker in programs under this part shall not exceed the higher of:

(1) The applicable level of unemployment compensation; or

(2) The poverty level (as by the published by the Secretary of Health and Human Services) (section 314(e)(2)).

Subpart D—State Administration

§ 631.30 Designation or creation and functions of a State dislocated worker unit or office, and rapid response assistance.

(a) Designation or creation of State dislocated worker unit or office. The State shall designate or create an identifiable State dislocated worker unit or office with the capabilities and functions...
identified in paragraph (b) of this section. Such unit or office may be an existing organization or new organization formed for this purpose (section 311(b)(2)). The State dislocated worker unit or office shall:

(1) Make appropriate retraining and basic adjustment services available to eligible dislocated workers through substate grantees, and in statewide, regional or industry-wide projects;

(2) Work with employers and labor organizations in promoting labor-management cooperation to achieve the goals of this part;

(3) Operate a monitoring, reporting, and management system to provide adequate information for effective program management, review, and evaluation;

(7) Receive advance notice of plant closings and mass layoffs as provided at section 3(a)(2) of the Worker Adjustment and Retraining Notification Act (29 U.S.C. 2102(a)(2) and part 639 of this chapter);

(8) Immediately notify (within 48 hours) the appropriate substate grantees following receipt of an employer notice of layoff or plant closing or of any other information that indicates a projected layoff or plant closing by an employer in the grantee’s substate area, in order to continue and expand the services initiated by the rapid response team (section 311(b)(3)(D));

(9) Fully consult with labor organizations where substantial numbers of their members are to be served; and

(10) Disseminate throughout the State information on the availability of services and activities under Title III of the Act and this part.

(b) Rapid response capability. The dislocated worker unit shall have one or more rapid response specialists, and the capability to provide rapid response assistance, on-site, for dislocation events such as permanent closures and substantial layoffs throughout the State. The State shall not transfer the responsibility for the rapid response assistance functions of the State dislocated worker unit to another entity, but the State may contract with another entity to perform rapid response assistance services. Nothing in this paragraph shall remove or diminish the dislocated worker unit’s accountability for ensuring the effective delivery of rapid response assistance services throughout the State (section 311(b)(12)).

(1) State rapid response specialists should be knowledgeable about the resources available through programs under this part and all other appropriate resources available through public and private sources to assist dislocated workers. The expertise required by this part includes knowledge of the Federal, State, and local training and employment systems; labor-management relations and collective bargaining activities; private industry and labor market trends; programs and services available to veterans; and other fields necessary to carry out the rapid response requirements of the Act.

(2) The rapid response specialists should have:

(iv) Credibility among employee groups and in the labor community, including organized labor, in order to effectively work with employees in difficult situations.
§631.30

(3) The dissemination of information on the State dislocated worker unit’s services and activities should include efforts to ensure that major employers, organized labor, and groups of employees not represented by organized labor, are aware of the availability of rapid response assistance. The State dislocated worker unit should make equal effort in responding to dislocation events without regard to whether the affected workers are represented by a union.

(4) In a situation involving an impending permanent closure or substantial layoff, a State may provide funds, where other public or private resources are not expeditiously available, for a preliminary assessment of the advisability of conducting a comprehensive study exploring the feasibility of having a company or group, including the workers, purchase the plant and continue it in operation.

(5) Rapid response specialists may use funds available under this part:

(i) To establish on-site contact with employer and employee representatives within a short period of time (preferably 48 hours or less) after becoming aware of a current or projected permanent closure or substantial layoff in order to—

(A) Provide information on and facilitate access to available public programs and services; and

(iii) To provide ongoing assistance to labor-management committees described in paragraph (c) of this section by:

(A) Maintaining ongoing contact with such committees, either directly or through the committee chairperson;

(B) Attending meetings of such committees on an ex officio basis; and

(C) Ensuring ongoing liaison between the committee and locally available resources for addressing the dislocation, including the establishment of linkages with the substate grantee or with the service provider designated by the substate grantee to act in such capacity;

(iv) To collect information related to:

(A) Economic dislocation (including potential closings or layoffs); and

(B) All available resources within the State for serving displaced workers, which information shall be made available on a regular basis to the Governor and the State Council to assist in providing an adequate information base for effective program management, review, and evaluation;

(v) To provide or obtain appropriate financial and technical advice and liaison with economic development agencies and other organizations to assist in efforts to avert worker dislocations;

(vi) To disseminate information throughout the State on the availability of services and activities carried out by the dislocated worker unit or office; and

(vii) To assist the local community in developing its own coordinated response and in obtaining access to State economic development assistance.

(6) Notwithstanding the definition of “substantial layoff (for rapid response assistance)” at §631.2 of this part:

(i) The Governor shall provide rapid response and basic readjustment services to members of a group of workers under the NAFTA Worker Security Act for which the Governor has made a finding under §631.3(j); and
Employment and Training Administration, Labor  § 631.32

(i) The Governor may, under exceptional circumstances, authorize rapid response assistance provided by a State dislocated worker unit when the layoff is less than 50 or more individuals, is not at a single site of employment, or does not take place during a single 30 day period. For purposes of this provision, exceptional circumstances include those situations which would have a major impact upon the community(ies) in which they occur (section 314(b)).

(c) Labor-management committees. As provided in sections 301(b)(1) and 314(b)(1)(B) of the Act, labor-management committees are a form of rapid response assistance which may be voluntarily established to respond to actual or prospective worker dislocation.

(1) Labor management committees ordinarily include (but are not limited to) the following:

(i) Shared and equal participation by workers and management, with members often selected in an informal fashion;

(ii) Shared financial participation between the company and the State, using funds provided under Title III of the Act, in paying for the operating expenses of the committee; in some instances, labor union funds may help to pay committee expenses;

(iii) A chairperson, to oversee and guide the activities of the committee who—

(v) A formal agreement, terminable at will by the workers or the company management, and terminable for cause by the Governor; and

(vi) Local job identification activities by the chairperson and members of the committee on behalf of the affected workers.

(2) Because they include employee representatives, labor-management committees typically provide a channel whereby the needs of eligible dislocated workers can be assessed, and programs of assistance developed and implemented, in an atmosphere supportive to each affected worker. As such, committees must be perceived to be representative and fair in order to be most effective.

§ 631.31 Monitoring and oversight.

The Governor is responsible for monitoring and oversight of all State and substate grantee activities under this part. In such monitoring and oversight of substate grantees, the Governor shall ensure that expenditures and activities are in accordance with the substate plan or modification thereof, and with the cost limitations described in §631.14 of this part.

§ 631.32 Allocation of funds by the Governor.

Of the funds allotted to the Governor by the Secretary under §§631.11 and 631.12 of this part:

(a) The Governor shall issue allocations to substate grantees, the sum of which shall be no less than 50 percent of the State’s allotment (section 302(d)).

(b)(1) The Governor shall prescribe the formula to be used in issuing substate allocations required under paragraph (a) of this section to substate grantees.

(2) The formula prescribed pursuant to paragraph (b)(1) of this section shall utilize the most appropriate information available to the Governor. In prescribing the formula, the Governor shall include (but need not be limited to) the following information:

(i) Insured unemployment data;

(ii) Unemployment concentrations;

(iii) Plant closing and mass layoff data;

(iv) Declining industries data;

(v) Farmer-rancher economic hardship data; and

(vi) Long-term unemployment data.

(3) The Governor may allow for an appropriate weight for each of the formula factors set forth in paragraph
§ 631.33 State procedures for identifying funds subject to mandatory Federal reallocation.

The Governor shall establish procedures to assure the equitable identification of funds required to be reallocated pursuant to section 303(b) of the Act. Funds so identified may be funds reserved by the State pursuant to section 302(c)(1)(A) through (D) of the Act and/or allocated to substate grantees pursuant to section 302(c)(1)(E), (c)(2) and/or (d) of the Act (section 303(d)). Such procedures may not exempt either State or substate funds from reallocation.

§ 631.34 Designation of substate areas.

(a) The Governor, after receiving recommendations from the SJTCC or HRIC, shall designate substate areas for the State (section 312(a)).

(b) In designating substate areas, the Governor shall:

1. Ensure that each service delivery area within the State is included within a substate area and that no SDA is divided among two or more substate areas; and

2. Consider the availability of services throughout the State, the capability to coordinate the delivery of services with other human services and economic development programs, and the geographic boundaries of labor market areas within the State.

(c) Subject to paragraph (b) of this section, the Governor shall designate as a substate area:

1. Any single SDA that has a population of 200,000 or more;

2. Any two or more contiguous SDAs that:
   1. In the aggregate have a population of 200,000 or more; and
   2. Request such designation; and

3. Any concentrated employment program grantee for a rural area as described in section 101(a)(4)(A)(iii) of the Act.

(d) In addition to the entities identified in paragraph (c) of this section, the Governor may, without regard to the 200,000 population requirement, designate SDAs with smaller populations as substate areas.

(e) The Governor may deny a request for substate area designation from a consortium of two or more SDAs that meets the requirements of paragraph (c)(2) of this section only upon a determination that the request is not consistent with the effective delivery of services to eligible dislocated workers in the relevant labor market area, or would otherwise not be appropriate to carry out the purposes of title III. The Governor will give good faith consideration to all such requests by a consortium of SDAs to be a substate area. In denying a consortium’s request for substate area designation, the Governor shall set forth the basis and rationale for the denial (section 312(a)(5)).

(f) In the case where the service delivery area is the State, the entire State shall be designated as a single substate area.

(g) Entities described in paragraphs (c)(1) and (3) of this section may

(ii) Services will be provided only to eligible displaced workers, except as provided in paragraph (a)(2) of this section;

(iii) Services will not be denied on the basis of State of residence to eligible dislocated workers displaced by a permanent closure or substantial layoff within the State; and may be provided to other eligible dislocated workers regardless of the State of residence of such workers;

(2) Provision that the State will provide services under this part to displaced homemakers only if the Governor determines that the services may be provided to such workers without adversely affecting the delivery of services to eligible dislocated workers;

(3) A description of the state allotment and reallocation procedures and assurance that they meet the requirements of the Act and this part;

(4) A description of the State procurement system and procedures to be used under Title III of the Act and this part.

(b) The agreement specified in paragraph (c) of this section shall set forth the conditions, considerations, and other factors related to the selection of substate grantees in accordance with section 312(b) of the Act.

(c) The Governor shall negotiate in good faith with the parties identified in paragraph (c) of this section and shall make a good faith effort to reach agreement. In the event agreement cannot be reached on the selection of a substate grantee, the Governor shall select the substate grantee.

(d) Decisions under paragraphs (c), (d), and (e) of this section are not appealable to the Secretary (section 312(b) and (c)).

(d) The agreement specified in paragraph (c) of this section shall set forth the conditions, considerations, and other factors related to the selection of substate grantees in accordance with section 312(b) of the Act.

(e) The Governor shall negotiate in good faith with the parties identified in paragraph (c) of this section and shall make a good faith effort to reach agreement. In the event agreement cannot be reached on the selection of a substate grantee, the Governor shall select the substate grantee.

(f) Decisions under paragraphs (c), (d), and (e) of this section are not appealable to the Secretary (section 312(b) and (c)).

(e) In accordance with section 402 of the Veterans’ Benefits and Programs Improvement Act of 1988 (29 U.S.C. 1751 note) services under this part shall be coordinated with programs administered by the Department of Veterans Affairs and with other veterans’ programs such as the Veterans’ Job Training Act (29 U.S.C. 1721 note), title IV-C of the Job Training Partnership Act (29 U.S.C. 1721, et seq.), part 635 of this chapter, and the Transition Assistance Program.

§ 631.65 Special provisions for CAETA and DDP.

(a) Allowances for Job Search Outside the Commuting Area under CAETA. Allowances for job search outside the commuting area shall be an allowable activity under CAETA, only where it has been determined that the dislocated worker cannot reasonably be expected to secure suitable employment within the commuting area in which the worker resides. Procedures for determining whether a dislocated worker cannot reasonably be expected to secure suitable employment within the commuting area in which the dislocated worker resides shall be described in the grant application and shall be subject to approval by the
Grant Officer. The cost of job search outside the commuting area shall be an allowable cost, but shall not provide for more than 90 percent of the cost of necessary job search expenses, and may not exceed a total of $800, unless the need for a greater amount is justified in the grant application and approved by the Grant Officer.

(b) Relocation Allowances under CAETA. Relocation allowances under CAETA shall be allowable only where the eligible dislocated worker cannot reasonably be expected to secure suitable employment in the commuting area in which the worker resides and has obtained suitable employment affording a reasonable expectation of long-term duration in the area in which the worker wishes to relocate, or has obtained a bona fide offer of such employment, provided that the worker is totally separated from employment at the time relocation commences. The cost of relocation for an eligible dislocated worker shall not exceed an amount which is equal to the sum of the reasonable and necessary expenses incurred in transporting the dislocated worker and the dislocated worker's family, if any, and household effects, and a lump sum relocation allowance, equivalent to three times such worker's average weekly wage. The maximum relocation allowance, however, shall not exceed $800, unless a greater amount is justified in the grant application and approved by the Grant Officer. Necessary expenses shall be travel expenses for the dislocated worker and the dislocated worker's family and for the transfer of household effects. Reasonable costs for such travel and transfer expenses shall be by the least expensive, most reasonable form of transportation.

(c) Needs-related payments under CAETA and DDP. Funds from grants for CAETA and DDP shall be available for needs-related payments to enable participants to participate in and complete training or education programs under those grants, subject to the following:

(1) Needs-related payments shall be provided to the participant only if the participant:

(iii) Is making satisfactory progress in training or education programs under this section, except that an individual shall not be disqualified pursuant to this clause for a failure to participate that is not the fault of the individual; and
(iv) Currently receives, or is a member of a family which currently receives, a total family income (exclusive of unemployment compensation, child support payments, and welfare payments) which, in relation to family size, is not in excess of the lower living standard income level.

(2) Needs-related payments shall be equal to the higher of:

(i) The applicable level of unemployment compensation; or
(ii) The poverty level determined in accordance with the criteria established by the Director of the Office of Management and Budget.

(3) Total family income shall be reviewed periodically, based upon information obtained from participants with respect to such income and changes therein, to determine continued eligibility, or to begin payments to individuals previously found ineligible for needs-related payments under this section.

(b) To be designated as a Native American grantee, an applicant must have:

1. A governing body;
2. For new grantees, an Indian or Native American population within its designated service area of at least 1,000 persons;
3. The capability to administer an Indian and Native American employment and training program. For purposes of this paragraph, “capability to administer” means that the applicant can demonstrate that it possesses, or can acquire the managerial, technical, or administrative staff with the ability to properly administer government funds, develop employment and training opportunities, evaluate program performance and comply with the provisions of the Act and the regulations. In judging the applicant’s request for designation, consideration shall be given to factors such as:
   i. Previous experience in operating an effective employment and training program serving Indians or Native Americans;
   ii. The number and kind of activities of similar magnitude and complexity that the applicant has successfully completed;
   iii. Information from other Federal agencies regarding program performance or financial and management capability.

(c) The Department will not designate an organization in cases where it is established that:
1. The agency’s efforts to recover debts (for which three demand letters have been sent) established by final agency action have been unsuccessful, or
2. Fraud or criminal activity has been proven to exist within the organization, or
3. The amount under the funding formulas will not total at least $120,000 in all JTPA funds for the first year of the two-year designation period. In the event that this amount cannot be determined at the time of the Department’s decision on the request for designation, the amount shall be estimated in part by reference to the funding levels for Native American programs for the prior fiscal or program year. An applicant for designation shall be designated notwithstanding the limitation in this paragraph of this subsection if it demonstrates that:
   i. It has or expects to receive a combined total of $120,000 in funds or services for the first year of the 2-year designation period from JTPA and other human resource development programs, including but not limited to those providing for employment, education, vocational education, health, social or similar services; or
   ii. It is recognized and directly funded by Federal agencies, such as the Indian-serving agencies within the Departments of the Interior, Health and Human Services or Education as the primary service delivery organization for the provision of human resource development services to Indians or Native Americans within the organization’s customary service area. This provision shall be interpreted consistent with the Federal policy established in Pub. L. 96–638, the Indian Self-Determination Act; or
   iii. It has demonstrated successful operation of an employment and training program at a level below $120,000 within the previous two years. For this purpose, success is the ability to adequately meet planned goals and stay within the grant’s cost limits.

1. Indian tribe, band or group. The Department shall designate as a Native American grantee an Indian tribe, band or group which meets the requirements in paragraphs (b) and (c) of this section.
2. Alaskan Native entity. The Department shall designate as a Native American grantee an Alaskan Native entity as defined in the Alaskan Native Claims Settlement Act which meets the requirements in paragraphs (b) and (c) of this section.
3. Hawaiian Native grantee. The Department may designate as a Native American grantee any private non-profit organization or public agency representative of the Native Hawaiian community which meets the requirements in paragraphs (b) and (c) of this
§ 632.11 Designation of Native American grantees.

(a) When designations are required and the potential grantee is not under a Master Plan agreement, an applicant for designation as a Native American grantee shall submit a notice of intent to apply for funds. Such notices of intent shall be postmarked by January 1 and be submitted to the Division of Indian and Native American Programs (DINAP), Employment and Training Administration, U.S. Department of
§ 632.11 Labor, 601 D Street NW., Washington, DC. 20213. Notices of intent may also be delivered to that office in person not later than the close of business on January 2 or the first business day of the designation year. Such notices of intent to apply shall be submitted on Standard Form 424 as a preapplication for Federal assistance. For applicants not under an active Master Plan agreement or the Master Plan agreement is due to expire during the year of designation, the following information shall be included in the notice of intent:

(1) Evidence that the applicant meets the requirements for a Native American grantee contained in § 632.10.
(2) A description of the geographic area or areas which the applicant proposes to serve, together with the Indian and Native American population in such areas, to the extent known. The description must include a list of States (if more than one), in alphabetical order, and under each State, a list of counties in alphabetical order, followed by a list of tribes, bands or groups (if any) in alphabetical order. If the applicant was a Native American grantee for the period prior to the one which is being applied for, the applicant must also list any counties and tribes, bands or groups which are being added to, or deleted from, the previous fiscal year’s service area;
(3) A description of the applicant’s organization, including the legal status of the applicant, the process of selection of the governing body, the duties and responsibilities of the governing body, and in the case of private nonprofit organizations, a copy of the articles of incorporation;
(4) Evidence of the applicant’s capability to operate an Indian or Native American employment and training program, including a statement of the applicant’s past successes in operating programs for Indians or other Native Americans and a statement of the applicant’s experience in managing the types of programs and activities allowable under the Act;
(5) A description of the planning process including employer involvement which the applicant proposes to undertake in developing a plan for the use of funds;

(6) Information related to a grantee’s administrative responsibility. The DOL will conduct an independent review to determine whether each applicant is currently delinquent in repaying any DOL claims or has any outstanding administrative problems. Applicants are, therefore, encouraged to submit any documents related to these factors including documents and correspondence previously submitted to DOL. Submittal of such materials will enable DOL to move rapidly to complete the Notice of Intent and grantee designation review process.

(7) If the applicant is applying as a consortium, evidence that the consortium meets the requirements for a consortium in this part and a consortium agreement as specified in § 632.10(d)(5)(iii).

(b) If more than one organization submits a Notice of Intent for a geographic area, the Department will notify the organizations involved and conduct a special review for the area in question. The notice to the organizations will indicate any additional information needed and the review process to be followed.

(c) If the applicant for designation is a current grantee, under a master plan agreement, and there is no change in the service area requested, only the Standard Form 424 and a statement(s) indicating that to the best of the applicant’s knowledge, it meets the requirements of § 632.10(c)(4) will be necessary and shall be submitted within the timeframe established in § 632.11(a).

(d) Responsibility Review. Prior to finally designating, conditionally designating or nondesignating the Department will conduct a review of the available records to determine whether or not the organization has failed any responsibility test. This review is intended to establish overall responsibility to administer Federal funds. With the exception of § 632.11 (c)(1) and (c)(3), the failure to meet any one of the following responsibility test factors would not establish that the organization is irresponsible unless the failure is substantial or persistent. The responsibility tests are as follows:

(1) The agency’s efforts to recover debts (for which three demand letters have been sent) established by final
agency action have been unsuccessful, or failure to comply with an approved repayment plan.

(2) Serious administrative deficiencies have been identified in final findings and determination—such as failure to maintain a financial management system as required by Federal regulations.

(3) Established fraud or criminal activity exists within the organization.

(4) Wilful obstruction of the audit process.

(5) Substantial failure to provide services to applicants as agreed to in a current or recent grant or to meet performance standards requirements as provided for and developed pursuant to §632.89.

(6) Failure to correct deficiencies brought to the grantee’s attention in writing as a result of monitoring activities, reviews, assessments, etc.

(7) Failure to return a grant closeout package on outstanding advances within 90 days of expiration date or receipt of closeout package, whichever is later, unless an extension has been requested and granted; final billings reflecting serious cost category or total budget cost overrun.

(8) Failure to submit required reports.

(9) Failure to properly report and dispose of government property as instructed by DOL.

(10) Failure to have maintained cost controls resulting in excess cash on hand.

(11) Failure to procure or arrange for audit coverage for any two year period when required by DOL.

(12) Failure to audit subrecipient within the required period when applicable.

(13) Final disallowed costs in excess of five percent of the grant or contract award.

(14) Failure to establish a mechanism to resolve subrecipient’s audit within established time frames.

(e) On March 1 of each designation year, the Department shall designate or conditionally designate Native American grantees for the coming two program years. Each applicant shall be notified in writing of the determination. Those applicants that are not designated in whole or in part as Native American grantees may appeal under the complaint procedures available for this part. Conditional designations will include the nature of the conditions and the actions required to be finally designated.

(Approved by the Office of Management and Budget and assigned OMB control number 1205–0213)

§632.12 Alternative arrangements for the provision of services, nondesignation.

(a) If no application for Native American grantee designation for an area is filed, or if the Department has denied such application for that area, the Department may designate and fund an entity to serve that area, pending the final resolution of any Petitions for Reconsideration or other actions taken pursuant to §632.13. An organization not designated in whole or in part may also appeal to an ALJ under the provisions of part 636. This further appeal will not in any way interfere with the Department’s designation and funding of another organization to serve the area in question. The available remedy under such an appeal will be the right to be designated in the future rather than a retroactive or immediately effective designation status. Therefore, in the event the ALJ rules that the organization should have been designated and the organization continues to meet the requirements at §§632.10 and 632.11, the Department will designate the successful appellant organization and fund within 90 days of the ALJ decision unless the end of the 90 day period is within six months of the end of the two year designation period. Any organization designated or funded for the area in question would be affected by this remedial action and undesignated. All parties must agree to this arrangement prior to funding. The alternate organization which loses its designation as a result of the application of this remedy may not appeal the undesignation.

(b) If the grant officer finally disapproves a CAP pursuant to §632.21 he/she may withdraw the Native American grantee’s designation and immediately designate another entity to
§ 632.13 Review of denial of designation as a Native American grantee, or rejection of a Comprehensive Annual Plan.

(a) An applicant for designation as a Native American grantee which is refused such designation in whole or in part may file a Petition for Reconsideration with the Grant Officer within 14 days of receipt of a letter from the Department indicating its failure to be designated as a Native American grantee.

(1) A Petition for Reconsideration shall be in writing, shall be signed by a responsible official of the applicant entity, and shall enumerate the factors which the applicant entity asserts should be reviewed by the Grant Officer in reconsidering the denial of its application.

(2) Upon receipt of the Petition for Reconsideration, the Grant Officer shall, within 30 days, make one of the following determinations:

(i) That based on the available information from the original request for designation and information supplied in the Petition for Reconsideration, the applicant entity should be designated as a Native American grantee;

(ii) That the original determination made was correct; or

(iii) That an informal conference between representatives of the applicant entity and the Grant Officer shall be held at a specified time and place to discuss the Petition for Reconsideration.

(3) If an informal conference is held, the applicant entity shall have the opportunity to present any pertinent information which may further substantiate its petition. The Grant Officer shall notify the applicant entity of its final decision within 14 days after the informal conference is held.

(4) All final determinations of the Grant Officer, which deny a Petition for Reconsideration, shall be in writing, shall state the reasons for the denial, shall be sent to the applicant by certified mail, return receipt requested, and shall notify the applicant entity that, within 21 days of its receipt of the notice, it may request a hearing pursuant to part 636.

(b) A designated Native American grantee whose CAP has been rejected may file a Petition for Reconsideration pursuant to paragraph (a) of this section. Such petitions shall be handled under the procedures described in paragraph (a) of this section.

Subpart C—Program Planning, Application and Modification Procedures

§ 632.17 Planning process.

(a) Each Native American grantee shall establish a planning process for the development of its Master Plan and Comprehensive Annual Plan. This planning process shall involve consideration of the need for job training and employment services, appropriate means of providing needed services and methods of monitoring and assessing the services provided. Recognizing the importance of employer involvement in designing and implementing programs, each Native American grantee shall involve employers in program planning.

(b) (1) Each Native American grantee’s planning process shall involve consultation with major employers or organizations representing employers inside the grantee’s designated service or surrounding labor market area. Such consultation shall include consideration of the opportunities for placement of program participants and the design of training activities and related services.

(2) A description of the procedures used for this consultation shall be included in the grantee’s Master Plan.
The results of the consultation shall be described in the grantee’s Comprehensive Annual Plan.

(3) Native American grantees are encouraged to establish or to use existing formal advisory councils, such as Private Industry Councils, as vehicles for such consultation. Grantees are also encouraged to use all appropriate mechanisms, including Tribal Employment Rights Offices (TEROs), to insure maximum opportunity for the placement of participants in unsubsidized employment.

(4) A Native American grantee will not be held responsible for the refusal of any employer or organization representing employers to engage in the consultation process described in this section.

(c) In addition to the requirement in paragraph (b) of this section, the planning process shall provide the opportunity for the involvement of the client community, service providers (such as appropriate community-based organizations) and educational agencies, tribal agencies or other Indian and Native American organizations whose programs are relevant to the provision of job training services within the grantee’s service area.

The approved Master Plan will remain in effect for four years unless terminated. During the fourth year of the Master Plan a new Master Plan must be submitted by a date and pursuant to instructions issued by the Department.

(b) Each year a completed CAP is to be submitted for approval by registered mail to the Chief, DINAP by a date and pursuant to instructions announced by the Department. The CAP will be approved by DINAP if it is consistent with the basic provisions or the Master Plan and applicable regulations and formal directives.

§ 632.21 Application disapproval.

(a) A CAP shall be disapproved by the Grant Officer if it fails to meet the requirements of the Act or the regulations.

(b) No CAP shall be finally disapproved until the designated Native American grantee is provided with a description by the Chief, DINAP in writing of the CAP’s defects and has been provided with at least 30 days to remedy such defect(s), but has failed to do so.

(c) When a CAP is finally disapproved a notice of disapproval shall be transmitted by certified mail, return receipt requested, to the applicant, accompanied by a statement of the grounds of the disapproval and a statement that the applicant may file a Petition for Reconsideration with respect to the disapproval.

§ 632.22 Modification of a Comprehensive Annual Plan (CAP) and/or Master Plan.

(a) The requirements for modifying a Master Plan and/or CAP will be included in administrative instructions issued by the Grant Officer upon final implementation of the Master Plan/CAP system.

(b) Prior to implementing the Master Plan/CAP system, a formal modification will be required when:

(1) There is a change of at least 25 percent or $25,000 (whichever is greater) in any cost category; or

(2) There is a change of at least 25 percent or 25 individuals (whichever is
§ 632.23 greater) in the number of individuals to be served in any category of program activity.

(c) The documentation to be submitted to the DINAP Federal Representative requesting such a modification shall consist of a letter explaining the need for the change and four copies of the proposed modification.

The Grant Officer should notify the Native American grantee in writing of final approval or disapproval within 30 calendar days of the receipt of the proposed modification.

(e) A Native American grantee may make any change in its Program Planning Summary and Budget Information Summary without prior approval, except as provided in this section.

(f) Native American grantees shall notify DINAP by submitting a modification whenever there is a change in a name, address, or other similar information.

(g) The Department will unilaterally modify a grant when a simple funding or performance period increase is required and it is consistent with the approved plan.

(Approved by the Office of Management and Budget and assigned OMB control number 1205–0213)

§ 632.23 Termination and corrective action of a CAP and/or Master Plan.

(a) Emergency Termination. The Department may terminate or suspend a CAP designation or Master Plan under emergency termination procedures in accordance with section 164(f) of the Act. The provisions in part 636 shall not apply in instances of emergency termination.

(1) Instances under which emergency termination can occur include but are not limited to: Audit reports identifying numerous adverse findings in the area of financial control and management; information gathered through onsite monitoring which substantiates serious management, fiscal and/or performance problems, information from the Inspector General or gained through incident reports of poor performance, serious administrative problems and/or inability to protect and account for Federal funds.

(b) Termination for Cause. Termination for cause can occur whenever there is a substantial or persistent violation of the governing rules and regulations or failure to comply with the grant terms and conditions. The following factors will be considered for termination:

(1) Poor performance and inability to meet Federal standards related to such debt collection requirements as:

(i) Failure to respond to demand letters from DOL for repayment of debts within the stated timeframe;

(c) In addition, the Department, by written notice, may terminate a grant in whole or in part in the event of a reduction in the funds available or a change in provisions for JTPA title IV, section 401 programs by reason of congressional action.

Subpart D—Administrative Standards and Procedures

§ 632.31 General.

(a) This subpart describes requirements relating to the administration of grants by Native American grantees. Administrative requirements found in this subpart apply to all programs under the Act unless stated to the contrary for any specific program.

(b) As referenced in this subpart, the requirements set forth in 41 CFR parts 29-70, "Administrative requirements governing all grants and agreements by which Department of Labor agencies award funds to State and local governments, Indian and Native American entities, public and private institutions of higher education and hospitals, and other quasi-public and private nonprofit organizations," shall apply to grants under JTPA. Whenever the provisions of 41 CFR part 29-70 conflict with the provisions of part 632, the provisions of part 632 shall prevail.

(1) The requirements in 41 CFR 29-70.1 set forth the policies which apply to all basic grants and agreements.

(2) The requirements in 41 CFR 29-70.2 implement OMB Circular Nos. A-102 and A-110, and apply to all JTPA grants and agreements unless otherwise indicated in these regulations.

§ 632.32 Financial management systems.

(a) Each Native American grantee, subgrantee and contractor shall maintain a financial management system which will provide accurate, current and complete disclosure of the financial transactions under each grant, subgrant or contract activity, and will enable each Native American grantee, subgrantee or contractor to evaluate the effectiveness of program activities and meet the reporting requirements of this subpart.

(b) Each Native American grantee, subgrantee and contractor shall maintain its financial accounts so that the reports required by the Department may be prepared therefrom.

(c) To be acceptable for audit under this subpart, a Financial Status Report shall be:

(1) Current as of the cut-off date of the audit;

(2) Taken directly from or linked by worksheet to the Native American grantee's books of original entry; and

(3) Traceable to source documentation of the unit transaction.

§ 632.33 Audits.

(a) General. The audit provisions of 41 CFR part 29-70 shall apply to Native American grantees. Until unified or single audit procedures are promulgated and implemented for nonprofit entities, the Office of the Inspector General shall be responsible for arranging and conducting audits of Native American grantees that are not Indian tribal governments.

(b) Audit reports. Upon receipt of a final audit report the Inspector General will promptly transmit the audit report to the grantee for a comment period not to exceed 30 days.

(c) Initial Determination. After the conclusion of the comment period for audits provided the grantee, the Grant Officer shall make an initial determination of the allowability of questioned costs or activities. Such determination should be based on the Act, regulations grants or other agreements under the Act.

(d) Informal resolution. Except as provided in section 164(f) of the Act, the Grant Officer shall not revoke a grant, in whole or in part, nor institute corrective action or sanctions against a grantee without first providing the grantee with an opportunity to informally resolve those matters contained in the Grant Officer’s initial determination. If the matters are informally resolved the Grant Officer shall notify the parties in writing of the nature of the resolution, which shall constitute the final determination, and may close the file.

(e) Final determination. The Grant Officer shall, not later than 180 days from the time the Inspector General issues
§ 632.34 Program income.

(a) General. The provisions of 41 CFR 29–70.205, program income and interest earned, shall apply to Native American grantee programs.

(b) Income generated under any program may be retained by the recipient to continue to carry out the program, notwithstanding the expiration of DOL financial assistance for that program.

(c) Special provisions. Income earned as a result of activities of JTPA participants by an income generating enterprise, which is owned by an Indian tribe, band or group or an Alaskan native entity, and the profits of which are used exclusively for governmental, charitable, educational, civic, social or other similar purposes, may be retained by such enterprise and used in the same manner as other income of such enterprise.

§ 632.35 Native American grantee contracts and subgrants.

(a) Contracts may be entered into between the Native American grantee and any party, public or private, for purposes set forth in the JTPA.

(b) Subgrants may be entered into between the Native American grantee and units of State and local general government, Indian tribal government, public agencies or nonprofit organizations.

(c) The Native American grantee is responsible for the development, approval and operation of all contracts and subgrants and shall require that its contractors and subgrantees adhere to the requirements of the Act, the regulations under the Act, and other applicable law. It shall also require contractors and subgrantees to maintain effective control and accountability over all funds, property and other assets covered by the contract or subgrant.

(d) Each Native American grantee shall take action against its contractors and subgrantees to prevent or eliminate violations of the regulations, and to prevent misuse of JTPA funds.

(e) Subgrantees are entitled to funding for administrative costs. The amount of such funding will be determined during the development of subgrants subject to the overall administrative costs of the grant.

(f) If a contract or subgrant is cancelled in whole or in part, the Native American grantee shall develop procedures for ensuring continuity of service to affected participants to the extent feasible.

(g) The Native American grantee may enter into contracts or subgrants which extend past the expiration date of the CAP but such extension shall not exceed 6 months. In such cases, the grantee shall continue to be responsible for the administration of such contracts and subgrants.

(h) To the extent feasible, Native American Indian grantees shall give preference in the award of contracts and subgrants to Indian organizations and to Indian-owned economic enterprises as defined in section 3 of the Indian Financing Act of 1974 (25 U.S.C. 1452). Any contract or subgrant made by a Native American grantee shall require that, to the greatest extent feasible, preference and opportunities for training and employment in connection with such contract or subgrant shall be given to qualified Indians regardless of age, religion or sex and that the contractor or subgrantee shall comply with any Indian preference requirements established by the Native American grantee. All grantees, subgrantees and contractors shall include the requirements of this paragraph in all subcontracts and subgrants made by them (sec. 7(b) of the Indian Self-Determination and Education Assistance Act, Public Law 93–638 (25 U.S.C. 450 et seq)).
§ 632.38 Classification of costs.

Allowable costs shall be charged against the following four cost categories: Administration; training, employment and other (including supportive services).

(a) Costs are allocable to a particular cost category to the extent that benefits are received by such category.

(b) The Native American grantee is required to plan, control and charge expenditures against the aforementioned cost categories.

(c) The Native American grantee is responsible for ensuring that, at a minimum, subgrant or subcontract recipients plan, control, and charge expenditures against the aforementioned cost categories.
§ 632.38

(d) Administrative costs consist of all direct and indirect costs associated with the management of the grantee’s program. These costs include but are not limited to: the salaries and fringe benefits of personnel engaged in executive, fiscal, data collection, personnel, legal, audit, procurement, data processing, communications, maintenance, and similar functions; and related materials, supplies, equipment, office space costs, and staff training. Also included are salaries and fringe benefits of direct program administrative positions such as supervisors, program analysts, labor market analysts, and project directors. Additionally, all costs of clerical personnel, materials, supplies, equipment, space, utilities, and travel which are identifiable with these program administration positions are charged to administration.

(e) Training costs consist of goods and services which directly affect program participants in a training activity. Training costs include, but are not limited to, the following: the costs associated with on-the-job training, salaries, fringe benefits, equipment and supplies of personnel engaged in providing training; books and other teaching aids; equipment and materials used in providing training to participants; classroom space and utility costs; employability assessment; job-related counseling for participants; job search assistance and labor market orientation; participant allowances, and tuition and entrance fees which represent instructional costs which have a direct and immediate impact on participants. In addition, 250 hours of youth try-out employment is considered an allowable training cost. Youth try-out employment is that which meets the requirements of § 632.78.

(f) The compensation of individuals who both instruct participants and supervise other instructors must be prorated among the training and administration cost categories on the basis of time records or other equitable means. Similarly, tuition fees, and the costs of supplies used in the course of both participant instruction and other activities should be prorated among the benefitting uses.

(g) Employment costs consist of those costs associated with community service employment and work experience as described in § 632.79.

(h) Other costs include supportive services, services which are necessary to enable an individual to participate in training and assistance under this part, and those described in § 632.80.

(i) Costs which are not readily assignable to the training or employment cost category should be charged to either the administration or other category as appropriate.

(j) Unemployment compensation costs are allowable for administrative staff hired in accordance with the administrative provisions of this part, and for CSE participants. Unemployment compensation costs are allowed for work experience only where required by State law.

(k) Travel costs. (1) The cost of participant travel and staff travel necessary for the administration of programs under the Act are allowable costs, chargeable to the proper cost category, and must follow standard Federal travel requirements.

(2) Travel costs of Native American grantee officials, including staff, board members, and advisory council members are allowable if the travel and costs specifically relate to programs under the Act. These costs will be charged to administration. Travel costs for officials of tribes or organizations belonging to a consortium require advance written approval from the Chief, DINAP, unless they are also officials of the Native American grantee organization.

(3) Travel costs for participants using their personal vehicles in the performance of their jobs are allowable if the employing agency normally reimburses its other employees in this way. These costs shall be charged to supportive services.

(4) Travel costs to enable participants to obtain employment or to participate in programs under the Act are allowable as supportive services.

(1) Allocation of fixed unit charge. (1) When contractors or subgrantees bill the Native American grantee with a single unit charge containing costs which are chargeable to more than one cost category, the Native American grantee shall charge these costs to the cost categories in § 632.38. For unit
charges such as tuition fees for which the necessary detail cannot be provided, a reasonable estimate of the breakdown of the single unit charge among cost categories in §632.38 will be sufficient, including for audit purposes. When such unit charges are normally billed as a single charge and the cumulative amount of such charges to a service provider does not exceed $25,000 within the grant year, proration will not be required. These costs may be charged to the category receiving the most benefit.

(2) The provisions of this section shall not apply to vendors selling or leasing equipment and attendant service at a commercially established rate to Native American grantees or subgrantees.

(3) In the case of multiuse equipment there must be a proration of costs or, if there is a predominant usage relating to one cost category, a charge shall be made to that category.

(4) Any single cost, such as staff salaries or fringe benefits, which is properly chargeable to more than one cost category shall be prorated among the affected categories.

§632.39 Administrative cost plan.

(a) All administrative funds for all programs operated under separate sections of the Act by a Native American grantee may be accounted for separately and be allocated by title and program activity or may be pooled into one fund. Planned expenditures from the fund shall be described in a separate section of the CAP.

(b) The administrative cost plan may be modified during the program year.

§632.40 Administrative staff and personnel standards.

(a) Staffing. Members of the population to be served shall be provided maximum employment opportunities at all levels of the JTPA grantee administration. Native American grantees shall establish systems to enhance the recruitment and hiring of qualified Indian and Native Americans and to provide opportunities for their further occupational training and career advancement.

(b) Compensation. Compensation for administrative staff shall be at levels consistent with generally accepted business practices in the area. Such administrative wages, salaries, and fringe benefits are allowable administrative costs under JTPA.

(c) Basic personnel standards. All grantee employees, including participants, engaged in the administration of programs under the Act shall be subject to the policies and methods of personnel administration as formally established by the Native American grantee.

(d) Bonding. Native American grantees shall comply with the bonding requirements at 41 CFR 29–70.202.

§632.41 Reporting requirements.

Within 45 days of the end of each quarter, a Native American grantee shall submit to the Chief, DINAP by registered mail, financial and program reports. Accuracy of all reports must be verified by the chief executive officer or financial officer. When estimates are used the verification statement will so state. The exact reports to be submitted and reporting instructions as approved by the Office of Management and Budget will be announced to Native American grantees under separate order.

§632.42 Grant closeout procedures.

Grant closeout will conform to the requirements at 41 CFR part 29–70. As necessary, the Secretary shall issue supplementary closeout requirements.

§632.43 Reallocation of funds.

When the DINAP determines that reallocation is appropriate, it shall give the Native American grantee 30-day notice of proposed action to remove funds from the grant. Such notice shall include specific reasons for the action being taken, and shall give the Native American grantee the opportunity to submit comments on the proposed reallocation of funds. These comments shall be submitted to DINAP within 30 days from the date of the notice. DINAP shall notify affected Native American grantees on any decision to reallocate funds. The Grant Officer shall finally reallocate by modifying the CAP.
§ 632.44 Sanctions for violation of the Act.

(a) Pursuant to sections 164 (d), (e), (f), (g), and (h) of the Act, the Secretary may impose appropriate sanctions and corrective actions for violations of the Act, Regulations, or grant terms and conditions. Additionally, sanctions may include the following:

(1) Offsetting debts, arising from misexpenditure of grant funds, against amounts to which the grantee is or may be entitled under the Act, except as provided in section 164(e)(1) of the Act. The debt shall be fully satisfied when the Secretary reduces amounts allotted to the grantee by the amount of the misexpenditure; and

(2) Determining the amount of Federal cash maintained by the grantee or its subgrantee or contract or in excess of reasonable grant needs, establishing a debt for the amount of such excessive cash, and charging interest on that debt.

(b) Except for actions under section 164(f) and 167 of the Act, to establish a debt or violation subject to sanction and/or corrective action, the Secretary shall utilize initial and final determination procedures outlined in part 636.

(c) To impose a sanction or corrective action regarding a violation of section 167 of the Act, the Secretary shall utilize the procedures of 29 CFR part 31.

(d) (1) The Secretary shall hold the grantee responsible for all funds under the grant. The grantee shall hold its subgrantees and contractors responsible for JTPA funds received through the grant.

(2) The Secretary shall determine the liability of the grantee for misexpenditures of grant funds in accordance with section 164(e) of the Act, including the requirement that the grantee shall have taken prompt and appropriate corrective actions for misexpenditures by a subgrantee or contractor.

(3) Prompt, appropriate, and aggressive debt collection action to recover any funds misspent by subgrantees or contractors ordinarily shall be considered a part of the corrective action required by section 164(e)(2)(D) of the Act.

(4) In making the determination required by section 164(e)(2) of the Act, the Secretary may determine, based on a request from the grantee, that the grantee may forego certain collection actions against a subgrantee or contractor where that subgrantee or contractor was not at fault with respect to the liability criteria set forth in section 164(e)(2)(A) through section 164(e)(2)(D) of the Act. The Secretary shall consider such requests in assessing whether the grantee's corrective action was appropriate in light of section 164(e)(2)(D) of the Act.

(5) The grantee shall not be released from liability for misspent funds under the determination required by section 164(e) of the Act until the Secretary determines that further collection action, either by the grantee or subgrantee or contractor, would be inappropriate or would prove futile.

(e) Nothing in this section shall preclude the Secretary from imposing a sanction directly against a subgrantee or contractor as authorized in section 164(e)(3) of the Act. In such a case, the Secretary shall inform the grantee of the Secretary's action.

Subpart E—Program Design and Management

§ 632.70 Waiver of regulations under Parts 632 and 636.

(a) A Native American section 401 grantee may request, and the Assistant Secretary of Labor for Employment and Training may grant, a waiver of specific provisions of 20 CFR Parts 632 and 636, or of any applicable administrative issuance, to the extent that such request is consistent with the provision of the Act.

(b)(1) In requesting a waiver under this section, the Native American section 401 grantee shall demonstrate how it will enhance the provision of services or outcomes to participants, which may include, but are not limited to, the following purposes: improving the targeting of services to the hard-to-serve; increasing the level of basic and occupational skills training provided by the JTPA program; contributing to the provisions of academic enrichment services to youth; promoting coordination of JTPA programs with other...
human resources programs; or substantially improving the job placement outcomes of the JTPA program.

(2) The request shall describe the regulatory requirements to be waived and demonstrate how such requirements impede the enhancement of the services and outcomes described in paragraph (b)(1) of this section.

(3) The waiver request shall indicate how the grantee will modify its planning documents as a result of the waiver.

(c) A waiver shall not be granted for:

(1) Any statutory requirement;

(2) The formula for allocation of funds;

(3) Eligibility requirements for services as provided in this part;

(4) Requirements for public health or safety, labor standards, civil rights, occupational safety or health, or environmental protection; or

(5) Prohibitions or restrictions relating to construction of buildings or facilities.

(d) Waivers granted shall be effective for no more than four years from the date the waiver is granted.

[60 FR 58229, Nov. 27, 1995]

§ 632.75 General responsibilities of Native American grantees.

This subpart sets out program operation requirements for Native American grantees including program management, linkages, coordination and consultation, allowable activities, participant benefits and duration of participation provisions. It also sets forth the responsibilities of Native American grantees with respect to nondiscrimination and equitable provision of services.

§ 632.76 Program management systems.

(a) All Native American grantees shall establish management information systems to control and assess all programs. Native American grantees must institute and maintain effective systems for the overall management of all programs including:

(1) Eligibility verification systems as described in §632.77;

(2) Complaint and hearing procedures as described in part 636; and

(3) Mechanisms for taking immediate corrective action where problems have been identified and for restitution of JTPA funds for improper expenditures.

(b) All Native American grantees shall establish and maintain financial management and participant tracking systems in accordance with §632.32 and §632.77. The principal objectives of such systems shall be to provide the Native American grantee with systems necessary to effectively manage its program and to provide information necessary to design program activities and delivery mechanisms and complete Federal required reports.

(c) Each Native American grantee shall establish and use procedures for the continuous, systematic assessment of program performance in relation to the performance standards and goals contained in its CAP.

(d) Native American grantees shall establish and use procedures whereby the information collected and assessments conducted shall be considered in subsequent program planning and in the selection of service deliverers.

§ 632.77 Participant eligibility determination.

(a) Each Native American grantee, and any subgrantees or contractors assigned responsibility for the determination of participant eligibility, shall be responsible for developing and maintaining a system which reasonably ensures an accurate determination and subsequent verification of eligibility based on the information presented at the time of application.

(b) The ultimate responsibility for the selection of participants and the maintenance of participant records rests with the Native American grantee. However, the Native American grantee may assign the administration of this responsibility to subgrantees of contractors. The selected agency must provide adequate documentation of each participant’s eligibility and retain in the participant’s folder the information on which this determination is based.

(c) The eligibility determination shall be based upon a signed, completed, application form which records all information necessary to determine
§ 632.78  Eligibility, which attests that the information on the application is true to the best of the applicant’s knowledge and acknowledging that such information is subject to verification and that falsification of the application shall be grounds for the participant’s termination and may subject the applicant to prosecution under law. In the case of an applicant who is a minor (except minors who are emancipated or heads of households), the signature of the parent, responsible adult or guardian is also required.

(d) Native American grantees shall maintain documentation to ensure the credibility of the eligibility determination, which shall at a minimum:

(1) Include a completed application for participation;

(2) Include records of all actions taken to correct deficiencies in the eligibility determination procedures; and

(3) Show compliance with section 504 of the Act.

(e) A participant determined to be ineligible shall immediately be terminated.

(f) A Native American grantee may enter into an agreement with a State employment security agency (SESA) or other independent agency or organization as may be approved by the Department, for the verification of applicant eligibility within 45 days of enrollment. The Native American grantee shall monitor such verification procedures to ensure that erroneous verifications are not made deliberately or with insufficient care.

(g) Participants may be transferred from one JTPA program to another, from one Native American grantee to another, from a Native American grantee to a SDA grant recipient, from a SDA grant recipient to a Native American grantee, or concurrently enrolled in programs sponsored by Native American grantees or SDA grant recipients, provided, except for age requirements, they were eligible for the subsequent or concurrent program when they were first enrolled.

(h) Eligibility determinations for each program shall be made at the time of application. Applicants determined eligible may be enrolled as participants within 45 days of the date of the application without an update of the information on the application provided they did not obtain full-time permanent unsubsidized employment in the interim. This provision does not apply to the title II-B program.

(i) Aliens described in section 167(a)(5) of the Act and who otherwise meet the eligibility requirements for programs under this part, may participate in a program if this is permitted by Indian law or the Native American grantee.

§ 632.78  Training activities.

Native American grantees shall design and operate programs funded under the Act which support growth and development as determined by representatives of the Indian and Native American communities and groups served (sec. 401(a)). Training shall be only for occupations for which there is a demand in the area served or in another area to which the participant is willing to relocate, and consideration in the selection of training programs may be given to training in occupations determined to be in sectors of the economy which have a potential for sustained demand or growth. The CAP will provide evidence based on local labor market information that occupational demand exists for planned training. The basic types of training activities available to Native American grantees, subgrantees and contractors include, but are not limited, to the following:

(a) Classroom training. This program activity is any training of the type normally conducted in an institutional setting, including vocational education, and designed to provide individuals with the technical skills and information required to perform a specific job or group of jobs. It may be coupled with other employment and training activities and may also include training designed to enhance the employability of individuals by upgrading basic skills, through the provision of courses such as remedial education, GED, training in the primary language of persons with limited English-speaking proficiency, or English-as-a-second-language training.
On-the-job training. (1) On-the-job training (OJT) is training in the private or public sector given to a participant, who has been hired first by the employer, and which occurs while the participant is engaged in productive work which provides knowledge or skills essential to the full and adequate performance of the job. This does not preclude a participant who has been hired by and received OJT from one employer from being ultimately placed with another employer. Innovative approaches to financing, particularly involving the sharing of training costs by the private sector are to be encouraged.

(2) OJT may be coupled with other JTPA employment and training activities. As needed, OJT participants may receive any of the employment and training services or supportive services through the system, through community resources, or through employer resources.

(3) Reimbursement. Payments to employers for OJT which shall not, during the period of such training, average more than 50 percent of the wages excluding fringe benefits paid by the employer to such participants, and payments in such amount shall be deemed to be in compensation for the extraordinary costs associated with the training costs and lower productivity of such participants. No direct wage payments will be made to OJT participants by the Native American Grantee.

(4) OJT agreements. Employers will be held responsible with respect to JTPA costs only in accordance with the provisions of their OJT agreements. At a minimum, the OJT agreement shall contain the elements listed below. Native American grantees may place additional provisions in the OJT agreement only after a careful assessment is made of the additional burdens imposed on participating employers. Agreements may be entered into only with employers which have not been seriously deficient in their conduct of or participation in any DOL program. Each OJT agreement shall contain:

(i) A brief training outline, including the length of training and the nature of the training;
(ii) The method and maximum amount of reimbursement for OJT training costs;
(iii) The number of participants to be trained;
(iv) Job descriptions and specification of participant wage rates;
(v) Reporting requirements;
(vi) An assurance that payroll records, time and attendance records, job duties and documentation of classroom training, employment and training services, or supportive services, costs for which the employer is being reimbursed will be subject to review;
(vii) A termination clause for non-performance; and
(viii) An assurance that the employer will comply with the Act and regulations.

(c) Tryout employment. Tryout employment in private-for-profit work-sites may be conducted in accordance with section 205(d)(3)(B) of the Act (sec. 141(K)).

(d) Training assistance. Such assistance includes:

(1) Orientation to the world of work;
(2) Counseling. This includes employment and training related counseling and testing;
(3) Job development;
(4) Job search assistance. This includes transition services, such as job seeking skills instruction, individualized job search plan, labor market information, and other special activities for transition to unsubsidized employment;
(5) Job referral and placement; and
(6) Vocational Exploration Program (VEP). A Native American grantee may conduct a VEP program to expose participants to jobs available in the private sector through observation of such jobs, instruction, and, if appropriate, limited practical experience.

(e) Combined activities. (1) A participant may be simultaneously or sequentially enrolled in two or more activities.

(2) (i) Reimbursement may be up to 100 percent to employers, including private-for-profit employers, for expenditures for the costs of classroom training, employment and training assistance or supportive services for participants in combined activities including the costs of participants’ wages paid by
§ 632.79 Employment activities.

(a) Community service employment (CSE). Community Service Employment is the type of work normally provided by government and includes, but is not limited to, work (including part-time work) in such fields as environmental quality, child care, health care, education, crime prevention and control, prisoner rehabilitation, transportation, recreation, maintenance of parks, streets and other public facilities, solid waste removal, pollution control, housing and neighborhood improvement, rural development, conservation, beautification, veterans outreach, development of alternative energy technologies, and other fields of human betterment and community improvement. It includes work performed by tribally sponsored or owned income generating enterprises owned by Indian tribes, bands, or groups, or Native Alaskan entities, provided the profits from such enterprises are used exclusively for functions normally performed by the governing body of such entities.

(b) Work experience. (1) Work experience is a short-term or part-time work assignment with an employing agency or an organization authorized to employ CSE participants. It is otherwise prohibited in the private-for-profit sector.

(2) Participation in work experience shall be for a reasonable length of time, based on the needs of the participant, and subject to the restrictions set forth in §632.85.

§ 632.80 Other activities.

(a) General. Native American grantees may conduct employment and training activities not described in this subpart. The CAP shall describe the basic design of activities undertaken as “other activities” and their objectives. These activities may include, but are not limited to:

(1) Removal of artificial barriers to employment;

(2) Job restructuring;

(3) Revision or establishment of merit systems;

(4) Development and implementation of affirmative action plans, including Indian preference plans and Tribal Employment Rights Office (TERO) programs.

(5) Post termination services in §632.80 for up to 30 days following termination; and

(6) Employment generating services.

(b) Supportive services. Supportive services are those which are necessary to enable an individual eligible under this part, but who cannot afford to pay for such services, participate in the program. Such supportive services may include but are not limited to transportation, health care, special services and materials for the handicapped, child care, meals, temporary shelter, financial counseling, and other reasonable expenses required for participation in the training program and may be provided in-kind or through cash assistance.

§ 632.81 Payments to participants.

(a) General. Each participant paid wages for employment activities, allowances for classroom training or reimbursted for OJT or tryout employment will be provided such benefits pursuant to section 142 of the Act.

(b) Maximum wage rates for CSE. (1) The wages (including those received from overtime work and leave taken during the period of employment) paid to any CSE participant from funds under the Act shall be limited to a full-time rate of $10,000 per year (or the hourly, weekly, or monthly rate which, if full-time and annualized, would equal a rate of $10,000 per year). Approved rates above $10,000 are fixed at the CETA approved rate as of September 30, 1982, unless adjusted by the Secretary.

(2) Fringe benefits payable from funds under the Act to any CSE participant may not exceed those regularly

(c) The limitation on work experience participation in JTPA set forth in paragraph (a) of this section:

(1) Shall not apply to time spent by in-school youth or title II-B participants enrolled in a work experience program under the Act, nor shall such time be included in determining if an individual has reached such limitations; and

(2) May be waived by the Chief, DINAP and the waiver justification described in the Master Plan or CAP.
§ 632.86 Nondiscrimination and non-sectarian activities.

Pursuant to section 167(a) of the Act:

§ 632.89 Performance standards.

The Department of Labor shall establish performance standards for all Native American grantees (section 401(h)(1)). Performance results, as judged against these standards, will not be used for grantee designation purposes for the Program Years 1985–1986. Performance results will be a factor in grantee designations for Program Years 1987–1988, and beyond.

Subpart F—Prevention of Fraud and Program Abuse

§ 632.115 General.

(a) To ensure the integrity of the JTPA programs special efforts by grantees are necessary to prevent fraud and other program abuses. While any violation of the Act or regulations may constitute fraud or program abuse, this subpart F identifies and addresses those specific program problems of most concern to the Department.
(b) This subpart sets forth specific responsibilities of Native American grantees, subgrantees and contractors and of the Secretary to prevent fraud and program abuse in JTPA programs.

§ 632.116 Conflict of interest.

(a) No member of any advisory, planning, private industry council or governing body under the Act shall cast a vote on any matter which has a direct bearing on services to be provided by that member or any organization which such member directly represents or on any matter which would financially benefit such member or any organization such member represents.
(b) Each Native American grantee, subgrantee or contractor shall avoid personal and organizational conflict of interest in awarding financial assistance and in the conduct of procurement activities involving funds under the Act in accordance with the code of conduct requirements set forth in 41 CFR 29–70.216–4.
(c) Neither the Secretary nor any Native American grantee, subgrantee or contractor shall pay funds under the

The Native American grantee may waive this requirement if adequate justification is documented. The following are examples where the nepotism provision may be waived:

1. If there are no other persons eligible and available for participation or employment by the Native American grantee;

2. Where the Native American grantee’s total service population is 2,000 or less, or where the geographical situation of an Indian or Native American community is rural and isolated from other communities within the designated service area; or

3. Where the potential participant has a history of unemployment or dependence on public assistance.

(b) A Native American grantee may develop its own nepotism policy in lieu of the policy in paragraph (a) of this section. The Chief, DINAP, shall review any such policy before its implementation and shall approve or disapprove it. Any such policy shall be described in the Master Plan and have adequate safeguards to prevent persons employed in an administrative capacity for the Native American grantee, its subgrantees or contractors from using such position to secure JTPA services or other benefits for a member of his or her immediate family. A satisfactory policy shall include the following minimum criteria:

1. All formal personnel procedures shall be followed;

The term excludes officials of entities belonging to a consortium who are not at the same time officials of the consortium. Persons serving on a Native American grantee’s advisory councils or PIC shall not be considered to be in an administrative capacity.

§ 632.119 Political Patronage.

(a) No Native American grantee, subgrantee or contractor may select, reject, or promote a participant based on that individual’s political affiliation or beliefs.    (b) No participant in work experience or community service employment may be placed into, or remain working in, any position which is affected by labor disputes involving a work stoppage. If such a work stoppage occurs during the grant period, participants in affected positions must:
      (1) Be relocated to positions not affected by the dispute; or
      (2) Be suspended through administrative leave or other means; or
      (3) Where participants belong to the labor union involved in the work stoppage, they shall be treated in the same manner as other members of the union except that they may not remain in the affected positions. The grantee shall make every effort to relocate participants who wish to remain working into suitable positions unaffected by the work stoppage.
   (c) No person shall be referred to or placed in an on-the-job training position affected by a labor dispute involving a work stoppage and no payments may be made to employers for the training and employment of participants in on-the-job training during the periods of work stoppage.

§ 632.123 Maintenance of effort.

   (b) Any person whoever willfully obstructs or impedes, or endeavors to obstruct or impede, an investigation or inquiry under the JTPA or the regulations thereunder, shall be punished by a fine of not more than $5,000 or by imprisonment for not more than 1 year, or by both such fine and imprisonment.

(2) Seventy-five percent of the available funds shall be allocated on the basis of the relative number of members of Indian and other Native Americans households, whose income is at or below the poverty level, within the Native American grantee’s geographic service area compared to the total number of members of Indians and Native American households in poverty in the United States.

(b) Commencing with Program Year 1985 and after consultation with Indian groups, the Department may reserve up to one percent of section 401 funds. These funds may be used for technical assistance to improve the program’s overall performance.

(c) In situations when the Department determines that the formula allocation will result in severe disruption from one year to the next, a hold harmless or other factor to minimize such disruptions may be used.
§ 632.172 Eligibility for participation in Title IV, section 401.

(a) An Indian, Native Alaskan, or Native Hawaiian, as determined by the Native American Grantee, who is economically disadvantaged, or unemployed or underemployed is eligible to participate in a program under this subpart. For income eligibility purposes, the NAG may use either 6-months annualized or 12-months actual income.

(b) Indians and other persons of Native American descent who meet the requirements of subsection (a) of this section and who are identified by the Federal or State government as “land-less” or “terminated” or “non-federally recognized” are included among those eligible to participate. These terms shall be broadly construed for the specific purpose of including, among others, terminated, State-recognized, or other groups or individuals previously determined to be eligible for Indian services under the Comprehensive Employment and Training Act.

(c) A Native American grantee may enroll Indian and Native American participants in upgrading and retraining programs who are not unemployed, underemployed or economically disadvantaged where such participants meet the following eligibility requirements:

(1) For upgrading, a person must be operating at less than full skill potential, and working for at least the prior 6 months with the same employer in either an entry level, unskilled or semiskilled position or a paid position with little or no advancement opportunity in a normal promotional line. Priority consideration shall be given to the workers who have been in entry level positions for the longest time.

(2) For retraining a person must have received a bona fide notice of impending layoff and have been determined by the grantee as having little opportunity to be reemployed in the same or equivalent occupation or skill level within the labor market area.

§ 632.173 Allowable program activities.

(a) Native American grantees may undertake programs and activities consistent with the purposes of the Act including, but not limited to, programs and activities described in §§ 632.78 through 632.81.

(b) Native American grantees are encouraged to develop innovative means of addressing the needs of unemployed, underemployed and economically disadvantaged members of their communities and of contributing to the permanent economic self-sufficiency of such communities.

(c) Training and placement in the private sector will be emphasized. CSE and work experience are permitted when consistent over the long term with increasing earnings in unsubsidized employment. Expenditures for CSE are limited to 10 percent or the unemployment rate, based on data collected by an appropriate Federal or State agency including BIA, of a NAG’s total section 401 allocation. For nonreservation grantees, the official BLS unemployment rate or State job service rate for the area will be used.

(d) Wages and allowances are to be kept to a minimum to maximize funds to be used for training.

(e) Innovative approaches to the private sector are encouraged.

(f) Other activities described in § 632.80 should use no more than 25 percent of the funds. This limitation may be increased to accommodate the extraordinary costs associated with special training projects where it is clear the benefits support the additional cost. An increase to this limitation shall be approved in instances such as, but not limited to, rural participants needing relocation for training, when the costs of housing, transportation, etc., for training participants cannot be met within a 25 percent limitation, and for TERO activities.

§ 632.174 Administrative costs.

Administrative costs for this subpart are limited to and shall not exceed 20 percent of the funds available.

Subpart B—Grant Planning and Application Procedures

(a) The agency’s efforts to recover debts (for which three demand letters have been sent) established by final agency action have been unsuccessful; or
(b) Fraud or criminal activity has been proven to exist within the organization.

§ 633.202 Announcement of State planning estimates and invitation to submit a grant application.

The SGA will contain all information needed by an applicant to apply for funding; i.e., general program description, rating criteria, and dates for submission of applications.
(b) Intention to apply. Any eligible applicant intending to apply for funds
§ 633.203 Review of funding request.

The SGA will identify all review standards including:

(a) An understanding of the problems of migrant and seasonal farmworkers;
(b) A familiarity with the area to be served;
(c) A previously demonstrated capability to administer effectively a diversified employability development program for migrant and seasonal farmworkers;
(d) General administrative and financial management capability;
(e) Prior performance with respect to financial management, audit and program outcomes.

§ 633.204 Responsibility review.

(a) Prior to final selection as a potential grantee the Department will conduct a review of the available records to determine whether or not the organization has failed any responsibility test. This review is intended to establish overall responsibility to administer Federal funds. With the exceptions of paragraphs (a)(1) and (a)(3) of this section, the failure to meet any one of the tests would not establish that the organization is irresponsible unless the failure is substantial or persistent. The responsibility tests are as follows:

1. The agency’s efforts to recover debts (for which three demand letters have been sent) established by final agency action have been unsuccessful, or failure to comply with an approved repayment plan.
2. Serious administrative deficiencies identified in final findings and determinations—such as failure to maintain a financial management system as required by Federal regulations.
3. Established fraud or criminal activity within the organization.
4. Wilful obstruction of the audit process.
5. Substantial failure to provide services to applicants as agreed to in a current or recent grant or to meet performance standard requirements as provided at §633.321 of this subpart.
6. Failure to correct deficiencies brought to the grantees’ attention in writing as a result of monitoring activities, reviews, assessments, etc.
7. Failure to return a grant closeout package or outstanding advances within 90 days of expiration date or receipt of closeout package, whichever is later, unless an extension has been requested and granted; final billings reflecting serious cost category or total budget cost overrun.
8. Failure to submit required reports.
9. Failure to properly report and dispose of government property as instructed by DOL.
10. Failure to have maintained cost controls resulting in excess cash on hand.
11. Failure to procure or arrange for audit coverage for any two year period when required by DOL.
12. Failure to audit a subrecipient within the required period when applicable.
13. Final disallowed costs in excess of five percent of the grant or contract award.
14. Failure to establish a mechanism to resolve subrecipient’s audit within established time frames.

(b) This responsibility review is independent of the competitive process. Applicants failing to meet the requirements of this section will not be selected as potential grantees irrespective of their standing in the competition.
§ 633.205 Notification of selection.

(a) Respondents to the SGA which are selected as potential grantees shall be so notified by the Department. The notification shall invite each potential grantee to negotiate the final terms and conditions of the grant, shall establish a reasonable time and place for the negotiation, and shall indicate the State or area to be covered by the grant. Funds may be awarded for two program years.

(b) In the event that no grant applications are received for a specific State or area or that those received are deemed to be unacceptable, or where a grant agreement is not successfully negotiated, the Department may give the Governor first right to submit an acceptable application pursuant to §633.201. Should the Governor not accept the offer within fifteen days, the Department may then (1) designate another organization or organizations, (2) reopen the area for competitive bidding, or (3) use the funds for national-account activities.

(c) An applicant whose grant application is not selected by the Department to receive section 402 funds shall be notified in writing.

(d) Applicants who submit grant applications which have been rejected may not resubmit a new grant application for the State(s) or area(s) in which they are interested in providing services until the area(s) is announced by the Department as reopened for competition.

(e) Any applicant whose grant application is denied in whole or in part by the Department may request an administrative review as provided in part 636, with respect to whether there is a basis in the record to support the Department’s decision. This appeal will not in any way interfere with the Department’s designation and funding of another organization to service the area in question during the appeal period. The available remedy under such an appeal will be the right to be designated in the future rather than a retroactive or immediately effective selection status. Therefore, in the event the ALJ rules that the organization should have been selected and the organization continues to meet the requirements of this part, the Department will select and fund the organization within 90 days of the ALJ’s decision unless the end of the 90-day period is within 6 months of the end of the funding period. Any organization selected and/or funded prior to the ALJ’s decision will be affected in a manner prescribed by the Department. All parties will agree to the provisions of this paragraph as a condition for funding.

§ 633.315 **Replacement, corrective action, termination.**

(a) The Department may replace any grantee who during the grant period has been terminated by first offering the Governor the opportunity to submit an acceptable application. When such an offer is made and should the Governor decline, within 15 days, or should the Governor or his agent have been the terminated grantee, the Department may replace the grantee by (1) designating another organization or organizations, or (2) opening the area for competitive bidding.

(b) The Department may also require appropriate corrective action as a condition of continued funding of a grantee whose performance has been found deficient, but not sufficient to warrant termination for cause or emergency treatment. Such appropriate corrective actions may include but are not limited to termination of subrecipient agreements, development of and compliance with corrective action plans, etc.

(c) In cases where deficiencies are identified and efforts at corrective action have failed, the Department may apply sanctions, e.g., suspension of Letter of Credit, incremental funding, etc.

(d) Termination for cause can occur whenever there is a violation of the governing rules and regulations, failure to comply with the grant terms and conditions and in such cases as:

§633.317 Reallocation of funds.

(a) In a limited number of circumstances, the Department may reduce a portion of a grant when it can be reasonably projected that the funds will not be used during the grant performance period or that they will not be used for DOL authorized carryover purposes. Such reduction of funds will only be undertaken after 30-days advance notice to the grantee.

(b) Funds recaptured as a result of these grant reductions will be available for technical assistance or special projects funded at the discretion of the Department.

§ 633.320 Nepotism.

(a) No grantee, subgrantee, or employing agency may hire a person in an administrative capacity, staff position, or on-the-job training position funded under the Act if a member of that person’s immediate family is engaged in an administrative capacity for that grantee, subgrantee, or employing agency.

(b) No subgrantee or employing agency may hire a person in an administrative capacity, staff position or on-the-job training position funded under the Act if a member of that person’s immediate family is engaged in an administrative capacity for the grantee from which that subgrantee or employing agency obtains its funds. To the extent that an applicable State or local legal requirement regarding nepotism is more restrictive than this provision, such State or local requirement shall be followed.

(c) For purposes of this section the term “immediate family” means wife, husband, son, daughter, mother, father, brother, brother-in-law, sister, sister-in-law, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, niece, nephew, stepparent, and stepchild.

(1) Select the measures against which the standards will be set.

(2) Prescribe the pre- and post-program measurement periods.

(3) Determine standards for each of the measures, from which specific grantee standards can be determined in accordance with the parameters established by the Secretary.

(a) Pursuant to sections 164 (d), (e), (f), (g), and (h) of the Act, the Secretary may impose appropriate sanctions and corrective actions for violations of the Act, regulations, or grant terms and conditions. Additionally, sanctions may include the following:

(1) Offsetting debts, arising from misexpenditure of grant funds, against amounts to which the grantee is or may be entitled under the Act, except as provided in section (e)(1) of the Act. The debt shall be fully satisfied when the Secretary reduces amounts allotted to the grantee by the amount of the misexpenditure; and

(2) Determining the amount of Federal cash maintained by the grantee or its subgrantee or contractor in excess of reasonable grant needs, establishing a debt for the amount of such excessive cash, and charging interest on that debt.

(c) To impose a sanction or corrective action regarding a violation of section 167 of the Act, the Secretary shall utilize the procedures of 29 CFR part 31.

(d) (1) The Secretary shall hold the grantee responsible for all funds under the grant. The grantee shall hold its subgrantees and contractors responsible for JTPA funds received through the grant.
(2) The Secretary shall determine the liability of the grantee for misexpenditures of grant funds in accordance with section 164(e) of the Act, including the requirement that the grantee shall have taken prompt and appropriate corrective actions for misexpenditures by a subgrantee or contractor.

(3) Prompt, appropriate, and aggressive debt collection action to recover any funds misspent by subgrantees or contractors ordinarily shall be considered a part of the corrective action required by section 164(e)(2)(D) of the Act.

(4) In making the determination required by section 164(e)(2) of the Act, the Secretary may determine, based on a request from the grantee, that the grantee may forego certain collection actions against a subgrantee or contractor where that subgrantee or contractor was not at fault with respect to the liability criteria set forth in section 164(e)(2)(A) through section 164(e)(2)(D) of the Act. The Secretary shall consider such requests in assessing whether the grantee’s corrective action was appropriate in light of section 164(e)(2)(D) of the Act.

(5) The grantee shall not be released from liability for misspent funds under the determination required by section 164(e) of the Act until the Secretary determines that further collection action, either by the grantee or subgrantee or contractor, would be inappropriate or would prove futile.

§ 634.1 General.

§ 636.1 Scope and purpose.

(a) General. This part establishes the procedures to receive, investigate and resolve complaints, and conduct hearings to adjudicate disputes under title IV (except part B) of the Act. It governs grievance procedures at the recipient or subrecipient level, the receipt and investigation of complaints at the Federal level, the procedures for resolving investigative findings, the rules of practice for adjudicative hearings, and the rendering of decisions pursuant to the Act. Judicial review of final action of the Department after opportunity for an administrative hearing has been exclusively established in the United States Courts of Appeals for the Circuits in which the affected parties reside or transact business.

(b) Initiation of investigations. JTPA investigations may be initiated upon the request of any person or organization or by the Department on its own initiative.

(c) Non-JTPA remedies. Whenever any person, organization or agency believes that a recipient or subrecipient has engaged in conduct that violates the Act and that such conduct also violates a Federal statute other than JTPA, or a State or local law, that person, organization or agency may, with respect to the non-JTPA cause of action, institute a civil action or pursue other remedies authorized under other Federal, State, or local law against the recipient or subrecipient without first exhausting the remedies in this subpart. For example, if a subrecipient believes that a grantee has breached the subgrant agreement between the grantee and itself, the subrecipient may institute a civil action for breach of contract in a State court if so authorized by State law. Nothing in the Act or this paragraph, shall:

(1) Allow any person or organization to join or sue the Secretary with respect to his or her responsibilities under JTPA except after exhausting the remedies in this subpart.

§ 636.2 Protection of informants.

(a) Informants. Where possible the identity of any person who has furnished information relating to, or assisted in an investigation of a possible violation of the Act will be held in confidence. Where disclosure of the person's identity is essential to assure a fair determination of the issues, or where necessary to effectively accomplish responsibilities under the Act, the Department may disclose such identity upon such conditions as will promote the continued receipt of confidential information by the Department and effectuate the protections and policies stated in paragraph (b) of this section. Any such disclosure shall be consistent with the Freedom of Information Act, the Privacy Act and other applicable law.

(b) Retaliation prohibited. No person or agency may discharge, or in any other manner discriminate or retaliate against any person, or deny to any person a benefit to which that person is entitled under the provisions of the Act.
§ 636.3 Complaint and hearing procedures at the grantee level.

(a) Policy. (1) Each grantee shall establish and maintain a procedure for resolving any complaint alleging a violation of the Act, regulations, grant or other agreements under the Act, including any complaint arising in connection with the JTPA programs operated by the grantee or its subrecipients. Such complaint procedures must meet the requirements of this section. The complaint procedure shall provide for final resolution of complaints within 60 days after filing the complaint. Where existing complaints or grievance procedures include the elements set forth in this section, grantees may adopt such mechanism as, or as part of, their JTPA procedure.

(2) Participants shall be provided, upon enrollment into employment or training, with a written description of the complaint procedures including notification of their right to file a complaint and instructions on how to do so. Grantees should designate an individual to monitor the operation of the complaint procedures, to ensure that complaints and related correspondence are logged and filed, to ensure that assistance is available for properly filling complaints, and to ensure the availability, coordination, and promptness of all elements of the procedures. Upon filing a complaint, and at each stage thereafter, each complaint shall be notified in writing of the next step in the procedure.

(3) Complaints may be brought by any individual or organization including, but not limited to, program participants, subrecipients, contractors, staff of the grantee or subrecipient, applicants for participation or financial assistance, labor unions, and community-based organizations.

(4) With the exception of complaints alleging fraud or criminal activity, the filing of a complaint pursuant to this section must be made within one year of the alleged occurrence.

(5) The grantee may delegate the authority to operate and maintain the complaint and hearing procedure to its subrecipients except for complaints between the grantee and its subrecipients (e.g., audit disallowances), complaints involving more than one of its subrecipients, or complaints directly involving the operations or responsibilities of the grantee. Where the procedure is delegated, the grantee may provide for an appeal to itself from the decision of the subrecipient or the grantee may provide that the subrecipient’s decision is the final decision of the grantee. Where the procedure is delegated, the grantee shall ensure that the procedures specified in this section are followed and a decision issued promptly within 60 days after a complaint is filed.

(6) When a participant is an employee of a grantee or subrecipient and alleges that an occurrence constitutes a violation of the Act, regulations, grant, or other agreements under the Act, as well as a violation of the terms and conditions of employment under a State or local law or a collective bargaining agreement, the participant may pursue the complaint and hearing procedures under the State or local law or the collective bargaining agreement, pursuant to §636.4. A participant who selects the procedures provided in this section is not precluded from filing a complaint under §636.4, unless otherwise prohibited by State or local law, or applicable collective bargaining agreement.

(b) Complaint procedures. The complaint resolution procedure shall include:

(1) Opportunity to file a complaint. All complaints shall be in writing.

(2) Opportunity for informal resolution of the complaint.

   (iii) A statement of any remedies to be applied.

   (iv) Notice of the right to file a complaint with the Grant Officer pursuant to §636.6 where any party disagrees with the decision.

(c) Hearing procedure. A hearing shall be provided within 30 days after filing a complaint. The hearing procedure shall include:

   (1) Written notice of the date, time and place of the hearing, the manner in which it will be conducted, and the issues to be decided. Other interested parties may apply for notice. Such other interested party is a person or organization potentially affected by the outcome. The notice to other interested parties shall include the same information furnished to the complainant and shall further state whether such interested parties may participate in the hearing and if applicable, the method by which they may request such participation.

   (2) Opportunity to withdraw the request for hearing in writing before the hearing.

   (3) Opportunity to request rescheduling of the hearing for good cause.

   (4) Opportunity to be represented by an attorney or other representative of the complainant’s choice.

   (5) Opportunity to call witnesses and introduce documentary evidence. Recipients or subrecipients shall cooperate in making available any persons under their control or employ to testify, if such persons are requested to testify by the complainant.

   (6) Opportunity to have records or documents relevant to the issues produced by their custodian when such records or documents are kept by or for the grantee or its subrecipient in the ordinary course of business.

   (7) Opportunity to question any witnesses or parties.

   (8) The right to an impartial hearing officer.

   (9) A verbatim record of the proceeding.

   (10) A written decision from the hearing officer to the complainant(s) and any other interested parties within 60 days of the filing of the complaint. This period may be extended with the written consent of all of the parties for good cause. The written decision shall include a statement of facts, a statement of reasons for the decision and a statement of any remedies to be applied. Where the hearing officer’s decision is the grantee’s final decision it shall be provided to the parties by certified or registered mail, return receipt requested.

   (11) Where a complaint procedure provides for a grantee’s review of the hearing officer’s decision, the grantee shall complete its review and provide a final written decision to the complainant(s), and any other parties, by certified or registered mail, return receipt requested, as provided in paragraph (c)(10) of this section within 60 days after the complaint is filed.

   (12) Where local law, personnel rules or other applicable requirements specify procedures in addition to those specified above, similarly employed JTPA participants shall be notified of their right to use the same procedures.

§ 636.4 Grievance procedures at the employer level.

(a) Policy. (1) Whenever the grantee or subrecipient is an employer, it shall continue to operate or shall establish and maintain for its participants a grievance procedure relating to the terms and conditions of JTPA employment. The employer who does not have a grievance procedure may use the complaint procedure established under §636.3. Employers shall inform participants of the procedures they are to follow.

(2) A participant who elects the grievance procedure in this section, may also pursue a complaint under
§ 636.5 Exhaustion of grantee level procedure.

(a) Exhaustion required. No complainant may file a complaint with the Department until the grantee level procedures specified in §636.3 have been exhausted.

(b) Exhaustion exceptions. Complainants who have not exhausted the procedures at the grantee level may file the complaint at the Federal level, and the Department may accept such complaint if it determines that:

1. The grantee or subrecipient has not acted within the time frames specified in §636.3; or
2. The grantee’s or subrecipient’s procedures are not in compliance with §636.3; or
3. An emergency situation exists.

§ 636.6 Complaints and investigations at the Federal level.

(a) General; final determination of reliable and probative evidence. Where local administrative remedies have been exhausted, section 144(c) of the Act requires that a final determination of the complaint shall be made within 120 days after the Department receives the complaint. The Department’s resolution of non-criminal matters pursuant to section 144(c) of the Act consists of the final determination under §636.8(e) of whether there is reliable and probative evidence to support the allegation or belief that a grantee or subrecipient is failing to comply with the requirements of the Act, regulations, grant or other agreement under the Act.

(b) Complaints. (1) Every complaint shall be filed in writing before the commencement of any investigation or corrective action shall be required. Complaints alleging discrimination under section 167, will be filed with the Regional Director, Office of Civil Rights (OCR). All other JTPA complaints will be filed with the appropriate Grant Officer. However, a complaint timely filed with either the Grant Officer or the Regional OCR Director shall be deemed properly filed and shall be referred (as necessary) to the appropriate office. The complaint shall be filed only after the grantee level procedures in §636.3 have been exhausted and no later than 30 days from the date of receipt of the written decision or notice required by §636.3. The complaint should contain the following:

(i) The full name, telephone number (if any), and address of the person making the complaint.

(ii) The full name and address of the respondent (the grantee or subrecipient or person against whom the complaint is made).

(vi) A copy of the final decision of the recipient or subrecipient issued pursuant to §636.3.

(2) A complaint will be considered to have been received upon receipt by the appropriate Grant Officer. To be acceptable, the complaint must be a written statement sufficiently precise to both identify those against whom the allegations are made and to fairly afford the respondent an opportunity to prepare a defense. A complaint may be amended to cure defects or omissions, or to clarify and amplify allegations made therein, and such amendments relate back to the original filing date for purposes of timely filing.

(3) A complaint once filed may be withdrawn only with the consent of the Grant Officer. If the complainant fails to cooperate or is unavailable, the
complaint may be dismissed upon reasonable notice to the last known address of the complainant.

(c) Investigation of complaints. Whenever the Grant Officer receives a complaint filed in accordance with paragraphs (a) and (b) of this section, the complaint shall be investigated if it alleges that any person, grantee or subrecipient has failed to comply with the requirements of the Act, regulations, grant or other agreements under the Act. The Grant Officer shall promptly issue a notice to the grantee or subrecipient which shall include a copy or summary of the complaint and which shall direct the grantee or subrecipient to forward a copy of the complete administrative file, including a copy of the certified verbatim transcript of the hearing, within 15 days of receipt of such notice to the Grant Officer. Such investigation shall be completed and a conclusion made pursuant to §636.8(e) within 120 days of the filing of the complaint, except that the time may be extended with the written consent of all the parties.

(d) Onsite review and other bases for investigation. If after an onsite review, monitoring visit, review of reports, data or other information, the Grant Officer has reason to believe that a grantee or subrecipient is failing to comply with the requirements of the Act, regulations, grant or other agreements under the Act, the Grant Officer or other designated authority shall inquire into the matter.

(e) Utilizing other services. With the consent and cooperation of State agencies charged with the administration or enforcement of State laws, the Secretary may elect for the purpose of carrying out this part, to utilize the services of State, local and Tribal agencies and their employees, and notwithstanding any other provision of law, may reimburse, in whole or in part, such State and local agencies and their employees for services rendered for such purposes.

(f) Criminal investigation. Notwithstanding any other provision of this part, investigation by the Department of any matter concerning a potential Federal criminal violation shall be conducted as the Inspector General shall direct pursuant to the powers granted by the Inspector General Act of 1978, Pub. L. 95–452, 92 Stat. 1101.

§ 636.7 Subpoenas.

(a) Subpoenas in non-Inspector General investigations. (1) The Department, through the appropriate Assistant Secretary, may issue a subpoena directing the person named therein to appear before a designated representative at a designated time and place to verify or to produce documentary evidence, or both, relating to any matter arising under the Act being investigated. The Assistant Secretary, Solicitor or the Associate Solicitor for Employment and Training Legal Services, for good cause shown, may extend the time prescribed for compliance with such subpoenas.

(2) Any motion to limit or quash any investigational subpoena shall be filed with the Chief Administrative Law Judge within 10 days after service of the subpoena, or, if the return date is less than 10 days after service of the subpoena, within such other time as may be allowed by the assigned Administrative Law Judge.

(3) The timely filing of a motion to limit or quash an investigational subpoena shall stay the requirement of a return on the portion challenged. If the Administrative Law Judge rules subsequent to the return date, and the ruling denies the motion in whole or in part, the Administrative Law Judge shall specify a new return date.

(4) All motions to limit or quash subpoenas, and the responses thereto, shall be part of the public record of the Office of the Administrative Law Judges except as otherwise ordered or provided under these regulations.

(b) Noncompliance. (1) In cases of failure to comply with compulsory processes, appropriate action may be initiated including actions for enforcement, forfeiture, penalties or criminal actions.

(2) The Solicitor of Labor, with the consent of the Attorney General, may:

(i) Institute in the appropriate district court on behalf of the Department an enforcement proceeding in connection with the failure or refusal of a person, partnership, corporation, recipient or other entity to comply with or to
§ 636.8 Initial and final determination; request for hearing at the Federal level.

(a) Initial determination. Upon the conclusion of a review of the entire administrative record of an investigation conducted pursuant to §636.6 or after the conclusion of the comment period for audits, the Grant Officer shall make an initial determination of the matter in controversy including the allowability of questioned costs or activities. Such determination shall be based upon the requirements of the Act, regulations, grants or other agreements, under the Act. The determination may conclude either:

(1) That based upon the entire record there is no violation of the Act, regulations, grants or other agreements under the Act; or

(2) That there is evidence to support the allegation, or finding of questioned costs or activities.

(b) Contents of initial determination. (1) In the event that the Grant Officer makes a finding that there is evidence to support the allegation of a violation the initial determination shall:

(i) Be in writing;

(ii) State the basis of the determination, including factual findings and conclusions;

(iii) Specify the costs or activities disallowed;

(iv) Specify the corrective actions required and/or that sanctions may be imposed; and

(v) Give notice of an opportunity for informal resolution of the matters as necessary to the appropriate parties, which should include all interested parties specified by the Grant Officer.

(2) In the event that the Grant Officer makes a finding of no violation the initial determination shall:

(ii) State the bases of the determination (factual findings and conclusions); and

(iii) Give notice of the opportunity to present additional information within 30 days of receipt of the initial determination.

(3) The initial determination shall be mailed by certified mail return receipt requested to the parties and interested parties.

(c) Allowability of certain questioned costs. In any case in which the Grant Officer determines that the recipient meets the requirements of section 164(e)(2)(A)-(D) of the Act, the Grant Officer may waive the imposition of sanctions (sec. 164(e)(3)). It is the responsibility of the grantee to request such waiver by the Grant Officer and to submit the evidence to be used to make the finding.

(d) Informal resolution. Except as provided by section 164(f) of the Act, the Grant Officer shall not revoke a grant, in whole or in part, nor institute corrective action or sanctions against a grantee without first providing the grantee with an opportunity to informally resolve those matters contained in the Grant Officer’s initial determination. If all matters are informally resolved, the Grant Officer shall notify the parties in writing of the nature of the resolution, which shall constitute final agency action, not subject to appeal, and shall close the file.

(e) Final determination. (1) If all the parties and the Grant Officer cannot informally resolve any matter pursuant to paragraph (d) of this section, the Grant Officer shall provide each party with a final written determination by certified mail, return receipt requested. In the case of audits, the final determination shall be issued not later than 180 days after the receipt by the Grant Officer of the final approved audit report.

(2) The final determination shall:

(i) Indicate that efforts to informally resolve matters contained in the initial determination pursuant to paragraph (a) of this section have been unsuccessful;

(ii) List those matters upon which the parties continue to disagree;

(iv) List any sanctions, and required corrective actions, including any other alteration or modification of the plan, grant, agreement or program ordered by the Grant Officer; and

(v) Inform the parties of their opportunity to request a hearing pursuant to these regulations.

(3) If it is determined in the final notice that the complaint does not allege and/or the evidence does not indicate that there is reason to believe there may have been a violation of the Act, regulations, grants or other agreements under the Act, the Grant Officer shall dismiss the complaint without an offer of a hearing. Such dismissal shall constitute final agency action.

§ 636.9 Opportunity for informal review.

(a) Parties to a complaint under § 636.10 may choose to waive their rights to an administrative hearing before the Office of Administrative Law Judges (OALJ) by choosing to transfer the settlement of their dispute to an individual acceptable to all parties for the purpose of conducting an informal review of the stipulated facts and rendering a decision in accordance with applicable law. A written decision will be issued within 60 days after the matter is submitted for informal review.

(b) The waiver of the right to request a hearing before the OALJ will automatically be revoked if a settlement has not been reached within the 60 days provided in paragraph (a) of this section.

(c) The decision rendered under this informal review process shall be treated as a final decision of an Administrative Law Judge pursuant to section 166(b) of the Act.

§ 636.10 Hearings before the Office of Administrative Law Judges.

(a) Jurisdiction. (1) Within 21 days of receipt of the Grant Officer’s final determination, except for determinations under § 636.8(e)(3) dismissing the complaint without an opportunity to request a hearing, or on the expiration of 120 days of the filing of a complaint with the Grant Officer upon which no extensions have been mutually agreed, any affected grantee, subrecipient of complainant may transmit by certified mail, return receipt requested, a request for hearing to the Chief Administrative Law Judge, United States Department of Labor, 800 K Street, NW., suite 400, Washington, DC 20001-8002 with a copy to the Grant Officer.

(2) The request for hearing shall be accompanied by a copy of the Grant Officer’s final determination, if issued, and shall specifically state those issues of the determination upon which review is requested. Those provisions of the determination not specified for review, or the entire determination when no hearing has been requested, shall be considered resolved and not subject to further review.

(3) Except as otherwise provided by these regulations, only alleged violations of the Act, regulations, grants or other agreements under the Act fairly raised in grantee level proceedings under § 636.3, alleged violations of recipient level procedures fairly raised before the Grant Officer, or complaints identified in sections 164(f) and 166(a) of the Act are subject to review.

(4) The same procedure set forth in paragraphs (a) (1) through (3) of this section applies in the case of a complainant who has not had a dispute adjudicated by the informal review process under § 636.9 within the 60 days, except that the request for hearing before the OALJ must be filed within 15 days of the conclusion of the 60-day period. In addition to including the determination upon which review is requested, the complainant must include a copy of any stipulation of facts and a brief summary of proceedings.

(5) Discretionary hearing. An opportunity for a hearing may also be extended when the appropriate Assistant Secretary determines that fairness and the effective operation of JTPA programs would be furthered.

(b) Service and filing. Copies of all papers required to be served on a party or filed with the OALJ shall be filed simultaneously with the OALJ and served upon the parties of record or their representatives, and shall contain proof of such service.

(c) Rules of Procedure. The rules of practice and procedure promulgated by
§ 636.11 Final action.

prehearing procedures to simplify and clarify facts and issues.

(e) Subpoenas. Subpoenas necessary to secure the attendance of witnesses and

the production of documents or things at hearings shall be obtained from the OALJ and shall be issued pursuant to the authority contained in section 163(b) of the Act, incorporating 15 U.S.C. section 49.

(f) Timely submission of evidence. The OALJ shall not permit the introduction at the hearing of documentation relating to the allowability of costs if such documentation has not been made available for review either at the time ordered for any prehearing conference, or, in the absence of such an order, at least three weeks prior to the hearing date.

(g) Burden of production. The Department shall have the burden of production to support the Grant Officer’s decision. To this end, the Grant Officer shall prepare and file an administrative file in support of the decision. Thereafter, the party or parties seeking to overturn the Grant Officer’s decision shall have the burden of persuasion.

(h) Review. As part of the determination, the Grant Officer shall determine whether any funds shall be reallocated to another recipient to serve the area formerly served by the terminated or suspended grant. The Grant Officer may also consider the desirability of providing direct Federal services to the area through appropriate means.

(b)(1) All property which would otherwise be under exclusive federal legislative jurisdiction shall be considered under concurrent jurisdiction with the appropriate State and locality with respect to criminal law enforcement as long as a center is operated on such property. This extends to portions of the property (e.g., housing and recreational facilities) in addition to the portions of the property used as the center or training facility.

(2) The Job Corps Director shall ensure that centers on property under concurrent federal-State jurisdiction establish agreements with federal, State and local law enforcement agencies to enforce criminal laws on such property. (Section 435(d))

(c) The Job Corps Director shall develop procedures to ensure that any searches of a student’s personal area or belongings for unauthorized goods follow applicable right-to-privacy laws.

§ 638.806 Property management and procurement.

§ 638.807 Imprest and petty cash funds.

Federally operated centers shall establish auditable imprest funds. Contract centers shall establish auditable petty cash funds. The Job Corps Director shall develop procedures to ensure the security of and accountability for imprest and petty cash funds.

§ 638.808 Center financial management and reporting.

The Job Corps Director shall establish procedures to ensure that each center operator and each subcontractor maintain a financial management system that will provide accurate, complete, and current disclosures of financial results of Job Corps operations, and will provide sufficient data for effective evaluation of program activities. Fiscal accounts shall be maintained in a manner that ensures timely and accurate reporting as required by the Job Corps Director.

§ 638.809 Audit.

(a) The Secretary of Labor, the DOL Office of Inspector General, the Comptroller General of the United States, and any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the Job Corps deliverers and their subcontractors that are pertinent to the Job Corps program for the purpose of making surveys, audits, examinations, excerpts, and transcripts.

(b) The Secretary shall, with reasonable frequency, survey, audit, or examine, or arrange for the survey, audit, or examination of Job Corps deliverers, or their subcontractors using Federal auditors or independent public accountants. Such surveys, audits, or examinations normally shall be conducted annually but not less than once every two years.

§ 638.810 Reporting requirements.

The Job Corps Director shall establish procedures to ensure timely and complete reporting of such program information as is necessary to maintain accountability for the Job Corps program and funding.

§ 638.811 Review and evaluation.

The Job Corps Director shall establish adequate program management to provide continuous examination of the performance of the components of the program.

§ 638.812 State and local taxation of Job Corps deliverers.

The Act provides that transactions conducted by a private for-profit deliverer or a nonprofit deliverer in connection with the deliverer’s operation of a center or other Job Corps program or activity shall not be considered as generating gross receipts. Such deliverer shall not be liable, directly or indirectly, to any State or subdivision thereof (nor to any person acting on behalf thereof) for any gross receipts taxes, business privilege taxes measured by gross receipts, or any similar

§ 639.1 Purpose and scope.

(a) Purpose of WARN. The Worker Adjustment and Retraining Notification Act (WARN or the Act) provides protection to workers, their families and communities by requiring employers to provide notification 60 calendar days in advance of plant closings and mass layoffs. Advance notice provides workers and their families some transition time to adjust to the prospective loss of employment, to seek and obtain alternative jobs and, if necessary, to enter skill training or retraining that will allow these workers to successfully compete in the job market. WARN also provides for notice to State dislocated worker units so that dislocated worker assistance can be promptly provided.

(b) Scope of these regulations. These regulations establish basic definitions and rules for giving notice, implementing the provisions of WARN. The Department’s objective is to establish clear principles and broad guidelines which can be applied in specific circumstances. However, the Department recognizes that Federal rulemaking cannot address the multitude of industry and company-specific situations in which advance notice will be given.

(c) Notice encouraged where not required. Section 7 of the Act states:

It is the sense of Congress that an employer who is not required to comply with the notice requirements of section 3 should, to the
Employment and Training Administration, Labor

§ 639.3

Employers, their representatives and units of local government may initiate civil actions against employers believed to be in violation of §3 of the Act. The Department of Labor has no legal standing in any enforcement action and, therefore, will not be in a position to issue advisory opinions of specific cases. The Department will provide assistance in understanding these regulations and may revise them from time to time as may be necessary.

(e) Notice in ambiguous situations. It is civically desirable and it would appear to be good business practice for an employer to provide advance notice to its workers or unions, local government and the State when terminating a significant number of employees. In practical terms, there are some questions and ambiguities of interpretation inherent in the application of WARN to business practices in the market economy that cannot be addressed in these regulations. It is therefore prudent for employers to weigh the desirability of advance notice against the possibility of expensive and time-consuming litigation to resolve disputes where notice has not been given. The Department encourages employers to give notice in all circumstances.

(f) Coordination with job placement and retraining programs. The Department, through these regulations and through the Trade Adjustment Assistance Program (TAA) and Economic Dislocation and Worker Adjustment Assistance Act (EDWAA) regulations, encourages maximum coordination of the actions and activities of these programs to assure that the negative impact of dislocation on workers is lessened to the extent possible. By providing for notice to the State dislocated worker unit, WARN notice begins the process of assisting workers who will be dislocated.

(g) WARN not to supersede other laws and contracts. The provisions of WARN do not supersede any laws or collective bargaining agreements that provide for additional notice or additional rights and remedies. If such law or agreement provides for a longer notice period, WARN notice shall run concurrently with that additional notice period. Collective bargaining agreements may be used to clarify or amplify the terms and conditions of WARN, but may not reduce WARN rights.

§ 639.2 What does WARN require?

WARN requires employers who are planning a plant closing or a mass layoff to give affected employees at least 60 days’ notice of such an employment action. While the 60-day period is the minimum for advance notice, this provision is not intended to discourage employers from voluntarily providing longer periods of advance notice. Not all plant closings and layoffs are subject to the Act, and certain employment thresholds must be reached before the Act applies. WARN sets out specific exemptions, and provides for a reduction in the notification period in particular circumstances. Damages and civil penalties can be assessed against employers who violate the Act.

§ 639.3 Definitions.

(a) Employer. (1) The term “employer” means any business enterprise that employs—

(i) 100 or more employees, excluding part-time employees; or

(ii) 100 or more employees, including part-time employees, who in the aggregate work at least 4,000 hours per week, exclusive of hours of overtime.

Workers on temporary layoff or on leave who have a reasonable expectation of recall are counted as employees. An employee has a “reasonable expectation of recall” when he/she understands, through notification or through industry practice, that his/her employment with the employer has been temporarily interrupted and that he/she will be recalled to the same or to a similar job. The term “employer” includes non-profit organizations of the requisite size. Regular Federal, State, local and federally recognized Indian tribal governments are not covered. However, the term “employer” includes public and quasi-public entities which engage in business (i.e., take part in a commercial or industrial enterprise, supply a service or good on a
§639.3  

mercantile basis, or provide independent management of public assets, raising revenue and making desired investments, and which are separately organized from the regular government, which have their own governing bodies and which have independent authority to manage their personnel and assets.

(2) Under existing legal rules, independent contractors and subsidiaries which are wholly or partially owned by a parent company are treated as separate employers or as a part of the parent or contracting company depending upon the degree of their independence from the parent. Some of the factors to be considered in making this determination are (i) common ownership, (ii) common directors and/or officers, (iii) de facto exercise of control, (iv) unity of personnel policies emanating from a common source, and (v) the dependency of operations.

(3) Workers, other than part-time workers, who are exempt from notice under section 4 of WARN are nonetheless counted as employees for purposes of determining coverage as an employer.

(4) An employer may have one or more sites of employment under common ownership or control. An example would be a major auto maker which has dozens of automobile plants throughout the country. Each plant would be considered a site of employment, but there is only one “employer”, the auto maker.

(b) Plant closing. The term “plant closing” means the permanent or temporary shutdown of a “single site of employment”, or one or more “facilities or operating units” within a single site of employment, if the shutdown results in an “employment loss” during any 30-day period at the single site of employment for 50 or more employees, excluding any part-time employees. An employment action that results in the effective cessation of production or the work performed by a unit, even if a few employees remain, is a shutdown. A “temporary shutdown” triggers the notice requirement only if there are a sufficient number of terminations, layoffs exceeding 6 months, or reductions in hours of work as specified under the definition of “employment loss.”

(c) Mass layoff. (1) The term “mass layoff” means a reduction in force which first, is not the result of a plant closing, and second, results in an employment loss at the single site of employment during any 30-day period for:

(i) At least 33 percent of the active employees, excluding part-time employees, and

(ii) At least 50 employees, excluding part-time employees.

Where 500 or more employees (excluding part-time employees) are affected, the 33% requirement does not apply, and notice is required if the other criteria are met. Plant closings involve employment loss which results from the shutdown of one or more distinct units within a single site or the entire site. A mass layoff involves employment loss, regardless of whether one or more units are shut down at the site.

(2) Workers, other than part-time workers, who are exempt from notice under section 4 of WARN are nonetheless counted as employees for purposes of determining coverage as a plant closing or mass layoff. For example, if an employer closes a temporary project on which 10 permanent and 40 temporary workers are employed, a covered plant closing has occurred although only 10 workers are entitled to notice.

(d) Representative. The term “representative” means an exclusive representative of employees within the meaning of section 9(a) or 8(f) of the National Labor Relations Act or section 2 of the Railway Labor Act.

(e) Affected employees. The term “affected employees” means employees who may reasonably be expected to experience an employment loss as a consequence of a proposed plant closing or mass layoff by their employer. This includes individually identifiable employees who will likely lose their jobs because of bumping rights or other factors, to the extent that such individual workers reasonably can be identified at the time notice is required to be given. The term “affected employees” includes managerial and supervisory employees, but does not include business
partners. Consultant or contract employees who have a separate employment relationship with another employer and are paid by that other employer, or who are self-employed, are not “affected employees” of the business to which they are assigned. In addition, for purposes of determining whether coverage thresholds are met, either incumbent workers in jobs being eliminated or, if known 60 days in advance, the actual employees who suffer an employment loss may be counted.

(f) Employment loss. (1) The term “employment loss” means (i) an employment termination, other than a discharge for cause, voluntary departure, or retirement, (ii) a layoff exceeding 6 months, or (iii) a reduction in hours of work of individual employees of more than 50% during each month of any 6-month period.

(2) Where a termination or a layoff (see paragraphs (f)(1)(i) and (ii) of this section) is involved, an employment loss does not occur when an employee is reassigned or transferred to employer-sponsored programs, such as retraining or job search activities, as long as the reassignment does not constitute a constructive discharge or other involuntary termination.

(3) An employee is not considered to have experienced an employment loss if the closing or layoff is the result of the relocation or consolidation of part or all of the employer’s business and, prior to the closing or layoff—

(i) The employer offers to transfer the employee to a different site of employment within a reasonable commuting distance with no more than a 6-month break in employment, or

(ii) The employer offers to transfer the employee to any other site of employment regardless of distance with no more than a 6-month break in employment, and the employee accepts within 30 days of the offer or of the closing or layoff, whichever is later.

(4) A “relocation or consolidation” of part or all of an employer’s business, for purposes of paragraph §639.3(h)(4), means that some definable business, whether customer orders, product lines, or operations, is transferred to a different site of employment and that transfer results in a plant closing or mass layoff.

(g) Unit of local government. The term “unit of local government” means any general purpose political subdivision of a State, which has the power to levy taxes and spend funds and which also has general corporate and police powers. When a covered employment site is located in more than one unit of local government, the employer must give notice to the unit to which it determines it directly paid the highest taxes for the year preceding the year for which the determination is made. All local taxes directly paid to the local government should be aggregated for this purpose.

(h) Part-time employee. The term “part-time” employee means an employee who is employed for an average of fewer than 20 hours per week or who has been employed for fewer than 6 of the 12 months preceding the date on which notice is required, including workers who work full-time. This term may include workers who would traditionally be understood as “seasonal” employees. The period to be used for calculating whether a worker has worked “an average of fewer than 20 hours per week” is the shorter of the actual time the worker has been employed or the most recent 90 days.

(i) Single site of employment. (1) A single site of employment can refer to either a single location or a group of contiguous locations. Groups of structures which form a campus or industrial park, or separate facilities across the street from one another, may be considered a single site of employment.

(2) There may be several single sites of employment within a single building, such as an office building, if separate employers conduct activities within such a building. For example, an office building housing 50 different businesses will contain 50 single sites of employment. The offices of each employer will be its single site of employment.

(3) Separate buildings or areas which are not directly connected or in immediate proximity may be considered a single site of employment if they are in reasonable geographic proximity, used for the same purpose, and share the same staff and equipment. An example is an employer who manages a number
§ 639.4 Who must give notice?

Section 3(a) of WARN states that “an employer shall not order a plant closing or mass layoff until the end of a 60-day period after the employer serves written notice of such an order * * *.” Therefore, an employer who is anticipating carrying out a plant closing or mass layoff is required to give notice to affected employees or their representative(s), the State dislocated worker unit and the chief elected official of a unit of local government. (See definitions in §639.3 of this part.)

(a) It is the responsibility of the employer to decide the most appropriate person within the employer’s organization to prepare and deliver the notice to affected employees or their representative(s), the State dislocated worker unit and the chief elected official of a unit of local government. In most instances, this may be the local site plant manager, the local personnel director or a labor relations officer.

(b) An employer who has previously announced and carried out a short-term layoff (6 months or less) which is being extended beyond 6 months due to business circumstances (including unforeseeable changes in price or cost) not reasonably foreseeable at the time of the initial layoff is required to give notice when it becomes reasonably foreseeable that the extension is required. A layoff extending beyond 6 months from the date the layoff commenced for any other reason shall be treated as an employment loss from the date of its commencement.

(c) In the case of the sale of part or all of a business, section 2(b)(1) of WARN defines who the “employer” is. The seller is responsible for providing notice of any plant closing or mass layoff which takes place up to and including the effective date (time) of the sale, and the buyer is responsible for providing notice of any plant closing or mass layoff that takes place thereafter. Affected employees are always entitled to notice; at all times the employer is responsible for providing notice.

(1) If the seller is made aware of any definite plans on the part of the buyer to carry out a plant closing or mass

§ 639.3 Definitions

(6) For workers whose primary duties require travel from point to point, who are outstationed, or whose primary duties involve work outside any of the employer’s regular employment sites (e.g., railroad workers, bus drivers, salespersons), the single site of employment to which they are assigned as their home base, from which their work is assigned, or to which they report will be the single site in which they are covered for WARN purposes.

(7) Foreign sites of employment are not covered under WARN. U.S. workers at such sites are counted to determine whether an employer is covered under §639.3(a).

(8) The term “single site of employment” may also apply to truly unusual organizational situations where the above criteria do not reasonably apply. The application of this definition with the intent to evade the purpose of the Act to provide notice is not acceptable.

(f) Facility or operating unit. The term “facility” refers to a building or buildings. The term “operating unit” refers to an organizationally or operationally distinct product, operation, or specific work function within or across facilities at the single site.

(k) State dislocated worker unit. The term “State dislocated worker unit” means a unit designated or created in each State by the Governor under title III of the Job Training Partnership Act, as amended by EDWAA.

(l) State. For the purpose of WARN, the term “State” includes the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands.
layoff within 60 days of purchase, the seller may give notice to affected employees as an agent of the buyer, if so empowered. If the seller does not give notice, the buyer is, nevertheless, responsible to give notice. If the seller gives notice as the buyer’s agent, the responsibility for notice still remains with the buyer.

(2) It may be prudent for the buyer and seller to determine the impacts of the sale on workers, and to arrange between them for advance notice to be given to affected employees or their representatives, if a mass layoff or plant closing is planned.

§ 639.5 When must notice be given?

(a) General rule. (1) With certain exceptions discussed in paragraphs (b), (c) and (d) of this section and in §639.9 of this part, notice must be given at least 60 calendar days prior to any planned plant closing or mass layoff, as defined in these regulations. When all employees are not terminated on the same date, the date of the first individual termination within the statutory 30-day or 90-day period triggers the 60-day notice requirement. A worker’s last day of employment is considered the date of that worker’s layoff. The first and each subsequent group of terminees are entitled to a full 60 days’ notice. In order for an employer to decide whether issuing notice is required, the employer should:

(i) Look ahead 30 days and behind 30 days to determine whether employment actions both taken and planned will, in the aggregate for any 30-day period, reach the minimum numbers for a plant closing or a mass layoff and thus trigger the notice requirement; and

(ii) Look ahead 90 days and behind 90 days to determine whether employment actions both taken and planned each of which separately is not of sufficient size to trigger WARN coverage will, in the aggregate for any 90-day period, reach the minimum numbers for a plant closing or a mass layoff and thus trigger the notice requirement. An employer is not, however, required under section 3(d) to give notice if the employer demonstrates that the separate employment losses are the result of separate and distinct actions and causes, and are not an attempt to evade the requirements of WARN.

(2) The point in time at which the number of employees is to be measured for the purpose of determining coverage is the date the first notice is required to be given. If this “snapshot” of the number of employees employed on that date is clearly unrepresentative of the ordinary or average employment level, then a more representative number can be used to determine coverage. Examples of unrepresentative employment levels include cases when the level is near the peak or trough of an employment cycle or when large upward or downward shifts in the number of employees occur around the time notice is to be given. A more representative number may be an average number of employees over a recent period of time or the number of employees on an alternative date which is more representative of normal employment levels. Alternative methods cannot be used to evade the purpose of WARN, and should only be used in unusual circumstances.

(b) Transfers. (1) Notice is not required in certain cases involving transfers, as described under the definition of “employment loss” at §639.3(f) of this part.

(2) An offer of reassignment to a different site of employment should not be deemed to be a “transfer” if the new job constitutes a constructive discharge.

(3) The meaning of the term “reasonable commuting distance” will vary with local and industry conditions. In determining what is a “reasonable commuting distance”, consideration should be given to the following factors: geographic accessibility of the place of work, the quality of the roads, customarily available transportation, and the usual travel time.

(4) In cases where the transfer is beyond reasonable commuting distance, the employer may become liable for failure to give notice if an offer to transfer is not accepted within 30 days of the offer or of the closing or layoff (whichever is later). Depending upon when the offer of transfer was made by the employer, the normal 60-day notice period may have expired and the plant...
closing or mass layoff may have occurred. An employer is, therefore, well advised to provide 60-day advance notice as part of the transfer offer.

(c) Temporary employment. (1) No notice is required if the closing is of a temporary facility, or if the closing or layoff is the result of the completion of a particular project or undertaking, and the affected employees were hired with the understanding that their employment was limited to the duration of the facility or the project or undertaking.

(2) Employees must clearly understand at the time of hire that their employment is temporary. When such understandings exist will be determined by reference to employment contracts, collective bargaining agreements, or employment practices of an industry or a locality, but the burden of proof will lie with the employer to show that the temporary nature of the project or facility was clearly communicated should questions arise regarding the temporary employment understandings.

(3) Employers in agriculture and construction frequently hire workers for harvesting, processing, or for work on a particular building or project. Such work may be seasonal but recurring. Such work falls under this exemption if the workers understood at the time they were hired that their work was temporary. In uncertain situations, it may be prudent for employers to clarify temporary work understandings in writing when workers are hired. The same employers may also have permanent employees who work on a variety of jobs and tasks continuously through most of the calendar year. Such employees are not included under this exemption. Giving written notice that a project is temporary will not convert permanent employment into temporary work, making jobs exempt from WARN.

(d) Strikes or lockouts. The statute provides an exemption for strikes and lockouts which are not intended to evade the requirements of the Act. A lockout occurs when, for tactical or defensive reasons during the course of collective bargaining or during a labor dispute, an employer lawfully refuses to utilize some or all of its employees for the performance of available work. A lockout not related to collective bargaining which is intended as a subterfuge to evade the Act does not qualify for this exemption. A plant closing or mass layoff at a site of employment where a strike or lockout is taking place, which occurs for reasons unrelated to a strike or lockout, is not covered by this exemption. An employer need not give notice when permanently replacing a person who is deemed to be an economic striker under the National Labor Relations Act. Non-striking employees at the same single site of employment who experience a covered employment loss as a result of a strike are entitled to notice; however, situations in which a strike or lockout affects non-striking employees at the same plant may constitute an unforeseeable business circumstance, as discussed in §639.9, and reduced notice may apply. Similarly, the “faltering company” exception, also discussed in §639.9 may apply in strike situations.Where a union which is on strike represents more than one bargaining unit at the single site, non-strikers includes the non-striking bargaining unit(s). Notice also is due to those workers who are not a part of the bargaining unit(s) which is involved in the labor negotiations that led to the lockout. Employees at other plants which have not been struck, but at which covered plant closings or mass layoffs occur as a direct or indirect result of a strike or lockout are not covered by the strike/lockout exemption. The unforeseeable business circumstances exception to 60 days’ notice also may apply to these closings or layoffs at other plants.
§ 639.6 Who must receive notice?

Section 3(a) of WARN provides for notice to each representative of the affected employees as of the time notice is required to be given or, if there is no such representative at that time, to each affected employee. Notice also must be served on the State dislocated worker unit and the chief elected official of the unit of local government within which a closing or layoff is to occur. Section 2(b)(1) of the Act states that “any person who is an employee of the seller (other than a part-time employee) as of the effective date [time] of the sale shall be considered an employee of the purchaser immediately after the effective date [time] of the sale.” This provision preserves the notice rights of the employees of a business that has been sold, but creates no other employment rights. Although a technical termination of the seller’s employees may be deemed to have occurred when a sale becomes effective, WARN notice is only required where the employees, in fact, experience a covered employment loss.

(a) Representative(s) of affected employees. Written notice is to be served upon the chief elected officer of the exclusive representative(s) or bargaining agent(s) of affected employees at the time of the notice. If this person is not the same as the officer of the local union(s) representing affected employees, it is recommended that a copy also be given to the local union official(s).

(b) Affected employees. Notice is required to be given to employees who may reasonably be expected to experience an employment loss. This includes employees who will likely lose their jobs because of bumping rights or other factors, to the extent that such workers can be identified at the time notice is required to be given. If, at the time notice is required to be given, the employer cannot identify the employee who may reasonably be expected to experience an employment loss due to the elimination of a particular position, the employer must provide notice to the incumbent in that position. While part-time employees are not counted in determining whether plant closing or mass layoff thresholds are reached, such workers are due notice.

(c) State dislocated worker unit. Notice is to be served upon the State dislocated worker unit. Since the States are restructuring to implement training under EDWAA, service of notice upon the State Governor constitutes service upon the State dislocated worker unit until such time as the Governor makes public State procedures for serving notice to this unit.

(d) Chief elected official of the unit of local government. The identity of the chief elected official will vary according to the local government structure. In the case of elected boards, the notice is to be served upon the board’s chairperson.

§ 639.7 What must the notice contain?

(a) Notice must be specific. (1) All notice must be specific.

(2) Where voluntary notice has been given more than 60 days in advance, but does not contain all of the required elements set out in this section, the employer must ensure that all of the information required by this section is provided in writing to the parties listed in § 639.6 at least 60 days in advance of a covered employment action.

(3) Notice may be given conditional upon the occurrence or nonoccurrence of an event, such as the renewal of a major contract, only when the event is definite and the consequences of its occurrence or nonoccurrence will necessarily, in the normal course of business, lead to a covered plant closing or mass layoff less than 60 days after the event. For example, if the non-renewal of a major contract will lead to the closing of the plant that produces the articles supplied under the contract 30 days after the contract expires, the employer may give notice at least 60 days in advance of the projected closing date which states that if the contract is not renewed, the plant closing will occur on the projected date. The notice must contain each of the elements set out in this section.

(4) The information provided in the notice shall be based on the best information available to the employer at the time the notice is served. It is not the intent of the regulations, that errors in the information provided in a
notice that occur because events subsequently change or that are minor, inadvertent errors are to be the basis for finding a violation of WARN.

(b) As used in this section, the term "date" refers to a specific date or to a 14-day period during which a separation or separations are expected to occur. If separations are planned according to a schedule, the schedule should indicate the specific dates on which or the beginning date of each 14-day period during which any separations are expected to occur. Where a 14-day period is used, notice must be given at least 60 days in advance of the first day of the period.

(c) Notice to each representative of affected employees is to contain:
   (1) The name and address of the employment site where the plant closing or mass layoff will occur, and the name and telephone number of a company official to contact for further information;
   (2) A statement as to whether the planned action is expected to be permanent or temporary and, if the entire plant is to be closed, a statement to that effect;
   (3) The expected date of the first separation and the anticipated schedule for making separations;
   (4) The job titles of positions to be affected and the names of the workers currently holding affected jobs.

The notice may include additional information useful to the employees such as information on available dislocated worker assistance, and, if the planned action is expected to be temporary, the estimated duration, if known.

(d) Notice to each affected employee who does not have a representative is to be written in language understandable to the employees and is to contain:
   (1) A statement as to whether the planned action is expected to be permanent or temporary and, if the entire plant is to be closed, a statement to that effect;
   (2) The expected date when the plant closing or mass layoff will commence and the expected date when the individual employee will be separated;
   (3) An indication whether or not bumping rights exist;
   (4) The name and telephone number of a company official to contact for further information.

The notice may include additional information useful to the employees such as information on available dislocated worker assistance, and, if the planned action is expected to be temporary, the estimated duration, if known.

(e) The notices separately provided to the State dislocated worker unit and to the chief elected official of the unit of local government are to contain:
   (1) The name and address of the employment site where the plant closing or mass layoff will occur, and the name and telephone number of a company official to contact for further information;
   (2) A statement as to whether the planned action is expected to be permanent or temporary and, if the entire plant is to be closed, a statement to that effect;
   (3) The expected date of the first separation, and the anticipated schedule for making separations;
   (4) The job titles of positions to be affected, and the number of affected employees in each job classification;
   (5) An indication as to whether or not bumping rights exist;
   (6) The name of each union representing affected employees, and the name and address of the chief elected officer of each union.

The notice may include additional information useful to the employees such as a statement of whether the planned action is expected to be temporary and, if so, its expected duration.

(f) As an alternative to the notices outlined in paragraph (e) above, an employer may give notice to the State dislocated worker unit and to the unit of local government by providing them with a written notice stating the name of address of the employment site where the plant closing or mass layoff will occur; the name and telephone number of a company official to contact for further information; the expected date of the first separation; and the number of affected employees. The employer is required to maintain the other information listed in §639.7(e) on site and readily accessible to the State dislocated worker unit and to the unit of general local government. Should

§ 639.8 How is the notice served?

Any reasonable method of delivery to the parties listed under §639.6 of this part which is designed to ensure receipt of notice of least 60 days before separation is acceptable (e.g., first class mail, personal delivery with optional signed receipt). In the case of notification directly to affected employees, insertion of notice into pay envelopes is another viable option. A ticketed notice, i.e., preprinted notice regularly included in each employee’s pay check or pay envelope, does not meet the requirements of WARN.

§ 639.9 When may notice be given less than 60 days in advance?

Section 3(b) of WARN sets forth three conditions under which the notification period may be reduced to less than 60 days. The employer bears the burden of proof that conditions for the exceptions have been met. If one of the exceptions is applicable, the employer must give as much notice as is practicable to the union, non-represented employees, the State dislocated worker unit, and the unit of local government and this may, in some circumstances, be notice after the fact. The employer must, at the time notice actually is given, provide a brief statement of the reason for reducing the notice period, in addition to the other elements set out in §639.7.

(a) The exception under section 3(b)(1) of WARN, termed “faltering company”, applies to plant closings but not to mass layoffs and should be narrowly construed. To qualify for reduced notice under this exception:

(1) An employer must have been actively seeking capital or business at the time that 60-day notice would have been required. That is, the employer must have been seeking financing or refinancing through the arrangement of loans, the issuance of stocks, bonds, or other methods of internally generated financing; or the employer must have been seeking additional money, credit, or business through any other commercially reasonable method. The employer must be able to identify specific actions taken to obtain capital or business.

(2) There must have been a realistic opportunity to obtain the financing or business sought.

(3) The financing or business sought must have been sufficient, if obtained, to have enabled the employer to avoid or postpone the shutdown. The employer must be able to objectively demonstrate that the amount of capital or the volume of new business sought would have enabled the employer to keep the facility, operating unit, or site open for a reasonable period of time.

(4) The employer reasonably and in good faith must have believed that giving the required notice would have precluded the employer from obtaining the needed capital or business. The employer must be able to objectively demonstrate that it reasonably thought that a potential customer or source of financing would have been unwilling to provide the new business or capital if notice were given, that is, if the employees, customers, or the public were aware that the facility, operating unit, or site might have to close. This condition may be satisfied if the employer can show that the financing or business source would not choose to do business with a troubled company or with a company whose workforce would be looking for other jobs. The actions of an employer relying on the “faltering company” exception will be viewed in a company-wide context. Thus, a company with access to capital markets or with cash reserves may not avail itself of this exception by looking solely at the financial condition of the facility, operating unit, or site to be closed.

(b) The “unforeseeable business circumstances” exception under section 3(b)(2)(A) of WARN applies to plant closings and mass layoffs caused by business circumstances that were not reasonably foreseeable at the time that 60-day notice would have been required.

(1) An important indicator of a business circumstance that is not reasonably foreseeable is that the circumstance is caused by some sudden, dramatic, and unexpected action or condition outside the employer’s control. A principal client’s sudden and unexpected termination of a major
§ 639.10 When may notice be extended?

Additional notice is required when the date or schedule of dates of a planned plant closing or mass layoff is extended beyond the date or the ending date of any 14-day period announced in the original notice as follows:

(a) If the postponement is for less than 60 days, the additional notice should be given as soon as possible to the parties identified in §639.6 and should include reference to the earlier notice, the date (or 14-day period) to which the planned action is postponed, and the reasons for the postponement. The notice should be given in a manner which will provide the information to all affected employees.

(b) If the postponement is for 60 days or more, the additional notice should be treated as new notice subject to the provisions of §§639.5, 639.6 and 639.7 of this part. Rolling notice, in the sense of routine periodic notice, given whether or not a plant closing or mass layoff is impending, and with the intent to evade the purpose of the Act rather than give specific notice as required by WARN, is not acceptable.

SOURCE: 43 FR 33225, July 28, 1978, unless otherwise noted.

§ 640.1 Purpose and scope.

(a) Purpose. (1) Section 303(a)(1) of the Social Security Act requires, for the purposes of title III of that act, that a State unemployment compensation law include provision for methods of administration of the law that are reasonably calculated to insure the full payment of unemployment compensation when determined under the State law to be due to claimants. The standard in this part is issued to implement...
section 303(a)(1) in regard to promptness in the payment of unemployment benefits to eligible claimants.

(2) Although the standard applies to the promptness of all benefit payments and the criteria apply directly to the promptness of first benefit payments, it is recognized that adequate performance is contingent upon the prompt determination of eligibility by the State as a condition for the payment or denial of benefits. Accordingly, implicit in prompt performance with respect to benefit payments is the corresponding need for promptness by the State in making determinations of eligibility. However, applicable Federal laws provide no authority for the Secretary of Labor to determine the eligibility of individuals under a State law.

(b) Scope. (1) The standard in this part applies to all State laws approved by the Secretary of Labor under the Federal Unemployment Tax Act (section 3304 of the Internal Revenue Code of 1954, 26 U.S.C. 3304), and to the administration of the State laws.

(2) The standard specified in §640.4 applies to all claims for unemployment compensation. The criteria for State compliance in §640.5 apply to first payments of unemployment compensation under the State law to eligible claimants following the filing of initial claims and first compensable claims.

§640.2 Federal law requirements.

(a) Conformity. Section 303(a)(1) of the Social Security Act, 42 U.S.C. 503(a)(1), requires that a State law include provision for:

Such methods of administration as are found by the Secretary of Labor to be reasonably calculated to insure full payment of unemployment compensation when due.

(b) Compliance. Section 303(b)(2) of the Social Security Act, 42 U.S.C. 503(b)(2), provides in part that:

Whenever the Secretary of Labor, after reasonable notice and opportunity for hearing to the State agency charged with the administration of the State law, finds that in the administration of the law there is:

(1) * * *

(2) a failure to comply substantially with any provision specified in subsection (a) of this section;

the Secretary of Labor shall notify such State agency that further payments will not be made to the State until the Secretary of Labor is satisfied that there is no longer any such failure to comply.

Until he is so satisfied, he shall make no further certification to the Secretary of the Treasury with respect to such State.

§640.3 Interpretation of Federal law requirements.

(a) Section 303(a)(1). The Secretary interprets section 303(a)(1) of the Social Security Act to require that a State law include provision for such methods of administration as will reasonable insure the full payment of unemployment benefits to eligible claimants with the greatest promptness that is administratively feasible.

(b) Section 303(b)(2). (1) The Secretary interprets section 303(b)(2) of the Social Security Act to require that, in the administration of a State law, there shall be substantial compliance with the provision required by section 303(a)(1).

(2) The greatest promptness that is administratively feasible will depend upon the circumstances in each State that impacts upon its performance in paying benefits. Factors reasonably beyond a State’s control may cause its performance to drop below the level of adequacy expressed in the table below as criteria for substantial compliance applicable to all States. Where it is demonstrated that failure to meet the criteria of adequacy is attributable to factors reasonably beyond the State’s control and, in light of those factors, the State has performed at the highest level administratively feasible, it will be considered that the State is in substantial compliance with the Standard for conformity. Whether or not the State is in substantial compliance, the remedial provisions of §§640.7 and 640.8 will be applicable when the pertinent criteria are not met.

§640.4 Standard for conformity.

A State law will satisfy the requirement of section 303(a)(1), if it contains a provision requiring, or which is construed to require, such methods of administration as will reasonably insure the full payment of unemployment benefits to eligible claimants with the greatest promptness that is administratively feasible.
§ 640.5 Criteria for compliance.

The criteria in the schedule below shall apply in determining whether, in the administration of a State law, there has been substantial compliance with the provision required by section 303(a)(1) in the issuance of benefit payments to eligible claimants for the first compensable weeks of unemployment in their benefit years:

1 A nonwaiting week State is any State whose law does not require that a non-compensable period of unemployment be served before the payment of benefits commences.

2 Beginning with the month following the effective date of this revised regulation.

A State will be deemed to comply substantially, as set out in §§640.2(b) and 640.3(b), if its average performance, for the period of review, meets or exceeds the applicable criteria set forth above.

§ 640.6 Review of State compliance.

(a) Annual reviews. The administration of each State law shall be reviewed annually for compliance, as set out in §§640.2(b) and 640.3(b). Annual reviews shall be for the 12-month period ending on March 31 of each year. An annual review with respect to any State shall be based upon the monthly reports of performance submitted to the Department by the State agency, any benefit payment performance plan applicable to the period being reviewed, any study or analysis of performance relevant to the period being reviewed, and any other audit, study, or analysis as directed by the Department of Labor.

(b) Periodic review. The administration of any State law may be reviewed at any other time, when there is reason to believe that there may be failure of compliance as set out in §§640.2(b) and 640.3(b). Such a review shall be based upon the same elements as may be required for an annual review.

§ 640.7 Benefit payment performance plans.

(a) Annual plan. An annual benefit payment performance plan shall be submitted by a State agency to the Department of Labor when average performance over a 12-month period ending on March 31 of any year does not meet the criteria specified in §640.5. An annual plan shall be submitted by July 31 following the applicable March 31, and shall be a plan for the fiscal year that begins on the succeeding October 1. An annual plan shall be subject to continuing appraisal during the period it is in effect, and shall be subject to modification from time to time as may be directed by the Department of Labor after consultation with the State agency.

(b) Periodic plan. A periodic benefit payment performance plan shall be submitted by a State agency when directed by the Department of Labor. A periodic plan may be in addition to, or a modification of an annual plan and may be required even though an annual plan covering the same period is not required. A periodic plan shall be subject to continuing appraisal during the period it is in effect, and shall be subject to modification from time to time as may be directed by the Department of Labor.

(c) Content of plan. An annual plan or periodic plan shall set forth such corrective actions, performance and evaluation plans, and other matters as the
§ 640.8 Enforcement of the standard.

(a) Action by the Department of Labor. When a State agency fails, for an extended period, to meet the standard set forth in §640.4 or the criteria specified in §640.5, or fails to show satisfactory improvement after having submitted a benefit payment performance plan of action, the Department of Labor shall pursue any of the following remedial steps that it deems necessary before considering application of the provisions of §640.2:

1. Initiate informal discussion with State agency officials pursuant to §601.5(b) of this chapter.
2. Conduct an evaluation of the State’s benefit payment processes and analyze the reasons for the State’s failure to meet the standard.
3. Recommend specific actions for the State to take to improve its benefit payment performance.
4. Request the State to submit a plan for complying with the standard by a prescribed date.
5. Initiate special reporting requirements for a specified period of time.
6. Consult with the Governor of the State regarding the consequences of the State’s noncompliance with the standard.
7. Propose to the Governor of the State and on an agreed upon basis arrange for the use of expert Federal staff to furnish technical assistance to the State agency with respect to its payment operations.

(b) Action by the Assistant Secretary. If, after all remedial steps have been exhausted, a State fails to take appropriate action, or otherwise fails to meet the standard specified in §640.4, the Assistant Secretary for Employment and Training shall, after taking all factors into consideration, recommend to the Secretary of Labor that appropriate notice be sent to the State agency and that an opportunity for a hearing be extended in accordance with section 303(b) of the Social Security Act.

§ 640.9 Information, reports and studies.

A State shall furnish to the Secretary of Labor such information and reports and make such studies as the Secretary decides are necessary or appropriate to carry out this part.
§ 641.101 Scope and purpose.

Part 641 contains the regulations of the Department of Labor for the Senior Community Service Employment Program (SCSEP) under title V of the OAA. The dual purposes of a SCSEP project are to provide useful part-time community service assignments for persons with low incomes who are 55 years old or older while promoting transition to unsubsidized employment. months on an annualized basis or the
actual income during the preceding 12
months, whichever is more beneficial
to the applicant, is not more than 125
percent of the poverty levels estab-
lished and periodically updated by the
U.S. Department of Health and Human Services. In addition, an individual

(a) Allotment. The Secretary shall allot funds for projects in each State in accordance with the distribution requirements contained in section 506(a) of the OAA.

(b) Within-State apportionment. The amount allotted for projects within a State shall be apportioned among areas within the State in an equitable manner, taking into consideration:

(1) The proportion which eligible individuals in each such area bears to the total number of such persons, respectively, in that State;

(2) The relative distribution of such individuals residing in rural and urban areas within the State; and

(3) The relative distribution of such individuals who are individuals with the greatest economic need, such individuals who are minority individuals, and such individuals with greatest social need.

Whenever a national organization or other program grantee or subgrantee proposes to conduct projects within a planning and service area in a State, such organization or program grantee is responsible for sharing their applications with area agencies on aging and other SCSEP sponsors in the area prior to the award of the funds in accord with guidelines issued by the Department.

(c) Subgrants. A grant applicant planning to award funds by subgrant shall:

(1) Outline the nature and extent of the planned use of such funds; and

(2) Assure that in the event that a subgrant agreement is canceled in whole or in part, the grantee will provide continuity of services to enrollees.

§ 641.205 Responsibility review.

(a) In order to enter into and continue a grant relationship with DOL,
Employment and Training Administration, Labor § 641.208

an organization (applicant) shall be responsible. To determine responsibility, DOL conducts a preaward review of all grant applicants. As part of this review, DOL applies 13 basic responsibility tests to each applicant, included in paragraphs (b) and (c) of this section.

(b) If a grant applicant fails either of the following two responsibility tests, it shall not be designated as a grantee:

(1) The Department’s efforts to recover debts from the applicant (for which three demand letters have been sent) established by final Department action have been unsuccessful, or the applicant has failed to comply with an approved repayment plan.

(2) Fraud or criminal activity has been determined to exist within the organization.

(c) Eleven additional basic responsibility tests are applied to each grant applicant. Failure to meet any one of these tests does not establish that the applicant is not responsible, unless the failure is substantial or persistent. These tests are as follows:

(1) Serious administrative deficiencies have been identified, such as failure to maintain a financial management system as required by Federal regulations.

(2) Willful obstruction of the monitoring process.

(3) Failure to meet performance requirements.

(4) Failure to correct deficiencies brought to the grantee’s attention in writing as a result of monitoring activities, reviews, assessments, etc.

(5) Failure to submit correct grant closeout documents within 90 days after expiration of the grant, unless an extension has been requested and granted.

(7) Failure to submit correct required reports by established due dates.

(8) Failure to properly report and dispose of government property as instructed by DOL.

(9) Failure to maintain cost controls resulting in excess cash on hand.

(2) Whether the application is in accordance with the Department’s instructions;

(3) Whether the application complies with the requirements of the OAA and this part;

(4) Whether the application offers the best prospect of serving appropriate geographic areas; and

(5) Whether the application demonstrates the effective use of funds.

§ 641.207 Negotiation.

(a) The Department may negotiate with an eligible organization to arrive at a grant agreement if the application generally meets requirements set forth in this part.

(b) The subjects of negotiation may include, but are not limited to, the following:

(1) Project components, including community service assignments and geographic locations of authorized positions;

(2) Subproject(s), if any;

(3) Funding level, including all budget line items; and

(4) Performance goals.

§ 641.208 Rejection of grant application or project components.

(a) The Department may question any proposed project component if it believes that the component will not serve the purposes of the OAA; if negotiation does not produce a mutually acceptable conclusion, it may reject this grant application.

(b) If the Department rejects an application, as set forth in paragraph (a) of this section, the Department may
§ 641.209 Award of funds.

When the applicant is a unit of State government or a public or private non-profit organization, the award of funds to a grantee shall be accomplished through the execution of a grant agreement prepared by the Department. When the applicant is a unit of the Federal Government, other than the Department, the award of funds shall be accomplished through an inter-agency agreement.

Subpart C—Grant Operations

§ 641.301 General.

(a) This subpart establishes basic grant operation standards and procedures to be followed by all organizations receiving title V funds for the purpose of operating SCSEP grant agreements and projects.

(b) The dual purposes of an SCSEP project are to provide useful part-time community service assignments for persons with low incomes who are 55 years old or older while promoting transition to unsubsidized employment. Grantees and subgrantees shall develop appropriate work assignments for eligible individuals which will result in the provision of community services as defined in sections 502(b) and 507(2) of the OAA, and §641.102 and will promote unsubsidized employment opportunities.

§ 641.302 Grantee responsibilities.

The grantee shall remit to eligible individuals wages, for community service assignments, and provide skill enhancement opportunities, periodic physical examinations, personal and employment-related counseling, assistance in transition to unsubsidized employment where feasible, and other benefits as approved by the Department.

(a) Grantees are responsible for:

(1) Following and enforcing the requirements set forth in the OAA and this part;

(2) Implementing and carrying out projects in accordance with the provisions of the grant agreement; and

(3) Assuring that, to the extent feasible, such projects will serve the needs of minority, limited English-speaking, and Indian eligible individuals, and eligible individuals who have the greatest economic need, at least in proportion to their numbers in the State, and take into consideration their rates of poverty and unemployment based on the best available information.

(b) The grantee periodically shall monitor the performance of grant-supported activities to assure that project goals are being achieved and that the requirements of the OAA and this part are being met.

(c) The grantee or subgrantee shall obtain and record the personal information necessary for a proper determination of eligibility for each individual and maintain documentation supporting the eligibility of enrollees.

(d) Each grantee or subgrantee shall make efforts to provide equitable services among substantial segments of the population eligible for participation in SCSEP. Such efforts shall include, but not be limited to: outreach efforts to broaden the composition of the pool of those considered for participation, to include members of both sexes, various race/ethnic groups and individuals with disabilities.

§ 641.303 Cooperative relationships.

(a) Each grantee or subgrantee shall, to the maximum extent feasible, cooperate with other agencies, including agencies conducting programs under the JTPA, to provide services to elderly persons, to persons with low incomes, and with agencies providing employment and training services.

(b) The cooperation described in paragraph (a) of this section shall include, but not be limited to:
§ 641.305 Enrollment eligibility.

(a) General. Eligibility criteria set forth in this section apply to all SCSEP applicants and enrollees, including the following individuals:

(1) Each individual seeking initial enrollment;

(2) Each individual seeking reenrollment after termination from the SCSEP because of loss of unsubsidized employment through no fault of their own, including illness; and

(3) Each enrollee seeking recertification for continued enrollment.

(b) Eligibility criteria. To be eligible for initial enrollment, each individual shall meet the following criteria for age, income, and place of residence:

(1) Age. Each individual shall be no less than 55 years of age. No person whose age is 55 years or more shall be determined ineligible because of age, and no upper age limit shall be imposed for initial or continued enrollment. [Section 502 of the OAA.]

(2) Income. The income of the family of which the individual is a member shall not exceed the low-income standards defined in §641.102 and issued by the Department. In addition, a disabled person may be treated as a “family of one” for income eligibility purposes.

(3) Residence. Each individual, upon initial enrollment, shall reside in the State in which the project is authorized.

(c) No additional eligibility requirement. Grantees and subgrantees shall not impose any additional condition or requirement for enrollment eligibility unless required by Federal law.

(d) Dual Eligibility. Individuals eligible under title V of the OAA who are enrolled in a joint program established under a written financial or non-financial agreement to jointly operate programs with JTPA shall be deemed to
§ 641.306 Enrollment priorities.

(a) As set forth in sections 502(b)(1)(M) and 507(1) of the OAA, enrollment priorities for filling all positions shall be as follows:

(1) Eligible individuals with the greatest economic need;

(2) Eligible individuals who are 60 years old or older; and

(3) Eligible individuals who seek re-enrollment following termination of an unsubsidized job through no fault of their own or due to illness, provided that re-enrollment is sought within one year of termination.

(b) Within all enrollment priorities, those persons with poor employment prospects shall be given preference.

(c) Enrollment priorities established in this section shall apply to all vacant community service positions, but shall not be interpreted to require the termination of any eligible enrollee. The priorities do not apply to the experimental private sector projects authorized by section 502(e) of the OAA.

§ 641.307 [Reserved]

§ 641.308 Orientation.

(a) Enrollee. The grantee or subgrantee shall provide orientation to eligible individuals who are enrolled as soon as practicable after a determination of eligibility. The orientation shall provide, as appropriate, information related to: project objectives; community service assignments; training; supportive services; responsibilities, rights, and duties of the enrollee; permitted and prohibited political activities; plans for transition to unsubsidized employment and a discussion of safe working conditions at the host agencies.

(b) Host agency. The grantee or a subgrantee shall provide to those individuals who will supervise enrollees at the host agencies, an orientation similar to the one described in paragraph (a) of this section. This is to assure that enrollees will receive adequate supervision and opportunities for
transitioning to the host agency staff or other unsubsidized employment.

(c) **Supervision.** The grantee or subgrantee shall ensure that host agencies provide adequate supervision, adequate orientation and instruction regarding, among other things, job duties and safe working procedures.

§ 641.309 **Assessment and reassessment of enrollees.**

(a) **General.** The grantee or subgrantee shall assess each enrollee under the grant or subgrant, respectively, to determine the most suitable community service assignment and to identify appropriate employment, training, and community service objectives for each individual. The assessment shall be made in partnership with the new enrollee and should consider the individual’s preference of occupational category, work history, skills, interests, talents, physical capabilities, need for supportive services, aptitudes, potential for performing proposed community service assignment duties, and potential for transition to unsubsidized employment.

(b) **Assessment of physical capabilities.**
The assessment of each enrollee shall take into consideration his or her physical capabilities. Assessments of physical ability shall be consistent with section 504 of the Rehabilitation Act of 1973, as amended (section 504), and the Americans with Disabilities Act of 1990 (ADA).

(c) **Assignment.** The grantee or subgrantee shall seek a community service assignment which will permit the most effective use of each enrollee’s skills, interests, and aptitudes.

(d) **Individual development plans.** The grantee and subgrantee shall use the assessment or reassessment as a basis for developing or amending an individual development plan (IDP). The IDP shall be developed in partnership with the enrollee to reflect the needs of the enrollee as indicated by the assessment, as well as the expressed interests and desires of the enrollee.

(e) **Review of IDP plan.** The grantee and subgrantee shall review the IDP at least once in a 12 month period for the following purposes: to evaluate the progress of each enrollee in meeting the objectives of the IDP; to determine each enrollee’s potential for transition to unsubsidized employment; to determine the appropriateness of each enrollee’s current community service assignment; and to review progress made toward meeting their training and employment objectives.

(f) **Alternative assignment.** The sponsor may develop an alternative assignment for an enrollee, when feasible, should there be one of the following determinations:

1. That a different community service assignment will provide greater opportunity for the use of an enrollee’s skills and aptitudes;
2. That an alternative assignment will provide work experience which will enhance the potential for unsubsidized employment; or
3. That an alternative assignment will otherwise serve the best interests of the enrollee.

(g) **Minimum requirements.** The assessments and reassessments required by this section shall meet minimum requirements issued by the Department on assessment, and subsequent determinations are to be recorded in the enrollee’s IDP, to become a part of each enrollee’s permanent record.

(h) **Recent assessments.** Assessments of an enrollee, prepared by another employment or training program (such as a program under the JTPA or the Carl D. Perkins Vocational and Applied Technology Act) may be substituted for one prepared by the grantee or subgrantee if the training program prepared the assessment within the last year prior to applying for SCSEP. [section 502(b)(1)(M) of the OAA.]

§ 641.310 **Community service assignments.**

(a) **Assignment to community service.** After the completion of an enrollee’s orientation and initial training, if any, the grantee or subgrantee shall refer the enrollee, as soon as possible, to a useful part-time community service assignment, if appropriate, according to the IDP.

1. Each enrollee shall be placed in a community service assignment which contributes to the general welfare of the community and provides services related to publicly-owned and operated facilities and projects, or projects.
sponsored by organizations other than political parties, exempt from taxation under the provisions of section 501(c)(3) of the Internal Revenue Code of 1986. Project sponsors may provide enrollees with opportunities to assist in the administration of the SCSEP.

(2) The enrollee shall not be assigned to work involving the construction, operation, or maintenance of any facility used or to be used as a place for sectarian religious instruction or worship, or to work which primarily benefits private, profit-making organizations. [Sections 502(b)(1)(A), (C), and (D) and 507(2) of the OAA.]

(b) Hours of community service assignments. (1) Each enrollee’s community service assignment shall not exceed 1,300 hours during a 12-month period specified in the grantee’s agreement. The 1,300 hours includes paid hours of orientation, training, sick leave, and vacation and hours of enrollment provided by all grantees and subgrantees. No enrollee shall be paid for more than 1,300 hours in any 12-month period. [Section 508(a)(2) of the OAA.]

(2) The grantee or subgrantee shall not require an enrollee to participate more than 20 hours during one week; however, hours may be extended with the consent of the enrollee.

(3) The grantee or subgrantee shall not offer an enrollee an average of fewer than 20 hours of paid participation per week. Shorter periods may be authorized by the grant agreement, in writing by the Department, or by written agreement between an enrollee and a grantee or subgrantee. [Section 508(a)(2) of the OAA.]

(4) The grantee or subgrantee shall, to the extent possible, ensure that the enrollee works during normal business hours, if the enrollee so desires.

(c) Location. The enrollee shall be employed at work sites in or near the community where the enrollee resides. [Section 502(b)(1)(B) of the OAA.]

(d) Working conditions for enrollees. Enrollees shall not be permitted to work in a building or surroundings or under conditions which are unsanitary, hazardous, or dangerous to the enrollees’ health or safety. The grantee or subgrantee shall make periodic visits to the enrollees’ work site(s) to assure that the working conditions and treatment of the enrollee are consistent with the OAA and this part. [Section 502(b)(1)(J) of the OAA.]

§ 641.311 Enrollee wages and fringe benefits.

(a) Wages. Upon engaging in part-time community service assignments, including orientation and training in preparation for community service assignments, each enrollee shall receive wages at a rate no less than the highest applicable rate:

(1) The minimum wage which would be applicable to the enrollee under the Fair Labor Standards Act of 1938;

(2) The State or local minimum wage for the most nearly comparable covered employment; or

(3) The prevailing rates of pay for persons employed in similar public occupations by the same employer.

(b) Fringe benefits. (1) The grantee or subgrantee shall ensure that enrollees receive all fringe benefits required by law.

(2) Within a project or subproject, fringe benefits shall be provided uniformly to all enrollees, unless the Department agrees to waive this provision due to a determination that such a waiver is in the best interests of applicants, enrollees, and the project administration.

(3) Physical examination. (i) Each enrollee shall be offered the opportunity to take a physical examination annually. A physical is a fringe benefit, and is not an eligibility criterion. The examining physician shall provide, to the enrollee only, a written report of the results of the examination. The enrollee may, at his or her option, provide the grantee or subgrantee a copy of the report. The results of the physical examination shall not be taken into consideration in determining placement into a community service assignment.

(ii) An enrollee may refuse the physical examination offered. In such a case, the grantee or subgrantee should document this refusal, through a signed waiver or other means, within 60 work days after commencement of the community service assignment. Thereafter, grantees or subgrantees shall document an enrollee’s refusal of the annual physical examination.
§ 641.313 Training.

(a) The grantee or subgrantee shall provide or arrange for training specific to an enrollee’s community service assignment. Training may be provided through lectures, seminars, classroom instruction, individual instruction or other arrangements including, but not limited to, arrangements with employment and training programs. The grantee or the subgrantee is encouraged to obtain such services through locally available resources, including employment and training programs, as defined in §641.103, and through host agencies, at no cost or reduced cost to the project. [Section 502(b)(1)(I) of the OAA.]

(b) Training shall consist of up to 500 hours per grant year and shall be consistent with the enrollee’s IDP. Such training may cover all aspects of training; e.g., skill, job search, etc. Enrollees shall not be enrolled solely for the purpose of receiving job search and job counseling.

(c) Retiree transportation. Expenditures of grant funds for contributions into a retirement system or plan are prohibited, unless the grantee has documentation on hand showing that:

(1) The costs are allowable under the appropriate cost principles indicated at §641.403(b); and

(2) Such contributions bear a reasonable relationship to the cost of providing such benefits to enrollees because:

(i) the benefits vest at the time contributions are made on behalf of the enrollee; or

(ii) the charges to SCSEP funds are for contributions on behalf of enrollees to a “defined benefit” type of plan which do not exceed the amounts reasonably necessary to provide the specified benefit to enrollees, as determined under a separate actuarial determination.

(d) Workers’ compensation. Where an enrollee is not covered by the State workers’ compensation law, the grantee or subgrantee shall provide the enrollee with workers’ compensation benefits equal to that provided by law for covered employment. [Section 504(b) of the OAA.]

(e) Unemployment compensation. The grantee is authorized to pay the cost of unemployment insurance for covered enrollees, where required by law. [Section 502(b)(1)(O) of the OAA.]

§ 641.312 Enrollee supportive services.

(a) The grantee or subgrantee shall provide supportive services designed to assist the enrollee in participating successfully in community service assignments and, where appropriate, to prepare and assist the enrollee in obtaining unsubsidized employment. To the extent feasible, the grantee or subgrantee shall utilize supportive services available from other titles of the OAA, particularly those administered by area agencies on aging and other funding sources.

(b) Supportive services may include, but need not be limited to, all or some of the following:

(1) Counseling or instruction designed to assist the enrollee to participate successfully in community service assignments or to obtain unsubsidized employment.

(2) Counseling designed to assist the enrollee personally in areas such as health, nutrition, social security benefits, Medicare benefits, and retirement laws.

(3) Incimals, including, but not limited to: work shoes, badges, uniforms, safety glasses, eyeglasses, and hand tools, may be provided if necessary for successful participation in community service assignments and if not available from other sources.

(4) Periodic meetings on topics of general interest, including matters related to health, job seeking skills, safety, and consumer affairs.

(5) Enrollee transportation. (i) Enrollee transportation may be paid if transportation from other sources at no cost to the project is unavailable and such unavailability is documented. When authorized in the grant agreement, transportation may be provided for enrollees from home to work, to training or to supportive services. [Section 502(b)(1)(L) of the OAA.]

(ii) Grant funds may not be expended to support the transportation costs of host agencies or programs funded by other than title V of the OAA, except where provided by Federal law.
§ 641.314 Referral services. Waivers for additional hours of training will be considered on an exception basis.

(c) In addition to training in preparation for community service assignments, as described in this section, a grantee or subgrantee is encouraged to arrange for, or directly provide, skills-training opportunities beyond the SCSEP community service training activities which will permit the enrollee to acquire or improve skills, including literacy training, applicable in community service assignment or for unsubsidized employment.

(d) A grantee or subgrantee, to the extent feasible, shall arrange skill-training for the enrollee which is realistic and consistent with his or her IDP. A grantee or subgrantee shall place major emphasis on the training available through on-the-job experience at SCSEP work sites, thereby retaining the community service focus of the SCSEP.

(e) An enrollee engaging in skills-related training, as described in paragraphs (c) and (d) of this section, may be reimbursed for the documented travel costs and room and board necessary to engage in such training. [Section 502(b)(1)(I) of the OAA.]

(f) Whenever possible a grantee or subgrantee shall seek to obtain all training for enrollees reduced or no cost to title V from such sources as the JTPA and the Carl D. Perkins Vocational and Applied Technology Education Act. Where training is not available from other sources, title V funds may be used for training.

(g) Nothing in this section shall be interpreted to prevent or limit an enrollee from engaging in self-development training available from sources other than title V of the OAA during hours other than hours of community service assignment.

(h) Joint programming, including co-enrollment when appropriate, between title V programs and programs authorized by the Job Training Partnership Act, the Community Services Block Grant Act, or the Carl D. Perkins Act is strongly encouraged.

§ 641.314 Placement into unsubsidized employment.

(a) In order to ensure that the maximum number of eligible individuals have an opportunity to participate in community service assignments, the grantee or subgrantee shall employ reasonable means to place each enrollee into unsubsidized employment.

(b) To encourage the placement of the enrollee into an unsubsidized job, the Department has established a goal of placing into unsubsidized employment the number of enrollees which equals at least 20 percent of the project’s annual authorized positions. Whenever this goal is not achieved, the grantee shall develop and submit a plan of action for addressing this shortfall.

(c) The grantee or subgrantee may contact private and public employers directly or through the State employment security agencies to develop or identify suitable unsubsidized employment opportunities; and should encourage host agencies to employ enrollees in their regular work forces.

(d) The grantee or subgrantee shall follow-up on each enrollee who is placed into unsubsidized employment and shall document such follow-up at least once within 3 months of unsubsidized placement.

§ 641.315 Maximum duration of enrollment.

A maximum duration of enrollment may be established by the grantee in the grant agreement, when authorized by the Department. Time limits on enrollment shall be reasonable and IDPs shall provide for transition to unsubsidized employment or other assistance before the maximum enrollment duration has expired.

§ 641.316 Individual development plan-related terminations.

When an enrollee refuses to accept a reasonable number of referrals or job offers to unsubsidized employment consistent with his or her IDP and there are no extenuating circumstances, the enrollee may be terminated from the SCSEP. Such a termination shall be consistent with administrative guidelines issued by the Department and the
termination shall be subject to the applicable appeal rights and procedures described in §641.324.

§ 641.317 Status of enrollees.

Enrollees who are employed in any project funded under the OAA are not deemed to be Federal employees as a result of such employment. [Section 504(a) of the OAA.]

§ 641.318 Over-enrollment.

Should attrition or funding adjustments prevent a portion of project funds from being fully utilized, the grantee may use those funds during the period of the agreement to over-enroll additional eligible individuals. The number over-enrolled may not exceed 20 percent of the total number of authorized positions established under the grant agreement without the written approval of the Department. Payments to or on behalf of enrollees in such positions shall not exceed the amount of the unused funds available. Each individual enrolled in such a position shall be informed in writing that the assignment is temporary in nature and may be terminated. The grantee shall first seek to maintain full enrollment in authorized positions and shall seek to schedule all enrollments and terminations to avoid excessive terminations at the end of the grant period.

§ 6541.319 [Reserved]

§ 641.320 Political patronage.

(a) No grantee may select, reject, promote, or terminate an individual based on that individual's political affiliations or beliefs. The selection or advancement of enrollees as a reward for political services, or as a form of political patronage, is prohibited.

(b) There shall be no selection of subgrantees or host agencies based on political affiliation.

§ 641.321 Political activities.

(a) General. No project under title V of the OAA or this part may involve political activities.

(1) No enrollee or staff person may be permitted to engage in partisan political activities during hours for which they are paid with SCSEP funds.

(2) No enrollee or staff person, at any time, may be permitted to engage in partisan political activities in which such enrollee or staff person represents himself or herself as a spokesperson of the SCSEP program.

(3) No enrollee may be employed or out-stationed in the office of a Member of Congress, a State or local legislator, or on any staff of a legislative committee.

(4) No enrollee may be employed or out-stationed in the immediate office of any elected chief executive officer(s) of a State or unit of general government, except that:

(i) Units of local government may serve as host-agencies for enrollees in such positions, provided that such assignments are nonpolitical; and

(ii) Where assignments are technically in such offices, such assignments actually are program activities not in any way involved in political functions.

(5) No enrollee may be assigned to perform political activities in the offices of other elected officials. However, placement of enrollees in such nonpolitical assignments within the offices of such elected officials is permissible, provided that grantees develop safeguards to ensure that enrollees placed in these assignments are not involved in political activities. These safeguards shall be described in the grant agreement and shall be subject to review and monitoring by the grantee and the Department.

(b) Hatch Act. (1) State and local employees governed by 5 U.S.C. chapter 15 shall comply with the Hatch Act provisions as interpreted and applied by the Office of the Special Counsel.

(2) Each project subject to 5 U.S.C. chapter 15 shall display a notice and shall make available to each person associated with such project a written explanation, clarifying the law with respect to allowable and unallowable political activities under 5 U.S.C. chapter 15 which are applicable to the project and each category of individuals associated with such project. This notice, which shall have the approval of the Department, shall contain the telephone number and address of the DOL Inspector General. [Section 502(b)(1)(P) of the OAA.] Enforcement of the Hatch
§ 641.322 Unionization.

No funds provided under title V of the OAA or this part may be used in any way to assist, promote, or deter union organizing.

§ 641.323 Nepotism.

(a) No grantee or subgrantee may hire, and no host agency may be a work site for a person who works in an administrative capacity, staff position, or community service position funded under title V of the OAA or this part if a member of that person’s immediate family is engaged in a decision-making capacity (whether compensated or not) for that project, subproject, grantee, subgrantee or host agency. This provision may be waived by the Department at work sites on Native American reservations and rural areas provided that adequate justification can be documented, such as that no other persons are eligible for participation.

(b) To the extent that an applicable State or local legal requirement regarding nepotism is more restrictive than this provision, that requirement shall be followed.

(c) For purposes of this section:
(1) Immediate family means wife, husband, son, daughter, mother, father, brother, sister, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, aunt, uncle, niece, nephew, stepparent, stepchild, grandparent, and grandchild.

(2) Engaged in an administrative capacity includes those persons who, in the administration of projects, or host agencies, have responsibility for, or authority over those with responsibility for, the selection of enrollees from among eligible applicants.

§ 641.324 Enrollee and applicant complaint resolution.

(a) Each grantee shall establish and describe in the grant agreement procedures for resolving complaints, other than those described by paragraph (c) of this section, arising between the grantee and an enrollee.

(b) Allegations of violations of federal law, other than those described in paragraph (c) of this section, which cannot be resolved within 60 days as a result of the grantee’s procedures, may be filed with the Chief, Division of Older Worker Programs, Employment and Training Administration, U.S. Department of Labor, Washington, DC 20210.

(c) Grantees that do not receive any funds under the JTPA shall process complaints of discrimination in accordance with 29 CFR parts 31 and 32. Grantees that receive any funds under JTPA shall process complaints of discrimination in accordance with 29 CFR part 34.

(d) Except for complaints described in paragraphs (b) and (c) of this section, the Department shall limit its review to determining whether the grantee’s appeal procedures were followed.

§ 641.325 Maintenance of effort.

(a) Employment of an enrollee funded under title V of the OAA or this part shall be only in addition to budgeted employment which would otherwise be funded by the grantee, subgrantee and the host agency(ies) without assistance under the OAA. [Section 502(b)(1)(F) of the OAA.]

(b) Each project funded under title V of the OAA or this part:
(1) Should result in an increase in employment opportunities in addition to those which would otherwise be available;

(2) Shall not result in the displacement of currently employed workers, including partial displacement such as a reduction in hours of non-overtime work, wages, or employment benefits;

(3) Shall not impair existing contracts for service or result in the substitution of Federal funds for other funds in connection with work that would otherwise be performed;

(4) Shall not substitute project jobs for existing federally-assisted jobs; and

(5) Shall not employ or continue to employ any enrollee to perform work which is the same or substantially the same as that performed by any other person who is on layoff. [Section 502(b)(1)(G) of the OAA.]

§ 641.326 Experimental private sector training projects.

(a) The Department may authorize a grantee to develop an experimental job
training project(s) designed to provide second career training and the placement of eligible individuals in employment opportunities with private business concerns. [Section 502(e) of the OAA.]

(b) Experimental project agreements for training may be with States, public agencies, non-profit private organizations, and private business concerns.

c) The geographic location of these projects shall be determined by the Department to insure an equitable distribution of such projects.

d) To the extent feasible, experimental projects shall emphasize second-career training, and innovative work modes, including those with reduced physical exertion, and placement into growth industries and jobs reflecting new technologies.

e) The Department shall establish by administrative guidelines the application schedule, content, format, allocation levels and reporting requirements for experimental projects.

(f) Current title V eligibility standards shall be used for experimental projects unless the Department permits, in writing, the use of another approved income index.

(g) Projects funded under section 502(e) of the OAA shall seek to be coordinated with projects carried out under title II-A of the JTPA to the extent feasible.

(h) National grantees shall distribute funds for experimental projects in accordance with the State allocation in their title V grant.

Subpart D—Administrative Standards and Procedures for Grantees and Limitations on Federal Funds

§ 641.404 Classification of costs.

(c) Lobbying costs. In addition to the prohibition contained in 29 CFR part 93 and in accordance with limitations on the use of appropriated funds in Department of Labor Appropriation Acts, title V funds shall not be used to pay any salaries or expenses related to any activity designed to influence legislation or appropriations pending before the Congress of the United States.

(d) Building repairs and acquisition costs. No federal grant funds provided to a grantee or subgrantee under title V of the OAA or this part may be expended directly or indirectly for the purchase, erection, or repair of any building except for the labor involved in:
   (1) Minor remodeling of a public building necessary to make it suitable for use by project administrators;
   (2) Minor repair and rehabilitation of publicly used facilities for the general benefit of the community; and
   (3) Minor repair and rehabilitation by enrollees of housing occupied by persons with low incomes who are declared eligible for such services by authorized local agencies.

(e) Accessibility and Reasonable Accommodation. (f) Allowable fringe benefit costs. The cost of the following fringe benefits are allowable: initial and annual physical assessments, annual leave, sick leave, holidays, health insurance, social security, worker’s compensation and any other fringe benefits approved in the grant agreement and permitted by the appropriate Federal cost principles found in OMB Circulars A–87 and A–122, except as limited for retirement costs by §641.311(c).
§ 641.409 Grantee fiscal and performance reporting requirements.

(a) In accordance with 29 CFR 97.40 or 29 CFR 95.51, as appropriate, each grantee shall submit a Senior Community Service Employment Program Quarterly Progress Report (QPR). This report shall be prepared to coincide with the ending dates for Federal fiscal year quarters and shall be submitted to the Department no later than 30 days charged to either of these cost categories. In such instances, the costs of enrollees' wages and fringe benefits shall be charged to the cost category of enrollee wages and fringe benefits. [Section 502(b)(1)(A) of the OAA.]

§ 641.405 Limitations on federal funds.

(a) The limitations on federal funds set forth in this section shall apply to SCSEP funds allotted to grantees for community service activities. Cost categories, limitations, and periods during which different limitations shall apply are set forth in paragraph (b) of this section.

(b) The cost categories and the limitations which apply to them shall be:

(1) **Administration.** The amount of federal funds expended for the cost of administration during the program year shall be no more than 13.5 percent of the grant. The Department may increase the amount available for the cost of administration to no more than 15 percent of the project in accordance with section 502(c)(3) of the OAA.

(2) **Enrollee wages and fringe benefits.** The amount of federal funds budgeted for enrollee wages and fringe benefits shall be no less than 75 percent of the grant.

§ 641.406 Administrative cost waiver.

(a) Based upon information submitted by a public or private nonprofit agency or organization with which the Department has or proposes to have an agreement, as set forth under section 502(b) of the OAA, the Department may waive §641.405(b)(1) and increase the amount available for paying the costs of administration to an amount not to exceed 15 percent of the proposed federal costs of the grant. well as children of noncustodial parents) exempted from the time limits due to hardship under section 408(a)(7)(C) of the Act or due to a waiver because of domestic violence under section 402(a)(7) of the Act, who would become ineligible for assistance within 12 months without the exemption or waiver;

(b) (S)he is no longer receiving TANF assistance because (s)he has reached either the Federal five-year limit or a State-imposed time limit on receipt of TANF assistance (section 403(a)(5)(C) of the Act); or

(c) (S)he is a noncustodial parent of a minor child if:

(i) The noncustodial parent is:

(b) Was in foster care under the responsibility of the State before (s)he attained 18 years of age and is at least 18 but not 25 years of age or older at the time of application for WtW. § 645.214 How will Welfare-to-Work participant eligibility be determined?

(a) The operating entity, as described in §645.210(a)(1), (b)(1), and (c)(1) of this subpart, is accountable for ensuring that WtW funds are spent only on individuals eligible for WtW projects.

(b) The operating entity must ensure that there are mechanisms in place to determine WtW eligibility for individuals who are receiving TANF assistance. These mechanisms:

(1) Must include arrangements with the TANF agency to ensure that a WtW eligibility determination is based on information, current at the time of the WtW eligibility determination, about whether an individual is receiving TANF assistance, the length of receipt of TANF assistance, and when an individual may become ineligible for assistance, pursuant to §§645.212 and 645.213 of this part (section 403(a)(5)(i)(A)(ii)(dd)).

(2) May include a determination of WtW eligibility for characteristics of long-term welfare dependence and for significant barriers to self-sufficiency under §645.213(a) of this subpart, based on information collected by the operating entity and/or the TANF agency up to six months prior to the WtW eligibility determination.

(c) The operating entity must ensure that there are mechanisms in place to determine WtW eligibility for individuals who have reached the time limit on receipt of TANF, under §645.212(b) of this subpart; individuals who are not receiving TANF assistance (i.e., noncustodial parents under §645.212(c) of this subpart; individuals who are former foster care recipients under §645.213(c) of this subpart). The mechanisms for establishing noncustodial parent eligibility must include a process for applying the preference required under §645.215(a) of this subpart, and may include an objective standard to be used as a presumptive determination for establishing the eligibility of the minor child for the programs specified in §645.212(c)(2)(iv) of this subpart.

§ 645.215 What must a WtW operating entity that serves noncustodial parent participants do?

(a) In programs that serve noncustodial parents, the operating entity must give preference to those noncustodial parents who qualify under §645.212(c)(2)(i) of this subpart over other noncustodial parents. The preference for admission into the program applies only to noncustodial parents and not to any other group eligible under the “general eligibility” provisions of §645.212(a) or (b) or the “other eligibles” provisions of §645.213. The preference does not require that the category of noncustodial parents eligible under §645.212(c)(2)(i) must be exhausted before any other category of eligible noncustodial parents may be served. The operating entity may establish a process that gives preference to noncustodial parents eligible under §645.212(c)(2)(i) and that also provides WtW services to noncustodial parents eligible under the other provisions of §645.212(c)(2).

(b) In order to protect custodial parents and children who may be at risk of domestic violence, the operating entity must consult with domestic violence prevention and intervention organizations in the development of its WtW project serving noncustodial parents; and must not require the cooperation of the custodial parent as a condition of participation in the WtW program for either parent; and

(c) The operating entity must ensure that personal responsibility contracts:

(1) Take into account the employment and child support status of the noncustodial parent;

(2) Include all of the following parties:

(i) The noncustodial parent,

(ii) The operating entity, and

(iii) The agency responsible for administering the State Child Support Enforcement program as described under Title IV–D of the Act, unless the operating entity demonstrates to the Secretary of Labor with written documentation that it is not able to coordinate with the State IV–D agency;

(3) Include the following elements:
(i) A commitment by the noncustodial parent to cooperate:
   (A) In the establishment of paternity (if the participant is male) of the
       minor child at the earliest opportunity, through voluntary acknowledg-
       ment or other procedures, and
   (B) In the establishment of a child support order;
   (ii) A commitment by the noncustodial parent to cooperate in the pay-
        ment of child support for the minor child. This commitment may include a
        modification of an existing support order to take into account:
        (A) The ability of the noncustodial parent to pay such support; and
        (B) The participation of the non-
        custodial parent in the WtW program,
        (iii) A commitment by the noncustodial parent to participate in employ-
        ment or related activities that will en-
        able the noncustodial parent to make
        regular child support payments. For
        noncustodial parents who have not
        reached 20 years of age, such activities
        may include:
        (A) Completion of high school,
        (B) Earning a general equivalency de-
            gree, or
        (C) Participating in other education
            directly related to employment;
        (iv) A description of the services to
            be provided to the noncustodial parent
            under the WtW program;
        (4) Contain a commitment by the noncustodial parent to participate in
            employment or related activities that will
            enable the noncustodial parent to make
            regular child support payments. For
            noncustodial parents who have not
            reached 20 years of age, such activities
            may include:
            (A) Completion of high school,
            (B) Earning a general equivalency de-
                gree, or
            (C) Participating in other education
                directly related to employment;
            (4) A description of the services to
                be provided to the noncustodial parent
                under the WtW program;
        (5) Be entered into no later than thir-
            ty (30) days after the individual is en-
            rolled in and is receiving services
            through a WtW project funded under
            this part, unless the operating entity
            has determined that good cause exists
            to extend this period. This extension
            may not extend to a date more than
            ninety (90) days after the individual is
            enrolled in and receiving services
            through a WtW project funded under
            this part.

§ 645.220 What activities are allowable under this part?

Entities operating WtW projects may use WtW funds for the following:

(a) Job readiness activities, subject to the requirements of §645.221 of this
    subpart.
(b) Vocational educational training or job training. A participant is limited
to six calendar months of such training if (s)he is not also employed or partici-
pating in an employment activity, as described in paragraph (c) of this
    section.
(c) Employment activities which consist of any of the following:
    (1) Community service programs;
    (2) Work experience programs;
    (3) Job creation through public or
        private sector employment wage subsi-
        disies; and
    (4) On-the-job training.
(d) Job placement services subject to the requirements of §645.221 of this sub-
    part.
(e) Post-employment services which are provided after an individual is
    placed in one of the employment ac-
    tivities listed in paragraph (c) of this
    section, or in any other subsidized or
    unsubsidized job, subject to the re-
    quirements of §645.221 of this subpart.
    Post-employment services include such
    services as:
    (1) Basic educational skills training;
    (2) Occupational skills training;
    (3) English as a second language
        training; and
    (4) Mentoring.
(f) Job retention services and support
    services that are provided after an indi-
    vidual is placed in a job readiness ac-
    tivity, as specified in paragraph (a) of
    this section; in vocational education or
    job training, as specified in paragraph
    (b) of this section; in one of the em-
    ployment activities, as specified in para-
    graph (c) of this section, or in any
    other subsidized or unsubsidized job.
    WtW participants who are enrolled in
    Workforce Investment Act (WIA) or
    JTPA activities, such as occupational
    skills training, may also receive job re-
    tention and support services funded
    with WtW monies while they are par-
    ticipating in WIA activities. Job reten-
    tion and support services can be pro-
    vided with WtW funds only if they are
    not otherwise available to the partici-
    pant. Job retention and support serv-
    ices include such services as:
    (1) Transportation assistance;

§ 645.221 For what activities and services must local boards use contracts or vouchers?

(a) Local boards and PIC’s must provide the following activities and services through vouchers or contracts with public or private providers: the job readiness activities described in §645.220(a) of this subpart, the job placement services described in §645.220(d) of this subpart, and the post-employment services described in §645.220(e) of this subpart. Job placement services provided with contracts or vouchers are subject to the payment requirements at §645.230(a)(3) of this subpart. If an operating entity is not a local board or a PIC, it may provide such services directly.

(b) Local boards and PIC’s which are directly providing job readiness activities or job placement and/or post-employment services must conform to the requirement in paragraph (a) of this section, to provide such services through contract or voucher, by February 12, 2001.

§ 645.225 How do Welfare-to-Work activities relate to activities provided through TANF and other related programs?

(a) Activities provided through WtW must be coordinated effectively at the State and local levels with activities being provided through TANF (section 403(a)(5)(A)(vii)(II)).

(b) The operating entity must ensure that there is an assessment of skills, prior work experience, employability, and other relevant information in place for each WtW participant. Where appropriate, the assessment performed by the TANF agency or JTPA should be used for this purpose.

(c) The operating entity must ensure that there is an individualized strategy for transition to unsubsidized employment in place for each participant which takes into account participant assessments, including the TANF assessment and any JTPA assessment. Where appropriate, the TANF individual responsibility plan (IRP), a WIA individual employment plan, or a JTPA individual service strategy should be used for this purpose.

(d) Coordination of resources should include not only those available through WtW and TANF grant funds, and the Child Care and Development Block Grant, but also those available through other related activities and programs such as the WIA or JTPA programs (One-Stop systems), the State employment service, private sector employers, labor organizations, business and trade associations, education agencies, housing agencies, community development corporations, transportation agencies, community-based and faith-based organizations, disability community organizations, community action agencies, and colleges and universities which provide some of the assistance needed by the targeted population (section 402(a)(5)(A)).
(3) In addition to the requirements at 29 CFR 95.48 and 29 CFR 97.36(1), contracts or vouchers for job placement services supported by funds provided for this program must include a provision to require that at least one-half (1/2) of the payment occur after an eligible individual placed into the workforce has been in the workforce for six (6) months. This provision applies only to placement in unsubsidized jobs (section 403(a)(5)(C)(i)).

(4) In addition to the requirements at 29 CFR 95.42 and 29 CFR 97.36(b)(3) which address codes of conduct and conflict of interest issues related to employees, it is also required that:
   (i) A local board or alternate administering agency member shall neither cast a vote on, nor participate in, any decision making capacity on the provision of services by such member (or any organization which that member directly represents), nor on any matter which would provide any direct financial benefit to that member or a member of his immediate family; and
   (ii) Neither membership on the local board or alternate administering agency nor the receipt of WtW funds to provide training and related services shall be construed, by itself, to violate these conflict of interest provisions.

(5) The addition method, described at 29 CFR 97.25(g)(2), is required for the use of all program income earned under WtW grants. When the cost of generating program income has been charged to the program, the gross amount earned must be added to the WtW program. However, the cost of generating program income must be subtracted from the amount earned to establish the net amount of program income available for use under the grants when these costs have not been charged to the WtW program.

(6) Any excess revenue over costs incurred for services provided by a governmental or non-profit entity must be included in program income earned.

(b) Audit requirements. All recipients and subrecipients of Department of Labor WtW awards must comply with the audit requirements codified at 29 CFR part 96.

(1) All governmental and non-profit organizations must follow the audit requirements of OMB Circular A–133 which is codified at 29 CFR part 99. This requirement is imposed at 29 CFR 97.26 for governmental organizations and at 29 CFR 95.26 for institutions of higher education, hospitals, and other non-profit organizations.

(2) The Department is responsible for audits of commercial organizations which are direct recipients of WtW grants.

(3) Commercial organizations which are WtW subrecipients and which expend more than the minimum level specified in OMB Circular A–133 ($300,000 as of April 15, 1999) must have either an organization-wide audit conducted in accordance with 29 CFR part 99 or a program specific financial and compliance audit.

(c) Allowable costs/cost principles. The DOL regulations at 29 CFR 95.27 and 29 CFR 97.22 identify the Federal principles for determining allowable costs which each kind of recipient and subrecipient must follow. For those selected items of cost requiring prior approval, the authority to grant or deny approval is delegated to the Governor.

(1) State, local, and Indian tribal government organizations must determine allowability of costs in accordance with the provisions of OMB Circular A–87, “Cost Principles for State and Local Governments.”

(2) Non-profit organizations must determine allowability of costs in accordance with OMB Circular A–122, “Cost Principles for Non-Profit Organizations.”

(3) Institutions of higher education must determine allowability of costs in accordance with OMB Circular A–21, “Cost Principles for Education Institutions.”

(4) Hospitals must determine allowability of costs in accordance with the provisions of Appendix E of 45 CFR Part 74, “Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals.”

(5) Commercial organizations and those non-profit organizations listed in Attachment C to OMB Circular A–122 must determine allowability of costs in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR Part 31.
(d) **Information technology costs.** In addition to the allowable cost provisions identified in §645.235 of this subpart, the costs of information technology—computer hardware and software—will only be allowable under WtW grants when such computer technology is "Year 2000 compliant." To meet this requirement, information technology must be able to accurately process date/time data (including, but not limited to, calculating, comparing and sequencing) from, into and between the twentieth and twenty-first centuries, and the years 1999 and 2000. The information technology must also be able to make leap year calculations. Furthermore, "Year 2000 compliant" information technology when used in combination with other technology shall accurately process date/time data if the other information technology properly exchanges date/time data with it.

(e) **Prohibition on Construction or Purchase of Facilities.** WtW federal funds may not be used to pay for the construction or purchase of facilities or buildings.

(f) **Prohibition on Business Start-up Costs.** WtW federal funds may not be used to cover the costs of business start-up and/or capital ventures.

(g) **Government-wide debarment and suspension, and government-wide drug-free workplace requirements.** All WtW grant recipients and subrecipients are required to comply with:

1. Government-wide requirements for debarment and suspension which are codified at 29 CFR part 98, subparts A through E; and
2. The government-wide requirements for a drug-free workplace. Recipients and subrecipients are required to comply with 29 CFR part 98, subpart F, except that the definition of "grantee" shall be read to include recipients and subrecipients.

(h) **Restrictions on Lobbying.** All WtW grant recipients and subrecipients are required to comply with the restrictions on lobbying which are codified in the DOL regulations at 29 CFR Part 93.

(i) **Nondiscrimination.** All WtW grant recipients and subrecipients are required to comply with the nondiscrimination provisions codified in the DOL regulations at 29 CFR parts 31 and 32. In addition, 29 CFR part 37 applies to recipients of WtW financial assistance who are also WIA recipients and applies to recipients of WtW financial assistance who operate programs that are part of the One-Stop system established under the Workforce Investment Act, to the extent that the WtW programs and activities are being conducted as part of the One-Stop delivery system. Furthermore, WtW programs that are part of larger State agencies that are recipients of WIA Title I financial assistance must also comply with the provisions of 29 CFR part 37. For purposes of this paragraph, the term "recipient" has the same meaning as the term is defined in 29 CFR part 37. That part also contains participant rights related to nondiscrimination.

(j) **Nepotism.**

1. No individual may be placed in a WtW employment activity if a member of that person’s immediate family is engaged in an administrative capacity for the employing agency.
2. To the extent that an applicable State or local legal requirement regarding nepotism is more restrictive than this provision, such State or local requirement shall be followed.

§ 645.233 What are the time limitations on the expenditure of Welfare-to-Work grant funds?

(a) **Formula grant funds:** The maximum time limit for the expenditure of a given fiscal year allotment is three years from the effective date of the Federal grant award to the State. The maximum time limit will be allowed and will be specified in the Department’s formula grant document for each fiscal year of funds provided to the State. Any remaining funds that have not been expended at the end of the expenditure period must be returned to the Department in accordance with the applicable closeout procedures for formula grants.

(b) **Competitive grant funds:** The maximum time limit for the expenditure of these funds is three years from the effective date of award, but will, in all cases, be determined by the grant period and the terms and conditions specified in the Federal grant award agreement (including any applicable grant modification documents). Any
remaining funds that have not been expended at the end of the approved grant period must be returned to the Department in accordance with the applicable closeout procedures for competitive grants (section 503(a)(5)(C)(vii)).

§ 645.235 What types of activities are subject to the administrative cost limit on Welfare-to-Work grants?

(a) Administrative cost limitation (section 404(b)(1)). — (1) Formula grants to States. Expenditures for administrative purposes under WtW formula grants to States are limited to fifteen percent (15%) of the grant award.

(2) Competitive grants. The limitation on expenditures for administrative purposes under WtW competitive grants will be specified in the grant agreement but in no case shall the limitation be more than fifteen percent (15%) of the grant award.

(3) Although administrative in nature, costs of information technology—computer hardware and software—needed for tracking and monitoring of WtW program, participant, or performance requirements, are excluded from the administrative cost limit calculation.

(b) The costs of administration are that allocable portion of necessary and allowable costs associated with those specific functions identified in paragraph (c) of this section for the administration of the WtW program and which are not related to the direct provision of services to participants. These costs can be both personnel and non-personnel and both direct and indirect.

(c) The costs of administration are the costs associated with performing the following functions:

(1) Performing overall general administrative functions and coordination of those functions under WtW including:

(i) Accounting, budgeting, financial and cash management functions;

(ii) Procurement and purchasing functions;

(iii) Property management functions;

(iv) Personnel management functions;

(v) Payroll functions;

(vi) Coordinating the resolution of findings arising from audits, reviews, investigations and incident reports;

(vii) Audit functions;

(viii) General legal services functions; and

(ix) Developing systems and procedures, including information systems, required for these administrative functions;

(2) Performing oversight and monitoring responsibilities related to WtW administrative functions,

(3) Costs of goods and services required for administrative functions of the program, including goods and services such as rental or purchase of equipment, utilities, office supplies, postage, and rental and maintenance of office space;

(4) Travel costs incurred for official business in carrying out administrative activities or the overall management of the WtW system; and

(5) Costs of information systems related to administrative functions (for example, personnel, procurement, purchasing, property management, accounting and payroll systems) including the purchase, systems development and operating costs of such systems.

(d)(1) Only that portion of the costs of WtW grantees that are associated with the performance of the administrative functions described in paragraph (c) of this section and awards to subrecipients or vendors that are solely for the performance of these administrative functions are classified as administrative costs. All other costs are considered to be for the direct provision of WtW activities and are classified as program costs.

(2) Personnel and related non-personnel costs of staff who perform both administrative functions specified in paragraph (c) of this section and programmatic services or activities are to be allocated as administrative or program costs to the benefitting cost objectives/categories based on documented distributions of actual time worked or other equitable cost allocation methods.

(3) Specific costs charged to an overhead or indirect cost pool that can be identified directly as a program cost may be charged as a program cost.
Documentation of such charges must be maintained.

(4) Except as provided at paragraph (d)(1) of this section, all costs incurred for functions and activities of sub-recipients and vendors are program costs.

(5) Costs of the following information systems including the purchase, systems development and operating (e.g., data entry) costs are charged to the program category:

(i) Tracking or monitoring of participant and performance information;
(ii) Employment statistics information, including job listing information, job skills information, and demand occupation information; and
(iii) Local area performance information.

§ 645.240 What are the reporting requirements for Welfare-to-Work programs?

(a) General. State formula and other direct competitive grant recipients must report financial and participant data in accordance with revised instructions that will be issued by the Department after consultation with the Secretary of Health and Human Services, States, and organizations that represent State or local governments. Reports must be submitted to the Department quarterly. Existing WtW financial reporting instructions and formats are available on the WtW web site at http://wtw.doleta.gov/linkpages/tegltein.htm. The Internet reporting system for WtW grantees is accessible at http://www.etareports.doleta.gov.

(b) Subrecipient reporting. A State formula or other direct competitive grant recipient may impose different forms or formats, shorter due dates, and more frequent reporting requirements on subrecipients. However, the recipient is required to meet the reporting requirements imposed by the Department.

(c) Financial reports. Each grant recipient must submit financial reports to the Department. Reported expenditures and program income must be on the accrual basis of accounting and cumulative by fiscal year of appropriation. If the recipient’s accounting records are not normally kept on the accrual basis of accounting, the recipient must develop accrual information through an analysis of the documentation on hand.

(d) Participant reports. Each grant recipient must submit participant reports to the Department. Participant data must be aggregate data, and, for most data elements, must be cumulative by fiscal year of appropriation.

(e) Due dates. Financial and participant reports are due no later than 45 days after the end of each quarter. A final financial and participant report is required 90 days after the expiration of a funding period or the termination of grant support.

§ 645.245 Who is responsible for oversight and monitoring of Welfare-to-Work grants?

(a) The Secretary may monitor all recipients and subrecipients of all grants awarded and funds expended under WtW. Federal oversight will be conducted primarily at the State level for formula grants and at the recipient level for competitive grants.

(b) The Governor must monitor local boards (or other approved administrative entities) funded under the State’s formula allocated grants on a periodic basis for compliance with applicable laws and regulations. The Governor must develop and make available for review a State monitoring plan.

§ 645.250 What procedures apply to the resolution of findings arising from audits, investigations, monitoring and oversight reviews?

(a) Resolution of subrecipient level findings.

(1) The WtW grantee is responsible for the resolution of findings that arise from its monitoring reviews, investigations and audits (including OMB Circular A-133 audits) of subrecipients.

(2) A State or competitive grantee, as appropriate, must use the audit resolution, debt collection and appeal procedures that it uses for other Federal grant programs.

(3) If a State or competitive grantee, as appropriate, does not have such procedures, it must prescribe standards and procedures for the WtW grant program.

(b) Resolution of State level findings.

(1) The Secretary is responsible for the resolution of findings that arise...
§ 645.255 What nondiscrimination protections apply to participants in Welfare-to-Work programs?

(a) All participants in WtW programs under this part shall have such rights as are available under all applicable Federal, State and local laws prohibiting discrimination, and their implementing regulations, including:

1. The Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.);
2. Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794);
3. The Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.); and

(b) Participants in work activities, as defined in section 645.220 of this part, are subject to the same health and safety standards established under State and Federal law which are applicable to similarly employed employees, of the same employer, who are not participants in programs under WtW.

(c) Participants alleging a violation of these health and safety standards may file a complaint pursuant to the procedures contained in §645.270 of this subpart (section 403(a)(5)(J)(ii)).

§ 645.260 What health and safety provisions apply to participants in Welfare-to-Work programs?

(a) Participants in an employment activity operated with WtW funds, as defined in §645.220 of this part, are subject to the same health and safety standards established under State and Federal law which are applicable to similarly employed employees, of the same employer, who are not participants in programs under WtW.

(b) Participants alleging a violation in §645.270 of this subpart may file a complaint pursuant to the procedures contained in §645.270 of this part (section 403(a)(5)(J)(ii)).

§ 645.265 What safeguards are there to ensure that participants in Welfare-to-Work employment activities do not displace other employees?

(a) An adult participating in an employment activity operated with WtW funds, as defined in §645.220 of this part, may fill an established position vacancy subject to the limitations in paragraph (c) of this section.

(b) Participants in work activities, as defined in section 645.220 of this part, must not violate existing contracts for services or collective bargaining agreements. Where such an employment activity would violate a collective bargaining agreement, the appropriate labor organization and employer must provide written concurrence before the employment activity is undertaken.
§ 645.270 What procedures are there to ensure that currently employed workers may file grievances regarding displacement and that Welfare-to-Work participants in employment activities may file grievances regarding displacement, health and safety standards and gender discrimination?

(a) The State shall establish and maintain a grievance procedure for resolving complaints from:

(1) Regular employees that the placement of a participant in an employment activity operated with WtW funds, as described in §645.220 of this part, violates any of the prohibitions described in §645.265 of this part; and

(2) Program participants in an employment activity operated with WtW funds, as described in §645.220 of this part, that any employment activity violates any of the prohibitions described in §§645.255(d), 645.260, or 645.265 of this part.

(b) Such grievance procedure should include an opportunity for informal resolution.

(c) If no informal resolution can be reached within the specified time as established by the State as part of its grievance procedure, such procedure shall provide an opportunity for the dissatisfied party to receive a hearing upon request.

(d) The State shall specify the time period and format for the hearing portion of the grievance procedure, as well as the time period by which the complainant will be provided the written decision by the State.

(e) A decision by the State under paragraph (d) of this section may be appealed by any dissatisfied party within 30 days of the receipt of the State's written decision, according to the time period and format for the appeals portion of the grievance procedure as specified by the State.

(f) The State shall designate the State agency which will be responsible for hearing appeals. This agency shall be independent of the State or local agency which is administering, or supervising the administration of the State TANF and WtW programs.

(g) No later than 120 days of receipt of an individual’s original grievance, the State agency, as designated in paragraph (f) of this section, shall provide a written final determination of the individual’s appeal.

(b) The grievance procedure shall include remedies for violations of §§645.255(d), 645.260, and 645.265 of this part which may continue during the grievance process and which may include:

(1) Suspension or termination of payments from funds provided under this part;

(2) Prohibition of placement of a WtW participant with an employer that has violated §§645.255(b), 645.260, and 645.265 of this part;

(3) Where applicable, reinstatement of an employee, payment of lost wages and benefits, and reestablishment of other relevant terms, conditions, and privileges of employment; and

(4) Where appropriate, other equitable relief (section 403(a)(5)(J)(iv)).

(i) Participants alleging gender discrimination by WtW programs that are not part of the One-Stop system may file a complaint using the grievance system procedures described above. Participants alleging gender discrimination by WtW programs that are part of the One-Stop system may file a complaint using the procedures developed.
Subpart C—Additional Formula
Grant Administrative Standards and Procedures

§ 645.300 What constitutes an allowable match?

(a) A State is entitled to receive two (2) dollars of Federal funds for every one (1) dollar of State match expenditures, up to the amount available for allotment to the State based on the State’s percentage for WtW formula grant for the fiscal year. The State is not required to provide a level of match necessary to support the total amount available to it based on the State’s percentage for WtW formula grant. However, if the proposed match is less than the amount required to support the full level of Federal funds, the grant amount will be reduced accordingly (section 403(a)(5)(A)(I)).

(b) States shall follow the match or cost-sharing requirements of the “Common Rule” Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments (codified for DOL at 29 CFR 97.24). Paragraphs (b)(1)(i) and (ii), (b)(3), and (b)(4) and (c)(1) of this section are in addition to the common rule requirements. Also, paragraphs included in the common rule which relate to the use of donated buildings and other real property as match have been excluded from this provision.

(1) Only costs that would be allowable if paid for with WtW grant funds will be accepted as match.

(i) Because the use of Federal funds is prohibited for construction or purchase of facilities or buildings except where there is explicit statutory authority permitting it, costs incurred for the construction or purchase of facilities or buildings shall not be acceptable as match for a WtW grant.

(ii) Because the costs of construction or purchase of facilities or buildings are unallowable as match, the donation of a building or property as a third party in-kind contribution is also unallowable as a match for a WtW grant.

(2) A match or cost-sharing requirement may be satisfied by either or both of the following:

(i) Allowable costs incurred by the grantee, subgrantee or a cost type contractor under the assistance agreement. This includes allowable cost borne by non-Federal grants or by others and cash donations from non-Federal third parties.

(ii) The value of third party in-kind contributions applicable to the FY period to which the cost-sharing or matching requirement applies.

(3) No more than seventy-five percent (75%) of the total match expenditures may be in the form of third party in-kind contributions.

(4) Match expenditures must be recorded in the books of account of the entity that incurred the cost or received the contribution. These amounts may be rolled up and reported as aggregate State level match.

(c) Qualifications and exceptions—

(1) The matching requirements may not be met by the use of an employer’s share of participant wage payments (e.g., employer share of OJT wages).

(2) Costs borne by other Federal grant agreements. A cost-sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(3) General revenue sharing. For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(4) Cost or contributions counted towards other Federal cost-sharing requirements. Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost-sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost-sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(5) Costs financed by program income. Costs financed by program income, as defined in 29 CFR 97.25, shall not count towards satisfying a cost-
sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in 29 CFR 97.25(g)).

(6) Services or property financed by income earned by contractors. Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost-sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(7) Records. Costs and third party in-kind contributions counting towards satisfying a cost-sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(8) Special standards for third party in-kind contributions.

(i) Third party in-kind contributions count towards satisfying a cost-sharing or matching requirement only where, if the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Cost sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost-sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee) or

(B) A cost savings to the grantee or subgrantee.

(d) Valuation of donated services.

(1) Volunteer services. Unpaid services provided to a grantee or subgrantee by individuals must be valued at rates consistent with those ordinarily paid for similar work in the grantee’s or subgrantee’s organization. If the grantee or subgrantee does not have employees performing similar work, the rates must be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) Employees of other organizations. When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee’s normal line of work, the services must be valued at the employee’s regular rate of pay exclusive of the employee’s fringe benefits and overhead costs. If the services are in a different line of work, paragraph (d)(1) of this section applies.

(e) Valuation of third party donated supplies and loaned equipment or space.

(1) If a third party donates supplies, the contribution must be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution must be valued at:

(i) the fair rental rate of the equipment or space for property donated by non-governmental entities, or

(ii) a depreciation or use-allowance based on the property’s market value at the time it was donated for property donated by governmental entities.
§ 645.310 What assurance must a State provide that it will make the required matching expenditures?
In its State plan, a State must provide a written estimate of planned matching expenditures and describe the process by which the funds will be tracked and reported to ensure that the State meets its projected match (section 403(a)(5)(A)(I)).

§ 645.315 What actions are to be taken if a State fails to make the required matching expenditures?
(a) If State match expenditures do not satisfy the requirements of the FY grant award by the end of the three year fund availability period, the grant award amount will be reduced by the appropriate corresponding amount (i.e., the grant will be reduced by two (2) dollars for each one (1) dollar shortfall in State matching funds) when the grant is closed out.

(b) Compliance with the fifteen percent (15%) administrative cost limit will be recalculated based on the FY formula grant award amount, as reduced under paragraph (a) of this section.

(a)(1) The Governor may include in the State’s WtW Plan a waiver request to select an agency other than the local board or PIC to administer the program for one or more local areas or SDAs in a State; or

(2) When the Governor determines the local board or alternate administering agency has not coordinated its expenditures with the expenditure of funds provided to the State under TANF, pursuant to section 403(a)(5)(A)(vii)(II) of the Act, the Governor must request a waiver.

(b) The Governor shall bear the burden of proving that the designated alternate administering agency, rather than the local board or other alternate administering agency, would improve the effectiveness or efficiency of the administration of WtW funds in the SDA. The Governor’s waiver request shall include information to meet that burden. The Governor shall provide a copy of the waiver request and any supporting information submitted to the Secretary to the local board and CEO of the local area for which an alternate administering agency is requested.

(c) The local board and CEO shall have fifteen (15) days in which to submit his or her written response to the Department. The local board and CEO shall provide a copy of such response to the Governor.

(d) The Secretary will assess the waiver information submitted by the Governor, including input from the local board and CEO in reaching the decision whether to permit the use of an alternate administering agency.

(f) Where an alternate administering agency is approved by the Secretary, such administrative entity shall coordinate with the CEO for the applicable local area(s) regarding the expenditure of WtW grant funds in the local area(s).

This plan shall be in the form of an addendum to the TANF State plan and shall be submitted to the Secretaries of Labor and Health and Human Services.

§ 645.420 What factors will be used in measuring State performance?

(a) The Department will use the following factors to measure State performance:

(1) Job entry rate as measured by the proportion of WtW participants who enter either subsidized employment or unsubsidized employment.

(2) Available funds to be used to fund projects to help long-term recipients of assistance enter unsubsidized jobs.

(3) The Governors may distribute the funds retained pursuant to paragraph (b) of this section to a variety of workforce organizations, in addition to local boards or alternate administering agencies, and other entities such as One-Stop systems, private sector employers, labor organizations, business and trade associations, education agencies, housing agencies, community development corporations, transportation agencies, community-based and faith-based organizations, disability community organizations, community action agencies, and colleges and universities which provide some of the assistance needed by the targeted population.

(4) If the amount to be distributed to a local area or SDA by the Governor's formula is less than $100,000, the funds shall be available to be used by the Governor to fund projects described at paragraph (b) of this section.

(5) States shall use the guidance provided at section 403(a)(5)(D) of the Act in determining the number of individuals with an income that is less than the poverty line.

(7) The State must distribute the local boards' or SDAs' allocations in a timely manner, but not longer than 30 days from receipt of the State's fund allotment.

(b) Of the funds allocated to the State, up to 15 percent of the funds may be retained at the State level to fund projects that appear likely to help long-term recipients of assistance enter unsubsidized employment. Any additional funds available as a result of the process described at paragraph (a)(4) of this section, shall also be available to be used to fund projects to help long-term recipients of assistance enter unsubsidized jobs.

(c) An individual who has characteristics associated with, or predictive of, long-term welfare dependence, as specified in paragraph (a)(2) of this section, and who would be otherwise eligible to receive TANF assistance but is no longer receiving TANF assistance because (s)he has reached either the Federal five-year lifetime limit on receipt of assistance, or a State-imposed lifetime limit, is eligible to participate under the 30 percent provision (section 409(a)(5)(C) of the Act).

(ii) Neither membership on the PIC nor the receipt of WtW funds to provide training and related services shall be construed, by itself, to violate these conflict of interest provisions.

Any remaining funds that have not been expended at the end of the expenditure period must be returned to the Department in accordance with the applicable closeout procedures for formula grants.

(b) Competitive grant funds. The maximum time limit for the expenditure of these funds is three years from the effective date of award, but will, in all cases, be determined by the grant period and the terms and conditions specified in the Federal grant award agreement (including any applicable grant modification documents). In addition, recipients of WtW grants who are also recipients under JTPA are required to comply with 20 CFR part 34. For purposes of this paragraph, the term “recipient” has the same meaning as the term is defined in 29 CFR parts 31, 32, and 34. Participant rights related to nondiscrimination may be found at §645.255 of this part.

(g) Nepotism. (1) No individual may be placed in a WtW employment activity if a member of that person’s immediate family is engaged in an administrative capacity for the employing agency.

(2) To the extent that an applicable State or local legal requirement regarding nepotism is more restrictive than this provision, such State or local requirement shall be followed.
TANF regulations are issued.

(1) Except as provided in paragraph (c)(1) of this section, costs of salaries, wages, and related costs of the recipient’s, subrecipient’s or PIC’s staff engaged in:

(4) Travel costs incurred for official business in carrying out program management or administrative activities.

(5) These Interim Final WtW regulations adopt the description of the term "Administrative Costs" found in the JTPA regulations at 29 CFR 627.440 to minimize the burden on PICs. The Secretary reserves the right to change the definition to be consistent with the TANF definition when final TANF regulations are issued.

(c) Other cost classification guidance. (1) Personnel and related non-personnel costs of the recipient’s or subrecipient’s staff, including project directors, who perform both administrative and programmatic services or activities may be allocated to the benefitting cost objectives/categories based on documented distributions of actual time worked or other equitable cost allocation methods.

(a) General. All States and other direct grant recipients shall report pursuant to instructions issued by DOL (financial data) and by DHHS (participant data only). (3) If a State does not have such procedures, it shall prescribe standards and procedures to be used for this grant program.

(b) Resolution of State level findings. (1) The Secretary is responsible for the resolution of findings that arise from federal audits, monitoring reviews, investigations, incident reports, and recipient level OMB Circular A–133 audits.

§ 645.260 What health and safety provisions apply to participants in Welfare-to-Work programs?
(a) Participants in an employment activity operated with WtW funds, as defined in §645.220 of this part, are subject to the same health and safety standards established under State and Federal law which are applicable to similarly employed employees, of the same employer, who are not participants in programs under WtW.

(b) Participants alleging a violation of these health and safety standards may file a complaint pursuant to the procedures contained in §645.270 of this part (section 403(a)(5)(J)(iii) of the Act).

(a) The State shall establish and maintain a grievance procedure for resolving complaints from:

(1) Regular employees that the placement of a participant in an employment activity operated with WtW funds, as described in §645.220 of this part, violates any of the prohibitions described in §645.265 of this part; and

(2) Program participants in an employment activity operated with WtW funds, as described in §645.220 of this part, that any employment activity violates any of the prohibitions described in §§645.255(d), 645.260, or 645.265 of this part.

(b) Such grievance procedure should include an opportunity for informal resolution.

c(1) If no informal resolution can be reached within the specified time as established by the State as part of its grievance procedure, such procedure shall provide an opportunity for the dissatisfied party to receive a hearing upon request.

The State shall specify the time period and format for the hearing portion of the grievance procedure, as well as the time period by which the complainant will be provided the written decision by the State.

Subpart C—Additional Formula Grant Administrative Standards and Procedures

§645.300 What constitutes an allowable match?

(a) A State is entitled to receive two (2) dollars of Federal funds for every one (1) dollar of State match expenditures, up to the amount available for allotment to the State based on the State’s percentage for WtW formula grant for the fiscal year. The State is not required to provide a level of match necessary to support the total amount available to it based on the State’s percentage for WtW formula grant. However, if the proposed match is less than the amount required to support the full level of federal funds, the grant amount will be reduced accordingly (section 403(a)(5)(A)(i)(I) of the Act).

(b) States shall follow the match or cost-sharing requirements of the “Common Rule” Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments (codified for DOL at 29 CFR 97.24). Paragraphs (b)(1)–(i) and (ii), (b)(3), (b)(4) and (c)(1) of this section are in addition to the common rule requirements. Also, paragraphs included in the common rule which relate to the use of donated buildings and other real property as match have been excluded from this provision.

(1) Only costs that would be allowable if paid for with WtW grant funds will be accepted as match.
(i) Because the use of Federal funds is prohibited for construction or purchase of facilities or buildings except where there is explicit statutory authority permitting it, costs incurred for the construction or purchase of facilities or buildings shall not be acceptable as match for a WtW grant.

(ii) Because the costs of construction or purchase of facilities or buildings are unallowable as match, the donation of a building or property as a third party in-kind contribution is also unallowable as a match for a WtW grant.

(2) A match or cost-sharing requirement may be satisfied by either or both of the following:

(i) Allowable costs incurred by the grantee, subgrantee or a cost type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by others and cash donations from non-Federal third parties.

(ii) The value of third party in-kind contributions applicable to the FY period to which the cost-sharing or matching requirement apply.

(3) No more than one-half (1/2) of the total match expenditures may be in the form of third party in-kind contributions.

(4) Match expenditures must be recorded in the books of account of the entity that incurred the cost or received the contribution. These amounts may be rolled up and reported as aggregate State level match.

(c) Qualifications and exceptions. (1) The matching requirements may not be met by the use of an employer's share of participant wage payments (e.g., employer share of OJT wages).

(2) Costs borne by other Federal grant agreements. A cost-sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(3) General revenue sharing. For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(4) Cost or contributions counted towards other Federal cost-sharing requirements. Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost-sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost-sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(5) Costs financed by program income. Costs financed by program income, as defined in 29 CFR 97.25, shall not count towards satisfying a cost-sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in §97.25(g)).

(6) Services or property financed by income earned by contractors. Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost-sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(7) Records. Costs and third party in-kind contributions counting towards satisfying a cost-sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(8) Special standards for third party in-kind contributions. (i) Third party in-kind contributions count towards satisfying a cost-sharing or matching requirement only where, if the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contributions had to pay for them, the payments would have been an indirect costs. Cost sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost-sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee) or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost-sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(d) Valuation of donated services. (1) Volunteer services. Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee's or subgrantee's organization. If the grantee...
§ 645.310 What assurance must a State provide that it will make the required matching expenditures?

In its State plan, a State must provide a written estimate of planned matching expenditures and describe the process by which the funds will be tracked and reported to ensure that the State meets its required level of matching funds for the prior year.

(b) If match expenditures do not satisfy the requirement of the FY grant, the subsequent FY grant amount will be reduced by the appropriate corresponding amount (i.e., the grant will be reduced by two dollars for each dollar shortfall in State matching funds).

(c) If a State has failed to expend the required level of matching funds, the required reduction in the State grant will be made during the second quarter of the fiscal year.

(d) Also, any funds which become available as a result of underexpenditures of required match, or failure to obligate 100 percent of the funds by either States or substate entities by the end of the fiscal year of the grant, will be reallocated among qualifying States (i.e., those which have committed a sufficient match to qualify for additional funds). The reallocation will occur during the second quarter of the following fiscal year (section 403(a)(5)(A)(i)(I) of the Act).

Subpart D—State Formula Grants

§ 645.400 Under what conditions may the Governor request a waiver to designate an alternate local administering agency?

(a)(1) The Governor may include in the State’s WtW Plan a waiver request to select an agency other than the PIC to administer the program for one or more SDAs in a State; or

(2) When the Governor determines the PIC, or alternative agency, has not coordinated its expenditures with the expenditure of funds provided to the State under TANF, pursuant to section 403(a)(5)(A)(vi)(II) of the Act, the Governor shall request a waiver.

(b) The Governor shall bear the burden of proving that the designated alternative agency, rather than the PIC or other administering agency, would improve the effectiveness or efficiency of the administration of WtW funds in the SDA. The Governor’s waiver request shall include information to meet that burden. The Governor shall provide a copy of the waiver request and any supporting information submitted to the Secretary to the PIC and CEO of the SDA for which an alternative administering agency is requested.

(c) The PIC and CEO shall have fifteen (15) days in which to submit his or her written response to the Governor. The PIC and CEO shall provide a copy of such response to the Governor.

(d) The Secretary will assess the waiver information submitted by the Governor, including input from the PIC and CEO in reaching the decision whether to permit the use of an alternate administrative agency.

(e) The Secretary shall approve a waiver request if she determines that the Governor has established that the designated alternative administering agency, rather than the PIC or other administering agency, will improve the effectiveness or efficiency of the administration of WtW funds provided for the benefit of the SDA.
§645.410 What elements will the State use in distributing funds within the State?

(a) Of the WtW funds allotted to the State, not less than 85 percent of the State allotment must be distributed to the SDAs in the State.

(1) The State shall prescribe a formula for determining the amount of funds to be distributed to each SDA in the State using no factors other than the three factors described in paragraphs (a)(2) and (3) of this section;

(2) The formula prescribed by the Governor must include as one of the formula factors for distributing funds the provision at section 403(a)(5)(A)(vii)(I) of the Act. The Governor is to distribute funds to an SDA based on the number by which the population of the area with an income that is less than the poverty line exceeds 7.5 percent of the total population of the area, compared to all such numbers in all such areas in the State. The Governor must assign a weight of not less than 50 percent to this factor;

(3) The Governor shall distribute the remaining funds, if any, to the SDAs utilizing only one or both of the following factors:

(i) The SDA’s share of the number of adults receiving assistance under TANF or the predecessor program in the SDA for 30 months or more (whether consecutive or not), relative to the number of such adults residing in the State;

(ii) The SDA’s share of the number of unemployed individuals residing in the SDA, relative to the number of such individuals residing in the State.

(4) If the amount to be distributed to a service delivery area by the Governor’s formula is less than $100,000, the funds shall be available to be used by the Governor to fund projects described at paragraph (b) of this section.

(5) States shall use the guidance provided at section 403(a)(5)(D) of the Act in determining the number of individuals with an income that is less than the poverty line.

(6) PICs (or alternate administering agencies) shall determine, pursuant to section 403(a)(5)(A)(vii)(I) of the Act, on which individuals and on which allowable activities to expend its WtW fund allocation.

(7) The State shall distribute the SDAs’ allocations in a timely manner, but not later than 30 days from receipt of the State’s fund allotment.

(b) Of the funds allocated to the State, up to 15 percent of the funds may be retained at the State level to fund projects that appear likely to help long-term recipients of assistance enter unsubsidized employment. Any additional funds available as a result of the process described at paragraph (a)(4) of this section, shall also be available to be used to fund projects to help long-term recipients of assistance enter unsubsidized jobs.

(c) The Governors may distribute the funds retained pursuant to paragraph (b) of this section to a variety of workforce organizations, in addition to PICs, and other entities such as One-Stop systems, private sector employers, labor organizations, business and trade associations, education agencies, housing agencies, community development corporations, transportation agencies, community-based and faith-based organizations, disability community organizations, community action agencies, and colleges and universities which provide some of the assistance needed by the targeted population.

§645.415 What planning information must a State submit in order to receive a formula grant?

(a) Each State seeking financial assistance under the formula grant portion of the WtW legislation must submit an annual plan meeting the requirements prescribed by the Secretary. This plan shall be in the form of an addendum to the TANF State plan and shall be submitted to the Secretaries of Labor and Health and Human Services.

(b) The Secretary shall review the State plan for compliance with the statutory and regulatory provisions of the WtW program. The Secretary’s decision whether to accept a State plan as in compliance with the Act shall constitute final agency action.

(c) If the Governor has requested a waiver to permit the selection of an alternative administering agency in the State plan, the provisions of §645.400 of this part shall apply (section 403(a)(5)(A)(vii)(I) of the Act).

§645.420 What factors will be used in measuring State performance?

(a) State performance will be measured by a formula issued by the Secretary after consultation with DHHS, the National Governors Association (NGA) and the American Public Welfare Association (APWA).

(b) The formula shall be the basis for measuring the success of States in placing individuals in private sector employment or any kind of employment, the duration of such placements, any increase in earnings of such individuals and other additional factors that the Secretary of Labor deems to be appropriate. The formula will provide for adjustments due to general economic conditions on a State-by-State basis.

(c) The formula shall serve as the basis for the award of FY 2000 bonus grants based on

Subpart A—Introduction to Indian and Native American Welfare to Work Programs

§ 646.100 What is the purpose of the Indian and Native American Welfare-to-Work (INA WtW) Program?

The INA WtW Program, authorized by title V, section 5001(c) of the Balanced Budget Act of 1997, is a program to complement the Indian provisions of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA—commonly called the “Welfare Reform Act”) [Pub. L. 104–193, 42 U.S.C. 601 et seq.] by providing additional funds to eligible federally-recog-
Native American Welfare-to-Work programs (see §646.215 of this part).

Subpart B—Eligibility to Receive INA WtW Grants

§646.200 What entities are eligible to receive INA WtW grants?

The three categories of Federally-recognized Indian tribes or Alaska Native regional nonprofit corporations eligible to receive INA WtW funds, as described at section 412(a)(3)(B) of the amended Social Security Act, are those which: Operate a tribal TANF program; operate a NEW program; or operate an employment program funded through other sources under which substantial services are provided to recipients of assistance under a program funded under Part A of title IV of the Social Security Act. The term “substantial services” is defined at §646.215 of this part.

§646.205 What entities are eligible to receive INA WtW grants in Alaska?

The twelve Alaska Native regional nonprofit corporations, along with the Metlakatla Indian Community of the Annette Islands Reserve, are the only entities in Alaska eligible to apply for INA WtW grants. These nonprofit corporations are listed in section 419(4)(B) of the amended Social Security Act [42 U.S.C. 619(4)(B)].

§646.210 Can a consortium composed of tribes which do not operate TANF or NEW programs still receive an INA WtW grant?

Yes, although the consortium must collectively meet the “substantial services” criteria outlined at §646.215 below. Refer to subpart C of this part for more information on consortium requirements.

§646.215 How does a tribe document that it is currently providing “substantial services” to public assistance recipients?

Tribes which currently operate employment programs funded through other sources, such as those under the Job Training Partnership Act (JTPA) or Employment Assistance (EA) under the Bureau of Indian Affairs (BIA), must provide verifiable documentation that: At least twenty percent (20%) of those served in such an employment program were public assistance recipients during the most recent program or fiscal year; and employment services have been provided to a minimum of fifty (50) public assistance recipients over the last two program or fiscal years.

§646.220 What criteria apply to TANF/NEW tribes regarding the provision of “substantial services”?

None. Tribes which operate TANF or NEW programs do not need to meet the criteria for providing “substantial services” to public assistance recipients.

§646.225 If a tribe is awarded an INA WtW grant, is the tribe required to participate in an evaluation of the program?

Yes. The Act specifies that each INA WtW grantee “must agree to negotiate in good faith with the Secretary of Health and Human Services with respect to the substance and funding of any evaluation * * * and to cooperate with the conduct of any such evaluation.” [42 U.S.C. 612(a)(3)(B)(iv)]

Subpart C—Application for INA WtW Grants

§646.300 How does my tribe apply for an INA WtW grant?

Each eligible tribe must submit an INA WtW plan to the Department of Labor in accordance with the planning instructions issued by the Department of Labor. For those tribes with an approved tribal family assistance plan (TANF plan), the application for an INA WtW grant must take the form of an addendum to that TANF plan. Tribes already participating in the demonstration project under Public Law 102–477 [25 U.S.C. 3401 et seq.], The Indian Employment, Training and Related Services Demonstration Act of 1992, should reference §646.900 of this part. Planning information is also available on the INA WtW web site at www.wdsc.org/dinap.
§ 646.305 Can a consortium of Federally-recognized tribes apply for an INA WtW grant on behalf of consortium member tribes approved to operate a TANF or NEW program?

Yes. Consortium member tribes which operate approved TANF or NEW programs are by law eligible to apply for an INA WtW grant. Their consortium may apply for the INA WtW grant on their behalf, under the following circumstances: if an established consortium exists for one purpose, such as operating a JTPA grant, this established consortium may apply for an INA WtW grant on behalf of those member tribes authorized to receive NEW funding.

§ 646.310 Some of our consortium members operate their own TANF/NEW programs, and some do not. Can we still apply for an INA WtW grant as a consortium?

Yes. For those consortium member tribes which DO NOT operate TANF or NEW programs, they must collectively meet the "substantial services" criteria.

§ 646.315 If our consortium members not operating TANF or NEW programs meet the "substantial services" criteria, do we then have to submit two separate INA WtW plans?

Yes. Because of the different funding formulas involved for FY 1998, such a "mixed consortium" (composed of tribes which operate TANF/NEW programs and those which do not) shall submit two plans for providing WtW services across the consortium, one plan for the TANF/NEW tribes and the other for those tribes eligible under the "substantial services" criteria. However, once both plans have been funded, the consortium may administer one program across the consortium.

§ 646.320 If we choose to operate a single INA WtW program for our "mixed consortium" for FY 1998, must we submit a single plan to the Department for FY 1999?

Yes. All FY 1998 INA WtW grantees must submit AFDC/TANF counts to the Department so that a single funding formula may be utilized for FY 1999.

§ 646.325 What unique documentation is required of a tribal consortium?

Consortium tribes must submit a legally-binding consortium agreement signed by all the tribes in the consortium with the grant application.

§ 646.330 If our tribe did not receive an INA WtW grant for FY 1998, can we still receive funding for FY 1999?

Yes, provided the tribe or consortium is eligible under the criteria cited at § 646.200 of this part. Tribes or consortia having to meet the "substantial services" criteria may use verifiable data from any employment program operated by the tribe, as was the case for FY 1998. Refer to section 646.215 for these criteria. Tribes or consortia are encouraged to submit State-negotiated AFDC/TANF counts for their area prior to applying for FY 1999 INA WtW funds.

Subpart D—Participant Eligibility, Limits, and Allowable Activities

§ 646.400 What TANF recipients are eligible for services under INA WtW grants?

Individual TANF clients must meet the conditions outlined at section 403(a)(5)(C), clauses (ii), (iii), or (iv) of the amended Social Security Act. For INA WtW purposes, an individual determined to have low skills in reading or mathematics must be proficient at the 8.9 grade level or below. An individual determined to have a poor work history must have worked no more than three (3) consecutive months in the past twelve (12) calendar months.

§ 646.405 What activities are allowable under the Welfare-to-Work program?

All allowable activities are described at section 403(a)(5)(C)(i) of the Social Security Act. INA WtW funds shall be used to "move individuals into and keep individuals in lasting unsubsidized employment by means of any of the following:

(a) The conduct and administration of community service or work experience programs;
(b) Job creation through public or private sector employment wage subsidies;
§ 646.505 My tribe (or consortium) must qualify for an INA WtW grant under the “substantial services” criteria. How will our service area be determined?

Tribes qualifying for the INA WtW program under the “substantial services” criteria (i.e., not operating their own TANF or NEW programs) may use the service area(s) established for the
tribe under the JTPA or BIA Employment Assistance programs. INA WtW grantees funded under the “substantial services” criteria shall ensure that all AFDC/TANF recipients within the service area for which the grantee was designated are afforded an equitable opportunity for INA WtW services, because their funding is predicated on 1990 Census data for all Native Americans residing in their service area, regardless of tribal affiliation. While there is no individual entitlement to INA WtW services, all eligible AFDC/TANF recipients shall be afforded equal consideration in the decision to provide INA WtW services. Service areas differing from those outlined above may be negotiated with the Department of Labor.

§ 646.510 Are there any special service area provisions made for Indians residing in Oklahoma?

Yes. With the exception of the Osage reservation in Oklahoma, service areas will be determined by reference to the “tribal jurisdiction statistical areas” (TJSAs). TJSAs are defined by the Bureau of the Census as being areas delineated by Federally-recognized tribes in Oklahoma without a reservation, for which the Census Bureau tabulates data. TJSAs represent areas generally containing the American Indian population over which one or more tribal governments have jurisdiction. Service areas for Oklahoma Indian residents differing from those outlined under the TJSAs may also be negotiated with the Department of Labor.

Subpart F—Funding and Spending Requirements

§ 646.600 How will the INA WtW grant funding allotments be determined?

Funds will be allotted to INA WtW grantees on a formula basis. To determine the FY 1998 allotments, poverty data from the 1990 Decennial Census will be used to determine the “split” between TANF/NEW tribes and all other tribes. The percentage of the annual appropriation reserved for TANF and NEW tribes will then be allocated using 1995 AFDC counts previously published by DHHS. For FY 1999, a single funding formula will be employed utilizing AFDC/TANF counts.

§ 646.605 What spending limitations are imposed on the INA WtW program?

No less than seventy percent (70%) of INA WtW funds must be spent directly on assistance for the benefit of TANF recipients who meet the eligibility requirements of section 403(a)(5)(C)(ii) of the Social Security Act. Up to thirty percent (30%) of INA WtW funds can be spent to provide assistance to individuals who meet the eligibility requirements of section 403(a)(5)(C)(iii) of the Social Security Act. No more than twenty percent (20%) of INA WtW grant funds may be spent for administration. Refer to §646.400 for the definitions of “low skills in reading or mathematics” and “poor work history”.

§ 646.610 What definition of “administration” is applicable to the INA WtW program?

Administrative costs consist of all direct and indirect costs associated with the management of the grantee’s program. These costs include but are not limited to: the salaries and fringe benefits of personnel engaged in executive, fiscal, data collection, personnel, legal, audit, procurement, data processing, communications, maintenance, and similar functions; and related materials, supplies, equipment, office space costs, and staff training. Also included are salaries and fringe benefits of direct program administrative positions such as supervisors, program analysts, labor market analysts, and project directors. Additionally, all costs of clerical personnel, materials, supplies, equipment, space, utilities, and travel which are identifiable with these program administration positions are charged to administration.

§ 646.615 How long does the tribe have to spend INA WtW funds?

INA WtW grantees must expend all allotted funds within three years after the effective date of each fiscal year grant agreement signed by the Grant Officer, pursuant to section 403(a)(5)(C)(vii) of the Social Security Act.
§ 646.805 Are statutory waivers allowable under the INA WtW program?

Yes. The Secretary of Labor may waive or modify any provision of section 403(a)(5)(C) [except for clause (vii) thereof, related to the deadline for expenditure of funds] of the Social Security Act, which are otherwise applicable to INA WtW grantees. Accordingly, the Secretary may waive the statutory requirements relating to client eligibility for services, allowable activities, and spending limits. Any waiver(s) requested must demonstrate how the waiver, if granted, will increase the efficiency or effectiveness of the program. Waivers may be requested at any time, and shall be effective as of the date indicated in the approval letter. Grantees must specify and support each provision to be waived.

Subpart H—Waivers and Performance Standards

§ 646.805 What are the performance measures tribes have to meet under the INA WtW program?

The Secretary has determined that the most important measures of the tribe’s performance are the number of participants entering unsubsidized employment, the duration of that employment, and the increase in their earnings. Grant applicants will be required to submit planned outcome figures with their INA WtW plans. These planned outcomes will be compared against reported outcomes in the tribe’s annual report. In addition, INA WtW grantees must negotiate in good faith with the Secretary of DHHS with respect to the substance and funding of any evaluation under section 413(j) of the Social Security Act, and must cooperate with the conduct of any such evaluation.
§ 646.900  May a tribe combine its INA WtW grant with other employment
and training programs under Pub.
L. 102–477, the Indian Employment,
Training and Related Services Demo-
onstration Act of 1992?
Yes. All grants awarded under the
INA WtW program are formula-funded,
so any INA WtW grant funds awarded
to a tribe can therefore be included in
a consolidated plan authorized by Pub-
lic Law 102–477. For those tribes al-
ready participating in the ‘‘477’’ dem-
onstration effort, application for an
INA WtW grant will take the form of a
‘‘477 plan’’ modification submitted to
the lead agency responsible for the
‘‘477’’ program.
§ 646.905  What are the other Federal
laws which must be followed by
INA WtW grantees?
All otherwise applicable Federal
statutes, including those dealing with
equal employment opportunity, work-
place safety, employment standards,
treatment of individuals with disabil-
ities, age discrimination, and civil
rights, must be followed by all INA
WtW fund recipients.
§ 646.910  What are a tribe’s appeal
rights under the INA WtW program?
The administrative procedures in
proceedings initiated by grantees fund-
ed under section 401 of the Job Train-
ing Partnership Act, as codified at 20
CFR part 636, shall apply to appeals of
agency action by INA WtW grantees.
These appeal procedures include the following provisions:
(a) Within twenty-one (21) days of the
receipt of a denial of a request for a
statutory waiver under § 646.800 of this
part, or within twenty-one (21) days of
receipt of a final determination impos-
ing a sanction or corrective action
issued pursuant to 20 CFR 636.8, an INA
WtW grantee whose request for a statu-
tory waiver has been denied, or who
seeks review of a Grant Officer’s Final
Determination, may request a hearing
before the Department’s Office of Ad-
ministrative Law Judges pursuant to
20 CFR 636.10.
(b) The decision of an Administrative
Law Judge (ALJ) shall be final unless,
within twenty (20) days of the decision,
a party dissatisfied with that ALJ deci-
sion has filed a petition for review with
the Administrative Review Board
(ARB), established pursuant to the pro-
visions of Secretary’s Order No. 2–96,
published at 61 FR 19977 (May 3, 1996).
This petition shall specifically identify
the procedure, fact, law, and/or policy
to which exception is taken. Those pro-
visions of the determination not speci-
fied for review, or the entire deter-
mination when no hearing has been re-
quested, shall be considered resolved
and not subject to further review. A
copy of the petition for review must be
sent to the opposing party at that
time. Thereafter, the decision of the
ALJ shall constitute final agency ac-
tion unless the ARB, within thirty (30)
days of the filing of the petition for re-
view, notifies the parties that the case
has been accepted for review. Any case
accepted by the ARB shall be decided
within 120 days of such acceptance. If
no decision is reached in that time,
then the decision of the ALJ shall con-
stitute final Departmental action.
§ 646.915  What administrative require-
ments must be met when the INA
WtW program ends?
In accordance with the Department’s
regulations at 29 CFR 97.50 for tribes
and 29 CFR 95.71 for nonprofits, all ex-
piring grants will be closed out. This
means that all funds drawn down under
the INA WtW grant must be accounted
for as allowable expenditures or re-
turned to the Department. The Depart-
ment will issue appropriate closeout
forms and instructions to all INA WtW
grantees after the program ends.

PPEALS PROMPTNESS—UNEM-
PLOYMENT COMPENSATION

Sec.
650.1  Nature and purpose of the standard.
650.2  Federal law requirements.
650.3  Secretary’s interpretation of Federal
law requirements.
650.4  Review of State law and criteria for
review of State compliance.
650.5  Annual appeals performance plan.
Employment and Training Administration, Labor

§ 650.3 Secretary’s interpretation of Federal law requirements.

(a) The Secretary interprets sections 303(a)(1) and 303(a)(3) above to require that a State law include provision for—

(1) Hearing and decision for claimants who are parties to an appeal from a benefit determination to an administrative tribunal with the greatest promptness that is administratively feasible, and

provisions of State law. The Secretary considers as substantial compliance the issuance of minimum percentages of first level benefit appeal decisions within the periods of time specified in §650.4.

(d) Although the interpretation of Federal law requirements in §650.3 below applies to both first and second level administrative benefit appeals, the criteria for review of State compliance in §650.3(b) apply only to first level benefit appeals.

§ 650.2 Federal law requirements.

(a) Section 303(a)(1) of the Social Security Act requires that a State law include provision for:

Such methods of administration * * * as are found by the Secretary of Labor to be reasonably calculated to insure full payment of unemployment compensation when due.

(b) Section 303(a)(3) of the Social Security Act requires that a State law include provision for:

Opportunity for a fair hearing, before an impartial tribunal, for all individuals whose claims for unemployment compensation are denied.

(c) Section 303(b)(2) of the Social Security Act provides that:

Whenever the Secretary of Labor, after reasonable notice and opportunity for hearing to the State agency charged with the administration of the State law, finds that in the administration of the law there is—

(1) * * *

(2) A failure to comply substantially with any provision specified in subsection (a) (303(a)); the Secretary of Labor shall notify such State agency that further payments will not be made to the State until he is satisfied that there is no longer any such denial or failure to comply. Until the Secretary of Labor is so satisfied, he shall make no further certification to the Secretary of the Treasury with respect to such State * * *

§ 650.1 Nature and purpose of the standard.

(a) This standard is responsive to the overriding concern of the U.S. Supreme Court in California Department of Human Resources v. Java, 402 U.S. 121 (1971), and that of other courts with delay in payment of unemployment compensation to eligible individuals, including delays caused specifically by the adjudication process. The standard seeks to assure that all administrative appeals affecting benefit rights are heard and decided with the greatest promptness that is administratively feasible.

(b) Sections 303(a)(1) and (3) of the Social Security Act require, as a condition for the receipt of granted funds, that State laws include provisions for methods of administration reasonably calculated to insure full payment of unemployment compensation when due, and opportunity for a fair hearing for all individuals whose claims for unemployment compensation are denied. The Secretary has construed these provisions to require, as a condition for receipt of granted funds, that State laws include provisions for hearing and deciding appeals for all unemployment insurance claimants who are parties to an administrative benefit appeal with the greatest promptness that is administratively feasible.

(b) Sections 303(a) (1) and (3) of the Social Security Act require, as a condition for the receipt of granted funds, that State laws include provisions for methods of administration reasonably calculated to insure full payment of unemployment compensation when due, and opportunity for a fair hearing for all individuals whose claims for unemployment compensation are denied. The Secretary has construed these provisions to require, as a condition for receipt of granted funds, that State laws include provisions for hearing and deciding appeals for all unemployment insurance claimants who are parties to an administrative benefit appeal with the greatest promptness that is administratively feasible.

(c) In addition, the Secretary has construed section 303(b)(2) of the Social Security Act as requiring States to comply substantially with the required
§ 650.4 Review of State law and criteria for review of State compliance.

(a) A State law will satisfy the requirements of §650.3(a) if after calendar year 1973 it contains a provision requiring, or is construed to require, hearing and decision for claimants who are parties to an administrative appeal affecting benefit rights with the greatest promptness that is administratively feasible.

(b) A State will be deemed to comply substantially with the State law requirements set forth in §650.3(a) with respect to first level appeals, if for the calendar year 1975 and ensuing years, the State has issued at least 60 percent of all first level benefit appeal decisions within 30 days of the date of appeal, and at least 80 percent of all first level benefit appeal decisions within 45 days. These computations will be derived from the State's regular reports required pursuant to the Employment Security Manual, part III, sections 4400–4450.

(c) To afford the States a reasonable opportunity to make the changes necessary to meet these criteria, the Secretary will not evaluate substantial compliance until calendar year 1974 and for that year he will apply less stringent criteria than for future years. A State law will be deemed to comply substantially with the State law promptness requirement for calendar year 1974 if the State has issued at least 50 percent of all first level benefit appeal decisions within 30 days of the date of appeal; at least 75 percent of its first level benefit appeal decisions within 45 days; and at least 90 percent of its first level benefit appeal decisions within 75 days. These computations also will be derived from the aforementioned reports required pursuant to the Employment Security Manual.

§ 650.5 Annual appeals performance plan.

No later than December 15, 1974, and the 15th of December of each ensuing year, each State shall submit an appeals performance plan showing how it will operate during the following calendar year so as to achieve or maintain the issuance of at least 60 percent of all first level benefit appeals decisions within 30 days of the date of appeal, and 80 percent within 45 days.

During this interim period, State agency employees may be enrolled in plans open to State agency employees only. No such extension may continue beyond the 60th day following the completion of the next full session of the State legislature which begins after the effective date of this part;

(iii) For fringe benefit plans other than retirement, the Secretary grants a time extension which may continue until such time as they are comparable in cost to those fringe benefit plans available to other similarly employed employees of the State on the condition that there are no benefit improvements. The Secretary may grant this time extension if the State agency can demonstrate that the extension is necessary to prevent loss of benefits to current States agency employees, retirees and/or their fringe benefit plan beneficiaries, or that it is necessary to avoid unreasonable expenditures on behalf of the employee or employer to maintain such fringe benefits for current employees and retirees. At such time as the cost of these fringe benefit plans becomes equitable with those available to other similarly employed State employees, the time extension will cease and the requirements of OMB Circular A–87 (Revised) will apply;

(iv) Requests for time extensions under this section will include an opinion of the State Attorney General, that either legislative action is required to accomplish compliance with OMB Circular A–87 (Revised) or, for (d)(6)(iii) of this section that such compliance would result in either loss of current benefits to State agency employees and retirees or unreasonable expenditures to maintain these benefits. Such requests will be filed with the Secretary no later than 30 days after the effective date of this part; and
(v) Time extensions granted relative to (d)(6)(iii) of this section require a signed statement by the State agency Administrator, that no improvements have been made to fringe benefits under the extension and that the plan(s) is (are) not consistent with those available to other similarly employed State employees, for each year of the extension. Documentation supporting the affidavit shall be maintained for audit purposes.

(i) The charges against Reed Act funds were for amounts appropriated, obligated, and expended for the acquisition of automatic data processing installations or for the acquisition or major renovation of State owned office building; and

(ii) With respect to each acquisition of improvement of property pursuant to paragraph (d)(7)(i) of this section, the payments are accounted for in the State’s records as credits against equivalent amounts of Reed Act Funds used for administrative expenditures.

(2) The information specified in section 3(b) and other sections of the Act, shall also be provided to officers or any employee of the Federal Government of a State government lawfully charged with administration of unemployment compensation laws, employment service activities under the Act or other related legislation, but only for purposes reasonably necessary for the proper administration of such laws.

(f) Audits. (1) At least once every 2 years, the State shall prepare or have prepared an independent financial and compliance audit covering each full program year not covered in the previous audit, except that funds expended pursuant to section 7(b) of the Act shall be audited annually.

(2) The Comptroller General and the Inspector General of the Department shall have the authority to conduct audits, evaluations or investigations necessary to meet their responsibilities under sections 9(b)(1) and 9(b)(2), respectively, of the Act.

(3) The audit, conducted pursuant to paragraph (f)(1) or (f)(2) of this section, shall be submitted to the Secretary who shall make an initial determination. Such determinations shall be based on the requirements of the Act, regulations, and State plan.

   (ii) Offsetting debts arising from the misexpenditure of grant funds, against amounts to which the State is or may be entitled under the Act, provided that debts arising from gross negligence or willful misuse of funds shall not be offset against future grants. When the Secretary reduces amounts allotted to the State by the amount of the misexpenditure, the debt shall be fully satisfied;

No, these funds are reserved for use by the Governor for the three categories of activities specified in section 7(b) of the Act. However, these funds may flow through the One-Stop delivery system.

§ 652.205 May funds authorized under the Act be used to supplement funding for labor exchange programs authorized under separate legislation?

(b) These requirements are:

1. Labor exchange services must be available to all employers and job seekers, including unemployment insurance (UI) claimants, veterans, migrant and seasonal farmworkers, and individuals with disabilities;

2. The State must have the capacity to deliver labor exchange services to employers and job seekers, as described in the Act, on a Statewide basis through:

(c) Staff-assisted service.
§ 652.209 What are the requirements under the Act for providing reemployment services and other activities to referred UI claimants?

(a) In accordance with section 3(c)(3) of the Act, the State agency, as part of the One-Stop delivery system, must provide reemployment services to UI claimants for whom such services are required as a condition for receipt of UI benefits. Services must be provided to the extent that funds are available and must be appropriate to the needs of UI claimants who are referred to reemployment services under any Federal or State UI law.

(b) The State agency must also provide other activities, including:

(1) Coordination of labor exchange services with the provision of UI eligibility services as required by section 5(b)(2) of the Act;

The State agency designated to administer funds authorized under the Act must prepare for submission by the Governor, the portion of the five-year State Workforce Investment Plan describing the delivery of services provided under the Act in accordance with WIA regulations at 20 CFR 661.220. The State Plan must contain a detailed description of services that will be provided under the Act, which are adequate and reasonably appropriate for carrying out the provisions of the Act, including the requirements of section 8(b) of the Act.

§ 652.212 When should a State submit modifications to the five-year plan?

(a) A State may submit modifications to the five-year plan as necessary during the five-year period, and must do so in accordance with the same collaboration, notification, and other requirements that apply to the original plan. Modifications are likely to be needed to keep the strategic plan a viable and living document over its five-year life.

(b) That portion of the plan addressing the Act must be updated to reflect any reorganization of the State agency designated to deliver services under the Act, any change in service delivery strategy, any change in levels of performance when performance goals are not met, or any change in services delivered by State merit-staff employees.

§ 652.213 What information must a State include when the plan is modified?

A State must follow the instructions for modifying the strategic five-year plan in 20 CFR 661.230.

§ 652.214 How often may a State submit modifications to the plan?

A State may modify its plan, as often as needed, as changes occur in Federal or State law or policies, Statewide vision or strategy, or if changes in economic conditions occur.

§ 652.215 Do any provisions in WIA change the requirement that State merit-staff employees must deliver services provided under the Act?

No, the Secretary requires that labor exchange services provided under the authority of the Act, including services to veterans, be provided by State merit-staff employees. This interpretation is authorized by and consistent with the provisions in sections 3(a) and...
5(b) of the Act and the Intergovernmental Personnel Act (42 U.S.C. 4701 et seq.). The Secretary has and has exercised the legal authority under section 3(a) of the Act to set additional staffing standards and requirements and to conduct demonstrations to ensure the effective delivery of services provided under the Act. No additional demonstrations will be authorized.

§ 653.101 Provision of services to migrant and seasonal farmworkers (MSFWs).

(a) Each State agency and each local office shall offer to migrant and seasonal farmworkers (MSFWs) the full range of employment services, benefits and protections, including the full range of counseling, testing, and job and training referral services as are provided to non-MSFWs. In providing such services, the State agency shall consider and be sensitive to the preferences, needs, and skills of individual MSFWs and the availability of job and training opportunities.

(b) Each State agency shall assure that, in a local area, the same local offices, including itinerant and satellite offices, but exclusive of day-haul operations, offer services to both non-MSFWs and MSFWs. Separate farm labor service local offices, which offer only farmwork to agricultural workers while another local office serving the same geographical area offers other JS services to other applicants, are prohibited so that all applicants receive employment services on the same basis.

§ 653.102 Job information.

All State agencies shall make job order information conspicuous and available to MSFWs in all local offices. This information shall include Job Bank information in local offices where it is available. Such information shall be made available either by computer terminal, microfiche, hard copy, or other equally effective means. Each significant MSFW local office shall provide adequate staff assistance to each MSFW to use the job order information effectively. In those offices designated as significant MSFW bilingual offices, such assistance shall be provided to MSFWs in Spanish and English, wherever requested or necessary, during any period of substantial MSFW activity.

§ 653.103 MSFW job applications.

(a) Every local office shall determine whether or not applicants are MSFWs as defined at §651.10 of this chapter.

(b) Except as provided in §653.105, when an MSFW applies for JS services at a local office or is contacted by an Outreach worker, the services available through the JS shall be explained to the MSFW. In local offices which have been designated as significant MSFW bilingual offices by ETA, this explanation shall be made in Spanish, if necessary or requested during any period of substantial MSFW activity. Other local offices shall provide bilingual explanations wherever feasible.

(c) The local office staff member shall provide the MSFW a list of those services. The list shall be written in English and Spanish and shall specify those services which are available after completion of a full application and those services which are available after completion of a partial application. The JS staff member shall explain to each MSFW the advantages of completing a full application.

Applications shall be reviewed periodically by the local office manager or a member of his/her staff to ensure their accuracy and quality. Applications and the application-taking process shall also be reviewed during State and Federal onsite reviews by the State and Regional MSFW Monitor Advocates and/or review staff, who shall check overall accuracy and quality, and offer technical advice on corrections or improvements.

(d) If the MSFW wishes to complete a full application, the staff shall provide all assistance necessary to complete the application and shall ensure that the form includes complete information. It shall include, to the extent possible, the significant history of the MSFW’s prior employment, training and educational background and a statement of any desired employment and any training needs in order to permit a thorough assessment of the applicant’s skills, abilities and preferences. All applicable items shall be completed according to the ETA instructions for preparation of the application card (ES-511). Additional Dictionary of Occupational Titles codes or keywords shall be assigned, where appropriate, based on the MSFW’s work history, training, and skills, knowledge, and abilities. Secondary cards shall be completed and separately filed.
§ 653.104 Services to MSFW family members, farm labor contractors, and crew members.

(a) In addition to other requirements in this subpart, the following special requirements are established for services to MSFW family members, farm labor contractors and crew members. Except as provided at §§653.103(e) and 653.105, no local office shall refer an MSFW family or crew unless each working member of the family or crew being referred, has filed either a full or partial application pursuant to §653.103(b) at a local office or has been issued a JS card in instances set forth in §653.103(h). Local offices may, upon request, provide general information, e.g., the types of crops in other areas, to farm labor contractors and family heads prior to the registration of all working members.

(b) No local office shall accept an application from an individual for employment as a farm labor contractor or fill an agricultural job order submitted by a farm labor contractor (‘‘FLC’’) or farm labor contractor employee (‘‘FLCE’’) unless the FLC or FLCE shows or obtains a valid FLC certificate, or FLCE identification card where required by Federal law, and a valid State certification where required by State law. If a FLC or FLCE is temporarily without his or her valid FLC certificate or FLCE identification card the local office shall try to verify the existence of the valid certificate or identification card by telephoning the State central office and/or the Department of Labor’s Employment Standards Administration regional office. The local office, however, shall not
§ 653.105 Job applications at day-haul facilities.

If the State agency is operating a day-haul facility under the exceptional circumstances provisions described in §653.106(a), a list of JS services shall be distributed and a full application shall be completed whenever an MSFW requests the opportunity to file a full application unless this is impractical at that time. In such cases, a full application shall be taken at the earliest practical time. In all other cases, a list of JS services shall be distributed.

§ 653.106 JS day-haul responsibilities.

(a) State agencies shall not establish, operate, or supervise any agricultural day-haul facilities unless exceptional circumstances warrant such action and prior approval of the Regional Administrator is obtained.

(b) No JS applicants shall be referred to non-JS operated day-haul facilities, unless the applicant is referred on a specific job order and is provided with a checklist summarizing wages, working conditions, and other material specifications on the job order. Such checklists, where necessary, shall be in English and Spanish. State agencies shall use a standard checklist format provided by ETA unless a variance has been approved by the Regional Administrator. However, general labor market information on the availability of jobs, the level of activity of agricultural and nonagricultural employment, and crop conditions shall be provided, upon request, to applicants where specific referrals to employment cannot be made.

(c) JS outreach workers shall visit all JS and non-JS operated day-haul facilities with substantial activity during their operation for purposes of providing MSFWs with information and assistance pursuant to §653.107(j). Monitoring of such activity shall be conducted pursuant to §653.108(p).

(Approved by the Office of Management and Budget under control number 1205–0039)

§ 653.107 Outreach.

(a) Each State agency shall operate an outreach program in order to locate and to contact MSFWs who are not being reached by the normal intake activities conducted by the local offices. Upon receipt of planning instructions and resource guidance from ETA, each State agency shall develop an annual outreach plan, setting forth numerical goals, policies and objectives. This plan shall be subject to the approval of the Regional Administrator as part of the program budget plan (PBP) process. Wherever feasible, State agencies shall coordinate their outreach efforts with those of public and private community service agencies and MSFW groups.

(b) In determining the extent of their outreach program, States shall be guided by the following statement of ETA policy:

(1) State agencies should make sufficient penetration in the farmworker community so that a large number of MSFWs are aware of the full range of JS services.
Employment and Training Administration, Labor

§ 653.107

(2) Significant MSFW Local offices should conduct especially vigorous outreach in their service areas.

(3) State agencies in supply States should conduct particularly thorough outreach efforts with extensive follow-up activities which capitalize on the relatively long duration of MSFW residence in the State.

(c) The plan shall be based on the actual conditions which exist in the particular State, taking into account the State agency’s history of providing outreach services, the estimated number of MSFWs in the State, and the need for outreach services in that State. The approval of the Regional Administrator shall be based upon his/her consideration of the following features of the outreach plan:

(1) Assessment of need. This assessment of need shall include:
   (i) A review of the previous year’s agricultural activity in the State.
   (ii) A review of the previous year’s MSFW activity in the State.
   (iii) A projected level of agricultural activity in the State for the coming year.
   (iv) A projected number of MSFWs in the State for the coming year, which shall take into account data supplied by CETA 303 grantees, other MSFW organizations, employer organizations and federal and/or State agency data sources such as the Department of Agriculture and the United States Employment Service.
   (v) A statement of the consideration given to the State Monitor Advocate’s recommendation as set forth in the annual summary developed under §653.108(t).

(2) Assessment of available resources. This assessment of the resources available for outreach shall include:
   (i) The level of funds available from all sources, including the funds specifically made available to the State agency for outreach.
   (ii) Resources made available through existing cooperative agreements with public and private community service agencies and MSFW groups.
   (iii) Where fewer resources are available for outreach than in a prior year, a statement of why fewer resources are available.

(3) Proposed outreach activities. The proposed outreach activities shall be designed to meet the needs determined under paragraph (c)(1) of this section with the available resources determined under paragraph (c)(2) of this section. The plan for the proposed outreach activities shall include:
   (i) Numerical goals for the number of MSFWs to contacted during the fiscal year by JS staff. The number of MSFWs planned to be contacted by other agencies under cooperative arrangements during the fiscal year also should be included in the plan. These numerical goals shall be based on the number of MSFWs estimated to be in the State in the coming year, taking into account the varying concentration of MSFWs during the seasons in each geographic area, the range of services needed in each area and the number of JS and/or cooperating agency staff who will conduct outreach.
   (ii) Numerical goals for the staff years to be utilized for outreach during the fiscal year.
   (iii) The level of funding to be utilized for outreach during the fiscal year.
   (iv) The tools which will be used to conduct outreach contacts, including personal contact, printed matter, videotapes, slides, and/or cassette recordings.
   (v) The records to be maintained by the JS outreach staff—logs of daily contacts to include the number of MSFWs contacted and assistance provided. The name of the individual contacted should be recorded when:
      (A) An application for work is taken by an outreach worker,
      (B) A referral to a job is made by an outreach worker, and/or
      (C) A complaint is taken by an outreach worker.

(d) In developing the outreach plan, the State agency shall solicit information and suggestions from CETA 303 grantees, other appropriate MSFW groups, public agencies, agricultural employer organizations, and other interested organizations. In addition, at least 45 days before submitting its final outreach plan to the Regional Administrator, the State agency shall provide a proposed plan to CETA 303 grantees, public agencies, agricultural employer
organizations, and other organizations expressing an interest and allow at least 30 days for review and comment. The State agency shall:

(1) Consider any comments received in formulating its final proposed plan.

(2) Inform all commenting parties in writing whether their comments have been incorporated and, if not, the reasons therefore.

(3) Transmit the comments and recommendations received and its responses to the Regional Administrator with the submission of the plan. (If the comments are received after the submission of the plan, they may be sent separately to the Regional Administrator.)

(e) The outreach plan shall be submitted as an essential part of the State’s annual PBP. The resource requirement of the plan shall be reflected in the PBP budget request. The plan, including the resource requirement, shall be reviewed by the Regional Administrator during the annual PBP approval process. The State agency shall be required to implement the approved outreach plan as part of its compliance with the PBP.

(f) The Regional Administrator shall review and evaluate the outreach plan, including the assessments of needs and resources, in light of the history of the State’s outreach efforts and the statements of policy set forth in §653.107(b). He/she shall approve the plan only if it demonstrates that adequate outreach will be conducted. The approved outreach plan shall be available for review by interested parties.

(g) As part of the annual PBP process, funding of State agencies shall be contingent upon the substantial and timely compliance of the State agency with its prior year outreach plan. However, if the Regional Administrator makes a finding of good faith efforts, he/she may fund a State agency even though it did not achieve substantial and timely compliance.

(h) For purposes of hiring and assigning staff to outreach duties, State agencies shall seek, through merit system procedures, qualified candidates:

(1) Who are from MSFW backgrounds, and/or

(2) Who speak Spanish, and/or

(3) Who are racially or ethnically representative of the MSFWs in the service area.

(i) The five States with the highest estimated year round MSFW activity shall assign, in accordance with State merit staff requirements, full-time, year round staff to outreach duties. The remainder of the significant MSFW states shall make maximum efforts to hire outreach staff with MSFW experience for year round positions and shall assign outreach staff to work full-time during the period of the highest MSFW activity. Such outreach staff shall be bilingual if warranted by the characteristics of the MSFW population in the State, and shall spend a majority of their time in the field. The Regional Administrator may grant approval for a deviation from the requirements of this section if the State agency provides adequate evidence that outreach activities and service delivery to MSFWs would be improved through other staffing arrangements.

(j) For purposes of this subpart, an outreach “contact” shall include either the presentation of information and offer of assistance specified in paragraphs (j)(1) and (j)(2) of this section, or the followup activity specified in paragraph (j)(3) of this section.

(1) Outreach workers shall explain to MSFWs at their working, living or gathering areas, including day-haul sites, by means of written and oral presentations either spontaneous or recorded, in a language readily understood by them, the following:

(i) The services available from the local office, including the availability of referrals to agricultural and non-agricultural employment, to training, to supportive services, as well as the availability of testing, counseling and other job development services;

(ii) Types of specific employment opportunities which are currently available in the JS system;

(iii) Information on the JS complaint system and other organizations serving MSFWs;

(j) Outreach workers shall be alert to observe the working and living conditions of MSFWs and, upon observation, or upon receipt of information regarding a suspected violation of federal or State employment-related law, document and refer information to the local office manager for processing in accordance with §653.113.

(l) Outreach workers shall be trained in local office procedures and in the services, benefits, and protections afforded MSFWs by the JS. They shall also be trained in the procedure for informal resolution of complaints. The program for such training shall be formulated by the State Administrator, pursuant to uniform guidelines developed by ETA, and each State’s program shall be reviewed and commented upon in advance by the State MSFW Monitor Advocate.

(m) During months when outreach activities are conducted, outreach workers shall maintain complete records of their contacts with MSFWs and the services they perform in accordance with a format developed by ETA. These records shall include a daily log, a copy of which shall be sent monthly to the local office manager and maintained on file for at least two years. These records shall include the number of contacts and names of contacts (where applicable), the services provided (e.g., whether a complaint was received, whether an application was taken, and whether a referral was made). Outreach workers also shall maintain records of each possible violation or complaint of which they have knowledge, and their actions in ascertaining the facts and referring the matters as provided herein. These records shall include a description of the circumstances and names of any employers who have refused outreach workers access to MSFWs pursuant to §653.107(1).

(n) During months when outreach activities are conducted, each local office manager shall file with the State MSFW Monitor Advocate a monthly summary report of outreach efforts. These reports shall summarize information collected, pursuant to paragraph (m) of this section. The local office manager and/or other appropriate State office staff members shall assess

2(2) After making the presentation, outreach workers shall urge the MSFWs to go to the local office to obtain the full range of JS services. If an MSFW cannot or does not wish to visit the local JS office, the outreach workers shall offer to provide on-site the following:

(i) Assistance in the preparation of applications;

(ii) If an unemployed MSFW, assistance in obtaining referral to specific employment opportunities currently available; if an employed MSFW, information regarding the types of employment opportunities which will become available upon the date on which the MSFW indicates that he/she will be available following his/her current employment.

(iii) Assistance in the preparation of either JS or non-JS related complaints;

(iv) Receipt and subsequent referral of complaints to the local office complaint specialist or local officer manager;

(v) Referral to supportive services for which the individual or a family member may be eligible;

(vi) As needed, assistance in making appointments and arranging transportation for individual MSFWs or members of their family to and from local offices or other appropriate agencies.

(3) Outreach workers shall make follow-up contacts as are necessary and appropriate to provide to the maximum extent possible the assistance specified in paragraphs (j)(1) and (j)(2) of this section.

(4) In addition to the foregoing outreach contacts, the State agency shall publicize the availability of JS services through such means as newspaper and electronic media publicity. Contacts with public and private community agencies, employers and/or employer organizations, and MSFW groups also shall be utilized to facilitate the widest possible distribution of information concerning JS services.
the performance of outreach workers by examining the overall quality and productivity of their work, including the services provided and the methods and tools used to offer services. Performance shall not be judged solely by the number of contacts made by the worker. The monthly reports and daily outreach logs shall be made available to the State MSFW Monitor Advocate and federal On-Site Review Teams. In addition, the distribution of any special funds for outreach, should funds become available, shall be based on the effectiveness and need of the State’s outreach program as monitored by ETA.

(o) Outreach workers shall not engage in political, unionization or antiunionization activities during the performance of their duties.

(p) Outreach workers shall be provided with, carry and display, upon request, identification cards or other material identifying them as employees of the State agency.

(a) State Administrators shall assure that their State agencies monitor their own compliance with JS regulations in serving MSFWs on an ongoing basis. The State Administrator shall have overall responsibility for State agency self-monitoring.

(b) The State Administrator shall appoint a State MSFW Monitor Advocate. The State Administrator shall inform farmworker organizations and other organizations with expertise concerning MSFWs of the opening and encourage them to refer qualified applicants to apply through the State merit system prior to appointing a State MSFW Monitor Advocate. Among qualified candidates determined through State merit system procedures, the State agencies shall seek persons (1) who are from MSFW backgrounds, or (2) who speak Spanish or other languages of a significant proportion of the State MSFW population, or (3) who are racially or ethnically similar to the MSFWs in the State, or (4) who have substantial work experience in farmworker activities.

(c) The State MSFW Monitor Advocate shall have direct, personal access, whenever he/she finds it necessary, to the State Administrator and shall work in the State central office. The State MSFW Monitor Advocate shall have status and compensation as approved by the civil service classification system and be comparable to other State positions assigned similar levels of tasks, complexity and responsibility.

(d) The State MSFW Monitor Advocates shall be assigned staff necessary to fulfill effectively all of his/her duties as set forth in this subpart. The number of staff positions shall be determined by reference to:

(1) The number of MSFWs in the State, as measured at the time of the peak MSFW population (MSFW activity), and (2) the need for monitoring activity in the State. The MSFW Monitor Advocates shall devote full time to Monitor Advocate functions, except that the USES Administrator may re-allocate positions from States of low MSFW activity to States of higher MSFW activity and may approve a plan for less than full-time work in States of low MSFW activity. Any such plan must demonstrate that the State MSFW Monitor Advocate function can be effectively performed with part-time staffing.

(e) All State MSFW Monitor Advocates and Assistant MSFW Monitor Advocates shall attend within the first three months of their tenure a training session conducted by the Regional MSFW Monitor Advocate. They shall also attend whatever additional training sessions are required by the Regional or National MSFW Monitor Advocate.

(f) The State MSFW Monitor Advocate shall provide any relevant documentation requested from the State agency by the Regional MSFW Monitor Advocate.

(g) The State MSFW Monitor Advocate shall:

(1) Conduct an ongoing review of the delivery of services and protections afforded by JS regulations to MSFWs by
Employment and Training Administration, Labor § 653.108

the State agency and local offices. The State MSFW Monitor Advocate, without delay, shall advise the State agency and local offices of (i) problems, deficiencies, or improper practices in the delivery of services and protections afforded by these regulations (including progress made in achieving affirmative action goals and timetables), and (ii) means to improve such delivery.

(2) Participate in onsite local office MSFW formal monitoring reviews on a regular basis.

(3) Assure that all significant MSFW local offices not reviewed onsite by Federal staff, are reviewed at least once a year by State staff, and that, if necessary, those local offices in which significant problems are revealed by required reports, management information, the JS complaint system or otherwise are reviewed as soon as possible.

(4) Assure that the monitoring review format, developed by ETA, is used as a guideline in the conduct of local office MSFW onsite formal monitoring reviews. This format will ensure that applications and the application-taking process are reviewed during State onsite reviews by State MSFW Monitor Advocates and/or review staff, who shall check overall accuracy and quality, and offer technical advice on corrections or improvements.

(5) Review the State agency’s outreach plan, and on a random basis, the outreach workers’ daily logs and other reports including those showing or reflecting the workers’ activities, to ensure that they comply with the outreach plan.

(h) Formal onsite MSFW monitoring reviews of local offices shall be conducted using the following procedures:

(1) Before beginning such a review, the State MSFW Monitor Advocate and/or review staff shall study:

(i) Program performance data,

(ii) Reports of previous reviews,

(iii) Corrective action plans developed as a result of previous reviews,

(iv) Complaint logs, and

(v) Complaints elevated from the office or concerning the office.

(2) Upon completion of a local office onsite formal monitoring review, the State MSFW Monitor Advocate shall hold one or more wrap-up sessions with the local office manager and staff to discuss any obvious findings and offer initial recommendations and appropriate technical assistance.

(3) After each review the State MSFW Monitor Advocate shall conduct an in-depth analysis of the review data. The conclusions and recommendations of the State MSFW Monitor Advocate shall be put in writing, shall be sent to the State Administrator, to the official of the State agency with line authority over the local office, and other appropriate State agency officials.

(4) The state MSFW Monitor Advocate may recommend that the review responsibility set forth in this subsection be delegated to a responsible professional member of the administrative staff of the State agency, if and when the State Administrator finds such delegation necessary. In such event, the State MSFW Monitor Advocate shall be responsible for and shall approve the written report of the review.

(5) The local office manager shall develop and propose a written corrective action plan. The plan shall be approved, or appropriately revised, by appropriate superior officials and the State MSFW Monitor Advocate. The plan shall include actions required to correct or to take major steps to correct any problems within 30 days or if the plan allows for more than 30 days for full compliance, the length of, and the reasons for, the extended period shall be specifically stated.

(6) State agencies, through line supervisory staff, shall be responsible for assuring and documenting that the local office is in compliance within the time period designated in the plan. State agencies shall submit to the appropriate ETA regional offices copies of the onsite local office formal monitoring review reports and corrective action plans for significant local offices.

(i) The State MSFW Monitor Advocate shall participate in federal reviews conducted pursuant to subpart G.

(j) At the discretion of the State Administrator, the State MSFW Monitor Advocate may be assigned the responsibility as the complaint specialist. The State MSFW Monitor Advocate shall participate in and monitor the performance of the complaint system, as
§ 653.108 20 CFR Ch. V (4–1–01 Edition)

set forth at 20 CFR 658.400 et seq. The State MSFW Monitor Advocate shall review the local office managers’ informal resolution of complaints relating to MSFWs and shall ensure that the State agency transmits copies of the logs of MSFW complaints to the regional office quarterly.

(k) The State MSFW Monitor Advocate also shall serve as an advocate to improve services for MSFWs within JS. The State MSFW Monitor Advocate shall establish ongoing liaison with CETA 303 and other organizations serving farmworkers, and employers and/or employer organizations, in the State. The State MSFW Monitor Advocate shall meet frequently with representatives of these organizations to receive complaints, assist in referrals of alleged violations to enforcement agencies, receive input on improving coordination with JS or improving JS services to MSFWs.

(l) The State MSFW Monitor Advocate shall conduct frequent field visits to the working and living areas of MSFWs, and shall discuss JS services and other employment-related programs with MSFWs, crew leaders, and employers. Records shall be kept of each such visit.

(m) The State MSFW Monitor Advocate shall participate in the appropriate regional public meeting(s) held by the Department of Labor Regional Farm Labor Coordinated Enforcement Committee.

(n) The State MSFW Monitor Advocate shall ensure that outreach efforts in all significant MSFW local offices are reviewed at least yearly to ensure that there is continuing compliance with 20 CFR 653.107. This review will include accompanying at least one outreach worker from each significant MSFW local office on his/her visits to MSFWs’ working and living areas. The State MSFW Monitor Advocate shall review findings from these reviews.

(o) The State MSFW Monitor Advocate shall review and assess the adequacy of the annual State affirmative action plan for MSFWs, and shall report such findings to the State Administrator.

(p) The State MSFW Monitor Advocate shall ensure that JS outreach activities are reviewed periodically at day-haul sites at which these activities are conducted. Complete records of such visits shall be kept. The State MSFW Monitor Advocate shall ensure that local offices and the State Administrator are advised of any deficiencies.

(q) The State MSFW Monitor Advocate shall review on at least a quarterly basis all statistical and other MSFW-related data reported by significant MSFW local offices in order (1) to determine the extent to which the State agency has complied with regulations at §653.100 et seq., and (2) to identify the areas of inadequate compliance.

(r) The State MSFW Monitor Advocate shall have full access to all statistical and other MSFW-related information gathered by State agencies and local offices and may interview State and local office staffs with respect to reporting methods. Subsequent to each review, the State MSFW Monitor Advocate shall consult, as necessary, with State and local offices and provide technical assistance to ensure accurate reporting.

(s) The State MSFW Monitor Advocate shall review and comment on proposed State JS directives, manuals, and operating instructions relating to MSFWs and shall ensure (1) that they accurately reflect the requirements of the regulations, and (2) that they are clear and workable. The State MSFW Monitor Advocate also shall explain and make available at the requestor’s cost, pertinent directives and procedures to employers, employer organizations, farmworkers, farmworker organizations and other parties expressing an interest in a readily identifiable directive or procedure issued and receive suggestions on how these documents can be improved.

(t) The State MSFW Monitor Advocate shall prepare for the State Administrator an annual summary of JS services to MSFWs within his/her State based on statistical data and his/her reviews and activities set forth in these regulations. The summary shall include an assessment of the State agency’s activities related to MSFWs such as those covered in the State agency’s PBP, outreach plan, and affirmative action plan, and the other matters with respect to which the State MSFW
Monitor Advocate has responsibilities under these regulations. A copy of this summary shall be forwarded to the Regional Administrator by the State Administrator.

§ 653.109 Data collection.

State agencies shall: (a) Collect data on MSFWs, including data on the number (1) contacted through outreach activities, (2) registering for service, (3) referred to agricultural jobs, (4) referred to non-agricultural jobs, (5) placed in agricultural jobs, (6) placed in non-agricultural jobs, (7) referred to training, (8) receiving counseling, (9) receiving job development, (10) receiving testing, (11) referred to supportive service, (12) receiving some service, (13) placed according to wage rates, and (14) placed according to duration. The State agencies also shall collect data on agricultural clearance orders (including field checks), MSFW complaints, and monitoring activities, as directed by ETA. These data shall be collected in accordance with the ESARS Handbook and applicable ETA Reports and Analysis Letters.

(b) Collect data on the number of MSFWs who were served as to whether they were male, female, black, Hispanic, American Indian, Asian, or Pacific Islander.

(c) Provide necessary training to State agency, including local office personnel, to assure accurate reporting of data;

(d) Collect and submit to ETA as directed by ETA, data on MSFWs required by the PBP, and

(e) Periodically collect and verify data required under this subsection, take necessary steps to ensure its validity, and collect and submit data for verification to ETA, as directed by ETA; and

(f) Submit additional reports to the ETA at such times and containing such items as ETA directs.

(Approved by the Office of Management and Budget under control number 1205–0039)

§ 653.110 Disclosure of data.

(a) State agencies shall disclose to the public, on written request, in conformance with applicable State and Federal law, the data collected by State and local offices pursuant to §653.109, if possible within 10 working days after receipt of the request.

(b) If a request for data held by a State agency is made to the ETA national or regional office, the ETA shall forward the request to the State agency for response.

(c) If the requested data cannot be supplied within 10 working days of receipt by the State agency of the request, the State agency shall respond to the requestor in writing, giving the reason for the delay and specifying the date by which it expects to be able to comply.

(d) State agency intra-agency memoranda and reports (or parts thereof) and memoranda and reports (or parts thereof) between the State agency and the ETA, however, to the extent that they contain statements of opinion rather than facts, may be withheld from public disclosure provided this reason for withholding is given to the requestor in writing. Similarly, documents or parts thereof, which, if disclosed, would constitute an unwarranted invasion of personal or employer privacy, may also be withheld provided the reason is given to the requestor in writing.

§ 653.111 State agency staffing requirements.

(a) On a statewide basis, staff representative of the racial and ethnic characteristics in the work force shall be distributed in substantially the same proportion among (1) all “job groups” (as that term is defined by the
Office of Federal Contract Compliance Programs), and (2) all offices in the plan(s).

(b)(1) As part of the PBP, each State agency shall develop and submit to the Regional Administrator affirmative action plans for all significant local offices within its jurisdiction (which, for the purposes of this provision, means those local offices representing the top 20 per cent of MSFW activity nationally). These affirmative action plans shall include goals and timetables and shall ensure that sufficient numbers of qualified, permanent minority staff are hired. Where qualified minority applicants are not available to be hired as permanent staff, qualified minority part-time, provisional, or temporary staff shall be hired in accordance with State merit system procedures, where applicable. These affirmative action plans shall be prepared on an individual office basis.

(2) The affirmative action plans shall include an analysis of the racial and ethnic characteristics of the work force in the local office service area. To determine the “work force” for the purpose of this paragraph, the State agency shall include the racial and ethnic characteristics of any MSFW population which is not a part of the permanent work force by computing an estimate of the total work years MSFWs collectively spend in the area and including a number of workers equivalent to this estimate as part of the permanent work force. This computation shall be made by calculating the average length of time, as a fractional part of a year, MSFWs stay in the area and then multiplying this figure by the total estimated MSFW population in the area during the previous year.

(3) The affirmative action plan also shall include an analysis of the local office staffing characteristics. The plan shall provide a comparison between the characteristics of the staff and the work force and determine if the composition of the local office staff(s) is representative of the racial and ethnic characteristics of the work force in the local office service area(s).

(4) If the staff under-represents any of these characteristics, the State agency shall establish a staffing goal at a level equivalent to the percentage of the characteristics in the work force in the local office service areas. The State agency also shall establish a reasonable timetable for achieving the staffing goal by hiring or promoting available, qualified staff in the under-represented categories. In establishing timetables, the State agency shall consider the vacancies anticipated through expansion, contraction, and turnover in the office(s) and available funds, and all affirmative action plans shall establish timetables that are designed to achieve the staffing goal no later than December 31, 1983.

(c) In addition, each State agency which has significant local offices, shall undertake special efforts to recruit MSFWs and persons from MSFW backgrounds for its staff, shall document achievements, and shall include in the affirmative action plan(s) a complete description of specific actions which the agency will take and time frames within which these actions will be taken.

(d) In developing the affirmative action plan for significant local offices, the State agency shall solicit from CETA 303 and other appropriate MSFW groups, employer organizations and other interested organizations, estimates of the total MSFW population in each local office service area, and the average length of time the MSFWs stay in the area. In addition, State agencies shall solicit, consider, incorporate as appropriate, respond to and include copies of comments from CETA 303, other appropriate MSFW groups, employer organizations, and other interested organizations, following procedures set forth for the annual outreach plan at §653.107(d).

(e) As part of the annual Program and Budget Plan (PBP) process, the funding of State agencies which are required to develop and implement affirmative action plans for significant local offices shall be contingent upon the timely submittal of adequate affirmative action plans and the substantial and timely attainment of the goals and timetables contained in those plans. However, if the Regional Administrator makes a finding of good faith efforts, he/she may fund a State agency even though it did not achieve substantial and timely compliance.
Employment and Training Administration, Labor

§ 653.112 State agency program budget plans.

(a) Each State agency, in its annual program budget plan, shall describe its plan to carry out the requirements of this subpart in the following year. The plan shall include, where applicable, the outreach and affirmative action plans required by §§653.107 and 653.111, respectively. For significant MSFW States, ETA shall establish program performance indicators reflecting equity indicators and indicators measuring minimum levels of service to MSFWs which the significant MSFW State agencies will be required to meet. These program performance indicator requirements shall be contained in the PBP Guidelines which ETA promulgates on an annual basis.

(b) Equity indicators shall address JS controllable services and shall include, at a minimum, individuals referred to a job; receiving counseling; receiving job development; receiving some service; and referred to supportive service.

(c) Minimum level of service indicators shall address other services to MSFWs and shall include, at a minimum, individuals placed in a job; placed in a job with a wage exceeding the Federal minimum wage by at least 50 cents/hour; placed long-term (150 days or more) in a non-agricultural job; review of significant MSFW local offices; field checks on agricultural clearance orders; outreach contacts per staff day; and processing of complaints. The determination of the minimum service levels required of significant MSFW States for each year shall be based on the following:

(1) Past State agency performance in serving MSFWs, as reflected in on-site reviews and data collected under §653.109;

(2) The need for services to MSFWs in the following year, comparing prior and projected levels of MSFW activity;

(3) The ETA program priorities for the following year; and

(4) Special circumstances and external factors existing in the particular State.

(d) The Regional Administrator shall review this portion of the PBP, and approve it upon making a written determination that it is acceptable in light of the requirements of this subpart.
§ 653.113 Processing apparent violations.

(a) If a State agency employee observes, has reason to believe, or is in receipt of information regarding a suspected violation of employment related laws or JS regulations by an employer, except as provided at §653.503 (field checks) or §658.400 of this chapter (complaints), the employee shall document the suspected violation and refer this information to the local office manager.

(b) If the employer has filed a job order with the JS office within the past 12 months, the local office shall attempt informal resolution. If the employer does not remedy the suspected violation within 5 working days, procedures at part 658, subpart F of this chapter shall be initiated and, if a violation of an employment related law is involved, the violation shall be referred to the appropriate enforcement agency in writing.

(c) If the employer has not filed a job order with the local office during the past 12 months, the suspected violation of an employment related law shall be referred to the appropriate enforcement agency in writing.

§ 653.500 Purpose and scope of subpart.

This section contains the requirements for acceptance and handling of intrastate and interstate job clearance orders seeking workers to perform agricultural or food processing work on a less than year round basis. Orders seeking workers to perform agricultural or food processing work on a year round basis which involves permanent relocation are not subject to the requirements of this subpart. This section, therefore, contains requirements which affect not only applicants who are categorized as MSFWs based on their past employment, but all workers who are recruited through the JS intrastate and interstate clearance systems for less than year round agricultural or food processing work.

§ 653.501 Requirements for accepting and processing clearance orders.

(a) In view of the statutorily established basic function of the job service as a no-fee labor exchange, that is, as a forum for bringing together employers and job seekers, neither the ETA nor the State agencies are guarantors of the accuracy or truthfulness of information contained on job orders submitted by employers. Nor does any job order accepted or recruited upon by the JS constitute a contractual job offer to which the ETA or a State agency is in any way a party. Nevertheless, if the ETA or a State agency discovers that an employer’s job order contains a material misrepresentation, the procedures of subpart F of part 658 of this chapter shall be followed.

(b) Intrastate and interstate job orders shall include the language of the first two sentences of paragraph (a) of this section.

(c) No local office or State agency shall place into intrastate or interstate clearance any job order seeking workers to perform agricultural or food processing work before reviewing it pursuant to paragraphs (d) or (e) of this section, as applicable.

(d) No local office shall place a job order seeking workers to perform agricultural or food processing work into intrastate clearance unless:

1. The job order does not contain an unlawful discriminatory specification
by race, color, religion, national origin, age, sex, or mental or physical status unrelated to job performance (handicap);

(2) The employer has signed the job order and the job order states all the material terms and conditions of the employment, including:

(i) The crop;

(ii) The nature of the work;

(iii) The anticipated period and hours of employment;

(iv) The anticipated starting and ending date of employment and the anticipated number of days and hours per week for which work will be available;

(v) An assurance that:

(A) The employer will provide to workers referred through the clearance system the number of hours of work cited in paragraph (d)(2)(iv) of this section for the week beginning with the anticipated date of need, unless the employer has amended the date of need at least 10 working days prior to the original date of need (pursuant to paragraph (d)(2)(xi) of this section) by so notifying the order-holding office. The State agency shall make a record of this notification and shall attempt to inform referred migrant workers of the change in accordance with the following procedure:

(B) All workers referred through the clearance system, farm labor contractors on behalf of migrant workers or family heads on behalf of migrant family members referred through the clearance system shall be notified to contact a local job service office, preferably the order-holding office, to verify the date of need cited no sooner than 9 working days and no later than 5 working days prior to the original date of need cited on the job order; and that failure to do so will disqualify the referred migrant worker from the assurance provided in paragraphs (a) and (d) of this section.

(C) If the worker referred through the clearance system contacts a local office (in any State) other than the order holding office, that local office shall assist the referred worker in contacting the order holding office on a timely basis. Such assistance shall include, if necessary, contacting the order holding office by telephone or other timely means on behalf of the worker referred through the clearance system.

(D) If the employer fails to notify the order-holding office at least 10 working days prior to the original date of need the employer shall pay eligible (pursuant to paragraph (b) of this section) workers referred through the clearance system the specified hourly rate of pay, or in the absence of a specified hourly rate of pay, the higher of the Federal or State minimum wage for the first week starting with the originally anticipated date of need.

(E) Employers may require workers to perform alternative work if the guarantee in this section is invoked and if such alternative work is stated on the job order.

(F) For the purposes of this assurance, “working days” shall mean those days that the order-holding local office is open for public business.

(vi) The hourly wage rate or the piece rate estimated in hourly wage rate equivalents for each activity and unit size;

(vii) Any deductions to be made from wages;

(viii) A specification of any non-monetary benefits to be provided by the employer;

(ix) Any hours, days or weeks for which work is guaranteed, and, for each guaranteed week of work except as provided in paragraph (d)(2)(iv) of this section, the exclusive manner in which the guarantee may be abated due to weather conditions or other acts of God beyond the employer’s control;

(x) Any bonus or work incentive payments or other expenses which will be paid by the employer in addition to the basic wage rate, including the anticipated time period(s) within which such payments will be made. No such payments, however, shall be made contingent upon the worker continuing employment beyond the period of employment specified in the job order or, in the case of any worker with children, beyond the time needed to return home for the beginning of the school year;

(xi) An assurance that no extension of employment beyond the period of employment specified in the job order shall relieve the employer from paying

the wages already earned, or if specified in the job order as a term of employment, providing transportation or paying transportation expenses to the worker’s home;

(xlii) Assurances that the working conditions comply with applicable Federal and State minimum wage, child labor, social security, health and safety, farm labor contractor registration and other employment-related laws;

(xliii) An assurance that the employer will expeditiously notify the order-holding local office or State agency by telephone immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over-recruitment or other factors have changed the terms and conditions of employment. For orders submitted in conjunction with requests for foreign workers, an assurance that the employer will follow-up the telephone notification in writing.

(xiv) An assurance that the employer, if acting as a farm labor contractor (“FLC”) or farm labor contractor employee (“FLCE”) on the order, has a valid FLC certificate or FLCE identification card; and

(xv) An assurance of the availability of no cost or public housing which meets the Federal standards and which is sufficient to house the specified number of workers requested through the clearance system. This assurance shall cover the availability of housing for only those workers, and, when applicable, family members who are unable to return to their residence in the same day.

(xvi) An assurance that outreach workers shall have reasonable access to the workers in the conduct of outreach activities pursuant to §653.107.

(3) The job order contains all the material terms and conditions of the job, and the employer assures that all items therein are actual conditions of the job by signing the following statement: “This job order describes the actual terms and conditions of the employment being offered by me and contains all the material terms and conditions of the job”;

(4) The wages and working conditions offered are not less than the prevailing wages and working conditions among similarly employed agricultural workers in the area of intended employment or the applicable Federal or State minimum wage, whichever is higher. If the wages offered are expressed as piece rates or as base rates and bonuses, the employer shall make the method of calculating the wage and supporting materials available to JS staff who shall check if the employer’s calculation of the estimated hourly wage rate is reasonably accurate and is not less than the prevailing wage rate or applicable Federal or State minimum wage, whichever is higher;

(5) The employer has agreed to provide or pay for the transportation of the workers and their families on at least the same terms as transportation is commonly provided by employers in the area of intended employment to agricultural workers and their families recruited from the same area of supply;

(6) JS staff have determined, through a preoccupancy housing inspection performed by JS staff or other appropriate public agencies, that the housing assured by the employer is in fact available, and meets the full set of standards set forth at 20 CFR part 654, subpart E which details applicable housing standards and contains provisions for conditional access to the clearance system; except that mobile range housing for sheepherders shall meet existing Departmental guidelines; and

(7) The local office and employer have attempted and have not been able to obtain sufficient workers within the local labor market area, or the local office anticipates a shortage of local workers.

(e) No state agency shall place a job order seeking workers to perform agricultural or food processing work with interstate clearance unless:

(1) The job order meets the requirements set forth at paragraphs (d)(1) through (d)(6) of this section;

(2) The State agency and the employer have attempted and have not been able to locate sufficient workers within the state, or the State agency anticipates a shortage of workers within the State; and

(3) The order has been reviewed and approved by the ETA regional office within 10 working days after receipt from the State agency, and the Regional Administrator has approved the
Employment and Training Administration, Labor  § 653.501

areas of supply to which the order shall be extended. Any denial by the Regional Administrator shall be in writing and set forth the reasons for the denial.

(f) (1) The local office shall use the agricultural clearance form prescribed by ETA, and shall see that all necessary items on the form are completed, including items on attachments to the form prescribed by ETA.

(2) (i) The original of an interstate agricultural clearance form shall be retained for the order-holding local office files. If the clearance order is submitted in conjunction with a request for certification of temporary alien agricultural workers, the procedures at 20 CFR 655.204(a) shall be followed. For other clearance orders, the order-holding local office shall transmit a complete copy to the State office. The State office shall distribute additional copies of the form with all attachments except that the State agency may, at its discretion, delegate this distribution to the local office, as follows:

(A) At least one clear copy to each of the State agencies selected for recruitment (areas of supply);
(B) One copy to each applicant-holding ETA regional office;
(C) One copy to the order-holding ETA regional office; and
(D) One copy to the Regional Farm Labor Coordinated Enforcement Committee in the area of employment, Attn: ESA Regional Administrator.

(ii) Applicant-holding offices shall provide workers referred on clearance orders with a checklist summarizing wages, working conditions and other material specifications on the job order. Such checklists, where necessary, shall be in English and Spanish. The checklist shall include language notifying the worker that a copy of the complete order is available for inspection. One copy of the form with all attachments shall be available for inspection in the applicant-holding office and the order-holding office. State agencies shall use a standard checklist format provided by ETA unless a variance has been approved by the Regional Administrator.

(iii) The applicant-holding office shall give each referred worker a copy of a description of worker’s rights developed by the National Farm Labor Coordinated Enforcement Committee.

(g) The local office may place an intrastate or interstate order seeking workers to perform agricultural or food processing work for a specific farm labor contractor or worker preferred by the employer provided the order meets JS nondiscrimination criteria. The order would not meet such criteria, for example, if it requested a “white male crew leader” or “any white male crew leader.”

(h) In local offices which have been designated significant MSFW bilingual offices by ETA, and in any other local office with bilingual staff, bilingual (English-Spanish) staff shall assist all agricultural workers, upon request, to understand the terms and conditions of employment set forth in intrastate and interstate job orders and shall provide such workers with checklists in Spanish showing wage payment schedules, working conditions and other material specifications of the job order.

(i) No agricultural or food processing order shall be included in job bank listings available outside the local office commuting area unless the order has been processed according to requirements for intrastate or interstate clearance contained in this subpart. If the job bank for the local office area incorporates offices beyond the local office commuting area, the order may be included in the listing but must be clearly designated as prohibiting referral from outside the community area, unless the requirements of this subpart are met.

(j) If the labor supply State agency accepts a clearance order, the State agency shall actively recruit workers for referral. In the event a potential labor supply State agency rejects a clearance order, the reasons for rejection shall be documented and submitted to the Regional Administrator having jurisdiction over the State agency. The Regional Administrator will examine the reasons for rejection, and, if the Regional Administrator agrees, will inform the Regional Administrator with jurisdiction over the order-holding State agency of the rejection and the justifiable reasons. If the Regional Administrator who receives the notification of rejection does
§ 653.502 Changes in crop and recruitment situations.

(a) If a labor demand State agency learns that a crop is maturing earlier than expected or that other material factors, including weather conditions and recruitment levels, have changed, the agency shall immediately contact the labor supply State agency, who shall in turn immediately inform crews and families scheduled through the JS clearance system of the changed circumstances and adjust arrangements on behalf of such crews of families.

(b) When there is a delay in the date of need, procedures required of employers and workers at § 653.501(d)(2)(v) shall be followed. State agencies shall document notifications by employers and contacts by individual migrant workers or crew leaders on behalf of migrant workers or family heads on behalf of migrant family members to verify the date of need.

(c) In addition, if weather conditions, overrecruitment or other conditions have eliminated the scheduled job opportunities, the State agencies involved shall make every effort to place the workers in alternate job opportunities as soon as possible, especially if the worker(s) is already enroute or at the job site. JS staff shall keep records of actions under this section.

§ 653.503 Field checks.

(a) The State agency, through its local offices or otherwise, shall conduct random, unannounced field checks at a significant number of agricultural worksites to which JS placements have been made through the intrastate or interstate clearance system. These field checks shall include visit(s) to the worksite at a time when workers are there. Both the employees and the employer shall be consulted, and JS shall determine and document whether wages, hours, working and housing conditions are as specified in job orders. JS staff shall keep records of all field checks. If State agency personnel observe or receive information, or otherwise have reason to believe that conditions are not as stated on the job order or that an employer is violating an employment related law, the State agency shall document the finding and attempt informal resolution. If the matter has not been resolved within 5 working days, the State agency shall follow the procedures set forth at subpart F of part 658 of this chapter. Violations of employment related laws shall be referred to appropriate enforcement agencies in writing.

(b) State agencies, to the maximum extent possible, shall make formal or informal arrangements with appropriate State and Federal enforcement agencies pursuant to which such agencies will agree to conduct compliance reviews in their areas of enforcement responsibility at agricultural worksites where the State agency has placed workers through the agricultural clearance system and to inform the State agency if violations are found. An enforcement agency compliance review shall satisfy the requirement for State agency field checks where all aspects of wages, hours, working and housing conditions have been reviewed by the enforcement agency reviews. The State agency shall supplement enforcement agency efforts with field checks focusing on areas not addressed by enforcement agencies. State agencies shall report difficulties in making such formal or informal arrangements with State enforcement agencies as well as deficiencies in State enforcement agency activities to the Regional Farm Labor Coordinated Enforcement Committee.

Subparts C–D [Reserved]

Subpart E—Housing for Agricultural Workers

SOURCE: 45 FR 14182, Mar. 4, 1980, unless otherwise noted.

PURPOSE AND APPLICABILITY

§ 654.400 Scope and purpose.

(a) This subpart sets forth the Employment and Training Administration standards for agricultural housing. Local Job Service offices, as part of the State employment service agencies and in cooperation with the United States Employment Service, assist employers in recruiting agricultural workers from places outside the area of intended employment. The experiences of the employment service indicate that employers so referred have on many occasions been provided with inadequate, unsafe, and unsanitary housing conditions. To discourage this practice, it is the policy of the Federal-State employment service system, as set forth in §653.108 of this chapter, to deny its intrastate and interstate recruitment services to employers until the State employment service agency has ascertained that the employer’s housing meets certain standards.

(b) To implement this policy, §653.108 of this chapter provides that recruitment services shall be denied unless the employer has signed an assurance, a preoccupancy inspection has been conducted and the ES staff has ascertained that, with respect to intrastate clearance, if the workers are to be housed, the employer’s housing meets or, with respect to interstate clearance, that the employer will provide housing for the workers which meets either the full set of standards set forth at 29 CFR 1910.142 or the full set of standards set forth in this subpart. Whichever is applicable under the criteria set forth in §654.401; except that for mobile range housing for sheepherders, the housing shall meet existing Departmental guidelines.

[45 FR 14182, Mar. 4, 1980; 45 FR 22901, Apr. 4, 1980]

§ 654.401 Applicability; transitional provisions.

(a) Employers whose housing was constructed in accordance with the ETA housing standards may continue to follow the full set of ETA standards set forth in this subpart only where prior to April 3, 1980 the housing was completed or under construction, or where prior to March 4, 1980 a contract for the construction of the specific housing was signed.

(b) To effectuate these transitional provisions, agricultural housing to which this subpart applies and which complies with the full set of standards set forth in this subpart shall be considered to be in compliance with the Occupational Safety and Health Administration temporary labor camp standards at 29 CFR 1910.142.

§ 654.402 Variances.

(a) An employer may apply for a permanent, structural variance from a specific standard(s) in this subpart by filing a written application for such a variance with the local Job Service office serving the area in which the housing is located. This application must be filed by June 2, 1980 and must:

(1) Clearly specify the standard(s) from which the variance is desired;

(2) Provide adequate justification that the variance is necessary to obtain a beneficial use of an existing facility, and to prevent a practical difficulty or unnecessary hardship; and

(3) Clearly set forth the specific alternative measures which the employer has taken to protect the health and safety of workers and adequately show that such alternative measures have achieved the same result as the standard(s) from which the employer desires the variance.

(b) Upon receipt of a written request for a variance under paragraph (a) of
this section, an employer whose housing does not meet applicable standards may file with the local Job Service office serving the area in which its housing is located, a written request that its job orders be conditionally allowed into the intrastate or interstate clearance system, provided that the employer’s request assures that its housing will be in full compliance with the requirements of the applicable housing standards at least 20 calendar days (giving the specific date) before the housing is to be occupied.

(2) “Criteria” employers. If the request for conditional access described in paragraph (a)(1) of this section is from an employer filing a job order pursuant to an application for temporary alien agricultural labor certification for H-2A alien agricultural workers or H-2 alien workers under subpart B or subpart C, respectively, of part 655 of this chapter, the request shall be filed with the RA as an attachment to the application for temporary alien agricultural labor certification.

(3) Assurance. The employer’s request pursuant to paragraphs (a)(1) or (a)(2) of this section shall contain an assurance that the housing will be in full compliance with the applicable housing standards at least 20 calendar days (stating the specific date) before the housing is to be occupied.

(b) Processing requests—(1) State agency processing. Upon receipt of a written request for conditional access to the intrastate or interstate clearance system under paragraph (a)(1) of this section, the local Job Service office shall send the request to the State office, which, in turn, shall forward it to the Regional Administrator, Employment and Training Administration, (RA).

(2) Regional office processing and determination. Upon receipt of a request for conditional access pursuant to paragraph (a)(2) or paragraph (b)(1) of this section, the RA shall review the matter and, as appropriate, shall either grant or deny the request.

(c) Authorization. The authorization for conditional access to the intrastate or interstate clearance system shall be in writing, and shall state that although the housing does not comply with the applicable standards, the employer’s job order may be placed into
§ 654.404 Housing Standards

Intrastate or interstate clearance until a specified date. The RA shall send the authorization to the employer and shall send copies to the appropriate State agency and local Job Service office. The employer shall submit and the local Job Service shall attach copies of the authorization to each of the employer's job orders which is placed into intrastate or interstate clearance.

(d) Notice of denial. If the RA denies the request for conditional access to the intrastate or interstate clearance system, the RA shall provide written notice to the employer, the appropriate State agency, and the local Job Service office, stating the reasons for the denial.

(e) Inspection. (1) The local Job Service office serving the area containing the housing of any employer granted conditional access to the intrastate or interstate clearance system shall assure that the housing is inspected no later than the date by which the employer has promised to have its housing in compliance with the requirements of this subpart. An employer, however, may request an earlier preliminary inspection. If, on the date set forth in the authorization, the housing is not in full compliance with the applicable housing standards as assured in the request for conditional access, the local Job Service office shall afford the employer five calendar days to bring the housing into full compliance. After the five-calendar-day period, if the housing is not in full compliance with the applicable housing standards as assured in the request for conditional access, the local Job Service office immediately:

(i) Shall notify the RA;

(ii) Shall remove the employer's job orders from intrastate and interstate clearance; and

(iii) Shall, if workers have been recruited against these orders, in cooperation with the employment service agencies in other States, make every reasonable attempt to locate and notify the appropriate crew leaders or workers, and to find alternative and comparable employment for the workers.

§ 655.0 Scope and purpose of part.

(a) Subparts A, B, and C. (1) General. Subparts A, B, and C of this part set out the procedures adopted by the Secretary to secure information sufficient to make factual determinations of: (i) Whether U.S. workers are available to perform temporary employment in the United States, for which an employer desires to employ nonimmigrant foreign workers, and (ii) whether the employment of aliens for such temporary work will adversely affect the wages or working conditions of similarly employed U.S. workers.

(a)(2) The Secretary’s determinations. Before any factual determination can be made concerning the availability of U.S. workers to perform particular job opportunities, two steps must be taken. First, the minimum level of wages, terms, benefits, and conditions for the particular job opportunities, below which similarly employed U.S. workers would be adversely affected, must be established. (The regulations in this part establish such minimum levels for wages, terms, benefits, and conditions of employment.) Second, the wages, terms, benefits, and conditions offered and afforded to the aliens must be compared to the established minimum levels. If it is concluded that adverse effect would result, the ultimate determination of availability within the meaning of the INA cannot be made since U.S. workers cannot be expected to accept employment under conditions below the established minimum levels.

(b) Subparts D and E. Subparts D and E of this part set forth the process by which health care facilities can file attestations with the Department of Labor for the purpose of employing or otherwise using nonimmigrant registered nurses under H-1A visas.

(c) Subparts F and G. Subparts F and G of this part set forth the process by which employers can file attestations with the Department of Labor for the purpose of employing alien crewmembers in longshore work under D-

visas and enforcement provisions relating thereto.

(d) Subparts H and I of this part. Subparts H and I of this part set forth the process by which employers can file with, and the requirements for obtaining approval from, the Department of Labor of labor condition applications necessary for the purpose of petitioning INS for H–1B visas for aliens to be employed in specialty occupations or as fashion models of distinguished merit and ability, and the enforcement provisions relating thereto.

(e) Subparts J and K of this part. Subparts J and K of this part set forth the process by which employers can file attestations with the Department of Labor for the purpose of employing nonimmigrant alien students on F-visas in off-campus employment and enforcement provisions relating thereto.

Subpart A—Labor Certification Process for Temporary Employment in Occupations Other Than Agriculture, Logging, or Registered Nursing in the United States (H–2B Workers)

§ 655.1 Scope and purpose of subpart A.

This subpart sets forth the procedures governing the labor certification process for the temporary employment of nonimmigrant aliens in the United States in occupations other than agriculture, logging, or registered nursing.

[55 FR 50510, Dec. 6, 1990]

§ 655.2 Applications.

Application forms for certification of temporary employment of nonimmigrant aliens may be obtained from and should be filed in duplicate [43 FR 10313, Mar. 10, 1978, as amended at 52 FR 20507, June 1, 1987; 55 FR 50510, Dec. 6, 1990]
§ 655.3 Determinations.

(a) When received, applications for certification shall be forwarded by the local office of the State employment service to the appropriate Regional Administrator, Employment and Training Administration, who will issue them if he or she finds that qualified persons in the United States are not available and that the terms of employment will not adversely affect the wages and working conditions of workers in the United States similarly employed.

(b) In making this finding, such matters as the employer’s attempts to recruit workers and the appropriateness of the wages and working conditions offered, will be considered. The policies of the United States Employment Service set forth in part 652 of this chapter and subparts B and C of this part shall be followed in making the findings.

(c) In any case in which the Regional Administrator, Employment and Training Administration, determines after examination of all the pertinent facts before him or her that certification should not be issued, he or she shall promptly so notify the employer requesting the certification. Such notification shall contain a statement of the reasons on which the refusal to issue a certification is based.

(d) The certification or notice of denial thereof is to be used by the employer to support its visa petition, filed with the District Director of the Immigration and Naturalization Service.

§ 655.4 Territory of Guam.

Subpart A of this part does not apply to temporary employment in the Territory of Guam, and the Department of Labor does not certify to the Immigration and Naturalization Service (INS) the temporary employment of non-immigrant aliens under H-2B visas in the Territory of Guam. Pursuant to INS regulations, that function is performed by the Governor of Guam, or the Governor’s designated representative within the Territorial Government.

Subpart B—Labor Certification Process for Temporary Agricultural Employment in the United States (H-2A Workers)

SOURCE: 52 FR 20507, June 1, 1987, unless otherwise noted.

§ 655.90 Scope and purpose of subpart B.

(a) General. This subpart sets out the procedures established by the Secretary of Labor to acquire information sufficient to make factual determinations of: (1) Whether there are sufficient able, willing, and qualified U.S. workers available to perform the temporary and seasonal agricultural employment for which an employer desires to import nonimmigrant foreign workers (H-2A workers); and (2) whether the employment of H-2A workers will adversely affect the wages and working conditions of workers in the U.S. similarly employed. Under the authority of the INA, the Secretary of Labor has promulgated the regulations in this subpart. This subpart sets forth the requirements and procedures applicable to requests for certification by employers seeking the services of temporary foreign workers in agriculture. This subpart provides the Secretary’s methodology for the two-fold determination of availability of domestic workers and of any adverse effect which would be occasioned by the use of foreign workers, for particular temporary and seasonal agricultural jobs in the United States.

(b) The statutory standard. (1) A petitioner for H-2A workers must apply to the Secretary of Labor for a certification that, as stated in the INA:

(A) There are not sufficient workers who are able, willing, and qualified, and who will be available at the time and place needed, to
Employment and Training Administration, Labor

§ 655.90

perform the labor or services involved in the petition, and

(B) The employment of the alien in such labor or services will not adversely affect the wages and working conditions of workers in the United States similarly employed.

(2) Section 216(b) of the INA further requires that the Secretary may not issue a certification if the conditions regarding U.S. worker availability and adverse effect are not met, and may not issue a certification if, as stated in the INA:

(i) There is a strike or lockout in the course of a labor dispute which, under the regulations, precludes such certification.

(ii) The employer during the previous two-year period employed H-2A workers and the Secretary has determined, after notice and opportunity for a hearing, that the employer at any time during that period substantially violated a material term or condition of the labor certification with respect to the employment of domestic or non-immigrant workers.

(B) No employer may be denied certification under subparagraph (A) for more than three years for any violation described in such subparagraph.

(3) The employer has not provided the Secretary with satisfactory assurances that if the employment for which the certification is sought is not covered by State workers’ compensation law, the employer will provide, at no cost to the worker, insurance covering injury and disease arising out of and in the course of the worker’s employment which will provide benefits at least equal to those provided under the State workers’ compensation law for comparable employment.

(4) The Secretary determines that the employer has not made positive recruitment efforts within a multistate region of traditional or expected labor supply where the Secretary finds that there are a significant number of qualified United States workers who, if recruited, would be willing to make themselves available for work at the time and place needed. Positive recruitment under this paragraph is in addition to, and shall be conducted within the same time period as, the circulation through the interstate employment service system of the employer’s job offer. The obligation to engage in positive recruitment . . . shall terminate on the date the H-2A workers depart for the employer’s place of employment.

(3) Regarding the labor certification determination itself, section 216(c)(3) of the INA, as quoted in the following, specifically directs the Secretary to make the certification if:

(i) The employer has complied with the criteria for certification (including criteria for the recruitment of eligible individuals as prescribed by the Secretary), and

(ii) The employer does not actually have, or has not been provided with referrals of, qualified individuals who have indicated their availability to perform such labor or services on the terms and conditions of a job offer which meets the requirements of the Secretary.

(c) The Secretary’s determinations. Before any factual determination can be made concerning the availability of U.S. workers to perform particular job opportunities, two steps must be taken. First, the minimum level of wages, terms, benefits, and conditions for the particular job opportunities below which similarly employed U.S. workers would be adversely affected must be established. (The regulations in this subpart establish such minimum levels for wages, terms, benefits, and conditions of employment). Second, the wages, terms, benefits, and conditions offered and afforded to the aliens must be compared to the established minimum levels. If it is concluded that adverse effect would result, the ultimate determination of availability within the meaning of the INA cannot be made since U.S. workers cannot be expected to accept employment under conditions below the established minimum levels. Florida Sugar Cane League, Inc. v. Usery, 531 F. 2d 299 (5th Cir. 1976). Once a determination of no adverse effect has been made, the availability of U.S. workers can be tested only if U.S. workers are actively recruited through the offer of wages, terms, benefits, and conditions at least at the minimum level or the level offered to the aliens, whichever is higher. The regulations in this subpart set forth requirements for recruiting U.S. workers in accordance with this principle.

(d) Construction. This subpart shall be construed to effectuate the purpose of the INA that U.S. workers rather than aliens be employed wherever possible. Elton Orchards, Inc. v. Brennan, 508 F. 2d 493, 500 (1st Cir. 1974); Flecha v. Quiros, 567 F.2d 1154, 1156 (1st Cir. 1977). Where temporary alien workers are admitted, the terms and conditions of their employment must not result in a
lowering of the wages, terms, and conditions of domestic workers similarly employed. Williams v. Usery, 531 F. 2d 305, 306 (5th Cir. 1976), cert. denied, 429 U.S. 1000, and the job benefits extended to any U.S. workers shall be at least those extended to the alien workers.

EFFECTIVE DATE NOTE: At 65 FR 43542, July 13, 2000, §655.90(a) was amended by adding before the last sentence a new sentence, effective Nov. 13, 2000. The effective date was delayed until Oct. 1, 2001 at 65 FR 67628, Nov. 13, 2000. For the convenience of the user, the added text is set forth as follows:

§ 655.93 Special circumstances.

(a) Systematic process. The regulations under this subpart are designed to provide a systematic process for handling applications from the kinds of employers who have historically utilized non-immigrant alien workers in agriculture, usually in relation to the production or harvesting of a particular agricultural crop for market, and which normally share such characteristics as:
(1) A fixed-site farm, ranch, or similar establishment;
(2) A need for workers to come to their establishment from other areas to perform services or labor in and around their establishment;
(3) Labor needs which will normally be controlled by environmental conditions, particularly weather and sunshine; and
(4) A reasonably regular workday or workweek.

(b) Establishment of special procedures. In order to provide for a limited degree of flexibility in carrying out the Secretary’s responsibilities under the INA, while not deviating from the statutory requirements to determine U.S. worker availability and make a determination as to adverse effect, the Director has the authority to establish special procedures for processing H–2A applications when employers can demonstrate upon written application to and consultation with the Director that special procedures are necessary. In a like manner, for work in occupations characterized by other than a reasonably regular workday or workweek, such as the range production of sheep or other livestock, the Director has the authority to establish monthly, weekly, or bi-weekly adverse effect wage rates for those occupations, for a Statewide or other geographical area, other than the rates established pursuant to §655.107 of this part, provided that the Director uses a methodology to establish such
adverse effect wage rates which is consistent with the methodology in §655.107(a). Prior to making determinations under this paragraph (b), the Director may consult with employer representatives, appropriate RAs, and worker representatives.

(c) Construction. This subpart shall be construed to permit the Director to continue and, where the Director deems appropriate, to revise the special procedures previously in effect for the handling of applications for sheepherders in the Western States (and to adapt such procedures to occupations in the range production of other livestock) and for custom combine crews.

§ 655.100 Overview of this subpart and definition of terms.

(a) Overview—(1) Filing applications. This subpart provides guidance to an employer who desires to apply for temporary alien agricultural labor certification for the employment of H-2A workers to perform agricultural employment of a temporary or seasonal nature. The regulations in this subpart provide that such employer shall file an H-2A application, including a job offer, on forms prescribed by the Employment and Training Administration (ETA), which describes the material terms and conditions of employment to be offered and afforded to U.S. workers and H-2A workers, with the Regional Administrator (RA) having jurisdiction over the geographical area in which the work will be performed. The entire application shall be filed with the RA no less than 45 calendar days before the first date of need for workers, and a copy of the job offer shall be submitted at the same time to the local office of the State employment service agency which serves the area of intended employment. Under the regulations, the RA will promptly review the application and notify the applicant in writing if there are deficiencies which render the application not acceptable for consideration. The RA will afford the applicant a five-calendar-day period for resubmittal of an amended application or an appeal of the RA’s refusal to approve the application as acceptable for consideration. Employers are encouraged to file their applications in advance of the 45-calendar-day period mentioned above in this paragraph (a)(1). Sufficient time should be allowed for delays that might arise due to the need for amendments in order to make the application acceptable for consideration.

(2) Amendment of applications. This subpart provides for the amendment of applications, at any time prior to the RA’s certification determination, to increase the number of workers requested in the initial application; without requiring, under certain circumstances, an additional recruitment period for U.S. workers.

(3) Untimely applications. If an H-2A application does not satisfy the specified time requirements, this subpart provides for the RA’s advice to the employer in writing that the certification cannot be granted because there is not sufficient time to test the availability of U.S. workers; and provides for the employer’s right to an administrative review or a de novo hearing before an administrative law judge. Emergency situations are provided for, wherein the RA may waive the specified time periods.

(4) Recruitment of U.S. workers; determinations—(i) Recruitment. This subpart provides that, where the application is accepted for consideration and meets the regulatory standards, the State agency and the employer begin to recruit U.S. workers. If the employer has complied with the criteria for certification, including recruitment of U.S. workers, by 20 calendar days before the date of need specified in the application (except as provided in certain cases), the RA makes a determination to grant or deny, in whole or in part, the application for certification.

(ii) Granted applications. This subpart provides that the application for temporary alien agricultural labor certification is granted if the RA finds that the employer has not offered foreign workers higher wages or better working conditions (or has imposed less restrictions on foreign workers) than those offered and afforded to U.S. workers; that sufficient U.S. workers who are able, willing, and qualified will not be available at the time and place needed to perform the work for which H-2A workers are being requested; and that the employment of such aliens will not adversely affect the wages and
§ 655.100  working conditions of similarly employed U.S. workers.  

(iii) Fees—(A) Amount. This subpart provides that each employer (except joint employer associations) of H-2A workers shall pay to the RA fees for each temporary alien agricultural labor certification received. The fee for each employer receiving a temporary alien agricultural labor certification is $100 plus $10 for each job opportunity for H-2A workers certified, provided that the fee to an employer for each temporary alien agricultural labor certification received shall be no greater than $1,000. In the case of a joint employer association receiving a temporary alien agricultural labor certification, each employer-member receiving a temporary alien agricultural labor certification, each employer-member receiving a temporary alien agricultural labor certification shall pay a fee of $100 plus $10 for each job opportunity for H-2A workers certified, provided that the fee to an employer for each temporary alien agricultural labor certification received shall be no greater than $1,000. The joint employer association will not be charged a separate fee.  

(B) Timeliness of payment. The fee must be received by the RA no later than 30 calendar days after the granting of each temporary alien agricultural labor certification. Fees received any later are untimely. Failure to pay fees in a timely manner is a substantial violation which may result in the denial of future temporary alien agricultural labor certifications.  

(iv) Denied applications. This subpart provides that if the application for temporary alien agricultural labor certification is denied, in whole or in part, the employer may seek review of the denial, or a de novo hearing, by an administrative law judge as provided in this subpart.  

(b) Definitions of terms used in this subpart. For the purposes of this subpart:  

Accept for consideration means, with respect to an application for temporary alien agricultural labor certification, the action by the RA to notify the employer that a filed temporary alien agricultural labor certification application meets the adverse effect criteria necessary for processing. work of any such employee. An association of employers shall be considered the sole employer if it has the indicia of an employer set forth in this definition. State agency means the State employment service agency designated under §4 of the Wagner-Peyser Act to cooperate with the USES in the operation of the ES System.

Temporary alien agricultural labor certification means the certification made by the Secretary of Labor with respect to an employer seeking to file with INS a visa petition to import an alien as an H–2A worker, pursuant to sections 101(a)(15)(H)(ii)(a), 214(a) and (c), and 216 of the INA that (1) there are not sufficient workers who are able, willing, and qualified, and who will be available at the time and place needed, to perform the agricultural labor or services involved in the petition, and
(2) the employment of the alien in such agricultural labor or services will not adversely affect the wages and working conditions of workers in the United States similarly employed (8 U.S.C. 1101(a)(15)(H)(i)(a), 1184 (a) and (c), and 1186).

Temporary alien agricultural labor certification determination means the written determination made by the RA to approve or deny, in whole or in part, an application for temporary alien agricultural labor certification.

United States Employment Service (USES) means the agency of the U.S. Department of Labor, established under the Wagner-Peyser Act, which is charged with administering the national system of public employment offices and carrying out certain functions of the Secretary under the INA.

United States (U.S.) worker means any worker who, whether a U.S. national, a U.S. citizen, or an alien, is legally permitted to work in the job opportunity within the United States (as defined at §101(a)(38) of the INA (8 U.S.C. 1101(a)(38)).

Wages means all forms of cash remuneration to a worker by an employer in payment for personal services.

(c) Definition of agricultural labor or services of a temporary or seasonal nature. For the purposes of this subpart, “agricultural labor or services of a temporary or seasonal nature” means the following:

(1) “Agricultural labor or services”. Pursuant to section 101(a)(15)(H)(ii)(a) of the INA (8 U.S.C. 1101(a)(15)(H)(ii)(a)), “agricultural labor or services” is defined for the purposes of this subpart as either “agricultural labor” as defined and applied in section 3121(g) of the Internal Revenue Code of 1954 (26 U.S.C. 3121(g)) or “agriculture” as defined and applied in section 3(f) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(f)). An occupation included in either statutory definition shall be “agricultural labor or services”, notwithstanding the exclusion of that occupation from the other statutory definition. For informational purposes, the statutory provisions are quoted below:

(i) “Agricultural labor”. Section 3121(g) of the Internal Revenue Code of 1954 (26 U.S.C. 3121(g)), quoted as follows, defines the term “agricultural labor” to include all service performed:

1. On a farm, in the employ of any person, in connection with cultivating the soil, or in connection with raising or harvesting any agricultural or horticultural commodity, including the raising, shearing, feeding, caring for, training, and management of livestock, bees, poultry, and fur-bearing animals and wildlife;

2. Services performed in the employ of the owner or tenant or other operator of a farm, in connection with the operation, or maintenance of such farm and its tools and equipment, or in salvaging timber or clearing land of brush and other debris left by a hurricane, if the major part of such service is performed on a farm;

3. In connection with the production or harvesting of any commodity defined as an agricultural commodity in section 15(g) of the Agricultural Marketing Act, as amended (12 U.S.C. 1141), or in connection with the ginning of cotton, or in connection with the operation or maintenance of ditches, canals, reservoirs, or waterways, not owned or operated for profit, used exclusively for supplying and storing water for farming purposes;

4. (A) In the employ of the operator of a farm in handling, planting, drying, packing, packaging, processing, freezing, grading, storing, or delivering to storage or to market or to a carrier for transportation to market, in its unmanufactured state, any agricultural or horticultural commodity, but only if such operator produced more than one-half of the commodity with respect to which such service is performed;

(B) In the employ of a group of operators of farms (other than a cooperative organization) in the performance of service described in subparagraph (A), but only if such operators produced all of the commodity with respect to which such service is performed. For purposes of this subparagraph, any unincorporated group of operators shall be deemed a cooperative organization if the number of operators comprising such group is more than 20 at any time during the calendar quarter in which such service is performed;

(C) The provisions of subparagraphs (A) and (B) shall not be deemed to be applicable with respect to service performed in connection with commercial canning or commercial freezing or in connection with any agricultural or horticultural commodity after its delivery to a terminal market for distribution for consumption; or

5. On a farm operated for profit, if such service is not in the course of the employer’s trade or business or is domestic service in a private home of the employer.

As used in this subsection, the term “farm” includes stock, dairy, poultry, fruit,
fur-bearing animal, and truck farms, plantations, ranches, nurseries, ranges, greenhouses or other similar structures used primarily for the raising of agricultural or horticultural commodities, and orchards.

(ii) "Agriculture" Section 203(f) of title 29, United States Code, (section 3(f) of the Fair Labor Standards Act of 1938, as codified), quoted as follows, defines "agriculture" to include:

(f) * * * farming in all its branches and among other things includes the cultivation and tillage of the soil, dairying, the production, cultivation, growing, and harvesting of any agricultural or horticultural commodities (including commodities as defined as agricultural commodities in section 1141(g) of Title 12, the raising of livestock, bees, fur-bearing animals, or poultry, and any practices (including any forestry or lumbering operations) performed by a farmer or on a farm as incidental to or in conjunction with such farming operations, including preparation for market, delivery to storage or to market or to carriers for transportation to market.

(iii) "Agricultural commodity". Section 1141(g) of title 12, United States Code, (section 15(g) of the Agricultural Marketing Act, as amended), quoted as follows, defines "agricultural commodity" to include:

(g) * * * in addition to other agricultural commodities, crude gum (oleoresin) from a living tree, and the following products as processed by the original producer of the crude gum (oleoresin) from which derived: Gum spirits of turpentine, and gum rosin, as defined in section 92 of Title 7.

(iv) "Gum rosin". Section 92 of title 7, United States Code, quoted as follows, defines "gum spirits of turpentine" and "gum rosin" as—

(c) "Gum spirits of turpentine" means spirits of turpentine made from gum (oleoresin) from a living tree.

(h) "Gum rosin" means rosin remaining after the distillation of gum spirits of turpentine.

(2) "Of a temporary or seasonal nature"—(i) "On a seasonal or other temporary basis". For the purposes of this subpart, "of a temporary or seasonal nature" means "on a seasonal or other temporary basis", as defined in the Employment Standards Administration’s Wage and Hour Division’s regulation at 29 CFR 500.20 under the Migrant and Seasonal Agricultural Worker Protection Act (MSPA).

(ii) MSPA definition. For informational purposes, the definition of "on a seasonal or other temporary basis", as set forth at 29 CFR 500.20, is provided below:

"On a seasonal or other temporary basis" means:

* * * * *

Labor is performed on a seasonal basis, where, ordinarily, the employment pertains to or is of the kind exclusively performed at certain seasons or periods of the year and which, from its nature, may not be continuous or carried on throughout the year. A worker who moves from one seasonal activity to another, while employed in agriculture or performing agricultural labor, is employed on a seasonal basis even though he may continue to be employed during a major portion of the year.

* * * * *

A worker is employed on "other temporary basis" where he is employed for a limited time only or his performance is contemplated for a particular piece of work, usually of short duration. Generally, employment, which is contemplated to continue indefinitely, is not temporary.

* * * * *

"On a seasonal or other temporary basis" does not include the employment of any foreman or other supervisory employee who is employed by a specific agricultural employer or agricultural association essentially on a year round basis.

* * * * *

"On a seasonal or other temporary basis" does not include the employment of any worker who is living at his permanent place of residence, when that worker is employed by a specific agricultural employer or agricultural association on essentially a year round basis to perform a variety of tasks for his employer and is not primarily employed to do field work.

(iii) "Temporary". For the purposes of this subpart, the definition of "temporary" in paragraph (c)(2)(i) of this
§ 655.101 Temporary alien agricultural labor certification applications.  
(a) General—(1) Filing of application.  
An employer who anticipates a shortage of U.S. workers needed to perform agricultural labor or services of a temporary or seasonal nature may apply to the RA in whose region the area of intended employment is located, for a temporary alien agricultural labor certification for temporary foreign workers (H-2A workers). A signed application for temporary alien agricultural worker certification shall be filed by the employer, or by an agent of the employer, with the RA. At the same time, a duplicate application shall be submitted to the local office serving the area of intended employment.  

(2) Applications filed by agents.  
If the temporary alien agricultural labor certification application is filed by an agent on behalf of an employer, the agent may sign the application if the application is accompanied by a signed statement from the employer which authorizes the agent to act on the employer’s behalf. The employer may authorize the agent to accept for interview workers being referred to the job and to make hiring commitments on behalf of the employer. The statement shall specify that the employer assumes full responsibility for the accuracy of the application, for all representations made by the agent on the employer’s behalf, and for compliance with all regulatory and other legal requirements.  

(3) Applications filed by associations.  
If an association of agricultural producers which uses agricultural labor or services files the application, the association shall identify whether it is:  

(i) The sole employer;  
(ii) a joint employer with its employer-member employers; or  
(iii) the agent of its employer-members. The association shall submit documentation sufficient to enable the RA to verify the employer or agency status of the association; and shall identify by name and address each member which will be an employer of H-2A workers.  

(b) Application form. Each H-2A application shall be on a form or forms prescribed by ETA. The application shall state the total number of workers the employer anticipates employing in the agricultural labor or service activity during the covered period of employment. The application shall include:  

(1) A copy of the job offer which will be used by each employer for the recruitment of U.S. and H-2A workers. The job offer shall state the number of workers needed by the employer, based upon the employer’s anticipation of a shortage of U.S. workers needed to perform the agricultural labor or services, and the specific estimated date on
Employment and Training Administration, Labor § 655.101

which the workers are needed. The job offer shall comply with the requirements of §§655.102 and 653.501 of this chapter, and shall be signed by the employer or the employer’s agent on behalf of the employer; and

(2) An agreement to abide by the assurances required by §655.103 of this part.

(c) Timeliness. Applications for temporary alien agricultural labor certification are not required to be filed more than 45 calendar days before the first day of need. The employer shall be notified by the RA in writing within seven calendar days of filing the application if the application is not approved as acceptable for consideration. The RA’s temporary alien agricultural labor certification determination on the approved application shall be made no later than 20 calendar days before the date of need if the employer has complied with the criteria for certification. To allow for the availability of U.S. workers to be tested, the following process applies:

(1) Application filing date. The entire H-2A application, including the job offer, shall be filed with the RA, in duplicate, no less than 45 calendar days before the first date on which the employer estimates that the workers are needed. Applications may be filed in person; may be mailed to the RA (Attention: H-2A Certifying Officer) by certified mail, return receipt requested; or delivered by guaranteed commercial delivery which will ensure delivery to the RA and provide the employer with a documented acknowledgment of receipt of the application by the RA. Any application received 45 calendar days before the date of need will have met the minimum timeliness of filing requirement as long as the application is eventually approved by the RA as being acceptable for processing.

(2) Review of application; recruitment; certification determination period. Section 655.104 of this part requires the RA to promptly review the application, and to notify the applicant in writing within seven calendar days of any deficiencies which render the application not acceptable for consideration and to afford an opportunity for resubmittal of an amended application. The employer shall have five calendar days in which to file an amended application. Section 655.106 of this part requires the RA to grant or deny the temporary alien agricultural labor certification application no later than 20 calendar days before the date on which the workers are needed, provided that the employer has complied with the criteria for certification, including recruitment of eligible individuals. Such recruitment, for the employer, the State agencies, and DOL to attempt to locate U.S. workers locally and through the circulation of intrastate and interstate agricultural clearance job orders acceptable under §653.501 of this chapter and under this subpart, shall begin on the date that an acceptable application is filed, except that the local office shall begin to recruit workers locally beginning on the date it first receives the application. The time needed to obtain an application acceptable for consideration (including the job offer) after the five-calendar-day period allowed for an amended application will postpone day-for-day the certification determination beyond the 20 calendar days before the date of need, provided that the RA notifies the applicant of any deficiencies within seven calendar days after receipt of the application. Delays in obtaining an application acceptable for consideration which are directly attributable to the RA will not postpone the certification determination beyond the 20 calendar days before the date of need. When an employer resubmits to the RA (with a copy to the local office) an application with modifications required by the RA, and the RA approves the modified application as meeting necessary adverse effect standards, the modified application will not be rejected solely because it now does not meet the 45-calendar-day filing requirement. If an application is approved as being acceptable for processing without need for any amendment within the seven-calendar-day review period after initial filing, recruitment of U.S. workers will be considered to have begun on the date the application was received by the RA; and the RA shall make the temporary alien agricultural labor certification determination required by §655.106 of this part no later than 20 calendar days before the date of need.
provided that other regulatory conditions are met.

(3) Early filing. Employers are encouraged, but not required, to file their applications in advance of the 45-calendar-day minimum period specified in paragraph (c)(1) of this section, to afford more time for review and discussion of the applications and to consider amendments, should they be necessary. This is particularly true for employers submitting H-2A applications for the first time who may not be familiar with the Secretary’s requirements for an acceptable application or U.S. worker recruitment. Such employers particularly are encouraged to consult with DOL and local office staff for guidance and assistance well in advance of the minimum 45-calendar-day filing period.

(4) Local recruitment; preparation of clearance orders. At the same time the employer files the H-2A application with the RA, a copy of the application shall be submitted to the local office which will use the job offer portion—of the application to prepare a local job order and begin to recruit U.S. workers in the area of intended employment. The local office also shall begin preparing an agricultural clearance order, but such order will not be used to recruit workers in other geographical areas until the employer’s H-2A application is accepted for consideration and the clearance order is approved by the RA and the local office is so notified by the RA.

(5) First-time employers of H-2A workers. With respect only to those applications filed on or before May 31, 1989, and notwithstanding the time requirements in paragraphs (c)(1) through (c)(4) of this section, under the following circumstances the RA shall make the certification determination required by §655.106 of this part no later than 10 calendar days before the date of need:

(i) The employer would be a first-time employer of H-2A workers (and, prior to June 1, 1987, did not use or apply for certification to use H-2 agricultural workers under the INA as then in effect) and has not previously applied for a temporary alien agricultural labor certification to use H-2A workers;

(ii) The RA, the employer, and the ES System have had a reasonable opportunity to test the availability of U.S. workers under the conditions of a job offer which has been determined to be acceptable by the RA in accordance with the provisions of §§655.102 and 655.103 of this part at least 30 calendar days before the date of need; and

(iii) The RA has determined that the employer has otherwise made good faith efforts to comply with the requirements of this subpart.

(d) Amendments to application to increase number of workers. Applications may be amended at any time, prior to an RA certification determination, to increase the number of workers requested in the initial application by not more than 20 percent (50 percent for employers of less than ten workers) without requiring an additional recruitment period for U.S. workers. Requests for increases above the percent prescribed, without additional recruitment, may be approved only when the need for additional workers could not have been foreseen, and that crops or commodities will be in jeopardy prior to the expiration of an additional recruitment period.

(e) Minor amendments to applications. Minor technical amendments may be requested by the employer and made to the application and job offer prior to the certification determination if the RA determines they are justified and will have no significant effect upon the RA’s ability to make the labor certification determination required by §655.106 of this part. Amendments described at paragraph (d) of this section are not “minor technical amendments”.

(f) U0ntimely applications—(1) Notices of denial. If an H-2A application, or any part thereof, does not satisfy the time requirements specified in paragraph (c) of this section, and if the exception in paragraph (d) of this section does not apply, the RA may then advise the employer in writing that the certification cannot be granted because, pursuant to paragraph (c) of this section, there is not sufficient time to test the availability of U.S. workers. The notice of denial shall inform the employer of its right to an administrative review or de
novel hearing before an administrative law judge.

(2) Emergency situations. Notwithstanding paragraph (f)(1) of this section, in emergency situations the RA may waive the time period specified in this section on behalf of employers who have not made use of temporary alien agricultural workers (H-2 or H-2A) for the prior year’s agricultural season or for any employer which has other good and substantial cause (which may include unforeseen changes in market conditions), provided that the RA has an opportunity to obtain sufficient labor market information on an expedited basis to make the labor certification determination required by §216 of the INA (8 U.S.C. 1186). In making this determination, the RA will accept information offered by and may consult with representatives of the U.S. Department of Agriculture.

(g) Length of job opportunity. The employer shall set forth on the application sufficient information concerning the job opportunity to demonstrate to the RA that the need for the worker is “of a temporary or seasonal nature”, as defined at §655.100(c)(2) of this part. Job opportunities of 12 months or more are presumed to be permanent in nature. Therefore, the RA shall not grant a temporary alien agricultural labor certification where the job opportunity has been or would be filled by an H-2A worker for a cumulative period, including temporary alien agricultural labor certifications and extensions, of 12 months or more, except in extraordinary circumstances.

§655.101 Temporary alien agricultural labor certification applications and petitions.

(2) Applications filed by agents. If the employer intends to be represented by an agent, the employer shall sign the statement set forth on the Form ETA 9079—Application for Temporary Agricultural Labor Certification and H-2A Petition that the agent is representing the employer and that the employer takes full responsibility for the accuracy of any representations made by the agent. The agent may accept for interview workers being referred to the job and make hiring commitments on behalf of the employer.

§655.102 Contents of job offers.

(a) Preferential treatment of aliens prohibited. The employer’s job offer to U.S. workers shall offer the U.S. workers no less than the same benefits, wages, and working conditions which the employer is offering, intends to offer, or will provide to H-2A workers. Conversely, no job offer may impose on U.S. workers any restrictions or obligations which will not be imposed on the employer’s H-2A workers. This does not relieve the employer from providing to H-2A workers at least the same level of minimum
§ 655.102

20 CFR Ch. V (4–1–01 Edition)

benefits, wages, and working conditions which must be offered to U.S. workers consistent with this section.

(b) Minimum benefits, wages, and working conditions. Except when higher benefits, wages or working conditions are required by the provisions of paragraph (a) of this section, DOL has determined that in order to protect similarly employed U.S. workers from adverse effect with respect to benefits, wages, and working conditions, every job offer which must accompany an H–2A application always shall include each of the following minimum benefit, wage, and working condition provisions:

(1) Housing. The employer shall provide to those workers who are not reasonably able to return to their residence within the same day housing, without charge to the worker, which may be, at the employer’s option, rental or public accommodation type housing.

(i) Standards for employer-provided housing. Housing provided by the employer shall meet the full set of DOL Occupational Safety and Health Administration standards set forth at 29 CFR 1910.142, or the full set of standards at §§654.404–654.417 of this chapter, whichever are applicable, except as provided for under paragraph (b)(1)(iii) of this section. Requests by employers, whose housing does not meet the applicable standards, for conditional access to the intrastate or interstate clearance system, shall be processed under the procedures set forth at §654.403 of this chapter.

(ii) Standards for range housing. Housing for workers principally engaged in the range production of livestock shall meet standards of the DOL Occupational Safety and Health Administration for such housing. In the absence of such standards, range housing for sheepherders and other workers engaged in the range production of livestock shall meet guidelines issued by ETA.

(iii) Standards for other habitation. Rental, public accommodation, or other substantially similar class of habitation must meet local standards for such housing. In the absence of applicable local standards, State standards shall apply. In the absence of applicable local or State standards, Occupational Safety and Health Administration standards at 29 CFR 1910.142 shall apply. Any charges for rental housing shall be paid directly by the employer to the owner or operator of the housing. When such housing is to be supplied by an employer, the employer shall document to the satisfaction of the RA that the housing complies with the local, State, or federal housing standards applicable under this paragraph (b)(1)(iii).

(iv) Charges for public housing. If public housing provided for migrant agricultural workers under the auspices of a local, county, or State government is secured by an employer, and use of the public housing unit normally requires charges from migrant workers, such charges shall be paid by the employer directly to the appropriate individual or entity affiliated with the housing’s management.

(v) Deposit charges. Charges in the form of deposits for bedding or other similar incidentals related to housing shall not be levied upon workers by employers who provide housing for their workers. However, employers may require workers to reimburse them for damage caused to housing by the individual workers found to have been responsible for damage which is not the result of normal wear and tear related to habitation.

(vi) Family housing. When it is the prevailing practice in the area of intended employment and the occupation to provide family housing, family housing shall be provided to workers with families who request it.

(2) Workers’ compensation. The employer shall provide, at no cost to the worker, insurance, under a State workers’ compensation law or otherwise, covering injury and disease arising out of and in the course of the worker’s employment which will provide benefits at least equal to those provided under the State workers’ compensation law, if any, for comparable employment. The employer shall furnish the name of the insurance carrier and the insurance policy number, or, if appropriate, proof of State law coverage, to the RA prior to the issuance of a labor certification.
(3) Employer-provided items. Except as provided below, the employer shall provide, without charge including deposit charge, to the worker all tools, supplies, and equipment required to perform the duties assigned; the employer may charge the worker for reasonable costs related to the worker’s refusal or negligent failure to return any property furnished by the employer or due to such worker’s willful damage or destruction of such property. Where it is a common practice in the particular area, crop activity and occupation for workers to provide tools and equipment, with or without the employer reimbursing the workers for the cost of providing them, such an arrangement is permissible if approved in advance by the RA.

(4) Meals. Where the employer has centralized cooking and eating facilities designed to feed workers, the employer shall provide each worker with three meals a day. When such facilities are not available, the employer either shall provide each worker with three meals a day or shall furnish free and convenient cooking and kitchen facilities to the workers which will enable the workers to prepare their own meals. Where the employer provides the meals, the job offer shall state the charge, if any, to the worker for such meals. Until a new amount is set pursuant to this paragraph (b)(4), the charge shall not be more than $5.26 per day unless the RA has approved a higher charge pursuant to §655.111 of this part. Each year the charge allowed by this paragraph (b)(4) will be changed by the same percentage as the 12-month percent change in the Consumer Price Index for All Urban Consumers for Food between December of the year just concluded and December of the year prior to that. The annual adjustments shall be effective on the date of their publication by the Director as a notice in the Federal Register.

(iii) Transportation from place of employment. If the worker completes the work contract period, the employer shall provide or pay for the worker’s transportation and daily subsistence from the place of employment to the place from which the worker, disregarding intervening employment, came to work for the employer, or, if the worker has contracted with a subsequent employer who has not agreed in that contract to provide or pay for the worker’s transportation and daily subsistence expenses from the employer’s worksite to such subsequent employer’s worksite, the employer shall provide or pay for such expenses; except that, if the worker has contracted for employment with a subsequent employer who, in that contract, has agreed to pay for the worker’s transportation and daily subsistence expenses from the employer’s worksite to such subsequent employer’s worksite, the employer is not required to provide or pay for such expenses.

(4) Meals. Where the employer has centralized cooking and eating facilities designed to feed workers, the employer shall provide each worker with three meals a day. When such facilities are not available, the employer either shall provide each worker with three meals a day or shall furnish free and convenient cooking and kitchen facilities to the workers which will enable the workers to prepare their own meals. Where the employer provides the meals, the job offer shall state the charge, if any, to the worker for such meals. Until a new amount is set pursuant to this paragraph (b)(4), the charge shall not be more than $5.26 per day unless the RA has approved a higher charge pursuant to §655.111 of this part. Each year the charge allowed by this paragraph (b)(4) will be changed by the same percentage as the 12-month percent change in the Consumer Price Index for All Urban Consumers for Food between December of the year just concluded and December of the year prior to that. The annual adjustments shall be effective on the date of their publication by the Director as a notice in the Federal Register.
the worker’s living quarters (i.e., housing provided by the employer pursuant to paragraph (b)(1) of this section) and the employer’s worksite without cost to the worker, and such transportation will be in accordance with applicable laws and regulations. This paragraph (b)(5)(iii) is applicable to the transportation of workers eligible for housing, pursuant to paragraph (b)(1) of this section.

(6) Three-fourths guarantee—(i) Offer to worker. The employer shall guarantee to offer the worker employment for at least three-fourths of the workdays of the total periods during which the work contract and all extensions thereof are in effect, beginning with the first workday after the arrival of the worker at the place of employment and ending on the expiration date specified in the work contract or in its extensions, if any. If the employer affords the U.S. or H-2A worker during the total work contract period less employment than that required under this paragraph (b)(6), the employer shall pay such worker the amount which the worker would have earned had the worker, in fact, worked for the guaranteed number of days. For purposes of this paragraph (b)(6), a workday shall mean the number of hours in a workday as stated in the job order and shall exclude the worker’s Sabbath and federal holidays. An employer shall not be considered to have met the work guarantee if the employer has merely offered work on three-fourths of the workdays if each workday did not consist of a full number of hours of work time specified in the job order. The work shall be offered for at least three-fourths of the workdays (that is, 3/4 x (number of days) x (specified hours)). Therefore, if, for example, the contract contains 20 eight-hour workdays, the worker shall be offered employment for 120 hours during the 20 workdays. A worker may be offered more than the specified hours of work on a single workday. For purposes of meeting the guarantee, however, the worker shall not be required to work for more than the number hours specified in the job order for a workday, or on the worker’s Sabbath or Federal holidays.

(ii) Guarantee for piece-rate-paid worker. If the worker will be paid on a piece rate basis, the employer shall use the worker’s average hourly piece rate earnings or the AEWR, whichever is higher, to calculate the amount due under the guarantee.

(iii) Failure to work. Any hours which the worker fails to work, up to a maximum of the number of hours specified in the job order for a workday, when the worker has been offered an opportunity to do so pursuant to paragraph (b)(6)(i) of this section and all hours of work actually performed (including voluntary work over 8 hours in a workday or on the worker’s Sabbath or federal holidays) may be counted by the employer in calculating whether the period of guaranteed employment has been met.

(iv) Displaced H-2A worker. The employer shall not be liable for payment under this paragraph (b)(6) with respect to an H-2A worker whom the RA certifies is displaced because of the employer’s compliance with §655.103(e) of this part.

(7) Records. (i) The employer shall keep accurate and adequate records with respect to the workers’ earnings including field tally records, supporting summary payroll records and records showing the nature and amount of the work performed; the number of hours of work offered each day by the employer (broken out by hours offered both in accordance with and over and above the three-fourths guarantee at paragraph (b)(6) of this section); the hours actually worked each day by the worker; the time the worker began and ended each workday; the rate of pay (both piece rate and hourly, if applicable); the worker’s average hourly piece rate or AEWR, whichever is higher, to calculate the amount due under the guarantee.

(ii) If the number of hours worked by the worker is less than the number offered in accordance with the three-fourths guarantee at paragraph (b)(6) of this section, the records shall state the reason or reasons therefore.

(iii) Upon reasonable notice, the employer shall make available the records, including field tally records and supporting summary payroll records for inspection and copying by representatives of the Secretary of
Employment and Training Administration, Labor
§ 655.102

Labor, and by the worker and representatives designated by the worker; and

(iv) The employer shall retain the records for not less than three years after the completion of the work contract.

(8) Hours and earnings statements. The employer shall furnish to the worker on or before each payday in one or more written statements the following information:

(i) The worker’s total earnings for the pay period;
(ii) The worker’s hourly rate and/or piece rate of pay;
(iii) The hours of employment which have been offered to the worker (broken out by offers in accordance with and over and above the guarantee);
(iv) The hours actually worked by the worker;
(v) An itemization of all deductions made from the worker’s wages; and
(vi) If piece rates are used, the units produced daily.

(9) Rates of pay. (i) If the worker will be paid by the hour, the employer shall pay the worker at least the adverse effect wage rate in effect at the time the work is performed, the prevailing hourly wage rate, or the legal federal or State minimum wage rate, whichever is highest, for every hour or portion thereof worked during a pay period; or

(ii) If the worker will be paid on a piece rate basis and the piece rate does not result at the end of the pay period in average hourly piece rate earnings during the pay period at least equal to the amount the worker would have earned had the worker been paid at the appropriate hourly rate, the worker’s pay shall be supplemented at that time so that the worker’s earnings are at least as much as the worker would have earned during the pay period if the worker had been paid at the appropriate hourly wage rate for each hour worked; and the piece rate shall be no less than the piece rate prevailing for the activity in the area of intended employment; and

(B) If the employer who pays by the piece rate requires one or more minimum productivity standards of workers as a condition of job retention,

(i) Such standards shall be specified in the job offer and be no more than those required by the employer in 1977, unless the RA approves a higher minimum; or

(2) If the employer first applied for H-2 agricultural or H-2A temporary alien agricultural labor certification after 1977, such standards shall be no more than those normally required (at the time of the first application) by other employers for the activity in the area of intended employment, unless the RA approves a higher minimum.

(10) Frequency of pay. The employer shall state the frequency with which the worker will be paid (in accordance with the prevailing practice in the area of intended employment, or at least twice monthly whichever is more frequent).

(11) Abandonment of employment; or termination for cause. If the worker voluntarily abandons employment before the end of the contract period, or is terminated for cause, and the employer notifies the local office of such abandonment or termination, the employer will not be responsible for providing or paying for the subsequent transportation and subsistence expenses of any worker for whom the employer would have otherwise been required to pay such expenses under paragraph (b)(5)(ii) of this section, and that worker is not entitled to the “three-fourths guarantee” (see paragraph (b)(6) of this section).

(12) Contract impossibility. If, before the expiration date specified in the work contract, the services of the worker are no longer required for reasons beyond the control of the employer due to fire, hurricane, or other Act of God which makes the fulfillment of the contract impossible the employer may terminate the work contract. In the event of such termination of a contract, the employer shall fulfill the three-fourths guarantee at paragraph (b)(6) of this section for the time that has elapsed from the start of the work contract to its termination. In such cases the employer will make efforts to transfer the worker to other comparable employment acceptable to the worker. If such transfer is not effected, the employer shall:

(i) Offer to return the worker, at the employer’s expense, to the place from
which the worker disregarding intervening employment came to work for the employer.

(ii) Reimburse the worker the full amount of any deductions made from the worker’s pay by the employer for transportation and subsistence expenses to the place of employment, and

(iii) Notwithstanding whether the employment has been terminated prior to completion of 50 percent of the work contract period originally offered by the employer, pay the worker for costs incurred by the worker for transportation and daily subsistence from the place from which the worker, without intervening employment, has come to work for the employer to the place of employment. Daily subsistence shall be computed as set forth in paragraph (b)(5)(i) of this section. The amount of the transportation payment shall be no less (and shall not be required to be more) than the most economical and reasonable similar common carrier transportation charges for the distances involved.

(13) Deductions. The employer shall make those deductions from the worker’s paycheck which are required by law. The job offer shall specify all deductions not required by law which the employer will make from the worker’s paycheck. All deductions shall be reasonable. The employer may deduct the cost of the worker’s transportation and daily subsistence expenses to the place of employment which were borne directly by the employer. In such cases, the job offer shall state that the worker will be reimbursed the full amount of such deductions upon the worker’s completion of 50 percent of the worker’s contract period. However, an employer subject to the Fair Labor Standards Act (FLSA) may not make deductions which will result in payments to workers of less than the federal minimum wage permitted by the FLSA as determined by the Secretary at 29 CFR part 531.

(14) Copy of work contract. The employer shall provide to the worker, no later than on the day the work commences, a copy of the work contract between the employer and the worker. The work contract shall contain all of the provisions required by paragraphs (a) and (b) of this section. In the absence of a separate, written work contract entered into between the employer and the worker, the required terms of the job order and application for temporary alien agricultural labor certification shall be the work contract.

(c) Appropriateness of required qualifications. Bona fide occupational qualifications specified by an employer in a job offer shall be consistent with the normal and accepted qualifications required by non-H-2A employers in the same or comparable occupations and crops, and shall be reviewed by the RA for their appropriateness. The RA may require the employer to submit documentation to substantiate the appropriateness of the qualification specified in the job offer, and shall consider information offered by and may consult with representatives of the U.S. Department of Agriculture.

(d) Positive recruitment plan. The employer shall submit in writing, as a part of the application, the employer’s plan for conducting independent, positive recruitment of U.S. workers as required by §§ 655.103 and 655.105(a) of this part. Such a plan shall include a description of recruitment efforts (if any) made prior to the actual submittal of the application. The plan shall describe how the employer will engage in positive recruitment of U.S. workers to an extent (with respect to both effort and location(s)) no less than that of non-H-2A agricultural employers of comparable or smaller size in the area of employment. When it is the prevailing practice in the area of employment and for the occupation for non-H-2A agricultural employers to secure U.S. workers through farm labor contractors and to compensate farm labor contractors with an override for their services, the employer shall describe how it will make the same level of effort as non-H-2A agricultural employers and provide an override which is no less than that being provided by non-H-2A agricultural employers.

§ 655.103 Assurances.

As part of the temporary alien agricultural labor certification application, the employer shall include in the job offer a statement agreeing to abide by the conditions of this subpart. By so

Rejections and terminations of U.S. workers. No U.S. worker will be rejected for or terminated from employment for other than a lawful job-related reason, and notification of all rejections or terminations shall be made to the local office.

Recruitment of U.S. workers. The employer shall independently engage in positive recruitment until the foreign workers have departed for the employer’s place of employment and shall cooperate with the ES System in the active recruitment of U.S. workers by:

1. Assisting the ES System to prepare local, intrastate, and interstate job orders using the information supplied on the employer’s job offer;
2. Placing advertisements (in a language other than English, where the RA determines appropriate) for the job opportunities in newspapers of general circulation and/or on the radio, as required by the RA:
   (i) Each such advertisement shall describe the nature and anticipated duration of the job opportunity; offer at least the adverse effect wage rate; give the % guarantee; state that work tools, supplies and equipment will be provided by the employer; state that housing will also be provided, and that transportation and subsistence expenses to the worksite will be provided or paid by the employer upon completion of 50% of the work contract, or earlier, if appropriate; and
   (ii) Each such advertisement shall direct interested workers to apply for the job opportunity at a local employment service office in their area;
3. Cooperating with the ES System and independently contacting farm labor contractors, migrant workers and other potential workers in other areas of the State and/or Nation by letter and/or telephone; and
4. Cooperating with the ES System in contacting schools, business and labor organizations, fraternal and veterans’ organizations, and nonprofit organizations and public agencies such as sponsors of programs under the Job Training Partnership Act throughout the area of intended employment and in other potential labor supply areas in order to enlist them in helping to find U.S. workers.

Other recruitment. The employer shall perform the other specific recruitment and reporting activities specified in the notice from the RA required by §655.105(a) of this part, and shall engage in positive recruitment of U.S. workers to an extent (with respect to both effort and location) no less than that of non-H-2A agricultural employers of comparable or smaller size in the area of employment. When it is the prevailing practice in the area of employment and for the occupation for non-H-2A agricultural employers to secure U.S. workers through farm labor contractors or to compensate farm labor contractors with an override for their services, the employer shall make the same level of effort as non-H-2A agricultural employers and shall provide an override which is no less than that being provided by non-H-2A agricultural employers. Where the employer has centralized cooking and eating facilities designed to feed workers, the

(a) Local office activities. The local office, using the job offer portion of the H-2A application, shall promptly prepare a local job order and shall begin to recruit U.S. workers in the area of intended employment. The RA should notify the State or local office by telephone no later than seven calendar days after the application was received by the RA if the application has been accepted for consideration. Upon receiving such notice or seven calendar days after the application is received by the local office, whichever is earlier, the local office shall promptly prepare an agricultural clearance order which will permit the recruitment of U.S. workers by the Employment Service System on an intrastate and interstate basis.

(b) Regional office activities. The RA, upon receipt of the H-2A application, shall promptly review the application to determine whether it is acceptable for consideration under the timeliness and adverse effect criteria of §§ 655.101–

employer shall not be required to provide meals through an override. The employer shall not be required to provide for housing through an override.

(g) Retaliation prohibited. The employer shall not intimidate, threaten, restrain, coerce, blacklist, discharge, or in any manner discriminate against, and shall not cause any person to intimidate, threaten, restrain, coerce, blacklist, discharge, or in any manner discriminate against, any person who has with just cause:

(1) Filed a complaint under or related to § 216 of the INA (8 U.S.C. 1186), or this subpart or any other DOL regulation promulgated pursuant to § 216 of the INA;

(2) Instituted or caused to be instituted any proceeding under or related to § 216 of the INA, or this subpart or any other DOL regulation promulgated pursuant to § 216 of the INA (8 U.S.C. 1186);

(3) Testified or is about to testify in any proceeding under or related to § 216 of the INA (8 U.S.C. 1186), or this subpart or any other DOL regulation promulgated pursuant to § 216 of the INA;

(4) Consulted with an employee of a legal assistance program or an attorney on matters related to § 216 of the INA (8 U.S.C. 1186), or this subpart or any other DOL regulation promulgated pursuant to § 216 of the INA; or

(5) Exercised or asserted on behalf of himself/herself or others any right or protection afforded by § 216 of the INA (8 U.S.C. 1186), or this subpart or any other DOL regulation promulgated pursuant to § 216 of the INA.

(h) Fees. The application shall include the assurance that fees will be paid in a timely manner, as follows:

(1) Amount. The fee for each employer receiving a temporary alien agricultural labor certification is $100 plus $10 for each job opportunity for H-2A workers certified, provided that the fee for an employer for each temporary alien agricultural labor certification received shall be no greater than $1,000. In the case of a joint employer association receiving a temporary alien agricultural labor certification, the fee for each employer-member receiving a temporary alien agricultural labor certification shall be $100 plus $10 for each job opportunity for H-2A workers certified, provided that the fee for an employer for each temporary alien agricultural labor certification received shall be no greater than $1,000. The joint employer association will not be charged a separate fee. Fees shall be paid by a check or money order made payable to “Department of Labor”, and are nonrefundable. In the case of employers of H-2A workers which are members of a joint employer association applying on their behalf, the aggregate fees for all employers of H-2A workers under the application may be paid by one check or money order.

(2) Timeliness. Fees received by the RA within 30 calendar days after the date of the temporary alien agricultural labor certification determination are timely.
§ 655.105 Recruitment period.

(a) Notice of acceptance of application for consideration; required recruitment. If the RA determines that the H–2A application meets the requirements of §§655.101–655.103 of this part, the RA shall promptly notify the employer (by means normally assuring next-day delivery) in writing with copies to the State agency. The notice shall inform the employer and the State agency of

(1) The number of non-agricultural workers the RA has found to be available; and

(2) The number of agricultural workers the RA has found to be available; and

(3) The number of agricultural workers that the employer must recruit; and

(4) The number of agricultural workers the RA recommends that the employer recruit.

(b) Notice of nonacceptance. If the RA determines that the H–2A application does not meet the requirements of §§655.101–655.103, the RA shall notify the employer in writing that the application was not accepted for consideration.

(c) Rejected applications. If the application is not accepted for consideration, the RA shall notify the applicant in writing (by means normally assuring next-day delivery) within seven calendar days of the date the application was received by the RA with a copy to the local office. The notice shall:

(1) State all the reasons the application is not accepted for consideration, citing the relevant regulatory standards;

(2) Offer the applicant an opportunity for the resubmission within five calendar days of a modified application, stating the modifications needed in order for the RA to accept the application for consideration;

(3) Offer the applicant an opportunity to request an expedited administrative review of or a de novo hearing before an administrative law judge pursuant to paragraph (d) of this section, the procedures at §655.112 of this part shall be followed.

(d) Appeal procedures. If the employer timely requests an expedited administrative review or de novo hearing before an administrative law judge pursuant to paragraph (c)(3) of this section, the procedures at §655.112 of this part shall be followed.

(e) Required modifications. If the application is not accepted for consideration by the RA, but the RA’s written notification to the applicant is not timely as required by §655.101 of this part, the certification determination will not be extended beyond 20 calendar days before the date of need. The notice will specify that the RA’s temporary alien agricultural labor certification determination will be made no later than 20 calendar days before the date of need, provided that the applicant submits the modifications to the application which are required by the RA within five calendar days and in a manner specified by the RA which will enable the test of U.S. worker availability to be made as required by §655.101 of this part within the time available for such purposes.

EFFECTIVE DATE NOTE: At 65 FR 43543, July 13, 2000, §655.105(e) was amended by removing in the two places it appears the phrase “20 calendar days” and adding in each place the phrase “30 calendar days” in lieu thereof, effective Nov. 13, 2000. The effective date was delayed until Oct. 1, 2001 at 65 FR 67628, Nov. 13, 2000.

§ 655.105 Recruitment period.

(a) Notice of acceptance of application for consideration; required recruitment. If the RA determines that the H–2A application meets the requirements of §§655.101–655.103 of this part, the RA shall promptly notify the employer (by means normally assuring next-day delivery) in writing with copies to the State agency. The notice shall inform the employer and the State agency of

(1) The number of non-agricultural workers the RA has found to be available; and

(2) The number of agricultural workers the RA has found to be available; and

(3) The number of agricultural workers that the employer must recruit; and

(4) The number of agricultural workers the RA recommends that the employer recruit.

(b) Notice of nonacceptance. If the RA determines that the H–2A application does not meet the requirements of §§655.101–655.103, the RA shall not accept the application for temporary alien agricultural labor certification will be made by any DOL official.

(c) Rejected applications. If the application is not accepted for consideration, the RA shall notify the applicant in writing (by means normally assuring next-day delivery) within seven calendar days of the date the application was received by the RA with a copy to the local office. The notice shall:

(1) State all the reasons the application is not accepted for consideration, citing the relevant regulatory standards;

(2) Offer the applicant an opportunity for the resubmission within five calendar days of a modified application, stating the modifications needed in order for the RA to accept the application for consideration;

(3) Offer the applicant an opportunity to request an expedited administrative review of or a de novo hearing before an administrative law judge pursuant to paragraph (d) of this section, the procedures at §655.112 of this part shall be followed.

(d) Appeal procedures. If the employer timely requests an expedited administrative review or de novo hearing before an administrative law judge pursuant to paragraph (c)(3) of this section, the procedures at §655.112 of this part shall be followed.

(e) Required modifications. If the application is not accepted for consideration by the RA, but the RA’s written notification to the applicant is not timely as required by §655.101 of this part, the certification determination will not be extended beyond 20 calendar days before the date of need. The notice will specify that the RA’s temporary alien agricultural labor certification determination will be made no later than 20 calendar days before the date of need, provided that the applicant submits the modifications to the application which are required by the RA within five calendar days and in a manner specified by the RA which will enable the test of U.S. worker availability to be made as required by §655.101 of this part within the time available for such purposes.

the specific efforts which will be expected from them during the following weeks to carry out the assurances contained in §655.103 with respect to the recruitment of U.S. workers. The notice shall require that the job offer be laced into intrastate clearance and into interstate clearance to such States as the RA shall determine to be potential sources of U.S. workers. The notice may require the employer to engage in positive recruitment efforts within a multi-State region of traditional or expected labor supply where the RA finds, based on current information provided by a State agency and such information as may be offered and provided by other sources, that there are a significant number of able and qualified U.S. workers who, if recruited, would likely be willing to make themselves available for work at the time and place needed. In making such a finding, the RA shall take into account other recent recruiting efforts in those areas and will attempt to avoid requiring employers to futilely recruit in areas where there are a significant number of local employers recruiting for U.S. workers for the same types of occupations. Positive recruitment is in addition to, and shall be conducted within the same time period as, the circulation through the interstate clearance system of an agricultural clearance order. The obligation to engage in such positive recruitment shall terminate on the date H-2A workers depart for the employer’s place of work. In determining what positive recruitment shall be required, the RA will ascertain the normal recruitment practices of non-H-2A agricultural employers in the area and the kind and degree of recruitment efforts which the potential H-2A employer made to obtain H-2A workers. The RA shall ensure that the effort, including the location(s) of the positive recruitment required of the potential H-2A employer, during the period after filing the application and before the date the H-2A workers depart their prior location to come to the place of employment, shall be no less than: (1) The recruitment efforts of non-H-2A agricultural employers of comparable or smaller size in the area of employment; and (2) the kind and degree of recruitment efforts which the potential H-2A employer made to obtain H-2A workers.

(b) Recruitment of U.S. workers. After an application for temporary alien agricultural labor certification is accepted for processing pursuant to paragraph (a) of this section, the RA, under the direction of the ETA national office and with the assistance of other RAs with respect to areas outside the region, shall provide overall direction to the employer and the State agency with respect to the recruitment of U.S. workers.

(c) Modifications. At any time during the recruitment effort, the RA, with the Director’s concurrence, may require modifications to a job offer when the RA determines that the job offer does not contain all the provisions relating to minimum benefits, wages, and working conditions, required by §655.102(b) of this part. If any such modifications are required after an application has been accepted for consideration by the RA, the modifications must be made; however, the certification determination shall not be delayed beyond the 20 calendar days prior to the date of need as a result of such modification.

(d) Final determination. By 20 calendar days before the date of need specified in the application, except as provided for under §§655.101(c)(2) and 655.104(e) of this part for untimely modified applications, the RA, when making a determination of the availability of U.S. workers, shall also make a determination as to whether the employer has satisfied the recruitment assurances in §655.103 of this part. If the RA concludes that the employer has not satisfied the requirements for recruitment of U.S. workers, the RA shall deny the temporary alien agricultural labor certification, and shall immediately notify the employer in writing with a copy to the State agency and local office. The notice shall contain the statements specified in §655.104(d) of this part.

(e) Appeal procedure. With respect to determinations by the RA pursuant to this section, if the employer timely requests an expedited administrative review or a de novo hearing before an administrative law judge, the procedures
§ 655.105 Recruitment of U.S. workers and final determinations on certification and H-2A petition.

(d) * * * If the RA denies the application for temporary alien agricultural labor certification, the RA shall also deny the petition for lack of a labor certification and any other applicable reason in accordance with the criteria set out in §214.2(h). * * *

§ 655.106 Referral of U.S. workers; determinations based on U.S. worker availability and adverse effect; activities after receipt of the temporary alien agricultural labor certification.

(a) Referral of able, willing, and qualified U.S. workers. With respect to the referral of U.S. workers to job openings listed on a job order accompanying an application for temporary alien agricultural labor certification, no U.S. worker-applicant shall be referred unless such U.S. worker has been made aware of the terms and conditions of the job, and has indicated, by accepting referral to the job, that she or he meets the qualifications required and is able, willing, and eligible to take such a job.

(b) (1) Determinations. If the RA, in accordance with §655.105 of this part, has determined that the employer has complied with the recruitment assurances and the adverse effect criteria of §655.102 of this part, by the date specified pursuant to §655.101(c)(2) of this part for untimely modified applications or 20 calendar days before the date of need specified in the application, whichever is applicable, the RA shall grant the temporary alien agricultural labor certification request for enough H-2A workers to fill the employer’s job opportunities for which U.S. workers are not available. In making the temporary alien agricultural labor certification determination, the RA shall consider as available any U.S. worker who has made a firm commitment to work for the employer, including those workers committed by other authorized persons such as farm labor contractors and family heads. Such a firm commitment shall be considered to have been made not only by workers who have signed work contracts with the employer, but also by those whom the RA determines are likely to sign a work contract. The RA shall count as available any U.S. worker who has applied to the employer (or on whose behalf an application has been made), but who was rejected by the employer for other than lawful job-related reasons or who has not been provided with a lawful job-related reason for rejection by the employer, as determined by the RA. The RA shall not grant a temporary alien agricultural labor certification request for any H-2A workers if the RA determines that:

(i) Enough able, willing, and qualified U.S. workers have been identified as being available to fill all the employer’s job opportunities;

(ii) The employer, since the time the application was accepted for consideration under §655.104 of this part, has adversely affected U.S. workers by offering to, or agreeing to provide to, H-2A workers better wages, working conditions or benefits (or by offering to, or agreeing to impose on alien workers less obligations and restrictions) than those offered to U.S. workers;

(iii) The employer during the previous two-year period employed H-2A workers and the RA has determined, after notice and opportunity for a hearing, that the employer at any time during that period substantially violated a material term or condition of a temporary alien agricultural labor certification with respect to the employment of U.S. or H-2A workers;
§655.106 20 CFR Ch. V (4–1–01 Edition)

(iv) The employer has not complied with the workers’ compensation requirements at §655.102(b)(2) of this part; or

(v) The employer has not satisfactorily complied with the positive recruitment requirements specified by this subpart.

Further, the RA, in making the temporary alien agricultural labor certification determination, will subtract from any temporary alien agricultural labor certification the specific verified number of job opportunities involved which are vacant because of a strike or other labor dispute involving a work stoppage, or a lockout, in the occupation at the place of employment (and for which H–2A workers have been requested). Upon receipt by the RA of such labor dispute information from any source, the RA shall verify the existence of the strike, labor dispute, or lockout and the vacancies directly attributable through the receipt by the RA of a written report from the State agency written following an investigation by the State agency (made under the oversight of the RA) of the situation and after the RA has consulted with the Director prior to making such a determination.

(2) Fees. A temporary alien agricultural labor certification determination granting an application shall include a bill for the required fees. Each employer (except joint employer associations) of H–2A workers under the application for temporary alien agricultural labor certification shall pay in a timely manner a nonrefundable fee upon issuance of the temporary alien agricultural labor certification granting the application (in whole or in part), as follows:

(i) Amount. The fee for each employer receiving a temporary alien agricultural labor certification is $100 plus $10 for each job opportunity for H–2A workers certified, provided that the fee to an employer for each temporary alien agricultural labor certification received shall be no greater than $1,000. The joint employer association will not be charged a separate fee. The fees shall be paid by check or money order made payable to “Department of Labor”. In the case of employers of H–2A workers which are members of a joint employer association applying on their behalf, the aggregate fees for all employers of H–2A workers under the application may be paid by one check or money order.

(ii) Timeliness. Fees received by the RA no more than 30 calendar days after the date of the temporary alien agricultural labor certification determination are timely.

(c) Changes to temporary alien agricultural labor certifications; temporary alien agricultural labor certifications involving employer associations—(1) Changes. Temporary alien agricultural labor certifications are subject to the conditions and assurances made during the application process. Any changes in the level of benefits, wages, and working conditions an employer may wish to make at any time during the work contract period must be approved by the RA after written application by the employer, even if such changes have been agreed to by an employee. Temporary alien agricultural labor certifications shall be for the specific period of time specified in the employer’s job offer, which shall be less than twelve months; shall be limited to the employer’s specific job opportunities; and may not be transferred from one employer to another, except as provided for by paragraph (c)(2) of this section.

(2) Associations—(i) Applications. If an association is requesting a temporary alien agricultural labor certification as a joint employer, the temporary alien agricultural labor certification granted under this section shall be made jointly to the association and to its employer members. Except as provided in paragraph (c)(2)(iii) of this section, such workers may be transferred among its producer members to perform work for which the temporary alien agricultural labor certification was granted, provided the association
controls the assignment of such workers and maintains a record of such assignments. All temporary alien agricultural labor certifications to associations may be used for the certified job opportunities of any of its members. If an association is requesting a temporary alien agricultural labor certification as a sole employer, the temporary alien agricultural labor certification granted pursuant to this section shall be made to the association only.

(ii) Referrals and transfers. For the purposes of complying with the “fifty-percent rule” at §655.103(e) of this part, any association shall be allowed to refer or transfer workers among its members (except as provided in paragraph (c)(2)(iii) of this section), and an association acting as an agent for its members shall not be considered a joint employer merely because of such referral or transfer.

(iii) Ineligible employer-members. Workers shall not be transferred or referred to an association’s member. If that member is ineligible to obtain any or any additional workers, pursuant to §655.110 of this part.

(3) Extension of temporary alien agricultural labor certification—(i) Short-term extension. An employer who seeks an extension of two weeks or less of the temporary alien agricultural labor certification shall apply for such extension to INS. If INS grants such an extension, the temporary alien agricultural labor certification shall be deemed extended for such period as is approved by INS. No extension granted under this paragraph (c)(3)(i) shall be for a period longer than the original work contract period of the temporary alien agricultural labor certification.

(ii) Long-term extension. For extensions beyond the period which may be granted by INS pursuant to paragraph (c)(3)(i) of this section, an employer, after 50 percent of the work contract period has elapsed, may apply to the RA for an extension of the period of the temporary alien agricultural labor certification, for reasons related to weather conditions or other external factors beyond the control of the employer (which may include unforeseen changes in market conditions), provided that the employer’s need for an extension is supported in writing by the employer, with documentation showing that the extension is needed and could not have been reasonably foreseen by the employer. The RA shall grant or deny the request for extension of the temporary alien agricultural labor certification based on available information, and shall notify the employer of the decision on the request in writing. The RA shall not grant an extension where the total work contract period, including past temporary alien labor certifications for the job opportunity and extensions, would be 12 months or more, except in extraordinary circumstances. The RA shall not grant an extension where the temporary alien agricultural labor certification has already been extended by INS pursuant to paragraph (c)(3)(i) of this section.

(d) Denials of applications. If the RA does not grant the temporary alien agricultural labor certification (in whole or in part) the RA shall notify the employer by means reasonably calculated to assure next-day delivery. The notification shall contain all the statements required in §655.104(c) of this part. If a timely request is made for an administrative-judicial review or a de novo hearing by an administrative law judge, the procedures of §655.112 of this part shall be followed.

(e) Approvals of applications—(1) Continued recruitment of U.S. workers. After a temporary agricultural labor certification has been granted, the employer shall continue its efforts to recruit U.S. workers until the actual date the H-2A workers depart for the employer’s place of employment.

(i) Unless the local employment office is informed in writing of a different date, the local office shall deem the third day immediately preceding the employer’s first date of need to be the date the H-2A workers depart for the employer’s place of employment. The employer may notify the local office in writing if the workers depart prior to that date.

(ii)(A) If the H-2A workers do not depart for the place of employment on or before the first date of need (or by the stated date of departure, if the local office has been advised of a different date), the employer shall notify the local employment office in writing (or orally, confirmed in writing) as soon as
§ 655.106 20 CFR Ch. V (4–1–01 Edition)

the employer knows that the workers will not depart by the first date of need, and in no event later than such date of need. At the same time, the employer shall notify the local office of the workers’ expected departure date, if known. No further notice is necessary if the workers depart by the stated date of departure.

(B) If the employer did not notify the local office of the expected departure date pursuant to paragraph (e)(1)(i)(A) of this section, or if the H–2A workers do not leave for the place of employment on or before the stated date of departure, the employer shall notify the local employment office in writing (or orally, confirmed in writing) as soon as the employer becomes aware of the expected departure date, or that the workers did not depart by the stated date and the new expected departure date, as appropriate.

(2) Requirement for Active Job Order. The employer shall keep an active job order on file until the H–2A workers depart by the stated date of departure.

(f) Exceptions. (1) “Fifty-percent rule” inapplicable to small employers. The assurance requirement at §655.103(e) of this part does not apply to any employer who:

(i) Did not, during any calendar quarter during the preceding calendar year, use more than 500 “man-days” of agricultural labor, as defined in section 3(u) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(u)); and

(ii) Is not a member of an association which has applied for a temporary alien agricultural labor certification under this subpart for its members; and

(iii) Has not otherwise “associated” with other employers who are applying for H–2A workers under this subpart, and so certifies to the RA.

(2) Displaced H–2A workers. An employer shall not be liable for payment under §655.102(b)(6) of this part with respect to an H–2A worker whom the RA certifies is displaced due to compliance with §655.103(e) of this part.

(g) Withholding of U.S. workers prohibited. (1) Complaints. Any employer who has reason to believe that a person or entity has willfully and knowingly withheld U.S. workers prior to the arrival at the job site of H–2A workers in order to force the hiring of U.S. workers under §655.103(e) of this part may submit a written complaint to the local office. The complaint shall clearly identify the person or entity whom the employer believes has withheld the U.S. workers, and shall specify sufficient facts to support the allegation (e.g., dates, places, numbers and names of U.S. workers) which will permit an investigation to be conducted by the local office.

(2) Investigations. The local office shall inform the RA by telephone that a complaint under the provisions of paragraph (g) of this section has been filed and shall immediately investigate the complaint. Such investigation shall include interviews with the employer who has submitted the complaint, the person or entity named as responsible for withholding the U.S. workers, and the individual U.S. workers whose availability has purportedly been withheld. In the event the local office fails to conduct such interviews, the RA shall do so.

(3) Reports of findings. Within five working days after receipt of the complaint, the local office shall prepare a report of its findings, and shall submit such report (including recommendations) and the original copy of the employer’s complaint to the RA.

(4) Written findings. The RA shall immediately review the employer’s complaint and the report of findings submitted by the local office, and shall conduct any additional investigation the RA deems appropriate. No later than 36 working hours after receipt of the employer’s complaint, the RA shall issue written findings to the local office and the employer. Where the RA determines that the employer’s complaint is valid and justified, the RA shall immediately suspend the application of §655.103(e) of this part to the employer. Such suspension of §655.103(e) of this part under these circumstances shall not take place, however, until the interviews required by paragraph (g)(2)
Employment and Training Administration, Labor § 655.106

of this section have been conducted. The RA’s determination under the provisions of this paragraph (g)(4) shall be the final decision of the Secretary, and no further review by any DOL official shall be given to it.

(h) Requests for new temporary alien agricultural labor certification determinations based on nonavailability of able, willing, and qualified U.S. workers—(1) Standards for requests. If a temporary alien agricultural labor certification application has been denied (in whole or in part) based on the RA’s determination of the availability of able, willing, and qualified U.S. workers, and, on or after 20 calendar days before the date of need specified in the temporary alien agricultural labor certification determination, such U.S. workers identified as being able, willing, qualified, and available are, in fact, not able, willing, qualified, or available at the time and place needed, the employer may request a new temporary alien agricultural labor certification determination from the RA. The RA shall expeditiously, but in no case later than 72 hours after the time a request is received, make a determination on the request.

(2) Filing requests. The employer’s request for a new determination shall be made directly to the RA. The request may be made to the RA by telephone, but shall be confirmed by the employer in writing as required by paragraphs (h)(2)(i) or (ii) of this section.

(i) Workers not able, willing, qualified, or eligible. If the employer asserts that any worker who has been referred by the ES System or by any other person or entity is not an eligible worker or is not able, willing, qualified, or for the job opportunity for which the employer has requested H-2A workers, the burden of proof is on the employer to establish that the individual referred is not able, willing, qualified, or eligible because of lawful job-related reasons. The employer’s burden of proof shall be met by the employer’s submission to the RA, within 72 hours of the RA’s receipt of the request for a new determination, of a signed statement of the employer’s assertions, which shall include each rejected worker by name and shall state each lawful job-related reason for rejecting that worker.

(ii) U.S. workers not available. If the employer telephonically requests the new determination, asserting solely that U.S. workers are not available, the employer shall submit to the RA a signed statement confirming such assertion. If such signed statement is not received by the RA within 72 hours of the RA’s receipt of the telephonic request for a new determination, the RA may make the determination based solely on the information provided telephonically and the information (if any) from the local office.

(3) Regional office review—(i) Expedite review. The RA expeditiously shall review the request for a new determination. The RA may request a signed statement from the local office in support of the employer’s assertion of U.S. worker nonavailability or referred U.S. workers not being able, willing, or qualified because of lawful job-related reasons.

(ii) New determination. If the RA determines that the employer’s assertion of nonavailability is accurate and that no able, willing, or qualified U.S. worker has been refused or is being refused employment for other than lawful job-related reasons, the RA shall, within 72 hours after receipt of the employer’s request, render a new determination. Prior to making a new determination, the RA promptly shall ascertain (which may be through the ES System or other sources of information on U.S. worker availability) whether able, willing, and qualified replacement U.S. workers are available or can be reasonably expected to be present at the employer’s establishment within 72 hours from the date the employer’s request was received.

(iii) Notification of new determination. If the RA cannot identify sufficient able, willing, and qualified U.S. workers who are or are likely to be available, the RA shall grant the employer’s request for a new determination request (in whole or in part) based on available information as to replacement U.S. worker availability. The RA’s notification to the employer on the new determination shall be in writing (by means normally assuring next-day delivery), and the RA’s determination under the provisions of this paragraph (h)(3) shall be the final decision of the Secretary.
§ 655.107 Adverse effect wage rates (AEWRs).

(a) Computation and publication of AEWRs. Except as otherwise provided in this section, the AEWRs for all agricultural employment (except for those occupations deemed inappropriate under the special circumstances provisions of § 655.93 of this part) for which temporary alien agricultural labor certification is being sought shall be equal to the annual weighted average hourly wage rate for field and livestock workers (combined) for the region as published annually by the U.S. Department of Agriculture (USDA) based on the USDA quarterly wage survey. The Director shall publish, at least once in each calendar year, on a date or dates to be determined by the Director, AEWRs for each State (for which USDA publishes regional data), calculated pursuant to this paragraph (a) as a notice or notices in the FEDERAL REGISTER.

(b) Higher prevailing wage rates. If, as the result of a State agency prevailing wage survey determination, the prevailing wage rate in an area and agricultural activity (as determined by the State agency survey and verified by the Director) is found to be higher than the AEWR computed pursuant to paragraph (a) of this section, the higher prevailing wage rate shall be offered and paid to all workers by employers seeking temporary alien agricultural labor certification for that agricultural activity and area.

(c) Federal minimum wage rate. In no event shall an AEWR computed pursuant to paragraph (a) of this section be lower than the Federal minimum wage rate. If, as the result of a State agency prevailing wage survey determination, the prevailing wage rate in an area and agricultural activity (as determined by the State agency survey and verified by the Director) is found to be higher than the AEWR computed pursuant to paragraph (a) of this section, the higher prevailing wage rate shall be offered and paid to all workers by employers seeking temporary alien agricultural labor certification for that agricultural activity and area.

§ 655.108 H-2A applications involving fraud or willful misrepresentation.

(a) Referral for investigation. If possible fraud or willful misrepresentation involving a temporary alien agricultural labor certification application is discovered prior to a final temporary
Employment and Training Administration, Labor

§ 655.110

alien agricultural labor certification determination or if it is learned that the employer or agent (with respect to an application) is the subject of a criminal indictment or information filed in a court, the RA shall refer the matter to the INS and DOL Office of the Inspector General for investigation. The RA shall continue to process the application and may issue a temporary alien agricultural labor certification.

(b) Continued processing. If a court finds an employer or agent not guilty of fraud or willful misrepresentation, or if the Department of Justice decides not to prosecute an employer or agent, the RA shall not deny the temporary alien agricultural labor certification application on the grounds of fraud or willful misrepresentation. The application, of course, may be denied for other reasons pursuant to this subpart.

(c) Terminated processing. If a court or the INS determines that there was fraud or willful misrepresentation involving a temporary alien agricultural labor certification application, the application is thereafter invalid, consideration of the application shall be terminated and the RA shall return the application to the employer or agent with the reasons therefor stated in writing.

Effective date note: At 65 FR 43544, July 13, 2000, § 655.108 was amended in paragraph (a) by removing from the first sentence the phrase “temporary alien agricultural labor certification” and adding in lieu thereof the phrase “an application”: and by removing from the second sentence the word “certification” and adding in lieu thereof the phrase “certification and the determination on the H-2A petition cannot be made until the investigation has been completed”, effective Nov. 13, 2000. At 65 FR 67628, Nov. 13, 2000, the effective date was delayed until Oct. 1, 2001.

§ 655.110 Employer penalties for noncompliance with terms and conditions of temporary alien agricultural labor certifications.

(a) Investigation of violations. If, during the period of two years after a temporary alien agricultural labor certification has been granted (in whole or in part), the RA has reason to believe that an employer violated a material term or condition of the temporary alien agricultural labor certification, the RA shall, except as provided in paragraph (b) of this section, investigate the matter. If, after the investigation, the RA determines that a substantial violation has occurred, the RA, after consultation with the Director, shall notify the employer that a temporary alien agricultural certification request will not be granted for the next period of time in a calendar year during which the employer would normally be expected to request a temporary alien agricultural labor certification, and any application subsequently submitted by the employer for that time period will not be accepted by the RA. If multiple or repeated substantial violations are involved, the RA’s notice to the employer shall specify that the prospective denial of the temporary alien agricultural labor certification will apply not only to the next anticipated period for which a temporary alien agricultural labor certification would normally be requested, but also to any periods within the coming two or three years; two years for two violations, or repetitions of the same violations, and three years for three or more violations, or repetitions thereof. The RA’s notice shall be in writing, shall state the reasons for the determinations, and shall offer the employer an opportunity to request an expedited administrative review or a de novo hearing before an administrative law judge of the determination within seven calendar days of the date of the notice. If the employer requests an expedited administrative review or a de novo hearing before an administrative law judge, the procedures in § 655.112 of this part shall be followed.

(b) Employment Standards Administration investigations. The RA may make the determination described in paragraph (a) of this section based on information and recommendations provided by the Employment Standards Administration, after an Employment Standards Administration investigation has been conducted in accordance with the Employment Standards Administration procedures, that an employer has not complied with the terms and conditions of employment prescribed as a condition for a temporary alien agricultural labor certification. In such instances, the RA need not conduct any
§655.110

20 CFR Ch. V (4–1–01 Edition)

investigation of his/her own, and the subsequent notification to the employer and other procedures contained in paragraph (a) of this section will apply. Penalties invoked by the Employment Standards Administration for violations of temporary alien agricultural labor certification terms and conditions shall be treated and handled separately from sanctions applied by the RA, and an employer’s obligations for compliance with the Employment Standards Administration’s enforcement penalties shall not absolve an employer from sanctions applied by ETA under this section (except as noted in paragraph (a) of this section).

(c) Less than substantial violations — (1) Requirement of special procedures. If, after investigation as provided for under paragraph (a) of this section, or an Employment Standards Administration notification as provided under paragraph (b) of this section, the RA determines that a less than substantial violation has occurred, the RA has reason to believe that past actions on the part of the employer may have had and may continue to have a chilling or otherwise negative effect on the recruitment, employment, and retention of U.S. workers, the RA may require the employer to conform to special procedures before and after the temporary alien labor certification determination (including special on-site positive recruitment and streamlined interviewing and referral techniques) designed to enhance U.S. worker recruitment and retention in the next year as a condition for receiving a temporary alien agricultural labor certification. Such requirements shall be reasonable, and shall not require the employer to offer better wages, working conditions and benefits than those specified in §655.102 of this part, and shall be no more than deemed necessary to assure employer compliance with the test of U.S. worker availability and adverse effect criteria of this subpart. The RA shall notify the employer in writing of the special procedures which will be required in the coming year. The notification shall state the reasons for the imposition of the requirements, state that the employer’s agreement to accept the conditions will constitute inclusion of them as bona fide conditions and terms of a temporary alien agricultural labor certification, and shall offer the employer an opportunity to request an administrative review or a de novo hearing before an administrative law judge. If an administrative review or de novo hearing is requested, the procedures prescribed in §655.112 of this part shall apply.

(2) Failure to comply with special procedures. If the RA determines that the employer has failed to comply with special procedures required pursuant to paragraph (c)(1) of this section, the RA shall send a written notice to the employer, stating that the employer’s otherwise affirmative temporary alien agricultural labor certification determination will be reduced by twenty-five percent of the total number of H-2A aliens requested (which cannot be more than those requested in the previous year) for a period of one year. Notice of such a reduction in the number of workers requested shall be conveyed to the employer by the RA in the RA’s written temporary alien agricultural labor certification determination required by §655.101 of this part (with the concurrence of the Director). The notice shall offer the employer an opportunity to request an administrative review or a de novo hearing before an administrative law judge. If an administrative review or de novo hearing is requested, the procedures prescribed in §655.112 of this part shall apply, provided that if the administrative law judge affirms the RA’s determination that the employer has failed to comply with special procedures required by paragraph (c)(1) of this section, the reduction in the number of workers requested shall be twenty-five percent of the total number of H-2A aliens requested (which cannot be more than those requested in the previous year) for a period of one year.

(d) Penalties involving members of associations. If, after investigation as provided for under paragraph (a) of this section, or notification from the Employment Standards Administration under paragraph (b) of this section, the RA determines that a substantial violation has occurred, and if an individual producer member of a joint employer association is determined to
have committed the violation, the denial of temporary alien agricultural labor certification penalty prescribed in paragraph (a) shall apply only to that member of the association unless the RA determines that the association or other association member participated in, had knowledge of, or had reason to know of the violation, in which case the penalty shall be invoked against the association or other association member as well.

(e) Penalties involving associations acting as joint employers. If, after investigation as provided for under paragraph (a) of this section, or notification from the Employment Standards Administration under paragraph (b) of this section, the RA determines that a substantial violation has occurred, and if an association acting as a joint employer with its members is determined to have committed the violation, the denial of temporary alien agricultural labor certification penalty prescribed in paragraph (a) of this section shall apply only to the association, and shall not be applied to any individual producer member of the association unless the RA determines that the member participated in, had knowledge of, or reason to know of the violation, in which case the penalty shall be invoked against the association member as well.

(f) Penalties involving associations acting as sole employers. If, after investigation as provided for under paragraph (a) of this section, or notification from the Employment Standards Administration under paragraph (b) of this section, the RA determines that a substantial violation has occurred, and if an association acting as a sole employer is determined to have committed the violation, no individual producer member of the association shall be permitted to employ certified H-2A workers in the crop and occupation for which the H-2A workers had been previously certified for the sole employer association unless the producer member applies for temporary alien agricultural labor certification under the provisions of this subpart in the capacity of an individual employer/applicant or as a member of a joint employer association, and is granted temporary alien agricultural labor certification by the RA.

(g) Types of violations—(1) Substantial violation. For the purposes of this subpart, a substantial violation is one or more actions of commission or omission on the part of the employer or the employer’s agent, with respect to which the RA determines:

(1)(A) That the action(s) is/are significantly injurious to the wages, benefits, or working conditions of 10 percent or more of an employer’s U.S. and/or H-2A workforce; and that:

(1) With respect to the action(s), the employer has failed to comply with one or more penalties imposed by the Employment Standards Administration for violation(s) of contractual obligations found by that agency (if applicable), or with one or more decisions or orders of the Secretary or a court pursuant to §216 of the INA (8 U.S.C. 1186), this subpart, or 29 CFR part 501 (Employment Standards Administration enforcement of contractual obligations); or

(2) The employer has engaged in a pattern or practice of actions which are significantly injurious to the wages, benefits, or working conditions of 10 percent or more of an employer’s U.S. and/or H-2A workforce;

(B) That the action(s) involve(s) impeding an investigation of an employer pursuant to §216 of the INA (8 U.S.C. 1186), this subpart, or 29 CFR part 501 (Employment Standards Administration enforcement of contractual obligations);

(C) That the employer has not paid the necessary fee in a timely manner;

(D) That the employer is not currently eligible to apply for a temporary alien agricultural labor certification pursuant to §655.210 of this part (failure of an employer to comply with the terms of a temporary alien agricultural labor certification in which the application was filed under subpart C of this part prior to June 1, 1987); or

(E) That there was fraud involving the application for temporary alien agricultural labor certification of that the employer made a material misrepresentation of fact during the application process; and
§ 655.111 Petition for higher meal charges.

(a) Filing petitions. Until a new amount is set pursuant to this paragraph (a), the RA may permit an employer to charge workers up to $6.58 for providing them with three meals per day, if the employer justifies the charge and submits to the RA the documentation required by paragraph (b) of this section. In the event the employer’s petition for a higher meal charge is denied in whole or in part, the employer may appeal such denial. Such appeals shall be filed with the Chief Administrative Law Judge. Administrative law judges shall hear such appeals according to the procedures in 29 CFR part 18, except that the appeal shall not be considered as a complaint to which an answer is required. The decision of the administrative law judge shall be the final decision of the Secretary. Each year the maximum charge allowed by this paragraph (a) will be changed by the same percentage as the twelve-month percent change for the Consumer Price Index for all Urban Consumers between December of the year just concluded and December of the year prior to that. The annual adjustments shall be effective on the date of their publication by the Director as a notice in the Federal Register. However, an employer may not impose such a charge on a worker prior to the effective date contained in the RA’s written confirmation of the amount to be charged.

(b) Required documentation. Documentation submitted shall include the cost of goods and services directly related to the preparation and serving of meals, the number of workers fed, the number of meals served and the number of days meals were provided. The cost of the following items may be included: Food; kitchen supplies other than food, such as lunch bags and soap; labor costs which have a direct relation to food service operations, such as wages of cooks and restaurant supervisors; fuel, water, electricity, and other utilities used for the food service operation; and other costs directly related to the food service operation. Charges for transportation, depreciation, overhead and similar charges may not be included. Receipts and other cost records for a representative pay period shall be available for inspection by the RA for a period of one year.

§ 655.112 Administrative review and de novo hearing before an administrative law judge.

(a) Administrative review—(1) Consideration. Whenever an employer has requested an administrative review before an administrative law judge of a decision not to accept for consideration a temporary alien agricultural labor certification application, of the denial of a temporary alien agricultural labor certification, or of a penalty under § 655.110 of this part, the RA shall send a certified copy of the ETA case file to the Chief Administrative Law Judge by means normally assuring next-day delivery. The Chief Administrative Law Judge shall immediately assign an administrative law judge (which may be a panel of such persons designated by the Chief Administrative Law Judge from the Board of Alien Labor Certification Appeals established by part 656 of this chapter, but which shall hear and decide the appeal as set forth in this section) to review the record for legal sufficiency. The administrative law judge shall not remand the case and shall not receive additional evidence.

(2) Decision. Within five working days after receipt of the case file the administrative law judge shall, on the basis of the written record and after due consideration of any written submissions submitted from the parties involved or amici curiae, either affirm, reverse, or modify the RA’s denial by written decision. The decision of the administrative law judge shall specify the reasons for the action taken and shall be immediately provided to the employer, RA,

§ 655.114 Revocation of H–2A petition approval.

Determinations to revoke an approved H–2A petition shall be made by the RA in accordance with accordance with the criteria established by the Immigration and Naturalization Service at 8 CFR 214.2(h).

Effective Date Note: At 65 FR 43544, July 13, 2000, §655.114 was added, effective Nov. 13, 2000. At 65 FR 67628, Nov. 13, 2000, the effective date was delayed until Oct. 1, 2001.

Subpart C—Labor Certification Process for Logging Employment and Non–H–2A Agricultural Employment

SOURCE: 43 FR 10313, Mar. 10, 1978, unless otherwise noted.
§ 655.200 General description of this subpart and definition of terms.

(a) This subpart applies to applications for temporary alien agricultural labor certification filed before June 1, 1987, and to applications for temporary alien labor certification for logging employment.

(b) An employer who desires to use foreign workers for temporary employment must file a temporary labor certification application including a job offer for U.S. workers with a local office of a State employment service agency. The employer should file an application a minimum of 80 days before the estimated date of need for the workers. If filed 80 days before need, sufficient time is allowed for the 60-day recruitment period required by the regulations and a determination by the Regional Administrator (RA) as to the availability of U.S. workers 20 days before the date of need. Shortly after the application has been filed, the RA makes a determination as to whether or not the application has been filed in enough time to recruit U.S. workers and whether or not the job offer for U.S. workers offers wages and working conditions which will not adversely affect the wages and working conditions of similarly employed U.S. workers, as prescribed in the regulations in this subpart. If the application does not meet the regulatory wage and working condition standards, the RA shall deny the temporary labor certification application and offer the employer an administrative-judicial review of the denial by a Department of Labor Hearing Officer. If the application is not timely and meets the regulatory standards, the State employment service agency, the employer, and the Department of Labor recruit U.S. workers for 60 days. At the end of the 60 days, the RA grants the temporary labor certification if the RA finds that (1) the employer has not offered foreign workers higher wages or better working conditions (or less restrictions) than that offered to U.S. workers, and (2) U.S. workers are not available for the employer's job opportunities. If the temporary labor certification is denied, the employer may seek an administrative-judicial review of the denial by a Department of Labor Hearing Officer as provided in these regulations. The Department of Labor thereafter advises the Immigration and Naturalization Service (INS) of approvals and denials of temporary labor certifications. The INS may accept or reject this advice, 8 CFR 214.2(h)(3). The INS makes the final decision as to whether or not to grant visas to the foreign workers. 8 U.S.C. 1184(a).

(c) Definitions for terms used in this subpart. Administrator means the chief official of the United States Employment Service or the Administrator's designee.

Adverse effect rate means the wage rate which the Administrator has determined must be offered and paid to foreign and U.S. workers for a particular occupation and/or area so that the wages of similarly employed U.S. workers will not be adversely affected. The Administrator may determine that the prevailing wage rate in the area and/or occupation is the adverse effect rate, if the use (or non-use) of aliens has not depressed the wages of similarly employed U.S. workers. The Administrator may determine that a wage rate higher than the prevailing wage rate is the adverse effect rate if the Administrator determines that the use of aliens has depressed the wages of similarly employed U.S. workers.

Agent means a legal person, such as an association of employers, which (1) is authorized to act as an agent of the employer for temporary labor certification purposes, and (2) which is not itself an employer, or a joint employer, as defined in this section.

Area of intended employment means the area within normal commuting distance of the place (address) of intended employment. If the place of intended employment is within a Standard Metropolitan Statistical Area (SMSA), any place within the SMSA is deemed to be within normal commuting distance of the place of intended employment.
Employer means a person, firm, corporation or other association or organization (1) which currently has a location within the United States to which U.S. workers may be referred for employment, and which proposes to employ a worker at a place within the United States and (2) which has an employer relationship with respect to employees under this subpart as indicated by the fact that it hires, pays, fires, supervises and otherwise controls the work of such employees. An association of employers shall be considered an employer if it has all of the indicia of an employer set forth in this definition. Such an association, however, shall be considered as a joint employer with the employer member if it shares with the employer member one or more of the definitional indicia.

Employment and Training Administration (ETA) means the agency within the Department of Labor (DOL) which includes the United States Employment Service (USES).

Hearing Officer means a Department of Labor official, whether Administrative Law Judge or Hearing Officer, who is authorized to conduct administrative hearings.

Immigration and Naturalization Service (INS) means the component of the U.S. Department of Justice which makes the determination under the Immigration and Nationality Act (INA) on whether or not to grant a visa to an alien seeking to perform temporary agricultural or logging work in the United States.

Job opportunity means a job opening for temporary, full-time employment at a place in the United States to which U.S. workers can be referred.

Local office means an office of a State employment service agency which serves a particular geographic area within a State.

Regional Administrator, Employment and Training Administration (RA) means the chief official of the Employment and Training Administration (ETA) in a Department of Labor (DOL) regional office.

Secretary means the Secretary of Labor or the Secretary’s designee.

State agency means the State employment service agency.

Temporary labor certification means the advice given by the Secretary of Labor to the Immigration and Naturalization Service, pursuant to the regulations of that agency at 8 CFR 214.2(h)(3)(i), that (1) there are not sufficient U.S. workers who are qualified and available to perform the work and (2) the employment of the alien will not adversely affect the wages and working conditions of similarly employed U.S. workers.

United States Employment Service (USES) means the agency of the U.S. Department of Labor, established under the Wagner-Peyser Act of 1933, which is charged with administering the national system of public employment offices and carrying out the functions of the Secretary under the Immigration and Nationality Act.

United States workers means any worker who, whether U.S. national, citizen or alien, is legally permitted to work permanently within the United States.

(Approved by the Office of Management and Budget under control number 1205–0015) [43 FR 10313, Mar. 10, 1978, as amended at 49 FR 18295, Apr. 30, 1984; 52 FR 20524, June 1, 1987]

§ 655.201 Temporary labor certification applications.

(a) (1) An employer who anticipates a labor shortage of workers for agricultural or logging employment may request a temporary labor certification for temporary foreign workers by filing, or by having an agent file, in duplicate, a temporary labor certification application, signed by the employer, with a local office in the area of intended employment.

(2) If the temporary labor certification application is filed by an agent, however, the agent may sign the application if the application is accompanied by a letter from each employer the agent represents, signed by the employer, which authorizes the agent to act on the employer’s behalf and which states that the employer assumes full responsibility for the accuracy of the application, for all representations made by the agent on the employer’s behalf, and for the fulfillment of all legal requirements arising under this subpart.
§ 655.202 Contents of job offers.

(a) So that the employment of aliens will not adversely affect the wages and working conditions of similarly employed U.S. workers, each employer’s job offer to U.S. workers must offer U.S. workers at least the same benefits and working conditions that the employer is offering to temporary foreign workers. Conversely, no job...
Employment and Training Administration, Labor § 655.202

offer may impose on U.S. workers any restrictions or obligations which will not be imposed on the employer’s foreign workers. For example, if the employer intends to advance transportation costs to foreign workers either directly or indirectly (by having them paid by the foreign government involved), the employer must offer to advance the transportation costs of U.S. workers.

(b) Except when higher benefits, wages or working conditions are required by the provisions of paragraph (a) of this section, the Administrator has determined that, in order to protect similarly employed U.S. workers from adverse effect with respect to wages and working conditions, every job offer for U.S. workers must always include the following minimal benefit, wage, and working condition provisions:

(1) The employer will provide the worker with housing without charge to the worker. The housing will meet the full set of standards set forth at 29 CFR 1910.142 or the full set of standards set forth at part 654, subpart E of this chapter, whichever is applicable under the criteria of 20 CFR 654.401; except that, for mobile range housing for sheepherders, the housing shall meet existing Departmental guidelines. When it is the prevailing practice in the area of intended employment to provide family housing, the employer will provide such housing to such workers.

(2) (i) If the job opportunity is covered by the State workers’ compensation law, the worker will be eligible for workers’ compensation for injury and disease arising out of and in the course of worker’s employment; or

(ii) If the job opportunity is not covered by the State workers’ compensation law, the employer will provide at no cost to the worker, insurance covering injury and disease arising out of and in the course of the worker’s employment which will provide benefits at least equal to those provided under the State workers’ compensation law for comparable employment;

(3) The employer will provide without cost to the worker all tools, supplies and equipment required to perform the duties assigned and, if any of these items are provided by the worker, the employer will reimburse the worker for the cost of those so provided;

(4) The employer will provide the worker with three meals a day, except that where under prevailing practice or longstanding arrangement at the establishment workers prepare their meals, employers need furnish only free and convenient cooking and kitchen facilities. Where the employer provides the meals, the job offer shall state the cost to the worker for such meals. Until a new amount is set pursuant to this paragraph (b)(4), the cost shall not be more than $4.94 per day unless the RA has approved a higher cost pursuant to § 655.211 of this part. Each year the charge allowed by this paragraph (b)(4) will be changed by the 12-month percent change for the Consumer Price Index for All Urban Consumers for Food between December of the year just concluded and December of the year prior to that. The annual adjustments shall be effective on their publication by the Administrator in the FEDERAL REGISTER.

(5) (i) The employer will provide or pay for the worker’s transportation and daily subsistence from the place, from which the worker, without intervening employment, will come to work for the employer, to the place of employment, subject to the deductions allowed by paragraph (b)(13) of this section. The amount of the daily subsistence payment shall be at least as much as the amount the employer will charge the worker for providing the worker with three meals a day during employment;

(ii) If the worker completes the work contract period, the employer will provide or pay for the worker’s transportation and daily subsistence from the place of employment to the place, from which the worker, without intervening employment, came to work for the employer, unless the worker has contracted for employment with a subsequent employer who, in that contract, has agreed to pay for the worker’s transportation and daily subsistence expenses from the employer’s worksite to such subsequent employer’s worksite; and

(iii) The employer will provide transportation between the worker’s living

quarters and the employer’s worksite without cost to the worker, and such transportation will be in accordance with applicable laws and regulations;

(6) (i) The employer guarantees to offer the worker employment for at least three-fourths of the workdays of the total period during which the work contract and all extensions thereof are in effect, beginning with the first workday after the arrival of the worker at the place of employment and ending on the termination date specified in the work contract, or in its extensions if any. For purposes of this paragraph, a workday shall mean any period consisting of 8 hours of work time. An employer shall not be considered to have met the work guarantee if the employer has merely offered work on three-fourths of the workdays. The work must be offered for at least three-fourths of the 8 hour workdays. (That is, ¾ \times \text{(number of days} \times 8 \text{ hours).})
Therefore, if, for example, the contract contains 20 workdays, the worker must be offered employment for 120 hours during the 20 workdays. A worker may be offered more than 8 hours of work on a single workday. For purposes of meeting the guarantee, however, the worker may not be required to work for more than 8 hours per workday, or on the worker’s Sabbath or Federal holidays;

(ii) If the worker will be paid on a piece rate basis, the employer will use the worker’s average hourly earnings to calculate the amount due under the guarantee; and

(iii) Any hours which the worker fails to work when the worker has been offered an opportunity to do so pursuant to paragraph (b)(6)(i) of this section, and all hours of work actually performed (including voluntary work over 8 hours in a workday, or on the worker’s Sabbath or Federal holidays) may be counted by the employer in calculating whether the period of guaranteed employment has been met;

(7) (i) The employer will keep accurate and adequate records with respect to the workers’ earnings, including field tally records, supporting summary payroll records, and records showing: The nature and amount of the work performed; the number of hours of work offered each day by the employer (broken out by hours offered both in accordance with, and over and above, the guarantee); the hours actually worked each day by the worker; the time the worker began and ended each workday; the rate of pay; the worker’s earnings per pay period; and the amount of and reasons for any and all deductions made from the worker’s wages;

(ii) If the number of hours worked by the worker is less than the number offered in accordance with the guarantee, the records will state the reason or reasons therefor;

(iii) The records, including field tally records and supporting summary payroll records, will be made available for inspection and copying by representatives of the Secretary of Labor, and by the worker and the worker’s representatives; and

(iv) The employer will retain the records for not less than three years after the completion of the contract;

(8) The employer will furnish to the worker at or before each payday, in one or more written statements:

(i) The worker’s total earnings for the pay period;

(ii) The worker’s hourly rate or piece rate of pay;

(iii) The hours of employment which have been offered to the worker (broken out by offers in accordance with, and over and above, the guarantee);

(iv) The hours actually worked by the worker;

(v) An itemization of all deductions made from the worker’s wages; and

(vi) If piece rates are used, the units produced daily;

(9) (i) If the worker will be paid by the hour, the employer will pay the worker at least the adverse effect rate; or

(ii)(A) If the worker will be paid on a piece rate basis, and the piece rate does not result at the end of the pay period in average hourly earnings during the pay period at least equal to the amount the worker would have earned had the worker been paid at the adverse effect rate, the employer’s pay will be supplemented at that time so that the worker’s earnings are at least as much as the worker would have earned during the pay period if the worker had been paid at the adverse effect rate.
(B) If the employer who pays on a piece rate basis requires one or more minimum productivity standards of workers as a condition of job retention, (1) such standards shall be no more than those applied by the employer in 1977, unless the RA approves a higher minimum; or (2) if the employer first applied for temporary labor certification after 1977, such standards shall be no more than those normally required (at the time of that first application) by other employers for the activity in the area of intended employment, unless the RA approves a higher minimum.

(10) The frequency with which the worker will be paid (in accordance with the prevailing practice in the area of intended employment, or at least bi-weekly whichever is more frequent);

(11) If the worker voluntarily abandons employment before the end of the contract period, or is terminated for cause, the employer will not be responsible for providing or paying for the subsequent transportation and subsistence expenses of any worker for whom the employer would have otherwise been required to pay such expenses under paragraph (b)(5)(ii) of this section;

(12) If, before the expiration date specified in the work contract, the services of the worker are no longer required for reasons beyond the control of the employer due to fire or other Act of God which makes the fulfillment of the contract impossible, and the RA so certifies, the employer may terminate the work contract. In such cases the employer will make efforts to transfer the worker to other comparable employment acceptable to the worker. If such transfer is not effected, the worker (i) will be returned to the place from which the worker, without intervening employment, came to work for the employer at the employer’s expense; and (ii) will be reimbursed the full amount of any deductions made from the worker’s pay by the employer for transportation and subsistence expenses to the place of employment borne directly or indirectly by the employer;

(13) The employer will make those deductions from the worker’s paycheck which are required by law. The job offer shall specify all deductions, not required by law, which the employer will make from the worker’s paycheck. All deductions shall be reasonable. The employer may deduct the cost of the worker’s transportation and daily subsistence expenses to the place of employment which were borne directly by the employer; in such cases, however, the job offer shall state that the worker will be reimbursed the full amount of such deductions upon the worker’s completion of 50 percent of the worker’s contract period; and

(14) The employer will provide the worker a copy of the work contract between the employer and the worker. The work contract shall contain all of the provisions required by paragraphs (a) and (b) of this section.

(Approved by the Office of Management and Budget under control number 1205–0015)

§ 655.203 Assurances.

As part of the temporary labor certification application, the employer shall include assurances, signed by the employer, that:

(a) The job opportunity is not:

(1) Vacant because the former occupant is on strike or being locked out in the course of a labor dispute; or

(2) At issue in a labor dispute involving a work stoppage;

(b) During the period for which the temporary labor certification is granted, the employer will comply with applicable Federal, State and local employment-related laws, including employment related health and safety laws;

(c) The job opportunity is open to all qualified U.S. workers without regard to race, color, national origin, sex, or religion, and is open to U.S. workers with handicaps who are qualified to perform the work. No U.S. worker will be rejected for employment for other than a lawful job related reason;

(d) The employer will cooperate with the employment service system in the active recruitment of U.S. workers until the foreign workers have departed for the employer’s place of employment by:
§ 655.204 Determinations based on temporary labor certification applications.

(a) Within two working days after the temporary labor certification application has been filed with it, the local office shall mail the duplicate application directly to the appropriate RA.

(b) The local office, using the job offer portion of its copy of the temporary labor certification application, shall promptly prepare a local job order and shall begin to recruit U.S. workers in the area of intended employment.

(c) The RA, upon receipt of the duplicate temporary labor certification application, shall promptly review the application to determine whether it meets the requirements of §§655.201-655.203 in order to determine whether the employer’s application is (1) timely, and (2) contains offers of wages, benefits, and working conditions required to ensure that similarly employed U.S. workers will not be adversely affected. If the RA determines that the temporary labor certification application is not timely in accordance with §655.201 of this subpart, the RA may promptly deny the temporary labor certification on the grounds that, in accordance with that regulation, there is not sufficient time to adequately test the availability of U.S. workers. If the RA determines that the application does not meet the requirements of §§655.202-655.203 because the wages, working conditions, benefits, assurances, job offer, etc. are not as required, the RA shall deny the certification on the grounds that the availability of U.S. workers cannot be adequately tested because the wages or benefits, etc. do not meet the adverse effect criteria.

(d) If the certification is denied, the RA shall notify the employer in writing of the determination, with a copy benefits, wages, and working conditions required by §655.202, to any such U.S. worker; and

(e) From the time the foreign workers depart for the employer’s place of employment, the employer will provide employment to any qualified U.S. worker who applies to the employer until fifty percent of the period of the work contract, under which the foreign worker who is in the job was hired, has elapsed. In addition, the employer will offer to provide housing, and the other
to the local office and the Administrator. The notice shall:

1. State the reasons for the denial, citing the relevant regulations; and

2. Offer the employer an opportunity to request an expedited administrative-judicial review of the denial by a Department of Labor (DOL) Hearing Officer. The notice shall state that in order to obtain such a review, the employer must, within five calendar days of the date of the notice, file by facsimile, telegraph, or other means normally assuring next day delivery a written request for such a review to the Chief Administrative Law Judge of the Department of Labor (giving the address) and simultaneously serve a copy on the Regional Administrator. The notice shall also state that the employer’s request for review should contain any legal arguments which the employer believes will rebut the basis of the RA’s denial of certification; and

3. State that, if the employer does not request an expedited administrative-judicial review before a DOL Hearing Officer within the five days:
   i. The RA will advise the INS that the certification cannot be granted, giving the reasons therefor, and that an administrative-judicial review of the denial was offered to the employer but not accepted, and enclosing, for INS review, the entire temporary labor certification application file; and
   ii. The employer has the opportunity to submit evidence to the INS to rebut the bases of the RA’s determination in accordance with the INS regulation at 8 CFR 214.2(h)(3)(i) but that no further review of the employer’s application for temporary labor certification may be made by any Department of Labor official.

(1) The RA will advise the INS that the certification cannot be granted, giving the reasons therefor, and that an administrative-judicial review of the denial was offered to the employer but not accepted, and enclosing, for INS review, the entire temporary labor certification application file; and

(2) The employer has the opportunity to submit evidence to the INS to rebut the bases of the RA’s determination in accordance with the INS regulation at 8 CFR 214.2(h)(3)(i) but that no further review of the employer’s application for temporary labor certification may be made by any Department of Labor official.

(e) If the employer timely requests an expedited administrative-judicial review pursuant to paragraph (d)(2) of this section, the procedures of §655.212 shall be followed.

§ 655.206 Determinations of U.S. worker availability and adverse effect on U.S. workers.

(a) If the RA, in accordance with §655.205 has determined that the employer has complied with the recruitment assurances, the RA, by 60th day of the recruitment period, or 20 days before the date of need specified in the application, whichever is later, shall grant the temporary labor certification for enough aliens to fill the employer’s

§ 655.205 Recruitment period.

(a) If the RA determines that the temporary labor certification application meets the requirements of §§655.201 through 655.203, the RA shall promptly notify the employer in writing, with copies to the State agency and local office. The notice shall inform the employer and the State agency of the specific efforts which will be expected from them during the following weeks to carry out the assurances contained in §655.203 with respect to the recruitment of U.S. workers. The notice shall require that the job order be placed both into intrastate clearance and into interstate clearance to such States as the RA shall determine to be potential sources of U.S. workers.

(b) Thereafter, the RA, under the direction of the ETA national office and with the assistance of other RAs with respect to areas outside the region, shall provide overall direction to the employer and the State agency with respect to the recruitment of U.S. workers.

(c) By the 60th day of the recruitment period, or 20 days before the date of need specified in the application, whichever is later, the RA, when making a determination of the availability of U.S. workers, shall also make a determination as to whether the employer has satisfied the recruitment assurances in §655.203. If the RA concludes that the employer has not satisfied the requirement for recruitment of U.S. workers, the RA shall deny the temporary labor certification, and shall immediately notify the employer in writing with a copy to the State agency and local office. The notice shall contain the statements specified in §655.204(d).

(d) If the employer timely requests an expedited administrative-judicial review before a DOL Hearing Officer, the procedures in §655.212 shall be followed.
§ 655.207 Adverse effect rates.

(a) Except as otherwise provided in this section, the adverse effect rates for all agricultural and logging employment shall be the prevailing wage rates in the area of intended employment.

(b)(1) For agricultural employment (except sheepherding) in the States listed in paragraph (b)(2) of this section, and for Florida sugarcane work, the adverse effect rate for each year shall be computed by adjusting the prior year’s adverse effect rate by the percentage change (from the second year previous to the prior year) in the U.S. Department of Agriculture’s (USDA’s) average hourly wage rates for field and livestock workers (combined) based on the USDA Quarterly Wage Survey. The Administrator shall publish, at least once in each calendar year, on a date or dates he shall determine, adverse effect rates calculated for such States.

(b)(2) The adverse effect rates for Florida sugarcane work shall be the rates for Florida sugarcane workers for the prior year as set forth in §655.207(a).

(b)(3) The adverse effect rates for all agricultural and logging employment in the States listed in paragraph (b)(2) of this section shall be the rates for workers in those States for the prior year as set forth in §655.207(a).
§ 655.210 Failure of employers to comply with the terms of a temporary labor certification.

(a) If, after the granting of a temporary labor certification, the RA has probable cause to believe that an employer has not lived up to the terms of the temporary labor certification, the RA shall investigate the matter. If the RA concludes that the employer has not complied with the terms of the labor certification, the RA may notify the employer that it will not be eligible to apply for a temporary labor certification in the coming year. The notice shall be in writing, shall state the reasons for the determination, and shall offer the employer an opportunity to request a hearing within 30 days of the date of the notice. If the employer requests a hearing within the 30-day period, the RA shall follow the procedures set forth at §658.421(i) (1), (2) and (3) of this chapter. The procedures contained in §§658.421(j), 658.422 and 658.423 of this chapter shall apply to such hearings.
(b) No other penalty shall be imposed by the employment service on such an employer other than as set forth in paragraph (a) of this section.

§ 655.211 Petition for higher meal charges.

(a) Until a new amount is set pursuant to this paragraph (a), the RA may permit an employer to charge workers up to $6.17 for providing them with three meals per day, if the employer justifies the charge and submits to the RA the documentary evidence required by paragraph (b) of this section. A denial in whole or in part shall be reviewable as provided in § 655.212 of this part. Each year the maximum charge allowed by this paragraph (a) will be changed by the 12-month percent change for the Consumer Price Index for All Urban Consumers for Food between December of the year just concluded and December of the year prior to that. The annual adjustments shall be effective on their publication by the Administrator in the Federal Register.

(b) Evidence submitted shall include the cost of goods and services directly related to the preparation and serving of meals, the number of workers fed, the number of meals served and the number of days meals were provided. The cost of the following items may be included: Food; kitchen supplies other than food, such as lunch bags and soap; labor costs which have a direct relation to food service operations, such as wages of cooks and restaurant supervisors; fuel, water, electricity, and other utilities used for the food service operations; other costs directly related to the food service operation. Charges for transportation, depreciation, overhead, and similar charges may not be included. Receipts and other cost records for a representative pay period shall be available for inspection by the Secretary’s representatives for a period of one year.

(Approved by the Office of Management and Budget under control number 1205-0015)

§ 655.212 Administrative-judicial reviews.

(a) Whenever an employer has requested an administrative-judicial review of a denial of an application or a petition in accordance with §§ 655.204(d), 655.205(d), 655.206(c), or 655.211, the Chief Administrative Law Judge shall immediately assign a Hearing Officer to review the record for legal sufficiency, and the Regional Administrator shall send a certified copy of the case file to the Chief Administrative Law Judge by means normally assuring next day delivery. The Hearing Officer shall not have authority to remand the case and shall not receive additional evidence. Any countervailing evidence advanced after decision by the Regional Administrator shall be subject to provisions of § 214.2(h)(3)(i).

(b) The Hearing Officer, within five working days after receipt of the case file shall, on the basis of the written record and due consideration of any written memorandums of law submitted, either affirm, reverse or modify the RA’s denial by written decision. The decision of the Hearing Officer shall specify the reasons for the action taken and shall be immediately provided to the employer, RA, Administrator, and INS by means normally assuring next-day delivery. The Hearing Officer’s decision shall be the final decision of the Department of Labor and no further review shall be given to the temporary labor certification determination by any Department of Labor official.

§ 655.215 Territory of Guam.

Subpart C of this part does not apply to temporary employment in the Territory of Guam, and the Department of Labor does not certify to the Immigration and Naturalization Service (INS) the temporary employment of non-immigrant aliens under H-2B visas in the Territory of Guam. Pursuant to INS regulations, that function is performed by the Governor of Guam, or the Governor’s designated representative within the Territorial Government.

[56 FR 58976, Nov. 6, 1991]
Subpart D—Attestations by Facilities Using Nonimmigrant Aliens as Registered Nurses

§ 655.300 Purpose and scope of subparts D and E.

(a) Purpose. The Immigration and Nationality Act (INA) establishes the H–1A program to provide relief for the nursing shortage crisis. Subpart D of this part sets forth the procedure by which health care facilities seeking to use nonimmigrant registered nurses may submit attestations to the Department of Labor relating to the effects of the nursing shortage on their operations, their efforts to recruit and retain United States workers as registered nurses and certain information on wages and working conditions for nurses at the facility. Subpart E of this part sets forth complaint, investigation, and penalty provisions with respect to such attestations.

(b) Procedure. The INA establishes a procedure for health care facilities to follow in seeking admission to the United States for, or use of, nonimmigrant nurses under H–1A visas. The procedure is designed to reduce reliance on nonimmigrant nurses in the future, and calls of the health care facility to attest, and be able to demonstrate, that, e.g., there would be substantial disruption to health services without the nonimmigrant nurses and that it is taking timely and significant steps to develop, recruit, and retain U.S. nurses. Subparts D and E of this part set forth the specific requirements for those procedures.

(c) Applicability. (1) Subparts D and E of this part apply to all facilities that seek the temporary admission or use of nonimmigrants as registered nurses.

(2) During the period that the provisions of appendix 1603.D.4 of Annex 1603 of the North American Free Trade Agreement (NAFTA) apply, subparts D and E of this part shall apply to the entry of a nonimmigrant who is a citizen of Mexico under and pursuant to the provisions of section D of Annex 1603 of NAFTA.

§ 655.301 Overview of process.

This section provides a context for the attestation process, to facilitate understanding by health care facilities that may seek nonimmigrant nurses under H–1A visas.

(a) Federal agencies’ responsibilities. The United States Department of Labor (DOL), Department of Justice, and Department of State are involved in the H–1A visa process. Within DOL, the Employment and Training Administration (ETA) and the Employment Standards Administration (ESA) have responsibility for different aspects of the process.

(b) Health care facility’s attestation responsibilities. Each health care facility seeking one or more H–1A nurses shall, as the first step, submit an attestation on Form ETA 9029, as described in § 655.310 of this part, to the designated regional office of the Employment and Training Administration (ETA) of DOL. If the attestation is found to meet the requirements set at § 655.310 (a) through (k) of this part, ETA shall accept the attestation for filing, shall return the cover form of the accepted attestation to the health care facility, and shall notify the Immigration and Naturalization Service (INS) of the Department of Justice of the filing. As discussed in § 655.310 of this part, if the facility proposes to utilize alternative methods to comply with Attestation Elements I and/or IV, or asserts that taking a second timely and significant step under Element IV would be unreasonable, or claims a bona fide medical emergency exemption from Element IV as a worksite using one or more H–1A nurses through a nursing contractor only, additional supporting information and ETA review shall be required.

(c) Visa petitions. Upon ETA’s acceptance of the filing, the health care facility may then file with INS H–1A visa petitions for the admission of H–1A nurses, or to extend the stay of alien nurses currently working at the facility. The facility shall attach a copy of the accepted attestation form (Form ETA 9029) to the visa petition filed with INS. At the same time that the facility files a visa petition with INS, it shall also send a copy of the visa petition with INS, it shall also send a copy of the visa petition to the Chief,
§ 655.302 Definitions.

For the purposes of subparts D and E of this part:

Accepted for filing means that the attestation and supporting documentation submitted by the health care facility have been received by the Employment and Training Administration of the Department of Labor (DOL) and have been found to be in compliance with the attestation requirements in § 655.310 of this part.

Act and INA mean the Immigration and Nationality Act, as amended, 8 U.S.C. 1101 et seq.

Administrative law judge means an official appointed pursuant to 5 U.S.C. 3105.

Administrator means the Administrator of the Wage and Hour Division, Employment Standards Administration, Department of Labor, and such authorized representatives as may be designated to perform any of the functions of the Administrator under subparts D and E of this part.

Attorney General means the chief official of the U.S. Department of Justice or the Attorney General’s designee.

Board of Alien Labor Certification Appeals (BALCA) means a panel of one or more administrative law judges who serve on the permanent Board of Alien Labor Certification Appeals established by 20 CFR Part 656. BALCA consists of administrative law judges assigned to the Department of Labor and designated by the Chief Administrative Law Judge to be members of the Board of Alien Labor Certification Appeals.

Bona fide medical emergency means a situation in which the services of one or more H–1A contract nurses are necessary at a worksite facility (which itself does not employ an H–1A nurse) to prevent death or serious impairment of health, and, because of the danger to life or health, nursing services for such situation are not elsewhere available in the geographic area.

Certifying Officer means a Department of Labor official, or such official’s designee, who makes determinations about whether or not H–1A attestations are acceptable for filing.

Chief Administrative Law Judge means the chief official of the Office of the Administrative Law Judges of the Department of Labor or the Chief Administrative Law Judge’s designee.

Chief, Division of Foreign Labor Certifications, USES means the chief official
Employment and Training Administration, Labor  § 655.302

of the Division of Foreign Labor Certifications within the United States Employment Service, Employment and Training Administration, Department of Labor, or the designee of the Chief, Division of Foreign Labor Certifications, USES.

Date of filing means the date an attestation is “accepted for filing” by ETA.

Department and DOL mean the United States Department of Labor.

Director means the chief official of the United States Employment Service (USES), Employment and Training Administration, Department of Labor, or the Director’s designee.

Division means the Wage and Hour Division of the Employment Standards Administration, DOL.

Employer means a person, firm, corporation, or other association or organization involved in the direct provision of health care services, which:

(1) Suffers or permits a person to work;

(2) Has a location within the United States to which U.S. workers may be referred for employment;

(3) Proposes to employ workers at a place within the United States; and

(4) Has an employer-employee relationship with respect to employees under subpart D and E of this part, as indicated by the fact that it may hire, pay, fire, supervise or otherwise control the work of such employee.

Employment means full-time work by an employee for an employer/health care facility other than oneself. “Full-time work” means work where the nurse is regularly scheduled to work 40 hours or more per week, unless the facility documents as part of its attestation that it is common practice for the occupation at the facility or for the occupation in the geographic area for nurses to work fewer hours per week.

Employment and Training Administration (ETA) means the agency within the Department of Labor (DOL) which includes the United States Employment Service (USES).

Employment Standards Administration (ESA) means the agency within the Department of Labor (DOL) which includes the Wage and Hour Division.

Facility means a user of nursing services with either a single site or a group of contiguous locations at which it provides health care services. “Facility” includes an employer of registered nurses which provides health care services in a home or other setting, such as a hospital, nursing home, or other site of employment, not owned or operated by the employer (e.g., a visiting nurse association or a nursing contractor). “Facility” also includes a private household which employs or seeks to employ one or more H-1A nurses, but does not include a private household which uses H-1A nurses only through a nursing contractor. Groups of structures which form a campus or separate buildings across the street from one another are a single facility. However, separate buildings or areas which are not physically connected or in immediate proximity are a single health care facility if they are in reasonable geographic proximity, used for the same purpose, and share the same nursing staff and equipment. An example is an entity which manages a nursing home and a hospital in the same area and which regularly shifts or rotates the nurses between the two. Non-contiguous sites, even within the same geographic area, which do not share the same nursing staff and operational purposes are not a single facility. For example, hospitals which are located on opposite sides of a municipality, but which are managed or owned by a single entity, are separate facilities if they do not regularly share nursing staff and operational purpose.

Geographic area means the area within normal commuting distance of the place (address) of the intended worksite. If the geographic area does not include a sufficient number of facilities to make a prevailing wage determination, the term “geographic area” shall be expanded (by the State employment service, unless directed not to do so by the Director) with respect to the attesting facility to include a sufficient number of facilities to permit a prevailing wage determination to be made. If the place of the intended worksite is within a Metropolitan Statistical Area (MSA), any place within the MSA may be deemed to be within normal commuting distance of the place of intended employment.
Governor means the chief elected official of a State or the Governor’s designee.

Immigration and Naturalization Service (INS) means the component of the Department of Justice which makes the determination under the Act on whether to grant visa petitions to petitioners seeking the admission of nonimmigrant nurses under H–1A visas.

Layoff means any involuntary separation of one or more staff nurses without cause/prejudice. If a staff nurse is separated from one specialized activity and is offered retraining and retention at the same facility in another activity involving direct patient care at the same wage and status, but refuses such training and retention, such separation shall not constitute a layoff. The layoff provision applies to staff nurses only, not to other health occupations. If the position occupied by the staff nurse is covered by a collective bargaining agreement, the collective bargaining agreement definition of “layoff” (if any) shall apply to that position.

Lockout means a labor dispute involving a work stoppage, wherein an employer withholds work from its employees in order to gain a concession from them.

Nurse means a person who is or will be authorized by a State Board of Nursing to engage in registered nursing practice in a State or U.S. territory or possession at a facility which provides health care services. A staff nurse means a nurse who provides nursing care directly to patients. In order to qualify under this definition of “nurse” the alien shall:

1. Have obtained a full and unrestricted license to practice nursing in the country where the alien obtained nursing education, or have received nursing education in the United States or Canada;

2. Have passed the examination given by the Commission on Graduates for Foreign Nursing Schools (CGFNS), or have obtained a full and unrestricted (permanent) license to practice as a registered nurse in the state of intended employment, or have obtained a full and unrestricted (permanent) license in any state or territory of the United States and received temporary authorization to practice as a registered nurse in the state of intended employment; and,

3. Be fully qualified and eligible under the laws (including such temporary or interim licensing requirements which authorize the nurse to be employed) governing the place of intended employment to practice as a registered nurse immediately upon admission to the United States, and be authorized under such laws to be employed by the employer. For purposes of this paragraph, the temporary or interim licensing may be obtained immediately after the alien enters the United States and registers to take the first available examination for permanent licensure.

Nursing contractor means an entity that employs registered nurses and supplies these nurses, on a temporary basis and for a fee, to health care facilities or private homes.

Prevailing wage means the average wage paid to similarly employed registered nurses within the geographic area.

Secretary means the Secretary of Labor or the Secretary’s designee.

Similarly employed means employed by the same type of facility (acute care or long-term care) and working under like conditions, such as the same shift, on the same days of the week, and in the same specialty area.

State means one of the 50 States, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, and Guam.

State employment security agency (SESA) means the State agency designated under section 4 of the Wagner-Peyser Act to cooperate with USES in the operation of the national system of public employment offices.

Strike means a labor dispute wherein employees engage in a concerted stoppage or work (including stoppage by reason of the expiration of a collective-bargaining agreement) or engage in any concerted slowdown or other concerted interruption of operations.

United States Employment Service (USES) means the agency of the Department of Labor, established under
Attestations.

§ 655.310 Attestations.

(a) Who may submit attestations? Any entity meeting the definition of “facility” in §655.302, may submit an attestation. The attestation shall include: a completed Form ETA 9029, which shall be signed by the chief executive officer of the facility (or the chief executive officer’s designee); and explanatory statements prescribed in paragraphs (c) through (k) of this section. A nursing contractor that seeks to employ non-immigrant nurses shall file its own attestation (including Form ETA 9029 and explanatory statements) as prescribed by this section, and, as part of its own attestation, shall attest that it shall refer H-1A nurses only to facilities that, with the exception of private households which themselves do not employ H-1A nurses, have current and valid attestations on file with ETA. Subparts D and E of this part shall apply both to the nursing contractor and to the worksite facility.

(b) Where should attestations be submitted? Attestations shall be submitted, by U.S. mail or private carrier, to the U.S. Department of Labor ETA Regional Office which has jurisdiction over the geographic area where the H-1A nurse will be employed, as designated by the Chief, Division of Foreign Labor Certifications, USES. The addresses of the Certifying Officers are set forth in the instructions to Form ETA 9029.

(c) What should be submitted?—(1) Form ETA 9029 and explanatory statements.

(i) A completed and dated original Form ETA 9029, containing the required attestation elements and the original signature of the chief executive officer of the facility, shall be submitted, along with two copies of the completed, (signed, and dated) Form ETA 9029. (Copies of Form ETA 9029 are available at the address listed in paragraph (b) of this section.) In addition, explanations, where required, for the required attestation elements as to what documentation is available at the facility and how such documentation indicates compliance with the regulatory standards as prescribed in paragraphs (d) through (i) of this section. In addition,

(A) If the facility is a nursing contractor, the special attestation element in paragraph (j) of this section; or

(B) If the facility is a worksite (other than a private household which itself does not employ, seek to employ, or file a visa petition on behalf of an H-1A nurse), which will use H-1A nurses only through a nursing contractor, the special attestation element in paragraph (k) of this section, shall be submitted in triplicate with the Form ETA 9029.

(ii) If the facility is proposing to meet alternative standards for substantial disruption (Element I) and/or the taking of timely and significant steps (Element IV), an explanation of the standards being proposed and an explanation of how these proposed standards are of comparable significance to those set forth in the statute shall be submitted in triplicate. If the facility is attesting that it can only take one timely and significant step (Element IV), it shall submit an explanation, in triplicate, demonstrating that taking a second step is unreasonable. If the facility uses H-1A nurses only through a nursing contractor, but claims a bona

fide medical emergency exemption from Element IV, it shall submit a written explanation, in triplicate, demonstrating the existence of such an emergency. DOL may request additional explanation and/or documentation from a facility in the process of determining acceptability in cases described in this paragraph (c)(1)(ii).

(2) Attestation elements. The attestation elements referenced in paragraph (c)(1) of this section are mandated by section 212(m)(2)(A) of the Act (8 U.S.C. 1182(m)(2)(A)). Section 212(m)(2)(A) of the Act requires covered facilities to attest as follows:

(i) The attestation referred to in section 101(a)(15)(H)(i)(a) of the Act, with respect to a facility for which an alien will perform services, is an attestation as to the following:

(A) There would be a substantial disruption through no fault of the facility in the delivery of health care services of the facility if the services of such an alien or aliens.

(B) The employment of the aliens will not adversely affect the wages and working conditions of registered nurses similarly employed.

(C) The aliens employed by the facility will be paid the wage rate for registered nurses similarly employed by the facility.

(D) Either—(1) The facility has taken steps designed to recruit and retain sufficient registered nurses who are United States citizens or immigrants who are authorized to perform nursing services, in order to remove as quickly as reasonably possible the dependence of the facility on nonimmigrant registered nurses, or

(2) The facility is subject to an approved State plan for the recruitment and retention of nurses (described in section 212(m)(3) of the Act; 8 U.S.C. 1182(m)(3)).

(E) There is not a strike or lockout in the course of a labor dispute, and the employment of such an alien is not intended or designed to influence an election for a bargaining representative for registered nurses of the facility.

(F) At the time of the filing of the petition for registered nurses under section 101(a)(15)(H)(i)(a) of the Act, notice of the filing has been provided by the facility to the bargaining representative of the registered nurses at the facility or, where there is no such bargaining representative, notice of the filing has been provided to registered nurses at the facility through posting in conspicuous locations.

(ii) A facility is considered not to meet paragraph (c)(2)(i)(A) of this section (relating to an attestation of a substantial disruption in delivery of health care services) if the facility, within the previous year, has laid off registered nurses. A facility which lays off a registered nurse other than a staff nurse still meets the “no layoff” requirement if, in its attestation, it attests that it will not replace the nurse with an H-1A nurse (either through promotion or otherwise) for a period of 1 year after the date of the layoff. Nothing in paragraph (c)(2)(i)(A) of this section shall be construed as requiring a facility to have taken significant steps described in such paragraph before December 18, 1989 (i.e., the date of enactment of the Immigration Nursing Relief Act of 1989).

(d) The first attestation element: substantial disruption. The facility shall attest that “there would be substantial disruption through no fault of the facility in the delivery of health care services of the facility without the services of such an alien or aliens.” This element shall be met if the facility provides the following information:

(1) Layoffs. The facility shall attest that it has not laid off nurses during the 12-month period prior to submitting the attestation. A facility which lays off a registered nurse other than a staff nurse still meets the “no layoff” requirement if, in its attestation it attests that it will not replace the nurse with an H-1A nurse (either through promotion or otherwise) for a period of 1 year after the date of the layoff.

(2) Nursing shortage. (i) The facility shall attest to one of the following:

(A) It has a current nurse vacancy rate of 7 percent or more. An explanatory statement does not have to be submitted for this attestation element, but documentation to support this attestation shall be maintained at the facility and shall be available for review in accordance with § 655.350(b).
(B) It is unable to utilize 7 percent or more of its total beds due to a shortage of nurses. An explanatory statement does not have to be submitted for this attestation element, but supporting documentation for this attestation shall be maintained at the facility and shall be available for review in accordance with §655.350(b).

(C) It has had to eliminate or curtail the delivery of essential health care services due to a shortage of nurses, and provide brief explanatory information about the essential services eliminated or curtailed by the facility due to a nursing shortage, what documentation is available at the facility to substantiate this attestation, where this documentation is located and can be reviewed, and the applicable time period of the documentation.

(D) It has been unable to effect established plans to provide needed new health care services in the community due to a shortage of nurses, and provide brief explanatory information about needed new services that have not been implemented by the facility due to a nursing shortage and which will be implemented with the availability of H–1A nurses, what documentation is available at the facility to substantiate this attestation, where this documentation is located and can be reviewed, and the applicable time period of the documentation.

(ii) Other substantial disruption. When an attesting facility finds that the indicators in paragraphs (d)(2)(i) (A) through (D) of this section cannot be demonstrated, or that such indicators are inappropriate to that facility, but that without the services of H–1A nurses, substantial disruption in the delivery of health care services of the facility still would occur due to a shortage of nurses, the facility shall provide an explanation of how a shortage of nurses has caused a “substantial disruption” in the delivery of its health care services. Such explanation shall be sufficient to provide a clear showing of “substantial disruption” in the delivery of specific health care services due to a shortage of nurses, and shall clearly explain why the indicators in paragraphs (d)(2)(i) (A) through (D) of this section cannot be met by or are inappropriate to that facility. In addition to the documentation required to be maintained by attesting facilities described in paragraph (d)(3) of this section, facilities attesting under this paragraph also shall maintain and make available for inspection (as described elsewhere in this section) such additional documentation as is necessary to substantiate such claim of substantial disruption.

(3) Documentation of facility’s nursing positions. The attesting facility shall maintain and make available for inspection (as described in §655.350(b)) documentation substantiating:

(i) The total number of nursing positions at the facility;

(ii) The number of nursing vacancies at the facility during a 12-month period ending no later than 3 months prior to submittal of the attestation;

(iii) The number of nurses who left the facility during the same 12-month period;

(iv) The number of nurses hired by the facility during the same 12-month period;

(v) The overall staffing pattern for nursing positions at the facility; and

(vi) A description of the facility’s efforts to recruit U.S. nurses during the same 12-month period. The documentation on numbers of nurses, maintained for the purposes of this paragraph (d)(3), shall be broken out by numbers of U.S. nurses, nurses admitted under H–1 visas, nurses admitted under H–1A visas, nurses admitted under other nonimmigrant visas, and other nurses.

(e) The second attestation element: no adverse effect. The facility shall attest that “the employment of the alien will not adversely affect the wages and working conditions of registered nurses similarly employed.”

(1) Wages. To meet the requirement of no adverse effect on wages, the facility shall attest that it shall pay each nurse of the facility at least the prevailing wage for the occupation in the geographic area. The facility shall pay the higher of the wage required pursuant to this paragraph (e) or the wage required pursuant to paragraph (f) of this section (i.e., the third attestation element: facility wage).
§655.310  20 CFR Ch. V (4–1–01 Edition)  

(i) State employment security determination. The facility does not independently determine the prevailing wage. The State employment security agency (SESA) shall determine the prevailing wage for similarly employed nurses in the geographic area in accordance with administrative guidelines or regulations issued by ETA. The facility shall request the appropriate prevailing wage from the SESA not more than 90 days prior to the date the attestation is submitted to ETA. Once a facility obtains a prevailing wage determination from the SESA and files an attestation supported by that prevailing wage determination, the facility shall be deemed to have accepted the prevailing wage determination as accurate and appropriate (both to the occupational classification and wage) and thereafter shall not contest the legitimacy of the prevailing wage determination in an investigation or enforcement action. A facility may challenge a SESA prevailing wage determination through the Employment Service complaint system. See 20 CFR part 658, Subpart E. A facility which challenges a SESA prevailing wage determination shall obtain in final ruling from the Employment Service prior to filing an attestation. Any such challenge shall not require the SESA to divulge any employer wage data which was collected under the promise of confidentiality.

(ii) Collectively bargained wage rates. Where wage rates for nurses at a facility are the result of arms-length collective bargaining, those rates shall be considered “prevailing” for that facility for the purposes of this subpart.

(iii) Total compensation package. The prevailing wage finding under this paragraph (e)(1) relates to wages only. However, each item in the total compensation package for U.S., H-1A, and other nurses employed by the facility shall be the same within a given facility, including such items as housing assistance and other perquisites.

(iv) Documentation of pay and total compensation. The facility shall maintain documentation summarizing its pay schedule and compensation package for nurses. See §655.350(b). The summary shall cover each category of nursing position in which H-1A nurses are or will be hired or promoted into and each category of nursing position in which H-1A nurses (or nurses admitted on H-1 visas) have been hired or promoted into. Categories of nursing positions not covered by the documentation shall not be covered by the attestation, and, therefore, such positions shall not be filled or held by H-1A nurses.

(2) Working conditions. To meet the requirement of no adverse effect on working conditions, the facility shall attest that it shall afford equal treatment to U.S. and H-1A nurses with the same seniority, with respect to such working conditions as the number and scheduling of hours worked (including shifts, straight days, weekends); vacations; wards and clinical rotations; and overall staffing-patient patterns.

(a) The first attestation element: facility/employer wage. The facility employing or seeking to employ the alien shall attest that “the alien employed by the facility will be paid the wage rate for registered nurses similarly employed by the facility.” The facility shall maintain documentation substantiating compliance with this attestation which shall include a description of the factors taken into consideration by the facility in making compensation decisions for nurses and the facility pay schedule for nurses maintained pursuant to paragraph (e)(1) of this section. See §655.350(b). The facility shall pay the higher of the wage required pursuant to this paragraph (f) or the wage required pursuant to paragraph (e) of this section (i.e., the second attestation element: no adverse effect).

(b) The second attestation element: timely and significant steps; or State plan. The facility may satisfy the fourth attestation element by satisfying Alternative I in paragraph (g)(1) of this section or by satisfying Alternative II in paragraph (g)(2) of this section.

(1) Alternative I: Timely and significant steps. The facility shall attest that it “has taken and is taking timely and significant steps designed to recruit and retain sufficient registered nurses who are United States citizens or immigrants who are authorized to perform nursing services, in order to remove as quickly as reasonably possible
the dependence of the facility on non-immigrant registered nurses.’’ The facility shall take at least two such steps, unless it demonstrates that taking a second step is not reasonable. The steps described in this paragraph (g)(1) shall not be considered to be an exclusive list of the significant steps that may be taken to meet the conditions of this paragraph (g)(1). Nothing in this subpart or subpart E of this part shall require a facility to take more than one step, if the facility can demonstrate that taking a second step is not reasonable. The facility is not required to have taken any of these steps prior to December 18, 1989. A facility choosing to take timely and significant steps other than those specifically described in paragraph (g)(1)(i)(A) of this section shall submit with its attestation a description of the steps it is proposing to take and an explanation of how the proposed steps are of comparable timeliness and significance to those described in paragraph (g)(1)(i)(A) of this section. A facility claiming that a second step is unreasonable shall submit an explanation of why such second step would be unreasonable.

(1) Descriptions of steps.—(A) Statutory steps. Each of the actions described in this paragraph (g)(1)(i)(A) shall be considered a significant step reasonably designed to recruit and retain U.S. nurses. A facility choosing any one of the following steps shall attest that its program(s) meets the regulatory requirements set forth for each and provide an explanation of how the requirements are satisfied by the program(s). In addition, the attesting facility shall maintain and make available for inspection (as described in §655.350(b) of this part) documentation specified in the particular step selected and/or documentation which provides a complete description of the nature and operation of its program(s) sufficient to substantiate its attestation and full compliance with the requirements for the particular step selected. Section 212(m)(2)(E) of the INA provides that a violation shall be found if a facility fails to meet a condition attested to. Thus, a facility shall be held responsible for all timely and significant steps to which it attests.

(1) Step One: ‘‘Operating a training program for registered nurses at the facility or financing (or providing participation in) a training program for registered nurses elsewhere.’’ Training programs may include either courses leading to a higher degree (i.e., beyond an associate or a baccalaureate degree), or continuing education courses. If the program includes courses leading to a higher degree, they shall be courses which are part of a program accepted for degree credit by a college or university and accredited by a State Board of Nursing or a State Board of Higher Education (or its equivalent), as appropriate. If the program includes continuing education courses, they shall be courses which meet criteria established to qualify the nurses taking the courses to earn continuing education units accepted by a State Board of Nursing (or its equivalent). In either type of program, financing by the facility, either directly or arranged through a third party, shall cover the total tuition costs of such training. The number of U.S. nurses for whom such training actually is provided shall be no less than half of the number of nurses who left the facility during the 12-month period prior to submission of the attestation. U.S. nurses to whom such training was offered, but who rejected such training, may be counted towards those provided training, but the facility, in such case, shall maintain documentation of such offer and rejection. See §655.350(b).

(2) Step Two: ‘‘Providing career development programs and other methods of facilitating health care workers to become registered nurses.’’ This may include programs leading directly to a degree in nursing, or career ladder/career path programs which could ultimately lead to a degree in nursing. A facility choosing this step shall maintain as documentation a description of the content and eligibility requirements for both types of programs and an explanation of how the requirements of this paragraph (g)(1)(i)(A)(2) are satisfied by each program. Any such degree program shall be, at a minimum, either through an accredited community college (leading to an associate’s degree), 4-year college (a bachelor’s degree), or diploma school, and the course of study

527
§ 655.310

shall be one accredited by a State Board of Nursing (or its equivalent). For career ladder or career path programs, the facility shall maintain documentation that the programs are normally part of a course of study or training which prepares a U.S. worker for enrolling in formal direct training leading to a degree in nursing, either through an accredited community college, a 4-year college, or a diploma school. See § 655.350(b) of this part. Financing by the facility, either directly or arranged through a third party, shall cover the total costs of such programs. U.S. workers participating in such programs shall be working or have worked in health care occupations or health care facilities. The number of U.S. workers for whom such training is provided shall be equal to no less than half the average number of vacancies for nurses during the 12-month period prior to the submission of the attestation.

(3) Step Three: “Paying registered nurses wages at a rate higher than currently being paid to registered nurses similarly employed in the geographic area.” A facility choosing this step shall maintain documentation showing that its entire schedule of wages for nurses is at least 5 percent higher than the prevailing wages as determined by the SESA pursuant to paragraph (e)(1)(i) of this section, and it shall attest that such differentials shall be maintained throughout the period of the attestation’s effectiveness.

(4) Step Four: “Providing adequate support services to free registered nurses from administrative and other non-nursing duties.” Non-nursing duties include such activities as housekeeping duties; food preparation and delivery; transporting patients; providing occupational and respiratory therapy; answering telephones; running errands for patients; and clerical tasks. A facility choosing this step shall not require nurses at the facility to perform non-nursing duties. However, it is understood that on an infrequent non-recurring basis, nurses at the facility may perform one or more of the tasks encompassed by the duties listed above in this paragraph (g)(1)(i)(A)(4) or other non-nursing duties. Facilities choosing this step shall maintain documentation showing what steps they have taken to ensure that nursing jobs do not include any of these duties and that such activity by nurses at the facility occurs without regularity and infrequently. Such a facility also shall maintain documentation with respect to any other steps being taken to relieve nurses from non-nursing duties, or to enhance the nursing function, such as computerizing certain writing and routine functions performed by nurses.

(5) Step Five: “Providing reasonable opportunities for meaningful salary advancement by registered nurses.” Documentation for this step shall include documentation of systems for salary advancement based on factors such as merit, education, and specialty, and/or salary advancement based on length of service with other bases for wage differentials remaining constant.

(i) Merit, education, and specialty. For salary advancement based on factors such as merit, education, and specialty, the facility shall maintain and make available for inspection documentation that it provides opportunities for professional development of its nurses which lead to salary advancement, e.g., opportunities for continuing education; in-house educational instruction; special committees, task forces, or projects considered of a professional development nature; participation in professional organizations; and writing for professional publications. Such opportunities shall be available to all the facility’s nurses.

(ii) Length of service. For salary advancement based on length of service, the facility shall maintain and make available for inspection documentation that it has clinical ladders in place which provide, annually, salary increases of 3 percent or more for a period of no less than 10 years, over and above the costs of living and merit, education, and specialty increases and differentials.

(B) Other possible steps. The Act indicates that the five steps described in paragraphs (g)(1)(i)(A) through (5) of this section are not an exclusive list of timely and significant steps which might qualify. Facilities are encouraged to be innovative in devising other timely and significant steps, but these shall be of timeliness and significance.
such steps which are comparable to those in paragraphs (g)(1)(i)(A)(1) through (5) of this section to qualify. A facility may attest that it has taken and is taking other such steps and explain in its attestation what these steps are, their nature and scope, how they are effected and how they meet the statutory test of timeliness and significance comparable to those Steps One through Five described above. A facility choosing alternative steps shall attest that its program(s) meet(s) the statutory requirements of timeliness and significance in promoting the development, recruitment and retention of U.S. nurses, explaining how these requirements are satisfied by such program(s).

In addition, the attesting facility shall maintain and make available for inspection (as described in §655.350(b)) documentation which provides a complete description of the nature and operation of its program(s) sufficient to substantiate its attestation and full compliance with the requirements of this paragraph (g)(1)(i)(B). Examples of such steps which—depending on the circumstances, the size and nature of the attesting facility, the nature and scope of the step(s) described, the number of persons affected, and other such factors—may meet these requirements are:

(1) Monetary incentives—providing monetary incentives to nurses, through bonuses and merit pay plans not included in the base compensation package, for additional education, and for efforts leading to increased recruitment and retention of U.S. nurses. Such monetary incentives can be based on actions by nurses such as: Innovations to achieve better patient care, increased productivity, reduced waste, better safety; obtaining additional certification in a nursing specialty; unused sick leave; recruiting other U.S. nurses; staying with the facility for a given number of years; taking less desirable assignments (other than shift differential); participating in professional organizations, on task forces and on special committees; or contributing to professional publications. Facilities attesting to this step shall have a documented system for providing significant financial rewards in the form of bonuses or salary advancement to nurses participating in the activities described in this paragraph.

(2) Special perquisites—providing nurses with special perquisites for dependent care or housing assistance of a nature and/or extent that constitute a ‘significant’ factor in inducing employment and retention of U.S. nurses.

(3) Work schedule options—providing nurses with non-mandatory work schedule options for part-time work, job-sharing, compressed work week or non-rotating shifts (provided, however, that H-1A nurses are employed only in full-time work) of a nature and/or extent that constitute a ‘significant’ factor in inducing employment and retention of U.S. nurses.

(4) Other training options—providing training opportunities to become registered nurses to U.S. workers not currently in health care occupations by means of financial assistance (e.g., scholarship, loan or pay-back programs) to such persons.

(ii) Unreasonableness of second step.

The steps described in this paragraph (g)(1) shall not be considered to be an exclusive list of the significant steps that may be taken to meet the conditions of this paragraph (g)(1). Nothing in this subpart or subpart E of this part shall require a facility to take more than one step, if the facility can demonstrate that taking a second step is not reasonable. However, a facility shall make every effort to take at least two steps. A facility taking only one step shall provide an explanation with its attestation, and maintain documentation at the facility, relating to why taking a second step is not reasonable. The taking of a second step may be considered unreasonable if it would result in the facility’s financial inability to continue providing the same quality and quantity of health care or if the provision of nursing services would otherwise be jeopardized by the taking of such a step. If the single step which is taken is one of the statutorily defined steps described in paragraphs (g)(1)(i)(A)(1) through (g)(1)(i)(A)(5) of this section, the facility shall explain with its attestation, and maintain documentation at the facility, with respect to each of the four statutory steps (described in paragraphs (g)(1)(i)(A)(1) through (g)(1)(i)(A)(5) of
this section) not taken, relating to why it would be unreasonable for the facility to take such step and also shall explain with its attestation, and shall maintain and make available for inspection (as described in §655.350(b)) documentation demonstrating why it would be unreasonable for the facility to take any other steps designed to recruit, develop and retain sufficient U.S. nurses to meet its staffing needs. If the single step which is taken is not one of the five statutory steps described in paragraphs (g)(1)(i)(A) through (g)(1)(i)(A)(5) of this section, the facility shall, with respect to each of the five statutory steps not taken, explain with its attestation, and maintain documentation and make available for inspection (as described in §655.350(b)) documentation, demonstrating why it would be unreasonable for the facility to take such step; the facility also shall explain with its attestation, and make available for inspection (as described in §655.350(b)) documentation demonstrating why it would be unreasonable for the facility to take any other steps designed to recruit and retain sufficient U.S. nurses to meet its staffing needs. On the basis of the explanation submitted by the facility, the Certifying Officer shall determine whether the requirements of this paragraph (g)(1)(ii) have been met. See paragraph (m) of this section regarding such determinations and administrative appeals therefrom.

(iii) Alternative to criteria for each specific step. Instead of complying with the specific criteria for each of the steps in the second and succeeding years, a facility may include in its prior year’s attestation, in addition to the actions taken under Steps One through Five, that it shall reduce the number of alien (H–1 and H–1A visaholders) nurses it utilizes within 1 year from the date of attestation by at least 10 percent, without reducing the quality or quantity of services provided. If this goal is achieved (as demonstrated by documentation maintained by the facility and made available for inspection, and indicated in its subsequent year’s attestation), the facility’s subsequent year’s attestation may simply include the Form ETA 9029, an explanation demonstrating that this goal has been achieved and an attestation that it shall again reduce the number of alien nurses it utilizes within 1 year from the date of attestation by at least 10 percent. This alternative is designed to permit a facility to achieve the objectives of the Act, without subjecting the facility to detailed requirements and criteria as to the specific means of achieving that objective. The first, second, and succeeding years shall be consecutive.

(2) Alternative II: subject to approved annual State plan. As an alternative to attesting to the timely and significant steps set forth in paragraph (g)(1) of this section, the facility may attest that it “is subject to an approved State plan for the recruitment and retention of nurses.” The contents of the annual State plan are described in more detail in §655.315. For an individual facility to meet the requirements of this paragraph (g)(2), the annual State plan shall provide for the taking of timely and significant steps by that facility, and the facility shall maintain appropriate documentation with respect to those steps. See §655.350(b). To qualify for this Alternative II, the annual State plan shall have been approved prior to the date the facility submits its attestation to ETA for filing.

(h) The fifth attestation element: No strike or lockout; no intention or design to influence bargaining representative election. The facility shall attest that “there is not a strike or lockout in the course of a labor dispute, and the employment of such an alien is not intended or designated to influence an election for a bargaining representative for registered nurses of the facility.” Labor disputes for purposes for this attestation element relate only to those involving nurses providing nursing services; other health service occupations are not included. This attestation element applies to strikes and lockouts and elections of bargaining representatives at both the facility employing the nurse and, in the case of nursing contractors, at the worksite facility.

(1) Notice of strike or lockout. In order to remain in compliance with the no strike or lockout portion of this attestation element, if a strike or lockout of nurses at the facility occurs during the
1 year’s validity of the attestation, the facility, within 3 days of the occurrence of the strike or lockout, shall submit to the ETA National Office, by U.S. mail or private carrier, written notice of the strike or lockout.

(2) ETA notice to INS. Upon receiving from a facility a notice described in paragraph (h)(1) of this section, ETA shall examine the documentation, and may consult with the union at the facility or other appropriate entities. If ETA determines that the strike or lockout is covered under § 214.2(h)(17), INS’s Effect of strike regulation for “H” visaholders, ETA shall certify to INS, in the manner set forth in that regulation, that a strike or other labor dispute involving a work stoppage of nurses is in progress at the facility.

(i) The sixth attestation element: notice of filing. The facility shall attest that at the time of filing of the petition for registered nurses under section 101(a)(15)(H)(i)(a) of the Act, notice of filing has been provided by the facility to the bargaining representative of the registered nurses at the facility or, where there is no such bargaining representative, notice of the filing has been provided to registered nurses at the facility through posting in conspicuous locations. The requirement applies to providing notice of filing both for attestations submitted to ETA and for visa petitions filed with INS.

(1) Notification of bargaining representative. No later than the date the attestation is mailed to DOL to be considered for filing, the facility shall notify the bargaining representative (if any) for nurses at the facility that the attestation is being submitted to DOL, and shall state in that notice that the attestation is available at the facility (explaining how it can be inspected or obtained) and at the national office of ETA for review by interested parties. Notices under this paragraph (i)(1) shall include the following statement: “Complaints alleging misrepresentation of material facts in the attestation or failure to comply with the terms of the attestation may be filed with any office of the Wage and Hour Division of the United States Department of Labor.”

(2) Posting notice. If there is no bargaining representative for nurses at the facility, when the facility submits and attestation to ETA, and each time the facility files an H–1A visa petition with INS, the facility shall post a written notice at the facility (and, in addition, at the worksite facility, if at a different location, such as in the case of nursing contractors), stating that the attestation and/or visa petition(s) have been filed and are available at the facility (explaining how these documents can be inspected or obtained) and at the national office of ETA for review by interested parties. In order for the facility to remain in compliance with this paragraph (i)(2), all such notices shall remain posted during the validity period of the attestation and the attestations and petitions shall be available for examination at the facility throughout this period of time. The notice of posting shall provide information concerning the availability of these documents for examination at the facility and at the national office of ETA, and shall include the following statement: “Complaints alleging misrepresentation of material facts in the attestation or failure to comply with the terms of the attestation may be filed with any office the Wage and Hour Division of the United States Department of Labor.” Such posted notices shall be clearly visible and unobstructed while posted, shall be posted in conspicuous places, where the facility’s U.S. nurses readily can read the posted notice on the way to or from their duties. Appropriate locations for posting such notices include locations in the immediate proximity of mandatory Fair Labor Standards Act wage and hour notices and Occupational Safety and Health Act occupational safety and health notices.
§655.310 20 CFR Ch. V (4–1–01 Edition)

(j) Special provisions for nursing contractors. A nursing contractor submitting an attestation for filing as a facility shall attest, in addition to the first through sixth attestation elements, that it will refer H–1A nurses only to facilities that (with the exception of private households which themselves do not employ H–1A nurses) have valid attestations on file with ETA. The nursing contractor shall obtain from each such worksite facility a copy of that facility’s Form ETA 9029, accepted for filing by ETA and then currently on file with ETA. The nursing contractor shall maintain a copy of such worksite facility’s accepted attestation on file at the nursing contractor’s principal office during the validity period of the nursing contractor’s attestation or the period of time that any H–1A nurse in its employ is providing nursing services at the worksite facility, whichever is longer.

(k) Special provisions for worksite facilities which are not employers of H–1A nurses and are not controlled by employers of H–1A nurses. A facility (other than a private household) which obtains the services of an H–1A nurse by contracting with a nursing contractor, but which is itself neither the employer of any H–1A nurse nor controlled by the employer of any H–1A nurse (see paragraph (k)(1) of this section), shall file an attestation with ETA pursuant to this subpart. Such a worksite facility may request from ETA a waiver of specific elements of the attestation to avoid duplicative attestations, in cases of temporary, emergency circumstances, with respect to information not within the knowledge of the attestor, or for other good cause. The attesting worksite facility shall be to ably demonstrate the existence of the circumstances or good cause which are asserted as the basis(es) for the request for a waiver of a particular element of the attestation, but need not submit such evidence with its request for waiver, except evidence with respect to a bona fide medical emergency (see paragraph (k)(3)(iii) of this section).

(1) Worksites employing, seeking to employ, or filing visa petitions on behalf of H–1A nurses. An attestation with respect to which waiver is requested or granted pursuant to this paragraph (k) is not valid (i.e., is not “on file and in effect”) for a worksite facility employing, seeking to employ, or filing a visa petition on behalf of H–1A nurses. Only an attestation meeting the requirements of paragraphs (a) through (i) of this section (and paragraph (j) of this section, in the case of a nursing contractor) can serve as the basis for a petition for an H–1A visa. A worksite facility which uses H–1A nurses only through a nursing contractor and, as part of its attestation, requests waiver of one or more attestation elements nevertheless shall file a complete attestation in order to be able to use such attestation as a basis for itself filing a visa petition for an H–1A nurse. Thus, a worksite facility should consider its future needs for H–1A nurses in filing attestations and requests for waiver pursuant to this paragraph (k).

(2) Inapplicability of third attestation element: facility/employer wage. If a worksite facility uses H–1A nurses only through a nursing contractor, the third attestation element (facility/employer wage) is not applicable to that facility, since the worksite facility is not the employer of the H–1A nurse and does not guarantee the H–1A nurse’s wage. The third attestation element is required only for the employer of the H–1A nurse(s), i.e., the third attestation element shall be included in the attestation of and met by the H–1A nurse’s employer (i.e., the nursing contractor).

(3) Waiver of attestation elements. ETA may consider, pursuant to this paragraph (k)(3) requests for waiver of certain attestation elements by a worksite facility which uses or will use an H–1A nurse provided by a nursing contractor (i.e., an “H–1A contract nurse”), but which worksite facility itself does not employ, seek to employ, or file a visa petition on behalf of an H–1A nurse. Paragraphs (k)(3)(i) through (iii) of this section set forth different conditions for waiver depending on the number of workdays of H–1A contract nurse services the worksite facility will use. For the purposes of this paragraph (k)(3), a “workday” shall consist of one H–1A contract nurse working for one normal shift in a day. Thus, for example, three normal shifts worked by
each of a group of five H-1A contract nurses totals 15 workdays.

(i) **Minimal use of H-1A contract nurses by a worksite.** Where the attesting worksite facility attests in its request for waiver pursuant to this paragraph (k)(3) that it will use no more than a total of 15 workdays of H-1A contract nurse services in any 3-month period of the attestation’s 1-year period of validity to meet emergency needs on a temporary basis, ETA may waive the first (substantial disruption), second (adverse effect), and fourth (timely and significant steps or State plan) elements of the attesting worksite facility’s attestation. See paragraphs (d), (e), and (g) of this section; see also paragraphs (f) and (k)(2) of this section, with respect to the inapplicability of third attestation element (facility/employer wage). ETA shall not waive pursuant to this paragraph (k)(3)(i) the fifth attestation element (strike, lockout, or intent or design to influence bargaining representative election) or the sixth attestation element (notice). See paragraphs (h) and (i) of this section.

(ii) **Short-term use of H-1A contract nurses.** Where the attesting worksite facility attests in its request for waiver pursuant to this paragraph (k)(3) that it will use no more than a total of 60 workdays of H-1A contract nurse services in any 3-month period of the attestation’s 1-year period of validity to meet temporary needs, ETA may waive the nursing shortage component of the first attestation element (substantial disruption; see paragraphs (d)(2) and (d)(3) of this section) and may waive the fourth (timely and significant steps or State plan; see paragraph (g) of this section) element of the attesting worksite facility’s attestation. See also paragraphs (f) and (k)(2) of this section, with respect to the inapplicability of third attestation element (facility/employer wage). ETA shall not waive pursuant to this paragraph (k)(3)(ii) the no-layoff component of the first attestation element (substantial disruption; see paragraph (d)(1) of this section; the second attestation element (adverse effect); the fifth attestation element (strike, lockout, or intent to influence a bargaining representative election); or the sixth attestation element (notice). See paragraphs (d), (e), (h), and (i) of this section.

(iii) **Long-term use of H-1A contract nurse services.** Where the attesting worksite facility attests in its request for waiver pursuant to this paragraph (k)(3) that it will use more than 60 workdays of H-1A contract nurse services in any 3-month period of the attestation’s 1-year period of validity, ETA shall not waive any attestation element, except that, if the attestor documents a bona fide medical emergency warranting a waiver of the fourth attestation element (timely and significant steps or State plan) ETA may waive such element. See paragraph (g) of this section.

(l) **Agents of worksite facilities.** A worksite facility (including a worksite facility which itself employs or seeks to employ an H-1A nurse) may authorize a nursing contractor to act as its agent in preparing and filing the worksite facility’s attestation; however, a worksite facility using an agent for preparation and filing of the attestation is responsible for the contents of such attestation and remains liable for any violations which may be disclosed in any investigation under Subpart E of this Part, and the chief executive officer of the worksite facility shall sign the original attestation, as required by paragraph (c)(1)(i) of this section.

(m) **Actions on attestations submitted for filing.** An attestation which meets the established criteria set forth in this §655.310 shall be accepted for filing by ETA on the date it is signed by the Certifying Officer. ETA shall then follow the procedures set forth in paragraph (m)(1) of this section. An attestation submitted by a facility proposing alternative criteria or steps for the first and/or the fourth attestation elements, and/or proposing to take only one timely and significant step, and/or claiming a bona fide medical emergency exemption from the fourth attestation element shall be reviewed by ETA, and a determination shall be made by the Certifying Officer whether to accept or reject the attestation for filing. See paragraphs (d)(2)(ii), (g)(1)(i)(B), (g)(1)(ii), and (k)(3)(iii) of this section. The Certifying Officer may request additional explanation and/or documentation from the facility.
in making this determination. If the Certifying Officer does not contact the facility for such information or make any determination within 30 days of receiving the attestation, the attestation shall become accepted for filing. Upon the facility’s submitting the attestation to ETA and providing the notice required by the sixth attestation element (see §655.310(i)), the attestation shall be available for public examination at the health care facility itself. When ETA accepts the attestation for filing, the Certifying Officer shall forward the attestation to the ETA National Office, where it shall be available for public examination. Information contesting an attestation received by ETA prior to the determination to accept or reject the attestation for filing shall not be made part of ETA’s administrative record on the attestation, but shall be referred to ESA to be processed as a complaint pursuant to Subpart E of this part, and, if such attestation nevertheless is accepted by ETA for filing, the complaint will be handled by ESA under that subpart.

(1) Acceptance. (i) If the attestation (and any explanatory statements that may be required) meet the requirements of this subpart, ETA shall accept the attestation for filing, shall, in the case of a facility intending to file a visa petition as the employer of an H-1A nurse, notify INS in writing of the filing, shall return to the facility one copy of the attestation form submitted by the facility, with ETA’s acceptance indicated thereon, and shall forward one copy of the attestation with ETA’s acceptance indicated thereon to the ETA National Office. The facility may then file a visa petition with INS for alien nurses in accordance with INS regulations.

(ii) DOL is not the guarantor of the accuracy, truthfulness or adequacy of an attestation accepted for filing.

(2) Appeals of acceptances. If an attestation which is subject to a determination under paragraph (d)(2)(ii), (g)(1)(i)(B), (g)(1)(ii), or (k)(3)(iii) of this section is accepted for filing, any interested party may appeal ETA’s determination(s) on the element(s) that have been reviewed. Appeals of acceptances shall be filed with the BALCA, no later than 30 days after the date of acceptance, and will be considered under the procedures set forth at §655.320.

(3) Appeals of rejections. If the attestation is not accepted for filing, which may occur as a result of a determination under paragraph (d)(2)(ii), (g)(1)(i)(B), (g)(1)(ii), or (k)(3)(iii) of this section, ETA shall notify the facility in writing, specifying the reasons for rejection and quoting the language of §655.320(a)(1). Any interested party may appeal such rejection to the BALCA, no later than 30 days after the date of rejection. Appeals of rejections shall be filed and considered under the procedures set forth at §655.320.

(n) Effective date and validity of filed attestations. An attestation becomes filed and effective as of the date it is accepted and signed by the Certifying Officer and accepted thereby for filing. Such attestation is valid for the 12-month period beginning on the date of acceptance for filing, unless suspended or invalidated pursuant to §655.320 or subpart E. The filed attestation expires at the end of the 12-month period of validity.

(o) Suspension or invalidation of filed attestation. Suspension or invalidation of an attestation may result from a BALCA decision reversing an ETA acceptance for filing; from investigations by the Administrator, Wage and Hour Division, of the facility’s misrepresentation in or failure to carry out its attestation; or from a discovery by ETA that it made an error in its review of the attestation (in those cases where ETA performs such review pursuant to paragraph (d)(2)(ii), (g)(1)(i)(B), (g)(1)(ii), (k)(3)(iii) of this section) and that the explanation and documentation provided and maintained by the facility does not or did not meet the criteria set forth at §655.310. If an attestation is suspended or invalidated, DOL shall notify INS.

(1) Result of BALCA or Wage and Hour Division action. If an attestation is suspended or invalidated as a result of a BALCA decision overruling an acceptance of the attestation for filing, or is suspended or invalidated as a result of a Wage and Hour Division action pursuant to subpart E, such suspension or
invalidation may not be separately appealed, but shall be merged with appeals of BALCA’s or the Wage and Hour Division’s determination on the underlying violation.

(2) Result of ETA action. If, after accepting an attestation for filing, ETA discovers that it erroneously accepted that attestation for filing, and, as a result, ETA suspends or invalidates that acceptance, the facility may appeal such suspension or invalidation pursuant to §655.320 as if that suspension or invalidation were a decision to reject the attestation for filing.

(p) Facility’s responsibilities during suspension and after invalidation or expiration of filed attestation. A facility shall comply with the terms of its attestation, even if such attestation is suspended, invalidated, or expired, as long as any H–1A nurse is at the facility, unless the attestation is superseded by a subsequent attestation accepted for filing by ETA.

(q) Facilities subject to penalties. No attestation shall be accepted for filing from a nursing contractor or other facility which has failed to comply with any penalty, sanction, or other remedy assessed in a final agency action following an investigation by the Wage and Hour Division pursuant to subpart E.

§ 655.315 State plans.

A State may submit an annual plan for the recruitment and retention of U.S. citizens and permanent resident aliens who are authorized to perform nursing services in the State.

(a) Who should prepare and file the annual plan? The Governor of each State that chooses to submit an annual State plan shall be responsible for the preparation and filing of the annual plan. The Governor may designate any public and/or private organization(s) to assist the Governor in the development of the annual plan.

(b) When and where should the annual plan be filed? If a State determines to file an annual State plan, the Governor shall submit the original plan, signed by the Governor, by U.S. mail or private carrier, to ETA at the following address: Director, U.S. Employment Service, Employment and Training Administration, Department of Labor, 200 Constitution Avenue, NW., room N–4456, Washington, DC 20210. An annual State plan may be filed with ETA at any time. However, for an individual facility legitimately to attest to being subject to an annual State plan for the purposes of the fourth attestation element, Alternative II (see §655.310(g)(2)), such annual State plan shall have been approved prior to the date the attestation was submitted to ETA for filing and be in current effect. Therefore, if the Governor is aware that a facility within the State plans to submit an attestation for filing with ETA, the annual State plan should be mailed to ETA at least 35 days prior to the facility’s submission of its attestation to ETA.

(c) What overall issues shall the annual State plan address? The annual State plan shall address the overall issue of supply of and demand for nurses within the State, with particular emphasis on measures to develop a sufficient supply of U.S. nurses to meet projected demand. The State, as opposed to individual facilities, is in a position to—and may be expected to—address broad issues and perform such functions as conducting a Statewide needs assessment; overall management, facilitation and coordination among various interested entities within the State; and undertaking more regionally based approaches. The State is also in a position to devote resources which individual facilities may be lacking.

(d) How should the annual State plan address the timely and significant steps? The annual State plan shall address all of the timely and significant steps in §655.310(g)(1)(1)(A)(1) through (g)(1)(1)(A)(3) generically, without regard to the specific criteria therein, on a Statewide basis. However, for the annual State plan to satisfy Alternative II of the fourth attestation requirement for an individual facility (see §655.310(g)(2)), the annual State plan shall indicate which of those timely and significant steps relate to individual facilities, and that each individual facility shall take such a step
§ 655.320 Appeals of acceptance and rejection of attestations submitted for filing and of State plans.

(a) Appeal right—(1) Attestations; when to file appeals from acceptances and rejections. On the basis that the explanation and documentation provided and maintained by the facility does not or did not meet the criteria set forth at §655.310(d)(2)(ii), (g)(1)(i)(B)(5), (g)(1)(ii), or (k)(3)(iii), an interested party may appeal an acceptance or rejection by ETA of an attestation submitted by a facility for filing in those cases where DOL performed an attestation review function under those provisions. The appeal shall be limited to ETA’s determinations on the element(s) reviewed and shall not be an appeal as to any other element(s) in the attestation. An interested party may also appeal ETA’s invalidation or suspension of a filed attestation due to a discovery by ETA that it made an error in its reviewing of the attestation (see §655.310(o)). In the case of an appeal of an acceptance, the facility shall be a party to the appeal; in the case of the appeal of a rejection, invalidation, or suspension, the collective bargaining representative (if any) representing nurses at the facility shall be a party to the appeal. Appeals shall be in writing; shall set forth the grounds for the appeal; shall state if de novo consideration by
Employment and Training Administration, Labor  § 655.320

BALCA is requested; and shall be mailed by certified mail within 30 calendar days of the date of the action from which the appeal is taken (i.e., the acceptance, rejection, suspension or invalidation of the attestation).

(2) Annual State plans; when to file appeals from disapprovals. A Governor of a State may appeal ETA’s disapproval of an annual State plan. Individual facilities in the State may file briefs as amici curiae. Appeals shall be in writing and shall be mailed by certified mail within 30 calendar days of the disapproval of the annual State plan.

(3) Where to file appeals. Appeals made pursuant to this section shall be in writing and shall be mailed by certified mail to: Director, U.S. Employment Service, Employment and Training Administration, Department of Labor, 200 Constitution Avenue, NW., Room N–4456, Washington, DC 20210.

(4) Complaints. Appeals under this paragraph (a) shall not encompass questions of misrepresentation by a health care facility or nonperformance by such a facility of its attestation. Such complaints shall be filed with an office of the Wage and Hour Division, United States Department of Labor.

(b) Transmittal to BALCA; case file. Upon receipt of an appeal pursuant to this section, the Certifying Officer (or, in the case of State plans, the Director, USES), shall send to BALCA a certified copy of the ETA case file, containing the attestation and supporting documentation and any other information or data considered by ETA in taking the action being appealed. The administrative law judge chairing BALCA shall assign a panel of one or more administrative law judges who serve on BALCA to review the record for legal sufficiency and to consider and rule on the appeal.

(c) Consideration on the record; de novo hearings—(1) General. BALCA shall not remand, dismiss, or stay the case, except as provided in paragraph (c)(2) of this section, but may otherwise consider the appeal on the record or in a de novo hearing (on its own motion or on a party’s request). Interested parties and amici curiae may submit briefs in accordance with a schedule set by BALCA. The ETA official making the determination from which the appeal was taken shall be represented by the Associate Solicitor for Employment and Training Legal Services, Office of the Solicitor, Department of Labor, or the Associate Solicitor’s designee. If BALCA determines to hear the appeal on the record without a de novo hearing, BALCA shall render a decision within 30 calendar days after BALCA’s receipt of the case file. If BALCA determines to hear the appeal through a de novo hearing, the procedures contained in 29 CFR part 18 shall apply to such hearings, except that:

(i) The appeal shall not be considered to be a complaint to which an answer is required;

(ii) BALCA shall ensure that, at the request of the appellant, the hearing is scheduled to take place within a reasonable period after BALCA’s receipt of the case file (see also the time period described in paragraph (c)(1)(iv) of this section);

(iii) Technical rules of evidence, such as the Federal Rules of Evidence and subpart B of the Rules of Practice and Procedure for Administrative Hearings Before the Office of Administrative Law Judges (29 CFR part 18, subpart B), shall not apply to any hearing conducted pursuant to this subpart, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to cross-examination shall be applied where reasonably necessary by BALCA in conducting the hearing; BALCA may exclude irrelevant, immaterial, or unduly repetitious evidence; the certified copy of the case file transmitted to BALCA by the Certifying Officer (or, in the case of State plans, the Director, USES), shall be part of the evidentiary record of the case and need not be removed into evidence; and

(iv) BALCA’s decision shall be rendered within 120 calendar days after BALCA’s receipt of the case file.

(2) Dismissals and stays. If the BALCA determines that the appeal is solely a question of misrepresentation by the facility or is solely a complaint of the facility’s nonperformance of the attestation, BALCA shall dismiss the case
§ 655.320  and refer the matter to the Administrator, Wage and Hour Division, for action under subpart E. If the BALCA determines that the appeal is partially a question of misrepresentation by the facility or is partially a complaint of the facility’s nonperformance of the attestation, BALCA shall refer the matter to the Administrator, Wage and Hour Division, for action under Subpart E of this part and shall stay BALCA consideration of the case pending final agency action on such referral. During such stay, the 120-day period described in paragraph (c)(1)(iv) of this section shall be suspended.

(d) BALCA’s decision. After consideration on the record or a de novo hearing, BALCA shall either affirm or reverse ETA’s decision, and shall so notify the appellant; the Director, if the affirmation or denial involves a State plan; Certifying Officer; Chief, Division of Foreign Labor Certifications; and any other parties. See §655.450 custody of the record of the appeal.

(e) Decisions on attestations. With respect to an appeal of the acceptance, rejection, suspension or invalidation of an attestation, the decision of BALCA shall be the final decision of the Secretary, and no further review shall be given to the matter by any DOL official.

(f) Decisions on annual State plans. With respect to an appeal of the disapproval of an annual State plan, the decision of BALCA shall be the final decision by the Secretary, unless a petition for review of the BALCA decision is filed with the Secretary and the Secretary determines to review the decision.

1. Filing of petition for review. The Director or the State desiring review of the decision and order of BALCA may petition the Secretary to review the decision and order. To be effective, such petition shall be received by the Secretary within 30 days of the date of the decision and order. Copies of the petition shall be served on all parties and on BALCA.

2. Form of petition for review. No particular form is prescribed for any petition for Secretary’s review permitted by this paragraph (f). However, any such petition shall:

(i) Be dated;

(ii) Be typewritten or legibly written;

(iii) Specify the issue or issues stated in the BALCA decision and order giving rise to such petition;

(iv) State the specific reason or reasons why the party petitioning for review believes such decision and order are in error;

(v) Be signed by the party filing the petition or by an authorized representative of such party;

(vi) Include the address at which such party or authorized representative desires to receive further communications relating thereto; and

(vii) Attach copies of BALCA’s decision and order, and any other record documents which would assist the Secretary in determining whether review is warranted.

3. Notice of determination to review. Whenever the Secretary determines to review the decision and order of BALCA on an annual State plan, a notice of the Secretary’s determination to do so shall be served upon BALCA and upon all parties to the proceeding within 30 days after the Secretary’s receipt of the petition for review.

4. Hearing record. Upon receipt of the Secretary’s notice, BALCA shall within 15 days forward the complete hearing record to the Secretary.

5. Contents of Secretary’s notice. The Secretary’s notice shall specify:

(i) The issue or issues to be reviewed;

(ii) The form in which submissions shall be made by the parties; and

(iii) The time within which such submissions shall be made.

6. Filing of documents. All documents submitted to the Secretary pursuant to this paragraph (f) shall be filed with the Secretary of Labor, U.S. Department of Labor, Washington, DC 20210, Attention: Executive Director, Office of Administrative Appeals, Room S–4309. An original and two copies of all documents shall be filed. Documents are not deemed filed with the Secretary until actually received by the Secretary. All documents, including documents filed by mail, shall be received by the Secretary either on or before the due date.

7. Service of documents. Copies of all documents filed with the Secretary pursuant to this paragraph (f) shall be served simultaneously upon all other
§ 655.400 Enforcement authority of Administrator, Wage and Hour Division.

(a) The Administrator shall perform all the Secretary’s investigative and enforcement functions under 8 U.S.C. 1182(m) and subparts D and E of this part.

(b) The Administrator, either pursuant to a complaint or otherwise, shall conduct such investigations as may be appropriate and, in connection therewith, enter and inspect such places and such records (and make transcriptions thereof), question such persons and gather such information as deemed necessary by the Administrator to determine compliance regarding the matters to which a health care facility has attested under section 212(m) of the INA (8 U.S.C. 1182(m)) and subparts D and E of this part.

(c) A facility being investigated shall make available to the Administrator such records, information, persons, and places as the Administrator deems appropriate to copy, transcribe, question, or inspect. No facility shall interfere with any official of the Department of Labor performing an investigation, inspection or law enforcement function pursuant to 8 U.S.C. 1182(m) or subparts D or E of this part. In the event of such interference, the Administrator may deem the interference to be a violation and take such further actions as the Administrator considers appropriate. (Note: Federal criminal statutes prohibit certain interference with a
§ 655.405 Complaints and investigative procedures.

(a) The Administrator, through investigation, shall determine whether a facility has failed to perform any attested conditions, misrepresented any material facts in an attestation (including misrepresentation as to compliance with regulatory standards), or otherwise violated the Act or subpart D or E of this part. (NOTE: Federal criminal statutes provide penalties of up to $10,000 and/or imprisonment of up to 5 years for knowing and willful submission of false statements to the Federal Government. 18 U.S.C. 1001; see also 18 U.S.C. 1546).

(b) Any aggrieved person or organization may file a complaint of a violation of the provisions of section 212(m) of the INA (8 U.S.C. 1182(m)) or subpart D or E of this part. No particular form of complaint is required, except that the complaint shall be written or, if oral, shall be reduced to writing by the Wage and Hour Division official who receives the complaint. The complaint shall set forth sufficient facts for the Administrator to determine what part or parts of the attestation or regulations have allegedly been violated. Upon the request of the complainant, the Administrator may deem the conduct to be a violation and take such further actions as the Administrator considers appropriate.

(f) No health care facility shall seek to have an H-1A nurse, or any other nurse similarly employed by the employer, or any other employee waive rights conferred under the Act or under subpart D or E of this part. In the event of such waiver, the Administrator may deem the conduct to be a violation and take such further actions as the Administrator considers appropriate. Any agreement by an employee purporting to waive or modify any rights inuring to said person under the Act or subpart D or E of this part may be void as contrary to public policy, except that a waiver or modification of rights or obligations hereunder in favor of the Secretary shall be valid for purposes of enforcement of the provisions of the Act or subpart D and E of this part. This prohibition of waivers does not prevent agreements to settle litigation among private parties.
Employment and Training Administration, Labor

§ 655.410

Complainant shall then waive confidentiality. The complaint may be submitted to any local Wage and Hour Division office; the addresses of such offices are found in local telephone directories. Inquiries concerning the enforcement program and requests for technical assistance regarding compliance may also be submitted to the local Wage and Hour Division office.

(c) The Administrator shall determine whether there is reasonable cause to believe that the complaint warrants investigation and, if so, shall conduct an investigation, within 180 days of the receipt of a complaint. If the Administrator determines that the complaint fails to present reasonable cause for an investigation, the Administrator shall so notify the complainant, who may submit a new complaint, with such additional information as may be necessary.

(d) When an investigation has been conducted, the Administrator shall, within 180 days of the receipt of a complaint, issue a written determination, stating whether a basis exists to make a finding that the facility failed to meet a condition of its attestation, or made a misrepresentation of a material fact therein, or otherwise violated the Act or subpart D or E. The determination shall specify any sanctions imposed due to violations. The Administrator shall provide a notice of such determination to the interested parties and shall inform them of the opportunity for a hearing pursuant to §655.420.

§ 655.410 Civil money penalties and other remedies.

(a) The Administrator may assess a civil money penalty not to exceed $1,000 for each affected person with respect to whom there has been a violation of the attestation or subpart D or E of this part and with respect to each instance in which such violation occurred. The Administrator also shall impose appropriate remedies, including the payment of back wages and the performance of attested obligations such as providing training.

(b) In determining the amount of civil money penalty to be assessed for any violation, the Administrator shall consider the type of violation committed and other relevant factors. The matters which may be considered include, but are not limited to, the following:

1. Previous history of violation, or violations, by the facility under the Act and subpart D or E of this part;

2. The number of workers affected by the violation or violations;

3. The gravity of the violation or violations;

4. Efforts made by the violator in good faith to comply with the attestation or the State plan as provided in the Act and Subparts D and E of this part;

5. The violator's explanation of the violation or violations;

6. The violator's commitment to future compliance, taking into account the public health, interest or safety; and

7. The extent to which the violator achieved a financial gain due to the violation, or the potential financial loss or potential injury or adverse effect upon the workers.

(c) The civil money penalty, back wages, and any other remedy determined by the Administrator to be appropriate, are immediately due for payment or performance upon the assessment by the Administrator, or the decision by an administrative law judge where a hearing is requested, or the decision by the Secretary where review is granted. The facility shall remit the amount of the civil money penalty, by certified check or money order made payable to the order of "Wage and Hour Division, Labor." The remittance shall be delivered or mailed to the Wage and Hour Division Regional Office for the area in which the violations occurred. The payment of back wages, monetary relief, and/or the performance or any other remedy prescribed by the Administrator shall follow procedures established by the Administrator. The facility's failure to pay the civil money penalty, back wages, or other monetary relief, or to perform any other assessed remedy, shall result in the rejection by ETA of any future attestation submitted by the facility, until such payment or performance is accomplished.
§ 655.415 Written notice and service of Administrator’s determination.

(a) The Administrator’s determination, issued pursuant to §655.405(d), shall be served on the complainant, the facility, and other interested parties by personal service or by certified mail at the parties’ last known addresses. Where service by certified mail is not accepted by the party, the Administrator may exercise discretion to serve the determination by regular mail. Subpart F—Attestations by Employers Using Alien Crew-members for Longshore Activities in U.S. Ports

SOURCE: 60 FR 3956, 3976, Jan. 19, 1995, unless otherwise noted.

GENERAL PROVISIONS

§ 655.500 Purpose, procedure and applicability of subparts F and G of this part.

(a) Purpose. (1) Section 258 of the Immigration and Nationality Act (“Act”) prohibits nonimmigrant alien crew-members admitted to the United States on D-visas from performing longshore work at U.S. ports except in five specific instances:

(i) Where the vessel’s country of registration does not prohibit U.S. crew-members from performing longshore work in that country’s ports and nationals of a country (or countries) which does not prohibit U.S. crew-members from performing longshore work in that country’s ports hold a majority of the ownership interest in the vessel, as determined by the Secretary of State (henceforth referred to as the “reciprocity exception”);

(ii) Where there is in effect in a local port one or more collective bargaining agreement(s), each covering at least thirty percent of the longshore workers, and each permitting the activity
to be performed under the terms of such agreement(s):

(iii) Where there is no collective bargaining agreement covering at least thirty percent of the longshore workers at the particular port and an attestation with accompanying documentation has been filed with the Department of Labor attesting that, among other things, the use of alien crewmembers to perform a particular activity of longshore work is permitted under the prevailing practice of the particular port (henceforth referred to as the “prevailing practice exception”);

(iv) Where the longshore work is to be performed at a particular location in the State of Alaska and an attestation with accompanying documentation has been filed with the Department of Labor attesting that, among other things, before using alien crewmembers to perform the activity specified in the attestation, the employer will make a bona fide request for and employ United States longshore workers who are qualified and available in sufficient numbers from contract stevedoring companies, labor organizations recognized as exclusive bargaining representatives of United States longshore workers, and private dock operators (henceforth referred to as the “Alaska exception”); or

(v) Where the longshore work involves an automated self-unloading conveyor belt or vacuum-actuated system on a vessel and the Administrator has not previously determined that an attestation must be filed pursuant to this part as a basis for performing those functions (henceforth referred to as the “automated vessel exception”).

(2) The term “longshore work” does not include the loading or unloading of hazardous cargo, as determined by the Secretary of Transportation, for safety and environmental protection. The Department of Justice, through the Immigration and Naturalization Service (INS), determines whether an employer may use alien crewmembers for longshore work at U.S. ports. In those cases where an employer must file an attestation in order to perform such work, the Department of Labor shall be responsible for accepting the filing of such attestations. Subpart F of this part sets forth the procedure for filing attestations with the Department of Labor for employers proposing to use alien crewmembers for longshore work at U.S. ports under the prevailing practice exception, the Alaska exception, and where it has been determined that an attestation is required under the automated vessel exception listed in paragraph (a)(1)(iv) of this section. Subpart G of this part sets forth complaint, investigation, and penalty provisions with respect to such attestations.

(b) Procedure.

(1) Under the prevailing practice exception in sec. 258(c) of the Act, and in those cases where it has been determined that an attestation is required under the automated vessel exception for longshore work to be performed at locations other than in the State of Alaska, the procedure involves filing an attestation with the Department of Labor attesting that:

(i) The use of alien crewmembers for a particular activity of longshore work is the prevailing practice at the particular port;

(ii) The use of alien crewmembers is not during a strike or lockout nor designed to influence the election of a collective bargaining representative; and

(iii) Notice of the attestation has been provided to the bargaining representative of longshore workers in the local port, or, where there is none, notice has been provided to longshore workers employed at the local port.

(2) Under the automated vessel exception in sec. 258(c) of the Act, no attestation is required in cases where longshore activity consists of the use of an automated self-unloading conveyor belt or vacuum-actuated system on a vessel. The legislation creates a rebuttable presumption that the use of alien crewmembers for the operation of such automated systems is the prevailing practice. In order to overcome such presumption, it must be shown by the preponderance of the evidence submitted by any interested party, that the use of alien crewmembers for such activity is not the prevailing practice at the particular port, that it is during
a strike or lockout, or that it is intended or designed to influence an election of a bargaining representative for workers in the local port.

(3) Under the Alaska exception in sec. 258(d) of the Act, and in those cases where it has been determined that an attestation is required under the automated vessel exception consisting of the use of such equipment for longshore work to be performed in the State of Alaska, the procedure involves filing an attestation with the Department of Labor attesting that:

(i) The employer will make a bona fide request for United States longshore workers who are qualified and available in sufficient numbers to perform the activity at the particular time and location from the parties to whom notice has been provided under paragraph (b)(3)(iv) (B) and (C) of this section, except that:

(A) Wherever two or more contract stevedoring companies which meet the requirements of section 32 of the Longshore and Harbor Workers’ Compensation Act (33 U.S.C. 932) have signed a joint collective bargaining agreement with a single labor organization recognized as an exclusive bargaining representative of United States longshore workers within the meaning of the National Labor Relations Act (29 U.S.C. 141 et seq.), the employer may request longshore workers from only one such contract stevedoring company, and

(B) A request for longshore workers to an operator of a private dock may be made only for longshore work at U.S. ports under the prevailing practice exception, to all employers who seek to employ alien crewmembers for longshore work at locations in the State of Alaska under the Alaska exception, and in those cases where an attestation is necessary under the automated vessel exception.

(ii) The employer will employ all United States longshore workers made available in response to the request made pursuant to paragraph (b)(3)(i) of this section who are qualified and available in sufficient numbers and who are needed to perform the longshore activity at the particular time and location attested to;

(iii) The use of alien crewmembers for such activity is not intended or designed to influence and election of a bargaining representative for workers in the State of Alaska; and

(iv) Notice of the attestation has been provided to:

(A) Labor organizations which have been recognized as exclusive bargaining representatives of United States longshore workers within the meaning of the National Labor Relations Act (29 U.S.C. 141 et seq.) and which make available or intend to make available workers to the particular location where the longshore work is to be performed;

(B) Contract stevedoring companies which employ or intend to employ United States longshore workers at that location; and

(C) Operators of private docks at which the employer will use longshore workers.

(c) Applicability. Subparts F and G of this part apply to all employers who seek to employ alien crewmembers for longshore work at U.S. ports under the prevailing practice exception, to all employers who seek to employ alien crewmembers for longshore work at locations in the State of Alaska under the Alaska exception, to all employers claiming the automated vessel exception, and to those cases where it has been determined that an attestation is required under the automated vessel exception.

§ 655.501 Overview of responsibilities.

§655.510

(4) Attestation elements. The attestation elements referenced in paragraph (c)(1) of this section are mandated by sec. 258(c)(1)(B) of the Act (8 U.S.C. 1288(c)(1)(B)). Section 258(c)(1)(B) of the Act requires employers who seek to have alien crewmembers engage in a longshore activity to attest as follows:

(i) The performance of the activity by alien crewmembers is permitted under the prevailing practice of the particular port as of the date of filing of the attestation;

(ii) The use of the alien crewmembers for such activity is not during a strike or lockout in the course of a labor dispute, and is not intended or designed to influence an election of a bargaining representative for workers in the local port; and

(iii) Notice of the attestation has been provided by the owner, agent, consignee, master, or commanding officer to the bargaining representative of longshore workers in the local port, or, where there is no such bargaining representative, notice has been provided to longshore workers employed at the local port.

(d) The first attestation element: prevailing practice. For an employer to be in compliance with the first attestation element, it is required to have been the prevailing practice during the 12-month period preceding the filing of the attestation, for a particular activity of longshore work at the particular port to be performed by alien crewmembers. For each port, a prevailing practice can exist for any of four different types of longshore work: loading of cargo, unloading of cargo, operation of cargo-related equipment, or handling of mooring lines. It is thus possible that at a particular port it is the prevailing practice for alien crewmembers to unload vessels but not the prevailing practice to load them. An employer shall indicate on the attestation form which of the four longshore activities it is claiming is the prevailing practice for such work to be performed by alien crewmembers.

(1) Establishing a prevailing practice.

(i) In establishing that a particular activity of longshore work is the prevailing practice at a particular port, an employer shall submit facts and evidence to show that in the 12-month period preceding the filing of the attestation, one of the following conditions existed:

(A) Over fifty percent of vessels docking at the port used alien crewmembers for the activity; or

(B) Alien crewmembers made up over fifty percent of the workers in the port who engaged in the activity.

(ii) Prevailing practice after Secretary of State determination of non-reciprocity. Section 258(d) of the Act provides a reciprocity exception (separate from the prevailing practice exception) to the prohibition on performance of longshore work by alien crewmembers in U.S. ports. However, this reciprocity exception becomes nonapplicable where the Secretary of State determines that, for a particular activity of longshore work, a particular country (by law, regulation, or practice) prohibits such activity by U.S. crewmembers in its ports. When the Secretary of State places a country on the non-reciprocity list (which means, for the purposes of this section, Prohibitions on longshore work by U.S. nationals; listing by country at 22 CFR 89.1), crewmembers on vessels from that country (that is, vessels that are registered in that country or vessels whose majority ownership interest is held by nationals of that country) are not permitted to perform longshore work in U.S. waters, absent
applicability of some exception other than the reciprocity exception. The Secretary of State’s determination has the following effects in the establishment of a prevailing practice for a particular longshore activity at a particular U.S. port for purposes of the prevailing practice exception.

(A) An employer from any country, other than the country which is placed on the non-reciprocity list, may include the longshore activities performed by alien crewmembers on all vessels in establishing the prevailing practice for a particular longshore activity in a particular port.

(B) An employer from a country which is placed on the non-reciprocity list may file an attestation for the prevailing practice exception under the standards and requirements established in this subpart F (except as provided in paragraph (d)(1)(ii)(C) of this section), provided that the attestation is filed at least 12 months after the date on which the employer’s country is placed on the list.

(C) An employer from a country which is placed on the non-reciprocity list may file an attestation pursuant to the prevailing practice exception earlier than 12 months from the date on which the employer’s country is placed on the list, except that the following restrictions shall apply to such attestation:

(i) The employer shall submit facts and evidence to show that, for the 12-month period preceding the date of the attestation, the use of alien crewmembers to perform a particular activity of longshore work was permitted by the prevailing practice in the port (as defined in paragraph (d)(1)(i) of this section) without considering or including such activity by crewmembers on vessels from the employer’s country; or

(ii) The employer shall submit facts and evidence (including data on activities performed by crewmembers on vessels from the employer’s country) to show that the use of alien crewmembers to perform a particular activity of longshore work was permitted by the prevailing practice in the port (as defined in paragraph (d)(1)(i) of this section) for one of two periods—

(i) For the employer whose country has not previously been on the non-reciprocity list, the period is the continuous 12-month period prior to May 28, 1991 (the effective date of section 258 of the Act); or

(ii) For the employer whose country was at some time on the non-reciprocity list, but was subsequently removed from the non-reciprocity list and then restored to the non-reciprocity list (on one or more occasions), the period is the last continuous 12-month period during which the employer’s country was not under the reciprocity exception (that is, was listed on the non-reciprocity list).

(iii) For purposes of this paragraph (d)(1):

(A) “Workers in the port engaged in the activity” means any person who performed the activity in any calendar day:

(B) Vessels shall be counted each time they dock at the particular port;

(C) Vessels exempt from section 258 of the INA for safety and environmental protection shall not be included in counting the number of vessels which dock at the port (see Department of Transportation Regulations); and

(D) Automated vessels shall not be included in counting the number of vessels which dock at the port. For establishing a prevailing practice under the automated vessel exception see §655.520 of this part.

(2) Documentation. In assembling the facts and evidence required by paragraph (d)(1) of this section, the employer may consult with the port authority which has jurisdiction over the local port, the collective bargaining representative(s) of longshore workers at the local port, other employers, or any other entity which is familiar with the practices at the port. Such documentation shall include a written summary of a survey of the experience of shipmasters who entered the local port in the previous year; or a letter, affidavit, or other written statement from an appropriate local port authority regarding the use of alien crewmembers to perform the longshore activity at the port in the previous year; or other documentation of comparable weight. Written statements from collective bargaining representatives and/or shipping agents with direct knowledge of
practices regarding the use of alien crewmembers in the local port may also be pertinent. Such documentation shall accompany the Form ETA 9033, and any underlying documentation which supports the employer’s burden of proof shall be maintained in the employer’s records at the office of the U.S. agent as required by paragraph (c)(1) of this section.

(e) The second attestation element: no strike or lockout; no intention or design to influence bargaining representative election. (1) The employer shall attest that, at the time of submitting the attestation, there is not a strike or lockout in the course of a labor dispute covering the employer’s activity, and that it will not use alien crewmembers during a strike or lockout after filing the attestation. The employer shall also attest that the employment of such aliens is not intended or designed to influence an election for a bargaining representative for workers in the local port. Labor disputes for purposes of this attestation element relate only to those involving longshore workers at the port of intended employment. This attestation element applies to strikes and lockouts and elections of bargaining representatives at the local port where the use of alien crewmembers for longshore work is intended.

(2) Documentation. As documentation to substantiate the requirement in paragraph (e)(1) of this section, an employer may submit a statement of the good faith efforts made to determine whether there is a strike or lockout at the particular port, as, for example, by contacting the port authority or the collective bargaining representative for longshore workers at the particular port.

(f) The third attestation element: notice of filing. The employer of alien crewmembers shall attest that at the time of filing the attestation, notice of filing has been provided to the bargaining representative of the longshore workers in the local port, or, where there is no such bargaining representative, notice of the filing has been provided to longshore workers employed at the local port through posting in conspicuous locations and through other appropriate means.

(1) Notification of bargaining representative. No later than the date the attestation is received by DOL to be considered for filing, the employer of alien crewmembers shall notify the bargaining representative (if any) of longshore workers at the local port that the attestation is being submitted to DOL. The notice shall include a copy of the Form ETA 9033, shall state the activity(ies) for which the attestation is submitted, and shall state in that notice that the attestation and accompanying documentation are available at the national office of ETA for review by interested parties. The employer may have its own agent, consignee, master, or commanding officer provide such notice. Notices under this paragraph (f)(1) shall include the following statement: “Complaints alleging misrepresentation of material facts in the attestation and/or failure to comply with the terms of the attestation may be filed with any office of the Wage and Hour Division of the United States Department of Labor.”

(2) Posting notice where there is no bargaining representative. If there is no bargaining representative of longshore workers at the local port when the employer submits an attestation to ETA, the employer shall provide written notice to the port authority for distribution to the public on request. In addition, the employer shall post one or more written notices at the local port, stating that the attestation with accompanying documentation has been submitted, the activity(ies) for which the attestation has been submitted, and that the attestation and accompanying documentation are available at the national office of ETA for review by interested parties. Such posted notice shall be clearly visible and unobstructed, and shall be posted in conspicuous places where the longshore workers readily can read the posted notice on the way to or from their duties. Appropriate locations for posting such notices include locations in the immediate proximity of mandatory Fair Labor Standards Act wage and hour notices and Occupational Safety and Health Act occupational safety and health notices. The notice shall include a copy of the Form ETA 9033 filed with
DOL shall provide information concerning the availability of supporting documents for examination at the national office of ETA, and shall include the following statement: “Complaints alleging misrepresentation of material facts in the attestation and/or failure to comply with the terms of the attestation may be filed with any office of the Wage and Hour Division of the United States Department of Labor.”

(3) Documentation. The employer shall provide a statement setting forth the name and address of the person to whom the notice was provided and where and when the notice was posted and shall attach a copy of the notice.

(g) Actions on attestations submitted for filing. Once an attestation has been received from an employer, a determination shall be made by the regional Certifying Officer whether to accept the attestation for filing or return it. The regional Certifying Officer may request additional explanation and/or documentation from the employer in making this determination. An attestation which is properly filled out and which includes accompanying documentation for each of the requirements set forth at §655.510(d) through (f) shall be accepted for filing by ETA on the date it is signed by the regional Certifying Officer unless it falls within one of the categories set forth at paragraph (g)(2) of this section. ETA shall accept the attestation for filing, provide notification to the INS office having jurisdiction over the port where longshore work will be performed, and return to the employer, or the employer’s agent or representative at a U.S. address, one copy of the attestation form submitted by the employer, with ETA’s acceptance indicated thereon. The employer may then use alien crewmembers for the particular activity claiming longshore work at the U.S. port cited in the attestation in accordance with INS regulations.

(ii) DOL is not the guarantor of the accuracy, truthfulness or adequacy of an attestation accepted for filing.

(2) Unacceptable attestations. ETA shall not accept an attestation for filing and shall return such attestation to the employer, or the employer’s agent or representative at a U.S. address, when one of the following conditions exists:

(i) When the Form ETA 9033 is not properly filled out. Examples of improperly filled out Form ETA 9033’s include instances where the employer has neglected to check all the necessary boxes, or where the employer has failed to include the name of the port where it intends to use the alien crewmembers for longshore work, or where the employer has named a port that is not listed in appendix A and has failed to submit facts and evidence to support a showing that the location is a port as defined by §655.502, or when the employer has failed to sign the attestation or to designate an agent in the United States;

(ii) When the Form ETA 9033 with accompanying documentation is not received by ETA at least 14 days prior to the date of performance of the first activity indicated on the Form ETA 9033; unless the employer is claiming an unanticipated emergency, has included documentation which supports such claim, and ETA has found the claim to be valid;

(iii) When the Form ETA 9033 does not include accompanying documentation for each of the requirements set forth at §655.510 (d) through (f);
§655.510 20 CFR Ch. V (4–1–01 Edition)

(iv) When the accompanying documentation required by paragraph (c) of this section submitted by the employer, on its face, is inconsistent with the requirements set forth at §655.510 (d) through (f). Examples of such a situation include instances where the Form ETA 9033 pertains to one port and the accompanying documentation to another; where the Form ETA 9033 pertains to one activity of longshore work and the accompanying documentation obviously refers to another; or where the documentation clearly indicates that only thirty percent, instead of the required fifty percent, of the activity attested to is performed by alien crewmembers;

(v) When the Administrator, Wage and Hour Division, has notified ETA, in writing, after an investigation pursuant to subpart G of this part, that the particular activity of longshore work which the employer has attested is the prevailing practice at a particular port, is not, in fact, the prevailing practice at the particular port;

(vi) When the Administrator, Wage and Hour Division, has notified ETA, in writing, that a cease and desist order has been issued pursuant to subpart G of this part, with respect to the attesting employer's performance of the particular activity and port, in violation of a previously accepted attestation;

(vii) When the Administrator, Wage and Hour Division, has notified ETA, in writing, after an investigation pursuant to subpart G of this part, that the particular employer has misrepresented or failed to comply with an attestation previously submitted and accepted for filing, but in no case for a period of more than one year after the date of the Administrator's notice and provided that INS has not advised ETA that the prohibition is in effect for a lesser period; or

(viii) When the Administrator, Wage and Hour Division, has notified ETA, in writing, that the employer has failed to comply with any penalty, sanction, or other remedy assessed in a final agency action following an investigation by the Wage and Hour Division pursuant to subpart G of this part.

(3) Resubmission. If the attestation is not accepted for filing pursuant to the categories set forth in paragraph (g)(2) of this section, ETA shall return to the employer, or the employer's agent or representative, at a U.S. address, the attestation form and accompanying documentation submitted by the employer. ETA shall notify the employer, in writing, of the reason(s) that the attestation is unacceptable. When an attestation is found to be unacceptable pursuant to paragraphs (g)(2) (i) through (iv) of this section, the employer may resubmit the attestation with the proper documentation. When an attestation is found to be unacceptable pursuant to paragraphs (g)(2) (v) through (viii) of this section and returned, such action shall be the final decision of the Secretary of Labor.

(h) Effective date and validity of filed attestations. An attestation is filed and effective as of the date it is accepted and signed by the regional Certifying Officer. Such attestation is valid for the 12-month period beginning on the date of acceptance for filing, unless suspended or invalidated pursuant to subpart G of this part or paragraph (i) of this section. The filed attestation expires at the end of the 12-month period of validity.

(i) Suspension or invalidation of filed attestations. Suspension or invalidation of an attestation may result from enforcement action(s) under subpart G of this part (i.e., investigation(s) conducted by the Administrator or cease and desist order(s) issued by the Administrator regarding the employer's misrepresentation in or failure to carry out its attestation); or from a discovery by ETA that it made an error in accepting the attestation because such attestation falls within one of the categories set forth in paragraph (g)(2) of this section.

(1) Result of Wage and Hour Division action. Upon the determination of a violation under subpart G of this part, the Administrator shall, pursuant to §655.660(b), notify the Attorney General of the violation and of the Administrator's notice to ETA.

(2) Result of ETA action. If, after accepting an attestation for filing, ETA finds that the attestation is unacceptable because it falls within one of the categories set forth at paragraph (g)(2) of this section, and as a result, ETA suspends or invalidates the attestation,
Employment and Training Administration, Labor  § 655.520

ETA shall notify the Attorney General of such suspension or invalidation and shall return a copy of the attestation form to the employer, or the employer’s agent or representative, at a U.S. address. ETA shall notify the employer, in writing, of the reason(s) that the attestation is suspended or invalidated. When an attestation is found to be suspended or invalidated pursuant to paragraphs (g)(2) (i) through (iv) of this section, the employer may resubmit the attestation with the proper documentation. When an attestation is suspended or invalidated because it falls within one of the categories in paragraphs (g)(2) (v) through (viii) of this section, such action shall be the final decision of the Secretary of Labor, except as set forth in subpart G of this part.

(j) Withdrawal of accepted attestations.

(1) An employer who has submitted an attestation which has been accepted for filing may withdraw such attestation at any time before the 12-month period of its validity terminates, unless the Administrator has found reasonable cause under subpart G to commence an investigation of the particular attestation. Such withdrawal may be advisable, for example, when the employer learns that the particular activity(ies) of longshore work which it has attested is the prevailing practice to perform with alien crewmembers may not, in fact, have been the prevailing practice at the particular port at the time of filing. Requests for such withdrawals shall be in writing and shall be directed to the regional Certifying Officer.

(2) Withdrawal of an attestation shall not affect an employer’s liability with respect to any failure to meet the conditions attested to which took place before the withdrawal, or for misrepresentations in an attestation. However, if an employer has not yet performed the particular longshore activity(ies) at the port in question, the Administrator will not find reasonable cause to investigate unless it is alleged, and there is reasonable cause to believe, that the employer has made misrepresentations in the attestation or documentation thereof, or that the employer has not in fact given the notice attested to.

§ 655.520 Special provisions regarding automated vessels.

In general, an attestation is not required in the case of a particular activity of longshore work consisting of the use of automated self-unloading conveyor belt or vacuum-actuated systems on a vessel. The legislation creates a rebuttable presumption that the use of alien crewmembers for the operation of such automated systems is the prevailing practice. In order to overcome such presumption, it must be shown by the preponderance of the evidence submitted by any interested party, that the use of alien crewmembers for such activity is not the prevailing practice. Longshore work involving the use of such equipment shall be exempt from the attestation requirement only if the activity consists of using such equipment. If the automated equipment is not used in the particular activity of longshore work, an attestation is required as described under §655.510 of this part if it is the prevailing practice in the port to use alien crewmembers for this work, except that in all cases, where an attestation is required for longshore work to be performed at a particular location in the State of Alaska, an employer shall file such attestation under the Alaska exception pursuant to §§655.530 through 655.541 on Form ETA 9033–A. When automated equipment is used in the particular activity of longshore work, an attestation is required only if the Administrator finds, based on a preponderance of the evidence which may be submitted by any interested party, that the performance of the particular activity of longshore work is not the prevailing practice at the port, or was during a strike or lockout or intended to influence an election of a bargaining representative for workers in the local port, or if the Administrator issues a cease and desist order against use of the automated equipment without such attestation.

(a) Procedure when attestation is required. If it is determined pursuant to
§ 655.520

subpart G of this part that an attestation is required for longshore work consisting of the use of automated equipment at a location other than in the State of Alaska, the employer shall comply with all the requirements set forth at §655.510 of this part except paragraph (d) of §655.510. In lieu of complying with §655.510(d) of this part, the employer shall comply with paragraph (b) of this section. If it is determined pursuant to subpart G of this part that an attestation is required for longshore work consisting of the use of automated equipment at a particular location in the State of Alaska, the employer shall comply with all the requirements set forth at §§655.530 through 655.541 of this part.

(b) The first attestation element: prevailing practice for automated vessels.

For an employer to be in compliance with the first attestation element, it is required to have been the prevailing practice that over fifty percent (as described in paragraph (b)(1) of this section) of a particular activity of longshore work which was performed through the use of automated self-unloading conveyor belt or vacuum-actuated equipment at the particular port during the 12-month period preceding the filing of the attestation, was performed by alien crewmembers. For purposes of this paragraph (b), only automated vessels shall be included in counting the number of vessels which dock at the port.

(1) Establishing a prevailing practice.

(i) In establishing that the use of alien crewmembers to perform a particular activity of longshore work consisting of the use of self-unloading conveyor belt or vacuum-actuated systems on a vessel is the prevailing practice at a particular port, an employer shall submit facts and evidence to show that in the 12-month period preceding the filing of the attestation, one of the following conditions existed:

(A) Over fifty percent of the automated vessels docking at the port used alien crewmembers for the activity (for purposes of this paragraph (b)(1), a vessel shall be counted each time it docks at the particular port); or

(B) Alien crewmembers made up over fifty percent of the workers who performed the activity with respect to such automated vessels.

(ii) Prevailing practice after Secretary of State determination of non-reciprocity.

Section 258(d) of the Act provides a reciprocity exception (separate from the prevailing practice exception) to the prohibition on performance of longshore work by alien crewmembers in U.S. ports. However, this reciprocity exception becomes nonapplicable where the Secretary of State determines that, for a particular activity of longshore work, a particular country (by law, regulation, or practice) prohibits such activity by U.S. crewmembers in its ports. When the Secretary of State places a country on the non-reciprocity list (which means, for the purposes of this section, Prohibitions on longshore work by U.S. nationals; listing by country at 22 CFR 89.1), crewmembers on vessels from that country (that is, vessels that are registered in that country or vessels whose majority ownership interest is held by nationals of that country) are not permitted to perform longshore work in U.S. waters, absent applicability of some exception other than the reciprocity exception. The Secretary of State’s determination has the following effects in the establishment of a prevailing practice for a particular longshore activity at a particular U.S. port for purposes of the prevailing practice exception.

(A) An employer from any country, other than the country which is placed on the non-reciprocity list, may include the longshore activities performed by alien crewmembers on all vessels in establishing the prevailing practice for a particular longshore activity in a particular port.

(B) An employer from a country which is placed on the non-reciprocity list may file an attestation for the prevailing practice exception under the standards and requirements established in this subpart F (except as provided in paragraph (b)(1)(ii)(C) of this section), provided that the attestation is filed at least 12 months after the date on which the employer’s country is placed on the list.

(C) An employer from a country which is placed on the non-reciprocity list may file an attestation pursuant to
Employment and Training Administration, Labor

§ 655.530

the prevailing practice exception earlier than 12 months from the date on which the employer’s country is placed on the list, except that the following restrictions shall apply to such attestation:

(1) The employer shall submit facts and evidence to show that, for the 12-month period preceding the date of the attestation, the use of alien crewmembers to perform a particular activity of longshore work was permitted by the prevailing practice in the port (as defined in paragraph (d)(1)(i) of this section) without considering or including such activity by crewmembers on vessels from the employer’s country; or

(2) The employer shall submit facts and evidence (including data on activities performed by crewmembers on vessels from the employer’s country) to show that the use of alien crewmembers to perform a particular activity of longshore work was permitted by the prevailing practice in the port (as defined in paragraph (b)(1)(i) of this section) for one of two periods—

(i) For the employer whose country has not previously been on the non-reciprocity list, the period is the continuous 12-month period prior to May 28, 1991 (the effective date of section 258 of the Act); or

(ii) For the employer whose country was at some time on the non-reciprocity list, but was subsequently removed from the non-reciprocity list and then restored to the non-reciprocity list (on one or more occasions), the period is the last continuous 12-month period during which the employer’s country was not under the reciprocity exception (that is, was listed on the non-reciprocity list).

(2) Documentation. In assembling the documentation described in paragraph (b)(1) of this section, the employer may consult with the port authority which has jurisdiction over the local port, the collective bargaining representative(s) of longshore workers at the local port, other employers, or any other entity which is familiar with the practices at the port. The documentation shall include a written summary of a survey of the experience of shipmasters who entered the local port in the previous year; or a letter, affidavit, or other written statement from an appropriate local port authority regarding the use of alien crewmembers to perform the longshore activity at the port in the previous year; or other documentation of comparable weight. Written statements from collective bargaining representatives and/or shipping agents with direct knowledge of practices regarding the use of alien crewmembers may also be pertinent. Such documentation shall accompany the Form ETA 9033, and any underlying documentation which supports the employer’s burden of proof shall be maintained in the employer’s records at the office of the U.S. agent as required under §655.510(c)(1) of this part.

(Approved by the Office of Management and Budget under Control No. 1205–0309)

ALASKA EXCEPTION

§ 655.530 Special provisions regarding the performance of longshore activities at locations in the State of Alaska.

Applicability. Section §655.510 of this part shall not apply to longshore work performed at locations in the State of Alaska. The performance of longshore work by alien crewmembers at locations in the State of Alaska shall instead be governed by §§655.530 through 655.541. The use of alien crewmembers to perform longshore work in Alaska consisting of the use of an automated self-unloading conveyor belt or vacuum-actuated system on a vessel shall continue to be governed by the provisions of §655.520 of this part, except that, if the Administrator finds, based on a preponderance of the evidence which may be submitted by any interested party, that an attestation is required because the performance of the particular activity of longshore work is not the prevailing practice at the location in the State of Alaska, or was during a strike or lockout or intended to influence an election of a bargaining representative for workers at that location, or if the Administrator issues a cease and desist order against use of the automated equipment without such an attestation, the required attestation shall be filed pursuant to the Alaska exception at §§655.530 through 655.541 and not the prevailing practice exception at §655.510.
§ 655.531 Who may submit attestations for locations in Alaska?

In order to use alien crewmembers to perform longshore activities at a particular location in the State of Alaska an employer shall submit an attestation on Form ETA 9033-A. As noted at § 655.502, “Definitions,” for purposes of §§ 655.530 through 655.541, which govern the performance of longshore activities by alien crewmembers under the Alaska exception, “employer” includes any agent or representative designated by the employer. An employer may file a single attestation for multiple locations in the State of Alaska.

§ 655.532 Where and when should attestations be submitted for locations in Alaska?

(a) Attestations shall be submitted, by U.S. mail, private carrier, or facsimile transmission to the U.S. Department of Labor regional office of the Employment and Training Administration in Seattle, Washington. Except as provided in paragraph (b) of this section, attestations shall be received and date-stamped by the Department at least 30 calendar days prior to the date of the first performance of the longshore activity. The attestation shall be accepted for filing or returned by ETA in accordance with § 655.538 within 14 calendar days of the date received by ETA. An attestation which is accepted by ETA solely because it was not reviewed within 14 days is subject to subsequent invalidation pursuant to § 655.540 of this part. An employer filing an attestation shall have an agent or representative with a United States address. Such address shall be clearly indicated on the Form ETA 9033-A. In order to ensure that an attestation has been accepted for filing prior to the date of the first performance of the longshore activity, employers are advised to take mailing time into account to make sure that ETA receives the attestation at least 30 days prior to the first performance of the longshore activity.

(b) Late filings. ETA may accept for filing attestations received after the 30-day deadline where the employer could not have reasonably anticipated the need to file an attestation for the particular location at that time. When an employer states that it could not have reasonably anticipated the need to file the attestation at that time, it shall submit documentation to ETA to support such a claim. ETA shall then make a determination on the validity of the claim and shall accept the attestation for filing or return it in accordance with § 655.538 of this part. ETA in no case shall accept an attestation received less than 24 hours prior to the first performance of the activity.

§ 655.533 What should be submitted for locations in Alaska?

(a) Form ETA 9033-A with accompanying documentation. A completed and dated original Form ETA 9033-A, or facsimile transmission thereof, containing the required attestation elements and the original signature of the employer or the employer’s agent or designated representative, along with two copies of the completed, signed, and dated Form ETA 9033-A shall be submitted to ETA. (If the attestation is submitted by facsimile transmission, the attestation containing the original signature shall be maintained at the U.S. business address of the employer’s designated agent or representative). Copies of Form ETA 9033-A are available at all Department of Labor Regional offices and at the National office. In addition, the employer shall submit two sets of facts and evidence to show compliance with the fourth attestation element at § 655.537 of this part. In the case of an investigation pursuant to subpart G of this part, the employer has the burden of proof to establish the validity of each attestation. The employer shall maintain in its records at the office of its U.S. agent, for a period of at least 3 years from the date of filing, sufficient documentation to meet its burden of proof, which shall at a minimum include the documentation described in §§ 655.530 through 655.541, and shall make the documents available to Department of Labor officials upon request. Whenever any document is submitted to a Federal agency or retained in the employer’s records pursuant to this part, the document shall either be in the English language or shall be accompanied by a written translation into the English language certified by the translator as
to the accuracy of the translation and his/her competency to translate.

(b) Attestation elements. The attestation elements referenced in §§ 655.534 through 655.537 of this part are mandated by Sec. 258(d)(1) of the Act (8 U.S.C. 1288(d)(1)). Section 258(d)(1) of the Act requires employers who seek to have alien crewmembers engage in longshore activity at locations in the State of Alaska to attest as follows:

(1) The employer will make a bona fide request for United States longshore workers who are qualified and available in sufficient numbers to perform the activity at the particular time and location from the parties to whom notice has been provided under § 655.537(a)(1)(ii) and (iii), except that:

(i) Wherever two or more contract stevedoring companies have signed a joint collective bargaining agreement with a single labor organization recognized as an exclusive bargaining representative of United States longshore workers within the meaning of the National Labor Relations Act (29 U.S.C. 141 et seq.), the employer may request longshore workers from only one such contract stevedoring company, and

(ii) A request for longshore workers to an operator of a private dock may be made only for longshore work to be performed at that dock and only if the operator meets the requirements of section 32 of the Longshore and Harbor Workers' Compensation Act (33 U.S.C. 932);

(2) The employer will employ all United States longshore workers made available in response to the request made pursuant to §655.534(a)(1) who are qualified and available in sufficient numbers and who are needed to perform the longshore activity at the particular time and location to which the employer has attested;

(3) The use of alien crewmembers for such activity is not intended or designed to influence an election of a bargaining representative for workers in the State of Alaska; and

(4) Notice of the attestation has been provided to:

(i) Labor organizations which have been recognized as exclusive bargaining representatives of United States longshore workers within the meaning of the National Labor Relations Act (29 U.S.C. 141 et seq.) and which make available or intend to make available workers to the particular location where the longshore work is to be performed;

(ii) Contract stevedoring companies which employ or intend to employ United States longshore workers at that location; and

(iii) Operators of private docks at which the employer will use longshore workers.

§ 655.534 The first attestation element for locations in Alaska: Bona fide request for dispatch of United States longshore workers.

(a) The first attestation element shall be satisfied when the employer signs Form ETA 9033–A, attesting that, before using alien crewmembers to perform longshore work during the validity period of the attestation, the employer will make a bona fide request for United States longshore workers who are qualified and available in sufficient numbers to perform the specified longshore activity from the parties to whom notice is provided under §655.537(a)(1)(ii) and (iii). Although an employer is required to provide notification of filing to labor organizations recognized as exclusive bargaining representatives of United States longshore workers pursuant to §655.537(a)(1)(i) of this part, an employer need not request dispatch of United States longshore workers directly from such parties. The requests for dispatch of United States longshore workers pursuant to this section shall be directed to contract stevedoring companies which employ or intend to employ United States longshore workers at that location, and to operators of private docks at which the employer will use longshore workers. An employer is not required to request dispatch of United States longshore workers from private dock operators or contract stevedoring companies which do not meet the requirements of section 32 of the Longshore and Harbor Workers' Compensation Act (33 U.S.C. 932) or, in the case of contract stevedoring companies, which are not licensed to do business in the State of Alaska.

(b) Wherever two or more contract stevedoring companies have signed a
§ 655.535 The second attestation element for locations in Alaska: Employment of United States longshore workers.

(a) The second attestation element shall be satisfied when the employer signs Form ETA 9033–A, attesting that during the validity period of the attestation, the employer will employ all United States longshore workers made available in response to the request for dispatch who, in compliance with applicable industry standards in the State of Alaska, including safety considerations, are qualified and available in sufficient numbers and are needed to perform the longshore activity at the particular time and location attested to.

(i) Upon the expiration of the validity of the attestation.

(b) Documentation. To substantiate the requirement in paragraph (a) of this section, an employer shall develop and maintain documentation to meet the employer’s burden of proof under the first attestation element. The employer shall retain records of all requests for dispatch of United States longshore workers to perform the longshore work attested to. Such documentation shall consist of letters, telephone logs, facsimiles or other memoranda to show that, before using alien crewmembers to perform longshore work, the employer made a bona fide request for United States longshore workers who are qualified and available in sufficient numbers to perform the longshore activity. At a minimum, such documentation shall include the date the request was made, the name and telephone number of the particular individual(s) to whom the request for dispatch was directed, and the number and composition of full work units requested. Further, whenever any party has provided written notice to the employer under paragraph (a)(3) of this section, the employer shall retain the notice for the period of time specified in § 655.533 of this part, and, if appropriate, any subsequent notice by that party that it is prepared to make available United States longshore workers at the times and locations attested to.
§ 655.535

than a full work unit of United States longshore workers needed to perform the longshore activity nor be required to provide overnight accommodations for the longshore workers while employed. For purposes of this section, “full work unit” means the full complement of longshore workers needed to perform the longshore activity, as determined by industry standards in the State of Alaska, including safety considerations. Where the makeup of a full work unit is covered by one or more collective bargaining agreements in effect at the time and location where longshore work is to be performed, the provisions of such agreement(s) shall be deemed to be in conformance with industry standards in the State of Alaska.

(2) In no case shall an employer be required to provide transportation to the vessel where the longshore work is to be performed, except where:

(i) Surface transportation is available; for purposes of this section, “surface transportation” means a tugboat or other vessel which is appropriately insured, operated by licensed personnel, and capable of safely transporting U.S. longshore workers from shore to a vessel on which longshore work is to be performed;

(ii) Such transportation may be safely accomplished; and

(iii)(A) Travel time to the vessel does not exceed one-half hour each way; and

(B) Travel distance to the vessel from the point of embarkation does not exceed 5 miles; for purposes of this section, “point of embarkation” means a dock or landing at which U.S. longshore workers may be safely boarded for transport from shore to a vessel on which longshore work is to be performed; or

(C) In the cases of Wide Bay, Alaska, and Klawock/Craig, Alaska, travel time does not exceed 45 minutes each way and travel distance to the vessel from the point of embarkation does not exceed 7.5 miles, unless the party responding to the request for dispatch agrees to lesser time and distance specifications.

(3) If a United States longshore worker is capable of getting to and from the vessel where longshore work is to be performed when the vessel is beyond the time and distance limitations specified in paragraph (a)(2)(iii) of this section, and where all of the other criteria governing the employment of United States longshore workers under this subpart are met (e.g., “qualified and available in sufficient numbers”), the employer is still obligated to employ the worker to perform the longshore activity. In such instance, however, the employer shall not be required to provide such transportation nor to reimburse the longshore worker for the cost incurred in transport to and from the vessel.

(4) Where an employer is required to provide transportation to the vessel because it is within the time and distance limitations specified in (a)(2)(iii) of this section, the employer also shall be required to provide return transportation to the point of embarkation.

(b) Documentation. To substantiate the requirement in paragraph (a) of this section, an employer shall develop and maintain documentation to meet the employer’s burden of proof. Such documentation shall include records of payments to contract stevedoring companies or private dock operators, payroll records for United States longshore workers employed, or other documentation to show clearly that the employer has met its obligation to employ all United States longshore workers made available in response to a request for dispatch who are qualified and available in sufficient numbers. The documentation shall specify the number of full work units employed pursuant to this section, the composition of such full work units (i.e., number of workers by job title), and the date(s) and location(s) where the longshore work was performed. The employer also shall develop and maintain documentation concerning the provision of transportation from the point of embarkation to the vessel on which longshore work is to be performed. Each time one or more United States longshore workers are dispatched in response to the request under §655.534, the employer shall retain a written record of whether transportation to the vessel was provided and the time and distance from the point of embarkation to the vessel.
§ 655.536 The third attestation element for locations in Alaska: No intention or design to influence bargaining representative election.

(a) The employer shall attest that use of alien crewmembers to perform the longshore activity specified on the Form ETA 9033–A was not intended or designed to influence an election of a bargaining representative for workers in the State of Alaska.

(b) Documentation. The employer need not develop or maintain documentation to substantiate the statement referenced in paragraph (a) of this section. In the case of an investigation, however, the employer has the burden of proof to show that the use of alien crewmembers to perform the longshore activity specified on the Form ETA 9033–A was not intended or designed to influence an election of a bargaining representative for workers in the State of Alaska.

§ 655.537 The fourth attestation element for locations in Alaska: Notice of filing.

(a)(1) The employer shall attest that at the time of filing the attestation, notice of filing has been provided to:

(i) Labor organizations which have been recognized as exclusive bargaining representatives of United States longshore workers within the meaning of the National Labor Relations Act (29 U.S.C. 141 et seq.) and which make available or intend to make available workers to the particular location where the longshore work is to be performed;

(ii) Contract stevedoring companies which employ or intend to employ United States longshore workers at the location where the longshore work is to be performed; and

(iii) Operators of private docks at which the employer will use longshore workers.

(2) The notices provided under paragraph (a)(1) of this section shall include a copy of the Certificate of Compliance issued by the district director of the Office of Workers’ Compensation Programs under section 37 of the Longshore and Harbor Workers’ Compensation Act (33 U.S.C. 932) from the parties to whom notice is provided pursuant to paragraphs (a)(i) (ii) and (iii) of this section. An employer’s obligation to make a bona fide request for dispatch of U.S. longshore workers under §655.534 of this part before using alien crewmembers to perform the longshore work attested to shall commence upon receipt of the copy of the Certificate of Compliance.

(c) Documentation. The employer shall develop and maintain documentation sufficient to meet its burden of proving the validity of the statement referred to in paragraphs (a) and (b) of this section and attested to on the Form ETA 9033–A. Such documentation shall include a copy of the notices provided, as required by paragraph (a)(1) of this section, and shall be submitted to ETA along with the Form ETA 9033–A.

§ 655.538 Actions on attestations submitted for filing for locations in Alaska.

Once an attestation has been received from an employer, a determination shall be made by the regional certifying officer whether to accept the attestation for filing or return it. The regional certifying officer may request additional explanation and/or documentation from the employer in making this determination. An attestation which is properly filled out and which includes accompanying documentation for the requirement set forth at §655.337 of this part shall be accepted for filing by ETA on the date it is signed by the regional certifying officer unless it falls within one of the categories set forth in paragraph (b) of this section. Once an attestation is accepted for filing, ETA shall then follow the procedures set forth in paragraph (a)(1) of this section. Upon acceptance of the employer’s attestation by ETA,
Employment and Training Administration, Labor

§ 655.538

the attestation and accompanying documentation shall be forwarded to and be available for public examination at the ETA national office in a timely manner. ETA shall not consider information contesting an attestation received by ETA prior to the determination to accept or return the attestation for filing. Such information shall not be made a part of ETA’s administrative record on the attestation, but shall be referred to ESA to be processed as a complaint pursuant to subpart G of this part if the attestation is accepted by ETA for filing.

(a) Acceptance. (1) If the attestation is properly filled out and includes accompanying documentation for the requirement set forth at §655.537, and does not fall within one of the categories set forth at paragraph (b) of this section, ETA shall accept the attestation for filing, provide notification to the INS office having jurisdiction over the location where longshore work will be performed, and return to the employer, or the employer’s agent or representative at a U.S. address, one copy of the attestation form submitted by the employer, with ETA’s acceptance indicated thereon. Before using alien crewmembers to perform the longshore work attested to on Form ETA 9033–A, the employer shall make a bona fide request for and employ United States longshore workers who are qualified and available in sufficient numbers pursuant to §§655.534 and 655.535. Where such a request for dispatch of United States longshore workers is unsuccessful, either in whole or in part, any use of alien crewmembers to perform longshore activity shall be in accordance with INS regulations.

(2) DOL is not the guarantor of the accuracy, truthfulness or adequacy of an attestation accepted for filing.

(b) Unacceptable attestations. ETA shall not accept an attestation for filing and shall return such attestation to the employer, or the employer’s agent or representative at a U.S. address, when any one of the following conditions exists:

(1) When the Form ETA 9033–A is not properly filled out. Examples of improperly filled out Form ETA 9033–A’s include instances where the employer has neglected to check all the necessary boxes, where the employer has failed to include the name of any port, city, or other geographical reference point where longshore work is to be performed, or where the employer has failed to sign the attestation or to designate an agent in the United States.

(2) When the Form ETA 9033–A with accompanying documentation is not received by ETA at least 30 days prior to the first performance of the longshore activity, unless the employer is claiming that it could not have reasonably anticipated the need to file the attestation for that location at that time, and has included documentation which supports this contention, and ETA has found the claim to be valid.

(3) When the Form ETA 9033–A does not include accompanying documentation for the requirement set forth at §655.537.

(4) When the accompanying documentation submitted by the employer and required by §655.537, on its face, is inconsistent with that section. Examples of such a situation include an instance where the Form ETA 9033–A indicates that the longshore work will be performed at a particular private dock and the documentation required under the notice attestation element indicates that notice was provided to an operator of a different private dock, or where the longshore work is to be performed at a particular time and location in the State of Alaska and the notice of filing provided to qualified labor organizations and contract stevedoring companies indicates that the longshore work is to be performed at a different time and/or location.

(5) When the Administrator, Wage and Hour Division, has notified ETA, in writing, after an investigation pursuant to subpart G of this part, that a cease and desist order has been issued pursuant to subpart G of this part, with respect to the attesting employer’s performance of longshore work at a particular location in the State of Alaska, in violation of a previously accepted attestation.

(6) When the Administrator, Wage and Hour Division, has notified ETA, in writing, after an investigation pursuant to subpart G of this part, that the
particular employer has misrepresented or failed to comply with an attestation previously submitted and accepted for filing, but in no case for a period of more than one year after the date of the Administrator’s notice and provided that INS has not advised ETA that the prohibition is in effect for a lesser period.

(7) When the Administrator, Wage and Hour Division, has notified ETA, in writing, that the employer has failed to comply with any penalty, sanction, or other remedy assessed in a final agency action following an investigation by the Wage and Hour Division pursuant to subpart G of this part.

(c) Resubmission. If the attestation is not accepted for filing pursuant to paragraph (b) of this section, ETA shall return to the employer, or the employer’s agent or representative, at a U.S. address, the attestation form and accompanying documentation submitted by the employer. ETA shall notify the employer, in writing, of the reason(s) that the attestation is unacceptable. When an attestation is found to be unacceptable pursuant to paragraph (b) (1), (2), (3), or (4) of this section, the employer may resubmit the corrected attestation with the proper documentation. When an attestation is found to be unacceptable pursuant to paragraph (b) (5), (6), or (7) of this section and returned, such action shall be the final decision of the Secretary of Labor.

§ 655.539 Effective date and validity of filed attestations for locations in Alaska.

An attestation is filed and effective as of the date it is accepted and signed by the regional certifying officer. Such attestation is valid for the 12-month period beginning on the date of acceptance for filing, unless suspended or invalidated pursuant to §655.540 of this part. The filed attestation expires at the end of the 12-month period of validity.

§ 655.540 Suspension or invalidation of filed attestations for locations in Alaska.

Suspension or invalidation of an attestation may result from enforcement action(s) under subpart G of this part (i.e., investigation(s) conducted by the Administrator or cease and desist order(s) issued by the Administrator regarding the employer’s misrepresentation in or failure to carry out its attestation); or from a discovery by ETA that it made an error in accepting the attestation because such attestation falls within one of the categories set forth in §655.538(b).

(a) Result of Wage and Hour Division action. Upon the determination of a violation under subpart G of this part, the Administrator shall, pursuant to §655.665(b), notify the Attorney General of the violation and of the Administrator’s notice to ETA.

(b) Result of ETA action. If, after accepting an attestation for filing, ETA finds that the attestation is unacceptable because it falls within one of the categories set forth at §655.538(b) and, as a result, ETA suspends or invalidates the attestation, ETA shall notify the Attorney General of such suspension or invalidation and shall return a copy of the attestation form to the employer, or the employer’s agent or representative at a U.S. address. ETA shall notify the employer, in writing, of the reason(s) that the attestation is suspended or invalidated.

§ 655.541 Withdrawal of accepted attestations for locations in Alaska.

(a) An employer who has submitted an attestation which has been accepted for filing may withdraw such attestation at any time before the 12-month period of its validity terminates, unless the Administrator has found reasonable cause under subpart G to commence an investigation of the particular attestation. Such withdrawal may be advisable, for example, when the employer learns that the country in which the vessel is registered and of which nationals of such country hold a majority of the ownership interest in the vessel has been removed from the non-reciprocity list (which means, for purposes of this section, Prohibitions on longshore work by U.S. nationals; listing by country at 22 CFR 89.1). In that event, an attestation would no longer be required under subpart F of this part, since upon being removed from
the non-reciprocity list the performance of longshore work by alien crew-members would be permitted under the reciprocity exception at sec. 258(e) of the Act (8 U.S.C. 1288(e)). Requests for withdrawals shall be in writing and shall be directed to the regional certifying officer.

(b) Withdrawal of an attestation shall not affect an employer’s liability with respect to any failure to meet the conditions attested to which took place before the withdrawal, or for misrepresentations in an attestation. However, if an employer has not yet performed the longshore activities at the location(s) in question, the Administrator shall not find reasonable cause to investigate unless it is alleged, and there is reasonable cause to believe, that the employer has made misrepresentations in the attestation or documentation thereof, or that the employer has not in fact given the notice attested to.

PUBLIC ACCESS

§ 655.550 Public access.

(a) Public examination at ETA. ETA shall make available for public examination in Washington, DC, a list of employers which have filed attestations under this subpart, and for each such employer, a copy of the employer’s attestation and accompanying documentation it has received.

(b) Notice to public. ETA periodically shall publish a list in the Federal Register identifying under this subpart employers which have submitted attestations; employers which have attestations on file; and employers which have submitted attestations which have been found unacceptable for filing.

§ 655.605 Complaints and investigative procedures.

(a) The Administrator, through an investigation, shall determine whether a basis exists to make a finding that:

(1) An attesting employer has—

(i) Failed to meet conditions attested to; or

(ii) Misrepresented a material fact in an attestation.

(2) In the event of such intimidation or restraint as are described in paragraph (d)(1) of this section, the conduct shall be a violation of the attestation and subparts F and G of this part, and the Administrator may take such further actions as the Administrator considers appropriate.

(e) The Administrator shall, to the extent possible under existing law, protect the confidentiality of any person who provides information to the Department in confidence in the course of an investigation or otherwise under subpart F or G of this part. However, confidentiality will not be afforded to the complainant or to information provided by the complainant.

§ 655.600 Enforcement authority of Administrator, Wage and Hour Division.

(a) The Administrator shall perform all the Secretary’s investigative and enforcement functions under section 258 of the INA (8 U.S.C. 1288) and subparts F and G of this part.

(b) The Administrator, pursuant to a complaint, shall conduct such investigations as may be appropriate and, in connection therewith, enter and inspect such places and such records (and make transcriptions or copies thereof), question such persons and gather such information as deemed necessary by the Administrator to determine compliance regarding the matters which are the subject of the investigation.

(c) An employer being investigated shall make available to the Administrator such records, information, persons, and places as the Administrator deems appropriate to copy, transcribe, question, or inspect. No employer subject to the provisions of section 258 of the INA (8 U.S.C. 1288) or subparts F and G of this part shall interfere with any official of the Department of Labor performing an investigation, inspection or law enforcement function pursuant to 8 U.S.C. 1288 or subpart F or G of this part. Any such interference shall be a violation of the attestation and subparts F and G of this part, and the Administrator may take such further actions as the Administrator considers appropriate.

(d)(1) An employer subject to subparts F and G of this part shall at all times cooperate in administrative and enforcement proceedings. No employer shall intimidate, threaten, coerce, blacklist, discharge, retaliate, or in any manner discriminate against any person because such person has:

(i) Filed a complaint or appeal under or related to section 258 of the INA (8 U.S.C. 1288) or subpart F or G of this part;

(ii) Testified or is about to testify in any proceeding under or related to section 258 of the INA (8 U.S.C. 1288) or subpart F or G of this part;

(iii) Exercised or asserted on behalf of himself or herself or others any right or protection afforded by section 258 of the INA (8 U.S.C. 1288) or subpart F or G of this part.

(iv) Consulted with an employee of a legal assistance program or an attorney on matters related to section 258 of the Act or to subpart F or G of this part or any other DOL regulation promulgated pursuant to 8 U.S.C. 1288.

(e) The Administrator shall, to the extent possible under existing law, protect the confidentiality of any person who provides information to the Department in confidence in the course of an investigation or otherwise under subpart F or G of this part. However, confidentiality will not be afforded to the complainant or to information provided by the complainant.

§ 655.600 Enforcement authority of Administrator, Wage and Hour Division.

(a) The Administrator shall perform all the Secretary’s investigative and enforcement functions under section 258 of the INA (8 U.S.C. 1288) and subparts F and G of this part.

(b) The Administrator, pursuant to a complaint, shall conduct such investigations as may be appropriate and, in connection therewith, enter and inspect such places and such records (and make transcriptions or copies thereof), question such persons and gather such information as deemed necessary by the Administrator to determine compliance regarding the matters which are the subject of the investigation.

(c) An employer being investigated shall make available to the Administrator such records, information, persons, and places as the Administrator deems appropriate to copy, transcribe, question, or inspect. No employer subject to the provisions of section 258 of the INA (8 U.S.C. 1288) or subparts F and G of this part shall interfere with any official of the Department of Labor performing an investigation, inspection or law enforcement function pursuant to 8 U.S.C. 1288 or subpart F or G of this part. Any such interference shall be a violation of the attestation and subparts F and G of this part, and the Administrator may take such further actions as the Administrator considers appropriate.

(d)(1) An employer subject to subparts F and G of this part shall at all times cooperate in administrative and enforcement proceedings. No employer shall intimidate, threaten, coerce, blacklist, discharge, retaliate, or in any manner discriminate against any person because such person has:

(i) Filed a complaint or appeal under or related to section 258 of the INA (8 U.S.C. 1288) or subpart F or G of this part;

(ii) Testified or is about to testify in any proceeding under or related to section 258 of the INA (8 U.S.C. 1288) or subpart F or G of this part;

(iii) Exercised or asserted on behalf of himself or herself or others any right or protection afforded by section 258 of the INA (8 U.S.C. 1288) or subpart F or G of this part.

(iv) Consulted with an employee of a legal assistance program or an attorney on matters related to section 258 of the Act or to subpart F or G of this part or any other DOL regulation promulgated pursuant to 8 U.S.C. 1288.

(e) The Administrator shall, to the extent possible under existing law, protect the confidentiality of any person who provides information to the Department in confidence in the course of an investigation or otherwise under subpart F or G of this part. However, confidentiality will not be afforded to the complainant or to information provided by the complainant.
§ 655.605  

(2) In the case of an employer operating under the automated vessel exception to the prohibition on utilizing alien crewmembers to perform longshore activity(ies) at a U.S. port, the employer—
   (i) Is utilizing alien crewmember(s) to perform longshore activity(ies) at a port where the prevailing practice has not been to use such workers for such activity(ies); or
   (ii) Is utilizing alien crewmember(s) to perform longshore activities:
      (A) During a strike or lockout in the course of a labor dispute at the U.S. port; and/or
      (B) With intent or design to influence an election of a bargaining representative for workers at the U.S. port; or
   (3) An employer failed to comply in any other manner with the provisions of subpart F or G of this part.

(b) Any aggrieved person or organization may file a complaint of a violation of the provisions of subpart F or G of this part.
   (1) No particular form of complaint is required, except that the complaint shall be written or, if oral, shall be reduced to writing by the Wage and Hour Division official who receives the complaint.
   (2) The complaint shall set forth sufficient facts for the Administrator to determine—
      (i) Whether, in the case of an attesting employer, there is reasonable cause to believe that particular part or parts of the attestation or regulations have been violated; or
      (ii) Whether, in the case of an employer claiming the automated vessel exception, the preponderance of the evidence submitted by any interested party shows that conditions exist that would require the employer to file an attestation.
   (3) The complaint may be submitted to any local Wage and Hour Division office; the addresses of such offices are found in local telephone directories. The office or person receiving such a complaint shall refer it to the office of the Wage and Hour Division administering the area in which the reported violation is alleged to have occurred.

(c) The Administrator shall determine whether there is reasonable cause to believe that the complaint warrants investigation. If the Administrator determines that the complaint fails to present reasonable cause for an investigation, the Administrator shall so notify the complainant, who may submit a new complaint, with such additional information as may be necessary. There shall be no hearing pursuant to §655.625 for the Administrator's determination not to conduct an investigation. If the Administrator determines that an investigation on the complaint is warranted, the investigation shall be conducted and a determination issued within 180 calendar days of the Administrator's receipt of the complaint, or later for good cause shown.

(d) In conducting an investigation, the Administrator may consider and make part of the investigation file any evidence or materials that have been compiled in any previous investigation regarding the same or a closely related matter.

(e) In conducting an investigation under an attestation, the Administrator shall take into consideration the employer's burden to provide facts and evidence to establish the matters asserted. In conducting an investigation regarding an employer's eligibility for the automated vessel exception, the Administrator shall not impose the burden of proof on the employer, but shall consider all evidence from any interested party in determining whether the employer is not eligible for the exception.

(f) In an investigation regarding the use of alien crewmembers to perform longshore activity(ies) in a U.S. port (whether by an attesting employer or by an employer claiming the automated vessel exception), the Administrator shall accept as conclusive proof a previous Departmental determination, published in the Federal Register pursuant to §655.670, establishing that such use of alien crewmembers is not the prevailing practice for the activity(ies) and U.S. port at issue. The Administrator shall give appropriate
§ 655.610 Automated vessel exception to prohibition on utilization of alien crewmember(s) to perform longshore activity(ies) at a U.S. port.

(a) The Act establishes a rebuttable presumption that the prevailing practice in U.S. ports is for automated vessels (i.e., vessels equipped with automated self-unloading conveyor belts or vacuum-actuated systems) to use alien crewmembers to perform longshore activity(ies) through the use of the self-unloading equipment. An employer claiming the automated vessel exception does not have the burden of establishing eligibility for the exception.

(b) In the event of a complaint asserting that the automated vessel exception is not applicable to a particular employer, the Administrator shall determine whether the automated vessel exception is not applicable to a particular employer, by the weight of the evidence submitted by any interested party shows that:

(1) It is not the prevailing practice at the U.S. port to use alien crewmember(s) to perform longshore activity(ies) through the use of the self-unloading equipment; or

(2) The employer is using alien crewmembers to perform longshore activity(ies) —

(i) During a strike or lockout in the course of a labor dispute at the U.S. port; and/or

(ii) With intent or design to influence an election of a bargaining representative for workers at the U.S. port.

(c) In making the prevailing practice determination required by paragraph (b)(1) of this section, the Administrator shall determine whether, in the 12-month period preceding the date of the Administrator’s receipt of the complaint, one of the following conditions existed:

(1) Over fifty percent of the automated vessels docking at the port used alien crewmembers for the activity (for purposes of this paragraph (c)(1) of this section, a vessel shall be counted each time it docks at the particular port); or

(2) Alien crewmembers made up over fifty percent of the workers who performed the activity with respect to such automated vessels.

(d) An interested party, complaining that the automated vessel exception is not applicable to a particular employer, shall provide to the Administrator evidence such as:

(1) A written summary of a survey of the experience of masters of automated vessels which entered the local port in the previous year, describing the practice in the port as to the use of alien crewmembers;

(2) A letter, affidavit, or other written statement from an appropriate local port authority regarding the use of alien crewmembers to perform the longshore activity at the port in the previous year;

(3) Written statements from collective bargaining representatives and/or shipping agents with direct knowledge of practices regarding the use of alien crewmembers at the port in the previous year.

§ 655.615 Cease and desist order.

(a) If the Administrator determines that reasonable cause exists to conduct an investigation with respect to an attestation, the complaintant may request that the Administrator enter a cease and desist order against the employer against whom the complaint is lodged.

(1) The request for a cease and desist order may be filed along with the complaint, or may be filed subsequently. The request, including all accompanying documents, shall be filed in duplicate with the same Wage and Hour Division office that received the complaint.
§ 655.615

(2) No particular form is prescribed for a request for a cease and desist order pursuant to this paragraph (a). However, any such request shall:

(i) Be dated;

(ii) Be typewritten or legibly written;

(iii) Specify the attestation provision(s) with respect to which the employer allegedly failed to comply and/or submitted misrepresentation(s) of material fact(s);

(iv) Be accompanied by evidence to substantiate the allegation(s) of non-compliance and/or misrepresentation;

(v) Be signed by the complaining party making the request or by the authorized representative of such party;

(vi) Include the address at which such complaining party or authorized representative desires to receive further communications relating thereto.

(3) Upon receipt of a request for a cease and desist order, the Administrator shall promptly notify the employer of the request. The Administrator's notice shall:

(i) Inform the employer that it may respond to the request and meet with a Wage and Hour Division official within 14 calendar days of the date of the notice;

(ii) Be served upon the employer by facsimile transmission, in person, or by certified or regular mail, at the address of the U.S. agent stated on the employer's attestation;

(iii) Be accompanied by copies of the complaint, the request for a cease and desist order, the evidence submitted by the complainant, and any evidence from other investigation(s) of the same or a closely related matter which the Administrator may incorporate into the record. (Any such evidence from other investigation(s) shall also be made available for examination by the complaining party at the Wage and Hour Division office which issued the notice.)

(4) No particular form is prescribed for the employer's response to the complaining party's request for a cease and desist order under this paragraph (a), however, any such response shall:

(i) Be dated;

(ii) Be submitted by facsimile transmission, in person, by certified or regular mail, or by courier service to the Wage and Hour Division office which issued the notice of the request;

(iii) Be received by the appropriate Wage and Hour Division office no later than 14 calendar days from the date of the notice of the request;

(iv) Be typewritten or legibly written;

(v) Explain, in any detail desired by the employer, the employer's grounds or reasons as to why the Administrator should deny the requested cease and desist order;

(vi) Be accompanied by evidence to substantiate the employer's grounds or reasons as to why the Administrator should deny the requested cease and desist order;

(vii) Specify whether the employer desires an informal meeting with a Wage and Hour Division official;

(viii) Be signed by the employer or its authorized representative; and

(ix) Include the address at which the employer or its authorized representative desires to receive further communications relating thereto, if such address is different from the address of the U.S. agent stated on the attestation.

(5) In the event the employer requests a meeting with a Wage and Hour Division official, the Administrator shall provide the employer and the complaining party, or their authorized representatives, an opportunity for such a meeting to present their views regarding the evidence and arguments submitted by the parties. This shall be an informal meeting, not subject to any procedural rules. The meeting shall be held within the 14 calendar days permitted for the employer's response to the request for the cease and desist order, and shall be held at a time and place set by the Wage and Hour Division official, who shall notify the parties.

(6) After receipt of the employer's timely response and after any informal meeting which may have been held with the parties, the Administrator shall promptly issue a written determination, either denying the request or issuing a cease and desist order. In making the determination, the Administrator shall consider all the evidence submitted, including any evidence
from the same or a closely related matter which the Administrator has incorporated into the record and provided to the employer. If the Administrator determines that the complaining party’s position is supported by a preponderance of the evidence submitted, the Administrator shall order that the employer cease the activities specified in the determination, until the completion of the Administrator’s investigation and any subsequent proceedings pursuant to §655.625 of this part, unless the prohibition is lifted by subsequent order of the Administrator because it is later determined that the employer’s position was correct. While the cease and desist order is in effect, ETA shall suspend the subject attestation, either in whole or in part, and shall not accept any subsequent attestation from the employer for the activity(ies) and U.S. port or location in the State of Alaska at issue.

(7) The Administrator’s cease and desist order shall be served on the employer at the address of its designated U.S. based representative or at the address specified in the employer’s response, by facsimile transmission, personal service, or certified mail.

(b) If the Administrator determines that reasonable cause exists to conduct an investigation with respect to a complaint that a non-attesting employer is not entitled to the automated vessel exception to the requirement for the filing of an attestation, a complaining party may request that the Administrator enter a cease and desist order against the employer against whom the complaint is lodged.

(1) The request for a cease and desist order may be filed along with the complaint, or may be filed subsequently. The request, including all accompanying documents, shall be filed in duplicate with the same Wage and Hour Division office that received the complaint.

(2) No particular form is prescribed for a request for a cease and desist order pursuant to this paragraph. However, any such request shall:

(i) Be dated;
(ii) Be typewritten or legibly written;
(iii) Specify the circumstances which allegedly require that the employer be denied the use of the automated vessel exception;
(iv) Be accompanied by evidence to substantiate the allegation(s);
(v) Be signed by the complaining party making the request or by the authorized representative of such party; and
(vi) Include the address at which such complaining party or authorized representative desires to receive further communications relating thereto.

(3) Upon receipt of a request for a cease and desist order, the Administrator shall notify the employer of the request. The Administrator’s notice shall:

(i) Inform the employer that it may respond to the request and meet with a Wage and Hour Division official within 14 calendar days of the date of the notice;
(ii) Be served upon the employer by facsimile transmission, in person, or by certified or regular mail, at the employer’s last known address; and
(iii) Be accompanied by copies of the complaint, the request for a cease and desist order, the evidence submitted by the complainant, and any evidence from other investigation(s) of the same or a closely related matter which the Administrator may incorporate into the record. (Any such evidence from other investigation(s) shall also be made available for examination by the complaining party at the Wage and Hour Division office which issued the notice.)

(4) No particular form is prescribed for the employer’s response to the complaining party’s request for a cease and desist order under this paragraph (b). However, any such response shall:

(i) Be dated;
(ii) Be submitted by facsimile transmission, in person, by certified or regular mail, or by courier service to the Wage and Hour Division office which issued the notice of the request;
(iii) Be received by the appropriate Wage and Hour Division office no later than 14 calendar days from the date of the notice of the request;
(iv) Be typewritten or legibly written;
(v) Explain, in any detail desired by the employer, the employer’s grounds or reasons as to why the Administrator
§ 655.620 Civil money penalties and other remedies.

(a) The Administrator may assess a civil money penalty not to exceed $5,000 for each alien crewmember with respect to whom there has been a violation of the attestation or subpart F or G of this part. The Administrator may also impose appropriate remedy(ies).

(b) In determining the amount of civil money penalty to be assessed, the Administrator shall consider the type of violation committed and other relevant factors. The factors which may be considered include, but are not limited to, the following:

1. Previous history of violation, or violations, by the employer under the Act and subpart F or G of this part;
2. The number of workers affected by the violation or violations;
3. The gravity of the violation or violations;
4. Efforts made by the violator in good faith to comply with the provisions of 8 U.S.C. 1288(c) and subparts F and G of this part;
5. The violator’s explanation of the violation or violations;
6. The violator’s commitment to future compliance; and/or
7. The extent to which the violator achieved a financial gain due to the violation, or the potential financial loss, potential injury or adverse effect with respect to other parties.

§ 655.620 Civil money penalties and other remedies.

(pursuant to §655.625 of this part, unless the employer files and maintains on file with ETA an attestation pursuant to §655.520 of this part or unless the prohibition is lifted by subsequent order of the Administrator because it is later determined that the employer’s position was correct.)
Employment and Training Administration, Labor § 655.630

(c) The civil money penalty, and any other remedy determined by the Administrator to be appropriate, are immediately due for payment or performance upon the assessment by the Administrator, or the decision by an administrative law judge where a hearing is requested, or the decision by the Secretary where review is granted. The employer shall remit the amount of the civil money penalty, by certified check or money order made payable to the order of “Wage and Hour Division, Labor.” The remittance shall be delivered or mailed to the Wage and Hour Division office for the area in which the violations occurred. The performance of any other remedy prescribed by the Administrator shall follow procedures established by the Administrator. The employer’s failure to pay the civil money penalty, or to perform any other remedy prescribed by the Administrator, shall result in the rejection by ETA of any future attestation submitted by the employer, until such payment or performance is accomplished.

§ 655.625 Written notice, service and Federal Register publication of Administrator’s determination.

(a) The Administrator’s determination, issued pursuant to §655.605 of this part, shall be served on the complainant, the employer, and other known interested parties by personal service or by certified mail at the parties’ last known addresses. Where service by certified mail is not accepted by the party, the Administrator may exercise discretion to serve the determination by regular mail.

(b) Where the Administrator determines the prevailing practice regarding the use of alien crewmember(s) to perform longshore activity(ies) in a U.S. port (whether the Administrator’s investigation involves an employer operating under an attestation, or under the automated vessel exception), the Administrator shall, simultaneously with issuance of the determination, publish in the Federal Register a notice of the determination. The notice shall identify the activity(ies), the U.S. port, and the prevailing practice regarding the use of alien crewmembers. The notice shall also inform interested parties that they may request a hearing pursuant to §655.630 of this part, within 15 days of the date of the determination.

(c) The Administrator shall file with the Chief Administrative Law Judge, U.S. Department of Labor, a copy of the complaint and the Administrator’s determination.

(d) The Administrator’s written determination required by §655.605 of this part shall:

1. Set forth the determination of the Administrator and the reason or reasons therefor, and in the case of a finding of violation(s) by an attesting employer, prescribe any remedies, including the amount of any civil money penalties assessed and the reason therefor, and/or any other remedies required for compliance with the employer’s attestation.

2. Inform the interested parties that they may request a hearing pursuant to §655.625 of this part.

3. Inform the interested parties that in the absence of a timely request for a hearing, received by the Chief Administrative Law Judge within 15 calendar days of the date of the determination, the determination of the Administrator shall become final and not appealable.

4. Set forth the procedure for requesting a hearing, and give the address of the Chief Administrative Law Judge (with whom the request must be filed) and the representative(s) of the Solicitor of Labor (upon whom copies of the request must be served).

5. Inform the parties that, pursuant to §655.665, the Administrator shall notify ETA and the Attorney General of the occurrence of a violation by the attesting employer or of the non-attesting employer’s ineligibility for the automated vessel exception.

(7) Attach copies of the administrative law judge’s decision and order, and any other record documents which would assist the Secretary in determining whether review is warranted.

§ 655.665 Notice to the Attorney General and the Employment and Training Administration.

(a) The Administrator shall promptly notify the Attorney General and ETA of the entry of a cease and desist order pursuant to § 655.615 of this part. The order shall remain in effect until the completion of the Administrator’s investigation and any subsequent proceedings pursuant to § 655.630 of this part, unless the Administrator notifies the Attorney General and ETA of the entry of a subsequent order lifting the prohibition.

(1) The Attorney General, upon receipt of notification from the Administrator that a cease and desist order has been entered against an employer:
    (i) Shall not permit the vessels owned or chartered by the attesting employer to use alien crewmembers to perform the longshore activity(ies) at the port or location in the State of Alaska specified in the cease and desist order; and
    (ii) Shall, in the case of an employer seeking to utilize the automated vessel exception, require that such employer not use alien crewmembers to perform the longshore activity(ies) at the port or location in the State of Alaska specified in the cease and desist order, without having on file with ETA an attestation pursuant to § 655.520 of this part.

(2) ETA, upon receipt of the Administrator’s notice shall, in the case of an attesting employer, suspend the employer’s attestation, either in whole or in part, for the activity(ies) and port or location in the State of Alaska specified in the cease and desist order, without having on file with ETA an attestation pursuant to § 655.520 of this part.

(b) The Administrator shall notify the Attorney General and ETA of the final determination of a violation by an attesting employer or of the ineligibility of an employer for the automated vessel exception, upon the earliest of the following events:
    (1) Where the Administrator determines that there is a basis for a finding of violation by an attesting employer or a finding of nonapplicability of the automated vessel exception, and no timely request for hearing is made pursuant to § 655.630 of this part;
    (2) Where, after a hearing, the administrative law judge issues a decision and order finding a violation by an attesting employer or finding inapplicable the automated vessel exception, and no timely petition for review to the Secretary is made pursuant to § 655.655 of this part; or
    (3) Where a petition for review is taken from an administrative law judge’s decision finding a violation or finding inapplicable the automated vessel exception, and the Secretary either declines within thirty days to entertain the appeal, pursuant to § 655.655(c) of this part, or the Secretary affirms the administrative law judge’s determination; or
    (4) Where the administrative law judge finds that there was no violation by an attesting employer or that the automated vessel exception does apply, and the Secretary, upon review, issues a decision pursuant to § 655.655 of this part, holding that a violation was committed by an attesting employer or holding that the automated vessel exception does not apply.

(c) The Attorney General, upon receipt of notification from the Administrator pursuant to paragraph (b) of this section:
    (1) Shall not permit the vessels owned or chartered by the attesting employer to enter any port of the U.S. for a period of up to one year;
    (2) Shall, in the case of an employer determined to be ineligible for the automated vessel exception, thereafter require that such employer not use alien crewmembers(s) to perform the longshore activity(ies) at the specified port or location in the State of Alaska without having on file with ETA an attestation pursuant to § 655.520 of this part; and
    (3) Shall, in the event that the Administrator’s notice constitutes a conclusive determination (pursuant to § 655.670) that the prevailing practice at a particular U.S. port does not permit the use of nonimmigrant alien crewmembers for particular longshore activity(ies), thereafter permit no employer to use alien crewmembers for the particular longshore activity(ies) at that port.
§ 655.670 Federal Register notice of determination of prevailing practice.

(a) Pursuant to §655.625(b), the Administrator shall publish in the Federal Register a notice of the Administrator’s determination of any investigation regarding the prevailing practice for the use of alien crewmembers for particular longshore activity(ies) in a particular U.S. port (whether under an attestation or under the automated vessel exception). Where the Administrator has determined that the prevailing practice in that U.S. port does not permit such use of alien crewmembers, and no timely request for a hearing is filed pursuant to §655.630, the Administrator’s determination shall be the conclusive determination for purposes of the Act and subparts F and G of this part; the Attorney General and ETA shall, upon notice from the Administrator, take the actions specified in §655.665. Where the Administrator has determined that the prevailing practice in that U.S. port at the time of the investigation permits such use of alien crewmembers, the Administrator shall, in any subsequent investigation, give that determination appropriate weight, unless the determination is reversed in proceedings under §655.630 or §655.655.

(b) Where an interested party, pursuant to §655.630, requests a hearing on the Administrator’s determination, the Administrator shall, upon the issuance of the decision of the administrative law judge, publish in the Federal Register a notice of the judge’s decision as to the prevailing practice for the longshore activity(ies) and U.S. port at issue, if the administrative law judge:

1. Reversed the determination of the Administrator published in the Federal Register pursuant to paragraph (a) of this section; or

2. Determines that the prevailing practice for the particular activity in the port does not permit the use of alien crewmembers.

(c) If the administrative law judge determines that the prevailing practice in that port does not permit such use of alien crewmembers, the judge’s decision shall be the conclusive determination for purposes of the Act and subparts F and G of this part (unless and until reversed by the Secretary on discretionary review pursuant to §655.655). The Attorney General and ETA shall, upon notice from the Administrator, take the actions specified in §655.665.

(d) In the event that the Secretary, upon discretionary review pursuant to §655.655, issues a decision that reverses the administrative law judge on a matter on which the Administrator has published notices in the Federal Register pursuant to paragraphs (a) and (b) of this section, the Administrator shall publish in the Federal Register a notice of the Secretary’s decision and shall notify the Attorney General and ETA.

1. Where the Secretary reverses the administrative law judge and determines that, contrary to the judge’s decision, the prevailing practice for the longshore activity(ies) in the U.S. port at issue does not permit the use of alien crewmembers, the Secretary’s decision shall be the conclusive determination for purposes of the Act and subparts F and G of this part. Upon notice from the Administrator, the Attorney General and ETA shall take the actions specified in §655.665.
§ 655.700 What statutory provisions govern the employment of H–1B nonimmigrants and how do employers apply for an H–1B visa?

(a) Statutory provisions. With respect to nonimmigrant workers entering the United States (U.S.) on H–1B visas, the Immigration and Nationality Act (INA), as amended, provides as follows:

(1) Establishes an annual ceiling (exclusive of spouses and children) on the number of foreign workers who may be issued H–1B visas—
   (i) 195,000 in fiscal year 2001;
   (ii) 195,000 in fiscal year 2002;
   (iii) 155,000 in fiscal year 2003; and
   (iv) 65,000 in each succeeding fiscal year;

(2) Defines the scope of eligible occupations for which nonimmigrants may be issued H–1B visas and specifies the qualifications that are required for entry as an H–1B nonimmigrant;

(3) Requires an employer seeking to employ H–1B nonimmigrants to file a labor condition application (LCA) agreeing to various attestation requirements and have it certified by the Department of Labor (DOL) before a nonimmigrant may be provided H–1B status by the Immigration and Naturalization Service (INS); and

(4) Establishes an enforcement system under which DOL is authorized to determine whether an employer has engaged in misrepresentation or failed to meet a condition of the LCA, and is authorized to impose fines and penalties.

(b) Procedure for obtaining an H–1B visa classification. Before a nonimmigrant may be admitted to work in a “specialty occupation” or as a fashion model of distinguished merit and ability in the United States under the H–1B visa classification, there are certain steps which must be followed:

(1) First, an employer shall submit to DOL, and obtain DOL certification of, a labor condition application (LCA). The requirements for obtaining a certified LCA are provided in this subpart. The LCA (Form ETA 9035) and cover page (Form ETA 9035CP, containing the full attestation statements that are incorporated by reference in Form ETA 9035) may be obtained from http://ows.doleta.gov, from DOL regional offices, and from the Employment and Training Administration (ETA) national office. Employers are encouraged to utilize the electronic filing system developed by ETA to expedite the certification process (see § 655.720).

(2) After obtaining DOL certification of an LCA, the employer may submit a nonimmigrant visa petition (INS Form I–129), together with the certified LCA, to INS, requesting H–1B classification for the foreign worker. The requirements concerning the submission of a petition to, and its processing by, INS are set forth in INS regulations. The INS petition (Form I–129) may be obtained from an INS district or area office.

(3) If INS approves the H–1B classification, the nonimmigrant then may apply for an H–1B visa abroad at a consular office of the Department of State. If the nonimmigrant is already in the United States in a status other than H–
§ 655.705 What federal agencies are involved in the H–1B program, and what are the responsibilities of those agencies and of employers?

Three federal agencies (Department of Labor, Department of State, and Department of Justice) are involved in the process relating to H–1B nonimmigrant classification and employment. The employer also has continuing responsibilities under the process. This section briefly describes the responsibilities of each of these entities.

(a) Department of Labor (DOL) responsibilities. DOL administers the labor condition application process and enforcement provisions (exclusive of complaints regarding non-selection of U.S. workers, as described in § 1182(n)(1)(G)(i)(II) and 1182(n)(5)). Two DOL agencies have responsibilities:

(1) The Employment and Training Administration (ETA) is responsible for receiving and certifying labor condition applications (LCAs) in accordance with this subpart H. ETA is also responsible for compiling and maintaining a list of LCAs and making such list available for public examination at the Department of Labor, 200 Constitution Avenue, NW., Room C–4318, Washington, DC 20210.

(2) The Wage and Hour Division of the Employment Standards Administration (ESA) is responsible, in accordance with subpart I of this part, for investigating and determining an employer’s misrepresentation in or failure to comply with LCAs in the employment of H–1B nonimmigrants.

(b) Department of Justice (DOJ) and Department of State (DOS) responsibilities. The Department of State, through U.S. Embassies and Consulates, is responsible for issuing H–1B visas. The Department of Justice, through the Immigration and Naturalization Service (INS), accepts the employer’s petition (INS Form I–129) with the DOL-certified LCA attached. INS is responsible for approving the nonimmigrant’s H–1B visa classification. In doing so, the INS determines whether the petition is supported by an LCA which corresponds with the petition, whether the occupation named in the labor condition application is a specialty occupation or whether the individual is a fashion model of distinguished merit and ability, and whether the qualifications of the nonimmigrant meet the statutory requirements for H–1B visa classification. If the petition is approved, INS will notify the U.S. Consulate where the nonimmigrant intends to apply for the visa unless the nonimmigrant is in the U.S. and eligible to adjust status without leaving this country. See 8 U.S.C. 1255(h)(2)(B)(i). The Department of Justice administers the system for the enforcement and disposition of complaints regarding an H–1B-dependent employer’s or willful violator employer’s failure to offer a position filled by an H–1B nonimmigrant to an equally or better qualified United States worker (8 U.S.C. 1182(n)(1)(E), 1182(n)(5)), or such employer’s willful misrepresentation of a change of visa status.

(c) Applicability. (1) This subpart H and subpart I of this part apply to all employers seeking to employ foreign workers under the H–1B visa classification in specialty occupations or as fashion models of distinguished merit and ability.

(2) During the period that the provisions of Appendix 1603.D.4 of Annex 1603 of the North American Free Trade Agreement (NAFTA) apply, this subpart H and subpart I of this part shall apply (except for the provisions relating to the recruitment and displacement of U.S. workers (see §§ 655.738 and 655.739)) to the entry and employment of a nonimmigrant who is a citizen of Mexico under and pursuant to the provisions of section D or Annex 1603 of NAFTA in the case of all professions set out in Appendix 1603.D.1 of Annex 1603 of NAFTA other than registered nurses. Therefore, the references in this part to “H–1B nonimmigrant” apply to any Mexican citizen nonimmigrant who is classified by INS as “TN.” In the case of a registered nurse, the following provisions shall apply: subparts D and E of this part or the Nursing Relief for Disadvantaged Areas Act of 1999 (Public Law 106–95) and the regulations issued thereunder, 20 CFR part 655, subparts L and M.

[65 FR 80209, Dec. 20, 2000]
material facts relating to this obligation. The Department of Justice, through the INS, is responsible for disapproving H-1B and other petitions filed by an employer found to have engaged in misrepresentation or failed to meet certain conditions of the labor condition application (8 U.S.C. 1182(n)(2)(C)(i)-(iii); 1182(n)(5)(E)).

(c) Employer’s responsibilities. Each employer seeking an H-1B nonimmigrant in a specialty occupation or as a fashion model of distinguished merit and ability has several responsibilities, as described more fully in this subpart and subpart I, including—

(1) The employer shall submit a completed labor condition application (LCA) on Form ETA 9035 in the manner prescribed in §655.720. By completing and signing the LCA, the employer agrees to several attestations regarding an employer’s responsibilities, including the wages, working conditions, and benefits to be provided to the H-1B nonimmigrant(s) (8 U.S.C. 1182(n)(1)); these attestations are specifically identified and incorporated by reference in the LCA, as well as being set forth in full on Form ETA 9035CP. The LCA contains additional attestations for certain H-1B-dependent employers and employers found to have willfully violated the H-1B program requirements; these attestations impose certain obligations to recruit U.S. workers, to offer positions to U.S. workers who are equally or better qualified than the H-1B nonimmigrant(s), and to avoid the displacement of U.S. workers (either in the employer’s workforce or in the workforce of a second employer with whom the H-1B nonimmigrant(s) is placed with indicia of employment by that employer (8 U.S.C. 1182(n)(1)(E)-(G))). These additional attestations are specifically identified and incorporated by reference in the LCA, as well as being set forth in full on Form ETA 9035CP. If the LCA is certified by ETA, a copy will be returned to the employer.

(2) The employer shall make the LCA and necessary supporting documentation (as identified under this subpart) available for public examination at the employer’s principal place of business in the U.S. or at the place of employment within one working day after the date on which the LCA is filed with ETA.

(3) The employer then may submit a copy of the certified LCA to INS with a completed petition (INS Form I-129) requesting H-1B classification.

(4) The employer shall not allow the nonimmigrant worker to begin work until INS grants the worker authorization to work in the United States for that employer or, in the case of a nonimmigrant who is already in H-1B status and is changing employment to another H-1B employer, until the new employer files a petition supported by a certified LCA.

(5) The employer shall develop sufficient documentation to meet its burden of proof with respect to the validity of the statements made in its LCA and the accuracy of information provided, in the event that such statement or information is challenged. The employer shall also maintain such documentation at its principal place of business in the U.S. and shall make such documentation available to DOL for inspection and copying upon request.

[65 FR 80210, Dec. 20, 2000]
investigate where appropriate and shall take such further action as may be appropriate under that Department's regulations and procedures.

§655.715 Definitions.

For the purposes of subparts H and I of this part:

Actual wage means the wage rate paid by the employer to all individuals with experience and qualifications similar to the H-1B nonimmigrant’s experience and qualifications for the specific employment in question at the place of employment. The actual wage established by the employer is not an average of the wage rates paid to all workers employed in the occupation.

Administrative Law Judge (ALJ) means an official appointed pursuant to 5 U.S.C. 3105.

Administrator means the Administrator of the Wage and Hour Division, Employment Standards Administration, Department of Labor, and such authorized representatives as may be designated to perform any of the functions of the Administrator under subpart H or I of this part.

Aggrieved party means a person or entity whose operations or interests are adversely affected by the employer’s alleged non-compliance with the labor condition application and includes, but is not limited to:

(1) A worker whose job, wages, or working conditions are adversely affected by the employer’s alleged non-compliance with the labor condition application;

(2) A bargaining representative for workers whose jobs, wages, or working conditions are adversely affected by the employer’s alleged non-compliance with the labor condition application;

(3) A competitor adversely affected by the employer’s alleged non-compliance with the labor condition application; and

(4) A government agency which has a program that is impacted by the employer’s alleged non-compliance with the labor condition application.

Area of intended employment means the area within normal commuting distance of the place (address) of employment where the H-1B nonimmigrant is or will be employed. There is no rigid measure of distance which constitutes a normal commuting distance or normal commuting area, because there may be widely varying factual circumstances among different areas (e.g., normal commuting distances might be 20, 30, or 50 miles). If the place of employment is within a Metropolitan Statistical Area (MSA) or a Primary Metropolitan Statistical Area (PMSA), any place within the MSA or PMSA is deemed to be within normal commuting distance of the place of employment; however, all locations within a Consolidated Metropolitan Statistical Area (CMSA) will not automatically be deemed to be within normal commuting distance. The borders of MSAs and PMSAs are not controlling with regard to the identification of the normal commuting area:

(1) A location outside of an MSA or PMSA (or a CMSA) may be within normal commuting distance of a location that is inside (e.g., near the border of) the MSA or PMSA (or CMSA).

Attorney General means the chief official of the U.S. Department of Justice or the Attorney General’s designee.

Authorized agent and authorized representative mean an official of the employer who has the legal authority to commit the employer to the statements in the labor condition application.

Certification means the determination by a certifying officer that a labor condition application is not incomplete and does not contain obvious inaccuracies.

Certify means the act of making a certification.

Certifying Officer and Regional Certifying Officer mean a Department of Labor official, or such official’s designee, who makes determinations about whether or not to certify labor condition applications.

Chief Administrative Law Judge (Chief ALJ) means the chief official of the Office of the Administrative Law Judges of the Department of Labor or the Chief Administrative Law Judge’s designee.

Department and DOL mean the United States Department of Labor.

Division means the Wage and Hour Division of the Employment Standards Administration, DOL.
Employed, employed by the employer, or employment relationship means the employment relationship as determined under the common law, under which the key determinant is the putative employer's right to control the means and manner in which the work is performed. Under the common law, "no shorthand formula or magic phrase * * * can be applied to find the answer * * *. [A]ll of the incidents of the relationship must be assessed and weighed with no one factor being decisive." NLRB v. United Ins. Co. of America, 390 U.S. 254, 258 (1968).

Employer means a person, firm, corporation, contractor, or other association or organization in the United States which has an employment relationship with H–1B nonimmigrants and/or U.S. worker(s). The person, firm, contractor, or other association or organization in the United States which files a petition on behalf of an H–1B nonimmigrant is deemed to be the employer of that H–1B nonimmigrant.

Employment and Training Administration (ETA) means the agency within the Department which includes the Office of Workforce Security (OWS).

Employment Standards Administration (ESA) means the agency within the Department which includes the Wage and Hour Division.

Immigration and Naturalization Service (INS) means the component of the Department of Justice which makes the determination under the INA on whether to grant visa petitions of employers seeking the admission of nonimmigrants under H–1B visas for the purpose of employment.

INA means the Immigration and Nationality Act, as amended, 8 U.S.C. 1101 et seq.

Independent authoritative source means a professional, business, trade, educational or governmental association, organization, or other similar entity, not owned or controlled by the employer, which has recognized expertise in an occupational field.

Independent authoritative source survey means a survey of wages conducted by an independent authoritative source and published in a book, newspaper, periodical, loose-leaf service, newsletter, or other similar medium, within the 24-month period immediately preceding the filing of the employer's application. Such survey shall:

(1) Reflect the average wage paid to workers similarly employed in the area of intended employment;

(2) Be based upon recently collected data—e.g., within the 24-month period immediately preceding the date of publication of the survey; and

(3) Represent the latest published prevailing wage finding by the authoritative source for the occupation in the area of intended employment.

Interested party means a person or entity who or which may be affected by the actions of an H–1B employer or by the outcome of a particular investigation and includes any person, organization, or entity who or which has notified the Department of his/her/its interest or concern in the Administrator's determination.

Lockout means a labor dispute involving a work stoppage, wherein an employer withholds work from its employees in order to gain a concession from them.

Occupation means the occupational or job classification in which the H–1B nonimmigrant is to be employed.

Office of Workforce Security (OWS) means the agency of the Department which is charged with administering the national system of public employment offices.

Period of intended employment means the time period between the starting and ending dates inclusive of the H–1B nonimmigrant's intended period of employment in the occupational classification at the place of employment as set forth in the labor condition application.

Place of employment means the worksite or physical location where the work actually is performed.

(1) The term does not include any location where either of the following criteria—paragraph (1)(i) or (ii)—is satisfied:

(i) Employee developmental activity. An H–1B worker who is stationed and regularly works at one location may temporarily be at another location for a management conference, a staff seminar, or a formal training course (other
than “on-the-job-training” at a location where the employee is stationed and regularly works. For the H-1B worker participating in such activities, the location of the activity would not be considered a “place of employment” or “worksite,” and that worker’s presence at such location—whether owned or controlled by the employer or by a third party—would not invoke H-1B program requirements with regard to that employee at that location. However, if the employer uses H-1B nonimmigrants as instructors or resource or support staff who continuously or regularly perform their duties at such locations, the locations would be “places of employment” or “work-sites” for any such employees and, thus, would be subject to H-1B program requirements with regard to those employees.

(ii) Particular worker’s job functions. The nature and duration of an H-1B nonimmigrant’s job functions may necessitate frequent changes of location with little time spent at any one location. For such a worker, a location would not be considered a “place of employment” or “worksite” if the following three requirements (i.e., paragraphs (1)(i)(A) through (C)) are all met—

(A) The nature and duration of the H-1B worker’s job functions mandates his/her short-time presence at the location. For this purpose, either:

(1) The H-1B nonimmigrant’s job must be peripatetic in nature, in that the normal duties of the worker’s occupation (rather than the nature of the employer’s business) requires frequent travel (local or non-local) from location to location; or

(2) The H-1B worker’s duties must require that he/she spend most work time at one location but occasionally travel for short periods to work at other locations; and

(B) The H-1B worker’s presence at the locations to which he/she travels from the “home” worksite is on a casual, short-term basis, which can be recurring but not excessive (i.e., not exceeding five consecutive workdays for any one visit by a peripatetic worker, or 10 consecutive workdays for any one visit by a worker who spends most work time at one location and travels occasionally to other locations); and

(C) The H-1B nonimmigrant is not at the location as a “strikebreaker” (i.e., the H-1B nonimmigrant is not performing work in an occupation in which workers are on strike or lock-out).

(2) Examples of “non-worksite” locations based on worker’s job functions: A computer engineer sent out to customer locations to “troubleshoot” complaints regarding software malfunctions; a sales representative making calls on prospective customers or establishing customers within a “home office” sales territory; a manager monitoring the performance of out-stationed employees; an auditor providing advice or conducting reviews at customer facilities; a physical therapist providing services to patients in their homes within an area of employment; an individual making a court appearance; an individual lunching with a customer representative at a restaurant; or an individual conducting research at a library.

(3) Examples of “worksite” locations based on worker’s job functions: A computer engineer who works on projects or accounts at different locations for weeks or months at a time; a sales representative assigned on a continuing basis in an area away from his/her “home office” an auditor who works for extended periods at the customer’s offices; a physical therapist who “fills in” for full-time employees of health care facilities for extended periods; or a physical therapist who works for a contractor whose business is to provide staffing on an “as needed” basis at hospitals, nursing homes, or clinics.

(4) Whenever an H-1B worker performs work at a location which is not a “worksite” (under the criterion in paragraph (1)(i) or (1)(ii) of this definition), that worker’s “place of employment” or “worksite” for purposes of H-1B obligations is the worker’s home station or regular work location. The employer’s obligations regarding notice, prevailing wage and working conditions are focused on the home station “place of employment” rather than on the above-described location(s) which do not constitute worksite(s) for these
purposes. However, whether or not a location is considered to be a “worksite”/“place of employment” for an H-1B nonimmigrant, the employer is required to provide reimbursement to the H-1B nonimmigrant for expenses incurred in traveling to that location on the employer’s business, since such expenses are considered to be ordinary business expenses of employers (§§ 655.731(c)(7)(iii)(C); 655.731(c)(9)). In determining the worker’s “place of employment” or “worksite,” the Department will look carefully at situations which appear to be contrived or abusive; the Department would seriously question any situation where the H-1B nonimmigrant’s purported “place of employment” is a location other than where the worker spends most of his/her work time, or where the purported “area of employment” does not include the location(s) where the worker spends most of his/her work time.

Required wage rate means the rate of pay which is the higher of:

(1) The actual wage for the specific employment in question; or
(2) The prevailing wage rate (determined as of the time of filing the application) for the occupation in which the H-1B nonimmigrant is to be employed in the geographic area of intended employment. The prevailing wage rate must be no less than the minimum wage required by Federal, State, or local law.

Secretary means the Secretary of Labor or the Secretary’s designee.

Specialty occupation means an occupation that requires theoretical and practical application of a body of highly specialized knowledge, and attainment of a bachelor’s or higher degree (or its equivalent) in the specific specialty as a minimum for entry into the occupation in the United States. The nonimmigrant in a specialty occupation shall possess the following qualifications: (1) Full state licensure to practice in the occupation, if licensure is required for the occupation; (2) completion of the required degree; or (3) experience in the specialty equivalent to the completion of such degree and recognition of expertise in the specialty through progressively responsible positions relating to the specialty. 8 U.S.C. §1184(i). Determinations of specialty occupation and of nonimmigrant qualifications are made by INS.

Specific employment in question means the set of duties and responsibilities performed or to be performed by the H-1B nonimmigrant at the place of employment.

State means one of the 50 States, the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands.

State Employment Security Agency (SESA) means the State agency designated under section 4 of the Wagner-Peyser Act to cooperate with OW/S in the operation of the national system of public employment offices.

Strike means a labor dispute wherein employees engage in a concerted stoppage of work (including stoppage by reason of the expiration of a collective-bargaining agreement) or engage in any concerted slowdown or other concerted interruption of operation.

United States worker (“U.S. worker”) means an employee who is either

(1) A citizen or national of the United States, or
(2) An alien who is lawfully admitted for permanent residence in the United States, is admitted as a refugee under section 207 of the INA, is granted asylum under section 208 of the INA, or is an immigrant otherwise authorized (by the INA or by the Attorney General) to be employed in the United States.

Wage rate means the remuneration (exclusive of fringe benefits) to be paid, stated in terms of amount per hour, day, month or year (see definition of “Required Wage Rate”).

§ 655.720 Where are labor condition applications to be filed and processed?

(a) Facsimile transmission (FAX). If the employer submits the LCA (Form ETA 9035) by FAX, the transmission shall be made to 1-800-397-0478 (regardless of the intended place of employment for the H-1B nonimmigrant(s)). (Note to paragraph (a): The employer submitting an LCA via FAX shall not use the FAX number assigned to an ETA regional office, but shall use only the 1-800-397-0478 number designated for this purpose.) The cover pages to Form ETA
§ 655.721 What are the addresses of the ETA regional offices which handle matters other than processing LCAs?

(a) The Regional Certifying Officers in the ETA regional offices are responsible for administrative matters under this subpart other than the processing of LCAs (e.g., prevailing wage challenges by employers). (Note to paragraph (a): LCAs are filed by employers and processed by ETA only in accordance with §655.720.)

(b) The ETA regional offices with responsibility for labor certification programs are—

(5) Region IV (Arkansas, Colorado, Louisiana, Montana, New Mexico, North Dakota, Oklahoma, South Dakota, Texas, Utah, and Wyoming): 525 Griffin Street, Room 317, Dallas, Texas 75202. Telephone: 214-767-4989.

(c) The ETA website at http://ows.doleta.gov will be updated to reflect any changes in the information contained in this section concerning the ETA regional offices.

[65 FR 80212, Dec. 20, 2000]

§ 655.730 What is the process for filing a labor condition application?

(a) Who must submit labor condition applications? An employer, or the employer’s authorized agent or representative, which meets the definition of “employer” set forth in §655.715 and intends to employ an H-1B non-immigrant in a specialty occupation or as a fashion model of distinguished merit and ability shall submit an LCA to the Department.

(b) Where and when is an LCA to be submitted? An LCA shall be submitted by the employer to ETA in accordance with the procedure prescribed in §655.720 no earlier than six months before the beginning date of the period of intended employment shown on the LCA. It is the employer’s responsibility to ensure that a complete and accurate LCA is received by ETA. Incomplete or obviously inaccurate LCAs will not be certified by ETA. ETA shall process all LCAs sequentially upon receipt regardless of the method used by the employer to submit the LCA (i.e., either FAX or U.S. Mail as prescribed in §655.720) and shall make a determination to certify or not certify the LCA within seven working days of the date the LCA is received and date stamped by ETA. If the LCA is submitted by FAX, the LCA containing the original signature shall be maintained by the employer as set forth at §655.760(a)(1).

(c) What is to be submitted? Form ETA 9035.
(1) General. One completed and dated original Form ETA 9035 bearing the employer's original signature (or that of the employer's authorized agent or representative) shall be submitted by the employer to ETA in accordance with the procedure prescribed in §655.720. The signature of the employer or its authorized agent or representative on Form ETA 9035 acknowledges the employer's agreement to the labor condition statements (attestations), which are specifically identified in Form ETA 9035 as well as set forth in the cover pages (Form ETA 9035CP) and incorporated by reference in Form ETA 9035. The labor condition statements (attestations) are described in detail in §§655.731 through 655.734, and §§655.736 through 655.739 (if applicable). Copies of Form ETA 9035 and cover pages Form ETA 9035CP are available from ETA regional offices and on the ETA website at http://ows.doleta.gov.

Each Form ETA 9035 shall identify the occupational classification for which the LCA is being submitted and shall state:

(i) The occupation, by Dictionary of Occupational Titles (DOT) Three-Digit Occupational Groups code and by the employer's own title for the job;

(ii) The number of H–1B nonimmigrants sought;

(iii) The gross wage rate to be paid to each H–1B nonimmigrant, expressed on an hourly, weekly, biweekly, monthly or annual basis;

(iv) The starting and ending dates of the H–1B nonimmigrants' employment;

(v) The place(s) of intended employment;

(vi) The prevailing wage for the occupation in the area of intended employment and the specific source (e.g., name of published survey) relied upon by the employer to determine the wage. If the wage is obtained from a SESA, the appropriate box must be checked and the wage must be stated; the source for a wage obtained from a source other than a SESA must be identified along with the wage; and

(vii) The employer's status as to whether or not the employer is H–1B-dependent and/or a willful violator, and, if the employer is H–1B-dependent and/or a willful violator, whether the employer will use the application only in support of petitions for exempt H–1B nonimmigrants.

(2) Multiple positions and/or places of employment. The employer shall file a separate LCA for each occupation in which the employer intends to employ one or more H–1B nonimmigrants, but the LCA may cover more than one intended position (employment opportunity) within that occupation. All intended places of employment shall be identified on the LCA; the employer may file one or more additional LCAs to identify additional places of employment.

(3) Full-time and part-time jobs. The position(s) covered by the LCA may be either full-time or part-time; full-time and part-time positions cannot be combined on a single LCA.

(d) What attestations does the LCA contain? An employer's LCA shall contain the labor condition statements referenced in §§655.731 through 655.734, and §§655.736 through 655.739 (if applicable), which provide that no individual may be admitted or provided status as an H–1B nonimmigrant in an occupational classification unless the employer has filed with the Secretary an application stating that:

(i) The employer is offering and will offer during the period of authorized employment to H–1B nonimmigrants no less than the greater of the following wages (such offer to include benefits and eligibility for benefits provided as compensation for services, which are to be offered to the nonimmigrants on the same basis and in accordance with the same criteria as the employer offers such benefits to U.S. workers):

   (I) The actual wage paid to the employer's other employees at the worksite with similar experience and qualifications for the specific employment in question; or

   (II) The prevailing wage level for the occupational classification in the area of intended employment;

(2) The employer will provide working conditions for such nonimmigrants that will not adversely affect the working conditions of workers similarly employed (including benefits in the nature of working conditions, which are to be offered to the nonimmigrants on the same basis and in accordance with the

same criteria as the employer offers such benefits to U.S. workers; (3) There is not a strike or lockout in the course of a labor dispute in the occupational classification at the place of employment; (4) The employer has provided and will provide notice of the filing of the labor condition application to: (i) A bargaining representative of the employer’s employees in the occupational classification in the area of intended employment for which the H–1B nonimmigrants are sought, in the manner described in § 655.734(a)(1)(i); or (ii) H–1B nonimmigrants by providing electronic notice of the filing of the LCA or by posting notice in conspicuous locations at the place(s) of employment, in the manner described in § 655.734(a)(1)(ii); and (i) Each affected LCA number and its date of certification; (ii) A description of the new employing entity’s actual wage system applicable to H–1B nonimmigrant(s) who become employees of the new employing entity; (iii) The employer identification number (EIN) of the new employing entity (whether or not different from that of the predecessor entity); and (iv) A sworn statement by an authorized representative of the new employing entity expressly acknowledging such entity’s assumption of all obligations, liabilities and undertakings arising from or under attestations made in each certified and still effective LCA filed by the predecessor entity. Unless such statement is executed and made available in accordance with this paragraph, the new employing entity shall not employ any of the predecessor entity’s H–1B nonimmigrants without filing new LCAs and petitions for such nonimmigrants. The new employing entity’s statement shall include such entity’s explicit agreement to: (A) Abide by the DOL’s H–1B regulations applicable to the LCAs; (B) Maintain a copy of the statement in the public access file (see § 655.760); and (C) Make the document available to any member of the public or the Department upon request. (2) Notwithstanding the provisions of paragraph (e)(1) of this section, the new employing entity must file new LCA(s) and H–1B petition(s) when it hires any new H–1B nonimmigrant(s) or seeks extension(s) of H–1B status for existing H–1B nonimmigrant(s). In other words, the new employing entity may not utilize the predecessor entity’s LCA(s) to support the hiring or extension of any H–1B nonimmigrant after the change in corporate structure. (3) A change in an employer’s H–1B–dependency status which results from the change in the corporate structure has no effect on the employer’s obligations with respect to its current H–1B nonimmigrant employees. However, the new employing entity shall comply with § 655.736 concerning H–1B–dependency and/or willful-violator status and
§655.737 concerning exempt H-1B nonimmigrants, in the event that such entity seeks to hire new H-1B nonimmigrant(s) or to extend the H-1B status of existing H-1B nonimmigrants.

(See §655.736(d)(6).)

[65 FR 80212, Dec. 20, 2000]

§655.731 What is the first LCA requirement, regarding wages?

An employer seeking to employ H-1B nonimmigrants in a specialty occupation or as a fashion model of distinguished merit and ability shall state on Form ETA 9035 that it will pay the H-1B nonimmigrant the required wage rate.

(a) Establishing the wage requirement. The first LCA requirement shall be satisfied when the employer signs Form ETA 9035 attesting that, for the entire period of authorized employment, the required wage rate will be paid to the H-1B nonimmigrant(s); that is, that the wage shall be the greater of the actual wage rate (as specified in paragraph (a)(1) of this section) or the prevailing wage (as specified in paragraph (a)(2) of this section). The wage requirement includes the employer’s obligation to offer benefits and eligibility for benefits provided as compensation for services to H-1B nonimmigrants on the same basis, and in accordance with the same criteria, as the employer offers to U.S. workers.

(b) The actual wage is the wage rate paid by the employer to all other individuals with similar experience and qualifications for the specific employment in question. In determining such wage level, the following factors may be considered: Experience, qualifications, education, job responsibility and function, specialized knowledge, and other legitimate business factors. “Legitimate business factors,” for purposes of this section, means those that it is reasonable to conclude are necessary because they conform to recognized principles or can be demonstrated by accepted rules and standards. Where there are other employees with substantially similar experience and qualifications in the specific employment in question—i.e., they have substantially the same duties and responsibilities as the H-1B nonimmigrant—the actual wage shall be the amount paid to these other employees. Where no such other employees exist at the place of employment, the actual wage shall be the wage paid to the H-1B nonimmigrant by the employer. Where the employer’s pay system or scale provides for adjustments during the period of the LCA—e.g., cost of living increases or other periodic adjustments, or the employee moves to a more advanced level in the same occupation—such adjustments shall be provided to similarly employed H-1B nonimmigrants (unless the prevailing wage is higher than the actual wage).

(1) The prevailing wage, for the occupational classification in the area of intended employment must be determined as of the time of filing the application. The employer shall base the prevailing wage on the best information as of the time of filing the application. Except as provided in paragraph (a)(3) of this section, the employer is not required to use any specific methodology to determine the prevailing wage and may utilize a SESA, an independent authoritative source, or other legitimate sources of data. One of the following sources shall be used to establish the prevailing wage:

(A) A wage determination for the occupation and area issued under one of the following statutes (which shall be available through the SESA):

(i) The Davis-Bacon Act, 40 U.S.C. 276a et seq. (see also 29 CFR part 1), or

(ii) The McNamara-O’Hara Service Contract Act, 41 U.S.C. 351 et seq. (SCA) (see also 29 CFR part 4). The following provisions apply to the use of the SCA wage rate as the prevailing wage:

(1) Where an SCA wage determination for an occupational classification in the computer industry states a rate of $27.63, that rate will not be issued by the SESA and may not be used by the employer as the prevailing wage; that rate does not represent the actual prevailing wage but, instead, is reported by the Wage and Hour Division in the SCA determination merely as an artificial “cap” in the SCA-required wage that results from an SCA exemption provision (see 41 U.S.C. 357(b); 29 CFR 541.3). In such circumstances, the SESA and the employer must consult another
§ 655.731  

source for wage information (e.g., Bureau of Labor Statistics’ Occupational Employment Statistics Survey).

(2) Except as provided in paragraph (a)(2)(i)(B)(1) of this section, for purposes of the determination of the H–1B prevailing wage for an occupational classification through the use of an SCA wage determination, it is irrelevant whether a worker is employed on a contract subject to the SCA or whether the worker would be exempt from the SCA through application of the SCA/FLSA ‘‘professional employee’’ exemption test (i.e., duties and compensation; see 29 CFR 4156; 541.3). Thus, in issuing the SCA wage rate as the prevailing wage determination for the occupational classification, the SESA will not consider questions of employee exemption, and in an enforcement action, the Department will consider the SCA wage rate to be the prevailing wage without regard to whether any particular H–1B employee(s) could be exempt from that wage as SCA contract workers under the SCA/FLSA exemption. An employer who employs H–1B employee(s) to perform services under an SCA-covered contract may find that the H–1B employees are required to be paid the SCA rate as the H–1B prevailing wage even though non–H–1B employees performing the same services may be exempt from the SCA.

(ii) A union contract which was negotiated at arms-length between a union and the employer, which contains a wage rate applicable to the occupation; or

(iii) If the job opportunity is in an occupation which is not covered by paragraph (a)(2)(i) or (ii) of this section, the prevailing wage shall be the weighted average rate of wages, that is, the rate of wages to be determined, to the extent feasible, by adding the wages paid to workers similarly employed in the area of intended employment and dividing the total by the number of such workers. Since it is not always feasible to determine such an average rate of wages with exact precision, the wage set forth in the application shall be considered as meeting the prevailing wage standard if it is within five percent of the average rate of wages. See paragraph (c) of this section, regarding payment of required wages. See also paragraph (d)(4) of this section, regarding enforcement. The prevailing wage rate under this paragraph (a)(2)(iii) shall be based on the best information available. The Department believes that the following prevailing wage sources are, in order of priority, the most accurate and reliable:

(A) A SESA Determination. Upon receipt of a written request for a prevailing wage determination, the SESA will determine whether the occupation is covered by a Davis-Bacon or Service Contract Act wage determination, and, if not, whether it has on file current prevailing wage information for the occupation. This information will be provided by the SESA to the employer in writing in a timely manner. Where the prevailing wage is not immediately available, the SESA will determine the prevailing wage using the methods outlined at 20 CFR 656.40 and other administrative guidelines or regulations issued by ETA. The SESA shall specify the validity period of the prevailing wage, which shall in no event be for less than 90 days or more than one year from the date of the SESA’s issuance of the determination.

(I) An employer who chooses to utilize a SESA prevailing wage determination shall file the labor condition application within the validity period of the prevailing wage as specified on the determination. Once an employer obtains a prevailing wage determination from the SESA and files an LCA supported by that prevailing wage determination, the employer is deemed to have accepted the prevailing wage determination (as to the amount of the wage) and thereafter may not contest the legitimacy of the prevailing wage determination through the Employment Service complaint system or in an investigation or enforcement action. Prior to filing the LCA, the employer may challenge a SESA prevailing wage determination through the Employment Service complaint system, by filing a complaint with the SESA. See subpart E of 20 CFR part 658. Employers which challenge a SESA prevailing wage determination must obtain a final ruling from the Employment Service complaint system prior
Employment and Training Administration, Labor § 655.731

(2) If the employer is unable to wait for the SESA to produce the requested prevailing wage determination for the occupation in question, or for the Employment Service complaint system process to be completed, the employer may rely on other legitimate sources of available wage information in filing the LCA, as set forth in paragraph (a)(2)(iii)(B) and (C) of this section. If the employer later discovers, upon receipt of a prevailing wage determination from the SESA, that the information relied upon produced a wage that was below the prevailing wage for the occupation in the area of intended employment and the employer was paying below the SESA-determined wage, no wage violation will be found if the employer retroactively compensates the H-1B nonimmigrant(s) for the difference between the wage paid and the prevailing wage, within 30 days of the employer’s receipt of the SESA determination.

(3) In all situations where the employer obtains the prevailing wage determination from the SESA, the Department will accept that prevailing wage determination as correct (as to the amount of the wage) and will not question its validity where the employer has maintained a copy of the SESA prevailing wage determination. A complaint alleging inaccuracy of a SESA prevailing wage determination, in such cases, will not be investigated.

(B) An independent authoritative source. The employer may use an independent authoritative wage source in lieu of a SESA prevailing wage determination. The independent authoritative source survey must meet all the criteria set forth in paragraph (b)(3)(ii)(B) of this section.

(C) Another legitimate source of wage information. The employer may rely on other legitimate sources of wage data to obtain the prevailing wage. The other legitimate source survey must meet all the criteria set forth in paragraph (b)(3)(iii)(C) of this section. The employer will be required to demonstrate the legitimacy of the wage in the event of an investigation.

(iv) For purposes of this section, “similarly employed” means “having substantially comparable jobs in the occupational classification in the area of intended employment,” except that if no such workers are employed by employers other than the employer applicant in the area of intended employment, “similarly employed” means:

(A) Having jobs requiring a substantially similar level of skills within the area of intended employment; or
(B) If there are no substantially comparable jobs in the area of intended employment, having substantially comparable jobs with employers outside of the area of intended employment.

(v) A prevailing wage determination for LCA purposes made pursuant to this section shall not permit an employer to pay a wage lower than that required under any other applicable Federal, State or local law.

(vi) Where a range of wages is paid by the employer to individuals in an occupational classification or among individuals with similar experience and qualifications for the specific employment in question, a range is considered to meet the prevailing wage requirement so long as the bottom of the wage range is at least the prevailing wage rate.

(vii) The employer shall enter the prevailing wage on the LCA in the form in which the employer will pay the wage (i.e., either a salary or an hourly rate), except that in all cases the prevailing wage must be expressed as an hourly wage if the H-1B nonimmigrant will be employed part-time. Where an employer obtains a prevailing wage determination (from any of the sources identified in paragraph (a)(2)(i) through (iii) of this section) that is expressed as an hourly rate, the employer may convert this determination to a salary by multiplying the hourly rate by 2080. Conversely, where an employer obtains a prevailing wage (from any of these sources) that is expressed as a salary, the employer may convert this determination to an hourly rate by dividing the salary by 2080.
(viii) In computing the prevailing wage for a job opportunity in an occupational classification in an area of intended employment in the case of an employee of an institution of higher education or an affiliated or related nonprofit entity, a nonprofit research organization, or a Governmental research organization as these terms are defined in 20 CFR 656.40(c), the prevailing wage level shall only take into account employees at such institutions and organizations in the area of intended employment.

(ix) An employer may file more than one LCA for the same occupational classification in the same area of employment and, in such circumstances, the employer could have H-1B employees in the same occupational classification in the same area of employment, brought into the U.S. (or accorded H-1B status) based on petitions approved pursuant to different LCAs (filed at different times) with different prevailing wage determinations. Employers are advised that the prevailing wage rate as to any particular H-1B nonimmigrant is prescribed by the LCA which supports that nonimmigrant’s H-1B petition. The employer is required to obtain the prevailing wage at the time that the LCA is filed (see §655.750). The LCA is valid for the period certified by ETA, and the employer must satisfy all the LCA’s requirements (including the required wage which encompasses both prevailing and actual wage rates) for as long as any H-1B nonimmigrants are employed pursuant to that LCA. Where new nonimmigrants are employed pursuant to a new LCA, that new LCA prescribes the employer’s obligations as to those new nonimmigrants. The prevailing wage determination on the later/subsequent LCA does not “relate back” to operate as an “update” of the prevailing wage for the previously-filed LCA for the same occupational classification in the same area of employment. However, employers are cautioned that the actual wage component to the required wage may, as a practical matter, eliminate any wage-payment differentiation among H-1B employees based on different prevailing wage rates stated in applicable LCAs. Every H-1B nonimmigrant is to be paid in accordance with the employer’s actual wage system, and thus to receive any pay increases which that system provides.

(3) Once the prevailing wage rate is established, the H-1B employer then shall compare this wage with the actual wage rate for the specific employment in question at the place of employment and must pay the H-1B nonimmigrant at least the higher of the two wages.

(b) Documentation of the wage statement. (1) The employer shall develop and maintain documentation sufficient to meet its burden of proving the validity of the wage statement required in paragraph (a) of this section and attested to on Form ETA 9035. Documentation shall also be made available for public examination to the extent required by §655.760. The employer shall also document that the wage rate(s) paid to H-1B nonimmigrant(s) is(are) no less than the required wage rate(s). The documentation shall include information about the employer’s wage rate(s) for all other employees for the specific employment in question at the place of employment, beginning with the date the labor condition application was submitted and continuing throughout the period of employment. The records shall be retained for the period of time specified in §655.760. The payroll records for each such employee shall include:

(i) Employee’s full name;
(ii) Employee’s home address;
(iii) Employee’s occupation;
(iv) Employee’s rate of pay;
(v) Hours worked each day and each week by the employee if:

(A) The employee is paid on other than a salary basis (e.g., hourly, piece-rate, commission); or

(B) With respect only to H-1B nonimmigrants, the worker is a part-time employee (whether paid a salary or an hourly rate).

(vi) Total additions to or deductions from pay each pay period, by employee; and

(vii) Total wages paid each pay period, date of pay and pay period covered by the payment, by employee.
(viii) Documentation of offer of benefits and eligibility for benefits provided as compensation for services on the same basis, and in accordance with the same criteria, as the employer offers to U.S. workers (see paragraph (c)(3) of this section):

(A) A copy of any document(s) provided to employees describing the benefits that are offered to employees, the eligibility and participation rules, how costs are shared, etc. (e.g., summary plan descriptions, employee handbooks, any special or employee-specific notices that might be sent);

(B) A copy of all benefit plans or other documentation describing benefit plans and any rules the employer may have for differentiating benefits among groups of workers;

(C) Evidence as to what benefits are actually provided to U.S. workers and H–1B nonimmigrants, including evidence of the benefits selected or declined by employees where employees are given a choice of benefits;

(D) For multinational employers who choose to provide H–1B nonimmigrants with “home country” benefits, evidence of the benefits provided to the nonimmigrant before and after he/she went to the United States. See paragraph (c)(3)(iii)(C) of this section.

(2) Actual wage. In addition to payroll data required by paragraph (b)(1) of this section (and also by the Fair Labor Standards Act), the employer shall retain documentation specifying the basis it used to establish the actual wage. The employer shall show how the wage set for the H–1B nonimmigrant relates to the wages paid by the employer to all other individuals with similar experience and qualifications for the specific employment in question at the place of employment. Where adjustments are made in the employer's pay system or scale during the validity period of the LCA, the employer shall retain documentation explaining the change and clearly showing that, after such adjustments, the wages paid to the H–1B nonimmigrant are at least the greater of the adjusted actual wage or the prevailing wage for the occupation and area of intended employment.

(3) Prevailing wage. The employer also shall retain documentation regarding its determination of the prevailing wage. This source documentation shall not be submitted to ETA with the labor condition application, but shall be retained at the employer's place of business for the length of time required in §655.760(c). Such documentation shall consist of the documentation described in paragraph (b)(3)(i), (ii), or (iii) of this section and the documentation described in paragraph (b)(1) of this section.

(i) If the employer used a wage determination issued pursuant to the provisions of the Davis-Bacon Act, 40 U.S.C. 276a et seq. (see 29 CFR part 1), or the McNamara-O'Hara Service Contract Act, 41 U.S.C. 351 et seq. (see 29 CFR part 4), the documentation shall include a copy of the determination showing the wage rate for the occupation in the area of intended employment.

(ii) If the employer used an applicable wage rate from a union contract which was negotiated at arms-length between a union and the employer, the documentation shall include an excerpt from the union contract showing the wage rate(s) for the occupation.

(iii) If the employer did not use a wage covered by the provisions of paragraph (b)(3)(i) or (b)(3)(ii) of this section, the employer's documentation shall consist of:

(A) A copy of the prevailing wage finding from the SESA for the occupation within the area of intended employment; or

(B) A copy of the prevailing wage survey for the occupation within the area of intended employment published by an independent authoritative source. For purposes of this paragraph (b)(3)(iii)(B), a prevailing wage survey for the occupation in the area of intended employment published by an independent authoritative source shall mean a survey of wages published in a book, newspaper, periodical, loose-leaf service, newsletter, or other similar medium, within the 24-month period immediately preceding the filing of the employer’s application. Such survey shall:

(1) Reflect the weighted average wage paid to workers similarly employed in the area of intended employment;
§ 655.731  20 CFR Ch. V (4–1–01 Edition)

(2) Be based upon recently collected data—e.g., within the 24-month period immediately preceding the date of publication of the survey; and

(3) Represent the latest published prevailing wage finding by the independent authoritative source for the occupation in the area of intended employment; or

(C) A copy of the prevailing wage survey or other source data acquired from another legitimate source of wage information that was used to make the prevailing wage determination. For purposes of this paragraph (b)(3)(iii)(C), a prevailing wage provided by another legitimate source of such wage information shall be one which:

(1) Reflects the weighted average wage paid to workers similarly employed in the area of intended employment;

(2) Is based on the most recent and accurate information available; and

(3) Is reasonable and consistent with recognized standards and principles in producing a prevailing wage.

(c) Satisfaction of required wage obligation. (1) The required wage must be paid to the employee, cash in hand, free and clear, when due, except that deductions made in accordance with paragraph (c)(9) of this section may reduce the cash wage below the level of the required wage. Benefits and eligibility for benefits provided as compensation for services must be offered in accordance with paragraph (c)(3) of this section.

(2) “Cash wages paid,” for purposes of satisfying the H–1B required wage, shall consist only of those payments that meet all the following criteria:

(i) Payments shown in the employer’s payroll records as earnings for the employee, and disbursed to the employee, cash in hand, free and clear, when due, except for deductions authorized by paragraph (c)(9) of this section;

(ii) Payments reported to the Internal Revenue Service (IRS) as the employee’s earnings, with appropriate withholding for the employee’s tax paid to the IRS (in accordance with the Internal Revenue Code of 1986, 26 U.S.C. 1, et seq.);

(iii) Payments of the tax reported and paid to the IRS as required by the Federal Insurance Contributions Act, 26 U.S.C. 3101, et seq. (FICA). The employer must be able to document that the payments have been so reported to the IRS and that both the employer’s and employee’s taxes have been paid except that when the H–1B nonimmigrant is a citizen of a foreign country with which the President of the United States has entered into an agreement as authorized by section 233 of the Social Security Act, 42 U.S.C. 433 (i.e., an agreement establishing a totalization arrangement between the social security system of the United States and that of the foreign country), the employer’s documentation shall show that all appropriate reports have been filed and taxes have been paid in the employee’s home country.

(iv) Payments reported, and so documented by the employer, as the employee’s earnings, with appropriate employer and employee taxes paid to all other appropriate Federal, State, and local governments in accordance with any other applicable law.

(v) Future bonuses and similar compensation (i.e., unpaid but to-be-paid) may be credited toward satisfaction of the required wage obligation if their payment is assured (i.e., they are not conditional or contingent on some event such as the employer’s annual profits). Once the bonuses or similar compensation are paid to the employee, they must meet the requirements of paragraphs (c)(2)(i) through (iv) of this section (i.e., recorded and reported as “earnings” with appropriate taxes and FICA contributions withheld and paid).

(3) Benefits and eligibility for benefits provided as compensation for services (e.g., cash bonuses; stock options; paid vacations and holidays; health, life, disability and other insurance plans; retirement and savings plans) shall be offered to the H–1B nonimmigrant(s) on the same basis, and in accordance with the same criteria, as the employer offers to U.S. workers.

(i) For purposes of this section, the offer of benefits “on the same basis, and in accordance with the same criteria” means that the employer shall offer H–1B nonimmigrants the same benefit package as it offers to U.S. workers, and may not provide more
Employment and Training Administration, Labor  § 655.731

strict eligibility or participation requirements for the H-1B nonimmigrant(s) than for similarly employed U.S. workers(s) (e.g., full-time workers compared to full-time workers; professional staff compared to professional staff). H-1B nonimmigrants are not to be denied benefits on the basis that they are “temporary employees” by virtue of their nonimmigrant status. An employer may offer greater or additional benefits to immigrant status. An employer may

years and employers are cautioned that this provision is available only if the employer’s practices do not constitute an evasion of the benefit requirements, such as where the H-1B nonimmigrant remains in the United States for most of the year, but briefly returns to the “home country” before any 90-day period would expire.

(C) Where an H-1B nonimmigrant is in the U.S. for more than 90 consecutive calendar days (or from the point where the worker is transferred to the U.S. or it is anticipated that the worker will likely remain in the U.S. more than 90 consecutive days), the employer may maintain the H-1B nonimmigrant on the benefits provided in his/her home country (i.e., “home country benefits”) (and not offer the nonimmigrant the benefits that are offered to similarly employed U.S. workers) provided that all of the following criteria are satisfied:

(1) The H-1B nonimmigrant continues to be employed in his/her home country (either with the H-1B employer or with a corporate affiliate of the employer);
§ 655.731 20 CFR Ch. V (4–1–01 Edition)

(2) The H–1B nonimmigrant is enrolled in benefits in his/her home country (in accordance with any applicable eligibility standards for such benefits);

(3) The benefits provided in his/her home country are equivalent to, or equally comparable to, the benefits offered to similarly employed U.S. workers (i.e., are no less advantageous to the nonimmigrant);

(4) The employer affords reciprocal benefits treatment for any U.S. workers while they are working out of the country, away from their permanent work stations (whether in the United States or abroad), on a temporary basis (i.e., maintains such U.S. workers on the benefits they received at their permanent work stations);

(5) If the employer offers health benefits to its U.S. workers, the employer offers the same plan on the same basis to its H–1B nonimmigrants in the United States where the employer does not provide the H–1B nonimmigrant with health benefits in the home country, or the employer’s home-country health plan does not provide full coverage (i.e., coverage comparable to what he/she would receive at the home work station) for medical treatment in his/her home country are equivalent to, or equally comparable to, the benefits offered to similarly employed U.S. workers (i.e., are no less advantageous to the nonimmigrant);

(4) The employer affords reciprocal benefits treatment for any U.S. workers while they are working out of the country, away from their permanent work stations (whether in the United States or abroad), on a temporary basis (i.e., maintains such U.S. workers on the benefits they received at their permanent work stations).

(5) If the employer offers health benefits to its U.S. workers, the employer offers the same plan on the same basis to its H–1B nonimmigrants in the United States where the employer does not provide the H–1B nonimmigrant with health benefits in the home country, or the employer’s home-country health plan does not provide full coverage (i.e., coverage comparable to what he/she would receive at the home work station) for medical treatment in his/her home country are equivalent to, or equally comparable to, the benefits offered to similarly employed U.S. workers (i.e., are no less advantageous to the nonimmigrant);

(4) The employer affords reciprocal benefits treatment for any U.S. workers while they are working out of the country, away from their permanent work stations (whether in the United States or abroad), on a temporary basis (i.e., maintains such U.S. workers on the benefits they received at their permanent work stations).

(5) If the employer offers health benefits to its U.S. workers, the employer offers the same plan on the same basis to its H–1B nonimmigrants in the United States where the employer does not provide the H–1B nonimmigrant with health benefits in the home country, or the employer’s home-country health plan does not provide full coverage (i.e., coverage comparable to what he/she would receive at the home work station) for medical treatment in his/her home country are equivalent to, or equally comparable to, the benefits offered to similarly employed U.S. workers (i.e., are no less advantageous to the nonimmigrant);

(4) The employer affords reciprocal benefits treatment for any U.S. workers while they are working out of the country, away from their permanent work stations (whether in the United States or abroad), on a temporary basis (i.e., maintains such U.S. workers on the benefits they received at their permanent work stations).

(5) If the employer offers health benefits to its U.S. workers, the employer offers the same plan on the same basis to its H–1B nonimmigrants in the United States where the employer does not provide the H–1B nonimmigrant with health benefits in the home country, or the employer’s home-country health plan does not provide full coverage (i.e., coverage comparable to what he/she would receive at the home work station) for medical treatment in his/her home country are equivalent to, or equally comparable to, the benefits offered to similarly employed U.S. workers (i.e., are no less advantageous to the nonimmigrant);

(4) The employer affords reciprocal benefits treatment for any U.S. workers while they are working out of the country, away from their permanent work stations (whether in the United States or abroad), on a temporary basis (i.e., maintains such U.S. workers on the benefits they received at their permanent work stations).

(5) If the employer offers health benefits to its U.S. workers, the employer offers the same plan on the same basis to its H–1B nonimmigrants in the United States where the employer does not provide the H–1B nonimmigrant with health benefits in the home country, or the employer’s home-country health plan does not provide full coverage (i.e., coverage comparable to what he/she would receive at the home work station) for medical treatment in his/her home country are equivalent to, or equally comparable to, the benefits offered to similarly employed U.S. workers (i.e., are no less advantageous to the nonimmigrant);

(4) The employer affords reciprocal benefits treatment for any U.S. workers while they are working out of the country, away from their permanent work stations (whether in the United States or abroad), on a temporary basis (i.e., maintains such U.S. workers on the benefits they received at their permanent work stations).

(5) If the employer offers health benefits to its U.S. workers, the employer offers the same plan on the same basis to its H–1B nonimmigrants in the United States where the employer does not provide the H–1B nonimmigrant with health benefits in the home country, or the employer’s home-country health plan does not provide full coverage (i.e., coverage comparable to what he/she would receive at the home work station) for medical treatment in his/her home country are equivalent to, or equally comparable to, the benefits offered to similarly employed U.S. workers (i.e., are no less advantageous to the nonimmigrant);

(4) The employer affords reciprocal benefits treatment for any U.S. workers while they are working out of the country, away from their permanent work stations (whether in the United States or abroad), on a temporary basis (i.e., maintains such U.S. workers on the benefits they received at their permanent work stations).
Employment and Training Administration, Labor § 655.731

the employer that has had an LCA certified and an H–1B petition approved for the H–1B nonimmigrant shall pay the nonimmigrant the required wage beginning 30 days after the date the nonimmigrant first is admitted into the U.S. pursuant to the petition, or, if the nonimmigrant is present in the United States on the date of the approval of the petition, beginning 60 days after the date the nonimmigrant becomes eligible to work for the employer. For purposes of this latter requirement, the H–1B nonimmigrant is considered to be eligible to work for the employer upon the date of need set forth on the approved H–1B petition filed by the employer, or the date of adjustment of the nonimmigrant’s status by INS, whichever is later. Matters such as the worker’s obtaining a State license would not be relevant to this determination.

(7) Wage obligation(s) for H–1B nonimmigrant in nonproductive status.

(i) Circumstances where wages must be paid. If the H–1B nonimmigrant is not performing work and is in a nonproductive status due to a decision by the employer (e.g., because of lack of assigned work), lack of a permit or license, or any other reason except as specified in paragraph (c)(7)(ii) of this section, the employer is required to pay the salaried employee the full pro-rata amount due, or to pay the hourly-wage employee for a full-time week (40 hours or such other number of hours as the employer can demonstrate to be full-time employment for hourly employees, or the full amount of the weekly salary for salaried employees) at the required wage for the occupation listed on the LCA. If the employer’s LCA carries a designation of “part-time employment,” the employer is required to pay the nonproductive employee for at least the number of hours indicated on the I–129 petition filed by the employer with the INS and incorporated by reference on the LCA. If the I–129 indicates a range of hours for part-time employment, the employer is required to pay the nonproductive employee for at least the average number of hours normally worked by the H–1B nonimmigrant, provided that such average is within the range indicated; in no event shall the employee be paid for fewer than the minimum number of hours indicated for the range of part-time employment. In all cases the H–1B nonimmigrant must be paid the required wage for all hours performing work within the meaning of the Fair Labor Standards Act, 29 U.S.C. 201 et seq.

(ii) Circumstances where wages need not be paid. If an H–1B nonimmigrant experiences a period of nonproductive status due to conditions unrelated to employment which take the nonimmigrant away from his/her duties at his/her voluntary request and convenience (e.g., touring the U.S., caring for ill relative) or render the nonimmigrant unable to work (e.g., maternity leave, automobile accident which temporarily incapacitates the nonimmigrant), then the employer shall not be obligated to pay the required wage rate during that period, provided that such period is not subject to payment under the employer’s benefit plan or other statutes such as the Family and Medical Leave Act (29 U.S.C. 2601 et seq.) or the Americans with Disabilities Act (42 U.S.C. 12101 et seq.). Payment need not be made if there has been a bona fide termination of the employment relationship. INS regulations require the employer to notify the INS that the employment relationship has been terminated so that the petition is canceled (8 CFR 214.2(h)(11)), and require the employer to provide the employee with payment for transportation home under certain circumstances (8 CFR 214.2(h)(4)(iii)(E)).

(8) If the employee works in an occupation other than that identified on the employer’s LCA, the employer’s required wage obligation is based on the occupation identified on the LCA, and not on whatever wage standards may be applicable in the occupation in which the employee may be working.

(9) “Authorized deductions,” for purposes of the employer’s satisfaction of the H–1B required wage obligation, means a deduction from wages in complete compliance with one of the following three sets of criteria (i.e., paragraph (c)(9)(i), (ii), or (iii))—

(i) Deduction which is required by law (e.g., income tax; FICA);

(ii) Deduction which is authorized by a collective bargaining agreement, or
§ 655.731

20 CFR Ch. V (4–1–01 Edition)

is reasonable and customary in the occupation and/or area of employment (e.g., union dues; contribution to premium for health insurance policy covering all employees; savings or retirement fund contribution for plan(s) in compliance with the Employee Retirement Income Security Act, 29 U.S.C. 1001, et seq.), except that the deduction may not recoup a business expense(s) of the employer (including attorney fees and other costs connected to the performance of H–1B program functions which are required to be performed by the employer, e.g., preparation and filing of LCA and H–1B petition); the deduction must have been revealed to the worker prior to the commencement of employment and, if the deduction was a condition of employment, had been clearly identified as such; and the deduction must be made against wages of U.S. workers as well as H–1B nonimmigrants (where there are U.S. workers); or

(iii) Deduction which meets the following requirements:

(A) Is made in accordance with a voluntary, written authorization by the employee (Note to paragraph (c)(9)(ii)(A): an employee’s mere acceptance of a job which carries a deduction as a condition of employment does not constitute voluntary authorization, even if such condition were stated in writing);

(B) Is for a matter principally for the benefit of the employee (Note to paragraph (c)(9)(ii)(B): housing and food allowances would be considered to meet this “benefit of employee” standard, unless the employee is in travel status, or unless the circumstances indicate that the arrangements for the employee’s housing or food are principally for the convenience or benefit of the employer (e.g., employee living at worksite in “on call” status);

(C) Is not a recoupment of the employer’s business expense (e.g., tools and equipment; transportation costs where such transportation is an incident of, and necessary to, the employment; living expenses when the employee is traveling on the employer’s business; attorney fees and other costs connected to the performance of H–1B program functions which are required to be performed by the employer (e.g., preparation and filing of LCA and H–1B petition)). (For purposes of this section, initial transportation from, and end-of-employment travel, to the worker’s home country shall not be considered a business expense.);

(D) Is an amount that does not exceed the fair market value or the actual cost (whichever is lower) of the matter covered (Note to paragraph (c)(9)(iii)(D): The employer must document the cost and value); and

(E) Is an amount that does not exceed the limits set for garnishment of wages in the Consumer Credit Protection Act, 15 U.S.C. 1673, and the regulations of the Secretary pursuant to that Act, 29 CFR part 870, under which garnishment(s) may not exceed 25 percent of an employee’s disposable earnings for a workweek.

(10) A deduction from or reduction in the payment of the required wage is not authorized (and is therefore prohibited) for the following purposes (i.e., paragraphs (c)(10) (i) and (ii)):

(i) A penalty paid by the H–1B nonimmigrant for ceasing employment with the employer prior to a date agreed to by the nonimmigrant and the employer.

(A) The employer is not permitted to require (directly or indirectly) that the nonimmigrant pay a penalty for ceasing employment with the employer prior to an agreed date. Therefore, the employer shall not make any deduction from or reduction in the payment of the required wage to collect such a penalty.

(B) The employer is permitted to receive bona fide liquidated damages from the H–1B nonimmigrant who ceases employment with the employer prior to an agreed date. However, the requirements of paragraph (c)(9)(iii) of this section must be fully satisfied, if such damages are to be received by the employer via deduction from or reduction in the payment of the required wage.

(C) The distinction between liquidated damages (which are permissible) and a penalty (which is prohibited) is to be made on the basis of the applicable State law. In general, the laws of the various States recognize that liquidated damages are amounts which are fixed or stipulated by the
Employment and Training Administration, Labor § 655.731

parties at the inception of the contract, and which are reasonable approximations or estimates of the anticipated or actual damage caused to one party by the other party’s breach of the contract. On the other hand, the laws of the various States, in general, consider that penalties are amounts which (although fixed or stipulated in the contract by the parties) are not reasonable approximations or estimates of such damage. The laws of the various States, in general, require that the relation or circumstances of the parties, and the purpose(s) of the agreement, are to be taken into account, so that, for example, an agreement to a payment would be considered to be a prohibited penalty where it is the result of fraud or where it cloaks oppression. Furthermore, as a general matter, the sum stipulated must take into account whether the contract breach is total or partial (i.e., the percentage of the employment contract completed). (See, e.g., Vanderbilt University v. DiNardo, 174 F.3d 751 (6th Cir. 1999) (applying Tennessee law); Overholt Crop Insurance Service Co. v. Travis, 941 F.2d 1361 (8th Cir. 1991) (applying Minnesota and South Dakota law); BDO Seidman v. Hirshberg, 712 N.E.2d 1220 (N.Y. 1999); Guibiano v. Cleo, Inc., 955 S.W.2d 88 (Tenn. 1999); Wotjowicz v. Greeley Anesthesia Services, P.C., 961 F.2d 520 (Colo.Ct.App. 1998); see generally, Restatement (Second) Contracts §356 (comment b); 22 Am.Jur.2d Damages §§693, 686, 690, 693, 703). In an enforcement proceeding under subpart I of this part, the Administrator shall determine, applying relevant State law (including consideration where appropriate to actions by the employer, if any, contributing to the early cessation, such as the employer’s constructive discharge of the non-immigrant or non-compliance with its obligations under the INA and its regulations) whether the payment in question constitutes liquidated damages or a penalty. (Note to paragraph (c)(10)(i)(C): The $500/$1,000 filing fee under section 214(c)(1) of the INA can never be included in any liquidated damages received by the employer. See paragraph (c)(10)(ii), which follows.)

(1) A rebate of the $500/$1,000 filing fee paid by the employer under Section 214(c)(1) of the INA. The employer may not receive, and the H-1B non-immigrant may not pay, any part of the $500 additional filing fee (for a petition filed prior to December 18, 2000) or $1,000 additional filing fee (for a petition filed on or subsequent to December 18, 2000), whether directly or indirectly, voluntarily or involuntarily. Thus, no deduction from or reduction in wages for purposes of a rebate of any part of this fee is permitted. Further, if liquidated damages are received by the employer from the H-1B nonimmigrant upon the nonimmigrant’s ceasing employment with the employer prior to a date agreed to by the nonimmigrant and the employer, such liquidated damages shall not include any part of the $500/$1,000 filing fee (see paragraph (c)(10)(i) of this section). If the filing fee is paid by a third party and the H-1B nonimmigrant reimburses all or part of the fee to such third party, the employer shall be considered to be in violation of this prohibition since the employer would in such circumstances have been spared the expense of the fee which the H-1B nonimmigrant paid.

(11) Any unauthorized deduction taken from wages is considered by the Department to be non-payment of that amount of wages, and in the event of an investigation, will result in back wage assessment (plus civil money penalties and/or disqualification from H-1B and other immigration programs, if willful).

(12) Where the employer depresses the employee’s wages below the required wage by imposing on the employee any of the employer’s business expenses(s), the Department will consider the amount to be an unauthorized deduction from wages even if the matter is not shown in the employer’s payroll records as a deduction.

(13) Where the employer makes deduction(s) for repayment of loan(s) or wage advance(s) made to the employee, the Department, in the event of an investigation, will require the employer to establish the legitimacy and purpose(s) of the loan(s) or wage advance(s), with reference to the standards set out in paragraph (c)(9)(iii) of this section.

(d) Enforcement actions. (1) In the event of an investigation pursuant to
§ 655.732 What is the second LCA requirement, regarding working conditions?

An employer seeking to employ H–1B nonimmigrants in specialty occupations or as fashion models of distinguished merit and ability shall state on Form ETA 9035 that the employment of
§ 655.733 What is the third LCA requirement, regarding strikes and lockouts?

An employer seeking to employ H–1B nonimmigrants shall state on Form ETA 9035 that there is not at that time a strike or lockout in the course of a labor dispute in the occupational classification at the place of employment. A strike or lockout which occurs after the labor condition application is filed by the employer with DOL is covered by INS regulations at 8 CFR 214.2(h)(17).

(a) Establishing the no strike or lockout requirement. The third labor condition application requirement shall be satisfied when the employer signs the labor condition application attesting that, as of the date the application is filed, the employer is not involved in a strike, lockout, or work stoppage in the course of a labor dispute in the occupational classification in the area of intended employment. Labor disputes for the purpose of this section relate only to those disputes involving employees of the employer working at the place of employment in the occupational classification named in the labor condition application. See also INS regulations at 8 CFR 214.2(h)(17) for effects of strikes or lockouts in general on the H–1B nonimmigrant’s employment.

(1) Strike or lockout subsequent to certification of labor condition application. In order to remain in compliance with the no strike or lockout labor condition statement, if a strike or lockout of workers in the same occupational classification as the H–1B nonimmigrant occurs at the place of employment during the validity of the labor condition application, the employer, within three days of the occurrence of the strike or lockout, shall submit to ETA, by U.S. mail, facsimile (FAX), or private carrier, written notice of the strike or lockout. Further, the employer shall not place, assign, lease, or otherwise contract out an H–1B nonimmigrant, during the entire period of the labor condition application’s validity, to any place of employment where there is a strike or lockout in the course of a labor dispute in the same occupational classification as the H–1B nonimmigrant. Finally, the employer shall not use the labor condition application in support of any petition filings for H–1B nonimmigrants to work in such occupational classification at such place of employment until ETA determines that the strike or lockout has ended.

(2) ETA notice to INS. Upon receiving from an employer a notice described in paragraph (a)(1) of this section, ETA shall examine the documentation, and may consult with the union at the employer’s place of business or other appropriate entities. If ETA determines that the strike or lockout is covered under INS’s “Effect of strike” regulation for “H” visa holders, ETA shall certify to INS, in the manner set forth in that regulation, that a strike or other labor dispute involving a work stoppage of workers in the same occupational classification as the H–1B nonimmigrant is
in progress at the place of employment. See 8 CFR 214.2(h)(17).

(b) Documentation of the third labor condition statement. The employer need not develop nor maintain documentation to substantiate the statement referenced in paragraph (a) of this section. In the case of an investigation, however, the employer has the burden of proof to show that there was no strike or lockout in the course of a labor dispute for the occupational classification in which an H-1B nonimmigrant is employed, either at the time the application was filed or during the validity period of the LCA.

§ 655.734 What is the fourth LCA requirement, regarding notice?

An employer seeking to employ H-1B nonimmigrants shall state on Form ETA 9035 that the employer has provided notice of the filing of the labor condition application to the bargaining representative of the employer’s employees in the occupational classification in which the H-1B nonimmigrants will be employed or are intended to be employed in the area of intended employment, or, if there is no such bargaining representative, has posted notice of filing in conspicuous locations in the employer’s establishment(s) in the area of intended employment, in the manner described in this section.

(a) Establishing the notice requirement. The fourth labor condition application requirement shall be established when the conditions of paragraphs (a)(1) and (a)(2) of this section are met.

(b)(1)(i) Where there is a collective bargaining representative for the occupational classification in which the H-1B nonimmigrants will be employed, the employer shall provide notice to the bargaining representative that a labor condition application is being, or will be, filed with ETA. The notice shall include the following statement: “Complaints alleging misrepresentation of material facts in the labor condition application and/or failure to comply with the terms of the labor condition application may be filed with any office of the Wage and Hour Division of the United States Department of Labor.”

(ii) Where there is no collective bargaining representative, the employer shall, on or within 30 days before the date the LCA is filed with ETA, provide a notice of the filing of the LCA. The notice shall indicate that H-1B nonimmigrants are sought; the number of such nonimmigrants the employer is seeking; the occupational classification; the wages offered; the period of employment; the location(s) at which the H-1B nonimmigrants will be employed; and that the LCA is available for public inspection at the H-1B employer’s principal place of business in the U.S. or at the worksite. The notice shall also include the statement: “Complaints alleging misrepresentation of material facts in the labor condition application and/or failure to comply with the terms of the labor condition application may be filed with any office of the Wage and Hour Division of the United States Department of Labor.” If the employer is an H-1B dependent employer or a willful violator, and the LCA is not being used only for exempt H-1B nonimmigrants, the notice shall also set forth the non-displacement and recruitment obligations to which the employer has attested, and shall include the following additional statement: “Complaints alleging failure to offer employment to an equally or better qualified U.S. worker, or an employer’s misrepresentation regarding such offer(s) of employment, may be filed with the Department of Justice, 10th Street & Constitution Avenue, NW., Washington, DC 20530.” The notice shall be provided in one of the two following manners:

(A) Hard copy notice, by posting a notice in at least two conspicuous locations at each place of employment where any H-1B nonimmigrant will be employed (whether such place of employment is owned or operated by the employer or by some other person or entity).
§ 655.734

Employment and Training Administration, Labor

(1) The notice shall be of sufficient size and visibility, and shall be posted in two or more conspicuous places so that workers in the occupational classification at the place(s) of employment can easily see and read the posted notice(s).

(2) Appropriate locations for posting the notices include, but are not limited to, locations in the immediate proximity of wage and hour notices required by 29 CFR 516.4 or occupational safety and health notices required by 29 CFR 1903.2(a).

(3) The notices shall be posted on or within 30 days before the date the labor condition application is filed, and shall remain posted for a total of 10 days.

(B) Electronic notice, by providing electronic notification to employees in the occupational classification (including both employees of the H–1B employer and employees of another person or entity which owns or operates the place of employment) for which H–1B nonimmigrants are sought, at each place of employment where any H–1B nonimmigrant will be employed. Such notification shall be given on or within 30 days before the date the labor condition application is filed, and shall be available to the affected employees for a total of 10 days, except that if employees are provided individual, direct notice (as by e-mail), notification only need be given once during the required time period. Notification shall be readily available to the affected employees. An employer may accomplish this by any means it ordinarily uses to communicate with its workers about job vacancies or promotion opportunities, including through its “home page” or “electronic bulletin board” to employees who have, as a practical matter, direct access to these resources; or through e-mail or an actively circulated electronic message such as the employer’s newsletter. Where affected employees at the place of employment are not on the “intranet” which provides direct access to the home page or other electronic site but do have computer access readily available, the employer may provide notice to such workers by direct electronic communication such as e-mail (i.e., a single, personal e-mail message to each such employee) or by arranging to have the notice appear for 10 days on an intranet which includes the affected employees (e.g., contractor arranges to have notice on customer’s intranet accessible to affected employees). Where employees lack practical computer access, a hard copy must be posted in accordance with paragraph (a)(1)(ii)(A) of this section, or the employer may provide employees individual copies of the notice.

(2) Where the employer places any H–1B nonimmigrant(s) at one or more worksites not contemplated at the time of filing the application, but which are within the area of intended employment listed on the LCA, the employer is required to post electronic or hard-copy notice(s) at such worksite(s), in the manner described in paragraph (a)(1) of this section, on or before the date any H–1B nonimmigrant begins work.

(3) The employer shall, no later than the date the H–1B nonimmigrant reports to work at the place of employment, provide the H–1B nonimmigrant with a copy of the LCA (Form ETA 9035) certified by the Department. Upon request, the employer shall provide the H–1B nonimmigrant with a copy of the cover pages, Form ETA 9035CP.

(b) Documentation of the fourth labor condition statement. The employer shall develop and maintain documentation sufficient to meet its burden of proving the validity of the statement referenced in paragraph (a) of this section and attested to on form ETA 9035. Such documentation shall include a copy of the dated notice and the name and address of the collective bargaining representative to whom the notice was provided. Where there is no collective bargaining representative, the employer shall note and retain the dates when, and locations where, the notice was posted and shall retain a copy of the posted notice.

(c) Records retention; records availability. The employer’s documentation shall not be submitted to ETA with the labor condition application, but shall be retained for the period of time specified in §655.760(c) of this part. The documentation shall be made available for public examination as required in
§ 655.735 What are the special provisions for short-term placement of H-1B nonimmigrants at place(s) of intended employment outside the area(s) of employment listed on the LCA?

(a) Subject to the conditions specified in this section, an employer may make short-term placements or assignments of H-1B nonimmigrant(s) at worksite(s) (place(s) of employment) in areas not listed on the employer’s approved LCA(s) without filing new labor condition application(s) for such area(s).

(b) The following conditions must be fully satisfied by an employer during all short-term placement(s) or assignment(s) of H-1B nonimmigrant(s) at worksite(s) (place(s) of employment) in areas not listed on the employer’s approved LCA(s):

(1) The employer has fully satisfied the requirements of §§655.730 through 655.734 with regard to worksite(s) located within the area(s) of intended employment listed on the employer’s LCA(s).

(2) The employer shall not place, assign, lease, or otherwise contract out any H-1B nonimmigrant(s) to any worksite where there is a strike or lockout in the course of a labor dispute in the same occupational classification(s) as that of the H-1B nonimmigrant(s).

(3) For every day the H-1B nonimmigrant(s) is placed or assigned outside the area(s) of employment listed on the approved LCA(s) for such worker(s), the employer shall:

   (i) Continue to pay such worker(s) the required wage (based on the prevailing wage at such worker(s)’ permanent worksite, or the employer’s actual wage, whichever is higher);

   (ii) Pay such worker(s) the actual cost of lodging (for both workdays and non-workdays); and

   (iii) Pay such worker(s) the actual cost of travel, meals and incidental or miscellaneous expenses (for both workdays and non-workdays).

20 CFR Ch. V (4–1–01 Edition)
nonimmigrant entering the U.S. is required to be placed at a worksite in accordance with the approved petition and supporting LCA; thus, the nonimmigrant’s initial placement or assignment cannot be a short-term placement under this section. In addition, the employer may not continuously rotate H–1B nonimmigrants on short-term placement or assignment to an area of employment in a manner that would defeat the purpose of the short-term placement option, which is to provide the employer with flexibility in assignments to afford enough time to obtain an approved LCA for an area where it intends to have a continuing presence (e.g., an employer may not rotate H–1B nonimmigrants to an area of employment for 20-day periods, with the result that nonimmigrants are continuously or virtually continuously employed in the area of employment, in order to avoid filing an LCA; such an employer would violate the short-term placement provisions).

(f) Once any H–1B nonimmigrant’s short-term placement or assignment has reached the workday limit specified in paragraph (c) of this section in an area of employment, the employer shall take one of the following actions:

(1) File an LCA and obtain ETA certification, and thereafter place any H–1B nonimmigrant(s) in that occupational classification at worksite(s) in that area pursuant to the LCA (i.e., the employer shall perform all actions required in connection with such LCA, including determination of the prevailing wage and notice to workers); or

(2) Immediately terminate the placement of any H–1B nonimmigrant(s) who reaches the workday limit in an area of employment. No worker may exceed the workday limit within the one-year period specified in paragraph (d) of this section, unless the employer first files an LCA for the occupational classification for the area of employment. Employers are cautioned that if any worker exceeds the workday limit within the one-year period, then the employer has violated the terms of its LCA(s) and the regulations in the subpart, and thereafter the short-term placement option cannot be used by the employer for H–1B nonimmigrants in that occupational classification in that area of employment.

(g) An employer is not required to use the short-term placement option provided by this section, but may choose to make each placement or assignment of an H–1B nonimmigrant at worksite(s) in a new area of employment pursuant to a new LCA for such area. Further, an employer which uses the short-term placement option is not required to continue to use the option. Such an employer may, at any time during the period identified in paragraphs (c) and (d) of this section, file an LCA for the new area of employment (performing all actions required in connection with such LCA); upon certification of such LCA, the employer’s obligation to comply with this section concerning short-term placement shall terminate. (However, see §655.731(c)(9)(11)(C) regarding payment of business expenses for employee’s travel on employer’s business.)

[65 FR 62222, Dec. 20, 2000]

§ 655.736 What are H–1B-dependent employers and willful violators?

Two attestation obligations apply only to two types of employers: H–1B-dependent employers (as described in paragraphs (a) through (e) of this section) and employers found to have willfully violated their H–1B obligations within a certain five-year period (as described in paragraph (f) of this section). These obligations apply only to certain labor condition applications filed by such employers (as described in paragraph (g) of this section), and do not apply to LCAs filed by such employers solely for the employment of “exempt” H–1B nonimmigrants (as described in paragraph (g) of this section and §655.737). These obligations require that such employers not displace U.S. workers from jobs (as described in §655.738) and that such employers recruit U.S. workers before hiring H–1B nonimmigrants (as described in §655.739).

(a) What constitutes an “H–1B-dependent” employer?

(1) “H–1B-dependent employer,” for purposes of this subpart H and subpart I of this part, means an employer that meets one of the three following standards, which are based on the ratio
between the employer’s total work force employed in the U.S. (including both U.S. workers and H-1B nonimmigrants, and measured according to full-time equivalent employees) and the employer’s H-1B nonimmigrant employees (a “head count” including both full-time and part-time H-1B employees)—

(i)(A) The employer has 25 or fewer full-time equivalent employees who are employed in the U.S.; and

(B) Employs more than seven H-1B nonimmigrants;

(ii)(A) The employer has at least 26 but not more than 50 full-time equivalent employees who are employed in the U.S.; and

(B) Employs more than 12 H-1B nonimmigrants;

(iii)(A) The employer has at least 51 full-time equivalent employees who are employed in the U.S.; and

(B) Employs H-1B nonimmigrants in a number that is equal to at least 15 percent of the number of such full-time equivalent employees.

(2) “Full-time equivalent employees” (FTEs), for purposes of paragraph (a) of this section are to be determined according to the following standards:

(i) The determination of FTEs is to include only persons employed by the employer (as defined in §655.715), and does not include bona fide consultants and independent contractors. For purposes of this section, the Department will accept the employer’s designation of persons as “employees,” provided that such persons are consistently treated as “employees” for all purposes including FICA, FLSA, etc.

(ii) The determination of FTEs is to be based on the following records:

(A) To determine the number of employees, the employer’s quarterly tax statement (or similar document) is to be used (assuming there is no issue as to whether all employees are listed on the tax statement); and

(B) To determine the number of hours of work by part-time employees, for purposes of aggregating such employees to FTEs, the last payroll (or the payrolls over the previous quarter, if the last payroll is not representative) is to be used, or where hours of work records are not maintained, other available information is to be used to make a reasonable approximation of hours of work (such as a standard work schedule). (But see paragraph (a)(2)(iii)(B)(1) of this section regarding the determination of FTEs for part-time employees without a computation of the hours worked by such employees.)

(iii) The FTEs employed by the employer means the total of the two numbers yielded by paragraphs (a)(2)(ii)(A) and (B), which follow:

(A) The number of full-time employees. A full-time employee is one who works 40 or more hours per week, unless the employer can show that less than 40 hours per week is full-time employment in its regular course of business (however, in no event would less than 35 hours per week be considered to be full-time employment). Each full-time employee equals one FTE (e.g., 50 full-time employees would yield 50 FTEs). (Note to paragraph (a)(2)(ii)(A): An employee who commonly works more than the number of hours constituting full-time employment cannot be counted as more than one FTE.); plus

(B) The part-time employees aggregated to a number of full-time equivalents, if the employer has part-time employees. For purposes of this determination, a part-time employee is one who regularly works fewer than the number of hours per week which constitutes full-time employment (e.g., employee regularly works 20 hours, where full-time employment is 35 hours per week). The aggregation of part-time employees to FTEs may be performed by either of the following methods (i.e., paragraphs (a)(2)(ii)(B)(1) or (2)):

(1) Each employee working fewer than full-time hours counted as one-half of an FTE, with the total rounded to the next higher whole number (e.g., three employees working fewer than 35 hours per week, where full-time employment is 35 hours, would yield two FTEs (i.e., 1.5 rounded to 2)); or

(2) The total number of hours worked by all part-time employees in the representative pay period, divided by the number of hours per week that constitutes full-time employment, with the quotient rounded to the nearest whole number (e.g., 72 total hours of work by three part-time employees, divided by
40 (hours per week constituting full-time employment), would yield two FTEs (i.e., 1.8 rounded to 2).

(iv) Examples of determinations of FTEs: Employer A has 100 employees, 70 of whom are full-time (with full-time employment shown to be 44 hours of work per week) and 30 of whom are part-time (with a total of 1004 hours of work by all 30 part-time employees during the representative pay period). Utilizing the method in paragraph (a)(2)(iii)(B)(1) of this section, this employer would have 85 FTEs: 70 FTEs for full-time employees, plus 15 FTEs for part-time employees (i.e., each of the 30 part-time employees counted as one-half of a full-time employee, as described in paragraph (a)(2)(iii)(B)(1) of this section). This employer would have 23 FTEs for part-time employees, if these FTEs were computed as described in paragraph (a)(2)(iii)(B)(2) of this section: 1004 total hours of work by part-time employees, divided by 44 (full-time employment), yielding 22.8, rounded to 23)). Employer B has 100 employees, 80 of whom are full-time (with full-time employment shown to be 40 hours of work per week) and 20 of whom are part-time (with a total of 630 hours of work by all 30 part-time employees during the representative pay period). This employer would have 90 FTEs: 80 FTEs for full-time employees, plus 10 FTEs for part-time employees (i.e., each of the 20 part-time employees counted as one-half of a full-time employee, as described in paragraph (a)(2)(iii)(B)(1) of this section). This employer would have 16 FTEs for part-time employees, if these FTEs were computed as described in paragraph (a)(2)(iii)(B)(2) of this section: 630 total hours of work by part-time employees, divided by 40 (full-time employment), yielding 15.7, rounded to 16).

(b) What constitutes an "employer" for purposes of determining H-1B-dependency status? Any group treated as employees of a single employer for purposes of determining whether that employer is an H-1B-dependent employer.

(1) Pursuant to section 414(b) of the IRC and related regulations, all employees “within a controlled group of corporations” (within the meaning of section 1563(a) of the IRC, determined without regard to section 1563(a)(4) and (e)(3)(C)), will be treated as employees of a single employer. A controlled group of corporations is a parent-subsidiary-controlled group, a brother-sister-controlled group, or a combined group. 26 U.S.C. 1563(a), 26 CFR 1.414(b)-1(a).

(i) A parent-subsidiary-controlled group is one or more chains of corporations connected through stock ownership with a common parent corporation where at least 80 percent of the stock (by voting rights or value) of each subsidiary corporation is owned by one or more of the other corporations (either another subsidiary or the parent corporation), and the common parent corporation owns at least 80 percent of the stock of at least one subsidiary.

(ii) A brother-sister-controlled group is a group of corporations in which five or fewer persons (individuals, estates, or trusts) own 80 percent or more of the stock of the corporations and certain other ownership criteria are satisfied.

(iii) A combined group is a group of three or more corporations, each of which is a member of a parent-subsidiary controlled group or a brother-sister-controlled group and one of which is a common parent corporation of a parent-subsidiary-controlled group and is also included in a brother-sister-controlled group.

(2) Pursuant to section 414(c) of the IRC and related regulations, all employees of trades or businesses (whether or not incorporated) that are under common control are treated as employees of a single employer. 26 U.S.C. 414(c), 26 CFR 1.414(c)-2.

(i) Trades or businesses are under common control if they are included in:
(A) A parent-subsidiary group of trades or businesses;
(B) A brother-sister group of trades or businesses; or
(C) A combined group of trades or businesses.
(ii) Trades or businesses include sole proprietorships, partnerships, estates, trusts or corporations.

(iii) The standards for determining whether trades or businesses are under common control are similar to standards that apply to controlled groups of corporations. However, pursuant to 26 CFR 1.414(c)(2), ownership of at least an 80 percent interest in the profits or capital interest of a partnership or the actuarial value of a trust or estate constitutes a controlling interest in a trade or business.

(3) Pursuant to section 414(m) of the IRC and related regulations, all employees of the members of an affiliated service group are treated as employees of a single employer. 26 U.S.C. 414(m).

(i) An affiliated service group is, generally, a group consisting of a service organization (the “first organization”), such as a health care organization, a law firm or an accounting firm, and one or more of the following:

(A) A second service organization that is a shareholder or partner in the first organization and that regularly performs services for the first organization (or is regularly associated with the first organization in performing services for third persons); or

(B) Any other organization if:

(1) A significant portion of the second organization’s business is the performance of services for the first organization (or an organization described in paragraph (b)(3)(i) of this section or for both) of a type historically performed in such service field by employees, and

(2) Ten percent or more of the interest in the second organization is held by persons who are highly compensated employees of the first organization (or an organization described in paragraph (b)(3)(i) of this section).

(ii) [Reserved]

(4) Section 414(o) of the IRC provides that the Department of the Treasury may issue regulations addressing other business arrangements, including employee leasing, in which a group of employees are treated as employed by the same employer. However, the Department of the Treasury has not issued any regulations under this provision. Therefore, that section of the IRC will not be taken into account in determining what groups of employees are considered employees of a single employer for purposes of H-1B dependency determinations, unless regulations are issued by the Treasury Department during the period the dependency provisions of the ACWIA are effective.

(5) The definitions of “single employer” set forth in paragraphs (b)(1) through (b)(3) of this section are established by the Internal Revenue Service (IRS) in regulations located at 26 CFR 1.414(b)(1)(a), (c)–2 and (m)–5. Guidance on these definitions should be sought from those regulations or from the IRS.

(c) Which employers are required to make determinations of H-1B dependency status? Every employer that intends to file an LCA or to file H-1B petition(s) or request(s) for extension(s) of H-1B status between January 19, 2001 and October 1, 2003 is required to determine whether it is an H-1B-dependent employer or a willful violator which, except as provided in §655.737, will be subject to the additional obligations for H-1B-dependent employers (see paragraph (g) of this section). During this time period, no H-1B-dependent employer or willful violator may use an LCA filed before January 19, 2001 to support a new H-1B petition or request for an extension of status. Furthermore, on all LCAs filed during this period an employer will be required to attest as to whether it is an H-1B-dependent employer or willful violator. An employer that attests that it is non-H-1B-dependent but does not meet the “snap shot” test set forth in paragraph (c)(2) of this section shall make and document a full calculation of its status. However, as explained in paragraphs (c)(1) and (2), which follow, most employers would not be required to make any calculations or to create any documentation as to the determination of H-1B status.

(1) Employers with readily apparent status concerning H-1B-dependency need not calculate that status. For most employers, regardless of their size, H-1B-dependency status (i.e., H-1B-dependent or non-H-1B-dependent) is readily apparent and would require no calculations, in that the ratio of H-1B employees to the total workforce is obvious
Employment and Training Administration, Labor § 655.736

and can easily be compared to the definition of “H–1B-dependency” (see definition set out in paragraph (a)(1) of this section).

For example: Employer A with 20 employees, only one of whom is an H–1B nonimmigrant, would obviously be non-H–1B-dependent and would not need to make calculations to confirm that status. Employer B with 45 employees, 30 of whom are H–1B nonimmigrants, would obviously be H–1B-dependent and would not need to make calculations. Employer C with 500 employees, only 30 of whom are H–1B nonimmigrants, would obviously not be H–1B-dependent and would not need to make calculations. Employer D with 1,000 employees, 850 of whom are H–1B nonimmigrants, would obviously be H–1B-dependent and would not need to make calculations. Employer E with 1,000 employees, only one of whom is an H–1B nonimmigrant, would obviously not be H–1B-dependent and would not have to make calculations.

(2) Employers with borderline H–1B-dependency status may use a “snap-shot” test to determine whether calculation of that status is necessary. Where an employer’s H–1B-dependency status (i.e., H–1B-dependent or non-H–1B-dependent) is not readily apparent, the employer may use one of the following tests to determine whether a full calculation of the status is needed:

(i) Small employer (50 or fewer employees). If the employer has 50 or fewer employees (both full-time and part-time, including H–1B nonimmigrants and U.S. workers), then the employer may compare the number of its H–1B nonimmigrant employees (both full-time and part-time) to the numbers specified in the definition set out in paragraph (a)(1) of this section, and shall fully calculate its H–1B-dependency status (i.e., calculate FTEs) where the number of its H–1B nonimmigrant employees is above the number specified in the definition. In other words, if the employer has 25 or fewer employees, and more than seven of them are H–1B nonimmigrants, then the employer shall fully calculate its status.

(ii) Large employer (51 or more employees). If the number of H–1B nonimmigrant employees (both full-time and part-time), divided by the number of full-time employees (including H–1B nonimmigrants and U.S. workers), is 0.15 or more, then an employer which believes itself to be non-H–1B-dependent shall fully calculate its H–1B-dependency status (including the calculation of FTEs). In other words, if the number of full-time employees (including H–1B nonimmigrants and U.S. workers) multiplied by 0.15 yields a number that is equal to or less than the number of H–1B nonimmigrant employees (both full-time and part-time), then the employer shall attest that it is H–1B-dependent or shall fully calculate its H–1B dependency status (including the calculation of FTEs).

(d) What documentation is the employer required to make or maintain, concerning its determination of H–1B-dependency status? All employers are required to retain copies of H–1B petitions and requests for extensions of H–1B status filed with the INS, as well as the payroll records described in §655.731(b)(1). The nature of any additional documentation would depend upon the general characteristics of the employer’s workforce, as described in paragraphs (d)(1) through (4), which follow.

(1) Employer with readily apparent status concerning H–1B-dependency. If an employer’s H–1B-dependency status (i.e., H–1B-dependent or non-H–1B-dependent) is readily apparent (as described in paragraph (c)(1) of this section), then that status must be reflected on the LCA(s) filed with the INS, as well as the payroll records described in §655.731(b)(1). The public access file maintained in accordance with §655.760 would show the H–1B-dependency status, by means of copy(ies) of the LCA(s). In the event of an enforcement action pursuant to subpart I of this part, the employer’s readily apparent status could be verified through records to be made available to the Administrator (e.g., copies of H–1B petitions; payroll records described in §655.731(b)(1)).

(2) Employer with borderline H–1B-dependency status. An employer which uses a “snap-shot” test to determine whether it should undertake a calculation of its H–1B-dependency status (as described in paragraph (c)(2) of this section) is not required to make or maintain any documentation of that “snap-shot” test. The employer’s status must be reflected on the LCA(s), which would be available in the public.
access file. In the event of an enforcement action pursuant to subpart I of this part, the employer’s records to be made available to the Administrator would enable the employer to show and the Administrator to verify the “snapshot” test (e.g., copies of H-1B petitions; payroll records described in §655.731(b)(1)).

(3) Employer with H-1B-dependent status. An employer which attests that it is H-1B-dependent—whether that status is readily apparent or is determined through calculations—is not required to make or maintain any documentation of the calculation. The employer’s status must be reflected on the LCA(s), which would be available in the public access file. In the event of an enforcement action pursuant to subpart I of this part, the employer’s designation of H-1B-dependent status on the LCA(s) would be conclusive and sufficient documentation of that status (except where the employer’s status had altered to non-H-1B-dependent and had been appropriately documented, as described in paragraph (d)(5)(ii) of this section).

(4) Employer with non-H-1B-dependent status who is required to perform full calculation. An employer which attests that it is non-H-1B-dependent and does not meet the “snapshot” test set forth in paragraph (c)(2) of this section shall retain in its records a dated copy of its calculation that it is not H-1B-dependent. In the event of an enforcement action pursuant to subpart I of this part, the employer’s records to be made available to the Administrator would enable the employer to show and the Administrator to verify the employer’s determination (e.g., copies of H-1B petitions; payroll records described in §655.731(b)(1)).

(5) Employer which changes its H-1B-dependency status due to changes in workforce. An employer may experience a change in its H-1B-dependency status due to changes in the ratio of H-1B nonimmigrant to U.S. workers in its workforce. Thus it is important that employers who wish to file a new LCA or a new H-1B petition or request for extension of status remain cognizant of their dependency status and do a recheck of such status if the make-up of their workforce changes sufficiently that their dependency status might possibly change. In the event of such a change of status, the following standards will apply:

(i) Change from non-H-1B-dependent to H-1B-dependent. An employer which experiences this change in its workforce is not required to make or maintain any record of its determination of the change of its H-1B-dependency status. The employer is not required to file new LCA(s) (which would accurately state its H-1B-dependent status), unless it seeks to hire new H-1B nonimmigrants or extend the status of existing H-1B nonimmigrants (see paragraph (g) of this section).

(ii) Change from H-1B-dependent to non-H-1B-dependent. An employer which experiences this change in its workforce is required to perform a full calculation of its status (as described in paragraph (c) of this section) and to retain a copy of such calculation in its records. If the employer seeks to hire new H-1B nonimmigrants or extend the status of existing H-1B nonimmigrants (see paragraph (g) of this section), the employer shall either file new LCAs reflecting its non-H-1B-dependent status or use its existing certified LCAs reflecting an H-1B-dependency status, in which case it shall continue to be bound by the dependent-employer attestations on such LCAs. In the event of an enforcement action pursuant to subpart I of this part, the employer’s records to be made available to the Administrator would enable the employer to show and the Administrator to verify the employer’s determination (e.g., copies of H-1B petitions; payroll records described in §655.731(b)(1)).

(6) Change in corporate structure or identity of employer. If an employer which experiences a change in its corporate structure as the result of an acquisition, merger, “spin-off,” or other such action wishes to file a new LCA or a new H-1B petition or request for extension of status, the new employing entity shall redetermine its H-1B-dependency status in accordance with paragraphs (a) and (c) of this section (see paragraph (g) of this section). (See §655.730(e), regarding change in corporate structure or identity of employer.) In the event of an enforcement action pursuant to subpart I of this
part, the employer's calculations where required under paragraph (c) of this section and its records to be made available to the Administrator would enable the employer to show and the Administrator to verify the employer's determination (e.g., copies of H-1B petitions; payroll records described in §655.731(b)(1)).

(7) “Single employer” under IRC test. If an employer utilizes the IRC single-employer definition and concludes that it is non-H-1B-dependent, the employer shall perform the “snap-shot” test set forth in paragraph (c)(2) of this section, and if it fails to meet that test, shall attest that it is H-1B-dependent or shall perform the full calculation of dependency status in accordance with paragraph (a) of this section. The employer shall place a list of the entities included as a “single employer” in the public access file maintained in accordance with §766.760. In addition, the employer shall retain in its records the “snap-shot” or full calculation of its status, as appropriate (showing the number of employees of each entity who are included in the numerator and denominator of the equation, whether the employer utilizes the “snap-shot” test or a complete calculation as described in paragraph (c) of this section). In the event of an enforcement action pursuant to subpart I of this part, the employer's records to be made available to the Administrator would enable the employer to show and the Administrator to verify the employer's determination (e.g., copies of H-1B petitions; payroll records described in §655.731(b)(1)).

(c) How is an employer's H-1B-dependency status to be shown on the LCA? The employer is required to designate its status by marking the appropriate box on the Form ETA-9035 (i.e., either H-1B-dependent or non-H-1B-dependent). An employer which marks the designation of “H-1B-dependent” may also mark the designation of its intention to seek only “exempt” H-1B non-immigrants on the LCA (see paragraph (g) of this section, and §655.737). In the event that an employer has filed an LCA designating its H-1B-dependency status (either H-1B-dependent or non-H-1B-dependent) and thereafter experiences a change of status, the employer cannot use that LCA to support H-1B petitions for new nonimmigrants or requests for extension of H-1B status for existing nonimmigrants. Similarly, an employer that is or becomes H-1B-dependent cannot continue to use an LCA filed before January 19, 2001 to support new H-1B petitions or requests for extension of status. In such circumstances, the employer shall file a new LCA accurately designating its status and shall use that new LCA to support new petitions or requests for extensions of status.

(f) What constitutes a “willful violator” employer and what are its special obligations?

(1) “Willful violator” or “willful violator employer,” for purposes of this subpart H and subpart I of this part means an employer that meets all of the following standards (i.e., paragraphs (f)(1)(i) through (iii)) —

(i) A finding of violation by the employer (as described in paragraph (f)(1)(ii)) is entered in either of the following two types of enforcement proceeding:

(A) A Department of Labor proceeding under section 212(n)(2) of the Act (8 U.S.C. 1182(n)(2)) and subpart I of this part; or

(B) A Department of Justice proceeding under section 212(n)(5) of the Act (8 U.S.C. 1182(n)(5)).

(ii) The agency finds that the employer has committed either a willful failure or a misrepresentation of a material fact during the five-year period preceding the filing of the LCA; and

(iii) The agency’s finding is entered on or after October 21, 1998.

(2) For purposes of this paragraph, “willful failure” means a violation which is a “willful failure” as defined in §655.805(c).

(g) What LCAs are subject to the additional attestation obligations?

(1) An employer that is “H-1B-dependent” (under the standards described in paragraphs (a) through (e) of this section) or is a “willful violator” (under the standards described in paragraph (f) of this section) is subject to the attestation obligations regarding displacement of U.S. workers and recruitment of U.S. workers (under the standards described in §§655.738 and 655.739, respectively) for all LCAs that
are filed during the time period specified in paragraph (2)(g) of this section, to be used to support any petitions for new H-1B nonimmigrants or any requests for extensions of status for existing H-1B nonimmigrants. An LCA which does not accurately indicate the employer’s H-1B-dependency status or willful violator status shall not be used to support H-1B petitions or requests for extensions. Further, an employer which falsely attests to non-H-1B-dependency status, or which experiences a change of status to H-1B-dependency but continues to use the LCA to support new H-1B petitions or requests for extension of status shall—despite the LCA designation of non-H-1B-dependency—be held to its obligations to comply with the attestation requirements concerning nondisplacement of U.S. workers and recruitment of U.S. workers (as described in §§655.738 and 655.739, respectively), as explicitly acknowledged and agreed on the LCA.

(2) During the period between January 19, 2001 and October 1, 2003, any employer that is “H-1B-dependent” (under the standards described in paragraphs (a) through (e) of this section) or is a “willful violator” (under the standards described in paragraph (f) of this section) shall file a new LCA accurately indicating that status in order to be able to file petition(s) for new H-1B nonimmigrant(s) or request(s) for extension(s) of status for existing H-1B nonimmigrant(s). An LCA filed prior to January 19, 2001 may not be used to support petition(s) for new H-1B nonimmigrant(s) or request(s) for extension(s) of status for existing H-1B nonimmigrants. An LCA which indicates that it will be used only for exempt H-1B nonimmigrants who are not, in fact, exempt. Further, an employer which attests that the LCA will be used only for exempt H-1B nonimmigrants but uses the LCA to employ non-exempt H-1B nonimmigrants (through petitions and/or extensions of status) shall—despite the LCA designation of exempt H-1B nonimmigrants—be held to its obligations to comply with the attestation requirements concerning nondisplacement of U.S. workers and recruitment of U.S. workers (as described in §§655.738 and 655.739, respectively), as explicitly acknowledged and agreed on the LCA.

(4) The special provisions for H-1B-dependent employers and willful violator employers do not apply to LCAs filed after October 1, 2003 (see 8 U.S.C. 1182(n)(1)(E)(ii)). However, all LCAs filed prior to that date, and containing the additional attestation obligations described in this section and §§655.737 through 655.739, will remain in effect with regard to those obligations, for so long as any H-1B nonimmigrant(s) employed pursuant to the LCA(s) remain employed by the employer.

§ 655.737 What are “exempt” H-1B nonimmigrants, and how does their employment affect the additional attestation obligations of H-1B-dependent employers and willful violator employers?

(a) An employer that is H-1B-dependent or a willful violator of the H-1B program requirements (as described in §655.736) is subject to the attestation obligations regarding displacement of U.S. workers and recruitment of U.S. workers (as described in §§655.738 and 655.739, respectively) for all LCAs that are filed during the time period specified in §655.736(g). However, these additional obligations do not apply to an LCA filed by such an employer if the LCA is used only for the employment of “exempt” H-1B nonimmigrants (through petitions and/or extensions of status) as described in this section.

(b) What is the test or standard for determining an H-1B nonimmigrant’s “exempt” status? An H-1B nonimmigrant is “exempt” for purposes of this section if

614
the nonimmigrant meets either of the two following criteria:

(1) Receives wages (including cash bonuses and similar compensation) at an annual rate equal to at least $60,000; or

(2) Has attained a master’s or higher degree (or its equivalent) in a specialty related to the intended employment.

(c) How is the $60,000 annual wage to be determined? The H-1B nonimmigrant can be considered to be an “exempt” worker, for purposes of this section, if the nonimmigrant actually receives hourly wages or annual salary totaling at least $60,000 in the calendar year. The standards applicable to the employee’s satisfaction of the required wage obligation are applicable to the determination of whether the $60,000 wages or salary are received (see §655.731(c)(2) and (3)). Thus, employer contributions or costs for benefits such as health insurance, life insurance, and pension plans cannot be counted toward the employee’s annual earnings, if projected to a full-time work schedule, would theoretically exceed $60,000 in a year. Where an employee works for less than a full year, the employee must receive at least the appropriate pro rata share of the $60,000 in order to be “exempt” (e.g., an employee who resigns after three months must be paid at least $15,000). In the event of an investigation pursuant to subpart I of this part, the Administrator will determine whether the employee has received the required $60,000 per year, using the employee’s anniversary date to determine the one-year period; for an employee who had worked for less than a full year (either at the beginning of employment, or after his/her last anniversary date), the determination as to the $60,000 annual wages will be on a pro rata basis (i.e., whether the employee had been paid at a rate of $60,000 per year (or $5,000 per month) including any unpaid, guaranteed bonuses or similar compensation).

(d) How is the “master’s or higher degree (or its equivalent) in a specialty related to the intended employment” to be determined?

(1) “Master’s or higher degree (or its equivalent),” for purposes of this section means a foreign academic degree from an institution which is accredited or recognized under the law of the country where the degree was obtained, and which is equivalent to a master’s or higher degree issued by a U.S. academic institution. The equivalence to a U.S. academic degree cannot be established through experience or through demonstration of expertise in the academic specialty (i.e., no “time equivalency” or “performance equivalency” will be recognized as substituting for a degree issued by an academic institution). The INS and the Department will consult appropriate sources of expertise in making the determination of equivalency between foreign and U.S. academic degrees. Upon the request of the INS or the Department, the employer shall provide evidence to establish that the H-1B nonimmigrant has received the degree, that the degree was earned in the asserted field of
study, including an academic transcript of courses, and that the institution from which the degree was obtained was accredited or recognized.

(2) “Specialty related to the intended employment,” for purposes of this section, means that the academic degree is in a specialty which is generally accepted in the industry or occupation as an appropriate or necessary credential or skill for the person who undertakes the employment in question. A “specialty” which is not generally accepted as appropriate or necessary to the employment would not be considered to be sufficiently “related” to afford the H-1B nonimmigrant status as an “exempt H-1B nonimmigrant.”

(e) When and how is the determination of the H-1B nonimmigrant’s “exempt” status to be made? An employer that is H-1B-dependent or a willful violator (as described in §655.736) may designate on the LCA that the LCA will be used only to support H-1B petition(s) and/or request(s) for extension of status for “exempt” H-1B nonimmigrants.

(1) If the employer makes the designation of “exempt” H-1B nonimmigrant(s) on the LCA, then the INS—as part of the adjudication of the H-1B petition or request for extension of status—will determine the worker’s “exempt” status, since an H-1B petition must be supported by an LCA consistent with the petition (i.e., occupation, area of intended employment, exempt status). The employer shall maintain, in the public access file maintained in accordance with §755.760, a list of the H-1B nonimmigrant(s) whose petition(s) and/or request(s) are supported by LCA(s) which the employer has attested will be used only for exempt H-1B nonimmigrants. In the event of an investigation under subpart I of this part, the Administrator will give conclusive effect to an INS determination of “exempt” status based on the nonimmigrant’s educational attainments (i.e., master’s or higher degree (or its equivalent) in a specialty related to the intended employment) unless the determination was based on false information. If the INS determination of “exempt” status was based on the assertion that the nonimmigrant would receive wages (including cash bonuses and similar compensation) at an annual rate equal to at least $60,000, the employer shall provide evidence to show that such wages actually were received by the nonimmigrant (consistent with paragraph (c) of this section and the regulatory standards for satisfaction or payment of the required wages as described in §655.731(c)(3)).

(2) If the employer makes the designation of “exempt” H-1B nonimmigrants on the LCA, but is found in an enforcement action under subpart I of this part to have used the LCA to employ nonimmigrants who are, in fact, not exempt, then the employer will be subject to a finding that it failed to comply with the nondisplacement and recruitment obligations (as described in §§655.738 and 655.739, respectively) and may be assessed appropriate penalties and remedies.

(3) If the employer does not make the designation of “exempt” H-1B nonimmigrants on the LCA, then the employer has waived the option of not being subject to the additional LCA attestation obligations on the basis of employing only exempt H-1B nonimmigrants under the LCA. In the event of an investigation under subpart I of this part, the Administrator will not consider the question of the nonimmigrant(s)’s “exempt” status in determining whether an H-1B-dependent employer or willful violator employer has complied with such additional LCA attestation obligations.

[65 FR 80227, Dec. 20, 2000]

§655.738 What are the “non-displacement of U.S. workers” obligations that apply to H-1B-dependent employers and willful violators, and how do they operate?

An employer that is subject to these additional attestation obligations (under the standards described in §655.736) is prohibited from displacement of any U.S. worker(s)—whether directly (in its own workforce) or secondarily (at a worksite of a second employer)—under the standards set out in this section.

(a) “United States worker” (“U.S. worker”) is defined in §655.715.

(b) “Displacement,” for purposes of this section, has two components: “lay off” of U.S. worker(s), and “essentially
equivalent jobs” held by U.S. worker(s) and H-1B nonimmigrant(s).

(1) “Lay off” of a U.S. worker means that the employer has caused the worker’s loss of employment, other than through—

(i) Discharge of a U.S. worker for inadequate performance, violation of workplace rules, or other cause related to the worker’s performance or behavior on the job;

(ii) A U.S. worker’s voluntary departure or voluntary retirement (to be assessed in light of the totality of the circumstances, under established principles concerning “constructive discharge” of workers who are pressured to leave employment);

(iii) Expiration of a grant or contract under which a U.S. worker is employed, other than a temporary employment contract entered into in order to evade the employer’s non-displacement obligation. The question is whether the loss of the contract or grant has caused the worker’s loss of employment. It would not be a layoff where the job loss results from the expiration of a grant or contract without which there is no alternative funding or need for the U.S. worker’s position on that or any other grant or contract (e.g., the expiration of a research grant that funded a project on which the worker was employed at an academic or research institution; the expiration of a staffing firm’s contract with a customer where the U.S. worker was hired expressly to work pursuant to that contract and the employer has no practice of moving workers to other customers or projects upon the expiration of contract(s)). On the other hand, it would be a layoff where the employer’s normal practice is to move the U.S. worker from one contract to another when a contract expires, and work on another contract for which the worker is qualified is available (e.g., staffing firm’s contract with one customer ends and another contract with a different customer begins); or

(iv) A U.S. worker who loses employment is offered, as an alternative to such loss, a similar employment opportunity with the same employer (or, in the case of secondary displacement at a worksite of a second employer, as described in paragraph (d) of this section, a similar employment opportunity with either employer) at equivalent or higher compensation and benefits than the position from which the U.S. worker was discharged, regardless of whether or not the U.S. worker accepts the offer. The validity of the offer of a similar employment opportunity will be assessed in light of the following factors:

(A) The offer is a bona fide offer, rather than an offer designed to induce the U.S. worker to refuse or an offer made with the expectation that the worker will refuse;

(B) The offered job provides the U.S. worker an opportunity similar to that provided in the job from which he/she is discharged, in terms such as a similar level of authority, discretion, and responsibility, a similar opportunity for advancement within the organization, and similar tenure and work scheduling;

(C) The offered job provides the U.S. worker equivalent or higher compensation and benefits to those provided in the job from which he/she is discharged. The comparison of compensation and benefits includes all forms of remuneration for employment, whether or not called wages and irrespective of the time of payment (e.g., salary or hourly wage rate; profit sharing; retirement plan; expense account; use of company car). The comparison also includes such matters as cost of living differentials and relocation expenses (e.g., a New York City “opportunity” at equivalent or higher compensation and benefits offered to a worker discharged from a job in Kansas City would provide a wage adjustment from the Kansas City pay scale and would include relocation costs).

(2) Essentially equivalent jobs. For purposes of the displacement prohibition, the job from which the U.S. worker is laid off must be essentially equivalent to the job for which an H-1B nonimmigrant is sought. To determine whether the jobs of the laid off U.S. worker(s) and the H-1B nonimmigrant(s) are essentially equivalent, the comparison(s) shall be on a one-to-one basis where appropriate (i.e., one U.S. worker left employment and one H-1B nonimmigrant joined the workforce) but shall be broader in
focus where appropriate (e.g., an employer, through reorganization, eliminates an entire department with several U.S. workers and then staffs this department’s function(s) with H-1B nonimmigrants). The following comparisons are to be made:

(i) Job responsibilities. The job of the H-1B nonimmigrant must involve essentially the same duties and responsibilities as the job from which the U.S. worker was laid off. The comparison focuses on the core elements of and competencies for the job, such as supervisory duties, or design and engineering functions, or budget and financial accountability. Peripheral, non-essential duties that could be tailored to the particular abilities of the individual workers would not be determinative in this comparison. The job responsibilities must be similar and both workers capable of performing those duties.

(ii) Qualifications and experience of the workers. The qualifications of the laid off U.S. worker must be substantially equivalent to the qualifications of the H-1B nonimmigrant. The comparison is to be confined to the experience and qualifications (e.g., training, education, ability) of the workers which are directly relevant to the actual performance requirements of the job, including the experience and qualifications that would materially affect a worker’s relative ability to perform the job better or more efficiently. While it would be appropriate to compare whether the workers in question have “substantially equivalent” qualifications and experience, the workers need not have identical qualifications and experience (e.g., a bachelor’s degree from one accredited university would be considered to be substantially equivalent to a bachelor’s degree from another accredited university; 15 years experience in an occupation would be substantially equivalent to 10 years experience in that occupation). It would not be appropriate to compare the workers’ relative ages, their sexes, or their ethnic or religious identities.

(iii) Area of employment. The job of the H-1B nonimmigrant must be located in the same area of employment as the job from which the U.S. worker was laid off. The comparison of the locations of the jobs is confined to the area within normal commuting distance of the worksite or physical location where the work of the H-1B nonimmigrant is or will be performed. For purposes of this comparison, if both such worksites or locations are within a Metropolitan Statistical Area or a Primary Metropolitan Statistical Area, they will be deemed to be within the same area of employment.

(3) The worker’s rights under a collective bargaining agreement or other employment contract are not affected by the employer’s LCA obligations as to non-displacement of such worker.

(c) Direct displacement. An H-1B-dependent or willful-violator employer (as described in §655.736) is prohibited from displacing a U.S. worker in its own workforce (i.e., a U.S. worker “employed by the employer”) within the period beginning 90 days before and ending 90 days after the filing date of an H-1B petition supported by an LCA described in §655.736(g). The following standards and guidance apply under the direct displacement prohibition:

(1) Which U.S. workers are protected against “direct displacement”? This prohibition covers the H-1B employer’s own workforce—U.S. workers “employed by the employer”—who are employed in jobs that are essentially equivalent to the jobs for which the H-1B nonimmigrant(s) are sought (as described in paragraph (b)(2) of this section). The term “employed by the employer” is defined in §655.715.

(2) When does the “direct displacement” prohibition apply? The H-1B employer is prohibited from displacing a U.S. worker during a specific period of time before and after the date on which the employer files any H-1B petition supported by the LCA which is subject to the non-displacement obligation (as described in §655.736(g)). This protected period is from 90 days before until 90 days after the petition filing date.

(3) What constitutes displacement of a U.S. worker? The H-1B employer is prohibited from laying off a U.S. worker from a job that is essentially the equivalent of the job for which an H-1B nonimmigrant is sought (as described in paragraph (b)(1) of this section).

(d) Secondary displacement. An H-1B-dependent or willful-violator employer
(as described in §655.736) is prohibited from placing certain H-1B non-immigrant(s) with another employer where there are indicia of an employment relationship between the non-immigrant and that other employer (thus possibly affecting the jobs of U.S. workers employed by that other employer), unless and until the H-1B employer makes certain inquiries and/or has certain information concerning that other employer’s displacement of similar employed U.S. workers in its workforce. Employers are cautioned that even if the required inquiry of the secondary employer is made, the H-1B-dependent or willful violator employer shall be subject to a finding of a violation of the secondary displacement prohibition if the secondary employer, in fact, displaces any U.S. worker(s) during the applicable time period (see §655.810(d)). The following standards and guidance apply under the secondary displacement prohibition:

(1) Which U.S. workers are protected against “secondary displacement”? This provision applies to U.S. workers employed by the other or “secondary” employer (not those employed by the H-1B employer) in jobs that are essentially equivalent to the jobs for which certain H-1B nonimmigrants are placed with the other/secondary employer (as described in paragraph (b)(2) of this section). The term “employed by the employer” is defined in §655.715.

(2) Which H-1B nonimmigrants activate the secondary displacement prohibition? Not every placement of an H-1B non-immigrant with another employer will activate the prohibition and—depending upon the particular facts—an H-1B employer (such as a service provider) may be able to place H-1B non-immigrant(s) at a client or customer’s worksite without being subject to the prohibition. The prohibition applies to the placement of an H-1B non-immigrant whose H-1B petition is supported by an LCA described in §655.736(g) and whose placement with the other/secondary employer meets both of the following criteria:

(i) The nonimmigrant performs duties in whole or in part at one or more worksites owned, operated, or controlled by the other/secondary employer; and

(ii) There are indicia of an employment relationship between the non-immigrant and the other/secondary employer. The relationship between the H-1B non-immigrant and the other/secondary employer need not constitute an “employment” relationship (as defined in §655.715), and the applicability of the secondary displacement provision does not establish such a relationship. Relevant indicia of an employment relationship include:

(A) The other/secondary employer has the right to control when, where, and how the nonimmigrant performs the job (the presence of this indicia would suggest that the relationship between the nonimmigrant and the other/secondary employer approaches the relationship which triggers the secondary displacement provision);

(B) The other/secondary employer furnishes the tools, materials, and equipment;

(C) The work is performed on the premises of the other/secondary employer (this indicia alone would not trigger the secondary displacement provision);

(D) There is a continuing relationship between the nonimmigrant and the other/secondary employer;

(E) The other/secondary employer has the right to assign additional projects to the nonimmigrant;

(F) The other/secondary employer sets the hours of work and the duration of the job;

(G) The work performed by the non-immigrant is part of the regular business (including governmental, educational, and non-profit operations) of the other/secondary employer;

(H) The other/secondary employer is itself in business; and

(I) The other/secondary employer can discharge the nonimmigrant from providing services.

(3) What other/secondary employers are included in the prohibition on secondary displacement of U.S. workers by the H-1B employer? The other/secondary employer who accepts the placement and/or services of the H-1B employer’s non-immigrant employee(s) need not be an H-1B employer. The other/secondary employer would often be (but is not limited to) the client or customer of an H-1B employer that is a staffing firm.
or a service provider which offers the services of H–1B nonimmigrants under a contract (e.g., a medical staffing firm under contract with a nursing home provides H–1B nonimmigrant physical therapists; an information technology staffing firm under contract with a bank provides H–1B nonimmigrant computer engineers). Only the H–1B employer placing the nonimmigrant with the secondary employer is subject to the non-displacement obligation on the LCA, and only that employer is liable in an enforcement action pursuant to subpart I of this part if the other/secondary employer, in fact, displaces any of its U.S. worker(s) during the applicable time period. The other/secondary employer will not be subject to sanctions in an enforcement action pursuant to subpart I of this part (except in circumstances where such other/secondary employer is, in fact, an H–1B employer and is found to have failed to comply with its own obligations). (Note to paragraph (d)(3): Where an employer failed to comply with its own obligations of inquiry concerning potential secondary displacement, through methods which may include (but are not limited to)—

(A) Securing and retaining a written assurance from the other/secondary employer that it has not and does not intend to displace a similarly-employed U.S. worker within the prescribed period; (B) Preparing and retaining a memorandum to the file, prepared at the same time or promptly after receiving the other/secondary employer’s oral statement that it has not and does not intend to displace a similarly-employed U.S. worker within the prescribed period (such memorandum shall include the substance of the conversation, the date of the communication, and the names of the individuals who participated in the conversation, including the person(s) who made the inquiry on behalf of the H–1B employer and made the statement on behalf of the other/secondary employer); or (C) including a secondary displacement clause in the contract between the H–1B employer and the other/secondary employer, whereby the other/secondary employer would agree that it has not and will not displace similarly-employed U.S. workers within the prescribed period.

(ii) The employer’s exercise of due diligence may require further, more particularized inquiry of the other/secondary employer in circumstances where there is information which indicates that U.S. worker(s) have been or will be displaced (e.g., where the H–1B nonimmigrants will be performing functions that the other/secondary employer performed with its own workforce in the past). The employer is not permitted to disregard information which would provide knowledge about potential secondary displacement (e.g., newspaper reports of relevant lay-offs by the other/secondary employer) if such information becomes available before the H–1B employer’s placement of
§ 655.739 What is the “recruitment of U.S. workers” obligation that applies to H-1B-dependent employers and willful violators, and how does it operate?

An employer that is subject to this additional attestation obligation (under the standards described in §655.736) is required—prior to filing the LCA or any petition or request for extension of status supported by the LCA—to take good faith steps to recruit U.S. workers in the United States for the job(s) in the United States for which the H-1B nonimmigrant(s) is/are sought. The recruitment shall use procedures that meet industry-wide standards and offer compensation that is at least as great as the required wage to be paid to H-1B nonimmigrants pursuant to §655.731(a) (i.e., the higher of the local prevailing wage or the employer’s actual wage). The employer may use legitimate selection criteria relevant to the job that are normal or customary to the type of job involved, so long as such criteria are not applied in a discriminatory manner. This section provides guidance for the employer’s compliance with the recruitment obligation.

(a) “United States worker” (“U.S. worker”) is defined in §655.715.

(b) “Industry,” for purposes of this section, means the set of employers which primarily compete for the same types of workers as those who are the subjects of the H-1B petitions to be filed pursuant to the LCA. Thus, a hospital, university, or computer software development firm is to use the recruitment standards utilized by the health care, academic, or information technology industries, respectively, in hiring workers in the occupations in question. Similarly, a staffing firm, which places its workers at job sites of other employers, is to use the recruitment standards of the industry which primarily employs such workers (e.g., the health care industry, if the staffing firm is placing physical therapists...

H-1B nonimmigrants with such employer. Under such circumstances, the H-1B employer would be expected to recontact the other/secondary employer and receive credible assurances that no lay-offs of similarly-employed U.S. workers are planned or have occurred within the prescribed period.

(e) What documentation is required of H-1B employers concerning the non-displacement obligation? The H-1B employer is responsible for demonstrating its compliance with the non-displacement obligation (whether direct or indirect), if applicable.

(1) Concerning direct displacement (as described in paragraph (c) of this section), the employer is required to retain all records the employer creates or receives concerning the circumstances under which each U.S. worker, in the same locality and same occupation as any H-1B nonimmigrant(s) hired, left its employ in the period from 90 days before to 90 days after the filing date of the employer’s petition for the H-1B nonimmigrant(s), and for any such U.S. worker(s) for whom the employer has taken any action during the period from 90 days before to 90 days after the filing date of the H-1B petition to cause the U.S. worker’s termination (e.g., a notice of future termination of the employee’s job). For all such employees, the H-1B employer shall retain at least the following documents: the employee’s name, last-known mailing address, occupational title and job description; any documentation concerning the employee’s experience and qualifications, and principal assignments; all documents concerning the departure of such employees, such as notification by the employer of termination of employment prepared by the employer or the employee and any responses thereto, and evaluations of the employee’s job performance. Finally, the employer is required to maintain a record of the terms of any offers of similar employment to such U.S. workers and the employee’s response thereto.

(2) Concerning secondary displacement (as described in paragraph (d) of this section), the H-1B employer is required to maintain documentation to show the manner in which it satisfied its obligation to make inquiries as to the displacement of U.S. workers by the other/secondary employer with which the H-1B employer places any H-1B nonimmigrants (as described in paragraph (d)(5) of this section).

§ 655.739 20 CFR Ch. V (4–1–01 Edition)

(whether in hospitals, nursing homes, or private homes); the information technology industry, if the staffing firm is placing computer programmers, software engineers, or other such workers).

(c) “Recruitment.” for purposes of this section, means the process by which an employer seeks to contact or to attract the attention of person(s) who may apply for employment, solicits applications from person(s) for employment, receives applications, and reviews and considers applications so as to present the appropriate candidates to the official(s) who make(s) the hiring decision(s) (i.e., pre-selection treatment of applications and applicants).

(d) “Solicitation methods,” for purposes of this section, means the techniques by which an employer seeks to contact or to attract the attention of potential applicants for employment, and to solicit applications from person(s) for employment.

(1) Solicitation methods may be either external or internal to the employer’s workforce (with internal solicitation to include current and former employees).

(2) Solicitation methods may be either active (where an employer takes positive, proactive steps to identify potential applicants and to get information about its job openings into the hands of such person(s)) or passive (where potential applicants find their way to an employer’s job announcements).

(i) Active solicitation methods include direct communication to incumbent workers in the employer’s operation and to workers previously employed in the employer’s operation and elsewhere in the industry; providing training to incumbent workers in the employer’s organization; contact and outreach through collective bargaining organizations, trade associations and professional associations; participation in job fairs (including at minority-serving institutions, community/junior colleges, and vocational/technical colleges); use of placement services of colleges, universities, community/junior colleges, and business/trade schools; use of public and/or private employment agencies, referral agencies, or recruitment agencies (“headhunters”).

(ii) Passive solicitation methods include advertising in general distribution publications, trade or professional journals, or special interest publications (e.g., student-oriented; targeted to underrepresented groups, including minorities, persons with disabilities, and residents of rural areas); America’s Job Bank or other Internet sites advertising job vacancies; notices at the employer’s worksite(s) and/or on the employer’s Internet “home page.”

(e) How are “industry-wide standards for recruitment” to be identified? An employer is not required to utilize any particular number or type of recruitment methods, and may make a determination of the standards for the industry through methods such as trade organization surveys, studies by consultative groups, or reports/statements from trade organizations. An employer which makes such a determination should be prepared to demonstrate the industry-wide standards in the event of an enforcement action pursuant to subpart I of this part. An employer’s recruitment shall be at a level and through methods and media which are normal, common or prevailing in the industry, including those strategies that have been shown to be successfully used by employers in the industry to recruit U.S. workers. An employer may not utilize only the lowest common denominator of recruitment methods used in the industry, or only methods which could reasonably be expected to be likely to yield few or no U.S. worker applicants, even if such unsuccessful recruitment methods are commonly used by employers in the industry. An employer’s recruitment methods shall include, at a minimum, the following:

(1) Both internal and external recruitment (i.e., both within the employer’s workforce (former as well as current workers) and among U.S. workers elsewhere in the economy); and

(2) At least some active recruitment, whether internal (e.g., training the employer’s U.S. worker(s) for the position(s)) or external (e.g., use of recruitment agencies or college placement services).

(f) How are “legitimate selection criteria relevant to the job that are normal or customary to the type of job involved” to be
identified? In conducting recruitment of U.S. workers (i.e., in soliciting applications and in pre-selection screening or considering of applicants), an employer shall apply selection criteria which satisfy all of the following three standards (i.e., paragraph (b) (1) through (3)). Under these standards, an employer would not apply spurious criteria that discriminate against U.S. worker applicants in favor of H-1B nonimmigrants. An employer that uses criteria which fail to meet these standards would be considered to have failed to conduct its recruitment of U.S. workers in good faith.

(1) Legitimate criteria, meaning criteria which are legally cognizable and not violative of any applicable laws (e.g., employer may not use age, sex, race or national origin as selection criteria);

(2) Relevant to the job, meaning criteria which have a nexus to the job’s duties and responsibilities; and

(3) Normal and customary to the type of job involved, meaning criteria which would be necessary or appropriate based on the practices and expectations of the industry, rather than on the preferences of the particular employer.

(g) What actions would constitute a prohibited “discriminatory manner” of recruitment? The employer shall not apply otherwise-legitimate screening criteria in a manner which would skew the recruitment process in favor of H-1B nonimmigrants. In other words, the employer’s application of its screening criteria shall provide full and fair solicitation and consideration of U.S. applicants. The recruitment would be considered to be conducted in a discriminatory manner if the employer applied its screening criteria in a disparate manner (whether between H-1B and U.S. workers, or between jobs where H-1B nonimmigrants are involved and jobs where such workers are not involved). The employer would also be considered to be recruiting in a discriminatory manner if it used screening criteria that are prohibited by any applicable discrimination law (e.g., sex, race, age, national origin). The employer that conducts recruitment in a discriminatory manner would be considered to have failed to conduct its recruitment of U.S. workers in good faith.

(h) What constitute “good faith steps” in recruitment of U.S. workers? The employer shall perform its recruitment, as described in paragraphs (d) through (g) of this section, so as to offer fair opportunities for employment to U.S. workers, without skewing the recruitment process against U.S. workers or in favor of H-1B nonimmigrants. No specific regimen is required for solicitation methods seeking applicants or for pre-selection treatment screening applicants. The employer’s recruitment process, including pre-selection treatment, must assure that U.S. workers are given a fair chance for consideration for a job, rather than being ignored or rejected through a process that serves the employer’s preferences with respect to the make up of its workforce (e.g., the Department would look with disfavor on a practice of interviewing H-1B applicants but not U.S. applicants, or a practice of screening the applications of H-1B nonimmigrants differently from the applications of U.S. workers). The employer shall not exercise a preference for its incumbent nonimmigrant workers who do not yet have H-1B status (e.g., workers on student visas). The employer shall recruit in the United States, seeking U.S. worker(s), for the job(s) in the United States for which H-1B nonimmigrant(s) are or will be sought.

(i) What documentation is the employer required to make or maintain, concerning its recruitment of U.S. workers?

(1) The employer shall maintain documentation of the recruiting methods used, including the places and dates of the advertisements and postings or other recruitment methods used, the content of the advertisements and postings, and the compensation terms (if such are not included in the content of the advertisements and postings). The documentation may be in any form, including copies of advertisements or proofs from the publisher, the order or confirmation from the publisher, an electronic or printed copy of the Internet posting, or a memorandum to the file.
§ 655.740 What actions are taken on labor condition applications?

(a) Actions on labor condition applications submitted for filing. Once a labor condition application has been received from an employer, a determination shall be made by the ETA regional Certifying Officer whether to certify the labor condition application or return it to the employer not certified.

(1) Certification of labor condition application. Where all items on Form ETA 9035 have been completed, the form is not obviously inaccurate, and it contains the signature of the employer or its authorized agent or representative, the regional Certifying Officer shall certify the labor condition application unless it falls within one of the categories set forth in paragraph (a)(2) of this section. The Certifying Officer shall make a determination to certify or not certify the labor condition application within 7 working days of the date the application is received and date-stamped by the Department. If the labor condition application is certified, the regional Certifying Officer shall return a certified copy of the labor condition application to the employer or the employer’s authorized agent or representative. The employer shall file the certified labor condition application with the appropriate INS office in the manner prescribed by INS. The INS shall determine whether each occupational classification named in the certified labor condition application is a specialty occupation or is a fashion model of distinguished merit and ability.

(2) Determinations not to certify labor condition applications. ETA shall not certify a labor condition application and shall return such application to the employer or the employer’s authorized agent or representative, when either or both of the following two conditions exists:

(i) When the Form ETA 9035 is not properly completed. Examples of a Form ETA 9035 which is not properly completed include instances where the employer has failed to check all the necessary boxes; or where the employer has failed to state the occupational classification, number of non-immigrants sought, wage rate, period of intended employment, place of intended employment, or prevailing wage and its source; or where the application does not contain the signature of the employer or the employer’s authorized agent or representative.

(ii) When the Form ETA 9035 contains obvious inaccuracies. An obvious inaccuracy will be found if the employer files an application in error—e.g., where the Administrator, Wage and Hour Division, after notice and opportunity for a hearing pursuant to subpart I of this part, has notified ETA in writing that the employer has been disqualified from employing H–1B non-immigrants under section 212(n)(2) of the INA. Examples of other obvious inaccuracies include stating a wage rate

§ 655.750 What is the validity period of the labor condition application?

(a) Validity of certified labor condition applications. A labor condition application which has been certified pursuant to the provisions of §655.740 of this part shall be valid for the period of employment indicated on Form ETA 9035 by the authorized DOL official; however, in no event shall the validity period of a labor condition application begin before the application is certified or exceed three years. Where the labor condition application contains multiple periods of intended employment, the validity period shall extend to the latest date indicated or three years, whichever comes first.

(b) Withdrawal of certified labor condition applications. (1) An employer who has filed a labor condition application which has been certified pursuant to §655.740 of this part may withdraw such labor condition application at any time before the expiration of the validity period of the application, provided that:

(i) H-1B nonimmigrants are not employed at the place of employment pursuant to the labor condition application; and

(ii) The Administrator has not commenced an investigation of the particular application. Any such request for withdrawal shall be null and void; and the employer shall remain bound by the labor condition application until the enforcement proceeding is completed, at which time the application may be withdrawn.

(2) Requests for withdrawals shall be in writing and shall be directed to the ETA service center at the following address: ETA Application Processing Center, P.O. Box 13640, Philadelphia PA 19101.

(3) An employer shall comply with the “required wage rate” and “prevailing working conditions” statements of its labor condition application required under §§655.731 and 655.732 of this part, respectively, even if such application is withdrawn, at any time H-1B nonimmigrants are employed pursuant to the application, unless the application is superseded by a subsequent application which is certified by ETA.

(4) An employer’s obligation to comply with the “no strike or lockout” and “notice” statements of its labor condition application is not affected by this section.

§ 655.760 What are the grounds for contesting a labor condition application?

(a) A labor condition application may be contested on any of the following grounds:

(1) The labor condition application was not certified prior to the beginning date of the intended employment.

(2) The requirements of the labor condition application have not been met.

(b) Challenges to the accuracy, truthfulness or adequacy of a certified labor condition application must be filed with the ETA. A request for a correction and resubmission of a labor condition application shall be treated as a new application by the regional office (i.e., on a “first come, first served” basis). A “resubmitted” or “corrected” labor condition application shall be treated as a new application by the regional office (i.e., on a “first come, first served” basis) except that if the labor condition application is not certified pursuant to paragraph (a)(2)(i) or (ii) of this section because of notification by the Administrator of the employer’s disqualification, such action shall be the final decision of the Secretary and no application shall be resubmitted by the employer.

(c) Truthfulness and adequacy of information. DOL is not the guarantor of the accuracy, truthfulness or adequacy of a certified labor condition application. The burden of proof is on the employer to establish the truthfulness of the information contained on the labor condition application.

(d) Requests for withdrawals shall be in writing and shall be directed to the ETA service center at the following address: ETA Application Processing Center, P.O. Box 13640, Philadelphia PA 19101.

(3) An employer shall comply with the “required wage rate” and “prevailing working conditions” statements of its labor condition application required under §§655.731 and 655.732 of this part, respectively, even if such application is withdrawn, at any time H-1B nonimmigrants are employed pursuant to the application, unless the application is superseded by a subsequent application which is certified by ETA.

(4) An employer’s obligation to comply with the “no strike or lockout” and “notice” statements of its labor condition application is not affected by this section.

§ 655.760 What are the grounds for contesting a labor condition application?

(a) A labor condition application may be contested on any of the following grounds:

(1) The labor condition application was not certified prior to the beginning date of the intended employment.

(2) The requirements of the labor condition application have not been met.

(b) Challenges to the accuracy, truthfulness or adequacy of a certified labor condition application must be filed with the ETA. A request for a correction and resubmission of a labor condition application shall be treated as a new application by the regional office (i.e., on a “first come, first served” basis). A “resubmitted” or “corrected” labor condition application shall be treated as a new application by the regional office (i.e., on a “first come, first served” basis) except that if the labor condition application is not certified pursuant to paragraph (a)(2)(i) or (ii) of this section because of notification by the Administrator of the employer’s disqualification, such action shall be the final decision of the Secretary and no application shall be resubmitted by the employer.

(c) Truthfulness and adequacy of information. DOL is not the guarantor of the accuracy, truthfulness or adequacy of a certified labor condition application. The burden of proof is on the employer to establish the truthfulness of the information contained on the labor condition application.

§ 655.760 What are the grounds for contesting a labor condition application?

(a) A labor condition application may be contested on any of the following grounds:

(1) The labor condition application was not certified prior to the beginning date of the intended employment.

(2) The requirements of the labor condition application have not been met.

(b) Challenges to the accuracy, truthfulness or adequacy of a certified labor condition application must be filed with the ETA. A request for a correction and resubmission of a labor condition application shall be treated as a new application by the regional office (i.e., on a “first come, first served” basis). A “resubmitted” or “corrected” labor condition application shall be treated as a new application by the regional office (i.e., on a “first come, first served” basis) except that if the labor condition application is not certified pursuant to paragraph (a)(2)(i) or (ii) of this section because of notification by the Administrator of the employer’s disqualification, such action shall be the final decision of the Secretary and no application shall be resubmitted by the employer.

(c) Truthfulness and adequacy of information. DOL is not the guarantor of the accuracy, truthfulness or adequacy of a certified labor condition application. The burden of proof is on the employer to establish the truthfulness of the information contained on the labor condition application.

§ 655.760 What are the grounds for contesting a labor condition application?

(a) A labor condition application may be contested on any of the following grounds:

(1) The labor condition application was not certified prior to the beginning date of the intended employment.

(2) The requirements of the labor condition application have not been met.

(b) Challenges to the accuracy, truthfulness or adequacy of a certified labor condition application must be filed with the ETA. A request for a correction and resubmission of a labor condition application shall be treated as a new application by the regional office (i.e., on a “first come, first served” basis). A “resubmitted” or “corrected” labor condition application shall be treated as a new application by the regional office (i.e., on a “first come, first served” basis) except that if the labor condition application is not certified pursuant to paragraph (a)(2)(i) or (ii) of this section because of notification by the Administrator of the employer’s disqualification, such action shall be the final decision of the Secretary and no application shall be resubmitted by the employer.

(c) Truthfulness and adequacy of information. DOL is not the guarantor of the accuracy, truthfulness or adequacy of a certified labor condition application. The burden of proof is on the employer to establish the truthfulness of the information contained on the labor condition application.
condition application (required under §§655.733 and 655.734 of this part, respectively), shall remain in effect and the employer shall remain subject to investigation and sanctions for misrepresentation on these statements even if such application is withdrawn, regardless of whether H–1B nonimmigrants are actually employed, unless the application is superseded by a subsequent application which is certified by ETA.

(5) Only for the purpose of assuring the labor standards protections afforded under the H–1B program, where an employer files a petition with INS under the H–1B classification pursuant to a certified LCA that had been withdrawn by the employer, such petition filing binds the employer to all obligations under the withdrawn LCA immediately upon receipt of such petition by INS.

(c) **Invalidation or suspension of a labor condition application.** (1) Invalidation of a labor condition application shall result from enforcement action(s) by the Administrator, Wage and Hour Division, under subpart I of this part—e.g., a final determination finding the employer’s failure to meet the application’s condition regarding strike or lockout; or the employer’s willful failure to meet the wage and working conditions provisions of the application; or the employer’s substantial failure to meet the notice of specification requirements of the application; see §§655.733 and 655.760 of this part; or the misrepresentation of a material fact in an application. Upon notice by the Administrator of the employer’s disqualification, ETA shall invalidate the application and notify the employer, or the employer’s authorized agent or representative. ETA shall notify the employer in writing of the reason(s) that the application is invalidated. When a labor condition application is invalidated, such action shall be the final decision of the Secretary.

(2) Suspension of a labor condition application may result from a discovery by ETA that it made an error in certifying the application because such application is incomplete, contains one or more obvious inaccuracies, or has not been signed. In such event, ETA shall immediately notify INS and the employer. When an application is suspended, the employer may immediately submit to the certifying officer a corrected or completed application. If ETA does not receive a corrected application within 30 days of the suspension, or if the employer was disqualified by the Administrator, the application shall be immediately invalidated as described in paragraph (c) of this section.

(3) An employer shall comply with the “required wages rate” and “prevailing working conditions” statements of its labor condition application required under §§655.731 and 655.732 of this part, respectively, even if such application is suspended or invalidated, at any time H–1B nonimmigrants are employed pursuant to the application, unless the application is superseded by a subsequent application which is certified by ETA.

(4) An employer’s obligation to comply with the “no strike or lockout” and “notice” statements of its labor condition application (required under §§655.733 and 655.734 of this part, respectively), shall remain in effect and the employer shall remain subject to investigation and sanctions for misrepresentation on these statements even if such application is suspended or invalidated, regardless of whether H–1B nonimmigrants are actually employed, unless the application is superseded by a subsequent application which is certified by ETA.

(d) **Employers subject to disqualification.** No labor condition application shall be certified for an employer which has been found to be disqualified from participation, in the H–1B program as determined in a final agency action following an investigation by the Wage and Hour Division pursuant to subpart I of this part.

§ 655.760 **What records are to be made available to the public, and what records are to be retained?**

(a) **Public examination.** The employer shall make a filed labor condition application and necessary supporting documentation available for public examination at the employer’s principal place of business in the U.S. or at the place of employment within one working day after the date on which the
labor condition application is filed with DOL. The following documentation shall be necessary:

(1) A copy of the completed labor condition application, Form ETA 9035, and cover pages, Form ETA 9033CP. If the application is submitted by facsimile transmission, the application containing the original signature shall be maintained by the employer.

(2) Documentation which provides the wage rate to be paid the H-1B nonimmigrant;

(3) A full, clear explanation of the system that the employer used to set the “actual wage” the employer has paid or will pay workers in the occupation for which the H-1B nonimmigrant is sought, including any periodic increases which the system may provide—e.g., memorandum summarizing the system or a copy of the employer’s pay system or scale (payroll records are not required, although they shall be made available to the Department in an enforcement action).

(4) A copy of the documentation the employer used to establish the “prevailing wage” for the occupation for which the H-1B nonimmigrant is sought (a general description of the source and methodology is all that is required to be made available for public examination; the underlying individual wage data relied upon to determine the prevailing wage is not a public record although it shall be made available to the Department in an enforcement action); and

(5) A copy of the document(s) with which the employer has satisfied the union/employee notification requirements of §655.734 of this part.

(6) A summary of the benefits offered to U.S. workers in the same occupational classifications as H-1B nonimmigrants, a statement as to how any differentiation in benefits is made where not all employees are offered or receive the same benefits (such summary need not include proprietary information such as the costs of the benefits to the employer, or the details of stock options or incentive distributions), and/or, where applicable, a statement that some/all H-1B nonimmigrants are receiving “home country” benefits (see §655.731(c)(3));

(7) Where the employer undergoes a change in corporate structure, a sworn statement by a responsible official of the new employing entity that it accepts all obligations, liabilities and undertakings under the LCAs filed by the predecessor employing entity, together with a list of each affected LCA and its date of certification, and a description of the actual wage system and EIN of the new employing entity (see §655.730(e)(1)).

(8) Where the employer utilizes the definition of “single employer” in the IRC, a list of any entities included as part of the single employer in making the determination as to its H-1B-dependency status (see §655.736(d)(7));

(9) Where the employer is H-1B-dependent and/or a willful violator, and indicates on the LCA(s) that only “exempt” H-1B nonimmigrants will be employed, a list of such “exempt” H-1B nonimmigrants (see §655.737(e)(1));

(10) Where the employer is H-1B-dependent or a willful violator, a summary of the recruitment methods used and the time frames of recruitment of U.S. workers (or copies of pertinent documents showing this information) (see §655.739(i)(4)).

(b) National list of applications. ETA shall compile and maintain on a current basis a list of the labor condition applications. Such list shall be by employer, showing the occupational classification, wage rate(s), number of nonimmigrants sought, period(s) of intended employment, and date(s) of need for each employer’s application. The list shall be available for public examination at the Department of Labor, 200 Constitution Avenue, NW., Room N-4565, Washington, DC 20210.

(c) Retention of records. Either at the employer’s principal place of business in the U.S. or at the place of employment, the employer shall retain copies of the records required by this subpart for a period of one year beyond the last date on which any H-1B nonimmigrant is employed under the labor condition application or, if no nonimmigrants were employed under the labor condition application, one year from the date the labor condition application expired or was withdrawn. Required payroll records for the H-1B employees
§ 655.800 and other employees in the occupational classification shall be retained at the employer’s principal place of business in the U.S. or at the place of employment for a period of three years from the date(s) of the creation of the record(s), except that if an enforcement action is commenced, all payroll records shall be retained until the enforcement proceeding is completed through the procedures set forth in subpart I of this part.

§ 655.801 What protection do employees have from retaliation?

(a) No employer subject to this subpart I or subpart H of this part shall intimidate, threaten, restrain, coerce, blacklist, discharge or in any other manner discriminate against an employee (which term includes a former employee or an applicant for employment) because the employee has—

(1) Disclosed information to the employer, or to any other person, that the employee reasonably believes evidences a violation of section 212(n) of the INA (8 U.S.C. 1182(n)) and this subpart I and subpart H of this part;

(2) Cooperated or sought to cooperate in an investigation or other proceeding concerning the employer’s compliance with the requirements of section 212(n) of the INA or any regulation relating to section 212(n), including this subpart I and subpart H of this part and any pertinent regulations of INS or the Department of Justice; or

(b) It shall be a violation of this section for any employer to engage in the conduct described in paragraph (a) of this section. Such conduct shall be subject to the penalties prescribed by section 212(n)(2)(C)(ii) of the INA or any regulation relating to section 212(n), including this subpart I and subpart H of this part and any pertinent regulations of INS or the Department of Justice; or

(c) Employer cooperation/availability of records. An employer shall at all times cooperate in administrative and enforcement proceedings. An employer being investigated shall make available to the Administrator such records, information, persons, and places as the Administrator deems appropriate to copy, transcribe, question, or inspect. No employer subject to the provisions of section 212(n) of the INA and/or this subpart I or subpart H of this part shall interfere with any official of the Department of Labor performing an investigation, inspection or law enforcement function pursuant to 8 U.S.C. 1182(n) or this subpart I or subpart H of this part. Any such interference shall be a violation of the labor condition application and this subpart I and subpart H of this part, and the Administrator may take such further actions as the Administrator considers appropriate. (Federal criminal statutes prohibit certain interference with a Federal officer in the performance of official duties. 18 U.S.C. 111 and 18 U.S.C. 1114.)

(d) Confidentiality. The Administrator shall, to the extent possible under existing law, protect the confidentiality of any person who provides information to the Department in confidence in the course of an investigation or otherwise under this subpart I or subpart H of this part.

§ 655.810 (Approved by the Office of Management and Budget under control number 1205–0310)

under section 204 or section 214(c) of the INA for at least two years, and such further administrative remedies as the Administrator considers appropriate.

(c) Pursuant to section 212(n)(2)(v) of the INA, an H-1B nonimmigrant who has filed a complaint alleging that an employer has discriminated against the employee in violation of paragraph (d)(1) of this section (or §655.501(a)) may be allowed to seek other appropriate employment in the United States, provided the employee is otherwise eligible to remain and work in the United States. Such employment may not exceed the maximum period of stay authorized for a nonimmigrant classified under section 212(n) of the INA. Further information concerning this provision should be sought from the Immigration and Naturalization Service.

(65 FR 80233, Dec. 20, 2000)

§ 655.805 What violations may the Administrator investigate?

(a) The Administrator, through investigation, shall determine whether an H-1B employer has—

(1) Filed a labor condition application with ETA which misrepresents a material fact (Note to paragraph (a)(1): Federal criminal statutes provide penalties of up to $10,000 and/or imprisonment of up to five years for knowing and willful submission of false statements to the Federal Government. 18 U.S.C. 1001; see also 18 U.S.C. 1546);

(2) Failed to pay wages (including benefits provided as compensation for services), as required under §655.731 (including payment of wages for certain nonproductive time);

(3) Failed to provide working conditions as required under §655.732;

(4) Filed a labor condition application for H-1B nonimmigrants during a strike or lockout in the course of a labor dispute in the occupational classification at the place of employment, as prohibited by §655.733;

(5) Failed to provide notice of the filing of the labor condition application, as required in §655.734;

(6) Failed to specify accurately on the labor condition application the number of workers sought, the occupational classification in which the H-1B nonimmigrant(s) will be employed, or the wage rate and conditions under which the H-1B nonimmigrant(s) will be employed;

(7) Displaced a U.S. worker (including displacement of a U.S. worker employed by a secondary employer at the worksite where an H-1B worker is placed), as prohibited by §655.738 (if applicable);

(8) Failed to make the required displacement inquiry of another employer at a worksite where H-1B nonimmigrant(s) were placed, as set forth in §655.738 (if applicable);

(9) Failed to recruit in good faith, as required by §655.739 (if applicable);

(10) Displaced a U.S. worker in the course of committing a willful violation of any of the conditions in paragraphs (a)(2) through (9) of this section, or willful misrepresentation of a material fact on a labor condition application;

(11) Required or accepted from an H-1B nonimmigrant payment or remittance of the additional $500/$1,000 fee incurred in filing an H-1B petition with the INS, as prohibited by §655.731(c)(10)(ii);

(12) Required or attempted to require an H-1B nonimmigrant to pay a penalty for ceasing employment prior to an agreed upon date, as prohibited by §655.731(c)(10)(i);

(13) Discriminated against an employee for protected conduct, as prohibited by §655.801;

(14) Failed to make available for public examination the application and necessary document(s) at the employer’s principal place of business or worksite, as required by §655.760(a);

(15) Failed to maintain documentation, as required by this part; and

(16) Failed otherwise to comply in any other manner with the provisions of this subpart I or subpart H of this part.

(b) The determination letter setting forth the investigation findings (see §655.815) shall specify if the violations were found to be substantial or willful. Penalties may be assessed and disqualification ordered for violation of the provisions in paragraphs (a)(5), (6), or (9) of this section only if the violation was found to be substantial or willful.
The penalties may be assessed and disqualification ordered for violation of the provisions in paragraphs (a)(2) or (3) of this section only if the violation was found to be willful, but the Secretary may order payment of back wages (including benefits) due for such violation whether or not the violation was willful.

(c) For purposes of this part, ‘‘willful failure’’ means a knowing failure or a reckless disregard with respect to whether the conduct was contrary to section 212(n)(1)(A)(i) or (ii) of the INA, or §§655.731 or 655.732. See McLaughlin v. Richland Shoe Co., 486 U.S. 128 (1988); see also Trans World Airlines v. Thurston, 469 U.S. 111 (1985).

(d) The provisions of this part become applicable upon the date that the employer’s LCA is certified, pursuant to §§655.740(a)(1) and 655.750, whether or not the employer hires any H-1B non-immigrants in the occupation for the period of employment covered in the labor condition application. If the period of employment specified in the labor condition application expires or the employer withdraws the application in accordance with §655.750(b), the provisions of this part will no longer apply with respect to such application, except as provided in §655.750(b)(3) and (4).

§655.806 Who may file a complaint and how is it processed?

(a) Any aggrieved party, as defined in §655.715, may file a complaint alleging a violation described in §655.805(a). The procedures for filing a complaint by an aggrieved party and its processing by the Administrator are set forth in this section. The procedures for filing and processing information alleging violations from persons or organizations that are not aggrieved parties are set forth in §655.807. With regard to complaints filed by any aggrieved person or organization—

1. No particular form of complaint is required, except that the complaint shall be written or, if oral, shall be reduced to writing by the Wage and Hour Division official who receives the complaint.

2. The complaint shall set forth sufficient facts for the Administrator to determine whether there is reasonable cause to believe that a violation as described in §655.805 has been committed, and therefore that an investigation is warranted. This determination shall be made within 10 days of the date that the complaint is received by a Wage and Hour Division official. If the Administrator determines that the complaint fails to present reasonable cause for an investigation, the Administrator shall so notify the complainant, who may submit a new complaint, with such additional information as may be necessary. No hearing or appeal pursuant to this subpart shall be available where the Administrator determines that an investigation on a complaint is not warranted.

3. If the Administrator determines that an investigation on a complaint is warranted, the complaint shall be accepted for filing; an investigation shall be conducted and a determination issued within 30 calendar days of the date of filing. The time for the investigation may be increased with the consent of the employer and the complainant, or if, for reasons outside of the control of the Administrator, the Administrator needs additional time to obtain information needed from the employer or other sources to determine whether a violation has occurred. No hearing or appeal pursuant to this subpart shall be available regarding the Administrator’s determination that an investigation on a complaint is warranted.

4. In the event that the Administrator seeks a prevailing wage determination from ETA pursuant to §655.731(d), or advice as to prevailing working conditions from ETA pursuant to §655.732(c)(2), the 30-day investigation period shall be suspended from the date of the Administrator’s request to the date of the Administrator’s receipt of the wage determination (or, in the event that the employer challenges the wage determination through the Employment Service complaint system, to the date of the completion of such complaint process).

5. A complaint must be filed not later than 12 months after the latest date on which the alleged violation(s) were committed, which would be the date on which the employer allegedly
failed to perform an action or fulfill a condition specified in the LCA, or the date on which the employer, through its action or inaction, allegedly demonstrated a misrepresentation of a material fact in the LCA. This jurisdictional bar does not affect the scope of the remedies which may be assessed by the Administrator. Where, for example, a complaint is timely filed, back wages may be assessed for a period prior to one year before the filing of a complaint.

(6) A complaint may be submitted to any local Wage and Hour Division office. The addresses of such offices are found in local telephone directories, and on the Department’s informational site on the Internet at http://www.dol.gov/dol/esa/public/contacts/whd/america2.htm. The office or person receiving such a complaint shall refer it to the office of the Wage and Hour Division administering the area in which the reported violation is alleged to have occurred.

(b) When an investigation has been conducted, the Administrator shall, pursuant to §655.815, issue a written determination as described in §655.805(a).

§655.807 How may someone who is not an “aggrieved party” allege violations, and how will those allegations be processed?

(a) Persons who are not aggrieved parties may submit information concerning possible violations of the provisions described in §655.805(a)(1) through (4) and (a)(7) through (9). No particular form is required to submit the information, except that the information shall be submitted in writing or, if oral, shall be reduced to writing by the Wage and Hour Division official who receives the information. An optional form shall be available to be used in setting forth the information. The information provided shall include:

(1) The identity of the person submitting the information and the person’s relationship, if any, to the employer or other information concerning the person’s basis for having knowledge of the employer’s employment practices or its compliance with the requirements of this subpart I and subpart H of this part; and

(2) A description of the possible violation, including a description of the facts known to the person submitting the information, in sufficient detail for the Secretary to determine if there is reasonable cause to believe that the employer has committed a willful violation of the provisions described in §655.805(a)(1), (2), (3), (4), (7), (8), or (9).

(b) The Administrator may interview the person submitting the information as appropriate to obtain further information to determine whether the requirements of this section are met. In addition, the person submitting information under this section shall be informed that his or her identity will not be disclosed to the employer without his or her permission.

(c) Information concerning possible violations must be submitted not later than 12 months after the latest date on which the alleged violation(s) were committed. The 12-month period shall be applied in the manner described in §655.806(a)(5).

(d) Upon receipt of the information, the Administrator shall promptly review the information submitted and determine:  

(1) Does the source likely possess knowledge of the employer’s practices or employment conditions or the employer’s compliance with the requirements of subpart H of this part?

(2) Has the source provided specific credible information alleging a violation of the requirements of the conditions described in §655.805(a)(1), (2), (3), (4), (7), (8), or (9)?

(3) Does the information in support of the allegations appear to provide reasonable cause to believe that the employer has committed a violation of the provisions described in §655.805(a)(1), (2), (3), (4), (7), (8), or (9), and that

(i) The alleged violation is willful?

(ii) The employer has engaged in a pattern or practice of violations?

(iii) The employer has committed substantial violations, affecting multiple employees?

(e) “Information” within the meaning of this section does not include information from an officer or employee of the Department of Labor unless it
§655.807 20 CFR Ch. V (4–1–01 Edition)

was obtained in the course of a lawful investigation, and does not include information submitted by the employer to the Attorney General or the Secretary in securing the employment of an H–1B nonimmigrant.

(f)(1) Except as provided in paragraph (f)(2) of this section, where the Administrator has received information from a source other than an aggrieved party which satisfies all of the requirements of paragraphs (a) through (d) of this section, or where the Administrator or another agency of the Department obtains such information in a lawful investigation under this or any other section of the INA or any other Act, the Administrator (by mail or facsimile transmission) shall promptly notify the employer that the information has been received, describe the nature of the allegation in sufficient detail to permit the employer to respond, and request that the employer respond to the allegation within 10 days of its receipt of the notification. The Administrator shall not identify the source or information which would reveal the identity of the source without his or her permission.

(2) The Administrator may dispense with notification to the employer of the alleged violations if the Administrator determines that such notification might interfere with an effort to secure the employer’s compliance. This determination shall not be subject to review in any administrative proceeding and shall not be subject to judicial review.

(g) After receipt of any response to the allegations provided by the employer, the Administrator will promptly review all of the information received and determine whether the allegations should be referred to the Secretary for a determination whether an investigation should be commenced by the Administrator.

(h) If the Administrator refers the allegations to the Secretary, the Secretary shall make a determination as to whether to authorize an investigation under this section.

(i) No investigation shall be commenced unless the Secretary (or the Deputy Secretary or other Acting Secretary in the absence or disability) personally authorizes the investigation and certifies—

(i) That the information provided under paragraph (a) of this section or obtained pursuant to a lawful investigation by the Department of Labor provides reasonable cause to believe that the employer has committed a violation of the provisions described in §655.805(a)(1), (2), (3), (4), (7), (8), or (9);

(ii) That there is reasonable cause to believe the alleged violations are willful, that the employer has engaged in a pattern or practice of such violations, or that the employer has committed substantial violations, affecting multiple employees; and

(iii) That the other requirements of paragraphs (a) through (d) of this section have been met.

(2) No hearing shall be available from a decision by the Administrator declining to refer allegations addressed by this section to the Secretary, and none shall be available from a decision by the Secretary certifying or declining to certify that an investigation is warranted.

(i) If the Secretary issues a certification, an investigation shall be conducted and a determination issued within 30 days after the certification is received by the local Wage and Hour office undertaking the investigation. The time for the investigation may be increased upon the agreement of the employer and the Administrator or, if for reasons outside of the control of the Administrator, additional time is necessary to obtain information needed from the employer or other sources to determine whether a violation has occurred.

(j) In the event that the Administrator seeks a prevailing wage determination from ETA pursuant to §655.731(d), or advice as to prevailing working conditions from ETA pursuant to §655.732(c)(2), the 30-day investigation period shall be suspended from the date of the Administrator’s request to the date of the Administrator’s receipt of the wage determination (or, in the event that the employer challenges the wage determination through the Employment Service complaint system, to the date of the completion of such complaint process).
§ 655.810 What remedies may be ordered if violations are found?

(a) Upon determining that an employer has failed to pay wages or provide fringe benefits as required by §§655.731 and 655.732, the Administrator shall assess and oversee the payment of back wages or fringe benefits to any H–1B nonimmigrant who has not been paid or provided fringe benefits as required. The back wages or fringe benefits shall be equal to the difference between the amount that should have been paid and the amount that actually was paid to (or with respect to) such nonimmigrant(s).

(b) Civil money penalties. The Administrator may assess civil money penalties for violations as follows:
(1) An amount not to exceed $1,000 per violation for:
   (i) A violation pertaining to strike/lockout (§655.733) or displacement of U.S. workers (§655.738);
   (ii) A substantial violation pertaining to notification (§655.734), labor condition application specificity (§655.730), or recruitment of U.S. workers (§655.739);
   (iii) A misrepresentation of material fact on the labor condition application;
   (iv) An early-termination penalty paid by the employee (§655.731(c)(10)(i));
   (v) Payment by the employee of the additional $500/$1,000 filing fee (§655.731(c)(10)(ii)); or
   (vi) Violation of the requirements of the regulations in this subpart I and subpart H of this part or the provisions regarding public access (§655.760) where the violation impedes the ability of the Administrator to determine whether a violation of section 212(n) of the INA has occurred or the ability of members of the public to have information needed to file a complaint or information regarding alleged violations of section 212(n) of the INA;
(2) An amount not to exceed $5,000 per violation for:
   (i) A willful failure pertaining to wages/working conditions (§§655.731, 655.732), strike/lockout, notification, labor condition application specificity, displacement (including placement of an H–1B nonimmigrant at a worksite where the other/secondary employer
§ 655.810 20 CFR Ch. V (4–1–01 Edition)

displaces a U.S. worker), or recruitment;
(ii) A willful misrepresentation of a material fact on the labor condition application; or
(iii) Discrimination against an employee (§ 655.801(a)); or
(3) An amount not to exceed $35,000 per violation where an employer (whether or not the employer is an H–1B-dependent employer or willful violator) displaced a U.S. worker employed by the employer in the period beginning 90 days before and ending 90 days after the filing of an H–1B petition in conjunction with any of the following violations:
(i) A willful violation of any of the provisions described in § 655.805(a)(2) through (9) pertaining to wages/working condition, strike/lockout, notification, labor condition application specificity, displacement, or recruitment; or
(ii) A willful misrepresentation of a material fact on the labor condition application (§ 655.805(a)(1)).
(c) In determining the amount of the civil money penalty to be assessed, the Administrator shall consider the type of violation committed and other relevant factors. The factors which may be considered include, but are not limited to, the following:
(1) Previous history of violation, or violations, by the employer under the INA and this subpart I or subpart H of this part;
(2) The number of workers affected by the violation or violations;
(3) The gravity of the violation or violations;

(6) The employer’s commitment to future compliance; and
(7) The extent to which the employer achieved a financial gain due to the violation, or the potential financial loss, potential injury or adverse effect with respect to other parties.
(d) Disqualification from approval of petitions. The Administrator shall notify the Attorney General pursuant to § 655.855 that the employer shall be disqualified from approval of any petitions filed by, or on behalf of, the employer pursuant to section 204 or section 214(c) of the INA for the following periods:

(2) If the Administrator finds a violation of the provisions specified in paragraph (b)(1)(i) through (iii), (b)(2), or (b)(3) of this section, the Administrator may impose such other administrative remedies as the Administrator determines to be appropriate, including but not limited to reinstatement of workers who were discriminated against in violation of § 655.805(a), reinstatement of displaced U.S. workers, back wages to workers who have been displaced or whose employment has been terminated in violation of these provisions, or other appropriate legal or equitable remedies.
(f) The civil money penalties, back wages, and/or any other remedy(ies) determined by the Administrator to be appropriate are immediately due for payment or performance upon the assessment by the Administrator, or upon the decision by an administrative law judge where a hearing is timely requested, or upon the decision by the Secretary where review is granted. The employer shall remit the amount of the civil money penalty by certified check or money order made payable to the order of “Wage and Hour Division, Labor.” The remittance shall be delivered or mailed to the Wage and Hour Division office in the manner directed in the Administrator’s notice of determination. § 655.820

How is a hearing requested?

(a) Any interested party desiring review of a determination issued under §§655.805 and 655.815, including judicial review, shall make a request for such an administrative hearing in writing to the Chief Administrative Law Judge at the address stated in the notice of determination. If such a request for an administrative hearing is timely filed, the Administrator's determination shall be inoperative unless and until the case is dismissed or the Administrative Law Judge issues an order affirming the decision.

(b) Interested parties may request a hearing in the following circumstances:

(1) The complainant or any other interested party may request a hearing where the Administrator determines, after investigation, that there is no basis for a finding that an employer has committed violation(s). In such a proceeding, the party requesting the hearing shall be the prosecuting party and the employer shall be the respondent; the Administrator may intervene as a party or appear as amicus curiae at any time in the proceeding, at the Administrator's discretion.

(2) The employer or any other interested party may request a hearing

§ 655.815 What are the requirements for the Administrator's determination?

(a) The Administrator's determination, issued pursuant to §655.806, 655.807, or 655.808, shall be served on the complainant, the employer, and other known interested parties by personal service or by certified mail at the parties' last known addresses. Where service by certified mail is not accepted by the party, the Administrator may exercise discretion to serve the determination by regular mail.

(b) The Administrator shall file with the Chief Administrative Law Judge, U.S. Department of Labor, a copy of the complaint and the Administrator’s determination.

(c) The Administrator’s written determination required by §655.805 of this part shall:

(1) Set forth the determination of the Administrator and the reason or reasons therefor, and in the case of a finding of violation(s) by an employer, prescribe any remedies, including the amount of any back wages assessed, the amount of any civil money penalties assessed and the reason thereof, and/or any other remedies assessed.

(2) Inform the interested parties that they may request a hearing pursuant to §655.820 of this part.

(3) Inform the interested parties that in the absence of a timely request for a hearing, received by the Chief Administrative Law Judge within 15 calendar days of the date of the determination, the determination of the Administrator shall become final and not appealable.

(4) Set forth the procedure for requesting a hearing, give the addresses of the Chief Administrative Law Judge (with whom the request must be filed) and the representative(s) of the Solicitor of labor (upon whom copies of the request must be served).

(5) Where appropriate, inform the parties that, pursuant to §655.855, the Administrator shall notify ETA and the Attorney General of the occurrence of a violation by the employer.

§ 655.825 What rules of practice apply to the hearing?

(a) Except as specifically provided in this subpart, and to the extent they do not conflict with the provisions of this subpart, the “Rules of Practice and Procedure for Administrative Hearings Before the Office of Administrative Law Judges” established by the Secretary at 29 CFR part 18 shall apply to administrative proceedings under this subpart.

(b) As provided in the Administrative Procedure Act, 5 U.S.C. 556, any oral or documentary evidence may be received in proceedings under this part. The Federal Rules of Evidence and subpart B of the Rules of Practice and Procedure for Administrative Hearings Before the Office of Administrative Law Judges (29 CFR part 18, subpart B) shall not apply, but principles designed to ensure production of relevant and probative evidence shall guide the admission of evidence. The administrative law judge may exclude evidence which is immaterial, irrelevant, or unduly repetitious.

§ 655.830 What rules apply to service of pleadings?

(a) Under this subpart, a party may serve any pleading or document by regular mail. Service on a party is complete upon mailing to the last known address. No additional time for filing or response is authorized where service is by mail. In the interest of expeditious proceedings, the administrative law judge may direct the parties to serve pleadings or documents by a method other than regular mail.

(b) Two (2) copies of all pleadings and other documents in any administrative law judge proceeding shall be served on the attorneys for the Administrator. One copy shall be served on the Associate Solicitor, Division of Fair Labor Standards, Office of the Solicitor, U.S. Department of Labor, 200 Constitution Avenue NW., Room N-2716, Washington, DC 20210, and one copy shall be served on the attorney representing the Administrator in the proceeding.

§ 655.840

(c) Time will be computed beginning with the day following the action and includes the last day of the period unless it is a Saturday, Sunday, or federally-observed holiday, in which case the time period includes the next business day.

§ 655.835 How will the administrative law judge conduct the proceeding?

(a) Upon receipt of a timely request for a hearing filed pursuant to and in accordance with §655.820 of this part, the Chief Administrative Law Judge shall promptly appoint an administrative law judge to hear the case.

(b) Within 7 calendar days following the assignment of the case, the administrative law judge shall notify all interested parties of the date, time and place of the hearing. All parties shall be given at least fourteen calendar days notice of such hearing.

(c) The date of the hearing shall be not more than 60 calendar days from the date of the Administrator’s determination. Because of the time constraints imposed by the INA, no request for postponement shall be granted except for compelling reasons. Even where such reasons are shown, no request for postponement of the hearing beyond the 60-day deadline shall be granted except by consent of all the parties to the proceeding.

(d) The administrative law judge may prescribe a schedule by which the parties are permitted to file a prehearing brief or other written statement of fact or law. Any such brief or statement shall be served upon each other party in accordance with §655.830 of this part. Posthearing briefs will not be permitted except at the request of the administrative law judge. When permitted, any such brief shall be limited to the issue or issues specified by the administrative law judge, shall be due within the time prescribed by the administrative law judge, and shall be served on each other party in accordance with §655.830 of this part.

§ 655.840 What are the requirements for a decision and order of the administrative law judge?

(c) Within 60 calendar days after the date of the hearing, the administrative law judge shall issue a decision. If any party desires review of the decision, including judicial review, a petition for Secretary’s review thereof shall be filed as provided in §655.845 of this subpart. If a petition for review is filed, the decision of the administrative law judge shall be inoperative unless and until the Secretary issues an order affirming the decision, or, unless and until 30 calendar days have passed after the Secretary’s receipt of the petition for review and the Secretary has not issued notice to the parties that the Secretary will review the administrative law judge’s decision.

(b) The decision of the administrative law judge shall include a statement of findings and conclusions, with reasons and basis therefor, upon each material issue presented on the record. The decision shall also include an appropriate order which may affirm, deny, reverse, or modify, in whole or in part, the determination of the Administrator; the reason or reasons for such order shall be stated in the decision.

(c) In the event that the Administrator’s determination of wage violation(s) and computation of back wages are based upon a wage determination obtained by the Administrator from ETA during the investigation (pursuant to §655.731(d)) and the administrative law judge determines that the Administrator’s request was not warranted (under the standards in §655.731(d)), the administrative law judge shall remand the matter to the Administrator for further proceedings on the existence of wage violations and/or the amount(s) of back wages owed. If there is no such determination and remand by the administrative law judge, the administrative law judge shall accept as final and accurate the wage determination obtained from ETA or, in the event either the employer or another interested party filed a timely complaint through the Employment Service complaint system, the final wage determination resulting from that process. See §655.731; see also 20 CFR 658.420 through 658.426. Under no circumstances shall the administrative law judge determine the validity of the wage determination or require submission into evidence or disclosure of
§ 655.845 What rules apply to appeal of the decision of the administrative law judge?

(a) The Administrator or any interested party desiring review of the decision and order of an administrative law judge, including judicial review, shall petition the Department’s Administrative Review Board (Board) to review the decision and order. To be effective, such petition shall be received by the Board within 30 calendar days of the date of the decision and order. Copies of the petition shall be served on all parties and on the administrative law judge.

(b) No particular form is prescribed for any petition for the Board’s review permitted by this subpart. However, any such petition shall:

(1) Be dated;
(2) Be typewritten or legibly written;
(3) Specify the issue or issues stated in the administrative law judge decision and order giving rise to such petition;
(4) State the specific reason or reasons why the party petitioning for review believes such decision and order are in error;
(5) Be signed by the party filing the petition or by an authorized representative of such party;
(6) Include the address at which such party or authorized representative desires to receive further communications relating thereto; and
(7) Attach copies of the administrative law judge’s decision and order, and any other record documents which would assist the Board in determining whether review is warranted.

(c) Whenever the Board determines to review the decision and order of an administrative law judge, a notice of the Board’s determination shall be served upon the administrative law judge, upon the Office of Administrative Law Judges, and upon all parties to the proceeding within 30 calendar days after the Board’s receipt of the petition for review. If the Board determines that it will review the decision and order, the order shall be inoperative unless and until the Board issues an order affirming the decision and order.

(d) Upon receipt of the Board’s notice, the Office of Administrative Law Judges shall forward the complete hearing record to the Board. The Board’s notice shall specify:

(1) The issue or issues to be reviewed;
(2) The form in which submissions shall be made by the parties (e.g., briefs);
(3) The time within which such submissions shall be made.

(f) All documents submitted to the Board shall be filed with the Administrative Review Board, Room S–4309, U.S. Department of Labor, Washington, DC 20210. All documents, including documents filed by mail, shall be received by the Board either on or before the due date.

(g) Copies of all documents filed with the Board shall be served upon all other parties involved in the proceeding. Service upon the Administrator shall be in accordance with §655.830(b).

(h) The Board’s final decision shall be issued within 180 calendar days from the date of the notice of intent to review. The Board’s decision shall be served upon all parties and the administrative law judge.

(i) Upon issuance of the Board’s decision, the Board shall transmit the entire record to the Chief Administrative Law Judge for custody pursuant to §655.850.
§ 655.900 Purpose, procedure and applicability of subparts J and K of this part.

(a) Purpose. The Immigration Act of 1990 (Act) at section 221 creates a three-year work authorization program beginning October 1, 1991, for aliens admitted as F-1 students described in subparagraph (F) of section 101 (a)(15) of the Immigration and Nationality Act, 8 U.S.C. 1101(a)(15)(F). The Act specifies that the Attorney General shall grant an alien authorization to be employed in a position unrelated to the alien's field of study (i.e., a position not involving curricular or post-graduate practical training) and off-campus if:

(1) The alien has completed one year of school as an F-1 student and is maintaining good academic standing at the educational institution;

(2) The employer provides the educational institution and the Secretary of Education with the needed information.

§655.900 of Labor with an attestation regarding recruitment and rate of pay specified in paragraph (b) of this section; and

(3) The alien will not be employed more than 20 hours each week during the academic term (but may be employed on a full-time basis during vacation periods and between academic terms).

Subpart J of this part sets forth the procedure for filing attestations with the Department of Labor (the Department or DOL) for employers who seek to use F–1 students for off-campus work. Subpart K of this part sets forth complaint, investigation, and disqualification provisions with respect to such attestations.

(b) Procedure. (1) An employer must comply with the following procedure in order to hire F–1 students for off-campus employment:

(i) Recruit for 60 days before filing an attestation;

(ii) File the attestation with the DOL and the Designated School Official (DSO) of the educational institution before hiring any F–1 student(s);

(iii) Hire F–1 student(s) during the 90-day period following the last day of the recruitment period; and

(iv) Initiate a new 60-day recruitment effort in order to hire any F–1 student(s), under the valid attestation, after the 90-day hiring period. (A job order placed with the SESA as part of the employer’s initial recruitment which remains “open” with the SESA shall satisfy the requirement regarding a new 60-day recruitment effort.)

(2) The employer’s attestation shall state that the employer:

(i) Has recruited unsuccessfully for at least 60 days for the position and will recruit for 60 days for each position in which an F–1 student is hired under that attestation until September 30, 1996; and

(ii) Will provide for payment to the alien and to other similarly situated workers at a rate not less than the actual wage for the occupation at the place of employment, or if greater, the prevailing wage for the occupation in the area of intended employment.

(3) The employer shall file the attestation with the Designated School Official (DSO) of each educational institution from which it seeks to hire F–1 students. In fulfilling this requirement, the employer may file the attestation initially:

(i) With the appropriate Regional Office of ETA only; or

(ii) Simultaneously with the DSO and the appropriate Regional Office of ETA.

In either instance, under paragraph (b)(3) of this section, ETA will return to the employer a copy of the attestation with ETA’s acceptance indicated thereon. The employer must then send a copy of the accepted attestation to the DSO. Where the employer has chosen to file the attestation simultaneously with DOL and the DSO, as described in paragraph (b)(3)(ii) of this section, the employer shall provide a copy of the accepted attestation to the DSO within 15 days after receiving the accepted attestation from DOL. The employer shall also retain the accepted attestation and produce it in the event the Department conducts an investigation to determine if the employer has made an attestation that is materially false or has failed to pay wages in accordance with the attestation. In no case may an employer hire an F–1 student for off-campus employment without first filing an attestation with DOL and the DSO. The employer may not file the attestation with the DSO before it is filed with DOL or in the absence of filing the attestation with DOL. The DSO may treat an attestation as accepted for filing by DOL for the purpose of authorizing F–1 student employment upon its receipt by the school.

(4) The employer may file an attestation for one or more openings in the same occupation, or one or more positions in more than one occupation, provided that all occupations are listed on the attestation and all positions are located within the same geographic area of intended employment.

(5) The attestation shall be deemed “accepted for filing” on the date it is received by DOL. Where the attestation is not completed as set forth at §655.940(f)(1) of this part, it shall be returned to the employer which will have 15 days to correct the deficiency or it will be rejected. If the attestation is rejected, DOL will notify INS. Attestations deemed unacceptable under
§ 655.940(f)(2) of this part may not be re-submitted.

(c) Applicability. Subparts J and K of this part apply to all employers who seek to employ F-1 students in off-campus work in positions unrelated to their field(s) of study.

(d) Final date. ETA will not accept attestations under this program after September 30, 1996.

(e) Revalidation of employer attestations in effect on November 30, 1995. Any employer’s attestation which was valid on November 30, 1995, is revalidated effective on November 30, 1995, and shall remain valid through September 30, 1996, unless withdrawn or invalidated.

§ 655.910 Overview of process.

This section provides a context for the attestation process to facilitate understanding by employers that seek to employ F-1 students in off-campus work.

(a) Department of Labor’s responsibilities. The Department of Labor (DOL) administers the attestation process. Within DOL, the Employment and Training Administration (ETA) shall have responsibility for accepting and filing employer attestations on behalf of F-1 students; the Employment Standards Administration (ESA) shall be responsible for conducting any investigations concerning such attestations.

(b) Employer attestation responsibilities. Prior to hiring any F-1 student(s) for off-campus employment, an employer must submit an attestation on Form ETA-9034, as described in § 655.940 of this part, to the Employment and Training Administration (ETA) of DOL at the address set forth at § 655.930 of this part.

(i) The attesting employer shall file the attestation with the Designated School Official (DSO) of each educational institution from which it seeks to hire F-1 students. If the employer is filing the attestation with the DSO simultaneously to filing it with DOL, or prior to DOL’s accepting it, the employer must provide the DSO with a copy of the accepted attestation within 15 days after receiving the attestation from DOL.

(ii) Each attestation shall be valid through September 30, 1996. Throughout the validity period of the attestation, the employer may hire F-1 students as needed, during the 90-day period immediately following each 60-day recruitment period, for the positions specified on Form ETA-9034, at the required wage rate, from any educational institution in the geographic area of intended employment. In order to employ F-1 students in any occupation(s) different from the occupation(s) specified in the attestation, the employer shall file a new attestation with ETA.

(iii) The employer shall have the burden of proving the truthfulness and accuracy of each attestation element in the event that such attestation element is challenged in an investigation.

Substantiating documentation in support of each attestation element must be maintained by the employer and shall be made available to DOL for inspection and copying upon request. If the employer maintains the specific documentation recommended in appendix A of this subpart, and the documentation is found to be truthful, accurate, and substantiates compliance, it shall meet the burden of proof. If the employer chooses to support its attestation in a manner other than in accordance with appendix A of this subpart, the employer’s documentation must be of equal probative value to that shown in appendix A of this subpart in the event of an investigation.

(c) Designated School Official (DSO) responsibilities. The Department notes that the basic responsibilities of the DSO are outlined in INS regulations at 8 CFR 214.2(f).

(i) DOL understands INS regulations to mean that the DSO at the educational institution is expected to assure that, prior to authorizing the off-campus employment of any F-1 student(s):

(ii) The prospective employer has not been disqualified from participation in the F-1 student work authorization program (Employers disqualified from participation in the program are listed
§ 655.920

in the FEDERAL REGISTER. See §655.950(b) of this part); and

(iii) The F-1 student(s) has completed one year of study and is maintaining good academic standing at the institution.

(2) It is also understood that the DSO will not authorize F-1 student(s) to work in excess of 20 hours per week during the academic term, and that the DSO shall notify ETA when the employer of F-1 student(s) has not provided the educational institution with an accepted copy of the attestation within 90 days of its receipt of the attestation from the employer.

(d) Complaints. (1) Complaints alleging that an attestation is materially false or that wages were not paid in accordance with the attestation may be filed by any aggrieved party with the Wage and Hour Division (Administrator), of the Employment Standards Administration, DOL, according to the procedures set forth in subpart K of this part.

(i) Examples of violations that may be alleged in a complaint include:

(A) The employer failed to pay an F-1 student the prevailing wage for the occupation in the area of intended employment;

(B) The employer failed to pay the actual wage for the position(s) at the employer’s place of business; or

(C) The employer’s recruitment efforts demonstrated that qualified U.S. workers were available for the position(s) filled by F-1 students.

(ii) The Administrator shall review the allegations contained in the complaint to determine if there are reasonable grounds to conduct an investigation. If, after investigation, the Administrator finds a violation, the Administrator shall disqualify the employer (after notice and opportunity for a hearing) from employing F-1 students and shall so notify INS.

(2) Complaints alleging that an F-1 student is not maintaining the required academic standing or is working in excess of the authorized number of hours of employment per week shall be filed with the INS.

(e) Termination of program. The pilot F-1 student visa program of section 221 of the Immigration Act of 1990 expires after September 30, 1996, and the Department of Labor will not accept any further employer attestations after that date. 8 U.S.C. 1184 note. However, complaints and appeals arising out of actions occurring prior to September 30, 1996, will continue to be received, investigated, and processed under the standards and procedures of subparts J and K of this part. Therefore, subparts J and K of this part remain in effect through the completion of such enforcement.

signature) of the employer (or the employer’s authorized agent or representative) and one copy of Form ETA–9034 shall be submitted to ETA. Each attestation form shall identify the position(s) for which the attestation is provided, state the occupational division in which the position is located, by Dictionary of Occupational Titles (DOT) Two-Digit Occupational Division code, and shall state the rate(s) of pay for the position(s). The DOT Two-Digit Occupational Division code is required for DOL recordkeeping and reporting purposes only and should not be used by the employer to determine the prevailing wage, as it is too general for this purpose. (Copies of Form ETA–9034 are available at the addresses listed in §655.920 of this part). When an employer has filed an attestation by facsimile transmission, the employer shall retain in its files the original of the attestation which contains the employer’s original signature.

(2) The employer may file an attestation for a single position or for multiple positions in the same occupation, or in multiple occupations, provided that all positions are located within the same geographic area of intended employment.

(3) If the employer files the attestation simultaneously with ETA and the DSO, or files the attestation first with ETA and subsequently files with the DSO before an accepted copy is returned from ETA to the employer, the employer shall, within fifteen days of receipt of ETA’s notification of acceptance of the attestation for filing, provide an exact copy of the accepted attestation to the DSO at each educational institution from which the employer seeks to employ an F–1 student. The DSO shall notify ETA if the educational institution has not been provided with a copy of the attestation indicating that it was accepted for filing by ETA within 90 days from the date that the attestation was filed with the DSO.

(4) Attestation Elements. The attestation elements referenced in §655.940 (d) and (e) of this section are mandated by section 221(a)(2) of the Act (8 U.S.C. 1184 note). Section 221(a)(2) of the Act provides that one of the conditions for the Attorney General to grant F–1 students work authorization, as described in INA section 101(a)(15)(F), to be employed off-campus in positions unrelated to their field of study, is that the employer provides the educational institution and the Secretary with an attestation that the employer:

(I) Has recruited for at least 60 days for the position; and

(ii) Will pay the F–1 student and all other similarly situated workers at a rate not less than the “required wage rate” (see §655.920 of this part).

(a) Establishing the 60-day recruitment requirement. (i) The first attestation element is demonstrated if the employer attests that:

(A) It has recruited unsuccessfully for U.S. workers for at least 60 days for the position prior to filing the attestation; and

(B) It will conduct at least 60 days of unsuccessful recruitment for U.S. workers for each position in which, and at each time at which (until September 30, 1996), an F–1 student is subsequently employed.

(ii) To satisfy paragraph (d)(1)(i)(A) of this section, the employer shall recruit for the position for 60 consecutive days by posting the job vacancy (or help wanted) notice at the worksite and by placing a job order with the State Employment Service agency (SESA) local office which services the worksite.

(iii) To satisfy paragraph (d)(1)(i)(B) of this section, the employer shall either:

(A) Post the open job order in the manner required by paragraph (d)(1)(ii) of this section; or

(B) File an “open job order” with the SESA local office which services the worksite. The employer shall accept referrals from the SESA local office on the “open job order”.

(b) The first attestation element: 60-day recruitment. An employer seeking to employ an F–1 student shall attest on Form ETA–9034 that it has recruited for at least 60 days for the position(s) and that a sufficient number of U.S. workers were not able, qualified, and available for the position(s).

(1) Establishing the 60-day recruitment requirement. (i) The first attestation element is demonstrated if the employer attests that:

(A) It has recruited unsuccessfully for U.S. workers for at least 60 days for the position prior to filing the attestation; and

(B) It will conduct at least 60 days of unsuccessful recruitment for U.S. workers for each position in which, and at each time at which (until September 30, 1996), an F–1 student is subsequently employed.

(ii) To satisfy paragraph (d)(1)(i)(A) of this section, the employer shall recruit for the position for 60 consecutive days by posting the job vacancy (or help wanted) notice at the worksite and by placing a job order with the State Employment Service agency (SESA) local office which services the worksite.

(iii) To satisfy paragraph (d)(1)(i)(B) of this section, the employer shall either:

(A) Post the open job order in the manner required by paragraph (d)(1)(ii) of this section; or

(B) File an “open job order” with the SESA local office which services the worksite. The employer shall accept referrals from the SESA local office on the “open job order”.

(2) Documenting the first attestation element. In the event of an investigation, the employer shall have the burden of proving that it has compiled
with the elements described in paragraph (d)(1) of this section and attested to on ETA Form 9034. Documentation that is truthful, accurate and substantiates compliance as identified in Appendix A to this subpart shall be sufficient to meet the employer’s burden of proof. The employer retains the right to meet its burden of proof in proving its attestation through other sufficient means.

(i) Documentation shall not be submitted to ETA or to the DSO with the attestation, but employers must be able to produce sufficient documentary evidence to substantiate the attestation in the event of an investigation. Such documentation shall be made available to DOL as described in §§655.900(b)(3) and 655.1000(c) of this part.

(ii) Because complaints may be filed and enforcement proceedings may be conducted during a considerable period after the recruitment, the employer should be able to produce such substantiating documentary evidence for a period of no less than 18 months after the close of the recruitment period or, in the event of an investigation, for the period of the enforcement proceeding under subpart K of this part.

(e) The second attestation element: wages. An employer seeking to employ F-1 students shall state on Form ETA-9034 that it will pay the F-1 student(s) and other similarly employed worker(s) the “required wage rate” as defined in §655.920 of this part. For purposes of this paragraph “similarly employed” shall mean employees of the employer working in the same positions under like conditions, such as the same shift on the same days of the week. Neither the actual wage rate nor a prevailing wage determination for attestation purposes made pursuant to this section shall permit an employer to pay a wage lower than that required under any other Federal, State, or local law.

(1) Establishing the wage requirement. The second attestation element shall be satisfied when the employer signs Form ETA-9034, attesting that for the validity period of the attestation the “required wage rate” will be paid to the F-1 student(s) and other similarly situated workers; that is, that the wage will be no less than the actual wage rate paid to workers similarly employed at the worksite, or the prevailing wage (adjusted on an annual basis) for the occupation in the area of intended employment, whichever is higher. The employer’s obligation to pay the “required wage rate” for the position(s) named in the attestation shall continue throughout the validity period of the attestation; the employer’s determination of the prevailing wage shall be updated annually, beginning with the date of the attestation. The prevailing wage rate for a position(s) named in the attestation, unless the subject of a Davis-Bacon Act or McNamara-O’Hara Service Contract Act wage determination described in paragraph (b)(4)(i) of appendix A of this subpart or a union contract as described in paragraph (b)(4)(ii) of appendix A of this subpart, shall be: The average rate of wages paid to workers similarly employed in the area of intended employment. Since it is not always feasible to determine such an average rate of wages with exact precision, the wage set forth in the application shall be considered as meeting the prevailing wage standard if it is within 5 percent of the average rate of wages. For purposes of this section, “similarly employed” means having substantially comparable jobs in the occupational category in the area of intended employment, except that if no such workers are employed by employers other than the employer applicant in the area of intended employment “similarly employed” shall mean:

(i) Having jobs requiring a substantially similar level of skills within the area of intended employment; or

(ii) If there are no substantially comparable jobs in the area of intended employment, having substantially comparable jobs with employers outside of the area of intended employment.

(2) Documentation of the second attestation element. In the event of a complaint and investigation, the employer shall have the burden of proving the validity of and compliance with the attestation element referenced in paragraph (e)(1) of this section and attested to on ETA Form 9034. Documentation
that the Department finds to be truthful, accurate and substantiates compliance as identified in appendix A of this subpart should be sufficient to meet the employer’s burden of proof. The employer retains the right to meet its burden of proof in proving its attestation through other sufficient means.

(i) Documentation shall not be submitted to ETA or to the DSO with the attestation, but the employer must substantiate its attestation with appropriate documentation in the event of an investigation. Such documentation shall be made available to DOL as described in §§655.900(b)(3) and 655.1000(c) of this part.

(ii) Because complaints may be filed and enforcement proceedings may be conducted during a considerable period after the determination the employer should be able to produce documentation substantiating its attestation for a period of no less than 18 months after the determination or update, or in the event of an investigation, for the period of the enforcement proceedings under subpart K of this part.

(2) Unacceptable Attestations. ETA shall not accept an attestation for filing and shall return such attestation as unacceptable to the employer or the employer’s designated agent or representative, when any one of the following conditions exists:

(i) Form ETA–9034 is not properly completed. Examples of Form ETA–9034 which is not properly completed include: instances where the employer has failed to complete all of the necessary items; or where the employer has failed to identify the position(s) or state the rate(s) of pay; or where the attestation does not contain the original signature (or facsimile of the signature when the attestation is submitted by facsimile transmission) of the employer or its authorized representative.

(ii) The Administrator, Wage and Hour Division, after notice and opportunity for a hearing pursuant to subpart K of this part, has notified ETA in writing that the employer has been disqualified from employing F–1 students under section 221 of the Immigration Act.

(iii) If the attestation is not accepted for filing pursuant to paragraph (f)(2)(i) of this section, ETA shall return it to the employer or the employer’s agent or representative with written and dated notification of the reason(s) that the attestation is unacceptable. If the employer does not complete and return the attestation within 15 days of the date of such notification (as stated in paragraph (f)(4) of this section), ETA shall invalidate the attestation and shall notify the Attorney General of such invalidation. The Attorney General may then use such notification in its enforcement responsibilities. Employers shall not employ F–1 students without a valid attestation.

(3) Resubmission. When the attestation is determined to be unacceptable and is returned to the employer for completion pursuant to paragraph (f)(2)(i) of this section, the employer may resubmit the attestation. The employer shall resubmit the attestation within 15 days of the date of nonacceptance to avoid the invalidation of its attestation and ETA’s notice to the Attorney General. Upon resubmission, if the attestation is determined to be acceptable pursuant to paragraph (f)(1) of
§ 655.940
20 CFR Ch. V (4–1–01 Edition)

this section, the Regional Certifying Officer shall accept the attestation for filing as of the original date of receipt by ETA, and shall return a copy of the attestation to the employer with ETA’s acceptance indicated thereon.

(g) Challenges to Attestations. (1) ETA will not consider, prior to the acceptance or return of the attestation, information contesting an attestation received by ETA. Such information shall not be made part of ETA’s administrative record on the attestation, but shall be referred to the Administrator to be processed as a complaint pursuant to subpart K of this part, and, if such attestation is accepted for filing by ETA, the complaint shall be handled by ESA under subpart K of this part.

(2) DOL is not the guarantor of the accuracy, truthfulness or adequacy of an attestation accepted for filing pursuant to this subpart.

(h) Effective date and validity of filed attestations. (1) A properly completed attestation accepted pursuant to paragraph (f)(1) of this section shall be deemed accepted for filing as of the date it is received and date stamped by the Regional Certifying Officer and shall be valid for the duration of the F–1 student work authorization program which expires on September 30, 1996, unless withdrawn pursuant to paragraph (i) of this section or invalidated pursuant to paragraph (j) of this section or subpart K of this part.

(2) During the validity period of an attestation which has been accepted for filing as described in paragraph (f)(1) of this section, the attesting employer may hire, during the 90-day period following the last day of its 60-day recruitment period, or at any time if the employer has placed an “open job order” with the SESA as part of their recruitment effort, F–1 students as needed from as many educational institutions as it deems necessary to fill the positions described in the attestation, at the location(s) specified in the attestation, and at the “required wage rate.” The employer shall provide a copy of the accepted attestation to the DSO at each educational institution from which it hires any F–1 student(s).

(3) The DSO may grant work authorization for an F–1 student to be employed by a particular attesting employer for the duration of the F–1 student’s course of study or until September 30, 1996, whichever period is shorter, provided the F–1 student continues to be employed by the attesting employer and is otherwise eligible for F–1 student work authorization as determined by the Attorney General.

(1) Withdrawal of accepted attestations. (1) An employer who has submitted an attestation which has been accepted for filing may withdraw such attestation at any time before the expiration of the validity period of the attestation, unless the Administrator has found reasonable cause to commence an investigation of the attestation under subpart K of this part. Requests for such withdrawals shall be in writing and shall be directed to the Regional Certifying Officer with whom the attestation was filed.

(2) Upon the Regional Certifying Officer’s receipt of an employer’s written request to withdraw an attestation, it shall be the employer’s responsibility to promptly notify the DSO at each school where F–1 students it employs are enrolled.

(3) Withdrawal of an attestation shall not affect an employer’s liability with respect to any failure to meet the conditions attested to which took place before the withdrawal, or for material misrepresentations in an attestation. However, if an employer has not yet employed any F–1 student(s) pursuant to the attestation, the Administrator shall not find reasonable cause to investigate unless it is alleged, and there is reasonable cause to believe, that the employer has made material misrepresentations in the attestation.

(j) Invalidation of filed attestation. Invalidation of an attestation may result from enforcement action(s) by the Administrator, Wage and Hour Division, under subpart K of this part (i.e., investigation(s) conducted by the Administrator regarding the employer’s material misrepresentation of an attestation element or failure to pay wages in accordance with attestation). Invalidation of an attestation may also result where ETA determines that the attestation is unacceptable and the employer fails to resubmit the attestation to ETA within 15 days.
(1) Result of Wage and Hour Division action. Upon a determination of a violation under subpart K of this part, the Administrator shall notify ETA and shall notify the Attorney General of the violation and of the Administrator’s notice to ETA.

(2) Result of ETA action. If, after accepting an attestation for filing, ETA finds that it is unacceptable because it falls within one of the categories set forth at paragraph (f)(2)(i) of this section, ETA shall return the attestation to the employer for correction and resubmission within 15 days. If the employer fails to resubmit the attestation within 15 days of the date of the notification, ETA shall invalidate the attestation. ETA shall notify the Attorney General of such invalidation. Where the attestation has been invalidated, ETA shall return a copy of the attestation form to the employer, or the employer’s agent or representative, and shall notify the employer in writing of the reason(s) that the attestation is invalidated. When an attestation is invalidated pursuant to paragraph (f)(2)(i) of this section, ETA shall invalidate all attestations filed by the employer. Such action shall be the final decision of the Secretary of Labor and is not subject to appeal.

(k) Employers subject to disqualification. No attestation shall be accepted for filing from an employer which has been found to be disqualified from participating in the F-1 student work authorization program as determined in a final agency action following an investigation by the Administrator pursuant to subpart K of this part.

§ 655.950 Public access.

(a) Public examination at ETA. ETA shall compile and maintain a list of employers who filed attestations specifying the occupation(s), geographical location, and wage rate(s) attested to. The list shall be available for public inspection at the ETA office at which the attestation was filed and such list shall be updated monthly.

(b) Notice to Public. ETA shall publish semiannually a list in the Federal Register of employers which have been disqualified from participating in the F-1 student work authorization program pursuant to § 655.940(k) of this part.

APPENDIX A TO SUBPART J TO PART 655—DOCUMENTATION IN SUPPORT OF ATTESTATIONS MADE BY EMPLOYERS

This appendix sets forth the documentation that the Department of Labor considers to be sufficient to satisfy the employer’s burden of proof regarding substantiate attestations made on Form ETA-9034, pursuant to subpart J of this part, provided the documentation is found to be truthful, accurate, and substantiates compliance. The employer retains the right to meet its burden of proof in proving its attestations through other sufficient means. The employer’s failure to substantiate its attestation in the event of an investigation shall be found to be a violation.

(a) Documenting the first attestation element. The employer shall have the burden of proving that it has complied with the recruitment requirements described in regulations at § 655.940(d)(1) of this part and attested to on ETA Form 9034. The employer’s failure to satisfy the burden of proof through the production of adequate documentation shall be found to be a violation.

(1) Documentation shall not be submitted to ETA or to the DSO with the attestation, but shall be made available to DOL as described in §§ 655.900(b)(3) and 655.1000(c) of this part. To be effective in satisfying the burden of proof, the documentation should be contemporaneous with the recruitment, not created after the fact and particularly not after the commencement of an investigation under subpart K of this part.

(2) Because complaints may be filed and enforcement proceedings may be conducted during a considerable period after the recruitment, the employer should maintain the documentation for a period of no less than 18 months after the close of the recruitment period or, in the event of an investigation, for the period of the enforcement proceeding under subpart K of this part.

(3) The employer should be able to produce the following documentation:

(i) Evidence that a job order for the position was on file with the SESA local office within the area of intended employment for at least 60 consecutive days. Such evidence of a job order should include the employer’s contemporaneous written statement setting forth the name and address of the SESA office with which the job order was placed; the name of the SESA employee with whom the job order was placed; the date on which the
order was placed; and the dates on which the job order was on file with the SESA office.

(ii) Evidence that a vacancy notice announcing the position was posted for 60 consecutive days at the worksite. Evidence should include a copy of the notice that was posted at the worksite, the dates when the notice was posted, and a description of the specific location at the worksite at which the notice was posted.

(iii) Evidence that a job order for the position was continuously on file and “open” with the SESA local office within the area of intended employment, throughout the validity period of the attestation. Such evidence should include the employer’s contemporaneous written statement setting forth the name and address of the SESA office with which the job order was placed; the name of the SESA employee with whom the job order was placed; the date on which the order was placed; and the dates on which the job order was on file with the SESA office.

(iv) Evidence that the employer was unsuccessful in recruiting a sufficient number of U.S. workers who are able, qualified, and available for the position(s) through the SESA job order and the worksite posting notice. Such evidence should include a contemporaneous written summary of the results of recruitment for each position for which an attestation was filed by the employer. Such summary should include:

(A) The number of job openings in each occupation included in the occupation;

(B) The number of U.S. workers and F-1 students that applied for each position;

(C) The number of U.S. workers that were hired;

(D) The number of F-1 students that were hired;

(E) The number of U.S. workers that were not hired; and

(F) The lawful job-related reason(s) for which each U.S. worker was not hired. An example of a job-related reason for which a U.S. worker can be rejected for a job opportunity is that the U.S. worker does not have the training and experience required for the position.

(4) Investigations. In the event that an investigation is conducted pursuant to regulations at subpart K of this part, concerning whether the employer failed to satisfy its recruitment requirement, in that it failed to conduct recruitment or to hire qualified U.S. worker(s) for a position for which an F-1 student(s) was hired, the Administrator shall determine whether the employer has produced documentation sufficient to prove the employer’s compliance with the attestation requirements.

(i) Where the focus of the investigation is upon whether recruitment was conducted, the employer shall have satisfied its burden of proof if the documentation described in paragraphs (a)(3)(i), (ii), and (iii) of this appendix is produced, provided the documentation is found to be truthful, accurate and substantiates compliance.

(ii) Where the focus of the investigation is upon whether the employer was unsuccessful because the U.S. workers was unsuccessful because the employer declined to hire U.S. worker(s) without lawful reason(s) for such action, the employer shall have satisfied the burden of proof if the documentation described in paragraph (a)(3)(iv) of this appendix is produced, provided that the Administrator has no significant evidence which reasonably shows that the employer’s recruitment or hiring was deficient. In determining whether the employer has demonstrated that U.S. workers were rejected for lawful job-related reasons, the Administrator may contact ETA which shall provide the Administrator with advice as to whether U.S. workers were properly rejected.

(b) Documentation of the second attestation element. The employer shall have the burden of proving the validity of and compliance with the attestation element referenced in §655.940(e) of this part and attested to on Form ETA-9004.

(1) The employer shall be prepared to produce documentation sufficient to satisfy this requirement. Documentation shall not be submitted to ETA or to the DSO with the attestation, but shall be made available to DOL as described in §§655.900(b)(3) and §655.1000(c) of this part. The documentation specified in paragraphs (b)(4) and (5) of this appendix will be sufficient to satisfy the employer’s burden of proof, provided the documentation is found to be truthful, accurate and substantiates compliance upon investigation. The employer’s failure to satisfy the burden of proof through the production of adequate documentation shall be found to be a violation.

(2) To be effective in satisfying the employer’s burden of proof regarding the determination of the prevailing wage, the employer’s documentation should be contemporaneous with the determination or the annual update of the prevailing wage, not created after the fact and particularly not after the commencement of an investigation under subpart K of this part.

(3) Because complaints may be filed and enforcement proceedings may be conducted during a considerable period after the determination or the annual update, the employer should be prepared to produce documentation for a period of no less than 18 months after the determination or update, or in the event of an investigation, for the period of the enforcement proceedings under subpart K of this part.

(4) Documentation described in paragraphs (b) (1) through (3) of this appendix should consist of the following:

(i) If the position is in an occupation which is the subject of a wage determination in the
area under the provisions of the Davis-Bacon Act, 40 U.S.C. 276a et seq., (see 29 CFR part 1) or the McNamara-O’Hara Service Contract Act, 41 U.S.C. 351 et seq., (see 29 CFR part 4), an excerpt from the wage determination showing the wage rate for the occupation in the area of intended employment; or

(ii) If the position is covered by a union contract which was negotiated at arm’s-length between a union and the employer, an excerpt from the union contract showing the wage rate(s) for the occupation(s) set forth in the union contract.

(iii) If position is not covered by the provisions of paragraph (b)(4)(i) or (ii) of this appendix, the employer’s documentation shall consist of:

(A) A prevailing wage finding from the SESA for the occupation within the area of employment; or

(B) A prevailing wage survey for the occupation in the area of intended employment published by an independent authoritative source as defined in §655.920 of this part. For purposes of this paragraph (b)(4)(iv) “prevailing wage survey” means a survey of wages published in a book, newspaper, periodical, looseleaf service, newsletter, or other similar medium, within the 24-month period immediately preceding the filing of the employer’s attestation and each succeeding annual prevailing wage update. Such survey shall:

(1) Reflect the average wage paid to workers similarly employed in the area of intended employment;

(2) Be based upon recently collected data, e.g., within the 24-month period immediately preceding the date of publication of the survey; and

(3) Represent the latest published prevailing wage finding by the authoritative source for the occupation in the area of intended employment.

(5) The employer should be prepared to produce documentation to prove the payment of the required wage, including payroll records, commencing on the date on which the employer first employs the F–1 student, showing the wages paid to employees in the occupation(s) named in the attestation at the worksite. Such payroll records maintained in accordance with regulations under the Fair Labor Standards Act (see 29 CFR part 516) would include for each employee in the occupation:

(i) The rate(s) of pay, including shift differentials, if any;

(ii) The employee’s earnings per pay period;

(iii) The number of hours worked per week by the employee; and

(iv) The amount of and reasons for any and all deductions made from the employee’s wages.

(b) Investigations. In the event that an investigation is conducted pursuant to subpart K of this part, concerning whether the employer made a material misrepresentation regarding the required wage or failed to pay the required wage, the Administrator shall determine whether the employer has produced documentation sufficient to satisfy the burden of proof.

(i) The employer’s documentation of the prevailing wage determination shall be found to be sufficient where the determination is pursuant to the Davis-Bacon Act or Service Contract Act wage determination or a SESA determination.

(ii) Where the employer’s prevailing wage determination is based on a survey by an independent authoritative source, the Administrator shall consult the employer’s documentation to be sufficient, provided that it satisfies the standards for independent authoritative source surveys and is properly applied, and provided further that the Administrator has no significant evidence which reasonably shows that the prevailing wage finding obtained by the employer from an independent authoritative source varies substantially from the wage prevailing for the occupation in the area of intended employment. In the event such significant evidence shows a substantial variation, the Administrator may contact ETA, which shall provide the Administrator with a prevailing wage determination, which the Administrator shall use as the basis for the determination as to violations. ETA may consult with the appropriate SESA to ascertain the prevailing wage applicable to the occupation under investigation.

(b) Any aggrieved person or organization may file a complaint alleging a violation of the provisions of subpart J or K of this part. No particular form is required, except that the complaint shall be written or, if oral, shall be reduced to writing by the Wage and Hour Division official who receives the complaint. The complaint shall set forth sufficient facts for the Administrator to determine whether there is reasonable cause to believe that a particular part or parts of the attestation or regulations may have been violated. Where the Administrator, after notice and opportunity for a hearing, determines that an employer has committed a violation identified in §655.1005(a) of this part, the employer shall be disqualified from employing F–1 student(s) under section 221 of the Act. The Administrator shall so notify the Attorney General and ETA pursuant to §655.1055 of this part. Upon receipt of the Administrator’s notice, the Attorney General and ETA shall take the action specified in §655.1055 of this part, i.e., cancel any existing attestation(s) or work authorizations, and shall not accept future attestation(s) or grant new work authorization(s) with respect to that employer.

§655.1015 Written notice and service of Administrator’s determination.

(4) Set forth the procedure for requesting a hearing, and give the addresses of the Chief Administrative Law Judge (with whom the request must be filed) and the representative of the Solicitor of Labor (who must be served with a copy of the request).

(5) Inform the employer that, if no timely request for a hearing is filed pursuant to §655.1020 of this part, the employer shall be disqualified from employing F–1 students, effective upon the expiration of the period for filing a request for a hearing. In such event, the Administrator shall, pursuant to §655.1055 of this part, notify ETA and the Attorney General of the occurrence of a violation by the employer, and that the employer has been disqualified from employing F–1 students.

§655.1020 Request for hearing.

(a) An employer desiring to request an administrative hearing on a determination issued pursuant to §655.1015 of this part shall make such request in writing to the Chief Administrative Law Judge at the address stated in the notice of determination. Copies of the request shall be served upon the Wage and Hour Division official who issued the notice of determination and upon the representative of the Solicitor of Labor identified in the notice of determination.

(b) No particular form is prescribed for any request for hearing permitted by this section. However, any such request shall:

(1) Be dated;

(2) Be typewritten or legibly written;

(3) Specify the issue or issues stated in the notice of determination giving rise to such request;

(4) State the specific reason or reasons why the employer believes such determination is in error;
§ 655.1025 Rules of practice for administrative law judge proceedings.

(a) Except as specifically provided in this subpart, and to the extent they do not conflict with the provisions of this subpart, the “Rules of Practice and Procedure for Administrative Hearings Before the Office of Administrative Law Judges” established by the Secretary at 29 CFR part 18 shall apply to administrative proceedings under this part.

(b) As provided in the Administrative Procedure Act, 5 U.S.C. 556, any oral or documentary evidence may be received in proceedings under this part. The Federal Rules of Evidence and subpart B of the Rules of Practice and Procedure for Administrative Hearings Before the Office of Administrative Law Judges (29 CFR part 18, subpart B) shall not apply, but principles designed to ensure production of relevant and probative evidence shall guide the admission of evidence. The administrative law judge may exclude evidence which is immaterial, irrelevant, or unduly repetitive.

§ 655.1030 Service and computation of time.

(a) Under this subpart, a party may serve any pleading or document by regular mail. Service on a party is complete upon mailing to the last known address. No additional time for filing or response is authorized where service is by mail. In the interest of expeditious proceedings, the administrative law judge may direct the parties to serve pleadings or documents by a method other than regular mail.

(b) Two (2) copies of all pleadings and other documents in any administrative law judge proceeding shall be served on the attorneys for the Administrator. One copy shall be served on the Associate Solicitor, Division of Fair Labor Standards, Office of the Solicitor, U.S. Department of Labor, 200 Constitution Avenue NW., room N–2716, Washington, DC 20210, and one copy on the attorney representing the Administrator in the proceeding.

(c) Time under this subpart shall be computed beginning with the day following the action and includes the last day of the period unless it is a Saturday, Sunday, or federally-observed holiday, in which case the time period includes the next business day.

§ 655.1035 Administrative law judge proceedings.

(a) Upon receipt of a timely request for a hearing filed pursuant to and in accordance with § 655.1020 of this part, the Chief Administrative Law Judge shall promptly appoint an administrative law judge to hear the case.

(b) The date of the hearing shall be not more than 60 calendar days from the date of the Chief Administrative Law Judge’s receipt of the request for hearing.

(c) The administrative law judge may prescribe a schedule by which the parties are permitted to file a prehearing brief or other written statement of fact or law. Any such brief or statement shall be served upon each other party in accordance with § 655.1030 of this part. Posthearing briefs shall not be permitted except at the request of the administrative law judge. When permitted, any such brief shall be limited to the issue or issues specified by the administrative law judge, shall be due
within the time prescribed by the administrative law judge, and shall be served in accordance with §655.1030 of this part.

(d) Amicus curiae participation or intervention by interested parties may be permitted by the administrative law judge in his/her discretion pursuant to 29 CFR 18.10. If such participation is granted, the amicus curiae and/or intervenor shall serve all documents and be served by the parties in accordance with §655.1030 of this part. In no event, however, shall such participation be permitted to delay the proceedings beyond the deadline specified in paragraphs (b) and (c) of this section.

§655.1040 Decision and order of administrative law judge.

(a) Within 90 calendar days after receipt of the transcript of the hearing, the administrative law judge shall issue a decision.

(b) The decision of the administrative law judge shall include a statement of findings and conclusions, with reasons and basis therefore, upon each material issue presented on the record. The decision shall also include an appropriate order which may affirm, deny, reverse, or modify, in whole or in part, the determination of the Administrator; the reason or reasons for such order shall be stated in the decision.

(c) The administrative law judge, in accordance with §655.940 (d) and (e) of this part, shall impose upon the employer the burden of proving the validity of and compliance with the attestation.

(d) If the administrative law judge finds that the employer has failed to pay the required wage rate or has provided an attestation which is materially false, the judge shall order that the employer be disqualified from employing F-1 students.

(e) In the event that the Administrator's determination(s) of wage violation(s) is based upon a wage determination obtained by the Administrator from ETA during the investigation (paragraph (b)(6) of appendix A of subpart J of this part), the administrative law judge shall not determine the prevailing wage rate de novo, but shall, based on the evidence (including the ETA administrative record), either accept the wage determination or vacate the wage determination. If the wage determination is vacated, the administrative law judge shall remand the case to the Administrator, who may then refer the matter to ETA and, upon the issuance of a new wage determination by ETA, resubmit the case to the administrative law judge. Under no circumstances shall source data obtained in confidence by ETA, or the names of establishments contacted by ETA, be submitted into evidence or otherwise disclosed.

(f) The administrative law judge shall not render determinations as to the legality of a regulatory provision or the constitutionality of a statutory provision.

(g) The decision shall be served on all parties in person or by certified or regular mail.

§655.1045 Secretary's review of administrative law judge's decision.

(a) Any party desiring review of the decision and order of an administrative law judge shall petition the Secretary to review the decision and order. To be effective, such petition must be received by the Secretary within 30 calendar days of the date of the decision and order. Copies of the petition shall be served on all parties and the administrative law judge.

(b) No particular form is prescribed for any petition for the Secretary's review permitted by this subpart. However, any such petition shall:

(1) Be dated;
(2) Be typewritten or legibly written;
(3) Specify the issue or issues stated in the administrative law judge decision and order giving rise to such petition;
(4) State the specific reason or reasons why the party petitioning for review believes such decision and order are in error;
(5) Be signed by the party filing the petition or by an authorized representative of such party;
(6) Include the address at which such party or authorized representative desires to receive further communications relating thereto; and
(7) Attach copies of the administrative law judge's decision and order, and any other record documents which
§ 655.1050 Administrative record.

The official record of every completed administrative hearing procedure provided by subpart K of this part shall be maintained and filed under the custody and control of the Chief Administrative Law Judge. Upon receipt of a complaint seeking review of the final agency action in a United States District Court, the Chief Administrative Law Judge shall certify the official record and shall transmit such record to the clerk of the court.

§ 655.1055 Notice to the Employment and Training Administration (ETA) and the Attorney General (AG).

(a) The Administrator shall notify the Attorney General and ETA of the final determination of a violation by an employer, and of the disqualification of the employer from employing F–1 students, upon the earliest of the following events:

(1) When the Administrator issues a written determination that the employer has committed a violation, and no timely request for hearing is made by the employer pursuant to § 655.1020 of this part; or

(2) When, after a hearing on a timely request pursuant to § 655.1020 of this part, the administrative law judge issues a decision and order finding a violation by the employer; or

(3) When, although the administrative law judge found that there was no violation by the employer, the Secretary, upon subsequent review upon a timely request pursuant to § 655.1045 of this part, issues a decision finding that a violation was committed by the employer.

(b) The Attorney General, upon receipt of notification from the Administrator pursuant to paragraph (a) of this section, shall take appropriate action to cancel work authorization to F–1 students for employment with that employer, and to prevent issuance of new work authorization with respect to that employer.

(1) The Administrator’s notice to the Attorney General shall, to the extent known from the investigation, specify the school(s) which issued work authorization(s) issued for F–1 student(s) to be employed by that employer.
immediately be revoked, and that no new work authorization shall be issued for employment of F–1 student(s) by that employer. The Attorney General shall, in addition, take any other appropriate action to effectuate the disqualification of that employer through revocation of work authorization(s) at any other school(s) that may authorize employment with the disqualified employer.

(2) A copy of the Administrator’s notice to the Attorney General may also be sent by the Administrator to each school identified in the notice as a school from which F–1 students have been employed by the disqualified employer. Any school which issued or may issue work authorization(s) for employment of any F–1 student(s) by the employer, but which was not known by the Administrator to have done so, or notified by copy of the Administrator’s decision, shall comply with any instructions from the Attorney General regarding revocation and nonissuance of work authorization(s) for employment of any F–1 student(s) by the employer. Any school which issued or may issue work authorization(s) for employment of any F–1 student(s) by the employer shall revoke F–1 work authorization(s) and refuse to issue new F–1 work authorization(s) for any employer which is identified as a disqualified employer on the list published periodically in the FEDERAL REGISTER by ETA.

(3) Continued or new employment of any F–1 student by the employer shall constitute a violation of the INA’s employer sanctions provisions, irrespective of whether the F–1 student’s work authorization has been formally revoked by the DSO or INS.

(c) ETA, upon receipt of the Administrator’s notice pursuant to paragraph (a) of this section, shall cancel any F–1 attestation filed by the employer under subpart J of this part, shall not accept for filing any attestation submitted by the employer, and shall so notify the employer.

A proceeding under subpart K of this part is not subject to the Equal Access to Justice Act, as amended, 5 U.S.C. 504. In such a proceeding, the administrative law judge shall have no authority to award attorney fees and/or other litigation expenses pursuant to the provisions of the Equal Access to Justice Act.

Subpart L—What Requirements Must a Facility Meet to Employ H–1C Nonimmigrant Workers as Registered Nurses?

SOURCE: 65 FR 51149, Aug. 22, 2000, unless otherwise noted.

§ 655.1100 What are the purposes, procedures and applicability of these regulations in subparts L and M of this part?

(a) Purpose. The Immigration and Nationality Act (INA), as amended by the Nursing Relief for Disadvantaged Areas Act of 1999, establishes the H–1C nonimmigrant visa program to provide qualified nursing professionals for narrowly defined health professional shortage areas. Subpart L of this part sets forth the procedure by which facilities seeking to use nonimmigrant registered nurses must submit attestations to the Department of Labor demonstrating their eligibility to participate as facilities, their wages and working conditions for nurses, their efforts to recruit and retain United States workers as registered nurses, the absence of a strike/lockout or layoff, notification of nurses, and the numbers of and worksites where H–1C nurses will be employed. Subpart M of this part sets forth complaint, investigation, and penalty provisions with respect to such attestations.

(b) Procedure. The INA establishes a procedure for facilities to follow in seeking admission to the United States for, or use of, nonimmigrant nurses under H–1C visas. The procedure is designed to reduce reliance on nonimmigrant nurses in the future, and calls for the facility to attest, and be
able to demonstrate in the course of an investigation, that it is taking timely and significant steps to develop, recruit, and retain U.S. nurses. Subparts L and M of this part set forth the specific requirements of those procedures.

(c) Applicability. (1) Subparts L and M of this part apply to all facilities that seek the temporary admission or use of H–1C nonimmigrants as registered nurses.

(2) During the period that the provisions of Appendix 1603.D.4 of Annex 1603 of the North American Free Trade Agreement (NAFTA) apply, subparts L and M of this part shall apply to the entry of a nonimmigrant who is a citizen of Mexico under the provisions of section D of Annex 1603 of NAFTA. Therefore, the references in this part to “H–1C nurse” apply to such nonimmigrants who are classified by INS as “TN.”

655.1101 What are the responsibilities of the government agencies and the facilities that participate in the H–1C program?

(a) Federal agencies’ responsibilities. The United States Department of Labor (DOL), Department of Justice, and Department of State are involved in the H–1C visa process. Within DOL, the Employment and Training Administration (ETA) and the Wage and Hour Division of the Employment Standards Administration (ESA) have responsibility for different aspects of the process.

(b) Facility’s attestation responsibilities. Each facility seeking one or more H–1C nurse(s) must, as the first step, submit an Attestation on Form ETA 9081, as described in §655.1110 of this part, to the Employment and Training Administration, Director, Office of Workforce Security, 200 Constitution Avenue, NW., Room C–4318, Washington, DC 20210. If the Attestation satisfies the criteria stated in §655.1130 and includes the supporting information required by §655.1110 and by §655.1114, ETA shall accept the Attestation for filing, and return the accepted Attestation to the facility.

(c) H–1C petitions. Upon ETA’s acceptance of the Attestation, the facility may then file petitions with INS for the admission or for the adjustment or extension of status of H–1C nurses. The facility must attach a copy of the accepted Attestation (Form ETA 9081) to the petition or the request for adjustment or extension of status, filed with INS. At the same time that the facility files an H–1C petition with INS, it must also send a copy of the petition to the Employment and Training Administration, Administrator, Office of Workforce Security, 200 Constitution Avenue, NW., Room C–4318, Washington, DC 20210. The facility must also send to this same ETA address a copy of the INS petition approval notice within 5 days after it is received from INS.

(d) Visa issuance. INS assures that the alien possesses the required qualifications and credentials to be employed as an H–1C nurse. The Department of State is responsible for issuing the visa.

(e) Board of Alien Labor Certification Appeals (BALCA) review of Attestations accepted and not accepted for filing. Any interested party may seek review by the BALCA of an Attestation accepted or not accepted for filing by ETA. However, such appeals are limited to ETA actions on the three Attestation matters on which ETA conducts a substantive review (i.e., the employer’s eligibility as a “facility”; the facility’s attestation to alternative “timely and significant steps”; and the facility’s assertion that taking a second “timely and significant step” would not be reasonable).

(f) Complaints. Complaints concerning misrepresentation of material fact(s) in the Attestation or failure of the facility to carry out the terms of the Attestation may be filed with the Wage and Hour Division, Employment Standards Administration (ESA) of DOL, according to the procedures set forth in subpart M of this part. The Wage and Hour Administrator shall investigate and, where appropriate, after an opportunity for a hearing, assess remedies and penalties. Subpart M of this part also provides that interested parties may obtain an administrative law judge hearing and may seek review of the administrative law judge’s decision at the Department’s Administrative Review Board.

658
§ 655.1102 What are the definitions of terms that are used in these regulations?

For the purposes of subparts L and M of this part:

*Accepted for filing* means that the Attestation and any supporting documentation submitted by the facility have been received by the Employment and Training Administration of the Department of Labor and have been found to be complete and acceptable for purposes of Attestation requirements in §§ 655.1110 through 655.1118.

*Administrator* means the Administrator of the Wage and Hour Division, Employment Standards Administration, Department of Labor, and such authorized representatives as may be designated to perform any of the functions of the Administrator under subparts L and M of this part.

*Aggrieved party* means a person or entity whose operations or interests are adversely affected by the employer’s alleged misrepresentation of material fact(s) or non-compliance with the Attestation and includes, but is not limited to:

1. A worker whose job, wages, or working conditions are adversely affected by the facility’s alleged misrepresentation of material fact(s) or non-compliance with the Attestation;
2. A bargaining representative for workers whose jobs, wages, or working conditions are adversely affected by the facility’s alleged misrepresentation of material fact(s) or non-compliance with the attestation;
3. A competitor adversely affected by the facility’s alleged misrepresentation of material fact(s) or non-compliance with the attestation; and
4. A government agency which has a program that is impacted by the facility’s alleged misrepresentation of material fact(s) or non-compliance with the attestation.

*Attorney General* means the chief official of the U.S. Department of Justice or the Attorney General’s designee.

*Board of Alien Labor Certification Appeals (BALCA)* means a panel of one or more administrative law judges who serve on the permanent Board of Alien Labor Certification Appeals established by 20 CFR part 656. BALCA consists of administrative law judges assigned to the Department of Labor and designated by the Chief Administrative Law Judge to be members of the Board of Alien Labor Certification Appeals.

*Certifying Officer* means a Department of Labor official, or such official’s designee, who makes determinations about whether or not H-1C attestations are acceptable for certification.

*Chief Administrative Law Judge* means the chief official of the Office of the Administrative Law Judges of the Department of Labor or the Chief Administrative Law Judge’s designee.

*Date of filing* means the date an Attestation is “accepted for filing” by ETA.

*Department and DOL* mean the United States Department of Labor.

*Division* means the Wage and Hour Division of the Employment Standards Administration, DOL.

*Employed or employment* means the employment relationship as determined under the common law, except that a facility which files a petition on behalf of an H-1C nonimmigrant is deemed to be the employer of that H-1C nonimmigrant without the necessity of the application of the common law test. Under the common law, “no shorthand formula or magic phrase * * * can be applied to find the answer * * * [A]ll of the incidents of the relationship must be assessed and weighed with no one factor being decisive.” NLRB v. United Ins. Co. of America, 390 U.S. 254, 258 (1968). The determination should consider the following factors and any other relevant factors that would indicate the existence of an employment relationship:

1. The firm has the right to control when, where, and how the worker performs the job;
(2) The work does not require a high level of skill or expertise;
(3) The firm rather than the worker furnishes the tools, materials, and equipment;
(4) The work is performed on the premises of the firm or the client;
(5) There is a continuing relationship between the worker and the firm;
(6) The firm has the right to assign additional projects to the worker;
(7) The firm sets the hours of work and the duration of the job;
(8) The worker is paid by the hour, week, month or an annual salary, rather than for the agreed cost of performing a particular job;
(9) The worker does not hire or pay assistants;
(10) The work performed by the worker is part of the regular business (including governmental, educational and nonprofit operations) of the firm;
(11) The firm is itself in business;
(12) The worker is not engaged in his or her own distinct occupation or business;
(13) The firm provides the worker with benefits such as insurance, leave, or workers’ compensation;
(14) The worker is considered an employee of the firm for tax purposes (i.e., the entity withholds federal, state, and Social Security taxes);
(15) The firm can discharge the worker; and
(16) The worker and the firm believe that they are creating an employer-employee relationship.

Employment and Training Administration (ETA) means the agency within the Department of Labor (DOL) which includes the Office of Workforce Security (OWS).

Employment Standards Administration (ESA) means the agency within the Department of Labor (DOL) which includes the Wage and Hour Division.

Facility means a “subsection (d) hospital” (as defined in section 1386(d)(1)(B) of the Social Security Act (42 U.S.C. 1395ww(d)(1)(B)) that meets the following requirements:
(1) As of March 31, 1997, the hospital was located in a health professional shortage area (as defined in section 332 of the Public Health Service Act (42 U.S.C. 245e)); and
(2) Based on its settled cost report filed under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.) for its cost reporting period beginning during fiscal year 1994—
(i) The hospital has not less than 190 licensed acute care beds;
(ii) The number of the hospital’s inpatient days for such period which were made up of patients who (for such days) were entitled to benefits under part A of such title is not less than 35% of the total number of such hospital’s acute care inpatient days for such period; and
(iii) The number of the hospital’s inpatient days for such period which were made up of patients who (for such days) were eligible for medical assistance under a State plan approved under title XIX of the Social Security Act, is not less than 28% of the total number of such hospital’s acute care inpatient days for such period.

Full-time employment means work where the nurse is regularly scheduled to work 40 hours or more per week, unless the facility documents that it is common practice for the occupation at the facility or for the occupation in the geographic area for full-time nurses to work fewer hours per week.

Geographic area means the area within normal commuting distance of the place (address) of the intended worksite. If the geographic area does not include a sufficient number of facilities to make a prevailing wage determination, the term “geographic area” shall be expanded with respect to the attesting facility to include a sufficient number of facilities to permit a prevailing wage determination to be made. If the place of the intended worksite is within a Metropolitan Statistical Area (MSA) or Primary Metropolitan Statistical Area (PMSA), any place within the MSA or PMSA will be deemed to be within normal commuting distance of the place of intended employment.

Immigration and Naturalization Service (INS) means the component of the Department of Justice which makes the

§§655.1110 What requirements does the NRDAA impose in the filing of an Attestation?

(a) Who may file Attestations?

(1) Any hospital which meets the definition of “facility” in §§655.1102 and 655.1111 may file an Attestation.

(2) ETA shall determine the hospital’s eligibility as a “facility” through a review of this attestation element on the first Attestation filed by the hospital. ETA’s determination
on this point is subject to a hearing before the BALCA upon the request of any interested party. The BALCA proceeding shall be limited to this point.

(3) Upon the hospital’s filing of a second or subsequent Attestation, its eligibility as a “facility” shall be controlled by the determination made on this point in the ETA review (and BALCA proceeding, if any) of the hospital’s first Attestation.

(b) Where and when should Attestations be submitted? Attestations shall be submitted, by U.S. mail or private carrier, to ETA at the following address: Chief, Division of Foreign Labor Certifications, Office of Workforce Security, Employment and Training Administration, Department of Labor, 200 Constitution Avenue NW, Room C–4318, Washington, DC 20210. Attestations shall be reviewed and accepted for filing or rejected by ETA within thirty calendar days of the date they are received by ETA. Therefore, it is recommended that Attestations be submitted to ETA at least thirty-five calendar days prior to the planned date for filing an H–1C visa petition with the Immigration and Naturalization Service.

(c) What shall be submitted?

(1) Form ETA 9081 and required supporting documentation, as described in paragraphs (c)(1)(i) through (iv) of this section.

(i) A completed and dated original Form ETA 9081, containing the required attestation elements and the original signature of the chief executive officer of the facility, shall be submitted, along with one copy of the completed, signed, and dated Form ETA 9081. Copies of the form and instructions are available at the address listed in paragraph (b) of this section.

(ii) If the Attestation is the first filed by the hospital, it shall be accompanied by copies of pages from the hospital’s Form HCFA 2552 filed with the Department of Health and Human Services (pursuant to title XVIII of the Social Security Act) for its 1994 cost reporting period, showing the number of its acute care beds and the percentages of Medicaid and Medicare reimbursed acute care inpatient days (i.e., Form HCFA–2552–92, Worksheet S–3, Part I; Worksheet S, Parts I and II).

(iii) If the facility attests that it will take one or more “timely and significant steps” other than the steps identified on Form ETA 9081, then the facility must submit (in duplicate) an explanation of the proposed “step(s)” and an explanation of the proposed “step(s)” if/are of comparable significance to those set forth on the Form and in §655.1114. (See §655.1114(b)(2)(v)).

(iv) If the facility attests that taking more than one “timely and significant step” is unreasonable, then the facility must submit (in duplicate) an explanation of this attestation. (See §655.1114(c)).

(2) Filing fee of $250 per Attestation. Payment must be in the form of a check or money order, payable to the “U.S. Department of Labor.” Remittances must be drawn on a bank or other financial institution located in the U.S. and be payable in U.S. currency.

(3) Copies of H–1C petitions and INS approval notices. After ETA has approved the Attestation used by the facility to support any H–1C petition, the facility must send to ETA (at the address specified in paragraph (b) of this section) copies of each H–1C petition and INS approval notice on such petition.

(d) Attestation elements. The attestation elements referenced in paragraph (c)(1) of this section are mandated by section 212(m)(2)(A) of the INA (8 U.S.C. 1182(m)(2)(A)). Section 212(m)(2)(A) requires a prospective employer of H–1C nurses to attest to the following:

(1) That it qualifies as a “facility” (See §655.1111);

(2) That employment of H–1C nurses will not adversely affect the wages or working conditions of similarly employed nurses (See §655.1112);

(3) That the facility will pay the H–1C nurse the facility wage rate (See §655.1113);

(4) That the facility has taken, and is taking, timely and significant steps to recruit and retain U.S. nurses (See §655.1114);

(5) That there is not a strike or lockout at the facility, that the employment of H–1C nurses is not intended or designed to influence an election for a bargaining representative for RNs at the facility, and that the facility did
not lay off and will not lay off a registered nurse employed by the facility 90 days before and after the date of filing a visa petition (See §655.1115);

(6) That the facility will notify its workers and give a copy of the Attestation to every nurse employed at the facility (See §655.1116);

(7) That no more than 33% of nurses employed by the facility will be H-1C nonimmigrants (See §655.1117);

(8) That the facility will not authorize H-1C nonimmigrants to work at a worksite not under its control, and will not transfer an H-1C nonimmigrant from one worksite to another (See §655.1118).

§§ 655.1111 Element I—What hospitals are eligible to participate in the H-1C program?

(a) The first attestation element requires that the employer be a “facility” for purposes of the H-1C program, as defined in INA Section 212(m)(6), 8 U.S.C. 1182 (m)(6).

(b) A qualifying facility under that section is a “subpart (d) hospital,” as defined in Section 1886(d)(1)(B) of the Social Security Act, 42 U.S.C. 1395ww(d)(1)(B), which:

(1) Was located in a health professional shortage area (HPSA), as determined by the Department of Health and Human Services, on March 31, 1997. A list of HPSAs, as of March 31, 1997, was published in the Federal Register on May 30, 1997 (62 FR 29395);

(2) Had at least 190 acute care beds, as determined by its settled cost report, filed under Title XVIII of the Social Security Act, (42 U.S.C. 1395 et seq.), for its fiscal year 1994 cost reporting period (i.e., Form HCFA–2552–92, Worksheet S–3, Part I, column 1, line 8);

(3) Had at least 35% of its acute care inpatient days reimbursed by Medicare, as determined by its settled cost report, filed under Title XVIII of the Social Security Act, for its fiscal year 1994 cost reporting period (i.e., Form HCFA–2552–92, Worksheet S–3, Part I, column 4, line 8 as a percentage of column 6, line 8); and

(4) Had at least 28% of its acute care inpatient days reimbursed by Medicaid, as determined by its settled cost report, filed under Title XVIII of the Social Security Act, for its fiscal year 1994 cost report (i.e., Form HCFA–2552–92, Worksheet S–3, Part I, column 5, line 8 as a percentage of column 6, line 8).

(c) The Federal Register notice containing the controlling list of HPSAs (62 FR 29395), can be found in federal depository libraries and on the Government Printing Office Internet website at http://www.access.gpo.gov.

(d) To make a determination about information in the settled cost report, the employer shall examine its own Worksheet S–3, Part I, Hospital and Hospital Health Care Complex Cost Report, Form HCFA 2552, filed for the fiscal year 1994 cost reporting period.

(e) The facility must maintain a copy of the portions of Worksheet S–3, Part I and Worksheet S, Parts I and II of HCFA Form 2552 which substantiate the attestation of eligibility as a “facility.” One set of copies of this document must be kept in the facility’s public access file. The full Form 2552 for fiscal year 1994 must be made available to the Department upon request.

§§ 655.1112 Element II—What does “no adverse effect on wages and working conditions” mean?

(a) The second attestation element requires that the facility attest that “the employment of the alien will not adversely affect the wages and working conditions of registered nurses similarly employed.”

(b) For purposes of this program, “employment” is full-time employment as defined in §655.1102; part-time employment of H-1C nurses is not authorized.

(c) Wages. To meet the requirement of no adverse effect on wages, the facility must attest that it will pay each nurse employed by the facility at least the prevailing wage for the occupation in the geographic area. The facility must pay the higher of the wage required under this paragraph or the wage required under §655.1113 (i.e., the third attestation element: facility wage).
(1) Collectively bargained wage rates. Where wage rates for nurses at a facility are the result of arms-length collective bargaining, those rates shall be considered “prevailing” for that facility for the purposes of this subpart.

(2) State employment security determination. In the absence of collectively bargained wage rates, the facility may not independently determine the prevailing wage. The State employment security agency (SESA) shall determine the prevailing wage for similarly employed nurses in the geographic area in accordance with administrative guidelines or regulations issued by ETA. The facility shall request the appropriate prevailing wage from the SESA not more than 90 days prior to the date the Attestation is submitted to ETA. Once a facility obtains a prevailing wage determination from the SESA and files an Attestation supported by that prevailing wage determination, the facility shall be deemed to have accepted the prevailing wage determination as accurate and appropriate (as to both the occupational classification and the wage rate) and thereafter shall not contest the legitimacy of the prevailing wage determination in an investigation or enforcement action pursuant to subpart M. A facility may challenge a SESA prevailing wage determination through the Employment Service complaint system. See 20 CFR part 658, subpart M. A facility which challenges a SESA prevailing wage determination must obtain a final ruling from the Employment Service prior to filing an Attestation. Any such challenge shall not require the SESA to divulge any employer wage data which was collected under the promise of confidentiality.

(3) Total compensation package. The prevailing wage under this paragraph relates to wages only. Employers are cautioned that each item in the total compensation package for U.S. nurses, H–1C, and other nurses employed by the facility must be the same within a given facility, including such items as housing assistance and fringe benefits.

(4) Documentation of pay and total compensation. The facility must maintain in its public access file a copy of the prevailing wage, which shall either the collective bargaining agreement or the determination that was obtained from the SESA. The facility must maintain payroll records, as specified in §655.1113, and make such records available to the Administrator in the event of an enforcement action pursuant to subpart M.

(d) Working conditions. To meet the requirement of no adverse effect on working conditions, the facility must attest that it will afford equal treatment to U.S. and H–1C nurses with the same seniority, with respect to such working conditions as the number and scheduling of hours worked (including shifts, straight days, weekends); vacations; wards and clinical rotations; and overall staffing-patient patterns. In the event of an enforcement action pursuant to subpart M, the facility must provide evidence substantiating compliance with this attestation.

§655.1113 Element III—What does “facility wage rate” mean?

(a) The third attestation element requires that the facility employing or seeking to employ the alien must attest that “the alien employed by the facility will be paid the wage rate for registered nurses similarly employed by the facility.”

(b) The facility must pay the higher of the wage required in this section (i.e., facility wage), or the wage required in §655.1112 (i.e., prevailing wage).

(c) Wage obligations for H–1C nurses in nonproductive status.

(1) Circumstances where wages must be paid. If the H–1C nurse is not performing work and is in a nonproductive status due to a decision by the facility (e.g., because of lack of assigned work), because the nurse has not yet received a license to work as a registered nurse, or any other reason except as specified in paragraph (c)(2) of this section, the facility is required to pay the salaried H–1C nurse the full amount of the weekly salary, or to pay the hourly-wage H–1C nurse for a full-time week (40 hours or such other number of hours as the facility can demonstrate to be full-time employment) at the applicable wage rate.

(2) Circumstances where wages need not be paid. If an H–1C nurse experiences a period of nonproductive status due to conditions unrelated to employment
which take the nurse away from his/her duties at his/her voluntary request and convenience (e.g., touring the U.S., caring for ill relative) or render the non-immigrant unable to work (e.g., maternity leave, automobile accident which temporarily incapacitates the non-immigrant), then the facility is not obligated to pay the required wage rate during that period, provided that such period is not subject to payment under the facility’s benefit plan. Payment need not be made if there has been a bona fide termination of the employment relationship, as demonstrated by notification to INS that the employment relationship has been terminated and the petition should be canceled.

(d) Documentation. The facility must maintain documentation substantiating compliance with this attestation element. The public access file shall contain the facility pay schedule for nurses or a description of the factors taken into consideration by the facility in making compensation decisions for nurses, if either of these documents exists. Categories of nursing positions not covered by the public access file documentation shall not be covered by the Attestation, and, therefore, such positions shall not be filled or held by H-1C nurses. The facility must maintain the payroll records, as required under the Fair Labor Standards Act at 29 CFR part 516, and make such records available to the Administrator in the event of an enforcement action pursuant to subpart M of this part.

§ 655.1114 Element IV—What are the timely and significant steps an H-1C employer must take to recruit and retain U.S. nurses?

(a) The fourth attestation element requires that the facility attest that it “has taken and is taking timely and significant steps designed to recruit and retain sufficient registered nurses who are United States citizens or immigrants who are authorized to perform nursing services, in order to remove as quickly as reasonably possible the dependence of the facility on non-immigrant registered nurses.” The facility must take at least two such steps, unless it demonstrates that taking a second step is not reasonable. The steps described in this section shall not be considered to be an exclusive list of the significant steps that may be taken to meet the conditions of this section. Nothing in this subpart or subpart M of this part shall require a facility to take more than one step, if the facility can demonstrate that taking a second step is not reasonable. A facility choosing to take timely and significant steps other than those specifically described in this section must submit with its Attestation a description of the step(s) it is proposing to take and an explanation of how the proposed step(s) are of comparable timeliness and significance to those described in this section (See § 655.1110(c)(1)(iii)). A facility claiming that a second step is unreasonable must submit an explanation of why such second step would be unreasonable (See § 655.1110(c)(1)(iv)).

(b) Descriptions of steps. Each of the actions described in this section shall be considered a significant step reasonably designed to recruit and retain U.S. nurses. A facility choosing any of these steps shall designate such step on Form ETA 9081, thereby attesting that its program(s) meets the regulatory requirements set forth for such step. Section 212(m)(2)(E)(ii) of the INA provides that a violation shall be found if a facility fails to meet a condition attested to. Thus, a facility shall be held responsible for all timely and significant steps to which it attests.

(1) Statutory steps.

(i) Operating a training program for registered nurses at the facility or financing (or providing participation in) a training program for registered nurses elsewhere. Training programs may include either courses leading to a higher degree (i.e., beyond an associate or a baccalaureate degree), or continuing education courses. If the program includes courses leading to a higher degree, they must be courses which are part of a program accepted for degree credit by a college or university and accredited by a State Board of Nursing or a State Board of Higher Education (or its equivalent), as appropriate. If the program includes continuing education courses, they must be courses which meet criteria established to qualify the nurses taking the courses to earn continuing education units accepted by a State Board of
§ 655.1114  

Nursing (or its equivalent). In either type of program, financing by the facility (either directly or arranged through a third party) shall cover the total costs of such training. The number of U.S. nurses for whom such training actually is provided shall be no less than half of the number of nurses who left the facility during the 12-month period prior to submission of the Attestation. U.S. nurses to whom such training was offered, but who rejected such training, may be counted towards those provided training.

(ii) Providing career development programs and other methods of facilitating health care workers to become registered nurses. This may include programs leading directly to a degree in nursing, or career ladder/career path programs which could ultimately lead to a degree in nursing. Any such degree program shall be, at a minimum, through an accredited community college (leading to an associate’s degree), 4-year college (a bachelor’s degree), or diploma school, and the course of study must be one accredited by a State Board of Nursing (or its equivalent). The facility (either directly or arranged through a third party) must cover the total costs of such programs. U.S. workers participating in such programs must be working or have worked in health care occupations or facilities. The number of U.S. workers for whom such training is provided must be equal to no less than half the average number of vacancies for nurses during the 12-month period prior to the submission of the Attestation. U.S. nurses to whom such training was offered, but who rejected such training, may be counted towards those provided training.

(iii) Paying registered nurses wages at a rate higher than currently being paid to registered nurses similarly employed in the geographic area. The facility’s entire schedule of wages for nurses shall be at least 5 percent higher than the prevailing wage as determined by the SESA, and such differentials shall be maintained throughout the period of the Attestation’s effectiveness.

(iv) Providing reasonable opportunities for meaningful salary advancement by registered nurses. This may include salary advancement based on factors such as merit, education, and specialty, and/or salary advancement based on length of service, with other bases for wage differentials remaining constant.

(A) Merit, education, and specialty. Salary advancement may be based on factors such as merit, education, and specialty, or the facility may provide opportunities for professional development of its nurses which lead to salary advancement (e.g., participation in continuing education or in-house educational instruction; service on special committees, task forces, or projects considered of a professional development nature; participation in professional organizations; and writing for professional publications). Such opportunities must be available to all the facility’s nurses.

(B) Length of service. Salary advancement may be based on length of service using clinical ladders which provide, annually, salary increases of 3 percent or more for a period of no less than 10 years, over and above the costs of living and merit, education, and specialty increases and differentials.

(2) Other possible steps. The Act indicates that the four steps described in the statute (and set out in paragraph (b)(1) of this section) are not an exclusive list of timely and significant steps which might qualify. The actions described in paragraphs (b)(2)(i) through (iv) of this section, are also deemed to be qualified; in paragraph (b)(2)(v) of this section, the facility is afforded the opportunity to identify a timely and significant step of its own devising.

(i) Monetary incentives. The facility provides monetary incentives to nurses, through bonuses and merit pay plans not included in the base compensation package, for additional education, and for efforts by the nurses leading to increased recruitment and retention of U.S. nurses. Such monetary incentives may be based on actions by nurses such as: Instituting innovations to achieve better patient care, increased productivity, reduced waste, and/or improved workplace safety; obtaining additional certification in a nursing specialty; accruing unused sick leave; recruiting other U.S. nurses; staying with the facility for a
given number of years; taking less desirable assignments (other than shift differential); participating in professional organizations; serving on task forces and on special committees; or contributing to professional publications.

(ii) Special perquisites. The facility provides nurses with special perquisites for dependent care or housing assistance of a nature and/or extent that constitute a “significant” factor in inducing employment and retention of U.S. nurses.

(iii) Work schedule options. The facility provides nurses with non-mandatory work schedule options for part-time work, job-sharing, compressed work week or non-rotating shifts (provided, however, that H–IC nurses are employed only in full-time work) of a nature and/or extent that constitute a “significant” factor in inducing employment and retention of U.S. nurses.

(iv) Other training options. The facility provides training opportunities to U.S. workers not currently in health care occupations to become registered nurses by means of financial assistance (e.g., scholarship, loan or pay-back programs) to such persons.

(v) Alternative but significant steps. Facilities are encouraged to be innovative in devising timely and significant steps other than those described in paragraphs (b)(1) and (b)(2)(i) through (iv) of this section. To qualify, an alternative step must be of a timeliness and significance comparable to those described in paragraphs (b)(1) and (b)(2)(i) through (iv) in promoting the development, recruitment, and retention of U.S. nurses. A facility may designate on Form ETA 9081 that it has taken and is taking such alternative step(s), thereby attesting that the step(s) meet the statutory test of timeliness and significance comparable to those described in paragraphs (b)(1) and (b)(2)(i) through (iv) in promoting the development, recruitment, and retention of U.S. nurses. If such a designation is made on Form ETA 9081, the submission of the Attestation to ETA shall include an explanation and documentation with respect to each of the steps described in paragraphs (b) of this section (other than the step designated as being taken by the facility), showing why it would be unreasonable for the facility to take each such step and why it would be unreasonable for the facility to take any other step designed to recruit, develop and retain sufficient U.S. nurses to meet its staffing needs.

(1) A facility may designate on Form ETA 9081 that the taking of a second step is not reasonable. If such a designation is made on Form ETA 9081, the submission of the Attestation to ETA shall include an explanation and appropriate documentation with respect to each of the steps described in paragraph (b) of this section (other than the step designated as being taken by the facility), showing why it would be unreasonable for the facility to take each such step and why it would be unreasonable for the facility to take any other step designed to recruit, develop and retain sufficient U.S. nurses to meet its staffing needs.

(2) ETA will review the explanation and documentation, and will determine whether the taking of a second step would not be reasonable. The ETA determination is subject to review by the BALCA, upon the request of an interested party; such review shall be limited to this matter.

(d) Performance-based alternative to criteria for specific steps. Instead of complying with the specific criteria for one or more of the steps in the second and/or succeeding years of participation in the H–IC program, a facility may include in its prior year’s Attestation, in addition to the actions taken under specifically attested steps, that it will reduce the number of H–IC nurses it utilizes within one year from the date of the Attestation by at least 10 percent, without reducing the quality or quantity of services provided. If this
goal is achieved, the facility shall so indicate on its subsequent year’s Attestation. Further, the facility need not attest to any “timely and significant step” on that subsequent attestation, if it again indicates that it shall again reduce the number of H–1C nurses it utilizes within one year from the date of the Attestation by at least 10 percent. This performance-based alternative is designed to permit a facility to achieve the objectives of the Act, without subjecting the facility to detailed requirements and criteria as to the specific means of achieving that objective.

(e) Documentation. The facility must include in the public access file a description of the activities which constitute its compliance with each timely and significant step which is attested on Form ETA 9081 (e.g., summary of a training program for registered nurses; description of a career ladder showing meaningful opportunities for pay advancements for nurses). If the facility has attested that it will take an alternative step or that taking a second step is unreasonable, then the public access file must include the documentation which was submitted to ETA under paragraph (c) of this section. The facility must maintain its non-public files, and must make available to the Administrator in the event of an enforcement action pursuant to subpart M of this part, documentation which provides a complete description of the nature and operation of its program(s) sufficient to substantiate its full compliance with the requirements of each timely and significant step which is attested to on Form ETA 9081. This documentation should include information relating to all of the requirements for the step in question.

§ 655.1115 Element V—What does “no strike/lockout or layoff” mean?

(a) The fifth attestation element requires that the facility attest that “there is not a strike or lockout in the course of a labor dispute, the facility did not lay off and will not lay off a registered nurse employed by the facility within the period beginning 90 days before and ending 90 days after the date of filing of any visa petition, and the employment of such an alien is not intended or designated to influence an election for a bargaining representative for registered nurses of the facility.” Labor disputes for purposes of this attestation element relate only to those involving nurses providing nursing services; other health service occupations are not included. A facility which has filed a petition for H–1C nurses is also prohibited from interfering with the right of the non-immigrant to join or organize a union.

(b) Notice of strike or lockout. In order to remain in compliance with the no strike or lockout portion of this attestation element, the facility must notify ETA if a strike or lockout of nurses at the facility occurs during the one year validity of the Attestation. Within three days of the occurrence of such strike or lockout, the facility must submit to the Chief, Division of Foreign Labor Certifications, Office of Workforce Security, Employment and Training Administration, Department of Labor, 200 Constitution Avenue N.W., Room C–4318, Washington, D.C. 20210, by U.S. mail or private carrier, written notice of the strike or lockout. Upon receiving a notice described in this section from a facility, ETA will examine the documentation, and may consult with the union at the facility or other appropriate entities. If ETA determines that the strike or lockout is covered under 8 CFR 214.2(h)(17), INS’s Effect of strike regulation for “H” visa holders, ETA must certify to INS, in the manner set forth in that regulation, that a strike or other labor dispute involving a work stoppage of nurses is in progress at the facility.

(c) Lay off of a U.S. nurse means that the employer has caused the nurse’s loss of employment in circumstances other than where—

(1) A U.S. nurse has been discharged for inadequate performance, violation of workplace rules, or other reasonable work-related cause;
(2) A U.S. nurse’s departure or retirement is voluntary (to be assessed in light of the totality of the circumstances, under established principles concerning “constructive discharge” of workers who are pressured to leave employment);
(3) The grant or contract under which the work performed by the U.S. nurse
(a) The sixth attestation element requires the facility to attest that at the time of filing of the petition for registered nurses under section 101(a)(15)(H)(i)(c) of the INA, notice of filing has been provided by the facility to the bargaining representative of the registered nurses at the facility or, where there is no such bargaining representative, notice of the filing has been provided to registered nurses at the facility through posting in conspicuous locations, and individual copies of the Attestation have been provided to registered nurses employed at the facility.

(b) Notification of bargaining representative. At a time no later than the date the Attestation is transmitted to ETA, the facility must notify the bargaining representative (if any) for nurses at the facility that the Attestation is being submitted. No later than the date the facility transmits a petition for H–1C nurses to INS, the facility must notify the bargaining representative (if any) for nurses at the facility that the H–1C petition is being submitted. This notice may be either a copy of the Attestation or petition, or a document stating that the Attestation and H–1C petition are available for review by interested parties at the facility (explaining how they can be inspected or obtained) and at the Division of Foreign Labor Certifications, Office of Workforce Security, Employment and Training Administration, Department of Labor, 200 Constitution Avenue NW., Room C–4318, Washington, DC 20210. The notice must include the following statement: “Complaints alleging misrepresentation of material facts in the Attestation or failure to comply with the terms of the Attestation may be filed with any office of the Wage and Hour Division of the United States Department of Labor.”

(c) Posting notice. If there is no bargaining representative for nurses at the facility, the facility must post a written notice in two or more conspicuous locations at the facility. Such notices shall be clearly visible and unobstructed while posted, and shall be posted in conspicuous places where
nurses can easily read the notices on their way to or from their duties. Appropriate locations for posting hard copy notices include locations in the immediate proximity of mandatory Fair Labor Standards Act wage and hour notices and Occupational Safety and Health Act occupational safety and health notices. In the alternative, the facility may use electronic means it ordinarily uses to communicate with its nurses about job vacancies or promotion opportunities, including through its "home page" or "electronic bulletin board," provided that the notices have, as a practical matter, direct access to those sites; or, where the nurses have individual e-mail accounts, the facility may use e-mail. This must be accomplished no later than the date when the facility transmits an Attestation to ETA and the date when the facility transmits an H–1C petition to the INS. The notice may be either a copy of the Attestation or petition, or a document stating that the Attestation or petition has been filed and is available for review by interested parties at the facility (explaining how these documents can be inspected or obtained) and at the national office of ETA. The notice shall include the following statement: "Complaints alleging misrepresentation of material facts in the Attestation or failure to comply with the terms of the Attestation may be filed with any office of the Wage and Hour Division of the United States Department of Labor." Unless it is sent to an individual e-mail address, the Attestation notice shall remain posted during the validity period of the Attestation; the petition notice shall remain posted for ten days. Copies of all notices shall be available for examination in the facility’s public access file.

(d) Individual notice to RNs. In addition to notifying the bargaining representative or posting notice as described in paragraphs (b) and (c) of this section, the facility must provide a copy of the Attestation, within 30 days of the date of filing, to every registered nurse employed at the facility. This requirement may be satisfied by electronic means if an individual e-mail message, with the Attestation as an attachment, is sent to every RN at the facility. This notification includes not only the RNs employed by the facility, but also includes any RN who is providing service at the facility as an employee of another entity, such as a nursing contractor.

(e) Where RNs lack practical computer access, a hard copy must be posted in accordance with paragraph (c) of this section and a hard copy of the Attestation delivered, within 30 days of the date of filing, to every RN employed at the facility in accordance with paragraph (d) of this section.

(f) The facility must maintain, in its public access file, copies of the notices required by this section. The facility must make such documentation available to the Administrator in the event of an enforcement action pursuant to subpart M of this part.

§§ 655.1117 Element VII—What are the limitations as to the number of H–1C nonimmigrants that a facility may employ?

(a) The seventh attestation element requires that the facility attest that it will not, at any time, employ a number of H–1C nurses that exceeds 33% of the total number of registered nurses employed by the facility. The calculation of the population of nurses for purposes of this attestation includes only nurses who have an employer-employee relationship with the facility (as defined in §655.1102).

(b) The facility must maintain documentation (e.g., payroll records, copies of H–1C petitions) that demonstrates its compliance with this attestation. The facility must make such documentation available to the Administrator in the event of an enforcement action pursuant to subpart M of this part.

§§ 655.1118 Element VIII—What are the limitations as to where the H–1C nonimmigrant may be employed?

The eighth attestation element requires that the facility attest that it will not authorize any H–1C nurse to perform services at any worksite not controlled by the facility or transfer any H–1C nurse from one worksite to another worksite, even if all of the worksites are controlled by the facility.
§§ 655.1130 What criteria does the Department use to determine whether or not to certify an Attestation?

(a) An Attestation form which is complete and has no obvious inaccuracies will be accepted for filing by ETA without substantive review, except that ETA will conduct a substantive review on particular attestation elements in the following limited circumstances:

(1) Determination of whether the hospital submitting the Attestation is a qualifying “facility” (see §655.1110(c)(1)), regarding the documentation required, and the process for review;

(2) Where the facility attests that it is taking or will take a “timely and significant step” other than those identified on the Form ETA 9081 (see §655.1114(b)(2)(v)), regarding the documentation required, and the process for review;

(3) Where the facility asserts that taking a second “timely and significant step” is unreasonable (see §655.1114(c), regarding the documentation required, and the process for review).

(b) The certifying officer will act on the Attestation in a timely manner. If the officer does not contact the facility for information or make any determination within 30 days of receiving the Attestation, the Attestation shall be accepted for filing. If ETA receives information contesting the truth of the statements attested to or compliance with an Attestation prior to the determination to accept or reject the Attestation for filing, such information shall not be made part of ETA’s administrative record on the Attestation but shall be referred to the Administrator to be processed as a complaint pursuant to subpart M of this part if such Attestation is accepted by ETA for filing.

(c) Upon the facility’s submitting the Attestation to ETA and providing the notice required by §655.1116, the Attestation shall be available for public examination at the facility. When ETA accepts the Attestation for filing, the Attestation will be made available for public examination in the Office of Workforce Security, Employment Training Administration, U.S. Department of Labor, Room C–4318, 200 Constitution Avenue, NW., Washington, DC 20210.

(1) The Attestation is complete and contains no obvious inaccuracies.

(2) The facility’s explanation and documentation are sufficient to satisfy the requirements for the Attestation elements on which substantive review is conducted (as described in paragraph (a) of this section).

(3) The facility has no outstanding “insufficient funds” check(s) in connection with filing fee(s) for prior Attestation(s).

(4) The facility has no outstanding civil money penalties and/or has not failed to satisfy a remedy assessed by the Wage and Hour Administrator, under subpart M of this part, where that penalty or remedy assessment has become the final agency action.

(5) The facility has not been disqualified from approval of any petitions filed by, or on behalf of, the facility under section 204 or section 212(m) of the INA.

(e) DOL not the guarantor. DOL is not the guarantor of the accuracy, truthfulness or adequacy of an Attestation accepted for filing.

(f) Attestation Effective and Expiration Dates. An Attestation becomes filed and effective as of the date it is accepted and signed by the ETA certifying officer. Such Attestation is valid until the date that is the later of the end of the 12-month period beginning on the date of acceptance for filing with the Secretary, or the end of the period of admission (under INA section 101(a)(15)(H)(i)(c)) of the last alien with respect to whose admission the Attestation was applied, unless the Attestation is suspended or invalidated earlier than such date pursuant to §655.1132.

§ 655.1132 When will the Department suspend or invalidate an approved Attestation?

(a) Suspension or invalidation of an Attestation may result where: the facility’s check for the filing fee is not honored by a financial institution; a Board of Alien Labor Certification Appeals (BALCA) decision reverses an
§ 655.1135 What appeals procedures are available concerning ETA’s actions on a facility’s Attestation?

(a) Appeals of acceptances or rejections. Any interested party may appeal ETA’s acceptance or rejection of an Attestation submitted by a facility for filing. However, such an appeal shall be limited to ETA’s determination on one or more of the attestation elements for which ETA conducts a substantive review (as described in §655.1130(a)). Such appeal must be filed no later than 30 days after the date of the acceptance or rejection, and will be considered under the procedures set forth at paragraphs (d) and (f) of this section.

(b) Appeal of invalidation or suspension. An interested party may appeal ETA’s invalidation or suspension of a filed Attestation due to a discovery by ETA that it made an error in its review of the Attestation, as described in §655.1132.

(c) Parties to the appeal. In the case of an appeal of an acceptance, the facility will be a party to the appeal; in the case of the appeal of a rejection, invalidation, or suspension, the collective bargaining representative (if any) representing nurses at the facility shall be a party to the appeal. Appeals shall be in writing; shall set forth the grounds for the appeal; shall state if de novo consideration by BALCA is requested; and shall be mailed by certified mail within 30 calendar days of the date of the action from which the appeal is taken (i.e., the acceptance, rejection, suspension or invalidation of the Attestation).

(d) Where to file appeals. Appeals made under this section must be in writing and must be mailed by certified mail to: Director, Office of Workforce Security, Employment Training Administration, U.S. Department of Labor, Room C–4318, 200 Constitution Avenue, NW., Washington, DC 20210.

(e) Transmittal of the case file to BALCA. Upon receipt of an appeal under this section, the Certifying Office shall send to BALCA a certified copy of the ETA case file, containing the Attestation and supporting documentation and any other information or data considered by ETA in taking the action being appealed. The administrative law judge chairing BALCA shall assign a panel of one or more administrative law judges who serve on BALCA to review the record for legal sufficiency and to consider and rule on the appeal.

(f) Consideration on the record; de novo hearings. BALCA may not remand, dismiss, or stay the case, except as provided in paragraphs (b) of this section, but may otherwise consider the appeal on the record or in a de novo hearing.
(on its own motion or on a party’s request). Interested parties and amici curiae may submit briefs in accordance with a schedule set by BALCA. The ETA official who made the determination which was appealed will be represented by the Associate Solicitor for Employment and Training Legal Services, Office of the Solicitor, Department of Labor, or the Associate Solicitor’s designee. If BALCA determines to hear the appeal on the record without a de novo hearing, BALCA shall render a decision within 30 calendar days after BALCA’s receipt of the case file. If BALCA determines to hear the appeal through a de novo hearing, the procedures contained in 29 CFR part 18 will apply to such hearings, except that:

1. The appeal will not be considered to be a complaint to which an answer is required.

2. BALCA shall ensure that, at the request of the appellant, the hearing is scheduled to take place within a reasonable period after BALCA’s receipt of the case file (see also the time period described in paragraph (f)(4) of this section).

3. Technical rules of evidence, such as the Federal Rules of Evidence and subpart B of the Rules of Practice and Procedure for Administrative Hearings Before the Office of Administrative Law Judges (29 CFR part 18, subpart B), will not apply to any hearing conducted pursuant to this subpart, but rules or principles designed to assure production of the most credible evidence available, and to subject testimony to test by cross-examination, shall be applied where reasonably necessary by BALCA in conducting the hearing. BALCA may exclude irrelevant, immaterial, or unduly repetitious evidence. The certified copy of the case file transmitted to BALCA by the Certifying Officer must be made part of the evidentiary record of the case and need not be moved into evidence.

4. BALCA’s decision shall be rendered within 120 calendar days after BALCA’s receipt of the case file.

5. Dismissals and stays. If BALCA determines that the appeal is solely a question of misrepresentation by the facility or is solely a complaint of the facility’s nonperformance of the Attestation, BALCA shall dismiss the case and refer the matter to the Administrator, Wage and Hour Division, for action under subpart M. If BALCA determines that the appeal is partially a question of misrepresentation by the facility, or is partially a complaint of the facility’s nonperformance of the Attestation, BALCA shall refer the matter to the Administrator, Wage and Hour Division, for action under subpart M of this part and shall stay BALCA consideration of the case pending final agency action on such referral. During such stay, the 120-day period described in paragraph (f)(1)(iv) of this section shall be suspended.

1. BALCA’s decision. After consideration on the record or a de novo hearing, BALCA shall either affirm or reverse ETA’s decision, and shall so notify the appellant; and any other parties.

1. Decisions on Attestations. With respect to an appeal of the acceptance, rejection, suspension or invalidation of an Attestation, the decision of BALCA shall be the final decision of the Secretary, and no further review shall be given to the matter by any DOL official.

§ 655.1150 What materials must be available to the public?

(a) Public examination at ETA. § 655.1210 What penalties and other remedies may the Administrator impose?

(a) The Administrator may assess a civil money penalty not to exceed $1,000 per nurse per violation, with the total penalty not to exceed $10,000 per violation. The Administrator also may impose appropriate remedies, including the payment of back wages, the performance of attested obligations such

The facility must remit the amount of the civil money penalty, by certified check or money order made payable to the order of “Wage and Hour Division, Labor.” The remittance must be delivered or mailed to the Wage and Hour Division Regional Office for the area in which the violation(s) occurred. The payment of back wages, monetary relief, and/or the performance or any other remedy prescribed by the Administrator will follow procedures established by the Administrator. (A) Shall be those normally required for the job in the United States;

(B) Shall be those defined for the job in the Dictionary of Occupational Titles (D.O.T.) including those for subclasses of jobs;

(C) Shall not include requirements for a language other than English.

(ii) If the job opportunity involves a combination of duties, for example engineer-pilot, the employer must document that it has normally employed persons for that combination of duties and/or workers customarily perform the combination of duties in the area of intended employment, and or the combination job opportunity is based on a business necessity.

(iii) If the job opportunity involves a requirement that the worker live on the employer’s premises, the employer shall document adequately that the requirement is a business necessity.

(iv) If the job opportunity has been or is being described with an employer preference, the employer preference shall be deemed to be a job requirement for purposes of this paragraph (b)(2).

(3) The employer shall document that its other efforts to locate and employ U.S. workers for the job opportunity, such as recruitment efforts by means of private employment agencies, labor unions, advertisements placed with radio or TV stations, recruitment at trade schools, colleges, and universities or attempts to fill the job opportunity by development or promotion from among its present employees, have been and continue to be unsuccessful. Such efforts may be required after the filing of an application if appropriate to the occupation.

(4) If unions are customarily used as a recruitment source in the area or industry, the employer shall document that they were unable to refer U.S. workers.

(5) The employer shall document that its requirements for the job opportunity, as described, represent the employer’s actual minimum requirements for the job opportunity, and the employer has not hired workers with less training or experience for jobs similar to that involved in the job opportunity or that it is not feasible to hire workers with less training or experience than that required by the employer’s job offer.

(6) If U.S. workers have applied for the job opportunity, the employer shall
§ 656.21

20 CFR Ch. V (4–1–01 Edition)

document that they were rejected solely for lawful job-related reasons.

(c) The local office shall determine if the application is for a labor certification involving Schedule A. If the application is for a Schedule A labor certification, the local office shall advise the employer that the forms must be filed with an INS or Consular Office pursuant to §656.22, and shall explain that the Administrator has determined that U.S. workers in the occupation are unavailable throughout the United States (unless a geographic limitation is applicable) and that the employment of the alien in the occupation will not adversely affect U.S. workers similarly employed.

(d) The local office shall date stamp the application (see §656.30 for the significance of this date), and shall make sure that the Application for Alien Employment Certification form is complete. If it is not complete the local office shall return it to the employer and shall advise the employer to refile it when it is completed.

(e) The local office shall calculate, to the extent of its expertise using wage information available to it, the prevailing wage for the job opportunity pursuant to §656.40 and shall put its finding into writing. If the local office finds that the rate of wages offered is below the prevailing wage, it shall advise the employer in writing to increase the amount offered. If the employer refuses to do so, the local office shall advise the employer that it is unable to recruit U.S. workers for the job opportunity and that the application will be transmitted to the Certifying Officer for determination.

(g) In conjunction with the recruitment efforts under paragraph (f) of this section, the employer shall place an advertisement for the job opportunity in a newspaper of general circulation or in a professional, trade, or ethnic publication, whichever is appropriate to the occupation and most likely to bring responses from able, willing, qualified, and available U.S. workers. The employer may request the local office’s assistance in drafting the text. The advertisement shall:

1. Direct applicants to report or send resumes, as appropriate for the occupation to the local office for referral to the employer;
2. Include a local office identification number and the complete address or telephone number of the local office, but shall not identify the employer;
3. Describe the job opportunity with particularity;
4. State the rate of pay, which shall not be below the prevailing wage for the occupation, as calculated pursuant to §656.40;
5. Offer prevailing working conditions;
6. State the employer’s minimum job requirements;
7. Offer training if the job opportunity is the type for which employers normally provide training;
8. Offer wages, terms, and conditions of employment which are no less favorable than those offered to the alien; and
9. If published in a newspaper of general circulation, be published for at least three consecutive days; or, if published in a professional, trade, or ethnic publication, be published in the next published edition.
(h) The employer shall supply the local office with required documentation or requested information in a timely manner. If documentation or requested information is not received within 45 calendar days of the date of the request the local office shall return the Application for Alien Employment Certification form, and any supporting documents submitted by the employer and/or the alien, to the employer to be filed as a new application.

(i) The Certifying Officer may reduce the employer’s recruitment efforts required by §§656.21(f) and/or 656.21(g) of this part if the employer satisfactorily documents that the employer has adequately tested the labor market with no success at least at the prevailing wage and working conditions; but no such reduction may be granted for job offers involving occupations listed on Schedule B.

(1) To request a reduction of recruitment efforts pursuant to this paragraph (i), the employer shall file a written request along with the Application for Alien Employment Certification form at the appropriate local Job Service office. The request shall contain:

(i) Documentary evidence (which shall include, but is not limited to, a pre-application notice posted consistent with §656.20(g) of this part) that within the immediately preceding six months the employer has made good faith efforts to recruit U.S. workers for the job opportunity, at least at the prevailing wage and working conditions, through sources normal to the occupation; and

(ii) Any other information which the employer believes will support the contention that further recruitment will be unsuccessful.

(2) Upon receipt of a written request for a reduction in recruitment efforts pursuant to this paragraph (i), the local office shall date stamp the request and the application form and shall review and process the application pursuant to this §656.21, but without regard to §§656.21(f), 656.21(g), and 656.21(j)(1) of this part, advertisement, and job order; and the wait for results.

(ii) The Certifying Officer shall review the documentation submitted by the employer and the comments of the local office. The Certifying Officer shall notify the employer and the local (or State) Employment Service office of the Certifying Officer’s decision on the request to reduce partially or completely the recruitment efforts required of the employer.

(5) Unless the Certifying Officer decides to reduce completely the recruitment efforts required of the employer, the Certifying Officer shall return the application to the local (or State) office so that the employer might recruit workers to the extent required in the Certifying Officer’s decision, and in the manner required by §§656.20(g), 656.21(f), 656.21(g), and 656.21(j) of this part (i.e., by post-application internal notice, employment service job order, and advertising; and a wait for results). If the Certifying Officer decides to reduce completely the recruitment efforts required of the employer, the Certifying Officer then shall determine, pursuant to §656.24 whether to grant or to deny the application.

(j) (1) The employer shall provide to the local office a written report of the results of all the employer’s post-application recruitment efforts during the 30-day recruitment period; except that for job opportunities advertised in professional and trade, or ethnic publications, the written report shall be provided no less than 30 calendar days from the date of the publication of the employer’s advertisement. The report of recruitment results shall:

(i) Identify each recruitment source by name;

(ii) State the number of U.S. workers responding to the employer’s recruitment;

(iii) State the names, addresses, and provide resumes (if any) of the U.S. workers interviewed for the job opportunity and job title of the person who interviewed each worker; and

(iv) Explain, with specificity, the lawful job-related reasons for not hiring each U.S. worker interviewed.
§ 656.21a Applications for labor certifications for occupations designated for special handling.

(a) An employer shall apply for a labor certification to employ an alien as a college or university teacher or an alien represented to be of exceptional ability in the performing arts by filing, in duplicate, an Application for Alien Employment Certification form, and any attachments required by this part, with the local Employment Service office serving the area where the alien proposes to be employed.

(1) The employer shall set forth the following on the Application for Alien Employment Certification form, as appropriate, or in attachments:

(i) A statement of the qualifications of the alien, signed by the alien.

(ii) A full description of the job offer for the alien employment.

(iii) If the application involves a job offer as a college or university teacher, the employer shall submit documentation to show clearly that the employer selected the alien for the job opportunity pursuant to a competitive recruitment and selection process, through which the alien was found to be more qualified than any of the United States workers who applied for the job. For purposes of this paragraph (a)(1)(iii), evidence of the "competitive recruitment and selection process" shall include:

(A) A statement, signed by an official who has actual hiring authority, from the employer outlining in detail the complete recruitment procedure undertaken; and which shall set forth:

(1) The total number of applicants for the job opportunity;

(2) The specific lawful job-related reasons why the alien is more qualified than each U.S. worker who applied for the job; and

(3) A final report of the faculty, student, and/or administrative body making the recommendation or selection of the alien, at the completion of the competitive recruitment and selection process;

(B) A copy of at least one advertisement for the job opportunity placed in a national professional journal, giving the name and the date(s) of publication; and which states the job title, duties, and requirements;

(C) Evidence of all other recruitment sources utilized; and

(D) A written statement attesting to the degree of the alien’s educational or professional qualifications and academic achievements.

(E) Applications for permanent alien labor certification for job opportunities as college and university teachers shall be filed within 18 months after a selection is made pursuant to a competitive recruitment and selection process.

(iv) If the application is for an alien represented to have exceptional ability in the performing arts, the employer shall document that the alien’s work experience during the past twelve months did require, and the alien’s intended work in the United States will require, exceptional ability; and shall submit:

(A) Documentation to show this exceptional ability, such as:

(1) Documents attesting to the current widespread acclaim and international recognition accorded to the alien, and receipt of internationally recognized prizes or awards for excellence;

(2) Published material by or about the alien, such as critical reviews or articles in major newspapers, periodicals, and/or trade journals (the title,
Employment and Training Administration, Labor § 656.21a

date, and author of such material shall be indicated;

(3) Documentary evidence of earnings commensurate with the claimed level of ability;

(4) Playbills and starbills;

(5) Documents attesting to the outstanding reputation of theaters, concert halls, night clubs, and other establishments in which the alien has appeared, or is scheduled to appear; and/or

(6) Documents attesting to the outstanding reputation of repertory companies, ballet troupes, orchestras, or other organizations in which or with which the alien has performed during the past year in a leading or starring capacity; and

(B) A copy of at least one advertisement placed in a national publication appropriate to the occupation (and a statement of the results of that recruitment) which shall:

(1) Identify the employer’s name, address, and the location of the employment, if other than the employer’s location;

(2) Describe the job opportunity with particularity;

(3) State the rate of pay, which shall not be below the prevailing wage for the occupation, as calculated pursuant to §656.40;

(4) Offer prevailing working conditions;

(5) State the employer’s minimum job requirements;

(6) Offer training if the job opportunity is the type for which employers normally provide training; and

(7) Offer wages, terms, and conditions of employment which are no less favorable than those offered to the alien; and

(C) Documentation that unions, if customarily used as a recruitment source in the area or industry, were unable to refer equally qualified U.S. workers.

(2) The local Employment Service office, upon receipt of an application for a college or university teacher or an alien represented to have exceptional ability in the performing arts, shall follow the application processing and prevailing wage determination procedures set forth in §§656.21(d) and (e), and shall transmit a file containing the application, the local office’s prevailing wage findings, and any other information it determines is appropriate, to the State Employment Service agency office, or if authorized by the State office, to the appropriate Certifying Officer.

(3) If the local office transmits the file described in paragraph (a)(3) of this section to the State office, the State office shall follow the procedures set forth at §656.21(k).

(b)(1) An employer shall apply for a labor certification to employ an alien (who has been employed legally as a nonimmigrant sheepherder in the United States for at least 33 of the preceding 36 months) as a sheepherder by filing an Application for Alien Employment Certification form, and any attachments required by this paragraph (b), directly with a Department of State Consular Officer or with a District Office of INS, not with a local or State office of a State Employment Service agency, and not with an office of DOL. The documentation for such an application shall include:

(i) A completed Application for Alien Employment Certification form, including the Job Offer for Alien Employment, and the Statement of Qualification of Alien; and

(ii) A signed letter or letters from all U.S. employers who have employed the alien as a sheepherder during the immediately preceding 36 months, attesting that the alien has been employed in the United States lawfully and continuously as a sheepherder, for at least 33 of the immediately preceding 36 months.

(2) An Immigration Officer, or a Consular Officer, shall review the application and the letters attesting to the alien’s previous employment as a sheepherder in the United States, and shall determine whether or not the alien and the employer(s) have met the requirements of this paragraph (b).

(i) The determination of the Immigration or Consular Officer pursuant to this paragraph (b) shall be conclusive and final. The employer(s) and the alien, therefore, may not make use of the review procedures set forth at §§656.26 and 656.27.

(ii) If the alien and the employer(s) have met the requirements of this
§ 656.22 Applications for labor certification for Schedule A occupations.

(a) An employer shall apply for a labor certification for a Schedule A occupation by filing an Application for Alien Employment Certification in duplicate with the appropriate Immigration and Naturalization Service office, not with the Department of Labor or a State Employment Service office.

(b) The Application for Alien Employment Certification form shall include:

(1) Evidence of prearranged employment for the alien beneficiary by having an employer complete and sign the job offer description portion of the application form. There is, however, no need for the employer to provide the other documentation required under §656.21 of this part for non-Schedule A occupations.

(2) Evidence that notice of filing the application for Alien Employment Certification was provided to the bargaining representative or the employer’s employees as prescribed in §656.20(g)(3) of this part.

(c) An employer seeking labor certification under Group I of Schedule A shall file, as part of its labor certification application, documentary evidence of the following:

(1) Documentation of the alien’s receipt of internationally recognized prizes or awards for excellence in the field for which certification is sought.

(2) An employer seeking a Schedule A labor certification as a professional nurse (§656.10(a)(2) of this part) shall file, as part of its labor certification application, documentation that the alien has passed the Commission on Graduates of Foreign Nursing Schools (CGFN) Examination; or that the alien holds a full and unrestricted (permanent) license to practice nursing in the State of intended employment. Application for certification of employment as a professional nurse may be made only pursuant to this §656.22 and not pursuant to §§656.21, 656.21a, or 656.23 of this part.

(3) An employer seeking labor certification on behalf of an alien under Group II of Schedule A shall file, as part of its labor certification application, documentary evidence testifying to the widespread acclaim and international recognition accorded the alien by recognized experts in their field; and documentation showing that the alien’s work in that field during the past year did, and the alien’s intended work in the United States will, require exceptional ability. In addition, the employer shall file, as part of the labor certification application, documentation concerning the alien from at least two of the following seven groups:

   (1) Documentation of the alien’s receipt of internationally recognized prizes or awards for excellence in the field for which certification is sought.
(2) Documentation of the alien’s membership in international associations, in the field for which certification is sought, which require outstanding achievement of their members, as judged by recognized international experts in their disciplines or fields.

(3) Published material in professional publications about the alien, relating to the alien’s work in the field for which certification is sought, which shall include the title, date, and author of such published material.

(4) Evidence of the alien’s participation on a panel, or individually, as a judge of the work of others in the same or in an allied field of specialization to that for which certification is sought.

(5) Evidence of the alien’s original scientific or scholarly research contributions of major significance in the field for which certification is sought.

(6) Evidence of the alien’s authorship of published scientific or scholarly articles in the field for which certification is sought, in international professional journals or professional journals with an international circulation.

(7) Evidence of the display of the alien’s work, in the field for which certification is sought, at artistic exhibitions in more than one country.

(e) An Immigration Officer shall determine whether the employer and alien have met the applicable requirements of § 656.20 of this part, of this section, and of Schedule A (§ 656.10 of this part); shall review the application; and shall determine whether or not the alien is qualified for and intends to pursue the Schedule A occupation.

(1) The Immigration Officer may request an advisory opinion as to whether the alien is qualified for the Schedule A occupation from the Division of Foreign Labor Certifications, United States Employment Service, Washington, DC 20210.

(2) The Schedule A determination of INS shall be conclusive and final. The employer, therefore, may not make use of the review procedures at § 656.26 of this part.

(f) If the alien qualifies for the occupation, the Immigration Officer shall indicate the occupation on the Application for Alien Employment Certification form. The Immigration Officer then shall promptly forward a copy of the Application for Alien Employment Certification form, without attachments, to the Director, indicating thereon the occupation, the Immigration Officer who made the Schedule A determination, and the date of the determination (see § 656.30 of this part for the significance of this date).

§ 656.23 Applications for labor certifications for Schedule B occupations; requests for waivers from Schedule B.

(a) Occupations listed on Schedule B require little or no education or experience, and employees can be trained quickly to perform them satisfactorily. In addition, many of these occupations are entry jobs in their industries which offer opportunities for high school graduates and other U.S. workers who otherwise would have difficulty finding their first employment and gaining work experience. The Director has determined that there is generally a nationwide surplus of U.S. workers who are available for and who can qualify for Schedule B job opportunities which offer prevailing wages and working conditions.

(b) Some of the occupations on Schedule B are also often characterized by relatively low wages, long and irregular working hours, and poor working conditions which lead to excessive turnover. In most instances, the Director has determined through past experience that the employment of aliens has failed to resolve such employment problems since the aliens, like U.S. workers, often quickly move to other jobs. This results in an adverse effect upon the wages and working conditions of U.S. workers who are employed in occupations which require similar education and experience.

(c) Therefore, the Director has determined that for occupations listed on Schedule B U.S. workers are generally available throughout the United States, and that the employment of aliens in Schedule B occupations will generally adversely affect the wages and working conditions of U.S. workers similarly employed.
§ 656.24 Labor certification determinations.

(a) If the labor certification presents a special or unique problem, the regional Certifying Officer may refer the application to the national Certifying Officer for determination. If the Director has directed that certain types of applications or specific applications be handled in the USES national office, the regional Certifying Officer shall refer such applications to the national Certifying Officer.

(b) The regional or national Certifying Officer, as appropriate, shall make a determination either to grant the labor certification or to issue a Notice of Findings on the basis of whether or not:

(1) The employer has met the requirements of this part. However, where the Certifying Officer determines that the employer has committed harmless error, the Certifying Officer nevertheless may grant the labor certification, Provided, That the labor market has been tested sufficiently to warrant a finding of unavailability of and lack of adverse effect on U.S. workers. Where the Certifying Officer makes such a determination, the Certifying Officer shall document it in the application file.

(2) There is in the United States a worker who is able, willing, qualified and available for and at the place of the job opportunity according to the following standards:

(i) The Certifying Officer, in judging whether a U.S. worker is willing to take the job opportunity, shall look at the documented results of the employer’s and the Local (and State) Employment Service office’s recruitment efforts, and shall determine if there are other appropriate sources of workers where the employer should have recruited or might be able to recruit U.S. workers.

(ii) The Certifying Officer shall consider a U.S. worker able and qualified for the job opportunity if the worker, by education, training, experience, or a combination thereof, is able to perform in the normally accepted manner the duties involved in the occupation as customarily performed by other U.S. workers similarly employed, except that, if the application involves a job opportunity as a college or university teacher, or for an alien whom the Certifying Officer determines to be currently of exceptional ability in the performing arts, the U.S. worker must be at least as qualified as the alien.

(iii) In determining whether U.S. workers are available, the Certifying Officer shall consider as many sources as are appropriate and shall look to the
nationwide system of public employment offices (the "Employment Service") as one source.

(iv) In determining whether a U.S. worker is available at the place of the job opportunity, the Certifying Officer shall consider U.S. workers living or working in the area of intended employment, and may also consider U.S. workers who are willing to move from elsewhere to take the job at their own expenses, or, if the prevailing practice among employers employing workers in the occupation in the area of intended employment is to pay such relocation expenses, at the employer's expense.

(3) The employment of the alien will have an adverse effect upon the wages and working conditions of U.S. workers similarly employed. In making this determination the Certifying Officer shall consider such things as labor market information, the special circumstances of the industry, organization, and/or occupation, the prevailing wage in the area of intended employment, and the prevailing working conditions, such as hours, in the occupation.

§656.25 Procedures following a labor certification determination.

(a) After making a labor certification determination, the Certifying Officer shall notify the employer in writing of the determination and shall send a copy of the notice to the alien.

(b) If a labor certification is granted, the Certifying Officer shall follow the document transmittal procedures set forth at §656.28.

(c) If a labor certification is not granted, the Certifying Officer shall issue to the employer, with a copy to the alien, a Notice of Findings, as defined in §656.50. The Notice of Findings shall:

(1) Contain the date on which the Notice of Findings was issued;

(2) State the specific bases on which the decision to issue the Notice of Findings was made;

(3) Specify a date, 35 calendar days from the date of the Notice of Findings, by which documentary evidence and/or written argument may be submitted to cure the defects or to otherwise rebut the bases of the determination, and advise that if the rebuttal evidence and/or argument have not been mailed by certified mail by the date specified:

(i) The Notice of Findings shall automatically become the final decision of the Secretary denying the labor certification;

(ii) Failure to file a rebuttal in a timely manner shall constitute a refusal to exhaust available administrative remedies; and

(iii) The administrative-judicial review procedure provided in §656.26 shall not be available; and

(4) Quote the rebuttal procedures set forth at paragraphs (d), (e), and (f) of this section.

(d) Written rebuttal arguments and evidence may be submitted;

(1) By the employer; and

(2) By the alien, but only if the employer also has submitted a rebuttal.

(e) (1) Documentary evidence and/or written arguments to rebut all of the bases of a Notice of Findings, which may include evidence that the defects noticed therein have been cured, shall be mailed by certified mail on or before the date specified in the Notice of Findings to the Certifying Officer who issued the Notice of Findings.

(2) Failure to file a rebuttal in a timely manner shall constitute a failure to exhaust available administrative appellate remedies.

(3) All findings in the Notice of Findings not rebutted shall be deemed admitted.

(f) If a rebuttal, as described above, is submitted on time, the Certifying Officer shall review that evidence in relation to the evidence in the file, and shall then either grant or deny the labor certification pursuant to the standards set forth in §656.24(b).

(g) The Certifying Officer shall send a Final Determination form to the employer, and shall send a copy to the alien.

(1) If a labor certification is granted, the Certifying Officer shall follow the document transmittal procedures set forth at §656.28.

(2) If the labor certification is denied, the Final Determination form shall:

(i) Contain the date of the determination;
§ 656.26 Board of Alien Labor Certification Appeals review of denials of labor certification.

(a) If a labor certification is denied, a request for review of the denial may be made to the Board of Alien Labor Certification Appeals:

(1) By the employer; and

(2) By the alien, but only if the employer also requests such a review.

(b) (1) The request for review shall be in writing and shall be mailed by certified mail to the Certifying Officer who denied the application within 35 calendar days of the date of the determination, that is, by the date specified on the Final Determination form; shall clearly identify the particular labor certification determination from which review is sought; shall set forth the particular grounds for the request; and shall include all the documents which accompanied the Final Determination form.

(2) Failure to file a request for review in a timely manner shall constitute a failure to exhaust available administrative remedies.

(3) If the denial of labor certification involves an application for a job opportunity as a college or university teacher or an application on behalf of an alien represented to be of exceptional ability in the performing arts, the employer may designate the names and addresses of persons or organizations of specialized competence which the employer has asked to submit amicus briefs.

(4) The request for review, statements, briefs, and other submissions of the parties and amicus curiae shall contain only legal argument and only such evidence that was within the record upon which the denial of labor certification was based.

(c) Upon the receipt of a request for review, the Certifying Officer shall immediately assemble an indexed Appeal File:

(1) The Appeal File shall be in chronological order, shall have the index on top followed by the most recent document, and shall have numbered pages. The Appeal File shall contain the request for review, the complete application file, and copies of all the written material, such as pertinent parts and pages of surveys and/or reports upon which the denial was based.

(2) The Certifying Officer shall send the Appeal File to the Board of Alien Labor Certification Appeals, Office of Administrative Law Judges, 800 K Street, NW., suite 400, Washington, DC 20001-8002.

(3) In denials involving college and university teachers and aliens represented to be of exceptional ability in the performing arts, two additional copies of the Appeal File shall be sent to the Board of Alien Labor Certification Appeals.

(5) Unless the certification was denied by the national Certifying Officer, the Certifying Officer shall send a copy of the Appeal File to the Director.

(6) The Certifying Officer shall send copies of the index to the Appeal File to the employer and to the alien. The Certifying Officer shall afford the employer and/or the alien the opportunity to examine the complete Appeal File at the office of the Certifying Officer, for the purpose of satisfying the employer and the alien as to the contents. The employer and/or the alien may furnish or suggest directly to the Board of Alien Labor Certification Appeals the addition of any documentation which is not in the Appeal File, but which was submitted prior to the issuance of the Final Determination form. The employer and/or the alien shall submit such documentation in writing, and shall send a copy to the Associate Solicitor for Employment and Training Legal Services, Office of the Solicitor, U.S. Department of Labor, Washington, DC 20210.

(d)—(h) [Reserved]

(2) Direct the Certifying Officer to grant the certification; or
(3) Remand the matter to the Certifying Officer for further consideration or factfinding and determination; or
(4) Direct that a hearing on the case be held pursuant to paragraph (f) of this section.

(d) Notifications of decisions. The Board of Alien Labor Certification Appeals shall notify the employer, the alien, the Certifying Officer, and the Solicitor of Labor of the decision pursuant to paragraph (c) of this section, and shall return the record to the Certifying Officer unless the case has been set for hearing pursuant to paragraph (f) of this section.

(e) Remanded cases. If the case is remanded, the Certifying Officer shall do the additional factfinding or consideration in accordance with §§656.24 and 656.25 of this part, but such factfinding and consideration shall be limited to the issues for which the case has been remanded.

(f) Hearings. (1) Notification of hearing. If the case has been set for a hearing, the Board of Alien Labor Certification Appeals shall notify the employer, the alien, the Certifying Officer, and the Solicitor of Labor of the date, time, and place of the hearing, and that the hearing may be rescheduled upon written request and for good cause shown.

If a labor certification is granted, except for labor certifications for occupations on Schedule A (§656.10) and for employment as a shepherd pursuant to §656.21a(b), the Certifying Officer shall send the certified application containing the official labor certification stamp, supporting documentation, and complete Final Determination form to the employer, or, if appropriate, to the employer’s agent, indicating that the employer should file all the documents with the appropriate INS office.

[56 FR 54930, Oct. 23, 1991]

§ 656.29 Filing of a new application after the denial of a labor certification.

(a) A new application for labor certification by the same employer involving the same occupation may be filed at any time after the expiration of 6 months from the date of a denial of certification by the Certifying Officer, except that, if the certification was denied solely because the wage or salary offered was below the prevailing wage, the employer may reapply immediately pursuant to §§656.21, 656.21a, or 656.23, as appropriate.

(b) An alien who is denied a labor certification for a Schedule A occupation, except for employment as a physical therapist or as a professional nurse, may at any time have an employer file for a labor certification on the alien’s behalf pursuant to §656.21. Labor certifications for professional nurses and for physical therapists shall be considered only pursuant to §§656.10 and 656.22.

§ 656.30 Validity of and invalidation of labor certifications.

(a) Except as provided in paragraph (d) of this section, a labor certification is valid indefinitely. Labor certifications for Household Domestic Service Workers and teachers which were granted under the previous regulations at 29 CFR part 60 and which lapsed after one year, shall be deemed automatically revalidated on the effective date of this part.

(b) (1) Labor certifications involving job offers shall be deemed validated as of the date of the local Employment Service office date-stamped the application; and

(2) Labor certifications for Schedule A occupations shall be deemed validated as of the date the applications were dated by the Immigration or Consular Officer.

(c) (1) A labor certification for a Schedule A occupation is valid only for the occupation set forth on the Application for Alien Employment Certification form, the alien for whom certification was granted, and throughout the United States unless the certification contains a geographic limitation.

(2) A labor certification involving a specific job offer is valid only for the particular job opportunity, the alien for whom certification was granted, and for the area of intended employment stated on the Application for Alien Employment Certification form.

(d) After issuance labor certifications are subject to invalidation by the INS or by a Consul of the Department of State upon a determination, made in accordance with those agencies, procedures or by a Court, of fraud or willful misrepresentation of a material fact involving the labor certification application. If evidence of such fraud or willful misrepresentation becomes known to a RA or to the Director, the RA or Director, as appropriate, shall notify in writing the INS or State Department, as appropriate. A copy of the notification shall be sent to the regional or national office, as appropriate, of the Department of Labor’s Office of Inspector General.

(e) Certifying Officers shall issue duplicate labor certifications only upon the written request of a Consular or Immigration Officer. Certifying Officers shall issue such duplicate certifications only to the Consular or Immigration Officer who submitted the written request. An alien, employer, or an employer or alien’s agent, therefore, may petition an Immigration or Consular Officer to request a duplicate from a Certifying Officer.

§ 656.31 Labor certification applications involving fraud or willful misrepresentation.

(a) If possible fraud or willful misrepresentation involving a labor certification is discovered prior to a final labor certification determination, the Certifying Officer shall refer the matter to the INS for investigation, shall notify the employer in writing, and shall send a copy of the notification to the alien, and to the Department of Labor's Office of Inspector General. If 90 days pass without the filing of a criminal indictment or information, the Certifying Officer shall continue to process the application.

(b) If it is learned that an application is the subject of a criminal indictment or information filed in a Court, the processing of the application shall be halted until the judicial process is completed. The Certifying Officer shall notify the employer of this fact in writing and shall send a copy of the notification to the alien, and to the Department of Labor's Office of Inspector General.

(c) If a Court finds that there was no fraud or willful misrepresentation, or if the Department of Justice decides not to prosecute, the Certifying Officer shall not deny the labor certification application on the grounds of fraud or willful misrepresentation. The application, of course, may be denied for other reasons pursuant to this part.

(d) If a Court, the INS or the Department of State determines that there was fraud or willful misrepresentation involving a labor certification application, the application shall be deemed invalidated, processing shall be terminated, a notice of the termination and the reason therefor shall be sent by the Certifying Officer to the employer, and a copy of the notification shall be sent by the Certifying Officer to the alien, and to the Department of Labor's Office of Inspector General.

§ 656.32 Fees for services and documents.

(a) No Department of Labor or State job service agency employee shall charge a fee in connection with the filing, determination, reconsideration, or review of applications for labor certification. Such employees, on request, shall advise applicants on the completion of applications and on procedures set forth in this part without charge. No charge shall be made for the issuance or transmission of a labor certification.

(b) The Department of Labor's regulations under the Freedom of Information Act at 29 CFR part 70 on the Examination and Copying of Labor Department Documents provide that fees may be charged for special searching and copying services. These fees shall be applicable to requests to the Department for copies of documents in the custody of the Department which were produced pursuant to this part, except for official copies of labor certification documents.

Subpart D—Determination of Prevailing Wage

§ 656.40 Determination of prevailing wage for labor certification purposes.

(a) Whether the wage or salary stated in a labor certification application involving a job offer equals the prevailing wage as required by § 656.21(b)(3), shall be determined as follows:

1. Except as provided in paragraphs (c) and (d) of this section, if the job opportunity is in an occupation which is subject to a wage determination in the area under the Davis-Bacon Act, 40 U.S.C. 276a et seq., 29 CFR part 1, or the McNamara-O'Hara Service Contract Act, 41 U.S.C. 351 et seq., 29 CFR part 4, the prevailing wage shall be at the rate prevailing wage for labor certification purposes shall be:

   (i) The average rate of wages, that is, the rate of wages to be determined, to the extent feasible, by adding the wage paid to workers similarly employed in the area of intended employment and
§ 656.40

dividing the total by the number of such workers. Since it is not always feasible to determine such an average rate of wages with exact precision, the wage set forth in the application shall be considered as meeting the prevailing wage standard if it is within 5 percent of the average rate of wages; or

(ii) If the job opportunity is covered by a union contract which was negotiated at arms-length between a union and the employer, the wage rate set forth in the union contract shall be considered as not adversely affecting the wages of U.S. workers similarly employed, that is, it shall be considered the “prevailing wage” for labor certification purposes.

(b) For purposes of this section, except as provided in paragraphs (c) and (d), “similarly employed” shall mean “having substantially comparable jobs in the occupational category in the area of intended employment,” except that, if no such workers are employed by employers other than the employer applicant in the area of intended employment, “similarly employed” shall mean:

(1) “Having jobs requiring a substantially similar level of skills within the area of intended employment”; or

(2) If there are no substantially comparable jobs in the area of intended employment, “having substantially comparable jobs with employers outside of the area of intended employment.”

(c) In computing the prevailing wage for a job opportunity in an occupational classification in an area of intended employment in the case of an employee of an institution of higher education, or a related or affiliated nonprofit entity; a nonprofit research organization; or a Governmental research organization, the prevailing wage level shall only take into account employees at such institutions and organizations in the area of intended employment.

(1) The organizations listed in this paragraph (c) are defined as follows:

(i) Institution of higher education is defined in section 101(a) of the Higher Education Act of 1965. Section 101(a), 20 U.S.C. 1001(a) (1999), provides that an “institution of higher education” is an educational institution in any State that—

(A) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;

(B) Is legally authorized within such State to provide a program of education beyond secondary education;

(C) Provides an educational program for which the institution awards a bachelor’s degree or provides not less than a 2-year program that is acceptable for full credit toward such a degree;

(D) Is a public or other nonprofit institution; and

(E) Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted preaccreditation status by such an agency or association that has been recognized by the Secretary for the granting of preaccreditation status, and the Secretary has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.

(ii) Affiliated or related nonprofit entity. A nonprofit entity (including but not limited to hospitals and medical or research institutions) that is connected or associated with an institution of higher education, through shared ownership or control by the same board or federation, operated by an institution of higher education, or attached to an institution of higher education as a member, branch, cooperative, or subsidiary;

(iii) Nonprofit research organization or Governmental research organization. A research organization that is either a nonprofit organization or entity that is primarily engaged in basic research and/or applied research, or a U.S. Government entity whose primary mission is the performance or promotion of basic and/or applied research. Basic research is general research to gain more comprehensive knowledge or understanding of the subject under study, without specific applications in mind. Basic research is also research that advances scientific knowledge, but does not have specific immediate commercial objectives although it may be in

§ 656.50 Petitioning process.

(a) Federal research agencies seeking to have prevailing wages determined in accordance with §656.40(c)(2) shall file a petition with the Director, U.S. Employment Service.

(b) The procedures and information to be included in the petition shall be in accordance with administrative directives issued by ETA that will specify the procedures to be followed and information that shall be filed in support of the petition by the requesting agency.

(c) The Director shall make a determination either to grant or deny the petition on the basis of whether the petitioning agency is a Federal research agency, whether most researchers at the petitioning agency have a close relationship with teaching as well as research, and whether the employment environment for researchers at the petitioning agency provides significant intangible and nonpecuniary incentives of the nature found at colleges and universities.

(d) Denials of agency petitions may be appealed to the Board of Alien Labor Certification Appeals.

(1) The request for review shall be in writing and shall be mailed by certified mail to the Director, U.S. Employment Service, within 35 calendar days of the date of the determination, that is by the date specified in the Director's determination; shall set forth the particular grounds for the request; and shall include all the documents which accompanied the Director's determination.

(e) Upon a request for review, the Director shall immediately assemble an indexed Appeal File.

(1) The Appeal File shall be in chronological order, shall have the index on top followed by the most recent document. The Appeal File shall contain the request for review, the complete
petition file, and copies of all the written material upon which the denial was based.

(2) The Director shall send the Appeal File to the Board of Alien Labor Certification Appeals.

Subpart E—Job Service Complaint System

§ 658.400 Purpose and scope of subpart.

This subpart sets forth the regulations governing the Job Service complaint system at both the State and Federal levels.

§ 658.401 Types of complaints handled by the JS complaint system.

(a) (1) The types of complaints (JS related complaints) which shall be handled to resolution by the JS complaint system are as follows: (i) Complaints against an employer about the specific job to which the applicant was referred by the JS involving violations of the terms and conditions of the job order or employment-related law (employer-related complaint) and (ii) complaints about Job Service actions or omissions under JS regulations (agency-related complaints). These complaint procedures are not applicable to UI, WIN or CETA complaints. Complaints alleging violations of UI, WIN or CETA regulations should be handled within the procedures set forth in the respective regulations.

(2) A complaint shall be handled to resolution by these regulations only if it is made within one year of the alleged occurrence.

(b) Complaints by veterans alleging employer violations of the mandatory listing requirements under 38 U.S.C. 2012 shall not be handled under this subpart. The State agency shall handle such complaints under the Department’s regulations at 41 CFR part 60–250.

(c) Complaints from MSFWs alleging violations of employment-related laws enforced by ESA or OSHA shall be taken in writing by the State agency and the ETA regional office and referred to ESA or OSHA pursuant to the procedures set forth in §§ 658.414 and 658.422. All other complaints alleging violations of employment-related Federal, State or local laws other than JS regulations by employers, their agents, or DOL subagencies other than JS (non-JS related complaints) shall be logged by the State agency and the ETA regional office and the complainant shall be referred to the appropriate agency pursuant to procedures set forth in §§ 658.414 and 658.422.

(d) Certain types of complaints, such as, but not limited to, complaints by MSFWs, and complaints alleging unlawful discrimination, shall, as set forth in this subpart, be handled by specified officials of the State agency or of ETA.
§658.410 Establishment of State agency JS complaint system.

(a) Each State agency shall establish and maintain a Job Service complaint system pursuant to this subpart.

(b) The State Administrator shall have overall responsibility for the operation of the State agency JS complaint system. At the local office level, the local office manager shall be responsible for the management of the JS complaint system.

(c) (1) State agencies shall ensure that centralized control procedures are established for the handling of complaints and files relating to the handling of complaints. The Manager or Administrator of the local or State office taking the complaint shall ensure that a central complaint log is maintained, listing all complaints received, and specifying for each complaint:

(i) The name of the complainant,

(ii) The name of the respondent (employer or State agency),

(iii) The date the complaint is filed,

(iv) Whether the complaint is by or on behalf of an MSFW,

(v) Whether the complaint is JS-related,

(vi) If the complaint is JS-related, whether it is employer-related or agency-related,

(vii) If the complaint is non-JS-related, the information required by §658.414(c), and

(viii) The action taken, including for JS-related complaints, whether the complaint has been resolved.

(2) Within one month after the end of the calendar quarter during which a local office receives an MSFW complaint (JS or non-JS related), the local office manager shall transmit a copy of that portion of the log containing the information on the MSFW complaint(s) or a separate listing of the relevant information from the log for each MSFW complaint to the State Administrator. Within two months after the end of each calendar quarter the State Administrator shall transmit copies of all local and State office complaint logs received for that quarter to the Regional Administrator.

(c) State agencies shall ensure that any action taken by the responsible official, including referral, on a JS-related or non-JS related complaint from an MSFW alleging a violation of employment related laws enforced by ESA or OSHA is fully documented in a file containing all relevant information, including a copy of the original complaint form, a copy of any JS reports, any related correspondence, a list of actions taken, and a record of related telephone calls.

(4) At the State office level, the State Administrator shall ensure that all JS-related complaints referred from local offices, and all correspondence relating thereto are logged with a notation of the nature of each item.

(d) State agencies shall ensure that information pertaining to the use of the JS complaint system is publicized. This shall include the prominent display of an ETA-approved JS complaint system poster in each local office, satellite or district office, and at each State agency operated day-haul facility.

§658.411 Filing and assignment of JS-related complaints.

(a) JS-related complaints may be filed in any office of the State job service agency.

(b) Assignment of complaints to local office personnel shall be as follows:

(1) All JS-related complaints filed with a local office, and alleging unlawful discrimination by race, color, religion, national origin, sex, age, or physical or mental status unrelated to job performance (handicap) shall be assigned to a local office Equal Opportunity (EO) representative if the local office has a trained and designated EO representative, or, if the local office does not have such a representative, shall be sent immediately to the State agency for logging and assignment to the EO representative or, where appropriate, handled in accordance with the procedures set forth at 29 CFR part 31.
The EO representative shall refer complaints alleging discrimination by employers to the Equal Employment Opportunity Commission or other appropriate enforcement agency. Complaints retained by an EO representative shall be subject to the hearing and appeal rights as are normally provided in accordance with this subpart. The State agency complaint specialist shall follow-up with the EO representative or with other responsible enforcement agency monthly regarding MSFW complaints and quarterly regarding non-MSFW complaints, and shall inform the complainants of the status of the complaint periodically.

(2) All JS-related and non-JS related complaints other than those described in paragraph (b)(1) of this section shall be handled by the local office manager or assigned by the local office manager to a local office employee trained in JS complaint procedures.

(c) Assignment of complaints to State office personnel shall be as follows:

(1) The handling of all JS-related complaints received by the State office alleging unlawful discrimination by race, color, religion, national origin, sex, age, physical or mental status unrelated to job performance (handicap) status shall be assigned to a State EO representative and, where appropriate, handled in accordance with procedures set forth at 20 CFR part 31.

(2) The handling of all other JS-related complaints and all non-JS-related complaints received by the State office shall be assigned to a State agency official designated by the State Administrator, provided that the State agency official designated to handle MSFW complaints shall be the State MSFW Monitor Advocate.

§ 658.412 Complaint resolution.

(a) A JS-related complaint is resolved when:

(1) The complainant indicates satisfaction with the outcome, or

(2) The complainant chooses not to elevate the complaint to the next level of review, or

(3) The complainant or the complainant’s authorized representative fails to respond within 20 working days or in cases where the complainant is an MSFW, 40 working days of a written request by the appropriate local or State office, or

(4) The complainant exhausts the final level of review, or

(5) A final determination has been made by the enforcement agency to which the complaint was referred.

§ 658.413 Initial handling of complaints by the State or local office.

(a) There shall be an appropriate official available during regular office hours to take complaints in each local office.

(b) Whenever an individual indicates an interest in making any complaint to a State agency office, the appropriate JS official shall offer to explain the operation of the JS complaint system. The appropriate JS official shall offer to take the complaint in writing if it is JS related, or if non-JS related, it alleges violations of employment related laws enforced by ESA or OSHA and is filed by or on behalf of an MSFW. The official shall require that the complainant put the complaint on the JS Complaint/Referral Form prescribed or approved by the ETA. The JS Complaint/Referral Form shall be used for all complaints taken by a State agency, including complaints about unlawful discrimination, except as provided in paragraph (c) of this section. The State agency official shall offer to assist the complainant in filling out the form and shall do so if the complainant desires such assistance. If the complainant also represents several other complainants, all such complainants shall be named on the JS Complaint/Referral Form. The complainant shall sign the completed form. The identity of the complainant(s) and any persons who furnish information relating to, or assisting in, an investigation of a complaint shall be kept confidential to the maximum extent possible, consistent with applicable law and a fair determination of the complaint. A copy of the completed JS Complaint/Referral Form shall be given to the complainant(s), and the complaint form shall be given to the appropriate JS official.

(c) If a JS official receives a complaint in any form (e.g., a letter) which is signed by the complainant and includes sufficient information for the
§ 658.414 Transferring complaints to proper JS office.

(a) Where a JS-related complaint deals with an employer, the proper office to handle the complaint initially is ordinarily the local office serving the area in which the employer is located.

(b) The State Administrator shall establish a system whereby the office in which an JS-related complaint is filed, alleging a violation in that same State, ensures that the JS Complaint/Referral Form is adequately completed and then sent to the proper State or local office of that agency. A copy of the referral letter shall be sent to the complainant.
Whenever a JS-related complaint deals with an employer in another State or another State agency, the State JS agency shall send, after ensuring that the JS Complaint/Referral Form is adequately completed, a copy of the JS Complaint/Referral Form and copies of any relevant documents to the State agency in the other State. Copies of the referral letter shall be sent to the complainant, and copies of the complaint and referral letter shall be sent to the ETA Regional Office(s) with jurisdiction over the transferring and receiving State agencies.

The State agency receiving the complaint after an interstate transferral under paragraph (c) of this section shall handle the complaint as if it had been initially filed with that office.

The ETA regional office with jurisdiction over the receiving State shall follow-up with the receiving State agency to ensure the complaint is handled in accordance with these regulations.

If the JS complaint is against more than one State JS agency, the complaint shall so clearly state. The complaint shall be handled as separate complaints and shall be handled according to procedures at §658.416(c) and paragraph (c) of this section.

§658.416 Action on JS-related complaints.

(a) The appropriate State agency official handling an JS-related complaint shall offer to assist the complainant through the provision of appropriate JS services. For complaints against employers, this may include such services as referring a worker-complainant to another job.

(b) (1) If the JS-related complaint concerns violations of an employment-related law, the local or State office official shall refer the complaint to the appropriate enforcement agency and notify the complainant in writing of the referral. The agency shall follow-up with the enforcement agency monthly regarding MSFW complaints and quarterly regarding non-MSFW complaints, and shall inform the complainant of the status of the complaint periodically.

(2) If the enforcement agency makes a final determination that the employer violated an employment related law, the State JS agency shall initiate procedures for discontinuation of services immediately in accordance with subpart F. The State agency shall notify the complainant and the employer of this action.

(c) If the complaint is filed initially in a local office, and is not referred under paragraph (b), the appropriate local office official shall investigate and attempt to resolve the complaint immediately upon receipt. If resolution has not been achieved to the satisfaction of the complainant within 15 working days after receipt of the complaint, or 5 working days with respect to complaints filed by or on behalf of MSFWs, the local office official shall send the complaint to the State office for resolution or further action except that if the local office has made a written request for information pursuant to §658.412(a)(3), these time periods shall not apply until the complainant’s response is received in accordance with §658.412(a)(3). The local office shall notify the complainant and the respondent, in writing, of the results of its investigation pursuant to this paragraph, and of the referral to the State office.

(d) If the complaint is filed initially with the State office, and is not transferred to a local office under §658.415(a), or not referred to an enforcement agency under paragraph (b) of this section, the appropriate State office official shall investigate and attempt to resolve the complaint immediately and may, if necessary, conduct a further investigation. If resolution at the State office level has not been accomplished within 30 working days (20 working days with respect to complaints by MSFWs) after the complaint was received by the State office (whether the complaint was received directly or from a local office pursuant to paragraph (c) of this section), the State office shall make a written determination regarding the complaint and shall send copies to the complainant and the respondent except that if
the State office has made a written request for information pursuant to §658.412 (a)(3) these time periods shall not apply until the complainant’s response is received in accordance with §658.412(a)(3). The determination must be sent by certified mail. The determination shall include all of the following:

1. The results of any State office investigation pursuant to this paragraph.
2. Conclusions reached on the allegations of the complaint.
3. An explanation of why the complaint was not resolved.
4. If the complaint is against an employer, and the State office has found that the employer has violated JS regulations, the determination shall state that the State will initiate procedures for discontinuation of services to the employer in accordance with subpart F.
5. If the complaint is against an employer and has not been referred to an enforcement agency pursuant to paragraph (b)(1) of this section, and the State office has found that the employer has not violated JS regulations, an offer to the complainant of the opportunity to request a hearing within 20 working days after the certified date of receipt of the notification.
6. If the complaint is against the State agency, an offer to the complainant of the opportunity to request in writing a hearing within 20 working days after the certified date of receipt of the notification.

(e) If the State office, within 20 working days from the certified date of receipt of the notification provided for in paragraph (d) of this section, receives a written request for a hearing in response thereto, the State office shall refer the complaint to a State hearing official for hearing. The parties to whom the determination was sent (the State agency may also be a party) shall then be notified in writing by the State office that:
1. The parties will be notified of the date, time and place of the hearing;
2. The parties may be represented at the hearing by an attorney or other representative;
3. The parties may bring witnesses and/or documentary evidence to the hearing;
4. The parties may cross-examine opposing witnesses at the hearing;
5. The decision on the complaint will be based on the evidence presented at the hearing;
6. The State hearing official may reschedule the hearing at the request of a party or its representative; and
7. With the consent of the State agency’s representative and of the State hearing official, the party who requested the hearing may withdraw the request for hearing in writing before the hearing.

§ 658.417 Hearings.
(a) Hearings shall be held by State hearing officials. A State hearing official may be any State official authorized to hold hearings under State law. They may be, for example, the same referees who hold hearings under the State unemployment compensation law and/or the Work Incentive Program or any official of the State agency, authorized by State law to preside at State administrative hearings.
(b) The State hearing official may decide to conduct hearings on more than one complaint concurrently if he/she determines that the issues are related or that the complaints will be handled more expeditiously in this fashion.
(c) The State hearing official, upon the referral of a case for a hearing, shall:
1. Notify all involved parties of the date, time and place of the hearing; and
2. Re-schedule the hearing, as appropriate.
(d) In conducting a hearing the State hearing official shall:
1. Regulate the course of the hearing;
2. Issue subpoenas, if empowered to do so under State law, if necessary;
3. Assure that all relevant issues are considered;
4. Rule on the introduction of evidence and testimony; and

§ 658.600 Scope and purpose of subpart.

This subpart sets forth the regulations governing review and assessment of State agency compliance with the Job Service regulations at 20 CFR parts 601, 602, 603, 604, 620, 621, 651–658 and 29 CFR part 8. All recordkeeping and reporting requirements contained in parts 653 and 658 have been approved by the Office of Management and Budget as required by the Federal Reports Act of 1942.

§ 658.601 State agency responsibility.

(a) Each State agency shall establish and maintain a self-appraisal system for job service operations to determine success in reaching goals and to correct deficiencies in performance. The self-appraisal system shall include numerical (quantitative) appraisal and non-numerical (qualitative) appraisal.

(1) Numerical appraisal at the local office level shall be conducted as follows:

(i) Performance shall be measured on a quarterly-basis against planned service levels as stated in the State Program and Budget Plan (PBP). The
State plan shall be consistent with numerical goals contained in local office plans.

(ii) To appraise numerical activities/indicators, actual results as shown on the Employment Security Automated Reporting System (ESARS) tables and Cost Accounting Reports shall be compared to planned levels. Variances between achievement and plan shall be identified.

(iii) When the numerical appraisal of required activities/indicators identifies significant variances from planned levels, additional analysis shall be conducted to isolate possible contributing factors. This data analysis shall include, as appropriate, comparisons to past performance, attainment of PBP goals and consideration of pertinent non-numerical factors.

(iv) Results of local office numerical reviews shall be documented and significant deficiencies identified. A corrective action plan as described in paragraph (a)(6) shall be developed to address these deficiencies.

(v) The result of local office appraisal, including corrective action plans, shall be communicated in writing to the next higher level of authority for review. This review shall cover adequacy of analysis, appropriateness of corrective actions, and need for higher level involvement. When this review is conducted at an area or district office, a report describing local office performance within the area or district jurisdiction shall be communicated to the central office on a quarterly basis.

(2) Numerical appraisal at the central office level shall be conducted as follows:

(i) Performance shall be measured on a quarterly basis against planned service levels as stated in the State Program and Budget Plan (PBP). The State plan shall be consistent with numerical goals contained in local office plans.

(iii) The central office shall review Statewide data, and performance against planned service levels as stated in the State Program and Budget Plan (PBP) on at least a quarterly basis to identify significant Statewide deficiencies and to determine the need for additional analysis, including identification of trends, comparisons to past performance, and attainment of PBP goals.

(iv) Results of numerical reviews shall be documented and significant deficiencies identified. A corrective action plan as described in paragraph (a)(5) of this section shall be developed to address these deficiencies. These plans shall be submitted to the ETA Regional Office as part of the periodic performance process described at 20 CFR 658.603(d)(2).

(3) Nonnumerical (qualitative) appraisal of local office job service title III activities shall be conducted at least annually as follows:

(i) Each local office shall assess the quality of its services to applicants, employers, and the community and its compliance with Federal regulations.

(ii) At a minimum, nonnumerical review shall include an assessment of the following factors:

(A) Appropriateness of services provided to applicants and employers;
(B) Timely delivery of services to applicants and employers;
(C) Staff responsiveness to individual applicant and employer needs;
(D) Thoroughness and accuracy of documents prepared in the course of service delivery; and
(E) Effectiveness of JS interface with external organizations, i.e., other ETA funded programs, community groups, etc.

(iii) Nonnumerical review methods shall include:

(A) Observation of processes;
(B) Review of documents used in service provisions; and
(C) Solicitation of input from applicants, employers, and the community.

(iv) The result of nonnumerical reviews shall be documented and deficiencies identified. A corrective action plan that addresses these deficiencies as described in paragraph (a)(6) of this section shall be developed.
(v) The result of local office non-numerical appraisal, including corrective actions, shall be communicated in writing to the next higher level of authority for review. This review shall cover thoroughness and adequacy of local office appraisal, appropriateness of corrective actions, and need for higher level involvement. When this review is conducted at an area or district level, a report summarizing local office performance within that jurisdiction shall be communicated to the central office on an annual basis.

(4) As part of its oversight responsibilities, the central office shall conduct onsite reviews in those local offices which show continuing internal problems or deficiencies in performance as indicated by such sources as data analysis, nonnumerical appraisal, or other sources of information.

(5) Nonnumerical (qualitative) review of central office job service activities shall be conducted as follows:

(i) Central office operations shall be assessed annually to determine compliance with Federal regulations and to assess progress made on annually established work plans established for central office staff.

(ii) Results of nonnumerical reviews shall be documented and deficiencies identified. A corrective action plan that addresses these deficiencies shall be developed.

(6) Corrective action plans developed to address deficiencies uncovered at any administrative level within the State as a result of the self-appraisal process shall include:

(i) Specific descriptions of the type of action to be taken, the time frame involved and the assignment of responsibility.

(b) The ETA shall use the program performance data in assessing and evaluating whether the State agencies have complied with JS regulations and their State agency program budget plans.

(c) In assessing and evaluating program performance data, the ETA shall act in accordance with the following general principles:

(1) The fact that the program performance data from a State agency, whether overall or relative to a particular program activity, indicate poor program performance does not by itself constitute a violation of JS regulations or of the State agency’s responsibilities under its State agency program budget plan.

(2) Program performance data, however, may so strongly indicate that a State agency’s performance is poor that the data may raise a presumption (prima facie case) that a State agency is violating JS regulations or the State agency program budget plan. A State agency’s failure to meet the operational objectives set forth in the PBP shall raise a presumption that the agency is violating JS regulations and/or its PBP. In such cases the ETA shall afford the State agency an opportunity to rebut the presumption of a violation pursuant to the procedures at subpart H of this part.

(3) The ETA shall take into account that certain program performance data may measure items over which State agencies have direct or substantial control while other data may measure

§ 658.702

Subpart H—Federal Application of Remedial Action to State Agencies

§ 658.700 Scope and purpose of subpart.

This subpart sets forth the procedures which ETA shall follow upon either discovering independently or receiving from other(s) information indicating that State agencies may not be adhering to JS regulations.

§ 658.701 Statements of policy.

(a) It is the policy of the Employment and Training Administration (ETA) to take all necessary action, including the imposition of the full range of sanctions set forth in this subpart, to ensure that State agencies comply with all requirements established by JS regulations.

(b) It is the policy of ETA to initiate decertification procedures against State agencies in instances of serious or continual violations of JS regulations if less stringent remedial actions taken in accordance with this subpart fail to resolve noncompliance.

(c) It is the policy of the ETA to act on information concerning alleged violations by State agencies of the JS regulations received from any person or organization.

§ 658.702 Initial action by the Regional Administrator.

(a) The ETA Regional Administrator shall be responsible for ensuring that all State agencies in his/her region are in compliance with JS regulations.

(b) Wherever a Regional Administrator discovers or is apprised of possible State agency violations of JS regulations by the review and assessment activities conducted by it to the Regional Administrator who shall send the information to the State agency.

(c) Whenever the review and assessment indicates a State agency violation of JS regulations or its State agency program budget plan, the Regional Administrator shall follow the procedures set forth at subpart H of this part.

(d) Regional Administrators shall follow-up any corrective action plan imposed on a State agency under subpart H of this part by further review and assessment of the State agency pursuant to this subpart.
make a determination whether there is probable cause to believe that a State agency has violated JS regulations.

(c) The Regional Administrator shall accept complaints regarding possible State agency violations of JS regulations from employee organizations, employers or other groups, without exhausition of the complaint process described at subpart E, if the Regional Administrator determines that the nature and scope of the complaint are such that the time required to exhaust the administrative procedures at the State level would adversely affect a significant number of applicants. In such cases, the Regional Administrator shall investigate the matter within 10 working days, may provide the State agency 10 working days for comment, and shall make a determination within an additional 10 working days whether there is probable cause to believe that the State agency has violated JS regulations.

(d) If the Regional Administrator determines that there is no probable cause to believe that a State agency has violated JS regulations, he/she shall retain all reports and supporting information in ETA files. In all cases where the Regional Administrator has insufficient information to make a probable cause determination, he/she shall so notify the Administrator in writing and the time for the investigation shall be extended 20 additional working days.

(e) If the Regional Administrator determines that there is probable cause to believe that a State agency has violated JS regulations, he/she shall issue a Notice of Initial Findings of Noncompliance by registered mail to the offending State agency. The Notice will specify the nature of the violation, cite the regulations involved, and indicate corrective action which may be imposed in accordance with paragraphs (g) and (h) of this section. If the noncompliance involves services to MSFWs or the JS complaint system, a copy of said notice shall be sent to the National MSFW Monitor Advocate.

(f)(1) The State agency shall have 20 working days to comment on the findings, or a longer period, up to 20 additional days, if the Regional Administrator determines that such a longer period is appropriate. The State agency’s comments shall include agreement or disagreement with the findings and suggested corrective actions, where appropriate.

(2) After the period elapses, the Regional Administrator shall prepare within 20 working days, written final findings which specify whether or not the State agency has violated JS regulations. If in the final findings the Regional Administrator determines that the State agency has not violated JS regulations, the Regional Administrator shall notify the State Administrator of this finding and retain supporting documents in his/her files. If the final finding involves services to MSFWs or the JS complaint system, the Regional Administrator shall also notify the National Monitor Advocate. If the Regional Administrator determines that a State agency has violated JS regulations, the Regional Administrator shall prepare a Final Notice of Noncompliance which shall specify the violation(s) and cite the regulations involved. The Final Notice of Noncompliance shall be sent to the State agency by registered mail. If the noncompliance involves services to MSFWs or the JS complaint system, a copy of the Final Notice shall be sent to the National MSFW Monitor Advocate.

(g) If the violation involves the misspending of grant funds, the Regional Administrator may order in the Final Notice of Noncompliance a disallowance of the expenditure and may either demand repayment or withhold future funds in the amount in question. If the Regional Administrator disallows costs, the Regional Administrator shall give the reasons for the disallowance, inform the State agency that the disallowance is effective immediately and that no more funds may be spent in the unallowed manner, and offer the State agency the opportunity to request a hearing pursuant to §658.707. The offer, or the acceptance of an offer of a hearing, however, shall not stay the effectiveness of the disallowance. The Regional Administrator shall keep complete records of the disallowance.

(h) If the violation does not involve misspending of grant funds, or the Regional Administrator determines that
Employment and Training Administration, Labor  § 658.702

the circumstances warrant other action:

(1) The Final Notice of Noncompliance shall direct the State agency to implement a specific corrective action plan to correct all violations. If the State agency’s comment demonstrates with supporting evidence (except where inappropriate) that all violations have already been corrected, the Regional Administrator need not impose a corrective action plan and instead may cite the violations and accept their resolution, subject to follow-up review, if necessary. If the Regional Administrator determines that the violation(s) cited had been found previously and that the corrective action(s) taken had not corrected the violation(s) contrary to the findings of previous follow-up reviews, the Regional Administrator shall apply remedial actions to the State agency pursuant to §658.704.

(2) The Final Notice of Noncompliance shall specify the time by which each corrective action must be taken. This period shall not exceed 40 working days unless the Regional Administrator determines that exceptional circumstances necessitate corrective actions requiring a longer time period. In such cases, if the violations involve services to MSFWs or the JS complaint system, the Regional Administrator shall notify the Administrator in writing of the exceptional circumstances which necessitate a longer time period, and shall specify that time period. The specified time period shall commence with the date of signature on the registered mail receipt.

(3) When the time period provided for in paragraph (h)(2) of this section elapses, ETA staff shall review the State agency’s efforts as documented by the State agency to determine if the corrective action(s) has been taken and if the State agency has achieved compliance with JS regulations. If necessary, ETA staff shall conduct a follow-up visit as part of this review.

(4) If, as a result of this review, the Regional Administrator determines that the State agency has corrected the violation(s), the Regional Administrator shall record the basis for this determination, notify the State agency, send a copy to the Administrator, and retain a copy in ETA files.

(5) If, as a result of this review, the Regional Administrator determines that the State has taken corrective action but is unable to determine if the violation has been corrected due to seasonality or other factors, the Regional Administrator shall notify in writing the State agency and the Administrator of his/her findings. The Regional Administrator shall conduct further follow-up at an appropriate time to make a final determination if the violation has been corrected. If the Regional Administrator’s further follow-up reveals that violations have not been corrected, the Regional Administrator shall apply remedial actions to the State agency pursuant to §658.704.

(6) If, as a result of the review the Regional Administrator determines that the State agency has not corrected the violations and has not made good faith efforts and adequate progress toward the correction of the violations, the Regional Administrator shall apply remedial actions to the State agency pursuant to §658.704.

(7) If, as a result of the review, the Regional Administrator determines that the State agency has made good faith efforts and adequate progress toward the correction of the violation and it appears that the violation will be fully corrected within a reasonable time period, the State agency shall be advised by registered mail (with a copy sent to the Administrator) of this conclusion, of remaining differences, of further needed corrective action, and that all deficiencies must be corrected within a specified time period. This period shall not exceed 40 working days unless the Regional Administrator determines that exceptional circumstances necessitate corrective action requiring a longer time period. In such cases, if the Regional Administrator shall notify the Administrator in writing of the exceptional circumstances which necessitate a longer time period, and shall specify that time period. The specified time period shall commence with the date of signature on the registered mail receipt.

(8) (i) If the State agency has been given an additional time period pursuant to paragraph (b)(7) of this section, ETA staff shall review the State agency’s efforts as documented by the State
§ 658.703 Emergency corrective action.

In critical situations as determined by the Regional Administrator, where it is necessary to protect the integrity of the funds, or insure the proper operation of the program, the Regional Administrator may impose immediate corrective action. Where immediate corrective action is imposed, the Regional Administrator shall notify the State agency of the reason for imposing the corrective action prior to providing the State agency an opportunity to comment.

§ 658.704 Remedial actions.

(a) If a State agency fails to correct violations as determined pursuant to §658.702, the Regional Administrator shall apply one or more of the following remedial actions to the State agency:

(2) Restrictions of obligational authority within one or more expense classifications;

When such a notice is the result of violations of regulations governing services to MSFWs (20 CFR 653.100 et seq.) or the JS complaint system (20 CFR 658.400 et seq.), a copy of said notice shall be sent to the USES Administrator, who shall publish the notice promptly in the FEDERAL REGISTER.

(c) If the remedial action is other than decertification, the notice shall state that the remedial action shall take effect immediately. The notice shall also state that the State agency may request a hearing pursuant to §658.707 by filing a request in writing with the Regional Administrator pursuant to §658.707 within 20 working days of the State agency’s receipt of the notice. The offer of hearing, or the acceptance thereof, however, shall not stay the implementation of remedial action.

(d) Within 60 working days after the initial application of remedial action, the Regional Administrator shall conduct a review of the State agency’s compliance with JS regulations unless the Regional Administrator determines that a longer time period is necessary. In such cases, the Regional Administrator shall notify the USES Administrator in writing of the circumstances which necessitate a longer time period.

PART 660—INTRODUCTION TO THE REGULATIONS FOR WORKFORCE INVESTMENT SYSTEMS UNDER TITLE I OF THE WORKFORCE INVESTMENT ACT

§ 660.100 What is the purpose of title I of the Workforce Investment Act of 1998?

The purpose of title I of the Workforce Investment Act of 1998 (WIA) is to provide workforce investment activities that increase the employment, retention and earnings of participants, and increase occupational skill attainment by participants, which will improve the quality of the workforce, reduce welfare dependency, and enhance the productivity and competitiveness of the Nation’s economy. These goals are achieved through the workforce investment system. (WIA sec. 106.)

§ 660.200 What do the regulations for workforce investment systems under title I of the Workforce Investment Act cover?

The regulations found in 20 CFR parts 660 through 671 set forth the regulatory requirements that are applicable to programs operated with funds provided under title I of WIA. This part 660 describes the purpose of that Act, explains the format of these regulations and sets forth definitions for terms that apply to each part. Part 661 contains regulations relating to Statewide and local governance of the workforce investment system. Part 662 describes the One-Stop system and the roles of One-Stop partners. Part 663 sets forth requirements applicable to WIA title I programs serving adults and dislocated workers. Part 664 sets forth requirements applicable to WIA title I programs serving youth. Part 665 contains regulations relating to Statewide activities. Part 666 describes the WIA title I performance accountability system. Part 667 sets forth the administrative requirements applicable to programs serving Indians and Native Americans and Migrant and Seasonal Farmworkers, respectively. Parts 670 and 671 describe the particular requirements applicable to the Job Corps and other national programs, respectively. In addition, part 652 describes the establishment and functioning of State Employment Services under the Wagner-Peyser Act, and 29 CFR part 37 contains the Department’s nondiscrimination regulations implementing WIA section 188.

(1) The Secretary determines that the requirements for which a waiver is requested impede the ability of either the State or local area to implement the State’s plan to improve the State-wide workforce investment system;

(2) The Secretary determines that the waiver plan meets all of the requirements of WIA section 189(i)(4) and §§661.400 through 661.420; and

(d) The Secretary may approve a workforce flexibility plan for a period of up to five years.

(f) The Secretary will issue guidelines under which States may request designation as a work-flex State.

§ 661.440 What limitations apply to the State’s Workforce Flexibility Plan authority under WIA?

(2) Requests to waive statutory and regulatory requirements of title I of WIA applicable at the State level may not be granted under work-flex waiver authority granted to a State. Such requests may only be granted by the Secretary under the general waiver authority described at §§661.410 through 661.420.
(b) As required in §661.430(c)(5), States must address the outcomes to result from work-flex waivers as part of its workforce flexibility plan. PART 662—DESCRIPTION OF THE ONE-STOP SYSTEM UNDER TITLE I OF THE WORKFORCE INVESTMENT ACT

Subpart A—General Description of the One-Stop Delivery System

Sec.
662.100 What is the One-Stop delivery system?
§ 662.100 What is the One-Stop delivery system?

(a) In general, the One-Stop delivery system is a system under which entities responsible for administering separate workforce investment, educational, and other human resource programs and funding streams (referred to as One-Stop partners) collaborate to create a seamless system of service delivery that will enhance access to the programs’ services and improve long-term employment outcomes for individuals receiving assistance.

(b) Title I of WIA assigns responsibilities at the local, State and Federal level to ensure the creation and maintenance of a One-Stop delivery system that enhances the range and quality of workforce development services that are accessible to individuals seeking assistance.

(c) The system must include at least one comprehensive physical center in each local area that must provide the core services specified in WIA section 134(d)(2), and must provide access to other programs and activities carried out by the One-Stop partners.

(d) While each local area must have at least one comprehensive center (and may have additional comprehensive centers), WIA section 134(c) allows for arrangements to supplement the center. These arrangements may include:

(1) A network of affiliated sites that can provide one or more partners’ programs, services and activities at each site;

(2) A network of One-Stop partners through which each partner provides services that are linked, physically or technologically, to an affiliated site that assures individuals are provided information on the availability of core services in the local area; and

(3) Specialized centers that address specific needs, such as those of dislocated workers.

(e) The design of the local area’s One-Stop delivery system, including the number of comprehensive centers and the supplementary arrangements, must be described in the local plan and be consistent with the Memorandum of Understanding executed with the One-Stop partners.

Subpart B—One-Stop Partners and the Responsibilities of Partners

§ 662.200 Who are the required One-Stop partners?

(a) WIA section 121(b)(1) identifies the entities that are required partners in the local One-Stop systems.

(b) The required partners are the entities that are responsible for administering the following programs and activities:

(1) Programs authorized under title I of WIA, serving:

(i) Adults;

(ii) Dislocated workers;

(iii) Youth;

(iv) Job Corps;

(v) Native American programs;

(vi) Migrant and seasonal farm-worker programs; and

(vii) Veterans’ workforce programs;

(WIA sec. 121(b)(1)(B)(i));

(2) Programs authorized under the Wagner-Peyser Act (29 U.S.C. 49 et seq.); (WIA sec. 121(b)(1)(B)(ii));

(3) Adult education and literacy activities authorized under title II of WIA; (WIA sec. 121(b)(1)(B)(iii));

(4) Programs authorized under parts A and B of title I of the Rehabilitation Act (29 U.S.C. 720 et seq.); (WIA sec. 121(b)(1)(B)(iv));

(5) Welfare-to-work programs authorized under sec. 403(a)(5) of the Social Security Act (42 U.S.C. 603(a)(5) et seq.); (WIA sec. 121(b)(1)(B)(v));

(6) Senior community service employment activities authorized under title V of the Older Americans Act of 1965 (42 U.S.C. 3005 et seq.); (WIA sec. 121(b)(1)(B)(vi));

(7) Postsecondary vocational education activities under the Carl D. Perkins Vocational and Applied Technology Education Act (20 U.S.C. 2301 et seq.); (WIA sec. 121(b)(1)(B)(vii));

(9) Activities authorized under chapter 41 of title 38, U.S.C. (local veterans’
§ 662.200 Employment and Training Administration, Labor

§ 662.200 Employment and training activities carried out under the Community Services Block Grant (42 U.S.C. 9901 et seq.); (WIA sec. 121(b)(1)(B)(xi)); and

(12) Programs authorized under State unemployment compensation laws (in accordance with applicable Federal law); (WIA sec. 121(b)(1)(B)(xii).)

§ 662.210 What other entities may serve as One-Stop partners?

(a) WIA provides that other entities that carry out a human resource program, including Federal, State, or local programs and programs in the private sector may serve as additional partners in the One-Stop system if the Local Board and chief elected official(s) approve the entity’s participation.

(b) Additional partners may include:

(1) TANF programs authorized under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.);

(2) Employment and training programs authorized under section 6(d)(4) of the Food Stamp Act of 1977 (7 U.S.C. 2015(d)(4));

(3) Work programs authorized under section 6(o) of the Food Stamp Act of 1977 (7 U.S.C. 2015(o));

(4) Programs authorized under the National and Community Service Act of 1990 (42 U.S.C. 12501 et seq.); and

(5) Other appropriate Federal, State or local programs, including programs related to transportation and housing and programs in the private sector. (WIA sec. 121(b)(2).)

(c) The State may require that one or more of the programs identified in paragraph (b) of this section be included as a partner in all of the local One-Stop delivery systems in the State.

§ 662.220 What entity serves as the One-Stop partner for a particular program in the local area?

(a) The “entity” that carries out the program and activities listed in §§ 662.200 and 662.210, and, therefore, serves as the One-Stop partner is the grant recipient, administrative entity or organization responsible for administering the funds of the specified program in the local area. The term “entity” does not include the service providers that contract with or are sub-recipients of the local administrative entity. For programs that do not include local administrative entities, the responsible State Agency should be the partner. Specific entities for particular programs are identified in paragraph (b) of this section. If a program or activity listed in § 662.200 is not carried out in a local area, the requirements relating to a required One-Stop partner are not applicable to such program or activity in that local One-Stop system.

(b)(1) For title II of WIA, the entity that carries out the program for the purposes of paragraph (a) is the State eligible entity. The State eligible entity may designate an eligible provider, or a consortium of eligible providers, as the “entity” for this purpose;

(2) For title I, Part A, of the Rehabilitation Act, the entity that carries out the program for the purposes of paragraph (a) of this section is the designated State agency or designated unit specified under section 101(a)(2) that is primarily concerned with vocational rehabilitation, or vocational and other rehabilitation, of individuals with disabilities; and

(3) Under WIA, the national programs, including Job Corps, the WIA Indian and Native American program, the Migrant and Seasonal Farmworkers program, and the Veterans’ Workforce Investment program, are required One-Stop partners. Local Boards must include them in the One-Stop delivery system where they are present in their local area. In local areas where the national programs are not present, States and Local Boards should take steps to ensure that customer groups served by these programs have access to services through the One-Stop delivery system.

§ 662.230 What are the responsibilities of the required One-Stop partners?

All required partners must:

(a) Make available to participants through the One-Stop delivery system the core services that are applicable to...
§ 662.240 What are a program’s applicable core services?

(a) The core services applicable to any One-Stop partner program are those services described in paragraph (b) of this section, that are authorized and provided under the partner’s program.

(b) The core services identified in section 134(d)(2) of the WIA are:

(1) Determinations of whether the individuals are eligible to receive assistance under subtitle B of title I of WIA;

(2) Outreach, intake (which may include worker profiling), and orientation to the information and other services available through the One-Stop delivery system;

(3) Initial assessment of skill levels, aptitudes, abilities, and supportive service needs;

(4) Job search and placement assistance, and where appropriate, career counseling;

(5) Provision of employment statistics information, including the provision of accurate information relating to local, regional, and national labor market areas, including—

(i) Job vacancy listings in such labor market areas;

(ii) Information on job skills necessary to obtain the listed jobs; and

(iii) Information relating to labor market trends and earnings and skill requirements for such occupations;

(6) Provision of program performance information and program cost information on:

(i) Eligible providers of training services described in WIA section 122;

(ii) Eligible providers of youth activities described in WIA section 123;

(iii) Providers of adult education described in title II;

(iv) Providers of postsecondary educational activities and vocational education activities available to school dropouts under the Carl D. Perkins Vocational and Applied Technology Education Act (20 U.S.C. 2301 et seq.); and

(v) Providers of vocational rehabilitation program activities described in title I of the Rehabilitation Act of 1973 (29 U.S.C. 720 et seq.);

(7) Provision of information on how the local area is performing on the local performance measures and any additional performance information with respect to the One-Stop delivery system in the local area;

(8) Provision of accurate information relating to the availability of supportive services, including, at a minimum, child care and transportation, available in the local area, and referral to such services, as appropriate;

(9) Provision of information regarding filing claims for unemployment compensation;

(10) Assistance in establishing eligibility for—

(i) Welfare-to-work activities authorized under section 403(a)(5) of the Social Security Act (42 U.S.C. 603(a)(5)) available in the local area; and

(ii) Programs of financial aid assistance for training and education programs that are not funded under this Act and are available in the local area; and

(11) Followup services, including counseling regarding the workplace, for participants in workforce investment activities authorized under subtitle (B) of title I of WIA who are...
§ 662.250 Where and to what extent must required One-Stop partners make core services available?

(a) At a minimum, the core services that are applicable to the program of the partner under §662.220, and that are in addition to the basic labor exchange services traditionally provided in the local area under the Wagner-Peyser program, must be made available at the comprehensive One-Stop center. These services must be made available to individuals attributable to the partner’s program who seek assistance at the center. The adult and dislocated worker program partners are required to make all of the core services listed in §662.240 available at the center in accordance with 20 CFR 663.100(b)(1).

(b) The applicable core services may be made available by the provision of appropriate technology at the comprehensive One-Stop center, by co-locating personnel at the center, cross-training of staff, or through a cost reimbursement or other agreement between service providers at the comprehensive One-Stop center and the partner, as described in the MOU.

(c) The responsibility of the partner for the provision of core services must be proportionate to the use of the services at the comprehensive One-Stop center by the individuals attributable to the partner’s program. The specific method of determining each partner’s proportionate responsibility must be described in the MOU.

(d) For purposes of this part, individuals attributable to the partner’s program may include individuals who are referred through the comprehensive One-Stop center and enrolled in the partner’s program after the receipt of core services, who have been enrolled in the partner’s program prior to receipt of the applicable core services at the center, who meet the eligibility criteria for the partner’s program and who receive an applicable core service, or who meet an alternative definition described in the MOU.

(e) Under the MOU, the provision of applicable core services at the center by the One-Stop partner may be supplemented by the provision of such services through the networks of affiliated sites and networks of One-Stop partners described in WIA section 134(c)(2).

§ 662.260 What services, in addition to the applicable core services, are to be provided by One-Stop partners through the One-Stop delivery system?

In addition to the provision of core services, One-Stop partners must provide access to the other activities and programs carried out under the partner’s authorizing laws. The access to these services must be described in the local MOU. 20 CFR part 663 describes the specific requirements relating to the provision of core, intensive, and training services through the One-Stop system that apply to the adult and the dislocated worker programs authorized under title I of WIA. Additional requirements apply to the provision of all labor exchange services under the Wagner-Peyser Act. (WIA sec. 134(c)(1)(D).)

§ 662.270 How are the costs of providing services through the One-Stop delivery system and the operating costs of the system to be funded?

The MOU must describe the particular funding arrangements for services and operating costs of the One-Stop delivery system. Each partner must contribute a fair share of the operating costs of the One-Stop delivery system proportionate to the use of the system by individuals attributable to the partner’s program. There are a number of methods, consistent with the requirements of the relevant OMB circulars, that may be used for allocating costs among the partners. Some of these methodologies include allocations based on direct charges, cost pooling, indirect cost rates and activity-based cost allocation plans. Additional guidance relating to cost allocation methods may be issued by the Department in consultation with the other appropriate Federal agencies.
§ 662.280 Does title I require One-Stop partners to use their funds for individuals who are not eligible for the partner’s program or for services that are not authorized under the partner’s program?

No, the requirements of the partner’s program continue to apply. The Act intends to create a seamless service delivery system for individuals seeking workforce development services by linking the One-Stop partners in the One-Stop delivery system. While the overall effect is to provide universal access to core services, the resources of each partner may only be used to provide services that are authorized and provided under the partner’s program to individuals who are eligible under such program. (WIA sec. 121(b)(1).)

Subpart C—Memorandum of Understanding for the One-Stop Delivery System

§ 662.300 What is the Memorandum of Understanding (MOU)?

(a) The Memorandum of Understanding (MOU) is an agreement developed and executed between the Local Board, with the agreement of the chief elected official, and the One-Stop partners relating to the operation of the One-Stop delivery system in the local area.

(b) The MOU must contain the provisions required by WIA section 121(c)(2). These provisions cover services to be provided through the One-Stop delivery system: the funding of the services and operating costs of the system; and methods for referring individuals between the One-Stop operators and partners. The MOU’s provisions also must determine the duration and procedures for amending the MOU, and may contain any other provisions that are consistent with WIA title I and the WIA regulations agreed to by the parties. (WIA sec. 121(c).)

§ 662.310 Is there a single MOU for the local area or are there to be separate MOU’s between the Local Board and each partner?

(a) A single “umbrella” MOU may be developed that addresses the issues relating to the local One-Stop delivery system for the Local Board, chief elected official and all partners, or the Local Board, chief elected official and the partners may decide to enter into separate agreements between the Local Board (with the agreement of the chief elected official) and one or more partners. Under either approach, the requirements described in this subpart apply. Since funds are generally appropriated annually, financial agreements may be negotiated with each partner annually to clarify funding of services and operating costs of the system under the MOU.

(b) WIA emphasizes full and effective partnerships between Local Boards, chief elected officials and One-Stop partners. Local Boards and partners must enter into good-faith negotiations. Local Boards, chief elected officials and partners may request assistance from a State agency responsible for administering the partner program, the Governor, State Board, or other appropriate parties. The State agencies, the State Board, and the Governor may also consult with the appropriate Federal agencies to address impasse situations after exhausting other alternatives. The Local Board and partners must document the negotiations and efforts that have taken place. Any failure to execute an MOU between a Local Board and a required partner must be reported by the Local Board and the required partner to the Governor or State Board, and the State agency responsible for administering the partner’s program, the Governor or the State Board and the responsible State agency to the Secretary of Labor and to the head of any other Federal agency with responsibility for oversight of a partner’s program. (WIA sec. 121(c).)

(c) If an impasse has not been resolved through the alternatives available under this section any partner that fails to execute an MOU may not be permitted to serve on the Local Board. In addition, any local area in which a Local Board has failed to execute an MOU with all of the required partners is not eligible for State incentive grants awarded on the basis of local coordination of activities under 20 CFR 665.200(d)(2). These sanctions are in addition to, not in lieu of, any other remedies that may be applicable.
to the Local Board or to each partner for failure to comply with the statutory requirement.

Subpart D—One-Stop Operators

§ 662.400 Who is the One-Stop operator?

(a) The One-Stop operator is the entity that performs the role described in paragraph (c) of this section. The types of entities that may be selected to be the One-Stop operator include:

1. A postsecondary educational institution;
2. An Employment Service agency established under the Wagner-Peyser Act on behalf of the local office of the agency;
3. A private, nonprofit organization (including a community-based organization);
4. A private for-profit entity;
5. A government agency; and
6. Another interested organization or entity.

(b) One-Stop operators may be a single entity or a consortium of entities and may operate one or more One-Stop centers. In addition, there may be more than one One-Stop operator in a local area.

(c) The agreement between the Local Board and the One-Stop operator shall specify the operator’s role. That role may range between simply coordinating service providers within the center, to being the primary provider of services within the center, to coordinating activities throughout the One-Stop system. (WIA sec. 121(d).)

§ 662.410 How is the One-Stop operator selected?

(a) The Local Board, with the agreement of the chief elected official, must designate and certify One-Stop operators in each local area.

(b) The One-Stop operator is designated or certified:

1. Through a competitive process.
2. Under an agreement between the Local Board and a consortium of entities that includes at least three or more of the required One-Stop partners, identified at § 662.200, or
3. Under the conditions described in §§ 662.420 or 662.430. (WIA sec. 121(d), 121(e) and 117(f)(2)).

(c) The designation or certification of the One-Stop operator must be carried out in accordance with the “sunshine provision” at 20 CFR 661.307.

§ 662.420 Under what limited conditions may the Local Board be designated or certified as the One-Stop operator?

(a) The Local Board may be designated or certified as the One-Stop operator only with the agreement of the chief elected official and the Governor.

(b) The designation or certification must be reviewed whenever the biennial certification of the Local Board is made under 20 CFR 663.300(a). (WIA sec. 117(f)(2).)

§ 662.430 Under what conditions may One-Stop operators designated to operate in a One-Stop delivery system established prior to the enactment of WIA be designated to continue as a One-Stop operator under WIA without meeting the requirements of § 662.410(b)?

Under WIA section 121(e), the Local Board, the chief elected official and the Governor may agree to certify an entity that has been serving as a One-Stop operator in a One-Stop delivery system established prior to the enactment of WIA (August 7, 1998) to continue to serve as a One-Stop operator without meeting the requirements for designation under § 662.410(b) if the local One-Stop delivery system is modified, as necessary, to meet the other requirements of this part, including the requirements relating to the inclusion of One-Stop partners, the execution of the MOU, and the provision of services. (WIA sec. 121(e).)

Subpart A—Delivery of Adult and Dislocated Worker Services through the One-Stop Delivery System

§ 663.100 What is the role of the adult and dislocated worker programs in the One-Stop delivery system?

(a) The One-Stop system is the basic delivery system for adult and dislocated worker services. Through this system, adults and dislocated workers can access a continuum of services. The services are organized into three levels: core, intensive, and training.

(b) The chief elected official or his/her designee(s), as the local grant recipient(s) for the adult and dislocated worker programs, is a required One-Stop partner and is subject to the provisions relating to such partners described in 20 CFR part 662. Consistent with those provisions:

(1) Core services for adults and dislocated workers must be made available in at least one comprehensive One-Stop center in each local workforce investment area. Services may also be available elsewhere, either at affiliated sites or at specialized centers. For example, specialized centers may be established to serve workers being dislocated from a particular employer or industry, or to serve residents of public housing.

(2) The One-Stop centers also make intensive services available to adults and dislocated workers, as needed, either by the One-Stop operator directly or through contracts with service providers that are approved by the Local Board.

(3) Through the One-Stop system, adults and dislocated workers needing training are provided Individual Training Accounts (ITA’s) and access to lists of eligible providers and programs of training. These lists contain quality consumer information, including cost and performance information for each of the providers’ programs, so that participants can make informed choices on where to use their ITA’s. (ITA’s are more fully discussed in subpart D of this part.)

§ 663.105 When must adults and dislocated workers be registered?

(a) Registration is the process for collecting information to support a determination of eligibility. This information may be collected through methods that include electronic data transfer, personal interview, or an individual’s application.

(b) Adults and dislocated workers who receive services funded under title I other than self-service or informational activities must be registered and determined eligible.

(c) EO data must be collected on every individual who is interested in being considered for WIA title I financially assisted aid, benefits, services, or training by a recipient, and who has signified that interest by submitting personal information in response to a request from the recipient.

§ 663.110 What are the eligibility criteria for core services for adults in the adult and dislocated worker programs?

To be eligible to receive core services as an adult in the adult and dislocated worker programs, an individual must be 18 years of age or older. To be eligible for the dislocated worker programs, an eligible adult must meet the criteria of §663.115. Eligibility criteria for
663.115 What are the eligibility criteria for core services for dislocated workers in the adult and dislocated worker programs?

(a) To be eligible to receive core services as a dislocated worker in the adult and dislocated worker programs, an individual must meet the definition of “dislocated worker” at WIA section 101(9). Eligibility criteria for intensive and training services are found at §§663.220 and 663.310.

(b) Governors and Local Boards may establish policies and procedures for One-Stop operators to use in determining an individual’s eligibility as a dislocated worker, consistent with the definition at WIA section 101(9). These policies and procedures may address such conditions as:
   (1) What constitutes a “general announcement” of plant closing under WIA section 101(9)(B)(ii) or (iii); and
   (2) What constitutes “unemployed as a result of general economic conditions in the community in which the individual resides or because of natural disasters” for determining the eligibility of self-employed individuals, including family members and farm or ranch hands, under WIA section 101(9)(C).

§ 663.120 Are displaced homemakers eligible for dislocated worker activities under WIA?

(a) Yes, there are two significant differences from the eligibility requirements under the Job Training Partnership Act.

(b) Under the dislocated worker program in JTPA, displaced homemakers are defined as “additional dislocated workers” and are only eligible to receive services if the Governor determines that providing such services would not adversely affect the delivery of services to the other eligible dislocated workers. Under WIA section 101(9), displaced homemakers who meet the definition at WIA section 101(9) are eligible dislocated workers without any additional determination.

(c) The definition of displaced homemaker under JTPA included individuals who had been dependent upon public assistance under Aid for Families with Dependent Children (AFDC) as well as those who had been dependent on the income of another family member. The definition in WIA section 101(10) includes only those individuals who were dependent on a family member’s income. Those individuals who have been dependent on public assistance may be served in the adult program.

§ 663.145 What services are WIA title I adult and dislocated workers formula funds used to provide?

(a) WIA title I formula funds allocated to local areas for adults and dislocated workers must be used to provide core, intensive and training services through the One-Stop delivery system. Local Boards determine the most appropriate mix of these services, but all three types must be available for both adults and dislocated workers. There are different eligibility criteria for each of these types of services, which are described at §§663.110, 663.115, 663.220 and 663.310.

(b) WIA title I funds may also be used to provide the other services described in WIA section 134(e):
   (1) Discretionary One-Stop delivery activities, including:
      (i) Customized screening and referral of qualified participants in training services to employment; and
      (ii) Customized employment-related services to employers on a fee-for-service basis that are in addition to labor exchange services available to employers under the Wagner-Peyser Act.
   (2) Supportive services, including needs-related payments, as described in subpart H of this part.

§ 663.150 What core services must be provided to adults and dislocated workers?

(a) At a minimum, all of the core services described in WIA section 134(d)(2) and 20 CFR 662.240 must be provided in each local area through the One-Stop delivery system.

(b) Followup services must be made available, as appropriate, for a minimum of 12 months following the first day of employment, to registered participants who are placed in unsubsidized employment.
Employment and Training Administration, Labor

§ 663.220 How are core services delivered?

Core services must be provided through the One-Stop delivery system. Core services may be provided directly by the One-Stop operator or through contracts with service providers that are approved by the Local Board. The Local Board may only be a provider of core services when approved by the chief elected official and the Governor in accordance with the requirements of WIA section 117(f)(2) and 20 CFR 661.310.

§ 663.160 Are there particular core services an individual must receive before receiving intensive services under WIA section 134(d)(3)?

(a) Yes, at a minimum, an individual must receive at least one core service, such as an initial assessment or job search and placement assistance, before receiving intensive services. The initial assessment provides preliminary information about the individual’s skill levels, aptitudes, interests, and supportive services needs. The job search and placement assistance helps the individual determine whether he or she is unable to obtain employment, and thus requires more intensive services to obtain employment. The decision on which core services to provide, and the timing of their delivery, may be made on a case-by-case basis at the local level depending upon the needs of the participant.

(b) A determination of the need for intensive services under §663.220, as established by the initial assessment or the individual’s inability to obtain employment through the core services provided, must be contained in the participant’s case file.

§ 663.165 How long must an individual be in core services in order to be eligible for intensive services?

There is no Federally-required minimum time period for participation in core services before receiving intensive services. (WIA sec. 134(d)(3).)

Subpart B—Intensive Services

§ 663.200 What are intensive services for adults and dislocated workers?

(a) Intensive services are listed in WIA section 134(d)(3)(C). The list in the Act is not all-inclusive and other intensive services, such as out-of-area job search assistance, literacy activities related to basic workforce readiness, relocation assistance, internships, and work experience may be provided, based on an assessment or individual employment plan.

(b) For the purposes of paragraph (a) of this section, work experience is a planned, structured learning experience that takes place in a workplace for a limited period of time. Work experience may be paid or unpaid, as appropriate. A work experience workplace may be in the private for profit sector, the non-profit sector, or the public sector. Labor standards apply in any work experience where an employee/employer relationship, as defined by the Fair Labor Standards Act, exists.

§ 663.210 How are intensive services delivered?

(a) Intensive services must be provided through the One-Stop delivery system, including specialized One-Stop centers. Intensive services may be provided directly by the One-Stop operator or through contracts with service providers, which may include contracts with public, private for-profit, and private non-profit service providers (including specialized service providers), that are approved by the Local Board. (WIA secs. 117(d)(2)(D) and 134(d)(3)(B).)

(b) The Local Board may only be a provider of intensive services when approved by the chief elected official and the Governor in accordance with WIA section 117(f)(2) and 20 CFR 661.310.

§ 663.220 Who may receive intensive services?

There are two categories of adults and dislocated workers who may receive intensive services:

(a) Adults and dislocated workers who are unemployed, have received at least one core service and are unable to obtain employment through core services, and are determined by a One-Stop operator to be in need of more intensive services to obtain employment; and

(b) Adults and dislocated workers who are employed, have received at
§ 663.230 What criteria must be used to determine whether an employed worker needs intensive services to obtain or retain employment leading to “self-sufficiency”?

State Boards or Local Boards must set the criteria for determining whether employment leads to self-sufficiency. At a minimum, such criteria must provide that self-sufficiency means employment that pays at least the lower living standard income level, as defined in WIA section 101(24). Self-sufficiency for a dislocated worker may be defined in relation to a percentage of the layoff wage. The special needs of individuals with disabilities or other barriers to employment should be taken into account when setting criteria to determine self-sufficiency.

§ 663.240 Are there particular intensive services an individual must receive before receiving training services under WIA section 134(d)(4)(A)(i)?

(a) Yes, at a minimum, an individual must receive at least one intensive service, such as development of an individual employment plan with a case manager or individual counseling and career planning, before the individual may receive training services.

(b) The case file must contain a determination of need for training services under § 663.310, as identified in the individual employment plan, comprehensive assessment, or through any other intensive service received.

§ 663.245 What is the individual employment plan?

The individual employment plan is an ongoing strategy jointly developed by the participant and the case manager that identifies the participant’s employment goals, the appropriate achievement objectives, and the appropriate combination of services for the participant to achieve the employment goals.

§ 663.250 How long must an individual participant be in intensive services to be eligible for training services?

There is no Federally-required minimum time period for participation in intensive services before receiving training services. The period of time an individual spends in intensive services should be sufficient to prepare the individual for training or employment. (WIA sec. 134(d)(4)(A)(1).)

Subpart C—Training Services

§ 663.300 What are training services for adults and dislocated workers?

Training services are listed in WIA section 134(d)(4)(D). The list in the Act is not all-inclusive and additional training services may be provided.

§ 663.310 Who may receive training services?

Training services may be made available to employed and unemployed adults and dislocated workers who:

(a) Have met the eligibility requirements for intensive services, have received at least one intensive service under § 663.240, and have been determined to be unable to obtain or retain employment through such services;

(b) After an interview, evaluation, or assessment, and case management, have been determined by a One-Stop operator or One-Stop partner, to be in need of training services and to have the skills and qualifications to successfully complete the selected training program;

(c) Select a program of training services that is directly linked to the employment opportunities either in the local area or in another area to which the individual is willing to relocate;

(d) Are unable to obtain grant assistance from other sources to pay the costs of such training, including such sources as Welfare-to-Work, State-funded training funds, Trade Adjustment Assistance and Federal Pell Grants established under title IV of the Higher Education Act of 1965, or require WIA assistance in addition to other sources of grant assistance, including Federal Pell Grants (provisions relating to fund coordination are found at § 663.320 and WIA section 134(d)(4)(B)); and
Employment and Training Administration, Labor § 663.420

(e) For individuals whose services are provided through the adult funding stream, are determined eligible in accordance with the State and local priority system, if any, in effect for adults under WIA section 134(d)(4)(E) and § 663.600. (WIA sec. 134(d)(4)(A).)

§ 663.320 What are the requirements for coordination of WIA training funds and other grant assistance?

(a) WIA funding for training is limited to participants who:

(1) Are unable to obtain grant assistance from other sources to pay the costs of their training; or

(2) Require assistance beyond that available under grant assistance from other sources to pay the costs of such training. Program operators and training providers must coordinate funds available to pay for training as described in paragraphs (b) and (c) of this section.

(b) Program operators must coordinate training funds available and make funding arrangements with One-Stop partners and other entities to apply the provisions of paragraph (a) of this section. Training providers must consider the availability of other sources of grants to pay for training costs such as Welfare-to-Work, State-funded training funds, and Federal Pell Grants, so that WIA funds supplement other sources of training grants.

(c) A WIA participant may enroll in WIA-funded training while his/her application for a Pell Grant is pending as long as the One-Stop operator has made arrangements with the training provider and the WIA participant regarding allocation of the Pell Grant, if it is subsequently awarded. In that case, the training provider must reimburse the One-Stop operator the WIA funds used to underwrite the training for the amount the Pell Grant covers. Reimbursement is not required from the portion of Pell Grant assistance disbursed to the WIA participant for education-related expenses. (WIA sec. 134(d)(4)(B).)

Subpart D—Individual Training Accounts

§ 663.400 How are training services provided?

Except under the three conditions described in WIA section 134(d)(4)(G)(ii) and § 663.430(a), the Individual Training Account (ITA) is established for eligible individuals to finance training services. Local Boards may only provide training services under § 663.430 if they receive a waiver from the Governor and meet the requirements of 20 CFR 661.310 and WIA section 117(f)(1). (WIA sec. 134(d)(4)(G).)

§ 663.410 What is an Individual Training Account (ITA)?

The ITA is established on behalf of a participant. WIA title I adult and dislocated workers purchase training services from eligible providers they select in consultation with the case manager. Payments from ITA’s may be made in a variety of ways, including the electronic transfer of funds through financial institutions, vouchers, or other appropriate methods. Payments may also be made incrementally; through payment of a portion of the costs at different points in the training course. (WIA sec. 134(d)(4)(G).)

§ 663.420 Can the duration and amount of ITA’s be limited?

(a) Yes, the State or Local Board may impose limits on ITA’s, such as limitations on the dollar amount and/or duration.

(b) Limits to ITA’s may be established in different ways:

(1) There may be a limit for an individual participant that is based on the needs identified in the individual employment plan; or

(2) There may be a policy decision by the State Board or Local Board to establish a range of amounts and/or a maximum amount applicable to all ITA’s.

(c) Limitations established by State or Local Board policies must be described in the State or Local Plan, respectively, but should not be implemented in a manner that undermines
§ 663.430 Under what circumstances may mechanisms other than ITA’s be used to provide training services?

(a) Contracts for services may be used instead of ITA’s only when one of the following three exceptions applies:

(1) When the services provided are on-the-job training (OJT) or customized training;

(2) When the Local Board determines that there are an insufficient number of eligible providers in the local area to accomplish the purpose of a system of ITA’s. The Local Plan must describe the process to be used in selecting the providers under a contract for services. This process must include a public comment period for interested providers of at least 30 days;

(3) When the Local Board determines that there is a training services program of demonstrated effectiveness offered in the area by a community-based organization (CBO) or another private organization to serve special participant populations that face multiple barriers to employment, as described in paragraph (b) in this section. The Local Board must develop criteria to be used in determining demonstrated effectiveness, particularly as it applies to the special participant population to be served. The criteria may include:

(i) Financial stability of the organization;

(ii) Demonstrated performance in the delivery of services to hard to serve participant populations through such means as program completion rate; attainment of the skills, certificates or degrees the program is designed to provide; placement after training in unsubsidized employment; and retention in employment; and

(iii) How the specific program relates to the workforce investment needs identified in the local plan.

(b) Under paragraph (a)(3) of this section, special participant populations that face multiple barriers to employment are populations of low-income individuals that are included in one or more of the following categories:

(1) Individuals with substantial language or cultural barriers;

(2) Offenders;

(3) Homeless individuals; and

(4) Other hard-to-serve populations as defined by the Governor.

§ 663.440 What are the requirements for consumer choice?

(a) Training services, whether under ITA’s or under contract, must be provided in a manner that maximizes informed consumer choice in selecting an eligible provider.

(b) Each Local Board, through the One-Stop center, must make available to customers the State list of eligible providers required in WIA section 122(e). The list includes a description of the programs through which the providers may offer the training services, the information identifying eligible providers of on-the-job training and customized training required under WIA section 122(h) (where applicable), and the performance and cost information about eligible providers of training services described in WIA sections 122(e) and (h).

(c) An individual who has been determined eligible for training services under §663.310 may select a provider described in paragraph (b) of this section after consultation with a case manager. Unless the program has exhausted training funds for the program year, the operator must refer the individual to the selected provider, and establish an ITA for the individual to pay for training. For purposes of this paragraph, a referral may be carried out by providing a voucher or certificate to the individual to obtain the training.

(d) The cost of referral of an individual with an ITA to a training provider is paid by the applicable adult or dislocated worker program under title I of WIA.
§ 663.500 What is the purpose of this subpart?

The workforce investment system established under WIA emphasizes informed customer choice, system performance, and continuous improvement. The eligible provider process is part of the strategy for achieving these goals. Local Boards, in partnership with the State, identify training providers and programs whose performance qualifies them to receive WIA funds to train adults and dislocated workers. In order to maximize customer choice and assure that all significant population groups are served, States and local areas should administer the eligible provider process in a manner to assure that significant numbers of competent providers, offering a wide variety of training programs and occupational choices, are available to customers. After receiving core and intensive services and in consultation with case managers, eligible participants who need training use the list of these eligible providers to make an informed choice. The ability of providers to successfully perform, the procedures State and Local Boards use to establish eligibility, and the degree to which information, including performance information, on those providers is made available to customers eligible for training services, are key factors affecting the successful implementation of the Statewide workforce investment system. This subpart describes the process for determining eligible training providers.

§ 663.505 What are eligible providers of training services?

(a) Eligible providers of training services are described in WIA section 122. They are those entities eligible to receive WIA title I–B funds to provide training services to eligible adult and dislocated worker customers. 

(b) In order to provide training services under WIA title I–B, a provider must meet the requirements of this subpart and WIA section 122.

(i) To individuals using ITA’s to access training through the eligible provider list; and

(ii) To individuals for training provided through the exceptions to ITA’s described at §663.430 (a)(2) and (a)(3).

(2) These requirements apply to all organizations providing training to adult and dislocated workers, including:

(i) Postsecondary educational institutions providing a program described in WIA section 122(a)(2)(A)(ii); 

(ii) Entities that carry out programs under the National Apprenticeship Act (29 U.S.C. 50 et seq.); 

(iii) Other public or private providers of a program of training services described in WIA section 122(a)(2)(C); 

(iv) Local Boards, if they meet the conditions of WIA section 117(f)(1); and 

(v) Community-based organizations and other private organizations providing training under §663.430. 

(c) Provider eligibility procedures must be established by the Governor, as required by this subpart. Different procedures are described in WIA for determinations of “initial” and “subsequent” eligibility. Because the processes are different, they are discussed separately.

§ 663.508 What is a “program of training services”?

A program of training services is one or more courses or classes, or a structured regimen, that upon successful completion, leads to:

(a) A certificate, an associate degree, baccalaureate degree, or 

(b) The skills or competencies needed for a specific job or jobs, an occupation, occupational group, or generally, for many types of jobs or occupations, as recognized by employers and determined prior to training.

§ 663.510 Who is responsible for managing the eligible provider process?

(a) The State and the Local Boards each have responsibilities for managing the eligible provider process.

(b) The Governor must establish eligibility criteria for certain providers to become initially eligible and must set minimum levels of performance for all providers to remain subsequently eligible.
§ 663.515 What is the process for initial determination of provider eligibility?

(a) To be eligible to receive adult or dislocated worker training funds under title I of WIA, all providers must submit applications to the Local Boards in the areas in which they wish to provide services. The application must describe each program of training services to be offered.

(b) For programs eligible under title IV of the Higher Education Act and apprenticeship programs registered under the National Apprenticeship Act (NAA), and the providers or such programs, Local Boards determine the procedures to use in making an application. The procedures established by the Local Board must specify the timing, manner, and contents of the required application.

(c) For programs not eligible under title IV of the HEA or registered under the NAA, and for providers not eligible under title IV of the HEA or carrying out apprenticeship programs under NAA:

(i) The Governor must develop a procedure for use by Local Boards for determining the eligibility of other providers, after

(ii) Soliciting and taking into consideration recommendations from Local Boards and providers of training services within the State; and

(iii) Designating a specific time period for soliciting and considering the
§ 663.530 Is there a time limit on the period of initial eligibility for training providers?

Yes, under WIA section 122(c)(5), the Governor must require training providers to submit performance information and meet performance levels annually in order to remain eligible providers. States may require that these performance requirements be met one year from the date that initial eligibility was determined, or may require all eligible providers to submit performance information by the same date each year. If the latter approach is adopted, the Governor may exempt eligible providers whose determination of initial eligibility occurs within six months of the date of submissions. The effect of this requirement is that no training provider may have a period of initial eligibility that exceeds eighteen months. In the limited circumstance when insufficient data is available, initial eligibility may be extended for a period of up to six additional months, if the Governor’s procedures provide for such an extension.

§ 663.535 What is the process for determining the subsequent eligibility of a provider?

(a) The Governor must develop a procedure for the Local Board to use in determining the subsequent eligibility of all eligible training providers determined initially eligible under §663.515(b) and (c), after:

(1) Soliciting and taking into consideration recommendations from Local Boards and providers of training services within the State;

(2) Providing an opportunity for interested members of the public, including representatives of business and labor organizations, to submit comments on such procedure; and

(3) Designating a specific time period for soliciting and considering the recommendations of Local Boards and providers, and for providing an opportunity for public comment.

(b) The procedure must be described in the State Plan.

(c) The procedure must require that:

(1) Providers annually submit performance and cost information as described at WIA section 122(d)(1) and (2), for each program of training services for which the provider has been determined to be eligible, in a time and manner determined by the Local Board;

(2) Providers and programs annually meet minimum performance levels described at WIA section 122(c)(6), as demonstrated utilizing UI quarterly wage records where appropriate.
§ 663.540 What kind of performance and cost information is required for determinations of subsequent eligibility?

(a) Eligible providers of training services must submit, at least annually, under procedures established by the Governor under §663.535(c):

(1) Verifiable program-specific performance information, including:

(i) The information described in WIA section 122(d)(1)(A)(i) for all individuals participating in the programs of training services, including individuals who are not receiving assistance under WIA section 134 and individuals who are receiving such assistance; and

(ii) The information described in WIA section 122(d)(1)(A)(ii) relating only to individuals receiving assistance under the WIA adult and dislocated worker program who are participating in the applicable program of training services;

(2) Information on program costs (such as tuition and fees) for WIA participants in the program.

(b) Governors may require any additional verifiable performance information (such as the information described at WIA section 122(d)(2)) that the Governor determines to be appropriate to obtain subsequent eligibility, including information regarding all participating individuals as well as individuals receiving assistance under the WIA adult and dislocated worker program.

(c) Governors must establish procedures by which providers can demonstrate if the additional information required under paragraph (b) of this section imposes extraordinary costs on providers, or if providers experience extraordinary costs in the collection of information. If, through these procedures, providers demonstrate that they experience such extraordinary costs:

(1) The Governor or Local Board must provide access to cost-effective methods for the collection of the information; or

(2) The Governor must provide additional resources to assist providers in the collection of the information from funds for Statewide workforce investment activities reserved under WIA sections 128(a) and 133(a)(1).

(d) The Local Board and the designated State agency may accept program-specific performance information consistent with the requirements for eligibility under title IV of the Higher Education Act of 1965 from a provider for purposes of enabling the provider to fulfill the applicable requirements of this section, if the information is substantially similar to the information otherwise required under this section.

§ 663.550 How is eligible provider information developed and maintained?

(a) The designated State agency must maintain a list of all eligible training programs and providers in the State (the “State list”).
(b) The State list is a compilation of the eligible programs and providers identified or retained by local areas and that have not been removed under §§663.535(g) and 663.565.

(c) The State list must be accompanied by the performance and cost information contained in the local lists as required by §663.535(e). (WIA sec. 122(e)(4)(A).)

§ 663.555 How is the State list disseminated?

(a) The designated State agency must disseminate the State list and accompanying performance and cost information to the One-Stop delivery systems within the State.

(b) The State list and information must be updated at least annually.

(c) The State list and accompanying information form the primary basis of the One-Stop consumer reports system that provides for informed customer choice. The list and information must be widely available, through the One-Stop delivery system, to customers seeking information on training outcomes, as well as participants in employment and training activities funded under WIA and other programs.

(1) The State list must be made available to individuals who have been determined eligible for training services under §663.310.

(2) The State list must also be made available to customers whose training is supported by other One-Stop partners.

§ 663.565 May an eligible training provider lose its eligibility?

(a) Yes. A training provider must deliver results and provide accurate information in order to retain its status as an eligible training provider.

(b) If the provider’s programs do not meet the established performance levels, the programs will be removed from the eligible provider list.

(1) A Local Board must determine, during the subsequent eligibility determination process, whether a provider’s programs meet performance levels. If the program fails to meet such levels, the program must be removed from the local list. If all of the provider’s programs fail to meet such levels, the provider must be removed from the local list.

(2) The designated State agency upon receipt of the performance information accompanying the local list, may remove programs from the State list if the agency determines the program failed to meet the levels of performance prescribed under §663.535(c). If all of the provider’s programs are determined to have failed to meet the levels, the designated State agency may remove the provider from the State list.

(3) Providers determined to have intentionally supplied inaccurate information or to have subsequently violated any provision of title I of WIA or the WIA regulations, including 29 CFR part 37, may be removed from the list in accordance with the enforcement provisions of WIA section 122(f). A provider whose eligibility is terminated under these conditions is liable to repay all adult and dislocated worker training funds it received during the period of noncompliance.

(4) The Governor must establish appeal procedures for providers of training to appeal a denial of eligibility under this subpart according to the requirements of 20 CFR 667.640(b).

§ 663.570 What is the consumer reports system?

The consumer reports system, referred to in WIA as performance information, is the vehicle for informing the customers of the One-Stop delivery system about the performance of training providers and programs in the local area. It is built upon the State list of eligible providers and programs developed through the procedures described in WIA section 122 and this subpart. The consumer reports system must contain the information necessary for an adult or dislocated worker customer to fully understand the options available to him or her in choosing a program of training services. Such program-specific factors may include overall performance, performance for significant customer groups (including wage replacement rates for dislocated workers), performance of specific provider sites, current information on employment and wage trends and projections, and duration of training programs.
§ 663.575 In what ways can a Local Board supplement the information available from the State list?

(a) Local Boards may supplement the information available from the State list by providing customers with additional information to assist in supporting informed customer choice and the achievement of local performance measures (as described in WIA section 136).

(b) This additional information may include:

1. Information on programs of training services that are linked to occupations in demand in the local area;
2. Performance and cost information, including program-specific performance and cost information, for the local outlet(s) of multi-site eligible providers; and
3. Other appropriate information related to the objectives of WIA, which may include the information described in § 663.570.

§ 663.585 May individuals choose training providers located outside of the local area?

Yes, individuals may choose any of the eligible providers and programs on the State list. A State may also establish a reciprocal agreement with another State(s) to permit providers of eligible training programs in each State to accept individual training accounts provided by the other State. (WIA secs. 122(e)(4) and (e)(5).)

§ 663.590 May a community-based organization (CBO) be included on an eligible provider list?

Yes, CBO’s may apply and they and their programs may be determined eligible providers of training services, under WIA section 122 and this subpart. As eligible providers, CBO’s provide training through ITA’s and may also receive contracts for training special participant populations when the requirements of § 663.430 are met.

§ 663.595 What requirements apply to providers of OJT and customized training?

For OJT and customized training providers, One-Stop operators in a local area must collect such performance information as the Governor may require, determine whether the providers meet such performance criteria as the Governor may require, and disseminate a list of providers that have met such criteria, along with the relevant performance information about them, through the One-Stop delivery system. Providers determined to meet the criteria are considered to be identified as eligible providers of training services. These providers are not subject to the other requirements of WIA section 122 or this subpart.

Subpart F—Priority and Special Populations

§ 663.600 What priority must be given to low-income adults and public assistance recipients served with adult funds under title I?

(a) WIA states, in section 134(d)(4)(E), that in the event that funds allocated to a local area for adult employment and training activities are limited, priority for intensive and training services funded with title I adult funds must be given to recipients of public assistance and other low-income individuals in the local area.

(b) Since funding is generally limited, States and local areas must establish criteria by which local areas can determine the availability of funds and the process by which any priority will be applied under WIA section 134(d)(2)(E). Such criteria may include the availability of other funds for providing employment and training-related services in the local area, the needs of the specific groups within the local area, and other appropriate factors.

(c) States and local areas must give priority for adult intensive and training services to recipients of public assistance and other low-income individuals, unless the local area has determined that funds are not limited under the criteria established under paragraph (b) of this section.

(d) The process for determining whether to apply the priority established under paragraph (b) of this section does not necessarily mean that only the recipients of public assistance and other low-income individuals may receive WIA adult funded intensive and
§ 663.700 What are the requirements for on-the-job training (OJT) and customized training?

(a) On-the-job training (OJT) is defined at WIA section 101(31). OJT is provided under a contract with an employer in the public, private non-profit, or private sector. Through the OJT contract, occupational training is provided for the WIA participant in exchange for the reimbursement of up to
§ 663.705 What are the requirements for OJT contracts for employed workers?

OJT contracts may be written for eligible employed workers when:

(a) The employee is not earning a self-sufficient wage as determined by Local Board policy;

(b) The requirements in §663.700 are met; and

(c) The OJT relates to the introduction of new technologies, introduction to new production or service procedures, upgrading to new jobs that require additional skills, workplace literacy, or other appropriate purposes identified by the Local Board.

§ 663.710 What conditions govern OJT payments to employers?

(a) On-the-job training payments to employers are deemed to be compensation for the extraordinary costs associated with training participants and the costs associated with the lower productivity of the participants.

(b) Employers may be reimbursed up to 50 percent of the wage rate of an OJT participant for the extraordinary costs of providing the training and additional supervision related to the OJT. (WIA sec. 101(31)(B).)

(c) Employers are not required to document such extraordinary costs.

§ 663.715 What is customized training?

Customized training is training:

(a) That is designed to meet the special requirements of an employer (including a group of employers);

(b) That is conducted with a commitment by the employer to employ, or in the case of incumbent workers, continue to employ, an individual on successful completion of the training; and

(c) For which the employer pays for not less than 50 percent of the cost of the training. (WIA sec. 101(8).)

§ 663.720 What are the requirements for customized training for employed workers?

Customized training of an eligible employed individual may be provided for an employer or a group of employers when:

(a) The employee is not earning a self-sufficient wage as determined by Local Board policy;

(b) The requirements in §663.715 are met; and

(c) The customized training relates to the purposes described in §663.705(c) or other appropriate purposes identified by the Local Board.

§ 663.730 May funds provided to employers for OJT of customized training be used to assist, promote, or deter union organizing?

No, funds provided to employers for OJT or customized training must not be used to directly or indirectly assist, promote or deter union organizing.

Subpart H—Supportive Services

§ 663.800 What are supportive services for adults and dislocated workers?

Supportive services for adults and dislocated workers are defined at WIA sections 101(46) and 134(e)(2) and (3). They include services such as transportation, child care, dependent care, housing, and needs-related payments, that are necessary to enable an individual to participate in activities authorized under WIA title I. Local Boards, in consultation with the One-Stop partners and other community
Employment and Training Administration, Labor § 663.840

Service providers must develop a policy on supportive services that ensures resource and service coordination in the local area. Such policy should address procedures for referral to such services, including how such services will be funded when they are not otherwise available from other sources. The provision of accurate information about the availability of supportive services in the local area, as well as referral to such activities, is one of the core services that must be available to adults and dislocated workers through the One-Stop delivery system. (WIA sec. 134(d)(2)(H).)

§ 663.805 When may supportive services be provided to participants?

(a) Supportive services may only be provided to individuals who are:
(1) Participating in core, intensive or training services; and
(2) Unable to obtain supportive services through other programs providing such services. (WIA sec. 134(e)(2)(A) and (B).)

(b) Supportive services may only be provided when they are necessary to enable individuals to participate in title I activities. (WIA sec. 101(46).)

§ 663.810 Are there limits on the amounts or duration of funds for supportive services?

(a) Local Boards may establish limits on the provision of supportive services or provide the One-Stop operator with the authority to establish such limits, including a maximum amount of funding and maximum length of time for supportive services to be available to participants.

(b) Procedures may also be established to allow One-Stop operators to grant exceptions to the limits established under paragraph (a) of this section.

§ 663.815 What are needs-related payments?

Needs-related payments provide financial assistance to participants for the purpose of enabling individuals to participate in training and are one of the supportive services authorized by WIA section 134(e)(3).

§ 663.820 What are the eligibility requirements for adults to receive needs-related payments?

Adults must:
(a) Be unemployed,
(b) Not qualify for, or have ceased qualifying for, unemployment compensation; and
(c) Be enrolled in a program of training services under WIA section 134(d)(4).

§ 663.825 What are the eligibility requirements for dislocated workers to receive needs-related payments?

To receive needs related payments, a dislocated worker must:
(a) Be unemployed, and:
(1) Have ceased to qualify for unemployment compensation or trade readjustment allowance under TAA or NAFTA–TAA; and
(2) Be enrolled in a program of training services under WIA section 134(d)(4) by the end of the 13th week after the most recent layoff that resulted in a determination of the worker's eligibility as a dislocated worker, or, if later, by the end of the 8th week after the worker is informed that a short-term layoff will exceed 6 months; or
(b) Be unemployed and did not qualify for unemployment compensation or trade readjustment assistance under TAA or NAFTA–TAA.

§ 663.830 May needs-related payments be paid while a participant is waiting to start training classes?

Yes, payments may be provided if the participant has been accepted in a training program that will begin within 30 calender days. The Governor may authorize local areas to extend the 30 day period to address appropriate circumstances.

§ 663.840 How is the level of needs-related payments determined?

(a) The payment level for adults must be established by the Local Board.

(b) For dislocated workers, payments must not exceed the greater of either of the following levels:
(1) For participants who were eligible for unemployment compensation as a result of the qualifying dislocation, the payment may not exceed the applicable
weekly level of the unemployment compensation benefit; or
(2) For participants who did not qualify for unemployment compensation as a result of the qualifying layoff, the weekly payment may not exceed the poverty level for an equivalent period. The weekly payment level must be adjusted to reflect changes in total family income as determined by Local Board policies. (WIA sec. 134(e)(3)(C).)

(1) Computes or solves problems, reads, writes, or speaks English at or below the 8th grade level on a generally accepted standardized test or a comparable score on a criterion-referenced test; or

§ 664.220 Is there an exception to permit youth who are not low-income individuals to receive youth services?

§ 664.310 When is dropout status determined, particularly for youth attending alternative schools?

A school dropout is defined as an individual who is no longer attending any school and who has not received a secondary school diploma or its recognized equivalent. A youth’s dropout status is determined at the time of registration. A youth attending an alternative school at the time of registration is not a dropout. An individual who is out-of-school at the time of registration and subsequently placed in an alternative school, may be considered
an out-of-school youth for the purposes of the 30 percent expenditure requirement for out-of-school youth. (WIA sec. 101(39).)

(b) Although it is not necessary to ensure that 30 percent of such funds spent on summer employment opportunities (or any other particular element of the youth program) are spent on out-of-school youth, the funds spent on these activities are included in the total to which the 30 percent requirement applies.

(c) There is a limited exception, at WIA section 129(c)(4)(B), under which certain small States may apply to the Secretary to reduce the minimum amount that must be spent on out-of-school youth. (WIA sec. 129(c).)

§ 664.400 What is a local youth program?

§ 664.405 How must local youth programs be designed?

(a) The design framework of local youth programs must:

1. Provide an objective assessment of each youth participant, that meets the requirements of WIA section 129(c)(1)(A), and includes identifying an age-appropriate career goal and consideration of the assessment results for each youth; and

2. Provide preparation for postsecondary educational opportunities, provide linkages between academic and occupational learning, provide preparation for employment, and provide effective connections to intermediary organizations that provide strong links to the job market and employers.

3. The requirement in WIA section 129(c)(1)(B), including identifying an age-appropriate career goal and consideration of the assessment results for each youth; and

4. The requirement in WIA section 129(c)(4)(B), under which certain small States may apply to the Secretary to reduce the minimum amount that must be spent on out-of-school youth. (WIA sec. 129(c)(4).)

(b) The local plan must describe the design framework for youth program design in the local area, and how the ten program elements required in §664.410 are provided within that framework.

(c) Local Boards must ensure appropriate links to entities that will foster the participation of eligible local area youth. Such links may include connections to:

1. Local area justice and law enforcement officials;

2. Local public housing authorities;

3. Local education agencies;

4. Job Corps representatives; and

5. Representatives of other area youth initiatives, including those that serve homeless youth and other public and private youth initiatives.

(d) Local Boards must ensure that the referral requirements in WIA section 129(c)(3) for youth who meet the income eligibility criteria are met, including:

1. Providing these youth with information regarding the full array of applicable or appropriate services available through the Local Board or other eligible providers, or One-Stop partners; and

2. Referring these youth to appropriate training and educational programs that have the capacity to serve them either on a sequential or concurrent basis.
§ 664.410 Must local programs include each of the ten program elements listed in WIA section 129(c)(2) as options available to youth participants?

(a) Yes, local programs must make the following services available to youth participants:

1. Tutoring, study skills training, and instruction leading to secondary school completion, including dropout prevention strategies;
2. Alternative secondary school offerings;
3. Summer employment opportunities directly linked to academic and occupational learning;
4. Paid and unpaid work experiences, including internships and job shadowing, as provided in §§ 664.460 and 664.470;
5. Occupational skill training;
6. Leadership development opportunities, which include community service and peer-centered activities encouraging responsibility and other positive social behaviors;
7. Supportive services, which may include the services listed in § 664.440;

9. Followup services, as provided in § 664.450; and
10. Comprehensive guidance and counseling, including drug and alcohol abuse counseling, as well as referrals to counseling, as appropriate to the needs of the individual youth.

(b) Local programs have the discretion to determine what specific program services will be provided to a youth participant, based on each participant’s objective assessment and individual service strategy. (WIA sec. 129(c)(2).)

§ 664.420 What are leadership development opportunities?
Leadership development opportunities are opportunities that encourage responsibility, employability, and other positive social behaviors such as:

(a) Exposure to postsecondary educational opportunities;

(c) Peer-centered activities, including peer mentoring and tutoring;
(d) Organizational and team work training, including team leadership training;
(e) Training in decision-making, including determining priorities; and
(f) Citizenship training, including life skills training such as parenting, work behavior training, and budgeting of resources. (WIA sec. 129(c)(2)(F).)

§ 664.430 What are positive social behaviors?
Positive social behaviors are outcomes of leadership opportunities, often referred to as soft skills, which are incorporated by many local programs as part of their menu of services. Positive social behaviors focus on areas that may include the following:

(a) Positive attitudinal development;
(b) Self esteem building;
(c) Openness to working with individuals from diverse racial and ethnic backgrounds;
(d) Maintaining healthy lifestyles, including being alcohol and drug free;
(e) Maintaining positive relationships with responsible adults and peers,
and contributing to the well being of one’s community, including voting:
(f) Maintaining a commitment to learning and academic success;
(g) Avoiding delinquency;
(h) Postponed and responsible parenting; and

§ 664.450 What are follow-up services for youth?
(a) Follow-up services for youth may include:
(1) The leadership development and supportive service activities listed in §§ 664.420 and 664.440;
(2) Regular contact with a youth participant’s employer, including assistance in addressing work-related problems that arise;
(3) Assistance in securing better paying jobs, career development and further education;
(4) Work-related peer support groups;
(5) Adult mentoring; and
(6) Tracking the progress of youth in employment after training.
(b) All youth participants must receive some form of follow-up services for a minimum duration of 12 months. Follow-up services may be provided beyond twelve (12) months at the State or Local Board’s discretion. The types of services provided and the duration of services must be determined based on the needs of the individual. The scope of these follow-up services may be less intensive for youth who have only participated in summer youth employment opportunities. (WIA sec. 129(c)(2)(I).)

§ 664.460 What are work experiences for youth?
(a) Work experiences are planned, structured learning experiences that take place in a workplace for a limited period of time. As provided in WIA section 129(c)(2)(D) and §664.470, work experiences may be paid or unpaid.
(b) Work experience workplaces may be in the private, for-profit sector; the non-profit sector; or the public sector.
(c) Work experiences are designed to enable youth to gain exposure to the working world and its requirements. Work experiences are appropriate and desirable activities for many youth throughout the year. Work experiences should help youth acquire the personal attributes, knowledge, and skills needed to obtain a job and advance in employment. The purpose is to provide the youth participant with the opportunities for career exploration and skill development and is not to benefit the employer, although the employer may, in fact, benefit from the activities performed by the youth. Work experiences may be subsidized or unsubsidized and may include the following elements:
(1) Instruction in employability skills or generic workplace skills such as those identified by the Secretary’s Commission on Achieving Necessary Skills (SCANS);
(2) Exposure to various aspects of an industry;
(3) Progressively more complex tasks;
(4) Internships and job shadowing;
(5) The integration of basic academic skills into work activities;
(6) Supported work, work adjustment, and other transition activities;
(7) Entrepreneurship;
(8) Service learning;
(9) Paid and unpaid community service; and
(10) Other elements designed to achieve the goals of work experiences.
(d) In most cases, on-the-job training is not an appropriate work experiences activity for youth participants under age 18. Local program operators may choose, however, to use this service strategy for eligible youth when it is appropriate based on the needs identified by the objective assessment of an
§ 664.470 Are paid work experiences allowable activities?

Funds under the Act may be used to pay wages and related benefits for work experiences in the public, private, for-profit or non-profit sectors where the objective assessment and individual service strategy indicate that work experiences are appropriate. (WIA sec. 129(c)(2)(D).)

Subpart E—Concurrent Enrollment

§ 664.500 May youth participate in both youth and adult/dislocated worker programs concurrently?

(a) Yes, under the Act, eligible youth are 14 through 21 years of age. Adults are defined in the Act as individuals age 18 and older. Thus, individuals ages 18 through 21 may be eligible for both adult and youth programs. There is no specified age for the dislocated worker program.

(b) Individuals who meet the respective eligibility requirements may participate in adult and youth programs concurrently. Concurrent enrollment is allowable for youth served in programs under WIA titles I or II. Such individuals must be eligible under the youth or adult/dislocated worker eligibility criteria applicable to the services received. Local program operators may determine, for individuals in this age group, the appropriate level and balance of services under the youth, adult, dislocated worker, or other services.

(c) Local program operators must identify and track the funding streams which pay the costs of services provided to individuals who are participating in youth and adult/dislocated worker programs concurrently, and ensure that services are not duplicated.

§ 664.510 Are Individual Training Accounts allowed for youth participants?

No, however, individuals age 18 and above, who are eligible for training services under the adult and dislocated worker programs, may receive Individual Training Accounts through those programs. Requirements for concurrent participation requirements are set forth in § 664.500. To the extent possible, in order to enhance youth participant choice, youth participants should be involved in the selection of educational and training activities.

Subpart F—Summer Employment Opportunities

§ 664.600 Are Local Boards required to offer summer employment opportunities in the local youth program?

(a) Yes, Local Boards are required to offer summer youth employment opportunities that link academic and occupational learning as part of the menu of services required in § 664.410(a).

(b) Summer youth employment must provide direct linkages to academic and occupational learning, and may provide other elements and strategies as appropriate to serve the needs and goals of the participants.

(c) Local Boards may determine how much of available youth funds will be used for summer and for year-round youth activities.

(d) The summer youth employment opportunities element is not intended to be a stand-alone program. Local programs should integrate a youth's participation in that element into a comprehensive strategy for addressing the youth's employment and training needs. Youths who participate in summer employment opportunities must be provided with a minimum of twelve months of followup services, as required in § 664.450. (WIA sec. 129(c)(2)(C).)

§ 664.610 How is the summer employment opportunities element administered?

Chief elected officials and Local Boards are responsible for ensuring that the local youth program provides summer employment opportunities to youth. The chief elected officials (which may include local government units operating as a consortium) are the grant recipients for local youth funds, unless another entity is chosen to be grant recipient or fiscal agent under WIA section 117(d)(3)(B). If, in the administration of the summer employment opportunities element of the local youth program, providers other than the grant recipient/fiscal agent,
Employment and Training Administration, Labor § 664.810

are used to provide summer youth employment opportunities, these providers must be selected by awarding a grant or contract on a competitive basis, based on the recommendation of the youth council and on criteria contained in the State Plan. However, the selection of employers who are providing unsubsidized employment opportunities may be excluded from the competitive process. (WIA sec. 129(c)(2)(C).)

§664.620 Do the core indicators described in 20 CFR 666.100(a)(3) apply to participation in summer employment activities?

Yes, the summer employment opportunities element is one of a number of activities authorized by the WIA youth program. WIA section 136(b)(2)(A)(i) and (B) provides specific core indicators of performance for youth, and requires that all participating youth be included in the determination of whether the local levels of performance are met. Program operators can help ensure positive outcomes for youth participants by providing them with continuity of services.

Subpart G—One-Stop Services to Youth

§664.700 What is the connection between the youth program and the One-Stop service delivery system?

(a) The chief elected official (or designee, under WIA section 117(d)(3)(B)), as the local grant recipient for the youth program is a required One-Stop partner and is subject to the requirements that apply to such partners, described in 20 CFR part 662.

(b) In addition to the provisions of 20 CFR part 662, connections between the youth program and the One-Stop system may include those that facilitate:

(1) The coordination and provision of youth activities;

(2) Linkages to the job market and employers;

(3) Access for eligible youth to the information and services required in §§664.400 and 664.410; and

(4) Other activities designed to achieve the purposes of the youth program and youth activities as described in WIA section 129(a). (WIA secs. 121(b)(1)(B)(i); 129.)

§664.710 Do Local Boards have the flexibility to offer services to area youth who are not eligible under the youth program through the One-Stop centers?

Yes, however, One-Stop services for non-eligible youth must be funded by programs that are authorized to provide services to such youth. For example, basic labor exchange services under the Wagner-Peyser Act may be provided to any youth.

Subpart H—Youth Opportunity Grants

§664.800 How are the recipients of Youth Opportunity Grants selected?

(a) Youth Opportunity Grants are awarded through a competitive selection process. The Secretary establishes appropriate application procedures, selection criteria, and an approval process for awarding Youth Opportunity Grants to applicants which can accomplish the purpose of the Act and use available funds in an effective manner in the Solicitation for Grant Applications announcing the competition.

(b) The Secretary distributes grants equitably among urban and rural areas by taking into consideration such factors as the following:

(1) The poverty rate in urban and rural communities;

(2) The number of people in poverty in urban and rural communities; and

(3) The quality of proposals received. (WIA sec.169(a) and (e).)

§664.810 How does a Local Board or other entity become eligible to receive a Youth Opportunity Grant?

(a) A Local Board is eligible to receive a Youth Opportunity Grant if it serves a community that:

(1) Has been designated as an empowerment zone (EZ) or enterprise community (EC) under section 1391 of the Internal Revenue Code of 1986;

(2) Is located in a State that does not have an EZ or an EC and that has been designated by its Governor as having a high poverty area; or

(3) Is one of two areas in a State that has been designated by the Governor as...
an area for which a local board may apply for a Youth Opportunity Grant, and that meets the poverty rate criteria in section 1392 (a)(4), (b), and (d) of the Internal Revenue Code of 1986.

(b) An entity other than a Local Board is eligible to receive a grant if that entity:

(1) Is a WIA Indian and Native American grant recipient under WIA section 166; and

(2) Serves a community that:

(i) Meets the poverty rate criteria in section 1392(a)(4), (b), and (d) of the Internal Revenue Code of 1986; and

(ii) Is located on an Indian reservation or serves Oklahoma Indians or Alaska Native villages or Native groups, as provided in WIA section 169 (d)(2)(B). (WIA sec. 169(c) and (d).)

§ 664.820 Who is eligible to receive services under Youth Opportunity Grants?

All individuals ages 14 through 21 who reside in the community identified in the grant are eligible to receive services under the grant. (WIA sec. 169(a).)

§ 664.830 How are performance measures for Youth Opportunity Grants determined?

(a) The Secretary negotiates performance measures, including appropriate performance levels for each indicator, with each selected grantee, based on information contained in the application.

(b) Performance indicators for the measures negotiated under Youth Opportunity Grants are the indicators of performance provided in WIA sections 136(b)(2)(A) and (B). (WIA sec. 169(f).)

PART 665—STATEWIDE WORKFORCE INVESTMENT ACT UNDER TITLE I OF THE WORKFORCE INVESTMENT ACT

Subpart A—General Description

§ 665.100 What are the Statewide workforce investment activities under title I of WIA?

Statewide workforce investment activities include Statewide employment and training activities for adults and dislocated workers, as described in WIA section 134(a), and Statewide youth activities, as described in WIA section 129(b). They include both required and allowable activities. In accordance with the requirements of this subpart, the State may develop policies and strategies for use of Statewide workforce investment funds. Descriptions of these policies and strategies must be included in the State Plan. (WIA secs. 129(b), 134(a).)

§ 665.110 How are Statewide workforce investment activities funded?

(a) Except for the Statewide rapid response activities described in paragraph (c) of this section, Statewide workforce investment activities are supported by funds reserved by the Governor under WIA section 128(a).

(b) Funds reserved by the Governor for Statewide workforce investment...
Employment and Training Administration, Labor  

§ 665.210  What are allowable Statewide workforce investment activities?

Allowable Statewide workforce investment activities include:

(a) State administration of the adult, dislocated worker and youth workforce investment activities, consistent with the five percent administrative cost limitation at 20 CFR 667.210(a)(1).

(b) Providing capacity building and technical assistance to local areas, including Local Boards, One-Stop operators, One-Stop partners, and eligible providers, which may include:

(1) Staff development and training; and

(2) The development of exemplary program activities.

(c) Conducting research and demonstrations.

(d) Establishing and implementing:
§ 665.220 Who is an “incumbent worker” for purposes of Statewide workforce investment activities?

States may establish policies and definitions to determine which workers, or groups of workers, are eligible for incumbent worker services under this subpart. An incumbent worker is an individual who is employed, but an incumbent worker does not necessarily have to meet the eligibility requirements for intensive and training services for employed adults and dislocated workers at 20 CFR 663.220(b) and 663.310. (WIA sec. 134(a)(2)(A).)

Subpart C—Rapid Response Activities

§ 665.300 What rapid response activities and who is responsible for providing them?

(a) Rapid response activities are described in §§ 665.310 through 665.330. They encompass the activities necessary to plan and deliver services to enable dislocated workers to transition to new employment as quickly as possible, following either a permanent closure or mass layoff, or a natural or other disaster resulting in a mass job dislocation.

(b) The State is responsible for providing rapid response activities. Rapid response is a required activity carried out in local areas by the State, or an entity designated by the State, in conjunction with the Local Board and chief elected officials. The State must establish methods by which to provide additional assistance to local areas that experience disasters, mass layoffs, plant closings, or other dislocation events when such events substantially increase the number of unemployed individuals.

(c) States must establish a rapid response dislocated worker unit to carry out Statewide rapid response activities. (WIA secs. 101(38), 112(b)(17)(A)(ii) and 134(a)(2)(A).)
Employment and Training Administration, Labor § 665.330

the employer, the affected workers and the local community. The committee may devise and oversee an implementation strategy that responds to the reemployment needs of the workers. The assistance to this committee may include:

(1) The provision of training and technical assistance to members of the committee;

(2) Funding the operating costs of a committee to enable it to provide advice and assistance in carrying out rapid response activities and in the design and delivery of WIA-authorized services to affected workers. Typically, such support will last no longer than six months; and

(3) Providing a list of potential candidates to serve as a neutral chairperson of the committee.

(d) The provision of emergency assistance adapted to the particular closing, layoff or disaster.

(e) The provision of assistance to the local board and chief elected official(s) to develop a coordinated response to the dislocation event and, as needed, obtain access to State economic development assistance. Such coordinated response may include the development of an application for National Emergency Grant under 20 CFR part 671. (WIA secs. 101(38) and 134(a)(2)(A).)

§ 665.320 May other activities be undertaken as part of rapid response?

Yes, a State or designated entity may provide rapid response activities in addition to the activities required to be provided under §665.310. In order to provide effective rapid response upon notification of a permanent closure or mass layoff, or a natural or other disaster resulting in a mass job dislocation, the State or designated entity may:

(a) In conjunction, with other appropriate Federal, State and Local agencies and officials, employer associations, technical councils or other industry business councils, and labor organizations:

(1) Develop prospective strategies for addressing dislocation events, that ensure rapid access to the broad range of allowable assistance;

(2) Identify strategies for the averted of layoffs; and

(3) Develop and maintain mechanisms for the regular exchange of information relating to potential dislocations, available adjustment assistance, and the effectiveness of rapid response strategies.

(b) In collaboration with the appropriate State agency(ies), collect and analyze information related to economic dislocations, including potential closings and layoffs, and all available resources in the State for dislocated workers in order to provide an adequate basis for effective program management, review and evaluation of rapid response and layoff aversion efforts in the State.

(c) Participate in capacity building activities, including providing information about innovative and successful strategies for serving dislocated workers, with local areas serving smaller layoffs.

(d) Assist in devising and overseeing strategies for:

(1) Layoff aversion, such as prefeasibility studies of avoiding a plant closure through an option for a company or group, including the workers, to purchase the plant or company and continue it in operation;

(2) Incumbent worker training, including employer loan programs for employee skill upgrading; and

(3) Linkages with economic development activities at the Federal, State and local levels, including Federal Department of Commerce programs and available State and local business retention and recruitment activities.

§ 665.330 Are the NAFTA-TAA program requirements for rapid response also required activities?

The Governor must ensure that rapid response activities under WIA are made available to workers who, under the NAFTA Implementation Act (Public Law 103–182), are members of a group of workers (including those in any agricultural firm or subdivision of an agricultural firm) for which the Governor has made a preliminary finding that:

(a) A significant number or proportion of the workers in such firm or an appropriate subdivision of the firm have become totally or partially separated, or are threatened to become totally or partially separated; and
§ 665.340
(b) Either:
(1) The sales or production, or both, of such firm or subdivision have decreased absolutely; and
(2) Imports from Mexico or Canada of articles like or directly competitive with those produced by such firm or subdivision have increased; or
(c) There has been a shift in production by such workers’ firm or subdivision to Mexico or Canada of articles which are produced by the firm or subdivision.

§ 665.340 What is meant by “provision of additional assistance” in WIA section 134(a)(2)(A)(ii)?

Up to 25 percent of dislocated worker funds may be reserved for rapid response activities. Once the State has reserved adequate funds for rapid response activities, such as those described in §§665.310 and 665.320, the remainder of the funds may be used by the State to provide funds to local areas, that experience increased numbers of unemployed individuals due to natural disasters, plant closings, mass layoffs or other events, for provision of direct services to participants (such as intensive, training, and other services) if there are not adequate local funds available to assist the dislocated workers.

Subpart A—State Measures of Performance

§ 666.100 What performance indicators must be included in a State’s plan?

(a) All States submitting a State Plan under WIA title I, subtitle B must propose expected levels of performance for each of the core indicators of performance for the adult, dislocated worker and youth programs, respectively and the two customer satisfaction indicators.

(1) For the Adult program, these indicators are:

(i) Entry into unsubsidized employment;
(ii) Retention in unsubsidized employment six months after entry into the employment;
(iii) Earnings received in unsubsidized employment six months after entry into the employment; and
(iv) Attainment of a recognized credential related to achievement of educational skills (such as a secondary school diploma or its recognized equivalent), or occupational skills, by participants who enter unsubsidized employment.

(2) For the Dislocated Worker program, these indicators are:
(i) Entry into unsubsidized employment;
(ii) Retention in unsubsidized employment six months after entry into the employment;
(iii) Earnings received in unsubsidized employment six months after entry into the employment; and
(iv) Attainment of a recognized credential related to achievement of educational skills (such as a secondary school diploma or its recognized equivalent), or occupational skills, by participants who enter unsubsidized employment.

(3) For the Youth program, these indicators are:
(i) For eligible youth aged 14 through 18:
   (A) Attainment of basic skills goals, and, as appropriate, work readiness or occupational skills goals, up to a maximum of three goals per year;
   (B) Attainment of secondary school diplomas and their recognized equivalents; and
   (C) Placement and retention in post-secondary education, advanced training, military service, employment, or qualified apprenticeships.
(ii) For eligible youth aged 19 through 21:
   (A) Entry into unsubsidized employment;
   (B) Retention in unsubsidized employment six months after entry into the employment;
   (C) Earnings received in unsubsidized employment six months after entry into the employment; and
   (D) Attainment of a recognized credential related to achievement of educational skills (such as a secondary school diploma or its recognized equivalent), or occupational skills, by participants who enter post-secondary education, advanced training, or unsubsidized employment.

(4) A single customer satisfaction measure for employers and a single customer satisfaction indicator for participants must be used for the WIA title I, subtitle B programs for adults, dislocated workers and youth. (WIA sec. 136(b)(2).)

(b) After consultation with the representatives identified in WIA sections 136(i) and 502(b), the Departments of Labor and Education will issue definitions for the performance indicators established under title I and title II of WIA. (WIA sec. 136 (b), (f) and (i).)

§666.110 May a Governor require additional indicators of performance?

Yes, Governors may develop additional indicators of performance for adults, youth and dislocated worker activities. These indicators must be included in the State Plan. (WIA sec. 136(b)(2)(C).)

§666.120 What are the procedures for negotiating annual levels of performance?

(a) We issue instructions on the specific information that must accompany the State Plan and that is used to review the State’s expected levels of performance. The instructions may require that levels of performance for years two and three be expressed as a percentage improvement over the immediately preceding year’s performance, consistent with the objective of continuous improvement.

(b) States must submit expected levels of performance for the required indicators for each of the first three program years covered by the Plan.

(c) The Secretary and the Governor must reach agreement on levels of performance for each core indicator and the customer satisfaction indicators. In negotiating these levels, the following must be taken into account:

(1) The expected levels of performance identified in the State Plan;

(2) The extent to which the levels of performance for each core indicator assist in achieving high customer satisfaction;
§ 666.130 Under what conditions may a State or DOL request revisions to the State negotiated levels of performance?

(a) The DOL guidelines describe when and under what circumstances a Governor may request revisions to negotiated levels. These circumstances include significant changes in economic conditions, participant characteristics, and the proposed service mix and strategies.

(b) The guidelines will establish the circumstances under which a State will be required to submit revisions under specified circumstances.

§ 666.140 Which individuals receiving services are included in the core indicators of performance?

(a)(1) The core indicators of performance apply to all individuals who are registered under 20 CFR 663.105 and 664.215 for the adult, dislocated worker and youth programs, except for those adults and dislocated workers who participate exclusively in self-service or informational activities. (WIA sec. 136(b)(3).)

(b) Self-service and informational activities are those core services that are made available and accessible to the general public, that are designed to inform and educate individuals about the labor market and their employment strengths, weaknesses, and the range of services appropriate to their situation, and do not require significant staff involvement with the individual in terms of resources or time.

§ 666.150 What responsibility do States have to use quarterly wage record information for performance accountability?

(a) States must, consistent with State laws, use quarterly wage record information in measuring the progress on State and local performance measures. In order to meet this requirement the use of social security numbers from
Employment and Training Administration, Labor

§ 666.220
registered participants and such other information as is necessary to measure the progress of those participants through quarterly wage record information is authorized.

(b) The State must include in the State Plan a description of the State’s performance accountability system, and a description of the State’s strategy for using quarterly wage record information to measure the progress on State and local performance measures. The description must identify the entities that may have access to quarterly wage record information for this purpose.

(c) “Quarterly wage record information” means information regarding wages paid to an individual, the social security account number (or numbers, if more than one) of the individual and the name, address, State, and (when known) the Federal employer identification number of the employer paying the wages to the individual. (WIA sec. 136(f)(2).)

Subpart B—Incentives and Sanctions for State Performance

§ 666.200 Under what circumstances is a State eligible for an Incentive Grant?
A State is eligible to apply for an Incentive Grant if its performance for the immediately preceding year exceeds:

(a) The State’s negotiated levels of performance for the required core indicators for the adult, dislocated worker and youth programs under title I of WIA as well as the customer satisfaction indicators for WIA title I programs;

(b) The adjusted levels of performance for title II Adult Education and Family Literacy programs; and

(c) The adjusted levels of performance under section 113 of the Carl D. Perkins Vocational and Technical Education Act (20 U.S.C. 2301 et seq.). (WIA sec. 503.)

§ 666.205 What are the time frames under which States submit performance progress reports and apply for incentive grants?
(a) State performance progress reports must be filed by the due date established in reporting instructions issued by the Department.

(b) Based upon the reports filed under paragraph (a) of this section, we will determine the amount of funds available, under WIA title I, to each eligible State for incentive grants, in accordance with the criteria of § 666.220. We will publish the award amounts for each eligible State, after consultation with the Secretary of Education, within ninety (90) days after the due date for performance progress reports established under paragraph (a) of this section.

(c) Within forty-five (45) days of the publication of award amounts under paragraph (b) of this section, States may apply for incentive grants in accordance with the requirements of § 666.220.

§ 666.210 How may Incentive Grant funds be used?
Incentive grant funds are awarded to States to carry out any one or more innovative programs under titles I or II of WIA or the Carl D. Perkins Vocational and Technical Education Act, regardless of which Act is the source of the incentive funds. (WIA sec. 503(a).)

§ 666.220 What information must be included in a State Board’s application for an Incentive Grant?
(a) After consultation with the Secretary of Education, we will issue instructions annually which will include the amount of funds available to be awarded for each State and provide instructions for submitting applications for an Incentive Grant.

(b) Each State desiring an incentive grant must submit to the Secretary an application, developed by the State Board, containing the following assurances:

(1) The State legislature was consulted regarding the development of the application.

(2) The application was approved by the Governor, the eligible agency (as defined in WIA section 203), and the State agency responsible for vocational and technical programs under the Carl D. Perkins Vocational and Technical Education Act.

(3) The State exceeded the State negotiated levels of performance for title
§ 666.230 How does the Department determine the amounts for Incentive Grant awards?

(a) We determine the total amount to be allocated from funds available under WIA section 174(b) for Incentive Grants taking into consideration such factors as:

(1) The availability of funds under section 174(b) for technical assistance, demonstration and pilot projects, evaluations, and Incentive Grants and the needs for these activities;

(2) The number of States that are eligible for Incentive Grants and their relative program formula allocations under title I;

(3) The availability of funds under WIA section 136(g)(2) resulting from funds withheld for poor performance by States; and

(4) The range of awards established in WIA section 503(c).

(b) We will publish the award amount for eligible States, after consultation with the Secretary of Education, within 90 days after the due date, established under §666.205(a), for the latest State performance progress report providing the annual information needed to determine State eligibility.

(c) In determining the amount available to an eligible State, the Secretary, with the Secretary of Education, may consider such factors as:

(1) The relative allocations of the eligible State compared to other States;

(2) The extent to which the negotiated levels of performance were exceeded;

(3) Performance improvement relative to previous years;

(4) Changes in economic conditions, participant characteristics and proposed service design since the negotiated levels of performance were agreed to;

(5) The eligible State’s relative performance for each of the indicators compared to other States; and

(6) The performance on those indicators considered most important in terms of accomplishing national goals established by each of the respective Secretaries.

§ 666.240 Under what circumstances may a sanction be applied to a State that fails to achieve negotiated levels of performance for title I?

(a) If a State fails to meet the negotiated levels of performance agreed to under §666.120 for core indicators of performance or customer satisfaction indicators for the adult, dislocated worker or youth programs under title I of WIA, the Secretary must, upon request, provide technical assistance, as authorized under WIA sections 136(g) and 170.

(b) If a State fails to meet the negotiated levels of performance for core indicators of performance or customer satisfaction indicators for the same program in two successive years, the amount of the succeeding year’s allocation for the applicable program may be reduced by up to five percent.

(c) The exact amount of any allocation reduction will be based upon the degree of failure to meet the negotiated levels of performance for core indicators. In making a determination of the amount, if any, of such a sanction, we may consider factors such as:

(1) The State’s performance relative to other States;

(2) Improvement efforts underway;

(3) Incremental improvement on the performance measures;

(4) Technical assistance previously provided;

(5) Changes in economic conditions and program design;

(6) The characteristics of participants served compared to the participant characteristics described in the State Plan; and

(7) Performance on other core indicators of performance and customer satisfaction indicators for that program. (WIA sec. 136(g).)

(d) Only performance that is less than 80 percent of the negotiated levels will be deemed to be a failure to achieve negotiated levels of performance.

(e) In accordance with 20 CFR 667.300(e), a State grant may be reduced for failure to submit an annual performance progress report.
(f) A State may request review of a sanction we impose in accordance with the provisions of 20 CFR 667.800.

Subpart C—Local Measures of Performance

§ 666.300 What performance indicators apply to local areas?

(a) Each local workforce investment area in a State is subject to the same core indicators of performance and the customer satisfaction indicators that apply to the State under § 666.100(a).

(b) In addition to the indicators described in paragraph (a) of this section, under § 666.110, the Governor may apply additional indicators of performance to local areas in the State. (WIA sec. 136(c)(1).)

§ 666.310 What levels of performance apply to the indicators of performance in local areas?

(a) The Local Board and the chief elected official must negotiate with the Governor and reach agreement on the local levels of performance for each indicator identified under § 666.300. The levels must be based on the State negotiated levels of performance established under § 666.120 and take into account the factors described in paragraph (b) of this section.

(b) In determining the appropriate local levels of performance, the Governor, Local Board and chief elected official must take into account specific economic, demographic and other characteristics of the populations to be served in the local area.

(c) The performance levels agreed to under paragraph (a) of this section must be incorporated in the local plan. (WIA secs. 118(b)(3) and 136(c).)

Subpart D—Incentives and Sanctions for Local Performance

§ 666.400 Under what circumstances are local areas eligible for State Incentive Grants?

(a) States must use a portion of the funds reserved for Statewide workforce investment activities under WIA sections 128(a) and 133(a)(1) to provide Incentive Grants to local areas for regional cooperation among local boards (including local boards for a designated region, as described in WIA section 116(c)), for local coordination of activities carried out under this Act, and for exemplary performance on the local performance measures established under subpart C of this part.

(b) The amount of funds used for Incentive Grants under paragraph (a) of this section and the criteria used for determining exemplary local performance levels to qualify for the incentive grants are determined by the Governor. (WIA sec. 134(a)(2)(B)(iii).)

§ 666.410 How may local incentive awards be used?

The local incentive grant funds may be used for any activities allowed under WIA title I–B.

§ 666.420 Under what circumstances may a sanction be applied to local areas for poor performance?

(a) If a local area fails to meet the levels of performance agreed to under § 666.310 for the core indicators of performance or customer satisfaction indicators for a program in any program year, technical assistance must be provided. The technical assistance must be provided by the Governor with funds reserved for Statewide workforce investment activities under WIA sections 128(a) and 133(a)(1), or, upon the Governor’s request, by the Secretary. The technical assistance may include the development of a performance improvement plan, a modified local plan, or other actions designed to assist the local area in improving performance.

(b) If a local area fails to meet the levels of performance agreed to under § 666.310 for the core indicators of performance or customer satisfaction indicators for a program for two consecutive program years, the Governor must take corrective actions. The corrective actions may include the development of a reorganization plan under which the Governor:

(1) Requires the appointment and certification of a new Local Board;

(2) Prohibits the use of particular service providers or One-Stop partners that have been identified as achieving poor levels of performance; or

(3) Requires other appropriate measures designed to improve the performance of the local area.
(c) A local area may appeal to the Governor to rescind or revise a reorganization plan imposed under paragraph (b) of this section not later than thirty (30) days after receiving notice of the plan. The Governor must make a final decision within 30 days after receipt of the appeal. The Governor’s final decision may be appealed by the Local Board to the Secretary under 20 CFR 667.650(b) not later than thirty (30) days after the local area receives the decision. The decision by the Governor to impose a reorganization plan becomes effective at the time it is issued, and remains effective unless the Secretary rescinds or revises the reorganization plan. Upon receipt of the appeal from the local area, the Secretary must make a final decision within thirty (30) days. (WIA sec. 136(h).)

§ 667.130 How are WIA title I formula funds allocated to local workforce investment areas?

(a) General. The Governor must allocate WIA formula funds allotted for services to youth, adults and dislocated workers in accordance with WIA sections 128 and 133, and this section.

(1) State Boards must assist Governors in the development of any discretionary within-State allocation formulas. (WIA sec. 111(d)(5).)

(2) Within-State allocations must be made:

(i) In accordance with the allocation formulas contained in WIA sections 128(b) and 133(b) and in the State workforce investment plan, and

(ii) After consultation with chief elected officials in each of the workforce investment areas.

(b) State reserve. (1) Of the WIA formula funds allotted for services to youth, adults and dislocated workers, the Governor must reserve funds from
Each of these sources for Statewide workforce investment activities. In making these reservations, the Governor may reserve up to fifteen (15) percent from each of these sources. Funds reserved under this paragraph may be combined and spent on Statewide employment and training activities, for adults and dislocated workers, and Statewide youth activities, as described in 20 CFR 665.200 and 665.210, without regard to the funding source of the reserved funds.

(2) The Governor must reserve a portion of the dislocated worker funds for Statewide rapid response activities, as described in WIA section 134(a)(2)(A) and 20 CFR 665.310 through 665.330. In making this reservation, the Governor may reserve up to twenty-five (25) percent of the dislocated worker funds.

(c) Youth allocation formula. (1) Unless the Governor elects to distribute funds in accordance with the discretionary allocation formula described in paragraph (c)(2) of this section, the remainder of youth funds not reserved under paragraph (b)(1) of this section must be allocated:

(i) 33 1⁄3 percent on the basis of the relative number of unemployed individuals in areas of substantial unemployment in each workforce investment area, compared to the total number of unemployed individuals in all areas of substantial unemployment in the State;

(ii) 33 1⁄3 percent on the basis of the relative excess number of unemployed individuals in each workforce investment area, compared to the total excess number of unemployed individuals in the State; and

(iii) 33 1⁄3 percent on the basis of the relative number of disadvantaged youth in each workforce investment area, compared to the total number of disadvantaged youth in the State. (WIA sec. 133(b)(2)(A)(1))

(2) Discretionary youth allocation formula. In lieu of making the formula allocation described in paragraph (c)(1) of this section, the State may allocate youth funds under a discretionary formula. Under that formula, the State must allocate a minimum of 70 percent of youth funds not reserved under paragraph (b)(1) of this section on the basis of the formula in paragraph (c)(1) of this section, and may allocate up to 30 percent on the basis of a formula that:

(i) Incorporates additional factors (other than the factors described in paragraph (c)(1) of this section) relating to:

(A) Excess youth poverty in urban, rural and suburban local areas; and

(B) Excess unemployment above the State average in urban, rural and suburban local areas; and

(ii) Was developed by the State Board and approved by the Secretary of Labor as part of the State workforce investment plan. (WIA sec. 128(b)(3).)

(d) Adult allocation formula. (1) Unless the Governor elects to distribute funds in accordance with the discretionary allocation formula described in paragraph (d)(2) of this section, the remainder of adult funds not reserved under paragraph (b)(1) of this section must be allocated:

(i) 33 1⁄3 percent on the basis of the relative number of unemployed individuals in areas of substantial unemployment in each workforce investment area, compared to the total number of unemployed individuals in areas of substantial unemployment in the State;

(ii) 33 1⁄3 percent on the basis of the relative excess number of unemployed individuals in each workforce investment area, compared to the total excess number of unemployed individuals in the State; and

(iii) 33 1⁄3 percent on the basis of the relative number of disadvantaged adults in each workforce investment area, compared to the total number of disadvantaged adults in the State. (WIA sec. 133(b)(2)(A)(1))

(2) Discretionary adult allocation formula. In lieu of making the formula allocation described in paragraph (d)(1) of this section, the State may allocate adult funds under a discretionary formula. Under that formula, the State must allocate a minimum of 70 percent of adult funds on the basis of the formula in paragraph (d)(1) of this section, and may allocate up to 30 percent on the basis of a formula that:

(i) Incorporates additional factors (other than the factors described in paragraph (d)(1) of this section) relating to:

(A) Excess poverty in urban, rural and suburban local areas; and
§ 667.140 Does a Local Board have the authority to transfer funds between programs?

(a) A Local Board may transfer up to 20 percent of a program year allocation for adult employment and training activities, and up to 20 percent of a program year allocation for dislocated worker funds.
§ 667.150 What reallocation procedures does the Secretary use?

(a) The first reallocation of funds among States will occur during PY 2001 based on obligations in PY 2000.

(b) The Secretary determines, during the first quarter of the program year, whether a State has obligated its required level of at least 80 percent of the funds allotted under WIA sections 127 and 132 for programs serving youth, adults, and dislocated workers for the prior year, as separately determined for each of the three funding streams. Unobligated balances are determined based on allotments adjusted for any allowable transfer between the adult and dislocated worker funding streams. The amount to be recaptured from each State for reallocation, if any, is based on State obligations of the funds allotted to each State under WIA sections 127 and 132 for programs serving youth, adults, or dislocated workers for the prior year as separately determined for each of the three funding streams.

(c) The Secretary reallocates youth, adult, and dislocated worker funds among eligible States in accordance with the provisions of WIA sections 127(c) and 132(c), respectively. To be eligible to receive a reallocation of youth, adult, or dislocated worker funds under the reallocation procedures, a State must have obligated at least 80 percent of the prior program year’s allotment, less any amount reserved (up to 10 percent) for the costs of administration. Unobligated balances must be determined based on allocations adjusted for any allowable transfer between funding streams. This amount, if any, must be separately determined for each funding stream.

(d) The term “obligation” is defined at 20 CFR 660.300. For purposes of this section, the Secretary will also treat as State obligations:

1. Amounts allocated by the State, under WIA sections 128(b) and 133(b), to the single State local area if the State has been designated as a single local area under WIA section 116(b) or to a balance of State local area administered by a unit of the State government, and

2. Inter-agency transfers and other actions treated by the State as encumbrances against amounts reserved by the State under WIA sections 128(a) and 133(a) for Statewide workforce investment activities.

§ 667.160 What reallocation procedures must the Governors use?

(a) The Governor may reallocate youth, adult, and dislocated worker funds among local areas within the State in accordance with the provisions of sections 128(c) and 133(c) of the Act. If the Governor chooses to reallocate funds, the provisions in paragraphs (b) and (c) of this section apply.

(b) For the youth, adult, and dislocated worker programs, the amount to be recaptured from each local area for purposes of reallocation, if any, must be based on the amount by which the prior year’s unobligated balance of allocated funds exceeds 20 percent of that year’s allocation for the program, less any amount reserved (up to 10 percent) for the costs of administration. Unobligated balances must be determined based on allocations adjusted for any allowable transfer between funding streams. This amount, if any, must be separately determined for each funding stream.

(c) To be eligible to receive youth, adult, or dislocated worker funds under the reallocation procedures, a local area must have obligated at least 80 percent of the prior program year’s allocation, less any amount reserved (up to 10 percent) for the costs of administration, for youth, adult, or dislocated worker activities, as separately determined. A local area’s eligibility to receive a reallocation must be separately determined for each funding stream.

§ 667.170 What responsibility review does the Department conduct for awards made under WIA title I, subtitle D?

(a) Before final selection as a potential grantee, we conduct a review of the
Employment and Training Administration, Labor § 667.200

available records to assess the organization’s overall responsibility to administer Federal funds. As part of this review, we may consider any information that has come to our attention and will consider the organization’s history with regard to the management of other grants, including DOL grants. The failure to meet any one responsibility test, except for those listed in paragraphs (a)(1) and (a)(2) of this section, does not establish that the organization is not responsible unless the failure is substantial or persistent (for two or more consecutive years). The responsibility tests include:

(1) The organization’s efforts to recover debts (for which three demand letters have been sent) established by final agency action have been unsuccessful, or that there has been failure to comply with an approved repayment plan;
(2) Established fraud or criminal activity of a significant nature within the organization.
(3) Serious administrative deficiencies that we identify, such as failure to maintain a financial management system as required by Federal regulations;
(4) Willful obstruction of the audit process;
(5) Failure to provide services to applicants as agreed to in a current or recent grant or to meet applicable performance standards;
(6) Failure to correct deficiencies brought to the grantee’s attention in writing as a result of monitoring activities, reviews, assessments, or other activities;
(7) Failure to return a grant closeout package or outstanding advances within 90 days of the grant expiration date or receipt of closeout package, whichever is later, unless an extension has been requested and granted; final billings reflecting serious cost category or total budget cost overrun;
(8) Failure to submit required reports;
(9) Failure to properly report and dispose of government property as instructed by DOL;
(10) Failure to have maintained effective cash management or cost controls resulting in excess cash on hand;
(11) Failure to ensure that a subrecipient complies with its OMB Circular A–133 audit requirements specified at §667.200(b);
(12) Failure to audit a subrecipient within the required period;
(13) Final disallowed costs in excess of five percent of the grant or contract award if, in the judgement of the grant officer, the disallowances are egregious findings and;
(14) Failure to establish a mechanism to resolve a subrecipient’s audit in a timely fashion.

(b) This responsibility review is independent of the competitive process. Applicants which are determined to be not responsible will not be selected as potential grantees irrespective of their standing in the competition.

Subpart B—Administrative Rules, Costs and Limitations

§ 667.200 What general fiscal and administrative rules apply to the use of WIA title I funds?

(a) Uniform fiscal and administrative requirements. (1) Except as provided in paragraphs (a)(3) through (6) of this section, State, local, and Indian tribal government organizations that receive grants or cooperative agreements under WIA title I must follow the common rule “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments” which is codified at 29 CFR part 97.
(2) Except as provided in paragraphs (a)(3) through (7) of this section, institutions of higher education, hospitals, other non-profit organizations, and commercial organizations must follow the common rule implementing OMB Circular A–110 which is codified at 29 CFR part 95.
(3) In addition to the requirements at 29 CFR 95.48 or 29 CFR 97.36(i) (as appropriate), all procurement contracts and other transactions between Local Boards and units of State or local governments must be conducted only on a cost reimbursement basis. No provision for profit is allowed. (WIA sec. 184(a)(3)(B).)
§ 667.200 20 CFR Ch. V (4–1–01 Edition)

(4) In addition to the requirements at 29 CFR 95.42 or 29 CFR 97.36(b)(3) (as appropriate), which address codes of conduct and conflict of interest issues related to employees:

(i) A State Board member or a Local Board member or a Youth Council member must neither cast a vote on, nor participate in any decision-making capacity, on the provision of services by such member (or any organization which that member directly represents), nor on any matter which would provide any direct financial benefit to that member or a member of his immediate family.

(ii) Neither membership on the State Board, the Local Board, the Youth Council nor the receipt of WIA funds to provide training and related services, by itself, violates these conflict of interest provisions.

(5) The addition method, described at 29 CFR 95.24 or 29 CFR 97.25(g)(2) (as appropriate), must be used for the all program income earned under WIA title I grants. When the cost of generating program income has been charged to the program, the gross amount earned must be added to the WIA program. However, the cost of generating program income must be subtracted from the amount earned to establish the net amount of program income available for use under the grants when these costs have not been charged to the WIA program.

(6) Any excess of revenue over costs incurred for services provided by a governmental or non-profit entity must be included in program income. (WIA sec. 195(7)(A) and (B).)

(7) Interest income earned on funds received under WIA title I must be included in program income. (WIA sec. 195(7)(B)(ii).)

(8) On a fee-for-service basis, employers may use local area services, facilities, or equipment funded under title I of WIA to provide employment and training activities to incumbent workers:

(i) When the services, facilities, or equipment are not being used by eligible participants;

(ii) If their use does not affect the ability of eligible participants to use the services, facilities, or equipment; and

(iii) If the income generated from such fees is used to carry out programs authorized under this title.

(b) Audit requirements. (1) All governmental and non-profit organizations must follow the audit requirements of OMB Circular A–133. These requirements are found at 29 CFR 97.26 for governmental organizations and at 29 CFR 95.26 for institutions of higher education, hospitals, and other non-profit organizations.

(2)(i) We are responsible for audits of commercial organizations which are direct recipients of Federal financial assistance under WIA title I.

(ii) Commercial organizations which are subrecipients under WIA title I and which expend more than the minimum level specified in OMB Circular A–133 ($300,000 as of August 11, 2000) must have either an organization-wide audit conducted in accordance with A–133 or a program specific financial and compliance audit.

(c) Allowable costs/cost principles. All recipients and subrecipients must follow the Federal allowable cost principles that apply to their kind of organizations. The DOL regulations at 29 CFR 95.27 and 29 CFR 97.22 identify the Federal principles for determining allowable costs which each kind of recipient and subrecipient must follow. The applicable Federal principles for each kind of recipient are described in paragraphs (c)(1) through (5) of this section; all recipients must comply with paragraphs (c)(6) and (c)(7) of this section. For those selected items of cost requiring prior approval, the authority to grant or deny approval is delegated to the Governor for programs funded under sections 127 or 132 of the Act.

(1) Allowable costs for State, local, and Indian tribal government organizations must be determined under OMB Circular A–87, “Cost Principles for State, Local and Indian Tribal Governments.”

(2) Allowable costs for non-profit organizations must be determined under OMB Circular A–122, “Cost Principles for Non-Profit Organizations.”

   (1) The review must include names under which the establishment does business, including predecessors and successors in interest; the name, title, and address of the company official certifying the information, and whether WIA assistance is sought in connection with past or impending job losses at other facilities, including a review of whether WARN notices relating to the employer have been filed.

(1) Any other individual is on layoff from the same or any substantially equivalent job;

(2) The employer has terminated the employment of any regular, unsubsidized employee or otherwise caused an involuntary reduction in its workforce with the intention of filling the vacancy so created with the WIA participant; or

§ 667.275 What are a recipient’s obligations to ensure nondiscrimination and equal opportunity, as well as nonparticipation in sectarian activities?

(a)(1) Recipients, as defined in 29 CFR 37.4, must comply with the nondiscrimination and equal opportunity provisions of WIA section 188 and its implementing regulations, codified at 29 CFR part 37. Under that definition, the term “recipients” includes State and Local Workforce Investment Boards, One-Stop operators, service providers, vendors, and subrecipients, as well as other types of individuals and entities.

(3) As described in §667.260(a), financial assistance provided under WIA title I may be used to meet a recipient’s obligation to provide physical and programmatic accessibility and reasonable accommodation/modification in regard to the WIA program, as required by section 504 of the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act of 1990, as amended, section 188 of WIA, and the regulations implementing these statutory provisions.

Subpart C—Reporting Requirements

§ 667.300 What are the reporting requirements for Workforce Investment Act programs?

(a) General. All States and other direct grant recipients must report financial, participant, and performance data in accordance with instructions issued by DOL. Required reports must be submitted no more frequently than quarterly within a time period specified in the reporting instructions.

(b) Subrecipient reporting. (1) A State or other direct grant recipient may impose different forms or formats, shorter due dates, and more frequent reporting requirements on subrecipients. However, the recipient is required to meet the reporting requirements imposed by DOL.

(2) If a State intends to impose different reporting requirements, it must describe those reporting requirements in its State WIA plan.

(c) Financial reports. (1) Each grant recipient must submit financial reports.

(2) Reports must include any income or profits earned, including such income or profits earned by subrecipients, and any costs incurred (such as stand-in costs) that are otherwise allowable except for funding limitations. (WIA sec. 185(f)(2))

(3) Reported expenditures and program income, including any profits earned, must be on the accrual basis of accounting and cumulative by fiscal year of appropriation. If the recipient’s accounting records are not normally kept on the accrual basis of accounting, the recipient must develop accrual information through an analysis of the documentation on hand.

(d) Due date. Financial reports and participant data reports are due no later than 45 days after the end of each quarter unless otherwise specified in reporting instructions. A final financial report is required 90 days after the expiration of a funding period or the termination of grant support.
(e) Annual performance progress report. An annual performance progress report for each of the three programs under title I, subpart B is required by WIA section 136(d).

(1) A State failing to submit any of these annual performance progress reports within 45 days of the due date may have its grant (for that program or all title I, subpart B programs) for the succeeding year reduced by as much as five percent, as provided by WIA section 136(g)(1)(B).

(2) States submitting annual performance progress reports that cannot be validated or verified as accurately counting and reporting activities in accordance with the reporting instructions, may be treated as failing to submit annual reports, and be subject to sanction. Sanctions related to State performance or failure to submit these reports timely cannot result in a total grant reduction of more than five percent. Any sanction would be in addition to having to repay the amount of any incentive funds granted based on the invalid report.

Subpart D—Oversight and Monitoring

§ 667.400 Who is responsible for oversight and monitoring of WIA title I grants?

(a) The Secretary is authorized to monitor all recipients and subrecipients of all grants awarded and funds expended under WIA title I to determine compliance with the Act and the WIA regulations, and may investigate any matter deemed necessary to determine such compliance. Federal oversight will be conducted primarily at the recipient level.

(b) In each fiscal year, we will also conduct in-depth reviews in several States, including financial and performance audits, to assure that funds are spent in accordance with the Act. Priority for such in-depth reviews will be given to States not meeting annual adjusted levels of performance.

(c)(1) Each recipient and subrecipient must continuously monitor grant-supported activities in accordance with the uniform administrative requirements at 29 CFR parts 95 and 97, as applicable, including the applicable cost principles indicated at 29 CFR 97.22(b) or 29 CFR 95.27, for all entities receiving WIA title I funds. For governmental units, the applicable requirements are at 29 CFR part 97. For nonprofit organizations, the applicable requirements are at 29 CFR part 95.

(2) In the case of grants under WIA sections 127 and 132, the Governor must develop a State monitoring system that meets the requirements of § 667.410(b). The Governor must monitor Local Boards annually for compliance with applicable laws and regulations in accordance with the State monitoring system. Monitoring must include an annual review of each local area’s compliance with the uniform administrative requirements.

§ 667.410 What are the oversight roles and responsibilities of recipients and subrecipients?

(a) Roles and responsibilities for all recipients and subrecipients of funds under WIA title I in general. Each recipient and subrecipient must conduct regular oversight and monitoring of its WIA activities and those of its subrecipients and contractors in order to:

(1) Determine that expenditures have been made against the cost categories and within the cost limitations specified in the Act and the regulations in this part;

(2) Determine whether or not there is compliance with other provisions of the Act and the WIA regulations and other applicable laws and regulations; and

(3) Provide technical assistance as necessary and appropriate.

(b) State roles and responsibilities for grants under WIA sections 127 and 132. (1) The Governor is responsible for the development of the State monitoring system. The Governor must be able to demonstrate, through a monitoring plan or otherwise, that the State monitoring system meets the requirements of paragraph (b)(2) of this section.

(2) The State monitoring system must:

(i) Provide for annual on-site monitoring reviews of local areas’ compliance with DOL uniform administrative requirements, as required by WIA section 184(a)(4);
(i) Ensure that established policies to achieve program quality and outcomes meet the objectives of the Act and the WIA regulations, including policies relating to: the provision of services by One-Stop Centers; eligible providers of training services; and eligible providers of youth activities;

(ii) Enable the Governor to determine if subrecipients and contractors have demonstrated substantial compliance with WIA requirements; and

(iii) Enable the Governor to determine whether a local plan will be disapproved for failure to make acceptable progress in addressing deficiencies, as required in WIA section 118(d)(1).

(v) Enable the Governor to ensure compliance with the nondiscrimination and equal opportunity requirements of WIA section 188 and 29 CFR part 37. Requirements for these aspects of the monitoring system are set forth in 29 CFR 37.54(d)(2)(ii).

(3) The State must conduct an annual on-site monitoring review of each local area’s compliance with DOL uniform administrative requirements, including the appropriate administrative requirements for subrecipients and the applicable cost principles indicated at §667.200 for all entities receiving WIA title I funds.

(4) The Governor must require that prompt corrective action be taken if any substantial violation of standards identified in paragraphs (b) (2) or (3) of this section is found. (WIA sec. 184(a)(5).)

(5) The Governor must impose the sanctions provided in WIA section 184 (b) and (c) in the event of a subrecipient’s failure to take required corrective action required under paragraph (b)(4) of this section.

(6) The Governor may issue additional requirements and instructions to subrecipients on monitoring activities.

(7) The Governor must certify to the Secretary every two years that:

(i) The State has implemented uniform administrative requirements;

(ii) The State has monitored local areas to ensure compliance with uniform administrative requirements; and

(iii) The State has taken appropriate corrective action to secure such compliance. (WIA sec. 184(a)(6)(A), (B), and (C).)

Subpart E—Resolution of Findings From Monitoring and Oversight Reviews

§667.500 What procedures apply to the resolution of findings arising from audits, investigations, monitoring and oversight reviews?

(a) Resolution of subrecipient-level findings. (1) The Governor is responsible for resolving findings that arise from the State’s monitoring reviews, investigations and audits (including OMB Circular A–133 audits) of subrecipients.

(2) A State must utilize the audit resolution, debt collection and appeal procedures that it uses for other Federal grant programs.

(3) If a State does not have such procedures, it must prescribe standards and procedures to be used for this grant program.

(b) Resolution of State and other direct recipient level findings. (1) The Secretary is responsible for resolving findings that arise from Federal audits, monitoring reviews, investigations, incident reports, and recipient level OMB Circular A–133 audits.

(2) The Secretary uses the DOL audit resolution process, consistent with the Single Audit Act of 1996 and OMB Circular A–133, and Grant Officer Resolution provisions of §667.510, as appropriate.

(3) A final determination issued by a Grant Officer under this process may be appealed to the DOL Office of Administrative Law Judges under the procedures at §667.800.

(c) Resolution of nondiscrimination findings. Findings arising from investigations or reviews conducted under nondiscrimination laws will be resolved in accordance with WIA section 188 and the Department of Labor nondiscrimination regulations implementing WIA section 188, codified at 29 CFR part 37.

§667.505 How do we resolve investigative and monitoring findings?

(a) As a result of an investigation, on-site visit or other monitoring, we notify the recipient of the findings of
Employment and Training Administration, Labor § 667.510

the investigation and gives the recipient a period of time (not more than 60 days) to comment and to take appropriate corrective actions.

(b) The Grant Officer reviews the complete file of the investigation or monitoring report and the recipient’s actions under paragraph (a) of this section. The Grant Officer’s review takes into account the sanction provisions of WIA section 184(b) and (c). If the Grant Officer agrees with the recipient’s handling of the situation, the Grant Officer so notifies the recipient. This notification constitutes final agency action.

(c) If the Grant Officer disagrees with the recipient’s handling of the matter, the Grant Officer proceeds under § 667.510.

§ 667.510 What is the Grant Officer resolution process?

(a) General. When the Grant Officer is dissatisfied with the State’s disposition of an audit or other resolution of violations (including those arising out of incident reports or compliance reviews), or with the recipient’s response to findings resulting from investigations or monitoring report, the initial and final determination process, set forth in this section, is used to resolve the matter.

(b) Initial determination. The Grant Officer makes an initial determination on the findings for both those matters where there is agreement and those where there is disagreement with the recipient’s resolution, including the allowability of questioned costs or activities. This initial determination is based upon the requirements of the Act and regulations, and the terms and conditions of the grants, contracts, or other agreements under the Act.

(c) Informal resolution. Except in an emergency situation, when the Secretary invokes the authority described in WIA section 184(e), the Grant Officer may not revoke a recipient’s grant in whole or in part, nor institute corrective actions or sanctions, without first providing the recipient with an opportunity to present documentation or arguments to resolve informally those matters in controversy contained in the initial determination. The initial determination must provide for an informal resolution period of at least 60 days from issuance of the initial determination. If the matters are resolved informally, the Grant Officer must issue a final determination under paragraph (d) of this section which notifies the parties in writing of the nature of the resolution and may close the file.

(d) Grant Officer’s final determination.

(1) If the matter is not fully resolved informally, the Grant Officer provides each party with a written final determination by certified mail, return receipt requested. For audits of recipient-level entities and other recipients which receive WIA funds directly from DOL, ordinarily, the final determination is issued not later than 180 days from the date that the Office of Inspector General (OIG) issues the final approved audit report to the Employment and Training Administration. For audits of subrecipients conducted by the OIG, ordinarily the final determination is issued not later than 360 days from the date the OIG issues the final approved audit report to ETA.

(2) A final determination under this paragraph (d) must:

(i) Indicate whether efforts to informally resolve matters contained in the initial determination have been unsuccessful;

(ii) List those matters upon which the parties continue to disagree;

(iii) List any modifications to the factual findings and conclusions set forth in the initial determination and the rationale for such modifications;

(iv) Establish a debt, if appropriate;

(v) Require corrective action, when needed;

(vi) Determine liability, method of restitution of funds and sanctions; and

(vii) Offer an opportunity for a hearing in accordance with § 667.800 of this part.

(3) Unless a hearing is requested, a final determination under this paragraph (d) is final agency action and is not subject to further review.

(e) Nothing in this subpart precludes the Grant Officer from issuing an initial determination and/or final determination directly to a subrecipient, in accordance with section 184(d)(3) of the Act. In such a case, the Grant Officer will inform the recipient of this action.
§ 667.600 What local area, State and direct recipient grievance procedures must be established?

(a) Each local area, State and direct recipient of funds under title I of WIA, except for Job Corps, must establish and maintain a procedure for grievances and complaints according to the requirements of this section. The grievance procedure requirements applicable to Job Corps are set forth at 20 CFR 670.990.

(b) Each local area, State, and direct recipient must:

(1) Provide information about the content of the grievance and complaint procedures required by this section to participants and other interested parties affected by the local Workforce Investment System, including One-Stop partners and service providers;

(2) Require that every entity to which it awards Title I funds must provide the information referred to in paragraph (b)(1) of this section to participants receiving Title I-funded services from such entities; and

(3) Must make reasonable efforts to assure that the information referred to in paragraph (b)(1) of this section will be understood by affected participants and other individuals, including youth and those who are limited-English speaking individuals. Such efforts must comply with the language requirements of 29 CFR 37.35 regarding the provision of services and information in languages other than English.

(c) Local area procedures must provide:

(1) A process for dealing with grievances and complaints from participants and other interested parties affected by the local Workforce Investment System, including One-Stop partners and service providers;

(2) An opportunity for an informal resolution and a hearing to be completed within 60 days of the filing of the grievance or complaint;

(3) A process which allows an individual alleging a labor standards violation to submit the grievance to a binding arbitration procedure, if a collective bargaining agreement covering the parties to the grievance so provides; and

(4) An opportunity for a local level appeal to a State entity when:

(i) No decision is reached within 60 days; or

(ii) Either party is dissatisfied with the local hearing decision.

(d) State procedures must provide:

(1) A process for dealing with grievances and complaints from participants and other interested parties affected by the Statewide Workforce Investment programs;

(2) A process for resolving appeals made under paragraph (c)(4) of this section;

(3) A process for remanding grievances and complaints related to the local Workforce Investment Act programs to the local area grievance process; and

(4) An opportunity for an informal resolution and a hearing to be completed within 60 days of the filing of the grievance or complaint.

(e) Procedures of direct recipients must provide:

(1) A process for dealing with grievances and complaints from participants and other interested parties affected by the recipient’s Workforce Investment Act programs; and

(3) If the appeal to the State Board does not result in designation, the appellant may request review by the Secretary under § 667.645.

(4) If the Secretary determines that the appellant was not accorded procedural rights under the appeal process established in paragraph (a)(1) of this section, or that the area meets the requirements for designation at WIA section 116(a)(2) or 116(a)(3), the Secretary may require that the area be designated as a workforce investment area.

§ 667.650 What procedures apply to the appeals of the Governor’s imposition of sanctions for substantial violations or performance failures by a local area?

(a) A local area which has been found in substantial violation of WIA title I, and has received notice from the Governor that either all or part of the local plan will be revoked or that a reorganization will occur, may appeal such sanctions to the Secretary under WIA section 184(b). (a)(1) Except for actions under WIA section 188(a) or 29 CFR part 37 (relating to nondiscrimination requirements), the Grant Officer uses the initial and final determination procedures outlined in §667.510 to impose a sanction or corrective action.

(b) To impose a sanction or corrective action for a violation of WIA section 188(a) or 29 CFR part 37, the Department will use the procedures set forth in that regulatory part.

(c) To impose a sanction or corrective action for noncompliance with the uniform administrative requirements set forth at section 184(a)(3) of WIA, and §667.200(a), when the Grant Officer determines that the Governor has not taken corrective action to remedy the violation as required by WIA section 184(a)(5), the Grant Officer, under the authority of WIA section 184(a)(7) and §667.710(c), must require the Governor to impose any of the corrective actions set forth at WIA section 184(b)(1). If the Governor fails to impose the corrective actions required by the Grant Officer, the Secretary may immediately suspend or terminate financial assistance in accordance with WIA section 184(e).

(b) The political jurisdiction(s) of the chief elected official(s) in a local workforce investment area is liable for any misuse of the WIA grant funds allocated to the local area under WIA sections 128 and 133, unless the chief elected official(s) reaches an agreement with the Governor to bear such liability.

(c) When a local workforce area is composed of more than one unit of general local government, the liability of the individual jurisdictions must be specified in a written agreement between the chief elected officials.

§ 667.710 What actions are required to address the failure of a local area to comply with the applicable uniform administrative provisions?

(a) If, as part of the annual on-site monitoring of local areas, the Governor determines that a local area is not in compliance with the uniform administrative requirements found at 29 CFR part 95 or part 97, as appropriate, the Governor must:

(1) Require corrective action to secure prompt compliance; and

(2) Impose the sanctions provided for at section 184(b) if the Governor finds that the local area has failed to take timely corrective action.

(b) An action by the recipient to impose a sanction against a local area, in accordance with this section, may be appealed to the Secretary in accordance with §667.650, and will not become effective until:

§ 667.720 How do we handle a recipient's request for waiver of liability under WIA section 184(d)(2)?

(a) A recipient may request a waiver of liability, as described in WIA section 184(d)(2), and a Grant Officer may approve such a waiver under WIA section 184(d)(3).

(b)(1) When the debt for which a waiver of liability is desired was established in a non-Federal resolution proceeding, the resolution report must accompany the waiver request.

(2) When the waiver request is made during the ETA Grant Officer resolution process, the request must be made during the informal resolution period described in §667.510(c).

(c) A waiver of the recipient's liability shall be considered by the Grant Officer only when:

(1) The misexpenditure of WIA funds occurred at a subrecipient's level;

(2) The misexpenditure was not due to willful disregard of the requirements of title I of the Act, gross negligence, failure to observe accepted standards of administration, or did not constitute fraud;

(3) If fraud did exist, it was perpetrated against the recipient/subrecipients; and

(ii) The recipient/subrecipients discovered, investigated, reported, and cooperated in any prosecution of the perpetrator of the fraud; and

(iii) After aggressive debt collection action, it has been documented that further attempts at debt collection from the perpetrator of the fraud would be inappropriate or futile;

(4) The recipient has issued a final determination which disallows the misexpenditure, the recipient's appeal process has been exhausted, and a debt has been established; and

(5) The recipient requests such a waiver and provides documentation to demonstrate that it has substantially complied with the requirements of section 184(d)(2) of the Act, and this section.

(d) The recipient will not be released from liability for misspent funds under the determination required by section 184(d) of the Act unless the Grant Officer determines that further collection action, either by the recipient or subrecipients, would be inappropriate or would prove futile.

§ 667.730 What is the procedure to handle a recipient's request for advance approval of contemplated corrective actions?

(a) The recipient may request advance approval from the Grant Officer for contemplated corrective actions, including debt collection actions, which the recipient plans to initiate or to forego. The recipient's request must include a description and an assessment of all actions taken by the subrecipients to collect the misspent funds.

(b) Based on the recipient's request, the Grant Officer may determine that the recipient may forego certain collection actions against a subrecipient when:

(1) The subrecipient meets the criteria set forth in section 184(d)(2) of the Act;

§ 667.800 What actions of the Department may be appealed to the Office of Administrative Law Judges?

(a) An applicant for financial assistance under title I of WIA which is dissatisfied because we have issued a determination not to award financial assistance, in whole or in part, to such applicant; or a recipient, subrecipient, or a vendor against which the Grant Officer has directly imposed a sanction or corrective action, including a sanction against a State under 20 CFR part 666, may appeal to the U.S. Department of Labor, Office of Administrative Law Judges (OALJ) within 21 days of receipt of the final determination.

(b) Failure to request a hearing within 21 days of receipt of the final determination constitutes a waiver of the right to a hearing.

(c) A request for a hearing under this subpart must state specifically those issues in the final determination upon which review is requested. Those provisions of the final determination not specified for review, or the entire final determination when no hearing has been requested within the 21 days, are considered resolved and not subject to further review. Only alleged violations of the Act, its regulations, grant or other agreement under the Act fairly raised in the determination, and the request for hearing are subject to review.

(d) A request for a hearing must be transmitted by certified mail, return receipt requested, to the Chief Administrative Law Judge, U.S. Department of Labor, Office of Administrative Law Judges, U.S. Department of Labor, Suite 400, 800 K Street, NW., Washington, DC 20001, with one copy to the Departmental official who issued the determination.

(e) The procedures in this subpart apply in the case of a complainant who has not had a dispute adjudicated under the alternative dispute resolution process set forth in §667.840 within 60 days, except that the request for hearing before the OALJ must be filed within 15 days of the conclusion of the 60-day period provided in §667.840. In
addition to including the final determination upon which review is requested, the complainant must include a copy of any Stipulation of Facts and a brief summary of proceedings.

§ 667.810 What rules of procedure apply to hearings conducted under this subpart?

(a) Rules of practice and procedure. The rules of practice and procedure promulgated by the OALJ at subpart A of 29 CFR part 18, govern the conduct of hearings under this subpart. However, a request for hearing under this subpart is not considered a complaint to which the filing of an answer by DOL or a DOL agency or official is required. Technical rules of evidence will not apply to hearings conducted pursuant to this part. However, rules or principles designed to assure production of the most credible evidence available and to subject testimony to cross-examination will apply.

(b) Prehearing procedures. In all cases, the Administrative Law Judge (ALJ) should encourage the use of prehearing procedures to simplify and clarify facts and issues.

(c) Subpoenas. Subpoenas necessary to secure the attendance of witnesses and the production of documents or other items at hearings must be obtained from the ALJ and must be issued under the authority contained in section 183(c) of the Act, incorporating 15 U.S.C. 49.

(d) Timely submission of evidence. The ALJ must not permit the introduction at the hearing of any documentation if it has not been made available for review by the other parties to the proceeding either at the time ordered for any prehearing conference, or, in the absence of such an order, at least 3 weeks prior to the hearing date.

(e) Burden of production. The Grant Officer has the burden of production to support her or his decision. To this end, the Grant Officer prepares and files an administrative file in support of the decision which must be made part of the record. Thereafter, the party or parties seeking to overturn the Grant Officer’s decision has the burden of persuasion.

20 CFR Ch. V (4–1–01 Edition)

§ 667.820 What authority does the Administrative Law Judge have in ordering relief as an outcome of an administrative hearing?

In ordering relief, the ALJ has the full authority of the Secretary under the Act.

§ 667.825 What special rules apply to reviews of NFJP and WIA INA grant selections?

(a) An applicant whose application for funding as a WIA INA grantee under 20 CFR part 668 or as an NFJP grantee under 20 CFR part 669 is denied in whole or in part may request an administrative review under § 667.800(a) with to determine whether there is a basis in the record to support the decision. This appeal will not in any way interfere with the designation and funding of another organization to serve the area in question during the appeal period. The available remedy in such an appeal is the right to be designated in the future as the WIA INA or NFJP grantee for the remainder of the current grant cycle. Neither retroactive nor immediately effective selection status may be awarded as relief in a non-selection appeal under this section.

(b) If the ALJ rules that the organization should have been selected and the organization continues to meet the requirements of 20 CFR part 668 or part 669, we will select and fund the organization within 90 days of the ALJ’s decision unless the end of the 90-day period is within six (6) months of the end of the funding period. An applicant so selected is not entitled to the full grant amount, but will only receive the funds remaining in the grant that have not been expended by the current grantee through its operation of the grant and its subsequent closeout.

(c) Any organization selected and/or funded as a WIA INA or NFJP grantee is subject to being removed as grantee in the event an ALJ decision so orders. The Grant Officer provides instructions on transition and close-out to a grantee which is removed. All parties must agree to the provisions of this paragraph as a condition for WIA INA or NFJP funding.

(d) A successful appellant which has not been awarded relief because of the
§ 667.830 When will the Administrative Law Judge issue a decision?

(a) The ALJ should render a written decision not later than 90 days after the closing of the record.

(b) The decision of the ALJ constitutes final agency action unless, within 20 days of the decision, a party dissatisfied with the ALJ’s decision has filed a petition for review with the Administrative Review Board (ARB) (established under Secretary’s Order No. 2–96), specifically identifying the procedure, fact, law or policy to which exception is taken. Any exception not specifically urged is deemed to have been waived. A copy of the petition for review must be sent to the opposing party at that time. Thereafter, the decision of the ALJ constitutes final agency action unless the ARB, within 30 days of the filing of the petition for review, notifies the parties that the case has been accepted for review. Any case accepted by the ARB must be decided within 180 days of acceptance. If not so decided, the decision of the ALJ constitutes final agency action.

§ 667.840 Is there an alternative dispute resolution process that may be used in place of an OALJ hearing?

(a) Parties to a complaint which has been filed according to the requirements of §667.800 may choose to waive their rights to an administrative hearing before the OALJ. Instead, they may choose to transfer the settlement of their dispute to an individual acceptable to all parties who will conduct an informal review of the stipulated facts and render a decision in accordance with applicable law. A written decision must be issued within 60 days after submission of the matter for informal review.

(b) The waiver of the right to request a hearing before the OALJ will automatically be revoked if a settlement has not been reached or a decision has not been issued within the 60 days provided in paragraph (a) of this section.

(c) The decision rendered under this informal review process will be treated as a final decision of an Administrative Law Judge under section 186(b) of the Act.

§ 667.850 Is there judicial review of a final order of the Secretary issued under section 186 of the Act?

(a) Any party to a proceeding which resulted in a Secretary’s final order under section 186 of the Act may obtain a review in the United States Court of Appeals having jurisdiction over the applicant or recipient of funds involved, by filing a review petition within 30 days of the issuance of the Secretary’s final order.

(b) The court has jurisdiction to make and enter a decree affirming, modifying, or setting aside the order of the Secretary, in whole or in part.

(c) No objection to the Secretary’s order may be considered by the court unless the objection was specifically urged, in a timely manner, before the Secretary. The review is limited to questions of law, and the findings of fact of the Secretary are conclusive if supported by substantial evidence.

(d) The judgment of the court is final, subject to certiorari review by the United States Supreme Court.

§ 667.860 Are there other remedies available outside of the Act?

Nothing contained in this subpart prejudices the separate exercise of other legal rights in pursuit of remedies and sanctions available outside the Act.

Subpart I—Transition Planning

§ 667.900 What special rules apply during the JTPA/WIA transition?

(a)(1) To facilitate planning for the implementation of WIA, a Governor may reserve an amount equal to no more than 2 percent of the total amount of JTPA formula funds allotted to the State for fiscal years 1998 and 1999 for expenditure on transition planning activities. The funds may be from any one or more of the JTPA titles and subparts, that is, funds do not have to be drawn proportionately from
all titles and subparts. The Governor must report the expenditure of these funds for transition planning separately in accordance with instructions we issued, but the expenditure is not required to be allocated to the various titles and subparts;

(2) These reserved transition funds may be excluded from any calculation of compliance with JTPA cost limitations.

(b) Not less than 50 percent of the funds reserved by the Governor in paragraph (a) of this section must be made available to local entities.

(c) We will issue such other transition guidance as is necessary and appropriate.

§ 667.910 Are JTPA participants to be grandfathered into WIA?

Yes, all JTPA participants who are enrolled in JTPA must be grandfathered into WIA. These participants can complete the JTPA services specified in their individual service strategy, even if that service strategy is not allowable under WIA, or if the participant is not eligible to receive these services under WIA.
§ 668.100 What is the purpose of the programs established to serve Native American peoples (INA programs) under section 166 of the Workforce Investment Act?

(a) The purpose of WIA INA programs is to support comprehensive employment and training activities for Indian, Alaska Native and Native Hawaiian individuals in order to:

1. Develop more fully their academic, occupational, and literacy skills;
2. Make them more competitive in the workforce;
3. Promote the economic and social development of Indian, Alaska Native, and Native Hawaiian communities according to the goals and values of such communities; and

(b) The principal means of accomplishing these purposes is to enable tribes and Native American organizations to provide employment and training services to Native American peoples and their communities. Services should be provided in a culturally appropriate manner, consistent with the principles of Indian self-determination. (WIA sec. 166(a)(1).)
§ 668.120 How must INA programs be administered?

(a) We will administer INA programs to maximize the Federal commitment to support the growth and development of Native American people and communities as determined by representatives of such communities.

(b) In administering these programs, we will observe the Congressional declaration of policy set forth in the Indian Self-Determination and Education Assistance Act, at 25 U.S.C. section 450a, as well as the Department of Labor’s “American Indian and Alaska Native Policy,” dated July 29, 1998.

(c) The regulations in this part are not intended to abrogate the trust responsibilities of the Federal Government to Native American bands, tribes, or groups in any way.

(d) We will administer INA programs through a single organizational unit and consistent with the requirements in section 166(h) of the Act. We have designated the Division of Indian and Native American Programs (DINAP) within the Employment and Training Administration (ETA) as this single organizational unit required by WIA section 166(h)(1).

(e) We will establish and maintain administrative procedures for the selection, administration, monitoring, and evaluation of Native American employment and training programs authorized under this Act. We will utilize staff who have a particular competence in this field to administer these programs. (WIA sec. 166(h).)

§ 668.140 What WIA regulations apply to the INA program?

(a) The regulations found in this subpart.

(b) The general administrative requirements found in 20 CFR part 667, including the regulations concerning Complaints, Investigations and Hearings found at 20 CFR part 667, subpart E through subpart H.

(c) The Department’s regulations codifying the common rules implementing Office of Management and Budget (OMB) Circulars which generally apply to Federal programs carried out by Indian tribal governments and nonprofit organizations, at 29 CFR parts 95, 96, 97, and 99 as applicable.

(d) The Department’s regulations at 29 CFR part 37, which implement the nondiscrimination provisions of WIA section 188, apply to recipients of financial assistance under WIA section 166.

§ 668.150 What definitions apply to terms used in the regulations in this part?

§668.210 What priority for designation is given to eligible organizations?

(a) Federally-recognized Indian tribes, Alaska Native entities, or consortia that include a tribe or entity will have the highest priority for designation. To be designated, the organizations must meet the requirements in this subpart. These organizations will be designated for those geographic areas and/or populations over which they have legal jurisdiction. (WIA sec. 166(c)(1).)

(b) If we decide not to designate Indian tribes or Alaska Native entities to serve their service areas, we will enter into arrangements to provide services with entities which the tribes or Alaska Native entities involved approve.

(c) In geographic areas not served by Indian tribes or Alaska Native entities,
§ 668.220 What is meant by the "ability to administer funds" for designation purposes?

An organization has the "ability to administer funds" if it:

(a) Is in compliance with Departmental debt management procedures, if applicable;

(b) Has not been found guilty of fraud or criminal activity which would affect the entity's ability to safeguard Federal funds or deliver program services;

(c) Can demonstrate that it has or can acquire the necessary program and financial management personnel to safeguard Federal funds and effectively deliver program services; and

(d) Can demonstrate that it has successfully carried out, or has the capacity to successfully carry out activities that will strengthen the ability of the individuals served to obtain or retain unsubsidized employment.

§ 668.230 How will we determine an entity's "ability to administer funds"?

(a) Before determining which entity to designate for a particular service area, we will conduct a review of the entity's ability to administer funds.

(b) The review for an entity that has served as a grantee in either of the two designation periods before the one under consideration, also will consider the extent of compliance with the WIA regulations or the JTPA regulations at 20 CFR part 632. Evidence of the ability to administer funds may be established by a satisfactory Federal audit record. It may also be established by a recent record showing substantial compliance with Federal record keeping, reporting, program performance standards, or similar standards imposed on grantees by this or other public sector supported programs.

(c) For other entities, the review includes the experience of the entity's management in administering funds for services to Native American people. This review also includes an assessment of the relationship between the entity and the Native American community or communities to be served.

§ 668.240 What is the process for applying for designation as an INA grantee?

(a) Every entity seeking designation must submit a Notice of Intent (NOI) which complies with the requirements of the Solicitation for Grant Application (SGA). An SGA will be issued every two years, covering all areas except for those for which competition is waived for the incumbent grantee under WIA section 166(c)(2).

(b) NOI's must be submitted to the Chief of DINAP, bearing a U.S. Postal Service postmark indicating its submission no later than October 1st of the year which precedes the first year of a new designation cycle (unless the SGA provides a later date). For NOI's received after October 1, only a timely official U.S. Postal Service postmark is acceptable as proof of timely submission. Dates indicating submission by private express delivery services or metered mail are unacceptable as proof of the timely submission of designation documents.

(c) NOI's must include the following:

(1) Documentation of the legal status of the entity, as described in §668.200(a)(1);

(2) A Standard Form (SF) 424b;

(3) The assurances required by 29 CFR 37.20;

(4) A specific description, by State, county, reservation or similar area, or service population, of the geographic area for which the entity requests designation;

(5) A brief summary of the employment and training or human resource development programs serving Native Americans that the entity currently operates or has operated within the previous two-year period;

(6) A description of the planning process used by the entity, including the involvement of the governing body and local employers;

(7) Evidence to establish an entity's ability to administer funds under §§668.220 through 668.230.
§ 668.250 What happens if two or more entities apply for the same area?

(a) Every two years, unless there has been a waiver of competition for the area, we issue a Solicitation for Grant Application (SGA) seeking applicants for INA program grants.

(b) If two or more entities apply for grants for the same service area, or for overlapping service areas, and a waiver of competition under WIA section 166(c)(2) is not granted to the incumbent grantee, the following additional procedures apply:

(1) The Grant Officer will follow the regulations for priority designation at § 668.210.

(2) If no applicant is entitled to priority designation, DINAP will inform each entity which submitted a NOI, including the incumbent grantee, in writing, of all the competing Notices of Intent no later than November 15 of the year the NOI’s are received.

(3) Each entity will have an opportunity to describe its service plan, and may submit additional information addressing the requirements of § 668.240(c) or such other information as the applicant determines is appropriate. Revised Notices must be received or contain an official U.S. Postal Service postmark, no later than January 5th (unless a later date is provided in DINAP’s information notice).

(4) The Grant Officer selects the entity that demonstrates the ability to produce the best outcomes for its customers.

§ 668.260 How are INA grantees designated?

(a) On March 1 of each designation year, we designate or conditionally designate Native American grantees for the coming two program years. The Grant Officer informs, in writing, each entity which submitted a Notice of Intent that the entity has been:

(1) Designated;

(2) Conditionally designated;

(3) Designated for only a portion of its requested area or population; or

(4) Denied designation.

(b) Designated Native American entities must ensure and provide evidence to DOL that a system is in place to afford all members of the eligible population within their service area an equitable opportunity to receive employment and training activities and services.

§ 668.270 What appeal rights are available to entities that are denied designation?

Any entity that is denied designation in whole or in part for the area or population that it requested may appeal the denial to the Office of the Administrative Law Judges using the procedures at 20 CFR 667.800 or the alternative dispute resolution procedures at 20 CFR 667.840. The Grant Officer will provide an entity whose request for designation was denied, in whole or in part, with a copy of the appeal procedures.

§ 668.280 Are there any other ways in which an entity may be designated as an INA grantee?

Yes, for an area which would otherwise go unserved. The Grant Officer may designate an entity, which has not submitted an NOI, but which meets the qualifications for designation, to serve the particular geographic area. Under such circumstances, DINAP will seek the views of Native American leaders in the area involved about the decision to designate the entity to serve that community. DINAP will inform the Grant Officer of their views. The Grant Officer will accommodate their views to the extent possible.

§ 668.290 Can an INA grantee’s designation be terminated?

(a) Yes, the Grant Officer can terminate a grantee’s designation for cause, or the Secretary or another DOL official confirmed by the Senate can terminate a grantee’s designation in emergency circumstances where termination is necessary to protect the integrity of Federal funds or ensure the proper operation of the program. (WIA sec. 184(e).)

(b) The Grant Officer may terminate a grantee’s designation for cause only if there is a substantial or persistent violation of the requirements in the Act or the WIA regulations. The grantee must be provided with written notice 60 days before termination, stating the specific reasons why termination is
§ 668.292 How does a designated entity become an INA grantee?

A designated entity becomes a grantee on the effective date of an executed grant agreement, signed by the authorized official of the grantee organization and the Grant Officer. The grant agreement includes a set of certifications and assurances that the grantee will comply with the terms of the Act, the WIA regulations, and other appropriate requirements. Funds are released to the grantee upon approval of the required planning documents, as described in §§ 668.710 through 668.740.

§ 668.294 Do we have to designate an INA grantee for every part of the country?

No, beginning with the PY 2000 grant awards, if there are no entities meeting the requirements for designation in a particular area, or willing to serve that area, we will not allocate funds for that service area. The funds allocated to that area will be distributed to the remaining INA grantees, or used for other program purposes such as technical assistance and training (TAT). Unawarded funds used for technical assistance and training are in addition to, and not subject to the limitations on, amounts reserved under §668.296(e). Areas which are unserved by the INA program may be restored during a subsequent designation cycle, when and if a current grantee or other eligible entity applies for and is designated to serve that area.

§ 668.296 How are WIA funds allocated to INA grantees?

(a) Except for reserved funds described in paragraph (e) of this section and funds used for program purposes under §668.294, all funds available for WIA section 166(d)(2)(A)(i) comprehensive workforce investment services program at the beginning of a Program Year will be allocated to Native American grantees for their designated geographic service areas.

(b) Each INA grantee will receive the sum of the funds calculated under the following formula:

(1) One-quarter of the funds available will be allocated on the basis of the number of unemployed Native American persons in the grantee’s designated INA service area(s) compared to all such persons in all such areas in the United States.

(2) Three-quarters of the funds available will be allocated on the basis of the number of Native American persons in poverty in the grantee’s designated INA service area(s) as compared to all such persons in all such areas in the United States.

(3) The data and definitions used to implement these formulas is provided by the U.S. Bureau of the Census.

(c) In years immediately following the use of new data in the formula described in paragraph (b) of this section, based upon criteria to be described in the SGA, we may utilize a hold harmless factor to reduce the disruption in grantee services which would otherwise result from changes in funding levels. This factor will be determined in consultation with the grantee community and the Native American Employment and Training Council.

(d) We may reallocate funds from one INA grantee to another if a grantee is unable to serve its area for any reason, such as audit or debt problems, criminal activity, internal (political) strife, or lack of ability or interest. Funds may also be reallocated if a grantee has carry-in excess of 20 percent of the total funds available to it. Carry-in amounts greater than 20 percent but less than 25 percent of total funds available may be allowed under an approved waiver issued by DINAP.

(e) We may reserve up to one percent (1 percent) of the funds appropriated under WIA section 166(d)(2)(A)(i) for any Program Year for TAT purposes. Technical assistance will be provided in consultation with the Native American Employment and Training Council.

(a) In those local workforce investment areas where an INA grantee conducts field operations or provides substantial services, the INA grantee is a required partner in the local One-Stop delivery system and is subject to the provisions relating to such partners described in 20 CFR part 662. Consistent with those provisions, a Memorandum of Understanding (MOU) between the INA grantee and the Local Board over the operation of the One-Stop Center(s) in the Local Board's workforce investment area also must be executed. Where the Local Board is an alternative entity under 20 CFR 661.330, the INA grantee must negotiate with the alternative entity on the terms of its MOU and the scope of its on-going role in the local workforce investment system, as specified in 20 CFR 661.310(b)(2).
(b) At a minimum, the MOU must contain provisions related to:

§ 668.370 What policies govern payments to participants, including wages, training allowances or stipends, or direct payments for supportive services?
(a) INA grantees may pay training allowances or stipends to participants for
their successful participation in and completion of education or training services (except such allowance may not be provided to participants in OJT). Allowances or stipends may not exceed the Federal or State minimum wage, whichever is higher.

(b) INA grantees may not pay a participant in a training activity when the person fails to participate without good cause.

(c) If a participant in a WIA-funded activity, including participants in OJT, is involved in an employer-employee relationship, that participant must be paid wages and fringe benefits at the same rates as trainees or employees who have similar training, experience and skills and which are not less than the higher of the applicable Federal, State or local minimum wage. Subpart D—Supplemental Youth Services

§ 668.400 What is the purpose of the supplemental youth services program?

The purpose of this program is to provide supplemental employment and training and related services to Native American youth on or near Indian reservations, or in Oklahoma, Alaska, and Hawaii. (WIA sec. 166(d)(2)(A)(ii).)

§ 668.410 What entities are eligible to receive supplemental youth services funding?

Eligible recipients for supplemental youth services funding are limited to those tribal, Alaska Native, Native Hawaiian and Oklahoma tribal grantees funded under WIA section 166(d)(2)(A)(i), or other grantees serving those areas and/or populations specified in §668.400, that received funding under title II-B of the Job Training Partnership Act, or that are designated to serve an eligible area as specified in WIA section 166(d)(2)(A)(ii).

§ 668.420 What are the planning requirements for receiving supplemental youth services funding?

Beginning with PY 2000, eligible INA grantees must describe the supplemental youth services which they intend to provide in their Two Year Plan (described more fully in §§668.710 and 668.720). This Plan includes the target population the grantee intends to serve, for example, drop-outs, juvenile offenders, and/or college students. It also includes the performance measures/standards to be utilized to measure program progress.

§ 668.430 What individuals are eligible to receive supplemental youth services?

(a) Participants in supplemental youth services activities must be Native Americans, as determined by the INA grantee according to §668.300(a), and must meet the definition of Eligible Youth, as defined in WIA section 101(13).

(b) Youth participants must be low-income individuals, except that not more than five percent (5%) who do not meet the minimum income criteria, may be considered eligible youth if they meet one or more of the following categories:

(1) School dropouts;
(2) Basic skills deficient as defined in WIA section 101(4);
(3) Have educational attainment that is one or more grade levels below the grade level appropriate to their age group;

(7) Offenders; or
(8) Other eligible youth who face serious barriers to employment as identified by the grantee in its Plan. (WIA sec. 129(c)(5).)

§ 668.440 How is funding for supplemental youth services determined?

(a) Beginning with PY 2000, supplemental youth funding will be allocated to eligible INA grantees on the basis of the relative number of Native American youth between the ages of 14 and 21, inclusive, in the grantee's designated INA service area as compared to the number of Native American youth in other eligible INA service areas. We reserve the right to redetermine this youth funding stream in future program years, in consultation with the Native American Employment and Training Council, as program experience warrants and as appropriate data become available.

(b) The data used to implement this formula is provided by the U.S. Bureau of the Census.

(c) The hold harmless factor described in §668.296(c) also applies to supplemental youth services funding. This factor also will be determined in consultation with the grantee community and the Native American Employment and Training Council.

(d) The reallocation provisions of §668.296(d) also apply to supplemental youth services funding.

(e) Any supplemental youth services funds not allotted to a grantee or refused by a grantee may be used for the purposes outlined in §668.296(e), as described in §668.294. Any such funds are in addition to, and not subject to the limitations on, amounts reserved under §668.296(e).

§ 668.450 How will supplemental youth services be provided?

(a) INA grantees may offer supplemental services to youth throughout the school year, during the summer vacation, and/or during other breaks during the school year at their discretion;

(b) We encourage INA grantees to work with Local Educational Agencies to provide academic credit for youth activities whenever possible;

(c) INA grantees may provide participating youth with the activities listed in 20 CFR 668.340(e).

§ 668.460 Are there performance measures and standards applicable to the supplemental youth services program?

Yes, WIA section 166(e)(5) requires that the program plan contain a description of the performance measures to be used to assess the performance of grantees in carrying out the activities assisted under this section. We will develop specific indicators of performance and levels of performance for supplemental youth services activities in partnership with the Native American Employment and Training Council, and will transmit them to INA grantees as an administrative issuance.

Subpart E—Services to Communities

§ 668.500 What services may INA grantees provide to or for employers under section 166?

(a) INA grantees may provide a variety of services to employers in their areas. These services may include:

(1) Workforce planning which involves the recruitment of current or potential program participants, including job restructuring services;

(2) Recruitment and assessment of potential employees, with priority given to potential employees who are or who might become eligible for program services;

§ 668.510 What services may INA grantees provide to the community at large under section 166?

(a) INA grantees may provide services to the Native American communities in their designated service areas by engaging in program development and service delivery activities which:

(1) Strengthen the capacity of Native American-controlled institutions to provide education and work-based learning services to Native American youth and adults, whether directly or through other Native American institutions such as tribal colleges;

(2) Increase the community’s capacity to deliver supportive services, such as child care, transportation, housing, health, and similar services needed by clients to obtain and retain employment;

(3) Use program participants engaged in education, training, work experience, or similar activities to further the economic and social development of Native American communities in accordance with the goals and values of those communities; and

(4) Engage in other community-building activities described in the INA grantee’s Two Year Plan.

(b) INA grantees should develop their Two Year Plan in conjunction with, and in support of, strategic tribal planning and community development goals.

§ 668.520 Must INA grantees give preference to Indian/Native American entities in the selection of contractors or service providers?

Yes, INA grantees must give as much preference as possible to Indian organizations and to Indian-owned economic enterprises, as defined in section 3 of the Indian Financing Act of 1974 (25 U.S.C. 1452), when awarding any contract or subgrant.

§ 668.530 What rules govern the issuance of contracts and/or subgrants?

In general, INA grantees must follow the rules of OMB Circulars A-102 (for tribes) or A-110 (for private non-profits) when awarding contracts and/or subgrants under WIA section 166. The common rules implementing those circulars are codified for DOL-funded programs at 29 CFR part 97 (A–102) or 29 CFR part 95 (A–110), and covered in the WIA regulations at 20 CFR 667.200. These rules do not apply to OJT contract awards.

Subpart F—Accountability for Services and Expenditures

§ 668.600 To whom is the INA grantee accountable for the provision of services and the expenditure of INA funds?

(a) The INA grantee is responsible to the Native American community to be served by INA funds.

(b) The INA grantee is also responsible to the Department of Labor, which is charged by law with ensuring that all WIA funds are expended:

(1) According to applicable laws and regulations;

(2) For the benefit of the identified Native American client group; and

(3) For the purposes approved in the grantee’s plan and signed grant document.

§ 668.610 How is this accountability documented and fulfilled?

(a) Each INA grantee must establish its own internal policies and procedures to ensure accountability to the INA grantee’s governing body, as the representative of the Native American community(ies) served by the INA program. At a minimum, these policies and procedures must provide a system for governing body review and oversight of program plans and measures and standards for program performance.

(b) Accountability to the Department is accomplished in part through on-site program reviews (monitoring), which strengthen the INA grantee’s capability to deliver effective services and protect the integrity of Federal funds.

(c) In addition to audit information, as described at § 668.850 and program reviews, accountability to the Department is documented and fulfilled by the submission of reports. For the purposes of report submission, a postmark or date indicating receipt by a private express delivery service is acceptable.
proof of timely submission. These report requirements are as follows:

(1) Each INA grantee must submit an annual report on program participants and activities. This report must be received no later than 90 days after the end of the Program Year, and may be combined with the report on program expenditures. The reporting format is developed by DINAP, in consultation with the Native American Advisory Council, and published in the Federal Register.

(2) Each INA grantee must submit an annual report on program expenditures. This report must be received no later than 90 days after the end of the Program Year, and may be combined with the report on program participants and activities.

(3) INA grantees are encouraged, but not required, to submit a descriptive narrative with their annual reports describing the barriers to successful plan implementation they have encountered. This narrative should also discuss program successes and other notable occurrences that effected the INA grantee’s overall performance that year.

(4) Each INA grantee may be required to submit interim reports on program participants and activities and/or program expenditures during the Program Year. Interim reports must be received no later than 45 days after the end of the reporting period.

§ 668.620 What performance measures are in place for the INA program?

Indicators of performance measures and levels of performance in use for INA program will be those indicators and standards proposed in individual grantee plans and approved by us, in accordance with guidelines we will develop in consultation with INA grantees under WIA section 166(h)(2)(A).

§ 668.630 What are the requirements for preventing fraud and abuse under section 166?

(a) Each INA grantee must implement program and financial management procedures to prevent fraud and abuse. Such procedures must include a process which enables the grantee to take action against contractors or subcontractors to prevent any misuse of funds. (WIA sec. 184.)

(b) Each INA grantee must have rules to prevent conflict of interest by its governing body. These conflict of interest rules must include a rule prohibiting any member of any governing body or council associated with the INA grantee from voting on any matter which would provide a direct financial benefit to that member, or to a member of his or her immediate family, in accordance with 20 CFR 667.200(a)(4) and 29 CFR 97.36(b) or 29 CFR 95.42.

(c) Officers or agents of the INA grantee must not solicit or personally accept gratuities, favors, or anything of monetary value from any actual or potential contractor, subcontractor, vendor or participant. This rule must also apply to officers or agents of the grantee’s contractors and/or subcontractors. This prohibition does not apply to:

(1) Any rebate, discount or similar incentive provided by a vendor to its customers as a regular feature of its business;

(2) Items of nominal monetary value distributed consistent with the cultural practices of the Native American community served by the grantee.

(d) No person who selects program participants or authorizes the services provided to them may select or authorize services to any participant who is such a person’s husband, wife, father, mother, brother, sister, son, or daughter unless:

(1)(i) The participant involved is a low income individual; or
(ii) The community in which the participant resides has a population of less than 1,000 Native American people; and

(2) The INA grantee has adopted and implemented the policy described in the Two Year Plan to prevent favoritism on behalf of such relatives.

(e) INA grantees are subject to the provisions of 41 U.S.C. 53 relating to kickbacks.

(f) No assistance provided under this Act may involve political activities. (WIA sec. 195(6).)

(g) INA grantees may not use funds under this Act for lobbying, as provided in 29 CFR part 93.

(h) The provisions of 18 U.S.C. 665 and 666 prohibiting embezzlement apply to programs under WIA.
§ 668.640 Recipients of financial assistance under WIA section 168 are prohibited from discriminatory practices as outlined at WIA section 188, and the regulations implementing WIA section 188, at 29 CFR part 37. However, this does not affect the legal requirement that all INA participants be Native American. Also, INA grantees are not obligated to serve populations other than those for which they were designated.

§ 668.640 What grievance systems must a section 166 program provide?

INA grantees must establish grievance procedures consistent with the requirements of WIA section 181(c) and 20 CFR 667.600.

§ 668.650 Can INA grantees exclude segments of the eligible population?

(a) No, INA grantees cannot exclude segments of the eligible population. INA grantees must document in their Two Year Plan that a system is in place to afford all members of the eligible population within the service area for which the grantee was designated an equitable opportunity to receive WIA services and activities.

(b) Nothing in this section restricts the ability of INA grantees to target subgroups of the eligible population (for example, the disabled, substance abusers, TANF recipients, or similar categories), as outlined in an approved Two Year Plan. However, it is unlawful to target services to subgroups on grounds prohibited by WIA section 188 and 29 CFR part 37, including tribal affiliation (which is considered national origin). Outreach efforts, on the other hand, may be targeted to any subgroups.

Subpart G—Section 166 Planning/Funding Process

§ 668.700 What process must an INA grantee use to plan its employment and training services?

§ 671.105 What funds are available for national emergency grants?

We use funds reserved under WIA section 132(a)(2)(A) to provide financial assistance to eligible applicant for grants under WIA section 173.

§ 671.110 What are major economic dislocations or other events which may qualify for a national emergency grant?

These include:
(a) Plant closures;
(b) Mass layoffs affecting 50 or more workers at a single site of employment;
(c) Closures and realignments of military installations;
(d) Multiple layoffs in a single local community that have significantly increased the total number of unemployed individuals in a community;
(e) Emergencies or natural disasters, as defined in paragraphs (1) and (2) respectively, of section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5122(1) and (2)) which have been declared eligible for public assistance by the Federal Emergency Management Agency (FEMA); and
(f) Other events, as determined by the Secretary.

§ 671.120 Who is eligible to apply for national emergency grants?

(a) For projects within a State. A State, a Local Board or another entity determined to be appropriate by the Governor of the State in which the project is located may apply for a national emergency grant. Also, Indian tribes, tribal organizations, Alaska Native entities, Indian-controlled organizations serving Indians, or Native Hawaiian organizations which are recipients of funds under section 166 of the Act (Indian and Native American Programs) may apply for a national emergency grant.

(b) For inter-State projects. Consortia of States and/or Local Boards may apply. Other private entities which can demonstrate, in the application for assistance, that they possess unique capabilities to effectively respond to the circumstances of the major economic dislocation(s) covered in the application may apply.

(c) Other entities. The Secretary may consider applications from other entities, to ensure that appropriate assistance is provided in response to major economic dislocations.
§ 671.125 What are the requirements for submitting applications for national emergency grants?

We publish instructions for submitting applications for National Emergency Grants in the Federal Register. The instructions specify application procedures, selection criteria and the approval process.

§ 671.130 When should applications for national emergency grants be submitted to the Department?

(a) Applications for national emergency grants to respond to mass layoffs and plant closures may be submitted to the Department as soon as:

(1) The State receives a notification of a mass layoff or a closure as a result of a WARN notice, a general announcement or some other means determined by the Governor to be sufficient to respond;

(2) Rapid response assistance has been initiated; and

(3) A determination has been made, in collaboration with the applicable Local Board(s) and chief elected official(s), that State and local formula dislocated worker funds are inadequate to provide the level of services needed by the workers being laid off.

(b) An eligible entity may apply for a national emergency grant at any time during the year.

(c) Applications for national emergency grants to respond to a declared emergency or natural disaster as described in §671.110(e), cannot be considered until FEMA has declared that the affected area is eligible for disaster-related public assistance.

§ 671.140 What are the allowable activities and what dislocated workers may be served under national emergency grants?

The scope of services to be provided in a particular project are negotiated between the Department and the grantee, taking into account the needs of the target population covered by the grant. The scope of services may be changed through grant modifications, if necessary.

(c) National emergency grants may provide for supportive services to help workers who require such assistance to participate in activities provided for in the grant. Needs-related payments, in support of other employment and training assistance, may be available for the purpose of enabling dislocated workers who are eligible for such payments to participate in programs of training services. Generally, the terms of a grant must be consistent with Local Board policies governing such financial assistance with formula funds (including the payment levels and duration of payments). However, the terms of the grant agreement may diverge from established Local Board policies, in the following instances:

(1) If unemployed dislocated workers served by the project are not able to meet the 13 or 8 weeks enrollment in training requirement at WIA section 134(e)(3)(B) because of the lack of formula or emergency grant funds in the State or local area at the time of dislocation, such individuals may be eligible for needs-related payments if they are enrolled in training by the end of the 6th week following the date of the emergency grant award;

(2) Trade-impacted workers who are not eligible for trade readjustment assistance under NAFTA–TAA may be eligible for needs-related payments under a national emergency grant if the worker is enrolled in training by the end of the 16th week following layoff; and

(3) Under other circumstances as specified in the national emergency grant application guidelines.

(d) A national emergency grant to respond to a declared emergency or natural disaster, as defined at §671.110(e), may provide short-term disaster relief employment for:

§ 671.150 How do statutory and workflex waivers apply to national emergency grants?

(a) State and Local Board grantees may request and we may approve the application of existing general statutory or regulatory waivers and workflex waivers to a National Emergency Grant award. The application for grant funds must describe any statutory waivers which the applicant wishes to apply to the project that the State and/or Local Board, as applicable, have been granted under its waiver plan, or that the State has approved for implementation in the applicable local area under workflex waivers. We will consider such requests as part of the overall application review and decision process.

(b) If, during the operation of the project, the grantee wishes to apply a waiver not identified in the application, the grantee must request a modification which includes the provision to be waived, the operational barrier to be removed and the effect upon the outcome of the project.

§ 671.160 What rapid response activities are required before a national emergency grant application is submitted?

(a) Rapid response is a required Statewide activity under WIA section 134(a)(2)(A), to be carried out by the State or its designee in collaboration with the Local Board(s) and chief elected official(s). Under 20 CFR 665.310, rapid response encompasses, among other activities, an assessment of the general needs of the affected workers and the resources available to them.

(b) In accordance with national emergency grant application guidelines published by the Department, each applicant must demonstrate that:

(1) The rapid response activities described in 20 CFR 665.310 have been initiated and carried out, or are in the process of being carried out;

(2) State and local funds, including those made available under section 132(b)(2)(B) of the Act, have been used to initiate appropriate services to the eligible workers;

(3) There is a need for additional funds to effectively respond to the assistance needs of the workers and, in the case of declared emergencies and natural disasters, the community; and

(4) The application has been developed by or in conjunction with the Local Board(s) and chief elected official(s) of the local area(s) in which the proposed project is to operate.

§ 671.170 What are the program and administrative requirements that apply to national emergency grants?

(a) In general, the program requirements and administrative standards set forth at 20 CFR parts 663 and 667 will apply.

(b) Exceptions include:

(1) Funds provided in response to a natural disaster may be used for temporary job creation in areas declared eligible for public assistance by FEMA, subject to the limitations of WIA section 173(d), this part and the application guidelines issued by the Department;

(2) National emergency grant funds may be used to pay an appropriate level of administrative costs based on the design and complexity of the project. We will negotiate administration costs with the applicant as part of the application review and grant award and modification processes;

(3) The period of availability for expenditure of funds under a national emergency grant is specified in the grant agreement;

(4) We may establish supplemental reporting, monitoring and oversight requirements for national emergency
grants. The requirements will be identified in the grant application instructions or the grant document.

(5) We may negotiate and fund projects under terms other than those specified in this part where it can be clearly demonstrated that such adjustments will achieve a greater positive benefit for the workers and/or communities being assisted.

Rules in this Subchapter
§ 701.101 Scope of this subchapter and subchapter B.

(a) This subchapter contains the regulations governing the administration of the Longshore and Harbor Workers’ Compensation Act (LHWCA) and its direct extensions, the Defense Base Act (DBA), the Outer Continental Shelf Lands Act (OCSLA), and the Non-appropriated Fund Instrumentalities Act (NFIA), and such other amendments and extensions as may hereinafter be enacted.

(b) The regulations also apply to claims filed under the District of Columbia Workmen’s Compensation Act (DCCA). That law applies to all claims for injuries or deaths based on employment events that occurred prior to July 26, 1982, the effective date of the District of Columbia Workers’ Compensation Act.

(c) The regulations governing administration of the Black Lung Benefits Program are in subchapter B of this chapter.

§ 701.102 Organization of this subchapter.

This part 701 is intended to provide a general description of the regulations in this subchapter, information as to the persons and agencies within the Department of Labor authorized by the Secretary of Labor to administer the Longshoremen’s and Harbor Workers’ Compensation Act and its extensions and the regulations in this subchapter, and guidance as to the meaning and use of specific terms in the several parts of this subchapter. Part 702 of this subchapter contains the general administrative regulations governing claims filed under the LHWCA, and part 703 of this subchapter contains the regulations governing authorization of insurance carriers, authorization of self-insurers, and issuance of certificates of compliance with said insurance regulations, as required by sections 32 and 37 of the LHWCA, 33 U.S.C. 932, 937. Inasmuch as the extensions of the LHWCA (see § 701.101) incorporate by reference nearly all of the provisions of the LHWCA, such that the regulations governing the latter apply to the extensions with very few exceptions, it has been determined that no useful purpose would be served by repeating the same provisions for each of the extensions. Accordingly, the regulations in parts 702 and 703 shall apply to the administration of the extensions (DBA, DCCA, OCSLA, and NFIA), unless otherwise noted. The exceptions to the general applicability of parts 702 and 703 of this subchapter are set forth in succeeding parts in this subchapter. Part 704 of this subchapter contains the exceptions for the DBA, the DCCA, the OCSLA, and the NFIA.
§ 701.201 Establishment of Office of Workers’ Compensation Programs.

The Assistant Secretary of Labor for Employment Standards, by authority vested in him or her by the Secretary of Labor in Secretary’s Order No. 7–87 (52 FR. 48466), established in the Employment Standards Administration (ESA) an Office of Workers’ Compensation Programs (OWCP). The Assistant Secretary further designated as the head thereof a Director, who shall administer the programs assigned to that office by the Assistant Secretary.

[55 FR 28606, July 12, 1990]

§ 701.202 Transfer of functions.

Pursuant to the authority vested in him or her by the Secretary of Labor, the Assistant Secretary for Employment Standards transferred from the Bureau of Employees’ Compensation to the Office of Workers’ Compensation Programs all functions of the Department of Labor with respect to the administration of benefits programs under the following statutes:

(a) The Longshore and Harbor Workers’ Compensation Act, as amended and extended, 33 U.S.C. 901 et seq.;

(b) Defense Base Act, 42 U.S.C. 1651 et seq.;

(c) District of Columbia Workmen’s Compensation Act, 36 D.C. Code 501 et seq.;

(d) Outer Continental Shelf Lands Act, 43 U.S.C. 1331;

(e) Nonappropriated Fund Instrumentalities Act, 5 U.S.C. 8171 et seq.;

(f) Title IV of the Federal Mine Safety and Health Act of 1977, as amended, 30 U.S.C. 901 et seq.

[55 FR 28606, July 12, 1990]

§ 701.203 Historical background.

Administration of the Longshoremen’s and Harbor Workers’ Compensation Act (and the Federal Employees’ Compensation Act, formerly known as the U.S. Employees’ Compensation Act), was initially vested in an independent establishment known as the U.S. Employees’ Compensation Commission. By Reorganization Plan No. 2 of 1946 (3 CFR 1943–1949 Comp., p. 1064; 60 Stat. 1065, effective July 16, 1946), the Commission was abolished and its functions were transferred to the Federal Security Agency to be performed by a newly created Bureau of Employees’ Compensation within such Agency. By Reorganization Plan No. 19 of 1950 (15 FR 3178, 64 Stat. 1263) said Bureau was transferred to the Department of Labor, and the authority formerly vested in the Administrator, Federal Security Agency, was vested in the Secretary of Labor. By Reorganization Plan No. 6 of 1950 (15 FR 3174, 64 Stat. 1293), the Secretary of Labor was authorized to make from time to time such provisions as he shall deem appropriate, authorizing the performance of any of his functions by any other officer, agency or employee of the Department of Labor.

TERMS USED IN THIS SUBCHAPTER

§ 701.301 Definitions and use of terms.

(a) As used in this subchapter, except where the context clearly indicates otherwise:

(1) Act means the Longshoremen’s and Harbor Workers’ Compensation Act, as amended (33 U.S.C. 901 et seq.), also referred to in this subchapter as LHWCA, and includes the provisions of any statutory extension of such Act (see §701.101) pursuant to which compensation on account of an injury is sought.

(2) Secretary means the Secretary of Labor, United States Department of Labor, or his authorized representative.

(3) Employment Standards Administration means the Employment Standards Administration in the United States Department of Labor, headed by the Assistant Secretary of Labor for Employment Standards.

(4) [Reserved]

(5) Office of Workers’ Compensation Programs or OWCP or the Office means the Office of Workers’ Compensation Programs in the Department of Labor, described in §701.201 of this part. Whenever the term Office of Workmen’s Compensation Programs appears in this part or in part 702, it shall have the same meaning as Office of Worker’s Compensation Programs.
(6) **Director** means the Director, OWCP, or his authorized representative.

(7) **District Director** means a person appointed as provided in sections 39 and 40 of the LHWCA or his or her designee, authorized by the Director to perform functions with respect to the processing and determination of claims for compensation under such Act and its extensions as provided therein and under this subchapter. These regulations substitute this term for the term “Deputy Commissioner” which is used in the statute. This substitution is for administrative purposes only and in no way affects the power or authority of the position as established in the statute.

(8) **Administrative Law Judge** means an administrative law judge appointed as provided in 5 U.S.C. 3105 and subpart B of 5 CFR part 930 (see 37 FR 16737), who is qualified to preside at hearings under 5 U.S.C. 557 and is empowered by the Secretary to conduct formal hearings whenever necessary in respect of any claim for compensation arising under the LHWCA and its extensions.

(9) **Chief Administrative Law Judge** means the Chief Judge of the Office of Administrative Law Judges, United States Department of Labor.

(10) **Board or Benefits Review Board** means the Benefits Review Board established by section 21 of the LHWCA (33 U.S.C. 921) as amended and constituted and functioning pursuant to the provisions of chapter VII of this Title 20 and Secretary of Labor’s Order No. 38–72 (38 FR 90).

(11) **Department** means the United States Department of Labor.

(12)(i) **Employee** means any person engaged in maritime employment, including:

(A) Any longshore worker or other person engaged in longshoring operations;

(B) Any harbor worker, including a ship repairer, shipbuilder and shipbreaker;

(C) Any other individual to whom an injury may be the basis for a compensation claim under the LHWCA as amended, or any of its extensions;

(ii) The term does not include:

(A) A master or member of a crew of any vessel;

(B) Any person engaged by a master to load or unload or repair any small vessel under eighteen tons net.

(iii) Nor does this term include the following individuals (whether or not the injury occurs over the navigable waters of the United States) where it is first determined that they are covered by a state workers’ compensation act:

(A) Individuals employed exclusively to perform office clerical, secretarial, security, or data processing work (but not longshore cargo checkers and cargo clerks);

(B) Individuals employed by a club (meaning a social or fraternal organization whether profit or nonprofit), camp, recreational operation (meaning any recreational activity, including but not limited to scuba diving, commercial rafting, canoeing or boating activities operated for pleasure of owners, members of a club or organization, or renting, leasing or chartering equipment to another for the latter’s pleasure), restaurant, museum or retail outlet;

(C) Individuals employed by a marina, provided they are not engaged in its construction, replacement or expansion, except for routine maintenance such as cleaning, painting, trash removal, housekeeping and small repairs;

(D) Employees of suppliers, vendors and transporters temporarily doing business on the premises of a covered employer, provided they are not performing work normally performed by employees of the covered employer;

(E) Aquaculture workers, meaning those employed by commercial enterprises involved in the controlled cultivation and harvest of aquatic plants and animals, including the cleaning, processing or canning of fish and fish products, the cultivation and harvesting of shellfish, and the controlled growing and harvesting of other aquatic species;

(F) Individuals engaged in the building, repairing or dismantling of recreational vessels under 65 feet in length. For purposes of this subparagraph *recreational vessel* means a vessel manufactured or operated primarily for pleasure, or rented, leased or chartered by another for the latter’s pleasure, and *length* means a straight line measurement of the overall length.
§ 701.401 Coverage under state compensation programs.

(a) Exclusions from the definition of “employee” under §701.301(a)(12), and the employees of small vessel facilities otherwise covered which are exempted from coverage under §702.171, are dependent upon coverage under a state workers’ compensation program. For these purposes, a worker or dependent must first claim compensation under the appropriate state program and receive a final decision on the merits of the claim, denying coverage, before any claim may be filed under this Act.

(b) The intent of the Act is that state law will apply to those categories of employees if it otherwise would. Accordingly, notwithstanding any contrary state law, claims by any of the categories of workers excluded under §701.301 or 702.171 must be made to and processed by the state and a merit decision denying coverage on jurisdictional grounds must be made before coverage or benefits under the Act may be sought.

(c) The time for filing notice and claim under the Act (see subpart B of part 702) does not begin to run for purposes of claims by those workers or dependents described in §701.301(a)(12) and §702.171, until a final adverse decision denying coverage under a state compensation act is received.

(a) Any person seeking a fee for services performed on behalf of a claimant with respect to claims filed under the Act shall make application therefor to the district director, administrative law judge, Board, or court, as the case may be, before whom the services were performed (See 33 U.S.C. 928(c)). The application shall be filed and serviced upon the other parties within the time limits specified by such district director, administrative law judge, Board, or court. The application shall be supported by a complete statement of the extent and character of the necessary work done, described with particularity as to the professional status (e.g., attorney, paralegal, law clerk, or other person assisting an attorney) of each person performing such work, the normal billing rate for each such person, and the hours devoted by each such person to each category of work. Any fee approved shall be reasonably commensurate with the necessary work done and shall take into account the quality of the representation, the complexity of the legal issues involved, and the amount of benefits awarded, and when the fee is to be assessed against the claimant, shall also take into account the financial circumstances of the claimant. No contract pertaining to the amount of a fee shall be recognized.

(b) No fee shall be approved for a representative whose name appears on the Secretary’s list of disqualified representatives under §702.131(b).

(c) Where fees are included in a settlement agreement submitted under §702.241, et seq. approval of that agreement shall be deemed approval of attorney fees for purposes of this subsection for work performed before the Administrative Law Judge or district director approving the settlement.

§702.133 Unapproved fees; solicitation of claimants; penalties.

Under the provisions of section 28(e) of the Act, 33 U.S.C. 928(e), any person who receives any fees, other consideration, or any gratuity on account of services rendered as a representative of a claimant, unless such consideration or gratuity is approved under §702.132, or who makes it a business to solicit employment for an attorney, or for himself in respect of any claim under the Act, shall upon conviction thereof, for each offense be punished by a fine of not more than $1,000 or by imprisonment for not more than 1 year, or by both fine and imprisonment.

§ 702.135 Payment of claimant's witness fees and mileage in disputed claims.

In cases where an attorney's fee is awarded against an employer or carrier there may be further assessed against such employer or carrier as costs, fees and mileage for necessary witnesses attending the hearing at the instance of claimant. Both the necessity for the witness and the reasonableness of the fees of expert witnesses must be approved by the hearing officer, the Board, or the court, as the case may be. The amounts awarded against an employer or carrier as attorney's fees, costs, fees and mileage for witnesses shall not in any respect affect or diminish the compensation payable under this Act (see Act, section 28(d)).

§ 702.143 Establishment of special fund.

Congress, by section 44 of the Act, 33 U.S.C. 944, established in the U.S. Treasury a special fund, to be administered by the Secretary. The Treasurer of the United States is the custodian of such fund, and all monies and securities in such fund shall be held in trust by the Treasurer and shall not be money or property of the United States. The Treasurer shall make disbursements from such funds only upon the order of the Director, OWCP, as delegatee of the Secretary. The Act requires that the Treasurer give bond, in an amount to be fixed and with securities to be approved by the Secretary of the Treasury and the Comptroller General of the United States, conditioned upon the faithful performance of his duty as custodian of such fund.

§ 702.144 Purpose of the special fund.

This special fund was established to give effect to a congressional policy determination that, under certain circumstances, the employer of a particular employee should not be required to bear the entire burden of paying for the compensation benefits due that employee under the Act. Instead, a substantial portion of such burden should be borne by the industry generally. Section 702.145 describes this special circumstance under which the particular employer is relieved of some of his burden. Section 702.146 describes the manner and circumstances of the input into the fund.

§ 702.145 Use of the special fund.

(a) Under section 10 of the Act. This section provides for initial and subsequent annual adjustments in compensation and continuing payments to beneficiaries in cases of permanent

(c) Applications for commutations shall be made effective, if approved by the Director, on the date received by the district director, or on a later date if shown to be appropriate on the application.

total disability or death which commenced or occurred prior to enactment of the 1972 Amendments to this Act (Pub. L. 92–576, approved Oct. 27, 1972). At the discretion of the Director, such payments may be paid directly by him to eligible beneficiaries as the obligation accrues, one-half from the special fund and one-half from appropriations, or he may require insurance carriers or self-insured employers already making payments to such beneficiaries to pay such additional compensation as the amended Act requires. In the latter case such carriers and self-insurers shall be reimbursed by the Director for such additional amounts paid, in the proportion of one-half the amount from the special fund and one-half the amount from appropriations. To obtain reimbursement, the carriers and self-insurers shall submit claims for payments made by them during previous periods at intervals of not less than 6 months. A form has been prescribed for such purpose and shall be used. No administrative claims service expense incurred by the carrier or self-insurer shall be included in the claim and no such expense shall be allowed. The amounts reimbursed to such carrier or self-insurer shall be limited to amounts actually due and previously paid to beneficiaries.

(b) Under section 8(f) of the Act (Second Injuries). In any case in which an employee having an existing permanent partial disability suffers injury, the employer shall provide compensation for such disability as is found to be attributable to that injury based upon the average weekly wages of the employee at the time of injury. If, following an injury falling within the provisions of section 8(c)(1)–(20), the employee with the pre-existing permanent partial disability becomes permanently and totally disabled after the second injury, but such total disability is found not to be due solely to his second injury, the employer (or carrier) shall be liable for compensation as provided by the provisions of section 8(c)(1)–(20) of the Act, 33 U.S.C. 908(c)(1)–(20) or for 104 weeks, whichever is greater. However, if the injury is a loss of hearing covered by section 8(c)(13), 33 U.S.C. 908(c)(13), the liability shall be the lesser of these periods. In all other cases of a second injury causing permanent total disability (or death), wherein it is found that such disability (or death) is not due solely to the second injury, and wherein the employee had a pre-existing permanent partial disability, the employer (or carrier) shall first pay compensation under section 8(b) or (e) of the Act, 33 U.S.C. 908(b) or (e), if any is payable thereunder, and shall then pay 104 weeks compensation for such total disability or death, and none otherwise. If the second injury results in permanent partial disability, and if such disability is compensable under section 8(c)(1)–(20) of the Act, 33 U.S.C. 908(c)(1)–(20), but the disability so compensable did not result solely from such second injury, and the disability so compensable is materially and substantially greater than that which would have resulted from the second injury alone, then the employer (or carrier) shall only be liable for the amount of compensation provided for in section 8(c)(1)–(20) that is attributable to such second injury, or for 104 weeks, whichever is greater. However, if the injury is a loss of hearing covered by section 8(c)(13), 33 U.S.C. 908(c)(13), the liability shall be the lesser of these periods. In all other cases wherein the employee is permanently and partially disabled following a second injury, and wherein such disability is not attributable solely to that second injury, and wherein such disability is materially and substantially greater than that which would have resulted from the second injury alone, and wherein such disability following the second injury is not compensable under section 8(c)(1)–(20) of the Act, then the employer (or carrier) shall be liable for such compensation as may be appropriate under section 8(b) or (e) of the Act, 33 U.S.C. 908(b) or (e), if any, to be followed by a payment of compensation for 104 weeks, and none other. The term “compensation” herein means money benefits only, and does not include medical benefits. The procedure for determining the extent of the employer’s (or carrier’s) liability under this paragraph shall be as provided for in the adjudication of claims in subpart C of this part 702.
§ 702.146

Employment Standards Administration, Labor

is required to make under this paragraph, if any additional compensation is payable in the case, the district director shall forward such case to the Director for consideration of an award to the person or persons entitled therefor out of the special fund. Any such award from the special fund shall be by order of the Director or Acting Director.

(c) Under sections 8(g) and 39(c)(2) of the Act. These sections, 33 U.S.C. 908(g) and 939(c)(2), respectively, provide for vocational rehabilitation of disabled employees, and authorize, under appropriate circumstances, a maintenance allowance for the employee (not to exceed $25 a week) in additional to other compensation benefits otherwise payable for his injury-related disability. Awards under these sections are made from the special fund upon order of the Director or his designee. The district directors may be required to make investigations with respect to any case and forward to the Director their recommendations as to the propriety and need for such maintenance.

(d) Under section 39(c)(2) of the Act. In addition to the maintenance allowance for the employee discussed in paragraph (c) of this section, the Director is further authorized to use the fund in such amounts as may be necessary to procure the vocational training services.

(e) Under section 7(e) of the Act. This provision, 33 U.S.C. 907(e), authorizes payment by the Director from the special fund for special medical examinations, i.e., those obtained from impartial specialists to resolve disputes, when such special examinations are deemed necessary under that statutory provision. The Director has the discretionary power, however, to charge the cost of such examination to the insurance carrier or self-insured employer.

(f) Under section 18(b) of the Act. This section, 33 U.S.C. 918(b), provides a source for payment of compensation benefits in cases where the employer is insolvent, or other circumstances preclude the payment of benefits due in any case. In such situations, the district director shall forward the case to the Director for consideration of an award from the special fund, together with evidence with respect to the employer’s insolvency or other reasons for nonpayment of benefits due. Benefits, as herein used, means medical care or supplies within the meaning of section 7 of the Act, 33 U.S.C. 907, and subpart D of this part 702, as well as monetary benefits. Upon receipt of the case, the Director shall promptly determine whether an award from the special fund is appropriate and advisable in the case, having due regard for all other current commitments from the special fund. If such an award is made, the employer shall be liable for the repayment into the fund of the amounts paid therefrom, as provided in 33 U.S.C. 918(b).

§ 702.146 Source of the special fund.

(a) All amounts collected as fines and penalties under the several provisions of the Act shall be paid into the special fund (33 U.S.C. 44(c)(3)).

(b) Whenever an employee dies under circumstances creating a liability on an employer to pay death benefits to the employee’s beneficiaries, and whenever there are no such beneficiaries entitled to such payments, the employer shall pay $5,000 into the special fund (Act, section 44(c)(1)). In such cases, the compensation order entered in the case shall specifically find that there is such liability and that there are no beneficiaries entitled to death benefits, and shall order payment by the employer into the fund. Compensation orders shall be made and filed in accordance with the regulations in subpart C of this part 702, except that for this purpose the district director settling the case under §702.315 shall formalize the memorandum of conference in a compensation order, and shall file such order as provided for in §702.349.

(c) The Director annually shall assess an amount against insurance carriers
§ 702.147 Enforcement of special fund provisions.

(a) As provided in section 44(d)(1) of the Act, 33 U.S.C. 944(d)(1), for the purpose of making rules, regulations, and determinations under the special fund provisions in section 44 and for providing enforcement thereof, the Director may investigate and gather appropriate data from each carrier and self-insured employer, and may enter and inspect such places and records (and make such transcriptions of records), question such employees, and investigate such facts, conditions, practices, or other matters as he may deem necessary or appropriate. The Director may require the employer to have audits performed of claims activity relating to this Act. The Director may also require detailed reports of payments made under the Act, and of estimated future liabilities under the Act, from any or all carriers of self-insurers. The Director may require that such reports be certified and verified in whatever manner is considered appropriate.

(b) Pursuant to section 44(d)(3) of the Act, 33 U.S.C. 944(d)(3), for the purpose of any hearing or investigation related to determinations or the enforcement of the provisions of section 44 with respect to the special fund, the provisions of 15 U.S.C. 49 and 50 as amended (the Federal Trade Commission Act provisions relating to attendance of witnesses and the production of books, papers, and documents) are made applicable to the jurisdiction, powers, and duties of the Director, OWCP, as the Secretary’s delegatee.

(c) Civil penalties and unpaid assessments shall be collected by civil suits brought by and in the name of the Secretary.

§ 702.148 Insurance carriers’ and self-insured employers’ responsibilities.

(a) Each carrier and self-insured employer shall make, keep, and preserve such records, and make such reports and provide such additional information as the Director prescribes or orders, which he considers necessary or appropriate to effectively carry out his responsibilities.

(b) Consistent with their greater direct liability stemming from the amended assessment formula, employers and insurance carriers are given the authority to monitor their claims in the special fund as outlined in paragraph (c) of this section. For purposes of monitoring these claims, employers and insurance carriers remain parties in interest to the claim and are allowed access to all records relating to the claim. Similarly, employers and insurance carriers can initiate proceeding to modify an award of compensation after the special fund has assumed the liability to pay benefits. It is intended that employers and insurance carriers have
neither a greater nor a lesser responsibility in this new role that they not have with regard to cases that remain their sole liability. (See §702.373(d).)

(c) An employer or insurance carrier may conduct any reasonable investigation regarding cases placed into the special fund by the employer or insurance carrier. Such investigation may include, but shall not be limited to, a semi-annual request for earnings information pursuant to section 8(j) of the Act, 33 U.S.C. 908(j) (See §702.285) periodic medical examinations, vocational rehabilitation evaluations, and requests for any additional information needed to effectively monitor such a case.

amount stated, if any, he shall, within 30 days after receipt of the application or such other longer period as the district director may set, notify the district director and he shall be given an opportunity to challenge the right of the trust fund to, or the amount of, the asserted lien; notice to either the employer or its compensation insurance carrier shall constitute notice to both of them.

(d) If the claim for compensation benefits is resolved without a formal hearing and if there is no dispute over the amount of the lien or the right of the trust fund to the lien, the district director may order and impose the lien and he shall notify all parties of the amount of the lien and manner in which it is to be paid.

(e) If the claimant’s claim for compensation cannot be resolved informally, the district director shall transfer the case to the Office of the Chief Administrative Law Judge for a formal hearing, pursuant to section 19(d) of the Act, 33 U.S.C. 919(d), and 20 CFR 702.317. The district director shall also submit therewith the application for the lien and all documents relating thereto.

(f) If the administrative law judge issues a compensation order in favor of the claimant, such order shall establish a lien in favor of the trust fund if it is determined that the trust fund has satisfied all of the requirements of the Act and regulations.

(g) If the claim for compensation is not in dispute, but there is a dispute as to the right of the trust fund to a lien, or the amount of the lien, the district director shall transfer the matter together with all documents relating thereto to the Office of the Chief Administrative Law Judge for a formal hearing pursuant to section 19(d) of the Act, 33 U.S.C. 919(d), and 20 CFR 702.317.

(h) In the event that either the district director or the administrative law judge is not satisfied that the trust fund qualifies for a lien under section 17, the district director or administrative law judge may require further evidence including but not limited to the production of the collective bargaining agreement, trust agreement or portions thereof.

(i) Before any such lien is approved, if the trust fund has provided continued disability payments after the application for a lien has been filed, the trust fund shall submit a further certified statement showing the total amount paid to the claimant as disability payments. The claimant shall likewise be given an opportunity to contest the amount alleged in this subsequent statement.

(j) In approving a lien on compensation, the district director or administrative law judge shall not order an initial payment to the trust fund in excess of the amount of the past due compensation. The remaining amount to which the trust fund is entitled shall thereafter be deducted from the affected employee’s subsequent compensation payments and paid to the trust fund, but any such payment to the trust fund shall not exceed 10 percent of the claimant-employee’s bi-weekly compensation payments.

§ 702.171 Certification of exemption, general.

An employer may apply to the Director or his/her designee to certify a particular facility as one engaged in the building, repairing or dismantling of exclusively small vessels, as defined. Once certified, injuries sustained at that facility would not be covered under the Act except for injuries which occur over the navigable waters of the United States including any adjoining pier, wharf, dock, facility over land for launching vessels or for hauling, lifting or drydocking vessels. A facility otherwise covered under the Act remains covered until certification of exemption is issued; a certification will be granted only upon submission of a complete application (described in §702.174), and only for as long as a facility meets the requirements detailed in section 3(d) of the Act, 33 U.S.C. 903(d). This exemption from coverage is not intended to be used by employers whose facilities from time to time may

§ 702.173 Exemptions; requirements, limitations.

(a) Injuries at a facility otherwise covered by the Act are exempted only upon certification that the facility is:

(1) Engaged in the building, repairing or dismantling of exclusively small commercial vessels; and (2) does not receive a Federal maritime subsidy.

(b) The exemption does not apply to:

(1) Injuries at any facility which occur over the navigable waters of the United States or upon any adjoining pier, wharf, dock, facility over land for launching vessels or for hauling, lifting or drydocking vessels; or (2) where the employee at such facility is not subject to a State workers’ compensation law.

§ 702.174 Exemptions; necessary information.

(2) Description of the nature of the business.

(3) An affidavit (signed by a partner if the facility is owned by a partnership or an officer if owned by a corporation) certifying and/or acknowledging that:

(i) the facility is, as of the date of the application, engaged in the business of building, repairing or dismantling exclusively small commercial vessels and that it does not then nor foreseeably will it engage in the building, repairing or dismantling of other than small vessels.

(ii) The facility does not receive any Federal maritime subsidy.

(iii) The signatory has the duty to immediately inform the district director of any change in these or other conditions likely to result in a termination of an exemption.

§ 702.175 Action by the Director. The Director or his/her designee shall review the application within thirty (30) days of its receipt.

(1) Where the application is complete and shows that all requirements under §702.173 are met, the Director shall promptly notify the employer by certified mail, return receipt requested, that certification has been approved and will be effective on the date specified. The employer is required to post notice of the exemption at a conspicuous location.

(2) Where the application is incomplete or does not substantiate that all requirements of section 3(d) of the Act, 33 U.S.C. 903(d), have been met, or evidence shows the facility is not eligible for exemption, the Director shall issue a letter which details the reasons for the deficiency or the rejection. The employer/applicant may reapply for certification, correcting deficiencies and/or responding to the reasons for the Director’s denial. The Director or his/her designee shall issue a new decision within a reasonable time of reapplication following denial. Such action will be the final administrative review and is not appealable to the Administrative Law Judge or the Benefits Review Board.

(c) The Director or another designated individual at any time has the right to enter on and inspect any facility seeking exemption for purposes of verifying information provided on the application form.

(d) Action by the employer. Immediately upon receipt of the certificate of exemption from coverage under the Act the employer shall post:

(1) A general notice in a conspicuous place that the Act does not cover injuries sustained at the facility in question, the basis of the exemption, the effective date of the exemption and grounds for termination of the exemption.

(2) A notice, where applicable, at the entrances to all areas to which the exemption does not apply.

(Approved by the Office of Management and Budget under control number 1215–0160)

§ 702.175 Effect of work on excluded vessels; reinstatement of certification.

(a) When a vessel other than a small commercial vessel, as defined in §702.172, enters a facility which has been certified as exempt from coverage, the exemption shall automatically terminate as of the date such a vessel enters the facility. The exemption shall also terminate on the date a contract for a Federal maritime subsidy is entered into, and, in the situation where the facility undertakes to build a vessel other than a small vessel, when the construction first takes on the characteristics of a vessel, i.e., when the keel is laid. All duties, obligations and requirements imposed by the Act, including the duty to secure compensation liability as required by sections 4 and 32 of the Act, 33 U.S.C. 904 and 932, and to keep records and forward reports, are effective immediately. The employer shall notify the Director or his/her designee immediately where this occurs.

(b) Where an exemption certification is terminated because of circumstances described in (a), the employer may apply for reinstatement of the exemption once the event resulting in termination of the exemption ends. The reapplication shall consist of a reaffirmation of the nature of the business, an explanation of the circumstances leading to the termination of exemption, and an affidavit by the appropriate person affirming that the circumstances prompting the termination no longer exist nor will they reoccur in the foreseeable future and that the facility is engaged in building, repairing or dismantling exclusively small vessels. The Director or the Director’s designee shall respond to the complete reapplication within ten working days of receipt.

(a) Where a person entitled to compensation under the Act is mentally incompetent or a minor, the time limitation provision of § 702.221 shall not apply to a mentally incompetent person so long as such person has no guardian or other authorized representative, but § 702.221 shall be applicable from the date of appointment of such guardian or other representative. In the case of a minor who has no guardian before he or she becomes of age, time begins to run from the date he or she becomes of age.

(b) Where a person brings a suit at law or in admiralty to recover damages in respect of an injury or death, or files a claim under a State workers’ compensation act because such person is excluded from this Act’s coverage by reason of section 2(3) or 3(d) of the Act (33 U.S.C. 902(3) or 903(d)), and recovery is denied because the person was an employee and defendant was an employer within the meaning of the Act, and such employer had secured compensation to such employee under the Act, the time limitation in § 702.221 shall not begin to run until the date of termination of such suit or proceeding.

(c) Notwithstanding the provisions in paragraph (a) of this section, where the claim is one based on disability or death due to an occupational disease which does not immediately result in death or disability, it must be filed within two years after the employee or claimant becomes aware, or in the exercise of reasonable diligence or by reason of medical advice, should have been aware of the relationship between the employment, the disease and the death or disability, or within one year of the date of last payment of compensation, whichever is later. For purposes of occupational disease, therefore, the time limitation for filing a claim does not begin to run until the employee is disabled, or in the case of a retired employee, where a permanent impairment exists.

(d) The time limitations set forth above do not apply to claims filed under section 49 of the Act, 33 U.S.C. 949.

§ 702.223 Claims; time limitations; time to object.

Notwithstanding the requirements of § 702.221, failure to file a claim within the period prescribed in such section shall not be a bar to such right unless objection to such failure is made at the first hearing of such claim in which all parties in interest are given reasonable notice and opportunity to be heard.

§ 702.224 Claims; notification of employer of filing by employee.

Within 10 days after the filing of a claim for compensation for injury or death under the Act, the district director shall give written notice thereof to the employer or carrier, served personally or by mail.
§ 702.225 Withdrawal of a claim.

(a) Before adjudication of claim. A claimant (or an individual who is authorized to execute a claim on his behalf) may withdraw his previously filed claim: Provided, That:

(1) He files with the district director with whom the claim was filed a written request stating the reasons for withdrawal;

(2) The claimant is alive at the time his request for withdrawal is filed;

(3) The district director approves the request for withdrawal as being for a proper purpose and in the claimant’s best interest; and

(4) The request for withdrawal is filed, on or before the date the OWCP makes a determination on the claim.

(b) After adjudication of claim. A claim for benefits may be withdrawn by a written request filed after the date the OWCP makes a determination on the claim: Provided, That:

(1) The conditions enumerated in paragraphs (a) (1) through (3) of this section are met; and

(2) There is repayment of the amount of benefits previously paid because of the claim that is being withdrawn or it can be established to the satisfaction of the Office that repayment of any such amount is assured.

(c) Effect of withdrawal of claim. Where a request for withdrawal of a claim is filed and such request for withdrawal is approved, such withdrawal shall be without prejudice to the filing of another claim, subject to the time limitation provisions of section 13 of the Act and of the regulations in this part.

§ 702.233 Penalty for failure to pay without an award.

If any installment of compensation payable without an award is not paid within 14 days after it becomes due, there shall be added to such unpaid installment an amount equal to 10 per centum thereof which shall be paid at the same time as, but in addition to, such installment unless the employer files notice of controversion in accordance with §702.261, or unless such non-payment is excused by the district director after a showing by the employer that owing to conditions over which he had no control such installment could not be paid within the period prescribed for the payment.

[50 FR 399, Jan. 3, 1985]

§ 702.234 Report by employer of commencement and suspension of payments.

Immediately upon making the first payment of compensation, and upon the suspension of payments once begun, the employer shall notify the district director having jurisdiction over the place where the injury or death occurred of the commencement or suspension of payments, as the case may be.
§ 702.235 Report by employer of final payment of compensation.

(a) Within 16 days after the final payment of compensation has been made, the employer, the insurance carrier, or where the employer is self-insured, the employer shall notify the district director on a form prescribed by the Secretary, stating that such final payment has been made, the total amount of compensation paid, the name and address of the person(s) to whom payments were made, the date of the injury or death and the name of the injured or deceased employee, and the inclusive dates during which compensation was paid.

(b) A “final payment of compensation” for the purpose of applying the penalty provision of §702.236 shall be deemed any one of the following:

(1) The last payment of compensation made in accordance with a compensation order awarding disability or death benefits, issued by either a district director or an administrative law judge;

(2) The payment of an agreed settlement approved under section 8(i) (A) or (B), of the Act, 33 U.S.C. 908(i);

(3) The last payment made pursuant to an agreement reached by the parties through informal proceedings;

(4) Any other payment of compensation which anticipates no further payments under the Act.

§ 702.236 Penalty for failure to report termination of payments.

Any employer failing to notify the district director that the final payment of compensation has been made as required by §702.235 shall be assessed a civil penalty in the amount of $100.00. Provided, however, that for any violation occurring on or after November 17, 1997 the civil penalty will be $110.00. The district director has the authority and responsibility for assessing a civil penalty under this section.

§ 702.241 Definitions and supplemental information.

(a) As used hereinafter, the term adjudicator shall mean district director or administrative law judge (ALJ).

(b) If a settlement application is submitted to an adjudicator and the case is pending at the Office of Administrative Law Judges, the Benefits Review Board, or any Federal circuit court of appeals, the parties may request that the case be remanded to the adjudicator for consideration of the application. The thirty day period as described in paragraph (f) of this section begins when the remanded case is received by the adjudicator.

(c) If a settlement application is first submitted to an ALJ, the thirty day period mentioned in paragraph (f) of this section does not begin until five days before the date the formal hearing is set. This rule does not preclude the parties from submitting the application at any other time such as (1) after the case is referred for hearing, (2) at the hearing, or (3) after the hearing but before the ALJ issues a decision and order. Where a case is pending before the ALJ but not set for a hearing, the parties may request the case be remanded to the district director for consideration of the settlement.

(d) A settlement agreement between parties represented by counsel, which is deemed approved when not disapproved within thirty days, as described in paragraph (f) of this section, shall be considered to have been filed in the office of the district director on the thirtieth day for purposes of sections 14 and 21 of the Act, 33 U.S.C. 914 and 921.

(e) A fee for representation which is included in an agreement that is approved in the manner described in paragraph (d) of this section, shall also be considered approved within the meaning of section 28(e) of the Act, 33 U.S.C. 928(e).

(f) The thirty day period for consideration of a settlement agreement shall be calculated from the day after receipt unless the parties are advised otherwise by the adjudicator. (See §702.243(b)). If the last day of this period is a holiday or occurs during a
Employment Standards Administration, Labor

§ 702.243 Settlement application; how submitted, how approved, how disapproved, criteria.

(a) When the parties to a claim for compensation, including survivor benefits and medical benefits, agree to a settlement they shall submit a complete application to the adjudicator. The application shall contain all the information outlined in §702.242 and shall be sent by certified mail, return receipt requested or submitted in person, or by any other delivery service with proof of delivery to the adjudicator. Failure to submit a complete application shall toll the thirty day period mentioned in section 8(i) of the
§ 702.251

Act, 33 U.S.C. 908(i), until a complete application is received.

(b) The adjudicator shall consider the settlement application within thirty days and either approve or disapprove the application. The liability of an employer/insurance carrier is not discharged until the settlement is specifically approved by a compensation order issued by the adjudicator. However, if the parties are represented by counsel, the settlement shall be deemed approved unless specifically disapproved within thirty days after receipt of a complete application. This thirty day period does not begin until all the information described in §702.242 has been submitted. The adjudicator shall examine the settlement application within thirty days and shall immediately serve on all parties notice of any deficiency. This notice shall also indicate that the thirty day period will not commence until the deficiency is corrected.

(c) If the adjudicator disapproves a settlement application, the adjudicator shall serve on all parties a written statement or order containing the reasons for disapproval. This statement shall be served by certified mail within thirty days of receipt of a complete application (as described in §702.242.) if the parties are represented by counsel. If the disapproval was made by a district director, any party to the settlement may request a hearing before an ALJ as provided in sections 8 and 19 of the Act, 33 U.S.C. 908 and 919, or an amended application may be submitted to the district director. If, following the hearing, the ALJ disapproves the settlement, the parties may: (1) Submit a new application, (2) file an appeal with the Benefits Review Board as provided in section 21 of the Act, 33 U.S.C. 921, or (3) proceed with a hearing on the merits of the claim. If the application is initially disapproved by an ALJ, the parties may (1) submit a new application or (2) proceed with a hearing on the merits of the claim.

(d) The parties may submit a settlement application solely for compensation, or solely for medical benefits or for compensation and medical benefits combined.

(e) If either portion of a combined compensation and medical benefits settlement application is disapproved the entire application is disapproved unless the parties indicate on the face of the application that they agree to settle either portion independently.

(f) When presented with a settlement, the adjudicator shall review the application and determine whether, considering all of the circumstances, including, where appropriate, the probability of success if the case were formally litigated, the amount is adequate. The criteria for determining the adequacy of the settlement application shall include, but not be limited to:

1. The claimant’s age, education and work history;
2. The degree of the claimant’s disability or impairment;
3. The availability of the type of work the claimant can do;
4. The cost and necessity of future medical treatment (where the settlement includes medical benefits).

(g) In cases being paid pursuant to a final compensation order, where no substantive issues are in dispute, a settlement amount which does not equal the present value of future compensation payments commuted, computed at the discount rate specified below, shall be considered inadequate unless the parties to the settlement show that the amount is adequate. The probability of the death of the beneficiary before the expiration of the period during which he or she is entitled to compensation shall be determined according to the most current United States Life Table, as developed by the United States Department of Health and Human Services, which shall be updated from time to time. The discount rate shall be equal to the coupon issue yield equivalent (as determined by the Secretary of the Treasury) of the average accepted auction price for the last auction of 52 weeks U.S. Treasury Bills settled immediately prior to the date of the submission of the settlement application.

CONTROVERTED CLAIMS

§ 702.251 Employer’s controversion of the right to compensation.

Where the employer controverts the right to compensation after notice or
knowledge of the injury or death, or after receipt of a written claim, he shall give notice thereof, stating the reasons for controverting the right to compensation, using the form prescribed by the Director. Such notice, or answer to the claim, shall be filed with the district director within 14 days from the date the employer receives notice or has knowledge of the injury or death. The original notice shall be sent to the district director having jurisdiction, and a copy thereof shall be given or mailed to the claimant.

[38 FR 26861, Sept. 26, 1973, as amended at 49 FR 18294, Apr. 30, 1984]

§ 702.271 Discrimination; against employees who bring proceedings, prohibition and penalty.

(a)(1) No employer or its duly authorized agent may discharge or in any manner discriminate against an employee as to his/her employment because that employee: (i) Has claimed or attempted to claim compensation under this Act; or (ii) has testified or is about to testify in a proceeding under this Act. To discharge or refuse to employ a person who has been adjudicated to have filed a fraudulent claim for compensation or otherwise made a false statement or misrepresentation under section 31(a)(1) of the Act, 33 U.S.C. 931(a)(1), is not a violation of this section.

(b) When a district director receives a complaint from an employee alleging discrimination as defined under section 49, he or she shall notify the employer, and within five working days, initiate specific inquiry to determine all the facts and circumstances pertaining thereto. This may be accomplished by interviewing the employee, employer representatives and other parties who may have information about the matter. Interviews may be conducted by written correspondence, telephone or personal interview.
§ 702.272 Informal recommendation by district director.

(a) If the district director determines that the employee has been discharged or suffered discrimination and is able to resume his or her duties, the district director will recommend that the employer reinstate the employee and/or make such restitution as is indicated by the circumstances of the case, including compensation for any wage loss suffered as the result of the discharge or discrimination. The district director may also assess the employer an appropriate penalty, as determined under authority vested in the district director by the Act. If the district director determines that no violation occurred he shall notify the parties of his findings and the reasons for recommending that the complaint be denied. If the employer and employee accept the district director’s recommendation, it will be incorporated in an order and mailed to each party within 10 days.

(b) If the parties do not agree to the recommendation, the district director shall, within 10 days after receipt of the rejection, prepare a memorandum summarizing the disagreement, mail a copy to all interested parties, and shall within 14 days thereafter refer the case to the Office of the Chief Administrative Law Judge for hearing pursuant to §702.317.

[42 FR 45302, Sept. 9, 1977]

§ 702.273 Adjudication by Office of the Chief Administrative Law Judge.

The Office of Administrative Law Judges is responsible for final determinations of all disputed issues connected with the discrimination complaint, including the amount of penalty to be assessed, and shall proceed with a formal hearing as described in §§702.331 to 702.394.

[42 FR 45302, Sept. 9, 1977]

§ 702.274 Employer’s refusal to pay penalty.

In the event the employer refuses to pay the penalty assessed, the district director shall refer the complete administrative file to the Associate Director, Division of Longshore and Harbor Workers’ Compensation, for subsequent transmittal to the Associate Solicitor for Employee Benefits, with the request that appropriate legal action be taken to recover the penalty.

[42 FR 45302, Sept. 9, 1977]

§ 702.281 Third party action.

(a) Every person claiming benefits under this Act (or the representative) shall promptly notify the employer and the district director when:

1. A claim is made that someone other than the employer or person or persons in its employ, is liable in damages to the claimant because of the injury or death and identify such party by name and address.

2. Legal action is instituted by the claimant or the representative against some person or party other than the employer or a person or persons in his employ, on the ground that such other person is liable in damages to the claimant on account of the compensable injury and/or death; specify the amount of damages claimed and identify the person or party by name and address.

3. Any settlement, compromise or any adjudication of such claim has
been effected and report the terms, conditions and amounts of such resolution of claim.

(b) Where the claim or legal action instituted against a third party results in a settlement agreement which is for an amount less than the compensation to which a person would be entitled under this Act, the person (or the person’s representative) must obtain the prior, written approval of the settlement from the employer and the employer’s carrier before the settlement is executed. Failure to do so relieves the employer and/or carrier of liability for compensation described in section 33(f) of Act, 33 U.S.C. 933(f) and for medical benefits otherwise due under section 7 of the Act, 33 U.S.C. 907, regardless of whether the employer or carrier has made payments of acknowledged entitlement to benefits under the Act. The approval shall be on a form provided by the Director and filed, within thirty days after the settlement is entered into, with the district director who has jurisdiction in the district where the injury occurred.

§ 702.286 Report of earnings; forfeiture of compensation.

(a) Any employee who fails to submit the report on earnings from employment or self-employment under § 702.285 or, who knowingly and willingly omits or understates any part of such earnings, shall upon a determination by the district director forfeit all right to compensation with respect to any period during which the employee was required to file such a report. The employee must return the completed report on earnings (even where he or she reports no earnings) within thirty (30) days of the date of receipt; this period may be extended for good cause, by the district director, in determining whether a violation of this requirement has occurred.

(b) Any employer or carrier who believes that a violation of paragraph (a) of this section has occurred may file a charge with the district director. The allegation shall be accompanied by evidence which includes a copy of the report, with proof of service requesting the information from the employee and clearly stating the dates for which the employee was required to report income. Where the employer/carrier is alleging an omission or understatement of earnings, it shall, in addition, present evidence of earnings by the employee during that period, including copies of checks, affidavits from employers who paid the employee earnings, receipts of income from self-employment or any other evidence showing earnings not reported or underreported for the period in question. Where the district director finds the evidence sufficient to support the charge he or she shall convene an informal conference as described in subpart C and shall issue a compensation order affirming or denying the charge and setting forth the amount of compensation for the specified period. If there is a conflict over any issue relating to this matter any party may request a formal hearing before an Administrative Law Judge as described in subpart C.
§ 702.301 Scope of this subpart.

The regulations in this subpart govern the adjudication of claims in which the employer has filed a notice of controversion under §702.251, or the employee has filed notice of contest under §702.261. In the vast majority of cases, the problem giving rise to the controversy results from misunderstandings, clerical or mechanical errors, or mistakes of fact or law. Such problems seldom require resolution through formal hearings, with the attendant production of expert witnesses. Accordingly, by §702.311 et seq., the district directors are empowered to amicably and promptly resolve such problems by informal procedures. Where there is a genuine dispute of fact or law which cannot be so disposed of informally, resort must be had to the formal hearing procedures as set forth beginning at §702.331. Supplementary compensation orders, modifications, and interlocutory matters are governed by regulations beginning with §702.371. Thereafter, appeals from compensation orders are discussed beginning with §702.391 (the regulations of the Benefits Review Board are set forth in full in part 802 of this title).

§ 702.301 Scope of this subpart.

(c) Compensation forfeited under paragraph (b) of this section, if already paid, shall be recovered by a deduction from the compensation payable to the employee if any, on such schedule as determined by the district director. The district director’s discretion in such cases extends only to rescheduling repayment by crediting future compensation and not to whether and in what amounts compensation is forfeited. For this purpose, the district director shall consider the employee’s essential expenses for living, income from whatever source, and assets, including cash, savings and checking accounts, stocks, bonds, and other securities.

Subpart C—Adjudication Procedures

GENERAL

§ 702.301 Scope of this subpart.

The regulations in this subpart govern the adjudication of claims in which the employer has filed a notice of controversion under §702.251, or the employee has filed notice of contest under §702.261. In the vast majority of cases, the problem giving rise to the controversy results from misunderstandings, clerical or mechanical errors, or mistakes of fact or law. Such problems seldom require resolution through formal hearings, with the attendant production of expert witnesses. Accordingly, by §702.311 et seq., the district directors are empowered to amicably and promptly resolve such problems by informal procedures. Where there is a genuine dispute of fact or law which cannot be so disposed of informally, resort must be had to the formal hearing procedures as set forth beginning at §702.331. Supplementary compensation orders, modifications, and interlocutory matters are governed by regulations beginning with §702.371. Thereafter, appeals from compensation orders are discussed beginning with §702.391 (the regulations of the Benefits Review Board are set forth in full in part 802 of this title).

ACTION BY DISTRICT DIRECTORS

§ 702.311 Handling of claims matters by district directors; informal conferences.

The district director is empowered to resolve disputes with respect to claims in a manner designed to protect the rights of the parties and also to resolve such disputes at the earliest practicable date. This will generally be accomplished by informal discussions by telephone or by conferences at the district director’s office. Some cases will be handled by written correspondence. The regulations governing informal conferences at the district director’s office with all parties present are set forth below. When handling claims by telephone, or at the office with only one of the parties, the district director and his staff shall make certain that a full written record be made of the matters discussed and that such record be placed in the administrative file. When claims are handled by correspondence, copies of all communications shall constitute the administrative file.

§ 702.312 Informal conferences; called by and held before whom.

Informal conferences shall be called by the district director or his designee assigned or reassigned the case and held before that same person, unless such person is absent or unavailable. When so assigned, the designee shall perform the duties set forth above as assigned to the district director, except that a compensation order following an agreement shall be issued only by a person so designated by the Director to perform such duty.

[42 FR 45303, Sept. 9, 1977]

§ 702.313 Informal conferences; how called; when called.

Informal conferences may be called upon not less than 10 days’ notice to the parties, unless the parties agree to meet at an earlier date. The notice may be given by telephone, but shall be confirmed by use of a written notice on a form prescribed by the Director. The notice shall indicate the date, time and place of the conference, and shall also specify the matters to be discussed. For good cause shown conferences may be rescheduled. A copy of such notice
shall be placed in the administrative file.

§ 702.314 Informal conferences; how conducted; where held.

(a) No stenographic report shall be taken at informal conferences and no witnesses shall be called. The district director shall guide the discussion toward the achievement of the purpose of such conference, recommending courses of action where there are disputed issues, and giving the parties the benefit of his experience and specialized knowledge in the field of workmen’s compensation.

(b) Conferences generally shall be held at the district director’s office. However, such conferences may be held at any place which, in the opinion of the district director, will be of greater convenience to the parties or to their representatives.

§ 702.315 Conclusion of conference; agreement on all matters with respect to the claim.

(a) Following an informal conference at which agreement is reached on all issues, the district director shall (within 10 days after conclusion of the conference), embody the agreement in a memorandum or within 30 days issue a formal compensation order, to be filed and mailed in accordance with § 702.349. If either party requests that a formal compensation order be issued the district director shall, within 30 days of such request, prepare, file, and serve such order in accordance with § 702.349.

Where the problem was of such nature that it was resolved by telephone discussion or by exchange of written correspondence, the parties shall be notified by the same means that agreement was reached and the district director shall prepare a memorandum or order setting forth the terms agreed upon. In either instance, when the employer or carrier has agreed to pay, reinstate or increase monetary compensation benefits, or to restore or appropriately change medical care benefits, such action shall be commenced immediately upon becoming aware of the agreement, and without awaiting receipt of the memorandum or the formal compensation order.

(b) Where there are several conferences or discussions, the provisions of paragraph (a) of this section do not apply until the last conference. The district director shall, however, prepare and place in his administrative file a short, succinct memorandum of each preceding conference or discussion.

§ 702.316 Conclusion of conference; no agreement on all matters with respect to the claim.

When it becomes apparent during the course of the informal conference that agreement on all issues cannot be reached, the district director shall bring the conference to a close, shall evaluate all evidence available to him or her, and after such evaluation shall prepare a memorandum of conference setting forth all outstanding issues, such facts or allegations as appear material and his or her recommendations and rationale for resolution of such issues. Copies of this memorandum shall then be sent to each of the parties or their representatives, who shall then have 14 days within which to signify in writing to the district director whether they agree or disagree with his or her recommendations. If they agree, the district director shall proceed as in §702.315(a). If they disagree (Caution: See §702.134), then the district director may schedule such further conference or conferences as, in his or her opinion, may bring about agreement; if he or she is satisfied that any further conference would be unproductive, or if any party has requested a hearing, the district director shall prepare the case for transfer to the Office of the Chief Administrative Law Judge (See §§702.317, §§702.331–702.351).

§ 702.317 Preparation and transfer of the case for hearing.

A case is prepared for transfer in the following manner:

(a) The district director shall furnish each of the parties or their representatives with a copy of a prehearing statement form.
§ 702.318 The record; what constitutes; nontransferability of the administrative file.

For the purpose of any further proceedings under the Act, the formal record of proceedings shall consist of the hearing record made before the administrative law judge (see §702.344). When transferring the case for hearing pursuant to §702.317, the district director shall not transfer the administrative file under any circumstances.

§ 702.319 Obtaining documents from the administrative file for reintroduction at formal hearings.

Whenever any party considers any document in the administrative file essential to any further proceedings under the Act, it is the responsibility of such party to obtain such document from the district director and reintroduce it for the record before the administrative law judge. The type of document that may be obtained shall be limited to documents previously submitted to the district director, including documents or forms with respect to notices, claims, controversions, contests, progress reports, medical services or supplies, etc. The work products of the district director or his staff shall not be subject to retrieval. The procedure for obtaining documents shall be for the requesting party to inform the district director in writing of the documents he wishes to obtain, specifying them with particularity. Upon receipt, the district director shall cause copies of the requested documents to be made and then:

(a) Place the copies in the file together with the letter of request, and
(b) promptly forward the originals to the requesting party. The handling of multiple requests for the same document shall be within the discretion of the district director and with the cooperation of the requesting parties.
SPECIAL FUND

§ 702.321 Procedures for determining applicability of section 8(f) of the Act.

(a) Application: filing, service, contents.
(1) An employer or insurance carrier which seeks to invoke the provisions of section 8(f) of the Act must request limitation of its liability and file, in duplicate, with the district director a fully documented application. A fully documented application shall contain the following information: (i) A specific description of the pre-existing condition relied upon as constituting an existing permanent partial disability; (ii) the reasons for believing that the claimant’s permanent disability after the injury would be less were it not for the pre-existing permanent partial disability or that the death would not have ensued but for that disability. These reasons must be supported by medical evidence as specified in paragraph (a)(1)(iv) of this section; (iii) the basis for the assertion that the pre-existing condition relied upon was manifest in the employer; and (iv) documentary medical evidence relied upon in support of the request for section 8(f) relief. This medical evidence shall include, but not be limited to, a current medical report establishing the extent of all impairments and the date of maximum medical improvement. If the claimant has already reached maximum medical improvement, a report prepared at that time will satisfy the requirement for a current medical report. If the current disability is total, the medical report must explain why the disability is not due solely to the second injury. If the current disability is partial, the medical report must explain why the disability is not due solely to the second injury and why the resulting disability is materially and substantially greater than that which would have resulted from the subsequent injury alone. If the injury is loss of hearing, the pre-existing hearing loss must be documented by an audiogram which complies with the requirements of §702.441. If the claim is for survivor’s benefits, the medical report must establish that the death was not due solely to the second injury. Any other evidence considered necessary for consideration of the request for section 8(f) relief must be submitted when requested by the district director or Director.

(2) If claim is being paid by the special fund and the claimant dies, an employer need not reapply for section 8(f) relief. However, survivor benefits will not be paid until it has been established that the death was due to the accepted injury and the eligible survivors have been identified. The district director will issue a compensation order after a claim has been filed and entitlement of the survivors has been verified. Since the employer remains a party in interest to the claim, a compensation order will not be issued without the agreement of the employer.

(b) Application: Time for filing. (1) A request for section 8(f) relief should be made as soon as the permanency of the claimant’s condition becomes known or is an issue in dispute. This could be when benefits are first paid for permanent disability, or at an informal conference held to discuss the permanency of the claimant’s condition. Where the claim is for death benefits, the request should be made as soon as possible after the date of death. Along with the request for section 8(f) relief, the applicant must also submit all the supporting documentation required by this section, described in paragraph (a), of this section. Where possible, this documentation should accompany the request, but may be submitted separately, in which case the district director shall, at the time of the request, fix a date for submission of the fully documented application. The date shall be fixed as follows:

(i) Where notice is given to all parties that permanency shall be an issue at an informal conference, the fully documented application must be submitted at or before the conference. For these purposes, notice shall mean when the issues of permanency is noted on the form LS–141, Notice of Informal Conference. All parties are required to list issue reasonably anticipated to be discussed at the conference when the initial request for a conference is made and to notify all parties of additional issues which arise during the period before the conference is actually held.
§ 702.331  Formal hearings; procedure initiating.

Formal hearings are initiated by transmitting to the Office of the Chief Administrative Law Judge the pre-hearing statement forms, the available evidence which the parties intend to

(i) Where the issue of permanency is first raised at the informal conference and could not have reasonably been anticipated by the parties prior to the conference, the district director shall adjourn the conference and establish the date by which the fully documented application must be submitted and so notify the employer/carrier. The date shall be set by the district director after reviewing the circumstances of the case.

(2) At the request of the employer or insurance carrier, and for good cause, the district director, at his/her discretion, may grant an extension of the date for submission of the fully documented application. In fixing the date for submission of the application under circumstances other than described above or in considering any request for an extension of the date for submitting the application, the district director shall consider all the circumstances of the case, including but not limited to: Whether the claimant is being paid compensation and the hardship to the claimant of delaying referral of the case to the Office of Administrative Law Judges (OALJ); the complexity of the issues and the availability of medical and other evidence to the employer; the length of time the employer was or should have been aware that permanency is an issue; and, the reasons listed in support of the request. If the employer/carrier requested a specific date, the reasons for selection of that date will also be considered. Neither the date selected for submission of the fully documented application nor any extension therefrom can go beyond the date the case is referred to the OALJ for formal hearing.

(3) Where the claimant’s condition has not reached maximum medical improvement and no claim for permanency is raised by the date the case is referred to the OALJ, an application need not be submitted to the district director to preserve the employer’s right to later seek relief under section 8(f) of the Act. In all other cases, failure to submit a fully documented application by the date established by the district director shall be an absolute defense to the liability of the special fund. This defense is an affirmative defense which must be raised and pleaded by the Director. The absolute defense will not be raised where permanency was not an issue before the district director. In all other cases, where permanency has been raised, the failure of an employer to submit a timely and fully documented application for section 8(f) relief shall not prevent the district director, at his/her discretion, from considering the claim for compensation and transmitting the case for formal hearing. The failure of an employer to present a timely and fully documented application for section 8(f) relief may be excused only where the employer could not have reasonably anticipated the liability of the special fund prior to the consideration of the claim by the district director. Relief under section 8(f) is not available to an employer who fails to comply with section 32(a) of the Act, 33 U.S.C. 932(a).

(c) Application: Approval, disapproval. If all the evidence required by paragraph (a) was submitted with the application for section 8(f) relief and the facts warrant relief under this section, the district director shall award such relief after concurrence by the Associate Director, DLHWC, or his or her designee. If the district director or the Associate Director or his or her designee finds that the facts do not warrant relief under section 8(f) the district director shall advise the employer of the grounds for the denial. The application for section 8(f) relief may then be considered by an administrative law judge. When a case is transmitted to the Office of Administrative Law Judges the district director shall also attach a copy of the application for section 8(f) relief submitted by the employer, and, notwithstanding §702.317(c), the district director’s denial of the application.

§ 702.332 Formal hearings; how con-
ducted.

Formal hearings shall be conducted
by the administrative law judge as-
signed the case by the Office of the
Chief Administrative Law Judge in ac-
cordance with the provisions of the Ad-
ministrative Procedure Act, 5 U.S.C.
554 et seq. All hearings shall be tran-
scribed.

§ 702.333 Formal hearings; parties.

(a) The necessary parties for a formal
hearing are the claimant and the em-
ployer or insurance carrier, and the ad-
ministrative law judge assigned the
case.

(b) The Solicitor of Labor or his des-
ignee may appear and participate in
any formal hearing held pursuant to
these regulations on behalf of the Di-
rector as an interested party.

§ 702.334 Formal hearings; representa-
tives of parties.

The claimant and the employer or
carrier may be represented by persons
of their choice.

§ 702.335 Formal hearings; notice.

On a form prescribed for this purpose,
the Office of the Chief Administrative
Law Judge shall notify the parties (See
§702.333) of the place and time of the
formal hearing not less than 30 days in
advance thereof.

[42 FR 42552, Aug. 23, 1977]

§ 702.336 Formal hearings; new issues.

(a) If, during the course of the formal
hearing, the evidence presented war-
tants consideration of an issue or
issues not previously considered, the
hearing may be expanded to include
the new issue. If in the opinion of the
administrative law judge the new issue
requires additional time for prepara-
tion, the parties shall be given a rea-
sonable time within which to prepare
for it. If the new issue arises from evi-
dence that has not been considered by
the district director, and such evidence
is likely to resolve the case without
the need for a formal hearing, the ad-
ministrative law judge may remand the
case to the district director for his or
her evaluation and recommendation
pursuant to, §702.316.

(b) At any time prior to the filing of
the compensation order in the case, the
administrative law judge may in his
discretion, upon the application of a
party or upon his own motion, give no-
tice that he will consider any new
issue. The parties shall be given not
less than 10 days' notice of the hearing
on such new issue. The parties may
stipulate that the issue may be heard
at an earlier time and shall proceed to
a hearing on the new issue in the same
manner as on an issue initially consid-
ered.

§ 702.337 Formal hearings; change of
time or place for hearings; post-
ponements.

(a) Except for good cause shown,
hearings shall be held at convenient lo-
cations not more than 75 miles from
the claimant’s residence.

(b) Once a formal hearing has been
scheduled, continuances shall not be
granted except in cases of extreme
hardship or where attendance of a
party or his or her representative is
mandated at a previously scheduled ju-
dicial proceeding. Unless the ground
for the request arises thereafter, re-
quests for continuances must be re-
ceived by the Chief Administrative
Law Judge at least 10 days before the
scheduled hearing date, must be served
upon the other parties and must speci-
fy the extreme hardship or previously
scheduled judicial proceeding claimed.

(c) The Chief Administrative Law
Judge or the administrative law judge
assigned to the case may change the
time and place of the hearing, or tem-
porarily adjourn a hearing, on his own
motion or for good cause shown by a
party. The parties shall be given not
less than 10 days’ notice of the new
time and place of the hearing, unless
they agree to such change without no-
tice.

[42 FR 42552, Aug. 23, 1977]
§ 702.338 Formal hearings; general procedures.

All hearings shall be attended by the parties or their representatives and such other persons as the administrative law judge deems necessary and proper. The administrative law judge shall inquire fully into the matters at issue and shall receive in evidence the testimony of witnesses and any documents which are relevant and material to such matters. If the administrative law judge believes that there is relevant and material evidence available which has not been presented at the hearing, he may adjourn the hearing or, at any time, prior to the filing of the compensation order, reopen the hearing for the receipt of such evidence. The order in which evidence and allegations shall be presented and the procedures at the hearings generally, except as these regulations otherwise expressly provide, shall be in the discretion of the administrative law judge and of such nature as to afford the parties a reasonable opportunity for a fair hearing.

§ 702.339 Formal hearings; evidence.

In making an investigation or inquiry or conducting a hearing, the administrative law judge shall not be bound by common law or statutory rules of evidence or by technical or formal rules of procedure, except as provided by 5 U.S.C. 554 and these regulations; but may make such investigation or inquiry or conduct such hearing in such a manner as to best ascertain the rights of the parties.

§ 702.340 Formal hearings; witnesses.

(a) Witnesses at the hearing shall testify under oath or affirmation. The administrative law judge may examine the witnesses and shall allow the parties or their representatives to do so.

(b) No person shall be required to attend as a witness in any proceeding before an administrative law judge at a place more than 100 miles from his place of residence, unless his lawful mileage and fees for one day’s attendance shall be paid or tendered to him in advance of the hearing date.

§ 702.341 Formal hearings; depositions; interrogatories.

The testimony of any witness, including any party represented by counsel, may be taken by deposition or interrogatory according to the Federal Rules of Civil Procedure as supplemented by local rules of practice for the Federal district court for the judicial district in which the case is pending. However, such depositions or interrogatories must be completed within reasonable times to be fixed by the Chief Administrative Law Judge or the administrative law judge assigned to the case.

[42 FR 24532, Aug. 23, 1977]

§ 702.342 Formal hearings; witness fees.

Witnesses summoned in a formal hearing before an administrative law judge or whose depositions are taken shall receive the same fees and mileage as witnesses in courts of the United States (33 U.S.C. 925).

§ 702.343 Formal hearings; oral argument and written allegations.

Any party upon request shall be allowed a reasonable time for presentation of oral argument and shall be permitted to file a pre-hearing brief or other written statement of fact or law. A copy of any such pre-hearing brief or other written statement shall be filed with the Chief Administrative Law Judge or the administrative law judge assigned to the case before or during the proceeding at which evidence is submitted to the administrative law judge and shall be served upon each other party. Post-hearing briefs will not be permitted except at the request of the administrative law judge or upon averment on the record of a party that the case presents a specific novel or difficult legal or factual issue (or issues) that cannot be adequately addressed in oral summation. When permitted, any such brief shall be limited to the issue or issues specified by the administrative law judge or by the party in his or her averment and shall be due from any party desiring to address such issue or issues within 15 days of the conclusion of the proceeding at which evidence is submitted.
to the administrative law judge. Enlargement of the time for filing such briefs shall be granted only if the administrative law judge is persuaded that the brief will be helpful to him or her and that the enlargement granted will not delay decision of the case.

(42 FR 42552, Aug. 23, 1977)

§702.344 Formal hearings; record of hearing.

All formal hearings shall be open to the public and shall be stenographically reported. All evidence upon which the administrative law judge relies for his final decision shall be contained in the transcript of testimony either directly or by appropriate reference. All medical reports, exhibits, and any other pertinent document or record, in whole or in material part, shall be incorporated into the record either by reference or as an appendix.

§702.345 Formal hearings; consolidated issues; consolidated cases.

(a) When one or more additional issues are raised by the administrative law judge pursuant to §702.336, such issues may, in the discretion of the administrative law judge, be consolidated for hearing and decision with other issues pending before him.

(b) When two or more cases are transferred for formal hearings and have common questions of law or which arose out of a common accident, the Chief Administrative Law Judge may consolidate such cases for hearing.

§702.346 Formal hearings; waiver of right to appear.

If all parties waive their right to appear before the administrative law judge or to present evidence or argument personally or by representative, it shall not be necessary for the administrative law judge to give notice of and conduct an oral hearing. A waiver of the right to appear and present evidence and allegations as to facts and law shall be made in writing and filed with the Chief Administrative Law Judge or the administrative law judge. Where such a waiver has been filed by all parties, and they do not appear before the administrative law judge personally or by representative, the administrative law judge shall make a record of the relevant written evidence submitted by the parties, together with any pleadings they may submit with respect to the issues in the case. Such documents shall be considered as all of the evidence in the case and the decision shall be based on them.

§702.347 Formal hearings; termination.

(a) Formal hearings are normally terminated upon the conclusion of the proceeding at which evidence is submitted to the administrative law judge.

(b) In exceptional cases the Chief Administrative Law Judge or the administrative law judge assigned to the case may, in his or her discretion, extend the time for official termination of the hearing.

[42 FR 42552, Aug. 23, 1977]

§702.348 Formal hearings; preparation of final decision and order; content.

Within 20 days after the official termination of the hearing as defined by §702.347, the administrative law judge shall have prepared a final decision and order, in the form of a compensation order, with respect to the claim, making an award to the claimant or rejecting the claim. The compensation order shall contain appropriate findings of facts and conclusions of law with respect thereto, and shall be concluded with one or more paragraphs containing the order of the administrative law judge, his signature, and the date of issuance.

§702.349 Formal hearings; filing and mailing of compensation orders; disposition of transcripts.

The administrative law judge shall, within 20 days after the official termination of the hearing, deliver by mail, or otherwise, to the office of the district director having original jurisdiction, the transcript of the hearing, other documents or pleadings filed with him with respect to the claim, together with his signed compensation order. Upon receipt thereof, the district director, being the official custodian of all records with respect to such claims within his jurisdiction, shall formally date and file the transcript, pleadings, and compensation order (original) in his office. Such filing shall
be accomplished by the close of business on the next succeeding working day, and the district director shall, on the same day as the filing was accomplished, send by certified mail a copy of the compensation order to the parties and to representatives of the parties, if any. Appended to each such copy shall be a paragraph entitled “proof of service” containing the certification of the district director that the copies were mailed on the date stated, to each of the parties and their representatives, as shown in such paragraph.

§ 702.350 Finality of compensation orders.

Compensation orders shall become effective when filed in the office of the district director, and unless proceedings for suspension or setting aside of such orders are instituted within 30 days of such filing, shall become final at the expiration of the 30th day after such filing, as provided in section 21 of the Act 33 U.S.C. 921. If any compensation payable under the terms of such order is not paid within 10 days after it becomes due, section 14(f) of the Act requires that there be added to such unpaid compensation an amount equal to 20 percent thereof which shall be paid at the same time as, but in addition to, such compensation unless review of the compensation order is had as provided in such section 21 and an order staying payment has been issued by the Benefits Review Board or the reviewing court.

§ 702.351 Withdrawal of controversion of issues set for formal hearing; effect.

Whenever a party withdraws his controversion of the issues set for a formal hearing, the administrative law judge shall halt the proceedings upon receipt from said party of a signed statement to that effect and forthwith notify the district director who shall then proceed to dispose of the case as provided for in §702.315.

INTERLOCUTORY MATTERS, SUPPLEMENTARY ORDERS, AND MODIFICATIONS

§ 702.371 Interlocutory matters.

Compensation orders shall not be made or filed with respect to interlocutory matters of a procedural nature arising during the pendency of a compensation case.

§ 702.372 Supplementary compensation orders.

(a) In any case in which the employer or insurance carrier is in default in the payment of compensation due under any award of compensation, for a period of 30 days after the compensation is due and payable, the person to whom such compensation is payable may, within 1 year after such default, apply in writing to the district director for a supplementary compensation order declaring the amount of the default. Upon receipt of such application, the district director shall institute proceedings with respect to such application as if such application were an original claim for compensation, and the matter shall be disposed of as provided for in §702.315, or if agreement on the issue is not reached, then as in §702.316 et seq.

(b) If, after disposition of the application as provided for in paragraph (a) of this section, a supplementary compensation order is entered declaring the amount of the default, which amount may be the whole of the award notwithstanding that only one or more installments is in default, a copy of such supplementary order shall be forthwith sent by certified mail to each of the parties and their representatives. Thereafter, the applicant may obtain and file with the clerk of the Federal district court for the judicial district where the injury occurred or the district in which the employed has his principal place of business or maintains an office, a certified copy of said order and may seek enforcement thereof as provided for by section 18 of the Act, 33 U.S.C. 918.
Modification of awards.

(a) Upon his/her own initiative, or upon application of any party in interest (including an employer or carrier which has been granted relief under section 8(f) of the Act, 33 U.S.C. 908(f)), the district director may review any compensation case (including a case under which payments are made pursuant to section 44(i) of the Act, 33 U.S.C. 944(i)) in accordance with the procedure in subpart C of this part, and after such review of the case under §702.315, or review at formal hearings under the regulations governing formal hearings in subpart C of this part, file a new compensation order terminating, continuing, reinstating, increasing or decreasing such compensation, or awarding compensation. Such new order shall not affect any compensation previously paid, except that an award increasing the compensation rate may be made retroactive from the date of injury, and if any part of the compensation due or to become due is unpaid, an award decreasing the compensation rate may be made effective from the date of the injury, and any payment made prior thereto in excess of such decreased rate shall be deducted from any unpaid compensation, in such manner and by such method as may be determined by the district director or the administrative law judge. Settlements cannot be modified.

(b) Review of a compensation case under this section may be made at any time prior to 1 year after the date of the last payment of compensation, whether or not a compensation order has been issued, or at any time prior to 1 year after the rejection of a claim.

(c) Review of a compensation case may be had only for the reason that there is a change in conditions or that there was a mistake in the determination of facts.

(d) If the investigation, described in §702.148(c), discloses a change in conditions and the employer or insurance carrier intends to pursue modification of the award of compensation the district director and claimant shall be notified through an informal conference. At the conclusion of the informal conference the district director shall issue a recommendation either for or against the modification. This recommendation shall also be sent to the Associate Director, Division of Longshoremen’s and Harbor Workers’ Compensation (DLHWC) for a determination on whether or not to participate in the modification proceeding on behalf of the special fund. Lack of concurrence of the Associate Director, DLHWC or lack of participation by a representative of the special fund shall not be a bar to the modification proceeding.

Appeals

§ 702.391 Appeals; where.

Appeals may be taken to the Benefits Review Board, U.S. Department of Labor, Washington, D.C. 20210, by filing a notice of appeals with the office of the district director for the compensation district in which the decision or order appealed from was filed and by submitting to the Board a petition for review of such decision or order, in accordance with the provisions of part 802 of this title 20.

§ 702.392 Appeals; what may be appealed.

An appeal raising a substantial question of law or fact may be taken from a decision with respect to a claim under the Act. Such appeals may be taken from compensation orders when they have been filed as provided for in §702.349.

§ 702.393 Appeals; time limitations.

The notice of appeal (see §702.391) shall be filed with the district director within 30 days of the filing of the decision or order complaining of, as defined and described in §§802.205 and 802.206 of this title. A petition for review of the decision or order is required to be filed within 30 days after receipt of the Board’s acknowledgment of the notice of appeal, as provided in §802.210 of this title.

§ 702.394 Appeals; procedure.

The procedure for appeals to the Benefits Review Board shall be as provided by the Board in its Rules of Practice and Procedure, set forth in part 802 of this title.
Subpart D—Medical Care and Supervision

§ 702.401 Medical care defined.

(a) Medical care shall include medical, surgical, and other attendance or treatment, nursing and hospital services, laboratory, X-ray and other technical services, medicines, crutches, or other apparatus and prosthetic devices, and any other medical service or supply, including the reasonable and necessary cost of travel incident thereto, which is recognized as appropriate by the medical profession for the care and treatment of the injury or disease.

(b) An employee may rely on treatment by prayer or spiritual means alone, in accordance with the tenets and practice of a recognized church or religious denomination, by an accredited practitioner of such recognized church or religious denomination, and nursing services rendered in accordance with such tenets and practice without loss or diminution of compensation or benefits under the Act. For purposes of this section, a recognized church or religious denomination shall be any religious organization: (1) That is recognized by the Social Security Administration for purposes of reimbursements for treatment under Medicare and Medicaid or (2) that is recognized by the Internal Revenue Service for purposes of tax exempt status.

§ 702.402 Employer’s duty to furnish; duration.

It is the duty of the employer to furnish appropriate medical care (as defined in §702.401(a)) for the employee’s injury, and for such period as the nature of the injury or the process of recovery may require.

[30 FR 402, Jan. 3, 1965]

§ 702.403 Employee’s right to choose physician; limitations.

The employee shall have the right to choose his/her attending physician from among those authorized by the Director, OWCP, to furnish such care and treatment, except those physicians included on the Secretary’s list of debarred physicians. In determining the choice of a physician, consideration must be given to availability, the employee’s condition and the method and means of transportation. Generally 25 miles from the place of injury, or the employee’s home is a reasonable distance to travel, but other pertinent factors must also be taken into consideration.

[50 FR 402, Jan. 3, 1985]

§ 702.404 Physician defined.

The term physician includes doctors of medicine (MD), surgeons, podiatrists, dentists, clinical psychologists, optometrists, chiropractors, and osteopathic practitioners within the scope of their practice as defined by State law. The term includes chiropractors only to the extent that their reimbursable services are limited to treatment consisting of manual manipulation of the spine to correct a subluxation shown by X-ray or clinical findings. Physicians defined in this part may interpret their own X-rays. All physicians in these categories are authorized by the Director to render medical care under the Act. Naturopaths, faith healers, and other practitioners of the healing arts which are not listed herein are not included within the term “physician” as used in this part.

[42 FR 45303, Sept. 9, 1977]

§ 702.405 Selection of physician; emergencies.

Whenever the nature of the injury is such that immediate medical care is required and the injured employee is unable to select a physician, the employer shall select a physician. Thereafter the employee may change physicians when he is able to make a selection. Such changes shall be made upon obtaining written authorization from the employer or, if consent is withheld, from the district director. The Director will direct reimbursement of medical claims for services rendered by physicians or health care providers who are on the list of those excluded from providing care under the Act, if such services were rendered in an emergency. (See §§702.417 and 702.435(b)).

§ 702.406 Change of physicians; non-emergencies.

(a) Whenever the employee has made his initial, free choice of an attending physician, he may not thereafter change physicians without the prior written consent of the employer (or carrier) or the district director. Such consent shall be given in cases where an employee’s initial choice was not of a specialist whose services are necessary for, and appropriate to, the proper care and treatment of the compensable injury or disease. In all other cases, consent may be given upon a showing of good cause for change.

(b) The district director for the appropriate compensation district may order a change of physicians or hospitals when such a change is found to be necessary or desirable or where the fees charged exceed those prevailing within the community for the same or similar services or exceed the provider’s customary charges.

§ 702.407 Supervision of medical care.

The Director, OWCP, through the district directors and their designees, shall actively supervise the medical care of an injured employee covered by the Act. Such supervision shall include:

(a) The requirement that periodic reports on the medical care being rendered be filed in the office of the district director, the frequency thereof being determined by order of the district director or sound judgment of the attending physician as the nature of the injury may dictate;

(b) The determination of the necessity, character and sufficiency of any medical care furnished or to be furnished the employee, including whether the charges made by any medical care provider exceed those permitted under the Act;

(c) The determination of whether a change of physicians, hospitals or other persons or locales providing treatment should be made or is necessary;

(d) The further evaluation of medical questions arising in any case under the Act, with respect to the nature and extent of the covered injury, and the medical care required therefor.

§ 702.408 Evaluation of medical questions; impartial specialists.

In any case in which medical questions arise with respect to the appropriate diagnosis, extent, effect of, appropriate treatment, and the duration of any such care or treatment, for an injury covered by the Act, the Director, OWCP, through the district directors having jurisdiction, shall have the power to evaluate such questions by appointing one or more especially qualified physicians to examine the employee, or in the case of death to make such inquiry as may be appropriate to the facts and circumstances of the case. The physician or physicians, including appropriate consultants, should report their findings with respect to the questions raised as expeditiously as possible. Upon receipt of such report, action appropriate thereupon shall be taken.

§ 702.409 Evaluation of medical questions; results disputed.

Any party who is dissatisfied with such report may request a review or reexamination of the employee by one or more different physicians employed by or selected by the Director, and such review or reexamination shall be granted unless it is found that it is clearly unwarranted. Such review shall be completed within 2 weeks from the date ordered unless it is impossible to complete the review and render a report thereof within such time period. Upon receipt of the report of this additional review and reexamination, such action as may be appropriate shall forthwith be taken.

§ 702.410 Duties of employees with respect to special examinations.

(a) For any special examination required of an employee by §§702.408 and 702.409, the employee shall submit to such examination at such place as is designated in the order to report, but the place so selected shall be reasonably convenient for the employee.

(b) Where an employee fails to submit to an examination required by
§ 702.408 and 702.409, the district director or administrative law judge may order that no compensation otherwise payable shall be paid for any period during which the employee refuses to submit to such examination unless circumstances justified the refusal.

(c) Where an employee unreasonably refuses to submit to medical or surgical treatment, or to an examination by a physician selected by the employer, the district director or administrative law judge may by order suspend the payment of further compensation during such time as the refusal continues. Except that refusal to submit to medical treatment because of adherence to the tenets of a recognized church or religious denomination as described in §702.401(b) shall not cause the suspension of compensation.

§ 702.411 Special examinations; nature of impartiality of specialists.

(a) The special examinations required by §702.408 shall be accomplished in a manner designed to preclude prejudgment by the impartial examiner. No physician previously connected with the case shall be present, nor may any other physician selected by the employer, carrier, or employee be present. The impartial examiner may be made aware, by any party or by the OWCP, of the opinions, reports, or conclusions of any prior examining physician with respect to the nature and extent of the impairment, its cause, or its effect upon the wage-earning capacity of the injured employee, if the district director determines that, for good cause, such opinions, reports, or conclusions shall be made available. Upon request, any party shall be given a copy of all materials made available to the impartial examiner.

(b) The impartiality of the specialists shall not be considered to have been compromised if the district director deems it advisable to, and does, apprise the specialist by memorandum of those undisputed facts pertaining to the nature of the employee’s employment, of the nature of the injury, of the post-injury employment activity, if any, and of any other facts which are not disputed and are deemed pertinent to the type of injury and/or the type of examination being conducted.

(c) No physician selected to perform impartial examinations shall be, or shall have been for a period of 2 years prior to the examination, an employee of an insurance carrier or self-insured employer, or who has accepted or participated in any fee from an insurance carrier or self-insured employer, unless the parties in interest agree thereto.

§ 702.412 Special examinations; costs chargeable to employer or carrier.

(a) The Director or his designee ordering the special examination shall have the power, in the exercise of his discretion, to charge the cost of the examination or review to the employer, to the insurance carrier, or to the special fund established by section 44 of the Act, 33 U.S.C. 944.

(b) The Director or his designee may also order the employer or the insurance carrier to provide the employee with the services of an attendant, where the district director considers such services necessary, because the employee is totally blind, has lost the use of both hands, or both feet or is paralyzed and unable to walk, or because of other disability making the employee so helpless as to require constant attendance in the discretion of the district director. Fees payable for such services shall be in accord with the provisions of §702.413.

[42 FR 45303, Sept. 9, 1977]

§ 702.413 Fees for medical services; prevailing community charges.

All fees charged by medical care providers for persons covered by this Act shall be limited to such charges for the same or similar care (including supplies) as prevails in the community in which the medical care provider is located and shall not exceed the customary charges of the medical care provider for the same or similar services. Where a dispute arises concerning the amount of a medical bill, the Director shall determine the prevailing community rate using the OWCP Medical Fee Schedule (as described in 20 CFR 10.411) to the extent appropriate,
§ 702.414 Fees for medical services; unresolved disputes on prevailing charges.

(a) The Director may, upon written complaint of an interested party, or upon the Director’s own initiative, investigate any medical care provider or any fee for medical treatment, services, or supplies that appears to exceed prevailing community charges for similar treatment, services or supplies or the provider’s customary charges. The OWCP medical fee schedule (see section 702.413) shall be used by the Director, where appropriate, to determine the prevailing community charges for a medical procedure by a physician or hospital (to the extent such procedure is covered by the OWCP fee schedule). The Director’s investigation may initially be conducted informally through contact of the medical care provider by the district director. If this informal investigation is unsuccessful further proceedings may be undertaken. These proceedings may include, but not be limited to: an informal conference involving all interested parties; agency interrogatories to the pertinent medical care provider; and issuance of subpoenas duces tecum for documents having a bearing on the dispute.

(1) A claim by the provider that the OWCP fee schedule does not represent the prevailing community rate will be considered only where the following circumstances are presented:

(i) where the actual procedure performed was incorrectly identified by medical procedure code;

(ii) that the presence of a severe or concomitant medical condition made treatment especially difficult;

(iii) the provider possessed unusual qualifications (board certification in a specialty is not sufficient evidence in itself of unusual qualifications); or

(iv) the provider or service is not one covered by the OWCP fee schedule as described by 20 CFR 10.411(d)(1).

(2) The circumstances listed in paragraph (a)(1) of this section are the only ones which will justify reevaluation of the amount calculated under the OWCP fee schedule.

(b) The failure of any medical care provider to present any evidence required by the Director pursuant to this section without good cause shall not prevent the Director from making findings of fact.

(c) After any proceeding under this section the Director shall make specific findings on whether the fee exceeded the prevailing community charges (as established by the OWCP fee schedule, where appropriate) or the provider’s customary charges and provide notice of these findings to the affected parties.

(d) The Director may suspend any such proceedings if after receipt of the written complaint the affected parties agree to withdraw the controversy from agency consideration on the basis that such controversy has been resolved by the affected parties. Such suspension, however, shall be at the discretion of the Director.

§ 702.415 Fees for medical services; unresolved disputes on charges; procedure.

After issuance of specific findings of fact and proposed action by the Director as provided in § 702.414 any affected provider employer or other interested party has the right to seek a hearing pursuant to section 556 of title 5, United States Code. Upon written request for such a hearing, the matter shall be referred by the District Director to the OALJ for formal hearing in accordance with the procedures in subpart C of this part. If no such request for a hearing is filed with the district director within thirty (30) days the findings issued pursuant to § 702.414 shall be final.

[51 FR 4286, Feb. 3, 1986]
§ 702.416 Fees for medical services; disputes; hearings; necessary parties.

At formal hearings held pursuant to §702.415, the necessary parties shall be the person whose fee or cost charge is in question and the Director, or their representatives. The employer or carrier may also be represented, and other parties, or associations having an interest in the proceedings, may be heard, in the discretion of the administrative law judge.

§ 702.417 Fees for medical services; disputes; effect of adverse decision.

If the final decision and order upholds the finding of the Director that the fee or charge in dispute was not in accordance with prevailing community charges or the provider's customary charges, the person claiming such fee or cost charge shall be given thirty (30) days after filing of such decision and order to make the necessary readjustment. If such person still refuses to make the required readjustment, such person shall not be authorized to conduct any further treatments or examinations (if a physician) or to provide any other services or supplies (if by other than a physician). Any fee or cost charge subsequently incurred for services performed or supplies furnished shall not be a reimbursable medical expense under this subpart. This prohibition shall apply notwithstanding the fact that the services performed or supplies furnished were in all other respects necessary and appropriate within the provision of these regulations. However, the Director may direct reimbursement of medical claims for services rendered if such services were rendered in an emergency (see §702.435(b)). At the termination of the proceedings provided for in this section the district director shall determine whether further proceedings under §702.432 should be initiated.

MEDICAL PROCEDURES

§ 702.418 Procedure for requesting medical care; employee's duty to notify employer.

(a) As soon as practicable, but within 30 days after occurrence of an injury covered by the Act, or within 30 days after an employee becomes aware, or in the exercise of reasonable diligence should be aware, of the relationship between an injury or disease and his employment, the injured employee or someone on his behalf shall give written notice thereof to the district director having jurisdiction over the place where the injury occurred and to the employer. If a form has been prescribed for such purpose it shall be used, if available and practicable under the circumstances. Notices filed under subpart B of this part, if on the form prescribed by the Director for such purpose, satisfy the written notice requirements of this subpart.

(b) In the case of an occupational disease which does not immediately result in a disability or death, such notice shall be given within one year after the employee becomes aware, or in the exercise of reasonable diligence or by reason of medical advice should have been aware, of the relationship between the employment, the disease, and the death or disability. Notice shall be given: (1) To the district director in the compensation district in which the injury or death occurred, and (2) to the employer.

[50 FR 403, Jan. 3, 1985]

§ 702.419 Action by employer upon acquiring knowledge or being given notice of injury.

Whenever an employer acquires knowledge of an employee’s injury, through receipt of a written notice or otherwise, said employer shall forthwith authorize, in writing, appropriate medical care. If a form is prescribed for this purpose it shall be used whenever practicable. Authorization shall also be given in cases where an employee’s initial choice was not of a specialist whose services are necessary for and appropriate to the proper care and treatment of the compensable injury or disease. In all other cases, consent may be given upon a showing of good cause for change.

[50 FR 403, Jan. 3, 1985]
§ 702.420 Issuance of authorization; binding effect upon insurance carrier.

The issuance of an authorization for treatment by the employer shall bind his insurance carrier to furnish and pay for such care and services.

§ 702.421 Effect of failure to obtain initial authorization.

An employee shall not be entitled to recover for medical services and supplies unless:

(a) The employer shall have refused or neglected a request to furnish such services and the employee has complied with sections 7 (b) and (c) of the Act, 33 U.S.C. 907 (b) and (c) and these regulations; or

(b) The nature of the injury required such treatment and services and the employer or his superintendent or foreman having knowledge of such injury shall have neglected to provide or authorize same.

[50 FR 403, Jan. 3, 1985]

§ 702.422 Effect of failure to report on medical care after initial authorization.

(a) Notwithstanding that medical care is properly obtained in accordance with these regulations, a finding by the Director that a medical care provider has failed to comply with the reporting requirements of the Act shall operate as a mandatory revocation of authorization of such medical care provider. The effect of a final finding to this effect operates to release the employer/carrier from liability of the expenses of such care. In addition to this, when such a finding is made by the Director, the claimant receiving treatment will be directed by the district director to seek authorization for medical care from another source.

(b) For good cause shown, the Director may excuse the failure to comply with the reporting requirements of the Act and further, may make an award for the reasonable value of such medical care.

[50 FR 403, Jan. 3, 1985]
§ 702.432 Debarment process.

(a) Pertaining to health care providers. Upon receipt of information indicating that a physician or health care provider has engaged in activities enumerated in subparagraphs (a) through (c) of § 702.431, the Director, through the Director's designees, may evaluate the information (as described in § 702.414) to ascertain whether proceedings should be initiated against the physician or health care provider to remove authorization to render medical care or service under the Longshore and Harbor Workers' Compensation Act.

(b) Pertaining to health care providers and claims representatives. If after appropriate investigation the Director determines that proceedings should be initiated, written notice thereof sent certified mail, return receipt requested, shall be provided to the physician, health care provider or claims representative containing the following:

(1) A concise statement of the grounds upon which debarment will be based;

(2) A summary of the information upon which the Director has relied in reaching an initial decision that debarment proceedings should be initiated;

(3) An invitation to the physician, health care provider or claims representative to: (i) Resign voluntarily from participation in the program without admitting or denying the allegations presented in the written notice; or (ii) request a decision on debarment to be based upon the existing agency record and any other information the physician, health care provider or claims representative may wish to provide;

(4) A notice of the physician's, health care provider's or claims representative's right, in the event of an adverse ruling by the Director, to request a formal hearing before an administrative law judge;

(5) A notice that should the physician, health care provider or claims representative fail to provide written answer to the written notice described in this section within thirty (30) days of receipt, the Director may deem the allegations made therein to be true and may order debarment of the physician, health care provider or claims representative.

(c) Should the physician, health care provider or claims representative fail to file a written answer to the notice described in this section within thirty (30) days of receipt thereof, the Director may deem the allegations made therein to be true and may order debarment of the physician, health care provider or claims representative.

(d) The physician, health care provider or claims representative may inspect or request copies of information in the agency records at any time prior to the Director's decision.

(e) The Director shall issue a decision in writing, and shall send a copy of the decision to the physician, health care provider or claims representative by certified mail, return receipt requested. The decision shall advise the physician, health care provider or claims representative of the right to request, within thirty (30) days of the date of an adverse decision, a formal hearing before an administrative law judge under the procedures set forth herein. The filing of such a request for hearing within the time specified shall operate to stay the effectiveness of the decision to debar.

[50 FR 404, Jan. 3, 1985]

§ 702.433 Requests for hearing.

(a) A request for hearing shall be sent to the district director and contain a concise notice of the issues on which the physician, health care provider or claims representative desires to give evidence at the hearing with identification of witnesses and documents to be submitted at the hearing.

(b) If a request for hearing is timely received by the district director, the matter shall be referred to the Chief Administrative Law Judge who shall assign it for hearing with the assigned administrative law judge issuing a notice of hearing for the conduct of the hearing. A copy of the hearing notice shall be served on the physician, health care provider or claims representative.
Employment Standards Administration, Labor

§ 702.436

(a) Any physician, health care provider or claims representative, after any final decision of the Administrative Review Board made after a hearing to which such person was a party, irrespective of the amount of controversy, may obtain a review of such decision by a civil action commenced within sixty (60) days after the mailing to him or her of notice of such decision, but the pendency of such review shall not operate as a stay upon the effect of such decision. Such action shall be brought in the Court of Appeals for the District of Columbia pursuant to section 7(j)(4) of the Act, 33 U.S.C. 907(j)(4).

(b) As part of the Administrative Review Board answer, he or she shall file a certified copy of the transcript of the record of the hearing, including all evidence submitted in connection therewith.

(c) The findings of fact of the Administrative Review Board, if based on substantial evidence in the record as a whole, shall be conclusive.

§ 702.435 Effects of debarment.

(a) The Director shall give notice of the debarment of a physician, hospital, or provider of medical support services or supplies to:

1. All OWCP district offices;
2. The Health Care Financing Administration;
3. The State or Local authority responsible for licensing or certifying the debarred party;
4. The employers and authorized insurers under the Act by means of an annual bulletin sent to them by the Director; and
5. The general public by posting in the district office in the jurisdiction where the debarred party maintains a place of business.

If a claims representative is debarred, the Director shall give notice to those groups listed in paragraphs (a) (1), (3), (4), and (5) of this section.

(b) Notwithstanding any debarment under this subpart, the Director shall not refuse a claimant reimbursement for any otherwise reimbursable medical expense if the treatment, service or supply was rendered by debarred provider in an emergency situation. However, such claimant will be directed by the Director to select a duly qualified provider upon the earliest opportunity.

§ 702.434 Judicial review.

(a) Any physician, health care provider or claims representative, after any final decision of the Administrative Review Board made after a hearing to which such person was a party, irrespective of the amount of controversy, may obtain a review of such decision by a civil action commenced within sixty (60) days after the mailing to him or her of notice of such decision, but the pendency of such review shall not operate as a stay upon the effect of such decision. Such action shall be brought in the Court of Appeals for the District of Columbia pursuant to section 7(j)(4) of the Act, 33 U.S.C. 907(j)(4).

(b) As part of the Administrative Review Board answer, he or she shall file a certified copy of the transcript of the record of the hearing, including all evidence submitted in connection therewith.

(c) The findings of fact of the Administrative Review Board, if based on substantial evidence in the record as a whole, shall be conclusive.

§ 702.436 Reinstatement.

(a) If a physician or health care provider has been debarred pursuant to §702.431(d) or if a claims representative has been debarred pursuant to §702.131(c) (1) or (3) the person debarred...
§ 702.441 Claims for loss of hearing.

(a) Claims for hearing loss pending on or filed after September 28, 1984 (the date of enactment of Pub. L. 98–426) shall be adjudicated with respect to the determination of the degree of hearing impairment in accordance with these regulations.

(b) An audiogram shall be presumptive evidence of the amount of hearing loss on the date administered if the following requirements are met:

1. The audiogram was administered by a licensed or certified audiologist, by a physician certified by the American Board of Otolaryngology, or by a technician, under an audiologist’s or physician’s supervision, certified by the Council of Accreditation on Occupational Hearing Conservation, or by any other person considered qualified by a hearing conservation program authorized pursuant to 29 CFR 1910.95(g)(3) promulgated under the Occupational Safety and Health Act of 1970 (29 U.S.C. 667). Thus, either a professional or trained technician may conduct audiometric testing. However, to be acceptable under this subsection, a licensed or certified audiologist or otolaryngologist, as defined, must ultimately interpret and certify the results of the audiogram. The accompanying report must set forth the testing standards used and describe the method of evaluating the hearing loss as well as providing an evaluation of the reliability of the test results.

2. The employee was provided the audiogram and a report thereon at the time it was administered or within thirty (30) days thereafter.

3. No one produces a contrary audiogram of equal probative value (meaning one performed using the standards described herein) made at the same time. “Same time” means within thirty (30) days thereof where noise exposure continues or within six (6) months where exposure to excessive noise levels does not continue. Audiometric tests performed prior to the enactment of Public Law 98–426 will be considered presumptively valid if the employer complied with the procedures in this section for administering audiograms.

(c) In determining the amount of pre-employment hearing loss, an audiogram must be submitted which was performed prior to employment or within thirty (30) days of the date of the first employment-related noise exposure. Audiograms performed after December 27, 1984 must comply with the standards described in paragraph (d) of this section.

(d) In determining the loss of hearing under the Act, the evaluators shall use the criteria for measuring and calculating hearing impairment as published and modified from time-to-time by the American Medical Association in the Guides to the Evaluation of Permanent Hearing Loss Claims.
Impairment, using the most currently revised edition of this publication. In addition, the audiometer used for testing the individual’s threshold of hearing must be calibrated according to current American National Standard Specifications for Audiometers. Audiometer testing procedures required by hearing conservation programs pursuant to the Occupational Safety and Health Act of 1970 should be followed (as described at 29 CFR 1910.95 and appendices).

§ 702.504 Vocational rehabilitation; referrals to State Employment Agencies.

Vocational rehabilitation advisers will arrange referral procedures with State Employment Service units within their assigned geographical districts for the purpose of securing employment counseling, job classification, and selective placement assistance. Referrals shall be made to State Employment Offices based upon the following:

(a) Vocational rehabilitation advisers will screen cases so as to refer only those disabled employees who are considered to have employment potential;

(b) Only employees will be referred who have permanent, compensable disabilities resulting in a significant vocational handicap and loss of wage earning capacity;

(c) Disabled employees, whose initial referral to former private employers did not result in a job reassignment or in a job retention, shall be referred for employment counseling and/or selective placement unless retraining services consideration is requested;

(d) The vocational rehabilitation advisers shall arrange for employees’ referrals if it is ascertained that they may benefit from registering with the State Employment Service;

(e) Referrals will be made to appropriate State Employment Offices by letter, including all necessary information and a request for a report on the services provided the employee when he registers;

(f) The injured employee shall be advised of available job counseling services and informed that he is being referred for employment and selective placement;
§ 702.505 Vocational rehabilitation; referrals to other public and private agencies.

Referrals to such other public and private agencies providing assistance to disabled persons such as public welfare agencies, Public Health Services facilities, social services units of the Veterans Administration, the Social Security Administration, and other such agencies, shall be made by the vocational rehabilitation adviser, where appropriate, on an individual basis when requested by disabled employees. Such referrals do not provide for a service cost reimbursement by the Department of Labor.

§ 702.506 Vocational rehabilitation; training.

Vocational rehabilitation training shall be planned in anticipation of a short, realistic, attainable vocational objective terminating in remunerable employment, and in restoring wage-earning capacity or increasing it materially. The following procedures shall apply in arranging for or providing training:

(a) The vocational rehabilitation adviser shall arrange for and develop all vocational training programs.

(b) Training programs shall be developed to meet the varying needs of eligible beneficiaries, and may include courses at colleges, technical schools, training at rehabilitation centers, on-the-job training, or tutorial courses. The courses shall be pertinent to the occupation for which the employee is being trained.

(c) Training may be terminated if the injured employee fails to cooperate with the Department of Labor or with the agency supervising his course of training. The employee shall be counseled before training is terminated.

(d) Reports shall be required at periodic intervals on all persons in approved training programs.

§ 702.507 Vocational rehabilitation; maintenance allowance.

(a) An injured employee who, as a result of injury, is or may be expected to be totally or partially incapacitated for a remunerative occupation and who, under the direction of the Director is being rendered fit to engage in a remunerative occupation, shall be paid additional compensation necessary for this maintenance, not exceeding $25 a week. The expense shall be paid out of the special fund established in section 44 of the Act, 33 U.S.C. 944. The maximum maintenance allowance shall not be provided on an automatic basis, but shall be based on the recommendation of a State agency that a claimant is unable to meet additional costs by reason of being in training.

(b) When required by reason of personal illness or hardship, limited periods of absence from training may be allowed without terminating the maintenance allowance. A maintenance allowance shall be terminated when it is shown to the satisfaction of the Director that a trainee is not complying reasonably with the terms of the training plan or is absenting himself without good cause from training so as to materially interfere with the accomplishment of the training objective.

§ 702.508 Vocational rehabilitation; confidentiality of information.

The following safeguards will be observed to protect the confidential character of information released regarding an individual undergoing rehabilitation:

(a) Information will be released to other agencies from which an injured employee has requested services only if such agencies have established regulations assuring that such information will be considered confidential and will be used only for the purpose for which it is provided;

(b) Interested persons and agencies have been advised that any information concerning rehabilitation program employees is to be held confidential;

(c) A rehabilitation employee’s written consent is secured for release of information regarding disability to a person, agency, or establishment seeking
the information for purposes other than the approved rehabilitation planning with such employee.

Subpart F—Occupational Disease Which Does Not Immediately Result in Death or Disability

Source: 50 FR 406, Jan. 3, 1985, unless otherwise noted.

§ 702.601 Definitions.

(a) Time of injury. For purposes of this subpart and with respect to an occupational disease which does not immediately result in death or disability, the time of injury shall be deemed to be the date on which the employee or claimant becomes aware, or in the exercise of reasonable diligence or by reason of medical advice should have been aware, of the relationship between the employment, the disease, and the death or disability.

(b) Disability. With regard to an occupational disease for which the time of injury, as defined in §702.601(a), occurs after the employee was retired, disability shall mean permanent impairment as determined according to the Guides to the Evaluation of Permanent Impairment which is prepared and modified from time-to-time by the American Medical Association, using the most currently revised edition of this publication. If this guide does not evaluate the impairment, other professionally recognized standards may be utilized. The disability described in this paragraph shall be limited to permanent partial disability. For that reason they are not subject to adjustments under section 10(f) of the Act, 33 U.S.C. 910(f).

(c) Retirement. For purposes of this subpart, retirement shall mean that the claimant, or decedent in cases involving survivor’s benefits, has voluntarily withdrawn from the workforce and that there is no realistic expectation that such person will return to the workforce.

§ 702.602 Notice and claims.

(a) Time for giving notice of injury or death. Refer to §702.207.

(b) Time for filing of claims. Refer to §702.212.

§ 702.603 Determining the payrate for compensating occupational disease claims which become manifest after retirement.

(a) If the time of injury occurs within the first year after the employee has retired, the payrate for compensation purposes shall be one fifty-second part of the employee’s average annual earnings during the fifty-two week period preceding retirement.

(b) If the time of injury occurs more than one year after the employee has retired the payrate for compensation purposes shall be the national average weekly wage, determined according to section 6(b)(3) of the Act, 33 U.S.C. 906(b)(3), at the time of injury.

§ 702.604 Determining the amount of compensation for occupational disease claims which become manifest after retirement.

(a) If the claim is for disability benefits and the time of injury occurs after the employee has retired, compensation shall be 66 2/3 percent of the payrate, as determined under §702.603, times the disability, as determined according to §702.601(b).

(b) If the claim is for death benefits and the time of injury occurs after the decedent has retired, compensation shall be the percent specified in section 9 of the Act, 33 U.S.C. 909, times the payrate determined according to §702.603. Total weekly death benefits shall not exceed one fifty-second part of the decedent’s average annual earnings during the fifty-two week period preceding retirement, such benefits shall be subject to the limitation provided for in section 6(b)(1) of the Act, 33 U.S.C. 906(b)(1).

PART 703—INSURANCE REGULATIONS

Sec.
703.001 Scope of part.
703.002 Forms.
703.003 Failure to secure coverage; penalties.
§ 703.001 Scope of part.

This part 703 contains the regulations of the OWCP governing the authorization of insurance carriers, the authorization of self-insurers, and the issuance of certificates of compliance. Such provisions are required by the LHWCA, but in almost every instance apply, and hereby are applied, to the extensions of the LHWCA. In those few instances where a separate provision is required, tailored to meet the specific requirements of one of the extended acts, such separate provisions are placed in the succeeding parts of this subchapter.

§ 703.002 Forms.

Any information required by the regulations in this part to be submitted to the OWCP shall be submitted on such forms as the Director may deem appropriate and may authorize from time to time for such purpose.

§ 703.003 Failure to secure coverage; penalties.

(a) Each employer is required to secure coverage under this Act either through an authorized insurance carrier or by becoming an authorized self-insurer. An employer who fails to secure coverage by either manner described in section 32(a), (1) or (2) of the Act, 33 U.S.C. 932(a), is subject, upon conviction, to a fine of not more than $10,000, or by imprisonment for not more than one year, or both.
§ 703.102

(1) Where the employer is a corporation: the president, secretary and treasurer each will also be subject to this fine and/or imprisonment, in addition to the fine against the corporation and each is personally liable, jointly with the corporation, for all compensation or other benefits payable under the Act during the time failure to secure coverage continues.

(b) Any employer who willingly and knowingly transfers, sells, encumbers, assigns or in any manner disposes of, conceals, secretes, or destroys any property belonging to the employer after an employee sustains an injury covered by this Act, with the intention to avoid payment to that employee or his/her dependents of compensation under this Act shall be guilty of a misdemeanor and punished upon conviction by a fine of not more than $10,000 and/or imprisonment for one year.

(1) Where the employer is a corporation: the president, secretary and treasurer are also each liable to imprisonment and, along with the corporation, jointly liable for the fine.

[50 FR 406, Jan. 3, 1985]

AUTHORIZATION OF INSURANCE CARRIERS

§ 703.101 Types of companies which may be authorized by the OWCP.

The OWCP will consider for the granting of authority to write insurance under the Longshoremen’s and Harbor Workers’ Compensation Act and its extensions the application of any stock company, mutual company or association, or any other person or fund, while authorized under the laws of the United States or for any State to insure workmen’s compensation. The term “carrier” as used in this part means any person or fund duly authorized to insure workmen’s compensation benefits under said Act, or its extensions.

§ 703.102 Applications for authority to write insurance; how filed; evidence to be submitted; other requirements.

An application for authority to write insurance under this Act shall be made in writing, signed by an officer of the applicant duly authorized to make such application, and transmitted to the Office of Workmen’s Compensation Programs, U.S. Department of Labor, Washington, DC 20210. Such application shall be accompanied by full and complete information regarding the history and experience of such applicant in the writing of workmen’s compensation insurance, together with evidence that it has authority in its charter or form of organization to write such insurance, and evidence that the applicant is currently authorized to insure workmen’s compensation liability under the laws of the United States or of any State. The statements of fact in each application and in the supporting evidence shall be verified by the oath of the officer of the applicant who signs such application. Each applicant shall state in its application the area or areas, in which it intends to do business. In connection with any such application the following shall be submitted, the Office reserving the right to call for such additional information as it may deem necessary in any particular case:

(a) A copy of the last annual report made by the applicant to the insurance department or other authority of the State in which it is incorporated, or the State in which its principal business is done.

(b) A certified copy from the proper State authorities of the paper purporting to show the action taken upon such report, or such other evidence as the applicant desires to submit in respect of such report, which may obviate delay caused by an inquiry of the OWCP of the State authorities relative to the standing and responsibility of the applicant.

(c) A full and complete statement of its financial condition, if not otherwise shown, and, if a stock company, shall show specifically its capital stock and surplus.

(d) A copy of its charter or other formal outline of its organization, its rules, its bylaws, and other documents, writings, or agreements by and under which it does business, and such other evidence as it may deem proper to make a full exposition of its affairs and financial condition.
§ 703.103 Stock companies holding Treasury certificates of authority.

A stock company furnishing evidence that it is authorized to write workmen’s compensation insurance under the laws of the United States or of any State, which holds a certificate of authority from the Secretary of the Treasury as an acceptable surety on Federal bonds, unless requested to do so, need not transmit to the Office with its application copies of such financial reports as are on file in the Department of the Treasury. The acceptance by that Department of such a company will be considered by the Office in conjunction with the application of such company, provided there has been compliance with the other requirements of the regulations in this part.

§ 703.104 Applicants currently authorized to write insurance under the extensions of the LHWCA.

Any applicant currently authorized by the Office to write insurance under any extension of the LHWCA need not support its application under the LHWCA or any other LHWCA extension with the evidence required by the regulations in this part, except the form of policy and endorsement which it proposes to use, unless specifically requested by the Office, but instead its application may refer to the fact that it has been so authorized.

§ 703.105 Copies of forms of policies to be submitted with application.

With each application for authority to write insurance there shall be submitted for the approval of the Office copies of the forms of policies which the applicant proposes to issue in writing insurance under the LHWCA, or its extensions, to which shall be attached the appropriate endorsement to be used in connection therewith.

§ 703.106 Certificate of authority to write insurance.

No corporation, company, association, person, or fund shall write insurance under this Act without first having received from the OWCP a certificate of authority to write such insurance. Any such certificate issued by the Office, after application therefor in accordance with these regulations, may authorize the applicant to write such insurance in a limited territory as determined by the Office. Any such certificate may be suspended or revoked by the Office prior to its expiration for good cause shown, but no suspension or revocation shall affect the liability of any carrier already incurred. Good cause shall include, without limitation, the failure to maintain in such limited territory a regular business office with full authority to act on all matters falling within the Act, and the failure to promptly and properly perform the carrier’s responsibilities under the Act and these regulations, with special emphasis upon lack of promptness in making payments when due, upon failure to furnish appropriate medical care, and upon attempts to offer to, or urge upon, claimants inequitable settlements. A hearing may be requested by the aggrieved party and shall be held before the Director or his representative prior to the taking of any adverse action under this section.

§ 703.108 Period of authority to write insurance.

Effective with the end of the authorization period July 1, 1983, through June 30, 1984, annual reauthorization of authority to write insurance coverage under the Act is no longer necessary. Beginning July 1, 1984, and thereafter, newly issued Certificates of Authority will show no expiration date. Certificates of Authority will remain in force for so long as the carrier complies with the requirements of the OWCP.

§ 703.109 Longshoremen’s endorsement; see succeeding parts for endorsements for extensions.

(a) The following form of endorsement application to the standard workmen’s compensation and employer’s liability policy, shall be used, if required by the OWCP, with the form of policy approved by the Office for use by an authorized carrier:

For attachment to Policy No. ______.

The obligations of the policy include the Longshoremen’s and Harbor Workers’ Compensation Act, 33 U.S.C. 901 et seq., and all laws amendatory thereof or supplementary thereto which may be or become effective while this policy is in force.
The company will be subject to the provisions of 33 U.S.C. 935. All terms, conditions, requirements, and obligations, expressed in this policy or in any other endorsement attached thereto which are not inconsistent with or inapplicable to the provisions of this endorsement are hereby made a part of this endorsement as fully and completely as if wholly written herein.

§ 703.110 Other forms of endorsements and policies.

Where the form of endorsement prescribed by §703.109 is not appropriate when used in conjunction with a form of policy approved for use by the Office no modification thereof shall be used unless specifically approved by the Office. Where the form of policy is designed to include therein the obligations of the insurer under said Act without the use of the appropriate endorsements, the policy shall contain the provisions required to be included in any of the endorsements. Such a policy, however, shall not be used until expressly approved by the Office.

§ 703.111 Submission of new forms of policies for approval; other endorsements.

No new forms of policies or modification of existing forms of policies shall be used by an insurer authorized by the Office under the regulations in this part to write insurance under said Act except after submission to and approval by the Office. § 703.112 Terms of policies.

A policy or contract of insurance shall be issued for the term of not less than 1 year from the date that it becomes effective, but if such insurance be not needed except for a particular contract or operation, the term of the policy may be limited to the period of such contract or operation.

§ 703.113 Marine insurance contracts.

A longshoremen’s policy, or the longshoremen’s endorsement provided for by §703.109 for attachment to a marine policy, may specify the particular vessel or vessels in respect of which the policy applies and the address of the employer at the home port thereof. The report of the issuance of a policy or endorsement required by §703.116 to be made by the carrier shall be made to the district director for the compensation district in which the home port of such vessel or vessels is located, and such report shall show the name and address of the owner as well as the name or names of such vessel or vessels.

§ 703.114 Notice of cancellation.

Cancellation of a contract or policy of insurance issued under authority of said Act shall not become effective otherwise than as provided by 33 U.S.C. 936(b); and notice of a proposed cancellation shall be given to the district director and to the employer in accordance with the provisions of 33 U.S.C. 912(c), 30 days before such cancellation is intended to be effective.

§ 703.115 Discharge by the carrier of obligations and duties of employer.

Every obligation and duty in respect of payment of compensation, the providing of medical and other treatment and care, the payment or furnishing of any other benefit required by said Act and in respect of the carrying out of the administrative procedure required or imposed by said Act or the regulations in this part upon an employer shall be discharged and carried out by the carrier except that the prescribed report of injury or death shall be sent by the employer to the district director and to the insurance carrier as required by 33 U.S.C. 930. Such carrier shall be jointly responsible with the
employer for the submission of all reports, notices, forms, and other administrative papers required by the district director or the Office in the administration of said Act to be submitted by the employer, but any form or paper so submitted where required therein shall contain in addition to the name and address of the carrier, the full name and address of the employer on whose behalf it is submitted. Notice to or knowledge of an employer of the occurrence of the injury or death shall be notice to or knowledge of such carrier. Jurisdiction of the employer by a district director, the Office, or appropriate appellate authority under said Act shall be jurisdiction of such carrier. Any requirement under any compensation order, finding, or decision shall be binding upon such carrier in the same manner and to the same extent as upon the employer.

§ 703.116 Report by carrier of issuance of policy or endorsement.

Each carrier shall report to the district director assigned to a compensation district each policy and endorsement issued by it to an employer who carries on operations in such compensation district. The report shall be made in such manner and on such form as the district or the Office may require.

§ 703.117 Report; by whom sent.

The report of issuance of a policy and endorsement provided for in §703.116 shall be sent by the home office of the carrier, except that any carrier may authorize its agency or agencies in any compensation district to make such reports to the district director, provided the carrier shall notify the district director in such district of the agencies so duly authorized.

§ 703.118 Agreement to be bound by report.

Every applicant for authority to write insurance under the provisions of this Act, shall be deemed to have included in its application an agreement that the acceptance by the district director of a report of the issuance of a policy of insurance, as provided for by §703.116, shall bind the carrier to full liability for the obligations under this Act of the employer named in said report, and every certificate of authority to write insurance under this Act shall be deemed to have been issued by the Office upon consideration of the carrier’s agreement to become so bound. It shall be no defense to this agreement that the carrier failed or delayed to issue the policy to the employer covered by this report.

[50 FR 406, Jan. 3, 1985]

§ 703.119 Report by employer operating temporarily in another compensation district.

Where an employer having operations in one compensation district contemplates engaging in work subject to the Act in another compensation district, his carrier may submit to the district director of such latter district a report pursuant to §703.116 containing the address of the employer in the first mentioned district with the additional notation “No present address in ——— compensation district. Certificate requested when address given.”

§ 703.120 Name of one employer only shall be given in each report.

A separate report of the issuance of a policy and endorsement, provided for by §703.116, shall be made for each employer covered by a policy. If a policy is issued insuring more than one employer, a separate report for each employer so covered shall be sent to the district director concerned, with the name of only one employer on each such report.

§ 703.303 Decision upon application of employer; deposit of negotiable securities or indemnity bond.

The decision of the Office to grant an application of an employer for authority to pay compensation under said Act as a self-insurer will be transmitted to the applicant on a form prescribed by the Office. Such grant shall be conditioned upon a deposit of security in the form of an indemnity bond or of negotiable securities in an amount fixed by the Office, and the execution and filing of an agreement and undertaking in the form prescribed by the Office, as required by §703.304.

§ 703.304 Filing of agreement and undertaking.

The applicant for the privilege of self-insurance shall as a condition subsequent to receiving authorization to act as a self-insurer, execute and file with the Office and agreement and undertaking in a form prescribed and provided by the Office in which the applicant shall agree: (a) To pay when due, as required by the provisions of said Act, all compensation payable on account of injury or death of any of its employees injured within the purview of said Act; (b) in such cases to furnish medical, surgical, hospital, and other attendance, treatment and care as required by the provisions of said Act; (c) to deposit with the Office an indemnity bond in the amount which the Office
§ 703.305 Decision upon application of employer; furnishing of indemnity bond or deposit of negotiable securities required.

The applicant for the privilege of self-insurance, as a condition subsequent to receiving authorization to act as self-insurer, shall give security for the payment of compensation and the discharge of all other obligations under the said Act, in the amount fixed by the Office, which may be in the form of an indemnity bond with sureties satisfactory to the Office, or of a deposit of negotiable securities as provided in the regulations in this part. The amount of such security so to be fixed and required by the Office shall be such as the Office shall deem to be necessary and sufficient to secure the performance by the applicant of all obligations imposed upon him as an employer by the Act. In fixing the amount of such security the Office will take into account the financial standing of the employer, the nature of the work in which he is engaged, the hazard of the work in which the employees are employed, the payroll exposure, and the accident experience as shown in the application and the Office’s records, and any other facts which the Office may deem pertinent. Additional security may be required at any time in the discretion of the Office. The indemnity bond which is required by these regulations shall be in such form, and shall contain such provisions, as the Office may prescribe: Provided, That only surety companies approved by the United States Treasury Department under the laws of the United States and the rules and regulations governing bonding companies may act as sureties on such indemnity bonds.

[50 FR 407, Jan. 3, 1985]

§ 703.306 Kinds of negotiable securities which may be deposited; conditions of deposit; acceptance of deposits.

An applicant for the privilege of self-insurance electing to deposit negotiable securities to secure his obligations under said Act in the amount fixed by the Office under the regulations in this part shall deposit any negotiable securities acceptable as security for the deposit of public monies of the United States under regulations issued by the Secretary of the Treasury. The approval, valuation, acceptance, and custody of such securities is hereby committed to the several Federal Reserve Banks and the Treasurer of the United States when authorized under the regulations in this part to receive deposits of such securities.

[50 FR 407, Jan. 3, 1985]

§ 703.307 Deposits of negotiable securities with Federal Reserve banks or the Treasurer of the United States; authority to sell such securities; interest thereon.

Deposits of securities provided for by the regulations in this part shall be made with any Federal Reserve bank or any branch of a Federal Reserve bank designated by the Office, or the Treasurer of the United States, and shall be held subject to the order of the Office with power in the Office, in its discretion in the event of default by the said self-insurer, to collect the interest and the principal as they may become due, to sell the securities or any of them as may be required to discharge the obligations of the self-insurer under said Act and to apply the proceeds to the payment of any compensation or medical expense for which the self-insurer may be liable. The Office may, however, whenever it deems it unnecessary to resort to such securities for the payment of compensation, authorize the self-insurer to collect interest on the securities deposited by him.

[50 FR 407, Jan. 3, 1985]
§ 703.308 Substitution and withdrawal of negotiable securities.

No substitution or withdrawal of negotiable securities deposited by a self-insurer shall be made except upon authorization by the Office. A self-insurer discontinuing business, or discontinuing operations within the purview of said Act, or providing security for the payment of compensation by insurance under the provisions of said Act may apply to the Office for the withdrawal of securities deposited under the regulations in this part. With such application shall be filed a sworn statement setting forth:

(a) A list of all outstanding cases in each compensation district in which compensation is being paid, with the names of the employees and other beneficiaries, giving a description of causes of injury or death, and a statement of the amount of compensation paid; (b) a similar list of all pending cases in which no compensation has as yet been paid; and (c) a similar list of all cases in which injury or death has occurred within 1 year prior to such application or in which the last payment of compensation was made within 1 year prior to such application. In such cases withdrawals may be authorized by the Office of such securities as in the opinion of the Office may not be necessary to provide adequate security for the payment of outstanding and potential liabilities of such self-insurer under said Act.

§ 703.309 Increase or reduction in the amount of indemnity bond or negotiable securities.

Whenever in the opinion of the Office the principal sum of the indemnity bond required to be given or the amount of negotiable securities required to be deposited may be reduced. A self-insurer seeking such reduction shall furnish such information as the Office may request relative to his current affairs, the nature and hazard of the work of his employees, the amount of the payroll of his employees engaged in maritime employment within the purview of the said Act, his financial condition, his accident experience, and such other evidence as may be deemed material, including a record of payments of compensation made by him.

§ 703.310 Reports required of self-insurers; examination of accounts of self-insurer.

At such times as the Office may require or prescribe, each self-insurer shall submit such of the following reports as may be requested:

(a) A certified financial statement of the self-insurer’s assets and liabilities, or a balance sheet.

(b) A sworn statement showing by classifications the payroll of employees of the self-insurer who are engaged in employment within the purview of the LHWCA or any of its extensions.

(c) A sworn statement covering the 6 months’ period preceding the date of such report, listing by compensation districts all death and injury cases which have occurred during such period, together with a report of the status of all outstanding claims, showing the particulars of each case.

Whenever it deems it to be necessary, the Office may inspect or examine the books of account, records, and other papers of a self-insurer for the purpose of verifying any information furnished to the Office in any report required by this section, or any other section of the regulations in this part, and such self-insurer shall permit the Office or its duly authorized representative to make such an inspection or examination as the Office shall require. In lieu of this
§ 703.311 Period of authorization as self-insurer.

(a) Effective with the end of the authorization period July 1, 1983, through June 30, 1984, annual reauthorization of the self-insurance privilege is no longer necessary. Beginning July 1, 1984, and thereafter, newly approved and renewed self-insurance authorizations will remain in effect for so long as the self-insurer complies with the requirements of the OWCP.

(b) A self-insurer who currently has on file an indemnity bond, will receive from the office, on or about May 10 of each year, a bond form for execution in contemplation of the continuance of the self-insurance authorization, and the submission of such bond duly executed in the amount indicated by the office will be deemed and treated as a condition of the continuing authorization.

§ 703.312 Revocation of privilege of self-insurance.

The Office may for good cause shown suspend or revoke the authorization of any self-insurer. Failure by a self-insurer to comply with any provision or requirement of law or of the regulations in this part, or with any lawful order or communication of the Office, or the failure or insolvency of the surety on his indemnity bond, or impairment of financial responsibility of such self-insurer, shall be deemed good cause for such suspension or revocation.

ISSUANCE OF CERTIFICATES OF COMPLIANCE

§ 703.501 Issuance of certificates of compliance.

Every employer who has secured the payment of compensation as required by 33 U.S.C. 932 and by the regulations in this part may request a certificate from the district director in the compensation district in which he has operations, and for which a certificate is required by 33 U.S.C. 937, showing that such employer has secured the payment of compensation. Only one such certificate will be issued to an employer in a compensation district, and it will be valid only during the period for which such employer has secured such payment. An employer so desiring may have photocopies of such a certificate made for use in different places within the compensation district. Two forms of such certificates have been provided by the Office, one form for use where the employer has obtained insurance generally under these regulations, and one for use where the employer has been authorized as a self-insurer.

§ 703.502 Same; employer operating temporarily in another compensation district.

A district director receiving a report of the issuance of a policy of insurance with the notation authorized by §703.119, will file such report until he receives from the insured employer named therein a request for certificate of compliance, giving the address of the employer within the compensation district of such district director. Upon receipt of such a request the district director will send the proper certificate of compliance to such employer at such address.

§ 703.503 Return of certificates of compliance.

Upon the termination by expiration, cancellation or otherwise, of a policy of insurance issued under the provisions of law and these regulations, or the revocation or termination of the privilege of self-insurance granted by the Office, all certificates of compliance issued on the basis of such insurance or self-insurance shall be void and shall be returned by the employer to the district director issuing them with a statement of the reason for such return. An employer holding certificate of compliance under an insurance policy which has expired, pending renewal of such insurance need not return such certificate of compliance if such expired insurance is promptly replaced.
Employment Standards Administration, Labor § 704.102

An employer who has secured renewal of insurance upon the expiration of policy under said Act or whose self-insurance thereunder is reauthorized without a break in the continuity thereof need not return an expired certificate of compliance.

Subpart A—General

§ 718.1 Statutory provisions.

(a) Under title IV of the Federal Coal Mine Health and Safety Act of 1969, as amended by the Black Lung Benefits Act of 1972, the Federal Mine Safety and Health Amendments Act of 1977, the Black Lung Benefits Reform Act of 1977, the Black Lung Benefits Revenue Act of 1977, the Black Lung Benefits Amendments of 1981, and the Black Lung Benefits Revenue Act of 1981, benefits are provided to miners who are totally disabled due to pneumoconiosis and to certain survivors of a miner who died due to or while totally or partially disabled by pneumoconiosis. However, unless the miner was found entitled to benefits as a result of a claim filed prior to January 1, 1982, benefits are payable on survivors’ claims filed on or after January 1, 1982, only when the miner’s death was due to pneumoconiosis, except where the survivor’s entitlement is established pursuant to § 718.306 on a claim filed prior to June 30, 1982. Before the enactment of the Black Lung Benefits Reform Act of 1977, the authority for establishing standards of eligibility for miners and their survivors was placed with the Secretary of Health, Education, and Welfare. These standards were set forth by the Secretary of Health, Education, and Welfare in subpart D of part 410 of this title, and adopted by the Secretary of Labor for application to all claims filed with the Secretary of Labor (see 20 CFR 718.2, contained in the 20 CFR, Part 500 to end, edition, revised as of April 1, 1979.) Amendments made to
§ 718.2 Applicability of this part.

This part is applicable to the adjudication of all claims filed after March 31, 1980, and considered by the Secretary of Labor under section 422 of the Act and part 725 of this subchapter. If a claim subject to the provisions of section 435 of the Act and subpart C of part 727 of this subchapter (see 20 CFR 725.4(d)) cannot be approved under that subpart, such claim may be approved, if appropriate, under the provisions contained in this part. The provisions of this part shall, to the extent appropriate, be construed together in the adjudication of all claims.

§ 718.3 Scope and intent of this part.

(a) This part sets forth the standards to be applied in determining whether a coal miner is or was totally, or in the case of a claim subject to § 718.306 partially, disabled due to pneumoconiosis or died due to pneumoconiosis. It also specifies the procedures and requirements to be followed in conducting medical examinations and in administering various tests relevant to such determinations.

(b) This part is designed to interpret the presumptions contained in section 411(c) of the Act, evidentiary standards and criteria contained in section 413(b) of the Act and definitional requirements and standards contained in section 402(f) of the Act within a coherent framework for the adjudication of claims. It is intended that these enumerated provisions of the Act be construed as provided in this part.

§ 718.4 Definitions and use of terms.

Except as is otherwise provided by this part, the definitions and usages of terms contained in § 725.101 of subpart A of part 725 of this title (see 20 CFR 725.4(d)).

Subpart B—Criteria for the Development of Medical Evidence

SOURCE: 65 FR 80045, Dec. 20, 2000, unless otherwise noted.

§ 718.101 General.

(a) The Office of Workers’ Compensation Programs (hereinafter OWCP or the Office) shall develop the medical evidence necessary for a determination with respect to each claimant’s entitlement to benefits. Each miner who files a claim for benefits under the Act shall be provided an opportunity to substantiate his or her claim by means of a complete pulmonary evaluation including, but not limited to, a chest roentgenogram (X-ray), physical examination, pulmonary function tests and a blood-gas study.

(b) The standards for the administration of clinical tests and examinations contained in this subpart shall apply to all evidence developed by any party after January 19, 2001 in connection with a claim governed by this part (see §§ 725.406(b), 725.414(a), 725.456(d)). These standards shall also apply to claims governed by part 727 (see 20 CFR 725.4(d)), but only for clinical tests or examinations conducted after January 19, 2001. Any clinical test or examination subject to these standards shall be
Employment Standards Administration, Labor

§ 718.103 Pulmonary function tests.

(a) Any report of pulmonary function tests submitted in connection with a claim for benefits shall record the results of flow versus volume (flow-volume loop). The instrument shall simultaneously provide records of volume versus time (spirometric tracing). The report shall provide the results of the forced expiratory volume in one second (FEV1) and the forced vital capacity (FVC). The report shall also provide the FEV1/FVC ratio, expressed as a percentage. If the maximum voluntary ventilation (MVV) is reported, the results of such test shall be obtained independently rather than calculated from the results of the FEV1.

§ 718.102 Chest roentgenograms (X-rays).

(a) A chest roentgenogram (X-ray) shall be of suitable quality for proper classification of pneumoconiosis and shall conform to the standards for administration and interpretation of chest X-rays as described in Appendix A.

(b) A chest X-ray to establish the existence of pneumoconiosis shall be classified as Category 1, 2, 3, A, B, or C, according to the International Labour Organization Union Internationale Contra Cancer/Cincinnati (1971) International Classification of Radiographs of the Pneumoconioses (ILO–U/C 1971), or subsequent revisions thereof. This document is available from the Division of Coal Mine Workers’ Compensation in the U.S. Department of Labor, Washington, D.C., telephone (202) 693–0046, and from the National Institute for Occupational Safety and Health (NIOSH), located in Cincinnati, Ohio, telephone (513) 841–4428 and Morgantown, West Virginia, telephone (304) 285–5749. A chest X-ray classified as Category Z under the ILO Classification (1958) or Short Form (1968) shall be reclassified as Category 0 or Category 1 as appropriate, and only the latter accepted as evidence of pneumoconiosis. A chest X-ray classified under any of the foregoing classifications as Category 0, including sub-categories 0–, 0/0, or 0/1 under the UICC/Cincinnati (1968) Classification or the ILO–U/C 1971 Classification does not constitute evidence of pneumoconiosis.

(c) A description and interpretation of the findings in terms of the classifications described in paragraph (b) of this section shall be submitted by the examining physician along with the film. The report shall specify the name and qualifications of the person who took the film and the name and qualifications of the physician interpreting the film. If the physician interpreting the film is a Board-certified or Board-eligible radiologist or a certified “B” reader (see §718.202), he or she shall so indicate. The report shall further specify that the film was interpreted in compliance with this paragraph.

(d) The original film on which the X-ray report is based shall be supplied to the Office, unless prohibited by law, in which event the report shall be considered as evidence only if the original film is otherwise available to the Office and other parties. Where the chest X-ray of a deceased miner has been lost, destroyed or is otherwise unavailable, a report of a chest X-ray submitted by any party shall be considered in connection with the claim.

(e) Except as provided in this paragraph, no chest X-ray shall constitute evidence of the presence or absence of pneumoconiosis unless it is conducted and reported in accordance with the requirements of this section and Appendix A. In the absence of evidence to the contrary, compliance with the requirements of Appendix A shall be presumed. In the case of a deceased miner where the only available X-ray does not substantially comply with paragraphs (a) through (d), such X-ray may form the basis for a finding of the presence or absence of pneumoconiosis if it is of sufficient quality for determining the presence or absence of pneumoconiosis and such X-ray was interpreted by a Board-certified or Board-eligible radiologist or a certified “B” reader (see §718.202).
(b) All pulmonary function test results submitted in connection with a claim for benefits shall be accompanied by three tracings of the flow versus volume and the electronically derived volume versus time tracings. If the MVV is reported, two tracings of the MVV whose values are within 10% of each other shall be sufficient. Pulmonary function test results developed in connection with a claim for benefits shall also include a statement signed by the physician or technician conducting the test setting forth the following: (1) Date and time of test; (2) Name, DOL claim number, age, height, and weight of claimant at the time of the test; (3) Name of technician; (4) Name and signature of physician supervising the test; (5) Claimant’s ability to understand the instructions, ability to follow directions and degree of cooperation in performing the tests. If the claimant is unable to complete the test, the person executing the report shall set forth the reasons for such failure; (6) Paper speed of the instrument used; (7) Name of the instrument used; (8) Whether a bronchodilator was administered. If a bronchodilator is administered, the physician’s report must detail values obtained both before and after administration of the bronchodilator and explain the significance of the results obtained; and (9) That the requirements of paragraphs (b) and (c) of this section have been complied with.

(c) Except as provided in this paragraph, no results of a pulmonary function study shall constitute evidence of the presence or absence of a respiratory or pulmonary impairment unless it is conducted and reported in accordance with the requirements of this section and Appendix B to this part. In the absence of evidence to the contrary, compliance with the requirements of Appendix B shall be presumed. In the case of a deceased miner, where no pulmonary function tests are in substantial compliance with paragraphs (a) and (b) and Appendix B, noncomplying tests may form the basis for a finding if, in the opinion of the adjudication officer, the tests demonstrate technically valid results obtained with good cooperation of the miner.

§718.104 Report of physical examinations.

(a) A report of any physical examination conducted in connection with a claim shall be prepared on a medical report form supplied by the Office or in a manner containing substantially the same information. Any such report shall include the following information and test results: (1) The miner’s medical and employment history; (2) All manifestations of chronic respiratory disease; (3) Any pertinent findings not specifically listed on the form; (4) If heart disease secondary to lung disease is found, all symptoms and significant findings; (5) The results of a chest X-ray conducted and interpreted as required by §718.102; and (6) The results of a pulmonary function test conducted and reported as required by §718.103. If the miner is physically unable to perform a pulmonary function test or if the test is medically contraindicated, in the absence of evidence establishing total disability pursuant to §718.304, the report must be based on other medically acceptable clinical and laboratory diagnostic techniques, such as a blood gas study.

(b) In addition to the requirements of paragraph (a), a report of physical examination may be based on any other procedures such as electrocardiogram, blood-gas studies conducted and reported as required by §718.105, and other blood analyses which, in the physician’s opinion, aid in his or her evaluation of the miner.

(c) In the case of a deceased miner, where no report is in substantial compliance with paragraphs (a) and (b), a report prepared by a physician who is unavailable may nevertheless form the basis for a finding if, in the opinion of the adjudication officer, it is accompanied by sufficient indicia of reliability in light of all relevant evidence.

(d) Treating physician. In weighing the medical evidence of record relevant to whether the miner suffers, or suffered, from pneumoconiosis, whether
the pneumoconiosis arose out of coal mine employment, and whether the miner is, or was, totally disabled by pneumoconiosis or died due to pneumoconiosis, the adjudication officer must give consideration to the relationship between the miner and any treating physician whose report is admitted into the record. Specifically, the adjudication officer shall take into consideration the following factors in weighing the opinion of the miner’s treating physician:

(1) **Nature of relationship.** The opinion of a physician who has treated the miner for respiratory or pulmonary conditions is entitled to more weight than a physician who has treated the miner for non-respiratory conditions;

(2) **Duration of relationship.** The length of the treatment relationship demonstrates whether the physician has observed the miner long enough to obtain a superior understanding of his or her condition;

(3) **Frequency of treatment.** The frequency of physician-patient visits demonstrates whether the physician has observed the miner often enough to obtain a superior understanding of his or her condition; and

(4) **Extent of treatment.** The types of testing and examinations conducted during the treatment relationship demonstrate whether the physician has obtained superior and relevant information concerning the miner’s condition.

(5) In the absence of contrary probative evidence, the adjudication officer shall accept the statement of a physician with regard to the factors listed in paragraphs (d)(1) through (4) of this section. In appropriate cases, the relationship between the miner and his treating physician may constitute substantial evidence in support of the adjudication officer’s decision to give that physician’s opinion controlling weight, provided that the weight given to the opinion of a miner’s treating physician shall also be based on the credibility of the physician’s opinion in light of its reasoning and documentation, other relevant evidence and the record as a whole.

§ 718.105 Arterial blood-gas studies.

(a) Blood-gas studies are performed to detect an impairment in the process of alveolar gas exchange. This defect will manifest itself primarily as a fall in arterial oxygen tension either at rest or during exercise. No blood-gas study shall be performed if medically contraindicated.

(b) A blood-gas study shall initially be administered at rest and in a sitting position. If the results of the blood-gas test at rest do not satisfy the requirements of Appendix C to this part, an exercise blood-gas test shall be offered to the miner unless medically contraindicated. If an exercise blood-gas test is administered, blood shall be drawn during exercise.

(c) Any report of a blood-gas study submitted in connection with a claim shall specify:

(1) Date and time of test;

(2) Altitude and barometric pressure at which the test was conducted;

(3) Name and DOL claim number of the claimant;

(4) Name of technician;

(5) Name and signature of physician supervising the study;

(6) The recorded values for PC02, P02, and PH, which have been collected simultaneously (specify values at rest and, if performed, during exercise);

(7) Duration and type of exercise;

(8) Pulse rate at the time the blood sample was drawn;

(9) Time between drawing of sample and analysis of sample; and

(10) Whether equipment was calibrated before and after each test.

(d) If one or more blood-gas studies producing results which meet the appropriate table in Appendix C is administered during a hospitalization which ends in the miner’s death, then any such study must be accompanied by a physician’s report establishing that the test results were produced by a chronic respiratory or pulmonary condition. Failure to produce such a report will prevent reliance on the blood-gas study as evidence that the miner was totally disabled at death. (e) In the case of a deceased miner, where no blood gas tests are in substantial compliance with paragraphs (a), (b), and (c), non-complying tests may form the basis for a finding if, in the opinion of the adjudication officer, the only available tests demonstrate technically valid results. This provision shall not excuse
§ 718.106 Autopsy; biopsy.

(a) A report of an autopsy or biopsy submitted in connection with a claim shall include a detailed gross macroscopic and microscopic description of the lungs or visualized portion of a lung. If a surgical procedure has been performed to obtain a portion of a lung, the evidence shall include a copy of the surgical note and the pathology report of the gross and microscopic examination of the surgical specimen. If an autopsy has been performed, a complete copy of the autopsy report shall be submitted to the Office.

(b) In the case of a miner who died prior to March 31, 1980, an autopsy or biopsy report shall be considered even when the report does not substantially comply with the requirements of this section. A noncomplying report concerning a miner who died prior to March 31, 1980, shall be accorded the appropriate weight in light of all relevant evidence.

(c) A negative biopsy is not conclusive evidence that the miner does not have pneumoconiosis. However, where positive findings are obtained on biopsy, the results will constitute evidence of the presence of pneumoconiosis.

§ 718.107 Other medical evidence.

(a) The results of any medically acceptable test or procedure reported by a physician and not addressed in this subpart, which tends to demonstrate the presence or absence of pneumoconiosis, the sequelae of pneumoconiosis or a respiratory or pulmonary impairment, may be submitted in connection with a claim and shall be given appropriate consideration.

(b) The party submitting the test or procedure pursuant to this section bears the burden to demonstrate that the test or procedure is medically acceptable and relevant to establishing or refuting a claimant’s entitlement to benefits.

§ 718.201 Definition of pneumoconiosis.

(a) For the purpose of the Act, “pneumoconiosis” means a chronic dust disease of the lung and its sequelae, including respiratory and pulmonary impairments, arising out of coal mine employment. This definition includes both medical, or “clinical”, pneumoconiosis and statutory, or “legal”, pneumoconiosis.

(1) Clinical Pneumoconiosis. “Clinical pneumoconiosis” consists of those diseases recognized by the medical community as pneumoconioses, i.e., the conditions characterized by permanent deposition of substantial amounts of particulate matter in the lungs and the fibrotic reaction of the lung tissue to that deposition caused by dust exposure in coal mine employment. This definition includes, but is not limited to, coal workers’ pneumoconiosis, anthracosis, anthrosilicosis, massive pulmonary fibrosis, silicosis or silicotuberculosis, arising out of coal mine employment.

(2) Legal Pneumoconiosis. “Legal pneumoconiosis” includes any chronic lung disease or impairment and its sequelae arising out of coal mine employment. This definition includes, but is not limited to, any chronic restrictive or obstructive pulmonary disease arising out of coal mine employment.

§ 718.202 Determining the existence of pneumoconiosis.

(a) A finding of the existence of pneumoconiosis may be made as follows:
Employment Standards Administration, Labor § 718.202

(1) A chest X-ray conducted and classified in accordance with §718.102 may form the basis for a finding of the existence of pneumoconiosis. Except as otherwise provided in this section, where two or more X-ray reports are in conflict, in evaluating such X-ray reports consideration shall be given to the radiological qualifications of the physicians interpreting such X-rays.

(i) In all claims filed before January 1, 1982, where there is other evidence of pulmonary or respiratory impairment, a Board-certified or Board-eligible radiologist’s interpretation of a chest X-ray shall be accepted by the Office if the X-ray is in compliance with the requirements of §718.102 and if such X-ray has been taken by a radiologist or qualified radiologic technologist or technician and there is no evidence that the claim has been fraudulently represented. However, these limitations shall not apply to any claim filed on or after January 1, 1982.

(ii) The following definitions shall apply when making a finding in accordance with this paragraph.

(A) The term other evidence means medical tests such as blood-gas studies, pulmonary function studies or physical examinations or medical histories which establish the presence of a chronic pulmonary, respiratory or cardio-pulmonary condition, and in the case of a deceased miner, in the absence of medical evidence to the contrary, affidavits of persons with knowledge of the miner’s physical condition.

(B) Pulmonary or respiratory impairment means inability of the human respiratory apparatus to perform in a normal manner one or more of the three components of respiration, namely, ventilation, perfusion and diffusion.

(C) Board-certified means certification in radiology or diagnostic roentgenology by the American Board of Radiology, Inc. or the American Osteopathic Association.

(D) Board-eligible means the successful completion of a formal accredited residency program in radiology or diagnostic roentgenology.

(E) Certified ‘B’ reader or ‘B’ reader means a physician who has demonstrated proficiency in evaluating chest roentgenograms for roentgenographic quality and in the use of the ILO-U/C classification for interpreting chest roentgenograms for pneumoconiosis and other diseases by taking and passing a specially designed proficiency examination given on behalf of or by the Appalachian Laboratory for Occupational Safety and Health. See 42 CFR 37.51(b)(2).

(F) Qualified radiologic technologist or technician means an individual who is either certified as a registered technologist by the American Registry of Radiologic Technologists or licensed as a radiologic technologist by a state licensing board.

(2) A biopsy or autopsy conducted and reported in compliance with §718.106 may be the basis for a finding of the existence of pneumoconiosis. A finding in an autopsy or biopsy of anthracotic pigmentation, however, shall not be sufficient, by itself, to establish the existence of pneumoconiosis. A report of autopsy shall be accepted unless there is evidence that the report is not accurate or that the claim has been fraudulently represented.

(3) If the presumptions described in §§718.304, 718.305 or §718.306 are applicable, it shall be presumed that the miner is or was suffering from pneumoconiosis.

(4) A determination of the existence of pneumoconiosis may also be made if a physician, exercising sound medical judgment, notwithstanding a negative X-ray, finds that the miner suffers or suffered from pneumoconiosis as defined in §718.201. Any such finding shall be based on objective medical evidence such as blood-gas studies, electrocardiograms, pulmonary function studies, physical performance tests, physical examination, and medical and work histories. Such a finding shall be supported by a reasoned medical opinion.

(b) No claim for benefits shall be denied solely on the basis of a negative chest X-ray.

(c) A determination of the existence of pneumoconiosis shall not be made solely on the basis of a living miner’s statements or testimony. Nor shall such a determination be made upon a claim involving a deceased miner filed on or after January 1, 1982, solely based upon the affidavit(s) (or equivalent
§ 718.203 Establishing relationship of pneumoconiosis to coal mine employment.

(a) In order for a claimant to be found eligible for benefits under the Act, it must be determined that the miner’s pneumoconiosis arose at least in part out of coal mine employment. The provisions in this section set forth the criteria to be applied in making such a determination.

(b) If a miner who is suffering or suffered from pneumoconiosis was employed for ten years or more in one or more coal mines, there shall be a rebuttable presumption that the pneumoconiosis arose out of such employment.

(c) If a miner who is suffering or suffered from pneumoconiosis was employed less than ten years in the nation’s coal mines, it shall be determined that such pneumoconiosis arose out of that employment only if competent evidence establishes such a relationship.

§ 718.204 Total disability and disability causation defined; criteria for determining total disability and total disability due to pneumoconiosis.

(a) General. Benefits are provided under the Act for or on behalf of miners who are totally disabled due to pneumoconiosis, or who were totally disabled due to pneumoconiosis at the time of death. For purposes of this section, any nonpulmonary or nonrespiratory condition or disease, which causes an independent disability unrelated to the miner’s pulmonary or respiratory disability, shall not be considered in determining whether a miner is totally disabled due to pneumoconiosis. If, however, a nonpulmonary or nonrespiratory condition or disease causes a chronic respiratory or pulmonary impairment, that condition or disease shall be considered in determining whether the miner is or was totally disabled due to pneumoconiosis.

(b)(1) Total disability defined. A miner shall be considered totally disabled if the irrebuttable presumption described in §718.304 applies. If that presumption does not apply, a miner shall be considered totally disabled if the miner has a pulmonary or respiratory impairment which, standing alone, prevents or prevented the miner:

(i) From performing his or her usual coal mine work; and

(ii) From engaging in gainful employment in the immediate area of his or her residence requiring the skills or abilities comparable to those of any employment in a mine or mines in which he or she previously engaged with some regularity over a substantial period of time.

(2) Medical criteria. In the absence of contrary probative evidence, evidence which meets the standards of either paragraphs (b)(2)(i), (ii), (iii), or (iv) of this section shall establish a miner’s total disability:

(i) Pulmonary function tests showing values equal to or less than those listed in Table B1 (Males) or Table B2 (Females) in Appendix B to this part for an individual of the miner’s age, sex, and height for the FEV1 test; if, in addition, such tests also reveal the values specified in either paragraph (b)(2)(i)(A) or (B) or (C) of this section:

(A) Values equal to or less than those listed in Table B3 (Males) or Table B4 (Females) in Appendix B of this part, for an individual of the miner’s age, sex, and height for the FVC test, or

(B) Values equal to or less than those listed in Table B5 (Males) or Table B6 (Females) in Appendix B to this part, for an individual of the miner’s age, sex, and height for the MVV test, or

(C) A percentage of 55 or less when the results of the FEV1 test are divided by the results of the FVC test (FEV1/FVC equal to or less than 55%), or

(ii) Arterial blood-gas tests show the values listed in Appendix C to this part, or

(iii) The miner has pneumoconiosis and has been shown by the medical evidence to be suffering from cor pulmonale with right-sided congestive heart failure, or

(iv) Where total disability cannot be shown under paragraphs (b)(2)(i), (ii), or (iii) of this section, or where pulmonary function tests and/or blood gas studies are medically contraindicated, total disability may nevertheless be
Employment Standards Administration, Labor

§ 718.204

found if a physician exercising reasoned medical judgment, based on medically acceptable clinical and laboratory diagnostic techniques, concludes that a miner’s respiratory or pulmonary condition prevents or prevented the miner from engaging in employment as described in paragraph (b)(1) of this section.

(c)(1) Total disability due to pneumoconiosis defined. A miner shall be considered totally disabled due to pneumoconiosis if pneumoconiosis, as defined in §718.201, is a substantially contributing cause of the miner’s totally disabling respiratory or pulmonary impairment. Pneumoconiosis is a “substantially contributing cause” of the miner’s disability if:

(i) Has a material adverse effect on the miner’s respiratory or pulmonary condition; or

(ii) Materially worsens a totally disabling respiratory or pulmonary impairment which is caused by a disease or exposure unrelated to coal mine employment.

(2) Except as provided in §718.305 and paragraph (b)(2)(i), (b)(2)(ii), (b)(2)(iv), and (d) of this section, proof that the miner suffers or suffered from a totally disabling respiratory or pulmonary impairment as defined in paragraphs (b)(2)(i), (b)(2)(ii), (b)(2)(iv) and (d) of this section shall not, by itself, be sufficient to establish that the miner’s impairment is or was due to pneumoconiosis. Except as provided in paragraph (d), the cause or causes of a miner’s total disability shall be established by means of a physician’s documented and reasoned medical report.

(d) Lay evidence. In establishing total disability, lay evidence may be used in the following cases:

(1) In a case involving a deceased miner in which the claim was filed prior to January 1, 1982, affidavits (or equivalent sworn testimony) from persons knowledgeable of the miner’s physical condition shall be sufficient to establish total or partial disability due to pneumoconiosis if no medical or other relevant evidence exists which addresses the miner’s respiratory or pulmonary condition; however, such a determination shall not be based solely upon the affidavits or testimony of the claimant and/or his or her dependents who would be eligible for augmentation of the claimant’s benefits if the claim were approved.

(2) In the case of a living miner, proof that the miner was totally disabled at the time of death shall not be conclusive evidence as to whether the miner was totally disabled at the time of death.

(3) In a case involving a deceased miner whose claim was filed on or after January 1, 1982, affidavits (or equivalent sworn testimony) from persons knowledgeable of the miner’s physical condition shall be sufficient to establish total disability due to pneumoconiosis if no medical or other relevant evidence exists which addresses the miner’s pulmonary or respiratory condition; however, such a determination shall not be based solely upon the affidavits or testimony of any person who would be eligible for benefits (including augmented benefits) if the claim were approved.

(4) Statements made before death by a deceased miner about his or her physical condition are relevant and shall be considered in making a determination as to whether the miner was totally disabled at the time of death.

(5) In the case of a living miner’s claim, a finding of total disability due to pneumoconiosis shall not be made solely on the miner’s statements or testimony.

(e) In determining total disability to perform usual coal mine work, the following shall apply in evaluating the miner’s employment activities:

(1) In the case of a deceased miner, employment in a mine at the time of death shall not be conclusive evidence that the miner was not totally disabled. To disprove total disability, it must be shown that at the time the miner died, there were no changed circumstances of employment indicative of his or her reduced ability to perform his or her usual coal mine work.

(2) In the case of a living miner, proof of current employment in a coal mine
§718.205

shall not be conclusive evidence that the miner is not totally disabled unless it can be shown that there are no changed circumstances of employment indicative of his or her reduced ability to perform his or her usual coal mine work.

(3) Changed circumstances of employment indicative of a miner’s reduced ability to perform his or her usual coal mine work may include but are not limited to:

(i) The miner’s reduced ability to perform his or her customary duties without help; or

(ii) The miner’s reduced ability to perform his or her customary duties at his or her usual levels of rapidity, continuity or efficiency; or

(iii) The miner’s transfer by request or assignment to less vigorous duties or to duties in a less dusty part of the mine.

§718.205 Death due to pneumoconiosis.

(a) Benefits are provided to eligible survivors of a miner whose death was due to pneumoconiosis. In order to receive benefits, the claimant must prove that:

(1) The miner had pneumoconiosis (see §718.202);

(2) The miner’s pneumoconiosis arose out of coal mine employment (see §718.203); and

(3) The miner’s death was due to pneumoconiosis as provided by this section.

(b) For the purpose of adjudicating survivors’ claims prior to January 1, 1982, death will be considered due to pneumoconiosis if any of the following criteria is met:

(1) Where competent medical evidence establishes that pneumoconiosis was the cause of the miner’s death, or

(2) Where pneumoconiosis was a substantially contributing cause or factor leading to the miner’s death or where the death was caused by complications of pneumoconiosis, or

(3) Where the presumption set forth at §718.304 is applicable.

(4) However, survivors are not eligible for benefits where the miner’s death was caused by a traumatic injury or the principal cause of death was a medical condition not related to pneumoconiosis, unless the evidence establishes that pneumoconiosis was a substantially contributing cause of death.

(5) Pneumoconiosis is a “substantially contributing cause” of a miner’s death if it hastens the miner’s death.

(d) To minimize the hardships to potentially entitled survivors due to the disruption of benefits upon the miner’s death, survivors’ claims filed on or after January 1, 1982, shall be adjudicated on an expedited basis in accordance with the following procedures. The initial burden is upon the claimant, with the assistance of the district director, to develop evidence which meets the requirements of paragraph (c) of this section. Where the initial medical evidence appears to establish that death was due to pneumoconiosis, the survivor will receive benefits unless the weight of the evidence as subsequently developed by the Department or the responsible operator establishes that the miner’s death was not due to pneumoconiosis as defined in paragraph (c). However, no such benefits shall be found payable before the party responsible for the payment of such benefits shall have had a reasonable opportunity for the development of rebuttal evidence. See §725.414 concerning the operator’s opportunity to develop evidence prior to an initial determination.
§ 718.206 Effect of findings by persons or agencies.

Decisions, statements, reports, opinions, or the like, of agencies, organizations, physicians or other individuals, about the existence, cause, and extent of a miner’s disability, or the cause of a miner’s death, are admissible. If properly submitted, such evidence shall be considered and given the weight to which it is entitled as evidence under all the facts before the adjudication officer in the claim.

Subpart D—Presumptions Applicable to Eligibility Determinations

§ 718.301 Establishing length of employment as a miner.

The presumptions set forth in §§718.302, 718.303, 718.305 and 718.306 apply only if a miner worked in one or more coal mines for the number of years required to invoke the presumption. The length of the miner’s coal mine work history must be computed as provided by 20 CFR 725.101(a)(32).

§ 718.302 Relationship of pneumoconiosis to coal mine employment.

If a miner who is suffering or suffered from pneumoconiosis was employed for ten years or more in one or more coal mines, there shall be a rebuttable presumption that the pneumoconiosis arose out of such employment. (See §718.203.)

§ 718.303 Death from a respirable disease.

(a)(1) If a deceased miner was employed for ten or more years in one or more coal mines and died from a respirable disease, there shall be a rebuttable presumption that his or her death was due to pneumoconiosis.

(2) Under this presumption, death shall be found due to a respirable disease in any case in which the evidence establishes that death was due to multiple causes, including a respirable disease, and it is not medically feasible to distinguish which disease caused death or the extent to which the respirable disease contributed to the cause of death.

(b) The presumption of paragraph (a) of this section may be rebutted by a showing that the deceased miner did not have pneumoconiosis, that his or her death was not due to pneumoconiosis or that pneumoconiosis did not contribute to his or her death.

(c) This section is not applicable to any claim filed on or after January 1, 1982.

§ 718.304 Irrebuttable presumption of total disability or death due to pneumoconiosis.

There is an irrebuttable presumption that a miner is totally disabled due to pneumoconiosis, that a miner’s death was due to pneumoconiosis or that a miner was totally disabled due to pneumoconiosis at the time of death, if such miner is suffering or suffered from a chronic dust disease of the lung which:

(1) The ILO–U/C International Classification of Radiographs of the Pneumoconioses, 1971, or subsequent revisions thereto; or

(2) The International Classification of the Radiographs of the Pneumoconioses of the International Labour Office, Extended Classification (1968) (which may be referred to as the “ILO Classification (1968)’’); or

(3) The Classification of the Pneumoconioses of the Union Internationale Contra Cancer/Cincinnati (1968) (which may be referred to as the “UICC/Cincinnati (1968) Classification’’); or

(b) When diagnosed by biopsy or autopsy, yields massive lesions in the lung; or

(c) When diagnosed by means other than those specified in paragraphs (a) and (b) of this section, would be a condition which could reasonably be expected to yield the results described in paragraph (a) or (b) of this section had
§ 718.305 Diagnosis been made as therein described: Provided, however, That any diagnosis made under this paragraph shall accord with acceptable medical procedures.

§ 718.305 Presumption of pneumoconiosis.

(a) If a miner was employed for fifteen years or more in one or more underground coal mines, and if there is a chest X-ray submitted in connection with such miner’s or his or her survivor’s claim and it is interpreted as negative with respect to the requirements of §718.304, and if other evidence demonstrates the existence of a totally disabling respiratory or pulmonary impairment, then there shall be a rebuttable presumption that such miner is totally disabled due to pneumoconiosis, that such miner’s death was due to pneumoconiosis, or that at the time of death such miner was totally disabled by pneumoconiosis. In the case of a living miner’s claim, a spouse’s affidavit or testimony may not be used by itself to establish the applicability of the presumption. The Secretary shall not apply all or a portion of the requirement of this paragraph that the miner work in an underground mine where it is determined that conditions of the miner’s employment in a coal mine were substantially similar to conditions in an underground mine. The presumption may be rebutted only by establishing that the miner does not, or did not have pneumoconiosis, or that his or her respiratory or pulmonary impairment did not arise out of, or in connection with, employment in a coal mine.

(b) In the case of a deceased miner, where there is no medical or other relevant evidence, affidavits of persons having knowledge of the miner’s condition shall be considered to be sufficient to establish the existence of a totally disabling respiratory or pulmonary impairment for purposes of this section.

(c) The determination of the existence of a totally disabling respiratory or pulmonary impairment, for purposes of applying the presumption described in this section, shall be made in accordance with §718.204.

(d) Where the cause of death or total disability did not arise in whole or in part out of dust exposure in the miner’s coal mine employment or the evidence establishes that the miner does not or did not have pneumoconiosis, the presumption will be considered rebutted. However, in no case shall the presumption be considered rebutted on the basis of evidence demonstrating the existence of a totally disabling obstructive respiratory or pulmonary disease of unknown origin.

(e) This section is not applicable to any claim filed on or after January 1, 1982.

§ 718.306 Presumption of entitlement applicable to certain death claims.

(a) In the case of a miner who died on or before March 1, 1978, who was employed for 25 or more years in one or more coal mines prior to June 30, 1971, the eligible survivors of such miner whose claims have been filed prior to June 30, 1982, shall be entitled to the payment of benefits, unless it is established that at the time of death such miner was not partially or totally disabled due to pneumoconiosis. Eligible survivors shall, upon request, furnish such evidence as is available with respect to the health of the miner at the time of death, and the nature and duration of the miner’s coal mine employment.

(b) For the purpose of this section, a miner will be considered to have been “partially disabled” if he or she had reduced ability to engage in work as defined in §718.204(b).

(c) In order to rebut this presumption the evidence must demonstrate that the miner’s ability to perform work as defined in §718.204(b) was not reduced at the time of his or her death or that the miner did not have pneumoconiosis.

(d) None of the following items, by itself, shall be sufficient to rebut the presumption:

(1) Evidence that a deceased miner was employed in a coal mine at the time of death;

(2) Evidence pertaining to a deceased miner’s level of earnings prior to death;

(3) A chest X-ray interpreted as negative for the existence of pneumoconiosis;
(4) A death certificate which makes no mention of pneumoconiosis.

APPENDIX A TO PART 718—STANDARDS FOR ADMINISTRATION AND INTERPRETATION OF CHEST ROENTGENOGRAMS  
(X-RAYS)

The following standards are established in accordance with sections 301(x)(1)(D) and 413(b) of the Act. They were developed in consultation with the National Institute for Occupational Safety and Health. These standards are promulgated for the guidance of physicians and medical technicians to insure that uniform procedures are used in administering and interpreting X-rays and that the best available medical evidence will be submitted in connection with a claim for black lung benefits. If it is established that one or more standards have not been met, the claims adjudicator may consider such fact in determining the evidentiary weight to be assigned to the physician’s report of an X-ray.

(1) Every chest roentgenogram shall be a single postero-anterior projection at full inspiration on a 14 by 17 inch film. Additional chest films or views shall be obtained if they are necessary for clarification and classification. The film and cassette shall be capable of being positioned both vertically and horizontally so that the chest roentgenogram will include both apices and costophrenic angles. If a miner is too large to permit the above requirements, then a projection with minimum loss of costophrenic angle shall be made.

(2) Miners shall be disrobed from the waist up at the time the roentgenogram is given. The facility shall provide a dressing area and, for those miners who wish to use one, the facility shall provide a clean gown. Facilities shall be heated to a comfortable temperature.

(3) Roentgenograms shall be made only with a diagnostic X-ray machine having a rotating anode tube with a maximum of a 2 mm source (focal spot).

(4) Except as provided in paragraph (5), roentgenograms shall be made with units having generators which comply with the following: (a) the generators of existing roentgenographic units acquired by the examining facility prior to July 27, 1973, shall have a minimum rating of 200 mA at 100 kVp; (b) generators of units acquired subsequent to that date shall have a minimum rating of 300 mA at 125 kVp.

NOTE: A generator with a rating of 150 kVp is recommended.

(5) Roentgenograms made with battery-powered mobile or portable equipment shall be made with units having a minimum rating of 100 mA at 110 kVp at 500 Hz, or 200 mA at 110 kVp at 60 Hz.

(6) Capacitor discharge, and field emission units may be used.

(7) Roentgenograms shall be given only with equipment having a beam-limiting device which does not cause large unexposed boundaries. The use of such a device shall be discernible from an examination of the roentgenogram.

(8) To insure high quality chest roentgenograms:

(i) The maximum exposure time shall not exceed ½ of a second except that with single phase units with a rating less than 300 mA at 125 kVp and subjects with chest over 28 cm postero-anterior, the exposure may be increased to not more than ¼ of a second;

(ii) The source or focal spot to film distance shall be at least 6 feet;

(iii) Only medium-speed film and medium-speed intensifying screens shall be used;

(iv) Film-screen contact shall be maintained and verified at 6-month or shorter intervals;

(v) Intensifying screens shall be inspected at least once a month and cleaned when necessary by the method recommended by the manufacturer;

(vi) All intensifying screens in a cassette shall be of the same type and made by the same manufacturer;

(vii) When using over 90 kV, a suitable grid or other means of reducing scattered radiation shall be used;

(viii) The geometry of the radiographic system shall insure that the central axis (ray) of the primary beam is perpendicular to the plane of the film surface and impinges on the center of the film.

(9) Radiographic processing:

(i) Either automatic or manual film processing is acceptable. A constant time-temperature technique shall be meticulously employed for manual processing.

(ii) If mineral or other impurities in the processing water introduce difficulty in obtaining a high-quality roentgenogram, a suitable filter or purification system shall be used.

(10) Before the miner is advised that the examination is concluded, the roentgenogram shall be processed and inspected and accepted for quality by the physician, or if the physician is not available, acceptance may be made by the radiologic technologist. In a case of a substandard roentgenogram, another shall be made immediately.

(11) An electric power supply shall be used which complies with the voltage, current, and regulation specified by the manufacturer of the machine.

(12) A densitometric test object may be required on each roentgenogram for an objective evaluation of film quality at the discretion of the Department of Labor.

(13) Each roentgenogram made under this Appendix shall be permanently and legibly
marked with the name and address of the facility at which it is made, the miner’s DOL claim number, the date of the roentgenogram, and left and right side of film. No other identifying markings shall be recorded on the roentgenogram.

APPENDIX B TO PART 718—STANDARDS FOR ADMINISTRATION AND INTERPRETATION OF PULMONARY FUNCTION TESTS. TABLES B1, B2, B3, B4, B5, B6.

The following standards are established in accordance with section 402(f)(1)(D) of the Act. They were developed in consultation with the National Institute for Occupational Safety and Health (NIOSH). These standards are promulgated for the guidance of physicians and medical technicians to insure that uniform procedures are used in administering and interpreting ventilatory function tests and that the best available medical evidence will be submitted in support of a claim for black lung benefits. If it is established that one or more standards have not been met, the claims adjudicator may consider such fact in determining the evidentiary weight to be given to the results of the ventilatory function tests.

(i) The instrument shall be accurate within +/− 50 ml or within +/− 3 percent of reading, whichever is greater.

(ii) The instrument shall be capable of measuring vital capacity from 0 to 7 liters BTPS.

(iii) The instrument shall have a low inertia and offer low resistance to airflow such that the resistance to airflow at 12 liters per second must be less than 1.5 cm H2O/liter/sec.

(iv) The instrument or user of the instrument must have a means of correcting volumes to body temperature saturated with water vapor (BTPS) under conditions of varying ambient spirometer temperatures and barometric pressures.

(v) The instrument used shall provide a tracing of flow versus volume (flow-volume loop) which displays the entire maximum inspiration and the entire maximum forced expiration. The instrument shall, in addition, provide tracings of the volume versus time tracing (spirogram) derived electronically from the flow-volume loop. Tracings are necessary to determine whether maximum inspiratory and expiratory efforts have been obtained during the FVC maneuver. If maximum voluntary ventilation is measured, the tracing shall record the individual breaths versus time.

(vi) The instrument shall be capable of accumulating volume for a minimum of 10 seconds after the onset of exhalation.

(vii) The instrument must be capable of being calibrated in the field with respect to the FEV1. The volume calibration shall be accomplished with a 3 L calibrating syringe and should agree to within 1 percent of a 3 L calibrating volume. The linearity of the instrument must be documented by a record of volume calibrations at three different flow rates of approximately 3 L/sec, 3 L/3 sec, and 3 L/sec.

(viii) For measuring maximum voluntary ventilation (MVV) the instrument shall have a response which is flat within +/− 10 percent up to 4 Hz at flow rates up to 12 liters per second over the volume range.

(ix) The spirogram shall be recorded at a speed of at least 20 mm/sec and a volume excursion of at least 10 mmL. Calculation of the FEV1 from the flow-volume loop is not acceptable. Original tracings shall be submitted.

(2) The administration of pulmonary function tests shall conform to the following criteria:

(i) Tests shall not be performed during or soon after an acute respiratory illness.

(ii) For the FEV1 and FVC, use of a nose clip is required. The procedures shall be explained in simple terms to the patient who shall be instructed to loosen any tight clothing and stand in front of the apparatus. The subject may sit, or stand, but care should be taken on repeat testing that the same position be used. Particular attention shall be given to insure that the chin is slightly elevated with the neck slightly extended. The subject shall be instructed to expire completely, momentarily hold his breath, place the mouthpiece in his mouth and close the mouth firmly against the mouthpiece to ensure no air leak. The subject will than make a maximum inspiration from the instrument and when maximum inspiration has been attained, without interruption, blow as hard, fast and completely as possible for at least 7 seconds or until a plateau has been attained in the volume-time curve with no detectable change in the expired volume during the last 2 seconds of maximal expiratory effort. A minimum of three flow-volume loops and derived spirometric tracings shall be carried out. The patient shall be observed throughout the study for compliance with instructions. Inspiration and expiration shall be checked visually for reproducibility. The effort shall be judged unacceptable when the patient:

(A) Has not reached full inspiration preceding the forced expiration; or

(B) Has not used maximal effort during the entire forced expiration; or

(C) Has not continued the expiration for least 7 sec. or until an obvious plateau for at
least 2 sec. in the volume-time curve has occurred; or

(D) Has coughed or closed his glottis; or

(E) Has an obstructed mouthpiece or a leak around the mouthpiece (obstruction due to tongue being placed in front of mouthpiece, false teeth falling in front of mouthpiece, etc.); or

(F) Has an unsatisfactory start of expiration, one characterized by excessive hesitation (or false starts). Peak flow should be attained at the start of expiration and the volume-time tracing (spirogram) should have a smooth contour revealing gradually decreasing flow throughout expiration; or

(G) Has an excessive variability between the three acceptable curves. The variation between the two largest FEV1's of the three acceptable tracings should not exceed 5 percent of the largest FEV1 or 100 ml, whichever is greater. As individuals with obstructive disease or rapid decline in lung function will be less likely to achieve this degree of reproducibility, tests not meeting this criterion may still be submitted for consideration in support of a claim for black lung benefits. Failure to meet this standard should be clearly noted in the test report by the physician conducting or reviewing the test.

(iii) For the MVV, the subject shall be instructed before beginning the test that he or she will be asked to breathe as deeply and as rapidly as possible for approximately 15 seconds. The test shall be performed with the subject in the standing position, if possible. Care shall be taken on repeat testing that the same position be used. The subject shall breathe normally into the mouthpiece of the apparatus for 10 to 15 seconds to become accustomed to the system. The subject shall then be instructed to breathe as deeply and as rapidly as possible, and shall be continually encouraged during the remainder of the maneuver. Subject shall continue the maneuver for 15 seconds. At least 5 minutes of rest shall be allowed between maneuvers. At least three MVV’s shall be carried out. (But see §718.103(b).) During the maneuvers the patient shall be observed for compliance with instructions. The effort shall be judged unacceptable when the patient:

(A) Has not maintained consistent effort for at least 12 to 15 seconds; or

(B) Has coughed or closed his glottis; or

(C) Has an obstructed mouthpiece or a leak around the mouthpiece (obstruction due to tongue being placed in front of mouthpiece, false teeth falling in front of mouthpiece, etc.); or

(D) Has an excessive variability between the three acceptable curves. The variation between the two largest MVVs of the three satisfactory tracings shall not exceed 10 percent.

(iv) A calibration check shall be performed on the instrument each day before use, using a volume source of at least three liters, accurate to within $\pm$1 percent of full scale. The volume calibration shall be performed in accordance with the method described in paragraph (1)(vii) of this Appendix. Accuracy of the time measurement used in determining the FEV1 shall be checked using the manufacturer’s stated procedure and shall be within $\pm$3 percent of actual. The procedure described in the Appendix shall be performed as well as any other procedures suggested by the manufacturer of the spirometer being used.

(v)(A) The first step in evaluating a spirogram for the FVC and FEV1 shall be to determine whether or not the patient has performed the test properly or as described in (2)(ii) of this Appendix. The largest recorded FVC and FEV1, corrected to BTPS, shall be used in the analysis.

(B) Only MVV maneuvers which demonstrate consistent effort for at least 12 seconds shall be considered acceptable. The largest accumulated volume for a 12 second period corrected to BTPS and multiplied by five or the largest accumulated volume for a 15 second period corrected to BTPS and multiplied by four is to be reported as the MVV.
The following tables set forth the values to be applied in determining whether total disability may be established in accordance with §§718.204(b)(2)(ii) and 718.305(a), (c). The values contained in the tables are indicative of impairment only. They do not establish a degree of disability except as provided in §§718.204(b)(2)(ii) and 718.305(a), (c) of this subchapter, nor do they establish standards for determining normal alveolar gas exchange values for any particular individual. Tests shall not be performed during or soon after an acute respiratory or cardiac illness. A miner who meets the following medical specifications shall be found to be totally disabled, in the absence of rebutting evidence, if the values specified in one of the following tables are met:

APPENDIX C TO PART 718—BLOOD-GAS TABLES

The following tables set forth the values to be applied in determining whether total disability may be established in accordance with §§718.204(b)(2)(ii) and 718.305(a), (c). The values contained in the tables are indicative of impairment only. They do not establish a degree of disability except as provided in §§718.204(b)(2)(ii) and 718.305(a), (c) of this subchapter, nor do they establish standards for determining normal alveolar gas exchange values for any particular individual. Tests shall not be performed during or soon after an acute respiratory or cardiac illness. A miner who meets the following medical specifications shall be found to be totally disabled, in the absence of rebutting evidence, if the values specified in one of the following tables are met:

PART 722—CRITERIA FOR DETERMINING WHETHER STATE WORKERS’ COMPENSATION LAWS PROVIDE ADEQUATE COVERAGE FOR PNEUMOCONIOSIS AND LISTING OF APPROVED STATE LAWS

Sec. 722.1 Purpose.

722.2 Definitions.

722.3 General criteria; inclusion in and removal from the Secretary’s list.

722.4 The Secretary’s list.

SOURCE: 65 FR 80053, Dec. 20, 2000, unless otherwise noted.

§ 722.1 Purpose.

Section 421 of the Black Lung Benefits Act provides that a claim for benefits based on the total disability or death of a coal miner due to pneumoconiosis must be filed under a State workers’ compensation law where such law provides adequate coverage for pneumoconiosis. A State workers’ compensation law may be deemed to provide adequate coverage only when it is included on a list of such laws maintained by the Secretary. The purpose of this part is to set forth the procedures and criteria for inclusion on that list, and to provide that list.

§ 722.2 Definitions.

(a) The definitions and use of terms contained in subpart A of part 725 of this title shall be applicable to this part.

(b) For purposes of this part, the following definitions apply:
(1) **State agency** means, with respect to any State, the agency, department or officer designated by the workers’ compensation law of the State to administer such law. In any case in which more than one agency participates in the administration of a State workers’ compensation law, the Governor of the State may designate which of the agencies shall be the State agency for purposes of this part.

(2) **The Secretary’s list** means the list published by the Secretary of Labor in the **FEDERAL REGISTER** (see §722.4) containing the names of those States which have in effect a workers’ compensation law which provides adequate coverage for death or total disability due to pneumoconiosis.

§ 722.3 General criteria; inclusion in and removal from the Secretary’s list.

(a) The Governor of any State or any duly authorized State agency may, at any time, request that the Secretary include such State’s workers’ compensation law on his list of those State workers’ compensation laws providing adequate coverage for total disability or death due to pneumoconiosis. Each such request shall include a copy of the State workers’ compensation law and any other pertinent State laws; a copy of any regulations, either proposed or promulgated, implementing such laws; and a copy of any relevant administrative or court decision interpreting such laws or regulations, or, if such decisions are published in a readily available report, a citation to such decision.

(b) Upon receipt of a request that a State be included on the Secretary’s list, the Secretary shall include the State on the list if he finds that the State’s workers’ compensation law guarantees the payment of monthly and medical benefits to all persons who would be entitled to such benefits under the Black Lung Benefits Act at the time of the request, at a rate no less than that provided by the Black Lung Benefits Act. The criteria used by the Secretary in making such determination shall include, but shall not be limited to, the criteria set forth in section 421(b)(2) of the Act.

(c) The Secretary may require each State included on the list to submit reports detailing the extent to which the State’s workers’ compensation laws, as reflected by statute, regulation, or administrative or court decision, continue to meet the requirements of paragraph (b) of this section. If the Secretary concludes that the State’s workers’ compensation law does not provide adequate coverage at any time, either because of changes to the State workers’ compensation law or the Black Lung Benefits Act, he shall remove the State from the Secretary’s list after providing the State with notice of such removal and an opportunity to be heard.

§ 722.4 The Secretary’s list.

(a) The Secretary has determined that publication of the Secretary’s list in the Code of Federal Regulations is appropriate. Accordingly, in addition to its publication in the **FEDERAL REGISTER** as required by section 421 of the Black Lung Benefits Act, the list shall also appear in paragraph (b) of this section.

(b) Upon review of all requests filed with the Secretary under section 421 of the Black Lung Benefits Act and this part, and examination of the workers’ compensation laws of the States making such requests, the Secretary has determined that the workers’ compensation law of each of the following listed States, for the period from the date shown in the list until such date as the Secretary may make a contrary determination, provides adequate coverage for pneumoconiosis.

(a) General. Title IV of the Federal Mine Safety and Health Act of 1977, as amended by the Black Lung Benefits Reform Act of 1977, the Black Lung Benefits Revenue Act of 1981 and the Black Lung Benefits Amendments of 1981, provides for the payment of benefits to a coal miner who is totally disabled due to pneumoconiosis (black lung disease) and to certain survivors of a miner who dies due to pneumoconiosis. For claims filed prior to January 1, 1982, certain survivors could receive benefits if the miner was totally (or for claims filed prior to June 30, 1982, in accordance with section 411(c)(5) of the Act, partially) disabled due to pneumoconiosis, or if the miner died due to pneumoconiosis.

(b) Part B. Part B of title IV of the Act provided that all claims filed between December 30, 1969, and June 30, 1973, are to be filed with, processed, and paid by the Secretary of Health, Education, and Welfare through the Social Security Administration; claims filed by the survivor of a miner before January 1, 1974, or within 6 months of the miner’s death if death occurred before January 1, 1974, and claims filed by the survivor of a miner who was receiving benefits under part B of title IV of the Act at the time of death, if filed within 6 months of the miner’s death, are also adjudicated and paid by the Social Security Administration.

(c) Section 415. Claims filed by a miner between July 1 and December 31, 1973, are adjudicated and paid under section 415. Section 415 provides that a claim filed between the appropriate dates shall be filed with and adjudicated by the Secretary of Labor under certain incorporated provisions of the Longshoremen’s and Harbor Workers’ Compensation Act (33 U.S.C. 901 et seq.). A claim approved under section 415 is paid under part B of title IV of the Act for periods of eligibility occurring between July 1 and December 31, 1973, by the Secretary of Labor and for periods of eligibility thereafter, is paid by a coal mine operator which is determined liable for the claim or the Black Lung Disability Trust Fund if no operator is identified or if the miner’s last coal mine employment terminated prior to January 1, 1970. An operator which may be found liable for a section 415 claim is notified of the claim and allowed to participate fully in the adjudication of such claim. A claim filed under section 415 is for all purposes considered as if it were a part
Employment Standards Administration, Labor § 725.1

C claim (see paragraph (d) of this section) and the provisions of part C of title IV of the Act are fully applicable to a section 415 claim except as is otherwise provided in section 415.

(d) Part C. Claims filed by a miner or survivor on or after January 1, 1974, are filed, adjudicated, and paid under the provisions of part C of title IV of the Act. Part C requires that a claim filed on or after January 1, 1974, shall be filed under an applicable approved State workers’ compensation law, or if no such law has been approved by the Secretary of Labor, the claim may be filed with the Secretary of Labor under section 422 of the Act. Claims filed with the Secretary of Labor under part C are processed and adjudicated by the Secretary and paid by a coal mine operator. If the miner’s last coal mine employment terminated before January 1, 1970, or if no responsible operator can be identified, benefits are paid by the Black Lung Disability Trust Fund. Claims adjudicated under part C are subject to certain incorporated provisions of the Longshoremen’s and Harbor Workers’ Compensation Act.

(e) Section 435. Section 435 of the Act affords each person who filed a claim for benefits under part B, section 415, or part C, and whose claim had been denied or was still pending as of March 1, 1978, the effective date of the Black Lung Benefits Reform Act of 1977, the right to have his or her claim reviewed on the basis of the 1977 amendments to the Act, and under certain circumstances to submit new evidence in support of the claim.

(f) Changes made by the Black Lung Benefits Reform Act of 1977. In addition to those changes which are reflected in paragraphs (a) through (e) of this section, the Black Lung Benefits Reform Act of 1977 contains a number of significant amendments to the Act’s standards for determining eligibility for benefits. Among these are:

1. A provision which clarifies the definition of “pneumoconiosis” to include any “chronic dust disease of the lung and its sequelae, including respiratory and pulmonary impairments, arising out of coal mine employment”;

2. A provision which defines “miner” to include any person who works or has worked in or around a coal mine or coal preparation facility, and in coal mine construction or coal transportation under certain circumstances;

3. A provision which limits the denial of a claim solely on the basis of employment in a coal mine;

4. A provision which authorizes the Secretary of Labor to establish standards and develop criteria for determining total disability or death due to pneumoconiosis with respect to a part C claim;

5. A new presumption which requires the payment of benefits to the survivors of a miner who was employed for 25 or more years in the mines under certain conditions;

6. Provisions relating to the treatment to be accorded a survivor’s affidavit, certain X-ray interpretations, and certain autopsy reports in the development of a claim; and

7. Other clarifying, procedural, and technical amendments.

(g) Changes made by the Black Lung Benefits Revenue Act of 1977. The Black Lung Benefits Revenue Act of 1977 established the Black Lung Disability Trust Fund which is financed by a specified tax imposed upon each ton of coal (except lignite) produced and sold or used in the United States after March 31, 1978. The Secretary of the Treasury is the managing trustee of the fund and benefits are paid from the fund upon the direction of the Secretary of Labor. The fund was made liable for the payment of all claims approved under section 415, part C and section 435 of the Act for all periods of eligibility occurring on or after January 1, 1974, with respect to claims where the miner’s last coal mine employment terminated before January 1, 1970, or where individual liability cannot be assessed against a coal mine operator due to bankruptcy, insolvency, or the like. The fund was also authorized to pay certain claims which a responsible operator has refused to pay within a reasonable time, and to seek reimbursement from such operator. The purpose of the fund and the Black Lung Benefits Revenue Act of 1977 was to insure that coal mine operators, or the coal industry, will fully bear the cost of black lung disease for the present time and in the future. The Black Lung Benefits Revenue Act of
1977 also contained other provisions relating to the fund and authorized a coal mine operator to establish its own trust fund for the payment of certain claims.

(h) Changes made by the Black Lung Benefits Amendments of 1981. In addition to the change reflected in paragraph (a) of this section, the Black Lung Benefits Amendments of 1981 made a number of significant changes in the Act’s standards for determining eligibility for benefits and concerning the payment of such benefits. The following changes are all applicable to claims filed on or after January 1, 1982:

(1) The Secretary of Labor may re-read any X-ray submitted in support of a claim and may rely upon a second opinion concerning such an X-ray as a means of auditing the validity of the claim;

(2) The rebuttable presumption that the death of a miner with ten or more years employment in the coal mines, who died of a respirable disease, was due to pneumoconiosis is no longer applicable;

(3) The rebuttable presumption that the total disability of a miner with fifteen or more years employment in the coal mines, who has demonstrated a totally disabling respiratory or pulmonary impairment, is due to pneumoconiosis is no longer applicable;

(4) In the case of deceased miners, where no medical or other relevant evidence is available, only affidavits from persons not eligible to receive benefits as a result of the adjudication of the claim will be considered sufficient to establish entitlement to benefits;

(5) Unless the miner was found entitled to benefits as a result of a claim filed prior to January 1, 1982, benefits are payable on survivors’ claims filed on and after January 1, 1982, only when the miner’s death was due to pneumoconiosis;

(6) Benefits payable under this part are subject to an offset on account of excess earnings by the miner; and

(7) Other technical amendments.

(i) Changes made by the Black Lung Benefits Revenue Act of 1981. The Black Lung Benefits Revenue Act of 1981 temporarily doubles the amount of the tax upon coal until the fund shall have re-paid all advances received from the United States Treasury and the interest on all such advances. The fund is also made liable for the payment of certain claims previously denied under the 1972 version of the Act and subsequently approved under section 435 and for the reimbursement of operators and insurers for benefits previously paid by them on such claims. With respect to claims filed on or after January 1, 1982, the fund’s authorization for the payment of interim benefits is limited to the payment of prospective benefits only. These changes also define the rates of interest to be paid to and by the fund.

(j) Longshoremen’s Act provisions. The adjudication of claims filed under sections 415, 422 and 435 of the Act is governed by various procedural and other provisions contained in the Longshoremen’s and Harbor Workers’ Compensation Act (LHWCA), as amended from time to time, which are incorporated within the Act by sections 415 and 422. The incorporated LHWCA provisions are applicable under the Act except as is otherwise provided by the Act or as provided by regulations of the Secretary. Although occupational disease benefits are also payable under the LHWCA, the primary focus of the procedures set forth in that Act is upon a time definite of traumatic injury or death. Because of this and other significant differences between a black lung and longshore claim, it is determined, in accordance with the authority set forth in section 422 of the Act, that certain of the incorporated procedures prescribed by the LHWCA must be altered to fit the circumstances ordinarily confronted in the adjudication of a black lung claim. The changes made are based upon the Department’s experience in processing black lung claims since July 1, 1973, and all such changes are specified in this part or part 727 of this subchapter (see §725.4(d)). No other departure from the incorporated provisions of the LHWCA is intended.

(k) Social Security Act provisions. Section 402 of Part A of the Act incorporates certain definitional provisions from the Social Security Act, 42 U.S.C. 301 et seq. Section 430 provides that the 1972, 1977 and 1981 amendments to part B of the Act shall also apply to part C
"to the extent appropriate." Sections 412 and 413 incorporate various provisions of the Social Security Act into part B of the Act. To the extent appropriate, therefore, these provisions also apply to part C. In certain cases, the Department has varied the terms of the Social Security Act provisions to accommodate the unique needs of the black lung benefits program. Portions of the Longshore and Harbor Workers’ Compensation Act are also incorporated into part C. Where the incorporated provisions of the two acts are inconsistent, the Department has exercised its broad regulatory powers to choose the extent to which each incorporation is appropriate. Finally, Section 422(g), contained in part C of the Act, incorporates 42 U.S.C. 403(b)–(l).

§ 725.2 Purpose and applicability of this part.

(a) This part sets forth the procedures to be followed and standards to be applied in filing, processing, adjudicating, and paying claims filed under part C of title IV of the Act.

(b) This part applies to all claims filed under part C of title IV of the Act on or after August 18, 1978 and shall also apply to claims that were pending on August 18, 1978.

(c) The provisions of this part reflect revisions that became effective on January 19, 2001. This part applies to all claims filed, and all benefits payments made, after January 19, 2001. With the exception of the following sections, this part shall also apply to the adjudication of claims that were pending on January 19, 2001: §§725.309, 725.310, 725.351, 725.360, 725.367, 725.406, 725.407, 725.408, 725.409, 725.410, 725.411, 725.412, 725.414, 725.415, 725.416, 725.417, 725.418, 725.421(b), 725.423, 725.454, 725.456, 725.457, 725.458, 725.459, 725.465, 725.491, 725.492, 725.493, 725.494, 725.495, 725.547. The version of those sections set forth in 20 CFR, parts 500 to end, edition revised as of April 1, 1999, apply to the adjudications of claims that were pending on January 19, 2001. For purposes of construing the provisions of this section, a claim shall be considered pending on January 19, 2001 if it was not finally denied more than one year prior to that date.

§ 725.4 Applicability of other parts in this title.

(a) Part 718. Part 718 of this subchapter, which contains the criteria
and standards to be applied in determining whether a miner is or was totally disabled due to pneumoconiosis, or whether a miner died due to pneumoconiosis, shall be applicable to the determination of claims under this part. Claims filed after March 31, 1980, are subject to part 718 as promulgated by the Secretary in accordance with section 402(f)(1) of the Act on February 29, 1980 (see §725.2(c)). The criteria contained in subpart C of part 727 of this subchapter are applicable in determining claims filed prior to April 1, 1980, under this part, and such criteria shall be applicable at all times with respect to claims filed under this part and under section 11 of the Black Lung Benefits Reform Act of 1977.

(b) Parts 715, 717, and 720. Pertinent and significant provisions of Parts 715, 717, and 720 of this subchapter (formerly contained in 20 CFR, parts 500 to end, edition revised as of April 1, 1978), which established the procedures for the filing, processing, and payment of claims filed under section 415 of the Act, are included within this part as appropriate.

(c) Part 726. Part 726 of this subchapter, which sets forth the obligations imposed upon a coal operator to insure or self-insure its liability for the payment of benefits to certain eligible claimants, is applicable to this part as appropriate.

(d) Part 727. Part 727 of this subchapter, which governs the review, adjudication and payment of pending and denied claims under section 435 of the Act, is applicable with respect to such claims. The criteria contained in subpart C of part 727 for determining a claimant’s eligibility for benefits are applicable under this part with respect to all claims filed before April 1, 1980, and to all claims filed under this part and under section 11 of the Black Lung Benefits Reform Act of 1977. Because the part 727 regulations affect an increasingly smaller number of claims, however, the Department has discontinued publication of the criteria in the Code of Federal Regulations. The part 727 criteria may be found at 43 FR 36616, Aug. 18, 1978 or 20 CFR, parts 500 to end, edition revised as of April 1, 1999.

(e) Part 410. Part 410 of this title, which sets forth provisions relating to a claim for black lung benefits under part B of title IV of the Act, is inapplicable to this part except as is provided in this part, or in part 718 of this subchapter.

(21) Office or OWCP means the Office of Workers’ Compensation Programs, United States Department of Labor.

(23) Operator means any owner, lessee, or other person who operates, controls or supervises a coal mine, including a prior or successor operator as defined in section 422 of the Act and certain transportation and construction employers (see subpart G of this part).

(24) Person means an individual, partnership, association, corporation, firm, subsidiary or parent of a corporation,
or other organization or business entity.

(25) **Pneumoconiosis** means a chronic dust disease of the lung and its sequelae, including respiratory and pulmonary impairments, arising out of coal mine employment (see part 718 of this subchapter).

(26) **Responsible operator** means an operator which has been determined to be liable for the payment of benefits to a claimant for periods of eligibility after December 31, 1973, with respect to a claim filed under section 415 or part C of title IV of the Act or reviewed under section 435 of the Act.

(27) **Secretary** means the Secretary of Labor, United States Department of Labor, or a person, authorized by him or her to perform his or her functions under title IV of the Act.

(28) **State** includes any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, American Samoa, Guam, the Trust Territory of the Pacific Islands, and prior to January 3, 1959, and August 21, 1959, respectively, the territories of Alaska and Hawaii.

(29) **Total disability** and **partial disability**, for purposes of this part, have the meaning given them as provided in part 718 of this subchapter.

(30) **Underground coal mine** means a coal mine in which the earth and other materials which lie above and around the natural deposit of coal (i.e., overburden) are not removed in mining; including all land, structures, facilities, machinery, tools, equipment, shafts, slopes, tunnels, excavations and other property, real or personal, appurtenant thereto.

(31) A **workers’ compensation law** means a law providing for payment of benefits to employees, and their dependents and survivors, for disability on account of injury, including occupational disease, or death, suffered in connection with their employment. A payment funded wholly out of general revenues shall not be considered a payment under a workers’ compensation law.

(32) **Year** means a period of one calendar year (365 days, or 366 days if one of the days is February 29), or partial periods totaling one year, during which the miner worked in or around a coal mine or mines for at least 125 “working days.” A “working day” means any day or part of a day for which a miner received pay for work as a miner, but shall not include any day for which the miner received pay while on an approved absence, such as vacation or sick leave. In determining whether a miner worked for one year, any day for which the miner received pay while on an approved absence, such as vacation or sick leave, may be counted as part of the calendar year and as partial periods totaling one year.

(i) If the evidence establishes that the miner worked in or around coal mines at least 125 working days during a calendar year or partial periods totaling one year, then the miner has worked one year in coal mine employment for all purposes under the Act. If a miner worked fewer than 125 working days in a year, he or she has worked a fractional year based on the ratio of the actual number of days worked to 125. Proof that the miner worked more than 125 working days in a calendar year or partial periods totaling a year, shall not establish more than one year.

(ii) To the extent the evidence permits, the beginning and ending dates of all periods of coal mine employment shall be ascertained. The dates and length of employment may be established by any credible evidence including (but not limited to) company records, pension records, earnings statements, coworker affidavits, and sworn testimony. If the evidence establishes that the miner’s employment lasted for a calendar year or partial periods totaling a 365-day period amounting to one year, it shall be presumed, in the absence of evidence to the contrary, that the miner spent at least 125 working days in such employment.

(iii) If the evidence is insufficient to establish the beginning and ending dates of the miner’s coal mine employment, or the miner’s employment lasted less than a calendar year, then the adjudication officer may use the following formula: divide the miner’s yearly income from work as a miner by the coal mine industry’s average daily earnings for that year, as reported by the Bureau of Labor Statistics (BLS). A copy of the BLS table shall be made a part of the record if the adjudication officer uses this formula.
Employment Standards Administration, Labor § 725.201

(2) The surviving spouse or surviving divorced spouse or, where neither exists, the child of a deceased miner, where the deceased miner:

(i) Was receiving benefits under section 415 or part C of title IV of the Act as a result of a claim filed prior to January 1, 1982; or

(ii) Is determined as a result of a claim filed prior to January 1, 1982, to have died due to pneumoconiosis. Survivors of miners whose claims are filed on or after January 1, 1982, must establish that the deceased miner’s death was due to pneumoconiosis in order to establish their entitlement to benefits, except where entitlement is established under §718.306 of this subchapter.

(b) The official custodian of any record sought to be inspected shall permit or deny inspection in accordance with the Department of Labor’s regulations pertaining thereto (see 29 CFR Part 70). The original record in any such case shall not be removed from the Office of the custodian for such inspection. The custodian may, in his or her discretion, deny inspection of any record or part thereof which is of a character specified in 5 U.S.C. 552(b) if in his or her opinion such inspection may result in damage, harm, or harassment to the beneficiary or to any other person. For special provisions concerning release of information regarding injured employees undergoing vocational rehabilitation, see §702.508 of this chapter.

(c) Any person may request copies of records he or she has been permitted to inspect. Such requests shall be addressed to the official custodian of the records sought to be copied. The official custodian shall provide the requested copies under the terms and conditions specified in the Department of Labor’s regulations relating thereto (see 29 CFR Part 70).

(d) Any party to a claim ($725.360) or his or her duly authorized representative shall be permitted upon request to inspect the file which has been compiled in connection with such claim. Any party to a claim or representative of such party shall upon request be provided with a copy of any or all material contained in such claim file. A request for information by a party or representative made under this paragraph shall be answered within a reasonable time after receipt by the Office. Internal documents prepared by the district director which do not constitute evidence of a fact which must be established in connection with a claim shall not be routinely provided or presented for inspection in accordance with a request made under this paragraph.

§ 725.103 Burden of proof.

Except as otherwise provided in this part and part 718, the burden of proving a fact alleged in connection with any provision shall rest with the party making such allegation.

Subpart B—Persons Entitled to Benefits, Conditions, and Duration of Entitlement

(i) Was receiving benefits under section 415 or part C of title IV of the Act as a result of a claim filed prior to January 1, 1982; or

(ii) Is determined as a result of a claim filed prior to January 1, 1982, to have died due to pneumoconiosis. Survivors of miners whose claims are filed on or after January 1, 1982, must establish that the deceased miner’s death was due to pneumoconiosis in order to establish their entitlement to benefits, except where entitlement is established under §718.306 of this subchapter.

(b) The official custodian of any record sought to be inspected shall permit or deny inspection in accordance with the Department of Labor’s regulations pertaining thereto (see 29 CFR Part 70). The original record in any such case shall not be removed from the Office of the custodian for such inspection. The custodian may, in his or her discretion, deny inspection of any record or part thereof which is of a character specified in 5 U.S.C. 552(b) if in his or her opinion such inspection may result in damage, harm, or harassment to the beneficiary or to any other person. For special provisions concerning release of information regarding injured employees undergoing vocational rehabilitation, see §702.508 of this chapter.

(c) Any person may request copies of records he or she has been permitted to inspect. Such requests shall be addressed to the official custodian of the records sought to be copied. The official custodian shall provide the requested copies under the terms and conditions specified in the Department of Labor’s regulations relating thereto (see 29 CFR Part 70).

(d) Any party to a claim ($725.360) or his or her duly authorized representative shall be permitted upon request to inspect the file which has been compiled in connection with such claim. Any party to a claim or representative of such party shall upon request be provided with a copy of any or all material contained in such claim file. A request for information by a party or representative made under this paragraph shall be answered within a reasonable time after receipt by the Office. § 725.103 Burden of proof.

Except as otherwise provided in this part and part 718, the burden of proving a fact alleged in connection with any provision shall rest with the party making such allegation.

Subpart B—Persons Entitled to Benefits, Conditions, and Duration of Entitlement

§ 725.201 Who is entitled to benefits; contents of this subpart.

(a) Section 415 and part C of the Act provide for the payment of periodic benefits in accordance with this part to:

(1) A miner (see §725.202) who is determined to be totally disabled due to pneumoconiosis; or

(2) The surviving spouse or surviving divorced spouse or, where neither exists, the child of a deceased miner, where the deceased miner:

(i) Was receiving benefits under section 415 or part C of title IV of the Act as a result of a claim filed prior to January 1, 1982; or

(ii) Is determined as a result of a claim filed prior to January 1, 1982, to have died due to pneumoconiosis. Survivors of miners whose claims are filed on or after January 1, 1982, must establish that the deceased miner’s death was due to pneumoconiosis in order to establish their entitlement to benefits, except where entitlement is established under §718.306 of this subchapter.
§ 725.202 Miner defined; condition of entitlement, miner.

(a) Miner defined. A “miner” for the purposes of this part is any person who works or has worked in or around a coal mine or coal preparation facility in the extraction, preparation, or transportation of coal, and any person who works or has worked in coal mine construction or maintenance in or around a coal mine or coal preparation facility. There shall be a rebuttable presumption that any person working in or around a coal mine or coal preparation facility is a miner. This presumption may be rebutted by proof that:

(1) The person was not engaged in the extraction, preparation or transportation of coal while working at the mine site, or in maintenance or construction of the mine site; or

(2) The individual was not regularly employed in or around a coal mine or coal preparation facility.

(b) Coal mine construction and transportation workers; special provisions. A coal mine construction or transportation worker shall be considered a miner to the extent such individual is or was exposed to coal mine dust as a result of employment in or around a coal mine or coal preparation facility. A transportation worker shall be considered a miner to the extent that his or her work is integral to the building of a coal or underground mine (see §725.101(a)(12), (30)).

(1) There shall be a rebuttable presumption that such individual was exposed to coal mine dust during all periods of such employment occurring in or around a coal mine or coal preparation facility for purposes of:
Employment Standards Administration, Labor

§ 725.204 Determination of relationship; miner.

(a) For the purpose of augmenting benefits, an individual will be considered to be the spouse of a miner if:

(1) The courts of the State in which the miner is domiciled would find that such individual and the miner validly married; or

(2) The courts of the State in which the miner is domiciled would find, under the law they would apply in determining the devolution of the miner’s intestate personal property, that the individual is the miner’s spouse; or

(3) The courts of the State in which the miner is domiciled would have the right of a spouse to share in the miner’s intestate personal property; or

(4) Such individual went through a marriage ceremony with the miner resulting in a purported marriage between them and which, but for a legal impediment, would have been a valid marriage, unless the individual entered into the purported marriage with knowledge that it was not a valid marriage, or if such individual and the miner were not living in the same household in the month in which a request is filed that the miner’s benefits
be augmented because such individual qualifies as the miner’s spouse.

(b) The qualification of an individual for augmentation purposes under this section shall end with the month before the month in which:

(1) The individual dies, or

(2) The individual who previously qualified as a spouse for purposes of §725.520(c), entered into a valid marriage without regard to this section, with a person other than the miner.

§725.205 Determination of dependency; spouse.

For the purposes of augmenting benefits, an individual who is the miner’s spouse (see §725.204) will be determined to be dependent upon the miner if:

(a) The individual is a member of the same household as the miner (see §725.232); or

(b) The individual is receiving regular contributions from the miner for support (see §725.233(c)); or

(c) The miner has been ordered by a court to contribute to such individual’s support (see §725.233(e)); or

(d) The individual is the natural parent of the son or daughter of the miner; or

(e) The individual was married to the miner (see §725.204) for a period of not less than 1 year.

§725.206 Determination of relationship; divorced spouse.

For the purposes of augmenting benefits with respect to any claim considered or reviewed under this part or part 727 of this subchapter (see §725.4(d)), an individual will be considered to be the divorced spouse of a miner if the individual’s marriage to the miner has been terminated by a formal divorce on or after the 10th anniversary of the marriage unless, if such individual was married to and divorced from the miner more than once, such individual was married to the miner in each calendar year of the period beginning 10 years immediately before the date on which any divorce became final.

§725.207 Determination of dependency; divorced spouse.

For the purpose of augmenting benefits, an individual who is the miner’s divorced spouse (§725.206) will be determined to be dependent upon the miner if:

(a) The individual is receiving at least one-half of his or her support from the miner (see §725.233(g)); or

(b) The individual is receiving substantial contributions from the miner pursuant to a written agreement (see §725.233(c) and (f)); or

(c) A court order requires the miner to furnish substantial contributions to the individual’s support (see §725.233(c) and (e)).

§725.208 Determination of relationship; child.

As used in this section, the term “beneficiary” means only a surviving spouse entitled to benefits at the time of death (see §725.212), or a miner. An individual will be considered to be the child of a beneficiary if:

(a) The courts of the State in which the beneficiary is domiciled (see §725.231) would find, under the law they would apply, that the individual is the beneficiary’s child; or

(b) The individual is the legally adopted child of such beneficiary; or

(c) The individual is the stepchild of such beneficiary by reason of a valid marriage of the individual’s parent or adopting parent to such beneficiary; or

(d) The individual does not bear the relationship of child to such beneficiary under paragraphs (a), (b), or (c) of this section, but would, under State law, have the same right as a child to share in the beneficiary’s intestate personal property; or

(e) The individual is the natural son or daughter of a beneficiary but is not a child under paragraphs (a), (b), or (c) of this section, and is not considered to be the child of the beneficiary under paragraph (d) of this section if the beneficiary and the mother or the father, as the case may be, of the individual went through a marriage ceremony resulting in a purported marriage between them which but for a legal impediment (see §725.230) would have been a valid marriage; or

(f) The individual is the natural son or daughter of a beneficiary but is not a child under paragraphs (a), (b), or (c) of this section, and is not considered to be the child of the beneficiary under paragraph (d) or (e) of this section,
such individual shall nevertheless be considered to be the child of the beneficiary if:

(1) The beneficiary, prior to his or her entitlement to benefits, has acknowledged in writing that the individual is his or her son or daughter, or has been decreed by a court to be the parent of the individual, or has been ordered by a court to contribute to the support of the individual (see §725.233(e)) because the individual is his or her son or daughter; or

(2) Such beneficiary is shown by satisfactory evidence to be the father or mother of the individual and was living with or contributing to the support of the individual at the time the beneficiary became entitled to benefits.

§ 725.209 Determination of dependency; child.

(a) For purposes of augmenting the benefits of a miner or surviving spouse, the term “beneficiary” as used in this section means only a miner or surviving spouse entitled to benefits (see §725.202 and §725.212). An individual who is the beneficiary’s child (§725.208) will be determined to be, or to have been, dependent on the beneficiary, if the child:

(1) Is unmarried; and

(2)(i) Is under 18 years of age; or

(ii) Is under a disability as defined in section 223(d) of the Social Security Act, 42 U.S.C. 423(d); or

(iii) Is 18 years of age or older and is a student.

(b)(1) The term “student” means a “full-time student” as defined in section 202(d)(7) of the Social Security Act, 42 U.S.C. 402(d)(7) (see §§404.367—404.369 of this title), or an individual under 23 years of age who has not completed 4 years of education beyond the high school level and who is regularly pursuing a full-time course of study or training at an institution which is:

(i) A school, college, or university operated or directly supported by the United States, or by a State or local government or political subdivision thereof; or

(ii) A school, college, or university which has been accredited by a State or by a State-recognized or nationally-recognized accrediting agency or body; or

(iii) A school, college, or university not so accredited but whose credits are accepted, on transfer, by at least three institutions which are so accredited; or

(iv) A technical, trade, vocational, business, or professional school accredited or licensed by the Federal or a State government or any political subdivision thereof, providing courses of not less than 3 months’ duration that prepare the student for a livelihood in a trade, industry, vocation, or profession.

(2) A student will be considered to be “pursuing a full-time course of study or training at an institution” if the student is enrolled in a noncorrespondence course of at least 13 weeks duration and is carrying a subject load which is considered full-time for day students under the institution’s standards and practices. A student beginning or ending a full-time course of study or training in part of any month will be considered to be pursuing such course for the entire month.

(3) A child is considered not to have ceased to be a student:

(i) During any interim between school years, if the interim does not exceed 4 months and the child shows to the satisfaction of the Office that he or she has a bona fide intention of continuing to pursue a full-time course of study or training; or

(ii) During periods of reasonable duration in which, in the judgment of the Office, the child is prevented by factors beyond the child’s control from pursuing his or her education.

(4) A student whose 23rd birthday occurs during a semester or the enrollment period in which such student is pursuing a full-time course of study or training shall continue to be considered a student until the end of such period, unless eligibility is otherwise terminated.

§ 725.210 Duration of augmented benefits.

Augmented benefits payable on behalf of a spouse or divorced spouse, or a child, shall begin with the first month in which the dependent satisfies the conditions of relationship and dependency set forth in this subpart. Augmentation of benefits on account of a dependent continues through the
§ 725.211 Time of determination of relationship and dependency of spouse or child for purposes of augmentation of benefits.

With respect to the spouse or child of a miner entitled to benefits, and with respect to the child of a surviving spouse entitled to benefits, the determination as to whether an individual purporting to be a spouse or child is related to or dependent upon such miner or surviving spouse shall be based on the facts and circumstances present in each case, at the appropriate time.

§ 725.212 Conditions of entitlement; surviving spouse or surviving divorced spouse.

(a) An individual who is the surviving spouse or surviving divorced spouse of a miner is eligible for benefits if such individual:

(1) Is not married;
(2) Was dependent on the miner at the pertinent time; and
(3) The deceased miner either:
   (i) Was receiving benefits under section 415 or part C of title IV of the Act at the time of death as a result of a claim filed prior to January 1, 1982; or
   (ii) Is determined as a result of a claim filed prior to January 1, 1982, to have been totally disabled due to pneumoconiosis at the time of death or to have died due to pneumoconiosis. A surviving spouse or surviving divorced spouse of a miner whose claim is filed on or after January 1, 1982, must establish that the deceased miner’s death was due to pneumoconiosis in order to establish entitlement to benefits, except where entitlement is established under §718.306 of part 718 on a claim filed prior to June 30, 1982.

(b) If more than one spouse meets the conditions of entitlement prescribed in paragraph (a), then each spouse will be considered a beneficiary for purposes of section 412(a)(2) of the Act without regard to the existence of any other entitled spouse or spouses.

§ 725.213 Duration of entitlement; surviving spouse or surviving divorced spouse.

(a) An individual is entitled to benefits as a surviving spouse, or as a surviving divorced spouse, for each month beginning with the first month in which all of the conditions of entitlement prescribed in §725.212 are satisfied.

(b) The last month for which such individual is entitled to such benefits is the month before the month in which either of the following events first occurs:

(1) The surviving spouse or surviving divorced spouse marries; or
(2) The surviving spouse or surviving divorced spouse dies.

(c) A surviving spouse or surviving divorced spouse whose entitlement to benefits has been terminated pursuant to §725.213(b)(1) may thereafter again become entitled to such benefits upon filing application for such reentitlement, beginning with the first month after the marriage ends and such individual meets the requirements of §725.212. The individual shall not be required to reestablish the miner’s entitlement to benefits (§725.212(a)(3)(i)) or the miner’s death due to pneumoconiosis (§725.212(a)(3)(ii)).

§ 725.214 Determination of relationship; surviving spouse.

An individual shall be considered to be the surviving spouse of a miner if:

(a) The courts of the State in which the miner was domiciled (see §725.231) at the time of his or her death would find that the individual and the miner were validly married; or

(b) The courts of the State in which the miner was domiciled (see §725.231) at the time of the miner’s death would find that the individual was the miner’s surviving spouse; or

(c) Under State law, such individual would have the right of the spouse to share in the miner’s intestate personal property; or
Employment Standards Administration, Labor § 725.217

(d) Such individual went through a marriage ceremony with the miner, resulting in a purported marriage between them which, but for a legal impediment (see §725.230), would have been a valid marriage, unless such individual entered into the purported marriage with knowledge that it was not a valid marriage, or if such individual and the miner were not living in the same household at the time of the miner’s death.

§ 725.215 Determination of dependency; surviving spouse.

An individual who is the miner’s surviving spouse (see §725.214) shall be determined to have been dependent on the miner if, at the time of the miner’s death:

(a) The individual was living with the miner (see §725.232); or
(b) The individual was dependent upon the miner for support or the miner has been ordered by a court to contribute to such individual’s support (see §725.233); or
(c) The individual was living apart from the miner because of the miner’s desertion or other reasonable cause; or
(d) The individual is the natural parent of the miner’s son or daughter; or
(e) The individual had legally adopted the miner’s son or daughter while the individual was married to the miner and while such son or daughter was under the age of 18; or
(f) The individual was married to the miner at the time both of them legally adopted a child under the age of 18; or
(g)(1) The individual was married to the miner for a period of not less than 9 months immediately before the day on which the miner died, unless the miner’s death:

(i) Is accidental (as defined in paragraph (g)(2) of this section), or
(ii) Occurs in line of duty while the miner is a member of a uniformed service serving on active duty (as defined in §404.1019 of this title), and the surviving spouse was married to the miner for a period of not less than 3 months immediately prior to the day on which such miner died.

(2) For purposes of paragraph (g)(1)(i) of this section, the death of a miner is accidental if such individual received bodily injuries solely through violent, external, and accidental means, and as a direct result of the bodily injuries and independently of all other causes, dies not later than 3 months after the day on which such miner receives such bodily injuries. The term “accident” means an event that was unpremeditated and unforeseen from the standpoint of the deceased individual. To determine whether the death of an individual did, in fact, result from an accident the adjudication officer will consider all the circumstances surrounding the casualty. An intentional and voluntary suicide will not be considered to be death by accident; however, suicide by an individual who is so incompetent as to be incapable of acting intentionally and voluntarily will be considered to be a death by accident. In no event will the death of an individual resulting from violent and external causes be considered a suicide unless there is direct proof that the fatal injury was self-inflicted.

(3) The provisions of paragraph (g) shall not apply if the adjudication officer determines that at the time of the marriage involved, the miner would not reasonably have been expected to live for 9 months.

§ 725.216 Determination of relationship; surviving divorced spouse.

An individual will be considered to be the surviving divorced spouse of a deceased miner in a claim considered under this part or reviewed under part 727 of this subchapter (see §725.4(d)), if such individual’s marriage to the miner had been terminated by a final divorce on or after the 10th anniversary of the marriage unless, if such individual was married to and divorced from the miner more than once, such individual was married to such miner in each calendar year of the period beginning 10 years immediately before the date on which any divorce became final and ending with the year in which the divorce became final.

§ 725.217 Determination of dependency; surviving divorced spouse.

An individual who is the miner’s surviving divorced spouse (see §725.216) shall be determined to have been dependent on the miner if, for the month
§ 725.218 Conditions of entitlement; child.

(a) An individual is entitled to benefits where he or she meets the required standards of relationship and dependency under this subpart (see § 725.220 and § 725.221) and is the child of a deceased miner who:

(1) Was receiving benefits under section 415 or part C of title IV of the Act as a result of a claim filed prior to January 1, 1982; or

(2) Is determined as a result of a claim filed prior to January 1, 1982, to have been totally disabled due to pneumoconiosis at the time of death, or to have died due to pneumoconiosis. A surviving dependent child of a miner whose claim is filed on or after January 1, 1982, must establish that the miner’s death was due to pneumoconiosis in order to establish entitlement to benefits, except where entitlement is established under § 718.306 of this subchapter on a claim filed prior to June 30, 1982.

(b) A child is not entitled to benefits for any month for which a miner, or the surviving spouse or surviving divorced spouse of a miner, establishes entitlement to benefits.

§ 725.219 Duration of entitlement; child.

(a) An individual is entitled to benefits as a child for each month beginning with the first month in which all of the conditions of entitlement prescribed in § 725.218 are satisfied.

(b) The last month for which such individual is entitled to such benefits is the month before the month in which any one of the following events first occurs:

(1) The child dies;

(2) The child marries;

(3) The child attains age 18; and

(i) Is not a student (as defined in § 725.209(b)) during any part of the month in which the child attains age 18; and

(ii) Is not under a disability (as defined in § 725.209(a)(2)(ii)) at that time;

(4) If the child’s entitlement beyond age 18 is based on his or her status as a student, the earlier of:

(i) The first month during no part of which the child is a student; or

(ii) The month in which the child attains age 23 and is not under a disability (as defined in § 725.209(a)(2)(ii)) at that time;

(5) If the child’s entitlement beyond age 18 is based on disability, the first month in no part of which such individual is under a disability.

(c) A child whose entitlement to benefits terminated with the month before the month in which the child attained age 18, or later, may thereafter (provided such individual is not married) again become entitled to such benefits upon filing application for such reentitlement, beginning with the first month after termination of benefits in which such individual is a student and has not attained the age of 23.

(d) A child whose entitlement to benefits has been terminated pursuant to § 725.219(b)(2) may thereafter again become entitled to such benefits upon filing application for such reentitlement, beginning with the first month after the marriage ends and such individual meets the requirements of § 725.218. The individual shall not be required to reestablish the miner’s entitlement to benefits (§ 725.218(a)(1)) or the miner’s death due to pneumoconiosis (§ 725.212(a)(2)).

§ 725.220 Determination of relationship; child.

For purposes of determining whether an individual may qualify for benefits as the child of a deceased miner, the provisions of § 725.208 shall be applicable. As used in this section, the term “beneficiary” means only a surviving spouse entitled to benefits at the time of such surviving spouse’s death (see § 725.212), or a miner.
considered to be a child of a beneficiary if:

(a) The courts of the State in which such beneficiary is domiciled (see §725.231) would find, under the law they would apply in determining the devolution of the beneficiary’s intestate personal property, that the individual is the beneficiary’s child; or

(b) Such individual is the legally adopted child of such beneficiary; or

(c) Such individual is the stepchild of such beneficiary by reason of a valid marriage of such individual’s parent or adopting parent to such beneficiary; or

(d) Such individual does not bear the relationship of child to such beneficiary under paragraph (a), (b), or (c) of this section, but would, under State law, have the same right as a child to share in the beneficiary’s intestate personal property; or

(e) Such individual is the natural son or daughter of a beneficiary but does not bear the relationship of child to such beneficiary by reason of a valid marriage of such individual’s parent or adopting parent to such beneficiary; or

(f) Such individual is the natural son or daughter of a beneficiary but does not have the relationship of child to such beneficiary by reason of a valid marriage of such individual’s parent or adopting parent to such beneficiary; or

(1) Such individual is under 18 years of age; or

(ii) Such individual is under a disability as defined in section 223(d) of the Social Security Act, 42 U.S.C. 423(d), at the time of the miner’s death.

(2) Such beneficiary is shown by satisfactory evidence to be the father or mother of the individual and was living with or contributing to the support of the individual at the time such beneficiary became entitled to benefits.

§725.221 Determination of dependency; child.

For the purposes of determining whether a child was dependent upon a deceased miner, the provisions of §725.209 shall be applicable, except that for purposes of determining the eligibility of a child who is under a disability as defined in section 223(d) of the Social Security Act, such disability must have begun before the child attained age 22, or in the case of a student, before the child ceased to be a student.

§725.222 Conditions of entitlement; parent, brother, or sister.

(a) An individual is eligible for benefits as a surviving parent, brother or sister if all of the following requirements are met:

(1) The individual is the parent, brother, or sister of a deceased miner;

(2) The individual was dependent on the miner at the pertinent time;

(ii) The individual also:

(i) Is under 18 years of age; or

(ii) Is under a disability as defined in section 223(d) of the Social Security Act, 42 U.S.C. 423(d), at the time of the miner’s death; or

(iii) Is a dependent child (see §725.209(b)); or

(iv) Is under a disability as defined in section 223(d) of the Social Security Act, 42 U.S.C. 423(d), at the time of the miner’s death;

(3) Proof of support is filed within 2 years after the miner’s death, unless the time is extended for good cause (§725.226);

(4) In the case of a brother or sister, such individual also:

(i) Is under 18 years of age; or

(ii) Is under a disability as defined in section 223(d) of the Social Security Act, 42 U.S.C. 423(d), which began before such individual attained age 22, or in the case of a student, before the student ceased to be a student; or

(iii) Is a student (see §725.209(b)); or

(iv) Is under a disability as defined in section 223(d) of the Social Security Act, 42 U.S.C. 423(d), at the time of the miner’s death;

(5) The deceased miner:

(1) Was entitled to benefits under section 415 or part C of title IV of the Act as a result of a claim filed prior to January 1, 1982; or

(ii) Is determined as a result of a claim filed prior to January 1, 1982, to have been totally disabled due to pneumoconiosis at the time of death or to
have died due to pneumoconiosis. A surviving dependent parent, brother or sister of a miner whose claim is filed on or after January 1, 1982, must establish that the miner’s death was due to pneumoconiosis in order to establish entitlement to benefits, except where entitlement is established under §718.306 of part 718 on a claim filed prior to June 30, 1982.

(b)(1) A parent is not entitled to benefits if the deceased miner was survived by a spouse or child at the time of such miner’s death.

(2) A brother or sister is not entitled to benefits if the deceased miner was survived by a spouse, child, or parent at the time of such miner’s death.

§ 725.223 Duration of entitlement; parent, brother, or sister.

(a) A parent, sister, or brother is entitled to benefits beginning with the month all the conditions of entitlement described in §725.222 are met.

(b) The last month for which such parent is entitled to benefits is the month in which the parent dies.

(c) The last month for which such brother or sister is entitled to benefits is the month before the month in which any of the following events first occurs:

(1) The individual dies;

(2)(i) The individual marries or remarries; or

(ii) If already married, the individual received support in any amount from his or her spouse;

(3) The individual attains age 18; and

(i) Is not a student (as defined in §725.209(b)) during any part of the month in which the individual attains age 18; and

(ii) Is not under a disability (as defined in §725.209(a)(2)(ii)) at that time;

(4) If the individual’s entitlement beyond age 18 is based on his or her status as a student, the earlier of:

(i) The first month during no part of which the individual is a student; or

(ii) The month in which the individual attains age 23 and is not under a disability (as defined in §725.209(a)(2)(ii)) at that time;

(5) If the individual’s entitlement beyond age 18 is based on disability, the first month in no part of which such individual is under a disability.

§ 725.224 Determination of relationship; parent, brother, or sister.

(a) An individual will be considered to be the parent, brother, or sister of a miner if the courts of the State in which the miner was domiciled (see §225.231) at the time of death would find, under the law they would apply, that the individual is the miner’s parent, brother, or sister.

(b) Where, under State law, the individual is not the miner’s parent, brother, or sister, but would, under State law, have the same status (i.e., right to share in the miner’s intestate personal property) as a parent, brother, or sister, the individual will be considered to be the parent, brother, or sister as appropriate.

§ 725.225 Determination of dependency; parent, brother, or sister.

An individual who is the miner’s parent, brother, or sister will be determined to have been dependent on the miner if, during the 1-year period immediately prior to the miner’s death:

(a) The individual and the miner were living in the same household (see §725.232); and

(b) The individual was totally dependent on the miner for support (see §725.233(h)).

§ 725.226 “Good cause” for delayed filing of proof of support.

(a) What constitutes “good cause.” “Good cause” may be found for failure to file timely proof of support where the parent, brother, or sister establishes to the satisfaction of the Office that such failure to file was due to:

(1) Circumstances beyond the individual’s control, such as extended illness, mental, or physical incapacity, or communication difficulties; or

(2) Incorrect or incomplete information furnished the individual by the Office; or

(3) Efforts by the individual to secure supporting evidence without a realization that such evidence could be submitted after filing proof of support.

(b) What does not constitute “good cause.” “Good cause” for failure to file timely proof of support (see §725.222(a)(3)) does not exist when there is evidence of record in the Office that the individual was informed that he or
she should file within the prescribed period and he or she failed to do so deliberately or through negligence.

§ 725.227 Time of determination of relationship and dependency of survivors.

The determination as to whether an individual purporting to be an entitled survivor of a miner or beneficiary was related to, or dependent upon, the miner is made after such individual files a claim for benefits as a survivor. Such determination is based on the facts and circumstances with respect to a reasonable period of time ending with the miner’s death. A prior determination that such individual was, or was not, a dependent for the purposes of augmenting the miner’s benefits for a certain period, is not determinative of the issue of whether the individual is a dependent survivor of such miner.

§ 725.228 Effect of conviction of felonious and intentional homicide on entitlement to benefits.

An individual who has been convicted of the felonious and intentional homicide of a miner or other beneficiary shall not be entitled to receive any benefits payable because of the death of such miner or other beneficiary, and such person shall be considered non-existent in determining the entitlement to benefits of other individuals.

TERMS USED IN THIS SUBPART

§ 725.229 Intestate personal property.

References in this subpart to the “same right to share in the intestate personal property” of a deceased miner (or surviving spouse) refer to the right of an individual to share in such distribution in the individual’s own right and not the right of representation.

§ 725.230 Legal impediment.

For purposes of this subpart, “legal impediment” means an impediment resulting from the lack of dissolution of a previous marriage or otherwise arising out of such previous marriage or its dissolution or resulting from a defect in the procedure followed in connection with the purported marriage ceremony—for example, the solemnization of a marriage only through a religious ceremony in a country which requires a civil ceremony for a valid marriage.

§ 725.231 Domicile.

(a) For purposes of this subpart, the term “domicile” means the place of an individual’s true, fixed, and permanent home.

(b) The domicile of a deceased miner or surviving spouse is determined as of the time of death.

(c) If an individual was not domiciled in any State at the pertinent time, the law of the District of Columbia is applied.

§ 725.232 Member of the same household—“living with,” “living in the same household,” and “living in the miner’s household,” defined.

(a) Defined. (1) The term “member of the same household” as used in section 402(a)(2) of the Act (with respect to a spouse); the term “living with” as used in section 402(e) of the Act (with respect to a surviving spouse); and the term “living in the same household” as used in this subpart, means that a husband and wife were customarily living together as husband and wife in the same place.

(2) The term “living in the miner’s household” as used in section 412(a)(5) of the Act (with respect to a parent, brother, or sister) means that the miner and such parent, brother, or sister were sharing the same residence.

(b) Temporary absence. The temporary absence from the same residence of either the miner, or the miner’s spouse, parent, brother, or sister (as the case may be), does not preclude a finding that one was “living with” the other, or that they were “members of the same household.” The absence of one such individual from the residence in which both had customarily lived shall, in the absence of evidence to the contrary, be considered temporary:

(1) If such absence was due to service in the Armed Forces of the United States; or

(2) If the period of absence from his or her residence did not exceed 6 months and the absence was due to business or employment reasons, or because of confinement in a penal institution or in a hospital, nursing home, or other curative institution; or
§ 725.233 Support and contributions.

(a) Support defined. The term “support” includes food, shelter, clothing, ordinary medical expenses, and other ordinary and customary items for the ordinary medical expenses, and other

(b) Contributions defined. The term “contributions” refers to contributions actually provided by the contributor from such individual’s property, or the use thereof, or by the use of such individual’s own credit.

(c) Regular contributions and substantial contributions defined. The terms “regular contributions” and “substantial contributions” mean contributions that are customary and sufficient to constitute a material factor in the cost of the individual’s support.

(d) Contributions and community property. When a spouse receives and uses for his or her support income from services or property, and such income, under applicable State law, is the community property of the wife and her husband, no part of such income is a “contribution” by one spouse to the other’s support regardless of the legal interest of the donor. However, when a spouse receives and uses for support, income from the services and the property of the other spouse and, under applicable State law, such income is community property, all of such income is considered to be a contribution by the donor to the spouse’s support.

(e) Court order for support defined. References to a support order in this subpart means any court order, judgment, or decree of a court of competent jurisdiction which requires regular contributions that are a material factor in the cost of the individual’s support and which is in effect at the applicable time. If such contributions are required by a court order, this condition is met whether or not the contributions were actually made.

(f) Written agreement defined. The term “written agreement” in the phrase “substantial contributions pursuant to a written agreement”, as used in this subpart means an agreement signed by the miner providing for substantial contributions by the miner for the individual’s support. It must be in effect at the applicable time but it need not be legally enforceable.

(g) One-half support defined. The term “one-half support” means that the miner made regular contributions, in cash or in kind, to the support of a divorced spouse at the specified time or for the specified period, and that the amount of such contributions equalled or exceeded one-half the total cost of such individual’s support at such time or during such period.

(b) Totally dependent for support defined. The term “totally dependent for support” as used in §725.225(b) means that the miner made regular contributions to the support of the miner’s parents, brother, or sister, as the case may be, and that the amount of such contributions at least equaled the total cost of such individual’s support.

SUBPART C—FILING OF CLAIMS

§ 725.301 Who may file a claim.

(a) Any person who believes he or she may be entitled to benefits under the Act may file a claim in accordance with this subpart.

(b) A claimant who has attained the age of 18, is mentally competent and physically able, may file a claim on his or her own behalf.

(c) If a claimant is unable to file a claim on his or her behalf because of a legal or physical impairment, the following rules shall apply:
Employment Standards Administration, Labor

§ 725.305 When a written statement is considered a claim.

(a) The filing of a statement signed by an individual indicating an intention to claim benefits shall be considered to be the filing of a claim for the purposes of this part under the following circumstances:

(1) The claimant or a proper person on his or her behalf (see § 725.301) executes and files a prescribed claim form with the Office during the claimant's
§ 725.306 Withdrawal of a claim.

(a) A claimant or an individual authorized to execute a claim on a claimant’s behalf or on behalf of claimant’s estate under §725.305, may withdraw a previously filed claim provided that:

(1) He or she files a written request with the appropriate adjudication officer indicating the reasons for seeking withdrawal of the claim;

(2) The appropriate adjudication officer approves the request for withdrawal on the grounds that it is in the best interests of the claimant or his or her estate, and;

(3) Any payments made to the claimant in accordance with §725.522 are reimbursed.

(b) When a claim has been withdrawn under paragraph (a) of this section, the claim will be considered not to have been filed.

§ 725.307 Cancellation of a request for withdrawal.

At any time prior to approval, a request for withdrawal may be canceled by a written request of the claimant or a person authorized to act on the claimant’s behalf or on behalf of the claimant’s estate.

§ 725.308 Time limits for filing claims.

(a) A claim for benefits filed under this part by, or on behalf of, a miner shall be filed within three years after a medical determination of total disability due to pneumoconiosis which has been communicated to the miner or a person responsible for the care of the miner, or within three years after the date of enactment of the Black Lung Benefits Reform Act of 1977, whichever is later. There is no time limit on the filing of a claim by the survivor of a miner.

(b) A miner who is receiving benefits under part B of title IV of the Act and who is notified by HEW of the right to seek medical benefits may file a claim for medical benefits under part C of title IV of the Act and this part. The Secretary of Health, Education, and Welfare is required to notify each miner receiving benefits under part B of this right. Notwithstanding the provisions of paragraph (a) of this section, a miner notified of his or her rights under this paragraph may file a claim under this part on or before December 31, 1980. Any claim filed after that date shall be untimely unless the time for filing has been enlarged for good cause shown.

(c) There shall be a rebuttable presumption that every claim for benefits is timely filed. However, except as provided in paragraph (b) of this section, the time limits in this section are mandatory and may not be waived or tolled except upon a showing of extraordinary circumstances.

§ 725.309 Additional claims; effect of a prior denial of benefits.

(a) A claimant whose claim for benefits was previously approved under part
B of title IV of the Act may file a claim for benefits under this part as provided in §§725.308(b) and 725.702.

(b) If a claimant files a claim under this part while another claim filed by the claimant under this part is still pending, the later claim shall be merged with the earlier claim for all purposes. For purposes of this section, a claim shall be considered pending if it has not yet been finally denied.

(c) If a claimant files a claim under this part within one year after the effective date of a final order denying a claim previously filed by the claimant under this part (see §725.502(a)(2)), the later claim shall be considered a request for modification of the prior denial and shall be processed and adjudicated under §725.310.

(d) If a claimant files a claim under this part more than one year after the effective date of a final order denying a claim previously filed by the claimant under this part (see §725.502(a)(2)), the later claim shall be considered a subsequent claim for benefits. A subsequent claim shall be processed and adjudicated in accordance with the provisions of subparts E and F of this part, except that the claim shall be denied unless the claimant demonstrates that one of the applicable conditions of entitlement (see §§725.202(d) (miner), 725.212 (spouse), 725.218 (child), and 725.222 (parent, brother, or sister)) has changed since the date upon which the order denying the prior claim became final. The applicability of this paragraph may be waived by the operator or fund, as appropriate. The following additional rules shall apply to the adjudication of a subsequent claim:

1. Any evidence submitted in connection with any prior claim shall be made a part of the record in the subsequent claim, provided that it was not excluded in the adjudication of the prior claim.

2. For purposes of this section, the applicable conditions of entitlement shall be limited to those conditions upon which the prior denial was based. For example, if the claim was denied solely on the basis that the individual was not a miner, the subsequent claim must be denied unless the individual worked as a miner following the prior denial. Similarly, if the claim was denied because the miner did not meet one or more of the eligibility criteria contained in part 718 of this subchapter, the subsequent claim must be denied unless the miner meets at least one of the criteria that he or she did not meet previously.

(e) Notwithstanding any other provision of this part or part 727 of this subchapter (see §727.103), a person may exercise the right of review provided in paragraph (c) of §727.103 at the same time such person is pursuing an appeal of a previously denied part B claim under the law as it existed prior to March 1, 1978. If the part B claim is ultimately approved as a result of the appeal, the claimant must immediately notify the Secretary of Labor and, where appropriate, the coal mine operator, and all duplicate payments made under part C shall be considered an overpayment and arrangements shall be made to insure the repayment of such overpayments to the fund or an operator, as appropriate.

(f) In any case involving more than one claim filed by the same claimant,
§ 725.310 Modification of awards and denials.

(a) Upon his or her own initiative, or upon the request of any party on grounds of a change in conditions or because of a mistake in a determination of fact, the district director may, at any time before one year from the date of the last payment of benefits, or at any time before one year after the denial of a claim, reconsider the terms of an award or denial of benefits.

(b) Modification proceedings shall be conducted in accordance with the provisions of this part as appropriate, except that the claimant and the operator, or group of operators or the fund, as appropriate, shall each be entitled to submit no more than one additional chest X-ray interpretation, one additional pulmonary function test, one additional arterial blood gas study, and one additional medical report in support of its affirmative case along with such rebuttal evidence and additional statements as are authorized by paragraphs (a)(2)(ii) and (a)(3)(ii) of §725.414. Modification proceedings shall not be initiated before an administrative law judge or the Benefits Review Board.

(c) At the conclusion of modification proceedings before the district director, the district director may issue a proposed decision and order (§725.418) or, if appropriate, deny the claim by reason of abandonment (§725.409). In any case in which the district director has initiated modification proceedings on his own initiative to alter the terms of an award or denial of benefits issued by an administrative law judge, the district director shall, at the conclusion of modification proceedings, forward the claim for a hearing (§725.421). In any case forwarded for a hearing, the administrative law judge assigned to hear such case shall consider whether any additional evidence submitted by the parties demonstrates a change in condition and, regardless of whether the parties have submitted new evidence, whether the evidence of record demonstrates a mistake in a determination of fact.

(d) An order issued following the conclusion of modification proceedings may terminate, continue, reinstate, increase or decrease benefit payments or award benefits. Such order shall not affect any benefits previously paid, except that an order increasing the amount of benefits payable based on a finding of a mistake in a determination of fact may be made effective on the date from which benefits were determined payable by the terms of an earlier award. In the case of an award which is decreased, no payment made in excess of the decreased rate prior to the date upon which the party requested reconsideration under paragraph (a) of this section shall be subject to collection or offset under subpart H of this part, provided the claimant is without fault as defined by §725.543. In the case of an award which is decreased following the initiation of modification by the district director, no payment made in excess of the decreased rate prior to the date upon which the district director initiated modification proceedings under paragraph (a) of this section shall be subject to collection or offset under subpart H of this part, provided the claimant is without fault as defined by §725.543. In the case of an award which has become final and is thereafter terminated, no payment made prior to the date upon which the party requested reconsideration under paragraph (a) of this section shall be subject to collection or offset under subpart H of this part.

§ 725.311 Communications with respect to claims; time computations.

(a) Unless otherwise specified by this part, all requests, responses, notices, decisions, orders, or other communications required or permitted by this part shall be in writing.
§ 725.351  Powers of adjudication officers.

(a) District Director. The district director is authorized to:

1. Make determinations with respect to claims as is provided in this part;
2. Conduct conferences and informal discovery proceedings as provided in this part;
3. Compel the production of documents by the issuance of a subpoena;
4. Prepare documents for the signature of parties;
5. Issue appropriate orders as provided in this part; and
6. Do all other things necessary to enable him or her to discharge the duties of the office.

(b) Administrative Law Judge. An administrative law judge is authorized to:

1. Conduct formal hearings in accordance with the provisions of this part;
2. Administer oaths and examine witnesses;
3. Compel the production of documents and appearance of witnesses by the issuance of subpoenas;
4. Issue decisions and orders with respect to claims as provided in this part; and
§ 725.352 Disqualification of adjudication officer.

(a) No adjudication officer shall conduct any proceedings in a claim in which he or she is prejudiced or partial, or where he or she has any interest in the matter pending for decision. A decision to withdraw from the consideration of a claim shall be within the discretion of the adjudication officer. If that adjudication officer withdraws, another officer shall be designated by the Director or the Chief Administrative Law Judge, as the case may be, to complete the adjudication of the claim.

(b) No adjudication officer shall be permitted to appear or act as a representative of a party under this part while such individual is employed as an adjudication officer. No adjudication officer shall be permitted at any time to appear or act as a representative in connection with any case or claim in which he or she was personally involved. No fee or reimbursement shall be awarded under this part to an individual who acts in violation of this paragraph.

(c) No adjudication officer shall act in any claim involving a party which employed such adjudication officer within one year before the adjudication of such claim.

(d) Notwithstanding paragraph (a) of this section, no adjudication officer shall be permitted to act in any claim involving a party who is related to the adjudication officer by consanguinity or affinity within the third degree as determined by the law of the place where such party is domiciled. Any action taken by an adjudication officer in knowing violation of this paragraph shall be void.

§ 725.360 Parties to proceedings.

(a) Except as provided in §725.361, no person other than the Secretary of Labor and authorized personnel of the Department of Labor shall participate at any stage in the adjudication of a claim for benefits under this part, unless such person is determined by the appropriate adjudication officer to qualify under the provisions of this section as a party to the claim. The following persons shall be parties:

(1) The claimant;

(2) A person other than a claimant, authorized to execute a claim on such claimant’s behalf under §725.301;

(3) Any coal mine operator notified under §725.407 of its possible liability for the claim;

(4) Any insurance carrier of such operator; and

(5) The Director in all proceedings relating to a claim for benefits under this part.

(b) A widow, child, parent, brother, or sister, or the representative of a decedent’s estate, who makes a showing in writing that his or her rights with respect to benefits may be prejudiced by a decision of an adjudication officer, may be made a party.

(c) Any coal mine operator or prior operator or insurance carrier which has not been notified under §725.407 and which makes a showing in writing that
its rights may be prejudiced by a decision of an adjudication officer may be made a party.

(d) Any other individual may be made a party if that individual’s rights with respect to benefits may be prejudiced by a decision to be made.

§725.361 Party amicus curiae.

At the discretion of the Chief Administrative Law Judge or the administrative law judge assigned to the case, a person or entity which is not a party may be allowed to participate amicus curiae in a formal hearing only as to an issue of law. A person may participate amicus curiae in a formal hearing upon written request submitted with supporting arguments prior to the hearing. If the request is granted, the administrative law judge hearing the case will inform the party of the extent to which participation will be permitted. The request may, however, be denied summarily and without explanation.

§725.362 Representation of parties.

(a) Except for the Secretary of Labor, whose interests shall be represented by the Solicitor of Labor or his or her designee, each of the parties may appoint an individual to represent his or her interest in any proceeding for determination of a claim under this part. Such appointment shall be made in writing or on the record at the hearing. An attorney qualified in accordance with §725.363(a) shall file a written declaration that he or she is authorized to represent a party, or declare his or her representation on the record at a formal hearing. Any other person (see §725.363(b)) shall file a written notice of appointment signed by the party or his or her legal guardian, or enter his or her appearance on the record at a formal hearing if the party he or she seeks to represent is present and consents to the representation. Any written declaration or notice required by this section shall include the OWCP number assigned by the Office and shall be sent to the Office or, for representation at a formal hearing, to the Chief Administrative Law Judge. In any case, such representative must be qualified under §725.363. No authorization for representation or agreement between a claimant and representative as to the amount of a fee, filed with the Social Security Administration in connection with a claim under part B of title IV of the Act, shall be valid under this part. A claimant who has previously authorized a person to represent him or her in connection with a claim originally filed under part B of title IV may renew such authorization by filing a statement to such effect with the Office or appropriate adjudication officer.

(b) Any party may waive his or her right to be represented in the adjudication of a claim. If an adjudication officer determines, after an appropriate inquiry has been made, that a claimant who has been informed of his or her right to representation does not wish to obtain the services of a representative, such adjudication officer shall proceed to consider the claim in accordance with this part, unless it is apparent that the claimant is, for any reason, unable to continue without the help of a representative. However, it shall not be necessary for an adjudication officer to inquire as to the ability of a claimant to proceed without representation in any adjudication taking place without a hearing. The failure of a claimant to obtain representation in an adjudication taking place without a hearing shall be considered a waiver of the claimant’s right to representation. However, at any time during the processing or adjudication of a claim, any claimant may revoke such waiver and obtain a representative.

§725.363 Qualification of representative.

(a) Attorney. Any attorney in good standing who is admitted to practice before a court of a State, territory, district, or insular possession, or before the Supreme Court of the United States or other Federal court and is not, pursuant to any provision of law, prohibited from acting as a representative, may be appointed as a representative.

(b) Other person. With the approval of the adjudication officer, any other person may be appointed as a representative so long as that person is not, pursuant to any provision of law, prohibited from acting as a representative.
§ 725.364 Authority of representative.

A representative, appointed and qualified as provided in §§725.362 and 725.363, may make or give on behalf of the party he or she represents, any request or notice relative to any proceeding before an adjudication officer, including formal hearing and review, except that such representative may not execute a claim for benefits, unless he or she is a person designated in §725.301 as authorized to execute a claim. A representative shall be entitled to present or elicit evidence and make allegations as to facts and law in any proceeding affecting the party represented and to obtain information with respect to the claim of such party to the same extent as such party. Notice given to any party of any administrative action, determination, or decision, or request to any party for the production of evidence shall be sent to the representative of such party and such notice or request shall have the same force and effect as if it had been sent to the party represented.

§ 725.365 Approval of representative’s fees; lien against benefits.

No fee charged for representation services rendered to a claimant with respect to any claim under this part shall be valid unless approved under this subpart. No contract or prior agreement for a fee shall be valid. In cases where the obligation to pay the attorney’s fee is upon the claimant, the amount of the fee awarded may be made a lien upon the benefits due under an award and the adjudication officer shall fix, in the award approving the fee, such lien and the manner of payment of the fee. Any representative who is not an attorney may be awarded a fee for services rendered on behalf of the claimant in regard to the review of the claim under section 435 of the Act and part 727 of this subchapter (see §725.4(d)).

(b) Any fee approved under paragraph (a) of this section shall be reasonably commensurate with the necessary work done and shall take into account the quality of the representation, the qualifications of the representative, the complexity of the legal issues involved, the level of proceedings to which the claim was raised, the level at which the representative entered the proceedings, and any other information which may be relevant to the amount of fee requested. No fee approved shall include payment for time spent in preparation of a fee application. No fee shall be approved for work done on claims filed between December 30, 1969, and June 30, 1973, under part B of title IV of the Act, except for services rendered on behalf of the claimant in regard to the review of the claim under section 435 of the Act and part 727 of this subchapter (see §725.4(d)).

(c) In awarding a fee, the appropriate adjudication officer shall consider, and shall add to the fee, the amount of reasonable and unreimbursed expenses incurred in establishing the claimant’s case. Reimbursement for travel expenses incurred by an attorney shall be determined in accordance with the provisions of §725.459(a). No reimbursement shall be permitted for expenses incurred in obtaining medical or other

§ 725.366 Fees for representatives.

(a) A representative seeking a fee for services performed on behalf of a claimant shall make application therefor to the district director, administrative law judge, or appropriate appellate tribunal, as the case may be, before whom the services were performed. The application shall be filed and served upon the claimant and all other parties within the time limits allowed by the district director, administrative law judge, or appropriate appellate tribunal. The application shall be supported by a complete statement of the extent and character of the necessary work done, and shall indicate the professional status (e.g., attorney, paralegal, law clerk, lay representative or clerical) of the person performing such work, and the customary billing rate for each such person. The application shall also include a listing of reasonable unreimbursed expenses, including those for travel, incurred by the representative or an employee of a representative in establishing the claimant’s case. Any fee requested under this paragraph shall also contain a description of any fee requested, charged, or received for services rendered to the claimant before any State or Federal court or agency in connection with a related matter.

(b) Any fee approved under paragraph (a) of this section shall be reasonably commensurate with the necessary work done and shall take into account the quality of the representation, the qualifications of the representative, the complexity of the legal issues involved, the level of proceedings to which the claim was raised, the level at which the representative entered the proceedings, and any other information which may be relevant to the amount of fee requested. No fee approved shall include payment for time spent in preparation of a fee application. No fee shall be approved for work done on claims filed between December 30, 1969, and June 30, 1973, under part B of title IV of the Act, except for services rendered on behalf of the claimant in regard to the review of the claim under section 435 of the Act and part 727 of this subchapter (see §725.4(d)).

(c) In awarding a fee, the appropriate adjudication officer shall consider, and shall add to the fee, the amount of reasonable and unreimbursed expenses incurred in establishing the claimant’s case. Reimbursement for travel expenses incurred by an attorney shall be determined in accordance with the provisions of §725.459(a). § 725.367 Payment of a claimant’s attorney’s fee by responsible operator or fund.

(a) An attorney who represents a claimant in the successful prosecution of a claim for benefits may be entitled to collect a reasonable attorney’s fee from the responsible operator that is ultimately found liable for the payment of benefits, or, in a case in which there is no operator who is liable for the payment of benefits, from the fund. Generally, the operator or fund liable for the payment of benefits shall be liable for the payment of the claimant’s attorney’s fees where the operator or fund, as appropriate, took action, or acquiesced in action, that created an adversarial relationship between itself and the claimant. The fees payable under this section shall include reasonable fees for necessary services performed prior to the creation of the adversarial relationship. Circumstances in which a successful attorney’s fees shall be payable by the responsible operator or the fund include, but are not limited to, the following:

(1) The responsible operator designated by the district director (see §725.410(a)(3)) fails to accept the claimant’s entitlement to benefits within the 30-day period provided by §725.412(b) and is ultimately determined to be liable for benefits. The operator shall be liable for an attorney’s fee with respect to all necessary services performed by the claimant’s attorney;

(2) There is no operator that may be held liable for the payment of benefits, and the district director issues a schedule for the submission of additional evidence under §725.410. The fund shall be liable for an attorney’s fee with respect to all necessary services performed by the claimant’s attorney;

(3) The claimant submits a bill for medical treatment, and the party liable for the payment of benefits declines to pay the bill on the grounds that the treatment is unreasonable, or is for a condition that is not compensable. The responsible operator or fund, as appropriate, shall be liable for an attorney’s fee with respect to all necessary services performed by the claimant’s attorney;

(4) A beneficiary seeks an increase in the amount of benefits payable, and the responsible operator or fund contests the claimant’s right to that increase. If the beneficiary is successful in securing an increase in the amount of benefits payable, the operator or fund shall be liable for an attorney’s fee with respect to all necessary services performed by the beneficiary’s attorney;

(5) The responsible operator or fund seeks a decrease in the amount of benefits payable. If the beneficiary is successful in resisting the request for a decrease in the amount of benefits payable, the operator or fund shall be liable for an attorney’s fee with respect to all necessary services performed by the beneficiary’s attorney.

(b) Any fee awarded under this section shall be in addition to the award of benefits, and shall be awarded, in an
§ 725.401  Claims development—general.

After a claim has been received by the district director, the district director shall take such action as is necessary to develop, process, and make determinations with respect to the claim as provided in this subpart.

§ 725.402  Approved State workers’ compensation law.

If a district director determines that any claim filed under this part is one subject to adjudication under a workers’ compensation law approved under part 722 of this subchapter, he or she shall advise the claimant of this determination and of the Act’s requirement that the claim must be filed under the applicable State workers’ compensation law. The district director shall then prepare a proposed decision and order dismissing the claim for lack of jurisdiction pursuant to §725.418 and proceed as appropriate.

§ 725.403  [Reserved]

§ 725.404  Development of evidence—general.

(a) Employment history. Each claimant shall furnish the district director with a complete and detailed history of the coal miner’s employment and, upon request, supporting documentation.

(b) Matters of record. Where it is necessary to obtain proof of age, marriage or termination of marriage, death, family relationship, dependency (see subpart B of this part), or any other fact which may be proven as a matter of public record, the claimant shall furnish such proof to the district director upon request.

(c) Documentary evidence. If a claimant is required to submit documents to the district director, the claimant shall submit either the original, a certified copy or a clear readable copy thereof. The district director or administrative law judge may require the submission of an original document or certified copy thereof, if necessary.

(d) Submission of insufficient evidence. In the event a claimant submits insufficient evidence regarding any matter, the district director shall inform the claimant of what further evidence is necessary and request that such evidence be submitted within a specified reasonable time which may, upon request, be extended for good cause.

§ 725.405  Development of medical evidence; scheduling of medical examinations and tests.

(a) Upon receipt of a claim, the district director shall ascertain whether the claim was filed by or on account of a miner as defined in §725.202, and in the case of a claim filed on account of a deceased miner, whether the claim was filed by an eligible survivor of such miner as defined in subpart B of this part.

(b) In the case of a claim filed by or on behalf of a miner, the district director shall, where necessary, schedule the miner for a medical examination and testing under §725.406.
(c) In the case of a claim filed by or on behalf of a survivor of a miner, the district director shall obtain whatever medical evidence is necessary and available for the development and evaluation of the claim.

(d) The district director shall, where appropriate, collect other evidence necessary to establish:

(1) The nature and duration of the miner’s employment; and

(2) All other matters relevant to the determination of the claim.

(e) If at any time during the processing of the claim by the district director, the evidence establishes that the claimant is not entitled to benefits under the Act, the district director may terminate evidentiary development of the claim and proceed as appropriate.

§ 725.406 Medical examinations and tests.

(a) The Act requires the Department to provide each miner who applies for benefits with the opportunity to undergo a complete pulmonary evaluation at no expense to the miner. A complete pulmonary evaluation includes a report of physical examination, a pulmonary function study, a chest roentgenogram and, unless medically contraindicated, a blood gas study.

(b) As soon as possible after a miner files an application for benefits, the district director will provide the miner with a list of medical facilities and physicians in the state of the miner’s residence and states contiguous to the state of the miner’s residence that the Office has authorized to perform complete pulmonary evaluations. The miner shall select one of the facilities or physicians on the list, provided that the miner may not select any physician to whom the miner or the miner’s spouse is related to the fourth degree of consanguinity, and the miner may not select any physician who has examined or provided medical treatment to the miner within the twelve months preceding the date of the miner’s application. The district director will make arrangements for the miner to be given a complete pulmonary evaluation by that facility or physician. The results of the complete pulmonary evaluation shall not be counted as evidence submitted by the miner under §725.414.

(c) If any medical examination or test conducted under paragraph (a) of this section is not administered or reported in substantial compliance with the provisions of part 718 of this subchapter, or does not provide sufficient information to allow the district director to decide whether the miner is eligible for benefits, the district director shall schedule the miner for further examination and testing. Where the deficiencies in the report are the result of a lack of effort on the part of the miner, the miner will be afforded one additional opportunity to produce a satisfactory result. In order to determine whether any medical examination or test was administered and reported in substantial compliance with the provisions of part 718 of this subchapter, the district director may have any component of such examination or test reviewed by a physician selected by the district director.

(d) After the physician completes the report authorized by paragraph (a), the district director will inform the miner that he may elect to have the results of the objective testing sent to his treating physician for use in preparing a medical opinion. The district director will also inform the claimant that any medical opinion submitted by his treating physician will count as one of the two medical opinions that the miner may submit under §725.414 of this part.

(e) The cost of any medical examination or test authorized under this section, including the cost of travel to and from the examination, shall be paid by the fund. No reimbursement for overnight accommodations shall be authorized unless the district director determines that an adequate testing facility is unavailable within one day’s round trip travel by automobile from the miner’s residence. The fund shall be reimbursed for such payments by an operator, if any, found liable for the payment of benefits to the claimant. If an operator fails to repay such expenses, with interest, upon request of the Office, the entire amount may be collected in an action brought under section 424 of the Act and §725.603 of this part.
§ 725.407 Identification and notification of responsible operator.

(a) Upon receipt of the miner’s employment history, the district director shall investigate whether any operator may be held liable for the payment of benefits as a responsible operator in accordance with the criteria contained in Subpart G of this part.

(b) The district director may identify one or more operators potentially liable for the payment of benefits in accordance with the criteria set forth in §725.495 of this part. The district director shall notify each such operator of the existence of the claim. Where the records maintained by the Office pursuant to part 726 of this subchapter indicate that the operator had obtained a policy of insurance, and the claim falls within such policy, the notice provided pursuant to this section shall also be sent to the operator’s carrier. Any operator or carrier notified of the claim shall thereafter be considered a party to the claim in accordance with §725.360 of this part unless it is dismissed by an adjudication officer and is not thereafter notified again of its potential liability.

(c) The notification issued pursuant to this section shall include a copy of the claimant’s application and a copy of all evidence obtained by the district director relating to the miner’s employment. The district director may request the operator to answer specific questions, including, but not limited to, questions related to the nature of its operations, its relationship with the miner, its financial status, including any insurance obtained to secure its obligations under the Act, and its relationship with other potentially liable operators. A copy of any notification issued pursuant to this section shall be sent to the claimant by regular mail.

(d) If at any time before a case is referred to the Office of Administrative Law Judges, the district director determines that an operator which may be liable for the payment of benefits has not been notified under this section or has been incorrectly dismissed pursuant to §725.410(a)(3), the district director shall give such operator notice of its potential liability in accordance with this section. The adjudication officer shall then take such further action on the claim as may be appropriate. There shall be no time limit applicable to a later identification of an operator under this paragraph if the operator fraudulently concealed its identity as an employer of the miner. The district director may not notify additional operators of their potential liability after a case has been referred to the Office of Administrative Law Judges, unless the case was referred for a hearing to determine whether the claim was properly denied as abandoned pursuant to §725.409.

§ 725.408 Operator’s response to notification.

(a)(1) An operator which receives notification under §725.407 shall, within 30 days of receipt, file a response indicating its intent to accept or contest its identification as a potentially liable operator. The operator’s response shall also be sent to the claimant by regular mail.

(2) If the operator contests its identification, it shall, on a form supplied by the district director, state the precise nature of its disagreement by admitting or denying each of the following assertions. In answering these assertions, the term “operator” shall include any operator for which the identified operator may be considered a successor operator pursuant to §725.492.

(i) That the named operator was an operator for any period after June 30, 1973;

(ii) That the operator employed the miner as a miner for a cumulative period of not less than one year;

(iii) That the miner was exposed to coal mine dust while working for the operator;

(iv) That the miner’s employment with the operator included at least one working day after December 31, 1969; and

(v) That the operator is capable of assuming liability for the payment of benefits.

(3) An operator which receives notification under §725.407, and which fails to file a response within the time limit provided by this section, shall not be allowed to contest its liability for the payment of benefits on any of the grounds set forth in paragraph (a)(2).
Employment Standards Administration, Labor § 725.410

(b)(1) Within 90 days of the date on which it receives notification under §725.407, an operator may submit documentary evidence in support of its position.

(2) No documentary evidence relevant to the grounds set forth in paragraph (a)(2) may be admitted in any further proceedings unless it is submitted within the time limits set forth in this section.

§ 725.409 Denial of a claim by reason of abandonment.

(a) A claim may be denied at any time by the district director by reason of abandonment where the claimant fails:

(1) To undergo a required medical examination without good cause; or,

(2) To submit evidence sufficient to make a determination of the claim; or,

(3) To pursue the claim with reasonable diligence; or,

(4) To attend an informal conference without good cause.

(b)(1) If the district director determines that a denial by reason of abandonment under paragraphs (a)(1) through (3) of this section is appropriate, he or she shall notify the claimant of the reasons for such denial and of the action which must be taken to avoid a denial by reason of abandonment. If the claimant completes the action requested within the time allowed, the claim shall be developed, processed and adjudicated as specified in this part. If the claimant does not fully comply with the action requested by the district director, the district director shall notify the claimant that the claim has been denied by reason of abandonment. If the claimant timely requests a hearing, the district director shall refer the case to the Office of Administrative Law Judges in accordance with §725.421. Except upon the motion or written agreement of the Director, the hearing will be limited to the issue of whether the claim was properly denied by reason of abandonment. If the hearing is limited to the issue of abandonment and the administrative law judge determines that the claim was not properly denied by reason of abandonment, he shall remand the claim to the district director for the completion of administrative processing.

§ 725.410 Submission of additional evidence.

(a) After the district director completes the development of medical evidence under §725.405 of this part, including the complete pulmonary evaluation authorized by §725.406, and receives the responses and evidence submitted pursuant to §725.408, he shall issue a schedule for the submission of
§ 725.411 Initial adjudication in Trust Fund cases.

Notwithstanding the requirements of §725.410 of this part, if the district director concludes that the results of the complete pulmonary evaluation support a finding of eligibility, and that there is no operator responsible for the payment of benefits, the district director shall issue a proposed decision and order in accordance with §725.418 of this part.

§ 725.412 Operator’s response.

(a) Within 30 days after the district director issues a schedule pursuant to §725.410 of this part containing a designation of the responsible operator pursuant to paragraph (a)(3), the schedule shall further notify the claimant that if the operator fails to accept the claimant’s entitlement to benefits within the time limit provided by §725.412, the cost of obtaining additional medical and other necessary evidence, along with a reasonable attorney’s fee, shall be reimbursed by the responsible operator in the event that the claimant establishes his entitlement to benefits payable by that operator. In a case in which there is no operator liable for the payment of benefits, the schedule shall notify the claimant that the cost of obtaining additional medical and other necessary evidence, along with a reasonable attorney’s fee, shall be reimbursed by the fund.

(b) The schedule shall allow all parties not less than 60 days within which to submit additional evidence, including evidence relevant to the claimant’s eligibility for benefits and evidence relevant to the liability of the designated responsible operator, and shall provide not less than an additional 30 days within which the parties may respond to evidence submitted by other parties. Any such evidence must meet the requirements set forth in §725.414 in order to be admitted into the record.

(c) The district director shall serve a copy of the schedule, together with a copy of all of the evidence developed, on the claimant, the designated responsible operator, and all other operators which received notification pursuant to §725.407. The schedule shall be served on each party by certified mail.

§ 725.411 Initial adjudication in Trust Fund cases.

Notwithstanding the requirements of §725.410 of this part, if the district director concludes that the results of the complete pulmonary evaluation support a finding of eligibility, and that there is no operator responsible for the payment of benefits, the district director shall issue a proposed decision and order in accordance with §725.418 of this part.

§ 725.412 Operator’s response.

(a) Within 30 days after the district director issues a schedule pursuant to §725.410 of this part containing a designation of the responsible operator
liable for the payment of benefits, that
operator shall file a response with re-
gard to its liability. The response shall
specifically indicate whether the oper-
ator agrees or disagrees with the dis-
trict director’s designation.

(2) If the responsible operator des-
ignated by the district director does
not file a timely response, it shall be
deemed to have accepted the district
director’s designation with respect to
its liability, and to have waived its
right to contest its liability in any fur-
ther proceeding conducted with respect
to the claim.

(b) The responsible operator des-
ignated by the district director may
also file a statement accepting claim-
ant’s entitlement to benefits. If that
operator fails to file a timely response
to the district director’s designation,
the district director shall, upon receipt
of such a statement, issue a proposed
decision and order in accordance with
§725.418 of this part. If the operator
fails to file a statement accepting the
claimant’s entitlement to benefits
within 30 days after the district direc-
tor issues a schedule pursuant to
§725.410 of this part, the operator shall
be deemed to have contested the claim-
ant’s entitlement.

§725.413 [Reserved].

§725.414 Development of evidence.

(a) Medical evidence.

(1) For purposes of this section, a
medical report shall consist of a physi-
cian’s written assessment of the min-
er’s respiratory or pulmonary condi-
tion. A medical report may be prepared
by a physician who examined the miner
and/or reviewed the available admis-
sible evidence. A physician’s written
assessment of a single objective test,
such as a chest X-ray or a pulmonary
function test, shall not be considered a
medical report for purposes of this sec-
tion.

(2)(i) The claimant shall be entitled
to submit, in support of his affirmative
case, no more than two chest X-ray inter-
pretations, pulmonary function test results, blood gas studies, au-
topsy report, biopsy report, and physi-
cians’ opinions that appear in a med-
ical report must each be admissible
under this paragraph or paragraph
(a)(4) of this section.

(ii) The claimant shall be entitled to
submit, in rebuttal of the case pre-
sented by the party opposing entitle-
ment, no more than one physician’s in-
terpretation of each chest X-ray, pul-
monary function test, arterial blood
gas study, autopsy or biopsy submitted
by the designated responsible operator
or the fund, as appropriate, under para-
graph (a)(3)(i) or (a)(3)(iii) of this sec-
tion and by the Director pursuant to
§725.406. In any case in which the party
opposing entitlement has submitted
the results of other testing pursuant to
§718.107, the claimant shall be entitled
to submit one physician’s assessment
of each piece of such evidence in rebut-
tal. In addition, where the responsible
operator or fund has submitted rebut-
tal evidence under paragraph (a)(3)(ii)
or (a)(3)(iii) of this section with respect
to medical testing submitted by the
claimant, the claimant shall be enti-
tled to submit an additional statement
from the physician who originally in-
terpreted the chest X-ray or adminis-
tered the objective testing. Where the
rebuttal evidence tends to undermine
the conclusion of a physician who pre-
apared a medical report submitted by
the claimant, the claimant shall be en-
titled to submit an additional state-
ment from the physician who prepared
the medical report explaining his con-
clusion in light of the rebuttal evi-
dence.

(3)(i) The responsible operator des-
ignated pursuant to §725.410 shall be
entitled to obtain and submit, in sup-
port of its affirmative case, no more
than two chest X-ray interpretations,
the results of no more than two pul-
monary function tests, the results of
no more than two arterial blood gas
studies, no more than one report of an
autopsy, no more than one report of
each biopsy, and no more
than two medical reports. Any chest X-
ray interpretations, pulmonary func-
tion test results, blood gas studies, au-
topsy report, biopsy report, and physi-
cians’ opinions that appear in a med-
ical report must each be admissible
under this paragraph or paragraph
(a)(4) of this section.
§725.414 20 CFR Ch. VI (4–1–01 Edition)

opinions that appear in a medical report must each be admissible under this paragraph or paragraph (a)(4) of this section. In obtaining such evidence, the responsible operator may not require the miner to travel more than 100 miles from his or her place of residence, or the distance traveled by the miner in obtaining the complete pulmonary evaluation provided by §725.406 of this part, whichever is greater, unless a trip of greater distance is authorized in writing by the district director. If a miner unreasonably refuses—

(A) To provide the Office or the designated responsible operator with a complete statement of his or her medical history and/or to authorize access to his or her medical records, or

(B) To submit to an evaluation or test requested by the district director or the designated responsible operator, the miner’s claim may be denied by reason of abandonment. (See §725.409 of this part).

(ii) The responsible operator shall be entitled to submit, in rebuttal of the case presented by the claimant, no more than one physician’s interpretation of each chest X-ray, pulmonary function test, arterial blood gas study, autopsy or biopsy submitted by the claimant under paragraph (a)(2)(i) of this section and by the Director pursuant to §725.406. In any case in which the claimant has submitted the results of other testing pursuant to §718.107, the responsible operator shall be entitled to submit one physician’s assessment of each piece of such evidence in rebuttal. In addition, where the claimant has submitted rebuttal evidence under paragraph (a)(2)(ii) of this section, the responsible operator shall be entitled to submit an additional statement from the physician who originally interpreted the chest X-ray or administered the objective testing. Where the rebuttal evidence tends to undermine the conclusion of a physician who prepared a medical report submitted by the responsible operator, the responsible operator shall be entitled to submit an additional statement from the physician who prepared the medical report explaining his conclusion in light of the rebuttal evidence.

(iii) In a case in which the district director has not identified any potentially liable operators, or has dismissed all potentially liable operators under §725.410(a)(3), the district director shall be entitled to exercise the rights of a responsible operator under this section, except that the evidence obtained in connection with the complete pulmonary evaluation performed pursuant to §725.406 shall be considered evidence obtained and submitted by the Director, OWCP, for purposes of paragraph (a)(3)(i) of this section. In a case involving a dispute concerning medical benefits under §725.708 of this part, the district director shall be entitled to develop medical evidence to determine whether the medical bill is compensable under the standard set forth in §725.701 of this part.

(4) Notwithstanding the limitations in paragraphs (a)(2) and (a)(3) of this section, any record of a miner’s hospitalization for a respiratory or pulmonary or related disease, or medical treatment for a respiratory or pulmonary or related disease, may be received into evidence.

(5) A copy of any documentary evidence submitted by a party must be served on all other parties to the claim. If the claimant is not represented by an attorney, the district director shall mail a copy of all documentary evidence submitted by the claimant to all other parties to the claim. Following the development and submission of affirmative medical evidence, the parties may submit rebuttal evidence in accordance with the schedule issued by the district director.

(b) Evidence pertaining to liability. (1) Except as provided by §725.408(b)(2), the designated responsible operator may submit evidence to demonstrate that it is not the potentially liable operator that most recently employed the claimant.

(2) Any other party may submit evidence regarding the liability of the designated responsible operator or any other operator.

(3) A copy of any documentary evidence submitted under this paragraph must be mailed to all other parties to the claim. Following the submission of affirmative evidence, the parties may submit rebuttal evidence in accordance

§ 725.416

With the schedule issued by the district director.

(c) Testimony. A physician who prepared a medical report admitted under this section may testify with respect to the claim at any formal hearing conducted in accordance with subpart F of this part, or by deposition. If a party has submitted fewer than two medical reports as part of that party’s affirmative case under this section, a physician who did not prepare a medical report may testify in lieu of such a medical report. The testimony of such a physician shall be considered a medical report for purposes of the limitations provided by this section. A party may offer the testimony of no more than two physicians under the provisions of this section unless the adjudication officer finds good cause under paragraph (b)(1) of § 725.456 of this part. In accordance with the schedule issued by the district director, all parties shall notify the district director of the name and current address of any potential witness whose testimony pertains to the liability of a potentially liable operator or the designated responsible operator. Absent such notice, the testimony of a witness relevant to the liability of a potentially liable operator or the designated responsible operator shall not be admitted in any hearing conducted with respect to the claim unless the administrative law judge finds that the lack of notice should be excused due to extraordinary circumstances.

(d) Except to the extent permitted by § 725.456 and § 725.310(b), the limitations set forth in this section shall apply to all proceedings conducted with respect to a claim, and no documentary evidence pertaining to liability shall be admitted in any further proceeding conducted with respect to a claim unless it is submitted to the district director in accordance with this section.

§ 725.415 Action by the district director after development of evidence.

(a) At the conclusion of the period permitted under § 725.410(b) for the submission of evidence, the district director shall review the claim on the basis of all evidence submitted in accordance with § 725.414.

(b) After review of all evidence submitted, the district director may issue another schedule for the submission of additional evidence pursuant to § 725.410, identifying another potentially liable operator as the responsible operator liable for the payment of benefits. In such a case, the district director shall not permit the development or submission of any additional medical evidence until after he has made a final determination of the identity of the responsible operator liable for the payment of benefits. If the operator who is finally determined to be the responsible operator has not had the opportunity to submit medical evidence pursuant to § 725.410, the district director shall allow the designated responsible operator and the claimant not less than 60 days within which to submit evidence relevant to the claimant’s eligibility for benefits. The designated responsible operator may elect to adopt any medical evidence previously submitted by another operator as its own evidence, subject to the limitations of § 725.414. The district director may also schedule a conference in accordance with § 725.416, issue a proposed decision and order in accordance with § 725.418, or take such other action as the district director considers appropriate.

§ 725.416 Conferences.

(a) At the conclusion of the period permitted by § 725.410(b) of this part for the submission of evidence, the district director may conduct an informal conference in any claim where it appears that such conference will assist in the voluntary resolution of any issue raised with respect to the claim. The conference proceedings shall not be stenographically reported and sworn testimony shall not be taken. Any conference conducted pursuant to this paragraph shall be held no later than 90 days after the conclusion of the period permitted by § 725.410(b) of this part for the submission of evidence, unless one of the parties requests that the time period be extended for good cause shown. If the district director is unable to hold the conference within the time period permitted by this paragraph, he

(a) At the conclusion of a conference, the district director shall prepare a stipulation of contested and uncontested issues which shall be signed by the parties and the district director. If a hearing is conducted with respect to the claim, this stipulation shall be submitted to the Office of Administrative Law Judges and placed in the claim record.

(b) In appropriate cases, the district director may permit a reasonable time for the submission of additional evidence following a conference, provided that such evidence does not exceed the limits set forth in §725.414. The district director may also notify additional operators of their potential liability pursuant to §725.407, or issue another schedule for the submission of additional evidence pursuant to §725.410, designating another potentially liable operator as the responsible operator liable for the payment of benefits, in order to allow that operator an opportunity to submit evidence relevant to its liability for benefits as well as the claimant’s eligibility for benefits.

§ 725.418 Proposed decision and order.

(a) Within 20 days after the termination of all informal conference proceedings, or, if no informal conference is held, at the conclusion of the period permitted by §725.410(b) for the submission of evidence, the district director shall issue a proposed decision and order. A proposed decision and order is a document, issued by the district director after the evidentiary development of the claim is completed and all contested issues, if any, are joined, which purports to resolve a claim on the basis of the evidence submitted to or obtained by the district director. A proposed decision and order shall be considered a final adjudication of a claim only as provided in §725.419. A proposed decision and order may be issued by the district director at any

§ 725.420

Initial determinations.

(a) Section 9501(d)(1)(A)(1) of the Internal Revenue Code (26 U.S.C.) provides that the Black Lung Disability Trust Fund shall begin the payment of benefits on behalf of an operator in any case in which the operator liable for such payments has not commenced payment of such benefits within 30 days after the date of an initial determination of eligibility by the Secretary. For claims filed on or after January 1, 1982, the payment of such interim benefits from the fund is limited to benefits accruing after the date of such initial determination.
§ 725.421 Referral of a claim to the Office of Administrative Law Judges.

(a) In any claim for which a formal hearing is requested or ordered, and with respect to which the district director has completed evidentiary development and adjudication without having resolved all contested issues, the district director shall refer the claim to the Office of Administrative Law Judges for a hearing.

(b) In any case referred to the Office of Administrative Law Judges under this section, the district director shall transmit to that office the following documents, which shall be placed in the record at the hearing subject to the objection of any party:

(1) Copies of the claim form or forms;
(2) Any statement, document, or pleading submitted by a party to the claim;
(3) A copy of the notification to an operator of its possible liability for the claim, and any schedule for the submission of additional evidence issued pursuant to § 725.410 designating a potentially liable operator as the responsible operator;

(c) A party may at any time request and obtain from the district director copies of documents transmitted to the Office of Administrative Law Judges under paragraph (b) of this section. If the party has previously been provided with such documents, additional copies may be sent to the party upon the payment of a copying fee to be determined by the district director.

§ 725.422 Legal assistance.

The Secretary or his or her designee may, upon request, provide a claimant with legal assistance in processing a claim under the Act. Such assistance may be made available to a claimant in the discretion of the Solicitor of Labor or his or her designee at any time prior to or during the time in which the claim is being adjudicated and shall be furnished without charge to the claimant. Representation of a claimant in adjudicatory proceedings shall not be provided by the Department of Labor unless it is determined by the Solicitor of Labor that such representation is in the best interests of the black lung.
§ 725.454

Benefits program. In no event shall representation be provided to a claimant in a claim with respect to which the claimant’s interests are adverse to those of the Secretary of Labor or the fund.

§ 725.423 Extensions of time.

Except for the 30-day time limit set forth in §725.419, any of the time periods set forth in this subpart may be extended, for good cause shown, by filing a request for an extension with the district director prior to the expiration of the time period.

Subpart F—Hearings

§ 725.450 Right to a hearing.

Any party to a claim (see §725.360) shall have a right to a hearing concerning any contested issue of fact or law unresolved by the district director. There shall be no right to a hearing until the processing and adjudication of the claim by the district director has been completed. There shall be no right to a hearing in a claim with respect to which a determination of the claim made by the district director has become final and effective in accordance with this part.

§ 725.451 Request for hearing.

After the completion of proceedings before the district director, or as is otherwise indicated in this part, any party may in writing request a hearing on any contested issue of fact or law unresolved by the district director. A district director may on his or her own initiative refer a case for hearing. If a hearing is requested, or if a district director determines that a hearing is necessary to the resolution of any issue, the claim shall be referred to the Chief Administrative Law Judge for a hearing under §725.421.

§ 725.452 Type of hearing; parties.

(a) A hearing held under this part shall be conducted by an administrative law judge designated by the Chief Administrative Law Judge. Except as otherwise provided by this part, all hearings shall be conducted in accordance with the provisions of 5 U.S.C. 554 et seq.

(b) All parties to a claim shall be permitted to participate fully at a hearing held in connection with such claim.

(c) A full evidentiary hearing need not be conducted if a party moves for summary judgment and the administrative law judge determines that there is no genuine issue as to any material fact and that the moving party is entitled to the relief requested as a matter of law. All parties shall be entitled to respond to the motion for summary judgment prior to decision thereon.

(d) If the administrative law judge believes that an oral hearing is not necessary (for any reason other than on motion for summary judgment), the judge shall notify the parties by written order and allow at least 30 days for the parties to respond. The administrative law judge shall hold the oral hearing if any party makes a timely request in response to the order.

§ 725.453 Notice of hearing.

All parties shall be given at least 30 days written notice of the date and place of a hearing and the issues to be resolved at the hearing. Such notice shall be sent to each party or representative by certified mail.

§ 725.454 Time and place of hearing; transfer of cases.

(a) The Chief Administrative Law Judge shall assign a definite time and place for a formal hearing, and shall, where possible, schedule the hearing to be held at a place within 75 miles of the claimant’s residence unless an alternate location is requested by the claimant.

(b) If the claimant’s residence is not in any State, the Chief Administrative Law Judge may, in his or her discretion, schedule the hearing in the country of the claimant’s residence.

(c) The Chief Administrative Law Judge may correct the administrative law judge assigned the case may in his or her discretion direct that a hearing with respect to a claim shall begin at one location and then later be reconvened at another date and place.

(d) The Chief Administrative Law Judge or administrative law judge assigned shall change the time and place for a hearing, either on his or her own motion or for good cause.
§ 725.455 Hearing procedures; generally.

(a) General. The purpose of any hearing conducted under this subpart shall be to resolve contested issues of fact or law. Except as provided in §725.421(b)(8), any findings or determinations made with respect to a claim by a district director shall not be considered by the administrative law judge.

(b) Evidence. The administrative law judge shall at the hearing inquire fully into all matters at issue, and shall not be bound by common law or statutory rules of evidence, or by technical or formal rules of procedure, except as provided by 5 U.S.C. 554 and this subpart. The administrative law judge shall receive into evidence the testimony of the witnesses and parties, the evidence submitted to the Office of Administrative Law Judges by the district director under §725.421, and such additional evidence as may be submitted in accordance with the provisions of this subpart. The administrative law judge may entertain the objections of any party to the evidence submitted under this section.

(c) Procedure. The conduct of the hearing and the order in which allegations and evidence shall be presented shall be within the discretion of the administrative law judge and shall afford the parties an opportunity for a fair hearing.

(d) Oral argument and written allegations. The parties, upon request, may be allowed a reasonable time for the presentation of oral argument at the hearing. Briefs or other written statements or allegations as to facts or law may be filed by any party with the permission of the administrative law judge. Copies of any brief or other written statement shall be filed with the administrative law judge and served on all parties by the submitting party.

§ 725.456 Introduction of documentary evidence.

(a) All documents transmitted to the Office of Administrative Law Judges under §725.421 shall be placed into evidence by the administrative law judge, subject to objection by any party.

(b)(1) Documentary evidence pertaining to the liability of a potentially liable operator and/or the identification of a responsible operator which was not submitted to the district director shall not be admitted into the hearing record in the absence of extraordinary circumstances. Medical evidence in excess of the limitations contained in §725.414 shall not be admitted into the hearing record in the absence of good cause.

(2) Subject to the limitations in paragraph (b)(1) of this section, any other documentary material, including medical reports, which was not submitted to the district director, may be received in evidence subject to the objection of any party, if such evidence is sent to all other parties at least 20 days before a hearing is held in connection with the claim.

(3) Documentary evidence, which is not exchanged with the parties in accordance with this paragraph, may be admitted at the hearing with the written consent of the parties or on the record at the hearing, or upon a showing of good cause why such evidence was not exchanged in accordance with this paragraph. If documentary evidence is not exchanged in accordance with paragraph (b)(2) of this section and the parties do not waive the 20-day requirement or good cause is not shown, the administrative law judge shall either exclude the late evidence from the record or remand the claim to the district director for consideration of such evidence.

(4) A medical report which is not made available to the parties in accordance with paragraph (b)(2) of this section shall not be admitted into evidence in any case unless the hearing record is kept open for at least 30 days after the hearing to permit the parties to take such action as each considers.

§ 725.458 Depositions; interrogatories.

The testimony of any witness or party may be taken by deposition or interrogatory according to the rules of practice of the Federal district court for the judicial district in which the case is pending (or of the U.S. District Court for the District of Columbia if the case is pending in the District or outside the United States), except that at least 30 days prior notice of any deposition shall be given to all parties unless such notice is waived. No post-hearing deposition or interrogatory shall be permitted unless authorized by the administrative law judge upon the motion of a party to the claim. The testimony of any physician which is taken by deposition shall be subject to the limitations on the scope of the testimony contained in § 725.457(d).

§ 725.459 Witness fees.

(a) A witness testifying at a hearing before an administrative law judge, or whose deposition is taken, shall receive the same fees and mileage as witnesses in courts of the United States. If the witness is an expert, he or she shall be entitled to an expert witness fee. Except as provided in paragraphs (b) and (c) of this section, such fees shall be paid by the proponent of the witness.

(b) If the witness’ proponent does not intend to call the witness to appear at a hearing or deposition, any other party may subpoena the witness for cross-examination. The administrative law judge shall authorize the least intrusive and expensive means of cross-examination as he deems appropriate and necessary to the full and true disclosure of facts. If such witness is required to attend the hearing, give a deposition or respond to interrogatories for cross-examination purposes, the proponent of the witness shall pay the witness’ fee. If the claimant is the proponent of the witness whose cross-examination is sought, and demonstrates, within time limits established by the administrative law judge, that he would be deprived of ordinary and necessary living expenses if required to pay the witness fee and mileage necessary to produce that witness for cross-examination, the administrative law judge shall apportion the costs of such cross-examination among the parties to the case. The administrative law judge shall not apportion any costs against the fund in a case in which the district director has designated a responsible operator, except that the fund shall remain liable for any costs associated with the cross-examination of the physician who performed the complete pulmonary evaluation pursuant to § 725.406.

(c) If a claimant is determined entitled to benefits, there may be assessed as costs against a responsible operator, if any, or the fund, fees and mileage for necessary witnesses attending the hearing at the request of the claimant. Both the necessity for the witness and the reasonableness of the fees of any expert witness shall be approved by the administrative law judge. The amounts awarded against a responsible operator or the fund as attorney’s fees, or costs, fees and mileage for witnesses, shall not in any respect affect or diminish benefits payable under the Act.

(d) A claimant shall be considered to be deprived of funds required for ordinary and necessary living expenses for purposes of paragraph (b) of this section where payment of the projected fee and mileage would meet the standards set forth at 20 CFR 404.508.

§ 725.460 Consolidated hearings.

When two or more hearings are to be held, and the same or substantially similar evidence is relevant and material to the matters at issue at each such hearing, the Chief Administrative Law Judge may, upon motion by any party or on his or her own motion, order that a consolidated hearing be conducted. Where consolidated hearings are held, a single record of the proceedings shall be made and the evidence introduced in one claim may be considered as introduced in the others, and a separate or joint decision shall be made, as appropriate.

§ 725.461 Waiver of right to appear and present evidence.

(a) If all parties waive their right to appear before the administrative law judge, it shall not be necessary for the administrative law judge to give notice of, or conduct, an oral hearing. A waiver of the right to appear shall be made
Employment Standards Administration, Labor

§ 725.465

in writing and filed with the Chief Administrative Law Judge or the administrative law judge assigned to hear the case. Such waiver may be withdrawn by a party for good cause shown at any time prior to the mailing of the decision in the claim. Even though all of the parties have filed a waiver of the right to appear, the administrative law judge may, nevertheless, after giving notice of the time and place, conduct a hearing if he or she believes that the personal appearance and testimony of the party or parties would assist in ascertaining the facts in issue in the claim. Where a waiver has been filed by all parties, and they do not appear before the administrative law judge personally or by representative, the administrative law judge shall make a record of the relevant documentary evidence submitted in accordance with this part and any further written stipulations of the parties. Such documents and stipulations shall be considered the evidence of record in the case and the decision shall be based upon such evidence.

(b) Except as provided in §725.456(a), the unexcused failure of any party to attend a hearing shall constitute a waiver of such party's right to present evidence at the hearing, and may result in a dismissal of the claim (see §725.465).

§ 725.462 Withdrawal of controversion of issues set for formal hearing; effect.

A party may, on the record, withdraw his or her controversion of any or all issues set for hearing. If a party withdraws his or her controversion of all issues, the administrative law judge shall remand the case to the district director for the issuance of an appropriate order.

§ 725.463 Issues to be resolved at hearing; new issues.

(a) Except as otherwise provided in this section, the hearing shall be confined to those contested issues which have been identified by the district director (see §725.421) or any other issue raised in writing before the district director.

(b) An administrative law judge may consider a new issue only if such issue was not reasonably ascertainable by the parties at the time the claim was before the district director. Such new issue may be raised upon application of any party, or upon an administrative law judge's own motion, with notice to all parties, at any time after a claim has been transmitted by the district director to the Office of Administrative Law Judges and prior to decision by an administrative law judge. If a new issue is raised, the administrative law judge may, in his or her discretion, either remand the case to the district director with instructions for further proceedings, hear and resolve the new issue, or refuse to consider such new issue.

(c) If a new issue is to be considered by the administrative law judge, a party may, upon request, be granted an appropriate continuance.

§ 725.464 Record of hearing.

All hearings shall be open to the public and shall be mechanically or stenographically reported. All evidence upon which the administrative law judge relies for decision shall be contained in the transcript of testimony, either directly or by appropriate reference. All medical reports, exhibits, and any other pertinent document or record, either in whole or in material part, introduced as evidence, shall be marked for identification and incorporated into the record.

§ 725.465 Dismissals for cause.

(a) The administrative law judge may, at the request of any party, or on his or her own motion, dismiss a claim:

1. Upon the failure of the claimant or his or her representative to attend a hearing without good cause;

2. Upon the failure of the claimant to comply with a lawful order of the administrative law judge;

3. Where there has been a prior final adjudication of the claim or defense to the claim under the provisions of this subchapter and no new evidence is submitted (except as provided in part 727 of this subchapter; see §725.4(d)).

(b) A party who is not a proper party to the claim (see §725.360) shall be dismissed by the administrative law judge. The administrative law judge
§ 725.466 Order of dismissal.

(a) An order dismissing a claim shall be served on the parties in accordance with § 725.478. The dismissal of a claim shall have the same effect as a decision and order disposing of the claim on its merits, except as provided in paragraph (b) of this section. Such order shall advise the parties of their right to request review by the Benefits Review Board.

(b) Where the Chief Administrative Law Judge or the presiding administrative law judge issues a decision and order dismissing the claim after a show cause proceeding, the district director shall terminate any payments being made to the claimant under § 725.522, and the order of dismissal shall, if appropriate, order the claimant to reimburse the fund for all benefits paid to the claimant.

§ 725.475 Termination of hearings.

Hearings are officially terminated when all the evidence has been received, witnesses heard, pleadings and briefs submitted to the administrative law judge, and the transcript of the proceedings has been printed and delivered to the administrative law judge.

§ 725.476 Issuance of decision and order.

Within 20 days after the official termination of the hearing (see § 725.475), the administrative law judge shall issue a decision and order with respect to the claim making an award to the claimant, rejecting the claim, or taking such other action as is appropriate.

§ 725.477 Form and contents of decision and order.

(a) Orders adjudicating claims for benefits shall be designated by the term “decision and order” or “supplemental decision and order” as appropriate, followed by a descriptive phrase designating the particular type of order, such as “award of benefits,” “rejection of claim,” “suspension of benefits,” “modification of award.”

(b) A decision and order shall contain a statement of the basis of the order, the names of the parties, findings of fact, conclusions of law, and an award, rejection or other appropriate paragraph containing the action of the administrative law judge, his or her signature and the date of issuance. A decision and order shall be based upon the record made before the administrative law judge.

§ 725.478 Filing and service of decision and order.

On the date of issuance of a decision and order under § 725.477, the administrative law judge shall serve the decision and order on all parties to the claim by certified mail. On the same date, the original record of the claim shall be sent to the DCMWC in Washington, D.C. Upon receipt by the DCMWC, the decision and order shall be considered to be filed in the office of the district director, and shall become effective on that date.

§ 725.479 Finality of decisions and orders.

(a) A decision and order shall become effective when filed in the office of the district director (see § 725.478), and unless proceedings for suspension or setting aside of such order are instituted within 30 days of such filing, the order shall become final at the expiration of
Employment Standards Administration, Labor § 725.490

the 30th day after such filing (see §725.481).

(b) Any party may, within 30 days after the filing of a decision and order under §725.478, request a reconsideration of such decision and order by the administrative law judge. The procedures to be followed in the reconsideration of a decision and order shall be determined by the administrative law judge.

(c) The time for appeal to the Benefits Review Board shall be suspended during the consideration of a request for reconsideration. After the administrative law judge has issued and filed a denial of the request for reconsideration, or a revised decision and order in accordance with this part, any dissatisfied party shall have 30 days within which to institute proceedings to set aside the decision and order on reconsideration.

(d) Regardless of any defect in service, actual receipt of the decision is sufficient to commence the 30-day period for requesting reconsideration or appealing the decision.

§ 725.480 Modification of decisions and orders.

A party who is dissatisfied with a decision and order which has become final in accordance with §725.479 may request a modification of the decision and order if the conditions set forth in §725.310 are met.

§ 725.481 Right to appeal to the Benefits Review Board.

Any party dissatisfied with a decision and order issued by an administrative law judge may, before the decision and order becomes final (see §725.479), appeal the decision and order to the Benefits Review Board. A notice of appeal shall be filed with the Board. Proceedings before the Board shall be conducted in accordance with part 802 of this title.

§ 725.482 Judicial review.

(a) Any person adversely affected or aggrieved by a final order of the Benefits Review Board may obtain a review of that order in the U.S. court of appeals for the circuit in which the injury occurred by filing in such court within 60 days following the issuance of such Board order a written petition praying that the order be modified or set aside. The payment of the amounts required by an award shall not be stayed pending final decision in any such proceeding unless ordered by the court. No stay shall be issued unless the court finds that irreparable injury would otherwise ensue to an operator or carrier.

(b) The Director, Office of Workers’ Compensation Program, as designee of the Secretary of Labor responsible for the administration and enforcement of the Act, shall be considered the proper party to appear and present argument on behalf of the Secretary of Labor in all review proceedings conducted pursuant to this part and the Act, either as petitioner or respondent.

§ 725.483 Costs in proceedings brought without reasonable grounds.

If a United States court having jurisdiction of proceedings regarding any claim or final decision and order, determines that the proceedings have been instituted or continued before such court without reasonable ground, the costs of such proceedings shall be assessed against the party who has so instituted or continued such proceedings.

Subpart G—Responsible Coal Mine Operators

§ 725.490 Statutory provisions and scope.

(a) One of the major purposes of the black lung benefits amendments of 1977 was to provide a more effective means of transferring the responsibility for the payment of benefits from the Federal government to the coal industry with respect to claims filed under this part. In furtherance of this goal, a Black Lung Disability Trust Fund financed by the coal industry was established by the Black Lung Benefits Revenue Act of 1977. The primary purpose of the Fund is to pay benefits with respect to all claims in which the last coal mine employment of the miner on whose account the claim was filed occurred before January 1, 1970. With respect to most claims in which the miner’s last coal mine employment occurred after January 1, 1970, individual
coal mine operators will be liable for the payment of benefits. The 1981 amendments to the Act relieved individual coal mine operators from the liability for payment of certain special claims involving coal mine employment on or after January 1, 1970, where the claim was previously denied and subsequently approved under section 435 of the Act. See §725.496 for a detailed description of these special claims. Where no such operator exists or the operator determined to be liable is in default in any case, the fund shall pay the benefits due and seek reimbursement as is appropriate. See also §725.420 for the fund’s role in the payment of interim benefits in certain contested cases. In addition, the Black Lung Benefits Reform Act of 1977 amended certain provisions affecting the scope of coverage under the Act and describing the effects of particular corporate transactions on the liability of operators.

§725.491 Operator defined.

(a) For purposes of this part, the term “operator” shall include:

(1) Any owner, lessee, or other person who operates, controls, or supervises a coal mine, or any independent contractor performing services or construction at such mine; or

(2) Any other person who:

(i) Employs an individual in the transportation of coal or in coal mine construction in or around a coal mine, to the extent such individual was exposed to coal mine dust as a result of such employment (see §725.202); 

(ii) In accordance with the provisions of §725.492, may be considered a successor operator; or

(iii) Paid wages or a salary, or provided other benefits, to an individual in exchange for work as a miner (see §725.202).

(b) The terms “owner,” “lessee,” and “person” shall include any individual, partnership, association, corporation, firm, subsidiary of a corporation, or other organization, as appropriate, except that an officer of a corporation shall not be considered an “operator” for purposes of this part. Following the issuance of an order awarding benefits against a corporation that has not secured its liability for benefits in accordance with section 423 of the Act and §726.4, such order may be enforced against the president, secretary, or treasurer of the corporation in accordance with subpart I of this part.

(c) The term “independent contractor” shall include any person who contracts to perform services. Such contractor’s status as an operator shall not be contingent upon the amount or percentage of its work or business related to activities in or around a mine, nor upon the number or percentage of its employees engaged in such activities.

(d) For the purposes of determining whether a person is or was an operator that may be found liable for the payment of benefits under this part, there shall be a rebuttable presumption that during the course of an individual’s employment with such employer, such individual was regularly and continuously exposed to coal mine dust during the course of employment. The presumption may be rebutted by a showing that the employee was not exposed to coal mine dust for significant periods during such employment.

(e) The operation, control, or supervision referred to in paragraph (a)(1) of this section may be exercised directly or indirectly. Thus, for example, where a coal mine is leased, and the lease empowers the lessor to make decisions with respect to the terms and conditions under which coal is to be extracted or prepared, such as, but not limited to, the manner of extraction or preparation or the amount of coal to be produced, the lessor may be considered an operator. Similarly, any parent entity or other controlling business entity may be considered an operator for purposes of this part, regardless of the nature of its business activities.

(f) Neither the United States, nor any State, nor any instrumentality or agency of the United States or any State, shall be considered an operator.
§ 725.492 Successor operator defined.
(a) Any person who, on or after January 1, 1970, acquired a mine or mines, or substantially all of the assets thereof, from a prior operator, or acquired the coal mining business of such prior operator, or substantially all of the assets thereof, shall be considered a “successor operator” with respect to any miners previously employed by such prior operator.
(b) The following transactions shall also be deemed to create successor operator liability:
(1) If an operator ceases to exist by reason of a reorganization which involves a change in identity, form, or place of business or organization, however effected;
(2) If an operator ceases to exist by reason of a liquidation into a parent or successor corporation; or
(3) If an operator ceases to exist by reason of a sale of substantially all its assets, or as a result of merger, consolidation, or division.
(c) In any case in which a transaction specified in paragraph (b), or substantially similar to a transaction specified in paragraph (b), took place, the resulting entity shall be considered a “successor operator” with respect to any miners previously employed by such prior operator.
(d) This section shall not be construed to relieve a prior operator of any liability if such prior operator does not meet the criteria for a potentially liable operator set forth in § 725.494, the next most recent successor operator shall be liable.
(e) An “acquisition,” for purposes of this section, shall include any transaction by which title to the mine or mines, or substantially all of the assets thereof, or the right to extract or prepare coal at such mine or mines, becomes vested in a person other than the prior operator.

§ 725.493 Employment relationship defined.
(a)(1) In determining the identity of a responsible operator under this part, the terms “employ” and “employment” shall be construed as broadly as possible, and shall include any relationship under which an operator retains the right to direct, control, or supervise the work performed by a miner, or any other relationship under which an operator derives a benefit from the work performed by a miner. Any individuals who participate with one or more persons in the mining of coal, such as owners, proprietors, partners, and joint venturers, whether they are compensated by wages, salaries, piece rates, shares, profits, or by any other means, shall be deemed employees. It is the specific intention of this paragraph to disregard any financial arrangement or business entity devised by the actual owners or operators of a coal mine or coal mine-related enterprise to avoid the payment of benefits to miners who, based upon the economic reality of their relationship to this enterprise, are, in fact, employees of the enterprise.
§ 725.494 Potentially liable operators.

An operator may be considered a “potentially liable operator” with respect to a claim for benefits under this part...
Employment Standards Administration, Labor

§ 725.495 Criteria for determining a responsible operator.

(a)(1) The operator responsible for the payment of benefits in a claim adjudicated under this part (the “responsible operator”) shall be the potentially liable operator that most recently employed the miner.

(b) The operator, or any person with respect to which the operator may be considered a successor operator, was an operator for any period after June 30, 1973.

(c) The miner was employed by the operator, or any person with respect to which the operator may be considered a successor operator, for a cumulative period of not less than one year (§725.101(a)(32)).

(d) The miner’s employment with the operator, or any person with respect to which the operator may be considered a successor operator, included at least one working day (§725.101(a)(32)) after December 31, 1969.

(e) The operator is capable of assuming its liability for the payment of continuing benefits under this part. An operator will be deemed capable of assuming its liability for a claim if one of the following three conditions is met:

(1) The operator obtained a policy or contract of insurance under section 423 of the Act and part 726 of this subchapter that covers the claim, except that such policy shall not be considered sufficient to establish the operator’s capability of assuming liability if the insurance company has been declared insolvent and its obligations for the claim are not otherwise guaranteed;

(2) The operator qualified as a self-insurer under section 423 of the Act and part 726 of this subchapter during the period in which the miner was last employed by the operator, provided that the operator still qualifies as a self-insurer or the security given by the operator pursuant to §726.104(b) is sufficient to secure the payment of benefits in the event the claim is awarded; or

(3) The operator possesses sufficient assets to secure the payment of benefits in the event the claim is awarded in accordance with §725.606.

§ 725.495 Criteria for determining a responsible operator.

(a)(1) The operator responsible for the payment of benefits in a claim adjudicated under this part (the “responsible operator”) shall be the potentially liable operator that most recently employed the miner.

(b) The operator, or any person with respect to which the operator may be considered a successor operator, was an operator for any period after June 30, 1973.

(c) The miner was employed by the operator, or any person with respect to which the operator may be considered a successor operator, for a cumulative period of not less than one year (§725.101(a)(32)).

(d) The miner’s employment with the operator, or any person with respect to which the operator may be considered a successor operator, included at least one working day (§725.101(a)(32)) after December 31, 1969.

(e) The operator is capable of assuming its liability for the payment of continuing benefits under this part. An operator will be deemed capable of assuming its liability for a claim if one of the following three conditions is met:

(1) The operator obtained a policy or contract of insurance under section 423 of the Act and part 726 of this subchapter that covers the claim, except that such policy shall not be considered sufficient to establish the operator’s capability of assuming liability if the insurance company has been declared insolvent and its obligations for the claim are not otherwise guaranteed;

(2) The operator qualified as a self-insurer under section 423 of the Act and part 726 of this subchapter during the period in which the miner was last employed by the operator, provided that the operator still qualifies as a self-insurer or the security given by the operator pursuant to §726.104(b) is sufficient to secure the payment of benefits in the event the claim is awarded; or

(3) The operator possesses sufficient assets to secure the payment of benefits in the event the claim is awarded in accordance with §725.606.

§ 725.495 Criteria for determining a responsible operator.

(a)(1) The operator responsible for the payment of benefits in a claim adjudicated under this part (the “responsible operator”) shall be the potentially liable operator that most recently employed the miner.

(b) The operator, or any person with respect to which the operator may be considered a successor operator, was an operator for any period after June 30, 1973.

(c) The miner was employed by the operator, or any person with respect to which the operator may be considered a successor operator, for a cumulative period of not less than one year (§725.101(a)(32)).

(d) The miner’s employment with the operator, or any person with respect to which the operator may be considered a successor operator, included at least one working day (§725.101(a)(32)) after December 31, 1969.

(e) The operator is capable of assuming its liability for the payment of continuing benefits under this part. An operator will be deemed capable of assuming its liability for a claim if one of the following three conditions is met:

(1) The operator obtained a policy or contract of insurance under section 423 of the Act and part 726 of this subchapter that covers the claim, except that such policy shall not be considered sufficient to establish the operator’s capability of assuming liability if the insurance company has been declared insolvent and its obligations for the claim are not otherwise guaranteed;

(2) The operator qualified as a self-insurer under section 423 of the Act and part 726 of this subchapter during the period in which the miner was last employed by the operator, provided that the operator still qualifies as a self-insurer or the security given by the operator pursuant to §726.104(b) is sufficient to secure the payment of benefits in the event the claim is awarded; or

(3) The operator possesses sufficient assets to secure the payment of benefits in the event the claim is awarded in accordance with §725.606.
§ 725.496 Special claims transferred to the fund.

(a) The 1981 amendments to the Act amended section 422 of the Act and transferred liability for payment of certain special claims from operators and carriers to the fund. These provisions apply to claims which were denied before March 1, 1978, and which have been or will be approved in accordance with section 435 of the Act.

(b) Section 402(i) of the Act defines three classes of denied claims subject to the transfer provisions:

(1) Claims filed with and denied by the Social Security Administration before March 1, 1978;
(2) Claims filed with the Department of Labor in which the claimant was notified by the Department of an administrative or informal denial before March 1, 1977, and in which the claimant did not within one year of such notification either:
   (i) Request a hearing; or
   (ii) Present additional evidence; or
   (iii) Indicate an intention to present additional evidence; or
   (iv) Request a modification or reconsideration of the denial on the ground of a change in conditions or because of a mistake in a determination of fact;

(3) Claims filed with the Department of Labor and denied under the law in effect prior to the enactment of the Black Lung Benefits Reform Act of 1977, that is, before March 1, 1978, following a formal hearing before an administrative law judge or administrative review before the Benefits Review Board or review before a United States Court of Appeals.

(c) Where more than one claim was filed with the Social Security Administration and/or the Department of Labor prior to March 1, 1978, by or on behalf of a miner or a surviving dependent of a miner, unless such claims were required to be merged by the agency’s regulations, the procedural history of each such claim must be considered separately to determine whether the claim is subject to the transfer of liability provisions.

(d) For a claim filed with and denied by the Social Security Administration prior to March 1, 1978, to come within the transfer provisions, such claim must have been or must be approved under the provisions of section 435 of the Act. No claim filed with and denied by the Social Security Administration is subject to the transfer of liability provisions unless a request was made by or on behalf of the claimant for review of such denied claim under section 435. Such review must have been requested by the filing of a valid election card or other equivalent document with the Social Security Administration in accordance with section 435(a) and its implementing regulations at 20 CFR 410.700 through 410.707.

(e) Where a claim filed with the Department of Labor prior to March 1, 1977, was subjected to repeated administrative or informal denials, the last such denial issued during the pendency of the claim determines whether the claim is subject to the transfer of liability provisions.

(f) Where a miner’s claim comes within the transfer of liability provisions of the 1981 amendments the fund is also liable for the payment of any benefits to which the miner’s dependent survivors are entitled after the miner’s death. However, if the survivor’s entitlement was established on a separate claim not subject to the transfer of liability provisions prior to approval of the miner’s claim under section 435, the party responsible for the payment of such survivors’ benefits shall not be relieved of that responsibility because the miner’s claim was ultimately approved and found subject to the transfer of liability provisions.

§ 725.497 Procedures in special claims transferred to the fund.

(a) General. It is the purpose of this section to define procedures to expedite the handling and disposition of claims affected by the benefit liability transfer provisions of Section 205 of the Black Lung Benefits Amendments of 1981.

(b) Action by the Department. The OWCP shall, in accordance with the criteria contained in §725.496, review each claim which is or may be affected by the provisions of Section 205 of the Black Lung Benefits Amendments of 1981. Any party to a claim, adjudication officer, or adjudicative body may request that such a review be conducted and that the record be supplemented with any additional documentation necessary for an informed consideration of the transferability of the claim. Where the issue of the transferability of the claim can not be resolved by agreement of the parties and the evidence of record is not sufficient for a resolution of the issue, the hearing record may be reopened or the case remanded for the development of the additional evidence concerning the procedural history of the claim necessary to such resolution. Such determinations shall be made on an expedited basis.
§ 725.501

(c) Dismissal of operators. If it is determined that a coal mine operator or insurance carrier which previously participated in the consideration or adjudication of any claim, may no longer be found liable for the payment of benefits to the claimant by reason of section 205 of the Black Lung Benefits Amendments of 1981, such operator or carrier shall be promptly dismissed as a party to the claim. The dismissal of an operator or carrier shall be concluded at the earliest possible time and in no event shall an operator or carrier participate as a necessary party in any claim for which only the fund may be liable.

(d) Procedure following dismissal of an operator. After it has been determined that an operator or carrier must be dismissed as a party in any claim in accordance with this section, the Director shall take such action as is authorized by the Act to bring about the proper and expeditious resolution of the claim in light of all relevant medical and other evidence. Action to be taken in this regard by the Director may include, but is not limited to, the assignment of the claim to the Black Lung Disability Trust Fund for the payment of benefits, the reimbursement of benefits previously paid by an operator or carrier if appropriate, the defense of the claim on behalf of the fund, or proceedings authorized by § 725.310.

(e) Any claimant whose claim has been subsequently denied in a modification proceeding will be entitled to expedited review of the modification decision. Where a formal hearing was previously held, the claimant may waive his right to a further hearing and ask that a decision be made on the record of the prior hearing, as supplemented by any additional documentary evidence which the parties wish to introduce and briefs of the parties, if desired. In any case in which the claimant waives his right to a second hearing, a decision and order must be issued within 30 days of the date upon which the parties agree the record has been completed.

Subpart H—Payment of Benefits

GENERAL PROVISIONS

§ 725.501 Payment provisions generally.

The provisions of this subpart govern the payment of benefits to claimants whose claims are approved for payment under section 415 and part C of title IV of the Act or approved after review under section 435 of the Act and part 727 of this subchapter (see § 725.4(d)).

§ 725.502 When benefit payments are due; manner of payment.

(a)(1) Except with respect to benefits paid by the fund pursuant to an initial determination issued in accordance with § 725.418 (see § 725.522), benefits under the Act shall be paid when they become due. Benefits shall be considered due after the issuance of an effective order requiring the payment of benefits by a district director, administrative law judge, Benefits Review Board, or court, notwithstanding the pendency of a motion for reconsideration before an administrative law judge or an appeal to the Board or court, except that benefits shall not be considered due where the payment of such benefits has been stayed by the Benefits Review Board or appropriate court. An effective order shall remain in effect unless it is vacated by an administrative law judge on reconsideration or, upon review under section 21 of the LHWCA, by the Benefits Review Board or an appropriate court, or is superseded by an effective order issued pursuant to § 725.310.

(2) A proposed order issued by a district director pursuant to § 725.418 becomes effective at the expiration of the thirtieth day thereafter if no party timely requests revision of the proposed decision and order or a hearing (see § 725.419). An order issued by an administrative law judge becomes effective when it is filed in the office of the district director (see § 725.479). An order issued by the Benefits Review Board shall become effective when it is issued. An order issued by a court shall become effective in accordance with the rules of the court.
(b)(1) While an effective order requiring the payment of benefits remains in effect, monthly benefits, at the rates set forth in §725.520, shall be due on the fifteenth day of the month following the month for which the benefits are payable. For example, benefits payable for the month of January shall be due on the fifteenth day of February.

(2) Within 30 days after the issuance of an effective order requiring the payment of benefits, the district director shall compute the amount of benefits payable for periods prior to the effective date of the order, in addition to any interest payable for such periods (see §725.608), and shall so notify the parties. Any computation made by the district director under this paragraph shall strictly observe the terms of the order. Benefits and interest payable for such periods shall be due on the thirtieth day following issuance of the district director’s computation. A copy of the current table of applicable interest rates shall be attached to the computation.

(c) Benefits are payable for monthly periods and shall be paid directly to an eligible claimant or his or her representative payee (see §725.510) beginning with the month during which eligibility begins. Benefit payments shall terminate with the month before the month during which eligibility terminates. If a claimant dies in the first month during which all requirements for eligibility are met, benefits shall be paid for that month.

§725.503 Date from which benefits are payable.

(a) In accordance with the provisions of section 6(a) of the Longshore Act as incorporated by section 422(a) of the Act, and except as provided in §725.504, the provisions of this section shall be applicable in determining the date from which benefits are payable to an eligible claimant for any claim filed after March 31, 1980. Except as provided in paragraph (d) of this section, the date from which benefits are payable for any claim approved under part 727 shall be determined in accordance with §727.302 (see §725.4(d)).

(b) Miner’s claim. Benefits are payable to a miner who is entitled beginning with the month of onset of total disability due to pneumoconiosis arising out of coal mine employment. Where the evidence does not establish the month of onset, benefits shall be payable to such miner beginning with the month during which the claim was filed. In the case of a miner who filed a claim before January 1, 1982, benefits shall be payable to the miner’s eligible survivor (if any) beginning with the month in which the miner died.

(c) Survivor’s claim. Benefits are payable to a survivor who is entitled beginning with the month of the miner’s death, or January 1, 1974, whichever is later.

(d) If a claim is awarded pursuant to section 22 of the Longshore Act and §725.310, then the date from which benefits are payable shall be determined as follows:

(1) Mistake in fact. The provisions of paragraphs (b) or (c) of this section, as applicable, shall govern the determination of the date from which benefits are payable.

(2) Change in conditions. Benefits are payable to a miner beginning with the month of onset of total disability due to pneumoconiosis arising out of coal mine employment, provided that no benefits shall be payable for any month prior to the effective date of the most recent denial of the claim by a district director or administrative law judge. Where the evidence does not establish the month of onset, benefits shall be payable to such miner from the month in which the claimant requested modification.

(e) In the case of a claim filed between July 1, 1973, and December 31, 1973, benefits shall be payable as provided by this section, except to the extent prohibited by §727.303 (see §725.4(d)).

(f) No benefits shall be payable with respect to a claim filed after December 31, 1973 (a part C claim), for any period of eligibility occurring before January 1, 1974.

(g) Each decision and order awarding benefits shall indicate the month from which benefits are payable to the eligible claimant.
§ 725.504 Payments to a claimant employed as a miner.

(a) In the case of a claimant who is employed as a miner (see §725.202) at the time of a final determination of such miner’s eligibility for benefits, no benefits shall be payable unless:

(1) The miner’s eligibility is established under section 411(c)(3) of the Act; or

(2) the miner terminates his or her coal mine employment within 1 year from the date of the final determination of the claim.

(b) If the eligibility of a working miner is established under section 411(c)(3) of the Act, benefits shall be payable as is otherwise provided in this part. If eligibility cannot be established under section 411(c)(3), and the miner continues to be employed as a miner in any capacity for a period of less than 1 year after a final determination of the claim, benefits shall be payable beginning with the month during which the miner ends his or her coal mine employment. If the miner’s employment continues for more than 1 year after a final determination of eligibility, such determination shall be considered a denial of benefits on the basis of the miner’s continued employment, and the miner may seek benefits only as provided in §725.310, if applicable, or by filing a new claim under this part. The provisions of Subparts E and F of this part shall be applicable to claims considered under this section as is appropriate.

(c) In any case where the miner returns to coal mine or comparable and gainful work, the payments to such miner shall be suspended and no benefits shall be payable (except as provided in section 411(c)(3) of the Act) for the period during which the miner continues to work. If the miner again terminates employment, the district director may require the miner to submit to further medical examination before authorizing the payment of benefits.

§ 725.505 Payees.

Benefits may be paid, as appropriate, to a beneficiary, to a qualified dependent, or to a representative authorized under this subpart to receive payments on behalf of such beneficiary or dependent.

§ 725.506 Payment on behalf of another; “legal guardian” defined.

Benefits are paid only to the beneficiary, his or her representative payee (see §725.510) or his or her legal guardian. As used in this section, “legal guardian” means an individual who has been appointed by a court of competent jurisdiction or otherwise appointed pursuant to law to assume control of and responsibility for the care of the beneficiary, the management of his or her estate, or both.

§ 725.507 Guardian for minor or incompetent.

An adjudication officer may require that a legal guardian or representative be appointed to receive benefit payments payable to any person who is mentally incompetent or a minor and to exercise the powers granted to, or to perform the duties otherwise required of such person under the Act.

§ 725.510 Representative payee.

(a) If the district director determines that the best interests of a beneficiary are served thereby, the district director may certify the payment of such beneficiary’s benefits to a representative payee.

(b) Before any amount shall be certified for payment to any representative payee for or on behalf of a beneficiary, such representative payee shall submit to the district director such evidence as may be required of his or her relationship to, or his or her responsibility for the care of, the beneficiary on whose behalf payment is to be made, or of his or her authority to receive such a payment. The district director may, at any time thereafter, require evidence of the continued existence of such relationship, responsibility, or authority. If a person requesting representative payee status fails to submit the required evidence within a reasonable period of time after it is requested, no further payments shall be certified to him or her on behalf of the beneficiary unless the required evidence is thereafter submitted.

(c) All benefit payments made to a representative payee shall be available only for the use and benefit of the beneficiary, as defined in §725.511.
§ 725.511 Use and benefit defined.

(a) Payments certified to a representative payee shall be considered as having been applied for the use and benefit of the beneficiary when they are used for the beneficiary’s current maintenance—i.e., to replace current income lost because of the disability of the beneficiary. Where a beneficiary is receiving care in an institution, current maintenance shall include the customary charges made by the institution and charges made for the current and foreseeable needs of the beneficiary which are not met by the institution.

(b) Payments certified to a representative payee which are not needed for the current maintenance of the beneficiary, except as they may be used under §725.512, shall be conserved or invested on the beneficiary’s behalf. Preferred investments are U.S. savings bonds which shall be purchased in accordance with applicable regulations of the U.S. Treasury Department (31 CFR part 315). Surplus funds may also be invested in accordance with the rules applicable to investment of trust estates by trustees. For example, surplus funds may be deposited in an interest or dividend bearing account in a bank or trust company or in a savings and loan association if the account is either federally insured or is otherwise insured in accordance with State law requirements. Surplus funds deposited in an interest or dividend bearing account in a bank or trust company or in a savings and loan association must be in a form of account which clearly shows that the representative payee has only a fiduciary, and not a personal, interest in the funds. The preferred forms of such accounts are as follows:

Name of beneficiary
by (Name of representative payee) representative payee,
or (Name of beneficiary)
by (Name of representative payee) trustee.

U.S. savings bonds purchased with surplus funds by a representative payee for an incapacitated adult beneficiary should be registered as follows: (Name of beneficiary) (Social Security No.), for whom (Name of payee) is representative payee for black lung benefits.

§ 725.512 Support of legally dependent spouse, child, or parent.

If current maintenance needs of a beneficiary are being reasonably met, a relative or other person to whom payments are certified as representative payee on behalf of the beneficiary may use part of the payments so certified for the support of the legally dependent spouse, a legally dependent child, or a legally dependent parent of the beneficiary.

§ 725.513 Accountability; transfer.

(a) The district director may require a representative payee to submit periodic reports including a full accounting of the use of all benefit payments certified to a representative payee. If a requested report or accounting is not submitted within the time allowed, the district director shall terminate the certification of the representative payee and thereafter payments shall be made directly to the beneficiary. A certification which is terminated under this section may be reinstated for good cause, provided that all required reports are supplied to the district director.

(b) A representative payee who has conserved or invested funds from payments under this part shall, upon the direction of the district director, transfer any such funds (including interest) to a successor payee appointed by the district director or, at the option of the district director, shall transfer such funds to the Office for recertification to a successor payee or the beneficiary.

§ 725.514 Certification to dependent of augmentation portion of benefit.

(a) If the basic benefit of a miner or of a surviving spouse is augmented because of one or more dependents, and it appears to the district director that the best interests of such dependent would be served thereby, or that the augmented benefit is not being used for the use and benefit (as defined in this subpart) of the augmentee, the district director may certify payment of the amount of such augmentation (to the extent attributable to such dependent) to such dependent directly, or to a legal guardian or a representative payee for the use and benefit of such dependent.
§ 725.515 Assignment and exemption from claims of creditors.

(a) Except as provided by the Act and this part, no assignment, release, or commutation of benefits due or payable under this part by a responsible operator shall be valid, and all benefits shall be exempt from claims of creditors and from levy, execution, and attachment or other remedy or recovery or collection of a debt, which exemption may not be waived.

(b) Notwithstanding any other provision of law, benefits due from, or payable by, the Black Lung Disability Trust Fund under the Act and this part to a claimant shall be subject to legal process brought for the enforcement against the claimant of his or her legal obligations to provide child support or make alimony payments to the same extent as if the fund was a private person.

Benefit Rates

§ 725.520 Computation of benefits.

(a) Basic rate. The amount of benefits payable to a beneficiary for a month is determined, in the first instance, by computing the “basic rate.” The basic rate is equal to 37½ percent of the monthly pay rate for Federal employees in GS–2, step 1. That rate for a month is determined by:

(1) Ascertain the lowest annual rate of pay (step 1) for Grade GS–2 of the General Schedule applicable to such month (see 5 U.S.C. 5332):

(2) Ascertain the monthly rate thereof by dividing the amount determined in paragraph (a)(1) of this section by 12; and

(3) Ascertain the basic rate under the Act by multiplying the amount determined in paragraph (a)(2) of this section by 0.375 (that is, by 37½ percent).

(b) Basic benefit. When a miner or surviving spouse is entitled to benefits for a month for which he or she has no dependents who qualify under this part and when a surviving child of a miner or spouse, or a parent, brother, or sister of a miner, is entitled to benefits for a month for which he or she is the only beneficiary entitled to benefits, the amount of benefits to which such beneficiary is entitled is equal to the basic rate as computed in accordance with this section (raised, if not a multiple of 10 cents, to the next high multiple of 10 cents). This amount is referred to as the “basic benefit.”

(c) Augmented benefit. (1) When a miner or surviving spouse is entitled to benefits for a month for which he or she has one or more dependents who qualify under this part, the amount of benefits to which such miner or surviving spouse is entitled is increased. This increase is referred to as an “augmentation.”

(2) The benefits of a miner or surviving spouse are augmented to take account of a particular dependent beginning with the first month in which such dependent satisfies the conditions set forth in this part, and continues to be augmented through the month before the month in which such dependent ceases to satisfy the conditions set forth in this part, except in the case of a child who qualifies as a dependent because he or she is a student. In the latter case, such benefits continue to be augmented through the month before the first month during no part of which he or she qualifies as a student.

(3) The basic rate is augmented by 50 percent for one such dependent, 75 percent for two such dependents, and 100 percent for three or more such dependents.

(d) Survivor benefits. As used in this section, “survivor” means a surviving child of a miner or surviving spouse.
Employment Standards Administration, Labor

§ 725.521 Commutation of payments; lump sum awards.

(a) Whenever the district director determines that it is in the interest of justice, the liability for benefits or any part thereof as determined by a final adjudication, may, with the approval of the Director, be discharged by the payment of a lump sum equal to the present value of future benefit payments commuted, computed at 4 percent true discount compounded annually.

(b) Applications for commutation of future payments of benefits shall be made to the district director in the manner prescribed by the district director. If the district director determines that an award of a lump sum payment of such benefits would be in the interest of justice, he or she shall refer such application, together with the reasons in support of such determination, to the Director for consideration.

(c) The Director shall, in his or her discretion, grant or deny the application for commutation of payments. Such decision may be appealed to the Benefits Review Board.

(d) The computation of all commutations of such benefits shall be made by the OWCP. For this purpose the file shall contain the date of birth of the person on whose behalf commutation is sought, as well as the date upon which such commutation shall be effective.

(e) For purposes of determining the amount of any lump sum award, the probability of the death of the disabled miner and/or other persons entitled to benefits before the expiration of the period during which he or she is entitled to benefits, shall be determined in accordance with the most current United States Life Tables, as developed by the Department of Health, Education, and Welfare, and the probability of the remarriage of a surviving spouse shall be determined in accordance with the remarriage tables of the Dutch Royal Insurance Institution. The probability of the happening of any other contingency affecting the amount or duration of the compensation shall be disregarded.

(f) In the event that an operator or carrier is adjudicated liable for the payment of benefits, such operator or carrier shall be notified of and given an opportunity to participate in the proceedings to determine whether a lump sum award shall be made. Such operator or carrier shall, in the event a lump sum award is made, tender full and prompt payment of such award to the claimant as though such award were a final payment of monthly benefits. Except as provided in paragraph (g) of this section, such lump sum award shall forever discharge such operator or carrier from its responsibility to make monthly benefit payments under the Act to the person who has requested such lump-sum award. In the event that an operator or carrier is adjudicated liable for the payment of benefits, such operator or carrier shall not be liable for any portion of a commuted or lump sum award predicated on.
§ 725.522 Payments prior to final adjudication.

(a) If an operator or carrier fails or refuses to commence the payment of benefits within 30 days of issuance of an initial determination of eligibility by the district director (see §725.420), or fails or refuses to commence the payment of any benefits due pursuant to an effective order by a district director, administrative law judge, Benefits Review Board, or court, the fund shall commence the payment of such benefits and shall continue such payments as appropriate. In the event that the fund undertakes the payment of benefits on behalf of an operator or carrier, the provisions of §§725.601 through 725.609 shall be applicable to such operator or carrier.

(b) If benefit payments are commenced prior to the final adjudication of the claim and it is later determined by an administrative law judge, the Board, or court that the claimant was ineligible to receive such payments, such payments shall be considered overpayments pursuant to §725.540 and may be recovered in accordance with the provisions of this subpart.

SPECIAL PROVISIONS FOR OPERATOR PAYMENTS

§ 725.530 Operator payments; generally.

(a) Benefits payable by an operator or carrier pursuant to an effective order issued by a district director, administrative law judge, Benefits Review Board, or court, or by an operator that has agreed that it is liable for the payment of benefits to a claimant, shall be paid by the operator or carrier immediately when they become due (see §725.502(b)). An operator that fails to pay any benefits that are due, with interest, shall be considered in default with respect to those benefits, and the provisions of §725.605 of this part shall be applicable. In addition, a claimant who does not receive any benefits within 10 days of the date they become due is entitled to additional compensation equal to twenty percent of those benefits (see §725.607). Arrangements for the payment of medical costs shall be made by such operator or carrier in accordance with the provisions of subpart J of this part.

(b) Benefit payments made by an operator or carrier shall be made directly to the person entitled thereto or a representative payee if authorized by the district director. The payment of a claimant’s attorney’s fee, if any is awarded, shall be made directly to such attorney. Reimbursement of the fund, including interest, shall be paid directly to the Secretary on behalf of the fund.

§ 725.531 Receipt for payment.

Any individual receiving benefits under the Act in his or her own right, or as a representative payee, or as the duly appointed agent for the estate of a deceased beneficiary, shall execute receipts for benefits paid by any operator which shall be produced by such operator for inspection whenever the district director requires. A canceled check shall be considered adequate receipt of payment for purposes of this section. No operator or carrier shall be required to retain receipts for payments made for more than 5 years after the date on which such receipt was executed.

§ 725.532 Suspension, reduction, or termination of payments.

(a) No suspension, reduction, or termination in the payment of benefits is permitted unless authorized by the district director, administrative law judge, Board, or court. No suspension, reduction, or termination shall be authorized except upon the occurrence of an event which terminates a claimant’s eligibility for benefits (see subpart B of this part) or as is otherwise provided in subpart C of this part, §§725.306 and 725.310, or this subpart (see also §§725.533 through 725.546).

(b) Any unauthorized suspension in the payment of benefits by an operator
or carrier shall be treated as provided in subpart I.

(c) Unless suspension, reduction, or termination of benefits payments is required by an administrative law judge, the Benefits Review Board or a court, the district director, after receiving notification of the occurrence of an event that would require the suspension, reduction, or termination of benefits, shall follow the procedures for the determination of claims set forth in subparts E and F.

INCREASES AND REDUCTIONS OF BENEFITS

§725.533 Modification of benefits amounts; general.

(a) Under certain circumstances, the amount of monthly benefits as computed in §725.520 or lump-sum award (§725.521) shall be modified to determine the amount actually to be paid to a beneficiary. With respect to any benefits payable for all periods of eligibility after January 1, 1974, a reduction of the amount of benefits payable shall be required on account of:

1. Any compensation or benefits received under any State workers' compensation law because of death or partial or total disability due to pneumoconiosis; or

2. Any compensation or benefits received under or pursuant to any Federal law including part B of title IV of the Act because of death or partial or total disability due to pneumoconiosis; or

3. In the case of benefits to a parent, brother, or sister as a result of a claim filed at any time or benefits payable on a miner's claim which was filed on or after January 1, 1982, the excess earnings from wages and from net earnings from self-employment (see §410.530 of this title) of such parent, brother, sister, or miner, respectively; or

4. The fact that a claim for benefits from an additional beneficiary is filed, or that such claim is effective for a payment during the month of filing, or that a dependent qualifies under this part for an augmentation portion of a benefit of a miner or widow for a period in which another dependent has previously qualified for an augmentation.

(b) An adjustment in a beneficiary’s monthly benefit may be required because an overpayment or underpayment has been made to such beneficiary (see §§725.540–725.546).

(c) A suspension of a beneficiary’s monthly benefits may be required when the Office has information indicating that reductions on account of excess earnings may reasonably be expected.

(d) Monthly benefit rates are payable in multiples of 10 cents. Any monthly benefit rate which, after the applicable computations, augmentations, and reductions is not a multiple of 10 cents, is increased to the next higher multiple of 10 cents. Since a fraction of a cent is not a multiple of 10 cents, a benefit rate which contains such a fraction in the third decimal is raised to the next higher multiple of 10 cents.

(e) Any individual entitled to a benefit, who is aware of any circumstances which could affect entitlement to benefits, eligibility for payment, or the amount of benefits, or result in the termination, suspension, or reduction of benefits, shall promptly report these circumstances to the Office. The Office may at any time require an individual receiving, or claiming entitlement to, benefits, either on his or her own behalf or on behalf of another, to submit a written statement giving pertinent information bearing upon the issue of whether or not an event has occurred which would cause such benefit to be terminated, or which would subject such benefit to reductions or suspension under the provisions of the Act. The failure of an individual to submit any such report or statement, properly executed, to the Office shall subject such benefit to reductions, suspension, or termination as the case may be.

§725.534 Reduction of State benefits.

No benefits under section 415 of part B of title IV of the Act shall be payable to the residents of a State which, after December 31, 1969, reduces the benefits payable to persons eligible to receive benefits under section 415 of the Act under State laws applicable to its general work force with regard to workers’ compensation (including compensation for occupational disease), unemployment compensation, or disability insurance benefits which are funded in
§ 725.535 Reductions; receipt of State or Federal benefit.

(a) As used in this section the term “State or Federal benefit” means a payment to an individual on account of total or partial disability or death due to pneumoconiosis only under State or Federal laws relating to workers' compensation. With respect to a claim for which benefits are payable for any month between July 1 and December 31, 1973, “State benefit” means a payment to a beneficiary made on account of disability or death due to pneumoconiosis under State laws relating to workers’ compensation (including compensation for occupational disease), unemployment compensation, or disability insurance.

(b) Benefit payments to a beneficiary for any month are reduced (but not below zero) by an amount equal to any payments of State or Federal benefits received by such beneficiary for such month.

(c) Where a State or Federal benefit is paid periodically but not monthly, or in a lump sum as a commutation of or a substitution for periodic benefits, the reduction under this section is made at such time or times and in such amounts as the Office determines will approximate as nearly as practicable the reduction required under paragraph (b) of this section. In making such a determination, a weekly State or Federal benefit is multiplied by 4/5 and a bi-weekly benefit is multiplied by 2/6 to ascertain the monthly equivalent for reduction purposes.

(d) Amounts paid or incurred or to be incurred by the individual for medical, legal, or related expenses in connection with this claim for State or Federal benefits (defined in paragraph (a) of this section) are excluded in computing the reduction under paragraph (b) of this section, to the extent that they are consistent with State or Federal Law. Such medical, legal, or related expenses may be evidenced by the State or Federal benefit awards, compromise agreement, or court order in the State or Federal benefit proceedings, or by such other evidence as the Office may require. Such other evidence may consist of:

1. A detailed statement by the individual’s attorney, physician, or the employer’s insurance carrier; or
2. Bills, receipts, or canceled checks; or
3. Other evidence indicating the amount of such expenses; or
4. Any combination of the foregoing evidence from which the amount of such expenses may be determinable. Such expenses shall not be excluded unless established by evidence as required by the Office.

§ 725.536 Reductions; excess earnings.

In the case of a surviving parent, brother, or sister, whose claim was filed at any time, or of a miner whose claim was filed on or after January 1, 1982, benefit payments are reduced as appropriate by an amount equal to the deduction which would be made with respect to excess earnings under the provisions of sections 203 (b), (f), (g), (h), (j), and (l) of the Social Security Act (42 U.S.C. 403 (b), (f), (g), (h), (j), and (l)), as if such benefit payments were benefits payable under section 202 of the Social Security Act (42 U.S.C. 402) (see §§ 404.428 through 404.456 of this title).

§ 725.537 Reductions; retroactive effect of an additional claim for benefits.

Except as provided in §725.212(b), beginning with the month in which a person other than a miner files a claim and becomes entitled to benefits, the benefits of other persons entitled to benefits with respect to the same miner, are adjusted downward, if necessary, so that no more than the permissible amount of benefits (the maximum amount for the number of beneficiaries involved) will be paid.

§ 725.538 Reductions; effect of augmentation of benefits based on subsequent qualification of individual.

(a) Ordinarily, a written request that the benefits of a miner or surviving spouse be augmented on account of a qualified dependent is made as part of the claim for benefits. However, it may also be made thereafter.

(b) In the latter case, beginning with the month in which such a request is

1028
filed on account of a particular dependent and in which such dependent qualifies for augmentation purposes under this part, the augmented benefits attributable to other qualified dependents (with respect to the same miner or surviving spouse), if any, are adjusted downward, if necessary, so that the permissible amount of augmented benefits (the maximum amount for the number of dependents involved) will not be exceeded.

(c) Where, based on the entitlement to benefits of a miner or surviving spouse, a dependent would have qualified for augmentation purposes for a prior month of such miner’s or surviving spouse’s entitlement had such request been filed in such prior month, such request is effective for such prior month. For any month before the month of filing such request, however, otherwise correct benefits previously certified by the Office may not be changed. Rather the amount of the augmented benefit attributable to the dependent filing such request in the later month is reduced for each month of the retroactive period to the extent that may be necessary. This means that for each month of the retroactive period, the amount payable to the dependent filing the later augmentation request is the difference, if any, between:

(1) The total amount of augmented benefits certified for payment for other dependents for that month, and
(2) The permissible amount of augmented benefits (the maximum amount for the number of dependents involved) payable for the month for all dependents, including the dependent filing later.

§ 725.539 More than one reduction event.

If a reduction for receipt of State or Federal benefits and a reduction on account of excess earnings are chargeable to the same month, the benefit for such month is first reduced (but not below zero) by the amount of the State or Federal benefits, and the remainder of the benefit for such month, if any, is then reduced (but not below zero) by the amount of excess earnings chargeable to such month.

Overpayments; Underpayments

§ 725.540 Overpayments.

(a) General. As used in this subpart, the term “overpayment” includes:

(1) Payment where no amount is payable under this part;
(2) Payment in excess of the amount payable under this part;
(3) A payment under this part which has not been reduced by the amounts required by the Act (see § 725.533);
(4) A payment under this part made to a resident of a State whose residents are not entitled to benefits (see §§725.402 and 725.403);
(5) Payment resulting from failure to terminate benefits to an individual no longer entitled thereto;
(6) Duplicate benefits paid to a claimant on account of concurrent eligibility under this part and parts 410 or 727 (see §725.4(d)) of this title or as provided in §725.309.

(b) Overpaid beneficiary is living. If the beneficiary to whom an overpayment was made is living at the time of a determination of such overpayment, is entitled to benefits at the time of the overpayment, or at any time thereafter becomes so entitled, no benefit for any month is payable to such individual, except as provided in paragraph (c) of this section, until an amount equal to the amount of the overpayment has been withheld or refunded.

(c) Adjustment by withholding part of a monthly benefit. Adjustment under paragraph (b) of this section may be effected by withholding a part of the monthly benefit payable to a beneficiary where it is determined that:

(1) Withholding the full amount each month would deprive the beneficiary of income required for ordinary and necessary living expenses;
(2) The overpayment was not caused by the beneficiary’s intentionally false statement or representation, or willful concealment of, or deliberate failure to furnish, material information; and
(3) Recoupment can be effected in an amount of not less than $10 a month and at a rate which would not unreasonably extend the period of adjustment.

(d) Overpaid beneficiary dies before adjustment. If an overpaid beneficiary dies before adjustment is completed under...
§ 725.541 Notice of waiver of adjustment or recovery of overpayment.

Whenever a determination is made that more than the correct amount of payment has been made, notice of the provisions of section 204(b) of the Social Security Act regarding waiver of adjustment or recovery shall be sent to the overpaid individual, to any other individual against whom adjustment or recovery of the overpayment is to be effected, and to any operator or carrier which may be liable to such overpaid individual.

§ 725.542 When waiver of adjustment or recovery may be applied.

There shall be no adjustment or recovery of an overpayment in any case where an incorrect payment has been made with respect to an individual:

(a) Who is without fault, and where

(b) Adjustment or recovery would either:

(1) Defeat the purpose of title IV of the Act, or

(2) Be against equity and good conscience.

§ 725.543 Standards for waiver of adjustment or recovery.

The standards for determining the applicability of the criteria listed in § 725.542 shall be the same as those applied by the Social Security Administration under §§ 404.506 through 404.512 of this title.

§ 725.544 Collection and compromise of claims for overpayment.

(a) General effect of 31 U.S.C. 3711. In accordance with 31 U.S.C. 3711 and applicable regulations, claims by the Office against an individual for recovery of an overpayment under this part not exceeding the sum of $100,000, exclusive of interest, may be compromised, or collection suspended or terminated, where such individual or his or her estate does not have the present or prospective ability to pay the full amount of the claim within a reasonable time (see paragraph (c) of this section), or the cost of collection is likely to exceed the amount of recovery (see paragraph (d) of this section), except as provided under paragraph (b) of this section.

(b) When there will be no compromise, suspension, or termination of collection of a claim for overpayment. (1) In any case where the overpaid individual is alive, a claim for overpayment will not be compromised, nor will there be suspension or termination of collection of the claim by the Office, if there is an indication of fraud, the filing of a false claim, or misrepresentation on the part of such individual or on the part of any other party having any interest in the claim.

(2) In any case where the overpaid individual is deceased:

(i) A claim for overpayment in excess of $5,000 will not be compromised, nor will there be suspension or termination of collection of the claim by the Office if there is an indication of fraud, the filing of a false claim, or misrepresentation on the part of such deceased individual; and

(ii) A claim for overpayment, regardless of the amount, will not be compromised, nor will there be suspension or termination of collection of the claim by the Office if there is an indication that any person other than the deceased overpaid individual had a part in the fraudulent action which resulted in the overpayment.

(c) Inability to pay claim for recovery of overpayment. In determining whether the overpaid individual is unable to pay a claim for recovery of an overpayment under this part, the Office shall consider the individual’s age, health, present and potential income (including inheritance prospects), assets (e.g., real property, savings account), possible concealment or improper transfer of assets, and assets or income of such individual which may be available in enforced collection proceedings. The Office will also consider exemptions available to such individual under the pertinent State or Federal law in such proceedings. In the event the overpaid individual is deceased, the Office shall

§ 725.545 Underpayments.

(a) General. As used in this subpart, the term “underpayment” includes a payment in an amount less than the amount of the benefit due for such month, and nonpayment where some amount of such benefits is payable.

(b) Underpaid individual is living. If an individual to whom an underpayment was made is living, the deficit represented by such underpayment shall be paid to such individual either in a single payment (if he or she is not entitled to a monthly benefit or if a single payment is requested by the claimant in writing) or by increasing one or more monthly benefit payments to which such individual becomes entitled.

(c) Underpaid individual dies before adjustment of underpayment. If an individual to whom an underpayment was made dies before receiving payment of the deficit or negotiating the check or checks representing payment of the deficit, such payment shall be distributed to the living person (or persons) in the highest order of priority as follows:

(1) The deceased individual’s surviving spouse who was either:

(i) Living in the same household with the deceased individual at the time of such individual’s death; or

(ii) In the case of a deceased miner, entitled for the month of death to black lung benefits as his or her surviving spouse or surviving divorced spouse.

(2) In the case of a deceased miner or spouse his or her child entitled to benefits as the surviving child of such miner or surviving spouse for the month in which such miner or spouse died (if more than one such child, in equal shares to each such child).

(3) In the case of a deceased miner, his parent entitled to benefits as the surviving parent of such miner for the month in which such miner died (if more than one such parent, in equal shares to each such parent).

(4) The surviving spouse of the deceased individual who does not qualify under paragraph (c)(1) of this section.

(5) The child or children of the deceased individual who do not qualify under paragraph (c)(2) of this section (if more than one such child, in equal shares to each such child).

(6) The parent or parents of the deceased individual who do not qualify under paragraph (c)(3) of this section (if more than one such parent, in equal shares to each such parent).

(7) The legal representative of the estate of the deceased individual as defined in paragraph (e) of this section.

(d) Deceased beneficiary. In the event that a person, who is otherwise qualified to receive payments as the result of a deficit caused by an underpayment under the provisions of paragraph (c) of this section, dies before receiving payment or before negotiating the check or checks representing such payment, his or her share of the underpayment...
§ 725.546 Relation to provisions for reductions or increases.

The amount of an overpayment or an underpayment is the difference between the amount to which the beneficiary was actually entitled and the amount paid. Overpayment and underpayment simultaneously outstanding against the same beneficiary shall first be adjusted against one another before adjustment pursuant to the other provisions of this subpart.

§ 725.547 Applicability of overpayment and underpayment provisions to operator or carrier.

(a) The provisions of this subpart relating to overpayments and underpayments shall be applicable to overpayments and underpayments made by responsible operators or their insurance carriers, as appropriate.

(b) No operator or carrier may recover, or make an adjustment of, an overpayment without prior application to, and approval by, the Office which shall exercise full supervisory authority over the recovery or adjustment of all overpayments.

§ 725.548 Procedures applicable to overpayments and underpayments.

(a) In any case involving either overpayments or underpayments, the Office may take any necessary action, and district directors may issue appropriate orders to protect the rights of the parties.

(b) Disputes arising out of orders so issued shall be resolved by the procedures set out in subpart F of this part.

Subpart I—Enforcement of Liability; Reports

§ 725.601 Enforcement generally.

(a) The Act, together with certain incorporated provisions from the Longshoremen's and Harbor Workers' Compensation Act, contains a number of provisions which subject an operator or other employer, claimants and others to penalties for failure to comply with certain provisions of the Act, or failure to commence and continue prompt periodic payments to a beneficiary.

(b) It is the policy and intent of the Department to vigorously enforce the provisions of this part through the use of the remedies provided by the Act. Accordingly, if an operator refuses to pay benefits with respect to a claim for which the operator has been adjudicated liable, the Director shall invoke and execute the lien on the property of the operator as described in §725.603. Enforcement of this lien shall be pursued in an appropriate U.S. district court. If the Director determines that the remedy provided by §725.603 may not be sufficient to guarantee the continued compliance with the terms of an award or awards against the operator, the Director shall in addition seek an injunction in the U.S. district court to prohibit future noncompliance by the operator and such other relief as
Employment Standards Administration, Labor  § 725.603

the court considers appropriate (see §725.604). If an operator unlawfully suspends or terminates the payment of benefits to a claimant, the district director shall declare the award in default and proceed in accordance with §725.605. In all cases payments in addition to compensation (see §725.607) and interest (see §725.608) shall be sought by the Director or awarded by the district director.

(c) In certain instances the remedies provided by the Act are concurrent; that is, more than one remedy might be appropriate in any given case. In such a case, the Director shall select the remedy or remedies appropriate for the enforcement action. In making this selection, the Director shall consider the best interests of the claimant as well as those of the fund.

§ 725.602  Reimbursement of the fund.

(a) In any case in which the fund has paid benefits, including medical benefits, on behalf of an operator or other employer which is determined liable therefore, or liable for a part thereof, such operator or other employer shall simultaneously with the first payment of benefits made to the beneficiary, reimburse the fund (with interest) for the full amount of all benefit payments made by the fund with respect to the claim.

(b) In any case where benefit payments have been made by the fund, the fund shall be subrogated to the rights of the beneficiary. The Secretary of Labor may, as appropriate, exercise such subrogation rights.

§ 725.603  Payments by the fund on behalf of an operator, liens.

(a) If an amount is paid out of the fund to an individual entitled to benefits under this part or part 727 of this subchapter (see §725.4(d)) on behalf of an operator or other employer which is or was required to pay or secure the payment of all or a portion of such amount (see §725.522), the operator or other employer shall be liable to the United States for repayment to the fund of the amount of benefits properly attributable to such operator or other employer.

(b) If an operator or other employer liable to the fund refuses to pay, after demand, the amount of such liability, there shall be a lien in favor of the United States upon all property and rights to property, whether real or personal, belonging to such operator or other employer. The lien arises on the date on which such liability is finally determined, and continues until it is satisfied or becomes unenforceable by reason of lapse of time.

(c)(1) Except as otherwise provided under this section, the priority of the lien shall be determined in the same manner as under section 6323 of the Internal Revenue Code (26 U.S.C.).

(2) In the case of a bankruptcy or insolvency proceeding, the lien imposed under this section shall be treated in the same manner as a lien for taxes due and owing to the United States for purposes of the Bankruptcy Act or section 3466 of the Revised Statutes (31 U.S.C. 191).

(3) For purposes of applying section 6323(a) of the Internal Revenue Code (26 U.S.C.) to determine the priority between the lien imposed under this section and the Federal tax lien, each lien shall be treated as a judgment lien arising as of the time notice of such lien is filed.

(4) For purposes of the section, notice of the lien imposed hereunder shall be filed in the same manner as under section 6323(f) (disregarding paragraph (4) thereof) and (g) of the Internal Revenue Code (26 U.S.C.).

(5) In any case where there has been a refusal or neglect to pay the liability imposed under this section, the Secretary of Labor may bring a civil action in a district court of the United States to enforce the lien of the United States under this section with respect to such liability or to subject any property, of whatever nature, of the operator, or in which it has any right, title, or interest, to the payment of such liability.

(6) The liability imposed by this paragraph may be collected at a proceeding in court if the proceeding is commenced within 6 years after the date upon which the liability was finally determined, or prior to the expiration of any period for collection agreed upon in writing by the operator.
§ 725.604 Enforcement of final awards.

Notwithstanding the provisions of § 725.603, if an operator or other employer or its officers or agents fails to comply with an order awarding benefits that has become final, any beneficiary of such award or the district director may apply for the enforcement of the order to the Federal district court for the judicial district in which the injury occurred (or to the U.S. District Court for the District of Columbia if the injury occurred in the District). If the court determines that the order was made and served in accordance with law, and that such operator or other employer or its officers or agents have failed to comply therewith, the court shall enforce obedience to the order by writ of injunction or by other proper process, mandatory or otherwise, to enjoin upon such operator or other employer and its officers or agents compliance with the order.

§ 725.605 Defaults.

(a) Except as is otherwise provided in this part, no suspension, termination or other failure to pay benefits awarded to a claimant is permitted. If an employer found liable for the payment of such benefits fails to make such payments within 30 days after any date on which such benefits are due and payable, the person to whom such benefits are payable may, within one year after such default, make application to the district director for a supplementary order declaring the amount of the default.

(b) If after investigation, notice and hearing as provided in subparts E and F of this part, a default is found, the district director or the administrative law judge, if a hearing is requested, shall issue a supplementary order declaring the amount of the default, if any. In cases where a lump-sum award has been made, if the payment in default is an installment, the district director or administrative law judge, may, in his or her discretion, declare the whole of the award as the amount in default. The applicant may file a certified copy of such supplementary order with the clerk of the Federal district court for the judicial district in which the operator has its principal place of business or maintains an office or for the judicial district in which the injury occurred. In case such principal place of business or office is in the District of Columbia, a copy of such supplementary order may be filed with the clerk of the U.S. District Court for the District of Columbia. Such supplementary order shall be final and the court shall, upon the filing of the copy, enter judgment for the amount declared in default by the supplementary order if such supplementary order is in accordance with law. Review of the judgment may be had as in civil suits for damages at common law. Final proceedings to execute the judgment may be had by writ of execution in the form used by the court in suits at common law in actions of assumpsit. No fee shall be required for filing the supplementary order nor for entry of judgment thereon, and the applicant shall not be liable for costs in a proceeding for review of the judgment unless the court shall otherwise direct. The court shall modify such judgment to conform to any later benefits order upon presentation of a certified copy thereof to the court.

(c) In cases where judgment cannot be satisfied by reason of the employer’s insolvency or other circumstances precluding payment, the district director shall make payment from the fund, and in addition, provide any necessary medical, surgical, and other treatment required by subpart J of this part. A defaulting employer shall be liable to the fund for payment of the amounts paid by the fund under this section; and for the purpose of enforcing this liability, the fund shall be subrogated to all the rights of the person receiving such payments or benefits.
§ 725.606 Security for the payment of benefits.

(a) Following the issuance of an effective order by a district director (see §725.418), administrative law judge (see §725.479), Benefits Review Board, or court that requires the payment of benefits by an operator that has failed to secure the payment of benefits in accordance with section 423 of the Act and §726.4 of this subchapter, or by a coal mine construction or transportation employer, the Director may request that the operator secure the payment of all benefits ultimately payable on the claim. Such operator or other employer shall thereafter immediately secure the payment of benefits in accordance with the provisions of this section, and provide proof of such security to the Director. Such security may take the form of an indemnity bond, a deposit of cash or negotiable securities in compliance with §§726.106(c) and 726.107 of this subchapter, or any other form acceptable to the Director.

(b) The amount of security initially required by this section shall be determined as follows:

(1) In a case involving an operator subject to section 423 of the Act and §726.4 of this subchapter, the amount of the security shall not be less than $175,000, and may be a higher amount as determined by the Director, taking into account the life expectancies of the claimant and any dependents using the most recent life expectancy tables published by the Social Security Administration; or

(2) In a case involving a coal mine construction or transportation employer, the amount of the security shall be determined by the Director, taking into account the life expectancies of the claimant and any dependents using the most recent life expectancy tables published by the Social Security Administration.

(c) If the operator or other employer fails to provide proof of such security to the Director within 30 days of receipt of the Director’s request to secure the payment of benefits issued under paragraph (a) of this section, the appropriate adjudication officer shall issue an order requiring the operator or other employer to make a deposit of negotiable securities with a Federal Reserve Bank in the amount required by paragraph (b). Such securities shall comply with the requirements of §§726.106(c) and 726.107 of this subchapter. In a case in which the effective order was issued by a district director, the district director shall be considered the appropriate adjudication officer. In any other case, the administrative law judge who issued the most recent decision in the case, or such other administrative law judge as the Chief Administrative Law Judge shall designate, shall be considered the appropriate adjudication officer, and shall issue an order under this paragraph on motion of the Director. The administrative law judge shall have jurisdiction to issue an order under this paragraph notwithstanding thependency of an appeal of the award of benefits with the Benefits Review Board or court.

(d) An order issued under this section shall be considered effective when issued. Disputes regarding such orders shall be resolved in accordance with subpart F of this part.

(e) Notwithstanding any further review of the order in accordance with subpart F of this part, if an operator or other employer subject to an order issued under this section fails to comply with such order, the appropriate adjudication officer shall certify such non-compliance to the appropriate United States district court in accordance with §725.351(c).

(f) Security posted in accordance with this section may be used to make payment of benefits that become due with respect to the claim in accordance with §725.502. In the event that either the order awarding compensation or the order issued under this section is vacated or reversed, the operator or other employer may apply to the appropriate adjudication officer for an order authorizing the return of any amounts deposited with a Federal Reserve Bank and not yet disbursed, and such application shall be granted. If at any time the Director determines that additional security is required beyond that initially required by paragraph (b) of this section, the operator or other employer to increase the amount. Such request shall be
§ 725.607 Payments in addition to compensation.

(a) If any benefits payable under the terms of an award by a district director (§725.419(d)), a decision and order filed and served by an administrative law judge (§725.478), or a decision filed by the Board or a U.S. court of appeals, are not paid by an operator or other employer ordered to make such payments within 10 days after such payments become due, there shall be added to such unpaid benefits an amount equal to 20 percent thereof, which shall be paid to the claimant at the same time as, but in addition to, such benefits, unless review of the order making such award is sought as provided in section 21 of the LHWCA and an order staying payments has been issued.

(b) If, on account of an operator’s or other employer’s failure to pay benefits as provided in paragraph (a) of this section, benefit payments are made by the fund, the eligible claimant shall nevertheless be entitled to receive such additional compensation to which he or she may be eligible under paragraph (a) of this section, with respect to all amounts paid by the fund on behalf of such operator or other employer.

(c) The fund shall not be liable for payments in addition to compensation under any circumstances.

§ 725.608 Interest.

(a)(1) In any case in which an operator fails to pay benefits that are due (§725.502), the beneficiary shall also be entitled to simple annual interest, computed from the date on which the benefits were due. The interest shall be computed through the date on which the operator paid the benefits, except that the beneficiary shall not be entitled to interest for any period following the date on which the beneficiary received payment of any benefits from the fund pursuant to §725.522.

(2) In any case in which an operator is liable for the payment of retroactive benefits, the beneficiary shall also be entitled to simple annual interest on such benefits, computed from 30 days after the date of the first determination that such an award should be made. The first determination that such an award should be made may be a district director’s initial determination of entitlement, an award made by an administrative law judge or a decision by the Board or a court, whichever is the first such determination of entitlement made upon the claim.

(3) In any case in which an operator is liable for the payment of additional compensation (§725.607), the beneficiary shall also be entitled to simple annual interest computed from the date upon which the beneficiary’s right to additional compensation first arose.

(4) In any case in which an operator is liable for the payment of medical benefits, the beneficiary or medical provider to whom such benefits are owed shall also be entitled to simple annual interest, computed from the date upon which the services were rendered, or from 30 days after the date of the first determination that the miner is generally entitled to medical benefits, whichever is later. The first determination that the miner is generally entitled to medical benefits may be a district director’s initial determination of entitlement, an award made by an administrative law judge or a decision by the Board or a court, whichever is the first such determination of general entitlement made upon the claim. The interest shall be computed through the date on which the operator paid the benefits, except that the beneficiary or medical provider shall not be entitled to interest for any period following the date on which the beneficiary or medical provider received payment of any benefits from the fund pursuant to §725.522 or Subpart I of this part.

(b) If an operator or other employer fails or refuses to pay any or all benefits due pursuant to an award of benefits or an initial determination of eligibility made by the district director and the fund undertakes such payments, such operator or other employer shall
Employment Standards Administration, Labor § 725.620

be liable to the fund for simple annual interest on all payments made by the fund for which such operator is determined liable, computed from the first date on which such benefits are paid by the fund, in addition to such operator’s liability to the fund, as is otherwise provided in this part. Interest payments owed pursuant to this paragraph shall be paid directly to the fund.

(c) In any case in which an operator is liable for the payment of an attorney’s fee pursuant to § 725.367, and the attorney’s fee is payable because the award of benefits has become final, the attorney shall also be entitled to simple annual interest, computed from the date on which the attorney’s fee was awarded. The interest shall be computed through the date on which the operator paid the attorney’s fee.

(d) The rates of interest applicable to paragraphs (a), (b), and (c) of this section shall be computed as follows:

(1) For all amounts outstanding prior to January 1, 1982, the rate shall be 6% simple annual interest;

(2) For all amounts outstanding for any period during calendar year 1982, the rate shall be 15% simple annual interest; and

(3) For all amounts outstanding during any period after calendar year 1982, the rate shall be simple annual interest at the rate established by section 6621 of the Internal Revenue Code (26 U.S.C.) which is in effect for such period.

(e) The fund shall not be liable for the payment of interest under any circumstances, other than the payment of interest on advances from the United States Treasury as provided by section 9501(c) of the Internal Revenue Code (26 U.S.C.).

§ 725.609 Enforcement against other persons.

In any case in which an award of benefits creates obligations on the part of an operator or insurer that may be enforced under the provisions of this subpart, such obligations may also be enforced, in the discretion of the Secretary or district director, as follows:

(a) In a case in which the operator is a sole proprietorship or partnership, against any person who owned, or was a partner in, such operator during any period commencing on or after the date on which the miner was last employed by the operator;

(b) In a case in which the operator is a corporation that failed to secure its liability for benefits in accordance with section 423 of the Act and § 725.4, and the operator has not secured its liability for the claim in accordance with § 725.606, against any person who served as the president, secretary, or treasurer of such corporation during any period commencing on or after the date on which the miner was last employed by the operator;

(c) In a case in which the operator is no longer capable of assuming its liability for the payment of benefits (§ 725.494(e)), against any operator which became a successor operator with respect to the liable operator (§ 725.492) after the date on which the claim was filed, beginning with the most recent such successor operator;

(d) In a case in which the operator is no longer capable of assuming its liability for the payment of benefits (§ 725.494(e)), and such operator was a subsidiary of a parent company or a product of a joint venture, or was substantially owned or controlled by another business entity, against such parent entity, any member of such joint venture, or such controlling business entity; or

(e) Against any other person who has assumed or succeeded to the obligations of the operator or insurer by operation of any state or federal law, or by any other means.

§ 725.620 Failure to secure benefits; other penalties.

(a) If an operator fails to discharge its insurance obligations under the Act, the provisions of subpart D of part 726 of this subchapter shall apply.

(b) Any employer who knowingly transfers, sells, encumbers, assigns, or in any manner disposes of, conceals, secrets, or destroys any property belonging to such employer, after one of its employees has been injured within the purview of the Act, and with intent to avoid the payment of benefits under the Act to such miner or his or her dependents, shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more
than $1,000, or by imprisonment for not more than one year, or by both. In any case where such employer is a corporation, the president, secretary, and treasurer thereof shall be also severally liable for such penalty or imprisonment as well as jointly liable with such corporation for such fine.

(c) No agreement by a miner to pay any portion of a premium paid to a carrier by such miner’s employer or to contribute to a benefit fund or department maintained by such employer for the purpose of providing benefits or medical services and supplies as required by this part shall be valid; and any employer who makes a deduction for such purpose from the pay of a miner entitled to benefits under the Act shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than $1,000.

(d) No agreement by a miner to waive his or her right to benefits under the Act and the provisions of this part shall be valid.

(e) This section shall not affect any other liability of the employer under this part.

§ 725.621 Reports.

(a) Upon making the first payment of benefits and upon suspension, reduction, or increase of payments, the operator or other employer responsible for making payments shall immediately notify the district director of the action taken, in accordance with a form prescribed by the Office.

(b) Within 16 days after final payment of benefits has been made by an employer, such employer shall so notify the district director, in accordance with a form prescribed by the Office, stating that such final payment, has been made, the total amount of benefits paid, the name of the beneficiary, and such other information as the Office deems pertinent.

(c) The Director may from time to time prescribe such additional reports to be made by operators, other employers, or carriers as the Director may consider necessary for the efficient administration of the Act.

(d) Any employer who fails or refuses to file any report required of such employer under this section shall be subject to a civil penalty not to exceed $500 for each failure or refusal, which penalty shall be determined in accordance with the procedures set forth in subpart D of part 726 of this subchapter, as appropriate. The maximum penalty applicable to any violation of this paragraph that takes place after January 19, 2001 shall be $550.

(e) No request for information or response to such request shall be considered a report for purposes of this section or the Act, unless it is so designated by the Director or by this section.

Subpart J—Medical Benefits and Vocational Rehabilitation

§ 725.701 Availability of medical benefits.

(a) A miner who is determined to be eligible for benefits under this part or part 727 of this subchapter (see § 725.4(d)) is entitled to medical benefits as set forth in this subpart as of the date of his or her claim, but in no event before January 1, 1974. No medical benefits shall be provided to the survivor or dependent of a miner under this part.

(b) A responsible operator, other employer, or where there is neither, the fund, shall furnish a miner entitled to benefits under this part with such medical, surgical, and other attendance and treatment, nursing and hospital services, medicine and apparatus, and any other medical service or supply, for such periods as the nature of the miner’s pneumoconiosis and disability requires.

(c) The medical benefits referred to in paragraphs (a) and (b) of this section shall include palliative measures useful only to prevent pain or discomfort associated with the miner’s pneumoconiosis or attendant disability.

(d) The costs recoverable under this subpart shall include the reasonable cost of travel necessary for medical treatment (to be determined in accordance with prevailing United States government mileage rates) and the reasonable documented cost to the miner or medical provider incurred in communicating with the employer, carrier, or district director on matters connected with medical benefits.
Employment Standards Administration, Labor § 725.702

(e) If a miner receives a medical service or supply, as described in this section, for any pulmonary disorder, there shall be a rebuttable presumption that the disorder is caused or aggravated by the miner’s pneumoconiosis. The party liable for the payment of benefits may rebut the presumption by producing credible evidence that the medical service or supply provided was for a pulmonary disorder apart from those previously associated with the miner’s disability, or was beyond that necessary to effectively treat a covered disorder, or was not for a pulmonary disorder at all.

(f) Evidence that the miner does not have pneumoconiosis or is not totally disabled by pneumoconiosis arising out of coal mine employment is insufficient to defeat a request for coverage of any medical service or supply under this subpart. In determining whether the treatment is compensable, the opinion of the miner’s treating physician may be entitled to controlling weight pursuant to §718.104(d). A finding that a medical service or supply is not covered under this subpart shall not otherwise affect the miner’s entitlement to benefits.

§ 725.702 Claims for medical benefits only under section 11 of the Reform Act.

(a) Section 11 of the Reform Act directs the Secretary of Health, Education and Welfare to notify each miner receiving benefits under part B of title IV of the Act that he or she may file a claim for medical treatment benefits described in this subpart. Section 725.308(b) provides that a claim for medical treatment benefits shall be filed on or before December 31, 1980, unless the period is enlarged for good cause shown. This section sets forth the rules governing the processing, adjudication, and payment of claims filed under section 11.

(b)(1) A claim filed pursuant to the notice described in paragraph (a) of this section shall be considered a claim for medical benefits only, and shall be filed, processed, and adjudicated in accordance with the provisions of this part, except as provided in this section. While a claim for medical benefits must be treated as any other claim filed under part C of title IV of the Act, the Department shall accept the Social Security Administration’s finding of entitlement as its initial determination.

(2) In the case of a part B beneficiary whose coal mine employment terminated before January 1, 1970, the Secretary shall make an immediate award of medical benefits. Where the part B beneficiary’s coal mine employment terminated on or after January 1, 1970, the Secretary shall immediately authorize the payment of medical benefits and thereafter inform the responsible operator, if any, of the operator’s right to contest the claimant’s entitlement for medical benefits.

(c) A miner on whose behalf a claim is filed under this section (see §725.301) must have been alive on March 1, 1978, in order for the claim to be considered.

(d) The criteria contained in subpart C of part 727 of this subchapter (see §725.4(d)) are applicable to claims for medical benefits filed under this section.

(e) No determination made with respect to a claim filed under this section shall affect any determination previously made by the Social Security Administration. The Social Security Administration may, however, reopen a previously approved claim if the conditions set forth in §410.672(c) of this chapter are present. These conditions are generally limited to fraud or concealment.

(f) If medical benefits are awarded under this section, such benefits shall be payable by a responsible coal mine operator (see subpart G of this part), if the miner’s last employment occurred on or after January 1, 1970, and in all other cases by the fund. An operator which may be required to provide medical treatment benefits to a miner under this section shall have the right to participate in the adjudication of the claim as is otherwise provided in this part.

(g) Any miner whose coal mine employment terminated after January 1, 1970, may be required to submit to a medical examination requested by an identified operator. The unreasonable refusal to submit to such an examination shall have the same consequences as are provided under §725.414.
§ 725.703 Physician defined.

The term “physician” includes only doctors of medicine (MD) and osteopathic practitioners within the scope of their practices as defined by State law. No treatment or medical services performed by any other practitioner of the healing arts is authorized by this part, unless such treatment or service is authorized and supervised both by a physician as defined in this section and the district director.

§ 725.704 Notification of right to medical benefits; authorization of treatment.

(a) Upon notification to a miner of such miner’s entitlement to benefits, the Office shall provide the miner with a list of authorized treating physicians and medical facilities in the area of the miner’s residence. The miner may select a physician from this list or may select another physician with approval of the Office. Where emergency services are necessary and appropriate, authorization by the Office shall not be required.

(b) The Office may, on its own initiative, or at the request of a responsible operator, order a change of physicians or facilities, but only where it has been determined that the change is desirable or necessary in the best interest of the miner. The miner may change physicians or facilities subject to the approval of the Office.

(c) If adequate treatment cannot be obtained in the area of the claimant’s residence, the Office may authorize the use of physicians or medical facilities outside such area as well as reimbursement for travel expenses and overnight accommodations.

§ 725.705 Arrangements for medical care.

(a) Operator liability. If an operator has been determined liable for the payment of benefits to a miner, the Office shall notify such operator or insurer of the names, addresses, and telephone numbers of the authorized providers of medical benefits chosen by an entitled miner, and shall require the operator or insurer to:

(1) Notify the miner and the providers chosen that such operator will be responsible for the cost of medical services provided to the miner on account of the miner’s total disability due to pneumoconiosis;

(2) Designate a person or persons with decisionmaking authority with whom the Office, the miner and authorized providers may communicate on matters involving medical benefits provided under this subpart and notify the Office, miner and providers of such designation;

(3) Make arrangements for the direct reimbursement of providers for their services.

(b) Fund liability. If there is no operator found liable for the payment of benefits, the Office shall make necessary arrangements to provide medical care to the miner, notify the miner and medical care facility selected of the liability of the fund, designate a person or persons with whom the miner or provider may communicate on matters relating to medical care, and make arrangements for the direct reimbursement of the medical provider.
§ 725.706 Authorization to provide medical services.

(a) Except as provided in paragraph (b) of this section, medical services from an authorized provider which are payable under §725.701 shall not require prior approval of the Office or the responsible operator.

(b) Except where emergency treatment is required, prior approval of the Office or the responsible operator shall be obtained before any hospitalization or surgery, or before ordering an apparatus for treatment where the purchase price exceeds $300. A request for approval of non-emergency hospitalization or surgery shall be acted upon expeditiously, and approval or disapproval will be given by telephone if a written response cannot be given within 7 days following the request. No employee of the Department of Labor, other than a district director or the Chief, Branch of Medical Analysis and Services, DCMWC, is authorized to approve a request for hospitalization or surgery by telephone.

(c) Payment for medical services, treatment, or an apparatus shall be made at no more than the rate prevailing in the community in which the providing physician, medical facility or supplier is located.

§ 725.707 Reports of physicians and supervision of medical care.

(a) Within 30 days following the first medical or surgical treatment provided under §725.701, the treating physician or facility shall furnish to the Office and the responsible operator, if any, a report of such treatment.

(b) In order to permit continuing supervision of the medical care provided to the miner with respect to the necessity, character and sufficiency of any medical care furnished or to be furnished, the treating physician, facility, employer or carrier shall provide such reports in addition to those required by paragraph (a) of this section as the Office may from time to time require. Within the discretion of the district director, payment may be refused to any medical provider who fails to submit any report required by this section.

§ 725.708 Disputes concerning medical benefits.

(a) Whenever a dispute develops concerning medical services under this part, the district director shall attempt to informally resolve such dispute. In this regard the district director may, on his or her own initiative or at the request of the responsible operator, or the claimant, order an examination by a physician selected by the district director.

(b) If no informal resolution is accomplished, the district director shall refer the case to the Office of Administrative Law Judges for hearing in accordance with this part. Any such hearing shall be scheduled at the earliest possible time and shall take precedence over all other requests for hearing except for prior requests for hearing arising under this section and as provided by §727.405 of this subchapter (see §725.4(d)). During the pendency of such adjudication, the Director may order the payment of medical benefits prior to final adjudication under the same conditions applicable to benefits awarded under §725.522.

(c) In the development or adjudication of a dispute over medical benefits, the adjudication officer is authorized to take whatever action may be necessary to protect the health of a totally disabled miner.

(d) Any interested medical provider may, if appropriate, be made a party to a dispute over medical benefits.

§ 725.710 Objective of vocational rehabilitation.

The objective of vocational rehabilitation is the return of a miner who is totally disabled for work in or around a coal mine and who is unable to utilize those skills which were employed in the miner’s coal mine employment to gainful employment commensurate with such miner’s physical impairment. This objective may be achieved through a program of re-evaluation and redirection of the miner’s abilities, or retraining in another occupation, and selective job placement assistance.

§ 725.711 Requests for referral to vocational rehabilitation assistance.

Each miner who has been determined entitled to receive benefits under part
C of title IV of the Act shall be informed by the OWCP of the availability and advisability of vocational rehabilitation services. If such miner chooses to avail himself or herself of vocational rehabilitation, his or her request shall be processed and referred by OWCP vocational rehabilitation advisors pursuant to the provisions of §§ 702.501 through 702.508 of this chapter as is appropriate.

§ 726.1 Statutory insurance requirements for coal mine operators.

Section 423 of title IV of the Federal Coal Mine Health and Safety Act as amended (hereinafter the Act) requires each coal mine operator who is operating or has operated a coal mine in a State which is not included in the list published by the Secretary (see part 722 of this subchapter) to secure the payment of benefits for which he may be found liable under section 422 of the Act and the provisions of this subchapter by either:

(a) Qualifying as a self-insurer, or

(b) By subscribing to and maintaining in force a commercial insurance contract (including a policy or contract procured from a State agency).

§ 726.2 Purpose and scope of this part.

(a) This part provides rules directing and controlling the circumstances under which a coal mine operator shall fulfill his insurance obligations under the Act.

(b) This Subpart A sets forth the scope and purpose of this part and generally describes the statutory framework within which this part is operative.

(c) Subpart B of this part sets forth the criteria a coal mine operator must meet in order to qualify as a self-insurer.

(d) Subpart C of this part sets forth the rules and regulations of the Secretary governing contracts of insurance entered into by coal mine operators and commercial insurance sources for the payment of black lung benefits under part C of the Act.

(e) Subpart D of this part sets forth the rules governing the imposition of civil money penalties on coal mine operators that fail to secure their liability under the Act.

§ 726.3 Relationship of this part to other parts in this subchapter.

(a) This part 726 implements and effectuates responsibilities for the payment of black lung benefits placed upon coal mine operators by sections 415 and 422 of the Act and the regulations of the Secretary in this subchapter, particularly those set forth in part 725 of this subchapter. All definitions, usages, procedures, and other rules affecting the responsibilities of coal mine operators prescribed in part 725 of this subchapter are hereby made applicable, as appropriate, to this part 726.

(b) If the provisions of this part appear to conflict with any provision of any other part in this subchapter, the apparently conflicting provisions should be read harmoniously to the fullest extent possible. If a harmonious interpretation is not possible, the provisions of this part should be applied to govern the responsibilities and obligations of coal mine operators to secure the payment of black lung benefits as prescribed by the Act. The provisions of this part do not apply to matters falling outside the scope of this part.

§ 726.4 Who must obtain insurance coverage.

(a) Section 423 of part C of title IV of the Act requires each operator of a coal mine or former operator in any State which does meet the requirements prescribed by the Secretary pursuant to section 411 of part C of title IV of the Act to self-insure or obtain a policy or contract of insurance to guarantee the payment of benefits for which such operator may be adjudicated liable under section 422 of the Act. In enacting sections 422 and 423 of the Act Congress has unambiguously expressed its intent that coal mine operators bear the cost of providing the benefits established by part C of title IV of the Act. Section 3 of the Act defines an “operator” as any owner, lessee, or other person who operates, controls, or supervises a coal mine.

(b) Section 422(i) of the Act clearly recognizes that any individual or business entity who is or was a coal mine operator may be found liable for the payment of pneumoconiosis benefits after December 31, 1973. Within this framework it is clear that the Secretary has wide latitude for determining which operator shall be liable for the payment of part C benefits. Comprehensive standards have been promulgated in subpart G of part 725 of
this subchapter for the purpose of guiding the Secretary in making such determination. It must be noted that pursuant to these standards any parent or subsidiary corporation, any individual or corporate partner, or partnership, any lessee or lessor of a coal mine, any joint venture or participant in a joint venture, any transferee or transferor of a corporation or other business entity, any former, current, or future operator or any other form of business entity which has had or will have a substantial and reasonably direct interest in the operation of a coal mine may be determined liable for the payment of pneumoconiosis benefits after December 31, 1973. The failure of any such business entity to self-insure or obtain a policy or contract of insurance shall in no way relieve such business entity of its obligation to pay pneumoconiosis benefits in respect of any case in which such business entity’s responsibility for such payments has been properly adjudicated. Any business entity described in this section shall take appropriate steps to insure that any liability imposed by part C of the Act on such business entity shall be dischargeable.

§ 726.5 Effective date of insurance coverage.

Pursuant to section 422(c) of part C of title IV of the Act, no coal mine operator shall be responsible for the payment of any benefits whatsoever for any period prior to January 1, 1974. However, coal mine operators shall be liable as of January 1, 1974, for the payment of benefits in respect of claims which were filed under section 415 of part B of title IV of the Act after July 1, 1973. Section 415(a)(3) requires the Secretary to notify any operator who may be liable for the payment of benefits under part C of title IV beginning on January 1, 1974, of the pendency of a section 415 claim. Section 415(a)(5) declares that any operator who has been notified of the pendency of a section 415 claim shall be bound by the determination of the Secretary as to such operator’s liability and as to the claimant’s entitlement to benefits as if the claim were filed under part C of title IV of the Act and section 422 thereof had been applicable to such operator. Therefore, even though no benefit payments shall be required of an operator prior to January 1, 1974, the liability for these payments may be finally adjudicated at any time after July 1, 1973. Neither the failure of an operator to exercise his right to participate in the adjudication of such a claim nor the failure of an operator to obtain insurance coverage in respect of claims filed after June 30, 1973, but before January 1, 1974, shall excuse such operator from his liability for the payment of benefits to such claimants under part C of title IV of the Act.

§ 726.6 The Office of Workers’ Compensation Programs.

The Office of Workers’ Compensation Programs (hereinafter the Office or OWCP) is that subdivision of the Employment Standards Administration of the U.S. Department of Labor which has been empowered by the Secretary of Labor to carry out his functions under section 415 and part C of title IV of the Act. As noted throughout this part 726 the Office shall perform a number of functions with respect to the regulation of both the self-insurance and commercial insurance programs. All correspondence with or submissions to the Office should be addressed as follows:

Division of Coal Mine Workers’ Compensation, Office of Workers’ Compensation Programs, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210

§ 726.7 Forms, submission of information.

Any information required by this part 726 to be submitted to the Office of Workmen’s Compensation Programs or any other office or official of the Department of Labor, shall be submitted on such forms or in such manner as the Secretary deems appropriate and has authorized from time to time for such purposes.

§ 726.8 Definitions.

In addition to the definitions provided in part 725 of this subchapter, the following definitions apply to this part:

(a) Director means the Director, Office of Workers’ Compensation Programs, and includes any official of the
Office of Workers’ Compensation Programs authorized by the Director to perform any of the functions of the Director under this part and part 725 of this subchapter.

(b) Person includes any individual, partnership, corporation, association, business trust, legal representative, or organized group of persons.

(c) Secretary means the Secretary of Labor or such other official as the Secretary shall designate to carry out any responsibility under this part.

(d) The terms employ and employment shall be construed as broadly as possible, and shall include any relationship under which an operator retains the right to direct, control, or supervise the work performed by a miner, or any other relationship under which an operator derives a benefit from the work performed by a miner. Any individuals who participate with one or more persons in the mining of coal, such as owners, proprietors, partners, and joint venturers, whether they are compensated by wages, salaries, piece rates, shares, profits, or by any other means, shall be deemed employees. It is the specific intention of this paragraph to disregard any financial arrangement or business entity devised by the actual owners or operators of a coal mine or coal mine-related enterprise to avoid the payment of benefits to miners who, based upon the economic reality of their relationship to this enterprise, are, in fact, employees of the enterprise.

Subpart B—Authorization of Self-Insurers

§ 726.101 Who may be authorized to self-insure.

(a) Pursuant to section 423 of part C of title IV of the Act, authorization to self-insure against liability incurred by coal mine operators on account of the total disability or death of miners due to pneumoconiosis may be granted or denied in the discretion of the Secretary. The provisions of this subpart describe the minimum requirements established by the Secretary for determining whether any particular coal mine operator shall be authorized as a self-insurer.

(b) The minimum requirements which must be met by any operator seeking authorization to self-insure are as follows:

1. The operator must, at the time of application, have been in the business of mining coal for at least the 3 consecutive years prior to such application; and,

2. The operator must demonstrate the administrative capacity to fully service such claims as may be filed against him; and,

3. The operator’s average current assets over the preceding 3 years (in computing average current assets such operator shall not include the amount of any negotiable securities which he may be required to deposit to secure his obligations under the Act) must exceed current liabilities by the sum of—

i. The estimated aggregate amount of black lung benefits (including medical benefits) which such operator may expect to be required to pay during the ensuing year; and,

ii. The annual premium cost for any indemnity bond purchased; and

4. Such operator must obtain security, in a form approved by the Office (see §726.104) and in an amount to be determined by the Office (see §726.105); and

5. No operator with fewer than 5 full-time employee-miners shall be permitted to self-insure.

(c) No operator who is unable to meet the requirements of this section should apply for authorization to self-insure and no application for self-insurance shall be approved by the Office until such time as the amount prescribed by the Office has been secured in accordance with this subpart.

§ 726.102 Application for authority to become a self-insurer; how filed; information to be submitted.

(a) How filed. Application for authority to become a self-insurer shall be addressed to the Office and be made on a form provided by the Office. Such application shall be signed by the applicant over his typewritten name and if the applicant is not an individual, by the principal officer of the applicant duly authorized to make such application over his typewritten name and official designation and shall be sworn to
§ 726.103 Application for authority to self-insure; effect of regulations contained in this part.

As appropriate, each of the regulations, interpretations and requirements contained in this part 726 including those described in subpart C of this part shall be binding upon each applicant under this subpart, and the applicant’s consent to be bound by all requirements of the said regulations shall be deemed to be included in and a part of the application, as fully as though written therein.

§ 726.104 Action by the Office upon application of operator.

(a) Upon receipt of a completed application for authorization to self-insure, the Office shall, after examination of the information contained in the application, either deny the request or determine the amount of security which must be given by the applicant to guarantee the payment of benefits and the discharge of all other obligations which may be required of such applicant under the Act.

(b) The applicant shall thereafter be notified that he may give security in the amount fixed by the Office (see § 726.105):

(1) In the form of an indemnity bond with sureties satisfactory to the Office;

(2) By a deposit of negotiable securities with a Federal Reserve Bank in compliance with §§ 726.106(c) and 726.107;

(3) In the form of a letter of credit issued by a financial institution satisfactory to the Office (except that a letter of credit shall not be sufficient by itself to satisfy a self-insurer’s obligations under this part); or

(4) By funding a trust pursuant to section 501(c)(21) of the Internal Revenue Code (26 U.S.C.).

(c) Any applicant who cannot meet the security deposit requirements imposed by the Office should proceed to obtain a commercial policy or contract of insurance. Any applicant for authorization to self-insure whose application has been rejected or who believes that the security deposit requirements imposed by the Office are excessive may, in writing, request that the Office review its determination. A request for
review should contain such information as may be necessary to support the request that the amount of security required be reduced.

(d) Upon receipt of any such request, the Office shall review its previous determination in light of any new or additional information submitted and inform the applicant whether or not a reduction in the amount of security initially required is warranted.

§ 726.105 Fixing the amount of security.

The Office shall require the amount of security which it deems necessary and sufficient to secure the performance by the applicant of all obligations imposed upon him as an operator by the Act. In determining the amount of security required, the factors that the Office will consider include, but are not limited to, the operator’s net worth, the existence of a guarantee by a parent corporation, and the operator’s existing liability for benefits. The Office shall also consider such other factors as it considers relevant to any particular case. The amount of security which shall be required may be increased or decreased when experience or changed conditions so warrant.

§ 726.106 Type of security.

(a) The Office shall determine the type or types of security which an applicant shall or may procure. (See § 726.104(b).)

(b) In the event the indemnity bond option is selected, the bond shall be in such form and contain such provisions as the Office may prescribe: Provided, That only corporations may act as sureties on such indemnity bonds. In each case in which the surety on any such bond is a surety company, such company must be one approved by the U.S. Treasury Department under the laws of the United States and the applicable rules and regulations governing bonding companies (see Department of Treasury’s Circular—570).

(c) An applicant for authorization to self-insure based on a deposit of negotiable securities, in the amount fixed by the Office, shall deposit any negotiable securities acceptable as security for the deposit of public moneys of the United States under regulations issued by the Secretary of the Treasury. (See 31 CFR Part 225.) The approval, valuation, acceptance, and custody of such securities is hereby committed to the several Federal Reserve Banks and the Treasurer of the United States.

§ 726.107 Deposits of negotiable securities with Federal Reserve banks or the Treasurer of the United States; authority to sell such securities; interest thereon.

Deposits of securities provided for by the regulations in this part shall be made with any Federal Reserve bank or any branch of a Federal Reserve bank designated by the Office, or the Treasurer of the United States, and shall be held subject to the order of the Office with power in the Office, in its discretion in the event of default by the said self-insurer, to collect the interest as it may become due, to sell the securities or any of them as may be required to discharge the obligations of the self-insurer under the Act and to apply the proceeds to the payment of any benefits or medical expenses for which the self-insurer may be liable. The Office may, however, whenever it deems it unnecessary to resort to such securities for the payment of benefits, authorize the self-insurer to collect interest on the securities deposited by him.

§ 726.108 Withdrawal of negotiable securities.

No withdrawal of negotiable securities deposited by a self-insurer, shall be made except upon authorization by the Office. A self-insurer discontinuing business, or discontinuing operations within the purview of the Act, or providing security for the payment of benefits by commercial insurance under the provisions of the Act may apply to the Office for the withdrawal of securities deposited under the regulations in this part. With such application shall be filed a sworn statement setting forth:

(a) A list of all outstanding cases in which benefits are being paid, with the names of the miners and other beneficiaries, giving a statement of the amounts of benefits paid and the periods for which such benefits have been paid; and
§ 726.109 Increase or reduction in the amount of security.

Whenever in the opinion of the Office the amount of security given by the self-insurer is insufficient to afford adequate security for the payment of benefits and medical expenses under the Act, the self-insurer shall, upon demand by the Office, file such additional security as the Office may require. The Office may reduce the amount of security at any time on its own initiative, or upon the application of a self-insurer, when it believes the facts warrant a reduction. A self-insurer seeking a reduction shall furnish such information as the Office may request relative to his current affairs, the nature and hazard of the work of his employees, the amount of the payroll of his employees engaged in coal mine employment within the purview of the Act, his financial condition, and such other evidence as may be deemed material, including a record of benefit payments he has made.

§ 726.110 Filing of agreement and undertaking.

(a) In addition to the requirement that adequate security be procured as set forth in this subpart, the applicant for the authorization to self-insure shall, as a condition precedent to receiving such authorization, execute and file with the Office an agreement and undertaking in a form prescribed and provided by the Office in which the applicant shall agree:

(1) To pay when due, as required by the Act, all benefits payable on account of total disability or death of any of its employee-miners;

(2) To furnish medical, surgical, hospital, and other attendance, treatment, and care as required by the Act;

(3) To provide security in a form approved by the Office (see §726.104) and in an amount established by the Office (see §726.105), as elected in the application;

(4) To authorize the Office to sell any negotiable securities so deposited or any part thereof, and to pay from the proceeds thereof such benefits, medical, and other expenses and any accrued penalties imposed by law as the Office may find to be due and payable.

(b) When an applicant has provided the requisite security, he shall send to the Office in Washington, D.C. a completed agreement and undertaking, together with satisfactory proof that his obligations and liabilities under the Act have been secured.

§ 726.111 Notice of authorization to self-insure.

Upon receipt of a completed agreement and undertaking and satisfactory proof that adequate security has been provided, an applicant for authorization to self-insure shall be notified by the Office in writing that he is authorized to self-insure to meet the obligations imposed upon him by section 415 and part C of title IV of the Act.

§ 726.112 Reports required of self-insurer; examination of accounts of self-insurer.

(a) Each operator who has been authorized to self-insure under this part shall submit to the Office reports containing such information as the Office may from time to time require or prescribe.

(b) Whenever it deems it to be necessary, the Office may inspect or examine the books of account, records, and other papers of a self-insurer for the purpose of verifying any financial statement submitted to the Office by the self-insurer or verifying any information furnished to the Office in any report required by this section, or any other section of the regulations in this part, and such self-insurer shall permit the Office or its duly authorized representative to make such an inspection or examination as the Office shall require. In lieu of this requirement the Office may in its discretion accept an adequate report of a certified public accountant.
Employment Standards Administration, Labor

§ 726.202

(c) Failure to submit or make available any report or information requested by the Office from an authorized self-insurer pursuant to this section may, in appropriate circumstances result in a revocation of the authorization to self-insure.

§ 726.113 Disclosure of confidential information.

Any financial information or records, or other information relating to the business of an authorized self-insurer or applicant for the authorization of self-insurance obtained by the Office shall be exempt from public disclosure to the extent provided in 5 U.S.C. 552(b) and the applicable regulations of the Department of Labor promulgated thereunder. (See 29 CFR part 70.)

§ 726.114 Period of authorization as self-insurer; reauthorization.

(a) No initial authorization to self-insure shall be granted for a period in excess of 18 months. A self-insurer who has made an adequate deposit of negotiable securities in compliance with §§726.106(c) and 726.107 will be reauthorized for the ensuing fiscal year without additional security if the Office finds that his experience as a self-insurer warrants such action. If the Office determines that such self-insurer's experience indicates a need for the deposit of additional security, no reauthorization shall be issued for the ensuing fiscal year until the Office receives satisfactory proof that the requisite amount of additional securities has been deposited. A self-insurer who currently has on file an indemnity bond will receive from the Office each year a bond form for execution in contemplation of reauthorization, and the submission of such bond duly executed in the amount indicated by the Office will be deemed and treated as such self-insurer's application for reauthorization for the ensuing fiscal year.

(b) In each case for which there is an approved change in the amount of security provided, a new agreement and undertaking shall be executed.

(c) Each operator authorized to self-insure under this part shall apply for reauthorization for any period during which it engages in the operation of a coal mine and for additional periods after it ceases operating a coal mine. Upon application by the operator, accompanied by proof that the security it has posted is sufficient to secure all benefits potentially payable to miners formerly employed by the operator, the Office shall issue a certification that the operator is exempt from the requirements of this part based on its prior operation of a coal mine. The provisions of subpart D of this part shall be applicable to any operator that fails to apply for reauthorization in accordance with the provisions of this section.

§ 726.115 Revocation of authorization to self-insure.

The Office may for good cause shown suspend or revoke the authorization of any self-insurer. Failure by a self-insurer to comply with any provision or requirement of law or of the regulations in this part, or with any lawful order or communication of the Office, or the failure or insolvency of the surety on his indemnity bond, or impairment of financial responsibility of such self-insurer, may be deemed good cause for such suspension or revocation.

Subpart C—Insurance Contracts

§ 726.201 Insurance contracts—generally.

Each operator of a coal mine who has not obtained authorization as a self-insurer shall purchase a policy or enter into a contract with a commercial insurance carrier or State agency. Pursuant to authority contained in sections 422(a) and 423(b) and (c) of part C of title IV of the Act, this subpart describes a number of provisions which are required to be incorporated in a policy or contract of insurance obtained by a coal mine operator for the purpose of meeting the responsibility imposed upon such operator by the Act in respect of the total disability or death of miners due to pneumoconiosis.

§ 726.202 Who may underwrite an operator's liability.

Each coal mine operator who is not authorized to self-insure shall insure and keep insured the payment of benefits as required by the Act with any stock company or mutual company or

(a) The following form of endorsement shall be attached and applicable to the standard workmen's compensation and employer's liability policy prepared by the National Council on Compensation Insurance affording coverage under the Federal Coal Mine Health and Safety Act of 1969, as amended:

It is agreed that: (1) With respect to operations in a State designated in item 3 of the declarations, the unqualified term “workmen’s compensation law” includes part C of title IV of the Federal Coal Mine Health and Safety Act of 1969, 30 U.S.C. section 931-936, and any laws amendatory thereto, or supplementary thereto, which may be or become effective while this policy is in force, and definition (a) of Insuring Agreement III is amended accordingly; (2) with respect to such insurance as is afforded by this endorsement, (a) the States, if any, named below, shall be deemed to be designated in item 3 of the declaration; (b) Insuring Agreement IV(2) is amended to read “by disease caused or aggravated by exposure of which the last day of such employment which contributed to or caused the total disability or death due to pneumoconiosis upon which the claim is predicated arose at least in part out of employment in a mine in any period during which it was operated by such operator. The Act does not require that such employment which contributed to or caused the total disability or death due to pneumoconiosis occur subsequent to any particular date in time. The Secretary in establishing a formula for determining the operator liable for the payment of benefits (see subpart D of part 725 of this subchapter) in respect of any particular claim, must therefore, within the framework and intent of title IV of the Act find in appropriate cases that an operator is liable for the payment of benefits for some period after December 31, 1973, even though the employment upon which an operator’s liability is based occurred prior to July 1, 1973, or prior to the effective date of the Act or the effective date of any

subject to the endorsement provisions contained in paragraph (a) of this section shall be acceptable for purposes of writing commercial insurance coverage under the Act. However, to avoid undue disputes over the meaning of certain policy provisions and in accordance with the authority contained in section 423(b)(3) of the Act, the Office has determined that the following requirements shall be applicable to all commercial insurance policies obtained by an operator for the purpose of insuring any liability incurred pursuant to the Act:

(1) Operator liability. (i) Section 415 and part C of title IV of the Act provide coverage for total disability or death due to pneumoconiosis to all claimants who meet the eligibility requirements imposed by the Act. Section 422 of the Act and the regulations duly promulgated thereunder (part 725 of this subchapter) set forth the conditions under which a coal mine operator may be adjudicated liable for the payment of benefits to an eligible claimant for any period subsequent to December 31, 1973.

(ii) Section 422(c) of the Act prescribes that except as provided in 422(i) (see paragraph (c)(2) of this section) an operator may be adjudicated liable for the payment of benefits in any case if the total disability or death due to pneumoconiosis upon which the claim is predicated arose at least in part out of employment in a mine in any period during which it was operated by such operator. The Act does not require that such employment which contributed to or caused the total disability or death due to pneumoconiosis occur subsequent to any particular date in time. The Secretary in establishing a formula for determining the operator liable for the payment of benefits (see subpart D of part 725 of this subchapter) in respect of any particular claim, must therefore, within the framework and intent of title IV of the Act find in appropriate cases that an operator is liable for the payment of benefits for some period after December 31, 1973, even though the employment upon which an operator’s liability is based occurred prior to July 1, 1973, or prior to the effective date of the Act or the effective date of any
Employment Standards Administration, Labor

§ 726.203

amendments thereto, or prior to the effective date of any policy or contract of insurance obtained by such operator.

The endorsement provisions contained in paragraph (a) of this section shall be construed to incorporate these requirements in any policy or contract of insurance obtained by an operator to meet the obligations imposed on such operator by section 423 of the Act.

(2) Successor liability. Section 422(i) of part C of title IV of the Act requires that a coal mine operator who after December 30, 1969, acquired his mine or substantially all of the assets thereof from a person who was an operator of such mine on or after December 30, 1969, shall be liable for and shall secure the payment of benefits which would have been payable by the prior operator with respect to miners previously employed in such mine if the acquisition had not occurred and the prior operator had continued to operate such mine. In the case of an operator who is determined liable for the payment of benefits under section 422(i) of the Act and part 725 of this subchapter, such liability shall accrue to such operator regardless of the fact that the miner on whose total disability or death the claim is predicated was never employed by such operator in any capacity. The endorsement provisions contained in paragraph (a) of this section shall be construed to incorporate in any policy or contract of insurance obtained by an operator to meet the obligations imposed on such operator by section 423 of the Act, the requirement that the payment of benefits to eligible beneficiaries shall be made in such dollar amounts as are prescribed by section 412(a) of the Act computed at the time of payment.

(3) Medical eligibility. Pursuant to section 422(h) of part C of title IV of the Act and the regulations described therein (see subpart D of part 410 of this title) benefits shall be paid to eligible claimants on account of total disability or death due to pneumoconiosis and in cases where the miner on whose death a claim is predicated was totally disabled by pneumoconiosis at the time of his death regardless of the cause of such death. The endorsement provisions contained in paragraph (a) of this section shall be construed to incorporate these requirements in any policy or contract of insurance obtained by an operator to meet the obligations imposed on such operator by section 423 of the Act.

(4) Payment of benefits, rates. Section 422(c) of the Act by incorporating section 412(a) of the Act requires the payment of benefits at a rate equal to 50 per centum of the minimum monthly payment to which a Federal employee in grade GS–2, who is totally disabled is entitled at the time of payment under Chapter 81 of title 5, United States Code. These benefits are augmented on account of eligible dependents as appropriate (see section 412(a) of part B of title IV of the Act). Since the dollar amount of benefits payable to any beneficiary is required to be computed at the time of payment such amounts may be expected to increase from time to time as changes in the GS–2 grade are enacted into law. The endorsement provisions contained in paragraph (a) of this section shall be construed to incorporate in any policy or contract of insurance obtained by an operator to meet the obligations imposed on such operator by section 423 of the Act, the requirement that the payment of benefits to eligible beneficiaries shall be made in such dollar amounts as are prescribed by section 412(a) of the Act computed at the time of payment.

(5) Compromise and waiver of benefits. Section 422(a) of part C of title IV of the Act by incorporating sections 15(b) and 16 of the Longshoremen’s and Harbor Workers’ Compensation Act (33 U.S.C. 915(b) and 916) prohibits the compromise and/or waiver of claims for benefits filed or benefits payable under section 415 and part C of title IV of the Act. The endorsement provisions contained in paragraph (a) of this section shall be construed to incorporate these prohibitions in any policy or contract of insurance obtained by an operator to meet the obligations imposed on such operator by section 423 of the Act.

(6) Additional requirements. In addition to the requirements described in paragraph (c)(1) through (5) of this section, the endorsement provisions contained in paragraph (a) of this section shall, to the fullest extent possible, be construed to bring any policy or contract of insurance entered into by an operator for the purpose of insuring such operator’s liability under part C of title IV of the Act into conformity with the legal requirements placed
§ 726.204 Statutory policy provisions.

Pursuant to section 423(b) of part C of title IV of the Act each policy or contract of insurance obtained to comply with the requirements of section 423(a) of the Act must contain or shall be construed to contain—

(a) A provision to pay benefits required under section 422 of the Act, notwithstanding the provisions of the State workmen’s compensation law which may provide for lesser payments; and,

(b) A provision that insolvency or bankruptcy of the operator or discharge therein (or both) shall not relieve the carrier from liability for such payments.

§ 726.205 Other forms of endorsement and policies.

Forms of endorsement or policies other than that described in §726.203 may be entered into by operators to insure their liability under the Act. However, any form of endorsement or policy which materially alters or attempts to materially alter an operator’s liability for the payment of any benefits under the Act shall be deemed insufficient to discharge such operator’s duties and responsibilities as prescribed in part C of title IV of the Act. In any event, the failure of an operator to obtain an adequate policy or contract of insurance shall not affect such operator’s liability for the payment of any benefits for which he is determined liable.

§ 726.206 Terms of policies.

A policy or contract of insurance shall be issued for the term of 1 year from the date that it becomes effective, but if such insurance be not needed except for a particular contract or operation, the term of the policy may be limited to the period of such contract or operation.

§ 726.207 Discharge by the carrier of obligations and duties of operator.

Every obligation and duty in respect of payment of benefits, the providing of medical and other treatment and care, the payment or furnishing of any other benefit required by the Act and in respect of the carrying out of the administrative procedure required or imposed by the Act or the regulations in this part or part 725 of this subchapter upon an operator shall be discharged and carried out by the carrier as appropriate. Notice to or knowledge of an operator of the occurrence of total disability or death due to pneumoconiosis shall be notice to or knowledge of such carrier. Jurisdiction of the operator by a district director, administrative law judge, the Office, or appropriate appellate authority under the Act shall be jurisdiction of such carrier. Any requirement under any benefits order, finding, or decision shall be binding upon such carrier in the same manner and to the same extent as upon the operator.

§ 726.208 Report by carrier of issuance of policy or endorsement.

Each carrier shall report to the Office each policy and endorsement issued, canceled, or renewed by it to an operator. The report shall be made in such manner and on such form as the Office may require.

§ 726.209 Report; by whom sent.

The report of issuance, cancellation, or renewal of a policy and endorsement provided for in §726.208 shall be sent by the home office of the carrier, except that any carrier may authorize its agency or agencies to make such reports to the Office.

§ 726.210 Agreement to be bound by report.

Every carrier seeking to write insurance under the provisions of the Act shall be deemed to have agreed that the acceptance by the Office of a report of the issuance or renewal of a policy of insurance, as provided for by §726.208 shall bind the carrier to full liability for the obligations under the Act of the operator named in said report. It shall
§ 726.211 Name of one employer only shall be given in each report.

A separate report of the issuance or renewal of a policy and endorsement, provided for by § 726.208, shall be made for each operator covered by a policy. If a policy is issued or renewed insuring more than one operator, a separate report for each operator so covered shall be sent to the Office with the name of only one operator on each such report.

§ 726.212 Notice of cancellation.

Cancellation of a contract or policy of insurance issued under authority of the Act shall not become effective otherwise than as provided by 33 U.S.C. 936(b); and notice of a proposed cancellation shall be given to the Office and to the operator in accordance with the provisions of 33 U.S.C. 912(c), 30 days before such cancellation is intended to be effective (see section 422(a) of part C of title IV of the Act).

§ 726.213 Reports by carriers concerning the payment of benefits.

Pursuant to 33 U.S.C. 914(c) as incorporated by section 422(a) of part C of title IV of the Act and § 726.207 each carrier issuing a policy or contract of insurance under the Act shall upon making the first payment of benefits and upon the suspension of any payment in any case, immediately notify the Office in accordance with a form prescribed by the Office that payment of benefit has begun or has been suspended as the case may be. In addition, each such carrier shall at the request of the Office submit to the Office such additional information concerning policies or contracts of insurance issued to guarantee the payment of benefits under the Act and any benefits paid thereunder, as the Office may from time to time require to carry out its responsibilities under the Act.

Subpart D—Civil Money Penalties

§ 726.300 Purpose and scope.

Any operator which is required to secure the payment of benefits under section 423 of the Act and § 726.4 and which fails to secure such benefits, shall be subject to a civil penalty of not more than $1,000 for each day during which such failure occurs. If the operator is a corporation, the president, secretary, and treasurer of the operator shall also be severally liable for the penalty based on the operator’s failure to secure the payment of benefits. This subpart defines those terms necessary for administration of the civil money penalty provisions, describes the criteria for determining the amount of penalty to be assessed, and sets forth applicable procedures for the assessment and contest of penalties.

§ 726.301 Definitions.

In addition to the definitions provided in part 725 of this subchapter and § 726.8, the following definitions apply to this subpart:

(a) Division Director means the Director, Division of Coal Mine Workers’ Compensation, Office of Workers’ Compensation Programs, Employment Standards Administration, or such other official authorized by the Division Director to perform any of the functions of the Division Director under this subpart.

(b) President, secretary, or treasurer means the officers of a corporation as designated pursuant to the laws and regulations of the state in which the corporation is incorporated or, if that state does not require the designation of such officers, the employees of a company who are performing the work usually performed by such officers in the state in which the corporation’s principal place of business is located.

(c) Principal means any person who has an ownership interest in an operator that is not a corporation, and shall include, but is not limited to, partners, sole proprietors, and any other person who exercises control over the operation of a coal mine.

§ 726.302 Determination of penalty.

(a) The following method shall be used for determining the amount of any penalty assessed under this subpart.

(b) The penalty shall be determined by multiplying the daily base penalty.
§ 726.302

amount or amounts, determined in accordance with the formula set forth in this section, by the number of days in the period during which the operator is subject to the security requirements of section 423 of the Act and §726.4, and fails to secure its obligations under the Act. The period during which an operator is subject to liability for a penalty for failure to secure its obligations shall be deemed to commence on the first day on which the operator met the definition of the term "operator" as set forth in §725.101 of this subchapter. The period shall be deemed to continue even where the operator has ceased coal mining and any related activity, unless the operator secured its liability for all previous periods through a policy or policies of insurance obtained in accordance with subpart C of this part or has obtained a certification of exemption in accordance with the provisions of §726.114.

(c)(1) A daily base penalty amount shall be determined for all periods up to and including the 10th day after the operator's receipt of the notification sent by the Director pursuant to §726.303, during which the operator failed to secure its obligations under section 423 of the Act and §726.4.

(2)(i) The daily base penalty amount shall be determined based on the number of persons employed in coal mine employment by the operator, or engaged in coal mine employment on behalf of the operator, on each day of the period defined by this section, and shall be computed as follows:

<table>
<thead>
<tr>
<th>Employees</th>
<th>Penalty (per day)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 25</td>
<td>$100</td>
</tr>
<tr>
<td>25–50</td>
<td>200</td>
</tr>
<tr>
<td>51–100</td>
<td>300</td>
</tr>
<tr>
<td>More than 100</td>
<td>400</td>
</tr>
</tbody>
</table>

(ii) For any period after the operator has ceased coal mining and any related activity, the daily penalty amount shall be computed based on the largest number of persons employed in coal mine employment by the operator, or engaged in coal mine employment on behalf of the operator, on any day while the operator was engaged in coal mining or any related activity. For purposes of this section, it shall be presumed, in the absence of evidence to the contrary, that any person employed by an operator is employed in coal mine employment.

(3) In any case in which the operator had prior notice of the applicability of the Black Lung Benefits Act to its operations, the daily base penalty amounts set forth in paragraph (c)(2)(i) of this section shall be doubled. Prior notice may be inferred where the operator, or an entity in which the operator or any of its principals had an ownership interest, or an entity in which the operator's president, secretary, or treasurer were employed:

(i) Previously complied with section 423 of the Act and §726.4;

(ii) Was notified of its obligation to comply with section 423 of the Act and §726.4; or

(iii) Was notified of its potential liability for a claim filed under the Black Lung Benefits Act pursuant to §725.407 of this subchapter.

(4) Commencing with the 11th day after the operator's receipt of the notification sent by the Director pursuant to §726.303, the daily base penalty amounts set forth in paragraph (c)(2)(i) shall be increased by $100.

(5) In any case in which the operator, or any of its principals, or an entity in which the operator's president, secretary, or treasurer were employed, has been the subject of a previous penalty assessment under this part, the daily base penalty amounts shall be increased by $300, up to a maximum daily base penalty amount of $1,000. The maximum daily base penalty amount applicable to any violation of §726.4 that takes place after January 19, 2001 shall be $1,100.

(d) The penalty shall be subject to reduction for any period during which the operator had a reasonable belief that it was not required to comply with section 423 of the Act and §726.4 or a reasonable belief that it had obtained insurance coverage to comply with section 423 of the Act and §726.4. A notice of contest filed in accordance with §726.307 shall not be sufficient to establish a reasonable belief that the operator was not required to comply with the Act and regulations.
§ 726.303 Notification; investigation.

(a) If the Director determines that an operator has violated the provisions of section 423 of the Act and § 726.4, he or she shall notify the operator of its violation and request that the operator immediately secure the payment of benefits. Such notice shall be sent by certified mail.

(b) The Director shall also direct the operator to supply information relevant to the assessment of a penalty. Such information, which shall be supplied within 30 days of the Director’s request, may include:

(1) The date on which the operator commenced its operation of a coal mine;

(2) The number of persons employed by the operator since it began operating a coal mine and the dates of their employment; and

(3) The identity and last known address:

(i) In the case of a corporation, of all persons who served as president, secretary, and treasurer of the operator since it began operating a coal mine; or

(ii) In the case of an operator which is not incorporated, of all persons who were principals of the operator since it began operating a coal mine;

(c) In conducting any investigation of an operator under this subpart, the Division Director shall have all of the powers of a district director, as set forth at § 725.351(a) of this subchapter. For purposes of § 725.351(c), the Division Director shall be considered to sit in the District of Columbia.

§ 726.304 Notice of initial assessment.

(a) After an operator receives notification under § 726.303 and fails to secure its obligations for the period defined in § 726.302(b), and following the completion of any investigation, the Director may issue a notice of initial penalty assessment in accordance with the criteria set forth in § 726.302.

(b)(1) A copy of such notice shall be sent by certified mail to the operator. If the operator is a corporation, a copy shall also be sent by certified mail to each of the persons who served as president, secretary, or treasurer of the operator during any period in which the operator was in violation of section 423 of the Act and § 726.4.

(2) Where service by certified mail is not accepted by any person, the notice shall be deemed received by that person on the date of attempted delivery. Where service is not accepted, the Director may exercise discretion to serve the notice by regular mail.

§ 726.305 Contents of notice.

The notice required by § 726.304 shall:

(a) Identify the operator against whom the penalty is assessed, as well as the name of any other person severally liable for such penalty;

(b) Set forth the determination of the Director as to the amount of the penalty and the reason or reasons therefor;

(c) Set forth the right of each person identified in paragraph (a) of this section to contest the notice and request a hearing before the Office of Administrative Law Judges;

(d) Set forth the method for each person identified in paragraph (a) to contest the notice and request a hearing before the Office of Administrative Law Judges;

(e) Inform any affected person that in the absence of a timely contest and request for hearing received within 30 days of the date of receipt of the notice, the Director’s assessment will become final and unappealable as to that person.

§ 726.306 Finality of administrative assessment.

Except as provided in § 726.307(c), if any person identified as potentially liable for the assessment does not, within 30 days after receipt of notice, contest the assessment, the Director’s assessment shall be deemed final as to that person, and collection and recovery of the penalty may be instituted pursuant to § 726.320.

§ 726.307 Form of notice of contest and request for hearing.

(a) Any person desiring to contest the Director’s notice of initial assessment shall request an administrative hearing pursuant to this part. The notice of contest shall be made in writing to the Director, Division of Coal Mine Workers’ Compensation, Office of Workers’ Compensation Programs, Employment Standards Administration, United States Department of Labor.
§ 726.308 Service and computation of time.

(a) Service of documents under this part shall be made by delivery to the person, an officer of a corporation, or attorney of record, or by mailing the document to the last known address of the person, officer, or attorney. If service is made by mail, it shall be considered complete upon mailing. Unless otherwise provided in this subpart, service need not be made by certified mail. If service is made by delivery, it shall be considered complete upon actual receipt by the person, officer, or attorney; upon leaving it at the person’s, officer’s or attorney’s office with a clerk or person in charge; upon leaving it at a conspicuous place in the office if no one is in charge; or by leaving it at the person’s or attorney’s residence.

(b) Failure to specifically identify an issue as contested pursuant to paragraph (b)(3) of this section shall be deemed a waiver of the right to contest that issue.

§ 726.309 Referral to the Office of Administrative Law Judges.

(a) Upon receipt of a timely notice of contest filed in accordance with § 726.307, the Director, by the Associate Solicitor for Black Lung Benefits or the Regional Solicitor for the Region in which the violation occurred, may file a complaint with the Office of Administrative Law Judges. The Director may, in the complaint, reduce the total penalty amount requested. A copy of the notice of initial assessment issued by the Director and all notices of contest filed in accordance with § 726.307 shall be attached. A notice of contest shall be given the effect of an answer to the complaint for purposes of the administrative proceeding, subject to any
§ 726.312 Burdens of proof.

(a) The Director shall bear the burden of proving the existence of a violation, and the time period for which the violation occurred. To prove a violation, the Director must establish:

(1) That the person against whom the penalty is assessed is an operator, or is the president, secretary, or treasurer of an operator, if such operator is a corporation.

(2) That the operator violated section 423 of the Act and §726.4. The filing of a complaint shall be considered prima facie evidence that the Director has searched the records maintained by OWCP and has determined that the operator was not authorized to self-insure its liability under the Act for the time period in question, and that no insurance carrier reported coverage of the operator for the time period in question.

(b) The Director need not produce further evidence in support of his burden of proof with respect to the issues set forth in paragraph (a) if no party contested them pursuant to §726.307(b)(3).

(c) The Director shall bear the burden of proving the size of the operator as required by §726.302, except that if the Director has requested the operator to supply information with respect to its size under §726.303 and the operator has not fully complied with that request, it shall be presumed that the operator has more than 100 employees engaged in coal mine employment. The person or persons liable for the assessment shall thereafter bear the burden of proving the actual number of employees engaged in coal mine employment.

(d) The Director shall bear the burden of proving the operator’s receipt of the notification required by §726.303, the operator’s prior notice of the applicability of the Black Lung Benefits Act to its operations, and the existence of any previous assessment against the operator, the operator’s principals, or the operator’s officers.

(e) The person or persons liable for an assessment shall bear the burden of proving the applicability of the mitigating factors listed in §726.302(d).
§ 726.313 Decision and order of Administrative Law Judge.

(a) The Administrative Law Judge shall render a decision on the issues referred by the Director.

(b) The decision of the Administrative Law Judge shall be limited to determining, where such issues are properly before him or her:
   (1) Whether the operator has violated section 423 of the Act and §726.4;
   (2) Whether other persons identified by the Director as potentially severally liable for the penalty were the president, treasurer, or secretary of the corporation during the time period in question; and
   (3) The appropriateness of the penalty assessed by the Director in light of the factors set forth in §726.302. The Administrative Law Judge shall not render determinations on the legality of a regulatory provision or the constitutionality of a statutory provision.

(c) The decision of the Administrative Law Judge shall include a statement of findings and conclusions, with reasons and bases therefor, upon each material issue presented on the record. The decision shall also include an appropriate order which may affirm, reverse, or modify, in whole or in part, the determination of the Director.

(d) The Administrative Law Judge shall serve copies of the decision on each of the parties by certified mail.

(e) The decision of the Administrative Law Judge shall be deemed to have been issued on the date that it is rendered, and shall constitute the final order of the Secretary unless there is a request for reconsideration by the Administrative Law Judge pursuant to paragraph (f) of this section or a petition for review filed pursuant to §726.314.

(f) Any party may request that the Administrative Law Judge reconsider his or her decision by filing a motion within 30 days of the date upon which the decision of the Administrative Law Judge was issued. A timely motion for reconsideration shall suspend the running of the time for any party to file a petition for review pursuant to §726.314.

(g) Following issuance of the decision and order, the Chief Administrative Law Judge shall promptly forward the complete hearing record to the Director.

§ 726.314 Review by the Secretary.

(a) The Director or any party aggrieved by a decision of the Administrative Law Judge may petition the Secretary for review of the decision by filing a petition within 30 days of the date on which the decision was issued. Any other party may file a cross-petition for review within 15 days of its receipt of a petition for review or within 30 days of the date on which the decision was issued, whichever is later. Copies of any petition or cross-petition shall be served on all parties and on the Chief Administrative Law Judge.

(b) A petition filed by one party shall not affect the finality of the decision with respect to other parties.

(c) If any party files a timely motion for reconsideration, any petition for review, whether filed prior to or subsequent to the filing of the timely motion for reconsideration, shall be dismissed without prejudice as premature. The 30-day time limit for filing a petition for review by any party shall commence upon issuance of a decision on reconsideration.

§ 726.315 Contents.

Any petition or cross-petition for review shall:
   (a) Be dated;
   (b) Be typewritten or legibly written;
   (c) State the specific reason or reasons why the party petitioning for review believes the Administrative Law Judge’s decision is in error;
   (d) Be signed by the party filing the petition or an authorized representative of such party; and
   (e) Attach copies of the Administrative Law Judge’s decision and any other documents admitted into the record by the Administrative Law Judge which would assist the Secretary in determining whether review is warranted.

§ 726.316 Filing and service.

(a) Filing. All documents submitted to the Secretary shall be filed with the Secretary of Labor, U.S. Department of Labor, 200 Constitution Ave., N.W., Washington, DC 20210.
Employment Standards Administration, Labor

§ 726.320

(b) Number of copies. An original and four copies of all documents shall be filed.

(c) Computation of time for delivery by mail. Documents are not deemed filed with the Secretary until actually received by the Secretary either on or before the due date. No additional time shall be added where service of a document requiring action within a prescribed time was made by mail.

(d) Manner and proof of service. A copy of each document filed with the Secretary shall be served upon all other parties involved in the proceeding. Service under this section shall be by personal delivery or by mail. Service by mail is deemed effected at the time of mailing to the last known address.

§ 726.317 Discretionary review.

(a) Following receipt of a timely petition for review, the Secretary shall determine whether the decision warrants review, and shall send a notice of such determination to the parties and the Chief Administrative Law Judge. If the Secretary declines to review the decision, the Administrative Law Judge’s decision shall be considered the final decision of the agency. The Secretary’s determination to review a decision by an Administrative Law Judge under this subpart is solely within the discretion of the Secretary.

(b) The Secretary’s notice shall specify:

(1) The issue or issues to be reviewed; and

(2) The schedule for submitting arguments, in the form of briefs or such other pleadings as the Secretary deems appropriate.

(c) Upon receipt of the Secretary’s notice, the Director shall forward the record to the Secretary.

§ 726.318 Final decision of the Secretary.

The Secretary’s review shall be based upon the hearing record. The findings of fact in the decision under review shall be conclusive if supported by substantial evidence in the record as a whole. The Secretary’s review of conclusions of law shall be de novo. Upon review of the decision, the Secretary may affirm, reverse, modify, or vacate the decision, and may remand the case to the Office of Administrative Law Judges for further proceedings. The Secretary’s final decision shall be served upon all parties and the Chief Administrative Law Judge, in person or by mail to the last known address.

§ 726.319 Retention of official record.

The official record of every completed administrative hearing held pursuant to this part shall be maintained and filed under the custody and control of the Director.

§ 726.320 Collection and recovery of penalty.

(a) When the determination of the amount of any civil money penalty provided for in this part becomes final, in accordance with the administrative assessment thereof, or pursuant to the decision and order of an Administrative Law Judge, or following the decision of the Secretary, the amount of the penalty as thus determined is immediately due and payable to the U.S. Department of Labor on behalf of the Black Lung Disability Trust Fund. The person against whom such penalty has been assessed or imposed shall promptly remit the amount thereof, as finally determined, to the Secretary by certified check or by money order, made payable to the order of U.S. Department of Labor, Black Lung Program. Such remittance shall be delivered or mailed to the Director.

(b) If such remittance is not received within 30 days after it becomes due and payable, it may be recovered in a civil action brought by the Secretary in any court of competent jurisdiction, in which litigation the Secretary shall be represented by the Solicitor of Labor.

(b) The definitions contained in this part shall not be considered to derogate from the definitions of terms in the respective Acts.
(c) The definitions pertaining to the Acts contained in the several parts of chapter VI of this title 20 shall be applicable to this chapter as is appropriate.

§ 801.3 Applicability of this part to 20 CFR part 802.

Part 802 of title 20, Code of Federal Regulations, contains the rules of practice and procedure of the Board. This part 801, including the definitions and usages contained in §801.2, is applicable to part 802 of this chapter as appropriate.

ESTABLISHMENT AND AUTHORITY OF THE BOARD

§ 801.101 Establishment.

By Pub. L. 92–576, 82 Stat. 1251, in an amendment made to section 21 of the Longshore and Harbor Workers’ Compensation Act (33 U.S.C. 921), there was established effective November 26, 1972, a Benefits Review Board, which is composed of members appointed by the Secretary of Labor.

§ 801.102 Review authority.

(a) The Board is authorized, as provided in 33 U.S.C. 921(b), as amended, to hear and determine appeals raising a substantial question of law or fact taken by any party in interest from decisions or orders with respect to claims for compensation or benefits arising under the following Acts, as amended and extended:

1. The Longshore and Harbor Workers’ Compensation Act (LHWCA), 33 U.S.C. 901 et seq.;
2. The Defense Base Act (DBA), 42 U.S.C. 1651 et seq.;
3. The District of Columbia Workmen’s Compensation Act (DCWCA), 36 D.C. Code 501 et seq. (1973);
4. The Outer Continental Shelf Lands Act (OCSLA), 43 U.S.C. 1331 et seq.;
5. The Nonappropriated Fund Instrumentalities Act (NPIA), 5 U.S.C. 8171 et seq.;

§ 801.103 Organizational placement.

As prescribed by the statute, the functions of the Benefits Review Board are quasi-judicial in nature and involve review of decisions made in the course of the administration of the above statutes by the Employment Standards Administration in the Department of Labor. It is accordingly found appropriate for organizational purposes to place the Board in the Office of the Deputy Secretary and it is hereby established in that Office, which shall be responsible for providing necessary funds, personnel, supplies, equipment, and records services for the Board.

§ 801.104 Operational rules.

The Deputy Secretary of Labor may promulgate such rules and regulations as may be necessary or appropriate for effective operation of the Benefits Review Board as an independent quasi-judicial body in accordance with the provisions of the statute.

MEMBERS OF THE BOARD

§ 801.201 Composition of the Board.

(a) The Board shall be composed of five permanent members appointed by the Secretary from among individuals who are especially qualified to serve thereon. Each permanent member shall serve an indefinite term subject to the discretion of the Secretary.

(b) The member designated by the Secretary as Chairman of the Board shall serve as chief administrative officer of the Board and shall have the authority, as delegated by the Secretary, to exercise all administrative functions necessary to operate the Board.

(c) The four remaining members shall be the associate members of the Board.
(d) Upon application of the Chairman of the Board, the Secretary may designate up to four Department of Labor administrative law judges to serve as temporary Board members in addition to the five permanent Board members. Up to four such temporary members may serve at any one time. The term of any temporary Board member shall not exceed 1 year from date of appointment.

§ 801.202 Interim appointments.

(a) Acting Chairman. In the event that the Chairman of the Board is temporarily disabled or unavailable to perform his or her duties as prescribed in this chapter VII, he or she shall designate a permanent member to serve as Acting Chairman until such time as the Secretary designates an Acting Chairman. In the event that the Chairman is physically unable to make such designation, the next senior permanent member shall serve as Acting Chairman until such time as the Secretary of Labor designates an Acting Chairman.

(b) Interim members. In the event that a permanent member of the Board is temporarily unable to carry out his or her responsibilities because of disqualification, illness, or for any other reason, the Secretary of Labor may, in his or her discretion, appoint a qualified individual to serve in the place of such permanent member for the duration of that permanent member's inability to serve.

§ 801.203 Disqualification of Board Members.

(a) During the period in which the Chairman or the other members serve on the Board, they shall be subject to the Department's regulations governing ethics and conduct set forth at 20 CFR part 0.

(b) Notice of any objection which a party may have to any Board member who will participate in the proceeding shall be made by such party at the earliest opportunity. The Board member shall consider such objection and shall, in his or her discretion, either proceed with the case or withdraw.

§ 801.301 Quorum and votes of the permanent Board; panels within the Board.

(a) For the purpose of carrying out its functions under the Acts, whenever action is taken by the entire permanent Board sitting en banc, three permanent members of the Board shall constitute a quorum, and official action of the permanent Board can be taken only on the concurring vote of at least three permanent members.

(b) The Board may delegate any or all of its powers except en banc review to panels of three members. Each panel shall consist of at least two permanent members. Two members of the panel shall constitute a quorum and official panel action can be taken only on the concurring vote of two members of the panel.

(c) A panel decision shall stand unless vacated or modified by the concurring vote of at least three permanent members sitting en banc.

(d) En banc action is not available in cases arising under the District of Columbia Workmen's Compensation Act.

§ 801.302 Procedural rules.

Procedural rules for performance by the Board of its review functions and for insuring an adequate record for any judicial review of its orders, and such amendments to the rules as may be necessary from time to time, shall be promulgated by the Deputy Secretary. Such rules shall incorporate and implement the procedural requirements of section 21(b) of the Longshore and Harbor Workers' Compensation Act.

§ 801.303 Location of Board's proceedings.

The Board shall hold its proceedings at 200 Constitution Avenue, NW., Room N–5101, Washington, DC 20210, unless for good cause the Board orders that proceedings in a particular matter be held in another location.

§ 801.304 Business hours.

The office of the Clerk of the Board at Washington, DC shall be open from 8:30 a.m.—5:00 p.m. on all days, except

Subpart A—General Provisions

INTRODUCTORY

§ 802.101 Purpose and scope of this part.

(a) The purpose of part 802 is to establish the rules of practice and procedure governing the operation of the Benefits Review Board.

(b) Except as otherwise provided, the rules promulgated in this part apply to all appeals taken by any party from decisions or orders with respect to claims for compensation or benefits under the following Acts:

1. The Longshore and Harbor Workers’ Compensation Act (LHWCA), 33 U.S.C. 901 et seq.;
2. The Defense Base Act (DBA), 42 U.S.C. 1651 et seq.;
3. The District of Columbia Workmen’s Compensation Act (DCWCA), 36 D.C. Code 501 et seq. (1973);
4. The Outer Continental Shelf Lands Act (OCSLA), 43 U.S.C. 1331 et seq.;
5. The Nonappropriated Fund Instrumentalities Act (NFIA), 5 U.S.C. 8171 et seq.;

§ 802.102 Applicability of part 801 of this chapter.

Part 801 of this chapter VII sets forth rules of general applicability covering the composition, authority, and operation of the Benefits Review Board and definitions applicable to this chapter. The provisions of part 801 of this chapter are fully applicable to this part 802.

§ 802.103 Powers of the Board.

(a) Conduct of proceedings. Pursuant to section 27(a) of the LHWCA, the Board shall have power to preserve and enforce order during any proceedings for determination or adjudication of entitlement to compensation or benefits or for liability for payment thereof, and to do all things in accordance with law which may be necessary to enable the Board to effectively discharge its duties.

(b) Contumacy. Pursuant to section 27(b) of the LHWCA, if any person in proceedings before the Board disobeys or resists any lawful order or process, or misbehaves during a hearing or so near the place thereof as to obstruct the same, the Board shall certify the facts to the Federal district court having jurisdiction in the place in which it is sitting (or to the U.S. District Court for the District of Columbia if it is sitting in the District) which shall thereupon in a summary manner hear the evidence as to the acts complained of, and if the evidence so warrants, punish such person in the same manner and to the same extent as for a contempt committed before the court, or commit such person upon the same conditions as if the doing of the forbidden act had occurred with reference to the process or in the presence of the court.

§ 802.104 Consolidation; severance.

(a) Cases may, in the sole discretion of the Board, be consolidated for purposes of an appeal upon the motion of any party or upon the Board’s own motion where there exist common parties, common questions of law or fact or both, or in such other circumstances as justice and the administration of the Acts require.

(b) Upon its own motion, or upon motion of any party, the Board may, for good cause, order any proceeding severed with respect to some or all issues or parties.

§ 802.105 Stay of payment pending appeal.

(a) As provided in section 14(f) of the LHWCA and sections 415 and 422 of the Black Lung Benefits Act, the payment of the amounts required by an award of compensation or benefits shall not be stayed or in any way delayed beyond ten days after it becomes due pending final decision in any proceeding before the Board unless so ordered by the
§ 802.201

Board. No stay shall be issued unless irreparable injury would otherwise ensue to the employer, coal mine operator or insurance carrier. Any order of the Board permitting any stay shall contain a specific finding, based upon evidence submitted to the Board and identified by reference thereto, that irreparable injury would result to such employer, operator or insurance carrier, and specify the nature and extent of the injury.

(b) When circumstances require, the Board, in its discretion, may issue a temporary order not to exceed 30 days granting a motion for stay of payment prior to the expiration of the ten-day period allowed for filing responses to motions pursuant to §802.219(e). Following receipt of a response to the motion or expiration of the response time provided in §802.219(e), the Board will issue a subsequent order ruling on the motion for stay of payment.

[52 FR 27292, July 20, 1987, as amended at 53 FR 16519, May 9, 1988]

Subpart B—Prereview Procedures

(a) Appearances. Any party or intervenor or any representative duly authorized pursuant to §802.201(b) may appear before and/or submit written argument to the Board by attorney or any other person, including any representative of an employee organization, duly authorized pursuant to paragraph (d)(2) of this section.

(b) Any individual petitioner or respondent or his duly authorized representative pursuant to §802.201(b) or an officer of any corporate party or a member of any partnership or joint venture which is a party may participate in the appeal on his or her own behalf, or on behalf of such business entity.

(c) For each instance in which appearance before the Board is made by an attorney or duly authorized person other than the party or his legal guardian, committee, or representative, there shall be filed with the Board a notice of appearance. Any attorney or other duly authorized person of record who intends to withdraw from representation shall file prior written notice of intent to withdraw from representation shall file prior written notice of intent to withdraw from representation of a party or of substitution of counsel or other representative.

(d) Qualifications—(1) Attorneys. An attorney at law who is admitted to practice before the Federal courts or the District of Columbia, or any territory or commonwealth of the United States, may practice before the Board.
unless he or she has been disqualified from representing claimants under the Act pursuant to 33 U.S.C. 931(b)(2)(C), or unless authority to appear has been denied pursuant to §802.202(e)(1) and (3). An attorney’s own representation that he or she is in good standing before any of such courts shall be sufficient proof thereof, unless otherwise ordered by the Board.

(2) **Persons not attorneys.** Any person who is not an attorney at law may be admitted to appear in a representative capacity unless he or she has been disqualified from representing claimants under the Act pursuant to 33 U.S.C. 931(b)(2)(C). An application by a person not an attorney at law for admission to appear in a proceeding shall be submitted in writing to the Board at the time such person’s appearance is entered. The application shall state such person’s name, address, telephone number, general education, any special training or experience in claims representation, and such person’s relationship, if any, to the party being represented. The Board may, at any time, make further inquiry as to the qualification or ability of such person to render assistance. In the event of a failure to make application for admission to appear, the Board shall issue an order to show cause why admission to appear should not be denied. Admission to appear in a particular case shall not be deemed a blanket authorization to appear in other cases.

(e) **Denial of authority to appear.**—

(1) **Attorneys.** The Board may deny the privilege of appearing to any attorney, within applicable statutory constraints, e.g., 5 U.S.C. 555, who has been disbarred or suspended from the practice of law; who has surrendered his or her license while under investigation or under threat of disciplinary action; or who, after notice of an opportunity for hearing in the matter is found by the Board to have engaged in any conduct which would result in the loss of his or her license. No provision hereof shall apply to any attorney who appears on his or her own behalf.

(2) **Persons not attorneys.** The Board may deny the privilege of appearing to any person who, in the Board’s judgment, lacks sufficient qualification or ability to render assistance. No provision hereof shall apply to any person who appears on his or her own behalf.

(3) Denial of authority to appear may be considered, after notice of and opportunity for a hearing, by the panel (constituted pursuant to §801.301) which is assigned to decide the appeal in which the attorney or other person has entered an appearance. If such proceeding reveals facts suggesting that one of the circumstances described in 33 U.S.C. 931(b)(2)(C) exists, the Board shall refer that information to the Director, OWCP, for further proceedings pursuant to 33 U.S.C. 931(b)(2)(C) and 907(j). An attorney or other person may appeal a panel’s decision to deny authority to appear to the entire permanent Board sitting en banc.

§ 802.203 Fees for services.

(a) No fee for services rendered on behalf of a claimant in the successful pursuit or successful defense of an appeal shall be valid unless approved pursuant to 33 U.S.C. 928, as amended.

(b) All fees for services rendered in the successful pursuit or successful defense of an appeal on behalf of a claimant shall be subject to the provisions and prohibitions contained in 33 U.S.C. 928, as amended.

(c) Within 60 days of the issuance of a decision or non-interlocutory order by the Board, counsel or, where appropriate, representative for any claimant who has prevailed on appeal before the Board may file an application with the Board for a fee. Where the Board remands the case and the administrative law judge on remand issues an award, a fee petition may be filed within 60 days of the decision on remand. In the event that a claimant who was unsuccessful before the Board prevails on appeal to the court of appeals, his or her representative may within 60 days of issuance of the court’s judgment file a fee application with the Board for services performed before the Board.

(d) A fee application shall include only time spent on services performed while the appeal was pending before the Board and shall be complete in all respects, containing all of the following specific information:
§ 802.204  Notice of Appeal

§ 802.204 Place for filing notice of appeal.

Any notice of appeal shall be sent by mail to the U.S. Department of Labor, Benefits Review Board, P.O. Box 37601, Washington, DC 20013–7601, or otherwise presented to the Clerk of the Board at 200 Constitution Avenue, NW., Room S–5220, Washington, DC 20210. A copy shall be served on the deputy commissioner who filed the decision or order being appealed and on all other parties by the party who files a notice of appeal. Proof of service of the notice of appeal on the deputy commissioner and other parties shall be included with the notice of appeal.

§ 802.205 Time for filing.

(a) A notice of appeal, other than a cross-appeal, must be filed within 30 days from the date upon which a decision or order has been filed in the Office of the Deputy Commissioner pursuant to section 19(e) of the LHWCA or in such other office as may be established in the future (see §§702.349 and 725.478 of this title).

(b) If a timely notice of appeal is filed by a party, any other party may initiate a cross-appeal by filing a notice of appeal within 14 days of the date on which the first notice of appeal was filed, or within the time prescribed by paragraph (a) of this section, whichever period last expires. In the event that such other party was not properly served with the first notice of appeal, such party may initiate a cross-appeal by filing a notice of appeal within 14 days of the date that service is effected.

(c) Failure to file within the period specified in paragraph (a) or (b) of this section (whichever is applicable) shall foreclose all rights to review by the Board with respect to the case or matter in question. Any untimely appeal will be summarily dismissed by the Board for lack of jurisdiction.
§ 802.206 Effect of motion for reconsideration on time for appeal.

(a) A timely motion for reconsideration of a decision or order of an administrative law judge or deputy commissioner shall suspend the running of the time for filing a notice of appeal.

(b)(1) In a case involving a claim filed under the Longshore and Harbor Workers’ Compensation Act or its extensions (see §802.101(b)(1)–(5)), a timely motion for reconsideration for purposes of paragraph (a) of this section is one which is filed not later than 10 days from the date the decision or order was filed in the Office of the Deputy Commissioner.

(2) In a case involving a claim filed under title IV of the Federal Mine Safety and Health Act, as amended (see §802.101(b)(6)), a timely motion for reconsideration for purposes of paragraph (a) of this section is one which is filed not later than 30 days from the date the decision or order was served on all parties by the administrative law judge and considered filed in the Office of the Deputy Commissioner (see §§725.478 and 725.479(b), (c) of this title).

(c) If the motion for reconsideration is sent by mail and the fixing of the date of delivery as the date of filing would result in a loss or impairment of reconsideration rights, it will be considered to have been filed as of the date of mailing. The date appearing on the U.S. Postal Service postmark (when available and legible) shall be prima facie evidence of the date of mailing. If there is no such postmark or it is not legible, other evidence such as, but not limited to, certified mail receipts, certificates of service and affidavits may also be used to establish the mailing date.

(d) If a motion for reconsideration is granted, the full time for filing an appeal commences on the date the subsequent decision or order on reconsideration is filed as provided in §802.205.

(e) If a motion for reconsideration is denied, the full time for filing an appeal commences on the date the order denying reconsideration is filed as provided in §802.205.

(f) If a timely motion for reconsideration of a decision or order of an administrative law judge or deputy commissioner is filed, any appeal to the Board, whether filed prior to or subsequent to the filing of the timely motion for reconsideration, shall be dismissed without prejudice as premature. Following decision by the administrative law judge or deputy commissioner pursuant to either paragraph (d) or (e) of this section, a new notice of appeal shall be filed with the Clerk of the Board by any party who wishes to appeal. During the pendency of an appeal to the Board, any party having knowledge that a motion for reconsideration of a decision or order of an administrative law judge or deputy commissioner has been filed shall notify the Board of such filing.

§ 802.207 When a notice of appeal is considered to have been filed in the office of the Clerk of the Board.

(a) Date of receipt. (1) Except as otherwise provided in this section, a notice of appeal is considered to have been filed only as of the date it is received in the office of the Clerk of the Board.

(2) Notices of appeal submitted to any other agency or subdivision of the Department of Labor or of the U.S. Government or any State government shall be promptly forwarded to the office of the Clerk of the Board. The notice shall be considered filed with the Clerk of the Board as of the date it was received by the other governmental unit if the Board finds that it is in the interest of justice to do so.

(b) Date of mailing. If the notice of appeal is sent by mail and the fixing of the date of delivery as the date of filing would result in a loss or impairment of appeal rights, it will be considered to have been filed as of the date of mailing. The date appearing on the U.S. Postal Service postmark (when available and legible) shall be prima facie evidence of the date of mailing. If there is no such postmark or it is not legible, other evidence, such as, but not limited to, certified mail receipts, certificate of service and affidavits, may be used to establish the mailing date.

§ 802.208 Contents of notice of appeal.

(a) A notice of appeal shall contain the following information:

(b) Each petition for review shall be accompanied by a supporting brief, memorandum of law or other statement which: Specifically states the issues to be considered by the Board; presents, with appropriate headings, an argument with respect to each issue presented with references to transcripts, pieces of evidence and other parts of the record to which the petitioner wishes the Board to refer; a short conclusion stating the precise result the petitioner seeks on each issue and any authorities upon which the petitioner relies to support such proposed result. The Longshore Desk Book and Black Lung Desk Book are not intended as final legal authorities and should not be cited or relied upon as such.

(c) Copies of the petition for review and accompanying documents must be served upon all parties and the Solicitor of Labor.

(d) Failure to submit a petition for review and brief within the 30-day period or to comply with any part of this section may, in the discretion of the Board, cause the appeal to be deemed abandoned (see § 802.402).

(e) When a party appears pro se the Board may, in its discretion, waive formal compliance with the requirements of this section and may, depending upon the particular circumstances, prescribe an alternate method of furnishing such information as may be necessary for the Board to decide the merits of any such appeal.
§ 802.212 Response to petition for review.

(a) Within 30 days after the receipt of a petition for review, each party upon whom it was served may submit to the Board a brief, memorandum, or other statement in response to it.

(b) Arguments in response briefs shall be limited to those which respond to arguments raised in petitioner’s brief and to those in support of the decision below. Other arguments will not be considered by the Board (see § 802.205(b)).

§ 802.213 Reply briefs.

(a) Within 20 days after the receipt of a brief, memorandum, or statement submitted in response to the petition for review pursuant to § 802.212, any party upon whom it was served may file a brief, memorandum, or other statement in reply to it.

(b) Arguments in reply briefs shall be limited to those which reply to arguments made in the response brief. Any other arguments in a reply brief will not be considered by the Board.

§ 802.214 Intervention.

(a) If a person or legal entity shows in a written petition to intervene that his, her, or its rights are affected by any proceeding before the Board, the Board may permit that person or legal entity to intervene in the proceeding and to participate within limits prescribed by the Board.

(b) The petition to intervene shall state precisely:

(1) The rights affected, and

(2) The nature of any argument the person or legal entity intends to make.

§ 802.215 Additional briefs.

Additional briefs may be filed or ordered in the discretion of the Board and shall be submitted within time limits specified by the Board.

(b) For each paper filed with the Board, the original and two legible copies shall be submitted.

(c) A copy of any paper filed with the Board shall be served on each party and the Solicitor of Labor, by the party submitting the paper.

(b) Any request for an enlargement of time pursuant to this section shall be directed to the Clerk of the Board and must be received by the Clerk on or prior to the date on which the paper is due.

(c) Any request for an enlargement of time pursuant to this section shall be submitted in writing in the form of a motion, shall specify the reasons for the request, and shall specify the date to which an enlargement of time is requested.

(d) Absent exceptional circumstances, no more than one enlargement of time shall be granted to each party.

(e) Absent a timely request for an enlargement of time pursuant to this section and the Board’s granting that request, any paper submitted to the Board outside the applicable time period specified in this part shall be accompanied by a separate motion stating the reasons therefor and requesting that the Board accept the paper although filed out of time.
§ 802.218 Failure to file papers; order to show cause.

(a) Failure to file any paper when due pursuant to this part, may, in the discretion of the Board, constitute a waiver of the right to further participation in the proceedings.

(b) When a petition for review and brief has not been submitted to the Board within the time limitation prescribed by §802.211, or within an enlarged time limitation granted pursuant to §802.217, the petitioner shall be ordered to show cause to the Board why his or her appeal should not be dismissed pursuant to §802.402.

§ 802.219 Motions to the Board; orders.

(a) An application to the Board for an order shall be by motion in writing. A motion shall state with particularity the grounds therefor and shall set forth the relief or order sought.

(b) A motion shall be a separate document and shall not be incorporated in the text of any other paper filed with the Board, except for a statement in support of the motion. If this paragraph is not complied with, the Board will not consider and dispose of the motion.

(c) If there is no objection to a motion in whole or in part by another party to the case, the absence of an objection shall be stated on the motion.

(d) The rules applicable to service and form of papers, §802.216, shall apply to all motions.

(e) Within 10 days of the receipt of a copy of a motion, a party may file a written response with the Board.

(f) As expeditiously as possible following receipt of a response to a motion or expiration of the response time provided in paragraph (e) of this section, the Board shall issue a dispositive order.

(g) Orders granted by Clerk. The Clerk of the Board may enter orders on behalf of the Board in procedural matters, including but not limited to:

(1) First motions for extensions of time for filing briefs and any papers other than notices of appeal or cross-appeal;

(2) Motions for voluntary dismissals of appeals;

(3) Orders to show cause why appeals should not be dismissed for failure to timely file a petition for review and brief (see §802.218(b)); and

(4) Unopposed motions which are ordinarily granted as of course, except that the Clerk may, in his or her discretion, refer such motions for disposition to a motions panel as provided by paragraph (h) of this section.

(h) All other motions. All other motions will be referred for disposition to a panel of three members constituted pursuant to §801.301. Any member may request that any motion be considered by the entire permanent Board en banc except as provided in §801.301(d).

§ 802.221 Computation of time.

(a) In computing any period of time prescribed or allowed by these rules, by direction of the Board, or by any applicable statute which does not provide otherwise, the day from which the designated period of time begins to run...
shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, Sunday, or legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday, or legal holiday.

(b) Whenever a paper is served on the Board or on any party by mail, paragraph (a) of this section will be deemed complied with if the envelope containing the paper is postmarked by the U.S. Postal Service within the time period allowed, computed as in paragraph (a) of this section. If there is no such postmark, or it is not legible, other evidence, such as, but not limited to, certified mail receipts, certificate of service and affidavits, may be used to establish the mailing date.

(c) A waiver of the time limitations for filing a paper, other than a notice of appeal, may be requested by proper motion filed in accordance with §§802.217 and 802.219.

Subpart C—Procedure for Review

ACTION BY THE BOARD

§802.301 Scope of review.

(a) The Benefits Review Board is not empowered to engage in a de novo proceeding or unrestricted review of a case brought before it. The Board is authorized to review the findings of fact and conclusions of law on which the decision or order appealed from was based. Such findings of fact and conclusions of law may be set aside only if they are not, in the judgment of the Board, supported by substantial evidence in the record considered as a whole or in accordance with law.

(b) Parties shall not submit new evidence to the Board. Any evidence submitted by a party which is not part of the record developed at the hearing before the administrative law judge will be returned without being considered by the Board.

(c) Any party who considers new evidence necessary to the adjudication of the claim may apply for modification pursuant to section 22 of the Longshore and Harbor Workers’ Compensation Act, 33 U.S.C. 922. A party who files a petition for modification shall promptly notify the Board of such filing. Upon receipt of such notification, the Board shall dismiss the case without prejudice. Should the petition for modification be declined, the petitioner may file a request for reinstatement of his or her appeal with the Board within 30 days of the date the petition is declined. Should the petition for modification be accepted, any party adversely affected by the decision or order granting or denying modification may file a new appeal with the Board within 30 days of the date the decision or order on modification is filed.

§802.302 Docketing of appeals.

(a) Maintenance of dockets. A docket of all proceedings shall be maintained by the Board. Each proceeding shall be assigned a number in chronological order upon the date on which a notice of appeal is received. Correspondence or further applications in connection with any pending case shall refer to the docket number of that case.

(b) Inspection of docket; publication of decision. The docket of the Board shall be open to public inspection. The Board shall publish its decisions in a form which is readily available for inspection, and shall allow the public to inspect its decisions at the permanent location of the Board.

ORAL ARGUMENT BEFORE THE BOARD

§802.303 Decision; no oral argument.

(a) In the event that no oral argument is ordered pursuant to §802.306, the Board shall proceed to review the record of the case as expeditiously as possible after all briefs, supporting statements, and other pertinent documents have been received.

(b) Each case shall be considered in the order in which it becomes ready for decision, regardless of docket number, although for good cause shown, upon the filing of a motion to expedite by a party, the Board may advance the order in which a particular case is to be considered.

(c) The Board may advance an appeal on the docket on its own motion if the interests of justice would be served by so doing.
§ 802.304 Purpose of oral argument.
Oral argument may be held by the Board in any case:
(a) When there is a novel issue not previously considered by the Board; or
(b) When in the interests of justice oral argument will serve to assist the Board in carrying out the intent of any of the Acts; or
(c) To resolve conflicting decisions by administrative law judges on a substantial question of law.

§ 802.305 Request for oral argument.
(a) During the pendency of an appeal, but not later than the expiration of 20 days from the date of receipt of the response brief provided by § 802.212, any party may request oral argument. The Board on its own motion may order oral argument at any time.
(b) A request for oral argument shall be submitted in the form of a motion, specifying the issues to be argued and justifying the need for oral argument (see § 802.219).
(c) The party requesting oral argument shall set forth in the motion suggested dates and alternate cities convenient to the parties when and where they would be available for oral argument.

§ 802.306 Action on request for oral argument.
As expeditiously as possible after the date upon which a request for oral argument is received, the Board shall determine whether the request shall be granted or denied.

§ 802.307 Notice of oral argument.
(a) In cases where a request for oral argument has been approved or where oral argument has been ordered, the Board shall give all parties a minimum of 30 days’ notice, in writing, by mail, of the scope of argument and of the time when, and place where, oral argument will be held.
(b) Once oral argument has been scheduled by the Board, continuances shall not be granted except for good cause shown by a party, such as in cases of extreme hardship or where attendance of a party or his or her representative is mandated at a previously scheduled judicial proceeding. Unless the ground for the request arises after, requests for continuances must be received by the Board at least 15 days before the scheduled date of oral argument, must be served upon the other parties and must specify good cause why the requesting party cannot be available for oral argument.
(c) The Board may cancel or reschedule oral argument on its own motion at any time.

§ 802.308 Conduct of oral argument.
(a) Oral argument shall be held in Washington, DC, unless the Board orders otherwise, and shall be conducted at a time reasonably convenient to the parties. For good cause shown, the presiding judge of the panel may, in his or her discretion, postpone an oral argument to a more convenient time.
(b) The proceedings shall be conducted under the supervision of the Chairman or, if the Chairman is not on the panel, the senior judge, who shall regulate all procedural matters arising during the course of the argument.
(c) Within the discretion of the Board, oral argument shall be open to the public and may be presented by any party, representative, or duly authorized attorney. Presentation of oral argument may be denied by the Board to a party who has not significantly participated in the appeal prior to oral argument.
(d) The Board shall determine the scope of any oral argument presented and shall so inform the parties in its notice scheduling oral argument pursuant to § 802.307.
(e) The Board in its discretion shall determine the amount of time allotted to each party for argument and rebuttal.

§ 802.309 Absence of parties.
The unexcused absence of a party or his or her authorized representative at the time and place set for argument shall not be the occasion for delay of the proceeding. In such event, argument on behalf of other parties may be heard and the case shall be regarded as submitted on the record by the absent party. The presiding judge may, with the consent of the parties present, cancel the oral argument and treat the appeal as submitted on the written record.
Subpart D—Completion of Board Review

DISMISSALS

§ 802.401 Dismissal by application of party.
(a) At any time prior to the issuance of a decision by the Board, the petitioner may move that the appeal be dismissed. If granted, such motion for dismissal shall be granted with prejudice to the petitioner.
(b) At any time prior to the issuance of a decision by the Board, any party or representative may move that the appeal be dismissed.

§ 802.402 Dismissal by abandonment.
(a) Upon motion by any party or representative or upon the Board’s own motion, an appeal may be dismissed upon its abandonment by the party or parties who filed the appeal. Within the discretion of the Board, a party may be deemed to have abandoned an appeal if neither the party nor his representative participates significantly in the review proceedings.
(b) An appeal may be dismissed on the death of a party only if the record affirmatively shows that there is no person who wishes to continue the action and whose rights may be prejudiced by dismissal.

DECISION OF THE BOARD

§ 802.403 Issuance of decisions; service.
(a) The Board shall issue written decisions as expeditiously as possible after the completion of review proceedings before the Board. The transmittal of the decision of the Board shall indicate the availability of judicial review of the decision under section 21(c) of the LHWCA when appropriate.
(b) The original of the decision shall be filed with the Clerk of the Board. A copy of the Board’s decision shall be sent by certified mail or otherwise presented to all parties to the appeal and the Director. The record on appeal, together with a transcript of any oral proceedings, any briefs or other papers filed with the Board, and a copy of the decision shall be returned to the appropriate deputy commissioner for filing.
(c) Proof of service of Board decisions shall be certified by the Clerk of the Board or by another employee in the office of the Clerk of the Board who is authorized to certify proof of service.

§ 802.404 Scope and content of Board decisions.
(a) In its decision the Board shall affirm, modify, vacate or reverse the decision or order appealed from, and may remand the case for action or proceedings consistent with the decision of the Board. The consent of the parties shall not be a prerequisite to a remand ordered by the Board.
(b) In appropriate cases, such as where the issues raised on appeal have been thoroughly discussed and disposed of in prior cases by the Board or the courts, or where the findings of fact and conclusions of law are both correct and adequately discussed, the Board in its discretion may issue a brief, summary decision in writing, disposing of the appeal.
(c) In cases which cannot be disposed of as in paragraph (b) of this section, a full, written decision discussing the issues and applicable law shall be issued.

§ 802.405 Remand.
(a) By the Board. Where a case is remanded, such additional proceedings shall be initiated and such other action shall be taken as is directed by the Board.
(b) By a court. Where a case has been remanded by a court, the Board may proceed in accordance with the court’s mandate to issue a decision or it may in turn remand the case to an administrative law judge or deputy commissioner with instructions to take such action as is ordered by the court and any additional necessary action.

§ 802.406 Finality of Board decisions.
A decision rendered by the Board pursuant to this subpart shall become final 60 days after the issuance of such decision unless a written petition for review praying that the order be modified or set aside, pursuant to section 21(c) of the LHWCA, is filed in the appropriate U.S. court of appeals prior to
§ 802.407
the expiration of the 60-day period herein described, or unless a timely re-
quest for reconsideration by the Board has been filed as provided in § 802.407. If a
timely request for reconsideration has been filed, the 60-day period for fil-
ing such petition for review will run from the issuance of the Board’s deci-
sion on reconsideration.

RECONSIDERATION

§ 802.407 Reconsideration of Board de-
cisions.
(a) Any party-in-interest may, within
30 days from the filing of a decision or
non-interlocutory order by a panel or
the Board pursuant to § 802.403(b), re-
quest reconsideration of such decision
by those members who rendered the de-
cision. The panel of members who
heard and decided the appeal will rule
on the motion for reconsideration. If
any member of the original panel is un-

(b) Except as provided in § 801.301(d),
a party may, within 30 days from the fil-
ing of a decision or non-interlocu-
tory order by a panel of the Board pur-
suant to § 802.403(b), suggest the appro-
priateness of reconsideration by the
permanent members sitting en banc. Such suggestion, however, must ac-
company a motion for reconsideration
directed to the panel which rendered
the decision. The suggestion for recon-
sideration en banc must be clearly
marked as such.
(c) Except as provided in § 801.301(d),
even where no party has suggested re-
consideration en banc, any permanent
member may petition the permanent
Board for reconsideration en banc of a
panel decision.
(d) Reconsideration en banc shall be
granted upon the affirmative vote of the
majority of permanent members of the
Board. A panel decision shall stand
unless vacated or modified by the con-
curring vote of at least three perma-
nent members.

§ 802.408 Notice of request for recon-
sideration.
(a) In the event that a party requests
reconsideration of a decision or order,
he or she shall do so in writing, in the
form of a motion, stating the sup-
porting rationale for the request, and
include any material pertinent to the
request.
(b) The request shall be sent by mail,
or otherwise presented, to the Clerk of
the Board. Copies shall be served on all
other parties.

§ 802.409 Grant or denial of request.
All requests for reconsideration shall
be reviewed by the Board and shall be
granted or denied in the discretion of
the Board.

JUDICIAL REVIEW

§ 802.410 Judicial review of Board de-
cisions.
(a) Within 60 days after a decision by
the Board has been filed pursuant to
§ 802.403(b), any party adversely af-
fected or aggrieved by such decision

Subpart A—Definitions and Eligibility To Perform Actuarial Services

§ 901.1 Definitions.

As used in this part, the term:

§ 901.2 Eligibility to perform actuarial services.

(a) **Enrolled actuary.** Subject to the standards of performance set forth in subpart C of this part, any individual who is an enrolled actuary as defined in §901.1(g) may perform actuarial services required under ERISA or regulations thereunder. Where a corporation, partnership, or other entity is engaged to provide actuarial services, such services may be provided on its behalf only by an enrolled actuary who is an employee, partner or consultant.

(b) **Government officers and employees.** No officer or employee of the United States in the executive, legislative, or judicial branch of the Government, or in any agency of the United States, including the District of Columbia, may perform actuarial services required under ERISA or regulations thereunder if such services would be in violation of 18 U.S.C. 205. (c) **Former government officers and employees—(1) Personal and substantial participation in the performance of actuarial services.** No former officer or employee of the executive branch of the United States Government, of any independent agency of the United States, or of the District of Columbia, shall perform actuarial services required under ERISA or regulations thereunder or aid or assist in the performance of such actuarial services, in regard to particular matters, involving a specific party or parties, in which the individual participated personally and substantially as such officer or employee.

(2) **Official responsibility.** No former officer or employee of the executive branch of the United States Government, of any independent agency of the United States, or of the District of Columbia, shall, within 1 year after his employment has ceased, perform actuarial services required under ERISA or regulations thereunder in regard to any particular matter involving a specific party or parties which was under the individual’s official responsibility as an officer or employee of the Government at any time within a period of 1 year prior to the termination of such responsibility.

Subpart B—Enrollment of Actuaries

§ 901.10 Application for enrollment.

(b) **Additional information.** The Joint Board or Executive Director, as a condition to consideration of an application for enrollment, may require the applicant to file additional information and to submit to written or oral examination under oath or otherwise.

(c) **Denial of application.** If the Joint Board proposes to deny an application for enrollment, the Executive Director shall notify the applicant in writing of the proposed denial and the reasons therefor, of his rights to request reconsideration, of the address to which such request should be made and the date by which such request must be made. The applicant may, within 30 days from the date of the written proposed denial, file a written request for reconsideration therefrom, together with his reasons in support thereof, to the Joint Board. The Joint Board may afford an applicant the opportunity to make a personal appearance before the Joint Board. A decision on the request for reconsideration shall be rendered by the Joint Board as soon as practicable. In
§ 901.11 Enrollment procedures.

(a) Enrollment. The Joint Board shall enroll each applicant it determines has met the requirements of these regulations and shall so notify the applicant. Subject to the provisions of subpart D of this part, an individual must renew his or her enrollment in the manner described in paragraph (d) of this section.

(b) Enrollment certificate. The Joint Board (or its designee) shall issue a certificate of enrollment to each actuary who is duly enrolled under this part.

(c) Roster. The Executive Director shall maintain rosters of all actuaries who are duly enrolled under this part and of all individuals whose enrollment has been suspended or terminated.

(d) Renewal of enrollment. To maintain active enrollment to perform actuarial services under the Employee Retirement Income Security Act of 1974, each enrolled actuary is required to have his/her enrollment renewed as set forth herein. Failure by an individual to receive notification of the renewal requirement from the Joint Board will not be justification for circumvention of such requirement.

(1) All individuals enrolled before January 1, 1990, shall apply for renewal of enrollment on the prescribed form before March 1, 1990. The effective date of renewal for such individuals is April 1, 1990.

(2) Thereafter, applications for renewal will be required of all enrolled actuaries between October 1, 1992, and March 1, 1993, and between October 1 and March 1 of every third year period subsequent thereto.

(3) The Executive Director of the Joint Board will notify each enrolled actuary of the renewal of enrollment requirement at his/her address of record with the Joint Board.

(4) A reasonable non-refundable fee may be charged for each application for renewal of enrollment filed.

(5) Forms required for renewal may be obtained from the Executive Director, Joint Board for the Enrollment of Actuaries, c/o Department of the Treasury, Washington, DC 20220.

(e) Condition for renewal: Continuing professional education. To qualify for renewal of enrollment, an enrolled actuary must certify, on the form prescribed by the Executive Director, that he/she has satisfied the following continuing professional education requirements.

(1) For renewed enrollment effective April 1, 1990. (i) A minimum of 10 hours of continuing education credit must be completed between (the effective date of these regulations) and December 31, 1989. Of the 10 hours, at least 6 hours must be comprised of core subject matter; the remainder may be comprised of non-core subject matter.

(ii) An individual who receives initial enrollment between October 1, 1988 and December 31, 1989 is exempt from the continuing education requirement for the enrollment cycle ending December 31, 1989, but is required to file a timely application for renewal of enrollment effective April 1, 1990.

(2) For renewed enrollment effective April 1, 1993 and every third year thereafter. (i) A minimum of 36 hours of continuing education credit must be completed between January 1, 1990, and December 31, 1992, and between January 1 and December 31 for each three year period subsequent thereto. Each such three year period is known as an enrollment cycle. Of the 36 hours, at least 18 must be comprised of core subject matter; the remainder may be of a non-core nature.

(ii) An individual who receives initial enrollment during the first or second year of an enrollment cycle must satisfy the following requirements by the end of the enrollment cycle: Those enrolled during the first year of an enrollment cycle must complete 24 hours of continuing education; those enrolled during the second year of an enrollment cycle must complete 12 hours of continuing education. At least one-half of the applicable hours must be comprised of core subject matter; the remainder may be comprised of non-core subject matter. For purposes of this paragraph, credit will be awarded for continuing education completed after January 1 of the year in which initial enrollment was received.
(iii) An individual who receives initial enrollment during the third year of an enrollment cycle is exempt from the continuing education requirements until the next enrollment cycle, but must file a timely application for renewal.

(3) Enrolled actuaries whose enrollment status would have expired under previous regulations during the five year period from October 1, 1988, are not subject to compliance with such previous regulations addressing renewal of enrollment. Their enrollment status will not be adversely affected provided they comply with requirements on this part.

(f) Qualifying continuing education—

(1) In general. To qualify for continuing education credit consistent with the requirements of the above subsections, a course of learning must be a qualifying program comprised of core and/or non-core subject matter conducted by a qualifying sponsor.

(i) Core subject matter is program content designed to enhance the knowledge of an enrolled actuary with respect to matters directly related to the performance of pension actuarial services under ERISA or the Internal Revenue Code. Such core subject matter includes the characteristics of actuarial cost methods under ERISA, actuarial assumptions, minimum funding standards, title IV of ERISA, requirements with respect to the valuation of plan assets, requirements for qualification of pension plans, maximum deductible contributions, tax treatments of distributions from qualified pension plans, excise taxes related to the funding of qualified pension plans and standards of performance for actuarial services.

(ii) Non-core subject matter is program content designed to enhance the knowledge of an enrolled actuary in matters related to the performance of pension actuarial services. Examples include economics, computer programs, pension accounting, investment and finance, risk theory, communication skills and business and general tax law.

(iii) The Joint Board may publish other topics or approve other topics which may be included in a qualifying program as core or non-core subject matter.

(iv) Repeated taking of the same course of study cannot be used to satisfy the continuing education requirements of the regulations. If the major content of a program or session differs substantively from a previous one bearing the same or similar title, it may be used to satisfy such requirements.

(2) Qualifying Programs—(i) Formal programs. Formal programs qualify as continuing education programs if they:

(A) Require attendance by at least three individuals engaged in substantive pension service in addition to the instructor, discussion leader or speaker;

(B) Require that the program be conducted by a qualified instructor, discussion leader or speaker, i.e. a person whose background, training, education and/or experience is appropriate for instructing or leading a discussion on the subject matter of the particular program; and

(C) Require a written outline and/or textbook and certificate of attendance provided by the sponsor, all of which must be retained by the enrolled actuary for a three year period following the end of the enrollment cycle.

(ii) Correspondence or individual study programs (including audio and/or video taped programs). Qualifying continuing education programs include correspondence or individual study programs completed on an individual basis by the enrolled actuary and conducted by qualifying sponsors. The allowable credit hours for such programs will be measured on a basis comparable to the measurement of a seminar or course for credit in an accredited educational institution. Such programs qualify as continuing education programs if they:

(A) Require registration of the participants by the sponsor;

(B) Provide a means for measuring completion by the participants (e.g., written examination); and

(C) Require a written outline and/or textbook and certificate of completion provided by the sponsor. Such certificate must be retained by the participant for a three year period following the end of an enrollment cycle.
§ 901.11  

(iii) Teleconferencing. Programs utilizing teleconferencing or other communications technologies qualify for continuing education purposes if they either:

(A) Meet all the requirements of formal programs, except that they may include a sign-on/sign-off capacity or similar technique in lieu of the physical attendance of participants; or

(B) Meet all the requirements of correspondence or individual study programs.

(iv) Serving as an instructor, discussion leader or speaker. (A) Four hours of continuing education credit will be awarded for each contact hour completed as an instructor, discussion leader or speaker at an educational program which meets the continuing education requirements of this section, in recognition of both presentation and preparation time.

(B) The credit for instruction and preparation may not exceed 50% of the continuing education requirement for an enrollment cycle.

(C) Presentation of the same material as an instructor, discussion leader or speaker more than one time in any 36 month period will not qualify for continuing education credit. A program will not be considered to consist of the same material if a substantial portion of the content has been revised to reflect changes in the law or in the state of the art relative to the performance of pension actuarial service.

(D) Credit as an instructor, discussion leader or speaker will not be awarded to panelists, moderators or others whose contribution does not constitute a substantial portion of the program. However, such individuals may be awarded credit for attendance, provided the other provisions of this section are met.

(E) The nature of the subject matter will determine if credit will be of a core or non-core nature.

(v) Credit for published articles, books, films, audio and video tapes, etc. (A) Continuing education credit will be awarded for the creation of materials for publication or distribution with respect to matters directly related to the continuing professional education requirements of this section.

(B) The credit allowed will be on the basis of one hour credit for each hour of preparation time of the material. It will be the responsibility of the person claiming the credit to maintain records to verify preparation time.

(C) Publication or distribution may utilize any available technology for the dissemination of written, visual or auditory materials.

(D) The materials must be available on reasonable terms for acquisition and use by all enrolled actuaries.

(E) The credit for the creation of materials may not exceed 25% of the continuing education requirement of any enrollment cycle.

(F) The nature of the subject matter will determine if credit will be of a core or non-core nature.

(G) Publication of the same material more than one time will not qualify for continuing education credit. A publication will not be considered to consist of the same material if a substantial portion has been revised to reflect changes in the law or in the state of the art relating to the performance of pension actuarial service.

(vi) Service on Joint Board advisory committee(s). Continuing education credit may be awarded by the Joint Board for service on (any of) its advisory committee(s), to the extent that the Board considers warranted by the service rendered.

(vii) Preparation of Joint Board examinations. Continuing educational credit may be awarded by the Joint Board for participation in drafting questions for use on Joint Board examinations or in pretesting its examinations, to the extent the Board determines suitable. Such credit may not exceed 50% of the continuing professional education requirement for the applicable enrollment cycle.

(viii) Society examinations. Individuals may earn continuing professional education credit for achieving a passing grade on proctored examinations sponsored by a professional organization or society recognized by the Joint Board. Such credit is limited to the number of hours scheduled for each examination and may be applied only as non-core credit provided the content of the examination is non-core.
(ix) Pension law examination. Individuals may establish eligibility for renewal of enrollment for any enrollment cycle by:

(A) Achieving a passing score on the pension law actuarial examination offered by the Joint Board and administered under this part during the applicable enrollment cycle; and

(B) Completing a minimum of 12 hours of qualifying continuing education in core subject matter during the same applicable enrollment cycle.

(C) This option of satisfying the continuing professional education requirements is not available to those who receive initial enrollment during the enrollment cycle.

(g) Sponsors. (1) Sponsors are those responsible for presenting programs.

(2) To qualify as a sponsor, a program presenter must:

(i) Be an accredited educational institution;

(ii) Be recognized for continuing education purposes by the licensing body of any State, possession, territory, Commonwealth, or the District of Columbia responsible for the issuance of a license in the field of actuarial science, insurance, accounting or law;

(iii) Be recognized by the Executive Director of the Joint Board as a professional organization or society whose programs include offering continuing professional education opportunities in subject matter within the scope of this section; or

(iv) File a sponsor agreement with the Executive Director of the Joint Board to obtain approval of the program as a qualifying continuing education program.

(3) Professional organizations or societies and others wishing to be considered as qualifying sponsors shall request such status of the Executive Director of the Joint Board and furnish information in support of the request together with any further information deemed necessary by the Executive Director.

(4) A qualifying sponsor must ensure the program complies with the following requirements:

(i) Programs must be developed by individual(s) qualified in the subject matter.

(ii) Program subject matter must be current.

(iii) Instructors, discussion leaders, and speakers must be qualified with respect to program content.

(iv) Programs must include some means for evaluation of technical content and presentation.

(v) Certificates of completion must be provided those who have successfully completed the program.

(vi) Records must be maintained by the sponsor to verify satisfaction of the requirements of this section. Such records must be retained for a period of three years following the end of the enrollment cycle in which the program is held. In the case of programs of more than one session, records must be maintained to verify completion of the program and attendance by each participant at each session of the program.

(5) Sponsor agreements and qualified professional organization or society sponsors approved by the Executive Director will remain in effect for one enrollment cycle. The names of such sponsors will be published on a periodic basis.

(h) Measurement of continuing education course work. (1) All continuing education programs will be measured in terms of credit hours. The shortest recognized program will be one credit hour.

(2) A credit hour is 50 minutes of continuous participation in a program. Each session in a program must be at least one full credit hour, i.e. 50 minutes. For example, a single-session program lasting 100 minutes will count as two credit hours, and a program comprised of three 75 minute sessions (225 minutes) constitutes four credit hours. However, at the end of an enrollment cycle, an individual may total the number of minutes of sessions of at least one credit hour in duration attended during the cycle and divide by fifty. For example, attending three 75 minute segments at two separate programs will accord an individual nine credit hours (450 minutes divided by 50) toward fulfilling the minimum number of continuing professional education hours. It will not be permissible to merge non-core hours with core hours. For university or college courses, each
§ 901.11

“semester” hour credit will equal 15 credit hours and each “quarter” hour credit will equal 10 credit hours. Measurements of other formats of university or college courses will be handled on a comparable basis.

(i) Record keeping requirements. (1) Each individual applying for renewal shall retain for a period of three years following the end of an enrollment cycle the information required with regard to qualifying continuing professional education credit hours. Such information shall include:
   (i) The name of the sponsoring organization;
   (ii) The location of the program;
   (iii) The title of the program and description of its content, e.g., course syllabus and/or textbook;
   (iv) The dates attended;
   (v) The credit hours claimed and whether core or non-core subject matter;
   (vi) The name(s) of the instructor(s), discussion leader(s), or speaker(s), if appropriate;
   (vii) The certificate of completion and/or signed statement of the hours of attendance obtained from the sponsor; and
   (viii) The total core and non-core credit.

(2) To receive continuing education credit for service completed as an instructor, discussion leader, or speaker, the following information must be maintained for a period of three years following the end of the applicable enrollment cycle.

   (i) The name of the sponsoring organization;
   (ii) The location of the program;
   (iii) The title of the program and description of its content;
   (iv) The dates of the program; and
   (v) The credit hours claimed and whether core or non-core subject matter.

(3) To receive continuing education credit for a publication, the following information must be maintained for a period of three years following the end of the applicable enrollment cycle.

   (i) The publisher;
   (ii) The title of the publication;
   (iii) A copy of the publication;
   (iv) The date of publication;
   (v) The credit hours claimed;
   (vi) Whether core or non-core subject matter; and
   (vii) The availability and distribution of the publications to enrolled actuaries.

(j) Waivers. (1) Waiver from the continuing education requirements for a given period may be granted by the Executive Director of the Joint Board for the following reasons:

   (i) Physical incapacity, which prevented compliance with the continuing education requirements;
   (ii) Extended active military duty;
   (iii) Absence from the individual’s country of residence for an extended period of time due to employment or other reasons, provided the individual does not perform services as an enrolled actuary during such absence; and
   (iv) Other compelling reasons, which will be considered on a case-by-case basis.

(2) A request for waiver must be accompanied by appropriate documentation. The individual will be required to furnish any additional documentation or explanation deemed necessary by the Executive Director of the Joint Board. Examples of appropriate documentation could be a medical certificate, military orders, etc.

(3) A request for waiver must be filed no later than the last day of the renewal application period.

(4) If a request for waiver is not approved, the individual will be so notified by the Executive Director of the Joint Board and placed on a roster of inactive enrolled individuals.

(5) If a request for waiver is approved, the individual will be so notified.

(6) Those who are granted waivers are required to file timely applications for renewal of enrollment.

(k) Failure to comply. (1) Compliance by an individual with the requirements of this part shall be determined by the Executive Director of the Joint Board. An individual who applies for renewal of enrollment but who fails to meet the requirements of eligibility for renewal will be notified by the Executive Director of the Joint Board at his/her last known address by first class mail. The notice will state the basis for the non-compliance and will provide the individual an opportunity to furnish in writing, within 60
§ 901.11

days of the date of the notice, information relating to the matter. Such information will be considered by the Executive Director in making a final determination as to eligibility for renewal of enrollment.

(2) The Executive Director of the Joint Board may require any individual by first class mail sent to his/her mailing address of record with the Joint Board, to provide copies of any records required to be maintained under this section. The Executive Director may disallow any continuing professional education hours claimed if the individual concerned fails to comply with such requirements.

(3) An individual whose application for renewal is not approved may seek review of the matter by the Joint Board. A request for review and the reasons in support of the request must be filed with the Joint board within 30 days of the date of the non-approved notice.

(4) An individual who has not filed a timely application for renewal of enrollment, who has not made a timely response to the notice of non-compliance with the renewal requirements, or who has not satisfied the requirements of eligibility for renewal will be placed on a roster of inactive enrolled actuaries for a period of three years from the date renewal would have been effective. During this time, the individual will be ineligible to perform services as an enrolled actuary and to practice before the Internal Revenue Service.

(5) During inactive enrollment status or at any other time an individual is ineligible to perform services as an enrolled actuary and to practice before the Internal Revenue Service, the individual shall not in any manner, directly or indirectly, indicate he or she is so enrolled, or use the term "enrolled actuary," the designation "E.A." or other form of reference to eligibility to perform services as an enrolled actuary.

(6) An individual placed in an inactive status must file an application for renewal of enrollment and satisfy the requirements for renewal as set forth in this section within three years from the date renewal would have been effective. The name of such individual otherwise will be removed from the inactive enrollment roster and his/her enrollment will terminate. Eligibility for enrollment must then be reestablished by the individual as provided in this part.

(7) An individual placed in an inactive status may satisfy the requirements for renewal of enrollment at any time during his/her period of inactive enrollment. If such satisfaction includes completing the continuing education requirement, the application for renewal may be filed immediately upon such completion. Continuing education credit under this subsection may not be used to satisfy the requirements of the enrollment cycle in which the individual has been placed back on the active roster.

(8) An individual in inactive status remains subject to the jurisdiction of the Joint Board and/or the Department of the Treasury with respect to disciplinary matters.

(9) An individual who is in good faith has certified that he/she has satisfied the continuing professional education requirements of this section will not be considered to be in non-compliance with such requirements on the basis of a program he/she has attended being found inadequate or not in compliance with the requirements for renewal. Such individual will be granted renewal, but the Executive Director may require such individual to remedy the resulting shortfall by earning replacement credit during the cycle in which renewal was granted or within a reasonable time period as determined by the Executive Director. For example, if six of the credit hours claimed were disallowed, the individual may be required to present 42 credit hours instead of the minimum 36 credit hours to qualify for renewal related to the next cycle.

(1) Inactive retirement status. An individual who no longer performs services as an enrolled actuary may request placement in an inactive retirement status at any time and such individual will be placed in such status. The individual will be ineligible to perform services as an enrolled actuary. Such individual must file a timely application for renewal of enrollment at each applicable renewal cycle as provided in

1089
this part. An individual who is placed in an inactive retirement status may be reinstated to active enrollment status upon filing an application for renewal of enrollment and providing evidence of the completion of the required continuing professional education hours for the applicable enrollment cycle. An individual in inactive retirement status remains subject to the jurisdiction of the Joint Board and/or the Department of the Treasury with respect to disciplinary matters.

(m) Renewal while under suspension or disbarment. An individual who is ineligible to perform actuarial services and/or to practice before the Internal Revenue Service by virtue of disciplinary action is required to meet the requirements for renewal of enrollment during the period of such ineligibility.

(n) Verification. The Executive Director of the Joint Board or his/her designee may review the continuing education records of an enrolled actuary and/or qualified sponsor, including attending programs, in a manner deemed appropriate to determine compliance with the requirements and standards for the renewal of enrollment as provided in this section.

§ 901.12 Eligibility for enrollment of individuals applying for enrollment before January 1, 1976.

(a) In general. An individual applying before January 1, 1976, to be an enrolled actuary must fulfill the experience requirements of paragraph (b) of this section and either the examination requirements of paragraph (c) of this section or the educational requirements of paragraph (d) of this section.

(b) Qualifying experience. Within a 15 year period immediately preceding the date of application, the applicant shall have completed either:

(1) A minimum of 36 months of responsible pension actuarial experience, or

(2) A minimum of 60 months of responsible actuarial experience, including at least 18 months of responsible pension actuarial experience.

(c) Examination requirement. The applicant shall satisfactorily complete the Joint Board examination requirement of paragraph (c)(1) of this section or the organization examination requirement of paragraph (c)(2) of this section.

(1) Joint Board examination. To satisfy the Joint Board examination requirement, the applicant shall have completed, to the satisfaction of the Joint Board, an examination prescribed by the Joint Board in actuarial mathematics and methodology related to pension plans, including the funding requirements of ERISA.

§ 901.30 Authority to suspend or terminate enrollment.

Under section 3042(b) of ERISA the Joint Board may, after notice and opportunity for a hearing, suspend or terminate the enrollment of an enrolled actuary if the Joint Board finds that such enrolled actuary
(a) Has failed to discharge his/her duties under ERISA, or
(b) Does not satisfy the requirements for enrollment in effect at the time of his/her enrollment.

§ 901.31 Grounds for suspension or termination of enrollment.

(a) Failure to satisfy requirements for enrollment. The enrollment of an actuary may be terminated if it is found that the actuary did not satisfy the eligibility requirements set forth in §§901.12 or 901.13, whichever is applicable.
(b) Failure to discharge duties. The enrollment of an actuary may be suspended or terminated if it is found that the actuary, following enrollment, failed to discharge his/her duties under ERISA. Such duties include those set forth in §901.20.
(c) Disreputable conduct. The enrollment of an actuary may be suspended or terminated if it is found that the actuary has, at any time after he/she applied for enrollment, engaged in any conduct set forth in §901.13(e)(1)(i)-(vi) or other conduct evidencing fraud, dishonesty, or breach of trust. Such other conduct includes, but is not limited to, the following:

(1) Conviction of any criminal offense under the laws of the United States (including section 411 of ERISA, 29 U.S.C. 1111), any State thereof, the District of Columbia, or any territory or possession of the United States, which evidences fraud, dishonesty, or breach of trust.

(2) Knowingly filing false or altered documents, affidavits, financial statements or other papers on matters relating to employee benefit plans or actuarial services.

(3) Knowingly making false or misleading representations, either orally or in writing, on matters relating to employee benefit plans or actuarial services, or knowingly failing to disclose information relative to such matters.

(4) The use of false or misleading representations with intent to deceive a client or prospective client, or of intimations that the actuary is able to obtain special consideration or action from an officer or employee of any agency or court authorized to determine the validity of pension plans under ERISA.

(5) Willful violation of any of the regulations contained in this part.

§ 901.32 Receipt of information concerning enrolled actuaries.

If an officer or employee of the Department of the Treasury, the Department of Labor, the Pension Benefit Guaranty Corporation, or a member of the Joint Board has reason to believe that an enrolled actuary has violated any provision of this part, or if any such officer, employee or member receives information to that effect, he/she may make a written report thereof, which report or a copy thereof shall be forwarded to the Executive Director. If any other person has information of any such violation, he/she may make a report thereof to the Executive Director or to any officer or employee of the Department of the Treasury, the Department of Labor, or to the Pension Benefit Guaranty Corporation.

§ 901.33 Initiation of proceeding.

Whenever the Executive Director has reason to believe that an enrolled actuary has violated any provision of the laws or regulations governing enrollment, such individual may be reprimanded or a proceeding may be initiated for the suspension or termination of such individual’s enrollment. A reprimand as used in this paragraph is a statement informing the enrolled actuary that, in the opinion of the Executive Director, his/her conduct is in violation of the regulations and admonishing the enrolled actuary that repetition of the conduct occasioning the reprimand may result in the institution of a proceeding for the suspension or termination of the actuary’s enrollment. A proceeding for suspension or
termination of enrollment shall be initiated by a complaint naming the respondent actuary, signed by the Executive Director and filed in the Executive Director’s office. Except in cases where the nature of the proceeding or the public interest does not permit, a proceeding will not be initiated under this section until the facts which may warrant such a proceeding have been called to the attention of the actuary in writing and he/she has been given an opportunity to respond to the allegations of misconduct.

§ 901.34 Conferences.

(a) In general. The Executive Director may confer with an enrolled actuary concerning allegations of his/her misconduct whether or not a proceeding for suspension or termination has been initiated against him/her. If the conference results in agreement as to certain facts or other matters in connection with such a proceeding, such agreement may be entered in the record at the request of the actuary or the Executive Director.

(b) Voluntary suspension or termination of enrollment. An enrolled actuary, in order to avoid the initiation or conclusion of a suspension or termination proceeding, may offer his/her consent to suspension or termination of enrollment or may offer his/her resignation. The Executive Director may accept the offered resignation or may suspend or terminate enrollment in accordance with the consent offered.

§ 901.35 Contents of complaint.

(a) Charges. A complaint initiating a suspension or termination proceeding shall describe the allegations which are the basis for the proceeding, and fairly inform the respondent of the charges against him/her.

(b) Answer. In the complaint, or in a separate paper attached to the complaint, notice shall be given of the place at, and time within which the respondent shall file an answer, which time shall not be less than 15 days from the date of service of the complaint. Notice shall be given that a decision by default may be rendered against the respondent if an answer is not filed as required.

§ 901.36 Service of complaint and other papers.

(a) Complaint. The complaint or a copy thereof may be served upon the respondent by certified mail, or first-class mail as hereinafter provided, by delivering it to the respondent, or the respondent’s attorney or agent of record either in person or by leaving it at the office or place of business of the respondent, the attorney or agent, or in any other manner which may have been agreed to in writing by the respondent. Where the service is by certified mail, the return post office receipt signed by or on behalf of the respondent shall be proof of service. If the certified matter is not claimed or accepted by the respondent and is returned undelivered, complete service may be made upon the respondent by mailing the complaint to him/her by first-class mail, addressed to the respondent at the last address known to the Executive Director. If service is made upon the respondent or his/her attorney or agent in person or by leaving the complaint at the office or place of business of the respondent, attorney, or agent, the verified return by the person making service, setting forth the manner of service, shall be proof of such service.

(b) Service of papers other than complaint. Any paper other than the complaint may be served upon the respondent as provided in paragraph (a) of this section or by mailing the paper by first-class mail to the respondent at the last address known to the Executive Director or by mailing the paper by first-class mail to the respondent’s attorney or agent. Such mailing shall constitute complete service. Notices may also be served upon the respondent or his/her attorney or agent by telegraph.

(c) Filing of papers. Whenever the filing of a paper is required or permitted in connection with a suspension or termination proceeding, and the place of filing is not specified by this subpart or by rule or order of the Administrative Law Judge, the paper shall be filed with the Executive Director of the Joint Board for the Enrollment of Actuaries, Treasury Department, Washington, D.C. 20220. All papers shall be filed in duplicate.
§ 901.37 Answer.

(a) Filing. The respondent’s answer shall be filed in writing within the time specified in the complaint or notice of initiation of the proceeding, unless, on application, the time is extended by the Executive Director or the Administrative Law Judge. The answer shall be filed in duplicate with the Executive Director.

(b) Contents. The answer shall contain a statement of facts which constitute the grounds of defense and it shall specifically admit or deny each allegation set forth in the complaint, except that the respondent shall not deny a material allegation in the complaint which he/she knows to be true, or state that he/she is without sufficient information to form a belief when in fact the respondent possesses such information. The respondent may also state affirmatively special matters of defense.

(c) Failure to deny or answer allegations in the complaint. Every allegation in the complaint which is not denied in the answer shall be deemed to be admitted and may be considered as proven, and no further evidence in respect of such allegation need be adduced at a hearing. Failure to file an answer within the time prescribed in the notice to the respondent, except as the time for answer is extended by the Executive Director or the Administrative Law Judge, shall constitute an admission of the allegations of the complaint and a waiver of hearing, and the Administrative Law Judge may make a decision by default, without a hearing or further procedure.

§ 901.38 Supplemental charges.

If it appears to the Executive Director that the respondent in his/her answer falsely and in bad faith denies a material allegation of fact in the complaint or states that the respondent has no knowledge sufficient to form a belief when he/she in fact possesses such knowledge, or if it appears that the respondent has knowingly introduced false testimony during proceedings for suspension or termination of his/her enrollment, the Executive Director may file supplemental charges against the respondent. Such supplemental charges may be tried with other charges in the case, provided the respondent is given due notice thereof and is afforded an opportunity to prepare a defense thereto.

§ 901.39 Reply to answer.

No reply to the respondent’s answer shall be required, but the Executive Director may file a reply at his/her discretion or at the request of the Administrative Law Judge.

§ 901.40 Proof; variance; amendment of pleadings.

In the case of a variance between the allegations in a pleading and the evidence adduced in support of the pleading, the Administrative Law Judge may order or authorize amendment of the pleading to conform to the evidence, provided that the party who would otherwise be prejudiced by the amendment is given reasonable opportunity to meet the allegations of the pleading as amended. The Administrative Law Judge shall make findings on any issue presented by the pleadings as so amended.

§ 901.41 Motions and requests.

Motions and requests may be filed with the Executive Director or with the Administrative Law Judge.

§ 901.42 Representation.

A respondent or proposed respondent may appear at conference or hearing in person or may be represented by counsel or other representative. The Executive Director may be represented by an attorney or other employee of the Treasury Department.

Hearings shall be stenographically recorded and transcribed and the testimony of witnesses shall be taken under oath or affirmation. Hearings will be conducted pursuant to section 7 of the Administrative Procedure Act, 60 Stat. 241 (5 U.S.C. 556).

(b) Failure to appear. If either party to the proceeding fails to appear at the hearing, after due notice thereof has been sent to the parties, the Administrative Law Judge may make a decision against the absent party by default.

§ 901.45 Evidence.
(a) In general. The rules of evidence prevailing in courts of law and equity are not controlling in hearings on complaints for the suspension or the termination of the enrollment of enrolled actuaries. However, the Administrative Law Judge shall exclude evidence which is irrelevant, immaterial, or unduly repetitious.

(b) Depositions. The deposition of any witness taken pursuant to §901.46 may be admitted.

(c) Proof of documents. Official documents, records, and papers of the Department of the Treasury, the Department of Labor, the Pension Benefit Guaranty Corporation, the Joint Board for the Enrollment of Actuaries or the Office of the Executive Director of the Joint Board for the Enrollment of Actuaries shall be admissible into evidence without the production of an officer or employee to authenticate them. Any such documents, records, and papers may be evidenced by a copy attested to or identified by an officer or employee of the Department of the Treasury, the Department of Labor, the Pension Benefit Guaranty Corporation, the Joint Board for the Enrollment of Actuaries, or the Office of the Executive Director of the Joint Board for the Enrollment of Actuaries, as the case may be.

(d) Exhibits. If any document, record, or other paper is introduced into evidence as an exhibit, the Administrative Law Judge may authorize the withdrawal of the exhibit subject to any conditions which he/she deems proper.

(e) Objections. Objections to evidence shall state the grounds relied upon, and the record shall not include argument thereon, except as ordered by the Administrative Law Judge. Rulings on such objections shall be part of the record. No exception to the ruling is necessary to preserve the rights of the parties.

§ 901.46 Depositions.
Depositions for use at a hearing may, with the written approval of the Administrative Law Judge, be taken by either the Executive Director or the respondent or their duly authorized representatives. Depositions may be taken upon oral or written interrogatories, upon not less than 10 days written notice to the other party, before any officer duly authorized to administer an oath for general purposes or before an officer or employee of the Department of the Treasury, the Department of Labor, the Pension Benefit Guaranty Corporation, or the Joint Board who is authorized to administer an oath. Except in cases where the respondent has failed to answer the complaint or where a party has failed to appear at the hearing, the Administrative Law Judge, before making his/her decision, shall give the parties a reasonable opportunity to submit proposed findings and conclusions and supporting reasons therefor.

§ 901.49 Decision of the Administrative Law Judge.

As soon as practicable after the conclusion of a hearing and the receipt of any proposed findings and conclusions timely submitted by the parties, the Administrative Law Judge shall make the initial decision in the case. The decision should be based solely upon the pleading, the testimony and exhibits received in evidence at the hearing or specifically authorized to be subsequently submitted under the applicable laws and regulations. The decision shall include (a) a statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues of fact or law presented on the record, and (b) an order of suspension, termination or reprimand or an order of dismissal of the complaint. The Administrative Law Judge shall file the decision with the Executive Director and shall transmit a copy thereof to the respondent or his/her attorney or agent of record. In the absence of an appeal to the Joint Board or review of the decision upon motion of the Joint Board, the decision of the Administrative Law Judge shall without further proceedings become the decision of the Joint Board 30 days from the date of the Administrative Law Judge’s decision.

§ 901.50 Appeal to the Joint Board.

Within 30 days from the date of the Administrative Law Judge’s decision, either party may appeal to the Joint Board for the Enrollment of Actuaries. The appeal shall be filed with the Executive Director in duplicate and shall include exceptions to the decision of the Administrative Law Judge and supporting reasons for such exceptions. If an appeal is filed by the Executive Director, a copy thereof shall be transmitted to the respondent. Within 30 days after receipt of an appeal or copy thereof, the other party may file a reply brief in duplicate with the Executive Director. If the reply brief is filed by the Executive Director, a copy of it shall be transmitted to the respondent. Upon the filing of an appeal and a reply brief, if any, the Executive Director

A copy of the Joint Board’s decision shall be transmitted to the respondent by the Executive Director.

If the respondent’s enrollment is suspended, the respondent shall not thereafter be permitted to perform actuarial services under ERISA during the period of suspension. If the respondent’s enrollment is terminated, the respondent shall not thereafter be permitted to perform actuarial services under ERISA unless and until authorized to do so by the Executive Director pursuant to §901.54. Joint Board for the Enrollment of Actuaries

§ 903.5 Procedures for amendment of records regarding individual—format, agency review and appeal from initial adverse agency determination.

(a) In general. Subject to the application of exemptions promulgated by the Joint Board, in accordance with 5 U.S.C. 552a(k), the Executive Director shall, in conformance with 5 U.S.C. 552a(d)(2), permit an individual to request amendment of a record pertaining to him. Any such request shall be addressed to the Executive Director, Joint Board for the Enrollment of Actuaries, U.S. Department of the Treasury, Washington, DC 20220 or delivered personally to the Executive Director, Joint Board for the Enrollment of Actuaries, 2401 E Street, NW., suite 1537, Washington, DC. Any request for amendment of records or any appeal from the initial denial of a request which does not fully comply with the requirements of this section will not be deemed subject to the time constraints of paragraph (e) of this section, unless and until amended so as to comply. However, the Executive Director shall forthwith advise the requester in what respect the request or appeal is deficient so that it may be resubmitted or amended. (See 5 U.S.C. 552a(d) and (f)).

(b) Form of request to amend records. In order to be subject to the provisions of this section, a request to amend records shall:

(1) Be made in writing and signed by the person making the request, who must be the individual about whom the record is maintained, or his duly authorized representative. (See § 903.7);

(2) State that it is made pursuant to the Privacy Act, 5 U.S.C. 552a or these regulations;

(3) Mark “Privacy Act Amendment Request” on the request and on the envelope; and

(4) Reasonably describe the records which the individual desires to have amended by reason of any information therein that is inaccurate or inappropriate.
§ 903.5

amended, including, to the best of the requester's knowledge, dates of letters requesting access to such records previously and dates of letters in which notification concerning access was made, if any, and the individual's documentation justifying the correction. (See 5 U.S.C. 552a (d) and (f)).

(c) Date of receipt of request. A request for amendment of records pertaining to an individual shall be deemed to have been received for purposes of this subpart when the requirements of paragraphs (a) and (b) of this section have been satisfied. The Office of the Executive Director shall stamp the date of receipt of the request thereon. (See 5 U.S.C. 552a (d) and (f)).

(d) Review of requests to amend records.

The Executive Director shall:

(1) Not later than 10 days (excluding Saturdays, Sundays, and legal public holidays) after the date of receipt of such request, acknowledge in writing such receipt; and

(2) Promptly, either—(i) make any correction of any portion of a record which the individual believes and the Executive Director agrees is not accurate, relevant, timely, or complete; or

(ii) inform the individual of the refusal to amend the record in accordance with his request, the reason for the refusal, and that he may request that the Joint Board review such refusal. (See 5 U.S.C. 552a (d) and (f)).

(e) Administrative appeal—(1) In general. The Joint Board shall permit individuals to request a review of initial decisions made under paragraph (d) of this section when an individual disagrees with a refusal to amend his record. (See 5 U.S.C. 552a(d), and (g)(1)).

(2) Form of request for administrative review of refusal to amend record. At any time within 35 days after the date of the notification of the initial decision described in paragraph (d)(2)(i) of this section, the requester may submit a request for review of such refusal to the official specified in the notification of the initial decision. The appeal shall:

(i) Be made in writing stating any arguments in support thereof and be signed by the person to whom the record pertains, or his duly authorized representative (See §903.7);

(ii) Within 35 days of the date of the initial decision: (A) Be addressed and mailed to the Joint Board for the Enrollment of Actuaries, c/o U.S. Department of the Treasury, Washington, DC 20220; or (B) be personally delivered to the Executive Director, Joint Board for the Enrollment of Actuaries, 2401 E Street NW., suite 1337, Washington, DC on workdays between the hours of 9 a.m. and 5 p.m.;

(iii) Have clearly marked on the appeal and on the envelope, “Privacy Act Amendment Appeal”;

(iv) Reasonably describe the records requested to be amended; and

(v) Specify the date of the initial request to amend records, and the date of the letter giving notification that the request was denied. (See 5 U.S.C. 552a (d) and (f)).

(3) Date of Receipt. Appeals shall be promptly stamped with the date of their receipt by the Office of the Executive Director and such stamped date will be deemed to be the date of receipt for all purposes of this section. The receipt of the appeal shall be acknowledged within 10 days from the date of receipt (unless the determination on appeal is dispatched in 10 days, in which case, no acknowledgment is required) by the Joint Board and the requester is advised of the date of receipt established by the foregoing and when a response is due in accordance with this paragraph. (See 5 U.S.C. 552a (d) and (f)).

(4) Review of administrative appeals from denial of requests to amend records. The Joint Board shall complete the review and notify the requester of the final agency decision within 30 days (exclusive of Saturdays, Sundays and legal public holidays) after the date of receipt of such appeal, unless it extends the time for good cause shown. If such final agency decision is to refuse to amend the record, in whole or in part, the requester shall also be advised of his right; (i) to file a concise “Statement of Disagreement” setting forth the reasons for his disagreement with the decision which shall be filed within 35 days of the date of the notification of the final agency decision and (ii) to seek judicial review of the final agency decision under 5 U.S.C. 552a(g)(1)(A). (See 5 U.S.C. 552a (d), (f) and (g)(1)).
§ 903.8 Exemptions.

(a) Names of systems: (1) JBEA—Enrollment Files.
   (2) JBEA—Application Files.
   (3) JBEA—General Information.
   (4) JBEA—Charge Case Inventory Files.
   (5) JBEA—Suspension and Termination Files.

(b) Provisions from which exempted: These systems contain records described in 5 U.S.C. 552a(k), the Privacy Act of 1974. Exemption will be claimed for such records only where appropriate from the following provisions: subsections (c)(3), (d)(1), (2), (3) and (4), (e)(1), (e)(4)(G), (H) and (1), and (f)(1), (2), (3), (4) and (5) of 5 U.S.C. 552a.

(c) Reasons for claimed exemptions: (1) The Privacy Act of 1974 creates several methods by which individuals may learn of and obtain records containing information on such individuals and consisting of investigatory material compiled for law enforcement purposes. These methods are as follows: Subsection (c)(3) allows individuals to discover if other agencies are investigating such individuals; subsections (d)(1), (e)(4)(H) and (f)(2), (3) and (5) establish the ability of individuals to gain access to investigatory material be at the rate of $0.10 per copy. For records not susceptible to photocopying, e.g., over-size materials, photographs, etc., the amount charged will be the actual cost of copying. Only one copy of each record requested will be provided. No charge will be made unless the charge as computed above would exceed $3 for each request or related series of requests. If a fee in excess of $25 is required, the requester will be notified that the fee must be tendered before the records will be copied.

§ 903.7 Guardianship.

The guardian of a person judicially determined to be incompetent shall, in addition to establishing the identity of the person he represents, establish his own guardianship by furnishing a copy of a court order establishing the guardianship and may thereafter act on behalf of such individual. (See 5 U.S.C. 552a(h)).

§ 903.6 Fees.

Charges for copies of records made pursuant to part 903 of this chapter will be at the rate of $0.10 per copy. For records not susceptible to photocopying, e.g., over-size materials, photographs, etc., the amount charged will be the actual cost of copying. Only one copy of each record requested will be provided. No charge will be made unless the charge as computed above would exceed $3 for each request or related series of requests. If a fee in excess of $25 is required, the requester will be notified that the fee must be tendered before the records will be copied.
§ 903.8

compiled on such individuals; subsections (d)(2), (3) and (4), (e)(4)(H) and (f)(4) presuppose access and enable individuals to contest the contents of investigatory material compiled on these individuals; and subsections (e)(4)(G) and (f)(1) allow individuals to determine whether or not they are under investigation. Because these subsections are variations upon the individual’s ability to ascertain whether his civil or criminal misconduct has been discovered, these subsections have been grouped together for purposes of this notice.

(ii) The Joint Board believes that imposition of the requirements of subsection (c)(3), which requires that accountings of disclosures be made available to individuals, would impair the ability of the Joint Board and other investigative entities to conduct investigations of alleged or suspected violations of the regulations governing the performance of actuarial services with respect to plans to which the Employee Retirement Income Security Act (ERISA) applies, and of civil or criminal laws. Making the accountings of disclosures available to individuals enables such individuals to identify entities investigating them and thereby to determine the nature of the violations of which they are suspected. With such knowledge, individuals would be able to alter their illegal activities, destroy or alter evidence of such activities and seriously impair the successful completion of investigations. For these reasons, the Joint Board seeks exemption from the requirements of subsection (c)(3).

(iii) With respect to subsections (d)(2), (3) and (4), (e)(4)(H), and (f)(4), the Joint Board believes that the imposition of these requirements, which presuppose access and provide for amending records, would impair the ability to conduct investigations and would be unnecessary for the same reasons stated in the preceding subparagraph (2)(B). These reasons herein are incorporated by reference. Therefore, the Joint Board seeks exemption from the requirements of subsections (d)(2), (3) and (4), (e)(4)(H), and (f)(4).

(iv) With respect to subsections (e)(4)(G) and (f)(1), the Joint Board believes that informing individuals that they are the subjects of a particular system or systems of records would impair the ability of the Joint Board and
Joint Board for the Enrollment of Actuaries § 903.8

its agents to successfully complete investigations of suspected or alleged violators of the regulations governing the performance of actuarial services with respect to plans to which ERISA applies. Individuals who learn that they are suspected of violating said regulations are given the opportunity to destroy or alter evidence needed to prove the alleged violations. Such individuals may also be able to impair investigations by temporarily suspending or restructuring the activities which place them in violation of said regulations. Further, as noted in preceding subparagraph (2)(B) and incorporated by reference herein, the procedural requirements imposed on the Joint Board by ERISA make the protections afforded by subsections (c)(4)(G) and (f)(1) unnecessary. For these reasons, the Joint Board seeks exemptions from the requirement of subsection (e)(1).

(v) Subsection (e)(1) of the Privacy Act of 1974 requires that the Joint Board maintain in its records only information that is relevant and necessary to accomplish a purpose of the Office required to be accomplished by statute or by executive order of the President. The Joint Board believes that imposition of said requirement would seriously impair its ability to obtain information from such sources for the following reasons. Revealing such categories of sources could disclose investigative techniques and procedures and could cause sources to decline to provide information because of fear of reprisal, or fear of breaches of promises of confidentiality. For these reasons, the Joint Board seeks exemptions from the requirement of subsection (e)(4)(I).

State agency means the State governmental unit designated pursuant to section 4 of the Wagner-Peyser Act, as amended, to cooperate with the United States Employment Service in the operation of the public employment service system.

State Director for Veterans’ Employment and Training Service (SDVETS) is the representative of ASVET on the staff of the Veterans’ Employment and Training Service (VETS) at the State level.

United States Employment Service (USES) shall mean the component of the Employment and Training Administration of the Department of Labor, established under the Wagner-Peyser Act, as amended, to maintain and coordinate a national system of public employment service agencies.

Veteran of the Vietnam era shall mean an eligible veteran who (1) served on active duty for a period of more than 180 days, any part of which occurred during the Vietnam era (August 5, 1964, through May 7, 1975) and was discharged or released therefrom with other than a dishonorable discharge; or (2) was discharged or released from active duty for a service-connected disability if any part of such active duty was performed during the Vietnam era.

Veterans’ Employment and Training Service (VETS) shall mean the organizational component of the Department of Labor administered by the Assistant Secretary of Labor for Veterans’ Employment and Training established to promulgate and administer policies and regulations to provide eligible veterans and eligible persons the maximum of employment and training opportunities according to 38 U.S.C. 2002.

§ 1001.120 Standards of performance governing State agency services.

(a) To the extent required by 38 U.S.C. 2002 and other applicable law, each State agency shall assure that all of its SDPs, using LVERs and other staff, shall provide maximum employment and training opportunities to eligible veterans and eligible persons with priority given to disabled veterans and veterans of the Vietnam-era, by giving them preference over non-veterans in the provision of employment and training services available at the SDP involved. Services are those activities or efforts including but not limited to registration, counseling, referral to supportive services, job development, etc., which are directed to help applicants find jobs or training. When making referrals from the group of applicants meeting the specific eligibility criteria for a particular program, State agencies shall observe the priority order to referral in paragraph (b).

(b) In making referrals of qualified applicants to job openings and training opportunities, to provide maximum employment and training opportunities under 38 U.S.C., SDPs shall observe the following order of priority:
   (1) Special disabled veterans;
   (2) Veterans of the Vietnam era;
   (3) Disabled veterans other than special disabled veterans;
   (4) All other veterans and eligible persons; and
   (5) Nonveterans.

§ 1001.121 Performance standard on facilities and support for Veterans’ Employment and Training Service (VETS) staff.

Each State agency shall provide adequate and appropriate facilities and administrative support such as office space, furniture, telephone, equipment, and supplies to VETS staff.

§ 1001.122 Reporting and budget requirements.

(a) State agencies shall provide RDVETS, SDVETS, and ASDVETS with access to regular and special internal State agency reports which relate in whole or in part with services to veterans and/or eligible persons.

(b) Each State agency shall make reports and prepare budgets pursuant to instructions issued by the ASVET and in such format as the ASVET shall prescribe.

§ 1001.123 Performance standards governing the assignment and role of Local Veterans’ Employment Representatives (LVERs).

(a) To carry out the requirements of 38 U.S.C. 2004, at least one member of each State agency staff, preferably an eligible veteran, shall be designated and assigned by each State agency administrator as a full-time or part-time LVER in each SDP in accordance with terms/requirements of a grant agreement approved by the ASVET. The
ASVET intends to use the following criteria in establishing the terms and requirements of grant agreements:

(1) At least one full-time LVER shall be assigned in each SDP which has had 1,000 new or renewed applications from veterans and eligible persons during the most recent twelve-month report period unless a waiver based on demonstrated lack of need is granted by the ASVET, and

(2) At least one part-time LVER whose time shall be devoted to veterans’ services in proportion to the full-time criteria shall be assigned to each SDP not meeting the criteria for full-time LVERs in paragraph (a)(1) of this section.

(b) Additional full-time or part-time LVERs may be assigned based on a determination of need by the State agency administrator and in accordance with terms/requirements of a grant agreement approved by the ASVET.

(c) Each LVER shall perform, at the SDP level, the duties prescribed at 38 U.S.C. 2003(c) required by 38 U.S.C. 2004.

§ 1001.124 Standards of performance governing State agency cooperation and coordination with other agencies and organizations.

(a) Each State agency shall establish cooperative working relationships through written agreements with the Veterans Administration (VA) offices serving the State to maximize the use of VA employment and training programs for veterans and eligible persons.

(b) All programs and activities governed by this subpart will be coordinated to the maximum extent feasible with other programs and activities under 38 U.S.C., the Wagner-Peyser Act, the Job Training Partnership Act, and other employment and training programs at the State and local level.

(c) Such relationships or agreements may be described in the Governor’s Coordination and Special Services Plan prepared according to section 121(b) of the Job Training Partnership Act (Pub. L. 97–300).

§ 1001.125 Standards of performance governing complaints of veterans and eligible persons.

Each SDP shall display information on the various complaint systems to advise veterans and eligible persons about procedures for filing employment service, Federal contractor, equal opportunity, and other complaints.

Subpart D—State Employment Service Agency Compliance

§ 1001.130 Determination of compliance.

(a) The ASVET shall have authority for applying the requirements and remedial actions necessary to implement 20 CFR part 658, subpart H. In the event of such application, references in 20 CFR part 658, subpart H, to “ETA” shall read instead “OASVET”; references to “Regional Administrator” shall read instead “RDVETS”; and references to “JS regulations” shall include this part.

(b) The ASVET shall establish appropriate program and management measurement and appraisal mechanisms to ensure that the standards of performance set forth in §§1001.120–1001.125 of this part are met. Specific performance standards designed to measure State agency services provided to veterans and eligible persons required by §1001.120(a) of this part will be developed administratively through negotiations between State agency administrators and SDVETS and numerical values of the standards will be published as public notices in the FEDERAL REGISTER. A full report of those State agencies in noncompliance with the standards of performance and their corrective action plans shall be incorporated into the Secretary’s annual report to the Congress cited at §1001.131 of this part.

(c) Every effort should be made by the State agency administrator and the SDVETS to resolve all issues informally before proceeding with the formal process.

(d) If it is determined by the ASVET that certain State agencies are not complying with the performance standards at §§1001.120–1001.125 of this part, such State agencies shall be required to provide documentary evidence to
the ASVET that their failure is based on good cause. If good cause is not shown, the ASVET, pursuant to subpart H of 20 CFR part 658, shall formally designate the State agency as out of compliance, shall require it to submit a corrective action plan for the following program year, and may take other action against the State agency pursuant to subpart H of 20 CFR part 658.

§ 1001.131 Secretary’s annual report to Congress.

The Secretary shall report, after the end of each program year, on the success of the Department and State agencies in carrying out the provisions of this part.

§ 1001.140 Administration of DVOP.

(a) The ASVET shall negotiate and enter into grant agreements within each State to carry out the requirements of 38 U.S.C. 2003A for support of a Disabled Veterans Outreach Program (DVOP) to meet the employment needs of veterans, especially disabled veterans of the Vietnam era.

(b) The ASVET shall be responsible for the supervision and monitoring of the DVOP program, including monitoring of the appointment of DVOP specialists.

(c) DVOP specialists shall be in addition to and shall not supplant local veterans’ employment representatives assigned under §1001.123 of this part.

§ 1001.141 Functions of DVOP staff.

Each DVOP specialist shall carry out the duties and functions for providing services to eligible veterans according to provisions of 38 U.S.C. 2003A (b) and (c).

§ 1001.142 Stationing of DVOP staff.

DVOP specialists shall be stationed at various locations in accordance with 38 U.S.C. 2003A(b)(2).
