The following definitions are in addition to those definitions in 38 U.S.C. 101 and 1965:

(a) The term *policy* means Group Policy No. G-32000, which was effective September 29, 1965, purchased from the insurer pursuant to 38 U.S.C. 1966, executed and attested on December 30, 1965, and amended thereafter.

(e) The term *converter* means any life insurance company meeting all the criteria set forth in §9.10 which issues individual life insurance policies to members under the provisions of 38 U.S.C. 1968(b) and 1977(e).

(f) The term *coverage* means Servicemembers' Group Life Insurance or Veterans' Group Life Insurance payable upon death occurring while the member is insured under the policy.

(g) The term *termination of duty* means (1) In the case of active duty or active duty for training being performed under a call or order that does not specify a period of less than 31 days-discharge, release or separation from such duty.

(2) In the case of other duty—the member's release from his or her obligation to perform any duty in his or her uniformed service (active duty, or active duty for training or inactive duty training) whether arising from limitations included in a contract of enlistment or similar form of obligation or arising from resignation, retirement or other voluntary action by which the obligation to perform such duty ceases.

Organic loss of speech will mean the loss of the ability to express oneself, both by voice and whisper, through the normal organs of speech if such loss is caused by organic changes in such organs. Where such loss exists, the fact that some speech can be produced through the use of an artificial appliance or other organs of the body will be disregarded.

§9.2 Effective date; applications.

(a) The effective date of Servicemembers' Group Life Insurance will be in accordance with provisions set forth in 38 U.S.C. 1967.

(b) The effective date of Veterans' Group Life Insurance will be as follows:

(1) For members whose Servicemembers' Group Life Insurance coverage ceases under 38 U.S.C. 1968 (a)(1)(A) and 38 U.S.C. 1968(a)(4), the effective date shall be the 121st day after termination of duty. An application and the initial premium must be received by the administrative office within 120 days following termination of duty or separation or release from such assignment.

(2) For members whose Servicemembers' Group Life Insurance coverage was extended because of total disability, the effective date shall be the day following the end of the 1-year period of extended coverage or the day following the end of the total disability, whichever is the earlier date, but in no event before the 121st day following termination of duty. An appli-

cation and the initial premium must be received by the administrative office within 1 year following termination of duty.

(3) For members who qualify for coverage under 38 U.S.C. 1967(b), the effective date shall be the 121st day after termination of duty. An application, the initial premium, and proof of disability must be received by the administrative office within 120 days following termination of duty.

(4) For members of the Individual Ready Reserve or the Inactive National Guard, the effective date shall be the date an application and the initial premium are received by the administrative office. The application and initial premium must be received by the administrative office within 120 days of becoming a member of either organization.

(Authority: 38 U.S.C. 1977(e))

(c) If either an application or the initial premium has not been received by the administrative office within the time limits set forth above, Servicemembers' Group Life Insurance or Veterans' Group Life Insurance coverage may still be granted if an application, the initial premium, and evidence of insurability are received by the administrative office within 1 year and 120 days following termination of duty.

[61 FR 20135, May 6, 1996, as amended at 62 FR 35970, July 3, 1997]

§ 9.3 Waiver or reduction of coverage.

(a) Full-time coverage which is in effect will terminate or be reduced at midnight of the last day of the month a member's written notice requesting such termination or reduction is received by his or her uniformed service. In the case of a member paying premiums directly to the administrative office, full-time coverage will terminate or be reduced as of the last day of the month for which the last full premium was paid. Termination or reduction of coverage is effective for the entire remaining period of active duty unless the member reinstates his or her coverage under the provisions of 38 U.S.C. 1967(c). If, following termination of duty, a member reenters duty (in the same or another uniformed service), a waiver or reduction for the previous period of duty will not apply to the subsequent period of duty.

(b) Part-time coverage will terminate or be reduced at the end of the last day of the period of duty then being performed if the member is on active duty or active duty for training when the waiver or reduction is filed; at the end of the period of inactive duty training then being performed if the member is on inactive duty training when the waiver or reduction is filed; or on the date the waiver or reduction is received by his or her uniformed service if the member is not on active duty, active duty for training; or inactive duty training on the date the waiver or reduction is filed.

(1) When a member insured under part-time coverage waives his or her right to group coverage or elects a reduced amount of insurance, such waiver or election, unless changed, is effective throughout the period of the member's continuous reserve obligation in the same uniformed service. If, following termination of duty, the member reenters duty or resumes the obligation to perform duty (in the same or another uniformed service), the waiver or reduction will not apply to the subsequent period of duty or obligation.

(2) If a reservist insured under part-time coverage is called or ordered to active duty or active duty for training under a call or order that does not specify a period of less than 31 days and is separated or released from such duty

and then resumes his or her reserve obligation, any waiver or election of reduced coverage made while eligible for part-time coverage, unless changed, shall be effective throughout the entire period of part-time coverage, the active duty or active duty for training period and 120 days thereafter and the period of immediately resumed reserve obligation.

(3) If a member, other than a member referred to in paragraph (b)(2) of this section, upon termination of duty qualifying him or her for full-time coverage assumes an obligation to perform duty as a reservist, any waiver or election previously made by the member shall not apply to coverage arising from his or her reservist obligation. Furthermore, during the 120 days following termination of such duty the full-time coverage shall not be reduced by any waiver or election made by a member as a reservist.

§ 9.4 Beneficiaries and options.

Any designation of beneficiary or election of settlement options is subject to the provisions of 38 U.S.C. 1970 and 1977 and the following provisions:

(a) Any designation of beneficiary or settlement option election made by any member insured under Servicemembers' Group Life Insurance for full-time coverage or part-time coverage will remain in effect until properly changed by the member or canceled automatically for any of the following reasons:

(1) The insurance terminates following separation or release from all duty in a uniformed service.

(2) The member enters on duty in another uniformed service.

(3) The member reenters on duty in the same uniformed service more than 1 calendar day after separation or release from all duty in that uniformed service.

(b) A change of beneficiary may be made at any time and without the knowledge or consent of the previous beneficiary.

(c) Until and unless otherwise changed, a beneficiary designation and

§9.5

settlement option election of record on the date a statutory increase in coverage takes effect shall be considered to be a beneficiary and optional settlement election for the increased amount as well, and any beneficiary named therein shall be entitled to the same percentage (%) share of the new total coverage amount as that beneficiary was entitled to prior to the statutory increase in coverage.

§9.5 Payment of proceeds.

Proceeds shall be paid in accordance with provisions set forth in 38 U.S.C. 1970 and the following provisions:

(a) If proceeds are to be paid in installments, the first installment will be payable as of the date of death. The amount of each installment will be computed so as to include interest on the unpaid balance at the then effective rate.

(b) If, following the death of an insured member who has designated both principal and contingent beneficiaries and elected to have payment made in 36 equal monthly installments, the principal beneficiary dies before all 36 installments have been paid, the remaining installments will be paid as they fall due to the contingent beneficiary. At the death of such a contingent beneficiary, and in other instances of a beneficiary's death, where there is no contingent beneficiary, the value of any unpaid installments, discounted to the date of his or her death at the same rate used for inclusion of interest in the computation of installments will be paid, without further accrual of interest, in one sum to the estate of the beneficiary or contingent beneficiary last receiving payment.

(c) In instances where payment in installments is made at the election of the beneficiary, upon his or her request, the value of such installments as remain unpaid will be discounted to the date of payment at the same rate used for inclusion of interest in the computation of installments and paid to him or her in one sum.

(d) If a member whose coverage is extended due to total disability converts

the group insurance to an individual policy which is effective before he or she ceases to be totally disabled or before the end of 1 year following termination of duty, whichever is earlier, and dies while group insurance would be in effect, except for such conversion, the group insurance will be payable, provided the individual policy is surrendered for a return of premiums and without further claim. When there is no such surrender, any amount of group insurance in excess of the amount of the individual policy will be payable.

§9.7 Administrative decisions.

(a) Determinations of the Department of Veterans Affairs are conclusive under the policy with respect to the following:

(1) The status of any person being within the term *member* and whether or not he or she is covered at any point of time under the policy including *travel-time* under 38 U.S.C. 1967(b) and death within 120 days thereafter from a disability incurred or aggravated while on duty.

(2) The fact and date of a member's termination of active duty, or active duty for training, and the fact, date and hours of a member's performance of inactive duty training.

(3) The fact and dates with respect to a member's absence without leave, confinement by civilian authorities under a sentence adjudged by a civil court, or confinement by military authorities under a court-martial sentence involving total forfeiture of pay and allowances.

(4) The operation of the forfeiture provision provided in 38 U.S.C. 1973 with respect to any member.

(5) The existence of total disability or insurability at standard premium rates under 38 U.S.C. 1968.

(b) When determination is required on a claim that a member who waived coverage, or whose coverage was forfeited for one of the offenses listed under 38 U.S.C. 1973 was in fact insured, or that a member who elected to be insured was insured for an amount greater than the amount shown in the record, and there is no record of an application to be insured or to increase the amount of insurance as required under 38 U.S.C. 1967(c):

(1) The person making the claim will be required to submit all evidence available concerning the member's actions and intentions with respect to Servicemembers' Group Life Insurance or Veterans' Group Life Insurance.

(2) Request will be made to the member's uniformed service and any other likely source of information considered necessary, for whatever evidence in the form of copies of payroll or personnel records, statements of persons having knowledge of the facts, etc., is essential to a decision in the matter.

Based on the evidence obtained, a formal determination will be made as to whether the member involved is deemed to have applied to be insured, or to be insured for an amount other than the amount shown in the record. The determination will include a finding as to the member's health status for insurance purposes based on the evidence available.

(Authority: 38 U.S.C. 1967)

(c) In making the determination required under paragraph (b) of this section, the following will be considered:

(1) The possibility that due to widespread geographic distribution, inadequate means of communication and the nature of the group insurance program, members may not be adequately and accurately informed, especially in time of war or military emergency, about the detailed requirements for obtaining insurance protection.

(2) Payroll deductions made without objection by a member, following waiver or termination of coverage, representing premiums for insurance or additional insurance, may, by virtue of continuity or the circumstances sur-

rounding their initiation, be indicative that the member did apply. Such deductions without a formal application of record may be considered as evidence that the member's application was not in proper form or misplaced. They may also be considered as evidence that an application was not made solely because of erroneous or incomplete counseling or absence of counseling on the part of the responsible personnel of the uniformed service.

(d) Questions for determination under this section as well as those involving coverage of groups and classes of members and other questions are properly referable to the Assistant Director for Insurance. Authority to make any determinations required under this section is delegated to the Under Secretary for Benefits and Assistant Director for Insurance.

§9.8 Termination of coverage.

Termination of coverage will be in accordance with the provisions of 38 U.S.C. 1968 and §9.3 of this part and the following provisions:

(a) In the case of a member whose coverage is forfeited under 38 U.S.C. 1973, coverage terminates at the end of the day preceding the day on which the act or omission forming the basis for such forfeiture occurred.

(b) In the event of discontinuance of the group policy, coverage terminates at the end of the day preceding the date of the discontinuance of the policy except for those members who are insured under Veterans' Group Life Insurance in which event coverage terminates at the expiration of the day preceding the anniversary of the effective date of such insurance which first occurs, 90 days or more after the discontinuance of the group policy.

(a) With respect to a member on active duty or active duty for training

§9.10

under a call or order to duty that specifies a period of less than 31 days, and a member insured during inactive duty training scheduled in advance by competent authority there shall be no right of conversion unless the insurance is continued in force under 38 U.S.C. 1967(b) or 1968(a) for 120 days following a period of such duty, as the result of a disability incurred or aggravated during such a period of duty.

(b) The individual policy of life insurance to which an insured may convert under 38 U.S.C. 1968(b) or 1977(e) shall not have disability or other supplementary benefits and shall not be term insurance or any policy which does not provide for cash values. Term riders providing level or decreasing insurance for which an additional premium is charged may be attached to an eligible basic conversion policy, but the rider will be excluded from the conversion pool agreement under the policy.

(c) The insurer will establish a conversion pool in cooperation with the reinsurers and converters in accordance with the terms of the policy. Its purpose will be to provide for the determination and maintenance of appropriate charges arising from excess mortality under individual conversion policies issued in accordance with this section and provide for the appropriate distribution of the risk of loss due to such excess mortality among the reinsurers and converters.

§9.10 Health standards.

(a) For the purpose of determining if a member who incurred a disability or aggravated a preexisting disability during a period of active duty or active duty for training under a call to duty specifying a period of less than 31 days or during a period of inactive duty was rendered uninsurable at standard premium rates, the underwriting criteria used by the insurer in determining good health for persons applying to it for life insurance in amounts not exceeding the maximum amount of coverage then available under 38 U.S.C. 1967 will be used.

(Authority: 38 U.S.C. 1967)

38 CFR Ch. I (7-1-01 Edition)

(b) For all other purposes of determining if a member meets the necessary health requirements except paragraph (a) of this section, the underwriting criteria used by the insurer in determining good health for group life insurance purposes will be used.

§9.11 Criteria for reinsurers and converters.

The following criteria will control eligibility for reinsuring and converting companies:

(a) The company must be a legal reserve life insurance company as classified by the insurance supervisory authorities of the State of domicile. Qualified fraternal organizations are included.

(b) The company must have been in the life insurance business for a continuous period of 5 years prior to October 1, 1965, or the December 31 preceding any redeterminations of the allocations. In the event of a merger, the 5-year requirement may be satisfied by either the surviving company or by one of the absorbed companies. Upon joint application by a subsidiary of a participating company, together with the parent company, the 5-year requirement may be waived provided such parent company owns more than 50 percent of the outstanding stock of the subsidiary and has been a legal reserve life insurance company for a period of 10 years or more.

(c) The company must be licensed to engage in life insurance in at least one State of the United States or the District of Columbia.

(d) The company will not be one: (1) Certified by the Department of Defense as being under suspension for cause for purpose of allotment or on-base solicitation privileges.

(2) That solicits life insurance applications as conversion or other replacement of Servicemembers' Group Life Insurance or Veterans' Group Life Insurance coverage in jurisdictions in which it is not licensed.

(3) That fails to take effective action to correct an improper practice followed by it or its agents within 30 days after written receipt of notice issued

Department of Veterans Affairs

§ 9.13

by the insurer or the Assistant Director for Insurance. Improper practice includes:

(i) The use for solicitation purposes of lists of names and addresses of former members without obtaining reasonable assurance that such lists have not been obtained contrary to regulations of the Department of Defense or other uniformed service;

(ii) Failure to reveal sources and copies of mailing lists upon proper request or to otherwise cooperate in an authorized investigation of a reported improper practice;

(iii) The use of written or oral representations which may mislead the person addressed as to the true role of the company or its representatives as one of the participating companies;

(iv) The use of written or oral representations which may mislead the person addressed as to rights, privileges, coverage, premiums, or similar matters under Servicemembers' Group Life Insurance, Veterans' Group Life Insurance, or any policy issued or proposed to be issued as a conversion or other replacement coverage;

(v) Violation of regulations of a uniformed service concerning solicitation of life insurance; and

(vi) The use of written or oral references to Servicemembers' Group Life Insurance, Veterans' Group Life Insurance or conversions of Servicemembers' Group Life Insurance or Veterans' Group Life Insurance in connection with the attempted sale of an insurance policy which would not be, in fact, a conversion policy or a policy issued in lieu of a conversion, if those references might lead a person addressed to believe there is a connection between the policy being sold and coverage under Servicemembers' Group Life Insurance, Veterans' Group Life Insurance or a conversion of it.

(e) Each reinsuring and converting company must agree to issue conversion policies to any qualified applicant regardless of race, color, religion, sex, or national origin, under terms and conditions established by the primary insurer.

[40 FR 4135, Jan. 28, 1975. Redesignated at 61 FR 20135, May 6, 1996]

§ 9.12 Reinsurance formula.

The allocation of insurance to the insurer and each reinsurer will be based upon the following:

(a) An amount of the total life insurance in force under the policy in proportion to the company's total life insurance in force in the United States where:

The first \$100 million in force is counted in full,

The second \$100 million in force is counted at 75 percent,

The third \$100 million in force is counted at 50 percent,

The fourth \$100 million in force is counted at 25 percent,

And any amount above \$400 million in force is counted at 5 percent.

(b) The allocation will be redetermined at the beginning of each policy year for the primary insurer and the companies then reinsuring, with the portion as set forth in paragraph (a) of this section based upon the corresponding in force (excluding the Servicemembers' Group Life Insurance in force) as of the preceding December 31.

(c) Any life insurance company, which is not initially participating in reinsurance or conversions, but satisfies the criteria set forth in § 9.11, may subsequently apply to the primary insurer to reinsure and convert, or to convert only. The participation of such company will be effective as of the beginning of the policy year following the date on which application is approved by the insurer.

§ 9.13 Actions on the policy.

The Assistant Director for Insurance will furnish the name and address of the insuring company upon written request of a member of the uniformed services or his or her beneficiary.
