§ 673.7 Administrative cost allowance.

(a) An institution participating in the Federal Perkins Loan, FWS, or FSEOG programs is entitled to an administrative cost allowance for an award year if it advances funds under the Federal Perkins Loan Program, provides FWS employment, or awards grants under the FSEOG Program to students in that year.

(b) An institution may charge the administrative cost allowance calculated in accordance with paragraph (c) of this section for an award year against—

- (1) The Federal Perkins Loan Fund, if the institution advances funds under the Federal Perkins Loan Program to students in that award year;

- (2) The FWS allocation, if the institution provides FWS employment to students in that award year; and

- (3) The FSEOG allocation, if the institution awards grants to students under the FSEOG program in that award year.

(c) For any award year, the amount of the administrative costs allowance equals—

- (1) Five percent of the first \$2,750,000 of the institution's total expenditures to students in that award year under the FWS, FSEOG, and the Federal Perkins Loan programs; plus

- (2) Four percent of its expenditures to students that are greater than \$2,750,000 but less than \$5,500,000; plus

- (3) Three percent of its expenditures to students that are \$5,500,000 or more.

(d) The institution shall not include, when calculating the allowance in paragraph (c) of this section, the amount of loans made under the Federal Perkins Loan Program that it assigns during the award year to the Secretary under section 463(a)(6) of the HEA.

(e) An institution shall use its administrative costs allowance to offset its cost of administering the Federal Pell Grant, FWS, FSEOG, and Federal Perkins Loan programs. Administrative costs also include the expenses incurred for carrying out the student

consumer information services requirements of subpart D of the Student Assistance General Provisions regulations, 34 CFR part 668.

(f) An institution may use up to 10 percent of the administrative costs allowance, as calculated under paragraph (c) of this section, that is attributable to the institution's expenditures under the FWS program to pay the administrative costs of conducting its program of community service. These costs may include the costs of—

- (1) Developing mechanisms to assure the academic quality of a student's experience;

- (2) Assuring student access to educational resources, expertise, and supervision necessary to achieve community service objectives; and

- (3) Collaborating with public and private nonprofit agencies and programs assisted under the National and Community Service Act of 1990 in the planning, development, and administration of these programs.

§§ 674.3–674.4 [Reserved]

§ 674.5 Federal Perkins Loan program cohort default rate and penalties.

(a) *Default penalty.* If an institution's cohort default rate meets the following levels, a default penalty is imposed on the institution as follows:

(1) *FCC reduction.* If the institution's cohort default rate equals or exceeds 25 percent, the institution's FCC is reduced to zero.

(2) *Ineligibility.* For award year 2000–2001 and succeeding award years, an institution with a cohort default rate that equals or exceeds 50 percent for each of the three most recent years for which cohort default rate data are available is ineligible to participate in the Federal Perkins Loan Program. Following a review of that data and upon notification by the Secretary, an institution is ineligible to participate for the award year, or the remainder of the award year, in which the determination is made and the two succeeding award years. An institution may appeal a notification of ineligibility from the Secretary within 30 days of its receipt.

(i) *Appeal procedures.*

(A) *Inaccurate calculation.* An institution may appeal a notice of ineligibility based upon the submission of erroneous data by the institution, the correction of which would result in a recalculation that reduces the institution's cohort default rate to below 50 percent for any of the three award years used to make a determination of ineligibility. The Secretary considers the edit process, by which an institution adjusts the cohort default rate data that it submits to the Secretary

on its Fiscal Operations Report, to constitute the procedure to appeal a determination of ineligibility based on a claim of erroneous data.

(B) *Small number of borrowers entering repayment.* An institution may appeal a notice of ineligibility if, on average, 10 or fewer borrowers enter repayment for the three most recent award years used by the Secretary to make a determination of ineligibility.

(C) *Decision of the Secretary.* The Secretary issues a decision on an appeal within 45 days of the institution's submission of a complete, accurate, and timely appeal. An institution may continue to participate in the program until the Secretary issues a decision on the institution's appeal.

(ii) *Liquidation of an institution's Perkins Loan portfolio.* Within 90 days of receiving a notification of ineligibility or, if the institution appeals, within 90 days of the Secretary's decision to deny the appeal, the institution must—

(A) Liquidate its revolving student loan fund by making a capital distribution of the liquid assets of the Fund according to section 466(c) of the HEA; and

(B) Assign any outstanding loans in the institution's portfolio to the Secretary in accordance with § 674.50.

(iii) *Effective date.* The provisions of paragraph (a)(2) of this section are effective with the cohort default rate calculated as of June 30, 2001.

(b) *Cohort default rate.* (1) The term "cohort default rate" means, for any award year in which 30 or more current and former students at the institution enter repayment on a loan received for attendance at the institution, the percentage of those current and former students who enter repayment in that award year on the loans received for attendance at that institution who default before the end of the following award year.

(2) For any award year in which less than 30 current and former students at the institution enter repayment on a loan received for attendance at the institution, the "cohort default rate" means the percentage of those current and former students who entered repayment on loans received for attendance at that institution in any of the three most recent award years and who

defaulted on those loans before the end of the award year immediately following the year in which they entered repayment.

(c) *Defaulted loans to be included in the cohort default rate.* For purposes of calculating the cohort default rate under paragraph (b) of this section—

(1) A borrower must be included only if the borrower's default has persisted for at least—

(i) 240 consecutive days for loans repayable in monthly installments; or

(ii) 270 consecutive days for loans repayable in quarterly installments;

(2) A loan is considered to be in default if a payment is made by the institution of higher education, its owner, agency, contractor, employee, or any other entity or individual affiliated with the institution, in order to avoid default by the borrower;

(3)(i) In determining the number of borrowers who default before the end of the following award year, a loan is excluded if the borrower has—

(A) Voluntarily made six consecutive monthly payments;

(B) Voluntarily made all payments currently due;

(C) Repaid the full amount due, including any interest, late fees, and collection costs that have accrued on the loan;

(D) Received a deferment or forbearance based on a condition that predates the borrower reaching a 240- or 270-day past due status; or

(E) Rehabilitated the loan after becoming 240- or 270-days past due.

(ii) A loan is considered canceled and also excluded from an institution's cohort default rate calculation if the loan is—

(A) Discharged due to death or permanent and total disability;

(B) Discharged in bankruptcy;

(C) Discharged due to a closed school; or

(D) Repaid in full in accordance with § 674.33(e) or § 674(h).

(iii) For the purpose of this section, funds obtained by income tax offset, garnishment, income or asset execution, or pursuant to a judgment are not considered voluntary.

(4) In the case of a student who has attended and borrowed at more than one institution, the student and his or

her subsequent repayment or default are attributed to the institution for attendance at which the student received the loan that entered repayment in the award year.

(d) *Locations of the institution.* (1) A cohort default rate of an institution applies to all locations of the institution as it exists on the first day of the award year for which the rate is calculated.

(2) A cohort default rate of an institution applies to all locations of the institution from the date the institution is notified of that rate until the institution is notified by the Secretary that the rate no longer applies.

(3) For an institution that changes status from a location of one institution to a free-standing institution, the Secretary determines the cohort default rate based on the institution's status as of July 1 of the award year for which a cohort default rate is being calculated.

(4)(i) For an institution that changes status from a free-standing institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both the former free-standing institution and the other institution. This cohort default rate applies to the new consolidated institution and all of its current locations.

(ii) For free-standing institutions that merge, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both of the institutions that are merging. This cohort default rate applies to the new, consolidated institution.

(iii) For an institution that changes status from a location of one institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the number of students who default during the applicable award

years from both of the institutions in their entirety, not limited solely to the respective locations.

(5) For an institution that has a change in ownership that results in a change in control, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from the institution under both the old and new control.

§ 674.31 Promissory note.

(a) *Promissory note.* (1) An institution may use only the promissory note that the Secretary provides. The institution may make only nonsubstantive changes, such as changes to the type style or font, or the addition of items such as the borrower's driver's license number, to this note.

(2)(i) The institution shall print the note on one page, front and back; or

(ii) The institution may print the note on more than one page if—

(A) The note requires the signature of the borrower on each page; or

(B) Each page of the note contains both the total number of pages in the complete note as well as the number of each page, e.g., page 1 of 4, page 2 of 4, etc.

(iii) The promissory note must state the exact amount of the minimum monthly repayment amount if the institution chooses the option under § 674.33(b).

(b) *Provisions of the promissory note—*
(1) *Interest.* The promissory note must state that—

(i) The rate of interest on the loan is 5 percent per annum on the unpaid balance; and

(ii) No interest shall accrue before the repayment period begins, during certain deferment periods as provided by this subpart, or during the grace period following those deferments.

(2) *Repayment.* (i) Except as otherwise provided in § 674.32, the promissory note must state that the repayment period—

(A) For NDSLs made on or after October 1, 1980, begins 6 months after the borrower ceases to be at least a half-time regular student at an institution of higher education or a comparable institution outside the U.S. approved for this purpose by the Secretary, and normally ends 10 years later;

(B) For NDSLs made before October 1, 1980 and Federal Perkins Loans, begins 9 months after the borrower ceases to be at least a half-time regular student at an institution of higher education or a comparable institution outside the U.S. approved for this purpose by the Secretary, and normally ends 10 years later;

(C) For purposes of establishing the beginning of the repayment period for NDSL or Perkins loans, the 6- and 9-month grace periods referenced in paragraph (b)(2)(i) of this section exclude any period during which a borrower who is a member of a reserve component of the Armed Forces named in section 10101 of Title 10, United States Code is called or ordered to active duty for a period of more than 30 days. Any single excluded period may not exceed three years and includes the time necessary for the borrower to resume enrollment at the next available regular enrollment period. Any Direct or Perkins loan borrower who is in a grace period when called or ordered to active duty as specified in this paragraph is entitled to a new 6- or 9-month grace period upon completion of the excluded period.

(D) May begin earlier at the borrower's request; and

(E) May vary because of minimum monthly repayments (see § 674.33(b)), extensions of repayment (see § 674.33(c)), forbearance (see § 674.33(d)), or deferments (see §§ 674.34, 674.35, and 674.36);

(ii) The promissory note must state that the borrower shall repay the loan—

(B) In graduated installments if the borrower requests a graduated repayment schedule, the institution submits the schedule to the Secretary for approval, and the Secretary approves it.

(3) *Cancellation.* The promissory note must state that the unpaid principal, interest, collection costs, and either penalty or late charges on the loan are canceled upon the death or permanent and total disability of the borrower.

(4) *Prepayment.* The promissory note must state that—

(i) The borrower may prepay all or part of the loan at any time without penalty;

(ii) The institution shall use amounts repaid during the academic year in which the loan was made to reduce the original loan amount and not consider these amounts to be prepayments;

(iii) If the borrower repays amounts during the academic year in which the loan was made and the initial grace period ended, only those amounts in excess of the amount due for any repayment period shall be treated as prepayments; and

(iv) If, in an academic year other than that described in paragraph (b)(4)(iii) of this section, a borrower repays more than the amount due for any repayment period, the institution shall use the excess to prepay the principal unless the borrower designates it as an advance payment of the next regular installment.

(5) *Late charge.* (i) An institution shall state in the promissory note that the institution will assess a late charge if the borrower does not—

(A) Repay all or part of a scheduled repayment when due; or

(B) File a timely request for cancellation or deferment with the institution. This request must include sufficient evidence to enable the institution to determine whether the borrower is entitled to a cancellation or deferment.

(ii)(A) The amount of the late charge on a Federal Perkins Loan or an NDSL Loan made to cover the cost of attendance for a period of enrollment that began on or after January 1, 1986 must be determined in accordance with § 674.43(b) (2), (3) and (4).

(B) The amount of the late or penalty charge on an NDSL made for periods of enrollment that began before January 1, 1986 may be—

(B) Include it with the next scheduled repayment after the borrower receives notice of the late charge.

(6) *Security and endorsement.* The promissory note must state that the loan shall be made without security and endorsement.

(7) *Assignment.* The promissory note must state that a note may only be assigned to—

(i) The United States or an institution approved by the Secretary; or

(ii) An institution to which the borrower has transferred if that institution is participating in the Federal Perkins Loan program.

(8) *Acceleration.* The promissory note must state that an institution may demand immediate repayment of the entire loan, including any late charges, collection costs and accrued interest, if the borrower does not—

(9) *Cost of collection.* The promissory note must state that the borrower shall pay all attorney's fees and other loan collection costs and charges.

(a) *Repayment Plan.* (1) The institution shall establish a repayment plan before the student ceases to be at least a half-time regular student.

(2) If the last scheduled payment would be \$25 or less the institution may combine it with the next-to-last repayment.

(3) If the installment payment for all loans made to a borrower by an institution is not a multiple of \$5, the institution may round that payment to the

next highest dollar amount that is a multiple of \$5.

(4) The institution shall apply any payment on a loan in the following order:

(i) Collection costs.

(ii) Late charges.

(iii) Accrued interest.

(iv) Principal.

(b) *Minimum monthly repayment*—(1) *Minimum monthly repayment option.* (i) An institution may require a borrower to pay a minimum monthly repayment if—

(A) The promissory note includes a minimum monthly repayment provision specifying the amount of the minimum monthly repayment; and

(B) The monthly repayment of principal and interest for a 10-year repayment period is less than the minimum monthly repayment; or

(ii) An institution may require a borrower to pay a minimum monthly repayment if the borrower has received loans with different interest rates at the same institution and the total monthly repayment would otherwise be less than the minimum monthly repayment.

(2) *Minimum monthly repayment of loans from more than one institution.* If a borrower has received loans from more than one institution, the following rules apply:

(i) If the total of the monthly repayments is equal to at least the minimum monthly repayment, no institution may exercise a minimum monthly repayment option.

(ii) If only one institution exercises the minimum monthly repayment option when the monthly repayment would otherwise be less than the minimum repayment option, that institution receives the difference between the minimum monthly repayment and the repayment owed to the other institution.

(iii) If each institution exercises the minimum repayment option, the minimum monthly repayment must be divided among the institutions in proportion to the amount of principal advanced by each institution.

(3) *Minimum monthly repayment of both Defense and NDSL or Federal Perkins loans from one or more institutions.* If the total monthly repayment is less

than \$30 and the monthly repayment on a Defense loan is less than \$15 a month, the amount attributed to the Defense loan may not exceed \$15 a month.

(4) *Minimum monthly repayment of loans with differing grace periods and deferments.* If the borrower has received loans with different grace periods and deferments, the institution shall treat each note separately, and the borrower shall pay the applicable minimum monthly payment for a loan that is not in the grace or deferment period.

(5) *Hardship.* The institution may reduce the borrower's scheduled repayments for a period of not more than one year at a time if—

(i) It determines that the borrower is unable to make the scheduled repayments due to hardship (see §674.33(c)); and

(ii) The borrower's scheduled repayment is the minimum monthly repayment described in paragraph (b) of this section.

(6) *Minimum monthly repayment rates.* For the purposes of this section, the minimum monthly repayment rate is—

(i) \$15 for a Defense loan;

(ii) \$30 for an NDSL Loan or for a Federal Perkins loan made before October 1, 1992, or for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has an outstanding balance of principal or interest owing on any loan made under this part; or

(iii) \$40 for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has no outstanding balance of principal or interest owing on any loan made under this part.

(7) The institution shall determine the minimum repayment amount under paragraph (b) of this section for loans with repayment installment intervals greater than one month by multiplying the amounts in paragraph (b) of this section by the number of months in the installment interval.

(c) *Extension of repayment period—(1) Hardship.* The institution may extend a borrower's repayment period due to prolonged illness or unemployment.

(2) *Low-income individual.* (i) For Federal Perkins loans and NDSLs made on or after October 1, 1980, the institution

may extend the borrower's repayment period up to 10 additional years beyond the 10-year maximum repayment period if the institution determines during the course of the repayment period that the borrower is a "low-income individual." The borrower qualifies for an extension of the repayment period on the basis of low-income status only during the period in which the borrower meets the criteria described in paragraph (c)(2)(i) (A) or (B) of this section. The term *low-income individual* means the following:

(A) For an unmarried borrower without dependents, an individual whose total income for the preceding calendar year did not exceed 45 percent of the Income Protection Allowance for the current award year for a family of four with one in college.

(B) For a borrower with a family that includes the borrower and any spouse or legal dependents, an individual whose total family income for the preceding calendar year did not exceed 125 percent of the Income Protection Allowance for the current award year for a family with one in college and equal in size to that of the borrower's family.

(ii) The institution shall use the Income Protection Allowance published annually in accordance with section 478 of the HEA in making this determination.

(iii) The institution shall review the borrower's status annually to determine whether the borrower continues to qualify for an extended repayment period based on his or her status as a "low-income individual."

(iv) Upon determining that a borrower ceases to qualify for an extended repayment period under this section, the institution shall amend the borrower's repayment schedule. The term of the amended repayment schedule may not exceed the number of months remaining on the original repayment schedule, provided that the institution may not include the time elapsed during any extension of the repayment period granted under this section in determining the number of months remaining on the original repayment schedule.

(3) Interest continues to accrue during any extension of a repayment period.

§ 674.33

34 CFR Ch. VI (7-1-01 Edition)

(d) *Forbearance.* (1) Forbearance means the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously were scheduled.

(2) Upon receipt of a written request and supporting documentation, the institution shall grant the borrower forbearance of principal and, unless otherwise indicated by the borrower, interest renewable at intervals of up to 12 months for periods that collectively do not exceed three years.

(3) The terms of forbearance must be agreed upon, in writing, by the borrower and the institution.

(4) In granting a forbearance under this section, an institution shall grant a temporary cessation of payments, unless the borrower chooses another form of forbearance subject to paragraph (d)(1) of this section.

(5) An institution shall grant forbearance if—

(i) The amount of the payments the borrower is obligated to make on title IV loans each month (or a proportional share if the payments are due less frequently than monthly) is collectively equal to or greater than 20 percent of the borrower's total monthly gross income;

(ii) The institution determines that the borrower should qualify for the forbearance due to poor health or for other acceptable reasons; or

(iii) The Secretary authorizes a period of forbearance due to a national military mobilization or other national emergency.

(6) Before granting a forbearance to a borrower under paragraph (d)(5)(i) of this section, the institution shall require the borrower to submit at least the following documentation:

(i) Evidence showing the amount of the most recent total monthly gross income received by the borrower; and

(ii) Evidence showing the amount of the monthly payments owed by the borrower for the most recent month for the borrower's title IV loans.

(7) Interest accrues during any period of forbearance.

(8) The institution may not include the periods of forbearance described in this paragraph in determining the 10-year repayment period.

(e) *Compromise of repayment.* (1) An institution may compromise on the repayment of a defaulted loan if—

(i) The institution has fully complied with all due diligence requirements specified in subpart C of this part; and

(ii) The student borrower pays in a single lump-sum payment—

(A) 90 percent of the outstanding principal balance on the loan under this part;

(B) The interest due on the loan; and

(C) Any collection fees due on the loan.

(2) The Federal share of the compromise repayment must bear the same relation to the institution's share of the compromise repayment as the Federal capital contribution to the institution's loan Fund under this part bears to the institution's capital contribution to the Fund.

(f)(1) *Incentive repayment program.* An institution may establish the following repayment incentives:

(i) A reduction of no more than one percent of the interest rate on a loan on which the borrower has made 48 consecutive, monthly repayments.

(ii) A discount of no more than five percent on the balance owed on a loan which the borrower pays in full prior to the end of the repayment period.

(iii) With the Secretary's approval, any other incentive the institution determines will reduce defaults and replenish its Fund.

(2) *Limitation on the use of funds.* (i) The institution must reimburse its Fund, on at least a quarterly basis, for money lost to its Fund that otherwise would have been paid by the borrower as a result of establishing a repayment incentive under paragraphs (f)(1)(i), (ii) and (iii) of this section.

(ii) An institution may not use Federal funds, including Federal funds from the student loan fund, or institutional funds from the student loan fund to pay for any repayment incentive authorized by this section.

(g) *Closed school discharge.* (1) *General.*

(i) The holder of an NDSL or a Federal Perkins Loan discharges the borrower's (and any endorser's) obligation to repay the loan if the borrower did not complete the program of study for which the loan was made because the

school at which the borrower was enrolled closed.

(ii) For the purposes of this section—

(A) A school's closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary;

(B) "School" means a school's main campus or any location or branch of the main campus; and

(C) The "holder" means the Secretary or the school that holds the loan.

(2) *Relief pursuant to discharge.* (i) Discharge under this section relieves the borrower of any past or present obligation to repay the loan and any accrued interest or collection costs with respect to the loan.

(ii) The discharge of a loan under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the loan.

(iii) A borrower who has defaulted on a loan discharged under this section is not considered to have been in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the HEA.

(iv) The Secretary or the school, if the school holds the loan, reports the discharge of a loan under this section to all credit bureaus to which the status of the loan was previously reported.

(3) *Determination of borrower qualification for discharge by the Secretary.* The Secretary may discharge the borrower's obligation to repay an NDSL or Federal Perkins Loan without an application if the Secretary determines that—

(i) The borrower qualified for and received a discharge on a loan pursuant to 34 CFR 682.402(d) (Federal Family Education Loan Program) or 34 CFR 685.213 (Federal Direct Loan Program), and was unable to receive a discharge on an NDSL or Federal Perkins Loan because the Secretary lacked the statutory authority to discharge the loan; or

(ii) Based on information in the Secretary's possession, the borrower qualifies for a discharge.

(4) *Borrower qualification for discharge.* Except as provided in paragraph (g)(3) of this section, in order to qualify for

discharge of an NDSL or Federal Perkins Loan, a borrower must submit to the holder of the loan a written request and sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement the borrower must—

(i) State that the borrower—

(A) Received the proceeds of a loan to attend a school;

(B) Did not complete the program of study at that school because the school closed while the student was enrolled, or the student withdrew from the school not more than 90 days before the school closed (or longer in exceptional circumstances); and

(C) Did not complete and is not in the process of completing the program of study through a teachout at another school as defined in 34 CFR 602.2 and administered in accordance with 34 CFR 602.207(b)(6), by transferring academic credit earned at the closed school to another school, or by any other comparable means;

(ii) State whether the borrower has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower or credited to the borrower's loan obligation; and

(iii) State that the borrower—

(A) Agrees to provide to the holder of the loan upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(B) Agrees to cooperate with the Secretary in enforcement actions in accordance with paragraph (g)(6) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (g)(7) of this section.

(5) *Fraudulently obtained loans.* A borrower who secured a loan through fraudulent means, as determined by the ruling of a court or an administrative tribunal of competent jurisdiction, is ineligible for a discharge under this section.

(6) *Cooperation by borrower in enforcement actions.* (i) In order to obtain a

discharge under this section, a borrower must cooperate with the Secretary in any judicial or administrative proceeding brought by the Secretary to recover amounts discharged or to take other enforcement action with respect to the conduct on which the discharge was based. At the request of the Secretary and upon the Secretary's tendering to the borrower the fees and costs that are customarily provided in litigation to reimburse witnesses, the borrower must—

(A) Provide testimony regarding any representation made by the borrower to support a request for discharge;

(B) Provide any documents reasonably available to the borrower with respect to those representations; and

(C) If required by the Secretary, provide a sworn statement regarding those documents and representations.

(ii) The holder denies the request for a discharge or revokes the discharge of a borrower who—

(A) Fails to provide the testimony, documents, or a sworn statement required under paragraph (g)(6)(i) of this section; or

(B) Provides testimony, documents, or a sworn statement that does not support the material representations made by the borrower to obtain the discharge.

(7) *Transfer to the Secretary of borrower's right of recovery against third parties.* (i) In the case of a loan held by the Secretary, upon discharge under this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, its affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(ii) The provisions of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of those rights by the borrower, limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribu-

tion that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this section limits or forecloses the borrower's right to pursue legal and equitable relief regarding disputes arising from matters unrelated to the discharged NDSL or Federal Perkins Loan.

(8) *Discharge procedures.* (i) After confirming the date of a school's closure, the holder of the loan identifies any NDSL or Federal Perkins Loan borrower who appears to have been enrolled at the school on the school closure date or to have withdrawn not more than 90 days prior to the closure date.

(ii) If the borrower's current address is known, the holder of the loan mails the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The holder of the loan also promptly suspends any efforts to collect from the borrower on any affected loan. The holder of the loan may continue to receive borrower payments.

(iii) In the case of a loan held by the Secretary, if the borrower's current address is unknown, the Secretary attempts to locate the borrower and determine the borrower's potential eligibility for a discharge under this section by consulting with representatives of the closed school or representatives of the closed school's third-party billing and collection servicers, the school's licensing agency, the school accrediting agency, and other appropriate parties. If the Secretary learns the new address of a borrower, the Secretary mails to the borrower a discharge application and explanation and suspends collection, as described in paragraph (g)(8)(ii) of this section.

(iv) In the case of a loan held by a school, if the borrower's current address is unknown, the school attempts to locate the borrower and determine the borrower's potential eligibility for a discharge under this section by taking steps required to locate the borrower under § 674.44.

(v) If the borrower fails to submit the written request and sworn statement described in paragraph (g)(4) of this section within 60 days of the holder of

the loan's mailing the discharge application, the holder of the loan resumes collection and grants forbearance of principal and interest for the period during which collection activity was suspended.

(vi) If the holder of the loan determines that a borrower who requests a discharge meets the qualifications for a discharge, the holder of the loan notifies the borrower in writing of that determination.

(vii) In the case of a loan held by the Secretary, if the Secretary determines that a borrower who requests a discharge does not meet the qualifications for a discharge, the Secretary notifies that borrower, in writing, of that determination and the reasons for the determination.

(viii) In the case of a loan held by a school, if the school determines that a borrower who requests a discharge does not meet the qualifications for discharge, the school submits that determination and all supporting materials to the Secretary for approval. The Secretary reviews the materials, makes an independent determination, and notifies the borrower in writing of the determination and the reasons for the determination.

(ix) In the case of a loan held by a school and discharged by either the school or the Secretary, the school must reimburse its Fund for the entire amount of any outstanding principal and interest on the loan, and any collection costs charged to the Fund as a result of collection efforts on a discharged loan. The school must also reimburse the borrower for any amount of principal, interest, late charges or collection costs the borrower paid on a loan discharged under this section.

§ 674.34 Deferment of repayment—Federal Perkins loans, NDSLs and Defense loans.

(a) The borrower may defer making a scheduled installment repayment on a Federal Perkins loan, an NDSL, or a Defense loan, regardless of contrary provisions of the borrower's promissory note and regardless of the date the loan was made, during periods described in this section.

(b)(1) The borrower need not repay principal, and interest does not accrue, during a period after the commencement or resumption of the repayment period on a loan, when the borrower is—

(i) Enrolled and in attendance as a regular student in at least a half-time course of study at an eligible institution;

(ii) Enrolled and in attendance as a regular student in a course of study that is part of a graduate fellowship program approved by the Secretary;

(iii) Engaged in graduate or post-graduate fellowship-supported study (such as a Fulbright grant) outside the United States; or

(iv) Enrolled in a course of study that is part of a rehabilitation training program for disabled individuals approved by the Secretary as described in paragraph (g) of this section.

(2) No borrower is eligible for a deferment under paragraph (b)(1) of this section while serving in a medical internship or residency program, except for a residency program in dentistry.

(3) The institution of higher education at which the borrower is enrolled does not need to be participating in the Federal Perkins Loan program for the borrower to qualify for a deferment.

(4) If a borrower is attending an institution of higher education as at least a half-time regular student for a full academic year and intends to enroll as at least a half-time regular student in the next academic year, the borrower is entitled to a deferment for 12 months.

(5) If an institution no longer qualifies as an institution of higher education, the borrower's deferment ends

§ 674.34

34 CFR Ch. VI (7-1-01 Edition)

on the date the institution ceases to qualify.

(c) The borrower of a Federal Perkins loan, an NDSL, or a Defense loan need not repay principal, and interest does not accrue, for any period during which the borrower is engaged in service described in §§ 674.53, 674.54, 674.55, 674.56, 674.57, 674.58, 674.59, and 674.60.

(d) The borrower need not repay principal, and interest does not accrue, for any period not to exceed 3 years during which the borrower is seeking and unable to find full-time employment.

(e) The borrower need not repay principal, and interest does not accrue, for periods of up to one year at a time (except that a deferment under paragraph (e)(6) of this section may be granted for the lesser of the borrower's full term of service in the Peace Corps or the borrower's remaining period of economic hardship deferment eligibility) that, collectively, do not exceed 3 years, during which the borrower is suffering an economic hardship, if the borrower provides documentation satisfactory to the institution showing that the borrower is within any of the categories described in paragraphs (e)(1) through (e)(6) of this section.

(1) Has been granted an economic hardship deferment under either the FDSL or FFEL programs for the period of time for which the borrower has requested an economic hardship deferment for his or her Federal Perkins loan.

(2) Is receiving payment under a Federal or state public assistance program, such as Aid to Families with Dependent Children, Supplemental Security Income, Food Stamps, or state general public assistance.

(3) Is working full-time and earning a total monthly gross income that does not exceed the greater of—

(i) The monthly earnings of an individual earning the minimum wage described in section 6 of the Fair Labor Standards Act of 1938; or

(ii) An amount equal to 100 percent of the poverty line for a family of two, as determined in accordance with section 673(2) of the Community Service Block Grant Act.

(4) Is not receiving total monthly gross income that exceeds twice the amount specified in paragraph (e)(3) of

this section and, after deducting an amount equal to the borrower's monthly payments on Federal postsecondary education loans, as determined under paragraph (e)(9) of this section, the remaining amount of that income does not exceed the amount specified in paragraph (e)(3) of this section;

(5) Is working full-time and has a Federal education debt burden that equals or exceeds 20 percent of the borrower's total monthly gross income, and the borrower's income minus such burden is less than 220 percent of the amount calculated under paragraph (3) of this section.

(6) Is serving as a volunteer in the Peace Corps.

(7) For a deferment granted under paragraph (e)(4) or (e)(5) of this section, the institution shall require the borrower to submit at least the following documentation to qualify for an initial period of deferment—

(i) Evidence showing the amount of the borrower's most recent total monthly gross income, as defined in section 674.2; and

(ii) Evidence that would enable the institution to determine the amount of the monthly payments that would have been owed by the borrower during the deferment period to other entities for Federal postsecondary education loans in accordance with paragraph (e)(9) of this section.

(8) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraphs (e)(3), (e)(4), or (e)(5) of this section, the institution shall require the borrower to submit a copy of the borrower's Federal income tax return if the borrower filed a tax return within eight months prior to the date the deferment is requested.

(9) For purposes of paragraphs (e)(3) and (e)(5) of this section, a borrower is considered to be working full-time if the borrower is expected to be employed for at least three consecutive months at 30 hours per week.

(10) In determining a borrower's eligibility for an economic hardship deferment under paragraph (e) of this section, the institution shall count only the monthly payment amount (or a proportional share if the payments

are due less frequently than monthly) that would have been owed on a Federal postsecondary education loan if the loan had been scheduled to be repaid in 10 years from the date the borrower entered repayment, regardless of the length of the borrower's actual repayment schedule or the actual monthly payment amount (if any) that would be owed during the period that the borrower requested an economic hardship deferment.

(f) To qualify for a deferment for study as part of a graduate fellowship program pursuant to paragraph (b)(1)(ii) of this section, a borrower must provide the institution certification that the borrower has been accepted for or is engaged in full-time study in the institution's graduate fellowship program.

(g) To qualify for a deferment for study in a rehabilitation training program, pursuant to paragraph (b)(1)(iv) of this section, the borrower must be receiving, or be scheduled to receive, services under a program designed to rehabilitate disabled individuals and must provide the institution with the following documentation:

(1) A certification from the rehabilitation agency that the borrower is either receiving or scheduled to receive rehabilitation training services from the agency.

(2) A certification from the rehabilitation agency that the rehabilitation program—

(i) Is licensed, approved, certified, or otherwise recognized by one of the following entities as providing rehabilitation training to disabled individuals—

(A) A State agency with responsibility for vocational rehabilitation programs;

(B) A State agency with responsibility for drug abuse treatment programs;

(C) A State agency with responsibility for mental health services programs;

(D) A State agency with responsibility for alcohol abuse treatment programs; or

(E) The Department of Veterans Affairs; and

(ii) Provides or will provide the borrower with rehabilitation services under a written plan that—

(A) Is individualized to meet the borrower's needs;

(B) Specifies the date on which the services to the borrower are expected to end; and

(C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation. The Secretary considers a substantial commitment by the borrower to be a commitment of time and effort that would normally prevent an individual from engaging in full-time employment either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation.

(h) The institution may not include the deferment periods described in paragraphs (b), (c), (d), (e), (f), and (g) of this section and the period described in paragraph (i) of this section in determining the 10-year repayment period.

(i) The borrower need not pay principal and interest does not accrue until six months after completion of any period during which the borrower is in deferment under paragraphs (b), (c), (d), (e), (f), and (g) of this section.

§ 674.35 Deferment of repayment—Federal Perkins loans made before July 1, 1993.

(a) The borrower may defer repayment on a Federal Perkins Loan made before July 1, 1993, during the periods described in this section.

(b)(1) The borrower need not repay principal, and interest does not accrue, during a period after the commencement or resumption of the repayment period on a loan, when the borrower is at least a half-time regular student at—

(i) An institution of higher education; or

(ii) A comparable institution outside the U.S. approved by the Secretary for this purpose.

(2) The institution of higher education does not need to be participating in the Federal Perkins Loan

program for the borrower to qualify for a deferment.

(3) If a borrower is attending as at least a half-time regular student for a full academic year and intends to enroll as at least a half-time regular student in the next academic year, the borrower is entitled to deferment for 12 months.

(4) If an institution no longer qualifies as an institution of higher education, the borrower's deferment ends on the date the institution ceases to qualify.

(c) The borrower need not repay principal, and interest does not accrue, for any period not to exceed 3 years during which the borrower is—

(2) On full-time active duty as a member of the National Oceanic and Atmospheric Administration Corps;

(3) A Peace Corps volunteer (see § 674.60);

(4) A volunteer under the Domestic Volunteer Service Act of 1973 (ACTION programs) (see § 674.60);

(5) A full-time volunteer in service which the Secretary has determined is comparable to service in the Peace Corps or under the Domestic Volunteer Service Act of 1973 (ACTION programs). The Secretary considers that a borrower is providing comparable service if he or she satisfies the following five criteria:

(i) The borrower serves in an organization that is exempt from taxation under the provisions of section 501(c)(3) of the Internal Revenue Code of 1954.

(ii) The borrower provides service to low-income persons and their communities to assist them in eliminating poverty and poverty-related human, social, and environmental conditions.

(iii) The borrower does not receive compensation that exceeds the rate prescribed under section 6 of the Fair Labor Standards Act of 1938 (the Federal minimum wage), except that the tax-exempt organization may provide health, retirement, and other fringe benefits to the volunteer that are substantially equivalent to the benefits of-

ferred to other employees of the organization.

(iv) The borrower, as part of his or her duties, does not give religious instruction, conduct worship service, engage in religious proselytizing, or engage in fundraising to support religious activities.

(v) The borrower has agreed to serve on a full-time basis for a term of at least one year.

(6) Temporarily totally disabled, as established by an affidavit of a qualified physician, or unable to secure gainful employment because the borrower is providing care, such as continuous nursing or other similar services, required by a dependent who is so disabled. As used in this paragraph—

(i) "Temporarily totally disabled", with regard to the borrower, means the inability by virtue of an injury or illness to attend an eligible institution or to be gainfully employed during a reasonable period of recovery; and

(ii) "Temporarily totally disabled", with regard to a disabled spouse or other dependent of a borrower, means requiring continuous nursing or other services from the borrower for a period of at least three months because of illness or injury.

(d)(1) The borrower need not repay principal, and interest does not accrue, for a period not to exceed two years during which time the borrower is serving an eligible internship.

(2) An eligible internship is one which—

(i) Requires the borrower to hold at least a baccalaureate degree before beginning the internship; and

(ii)(A) A State licensing agency requires an individual to complete as a prerequisite for certification for professional practice or service; or

(B) Is a part of an internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers post-graduate training.

(3) To qualify for an internship deferment as provided in paragraph (d)(2)(ii)(A) of this section, the borrower must provide the institution with the following certifications:

(i) A statement from an official of the appropriate State licensing agency

that successful completion of the internship program is a prerequisite for its certification of the individual for professional service or practice.

(ii) A statement from the organization with which the borrower is undertaking the internship program certifying—

(A) That a baccalaureate degree must be attained in order to be admitted into the internship program;

(B) That the borrower has been accepted into its internship program; and

(C) The anticipated dates on which the borrower will begin and complete the program.

(4) To qualify for an internship deferment as provided in paragraph (d)(2)(ii)(B) of this section, the borrower must provide the institution with a statement from an authorized official of the internship program certifying that—

(i) A baccalaureate degree must be attained in order to be admitted into the internship program;

(ii) The borrower has been accepted into its internship program; and

(iii) The internship or residency program in which the borrower has been accepted leads to a degree or certificate awarded by an institution of higher education, a hospital or a health-care facility that offers postgraduate training.

(e) The borrower need not repay principal, and interest does not accrue, for a period not in excess of six months—

(1) During which the borrower is—

§ 674.38 Deferment procedures.

(a)(1) Except as provided in paragraph (a)(2) of this section, a borrower must request the deferment and provide the institution with all information and documents required by the institution by the date that the institution establishes.

§ 674.39

34 CFR Ch. VI (7-1-01 Edition)

(2) In the case of an in school deferment, the institution may grant the deferment based on student enrollment information showing that a borrower is enrolled as a regular student on at least a half-time basis, if the institution notifies the borrower of the deferment and of the borrower's option to cancel the deferment and continue paying on the loan.

(3) If the borrower fails to meet the requirements of paragraph (a) (1) of this section, the institution may declare the loan to be in default, and may accelerate the loan.

(b)(1) The institution may grant a deferment to a borrower after it has declared a loan to be a default.

(2) As a condition for a deferment under this paragraph, the institution—

(i) Shall require the borrower to execute a written repayment agreement on the loan; and

(c) If the information supplied by the borrower demonstrates that for some or all of the period for which a deferment is requested, the borrower had retained in-school status or was within the initial grace period on the loan, the institution shall—

(1) Redetermine the date on which the borrower was required to commence repayment on the loan;

§ 674.39 Loan rehabilitation.

(a) Each institution must establish a loan rehabilitation program for all borrowers for the purpose of rehabilitating defaulted loans made under this part. The institution's loan rehabilitation program must provide that—

(1) A defaulted borrower is notified of the option and consequences of rehabilitating a loan; and

(c) Collection costs on a rehabilitated loan—

(1) If charged to the borrower, may not exceed 24 percent of the unpaid principal and accrued interest as of the date following application of the twelfth payment;

(2) That exceed the amounts specified in paragraph (c)(1) of this section, may be charged to an institution's Fund

(d) After rehabilitating a defaulted loan and returning to regular repayment status, the borrower regains the balance of the benefits and privileges of the promissory note as applied prior to the borrower's default on the loan. As an alternative, in the case of a student enrolled in a correspondence program or a study-abroad program that the school approves for credit, the school may provide written counseling materials by mail within 30 days after the borrower completes the program. If the borrower withdraws from school without the school's prior knowledge or fails to complete an exit counseling session as required, the school must provide exit counseling through either interactive electronic means or by mailing counseling material to the borrower at the borrower's last known ad-

(2) In conducting the exit counseling, the school must—

(vii) Review with the borrower the conditions under which the borrower may defer repayment or obtain partial cancellation of a loan;

(viii) Require the borrower to provide corrections to the institution's records concerning name, address, social security number, references, and driver's license number, the borrower's expected permanent address, the address of the borrower's next of kin, as well as the name and address of the borrower's expected employer; and

(ix) Review with the borrower information on the availability of the Student Loan Ombudsman's office.

(3) Additional matters that the Secretary recommends that a school include in the exit counseling session or

(5) The institution must maintain documentation substantiating the school's compliance with this section for each borrower.

(c) *Contact with the borrower during the initial and post deferment grace periods.* (1)(i) For loans with a nine-month initial grace period (NDSLs made before October 1, 1980 and Federal Perkins loans), the institution shall contact the borrower three times within the initial grace period.

An institution shall use billing procedures that include at least the following steps:

(2) If the institution does not use a coupon system, it shall send to the borrower—

made for periods of enrollment beginning on or after January 1, 1986, during the period in which the institution takes any steps described in this section to secure—

(i) Any part of an installment payment not made when due, or

(ii) A request for deferment, cancellation, or postponement of repayment on the loan that contains sufficient information to enable the institution to determine whether the borrower is entitled to the relief requested.

(3) The institution shall determine the amount of the late charge imposed for loans described in paragraph (b)(2) of this section based on either—

(i) Actual costs incurred for actions required under this section to secure the required payment or information from the borrower; or

(ii) The average cost incurred for similar attempts to secure payments or information from other borrowers.

(4) The institution may not require a borrower to pay late charges imposed under paragraph (b)(3) of this section in an amount, for each late payment or request, exceeding 20 percent of the installment payment most recently due.

(i) Has added that amount to the principal amount of the loan as of the first day on which the installment was due; or

(ii) Demands payment for that amount in full no later than the due date of the next installment.

(c) If the borrower does not satisfactorily respond to the first overdue notice, the institution shall continue to contact the borrower as follows, until the borrower makes satisfactory repayment arrangements or demonstrates entitlement to deferment, postponement, or cancellation:

(1) The institution shall send a second overdue notice within 30 days after the first overdue notice is sent.

(2) The institution shall send a final demand letter within 15 days after the second overdue notice. This letter must inform the borrower that unless the institution receives a payment or a request for deferment, postponement, or cancellation within 30 days of the date of the letter, it will refer the account for collection or litigation, and will report the default to a credit bureau.

(d) Notwithstanding paragraphs (b) and (c) of this section, an institution may send a borrower a final demand letter if the institution has not within 15 days after the due date received a payment, or a request for deferment, postponement, or cancellation, and if—

(1) The borrower's repayment history has been unsatisfactory, e.g., the borrower has previously failed to make payment(s) when due or to request deferment, postponement, or cancellation in a timely manner, or has previously received a final demand letter; or

(2) The institution reasonably concludes that the borrower neither intends to repay the loan nor intends to seek deferment, postponement, or cancellation of the loan.

(e)(1) An institution that accelerates a loan as provided in § 674.31 (i.e., makes the entire outstanding balance of the loan, including accrued interest and any applicable late charges, payable immediately) shall—

(i) Provide the borrower, at least 30 days before the effective date of the acceleration, written notice of its intention to accelerate; and

(ii) Provide the borrower on or after the effective date of acceleration, written notice of the date on which it accelerated the loan and the total amount due on the loan.

(2) The institution may provide these notices by including them in other written notices to the borrower, including the final demand letter.

(a) The term "collection procedures," as used in this subpart, includes that series of more intensive efforts, including litigation as described in § 674.46, to recover amounts owed from defaulted borrowers who do not respond satisfactorily to the demands routinely made as part of the institution's billing procedures. If a borrower does not satisfactorily respond to the final demand letter or the following telephone contact made in accordance with § 674.43(f), the institution shall—

(2) The institution must resolve, within 30 days of its receipt, any inquiry from any credit bureau that disputes the completeness or accuracy of information reported on the loan.

(c)(1) If the institution, or the firm it engages, pursues collection activity for up to 12 months and does not succeed in converting the account to regular repayment status, or the borrower does not qualify for deferment, postponement, or cancellation on the loan, the institution shall—

(i) Litigate in accordance with the procedures in § 674.46;

(ii) Make a second effort to collect the account as follows:

(A) If the institution first attempted to collect the account using its own personnel, it shall refer the account to a collection firm.

(B) If the institution first attempted to collect the account by using a collection firm, it shall either attempt to collect the account using institutional personnel, or place the account with a different collection firm; or

(iii) Submit the account for assignment to the Secretary in accordance with the procedures set forth in § 674.50.

(2) If the collection firm retained by the institution does not succeed in placing an account into a repayment status described in paragraph (c)(1) of this section after 12 months of collection activity, the institution shall require the collection firm to return the account to the institution.

(d) If the institution is unable to place the loan in repayment as described in paragraph (c)(1) of this section after following the procedures in paragraphs (a), (b), and (c) of this section, the institution shall continue to make annual attempts to collect from the borrower until—

(2) The account is assigned to the United States; or

(3) The account is written off under § 674.47(g).

(e)(1) Subject to § 674.47(d), the institution shall assess against the borrower all reasonable costs incurred by the institution with regard to a loan obligation.

(2) The institution shall determine the amount of collection costs that shall be charged to the borrower for actions required under this section, and §§ 674.44, 674.46, 674.48, and 674.49, based on either—

(i) Actual costs incurred for these actions with regard to the individual borrower's loan; or

(ii) Average costs incurred for similar actions taken to collect loans in similar stages of delinquency.

(3) The Fund must be reimbursed for collection costs initially charged to

the Fund and subsequently paid by the borrower.

(f)(1) An institution shall ensure that any funds collected from the borrower are—

(i) Deposited in interest-bearing bank accounts that are—

(A) Insured by an agency of the Federal Government; or

(B) Secured by collateral of reasonably equivalent value; or

(ii) Invested in low-risk income-producing securities, such as obligations issued or guaranteed by the United States.

(2) An institution shall exercise the level of care required of a fiduciary with regard to these deposits and investments.

(g) *Preemption of State law.* The provisions of this section preempt any State law, including State statutes, regulations, or rules, that would conflict with or hinder satisfaction of the requirements or frustrate the purposes of this section.

(h) As part of the collection activities provided for in this section, the institution must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

(1) Owns or controls the billing service;

(2) Is owned or controlled by the billing service; or

(3) Is owned or controlled by the same corporation, partnership, association, or individual that owns or controls the billing service.

(f)(1) An institution that employs a third party to perform billing or collection services required under this subpart shall ensure that the party has and maintains in effect a fidelity bond or comparable insurance in accordance with the requirements of this paragraph.

§ 674.49 Bankruptcy of borrower.

(a) *General.* If an institution receives notice that a borrower has filed a peti-

tion for relief in bankruptcy, usually by receiving a notice of meeting of creditors, the institution and its agents shall immediately suspend any collection efforts outside the bankruptcy proceeding against the borrower.

(b) *Proof of claim.* The institution must file a proof of claim in the bankruptcy proceeding unless—

(1) In the case of a proceeding under chapter 7 of the Bankruptcy Code, the notice of meeting of creditors states that the borrower has no assets, or

(2) In the case of a bankruptcy proceeding under either Chapter 7 or Chapter 13 of the Bankruptcy Code in which the repayment plan proposes that the borrower repay less than the full amount owed on the loan, the institution has an authoritative determination by an appropriate State official that in the opinion of the State official, the institution is an agency of the State and is, on that basis, under applicable State law, immune from suit.

(c) *Borrower's request for determination of dischargeability.* (1) The institution must use due diligence and may assert any defense consistent with its status under applicable law to avoid discharge of the loan. The institution must follow the procedures in this paragraph to respond to a complaint for a determination of dischargeability under 11 U.S.C. 523(a)(8) on the ground that repayment of the loan would impose an undue hardship on the borrower and his or her dependents, unless discharge would be more effectively opposed by avoiding that action.

(2) If the petition for relief in bankruptcy was filed before October 8, 1998 and more than seven years of the repayment period on the loan (excluding any applicable suspension of the repayment period defined in 34 CFR 682.402(m)) have passed before the borrower filed the petition, the institution may not oppose a determination of dischargeability requested under 11 U.S.C. 523(a)(8)(B) on the ground of undue hardship.

(3) In any other case, the institution must determine, on the basis of reasonably available information, whether repayment of the loan under either the

current repayment schedule or any adjusted schedule authorized under subpart B or D of this part would impose an undue hardship on the borrower and his or her dependents.

(4) If the institution concludes that repayment would not impose an undue hardship, the institution shall determine whether the costs reasonably expected to be incurred to oppose discharge will exceed one-third of the total amount owed on the loan, including principal, interest, late charges and collection costs.

(5) If the expected costs of opposing discharge of such a loan do not exceed one-third of the total amount owed on the loan, the institution shall—

(i) Oppose the borrower's request for a determination of dischargeability; and

(ii) If the borrower is in default on the loan, seek a judgment for the amount owed on the loan.

(6) In opposing a request for a determination of dischargeability, the institution may compromise a portion of the amount owed on the loan if it reasonably determines that the compromise is necessary in order to obtain a judgment on the loan.

(d) *Request for determination of non-dischargeability.* The institution may file a complaint for a determination that a loan obligation is not dischargeable and for judgment on the loan if the institution would have been required under paragraph (c) of this section to oppose a request for a determination of dischargeability with regard to that loan.

(e) *Chapter 13 repayment plan.* (1) The institution shall follow the procedures in this paragraph in response to a repayment plan proposed by a borrower who has filed for relief under chapter 13 of the Bankruptcy Code.

(2) The institution is not required to respond to a proposed repayment plan, if—

(i) The borrower proposes under the repayment plan to repay all principal, interest, late charges and collection costs on the loan; or

(ii) The repayment plan makes no provision with regard either to the loan obligation or to general unsecured claims.

(3)(i) If the borrower proposes under the repayment plan to repay less than the total amount owed on the loan, the institution shall determine from its own records and court documents—

(A) The amount of the loan obligation dischargeable under the plan by deducting the total payments on the loan proposed under the plan from the total amount owed;

(B) Whether the plan or the classification of the loan obligation under the proposed plan meets the requirements of section 1325 of the Code; and

(C) Whether grounds exist under 11 U.S.C. 1307 to move for conversion or dismissal of the chapter 13 case.

(ii) If the institution reasonably expects that costs of the appropriate actions will not exceed one-third of the dischargeable loan debt, the institution shall—

(A) Object to confirmation of a proposed plan that does not meet the requirements of 11 U.S.C. 1325; and

(B) Move to dismiss or convert a case where grounds can be established under 11 U.S.C. 1307.

(4)(i) The institution must monitor the borrower's compliance with the requirements of the plan confirmed by the court. If the institution determines that the debtor has not made the payments required under the plan, or has filed a request for a "hardship discharge" under 11 U.S.C. 1328(b), the institution must determine from its own records and information derived from documents filed with the court—

(A) Whether grounds exist under 11 U.S.C. 1307 to convert or dismiss the case; and

(B) Whether the borrower has demonstrated entitlement to the "hardship discharge" by meeting the requirements of 11 U.S.C. 1328(b).

(ii) If the institution reasonably expects that costs of the appropriate actions, when added to the costs already incurred in taking actions authorized under this section, will not exceed one-third of the dischargeable loan debt, the institution shall—

(A) Move to dismiss or convert a case where grounds can be established under 11 U.S.C. 1307; or

(B) Oppose the requested discharge where the debtor has not demonstrated

§ 674.50

34 CFR Ch. VI (7–1–01 Edition)

that the requirements of 11 U.S.C. 1328(b) are met.

(f) *Resumption of collection from the borrower.* The institution shall resume billing and collection action prescribed in this subpart after—

(1) The borrower's petition for relief in bankruptcy has been dismissed;

(2) The borrower has received a discharge under 11 U.S.C. 727, 11 U.S.C. 1141, or 11 U.S.C. 1228, unless—

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The petition for relief was filed before October 8, 1998;

(B) The loan entered the repayment period more than seven years (excluding any applicable suspension of the repayment period as defined by 34 CFR 682.402(m)), and

(C) The loan is not excepted from discharge under other applicable provisions of the Code; or

(3) The borrower has received a discharge under 11 U.S.C. 1328(a) or 1328(b), unless—

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The petition for relief was filed before October 8, 1998;

(B) The loan entered the repayment period more than seven years (excluding any application suspension of the repayment period as defined by 34 CFR 682.402(m)) before the filing of the petition; and

(C) The borrower's plan approved in the bankruptcy proceeding made some provision with regard to either the loan obligation or unsecured debts in general.

(g) *Termination of collection and write-off.* (1) An institution must terminate all collection action and write off a loan if it receives a general order of discharge—

(i) In a bankruptcy in which the borrower filed for relief before October 8, 1998, if the loan entered the repayment period more than seven years (exclusive of any applicable suspension of the repayment period defined by 34 CFR 682.402(m)) from the date on which a petition for relief was filed; or

(ii) In any other case, a judgment that repayment of the debt would constitute an undue hardship and that the debt is therefore dischargeable.

(2) If an institution receives a repayment from a borrower after a loan has been discharged, it must deposit that payment in its Fund.

(a) *Death.* An institution must discharge the unpaid balance of a borrower's Defense, NDSL, or Perkins loan, including interest, if the borrower dies. (2) Permanent and total disability is the inability to work and earn money or to attend an institution because of an impairment that is expected to continue indefinitely or result in death.

EFFECTIVE DATE NOTE: At 65 FR 65690, Nov. 1, 2000, § 674.61 was amended by revising the section heading and paragraph (b), effective July 1, 2002. For the convenience of the user, the revised text is set forth as follows:

§ 674.61 Discharge for death or disability.

* * * * *

(b) *Total and permanent disability.* (1) If the Secretary has made an initial determination that the borrower is totally and permanently disabled, as defined in § 674.51(s), the loan is conditionally discharged for up to three years from the date that the borrower became totally and permanently disabled, as certified by a physician. The Secretary suspends collection activity on the loan from the date of the initial determination of total and permanent disability until the end of the three-year conditional period. If the borrower satisfies the criteria for a total and permanent disability discharge during and at the end of the conditional discharge period, the balance of the loan is discharged at the end of the conditional discharge period and any payments received after the date the borrower became totally and permanently disabled as certified under § 674.61(b)(3) are returned to the sender.

(2) A borrower satisfies the criteria for a discharge of a loan based on a total and permanent disability if, during and at the end of the three-year conditional discharge period described in paragraph (b)(1) of this section—

(i) The borrower's annual earnings from employment do not exceed 100 percent of the poverty line for a family of two, as determined in accordance with the Community Service Block Grant Act; and

(ii) The borrower does not receive a new loan under the Perkins, FFEL or Direct Loan programs, except for a FFEL or Direct Consolidation Loan that does not include any loans that are in a conditional discharge status.

(3) If a borrower becomes totally and permanently disabled after receiving a Defense, NDSL, or Perkins loan, the institution must assign the loan to the Secretary if the borrower submits a certification by a physician and the institution reviewed the application and determined that it is complete and that it supports the conclusion that the borrower has a total and permanent disability as defined in § 674.51(s).

(4) At the time the loan is assigned to the Secretary the institution must notify the borrower that the loan has been assigned to the Secretary for determination of eligibility for a total and permanent disability discharge.

(5) If the Secretary determines that the certification provided by the borrower does not support the conclusion that the borrower meets the criteria for a total and permanent disability discharge, the Secretary notifies the borrower that the application for a disability discharge has been denied, and that the loan is due and payable under the terms of the promissory note.

(6) If the Secretary makes an initial determination that the borrower is totally and permanently disabled, the Secretary notifies the borrower that the loan will be in a conditional discharge status for a period of up to three years after the date the borrower became totally and permanently disabled as certified under § 674.61(b)(3). This notification identifies the conditions of the conditional discharge period specified in paragraphs (b)(6) through (b)(9) of this section and specifies that all or part of the three-year period may predate the Secretary's initial determination.

(7) During the conditional discharge period, the borrower—

(i) Is not required to make any payments on the loan;

(ii) Is not considered past due or in default on the loan, unless the loan was past due or in default at the time the conditional discharge was granted;

(iii) Must promptly notify the Secretary of any changes in address or phone number;

(iv) Must promptly notify the Secretary if the borrower's annual earnings from employ-

ment exceed the amount specified in paragraph (b)(2)(i) of this section; and

(v) Must provide the Secretary, upon request, with additional documentation or information related to the borrower's eligibility for discharge under this section.

(8) If, during and at the end of the conditional discharge period, the borrower continues to satisfy the eligibility criteria for a total and permanent disability discharge, as described in paragraph (b)(2) of this section, the balance of the loan is discharged.

(9) If, at any time during or at the end of the three-year conditional discharge period, the borrower does not continue to meet the eligibility requirements for total and permanent disability discharge, the Secretary resumes collection activity on the loan. The Secretary does not require the borrower to pay any interest that accrued on the loan from the date of the initial determination described in paragraph (b)(6) of this section through the end of the conditional discharge period.

(10) If the institution receives any payments from or on behalf of the borrower on or attributable to a loan that has been assigned to the Secretary for determination of eligibility for a total and permanent disability discharge, the institution must forward those payments to the Secretary for crediting to the borrower's account. At the same time that the institution forwards the payment, it must notify the borrower that there is no obligation to make payments on the loan while it is conditionally discharged prior to a final determination of eligibility for a total and permanent disability discharge, unless the Secretary directs the borrower otherwise.

(11) When the Secretary makes a final determination to discharge the loan, the Secretary returns to the sender any payments received on the loan after the date the borrower became totally and permanently disabled.

§ 674.62 No cancellation for prior service—no repayment refunded.

(a) No portion of a loan may be cancelled for teaching, Head Start, volunteer or military service if the borrower's service is performed—

(1) During the same period that he or she received the loan; or

(2) Before the date the loan was disbursed to the borrower.

(b) The institution shall not refund a repayment made during a period for

which the borrower qualified for a cancellation unless the borrower made the payment due to an institutional error.

§ 674.63 Reimbursement to institutions for loan cancellation.

(a) *Reimbursement for Defense loan cancellation.* (1) The Secretary pays an institution each award year its share of the principal and interest canceled under §§ 674.55 and 674.59(a).

(2) The institution's share of cancelled principal and interest is computed by the following ratio:

$$\frac{I}{I+F}$$

Where I is the institution's capital contribution to the Fund, and F is the

Federal capital contribution to the Fund.

(b) *Reimbursement for NDSL and Federal Perkins loan cancellation.* The Secretary pays an institution each award year the principal and interest canceled from its student loan fund under §§ 674.53, 674.54, 674.56, 674.57, 674.58, 674.59(b), and 674.60. The institution shall deposit this amount in its Fund.
