Where such materials indicate that the recipient may be reached by telephone, the materials must state the telephone number of the TDD/TTY or relay service used by the recipient, as required by § 37.9(c).

(b) Recipients that publish or broadcast program information in the news media must ensure that such publications and broadcasts state that the WIA Title I-financially assisted program or activity in question is an equal opportunity employer/program (or otherwise indicate that discrimination in the WIA Title I-financially assisted program or activity is prohibited by Federal law), and indicate that auxiliary aids and services are available upon request to individuals with disabilities.

(c) A recipient must not communicate any information that suggests, by text or illustration, that the recipient treats beneficiaries, registrants, applicants, participants, employees or applicants for employment differently on any prohibited ground specified in § 37.5, except as such treatment is otherwise permitted under Federal law or this part.

§ 37.35 What are a recipient's responsibilities to provide services and information in languages other than English?

DATA AND INFORMATION COLLECTION AND MAINTENANCE

§ 37.37 What are a recipient's responsibilities to collect and maintain data and other information?

(a) The Director will not require submission of data that can be obtained from existing reporting requirements or sources, including those of other agencies, if the source is known and available to the Director.

(b)(1) Each recipient must collect such data and maintain such records, in accordance with procedures prescribed by the Director, as the Director finds necessary to determine whether the recipient has complied or is complying with the nondiscrimination and equal opportunity provisions of WIA or this part. The system and format in which the records and data are kept

(2) Such records must include, but are not limited to, records on applicants, registrants, eligible applicants/registrants, participants, terminees, employees, and applicants for employment. Each recipient must record the race/ethnicity, sex, age, and where known, disability status, of every applicant, registrant, eligible applicant/registrant, participant, terminee, applicant for employment, and employee. Such information must be stored in a manner that ensures confidentiality, and must be used only for the purposes of recordkeeping and reporting; determining eligibility, where appropriate, for WIA Title I-financially assisted programs or activities; determining the extent to which the recipient is operating its WIA Title I-financially assisted program or activity in a non-discriminatory manner; or other use authorized by law.

(c) Each recipient must maintain, and submit to CRC upon request, a log of complaints filed with it that allege discrimination on the ground(s) of race, color, religion, sex, national origin, age, disability, political affiliation or belief, citizenship, and/or participation in a WIA Title I-financially assisted program or activity. The log must include: the name and address of the complainant; the ground of the complaint; a description of the complaint; the date the complaint was filed; the disposition and date of disposition of the complaint; and other pertinent information. Information that could lead to identification of a particular individual as having filed a complaint must be kept confidential.

(d) Where designation of individuals by race or ethnicity is required, the guidelines of the Office of Management and Budget must be used.

(e) A service provider's responsibility for collecting and maintaining the information required under this section may be assumed by the Governor or LWIA grant recipient, as provided in the State's Methods of Administration.
