

## § 22.20

## 28 CFR Ch. I (7-1-01 Edition)

### § 22.20 Applicability.

(a) These regulations govern use and revelation of research and statistical information obtained, collected, or produced either directly by BJA, OJJDP, BJS, NIJ, or OJP or under any inter-agency agreement, grant, contract, or subgrant awarded under the Crime Control Act, the Juvenile Justice Act, and the Victims of Crime Act.

(b) The regulations do not apply to any records from which identifiable research or statistical information was originally obtained; or to any records which are designated under existing statutes as public; or to any information extracted from any records designated as public.

(c) The regulations do not apply to information gained regarding future criminal conduct.

[41 FR 54846, Dec. 15, 1976, as amended at 43 FR 16974, Apr. 21, 1978; 51 FR 6400, 6401, Feb. 24, 1986]

### § 22.21 Use of identifiable data.

Research or statistical information identifiable to a private person may be used only for research or statistical purposes.

### § 22.22 Revelation of identifiable data.

(a) Except as noted in paragraph (b) of this section, research and statistical information relating to a private person may be revealed in identifiable form on a need-to-know basis only to—

(1) Officers, employees, and subcontractors of the recipient of assistance;

(2) Such individuals as needed to implement sections 202(c)(3), 801, and 811(b) of the Act; and sections 223(a)(12)(A), 223(a)(13), 223(a)(14), and 243 of the Juvenile Justice and Delinquency Prevention Act.

(3) Persons or organizations for research or statistical purposes. Information may only be transferred for such purposes upon a clear demonstration that the standards of § 22.26 have been met and that, except where information is transferred under paragraphs (a) (1) and (2) of this section, such transfers shall be conditioned on compliance with a § 22.24 agreement.

(b) Information may be revealed in identifiable form where prior consent

is obtained from an individual or where the individual has agreed to participate in a project with knowledge that the findings cannot, by virtue of sample size, or uniqueness of subject, be expected to totally conceal subject identity.

[41 FR 54846, Dec. 15, 1976, as amended at 51 FR 6400, Feb. 24, 1986]

### § 22.23 Privacy certification.

(a) Each applicant for BJA, OJJDP, BJS, NIJ, or OJP support either directly or under a State plan shall submit a Privacy Certificate as a condition of approval of a grant application or contract proposal which has a research or statistical project component under which information identifiable to a private person will be collected.

(b) The Privacy Certificate shall briefly describe the project and shall contain assurance by the applicant that:

(1) Data identifiable to a private person will not be used or revealed, except as authorized under §§ 22.21, 22.22.

(2) Access to data will be limited to those employees having a need therefore and that such persons shall be advised of and agree in writing to comply with these regulations.

(3) All subcontracts which require access to identifiable data will contain conditions meeting the requirements of § 22.24.

(4) To the extent required by § 22.27 any private persons from whom identifiable data are collected or obtained, either orally or by means of written questionnaire, shall be advised that the data will only be used or revealed for research or statistical purposes and that compliance with requests for information is not mandatory. Where the notification requirement is to be waived, pursuant to § 22.27(c), a justification must be included in the Privacy Certificate.

(5) Adequate precautions will be taken to insure administrative and physical security of identifiable data.

(6) A log will be maintained indicating that identifiable data have been transmitted to persons other than BJA, OJJDP, BJS, NIJ, or OJP or grantee/contractor staff or subcontractors, that such data have been returned, or that alternative arrangements have

been agreed upon for future maintenance of such data.

(7) Project plans will be designed to preserve anonymity of private persons to whom information relates, including, where appropriate, name-stripping, coding of data, or other similar procedures.

(8) Project findings and reports prepared for dissemination will not contain information which can reasonably be expected to be identifiable to a private person except as authorized under § 22.22.

(c) The applicant shall attach to the Privacy Certification a description of physical and/or administrative procedures to be followed to insure the security of the data to meet the requirements of § 22.25.

[41 FR 5486, Dec. 15, 1976, as amended at 51 FR 6401, Feb. 24, 1986]

### § 22.24 Information transfer agreement.

Prior to the transfer of any identifiable information to persons other than BJA, OJJDP, BJS, NIJ, or OJP or project staff, an agreement shall be entered into which shall provide, as a minimum, that the recipient of data agrees that:

(a) Information identifiable to a private person will be used only for research and statistical purposes.

(b) Information identifiable to a private person will not be revealed to any person for any purpose except where the information has already been included in research findings (and/or data bases) and is revealed on a need-to-know basis for research or statistical purposes, provided that such transfer is approved by the person providing information under the agreement, or authorized under § 22.24(e).

(c) Knowingly and willfully using or disseminating information contrary to the provisions of the agreement shall constitute a violation of these regulations, punishable in accordance with the Act.

(d) Adequate administrative and physical precautions will be taken to assure security of information obtained for such purpose.

(e) Access to information will be limited to those employees or subcontractors having a need therefore in connec-

tion with performance of the activity for which obtained, and that such persons shall be advised of, and agree to comply with, these regulations.

(f) Project plans will be designed to preserve anonymity of private persons to whom information relates, including, where appropriate, required name-stripping and/or coding of data or other similar procedures.

(g) Project findings and reports prepared for dissemination will not contain information which can reasonably be expected to be identifiable to a private person.

(h) Information identifiable to a private person (obtained in accordance with this agreement) will, unless otherwise agreed upon, be returned upon completion of the project for which obtained and no copies of that information retained.

[41 FR 5486, Dec. 15, 1976, as amended at 51 FR 6401, Feb. 24, 1986]

### § 22.25 Final disposition of identifiable materials.

Upon completion of a research or statistical project the security of identifiable research or statistical information shall be protected by:

(a) Complete physical destruction of all copies of the materials or the identifiable portion of such materials after a three-year required recipient retention period or as soon as authorized by law, or

(b) Removal of identifiers from data and separate maintenance of a name-code index in a secure location.

The Privacy Certificate shall indicate the procedures to be followed and shall, in the case of paragraph (b) of this section, describe procedures to secure the name index.

### § 22.26 Requests for transfer of information.

(a) Requests for transfer of information identifiable to an individual shall be submitted to the person submitting the Privacy Certificate pursuant to § 22.23.

(b) Except where information is requested by BJA, OJJDP, BJS, NIJ, or OJP, the request shall describe the general objectives of the project for which information is requested, and specifically justify the need for such
