### § 13.1 Authority and purpose.

The Randolph-Sheppard Vending Stand Act of June 20, 1936, as amended by section 4 of the Act of August 3, 1954 (68 Stat. 663; 20 U.S.C. 107), directs that, insofar as practicable, preference shall be given to blind persons in the operation of vending stands and machines on any Federal property. The regulations in this part prescribe the policies and procedures to achieve and protect that preference on property, including land, owned or leased by the United States and controlled by the Department of the Interior.

### § 13.2 Application for permit.

(a) State licensing agencies designated by the Department of Health, Education, and Welfare under the Ran-

dolph-Sheppard Vending Stand Act may apply for permits to establish and maintain vending facilities, including both vending stands and machines, to be operated by blind persons licensed by the State agencies. Application for a permit shall be made, in writing, by the State licensing agency to the head of the Interior bureau or office having control of the property in question. In the regulations in this part the term "head of the Interior bureau or office" includes the authorized representatives of that bureau or office.

(b) The head of the Interior bureau or office may deny an application if he determines that the issuance of a permit would unduly inconvenience the bureau or office or adversely affect the interests of the United States. Such determination shall be in writing and shall state the reasons on which it is based. The fact that a permit will be without charge for rent shall not constitute a basis for denying an application.

(c) In considering applications for permits, due regard shall be given to the terms of any existing contractual arrangements.

### § 13.3 Cooperation in selection of facilities.

Upon request from a State licensing agency, the Interior bureau or office shall cooperate in selecting locations and arranging accommodations for vending facilities to be operated by blind persons. In making such selection, due consideration shall be given to the requirements of occupant agencies, availability of suitable space, and requirements for preparation and maintenance of the space.

### § 13.4 Terms of permit.

Every permit shall describe the location of the vending facilities and shall be subject to the following provisions:

(a) The permit shall be issued in the name of the applicant State licensing agency.

(b) The permit shall be for a definite term, not to exceed five years, and shall be without charge for rent.

(c) The permit may be revoked at any time upon not less than 30 days written notice to the permittee from the head of the Interior bureau or office having
