

§ 150.11

Titles and Records Offices are designated as Certifying Officers for this purpose. When a copy or reproduction of a title document is authenticated by the official seal and certified by a Manager, Land Titles and Records Office, the copy or reproduction shall be admitted into evidence the same as the original from which it was made. The fees for furnishing such certified copies are established by a uniform fee schedule applicable to all constituent units of the Department of the Interior and published in 43 CFR part 2, appendix A.

§ 150.11 Disclosure of land records, title documents, and title reports.

(a) The usefulness of a Land Titles and Records Office depends in large measure on the ability of the public to consult the records contained therein. It is therefore, the policy of the Bureau of Indian Affairs to allow access to land records and title documents unless such access would violate the Privacy Act, 5 U.S.C. 552a or other law restricting access to such records, or there are strong policy grounds for denying access where such access is not required by the Freedom of Information Act, 5 U.S.C. 552. It shall be the policy of the Bureau of Indian Affairs that, unless specifically authorized, monetary considerations will not be disclosed insofar as leases of tribal land are concerned.

(b) Before disclosing information concerning any living individual, the Manager, Land Titles and Records Office, shall consult 5 U.S.C. 552a(b) and the notice of routine users then in effect to determine whether the information may be released without the written consent of the person to whom it pertains. Subpart A—Purpose, Definitions, General

§ 151.1 What is the purpose of this part?

The purpose of this part is to describe the authorities, policies, and procedures that we use to decide whether to accept title to land in the name of the United States to be held in trust for the benefit of an individual Indian or a tribe.

§ 151.2 How are key terms defined in this part?

Alienation means a conveyance or transfer of title to property.

Bureau means the Bureau of Indian Affairs within the Department of the Interior.

Complete Application means an application that contains all the documentation, analysis and information required by § 151.5(f).

Discretionary acquisitions of title means those acquisitions of trust title

which Congress has authorized, but not required us to accept administratively.

Encumbrance means a limitation on the title of property, such as a claim, lien, easement, charge, or restriction of any kind.

Fee simple land means land held absolute and clear of any condition or restriction, and where the owner has unconditional power of disposition.

Governing tribe means the tribe having governmental jurisdiction over the land being acquired.

Individual Indian means a person who:

(1) Is a member of a federally recognized tribe; or

(2) Was physically residing on a federally recognized Indian reservation as of June 1, 1934, and is a descendant of an enrolled member of a federally recognized tribe; or

(3) Possesses a total of one-half degree or more Indian blood of a federally recognized tribe.

Land means real property or any title interest therein, as defined by the statute that authorizes the land acquisition.

Legislative transfer of title means the direct transfer of title to land into trust status for the benefit of an individual Indian or Indian tribe by Congress through legislation. The regulations in this part do not apply to legislative transfers of title.

Mandatory acceptance of title means a conveyance of trust title which Congress has required the Secretary to accept if certain specified conditions over which the Secretary has no control are met.

Reservation means, for purposes of this part, that area of land which has been set aside or which has been acknowledged as having been set aside by the United States for the use of the tribe, the exterior boundaries of which are more particularly defined in a final treaty, Federal agreement, Executive or secretarial order, Executive or secretarial proclamation, United States patent, Federal statute, or final judicial or administrative determination, provided that:

(1) In the State of Oklahoma, *reservation* means that area of land constituting the former reservation of the tribe. *Former reservation* means lands

§ 151.3

25 CFR Ch. I (4-1-01 Edition)

that are within the jurisdictional area of an Oklahoma Indian tribe and are within the boundaries of the last reservation established by final treaty, Federal agreement, Executive or secretarial order, Executive or secretarial proclamation, United States patent, Federal statute, or final judicial or administrative determination; and

(2) For Pueblo Indian tribes in the State of New Mexico, *reservation* means lands within the exterior boundaries of lands granted or confirmed to or acquired by the Pueblo as reported by the Pueblo Lands Board under section 2 of the Act of June 7, 1924, ch. 331, 43 Stat. 636, notwithstanding any finding of extinguishment of title, plus any other lands reserved, set aside, or held in trust by the United States for the use of the Pueblo or its members.

Restricted fee land means land the title to which is held by an individual Indian or a tribe and which can only be alienated or encumbered by the owner with the approval of the Secretary because of limitations in the conveyance instrument pursuant to federal law.

Secretary means the Secretary of the Interior or an authorized representative.

Tribal Land Acquisition Area (TLAA) means an area of land approved by the Secretary and designated by a tribe that

- (1) Does not have a reservation; or
- (2) Does not have trust land; or
- (3) Has a trust land base which is incapable of being developed in a manner that promotes tribal self-determination, economic development and Indian housing, and within which the tribe plans to acquire land over a specified period of time.

Tribe means any Indian tribe, nation, band, pueblo, town, community, rancheria, colony, or other group of Indians, which is recognized by the Secretary as eligible for the special programs and services provided by the Bureau of Indian Affairs, and listed in the FEDERAL REGISTER under Public Law 103-454, act of Nov. 2, 1994 (108 Stat. 4791; 25 U.S.C. 479a (1994)).

Trust land means land, or an interest therein, for which the United States holds fee title in trust for the benefit of an individual Indian or a tribe.

Undivided fractional interest means an interest of co-owners which is in the entire property, that is not divided out from the whole parcel. (Example: If you own 1/4 interest in 160 acres, you do not own 40 acres. You own 1/4 interest in the whole 160 acres because your 1/4 interest has not been divided out from the whole 160 acres.)

We/Us/Our means the Secretary of the Interior or an authorized representative.

§ 151.3 To what types of transactions does this part apply?

(a) Except as provided in paragraphs (b) and (c) of this section, this part applies to all fee simple land-to-trust, fee simple land-to-restricted fee or land exchanges involving fee simple land.

(b) This part does not apply to the following transactions:

- (1) Trust-to-trust;
- (2) Restricted-fee to restricted-fee;
- (3) Transfer of title to trust and restricted land through inheritance, devise or escheat;

- (5) Federal agency transfers of title.

(c) We will not accept title to land in trust in the State of Alaska, except for the Metlakatla Indian Community of the Annette Island reserve of Alaska or its members.

§ 151.4 How does an individual Indian or a tribe apply to have title to land conveyed to the United States in trust?

Individual Indians and tribes must send us a written request asking that we accept title and place the land into trust.

- (a) The request must:
- (1) Identify the applicant (including the applicant's tribal affiliation);
 - (2) Include the legal description of the land to be acquired; and
 - (3) Include all information which shows that the proposed acquisition meets the applicable requirements in this regulation.

(b) The request does not need to be in any special form. However, we strongly urge the applicant to address each section of this part that is relevant to the type of acquisition (*e.g.*, on- or off-reservation, discretionary or mandatory),

Bureau of Indian Affairs, Interior

§ 151.5

in the order it appears here. Constructing the request in this way will enable us to review the request more efficiently.

(c) We may also ask for additional information to aid us in reaching a decision.

§ 151.5 How does BIA process the request?

(a) After we receive the request, we will notify the State, county, and municipal governments having regulatory jurisdiction over the land. We will send all notices under this section by certified mail, return receipt requested. The notice will contain the information described in paragraph (a)(1) or (a)(2) of this section, as appropriate.

(1) If the request is for on-reservation lands or lands inside an approved TLAA, the notice we send under this section will:

- (i) Include the name of the applicant;
- (ii) Describe the lands proposed to be taken in trust;
- (iii) State the proposed use of the land; and
- (iv) Invite the State and local governments from the State in which the land is located to comment in writing within 30 days from date of receipt of the notice on the proposed acquisition.

(2) If the request is for land outside a reservation and outside a TLAA, the notice we send under this section will:

- (i) Include the name of the applicant;
- (ii) Describe the lands proposed to be taken in trust;
- (iii) Describe the proposed use of the land; and
- (iv) Invite the State and local governments from the State in which the land is located to comment in writing within 60 days from the date of receipt of notice on the acquisition's potential effects on the State and local governments, including on their regulatory jurisdiction, real property taxes, and special assessments.

(b) After the comment period has ended, we will send to the applicant copies of any comments made by State and local governments on the applicant's request. We will give the applicant a reasonable time in which to reply to the comments.

(c) Subject to restrictions on disclosure required by the Freedom of Infor-

mation Act (5 U.S.C. 552), the Privacy Act (5 U.S.C. 552a), and the Trade Secrets Act (18 U.S.C. 1905) the request will be available for review at the local BIA agency or area office having administrative jurisdiction over the land.

(d) We will consider all the documentation that the applicant submits.

(e) A complete application consists of the following:

(1) The applicant's request that the land be taken into trust, as follows:

(i) If the applicant is an Indian tribe, the written request must be a properly prepared and executed tribal resolution requesting trust status, or

(ii) If the applicant is an individual Indian, the written request must be a signed letter requesting trust status.

(2) Documentation that the applicant has addressed all the applicable information requirements in this section;

(3) A map depicting the location of the land to be acquired, and either:

(i) A legal description of the land, including a statement of the estate being acquired, *e.g.* all surface and mineral rights, surface rights only, surface rights and a portion of the mineral rights, etc., or

(ii) A survey if the land cannot be described by an aliquot legal description. The survey must be completed by a land surveyor registered in the State in which the land is located when the land being acquired is fee simple land,

- (4) Hazardous level I survey,
- (5) Environmental documentation,
- (6) Title evidence,
- (7) Impact notification letters, including all associated responses,

(8) Statement from the applicant that any existing rights of way, easements or encumbrances will not interfere with applicant's intended use of the land, and

(9) Any additional information we have requested, in writing, if warranted by the specific application.

(f) After BIA is in possession of a complete application, we will:

(1) Notify the applicant, in writing, that the application is complete,

(2) Issue a decision on an application within 120 working days after issuance of the notice of a complete application.

§ 151.6 How does BIA proceed after making a decision on a request?

(a) Within 120 days of our having a complete application package, we will send the applicant a certified letter describing our decision to accept or deny a request. We will also send a copy of the decision letter to everyone (including State and local governments) who sent us written comments on the request. The notice to interested parties will explain that they have a right to appeal our decision under part 2 of this title.

(b) If our decision is to deny the request, we will take no further action.

(c) If our decision is to approve the request, after the exhaustion of administrative remedies, we will:

(1) Complete a preliminary title examination. For both discretionary and mandatory acquisitions, after we examine the title evidence, we will notify the applicant of any liens, encumbrances, or infirmities. If the liens, encumbrances, or infirmities make title to the land unmarketable, we will require the applicant to eliminate the liens, encumbrances, or infirmities before we act on the application.

(2) Publish in the FEDERAL REGISTER, or in a newspaper of general circulation serving the affected area, a notice of the decision to take land into trust under this part. The notice will state that we have made a final decision to take land in trust and that we will accept title in the name of the United States no sooner than 30 days after the notice is published;

(3) Respond to any judicial appeals that may be filed; and

(4) After sufficient opportunity for judicial relief has been provided, accept trust title to the land by issuing or approving an appropriate instrument of conveyance. If we determine to accept trust title to land in a case before all judicial remedies have been exhausted, we will give the party/parties opposing the acquisition at least five days notice before we take any action.

§ 151.7 When does land attain trust status?

After the Secretary has published a notice of intent to take the land into trust pursuant to § 151.6(c)(2), the time period for appeal has run, and all title

objections have been cleared, we will approve or issue the appropriate instrument of conveyance. Only after these steps have been completed will the land attain trust status. The approved deed will then be recorded in the county where located, title evidence will be updated, a final title opinion will be issued and the deed will be recorded in the appropriate Bureau of Indian Affairs Land Titles and Records Office under part 150 of this chapter.

§ 151.8 Will BIA accept and hold in trust an undivided fractional interest in land for an individual Indian or a tribe?

We will not accept and hold in trust for an individual Indian or a tribe an undivided fractional interest in land, except under one of the following conditions:

(a) The individual Indian or tribe already owns an undivided fractional restricted or trust interest in the land, and is acquiring the additional interest(s) to consolidate ownership.

(b) The individual Indian or tribe acquires the undivided fractional interest as the result of a gift under § 152.25(d) of this chapter and the conveyance does not result in further fractionation of interest in the land.

(c) The individual Indian or tribe is acquiring fee simple interest and there are existing undivided fractional trust or restricted interests in the same land.

(d) The individual Indian or tribe offers and agrees to purchase the remaining undivided fractional trust or restricted interest in the land, at not less than fair market value.

(e) A specific statute grants the individual Indian or tribe the right to purchase an undivided fractional interest in trust or restricted land without offering to purchase all interests.

(f) The owner(s) of a majority of the interests of the remaining undivided trust or restricted fractional interest agree in writing that the individual Indian or tribe may acquire the interest.

(g) A tribe acquires an undivided fractional interest in trust or restricted land under the Indian Land Consolidation Act, 25 U.S.C. 2201 *et seq.*, under one of the following conditions:

Bureau of Indian Affairs, Interior

§ 151.10

(1) The land is inside the tribe's reservation, or inside an approved Tribal Land Consolidation Area, or is otherwise subject to the tribe's jurisdiction, and

(h) The tribe acquires, at not less than the fair market value, part or all of the undivided fractional interests in a parcel of trust or restricted land within the tribe's reservation, or subject to the tribe's jurisdiction and:

(1) Over 50 percent of the owners of the undivided fractional interests consent in writing to the acquisition; or

(2) An individual Indian makes an offer under paragraph (e) of this section;

(i) An individual Indian:

(1) Already owns an undivided fractional interest in the land;

(2) Offers to match a tribal offer to purchase under paragraph (d) of this section; and

Upon receipt of the information required under § 151.9 and upon a determination that the application is complete:

(b) Notwithstanding a determination in paragraph (a) of this section, we may not approve the application and accept transfer of title into trust for land inside a reservation or inside an approved TLAA if the approval of the acquisition will result in severe negative impact to the environment or severe harm to the local government. Evidence of such harm must be clear and demonstrable and supported in the record.

§ 151.11 Can an individual Indian or a tribe acquire land inside a reservation or inside an approved Tribal Land Acquisition Area of another tribe?

An individual Indian or a tribe, including individual Indians and tribes in Oklahoma, may acquire land in trust on another tribe's reservation, or inside another tribe's approved TLAA, if the recognized tribe's governing body consents in writing. No consent is required if:

(a) We will approve the application to accept land into trust outside a reservation or outside an approved TLAA only if the application shows that the acquisition is necessary to:

(1) Facilitate tribal self-determination, economic development, Indian housing, land consolidation or natural resource protection; and

(2) We determine that the acquisition provides meaningful benefits to the Tribe that outweigh any demonstrable harm to the local community.

(b) Notwithstanding a determination in paragraph (a) of this section that the acquisition is necessary to facilitate tribal self-determination and that the benefits of the acquisition to the tribe outweigh any harm to the local community, we may disapprove an application to accept land into trust outside a reservation or outside an approved TLAA if the acquisition will result in:

(1) Severe negative impacts to the environment, or

(2) Significant harm to the local community. Evidence of such harm must be clear and demonstrable and supported in the application record; or

(3) The inability of the Bureau of Indian Affairs to adequately handle the additional law enforcement and other responsibilities that would result from the acquisition of the land into trust status.

(c) When making a determination under paragraph (a) or (b) of this section to approve or deny an application, we will consider the location of the land relative to the state boundaries, and its distance from the boundaries of the tribe's reservation and whether that distance is reasonable based on the following:

(1) If the land is in a different state than the tribe's reservation, the tribe's justification of anticipated benefits from the acquisition will be subject to greater scrutiny

(2) As the distance between the tribe's reservation or approved TLAA and the land to be acquired increases, the tribe's justification of anticipated benefits from the acquisition will be subject to greater scrutiny

(3) As the distance between the tribe's reservation or approved TLAA and the land to be acquired increases, the concerns raised by the state and local governments will be given greater weight.

Subpart D—Mandatory Acceptance of Title

§ 151.15 What information must be provided in a request to process a mandatory transfer of title into trust status, and how will BIA process the request?

(a) To help us determine whether we are mandated by legislation to accept trust title to a specific tract of land, we require submission of the following documentation:

(1) A complete description, or a copy of, the statutory authority that directs the Secretary to place the land in trust, and any limitations contained in that authority;

(2) Title insurance or an abstract of title that meets the *Standards for the*

Preparation of Title Evidence in Land Acquisitions by the United States, issued by the U. S. Department of Justice (copies are available from the U.S. Department of Justice, Environmental and Natural Resources Division, Land Acquisition Section, Room 6136, 601 Pennsylvania Avenue NW., Washington, DC 20004); and

(3) Any additional information that we may request.

(b) If we determine that the transfer of title into trust status is mandatory, we will publish that determination along with a notice of intent to take the land in trust in the FEDERAL REGISTER or in a newspaper of general circulation serving the affected area.

§ 151.16 Can our determination that a transfer of title into trust status is mandatory be appealed?

The Department's determination that a transfer of title into trust status is or is not mandatory may be appealed according to requirements set forth in part 2 of this title.

Subpart E—Tribal Land Acquisition Areas

§ 151.17 What is a Tribal Land Acquisition Area?

A TLAA is an area of land approved by the Secretary and designated by a tribe within which the tribe plans to acquire land over a 25-year period of time. If the Secretary approves the TLAA under this part, the tribe can acquire parcels of land within the TLAA during that 25-year period under the on-reservation provisions of this part.

§ 151.18 What tribes are eligible to apply for approval of a Tribal Land Acquisition Area?

Tribes which may apply for approval of a TLAA are those tribes which:

- (a) Do not have a reservation,
- (b) Do not have trust land, or
- (c) Have a trust land base which is incapable of being developed in a manner that promotes tribal self-determination, economic development and/or Indian housing.

§ 151.19 What must be included in a request for Secretarial approval of a Tribal Land Acquisition Area?

A request for Secretarial approval of a TLAA must be made in writing, although we do not require that it take any special form. However, we strongly urge the applicant to address each applicable section of this part in the order it appears here. Constructing the application in this way will help us review the request more efficiently. To be complete, a request for Secretarial approval of a TLAA must identify the applicant tribe, and must include:

(a) A complete description, or a copy, of the federal statute(s) that authorize the Secretary to accept land in trust on behalf of the tribe, and any limitations contained in that authority.

(b) Copies of tribal documents relating to the establishment of the TLAA and the acquisition of land within it, including:

(1) A copy of the tribe's constitution and by-laws, corporate charter, resolution, or excerpts from those documents that identify and grant tribal officials the authority to acquire tribal lands on behalf of the tribe;

(2) A copy of a tribal resolution designating the TLAA, including a legal description of the lands located within it; and (3)

(3) A copy of a tribal resolution requesting that the Secretary approve the proposed TLAA.

(c) A narrative summary that describes the purposes and goals for acquiring lands in trust within the TLAA, including general information about whether the lands are to be used for residential, governmental, educational, economic development, or other purposes.

(d) A narrative of the tribe's history that explains:

(1) When the tribe was federally recognized, and whether it was through legislation, treaty, or the Bureau of Indian Affairs' Federal Acknowledgment Process; and

(2) If applicable, how the tribe became dispossessed of its former reservation lands.

(e) A description of the TLAA, including:

§ 151.19

25 CFR Ch. I (4-1-01 Edition)

(1) A legal description of the lands within the TLAA;

(2) Information about whether the lands are within the tribe's former reservation or aboriginal homelands;

(3) Information about whether the lands are Federal lands, State lands, or private lands;

(4) Information about whether the lands overlap with another tribe's jurisdictional area;

(5) Information about the significance of the land to the tribe, including whether the land has any particular historical, cultural, religious, or other value to the tribe; and

(6) Information about the distance of the TLAA from the Bureau's nearest agency or area office.

(f) A description of the location of roads and rights-of-way, or of additional rights-of-way that may be needed to provide access to lands located within the TLAA.

(g) A description of the reasonably anticipated overall effect on the State and its political subdivisions of removing lands located within the TLAA from tax rolls, and a description of any measures the applicant will take to reduce these effects. The description of effects must include an explanation of:

(1) The amount of annual taxes currently assessed by the local governments for lands located within the TLAA;

(2) The amount of annual revenue which would be lost from special assessments to the local governments, if any;

(3) The amount of annual revenue lost from mineral receipts to the local governments, if any; and

(4) The local governments' ability to provide public safety services for lands located within the TLAA.

(h) A description of any overall jurisdictional and land use infrastructure issues that might arise if the lands within the TLAA is taken into trust. The description must address each of the following issues.

(1) Zoning, including:

(i) The current zoning of the land;

(ii) Any proposed use conflicts with current zoning; and

(iii) Applicable tribal zoning ordinances.

(2) Law enforcement and cross-deputizing, including:

(i) Who currently provides law enforcement services for the land;

(ii) Whether the tribe already has its own law enforcement;

(iii) Who will supply law enforcement if the land is approved for trust status; and

(iv) Whether additional resources would be needed to provide adequate law enforcement.

(3) Safety factors, including:

(i) Who supplies fire protection service for lands located within the TLAA;

(ii) Who supplies emergency medical service for lands located within the TLAA; and

(iii) Information about whether lands located within the TLAA are in a flood area or flood control area.

(4) Traffic, roads, and streets, including:

(i) A description of current access to the land;

(ii) Describes and quantifies anticipated increased traffic in the area from proposed use; and

(iii) A description of whether existing roads and streets are adequate to handle any anticipated increase in traffic caused by the proposed use.

(5) Sanitation, including whether:

(i) The lands located within the TLAA are on a city sewage system;

(ii) The lands located within the TLAA are served by an adequate sewage system that meets applicable standards;

(iii) Trash pickup service or another method of trash disposal is available for lands located within the TLAA;

(iv) The city or another facility supplies sanitation services to the lands located within the Tribe Land Acquisition Area;

(v) There is an adequate water supply for the proposed use and any future anticipated uses; and

(vi) Whether the tribe has water rights to the available water supply.

(6) Utilities, including:

(i) Whether a city or a rural electric company supplies electricity to lands located within the TLAA; and

(ii) The source of heating for lands located within the TLAA, such as: natural gas, propane, oil, coal, wood, electric, or solar.

(7) Whether there exist any cooperative agreements or voluntary actions intended to address jurisdictional and land use conflicts.

(8) Whether the tribe has made any provisions to compensate the State and local governments for revenue lost because of the removal of the lands from the tax rolls. (Include any increases in Title IX funding from the Indian Education Act or Impact Aid funding.)

§ 151.20 How is a tribal request for Secretarial approval processed?

When we receive a request for Secretarial approval of a TLAA, we will review the supporting documentation to determine if the request meets the requirements of this part. If the request is complete, we will:

(a) Provide notice of the request for Secretarial approval to the Governor's Office, to appropriate local government officials, and to appropriate officials of tribes located within a 50-mile radius of the boundaries of the proposed TLAA. Recipients of the notice will be provided 60 days from the date of receipt in which to comment on the proposed TLAA and the request supporting it. Other interested parties may also submit comments during the 60-day consultation period.

(b) After the close of the comment period, based on the criteria described in § 151.21, we will decide whether to approve the TLAA. Our decision on whether to approve the TLAA will be communicated in the form of a certified letter to the applicant. We also will provide notice of our decision to interested parties by sending a copy of the decision letter to everyone (including State and local governments) who sent us written comments on the request for approval.

(c) If we decide not to approve the TLAA, we will take no further action.

(d) If we decide to approve the TLAA, we will:

(1) Publish in the FEDERAL REGISTER, or in a newspaper of general circulation serving the affected area, a notice of the decision to approve the TLAA; and

(2) Thereafter, for a period of 25 years, review requests to accept trust title land located within the TLAA as "on-reservation" acquisitions under

the applicable on-reservation provisions in this part.

§ 151. 21 What criteria will BIA use to decide whether to approve a proposed Tribal Land Acquisition Area?

In general, because tribes without reservations are significantly disadvantaged, both in terms of cultural preservation and in terms of being ineligible for federal land-based programmatic funding and technical assistance, there is a presumption in favor of the tribe's need for at least some trust land. However, in determining whether to approve establishment of a TLAA, we will consider the individual circumstances of each applicant tribe, surrounding community, and affected land base. There are some standard criteria which will help direct our decision-making process. These standard criteria include:

(a) The request must be complete and contain all supporting documents;

(b) The statutory basis upon which the tribe proposes creation of the TLAA. If the tribe is the subject of a statute directing the Secretary to take some unspecified land into trust for the tribe's benefit, the tribe will enjoy a greater presumption in favor of approval of its proposed TLAA. (For example, there is statutory language such as "the Secretary shall take land into trust within the tribe's service area," or "the Secretary shall take land into trust within X and Y counties.")

(c) The size of the proposed TLAA in relation to the size of the tribe's membership: we will look for a reasonable connection between the amount of land the tribe wishes to take into trust, and the basic trust needs (housing, health, employment opportunities) of the tribe's membership.

(d) The relationship of the tribe to the lands located within the TLAA: we will give greater weight to a request for approval of a TLAA that encompasses lands to which the tribe has established a strong cultural, historical, and/or legal connection.

(e) The ability of the tribe and the local non-Indian community to adjust to the jurisdictional changes that will

§ 151.22

occur if the lands within the TLAA are taken into trust, including:

(1) That there are adequate arrangements for provision of police and fire protection and other emergency response for persons living within the TLAA (whether living on trust or non-trust property);

(2) That there are adequate arrangements for provision of other municipal-type services, such as garbage removal, water, sewage;

(3) That adverse impacts on local governments and communities are reasonable compared to the benefits flowing to the applicant.

§ 151.22 Can a tribe include in its Tribal Land Acquisition Area land inside another tribe's reservation or Tribal Land Acquisition Area?

A tribe may include land inside the reservation boundaries or within an approved TLAA of another tribe, if:

(a) The tribe's governing body consents in writing;

(b) The tribe already owns undivided fractional trust or restricted interests in the tracts of land identified in its TLAA; or

(c) The tracts of land to be included in the TLAA are inside a reservation or an approved TLAA that is shared by two or more tribes, and the plan is for one of these tribes.

§ 151.23 If a Tribal Land Acquisition Area is not approved, is the tribe prohibited from acquiring land within it?

No. However, the tribe will have to apply to have individual parcels taken into trust under the off-reservation provisions of this part.

§ 151.24 If a Tribal Land Acquisition Area is approved, does the land taken into trust within it attain reservation status?

No. Lands taken into trust within a TLAA will enjoy "Indian country" status as that term has been defined in relevant federal statutes and case law. However, those lands do not attain "reservation" status by virtue of the TLAA having been approved by the Secretary. Reservation status can only be attained if:

(a) The tribe has applied to the Secretary under 25 U.S.C. 467; or

25 CFR Ch. I (4-1-01 Edition)

(b) There is a federal statute specifically designating the land as a reservation.

§ 151.25 Can a Tribal Land Acquisition Area be modified after approval?

Yes. However, the changes must be submitted with a request for approval in compliance with the criteria in this part and must be approved by the Secretary.

Subpart F—False Statements, Recordkeeping, Information Collection

§ 151.26 What is the penalty for making false statements in connection with a request that BIA place land into trust?

Anyone who knowingly and willfully makes a false statement in connection with a trust title acquisition request may be subject to criminal prosecution under the False Statements Accountability Act of 1996, 18 U.S.C. 1001.

§ 151.27 Who owns the records associated with this part?

(a) Records are the property of the United States if they:

(1) Are made or received by a tribe or tribal organization in the conduct of a federal trust function under this part, including the operation of a trust program; and

(2) Evidence the organization, functions, policies, decisions, procedures, operations, or other activities undertaken in the performance of a federal trust function under this part.

(b) Records not covered by paragraph (a) of this section that are made or received by a tribe or tribal organization in the conduct of business with the Department of the Interior under this part are the property of the tribe.

§ 151.28 How must a record associated with this part be preserved?

(a) Any organization, including tribes and tribal organizations, that have records identified in §151.26(a) must preserve the records in accordance with approved Departmental records retention procedures under the Federal Records Act, 44 U.S.C. chapters 29, 31, and 33. These records and related records management practices and

safeguards required under the Federal Records Act are subject to inspection by the Secretary and the Archivist of the United States.

(b) A tribe or tribal organization should preserve the records identified in §151.26(b) for the period of time authorized by the Archivist of the United States for similar Department of the Interior records in accordance with 44 U.S.C. chapter 33. If a tribe or tribal organization does not preserve records associated with its conduct of business with the Department of the Interior under this part, it may prevent the tribe or tribal organization from being able to adequately document essential transactions or furnish information necessary to protect its legal and financial rights or those of persons directly affected by its activities.

§ 151.1 Purpose and scope.

These regulations set forth the authorities, policy, and procedures governing the acquisition of land by the United States in trust status for individual Indians and tribes. Acquisition of land by individual Indians and tribes in fee simple status is not covered by these regulations even though such land may, by operation of law, be held in restricted status following acquisition. Acquisition of land in trust status by inheritance or escheat is not covered by these regulations. These regulations do not cover the acquisition of land in trust status in the State of Alaska, except acquisitions for the Metlakatla Indian Community of the Annette Island Reserve or its members.

§ 151.2 Definitions.

(a) *Secretary* means the Secretary of the Interior or authorized representative.

(b) *Tribe* means any Indian tribe, band, nation, pueblo, community, rancheria, colony, or other group of Indians, including the Metlakatla Indian Community of the Annette Island Reserve, which is recognized by the Secretary as eligible for the special programs and services from the Bureau of Indian Affairs. For purposes of acquisitions made under the authority of 25 U.S.C. 488 and 489, or other statutory authority which specifically authorizes trust acquisitions for such corporations, "Tribe" also means a corporation chartered under section 17 of the Act of June 18, 1934 (48 Stat. 988; 25 U.S.C. 477) or section 3 of the Act of June 26, 1936 (49 Stat. 1967; 25 U.S.C. 503).

(c) *Individual Indian* means:

(1) Any person who is an enrolled member of a tribe;

(2) Any person who is a descendent of such a member and said descendant was, on June 1, 1934, physically residing on a federally recognized Indian reservation;

(3) Any other person possessing a total of one-half or more degree Indian blood of a tribe;

(4) For purposes of acquisitions outside of the State of Alaska, *Individual Indian* also means a person who meets the qualifications of paragraph (c)(1), (2), or (3) of this section where “Tribe” includes any Alaska Native Village or Alaska Native Group which is recognized by the Secretary as eligible for the special programs and services from the Bureau of Indian Affairs.

(d) *Trust land* or *land in trust status* means land the title to which is held in trust by the United States for an individual Indian or a tribe.

(e) *Restricted land* or *land in restricted status* means land the title to which is held by an individual Indian or a tribe and which can only be alienated or encumbered by the owner with the approval of the Secretary because of limitations contained in the conveyance instrument pursuant to Federal law or because of a Federal law directly imposing such limitations.

(f) Unless another definition is required by the act of Congress authorizing a particular trust acquisition, *Indian reservation* means that area of land over which the tribe is recognized by the United States as having governmental jurisdiction, except that, in the State of Oklahoma or where there has been a final judicial determination that a reservation has been disestablished or diminished, *Indian reservation* means that area of land constituting the former reservation of the tribe as defined by the Secretary.

(g) *Land* means real property or any interest therein.

(h) *Tribal consolidation area* means a specific area of land with respect to which the tribe has prepared, and the Secretary has approved, a plan for the acquisition of land in trust status for the tribe.

[45 FR 62036, Sept. 18, 1980, as amended at 60 FR 32879, June 23, 1995]

§ 151.3 Land acquisition policy.

Land not held in trust or restricted status may only be acquired for an individual Indian or a tribe in trust status when such acquisition is authorized by an act of Congress. No acquisition of land in trust status, including a transfer of land already held in trust or restricted status, shall be valid unless the acquisition is approved by the Secretary.

(a) Subject to the provisions contained in the acts of Congress which authorize land ac-

quisitions, land may be acquired for a tribe in trust status:

(1) When the property is located within the exterior boundaries of the tribe’s reservation or adjacent thereto, or within a tribal consolidation area; or

(2) When the tribe already owns an interest in the land; or

(3) When the Secretary determines that the acquisition of the land is necessary to facilitate tribal self-determination, economic development, or Indian housing.

(b) Subject to the provisions contained in the acts of Congress which authorize land acquisitions or holding land in trust or restricted status, land may be acquired for an individual Indian in trust status:

(1) When the land is located within the exterior boundaries of an Indian reservation, or adjacent thereto; or

(2) When the land is already in trust or restricted status.

§ 151.4 Acquisitions in trust of lands owned in fee by an Indian.

Unrestricted land owned by an individual Indian or a tribe may be conveyed into trust status, including a conveyance to trust for the owner, subject to the provisions of this part.

§ 151.5 Trust acquisitions in Oklahoma under section 5 of the I.R.A.

In addition to acquisitions for tribes which did not reject the provisions of the Indian Reorganization Act and their members, land may be acquired in trust status for an individual Indian or a tribe in the State of Oklahoma under section 5 of the Act of June 18, 1934 (48 Stat. 985; 25 U.S.C. 465), if such acquisition comes within the terms of this part. This authority is in addition to all other statutory authority for such an acquisition.

§ 151.6 Exchanges.

An individual Indian or tribe may acquire land in trust status by exchange if the acquisition comes within the terms of this part. The disposal aspects of an exchange are governed by part 152 of this title.

§ 151.7 Acquisition of fractional interests.

Acquisition of a fractional land interest by an individual Indian or a tribe in trust status can be approved by the Secretary only if:

(a) The buyer already owns a fractional interest in the same parcel of land; or

(b) The interest being acquired by the buyer is in fee status; or

(c) The buyer offers to purchase the remaining undivided trust or restricted interests in the parcel at not less than their fair market value; or

(d) There is a specific law which grants to the particular buyer the right to purchase an

undivided interest or interests in trust or restricted land without offering to purchase all of such interests; or

(e) The owner of a majority of the remaining trust or restricted interests in the parcel consent in writing to the acquisition by the buyer.

§ 151.8 Tribal consent for nonmember acquisitions.

An individual Indian or tribe may acquire land in trust status on a reservation other than its own only when the governing body of the tribe having jurisdiction over such reservation consents in writing to the acquisition; provided, that such consent shall not be required if the individual Indian or the tribe already owns an undivided trust or restricted interest in the parcel of land to be acquired.

§ 151.9 Requests for approval of acquisitions.

An individual Indian or tribe desiring to acquire land in trust status shall file a written request for approval of such acquisition with the Secretary. The request need not be in any special form but shall set out the identity of the parties, a description of the land to be acquired, and other information which would show that the acquisition comes within the terms of this part.

§ 151.10 On-reservation acquisitions.

Upon receipt of a written request to have lands taken in trust, the Secretary will notify the state and local governments having regulatory jurisdiction over the land to be acquired, unless the acquisition is mandated by legislation. The notice will inform the state or local government that each will be given 30 days in which to provide written comments as to the acquisition's potential impacts on regulatory jurisdiction, real property taxes and special assessments. If the state or local government responds within a 30-day period, a copy of the comments will be provided to the applicant, who will be given a reasonable time in which to reply and/or request that the Secretary issue a decision. The Secretary will consider the following criteria in evaluating requests for the acquisition of land in trust status when the land is located within or contiguous to an Indian reservation, and the acquisition is not mandated:

- (a) The existence of statutory authority for the acquisition and any limitations contained in such authority;
- (b) The need of the individual Indian or the tribe for additional land;
- (c) The purposes for which the land will be used;
- (d) If the land is to be acquired for an individual Indian, the amount of trust or restricted land already owned by or for that in-

dividual and the degree to which he needs assistance in handling his affairs;

(e) If the land to be acquired is in unrestricted fee status, the impact on the State and its political subdivisions resulting from the removal of the land from the tax rolls;

(f) Jurisdictional problems and potential conflicts of land use which may arise; and

(g) If the land to be acquired is in fee status, whether the Bureau of Indian Affairs is equipped to discharge the additional responsibilities resulting from the acquisition of the land in trust status.

(h) The extent to which the applicant has provided information that allows the Secretary to comply with 516 DM 6, appendix 4, National Environmental Policy Act Revised Implementing Procedures, and 602 DM 2, Land Acquisitions: Hazardous Substances Determinations. (For copies, write to the Department of the Interior, Bureau of Indian Affairs, Branch of Environmental Services, 1849 C Street NW., Room 4525 MIB, Washington, DC 20240.)

[45 FR 62036, Sept. 18, 1980, as amended at 60 FR 32879, June 23, 1995]

§ 151.11 Off-reservation acquisitions.

The Secretary shall consider the following requirements in evaluating tribal requests for the acquisition of lands in trust status, when the land is located outside of and non-contiguous to the tribe's reservation, and the acquisition is not mandated:

(a) The criteria listed in § 151.10 (a) through (c) and (e) through (h);

(b) The location of the land relative to state boundaries, and its distance from the boundaries of the tribe's reservation, shall be considered as follows: as the distance between the tribe's reservation and the land to be acquired increases, the Secretary shall give greater scrutiny to the tribe's justification of anticipated benefits from the acquisition. The Secretary shall give greater weight to the concerns raised pursuant to paragraph (d) of this section.

(c) Where land is being acquired for business purposes, the tribe shall provide a plan which specifies the anticipated economic benefits associated with the proposed use.

(d) Contact with state and local governments pursuant to § 151.10 (e) and (f) shall be completed as follows: Upon receipt of a tribe's written request to have lands taken in trust, the Secretary shall notify the state and local governments having regulatory jurisdiction over the land to be acquired. The notice shall inform the state and local government that each will be given 30 days in which to provide written comment as to the acquisition's potential impacts on regulatory jurisdiction, real property taxes and special assessments.

[60 FR 32879, June 23, 1995, as amended at 60 FR 48894, Sept. 21, 1995]

§ 151.12 Action on requests.

(a) The Secretary shall review all requests and shall promptly notify the applicant in writing of his decision. The Secretary may request any additional information or justification he considers necessary to enable him to reach a decision.
